The only one to receive the crown.

In your own country,
With your own name,
Real, surreal!
Surrounded with the muse of the truth.

Edward Kofi Louis
The Only Person

Dog, god, bog, hog, log, cog, fog, jog, tog, wog;
But it begins with you and me!
And the only person you can change first is yourself,
For life is all about changes.

The deciding factor,
Base your love on the truth always!
And let the birds fly above the earth;
For the seed-bearing plants and trees are always around us.

Edward Kofi Louis
The Only Red Rose

The only red rose,
Your only red love,
Moonlight! 
Songs of love;
Sincerity,  
Through the grove of true love.
Echoes of love! 
Songs of life;
Romance of nature,  
With Beautiful Flowers like the Stars!
Blossom,  
Peace and joy;
To the delightful spot! 
Like a delicious perfume;  
With the aroma of the truth.

Edward Kofi Louis
The Only Way

Ward,
Forward,
Afterward,
Inward,
Backward,
Award!
Outward,
Reward,
Edward,
With the basic truth of life;
The only way,
And, the true reason for peace.

Edward Kofi Louis
The Only Way  2

The way,
The only way,
To pass through it;
The only means available,
To heal you with love.

Edward Kofi Louis
The Only Way To Heal Her

The liquid went into her and she shouted for her mother!
But that was the only way to heal her from her wounds;
And the smell of love was heard.

The acts of the strength made her cried out for her mother,
But this was the only way to heal her from her wounds;
And love sweet love was all that she needed.

Edward Kofi Louis
The Open Market

Pen,
Den,
When?
With Ken your friend,
At the open market.

The muse of life,
Adding glamour to it;
However, whatever it takes in life,
The truth is always the key.

Yes! Uplifting the spirit of righteous morals,

Being able to bring peace to the world.

Edward Kofi Louis
The Oracles

Invaders, invaders! The oracles must be consulted;
From the North to the South and,
From the East to the West are the African Oracles.
The oracles of my ancestors are,
The trademarks of my African identity to a call;
We have to consult the oracles in times of need.
Who said it is not true?
Who said it is not powerful?
Visit the Oracles of Africa and know the truth.
The African Oracles,
Do ask Mr. Okonkwo about it;
He will tell you why,
The Whiteman's 'iron Horse' was hanged on a tree.
Oh! The oracles of my ancestors;
Out of their mystic myths,
So lay their powers.
Of their creative arts and acts,
Of their spell which makes me think otherwise;
Yet still, the African lacks behind in many things.
If onne could fly in the thin air and able to vanish,
Why can't they form a Universal Soldier in Africa?!
Those are they who are bullet-proof too;
Are these Oracles also working for them?
The oracles,
The Oracles of Africa!
With respective rites for a passer-by who,
Wants to know more about the African;
Oh, the oracles of my forefathers.

Edward Kofi Louis
The Oratory Of My Sweet Love

My love has fallen out into pleasant places so,
Come and taste this wonderful muse of mine;
For my heart is with joy and this glory rejoices!
And ther are pleasures evermore with you my love.

Do not let the path of this love slip you by,
For my sweet voice of love is better than the tumult of nations!
And my inward thought will rest on you always.

My heart praises your love but,
Come and listen to the oratory of my sweet love;
Because the heavens know what you are to me.

Edward Kofi Louis

The Ordinance Of The Truth

The truth,
You don't need signs to believe in it;
Because, the truth is always the truth,
No matter how many times you cover it with lies.

Life,
To keep it with the ordinance of the truth;
And, to walk in love,
Under the muse of the laws.

Edward Kofi Louis
The Origin

The Origin;
First out,
From the source.

Edward Kofi Louis

Because, your mother is always there to help you.

Edward Kofi Louis

Cope,
Slope,
Lope,
With the other side of hope;
Struggling along,
Hustle and bustle! !
To survive,
Facing the odds of life.

Edward Kofi Louis
The Owl's Story

Fresh,
To be refreshed;
Love not forgotten,
Place always visited,
The owl's story;
Front view,
Point of view,
Tin, tinkering!
Of a consortium;
Life,
With pros and cons;
Love,
To do it;
Nature,
Original! !
It's natural.

Edward Kofi Louis
The Pages Of Genesis

The pages of Genesis,
I saw your sweet muse and i came to you in the night;

Edward Kofi Louis
The Pages Of Revelation

Edward Kofi Louis
The Pain

The pain in the neck!
The pain at the back,
The pain in the leg,
Like a ghost seen in daylight!

Adventures,
In your own backyard,
Ministered!
At the common area;
Face, phase!
Dates;
Originated.

Spot, sport!
The pain;
Standing like a palm tree!
Seeking a way to overcome the pain.

Edward Kofi Louis
The Pain!

The pain!
Inside;

The chain,
Wet in the rain;

Oh life! !
The pain;

Inside,
Trying to overcome!

Oh life!
Train me with the truth;

Help me! !
To overcome this pain.

Edward Kofi Louis
The Pains

Life,
With all the pains around me!
With all the chains around me,
Lost gains.

Edward Kofi Louis
The pain!
The pains of life;
Struggling to stand,
Above sea level! !
Above waters,
To level up your head with the works of peace.

Edward Kofi Louis
The Pangs Of Despised Love

Scorns of time!
Judgement,
The pangs of despised love;
Beware of the entrance of a quarrel,
And do get out of the sea of troubles! !
To grim and sweat under a weary life
To endure the pain! !
Stired up with envy and revenge,
A fiery deluge!
With thoughts inflamed.

Edward Kofi Louis
The Parable Of Her Love

She awoke from sleep and found me beside her,
But as her anme was so was the love of her lips!
And i marvel when i first saw her beauty.
Beautiful was her elevations as seen from up high,
And in the midst of her love to swing at last;
But try to incline your ears to the parable of her love,
Because she has all that i need in this life.

Edward Kofi Louis
The Passageway

Deep! !
Great waters;
Over you,
To cover you.
Separation,
An adjoining,
Dividing structure;
The passageway,
Of the temple and the inner court.

Edward Kofi Louis
The Passion

Yesterday you were my sweet lover and today,
You are my wife on this sweet side of the river;
But tomorrow comes and, you will bear my children.

This will be the results of the passion of a sweet romance,
With red, yellow and blue winds all over us!
But do take care of the green cloud above us,
For the journey of any sweet love starts with two!

The passion of love and of a lovely young woman around you,
This intimate relationship will lead you to many things;
For her beauty is like the beauty of Bathsheba,
And we forst love by sharing with one another.

The red-dot!
And of the high definitions of your love at hand;
But your blue rays of love had sent me higher!
And it is so soft and very delicate to touch,
For you have fortified them with your city walls;
And today you are a noble and a kind woman of substance.

During the time of spring and during the time of summer,
During the time of autumn and during the time of winter,
Her love was flowing with milk and honey;
And her wisdom and her wealth were all over us!

Edward Kofi Louis
The Passion Of The Act

Arts of Africa,
Muse of colours,
Small and big;
The appeal of taste!
Being wet inside and,
Being wet outside.
The appetite of love!
The passion of the act;
With perception,
As seen by the naked eyes.
Innate ability,
A passionate pen-painter!
To experiment in different styles;
And like the muse of wild grapes.

Edward Kofi Louis
The Passion Principle

Passion, passion, passion!
The passionate principle of my love to my lover;
I have been missing you my sweet one.
Every night i do sleep and dream of you,
Every day i do pray and remember you;
Like in every movement of mine without you.

This is the passion principle to my heart,
This is the love that feels my soul!
My love, my heart and my mind are always on you;
For i have been missing you my sweet one.
My lover where are you?
I need you beside me;
You are the winning urge to push me on,
And i have been thinking of you.

Passion, passion, passion!
You are to push me through the rough trials of life;
Like the passionate love beside the still waters.
We don't need to hide from each other,
For every move i make is towards you;
You are still in my heart,
You are still on my mind,
For your passionate principle are destined to me;
I have been missing you my sweet one.

I know the path to heaven! !
Follow me and,
I will show you the place;
With positive morals.

Edward Kofi Louis
The Patience Of Job

The patience of Job!
With hope,
To walk in the faith;
Without giving up the truth.

Rain! !
On earth,
To bring forth its fruits;

The fruits of love,
The fruits of peace,
the fruits of life,
The fruits of joy! !

Like the patience of Job;
In mercy and,
In the truth;
Without giving up.

Edward Kofi Louis
The Peace Of My Mind

Crappie, hardhead, shark and seal;
In this life,
What you give is what you get.

Jellyfish, crawfish, sturgeon and walrus;
This world is like a dog eating dog meat.

However, i have the peace of my mind!
Like the Limpopo River to express my views;

Young and extremely attractive! !
Sweet and extremely beautiful;

My heart so lovely,
My mind so sweet!

But i am like the lamb among the wolves in this life,
But the summer's heat is in my garden of love.

Edward Kofi Louis
The Peace Of My Mind   2

On the field to play the match,
Have you been loved deeply before? !
Facing the ways of life.

Venture,
Confines,
Poverty,
Hostage!
With the persistence of hope.

Crappie, hardhead, shark and seal;
In this life,
What you give is what you get.

Jellyfish, crawfish, sturgeon and walrus;
This world is like a dog eating dog meat.

You hate the Americans but you have enough U. S. Dollars in your pocket;
Why?

Surround,
Being adamant;
Act,
Havoc! !
Seen;
A sea of poverty.

Theological Dictionary,
Long concealed;
World report,
Well known!
However, i have the peace of my mind!
Like the Limpopo River to express my views;

Young and extremely attractive! !
Sweet and extremely beautiful;

My heart so lovely,
My mind so sweet!
But i am like the lamb among the wolves in this life,
But the summer's heat is in my
garden of love.

Appalled!
The full glare of it,
Seeing the ways of mankind on earth today;
But the act of the rats and the Sense of the peackcock around informs me about
something.

Edward Kofi Louis
The Peaceful Solution

The peaceful solution,
With the ways of life;
The muse of love,
The laws of nature!
To do the will of the Creator;
Than Satan's! !

With positive morals,
Bringing us together!
In joy,
In peace,

Of hatred.

Edward Kofi Louis
The People

The Bible,
The people,

Bringing all in unity towards peace than with war.

Edward Kofi Louis
The People Of Yahweh

The remains the keeping of the Sabbath to the people of Yahweh,
But who can have compassion on those who are ignorant?!
For we are all subjected to weakness,
But the laws are always there for us to obey.

Edward Kofi Louis
The Perfect Pass

The perfect pass!
It is not over until,
The last whistle is blown from the referee;
So, be much determined and focused on the game.

Dreams,
Businesses!
Talents,
Motivations;

Bus, business!
From the blue,
From the red,
And, from the blues of love.

Love!
I know how it means to me;
Love!
I know how it means to you;

A glamorous woman!
To get to that point;
A handsome man!
To get to that point;

The game!
Attractive and exciting;
It is not over until,
The last whistle is blown by the referee.

Edward Kofi Louis
The Perfect Touch

The perfect touch,
The perfect love,
Peace and joy!

Edward Kofi Louis
The Philosopher

I am the philosopher of this style of poetry,
Muse, use, fuse, infuse, defuse, refuse, bemuse, ruse!
Along the line,
With my mind,
Imagination!
pages, sages, stages, passages, garages, rages, gages, ages, images, cages,
wages;
To follow the route,
Foot, root, boot, moot, shoot, loot, coot, hoot, scoot, toot!
The philosopher,
The poet.

I am a different person!
And, fame means nothing to me;
I am a very private person and,
Fame doesn't mean anything to me;
But, very dynamic as far as poetry is concern.
I only enjoy the truth!
Of everything in life;
Truth, Ruth!
Serving mankind with the peace of my mind in the land of the living.

Beauty!
The attraction;
The luxury of life,
With a point in time.
Rent, different, pent, parent, sent, dent, tent, bent, Kent, went, lent, cent, gent,
scent, vent!
With the way of showing loyalty to all mankind with the muse of my imagination;

But, i had a very humble upbringing in life.
The muse of life!
Growing up with memorable experiences;
With my mind,
And, to become a philosopher of this style of writing poems.

The muse of life and the muse of poetry!
I went through the street and i saw many things;
Growing up with the muse of my mind.
Cost, post, most, lost, ghost, host, frost!
In all ways;
And, to carry on that responsibility by serving all mankind with a different style.
The muse of life!
Very beautiful and peaceful with the muse of the laws;
Bringing peace and joy to all who are areally ready to uphold the teachings of the laws.

Edward Kofi Louis
The Photographer

I am the photographer who saw your nakedness,
Because i took your naked-pictures for the show;
And i am now standing behind your door knocking.
Please open up, for your pictures are ready after printing;
And i am here to hand over some copies to you.
I want ot see your reactions towards your beauty and,
What your nakedness writes about you;
For you were among the best after shooting.

Edward Kofi Louis
The Picture Of Her

Who is she?
Thy picture of her,
Always on my mind;
Her beauty,
Her smile,
Her face,
Thy picture of her!
Always on my mind.

Edward Kofi Louis
The Picture Of You

I have got the picture of you inside me and,
I can figure you out like the sweet love of an apple;
For love baths your nakedness daily like,
Your sweet bed of roses.

I have got the picture of you inside me and,
I am waiting for the day that we will meet;
Oh, how the birds do sing to your beauty,
For your sweet aroma is in the air.

I have got the picture of you inside me and,
I will search all over the world to look for you;
For this beauty of yours should not pass me by,
Because you are all that i need.

Edward Kofi Louis
The Pig

Of children who are poorer than a church rat,
Praise is beautiful but who will help them?
You have been bought like a prostitute and,
You have to learn like an institute;
For all that you eat is pork-fried-rice.
Man is handsome and woman is beautiful,
But the pig is unclean to you;
And think of what you put in your body.

Unreachable,
Unsearchable,
Uncountable,
Of the nineteen worms found in swine (the pig):
Like the movement of Hellenism on the dangers of life.

Merciful, compassion, slow to anger;
Woman is beautiful and man is handsome,
But do think of what you put in your body.
The pig is unclean and it is always on your table,
For it is the cheapest meat in the market today!

Africa is starving and Middle east id dying,
America is under water and Europe is burning,
What about Australia with Tasmania?
The whole is in trouble and the pig is the best meat,
But one day we will all come to learn from the truth.

On behalf of you all,
The works of iniquity is like the very wars around us;
But in my pains who will care for me?
Out of envy and strife with one another,
But do we really care about what we eat?
Out of love and care to the people around you,
And in my chains, have you heard of Asia today?
This brittle body and the pig,
But man is handsome and woman is beautiful.

Edward Kofi Louis
The Pink Flower!

A place found for a lonely flower,
The pink flower!
Like the palace of love.

Edward Kofi Louis
The Pink Flowers

The Pink Flowers,
Always reminds me of my late mother;
Death! !
She died on the 26th of September 2015;
I still love her,
I will always remember her,
With this very picture (The Pink Flowers) i took at my residence,
In Accra, Ghana.

Edward Kofi Louis
The Place

The place,
Go to the land and see!
Things with your eyes;
Protected with the muse of love,
Cover, over!
Joined together;
With the works of peace and joy.

Edward Kofi Louis
The Plan

The pan,
The plan,
The clan,
As you can;
Propitious!
Trying to understand your works.

Edward Kofi Louis
The Plan 2

The plan was there!
To build the house according to the plan;
For the clan! 
To live in,
Plain and bold!
With the muse of the truth.

Edward Kofi Louis
Life,
With the muse of the plan;
Seeing the dance of the clan,
The tradition of the people.

Can, pan, van!
To ban evil works in the land;
Uplifting righteous morals! !
For the peace of the earth.

Edward Kofi Louis
The Plastered Wall

In times of your dear need of love, i will be there;
But, the same laws passed on from generations unto generations!
Without addition and subtraction.
Addiction, addition!
However, peoples, nations and languages will come to know the truth.
Addle, paddle!
And behold! ! A tree is in the midst of the earth;
However, the thoughts of your visions are like the interpretations of a dream.
Held for 21 days by the negative ones!
Because, i am still searching for my lover who left me last night;
Of the tree!
Leave the stump with the roots and,
Let it be wet with the dew of heaven.
Dreams, riddles, parbles, proverbs and dark sayings! !
But, you do know who i am on this story;
Because, the fingers of a man's hand appeared and wrote on the plastered wall.

Edward Kofi Louis
The Play That Goes Wrong

Evil acts,
With the wicked ones among us,
With the muse of terrorism!

In their minds! !
Only to kill and destroy.

Edward Kofi Louis
The Pleasure Of The Truth

The pleasure of the truth is the treasure of life!
So, be very positive in life;
For peace and love,
Without hurting your neighbours.

Edward Kofi Louis
The Pleasures Of This World

Love and toys,
Sex and toys,
Lust and toys,
But, filled with envy!
And, to set your foot on it was like,
All kinds of four footed beasts.

Initiated!
Pegged at 21;
Indicated!
Loved at 18;
With the muse of the pleasures of this world,
in the name of drugs and sex.

Edward Kofi Louis
The Poet Finds....

The poet finds whatever the moon could not see,
The poet finds whatever the earth does not know,
The poet finds whatever the sun could not see,
The poet finds whatever others do not know,
The poet finds whatever the stars could not see,
So why do the heathen rage and the people plot vanity?!
For she who is pregnant is closer to us,
And the hart pants after streams of water.
Your tears have been your food night and day,
And like your inner self in the land of your muse;
But the poet finds whatever the sun could not see.

Edward Kofi Louis
The Poet's Poet

Port, potter!
Let your works be salted with righteousness;

Pot, pottery!
With the muse of the poet's poet;
To tell you a story.

Stand with the truth and dance with love!
For the unity and, the peace of the earth;

Why play with your mind when, the truth lies closer to you?
Talking about something else;

Smash, mash, ash!
It is only the Creator Who Knows tomorrow.

Special,
Something for you;

Look into the eyes of love with the truth in your heart,
For, the Creator Knows what is ahead of mankind.

Edward Kofi Louis
Go straight to the point because,
I am ready naked on your bed;
For the aroma of your love was all that brought me in,
And I am ready to share my nakedness with you.

Edward Kofie Louis
The Point  2

The point,
To appoint;
The way!
To sway along and,
To go astray;
However, you were able to catch up with the train.

Edward Kofi Louis
The Policy Of The Wicked

War!
The policy of the wicked;
Destroying everything with their works.
Wickedness,
Like angry birds!
With waters from the locks and hatred from the wombs;
As they always walk around with weapons to kill.

Edward Kofi Louis
The Poor

Out of the farm came the harvest,
And out of the kitchen came the food well prepared;
Then it was set on the table for you to eat,
But do think about the poor when you do have enough.

Edward Kofi Louis
The Poor Boy And The Rich Boy

The poor boy and the rich boy!

Edward Kofi Louis
The Portrait

The image,
The portrait;
The image of a man,
See on the piece of cloth hanging in the room!
Since the 10th of November 2014.
A miracle! !
Like the springs of water from the land of peace;
Taking care of all in peace.

Edward Kofi Louis
The Portrait Of A Young Lady

Life,
Wrong friends will lead you on!
Only on wrong roads;
Falling deep into sin.
Reality,
The realities of life!
With the anarchy of the pleasures of the earth engulfiny many;
In drugs and sex,
Swinging in the hands of bad company.
The portrait of a young lady,
Lost along the muse of life,
Engulfed with the pleasures of this world,
And, playing the harlot with all men.

Edward Kofi Louis
The Positive And The Negative Charges

More people die yearly in car accidents than in a plane crash,
But the British, John Boyd Dunlop, invented the rubber tyre in 1888.

More people die yearly in car accidents than in a plane crash,
But Rudulf Diesel invented the diesel engine with patent Nr.67207 in 1892.

More people die yearly in car accidents than in a plane crash,
But Carl Benz invented his car with patent Nr.37435 in 1886.

More people die yearly in car accidents than in a plane crash,
And today we are bombarded with many vehicles arouns us!
But to everything in this life, we do have the positive and the negative charges;
And like the pros and the cons of any act.

Edward Kofi Louis
The Power Of Dreams

Life!
The power to drive along smoothly,

But, if you cannot uphold to it then, let naother have it.

The wisdom of the sun!
Rising up from the east and, settling down to the west;
But, let the truth lead you always in whatwever you say.

Muse!
From the east to the west;
And, from the north to the south.

Love!
With the right blessings of life;
And, with its abilities to all mankind.

Edward Kofi Louis
The Present

Cloud!
The present;
Could,
The know-how;
On high!
With the of the cloud;
Down below!
With the muse of the earth;
Pebbles,
Parables;
Mouth of salt,
Mouth os sugar,
With the muse of the birds in the sky.
Slick, stick!
The present;
With the muse of this poem;
Like the muse of the map of the world before you.

Edward Kofi Louis
The Prime Of Your Life

In the prime of your life you went to the grave,
Because you were robbed off by the remainder of your years!
And the pine trees and the acacia trees beard your witness,
But you were gone too soon like how a potter treads the down clay.

Edward Kofi Louis
The Princess

The Princess,
Looking for the Hero!
The one who started from the scratch,
From zero;
Words and works,
Acts and facts,
With the sacrifice of life,
His life! !
Along the line,
Helping others,
Putting others before him.
The Princess!
Looking for the Hero;
Please, are you the one?

Edward Kofi Louis
The Problems Of Life

Life,
No easy way forward! !
No easy road ahead.

Success,
No easy way forward,
No easy road ahead! !

Facing the ways of life,
Facing the odds of life,
Facing the problems of life,

Rise and fall! !
A call of life;
No easy way forward.

The muse of life,
Facing the odds! !
With a disturbed mind;

Sadness,
Problems,
With all the troubles around!

No help,
No support,
No easy road ahead;

Always searching!
Looking up;
Here and there;

With hope and dreams!
Never giving up;
To succeed one day.

Edward Kofi Louis
The Produce From Them

Your love is as in the days of old,
So plant vineyards and drink from them my sweet one;
Because i will fly as high as an eagle to reach out to your love!

Make gardens of love and eat the produce from them,
For the pride of the hearts have deceived many around us!
But when one fruit is ripe,
Another one will follow to satisfy us with the peace around.

Edward Kofi Louis
The Professor

The professor,
Your teachings flow and we do learn from you;
But the wicked one will be revealed to all,
And like the energy of Satan in the land of plenty.

Edward Kofi Louis
The Promise

Our of the mouths of babies and out of the mouths of love,
Plant trees and get fruits in their seasons;
For the den of theives is like the tongue on fire!

To the land of grain and wine and,
To the land of bread and vineyard;
A little fire kindles the forest.

Of works done in meekness,
And of the unchangeable act of your mind on this love;
But this world is full of iniquity.

Obtain the promise after endurance,
For i have seen your tears on this side of the river;
And it was not without an oath.

Life is like the golden stick with the spices,
And like the law of the olive groves and honey;
But try to separate the sheep from the goat.

He who does not love does not love the Creator,
For Enoch was the seventh fro Adam;
So keep yourselves into the hands of love,
But situations had made it possible now for me to call you my uncle.

Edward Kofi Louis
The Promise II

Exotic dogs for sale and novels are people's basics,
But you are embarrassingly unattractive to me! !
And, teasing me won't solve the problem.

Intellectual and publicity,
It is time to turn me to the other side of life!
Because, one lapse in the concentration of this love will cost you a lot;
For, the exotic dogs are now like your hidden exotic gods in your room.

A conspicuous achiever!
With breathless style to elaborate,
But, with the very decisiveness to surprise you! !
However, the intriguing air of the clandestine love is now seen around you;
So, why do you have to break the promise?

Today, you are like 'Captain Caveman'! !
With exotic dogs ready for sale in the land of your muse;
However, teasing me won't solve the problem!
For, i know what i am made of.

Edward Kofi Louis
The Prophet Iddo

Christmas and Easter do not come from the Scriptures but,
It had turned out to be the greatest business season on earth!
And The Scriptures rather goes against them.

The Easter goes with rabbits and coloured eggs,
But, how can the rabbits lay eggs?
And like a story of the Germans,
Do seek for the truth always to lead you on in life.

We were told that the Germans do not drink water but,
Take a visit to this country and see things for yourselves;
They rather drink the best water in the world as the truth,
So such your Scriptures for these feast too and learn.

Out of Ur of the Chaldeas,
Five smooth stones from a brook;
But do pardon my sins and return to me,
For the truth are very clear on the walls.

Of a man who is deeply troubled,
Of a woman who is deeply troubled,
The truth of The Scriptures are hidden to many;
So no razor shall come upon his head.

My heart is pounding for love and my mind writes,
So cry out loud towards your dreams and grow to them;
And narrow is the gate that leads to the truth.

Do not fornicate and do not commit adultery,
For broad is the way that leads to destruction!
And MANY are they who really love this way.

Of his brother's murderer,
Of his sister's murderer,
And the day for the mourners;
But i am the Prophet Iddo to tell you the truth.

A day for the lovers,
A day for the sinners,
A day for the singers;
Like the aboundance of the rich left after death,
And like the sleep of the labouring man for little food.

Another fairly tale is at hand,
And MANY are they who are glued to lies;
Of a deep sleep and a sweet dream like,
Strangers in the land of beautiful Mount Zion.

Ensalved for 400 years and living like,
A young pigeon in the region of love;
But the possession of your seeds are needed on this love.

You've made yourselves preachers but,
Your words are naked and bare;
So come and wrap yourselves in my fine linen of love,
For the morrow comes and it is judgement time.

I am the Prophet Iddo with my words,
Like a young bull and seven rams;
For the preachers of Elohim had told you lies!
And a heifer, a goat and a ram is needed for your offer.
Come and learn from the truth,
For the Svritures are everywhere for you to read as well;
And, this wrold still waits for the business of the seasons.

Edward Kofi Louis
The Prophets Have Spoken

The Prophets have spoken!
The TRUTH is foerver;
Listen to the muse of the truth,
Listen to the voice of the truth,
Listen to the echoes of the truth! !
Learn from the truth always and,
Live in peace with your neighbours.

Edward Kofi Louis
The Pullover

The pullover,
Put it on before going out in the cold;
Because, this earth is a living place for you and i.

We all need love! Able to settle the mind in peace;
With kindness and humility! Without hatred and war; commonly seen around us today.

Story, victory!
With the history of the earth; living as we learn along like the flow of a river.

Power ball!
Able to cross over the wall;
However, let there be light! ! And, let this light overcome the shadows of the evil works around us today.

Our passions and desires make us who we are! !
So, be like a shining star and live in peace with your neighbours;
Bright and peaceful, with the right sense of your mind.

Head, heard!
Tougher than anything as one faces nature; but, let there be light always! ! For the peace of the earth.

Almighty Father of Mercy!
Almighty Father of Compassion,
Let Your will be done on this earth;
Because, You created it.

Edward Kofi Louis
The Pure Gold Of My Land

Life!
With the pure gold of my land;
In this private room.
Love!
Prepared for you;
In the upper chamber.

Muse!
At the age of 4,
My child was doing puzzles meant for 6 year olds.
Life!
My child is very wonderful with his mind;
But, he talks like a parrot.

Life!
His mind is free like the pure gold of my land;
And, very clever with the sweet muse of love.
Muse!
Take this flask of oil in your hands;
Then, you can see the pure Gold in this private room.

Edward Kofi Louis
The Purpose Of Life

The purpose of life,
The truth is more precious than gold!
Not sold with hatred;
As old as anything! !
Even in the cold.
Hold on,
To behold the truth! !
The truth is more precious than gold;
So, don't fold your arms when,
The message of the truth comes to you.

Edward Kofi Louis
The Pursuit

Life, love, vision!
The pursuit;
Like the window of the sea,
As one sails along with hope.

Life, wife, knife!
The judgement;
Many years ago,
But, sailing along with hope.

Vine, brine, cine, sine, wine, fine, dine, tine, mine!
Love does not rejoice in iniquity;
And, love is not puffed up with pride,
But, one who lives for the pleasures of this world is already dead.

The pursuit!
With the muse of sweet love clearly in you;
As it is today,
And, as it was some years ago.

Edward Kofi Louis
The Puzzles Of Life

The puzzles of life!
With the works of mankind on earth;
Love!
With the peace of the mind;
Hatred!
With the muse of war;
As illegal lust leads the world today,
Destroying everything.
Car, Card!
To Play your card;
But, let our cards be played with the rule of law,
Bringing peace to all mankind than war.

Edward Kofi Louis
The Quartet

Those who hates me hates also my people,
THose who loves me loves also my people,
For i am a teacher along the path of truth.

A house of prayer and hope,
A house of love and care,
A house of peace and kindness,
Like a beautiful carved ivory pomegranate;
But the practic of bowing before someone is a sign of honour.

Satan attacks us under peer presure,
But why should i wallow in the blood of my wounds?
The very next scenario from the Quartet;
And there is a Father in Heaven who reveals secrets.

Edward Kofi Louis
The Queen's Leg

The Queen’s leg was restored and,
I was able to make love to you;
So do not forsake me if i do ask for more!
For Oliver Twist always asked for more.

Edward Kofi Louis
The Quiet Night Is Broken

Terror! !
War,
Horror!
The quiet night is broken.

Edward Kofi Louis
The Quiver Of Arrows

The quiver of arrows,
King of the watery deep to mix up with my muse;
Rose of Eros,
The flower of romance to attract me to your room;
Oh, insatiable and of the incontinence of desire!
But i am now resting at the Nile Delta.

Of the worm-eaten papyrus and the drinking of wine,
The Roman province of England is known to us;
And like leaders in the steps of Nimrod.

I am from among you and,
You are from among us;
But like Nebros and Nebrod with,
Nimrod and Babylon in mind!

In the land of Shinar,
And like the Egyptian Kings!
But i still have to learn to come closer to you,
For the quiver of arrows are seen all around us today.

Edward Kofi Louis
The Race

Nature caught me uo and satan thought that she has won the race!
But like the story of the hare and the tortoise,
I moved on gradually with this motto in my mind: 'Slow but sure'!
And i finally won the race and i was presented the cup.

Edward Kofi Louis

Come and take me out of here.

Edward Kofi Louis
The Realm Of Love

My soul is blue and your love is white!
All along i want to touch your heart with my sweet love;
For everything in life occurs for a reason,
However, this issue is like the tissue! !
Knowing where to put my legs when i stand;
Like one walking in space and learning from a realm,
The realm of love.

Edward Kofi Louis
The Red Apple

The red apple,
So lovely and so sweet;

The red apple,
Lustful and trickery;

The red apple,
Always ready to entice you and i;

The red apple,
With love at first sight leading to the first taste;

The red apple,
From the hand of a woman to the hand of a man;

The red apple,
Tantalizing and very attractive;

The red apple,
Beautiful to the joy of your muse;

The red apple,
Many cannot take their eyes off it!

The red apple,
Of all the troubles of life but, with the laws of peace to stand firm.

Edward Kofi Louis
The Red Cap

To drink the waters of love,
To drink the waters of Sihor,
To drink the waters of the Euphrates River!
And like food for your birds and love for your pets,
But the red cap is very important to you;
So, i have to put it on always for to identify me among the lot.

Edward Kofi Louis
The Red Carpet

The red sea,

Like the peace of my mind;
But, with troubles all over this field!
However, let us all seek for peace with each other.

Edward Kofi Louis
The Red Devil

The red devil is hiding behind you,
So try to watch your steps in all that you do!
And like the black and white zebras around,
But the heavens know who you are! !

Edward Kofi Louis
The Red Ferrari

The cream of creams,
The flower of flowers,
The beauty of beauties,
The poem of poems,
With the muse of your Red Ferrari;
The trails of life!
With the magic of your love;
And, with Boys schools and Girls schools in your neigbourhood.
A nice voice! !
The voice of peace;
Driving around with your car,
The Red Ferrari.
Bone, one!
Crucial with the muse of nature;
On the platform of life,
And, with the aroma of the laws like, the traffic lights.

But, when will you learn from the truth?
The muse of life,
Do not eat anything with blood in it or
Drink blood;
However, you are always seen around eating the red meat.

Edward Kofi Louis
The Red One

Roses,
With many colours;
But, give me the red one.

Edward Kofi Louis

The red rose,
With the fragrance of life! !
And, the romance of sweet love.

Edward Kofi Louis

True love is the key! !
The opening of the well,
To cover it after drawing the water.

Like male and female singers.

Edward Kofi Louis

But you were overtaken by the police in the land of your muse;
Because, you went against the law.

But the quality of my works are now seen by all.

Edward Kofi Louis

Both in the hot and the cold weathers to swing with the muse of love,
For this red sofa is all that we have in the room.

Edward Kofi Louis
The Red Star

Species,
The spices of life;
But, with spies all over the world.

A message,
To the world;
Like old tea trees.

Big and small!
Fresh and bold;
Walking out of the courthouse.

It is not an easy thing!
Sending out the waves of your positive works;
And, to verify nature with the works of the truth.

The Red Star! !
Seen with your naked eyes;
With distinguished performance.

Edward Kofi Louis
The Red Thing

You wandered away from me and left me lonely,
So do bear your own consequences over there with your iniquity;
And like the red thing that i saw in your room last night,
For my hope is still in the hands of the Creator.

The tip of the pit is now like the dub of the bud,
But your gum left behind in the mug will never entice me;
For the gel on your right leg was like the loop in the pool!

Edward Kofi Louis
The Red Thing  2

Red! ! !
The red thing;
The red colour,
Dine with wine,
Fine with your love,
Pine in the house!

Before you are allowed to cross over.

Professing, 
As predicted.

There you lay!
To rest yourself from the troubles of the world.

On the minds of Teenagers!
On the minds of Babies,
With something right here for you;
Into this breathing world!
However, uneasy lies the head that wears a crown.

Nail, tail, mail, sail, fail, jail, bail!
In poetic passages,
Like messages! !
With languages;
Idle pleasures!
Savage eyes;
Sir!
Sit down;
To sit upon the hill as you do;
Day by day,
Night by night,
Point by point!
With words to the morals.

How sweet!
How lovely;
Every minute and every hour,
To pour out your soul! !
With the words of the truth.

Edward Kofi Louis
The Root Of David

An expanse between the waters!
Yahweh blessed the Seventh Day and set it apart to be Holy;
But, let true love be multiplied to us all.

The lust of the flesh,
The lust of the eyes,
And of the pride of this world!
But, let true love be multiplied to us all.

The soldiers were marching in like the gossip in 'Nii Boi Town'! !
But, what do you know and, what yo you want to say?
For, how long can you teach these men and women?

I am living in a strange land without BBC and CNN!
So, don't be lukewarm to me and to the truth;
For, there are twenty-four seats around the throne.

People of this world!
Listen and learn from the truth always;
And be zealous always and be ready to repent from any wrong doings,
For, the measure of the wheat is now for a penny.

He is from the root of David and he is ready to open the scroll,
Roll, toll, moll, boll, poll, stroll, doll, loll, scroll! !
And, i am from the root of David to write out my mind;
So, try to understand my poems with much wisdom.

Edward Kofi Louis
The first fruit of impresion really matters and,
I will give you my name for a little bit of your love.
I am in love and i want o tlove you deeply!
For sadness and disappointments are all over my face.
I am ejected with the objections of love without a clue,
But one day i will find my way through to your heart again;
Because the muse of my sadness is all about you.

More sorrows and of the words of the truth,
More sorrows and of the acts of my mind,
But listen to my visions of love like the Schoolmaster.

The syntheses of life is full of hopes and dreams,
But life itself is like the grave of my father;
Because love had taken me that far!

I am your muse and the way of life,
I am your love and the way of peace,
For love is like the grave of my grandfather!
And i ill live to love you more.

I will be back for the roses of love,
i will love you for the kindness of peace,
For this life is what we make out of it;
And my love will touch you always.

Edward Kofi Louis
The roses of love,
The roses of peace,
The roses of life,
The roses of joy;
Red berries,
Nature!
Dragonflies,
With the golden treasures of the laws of righteousness;
Under the roses of love.

Edward Kofi Louis
The Rosetta Stone

The Rosetta Stone,
The mother tongue,
Logue, longue, league;
Ghetto queen!
Colleague, tongue, rogue, brogue;
But, i am inspired by your works.

Floor, flour, four, fair, far!
Like a letter from my beloved one;
Farm, form, from, film, firm!
Whiff,
Whey,
Fill, full, foil, fell, fail, free!
Wheeze,
Whelp,
Fee, face, fence, fight, flight, freedom!

Ghetto king!
Argue, morgue, rogue, drogue;
Wheezy,
Way, whey!
Under the tree of freedom;
Whet, wet!
Through the sea,
Seraph,
And like your lovely words to revive my soul.

Serge,
Bride, bridge!
Ambit,
She just went down that quick!
Ambiguity,
Like Louis River;
Art and culture!
With seminars and exhibitions.

Terror teenager!
Aims and objectives;
To develop,
To attack! !
Of a focus,
With an association;
Breast, abreast!
Between the waters,
But, from one woman and one man came many!

Curds, cords!

So, you can just forget it! !
Chords, cords, curds, surds, lords, bods, fords;

At the time of the visit; 
But, imperative to your muse.

The Royal Society,  
Of your success! 
There is a woman behind it. 
The Service! 
To drink two cups of coffee; 
For, you are now noted in this town. 
Life! 
We are related to each other on this earth; 
Like the wind! 
Travelling from the east; 
And, with the muse of your sweet love.

Edward Kofi Louis
The Ruler Knows Us

You are three years older than Emmanuel,
And you are three years and eight months older than I am;
But Emmanuel is eight months older than I am.
This is like the game of ages around us,
But the Ruler knows us all;
And He knows when someone is born and when someone will die,
For this all about His works on this earth.

Edward Kofi Louis
The Rules

Teach her!
Let her know the rules;

Teach him!
Let him know the rules;

Understanding the ways of life with,
The muse of nature.

Knowledge with the muse of the people,
Love came to you when you were very young;

Purple sun,
Purple rain!

Problems,
Burdens;

Like a viper along the narrow path!
Why are you downcasted?

Wickedness! !
Like a serpent by the road that bites the horse's heels;

Aristocracy and the love of a muse,
True spirit of inclusiveness;

Stronger and fairer!
With the destination ahead.

Spices, balm and myrrh!
To eat the meal of love;

Best talents,
To overcome your cash and carry system;

To make it alone,
On your own;
Brown town!  
To teach with the truth.

Inheritance,  
The promise;

Awake! Awake!  
To teach the people with the truth;

The beauty of the land,  
Seen with watery places.

Edward Kofi Louis

Muse!
With the rules of life;
As we go along with our daily activities.
Express, expression!
Trying to gain what you want in this life;
But, remember the rules always.

Glover, Lover, over! !
Like the days of your life gone by;
But, try to learn for the better today and be straight.

Grover, rover, over! !
Try to adjust your life to meet up with the rules;
Because, the muse of Syria today is like,
The muse of the 'World Wide Web' and the 'World Wide Wars' of mankind.

Edward Kofi Louis
The Sacrificial Meal

You have the sacrificial knife and,
I have the sacrificial meal;

It bears the inscription of love,
However, your eyesight is more important than you think.

The sacrificial meal,
With the muse of your sweet love;

Always around to share with you,
Knowing what our hearts need on this love.

Edward Kofi Louis
The Sad Dam! !

The sad dam! !
Dried,
Without water;
Wire, aspire!
Waiting for the rain.
The sad dam,
Wire, fire!
Waiting for the rain.
The sad dam,
Wire, tire!
Waiting for the rain.
The sad dam,
Aspire, inspire!
Able, stable;
In need of water!
Scribe, describe;
Test, fittest!
Waiting for the rain.

Edward Kofi Louis
The Sadness Of This World

Sitting down by the bank of a flowing river,
With tears in my eyes!
Because of the sadness of this world,
Where mankind had turned the planet earth into the weapons of war.
Impudent!
Insolent,
But, i have my honey for my sweetness;
Like the sight of the rainbow in the clouds of hope.
Speak! ! Oh Mighty One and i will listen;
For the carcasses of mankind out of war are now being eaten by the birds,
With the sadness of this world.
Folklore, mythology and symbols!
With Mithraism to a call;
But, these are not the answers to the truth,
Since, the Creator made all thingsa dn set out His Laws.
Sitting down by the bank of a flowing river,
My heart bleeds with tears from my cry!
Of what mankind had turned out to be today;
With works of weapons of war than, with the words of peace,
but, i have honey for my sweetness.
Listen to the One Who speaks and follow the truth!
For out of the weapons of came out the carcasses of war;
And, the birds of the air are now eating them up,
With the sadness of this world.

Edward Kofi Louis
The Sages Of A Bard

Poems!
To write about what i see around me;
Poems!
To write about what you see around you;
With the muse of love and peace,
Touching the hearts of many in humility.
Poems!
To understand the sages of a bard;
When true love takes your heart away,
And, to set the therapy centres of peace.
The moderator!
With the muse of a political decorum;
Love,
To feel it and to believe in it;
When it touches your heart,
Under the muse of the laws.

Edward Kofi Louis
The Saints Of Yahweh

Sabbaths,
Feast Days!
Great works,
Great words,
The Holy Scriptures;
But the Saints of Yahweh are those who will possess the Kingdom! !
For, every tree which doesw not bring forth Righteous fruit will be cut down and,
Thrown into the fire! ! !

Edward Kofi Louis
The Same Bed

I want to feel it and,
I want to taste it;
Because, my property is yours and,
Your property is mine!
Melamine, millet, mineral;
I want to feel your love inside me because,
We do share the same bed.

Edward Kofi Louis
The Same Love

The same love,
The same peace,
The same knowledge,
The same understanding,
The same work,
Coming out with the wisdom of life!
For the joy of all mankind;
With the truth.

Edward Kofi Louis
The Same Mistake

War!
The slaughter house;
Leading us to nowhere;
And like, unfinished business.
Head, ahead!
With the very ways of mankind;
On this earth.
Ear, earth!
With the muse of war destroying everything;
But, when is mankind ready to learn?
Illegal lust!
With the muse of the land;
And, you also did the same mistake.

Edward Kofi Louis
The Same Mouth

A fountain of salt water,
Resist the devil and she will flee from you;
The ultimate result,
Out of the same mouth proceeds blessing and cursing;
But how great a forest is,
A little fire kindles it all!

Edward Kofi Louis
The Same Page

Sage,
Stage,
The same page;
The same age,
Briefing,
And, stressing your point.

Edward Kofi Louis
The Same Size

The same size,
The same work,
The same art; ,
The same age,
The same act,
At the same place;
Along the edge of the end,
Woven by a weaver.

Edward Kofi Louis
The Same Spot

It was at the same place and the same spot,
Because it stood the test last night;
And the heavy down pour could not overcome it!
But i am glad to see it again at the same spot.

Edward Kofi Louis
The Same Trail

Rail,
Tail,
The same trail;
Mail, sail!
Not to fail,
To bail your friend from the jail.

Edward Kofi Louis
The Scandal

The scandal,
Rape! !
Traumatised.

Edward Kofi Louis
The Scar

The scar is still on my face!
The ugly scar that you gave to me;
At the age of ten.

Edward Kofi Louis
The Scene

To see,
The sea;
To see,
The scene;
As seen by others in the land of your muse,
But the gods and the dogs are now among us today.

The muse of life!
Teaching love;
And to test you and try you!
Along the line;
But, true joy is guided with love.

Edward Kofi Louis
The Scent Of The People

The scent of the lady,
The scent of the man,
The scent of the child,
The scent of the people;
The flavour of life,
The aroma of love,
With the fragrance of peace;
But, the scent of the people reminds me of peace!
So, let us all live in unity with each other.

Edward Kofi Louis
The Scope Of Things

The scope of things,
To cope with your life;
Skipping along with a rope as,
You grope with the muse of your mind.
The scope of things,
To hope for the future;
But, do not dope your mind with the lust of this world.
The muse of life!
With the scope of things;
But, do not mope around without doing nothing.
The scope of things!
Giving a smile to nature even in difficult times;
And, to trope along to gain a stand.

Edward Kofi Louis
The Screamer!

Vulture,
Kite,
Hawk;
The screamer!

To turn back,
Lack of hope;
Without moving forward,
Properly.

Of the whole story,
Hence, with the works of peace!
And the words of the truth.

Edward Kofi Louis
The Sea Never Dries

The sea never dries!
For every river flows into the sea but yet still,
The sea is never full! !

Fleeting as a breath,
The sun rises up from the east and goes down to the west;
And the wind blows towards the south and turns around to the north,
But the sea never dries!

The sea never dries,
So be a reliable person in the neighbourhood;
And strive to make up the best out of yourself.

Edward Kofi Louis
The Seal Of True Love

All in!
Innovation;
Houses and roses,
Proses, poses!
All out,
Flexible,
Time!
Hours,
Ours!
Along the ways of life,
Along the ways of love,
A tone from the bone!
With a stone in the hand;
Drone,
Throne,
Occupation,
Cone, clone!
Claws,
Laws,
Alone;
Along the ways of life.
Low, show!
Meal, male, lame;
Lead,
Deal,
Seal,
The seal of true love!
With righteous characters,
With positive morals,
Mali, Ali, mail!
Tow,
Toe,
Bow,
Not your foe!
The ways of life,
The names and titles of all mankind;
Working with the truth,
Woe!
Bali, Ali, bail;
For peace and joy,
For love and unity,
Acceptance!
The seal of true love;
Red, ride!
Positiveness,
Seeking for peace always.

Edward Kofi Louis
The Seed

The seed,
To heed to the truth!
The need,
Without any speed;
To feed the needy,
Not with weed;
Breed, reed!
Like a creed.

Edward Kofi Louis
The Seed Of Life

Life,
To live with the laws that brings peace;
The moral laws of righteousness!
With true love and joy.

Love,
To plant and to water the seed;
The seed of life!
The seed of love,
The seed of peace,
The seed of joy;
In humility and in kindness.

Edward Kofi Louis
The Seller Of Purple

Get dressed!
On a man's hill;
To be addressed!
In a woman's valley;
Like an open door with the aroma of life;
The seller of purple,
The aroma of love;
Stoic philosophers!
The babbler,
With a conscience free of offence;
And, it began to rain.

Edward Kofi Louis
The Sense Of Wisdom

Feelings of love,
It is well to have wisdom!
But, show the sense of wisdom by asking positive questions;
For the inheritance of the peace of the earth.

Edward Kofi Louis
The Serpent

Who was the serpent?!
To deceive Adam and Eve;
Satan was the serpent,
Still deceiving us today!
In many forms and ways;
With the acts of the wicked ones among us,
And, the images of Gods and Goddesses are also taking us away from the truth.

Edward Kofi Louis
The Seventh And Last

Church, Synagogue, Mosque;
Like a perfect family on this earth!
But the Seventh and Last Prophesied Work of Yahweh is what we all need.

Edward Kofi Louis
The Shades Of Love

I am behind the shades of love and,
You are respected by Yezreel and Laish;
But i am weaned from the milk and drawn from the breasts,
And like the first fruit of love before summer.
Natalya and i will respect you and,
Of your muse so presented to me like a gift!
Because i am behind the shades of your love,
And i will do anything for you my sweet one.

Edward Kofi Louis
The Shadow

Something is coming down from heaven and,
I am only a man;
Something is raising up from earth and,
You are only a woman;
Behold! Three men do seek for you.
Phoenicia, Antioch and Cypres;
Of the soldiers at war with their shadows,
Like the reward of iniquity.
Parthiars, Medes and Elamites;
Of soldiers at war with their tankers,
In the field of blood where many dead bodies do lay.

'Are not all these Galileans?'
But that is the way of life at this present time;
Like the seat of the shadow of Kepha.
Strive before you your reward,
Of the unity of the mind without war;
But, with burial customs when somebody dies.
Mesopotamia, Yahdah and Pontus;
Feed my sheep that are wayward,
Like a blazing light from heaven.

Edward Kofi Louis
The Shadows Of Life

The shadows of life,
The shadows of the past;
Memories! !
Growing up,
Growing old,
Life's journey!
With experiences;
Passing through,
Alone,
Still alive,
The shadows of the past,
'Old School';
Thanks to the Creator Almighty,
Still Moving along,
Living and learning always,
With the muse of life! !
And the romance of nature.

Edward Kofi Louis
The Shadows Of Our Past

Gold, slaves and ivory!
Identified by you who did something wrong in the land of nothing;
But the shadows of our past still rests on us today,
Because, they are recorded down in our history books.

The muse of life!
The rain is now knocking at your door and,
The surface of the soil is now exposed! !
Like strangers along the narrow path of the forest.

The muse of life,
With the shadows of our past!
Which still hangs around on our necks;
Because, they are recorded down in history books.

Edward Kofi Louis
The Shadows Of The Evening

The shadows of the evening began to darken!
And you are now defeated by your enemies;
Because, your sister saw you making love with her husband.

Edward Kofi Louis
The Shard

'The Shard'!
Hard,
Bard,
The shape of the building,
The shadow of the building,
'The Shard'!
Share,
Hard,
Bare,
Ware,
'The Shard'!
Card,
Bard,
In London,
With the muse of the building.

Edward Kofi Louis
The Sheep-Folds

Call upon me in the day of trouble and,
I will deliver you with my sweet love;
For the message is from the sheep-folds and,
Soft are your words so sweet than crude oil.

Edward Kofi Louis
The Shell

The shell!
To tell your story,
With a ball in your hand.

Yell, ell!
Not like hell;
As you fell into the pit,
On the way to sell your story.

Edward Kofi Louis
The Shining Star Around You

I am the shining star around you,
And like a plot size, '100 x 120' in your neighbourhood;
But, i need a lovely house on this plot to rest my muse,
For, the hatred around us today had led many to war! !

Edward Kofi Louis
The Ship

An open door,
The aroma of life;
But, a prisoner of the world!
And, the seed of the flesh.

An open door!
But, indebted to the wise and unwise with my works;
With Mar's hills like the object worship to some people,
However, i always have something to write about to educate the people.

Whitewashed walls!
Like temples made with hands;
Empty glory!
With the muse of the land in view;
But, the ship unloaded its cargo.

Edward Kofi Louis
The Shower Bathe

To the mothers of your mothers and,
To the fathers of your fathers;
For i am here like one of the children of your children,
So don't see my disability and run away! !
For i am the one for your true heart.

Come to me and marry me,
And come and help me find a way in life;
For this world is full of surprises.

Please do not dropp me like the toilet roll,
For i am deep rooted in your love!
And, don't throw me away like the water from the shower bathe.

This poem is to search and to watch your status,
For i prefer to sleep my mind on a clean subject;
And to wake up fresh once again,
For i was not the first to clean your past.

Edward Kofi Louis
The Shrine

The shrine,
Let her keep what she has;
Beautiful in form and appearance!
However, unprotected with the muse of life.

Edward Kofi Louis
The Sign Of The Blood

Illegal lust!
The sign of the blood is still on your lips;
Like a vampire! !!
After killing your neighbour.

Edward Kofi Louis
The Sign Of The Blood

It was the sign of the blood!
Selection,
Seeing it,
The muse of it,
For it was there!
Originating from the source;
Feel, fill!
To feel it,
To fulfill the act,
This act! !
War! !
To die;
Openly,
But not peacefully.
The sign of It,
Like the forces of the flood! !
With the muse of nature.
Blood, flood!
No food in the land;
To see it,
To stir it up,
The same act,
With the acts of war!

Edward Kofi Louis
The Sign Of The Blood

It was the sign of the blood!
Selection,
Seeing it,
The muse of it,
For it was there!
Originating from the source;
Feel, fill!
To feel it,
To fulfill the act,
This act! !
War! !
To die;
Openly,
But not peacefully.
The sign of It,
Like the forces of the flood! !
With the muse of nature.
Blood, flood!
No food in the land;
To see it,
To stir it up,
The same act,
With the acts of war!

Edward Kofi Louis
The Signal Will Come

Sign, signal!
The flow,
To show,
The signal will come;
Sure enough,
With the muse of a pure heart.
Love, dove!
Waiting for it,
For the signal;
Nothing quite like the adventures of life! 
Searching for true love.

Edward Kofi Louis
The Silver Lady

The Silver Lady!
Meeting you;
At a special place,
The secret place of sweet love.

Edward Kofi Louis
The Simple

Wine is a mocker and,
Strong drink is a brawler!
So whoever is deceived by them is not wise;
But let the simple learn a lesson from them.

Edward Kofi Louis
The Simple One

'Who are you? !'
I am the Simple One;
Your neighbour,
Living around,
Closer to you.
I am the very one you see everyday!
The very one you meet along,
I am your neighbour,
Living very closer to you.

Edward Kofi Louis
The Sins Of All Mankind

The sins of all mankind,
Condemned;
The likeness of sinful men, women and children!
Being powerless to the truth,
Without the laws.

Sin and death!
To walk according to the flesh;
Sin and death!
To live according to the flesh;
For, to be carnally minded is death.

Dearth, death!
With the sins of all mankind;
Dearth, earth!
With the very ways of all mankind;
Full of illegal lust.

Edward Kofi Louis
The Situation

A broken leg!
A broken arm,
Bedridden;
Sickness,
Poverty,
Why should you be in this situation?
Sad,
Worried;
The situation makes me cry in my heart.

Edward Kofi Louis
The Size Of The Hips

Neutral, nature!
With the size of the hips;
Walking along the streets of love,
With an echo in the deep valley.
Slips, lips, hips, strips, trips!
Along the ways of life,
In the land of the living.

Edward Kofi Louis
The Size Of The Lips

Muse,
Love,
Life;
With the size of the lips,
And, with the muse of nature.
Neutral, nature!
With the size of the lips;
Like an echo in the deep valley,
And, with the muse of your sweet love.

Edward Kofi Louis
The Small Elephant

The small elephant,
Searching for the mother,
Along the bush,
With the muse of Africa.

Edward Kofi Louis
The Smell Of Gas

The smell of it,
Everyday!
After a change was made.

The smell of gas!
Coming out from the basement;
And, to inform the workers about it.

Edward Kofi Louis
The Smell Of Love

You can hear the smell!
Immediately you enter into the room;
The smell of love.

Edward Kofi Louis
The Smile On Your Face

You are now recovering from your past!
And i can see it from the smile on your face;

Walking and talking! ! Taking a mile to reach your place;
But, the smile on your face today gave me hope for your life.

Past memories are part and parcle of us beacuse,
Life is not always smooth on this earth.

Edward Kofi Louis
The Snare Of The Fowler

The terror of the night!
The snare of the fowler,
And, of the arrow that flies by day;
Pestilence! !
Walking in darkness;
With bombs in your hands,
Ready to kill those you call your enemies.

Edward Kofi Louis
The Snow Queen

The snow queen,
Like the paradise of the rainbow;
With colours,
To the Palace!
As the sun rises;
Love in the air! !
As the day moves along.

Sunset and stapel,
Beyond Mount Antero;
Gold, sold!
To hold on to the facts of the truth.

Escapade!
With an old man in view;
To behold the best side of nature,
Coming along,
With gesture in the house.

Galore! !
Between seasons;
With the structures ahead,
Seen with the eyes of love.

The Snow Queen,
In white to respect the season;
With the beauty of life,
And, he fragrance of nature.
Cold, told!
With the works of life seen around;
As the old man came in.

Edward Kofi Louis
The Songs Of Peace

Love,
With hearts filled with joy;
The truth!
With ears filled with joy;
To dwell in unity,
With the muse of the tongues filled with songs;
The songs of peace.

Love,
To vow an oath;
With the fruits of labour like,
The fruitful vine in the land of peace.
Life!
Out of water and through water;
Seeking for peace always,
And, without war.

Edward Kofi Louis
The Soothsayer

The Soothsayer's tree,
Of a cloud as small as a man's hand;
The Soothsayer's fruit,
Of a poem as sweet as your muse;
Yes, a man is measured by his strength.

Let my poetry fall on you like rain,
Listen oh Heavens and oh Earth;
Like a shadow from a mountain with a donkey.
A head taller than others,
I will have my donkey saddle and ride on it;
Of a cloud as small as a man's hand.

Infront of the Balsam trees,
Raindrops over the leaves with love;
The one who first puts his amour on should,
Not boast like the one who takes it off.

Edward Kofi Louis
The Space

The space,
The pace!
Ace, race, embrace;
The place,
Like a Palace!
Love and joy,
Peaceful with the romance of nature;
At this place,
With the fragrance of life.

Edward Kofi Louis
The Special Bread For My Lover

Take wheat, barley, beans, lentils, millet ans spelt;
Mixed them in one bowl to make the special bread for my lover;
For the fuel of a cow's dung is not what she needs.

They will eat bread by weight and in anxiety,
And they will drink water by measure and in desolation;
But my lover will eat the special bread as baked from you!
For the prophets are like the jackals in the ruins and,
Their visions are false and their days are at hand.

Every vision to my sweet lover is fulfilled,
For she has now got the special bread as baked by you;
And you did as instructed by my formula.

Edward Kofi Louis
The Special One
The Special One!
The very one closer to you;
But, invisible to see.
I am the Special One around you always!
So, open your eyes and see beyond your mind;
For, i am always around you.

Edward Kofi Louis
The Spices

Of the spices of life,
Of the spices of love,
Of the spices of peace,
Of the spices of my mind,
Life in Africa matters to me lot.
Of Black Cumin,
Of Red Peppercorns,
Of Black Mustard,
Of Cayenne Pepper,
Of White Mustard,
Of Mixed Peppercorns,
Of Mahaleb Cherry,
Of Szechuan pepper,
Almost everybody is with a mobile phone in Africa!
But strong alcohol are consumed daily by the majority unemployed.
In Africa,
My mind sits and writes;
Because, life in Africa matters to me a lot.
Of Coriander, Ground Ginger, Fenugreek, Turmeric and Paprika!
Like the struggles daily in Africa for a survival;
But one day, we will get there.

Edward Kofi Louis
The Spirit

When you sleep, i sleep beside you;
But you cannot see me because,
I am the spirit around you.

When you bath, i also do bath around you;
But you cannot see me because,
I am the spirit around you.

When you eat, i am also beside you;
But you cannot see me because,
I am the spirit around you.

I am closer to you than ever and,
I am your close friend like your shadow;
But, i will expose myself to you one day.

Edward Kofi Louis
The Spirit Of Wisdom And Understanding

The spirit of wisdom and understanding:

Speak to him,
About the truth;

Speak to her,
About the truth;

Stock, block, lock, dock!
According to the plans of the works of righteousness;

Because, you can't beat Perfection! !
And, you can't top it either.

Edward Kofi Louis
The Spirit Left The Body

Death!
The spirit left the body,
Into another realm;
And, the body was buried.

Edward Kofi Louis
The Spirit Of Lust

I thought you were history when,
I heard the slam at the door!
But like the tale of two obsessions in love,
We are like the musical chairs on this love.

My son is for the sun and your mum is for the moon,
But i thought you were history when i heard the slam at the door!
And if only tears were laughter,
Then, i will be able to take you along to paradise.

I am dumped without a clue to use the glue,
But the Spirit of Satan is like the spirit of lust;
And if only the nights were days,
Then, i would be able to see your face better.

You came and took my heart away!
But if only distances were closer,
Then, i could have crossed over to meet you;
However, the Spirit of Satan is like the spirit of lust.

Edward Kofi Louis
The Spirit Of St. Louis

In my consirtium,
In my realm,
In my apartment,
And like thr spirit of St. Louis in the land of my muse;
But this world is full of sins.

Three months of studies and three months of love,
But Thomas Alva Edison taught himself everything that he knew;
And he became a great man! !
As he also invented the phonograph in 1877,
But cry the beloved child of Africa.

Achilles dipped into the River Styx,
But i was born on Friday the 13th of October 1961;
In the very time when the cameras around could not take my picture.

My image at birth was very hard for the cameras,
But do kiss the missing birds when i am about to touch you with my love;
For my words are more imaginative than ever!
And like Thomas Alva Edison who taught himself.

Talented from the womb of my mother, 'Catherine Esi Dede Mensah';
I came out into the world to understand the muse of love and hate,
And like the spirit of St. Louis in the land of your muse.

Art and craft were my hobbies,
Taught to me as well by my mother to enhance my future!
Since she studied embroidery and catering,
But my imaginations are what i do share with the world today.

I won my first Art Competition at the age of 12,
And i took up the spirit of St. Louis to enhance my status;
However, growing up in Africa wasn't all that easy.

This was the impetus of a gifted child,
Born in Africa to respect the muse of love;
And with the normal school to attend as a sign of honour,
But how can this system understand my status-quo?
The vice-versa was not what i met,  
And i was not interested in many subjects;  
But Fine Art and Mathematics were my two best subjects!  
And probably, i gained the avantage of the mathematics from my father;  
'Vincent Kweku Louis', who studied Architecture! !  
And many are the buildings in Ghana today built by him.  

Edward Kofi Louis
The Spirit Of St. Louis II

In my consortium,
In my realm, In my apartment,
And like the spirit of St. Louis in the land of my muse;
But Art and Craft helped me through my Primary and Middle School Education.

I exchanged most of my works for food in those dys to survive!
For the muse of Africa is well noted by those of us in Africa;
But i planned to settle down my mind after my secondary education,
Because the going was much tougher than i could bear.

I started to write down and to draw out every inventive idea given to me from the realms!
Because i was dreaming dreams ans seeing visions;
And with my African culture playing a major role at times,
But this issue started mainly in 1983.

Traditionally noted to the roots of my culture is my love,
And like the muse of the rainbow reflecting on us in Africa! !
But the spirit of St. Louis was all that mused up with my muse.

The daily norms of the African child,
Through the heat of the sun to make ends meet;
But my name is Edward Kofi Louis,
Born on Friday the 13th! !

Edward Kofi Louis
The Spirit Of St. Louis Iii

In my consortium,
In my realm,
In my apartment,
With life struggles and the tunnels under the broad roads;
But the African has more to say than expected.

Talents abounds in Africa but,
Who is ready to tap them?
Even though, some cultures do not respect a gifted person.

To my ancestors and the forgotten ones i do give my respect,
But to a world so sweet which is also full of sins!
And inside Africa with many languages to respect the muse of love,
But we are manily centred with tribal groups.

Living with languages,
And like the names and the tribes;
With many wars against one another to gain power,
But the heat of the sun rests on us all in Africa! !

Languages and religions,
With different countries to make up Africa;
And with many difficulties to unite as one,
For the 'African Unity' (AU) is still crawling like a baby.

Born a right-handed,
But today i am a left-handed;
All in the land of my muse to respect my identity,
But i will always respect the spirit of St. Louis.

Edward Kofi Louis
The Spirit Of St. Louis Iv

In my consortium,
In my realm,
Born on Friday the 13th;
But i broke my right hand in primary three,
And today i am a left handed.

Thanks to my teacher who taught me to switch to the other hand,
And like the freat men and women in the land of plenty!
For my gifted talent had made me who i am today,
And like great men and women who were left handed.

A typical example if 'Albert Einstein' who brought about the Energy Theory,
And the world had come along with it!
Because, $E=mc^2$.

Bill Gate of the Microsoft fame is a left-handed,
President Obama of the U.S.A. is a left-handed,
Like the Day of the Left-Handed celebrated on the 13th of August;
So the dedication of this poem is for the left-handed.

Edward Kofi Louis
The Spirit Of St. Louis V

In my consotium,
Of blue tongues and red tongues!
But the yellow tongue came in to respect my muse,
And like the colours of the rainbow to tell my story as an African.

The wolves of the night and the birds of the day,
Cure the rabies to give them babies! !
For i do take my afternoon nap under the big trees,
And the heat of Africa is all about my sweet muse.

Tie up your lace to win the race set before you,
For the race of this world is all about left-handed and right-handed;
But respect him or her to move up with life,
And like the joy of my mind in the land of talented people.

I've got my right brain to think from and,
My left-hand to write with;
But talented with the muse of love when the sun shines on me,
For Mother Africa is my home.

Mumble, grumble, fumble, crumble, tumble, jumble, bumble, humble;
Humble yourself when your neighbours tumble,
And like a bumble-bee in the land of sweet roses!
But don't crumble the bread when someone has not eaten.

Edward Kofi Louis
The Spirit Of St. Louis Vi

Blue tongues and red tongues,
Yellow tongues and white tongues,
Don't jumble your state of affairs when the floods set in!
But with the spring, summer, autumn and winter in mind;
For i am only with the wet and dry seasons over here,
But the muse of St. Louis is all about my love.

The very place i belong to is like your own country,
But my experiences in Africa had taught me a lot of lessons;
And like two people born to two different parts of the world,
For they will surely grow up differently with different status! !
Because one may either progress or regress in respective to the other.

Life is like an Aircraft that touches down on a runway as it taxis along,
And i have landed into the world to contribute my quota;
But my sweet mind is all that i have to share with you all.

Edward Kofi Louis
The Springs Of Life

You can easily identify my son because,
He has the texture of my hair and the beauty of his mother;
But this is like the easy rider of love in the night.

Let your lovely eyes look straight to me,
There and then you will understand me better;
And you will guard your mind with all diligence,
For out of it flows the springs of life.

Edward Kofi Louis
The Stab

The camp,
The lamp,
Light exposes darkness! !
Tab,
The stab! !
Deep into the womb;
Crawling out of darkness,
Half-naked!
Covered in blood;
Wickedness,
Evil acts of mankind,
Deal!
The ordeal,
Facing the ways of mankind,
On earth.

Edward Kofi Louis
The Staircase

The hole!
The whole stroy,
Like a tale and slaughter to the fun of the society;
And like animals in the forest of fear!
As the pole was pulled out of the ground.

The staircase,
With the muse of the rats seen around;
As your child came out to play,
But with a suitable rectification of a misguided fact!
recognizing the voices that moved with time.

Ebullient notions!
Decisions,
Of an ambiguous loyalty;
Like a tale of laughter to the fun of the society;
But, do synchronize my African identity with your xenophobia.

Edward Kofi Louis
The Star Club

Once upon a time,
There lived a girl by the seaside;
A great location,
A great view;
Living with the muse of self control,
Positive morals,
But, let us face life till the end.

Drill, still, till, will, bill, fill!
The device,
The plug it in;
Stall, install!
Deep love,
An ordinary girl.

Teasel,
Teal,
A deep sleep;
Joyful praise!
Let Love rule the world,
As she was born and raised by the seaside.

Bosom, blossom!
Beautiful;
Learning with the works of the truth,
And with the joy of her heart! !
Along with the muse of nature to give her hope.

Edward Kofi Louis
The Star Club 2

The star club,
Beauty is part of your works;
But, the night had veiled the pole,
With the urgent laws of the land.

38 years of suffering!
They came through you but, not from you;
To your doorstep,
And, to learn the ways of life after all these years.

Edward Kofi Louis
The Stars

The Stars spelt out your name for me to touch your heart with my works;  
But when will the beacon of hope come to Africa? !

Tomorrow never dies! ! But, today is with us;  
And yesterday is gone.

You are the dawn of my heart!  
You are the dream of my heart;

Whatever, wherever, whenever, whosoever!  
Like the sticks of the Bridge over this river of love;

The Stars spelt out your name for me to touch your heart with my words!  
There will be no distance on this love so sweet.

Edward Kofi Louis
The Stars And The Moon

Sitting down on a bench outside my residence,
I could see the stars far away in heaven;
And, it seems to me like,
The stars are spelling out my name.

Over here in Africa,
I keep on wondering about the nature of things;
The very patterns of the Creator's mind which,
Is yet to be understood by many!

At times, it is very easy to see the stars up there,
But, at times as well, there are no stars at all! 
How far are they, if i may ask?
How big are they, viewing from my compound?
This makes me wonder about the stars at night.

Oh creation!
Why has it taken us such a longer time to understand your muse?
We still do not understand many of your wonders;
Are we clever to see or, too blind to see?
I don't understand some of your myths as well.

Of the stars and the moon,
Like the mystic cloud of the air;
With the delight of the realms of love to write this poem.

There are days that i could see the stars,
But, the Moon takes over at times;
Of the very moon-light that helps us in the village,
The very time to gather around by the fire side!
And to listen to stories and folklore tales.

Tales by the moon-light as the saying goes! 
The 'Kwaku Ananse' stories and,
That of 'Mr. Tortoise's' stories from our Elders.

Sitting down outside on a bench in Africa,
I could see the stars spell out my name;
Oh, lovely Stars of my heart!
My candle is yet to burn out;
But, at times, i do see the moon around as well with you.

My state of heart is for you oh Moon!
My state of mind is for you oh stars!
One day, i will visit you up there.

Directional moon to my soul,
Musical stars to my heart,
How is the state of your hospitality out there?
For, i could see you up high when, looking up;
With the wondering of my mind.
Oh, the Stars and the Moon out there!
Greetings from me to you all in peace.

Edward Kofi Louis
The African Dream,
Of the everlasting hope to respect my mind;
And like the stars and the moon of Africa,
But my heart is all that i share with you.
You are always on my mind and,
Deeper love is what i have laid down on my table;
But don't wait until my sweet love finds you,
Because you are the only one seen by the eyes of my heart!
This love message,
And of the muse of the African colours to respect your love;
Sweet and deeper than ever! !
But don't wait until my sweet love finds you.

Edward Kofi Louis
The Stars Of Desire!

The stars of desire!
The search,
With the face of life.

Edward Kofi Louis
The Start Of A New Day

Love,
True Love!
With trust;
The start of a new day,
With righteous morals.

Edward Kofi Louis
The State Of My Life

Check the last time you took wine,
Blackman watch yourself in the land of your muse!
To the graves of the earth,
Whiteman you will always rule because of a little reason;
But, what are these medicines for?

Remember! The Creator created us all;
But, the great night is broken today,
And, the trumpets have sounded! !
There i saw people carrying weapons of war all along,
But the African cats have no chains on their necks.

The state of my life,
I do thank Father Yahweh for everything;
For, the European cats do have chains on their necks.

Fore consumes what it touches,
But a will or a testament can only go into effect once a person dies;
And like the secret of the Seventh Seal! !
But the army of horsemen are now ready for war!

The truth is already known around you,
Because, action speaks louder than words! !
And, a picture is worth a thousand words,
But, receive the truth always from the right people.

Deceived churches and assembles,
And like a woman clothed with the sun;
For the law of thought is around you,
And like a great wonder in heaven! !

The law od peace,
The 'Ishtar Egg' has nothing to do with the Messiah!
And like 'Isi and Iswara';
But today, a donkey's head is now sold for eighty shekels.

Of virginity and motherhood,
But fornication is sin;
And from the beginning to the end,
But like the muse of 'Ahoofe' in 'Gonja land'.

He knew he had done wrong,
She knew she had done wrong,
But i am from 'Krachi' in the Northern Volta;
And, i knew nothing by myself,
Except being guided by the muse of love.

I planted and you watered,
But check the last time that you took wine;
For eye has not seen nor ear heard of it!
But the first light of dawn brings hope,
And like the state of my life in the land of your muse.

Edward Kofi Louis
The Stock

The rock,
The Stock,
The lock;
Little girls playing with matured ladies,
Singing the songs of peace.

Life!
Talking to you,
Talking to me,
Talking to us;
Of things seen in war,
As women and girls are being raped.

Edward Kofi Louis
The Stone

I eat, drink, sleep and dream of you my lover;
And in the other world to be part of you;
But I will learn to keep you alive always.

'Yummi', 'yummi', 'yummi' to my heart!
And of the versions of the Creator's Mind which is here to stay;
For I am the stone that the builders rejected!

Oh consciousness! Oh windows of heaven!
Rise up and fill the earth with love;
For she is part of me in another world and,
I always do dream of her in my deep sleep.

Edward Kofi Louis
The Stool

Your bloody stool will stain the stool,
For it was pouring and coming out like the river;
But my writing cannot change anything,
For you really know what you are going through.

Edward Kofi Louis
The Store

The Store,
The items,
The rich man came in,
The poor man came in,
Into the Store.

Edward Kofi Louis
The Stories Of This World

The stories of this world,
A fool becomes rich;
The hate of this world,
A wise man is killed;
An allegory,
And like the elements of this world.
The hidden things of honesty and dishonesty,
But are they writers?!
So am I also;
For the stories of this world are too many to write about.
Are they artists?
So am I;
Are they Core-Maths teachers?
So am I;
Are they philosophers?
So am I;
Are they travellers?
So am I;
Are they poets?
So am I;
Are they innovators?
So am I;
Are they saints?
So am I;
And like a veil taken away,
With gritted teeth in range.
Endless genealogies,
Out of envy with fable minds;
And like old wives' fables and the old men in town,
But a light shone in the prison room.
The stories of this world are too many to write about,
With empty schemes and the reward of iniquity;
But I need seven men of honest reputation,
And like my life in the cave of love.
Light out of darkness and hope out of sadness,
Try to dream big always!
For this world is engraved in letters on stones,
And I am as you are over there.
The Storm!

The storm!
In the night;
Rain,
Darkness,
With the works of nature.

Edward Kofi Louis
The Story

The story,
The lorry,
The worry,
And to be sorry!
But the story in the lorry came out clear to worry you;
And now, you are very sorry!

Edward Kofi Louis
The Story II

The raining season! !
The story,
Like the wife of a British soldier;
Burning the candles at night,
And like the lady with the little dog.

Lonely poets,
Lovely poems,
The dead are always dead! !
So, why pray to them?
For, there is a Creator in heaven.

20 years in prison!
I saw the process,
And, i have learnt how to read and write;
All in!
All out;
And like ladies night.

Of a younf man,
Of a young lady,
Of the story;
And like the wife of a British soldier!
With letters from Felix;
But, the face of this dog is like the face of a wolf.

Edward Kofi Louis
Hustle and bustle,
The story of my life;
Struggling,
Moving along,
With the muse of life,
Facing the odds!
Able to coup,
However, life is not always fair.
Air! 
Fair,
Affair!
Facing the ways of life;
With all the colours around.

Edward Kofi Louis
The Story Teller

The story teller,
The orator;
The writer,
The poet;
With the muse of the lectures of life,
As the sun rises up from the east.

Edward Kofi Louis
The Strain

Time changes and,
There is time for everything in life;
So, obey the truth and live in peace.

The strain,
The pain,
The rain;
In chain! !
With an escort in the train.

Revived and restored!
For the sake of love;
And, to overcome a falsified message.

Edward Kofi Louis
O have a dream,
Even in the steam! !
I need no cream but the truth.
I have a dream,
Following after a perfect life;
Following after righteous laws,
I havea dream! ! !
Like a beam,
With the muse of a team.

Edward Kofi Louis
The Stream Of The Truth

The stream of the truth is your portion when,
You do the right thing.

See for peace and live,
Respect the truth and care for all mankind;

With positive morals,
Following after righteous laws.

Edward Kofi Louis
The Stroke Of The Sword

The stroke of the sword!
To kill another person,
Hatred and war! !
Ruin and destruction.

Edward Kofi Louis
The Struggle

The struggle,
Very tough!
Through hustle and bustle;
Though, rough at times,
With the muse of life to respect.

Edward Kofi Louis
The Subject On This Love

The subject on this love is an object,
And the object is very sound and beautiful;
The subject on this love is a valley,
And the valley is very quiet and lovely;
The subject on this love is a fruit,
And the fruit is very sound and attractive;
The subject on this love is a mountain,
And the mountain is very high and lonely;
The subject on this love is a river,
And the river is very smooth and slippery;
The subject on this love is a seed,
And the seed is very fruitful and sweet;
The subject on this love is your milk,
And your milk is very thick and sweet;
The subject on this love is your lake,
And your lake is very fresh and aromantic;
The subject on this love is a garden,
And the garden is very thick and bushy;
The subject on this love is a room,
And that room is very romantic and peaceful;
The subject on this love is your apples,
And your apples are very passinate and emotional;
The subject on this love is a tree,
And that tree is very tall and bushy;
But the peace of this subject brings is like,
Two lovers swimming across the blue sea of love and blues.

Edward Kofi Louis
The Sultan

I am the Sultan on your love,
So my sweet lady do open the door of your love for me;
I am the Sultan living next to your heart and,
I am in love with you my sweet lady.

I want to marry you so,
Come and open your sweet door of love to me;
For i have been studying you for a very long time among the ladies.

Come and let me marry you my beautiful woman,
For i still hope to see the day that you will be mine;
And thereafter, have you as a married wife to my Palace.

One day i will come to you with my officials,
One day i will knock at your door;
For you are the right woman needed t my Palace.

Edward Kofi Louis
The Sun And The Moon

Our love is like the sun and the moon,
But your weeping is breaking my heart;
So come and let me welcome you gladly with my muse,
For you are full of honour and truth.

Edward Kofi Louis
The Sun Came Out

Love!
The sun came out to shine upon your beauty;
With the muse of peace and joy.

Love!
Like white winter flowers;
With the muse of your land.

The muse of life!
Heading towards the truth;
With the peace of your mind.

Life!
Getting out of the Godly-System;
And, heading towards the truth.

The tricking cube,
The ways of mankind;
As seen everywhere on this earth.

Love!
The sun came out to shine upon you;
Because of your beauty.

Edward Kofi Louis
The Sun Gives Light! !

The sun gives light to the world! !
The light of wisdom,
The light of love,
The light is the truth!
The light of the truth to all mankind;
Bringing joy to the hearts of the people with righteous morals,
Light from the sun! !
Let there be light;
With the muse of the truth to all mankind.

Edward Kofi Louis
The Sun Has Gone Down

Troubles!
Problems,
The sun has gone down on you;
Facing the odds of life.

Edward Kofi Louis
The Sun Shines

Small and beautiful,
Narrow and sweet;
The sun shines through the window of my kitchen and,
Settle down through the window of my bedroom;
To see your shadow and to meet your image.
Tango, tangled!
The sun rises through the window of my kitchen and,
Settle down through the window of my bedroom;
Experimenting,
Quizzical,
In a single click!
Osmosis,
Symbiosis,
Joyfulness! !
In the sunlight;
Ruminations,
With a double click!
And, capturing the moon in the night with your sweet love.

Edward Kofi Louis
The Sun Will Shine On You

Don't give up in life,
The sun will shine on you one day;
When you think all hope is gone.

Edward Kofi Louis
The Surgeon's Knife

The surgeon's knife,
With a turning point;
To unravel the mystery,
Rocking the boat of life.

Edward Kofi Louis
The Sweet Peal Of Her Love!

Her beauty and her love lay on the bed,
Of her sweet peal of the glowing lovely breasts;
The kisses of this night will always be remembered.
She is delicate, soft and intense;
Mixed with fresh odour from her muse,
And like the sweet peal anew on a hot summer night.
The sprout of love in her room and,
In her garden of love i do sleep all night;
And of her joy in the light of the gentle sun,
But the sensitive plant in her garden of love matters to me.
Of the power of love in this sweet place,
And of her sweet peal of the glowing lovely breasts;
But like young lovers filled with the mutual atmosphere of peace.
Alone in this sweet glory land,
And of her love like a sea-flower unfold;
But naked and bare from the frozen air,
And so pleasant to a taste if one considers it.
The lady's gentle mind,
Of where nothing is but, all things are seen as being okay;
In the sweet peal of her love!
Cold and foul,
Deep and low;
Lonely as a deep sleep.
On the blue surface of her love;
Waken with the summer's dreams at last;
Oh, wide west winds! Come closer to us tonight.
Of the blue Mediterranean where she lay,
Of the horizon of her love to the zenith’s height!
Like the locks of the approaching storm;
For her love, beauty and of her delight.
Heavy and very slow to the muse that muses,
In the sweet peal of her love!
As her beauty and her love lay bare on the bed.
Of black rains,
Of white rains,
Like the spirits of the night!
But, i will kiss her until she's worn out.
Edward Kofi Louis
The Sweet Vessels

Are you thirsty of love?
Then do come to the sweet vessels of my home and drink;
Are you hungry for love?
Then do attach yourself to the sweet vessels in my room;
Are you lonely without love?
Then do bring yourself to the sweet bed of roses of my love;
Because i do have enough to make glad always.

Like to drink the tea from Kenya,
Come to me before the hand of the clock changes;
And do not accept fake offers from others.
Come to me like Mount Everest,
Which is 8850 metres high;
And share my love like cocoa from Ghana.

I am the one to satisfy you,
I am the one who really understands who you are;
Because i do have enough to make you glad always.
Come to my love,
Come and see where true love lies.

Edward Kofi Louis
The Swine God

The Swine God,
And of the way people have beeen deceived!
For his flesh is now offered as meat,
And many are those who go for this!
But my people are too blind to see.

Edward Kofi Louis
The Sword Without

Oh riders of white she-donkeys!
Oh riders of brown he-camels!
Come and i show you the poet that you seek;
For you are like the sword without,
Why are the chariots so long in coming?

The earth shook! The heavens poured down water;
Like the fight of the stars in the heavens,
Seeing the muse of a camel in Mount Carmel.

Come and i will show you the poet that you seek,
Like a turkey from Turkey!
Beyond the River Euphrates came the vision;
Listen to the muse that i bring to you.

To the slops of love!
In the Valley of Yezreel,
To the farthest limits;
However, civilization started from Eden.

Why are the chariots so long in coming?
Plan ja plan and, clan by clan;
Like images seen under the palm trees,
Moving along with my mind.

The sword without!
The terror within,
The horror seen!
With the error of mankind;
Like the vines of Sodom and Gomorrah.

The earth shook! And the heavens poured down the rain;
Oh riders of white she-donkeys,
Oh riders of brown he-camels,
Come and i will show you the poet that you seek.

Edward Kofi Louis
The Symbol Of Trust

It is about you and me,
And it is about lust and love;
But where is the symbol of trust?
It is about a boy and a girl,
And it is about a man and a woman;
But where is the symbol of trust?
Allegations and manoeuvres,
But a better classroom will make the difference!
For today i have met you.

Who is telling the truth and, who is telling the lie?
For i am only human and do make mistakes at times;
But where is the my lover to satisfy me?

There is no pity in war!
And you are fighting bullets with stones;
But, where is the love that you promised me?

It is about the mind of peace and the mind at war,
And it is about you and i on this love;
But where is the symbol of trust?
It is about the world that we live in,
And it is about the lust of the people than love;
But where is the symbol of trust?
Now i know where this world is heading towards.

Edward Kofi Louis
The Synphony Orchestra

The oracle of the one who writes,
The muse of the one who reads,
Like a hard toothbrush for the iron-teeth;
The oracle of the one who hears,
The muse of the one whose eyes are blessed;
The talking-teapot is crying for to read on like,
The Synphony Orchestra next to you.
I have the talent and you have the money,
I have the vision and you have the machinery,
Life is like the synphony orchestra.
The talent,
The money,
The vision,
The machinery;
Like a synphony orchestra playing the tune of Mozart.

On the sheep pens,
On the crags of the wild goats,
Like the struggle of oil and wine;
Life is just like that when,
Your body is infused with the synphony orchestra.
A time, times and half;
A word for the pussy-footy mouse where,
The secrects of the soul are tranquiled with these melodies.
A theme,
A rhythm,
The song that infuses;
A word for the horse-walk cat with,
The oracles to teach you.

The synphony,
The orchestra,
The secrects of the soul with melodies;
Loook for the poet you seek like,
The muse that is around you.
To the infinite,
To the unknown,
To the synphony orchestra with the muse;
Like Beetoven, Brahms, Haydn and Bach to a call.
The symphony,
The orchestra,
Like the melody of the muse next door;
With a respect to the human nature.
Schumann, Grieg, Chopin and Vivaldi to a call;
Let the symphony orchestra play on the muse that muses.
Corell, Mendelsohn, Schubert and Mozart;
Let the symphony orchestra to play on our tunes.

Edward Kofi Louis
The System

When it is not black then it is white,
For you and i know the truth going on around us;
But the system had made our lives so.
I have no child and my husband is too old,
And like a wild vine in the field of love;
But the system had made our lives so.

Edward Kofi Louis
The System!

The system!
The Nimrod System;
Destroying the earth than bringing us peace,
The Nimrod Educational System.
Gaining degrees which turn out people to create weapons of mass destruction!
For war and for death;
The very system of hatred and war,
Being taught in schools all over the world with Nimrod's system.

Edward Kofi Louis
The Tabby Cat

There is a time to dream and a time to wake up.
In this life;
But, ignorance is the great impediment to democracy!
However, the tabby cat is now dancing with the elephant.

The muse of nature!
With the proviso of an acceptance and,
With the varieties of things;
As seen on earth,
Hoping to fulfil our dreams.

The muse of love,
It looks like an insurmountable factor to your lifestyle;
With contracts, agreements and patents!
And, with the trademarks of love for the copyright.

Edward Kofi Louis
The Talent Of Love

To be very kind, considerate and attractive!
Like the crown of my love on you to be my lover;
This letter is to enrich your soul.
To be very kind, considerate and attractive!
This poem is to tell you how much i do care;
Like the emotions of my past in the wilderness.
Bounded is the sweet smell of your love,
And i am still the only one you need on this love;
Like the Great Himalayan Rahae to the tip of Africa!

Life is like that and i still love you,
So do wipe away your tears for i do care for you;
Like life in Astrakhan, Yogyakarta, Helsinki or Edinburgh.
I am still the one to share your tender love with,
So come and let me show you how real love does feel like;
Because, your love and your nakedness are all over me.
You are like the sweet apple never tasted before,
You are still the very attractive love along the line;
So come and let me show you the way with,
The talent of love so sweet to experience.

Edward Kofi Louis
The Talk

The walk!
The talk,
Hearing the voices of the people around you!
And, to write out your mind on the blackboard with,
A chalk.

Edward Kofi Louis
The Target

The target,
A little bit down;
Bet, set!
Net,
Not the pet.
The target! !
Under there,
To aim at it!
Able to hit the target.

Edward Kofi Louis
The Taste Of It

The taste of it,
With sweet smelling aroma!
With the ways of life and the fragrance of love.

Edward Kofi Louis
The Taste Of Love

I need that taste!
That fine taste,
The taste of love.

Edward Kofi Louis
The Taste!

The taste!
Don't waste it;

The taste of it,
For your health;

For your love,
For your joy! !

The taste of it,
Don't waste it.

Edward Kofi Louis
The Teacher

Woman,
Behold your son;
And of a jar full of vinegar for your sore.

Woman,
Behold your daughter;
And like lost cast for the garment of love.

Sour wine!
With the muse of your linen clothes;
But, the teacher was around to teach the truth.

Edward Kofi Louis
The Teacher  2

Love and patience,
The teacher!
The preacher;
To reach out to the world,
With the muse of the truth.

Edward Kofi Louis
The Teacher 3

Life is a teacher and,
Nature teaches us;

Love,
To have you in my heart;

Life,
To spread love and peace;

For the unity of the earth!
However, life is a teacher.

Edward Kofi Louis
The Teacher 2

The teacher,
To reach out to the world,
With his or her works;
The works of the truth,
Able to respect all mankind!
To bring peace to the earth.

Edward Kofi Louis
The Teachings

The aspirant,  
The programme,  
Brought in by your father!  
But give us the teachings of His Holy Majesty! ! !

Edward Kofi Louis
The Tears Of Your Love

I heard the message of your love towards me and,
I really love you too!
So dry up the tears of your love,
For, i am ready to take care of you with my sincere heart.

Edward Kofi Louis
The Temple

Your body,
The temple;
But, are you ready to clean it?!
Under the laws of righteousness.

Edward Kofi Louis
The Temple

The Temple,
The sample,
With an example,
For the simple;
Facts, artifacts!
To gather together,
With the faith of the people in the land.

Edward Kofi Louis
The Tent Of Love

The tent of love,
Live with a positive intent;
Long for life with a better living!
Under the eyes of righteousness.

Edward Kofi Louis
The Terrors

Thoughts lead to feelings and,
Feelings lead to actions!
And of the terrors that will come upon the earth,
But this generation is the last we are now living in.

Edward Kofi Louis
The Testing Of The Faith

Sheep, ox and donkey!
Lying under the big oak tree;
With a fleece of wool closer to them.

The muse of life,
The testing of the faith develops endurance!
Being humble,
With the works of the truth.

Life!
A city which is set in a hill cannot be hidden;
So, be right with your mind and do the right thing always!
For peace, love and joy.

Edward Kofi Louis
The Thief

The thief comes only to steal, to kill and to destroy!
So be on your guard to save your properties.

Edward Kofi Louis
The Thoughts Of Mine

The thoughts of mine,
Seeing the amazing things of life;
The truth is the key,
Able to open the doors!
With the muse of righteousness.

Edward Kofi Louis
The Throes Of Life

I will rather keep my faith on my works to move on,
For i am what i am today for you to see;
But yesterday is already gone too soon.

From the archives to the slippery lips and the throes of life,
Money cannot make a Doctor out of a playboy!
But allegorically noted is to toll the lines of a psyche.

I will rather keep my faith towards my success,
For the struggle is not yet over;
And there is nothing worse in life than being ignored!
But i will live always to share my love with others.

Edward Kofi Louis
The Time Difference

The time difference between us,
Mail, hail, fail, sail, wail, bail, pail, jail, ail, nail, quail, rail, tail;
But know how to control yourself before others!
For it is better to have what you see than,
Wandering after what you can only imagine.

Edward Kofi Louis
The Time Is Here

The new world training centre of love,
And of the great psychological move towards your mind;
It comes from Yahweh's calling but 'Isis' was identified with Hathor.

In the summer of your love i will visit you my sweet one,
But do remember your pots of meat in the winter time;
For the post man will bring in your letters and,
Through the James River in Virginia you will meet me.

You can encourage or discourage someone,
For the time is here to make your love flow like a river;
And i am just like a little lamb closer to you always.

The prophets are foretelling the coming destruction,
But bewteen you and the woman are more stories to say;
So do not lust after the wealth of the gods around you.

Edward Kofi Louis
The Time Of My Life

This the time!
This is the day,
The time of my life;
For peace and for joy,
Under the muse of the laws!
In the land of righteous people.
Big, bog, bag, beg, bug!
Along the ways of nature;
Log, lag, lug, leg!
With the studies of the truth;
Once, ounce!
With the time of my life.

Edward Kofi Louis
The Time Of Trouble

The Time of Trouble at this present time! Our afflictions will make us acknowledge our sins;
Moving along in life,
Hustle and bustle!
Healthy and full at times;
But, when troubles come in,
We are withered and scorched by the east wind.

Edward Kofi Louis
The Time Table

Degree,
Agree,
Shower!
Lower,
Power! !
Flower;
Joyful,
Muse, fuse, use!
Of the time table.

Edward Kofi Louis
The Toil

The toil!
With no oil,
But, with the soil of the land;
To boil up one's life.

Edward Kofi Louis
The Tongue

A wise son values his father's instruction,
But he who chases the rainbow has no understanding;
The tongue of the wise promotes health,
The wise woman builds her house,
The tongue is all that you have;
So, don't despise your mother when she is old.

A pussy-footy snail,
A horse-walk snake,
The rich rule over the poor;
A pussy-footy mouse,
A horse-walk cat,
The borrower is a slave to the lender;
So, don't despise your father when he is old.

A fleeting breadth,
Honey from the comb is sweet to your taste;
But a lovely woman with no discretion is like,
A gold ring in a pig's snout.
The tongue is all that you have,
Use it well for the benefit of others;
Cos', he who waters another's garden will,
Have his watered too.
The tongue is very important but,
A strange woman is like a narrow pit;
One part barley,
One part meat,
A strange life like a whore in a ditch.
One part salt,
One part pepper,
A strange act like a coin in the deep water;
Cos', each heart knows it's own bitterness.

Edward Kofi Louis
The Tongue  2

The tongue of the wise uses knowledge correctly!
Out of his or her mouth comes the words of peace, love and kindness;
Because, the wholesome tongue is like the tree of life.

Edward Kofi Louis
The Tongue Is An Unruly Evil

Try to become perfect and complete lacking nothing,
For the testing of your faith develops endurance;
And count it all joy when you fall into various temptations.

A double-minded man is unstable in all his ways,
So ry to quench the violence of fire!
For the testament takes effect only at death.

I am searching diligently for my true lover,
And from all the things that i have learnt in life;
For the tongue is an unruly evil!
And it is full of deadly poison.

Edward Kofi Louis
The Tool

Learn from it and, be able to use it!
With the tool in your hand;
To be very busy in the land.

Edward Kofi Louis
The Tool  2

Warm the tool to make it very hard!
Then hit it with the hammer to enter into the hole;
Able to fix the main gate in front of your house.

Edward Kofi Louis
The Topaz Of Ethiopia

Mentioned,
Meditation,
Exchanged,
Crystal clear!
The topaz of Ethiopia;
Understanding the ways of life,
Muse! !
The decree of the rain,
Natural!
But the wings of the ostrich wave proudly;
However, they cannot be compared to the pinions and feathers of the stork.

Edward Kofi Louis
The Touch Of Beauty

Colours! !
The touch of love,
The touch of life,
The touch of beauty,
Living and writing,
Match, catch, patch!
Like tennis for two.

Won, own, now!
But, you need the truth if you are still living in the dark;
Of a prayer,
Rogue, blue, due, clue, hue, glue!
With the touch of beauty.

Edward Kofi Louis
The Touch Of Love

Respect! !
To feel the touch of love;
Of my sweet love,
Even though, you are alone in your room.

Edward Kofi Louis
The Tourist

Tour,
Tourist,
The tourist;
Clever, lever, ever!
To learn from different countries.

Edward Kofi Louis
The Towers Of My Love

My love will be a delight in your mouth so,
Listen attentively you rich and poor alike;
For the towers of my love matters to you,
And like a lovely birth on a high degree of a muse.
Truth is in the inward parts and love is what you seek,
And the perfection of my beauty will make you sleep at last;
But come along and let me share my sweet love with you.

Edward Kofi Louis
The Traffic Light

Red, yellow, green!
The traffic light;
The signals,
With the rules;
All-in-one.

The destination,
Your destination!
With the muse of the traffic light;
Invented in 1914,
100 years ago.

The traffic light,
The traffic flow,
To direct you!
With the rules;
But, red and green were in the gas era.

The traffic light,
Today we have: Red, Yellow and Green!
Being computerised with the LED Technology;
As compared to the gas era.

Upgrade your life,
Upgrade your mind,
Upgrade your muse,
Upgrade your love;
With the acts of mercy, humility and compassion.

The traffic light!
We need the rules to control the traffic flow;
So, the traffic light is very important to us,
And like the rules of life with the muse of the laws.

Edward Kofi Louis
The Train Of Love

Out of two came love and,
Out of two came warmth;
But, to marry one minute and to divorce one minute is all that you know!
And i will always beef up your minds for you to know the truth.
Of a class act into a company of spectacle,
Of a world of games into a funny taste,
'Marriage is not just romance, passion and flowers;
But, it is a learning process to support each other emotionally! '

Oh, what a fairy-tale that couldn't last,
And if only the wise can dance to the tune of this melody of life!
And, for a better to be prepared to win the price always.

Oh life, of he who stops missing the train;
And of he who stops loses the gift as well;
Oh life, Of she who stops loses the gift,
And of she who seeks will always find!
For, the train of love is passing your way.

You were sworn in with the English Standad Version of the Bible,
But try to keep on loving with the matematics from your hearts!
For, the vocabulary of your English is full of words;
And, we need the 'horse-walk' act to meet the train.

The train of love is passing you by and you need love on this issue;
So, keep on moving on with the statistics of your mind like,
What is said about a marriage of one minute and a divorce one minute.
This act wil not help you on,
And this faith will not led you on;
So, be very wise to learn from the truth always!
For, i am here to guide you always onto the truth.

Edward Kofi Louis
The Transgressor

Moisture nd direction,
Monster and wars!
But as strong as a molten mirror,
And like the hoar frost of heaven.
The transgressor conceives iniquity and,
He or she is pregnant with mischief!
And gives birth to lies,
But sleeping alone is like working alone in the land of your muse.

Edward Kofi Louis
The Trash

Bash, 
Ash, 
Lash! 
Mash, 
Clash, 
Crash! !
Rash, 
Wash, 
The trash.

Edward Kofi Louis
The Tree Of Life

Endless love,
Endless celebrations,
Endless muse,
Endless romance,
But beware of yesterday!
For i am the tree of life and,
I am ready to take care of your shelter.

Come to me for food and,
Come around for your safety!
For i am the tree of life around you,
But beware of yesterday.

Yesterday is full of the sadness of the past,
But do live according to one's means;
For this story is like the Exodus out of Egypt!
And like your muse of love that was seen last night.

The brilliance of the sun and the harmony of the moon,
The wonders of the stars and the peace of the minds,
There will always be sunshine after the rain!
So arise and shine forth my people,
For i really know what sin brings to us on this earth.

Edward Kofi Louis
The Tree Of Life

The Tree Of Life,
The laws of righteousness,
Life without upholding the laws is no life;
It leads to chaos! !
Seeing the face of evil in Syria today.

Age, courage!
A while ago with the muse of your ego;
Facing the world,
With the muse of your message.

Astray, betray!
But, we need the works of the truth;
Like a stool by the pool with, a tool in your hand,
To be of great courage to uphold the truth than, evil.

Edward Kofi Louis
The Tribes

The tribes,
Beautiful and rich;
Moving with each other,
Doing things together!
For peace and for a reason.
The tribes,
With rules and the regulations;
Because, true love knows its owner.

Edward Kofi Louis
The Trumpet Has Sounded

Too blind to see and too lind to understand,
Like red hot chili pepers!
But sweet Jamaica is full of the vibes that it brings.

Life in Jamaica,
But do hide yourself from the guns!
And you will surely need me oh Port Maria.

Oh Jamaica!
Like the lovesome gunmen on the hills;
But now the trumpet has sounded and,
We will now see the nakedness of the sheep.

Life in James Town,
Life in Jones Town,
Like the beautiful bud out of the garden of love;
But sweet Jamaica is always on my mind.

Oh Port Maria,
I am the living proof;
And like life in Morant Bay and,
The life in August Town as well.

Oh Jamaica,
You are like the beautiful bud of love;
And i will always remember you.

Edward Kofi Louis
The Truth

The wicked cannot stand to learn from the truth!
And, they can't stop the truth either;
However, they are always crashed by the truth.

Edward Kofi Louis

In the world,
Without your rightful mind.

The truth is forever.

Peace for the officers and,

Righteousness for the administrators!

Able to guide and lead the world,

According to righteous morals.

Edward Kofi Louis
The Truth 95

The truth is established with love!
But hatred leads to lies;
As one faces the muse of the world.

Love,
In the Valley of Salt! !
Facing the ways of life with the works of the truth;
Able to teach others.

Edward Kofi Louis
The Truth 96

The truth! !

Let the heavens rejoice and,

Let the earth be glad;

Trust! !

With the muse of the truth;

With positive morals,

Let the shadows of the truth be with you always!

Wherever you go and,

Whenever you come in;

With honour and glory.

Edward Kofi Louis
The Truth Are From The Laws

Clap your hands and stamp your feet!
And, do not let the seller mourn;
Because of the manners of the heathen,
For there is still hope for those who are ready for the laws.

A vision!
With the face of the cherub,
With the face of a man,
With the face of a lion,
With the face of an eagle;
But, i am on a mission with the muse of my sweet mind.

Cover your nakedness with a garment!
And give water to the thirst;
Without forgetting those who are hungry,
By giving them food to eat.
A new heart and a new spirit!
But, i am not a sign to the hearts of detestable things.

Silver, bronze, iron, lead, tin and gold!
Let the heart of stone eat the bread of quaking,
And, let the man clothed with linen pour out the truth!
To all mankind;
Than the bread of sorrow.

True love,
Planted in rich soil of peace;
So, you don't need the majestic wine to satisfy your soul,
For, the truth are from the Laws.

Edward Kofi Louis
The Truth Backs It Up

Love is the main thing needed in life and, the truth backs it up;

Don't destroy the world with the Devil's Philosophy! But, seek for peace and, seek for love; let us unite the world.

Edward Kofi Louis
The Truth Endures Forever

Steadfast!
Trusting in the truth;
Established with peace and love,
Established with righteous laws,
With servitude and attitude,
The truth endures forever.

Edward Kofi Louis
The Truth Is Always For Free! 

To shine forth through the dark with your love,
To shine forth the rain with my love,
To shine forth through the wind with your muse,
And like all the rivers that flow into the seas;
So, teach me only righteous things and,
I will follow you.
Come and touch my heart with your love,
Come and change my heart with your care,
Come and lead me on with the peace of your mind;
For, the truth is always for free! 
And, i need you to guide me on along this narrow path.

Edward Kofi Louis
The Truth Is Always Known

Rape! ! !
The truth is always known;
With blood oozing out of the young girl as you were caught.

Illegal act!
With the act of your rape;
Raping your neighbour's daughter.

Edward Kofi Louis
The Truth Is Always Needed For A Safer World

Tome, dome!
Come,
And show me some of your works;
Tone, done!
The truth is always needed for a safer world.

