Hector Leal(January 15,1989)

I have lived in pampa nearly all my life. I started writing when i was younger but my best poems have come throughout my high school career. I now live in Washington and started a new life for me here.

Darkness

Darkness comes back everytime you leave me
And I don't know what to do
I wish the Darkness would
Just go away
But you and me are through
The Darkness haunts me
Every night and every day
I wish the Darkness would leave me alone
The Darkness will keep
Us prisoner till we die
Don't you cry.
The Darkness will eat us alive
It's like drowning when you take
Your first dive
You only have your friend
But you won't make it in the end.
Darkness will leave me soon
But it's coming after you
With a different tune.

I Love You So Much!

I love you so much
I wish I could be with you
Holding hands
Laying in each others arms
You make me happy
I wake knowing
You will be there waiting
Knowing that you're wonderful
You're amazing
Your perfect
And I know in my heart
You are the one
I've been searching for
All my life
My heart beats faster
When I talk to you
You make me laugh
Like no one else can
You 100 percent complete me
You are my world
My sun
My rain
My life
I love you with all my heart☐
Forever and ever

If My Heart Could Sing

I don't know what it is about you
You make me happy when im sad
You make me feel good when im talking to you
You make my heart sing and dance
I love you
You don't know how many times I've wished
For a guy like you to come into my life
There are not enough word to describe how wonderful you are
You're the reason I live
My morning
My evening
My night
When I talk to you my heart just beats
Faster and slower at the same time
You make me know there is hope
I love you so much
You are the best thing that has ever happened to me
You make my heart soar
When I'm talking to you I feel safe
It makes me feel right
You are the most sweetest and kind guy I know
And if I could I would be with you right now
Cuddling with you and showing you how much I love you.
Because without you I am nothing

If My Heart Could Talk

I made a mistake
That I wish I could take back
I love you so much
I don't know how to live without you
You're my world and you always will be
I cant stop thinking about you day and night
I cant sleep
I cant eat
You're my love you're my life
I cant go on living knowing
I would never be with you
My heart tingles at your every word
You hold the key to my heart
And you make my heart sing
There is no music anymore
I miss you so much
And I wish you would forgive me
I wish you would take me back
You're the reason I live and breathe
You kept me going when I was down
You loved me when I was a biznatch
I love you
There are not enough words to describe how in love I am with you
And how I wish I wasn't stupid
And how I wish that night didn't happen
I hope you will come back to me
And put together the pieces of my heart
The puzzle of my life
And complete my life with your sweet melodies
And love

The Light

Do I Live
Am I Dead
Is it all just in my head
The friends I once had
The voices I didn't
The heart I did follow
I feel alive but also dead
People judge because of what they read
I dance all day, I sing all night
And somehow I have lost the fight
The Clock Strikes again
My Life takes flight
I'm Happy again
I dance my heart out
I sing from the heart
And here my life has begun to start
I can leap, I can fly
but I'll never say goodbye
I must catch up to save my life
You make me Live
You make me Sing
You make me Dance
I am the Light

The Real You

Why do you have to hide who you are on the inside
You should just hold your head high and walk with pride
Why do you have to be scared of who you really are
Doing that just won't get you far

Why put yourself through all that pain of hiding the real you
Who cares what people think unless they can see it from your point of view
Life is not about looking hot or owning nice things
What it is really about is being true to yourself

If your friends can't accept you for who you really are
Forget them because their not even worth trying to impress
If you can see life from my point of view
Nothing can ever bug you

Why Won'T You Go

Why do you think you know me when you don't
Sometimes I really want to cut your throat
How could you hurt me the way you did
Now my friends think your stupid
I try my best
But your a pest
You Hurt me now
I don't know how
I hate you so
Why won't you go

Hector Leal

Your All I Have

You hurt me bad
Your all I had
I don't know how
I'm Lost right now

I'd rather die
Than have to cry
My heart is broke
I'd rather choke

You left me here
With all this fear
I waste my time
But never can find

I found love since you
But now that's through
I need you bad
Your all I have
