A.N Angel!  ! ! ! !

I saw three angel
In my life they
In their own way
We're kind loving
Barring souls I love
Then are
Gone. One still is still
Here. And I still care for
Greatly. She means everything
To me, but, at last I can't
Tell her. For fear of her flying
Away. So keep this to my self
And no one will know.... Maybe
Jehovahbut no one else will
Know or care

DEAN WILLIAM JOHNSTON
Above All Have Love!

When we look forward
We have a lot of things money.
Even a mate but we must
Make room for love. Love
For your mate, friends.
But most of all for GOD
For without him. There
Is nothing! ! ! ! a waste
Of good time. For love
And godly love run hand in hand. May we always remember
To put Jehovah God in the picture.