Spray, pray, pay, say, ray!
Spectre,
Over the mountain of peace;
Set up,
Spectrum.

Another breed,
Imagine! !
It grows into it as it goes into it;
With the magic of your love and your age,
However, the truth is always needed for a safer world.

Edward Kofi Louis
The Truth Is Better Than Lies!

Is someone watching you? !

Is someone watching me? !

Then we have to do the right thing in life;

Because, the truth is better than lies!

The truth is better than silver and gold,

The truth is better than hatred and war,

The truth is all that we need! !

Because, the truth is forever.

Edward Kofi Louis
The Truth Is Forever

This is what you want in life!
Then use the Advantage given today;
However, note that, the truth is forever.
Live peacefully,
Don't hurt anyone!
Respect yourself and respect all mankind,
For the unity of the world.

Edward Kofi Louis
The Truth Is Light

A flying horse!

A flying elephant;

The truth is light! !

The truth is life,

The insight of peace;

With the sight of love.

Edward Kofi Louis
The Truth Is Loud And Clear

Trouble,
With the troubles of the world;
But, the truth fears nothinh.
Soft patals of love,
The truth fears no one;
Wet nights!
Band,
brand,
Land,
Sand and Holland!
With the muse of your love;
But, the truth is loud and clear!
Even if people put lies across it.

Edward Kofi Louis
The Truth Is Needed

A tree!
In the middle of the street;

A house!
In the middle of the street;

Seeing the Culture of the people!

With the brightness of the day;

But the truth is always needed for us! !

To out things in order.

Edward Kofi Louis
The Truth Is Peaceful

To teach the truth is not by Terrorism! ! !
The truth is peaceful;
Seek for the truth and let us all live in peace.

Edward Kofi Louis
The Truth Is Right And Just

Love,
There will always be a bridge to touch your soul;
So, face the world with the works of peace,
And, with the truth as the key!
Bringing joy to all the people around you.

You are very beautiful! !
Where have you been for so long?
For, your love is like the prayers of the faithful;
However, the truth is always right and just.

Edward Kofi Louis
The Truth Is The Key

Experiment,
Exhibition,
To bring peace to all;
For the truth is the key of life,
Living in peace with each other.
Blue, blues!
Bring us true love than war;
Speak, peak!
Talking to the human race;
And, to bring back love than war.

Edward Kofi Louis
The Truth Is The Only Way

You are killing yourself with the pleasures of this world;
Since you failed to come out of it! !
And, to learn from the works of the truth and live in peace.

Possess the truth and, be lawful in the sight of love!
For, there are some things in life that you cannot do alone;
And, you will surely need help from another person.

Live with a healthy mind and bring out words of peace;
Let the truth put a smile on your face always!
For the truth is the only way which leads to life.

Edward Kofi Louis
The Truth Is The Right Teacher

The truth is the light!
The truth is the right teacher,
The truth is very bright! 
Seek the truth with the light of wisdom and,
Live in peace with your neighbours.

Edward Kofi Louis
The Truth Is The Way

Evil ways!
Detested;

Punitive provisions! !
With the acts of evil;

However, the truth is the way!
When one accepts righteousness.

Edward Kofi Louis
The Truth Is Under The Sea

The truth is under the sea!
And, bones do not tell lies;
So, do search under the sea for your answers.

Open waters,
tracks and trials!
Vision under the waters;
But, bones do not tell lies.

Trials, trails!
Natural ability,
Pungent!
Tea, teacher!
From the land to the sea;
And, under the waters.

Puritanism!
Codes,
Pictograms,
Like a detective work;
But, very simple and very fast.

Edward Kofi Louis
The Truth Must Be Told

Erupted! 
Bate,
Debate,
Hatred and war!
Disincentive for peace and progress.

Mate, late!
The truth must be told;
Bold, hold!
To behold the words of peace and,
The works of the truth.

Edward Kofi Louis
The Truth Of Life

Gold-rain!
Purple-rain,
With the truth of life;
And, with the evidence of true love,
In your heart!
In your mind,
In your works.
Life,
With the significance of love;
Cleaning your heart and your mind,
Without racism in you.
Gold-rain!
Purple-rain,
Lovely with the muse of life;
And, living in the world today,
But, wondering why mankind is now infused with the weapons of war!
Forgetting the Laws of peace from the beginning.

Edward Kofi Louis
The Truth Shuns Evil

Violence!
Unjust;
But, the truth shuns evil.

Edward Kofi Louis
The Truth!

The truth!
There's nothing you can do to turn it around;
Even with your lies.

Life!
To freedom land;
On my way with the peace of my mind,
And, allowing the laws to guide me on.

Love, peace and joy! !
Pushing away all the weapons of war;
And, of the recorded history of mankind,
For, we need the unity of this world.

Edward Kofi Louis
The Truth

The truth is the way!

The road ahead! !

No one can stop the truth;

The truth is all that we need to bring us peace.

Edward Kofi Louis
The Truth

The truth!
Over myself,
Over the horizon,
Over my mind,
Over my body;

The truth!
Over the horizon,
Over yourself,
Over your mind,
Over your body;

The truth is the key!
The truth is better than hatred and war,
The truth is all that we need in life,
The truth is forever!
With the muse of righteous laws.

Edward Kofi Louis
The Truth

Impress yourself with the truth and,
Express yourself with the joy of your heart!
Following after righteous morals.

Edward Kofi Louis
The Truth

The truth is the Light!
The Light should be given to the people;
Because many are still living in Darkness.

Edward Kofi Louis
The Tuareg

A message of the Tuareg in the Sahara,
And of the heat of Africa that greets you;
But, you do have more stories for us to learn.
'Amen-Ra' and 'Hapi' to the Egyptians,
And of the copies made to the whole world!
But this message of the Tuareg is here to stay.
Greetings to the camel market in Cairo!
And of the sand's storm over the delta of the Nile;
But, let us love the salt water around us.
The salt of West Africa,
And of the caravans of camels on the Sahara;
But, i will keep on moving with the gladiators in my mind.

Edward Kofi Louis
The Tulip And The Passer By

In a flower pot of love lives a beautiful tulip plant,
And then was the passer by with words to attract it;
For, it was just like a passing glance and the sense of love,
And they were both attracted to each other.
The tulip was so beautiful to be touched,
And so nice to smell its aroma;
For its aroma fumes the iar around it.

The passer by was attracted to it like a magnent and,
He was touched by the fragrance of this tulip;
And love was the key for him to touch this tulip.
Of the passer by and the tulip,
Of the sense of humour to attract both of them;
But it was just a passing glance for the passer by,
And true love did crown the day for both of them.

Edward Kofi Louis
The Turning Point

The turning point,
With a true sense of dedication and commitment;
The objectives of life!
Time to exhibit commitment and dedication;
Because, the truth is the most important thing that we need in life.

History books,
With the stories of mankind;
Like a household name at times,
Old and young!
With the qualities of life along the line.

Edward Kofi Louis
The Twelve Sons

Ishmayl had twelve sons with the following names: Nebayoth, Kedar, Adbeel, Mibsam, Mishma and Dumah; Massa, Hadad, Tema, Yetur, Naphish and Kedemah; But, Yaaqob had twelve sons and a daughter.

The children of Yaaqob had the following names: Reuben, Simeon, Levi, Yahdah, Dan and Naphtali; Gad, Asher, Issachar, Zebulun and Yahseph; With Dianah being the only daughter among the twelve sons.

Now Abraham took another wife called Keturah while, Sarah was still alive in the promised land; And Keturah bore to Abraham the following children: Zimran, Yokshan, Medan, Midian, Ishbak and Shuah.

These were the children Yahweh gave to them and, The twelve sons have been divided into many peoples of the world; But, we all have Abraham as our father.

Edward Kofi Louis
The Twins

Uniqueness,
Attitude!
Within reach,
The girls!
The twins;
Unstoppable,
With the encounter.

Counter, encounter!
Conspicuous,
Cow, cowed!
With the muse of the land.
Prices, caprices!
Whims,
But, the truth will always edify your soul.

Writing physics,
Writing biology,
Writing chemistry;
The twins!
Educationally advanced;
But, love is build on the truth!
Whereas, illegal lust is built on fraud in this life.

Edward Kofi Louis
The Two

Give yourself to fasting and prayer,
Give yourself to things that are right;
For the unrighteous will not inherit,
The Kingdom of Yahweh.
Food is for the stomach and,
The stomach is for food;
But the two will become one flesh.

Edward Kofi Louis
The Two 2

The two,
Walking together;
Because they are in agreement.

Edward Kofi Louis
The Two Colours

Black and white,
The two colours,
Seen very common around the world.

Edward Kofi Louis
The Two Of Us

This love is between the two of us,
And it is all that I know as at now;
But be very comfortable to direct me on,
For around us are the soldiers of war!

Edward Kofi Louis
The Unborn Child

He was sleeping with his own daughter!
And he finally impregnated her;
But, how will the unborn child call this man?!
For the whole world is full of such people around us.

Edward Kofi Louis
The Understanding Of It

Positive and negative;
With righteous people and, the wicked ones among us!
The very wicked ones with the muse of oppression.

Posed, composed!
With the very works of the truth;
But, the wicked one is always against the laws of righteousness.

Love,
The understanding of it;
Able to lead us on towards peace than war.

Sad to say it,
But, the wicked one loves deception! !
As he or she is ready to accept in lies than, the works of the truth.

Edward Kofi Louis
The Uneasy Psyche

Of the uneasy psyche,
I have longed to see my wife;
But love and disappointment had sent me into the bush.
Of the uneasy psyche,
This is the exploration of the infinite repercussions;
Like our actions against the finite possibilities!
Of the uneasy psyche,
I called and she was not at home;
Of the uneasy psyche,
I looked and i could not find her;
So i took up my pen into writing,
Like a fisherman with his net.

Of a written message with sensitivity and insight,
But do i have to stifle into memories? !
What uneasy psyche when,
I cannot find my wife;
Oh no! ! Who has seen her?
Please, don't let the habitual ennui shatter our love;
When you can easily put away the past.
Of our actions against the finite possibilities,
Of our hopes and dreams;
Like a fisherman's hope when he draws his net.

Edward Kofi Louis
The Unity Of The Land

To eat bread in the morning and,
Meat in the evening;

My people!
To speak to them;

With the words of love,
And the works of peace;

For the unity of the land,
With respect to all mankind.

Edward Kofi Louis
Many blindly believe and trust in what is not the truth,
But nature itself is full of love and it is crowned with beauty!
So be yourself and learn from the truth always.
Listen to your heart and return to yourself,
This universe if full of love for us to share;
And, try and learn the best from others too.
Love makes the world go round so,
Listen to your heartbeat;
For, in the beginning was the world made for us to live in.

Why hate your neighbour?
You've got love to give;
And whatever you do,
Do it for the love.
You've got love to give to the universe,
You've got a message to share with us all;
So, why hate your neighbour?

With love, we have the green vegetation;
With love, we were made out of dust;
With love, the skies are blue and white to see;
With love, the oceans are blue;
With love, we were made male and female;
This is the sweet love to touch all mankind but,
Many are very blind to the truth.

Edward Kofi Louis
The Universe 2

When a village grows it becomes a town,
When a town grows it becomes a city,
When a city grows it becomes a state,
When a state grows it becomes a country,
With other countries to form a continent;
With other continents to form a planet;
With other planets to form the galaxies of the universe!
So, Marriage should be made of true love;
With both parties playing a positive rule.
Edward Kofi Louis
The Upright

The upright will always follow after the works of the truth and live in peace; all in the name of righteous morals. The thoughts within us, many are for hatred and war! While others seek for the ways of the truth. Yes! Slipping away from the truth with your evil works! But, justice will return to the ways of righteousness.

Edward Kofi Louis
The Upright Will Remain In It

Love,
With discretion and understanding;
Love,
With the truth;
Because, the upright will live in the land,
And, the upright will remain in it.

The garden of love,
On your behalf;
And, to water it with the muse of peace and joy.
Life!
With metaphorical approach at times;
But, let the truth lead the way always.

Edward Kofi Louis
The Valley

In the valley of love,
With a river running down the valley;
For joy!
For peace,
To enhance the status of your life.

Edward Kofi Louis
The Valley Of Anchor

To uncover her nakedness like a sweet lover on the bed of roses,
But to come up out of her grave like bat out of hell!
I am in the valley of anchor to share my views with you.
I have tiome to uncover her nakedness,
I have the joy to share her love;
But the muse that muses is all that i share with you as well.

To come up out of her grave like a bat out of hell,
With te valley of anchor to share my mind with you;
But from the days of her youth,
She was all that it takes.
Wrapped in the wings of love is her identity and,
I am in the valley of anchor to make love with her;
But from between her breasts are the true love of her muse.

Her lewdness to all is in the valley of anchor,
And her nakedness to all is seen around her youthful breasts;
But the door of her hope is what she has for you,
Like me being with her all day long.
Take a stick and write upon it,
For i desire mercy on this love than hate;
Like the great River Hiddekel.

She has set water for me to drink on this love,
Like a freewill offering of her love in the valley of anchor;
But be very careful to swim deeply into her love.
Like the King's food and the Queen's water,
Im am in a night vision of love to share my views;
And from between her breasts are the sweet things of love.
The deep and the secrets of her love,
Like the great River Hiddekel pouring down on her nakedness;
Come and explore this valley of her anchor.

Edward Kofi Louis
The Valley Of Tears

The fabric of our literature,
Interwoven with images to swing the muse;
Life and leisure,
Gods and heroes,
Of the Biblical polemic to teach others when,
We have a narrow cover to wrap up.

Antiochus Epiphanes,
Like the message od Herod the antipas;
Stammering lips to speak,
I am in the valley of tears!

The sounding of the trumpet,
In the assembly of the gods;
Ny ears caught a whisper when,
The spirits brushed past by.

Bodies of clay,
In the land of gods and heroes;
To pass through the middle of it like,
The loud cymbals of an unknown city.
An interwoven image,
Tears heavier than the sands of the sea;
Wisdom is for your mind,
Knowledge is for your being,
Understanding is for your guide,
A fabric from the noise of many waters!

Edward Kofi Louis
The Valve

The valve of the door,
Gate!
Leaf;
Two-leaved mechanism.
The lid,
With the muse of the word itself;
Bringing up,
Reduplicated! !
Manner of life,
Mode of living,
Admission!
The access;
Vision,
Mission,
Transmission!
Stone of help;
With the article inserted.
Muse, use, fuse!
The valve,
The mechanism,
To Have,
Along with the work.

Edward Kofi Louis
The Vehicle

Love me and love my lips,
Kiss me and kiss my breasts,
For i am the vehicle suitable for your operations;
But i am from the city of songs and,
With the humility of my mind to share with you!
Your right to counsel was fortified,
And like a retired Army Officer;
But i am the vehicle suitable for your operations.

Edward Kofi Louis
The Very Basket Beside You

Baskets,
Acts,
Caskets,
What's in yours?
Going along,
With the muse of life;
Going around,
To satisfy the ways of life;
But, what's in yours?
The very basket beside you.

Edward Kofi Louis
The Very Dark Hour

Evil! !
Waiting for the night;
The very dark hour,
Ready to kill those whom you call your enemies.

Edward Kofu Louis
The Victim

The victim of life,
The victim of love,

Going on daily with the evils of mankind.

Edward Kofi Louis
The View!

Shepherd,
Wondering in the fields;
With the view of the fields and,
The muse of the goats;

Shepherdess,
Wandering in the fields;
With the view of the land and,
The muse of the animals;

The view ahead!
With a boat along the small canal;
To embellish the craft of life!
With the muse of nature.

Edward Kofi Louis
The Views Around

A mother's child,
A father's child,
Puzzles;
The puzzles of life,
With the muse of a hidden champion unknown!
Dreams of letters and words of hope;
With flexibilities on the biodiversities of the views around.

Tales of the moon and the fascinating cycles of the ideas of life shared around;
To rescue you with love!
Like a surprised windfall,
With an egalitarian oversight! !
The antiques of 'dos' and 'don'ts',
In the keeper's den for a gain;
The etiquettes of 'dos' and 'don'ts',
An impact of discovery;
Self motivated.

Rhythms of love!
Ingredients of joy,
The therapy of peace,
The aroma of life! !
The fragrance of nature;
And the right to enter a place.

Edward Kofi Louis
The Vision

In the night of the vision,
Drink and be drunk and vomit it out!
For you will fall and rise no more.
Lightening have lightened up the productive land,
But many will visit you after your death;
And today she is in love with another man.
A person who cannot learn is not part of me,
So let us preserve the integrities of our elders;
And like the burial and the funeral rites of our cultures,
Because your love echoed to me last night!
I stood and looked but you were nowhere to be found,
Not even your footsteps were able to be traced;
For your shadow of love was gone forever,
But I am the beauty of love brewed in the African pot.

Edward Kofi Louis
The Visit

The visit,
Kiss me oh magic land!
Cent,
Sent,
Sent,
Descent;
Wales, ales!
Magic place;
Big eyes,
Blue eyes;
Of the night shift,
Please, lease, ease!
With love.

My Birth,
Here in Africa;
Growing up with the muse of my mind.
To learn about life,
To write about life,
With the muse of Poetry! !
My style,
My mind,
My identity,
Choice, voice!
With a voice coming from Africa.

Possessor!
Professor;
The name,
Married or unmarried;
Same with the muse of life.

Nature with its wonders!
The fragrance of peace,
The aroma of sweet love,
Knowledge with the muse of wisdom! !
The voice,
My choice,
With positive morals;
The voice of Africa.

Edward Kofi Louis
The Voice Of Joy

The first call!
To hear her voice,
The call of joy;
With the muse of love in the heart.

Love,
Illuminating!
With understanding and peace;
Joy in the heart!
Hearing her voice on the line.

Edward Kofi Louis
The Voice Of My Cry

Hear the voice of my cry! !!
Deep in my heart;
Inner-self,
Deeply wounded!
Because of the wickedness of mankind.

Edward Kofi Louis
The Voice Of The Voiceless

Gathering!
Grooming,
But determine to excel,
With your works,
With your acts,
Complete your task!
On earth;
With the muse of the phases of your life,
Helping others to stand up straight!
Being the voice of the voiceless.

Edward Kofi Louis
The Voices Of Africa

The history of Africa!
The voices of Africa,
Civilization,
Going along with life,
Growing up in Africa,
A continent full of surprises! !
A continent full of languages,
A continent full of cultures and traditions,
Africa! Africa! ! Africa! ! !
The continent of my birth,
The continent of my identity,
Muse, peace, love, life and joy!
Floating along with my mind,
Flowing through the dreams of imaginations,
Africa! Africa! ! Africa! ! !
With all the animals around us.

Edward Kofi Louis
The Wages Of Nature

I have only one goal in life,
And to do the right thing always;
But, each man's own performance depends on the wages of nature.
I have no animosity on this issue of life!
But let love unlock the inhibitions of nature;
And, let my ways be known to all.
The muse of life!
With the potentials of mankind on this earth;
But, each man's own performance depends on the wages of nature.

Edward Kofi Louis
The Wages Of Sin

The result of sin,
The results of our sins!
On this earth;
Horrible and fearful! !
And, with many curses.

Sickness and diseases!
The results of our sins;
Hatred and war!
The results of our sins;
Noticeable!
All in the name of our respective sins on this earth;
With confusion and perversion! !

The results of our sins,
The wages of our sins,
On this earth.

Story, derisory! !
Close, lose, prose, nose, dose, rose, arose, hose, pose, those, whose;
Close, lose!
Ready for love;
But, let us watch the wages of our sins on this earth and learn.

Some, handsome!
ready for your love;
Love, lovely!
With the lust and the wages of our sins;
Wages, ages!
Clouds of white doves and wings of pure love;
Beauty, beautiful!
But, are we ready to control our respective lusts? !

Edward Kofi Louis
The Walk

The walk,
The talk,
With a chalk in your hand;
Teaching your students.

Edward Kofi Louis
The Walking Dead

The walking dead!
Full of sickness,
Will die very soon.

Edward Kofi Louis
The Wall

The wall,
The call!
From the hall;
Mall, pall, all!
Shall i?
I shall be;
The wall,
With a ball thrown against it!
The fall,
The fall of the ball,
Facing the ways of life.

Edward Kofi Louis
The Walls

The walls,
Oil within;
The walls of peace and love,
The walls of the truth,
Bringing joy to the hearts in unity.

Edward Kofi Louis
The Walls Of Her Palaces

Love,
With the walls of her palaces;
And, to compare her with the jewels of peace.

Love!
Let the muse of peace comfort your heart when,
You are with her.

Love,
To the walls of her palaces!
And, in the arms of her joy.

Love,
With the apples of her eyes;
And, the apples of her breasts.

Prove, approve!
With the works of her peace;
Under the muse of the laws.

Edward Kofi Louis
The War Game

I am buried by time,
I am buried by love;
Like life from Herat in Afghanistan.
I am buried by the heat,
I am buried by the cold,
I am buried by the wings of nature!
Like life from Herat in Afghanistan.

Keep talking it,
Keep saying it,
Keep doing it,
Keep walking it,
Keep dancing it,
Keep swinging it,
Keep climbing it,
Keep trying it,
Keep asking it,
Keep working it,
Keep moving it,
Keep flying it,
Keep acting it,
All in the time frame to be buried;
Like the War Game in Afghanistan.

Buried under the nature of things,
With bombs exploding from left and right;
Like a message from Herat in Afghanistan.
The War Game,
All in a time frame to be buried;
Keep rolling it,
Keep changing it,
Keep trading it,
Keep building it,
Keep covering it,
Keep painting it,
Keep writing it,
Keep blocking it,
Keep cookin it,
Keep posting it,
Keep accepting it,
Keep driving it,
Keep bombing it,
Keep squeezing it,
Like the war game in Afghanistan.

Edward Kofi Louis
The War In You

Stealing is wrong,
But try to give out what you have in order to help someone else;
For you spent 99 days in Agege and someone else spent 99 years in prison.
Stop the war in you and do the right thing always,
For that which was sweet is now sour! !
But let your 'no' be 'no' and your 'yes' be 'yes',
And respecting others rights benefits you and as well as them.

Edward Kofi Louis
The Waters

The waters rose up from the north and,
Overflew throughout your red valley of love;
And the city within was satisfied with the muse of joy!
But many of the nationals had their houses under flood,
However, the ability of your love was flourished by the waters.

Edward Kofi Louis
The Waxing Span

The waxing span,
Love is the key and, love is life;
Love is everything in life!
And, we need the truth.

Of my love,
Among the wild roses of life;
Of your love,
Among the wild roses of life;
But, the currency of the heart is true love.

Edward Kofi Louis
The way,
The bay;
To say your words and,
To hear the bray from the stable.
Stray, astray!
But, with a tray in your hand;
Along the way,
With hope!
To pray,
But, your child is ready to play;
Fray, clay!
However, the day is not over.

Edward Kofi Louis
The Way Ahead

Play, pay, lay!
The way ahead;
To stay with the truth,
To say out your mind,
Not to stray away! !
Only with the truth;
With the bay of light!
Insight with the muse of the ray of hope.

Edward Kofi Louis
The Way It Used To Be

Original,
The way it used to be;
Say no to racism and let the world live in peace.

Hatred! !
The Water turned into blood;
False ego;
Going against those you call your enemies.

Edward Kofi Louis
The Way Of Life

Culture,
The way of life;
With the lifestyle of one's tradition.
Going around the world!
Meeting customs, traditions and cultures;
In different ways, forms and acts! !
With some looking very strange to the eyes,
But, that's the ways of life;
From languages to the tribes of mankind.

Edward Kofi Louis
The Way Of Life 2

The way of life,
Only with the truth,
Without hatred and war.

Edward Kofi Louis
The Way Of The Devil

Evil acts,
Terrorists!
Tomorrow goes down against them;
As they destroy the world with their evil and,
Kill human beings as well.
Terrorists!
This direction will never bring us peace;
This direction is the way of the devil,
Entangled thoughts of evil! !
Unstable Souls.

Edward Kofi Louis
The Ways Of Life

What you love to cook marks your identity,
What you eat is who you are,
What you read is who you are,
What you watch is who you are,
The games you like to play marks your identity,
So are the ways of life;
Knowing who you are with your works on earth today.

Edward Kofi Louis
The Ways Of Satan

There is no truth in him!

There is not truth in her;

Because, they follow after the ways of Satan.

Edward Kofi Louis
The Ways Of Satan   2

Transgression! ! !
Continuous War,
Seen all over the world;
We are not learning,
Because have chosen the ways of Satan.

Illegal lust!
Something is causing you to act that way;
Removing boundary marks,
With your evil acts! !
Because, a scorners will not listen to rebuke.

Edward Kofi Louis
The Ways Of War

The price of blood!
The ways of war;
Long arms and short legs,
With the hardness of the hearts of men.
Lust!
Feast,
Drinks,
Short arms and long legs;
And the doom followed.

Jewels of waters!
Destroyed by the muse of war;
With the price of blood in the hands of the wicked,
Womb, bomb, tomb!
With the weapons of war destroying mankind.
Inconsistency!
Triggered with the muse of hatred;
With blood stains on the ground, grass and flowers! !
As many were inflamed with wine.

Edward Kofi Louis
The Ways Of Your Muse

Life!
Some may love you and others may hate you;
But, do know what is right,
And, swim in the truth always.

Love,
Meeting you at the right time;
Like the muse of the artist in your town!
But, i am the painter next door.

Life,
Your mind is far beyond than others;
And, the muse of your art works are really beyond this world,
But, i am here to satisfy your love.

Life,
Sitting down quietly in your room;
After going through many things,
But, unity and peace will lead the ways of your muse.

Edward Kofi Louis
The Whistle

To the valley of birth,
To the valley of vision,
To the valley of love;
Yes! ! Of a sound guideline in the land of my muse,
And like the fowls of the high mountains.

The king's spear!
Soon the fisherman will mourn;
And like the love of the inheritance of Beersheba.

Clean it well to its further limits and it will be yours;
And like the beasts of the earth,
Because, i have taught them with my wisdom and i know their thoughts.

It is very sad that, religion separates people;
But to the Yebusite City i will rest my mind,
And like the muse of your sweet love in the land of unity.

Baalath Beer! !
Let us teach our children kindness;
And like the prints from the soles of my feet.

She laboured and gave birth in pain!
But try to clean your mind before you give out the children's bread to the dog;
For, adultery is sin.

The valley of salt,
The valley of sugar,
The valley of pepper! !
And like a donkey's head sold for eighty shekels;
But, let us teach our children kindness.

To purify yourselves in the gardens,
In the very time of your troubles;
For, many have really chosen their own ways in this life!
And like climbing Mount Nebo to the top,
However, the referee blew the whistle for us to start the game.
The Whistle Blower

From the river and, into the sea! !
As white as snow and, as black as charcoal;
However, do men gather grapes of thorns or, figs of thistles?
The whistle blower! !
To pick out your friends in the land;
But, speak the truth and the dogs will sleep!
Because, the 'gong-gong beater' is ready with his stick;
And you will be measured by the same yardstick.

Edward Kofi Louis
The White Door

She gave me a call and I went to her room,
And immediately the doors were shut behind me;
But one thing led to the other and,
We finally found ourselves naked on the bed of roses!

The White Door,
But with a tub to the spot of thwe tops! !
There she laid and we made love,
And like the sweet smell of the roses around.

Edward Kofi Louis
The White Umbrella!

The white umbrella!
The muse of your love;
But, i am ready to stay with you always because of your care.

Action,
Passion,
Mission,
Nation,
Attraction,
Addition,
Subtraction,
Multiplication,
Division,
Vision,
Emotion;
But, i will always stay with you my love.

The white umbrella!
In the land of your love;
Searching and reaching out to you.

Edward Kofi Louis
The Wicked

The wicked will always find a way to destroy the truth; and, to destroy righteous people.

Fresh trees and old mountains!
Wet flowers and dried leaves;
The gladness of the heart is with the muse of the truth.

Unity is Great! ! !
Exhibiting peace, love and joy;
But, the fool is not ready for the works of the truth.

Edward Kofi Louis
The Wicked 2

The wicked cannot rest! !

He or she is like the troubled sea;

Whose water wash up mire and dirt.

They are always ready to kill and destroy!

Bringing disorder to the world;

With the acts of terrorism.

Edward Kofi Louis
The Wicked 2

The wicked,
With an evil spirit;
To betray,
To destroy!
To be humiliated;
Being exposed! !
Ruined,
Like clouds and wind without rain;
But, a soft tongue can break a bone.

Edward Kofi Louis
The Wicked Cannot Rest

The wicked cannot rest! !
Unless they have done evil;
They are always ready to kill and destroy!
They eat the bread of wickedness and,
Drink the wine of violence.

Edward Kofi Louis
The Wicked One

Object,
Precision,
Fire!!!
Destruction;
The wicked one will never sleep.

Edward Kofi Louis
The Wickedness Of Men

Attack! !
They stripped her naked and raped her;
Then, they killed her!
The wickedness of men,
Living among us today.

Edward Kofi Louis
The Wild Sea-Shore

Some people don't know how to say,
'Thank you' or even, 'I am sorry';
Like in poverty, hunger and in dirt;
You are naked before the eyes of the people.
Your body,
You say you are beautiful;
Your body,
It is exposed to the public eyes;
Of Ex-Boyfriends and Ex-Girlfriends,
Of Ex-Husbands and Ex-Wives,
As you lay your bed, so you shall sleep on it.

Another day, another hope;
Another song, another poem;
He had been always with her in the house.
Some people don't even know how say,
'Please';
Like a low miserable lives of hand-to-mouth,
To whisper to your ears with human sustenance;
Like a fair sea-circle with no sadness.
Of people, places and things;
Far in a darker Isle beyond the line,
Like our nakedness to the public.
A black dot,
A walk by the wils sea-shore;
With the actions of the people that i do meet;
'Please', 'I am sorry', 'Thank you',
Are out of the peoples lips!
Just a clear call for me,
Face to face with the facts;
A walk by the wild sea-shore where,
The silent water slips from the hills.

Edward Kofi Louis
Lover,
Flower,
Power!
To carry out the will of love;
Muse, life and joy!
With the peace of the laws at hand.

Edward Kofi Louis
As long as the wind blows on all of us,
I havre a story to tell you;
So drink my friends! !
For the time comes when all things will end,
And the majority of us will not know it.

230 kilos of bread a day will allow you to balance the equation,
But there is always a difference between me and you;
And many are ready to walk straight to hell.

Edward Kofi Louis
The Wind Rose

The sky became black with clouds! !
The wind rose and,
Then came the heavy rain!
To water the earth.

Edward Kofi Louis
The Wise And The Unwise

They call themselves Saints but,
They are no Saints;
This message is for both the wise and the unwise.
According to the flesh,
According to the spirit,
According to her love,
According to her pasions,
And according to his care;
This poem is for both the wise and the unwise.
Tribulation and anguish,
Upon every soul who does evil;
But glory, honour and peace to,
Every soul who works righteousness

Edward Kofi Louis
The Wise Man's Eyes

A pestle, a pistle, enough goat's milk for your food;
But as one dies, so dies the other in the name of war!
And how can one be warmed by himself?
The wise man's eyes,
I need a love tonight;
From the finest wheat to the pure gold of love,
But the wise man's eyes are open in his head.

Stars of light,
Male and female slaves to enrich your market;
But, there is no knowledge in the grave.
Of lovers chains,
Flowers in the vineyard of sorrow;
But the silver cord is all that you need.

Length of days!
So will a woman's mind reflect her at this hour;
But being formed in the womb begins a journey.
For the sweetest love that comes with a romance,
Of the wise man's eyes that speaks in parables;
Give food to the hungry if you have the means,
For we all have a mission on this earth.

Edward Kofi Louis
The Witness

The witness of the truth goes out through all the earth!
With a story to the ends of the world;
For the Laws of Yahweh are perfect! !
Converting the whole person.

Edward Kofi Louis
The Wonder Of You

Love,
The wonder of you;

Beauty,
The wonder of you;

True-love,
The wonder of you;

Lifting me up so high!
To touch the sky.

Edward Kofi Louis
The Wonder Of You

Love,
True love!
The wonder of you;
Loyalty! !
With the royalty of your true love,
The fragrance of life and,
The aroma of nature! !
Here i am.

Edward Kofi Louis
The Wonders Of Nature

The wonders of nature,
The wonders of love;
With the muse of life,
Knowing where to step.

Edward Kofi Louis
The Words Of Joy

To have your say in the world,
To tell us what you know;

To have my say in the world,
To tell you what i know;

Love!
Overflowing with the words of peace when,
The truth is noted;

The words of joy! !
On the tip of the tongue of true-love.

Edward Kofi Louis
The Working Bird

'Mr. Fix It' and 'Mrs. Break It',
You can fool some people for some time;
And you are like the mocking bird under the rain;
But my love is like the mighty diamond of the world.

Love and affection,
I am coming back for you!
For when it is cold outside your love,
It is then very hot inside me.

Why stay outdoors in the cold to make love?
For you are yet to know yourselves and my love;
So tell it like it is and,
Let the roses of love be seen in your eyes all day.

'Mr. Fix It' and 'Mrs. Break It',
Love created you and i!
And i will watch my back in the night,
For what i'm living ofr is very close to me.

Guns and ammunition,
Policing and thieves;
I feel free in this world without hatred,
And i will always pray for the rain to fall on us.

Soldiers and news,
And of the quintessential techniques of life;
Call me 'Mr. Fix It' and 'Mrs. Break It' to be here,
For the working bird is fast asleep.

Edward Kofi Louis
The Works Of The Truth

Yahweh's Way! !
Yahweh's Work;
To face the muse of the truth,
With righteous morals.

Edward Kofi Louis
The World

As it has been said,
Let it be done;
For, we are the children of Yahweh! !
And, the world does not understand us.

Edward Kofi Louis
The World  2

Take the world and rule control it with love!
With peace,
With joy,
With the truth! !
With righteous laws,
Able to unite the world.

Edward Kofi Louis
The World 2

The world,
The world today!
Sin is desirable in the eyes of mankind;
Pushing away the truth.

Edward Kofi Louis
The World Is Ending

Water, earth, wind and fire! !
The world is pushing away,
The world is ending,
So, let us stand up straight!
To be true,
With our hearts,
Going after positive morals,
For salvation.

Edward Kofi Louis
The World Needs You

Don't give up in life so soon,
Because you don't know where your sunshine will be;
Don't give up so soon,
For we all do have a time to share on this earth;
Like promoting creativity to move on at all times.
The world needs you and,
You don't have to give up so easily;
Because without writers,
How can we all know and learn from one another?
But like the son of ma who sits on the white cloud,
I still have my mind to share with you all.

Edward Kofi Louis
The World Of Fantasy

In the world of fantasy with your muse,
In the world of fantasy with your love,
But try to learn from the right things always by following the laws;
And like the muse of joy in the land of peace.

You can use it and you can ride on it,
You can cook and you can eat it,
But try to learn from the right things always in this world!
And like the muse of joy in the land of peace.

Edward Kofi Louis
The World Of Hate I

The world of hate!
I'm not considered,
I'm not respected,
So, i hide at the corner where there is love.

Edward Kofi Louis
The Wrath Of Her Wine

They have committed fornication with her,
And they have drunk the wrath of her wine;
With the abundance of her delicacies!
Partaking in her sins.

Edward Kofi Louis
The Writer's Ink

I am the writer's ink,
So just write with me without any fear;
I will move more than expected,
I will write more than expected,
I am the writer's ink.
Use me slowly or even faster,
I will talk more than expected;
I do have the message to teach everyone.
Of the beauty of communication,
I am used by everyone;
I am the writer's ink,
I do make people sad or glad;
My ink makes rulers sad,
My ink makes personalities sad,
My ink makes the common man sad,
The way i am used matters.
I am the writer's ink,
I am not expensive;
Buy me and use me always.
How can a country like Ghana be poor? !
Ghana has gold, oil, cocoa and timber;
There are also diamond, bauxite and other minerals;
How then can Ghana be poor? !
The writer's ink should tell us more.
Mismanagement is the food in the country,
Ghana has really more than it needs;
This country shouldn't be poor.
What the leaders say on air is not,
What we see on the ground;
I am the talkative ready to talk.
I am the writer's ink,
I will always speak the truth!

Edward Kofi Louis
The Writer's Pen

Today is the writer's pen but,
Yesterday was the lying pens of the scribes!
Read it yourself in Jeremiah chapter eight verse eight;
Because, they've changed the laws.
What then do we expect to come out when tomorrow comes?
Most of our own writers today are afraid to tell the truth,
And they are blind leaders of the blind.

Of my imaginations,
Of my words,
Like a Doctor of letters to make the world go round;
They have prophesied but, i am fulfilling the message.
My mind is true,
My council is positive,
And i am the writer's pen with a vision on a mission;
They have written but, i am now telling the truth!
Like a locust that eats the grass.

Edward Kofi Louis
The Yellow Jacket

Jack, jacket!
The red jacket,
The yellow jacket,
The black jacket,
Put, putter!
Polymers,
Optically;
Fresh as the atmosphere and sweet as your love.

Great feelings!
Romantic as love;
At, act!
Fresh as the atmosphere and sweet as sugar;
At, act!
Molecular;
Emulsification,
At, ant!
And, of your yellow jacket.

Edward Kofi Louis
The yellow thing,
You came and took me away like a thief caught in a cage!
But this transit period became like my hard lessons in life,
And the home of the forest was my only hope at last.

Edward Kofi Louis
The Young Girl From Eritrea

The muse of life,
The muse of love,
The ways of nature;
With the works of the young girl from Eritrea,
Out of the hole to see the light.

The muse of life!
The muse of the wind blew across her face;
As she came out of the hole.

The muse of love!
The strong wind blew across her face;
As she came out of the hut,
But, far ahead of her, she could see a beautiful house.

The muse of nature!
With works and words from her land;
Coming out of the shadows of darkness,
And, sitting at the corner of the hut waiting for someone to help her.

The young girl from Eritrea!
The 15 year old girl;
Seeing the very future ahead of her,
With hope and dreams from her poverty.

Edward Kofi Louis
The Young Lady

The young lady,
With the gate of love;
As she opened it for you to enter in,
Very nice and sensible.
The muse of love,
With the sweet muse of life;
But, the door to the gate of her love was opened to you;
And, you entered in.
The muse of life,
Inside the room of love with joy and peace;
And like the sweet songs of the beautiful birds and the butterflies around.

Edward Kofi Louis
The Youth

Skirts,
Outskirts,
Seeing them;
The youth.

Edward Kofi Louis
The Youth Of Today

The youth,
The youth of today;
Their teeth are set on the edge! !
With the muse of Satan carrying them about,
To and fro;
In the name of worldly entertainment.

Edward Kofi Louis
The Zeal

The zeal,
To heal,
The seal!
With love;
To deal with the truth,
With the meal of peace.

Edward Kofi Louis
The Zeal And The Desire

Love,
With the zeal and the desire of peace;

Life!
Be positive;
And with dreams.

Love,
Let beautiful words come out of your mouth;
Living with positive morals.

Love!
This is the beginning of that which is spoken of,
Between me and you;
With the muse of the truth.
With the

Edward Kofi Louis
Theatre Of War

Regrettably!
In the death zone;

Incessant attacks,
The same sentiment;

Relocation,
Nonchanlant attitude;

Lust,
Frolicking with night ladies;

Picked up!
Relocated;

Summed, resumed!
Destruction of properties;

Boar, oar!
Repelling;

Tightened, heightened!
With the terrain of the theatre of war.

Edward Kofi Louis
The rubber-slippers is for summer and,
The wooden-slippers is for winter;
But learn from my muse and try to overcome the electric shock! !
For, i am Thebez from the thick black forest.

Edward Kofi Louis
Their Bare Legs Set Apart

Pace! !
Ace;
Space,
To enjoy it;
With the muse eof your status.
Pact, impact!
Their bare legs ser apart;
With the muse of lust,
Enjoying the taste,
Not to waste the advantage!
Like the paste of love;
Place!
Like a palace;
To lace your life along the line.

Edward Kofi Louis
Their Inalienable Rights

The nakedness of the prisoners were exposed to you,
But who will let them have their inalienable rights?!
And like the photosynthesis of your love in the land of walls,
For the genesis of this world is full of trouble.

Edward Kofi Louis
Their Kind Of Books

You are somebody's wife and now,
Somebody's husband is using you;
But, is this what you call love?!
You are somebody's husband and now,
Somebody's wife is sleeping with you;
But, is this what you call love?!
What kind of world is this?
Is this the kind of love or lust that you want?
What kind of garden of Eden is this?
Is this what you call lust or love?
Oh, what a shame!!
A lady sleeps with a president and writes a book about it,
A man kills a woman and writes a book about it,
A thief robs a bank and writes a book about it,
A man sleeps with somebody's wife and writes a book about it,
A flirt sleeps with different people and writes a book about it,
A kidnapper is very successful with his or her acts and writes a book about it,
A woman kills a man and writes a book about it,
And so on and so forth as we seen in this world;
But, sin is like enjoyment to these people in this Garden of Eden!
And now, their kind of books are all over the stores in this world for sale.

Edward Kofi Louis
Their Own Traps

Sexy playmates and,
Raw to the skin!
It was like a cave and,
They plotted against me!
But they fell into their own traps and,
The glory of Yahweh prevailed.

Edward Kofi Louis
Their Sins

Waring!
Misled,
Untimely death,
Hearing their cries! !
But, their sins were the very reason;
With dead bodies scattered here and there.

Edward Kofi Louis
Their Songs

The prostitutes bathed and sand their songs,
And it attracted the men around them;
But it was like eighty shekels for a donkey's head,
And five shekels for a dove's dung!
But i will stay around to watch this scene.

Edward Kofi Louis
Their Teachers

Troubles,
With terrorism!
But, who are their teachers?

Edward Kofi Louis
Theives, Fugitives!

Rum, tantrum!
Anger does not solve a problem;
Tantrums,
To grow up;
House, mouse!
I will live through it and,
I will survive.
Theives, fugitives!
Rogues,
To be natural;
the sudden change,
Planned! !
But, hatched in the chambers of your room.
Gave, grave!
At the 'Achimota Forest' in Accra;
But, try to look at the eyes.
Have, shave!
This act is not in my culture! !
But, your gold and money now rules the world.
Team, steam!
Pratical,
Story, derisory!
Identical,
Like a bad sign.
Jumping from behind! !
Like a bad omen;
But, poetry is my life and my world.
Actor, factor!
Now you know how to use it so,
Use it.
Theives, fugitives!
Missing and noted,
Lost and found;
But, an old known devil is better than the saint unknown.

Edward Kofi Louis
Thembu

1658 in Madagascar!
And of the race of my lover being sold as a slave;
But this is my history and I am here with Thembu,
And of the great stories that led to the creation of my homeland.

Edward Kofi Louis
Then Again I Raise!

The fall! !
Then again i raise!
It is not over,
Until it is over.

Edward Kofi Louis
Then I Will Be Made Whole

If only your love could touch me! !
Deep down into my heart;
To give me back my strength!
With your beautiful frames of joy,
Then i will be made whole.

Edward Kofi Louis
Theo

The love of your muse is the therapy to my heart,
But the broken shell closer to me is ash black!
And like th emuse of my friend Theo,
Bu ti will always remember your voice.

Edward Kofi Louis
Theodore

My very first feelings is all about your love,
But you are hidden in the closet!
So come out and let me love you oh Theodore my love,
For the rainbow is already seen up high.

Edward Kofi Louis
Theophilius

You uncovered my clothes and made love to me,
And i always remember your name as Theophilius;
So be ready to hear the news because, i am pregnant.

Edward Kofi Louis
Theophillus

Everyone is seeking for you because you are so beautiful,
Everyone is looking for you because you are very attractive,
And i am now moved with compasion because i know your story;
For i am Theophillus in your neighbourhood,
And i want to be closer to as well.

Edward Kofi Louis
Theophilus

By the seashore of love,
Those who are well have no need of the physician!
But i am Theophilus still in search of you.

Edward Kofi Louis
Theory, Story!

Big Ben,  
Big Apple,  
Apollo Theatre,  
Broadway!  
In the flesh and in the blood.  
Theory, story!  
Like cows from Switzerland;  
Lust!  
In the flesh and in the blood;  
Paris, pairs!  
Like German Beer;  
Of the big light!  
Of your adrenalin;  
But, do not cry.  
The package!  
On the last lap;  
Theory, story!  
From zero to become the hero;  
But, the four faces of the beast is now noted.

Edward Kofi Louis
Theos

You are worshiping Theos and you want my love,
But he who is with Yahweh hears Yahweh's words;
For she was sixteen years old and she became your lover!
but he who is of Satan also hears the words of Satan,
And we are all walking on the passage of this earth.

Edward Kofi Louis
There Are Opportunities In Life

Once down in life,
But, you're still in the game!
So, gather hope and move on;
Because, there are opportunities in life.

Edward Kofi Louis
There He Is

Handsome!
There he is;
The man of whom I spoke to you,
You can now call him and talk to him,
He is ready to answer you!
All of your questions from your heart.

Edward Kofi Louis
There Is A Hole In The Pot

The pot!
With water flowing outside from it;
I think it has a hole in it.
Whole, hole!
To think about the whole story and,
To study the flow of the water;
For, there is a hole in the pot.

Edward Kofi Louis
There Is A Place For You

Love,
In my heart there is a place for you;
So, don't give up your dream so easily,
Because, the candles of hope will always stand the wind!

The muse of the universe,
The wonders of nature!
With the scars of life;
But, in my heart, there is a place for you.

Edward Kofi Louis
There Is A River

There is a river!
The river of love,
To gladden your heart,
With the joy of the truth.

Peace!
Exalted with love;
Beautiful for elevation,
With the joy of the hearts!
Clap your hands in applause for the works of the truth.

Edward Kofi Louis
There Is A Way

There is a way to touch the sky with true love,
Because, i'm alive! !
Oh yes! I'm still alive;
Chasing the winds of the troubles of life,
Always trying to touch the sky with true love;
Knowing that, there are terrorists always around us.
Taking a step ahead in life with true love,
Much needed for the peace of the earth than, the works of hatred! !
Able to teach the hearts and minds of the people,
To change for the better!
With peace and unity; than for the Evil Works of war.

Edward Kofi Louis
There Is Hope

With me!
There is hope;

Your request,
I can satisfy you;

Quest for love,
The best with your mind;

Test of life,
Like one from the West;

But, the best is with me,
And, i am ready to give it to you.

Edward Kofi Louis
There Is Hope  2

A smiling face,
There is hope! !
Don't give up on your dreams;
Even if you do fall.

Edward Kofi Louis
There Is Hope  3

Cope,
Rope,
There is hope!
Without giving up on your dreams.

Edward Kofi Louis
There Is Hope For Tomorrow

To look at it and to give you my comment;
Eating red apples with the muse of your sweet love.

There is hope for tomorrow! ! So, free your mind today and live in peace.

You can touch the sky! ! ! To dream about it and to work towards it; following righteous paths.

Edward Kofi Louis
There Is Hope In Life

There is hope in life!
And, together we can build up the house;

Love brings sunshine to your heart,
And, love heals the whole body in peace;

Love brings joy to your heart!
And, sweet love educates the whole body in peace.

Edward Kofi Louis
There Is Joy In Love

There is joy in peace!
There is joy in the laws;

There is joy in love,
So, let us seek for life and do the right thing.

I can't change your heart!
I cn't change your mind;

But, this love is froma distance!  
This love is far away from you;

However, true love touches the heart!
And, directs you on with righteous works.

Edward Kofi Louis
There Is Joy In My Heart

Love!
You will come to me and,
I will answer your questions;
I will be with you in your troubles,
I will deliver you with care! !
And I will honour you with the muse of the truth;
Because there is joy in my heart.

Edward Kofi Louis
There Is Judgement After The End

Love is the key;
Sure, cure, pure!

Why should they worship the moon?
Why should they worship the stars?
Why should they worship the sun?

Mankind has forgotten the Maker for objects;
And the heavens watch in silence because,
There is judgement after the end of all things.

Edward Kofi Louis
There Is No Hope

There is no hope in this war to save you,
For you gave no credit to my words and you lied to me! !
But the sword of war is now before you;
And like days of old when your people failed to understand the laws.

Now the war is seen ahead of you and,
You have nowhere to hide! !
And there is no hope to save you;
Because you failed to give credit to my words when we first met.

Edward Kofi Louis
There Is No Love In This Room

I don't laugh in this room,
I don't smile in this room,
Because, there is no love in this room.

Edward Kofi Louis
There Is No Love In War

The hand of the truth is the hand of love,
And, the hand of lies is the hand of war!

Peace is like a bright light presented with love;
But, war is a destroyer!

My heart smiles when I meet love;
But, there is no love in war.

Edward Kofi Louis
There Is No Love In Your Heart

Wicked fellow!
There is no love in your heart,
That is why you killed your neighbour last night.

Edward Kofi Louis
There Is No One Else

Sarah died in Hebron and was buried there,
But my love is from Tiphsah to Gaza.
Of your name so sweet on my lips and the works of life,
I have come from a distant land because of your love;
So come and warm me up my sweet love.

Of the blood of warfare in times of peace,
Of the thick darkness that covered the land that no one could see;
For Yahweh is the Father and, there is no one else.
Of a lovely young woman that you are,
Come and sit upon my throne of love my lover.

Of a wedding gift of love to you and,
I am from gaza with peace to you all;
Of the gate of heaven to gain and the life around us,
But my love to you is from Tiphsah to Gaza.

Sarah died in Hevron and was buried there,
For the same law is for the native and the stranger.
Of your love so sweet to be with at all times,
Of the works of man to satisfy a woman of his heart!
Today i am with you alone my sweet lover.

Edward Kofi Louis
There Is No Truth In You!

Illegal lust,
There is no truth in you!
Spreading your falsehoods all the time;
And, being a lair.

Edward Kofi Louis
There Is Still A Way

Life,
Whenever the road is tough!
There is still a way, when there is no bridge over the river.

Life!
Coming back again through the back door;
And, whenever the going is tough!
One needs to be focused always;
And, to look ahead.

The carting!
Caprices of the act;
With painstaking events.

Edward Kofi Louis
There Is Time For Everything

The day of love,
The day of life,
The days of your works,
The days of your Degrees,
With the ways of nature!
The day of peace after war,
The day of joy after gaining your freedom,
As written in Ecclesiastes 3: 1-8;
For, there is time for everything in this life.

Edward Kofi Louis
There She Is

Beauty!
There she is;
The woman of whom i spoke to you,
This beautiful woman,
The very one to carry your heart away.

Edward Kofi Louis
There She Was

There she was and there she stood,
In the air of emotional feelings to meet her lover;
And the 12th of August 1999 was this special gift placed in his room.
Emphasis, love, via a brief visit on her status;
But the impact felt was the fundamentals of the knowledge around,
With the cooperative act of her secret garden.

She can't really get over him and,
He can't really get over her as well;
For they were classified among the generous acts of love.
Today she is refreshed from her mind and the adventure,
Of the muse of love that attracted her;
For the day came for her to muse with her secret garden.

Edward Kofi Louis
There She Was  Ii

Den, then!
To remember this day;

Then, hen!
With delicious acts of love from her sweet romance.

Send, spend!
In the remote place of the wilderness of her love;

Her breasts were bulging out with milk!
And, there she was with her nakedness.

Edward Kofi Louis
There Was No One To Save Them

Terror! !
Death,
End;
The people cried out for help but,
There was no one to save them.

Edward Kofi Louis
There With Your Love

Here,
Hier,
Heir,
There with your love.

Edward Kofi Louis
There You Stood Naked

You were caught completely naked trying to have sex with another lady,
For your doors were forced opened! !
And there you stood naked before the law.

Who should have handed you over amicably?
Is it the general populace or the pivotal of your act?
Or, the huge crowd of professional mourners around you! !
For you killed the first lady by raping her;
And, her pre-burial service will be remembered as well on this case,
Because, you were caught completely naked trying to have sex with another young lady!

Edward Kofi Louis
Thereafter

Life!
Try to learn from your mistakes and move on;
By doing the right thing,
Thereafter.
Muse!
In the nutshell;
Grapple, dapple, apple!
But, try to learn from your mistakes and move on,
On a positive note.

Edward Kofi Louis
Therein

Therein,
To hang in there;
Peace and love!
With the muse of the truth.

Edward Kofi Louis
There's No Love In Your Heart

Wickedness,
There's no love in your heart!
That's why you killed your neighbour.

Edward Kofi Louis
There's Nothing That We Can Do

Hooked!
In the same race,
And we both know that;
There's nothing we can do,
Living only with hope! !
To gain our freedom one day.

Edward Kofi Louis
These Apples

I am an open book to your heart,
I am the mirror that you look at daily;
Come and touch this sweet apples of mine.
I am the mirror of your love and,
My sweet apples are nicely prepared for you only;
Come and taste these apples.

Edward Kofi Louis
These Bombs

German soldiers at my backyard,
Russian soldiers at my backyard,
American soldiers at my backyard,
The world's soldiers at my backyard,
And like cultures at different places;
But, history is all about life.

What is your name? !
'My name is St. Louis';
What is your mission?
'My mission is to see to the peace in this world';
What is your vision?
'My vision is to conquer the world with love'!
'One head, two eyes, two ears';
'One nose, two legs, two hands';
'And, to tell the people what the future will be like'.

Soon a bomb will blast omewhere! !
Soom many people will be killed;
And like the cultures of these people around me,
For, they are always after destruction than peace.

To others, sex is like a chewing gum to them;
To others, wars are like a laughter to them;
And now, this world is preparing for war and we are running out of time!
But tell me, which of you have no past in this world?
However, some of you are still working hand-in-hand with Satan the Devil.

These bombs are falling on us today,
These bombs are killing us today,
And hatred is leading mankind to destruction!
Because, some people are really working hand-in-hand with Satan the Devil.

Edward Kofi Louis
These Idols

Signs and wonders! !

And, of all the images made by mankind on earth;

They have mouths but, they cannot speak!

They have ears but, they cannot hear!

They have eyes but, they cannot see!

Nor is there any breath in them;

Yet still, people do worship these idols.

Edward Kofi Louis
These Knives

Why walk around with a knife in your pocket?
Are you afraid of yourself? !
Or, do you want to kill somebody around you?

It is a shame that you have a knife in your pocket,
But stop this act of negativity and live and let us live;
Like the satus-quo of Romeo and Juliet.

You claim to go to church but,
There is a knife in your pocket!
Infact, this act will not take you to heaven.
So, do learn for the better than stabbing somebody with these knives.

Edward Kofi Louis
These People

There is no decent burial for these people for,
They have hatred all around them!
But i will try to change things when i come.

Edward Kofi Louis
These Things

On the Island of Patmos,
Let these things be in you;
And to have knowledge means to be temperance,
But the key of life is all about love.
To be temperance means perseverance,
To endure perseverance leads to hiliness;
And to be holy is to have kindness!
For kindness leads to love,
And love is the key to all things in life.

Edward Kofi Louis
These Two Faces

These two faces,
These two appearances,
These two images,
These two men,
Appearing to me to understand the realms of life!

Edward Kofi Louis
These Two Women

These two women jog around always together,
But their husbands can hardly walk!
And to the river side to write this muse,
For the place of prayer is now occupied by the waves.

Small country and big love,
Last but not the least in the name of love;
Big country and small love,
Last but not the least in the name of care;
But these two women are always on the road.

Edward Kofi Louis
These, Theses!

Members,
Each and every one of them;
Ur, urban!
But, build up your body and your mind with the positive things of life,
For, you don't plant mangoes and expect to harvest groundnuts.

The muse of a strong buffalo in your land,
Living side by side with the muse of nature;
members,
These, theses!
And, to see the things promised to you.

Every man, every woman, every child!
To obey the works of the truth ad to live in peace on this earth;
Mule, rule!
With the honour of the laws of peace;
Bringing joy to the hearts and, to unite the land.

Edward Kofi Louis
They

Oh Sarah! !
Why should they steal your phone?
Now they have cut you off from my line and of your contacts;
But i have another way with my muse to touch your sweet heart.

Edward Kofi Louis
They 2

They got jos when i was still jobless,

They built houses when i was still homeless,

They bought cars when i was still penniless,

But, i was developing my talents by then;

And, i have learnt a lot from my teachers.

Something funny and, something real!

With the fairy tales of the deer and the cat;

Along a wide opened path! !

With replenished faculties and remembering the facts of life;

They were very far ahead of me!

But today, my works are well known all over the world.

Edward Kofi Louis
They Are

A son came out of me and i called him Adam,
A daughter came out of me i called her Eve,
And today they are my children!
But the bush came and covered their nakedness because of you.

Edward Kofi Louis
They Are Lost!

They were passing out collection plates and singing a lot of songs,
But the Creator watched them quietly because they are lost!
For their people commit adultery and walk in lies,
But yet still the same people do love them for what they are doing.

Edward Kofi Louis
They Are Now Sick

The ylove the pig and,
The eat the pig;
And now, they are sick by the pig!
Without any cure for them.

Edward Kofi Louis
They Breathe Violence And Hatred

Evil people!
They breathe violence and hatred;
Like a broken vessel,
Terrorism!
Plotted together;
To take away the lives of others.

Edward Kofi Louis
They Changed It

The truth,
They changed it and admitted what they did! !
Accepting lies to cover up the face of the earth.

Edward Kofi Louis
They Don't Want It

They don't want it,
The truth;
As they support lies!

Edward Kofi Louis
They Have

They have eyes but they can't see!
They have ears but they can't hear,
They have noses but they can't smell,
They have the truth but they can't get hold of it!
And, for the lack of wisdom my people perish;
All in the hands of Satan who had been able to deceive the whole world!

Edward Kofi Louis
They Killed Her

They killed her!
With the muse of a negative culture;
Trying to get to me,
But, i was not in there! 
As they came to my residence.

Edward Kofi Louis
They Made Long Their Furrows

They made long their furrows,
Like the olive plants in the garden of love;
Furrows, burrows!
But, do not be like the grass on the house tops;
For, the farmers have now made long their furrows.

Edward Kofi Louis
They Only Destroy Others

Liars!
They don't know the way to peace;

Liars!
They don't know the way to the truth;

So they gossip about,
With no truth in them;

Liars!
They only destroy others;

With their negative acts and,
Their works.

Edward Kofi Louis
They Only Love Lies

Strange!
The people are so deceived that,
No one can turn them from their deception;
They only love lies!
Than the works of the truth,
Always looking for trouble.

Edward Kofi Louis
They Preach Lies

False prophets!
lying preachers;
They preach lies.
Deceptions!
Lies,
False versions,
Leading the people blindly,
Away from the truth! !
However, if a blind person leads another blind person,
Both of them will fall into a ditch.

Edward Kofi Louis
They Prowl The City

War! !
They prowl the city;
Sadness,
Destroying and killing.

Edward Kofi Louis
They Raped Her

They raped her till she died!
But a stone falling from heaven will judge them one day;
For his earth is full of negative people.
Let them fall back to learn from their mistakes! !
For their toes were like their woes;
And they attacked this lady like their foes,
But does that save the dead body? ! !
For these people raped her till she died.

Edward Kofi Louis
They Raped The Lady

The transgressor always conceives iniquity,
And anguish to the status of their muse is the law of disorder!
Supplications,
Recompense,
Ashamed;
And they raped the lady in the name of war! !

Edward Kofi Louis
They Sat Down

They sat down to eat a meal,
To come up with the works of peace;
With the joy of their hearts! !
Dinner,
Abel, able!
With fine wine to satisfy thier muse.

Edward Kofi Louis
They Walk In Lies!

They walk in lies!
The commit adultery,
They commit fornication,
And, they strengthen the hands of evil doers;
Like the ways of Sodom and Gomorrah.
Stubborn minds of the earth!
Who walk about in lies;
With the muse of their evil ways.

Edward Kofi Louis
They Will Be Judged One Day

Focus! !
They are trained to go around shooting people;
And, they are ready to kill!
However, they will be judged one day.

Leaving home,
To another land;
Of a new culture and a new people to meet!
However, you hate me because of my colour.

Work and experience,
Of the sacrilege! !
The Price of freedom;
But these people are trained on how to kill others,
As they go around killing people.

Edward Kofi Louis
They Worship Trees

Theses are Christians and they worship trees!
But, red: 'Jeremiah 10: 3-4' and learn from it;
For the same thing goes on every year!
Either the tree is cut from the forest or bought at the market,
All in the name of a festival!

Edward Kofi Louis
Thick Darkness

Flames of fire! !
Thick darkness,
As your sorrows overwhelmed you;
With the fire causing the waters to boil!
However, do not send a false report to the people.

Edward Kofi Louis
Thicker Than Water

Blood is thicker than water and love is stronger than death!
But be as wise as serpents and as harmless as doves;
For many are those in sackcloth with ashes upon their heads,
Because this world is not fair in many ways as i do see it.

Edward Kofi Louis
Thief! !

I don't need any flowers from you!
For, i've got enough flowers in my garden.

A walk in Sapin,
Pain, chain, train, rain, drain, grain, Cain, main, stain train;
And there you will meet a lot of people ready to offer you free flowers!
But, do watch out! ! For they are pick pockets! !
And, in the process of offering you these flowers, another picks your purse.

Edward Kofi Louis
Thigh, High!

Instructions,
Set before you;
Thigh, high!
Before your eyes;
Accordingly,
Being part of the plan.
Set, net, pet, let, bet, wet, met!
Respected;
But, the doers of the laws are those selected in,
For the works of righteousness.

Edward Kofi Louis
Thigh, High!

06: 58 A.M. in the land of your muse;
Life!
Hold me out of this place;
Because, i am a star.

Crab, crap!
I am a star so,
Hold me out of this place.

Rate, irate!
As if the sky is watching me from above;
On this Island of nakedness.

Edward Kofi Louis
Thilo

The first temple,
And of the love of the Creator to guide Solomon;
For the Dead Sea Scrolls are there for us,
But all the churches do teach traditions today.
Thilo, you are like the God Theo of the Greeks!
But try to look for the Book of salvation and,
You will find it always closer to you.

Edward Kofi Louis
Thing, Thin, Tin!

The mouths of wisdom are the mouths of righteous words,
True love reflects in your eyes when you have one in your heart;

Thing, thin, tin!
The mouths of wisdom are the mouths of righteous works,
Love by the sea of joy.

True love puts a smile on your face always!
Which touches your heart as well.

Edward Kofi Louis
Things Are Not Going On Well With You

Things are not going on well with you in this life,
Because of the conditions in your room with your wife;
All the same, don't give up on your dremas!
Be very patient and move on,
Be humble and wait for the glory of Father Yahweh Almighty;
Rhombus, rhomboid!
Life is like a slanted square and a slanted rectangle at times;
So, don't give up on your dreams,
Move on and, try to overcome the obstacles on your way.

Edward Kofi Louis
Things That Are Right

The water of the river,
The depth of my love,
The narrow path!
Along the way;
Black buffalo tears,
But, let your teacher teach you the truth.

The muse of life,
Without the past there is no future!
Like the muse of a political impasse;
And, to palm off! 
But, the heart is deceitful.

Love!
Like a tree planted by the waters;
And, with things that are right,
Under the muse of the laws.

The accident!
Cause by the driver;
The pregnancy!
Caused by the boy;
But, the writings had been long on the walls.

People are very much afraid of their own shadows!
Because of their evil ways on this earth;
But, let us seek for the truth and seek for peace,
And be in the house of prayers to restore the mind.

What is the curse when, a poor man's money is stolen? !
The chainging of the earth,
With the ways of mankind;
Of the illogic and the conflict of interests.
Plus, plush!
Expunging the records;
Lurch, church!
But, let life be at peace with the things that are right.
Think

What do you know about love when, you have a gun in your hand?!

Think before you act!!

You are about to use the gun! And, you still say that, you have love in your heart.

Edward Kofi Louis
Think 2

Think! !
Ink,
With righteous morals;
But, it will sink!
And it will stink! !
With the muse of hatred and war.

Edward Kofi Louis
Think 2

Life,
Think!
Before you act;
Think!
With the right mind;
Able to honour the truth,
Than accepting evil works.

Edward Kofi Louis
Think About It

Do you love me?

Think about it;

Because, i love you.

I need you by my side,

My sweet one! !

My beautiful one;

Just think about it.

Edward Kofi Louis
Think About Others As Well

Life,
Don't think about yourself alone;
But, think about others as well,
And, let us all live in peace.

Love,
Like the muse of the balck and white bird;
Flying up high in the sky,
So, try to think about others as well in this life.

Costome, custom!
With the muse of your life,
With the muse of your works,
With the muse of your love;
But, try to think about others as well in this life and,
Live in peace with all.

Edward Kofi Louis
Think About The Children

Sunlight and moonlight,
The UBS-Stick is now with us;
But think about the children you've left behind.
I love you more than words can say,
And like the mountain of sugar in the land of my muse;
But do remember me when all goes well with you.

Edward Kofi Louis
Think And Retrain Your Mind

Love!
Think and retrain your mind to the positive direction.

Yes, we need peace always in earth;
Thinking about others and, doing what is right.

Love!
Changing for the better;

Sharing with each other than,
With the bullets of war!

Edward Kofi Louis
Think Before You Act

Say who you are but,
Not what you know;
And think before you act!
Because, violence does not help us,
So, let us live in peace to love one another;
Because, there is no love in war! !

One love, one peace;
One care, one unity;
Let us fix the world together with true love than war!

Change and let us change! !
Yes, for the better;
Than the bullets of wasr and the hatred around,
For, we are all under the sun.

Edward Kofi Louis
Think Before You Act 2

One man's meat is another man's poison! !
So, don't let your poison kill your neighbour.

You are about to use the bomb! ! ! And, you still say that, you have love in your heart;

The red line! Seen on your face; but, think before you act in life.

Rites and traditions! With the cultures of the people; but, let there be peace on earth than war.

Edward Kofi Louis
Think Before You Act II

Life!
One small action can change the future;
So, think before you act.

Half-full, half-empty!
With the ways of your life;
In your land.

Precedent!
Obnoxious,
With the restriction of all ages.

The muse of life,
Think before you act!
Because, one small action can change everything.

Edward Kofi Louis
Think Before You Act!

Where is your love?
Where is your heart?
Think before you Act!
And, let your works be salted with righteousness.

Edward Kofi Louis
Think Before You Speak Out

Ask yourself what you want in life;
Is it for peace or, for war? ! !
Think before you speak out,
Because, we need to save the earth than,
To destroy it.

Edward Kofi Louis
Think Deeply

Think twice,
Deeply! !
Think deeply,
Before you leave my door.

Edward Kofi Louis
Think Of Me

Do you have love in your heart? ! Then think of me;

Do you love yourself?
Then think of me;

Do not hate me! !
Do not hurt me;

Stop the bombs!
Throw the bombs away;

Let us live in peace,
We don't need war! !

Do you love me?
Then think of me.

Edward Kofi Louis
Think Positively

Keep your characters running very smoothly!
And be prepared to do the right thing always;
For honesty is the policy of moral excellence.

Think wisely and think positively,
And never let the consequences of your actions sink in!
But the needful things in life should be guided always with love.

Finder keepes and the loser weeps,
But the thing for you will never get missing!
And like your people and your inheritance;
But the time machine will always be closer to us.

Think positively just like the first time,
Because, the highest heavens are watching you! 
And, be very productive to overcome every trouble in this life.

Edward Kofi Louis
Think Twice

The truth is needed in life! !

Is it my fault in telling your the truth?

Then, think twice;

Before you cut off the head of your neighbour!

Edward Kofi Louis
Think Twice  2

'Get out of my face'!
That was your words;

'Get out of my room'!
That was your words;

'I don't want to see you again'!
That was your words;

However, anger doesn't solve any problem in life;
Temper!  
Think twice before you act.

Edward Kofi Louis
Think Twice 3

Is
This
What
You
Want?!

Art,
With life;

Muse,
With colours;

Birth and life!
Birth and death;

The muse of mankind on earth,
With you and me;

Is
This
What
You
Want?!

Then think twice;
Because we need peace than war.

Edward Kofi Louis
Think Twice On This Love

You are always accessible to me and i have to helpm you!
So, why are you crying today?
Is it because of the death of your brother?
Then think twice on this love;
Because i came along to see how best i can also offer in my help,
For yo and i have been struggling for a very long time to survive.

Edward Kofi Louis
Think!

Think!
Because, i am the ink that you need;
Able to satisfy you in all respect.

Edward Kofi Louis
Think! ! !

What kind of mind is this? !
Do you really know who Satan is?
Then think twice;
Because, you can't throw stones against Satan.
Open your mind! !
Go deep,
For, we have heaven and hell;
And, Satan had captured the minds of many on earth today!
In the name of customs and traditions.

Edward Kofi Louis
Think, Ink!

Writing is my way of life,
Flowing with the muse of na mind!
No matter hard it is,
Facing the odds of life,
Think, ink!
With the muse of my pen;
From a realm,
To touch the hearts of many,
As one goes along my lines.

Edward Kofi Louis
Thinkers

Thinkers,
World of powers!
To distribute love,
To share the bond,
Do, psuedo!
With emotional outlet.
The phenomenal,
With the delight of love;
Warm!
With the peace of the mind;
Warmth!
With the light of the truth;
Reflections,
Thinkers!
Shaping the world;
Fantastic! !
With the muse of peace and unity.

Edward Kofi Louis
Thinkers 2

Visions! !
Of thinkers to meet the times;
Please, teach me if you love me!
But, with the truth.

Edward Kofi Louis
Thinking Of Her

Thinking of her always,
Having her in your mind always,
Like a message to the Romans in Rome;
To see the sea,
But, try to till the land and plant your seeds.

Edward Kofi Louis
Third Hand!

First hand,
Second hand,
Third hand!
And like the muse of your love;
But, i am really the one that you need.

Edward Kofi Louis
This Act

This act,
This act of yours!
It was all planned ahead;
Then, the bomb exploded! ! !

Edward Kofi Louis
This Act Cuts Across

This act cuts across nationality, race, creed and religion;  
But, i am hooked up to your love!  
And, i really know that you do care for me.  
The fact is, when girls turn loose, they become harlots! !  
And, when boys turn loose, they become problematic;  
But, i will still wait for you on this side of the river.

Edward Kofi Louis
This Act Of His

He nonchalantly puffed at his act!
As he stared menacingly at his prey;
This act almost derailed the whole show,
With the muse of the new contract!
It was wild and wonderful,
Cordial and constructive,
For i have learnt my lessons well;
A fascinating trip with my mind!
This act of his,
Invigorating, intriguing and vet.

Edward Kofi Louis
This Act!

This act!
It is against nature;
Your evil work! !
Going against the laws of the truth.

Edward Kofi Louis
This Art Work

The love of a muse,
The pen of an artist,
This ink work will teach many yet unborn.
This art is from a realm to guide you,
This art work is like a mustard seed aroun you;
It is original!
It comes from a realm unknown;
It will inspire you.
This art is real to abstract your minds,
The innovative nature of my mind to you all;
It is the act of my dreams beyond imaginations!
This art will teach many,
It will inspire you all that love the muse.
This art work,
It is like a mustard seed;
It will grow to give you joy!
It is like the muse next door,
It will touch and influence you;
This art work is all that i have as an artist
This art work is never known,
It is called, 'Pen-Painting Graphics Abstracts'.
This art will teach many,
My innerself from the realm of imaginations!
This art will teach you;
But, the artist is never known.
This art is from a realm to guide you into my heart,
This art is from a realm to bring you into my world,
This is the love of a sweet muse to you all;
This art is from the pen of an artist who,
Is yet to be known.
This art is here to stay,
This art is all that i have for you all;
Cos', he who proves his skills proves his realms.

Edward Kofi Louis
This Back Pain

This back pain is more than the niddles of operation;
In chains! !!
In pains,
With the troubles of life,
And with the eyes of the blue sky watching you.

Edward Kofi Louis
This Behaviour

Unlawful lust,
This behaviour;
Bringing destruction to yourself,
Raping young girls and women!
Thinking that you've won;
But, this sin is hanging on your neck! ! !
Because, you've taken what doesn't belong to you;
Yes! You've destroyed someone's private property.
Illegal lust,
With eyes full of fornication and adultery;
While destroying the world with your sins.

Edward Kofi Louis
This Black Cat

This black cat,
Always found around a black bat on the same tree;
And, an old man came along watching them with his black hat on.

Edward Kofi Louis
This Boat Is Sinking

Why, oh why? !
Why do i have to struggle on this earth like this?
For i am on the high sea and my boat is sinking;
Yes, this boat is sinking! !
How many rivers do i have to cross?
For the boat i am using is now sinking;
Do i have to dive into the sea or walk over it?
Why, oh why? !
I don't even know how to swim and,
How many rivers do i have to cross?
Why, oh why? !
Do i have to sink and see the ocean floor?
This boat is sinking,
This boat is sinking,
This boat is sinking!
Why, oh why?

Edward Kofi Louis
This body is sick
This body, sick;
this body does not think before acting!
This body is ready to kill his or her neighbour,
This body kidnaps people,
This body rapes people,
This body is sick;
This body is ready for war! !
With hatred in the mind.
This body,
This body is sick and,
Needs help!
This body is ready to behead ghis or her neighbour,
This body is ready to burn his or her neighbour alive! !
This body is sick;
This body does not think before acting!
So, this body needs help;
Because, this body had not been taught the truth.
This body,
This body is sick;
This body does not know the truth! !
The truth of life,
Which is under righteousness;
For love, peace, unity and joy.

Edward Kofi Louis
This Boy

This boy is disturbed in life and,
This boy is about 16 years old;
But this boy is somebody who will shoot with the gun!
For he is ready to buy one on the way and,
Ready to aim at his enemies around

Edward Kofi Louis
This Boy And This Girl

I have to help this boy and,
I have to help this girl as well;
And with the sensual experiences of my love!
But self sacrifice is better than the hatred of this world.

Edward Kofi Louis
This Cannot Be The Way!

This cannot be the way!
Because, your acts are full of profane;

Sport, port, sort!
You left your doors wide opened and, the thieves came in.

This cannot be the road!
Because, it is full of thorns;

Sea, sear!
Dancing with the war macine;

Bath, bathe!
But, you are promoting Satan with your works.

Edward Kofi Louis
This Ceremony

Teen, seen!
Like magicians with their secret arts in the land;

Ants,
Gnats,
The doorframe;
That doorway! !

This ceremony,
With harmony;
With humour in the sight of the truth!

The food,
Prepared for them;
Quest, request!
Eaten inside the house.

Arm, rearm!
Trajectory,
Rearward,
But, the medium of love will always bring joy to the hearts than war.

Edward Kofi Louis
This City Wall

This city wall is preventing me from seeing you,
But i am still entrusted with the stewardship to serve your love;
And i am now free and i belong to no man!
But gone are the days when i was a servant to all.

Edward Kofi Louis
This Common Era

Of this common era,
Everywhere!
With everything
Knowing that, anything is possible in life.

Life,
With something for your lover;
But, let the truth teach somebody far away from you!
Because, someone has to pay for the bills.

Edward Kofi Louis
This Day

This day,
Let it be real!
For peace and love than,
With the bullets of war.

Edward Kofi Louis
This Day  2

Love,
Live,
Like,
Lake,
Life,
Line,
Lane,
Line,
Lone,
Lean,
Link,
Leak!
To say,
This day.

Edward Kofi Louis
This Dream

Every week i hope and pray,
Every step i act and wrok;
And, evry step i take,
I move with my spirit!
To do the works of peace.

Love,
To expect success!
And, this dream should fulfil itself one day;
For, every step i take,
I do it with the muse of love.

Text, pretext!
With the muse of my steps along the lines of peace;
Love!
Sheer bliss;
Muse!
At the fore;
However, every week, i hope and pray.

Edward Kofi Louis
This Energy!

This energy!
This love,
This flavour,
This realm,
This place,
This world,
This force!
This aroma,
This atmosphere.
With the muse of the universe;
Living in peace,
In unity,
And, in the truth!
Going along with the laws of righteousness.

Edward Kofi Louis
This Evil Act

Rape! !
Having sex with her;
Raping the 14-year-old girl!
This evil act.

Edward Kofi Louis
This Evil Place

Oh! Take me out of this evil place;
For the soft wind is now on my cheeks.

To the fields of love,
To the land of peace,
To the country of joy!
Please, take me out of this evil place.

Evil voices in the air!
With the barking of dogs;
Darkness peering,
Like red eyes' angry glare!
With a wearisome guest.

Edward Kofi Louis
This Evil World

A mother is impregnated by her own son!
Why?
This Evil World.

Edward Kofi Louis
This Face Is Lovely

This face is lovely!
Waiting for you;
So, do come in.

Edward Kofi Louis
This Face Is Very Sad

This face is very sad! !
There is something wrong about it;
Who will help him or, her?

Edward Kofi Louis
This Foul Thing

If something smells very bad around you and you can still not feel it like i do then,
Take it as it is in your own environment! !
But the smell of this foul thing is still around you and in the air!
And many who walk around will surely hold their noses.

Edward Kofi Louis
This Frozen Meat

It was just,
Just one night;
It was just,
Just one tree;
To release it and,
To let it relax.

This frozen meat!
To warm it and allow it to be soft;
Once again in the land of joy.
it was just,
Just one word;
It was just,
Just one ward;
Word, ward!
To warm the frozen meat once again.

It was just,
Just one land;
It was just,
Just one tribe;
It was just,
Just one race;
To release it and, to let it relax.

Edward Kofi Louis
This Gift

I thank you very much for this gift,
Because your love is 1,000 kilometres away from the Sahara;
But one day you will find my home in Niger.

The big one,
Your love is like the big tree next to me;
And tonight i will sleep well on my bed of roses.

Come and let me sleep with you my love,
Because i want to smell the flowers of your sweet love;
And like once upon a rich man's treasure in the bush,
For he love to buy cars ans he bought a lot of women as well!

Edward Kofi Louis
This Gift That Is In You

Do not neglect the gift that is in you,
And let no man despise your youth! !
But try to be an example to the believer in words and in conduct,
And willing to learn with humility!

Edward Kofi Louis
This Guilt

Illegal lust!
With destructive devices invented by you;
Only for war! !
Because of hatred.
Lust,
You have this guilt;
Because you raped this girl,
In the village.
Illegal lust!
You've thrown away the truth;
And now, you are living in sin.

Edward Kofi Louis
This Is Gold

Cold,
Old;
But, this is gold!

Edward Kofi Louis
This Is I

Life, love, peace;
This is i!
The one taking to you;
So, listen to the muse of my lovely heart.
I want to see you and see the smile on your face!
The smile of true love;
Like the muse of a king,
Like the muse of a queen,
Like the muse of a prince,
Like the muse of a princess! !
Life, love, peace;
Talking to you,
For, i am the one talking to you.

Edward Kofi Louis
This Is It

This is it!
Open for inspection;
House for sale,
Grandma's house.

Edward Kofi Louis
This Is It!

And it is all about your exposed body;
But your love is as sweet as the mango juice,
However, i will remember you always of your act in London.

Edward Kofi Louis
This Is Lagos

'This is Lagos'!
And you have to be very careful to learn from what you see,
For life over here is faster than Harlem in New York!
And it is faster than the bee as well.
Life is very hot and rough over here in Lagos,
But it goes along with the wise and the fool;
Since the people are always ready to share with you.
'This is Lagos'!
And it is too real to believe what you see at times;
But this place is still part of Nigeria.

Edward Kofi Louis
This Is Me

This is me,
This is my work;
This is me,
This is my poetry to you;
Oh life!
So long,
So long in the bush;
But, my faith will lead me on,
In search of you!
You only;
For, you are always in my heart and,
In my mind.

Edward Kofi Louis
This is my land,
this is my home,
This is my country,
Ghana! !
A land of my hope,
In Africa!
a land of peace,
A land of joy,
A land of love;
This is my land!
Where i was born and,
Grew up;
Knowing who i am today.
The muse of life,
With you and i!
To you,
With you,
Towards me,
With my mind;
Sharing and caring,
With the muse of my dreams;
With you,
This is my land!
The land of my identity,
The land of my dreams,
Born into this world! !
From this side of the Blue Planet;
Born in Ghana,
With the muse of my parents.
This is my land,
This is the land of my birth;
Ghana!
In Africa;
The place of my birth.

Edward Kofi Louis
This is my name,
'Colours'! !
As we sit around this table with love;
Because i need life and you are here with me.
The colours are you and i and we do see them around,
And this is the name of love!
For you are so beautiful to swing with me in the world.
Of the love to share with you and of the muse that tolls,
Because you are all that i need to expose my name;
And of the colours from a realm so sweet.
The muse of your love is what i share,
But you need colours on this love;
And like the colours all around us,
For that is all about my name so sweet for you to touch.

Edward Kofi Louis
This Is My Name II

This is my name:
My name is in you and my name is peace;
My name is joy!
My name is love,
My name is care,
My name is kindness,
My name is without the bullets of war! !
My name is unity,
My name is humility,
My name is hospitality,
My name is moral character,
My name is understanding,
My name is listening,
My name is sharing,
My name is learning,
My name is following only the right things,
My name is all around you and, i am only the positive things in you!

Edward Kofi Louis
This Is Right

Children!
Obey your parents;
For, this is right.
Honour your father and your mother,
So that, it may be well with you;
For, peace and joy are found in the valley of love.
Take up the laws and, let them guide you!
Along the line,
All day long;
With the delights of the truth in everything.

Edward Kofi Louis
This Is The Voice

This is the voice of peace!
This is the voice of love,
This is the voice of your choice! ! !
Knowing what you want from me;
A humble soul,
A soul of peace and true-love,
A soul that touches the hearts of many,
For the unity of the earth than war.
A soul of joy! !
A soul of mercy,
A soul of humility,
A soul of kindness;
With life!
Far from the works of evil if you want the truth;
To base your life on righteous works for the peace of the earth.
A soul that teaches others,
A soul that needs peace than war!
A soul of the people,
A soul that forgives,
A soul that unites than divides;
For, the earth needs Righteous Teachers than, those are ready to destroy the earth;
A soul that says: -'I am sorry' when, there is a mistake along the line.

Edward Kofi Louis
This Is What You Need

It may be that, this is what you need!
From me,
And, i am ready to give it to you;
Free of charge.

Edward Kofi Louis
This Issue

A mouse in the house,
Eyes to see and ears to hear!
Trying to show up your full hands on this issue.

Edward Kofi Louis
This Job Of Love

Host, most, lost, cost, post, frost, ghost!
On the coast of love;
And, the fishermen left what was enough for me.

You dwell alone in the land!
With a well beside your house;
But, i can feel the signal of your sweet love inside me.

Figures and images!
Controlled by the minds;
But, this joy of love at the coast is, what i need to be able to touch your heart.

Edward Kofi Louis
This Joyous Message

Love!
This joyous message;
Quail, squeal!
To satisfy your muse.
Expression!
Wonders will never end;
Led and trained in love.
Like, likeness!
Brought up with love;
Love, lovely!
To satisfy your muse;
Smile, mile!
To learn with understanding;
Fore, ore!
To ge guided with the laws;
Throne, one!
To be very wise;
Golf, wolf!
And, to overcome all aodds.
Love!
This joyous message;
And, to live in peace.

Edward Kofi Louis
Meeting once again!
With the code of compassion;
And like the flying bird,
That's what I am;
Flying around the world with my muse,
Able to touch the hearts of many with the style of my poetry.
Show, shower!
With the showers of love like a fish from the pond;
Bringing food on the table to satisfy mankind,
And, with the gladness of the hearts at peace.
The light,
The spirit,
Shining! 
White,
Of a bright face;
Taking you into another room.
Race, ace!
With the muse of sweet love to share;
Meeting you once again,
In the land of peace and joy.
Lights!
Movements,
Like candles;
In a room,
Able to touch the hearts of many with the style of my poetry.
Torch, touch!
With the muse of love;
This joyous message,
Like the safety of the high places of the forest! 
And, with the reward of the truth to motivate your works.

Edward Kofi Louis
This Letter

Please, give this letter to Mrs. Robinson;
Because, i saw her daughter in the bush! !
And, she told me everything that occured in the house.
Slight! !
To the scene,
To catch a glimpse,
Closure in sight;
The real case,
Pointed it out,
Demanding answers,
Sad and dejected in life's own colours! !
In life's own works,
And, she confirmed the story.

Edward Kofi Louis
This Life

This life is taking me further,
This mind is bringing me closer,
This world is far from my reach;
But today, i have the muse that muses.
This life and its struggles,
With hope of being great one day;
When will the open door come to me?

Edward Kofi Louis
This Life 2

This life,
In this life!
Facing the odds,
Struggling along;
With positive morals.

This life!
In this life with my muse;
Going along with my works,
Facing the odds of life! !
But, with my dreams.

Edward Kofi Louis
This Life Of Love

Love,
Evocative!
Intensive;
This life of love.

Aura,
Cloverleaf,
Clementine,
Aerialist!
Victory.

Red plums,
garden sentry,
Rum!
Intensity,
This life of love.

Plums,
Wet and wild!
With spatial intuition;
On this life of love.

The time,
The dime,
The lime,
The prime!
Of his love and her love.

Edward Kofi Louis
Hear my words oh you men,
Listen to me oh you that have knowledge;
Because i am the gold of Ophir among the stones of the brook;
But naked i came out from my mother's womb.

I am like the boundary between the light and the darkness,
And like precious crystal and the precious onyx;
But the price of wisdom is above rubies!

I am like the precious sapphire and the precious coal,
And my mind is like the path for the lightning bolt;
But my steps are bathed with the cream of love,
And like the precious pearls in the land of your muse.

Listen to me when i speak,
For my council is like Mount Everest far up high! 
And i am the eyes to the blind in the land of joy.

The old men rose and the old women gathered around,
And like a smelter for silver;
But i am the feet to the lame.

Listen to me oh you that have ears,
For a place of gold is now refined like my name;
But upon many will this light shine unto;
For my love is sweeter than the red apples in your hands.

Edward Kofi Louis
This Little Place

The eyes of a dying man,
The eyes of sorrow to share with many;
the eyes of a dying woman,
The eyes of sadness to leave for many;
With the blinking of the eyes i do write my mind.
In homely places,
To fill the hungering hearts of men;
In weary of love,
To fill the hungering hearts of women;
Of old times from the sea of love to,
The burials of the dead gone by!
Like the flames of a fire to build up your love.

I have spoken,
I have written,
I have read;
Of the dreams and visions that grow plain to share.
How should i dine when no one buys?
How should i mourn when no one dies?
Hoe should i dig when no one plants?
How should i burry when no one dies?
Clear to all men's eyes,
This little place in me is left alone.

Edward Kofi Louis
This Love

This love,
Proven by wisdom;
But, it was very far away from me,
So, i couldn't hold on it.
That which is far off and,
Exceedingly deep!
Who can find it?

Edward Kofi Louis
This love,
Paneled with pine!
Engraved with palm trees,
With the works of peace:
Beautifully with the muse of the truth.

Edward Kofi Louis
This Love 2

Laws of life,
Works of peace,
Songs of love,
With the fragrance of nature;
This love,
To look forward to it;
With the aroma of the truth.

Edward Kofi Louis
This love,
It is Mathematical!
With a signal from afar.
Waiting,
Optimistic! 
Scattered rhythms of love;
Skipping along,
With the muse of this love.

Edward Kofi Louis
This love,
In love with you;
Oh my sweet one! !
Seeing you,
With your joy!
On this love.

Edward Kofi Louis
This Love 5

Let this love give you what you are after,
To satisfy the joy of your heart!
After many years of depression.

Edward Kofi Louis
This Love 6

To beg the rain to stop and to kiss your lips!
This love is just about how you feel;
List, last, lost, lust!
To train your mind with the joy of your heart.

Light, delight, love, and spiritual satisfaction!
Respect to life,
Living with the muse of nature;
This love is just about how you feel.

Edward Kofi Louis
This Love  7

This love,
Delivered by you;
Only with positive morals,
Able to teach the truth.

This love,
Noted by you;
This love is all that i need!
Flowing along like a river,
With the muse of the truth.

Edward Kofi Louis
This Love Is Between Us

This love is between us but,
Sometimes we are far away from each other!
This love is with us,
However, it changes when you travel away from me;
Moreover, I still have you in my mind.
Whenever and wherever,
But I am here always with you in my heart;
For, wherever you are,
I will still be with you on this love.
Others may write in,
Others may call in,
But your love is what others do not understand;
All the same, other than what they so say,
I still love you.

Edward Kofi Louis
This Love Of Mine

This love of mine,
Please, listen to your heart's beats! !
Because, this love of mine is calling for you.

Edward Kofi Louis
This Man

This man makes me laugh a lot and I love him,

It will take two sober minds to maintain peace and order!

For we have something in common.

I can see clearly now! For the rain is gone;

Still waiting for this man to come my way.

Love and life!

Love and dreams;

This man’s laughter touches my heart deeply.

Edward Kofi Louis
This Man Gave Me His Sperms

This man gave me his sperms,
Because, i requested for his sperms;
And, he gave me his sperms for free!
I became pregnant,
And i gave birth to you.
I hid the pregnancy from him! !
Because, i thought i could handle things alone;
I waited till my belly was fully blown out! ! !
Then, i came to him and told him about what his sperms had done to me.
He gave me his sperms for free! !
Because, i wanted a child dearly;
And, i gave birth to you.
After my pregnanacy,
I gave birth to you my son!
And i hid you from this man because, i thought i could handle things alone
without his support;
However, after 30 years, i came to him and told him the whole truth about his
sperms.
I also told him about you my son!
As i told you about him being your father;
Thanking him for offering his sperms for free! !
Which enabled me to become a mother.
I am glad today! But, you may hate him or, love him today my son;
However, what i know is, without his sperms, you would not have been born.

Edward Kofi Louis
This Man Is A Teacher

This man is a teacher!
So listen to him and,
Let him teach you the ways of the truth;
For, the truth is the key about life.

Edward Kofi Louis
This Marriage

I have married a dictator,
He dictates and I obey;
I have married a thief,
He steals and I enjoy of his loot;
But I know one day his cup will be full.
I am worried and,
I don't know how to get out of this marriage.

Edward Kofi Louis
This Mountain

This mountain,
This mountain's view!
Is all that i have.

Edward Kofi Louis
This Natural Poem

This poem is natural and,
It is flowing through the air to touch your heart;
So, if you read it now,
You will surely understand who we are on this earth!
For every new change needs a new start.

Colour your life with much changes and,
Colour your life with true love!
Then you will understand the muse of this natural poem;
And like the joy of peace in the land of many rivers.

This natural poem,
Said, paid, maid, laid, aid, raid;
In the Twelfth Moon and,
On the twenty-fifth day of the moon!
For i am always found in the city when you need me;
But the military servive was taken over by your neighbour.

A network,
A royal guard,
A bronze top!
Encircling it with the muse of love,
And like the poorest people with close associates;
But the famine in East Africa is so severe! 

Edward Kofi Louis
This Night

Where do lovers go at night?
Where do lovers sleep at night?
And of your patience and coolness to express your will;
But, i will follow you this night to know where lovers go to.

Edward Kofi Louis
This Noise

The noise that disturbs your neighbour is like,
A swimmer without a life-jacket!
But, I will live to lead you on peacefully;
However, this noise around you is like a hammer hitting the head of the nail.

The noise that disturbs your neighbour is like,
Creating the silent war within your neighbourhood!
And like the heart of a summer around many others;
For, I know when it matters most.

Try to learn and try to live with one another,
Try to do your best without disturbing your neighbour!
For, this noise will surely not bring you peace among them.

Edward Kofi Louis
This Pain

I will not be chasing butterflies because of your love,
For this pain should go away from me;
Then, i will be free! !
Because, your attitude looks so strange to me at times.

I still do not understand you my love!
But, try to learn how to live peacefully among people;
For, i am always shocked of your behaviour!

You always direct your stress towards me! !
And, you have made blood and unclean meat part of your life;
That is why you are always behaving this way.

You need honey, butter, molasses and milk to make you like a child!
Because, i am a man under laws;
And, i know my left from my right! !
So, rise up to the truth and live peacefully among people.

Edward Kofi Louis
This Pain 2

Suffering,
This pain! !
There's going to be an end to it.

Edward Kofi Louis
This Person Needs Help

What is this? !
This person needs help;
So, let us help him or her.

Edward Kofi Louis
This Picture

This picture!
Of a new beginning;

Valley flower!
Red flower;

Base, case!
Like red flowers in a vase.

Edward Kofi Louis
This Place Of Love

This place of love,
This place of joy!
This place of peace;
Beautiful! !
Wonderful is this place.

Edward Kofi Louis
This Planet

We are killing one another but,
We are all living on this planet called Earth;
And i do have the bag of my Dad from Bagdad.

This planet is nice and of a lovely place for you and i,
But we've made it look like a place of dead!
For we've created the bombs to kill one another.

Edward Kofi Louis
This Poem

The love of a muse like Orange Street,
The pen of a writer like Banana Street,
This poem will teach many yet unborn.
From Marcus Garvey to Haile Selassie,
From Haile Selassie to Bob Marley,
From Bob Marley to all;
This poem is from a realm to guide many.

No bones for the dogs,
No fish for the cats,
Like the life in Guantanamo Bay!

Honey for my child,
Chocolates for your children,
Molasses for us all to learn from eachother.
This poem is like the White City Stadium,
This poem is like the Montego Bay,
This poem is like St. William Grant Park,
This poem is like the life in Downtown Kingston,
This poem is like James Bond Beach,
This poem is like one walking through Trench Town,
This poem is the Mustard Seed that grows around you,
This poem is to all mankind,
This poem will teach many yet unborn;
For, life is all about us.

Edward Kofi Louis
This Poem 2

This poem is a sign to you,

This poem is with many minds;

Scorched by the heat of Africa! !

This poem is with love than hate.

Plant vineyards of peace in life;

Sow and reap the works of the truth!

With true love to all mankind,

Like the unity of the Rainbow Colours.

Edward Kofi Louis
This Poem 3

This poem is not what you want but,
You will read it;

This poem is the poem of poems!
And, the writer is not yet known;

This poem will make you sleep peacefully when you are drunk!
Because, this poem is the light of the truth.

This poem will wake you up at the right time and teach you;
This poem is about love than, hatred and war! !

This poem is about real love;
And, love is patient and kind!

This poem is about positive morals on earth,
This poem is like the righteous laws beside you;

So hold on to the works of the truth and live,
Without hurting your neighbours.

Edward Kofi Louis
Continual praise!
From the day I met you;
And, this poem pertains to you,
For, the truth is with you.

Your works of love,
Brought to my attention;
And, to respect your ways,
Able to understand each other.

Edward Kofi Louis
This Poem Is For You

This poem is for you;
To be with you and to care for you,
When i am not around.

This poem is for you;
In your loneliness,
When you are lonely.

This poem is for you;
To put a smile on your face!
With love; when you are sad.

This poem is for you;
To show you the way!
With the works of righteousness.

This poem is for you;
Always having you in my mind,
And to care for you.

Edward Kofi Louis
This Poem Is Like Your Beauty

Unimaginable! !
Beautiful poem,
To look on with love in admiration;
Without the judgements of our lives.
Myself,
Yourself,
Ourselves;
Beautiful!
Wonderful poem;
To look on with love in admiration,
Without the judgements of our lives.
The mindful ways of love,
Fellow, follow!
But, this poem is the poem of love;
And, this poem is like your beauty.
The true self,
The true love,
The real us!
Of pure love and beauty;
So, do watch the mirror once again in your nakedness! !
And, you will understand what i am saying.
Tackled,
Overshadowed!
Replaced,
Ideologies;
But, this poem is like your beauty.

Edward Kofi Louis
This Poet Is Always Beside You

You are reading my poem but,
This poet is never known;
However, this poet is always beside you.
I am on your lips and,
I am in your mouth;
I am in your heart and,
I am in your mind;
Because, this poet is always beside you.
This poet writes and others read,
This poet speaks and others listen,
And this poet is always beside you;
But, this poet is never known.
The works of this poet are on the internet,
And, they are being read by many! !
But, this poet is never known;
However, this poet is always beside you.

Edward Kofi Louis
This Precious Stone

Childless!
And many are lost in the wind;
But in the matter of my innocence,
They took the exits without delay!
And I am now at the entrance of my lover.

All men and women are merely players,
But as you do love something so will you like it as well;
For all the aspects of life in the world are like a stage!
As you may like to use it so you may like to eat it as well,
And like the school boys who were late today;
For they've impregnated their female mates.

What makes you very grief on this matter?
And to quench your fiery indignation;
But let no such a man be fooled and,
Let no such a woman be trusted as well;
For the world is like a stage to all of us and,
The royal throne of love is always around us!
But many are still childless.

Boat, coat, moat, goat;
The precious stone is set in the middle of the sea,
But under the canopies of love and with the sound of the wave;
For the power of your romance is lulled with the sweetest melody.

Forgetfulness is part of mankind but your city of love is like,
The doors, the rooms and the gates of your passion;
For the flint of knives are here to cut out an image from your ivory.

Naked and barefooted,
True love is sweeter than wine;
But I am like the carved image from the ivory in your hand,
And like the precious stone set in the middle of the sea.

Edward Kofi Louis
This Pregnancy

Cracked illusions,
And of the rendezvous of my pregnancy;
And i will never forget the last night.

A time of wheat and a time of love,
With apologies to the victims of the world;
But this pregnancy is dedicated to my lover.

Of man's curiosity,
I've spent 40 years starving for success!
But i am now pregnant for my lover,
And it is like the era of globalization.

Please, somebody should tell him who i am;
For i am carrying his baby and with the traditions,
And i an now with the cracked illusions.

Think twice before you close that door on me,
For the final count-down is on this pregnancy;
And the rendezvous is all that it takes.

Edward Kofi Louis
This Red Apple

Take a bite out of this red apple,
And take your love across the moon!
Being lovely,
Being thankful,
Being attractive,
Being beautiful,
Being handsome,
Being useful,
And to appreciate what you have on this love.

Edward Kofi Louis
This River

The laws,
The laws of the land;
You can't just jump over the bullet when,
Crossing this river.
This river of peace,
This river of love,
This river of joy!
There are regulations in the land when,
Crossing over this river.

Edward Kofi Louis
This Road

This life,
This road,
This work;
Even in sadness,
I will still write to encourage others,
For, life is not easy at times.
The valley of tears!
To the burial place;
Because of war,
But, this beautiful jewels cannot buy back death.

Edward Kofi Louis
This struggle,
The road ahead!
I still haven't found what I'm looking for.
This road ahead,
Facing the problems of life!
I still haven't found what I'm looking for.

Edward Kofi Louis
This Road Of Life

I know who i am but,
I am alone on this road of life;
Maybe, my case is like yours!
Over there in another land,
All in the name of life;
When one seeks for opportunities.

Edward Kofi Louis
This Room

Your sweet smell of an aroma is all over this room and,
You are the river flowing into my heart;
And like the cocoa from Ivory Coast with a sweet taste,
You are all that I need in this room.
Come and make love to me and,
Let me bear you children;
For your sweet smell of an aroma is all over this room.
This room is made for you and I,
This room will surely take us to the skies!
For you love is the only one needed in this room.

Edward Kofi Louis
This Sad Dam

The dam is dried up and there is no water for us,
But how can our tears flow down to fill this dam?
For the laws of mankind hangs on our necks always and,
Who will help this sad dam?

Human errors and nuclear weapons!
The first day is a working day and I need your help;
So drop down the weapons of war and let us save this dam.

Now, get the facts straight!
It started with Eve and it is now all around us;
And the human laws have affected the water of this dam;
And now we have no water to drink from it.

This sad dam,
And of the writers and the readers who came around it;
But the sayings of the hidden code of love is what we need,
Because water is really life for us all!

Edward Kofi Louis
This Scarlet Cord

Bat,
Bate,
Abated,
This scarlet cord;
Encamped,
Reproached,
Facing the ways of life!

Edward Kofi Louis
This Simple Soul

Lessons,
Lessons of life;
Facing the odds! !
The odds of life,
With changes and challenges,
Troubles along the line,
With this simple soul.

Edward Kofi Louis
This Situation

I am your father and you are my son,
She is your mother and you are her daughter,
But this situation about your love is very complex!
However, i will find the way to touch your heart one day,
Because you are very angry with your mother! !

Edward Kofi Louis
This Spider World

Nine months in deep sleep,
Today a child is born;
This is the poetry of my way of life,
This is the poetry of your way of life;
Our minds to the peoples around us.

Nine months in deep sleep,
Today a child is born;
So enter into the world so sweet with,
The muse and the muses!
This Spider World is full of strings.

To and fro to make ends meet,
After nine months of deep sleep;
Of the potraits and masks of one's life,
When a child is born into this spider world.

Soft words like oil,
Smooth life like butter,
Of a joyous occasion with the muse;
Today a child is born.
This Spider World full of strings,
This act of 'to and fro' to make ends meet;
We are all in this Spider World together.

Edward Kofi Louis
This Story

Is it for pleasure or, it is for pain?!
Ask yourself with the muse of the acts towards your neighbour next door.

This story,
It feels like years ago!!
But, with the muse of your ego today.

Older and bolder!
With a warm hello from the sun;
In Africa.

Gain, again!
But, let us learn from our mistakes and,
Put things right.

Edward Kofi Louis
This Strange Fruit!

This strange fruit!
When i was sick,
It as very sweet to taste it;
But, when recovered, it was bitter! !

Edward Kofi Louis
This Strange Thing

Lust!
This strange thing;
Witness, sets, sits, sew, sews, new, news;
Lust!
Running away from what you did to the lady;
Pratt, rat, tar, at, art, Pat, tap, rap, trap!
Once again on your feet.

Lust!
Running away from what you did to the woman;
Lust!
Anger always kills a fool.
Scribed, ascribed!
To be lured in;
Lust!
To be passed into the blood stream.

Witness, wit, tin, tins, wet, wets, set, is, sit!
With the very ways of your life in this town;
Lust!
With all uncleanness or covetousness.
Lust!
Running ways from your sins;
But, one day, you will pay for them.

Edward Kofi Louis
This Strange Voice

This strange voice,
Who is the one calling?
For the voice was like someone in distress!
Who could that be?
For it was at 4: 45 P.M. on the 27th of May 2010.

This strange voice,
Who could that be?
Maybe i will know about it later;
But this person needs my help.

Edward Kofi Louis
This Suspect

He forcible had sex with her!
For he overpowered her in a struggle;
But this suspect was caught by the police after the victim reported the case.

Smelter,
Sultry,
Oppressive;
And like the dark thick forest!
But this suspect was caught by the police after the victim reported the case.

Edward Kofi Louis
This Sweet Love

True love,
To touch your heart;
With care,
To share,
This sweet love.

Edward Kofi Louis
This Sweet Love 2

This sweet love,
I believe it will be!
Between you and i;

Bid, abide!
Love is patience and kind,
Without boasting!

Love is merciful,
With the heart of humility;
Sharing and caring,
For peace and unity.

Love is life!
When the rules of nature are respected;
Respecting all mankind,
With the joy of our hearts.

Edward Kofi Louis
This Thing Called Love

What about love?

What about us?

On this thing called love;

Between you and me.

Edward Kofi Louis
This Time

Cast,
Mast,
Dust,
Thrust! !
Rust;
This time,
Breaking the laws,
The laws of the truth!
Righteous laws;
Able to change your mind and heart,
In this last generation.

Edward Kofi Louis
This Tone! !

This tone! !
Hatred;
Destroying the works of peace.

Edward Kofi Louis
This Train

This train will take me back home but,
Where is my ticket to be on board?
For i have been waiting for years on this love and,
I need a ticket to cross over.

Edward Kofi Louis
This Ugly Thing!

This ugly thing!
This ugly thing that you are doing;
Going against the laws,
And, enjoying the sins of the world.

Check it out and think about it,
Like the son of the empire!
And, the muse of the empire of the sun;
To sweep around it with your illegal lust.

Life!
Walking through your dream;
But, try to stand st the shore to watch the sailing boat,
Then you will learn from the muse of nature.

This ugly thing!
This ugly thing that you are doing;
Sleeping with your neighbour's wife when he has gone to work,
Thinking that you have something better at hand.

Edward Kofi Louis
This Very Act

This very thing,
This very act!
Leads to hatred and war.

Edward Kofi Louis
This Wall Belongs To History

Life!
With the freedom within you and,
Outside you.

Lust!
This wall belongs to history;
Living in the land of your muse.

Life!
With friendship and,
With the muse of love.

Lust!
Living for several years without a job;
But, one day, the shadows of this darkness will be over.

Edward Kofi Louis
This Wall Is Real

The call!
To all,
Mall, hall, fall, stall, install!
But this wall is real;
Facing the odds of life.

Edward Kofi Louis
This War Is Now Over

To sing for joy!  
To wait for peace,  
And to have a rest;  
From the sorrows pf the heart!  
Because of war.  
The sad notes of war!  
With vexation and wailing;  
But, this war us now over.

Edward Kofi Louis
This Wave

Where is this wave taking me to?
For i am now drawn in this river of love;
I am sinking so deep in it without help and,
I need a miracle to wash me ashore.

Edward Kofi Louis
This Way Of Life

Lust!
This way of life;
Being in the midst of the garden.
Lust!
It started in the minds of the people;
Lust!
With murderers everywhere;
And today, people cannot make the right choices.

Edward Kofi Louis
This Woman

This woman nearly died and,
I saved her life!
Then i drought her to my home to rehabilitate her;
And i proposed my love to her and promised to marry her,
But she left me and marry another when she was well!
For she has fully recovered from her past.

Edward Kofi Louis
This Woman Is A Lawyer

This woman is a lawyer!
So, watch your steps with the laws,
Before you face judgement.

Edward Kofi Louis
This Woman!

This woman!
This wonderful woman;
With the muse of sweet love.

True love!
Coming straight from the heart;
So, hang on to the truth and live.

Life!
Study and seek for the truth and live;
Love!
Choose it and be in unity always;
And, live in peace.

Edward Kofi Louis
This Work

This work is just like,
A rich person inviting you to his or her house;
But, what will you do when you are very poor?!
Just put on your simple dress.

Edward Kofi Louis
This World

There is one thing i see about this world,
People are born with hatred and they grow with it;
But this world is peaceful when we do love one another.
Let us stop these acts of hatred and bombs,
Rather let us live peacefully with one another in love.

Edward Kofi Louis
This World Is Now Sick! !

And of men marrying men and, of women marrying women;
But, the same people go to church and read their Bibles!
Yet still, they do not understand what is written down in,
'Leviticus Chapter 18' and 'Romans 1: 26-27'.

Edward Kofi Louis
This Writer Is ...

My poem is what you need but,
This writer is very far away from you!
And many still have nothing to eat around you,
For the war had brought in much suffering.

Who will like to share the cake of this earth evenly?
Who will like to learn my ways?
But try to give to the hungry and do not rob anyone!
For the war had brought us much suffering already.

Solomon rebuilt Gazer and,
My poem will surely touch your heart!
And like the government officials and the men of war;
But as it is to this day, so is my love to you.

Edward Kofi Louis
This Young Woman

This young woman,
Conceived and bore a son;
To sustain your old age,
And, she took the child and laid him on her bosom;
Taking care,
Distinguished with the muse of love.

Edward Kofi Louis
This, His!

This, his!
This love is like medicine to my heart;
With the joy of life! !
Always remembering the muse of the laws;
With postive moral characters.

Edward Kofi Louis
Thomalla

Try to compensate me with your psychological notions,
For i am virtually lipless in this game of love;
But if loving you was wrong then, i don't want to be right.

Testable! !
Like the scare of an inchoate;
But incisive as it is,
Try to compensate me with your psychological notions.

Thomalla my friend,
Do you feel the same as i do?
For i am vuirtually lipless in this game of love;
But if loving you was wrong then, i don't want to be right.

Edward Kofi Louis
Thomas

I am very nice and beautiful and,
I am ready for you my love;
So do wake up and make love to me,
For i want o cross over the River of Arnon tonight.

Black clouds and thick darkness,
My love is free for you alone my love;
So pay money for the power you use and,
Come through this great door of the wilderness of love.

She's barren and has no child,
And of a girl or two for each man;
But Thomas came in and took her away,
And my food of love is prepared for you my love.

The man came out of the dust and,
The woman came out of the man;
But today is the turn of the children!
For they all came out of the woman and,
The Creator created us all in peace and love.

Come oh my lover,
Come under the shade of love;
For i have prepared a table for you and,
I will live to guide you on.

In the Plan of the Creator we were made,
And in love i do share ths life with you;
But Thomas came and took her away.

Edward Kofi Louis
Thompson

Honourable promises,
And of my lover on the west side of the Yardan;
To live beyond this river is all that i need;
And like the prophet and the prophetess.

I am in the entrance of the city of love and,
You are in the Valley of Yezreel;
But try to hold fast to Yahweh!
For His mercy and love endures forever.

There is a place near me called love,
And be ready for the night;
Because i want to take you there for the first time.

Present yourself to me and,
Chisel out two tablets of stone like the first one;
And let me touch your pleasant places of love,
For we will bath in this river.

Like the first time and,
Like the little owl and the desert owl;
For the secret love is now revealed and,
I am ready too with my red stew.

Your name is Thompson on the other side of the river,
And of a great thinker and a great lover;
But i will be skipping up with my lovely skirt towards you,
For you are like the bed that i do lie on always!
And this night will be a special night for us.

Edward Kofi Louis
Thorns And Thistles

Darkness! !
Thorns and thistles;
Without any light on your side,
Lacking the insight of the truth!
Playing around,
With your evil acts,
Unable to bring peace to the world.

Edward Kofi Louis
Thorup

Thorup, Thor, up, hot, top, or, pot, pour!
Facing the ways of life in a land;
Along the coast to see the wonders of the sea.

Edward Kofi Louis
Those Beautiful Words

'I love you'!

Those beautiful words of love;

However, let us back up 'this statement' with,

The works of the truth! !

And live in peace.

Edward Kofi Louis
Thou Shall Not Steal

When people steal money and they are not caght,
The ycall it a blessing;
Ha-ha-ha! ! I laugh;
Because, they are far from the kingdom!
And it is written: 'Thou shall not steal' in the laws.

Edward Kofi Louis
Thought

Your naked body,
It is a nice feeling when i see you around;
But every action begins with a thought,
And i am yet to know your mind on this love.

Reinforcement,
Purpose,
Objective,
Procedure;
The continuuity of your flow is noted by your love,
And like your outlined steps to reach out to the top.

Edward Kofi Louis
Thoughtful

Important duties,
Reliable and responsible;
Let me take a closer look at your face,
Because shedding 'lion tears' will not help you.

Respectful,
Ability,
Thoughtful;
And like the proper time in one's life,
But let me take a closer look at your beauty!
For Rome was not built in a day.

Edward Kofi Louis
Thoughtful Words

Appreciation!
Inspiration,
With the muse of your thoughtful words;
Seeking for the peace of the earth than war.

Let the truth hold your hand and,
Keep you in peace;
And, let the truth bring forth righteous judgements!
Because, wisdom is gained from positive moral teachings.

Edward Kofi Louis
Thoughts

On my mind,
On your mind,
Thoughts;
But, let them with love than,
Hatred and war!

Edward Kofi Louis
Thousand Pieces

Thousand pieces of broken glass,
Thousand pieces of sweet love to share;
But fools don't go to heaven.

A bird's nest,
A soldier's boots,
Something to dig with;
But you've now humbled her so,
Take her as your wife.

You kissed her and brought her to your home,
And behind her veil with your muse;
But her wet places are now noted.

Cast lots for the two goats and,
Let her play with your muse;
For she's now with you at your residence!

Net, pet, let, set, wet, bet, get, jet, met, ret, yet, vet;
On the eight day with love to care for your lover,
And like the fat of the sin offering.

It must be eaten the same day with a pleasing aroma,
Strong and long to respect those in authority;
For her pleasing aroma brought you closer to her.

Smooth and soft from the dreamland of love,
For the fruits of her love was met by your muse;
And like fine flour mixed with oil.

Smooth and wet to respect the colours of the rainbow,
The raw flesh was what attracted you!
And of the beautiful bed that she laid on.

Just this once with the muse of your love,
So bathe and anoint yourself with love;
For the Wilderness of Egypt is like the colour of your love.

Coastline of sweet love from the great sea,
Wheedle the riddle and fiddle the needle;
And like the Vineyards of Romance at the Callers Spring.

Water came out of it and your sweet love was noted,
For she lulled you into a deep sleep!
And just this once with the muse of your love.

Edward Kofi Louis
Threadgold

I have the thread of gold because,
My name is Threadgold!
And i have my muse to share with you in this world;
But don't blame me when,
You have not seen any gold before in your lifetime.

Edward Kofi Louis
Threat

Threat,
Treat,
Heat!
Not to eat;
Violence! !
By extremists.

Edward Kofi Louis
Threat Of Invasion

Imminence!
Threat of invasion;
Wickedness,
With the muse of war.

Love,
The yield of its fruits;
Living in a nice field,
With the shield of righteousness!
Than, the bullets of war:

The slope,
Let it be with hope;
With the fruits of love than, the wickedness of war!
Awareness,
Like a snap shot! !
But, war is not the answer towards peace.

In a cave,
Hiding from the bullets of war!
The threat of invasion;
Trying to protect yourself from the evil one.

Edward Kofi Louis
Three

Meeting,
At the table;
With three people sitting for dinner,
In the Restaurant.

Edward Kofi Louis

Three attempts,
Three failures!
But, don't give up on your dreams;
For, there is hope ahead of you!
And, no one knows tomorrow.

Edward Kofi Louis
Three cheers

Three cheers to my lover and three cheers to you!
And to touch down gently in the snow for joy;
But there is something shining very brightly on you.

It was like a marvellous party last night,
But you need to be re-examined all over again because of your health;
For the 12 stones were set up as a sign for you to remember your lover.

Edward Kofi Louis
Three Days After

You secretly laid a net as a trap before me,
And three days later you fell into your own trap!
So don't let your tongue speak any evil,
For the wicked borrows and does not repay.

Edward Kofi Louis
Three Little Birds

Kettles,
Experiments,
Contours,
Three little birds!
Viewing around,
Seeing things;
Like seashells by the seashore.

Edward Kofi Louis
Three Names

Three names,
Given to me in my dream:
Noah, Yahshua and Yahshub;
Far away in a realm!
Listening to the works of the truth,
As they appeared before me.

Edward Kofi Louis
Three Postcards

Oh, three postcards to my heart;
The three postcards from Morocco with love,
They are as a souvenir to my heart.
How great you are with love and care,
How great you are with words and views,
How great you are to my heart;
Yes, the postcards of Safi to my humble heart.

Love will surely find a way,
Like the dream of dreams on important issues;
You are the one for me when it comes for love.
My heart is the soul of business when,
You are open to me;
My heart is the room of love when,
You are ready to share;
How sweet is your love?
Oh, sweet postcards to my heart;
The three postcards of love from the North,
True love transcends all borders.

Edward Kofi Louis

With the phone,
To the zone.

Edward Kofi Louis
Thronged!

Conceded,
Thronged!
Star of Africa,
Nurse, purse!
But, i do hope that, life treats you well.
Cain, cane!
I will not give up on us;
On, into!
And, i do hope that, you've got what you want in life.
Cane, McCain! !
Sugar cane,
Flow into;

The Computer is on;
And, i do hope that, life treats you well over there.

To love you more and more;

Actuators,
To regulate them;

Net, bonnet!
With a bet on your love.

Edward Kofi Louis
Through A Straw

The liquid,
from a bottle;
To drink it,
Through a straw.
Straw, raw, saw, star, tar, rat, rats, art, arts, at, as, war!
Drinking the liquid from the bottle;
With the muse of your lovely heart.
Muse!
Very delicious;
Love,
Very refreshing;
Of the drink from the bottle,
Drinking it through a straw.

Edward Kofi Louis
Through Mosheh

The Law was given through Mosheh and,
The Law is now with us;

Life!
Through slavery;
Being exposed in every society.

Seeing the muse of your act.

Through The Lens

Pens,
Dens,
Hens;
Through the lens.

Edward Kofi Louis
Through The Light

Through the light;
With the muse of the laws,
And, in righteousness.

Love,
It is all inside you;
And, one day you will understand your age,
But, life is a gift to us.

Life,
With the muse of what you see around you;
And, what i see from here in my land,
But, through the light on a positive note with the muse love.

Edward Kofi Louis
Through The Midst

The bush,
In the wilderness!
The narrow path divides it;
Walking along,
Through the midst.

In the bush!
Nature,
Making your choice,
To hear your voice! !
Walking along,
With the muse of the truth.

The path of life,
Nature with many colours!
Changes and challenges,
Peace with the muse of the truth;
Walking along,
Through the midst.

Edward Kofi Louis
Through The Pain

To walk back,
Through the pain;
And like the corn of the field!
But, your best friend could be your worse enemy.

Mirth,
Birth,
High spirits! !
Delight.

Love,
With a single route through the valley of joy!
To close in,
To view in,
With a slope;
Leading to the single route through the valley.

Edward Kofi Louis
Through The Veil

Through the veil and,
To draw near with your true heart!
To touch someone,
With positive morals,
In full assurance of the faith.

Love,
Washed with pure water;
Without wavering!
Touched with the muse of the truth,
With a promise,
To meet the joy of your heart.

Here and there,
Hear!
Near,
With your love;
Like the lighthouse,
To hope for the best always.

Edward Kofi Louis
Through The Wilderness

A mighty man of valour!
Through the wilderness;
As far as the Red Sea,
But, let the truth anoint your heart with righteous works.

Edward Kofi Louis
Through This Time

Through this time,
Through this world,
Words and works,
With the muse of life;
Writing,
Reading,
Listening,
Learning,
Living,
Teaching,
Reaching out!
Throughout,
Touching the hearts of the people.

Edward Kofi Louis
Through Your E-Mail

The two poems came to you thorough your E-Mail,
And like a shore-hugging path;
But the death toll came along with the muse of this war! !
And like a monstrous Hurricane along the way.

Voodoo,
Vodka,
Voracious!
But the two poems came to you through your E-Mail;
And like a joyful woman in the land of your muse,
But you left the money behind! !
And like the death toll after the monstrous Hurricane.

Edward Kofi Louis
Throw Away All The Guns

Shades of red,
Ted!
ith the muse of life;
Your life,
Going through life with your works in the land.

Shades of blue,
With the blues of love!
But the Creator's Eyes are everywhere watching us;
So, let us keep the Ten Commandments and live in peace,
With each other without racism.

Shades of purple,
Muse, use, fuse!
Not to refuse your works;
Your positive works,
Teaching and preaching,
Reaching out to all.

Miles away!
With the smile on your face;
Like red and white corals,
Deep down there! !
In the ocean of peace.

Various works,
Various times,
In different ways;
Past, present and, towards the future! !
Writing and educating,
With different styles,
Through the works of peace, love, unity and joy!
Like lovers,
The two;
With the muse of positive morals.

Earthly,
To let it down,
To expose it,
To show others the way;
Leading to the truth.

Life!
To teach me,
But with the laws;
Guiding me along,
With righteous laws.

To set the example,
With righteous acts!
Along the way,
The road of righteous morals.

Love!
With the sense of desire;
To come in at the right time,
With the muse of the laid down laws,
Righteous laws.

To be joyful!
Satisfied with the muse of the truth;
Of all things,
To do what is right;
Seeking for peace always.

The reflection of perfection!
On earth,
With positive morals,
With righteous laws,
Serving all mankind with the gratitude of the laws,
With the joy of your heart,
Servitude and attitude,
To thank the Creator Almighty always.

War is not the answer towards peace!
So, throw away all the guns and let us live in peace;
Following after righteous laws,
To love your neighbour like yourself!
And do what is right.
Throw Away Your Guns

Love is sweeter than wine,
Love is sweeter than war!
True love heaks all wounds;
So, throw away your guns and,
Live in peace with each other.

Sleeping under the big apple tree!
Jealousy is as cruel as the grave;
And i know where you dwell in this town,
But, love is as strong as death! !

Many will run to and fro!
But, war is not the answer;
Lame, flame!
Throw away the guns and live in peace,
For, love is sweeter than wine.

Edward Kofi Louis
Throw, Row!

How?
Throw, row!
To show the facts,
With the muse of your works;
Action! 

Now,
Grow,
Glow!
Not with a blow.
Cow, bow!
Slow,
Follow,
Fellow,
Not with an arrow.

Edward Kofi Louis
Thrown Out

Your were thrown out in the open field because,
You were despised on the day that you were born;
But as i passed by and saw you in your blood,
I took pity on you and saved your life.

Your are now matured enough because you've had another time to live,
And i thank the Creator for using me as a tool to save you and make you live;
But you are noe like the bud that grows in the field,
Because you’ve grown up attractive breasts!
And you have to watch your steps with the boys and the men around.

You were naked and bare with blood all over you when i saw you,
But today your hair is nicely grown in the name of beauty;
So eat my food of love and listen to my advice!
And let the days of your past teach you wisdom all the time.

Edward Kofi Louis
Thrust, Rust!

Commissions,
Omissions,
Sorrow, misery, anger! !
Malfeasance and the Mission of one's life;
To reap where they have not sown.
Ranks and files!
The betrayal of trust;
Like a trip down the memory lane.
Thrust, rust!
We win by practicing over and over;
But, many are those who want the short cut.
Thrust, rust!
Like fallen grapes;
In a walled city.

Edward Kofi Louis
Thunder And Rain

Thunder and rain!
To water the land after the storm,
To bring joy to the people,
After years of drought.

Edward Kofi Louis
Thunder, Under!

Diseases,
Come and see! !
For the earth is mourning;
With the muse of our sins in the world.
Thunder, under!
With the muse of our diseases on earth;
Failing to accept in the laws of the truth,
With the muse of righteous works.

Edward Kofi Louis
Thurman

Thurman, Ur, man, ran, hut, hat, an, nut, ant, tan, art, tar, rat, mat, mart, arm, ram;
Supper, super!
You arrived at the spot with the muse of the your lovely works in the land of the living,
As the fingers of love displayed the colours of the rainbow to all in the room.
Lend, end, send, tend, trend!
Of the legend,
With the secret of your love and, the secret of your life in the village of your joy!
But, the secret mountain is now in your view.

Edward Kofi Louis
Thwarted!

Illegal lust!
Without fear,
Taking away what is not yours;
With force! 
In the name of hatred and war;
Thwarted!
With the the works of your hands against others.

Edward Kofi Louis
Thy Rest

The rest,
To sleep,
Quietly,
After it;
Sweet love,
Sweet dreams!
Sweet life;
With peace and joy! !
At the best place.

Edward Kofi Louis
Tic Tac

Traders in the land,
Investors in the land,
Commercials! ! With the muse of the Economy of the land.

Traders and workers of the land,
Accepting the muse of the buyers here and there!
Commercials! ! With the beauty of the land.

Edward Kofi Louis
Tic Tac Toe

Touch me with your love!
Insight with the muse of your joy;
Comforting me with your passion.

Tender love,
Ages! Perfect with,
Compassion.

Teaching me the way,
Opening the doors of the truth with your hand,
Entering into another world together.

Edward Kofi Louis
Ticked Off!

Ticked off!
On clean sheets;
Prove, improve!
To move on;
Going forward.
Love,
Hopefully with the muse of the laws;
by doing the right thing,
And, living in peace with your neighbour.

Edward Kofi Louis
Tic-Tac-Toe!

Tic-tac-toe!
Tic-tac-toe,
Tic-tac-toe;
On the way,
Back in town! !
After visiting my hometown.

Hate no one!
But, love everyone;
With the muse of the truth like,
The approach of the light of peace.

Off, offshore!
Offshore wind;
Pleasant,
Visible on the coastal line.

Blinks, links!
With the characteristic of a kerosene incandescent burner;
Stair, star!
Previously,
But, slant it and, end it well.

Art, architect!
Love has a perfect heart and, it is ready to help others.
The romance of the sea!
Tic-tac-toe;
Back in town after visiting my hometown.

Edward Kofi Louis
Tidings

Do not be afraid!
For i bring glad tidings of great joy to you;
And this marriage is all about your great beauty! !
But i really love you.

Edward Kofi Louis
Tieku

The pride of your love is nearer to you;
But, i am who i am in the land of peaceful minds.
This love is about you and,
You are who you are in your land!
Chosen to be prideful with your acts.
The muse of life!
This love of yours has now been brought to us;
In this village to know your name as Tieku,
But, your pride will lead you to nowhere.

Edward Kofi Louis
Tiger

Tiger,
Trigger,
Bigger!
Ready with your gun.

Edward Kofi Louis
Tiger Und Ziege

Tiger und Ziege,
Der Tiger fraß die Ziege!
Und das Leben beginnt und wir hoffen auf die Freiheit,
Aber das Leben kommt immer wieder dazwischen uns.

Lexus-Mode zum Frühstück,
Alles war wie ein Traum!
Aber nun ist es da,
Und der Tiger hat die Ziege gefressen.

Edward Kofi Louis
Tigers and goats,
And the tigers ate up the goats;
But they will get the signals when the church bell rings,
And like Medo-Persia, Greece and Rome!

Edward Kofi Louis
Tight

Sight,
Slight,
Right,
Insight,
Tight,
Alright.

Edward Kofi Louis
Tightly Sealed Together

Things,
Thoughts,
Thighs, tight!
Right,
Sight,
Shields,
Tightly sealed together;
With no air between them.

Bright!
Light,
Insight;
Love,
Like the eyelids of the dawn!
Because, you can't change the past.

Edward Kofi Louis
Tiguan

Tiguan, tag, gun, gain, in, an, ant, tan, giant!
But, do not lust after foolishness;
For the right choices made on earth bring us peace than war.
The truth,
To wear it on!
Like a crown in your heart;
Life and peace,
Love and joy in the land of the living where the laws rule.

Edward Kofi Louis
Till

Till, will, fill, hill, ill, still, bill, drill!
But, time will tell and, love will care for you;
And like the muse of your sweet love in the land of the living,
With the sweet aroma of life.
Come to Africa! !
And let me take you around;
To visit my home and, to taste the life of peace.
Muse, use!
Coming to Africa;
To meet the people and the animals! !
Very important like the coffee and tea in your land,
Because, it has been a while hearing from you.

Edward Kofi Louis
Till The End

Freely!
Free will;
Still with your love,
Till the end.

Edward Kofi Louis
Till The End Of Time

Open your mind and open your eyes!
For, you are not alone;
And, i will wait for your love till the end of time.

Edward Kofi Louis
Till Wee Hours

Free!
Like a tree;
To see the cultural dance of the people,
Like a flying bee! !
Till wee hours.

Edward Kofi Louis
Tilting

Tin, tinny!
Calculate her Money and, give out the total amount to her;
For, true love is not found in this room.

Tilting, it, tin, in, tilt, gin;
But, true love is not found in this room;
So, i will go where love is.

Collection,
Droplets,
Under the sea.

Digress, dig, dress, rig, is, side!
Beneath the Tower;
But, true love is not found in this room.

Edward Kofi Louis
Tim

Of the infidels of the East and,
Of the Christendom's Shrines;
But the crown of your thrown is like the feet of a bear,
So be very wise to handle issues of love.

Constantinople,
Open to the gates of war!
And with the culmination of things shared around,
But this muse will teach you my King.

Tim,
You are hellenized to deceive the eyes!
But the mouth of the lion is like the place of war.

Edward Kofi Louis
Tim II

I am jailed because of your love!
And, i am like a naked chef in the kitchen;
Acts and patriotism!
The outcome is from the harmony of your love;
But, the expectation had led me to jail.
Enough is enough my sweet Tim! 
But, it pays to enrichme with your love.
Rich, enrich!
To make this act available;
Road, abraod!
To provide information;
Love, dove!
To defend your love with my muse;
And like intellectual property!
But, i am jailed because of your love.

Edward Kofi Louis
Timber

To so as you have requested!
Timber,
Logs,
To cut down the trees;
To haul them down to the river,
To float them in rafts by the river,
To the place you indicated to me.

Edward Kofi Louis
Timberlake

I am like the timber in your lake and,
My name is Timberlake;
And i knew you before you came to me because,
I saw you among the beautiful ladies last night.

The sky is red for a fair weather today,
And your love is as white as light!
But watch your nakedness in the mirror and see what you need to change.

Edward Kofi Louis
Time

Time,
Lime,
Dime;
Whoever,
Without a crime.
Whatever,
Awareness;
Wherever,
Forever! !
Ever and ever;
With the muse of life.

Edward Kofi Louis
Time 2

Time,
Life,
Peace;
Talk to me,
Let me hear you voice! !
Before time runs out on your side.

Edward Kofu Louis
Time After Time

Time after time,
Love after love,
Work after work,
Birth after birth,
School after school,
Life after life,
Flight after flight,
Light after light,
Joy after joy,
Rain after rain,
Food after food,
War after war,
Flood after flood,
Dance after dance,
Song after song,
Prayer after prayer,
Lessons after lessons,
Street after street,
Poem after poem,
And muse after muse;
But we are all part of the system.

Edward Kofi Louis
Time After Time  2

Work after work,
Day after day,
Time after time;
All in the name of love.

Edward Kofi Louis
Time And Tide

Day by day and time by time,
But who will bring me to the fortified city of love?
For men of low degree are but a vapour and,
Men of high degree are but a lie!
But i will seek you early my love
For time and tide waits for no man.

Edward Kofi Louis
Time And Time

To remind you,
Time and time, and time again!
Time and dime,
Lime and rime,
With the muse of the crime in the town.
To remind you,
With the muse of time;
Along the hour to the day and,
With the duty of your muse.
The muse of life!
With the prime time;
The muse of love!
To remind you time and time again;
Dime, riime, crime, time, prime, lime, grime, mime!
Time and time, and time again.

Edward Kofi Louis
Time And Times!

Time and times!
To see the light,
And, of true-love;
From the lone voice of one man.
Love!
With the laws of peace;
Love!
The secret of the universe;
Fin, finished!
With the muse of love;
And, to lead you onto perfection.

Edward Kofi Louis
Time For Everything In Life

Time to gather,
Time to scatter!
Time for everything in life;
With You,
With your love;
With me,
With my love;
With us! 
Living on earth.

Edward Kofi Louis
Time For Wisdom

Of many churches springing up like mushrooms in Africa,
But how many souls are they able to save?!
And this is the time for wisdom,
For the churches had been more than the congregations around.
There are so much troubles in this world but,
Who really brought about them?
And like a treacherous quagmire road with no footing at all,
For we have created the troubles for our own selves on this earth.
Of many churches and of newly grounds for more!
And like a severe invasion of extreme importance;
But let wisdom be your better-half on this earth,
For we have more to learn than hiding the truth.

Edward Kofi Louis
Time Of Need

Time of need,
There is gold chain around your neck;
But, i have seven years of harvest to share with you.

Edward Kofi Louis
Time Of Trouble

Sin! !
Time of trouble;

Darkness,
With the negative acts of mankind on earth;

Seen everyday!
With the muse of the wicked ones living among us.

Edward Kofi Louis
Time Out Of Prison

To him or her who teaches,
But was mocked;

To him or her who writes,
But was stopped;

To him or her who works,
But was sacked;

Now tell me,
Which way is better? !

Out of the bed and,
Straight to the food!

Time out of prison;
Like a red dragon coming out of the river.

Edward Kofi Louis
Time Out To Serve

Great man!
Great poet;
Save the world with the truth and,
Let us change from our evil ways.

Base your mind on the colours of the rainbow and, let us come together as one!
In unity to love all mankind.

Let the truth be on top of your list and, live in peace with your neighbours;

Time out to serve! ! With respect and the joy of your heart;
Let righteous works be on top of your list.

Edward Kofi Louis
Time To Rest

Plan,
Clan,
Land;
You went through a lot!
Now it's time to rest.

Edward Kofi Louis
Time To Shine

Lime,
Time,
Vine,
Wine,
Dine,
Fine!
Time to shine;
With the muse of your joy! !

Edward Kofi Louis
Time To Shine  2

The right time,
The right moment;
Time to shine!
Dine,
Fine,
Wine;
Pine, line!
At the right time,
At the right moment,
Dreams! !
Dreams of love,
Dreams of life,
Time to shine.

Edward Kofi Louis
Time To Shine!

Dine,
Fine,
Wine,
Time to shine!
Facing the ways of life,
With the romance of nature;
Love story! !
Time to shine.

Edward Kofi Louis
Time To Sit Down

It is time to sit down on this side of the river!
For, the landlord and the landlady are now asleep;
Watching the flow of the river and to flow with my mind,
Then comes the Seventh Day for the Sabbath.

Tides of the river!
With the sense of entitlement;
Knowing what to do when i get back home,
To give bannanas to the monkeys and carrots to the rabbits.

Words of wisdom! !
Works of life;
With the love that i share in the land,
Presenting my mind to the world.

Edward Kofi Louis
Time To Wake Up

Lake,
Sake,
Time to wake up;
Truth!!
To wake up,
With the muse of my mind!
Muse,
Fuse,
Brake, rake, take!
Use,
The cake;
With the muse of the truth,
With the muse of life,
Make,
Sake,
Shake!
With the aroma of nature.

Edward Kofi Louis
Time Will Decide

Time will tell and,
Time will decide!
Going through the problems of life.

Edward Kofi Louis
Time Will Tell

Ghetto life,
Ghetto pain,
Ghetto dreams;
The vision is still in progress.
Of challenges,
Towns of sorrow;
But life still moves on.
Mission in progress,
Heart of love;
This is the message to the Big People.

Earth, Wind and Fire!
Earth, Roots and Water! !
This is a message to the Small People;
Like, the thirty pieces of gold.
From man to woman,
From woman to baby,
Thirty pieces of silver;
Time will surely tell one day but,
Time is still longer than a rope.

Moving on,
Life is like thirty pieces of bronze;
So, don't let the glasses fool you.
Just one size,
Just one wear,
Just one move,
Just one time,
Just one shot,
Time will surely tell one day.
Ghetto life,
Ghetto people;
Time will tell.

Edward Kofi Louis
Time Will Tell  2

Watch what you are doing to me! !
Hatred is not the way to peace;
I am also a human being!
One day, time will tell.

Edward Kofi Louis
Time Will Tell  3

Spell, sell!
Illegal lust;
You are now laughing at me because,
I have chosen to follow the works of the truth!
However, time will tell.

The judgement day will tell it all,
Seeing the pleasures of this world! !
Time will tell;
Bell, well, shell, hell, fell!
With your evil works,
The horror of your terror! !
Going against the works of the truth.

Edward Kofi Louis
Time, Maritime!

Soft system,
No frost;
Blade steel.

Lost, cost, post, most!
With fish balls and meat balls;
But, 'think before you ink'.

Time, maritime!
To a Secret Place;
From dusk till dawn,
In a forest full of secrets.

Edward Kofi Louis
Times And Seasons

Work with your hands to gain the morrow,
Like the times and the seasons;
Lead a quiet life to mind your own business,
Like the hopes and the dreams in our missions.
See that no one pays evil for evil,
And pursue that which is righteous always;
Highly in love,
In all my distress and affliction;
Praying night and day like,
The pains of a woman with child.
Can the fig tree bear Olive berries?
can a grapevine bear figs?
Who is wise and understanding among you?
Work with your hands to gain the morrow.

Edward Kofi Louis
Times Of Trouble

Times of trouble,
The wicked in their pride pursues;
To ride high with the muse of evil works!
Aside from what i do see around me.
Oh! Life! !
With my heart's desire;
Facing the odds,
Quest! !
With the request of the humble.
Mouth to eat with,
Ear to hear;
To see all that goes on around me today!
Times of trouble,
To be around,
Facing the odds of life;
But i will always long for the truth.
Now i will rise up! !
To stand up tall with the muse of the truth,
Seeing the wicked on every side;
My mouth!
Not to hide the truth.
Vile! !
Vain,
With the muse of mankind on earth;
But my trust is in the name of the truth,
Not to be moved nor shaken! !
With the works of the evil people around me.

Edward Kofi Louis
Time's Tunnels!

After 50 years with my life;
But, i am still looking through the dark end of the tummel before me,
And, waiting for the light to come out of it one day.

The rules of life!
Always with the codes of love;
But, 'Ladies First'! !
All in the name of the muse of mankind,
But, i have learnt a lot after 50 years.

Life!
Of love;
Life!
Of hate;
Life!
With the muse of peace in the land of joy;
At, art!
However, my best friends have become my enemies today;
Due to one reason or the other.

Life on this earth,
Combined with hate and love;
But, why is mankind like that?
With, killers and thieves.

Cash is king!
In the Electric Room;
'La Esquina'!
Money is defence;
And like the muse of a sofa at the centre of your room.

Ecstasy!
To drop out;
And like a blind barber sitting next to you.
Time's tummels!
Camp VI;
JTF Guantanamo! !
And, like a blind barber at work.
Edward Kofi Louis
'Tinashe'

City of light,
City of love;

Teas, sea!
'Tinashe', hen, hens, sine, she, his, is, as, at, neat;
City of light!
City of love;
having a world of life and, a world full of love.

'Tinashe', Tina, ash, has, sea, tea, eat, ate, thin;
But, with your lover waiting under the reflections of the mirror! !
However, the Creator created us with love.
Imagine!
To meet love and to see your face;
But, from Eber came the Hebrews.

'Tinashe', hit, this, tan, tins, hits, shine, the, heat, in;
Story, category!
Buffalo,
Donkey,
People! !
Cow, horse and monkey;
Easy view,
Busy minds and nice works!
With lovely powers and the muse of love,
But, in the sight of men and women.
Edward Kofi Louis
Tindy

Violence never solves problems but ture love does,
And you are beaten path to your door.
Write to me and i will reply,
For the 'Mayhem in Dagbon' will not solve issues as well.

Tindy my love, cement your love on me and let me teach you;
Because, democracy must make Justice a reality.

Edward Kofi Louis
Tinga

The shining hour,
Hell Tinga in the land of my muse;
For the war on drugs have killed many,
And like the starving ghetto people everywhere in the world.

Edward Kofi Louis

Whoever hears about this news will tingle,
For Mubarak and Raheela have been crashed by the shore!
And of their blood which came out like the flood.

Edward Kofi Louis
Tingodden

Tingodden, den, end, god, tin, in, go, on, gone, one, do, it, done!
Tones of life,
Bones of the dead;
History! !
His story,
Your story,
Her story,
My story,
Living on earth!
Facing the the odds of life along the line.
Gods and Goddesses!
Playing games with us;
Mankind,
With  positiveness or, negative acts to destroy the world! !

Edward Kofi Louis
Tinna

We can achieve it together,
So come and let me know your mind;
Because i have something to share with you,
And i am Tinna in your neighbourhood.

Edward Kofi Louis
Tino

She does what she wants and has no status of love at all!
And she talks like a female fool who has no understanding;
But bring out your hand to me my love,
For i am Tino from the bush of love searching for you.

Edward Kofi Louis
Do what is lawful and right always on this earth;  
Because, pride will lead you to nowhere.  
Do what is acceptable by their laws;  
And, by so doing, you will live on to the next world.  
The muse of life!  
The soul that sins will surely die;  
So, be very wise in your speech and in your words;  
By living in peace with your neighbours.  
The muse of life!  
This message is to you my friend;  
Tiokor is your name and, I want you to learn from the truth always.

Edward Kofi Louis
Tip, Pit, It!

Ten horns!
Ten kings;
For a time,
A short time,
And, for a purpose.

Tip, pit, it!
Teach peace to the world than war;
Because, war doesn’t bring us peaxe,
As you killed her with your sword.

Life,
With torment and sorrow because of war!
Late,
Desolate;
Through her,
And, with your wicked works upon her.

Edward Kofi Louis

My children are blessed after me,
But who can find a faithful man?
Your children are blessed after you,
But who can find a faithful woman?
For wealth brings many friends to you,
But the poor is separated from the only friend that he or she has.
You are Tishbi and you are over the walls of love,
Because the first light of dawn reflected on your muse;
And there s wise woman called out for your love.

Edward Kofi Louis

Searching for you and, to be closer to you than ever.

What am i seeing? ! !
They look like the breasts of a woman;
Still searching to find you, blooming flower.

The game of life and the works of love,
The real clue of this game is like a rat-race! !
In deep twilight zones;
With virtual loops to meet your love,
But these breasts are titilating to
behold.

With a support between;
Like a resting place of love,
By the seashore.

Edward Kofi Louis
To Build Her Anew

Exported,  
Acquired,  
Imported,  
Build;  
In embroidered garments to attract your love,  
But the virgins followed after him.

There is a river and its stream shall galdden your heart,  
But desolation came to Fukushima!  
However, walk around her and cover her with love;  
And with time to build her anew.

Edward Kofi Louis
To Buttress Their Contentions

The muse of life!
To bettress their contentions and,
To do according to the request;
With their erroneous way of thinking.

The muse of life!
Suggested,
Probably;
Uninformative,
But, with the African values.

The muse of life!
In the Boarding Secondary and,
The Tertiary Education;
But the supremacy of your ways was seen today.

The muse of life!
Issued,
Vociferously,
Unilaterally,
In many ways and, in many areas.

Edward Kofi Louis
To Call You With Your Name

Love,
To call you with your name!
And, with righteous morals.

Edward Kofi Louis
To Camp Out

Virtuous! !
To camp out;
To abide in the fields of love,
The fields of the truth,
And, to do rightreous works.

Edward Kofi Louis
To Camp Out 2

Place, lace, pace, ace!
Inserted;
To camp out,
To abide in the field of love.

Edward Kofi Louis
To Capture It

Member, lumber, umber, clamber;
But, it has to be done!
And, to know what it is in your heart.

Remember, amber, camber, chamber!
To set it on and to guide you on;
So, don't be on the sideline! !

Number, plimber, slimber, rubber;
Of the hatred! !
Not caring,
As bad as that,

Cunber, timber, cucumber, bibber;
Horrific! !
use, abuse, fuse, infuse, defuse, refuse, muse;
Gossip!
Whispering,
Arrogance,
But, to capture it real in this land.

Edward Kofi Louis
To Capture The Opportunities At Hand

Standing still,
All the time,
Without any progress;
However, try to capture the opportunities at hand to move on!
For, this muse of love is devoted to you.

Detailed,
But, be not afraid in growing up very slowly;
Yes, in this life!
However, be only afraid of standing still in life without any progress.

Edward Kofi Louis
To Carry It Out

To carry it out,
To do what is right;
Enduring persistence,
Brave! !
To be strong;
Advisable with the muse of hope.

Edward Kofi Louis
To Carry On

Lost! !
Because of the cost to carry on;
This Way,
This road,
This life of mine;
Most of the time alone,
With the frost of nature's melodies,
But, i still have to be the host.

Edward Kofi Louis
To Carry On That Pain

Life!
To bear the burden and to carry on that pain;
Along the narrow path of love.
Life!
The gates of hell cannot stand the truth;
Because, we need the rightful ownership of our own properties in this world.
Life!
We need the truth than the bullets of war;
In this world,
Leading the ways of peace with each other.

Edward Kofi Louis
To Carry The Right Load On Your Back

The cares of life,
Of silver and gold;
But, use this opportunity and,
Try to carry the right load on your back like the donkey!

The teaching of righteousness,
To keep the covenant;
And to observe the Laws of Yahweh! !
For, the Light is now shining on us.

Edward Kofi Louis
To Cast In Your Vote

Blast! !
The last mast;
To cast in your vote,
As fast as possible.

Edward Kofi Louis
To Catch It

White fish,
White flag,
White flower;
To catch it!
To cast it in the Ground,
To take it by the tail.
Life,
To build upon it;
Ways of nature,
To go with your works.

Edward Kofi Louis
To Cement Your Love

Jungle!
Breathe,
Blissful,
To cement your love,

To be in your guard with the truth,
Because, people are destroyed due to lack of knowledge;
Man's rule,
With the pride of life.

This life,
To reach there!
Out there,
With your hope;
The dreams of life.

A meaningful life,
With the muse of the truth!
Works of peace and love;
Learning from examples,
With the samples of the truth.

Edward Kofi Louis

But, in vain;
To cheat the people around you.

I went there to chew something;
But, let me see what this person has for me.

Living along,
With the muse of righteous morals.

Edward Kofi Louis
To Climb Up One Day

Life!
I will be;
matter the odds.

String, sing!
Not to sting;
Facing the odds of life.

I will be able to climb up one day,
No matter the odds!
With hopes and dreams,

This love,
Stolen away! !
Because of the acts of evil.

Wicked minds! !
Around me today,
As i face the odds of life.

All the same,
I will climb up one day! !
Without giving up on my dreams.

Edward Kofi Louis

Sincerely,
The state;
Date, mate!
To coil upward,
Honestly,
The gate,
Indeed! 
Nevertheless,
Need, heed!
Purely,
With the muse of your Command.

Edward Kofi Louis
To Come And Talk

You invited him to come and talk,
I invited her to come and talk,
He invited you to come and talk,
She invited me to come and talk,
We invited them to come and talk,
They invited us to come and talk,
And, both parties were summoned to resolve the issue at hand;
But, indue time, i will respect your muse with the joy of the land.

And, with kind words.

Edward Kofi Louis

Life, love, peace!
Who shall abide with you?
To comfort you in the days of trouble;
With mercy,
With kindness,
Upright and blameless!
And to obey the works of the truth.

Edward Kofi Louis
To Communicate With You

Love,
To communicate with you;

Life!
Let the truth be seen for what it is;

Attitude!
Through servitude;

Respecting everyone on earth,
In any position!

Longitude or latitude;
With the muse of the aptitude of the truth.

Edward Kofi Louis
To Compare

Lost!
Abstract,
Act,
Pact,
Fact,
Cost! !
Most,
Host,
Hades,
Destruction,
Drove, rove, dove!
Concrete,
To compare!
Objective and subjective;
Confidence,
Hope!
Suffice,
Office,
Ice!
Price,
Excess;
Coil, spoil!
Oil,
Soil.

Edward Kofi Louis
To Compare 2

To compare,
On that side;
On the other side!
Slide,
Tide,
Ride,
Not with pride.

These things!
Facing the odds of life;
To compare,
Hence, pence!
To announce,
The glad News.
Den, hen!
News;
Voice,
Choice!
To compare,
The things around you.

True love and power!
True love and peace;
Drum, rum, gum!
To cross over the bridge.

Edward Kofi Louis
To Cross Over The Safety Line

Accident!
To cross over the safety line;
The law,
Concerning the word that was spoken to you.

Edward Kofi Louis
To Cry Out For Help

Like the wind!
Tossed about in the storm;

Like the rain!
To grieve for the poor and needy;

Like the sea,
Blackout! And to cry out for help;

Like the clouds!
Darkness came around but, you hope for the light;

Like the forest!
Not to lust after foolishness;

Able to stand up straight! 
In all things.

Edward Kofi Louis
To Dance With Love

To dance with love,
To dance with you;

To dance with you,
Reaching your inner soul of joy!

Edward Kofi Louis
To Deal Faithfully

To deal faithfully,
Love! !
So delicious and sweet;
When the right thing is done.

Edward Kofi Louis
To Deceive You

Satan can transform herself into many forms to deceive you,
But the labourer is worthy of his reward;
One's nakedness may be exposed but,
You shall not have sexual relation with a man like you do with a woman.

She belongs to your friend so,
Do not expose her nakedness;
Like a woman during her monthly period.
You are responsible for what you choose,
Like the lust of depraved passions;
But, you have rulership over the fish of the sea.

You went the way of the gods and now,
You have stories for the world to know;
Empty babblings,
Guard that which is committed to your trust.
The wages of sin is death but,
The gift of Yahweh is eternal life;
Through Yahshua Messiah.

Edward Kofi Louis
To Deliver A Baby

I am with child and i am in pain,
So why should i desire you in the night? !
I am with child and i am about to deliver a baby,
But my spirit within me will seek after you always;
And gone are the days that you came and used my nakedness,
For this expected child is the bond between us.

Edward Kofi Louis
To Deliver The Water

I need to deliver the water,
So let my joy attract your love;
Because the whole world is under the control of the gods!
With paper and ink i will write your name,
Because i will like to sit closer to you;
And like the blues of love that moves on.
It is all right with me to deliver this water,
So let the joy of my muse move straight to your heart;
Because the whole world is under the control of the gods!

Edward Kofi Louis
To Depart

Form!
From your works;
Part,
Art,
To depart! !
Not to fall down.

Edward Kofi Louis
To Derbe And Lystra

Why should hell break loose like this? !
Let your woman direct you,
Let your man share with you;
But abstain from things cooked with blood,
For true love is all about life.

To Derbe and Lystra,
For the lust we shared together some years ago are still fress in my mind! !
But you can easily dial my number today,
Because we fell off the ladder in those days!

To Neapolis,
I have coveted no man's silver, gold nor apparel;
But the medicine we drunk some years ago had protected me!
So come and take this young man to the commanding officer.

Take this young women to the doctor and,
Take this poem to your children;
For the lust we shared some years ago had brought in a baby,
And like the muse of your love today behind the coconut tree.

Great is the Goddess Artemis of the Ephesians,
But try to support the weak when you find one;
For the service you rendered some years ago have yielded some fruits.

Of a righteous reputation,
Like a poem with many legs!
Bt abstain from sexual impurities and bloodshed,
Because i have shown you all things! !
And i have written many poems for you;
But the carnally minded is death and, the spiritually minded is life and peace!

Edward Kofi Louis
To Destroy

To deceive!
To destroy;
With the wrath of the wicked ones among us.

Edward Kofi Louis

Hate! !
To deviate from the truth;
Only with a wicked heart,
To destroy and kill.

Edward Kofi Louis
To Die At Birth

To die at birth,
Sadness,
After months of pregnancy;
To come out of the womb,
For the first time,
But, death took you away! ! !

Edward Kofi Louis
To Die In Poverty

Life,
Struggling,
Hustle and bustle!
Hard struggle;
Sickness,
And, to die in poverty.

Edward Kofi Louis
To Die One Day

Mankind is born and,
To die one day;
Life is like that,
And, we are here for a purpose.

Edward Kofi Louis
To Dig Up The Roots

Crave!
Matured;

Shallow,
Pillars of smoke! !

Like donkeys,
Like monkeys,

It will come to pass!
Afterwards;

With the muse of the land,
To dig up the roots.

Edward Kofi Louis
To Digress The Law

How long will this be in the heart of the prophets?
For the prophets who prophesy lies are still around my people;
And i have seen them making up schemes to digress the law,
And devising a plan to dissuade my people! !
How long shall this be?
Yet still, they say that all is well;
And where are the ethics of my people? !
For the false prophets around have captured their minds.
Positive is the way ahead and truth is beautiful,
But for the lack of knowledge my people perish in your hands;
And the whole world is deceived as at now,
But these false prophets say that all is well.
We are now in the state of dilemma without control,
But blessed is the one whose eyes do see;
So chisel out the tablets and tell them the truth,
For how long shall they lead my people in the dark? !
The truth is always beside us if only if we will look around for it,
And it is like the muse of my love in the land of peace;
So be very wise on this earth before it is too late,
For not all that glitters around you is gold.

Edward Kofi Louis

Fine with the muse of your love,
And, the joy of your heart.

Edward Kofi Louis
To Dine With You 2

Red Wine! !
Fine wine,
To dine with you;
Like the muse of the pine wine from my land.
Line of love,
Red Wine of joy! !
To dine with you;
Sine, cine!

Peace and love,
Like the pine wine from Africa.

To do it,
Again and again;
For the sake of love,
For your safety.

To do it right.

I will always try to do my best;
Following after the rules,
For the peace of the earth.

Edward Kofi Louis
To Do So

Positive works! !
To do so in the land of your muse;
Living in peace with your neighbours.

Helping others!
To do so in the land of your muse;
And, with positive attitudes in all cases.

Colours, hours, ours, pours, homours!
To close examine the history of the African continent;
Love!
Together we can end the wars of the world today with peace and joy.

Economic independence!
Sprint, print, in, tin, it, is, sin, pit, sit, pint, pintsd, pin, pins, tins;
The muse of life,
Utilising the systems of the earth in a positive way than, with the bullets of war.

To preach!
To teach;

Proverbial,
To reach out to the people.

Hue, due, issue, clue, glue, blue, sue!
To do something;

Edge, sledge!
With the pledge of your sweet love.

Edward Kofi Louis
To Do The Right Thing Than The Wrong

The temple,
Be thrown down;
The scheme,
To be understood by only few;
For the male fish of this river are now forming female sex oragans! !
So, let us wake up to the facts and learn about the truth;
For, it is better to do the right thing than the wrong thing!
And like the muse of peace in the land of joy.

Edward Kofi Louis
To Do Well To Those Who Hate Us

Sufficient,
Watering!
Approves;
And, to receive glory! !
Validity,
With the works of mercy;
Like unknown notes,
But, to be seen by men and women.
Blind, bind!
With your muse;
Or, otherwise with a new blood! !
And, to do well to those who hate you.

Edward Kofi Louis
To Douse Fire!

Wire,
Hire,
To douse fire!

Edward Kofi Louis
To Draw Water

Of a knife piercing into my right thigh,
Of a the pain that was also felt at my back;
But this blood flow is the witness to you all.

Like a message from my father's home,
I have more to tell you than to cry;
Like a message from my mother's house,
I have more experiences to share than to weep;
Like life in Mesopotamia when,
The women go out to draw water.

Edward Kofi Louis
To Dream Along

Peace,
Preach;
Honour,
Life,
Teach!
To reach out to the people.

Pictures of life,
Pictures of love,

For i am in love;
Watch my steps,
For i am in the move! !
With a jolly heart.

To the mirror,
To see your look;
But i am at the brook waiting for you.
A book in my hand,
Reading and waiting;
Come and humble my muse with your sweet love.

Love and peace,
Muse and fuse!
In the territory of love with the muse of peace;
Hope and dreams! !
Collective with the colours of true love.

To tell it like it is and,
To say it like it is;
To write it like it is and,
To read it like it is;
Dreams of love!
Like life in the old farmhouse.

Woke, poke, spoke!
Let the truth satisfy the muse of your sweet love;
Because, anything is possible in life.
Hope and dreams,
Sole, hole, pole, whole!
Everything is possible in life;
To dream along,
Without giving up.

Edward Kofi Louis
To Dream Once Again

Prow, row!
A new coach and a new approach;

Flowers, showers!
Followers;

A new method,
A new life,

Like the moon seen at noon!
With a spoon in your hand.

Time after time,
To dream once again! !

Deep roots with the petals of love,
Presenting your works to the world.

Edward Kofi Louis
To Drive Along

To drive along,
Watching here and there!
For safety,
With the muse of the Safety Belt.
The Traffic Lights! !

To drive along,
Following after the rules.

Edward Kofi Louis
To Dry Them Up

Waters,
To dry them up;
With the works of wickedness!
Being thirsty,
But, no water to drink.

Edward Kofi Louis
To Ease My Pain

Please,
Lease,
Ease;
Love!
To ease my pain;
Where to go with love,
Where on earth with peace,
Please!
Heal me with your love.

Edward Kofi Louis
To Eat And Drink

Feast!
To eat and drink;
With the joy of your heart,
Meeting friends and relatives.

Edward Kofi Louis
To Eat For Three

Seventy palm trees,
Twelve wells of water;
Life is like a romantic night by the fire place.
Oh bread of heaven,
Come up to me on the mountain!
Oh pots of meat,
Come and put me in shape;
Life is like a romantic night by the fire place.

From Ur to Rome,
From Rameses to Succoth,
From Accra to New York,
From Lagos to Bahamas,
I am a stranger in a foreign land.
Fire, wine, husband and wife;
Life is like a romantic night by the fire place.

To eat for three matters to me,
To learn for three matters to you,
I am in a new world learning how to speak!
With my eyes darker than wine,
With my teeth whiter than milk,
Like a strong donkey lying down by two saddles.

This is the joy that i bring to you,
This is the muse of a journey to eat for three;
Life is like a romantic night by the fire place.
Pots of meat,
Bread of heaven,
Of my teeth whiter than snow;
I am a stranger in a foreign land.

Edward Kofi Louis
To Eat It

Meat,
To eat it;
Heat! !
The wheat;
But, don't beat your hungry child.

Edward Kofi Louis
To Eat It Up

To eat it up,
To visit this place;
Let the truth shine upon you!
Dine,
Fine,
With the muse of sweet love.

Edward Kofi Louis
To Eat Of It

To eat of it,
Desirable to your heart and,
Pleasant to your eyes;
The desirable food in the midst of the garden.

Story! !
Memory,
But, wisdom is found on the lips of those who have understanding;
Living in life without hurting anyone.

Edward Kofi Louis
To Eat The Food

This is no food!
But, you only have to drink red wine to wash it down;
Since, that was the only food presented to you.

Edward Kofi Louis
To Eat The Muse

Conservationist verses commercial interests,
Stay out of the wet and learn the truth;
Of the rich and the poor,
Every rich person should provide for the poor.
Life is like that and the poor will always be with us,
And you should always know the angles before you shoot;
Like the lack of trust to be in a safe bath.

How could have known that?
For it is not easy when,
Somebody steps on your toes and you will be thankful;
Since, there are numerous and difficult problems around us.
Oh, how romantically that it was when,
We first came into this world;
But now, we are very sad to know all about earth's own problems.
Plenty of the tasks and the acts,
Plenty of tax bargaining too!
But to eat the muse to writ our feet is like,
The hot gas and the steam from the red zone.

Never be ashame of your emotions,
And never be ashame of your talents;
Like those days in June on a mother's love.
To eat the muse to writ your feet,
Like the days in July on a father's love;
But, we should be very mindful on what we do or say.

Edward Kofi Louis
To Educate The Minds

Lust!
With your plan in action;
And, to have a part in that,
For, you were among those who raped the young girl in India.

Pen, pension!
With your works and,
After your acts;
Ace, place, lace, palace, brace, race, mace, face, pace, trace!
Enough is enough;
In India.

Mission, fusion, infusion, vision, impression, pension!
Let us talk about this rape issue in India;
For, rape is not the answer to peace.
Rape!
In India;
But, why?
And, it is time to educate the minds of these men involved.

Edward Kofi Louis
To Embrace All

Race!
To embrace nature,
And, to embrace all!
Artistic with the muse of joy,
For, we are all human beings.

Edward Kofi Louis
To Endure

Endurance,
Stated categorically;
The citizenry,
The wrath! !
Strong warning,
Sternly cautioned,
Of the pressure!
To endure it;
Test, detest!
According to him,
According to her,
And, to make it clear to the public.

Edward Kofi Louis
To Endure 2

Posterity,
Retain!
According to your will,
And to endure.

Edward Kofi Louis
To Enhance Your Status

Sweet 16!
Facing the world;
But, learn from righteous teachings,
To lead you on! 
On the path of the truth;
To enhance your status in the future.

Edward Kofi Louis

Edward Kofi Louis
To Pour Out Your Heart

She's pretty and,
He's cute;
She's beautiful and,
He's handsome;
Muse!
To pour out your heart like,
The Blue Rose.

Life!
She needs a bed;
She needs a place to rest her body,
With the muse of love.
Life!
With the ways of Mama Africa;
For, she has laboured enough.

Love!
It is possible;
Leading to peace and joy,
In the land of the living without war.
Meeting!
With the muse of his love;
And, pouring out his heart on this matter.

Edward Kofi Louis
To Praise You

Love,
To pursue it with the truth;
And, with the laws in your heart.

Life,
To pursue it with the truth;
And to grow in love.

Life,
To depend on it with the truth;
And, with the muse of the laws.

Love,
To be different from others in this world;
Seeking for the path of peace always.

Life!
To praise you with the muse of the laws;
And, to love the truth always.

Edward Kofi Louis
To Praise You Always

Void,
But i will lift up myself to praise you always;
Because you first loved me,
And i sincerely thank you for everything.

Lame, fame, tame, dame, came, game, blame, name, same;
And Ike Armel and Haron in the land of your muse,
But i will lift up myself to praise you always.

Edward Kofi Louis
To Pray For Life

Eyes and ears!
Now the day is over;
But, i have something to write about.

Way, bay, say, pay, lay, ray!
To pray for life and to move in with my mind;

Bray, play, clay, tray, stray, pray!
Astray at times but, with hope; knowing where to step with my past experiences.

Edward Kofi Louis
To Press Me Down

Hatred!
With the negative minds of the people around me;
To presspress me down! !
With the muse of Anger.

Troubled,
With the muse of their acts!
To press me down;
Plotting my downfall! !
But with the truth,
I will always survive!

Edward Kofi Louis
To Press The Gun

Stress! !
To press the gun and,
To commit suicide;
In your land.

Death,
Unusual;
Hearing the noise!
Killing yourself with the gun.

Edward Kofi Louis
To Protect

Brother of liberality,
Sister of liberality,
To protect!
To ward off the storm! !
The storms of life;
Facing the odds,
The derivative!
Incorruptibleness;
Boiled.

Edward Kofi Louis
To Protect You On This Love

A secret place,
To protect You,
To hide in there! !
For your safety;
Whatever you need,
Whatever you want,
I will do for you!
To protect you on this love.

Edward Kofi Louis
To Prove A Point

Love!
To prove a point;
Which leads to peace, unity and joy.
Lust!
Sin is with you but,
You have to overcome it.
Folly,
Fallacy!
Living in the dark without the truth of the light;
However, great peace have those who love the Laws of Yahweh.

Edward Kofi Louis
To Prove Your Might

True and correct,
To understand the world;
And, the words of true love than words of hatred,
Wind, find, bind, blind, kind, mind, rind, hind, grind!
On the face of the earth.

The kingdom of the gods and the goddesses!
Circling around the earth;
And, choking us from the truth.
Bowl, games and old folks' homes!
Trying to endure by doing everything right;
But, the doctor now needs the endoscope.

True love, peace and life!
Get there if you can;
And, to understand the muse of this world,
Owl, bowl, fowl, cowl, growl, howl, yowl, jowl, prow!
To test you;
Muse, lust, dust, crust, rust, bust, gust, just!
And, to prove your might.

Edward Kofi Louis
To Provide For You

Food,
Eat!
To provide for you;
Food and water.

Edward Kofi Louis
To Purge Evil From The Land!

To purge evil from the land!
Purge, urge, surge;
With words of the truth than words of profane! !
For, many are now lost in the name of the lust of this world.

Edward Kofi Louis
To Push Me On

Days of life with the ways of love,
Dancing with the truth to upgrade my mind;
Doing the right thing in life to help others as well,
Depending on righteous morals to push me on.

Edward Kofi Louis
To Put Up With You

To put up with you,
Heal me with love!
The art of the hustle,
The act of the bustle,
Exposure, composure!
Vow,
Avowed;
To put up with you.

Edward Kofi Louis
To Put You On

Cute little thing!
Adorable to the facts of love;
And like the taste of Tequila to put you on.
The sweet muse of life!
Eating from the works of my Hand;
And learning all the time,
No matter how many times i do fall.

Sweet Romance!
Like true love found at the Great River Euphrates;
And, love through marriage,
With the directions of the four winds.
A sweet perfume!
With the rules of your romance on this love;
And, with an anonymous call from the aroma of life.

Edward Kofi Louis
To Raise The Issue

Lust!
Your head is as empty as your hands;
Sedentary, dent, sent, yearn, deer, reed, red, end!
To raise concerns about the issue of rape;
Because, you have no security in your land!

Year, yearn!
Sedentary, see, seed, tray, ray, say, day, dear, seat;
Seer, sear!
With the approval from the higher authorities.
Deer, dear!
To raise concerns about the issue of lust;
End, and!
Because, you have no security in your land.

See, seed!
Sedentary, ear, read, era, are, years, den, sear, and, tar;
See, seer!
Jungle diamond and jungle gold;
And, with your livelihood.
Sue, issue!
And like the polluted waters in your neighbourhood.

Sedentary, year, seer, tree, tea, eat, ate, eats, days, rent;
Presumed!
Of your money, of your share and of your say;
Assessed!
With the optimum use of available resources.
Out, outcomes!
To the beneficial;
But, the reports came in! !
Because, you have no security in your land.

To the farmers and to the fishermen;
Sedentary, red, sad, rent, rats, art, arts, neat, rest, send!
Transparency, accountability and equity.
Neat, eat!
Sedentary, stand, set, sets, trees, tear, tears, near, rat, sat;
In the study,
Cap, captured!
With the pollution of water bodies.

Edward Kofi Louis
To Reality

A strange land,
The strange act!
A strange culture;
Libation and Liberation,
A day of mirth, gladness and joy for the people!

Edward Kofi Louis
To Realize The Way

Love,
To realize the way;
And, to maintain peace.
Love,
In completion;
With the muse of your lovely heart and that of mine.
Love!
I began to look for you;
Over the years,
In the land of the living.
Love!
In my own heart and,
In your heart;
To realize the way,
Leading to peace and joy in the land of beautiful flowers.

Edward Kofi Louis
To Reap What You Sow

Spotless minds,
To reap what you sow!
In life,
Trading spaces;
Of love with evergreen balls.

Bill, fill, will, hill, mill, pill!
Like a sick fowl eaten by the owner.

Grow and conquer your fears in life!
Learn from the works of the truth and,
Live in peace with your neighbours.

Do elephants and dogs live together?!
Though i walk through the valley of death!
I fear no evil.
The tranquility of my mind,
With the truth as the key.

Edward Kofi Louis
To Receive With Meekness

The next prophecy,
The next life,
And like your sweet love in the land of your muse;
With greetings, peace and love!

To receive with meekness is the muse of your love,
But the Father of Light is above us!
And like the twelve tribes scattered abroad,
But the next prophecy is in the making.

Edward Kofi Louis
To Redeem

To buy,
To redeem,
To address,
Awake! !!
Lift up,
Stand upright;
Salute the truth.

Edward Kofi Louis
To Reel To And Fro

Why do you scheme harm against me?
For the pool of water is now with blood!
But to stagger like a drunken man is not my style,
And like the muse of your love so hidden without a clue to me.

To reel to and fro on my love,
You have repaid me evil for my kindness;
But one day, the protector of your love will fall!
Then you will understand my works for what i am.

Edward Kofi Louis
To Refresh Your Mind

To refresh your mind with,
The truth, love and joy!
Peacefully with the fragrance of your life.

Edward Kofi Louis

Setting things after a certain order;
With the choice of peace and joy,
In your land.

And, to share the muse of peace;
In your land.

Love,
Obedient to the calling!
And, to remain faithful until the end;
With the peace of your sweet mind.

With the muse of your soul.

True love,
To respect the oath of the truth;
And to give you the righteous answer,
To please your heart.

Edward Kofi Louis
To Respect The Universe

Love's joyful arms,
Life's many ways,
Peace's lovely hands,
Wheat, wet, heat, eat!
With nature's beauty;
He watches the sky and,
She watches the sea.
Serious matters!
A poem for you and,
A poem for me;
To respect the universe.

Edward Kofi Louis
To Respect Your Beauty

I really respect your beauty,
Something deeper on this love;
Dance around me and, let me heal you with my love!
Something deeper on this love,
To respect your beauty.

Edward Kofi Louis
To Rest My Mind On This Love

I remained quiet and did not answer you because,
You've hurt me so deeply;
And, i want to rest my mind on this love.
Vain glory,
Where did you came from?
Ambitions,
Why have you delayed my life?
Hope,
Tell me where to rejoice with my mind! !
For i am a distant away with my mind because,
The things i see around me are always negative.

Edward Kofi Louis
To Reveal Myself To You

Love,

Under the laws,
With compassion and humility.

Edward Kofi Louis
To Reward You

Handsome,
To reward you;
Beauty,
To reward you;
Very wealthy with the laws!
As the truth flows out of your mouth;
Like money in the pocket.

Life,
With the beauty of the laws;
And, of the truth!
Like a handsome man with the muse of peace,
Bringing joy to all.

Life,
To reward you with the muse of the truth;
Opening the ways of beauty and bring joy to the hearts!
As one follows the law.

Edward Kofi Louis
To Reward You  2

But to maintain law and order to satisfy the house! !

To say,
To stay,
The day,
With the ray at the bay! !
To pray for life,
To pay attention and to help others.

But the truth is the way;
Away from evil acts.

Edward Kofi Louis

Day, way!
To say it all;

Bay, lay!
To rest your mind;

Away! !
To sway;

But, not to go astray.

To stay with Love,
To pray a lot!

To pay and play the game,
And to hear the bray of the animal around.

Tray, ray!
Living in the land with your love;

Like children playing with the Clay.

Edward Kofi Louis
To Say Out My Mind

If i can stay on it for one hour,
Then, i will be satisfied with the muse of love to say out my mind;
For m ypeople are now clothed in sackcloth,
And horror had covered them in the name of this famine.
Oh Somalia! !
Your silver and gold are unable to deliver you;
For the famine is severe and sadness are now seen on your faces!
But, i will hand over my love to care for you people.

Like a mirror in the dark;
And, to see through the dark.

Edward Kofi Louis
To See Your Home

An illustrator,

I am here with the muse of my love to share with you,
So, don't look back on this love!
Because, this is the only love that you have around.

Tell me if you want me,
Cook for me and let us eat together;
Like the attitude and the aplitude of life.

You can't be in any place when, you don't fit in;
You can't ride a horse when, it is not ready to gallop;
And, you can't eat your cake and have it! !
As the plants do sleep in the dark.

On the earth,
Of the showers,
And of peace;
Like the fat sheep and the lean goat.

The residence,
The pasture,
The rich,
The poor,
Of the pure words,
By the rivers;
of your pure works!
With alertness;
And like the hands of love.

The hands of unity,
The hands of care,

However, it is better to show love to all.

Edward Kofi Louis

In the bedroom;
To wake up in peace and,
To care for others.
A perfect form!
Calverley Road,
Royal Palace,
Hello Sunshine!
With neatness and cleanliness;
In glory,
In the bedroom,
Like the waterfalls,

mate, initmate!
Help me to believe in you,
And please, do show me a sign.

Junction, injunction!

Keeping Yahweh's Laws;
However, i will do my best always for you.

Edward Kofi Louis
To Solve The Problem

How can i live among thieves? ! !

My body had been without food for many days;

Grief and hunger overwhelm me,

Enhancing one's status along the line with creativity.

These thieves!

Destroying the peace of the land;

Coherence and emergency! !

With the system finding a way to solve the problem at hand.

Edward Kofi Louis
To Speak With You

Love,
To speak with you face to face!
Because, i want to see your beautiful face;
And, your humble heart.
The muse of life and the muse of love,
To see your eyes!
To see the smile on your face;
According to the laws of peace,
And, to understand your ways.
The muse of life and the muse of love,
This poem is talking to you;
Because, i want to see your face!
With your beauty and,
With your humility.

The laws!
In your minds and in your hearts;
The truth!
In your minds and in your hearts;
As you see the day approaching,
And, to stand up for the truth always!
No matter what comes your way.

Tag, bag, lag, brag, wag, drag, rag!
You cam in at the right time and,
I have something special for you;
All in the name of love, peace and joy.
A visionary!
With the muse of life;
But, let us obey the laws and be free.

Perfect, prefect, reflect, defect, sect, direct!
With the recovery of your sweet love;
In the land of the living with the muse of the laws,
Learning and becoming perfect day by day.
Neat, meat, feat, eat, beat, threat, cheat, wheat, heat!
Across the fence;
But, with the message of coming back again to learn from the truth.

Edward Kofi Louis
To Stand Up Once Again

You don't know who i am,

With the muse of creation;
With all the colours around.

Edward Kofi Louis
To Stay In Touch

The blue is on the green and,
The red is on the black!
And like the muse of your love,
But try to stay in touch.

Stages,
Romance,
Dark and dismal!
With initial meeting towards your love;
But you are now off balance! !
So, try to stay in touch always.

Edward Kofi Louis
To Step Forward

Released!  
To step forward once again;  
Functioning with the struggles of life,  
But the sea never dries up.

Muse!  
Annouced formally;  
Love,  
Declared over here.

Life,  
To ensure that things are done in the right way;  
As far as we are concered,  
In regard to the laws of peace.

Edward Kofi Louis
To Stop And Think

Life,
To stop and think;
Before your actions,
Which can be positive or negative to others.

Life,
With violations here and there!
With guns pointed at each;
But, let us all stop for a while and, think before we act.

Cry, decry!
But, stop and think;
Than putting the world into total destruction!
Because, hatred and wars are not the answers to peace.

Edward Kofi Louis
To Study

To study,
Mechanic on duty;
To day's sun! !
But, lovely words are beautiful.

Seat, eat!
The world changes overnight,
With the ways of mankind on earth.

Meat, eat!
The truth,
Get safe! !
Always learning from the works of the truth.

The expansion of the universe,
Approached;
With a pleasing aroma!
The entranceway,
With the fragrance of true-love.

Behold! The farmer waits for the precious fruits of the earth;
So is the muse of your beauty,
As i wait patiently for you.

Edward Kofi Louis
Illegal lust,
To stumble and fall!
With the muse of your negative acts,
In the land;
Works of evil! !
Illegal lust,
With your teeth like that of a lion!
Destroying your neighbours,
With hatred and war.
Illegal lust!
Darkness,
Gloominess,
As the morning cloud spread over the mountain.

Edward Kofi Louis
To Support Others

It is in if,
You allow it in;
Rig, ring!
Credibility;
Rig, rigging!
But, call me by my name and,
I will call you by your name.
Us, Status!
I can see it in your eyes;
And, you can see it in my eyes.
Honey, money, baloney!
But, work hard to support others;
And, be very nice to the people around you.

Edward Kofi Louis
To Swallow The Bitter Pill

In a pool of blood!
In a weird way;
Mingling with bad friends,
With addiction! !
To swallow the bitter pill,
And, with an unusual encounter.

Substance abuse! !
Entrapped,
Opined,
Prepared for a purpose;
And, to swallow the bitter pill,
Mingling with bad friends.

Edward Kofi Louis
To Sway But Watch

Life,
Out of the can!
To sway but watch;
Shortly after birth.
What is life?
One evening,
One love;
Coming out of the can!
To sway and watch,
As mankind destroys each other.

The food of love;

Joy with the hearts in love! !
Into the land.

Edward Kofi Louis
To Take A View

We are like 'Papa-Doc' and 'Baby-Doc',
And in the public toilet to take a view;
But my love is behind the light that shines on us,
And i will see you through this dream.
We are like the stars of the skies and the sand of the seas!
And like to mourn and to wep for the dead around us;
Port-au-Prince, Port-au-Prince!
How the earth crashed to kill you all,
But your survivors will live on to tell this story one day;
And like the invisible man behind you and i.
I am following to your bedroom to take a view,
Because that's where your love is;
And like the art of the perfumer from the 'Westland to Broadway',
For i want make an artistic design of this love.
Seek for the missing ones in the name of the earthquakes!
For your cries met up to the world for help;
And i am worried because of the glory of your beauty.

Edward Kofi Louis
To Take A View Ii

Life,
To climb up the hill!
High to the top of the mountain;
And, to take a view.

Edward Kofi Louis

A doleful sound;
A howler
Slay!
To take away.

Edward Kofi Louis
To Take It With Force

Illegal lust!
To take it with force;
Yes, somebody's property.

Illegal lust,
With the sins around you;
Taking away things which are not yours.

Illegal lust!
Sleeping with all the women at your work place,
Thinking that, you are doing what is right.

Edward Kofi Louis
To Take Off

Source,
Screw;

Force!
Crew;

Responsible,
Stew;

Schoold and offices,
Few;

Disproportionate!

To feel like it,
Drew;

Demonstrations! !
Hew;

Mission,
Flew;

Noted further and,
To take off.

Edward Kofi Louis

To brush your hair,
To rush to the school!
Being very late today,
To take the bush way,
Able to be in school.

Edward Kofi Louis
To Talk

Frost like ashes,
Snow like wool,
Hail like crumbs,
Walk! !
To talk;
With a chalk in your hand.

Edward Kofi Louis
To Talk 2

As old as....

As bold as....

You can't buy true love;

Too long!

A known fact;

Facts of life,

Ways of nature,

Colours of creation,

Smarter and Alert! !

To be ready for the truth.

Enough for me!

Enough for You,

Enough for us;

To talk,

To walk,

Facing the ways of the society.

Edward Kofi Louis
To Talk About It

On it,
To sit on it;

With it,
To have it beside you;

To talk about it and,
To write about it.

Edward Kofi Louis
To Tap Into

The power of life!
To tap into the power of love;
Moving along only with moral attitudes.

With the message! !
To preach,
Each other;
Not to breach the laws.

Edward Kofi Louis

To teach the truth;
With righteous morals,
To guard and keep Righteous Works.

Edward Kofi Louis
To teach and train,
And to follow the right direction;
To be,
To see,
To care,
To work,
To learn,
To think,
To teach you!
To teach me,
To teach us;
And, of the right way as intended for.

Edward Kofi Louis

He sat down to teach her;
With the works of peace.

With understanding and,
With joy.

Edward Kofi Louis
To Teach Others

Wisdom! !
Praise the sun during the day and,
Smile to the moon at night;

Yes! ! A nice poem has doors and windows opened to the world!
Able to teach others and, to touch the hearts of many.

Edward Kofi Louis
To Teach You And I

Each day has enough of its own troubles!
Laws,
Statutes,
Judgments,
To teach you and i;
The commandments of life,
Distinguishing mark with the works of the truth,
However, life is not always smooth with us.

Edward Kofi Louis
To Tell Your Story

The aroma,
To smell it well before going out to sell your items;
And to tell your story to your neighbours after your business,
As you dwell among them.

Edward Kofi Louis
To Test Us

Life,
Over the sea of love;
To test you,
To test him,
To test her,
To test them,
To test us.

Love,
You know what to do;
But, do it according to the laid down laws.

Edward Kofi Louis
To Testify

The fake cannot compare itself with the original! So, impress me with the works of the truth and, let me follow you always.

Behold, beloved, be, bee, see, seen, been, bend, bent, belt, when, bed, bell! To testify the works of the truth to all in the land; because, the living knows that one day, he or she will die! ! But, the dead knows nothing.

Shadows of the past!
Telling them their mistake is like an insult to them; so, there is nothing that one can do to correct them.

Laughter, honour, humour, sympathy, ways, attractive! Written in the former times; in unity with the faith. Uprightness of the heart; declared with the works of the truth.

Exposure!
Apprehension,
With the looks of the society today; and, the way that you are hurting this young girl is not the best way! ! Because, she is also a human being.

The harder they come! But, to overcome all things in life; and to be trained with the works of the truth.

Education, elimination, emigration! In all sectors; to open your eyes to the works of the truth in your land, because the strength of peace is with the strength of True love.

Life is full of surprises! So, don't give up on your dreams; seek for the ways of works of the truth and be straight always, in righteousness.

Edward Kofi Louis
To Thank You

To thank you,
Glad to be here!
Closer to you;
And, to keep my head up.

Edward Kofi Louis
To Thank You For Everything

Life,
To meet you once again;
And, to thank you for everything.

Upright! !
For the works of the truth;
Standing up like a palm tree.

Desirable,
The works of the truth;
And, to thank you for everything.

Edward Kofi Louis
To The Bloodline

A convert,
To be bloodline;
A contributor,
To respect your muse;
For, a wise person will always turn to the right direction! !
To do righteousness,
With the muse of the truth.
The muse of life!
With the ways of the truth;
At the exalt position with the works of peace,
As one understands the ways of love.

Edward Kofi Louis
To The Ears Of The Readers

I am writing for others to read;
To reach out to the ears of the readers,
Coming along with the works of peace, love, unity and joy.

The result,
To consult the realms of righteousness;
And, to supply the truth with positive morals.

Edward Kofi Louis
To The Ends Of The Earth

Letters,
Words,
Numbers,
Peace and love;
To the ends of the earth!
With the muse of the truth.

Edward Kofi Louis
To The Eyes Of The Public

Age,
Sage,
Stage,
Strange!
Range;
Because you exposed your nakedness,
To the eyes of the public.

Edward Kofi Louis
To The Farm

Shoe,
Hoe,
Shoes,
Hoes,
He, she!
Legs,
Walking along,
With different shoes,
Hoes in the hands,
Along the narrow path,
On the way to the farm.

Edward Kofi Louis
To The Full End

Life,
Seek the truth and live with it;
With the muse of the laws,
And, with righteousness!
To a full end.
Life,
With the harvest of your food;
Love,
With your sons and daughters;
Work,
With your flocks and herds;
Muse,
With your wives and your fig trees;
But, seek the truth and live with it.

Edward Kofi Louis
To The Future

Forward!
To the future;
Aiming higher than ever,
With the muse of hope.
Of young men and women,
Of the muse of the children,
Of the old;
To the future!
To look forward.
Life!
With planning and action;
And, of a focused vision.
True love!
The key of unlocking the solutions of life;
With the muse of the laws,
And, with humility.
Life!
To effect a real change;
Aiming higher than ever,
To the future.

Edward Kofi Louis
To The Gates Of Hell

Hatred,
War! !
Killing all,
To the gates of hell;
But, all the wars of the earth today will not bring us peace!
Not even killing those you call your enemies.
The muse of life and the ways of nature,
The world need peace than war!
Because, staring each war leads to more wars than peace.

Edward Kofi Louis
To The House Of Yahweh

Great Yahweh! !
Bring me home;
To the very place that i belong to,
Yes, to the House of Yahweh.

Edward Kofi Louis
To The Interior

Love,
With a journey to the interior!
Hitherto,
Pretigious! !
A burning desire;
Groomed with the green light,
With the propagation of the truth.
Mission, vision!
Of the trip,
The expedition,
With the odds of life at times;
However, such implications should be overcomed with positive morals.
Love and joy! !
With an ardent impetus to make the trip,
With the status of your mind;
Groom, room!
Roughly between the walls of life,
And, the nature of the things around.
Muse, use, fuse!
In a route march with love,
Like a match;
To infuse your mind on this journey,
With the account of the truth.

Edward Kofi Louis
To The Land

To the land of bribes,
To the land of telephones,
To the land of corruptions,
To the land of trains,
To the land of shops,
To the land of thieves,
To the land of connections,
To the land of drugs,
To the land of trucks,
To the land of cats,
To the land of Banks,
To the land of dogs, To the land of footballers,
To the land of dragons,
To the land of hope,
To the land of ice-cream,
To the land of potatoes,
To the land of chocolates,
To the land of tomatoes,
To the land of apples,
To the land of coffee,
To the land of lights,
To the land of ships,
To the land of birds,
To the land of tigers,
To the land of carpets,
To the land of pillows,
To the land of lions,
TO the land of toys,
To the land of horses,
To the land of beds,

Edward Kofi Louis
To The Land Of Love

Allow me to to my land! !
To the land of love than,
The land of hatred;
Seeing the negative works around me today.

Edward Kofi Louis
To The Location

Love!
Every righteous tree brings forth righteous fruits;
To the Location,
With the occasion,
And, of the reaction.
Not, knot!
Notice again,
Try it again;
But, every righteous tree brings forth righteous fruits.
Cub, cud!
With the muse of a lovely child;
Nest, honest!
With the muse of a lovely woman;
Fits, benefits!
With the muse of a lovely man;
But, every righteous tree brings forth righteous fruits.

Edward Kofi Louis
To The Native Born

Flying insects and lovely birds,
From Rameses to Palestine with your love;
And like an eye for an eye and a tooth for a tooth.
You are worth twice as much and i love you,
But so is the world today with wars around us;
And it is like bomb for bomb and life for life!
But one day you will see me with the cheers on my face.

Give him meat to eat and give her all that she wants,
For she is your lover and your friend;
But one day you will see me with the cheers on my face.
To the native born i do speak my mind,
And to all that see the beauty of the earth being destroyed by war!
But you will know them by their fruits.

Edward Kofi Louis
To The Open Sea

A open heart!
The heart of true love;
To the open sea,
The sea of love and joy! !
Enjoying your life with the muse of the truth;
Trove, rove!
To move on with your mind.

Edward Kofi Louis
To The Open Sea  2

Love,
To the open sea;
Under there!
Here with love;
To see it and to use it,
Tasting it with the joy of your heart.

Edward Kofi Louis
To The Other End

Cohesion,
Tar, star!
Out of the protected place with love;
Star, tars!
But, he was finally killed by you.

Far, farm!
Patterened Cloth;
Expressing yourself with the view of love.
Bar, Barbecue!
And, of the 'Golden Stool'.

Arts, star!
Like an English writer;
Seal, sale!
Stimulating it with the muse of love;
But, there is no romance in the grave.

This grave!
Blog, log, bog, bag, beg, bug;
Comforting,
Kate, take!
In function with the muse of love;
Arm, farm!
And, to get to the other end.

Edward Kofi Louis
To The Other World

Birth,
You are among us;
Death!
You've crossed the line;
To the other world.

Edward Kofi Louis
To The Pink Prison

Life!
A womanizer becomes a President;
In the land of your muse,
After 30 years of my hardships.
Muse!
Very difficult and unpleasant;
To the Pink Prison,
And, without rest.

Life!
A sickly person becomes a President;
In the land of your muse;
But, I am still in the Pink Prison.
Muse!
Living in the shadow of things;
Hoping to break through one day,
But, the News came in at the sidebar.

Bar, sidebar!
As sick as a parrot;
But you came to the Pink Prison,
Just to see things for yourself.
Life!
Let us all desire peace than war;
And, live in unity.

Edward Kofi Louis
To The Place Of Honour

Love,
To tell me what is in your mind;

To the place of honour,
To satisfy you with the works of the truth.

Muse, use, fuse!
Here is what has been kept for you;

On this love,
For the joy of your heart.

Edward Kofi Louis
To The Positive Side

Love,
Come and fly me to the moon with your deeds;
Noted with humility and compassion,
Since, you have the laws.
Moon, noon, spoon, boon, loon, croon, cartoon, soon!
With the hands of love and the hands of light;
And to live up to the positive side of life.

Works of arts!
With the acts of nature;
Love,
Come and fly me to the moon with your deeds;
And with the artistic talents of your muse,
Like the srping which breaks into summer.
Bag, tag, lag, rag, jag, crag!
And, to edify your sweet mind with the muse of the laws.

Edward Kofi Louis
To The Protected Place

Love,
To the protected place;
With kindness,
With humility,
In the name of peace and joy! !
And, with the works of the laws.

Edward Kofi Louis
To The Puzzle

Question,
Answers to the puzzle;
Thunder!
Under,
Manner! !
Mankind,
Manners,
Circumstances,
Structure,
Posture,
Cure, secure, pure!
With the picture;
Question,
Answers,
To the puzzle.

Edward Kofi Louis
To The Rich And The Poor

Theft, left, slept, dept, weft, wept!
This message is to the rich and the poor;
For the meditations of our hearts are now needed on this earth.
The redemption song,
The inner thoughts,
Like parishes which perishes! !
And like something very hard to understand,
But this earth needs peace more than war always.

Edward Kofi Louis
To The Right Direction

Repent and be converted;
To the right direction!
Facing the truth,
With the works of righteousness.

Edward Kofi Louis
To The Riverside

I am the lover you are searching for!
Down to the riverside of peace to rest your mind;
And, i am lovely and beautiful.

Come and let me show you my abode of peace!
There you can rest your mind without any fear;
For, i have been waiting for this day in my life.

Love, peace, joy and unity!
By the riverside with the works of my muse;
And, backed by the beauty of the colours of nature.

Edward Kofi Louis
To The Spot

Dot,
To the spot;
With a pot seen on the plot;
Magic! ! !
With hot water boiling in the pot.
Slot, lot!
To clot like blood;
Knowing what to do and,
Where to go with the cot.

Edward Kofi Louis
To The Thick Forest

The road,
The way to the thick forest!
The narrow path;
Searching for it,
Someone should show me the way,
Leading to the thick forest.

Edward Kofi Louis
To The Water

To the water,
Anyone who laps with his or her tongue like a dog laps,
Cupping his or her hand to drink;
Bringing it to his or her mouth,
Seeing the acts of the people in the land,
Always searching for water to drink.

Edward Kofi Louis
To The World

Illegal lust,
Exposing your iniquity to the world;
Blind eyes! !
Dark forest,
Wide ocean;
Dacing with the devil always!
With the muse of your evil works.
You barely see all the sins around you!
Because of illegal lust;
Going against the laws,
Going against righteous laws.

Edward Kofi Louis
To Thine Own Self Be True

Husbandry,
Sake, take, shake!
Each man's censure,
Day by day! !
Night by night,
With the kisses of life;
Fantasy!
With the lips of nature;
But, who will kiss dead Ceasar's wounds?
To such a sudden flood of mutiny!
'Countrymen, lend me your ears';
Be thou familiair
But by no means vulgar;
And, do not foil your palms with entertainment.
Give your thoughts no tongue,
Give your love sweet medicine,
Give your mind much rest;
To thine own self be true!
A kingly crown,
A lovely woman,
A peaceful dream;
However, the evil that men do lives after them.

Edward Kofi Louis
To Think About It

Arts, warts, darts, marts, harts, charts, parts, barts!
Demand;
Job,
To find it,
To think about it,
To love it,
To live by it,
To keep it,
But, don’t underestimate the power of love!!
Meeting her at the place of job,
Always beside you,
Date, late, mate, estimate, gate, underestimate, Kate, debate!
At the work place.

Edward Kofi Louis
To Think Right

Identity,
I know who i am;
A special person,
With the ink of my pen,
To think right!
And, to act right;
For the peace of the earth.

Edward Kofi Louis

Clear and wise!
To touch it;
With the muse of sweet love.

Edward Kofi Louis

The light;
With your night!
The bright light of true love.

Edward Kofi Louis
To Touch My Heart

Love,
All in one!
To touch my heart,
With your sweet love.

Edward Kofi Louis
To touch the heart of someone,
To care for someone,
Living with your dreams!
Living in peace;
To teach someone the truth,
Bringing joy to someone!

Edward Kofi Louis
To think things out,
The essence of life!
The essence of love,
The essence of your words and works;
Able to touch the very hearts of many in this world.

Edward Kofi Louis
To Touch The Top

Love is a beautiful thing,
Rules of life to share with others;
True love can take you up high!
Able to touch the top of the mountain.

Edward Kofi Louis
To Touch Your Breasts

I want to touch your breasts and kiss your lips,
So try to create a convenient time for both of us;
For this love is driving me crazy!

Edward Kofi Louis
To Touch Your Face

To touch you,
To touch your face,
To kiss your lips,
Because of love;
You're so beautiful.

Edward Kofi Louis
To Touch Your Heart

White Ocean,  
White River,  
White Lake;  
Learning by digging deep,  
With the muse of your love.  
Pool, tool, stool, cool!  
Without the case of the fool around;  
For, we need peace on this earth than,  
With the muse of haterd and war.  
Love!  
To get the flowers to touch your heart;  
With the muse of the beautiful river,  
Flowing down joyfully with the muse of peace.

Edward Kofi Louis
To Trample Down

Vagabond and vagrant,
To trample down;
Quietus!
Tread,
With the muse of wickedness.

Edward Kofi Louis
To Transform

Let humanity arise to the works of the truth!
And, let there be peace on earth;

Garden, warden!
In a den with my work;
Amusing poem,
Lively depicted with the muse of love.

Of a love so far away!
With the facts of life and,
The very ways of nature.

Phase, phrase!
Creativity is not taught;
It is an inbilt.

Cake pops,
Home sweet home;
To say!
To stay,
To lay,
And to play.

Amazing!
To pray with the ray of hope;
Like the muse of a poor heart facing the problems of life.

Story, accusatory!
Blue nights,
Neglect,
Disregard,
To overlook;
Ignorance.

Vocative!
To transform;
To carry on,
To remove,
To be carried away.
Lad, load!
Like a man dressed like a woman in the world today;
But, flowers are the joy of a Garden.

Local shrines!
Like a woman dressed like a man in the world today;
But, the truth is wrapped with purity.

Edward Kofi Louis
To Try It

Love,
There is a way to try it;
In the right direction,
Leading to peace and joy! !
With the muse of positive laws.

Edward Kofi Louis
To Understand It

Sense,
Lasting peace;

Whirl,
A lifetime ago;

Swirl,
Intensively;

But, to get the truth in your mind!
Able to show you the way.

Mystic,
Optimistic;

Muse, use!
Revelation;

To understand it,
With the muse of the commentators around.

Edward Kofi Louis
To Understand This Love

I am the one you are looking for!
So, dry up your tears because,
It's taken you so long to understand this love;
And, i am here to receive you with my sweet love,
For, my true love is all that i have for you.

Edward Kofi Louis
To Unite All

The desire of our hearts,
Honey for sweetness and love for joy!
leading to peace with the muse of the laws.

Action speaks louder than words! !
In the reference of love,
In the reference of peace,
In the reference of our respective works;
On this earth.

Lust rations of the world!
Destroying many;
As the rive flows down to the sea.
Many years and many tears!
But, let us seek for the truth and live.

What is just?
Wisdom!
For, the tongue if wisdom speaks what is just;
And, with the potentials to unite all in peace.
Yesterday is gone!
But, today is with us.

Edward Kofi Louis
To Use Drugs

They encouraged others to use drugs so that,
They can feel and see things that they see;
But the mythology of our lives is like,
The tales by the moonlight!

By the fire side,
And many are already drugged without a clue!
But let us learn to do the right thing always,
For the use of drugs may easily destroy our future.

Edward Kofi Louis
To Utter Your Words

Rice, salt, butter and fish;
To utter your words because of the price,
Slice, ice!
With your friend Alice being around;
And the police came in! !
Your dish,
With the fish,
To utter the words because of the price.

Edward Kofi Louis
To View The Land Beyond

Love,
True love;
Waiting for the curtains to be lifted,
And, to view the land beyond.
Tape, cape!
Precious and clear;
With the muse of your sweet love.

Edward Kofi Louis
To Visit Your House

Love,
Sweet love;
Love and dreams!
To trace your steps in the snow and,
To visit your house.

Edward Kofi Louis
To Wait For The Moon

Lagoon!
A visit at noon;
Till the evening,
Waiting for the moon.

Edward Kofi Louis
To Wait For Time

Footprints and fingerprints,
Be up and doing to respect my muse;
And learn to wait for time.
The evening lamps are lighted and,
To dance upon the narrow walls;
But the heaven is like earth without sin.
Footprints and fingerprints,
Let us visit the biggest cemetery in the world;
And of moulded ships in bottles and shells,
But let us learn to labour and to wait for time.

Of plant related species and art lovers,
The moon has a golden ring on!
And all my fears are laid aside,
But her eyes are as the fairy-fax.
Though often depressed and lonely,
Her checks are like the dawn of the day;
And like a look at the open door.
Footprints and fingerprints,
To wait for time and to muse up with your love;
And like love under the spreading chestnut-tree.

Edward Kofi Louis
To Walk Along

Red carpet!
To walk along;

Blue carpet!
To walk along;

Yellow carpet!
To walk along;

Green carpet!
To walk along;

With the joy of the hearts,
Gala Nights with the eyes of the public.

Edward Kofi Louis
To Walk And Talk

Word,
World,
Work,
To walk and talk! !
With a chalk in your hand.

Edward Kofi Louis
To Walk And Talk 2

The female teacher,
The male teacher,
To walk and talk!
Holding a chalk in his or her hand;
But let your teachings be with the salt of the truth.

Edward Kofi Louis
To Walk In Love

Enthusiasm! !
Love,
It gives me great pleasure;
To walk in love.

Edward Kofi Louis
To Walk In Your Ways

Love,
To walk in your ways;

The truth,
To walk in your ways;

Life!
With joy and gladness;

Following after the laws and,
Doing what is right.

Love,
With the joy that we all share;

Muse,
With the ways of the laws;

The workshop!
Seeking for peace.

Edward Kofi Louis
To Warm Them Up

The cold outside! 
To bring the two people in; 
To save them and, to warm them up. 
Love,
To the walls built around it; 
And, with the beautiful works of peace, 
Caring for others as well.

Edward Kofi Louis
To Warm Up

She covered her face from the people to disguise herself,
But i noted her steps because of the heavy wind!
Carved,
Cast,
Mould,
Images;
Joy is around her and love is in the air! !
But guess who is coming to dinner,
For the time is ripe for me to warm up with her love.

Edward Kofi Louis
To Watch My Steps

Illegal lust!
Like soldiers shorter than their riffles;
And, i never knew that, anyone could insult ma like you do!
In this life;
But, i am for peace,
And, i need no war in my life.

Treu love,
it is very special when we take up the laws;
For your attitudes are full of criticisms!
In this land,
With the muse of the people around you;
As they see you fight everyday.

Illegal lust,
Once traced and arrested by the law;
Because of your ways,
But, i am a professional painter with a peaceful mind!
However, your insults have taught me a lesson today;
And, i have to watch my steps whenever i am closer to you.

Edward Kofi Louis
To Watch You

It fits in exactly!
To watch you up and down;
Knowing what you want on this love.

Edward Kofi Louis
To Water My Flowers

The muse of love,
The muse of life,
To give you one of the keys,
To my home,
When i am on vacation;
So that you can enter in,
To water my flowers!
My beautiful flowers,
When i am on vacation.

Edward Kofi Louis
To Water The Garden

Love,
A river went out of it to water the garden;

Love,
With regards and honour!

Love,
With expectations!

Muse,
Delivered with love.

Love,
With the muse of the truth;

Love,
By the sea of joy!

Love,
To pass through it;

At the same time and,
At the same hour.

Love,
The morning comes;

Ans, also the night!
With the muse of your sweet heart.

Love,
Uncovered!

Muse,
In the choicest valley of joy.

Edward Kofi Louis
To Wear It

The dress,
To wear it,
To confining walls!
Near the middle,
The reception,
Foward! !
Together;
Sense,
The smoke of the incense ascended up high! !
With the muse of love and life;
A satire!
With deep meanings;
A master piece,
With the muse of your dress seen at the reception.

Edward Kofi Louis
To Weep And Mourn

Alas! Alas! !
Standing afar off;
To weep and mourn over her,
Weeping and wailing!
Because, she's gone;
To the other world.

Edward Kofi Louis
To Weep For The Dead

The trumpeters and the singers,
With the windows of the heavens pouring water on earth;
Joy in the name of a festival! !
And, to weep for the dead,

Edward Kofu Louis
To Win Your Love

I have already made up my mind and,
I have to reinforce my positive values to win your love;
And like the consortium in the airwaves.

I need a verdict in a bullet proof glass to lure you in,
For there are broken dreams when you have no wisdom;
And there are many thieves around you like animals,
But i have already made up my mind.

I want to win your love and to show you what true-love means,
And as cordial as the muse of peace is the rainbow as seen up high;
But like a butterfly flying across the beautiful land of roses.

Edward Kofi Louis
To Wipe Away Your Tears

Love,
To answer your call and to wipe away your tears;
In your hardships!
But, i am here to help you;
And, to take care of your needs,
Because, i do care.

Edward Kofi Louis
To Write About It

Bite!
Sie,
Smite,
White,
Website;
Rite,
To write about it,
What i see around me;
Blessed are the works of the truth! !
On this earth;
With a special honour in the name of positive morals.

Edward Kofi Louis
To You

A pose of love is like the prose of life!
Mildest,
Love,
To you;
But, a poem of a poet is part of the poetry of the earth.

Life,
To you;
With the logical reflection of 700 as 007!
However, the bond between live and peace is love.

A poem of a poet is part of the poesy of life;
Relations,
Touched by love.

Put your house in order and, seek for peace!
Together we can build up this country;
For, we are stronger together! 
However, true-love needs the eyes of the law.

Edward Kofi Louis
To Your Heart

I want to get closer to you!
To your heart;
So, don't leave me lonely in the cold.

Edward Kofi Louis
To Your Own Shame

Evil Acts,
Evil doings,
Evil spirits,
Rebellion!!
And perversion;
To your own shame,
To your own nakedness,
Axes of evil!
With the muse of terrorism.

Edward Kofi Louis
Toad, Load, Road!

Toad, load, road!
Oversize;
Weight,
Very heavy! !
Helping others;
To help others with the joy of your heart,
Hearts of oak.
The brightness of the sun is like one of the eyes of the Creator!
To move over,
But, cement the bridge of love with the truth;
Because, the bridge of love is built with righteous works.

Edward Kofi Louis
Toast

Toast!
At the coast of love;
Cocktail,
Bounty, county!
Selections,
Views,
Visions,
Deluge! !
Effusion,
Strip,
Tip, trip!
Dip,
Lip,
Hip;
With a ship seen far away.

Edward Kofi Louis
Tobacco

I don't know anything about you,
So why should I sell out my tobacco plantation to you?!

Edward Kofi Louis
Tobias

Tobias, have you heard of the 'Book Of Yahweh'? !
Then search for it now;
For there is life in it.
There and then you will know the secret codes of life;
And the ways of mankind against the ways of the Creator.

The Somalian Pirates are chasing, attacking and capturing ships,
But this will be for a time and a season!
After which they will be destroyed.

Edward Kofu Louis
Today And Tomorrow

Yesterday if gone!
But, you have today and tomorrow;
So, use your time wisely today for a better tomorrow! !
And bring sincere love to all mankind than, hatred.

Edward Kofi Louis
Today Is Another Day

Beautiful and sweet!
Today is another day;
With the flowers of love,
With the flowers of peace,
Swift, drift, ruft, lift, shift!
With the flowers of joy.
Crafted, drafted!
The narrowing of your lust;
With a purpose,
The rose of sweet love.

Edward Kofi Louis
Today Is Your Day

Gold, diamonds and war!
A long way to freedom with a lot of dead bodies around me;
But today is your day and we have to enjoy it on this bed.

Gold and diamonds brought us money,
But thre same gold and diamond brought us various wars! !
And now there are many dead bodies around me,
But i will still have you in mind always my love.

Edward Kofi Louis
Today I've Seen Your Image

Today i've seen your picture!
Today i've seen your image;
You're beautiful and,
You have a lovely heart.

Edward Kofi Louis
Today You Are  Far Away From The Truth

Molten images,
Of your weakness;

Carved images,
Taking you away from the truth!

As you do worship them;
Today you are far away from the truth.

Edward Kofi Louis
Tödlich

Alles ist erleuchtet,
Mit Straßenrand Fisch und Getränke in Afrika!
Aber pass auf dich auf,
Aids ist tödlich!

Fleisch und Obst,
Wie den gestiegenen Lebensmittel preise in Afrika!
Zwischen Hoffnung und Verzweiflung,
Aber ich hatte eine Farm in Afrika.

Edward Kofi Louis
Together

Knowledge,
Raw,
In,
Locks,
Flocks!
Hope,
Together,
To gather;
Words,
Of peace and love.

Edward Kofi Louis
Together 2

Together,
In one body;
In the open square,
As the people gathered together.

Works and thoughts,
Nations and tongues,
The crown of joy!
The crown of peace;
Having the works of the truth.

Edward Kofi Louis
Together 3

I did it,
You did it,
We did it! !
Together,
Gin, juice!
With the muse of the secret of your beauty;
Home sweet home!
The desire of your love;
With the muse of romance.

Edward Kofi Louis
Together 4

Together!
To gather,
Here i am with you.

Edward Kofi Louis
Together

It's your future,
It's my future,
Living!
On earth together.

Blessed!  
Peace and joy,
Love and life,
The truth is the key!
Living on earth together.

Edward Kofi Louis
Together 6

Feet, meet!
Together,
To gather,
With the muse of love;
To utter the words of the truth!
Sharing with each other,
With the joy of the hearts.

Edward Kofi Louis
Together 7

You don't know anything about me!
And i don't know anything about you;
Together we can learn from each other,
Putting the world into a better shape! !
With the muse of peace and love than hatred and war;
Able to teach the truth to the people,
Able to direct them with positive morals,
Yes! ! The World needs peace than war.

Edward Kofi Louis
Together 8

Hands of love,
Legs of peace,
Hearts of joy!!
Together,
Taking care of the Earth;
With positive morals,
With the muse of the truth,
With righteous laws,
In the name of unity.

Edward Kofi Louis
Together, 9

Together,
A lovely night with you;
Thank you for the night.

Edward Kofi Louis
Together As One

Love and dreams!
Embraced,
Together as one;
With the reflections of life,
And the romance of nature.

Edward Kofi Louis
Together Forever

I thank you my love,
For the nice table that you've prepared for me;
I thank you my sweet lover for last night,
I will always remember you.
I thank you my love and,
We will live together forever!

Edward Kofi Louis
Together We Can Reach Out To The Sky

Love!
You know how much i need you;
So, don't put me always in the dark! !
But, put me in your mix.

Life!
Bright and peacefully and,
Dark and lovely.

Love!
I can't live without you because,
Your smile always ease my pain.

To the Palace of love,
And, to the Soul of the groove;
But, do unto others as you want them to do to you.

Love!
Don't leave me because i need you;
And, together we can reach out to the sky.

Edward Kofi Louis
Together We Will Stay

Love,
Together we will stay;
Under the umbrella of the works of the truth.

Edward Kofi Louis
Together With Some Friends

The accident!
But, a canoe came to his rescue;

Muse, use!
Together with some friends around;

At the Ada estuary,
For recreation!

Life,
To put on a nice face;

Ghana boy!
Ghanaian born;

To reveal,
With a point of contention.

Edward Kofi Louis
Toggo

Two young girls,
Sweetness and loveliness;
Two young boys,
Beatness and handsomeness;
Two young men,
Hidden behind the closet;
Two young women,
Take a trip to learn from my muse;
But be very careful about what you value in this life,
For i am Toggo from afar!

Edward Kofi Louis
Togo

My friend Hendrick lives in Togo,
So i don visit him from time to time;
But the windows of your love lie next to him.

Dear, pear, hear, fear, wear, sear, tear, clear!
Take a trip with me and let us meet Hendrick;
Bear, ear, gear, hear, queer, rear, year!
He is my friend and i want to introduce himt to you,
For the muse of peace and love need us all.

Edward Kofi Louis
Toi

Give the shields of gold to Toi,
The King of Hamath;
Like the Arameans of Damascus.
But the bride of bondage is like,
The merchandise of cinnamon.
It is all around us,
Of the merchandise of wine;
It is all around you,
Of the merchandise of frankincense;
It is all around me,
Of the merchandise of oil;
But the merchandise of fine flour is like,
The merchandise of wheat.

The merchandise of flowers for my lover,
The merchandise of cattle for my family,
The merchandise of sheep for my neighbour,
The merchandise of horses for my friends,
With the merchandise of chariots and slaves to remember!

Give the shields of gold to Toi,
The king of Hamath;
Like the merchandise of arms and,
The merchandise of luxuries.
Give the shields of gold to Toi,
The King of Hamath;
For weeping and wailing will be heard very soon.

Edward Kofi Louis
Toil

Foil,
Oil,
Soil,
Coil,
Toil;
The truth is the key that opens this door! !
The door of PEACE!

Edward Kofi Louis
Toil, Toll!

Toil, toll!
Attracted with the muse of love;

Place, lace, ace, pace!
With muse of the sweet thing inside;

Darts, arts, parts, charts!
Official and special with the muse of true love;

Fits, outfits!
Joy to the hearts of lovers;

Like the rising sun! !
Seen by the eyes;

And like the settling down of the sun,
Also seen by the eyes of love.

Edward Kofi Louis
Toil, Soil, Boil!

Toil, soil, boil!
You've made sex your hobby;
Jumpling from one bed to another! !
But, one day, you will die like a fool.

Sleeping with one person today and,
Another tomorrow;
Death is now knocking at your door!
Having many sex partners in your land.

Edward Kofi Louis
Token And Appreciation

Life,
Love cannot be hidden!
For it impacts on you;
Exposed to all,
With the joy of your heart.

Love,
With your token and appreciation;
With the muse of life,
With your positive comments,
Towards the works of the truth.

In a rosy land! !
Cordially with the fragrance of life;
Invited in,
With the romance of nature;
According to righteous characters.

Edward Kofi Louis
Tolerance

Life,
Love,
Peace,
And, with tolerance;
Sharing with all with the joy of your heart.

Edward Kofi Louis
Tolmai

The muse of life,
Distressed and helpless!
Like a sheep without a shepherd;
But, Tolmai your friend will guide you on,
Till you meet the river! !
Because, your lover is there waiting for you.

Tolmai, Mali, mail, Ali, to, tail, mat, Tom, am;
For the worse!
In spite of the measures put in place,
And, to curb the situation.
Ant, buoyant!
With historical lessons to learn;
With the help of Tolmai your friend,
Facing the Facts around you today.

Edward Kofi Louis
Tom And Jerry

Life,
It is never too late to learn a trade;
Muse, lust, joy!
Like the ways of Tom and Jerry;
But, learn how to do the right things in life always and,
Live in peace with your neighbours.

Edward Kofi Louis
Tom, Atom!

Waves of the sea!
This sea,
Wider and bigger! !
Streams;
Think before you act!
Because, any wrong decision you take can also affect your neighbour next door.

Line, Nile!
From the entrance of the harbour;
Why should i vote you into power when, you cannot control your own son to be a normal person?
When it is sunset in your land, it then means, sunrise in another land.

Nile, mile!
Let it be a very nice news;
Like a treasure of edible fish,
But, the mirror of the terror is only with horror! !

Polo, loop, pool!
A simple person;
Hard to come by,
Because, the sun does not sleep.

The river,
The river of love;
Tom, atom!
Like the muse of a violet star out there.

Edward Kofi Louis
Tomas

Unjust trial,
His name is Tomas and my name is Thomas;
They sound the same but spelt out differently,
But plump and round is the muse of this trial.

Edward Kofi Louis
Tombstone

I can see the tombstone of my lover but,
I don't want to cry again;
Because, she never listened to my advice and,
Death came and took her away! !

Edward Kofi Louis
Tome, Time!

Lust!
You cannot see through the truth;
Of the Black Substance,
Of the Red Substance,
Of the Yellow Substance,
Of the White Substance,
Cold cases! !
With the muse of Egyptology.

Life!
Between 20 and 40 years of Age;
But, know the father of this boy and solve the puzzle.
Love!
With Story time;
But, know the father of this Girl and solve the puzzle.
This Red Line!
It appears automatically under every word typed;
but, you need the sweet muse of love to guide you on.

Tome, time!
Like the growing of the African child;
Even though in poverty,
There are more smiles on the African faces.

One world!
One People,
One life;
Let love rule the world to overcome hate.
Life!
With the muse of the colours;
Love!
With the purity of the colours;
Movements! !
With the muse of peace.

Edward Kofi Louis
Tomlinson

Tomlinson, son, so, Tom, soon, noon, tin, Inn, in, too, slim, loom, to, moon;
E-Mail Codes!
To contact each other,
The founder! !
The originator,
Able to communicate with others all over the world;
Moving the world forward with the muse of the Computer,
Now with Smart Phones in the hands of many.
Thanks to Mr. Raymond Tomlinson who invented the E-Mail.

Edward Kofi Louis
Tomorrow

Yesterday is gone,
Today is with us;
Tomorrow! !
Yes, tomorrow!
You may see me and wonder.

Edward Kofi Louis
Feelings,
To sleep with the muse of love;
Melting,
Like the ice in the sun.
Life,
Tomorrow is another day with opportunities;
Hoping for a better living in your land.

Edward Kofi Louis
Tomorrow Is Here With Us

Tomorrow is here with me,
Tomorrow is here with you,
Tomorrow is here with us;
Like the computers of every levels.
Best described with beams,
Best targeted with infra-red cameras;
Like Patasi in Kumasi where,
I am very optimistic with my views.

Beyond issues,
I am with ideas to touch you over there;
Like President Patasse of the Central African Republic (CAR).
Tomorrow is here with us,
Like the very anthrax in the air!
Tomorrow, tomorrow, tomorrow! ! !
Where is tomorrow?
With the visibility of a phase one attack on the Twin-Towers;
And The World Trade Centre come into the hands of the terrorists.

We have the technology and we have the BOMBS,
We have attacks as well to keep us going;
Tomorrow is here with us today.
Action against humanity,
The desired impacts of our minds;
The criteria are well know to many.
Tomorrow is here with us today with a glimmmer hope,
Yet still we do have the wayward ways of many;
Like the ambitious and the sycophants in society.

Edward Kofi Louis
Tomorrow Is The New Moon

Another day,
Love,
Sweet love,
Tomorrow is the New Moon! !
Tell me!
What you want from me;
Whatever you need!
I will be there for you;
Love,
Sweet love,
Sweet dreams! !
To satisfy you,
In all respect,
To bring joy to your heart.

Edward Kofi Louis
Tomorrow Will Be Better

Bear, near, wear, ear, hear!
Tomorrow will be better my dear;
No fear! !
To gear up with the muse of the truth,
Clear! ! !
Pear,
Rear,
Tear;
Tomorrow will be better my dear.

Edward Kofi Louis
Preparing today's children for tomorrow's world,
But any mistake you make today can easily affect the rest of your life!
So be very wise and put on a positive character,
For a pleasant personality is what we need out of you! 

Edward Kofi Louis
Tomorrow's World  

Tomorrow's world!
Applications,
Submissions,
Appearances,
But, the reputation of the truth is known to,
Those who want peace on earth! !

The real sector of life,
The real secret of love,
Like a single window from heaven;
Voices, choices, invoice!
With a sample data;
An example with the acts of pur lives on earth.

The cost and the time of doing things!
Waiting for tomorrow's world;
With declaration,
Hitches, ditches, pitches, switches, witches!
Duplications and originals;
Seen all over the world.

Edward Kofi Louis
Ton, Torn, Thorn!

This ton of the cocoa sack is now torn at the side because,
There is a thorn in the sack;
However, it is just a minute for the minuet! !
Because, you are on the road to nowhere.

I am in the dark and very hopeful,
For the light will surely come to me one day;
Because, i am interested in the muse of love.

Ton, torn, thorn!
And like breaking the spell on you;
Because, the condom is no defence to you my brother! !
And, it is leading you to hell than closer to heaven.

Edward Kofi Louis
Tone

One,
Tone,
Stone,
Cone,
Clone,
Crone,
Throne,
Done,
Bone,
None,
Alone,
Gone,
Phone,
Lone,
Shone.

Edward Kofi Louis
Tones Of The Shore

Stones,
Tones of the shore;
Walking along the beach,
Hearing the songs of the birds! !
As they came around to enjoy their meal with,
What the sea offers them.

Edward Kofi Louis
Tongs

Tongs, song, so, on, ton, not, no, go, to, got, son;
Here i am my love with the muse of romance,
But send me your rose to satisfy my mind!
And like a small parcel full of surprises.

Edward Kofi Louis
Tongues Started To Sing

Tongues started to sing!
And mouths were filled with laughter;
As the hearts felt the joy! !
Gladness,
Those who sow in tears will reap in joy!
Without giving up on their dreams.

Edward Kofi Louis
Toni

I am momentarily frozen by the sad news,
But life goes on like the Kingmakers of my land;
And, i hope that one day we can bring the perpetrators to book.

To assist orphans and the vulnerable children,
To see to your problem and help you too;
But do not give up in life so easily.

Toni, life is about you and i;
And, it is like my ethos and your echo that it brings.
A lot of pain and inconvenience,
But life goes on daily for us to learn from it.

Edward Kofi Louis
Tonight

Take me to your house and let me see your room,
For i am the one who will bring you light on this love.
Give me the 'African Beer' on this love and,
I will tell you the secrets of life;
Like the bells and the gifts of dreams!
And i hope to meet you tonight as well.

Edward Kofi Louis
Tonight 2

Tonight is the night for my love,
And the same kind of pie is what i need;
Like the beautiful tie on your neck.

Encapsulate to the mind to praise!
With this sweet little thing tonight;
And, there is no place like home.

Edward Kofi Louis
A message to 'Big Tony' in U.S.A. and 'White Tony' in Ghana,
Gone are the days that we shared together;
But the marriage is dead when the pleasure is fled.
Sweet America we love you,
Sweet Ghana we love you,
Sweet Africa we love you,
But the summer to me is like life in Takoradi.

Edward Kofi Louis
You are too lazy to change the systems around you!
That's why you'll always need my service around you;
And, i'll always tell you the truth.

Of food in exchange of horses!
Of food in exchange for love;
But, you need me to tell you the truth always.

When i told you that i love you,
You told me that, you were too young!
But, now that you love me, i am also too old for you.

Lessons!
An old man and a young lady;
Lessons!
An old woman and a young man;
Life is like that at times but,
Do not worry about your circumstances today.

I will satisfy the muse of your sweet love with my mind!
Mind, kind, find, wind, blind, grind, bind, hind;
I will satisfy you with my love!
However, if you need me, just call me and,
I will be there for you.

Edward Kofi Louis
Too Legit To Quit

Think twice on this love because it is too legit to quit,
For love is like correction and you are too young to understand it;
But get the old man on your side to solve most of your problems.
To know is devine but to learn is better,
But try to take your blues closer before you close that door.
There can be miracles when you really believe,
For it too legit to quit on this love;
And it is very natural to belong to some one you love dearly.
Try to understand how much i love you and try to be yourself,
For beautiful and dazzling is the heart so sweet;
And i am her to stay on this love because i do love you.
A step forward is what you need,
And try to release yourself from all odds;
For tere can be a miralcle when you believe in it.

Edward Kofi Louis
Too Rough

Don't take in another drink,
Fo your eyes are turning round and round already!
And you will need my help to guide you on,
Because the days ahead are too rough! 

Edward Kofi Louis
Too Young To Die!

The old one,
The old man,
The old woman,
Controlled,
To exit it;
One night!
On sight,
The same night;
But, still in love.

Club of love!
With the muse of the Taxi Driver;
Foe, woe, hoe, doe!
Sensors,
Adjusting life,
With needs and wants;
But, too young to die!
Falling deep,
With a door in the floor.

Edward Kofi Louis
Took

Look!
Took,
Book,
To the brook;
To sit down and read,
Thereafter to prepare what to cook.

Edward Kofi Louis
Took 2

Look! !
Took,
Hook;
The book,
At the brook.

Edward Kofi Louis
Tooth, Sooth, Smooth!

Age, usage!
Sage,
The passage;
Tooth, sooth, smooth!
To export,
And to import;
Rate!
Radiate,
Date,
Mate,
Dine,
Fine;
With a bottle of wine.

Muse, use, infuse!
Money is not everything in life;
However, we still need money to enhance the life around us.

History! !
With the story,
Mankind,
Behind the veil;
Teach kindness to all and live in peace,
Than hatred and war.

Let whatever your hands find to be for a positive purpose!
Live with love,
Live in peace;
With humility,
To be well trained with the muse of the truth.

Joy! !!
To be well trained with the muse of positive morals;
Bringing peace to the world,
With Righteous Laws.

The truth,
Needed to move us on;
To bring peace to the world,
Light the Light!
To bright joy to us.

Let your light shine! !
To open up the file of positive morals;
The insight of life,
The sight of nature,
Because an honourable name is better than fine perfume.

A person who does the will of Yahweh abides forever! !
With Righteous Laws,
Peace and joy,
With the highway of true love.

It is better to choose the truth always,
To satisfy the joy of your heart,
And to train your mind with positive morals;
Folk tales!
A child is born;
With a special flower in the hand.

Sand, land!
With the muse of the world;
The magic of love,
The romance of nature,
The aroma of life,
The fragrance of the truth,
Facing the colours of creation.

Tooth, sooth, smooth!
Facing the ways of life;
With something tangible,
Something positive,
Port, report, support!
Like import and export,
With servitude and attitude,
With the gratitude of life! !
Going along with your works;
Driven with love.

Top of the day to you!
And after 34 years in absence;
For it will be my pleasure to set my eyes on you once again,
And like the roses of love in the land of your muse.

Edward Kofi Louis
Top, Stop!

Pop,
Hop,
To the shop;
Top, stop!
And to view around.

Edward Kofi Louis
Top, Too, Tar, Tip, Tab!

Floating along with my mind!
Enjoing the muse of life;
Exhibiting my works to the world,
According to righteous morals.
Top, too, tar, tip, tab!
Workers of life,
Show your love to the world!
With the muse of peace and joy;
Accepting all mankind without racism,
Unity is the key.
Top, too, tar, tip, tab!
With the romance of life,
With the aroma of nature,
With the fragrance of the truth!
Servitude and attitude;
With the gratitude of true love.

Edward Kofi Louis
Topaz

Topaz, top, to, tap, at, pot, Pat;
Among the muse of 12 precious Stones!
12 Stars,
12 Tribes,
Behold! !
12 Months,
Told, sold, uphold!
With honour;
Fold, old, gold!
With the works of peace;
Arise!
With the muse of the truth in the land of the living.

Edward Kofi Louis
Topple

Top,
Topless,
Topple,
Tore,
Toss,
Touch on,
Touchdown,
Torn!

Edward Kofi Louis
Torah

The Book of the Torah is beside you!
But, you've left it and gone out for your lovers;
And now, your nakedness had been exposed to all! !
Noted by us in this village as well,
However, when will you change and learn for the better?

Edward Kofi Louis
Torch Of Love

Touch me and light my heart with the torch of love,
And like the torch-lights in your town!
For i am really ready on this love,
And my muse is nicely prepared for you only.

Edward Kofi Louis
You need to read my poems thoroughly to understand most of them because,  
Each poem had its own level;  
And many are those which are needed to be read over and over again!  
So call in Torguato to start the first line with you.

Edward Kofi Louis
My love is like a tiny piece of Island,
And i am endowed with natural potentials!
But my heart beats when i do see you around.
I love you and i want you to be aware of it,
And you need a place to rest your tired body;
For love is the key of life!
Come to me my sweet lover,
For this tiny Island can easily host you and me;
And i am endowed with natural potentials.
Torma is my name and i love you,
For my heart beats whenever i do see you around;
So come to this tiny Island of love and share with me.

Edward Kofi Louis
Torman

The medical reports and the expenses,
And of a shelter against the storm and the expectations;
Stop the killings and help the people!
For your personal directorate means a lot.
Horrified spasm of violence and hate,
Out away the guns and let us care for each other;
For the anatomy of the game is all about us.
I am Torman and i need love and care,
But what i see around me tells the story over here;
And like the rains that came at last after thirty years.

Edward Kofi Louis
Torment And Sorrow!

Death and mourning;
But, here is the mind which has wisdom! !
For, the seven heads are the seven mountains on which the woman sits.

Edward Kofi Louis
Torn Down!

Lust,
Torn down!

Muse,
Used;

You committed fornication with her!
And now, she is torn down.

Lust,
With the filthiness of mankind!

Everywhere in the land;
Everywhere in the world!

Muse,
Used!

In the name of fornication;
Astonished!

I wondered;
As you took her to your room and, closed the door.

Edward Kofi Louis
Torque

Torque, toe, to, or, roe, ore, tore!
It really fits in as the laws required.
Life!
With the positive way of thinking;
Always with the truth.
Love!
Take a look of my heart;
Jeep, deep!
With the sweet words of love.
Member, remember!
With the days of our lives;
As we sat down lonely by the river side last night.
Love!
Take a look on my face;
And then, you will know how much i love you.

Edward Kofi Louis
Torquemada

Black and soft,
White and creamy;
Walk with me and let me show you the way,
For i am Torquemada from the land of joy!

Edward Kofi Louis
Tortured

I am born among humans and,
I have the view to breath again on your love;
And like the adventures of my lifetime.

Disputed bridges and the choice of a woman,
With something more meaningful in my lifetime;
But she tortured my heart by leaving me.

We all live in glass houses on this earth,
But should we throw stones against each other? !
And like the things we do for love and to end it at times,
For i am now under the shadow of darkness!

Edward Kofi Louis
Tortured!

Tortured!
Oppressed;
Lust of uncleanness,
Pressed! !
Stressed,
Walking after the flesh;
Corruption!
Unrighteousness,
Taking away the rights of others.

Edward Kofi Louis
Toru

The ancient celebrations of Baal Worship are merely like the modern holidays today,
But complete and perfect is my love for you my sweet Toru;
And this river near by you is all that you have to cross.

Edward Kofi Louis
Tossed And Afflicted

Illegal lust,
As a sheep before its shearsers is silent;
Stripes!
Bruised,
Stricken,
Smitten;
With hatred and war.
Wrath! !
Grieved in spirit;
Tossed and afflicted,
Liker the muse of the blacksmith who fans the coals into flame! ! !
And, winckedness today forges on war.

Edward Kofi Louis
Tossed By The Waves Of The Sea

Life!
Moved with compassion;
But his head was brought to the charger;
As he was romantically ruined.

Muse!
Half-human and half-horse;
Life!
Half- lizard and half-human;
Peace!
Half-bird and half-human;
But, the quartet carried out the plans! !
As written before Hand.

The belating of sheep!
Tossed by the waves of the sea;
Mission, vision!
But, to obey is better than sacrifice.

Edward Kofi Louis
Tossed To And Fro

Wickedness!
Tossed to and fro;
With the winds of life,
With the works of the world,
By the sleight of mankind!
Without the sight of the truth.

Edward Kofi Louis
Tossi

It never worked out the way i expected,
But Tossi my friend was there to help me through;
And i am now doing pretty well over here.

Edward Kofi Louis
Total Security

True love,
With the truth as the total security,
Bringing peace to all!
And joy to the hearts.

The truth!
Like patent rights;
Guided with the muse of the laws,
And, in the name of righteousness.

I live somewhere and you live somewhere,
But, love is the key;
The key of life,
Bringing us together in unity.

Edward Kofi Louis
Total Security II

Total security!
To secure your love;
And, to cure your heart with the muse of the truth,
Being sure of the times ahead of you.

Love!
With a pure heart and with the peace of the mind;
Wall, well, will!
For the truth is the diploma of love;
And, the diploma of life is with love, peace and joy!

Edward Kofi Louis
I am Toti and i am using an electric car;
So i only have to plug in and charge it like my mobile phone;
For the functional values of this care are from the battery.

Edward Kofi Louis
Totimey

You are sold to Potiphar like a male of the goats,
And of your sons and your daughters like a widow's garments;
But the children hat you have are,
All about the woman that you've married.
You are Totimey and,
You need the truth along the road of life;
But like she who played the harlot and now have children,
You need to learn at all times to keep you going in life.

Edward Kofi Louis
Totter

To drive away!
Outcast,
Overthrow,
Totter
Blow, low!
Sound,
Round,
Found,
Around,
Surround! !
Noted,
Used only for your love.

Edward Kofi Louis
Touch

Touch,
Retouch,
Magic!
In touch,
With the muse of sweet love.

Edward Kofi Louis

Kiss me and,
Love me! !
And, take me to the end point of love.

my love is always there for you!
So, come and let me be deep inside you;
But not like the crocodiles and the monkeys around me.

I am in this world with the bud of sweet love;
So, come and touch me and feel me!
For, i am in love.

Touch me and love me,
Hold me and kiss me,
Love me! !
My sweet one;
For, i am in this world with the bud of sweet love.

Touch me!
And let me remember this day forever! !
For, i want to be deep inside you;
And, i will always be there for you.

Edward Kofi Louis

I am burning out with the desire of sweet love but,
Who will come and touch my body?
Because this feelings of love is very strong and,
I cannot control my body and longer!
For i am burning up and i need you to touch my body,
So come to me now if you are the one to help me through.

A circle is on the face of the deep and,
My love is all that you need this time around!
Because i am burning out with the desire of this sweet love,
But blessed is the one who knows these feelings of mine.

Edward Kofi Louis
Touch My Heart

Like a flight with your inner self.

Edward Kofi Louis

The touch of love,
The power to surprise! !
You and i.

Edward Kofi Louis

Hard puncher!
Dangling in the air;

With the story behind the mask.

Love,
Her best is yet to come;

Your best is yet to come;
With our lines of feelings and thoughts.

Noted respectively,
With the muse of your love.

Edward Kofi Louis
Touched

Wonderful life,
Wonderful things!
Wonderful love,
Provided with the muse of peace;
Right and lawful with the works of righteousness.

Touched,
Tested,
Tasted,
Handled with the muse of love,
In this wonderful World.

Edward Kofi Louis
Touched 2

I am touched by your words!
I am touched by your works,
Like a brave hero with a charming lover;
Across the time of life,
Trying to know who you are.

Edward Kofi Louis
Touched By You

I'm in love!
Touched by you,
Touched by your works,
With the muse of positive morals.

I'm in love!
Touched by you,
Touched by your words,
With the frame of life and,
Fame of nature! 
Your works are life to my heart;
Touched by you,
Dignity and respect!

Progress,
Moving on;
With the muse of success.
To show it! 
In need of opportunities;
Moving along,

And, the best speech in life brings joy to your heart.

Edward Kofi Louis

Here in town,
In their own car.

Tours, contours!
Yours,

Neighbours,
Hours,
With the light of life and,
The works of peace.

Edward Kofi Louis
Tow, Bestowed!

Life,
With all entreaty and supplication in the spirit;
Tow, bestowed!
On you,
On me,
For the truth;
And, for the works of peace in the land.
The plan!
With all things done according to it;
And, without it,
Nothing was done.

Edward Kofi Louis
Toward

Forward,
Toward,
Onward,
Ward!
With the reward.

Edward Kofi Louis
Towards A Certain Place

The narrow path,
Towards a certain place;
Love,
Peace and joy! !
If you will accept the truth;
Life!
To live in peace;
Love and joy!
Let the truth be with you.

Edward Kofi Louis
Towards Home

The realm of consciousness is full of love,
The muse of life is full of laws,
With the self-indulgence of the muse of nature;
As mankind finds his or her way towards home.
Origin, Aborigine!
To abrogate your life-style;
but, the desire to know you is like,
The compassion and the courage of my heart.
Origin, Aborigine!
With a virgin-tongue to say a word;
And like a delicate matter to your heart.

Edward Kofi Louis
Towards It

You can be anything in this world if you want to;
But, you have to work very hard towards,
As you learn more about life.

The muse of life!
Some stories are better left untold;
And, you will be much humbled when you receive the truth,
From 'Kukurantumi' to 'Winneba' (in Ghana).

The muse of love,
Embrace her kindness to guide you on;
Through the narrow path with the truth,
Than with hatred and war.

The muse of pleasure things!
Like Acapulco Bay with the cream of love;
But, enter into the dragon to meet the tiger! !
Learning from your past mistakes to upgrade your status today.

The muse of nature!
With the view of the beauty of Mount Kilimanjaro in view;
At a distance! !
For her vision,
And, from her love;
And like the muse of a mango tree planted closer to an apple tree in your yard.

Edward Kofi Louis
Towards The Desert

Rise up and go! 
Go in peace, 
Move on, 
Towards the desert, 
Leaving the village.

Edward Kofi Louis
Towards The Truth

Let's all walk towards the truth!
A walk of life,
With peace and harmony,
The walk of love,
With righteous morals,
Like one drinking tea at the sea!
With the joy of his or her heart.

Edward Kofi Louis
Towel Of Peace

Wash your mind with the soap of the truth and,
Clean your heart with the towel of peace!
To bring honour to yourself and, all the people around you;
With servitude and attitude.

Edward Kofi Louis
Tower Of Voices!

Tower of hope,
Tower of peace,
Tower of love,
Tower of joy!
Tower of dreams,
Tower of colours,
Tower of choices,
Tower of voices!
With the muse of mankind on earth;
Along the ways of life.

Edward Kofi Louis
Towers

A curse is unto Canaan and,
A slave of servants he shall be to his brothers;
But the rainbow is the sign of the covenant.

Ham begot Cush and Cush begot Nimrod;
But Nimrod built the Towr of Babel!
And here we are today with many towers around us.

Edward Kofi Louis
Toy

Toy,
Boy,
Ploy!
Troy,
Joy,
Roy.

Edward Kofi Louis
Toy Story

Store, story!
Toy story;
Peter and the big dog!
Mary and the little lamb;
Assimilated,
Patriotic passion,
With the muse of eminent persons around.

The lady,
The gentleman;
The boy!
The girl;
Revolution,
Complemented;
With the muse of the men and the women around.

Edward Kofi Louis
Toy, Boy, Joy!

Day, pray!
To play and work with your hands;
With the muse of the ray at the bay,
And, to stay there for a while.
Toy, boy, joy!
To pay for the ice cream and,
To play with the clay at the bay;
To say something and to lay your hands on the sand,
With someone approaching you to serve you with a tray.

Edward Kofi Louis
Toys And Boys

Toys and boys,
Playing around like cat and mouse;
Beautiful!
Deep water;
However, let them throw away the guns and,
Leth us live in peace.

Edward Kofi Louis
Trace

Trace my house if,
You want ot meet me;

Trace my life if,
You want to know much about me;

Trace my words if,
You want to learn;

Trace my works if,
You want another level in poetry.

Edward Kofi Louis
Tracy

The pestilence in the darkness is like,
the terrors of the night! !
But i will surely look for you Tracy;
And, i will deliver you in the name of love.
Red, gold and green!
And, with the Black Star;
In Africa! !
In my land;
And, i will care for you.

Edward Kofi Louis
Trade, Grade!

Men and boys,
Women and girls,
Trade, grade!
Dress,
Address,
With the muse of the lamb seen around;
With your own guide!
But, dress well to cover your body.

Edward Kofi Louis
Traded

Impressive,
Magnificent!
Traded,
Enter,
Used;
With the muse of sweet love.

Edward Kofi Louis
Trading

Trade,
To make a profit;

Trading,
Gains;

Pass, compass!
Passage;

The image of a man!
To see his handsomeness;

The image of a woman!
To see her beauty;

Business,
Having something to sell.

Edward Kofi Louis
Tradition

Tradition is just like one-way traffic over here,
And you can't change the minds of the people around;
For their lives are programmed like a robot.

The law is very difficult for them to obey,
And it is all about a different culture and different people;
But their lives are always programmed like robots.

The tradition over here is very strange to me!
And you can't change the very minds of these people;
But at times, it is just like broken pottery in the hands.

Edward Kofi Louis
Traditional Meal

Feed me with your traditional meal,
Seal my heart with your sweet love,
Heal me with the truth!
Deal with me and uplift me with your works;
Real are righteous morals.

Edward Kofi Louis
Traduce

Induces,
Seduce,
Reduce,
Traduce!
Being very abusive;
And to hack with words.

Edward Kofi Louis
Tragedy! !

She was killed by a big crocodile,
As she went down to the lake in her village to fetch water;
The sad news is,
She was pregnant when she died;
Eaten up by a very big crocodile in her village,
Death!
Mother with her unborn child being eaten up.

Edward Kofi Louis
Trailer Load

Take five! !
'Ganja' smoke is in the air!
But if you live by the gun,
You will surely die by the gun as well.

False pretender!
With complicated issues to destroy your muse;
But pull up and come again!
For you are the most wanted person in this town.

Eye of the tiger and hands of a man,
Your trailer load of money was made from the guns!
But try to tell them the truth like the morning star.

Take five! !
You dare not to try it again!
For the guns will surely kill you one day.

Edward Kofi Louis
Train

In his brain!
In her brain,
In your brain,
In my brain;
But, let us all train our minds to come out better! !
Being a better person than before.

Edward Kofi Louis
Train A Child

Life,
Train a child how to fish;
So that, he or she may always eat!
Even in the days of drought.

Life,
Train a child to do the right thing than evil!
So that, his or her ways may be straight;
With a positive character.

Efforts!
Integrity,
Love,
Positive acts,
Peace;
In the land of the living.

Love,
To a greater partnership;
With your child,
Leading him or her on the right path.

Edward Kofi Louis
Train and prepare yourself always for the works of the truth;  
Uplifting your mind and heart with the laws of righteousness!  
For the peace of the earth in the name of unity.

Edward Kofi Louis
Train Up A Child

Train up a child how to fish! !
And, he or she will eat always;

Love's mannerisms,
In times like this;

'Thomas Alva Edison had only Three Months In School'! !
However, he taught himself everything that he was able to achieve in life.

Love and care,
Prepared nicely with the muse of the works of the truth!

With the sense of humility,
Guided with positive morals in life.

Edward Kofi Louis
Trained

I don't need to eat these things with you,
For they make me sick!
And i have been trained like a mouse to smell food.

Edward Kofi Louis
Trained To Kill

Lust!
Trained to kill;
Vanity!
Emptiness;
In the centre of the Roman Empire.
Lust!
With floating High School Boys and Girls;
Lust!
Making everyone your enemy.
Lust!
With the next sexual epidemic around you;
Lust!
trained to destroy others;
Lust!
Back and forth with your acts.

Edward Kofi Louis
Training Your Mind

12 monkeys!
12 keys;
12 donkeys!
12 preys;
Living in the jungle with the muse of nature.
Tax, taxi!
With the muse of the night in the jungle;
To hear the sounds and th noises of the acts of creation.
Tick, thick, lick, pick, stick, trick, Nick, brick, Rick, click, flick, hick!
Training your mind;
With the muse of the wind!
Like a man with a golden colt in the bush.

Edward Kofi Louis
Trampled

Tread!
Trample,
With the muse of the young lion and the dragon;
Greedy for wealth!
With hatred in your eyes;
But, your efforts were hindered.
Trampled!
Mystery Babylon;
With the wine of fornication and the beer of adultery,
As you indulge yourself in questionable activities.

Edward Kofi Louis
Tranche

Tranche, ranch, tea, he, an, ran, the, eat, ate, hen;
But, with illegal drugs in your hands always.
Dark circles! !
Tranche, ten, net, neat, heat, tar, rat, art, rent;
Forces of the Evil Empire! !
Tranche, tear, ear, era, are, near, tear, race, ace, trace;
Trace, race!
With lust in the eyes of mankind;
Filthiness, guiltiness!
With blood in the hands of mankind.
Oh life!
Bring peace to me than war;
Oh love!
Bring joy to me than hatred;
Be, she, he, fee, free, tree, agree, bee, we, wee!
To come out of it.
Words of command! !
To go in once again;
Life!
With the spirit of the laws.

Edward Kofi Louis
Tranny

At long last it is in!
And like the muse of your love;
But Tranny came in to show us various works of arts,
And like the joy of your township! !
But in hope will i still wait for you.

Edward Kofi Louis
Transcendent Moment

Love, life, peace;
Transcendent moment,
Landscape, seascape!
Minds,
Moment, movement!
With the niew of your eyes.
Fruit!
In the mist;
With the storm of the colours of love,
Captured like a fairy tale.
Love,
Inspirational;
Love,
Very wonderful!
And, truly with the hearts at peace.

Edward Kofi Louis
Trans-cultural views,
Your love came and touched me!
Revelations,
Your kiss came on my lips and took me higher! !
But i am now taking my steps gradually to follow after you.

Edward Kofi Louis
Transforming

Wind turbines!
Transforming energy;
Equivalent to muse of nature.

Attractive symbols of love,
With works and acts;
Embracing life with the laws of peace.

Positive!
Blessed to meet you;
Sweet love,
Joy, enjoy!
To rejoice with the works of the truth.

Edward Kofi Louis
Transforming Myself

Bottle water,
Words of love;
Green trees! !
Transforming myself,
With the words of peace.
Deep in my soul!
But, i do know this way;
Deep in my heart!
But, i do know that way;
And, you are now at the tower.

Bridges!
I understand these paths;
Botanical act!
I understand this way;
Love!
Into the night;
However, this love is deep in my soul.

In or out!
Bottles and hydrangea;
Like the Japanese Girl with white flowers.
Midst, list!
Of the present time;
With the natural beauty of love,
And, it is all for you and me.

Let me carry you along with my mind,
For, it is time to move on;
And, you can't help it! !
Because, you're falling in love with me.
Love, dove!
Beautiful eyes;
Transforming myself with the images of my gallery,
In and out.

Edward Kofi Louis
Transgresses

Ashes! 
Transgresses,
Evil like the Devil!
Mischief.

Edward Kofi Louis
Transitory

Story,
Transitory;

Our wants,
History;

Our needs,
With the muse of the factory.

Edward Kofi Louis
Transitory Life

Story,
History,
Territory,
Transitory life;
Factory,
Satisfactory,
Victory!
With the laws of peace.

Edward Kofi Louis
Translating my works,
Learning my ways;
Into your language and,
Into other languages as well.
My mind is far away! !
And, my mind is faster than my fingers;
Going along with the muse of peace.
Your mind!
On my works;
My mind!
With the muse of my imaginations;
Translating my works into other languages,
With the wind blowing around you! ! !
But, you need wisdom to understand most of my works.

Edward Kofi Louis
Trap

To trap her,
To trap him,
To trap you,
To trap me;
All in the name of illegal lust!
As one hates his or her neighbour.

Edward Kofi Louis
Trap, Rape, Tape!

Trap, rape, tape!
In the land of your muse;
As the news came to us.

Illegal lust!
being very far from the truth;
With many falling into sin so easily.

My name is Bartels!
But the bar tells you what i eat and drink;
However, this odd life of yours will not bring you peace.

Lust!
Lingering on the lips;
Ring, lingering!
To be said and heard;
However, you are very far from the truth.

Edward Kofi Louis
Trapezium

Trapezium, era, pit, pet, are, peat, term, mare, ape, ram, map, tip, ripe;
But, it is also time for is to live in peace than with the words of war!
And, with the shapes of love along with the shapes of peace in the land of the living.

Trapezium, trap, tap, pear, ear, reap, rape, rap, rum, tram, ramp, tramp;
Rape, tape!
But, my mind is what you need to direct you on this life;
Than raping the Young Girls in your town.

Pit, peat!
Trapezium, ran, am, zap, me, arm, pit, tape, tear, Tim, perm, zip, trip;
Perm, term!
Like a four sided figure;
Am, arm!
Doing the people's work in the land of your muse;
But, it is time to do the right Thing and, to live in peace with others.

Edward Kofi Louis
Trapped

You may be trapped in the hole!
But i am here to get you out;
For true love is all that i have for you.
I know how much you’ve gone through in life,
And i will do my best to show you the difference;
For it was a pretty thing to hear your voice.
You are more used than others and, much known around;
But i am half asleep and half awake!
So, let us face this issue at hand.

Edward Kofi Louis
I am trapped in success and,
I need a safe house to be in;
I am trapped in the mystics of many talents!
So, do give me a helping hand to reach up there.
Success, success, success!
I am trapped in success and i need help from you;
I am without a clue like a glue and,
My situation is like a paradigm of a proactive show.

Open the doors for me to enhance my various talents,
Of a readable and a compelling account of the myths of realities!
Who am i?
For i am trapped in success without a clue like a glue.
Like a sweeping story of pride is this message to your ears but,
Smartness in appearance fosters the smartness of the mind.
Be my guest into the world of wisdom and success,
For there is no vision except by faith;
And you may find what you want by looking for it.
To look beyond the blue lines and to be what i am today,
But i am trapped in success!

Edward Kofi Louis
Trapping A Man

Trapping a man and,
Killing him with your knives! !
Thinking that, that will solve the problem.
No! ! No!
There is no peace in this case;
Thick, tick!
There is no love in this case;
it will not even bring you joy.
On a selfish mission!
You have not been taught with,
The 'Peaceful Solution Character Education Programme';
And, you've made the world today like, a place of war! !
But, not with unity and love.
We need peace in this world! !
Than the bullets of war;
And today, you've killed a man.
Killing somebody won't solve your problems,
Bombing someone won't answer your questions;
And today, the blood of the man you killed are over your hands.
Why? ! !

Edward Kofi Louis
Traps

Where is your friend Rashid?
Has he forgotten to pay his bills too?
Then learn from this and be very honest to all.
Where are your close friends?
Time and time again to pursue for a while;
But your way of life will lead you soon to hell.
Like 'Tei' and 'Yao', you will also fall but once,
Where is your friend Rashid?
Like the truth behind your ears,
It will surely get to you one day;
You should all learn very well for the traps that you've set;
They are all waiting for you people.

Edward Kofi Louis
Trash, Rash, Ash!

Disqualified,
To walk away,
To take positions!
Growing up,
With mistakes along the line;
Trash, rash, ash!
Trying to bury your past.
Characters! !
Represented;
To spice the vents of life like,
The muse of the ice seen ahead of you.

Edward Kofi Louis
Travail

Travail, tail, pail, ail, it, at, tar, rail, rat, train, vat, rain;
And like the sun, the moon and the stars! 
But there is a little man around you who has no companion;
And it is better to eat in peace what you can hold in your palm than,
What is very far away from you!

Edward Kofi Louis

Just one's care,
Just one's peace,
With the act of passion and the romance of your works;
For a sweet-smelling aroma.

Edward Kofi Louis

Charge, change!
In your dwelling;
Tread, thread!
With your hope;
Clean and unclean!
With your mind;
Holy and unholy!
With your works;
Back to the Hebrews,
For, he brews with the muse of his love.
Tread, thread!
Of an inspired mind that teaches many;
To live in the heat and to cool your body with the fan,
However, backed with the salt for matured brains.

Sweet home, sweet home, sweet cheerio! !

Treatments

Six months treatment with oil and myrrh,
Six months treatment with perfumes and cosmetics,
But wisdom is better than rubies!
The treatments of our lives is like the linen from Egypt.

Wisdom is my sister and i am with the lovers of summer,
Understanding is my kinswoman and it is like the flowers of spring;
But my fruit is better than gold!
Like the eaters of winter and the players of summer,
Ethiopia and Seba are for a price;
But i have six months of treatments with my mind on the moon too.

Drinkers of autumn and the life on the seas,
Like a ritual bath without hope;
But before the dark black of the night,
You need six months of treatments before the flood.

Edward Kofi Louis

Character,
Trend, rend, tend, end!
Soft is the stain;
Boot, boost!
Often is the rain;
Xenon light,
To train your mind with love.

Soft and sweet,
But, with the pain from the chain around your leg;
Trend, rend, tend, end!
However, you are what you say you are when,
You are doing things secret in a hidden place without anybody watching you.

Strangers in the night! !
Where are you today?
I hope you are here to see to what i am today;
For, there is always hope in life.
Strangers in the dark!
Making things difficult for others;
Verse, converse, reverse, universe!
But, the death of love starts with anger.

Strangers in the light,
For far too long i have been waiting for this!
In this day and age;
But, let the truth lead the way and, do guide your mind with righteous works than evil.

Very difficult to learn them;
And, to teach you as you grow,
But, the muse of life around us in this town is with money and honey.

Tribute,
Like refugees in their camps seeking for help;
But, my loneliness is satisfied by this piece of work,
Able to touch the hearts of many.

Tribute,
With the sentimental muse of life to upgrade my mind;
So, try to cry if this tribute is for you and,
Let me wipe your tears with love.

Tribute!
Her ei come again to take up my stand;
In Harare,
With the spirits of the world holding up a meeting beside the grave.

Tribute,
Now the day is over with my comments;
Toiling along all day long to upgrade my mind,
But, the sun shines brightly by day and, the moon also gives us light by night.

Tribute of a lost one,
Tribute of a lost hope,
But, success lies ahead of me!
As hunger and starvation do lead the way;
However, the future is yet to be told.
Edward Kofi Louis

Tribute,
Brute!
Mute,
Not cute.

Edward Kofi Louis

But today, you are no longer with us!
Mother, rest in peace.
Your golden heart stopped! !
And, it broke our hearts;
With tearful eyes as we watched you passed away,
Rest in peace mother!
You've done enough for us.

With the right and proper way to conduct yourself in the world.

A plane,
A ship,
A train,
A bus,
A car,
Motorcycle!
A bicycle,
And, two legs;
Tidings of great Joy! !
With prompt response;
It's all about your sweet love.

Righteous Laws,
The truth from the beginning;
To live with prudence,
To eat with love and,
To sleep in peace.

One who rebukes a wicked person receives abuse!
But, the fruit of the truth is better than gold.

The truth is like a beautiful ornament on your neck,
Leading and guiding you on;
Along righteous paths.

Darkness is like the ways of the wicked!
Ready to kill and destroy;
However, a wise child brings honour to the house.
Abundant natural Resources in Africa!
But, we still linger behind almost in everything.

Edward Kofi Louis
Try

Country, wry, fry!
Try,
Poetry;
Don't cry! !
Dry up your tears;
Use poetry to free your mind,
Primary, secondary!
Merry,
Talking to Mary,
Story, history!
To be with Jerry;
With the muse of poetry.

Edward Kofi Louis
Try Me

Beauty,
You're still young;
But, try me and understand my works.

Edward Kofi Louis
Try The Rainbow

Colours! !
Try the rainbow;
Of the colours,
In unity,
To teach mankind,
With the muse of wisdom.

Edward Kofi Louis
Try To Call Me

The muse of life!
Try to call me whenever you need someone to talk to;
Because, i am always there for you.

Well, dwell!
To dwell with the peace of your mind in my arms;
And, to show you the ways of peace and love.

Dwell, well!
With the muse of the blue sky;
Bringing joy to your heart with the truth.

Try to call me!
Call me whenever you need someone to talk to;
For, i am always there for you.

Edward Kofi Louis
Try To Give Out

Enjoy your life,
Enjoy your work,
Enjoy your money,
But, try to give out to help others;
Because, you don't know tomorrow.

Edward Kofi Louis
Try To Help Others

You only think of yourself;
of your money and of your work!
But, life is not like that.

We have to help the poor and the needy;
In the society,
And, to be kind with the people around us.

Who gave you your life?
Who made you?
Then, think twice and help others.

Try to help others to bring peace to the world!
For, the Creator made us all;
And, with the help of the Creator, we do work to earn money.

Edward Kofi Louis
Try To Hold On To It

Life!
Try to hold on to your dreams;
No matter how hard they are.
Life!
Try to hold on to it;
No matter how hard it is.
The truth!
There's nothing you can do to turn it around;
Even with your lies.
Pin, in!
Quick and easy;
Here, hear!
But, to differ;
Edge, pledge!
With facts and figures;
Pub, hub, tub!
And like the big farm and the small farm;
But, there's nothing you can do about the truth.

Edward Kofi Louis
Try To Open Up

Foreclose! !
But try to open up;

The need for love,
The need for peace,

To learn by experience and re-evaluation;
Analysis! !

Critical thought,
Like an open debate in a free society.

Muse,
Personal growth;

Use,
New evidence;

Fuse,
Epistemic Humanity;

Infuse!
An examined life;

Not to refuse the truth,
Only to defuse tension.

Posibilities! !
Opportunities;

Request,
Quest to seek answers for the truth;

Questions of life,
With the muse of mankind on earth.

To agree!
Free with your mind;
To disagree!
Free with your mind;

But a tree stands to respect nature,
Knowing that we were made out of the dust.

Knowledge grows! !
A sincere seeker of the truth;

The truth is better than silver and gold,
The truth is better than hatred and war,

The truth is all that we need!
Able to bring peace to the world.

To find yourself in the world,
To find myself in the world,

Codes and tones!
Better with positive morals;

Uplifting the works of the truth always,
In unity! ! By loving all mankind without racism.

Edward Kofi Louis
Try To Tell Her

Love is not a decision;
It either hit you or, leave you!
So, try to tell her that you love her.

Edward Kofi Louis
Trying To Destroy The Land

Pride!
Your mouth is full of cursing;
To ride along with your wicked acts,
Trying to destroy the land.

Edward Kofi Louis
Tse

You sold me up but,
I am now trying very hard to get out of this net! !
However, i can't put off my eyes on you.
You've done what you wanted to do with me,
And, i now understand why some people cannot change in this life!
But, i will get out of this net one day;
For, i am Tse who never gives up in life.

Edward Kofi Louis
Tsetse

Beside and beside me,
These people are lying about almost everything!
But, my faith will lead me on;
For, I am Tsetse in the land of peace.
The massacre of the innocence,
A sad thing!
But, this is the whole message;
However, the birds of the air need some food.

Edward Kofi Louis
Tsotsi

Tsotsi, so, it, is;
At the campus,
Before, during and after!
Fact-finding,
Sensing danger! !
To the crime scene,
And, to put the devil to shame.
Rum, hum!
Of the night,
Of your fight,
Story, category!
Maintaining your advantage position;
On this matter.

Edward Kofi Louis
Tsujii

Tsujii, just, it, is, sit, us!
With the muse of the sick people and,
The dead animals;
Living in this crazy world with greediness!!
As one kills others in the name of money.

Your food,
My food;
To check what we buy in the stores!
As business men and women find their ways in, to destroy others;
In the name of unclean food.

Edward Kofi Louis
Tubby

Seasons of love and the orders of peace,
I am Tubby with my beard on fire!!
However, the beer on your table and,
The girl beside you will never solve my problem;
Because, there are more in life than flirting around!

Edward Kofi Louis
Tuberville

If you really love me then show it,
For love is stronger than pride.
You are no longer a child to look through the window always,
And you are the first to touch my heart!
But no one knows the side of you that i know.
You are Tuberville and i love you,
And of the muse of love that is still hidden within;
But try to show it to me if you love me.

Edward Kofi Louis
Tudu

To work,
To earn,
To learn;
Like the maximum and the minimum curves!
But, this lucrative venture came from a place called Tudu, in Accra.

Life and joy!
Like another promising writer;
But, a well written book is noted by its words,
And like the sweet muse of love in the land of beautiful flowers.

The progress at work!
The progress in Africa;
Well taught with the muse of peace,
But, I have to earn my living over here.

Life and joy!
Let us remember the very words of our ancestors;
For, true peace is not gained with the bullets of war.

Edward Kofi Louis
Tulips Galore!

Wet,
Romantic!
Blossom;
Tulips galore!
You are in love,
Before the dance;
And, with the shades of purple.
Power drive!
Seeing eye to eye;
Golf, gulf!
Meeting face to face;
Sky drive!
With the creative and the attractive mind of love.

Edward Kofi Louis
Tulips, Lips!

Hips,
Slips!
Ships,
Trips,
Tips,
Tulips, lips!
Clips,
Flips! 

Edward Kofi Louis
Tullow

Obsolete,
Possession,
Personal,
To respond to emergency cases!
But Tullow slept early last night,
And like your muse in the land of your love.

For unknown reasons and,
Fr reasons yet to be uncovered! !
But your welcome address was known to us;
And the related courses around you are now like,
The muse of your friend called Tullow.

Edward Kofi Louis
Tumult

Tumult,
He who flees from fear will fall into the pit!
To be taken captive,
She who fears about life will fall into the hole!
But my mind will always write words of peace,
And like the one in exile who needs some care.

Dare, snare, ware, fare, care, bare, hare, mare, pare, rare, tare;
But caught in the snare! 
And under the shadow of love i will lay down my head in peace,
However, It will be like a loney wolf in the forest!

Edward Kofi Louis
Tumult In The City

Lust!
Loosed like the wild donkey;
With scorns and tumult in the city.

Lust,
Can you tie the wild ox or, the furrow with ropes? !
Than think twice before you destroy the earth.

Edward Kofi Louis
Tunnel Of Love

Tunnel of love,
Passage of peace,
Blessed with the truth.

Edward Kofi Louis
Tunnel Of Love

Tunnel of love,
Tunnel of joy,
Tunnel of peace;
Cloak, oak!
Meeting you,
To teach me what to do.
Love,
With the truth;
Joy in my heart! !
On top of the mountain with you.

Edward Kofi Louis
Tunnel Ridge

Bridge!
With a tunnel ridge;
To ride along,
Like a self portrait;
Love! !
Between the morning light;
Bright light!
With the sight of your joy;
Word, world!
You are the best;
Insight with the muse of your peace,
Over this bridge.

Edward Kofi Louis
Tür Ohne Wiederkehr

Duft von perfüm,
Der Diktator! !
Wie die Sklaven durch die Tür ohne Wiederkehr!
Aber meine Meinung ist wie ein Signal für eine Fähigkeit.

Flüchtlingen für heutzutage,
Die Boote reise aus Afrika nach Europa! !
Wie die schwarzer Hautfarbe bietet der Sonnenbrand an,
Aber der Talisman an deiner Hals ist wie das Wasser und der Boot.

Bald sind wir dran und wir müssen Rückkehr nach Afrika! !
Und leben wie die Antilopen, Elefanten, Büffel, Löwen, Giraffen, Geparden und andere Tiere in Afrika;
Aber das Leben heutzutage ist wie die Sexsklavinnendamals!

Edward Kofi Louis
Turbo!

Turbo, tub, but, or, rob, rub!
Of the dark Orbit;
Rob, rub!
Of the dark object;
And, of the dark hole.

Bits, rabbits!
Alone;
Let us dance!
The River Dance;
Life!
Show and sell your works;
To the public.

Task, ask!
Concerning a lost treasure in life;
Smile, mile!
To come to the depth of the truth;
Fair, air!
People make choices everyday;
Gold, cold, old!
And, going though the pains once again.

Edward Kofi Louis
Turbulence

The land of the rising sun!
It is written as a story,
But with turbulence! !
For, we all saw what occurred in Japan.

Born in Babylon and now coming out of the cold! !
Why do you record down the message of my phone calls?
For, the muse of this land is now written as a story;
But, with snow on winter's day to cover up the old fashion.

Take a train and come to me,
Take a flight and reach out to me,
Walk the mileage and you will surely meet my home along the path;
For, i have promised you my love! !
But, there will be turbulence tomorrow on your way.

Edward Kofi Louis
Turbulent Like Water!

You are like a lion's cub,
And turbulent like water!
But, bring your sweet love to me and set me free;
Because, i have been in the cold for far too Long.

Now, new!
With the sweet muse of your love;
Living in the land of beautiful roses,
And, in robes of virgin white.

Edward Kofi Louis
Turkson

Of the bitter experiences in the days of Slavery,
Of the days gone by in pains and with joy;
But try to damper the spirits of others and move on.

We all need life and we all have pain,
But one day comes joy to make us smile;
For the transgressed of the laws changed the ordinace.

Turkson, an everlasting Covenant of love was laid between us;
But it had been put into the sand today;
And it behoved all of us to play our part to deal with this problem,
For you left me suddenly without a clue on this matter.

Edward Kofi Louis
Turmoil

Soil,
Oil,
Coil,
Foil,
Spoil,
Turmoil!
Facing the odds of life.

Edward Kofi Louis
Turn It On

Turn it on!
Go on with your joy;
So with your mind! !
Peace and love,
With your muse;
In the land of the living.

Edward Kofi Louis
Turn It On!

The magic of love,
Turn it on!
And feel free with your mind;
Enjoying the ride.

Edward Kofi Louis
Turn It Up

Turn it on,
Turn it up and,
Lay down in the arms of someone who loves you;
Sailing away with your dreams! !
With the joy of your heart.

Edward Kofi Louis
Turn To Me

Love,
Turn to me with your heart;

Love,
Humble yourself with the power of your heart;

Let pride be far from you! !
Ride along with positive morals;

Love,
With compassion;

Love,
To be merciful;

Blow, low, bow!
With kindness;

The passion of love!
Turn to me;

With the muse of your heart,
With the joy of your heart!

With humility,
On this love.

Edward Kofi Louis
Turn, Return, Overturn!

Converted,
Truning things upside down;
Ideology,
Reverse,
Overthrow!
Variation,
Rendering,
Orthographical;
Turn, return, overturn!
To breathe,
With the muse of the prophecy.

Edward Kofi Louis
Turned,
With the aid of a big weight;
This mechanism,
Under the light,
The old clockwork;
Preserved!
Protected,
With the muse of the promised one.
Sure, ensure!
Wound up,
Ensuring,
Hand, handle!
Functioned;
Throughout all these years.

Edward Kofi Louis
Turning Point

The point!
The turning point;
Confident and so calm,
With the world under your feet! !
However, you failed to respect the laws,
The laws of nature.
Life,
Living in the world today, full of trouble spots!
With things changing every now and then;
With the surprises of life!
Like the shootings in Paris.

Edward Kofi Louis
Turquoise

Turquoise, Ur, so, it, is, toe, toes, ore, tore, sore, roe, reo, sort, rose, rise, quit, quite, quote, quiet, site!
With glory and honour in the name of the truth along the line;
With it and into it, with the mind of your works,
And a great wonder in the wilderness of true love.

Edward Kofi Louis
Turtle

Turtle,
Tropical,
Love,
Moonlight;
In line with the muse of the Hummingbird in flight!
But, the writer has come,
Telling you the truth.
Love,
With hearts and roses!
Like the Palace of Fine Arts;
And, like sunset at the tropical sea.

Edward Kofi Louis
Twice As Much

Red-red-red-wine!
Red-red-red-wine on my lips and,
I am about to say something;
But the sweet of the meat is in the eater.

Does not the rain has a father?
Does not the rain has a mother?
For my ears have heard of you but now,
My own eyes have seen you too.

Twice as much,
As beautiful as the daughters of Iyyob;
For the stone which the builders rejected had become the head.
Today, i am the stone and you are my lover;
For i am the headstone of the corner.

Come and work in my vineyard,
And come and quench my heart with love;
Like a roasted turkey and cranbery source from Turkey.
Today you are mine and,
Like a roasted guinea-fowl from Guinea!
Come and make love tom me my sweet one.

Edward Kofi Louis
Twice As Much  2

Thin flakes like frost!
Twice as much like the other day;
Seen in the land,
As they appeared! !
On the ground.

Edward Kofi Louis
Love,
Teaching you how to be thankful;
In any situation,
Bringing peace to all.

Love,
Twice as much!
With the muse of peace and gladness;
Touching your heart! !
Deeper than ever.

Love,
To console and comfort you;
With the works of the truth.

Edward Kofi Louis
Twig, Wig!

The stranger!
The ranger;
Mused,
Fused,
Used;
Washed ashore,
With the direction of the waves.
Twig, wig!
Deposited,
With the muse of love and joy;
Natural,
With the works of nature!
Found at the seaside.

Edward Kofi Louis
Twilight Hour

Light,
Bright,
Twilight hour!
This love is very dear to you;
And, the aroma of this sweet love is what you always view.

Love sweet love!
True love is very dear to the heart;
And the last time you met him was two weeks ago,
Pen, den, men, women!
Trying to find a solution with your status.

Edward Kofi Louis
Twin Ropes

Twin ropes,
Planetary suite;
Elemental,
Like fallen leaves.

Edward Kofi Louis
Twine

Vine,
Wine,
Twine!

Edward Kofi Louis
Twins

Pregnant,
And the time came that she gave birth;
They were twins in her womb!
Heap of witness,
With joy songs;
Able to give birth today.

Edward Kofi Louis
Twirl, Swirl!

Elements,
On cement slabs;
Twirl, swirl!
With your muse.

Love!
With a kiss from the heart;
Like, 'Beauty and the Beast'.

Hall, all!
just die and you will see how many love ones you do have,
In Ghana! !
Where, Ghanaians spend more for the dead than the living.

Life!
I am always hopeful;
With your sweet muse and, with your sweet love.

Spare! !
Expense,
Like the dancing pallbearers;
But, Ghanaians do care more about the dead than the living.

Edward Kofi Louis
Twists And Turns

Tunes of life,
Twists and turns!
Joy in your heart,
Great dreams! !
After the ups and downs.

Twists and turns!
Love and loss,
Experiencing through life;
Facing the odds! !

Tunes of life,
Somehow to learn along the line;
To endure,
To overcome! !
To cure your heart with the truth.

Sure!
With a pure heart;
To secure the truth along the line,
Success at last!
Great dreams,
Great News,
With the aroma of nature.

Edward Kofi Louis
Twitch

Twitch,
Switch,
Hitch,
Witch,
Pitch.

Edward Kofi Louis
Two

The act,
With two people in the room;

The act of life,
The act of nature,
The act of love;

Two in the act!
Two in the room;

To tell the people outside,
What occurred last night;
With the muse of two lovers.

Edward Kofu Louis
Two Blue Bags

Two blue bags full of money,
Driven by a black car to swing my muse;
But you've aborted all the children in your womb and,
Now you are looking for a child.

Chickens exported to Africa for sale,
You have to learn always to gain a view;
Like the hour gone by without any hope.
Think twice,
Think before you act in this life;
For the future is very important!

Edward Kofi Louis
Two Camps

Two camps,
Two companies,
Two lovers,
To find honour in your sight;
With the muse of the laws!
Bright as the stars,
Right with the muse of the truth.
Life! !
With kindness and the works of peace;
When the right is done.

Edward Kofi Louis
Two Days Old

I am but two days old and i have no name,
Pretty young thing but i am nobody to you;
But i do know that i love you.

Sleep my little one when you are with a wise man,
Sing my sweet one when you want to know who i am;
For i am but two days old and i have no name,
But i am waiting for an intellectual exercise to touch my heart.

You better find out to learn more about me,
Because i am two days old and i only learnt from the womb;
But what can you say to a naked body? !
Since you've now made a bomb which can easily send me to the tomb.

I am but two days old and i have no name,
But you are snapping on my menu books!
And this pretty young thing is about to teach you.

Edward Kofi Louis
Two Faces

Gold and diamonds!
In the name of advancement to other and,
In the name of poverty asd well to others;
In the land of plenty,
With two faces.
Gold and diamonds!
To blame the equation on this earth;
but, with a sensible insight.
Gold and diamonds!
Like the stars and the moon;
But, the rays of the sun reflect on us.
Two faces! 
With the muse of gold and diamond in the land;
Yet still, the por are always working hard to dig them out of the earth,
To satisfy the rich.

Edward Kofi Louis
Two Female Bears

42 of the youths were eaten by two female bears,
Of a story in a sheep-raising land;
But, you use to pour water into my hands.

Today you are King in that area and,
You need to do a lot to save the rest of the children;
And do give ears to my poems when i do write.

The earth shook and the clouds poured down water,
But i am at Mount Tabor with my words;
Silence in heaven! !
To cast out fire on earth like rain,
But i am still alive to write this poem.

To a land flowing with milk and honey,
'Ahyah Asher Ahyah'!
I am who i am on this poem and,
You are a King in the land of the lost souls.

Of a tree days journey into the desert to cry for the dead,
You are what you are as the new King over there;
But the bears should be put under control.

Edward Kofi Louis
Two Golden Stripes

Love, life, peace;
Humility,
Meekness,
Like two golden stripes on a red carpet.

The covenant of love and,
The covenant of peace;
Bringing joy to the heart!
Like the two golden stripes on a red carpet.

Whose son is this boy?
Tell me if you know;
Whose daughter is this girl?
Tell me if your know;

Life, love, peace!
With the muse of nature in the valley of joy;
Accepted with the muse of the laws,
Where righteousness rules.

Edward Kofi Louis
Two Half-Circles

Wafts up!
Two half-circles;
A naked culture,
With the people always naked in the eyes of the public.

The truth will always crash you down! !
Because, you don't have power over it;
Land and people,
Sand and country,
Why worship the River Goddess?
Why worship the Forest God?

Edward Kofi Louis
Two Hearts In Motion

Wheels,
Heels,
Feels;
In motion!
He feels,
She feels,
Two hearts in motion! !
With the joy of true love.

Edward Kofi Louis
Two Hearts In Unity

I love you!
You love me,
Two hearts in unity;
Peace and joy! !
With servitude and attitude.

Edward Kofi Louis
Two Hills

Two hills,
Two walls,
True beauty!
With the view of the lilies;
And, to bloom around.
Dusk, tusk!
Nautical,
Vintage! !
Of the passage,
With a nice view,
Grassland in view!
And, with the view of the beds of the river across.

Edward Kofi Louis
Two Hills 2

Two hills!
A valley lay between them;
The head,
Plead,
Lead,
Stead,
Ahead!!
Read,
The plead of love;
The thread of life!
The muse of nature,
Oh bread of life!

Edward Kofi Louis
Two Little Birds

I will jump into the deep blue sea for your love,
For far beneath it lies our dreams;
So jump into my red sea of love and let me lead you on.

The light is shining unto me and it reflects back to you,
So come closer to understand my sweet love;
And, let us take a walk to see my home.

Two little birds that we are,
Of the muse of love to share like a dream!
But i will always jump into the deep blue sea for your love.

Edward Kofi Louis
Two Little Stars

Mercury and Mars,
Two planets,
Seen very far away;
Like two little stars,
From the eye view.

Edward Kofi Louis
Two Lovebirds

Two lovebirds,
To accompany her,
To accompany him,
Like a spiritualist!
Priority,
Not at a faster rate;
Looking at the bench of the bar,
With others riding on donkeys.

Edward Kofi Louis
Two Lovers

Two magistrates on my case,
Like a piece of wire to a rope;
Two magistrates on my love,
Like a piece of meat that waits in a plate;
But, can i leave my horses and wagon for a while?
Of two lovers in an act to swing my love around,
Like love turned round;
But, can i leave the court room for a while?
Two lovers climbing on the ladder of my heart,
They are two matured birds with sweet songs;
But, i am moistened with intense pleasure to taste their love.
The pleasure is mine when,
The two magistrates take a stand;
I only have to listen to them on my case,
Like the clamour of threats greeted by words of love.
While i admire the courage that is in me,
I also possess the measure of love to satisfy them;
But, where are my accusers?
My wrist, hands and eyes are supple enough to stand the try;
Like a bard from afar in an unknown land.

Edward Kofi Louis
Two Lovers 2

Two lovers,
Seen,
Walking hand in hand;
Like the movements of my past with you!
But today,
This wall has fallen down on me! !
How can i laugh again without you?
How can i sleep again without you?
These are my tears for you;
However, true love never sleeps.

Edward Kofi Louis
Two Minds

Of my childhood dreams,
It always starts from somewhere;
And like the muse of love that stood around me,
For it was like where two minds do meet at last.
Love is a beautiful thing,
But fools do not leave in the heavens above! !
Because they are always around you,
And i am like a castle with a tower on the side of a mountain.

Edward Kofi Louis
Two Months Older

He is two months older than i am;
He is the President and, i am a servant!
But, always working with servitude and attitude.
I do have my positive mind with me and,
I am very simple;
Because, i don't want to fall into the Troubles of this world.

Life!
Teaching and preaching what is right always;
Life!
Love needs to be taught than hatred;
Life!
Great peace have those who love the Laws of Yahweh;
However, true love is always the answer to peace.

Muse!
Love Needs to be taght than war;
Love!
hear the voice of Yahweh and live;
For, the Laws of Yahweh are what we need on this earth.
Life!
Yahweh is in control;
So, i live my life in a very simple way,
With servitude and attitude.

Edward Kofi Louis
Two People Living On This Earth

There are two people living on this earth but,
We don't really see them most of the time;
There are supernatural beings and human beings,
And with the best and the worst of life among us too!
The ugly and the beautiful,
The slow and the fast,
The male and the female,
The conscience and the unlearned,
The bold and the coward,
The circumcised and the uncircumcised,
The wise and the fool,
The positive and the negative,
The black and the white,
For these are the Creator's images on this earth.
Two people indeed are in the midst of things,
And like the dead and the living;
But to fail or to pass an exam depends on you.
Your faith may lead you on like your hopes and dreams,
With people who love you and those who hate you;
But the noise of the air is like the surface of the sea,
And like the mystic of life's own rules.
To be near or to be afar off,
And like a hard worker and a lazy worker;
But a boy or a girl who comes after birth to continue the ceation is like,
An incumbent and the opposition of a government seat!
Two identities indeed in the status of mankind,
Normal and the enlargement of things to think about;
For the selfish and the selfless are compacted together,
With many troubles to seek for peace at last!
Two identities on this earth,
And like the White House and the Black Stone in distance apart!
But the dark and the light will bring in reality,
And like the up and down of one's life on this earth.

Edward Kofi Louis
Two Pillars

The two pillars and the two networks of love,
With trumpeters and singers around;
But do wash in the sea of love seven times and come to me,
For this harvest is all about you on the other side of love.

Edward Kofi Louis
Two Places

Two places!
Properties;
I will,
You will,
But still in love.

Feast!
Appointed;
Technically,
Properly,
With Hope and Patience.

Edward Kofi Louis
Two Places  2

Two places,
Aces, paces!
Palaces,
Laces,
Races;
Gnat, ant!
Pant,
Plant,
Slant.
Two places,
Collectively;
Fish, dish!
Meeting,
Signal!
Extension,
To translate;
Sand, land, band, brand!

Edward Kofi Louis
Two Policemen

Two policemen stopped me and asked me questions this morning,
And I answered them in their own language and they were shock!
But life ai like that at times.

Edward Kofì Louis
Two Sides

The deep things of life,
The deep things of love!
Two sides,
Revealed and hidden;
Broader than the sea! 
But the ear test words and the mouth taste its food.

Edward Kofi Louis
Two Towns

Two Towns! !

Two houses;

Here and there,

Brown like your crown!

Own the truth,

Down the lane with your works.

Two roads,

Leading the ways!

Here and there;

Two Towns!

With the muse of the sky.

Edward Kofi Louis
Two-Edge Sword

The law and the prophets are sharpened than any two-edge sword;
But try to open your eyes because, you are naked!
And wake up to learn from the truth always.

Edward Kofi Louis
Two-In-One!

Devices!
The first to know;
Needed,
Uploaded,
Upgraded,
Plugged in.
Two-in-one!
Inspection and viewing;
Of the Blue Rose,
For, it just arrived.
Valley View! !
Hard work,
Fully loaded!
With the muse of your love.
Peace without justice is meaningless,
Enough to spare and enough to share!
But, set the records straight.

Edward Kofi Louis
Tychicus

Fold, bold, hold, sold, cold, told, gold, old;
But you spoke boldly to us! !
And to quench all the darts of the wicked ones,
For, whatever makes manifest is light!

Fitly,
But it is shameful to speak of the things done in secret! !
However, the light comes to overcome darkness;
And like the peace of a land far away from you.

I need to direct you on,
I need to lead you on,
For it is like the muse of Tychicus your friend!
But the narrowm path in the forest will lead the way.

Edward Kofi Louis
Tyler

Tyler, try, yet, let;
Will, still, ill, till, bill, mill, hill, pill, fill, gill, grill!
Comely,
With programmes;
Beginning,
Block, lock, dock, clock, flock, mock, shock!
With psotive and negative works mixed together;
Reign, rain, rein!
And, to see the end of your muse in the land.

Edward Kofi Louis
Type, Hype!

Type, hype!
With sensitive pictures;
Meeting you at the other side of the river.

Edward Kofi Louis

Tyrants, rats, ants, ran, sat, star, tans, tar, rays, at, an, as, trays;
And like cruel tyrants in the land of your muse,
But the heavens know who we are on this earth.

The ubiquitous fact on an ever-challenging event,
Of the ubiquitous act of nature to share my love with you;
And, i have a reserved bench for you on this love.
From the hook on the countless occasions of the beach-side-stories,
And like the piled up pressure of an act that penetrates one's mind;
But a steamy pitch is what we need to do with the unthinkable!
There are no touch lines here,
There are no tight encounters here,
And like the urge the surges on further to enhance an act;
But this day is noted by the on lookers.
I believe in your love songs,
I believe in your nice works,
I believe in those styles of yours to crown the day!
And like the predatory instincts at it's sharpest games.
Ubiquitous to a fact,
And of the high level cohesions to am obvious situation;
My love, my heart, where are you? !
But this day is noted by the on lookers.

Edward Kofi Louis
Ucassi

Your muse,
For it all;
My muse,
For it all;
And like Ucassi your neighbour!
But, i am ready to share my sweet love with you.

Her own style,
My own style,
Your own style,
His own style,
Our own styles,
With the cloud, the rain and the storm! !
But, do not give up on your dreams.

Edward Kofi Louis
Uche

Uche, where are you?
For i am using my free will to serve mankind;
And i will always remember you.

The care of Machpelah is like,
Four hundred shekels of silver;
And i will always remember you.

Your presence in Lagos was a blessing to us all,
But your lonely lover is still waiting for you;
And you are like a nice picture painted with beautiful words.

You expanded your love to al but now,
You are nowhere to be seen;
And, i will always remember you.

Edward Kofi Louis
Uchebulem

I have thirty sons and thirty daughters,
But you shall conceive and give birth to a son!
Do call him 'Uchebulem',
For i am the Seer next door;
And he is going to be the man of the people.

Edward Kofi Louis
Udaya

Udaya, day;
At the centre;
Listed,
Erudite,
Grandeur!
With the contributions from your works.
Man of the year!
Man of peace;
Flourished through the golden ages.

Edward Kofi Louis
Udo

The texture of your textile is very rich but,
Try to learn in every circumstances that comes your way.
Be prepared in any situation in life and try to give out!
Because this life is full of the right and the wrong people.

Udo, let your expectations be limited to your wants and,
Try to learn as life pushes you ahead!
For I am just an alien in your country,
And I am here to help you find the way to the truth.

Edward Kofi Louis
Africa's endemic corruption and political problems!
Of a sensual act to educate the minds with,
Common sense than with mere books;
For, the loans are not paid back.

Staffers!
Mentioned;
Methods!
Involvement;
Life and joy!
Believed;
And like a born activist! !
But, Udu is my name and, i was born in Africa.

Life in Africa! !
With illegal activities;
But, it is like a memoir to you when,
I do pour out my mind.

Edward Kofi Louis
Uganda

Yahweh actually builds each remnant in love to become Brides for Yahshua,
But my lover is still living in Uganda!
And like the voices of the rain in the thick forest of love.

Edward Kofi Louis
Ugliness Of Death

Illegal lust!
With the ugliness of death after raping the little girl;
Why? !
Taking someone's life because of your act.

Stopping!
Stoooping,
Snooping;
Mat, mate!

Why this act?
With the muse of your illegal lust;
She, issue!
Which has now led to the death of the little girl

Edward Kofi Louis
Ugly And Evil

Illegal lust,
Ugly and evil;
With rivals and opponents,
Trying to fight and kill each other.

Edward Kofi Louis
Ugu

Ugu my love,
I don't know whether i still have the items ready for you;
But, it is very necessary to root out the corruption around us today,
For, they are threatening the sanctity of the judicial system in our land!
And, we need to act very fast on this issue at hand.

Life!
On my way;
Muse!
Years later;
And like the sweet act of the muse of love that we shared.

Nature!
With the noise of the rivers around us today;
But, we have to bring the prepetrators in this land to book;
And by uprooting out all the corruptions in out land,
Because, they are threatening the sanctitiy of the country.

Edward Kofi Louis
On her encouragement and liveliness,
But we are strangers to each other;
And like Uli in the land of the living,
But i will face my fears to meet you always.

Edward Kofi Louis
Ultimate Union

Love,
Going on and on!
With the ultimate union of the hearts;
And, with the muse of the minds at rest,
In unity with the peace of the land.

Seeking for you!
With the muse of a joyful unity;
Life,
With the joy of your heart and,
With the unity of the land.

The muse of the sky!
Sitting down and learning from the stars;
With the muse of love and joy;
As i thought of you.

Edward Kofi Louis
Ultra!

Ultra!
At the point;
On the head,
On the spot,
With the pot,
And, to take the lead.
Port, report!
With the muse of love;
Port, support, report!
With the muse of peace;
Fort, port, report, support!
With unity in th eland.
Hour, honour!
With the muse of your sweet love;
Hour, our!
With the joy of our hearts in the name of peace.

Edward Kofi Louis
Umbarr

To vegetate with weeds,
And like an edifice on your love!
But i am Umbarr in the land of your muse,
And i do have more to say.

Concerned,
Surprised,
Facility,
Priority;
But with a defect! 
And like the muse of war;
But heeding to your words has motivated my status.

Edward Kofi Louis
Umblossomed Flower

Black!
Strange forest;

Dark,
Searching for a way through;

Love,
Bound development;

Specific,
Black butterfly;

Bridge, ridge!
Umblossomed flower.

Edward Kofi Louis
Umbrella

The umbrella,
To protect you;
Walking along in the rain.

Efficient!
Effective,
Attributed with the muse of the day;
With the showers of the rain.

Edward Kofi Louis
Umbrella!

The colours of the umbrella!
In your hand today;
Red, gold, green and blue.
Of the rain! !
To walk through,
Under the shade of the umbrella;
The big umbrella!
With colours;
Red, gold, green and blue.

Edward Kofi Louis
Umo

I don't belong to this place,
So i really have to do my best to get out of this place! !
For the ways of the people out here are not my ways;
And, i am Umo in the land of many troubles!

Land,
People,
Culture;
And like the things i do see around me always!
But being confident in everything,
For i have made up my mind to get out of this place! !

Edward Kofi Louis
Unabatedly

Tea, tease!  
Viral,  
Deluge;  
With skulls under.

Tea, tea!  
Relish,  
Unabatedly;  
But, we now have a new teacher.

Tea, team!  
To eat the red fish;  
But, not all that glitters in this life is gold.

A pauper!  
In the land of your muse;  
But with tender love.

Pend, append!  
In the case of the Court;  
And like a Spider in a king's palace.

Veer, seer!  
In the mind;  
For the sake of love.

Lawless!  
Disregarded;  
For, they dress to promote lust.

Veer, peer!  
Like water spilled on the ground;  
But, try to learn the ways of life,  
If onl yif you do have wisdom.

Edward Kofi Louis
Unable To Sleep

Unable to sleep,
That night;
Wonderful!
To find honour in the eyes of true love.

Rift!
Drift,
Gift,
Shift,
Swift,
Lift, uplift!
Bred for swiftness.

Ray, array!
Desires to honour;
Claim,
Proclaim! !
Aim,
Attached with love.

Decree!
Agree,
Free,
Like a tree! !
With a copy of the document;
In your hand,
In the night,
Wonderful!
Unable to sleep,
That night.

Edward Kofi Louis
Unadulterated

Rated,
Stated,
Unadulterated;
I called twice but,
Nobody picked the phone.
Content, contest!
To test your heart;
And, to know your mind.

Edward Kofi Louis
Unadulterated Wine

The content of the cup,
The content of the drink,
Taught, thought!
To wander around with the wonder of peace;
bringing joy to your heart.

Love,
It is like clean fresh water;
When the laws are kept and, the right thing is done!
The same as unadulterated wine;
Of the wine which is pure and presented as a clean product.

Edward Kofi Louis
Unbearable

Physical evidence,
Unbearable!
Born out of ignorance,
A case of lack of understanding;
Lack of discipline,
Lack of integrity,
Total darkness! ! !
Facing the ways of life;
Rip, trip, strip, hip, tip, lip, dip!
However, the truth hurts those who are not ready for it.

Edward Kofi Louis
Unbeatable

Story,
Call for glory!

Muse,

Honest and hardworking;
To discover and develop the leadership in you.

At the pleasant place;
With scholarships.

Love anf life,
Cherished;

It's all about you,
With your works.

Live your dream! !
Cross all limits;

With the muse of the truth as,
Your trusted and dependable partner.

Edward Kofi Louis
Unbent to her avoirdupois weight!
To foreknow her taste;
Like a sexy school girl in your town,
With a deer hunt to her culture!
Like the diva of love with romantic blues.

Edward Kofi Louis
Unceasing Hardships

Drenched! !
In misery;
Unceasing hardships,
Plundered and bare!
Like one walking in a pathless wilderness.
Drenched! !
Under pressure,
Moved to and fro!
Driven back and forth;
In pain,
Like feet in fetters!
Riverbed,
Parched and dry!
Compared to the deep things from the darkness.

Edward Kofi Louis
Uncertain

Uncertain,
Life without the truth leads to hatred and war!

Ruffian!
Crabwise;

Stand up for the truth with honour and uprightness!
To live in the spirit and walk in spirit.

Set your heart, mind and soul always towards the muse of the truth;
And, live in peace with your neighbours.

Rules are needed everywhere in the universe!
So, let the truth be your number one desire on earth.

Edward Kofi Louis
Uncertain 2

Uncertain,
Transcription,
To establish the facts,
Sometimes;
To establish your works,
To establish your love,
Circumscribed with the muse of your joy!

Edward Kofi Louis
Uncertain
But with favour;

Alliteration,
To look upon!

Derivation,
To put forth;

To sprout up! !
But with flavour;

Answering the ways of life,
In the land of the living.

Edward Kofi Louis
Uncertainly

Wild!
Wind,
Wing,
To fly away.

Edward Kofi Louis
Uncertainty

Time,
Of Religions and Philosophies;
Uncertainty,
With an elaborated kinship;
But my kinfolks have been left far behind! !

Edward Kofi Louis
Uncertainty

Uncertainty,
Property,
Properly,
Priority,

Edward Kofi Louis
Unchained

Intensive care!
Traditional healers,
Relapse,
Staff!
Social Welfare,
Carried out,
For various reasons;
To be cleared out,
Into effect.
Muse, use!
Deployed,
Removed,
Clear, ear!
From our own home;
Unchained,
With the muse of love.
Life!
To the protocol section;
For, the issue is now being misinterpreted.
Intensive care!
Relapse,
Traditional healers,
Social Welfare,
Staff!
Carried out;
but, it may not fit in your lifestyle.

Edward Kofi Louis
Uncharitable

Uncharitable remarks from you,
As you came and took my lover away!
And your muse dotted along the boundaries of my building;
However, i have a lesson to learn as at now on this act of yours.

Edward Kofi Louis
Uncle Adams

Your muse in America is what it takes on this poem,
But you have forgotten us so soon.
One day you will look back,
And one day you will learn very well;
For it takes a step after the other to climb up so high!

I am lost in my dreams because of you,
I gave you the way and now you've forgotten us all;
But now that you are a citizen over there,
You've taken the pride to be a selfish man than ever.

Edward Kofi Louis
Uncle J!

Uncle J!
Calling for you to understand the ways of life;
After playing with your life in the land of your muse.

The reformation!
The muse of your life;
After many years in the limbo.

Uncle Jackson Coffie

Uncle Jackson Coffie,
Gone out of our hands! !
Leaving Ghana to Sierra Leone many years ago;
But, your son, (my cousin) , Samuel Kwamena Coffie,
Is still growing strong and kicking with the muse of life!

You went to Sierra Leone many years ago,
Seeking for greener pastures;
You succeeded!
And married many wives and had many children,
With the muse of your Diamond Business.

You built many houses as your business boomed;
Even though, you never taught of us back home in Ghana.
Yes, gone out of hand after many years!
Then, the Civil War came in;
'Blood Diamond'! ! !
Killing many people and destroying properties in the land.

Surprisingly, you came home! !
And, you met your sister (my mum):
Telling us all that you went through,
With the muse of the Civil War!
With your body smelling like a dead body when we sat closer to you.

You hid yourself among many dead bodies! !
To save your life from the bullets of the Civil war;
'Blood Diamond'!
Killing and destroying everything in Sierra Leone;
However, you made it home leaving everything behind.

You hid yourself in the bush! !
Among many dead bodies;
keeping you alive for us to see you once again after many years in absence.
However, the life in Ghana wasn't suitable for you;
Thinking of the properties, wives and children that you've left behind.

So, you made up your mind to go back!
To Sierra Leone;
Hoping to search for your wives and children,  
With the muse of the wealth you had in Sierra Leone! !  
And, you finally left us without a trace.

Edward Kofi Louis
Uncle K!

Uncle K!
Waiting for you at the other side of the river;
As you were seen afar off.

Uncle K!
Calling for you to understand the status of life;
As you were about to cross the river.

Like the sun over every light;
Shinning into your lovely tent.

Lust!
With the muse of the devil;
But, try to understand your uncle on this matter.

Edward Kofi Louis
Uncle Parpa

Uncle Parpa,
Your love touches my heart and i am deeply in love with you;
For the night without you is like a captive bird.
I will love you till the end of time and,
I will leave my life for you.
Even the moon, the stars and the sun know what you mean to me;
And all alone in my room is you that i think of.
This deep love of an ocean's blue is like this red rose beside me,
But i will take my time to be closer to you than ever;
For your ture love and concern baths me like magic.

Edward Kofi Louis

Illegal lust!
With unclena lips;
Fire! !

Speedy to the plunder and,
Swift to the spoil;
Because, you are not ready for the truth.

Edward Kofi Louis
Unclean Spirits

Evil Works!
Unclean spirits;
With wickedness seen on earth,
With evil people destroying the works of the truth;
Spirits of demons,
Killing and destroying.

Edward Kofi Louis
Uncleanness!

Illegal lust,
This lifestyle!
Through the lusts of their own minds;
And, to dishonour their own bodies,
For the pleasures of this world.

Uncleanness!
Serving creation rather than the Creator;
In the name of degrading passions,
To showcase! !
To showcase the works of evil in their own development.

To violently turn and toss you like a ball;

Verse, serve!
With the muse of illegal lust.

Under house arrest,
For 10 years now;
Hoping that, one day you will gain your freedom.
Tears! !
With tears in your heart as well;
Still hoping that, you will gain your freedom one day.

Edward Kofi Louis
Under My Umbrella

Love and joy!
Love and life,
Love and dreams,
Love and kindness,
Love and peace;
Under my umbrella.

Edward Kofi Louis
Under My Umbrella Of Love

Your love is resting quietly under my umbrella of love,
And like a dark shadow in the land of sweet love;
but, the branches of the palm trees are needed over here.

I habe spoken my own words and,
You've heard my mind;
So, let me be the change you want in your life and,
Let me be in charge of the treasures of your sweet love.

Obsession! !
Like the desert road which needs the rain at times;
Ratings!
But do not go from home to home;
Head, heard!
Come and take shelter under the umbrella of my love.

Edward Kofi Louis
Under My Wings Of Love

You pressed her breasts so deeply and,
You remixed the drink for her to drink;
But she is now under my wings of love!
For you left her alone afterwards in the cold.

Edward Kofi Louis
Under Pretence!

Illegal lust,  
Under pretence!  
But, blood came out of your nose and,  
We have to help you solve your problem.

Fertile grounds!  
Prospective;  
To acquire the truth than, to burn in lust.

Hoe, toe, woe, foe, doe, roe, floe, canoe;  
Customs and border control!  
Competitive;  
Noon, neon!  
But, under pretence.

A flattering environment,  
Flawed;  
Weird!  
However, we came in to help you improve on your status.

Edward Kofi Louis
Under Stress

You are under stress and, need my love to cool you down;

Spatic dysohonia!

Wondering around the sea of love;

With this faint smile expressed on your face.

Where is your lover? ! If i may ask;

Vigilant to know the truth.

You are under stress and you need true love;

I have the great sense of humour to satisfy your muse!

So, don't be consumed with your negative thoughts.

Take a style with your outfit to reach out to my heart! !

Because i am over here to help you;

Use the natural light to enhance your status;

You need stress-free love in life.

Edward Kofi Louis
Under The Apple Tree

The noise of the thunder is like the voice of the Almighty!
But, i am sitting down under the apple tree waiting for the signs in the sky;
Looking up and, watching thw wonders of life,
For, the ways of the Creator are far beyond mankind.

Edward Kofi Louis
Under The Big Mango Tree

A little prayer is needed to be said on my uplifting;
And, through the struggles of my life!
From the hustle and bustle of my life in Africa.
The muse of life!
With hopes and dreams;
Trying to make ends meet with the muse of Africa.
Agree, free, tree, referee, degree!
With the rays of the sun during the day to touch my heart;
Living with hope without stepping back on my dreams.
The muse of love!
With the reality of the grief of life;
And, of the experiences to go through.
The muse of life!
With sickness, disaapointments and grief;
Trying very hard to succeed.
The muse of love!
Under the big mango tree to rest my mind;
As i laid down in my compound.
The muse of life!
Through the shape of things and, through the shapes of love;
Hoping for the roses of love to touch my heart.
The muse of life!
A person without a kindred is like a tree without roots;
But, life at times to me was like,
Weeping virgins in the forest of darkness.
The muse of life!
With hopes and dreams;
And, with the spirit of the rainforest of Africa to guide me on.

Edward Kofi Louis
Under The Big Oak Tree

The muse of love came and sat down under the big oak tree,
But, where is your wedding ring? !
If i may ask;
With the shadows of the mountains and the echoes of the land!
Like the soothsayers's tree in the land of your muse.
Your nakedness is now exposed and drunk with the lust of the earth,
Ambushed in the plains of love!
And like gathering grapes from your vineyard and to trod rthem with your nakedness;
As you do equate lust for love,
But, true love comes straight fromt the heart! !
Than, what you are now doing under the big oak tree.

Edward Kofi Louis
Under The Circumstances

Life!
With lust and love;
Under the circumstances,
And, to use the advantage to satisfy your muse.

The tension in camp!
After the training;
With the muse of your love and the lust of the game,
And, to use the advantage to satisfy your mission.

An on going issue!
Of major concern;
Up, update!
For you and me.

Land of freedom!
Full of surprises;
Like the muse of the first game and,
Of the last game under the circumstances of love and lust.

Edward Kofi Louis
Under The Clouds

We are all under the Clouds of life,
Here on earth to learn!
Changing every day with the works of the truth to become perfect,
For the purpose of creation.

Edward Kofi Louis
Under The Deep Ocean

A little tadpole swam into your river and,
It became an Island;
The Island expanded and it became a human being;
And the human being grew up to become a Nation!
The Nation went to war and it was conquered,
And today, its people are buried under the deep ocean like Atlantis.

Pole, tadpole!
Before the foundation of the world,
The Creator knew us;
From the righteous pleasure of His Plan with,
The flair of power to make us what we are today.

Air flair!
I am an ambassador of poetry in chains;
And, I am with much words like my wounds of my pain! !
But, I need a train in the rain to reach out to you with my brain,

Brain, drain!
Like the prayers against spiritual forces to make my way through;
Both on earth and to the heavens! !
For, our rewards are according to our works on this earth like,
The little tadpole.

Edward Kofi Louis
Under The Dome

Love, life, peace;
Let's go!
Under the dome;
With the umbrella of the laws,
Where, righteousness lives.

Edward Kofi Louis
Under The Feet

Fall, befall!
Under The Feet;
With the muse of your troubles in this land,
But, there is time for everyrthing in this life.

Life,
To live with the reality of the laws;
With the truth,
And, with righteousness.

Life, wife, knife, rife!
To the vineyard of your muse;
With a zealous judgement,
And, being zealous with the truth.

Edward Kofi Louis
Under The Great Trees Of Love

A talent and two sets of clothing,
With gols chain around your neck;
But, wash yourself always and be clean!

Horns of iron,
Clays of pot;
Cream your body always and be sweet for love.

Shields of gold and,
Shields of bronze;
Seen with a jar of flour! !

To the sons of the land,
To the daughters of the land,
Strongly attracted with the muse of love!

Grapes from the farmer,
Under the great trees of love;
And, to show you kindness.

Pressed grapes of sweet! !
Buuded with blossoms of love;
With honour and beauty.

Edward Kofi Louis
Under The Hammer

Golden house,
Golden room,
Golden bed!
Under the hammer with your works;
Golden rule,
Golden pen,
Golden act! !
Under the umbrella of peace;
Imagination,
With the works of Art.

Edward Kofi Louis
Under The Hat

Life,
Love overlives death;
And like a light under the hat,
With the muse of peace and joy.

Love, rooted;
The wonderful meal!
With a light under the hat.

Life!
With the front door and the back door;
Muse,
With positive people and negative people;
On this earth.

Snake River!
With the ways of nature;
Night,
Midnight;
Dramtic!
Graphics,
Bursting!
But, with colours.

Love,
Moments of passion;
Sun,
Sunlight!
Love,
With a passionate kiss;
Muse,
With the romance;
And, with the aroma of joy.

Love,
To let the water flow through;
With the muse of joy like,
A light under the hat.
Love,
To swing along! 
With the waters flowing through the valley.

Edward Kofi Louis
Under The Laws Of Peace

Life,
With righteous education;
And, with the righteous ways of love,
Under the laws of peace.

Life,
To walk in the right way;
With morals,
With the truth,
Under the muse of the laws.

Edward Kofi Louis
Under The Lotus Trees

Love,
Hiding under the lotus trees;
In a hiding place of reeds in the marsh.

Love!
Covered with the shades of the lotus trees;
Because, the willows of the brook now surrounds you.

Love,
Very confident;
With the muse of peace and joy!

Edward Kofi Louis
Under The Midnight Sun

To leap like a deer and to sting like a bee!
I did eat her food of love and it was like the honey for sweetness;
But be all that you can in this world,
Because this love is under the midnight sun!

Edward Kofi Louis
Under The Moonlight

Life!
In my ripe old Age;
And, of the things that i have learnt in this world.
I know your love by your name!
And, i know who you are;
Knocking at my door.
Life!
With the equidistant skip of love;
After being in the dark for far too long.
Life!
Of the blue moon,
Of the red moon,
Of the white moon,
of the yellow moon,
And, of your honeymoon! 
With the honey of sweet love dripping under the moonlight.

Edward Kofi Louis
Under The Mountains Of Love

Under the mountains of love,
With the muse of peace and joy!
But your nakedness i have not seen.

Edward Kofi Louis
Under The Muse Of The Laws

There is always a teacher in this life;
But, where there are no teachers,
There are no students as well.

There is always a leader in this life;
However, let us educate the Youth of Today with righteous works;
For them to have a better future.

Peace is with sincere love and sincere joy when,
The right thing is done;
Under the muse of the laws.

Once upon the muse of hope!
Once upon the fountains of water,
Once upon the mountains of love,
Once upon the valleys of dreams;
With the fragrance of life and the muse of the laws,
Where the truth rules in a walled City.

Motive your mind and your spirit and,
Let righteous works educate you in earth;
Somewhere in there with love,
Because, life is based on love if we want peace.

Edward Kofi Louis
Under The Muse Of The Truth

Righteous fellowship,
To keep your body running properly;
In unity with the laws,
Under the muse of the truth.
Peace!
Simply identified with the muse of the truth;
Compelling you to do what is right always,
With the joy in your heart.
Love!
In the real sense of the word;
In truth, peace and joy! !
Without hatred and war.
Life!
Coming in with the truth;
Under the muse of the laws,
With righteous fellowship.

Edward Kofi Louis
Under The Oak

Under the oak,
To take a rest,
To drink milk and water;
Positiveness!
Living with the positive conducts of life;
With the muse of positive morals.

Edward Kofi Louis
Under The Rain

Efficient,
Magnificent,
Teal petals!
To kiss you under the rain;
Outside,
Freshness,
Motion! !
Notion,
Emotion;
Swinging! !

Edward Kofi Louis
Under The Roof Of Love

Entered!
Entered in;
Granted,
Worthy,
For peace and for joy! !
And, for the love of your works.

Entered!
Under the roof of love;
With the joy of your heart,
And, with the works of peace in your land.

Edward Kofi Louis
Under The Rules

Nature! !
With the muse of the secret place of the thunder,
Under the rules of creation;
Order!
Other;
To follow after the works of the truth,
With the muse of the colours of creation.
Orders, others!
To teach us peace,
To teach us kindness,
To teach us true love,
To teach us the truth! !
And to bring to joy to our hearts.

Edward Kofi Louis
Under The Safety Net Of Your Love

I was 6 years old when it occurred to me,
I was 10 years old when it occurred to me,
I was 12 years old when it occurred to me,
I was 20 years old when it occurred to me,
And like my other experiences in life!
But, this whole story is all about my life;
And today, I am living under the safety net of your love.

Edward Kofi Louis
Under The Sea

This golden land,
This golden love,
This golden care,
This golden peace,
And of this Island of peace under the sea!
But seventy times seventy in the name of love;
So try to forgive and be forgiven in this world.

Edward Kofi Louis
Under The Sea  2

Under the sea,
Searching! !
Seeing the beauty down there.

Edward Kofi Louis
Under The Shadow Of Peace

Love!
Under the shadow of peace;

Wins, wings!
To trust in the truth;

With righteous works,
With positive morals!

Let the truth guide your soul and,
To get your mind be on the truth always.

Edward Kofi Louis
Under The Shadow Of The Almighty

Bed, bead!
To the one who dwells in the secret place of the Most High;
And, to abide in the laws of the truth,
Under the shadow of the Almighty.

Beds, beads!
With the works of the truth;
Man, manner!
To live with the laws;
With the works of righteousness.

Truth, trust!
With a shield of the faith;
Following the laws in peace and joy,
And, seeing the reward of the wicked with your eyes.

Edward Kofi Louis
Under The Shadow Of Your Wet Love

I am the rose on your bed and the lily of your sweet valley,
And alas like the apple tree in your valley of love!
So let me sit under the shadow of your wet love with my muse,
Because you have the eyes of a dove and your beauty is beyond compare!
You are very beautiful ans delightful my sweet one,
For your perfume sent out its fragrance and it came and touched my heart!
Oh fairest among women,
Behold! You are very beautiful my love;
And like Pharaoh's chariots!
So come and lie down with me and let me put my head between your attractive breasts.

Edward Kofi Louis
Under The Sun

Of your words under the sun and,
Of the muse of your love shared by many!
Enjoying your pleasures and enjoying your love,
And with all under the sun!
But let me gratify my body with wine and,
Learn to fo righteousness to all always.

Edward Kofi Louis
Under The Umbrella Of Righteousness

The quality of life,
With the resources needed;
But life is all about you and me on this earth!
So, let us all do the right thing.

You and me!
Following after the laws of peace;
For the unity of the earth.

The truth is bitter to the fool!
For he or she is not ready for the laws of righteousness;
But, tomorrow will never end! !
And, nobody knows tomorrow.

The truth is sweeter like sugar and,
Lovely like positive moral character to the wise;
Because, the right medicine for life is love!
Under the umbrella of righteousness.

Edward Kofi Louis
Under The Umbrella Of The Truth

Pleasure!
Sure,
Pure;
To cure your heart,
With the muse of sweet love,
Under the umbrella of the truth.
Please,
Lease,
Release!
Ease,
Not to leave this place;
With the flow of love! !
With the joy of your heart,
With the muse of true love,
The heritage of your love! !
With the beauty of nature.
Age, heritage!
Understanding the ways of life;
Understanding the ways of love,
Under the umbrella of the truth.

Edward Kofi Louis
Under The Wings Of The Truth

Love,
To cover yu with feathers!
Under the wings of the truth;
Bringing joy to your heart and your mind,
With the muse of laws of righteousness.

Love and peace,
Shield and buckler!
With the muse of the red cover,
With the muse of sweet love;
And, with the joy of your heart.

Edward Kofi Louis
Under This Heavy Burden

Crying in my heart! !
Under this heavy burden,
With no tears coming out.

Edward Kofi Louis
Under Your Pillow Is...

Prior,
Precautions,
Enforce! !
Placed under your pillow is my picture;
But your neighbour is unauthorized to see it.

Of the hard objects and the sharp objects,
More and more with heavy metals to respect your muse!
But placed under your pillow is my image,
Because i am always on your mind! !

Edward Kofi Louis
Under, Wonder!

Service providers,
Needed;
Repaired,
The quantum of watts needed.
Under, wonder!
With the log book of repairs,
And, with the ways of life under the sun.
Under, wonder!
Uninterrupted;
Met, meted!
Noticed with the sweet muse of love;
Apply, supply!
With the muse of the service providers;
Along with the muse of nature.
Undercover Boss

Muse,
Undercover;

Undercover Boss! !
With the muse of life.

Rover,
Moreover;

Lover!
Undercover Boss.

Edward Kofi Louis
Undermining

Corporation,
Community,
Communications,
Authority,
Undermining the works of peace;
With the negative acts of the people.

Edward Kofi Louis
Under-Resourced

Muse!
Delegated;
But, you are now under-resourced.
Life!
And so on and so forth;
With the muse of your love.
Depth!
Queried;
With a huge structural deficit problem;
But, let your voice be heard in this town and,
Let me know your ways.

Muse!
With increasing expenditure in your land;
Without efficiency.
The muse of life!
With the ways of mankind;
But let your voice be heard in this town and,
Let me know your mind.
Life!
With the spirit of love;
So, live and let us live.

Edward Kofi Louis
Understand These Things

Men on credit,
Does it pay to be kissed today?!
Women on credit,
Does it pay to be loved today?!

It's name is often it's aim,
It's idol is often it's call,
It's word is often it's work,
It's flight is often it's fight,
It's move is often it's mode,
It's act is often it's art,
It's drink is often it's liquid,
It's body is often it's board,
It's county is often it's country,
It's play is often it's pay,
So open up your minds and try to understand these things.

I am outside the mind of my imaginations and,
I am outside the sphere of our influence;
But my mind and my attitudes are towards you and this world!
For, our humble pies will help others in need too.

To show the care of love and peace,
And of the colours that matches with a mark;
But, it's face colour is often it's book!

It's news is often it's message,
It's source is often it's growth,
It's hair is often it's age,
It's eye is often it's signal,
It's food it's often it's body,
It's class is often it's rom,
It's home is often it's bed,
It's bag is often it's bread,
And with question marks to understand this world!
But, open your minds and try to understand these things.

Edward Kofi Louis
Understandable

End, earned!
Personal,
Compasses,
Pen,
Pencil;
Understandable.

Air, stair!
Latitude,
Longitude,
Allowances! !
Receiving,
Understandable.

Full time!
Part time,
Income,
Earned;
Servitude,
Attitude,
Gratitude,
Understandable.

Edward Kofi Louis
Understanding

The wise in heart will be called prudent,
And the mind of the wise guides his mouth!
But, the man who has found the right wife has found joy.

He who cherishes understanding will find success,
So chasten your son while there is hope;
For, what benefit is it for a fool to buy wisdom with money?

Edward Kofi Louis
Understanding Each Other

Love!
With the joy that we all share;
Unity and peace,
Time of love,
Sharing and gaining,
The hearts of joy! 
Understanding each other,
With the muse of true love.

Edward Kofi Louis
Underwater Garden

Underwater garden,
Deep down in the sea,
To give back to nature,
To help the muse of life,
Knowing what is ahead of mankind.

Edward Kofi Louis
Underway

Games and thrones!
To the River of Crocodiles;
But, it was written as you spoke.

Poetry!
My sweet love will always find your hiding place;
In Memphis.

Ten, tendency!
Roswell, Rose, well, rose, so, or, sell, lose, low;
Because, your sweet love is underway.

Love!
You will take it;
With the sweet muse of joy.

Love!
You will drink it;
With the sweet muse of joy.

Love!
You will eat it;
With the sweet muse of joy,

Your sweet love!
It is underway to meet my heart;
Love!
Viewing;
With the joy of my heart.

Muse!
To enhance the way of my life with your love;
And, to understand the ways of your sweet love.

Edward Kofi Louis
Undisputed

You need the tools to work with;
Like a plumber.

Redemption!
Freedom;

Action and movements!
Undisputed.

Edward Kofi Louis
Unearthed

Along a journey,
But, let us depend on love!

Unearthed,
For a safer world;

Trust! !
With the works of the truth.

Edward Kofi Louis
Unequally

Darkness!
Usually,
Unequally,
Worthlessness,
From place to place;
Seen always around us.

Edward Kofi Louis
Unequivocal

The sign of love and the sign of life,
With unequivocal symbols!
With the name of your muse;
Three days and three nights with your love.

Edward Kofi Louis
Unequivocally

Log, lodged!
Accrued;

Fund, found!
Being truthful;

Grossed,
Bidding for time!!

Tempt, attempt!
That is the truth;

Point, appointed!
Anytime;

Tire, hire!
Unequivocally;

Vision,
Mission;

Stated emphatically,

Stated,
Everywhere;

Scheme!!
Somewhere;

Component,
Commission;

Contributors!
The First Batch;

Declared,
The Second Batch;

Loan, load!
The Third Batch;

Solo, polo!
In the land.

May, way, day, say, stay!
Seeing the works around;

Location, vocation!
On a vacation;

To light up your heart with love,
And to see to the issues around;

Store, restore!
Floating along;

The waters,
For peace;

In the path of righteousness,
To comfort your soul with love;

Bate,
Debate!

Overflowing with the works of the truth,
Able to table the matter across;

Addition,
Subtraction;

Division,
Multiplication;

There is a space out there! !
But, there is a way out here;

Complacent,
Cardess;

Confident,
To be ready;
To be introduced,
To the liberal things around;
Rolting,
To swing along;
Finger, figure!
Convinced.

Edward Kofi Louis
Uneven Strokes

It is well with my soul,
In success and in health;
It is well with you,
In joy and in peace;
But love is like uneven strokes,
So is marriage when you fall into it.

Edward Kofi Louis
Unexpected

Unexpected,
To be caught off guard!
Entitled,
On your way home;
But your reputation precedes you!!
So set your mind on my love and let me love you.

Edward Kofi Louis
Unexpected Event

Burr,
Bun,
Bum,
Likely,
Really,
Used to;
This great person!
Back to the real world,
Like arts and crafts.
Sleeping,
On the couch;
With figures, shapes, shades, images and colours! !
However, it was more than that;
because, i was preparing myself for an unexpected event.

Edward Kofi Louis
Unexpected Journeys

Love,
With unexpected journeys!
Deep down,
Down into the woods;
With the romance of life.
Set up!
Stay up,
Stand up;
With the muse of summer's breeze.

Edward Kofi Louis
Unexpectedly

Hereafter,
Within,
Between us;

Henceforth,
Thereafter,
Because of greed! !

Unexpectedly,
Order! !
However;

Other,
Others,
Otherwise;

Wherever,
Whenever,
Moreover;

Whatever!
Like the climate change;
With bowls and lamps in the hands of the people.

Rose, Rosette!
Like leaders and rulers;
But, er need peace than war.

Yours truly,
The love of a sweet poet,
With the muse of the fragrance of life;

Landscape,
Watery places,
Rice, price!

Writing,
Nice, nice!
To feel free with my mind.
Edward Kofi Louis
Unfailing

Fulfilling,
Banking,
Sine!
Shine,
Reading,
Learning,
Vine,
Wine,
Powerful! !
Plains,
With plans,
Unfailing,
Pine, cine!
With the nice view of love;
As the water dripped in.

Edward Kofi Louis
Unfaithful Friend

Coals of fire! !
With hatred and war;

A bad friend,
Like vingar on soda!

Unfaithful friend,
Like a lame foot;

A backbitting tongue,
Like a bad tooth;

An angry look! !
Ready to kill and destroy.

Edward Kofi Louis
Unfaithfulness

Unfaithfulness,
Last night;
Taming,
Endless,
Indissoluble,
Mournful;
With the muse of your negative acts.

Edward Kofi Louis
Unfit

Weather, whether!
Perhaps with nature,
Perhaps with your love;
Whence, pence, hence!
Nonentity,
Compared with the fragrance of the laws.
Fix, mix, prefix!
With an interrogative order;
Whither,
Contracted;
But unfit for today.

Edward Kofi Louis
Unflinching Love

Scandal! !

Unflinching love;

His world came crashing down,

Of a heart-rending account! !

Disclosing the encounter.

Edward Kofi Louis
Unfolding

Love,
Unfolding;
Lighting the way!
With the muse of your romance,
And, with the aroma of your joy.

Love,
Overviewed with the peace of your mind;
Like the muse of the colours in your room,
And, with the sun on your side like the grapes of life.

Love, drove, dove, rove, move, prove!
In all things,
Unfolding the magic in your heart;
Deep down to the roots of life.

Edward Kofi Louis
Unfolding 2

Underlying,
Hidden feelings of love,
Unfolding feelings of love;
Beyond!
So deep;
With a powerful message from your heart.

Edward Kofi Louis
Unforgettable Journeys

Life, love, muse;
With unforgettable journeys from childhood to adulthood;
Satirist!
Like Islands surrounding an estuary;
Fence, defence!
With the ways of one's life from childhood to adulthood.

The rise of gold,
The rise of silver,
The rise of your sweet love;
With the journey of your youth.

To hire a boat!
To cross the river;
With unforgettable journeys to meet up your muse,
And, with genuine openness.

Fence, defence!
To defend the walls;
But, an eye for an eye makes the world blind.
Critics!
With grants and loans;
Along the line,
Trying to make ends meet.

Edward Kofi Louis
Unfruitful Works Of The Darkness

Lust!
With all uncleanness or covetousness;
Lust!
With filthiness around you.
Lust!
With the unfruitful works of the darkness;
Lust!
Awake with the truth;
Lust!
Of those things which are done by mankind in secret.

Edward Kofi Louis
Determinations, Acts and Success;
Tell me what you want me to do!
For, i have no cause for alarm.
Unger!
The time is ripe for you to care for me;
So, tell me what to do and,
I will obey your order.
To your info,
Special people are used on this earth to help others;
So, be on the verge to help me! !
For, true love comes straight from the heart.

Edward Kofi Louis
Unhealthy Bodies And Minds

Unhealthy bodies and minds,
Destroying the world around us today;
With hatred and war!
And, with the acts of terrorism.

Edward Kofi Louis
To move on with a unicycle and to reach to your destination,
But her body was very soft to touch!
However, be careful that, you do not fall into her traps;
Because, she had been sleeping around with all the men in this town.

She came to me last night almost naked!
And, i was able to overcome her tricks because,
I knew much of her stories in this town! !
So, be careful that you do not fall into her traps.

Oh yes! ! The nakedness of a teenage girl can lead a man to sleep with her;
So, be very careful on your steps along with her alone in the dark!
And, try to get back home on your unicycle without any problem.

Edward Kofi Louis
Unilateral

Unilateral, real, unite, tea, tear, ear, era, eat, ate, rent, ten, neat;
But, brushed aside!
Because of the various wars around the world today,
But, let us sit back and read 'Matthew Chapter 24' once again.

The brand of life,
The brand of the wars by mankind!
Unilateral, rat, tar, art, line, near, unit, late, rate, rite, lent, learnt;
With weapons everywhere.

Life,
Let common sense teach you!
And to educate your mind with the truth than,
With the weapons of war;
Which destroys all of us on this earth.

Edward Kofi Louis
Unimaginable! !

Muse,
Memorable!
You did this to me;
Fuse,
Unforgettable!
You did this to me;
Infuse,
Longing for another love!
You did this to me;
Defuse,
Longing for another opportunity!
You did this to me;
Revealing!
Existence,
Yearning,
Viewed;
You did this to me;
And like the valley of the shadow of death.

Edward Kofi Louis
Unimagined

Unseen,

Unimagined;  
But the soul lives on.

Edward Kofi Louis
Union

The union of husbands and wives on this earth,
Marriage is the key to respect your muse;
But, you are bound to each other as Long as you live.
Words of love,
Ways of life;
With the works of unity and peace,
But, try to take care of each other on this earth.

Edward Kofi Louis
Union 2

Onion,  
Ion,  
Opinion,  
Lion,  
Union,  
With the units of life;  
Super!  
Superlative,  
Spectacle with the romance of nature.

Edward Kofi Louis
Union 2

Union! !
With the muse of the onion,
My opinion,
I met the wrong person.

Edward Kofi Louis
Unions, Pinions!

Life!
Harshly,
Because of hatred;
Unions, pinions!
With the ways of mankind on earth;
However, we always need the truth.

Life!
To labour in vain;
Because of illegal lust! 
Which destroys the ways of peace.

Edward Kofi Louis
Unique

A rising star,
Wise men from the East;
A Virgin Lady to her husband with a unique flair,
But this was to be fulfilled.

Raised under unique environment for your love,
And to foretell it before hand;
But the rising star was traced by the Wise Men from the East.

Health, joy, love nad peace;
Of the golden oil to be pour on you,
But held in high esteem to crown the day on this news.

The secrets of the Bible,
Of the seventh malak to speak out loud;
But the army of the horsemen are now in the dark.

Darkness!
We are all in the dark waiting for the light;
Like the message from the seventh messenger.

Your innerself,
Over and over again to gain the wisdom of this news;
With the unique hour on the white throne.

An hour,
A day,
A moon;
Dressed in sackcloth with the two golden pipes around,
But with the smile of the shepherds to give us hope.

Smite the shepherd and the sheep will scatter,
With words so unique from the air;
But like the seed of Abraham with the unique mind of love.

Edward Kofi Louis
Unique  2

He was very handsome and she was very beautiful;
Together as one to share on this marriage! !
But, beneath the ocean of this love lies a huge shellfish.

The shellfish moves slowly across the rocks in ths ocean of this love,
Bringing the muse of colours to satisfy them!
With cool blues of the sea to share the might of joy with their hearts;
Seeing the light of love as the insight of the truth around.

Greens!
Soft words of yellow moves;
Flashes of gold and silver to have a golden kiss! !
Inky purples across the bed of roses;
Joyful with the hearts on this marriage.

Love,
He was very handsome ad she was ver ybeautiful!
Unique with the fragrance of life and the romance of nature;
With the musse of the truth being the key.

Edward Kofi Louis

Salty flavour;

Like the first light of the dawn;
But you will glow brighter and brighter until it is full,
And you are all that I want tonight.
Let me exalt you and protect you with my sweet love,
And let me love you and watch over your handsome body;
For I will give you a sound doctrine on this love because,
You are the unique Prince of my lovely heart.

Edward Kofi Louis

Your love to me is as a loving deer or a pleasant doe,
And may your sweet breasts satisfy me all day long;

Within reach,
With the muse of your romance;

To sustain it;
With the desired goal.

Closeness,
Soul searching;
That the labour of your past shall not be in vain!
On this love,
Almost 20 years ago since you left me.
Of this story!
Which has been going on for a very long time;
Between you and me.
The time!
The sequence;
To check and to confirm it.

Love!
Taking advantage of it.

The association,
The unity,
Love!
For the Services.

Edward Kofi Louis
Unjust Laws!

Unjust laws!
Irrational decisions;
Deceptions,
The primary cause of disorders in life.

Ineffectiveness! !
The pose of a threat in human life;
Seriousness,
Without a proper order in the land.

Edward Kofi Louis
Unjustly Treated

Pressed,
Oppressed!
Being unjustly treated.

Affliction!
Groaning,
Being unjustly treated.

Edward Kofi Louis
Unknown

Unknown,
A donkey ride with the muse of the tradition of a land;
And, to love you till the end of time!
The ultimate,
With the muse of your love forever;
Just as I met you in your land.
Red, ride!
Communications is very important in life;

Edward Kofi Louis
Unknown  2

Unknown! !
To a place i knew nothing of;
Meeting you in the dark.

Edward Kofi Louis
Unknown Girl

You are the unknown girl that i have to make to,
You are the unknown girl sitting alone in the forest,
You are the unknown girl with the fruits of love so sweet,
But there exists a friend sticking closer than your siblings;
So come into my arms my sweet one.

To tell or not to tell?
You are the unknown girl still looking for a lover;
To seek or not to seek?
You are the unknown girl who is still in love with my muse;
To ask or not to ask?
You are the unknown girl with the attractive breasts!
For you need a true loving companion like my type.

Edward Kofi Louis
Unknown Girl  2

Faint and weary!
You are the unknow girl i met last night,
But, here this morning with a different face;
Like the best of a great courage! !
Keeping silence from me,
Trying to forget your old path,
But i am here to help you stand on your feet once again;
With positive mroals from the the Law of Righteousness.

Edward Kofi Louis
Unknown Tablets

The lady got pregnant because of you!
But you gave her some unknown tablets to swallow;
And, inserted something into her private part to abort the foetus,
However, this illegal abortion led to her death! !
Yes, you've killed today!
A mother and the unborn child;
And to terminate the three-month-old pregnancy was the case.

Edward Kofi Louis
Unknown!

Unknown!
Because, the world does not know us;
To see us as who we are,
With the seal of the truth.

Edward Kofi Louis
Unkontrolliert

Männer und Frauen,
Die Slums wachen unkontrolliert in Afrika!
Und ein Baby weint,
Aber so ist das in Afrika.

Ob Nordafrika,
Ob Südafrika,
Ob Westafrika,
Ob Ostafrika,
Ob Zentralafrika,
Armut in hohrm Maße in Afrika! !
Aber es ist zwischen der Vergangenheit und der Gegenwart;
Wie die Sonne und der Mund,
Und die Slums in Afrika wachen immer unkontrolliert!

Edward Kofi Louis
Unlawful Desires

A decorated box,
A decorated stick,
A decorated house,
A decorated car,
The sense of desire;
In the land of your muse.

Lust!
Creating the desire to sin;
Lust!
Exposing yourself to the world;
Lust!
Leading you to unlawful desires.

Edward Kofi Louis
Illegal lust!
Living in Satan's World;
With unlawful desires,
Seen in you! !
Illegal lust,
Living according to the ways of the world;
Full of sins!
Full of lies,
In the name of wicked acts.

Edward Kofi Louis
Unlawful Means

Illegal lust!
Seeking after your own fantasy than the truth;
And, with unlawful means.

Illegal lust,
Coming to nothing!
Because of your negative ways.

Dead, dread!
With the muse of illegal lust;
Eating up the minds of negative people.

Conspiracy! !
With the ways of your life in this village;
Because of your wicked acts.

Raid, afraid!
In fear;
In the name of illegal lust.

Edward Kofi Louis
Unlawfully!

Occurrences,
Corruption!
Assets,
Confiscated;
Unlawfully!
Nevertheless.

Woes!
To be surmounted;
Mounted, surmounted!
Nefarious corruption;
Wickedness,
To milk the fellow citizen dry.

The watchdog!
For everybody;
Corruption!
To fold up your sleeves;
Activities,
Gullible to every word.

Edward Kofi Louis
Unleavened Bread With Your Muse

Unleavened bread with your muse,
But it many hearts to swing along;
So, do not be surprised that i called you by your name,
Because, the wind blows to where it will!
And, i do have a message for you.

Of water,
Of flesh,
Of spirit!
But she came to you by the night;
And, the news was suppressed around.

The spoil of wealth,
To kill and to maim!
And like Nicodemus in the land of your muse;
But, life is full of the up and down of mankind!

Edward Kofi Louis
Unless A Miracle Will Save Her

She's at the point of death! !
Unless a miracle with save her;
However, i believe in the power of love and,
The power of miracle.
Seriously sick! ! !
But, there is hope ahead for her.

Edward Kofi Louis
Unless Something Has Sprung It

Will the lion roar in forest without any reason? !
Unless it has a prey;
Does a trap spring up out on the earth on its own?
Unless something has sprung it;
But this lion has roared and, who is ready to hear it?

Two legs from the jaws of the lion,
And like your beds and couches;
But the winter houses and the summer houses are closer to you,
For the kings of the lands have fallen like water upon the face of the earth.

The prudent are silent like a raiser of naked sheep!
For there is no end to the treasure of man on this earth;
But where are the dwelling places of the lions?

Plunder the gold, the silver and the bronze! !
And like the whoredom of the seductive harlots;
But trample the mortar and give me hope,
And go to the clay pits and tell me more!
For the lion has roared and, who is ready to hear it?

Edward Kofi Louis
Unless We Also Die

Death!
You have taken the lead;
And, we don't know what it out there,
Unless we also die.

Edward Kofi Louis
Unless With Love

Life,
Unless with love;
For peace,
For joy!
Until all things are perfected with,
The muse of the truth.

Edward Kofi Louis
Unlimited

Your demands are unlimited and,
Like the whiteout and the blackout;
For the man in the mirror is like,
The woman in the mirror as well!

Edward Kofi Louis
Unlimited
Noted,
Facts,
Faces!
Faced;
With the works of the land.

Edward Kofi Louis
Unmasked

Life,
Love,
Peace and joy!
Unmasked with the muse of the truth.

Edward Kofi Louis
Unmerciful

Partiality,
Evil thoughts,
To despise the works of the truth;
Unmerciful,
War! !
Self destruction,
Like fire! !
Spreading from one place to another.

Edward Kofi Louis
Unmerited Pardon

Unmerited pardon,
Tribulation produces perseverance!
But patience is part of the maturity of a character,
And like the hope of your love which does not disappoint.

Edward Kofi Louis
Unnatural

Pertaining,
To pursue it,
Directing,
Directly;
Suit, persuit!
To embakc;
Faulted,
And, to breach the law.
Muse!
From Accra to the whole world;
Carrying out the duties of peace and love,
But, the people on the other side are against the laid down laws.
Unnatural,
Arguing,
Directing,
Fight!
Without being promoted;
But, the professional training towards peace is what you need.
Unnatural,
Going against the laws;
With men seen in the dark in pairs and,
Women seen in the dark in paris as well!
All in the name of lust.

Edward Kofi Louis
Unni

Unni, nun, in, Inn!
A lovely woman,
With the mus of her beauty;
Very attractive to the eyes,
But, let her bring forth the works of peace.
Love and joy! !
Laws and identity;
Coming out with the truth and,
Doing what is right.

Edward Kofi Louis
Unpaid Labour!

Unpaid labour!
Lost in the paradise of slavery where race is kinship;
But this ostensible lottery is what you need to survive!
And like someone churning out unpalatable public statements,
But, the sorrows at home have made this a splendid delivery!
For, one man's meat is another man's poison.

Edward Kofi Louis
Unpalatable

Insidious suble influences,
Always fighting against your neighbours;
Within the walls of hatred,
Too outrageous to be ignored,
Death! ! Dead bodies seen around;
As they fall one by one.

As it was,
As it were,
Hatred and war! !
Forgetting about righteousness;
It ought to be so because, we've failed the laws of peace;
And, we're killing each other.

Unpalable piece of gossip!
With the skeletons of mankind on earth;
Caricatured! ! !
With the earth full of orphans;
No more strength to weep.

Edward Kofi Louis
Unpleasant Reminders

Unpleasant reminders,
With the muse of your past;
To kill and to destroy,
In the name of hatred and war.

Old, cold!
As the News came along;
With the moments of grief,
Destroying the land with your bombs.

Edward Kofi Louis
Unpredictable

Distances,
Unpredictable;
Blossom,
Unique offer!
With the muse of your lovely heart.

Love!
Before the crown;
Life!
Before the thrown;
Blossom!
With a unique offer.

Edward Kofi Louis
Unprotected

Extricate!
Date,
Mate;
Unprotected,
Marks! !
Remarks;
The narration.

Edward Kofi Louis
Unread Message

Dull, hull, lull, pull, mull, cull, skull, bull!
And like an unread message;
But the tribesmen are now at war!

Inner parts and inner sides,
The wind is too cold and your love is too hot!
But your cats are too slow to meet up to my terms.

Edward Kofi Louis
Unrepentant!

Illegal lust,
Unrepentant!
With the muse of the ways of your acts,
In this town.

Done, drone!
With the power to destroy others;
In the land of the living,
Because of hatred and war.

Illegal lust,
To denounce the truth!
And, to dany the laws;
Unrepentant.

Edward Kofi Louis
Unrest

The struggle! !
Falling,
Unrest;
Something is missing in my life.

Edward Kofi Louis
Unrevealed

Undercover!
Hidden,
Unrevealed;
Kept secret,
For a purpose.

Edward Kofi Louis
Unrighteous Decrees!

Illegal lust,
Woe to those who decree unrighteous decrees!
For, you've made widows prey and,
You've robbed the fatherless.

Illegal lust,
From afar and within;
With your desolation,
Because of the hatred in you.

Slain! ! !
In your anger;
With the muse of the land,
As you beheaded your neighbour.

Nation, indignation!
With the negative acts of the land;
Because of illegal lust,
And, you've taken your neighbour's property.

Edward Kofi Louis
Unrighteousness

Unrighteousness,
Leading to sin;
With hatred and war.
Dirt, death!
With the dirt from the works of war;
Leading to death.

Life!
Let us face the truth;
In the same way with the laws,
And, to assure others with peace than with war!
For, war has no answers to peace,
And, war destroys everything.

Edward Kofi Louis
Unsaid

Aid,
Paid,
Not to raid the muse of the truth! !
Afraid,
Unsaid,
Today,
Still waiting,
With hope;
Said, laid!
Paid,
Aid,
Today;
But, it is unsaid.

Edward Kofi Louis
Unscathed

The spirit of love,
The spirit of safety,
And like a lady's charm in the land of your muse!
But unscathed were the winds around you.

Conduits,
Countries,
Touches;
With the global balance3 on the muse of your love,
But a term of respect is now needed on this muse!

Edward Kofi Louis
Unsearchable

Unsearchable, near, use, sue, able,
Abel, ale, bale, be, seal, heal, ear, can;
And like every remembrance of you,
But you are all that i need.

Unsearchable, cab, sale, burn, hub, sub, bare, bear, bus, ran, run, chase;
And like the muse of your love far away from me,
But you are all that i want.

Unsearchable, cheers, care, car, cars, seen, sun, base, race, races, hare;
Walking along the narrow path in search of you,
Because you are all that i need!

Unsearchable, search, searchable, hear, share, sear, seer, see, sea, he, she;
And like the joy of your muse in the land of many waters!
But you are all that i want.

Unsearchable, bee, bees, her, has, ban, hen, hens, here, hale, as, an, era, are;
With joy and love being shared by your muse always,
But you know my ways on this life and on this love!
And like your positive works always seen on my side.

Proving,
Plainly with the muse of your love;
Writing,
And like the remembrance of you;
But made manifested by the light of your love!

Edward Kofi Louis
Unshod

Unshod, shod, sun, son, dun, don, sod, do, dos, shun;
The melting fire burns and it causes the waters to boil!
But in your presence was the shadow of death.

Edward Kofi Louis
Unstable

A world war is in progress and,
The end of the world is at hand;
But like the ox that eats grass,
Let your life show others the way.

To be known and to be respected,
To learn and to share with others;
I will come to you like a thief in the night,
So be ready to receive your reward as well.

Love to the brotherhood,
Love to the sisterhood,
Love to the fatherhood,
Love to the motherhood,
And by the way of remembrance;
But those who are unclean and unstable will twist the law.

This is my first letter to you and you have to learn,
This is my first love to you and you have to care,
For a dog always returns to its own vomit.

This is my second letter to you,
Like a washed snow in the field of love;
But the unstable will always twist the law.

This is my third letter to you,
For faith always goes with works;
And you have to do your best on this love.

Of the things which we have heard,
Of the things which we have to share,
Of the things which we have to read,
Of the things which we have to learn,
Of the things which we have to say,
Of the things which we have to write,
Of the things we have built,
And of the things we have seen;
Do not allow that which is evil to be your friend.
Edward Kofi Louis
Unstable II

Unstable,
Falsified!
Rebellious religions;
Natural disasters! !
Abound,
But, the love of many will grow cold;
In this world!
Because, the world mourns and fades away.

Edward Kofi Louis
Unstable Iii

The fruit of labour,
Like a fruitful vine;
With great things seen on earth,
Under the muse of nature.

Womb, bomb, tomb! !
Unstable;
Because of war,
With the evil works of mankind.

Love, life, peace and joy!
My lips will raise the Creator always;
For, He has made everything,
For you and I.

Bread of heaven!
Bread of the earth;
For peace and for joy,
But, many are those who do not want peace.

Edward Kofi Louis
Unstable Souls

Lust!
With beguiling unstable souls;

Lust!
Trained to kill others;

Lust!
With a confused mind;

False prophets,
False teachers,
False preachers;

Exploited with feigned words! !
Having eyes full of adultery.

Lust,
You will surely receive the reward of unrighteousness!
To destroy,
To kill,
Terror, horror!
Destroying the mirror of peace.

Story, lorry, worry, sorry!
With the facts of life;

Wantonness!
To live in error,
With your acts;
Illegal lust.

Enslaved by lust,
Polluting the world with your negative acts;

Anger, danger!
With the muse of hatred and war;
Destroying the land and, killing the people.
Edward Kofi Louis
Unsullied

Love!
Still pure in the original state;
Muse!
With the sweet taste of the truth;
Unsullied!
Love,
Free your mind and free yourself;
Like the grasshopper,
Like the ant,
Like the butterfly.
Unsullied!
Love,
Peace,
Care,
Joy;
Going along with your daily activities;
Like the praying mantis.
Unsullied!
Rolling,
On and on;
But, still pure in the original state.

Edward Kofi Louis
Untended Vine

Muse, life, peace and joy!
To hear the cry of love;
In the wilderness,
And, with the muse of the untended vine.

Order! !
But swept clean;
With the muse of sweet love,
And, with the laws.

Been, seen, queen!
With the muse of the greater one;
The sense of life,
And, to hear the cry of love in the wilderness.

Edward Kofi Louis
Untended Vines

Laws,
Observe the status;
And release your mind with the works of the truth.

Untended vines!
With the muse of life;
However, death will be the end of everyone.

Edward Kofi Louis
Until I Became Old

Love,
I went searching for it!
Until i became old;
And, finally, to have it by my side.
Cave, enclave!
To let it be;
Rest, interest!
With workable ways;
But now, it is by my side.

Edward Kofi Louis
Until love finds you,
You never know what it is to be in love,
Until true love finds you,
It will make you do things beyond limit;
Like a better kiss and care,
A better romance will be your daily food.

It pays to enrich your knowledge,
Wisdom is better than silver and gold;
Love will surely hit you like,
The nutrition for the average!
It needs more than a kiss for a true romance,
Love is the art of creation admired by the champions;
So get ready for this love.
Until love finds you,
You don't know what it is to be in love;
Let this love crown you day long,
Like sweet water to your taste.
Until love finds you,
You don't know how it feels to be in love;
So get ready for this love.

Edward Kofi Louis
Until The Ninth Century

December 25th was NOT called 'Christmas' until the ninth century,
So be very wise and learn from the truth! !
But, the truth is always bitter to many.

Over and over again,
It is said and written!
But only few people know the truth in this world as at now;
For sin is the lifestyle of today's world!

Edward Kofi Louis
Until Veera Came Along

Life begins at forty to you and,
Life begins at one to me;
All the same, we have to learn from each other.
At one, i was lost in transit;
But at forty, you have tuned yourself into my life.
You can't believe it,
You can't say it,
Until Veera came along into my life to let me see clearly;
Now, the rain is gone.

Sitting here in my shadow with words,
I can now make a move on my life;
Yes, the dark clouds are really gone by.
To England with words,
To Finland with ideas,
Like the game of the big bang!
I've got the big deal of my life to share with you.

Some say life begins at forty and,
Others say life begins at one;
But, i will touch you with my abilities.
Life is like the world of attractions,
Growth is like the world of experiences,
As smooth as an accent to meet success;
But my words are read like needed accessories.

Until Veera came along,
To accommodate a level that calls for a view;
Who is she that comes with the contracts?
Who is he that comes with a message?
Being in one accord to make my dream come true,
Like Edward to London and Veera to Accra;
Owing to wonder the world sosweet with,
The alloted acts accredited to an ace.

Edward Kofi Louis
Untimely

Terrorism!
With horrifying events;
Drops,
Untimely! ! !
Fear,
Horror,
Death.

Edward Kofi Louis
Untimely Death

Say, day, ray, pay, lay, way, jay, May, nay, quay, tray;
And like his untimely death!
But conducting further investigations to get to the bottom of the matter was like,

The social justice in the land of your muse with truth, probity and accountability!

Edward Kofi Louis
Untiring

An untiring fighter,
An outspoken figure,
With the muse of the responsibilities of history;
Pressed, depressed!
But, to move on;
With the muse of your peaceful mind on the issue.

Life!
To achieve its goals and objectives;
With the needed efforts,
On a positive note.

'The crubicle of ages'!
The ways of mankind;
Creation, recreation!
Promised,
With the muse of sweet love.

The transformation!
Contributed with your love;
And like the muse of a dramatist in your land.
Untiring!
With the muse of a prose master;
Eat, neat!
Eating from whyt you've grown.

Edward Kofi Louis
Untouched

You are untouched by the summer's heat!
But, foxes do have holes to hide in them;

Wake up from the cold and come out,
You need a place to rest your love;

Like the love song of a bird!
Singing along to wake you up.

Edward Kofi Louis
Untouched Flower

Untouched flower,
Vintage flower,
Untouched love;
With the sweet muse of your resources,
In the land of peace and joy.

Open, opined!
Mandatory;
With the muse of the love around you today,
Pointed out with your lovely affection!
For real and for peace.

Edward Kofi Louis
Untouched Love

Open, opined!
Untouched love;
Quizzed!
But, with the coverage of your muse;
As you displayed your age with the courage of your heart,
And, to encourage others in the land of your joy.

Untouched love,
Related to the muse of life;
And the ways of nature in the land of your muse!
Mostly with the works of righteousness than, with hatred and war.
More, ore!
With the fragrance of your true love;
Touching the hearts of many in your town.

Edward Kofi Louis
Untoward Behaviour

Toward, untoward!
Untoward behaviour;
Rover, drover!
Between two men;
Without a decision.
Drudge,
Drowsy,
Drowse,
It came out! !
Without your support.
Judge, drudge!
Dystopia,
Trophy, dystrophy!
Dysprosium,
Like an evil spirit;
Dweeb!
It enters in;
Larger than normal,
Untoward behaviour.

Edward Kofi Louis
Untruthful

Transgressors!
Untruthful;
Rooted in sins.

Bribes!
Dishonest gains;
Displeased with your acts,
And like the weapons in your hands today.

Untruthful!
You have spoken out deliberately;
To the masses,
Ready for war! !
Because, the truth is not in you.

Edward Kofi Louis
Untutored,
But your words are very sharp to the muse of the poor!
Untutored,
But the land ahead is already wet from the rain!
And like the works of our won hands to the public,
For the boys were late today.

Examined and forsaken,
And like your ways and my ways;
But the school girls were very late today.

Untutored,
But the songs of Yahweh were sung in a strange land!
Untutored,
And your steps were already noted by us;
For you were also seen among them,
But this day is like the day of lovers.

Edward Kofi Louis
Unused

Unused,
Gain,
Grain,
Rain!
Root,
train,
Growth,
Without chain;
Lute, flute!
Be without,
To withdraw,
Measure!
Not like Cain;
To use your brain,
In the chamber,
Facing the works of peace.

Edward Kofi Louis
An unused root,
To see,
To point!
It flows,
Like a stream! !
Like a narrow path,
Like a narrow valley,
Like a winter torrent!
Clean,
Blameless,
Free! !
Exempted;
The place,
The root,
An unused root.

Edward Kofi Louis
Unusual

Unusual nature,
And like hard road to success;
But there is no truth in his mouth!
Ao i have stayed far away from him,
And like a stupor in the land of trouble.

Edward Kofi Louis
Unusual 2

Unusual,
Perverted ways!
Abnormal,
With the sins of the world.

Edward Kofi Louis
Unveil

Open,
Taken,
Unveil;
With your joy!

Edward Kofi Louis
Unveiled

The degree of glory,
But this world is led by Satan!
However, this message will be written;
And i want to see you unveil your face to me.

This world,
The unveiled face,
But hidden in many ways!
As in the mirror of my love,
For, i want to see your lovely face.

Until that day,
To gaze at it;
Unti this day,
To see your face under the veil;
But preaching the law and teaching the law,
For the degree of your glory is all that i need!

reading the law and directing the law,
But remove this veil and let me see your face! !
For the smell of death is closer to you and,
I want to save you with my love.

Edward Kofi Louis
Unveiled 2

Plan,
Word, byword!
Detailed;
Unveiled.

Edward Kofi Louis
Unveiled And Uncovered

Plow in hope and sow in tears,
For he who sows bountifully will reap bountifully;
This is like law, order, peace and calmness,
But my love is now unveiled and uncovered to you.

To the land of oil,
To the land of tomatoes,
To the land of oranges,
To the land of onions,
To the land of pepper,
To the land of coconuts,
But enslaved under the elements of the world!
And my love is now unveiled and uncovered to you.

Have i become your enemy by telling you the truth? !
Then think twice before you close that door;
For she who sows bountifully will reap bountifully.

To the land of beauty,
To the land of romance,
To the land of peace,
To the land of emotions,
To the land of love,
To the land of passion,
And with no stumbling blocks to my success! !
For the seeds are now well planted to yield a bumper harvest.

Edward Kofi Louis

The hidden talent,
Struggled! !

With pace and trickery;
In the land of your muse.

Like a dancer! !
In the neighbourhood.

Lust!
Unveiling your sins;
For, your true identity is now known to us.
Sins!
Flying in the air;
And, contacting diseases every now and then.
Saw, was!
With silence in heaven;
Because of your sins.

Edward Kofi Louis
Unvoiced

Silence,
Unvoiced,
Learning by doing.

Edward Kofi Louis
Unwilling

Unwilling,
Against the muse of life;

Love and dreams!
Reaching out to a famous gold region;

Updates,
Upliftments,

Upon a lofty place;
Once upon a time.

Hair, air!
Chair;

Gladness,
Joy! !

Stair,
Care;

To welcome you,
A valiant man.

To be,
To see,

Plant, ant!
Plant;

Pant,
Slant,

Paint, saint!
With every story.

Everything has a meaning,
Including the problems of life;
Stress, press, express!
Depress;

A son!
Walking along the same path of his father's sins;

A daughter,
Walking along the path of her mother's sins;

Committed in the land,
Seeing the fleet of sailors who knew the sea.

The act,
To disguise yourself;

Size and shape!
To hope for the future;

Exquisite! !
Site,

Rite,
Prime,

Level, revel!
Gill, will, fill, still, till, hill;

Playing cares,
But try to walk in the light.

Edward Kofi Louis
Unwillingness

Stalemate,
Shambolic,
Unwillingness,
regrettable,
Analysis!
The turning point,
To begin with;
Parlous! !
Conflict zone,
Correspondents,
Hard probing questions,
Of your shortcomings;
To shift gear!
Unwillingness,
Alone on the dusty road.

Edward Kofi Louis
Unwritten Soul

Unwritten soul,
The journey of my love is like the journey of your muse;
But, stay alive and keep the ball rolling! !
Because, the righteous laws of life are the only rules along this narrow path.

Edward Kofi Louis
Unwritten Souls

Unwritten souls,
Love is about life;
But today i am alone on the sweet love of your muse,
And like the works of your love in the land of your muse.

Edward Kofi Louis
Up

Up,
Upward,
Upon,

Fact,
Impact;
To uncover the real personality.

Leggings
Stretch-Jeans!
Clean it up,
Fresh it up,

To prepare it very nice once again,
Because, there is only one place for me and you.

The golden age,
Teaching Faculty;
Drum beats!
With the rhythms of Africa;
And the steps of the African Dance.

Apple juice
Jelly beans
Peanut butter
Like King Arthur's round table;
Beam, stream, cream, dream, steam, team!
Orange juice,
Full of life!
Full of love,
Full of nature.

Rough, tough!
To cover up,
Artificial,
Looking like the original in the eyes of the public.

Books, looks!
Knights and swords;
Flowers,
Lowers,
Followers;
But, there is no truth in lies.

Find, tins, pins, bins, muffins!
Hidden,
To protect it;
Bottles up,
Like a white wall that has no face and
tongue.

Edward Kofi Louis
Up And Down!

Town! !
Brown;
With your own crown.

Up and down!
Numbers and positions,
Seen all over the world;
With the muse of mankind.

Clown! !
Lawn,
Dawn;
Down the lane with your works.

Up high in the sky! !
Down here on earth;
Up and down,
Nature and society,
Numbers and positions.

Edward Kofi Louis

True love,
To stay here with you;
Up close!
Knowing your ways,
With positive morals.

Edward Kofi Louis
Up He Came

Love,
Up he came!
All over you,
In the limelight.

Love,
To than him for all that he did with you;
In your room,
And, with the muse of the sweet romance.

Wonderful!
In privacy;
With the normalcy of your love,
In your room.

The muse of love,
To defend it;
With the muse of your lover!
Like original slips.

Edward Kofi Louis
Up High

Up high!
Seated on His throne;
To protect His property,
Pleasant with the muse of peace.

Edward Kofi Louis
Up High 2

Visual flight rules!
Facing the ways of life,
With the muse of nature;
To fly! !
Up high;
I believe i can fly.

Edward Kofi Louis
Up High 2

The heavens are for height and,
The earth for depth;
Flight!
Light,
Bright star,
Up high.

Edward Kofi Louis
Up High!

The darkness,
Up high!
But, overcome life with the music of the truth.
The voice! !
The call,
The voice of the truth;
In the city of peace,
And, with the people of the laws.

Edward Kofi Louis
Up Hill

Up hill,
Sea, seal, sear, search, Sean, seam, seas, seat;
But, alarmed with the muse of her breasts!
Because, what the people love is different from my taste.

Bedrooms of love,
Eaten with the words of romance;
And to accomplish your dreams!
But, what you like is different from my taste.

Cocoa and chocolate,
With a call in the cold!
And, with a n aromatic night of love;
But, what you really love is different from my taste.

Edward Kofi Louis
Up In The Sky!

Yellow for the sun,
Blue for the sky,
And, green for the grass;
Sole, soul!
Show me the way and,
I will follow.
Of the number, 7414,
Up in the sky!
As seen on the 18th of April 2013.
True, due!
Show me the way and,
I will present my muse to you;
Pen, pencil!
Folic acid;
But, with close observation.
Broad, road!
Bread and water;
Brat, braw, bran, brad, brae, brave, brad, bra, bray;
Brat, rat!
Butter, utter, cutter, mutter, flutter, putter, gutter;
Butter, utter!
But, up in the sky with the muse of love from a vision.

Edward Kofi Louis
Up She Came

Love,
Up she came!
With the muse of her lovely flowers.

The red flowers!
Spotted;
With the muse of the aroma of love.

Love,
With the blue print of the joy of her heart! !
And, up she came out with her project.

Love,
Around the castle of joy;
To meet her buffer zone.

Love!
Unselfish;
In the limelight.

Edward Kofi Louis
Up The Walls!

To climb up,
Up the walls!
Over the other side and to hide yourself;
Away from the quiver of war,
With the warrior ready to kill.
Pill, skill, spill, still, ill, drill, till, grill, fill, will, mill, kill!
To improvish the fortified cities with the bullets of war;
Killing people and destroying items.

Edward Kofi Louis
Up, Update!

The muse of life,
On that day;
Meeting you with your lover,
At the beach.
Up, update!
With the confidence of your move;
Patriotic,
With the magic of the muse of your love.

Edward Kofi Louis
Up, Updated!

Like, likelihod!
To act once and for all;
Up, updated!
With the muse of your love;
And, in the final game.

Hand in hand with controversy!
With the proverbial final nail to the coffin;
And, persistently challenging authority,
Stalwart! !
But, proved futile.

Up, updated!
In cash;
Revealed with your muse!
As it had always been the practice;
Which is now subjected to global ridicule.

Edward Kofi Louis
Upbringing

Serve, preserve!
Upbringing;
Of the benefits,
Sources, resources!
With, other petty expenses.

Upbringing!
As much as possible;
Providing Food for the house,
And, to go through pain and hardships at times.

Upbringing!
Identified;
In the extreme case;
Crack, rack!
Catering fro your family.

Bread, dreadwinner!
To ensure the upkeep of your family;
Over the years,
And, with peace, love and unity.

Edward Kofi Louis
Upfront

The writer,
The reader,
The producer,
Hold the agency liable for lack of success;
For you are certified to be older than 18 years of age.
Critiqued,
Vouched,
Choice,
Acknowledges!
The primary contact is of your personality;
But execute your positive mind upfront always.

Edward Kofi Louis
Uphold

Hold,
Uphold,
Behold!
Bold;
According to each day's need;
In life,
Old enough like gold! !
In life,
With the muse of life.

Edward Kofi Louis

Heartbreak! !
My heart is Bleeding,
Oh! If you can hear my call;
I've nowhere to go,
I need help! ! !
Come to my help,
With your tender love;
Uplift me up once again.

Edward Kofi Louis
Uplift Your Mind

You've made it but,
You're still worried in life!!
Why?
Look around you and uplift your mind;
Because, there are poor people around you.

Edward Kofi Louis
Uplifting One Another

Love,
Behind you and in front of you;
Being healed with the muse of peace and joy,
And, uplifting one another.

Love!
It's a wonderful day;
Life!
It's wonderful to us;
Act!
It lies with the muse of the people.

Of a sheep and a donkey,
Love!
Like a tree with many fruits;
Sweet love,
Like a cat playing with an apple.

Edward Kofi Louis
Upon A New Day

Upon a new day!
You will,
I will,
We will,
They will;
A heart full of ocean!
The ocean of love,
A place of peace and joy;
Expanding your mind with the works of the truth.

Edward Kofi Louis
Upon Me

Life,
To set your sweet love upon me;
Knowing what you want from me,
However, i will be with you in times of trouble!
ready to uplift you with the muse of the laws.

The ways of mankind,
The righteous one brings in peace to all and,
The wicked one destroys everything with hatred and war.
The yoke of bondage!
Like grass on the house tops;
But, i am always ready to help you.

The riches of love!
With all lowliness and meekness;
Rich in mercy,
Giving you bread to eat and clothes to put on!
As you do set your sweet love upon me.

Edward Kofi Louis
Upon Mount Zion

Ther will deliverance upon Mount Zion!
And the holiness of the house of Jacob will posses the inheritance;
But the Dome of the Rock Mosque was built in around 687-691 C.E.!
So come and let me lead you to my house of peace,
For the lot is now cast for all of us on this earth!
But salvation only comes from Yahweh.

Edward Kofi Louis
Upon My Afflictions

The truth! !
Look upon my afflictions and,
Deliver me from the hands of the wicked ones around me;
Give me hope!
Give me life,
Give me peace,
Able to move on without fear! !
Tears of my heart,
I need the truth!
To stand beside me always;
Able to strengthen my heart.

Edward Kofì Louis
Upon The Hills

They were scattered upon the hills!
Like sheep without a shepherd;
But, i will discharge the care of my love on you only,
For, out of the walls of love came something sweet! !
And like the Songs and the proverbs that baths your muse.

Birds and animals!
And of the creeping things and fish;
But, upon the hills of love i will wait for you;
For, the sheep are now scattered without a shepherd.

Edward Kofi Louis
Upon The Hills Of Love

Muse, fuse!
Underlings;
With the ways of the acts of your mind,
But, i will be there for you.
Joy!
Upon the hills of love i will wait for you;
Caring for you till the sun goes down,
In the land of your muse.
Innovation!
Information;
Upon the hills of love;
Life!
Open your mind;
And, let me be the one.

Edward Kofi Louis
Upon The Muse Of Love

Life!
Upon the muse of love;
Passes, underpasses!
After ist use,
But, with the flowers of sweet love.

Locked! !
But it was opened in the name of love;
As the beautiful red rose stood up.

Life!
Like the 'River Dance';
Upon the muse of love.
Life!
Like the 'Tap Dance';
Upon the muse of love.
Book, look!
As the red rose stood up.

Edward Kofi Louis
Upon Us

Trump,
Clump,
Dump,
With a bump in the road;
Upon us a New President is Elected.

Edward Kofi Louis
Upon Us  2

Love,
Upon me;

Love,
Upon you;

Love,
Upon us!

So, let us bring peace to the world than war.

The truth,
Before your eyes! !
With the ways of the law;
One's hope,
With peace and love.

One world! !
One law;

To all mankind.

Edward Kofi Louis
Upon Us  3

Terror!
Wrath weighs heavily upon us;
Horror! !
Like the slain who lie in the graves.

Edward Kofi Louis
Upon Us!

Look at what has come upon us!
Because of war;
reproach,
Destruction,
With orphans here and there,
We are now weary and have no rest.
War! !
With destructon in the land,
As black as an oven;
Mourning!
For, the crown of the land has fallen.

Edward Kofi Louis
Upon You

Hold, behold!
The cry of love;
In the wilderness,
Searching for a way out.

Hold, behold!
Upon you;
With your vegetation,
But, the cry of love is now being heard in the wilderness.

Edward Kofi Louis
Upon You!

One man's meat is another man's poison,
With pagan rites in church festivals;
And, with Satanic symbols everywhere in the land.

Youths and maidens,
With fleshly lust like the lady of the sea;
As the axes of evil fell on the people without understanding.

A metaphor!
But, let us distinguish between the right and the wrong;
for, the sun's worshipping cults are everywhere.

Upon you!
A little wine mixed with water helps in stomach problems;
But, you've now taken into drinking to justify your case in the name of your culture.

Edward Kofi Louis
Upper Class English

The dos and don'ts,
With the Upper Class English to the muse of your love;
But, a collective security in my homeland is like,
The security of your love in this land.

Confident with the victory of your love!
But, until that day;
When i will be able to express my love towards you,
With the basic human rights on this earth! !
Without the regards of race.

Love,
With a Upper Class English woman;
However, if the cat away, the mouse will play!
Thinking of the very day that we met.

Edward Kofi Louis
Upright

Must be carried,
They cannot speak;
Upright like a palm tree! !
For they cannot go by themselves,
But yet still people do worship the carved images and statues.

Edward Kofi Louis
Upright 2

Upright,

Faithful,
Righteousness and honour;
Like choice food and oil.

Edward Kofi Louis

Pure;
With the works of the truth.

Edward Kofi Louis

Blameless and upright;
True-love,
With the muse of the laws.

From the bottom of your feet to the top of your head;
Showing glory with the laws and,
Living with the truth.

The muse of love!
Upright and Blameless;
And, with responsibilities and reliabilities.

He planted the seeds and,
The rain nurished them;
And his wife baked bread ready to serve him,
After his work from the farm.

Uprightness!
Facing the works of the truth with the laws;
Sharing in peace as husband and wife in the land of joy.

Edward Kofi Louis

Uprightness!

Repented,

Converted;

For peace and love.

In righteousness,
With the truth;
Great kindness,
Here among the people;
Understanding the ways of life,
To distinguish between right and wrong.

Edward Kofi Louis
Uprightness 4

Walk in the way of uprightness,
Let the truth come out of your mouth;
And, be a friend of righteous works.

Edward Kofi Louis
Thoughts of life,
Uprightness!
Facing the muse of the truth.

Edward Kofi Louis
Uprightness!

Life,
To chart a course of uprightness!

Unemployment!
Frustration;

Rich, enrich!
To go ahead and marry.

Objection!
To make ends meet;

With a statutory declaration,
And, to hang out with your friends.

Uprightness!
To do the right thing than to sin;

On vacation!
To your hometown;

Coffers!
In the wrong light;

With the ways of the people and,
By teaching them the truth.

Edward Kofi Louis
Uprising Roots

Uprising roots,
Blue grass in the sky;
Uprising roots,
Love under the sea;
Uprising roots,
In the deep!
White in white and,
Black in black;
But, underrated by your love.
Seven years of hope!
On the blue mountains;
And to take up a trip to let it show,
But, life is like a journey to us all.
The roots of life,
To put the stereo on!
But, i have a long way to go.

Edward Kofi Louis
Uprising! !

Uprising! !
Violence,
Wickedness,
Abominable,
Evil act!
Disgusting ways,
Darkness will always cover the earth when,
Wrong things are done by the people.

Edward Kofi Louis
Uprooted

Uprooted,

Death;
Driven from light into darkness.

Edward Kofi Louis
Upset
Up,
Set,
To set Up,
Upset!!
Angry today.

Edward Kofi Louis
Upside Down

She wiped the dish and turned it upside down;
But my uncle sat quietly watching her because,
She was his wife.

The plum,
Sorcery and divination;
But Asherah is your love and,
I have to stay off your tracks! !
And i have to watch my steps always.

Upside down,
You are making me forget all the pains of love;
But my uncle will tell you much of his own experiences.

You still worship all the lhost of heaven!
Of the sun, the moon, and the stars;
But i will now like to introduce my aunty to you,
For i have come of age.

Edward Kofi Louis
Upside Down  2

Inside,

In!
In and out;
For real,
For love,
Dream works! !
Doing what is right,
With your mind,
With your act,
For peace and joy!

Princess,
Address,
With the aroma of life!
To press on,
To address the issue,
With the fragrance of nature;
Flavour! !
With the flowers of around.

Free, agree!
No fee,
Sitting under the bog tree;
Before the flood! !
With your food to eat in the hood,
But, with the authority of life.

Bear, ear!
Without any fear;
Able to understand the ways of life,
Love! !
With me,
With you,
With us,
With them,
Being together,
Forever in love!
In unity,

With the passion of nature,
With the fragrance of the laws,
Life and peace!
Moving along with the joy of your heart.

For peace and joy!
With kindness,
And, with the gratitude of life.

In, inside!
Upside down;
Out, outside!

Nursed with love,
Insight with the glory of creation! !
With all the colours around us.

Edward Kofi Louis
Up,
Wing,
Swing!
Upswing;
To look closely,
Bye, byte!
With examples,
Getting samples for your work.

Edward Kofi Louis
Upward

Rank,
Upward;
With your works,
With your sweet love,
With your words,
With your kindness,
With your mercy,
Forward!
With the muse of your joy;
And the beauty of the roses in your land.

Edward Kofi Louis
Upward 2

Forward!
Not backward;

Onward,
Upward! !

Ward,
Edward;

Inward,
Outward,

With a steward seen downward;
 Courageous!

With the muse of positive morals,
And, the fragrance of life.

Edward Kofi Louis
Ur, Ursula!

Ur, Ursula!
Aside,
of the matter;
With the muse of love,
As you were the eye witness.

Muse, life, peace!
Contacted on the matter;
With the interest of peace,
And, hinted with the muse of love.

Life!
To ensure peace;
Love,
Between the two;
And, with the personalities around,
On the matter.

Edward Kofi Louis
Urani

It is too heavy and noisy! !
But the other one is too wide and too soft;
It is too simple and easy!
But the other one is too narrow and too rough;
Gusty,
Overall,
Cheek,
Sleeve!
Each with love and care,
But Urani came and blessed me with the muse of joy!

Edward Kofi Louis
Urban Africa

Love potion,
Grow with me;
Urban Africa,
Come with me;
To look into your eyes for love.
Honey boy,
Honey girl,
Living in a ghost town without hope;
Put it on,
The look in your eyes;
I don't want to be alone.

Searching into the woods,
Love of the common people;
Searching into the forest,
Like the voice of the people;
Searching into the hills,
I don't want to be left outside;
Take it easy to come into my home.

Put it off,
Don't give up!
Like a visit to the Pegasus Hotel in New Kingston.
Go to school,
Learn to rule;
But, don't be a footstool.
Love potion,
Just one drop;
Of the Ghettos in the country side.
Just one act,
Uptown youths;
Just one love,
Living in a village called Mandella.

The dance of the people,
The tribe of the people,
The language of the people,
Of the old school and the new school;
Like the Banana Republic with love.
The love potion,
Living in a village called Mandella;
Yet still, they do have hope for tomorrow.

Edward Kofi Louis
Urge One Another

Life, love, peace!
To urge one another;
Towards love and righteous works,
Towards peace and humility,
Towards the rights of life leading to unity,
Without hatred and war.
Lifel love, peace!
Exhorting one another;
With the muse of the truth under the laws of righteousness.

Edward Kofi Louis
Urgent Response

The urgent response of your love,
Simplify your time and let me know your muse;
For a caring mother cherishes her children.
Pool, tool, fool, wool, cool, drool, stool, school;
The passion of life is what i know!
And, i am having strong affection for you.

Edward Kofi Louis
Urhan

In the land of peace,
In the land of care,
In the land of hope,
In the land of dreams,
In the land of love;
And like the muse of your sweet songs so heard afar!
But Urhan will like to meet you as well.

Edward Kofi Louis
Urhobo

As it is seen!
In the civilised world;

Out by then,
For the raining season.

Farming!
Learning;

Livelihood,
Leg, legitimate!

To come in terms,
With the muse of the land;

The first of its kind!
With the muse of a tribe;

Urhobo, Ur, our, hob, rob!
However, life must still go on.

Edward Kofi Louis
It is flying in the air and it is like my bird,
It is sailing on the ocean and it is like my ship,
It is feeding on the grass and it is like my sheep,
It is in your valley of love and it is like my tree,
It is on top of the mountain and it is like my pole,
It is sailing on the river and it is like my boat,
It is inside you and it is like my seed,
But Uri came to control my wealth!
For i am all that makes you smile my love.

Edward Kofi Louis

In the society;
Having multiple sex partners,
As we fall into sin.

Edward Kofi Louis
Stand still and don't move!
And, don't attempt to steal the steel;
For, Urray your lover is very special to you,
And, you have to live with the positive examples taught to you.

Life and joy!
The real person from Texas loves his or her gun;
No matter the size,
No matter the ways and means,
No matter the heat around the town!
But, will the guns really save us?

Life and joy!
Like the people you do meet on the way everyday;
But, stand still and don't move!

But after many years of training and hardships,
I have now fulfilled my dream with these Gold Medals from China!

But having the visions before hand was my mission.

Uschi my love,
Come to the valley of Hebron to care for me;
For the sun, the moon and the eleven stars do wait for us.

Uschi my sweet one,
You have a single vision on my love but i do have a bifocal on you;
For this dream of mine will be yours forever in the taking.

My love is like the dawn of a new day to you,

And this muse of love is now dawn to us;
So come to the valley of Hebron to care for me my sweet one.

Used and twisted!

And, you now have the guns in your hands.

Edward Kofi Louis
Using Your Name

I only used a name and wrote a poem,
So, i really don't know who you are!
Because, most of my works are what i see around me;
And, of the African issues as well,
But with much imaginations to crown the muse of love! !
So, i am very sorry if, i have hurt you for using your name.

Edward Kofi Louis

You have the choice everyday to change for the better,
And like Utama my friend who is now under the Big 'Baobab' Tree;
But the wisdom of the crowd is needed at times to guide you on.

I will trace it to your heart;
But i have to protect myself in the rain,

Utter Darkness! !

Utter darkness! !

The shadow of death,
To the place where no one returns.

Edward Kofi Louis
Utter The Voice

Woe to him or her,
Who gives drink to his or her neighbours until they are drunk!
After which they look upon their nakedness;
For the stone will cry out of the wall one day.

No matter how many times you do this,
The beam will also cry out one day and the timber will answer it!
So utter the voice of love in the deep than hatred.

The judge seeks for bribe and the mighty dictates his or her evil demands,
But no matter how many times that i do fall i will surely rise up!
And i will utter the voice of love to fulfil my dreams.

Edward Kofi Louis

The idiosyncrasies of the society and,
Of the unusual bond of love to respect;
But I have to protect my pocket for the thieves around,
And like the coconut groove back there in my village.
Coconut groove, coconut groove!
And with a docket for the prosecution;
But I want the world to know the smile on my face,
For all I do have for you is my love.

Edward Kofi Louis
In the land of Uz,
You were captured and released later!
For many were they who came to beg for you,
And you now have many lessons to learn.

Learn how to live harmoniously and,
Learn how to share in the name of love;
For marriage is like school,
And it needs patience to understand it.

Extroverts are anger-prone and,
Introverts are fear-prone:
But the rule of life is to learn always!
And i am from the land of Uz to teach you all.

Edward Kofi Louis
You do have the best smile on your face so,
Do come straight into my arms of love;
You do have the best love to share so,
Do come and take care of me;
Like to dig a big hole for a tree to be planted.
Uzomah, plant a tree and water it;
For you will eat of its fruits tomorrow.
A tree is needed in our lives and,
Your love is all that i need for this tree;
Because, the atmosphere between us is very smooth.

Edward Kofi Louis
They will be looted and plundered by their enemies because,
They are not prepared to defend themselves on this issue;
And of the innocent blood that is seen around them.

Over and above with you in my mind,
And below and under them with my views;
But Uzzah came to be on my side!
Because these people cannot be tutored so easily,
And i need my mind to move up things up front to save them.

Vacant

This room of my love is vacant and,
It is well swept waiting for you;
So you can be affected by it when you do visit.

When the economy becomes very bad,
We all compare the prices of items before buying;
And like the wedding dresses sold around us,
But the room of my love is very vacant.

Of small sizes and big sizes,
Water me with your love is you can;
Because this room is vacant and,
I am waiting for your love.

Edward Kofi Louis
Vachel

Vachel, he, heal, ale, vale, veal!
To maintain love,
To maintain peace,
With the muse of the laws.
Crowns, owns!
Absolutely free with the truth;
And, with the knowledge of the land.
Mysterious!
Graded by some superior powers;
Because, you are healed today.

Edward Kofi Louis
Vacuity

Vacuity,
To be empty;
Empty today,
Void! 
Burdensome.

Edward Kofi Louis
Vacuum

I need somebody tonight to fill the vacuum of my love,
So come to me if you are the one;
For true love knows no bounds.

Edward Kofi Louis
Vaddafi

Train to pluck the coconuts,
5 to 6 months away from home;
But my friend Vadafi came out with some words,
And like the monkeys plucking coconuts in Thailand!

Edward Kofi Louis
Vagoli

I share certain similarities with you,
And I am Vagoli in your neighbourhood;
But you do have huge untouched sources of inner potentials of love.

Edward Kofi Louis
Vaibhar

We've attained the heights and we've reached the peak,
So there is no turning back on this love;
And like how the stars spelt out our names.

Vaibhar,
We've come of age on this love;
But Presidents will be like boys when the need arises,
And i will teach you how to swim on this love.

The sun is the centre of the solar system,
But i will care for you with a royal pampering;
For my garden of love is very handsome and beautiful,
And it is covered with stimulated emotions to touch your sweet heart.

Edward Kofi Louis
Vaidya

Vaidya, aid, day;
More, moor!
Moor, moon, mood, moo, moos, moot;
Buff, buffet!
One's rejected thoughts are now needed today on this muse.
Cow, cowbell!
Imagination is everything in this life;
So, be yourself and write out your mind.
Wear, wearisome!
Only time will tell;
Some, wearisome!
Only time will lead you on and teach you the way;
Of the codes of love,
Of the pictograms;
It's a female!
It's a male!
Of the rings;
Simple and fast!
But, this act is added to the muse of your love.

Edward Kofi Louis
Vain Lies

Vain lies,
Gossip,
Slander,
Too much and too little;
But with derision and contempt!
Hollow,
Hallow,
Swallow,
Follow,
Borrow,
Fellow,
Wallow!
But who is she?
And i do cry whenever i remember those things.
Congregation,
Asunder,
Decree,
Proclaim,
Oppression,
Declared,
Begotton,
Disturbed!
But who is he?
And like the light of love to overcome lies! !

Edward Kofi Louis
Vain Thoughts

Barren heights!
With the hot wind blowing across the land;
And the desert was made bare.

A whirlwind! !
Like horses moving swifter than eagles;
Woe to mankind!
Because, war is not the answer to peace.

Oh mankind!
Wash your hearts from wickedness and live;
Clean your minds with the works of the truth,
Without vain thoughts! !
Using righteous laws to guide your ways.

Edward Kofi Louis
Valentina

Valentina, tin, tan, van, live, ale, vat, neat, Venn, Tina, Lena, eat!
And like the words of your sweet love,
But enter into the world so sweet with your lovely muse to teach me;
For, you are all that the muse of love brought to me this morning.

Valentina, vial, tail, vine, veil, tine, line, vale, tale, vent, nine, lava;
And like surfing the web!
But you can still keep in touch with your friends.

Valentina, lent, lean, let, tea, ate, Inn, net, ten, vet, ant, vile, Nina;
And like face-to-face conversation,
But do not let yourself to be conquered by evil.

The force of love and peace,
Read out those words that i penned to you and tell me your mind;
For you are rich in imagery and style! !
And i am impressed with the great skills of your muse.

Edward Kofi Louis
Valera

Oh, this evil foe;
The Lord of this world is working with Satan!
And i cannot find Valera who left in the cold last night.

Edward Kofi Louis
Valery, year, ear, era, very, vale, ale, veal, real, ray, lay;
With the muse of love,
In th eland of the living.

The muse of life, peace, joy and love!
Let me go to heaven and be judged by the Creator;
For, earthly lawyers have taken muse bribe for my case.

The muse of love and the ways of life!
Sitting down alone waiting for the future;
So, do not judge me now!
Because, the heavens know my name.

The muse of life and the peace of the mind,
Why complain when you have a job at hand?
Look at me;
What about others who have nothing at all?!

The jobless,
Lonley at heart and seeking for help;
With the hope of finding the means to live.

You have a house nad you are still complaining?!
What about the homeless?
However, the ways of mnankind had really made things like that;
On this earth.

Edward Kofi Louis
Valley Of Decision

Assemble yourselves and come to me all you heathen,
For there is hope in the Valley of Decision!
And consider all things very carefully before acting.

Edward Kofi Louis
Valley Of Vision

Valley of Love,
Valley of Joy,
Valley of Peace,
Valley of Vision;
With the muse of the night.

Glorious beauty;
Honourable!
Joyous city;
In the Valley of Vision,
Concerning your sweet muse.

Love,
To open the gates of your joy!
And, to desire you with my soul.

Love,
In the Valley of Vision!
With my soul,
With my spirit,
With my mind;
To seek for you and to desire your sweet muse.

Edward Kofi Louis
Valuable

Stored,
Restored!
To stretch it out;
As sound as the other consolation,
Valuable to your heart.

Sotred,
Restored!
To stretch it out;
With a reason,
As needed by your work.

Realized!
Healed,
With hands on it;
And to fulfil what was spoken of,
By the your people.

Flax, fix!
He will not cry;
And, she will not cry as well;
Reading out the muse of the laws,
And, to bring forth the judgement in truth.

Edward Kofi Louis
Value

Value,
Virtue,
Due,
Not to sue me.

Edward Kofi Louis
Values

Values, sea, seal, use, sue, save, sale, ale, veal, vale!
With the muse of Texas's cold;
Bob, job, lob, cob, fob, hob, gob, yob, mob, sob!
Values;
Working in the cold.
One, anyone!
With the sweet muse of love in the land of the living;
Hired for the job,
Under the muse of righteousness in the land of peace.

Edward Kofi Louis
Vamal

A terrible tempest!
A strong rainstorm hit the area;
And, he stepped in,
But Vamal was his name! !
And like a beautiful handmade piece of an ivory work.

Drink no longer only water,
But use a little wine for your stomach's sake;
And stay indoors because of the storm! !
For you are like the credentials within my heart.

Edward Kofi Louis
Van, Vegan!

Lust!
In Danger Island;
But, i want to do my best on this earth,
And, to follow after the laws.

The light!
Through the dark;
Passing through the hole with the muse of hope,
And, with the words of life.

Inside, insidious!
Mankind,
Civilization,
Van, vegan!
With knowledge and technology.

Life!
With the morals of the laws;
My resolutions!
To present my mind to the world wirth my research;
And, to represent myself with the muse of love.

Edward Kofi Louis
Vandalizing

Red rose and red apple,
Red fish and red juice,
I am poured out like a drink to you!
And like a son with his father in the bush.
Effect, affect!
Black nipples and red nipples;
Emptey glory! !
Why strife against one another?
Damaging,
Destroying,
Vandalizing;
Mirror, mirror on the wall! !
I am still liker your sister on your side,
Van, vandalizing!
But, be responsible and be very determined in this life.

Edward Kofi Louis
Vandertop

Some things are original as they are and,
They don't need a copy;
But everything is possible in this life,
And I am Vandertop in the land of your muse.
I could be your hero and your lover,
For the salt melts the ice and the sand holds the feet;
And like the origin of your muse with your original love.

Edward Kofi Louis
Vang

Scientist to the stars ans to the enthusiasms of the memsahib,
But, i have sweet words of love to the emerald pastures!
And, i will better gorw older enough to care for you.

This life,
Of the indications towards your love!
This act,
Escaping from a wearisome wet weather!
But, i am normally pleasant to the tolerant state of my mind.

Heydays, heydays! !
With flowers in proportions;
But, may this edifice be as firm as the foundation of the heavens.

Craft and exquisite innovations,
The muse of love is what we share oh my sweet Vang! !
And like the brocades of painted palanquins to carry about;
But, i am in the valley of subsequent Love with you!
And, your love is very marvellous to my heart.

Edward Kofi Louis
Vanished

The vapour appeared a Little while and vanished into the thing air!
So, buy and sell and, make some profit in the right way;
And then, I will draw nearer to you.

The muse of lust!
Resist the devil and, she will flee from you;
And, make the right choices by loving wisdom.

Pour, vapour!
Four, our, pour, sour, vapour, tour, lour, hour, colour, flour, odour;
You are now left alone standing beside a naked woman.

Sown, own!
With the works of your hands;
But, learn to choose from what is right and live peacefully with your neighbours.

Edward Kofi Louis
Vanity

Controversy,
To cover up!
With the last glass of wine;
Cake of dates! !
Heeded to your words,
Hungry for your food,
Overdoing things;
In the middle of the field.

Vanity! !
Becoming real;
As fine as the dust of the earth,
But today, you as poor as the churchrat.

To fall down like a big mango tree!
With primitive ideas;
Eyeball-to-eyeball,
At the popular stand! !
Crumbs from the onwner's table,
The mute spoke,
The maimed made whole,
The lame walked,
The blind saw!
All with the works of the land.

I was naked and you clothed me,
I was hungry and you gave me food to eat,
I was astranger and you took me in,
I was in prison and you visited me!
I was thirsty and you gave me water to drink,
I was lonely and you came around with your sweet love! !
But today, everything is covered up;
Because of the acts of terrorism.

Edward Kofi Louis
Vanity

Terror! !
Horror!
Why do the heathen rage? !
Vanity,
Wickedness,
Killing and destroying.

Edward Kofi Louis
Vantage Point

Show yourself to me and,
Let me love you;
City of Gold!
City of Love!
City of Peace!
City of Life!
City of Care;
Like these little things,
These little rivers,
These windows!
Like a glass artist;
And, to the vantage point.

Edward Kofi Louis
Vantage, Advantage!

I have to say it out to free my mind,
I have to write it our to free my mind,
Vantage, advantage!
To the city of lights in search of love;
And, to the city of beauty in search of romance,
Under the muse of the rainbow.
Pride, outside, side, ride, inside, tide!
To the city of passion in search of joy;
Because, of the note you left behind.

Edward Kofi Louis
Vanuatu

Vanuatu, van, ant, an, tan, at, nut;
Of a mixture!
Very sacred,
But, with a different twist with the muse of the land! !
In recent times.
Vendors,
Commission,
To casrt gances at them;
With a flashy smile!
As you stepped out of the door.

Edward Kofi Louis
Vanusi

The labour of love,
he patience of hope,
The hospitality of care;
And like the winning lotto numbers from the photo,
But, Vanusi your lover came along to explain the status of your absence.

Exhortation,
Flattering,
Having a strong affection for you!
But, when this poem is read by you,
Pass it on to another person;
For, the valley of love is now being used in the land of romance.

Edward Kofi Louis
Varanasi

Varanasi, van, vans, rain, Iran, sit, sat, in, an, rains, as, is, air!
Red hot chilli peppers,
With the muse of the matrix of your sweet love in the land of peace and joy;
Inside and outside the ways of life with the aroma of your works;
And, with the peace of life around you today like,
True lovers left alive after the muse of war.
Image, imagine!
Living in Varanasi;
And, to heal the world with your sweet love.

Edward Kofi Louis
Vardey

Effort, fort, support, port, sport, sort;
Cripple, ripple, triple, apple, staple, maple!
And like an unmanned drone aircraft;
On the condition of anonymity.

Guidelines,
On the top of the walls,
For several days,
Because of a normal position;
But, Vardey is now in front of the judge.

Portraying,
Perambulating,
To live with the consequences,
In both countries,
Moving up and down!
Clearly,
In dirt,
To render accounts,
In tears! !
Once in court;
But, let the dust settle down.

Edward Kofi Louis
Vardy

Vardy, day, dry, ray!
Of a dry day but with hope,
To see your works and to say your words;
With the sunshine of true love,
With the pathway from your house,
Of a cry heard for help;
With the works of the truth.

Edward Kofi Louis
Variations Of Your Love

Righteous gift,
And like the variations of your love!
But the wing of your shadow reflected on the waters.
Life is like the natural features in the mirror of your muse,
But the Perfect Laws of Liberty are needed by us all;
So be the doers of the laws and not the hearers only,
For the natural features in the mirror are like the muse of your love.

Edward Kofi Louis
Variety

Variety,
Call, all!
Base,
Name,
Same,
Which identifies the muse of your sweet love.

Doctrine,
Tribe,
Culture,
tradition;
it is within the mind!
But, do not exact yourself;
Rather, humble yourself with the truth.

Edward Kofi Louis
Various Battles

The destructive ways of war!
But, Rome will be nuked;
For, the armies are now ready for their various battles on this earth.

Edward Kofi Louis
Various Lursts

Many do write but only few become Authors,
Many countries play in the World Cup but only one country wins the cup,
And you are now captured by various lusts around you!
But try to change before it is too late because,
Only few will be chosen at the end of all things.

Edward Kofi Louis
Various lusts or strong pulls lead us to sin!
And the end result is what you become today;
Because, we have to suffer for our wrong doings,
However, there are many rules on this earth to guide us on.

Edward Kofi Louis
Varpilah

Varpilah, pail, air, hair, rail, hail!
In the Niger Delta;
The Law Enforcement,
With your love,
With your muse,
Like the Capital Hill.

Portal, mortal!
This girl's father;
Pail, hail!
This girl's mother;
And, to ask for something in return.

The reward!
To walk in there;
The action!
to walk in them;
Pal, lap!
To walk through it;
Through, thorough!
To be with it;
Varpilah, ail, vail, pal, lap, harp.

Edward Kofi Louis
Vase, Case, Chase!

Vase, case, chase!

Race,
To embrace the truth always!
And to live in peace.

Edward Kofi Louis

Vashti, sit, sat, hit, it, as, ash, has, let, vast, vat, his;
Life,
Thinking always!
With the muse of the truth like Ruth your lover;
And, bringing joy to your heart always in the name of the laws.

The world!
This world,
Full of the troubles of mankind;
But, you are for peace!
And, you do sahre with others in unity.

Edward Kofi Louis
Vashu

The soundness of the mind and temperance,
Vashu came to lead me on;
For a righteous woman will humble herself to allow her husband to lead her.

Edward Kofi Louis
Vast

Of a vast multitude and of love,
Of the meat that you ate last night with me!
But now, it is like a dead snake hanging on a wall.

Waves, save, saw, was, as, sea!
But with the care of your love in the land of my dreams;
And like the meat we shared last night.

Edward Kofi Louis
Vast

Vast,
Cast,
Mast,
Last,
Past!
Nation,
A ration of food;
Action! !
To feed the people.
The catch,
The match,
The watch;
Better a little with righteousness than,
Abundance with the muse of sin.

Edward Kofi Louis
Vast

Vast,  
Cast,  
Mast,  
Last,  
Past!  
The catch,  
The match,  
The watch;  
Better a little with righteousness than,  
Abundance with the muse of sin.

Edward Kofi Louis
Vast, Past!

Vast, past!
Last,
Mast,
Cast;
Sailing along.

Edward Kofi Louis
Vastness

War!
With the vastness of the great destruction of the land;
But, why is the world like this?
War!
Like a thief;
With the lack of trust,
Taking the properties of others!
Killing and destroyiing the land.

Edward Kofi Louis
Vatova

One more night with you and one more dream,
For your power of love is now acting on me!
But i am Vatova with the global positioning system (GPS) in search of your position.

Edward Kofi Louis
Vauxhaul

In 70 CE!
It was no more;
Of the powers! !
And, of the People;
But, do you like what you see around you today?
Then, think twice before you throw a Stone in a Glass House.

In the world today,
The extraordinary Dogs are now out of their chains! !
And, illegal lust is like the very common Food on thier tables;
However, try to live a better life today to overcome all Odds.

Hiroshima Bay! !
I am Vauxhaul with the words of peace;
Walking across your coastal line to understand your muse,
For, man-made powers are now destroying the world! !
And like, what is seen in Syria today.

Edward Kofi Louis
Vavato

Movie studios,
Record companies,
Video games producers;
They are aggressively marketing violent entertainment products to the world!
But i am Vavato to open up your eyes with my lovely muse,
And who the cap fits will surely wear it.

Edward Kofi Louis
Veene

You want it!
And now, you've got it;
You love it!
And now, you've found it;
Because, what goes on in this river is noted by you,
And like the muse of your love in the land of peace.
You saw everything!
And now, you've got everything;
For, Veene your lover was there to back you up,
However, 'Agent orange' is now known in your town!

Edward Kofi Louis
Veeraiyah

Veeraiyah, hear, ear, have, air, her, hair, year, ray, yeah!

With the works of peace in the land,
And with the works of joy; under the eyes of the truth.

Edward Kofi Louis
Vegan

Paris, pairs!
Vegan, van, age;
Lust, lost!
With the muse of your life.
Of your health,
Of your wealth,
With the status of the meat that you eat;
Living in Avery Island.
Muse!
Drive in and drive out;
Mixing,
Like salt and pepper.
Brew, brewery!
Farming and beer;
With the status of the meat that you eat.

Edward Kofi Louis
Vegetation

Vegetation,
To teach the truth to the world;
With the muse of the light,
Very bright with the sight of creation.

Edward Kofi Louis
Vehement!

Vehement, he, vet, men, ten, net, met, hen!
Like the watercourse leading to the estuary;
In the catchment area.

Flooding! 
Checking the water level;
Following resent rains.

Life!
 Advised;
 Consequently! !
And, to relocate to avoid disaster.

Source, buffer!
Once the spill gates are opened,
The water gushes through.

Muse!
The source of the water;
Rising steadily,
In some areas.

Severe flooding!
Spill, pill, ill;
Following recent rains.

Edward Kofi Louis
**Vehicle Of Death**

Illegal lust,
With the vehicle of death!
Because of hatred and war.
Scary, say, car, ray, scar!
With the muse of the land;
In trouble.
Spread, spear, pear, ear, era, rape, dare!
With questions and answers;
And, with the muse of hatred and war! 
As the vehicle of death.

Edward Kofi Louis
Vehlitz

Vehlitz, it, vet, he, hit, the, tie, lie;
With the sins of mankind all around us today!
In the name of hatred and war,
However, let us all cast away our sins like a menstrual cloth! !
And, live in peace with each other to enjoy the fruits of the earth.
Oh bread of heaven!
Feed us with the truth;
And, let the shadows of our sins on this earth be replaced with the laws,
Changing the hearts and mkinds of everybody.
The muse of illegal lust!
Gone astray like a lost sheep;
But, we need love to guide our respective ways,
Along the muse of life.

Edward Kofi Louis
Veil, Unveil!

Tact,
Act,
Pact;
Of the withdrawal,
Veil, unveil!
Visual,
Usual,
Mutual;
Veracity,
Living in the land of peace.

Edward Kofi Louis
Velle

In the dreamland of love,
I was kissed by your love to keep me alive;
And i do respect you my sweet Velle.

Edward Kofi Louis
Velogo

Nobody cares about me and,
I am lonely in the cold;
But, when love comes, i will get the heat.

The silent night with the mix up of things around me,
And, i am like a continental dish with my sweet mind in the cold!
But, nobody cares about me.

My proverbial love! !
How sweet is your bed?
For, i am lonely in the cold and, my name is Velogo.

Edward Kofi Louis
Venereal

Life!
Full of mankind's illegal sexual activities;
leading to the curses around us today.

Sickness!
Venereal,
Transmitted,
Incurable;
And, the earth mourns and fades away.

Swabs!
Acquire,
The incidence,
Of the occurrence;
Transmitted from the mother to the child.

Edward Kofi Louis
Venessa

If you do not know the rules of life,
What should i do when the dogs do bit you?
And i never meant to hurt you so,
Please do forgive me.

The way of your life was just a tip of the ice burg,
And i am a woman who is deeply troubled;
But you are just like the son of Belial and,
I am the daughter of my mother.

Please forgive me for the pain that i have caused you,
For you are only a boy and i am only a girl;
But love have brought us together on this table and,
The bitterness of the soul hangs on the wall.

I am Venessa and i am sitting here looking at you,
Please can i glean and gather the sheaves with you?
For i am a woman of substance!
And to glean the head of grain like,
The precious stone that needed to be kept;
But the three little birds onmy roof top responded,
And it is like Fred and Red in the land of the Red Stew.

Have you finished eating and drinking?
For the Philistines have brought the ark of Yahweh;
And of a bronze coal of mail! !

I am like the suckling lamb to learn the rules but,
You've taken over the rules of law into your own hands!
So please do forgive me if i have hurt you.

Edward Kofi Louis
Venta

Venta, van, ant, ten, net, neat, vent, vat;
Bathroom, showroom!
The premier,
Range, orange!
In the farm;
But, do get something to say in this life,
In a positive way.

Love,
To the tea room;
Grub, rub!
In the company of your friends;
And to be glad with exceedingly joy! !
Because of the muse of your sweet love.

Love,
To be very sure with it;
And, to be in it,
With the muse of your mind.
Love!
To be very firm with it;
And, to let it be part of your ways,
Bringing peace and joy to the world.

Edward Kofi Louis
Ventilation

Ventilation,
In an open space;
Love,
To pursue it!
With a reason;
For peace and for joy.

Life,
To console it with love;
The pictorial of nature!
With the ways of the laws;
Love,
Knocking at the door of peace;
With the joy of your heart.

Edward Kofi Louis
Venture

You have gathered gold and silver into your treasures,
And your heart is lifted up because of your riches!
But, in the depths of the waters will you be drawn;
Because, you've failed to help the poor.

Venture,
Joint venture!
With your muse,
With your mind,
In business;
But, you've failed to help the poor around you.

With your mouth you have boasted against them!
But, the prime of life is among them;
As we all came from one source.

The muse of love,
The muse of peace,
Like the water of purification sprinkled unto us!
Of a new heart and a new spirit;
Scattered among the heathen! !
But, you've failed to help the poor.

Venture,
With the pride of mankind on this earth;
And, with the muse of your ways according to your works,
But, you've failed to help the poor around you.

Edward Kofi Louis
Venture, Adventure!

But the plowman ought to plow in hope.
Village,

Privilege;

But, do not muzzle the ox while it treads out the grain.

Rain!
Gain,
Again;

In pain when in chain,
Facing the ways of life.

Rail! !

On Trail;

Facing the odds;

With the vineyard of love when the truth is accepted.

To cross the threshold!

Of life;

Vintage,

Passage,

Age, language!

With your luggage;

Alone,

Along the ways of life.

Edward Kofi Louis
Venus

A face-to-face meting and,
Of the sad response from you;
But don't ossify your conscience and think that you are wiser!
For the authenticity of the matter is that,
You are Venus and i am Edward;
And i have an ultimate love for you.

Adjunct to scrutinise,
And ruled by one land for all;
But the scenario is not different from your face,
Because i do grow day and night.

You are all that the muse brought to me this night,
And i here to love you for what you are;
But, your sad response shows on your face,
And you have much to learn about love.
You are Venus and i am Edward,
But you are the act of the night from the muse;
So wake up and be very straight on this love.

Edward Kofi Louis
Venus' Factor

Love!
Venus's Factor;
In the land of your muse,
And, with the ways of the universe.

Moon, soon!
Dancing in the rain;
Spoon, soon!
Being requested to meet at the table.

Moon, spoon, boon, noon, soon!
The stop over;
With the muse of your love,
As seen in this land.

Break, brake!
The stop over;
Illegal lust!
Meeting for only two nights.

Edward Kofi Louis
Venus The Goddess Of Beauty

Of people jumping from bed to bed without house numbers! !
But why should a married woman sleep with another man?
Selfishness without a clue!
But why should a married man sleep with another woman?
And from Venus the Goddess of Beauty is what we share around today;
But the mystic of her vision is so far away! !
So let your teacher and your paster teach you well,
For the people around us are jumping from one bed to another in the name of flirt!
And they are now like a tasteless breakfast hurriedly cooked on fire.

Edward Kofi Louis
Veola

A vivid memory of my childhood is on you,
And you are my lover today;
But Emily came and touched you with her love,
And today i am with Veola in the bush of love.

Edward Kofi Louis
Veolia

I need ice-cream on your love,
And like the beauty of your love that is reflected on the mirror;
But the ice-cream boys are always around you Veolia! !

Edward Kofi Louis
Veolia II

Veolia, Leo, vial, veil, via, ale, Ali;
With the bread of life,
After your hard work.

The muse of illegal lust,
Yesterday is gone too soon;
With tears running down your eyes like the rivers of waters,
And now, you are also soaked in the rain.

The muse of illegal lust,
Like a weakened wall which is ready to fall;
But do gather courage and rise up again!
In quietness and in confidence to gain your strength.

The muse of life in the land of trouble!
You do sit idle as your folks play the love game;
However, this poem is like the breaking of the potter's vessels,
With the secret treasure on the hump of a camel.

Wake up!
Rise up again and live;
Aiming towards the future,
With the sweet smell of success.

Edward Kofi Louis
Veracity

City,
Lights,
Veracity!
With the muse of the truth;
In her possession,
In his possession,
With the muse of the current of love.

Edward Kofi Louis
Veracity!

Boot for boot!
Foot for foot;
Action,
Costed, accosted!
Text,
Pretext,
Gone with the wind!
Lonely in the cold,
Still with hope;
Veracity!
Cross trading;
However, 'brevity is the soul of wit'.

Edward Kofi Louis
Verbal Denunciations

Heartless act!
To get a clear understanding of the issue;
Verbal denunciations,
Prima, primary!
On the chin,
Dwarf, wharf!
Essential,
With the initial confrontation!
Doing his or her own thing.

Heartless act!
Prevailed;
With his or her own version!
In a threatening manner,
Illegal lust!
With the influence of his or her friends.

Heartless act!
Through the back door,
With the unfolding drama;
To redefine literature with the muse of writing!
headlines,
Unrelentingly;
Heartless act!
With his or her bestial killings.

Edward Kofi Louis
Verdict

The verdict was based on prejudice,
And the case was ablaze with fire!
But do come under the protection of my roof.

Persistent,
Humble,
Great potentials;
I only wanted you to know what occurred,
For the verdict was based on prejudice.

Edward Kofi Louis
Verdict  Iii

Verdict,
Vindicate!
To justify it,
Heavily burdened;
With critical condemnation.

Edward Kofi Louis
Verdict II

Transformastion,
Complementing,
At once!
At it,
In it,
With it,
For your joy!
For your love;
And, at the end with,
The verdict.

Edward Kofi Louis

Wisdom and protection,
It is just like the power of love!
And we will always meet to iron out things,
Because Vere is ready to learn from us!

Edward Kofi Louis

Mystery substance!
With the muse of the secret circle;
Love,
I can see it in your eyes.

Men in Black!
Women in Red;
With the muse of the round house and the flat house,
And, with opened eyes to chat with you.

Muse,
Lost at sea! !
13 days Long;
Verify, vilify!
Pool, tool, stool cool;
With the muse of the secret circle.

Edward Kofi Louis
Verity

Age,
Tutelage,
Verity,
Brought to the light of the truth;
Specific sense of training,
Deed, indeed!
To Herd to righteous works.
Active! !
In the original sense,
Seed, reed, weed, feed!
To love the truth;
With the works of righteousness.

Edward Kofi Louis
Vermilion

He permitted it with vermilion,
And like the burial of a donkey;
But my mind is still on your love.

To suck the milk of the gentiles and,
To suck the milk of animals;
Here are those who fly like a cloud!
And it was here at last and i tasted it.

Edward Kofi Louis
Puzzle, nuzzle, muzzle, guzzle;
Bread of sorrow and bread of life!
But, come and show me the way to the righteous sea.

Call in Vero to understand my muse!
Muzzle, puzzle, nuzzle, guzzle;
And like the act of a simple poem on you,
But, so meaningful! !

Edward Kofi Louis
Veronica

Love Yahweh your Father by walking in all His ways,
Like the monkey and the banana!
Love one another around you and the world,
Like the 'pig-feet' exported to Ghana!
But, they are sold in the markets for people to buy and eat.
Life is also like the 'turkey-tails' exported to Ghana,
Sold in the markets for people to buy and eat;
And of the 'stock-fish's heads' exported to Nigeria!
Sold in the markets for people to buy and eat,
But life to us is like a missing child in the forest.
Veronica, your thinking is very opposite to mine;
So how can we live together on this earth?

Edward Kofi Louis
Veronica, Monica!

Life!
Like the 26 year old Lady who married the 80 year old man;
Muse!
Being dead silence to this way of life;
Because of the very acts of mankind on this earth.

Veronica, Monica!
Ladies;
With the muse of life,
As one goes along to watch the ways of mankind on this earth.

Muse!
With Mrs. Anne Britain and, Mrs. English Gardner;
And like the game of thrones,
But, another 18 year old lady married a 56 year old man.

Edward Kofi Louis
Veronika

Listen to your heart beat when it comes to love and,
Take it easy when it comes to life;
For the rose of love is what you are!

Green Hills of Sussex with sex,
Exhilarating the joy of your muse;
But, my love is all that you need,
For, i am Veronika and i am closer to you than ever!

Locve your mind and praise the muse of love,
For, my beauty will bath you all over with joy! !
And like the yellow liquid in the deep blue sea.

The softness of this land is like the muse of the red spot,
But, those who are planted in my house will always stay with me;
For, my beauty will bath you all over with joy! !

Edward Kofi Louis
Verse, Serve!

Verse, serve!
The government's payroll is full of ghost names;
And like the bloated voters register in the land of corruption,
With the note of the missing link.
See, seer, serve, verse, preserve, reserve, observe;
But, washed ashore with the muse of lust!
As the masses toook to the streets.

The muse of life in the land of corruption!
The gallery of love is what they need to move them up;
Like the muse of a positive family,
In the land of the living.
Bus, sub, bush, brush, rush, push, fish, dish, polish, nourish!
Recalcitrant,
Documentations,
Surprised! !
In the land of corruption.

Verse, serve!
Poorly built in the name of the process;
According to the muse of the land,
With low levels of potentials.
The muse of lust in the land of corruption!
Continue to borrow to build private wealth;
As the masses go hungry.

Edward Kofi Louis

Southern winds!
With the ways of life.

Edward Kofi Louis
Very Confidential

Holding it,
Protecting it,
Very confidential,
For your own use,
With the muse of your sweet love.

Edward Kofi Louis
Very Authentic

Bought by you,
Brought into life,
To explore my love,
With your ambition;
But, i am very authentic.

Edward Kofi Louis
Very Close

Near!
Very close;
With one thing leading to another.
Charm, arm!
But, unexpected;
With love taking the lead.

Edward Kofi Louis
Very Cold!

The cold,
Very cold!
Once you kept it inside;
As you were kept inside the house of love!
And to warm you up by the fire side.

Edward Kofi Louis
Very Comfortable!

Soft,
Very comfortable!
But, if you can't sleep on it,
Give it to another person to do so.
Be the first to read,
Be the first to understand,
Be the first to learn;
Soft,
Very comfortable!
But, are you ready to sleep on it?

Edward Kofi Louis

Wherever and whenever,
But, very genral.
Of am eloquent speech! !
Of an example;
Superfluous!
Babbling,
Blind, bind!
Eloquent,
But, you lost the very way to my house because,
It was a very long time that you paid me a visit.
A message to the heathen!
Approved;
But, very openly! !
And, the flow of the liquid went into a secret place.

Edward Kofi Louis
Very Great! !

Your poems heal my soul when i read them,
Your works touches my heart when i see them,
And you are really the very one among the few!
Because you are like the very one that i am waiting for;
For the spirit behind you is very great! !

Edward Kofi Louis
Very Hard

Strive!
Very hard;
To labour fervently,
And to gain the storehouse of peace.

Fill, feel!
The passageway;
Fair, flair!
Epigrammatic;
But, the magic wand of life is the muse of the truth.

Hip, worship!
With the magic of works of love;
Ship, worship!
But, the magic wand of life is with righteous works.

Edward Kofi Louis

In Norderstedt;
With your muse!
But, it was very joyful to see it.

Very, every, query;
Revealed to me!
With your muse,
But, it was very joyful to see it.

Ferry, jerry, merry, berry, sherry, terry!
In Norderstedt;
With your muse,
But, it was very joyful to see it.

Edward Kofi Louis

The thoughts of mine,
Very light and,
Glad in my heart! !
For seeing your face.

Let righteousness teach you;

Life is lovely and peaceful!
Under the muse of the truth;

The rest will follow.

Slow but sure!
Like the muse of the tortoise;

Aiming along!
Till you reach your destination.

Edward Kofi Louis
Very Often

The feelings of the age!
Very prominent,
As the sand of the sea;
Face, phase!
To take a second look,
Very often;
Of the obscure passage!
Muse,
Fuse,
Use,
Immunity;
Schools and communities,
Muse! !
Refuse;
Drained,
Dismayed;
But i held on my peace!
Overflowing,
Overcoming,
The odds of life;
Very often,
Standing upright with the truth.

Edward Kofi Louis

Highly valuable!
Very precious;
Strength,
Wonderful work,
Miraculous power! !

To strengthen,
With the muse of the treasurer.

Sweet, see, we, wee, sew, set, stew, wet.

Daily needs,
Methods,
Contemporary;
Thrombosis, symbiosis!
Of the tools used,
Active and passive!
Yes or no;
Plesh, fresh!
With true love above the ordinary.

Edward Kofi Louis
Very Simple

Life is very simple if,
We the human beings want it to be;
However, hatred and war are like the rivers around us today,
As mankind destroys each other.

The muse of life,
Very simple with the laws;
If only if we are ready to abide in them,
For peace than war.

Life is very simple with the muse of peace and joy!
Doing away with hatred and war;
Since, the earth already has enough for all of us,
So, let us all reason up.

Edward Kofi Louis
Very Soft!

Very soft!
Easy-to-find location;
Fresh vegetables! !
Preliminary,

To enter into it,
But, with the muse of your love.

Edward Kofi Louis
Very Stable!

I am very stable on the ground but,
You still need to support me with your love;
because, i need you.
Bones!
Overnight;
On the 18th of November 2012,
But, i am still on my feet.
Walking along with a walking stick!
For the first time;
Because of the accident,
However, you still need to support me with your love.

Edward Kofi Louis
Very Strongly Within

I am caught by your sweet love,
And i am now adding up one thing to the other;
For the true meaning of this love is now exposed to me,
And i can sense it very strongly within me.

Edward Kofi Louis
Very Young And Beautiful

I am very young and beautiful!
I am very young and attractive,
I am very young and lovely,

I am very young and lonely;
But, lost in the jungle of love and,
I have to look into the mirror twice before going out.

Edward Kofi Louis
Very, Vary!

Love!
My heart speaks to you;
Very, vary!
In the land of your muse.

It was an opportunity and,
I belong to you;
So, be ready for my call.

Love!
I know who you are and,
I want to be beside you always;
So, be ready for my muse.

Base, sea, be, as, sad!
But, my love will find a way to touch your heart;
Because, i am the one for you and,
I live in your town.

Edward Kofu Louis
Vespucci

Vespucci, spice, ice, is, cup, pie, pies, cups, vice, vices!
The people are enjoying everyday around you and,
You do sit down and watch them;
Because, you have no means to enjoy yourself like they do.
Such is life around us today on this earth!
Some have and, others have not;
But, to reach up to the top is really not easy.
Many have taken the world into their own hands to enjoy the pleasures of it,
And, others are rather waiting and, are ready for the truth;
From my youth and even to this day!
And like the hot wind that blows towards us from the barren heights of the desert.
Love, dove, clove, cove, hove, grove, glove, move, prove, drove, rove, shove, strove, stove;
And, woe to those who decree unrighteous decrees! !
For, winkedness burns like fire.
Yes, don't be surprise!
Life is like that at times;
And like a big ship sailing along;
Since, the minds of many are really infused with the pleasures of this world which lead to sin.

Edward Kofi Louis

Sharing in peace;

Call, all!
With the experiences of life;

Reed, deer!
With the glory of the minds at rest.

Zone, one!
With the muse of the truth;

Here, there!
With servitude and attitude;

Slight, light!
With your choices on this earth.

Son, soon!
With the faith of your love;
Kin, kind!
With the words of peace;

Spoon, soon!
Ready with the food of love.

Life!
What you preach is what you teach;

And, what you teach is what you preach!
So, practice what you teach.

Edward Kofi Louis
Vice

Vice! !
Let me advice you;
With service of peace and love than,
Hatred and war.

Edward Kofi Louis
Vice, Novice, Device!

Revile,
Persecute!
Falsely,
With the muse of evil thoughts;
Vice, novice, device!
With the ways of mankind,
On this earth;
Which conflicts the law.

Illegal lust,
With the muse of evil acts;
On earth,
To satisfy the greed of the evil ones!
On earth;
With the muse of hatred and war.

Edward Kofi Louis
Vice, Service!

Vice, service!
With your illegal works;
As you wait in the dark for your prey.

Muse!
The very pure thoughts of life are built on kindness and love but,
'Curse is the man who trusts in man, who makes flesh his arm;
And, whose heart departs from Yahweh'.

Worldly lust!
Worldly policies;
Vice, service!
With corruptible minds.

Edward Kofi Louis
Vicious

Vicious,
Proposed,
To take a decision,
Delegates! !
Council,
Before and after;
Congress!
Specially,
With your works!
Illegal lust,
Disrespect hurts! !
Being in great distress.

Edward Kofi Louis
Vicious Circle!

My ears are free! ! !
Because, i don't wire my ears with the melodies of the world;

How can you be my friend when,
You don't know me?

My mind is clean because,
I don't satisfy my heart with the pleasures of the world.

How can i be your friend when,
I don't know you?

Drum, eardrum, rum!
But, where is your love?

Shell, hell, ell, sell!
Like folks with gods and goddesses;

How can they serve the Creator when,
They don't know His Name?

Vicious circle!
With the muse of life;

But, try to know your steps in life and,
Do the right thing.

Edward Kofi Louis
Vicious!

Vicious!
Well, dwell, spell, sell, fell, tell, shell, hell, bell, cell, dell, jell, yell, quell;
With the ways of the live-styles of mankind on this earth,
But, remember to do what is right always.
Ant, Antonio!
Marching on with the songs of peace and, living in unity with each other;
Hat, hot, hit!
With the works of mankind on this eath;
As seen by all.
Well, Powell!
With the responsibility to protect others;
As we live on this earth.
Love!
It is possible with the muse of peace, care and unity;
The muse of life!
With the definition of peace;
And, to protect one another.
Mission, vision, emission, invasion, version, tension, fusion, infusion!
But let us allow the laws to lead the way;
And, by guiding us all towards peace than war.

Edward Kofi Louis
Victims

Foes!
Woes! !
Victims;
In the name of war,
Destroying and killing.

Edward Kofi Louis
Victims!

Victims!
Child abuse;
Illegal lust!
Sexual abuse;
Missing,
To sideline;
With subtle attempts.

Illegal lust!
In a tunnel called the snake;
Floating!
As at now;
To know it and,
To take it from there!
For further investigation.

Edward Kofi Louis
Victor, Vector!

Actor,
Victor, vector!
Pure emotion,
Sure with your love.
Secure!
To cure your heart;
With the muse of the truth,
Moving along with your works in the land.

Victoria's Secret

She fell in love secretly with someone because of lust and,
She had sex with the boy who impregnated her and left her alone;
And now, she who is called Victoria is with a child in her teenage;
For, this had been her secret all along in the village that she grew up with.

Victoria's secret,
And of all the boys that she slept with in this village;
Yes, in her teenage without a clue by playing around with her nakedness!
All in the name of lust by sleeping with the boys around,
But, she who is called Victoria is now with a child! !
And, there is no father to take care of this child.

Love is a beautiful thing and hate is like the grave!
But lust has taken control over true love in our various societies;
And, most of the teenage girls are with babies without fathers.

Victory On My Love

Achieve success and achieve victory on my love,
For your wonderful works of love will be remembered always;
But in the watches of the night,
A lightening shadow will lead you along to my home.

Video, doe, die!
With the facts on the ground;
Facts, acts!
With your illegal lust leading you to death.
Love!
Spreading out the message of the truth;
Life!
Spreading out the message of peace;
But, illegal lust is not the way to peace.
Love!
It starts within you;
Illegal lust!
It starts within you;
Kit, it!
So, do make the right decisions and live.

Edward Kofi Louis
Video, Rodeo, Reo!

Woman,
Cover up your breasts from the eyes of the public!
For, you are somebody's wife;
Video, rodeo, reo!
Even if you are not married,
Please, cover up your breasts from the eyes of the public;
Oh woman!

A man,
More rare than fine gold;
Mankind,
More scarce than the pure gold of Ophir;
But when will this great tribulation start?

Formed from the womb and killed to be buried in the tomb,
But those days should be shortened for us to gain the end.
Open the Book and see the light,
Enslaved for 400 years! !
Like a kingdom which is shaken all around.

Humility,
Of our sins of the past to make change for the better;
Like Aids(1981) and HIV catching up to the human race.
Oh, how my mind rests on the mountain of Olives;
And like the days of Noah,
A reed like a measuring rod is needed for survival.

Land, water, air!
The warning labels to us all to learn like a student;
But hidden from the view of many without hope.
This point of view is desirable for food,
This act of love id hidden from a view,
But around the great river Euphrates came the war!

Village Headmaster

I am the village headmaster who wants your love;
But, from the wars around me came the dead bodies!
And today, i have to bury them in the same tomb.

Womb, comb, bomb, tomb! !
With the unfaithful works of the darkness;
Like a debauchery!
But, the truth about life is around us always.

'Come what may'!
I am the village headmaster who wants your love;
But, do not drink wine which is in excess,
For, there are wolves outside waiting to devour you.

Life and lust!

Violating as in rape,
Violating as in killing,
Violating as in murder,
Violating as in kidnapping,
The acts of cruelty towards others;

An attack on someone's sound mind ans sound health!

Edward Kofi Louis
Violation

Violence!
The violation of somebody’s rights;
With the wickedness in your land,
Under the sky.

Edward Kofi Louis

Edward Kofi Louis
Violence

Child of violence,
Woman of violence,
Man of violence!
Destroying the world with your negative acts;
Evil plans! !
In your hearts;
Conspired with terrorism and warfare.

Edward Kofi Louis
Violence And Hostility

Violence and hostility won't help you in this life!  
You rather need a sound virtue and hospitality;

I know the realm in which I operate!  
In my garden with the songs of love;

As each day passes by,  
Thinking of your acts in this land.

in the viper's den.

Illegal lust,
A rod came out of the sea!

The muse of life,
With terror everywhere;

Outcasts!
Dispersed;

Illegal lust,
From the four corners of the earth;

With the muse of envy! !
With hatred and war.

Illegal lust,
With fights and wars;

To be cut off! !
From the faith because of your negative works.

Edward Kofi Louis

Virgin Island

What do you want to do for love oh Virgin Island?  
Tell me if you are alone and i will visit you;  
For i really have a message for you oh Virgin Island.

Hold on to your virginity till you reach the peak of marriage,  
For i am yours and you are mine;  
And of your lovely and watery love like the ice-cream,  
And down to your rivers with the windfall's light.

You are honourable among the lovers and,  
You are the sweet Virgin Island of love;  
But do tell me if you are lonely and,  
I will be there for you like the mid summer's night.

Edward Kofi Louis
Virgin Islands

Acceptance! !
With the muse of love;
Virgin Islands,
Doing your best to respect all mankind.

Edward Kofi Louis
Virgin Ladies

Cry, laugh or sleep for the days ahead;
For it is better to limit your problems than to create more around,
But hold on to your virginity like Virginia State in the U.S.A.
This subject will arose your anxiety,
But don't be deceived to the facts on the ground;
Because we know the problems associated with promiscous sex.
Vibe of a groovy shade,
And like the dead end of life to many!
But what eluded the cat also eluded the mouse,
And the virgin ladies are like us with human comprehensions.
Cry, laugh or sleep for the days ahead;
And why break up your virginity when you are too young to carry a baby?
For it better to marry than to burn up in promiscous sex!
And this is not like the panoply but of the reality of life as seen around.

Edward Kofi Louis
Virginia

The body needs a certain amount of rest to repair itself; 
So, let me love you and lead you on! !
For, my name is Virginia and i am in love with you; 
So, tell me if you want to be my lover.

I am the toast of the audience in this town but, 
I need a man of my own to share this muse of love with; 
And like the joy of peace in the land of the rainbow! !
But, tell me if you are the one with the gold fingers of love.

Come! And you will surely cherish my love; 
Come, for you are the one very i need in this land; 
And, you are with the very gold fingers.

This love is like the 'Vienna Convention', 
This muse is like the colours of the rainbow, 
And like the joy of sweet love in the land of beautiful flowers! 
For, i have a lot to share with you.

Edward Kofi Louis
Virginity

Be careful now and drink no wine or strong drink,
For you will conceive and bear a son soon;
But let me alone for two moons so that,
I may go and wander on the hills to bewail my virginity.

She was a virgin but,
What is sweeter than honey?
She was a woman and,
You have to take care of her before the sun goes down;
For you've used my heifer and her love and,
You should now allow me to go into my bride.

Of the bridal chamber of love and,
Of the muse of your history around the town;
And like hundred foxes tied tail to tail together,
But i may still go and wander to bewail my virginity.

Olive groves and the flame of love,
Have you seen what the Romans have made out of you? !
And they raised their voices and wept,
For you've used her and used my heifer.

Can i find honour in your eyes my love?
For you've saved my life on this love;
And of the sword and bow that laid beside you,
But prepare me a table and let me eat tonight.

Edward Kofi Louis
Virginity And Teenage Pregnancy

Virginity and teenage pregnancy,
Your Mama will cry when you fail to do the right thing;
But i am ready to guide you on.

Can you walk along with me? !
For I've prepared the ship of love to guide you on;
And your Mama will cry if you fail to do the right thing.

Like the days of the sins of mankind in Sodom and Gomorrah;
Nature!
It was virtually essential to expose our sins,
But let the truth teach us today! !
And to repent;
To change for the better.

And like the voice of your husband calling at you.

Optimistic,
Honest,
Respectful,
Trustworthy,
Courageous,
Virtuous;
You will bring forth children like Cain and Abel,
But do mind your language when speaking with others.

Little by little,
Step by step,
The time of life!
And like the voice of your wife;
But try to educate your mind with peace and love than hate.

Edward Kofi Louis

There are mistakes in life;
However, let us do our best in correcting our mistakes after any incident or accident.

Give and gain the future!
For, giving is sowing;
Bound to care! !
Sow righteous works today and reap the muse of peace tomorrow.

In the darkness of the night i will look for you my love,  
In the brightness of the day i will sing for you my love,  
And like the preliminary choices of my nakedness to you!  
But try to learn how to live in peace with others.

So much for soliloquies,  
But the procedure itself is a lot like an anecdote!  
However, not everybody is wise enough on this earth to lead you on,  
But try to learn how to live in peace with others.

Unliveable premises!  
And from birth to death;  
But rehearsing my mental mentally won't mean anything to you,  
And like a support of love to move us along the paths of life.

Wadsworth! !  
The dissipation of glamour depends on illuminated thinking;  
But the colour of my skin is what you see!  
However, try to learn how to live in peace with the people around you.

Edward Kofi Louis
Waged

Wars are waged against me from all sides,
But my faith will lead me on to reach out to my goals;
And like the sunrising from the east!
Because, the pride of their powers will come down one day.

Use, fuse, infuse. defuse, refuse, muse!
Uprooted with the muse of hatred from the hearts of the people;
But, a bucket half full is like a bucket half empty.

The muse of life!
Proposing the toast of peace than war;
dating years back with my works,
But, wars are now waged against me from all sides today.

Edward Kofi Louis
Wages

He or she who reaps receive wages,
So sow in tears and reap in joy!
For many around you are born out of fornication.

Edward Kofi Louis
Wages, Ages!

Wages, ages!
To do the work faithfully;
And to witness the truth with the joy of your hearts,
Working in a Factory.

Edward Kofi Louis
Wagoner

Wagoner, wage, rang, ear, era, are, gone, goner, one, go, raw, rag, war! !
Field, filed;
Dire, wire, hire, mire, ire, quire, lire, tire, sire! !
Bubbling along the muse of life without any direction;
And like the hustle and bustle in the land of your muse where many do die!
But, it is time for you to learn for the better and, to achieve your dreams.

Edward Kofi Louis

It's coming;
It's not going to delay.

Edward Kofi Louis
Wait For It

It comes out this way,
So be very patience to wait for it;
And like the never ending story in your town,
But the fountain of the living water is now closer to you.

Instructing,
Just a little drop;
Simple,
Manifested to the world!
But it comes out that way,
So be very patience to wait for it.

Edward Kofi Louis
Wait For It   Ii

It will come!
So wait for it;
You will receive an answer,
So wait for it;
You will be very much pleased! !
So wait for it;
You will be adhered to,
So wait for it;
And like this green snake in the green grass!
However, patience is the key of life.

Edward Kofi Louis
Wait For The Response

Press the door bell,
Wait for the response,
Enter in when you are allowed in!
Always wait for the response.

Edward Kofi Louis
Wait For The Right Time

What grows on the earth?!
What is left to mankind?
But, do wait for the right time to come;
Then you can express yourself with your status.

Of the small planets,
Of the frozen planets,
Telescope, cope, slope, dope, rope, lope, scope, hope, mope;
And of these things!
Because, there is the planting time and of the harvest time.

Edward Kofi Louis
Wait For Yahweh!

Wait for Yahweh!
For, He is there and,
He is watching you;
Prepare for Yahweh!
For, He has all the answers for your problems.

Edward Kofi Louis
Wait In Vain

The coast is now clear and,
I can feel your love;
But, i don't want to wait in vain for your love.

The coast is now clear and,
I can see your move;
But, i don't want to wait in vain for your love.

The coast is now clear and,
I can feel your muse;
But, i don't want to wait any longer in vain for your love.

Man, woman, human!
To write my story;
For, what goes around will surely come around one day.

Edward Kofi Louis
Wait!

Wait!
Ask it from the owner first,
Before you are allowed to use it.

Face, facade!
The store;
She came in,
He came in,
Ready to buy something.

The eyes of love are the eyes of peace and joy!
To dig out a line,
And to colour it red;
Scan, can!
With the effect of true love.

Edward Kofi Louis

As excited as i am!
I want to meet you;
My beauty,
My love,
My muse,
My lover! 
And, i am waiting anxiously for you.

It was a text message!
And, it came from you;
Then came another message,
And like a dream made up of the stars!
For, everything was so wonderful;
However, i am anxiously waiting for you.

Edward Kofi Louis

I'm waiting for you.

Edward Kofi Louis
Waiting For Our Turn

The flag of Ghana and the wisdom of my home,
With self-exaltation to bring you closer to my lover;
And like the fundamental questions of love,
But try to raise the flag so high.

We shall overcome some day in life,
For we are all victims of our own success!
And of Mount Zion to rest my mind,
Oh come back home to save your people.

I met the big white sheep with its developed horns,
And like 'Chitty-chitty Bang-bang'!
But what goes around must surely come around;
And we are still waiting for our turn in this life.

Sexis beautiful and it comes with love,
But debt is the reality of life! !
And death is not the option;
But with the 'virginity test certificates' to clear my mind,
For we are still waiting for our turn.

The fundamentals of a new world to crown the soul,
And in nudeness we stood to wait for our turn!
Hurray! ! ! The Flag of Ghana!
We shall overcome some day in this life.

Edward Kofi Louis
Waiting For The Soul Train

Love!
Waiting for the Soul Train to take you to your lover;
Because, you've got so much things to say.

The past!
The old story of your life;
But, now, you've got so much things to say.

The dark side of life!
You will surely get over it;
So, try to take up a new identity in a positive way.

Life!
You've got opportunities than i do;
But, i'll still bring the News to you.

Edward Kofi Louis
Waiting For The Sun To Shine

Locked doors and windows!
Lonely,
Sitting in the dark house;
Waiting for the sun to shine! !
To bring you freedom.

Edward Kofi Louis
Waiting For This Moment

Waiting for this moment,
Longing for each other,
On this love.

Edward Kofi Louis
**Waiting For You**

Inside me is wet like the river of peace,
Inside me is soft like the river of hope,
Inside me is sweet like the river of love,
So come and share my love with your sweet aroma;
Come, for my love is waiting for you.

Edward Kofi Louis
Waiting For You

Sitting,
Lonely,
Waiting for you.

Edward Kofi Louis
Waiting For You

Come for it if you need it,
I'm always in the house!
Waiting for you.

Edward Kofi Louis
Waiting For You  2

You've got twenty more years to learn! !
However, man's basic needs has always been threefold.

I will stay on this side of the river,
Always waiting for you my dear one;
Because, you need food, clothing and shelter in my land.

Edward Kofi Louis
Waiting For Your Call

You gave me time!
You promised me;
You told me that you will call! !
But you failed;
And I sat down alone waiting for your call.

Edward Kofi Louis
Wakaso

Agitated!
Pelted with missiles;
Wakaso, so, as, was, saw, ask, sow!
Crowd,
Throwing bottles,
Marred,
Defiant,
Game,
Incidents,
Stop, stoppage!
And, to take it away.
Graphics! !
Actual,
Morgue, autopsy!
Still sleeping;
Tale!
To regret it;
On the same pitch.

Edward Kofi Louis
Wake Up

All the days are not equal but,
I will always have my love for you;
Lovely and romantic,
Sticky and sweet;
My love is like Kwa-Zulu Natal Province.
I am the Island of hope,
I am the Island of love,
I am the Island of peace,
I am the Island of romance,
I am the Island of passion,
And i don't want to look back.
I am the boat of love which,
Sails through the cave of darkness;
So gt the European touch and come to me,
Like a visit to Buckingham palace.
I have the touch of the Kung Fu Panda to teach you,
So get the Asian touch and come to me;
Why have you stop dreaming, when there is tomorrow?
Get the African touch and come to me;
Why have you lost hope, when tomorrow is another day?
Get the Australian touch and come to me;
You may fall today but,
Try to wake up again! !
For, the future is unknown.
As far as the human eyes could see,
Your body needs rest;
My Mystic Lover,
My Mystic River,
Do we consider our ways and the results that it brings?
Then, let us be very honest to each other;
'Mamma Mia! ' True love is all that i share with you.

Edward Kofi Louis
Wake Up 2

What is gone is gone! !
Wake up,
Try to understand the ways of life;
Life and death,
Born yesterday and, buried today.

Edward Kofi Louis
Wake Up Africa!

Oh Africa, wake up! !
Travelling around from place to place;
But, blessed are the merciful.

From one pole to another,
From one country to another,
And, let the merciful obtain mercy.

Take a step!
Take a trip,
Just like the hero who came and went;

Make a move!
With the love of your muse;
Travelling from place to place.

Your voice!
My voice;
With a positive choice to teach the people with the works of the truth.

Oh Africa, wake up! !
I can feel your emotions but,
The truth must be said;

Wake up Africa!
Glad to be with you;
With my mind to the world so sweet.

Edward Kofi Louis
Wake Up To A Call

The problem we have in the world is ourselves!
So let us change ourselves to a very positive way;
And be ready to listen to the deep voice inside us.

Wake up to a call and care for the people around you,
For there is no drama in true love!
And be ready to listen to the deep voice inside you.

Patriotism and selflessness,
Always do change yourselves for the better;
And do look up for the responsibilities around you,
For Rome was not built in a day.

Edward Kofi Louis
Imposters! !
Of evil men and women;
Deceiving and being deceived!
But a trumpet was heard at the sea;
And, it located the cattle in your yard.

You were one of the imposters and you are now afraid!
Because Wakye my friend was able to record your deeds;
And now, you are hiding yourself from us.

Edward Kofi Louis
Waldhorn

Waldhorn, horn, on, ward, word, not, or, hold, old, hrad, had, worn, won, war!
Which drives our emotion without any clue;
But, with the impression of delivering out our best to the world.
Worn, won!
War is not the true answer to peace in this world;
Ward, word!
You only have to change yourself now so that you can gain the future.
Hard, had!
To have respect and to be yourself;
Because, war is not the true answer to peace on this earth.

For the flow of the river of your love runs through my threshold!
And i need to hear from you always my sweet one.

Edward Kofi Louis
Walking Along The Narrow Path

Something big,
Something short,
Something wide,
Something soft,
Something hard,
Something narrow,
Something wet,
Something dry,
Something sweet!
And like the broad way in the land of your muse;
But, i am walking along the narrow path.

Edward Kofi Louis
Walk Along The Right Path

Smoked!
Confessions;
Of the new meal,
Of the New Moon!
At the old stage;
But, stand up for righteousness.

Meal, meat!
At the new stage;
And, of wisdom.
Bath, path!
In a new era;
Blocks, locks!
In a new phase;
But, always walk along the right path.

Edward Kofi Louis

Filling in the muse of peace and joy with the truth,
And feeling the true meaning of life with time.

But, to overcome the troubles of life and move on.
Nature!
Walk free with your mind and live;
With the Picture of peace and joy in your mind,
Under the umbrella of the laws.

Edward Kofi Louis
Walk In Love

Husbands do love your wives,
For he who loves his wife as himself loves himself too;
Wives submit to your husbands,
For the husband is the head of the wife;
Of Bar-Iesous,
Of Bar-Jesus,
Of Zeus and Hermes;
Whatever righteous thing anyone does,
He or she will receive the same from Father Yahweh.
Walk in love and learn from the truth always,
Don't let life toss you to and fro;

Children honour your father and mother,
For they are your parents;
Walk in love and learn how to share.
Try to walk circumspectly,
For cunning craftiness does not walk in love;
They always walk to and fro like,
The eyes of your understanding.
Ice, dice, rice, lice, nice, vice, and mice;
Try to understand life and,
Stand against the wiles of this world.

Edward Kofi Louis
Walk In Love  II

My love is like Caesar's household,
And, the patience of my hope is like Shaul of Tarsus!
But, i will surely meet you one day;
With the labour of love always in my mind.
Love sweet love!
Like the sun shining into the darkness;
For, heaven is full of love,
And, i will touch your heart with the joy of the truth.
Smile for love even if you are a mile away from me!
For, i have a kiss ready for your lips;
A kiss with the romance of peace,
Able to touch your lovely heart!
Because, sweet friends are forever.
Walk in love and let me touch your heart with the truth,
Like giving seeds to the farmer and, bread for food to others;
According to what is written in the laws,
With love, peace and joy.

Edward Kofi Louis
Walk Into My Room And Let Me Teach You

Love,
Siblings,
Expected;
Walk into my room and let me teach you!
And like the muse of love to capture your emotions,
But let me tell you a story.

Clinic,
Post office,
Security post!
Ready for an occupation in the name of love;
But, walk into my room and let me teach you.

Edward Kofi Louis
Walk Out Of It

When you sell your body like a prostitute, who gains?
You are harming your body with many diseases;
Get out of this business as soon as possible,
Because the heaven's precious beauty vanishes in you.
To err is human but,
To learn is very precious to your soul.
Having three kids without a husband doesn't mean that,
You are older than 'Methuselah';
Because age doesn't matter when it comes to wisdom.
Why boast of the children gained from prostitution?
Come out of this act before it is too late.

Edward Kofi Louis
Walk upright,
Obey the laws,
Like the fragrance of your pleasing aroma;
Living in the land of delight,
And loving righteousness with,
The joy of your heart.

Edward Kofi Louis
Walk With Me

Love,
Walk with me;
And, let me teach you the ways of the truth.

Love,
Talk with me;
And, let me teach you with the muse of the laws.

Chalk, talk, walk, stalk, balk!
Teaching the ways of life with the words of righteousness;
And, chainging the hearts and the minds with the truth.

My ruler!
Your ruler;
Working in harmony with all mankind.

Serve, preserve, reserve!
With the works of peace;
Bringing joy to the people who are ready to learn.

Edward Kofi Louis
Walk With The Truth

Walk with the truth,
Walk with love;
With the joy of your heart.
Lowliness,
Meekness,
Patience;
Walk with the truth and be free with your mind.

Edward Kofi Louis
Walk, Stalk, Talk, Chalk!

Walk, stalk, talk, chalk!
The road stretches from the river of love;
Harmony,
Testing,
The tower of love.

Torch, touch!
The tower of true love;
Drifting along,
With the joy of your heart.

Stormy sky!
The race;
The union,
Enchanted! !
Man and woman;
Lavender filed of love.

Red hill,
Blue mountain,
Together in love;
Hiddentreasures of love!
Flooded road,
Still going along.

Fair!
Affair,
Fairy tale;
Trusting eyes of love,
Deep purple orchid! !
Ocean's serenity;
Night sky,
Night life;
With the muse of your red dress.

Life and nature,
Peace and love;
Live with the truth and,
let the truth teach you always!
In life,
With your love;
And to protect your private property with the muse of love.

Your private property is under your care and,
People have to ask before they can use it;
With the muse of your history in the land,
Moving on! !
Along the ways of true love.

Songs of love,
Song of life,
Songs of nature,
Sunshine of true love;
Together with the teach of peace.

On a journey,
With the joy of your heart!
With the lyrics of sweet love,
Magic! !
Like the passion of the ocean;
To remember your romantic hours.

Edward Kofi Louis
Walking According To The Laws

Maintain your life and live in righteousness,
Walking according to the laws;
With the authority of love,
Without hating anyone.

Edward Kofi Louis
Walking Across The Land

Love!
Smiling every now and then;
Life!
Moving round the clock;
Love!
Through the light of your muse;
And, through the light of peace and joy.

Life!
Through the sight of your works;
Muse!
Through the bright star of your love;
Nest, finest!
But, come home with the muse of your sweet love.

Home, dome!
With the culture of the people;
Come, home!
With the sweet muse of your love;
Walking across the land,
With the sweet muse of your mind.
See, seen!
Sharing the ways of your peace with others;
But, try to come home with your sweet love.

Edward Kofi Louis
Walking After The Flesh

Filthy conducts of the wicked,
Walking after the flesh with the lust of uncleanness!
Who despise authorities,
Presumptuous and self-willed.

Edward Kofi Louis
Walking Alone

Walking alone like a lonely bird flying up high above me,
But with the muse of my mind to reach to my destination;
For, the problems of this world are too much to bear at times.

Edward Kofi Louis
Walking Along

Foams at the sea,
Walking along the beach,
Walking along with you,
With the muse of the things we spoke about;
As we the waves!
And to respect nature.

Edward Kofi Louis
Walking Along The Coast

Lovely!
The waves of the sea;
Seeing the beauty of nature,
Walking along the coast.

Edward Kofi Louis
Walking In Darkness

Walking in darkness,
With the muse of the destruction that wastes at noonday!
The snare of the fowler,
Pestilence! !
Seeing the works of the wicked around us today.

Edward Kofi Louis
Walking In Darkness  2

Accusers! !
Walking in darkness;
Ready to kill the people they call their enemies,
In the name of terrorism.

Edward Kofi Louis
Walking In Lies!

Evil acts,
Walking in lies!
Only to kill your neighbours.

Edward Kofi Louis
Walking In The Light

Love!
Walking in the light;
With the works of the truth,
Able to share in peace with your neighbours!
With the joy of righteous laws.

Edward Kofi Louis
Walking In The Rain

Morning in the village,
Walking in the rain,
As the mallow flowers sing to me.

Edward Kofi Louis
Walking In The Rain 2

Walking in the rain,
Being soaked through the heavy rain!
Without any umbrella to cover your head.

Edward Kofi Louis
Walking In Truth

There is no fear in true love,
And greater is He who is in you;
For the forgotten sheaf should be left for the poor.

Do not kindnap anyone,
For true love is all about us;
Like those things that you have to learn from one another.

Walking in truth is like the gold tried in fire,
And to share with others is like the nose with a nosering;
But do cover the shame of your nakedness.

The faces of men and woman,
The smoke in the pit;
But i am walking in the truth to overcome the doctrine of Balaam.

There is no fear in love,
So stand with my mind and learn with my muse;
For i am a writer with the ink of true love.

Stand by me like hair of men,
Learn my muse like the hair of women,
And like the morning star out of the bottomless pit.

Clear as crystal and pure as the fountains of water!
Her grapes are fully ripe on my love.
Oh that she could redeem me from the earth,
Like one of the Lamb's wives who sits like a queen;
For there is no fear in true love.

Edward Kofi Louis
Walking That Straight Path

The truth,
Walking that straight path of peace;
Loving each other,
Loving all mankind with respect.
The layout of life,
With questions and answers;
But, with the keys of love when, one seeks for peace.

Edward Kofi Louis
Walking The Walk

Life!
Walking the walk and,
Talking the talk;
Learning from the works of the truth always,
Because, true-love leads to peace and joy.

The muse of life!
With the nature of things;
The wings of the ostrich wave proudly but,
They cannot be compared to the pinions and feathers of the stock!!
So, let us wake up and learn from the works of the truth and,
Live in peace with our neighbours.

Edward Kofi Louis
Walking Through The Beautiful Garden

Walking through the beautiful garden,
Seeing the river which flows through it;

With beautiful colours,
Walking through the beautiful garden;
And to respect nature.

The noise of the dragon!
The fear of the night;

Darkness,
Walking through the dark forest.

Edward Kofi Louis
Walking Through The Rain

Walking through the rain,
Wet! !
Because your pastor doesn't want to tell you the truth;
After taking your money.

Accept the truth and, be free with your mind!
Knowing your choices in life;
And, where to step always.

Edward Kofi Louis
Walkways

Muse!
Along the walkways planted with trees;
But, your software needs an extension of this version.
Planted, plated!
With the muse of love and the muse of joy;
And, with security maintenance to guide you on.

Life!
Like the seller and the buyer;
But, your home is now located in the middle of the forest,
With the muse of your sweet love.
Executive, exclusive!
Teaching with skills;
Play, lay, pay!
Live with love and release your mind;
And, let there be peace always around you.

Love!
Along the walkways planted with trees;
Life!
With the sweet muse of your mind to share peacefully with others;
And like a Royal Princess with a Royal Business.

Edward Kofi Louis
Wall Street

Feet!
To meet at,
Wall Street.

Edward Kofi Louis
Wall, Wallet!

Life!
Like the 'Dragon Girl' and, the 'Tiger Boy';
How, howl!
With a howl at midnight;
But, it is time to learn from your mistakes.

Life!
Do the right thing always;
Life!
With the awareness of the truth;
Love!
Deep in my heart to believe in you.

Wall, wallet!
Walking and talking with my mind;
Of the present economy around me,
But, still on my mission without looking back.

Edward Kofi Louis
Wall, Well, Will!

Stand up and fight for the truth than, for war!
And, to change for the better in life;
By doing what is right than wrong.

Rear, real, reap, ream, rearm, read, react, reach!
To face the realities of life and seek for the truth;
For, war is not the answer to peace.

Wall, well, will!
If houses were pockets, i will not have any problem with my pocket;
So, let us all seek for peace and live in unity.

Echoes of peace;
Walls,
Calls!
Natural walls.

Edward Kofi Louis
Walls Of Bronze

Walls of bronze,
Where is my lover who left last night?
For i am now fed with wormwood and,
I want to know her state of life over there.

Edward Kofi Louis
Walls Of Hate

Sickness' hallmark!
We grow lean in this condition;
And i need love to recover,
But, all around me are the walls of hate.

Edward Kofi Louis
Walls On Both Sides

Money cannot buy everything but,
Money can buy you sex;
And true love towards another is not always sex.
Oh red wine of Chile!
I will reward you greatly with my love and,
I will do whatever you say to me in the name of love;
For you are my sweet lover and,
Your love flows to me like the River Jordan.
I will rise up early in the morning to saddle my donkey,
And with walls on both sides towards you;
But to stand up in the narrow path of love and,
Between the two vineyards of your love!
For money cannot really buy everything.

Edward Kofi Louis
Walsh

Walsh, wash, as, has, ash, lash, saw, was;
Grain, rain!
To rain in;
Grain, rain, gain, in!
With the muse of your works;
Pin, pain!
After your hard work on the farm.
Life,
With a stipulated period;
Given to mankind on this earth,
From one point to another!
But purchased with the muse of love;
Under the very laws of peace.

To anjoy the view! 
With the muse of your sweet love.

Deep down!
Into the well;

And, being transformed because of love;
For, life is not like a bicycle.

The same image,
The same love,
The same care,
The same romance,
The same passion;
And like the light of this message,
But, this world is led by Satan!

Edward Kofi Louis
Wangui

Your roses of love to me in the summer,
And with the delicious meal set before me;

War can begin at anywhere on this earth but,
Sometimes it doesn’t end up at the same place where it started.

Stars at a very small place and then spread all over!
It burns and destroys and,
War kills and destroys as well! !
But when can we end up all these wars around us?

Edward Kofi Louis
War Destroys Everything

The fruit of the womb,

Was Killed

A sub-chief was killed two months ago over here,
And now the people of the North are very confused!
But when will wisdom come to my own people?
Because they are full of hatred in all of their doings,
And I need a way to put them into better footings.

Edward Kofi Louis
Wash It Well

Wash it well and present it nicely to your lover,
For this is about the muse of love in the land of beautiful roses;
And like the joy in the land of peace,
But, this sweet love is all about you.

Shape, ape, cape, rape, drape, crape, grape, nape, jape, tape;
Setting it well and getting in,

For, walking in into this game is like the rivers of waters.

Edward Kofi Louis

And appear before me with your nakedness and let me love you;
For the faithful city has now become a harlot and,
Your wine is now mixed with water!

You've sold yourself to many and,
Of your beautiful bush which now lay bare;
But everything in life is for a season.

Edward Kofi Louis
Wasila

Of your life for his life,
Of your life for her life,
Of your life for my life,
Of my life for your life,
But this place is used for a latrine;
So come up with a different plan on this issue.

You are in the House of Baal and,
I am in the House of Yahweh;
You are in the House of Beth-El and,
I am still in the House of Yahweh;
So come up with a different plan on this issue.

Wasila, are you of the same mind with me?
Then try to be yourself at all times to learn from others;
Because, Yahweh has shorten the borders of Israyl.
Such is life and we have to learn always,
Such is the muse and we have to keep on moving;
For the tides of life do change at all times.

With the moments of the past,
Winning through with your intimidations.

Always do what is right.

Edward Kofi Louis
Wastelands

You are of a higher heights than your colleagues but,
I will drink the bitter water when you fail to love me;
For there are more wastelands without hope around me and,
I will rejoice and listen to the works of my hands.
Do not approach a menstrual woman and live clean,
For the earth do not understand this rule around us!
And like a king in power who dictates to lead many.

Edward Kofi Louis

Watch me into the eyes;
And tell me that,
I am the one for you.

Edward Kofi Louis
Watch My Steps

Dig around it and fertilize it with love,
And like the fig tree planted in the vineyard of love;
But the heat came in because of the wind!
And like the south wind blowing around you.

Dig, big, fig, nig, pig, cig, jig, rig, wig;
For three years I have been searching for the fruit of your love,
But try to watch my steps to understand my muse;
And like butter given to the women in your town at last.

With hope to climb to the top,
With love to care for you,
With my mind to be at the right place always,
But I will still search for you;
Because you are like a tree planted by the river of waters!

Edward Kofi Louis

Life,
Guide the laws and live with them;

Love,
Watch over the laws and live in peace;

Life,
The knowledge of something is not the same as the truth of something;

Because, you can teach and give out something to guide someone;
But, this may not be always coming out from the truth.

Edward Kofi Louis

Watch Your Nakedness

My love is very simple and,
It will either hit you or leave you!
But do watch your nakedness when you go to bed.

Edward Kofi Louis
Watch Your Steps

If you live by the gun,
You will die by the gun!
So, watch your steps and, let the world be free from war.

Mine, nine, sine, cine, dine, fine, wine, brine, shrine, whine, tine, pine!
With the labours of men and women all over the world;
And like she who had borne seven in the land of your muse.

Born, borne!
Boot, foot, root, shoot, hoot, moot, loot, toot, coot;
And like a desolate wilderness.

Rest, restaurant!
But, watch your steps and let the world be free from war;
For, the very inventions in our hands are killing us all.

Edward Kofi Louis
Watch Your Steps 2

Life,
It is very easy to be deceived on earth!
So, watch your steps and,
Step only on righteous paths.

Edward Kofi Louis
Watch!

Watch!
What do you see around?
The ways of life,
The ways of the people,
The ways of sultures and customs;
In the name of traditions!
The ways of the hearts and the minds;
But your wrist watch is now telling you the time,
For, the time of war had now taken over the time of peace on the earth today.

Edward Kofi Louis
Watches And Torches

Watches and torches!
Catches and touches;
Matches and training,
Patches and hails;
Sails, mails, nails, tails!
Fails along the line.

Edward Kofi Louis
Watching

Big blue surfing wave!
Growing up with your life;
With the ways of your sweet love.
Looking,
Watching,
With the muse of nature and,
The ways of life.

Edward Kofi Louis
Watching 4

The Windows of the Heaven,
Watching the tops of the Mountains,
Watching the earth;
Seeing our works on earth,
For peace or, for war! !
With the muse of mankind.

Edward Kofi Louis
Watching 2

Excellent!
Insight,
Dancing in the rain,
Wacting,
Standing in the rain as well;
In, insight!
With the desire of life,
Sight, insight!
With the muse of nature,
Each step,
Confident with the muse of love.

Edward Kofi Louis
Watching 3

There is something out there watching you!
Like the tales by moonlight and, love by sunshine;
Lovely when your flower blooms,
But the chief fell from the palaquin when you exposed your nakedness to him!
Seeing your beautiful body;
With the tenderness of your moves.

Edward Kofi Louis
Watching Over You

I will open my mind in parable and utter dark sayings,
For i am like a treasure hidden in a field!
Buy this field so that you will be closer to me always,
And like fine pearls of great price.

The cat is now pregnant in the bush and,
I am like a bright cloud up high watching over you;
But, don't let the price of this field scare you off.

Edward Kofi Louis
Watching The Fire

Fire! !
Watching the fire;
With the muse of the heat around,
Sitting in the cold.

Edward Kofi Louis
Watching the sun goes down,
Seeing your beautiful body around as well;
Beautiful woman,
Lovely lady,
Oh! ! Mysterious woman;
I need to be very close to you after the sun goes down.

Edward Kofi Louis
Watching Them

Black and white cat,
The crow,
With the view of my garden;
The cat,
The bird,
Watching them;
As if they are meeting for a conversation,
Learning from them! !
With the muse of unity.

Edward Kofi Louis
Watching You

Two big eyes!
Watching you;
Your every act on earth,
Even in your nakedness.

Two big eyes!
Watching your styles on earth;
In your works,
In your words,
With the muse of your acts on earth.

Edward Kofi Louis
Watching You And I

The muse of life,
With a camera above and a camera below;
Watching you and i,
Because of the ways of mankind on this earth.

The muse of life,
With the beauty of love;
Leading the ways of mankind on this earth,
And, with the beauty of nature as well.

Sue, sew!
With the ways of mankind on this earth;
Due, dew!
With the muse of nature around us.

The muse of our clothes!
Washing them;
From outside and inside,
With the ways of nature around us.

Love!
Learning the ways of peace;
As expressed by you and i,
But, others only love destruction.

Edward Kofi Louis
Watching You! !

Brown hair and brown eyes,
Waching you! !
To hold on the fact of life,
To that which is perfect;
With the laws! !
For, the truth is righteous.

Edward Kofi Louis
Water

Water, water, water everywher!
Water has no enemies but,
How many of us do have water?
The earth consists of 70% of water and,
Mankind is still thirsty of water;
Ladies and Gentlemen,
How many of us do have enough water?
The righteousness of mankind is still negative,
Many are those who control this water!
On this earth are many without water,
On this earth too are many in darkness,
How sad it is to see many dying of thirst;
Water has no enemy at all but, mankind has! 
The problem lies in our own hands and,
I do rest my case.

Edward Kofi Louis
Water 2

Water,
You met the sea! !
So, display your works with the truth and live in peace;
To respect the muse of nature!
And all the rules around.

The truth is your help and your shield!
Like the pool of water in your garden;
To bless nature!
Following after the rules.

The truth is compassionate and righteous!
Seeing the fountain of water around you today;
Respecting the muse of life,
Respecting all mankind! !
Respecting the beauty of creation.

Edward Kofi Louis
A son does what he sees and,
A daughter does what see see too;
For this world do go around us to learn always.
At the seventh hour,
At the moving of the water,
Of the scraps that remained after the work;
Begotten of water and spirit for the wind to blow where it will,
And others born of the flesh like a keeper who gets the ball.

Born of the spirit,
A player scores a goal!
Rivers of living waters like clay with the spittle;
He is of age and she is of age too,
But a man's mind is full of darkness.

Of ears to hear,
Of eyes to see and,
Of a nose to smell with too;
But the measure you give is the measure you get.

When the water moves,
The spirit gives life;
Like heavenly bodies and earthly things,
But deep inside the well is the darkness of death.

The bridegroom gets the bride and,
The light of life is for us all to share;
Like water and spirit on the muse of one's birth.
I came into to share my mind,
You came into life to play your part,
For this world is like the water and the spirit around us;
But the wind blows to where it will.

Edward Kofi Louis
Water Dance

Water dance,
Shadow show!
Shadows;
Movements,
Self fulfilling prophesy.

Love,
With bodies touching each other;
And to see things unseen by others,
For, the dreamer goes on.

Love!
Freshly made;
With the muse of your water dance;
Trance, entrance!
With the muse of your steps;
And, with the muse of your character.

Edward Kofi Louis
Water Is Life

Water is life and, my mind is on you;
So don't accept the future passively when,
You can try under a very hard condition to create it.
The future, the future! Oh, the future;
The future is unknown and,
We have to fight it on;
But, something is wrong and i can see it in your eyes.
You made me sound like a saint but,
I am no angel.
Like the bags and the three bedrooms to share,
Water is life;
But the future is unknown.

Marriage is like an egg and,
We have to keep going till we succeed;
You made me sound like a saint but,
I am no angel.
I have lot of life failures to share with you,
I have my experiences too;
But, water is life.
Lots of man's problems cannot be solved,
So don't accept the future very passively;
Why can't anybody see what i do see?
Never hide yourself from me;
Why can't anybody hear what i do hear?
Never hide your love from me;
Why can't anybody do what i normally do?
Never hide your pain from me;
Because, the results of our lives depends on water.

To the places that i have been and,
To the things that i have seen;
Why me? Because, i told him the truth;
Like life in the places that i have been and,
To the things that i have seen.
From one place to another with love,
Like all the news about you;
Water is life and,
We all need water.
Are you having diner like the 'Adam's Family'?
Living on the edge with backed up water is what you need;
Like the death of a twenty-tow-years old student.

Pond for pond,
Life for life,
Flesh for flesh,
Water is life to us all;
Like the time for shopping,
Like the time for peace and love,
Life depends always on water.
To the places that i have been before,
To the places of love and care;
trying to unveil the truth out of a curiosity,
Water is life to us all.

Edward Kofi Louis
Water It

How does it grow up when you don't water it?
So water it to gain your future!
Because you need the fruits of this growing seed,
And like the words of your neighbour with your muse.

Edward Kofi Louis
Water It 2

Water it once and let it be lovely!

Water it twice and let it be peacefully,

Water it trice and let it be romantic! !

Because, the muse of love is all about the works of wisdom;

With the joy of the red roses.

Edward Kofi Louis
Water It With Love

Life!
Water it with love;
The drink of peace,
With the joy of nature.

Edward Kofi Louis
Water My Plants

Water my plants and let them grow,
For this muse of love is all about us;
What my plants and,
Let the water pass through them!
Water my plants and,
Let the water flow through them;
For this muse of love is all about us,
And, i need your love always beside me.

Edward Kofi Louis
Water The Seed

Water the seed and,
Let it grow up nicely into a plant;
With the flavour of nature.

Edward Kofi Louis
Water!

Water!
Needed,
To wash through it;
To clean it,
Its noble art! !
With the joy of your heart.

Edward Kofi Louis
Water! !

Water, rat, tar, art, at, tea, eat, ate, tear, war! !
But, i have to use it next time because, you were thare at first.

I have to chek it next time before you do,
I have to drink it next time before you do,
Feet, sweet, meet, beet, greet, street;
However, i still have to prepare the food for you.

Water, wear, ware, are, era, we, rate, raw;
What about you?
What about me?
What about us?
However, i hope to prepare this food for you to satisfy your muse.

Edward Kofi Louis
Watered

Wet!
It has been watered;
In the name of love.

Edward Kofi Louis
Watered 2

Love,
The flowers should watered and taken care of;
For the joy of the heart and, the peace of the land.

Out into the world!
To love one another;
For the peace of the earth.

Love and joy!
To embrace the realities of life;
And, to let the truth gain access to the chambers of your heart.

Edward Kofi Louis
Watering The Seed

Life,
The seed must be planted;
Watering the seed!
Heed to the truth,
Weed around it! !
Feed it with righteous morals;
The seed must be planted! !
With tender love,
With kindness,
With humility,
With the joy of your heart!
Watering the seed.

Edward Kofi Louis
Watering The Seed Of Love

Need,
To heed to the truth;
Watering the seed of love!
To weed out evil acts,
To spread the News! !
Positive morals,
Creed, reed!
And to succeed along the line,
With righteous morals.

Edward Kofi Louis
Waterlogged

Waterlogged and silent,
The muse of 'Hurricane Irene' hits New York!
But, i do hope that, the people over there will be in safer places;
However, nobody can stop Nature's strong hands.

Unsettled,
Unusually,
Uncertain! !
And like Nature's strong hands in the name of 'Hurricane Irene';
But let us all hope for the best after it overflows,
Even though, this flooding water destroys everything on its way.

Waterlogged, water, log, logged, god, dog, eat, ate, tea, are, era, art;
Waterlogged and silent!
Waterlogged, ear, to, at, lead, led, lod, deal, dale, ale, war, raw, dole;
The muse of 'Hurricane Irene' hits New York!
Waterlogged, tear, dear, read, deer, reed, go, do, doe, doer, oar, lower;
But, i do hope that, the people over there will be in safer places;
Waterlogged, wear, ware, weed, wed, law, low, dew, grew, rag, dreg;
However, nobody can stop Nature's strong hands! !
Waterlogged, rode, rod, red, draw, late, teal, tale, date, role, wart, gear;
And, uncertain are the different acts of the the 'Hurricanes' all over the world.

Edward Kofi Louis
Waters

Waters, taw, rat, tar, tars, rats, set, rate, rates, tea;
But I only love on water to satisfy my muse!
And like the joy of love in the garden of roses.

Waters, wear, wears, ware, wares, are, ears, waste;
But I only live on with my positive mind always!
And like the muse of your love in the land of peace.

Waters, at, as, tear, tears, sear, sew, rest, war, art, arts;
But I only saw you waiting in the dark alone!
And like the days of war in the land of trouble.

Waters, east, saw, was, eat, ate, wars, raw, sate, sea, ear;
For we are what we say we are on this earth!
But try to be yourself always on the positive side.

Edward Kofi Louis
Waters And Bridges

Waters and bridges!
Brides and riders;
Aside,
Slide! !
Like pride,
A ride!
With the muse of your works.
Tide,
Side,
Inside and outside!
Waters and bridges.

Edward Kofi Louis
Waters Of Love

The sweetness of peace!
The care of the mind;
Waters of love,
Freedom! !
Here i come again with the muse of love,
The Black Boat!
The White Boat!
The morning after;
And like the slow escort of your muse with the Men in Black.
Waters of love!
Flowing along the thick forest;
And like the aroma of the last summer in your land.
Waters of love!
With unity of your mind to satisfy your love;
And like the sweet aroma of love in the last winter.
Big Boss! !
Soul kitchen,
The sweetness of peace!
Soul food,
Soul chicken!
With the soul writer to satisfy your muse;
And like the slow escort of your muse with the Men in Black.

Edward Kofi Louis
Watson

Party Island and Party Love,
Watson is my name and i live closer to you;
And like my friends Sacha and Boiton who live next door,
Come to me with your love and let us go to the Party Island.
I will expose the secret of my love to you and,
We will enjoy over there with others!
For the Party Island is all that i want you to see.

Edward Kofi Louis
Waving Minds

Waving minds,
Waving love,
Waving magic! !
Muse it up and use it up;
But some one went to the court when,
You had no roof on your head.

Edward Kofi Louis
Waving The Hands Of Love

Waving the hands of love,
Paving the ways of peace,
Having the people beside you;
Saving the hearts of the people,
After the land was destroyed.

Edward Kofi Louis
Waxed

Waxed old bones,
When deep sleep fall on us all;
And like the pain of a woman at childbirth.

The strife of tongues and the shadow of thieves!
To distinguished between the right and the wrong;
And to delineate inborn differences,
Love itself is something but where lies the truth?

Edward Kofi Louis
Way In

Way,
Away! !
Say,
Stay,
Lay,
Not to stray!
Bay,
Bray,
Day!
Ray,
Pray,
Way in,
Pay,
Spray! !
With hope.

Edward Kofi Louis
Way, Highway!

Way, highway!
Through the highway of love;
Between us.
Butter and honey,
With the romance of life;
And the aroma of the Joy on this love!
Cultivated with the peace of the laws.

Edward Kofi Louis
Way, Whey!

Weigh,
Whey,
Way,
For your health,
With the muse of your wealth,
Worth for the peace of the land;
Way, whey!
The Sabbath is the way,
The Sabbath is the truth,
To take a rest.

Edward Kofi Louis
Wayas

Astrology,
Astronomy;
But, don't be deceived! !
Only believe in all that the prophets have spoken.

Hello Wayas!
The people around you know who they can touch;
But, only believe in all that the prophets have spoken.

Well, bell, sell, tell, cell, fell, hell, quell, dell, jell, shell, yell!
For, this river will flow to the well;
Because, the root of all evil is the lust for money on this earth.

Edward Kofi Louis
'Wayas Stone'!
Hear the truth and take in the truth;
For, you are now known by all of us.

Sword, words;
Rat, art;
Sport, ports;
Star, rats;
Ton, not;
Arts, star! !
However, we still know who you are.

All the way from the muse of the town!
There you were noted before you left us;
So, pick up the truth and live by it.

Edward Kofi Louis
Wayne's World

Shave a sheep and save my love,
For the products from Germany are all around you;
But when the night becomes day,
The mouse comes out to play.

Wayne's world,
Shave a sheep and save my love;
For when the day becomes night,
The cat goes out for a catch.

Edward Kofi Louis
Ways

Lines, lenis!
Let is live in the ways of the Creator than the ways of Satan;

Found, fond!
The ways of the Creator lead to righteousness;

Rough and tough!
But, the very ways of Satan lead to death and destruction.

Edward Kofi Louis
Ways 2

Greater than,
Less than,
With the ways of Mathematics seen around us;
Yesterday, today and tomorrow!
Onwards it will be better.

Edward Kofi Louis
Ways 3

Act! !
Pact,
Compact,
Contact,
Impact;
Seeing the ways of life.

Edward Kofi Louis
Ways Of Life

Leasing,
Earning,
With the ways of life.

Edward Kofi Louis
Ways Of Pleasantness

Ways of love,
Ways of peace,
Ways of life,
Ways of pleasantness;
Ways of joy!
Following the paths of the truth.

Edward Kofi Louis
Wayside

Senior lecturer,
Seen at the wayside,
Trying to help you;
You need education.

Edward Kofi Louis
Waziri

Brain, rain, train, drain, grain, strain;
Tell me if it touches your heart!
For it is better to marry than to burn in the lust of this world;
But every human being has his or her own individual gift from the Creator,
And like Waziri my lover in the land of the thick forest!

Edward Kofi Louis
We Need Peace Than War

There are houses in this world,
There are roses in this world,
There are horses in this world,
There are people in this world,
There are many other things in this world,
But, we need peace than war!

Edward Kofi Louis
We All Go Through Pains

An emotional poem,
Life is like that a times!
And, we all go through pains;
Growing up on this earth.

Muse,
With the nice thoughts of life!
Learning from the ways of nature,
Even though, we may fall many times.

The muse of life,
We all go through pains!
On this earth;
However, no matter how many times that we may fall,
We should try and gather up the pieces together and wake up.

Edward Kofi Louis
We All Have Pains

Bib, Bible!
Moving,
So fast and so quick!
But, i've seen your true colours on this love;
So, come to me my sweet one.
Ali, Mali!
Life is like that at times;
Because, we all have pains.
Tables, vegetables!
Come in very slowly because of the thick forest around;
And let me watch your steps through this narrow path,
For, i've seen your true colours on this love.
Business call!
I just got out of bed and, i need to see your face;
For, you're the soul of my heart and,
You will always be mine.

Edward Kofi Louis
We All Need A Change

It is a change!
And, we all need a change towards the truth than falsehood;
For this life is changing and the earth is changing as well,
And we have to change to the positive aspects of life always.

Edward Kofi Louis
We All Need Light

Birght as the stars,
Right with your mind,
When the night falls;
Insight! !
To take a flight;
But, we all need light!
However, many are born without sight.

Edward Kofi Louis
We All Need Love

Love!
Inspired by your heart;
Love!
Exactly in line with the muse of peace;
Time, matter and colours!
With the muse of joyx;
However, we all need love in this world.
Love!
Of salt and water;
Love!
With the muse of the solar winds;
Love!
With something extraordinary;
And, with the power of your mind.

Edward Kofi Louis
We All Offend

Human beings,
To err!
In many things we all offend each other;
Even going against the rules of the Creator Almighty.

Edward Kofi Louis
We Are

We are!
Are we?
Yes we are;
In rotation,
To the position;
To be selected,
To be elected;
And, to verify life with the muse of the truth.

Edward Kofi Louis
We Are 2

We are,
We are the world!
But, we are destroying the world today;
Killing others as well,
In the name of terrorism.

Edward Kofi Louis
We Are All Human Beings

A King!
But, you will know my name;

A Queen!
But, you will understand my muse;

However, we are all human beings! !
On this earth.

Edward Kofi Louis
We Are All Human Beings

Who am i to you?
Who are you to me?
Who are we here on earth?
We are all human beings!
Created by the Creator Almighty;
So, why do we hate each other?
We are all human beings,
We are all aliens on earth,
So, why do we hate each other?

Edward Kofi Louis
We Are All Sinners

Why should i judge you? !
We are all sinners and,
I judge no one;
But we can surely change for the better on this earth,
For the Father in Heaven is watching over us all!
And, He has the authority to judge.

Edward Kofi Louis
We Are All Sinners  2

Do not look at my face and condemn me!
For, we are all sinners;
And, i am trying to overcome my sins with positive works.

Do not look at my back and condemn me!
We are all sinners and,
I am trying to overcome.

Entangled with the sins of the world,
Trying to be upright with the muse of Righteous Laws;
Learning from the works of the truth!
And to be straight.

Edward Kofi Louis
We Are Clay

We are clay and,
You are the Potter;

We are all the works of Your Hands!
And You look down from heaven to watch us;

The habitation of Your holiness! !
But, we have failed You;

Disobeying Your Laws,
The very Rules on this Earth.

Edward Kofi Louis
We Are Human Beings

Am i talking to you?
Are you talking to me?
Am i listening to you?
Are you listening to me?
Am i reading your words?
Are you reading my words?
I am a human being,
You are a human being,
We are human beings;
And, we are all one!
With the same parents;
Adam and Eve,
Created by the Creator.

Edward Kofi Louis
We Are Human Beings  2

I am a human being,
You are a human being,
We are human beings!
Here on earth;
Learning the ways of life,
Understanding the ways of the universe,
So, let us do the right thing on earth! !
To bring peace to the world.

Edward Kofi Louis
We Are Human Beings 2

We are human beings living on earth;
So, let us love each other and live in peace.

Let me see you doing the right thing!
For the sake of love and, the unity of the earth;

The very home we all belong to,
With the muse of creation.

Edward Kofi Louis
We Are In Love

I am,
You are,
We are,
We are in love;
Facing the ways of life,
With the passions around it.

Edward Kofi Louis
We Are One

This small thing is like,
This small boat on the river of love;
But, the poor are always around us!
So, let us try to help them to survive in this life,
And, this poem is all that i share with you.
Banner, manner, tanner, planner!
With the muse of life;
But, don't reap where you've not sown,
Because, my home is by the seaside!
And, i have much fish to share with the poor.
The muse of life and the muse of nature,
This poem has no race, nationality and borderline;
But, this poem is to all mankind,
For, we are one.

Edward Kofi Louis
We Are One  2

A towering truth,
Leading to the works of peace,
Without hurting anyone!
Because, we are one.

Edward Kofi Louis
We Are One Under The Sun

Life,
We are one under the sun;
From the same source,
Created with love!
By the Creator.
Let us come together as one,
Let us through away hatred! !
Yes, NO MORE WAR;
For, we all came from one source,
We are one under the sun!
Called human beings.

Edward Kofi Louis
We Are Only Human

Blues!
Blue sea;
The lighthouse of life,
Nature! !
With birds flying across;
But, we are only human,
Living in earth.

Edward Kofi Louis
We Are The Beautiful Ones

Humanity!
We are the beautiful ones;
So, let us love each other than,
With hatred and war! !
We need Peace,
We Love,
We need to Care for each other!
With compassion;
Comforting each other with the muse of righteous works.

Edward Kofi Louis
We Are The Same

Life!
Full of activities;
To see, hear, touch, taste and smell.

Life!
We are the same;
With the frame from the Creator Almighty.

The laws of creation!
The laws of life,
The laws of love;

Get peace into your life and,
Respect all mankind!
By doing what is right.

Edward Kofi Louis
We Are The World

Respect to all mankind! !
For, we are the same;
And, we are the world.

Edward Kofi Louis
We Are What We Are

Love is you,
Love is me,
Poetry is you and i to make the world go round;
It's all about life to write about.
Heaven is not free but,
It is gained by laws;
The earth is free but,
It is full of sinners.
Once a poor man,
Another day a rich man;
Once a barren woman,
Another day a woman of seeds;
It's all about life to write about.
How can i explain it to you?
No, you will not understand;
In my land i was a King but,
In somebody's land i became a Slave;
That's all about us on this earth to learn daily.

Living like Hong Kong and China,
A pasor's son wants a wife;
Living like the hare and the tortoise,
A king's daughter wants a husband;
Living like the snake and the cat,
A president's daughter wants a husband;
Living like the sun and the moon,
A king's son wants a wife;
But it's all about life to write about.
Why beat your wives like a thief and expect to live like a king?
Why live as sinners and expect to go to heaven?
Poetry is you and i,
Love is you and i,
But we are what we are on this earth.

Edward Kofi Louis
We Can

Van, tan!
Ban evil acts;

I can,
You can,
We can! !

Able to put things right with the truth.

Edward Kofi Louis
We Deeply Love Each Other

Yes, i know that you will never leave me lonely!
And now i also know that, i will never leave you;
For, we deeply love each other.
Yes, true love is kind to others,
And my love for you is very true! !
For, you've changed my world with your deep love.

Edward Kofi Louis
We Don't Know Much

Research,
Every year comes a new theory or formula from those who claim to know;
But, we are all living on the earth and, still don't know much about the universe!
Most of the things are approximated us,
For us to accept them;
By our teachers or our leaders.

Edward Kofi Louis
We Have A Lot In Common

You belong to me and i belong to you,
And it is like the appearance of light at the end of the tunnel;
For we have a lot in common.

Edward Kofi Louis
We Have Something In Common

We have something in common,
You and me;
Along the paths of life,
Along the ways of love,
All in the name of peace.
You and me,
We have something in common;
Touched by the wings of nature.

Edward Kofi Louis
We Have Something In Common Have 2

This life,
This love,
We have something in common.

Edward Kofi Louis
We have to talk,
We have to meet,
We have to sit down together!
And like the sweet muse of your love;
For you are to me like a sister,
And, i am like a brother to you.
From me to you,
From you to me!
And like the sweet muse of love;
But, we have to talk.

Edward Kofi Louis
We Have To Watch Our Steps

I know this man!
I know this woman,
I know this boy!
I know this girl;
And, that's how it is on this earth,
However, we have to watch our steps! !
Because, there are bullets of war among us.

Edward Kofi Louis
We Kissed Each Other

I kissed her lips and,
She kissed my lips;
We kissed each other!
Taking things very cool at the beach,
All in the name of love;
But, everybody has his or her own time in this world.

Edward Kofi Louis
Life,
We learn everyday;
Along the line,
With natural rules against the artificial acts of mankind on earth.

Edward Kofi Louis
We Love Your Poems

Casting!
Forecasting,
We love your poems;
However, tears are part of the scars of life.

The secret,
To protect you because of love;
With passion and expressions,
Bright and beautiful! !
Like Autumn flowers.

Cube,
With the lips of strangers around;
Thoughts!
One word is made;
And, another one follows,
But, let them be with peace and love.

A hollow tube! !
Captured with the muse of life;
Like a rare sight,
But, with the heart of peace and joy.

Edward Kofi Louis
We Need Each Other

Whether rain or shine,
I will be there for you;
Whether snow or hail,
I will be there for you;
Whether lightening or thunder!
I will be there for you;
Because we need each other on this love,
And my mind is always on you.

Edward Kofi Louis
We Need Each Other  2

Moon, sun and earth!
They need each other;
And, we need each other on earth as well.

Edward Kofi Louis
We Need Each Other In This World

Walking down on the lonely street of love,
And looking around for someone so sweet to be my friend;
For, we need love in this world than with the bullets of war.

Life!
Who am i to judge you?
For, we are all under the laws;
Learning to become perfect.

Life!
Let the laws of Yahweh guide us on;
Life!
Let Yahweh lead the way;
And, let there be peace always around us.

Gear, ear!
Walking down on the lonely street of love;
Hoping to find someone so sweet to be my friend,
For, we need each other in this world.

Edward Kofi Louis
We Need It

I need it,
You need it,
We need it;
To put it in and,
To do the right thing.
To click on,
To log in;
Getting all the needed information.

Edward Kofi Louis
We Need Peace

Oh Mr. Terror!
Sin is crouching at your door;

Oh Mrs. Terror!
Sin is crouching at your door;

When will you change?!
We need peace than war.

Edward Kofi Louis
We Need The Truth

Life,
Patient with the mus eof love;
Without exposing your nakedness to the public!
As you are led with the truth.

Life,
The laws are there!
So, let there be light than darkness;
For, we need the truth.

Love,
With the ways of the truth;
Leading you and bringing light to your heart!
Allowing you to choose from righteous things always.

Edward Kofi Louis
We Should Love All Mankind

We should love all mankind and,
Live in peace with each other!
The coming age of love,
With the flowing streams of life;
Respecting nature as we go along.

Edward Kofi Louis
We The People

We the people,

We are the people on earth;

We have to think right and,

Do things right!

For the insight of peace;

Wherever on earth,

With positive morals.

Edward Kofi Louis
We The People On Earth

Mankind,
Human Beings;
We the people on earth!
Are we ready to save the world?
Are we ready to protect the Earth?
Then we should think twice! !
Than world conflicts;
Destroying the world with hatred and war,
Without Unity!
All in the name of selfish gains.
Mankind,
Why are we behaving as we do today?
No Love,
But hatred;
No care,
Only with violence!
We the people on earth,
Destroying each other;
All in the name of hatred and war.
Why? ! !
When are we going to learn?
Even Common Sense should teach us;
Because the truth is forever.

Edward Kofi Louis
We 've All Sinned

'I'm clean'! ! !
That's what you said;
But, no one is clean!
Because, we've all sinned and,
Have come short of the Glory of the Creator Almighty.

Edward Kofi Louis
We Want It

I want it,
You want it,
We want it;
To click on!
To log in;
To put it in and to do it right! !
With the muse of love,
And, with the aroma of life.

Edward Kofi Louis
We Went Deep

She said to me, 'I love you';
I said to her, 'I love you too'!
And, one thing led to another;
As we went deep! !
Into the land of love;
Swimming in the ocean of peace and joy.

Edward Kofi Louis
We Were All Taught By Different Teachers

What i see around me,
You do not see;
What i know around me,
You do not know;
What i understand around me,
You do not understand;
And like the experiences of my life in Africa! !
Because we were all taught by different teachers,
And this world is always like that.

Edward Kofi Louis
We Will

Still,
Hill;
I will!
You will,
We will;
Fill,
Grill! !
Gill,
Mill,
Not to be ill.
Skill! !
With ny style;
Not to kill anyone,
Only for peace and love.

Edward Kofi Louis
We Will See Him

You have to experience it and take part of it,
Then you will understand this type of system;
For the clouds will move out of the way one day!
And we will see Him coming.

Edward Kofi Louis
Weah

Deep empathy!
Weah is my neighbour with words;
But, i have to visit 'Manhyia Palace' to meet the elders.

Everywhere is beautiful and everyone is beautiful as well,
Everywhere is needed and everyone is needed as well,
Because, everywhere on this earth is overseas! !
Oh yes, over the seas to meet you with my words.

Deep empathy!
Come and let me take you to my neighbour;
For, it is time for you to know Weah my neighbour.

Edward Kofi Louis
Weak

Weak,
Weal,
Wear,
Weary.

Edward Kofi Louis
Weak And Hungry

Weak and hungry,
Poverty;

Dark and slippery! !
Hopelessness;

Poor and afflicted,
In sorrow!

Poor and needy,
Young and old;

Poverty! !
Destroying the people on earth.

Edward Kofi Louis
Weakness

Stress!
Depression,
Old age,
Loneliness,
Weakness;
Unable to do what you were doing before.

Abut, about!
In response to your works;
Pal, pall!
To reconsider your ways;
Day, dray!
With the muse of your words being executed.

Curios, curious!
Your examinations;
Bates, rebates!
To face the reality,
Cure, secure!
With the muse of your health today;
But, i do hope you well sweet mother.

Edward Kofi Louis
Wealth And Honour

Wealth and honour,
But do check for your health;
Tour, sour, your, hour, our, pour!
Four women came knocking at your door,
To perform your request.

Edward Kofi Louis
Weaned

A cild,
Drawn to the breasts and weaned with the milk;
Of the mother,
Taking care of the child.
Determined! !
To follow after the rules of life;
And, to see to the growth of the child.

Edward Kofi Louis
Weapons

Mankind with weapons! ! !
Right from the beginning;
And Cain killed his brother.

Edward Kofi Louis
Weapons Of Destruction

They prepared for war!
And worshipped the sun by facing the east;
And they cried out with a loud voice for everyone to hear! !
But, let those who have charge over the city draw near;
Each man with his weapons of destruction in his hand,
However, these deadly weapons will not save anyone!

Edward Kofi Louis
Wear, Weary!

Wear, weary!
Here on earth,
To hear the echoes of life! !
Facing the odds;
Like the slave driver's shout!
Like captive prisoners,
Out of this pain,
With a chain around my legs.

Edward Kofi Louis
Wears

As it wears on,
With the problems of life;
But, comfortable with the works of peace when,
Accomplished.

Edward Kofi Louis
Weary

Worry, weary, merry, marry!
And like a wild donkey accustomed to the wilderness;
But to fade away like a leaf was the muse of your love.

As filthy as rags,
No need to weary,
Sniffing the wind but,
Who can restrain your lover?!!
And she is always around in your room.

Edward Kofi Louis
Weary  2

Wear!
Weary
Fear! !
Tears on your face;
Facing the odds of life.

Edward Kofi Louis
Weary And Weak

I will look for my Lover and,
I will look for you;
Because, it is well with my soul.

The flood!
Turning many lands into Islands;
But, i will look for you.

Weary and weak!
Of the report from the battle field;
But, the rains came in and swept away everything.

Edward Kofi Louis
Weary And Weak  2

Weary and weak,
I counsel and advice you to take a rest;
While i prepare food for you to eat,
To overcome your pain!

Edward Kofi Louis
Websites

Websites,
Growing like a big oak tree! !
Slowly but surely,
Growing and expanding everyday;
But, there are still hackers here and there on the Computer!
And now, detestable things are found in it.

Urban bliss!
A calm day,
Seeing pigeons on the roof.

Edward Kofi Louis
Wednesday, 20th July 1977

Wednesday, 20th July 1977!
Taken away by your parents from your place of birth;
And like the muse of love to see another country,
But the struggles out there had made you who you are today!
For, Rome was not built in a day.

Wednesday, weed, seed, day, as, way, wed, an, den, say, sea, see, deed, need,
sad, weeds, dens, needs, days, deeds!
But you were very young by then and, you were taken away into another country
due to one reason or the other;
And, nature kept you with the sweet hands of love to make you who you are
today,
Because, love from your heart touched the sweet hearts of many!
And like the colours of the rainbow up high in the sky,
But, you need today to explain things to others as well!
For, the root of love is like the sweet muse of care in the land of beautiful roses.

Edward Kofi Louis
Wednesday, 29th February 2012

The nice news came in the morning,
The sad news came in the afternoon!
And, the lovely news came in the evening to satisfy my muse;
However, all these occurred on the same day,
Wednesday, 29th February 2012.

Edward Kofi Louis
A new artist was born;  
With the muse of love to touch the hearts of many!  
For, what they saw was like the muse of light;  
Yes, the pleasant light of 'Pen-Painting-Graphics-Abstracts'!
For, this new artist exhibited his works to them.
In a grand style,  
In a grand move,  
In a lovely way;
And like the sweet muse of life in a lovely land,  
For the hearts of many were enlightened!
And, the smiles on their faces interpreted the message;  
However, this new artist was, 'Edward Kofi Louis'.

Edward Kofi Louis
Wednesday's Wood

Wednesday's wood,
Deep in the forest for the women to carry;
But you've brought much trouble upon me!
Hunt,
Angry,
Hurt,
Acquire,
Possessions,
Oppression;
But after 21 days in the thick forest,
I will find my way back home.

Edward Kofi Louis
Weed The Grass

Cut it down!
Weed the grass;
And let the beauty of the field appear.

Edward Kofi Louis

Weeds,
To grow very thick upon the hill;
Pine forest!
Fine forest,
Into the forest;
To dine with your wine,
And, to view the valleys around!
After climbing up to the top of the hill.

Weep not child,
For, i am in love with you;
And like the shepherd and the shepherdess in the land of peace,
Because, we are in this love together.

Sadness and sorrow!
There ie no friend to trust in nowadays;
But, i am on the new horizon with your muse,
And, i am always ready to care for you.

Love!
To look foward to it and, with your dreams;
Without giving up on anything.
Life!
To be guided by the laws and the truth;
And like the muse of the shepherd and the shepherdess in the land of peace.

The act of love,
The muse of joy!
The act of care,
The muse of peace!
Weep not child;
My myrrh!
With the muse of unity in the land of many roses.

Edward Kofi Louis

But maybe one day we can teach them to do what is right!
For the muse of your love is full of mystery.

Edward Kofi Louis
Well-Pleased

I am well-pleased with your love,
But who among you will give hear to my poems?
And lie waters in the desert and a high way in the wilderness;
But the chariots and the horses are for Kedar and Sela.
I am well-pleased with your love,
But do call in Sela and Selah to hear my muse;
For sweet came in and the sweet love arose! !
And i called you by your name because you are now mine.

And like the residence of your muse with security personal.

But, you can find me on the West Coast of Africa.
Very inquisitive!
To read it out;
Waist, waste!
To read about it;
Foster,
And, to be able to teach it out.
Of the feedbacks!
To teach young children;
And, right from birth.

Like the beautiful nest of a bird;

West Coast!
To face the test of the storm;

Best with prayers,
Best with hope,
Best with preparations,

Knowing that the new guest coming along was,
Hurricane Irma! !

Crest of honour with the muse of nature,
Like the pest of life with the muse of creation;

Rest assured with the truth!
Rest your mind always with positive morals,

Heart of joy with the muse of servitude and attitude!
Best regards,
Best is the truth.

The West Coast!
Nature and society;

With the chest of nature being proud enough;
Hurricane Irma! !
Hitting hard on the West Coast.

many were shot dead;
In Kenya,
But, this is not the way towards peace.

Westgate Mall!
In Nairobi, Kenya;
We need the world of peace than,

The wet season and the dry season;
Living in the land of my muse,
But, i've a message for you.
Stall, tall, all!
Wet or dry;
Tray, ray!
To roll up the sea like carpet and,
To let the land appear! !
But, with the sweet muse of love.
Wet or dry!

All being part of the Hands of the Creator.

Edward Kofi Louis
Wet Under

I am wet under with the thoughts of you and,
You are wet all over in the rain!

Edward Kofi Louis
We've All Sinned

He fell into sin,
She fell into sin,
You fell into sin,
I fell into sin,
We fell into sin,
Yes! We've all sinned;
And, have come short of the Glory of the Creator.

Edward Kofi Louis
We've Seen It All

Net, wet, met, let, pet, set, vet, jet, get;
He's seen it all and you've seen it all.
Connector,
Points,
And of a large opening!
I've seen it all and you've seen it all;
But your smaller opening is all about the muse of your love.

Into the deep ocean is the muse of your love,
And like the joy of the stars up high above us!
But, i've seen it all and we've seen it all;
Because, this sweet muse of joy is all about your love.

Edward Kofi Louis
What A Joy! !

Sunshine!
To catch the sun with your hands;

The stars!
With the works of the universe;

The wonders of life,
Oh! What a joy! !

Able to give us understanding,
Living on earth.

Edward Kofi Louis

Because, today is only with with us.

Edward Kofi Louis

What about us?
With the feelings inside you and,
The feelings inside me.

Edward Kofi Louis
What Do We Expect?

The one who can teach is locked up in the room!

The one who can kill is left roaming about with a gun;

So, what do we expect in the world today?

Edward Kofi Louis
What Do You See?

Looking into the mirror!
What do you see?
Is it horror or, terror?!
Knowing the status of mankind on earth today.

Edward Kofi Louis
What I Need Is Love

True love,
What i need is love;
Not hatred! !
Seeing the ways of mankind on earth.

Edward Kofi Louis
What Is Cake? !

What is cake to me when, i’ve got more works to do on this Island of Love? 
Yes, the unfinished business to satisfy the muse of my people; 
And, to hang on like a koala on a kola tree.

We have scientists to foresee the future, 
And the historians to dig out the past; 
But, the writer's ink is with the rhythm of love.

What is a piece of cake to me in times like this? ! 
From the unknown to the known; 
Back to the old drawing board of life.

Broad, board! 
With the unfinished business at hand; 
Than a cake fitted with candles to make merry.

Edward Kofi Louis
What Is It?

Taste!
Like wafers made with honey;

What is it?
Like white coriander seed;

So, don't waste your life on earth! !
Rather, seek the works of the truth and live.

Edward Kofi Louis
What Is Really Love?

Life,
Where do true lover go to?
With heart beats along the way;
But, what is really love?
True love!
You can't easily leave it;
With the muse of the Biology and Chemistry in your body.

Edward Kofi Louis
What Is Really Wrong With Mankind?

Killed! !
In cold blood;
Murdered! ! !
By two men;
But, is this the right way to peace on this earth?
No! ! ! ! !
Why is man so cruel on this earth?
Why can't we live together?
What do you gain after killing someone?
In this life! !
With the people of Satan everywhere;
Yes, being influenced in their works!
With blood all over their hands.
What type of human beings are we today?
What type of teachings are we following?
With anger and hatred everywhere.
Murdered! !
In Lodon;
And, two men killed a man,
In cold blood.
What is really wrong with mankind?
Where are we heading towards?
Murdered! !
With blood all over the hands of the two men.

Edward Kofi Louis
What Is Sin?

What is sin?
Say it yourselves and answer it yourselves;
For many of our doings are full of sin!
But the Scriptures do have enough words to teach us.

Edward Kofu Louis
What Is Sweeter Than Love?

The muse of life,
Sleeping with the muse of love;
To share your nakedness,
To know your deeper feelings,
To understand your deep secrets,
To know your sweet mind;
Sleeping in the wings of love.

What is sweeter than love?
Tell me if youer know;
On your next visit.
The muse of love,
Like a dream! !
Sleeping in the arms of sweet love.

The muse of nature,
The muse of life,
To touch your body!
Deeply with the muse of romance;
Sleeping in the wings of love.
The muse of life,
Lexis;
Lay,
Lexeme! !
But, what is sweeter than love?

Edward Kofi Louis
What Is The Colour Of Love?

Tell me if you know!
Tell me;
What is the colour of love?
True love,
Tell me if you know.
When?
And,
How?
It is red?
Is it blue?
Is it yellow?
What is the colour of love?
Tell me if you know.

Edward Kofi Louis
What To Do

Something for love,
Anything for you;

Somewhere with your works,
But, where is your lover?
If i may ask:

Muse!

Anywhere on the globe;
Anytime along the ways of nature! !

Sometimes forgetting what to do,
But, where is your lover?

Edward Kofi Louis
What We Want

What we want,
Others may have and, others may not;
Contributed with the society around us.

Beautiful child,
Joy with the hearts;
All we know is that, he or she came to the world.

Edward Kofi Louis
What Will I Do Without You?

Love,
Sweet love;
What will i do without you?

Edward Kofi Louis
What You Are Doing

You got to know what you are doing with my life on this love,
And like the muse of your so exposed to many;
But my love is guided by the principles of nature,
And like the songs of two lovers.

Yes this is a serious truth about myself,
And i surely need you on this love;
But try to know what you are doing with my life.

Edward Kofi Louis
What You Are Doing II

You got to know what you are doing on this love,
And you've got to know what you are doing with my life;
Because the Creator will surely judge us all one day,
Yes this is a serious truth!
And i surely need you on this love,
But try to know what you are doing with my life.

Edward Kofi Louis
What You Need Is Love

Life,
What you need inside your heart is love;
So, don't hate your neighbours.

Smash, mash, ash, sash!
With the playground of the rich and famous;
But, what you need inside your heart is love.

When is tomorrow to find your way out? !
Today is with you to learn for the better;
Because, yesterday is gone.

Edward Kofi Louis
What You Need Is Not What You Want

My soul,
My heart,
My mind,
My muse;
I'm ready for your love.
My soul,
My heart,
My mind,
My muse;
What you need is not what you want.
My soul,
My heart,
My mind,
My muse;
So, let me know if you are also ready for love!
Because, what you need now from me is not what you really want.

Edward Kofi Louis
What You Promised

You have kept what you promised,
Placed in the middle of the court!
With the joy of your heart;
And, with the muse of the shadows of the truth.

Edward Kofi Louis
What You Told Me

What you told me last night!
To obey is better than sacrifice;
And, to listen is better than the fat of rams.

Edward Kofi Louis
What, Haw, Hat!

Activities,
Attractions,
Ideas,
Endless love;
Hoop, hook, hoot, hoof, hood!
The colour nuances of the water,
A view! !
Over the valley;
The area around the corner,
To enjoy the view.
What, haw, hat!
Beautiful flowers,
Tranquillity;
To explore the valley,
With the muse of the changing climates.
Romance,
Aromatic!
On a trip,
Of the view,
Fantastic and beautiful,
With my bare feet in the sand.

Edward Kofi Louis
What, That!

The issue!
hen it started;
That issue!
When it started;
What, that!
Of hideous crimes all over the world today;
Guilty or not guilty,
Hat, that, Pat, what, bat, mat!
Committed;
Injured,
Being caught in the act.
Pact, act, fact!
Wounded,
To accuse him or her!
To accuse you or me;
With the ways of the world today,
Owned and paid by the wicked men and women.

Edward Kofi Louis
What's In Yours?

Baskets,
Acts,
Caskets,
What's in yours?
Going along,
With the muse of life;
Going around,
To satisfy the ways of life;
But, what's in yours?
The very basket beside you.

Edward Kofi Louis
What's On Your Mind?

What's on your mind?

Is it with love?

Then, you will bring peace to the world.

What's on your mind?

Is it with hatred?

Then, you will kill and destroy the world! !

Right and wrong,

Choices!

With the muse of mankind on earth;

But, let us seek for the works od peace and,

Bring joy to all.

Edward Kofi Louis
What's Up? !

Hat,
That,
Mat,
Bat,
Cat,
With Pat;
What's Up? !
Rat,
Plot, lot, slot!
Pot,
Hot,
But it is not your time.
Fat!
Muse,
Use,
Date, mate!
Fuse,
Infuse,
What's Up? !
Late,
Kate,
Date,
Paste,
Waste,
Gate,
Bate! !
State,
Slate,
Flat,
What's Up? !
Plate,
Note,
Tone,
One,
Stone!
Bone,
Clone;
What's Up? !
What's Your Life?

Man,
What's your life?

Woman,
What's your life?

Child,
What's your life?

Facing the problems of the earth,
Here and there.

Edward Kofi Louis
Wheat, Heat, Eat!

Flood and fire!
Still in shock;

Brisk, risk!
Business;

Wheat, heat, eat!
Disclosed;

Lot of businesses,
To known places;

New locations! !
Busy places;

Discovery,
Environs,

Disclosed;
That same period.

Scared! ! !
Flood and fire;

Displaced,
Abandoned;

Presence!
Lamented;

Out by then,
Still in shock;

Hindrance!
With nowhere else to go.

Edward Kofi Louis
Wheedle The Riddle

So delicious so sweet,
An African with an Eskimo;
Blackeye peas,
White-eye beans;
I an in the valley of love with my mind.

What if this person was a White?
This person will have a white skin and,
A long hair,
What if this person was a Black?
This person will have a black skin and,
A short hair;
Love is like the rainbow out there.

Out of the romance came love,
Out of the kiss came something so sweet;
Rain clouds of the sky,
So delicious so sweet.
Wheedle the riddle,
An African with an Eskimo;
So delicious so sweet is this muse at hand.

Edward Kofi Louis
Wheel, Heel, Feel!

Wheel, heel, feel!
Lamp,
Light;
Lamb,
Meat;
Ray, day, bay, say!
To stay with the truth.

Edward Kofi Louis
When A Man Loves A Woman

You are the golden nuggets in my room!
And like the blue beckoning of the sea;
Because, when a man love a woman, he can't keep his mind on another thing.

Edward Kofi Louis
When And Wherever!

At a place and,
At a time;
When and wherever!
At a place and,
At a time;
Whatever and wherever!
The start of it,
The look of it,
The act of it,
The care of it,
White, bite, site, cite, rite, kite, quite, mite, write! !
With every different kind of churches around us;
Back, lack, black, mack, hack, clack, crack, rack!
But, the truth is written in the Holy Scriptures.

Edward Kofi Louis
When Are You Ready For Peace?

Frustration,
Intimidation,
Molestation,
Insults,
Threats!
Sect,
Trials,
Fails,
Civilized people,
Leaders,
With the muse of life everywhere!
For, hatred and war are very common around us today.
Nature!
With the ways of your life in the land of the living;
Seeing your works and your acts,
But, when are you ready for peace?

Edward Kofi Louis
When He Is Not There

The news is very different when,
He is not there!

The programme is different when,
He is not there!

Dynamic,
Sitting there waiting;

Real meal,
Real life;

With a deal to seal your love,
Along the ways of life.

Edward Kofi Louis
When I Need You

I am free like a bird in the sky!
All because of your sweet love;
So come to me always when i need you,
For you are all that i want to see always.

Edward Kofi Louis
When Is My Time?

Life!
When is my time to shine?
Show me a sign,
Because, i am always prepared;
To take up any Opportunity,
With a positive change.

Edward Kofi Louis
When Joy Overcomes

Pain!  
In chain;

Stain!  
With no rain;

The time,  
When joy overcomes the pain!

To train the mind with positive acts;  
And, to overcome the odds of life.

Edward Kofi Louis
When The Right Thing Is Done

Edit,
Credit,
Editor!
Creditor;
Showing honour in the name of the truth,
When the right thing is done.

To show mercy,
Peace and love;
Kindness and humility,
With deliverance coming out from the hands of the truth.

Edward Kofi Louis
When The Right Time Comes

Loneliness ends with love,
When the right time comes;
And, to dance with nature!
Till the end of time.

Edward Kofi Louis
When The Seasons Changes

In the morning it is very cold!
But in the afternoon it is very hot;
And like, winter in the morning and summer in the afternoon,
But the eagles up high will always find a prey! !
Because, nature had made it that way;
And, we have to accept things as they are.
Try to understand nature in times like this!
Because, you and i know what it is to love someone;
But, when the seasons changes,
We all learn from our varoius mistakes.

Edward Kofi Louis
When The Sun Goes Down

Watery and lovely,
And the harder they come!
For it is like the sins of our past;
But, i depend on the sun to make up my money on this side of the river.

Hello Mr. President! !
I always stop painting when the sun goes down;
And i need this river over here to make my money,
Because, it is very sweet and sticky at times with the muse of love.

Edward Kofi Louis
When We Do The Right Thing

Hope! !
World of peace,
World of love,
World of joy!
When we do the right thing.

Edward Kofi Louis
When Will I Be Free?

When will i be free without these bombs around me?
When will i be free from these wars around me?
When will i be free without these dead bodies around me?
For the bullets and the bombs are killing my people in Libya!
And in don't know when they will be free from all these! !

Edward Kofi Louis
When You Do Shine

Nuts! !
With more questions than answers;

Knots!
Trying to understand the cultures of the people;

Climb up at your prime age when you so shine!
Opt in a love-ride;

With the melodies of your love tunes,
Flowing with your mind.

Edward Kofi Louis
When.....?

When will i hold you like this?
When will i kiss you like this?
When will i love you like this?
When will i romance you like this?
I have been searching all along for someone like you;
So let us be open on this love.

Edward Kofi Louis
When?!

When?!
And, who will bring joy to my heart?
The lonely heart of a man.

Edward Kofi Louis
Whenever And Wherever

Anything goes!
Whenever and wherever,
Somewhere with something;
Anything with your love,
When the sun shines.

Edward Kofi Louis
Whenever And Wherever 2

Ever!
Forever,
Whenever and wherever,
Never give up on your dreams.

Edward Kofi Louis
Whenever The Right Thing Is Done

My heart smiles when i meet love,
My mind sings when i meet the truth,
And, i laugh whenever the right thing is done.

Edward Kofi Louis
Whenever You Call My Name

I will be there for whenever you call my name,
And like a walk from my school;
Whenever you call my name i will be there for you,
And like going home from school;
For every action starts with a thought and,
I will be right there for you whenever you call my name!

Edward Kofi Louis
Whenever, Whatever And Wherever!

I am alone without you;
The muse of life,
Within me;
The muse of love,
Without you;
The muse of the ways of nature,
Without you!
And, without me being around you.
Wherever and whenever!
For, i am alone without you;
The muse of life,
Whenever, whatever and wherever!
But, i am alone without you.

Edward Kofi Louis
Where Are The Raw Diamonds?

Sand and blood!
In the city od death;
But, where are the raw diamonds?
I am sorry for this day and,
I am sorry for your team;
But, where are the raw diamonds?
To share this love in pain!
Because, you're the only one who knows my problems;
But, where are the raw diamonds?
The book of life and the book of death! !
To take your own life;
Flight, fight, fright!
To take her own life;
Cure, secure!
To take his own life;
Site, requisite!
But, where are the raw diamonds?
Touched!
Wondering;
But, the sun is now going down.

Edward Kofi Louis
Where Are You Hiding?

Beauty!
Where are you hiding?
Give me a call and let me search for you;
You have the Gold that i am looking for,
So, send me your signals and, let me search for you.

Edward Kofi Louis
Where Are You?

If you want to live on a sweet love then,
Be my lover on this train;
Who will be my lover?
Who will be my woman?
Who will be my wife?
Who will give me children?
Oh, to you Ladies out there! !
Come and take me home;
My sweet woman to be,
I am missing you.
Come and show me the true colours of love,
Come and be my wife and let's have children.
Who am i to be blind; pretending not to see them?
Come and let's stay together on this love;
Yes, come and let's make babies.

Who will be my family?
Who will be my girl?
Who will be my woman?
Who will be my wife?
Who will i give my heart to?
Who will i share my soul with?
I need a woman to give me children.

Have you heard of Shakespeare?
Have you heard of St. Louis?
Then, hold back your tears to the one you love.
Who is after my love?
Who will be my lover?
I want someone special like you.
Hold back the tears of love to my heart,
Where are you girls?
Where are you ladies?
Where is the lover of my heart?
I'm still searching for the real love.
Lonely as i am, i can't let it go when i do find her.

I need someone who will let my heart beat,
I need someone to lean on;
So, lean on me if you are the one for me.
Where are you my sweet woman?
Tell me if you are my sweet lady;
I need someone who will feel my heart-beat.

Edward Kofi Louis
Where Do We Go From Here?

We, weel! 
You've sold 'Indian-Hemp' for money and, you're still not satisfied; 
You've sold heroine for money and, you're still not satisfied; 
You've sold cocaine for money and, you're still not satisfied; 
And now, you're sucking human blood for money as well. 
Sadness! ! Where do we go from here?

The stories of this world! 
In the era that mankind claims to know better; 
But, in the name of the mad-rush for money! ! 
And, we turn to do whatever it takes.

From the corrupt mind comes forth corruption! 
But, you're chasing after the shadow of death; 
Because, your drugs are killing the people! ! 
All in the name of your money making.

From poverty to glory you may say; 
But, money is not everything; 
And, think about the people you're destroying with your drugs! ! 
Yet still, you're not satisfied with what you're doing to others.

You talk like a parrot and acts like a snail; 
But, where do we go from here? 
However, power to the people is meaningless if, 
We the people are not consulted over matters.

Yes, those who live without imaginations do not dream! 
However, the destruction of the soul is vanity; 
So, stop this act of selling drugs to gain your so-called money! ! 
Thus, destroying others in this world. 
Dose, overdose! 
Think about it; 
And, where do we go from here?

Where Do We Go From Here?!

Today a leader is known,
Tomorrow he or she will be dead and gone;

Today a writer is known,
Tomorrow he or she will be dead and gone;

To a painter is known,
Tomorrow he or she will be dead and gone;

Today a king is known,
Tomorrow he will be dead and gone;

Today a queen is known,
Tomorrow she will be dead and gone;

Today a prince is known,
Tomorrow he will be dead and gone;

Today a princess is known,
Tomorrow she will be dead and gone;

Today a rich person is known,
Tomorrow he or she will be dead and gone;

Today a poor person is known,
Tomorrow he or she will be dead and gone;

Today a teacher is known,
Tomorrow he or she will be dead and gone;

Today an orator is known,
Tomorrow he or she will be dead and gone;

Today a student is known,
Tomorrow he or she will be dead and gone;

Today a singer is known,
Tomorrow he or she will be dead and gone;
Today you and i are known,  
Tomorrow we will be dead and gone;

With the journeys of our lives on earth,  
But, where do we go from here?!

Where I Live

Love,
Come in,
Come and see where i live;
Lovely,
Always waiting for you.

Edward Kofi Louis
Where Is Humanity?

Mankind,
War! !
Destruction,
Refugees,
Exodus,
Heading towards Europe;
But, where is humanity?

Edward Kofi Louis
Where Is She?

I seek for love but,
Nowhere to find her;
I seek for peace but,
Nowhere to find her;
Like the best designs in my bathroom,
I will keep on seeking till i find her.

Misunderstanding and mislead,
Who can appreciate my loneliness?
Invite me to your party and feel my heart beat,
I am the captain of your true love;
So tell me if you are the one.
I have a dream! !
And my dream is to seek for you my love;
Tell me if you are the one.

Have you seen her?
Where is she?
Tell me if you are closer to me;
I seek to know where you are,
I will keep on seeking till i find you.
I seek only for your love,
Feel my heart beat and know how i care;
I am the captain of your love and,
I will keep on seeking till i find you.

Edward Kofi Louis
Where Is The Love In Your Heart?

Terrorist!
What has humanity done to you?
Why are you boiled up with hatred?
Where is the love in your heart?
Just take away everything around you and,
You will be left alone;
Think! !
Deeply;
Think once again before you act;
What has humanity done to you?
Why are you destroying the earth?
Why are you killing the people?
Where is the love in your heart?

Edward Kofi Louis
Where is the sun?
Where is the light of love?
Why has hatred taken over?
Why kill your neighbour?
When, we are all human beings;
Where is the sun?
The bright sun of love;
Bringing in the hope of peace.

Edward Kofi Louis
Where Is Your Heart?

Love,
Where is your heart?
For, i am calling you;
And, i am always knocking at your door.

Love,
With a vision for everyday;
At the opening,
With the performance.

Love, he openly expressed his delight;
But, where is your heart?
Realistically!
Like a dialogue.

Love,
She openly expressed her delight;
But, where is your heart?
On the desirability,
Which is more progressive.

Of the truth!
The civil society must be well positioned;
With positive works,
But, where is your heart on this love?

Edward Kofi Louis
Where No One Returns

Death!
To go to the place where no one returns;
To the land of darkness!
Utter darkness,
Even the light there is like darkness.

Edward Kofi Louis
Where There Is No Snow

Blow!
Love,
Bow,
Flow,
Row,
Follow,
Show,
Fellow,
Sow,
Now,
Tow, glow!
Throw,
Grow;
Living in a land,
Where there is no snow.

Edward Kofi Louis
Where To Begin With

Tell me more!
For, i want to know much about you;
So that, i can really know how to help you and,
Where to begin with.

Edward Kofi Louis
Where We Are

One direction,
One love,
One way,
Where we are;
Tour, honour!
Rolling on,
Zeal of love,
Quest of life,
The romance of nature with,
The fragrance of creation.

Where You Can Easily Find Me

A land,
Far, far away!
From You,
From your sweet love,
From your muse;
This land,
Very far away!
From you;
But I live in this land;
My home,
Where you can easily find me.

Edward Kofi Louis
Where You Dwell

Prestigious career,
The final chapter;
Appreciation,
The final count down;
But, it entered into the wrong hole and,
A great noise was heard! !
However, that was the beginning and it was like magic.

My fair lady,
Humble and respectful;
But being looked after and being guided on!
And like the African in bed.

Generate,
Encourage,
Reemphasizing,
Conclude;
With right choices and right decisions!
And like the reputation of being a person of integrity.

On the way with your lover,
And on my way with my mind;
But, like an American in bed! !
For, i know your works and where you dwell.

Edward Kofi Louis
Where Your Mouth Is

Life!
To put your money where your mouth is;
But let it be for a better course than,
The noisome of your sins in this world.

Edward Kofi Louis
Wherever You Are

It is the end of the road between us but,
You are so natural to me my love;
And i belong to you wherever you are!
Oh my past, who can erase it?
And of your past as well, who can erase it?
But this tragedy had strengthened my marriage!
For this act had taken me to another level and,
My life is now safer after the event;
And with the cultures of the people around me to see me through,
For your spirituality is part of your identification on this earth.

Women of fertile eggs and of the joy of sex that we hard!
But you are about to know yourself as at now;
And like 'Humpty Dumpty' who sat on the wall,
For the physical pleasure we shared has its own meaning.
I belong to you forever! !
And wherever you are i will be in your mind always;
For you are so natural to me my sweet lover.

Edward Kofi Louis
Wherever You Are 2

Ever,
Forever!
Whenever,
Wherever you are;
I am,
You are,
With the message of love.

Edward Kofi Louis
Wherever you are!
I am right there with my heart;
Because i love you.

Whether Rain Or Shine

Love!
Whether rain or shine;
Whether, weather!
In every season;
Sine, shine!
In every act;
And, with the muse of peace, unity and joy.

Edward Kofi Louis
Whey, Way!

Whey, way!  
My love is solid as a rock;  
Able to touch your heart deeply,  
To sail on with the muse of peace.

Nature,  
Thunder and lightening;  
Listening to the echoes of life!  
But, my love is solid as a rock.

The epic!  
For the fun of it;  
The timber! !  
With the value of it;  
With the muse of a 'Professor of Poetry' talking to me,  
But, my love is solid as a rock.

Edward Kofi Louis
Whey, Way!

Without colour,
Transparent,
Opaque,
Light,
Colourless,
Combined with starch or flour;
The distiller's yeast! !
Combined with sugar and salt;
Jam!
Jelly,
Belly,
Sam!
With the muse of fruits and vegetables;
Whey, way!
With corporate Directors and, corporate Consumers;
And, to take all the impurities away.

Edward Kofi Louis
While There Is Peace

Smile, mile!
While there is peace;

Be careful in life!
And seek for peace;

Do what is right and live,
Do not look for any trouble in life.

Edward Kofi Louis
While We Take A Rest

Smile, mile!
With you,
With me,
With us,
Far away from the Nile;
With the muse of true love,
While we take a rest in the dark.

Edward Kofi Louis
While You Touch

Smile!
Mile,
While you touch.

Edward Kofi Louis
Whining School Boy

A letter from the whining school boy,
The sweet power of words;
But, uneasy lies the head that wears a crown.

The seventh mind,
The seventh level,
The seventh wisdom,
The seventh hope,
The seventh seal;
But, uneasy lies the head that wears a crown.

Bright light!
Pleasant to the sight,
With the lascivious pleasing of the night;
However, not all things seen with the eyes are food for the mouth.

Uneasiness! !
No salvation without righteous works;
The truth should be told always!
Because, wisdom is too high for the fool.

Doxology,
Horse-walk,
Peevishness,
For the sake of love;
However, try to open your hands to help the poor.

Edward Kofi Louis
Whirlwind Of Love

Love of lovers and the song of your muse in the land of peace,
To mount on the whirlwind of love to meet your home;
But the water separated them because she has no child.
Life is like a treasure of choice food,
Where thorns and traps are on the way;
But he has no child and i am now in the whirlwind of love.
Have mercy on your lips and be ready for my kiss!
For one who sows iniquity will reap vanity;
And like the words of a teacher in the land of the knowledge of things.

Edward Kofi Louis
Whispering Red Rose

Whispering red rose,
You are very tender and lovely;
And you look more beautiful anytime i do see you.
Whispering red rose,
Slowly at a pace and bountifully is the love of your sweet aroma;
And the whispering of your love is now being known to me,
But i do respect the garden in which you are placed in.

Edward Kofi Louis
Whispering Rose!

Black Rose,
White Rose,
Red Rose,
Clourful Rose,
Whispering Rose!
With the beauty of love and life;
 Appearing among others to express your beauty.

Edward Kofi Louis
Whispers Of Love

The wandering whispers of love,
Seated in life;
From all things,
With the visions of endless love,
Ahead of mankind.

Edward Kofi Louis
Whispers Of Passion

Stage,
Sage,
Page,
Age,
Gate, agate!
Passage,
With your language,
With your luggage,
With the muse of your land!
Beautiful flowers,
Whispers of passion.

Edward Kofi Louis
Whisphering Rose

The garden of love,
There i heard the voice of the whisphering rose;
But the joy of her muse was like the deep blue sea,
And in peace i laid down beside her.

Edward Kofi Louis
Whit, Hit, Wit, It!

Whit, hit, wit, it!
Fit,
To sit on it;
Bit,
Down there.
Muse,
Here and there!
Fuse,
Infuse,
With hope and joy!
Not to refuse the muse of the truth,
In your land.

Edward Kofi Louis
Whitaker

Whitaker, take, White, taker, hit, hate, hat, tear, ear, era, kite;
You do eat like pig and still claims to reduce your weight,
Only with outward appearances.
The muse of life!
With much to learn about;
But, you can't loss weight by eating too much in life.

The muse of life!
Let the law always be your teacher;
And, examine yourselves to see whether you are in the faith.
The muse of life!
You are deeply aware of the facts;
Ware, aware!
Like a farewell party;
But, your weight is from your eating Habit.

Edward Kofi Louis
White And Blue

Blues! !
Clues,
White and blue;
Glue,
With the muse of the flowers.

Edward Kofi Louis
White And Yellow Flowers

Roses,
White and yellow flowers;
Nature!
To accept the laws of creation,
Because the truth will always set you free! !
From all the sins around you.

Edward Kofi Louis
White Box

Rite,
Right! !
White box;
Beside you.

Edward Kofi Louis
White Buffalo

Where there is true love reigns, there is peace!
Honour with the muse of righteous laws;
Insight with the muse of wisdom! !
Teaching always with the truth;
Exhibited with the muse of righteous morals.

Before the Laws of Yahweh!
Under the eyes of the truth;
Facing the odds of life! !
Forces here and there,
Able to face the truth than, evil acts!
Lifting up righteous characters,
Opening the doors of peace and love than hatred and war.

Edward Kofi Louis
White Butterfly

Muse, love, peace;
White butterfly!
Spirituality,
Supposedly;
With the muse of your love.

Competence!
Unser the skills of your love;
Acquisition!
With the knowledge of your love;
Along the line.

Part, partnering!
With a thorough research;
Part, art!
And, to adopt a more favourable option;
On this love.

Edward Kofi Louis
White Doors

Floors and white doors,
Brooms and rooms;
With the muse of the people.

Edward Kofi Louis
White Dove

White dove,
Flying above my head!
Sending me the message of peace;
Move, drove!
Coverage,
To the cove,
Covered with the muse of love;
Having a stove around with the muse of the clove,
And the clover to satisfy the ways of nature.

Edward Kofi Louis
White Dove!

White dove!
Black glove,
Wide move! !
Dark cove,
Make love;
Keeping the trach!
To answer the call;
Back to the red,
Back to the green,
Back to the white,
Back to the yellow,
Love is great!
Blues;
Love overcomes all things.

Edward Kofi Louis
White Eggs And Brown Eggs

White eggs and brown eggs of this world,  
Who the cap fits must surely wear it;  
Because, not all what is seen are real as they are.

Pinch, inch, winch, cinch, finch;  
Use the hand gloves to protect any injuries!  
For the place of the purchase of your love is like,  
The depending facts of the mind! !

Edward Kofi Louis
White Energy

The light of summer and the heat of the sun!
With much noise to expose the nakedness of the people;
But my lover left me last night.

The darkness of winter with the muse of the snow!
By the fire side to warm up your body,
In the name of the cold.

White energy! !
My lover left me last night;
However, i always want to be where love is.

Come around!
Show me the truth,
White energy;

On this side of the river,
For Love, peace and joy! !
Seeking for a perfect place.

Edward Kofi Louis
White Nights!

I am,
You are,
We are,
They are,
White nights!
With my mother tongue,
With your mother tongue,
Talking to each other,
With the common language on the ground;
Doing the same thing in your land.

Humans are unique!
With gifts of life;
Hidden Treasures,
With the gifts of nature;
Forever with the muse of creation! !
Together with the works of mankind,
As we train ourselves to become perfect.

First stage,
First change;
Second stage,
Second change;
Even with the third stage and,
The changes of life!
With our choices;
Alone together,
But, not always lonely.

The muse of life,
With the wonders of nature! !
Going through it always,
Even after depression;
Hope and faith,
With the light;
With the sight,
With the reflections of the mirror!
The might,
Our lives;
With the roses of love than,
The wickedness of war.

Edward Kofi Louis
White Nose

White nose,
The way of your love is like the story of my life;
But that lovely sandals are always seen with you,
And you are indeed full of surprises!

Edward Kofi Louis
White Robes

White robes,
In white robes;
Men and women,
Face to face,
At the marriage supper.
To rejoice!
Out and open;
In white robes,
Enjoying at the marriage supper.

Edward Kofi Louis
White Rose

Collage,
Age,
Passage;
With the passion of life!
Nature,
Like the storm in the wilderness.

White rose,
From the yard;
With the muse of nature and the fragrance of life!
And, the aroma of its beauty.

Edward Kofi Louis
White Swan

White swan,
Make everyday a lovely day;
As you swim along,
For us to learn from you!
Keeping up the works of the truth,
Respecting nature,
Respecting all mankind,
For the peace of life.

Edward Kofi Louis
White Water

Whittle!
White water;
Whittle, little!
With the muse of your sweet love;
Letter, better!
With the muse of your words;
Wetter, better!
With the muse of the weather;
Shoe, hoe, he, she, so!
Of the saddle,
Of the addle,
Of the paddle;
The writer,
The editor,
The publisher;
Life!
With the time of the truth.

Edward Kofi Louis
White!

White!
While pure,
Sure with the whole thing;
Under righteous laws.

Edward Kofi Louis
Where is my white-mercury?
For you stole my mercury last night with your love,
And your ways led you away like a thief,
But your love was so sweet.
Nice and soft but your acts led you away so soon!
And your continuous abortion is noted all over,
But do think about the consequences in the future.

Edward Kofi Louis
Whiteness

Whiteness,
Faster and faster to satisfy your muse! !
But, she was frightened because you failed to answer the call;
So she left alone to her parents without a word to you.

Edward Kofi Louis
Who Am I To You?

Dear Dad,
Dear Mum,
Dear Brother,
Dear Sister,
Dear Friend,
Dear Lover,
Dear Reader,
Who am i to you?

I am like the dream you had last night,
But it was already gone when you were awake;
I am like the country and the blues you heard in the club last night,
But i was out of your mind so soon during daybreak;
I am like the Kinshasa Symphony and,
I will always remind you people of my true identity.

Edward Kofi Louis
Who Am I?

Who am i?
I was born and grew up in Ghana to an Egyptian mother and a Togolese father;
Who am i?
I have taken to the culture, language and the education of Ghana to this present day;
And i know more about Ghana than Togo and Egypt.
Who am i?
I am an half-cast to satisfy my status;
And i can easily blend with my colleagues in Togo and Egypt as well,
But who am i?
In Ghana i eat a lot of plantain,
In Egypt i eat a lot of couscous,
And in Togo i eat a lot of beans;
So i am an African on apeaceful course.
My accent is very sound in Arabic, French and English;
But you can call me black or white because i am always the same,
For i have never caught the wind with my hands!

Edward Kofi Louis
Who Are Their Teachers Today?

What i can do is, this with you; learning together to save the world! With all the problems around us today. Look! ! Watch what is going on today; with wickedness all around us, as one steps out of the door.

Problems of the world with the wicked ones among us; killing people and destroying everything! Maybe, this is how they were taught at school. I wonder why? ! Why is evil accepted than righteousness? Who were their teachers in those days? Who are their teachers today? Going up with hatred in their minds.

Why can't there be peace in earth? ! Why are we destroying each other? The Creator Almighty created us on earth for a purpose! ! WITH LOVE than, hatred and war. Let us go deeper! Let us use our minds; for something better, than to accept evil works.

Edward Kofi Louis
Who Are You?

Who are you?
Who is this lady?
Who is this boy?
Who is this girl?
Who is this man?
Who is this person?
Who is this woman?
With the hearts of the youths today;
Unspeakable,
Unutterable,
Of a negative act in the land.

Edward Kofi Louis
Who Brought Me Over Here?

Bought,
Brought!
Who brought me over here?
I still don't know what really occurred to me;
Who brought me over here?
I really don't understand;
Why am i here?
Tell me if you can.

Edward Kofi Louis
Who Can You Trust?

Lies! !
Who can you trust when, there is no one to trust?

Gossip!
Who can you trust when, there is no one to trust?

Illegal lust,
Leading many away from the truth;

The thief waits for the night! ! And the adulterer waits for the dark;
Yes, wisdom is deprived from both of them.

Edward Kofi Louis
Who Created You?

Who created you?
Answer it;
Then you will be very wise! !
And, to love your neighbours;
Loving each other without war.
The muse of life,
Loving one another with the muse of compassion;
And, to care for each other with the muse of humility.
The muse of life,
With kindness!
Helping each other in peace;
Without the ways of war.
Who created you?
Learn from your own answer!
Then, you will be wise;
For, we are all one,
Created under the direction of the Creator.
The muse of life,
For peace,
The real!
For love;
Without hatred and war! !
So, let us all be wise enough to care for each other;
And, live in peace!
With the joy of the hearts.

Edward Kofi Louis
Who Gave It To You?

I was not using it and,
You were not using it either!
But, who gave it to you?
Hew, dew, few, brew, drew, threw;
But this story started long ago!
And your lips are now red,
So, who gave it to you?
Slew, sew, stew, pew, spew, mew;
Strange food,
Strange meat,
Strange people,
Strange land,
Strange culture,
Strange love,
Crew, grew, new, strew, screw;
But, with your red lips! !
So, who gave it to you?

Edward Kofi Louis
Who Is Fooling Who?

What right do you have when you sleep with somebody's wife?
What right do you have when you sleep with somebody's husband?
Is it right or, is it one of the laws around you?

Some people call sin enjoyment!
So why are you so proud after sleeping with somebody's wife?
Today is the trial, but yesterday was the act,
But tomorrow come with the evidence!
And you will have a case at hand to decide whether you were right or wrong.

Why should I have to cry, when what is wrong is always right to many?!
But where is the justice?
For there are many people flirting here and there around us;
And the very society looks on like a blind person.

Edward Kofi Louis
Who Is Untouchable?

Who is untouchable and who is touchable?
Who is unlovable and who is lovable?
For it takes the earthworm today to catch a fish,
And like your sweet love hidden behind the mango tree.
There is no future in yesterday!
But tomorrow holds on for its self;
And you are now with me today to respect the muse of love.
This great future is more important than a piece of prayer,
And the voice in me is like the voice of a woman;
But it is now time for me to rethink about the future!
Because, there is no future in yesterday.

Edward Kofi Louis
Who Is With The Bomb?

Where is it? !!
It is over here;
Where is it? !!
It is over there;
It has occurred once again!
And, who has the bomb?

It is over here an there,
But, who is playing with the bomb?
It has destroyed many and,
It is still destroying us today.

Who is with the bomb? !!
Right from creation till today,
We have been destroying ourselves in the name of hatred;
Throwing bombs here and there,
Killing others.

When are we going to learn? !
For, we do advance on in life in the name of technology,
But, we still have the bombs in our hands;
Bombs, bombs, bombs, bombs!!
With the nuclear bombs to kill us all;
All in the rat race.

Who is with the bomb?
With arsenals and nuclear warheads!
After six thousand years of history,
We still cannot learn from our mistakes.

Here and there with the manufacturing of weapons!
And, we still go to conferences thinking of stopping the arm race;
Oh! Living in a nuclear rat race! !
In the name of weapons.

Edward Kofi Louis
Who Knows When?

Oh life!
Who knows when?
Still struggling along.

Edward Kofi Louis
Who Let The Dogs Out?

I don't understand you!
Because, when i open it,
You will close it.
I don't understand you!
Because, when i close it,
You will open it.
So, who let the dogs out?
Magic powers! !
Love is a beautiful thing;
Fir, fittest!
The face of a man,
Record, recorded!
The face of a woman,
Prophecy, prophesy!
The face of a child,
Pen, open!
The face of an animal;
But, with the phases of the plan at hand.

Edward Kofi Louis
Who Owns The World? !

Why hate your brothers? !
All men are brothers;

Why hate your sisters? !
All women are sisters;

The muse of life and the muse of love,
Seeking for the works of the truth!

Who owns the world? !
Answer me if you know;

Seek for peace than hatred and war,
Let there be unity among us.

Edward Kofi Louis
Who They Are

I am,
You are,
We are!
Seeking for peace and the truth.
Terrorism! ! !
Who they are;
Killing and destroying the world.

Edward Kofi Louis
Who Told You....

Terrorist!
Who told you that, you will go to heaven when you kill someone?
Satan is sitting at the corner watching and waiting for you;
Because, you've not gained wisdom in life.

Edward Kofi Louis
Who We Are

80% of your waste products are sent to the third world countries,
And like more breasts and more fat on the human body!
But the mirror reflects who we are on this earth.

You've developed ahead of us but your waste products are not recycled!!
But instead, they are exported to the third world countries;
And the poor of the poorest has to battle through them to survive,
Because they have no alternative!

Edward Kofi Louis
Who Will Be My Doctor?!

Writing poetry is like a therapy to me,
So, i cannot stop it!!
If not, who will be my Doctor?!

Edward Kofi Louis
Who Will Be The Next?

Who will be the next?
I suppose your junior brother;
Since, they attacked your planted seeds and,
Your sister's husband.

The muse of illegal lust!
In your household;
And, of legs down below the mark.

Muse!
Seven and half feet tall;
Looking at your nakedness in the land of trouble.
Muse!
Like the dust of the earth;
However, somebody is watching your steps.

Born to gain,
But, appointed to suffer!
As they attacked the members of your family,
In the land of trouble.

The muse of life,
Out of the lion's mouth;
Born to win,
But, with the troubles of mankind around your neck.

Edward Kofi Louis
Who Will Pardon Her?

In her opened places,
See now and know now!
If you can find a man for her;
Because she refused to receive correction,
But, who will pardon her?

Edward Kofi Louis
Whole

Whole, hole, owe, how, hoe, woe, low, hew, he who? !
But with 3 bedrooms and 3 bathrooms;
And this property is in a master planned community with fully serviced plots,
But the details of your love is now written all over the walls! !

Edward Kofi Louis
Whole, Hole!

In the darkness,
War!
In the Valley of Bones;
As many are already dead and gone.

Whole, hole!
Exactly;
But, war had now destroyed the sweet muse of love.

Rum, doldrums!
For scrutiny;
Polish, nourish, accomplish, furnish, finish, Irish, fish, dish!
In the darkness hiding from the bullets of war.

Edward Kofi Louis
Whole, Hole, Hoe, Owe, Woe!

Whole, hole, hoe, owe, woe!
Once upon the muse of life,
Seeing all the things around you today;
As compared to what you were taught along the line.

Once upon the muse of your sweet love! Sharing it with others to understand
the secrets of nature; growing up to your present status today.

Once upon a time with your love! With the joy of your heart serving others and, seeing things very well with your
eyes; learning a lot to face the odds.

Time to be born and time to grow!
At your present age today with the memories of the past; many lessons with the
up and down of life.

Edward Kofi Louis
Wholeheartedly

Wholeheartedly, old, yowl, drew, tree, three, hate, lad;
Children, obey your parents in Yahweh;
That it may be well with you,
And that, you may live long on this earth.

Wholeheartedly, whole, hole, woe, where, he, rate, lead;
With instructions in the land of your muse,
But try to be very obedient to all!

Wholeheartedly, heart, dear, read, red, ear, year, ware;
With peace and love in the land of joy!
Children, obey your parents in Yahweh.

Wholeheartedly, are, weed, wed, late, date, wear, doll;
With songs of love and works of peace,
But, try to be very obedient to all in this life.

Wholeheartedly, hold, told, wheat, war, raw, draw;
And like the muse of your love in the land of the living!
Children, obey your parents in Yahweh.

Wholeheartedly, hoe, heat, het, her, had, head, well, led;
And like your works as seen by all!
But, try to be very obedient to the people around you.

Wholeheartedly, lay, ray, tray, day, at, deer, reed, tear;
And like the joy of your muse with others at home! !
But children, try to obey your parents.

Wholeheartedly, heed, heard, world, word, rod, era, rode;
With the muse of the world and the works of your love,
But try to obey others in the land of your muse.

Wholeheartedly, toe, doe, do, to, hare, here, thread, art, thee;
Learn from the right people always to motivate yourselves!
For life is full of laws which are needed by all of us.

Wholeheartedly, yard, hew, threw, low, rat, yell, tar, how?
And like the sweet songs of the lovely birds up high! !
But children, try to obey your parents.

Instruction,
Entreaty,
Boldly,
Obligation;
Children, obey your parents!
And, honour your father and your mother.

Edward Kofi Louis
Wholeheartedly  2

Truth! ! !
To thank you wholeheartedly;
For your love and concern,
Respecting life!
For the peace of the earth;
And to share with all mankind.

Edward Kofi Louis
Wholeheartedly II

The work is tremendous and,
She is still young and unexperienced;
But, the Details of your plans of love uis always towards her.
The muse of life!
You have explained your intentions to her through your letters;
For this free will of love to be extended to you.
The muse of love!
Determined and courageous;
Like the natural mystic that blows through the air.
The muse of this tremendous work!
Wholeheartedly with the muse of your mind;
Being ready to take her to meet your parents.

Edward Kofi Louis
Wholly

Illegal lust,
Sinful and defiled is the world;
And, to neglect the facts of the truth,
But, the world today is full of evil.
Wholly, low, how, holy, why?
The muse of life,
In the emergency room!
Of the wheel,
In the game;
And, with the developments related to your acts.

Edward Kofi Louis

Because nature had made them so as we see them around us,
But the wise and fool live together on this earth.

Edward Kofi Louis
Whose Country?

This is the Earth we all belong to,
In the beginning were Adam and Eve created;
My Earth,
Your Earth,
Our Earth,
Their Earth,
This is the Earth that we all belong to.
My country,
Your country,
Our country,
Their country,
Whose country is the best?
Adam and Eve were placed in the Garden of Eden.

We are in the same garden today,
This garden is now called Earth;
So did they increased and multiplied.
Whose country is this?
Spreading all over the Earth we came.
From Eden to what we have today,
Whose world?
This is the Earth that we all belong to.
My world,
Your world,
Our world,
Their world,
We are the same people from the same source;
We came from Adam and Eve.

From generations unto generations,
The same people into different colours today;
This is the Earth that we all belong to.
Of many colours today to enhance the beauty of Earth,
The same human race from the beginning;
Whose people are they?
My people,
Your people,
Their people,
From one language to many languages today;
So, why worry about the colour of one's skin?

Without Adam and Eve,
Could we have been here today?
Why then create the boundaries?
We are the same people.
This is the Earth that we all belong to,
Why can't we see the truth and live?
This is my home,
This is your home,
This is our home,
This is their home,
The very Earth that we all live in.

Edward Kofi Louis
Whose Freedom?

Freedom, freedom, freedom!
Whose freedom?
My freedom, your freedom, our freedoms;
Like e thousand times of a cry in a land!
Yes, they rule with iron-hand but,
We have to obey always;
A rule with an iron fist but,
We have to be the subjects always;
Whose freedom?

Look around you,
It is full of colours;
My freedom, your freedom, their freedoms!
Freedom, freedom, freedom! !
We nedd freedom than these shackles.

Whose freedom?
Free-free-free! Freedom to my people! !
Which people?
My people, your people, our peoples;
Have mercy on them and rule them with care.

We need freedom around us,
Whose freedom?
See the type of governments around you;
The people's freedom with an iron fist!
Tell me if all is well.

Edward Kofi Louis
Why Aim Your Gun At Me?

Why do you hate me like this? !
What have i done?
Why aim your gun at me?

Edward Kofi Louis
Why Are You Angry?

Life,
Why are you filled with hatred? !
And, to kill your neighbour;
Why are you angry?
For, war is not the answer to peace;
It destroys one another and,
It destroys all of us.
Senseless killings!
Murders;
Hatred and fighting,
These acts will never brings us peace on this earth;
So, let us all stop these wars among us.

Edward Kofi Louis
Why Do You Boast Of Your Evil?

Coat,  
Boat,  
Goat,  
Coast;  
Why do you boast of your evil?  
Illegal lust,  
Your tongue plots destruction!  
In the name of war;  
And, you love evil more than righteous works.

Edward Kofi Louis
Why Do You Look So Sad?

Why do you look so sad, when you are not sick?
Dreadfully,
This is depressing! !
In your distress;
Why do you look so sad, when, you are not sick?

Raid!
Afraid;
But, let me aid you on,
To guide you on! !
With the muse of the truth;
To bring joy to your heart,
Able to be strong once again.

Edward Kofi Louis
Why Is It So?

The wicked muse of life!
On this earth;
With human parts for sale,
But, why is it so?
The muse of the wicked world!
With the evils of the underground world;
And, with allegations.
Came, shame, same, lame!
With corpses;
But, why is it so?
The destroyer!
Of human parts being sold in the world;
With the professionals at hand.

Edward Kofi Louis
Why Is The World Like This?

War! !
Why is the world like this?
Servants of uncleanness!
Servants of unrighteousness,
Servants of winkedness,
Servants of sin;
Which leads to more sin!
With hatred in the heart and mind,
As seen on the earth today.

Edward Kofi Louis
Why Should I Cry On This Issue?

Why should i cry on this issue?
For i am like the bridge across the valley of your love;
But do listen to the sounds of love when you hear my cry.
I have been waiting for this love and i am always closer,
For the rainbow of your love makes me rest my mind;
And you are so beautiful all over.

Edward Kofi Louis
Why Should I Cry?

How could it come so soon?
How could you hurt me so badly?
And of the lonely evenings to stay without you,
For you are now hidden like a lizard.
I cannot share crocodile tears on this love,
Because i spoke the words of wisdom to you;
But like the Trans African Slave Trade,
The news came to me like the sacred python.

Cream of chicken soup,
How long will you be very thick and tasty? !
And why should i cry on this love?
Because she was welcomed to my abode and now She's gone,
But the seat of my love will live forever!
So, why should i cry?

Potential love and sensational acts,
And of a place to visit when love calls;
But to be with the pineapple juice is like the wind of change.
I'm very pleased and very proud of her,
So do extend my greetings to her family members as well;
For she is the one who had hurt me so badly.

Today's fast-paced world,
And today's way of life called love by many;
But, why should i cry?
I thought it was like a lifetime contract but,
Now it is like broken wings of love;
And i still understand why she left me.

Edward Kofi Louis
Why Should I Cry?!

Why should i cry?!
When you are always standing by me;
With the muse of your sweet love.

Edward Kofi Louis
Why Should I Worry?!

Why should i worry?!
because, you hated me for nothing;
No! I won't worry;
because, you have not been taught the peaceful solution.

Led, red!
Slaes and royalties;
Get, let, set, wet!
With toasted bread and roasted chicken.

Kit, bit, sit!
Enjoying your wealth alone;
But, don't Forget the poor.
Life!
With the simple ways of my muse;
Got, not, hot!
Meeting you at 15: 51 Hours.

Fan, man, van!
Why should i worry?
Pen, hen, men!
You hated me with no reason;
Pin, tin!
Affordable;
Gun, sun, pun!
But now, i have to watch my steps in this City.

Edward Kofi Louis
Why Should I.........?

What is okay with your culture is totally a taboo to mine!
So why should i kiss you in the eyes of the public?
Give ear to me when i speak,
For you have to start all over again when you fall;
And the brook dried up because there was no rain.

Edward Kofi Louis
Why Should I....?

You have your wife and,
I do have my wife as well;
So why should I look at the nakedness of your wife?
For this volcano is giving out its fire out of the ice!
And the Dragon and the Dracula are now alert;
So why should I watch the nakedness of your wife?

Edward Kofi Louis
Why Should It Be That Way? !

Why is it so?
Why should it be that way? !
Why are you so wicked? ! !
Seen cutting off the head of your neighbour.

Edward Kofi Louis
Why Should You Die Before Your Time?

Inexplicable circumstances!
Mind bogging,
A pretty little girl is your lover;
But, he who has knowledge is retrained in speech.

The golden bowl!
The silver cord,
The bronze cap;
Why should you die before your time?

The riches of the secret place,
Drop down oh heavens! !
For, the words of the wise are like goads;
But the spirit returns to the One who gave it.

A call for weeping!
But i openly speak of things which are right;
A call for mourning! !
Why should you die before your time?

Wisdom is better than strength!
But a fool multiply words;
Wisdom is better than the weapons of war! !
But, a feast is made for laughter.
So, why should you die before your time?

Edward Kofi Louis
Why Sleep With Somebody's Wife?

Illegal lust!
Putting on dirty eyes and,
To have sex with somebody's wife;
Why? ! !
This leads to the kiss of death.
Illegal lust,
Why sleep with somebody's wife?
And like the barking of the dogs in the land of trouble;
Morals! !
With the psychological functions;
And, with the reflections of your error in this land,
As you slept with your neighbour's wife.

Edward Kofi Louis
Why Stay So Long?

Lust!
Why stay so Long with me?
To waste my time in this land of Trouble.
Lust!
Release me and let me face my Vision;
For, idleness is not part of me.
Conditional, continental!
With the water below it;
But, it was sold to you.
Laziness!
This is not part of my life;
Mail, male!
With the muse of my mind;
But, i am on a Mission to fulfil my dreams.

Edward Kofi Louis
Why, Oh Why? !

You're dressed in Black!
With a gun in your hand;
And, with a motorcycle! !
Not forgetting your Black mask.
Going a´round and killing people withoutn any reason;
Because, you are like a robot and, Satan is in control of you.
Yes, Satan has the remote control to turn you on and off!
And, the only thing in your mind is to kill people without any reason.
Yes, you've built up your mind with, hatred in your heart! !
You do ride your motorcycle around with a gun in your hand;
And, you are dressed in Black with a Black mask on.
Why, oh why? !
Why do you go against race, religion and language?
Why these killings?
Black mask,
Black outfit,
Black Motorcycle;
Why, oh why?

Edward Kofi Louis
Why.............?

The American book of 'why',
The Asian book of 'why',
The European book of 'why',
The African book of 'why',
The Australian book of 'why',
The most asked question in the valley of world events;
Especially when one explodes a bomb!

The Christian book of 'why',
The Muslim book of 'why',
The Jewish book of 'why',
The Hindu book of 'why',
The Krishna book of 'why',
Life is like the yeast which makes the bread rise;
But, the writer always has his or her own mind.

The Pagan book of 'why',
The Buddhist book of 'why',
The Protestant book of 'why',
The Confucian book of 'why',
To all life's aspects with the remaining books of 'why';
Poetry is the literature that muses with the mind.

Shall the trumpet be blown in the city and,
The people will not be afraid?
Seven bulls and seven rams,
I am the planted tree by the rivers of waters.
I am very young in years but,
The word 'why' is the question that goes around easily.

Edward Kofi Louis
Why?

Why can't humanity think? !

Why?

Why are we still fighting in Syria?

Oh humanity! !

Where is the Love in us? !

Of which we were made;

Why?

Edward Kofi Louis
Why?!

You wanted a boby!
But, when you were pregnant,
You aborted the child;
Why?!

Edward Kofi Louis
Wicked Fellow

Wicked fellow,
Going around destroying your neighbours;
Why? !
Why can't you change?
Why can't you paint your heart with love?
For us to live peacefully on earth.

Edward Kofi Louis
Wicked Man

Terror! !
Horror!
A wicked man's wages turn out to be deceitful,
Breaking the mirror of peace;
Death and destruction everywhere.

Edward Kofi Louis
Wicked Man!

Waiting for another act,
Waiting for another day,
In the name of terror! ! !
To kill and destroy.

Edward Kofi Louis
Wicked Person

Wigs,
Pigs! !
The wicked person always digs up evil.

Edward Kofi Louis
Wicked Works

Betrayers and murderers!
Found everywhere on the earth;
With their wicked works.

Edward Kofi Louis
Wickedness

The wickedness of the wicked will be upon their heads,
And the righteousness of the righteous will be upon him or her;
For this world is only ruled by two people,
And there are more problems already.

Edward Kofi Louis
Wickedness

Empty dreams!
Leading you to war than,
Seeking for peace;
Bad advice! !
To pervert justice,
Slanders
Injuries,
Backbiting,
Extortion! ! !
Wickedness,
You’ve robbed and oppressed people continually.

Edward Kofi Louis
Wickedness
With the implications of your action;
Seen everywhere on earth,
Destroying and killing.

Edward Kofi Louis
Wickedness 6

Wicked men and women!
Even children;
Seen all over the world,
Helping the Devil with their Evil works.
Why should we hate others?
Why all these wars around us today?
Where are the laws of righteousness?
Why are we like this today?
With hatred than, with love.

Edward Kofi Louis
Wickedness!  
The courage to do the right thing was not found in you;  
So you killed your neighbour.  

Edward Kofi Louis
Wickedness 11

Does it please you to oppress me?!
Than think twice;
Oh wicked man!
Oh wicked woman,
Oh wicked child;
Seeing the evil works of mankind on earth.

To see what goes around us,
In the name of terrorism.

Edward Kofi Louis
Wickedness

You have no love for mankind;
Killing and destroying everything on your way.

Edward Kofi Louis
Wickedness 4

Wickedness!
You've invented lies so,
You killed your neighbour.

Edward Kofi Louis
Wickedness  5

Wickedness!
Acting corruptly;
A stiff-necked people,
Living among us! !
Here on earth.

Evil!
Sinful thing,
Rebelling against the works of the truth;
With your negative acts.

Edward Kofi Louis
Wickedness  

Wickedness,
War! ! !
Why is the world like this?
With pride and ambition,
Honouring their wicked works than,
Thinking about others! For the peace of the earth.

Edward Kofi Louis
Wickedness  7

The blood on your hands are part of your wickedness!
As you go around killing those you call your enemies.

Edward Kofi Louis

The world is so wicked! !
Why is so?
Because, mankind have thrown away the laws of righteousness.

Edward Kofi Louis

Wickedness! !
Ambitious and arrogant;
Evil works of today,

Brining the gray heads down into the graves in sorrow;
With violent actions.

Edward Kofi Louis

Why have you repaid kindness with evil?
This is an evil thing that you have done;
Destroying the earth with your anger! !

Edward Kofi Louis
Wickedness Of War

Carcases!!
To the birds of the air and,
To the beasts of the earth;
Dead bodies,
With the wickedness of war.

Edward Kofi Louis
Wide!
Wise,
In the wilderness of true love;
But not with a wild life.

Edward Kofi Louis
Wide And Broad!

Opened,
Wide and broad!
Women, omen, men;
And, the women were raped by the men as the sign from the omen.

Opened! !
Very wide and broad;
As seen all over the world,
With women being raped every now and then.

Edward Kofi Louis
Wide Gate

Wide gate! !
To ride in;
Broad is the way that leads to destruction!
So enter into the narrow gate,
The narrow way of the truth,
And live in peace with your neighbours.

Edward Kofi Louis
Wide Open

Wine is a betrayer but,
Your greediness is as wide as the grave!
And like the evening wolves waiting for meat,
But you've set the gate of your love wide open.

There is no healing for your injury!
Because your wound is very severe;
So why wonder about in astonishment? ! !
For your mind is like,
The shower on the grass which waits for no man!

Edward Kofi Louis
Wide Open II

I am like the doors of live which are wide open!
But, if anyone enters through any of these doors of love,
The person will find peace, joy and care;
Under the positive morals of the laws,
Leading and directing the ways of life.

Edward Kofi Louis
Wide Opened

To dissolve,
To resolve,
To solve,
To come to pass;
With the muse of the tent of your love wide opened!
As others stood in awe and watched.
A compositor,
A singer,
A song writer,
A professional lady,
A professional man,
Between you and i with the muse of life;
Because, your tent of love now lies wide opened.

Edward Kofi Louis
Wide Opened!

The doors are now wide opened!
So, you can easily enter in;
But, do watch your steps around.

This world,
This muse,
This love,
This act;
But, there are rules to everything on this earth,
So, watch your steps before you enter in.

Edward Kofi Louis
Wideness

Wilderness! !
Wireless,
Wideness,
Thickness,
Broadness,

With the muse of the forest;
Slope,
Scope, cope!
Extent,
Attitude,
Amplitude,
Servitude,
Gratitude.

Edward Kofi Louis
Widow

Lovely as the cloud and gently as the night,
And you wandered about seeking for love;
But like a widow gathering sticks,
Today is the day that you will find a lover so dear to your heart.

The signs up there have declared your name to me,
And like the muse of your love so sought out in the bush!
But lovely as the cloud, i have laid my bed so gently for you.

Edward Kofi Louis
Wie Alt Sind Sie?

Wie alt sind Sie?
Zwischen uns;
Wenn du mich nicht nimmst,
Wird es jemand anders tun.
Die Frauen!
Von Alter her zwischen 20 und 40;
Aber, Therapie von Rüchenschmerzen ist Bewegung!
Der gesunde Weg,
Die Männer!
Von Alter her zwischen 40 und 60;
Aber, Therapie von Rüchenschmerzen ist Bewegung!
Du bist 14 Jahre älter als ich,

Aber, der Vater meine Kinder sollte mein Ehemann sein.

Edward Kofi Louis

'Sandy Hook School',
Sandy-Hook-Grundschule;
In Newtown,
Unfassbar! !
Traurig,
Ein 20-Jähriger (Adam Lanza) 20 Kinder erschossen.

Edward Kofi Louis
Wiesel

Wiesel, we, see!
To see the acts of mankind on earth;

Side,
Inside,
Of things to come;

We are all human beings! 

In,
Inside,
To ask questions;

Where we came from,
And where we are heading towards.

Out,
Outside!
Like the outsider;

With things seen and, things to come.

This world!
With the history of mankind;

Breaking News!
And Cain killed Abel;

Breaking Point!
We still kill each other today.

Edward Kofi Louis
Wilander

Deep calls to deep in aroar of your waterfalls and,
Love calls to love in the sound of your lovely heart;
But Wilander is my lover so sweet,
And we will always walk around together like our shadows so seen by all.

Edward Kofi Louis
Wilbeforce

Wilbeforce, be, for, or, before, force, file, coil, ceil, bile, core, ore, reo, roe, foe, woe!
With the muse of the corruption in the land of trouble;
As one works very hard to combat fraud.

Determination!
Constitutional rights;
Referred to the matters of the land.

Bureaucracy! !
Not to make any further comment;
Knowing what goes on exactly in this land of trouble.

Edward Kofi Louis

Dreams of life,
Always be there and defend the truth;
Muse, fuse, use, defuse!
Do your best in life and,
Seek for peace always.

Wild berry!
Empowerment;
With a potent force and, the contributions of your mind.

You can win!
I can win;
Feelings of fresh life,
On life's own journey to find the truth.

Supplements,
Nutritional,
Healthcare;
Affordable with the quality of your life on this earth.

Edward Kofi Louis
Wild Eagle!

Flying about in the air;
Looking for a prey.
The muse of life!
Like the wild notes of a man's folly;
Life!
To get the answers to all questions.

Wild eagle in the air!
With eyes very wide on a prey;
Life!
Nature has its own plans;
but, we keep on destroying the systems of the plans.

Muse!
To curl up with love;
And, with the beauty of peace.
Life!
Nature strikes back;
For, mankind is not ready to obey the laws.

Edward Kofi Louis
Wild Flower

Wild love!
Wild flower;
To the lower,
Part of your body.
Spot, pot!
Wild love.

Edward Kofi Louis
Wild Flowers

Petals,
Peony,
Abstract,
Primitive!
With ideas,
With inspirations;
The moment before and,
The moment after the act.
Wild flowers!
Love,
Like the map of the world;
With a kiss under the rain.

Edward Kofi Louis
Wild Flowers!

Wild flowers!
In the city of love;
Wild flowers!
At the place of love;
But please, don't postpone it once again.

Let it be today and,
Le me know you better;
And like a house and a new beginning.

Wild flowers!
Why won't you stay tonight!
For, i am still waiting for the next train;
And like riches from my oil.

Homage!
The different river;
In the city of gold.
Circles and squares!
In the city of diamonds;
And like the success story in the land of your muse.

Wild flowers!
With the light within;
But, i am Cinderella and,
You are all that i need tonight.

Edward Kofi Louis
Wild Goats

Rock of escaping goats,
Your own eyes have seen this day;
But understand and perceive the muse of my love.

From evil doers comes evil deeds,
But i will pay homage to the things which are right;
And like the crags of the wild goats.

Give me a special blessing and let me love you,
Give me a special love and let me guide you,
Give me a special care and let me be with you always;
And she became the trap for him who was asleep.

On the crag of the wild goats,
Do love yourself first before loving me;
For you can't love others by hating yourself.

Rock of escaping goats,
I am a poor man and little known by you;
But my mind is faster than the bullets of war!

To the son-in-law of the king,
And to the daughter-in-law of the queen;
This is the time that i am free from war,
And like the rock of escaping goats.

Whose son is this boy?
Whose daughter is this girl?
Whose husband is this man?
Whose wife is this woman?
On the cage of the wild goast to take a rest;
But this is the day that Yahweh spoke of.

Edward Kofi Louis
Wild Life!

Wild life!
Wild fire! !
You could have been the one for me;
But now, you are gone in the thin air.

Country men,
Country women,
Let me help you and show you how it works!
For, what is left behind by the cat is now,
Being eaten by the mouse!

Let me show you how it works!
And like a shining star around you;
Because, death in not negotiable! !
And, the wild fire came in and took them away.

Edward Kofi Louis

Just,
Cream,
Smart,
Styling;
And, like the effect of the muse of your love.

Edward Kofi Louis
Wilderness

Wilderness, wild, dress, deer, reeds, seeds, needs, in, dine, weeds, din, lines;
But to foretell the future belongs to the Creator! !
For we have all sinned and have come short of His Glory.

Wilderness, sine, wide, lesser, sin, is, less, red, den, led, wine, win, wise, rises;
We have to respect the way we live on this earth!
For there are laws and regulations;
But the future is always for the Creator.

Edward Kofi Louis
Wildest Dreams

Deep,
In sleep;
Dreams,
With the sounds of silence.
Deep dreams!
With best dreams,
Asleep;
With your wildest dreams.

Edward Kofi Louis
Wiles

Wiles, is, lie, lies!
Fiery darts,
In them;
With the muse of the wicked ones around us today.

Channels,
Eroded soil!
According to the eye witness;
But, you are now haggard and tired.

The activities of the sect!
The source;
Confirming the claim,
With the muse of the wicked ones around us today.

Names and ranks!
But, i do see what you see in your land;
Hunt, manhunt!
But, what i know is not what you know;
Finding the solutions of the problems at hand.

Edward Kofi Louis
Wilfried

This is my lover in action!
But your life clearly tells who you are;
And like a thick black pillar of smoke!
But go and watch where Wilfried lives,
Because he belongs to you only!

Edward Kofi Louis
Wilfully

Life and peace!
To be spiritually minded;
And, to follow after the laws,
With the muse of the truth.

Adoption,
Obligation,
Wilfully;
In the name of love,
Leading to peace and joy.

The muse of life,
To hope for what you do not see;
And, eagerly waiting for it,
With the muse of the future ahead of you.

Edward Kofi Louis
Will

Will,
Common sense,
Wisdom!
But, who knows tomorrow?

Edward Kofi Louis
Will 2

Will!
Fill,
Bill,
Still;
But, put away all filthiness and wickedness! !
And be saved;
With meekness,
With righteousness,
With love,
With the truth,
Able to save your soul.

Edward Kofi Louis
Will, Twill!

Illegal lust!
The point of wilful sin;
Will, twill!
With your acts as seen by the villagers.

Turn, turnip!
Along the way,
As, it is expedient! !
But, without the word of truth.

Lust!
Enveloping you into sin;
Like, a sinking boat in rough seas.

Rift, adrift!
With the muse of your illegal lust;
Drift, adrift!
Inaccurate with your mind;
As you follow the masses in doing evil.

Edward Kofi Louis
Willi Brown

Your Uncle was too wise in his own eyes and,
Today you are poorer than ever!
But, try to be wiser always on this love.

Bury him here because he was a King's son,
Bury her here because she was a Queen's daughter,
For you are facing the traps of your own Uncle.

Willi Brown, of the songs of the birds that you are yet to understand;
But, i am now richer than ever! ! !

Edward Kofi Louis
William

The vulture flew again and,
Your love is like 'the Ark of the Covenant';
But i will always follow your laws.

It was right in the eyes of the people and to love you,
Bringing food on donkeys, camels, mules and oxen;
For, i will always love you.

Edward Kofi Louis
'Will-I-Am'

'Will-i-am',
I am for you my sweet William;
For you are very handsome and tantalizing.

Morning glory,
The hope of my dream is now fulfilled;
And William is my lover so sweet.

Our wonderful world and its wonderful muse,
'Will-i-am'! !
And you are the one for my dear heart.

Edward Kofi Louis
Williams

Oh my sweet Williams,
People really do not have the knowledge of their own true selves;
But i am the editor of your love on this side of the river,
For the quest for the right self-perception is allusive to mankind.
I have to know the right person to my heart and of my dreams,
And i will always be with you my sweet Williams;
For people really do not have the knowledge of their own true selves.

Edward Kofi Louis
Willie

8 wheels and 6 wheels,
Crown my love with care and let me stay with you;
Because that also pertains to your muse!

This is like one of my poems,
And this is like one of my works;
But Willie is my name and i know my ways around!
All the same, it wasn't my fault to make love to you.

Edward Kofi Louis
Willing And Obedient

The muse of life and the muse of love,
Learn to do righteousness;
Seek judgement! !
With the muse of the truth.

True love,
As white as wool;
Joy!
As white as snow;
Willing and obedient.

Love,
To eat the fruit of the land;
Reason with the truth!
Together with kindness,
Humility is the key.

Edward Kofi Louis
Willingly

Willingly and humbly,
Let your love shine over me;
And respond to what you are taught by the right people on this earth,
Because my sweet heart is for you only!

Edward Kofi Louis
Willo!

Telescope, scope, cope, microscope;
Conscious,
Willo!
She's out still in the snow alone;
Willo, Will, ill, oil, will;
So often and so long!
And like a satellite orbiting Mars.

Surface, face, ace, trace, race, brace;
Subconscious,
Very serious!
Obvious;
Tail, tale!
With comments and suggestions.

Trail, trial!
Like love's Red Carpet;
Light, delight!
To unite more people;
But, free! ! If need be.

Edward Kofi Louis
Willows

They will spring up among the grass,
And like willows by the water courses;
But let me lead you on to the land of love.

Edward Kofi Louis
Wills

I will speak excellent things and,
I will open up my mouth with the right things of love;
And with carefulness and common-sense!
For my sweet name is called Wills.

I will speak the truth always,
For wickedness is an abomination to my lips!
And like the muse of your love in the land of many waters;
But, i am Wills with the positive mind of life.

Edward Kofi Louis
Wilson

Facing the mountain of love,
I am Wilson and i want to taste your sweet muse;
But the customs of your people have hindered my move,
All the same i will never give up.

Edward Kofi Louis
Wilson II

Wilson, son, win, won, on, in, low, slow, ion, ions, iol soil, sin;
Mediocre!
To ply your trade,
In this land with mocking and raining insults of your neighbours.

A professional job,
Quizzed!
Being embarrassed terribly;
With the muse of your offence.

Hour, our!
Urged;
Per information surrounding the event,
And, with enquires to get to the root of the mystery in the land.

With the view.

Edward Kofi Louis
Win A Prize

Run the race and win a prize,
For the food is for the stomach and the stomach is for food;
But i will live on always to see you grow.

Slow, glow, blow, flow;
That which was empty is now full,
But he who joins himself to a prostitute is in one body with her.

Edward Kofi Louis
Win, Wink!

Win, wink!
Ware,
Aware,
Bare,
Awareness.

Edward Kofi Louis
Win, Winnable!

I tis the same size and,
It will fit in well;
Win, winnable!
And for the official records;
But, i am now walking on the red carpet.
Holiday on the ice!
Movement lies in anture;
Part, partnership!
On the red carpet,
Like B-Man and G-Woman!
With November blues;
But, drinking the black tea.
Black magic!
Healing,
But, maybe you missed the flight.
G-Man and B-Woman!
You are in love and,
That is why you are behaving that way;
And like the red light seen around you.

Edward Kofi Louis

Lust!
With the muse of the land;
Win, winnows!
But, a wise king winnows out the wicked.
Bale, baleful!
With the muse of the land;
But, your vision is tossed by the waves of the sea.

Life!
Living on with your secret lovers;
Like the muse of the eagle! !
With the tears of love,
But, a wise king winnows out the wicked.

Telling me about yourself;
And, with the muse of your land.

Edward Kofi Louis
Wincees

Wincees, in, see, win, sine, wine, cine, seen, wins!
With the muse of a lovely dog in the land of the living;
Loved by its owner to respect the ways of life,
And, with the joy of nature.

'Wincees'! ! Was the name of the dog who won the hearts of many;
Of the very people around,
Having eight puppies to play around with; and to care for them.
'Wincees' is a name to the world so sweet! !
With its owner taking care of this beautiful dog and the eight puppies.

Finally, after many years of being around, the dog died;
Sad News! ! Yes, death came around and took thew dog away.
Life and death, knowing what we are about to face when, one is born;
As the people around mourned for the dog.

For the muse of his life is all about women,
And he cannot do without them! !

This is like the works of love across his lovers,
And like the beautiful flowers of love!
But everything was made to satisfy him,
Because his life is well noted in this village! !

Edward Kofi Louis
Wine And Pine

Dine,
Fine,
Wine and pine!
With the muse of your dish.

Edward Kofi Louis
Wine Fields

Wine fields,
Searching for you with my lovely heart;

Fine, dine!
But, do remember me;

Because i'm in love,
And i am still searching for you.

Wine fields of peace and love!
With the joy of your heart;

Still searching for you,
With the joy of my heart as well.

Time,
With the romance of nature;

The wine fields!
With the aroma of life;

Still searching for you,
Because i'm in love with you.

Edward Kofi Louis
Wine Mingled With Myrrh

Wine mingled with myrrh,
Peace is taken away! !
Along with care;
Gladness is taken away! !
Along with joy;
But the righteous will live forever!

The veil is torn into two!
But the wicked will be destroyed day;

Conducts!
Conducts of life;
Why reap where you have not sown?

Outer darkness! !
One from another;
But your speech gives you away.

A cloud of smoke by day anf,
A flaming fire by night!
Along the route of the Red Sea.

A woker,
Doing what is right,
Like a sweet smell!
We need peace on earth than war.

Edward Kofi Louis
Wine, Entwine!

Wine, entwine!
Fine with your heart;
To dine with your lover,
Able to enjoy the muse of life,
In your land.

Edward Kofi Louis
Winebibber

Bits and pieces,
To get deeper into it!
Bit, it was hidden at first;
And now, it is actually telling on you.

Winebibber, we wee, rib, be, bib, in, Ben;
But try to go over there to pay your taxes!
For, you are part of the solution over here in this town.

Pairs, repairs, stairs, chairs, hairs, fairs, lairs;
And like the great City divided into three parts!
But, this act of yours is now telling on you.

Winebibber, wine, brew, new, beer, win, Webb!
But to get deeper with your acts;
For, you are always seen in the dark hanging around with girls.

Winebibber, bee, were, bribe, web, rein, been;
With the acts of your hands to catch up many eyes! !
But, this act of yours is now telling on you.

Edward Kofi Louis
Winfred

Metaphysical sciences,
Thanks to you for enlightening me with your love;
Heredity,
Take care of my muse and lead me home;
For you are Winfred from the land of my joy!
And i do love you.

Edward Kofi Louis
Wingless Angels

Oh what a joy! !
It is rippled enough to be entered;
But are you matured enough to taste my love? !
For the closed doors of love are now opened.

You always want it closed so take care of it,
I always want it opened so take care of me;
For a sweet song is a sweet song!
And like the Wingless Angels around my love.

Oh what a joy! !
A nice kiss is a nice kiss,
And a nice look is a nice look!
But i have the Weingless Angels around me,
And like a beautiful lady and a handsome man.

Edward Kofi Louis
Wings

North wing!
Ways ahead;

South wing!
Creating;

East wing!
Moonlighting;

West wing!
Creative minds;

Amazing!
With the frame of your fame;

In your land,
Touching the hearts of many.

Edward Kofi Louis
Wings Of Love

Here it is!
Here she is,
Here he is;
To spread the wings of love! !
With the beauty of the truth.

Edward Kofi Louis
Wings, Flings!

Wings, flings!
It's real;
Root,
Route,
Great Power! !
Along the path of sweet love.
Mars, marsh!
With the feelings of the universe;
And, the respect of nature.

Edward Kofi Louis
Wink

Thigh,
Sigh,
High!
Think,
Pink,
Wink,
Eyes.

Edward Kofi Louis
Wink, Ink!

Wink, ink!
He left no footsteps;

Some things are not original;
But, they look like the original works.

Artistry,
She left no footsteps;

Arum lily! !
To tell you a story;

Fresh tube!
With a cube of brown sugar.

Edward Kofi Louis
Winneba Lady

There she was and there i was,
But, i was shocked to my bones! !
For, she dropped the bombshell on me;
I fell down like a piece of paper,
And our marriage plans want into the limbo.

Infact! ! This world is full of mysteries;
However, she received all the items i gave her.

I came in peace but, i left in pieces;
I came with joy but, i left with sadness;
And it was easily said out of her mouth,
It was all over.

Was this really the lady i loved? !
Was this really the lady i helped? !
Now our marriage plans are in the limbo.

One day i will tell my story in full,
Once a soldier, always a soldier! !
However, this 'Winneba Lady' had torn my life into pieces.

It was like the comedy of one's life,
Step by step! !
With the muse of sweet love;
To live today and, to die tomorrow!
However, history will always recall this day back to her.

Edward Kofi Louis
Winneba Road

Bap, cap!
At Winneba road in the Central Region of Ghana;
Own, clown!
Of a valley in red;
But, with the golden entrance.
Car, carouse!
Of the grand entrance in the land of your muse;
Card, cardboard!
At Winneba Road in the Central Region of Ghana;
Board, cardboard!
With the rivers of love.
The attributes of gold!
The attributes of love;
Middle, twiddle!
47 years after.
Switch, twitch!
But, the wounds have not been healed because,
The scars still remain.

Edward Kofi Louis
Winner

Waiting for the winner last night,
In the light standing and clapping my hands;
To face the real games of life!
And, to be a winner as well after the race.

The sight of a lovely flower!
With letters of love to the winner;
Zapping out along to win a prize,
Knowing that, a winner never quits.

Prize, price, prise!
Until the mission is fulfilled;
Of higher expectations to win at last,
You are a winner! !
I am a winner,
We are all winners.

Edward Kofi Louis
Winners And Losers!

Winners And losers!
All over the world,
And for the first time;
Attempts! !
Sections,
Frameworks,
withdrawals and stabilisations!
Winners and losers,
Seen all over the world;
With the stories of mankind.

Edward Kofi Louis
Winners And Runners-Up

To the first runners-up,
My ears are small and soft;

To the winners,
My mouth is round and sweet;

To the second runners-up,
My eyes are narrow and very sharp!

Wisdom is what I bring to you;
Beautiful as you are, and very clean to be.

For glory! !
In the land;

To the modern world,
With a curly hair to see around;

Long and beautiful,
My mind is wider and broader.

To the beauty contest,
My nose is longer and shallower than you think;

Arrow, narrow!
In the beginning was the PLAN;

Wisdom is what you need on this earth,
However, true-love is sweeter than sugar.

Sports men and women,
Wisdom is what you people need;

In the world of games! !
Physical and spiritual;

Exposing yourselves to win a medal,
In the name of sports.
Edward Kofi Louis
Winona

Winona, win, won, own, on, no, in, Inn, an, Ann, now;
Main tower,
Main flower,
Main power! !
In Downtown Abbey;
But, it only took 20 minutes in this game with your love.

Edward Kofi Louis
Winslow

Winslow, win, slow, now, low, in, so, won, no, on, sin, wow!
And like Lanna's Dreams in the land of sweet love;
But the muse of your sweet love is like the colours of the rainbow.

Edward Kofi Louis
Winston

Forts and towers,
The assurance of your love is in the eating!
But your peaceful habitations are like the game of love.

I have been waiting for you and,
I know that you care;
But Winston is with you in the room,
And like a measuring line in the land of your muse.

Edward Kofi Louis
Winter Blues

Winter's love,
Winter Blues,
Blue, blues!
Winter love,
Winter blues;
I will be there for you.
Winter blues! !
In love;
With your muse,
With your mind,
And, with your act.
Contemporary,
Action!
Extra;
With your sweet love,
Dish, fish!
And, with updates from your free service.

Edward Kofi Louis
Winter In The Artic

There is winter in the Artic and,
I do mix up daily with people around to learn a lot;
But loaded with excitements in the muse of your lov,
And playing with the cunning tricks of the sky-line is my muse.
I have exaggerated figures in my mind to share with you,
And like the cold of the Artic to win your love;
But as cordial as my sheep in the land of my muse is your love,
For the winter in the Artic is all that you are used to.

Edward Kofi Louis
Winter Man

Behold! I bring you the best of the tidings of my joy;
Snow flakes, snow flakes, my winter man is here! !
And like Paul’s own mission to the North,
But, this gift of love is from the White Mountain.

Behold! I bring your the best of the tidings of my joy;
Because, the stat is shining from the east and,
I have my love on you.
Hold, behold!
With the atmosphere as dear as a picture;
Lakes, flakes!
With the muse of your love as white as the snow;
But, i am now going out with the skyline of love.

You are the dream of my lifetime! !
So, do not go away too soon; oh! my winter man;
Preaching along with the sweet muse of love,
With beautiful creatures along the land to see!
But, the rain and snow do fall on me like a dream.

Edward Kofi Louis
Winter Storm!

The power of love and the power of music,
The power of romance and the power of emotion,
The power of stress and the power of passion,
The self-knowledge of our being's end and arms;
But this muse is like the winter storm!

The deserted village and the love of a country,
The last rose of the summer is here for you and me;
But sin and death is man's own history.

An oration over a dead body is like the kings at war!
And of the things to remember when your love leaves you;
For in September last year i was in Australia with my lover.

The wine-cup and the old clock on the stairs,
Open the window and let me remember the past;
But do try again when you missed the first attempt.

Sweet harmony and sweet love,
The quality of my mercy is not yet strained;
So blessed is hime who have and do give some to others,
For the power of love is at times like the winter storm!

How sweet the moonlight sleeps upon this bank,
For mercy is upon this sceptre sway;
And of such harmony and such love shared with,
The passion and the romance of the things around!

This winter storm is always arouns us and,
It creeps in like a snail learning how to walk in nature's ways;
But the watchful minutes of the hour is all about you and me!
For the muse of love has taken us that far.

Edward Kofi Louis
Winter Time

Now the day is over,
So park your tools and come to me;
For the winter time is near.

Edward Kofi Louis
Winter!

Winter!
With the muse of the cold;  
Now with your lover, 
Seeing an old man walking through the snow.

Edward Kofi Louis
Winter's Warmth

Winter's warmth,
Winter's love,
By the fire side,
Romantic!
With the secrets of life;
Scene!
Golden,
Winter's warmth,
Winter's love,
With the spirit of peace.
Nature's muse,
With the soft strokes of life;
Snowfalls!
Winter,
Winter's warmth,
Winter's love,
By the fire side.

Edward Kofi Louis
Winthrop

Winthrop, row, throw, hop, rip, tow, hint, prow, now, pint, print;
But be very thankful to the Creator always for being alive! !
And, always follow the narrow path to the truth.
Winthrop, top, win, won, on, no, in, tin, pot, hit, ton, not, pit;
A moment,
A minute,
And of the very ways of life!
But, be very thankful to the Creator always for His Laws! !
And like the way of love in the land of your muse;
Because, i an now in the Island of Sicily.

Edward Kofi Louis
Wintour

Rejoice and do the right thing while you live,
For the carnal mind is like the mortal beast!
And i am here with Wintour my lover to meet you,
Because two are better than one on this issue.

Edward Kofi Louis
Wipe Out The Bad Memories

Wipe out the bad memories out of your mind and move on with your life,
And let me kiss your lips with the care of your muse that muses!
For i am from the royal descent of love and,
I am here to love you for who you are.

Edward Kofi Louis
Ideological leader,
I am Wirtz and i have a story for you;
But it will take only 20 minutes to touch your heart!
For the windows of heaven are now opened to pour out the rain.

Cover your grains from the rains my love!
And train your children to gain wisdom on this earth;
For your love to me is now like a hidden treasure,
But i am Wirtz and i have a story for you.

Edward Kofi Louis
Wiry

Wiry,
Washable;
But, doors are always closed before me in life!
From left and right;
However, i do await for a new opening.

Edward Kofi Louis
Wisdom

Wisdom is better than gold and,
Understanding is better than silver;
But he who is slow to anger is better than a warrior!

Knowledge is better than bronze and,
It is like an invisible wall with a gate;
For i am in the innermost being to write this muse,
And you are intoxicated with the joy of my love.

I have the pleasant words to heal your bones but,
He who is slow to anger is better than a warrior!
And i will live all day and to love you.

Wheat, barley and love;
The head to the east and the legs to the west,
For a sound body needs a sound mind.
Wisdom lies with prudence and,
Wisdom is in the company of knowledge and intelligence!
But he who is quick-tempered acts foolishly.

A window to the north and the head to the south,
Of the merry heart that lights up the face;
But a wise man makes his father glad.

Edward Kofi Louis
A fool speaks vanity and breaks the Law!

The ways of a foolish person are always right in his or her own eyes;

But, a person who speaks the truth declares righteousness.

Edward Kofi Louis
Wisdom 2

Hands of love,
Hands of peace;
Sharing wisdom with each other.

Edward Kofi Louis
Wisdom 3

Wisdom!
To the meditations of the hearts in love;
Understanding the ways of life,
With positive morals.

Edward Kofi Louis
Wisdom 4

Wisdom is better than hatred and war!
Wisdom is better than sweet wine,
Wisdom is better than silver and gold!
So, let us search for the truth and live in peace with our neighbours;
The earth needs peace than war.

Edward Kofi Louis
Glorious things are spoken of you,
Oh wisdom!
Teaching others with the muse of the truth.

Edward Kofi Louis
Wisdom And Prudence

I am Wisdom and I live with Prudence,
So listen to me my love for I do speak excellent things;
And my plea is directed to all mankind who need love.
Hypocrites only conceive trouble and pain,
And only give birth to vanity!
But your golden triangle of love should be kept in peace,
For your love to me is like a dream come true.

Edward Kofi Louis
Wisdom And Understanding

The occasion to rejoice! !
With the works of the truth;
To back it up with wisdom and understanding,
Going along righteous paths.

Edward Kofi Louis
Wisdom Is Above Faculty

College,
Knowledge!
But, imagination if more important than knowledge.
College,
Knowledge!
But, not everyone who passes through it get wisdom and understanding;
Because, wisdom is above faculty.
College,
Philosophy,
Knowledge,
Understanding,
Wisdom! !
But, without philosophy, there is no faculty.

Edward Kofi Louis
Wisdom Is Power!

Wisdom is power!
So, seek for wisdom and live in peace with your neighbours;
Deep in your heart with positive morals,
In your inner-self,
With the muse of life,
With the muse of the truth,
Moving on with righteous works.

Edward Kofi Louis
Wisdom Makes You Smile Always.

The peace of your mind and the love of your muse,
For, a better reputation is better than an expensive perfume!
Born on earth,
But, death awaits us all.

Wisdom makes your frowns disappear! !
However, there is time for everything on this earth.

Exotic! ! !
With the romance of love to share with;
When true love is beside you.

Stage, sage!
To be on the podium with your muse;
However, eat and enjoy what you earn on earth.

Sorrow sharpens your understanding!
Like patience;
It is better than pride,
And, wisdom makes you smile always.

Edward Kofi Louis
Wisdom Teaches

Wisdom teaches and touches the heart with moral values!
But your garden is in the valley between the hills;
Waiting for the calmness of the romance of nature.

Edward Kofi Louis
Wisdom That Our Fathers Knew

Wisdom that our fathers knew!
Everything we are looking for in life relates to us;
Silence is golden,
Imagination is perfect! !
With the colours of true love.

As simple as possible with the words of wisdom!
To educate your mind with the truth;
But the mouse is always satisfied in the house!
Without being caught.

Blameless,
Boundless Energy!
With the muse of the earth's Gravity;
However, let your voice be heard on this love! !
In this life,
Together with your works and your words;
And to make the right choice in life.

Edward Kofi Louis
Wisdom!

Send me to the house of righteous teachers and,
Let them judge me with love;
Than being judged in the house of hatred!

Edward Kofi Louis

Arise;

Going through life in may ways,
But, with hope and direction.

Edward Kofi Louis

Fantastic numerals combined with wise words,
And of your brilliant wisdom in the land of your muse;
But your love to me is like a flowing stream,
And i will live on to respect you always.

Your raised me high with your love that i could touch the sky!
And like news around the world with the muse of love;
But the news of this world is like the echoes of your love! !
And like walking through the rain with you beside me,
For the state of your mind is always with the muse of joy.

Edward Kofi Louis
Wise Words Of Wisdom

Wise words of wisdom:

There is no truth in evil works!

So, let love reward you with the works of the truth.

Control your mind with the works of righteousness and live;

Strengthen yourself with the knowledge of the truth,

Build your life on the foundation of the truth and, live in peace with your neighbours!

Let your character speak to the world! But, in a positive way;

Because, the way you think and act tells the world who you are.

The truth is very plain and simple! But, only the wise understand the ways of the truth.

Edward Kofi Louis
Wise, Crosswise!

Love,
With her;
Love,
You were up to the challenge and you did it;
With her.

With her.

Doing righteousness and, never falling.

To feel this joy and, to be here with me;
just to listen and to learn from the truth always.

Edward Kofi Louis
Wise-Men

Ha-ha-ha-ha-ha! You better learn the laws and be free!
For the ticket to Heaven is to follow the laws.

The laws were made for our learning and,
Mankind need to follow them to gain Heaven!
For the Wise-Men followed the laws too and they met the Star.

Edward Kofi Louis
Wit, Writ, Write!

Conscientious scholars,
Wit, writ, write!
With roads and inroads,
Lift up the works of the truth and, let us see the light;
Attitude, gratitude!
With servitude;
For the peace of the land.
The muse of life,
To demand the truth and, to obey the laws of righteousness;
Because, the strength of life is with love!
So, let your heart be like a lovely blooming Red Rose,
To touch the hearts of many with the aroma of your positive works.

With trusted aides;
Love,
Meeting you always at the common place.

Edward Kofi Louis
With You  2

Sex!
With you;
But, at the right time when,
You want it.

Edward Kofi Louis
With You And Me

It's me,
It's you,
It's us;
Love and dreams!
With you and me.

Edward Kofi Louis
With Your Choice

The noise! !
With your choice;
To hear your voice!
Echoes of your dream;
Your life,
Your works,
Here in the land,
The noise!
To hear your voice.

Edward Kofi Louis
With Your Cylinder

Cylinder!
See Lynda;
The world will always welcome you as time goes by.
Soft and thick!
Safe and peaceful;
Erotic star!
Caution;
But, the world will always welcome you.
Host, honest!
Doing what is right than following the dictates of the world;
Small mouth,
Small and sweet!
But, try to see Lynda with your cylinder.

Edward Kofi Louis
With Your Kindness

Tree!
Free breeze;

Life,
Love;

See,
Sea;

Shape,
Cape;

Liver! !
Like a river;

Past,
Cast;

Call,
All;

Mask,
Ask;

Bee!
Freedom;

To persuade me with your love,
And, with your kindness.

Edward Kofi Louis
With Your Knife

What is life? !
Have you killed your wife?
With your knife,
Because she went off the line;
Then, you are not wise.

Edward Kofi Louis
With Your Love

I am soaked in the rain and,
I am feeling very cold;
So come and warm me with your love.

Edward Kofi Louis
With Your Love  2

Sing,
Oh King!
The thing with your love;

Wind,
Wing!
To swing along.

Change and desire! !
I know your choice with your voice;
Sing,
Oh King!

Edward Kofi Louis
With Your Love  2

Old,
Hold,
Cold,
Behold! !
Gold,
Fold,
Sold;
With your love,
As the story was told to us.

Edward Kofi Louis
With Your Love  3

Fore!
Before,
For four,
With your love,
Therefore in the act! !
To bring forth your joy.

Edward Kofi Louis
With Your Love Affairs

Muse!
With your love affairs;
Muse!
With the beauty of today in your hands;
Image, imagery!
With the ways of your life;
Love!
To know a man today;
Of a kind lover.

Muse!
Of the contest,
Splendid! !
To know a woman today;
Of a kind lover.
Love!
You can't take off your eyes on her.

Black Sea!
White Sea,
Red Sea;
With letters of love,
And like the muse of the man who plants the seeds.

Edward Kofi Louis
With Your Muse

Word,
Work,
World;
With your Muse,
Whenever in your land.

Edward Kofi Louis
With Your Opinion

Anion,
Amnion,
Ion,
Not the lion!
Onion,
With your opinion;
Arise!
Anise;
Seed, weed, need, deed, heed, indeed!
Aniseed,
With a loop! !
Instead of your arm.
The item,
The anthem,
With the muse of life!
Like the hard coal that burns with little flame and smoke.

Edward Kofi Louis
With Your Own Mind And Body

Lust!
It occurred to you and,
It is going to occur once again;
With your own mind and Body.
Lust!
It starts with the mind;
Lust!
Smart in the ways of the world;
Lust!
It is controlled by your mind.

Edward Kofi Louis
With Your Present Age

The old gate licks!
Attitude,
From the earth;
Clicks,
Solitude!
Servitude,
Gratitude;
Picks, sticks!
Years have now turned your dark hair gray;
With your present age.

Edward Kofi Louis
With Your Speech

Something,
Words!
With your speech;
In the presence of the people.

Edward Kofi Louis
With Your Sweet Love

Ever in love,
Forever with your mind,
Whenever time calls,
Whatever your friend says,
Wherever the light shines!
Together with your sweet love.

Edward Kofi Louis
With Your Vocation

Love,
Very attractive;
In the land of your muse,
With your vocation.

Love!
Unique mind,
Sound thoughts;
With the romance of your works.

Love,
Touching the hearts of many;
With your style and,
With the peace of your mind.

Edward Kofi Louis
With Your Wealth

Affluence!
With your wealth;

Characterized,
With your style;

Honorably,
With your love;

Act, auction!
From humble beginning;

To where you are today,
With your status.

Edward Kofi Louis
With Your Will

Fill!
Still,
Till,
With your will,
The bill! !
With no pill;
Coming down from the hill.
Mill,
Grill,
Trill,
Thrill! !
But, with your will.

Edward Kofi Louis
With Your Wonderful Works

A brilliant mind!
Mentally,
Full of attention,
Higher! !
With the muse of the magic box;
And with your wonderful works.

Edward Kofi Louis
With Your Works

Of what seen with your works,
Silence is the answer to a fool!
Able to seek for peace than war.

Edward Kofi Louis
Withdrawal

Amount,
Eventual,
Habitation,
Allegedly,
Damaged!
And to repair parts of your past;
But this will take a very long time!

Bequeathed,
Public kitty,
Disuse,
Withdrawal,
Portfolio! 
And like the enveloped North American consumers;
But the world's shadow economy is like your past,
So wake up to the facts and learn to do the right things always.

Edward Kofi Louis
Withdrawal  Ii

Withdrawal, rail, wail, it had, hit, rid, wit, hail, dial, daw, with, liar, law!
Drug trafficking is killing many and making others rich;
But, is mankind ready to stop this act? ! !
Then think twice before you fall a victim,
And it is better to save a life than to destroy it.

Withdrawal, award, ward, lit, lid, hard, hat, raid, aid, tail had, raw, war!
With your gain in drug trafficking;
But, remember all the souls that you've destroyed,
And it is better to save a life that to destroy it!
For, judgement comes soon.

Edward Kofi Louis
Wither

The valley of your love!
To flow like milk,
To flow like wine,
To flow like blood,
To flow like water!
And like the home of pleasure;
With lofty height.

Eight, height, weight, freight!
And like a judicial process;
Wither,
Sledges,
Edges,
Hedges,
Cows,
Maps,
But you are weighed down with negative acts.

Edward Kofi Louis
Withers

The flowers falls and the grass withers away,
But my home is about a stone's thrown from yours;
And, your love has blindfolded me.

Edward Kofi Louis
Within

Hopeful dreams of love,
To discover true love within the muse of your heart;
Because, the beauty of love is from your lovely heart,
And, to face life with the joy of your heart.

Edward Kofi Louis
Within

In!
Within,
Within you,
Your inner self,
Search for the ways of the truth.

Edward Kofi Louis
Within It

In,
With it,
Within it,
Securely,
Lighter! !
Enquired,
In place,
before and after;
Acquired!
In position,
Soaked! !!
Wet,
Within,
With a special fluid.

Edward Kofi Louis
Within Its Powers

Heavy object!
Collided with a vessel;
Causes,
To come out! !
With a dialogue;
Of the incident,
With the muse of the accident.
Insurgency! !
Within its powers;
Unceremoniously with the muse of the invaders.

Edward Kofi Louis
Within Me

My heart,
Within me,
To be touched!
With the muse of love.
Intimacy,
For the first time!
With youthful vigour;
Exuberant,
Toiled for,
To bear with me.

Edward Kofi Louis
Within That Loop!

Troop,
Stoop,
Stop!
Within that loop.
Q-loop!
Bloop,
Aloop,
Floop,
Within that loop!
D-loop,
Moop,
Poop,
Within that loop!

Edward Kofi Louis
Within The Bush

Muse, love, peace!
Within the bush,
Tendering the flock,
With the sight of the face ahead of you! !
To look on;
To face the work,
With the muse of the joy of your heart.

Edward Kofi Louis
Within The Family

To each individual within the family,
Knowing this first that no prophecy of the Scriptures is of any private interpretation;
For the Laws are Truth and, the Laws are Spirit! !
Able to convert a whole person,
But mankind had taken to evil to destroy the whole world with the bullets of war!

Edward Kofi Louis
Within The Inner Court

Rooms for singers;
Within the inner court,
To wonder at the sight!
And, to watch them as they sing.

Edward Kofi Louis
Within The Next 7 Days!

You and your poetry,
Me and my poetry,
Selected! !
In this world,
With your muse,
With my muse,
Of this honour,
Of this love,
Of this peace,
As a poet,
Of your new poem,
Of my new poem,
Within the next 7 days!
But, bering very excited about it.
cash, bash, lash, mash, wash, ash, flash!
of your muse,
of my muse,
The prizes,
The sizes,
Seizes! !
As a participant,
And like a friendly reminder;
However, being based on your previously published work.

Edward Kofi Louis
Without

Out,
With it;
Finally! !
Without.

Edward Kofi Louis
Without A Homeland

I am born as a human being but,
Without a language and a homeland;
So everybody should accept me in whichever land that i find myself,
Because we are all human beings on this earth created by the Creator!

Edward Kofi Louis
Without A Mess

Man,
Age,
Manage,
Pass,
Passage,
Without a mess!
But with a positive message.

Edward Kofi Louis
Without A Rank

The faith and the thought to upgrade my senses,
And the type of people around me and to fulfil my dreams;
So let me roll my boat to get to you my sweet one,
And like the way of purity from the innermost self.

I am a soldier at war without a rank,
So re-group yourselves and come to me;
For i am living within the rules of nature and love,
But i do have some views to share across.

From the wavelength of the sea and the status of my feet,
And to where many were swimming with their nakedness;
And they lay bare to the sandy beaches because of the Atlantic ocean.

How many rivers do i have to cross?
How many words do i have to write?
Of the accomplishment of a visit to the girl's dormitory;
Ans she was nicely placed among the ladies of love.

Edward Kofi Louis
Without An Arrow

How can life be free and fair at a boiling point?
For is statistically incorrect to have a bloated register;
But my own people are part of the problem.

We know ourselves and we know what we are made of,
But to take their tortuous paths is what they want!
And the mayhem do loom on us without hope like,
Life in the traffic and under the footbridges.

For my sorrow i will borrow for the morrow,
And without an arrow i will be at peace with my mind;
But this acts of my people is all about the Elections.

Edward Kofi Louis
Without Any Info

A swarm of bees and honey,
As numerous as locusts;
But of a strange world with the strange people,
For a son marries without any info to the parents.
The forest devours more lives than the sword,
But upon the wings of love i do fly with my mind;
And like the muse of the moose until the morning light.
The bleating of heep and the lowing of oxen,
You came only yesterday and you want my love;
And like one hundred cakes of figs in the valley of salt.
I do have sandals on my feet and a belt around my waist,
But in the morning light of the day i will pray;
For i am like a reed shaking in the water,
Oh that you could hear my voice at last!
For a son arries secretly without any info to the parents,
And this story is like the cedar trees from Lebanon.

Edward Kofi Louis
Without Any Obligation

Curses,
Misery,
Diseases,
Death;
Of non-caring men using women without any obligation!
And the whole world follows after it.

Edward Kofi Louis
Without Any Status

Go to your father and let him teach you,
Go to your mother and let her guide you,
For, you are moving about to and fro without any status.

Edward Kofi Louis
Without Concern

Cold rooms,
Cold nights,
Living in a cold house;
With no respect for the human race!
Living one alone without concern.
Stones, bones, tones, crones, drones, cones, thrones!
Where is the love that youz promised me?
But, it houses where like pockets,
I will not have problem with my pocket.
Deed, deried!
On the issue,
On the situation,
Individuals;
With the muse of the categories of people seen around,
But, let us always call a spade a spade.

Edward Kofi Louis
Without Hating Anyone

Words,
Words of peace;

Works,
Works of the Law;

Bringing joy to all,
Without hating anyone.

Edward Kofi Louis
Without Hurting Anyone

To ask myself what can i do for others,
Using the mask of life;

The task ahead! !
To ask the the path of the truth;

My life,
My heart;

My mind,
My love;

My Muse!
Facing life with my works;

Only to touch your heart over there!
Only to teach you the truth.

Love and life! !
Peace is only gained with the muse of the truth;

With righteous laws,
With righteous morals,

Knowing what to do always! !
Without hurting anyone.

Edward Kofi Louis
Without Looking Back

Walk according to the steps of the truth,
Walk with joy!
In the name of the truth;
Without looking back.

Edward Kofi Louis
Without Mercy

Evil acts! !
With their eyelids lifted up;
Their teeth are like swords!
Destroying and killing,
Without mercy.

Edward Kofi Louis
Without Peace

I was your father yesterday and,
You are my son today;
But we will all be the children of the Creator tomorrow!

With glory, honour and the laws;
With the fowls of the air and the fish of the sea,
But today's worried world is without peace.

Discarded!
And you are led by the perfected laws of the faith;
But with the peramble matters to remember at last,
For this day was meant for you and me.

Pluralism and singularity!
Mother Nature cries for help;
And with the discourse of free thinking to meet my muse,
For the school boys are late today.

Edward Kofi Louis
Without Peace On Earth

Evil conduct,
Evil act!
To kill and destroy,
Without peace on earth.

Edward Kofi Louis
Without Permission

To know,
To learn,
To teach,
To understand;
Be very patient with others,
And like the rule of your love under my muse.

Self control,
Unique,
Feelings,
Attitude,
Restless!
Do not touch something without permission.

Edward Kofi Louis
Without Racism

What the world needs now is,
LOVE! ! TRUE LOVE!
Yes, true love to all mankind without racism!
True love is the key,
Than hatred and war.

Edward Kofi Louis
Without Salt

Return the hearts of the fathers to their children,
With a welcome love to satisfy the minds;
And, with a farewell party to all around.

A father may literally refuse to give out his daughter for marriage!
Even though, a man had paid for her bride price;
But, a king must not allow himself to be ruleds by the lust of waelth.

Protecting the area!
To count the gains;
Like a hand-dug well at Jumbo, near Kpassa in the Volta Region of Ghana! !
But, the liquid was sprouting out;
And, without salt.

Return the hearts of the fathers to their children!
And like the discovery of oil in the land of your muse;
But, a free gallery is now being exposed to us all.

Edward Kofi Louis
Craftiness!
With the sleight of men;
But, life on earth is not possible without salt.

Craftiness!
With deceitful lusts;
Because, you do have your understanding darkened.

Lawlessness!
Greediness,
Living with lies than with the truth.

Edward Kofi Louis
Without Security

Classical,
First edition;
Noted,
Last edition;
The residence of evil! !
In your land;
Without security.
One, once!
Once upon a time;
Ice, twice! !
Being in the cold;
But, i am at the home office with my mind!
And like the call of duty.

Edward Kofi Louis
Without Spell!

Well,
Without spell!
Shell,
Not even hell;
To tell the truth,
Sell, bell, ell!
Dwell with prudence and face the truth.
Fair woman!
To look at;
A wise daughter makes a glad mother.

Love and life,
A wise son makes a glad father!
Seeing the cucumbers and the melons on your table.

Spirituality and humility,
Love and kindness,
Peace and joy! !
Like tears from the full moon;
With galic and onions.

The time capsule,
Seek the truth and ride along with it!
Points with questionable joints;
Facing the ways of life,
But listen to wisdom when it calls.

Where is she?
The only one for my heart,
The only one to satisfy my heart;
Where is she?
The one with the truth,
The very one with righteous morals.

Edward Kofi Louis
Without The Light

Illegal lust,
They grope at noon and, in the night!
Without the light;
Because, they have no answers to their problems.

Illegal lust!
Like a female fool void of understanding;
Exposing herself to the world,
In the name of fornication and adultery.

Illegal lust!
Like a male fool without understanding;
Raping young girls and women!
Leading to the sins of the world and, of the sicknesses around us today.

Edward Kofi Louis
Without The Security Of The Night

Lust,
Without the security of the night;
In the dark.
Muse!
Like highland cows;
As seen around,
In the dark.
Falling prey!
With the muse of illegal lust;
And, the little girl was your victim of rape.

Edward Kofi Louis
Without The Truth

Lust!
Living in a fantasy world without the truth;
Lust!
Living like someone in prison;
Because of the ways of mankind.

The mind,
The muse,
Your ways of life;
Without the truth.

Story, history!
Recorded in the land of your muse;
30 years ago.
Age, ago!
Living in a fantasy world without the truth.

Edward Kofi Louis
Without Visa

I am the archaeologist of laughter when it comes to wisdom,
And my home is the sweet paradise without visa;
Come and feel the aroma around and the metamorphosis that it brings.
Of tales, trends, tips and trivial matters;
And of an ecological clock with the beauty of my mind,
But try to step out of the pages of history with the graphics around.

Educate men without religion and,
You will make them clever devils!
But unique in style is the wisdom of the laughter that I bring.
The schools teach the means of education but not education itself,
For all the eyes do have it!
But if you wake up and quarrel everyday,
You are saying your prayers to the Devil.

It is like a curious world of visions,
But Adam and Eve were created in their nakedness;
And I will be 2000 miles away towards heaven when you look for me.
There is nothing much greater than honour received among your peers,
For I am the archaeologist of laughter!
And my home is the sweet paradise without visa.

Edward Kofi Louis
Without War

Blame, lame!
Build your mind with the truth;

Flame, lame!
Build your heart with the laws;

Fame, game!
Build up your ways with love;

Same, frame!
Build up your works with the muse of peace;

To save the world,
With servitude and attitude.

Edward Kofi Louis
Without Wisdom

Many help Satan to win!
With their Evil Acts on earth;
Killing and destroying.

Edward Kofi Louis
Without You

To silence dissenters and to imprison others,
And, what can we learn from these acts?!
For the full moon is around us to learn from as well,
And like the muse of your love in the land of the living.

A treat for the eyes and the ears,
A note for the heart and the soul,
I am a man of many principles;
And i will swim this ocean blue to get to you.

I will still love you even if you are married!
For i am like the reed in the breeze! !
But life has no meaning to me without you.

Edward Kofi Louis
Witsel

Your love to me is like grasshoppers playing in the field of joy!
For i am Witsel living in Dubai;
But, there isn't much rain over here! !

Chariot, chair, hair, air, rat, tar, at, car, to, it, chart, cart, hat, chat;
But with words of love and peace to satisfy my muse!
And like the modern slavery in Dubai;
But, i will still wait for you on this beautiful love that we share.

Edward Kofi Louis
Witt

Let me do it quietly and move on,
And take the gun out of my face!
Because i am bullet proof and,
No man points a gun at me.
I am called Witt and,
I am well prepared for any situatiin in life!
So let me do it quietly and move on.

Edward Kofi Louis
Wittmann

Census Officer!
I am Wittmann and i want to know your mission;
For this is how i have been playing my cards,
And i want to know the purpose of your mission over here.

Edward Kofi Louis
Witty And Lovely

Every emotion and every thought,
Every muse and every love,
Every passion and every romance,
And like the paintings of your love on the bed of roses!
Witty and lovely,
Soft and nice,
But in the land of many trees to satisfy your sweet muse,
And like the wet lands around you.

Edward Kofi Louis
Do you feel like I do?
And like the spirit of compassion and supplication;
But woe to the worthless shepherd who leaves the flock!

Edward Kofi Louis
Woe 2

Woe! !
His toe is not your foe;
Seeing the hoe in your hand,
To live with righteousness than,
Hatred and war.

Edward Kofi Louis
Woe To Man

Woman!
Woe to man;
Let us do the right thing,
Without hurting women.

Edward Kofi Louis
Woes

You are thirsty but you can't drink water,
You are hungry but you can't eat food,
Of the horses prepared for the battle!
Like Apollyon, the angel of the bottomless pit.

One woe is past but behold!
There are two more woes after this;
Like the torment of a scorpion when it strikes.
You are thirsty but you can't drink water,
You are hungry but you can't eat food,
And life is all about us on this earth.

Edward Kofi Louis
Woes 2

Woes!
From foes;
Goes! !
Able to hurt your toes,
With hoes in their hands.
Crafty and shrewd,
Devious and cunning!
Proud looks,
With the muse of evil works.

Edward Kofi Louis
Wojja!

Wojja!
Your faith is real on my love;
And, i heard your voice last night,
So, i am here to stay.
Of the praises of the love that we share,
of the muse of the peace of your mind;
And, i heard your voice last night.

Edward Kofi Louis
Wole Soyinka

World of poetry! To respect the muse of the truth;
Opening the doors of peace and love to all mankind,
Lifting up positive morals than, "pussy-footy" acts;
Exhibited with righteous laws to unite the world.

Servitude and attitude! ! Taking the "horse-walk"!
Opening the eyes of the people with the truth;
Year after year with righteous works,
Insight with the muse of wisdom!
Noted with the romance of nature;
Knowing what to do always without hurting your neighbours!
Accepting all mankind without racism.

Edward Kofi Louis
Wolfgang

Tears of love and the pains of sorrow,
My words are but a few to touch you like a rose;
But seasons may come and go on this love.
My heart just reached out to you,
For you are on the way of the truth;
And your name Wolfgang will always lead you on.

Edward Kofi Louis
The Kingdom of condom is from condom to syndrome but,
How many people are really thinking about Aids? !
I thought it was history with the stories at the door,
But you have not changed at all!

Faith is the substance of things hoped for,
And the evidence of things not yet seen;
But i have got you beside me oh Wolfkens!
For you have to eat the best part of the meat and to know more.

'We nam pa'!
And let the sweet of love flow around us;
For love goes deeper than materialism,
And we have to learn more from these syndromes.

Edward Kofi Louis
Woman

Woman,
You must be led by your husband around always;
For the tiller of the ground is stronger in the mud of your love,
And like the sole of your feet in the day of the heat.

Cole, hole, mole, pole, bole, sole, dole, role;
On the face of the waters of love to read out your letter,
For the message is very clear to my ears and i am ready.

Love, dove, rove, hove, move, cove, wove;
My reward is better to me but i heard your voice!
And you are my witness of this love because,
You must be led by your husband always.

Shine and bring forth my lover!
For the right time has come for me to go to the West;
And many of my friends are being exposed because of lust,
But the naked woman next to me is on guard.

Like the first of the tree which is subtle and crafty,
But i do have my monetary blessings to share with you;
Woman,
In the deep sleep of your love will i call you to wake up!
For the world is always at war with each other.

You must respect your husband for,
You are made from the flesh and bone from a man's side;
So upon you is your husband as your head,
And i will be watching you always in the full moon.

Walk through the door of my mind and let me teach you,
And like the half moon of love resting on your shoulders;
So shine and bring forth your love always around your husband.

Edward Kofi Louis
Woman 2

Woman!
Read my poems;
Then you will know that, I Love You.

Edward Kofi Louis
Woman 3

Woman!
Walking naked on the Highway,
Exposing her nakedness to the eyes of the public.

Edward Kofi Louis
Woman II

The flesh and bone taken from the side of man became woman,
But the Holy men of old took more than one wife;
So wives,
Submit yourselves to your own husbands;
As this is proper in the Messiah!

Edward Kofi Louis
Woman In Love

A woman in love,
You are not alone;
For i search to hold on you always!
And, i feel like coming home early whenever i do see you around.

A woman in love,
Over troubled waters in a land;
And, to cross the bridge of life to the other side,
For, i feel like coming home early whenever i do see you around.

A woman in love,
I still believe that, there is something in you;
And, i do have something for you,
Anytime and anywhere in the land.

Edward Kofi Louis
Woman On Bike

Woman on bike,
Sew, sew, few, mew, blew, grew, slew;
And like the bitterness and the woes of life!
But to sit alone down in the darkness is like,
Those long dead and gone.

Woman on bike,
Hew, crew, Jew, threw, pew, view, yew;
And like an age old flesh of the skin,
But this must show you the truth.

Edward Kofi Louis
Women

Women are naked everywhere nowadays!
In what they call thier respective styles of dressing;
Exposing themselves to the eyes of the public.

Edward Kofi Louis
Women And Girls

Seed to the sower and bread to the eater! !
Heed to the words of the truth,
Speed, need!
Weed;
Women and girls!
Not with greed.
Creed, reed!
To go along,
Together;
To spread the truth,
Living in peace with each other.

Edward Kofi Louis
Women of the world; to bring peace to all with the muse of love, because you are all sisters.
Women! ! You do bring forth life; as made by the Creator to increase life on earth.
Creation! And the woman came out of man: Adam fell into a deep sleep! ! And, the Creator Almighty took FLESH and BONE from his side to create Eve.
Womanhood! Blessed to conceive and give birth; for the muse of life to go on, answering the blessings of nature for us to live on earth today.

Edward Kofi Louis
Women!

True love!
You can't easily leave it;
It hits you right down there in your heart,
Making you do things you will never like to do.
Women!
Known and unknown all over the world;
To be a better person,
Because, true love never ends!
It is always there in your heart.

Edward Kofi Louis
Wonderful Poet

Great Poet,
Wonderful Poet!
Muse,
Use,
Fuse;
The unique of nature! !
Making being made on earth;
File, profile!
With the ways of life,
Going along with the messages of peace and love;
The history of mankind,
With the colours of serendipity.

Edward Kofi Louis
Wonderful Poet  2

Wonder!
Yonder,
Muse,
Use,
Magic! !
Under;
Love and dreams,
With the muse of a wonderful poet.

Edward Kofi Louis
Wonderful Sanke

Hello! 
Wonderful snake; 
I came this morning to greet you; 
But, you were not around, 
Even through the bushes. 

Wonderful snake! 
I came around and the water was still flowing; 
Maybe, you are still under the water taking care of your little ones; 
Like the muse of love in the land of peace, 
But, i do hope to see you next time on my visit at the same spot. 

Edward Kofi Louis
Wonderful Star!

Tell us all about the wonderful things of love,
Thought, i am not exalted by men and women;
But, the Father in heaven have seen my works on earth,
For, love is the key about everything!

Edward Kofi Louis

Your magic is very wonderful!
Deep to the heart,
With the muse of joy!

Edward Kofi Louis
Wonderful! !

You are a light shining in the world;
Your Poetry is so lovely to read.

Fry, wry, try, cry, dry!
Primary, secondary and tertiary;
In this world with wrongs and rights,
Searching for peace! !
All along.

Edward Kofi Louis
Wonderfully Made

Life!
We are wonderfully made on this earth;
By the creator Almighty! !
With love,
As Human Beings.

Love!
With the functions towards it;
Wonderfully made,
Making us what we are on earth,
With the muse of creation.

The muse of love,
The muse of life,
The ways of nature!
We are wonderfully made,
With the symbols of nature;
With laws laid down around us.

Edward Kofi Louis
Wondering About

We all have to learn on this earth,
And i am wondering about your love;
For you are like the deep water's horizon,
And i have to take my steps with you.

Shalom-Shalam!
She knows me and i do know her;
But she was thoroughly perplexed!
And like a bird up high singing a note for her muse.

Edward Kofi Louis
Wondering Around

As a symbol of life,
From mitochondrion to anthropology;
As a symbol of life,
From prophylaxis to dermatology;
As a symbol of life,
And of the muse of the birds that sings at times;
For i will dance on this flowing water!
And to take you for a ride on this love.

Wondering around,
To all the women that i have loved before;
Floating in the air,
To all th countries that i have visited before;
But today i am like the course of your problems,
Because you are with a child.

Visions of an open world,
From human hair to learn a times;
But when one thing dies,
Another thing starts to grow!

Edward Kofi Louis
Wonders

Wonders! !
Miraculous signs of love;
I will never leave you nor forsake you,
With the joy that we all share.

Edward Kofi Louis

The wonders of life,
With the beauty of nature;
Trying to understand creation,
With love, peace and joy!
Where the laws are respected.

Edward Kofi Louis
Woodard

Woodard, wood, ward, word, do, dad, road, rod, row, raw, Dora;
In a pool of blood! 
Shot in the back of the head.
Row, raw!
Between Broadway and the Seventh Avenue;
Raw, row!
And, the killer speed off in a getaway car.
A killer in New York,
Pool, polo!
Killing Woodard with a shot in the back of the head;
Get, getaway!
But in this world,
Some people may love you and, others will hate you;
Shot, short!
From place to place;
Away, getaway! 
Between Broadway and the Seventh Avenue in New York;
And, the kill speed off in a getaway car.

Edward Kofi Louis
Woodcutter!

Woodcutter!
To put oil into the machine;
Before using it,
To cut down the woods.

Edward Kofi Louis
Wool

For, outside you are the games of Satan.

Edward Kofi Louis
Word, Sword, Lord!

Fighting in the name of the Cross;
But, where is Hadrian my friend?
Stead, lead!
To see it like a point;
Read, stead!
To meet it like a spot;
In, Chopin!
To accept it like a dot;
Chop, Chopin!
And like money and power! !
But, the Lords have taken over with their words and,
Their swords are now killing many on this earth today.

Edward Kofi Louis
Word, World!

Word, world!
Like the muse of the 'World Wide Web' and,
The muse of the 'World Wide War';
Witnessing what goes on around us today,
With much hatred from mankind.

File, while!
Plugged in,
In the land of your muse;
And of the war going on in Syria today,
But, who used the 'Chemical Weapons'?

Edward Kofi Louis

Writer's Ink

A flame of fire! !
The writer’s ink should say the truth;
In this current age,
Like a baby weaned from the milk of the breasts.

A forgetful hearer!
Like a ram caught in the thicket by its horns;
Living,
In a rip old age.

In a dream by night,
To see camel at a well;
Bread and stew of lentils for the farmer! !
Line upon line,
Precept upon precept,
Here a little and, there a little.

Like a flower! !

And, no one knows tomorrow.

You can't do all at once!
One step after the other;

Like a prisoner out of the den.

Ant, hesitant!
Relief the past with positive works today; and, do not hurt your neighbours;
With fragrant tunes of love.

Edward Kofi Louis
Wrong Somewhere

Something is wrong somewhere!
And, i am trying to trace it to the source;
because, you have no power in your room.
Life is like that at times,
But, i have to get to this source to see to the problem;
Because, you need power in your room.

Edward Kofi Louis
Wrong Timing!

Wrong timing!
Wrong answers;
As you face the ways of life.

Edward Kofi Louis
Wrong Verses Right

Force is Satan's way and,
Peace is Yahweh's way;
Humanity on earth,
Let us always seek for peace,
With the muse of the truth.

Edward Kofi Louis
Wrong Verses Right 2

Hatred is an ugly thing! While true love is a beautiful thing;

Miles away with the muse of the truth,

Smiles in the land of peace and love.

Hatred is ugly! And love is beautiful;

Wrong verses right!

With the muse of man kind on earth;

Seeing the ways of the people,

One is for peace and, the other is for war! 

Edward Kofi Louis
Wrong, Throng!

The clouds above! !
With the delight of creation;
Listen to instruction and be wise!
Do not reject the works of the truth.
Wrong, throng!
The fountain of the deep;
Wake up and live now! !
Wake up and learn from the works of the truth;
Because, hatred and war will never bring us peace.

Edward Kofi Louis
Written In The Books

What is it?
A smoking fire without a blazing torch! !
Twice as much,
By the spring of water!
Written in the Books;
According to the laws,
From the river of Egypt to the great river Euphrates.

History! ! !
Written in the Books;
In the fourth dimension,
In the fourth level,
In the fourth generation;
However, don't sell your body like a harlot.

It is obvious! !
It is real,
It is within your mind;
The Food,
Do not eat it raw!
Because, each person is born into the world with different traits.

Edward Kofi Louis
'wu domeaa bra'!
Come to me if you love me;
Please come, for I am still waiting for you,
In my simple abode.

Edward Kofi Louis
Wull

I am Wull and,
I have the results of the winning numbers;
So, pass by to have a look,
For your lover told me that you want the results.

Edward Kofi Louis
Wullner

This history is rehearsed once again,
This love is noted once again,
This muse is read once again,
This well is used once again,
And like Wullner your lover in the land of your muse;
But, joy is the heart whose love is ready.

Edward Kofi Louis
Wurtele

Tod on to my heart and log on to my mind,
For the fog out there is like a pod;
And Wurtele has the answers to your questions.

Edward Kofi Louis
Wyte, White!

Wyte, white!
With the muse of the game of thrones;
Trying to get your position in the the land.

Byte, bite!
White like wool and,
White like snow;
In winter.

Colours of the rainbow!
In unity to teach us;
As we see the ways of mankind on earth,
With hatred and war than peace.

Edward Kofi Louis

Xabbani

The waters of the great deep!
You have drunk the dregs from the cup of trembling;
But, rise up and put on the strength of my love.

The heavens will vanish away like smoke!
And, the earth will grow old like garment;
But, put on the beautiful garments of my love and live.

Come to me!!
For, ki am he who writes and, i want to be your lover;
However, the lions have now come out of the thicket.

Ticket, thicket!
I am Xabbani in your neighbourhood;
And, i want to share my sweet love with you.

Edward Kofi Louis
Xabell

Getting beyond ideas is what you need,
An of your sweet muse that is controlled by Xabell;
For true love is all that we need in this life,
Because where there is hope there is also a way!

Edward Kofi Louis
Xadyah

You've eaten my bread of love but,
Yo've laid down a trap under me!
And like Xadyah who came along with some friends;
For your hidden things of love are now sought after.

Esau is Jordan and Jacob is Israel,
And like the robbers during the night!
But your close friends and guest have secretly sought out to destroy me.

Edward Kofi Louis
Xang

You are the beautiful bridge over my lovely river,
So humble yourself like a little child and come to me;
For this message of love is privately between you and me,
And like fruits in their seasons when Xang knocked at the door.

Edward Kofi Louis
Xapphira

Articles, stories and Newsletters!
Tens of thousands of painted art works for sale,
With rhythms and rhymes;
And, of the pleasure of being part of it,
But, wait and see what i have for my lover!
Because, Xapphira your fiend is now having fun with my Laptop,
And, i have to surprise you all.

Edward Kofi Louis
Xari

I can't believe it but it is true,
And with honeymoon specials to spice up my mind!
And there I laid bare with Xari my sweetheart.

Edward Kofi Louis
Straighten your crooked places and exalt every valley of your love,
For the news was like a dropp from a bucket to me;
But i have chosen you among all women,
And like the fountains in the midst of the valleys and the rivers in the high places.
Give me the night on this love oh my sweet Xastro! !
And fear not for i am with you;
Because the fir tree and the box tree are now in the lake of love!

Edward Kofi Louis
Xavier

The mind of the righteous considers carefully before answering,
While the mouth of the wicked pours out evil! !
But the eyes of Yahweh are in every place,
And beholding the evil person and the righteous person at the same time!

Something is telling me that it must be you,
So look inside your soul if you are also searching for my affectionate love;
And forward-march on this love when it knocks at your door,
Because my love will tickle your spices like the Planet Mars!

Bare and empty,
Xavier is your name in the land of little hope;
But something is telling me that it must be you,
And I am ready to share my sweet love with you.

Edward Kofi Louis
Xedan

You hated me because of old hostilities;
But, the sea came and its waves covered you up!
And you now lay waste and broken,
Because your walls shook at the noise of the horsemen.
Hook, shook!
To be ashamed and to be confounded in your ways;
However, let it be known to you that, peace is better than war!
And, my name so sweet is called Xedan.

Edward Kofi Louis
Xenophon

Dry up your tears for there is somebody knocking at your door,
And there is a great difference between 'love' and 'hate';
But i am here to show you the way to the land of true-love!

Xenophon,
You are like the sweet oil over my head;
And i wonder if you know how special you are to me,
For are you so deep in my memory!

I cannot forget you so easily,
So dry up your tears and listen to the knock at your door;
Because i love you for what you are!

Xenophon,
You are very special to me;
And better is a diner of vegetables with love than,
A fattened calf eaten with hatred! !

Edward Kofi Louis
Xerez

Why should it be like this my love?
And with a string and a stone!
For he fell on his face to the earth and,
Xerez came and helped him up.

Edward Kofi Louis
Petty jobs and sanitations,
From Kasua to Makola!
But it is like living in the den of wild wolves;
For odious and irksome are the attitudes of the people.

Petty jobs and sanitations,
From Agbogbloshi to Mallam Atta!
But with the mass order of churches without any moral charge;
And like the irksome attitudes of most of us on this earth.

Wolves in sheep skin!
Like a pastor caught with swallowed pallets of heroin;
For another day of the human history is recorded,
And like the odious and the irksome acts of the people.

The sadism and the lexicographical work,
'Di wo ho ni'!!
And let us make patience a valued habit.

I am Xerxes and i know my way and rules,
But the acts of this people looks so odd to me!
However, we still have to teach many to understand the real meaning of life.

Edward Kofi Louis
Xerxes II

Xerxes, see, seer!
Being polite and responsible;
respectful to the muse of life,
Under the muse of the laws.

To be considerate,
To love all!
Bringing joy to mankind without war;
With moral conducts that brings peace.

Edward Kofi Louis
Xetha

We do have the same habit but,
We are from different lands;
And like Xetha who came along with a donkey,
But behold! I have prepared my dinner for two;
An i want to invite you.

Edward Kofi Louis
Xetz

The wedding feast,
One went to his farm and another to his business;
But the wedding was furnished with the guest from Xetz,
And like your body language to your lover last night.
Let the great among you be as a servant to all!
Because if a seed is sown and not watered, it dies;
And try to humble yourself to me always.

Edward Kofi Louis
Woe to those who plot evil upon their beds!
For she who was in labour has now given birth;
And they coveted fields and homes and oppressed the poor.

The flower of Lebanon wilts and I cannot find my lover,
And like flaming torches in the day of preparation!
But they entangled like thorns and they are drunk like drunkards!

The seductive harlot is with Xezel,
And many are ready with their axes at the big tree!
For she who was in labour has now given birth.

Edward Kofi Louis
X-Factor And The Y-Factor

The X-Factor and the Y-Factor!
All in love to create the muse of joy;
And like the secret service around with,
A round dark red roots! !
But, this muse of love is about you and me;
And, like the joy in the land of beautiful flowers.

Edward Kofi Louis
Xiddo

Glory and unity,
The name of my two staffs at hand to lead the flock;
And like Xiddo in the land of mangoes!
But i am free from the waterless pit at last.

Open your doors of love to me my sweet one,
For true love and peace will guide the multitude!
And like the springs of water with the brooks of the land.

Edward Kofi Louis
Xilonen

Xilonen, oil, on, in, one, lone, none, ox, ion, line, lion!
With strong affinity and bondage;
ROd, road, broad!
To do better,
Sun, bun!
With the muse of the ever green tree in your land.
Tars, stars!
With the muse of the sun and the moon;
Indentified,
Noted;
Arbitrarily!
In the name of the mistletoe.

Edward Kofi Louis
Ximmanu

She was found to be with a child by a man,
And she later gave birth to a son;
But Ximmanu still have to learn a lot from others.

Take her as your wife and let her care for you,
For i am like a voice crying loud in the wilderness of love;
And that which was will be once again,
For the story of this lady is all that we know.

Edward Kofi Louis
Xishun

The sweet muse of life,
With creative ways to serve others;
And in the public eyes to Play a role,
With the folk hero from the folklore.
The sweet muse of life!
To baffle my mind with the muse of kismet;
And, with the muse of the beautiful and the handsome around,
But, i am always learning from Xishun my friend.

Edward Kofi Louis
Xizu

You can cry or be joyful by it,  
For the news came and went like the wind!  
And i am now alone still waiting for my lover.

Who rebukes a wicked man or woman receives abuse,  
And envy is rottenness to the bones!  
But a merry heart lights up the face;  
And like Xizu my friend in the bush of love.

Edward Kofi Louis
Xola

Xola is your name so sweet,
And love is what unites you with others;
But you need your peers to expose your abilities,
Because it is only the fool who sees the earthworm and calls it a snake!

If you are once bitten by a snake,
You will always be afraid of the earthworm around you;
However you will live longer if you are less stressed,
So let us get together on this thing called love.

Edward Kofi Louis
Xolamai

Xolamai, Ali, Mali, mail, aim!
Your love to me is like Mama's Nursery Rhymes;
But, the ox knows ist owner's crib,
And like the beautiful state of love opened before us.
Own, sown!
Of one mind and, of one spirit;
Overall!
Revealed,
With the muse of sweet love in this beautiful garden of peace.

Edward Kofi Louis
Bring me one who plays the harp of love and,
I will show you the way to the love-garden of joy!
But, i require a watchman for my precious home.
Wind, rain! !
the water of love suddenly flooded and watered the garden of love;
Like a special message to my country men and women,
However, the rivers will be full on this love.
The sun is now covered by a cloud and the moon has lost its light!
And like Xoma your friend who made the bed of love ready for the night;
But, bring me one who plays the harp of love and,
I will show you the way to the love-garden of joy!

Edward Kofi Louis
Xores

The waters encompassed them in the deep of love,
And the floods engulfed them and the waves washed them all over!
For the seaweeds are now seen by all of us.
In nakedness and in shame,
Xores was there to record the event;
And like water surging down a steep slope;
For many were stripped and naked after the storm!
And like wax before the fire.

Edward Kofi Louis
Xova

It is here at last!
But this love has played a game on me;
However i will be closer to your heart always.

Please remember that i still love you,
For the last time we met was at the Sun City!
And your sweet name was Xova.

Edward Kofi Louis
Xoxa

Moon Island,
Come to me and take me home;
For Xoxa my love is stranded on the Sun Island!
And of the things to remember when,
We first met at the Moon City.

Edward Kofi Louis
If i could see what you see,
I will be like a star!
If i could see what they see,
I will be like a star!
If i could see what she sees,
Then, i could fly up high like a bird!
If i could see what he sees,
Then, i could have been like a king in your land!
Locomotion, emotion, motion, commotion, promotion;
Of the air,
Of the sea,
Of the land!
But, i am Xoyes in the land of many waters.

Edward Kofi Louis
Xud

To chalk your success like,
Sweet love between the Black Sea and the Caspian Sea!
But, in the matters of decorum, i will need your love.
Of rams, lambs, goats and bulls! !
You took me there and i was satisfied with your love;
For, your are full of wisdom and perfect in beauty.
You are under the obligation of my care!
And, i will surely take care of you;
Like my personal attendant with the muse of love,
For we do have something in common my love.
This magic world! !
To Xud i do write this poem;
Because, i am in love with you.

Edward Kofi Louis
A whip for the horse and a bridle for the donkey,
But a flying swallow will alight one day!
So do not answer a fool with folly,
Because you will then be just like him or her!

Life is like the well-fed horse in the morning,
And war is like a wolf from the desert;
But a fool is like a lion from the forest who wants to eat us all!

I am Xuru,
And i do know my ways on this path;
For my words are the words of joy and peace,
But my enemies have set down a trap for me.

Understanding each other and, walking hand-in-hand in the land of beauty;
Answering the fragrance of life with the aroma of nature,
Needed to guide you on with the feelings of your heart towards your lover.

Knowledge with the muse of the truth! !

Opening their eyes,

Needed to bring peace on earth.

Edward Kofi Louis
Y. U. K. O. N.  2

You are there! !
Under the big tree;
Known with your works,
Only with your lovely eyes,
Noted with your joy!

Edward Kofi Louis
Y. U. L. I. A.

You and me!
Understanding the ways of life;
Learning always to overcome the odds,
In the light of the truth,
As one faces the muse of nature.

Edward Kofi Louis
Y. U. L. I. I. A.

You and i on this love,
Under the big mango tree! !
Lips of joy,
Insight with the muse of romance,
In the land of the living,
Able to touch each other.

Edward Kofi Louis
Y. U. N.

You and me! On this love;
Understanding each other,
Now the day is over! !

Edward Kofi Louis
Y. U. S. H. A. B.

You have the message!
Under the eyes of the truth;
Seeing the ways of mankind on earth today,
Having righteous laws beside you,
According to postive morals,
Based on peace and love than, hatred and war! !

Edward Kofi Louis
Y. V. E. S.

Yes to the truth! Knowing where to step in life;
Viewing your land with the eyes of peace,

Serving all with humility.

Edward Kofi Louis
Y. V. O. N. N. E.

You are all that i need on this love,
Views of life with the muse of righteous morals;
Opening the doors of peace,
Noted with your works.
Notes and nobility,
Exhibited with your joy! !

Edward Kofi Louis
Y. W. A.

You are selling death to the people! !
With the muse of your products in the market;
As they were found dead after using them.

Edward Kofi Louis
Years of love!
Yearning always for the truth;
Managing your affairs with righteous characters.

Edward Kofi Louis
Yaa

Suffering is an ineradicable part of life and,
You don't have to give up easily in life;
For the morrow comes and success awaits you.

Encyclopedia Britannia,
Encyclopedia Judaica,
Encyclopedia Americana,
Renew your strength to move on in life always;
For at the front lines of hope,
There is success for those who kept on the faith.

Do face the facts of life as they come your way and,
Do not eat frogs and snakes;
And try to visit the land of Ararat on this vision.
Yaa, you have to learn very hard to succeed!
For Rome was not built in a day.

Edward Kofi Louis
Yabesh

Yabesh, base, he, she, yes, be!
To be;
He succeeded wherever he went,
She succeeded wherever she went,
From watchtowers to fortified cities;
Light! !
Brightness,
Facing the ways of the truth.

Edward Kofi Louis
Yabi

I will give you its value for money and,
I will be there always for this love;
For you are Yabi from the land of beautiful flowers,
And I have prepared my bed of love for you.

Edward Kofi Louis
Yachin

Yachin, chin, in, can, Cain, chain!
Like a viper along the path;
That bites the horse's heel so that,
Its rider tumbles backward.

Edward Kofi Louis
Yaddua

Yaddua, day, dad;
Respecting our elders,
Respecting the laws,
Bringing peace to all;
And, respecting all mankind,
Because, none of us created himself or herself.

Edward Kofi Louis
Yagir

Ceramic,
Floor tiles,
To the window level;
With fitted kitchen to satisfy your muse!
But, i am Yagir on the walkway.
An appointment,
With paved driveway;
An appropriate thing,
With manoeuvres!
The act of love,
From the landscaping;
With,12 feet wall! !
And like your love behind-the-scene,
But following a tip off to meet your muse.

Edward Kofi Louis
Yahaya

Five smooth stones from the brook and,
Of the sunshine of love that it brings to you;
But like a ruddy and a handsome youth,
Here i am my love for, you called me.

From the paw of the lion and the paw of the bear,
And like the pawpaw i do eat at times;
But i have a sword, a spear and my shield standby!

She lay down next to him until the morning came,
And she told me all that the man did to her;
But spread your wings of love around me,
For i am glad that you've chosen to marry me!

You are not giving in after the young men around,
And you shall eat with me tonight;
For you are a worthy woman and,
I will answer to all of your requests tonight.

Stay here tonight my love,
For i am Yahaya and all that you say i will do;
So bath and anoint yourself with love and,
Put on your beautiful garment of love as well!
For i saw the other naked woman washing next to him last night.

I am nearer to the gate of your love and,
May the one who gave honour to you be blessed!
And like the threshing floor of the river of love.

Edward Kofi Louis
In those days, say Yahweh:
'Ten men out of all languages of the nations will seek who is a Yahdai'!
But to th inhabitants of the world i will swing along with my muse.
Your blossom is over and the sour grape is ripening after the flower,
And like dwellers of the earth with different minds;
But the Yahdai is now known among us.

Edward Kofi Louis
Yahu

To be served like a monkey and to be saved like money,
With the woes of life around us always;
But he split the wood for the burnt offering of love and,
She took a veil to cover her face.

Yahu, this sacrifice should be eaten inside one house;
For the worst hailstorm is about to come.
To be served like a monkey and to be saved like money,
But life is like living 430 years in the land of Egypt;
Where one learns through the slavery days of the muse that there was.

It was in the 'House of God (Beth-El) ' which was,
Very different from the 'House of Yahweh (Bayit Yahweh);
But there we have to learn from the difference to gain wisdom.
'Bayit Yahweh'! For there we got the truth of life to carry on;
And of the sacrifice which was to be eaten inside one house.

Edward Kofi Louis
Oh Father Yahweh,
Help me to see your presence with your understandings;
And like the sweet love that spreads out for love,
I will always follow your laws of peace and love.
Why is the world like this?
For i am in the wilderness of Zin like,
The sins of my youth without any clue to move on.

The law is to be decided by a lot and,
Of the oracles of the one whose eyes are opened!
For Yahweh is not a man that He should lie.
The mouth of the donkey spoke and Balaam was surprised! !
So why cover your face and hold the gun of terror?
Surely, this thing is known; and surely, this thing is seen;
Because what is done in the dark is now exposed by the light.

Of a consuming fire!
From the Red Sea to the River Euphrates;
For Yahweh will surely provide for those who believe in Him.
I am for peace and those around me are for war,
You are for peace but those around you are for war,
So is this world of peace and hatred!
But, we have to fight on with peace at all times.

Edward Kofi Louis
Yahweh And Yahshua

Do not fear,
Nor be afraid!
For Yahweh and Yahshua are your best Friends;
Because one day with them is as a thousand years! !

Edward Kofi Louis
Yahweh Knows

Of you who writes,
Of you who reads,
Of you who learns,
Of you who hears,
Of you who teaches,
Of you who understands;
But, Yahweh, knows those who are His own.

Edward Kofi Louis
Yahweh Knows 2

Faith and hope,
Yahweh knows what's going on;
With you;
Today!
In the land of the living.

Edward Kofi Louis
Yahweh Reigns!

Rains,
Nature,
Life,
Creation;
Yahweh reigns!
Only with Righteous Laws.

Edward Kofi Louis
Yahweh's 'Face'

Idea,
Represents,
Owner,
Dedicated;
To remain a servant in the name of love,
But Yahweh's 'Face' refers to His Laws, Status and Judgement!
And Mosheh got it from Him to teach others.

Edward Kofi Louis
Yahweh's Protection

Yahweh's Love,
Yahweh's Protection;
Following the 613 Laws.

Edward Kofi Louis
Yahweh's Protection 2

Yahweh's protection,
Yahweh's love,
Yahweh's peace,
Yahweh's care,
Yahweh's promise;
To His people.

Edward Kofi Louis
Yahweh's Way Is Perfect

Satan deceived Eve!
As established,
As promoted,
Eventually;
But, Yahweh's Way is perfect.

Prefect, perfect!
Stop the wars among you and live;
Words, sword!
And with spears.

Raised and foretold!
But, we eed the truth than the bullets of war;
However, Yahweh's Way is always perfect.

Flood, Food!
One of the effects is,
The lack of Food;
But, Yahweh's Way is always perfect!
Leading mankind with the truth.

Edward Kofi Louis
Yahyakim

Yahyakim, Yahya, Yaya, kin, akin, in;
Poor and needy,
To help them,
According to Righteous Laws!
Able to lead and, help the poor people in your land.

Edward Kofi Louis
You will understand these things if you are wise,
And you will know them if you are prudent;
For the apple does not fall far from the tree.

I am Yahyl and you are Xahyl,
And like the words of your parents to guide you last night;
But i know my ways when it comes to the muse of your love.

Edward Kofi Louis
Yakubu

War is in the near!
But it will be utterly wrong to pretend that everything is okay;
Because Yakubu is ready with his gun!

Edward Kofi Louis
Yakyu

Great and distinguished,  
Believed, seen and felt by your sweet love!  
But i am Yakyu with the sweet smell of love.

Edward Kofi Louis
Yamaguchi

I got the job because of you,
And i am here to thank you oh my sweet Yamaguchi!
For you have the answers to my problems.

Edward Kofi Louis
Yaman

Yaman, yam, man, May!
Absolutely,
To marvel across your pictures;
Posted to me,
With the muse of your love.
Passage, message, massage!
Inimate love;
Painted with the muse of life.

Edward Kofi Louis
Yami

Every tongue shall tell me that you do love me so,
Come to my sweet home oh Yami and let me show you my love;
For you are like a special delivery that came to me!

Edward Kofi Louis
Yamin

Yamin, yam, may, in, aim, main, May!
With eyes darker than wine and,
Teeth whiter than milk;
But, let your bread feed the poor and,
Let your bed of love be with the roses of joy.

Edward Kofi Louis
Yamine

Add second to second,
Add minute to minute,
Add hour to hour,
Add day to day,
Add month to month,
Add year to year,
Mouth, month!
To read my poems and to learn from them;
For, your bed is too short for you to stretch up yourself.

Yamine, yam, may, Amin, in, aim, mine, Yaw, main, man, an, main;
To authenticate your financial mystery!
And to refresh yourself on the 7th Day by resting.
Main, aim!
The covering is too narrow to wrap yourself;
Main, Amin!
To let the grain be grinded to make bread for you;
But, listen to the words of the wise and hear my voice!
For, out of philosophy came faculty.

Written credentials,
Out of philosophy came Degrees;
And, the power to overcome sin is the law!
But, the greatest among you should always be a servant to all.
Yam, may!
The sting of sin is death;
But, the power to overcome is the law;
And, my poetry had recommended me already to the world,
Writing to bring peace to all than, with the bullets of war.

Edward Kofi Louis
Yamson

Yamson,
What can you say about the missing chief?
And like receiving and being received;
For the sun is taking a nap after a hard day's job.

To be weaned as a human being and,
To learn many tricks in this life;
But i was fed on my mother's milk.

Yamson,
The love of the mother is forever!
And from birth to the first tender of love and care;
But the Sabbath of rest is for the land and,
Try to correct your children to give you rest.

There is more between the legs than they actually shows,
So do not go back into a tail's spin!
For the truth will always find a way,
And i will be the one to lead you on.

Edward Kofi Louis
Yankey

Yankey, key, yank, an, Ken!
Progressed,
Impressively;
With the muse of sweet love,
In the land of the living.

Plant!
Processing,
Let, millet!
In comfort;
Union, minion!
With the muse of sweet love.

Muse,
To inspect the work done;
And, to use it as intended,
With the muse of your mind.
Partnership!
Clarified;
In the land of the living.

Edward Kofi Louis
Yard

Yard,
Bard;
From your backyard,
Part of your art,
With the pact of the act! !
Impact,
Chart,
Pace, ace!
With a view from your backyard.

Edward Kofi Louis
Yard, Courtyard!

Yard, courtyard!
Fruits of love;
Put them in one basket and,
Present them with the joy of your heart.

Edward Kofi Louis
Yarnell

Yarnell, yell, year, near, all, real, ear, era, lay, ray, ale, yearn, earn, an, ell, learn;
Engineered and facilitated!
With the muse of your sweet love in this town.

The muse of life and the muse of love,
With the ways of your experiences in this town;
Bringing all together and leading them with the trith of the laws.

Sides, residents!
With the muse of the homes in this town;
Controlled by the very positive acts of your muse.

Coup, couple!
Varying your perceptions on every matter at hand in this town;
And, on the verge of turning things around to the positive side always than the odds.

Edward Kofi Louis
Yaro

Yaro, oar, or, ray!
Deep in the forest of love,
With the joy of your heart.

Edward Kofi Louis
Yarro

Yarro, ray, or, oar!
The rays of life,
The yardstick of love;
A land of opportunity,
With a deep pull of the mind,
Fields of peace! !
To enjoy the fragrance of nature.

Edward Kofi Louis
Yarrow

Yarrow, arrow, row, oar, ray, way, or, raw!
The arrow of life with the shadows of love;
Walking along with the peace of my mind,
Able to cross over the bridge to the other side of the river.

Edward Kofi Louis
Yarrow, Arrow, Row!

Yarrow, arrow, row!
Living with your works,
Educating the people;
Muse, use, fuse!
Not to refuse the truth;
So, infuse your mind with righteous morals and,
Live in peace with your neighbours.
A gentle mind,
Like tender love;
Sure!
Pleasure,
Pure;
To cure your heart with the truth.

Edward Kofi Louis
Yasay

Yasay, as, say!
Way,
Rules,
Day,
To respect each other;
For peace, love and joy!
To respect our Properties;
On earth,
Without taking any advantage of the other.

Edward Kofi Louis
Joy was it when I first met him last night,
And I am now eating with the bard next door.
His muse is what brings joy to me and,
I will also invite him to my secret room of love one day.

Edward Kofi Louis
Yasmin

To wonder on the hills and to bewail my virginity,
My name is Yasmin and i am lonely;
But love is too far from me.
I am living alone on a mountain top,
And this was the result after the war!
So i will be here in the hills to wail all day long for my virginity.
Love is all that i need and,
Do hope that one day i will find my lover;
For this mountain is so high for somebody to look for me.

Edward Kofi Louis
Yasmin's Revolution

Yasmin's Revolution,
It started in Tunisia and it spread over the Arab World!
With the chanting of the youths bringing down the Dictators;
But what I see now in Libya is like bombs falling down from heaven! !
And Gaddafi claims to win the war,
But the war songs are now destroying everything in Libya! !
My mouth will speak wisdom;
However, the meditation of my heart will bring forth understanding!
For the world gathers today against Libya,
And there is no sign for the 'African Unity' (AU).

Edward Kofi Louis
Yasulwe

Yasulwe, we, as, us, law, seal, laws, sale, use, sea, saw, way, ways, yes!
Married women,
Please, let your nakedness be seen only by your husbands;
And, not the general public.

Nature, structure!
With a picture of the sea;
But, life is a teaching field.

Fracture, infrastructure!
How can you learn without mistakes?
Accidents are part of life! And, we always have to learn from our mistakes.
Male and female,
Men and women;
Learning is part of life; and, as well as mistakes.

I love you even if you hate me!
Because, my mind is at peace;
And, I seek for the safety of the earth but,
You've now exposed your nakedness to the eyes of the public because of you
were taught in school.

Edward Kofi Louis
Yattir

Yattir, air, tar, rat, art!
Earthly things,
Evil men!
Evil women,
Evil children;
What you want is not what i want,
What you love is not what i love,
While i am seeking for peace, you people seek for war! !

Edward Kofi Louis
Yava

Stop this practice!
In the land;
Stop this act!
In the country;
And don't go great length with it! !
For, i have nothing to do with it.

Rape,
Defilement,
Drug abuse,
Armed robbery and,
Other social vices! !
For, i am Yava in the land of your muse;
And, i need peace than these negative acts.

Edward Kofi Louis
Yaw

Come and touch me with your lovely fingers,
Come and touch me so deep my love;
Because you are all that my love is set for.

Softly and aromantic,
I will lay down always for you;
Deeper and deeper,
I will go on with you on this love;
Oh, how I need you deep inside me always my love.

Yaw, sweeter than ever is your love on me;
And I will taste your fruits of love forever!

Edward Kofi Louis
Yaw Boahene

Yaw Boahene!
Where are you today?
My classmate;
Think of those days in Nima.
What are you doing today?
You can't easily forget me! !
Because I taught you some subjects after school;
When you came to my house in Nima.
To improve on your skills,
And to be what you are today;
But, try to remember me!
Your classmate.

Edward Kofi Louis
Yaya

Listen to their demands and appoint them a King!
For i am an impressive and a handsome man;
Listen to their demands and appoint them a Queen!
For i am an impressive and a beautiful woman;
And your muse is very delicious and beautiful as well.

The lion roared an i heard your voice,
So i do not have to ask of your name;
Because i am 'Yaya Busanga' from Nima!

There is what have been kept from you and,
Here is wht my lover brought to me;
But stay here awhile to read my muse,
For their demands are important too.

A flask of oil and,
Of the thigh and its upper part!
Your lost donkeys have now been found,
And i am 'Yaya Busanga' from Nima.

The ears will hear and will tingle,
And from Dan to Beersheba;
For the ark of Yahweh was once captured by the Philistines!
And like a piece of silver and a crust of bread,
I am 'Yaya Buanga' from Nima.

Yahweh was calling the boy but,
They have made up their mind for a new King;
Yahweh was calling the girl too but,
They have made up their mind for a new Queen;
So fasten up your sword over the tunic for,
The freed monkeys are now in the bush!

Edward Kofi Louis
Yazer

Yazer, ear, year, era;
But the truth is very pleasant to the heart and mind!
When you are ready to accept it.

Edward Kofi Louis
Year After Year

Year after year and time after time,
The stars seem to be unchanged in the skies;
And like the movement of a picture,
But i’m not matured enough for you my love?

The school of Athens came to teach us,
And of the many gods to behold at last;
But i’m not wiser enough for you my love?

The famous bird came to me last night,
But you better open your eyes before it is too late;
For everything is open to me like the paintings on the walls.

Edward Kofi Louis
Year After Year  2

Sear, pear, dear!
Hear the words of the truth;
With the works of peace,
Year after year! !
And bear with life;
To clear your mind with positive morals.
Gear, near, shear, tear!
Year after year with the works of the truth,
With righteous characters.

Edward Kofi Louis
Year By Year

Year by year,
This beautiful world of ours is full of colours;
But, nobody can erase the past.

There is always history in our lives and,
We can not reverse the time;
But, we need the past to correct our mistakes.

Year by year,
We need the past to correct ourselves in this world!
And, to look for a better future by changing from our negative acts.

Edward Kofi Louis
Year, Yearn!

Hat! !
What kind of hat?
Bear,
Hear,
Sear,
Gear,
Year, yearn!
Tear,
Fear! !
With a clear mind on the matter;
The matters of the heart and,
The matters of love!
Sitting near the big tree in your garden.

Edward Kofi Louis
Years Ago

Fears!
Tears,
Without hope,
Years ago;
Today with your works,
As someone hears your voice,
A choice in the land! !
As one nears your house.
Life bears the truth,
True love cares for you;
Dears of nature,
Fragrance of creation!
Hope in the faith,
Moving on,
Even today! !
With the muse of the future ahead.
Wears,
Thanks to the truth;
Ears of life! !
Years ago with your tears;
But today with Hope,
Moving along with a positive mind.

Edward Kofi Louis
Years, Ears!

Love,
Let peace be uniting your walls;
And, bring joy to all,
In the name of the truth.

Life,
Compelled with love!
Under the laws,
And, wirlg the muse of the truth!
Leading to righteousness.

Years, ears!
To lisgten to the truth and,
To do the right thing;
Bringing peace to all.

Edward Kofi Louis
Yeast, East!

They should be sisters from the same womb but,
They must be separated with the muse of love;

They should be brothers from the same womb but,
They must be separated with the muse of love;

The time of work with the muse of life,
With a reward towards righteous works;

On! !
Like the Spotlight;

Yeast, east!
Able to present a job for a brother or a sister.

Edward Kofi Louis
Yeasts In The Air

Yeasts in the air! !
Having the meal,
Having the seal,
With the deal of life;
Like the last glass of wine,
At the ninth hour.

Wine in Religious Ceremonies!
The muse of life;
Many will run but, they cannot hide!
Many will learn but, will never understand the ways of wisdom.

Deal, seal, heal, meal, zeal, real!
The wonders of wine,
The wonders of nature,
The wonders of love,
The wonders of life,
Facing the ways of creation.

Edward Kofi Louis
Yeats

Yeats is your name and,
You are like the yeast of love!
And like the 'Go-Go Handsome Men's Bar' in Botswana;
But carried out of China was the remittance of your work.

Share holders,
Directly involved;
Analyse,
To report;
Transferred through remittance to satisfy your muse!
But this syndicate is all about your love.

Edward Kofi Louis
Yeboah

The people are more negative than before,
Like the Gamma-Ray Women and the X-Ray Men;
The winter to me is like life in Winneba.
The law and the prophets are for the society,
Like the ignorance of foolish men in the bush;
But forever young is my mind with you people.
Hello Yeboah, how are you doing in the land of the living?
I've got more experiences in life to share with you;
Like the fools in Bethlehem who cannot understand the prophecies.
A million thanks to you but,
What are friends for?
But today, you are stepping on the wrong stone.

Edward Kofi Louis
Yebus

Where do come from my love?
And of the swarm of bees and honey around you;
For the customary for the bride and bridegroom are ready,
And i am using diplomacy to meet your love.

The man who appeared to me came again and,
Of the thirty friends for his thirty linen garments;
For the time of the wheat harvest is near and,
I will use diplomacy to meet your love.

I am very powerful like the sun but,
Your beauty had met my love like the bees around you;
And the summer is right here in the land of love.

Come and share with me and,
Come and let us play in the garden of love;
For i am Yebus from a land far away!
But i will always seek for you.

Edward Kofi Louis
Yeconyah

Yeconyah, cone, one, on;

In peace,
You will have peace!

In love,
You will have love!

In gratitude with,
Servitude and attitude;

Moving along with positive works.

Edward Kofi Louis
Yedlin

Yedlin, line, in, yield, end, lie den;
Force, source, divorce!
In the valley below,
But let me out! ! !
Because, divorce is part of life.

Gates of memories!
Let the truth lead you on and,
Let your heart be with the joy of peace;
For, there are two side on every story! !
However, be wise enough like King Solomon.

Edward Kofi Louis
Yellow Bird

Yellow bird,
Follow me;
Fellow!
Allow me to lead you on.
Flow!
Now,
Show,
Blow! !
Crow,
To see the cow,
In my yard.

Edward Kofi Louis
Yellow Moon

Yellow Moon,
Golden Moon;
With the sight of nature!
With the light of life;
Watching you,
Seeing you,
On the east side from my house.

Edward Kofi Louis
Yellow Rain

Yellow rain!
Death to the crops and the people;
In the name of war! !
Destroying everything and,
Killing the people.

Edward Kofi Louis
Yellow River

Yellow river,
Lovely river,
Flowing along with the muse of nature;
Having a very nice view in my land.

Edward Kofi Louis
Yellow Sea

The ice is broken,
And i can now see the nakedness of your muse;
And like the Yellow Sea beyond your scope,
But the hope of my life is all about you.

Edward Kofi Louis
Yeltsin

A deep trance channel,
And of my single steps to Yeltsin;
But bringing forth the fruits of love,
And like the befitting acts of your love!

Edward Kofi Louis
'Adios Yeltsin';
And like the gurillas to the technologies of our time!
But, the tropical seashore will move you about;
Because of the convention of the wisdom of incognito.
Shore, ore!
Like the muse of the Attorney General of Mississippi;
But, be very wise to do the right thing always in life.

Time and money!
Distance and honey;
But, midnight is the time of the demons! !
Like, red-hot chilli pepper.

The gorilla of our dreams!
But, propulsion is not an antacid;
However, my ego is bigger than the State of Texas! !
Because, the world had metaphorically become smaller.

'Adios Yeltsin';
And like pace Setters for progress!
But, my heart weeps and my mind writes,
Because of your muse which is gone too soon.
Pace, peace!
And like life in a dreamland without hospitality;
However, i will be your mirror always on the wall whenever you need me.

Edward Kofi Louis
Yerman

Yerman, am, arm, man, year, ear, era, yam, may, yearn!
Metropolitan,
To contribute;
Year, ear!
With the muse of investors,
In your land.

Role, rule!
Daily guide,
Peaceful and conductive;
With the vital role of your love.

Dig, dignitaries!
Executives,
To transact business,
More progressive! !
And, with a direct impact.

The muse of life,
To achieve greater accountability;
With the muse of the civil society,
In terms of efficiency and progressiveness in the muse of your land.

Edward Kofi Louis
Yerman 2

Yerman, year, ear, man!
Walking along the narrow path of life with my imaginations;
Respecting nature to understand the ways of the universe,
From birth to death.

Edward Kofi Louis
Yes I Am

Are you the one?!
'Yes i am';

To be mindful,
With the muse of sweet love;

Like the powerful light of the sun!!
With positive morals.

Edward Kofi Louis
Yes It Is

Is this what is seen out there? !
Yes it is;

Is this what is seen inside? !
Yes it is;

Is this what is seen outside? !
Yes it is;

Sweet love!
From within;

And, to start the day with coffee,
With the magic words from the writer.

Edward Kofi Louis
Yes To Love

Yes to love,
Yes to peace,
Yes to the truth!
No to hatred and war.

Edward Kofi Louis
Yes We Can

Can we make it?
Yes we can;
can we love it?
Yes we can;
Can we do it?
Yes we can;
Can we build it?
Yes we can;
Can we say it?
Yes we can;
Can we read it?
Yes we can;
Of visions and revelations,
Like a visit to the third heaven.

Can we work it?
Yes we can;
Can we pay it?
Yes we can;
Can we save it?
Yes we can;
Can we carry it?
Yes we can;
Can we bury it?
Yes we can;
Can we move it?
Yes we can;
My heart is for you and,
I exceedingly love you;
Like the works of our labours.

Can we paint it?
Yes we can;
Can we cook it?
Yes we can;
Can we open it?
Yes we can;
Can we post it?
Yes we can;
Can we close it?
Yes we can;
Can we win it?
Yes we can;
We cannot do anything against the truth,
But only for the truth;
Like the hopes of our dreams.

Edward Kofi Louis
Yes We Can!

Yes you can,
Yes i can,
Yes we can!
When we all do the right thing;
To save the earth and, all mankind.

Edward Kofi Louis
Yes You Can

'Can i see you? ! '
Yes you can;
Because, i've seen true love in your eyes,
And, i'm ready to show you the way.

Knock at my door!
And, i will open it for you;
To enter in with your lovely face,
And, with the joy of your heart.

Edward Kofi Louis
'Yes'!

Yes or no!
No to the first act,
As it appeared to me;
Up high in the sky! !
And, yes to the second act;
With my heart so sweet.

Yes or no!
Question,
Answer;
To touch your heart,
To touch my heart,
As i saw the message up high in the sky! !

Yes or no!
Then came the second attempt;
And, it was 'yes'! !
As answered,
And, i got it right his time around;
Brian, brain!
To approach the question,
With the muse of love.

Edward Kofi Louis
'Yes, I Do'

Do you love me?
'Yes, i do';
Do you need me?
'Yes, i do';
Do you want me?
'Yes, i do';
Then come to my room!
For today, i have found you.

Edward Kofi Louis
Yes, Yesterday!

Yes, yesterday!
With your love,
With your peace,
With your romance,
With the sweet aroma of your heart.

Life!
To see and to proof the truth over lies;
Life!
With our exhibitions on this earth;
So, let us all go for the truth and,
Live in peace.

Edward Kofi Louis
Yeshimon

Yeshimon, yes, his, on, so, she, in, hoe, shoe, hoes!
To hear your voice and to see your face,
A woman of intelligence and understanding;
With a beautiful appearance.

Edward Kofi Louis
Yessica

Of camels and donkeys,
And the beautiful maidens came out to draw water;
For she was among them too.
She made haste and lowered her jar to me,
Like to meditate in the field of love!
Yessica is her name and,
i will always remember her.
I am enticed by your love oh Yessica!
And my heart so longs for you;
So come and be my lover on this planet.

Edward Kofi Louis
Yesterday

I will forgive you for yesterday,
Because you are pale as pale could be;
Your pictures hang on the wall and,
I will forgive you for yesterday.
Food for the winter over there,
Down to your knees like the army of rats;
The walls do have ears.
Mad and fear,
Two eyes of flame;
Down to your knees like the army of lizards.
It was only the cat,
It was only the fish,
It was only the girl;
This had made you to whistle mirthful to excess.
Of the rising moon,
So dark that it was;
The summer and the autumn had been so wet.

A shivering shock,
The wind had blown a gale all day long;
Like the starving poor in the Sahara.
Love, valour, wit;
I will forgive for you yesterday.
The triple leaves,
As softly green as emerald;
this is the last rose of the summer.
My fragrant path adorning,
Love and valour wandered;
Down on his knees like the army of elephants!
I will forgive you for yesterday,
But i will move on ahead of time;
With the rising moon to guide my paths,
Like your pictures all over the wall.

Edward Kofi Louis
Yesterday And Today

Love,
Yesterday and today;
Life,
Yesterday and today;
Like the cat and mouse game.
Zero, Zorro!
With the mask on;
but, too real.

Love,
The only place;
Muse,
The only time;
With a brand new start.

Honour!
Life,
Humility,
Love,
Our, court!
But, let the laws speak the truth.

The muse of nature,
Yesterday and today;
With the hidden codes of life and,
The honour of love!
Leading to the joy of the heart.

Edward Kofi Louis
Yesterday Is Gone

Yesterday is gone but,
Another day has come for us today;
Like each man and his mule.
Of a Royal line to muse with the muses,
Shall the shadow go ten steps forward of backwards?
Yesterday is gone and today is here with us;
But, what is love going to do on this matter?

From the wadi of Egypt to the Euphates River,
The golden lampstands are there for you;
From the least to the greatest,
By the Habour River i do stand and pray;
Like a pupil's work to the teacher.

Tomorrow is what we look for,
Like each man and his son;
But my mind is on you like,
Each woman and her daughter.
Into the land of Ararat,
Of words written down for us to read;
Like each man and his mule.

Edward Kofi Louis
Yesterday, Today, Tomorrow!

Today to me is like yesterday!
Because, what occurred yesterday cannot be forgotten today;
But, i do hope that tomorrow comes for me to forget all about it.

Edward Kofi Louis
Yesterday's Flowers

Deep purple,
Yesterday's flowers;
Flowers of love,
Flowers of joy,
Flowers of peace and unity,
Having today to enhance my status!
With the romance of nature.

Edward Kofi Louis
Sad news!
Reaching out to me;
Yesterday's night!
26th September 2015;
To hear of my mother's death,
As my sister called me and told me! !
Because, she was staying with her.

Edward Kofi Louis
Yesterday's Rejected Stone

An axe that cuts trees,
An ox that eats grass,
Seeing a joyful mother with her children!
But, yesterday's rejected stone had now become the Corner Stone today.

At the Red Sea with your lover,
With hands of love;
Seeing the hands of war dein afar! 
Cleaning your ways with the muse of the truth.

Fingers for battle,
With the enemies around!
But, war is not the answer to peace;
Wisdom is better than the weapons of war! 
Yesterday's rejected stone had now become the Corner Stone today.

The underworld!
Like the Greek's Nilus;
In the sea and, in the deep.

Let the rivers clap their hands! 
Let the hills shout for joy,
Like the pillar of the cloud of wisdom;
For, we all need peace than war!
To clean up our ways on earth;
Yesterday's rejected stone had now become the Corner Stone today.

Edward Kofi Louis
Yesterday's Stories

The muse of life!
Samuel's expected child died;
The muse of life!
Eunice's married husband died;
The muse of life!
What Comes next to this family?
Tell me if you know.

The difficulties of life!
With yesterday's stories;
But today, rich and famous in the land of peace.
Life!
Like a lizard walking on the surface of water;
Muse!
From boyhood to manhood;
Marginal,
Original,
Regional.

Man, managed!
With yesterday's stories;
And like a snake dancing at the market place.
Muse!
I love my Fridays;
A day of rest to respect my mind.

Muse!
From girlhood to womanhood;
And, to give more to the poor tomorrow.
The lovely fruits of life,
Leap for joy! 
And let your works be seen by others;
In a positive way.

Edward Kofi Louis
Yet, Wet!

Yet, wet!
Under the tree of love and care;
And to listen to the birds that sings above you,
However, everybody has a dream on this earth.

The innovations of life,
With the muse of love and the works of nature;
But, where is the source of water for you to do your fishing?

Elongated!
With the muse of love;
Going in and coming out,
And, to coil like a rattle snake.

Dots!
Stripes,
In your dreams;
With the muse of love,
Between the breasts.

Edward Kofi Louis
Yether

Yether, he, here, her, there, tree, yet!
But still a youth,
Like oil from the olive tree;
Honourable and truthfully to the laws,
The laws of righteousness.

Edward Kofi Louis
Yetur

Yetur, true, yet, Ur!
To get next to you;
The same night,
With the muse of peace and love.

Name me your wages and i will pay it to you,
Because, i saw you in my dream last night!
With the light of love and the roses of peace.

Edward Kofi Louis
Yhwh

In the language of liturgy,
In the transilation of the Roman Missal;
The Bible reflects the Hebrew traditions but,
Many have missed the four-letter tetragrammaton YHWH.

Of the Scriptual Texts,
Of the prayers of the faithful;
Why sit ontop of the four pagan gods?

Many gods and many lords,
From Constantine's point of view;
But in the confused system of fragmented dogmas,
What can i say to you now?

Osius of Cordoba,
Of mules and horses to stay alive;
Like the names of 53 gods tabled for discussion.

Heathen customs,
They are much more than ignorance or honour;
But, have we learnt enough from the consolation of 'Jah'?
YHWH is the tetragrammaton forgotten so soon.

Edward Kofi Louis
Yiadom

Yiadom, aid, aim, dam, do, mad, may, yam;
Like the strong winds of the west!
Being with Lord Bristol.

'Musculus Cucularis'!
This world is really disturbed;
With illegal lust painted nively than true love.

Lust!
With disturbed minds;
Always waiting for their victims.

It is very sad! !
But, many are those who go that way;
thinking that, they are always right.

Edward Kofi Louis
Yield

Yield yourself to me my love and,
Obey my laws which are indeed spiritual!
For the Twisted River and the Swollen Sea will never save you;
Because the sky is looking at your nakedness and,
I am here to save you with my love.

Edward Kofi Louis
Yiele

She passed the night with you,
Ans she emerged out with many ideas!
For her love was all that you needed;
But hold on to the facts before judging me.

I am Yiele who observed her movements around your home,
And i really know what it means to have her around you;
So be careful before you jude me!
For she always passes the night with you.

Edward Kofi Louis
Persistently,
Warning,
To get onto the bottom of the matter!
And like your stepdaughter in the land of your muse;
But Yikle saw it all! !
And instantly, you gave up your dreams on this love.

Edward Kofi Louis
Yimnah

Yimnah, Nima, in, aim, yam, may, him, May, main!
Pleasant with the works of peace;
The resting place of love.
Walk, talk, chalk, stalk!
With the muse of the one who is set apart;
Under the eyes of Righteousness.

Edward Kofi Louis
Flirtation,
To run into each other's arms! !
With social contacts and of the events,
But the approaches cam from Yira your mate.

Edward Kofi Louis
Yithra

Yithra, hair, air!
Addition, Addiction,
With the muse of earthen pottery around you today;
Hatred and war! !
Cannot bring us peace;
Light of the day!
Bright on the way;
To say your words,
Right words of peace and love.

Edward Kofi Louis
If loving you was a mistake,
The i don't want to be right;
If knowing you was a mistake,
Then i don't want to be known;
For i am Yobby in the land of your muse,
And like the mango tree and the banana tree living together.

Ice age,
Your area of poetry;
Bronze age,
My area of poetry;
Stone age,
Her area of poetry;
Golden age,
His area of poetry;
And like the English Literature! !
But, i do have the English Poetry for you;
For, you are my poetry.

Edward Kofi Louis
Yobi

Consider what is just and lawful Yobi,
Because i don't see why it should be like this between us;
For i laid my love very open to you,
But you failed o understand my muse.

Edward Kofi Louis
Yoda

Yoda, day!
Daybreak,
Daybreak in Africa,
With the birds singing a love tune;
The songs of love,
The songs of life,
The songs of joy! !
With the melody of peace.

Edward Kofı Louis
When you play with fire, the fire will burn you!
And when you play with snake, the snake will bite you!
So follow the rules of life and learn from the right things always,
For the muse of your love is hanging in the air unbalanced.
'Aboa rebowu a opin'!
Yoko my lover, what is the oil price today?
Learn from it and teach others about what is going on,
For there are many problems all around us on this earth!

Edward Kofi Louis
Yoko Ii

Graphic oceans,
Abstracted oceans,
Lovely oceans;
But abstractly noted all over the world;
And like Girls only Clubs.

Green day!
Red day,
Blue day,
Black day;
And like the only way that leads to your houses! !
However, it is also like Boys only Clubs.

Rollers!
Wings,
Of the mountains;
And like Yoko your Lover in the land of your muse,
But, your message gave me hope.

Edward Kofi Louis
Yoktheel

Yoktheel, toe, hoe, lot, let, yet, Lee, heel;
With the muse of Love,
True Love!
To face the works of the truth,
In your land;
Without hurting your neighbours.

Edward Kofi Louis
Yolande

Natural talents and abilities,
And like villages without walls;
For my name is Yolande and,
I am alone on the narrow path of love.

Time after time and,
Sabbath after Sabbath;
And of the old harvest to share with you!
Because, drought and barrenness have overshadowed me.

Oh my lover,
I am now in the Wilderness of Sinai looking for you;
For i will always share my finest olive oil with you,
And you have to stay tonight with me.

The sack of the old harvest is with me and,
Let me tell the wind to seek for you;
For the wind blows to where it wants to and,
We are like the female-goat and the male-goat.

Get twelve staffs from the wilderness and come to me,
Come and lead me on to be able to walk through the bush;
For i have a spear in my hand and,
I will guide you on into the chambers of my love.

Edward Kofi Louis
Yolandey

Yolandey, lead, led, lad, lay, loan, land, do, and, end;
But, mankind is sick in a way;
With weapons of mass destruction as thier food! !
Ready to kill and destroy,
However, that's the way it is with us on earth today.

Past, pasture, pastor!
With the works of mankind on earth today;
Before our very eyes! !
War and refugees;
Crossing over from border to border.

Yolandey, day, den, delay, deal, lone, one, Dan, doe, done;
But, unity is better than division! !
So keep in touch.
Thoughtful, superb!
And, to anoint our prayers through our respective toils on earth.

Edward Kofi Louis
Yoshi

Yoshi, so, is, his;
His house,
His car,
His work,
His money!
With the mus eof the waves and the energy of the ocean around him;
Sailing along to enjoy his status.

Edward Kofi Louis
Yoshiyah

The king's hand is restored and i need your love,
So come to me my lover if you are called Yoshiyah;
For my love lay naked now waiting for you,
And i will prepare my food of love for you always.

Edward Kofi Louis
You Are Probably To Be Blamed

Incriminate,
Suicidal proportions,
Surprised! !
With the seriousness of your acts;
But, you are probably to be blamed.

This case is moving on,
Very fast! !
Aiming to win at the end;
However, let your light shine among all!
So that, we can see your positive works.

Preparations,
To face the exams! !
Worse off with difficulties;
Suffering,
Like the commission of a crime well known to us.

Presence,
Facilitating!
Uncertain,
Guilty,
Indirectly;
Known or unknown,
However, with an outspoken words to provide a proof.

He agreed,
She agreed,
The purpose was all about love!
In another acadamic year;
However, this integration was just the last mark.

Certain,
But yet unknown to you;
The purpose of aiding,
Facilitates!
Encourages,
Otherwise with your love.
Sparrow, arrow!
With the border of uneasiness;
Last night,
Night in the mountains! !
In a small hut,
To cut down a tree,
A view point!
And to put an end to your negative acts in the land.

Edward Kofi Louis
You A Peaceful Woman

I've seen the truth in your heart!
You are a peaceful woman;
You've got the ability,
The works,
The joy of life! !
And, i am ready to meet you.

Edward Kofi Louis
You Acted On It

You acted on it to save your name!
But, tomorrow is another day;
Think twice! !
You really don't like it,
But you accepted it;
Knowing your present condition in the land.

Edward Kofi Louis
You All Have Something In Common

Brilliant shapes and attractive Brests!
And the nakedness of women appeared onto men;
Oh women! ! You will surely kill men.
From the border of your hips to the act of your lips;
And, of the glory of your eyesight,
But, your inner circles are the strongest of love.
The muse of your sweet love!
of your breasts as lovely as apples;
And, of your nakedness that are exposed to men,
However, 'the Bold and the Beautiful' will always be like 'Beauty and the Beast'.
The ways of life on this earth today!
You all have something in common;
With the muse of nakedness being exposed everywhere to men.

Edward Kofi Louis
You And I

Let this earth go round with care,
Let this world go round with love,
Let this planet go round with peace,
Let this globe go round with joy,
And let us guide our neighbours too;
Give a little and let someone take a little as well.
Stay blessed,
For you and i were made on this earth with love;
And we have to share our experiences with others too.

Edward Kofi Louis
You And I  2

I and You,
You and i!

Me and You,
You and me;

Facing the wickedness of the world today,
Because of the ways of mankind! !

Edward Kofi Louis
You And Me

Life!
For you and me;
Just like those days back in the woods,
But, i now have your number with me.
The muse of life,
With father and son;
the muse of love,
With mother and daughter;
And like a dream for Africa! 
With hills, mountains, rivers and Valleys in view.
Life!
All i ask now is about love;
With the muse of the joy at the rightful place in your heart,
And, a better tomorrow is what we do seek for! 
Every now and then.

Edward Kofi Louis
You And Me  

Life is all about you and me; so, let us all do the right thing on this earth.

You and me! Without hurting each other; following after the laws of peace.

You and me! For the joy of the world; with the muse of sweet love.

Edward Kofi Louis
You And Your Seed

'To you and your seed i will give these lands,
And your seed will multiply like the stars of heaven;
For in your seed will all the nations of the earth be blessed!
Because, you obeyed My Voice and kept My Laws'.

Edward Kofi Louis
You Appeared In My Dreams

Love, peace and joy!
Meeting you,
Seeing you,
Knowing you;
And, you appeared in my dreams.

White buffalo's tears!
For your joy,
For your peace,
For your love,
For your care,
For your understanding;
And, you are now rejoicing because of me.

True love!
Out of the waters;
With the inheritance of peace,
As you always appear in my dreams.

Spices for the sweet incense!
With the muse of love that leads to life;
Without hatred,
Without war,
And, standing always tall! 
For, you are my hope in the day of trouble.

Edward Kofi Louis
You Are

'Don't i look attractive'? !
You are;
'Don't i look lovely'? !
You are;
'So, what is the problem with you'? 
The Laws!
For, it is written: 'A man should sleep with somebody's wife'.

Edward Kofi Louis
You Are A Beautiful Lady

Side,
Beside,
Fiction,
With a personal force.

Diction,
Outside and inside;
With highlights!
But, you are a beautiful lady.

Edward Kofi Louis
You Are A Beautiful Woman

Portrait,
The portrait,
Your portrait;
You are a beautiful woman,
As you read along my lines.
This day of life!
This day of joy;
With the melody of peace,
Under the eyes of your beauty.
You are a beautiful woman,
And, love is in your heart;
The joy of if that flows with the peace of your works.

Edward Kofi Louis
You Are A Great Poet Indeed

A sweet sleep,
In times of love;

Spiritual understanding,
In times of peace;

Smiles! ! !
With the joy of the hearts.

Material image,
A different kind;

The symbol!
A child,
A woman's seed.

Works and acts,
There is life in the blood;

The spirit of the truth,
Sorrow!
Yet you left me alone.

Everyone to his or her City,
Everyone to his or her house,
Everyone to his or her lover;
Joy and gladness! !
Music and dancing,
Your feet almost slipped off!
From the works of the truth;
Like a dream after one awakes.

The success of the wicked!
Violence covers it like a robe;

Wake up from your sleep! !
And watch the world,
It is full of hatred and theft.
Writing,
You are a great poet indeed!
With the muse of love,
And the works of peace.

Seed, heed, need, feed, creed, reed, weed!
Like old folks;
Stories!
Like honey and molasses;
Imagination,
Moving on;
Able to teach others with the muse of the truth.

Edward Kofi Louis
You Are A Rich Person

You are a rich person,
Taking care of the poor people around you;
For the sake of peace and love,
For the joy of life and, the respect of nature.

Edward Kofi Louis
You Are A Star

Bar,
Car,
Tar,
You a star!
Living among us,
With the style of your works;
With peace and love to all mankind.

Edward Kofi Louis
You Are A Star!

Star! !
Light,
Peace,
Love,
You are a star!
Caring for all mankind,
With the works of the truth;
Bringing joy to the hearts.

Edward Kofi Louis
You Are All That I Need

I tasted it and it was very salty!
But what can i do without you?
For you are all that i need.

Edward Kofi Louis
You Are All That I Need 2

You belong to me,
I belong to you;
Love!
You are all that i need.

Edward Kofi Louis
You Are Alone

You are alone,
You need a man;
Call me if you need me,
And i will be there.

Edward Kofi Louis
You Are Always On My Mind

I love you so much that,
I cannot sleep at night;
You are the delight of my dreams and,
I want you to know that.
You are always on my mind,
In this world so sweet with you as my lover;
And, i will always remember you.
Everything has to go on smoothly to cement our love,
Down by the river side with the love that muses;
I can always see your image on the surface of the waters!
And, you are mine my sweetheart.

You are always on my mind and,
so, don't let the colours and the differences between us separate us;
Don't let distances separate us as well,
For you are all that i need my sweetheart.
Your love matters to me a lot!
And, you are the dream of my dreams;
Your shape and movements do motivates my intuitions.

You are always on my mind,
And, you are all that i need;
In times like this, i will always dream of you.
I love you so much that,
I don't know what to do;
And, i want you to know about this my sweetheart!
For, you are always on my mind.

Let the emotions of your love move towards me,
Come and be the one for me always;
For, my world is your world and, you world is my world.
You are the very one to upgrade my status.
You are always on my mind;
And, i have nowhere going than to love you.
Sweet love!
Like a bread and butter pudding;
So come and, let your love zone be mine,
My beautiful woman.
Love makes the world goes round;
And your sweet love is always on my mind.
So, come and enter into the world so sweet with my muse!
For, i love you and,
You are always on my mind.

Edward Kofi Louis
You Are Always On My Mind  2

I hope you are sleeping well my love,
Even though i am not there with you;
A distant afar! !
But, you are always on my mind.

Edward Kofi Louis
You Are Always With Me

One young goat,
One fat cow,
For, you are always with me!
And, all that i have are reserved for you.
One fat goat,
One young cow,
But, try to humble yourselves in this life;
And serve one another in peace,
For, you are always with me.

Edward Kofi Louis
The works of the flesh,
Sex is being practised openly everywhere!
The carnal mind of the people,
Nakedness is being exposed freely everywhere!
But the works of the flesh is always like fools on a roll call.

Compassion, kindness and mercy;
Live as an example for others to learn from you,
And do not live according to the flesh.

Life is like a half dead man walking at times,
And love is like a half dead woman walking around too!
But try to live according to the spirit than the flesh always.

Look at th diseases aound us,
We have to come out of the world and learn to live better;
For you are part of it and an example of it!
So let us make a better choice and live like,
A woman who cannot forget her missing child:
For the carnal mind i vanity to all the things around us.

Edward Kofi Louis
You Are Beautiful

I will watch it even it is hundred times! !
Because, you are beautiful;
And, it is true!
So, let me fill it and feel it.

Edward Kofi Louis

Your eyes,

The shape of your body,
Your words,
Your smile;
You are beautiful.

Edward Kofi Louis
Beloved,
My beloved!
You are beautiful all over;
Your lips are like a strand of scarlet and,
Your two breasts are like two fawns!
Your speech is comely to my heart.
Beloved,
My beloved!
You've taken away my heart;
With the muse of your sweet love,
Always bringing joy to my heart.
Beloved,
My beloved;
Beautiful to the world so sweet!
Your love to me is sweeter than red wine;
Your lips drip like honey!!
Yes, like honey from the honeycomb;
For, honey and milk are always under your tongue.

Edward Kofi Louis
You are beautiful all over!
With your eyes and your mind;
Words of love,
Works of peace,
You are beautiful all over.

Edward Kofi Louis
You Are Called Angela

A sheep, a donkey, a camel and a bird;
Animals with acts and people with brains!
But i do have my valuable fruit of love to keep you in check;
For this message of love is for you only.

An event of an enormous important man is in your village,
And with an overwhelming act of love to share with you;
For you are called Angela and i have this message for you.

Edward Kofi Louis
You Are Deceived

Life!
You are deceived because,
You do not know and understand the truth from the Scriptures;
Nor, the Power of Yahweh.
Life!
With the Seventh Day Sabbath for the People of Yahweh;
Leading and teaching you the Laws.
Life!
Practicing the Laws;
And living in righteousness than,
With hatred on your face that destroys the world.
Pound, propound!
With the truth from the Holy Scriptures;
And, following after the laws to bring peace to all on this earth.
The muse of life!
You are deceived because, you do not know the truth from the Scriptures;
And now, you are following after the Gods and Goddesses of your heritage.

Edward Kofi Louis
You Are Great

You have a very soft body and,
Very soft lips too;
You are in, over and over!
And, i am here for you.
Hold me tight and press me on,
Let the star in you shine upon me;
You are in love and,
I know that.
You are all that i have,
You are all the i dream of;
I am in love and you are in love too.
Lovely lips and soft body,
Hold me tight all night long;
You are that i need and,
You are in love.

Edward Kofi Louis
You Are In My Thoughts

Love and dreams,
Peace and joy,
With the aroma of nature and the fragrance of life!
You are always on my mind and,
You are in my thoughts.

Edward Kofi Louis
You Are In Spirit

Where you are!
You are in spirit;
So, you can look down and see me better,
Knowing what i am going through in life.

Edward Kofi Louis
You Are Like My Mother

Lovely words,
Peaceful works,
To care for all!
With your ways in helping humanity;
Oh yes! You are like my mother.

Edward Kofi Louis
You Are Mine

You are mine,
Dine with me,
With a bottle of red wine,
Like the pine of Africa!
Fine with your heart.

Edward Kofi Louis
You Are My Dream

Widows,
Wins!
Wings,
Of love;
Your love,
My love,
You are my love! !
With the muse of life.
Love, live!
Living in our dreams;
To wander and,
To wonder! ! !
Bringing us together to share the peace of love.

Edward Kofi Louis
You are my first love,
You are my everything,
And i will cross over the ocean blue to meet you!
You are so beautiful and,
Very palatable to my taste;
And, i will do anything and prepare everything for you.

Edward Kofi Louis
You Are My Heart

I love you!
Oh! ! You are my heart;
I love you very much.

Edward Kofi Louis
You Are My Hope

Life,
You are my hope;

Love,
You are my peace;

Nature,
You are my joy!

Peace,
You are my light;

Muse,
With the aroma of the truth.

Edward Kofi Louis
You Are My One And Only

Open and close,
You are my one and only;
So, call me and let me hear your voice!
For, i have no other choice than you.

Edward Kofi Louis
You Are My Sunshine

Love,
True love;
You are my sunshine!
Bringing joy to my heart,
Whenever i see your face.

Edward Kofi Louis
You Are My Sunshine  2

Love,
You are my sunshine!
Helping me through with the truth,
Taking care of me.
Tender love is the key! !
With righteous morals;
Yes! Patience is a virtue.

Edward Kofi Louis
You Are My Sunshine 2

They symphony of Love,
The harmony of Peace,
The aroma of Righteous Morals,
The fragrance of Life,
The romance of Nature,
You are my Sunshine! !
Always touching my heart with your sweet words.

Edward Kofi Louis
You Are No Angel

One day i will kiss your sweet lips once again,
For your love is waiting and it needs someone;
But you painted me black and left me on the tide.
You've parted me like the devil but,
You are no angel at all! !
For i've heard much about your new status and,
One day i will kiss your sweet lips once again.

Edward Kofi Louis
You Are Not Alone

Lonely,
Alone!
But, you are not alone;
Because, someone care for you,
So, open your eyes and look around.

Edward Kofi Louis
You Are Not Alone On This Earth

I have more poems to touch you people out there,
And like the hands of my works from my effective mind;
With a selfless act to touch your natural stance,
And with a satirically manner on this writing techniques!
Use your inner self to touch someone,
And let your heart take control of your mind;
With the sense of humour like the smile on the face,
For you are not alone on this earth.
Negative thoughts produce negative results,
So keep your love alive with positive thoughts always! !
And like the rebirth date of the bard,
For you are not alone on this earth.

Edward Kofi Louis
You Are Not Here With Me

Dreaming of you! 
Just missing you;
All my life,
Because, you are not here with me.

Edward Kofi Louis
You Are Not Ready

You are not ready for the truth because, you are ready to destroy the world with your evil works.

Evil passions! Seen all over the world today; with history recording our works on earth.

Friction, action, reaction! Spoken at length with the muse of the laws; but, you are not ready for the truth.

Edward Kofi Louis
You Are Pregnant

You are pregnant,
I can see it in your eyes;

You are pregnant,
I can see it in your works;

You are pregnant,
I can see it with your acts;

You are pregnant,
A new life!

Formation,
With months ahead;

Waiting for a new life,
Birth! !

Love and life,
Love and dreams,

Birth and life,
You are pregnant.

Edward Kofi Louis
You Are Ready To Kill Others

You have the guns in your hands,
You have the hatred in your hearts,
And, you are ready to kill others.
You have the sickness with you,
You have the hatred in your hearts,
And, you are ready to spread it all over.
You have made up your own respective classes,
And you have the hatred in your hearts!
So, you are ready to destroy others.
You have the bombs wrapped on your bodies,
You have the hatred in your hearts,
And, you are ready to kill others!
But, what you see in the world today?
Yes, year 2012 with the muse of civilisation;
However, it is very sad that, we are more uncivilised than ever!

Edward Kofi Louis
You Are Seen Everywhere

Your laughter have turned to mourning and your joy to grief,
Because in pleasure and in self-indulgence you left your lover;
And today you are seen everywhere barefooted.

Edward Kofi Louis
You Are So Beautiful!

From what you saw at Warsaw!
Like the muse of the 'Bojamin Tea' on your table today;
But, apparently i am seeking for your love with the peace of my mind,
So, try to gain wisdom in all things with the light of righteousness.
Look for the realities of creation and live in peace!
With the pact of immortals to mortals;
And to know the truth to please your soul,
But, to err is human.
And open door! !
An open door leading to the success of life;
And, to take control of the earth with positive things,
For, you are so beautiful to me and, you are what you are.
And open door! !
And open door leading into the journey of your mind;
With the muse of your sweet love to the world,
And, with your rational love to boost my taste.
You are so beautiful!
You are so beautiful to me;
And, the mountain of my heart yearns for you! !
So, walk like a champion and fell like one always;
To climb up to the heights of true love with your lovely muse of peace.
And open door! !
An open door with the muse of your beauty to the world so sweet;
For, i am the one seeking to enter in,
On my sweet lady! ! !
You are so berautiful,
You are so beautiful to me;
And, love will never end when i am with you;
So, help me relax my mind with the muse of your joy.

Edward Kofi Louis
You Are So Wise!

Wisdom,
You are so wise!
With righteousness leading the muse of your works;
Educating and sharing with all mankind,
Especially for those who are ready for the peace of the earth.
Wisdom!
With kindness and mercy;
Wisdom,
You are so wise!
With respect and care to all mankind.

Edward Kofi Louis
You Are Still Missing The Point

You are still missing the point,
You are still musing up with your mind,
But, you need the collective works of the teacher to drive you on.
Much study is wearisome to the flesh!
So, search and learn from the truth always;
However, which day is the Seventh Day of the Week?

The days of the week,
The days of love,
The days with your muse,
The days of rest;
But, you are sitting on the Seven Hills of Rome.

The linen cloth,
Your missing works!
But take me as i am and,
Sing aloud oh heavens! !
For, the collective works of the teacher is now leading you on.

Take me as i am and love me as i am,
But not like a foolish writer with PhD;
Out of sheer disgust,
Alienated!
But, do smoke in your own room to kill yourself.

Sheer, seer!
Don't smoke outside to disturb others;
For, things are now heating up for the nuclear war! !
And, nature is now holding up the four winds of the earth.

Ability and wealth!
The moon will not give her light and the sun will be darkened;
Yes, from the effects of the nuclear war which will let the stars fall down from the heavens! !
But, pleasant words are like a comb of honey.

Money, honey!
The grey hair is a crown of glory;
But, an evil doer listens to false lips.
Edward Kofi Louis
You Are Still Strong

Love and pain!
You are still strong in spite of these things;
I will come near to you,
With the words of peace and,
The works of Joy! !
Able to carry you along.

Edward Kofi Louis
You Are Still The One

Your love to me is as the mongo tree and,
I am ever ready to pluck your fruits of love;
But, a masterpiece is revealed when it comes to your style.

You are still the one that i have,
You are still the one that i know,
You are still the one that i need,
You are still the one that i want,
And tasting the limits of this explicit love;
For your romance is still part of our relationship.

Your still the one and,
Of a transcended vision on this love;
But the solipsistic art of my mind is like,
The ticket of love to make my world go round with you.

Edward Kofi Louis
You Are The Compass Of The Humble

Many times in our lives,
We are dropped, crumbled and grounded!
However, you are the cutting Edge of the society;
And the beauty of your mind rules the world! !
With love,
Than war!
You are the land that can be cultuvated,
Your biography is all about you,
You are the compass of the humble;
So, don't give up on your dreams.

Edward Kofi Louis
You Are The Eye

You are the eye of the people and,
You are the eye of your family!
For you are the one to set them free from poverty.

Do not add to these things or take away from,
Do not subtract from these things or even multiply them!
And like the higher tower in the lower valley of love,
But the trees in the Garden of Eden were all laws.

You are the eye of the people and like,
The law starting from Adam and ending up on us today;
For it is like every man and his brother and,
Of every woman and her sister!
Because the great reward of this love is hidden beside you.

Every man to his neighbour and every woman to her neighbour too,
But you are spiritually exalted because of the Sabbath;
And you are surely the eye of your people on this land.

Green-green forest and brown-brown desert!
And of the white-white sand to pave way for your success;
For you are the eye of your family and,
Your love smells like the Almond flowers around me.

Edward Kofi Louis
You Are The Lady Of My Heart

You are the lady of my dream!
You are the land of my heart and,
One day i will meet you;
For the sweet melody of your heart touches mine,
And, you are all that i need.

Edward Kofi Louis
The eyes and the mind defines nakedness,
However darkness will fall unto us all;
My spirit enlightens many,
My poem speaks to you as well;
You will always feel my absence without a clue.
Someone has to cry for others to swallow in their tears,
Someone has to write for others to learn from it,
But nakedness is all around us in this world.
The house is empty without the spirit,
The roots of a tree do need love as well;
You are the light of the house and,
Many will still be looking for you.
Bears, years, fears, tears!
You are the one for us on this thing called love;
Yesterday is gone with the muse,
Today is here with my mind but,
The future is unknown! 
My life is with a vision beyound the roads,
The eyes and the mind defines nakedness;
You are the one my love,
You are the one!

Edward Kofi Louis
You Are The One

You are the light!
The bright light,
Right with your mind,
You are the one;
With the insight of the truth,
The sight of righteous laws!
The delight of my heart,
You are the one;
Come and take me along with you.

Edward Kofi Louis
You Are The One 2

Rap,
Rapid!
You are the one;
The only one,
With a different style,
Going along with your works! !
Touching my heart,
Deeply.

Edward Kofi Louis
You Are The One  3

The truth is in your eyes,
The smile on your face!
You need me on this love;
Yes! ! You are the one.

Edward Kofi Louis
You Are The Only One

Love,
You are the only one to stop all wars!
For, we need peace than war.
Receipt, reception, receive, recite!
With humility;
With care,
With mercy.
Recede, recipe, reclassify, respect;
Love is the only way to bring us peace!
Without war.

Edward Kofi Louis
You Are The Queen Of My Heart

You are the queen of my heart,
Dancing in the rain! !
With a smile on your face.

Edward Kofi Louis
You Are The Reason

Things are not like they were before between us and,
I don't know why;
But this message will surely find you in the bush!
Because i still need you back my love.

You are the reason for my living,
And like the Doctor's Diary!
So my mid night lady,
Come back to me.

Edward Kofi Louis
You Are Unto Dust

You are made from the dust of the earth,
And the Wailing-Wall will be there for you;
For you are unto dust and you shall return unto dust,
And this is just the journey of the spirit.

To the realm of the unknown and to the things we do for love,
And until death put us apart on this side of the planet;
For the flesh goes back to where it belongs to!
Yes, back to the earth.

Death is part of us and we need to learn from others,
For we have to be prepared as well;
For he flesh goes back to where it belongs to;
And out of the dust we were made.

The dust became flesh and today we are human beings,
And from the knowledge of the things to come;
But naked we came and naked we shall return.

Shed no tears on this love,
For death comes for all of us on this earth;
And we need to learn from the facts around us as well,
For it is better to be very righteous than to be buried with evil deeds.

Life is a long road full of sand and,
All that is acquired on this earth is vanity!
Yes, vanity upon vanity! !
For you and i are unto dust and,
Unto dust we shall return at the end of of all things.

Edward Kofi Louis
You Are Very Beautiful

Love!
To recall your glory;
Love!
To hail your Beauty;
Saw, say!
To see your sweet muse of love and,
To say something about it;
Because, you are very beautiful.

Star, start!
To start something with the muse of your love;
And, to be a star in the land of peace.
The 'Guinness Book of Records'!
With the pin-up girls and the pin-up boys;
Swinging in the land of your muse without a clue,
But, my glue is still on the table.

True love!
With the light of hope;
Life!
With the host of memories,
With lost ones and with the most lovely;
And, to recall your beauty.
True love!
With deep bond;
Sharing in peace without any hatred and war.

Edward Kofi Louis
You Are Very Beautiful  II

Love,
To see your face in the flesh;
Because, you are very beautiful.

Love,
Comforted with your heart;
The heart of peace and joy.

Treasures if love!
Treasures of life;
To see your face in the flesh,
Because, you are very beautiful.

Edward Kofi Louis
You Are Very Wise

Life,
One will play the fool and go to hell!
And, the other will be accepted in because of righteousness.

Wisdom! ! !
You are very wise;
So, enter into the narrow paths of peace, love and joy!

Edward Kofi Louis
You Are Very Young And Beautiful

To flourish!
Imported vines,
To overcome your desperate sorrow;
You are very young and beautiful!
Slips, lips, whips, pips, clips, flips, rips;
To plant pleasant plants.
You are very young and beautiful!
Add 6 years to your age and you will be 28 years old;
So, you are still young,
And, don't waist your time playing around with fools.
Get wisdom!
Get understanding,
Get knowledge;
So, don't grow up and let your past life of the 22 years destroy you.
You need to change now for the better,
You need the right people to guide you on;
And, let the rock of your strength be a positive type.
Inspect! !
The outermost and the inside;
To be mindful only about the positive things in life and,
to do away with all the negative things of life!
And, don't worry much.
You are very young and beautiful!
So, wake up and change for the better;
For, nobody can do anything about yesterday.

Edward Kofi Louis
You Are Well Known

You are well known with your morals!
Because of your regular works in the land;
But, watch your steps! !
Before you die in your sins.
Gash, ash, as, gas!
Gashing out;
But, today, there is no water in the land!
Because of your wickedness.

Edward Kofi Louis
You Are What You Think

You are what you think and,
You are who you are!
Today,
In this life,
With your muse.

Edward Kofi Louis
You Are With A Vision

I am on a mission to touch your heart with my love and,
You are with a vision to meet me at the gate of love;
But like flattering divinations,
It always starts from somewhere before it gets to you.

A violent wind and a super love,
A stormy wind and of your lovely mind;
But you betrayed me because of a handful of barley and a piece of bread!
And you've killed those who should not have died.

Edward Kofi Louis
You Are.....

You are in a pageant show to expose your body like a 'page-ant'!
But culture is the heart and soul of the people.

I have a nice message for you!
The message of love and life;

Ready or Not! We are involved;

Willing or Not! I have your love in my heart.

Applause and laughter!
Like unmatched history without war;
With an entrenched oligarchy act.

Edward Kofi Louis
You Are....... 

You are!
You are everything to my heart;
You make me live! !
You are,
You are everything to my heart;
You are what i need,
You make me live.

Edward Kofi Louis
You Better Be Wise

Love is nice,
Love is peaceful,
And true love is very powerful! !
But, love is also a very dangerous game;
So, you better be wise in following the man or woman you wanted to live with,
Because, two wrongs can never make a right!

Edward Kofi Louis
You Better Change

Your sins are written in heaven,
So you better change and be saved;
Hell is with many doors to enter it like a thief but,
Heaven is with only one door to enter;
Because of the Laws!

Edward Kofi Louis
You Bribed The Judge

The game ended and,
You lost the match!
But, you still wanted to win at all cost so,
You bribed the judge.

Edward Kofi Louis
You Brought Light To My Heart

To thank her,
To thank him,
To thank you,
To thank them,
For the works of peace and joy!
Love,
You brought light to my heart.

Edward Kofi Louis
You Brought Me In

Life,
Love,
Safety;
To seek for protection,
At long last you brought me in.

Edward Kofi Louis
You Called Me

Love!
Here i am,
You called me.

Love!
Leading the way,
To the land of beautiful flowers!
To the land of peace and joy.

Love,
Sweet love! !
Touch my heart;
Lift me up high!
Fly me to the moon.

Edward Kofi Louis
You Came And Made Love To Me

You came and made love to me and now,
You've gone into the thin air! !
For, you are nowhere to be found;
And now i am pregnant!
But, who will now help me to take care of this pregnancy?

Edward Kofi Louis
You Can

You can make a change in life!
So, seek for help and,
Seek for the truth.

Edward Kofi Louis
You Can Be Loved Again

It can fixed again,
It can be mended again,
And you can be loved again!
But, many can still not make the right choices in love.

You are feeling being needed and you are feeling unsatisfied,
Deeper and deeper but still looking out for deeper anxieties!
And like the facts needed for the software and the hardware;
So, wake up from your problems and come to me.

It can be fixed again and it can be mended again,
And, i am the right person next doot to help you walk in love again;
Because, you can be loved again.

You need to gather up the pieces once again,
And with a positive mind to move on;
But, what are these games around you today?
For, you can be loved once again.

Edward Kofi Louis
You Can Change Yourself

You are swimming in your sins because you don't want the truth!

But, we have to seek for the right ways of life today; obeying the laws of Righteousness! And, living in peace.

Choose the right way than evil! ! And, let us have peace on earth.

Use positive works today to settle your past mistakes and, live in peace with your neighbours;

Yes! ! You can't change some things in life; but, you can change yourself for a better future.

Edward Kofi Louis
You Can Do Better

You can do better!
You just need to push further,
With the nature of this job;
Hard work,
Under the earth,
Searching for gold and diamond.

Edward Kofi Louis
You Can Ring My Bell!

You can ring my bell!
So, do that and, let me open the door for you;
Form, perform!
And like the sleepless night.
The Red Note,  
The Black Note,  
The Blue Note,  
This is also my story;  
Cult, difficult!  
But, take this and,  
That will help you from your headache.
Chip, cheap!  
Glowing accolades;  
Thin, think!
To express yourself;  
The White Rider!  
The Black Rider!  
The Red Rider!  
Feeding the birds;  
Verve, verse!  
Riding on an ostrich in South Africa.  
Conjure, sure!  
Investiture,  
Rather, father!
But, the truth is hidden only to the fool.

Edward Kofi Louis
You Can Trust It

True-love!
You can trust it;
So, do what is right and live in peace.

I can see the sun descendin on the west and,
I can see the moon rising up from the east!
The habital zone;
Chips and beer!
Us, as is;
Intelligent drive!
Living in a state where no one sleeps.

Love!
To guide your ways;
Live, alive!
Going deep into it;
And, with the positive points of the muse of joy.

The truth!
All in the Scriptures;
And, as written to guide us all to peace.

Edward Kofi Louis
You Cannot Hide Away

Oh my sweet lover,
I will do as you have requested;
But try to understand the muse of love when you are touched,
Because you cannot hide away from the truth!

Edward Kofi Louis
You Cannot See The Truth

Sick!
In mind and body;
Because, you cannot see the truth.
You've accepted the odds of life and,
You are not ready to repent;
But, the end is at hand.

Edward Kofi Louis
You Can't Change Anything About Your Past

You can't change anything about your past!
But, you can change your status today to gain in the future.

Talking to you in many ways; change yourself today to gain the future! Of a better tomorrow.

Creed, reed! Like a sermon on lemon, needed for your health; so, move on with positive works.

Edward Kofi Louis
You Can't Change The Truth!

You can't change the truth!
The truth is always the truth;
The truth is better than lies! !
The truth is better than hatred and war,
The truth is forever! !

Edward Kofi Louis
You Can’T Change Your Past

Your can’t change your past!
So, change now and,
Be a better person today;
By doing what is right.
Behaviours!
With questions and answers;
but, it is time to change for the better!
In mind and body,
Living under the laws of righteousness.

Edward Kofi Louis
You Can't Change Your Past  2

Year after year,
Life after life,
But, you can't change your past!

A cream in your coffee,
Like the shadows of your past;
You can't change your past.

Edward Kofi Louis
You Can’T Do Without Me! !

You can't do without me! !
For i am always on your side;
But, this muse of love is what you now need,
Because, the rainbow ia now looking direct at you.

You can't do without me! !
For i am now here to stay;
And like the muse of peace in the land of your care,
But i am ready to find you and satisfy you with what is hidden in this well.

Put your hope on me and let me satisfy you with my love,
Put your care on me and let me lead you on through the right path,
Put your trust in me and let me guide your ways! !
For, you can't do without me;
And like the muse of love in the land of many waters,
However, let me be the one to lead you on.

Edward Kofi Louis
You Can't Erase Your Past

You can't erase your past!
It is part of your records on earth;
You can only improve on your status today if,
Everything went wrong by then.

Edward Kofi Louis
You Can’T Hate What You Love

Everybody has his or her own time in this world,
But you can't hate what you love.
Yes, you con't, love what you hate because,
What you like is like what you love;
And, what you dislike is like what you hate.

Edward Kofi Louis
You Can’T Help It

You always sleep very deep;
Snoring like a bull! !
But, you can't help it,
Because, that is part of nature.

Edward Kofi Louis
You Can’T Live Without Them

There is always a woman beside you!
For you can't live without them;
Whenever I do visit you,
You are always busy playing with women;
And, this habit of yours is incurable.
Romantic mood! !
Always with women beside you;
That's the way of your life whenever I do visit you,
And, you really do not have much time for me my friend.

Edward Kofi Louis
You Can't Run Away From Your Own Self

Terrorist! !
Hiding,
After the bomb;
But, you can't run away from your own self!
Because, we know who you are.

Edward Kofi Louis
You Can’T Sleep

Love,
Deep love;
You can't sleep,
Always thinking of her.

Life,
Assigned with the muse of the laws;
Right!
To secure it at night with the aroma of love.

You can't sleep!
Thinking of her;
Like the heroism of an African Queen,
Having her in your mind.

Edward Kofi Louis
You Can't Sleep  2

Love,
True Love,
Touching your heart,
Deep down! !
You can't sleep.

Edward Kofi Louis
You Can't Stop The Tears From Falling!

You can't stop the tears from falling!
However, never give up on your dreams;
Keep on fighting till the end,
Able to reach your goals in life!
Facing all the obstacles around.

Edward Kofi Louis
You Can't Top Perfection

The truth leads to perfection; and, you can't top the perfection.

The remembrance of your dance was from your unique steps,

However, the truth is there for you to understand the works of peace.

Edward Kofi Louis
You Couldn'T Stand The Laws

Cook, look, book, brook, rebook;
But, i am very fine.
Rebuke, rebook!
Crook, rook, hook, took, nook;
But, this will affect you as well! !
However, let me be clean always.

of the sweet aroma of love,
But to punch it back with your hatred!
Punch, lunch, munch, bunch, crunch, brunch;
To set it back,
Just like the others;
To look back!
Just like the others;
For, you couldn't stand the laws.

Edward Kofi Louis
You Crossed The Line

Dross,
Gross,
Cross;
You crossed the line.

Edward Kofi Louis
You Deserve It

You want it,
You deserve it,
Construsted for You,
With love,
With your door wide open.

Edward Kofi Louis
You Deserve It  2

Port,
Sport
Short,
Support;
You deserve it.

Import and export!
Any,
Anything;
Anywhere,
Always working very hard! !
You deserve it.

Edward Kofi Louis
You Did It! !

Sexual impurity!
You did it! !
And you put them in;
Among all nations!

Sexual impurity! !
Within all the nations;
And you are part of it.

Edward Kofi Louis
You Did It....

This is not what i expected from you,
But you did it to save your name;
However, i know the right thing when i do see one.

Edward Kofi Louis
You Do Ask!

You do ask!
But, you do not receive;
Because, you do ask with a wrong purpose.
Your motives are always negative! !
That is why, you do not receive.

Edward Kofi Louis
You Do Dance

Life!
You do dance as long as the music plays;
But, is music all about life? !
Think twice,
There are more to life;
More to learn,
More to share,
With hopes and dreams!
Young and fresh,
Old with wisdom! !
Think twice,
With your actions and your reactions;
On this matter.

Edward Kofi Louis
You Do Not Accept Correction

Stubborn pride,
To spent your strength in Vain;
To walk contrary against the laws,
As you do not accept correction.

Edward Kofi Louis
You Do Not See Me

The Spirit of error!
You will love her as she is and,
I will love you as you are;
The Spirit of truth!
You will love him as he is and,
I will love you as you are;
Because my love is always standing beside you,
But you do not see me.

Edward Kofi Louis
You Don't Even Know

Hustle and bustle,
You don't even know what i am going through life!
If you really understand my status today,
Then, you won't look down on me.

Edward Kofi Louis
You Don'T Even Know My Name

You are searching for me!
But, you don't even know my name;
Not even my place of residence on this earth.
And this story tells me about your journey!
Searching for me;
But, i am still living in exile,
Very far from you today.

Edward Kofi Louis
You Don't Even See Me

Evil eyes!
I'm not very important to you;
Standing before you,
Before your eyes,
You don't even see me! !
Before your eyes,
Because of the hatred in your heart.

Edward Kofi Louis
You Don'T Have The Feelings To Share

Yur greed took away everything! !
Which was very sad;
Because, you don't have the feelings to share with!
So, how can i extend my understsnding to you?

Edward Kofi Louis
You Don't Know...

You don't know what i'm going through in this life;
But, my mind is always straight! !
Balancing my status to make ends meet.

Edward Kofi Louis
You Don'T Love Yourself

A welcome sight! !
But, you don't love yourself;
As such, you do not understand the means of love and its value!
So, don't gain the world and lose your soul.

Edward Kofi Louis
'You Don'T Love Yourself'!

Sometimes,
I say to myself,
'You don't love yourself'!
Because,
If you do,
You will not go about killing people! !
And now, the whole world is unrest.

Edward Kofi Louis
You Don't Need Me

You don't need me around,
I know! 
So, i am also searching for my way out;
Not to come along your way.

Edward Kofi Louis
You Don'T Want It

Yo don't want it but,
You have to live by it;
Because, your husband is a lover of dogs!

Edward Kofi Louis
You Don'T Want To Read It

You don't want to read it,
So, you don't know much about me;
My past!
My life,
My muse;
But, get rid of the guns around you and,
Let us bring peace to all!
For real and for joy.

A team is like a cake;
But, when one side is bad,
Means the whole cake is not well baked!
So, don't worry and be sorry with your life;
Because, in everything, there is hope! !
Even if your lorry had broken down.

There is always hope in life!
Even if all your hope is lost;
So, don't give up on your dreams,
Keep on hoping till the end!
For, a lizard does not give birth to a crab.

Edward Kofi Louis
You First Have To Knock

You first have to knock!
Then you wait for an answer;
Before entering in.

Edward Kofi Louis
You Have A Gift

Lift up so high! ! !
You have a gift;
To see the world with your works.

Your gift,
In a lift,
Seen by your very friends around.

Shift, drift!
You have a gift;
Here and there with your mind.

You have a gift!
For the world to see who you are;
Moving along with the peace of your mind.

Edward Kofi Louis
You Have It

You have it and,
You gave it to her;
And, she gave it to another.

Edward Kofi Louis
You Have Lied

You have lied and,
You have not remembered me!
With your evil acts,
Backsliding in the way of your heart;
Always ready to destroy others.

Edward Kofi Louis
You Have No Root Of Love

Lust!
Wherever the carcasses are,
There will be vultures gathered together.

Lust!
You have no truth within yourself and,
You have no root of love.

Auspices!
A call from behind;
Acquaintances!
A call for you;
Lust!
In the Cottage of your heart.

Cover, discover!
With career transformations;
But, you have no root of love in you.

Edward Kofi Louis
You Have No Vision

You are talking like a fool!
Because, you have no vision;
Ready to make war with others,
Because you have no views.
Overnight, over, night, in, on, no, go!
But, talking like a fool;
Because, you have no vision.

Edward Kofi Louis
You Have Not Changed

You have not changed since i met you!
I brought you the works of the truth;
However, you are still hanging on to the pleasures of this world.

Edward Kofi Louis
You Have The Best

You have the best of everything in life! !
However, do think of those who do not have and help them.

You can make life work for you and i when we seek for peace!

Respecting the laws to move us forward;
With positive moral characters.

Edward Kofi Louis
You Have To Respect It

You can't touch it!
So, you have to respect it;
You can't use it!
So, you have to respect it;
You can't eat it!
So, you have to respect it;
For, it is always soft and delicate! !
And, you always need permission before you can use it.

Edward Kofi Louis
You Have Your Works

You have your works,
Ready to touch the hearts of many!
With love,
With peace,
With care;
Sharing your mind with others,
For the unity of the earth.

Edward Kofi Louis
You Haven'T Kept Them

Lust!
You have the laws delivered to you but,
You haven't kept them.
Lust!
Harbouring hatred and fear;
And, with confused minds.

Edward Kofi Louis
You Humbled Me

You humbled me and you made love to me,
And now my mind is all over you!
And i can't sleep at night.
I will kiss your lips again and again,
And i will share my nakedness with you always;
For you once humbled me and made love to me.

Edward Kofi Louis
You Killed The Woman

You killed the woman! !
You cut off her head and her hands;
Why? !

Edward Kofi Louis
You Killed Your Neighbour

The hot wind from the barren heights of the desert blows towards you!
But, not to winnow or cleanse you;
For the sentence is now pronounced against you,
As you killed your neighbour in cold-blood.

Edward Kofi Louis
You Kissed My Lips

You are the light! !
You are my joy,
You kissed my lips!
You brought the truth to my heart;
You are everything to me,
You are always there for me,
You are my teacher!
You are my hope,
You are my sunshine! ! !
You are the bright star;
You are my guide.

Edward Kofi Louis
You Know That I Love You

Life!
You know that i love you!
Yes, i love you;
Knowing what i have for you in this land.

Edward Kofi Louis
You Know What You Need

Lust!
You Know what you need;
And, that's why you are raping the children! !

Lust!
You know what you need;
And, that's why you are raping the women! !

Lust!
To reveal it and to understand it;
For, it is now leading you to hell.

Edward Kofi Louis
You Know Who I Am

Meeting once again!
After forty years,
because, you know who i am;
As we were all born into poverty.
Growing up! !
In the village;
Struggling for survival,
And, missing each other!
Meeting,
Meeting once again;
After forty years.
You know who i am!
The sam person who played with you forty years ago;
But, we are now grown-ups.

Edward Kofi Louis
You Know Who I Am

Who i am,
I am;

What i am,
I am;

And you know who i am,
Born and raised in Africa.

Oh! ! What are you doing to me?
In the name of hatred and war;

Oh! ! Why is this world like this today?
Writing out my mind always to teach others.

Edward Kofi Louis
You Led Me On

You led me on and told me that everything was okay,
But you suddenly left me in the dark and married another man;
And this type of ball that you've thrown against the wall will,
Surely come back to you one day!

Edward Kofi Louis
You Lied To Me

You gave no credit to my words and,
You lied to me;
But the sword of war is now before you!
And, there is no hope to save you.

Edward Kofi Louis
You Lost The Match

You saw the cup!
You touched it,
You kissed it,
But, you lost the match.

Edward Kofi Louis
You Lost The Meaning

You read it in a rush!
So, you lost the meaning;
Go back once again,
And read this poem slowly,
Then you will understand,
Its meaning! !
And feel the muse of life.

Edward Kofi Louis
You Love Your Land

You have your land,
You love your land,
You love the day!
The days with your works in your land;
The work force! !
The load,
The land,
To lead,
With the deal;
Led by love,
Your love,
To care for others!
In your land,
As well.
Reed, breed!
With the flowers of love;
To care for the land,
Your land!
To take care of the house,
Sleeping in a beautiful bed,
After a day’s work.

Edward Kofi Louis
You Made Me A Fool

A man seduces a virgin and slept with her,
And she was pregnant and gave birth to a boy;
But, a thief must be sold for his theft when caught.

I was alone and, you came and seduced me!
And the night of my privacy was stolen by you;
So, where is my modesty today?

The muse of life and the muse of our respective works on this earth,
Like an empty belly to the flesh;
But, you never shared the bread of heaven with me.

The muse of nature and the muse of our acts on this earth,
You made me a fool twice as much!
As you took my virginity away.

Edward Kofi Louis
You Married Her

You married her,
But she doesn't love you;
She only pretended so that,
She can enjoy your wealth with her secret lovers.

Edward Kofi Louis
You May Obey It

It is in your mouth and in your heart,
It is near to you that you may obey it;
But who will cross over the seas and bring me to you?
For my love is not beyond your level,
But it is beyond the seas!

I am nearer to you always in spirit but,
You will always feel me around you when you do think of me;
So respond to my love and respond to my heart,
For my words are in your mouth and I am always nearer to you in spirit!

Edward Kofi Louis
You May Obey It 2

In heaven,
To ascend up! !

Beyond the sea,
To cross over;

The law has been given to you in writing!
So that, you may obey it.

Edward Kofi Louis
You Need A Helping Hand

Birth,
Life,
To stand up!
You need a helping hand.

Edward Kofi Louis
You Need Love

You need love from me and,
I have seen it in your eyes!
So don't worry about my presents to you;
Because i love you! !

Edward Kofi Louis
You Need My Help

You hated me and drove me out of your room!
Now you are searching for me once again;
You need my help,
Because you are now in trouble.

Edward Kofi Louis
You Need The Clues

Life,
You need the clues to become whatever you want to be;
But, let them be with positive morals!
For the peace of the earth.

Edward Kofi Louis
You Need The Smoke Around

Honey combs from the trees!
Honey combs from the mountains!
Honey combs from the valleys!
Climbing up and down to get them;
But, you need the smoke around to lead you on.

Edward Kofi Louis
You Need The Truth

Liquid acid,
Goats' milk,
With the truth of life around you;
Because, you always need the truth to guide you on.

Life,
Get married to the truth!
Leading to peace and true love;
Bringing joy to your heart.

Edward Kofi Louis
You Need The Two

Power! !
From positive and negative charges;
Electricity,
You need the two.

Edward Kofi Louis
You Need Time For Yourself

The truth!

You need time for yourself;

Overcoming your life with righteous morals.

Edward Kofi Louis
You Need To Write

Talent,
Skills,
Creativity!
You have a gift;
And, you need to write! !
As we are ready for your works.

Edward Kofi Louis
You Owe It To Yourself

In the right direction,
On the narrow path;
About yourself and the muse of your love,
But the important issue is your step in life!
For, you owe it to yourself.

Edward Kofi Louis
You Pant To Destroy Me

Why twist my lovely words?!
For you pant to destroy me!
And like the one who is living among the lions,
For i will always watch my steps!

Edward Kofi Louis
You Played With My Heart

Love!
You played with my heart;
And, after knowing my mind,
You left me alone in the cold.

I am 18 years old and,
I have got my driving licence in my pocket;
And, i am ready to ride around with you in my car.
Illegal lust!
Ill-advised;
And, you came along and took advantage of me.

Love!
Back to unenviable heights;
Feet, fleet!
With the muse of your acts towards me;
After knowing my mind.

Edward Kofi Louis
You Rebelled Against Me

I nourished you and brought you up your love,
But you rebelled against me and married another man;
And like impudent and stubborn children in a lawless land.

Edward Kofi Louis
You Shall Know Them

Illegal lust,
By their fruits you shall know them;
Because, they are always after destruction!
Yes, to kill others as well;
In the name of hatred and war.

Illegal lust,
With something about your pictures;
Under the umbrella of war! !
Scheduled with the muse of the hatred in your hearts;
As one takes advantage of his or her neighbour.

Edward Kofi Louis
You Shall Not Drink Blood

Lust!
Watching naked women;
Lust!
With the acts of Sodom and Gomorrah;
Lust!
You shall not drink blood nor,
Have blood in your food.
Lust!
Do not steal;
Life!
To listen to the truth;
Hold, old!
For, the sins of the world today are leading us far away;
However, be very wise enough to come out of sin and live.

Edward Kofi Louis
You Should Have Been The One For Me

Bye my lover! !!
Bye my friend;
You should have been the one for me,
But you left me and married another man.

Bye my lover! !!
Bye my friend;
your should have been the one for me,
But your eyes met another man in the land of your muse.

You should have been the one for me,
And you surely know how much i love you!
For i did my best for you,
Even to back up your school's research work;
But you left me and married another man.

Edward Kofi Louis
You Shouted For Your Mother! !

It was too strong for you and, you shouted for your mother! !
For the tail of the horse was swifter than the eagle;
Learning from the ways of life,
However, your vain thoughts still remain in you.

Edward Kofi Louis
You Solemnly Stared Back

Love,
I stared at you!
And, you solemnly stared back at me;
One thing led to the other,
And, we fell in love.

Edward Kofi Louis
You Still Do Not Know Who I Am

I've been so long with you but,
You still do not know who i am;
But she is telling you the truth because,
Blood and water came out of her.

You still do not know who i am,
Even though i've been with you for many years;
So open up your mouth and eat what i give to you,
Because she really knows who i am!
And this is the kind of food from my home.

Edward Kofi Louis
You Still Go To The Same Church

Your son was raped by your priest and,
Your daughter was seduced by the same priest!
But, you still go to the same church because,
You are not matured enough to Call a spade a spade.

Edward Kofi Louis
You Think That You Are In Heaven

You think that you are in heaven with the money that you've got!
While the people around you live in poverty;
No! ! This lifestyle of yours will not allow you to enter into heaven;
So, think twice and, try to help the poor and needy around you.

Edward Kofi Louis
You Think You Are Safe

You've bought stolen gift and,
You think you are safe;

You've bought a stolen land and,
You think you are safe;

You've bought a stolen car and,
You think you are safe;

But, think twice! !
For, you are helping the thief.

Edward Kofi Louis
You Took To Your Heels

Preachers of the law and doers of the law;
I am in your land!

But, you took to your heels because of your negative act today,
Going against what you preached earlier on.

Edward Kofi Louis
You Used Her

You used her to make your money!
And, after becoming rich,
You deported her from your country!

Edward Kofi Louis
You Want Me

You want me and,
I need you!
Love and dreams,
Playing around with our works,
In the land of beautiful flowers!
Opening up to expose the joy of Life,
With the muse of the truth.

Edward Kofi Louis
You Wanted It

You wanted it so,
You spied on me;
And you came in at the right time to get it.

Edward Kofi Louis
You Wanted It  2

You wanted it,
And you had it,
After seeing it,
To satisfy your muse.

Edward Kofi Louis
You Went In

You want to die!
So, you went in;
And, the bomb exploded! ! !

Edward Kofi Louis
You Were Arrested

Inserted,
Sexually assaulted!
But other young girls reported your act in the village;
And subsequently you were arrested.

Intact,
A portion,
Massive,
To the torch!
And the 14-year-old girl was there to identify you to the chief.

Edward Kofi Louis
You Were Chosen

The call!
Pertaining to your love:

Call, all!
And, you were chosen.

Edward Kofi Louis
You Were Part Of It

Once!
You were part of it;
Twice! !
Learning after the fall;
Thy muse of life,
Thy odds of life,
Facing the works of the truth.

Edward Kofi Louis
You Were There

Somewhere,
Anywhere,
Anything with your love,
Something positive with yourself,
Here and there with your works!
Rotating like the sphere,
With the muse of the atmosphere;
You were there! !
For me.

Edward Kofi Louis
You Will Be Allowed In

Do the right thing and,
Knock at my door at the right time;
And, you will be allowed in.

Edward Kofi Louis
You Will Be Okay In Life

You will be okay in life and,
You will meet the glory of the Creator! !
For your positive works are seen by all of us;
And like the muse of joy in the land of peace.

Edward Kofi Louis
You Will Be Wiser

One who obtains wisdom loves himself or herself,  
So listen to my advice and accept my instructions;  
For in the latter days you will be wiser.  
Ice-cream for the summer and hot coffee for the winter,  
Everyone is a friend of him or her who gives out gifts;  
But the writer will always write out his or her mind.  
McLeish is my friend and Kamal is your firend,  
But Luri and Hyske came to the party as well;  
And you will be wiser when you hid to my advice,  
For Rome was not built in a day.

Edward Kofi Louis
You Will Conceive

Love and joy! !
You will conceive and bear a child;
Eat nothing unclean,
Be careful now and drink no wine or strong drink!

Edward Kofi Louis
You Will Damage It

Don't push it in! !
Rather leave it like that;
If not, you will damage it.

Don't push it in! !
Rather leave it like that;
If not, you will destroy it.

Image, age, page, sage, wage, cage, damage! !
So, be careful not to damage it;
For, the muse of love on this item needs a special care.

Edward Kofi Louis
You Will Destroy The World With Hatred

1,2!
You are between the choice of love and hatred;

3,4!
But, i am walking along with the right mind to choose love.

5,6!
However, the choice is yours in this world of beautiful roses;

7,8!
But, the world today is being destroyed by us with hatred! 

9,10!
All the same, if you choose love, you will always live in peace.

Edward Kofi Louis
You Will Find Her

Wisdom is not for sale!
It is rather closer to you;
So search fro her and you will find her! !
And in peace you will live with the muse of your love always.

Edward Kofi Louis
You Will Find Me

Love,
Diligently you will find me with the works of wisdom;
And to accept the works of the truth,
To bring peace and joy to the your heart.

Edward Kofi Louis
You Will Find Me

Search!
You will find me;

Look!
You will see me;

Listen!
You will hear my voice;

Because I am always around you,
With the muse of peace and love.

Edward Kofi Louis
You Will Find Rest For Yourselves

Ask for the old paths,
Saying: 'Where is the righteous way?'
Then walk in it;
And, you will find rest for yourselves.

Outside are dogs (gods) and wars!
So be very wise to look for the old paths of the righteous ways;
For in them you will find rest for yourselves.

Edward Kofi Louis
You Will Get What You Want

Love!
You will get what you want;
Hate!
it will destroy you;
So, be very wise to live in peace.
Stimulations! !
Of the reactions after;
Movements!
From left to right;
Actions!
From right to left;
Cure, procedure!
To live in peace and,
With the care of joy.
The compassion of love!
The rise and fall;
but, if you have a problem,
You need help.
The X-Ray!
The Gamma Ray!
The Beta Ray!
You can change your name but,
Not your face;
Even if you put on artificial make ups.
Cure, procedure!
Who are you really?
I want to know;
And, everybody want to know.
Love!
The zones to massage;
Arrow, narrow!
But, follow the narrow path always to the truth.

Edward Kofi Louis
You Will Know Them By Their Fruits

Lust,
With this woman!

Lust,
With this man!

Lust,
With this child!

Lust,
As the feet of a bear;

Lust,
As the mouth of a Lion;

Lust!
Shrouded.

Lust!
You will know them by their fruits;

Lust!
A tree is known by its fruits;

Oppression!
In the name of illegal lust.

Edward Kofi Louis
You Will Never Walk Alone

Support!
We all need help;
So, you will never walk alone!
No matter how hard life kicks you about,
Like Football!
Oh yes! You will never walk alone.

Edward Kofi Louis
You Will Never Walk Alone

True love,
You will never be alone;
Because, i am always beside you.

Live in peace with your mind because,
I am always beside you;
To protect you with the works of truth.

Edward Kofi Louis
You Will Read Them

I will write them and,
You will read them;

My works,
Lance, dance, advance, brance!

Something for all mankind,
Able to touch the hearts of many.

Today,
And, another day with my dreams;

Tonight,
With the light of love;

I will write them,
To bring out the insight of the truth!

Shining like the sun,
With the light of the universe;

The flight of my mind! 
With imaginations;

My works,
You will read them.

Edward Kofi Louis
You Will See This Day

The truth,
True love,
Truly you will see this day!
And bring light to your room;
With the joy of your heart.

Edward Kofi Louis
You Will Sell It For Love

You can keep it as long as you like,
But, a day comes when you will sell it for love!
Because, i am 100 miles away from you;
And, my cassette player is with me in Africa.
The muse of life,
I've got something for everybody;
At anytime of the day and,
At anywhere!
With the muse of my sweet mind spreading across the land.

Edward Kofi Louis
You Will Take Care For My Children

I don't want you to know much about me because,
I don't know much about you either;
But very soon we will be closer to each other because of this hidden love,
And we will marry and you will take care of my children.

Edward Kofi Louis
Youdan

Youdan, you, Dan!

Spring lovers,

Spring breakers,

Quid pro quo! !

The gate way;

The getaway,

Always,

Far away.

Edward Kofi Louis
You'll Never Walk Alone

True love,
True life,
Knowing the ways of your status,
With the muse of your works!
In the land;
So, you will never walk alone.
We are always with you!
We will always support you,
You'll never walk alone;
Go along with your positive works.

Edward Kofi Louis
You'll Never Walk Alone  2

You'll never walk alone!
Because, i'm always there with you;
In body and soul! !
To lead you,
To teach you the way,
To teach you the truth,
To reach your heart with positive morals;
You'll never walk alone because,
I'm always there with you.

Edward Kofi Louis
Younes

Younes, you, yes, on, so, no, one, use, sue;
Love!
Like the muse of the sunshine;
but, let it be real in your heart.
Life!
With the muse of 'Lady Liberty';
In focus.
Polish and wax!
Remuneration,
Indications,
Love!
To play the official role;
Flow, low!
With the muse of the first sign.
Dress, press, congress, digress, redress, address!
To play the key role;
With the sweet muse of love.
Of the flow!
Of the signal;
As expressed with the sweet muse of your mind.

Edward Kofi Louis
Young Adults

Young adults,
Characters!
And like a world full of roses;
But in the next minute you will find your lover,
Because of the works of your act!

Edward Kofi Louis
Young And Fresh

Beautiful,
Attractive flesh;
Young and fresh.

Sweet love;
To my young and beautiful,
My young lady.

Edward Kofi Louis
Young And Fit

Life!
Always Young and fit;
With the muse of your love,
Living in the land of your muse.

Frank, rank!
This love is too far from me;
But, true love has no barrier.

Muse!
So far away;
Love!
So long, too long;
Active, attractive!
With the sweet muse of our love.

Fallen leaves! 
From the big tree;
Under whose shadow i do take my rest,
But, this love is too far away from me.

Edward Kofi Louis
Young And Old

Infirm,
Young and old;
For i am the virgin next to you,
But if you will find me a lover then i will be very pleased.

Inform,
I am casting my net in the sea of love!
Thus hoping to catch a fish one day;
But the champions are mixing strong drinks and,
I am high above the mountain of love.

Edward Kofi Louis
Young And Strong

Young and strong!
Real,
You need the money,
Like honey! !
Meal,
Heal,
Seal,
Deal,
Ideal;
Harmony,
Love and Life!
Colours,
With the beauty of creation.

Edward Kofi Louis
Young Blood

Young blood!
It is nice to have money in the hand;
But, let the truth take care of peace.
Love,
Through the rivers!
Life,
Through the waters;
However, poverty is like one sitting on gold and begging for help.

Edward Kofi Louis
Young Fruits

Your love will sustain my old age and,
I need the young fruits of your breasts;
So kiss me and embrace me with your sweet love.

Of the land of my fathers and the land of my mothers,
Your young fruits of love are all that i need;
So come and let me walk through the wilderness of your love.

Edward Kofi Louis
Young Girl

Oh! beautiful young girl! 
I can't sleep without you;
Because, your love is like the smell of the red rose.

I've got a nice plan for you,
Coming from my heart;
Able to take you to my country to see the beauty of nature.

Edward Kofi Louis
Young Girls

Golden fingers to touch your heart!
Deeply;
You are among the beautiful young girls in my land,
And, i will watch my steps carefully before taking a leap.

Edward Kofi Louis
Young People

Young people,
Young blood;
With the mus eof life,
Growing up to become adults one day!
As nature displays its acts.

Edward Kofi Louis
Youngsup

Youngsup, young, soup, so, son, song, sun, up!
with the muse of life,
With the love of nature,
With the youth around;
Young and beautiful! !
Bold and strong;
Managing the ways of life with joy!

Edward Kofi Louis
Your Soul

Soul,
Your soul;

Inner self,
Yourself;

Sole, pole, hole, whole!
Vibrating out with positive morals.

Edward Kofi Louis
Your Actions

Your love to me is like,
A cake baked on one side;
And your actions towards me are like,
The Valley of Yezreel! !
Hear with your ears and learn with your mind,
For you are like a silly goat without a heart!
But i will be with the interpretations of my dreams.
Arms of silver and legs of iron,
With the stomach of bronze and the head of wood;
Walking and talking to gain my status,
But i am no parrot in the forest of thieves.

Edward Kofi Louis
Your Actions  2

Life!
Do not lie onto one another;
Creating hatred and war! !
Which leads to sorrow and grief.

Illegal lust!
With your words and works agaist you today;
Seeing what you've done in the land.

Bull, full!
With the presentation of your works to the world;
However, do think about the chronicles of your actions on this earth.

Edward Kofi Louis
Your Actions Are Now Being Weighed

Speaking so proudly!
Being very arrogant,
Your actions are now being weighed;
But today, the bows of the warrior are broken.

Edward Kofi Louis
Your Actions!

You are well known for your actions!
Because of your regular works in the land;
But, what your steps!
Before you diw in your sins.
Gash, ash, as, gas!
To gash out,
But today, there is no water in the land because of your wickedness.

Edward Kofi Louis
Your Addiction

Life,
Get out of this mess!
And to be straight;
Straighten up your life,
With the works of righteousness! !
To overcome your addiction.

Edward Kofi Louis
Your Beautiful Daughter

Give me your beautiful daughter and let me marry her,
For i want to taste her sweet love that is hidden in her.
Give me your beautiful daughter to me for i want to marry her,
And let me meet her face to face to taste her sweet love;
Fo she is in the royal line of my humble heart and,
I deeply love her.

Edward Kofi Louis
Your Beautiful Rose

Tools!
To boost your ego on this love;
To understand the things around you,
And, to put things right.

A sharpened cutlass in your hand,
Ready for your work in the land;
A famer,
Able to feed your family.

A catapult in your hand,
Waiting for the birds in the forest;
As you go along with your work,
As a famer in the land.

Sweet pea! !
Correct me if i am wrong;
With the muse of your beautiful rose,
Seen in the garden of love.

Edward Kofi Louis
Your Beauty

Where there is a will, there is always a way;
And i was there and i saw it myself,
For your beauty was as the beauty of Lebanon.

Black tea, brown tea and green tea to your taste;
It is a way of life by fulfilling the right things always.
so let the birds do fly across the expanse of the sky and,
Let this poem teach every human kind;
For every woman thinks that her burden is the heaviest!

Where there is a vision, there is always a path;
And with lovely memories and lovely emotions!
But do activate your mind to overcome the pressures around you.

Life is like the naked King and the naked women around him,
But freely rendered and freely given;
For every man thinks that his burden is the heaviest,
But who feels it knows it all.

I was there and isaw your beauty myself,
For your beauty was as the beauty of Lebanon;
And i will try to be around you always.

Edward Kofi Louis
Your Beauty Had....

A time to talk and of the time to write,
A time to read and a time to learn,
Your beauty is all over me!
For we almost look alike and you are what the muse brought to me.
Your beauty had taken me up so high!
And it has also taken my breath away;
In delight and in words,
And in calmly waters to move me about with the sweet muse of love.
I high level of friction on this love is like a cry of joy! !
And the sweet muse of your love is all that it takes;
But the shape of your naked body tells it all,
And like the words of a bard searching for the land of beautiful flowers.

Edward Kofi Louis
Your Beauty Is Gone.

You were very beautiful when,
You were following after the laws of the truth;
Then, the works of Satan entered into you! !
Taking bombs to kill your neighbours;
Now, your beauty is gone.

Edward Kofi Louis
Your Beauty Reminds Me Of My Mother

Woman! !
Your beauty reminds me of my mother;
You are very attractive,
Beautiful to the eyes,
With the muse of your lovely works.

Edward Kofi Louis
Your Blood Guilt

The muse of illegal lust,
Giving a boy out in exchange for a prostitute;

The muse of illegal lust,
Selling a girl for wine;
That you may drink.

Sins!
Blood guilt,
Like scarlet;
Red like crimson! !
Today, your wine is mixed with water.

Edward Kofi Louis
Your Body

Leaders of the people,
Like the pot and the meat;
Execute,
Entirely,
Duty bound,
Your body,
Your property,
Your love!
And like the pride of the mighty;
But go through the midst of the city of love with care.

Edward Kofi Louis
Your Body    2

Perfumes,
Ointments,
The satisfaction of your body;
Well dressed!
To attract the eyes of the public.

Edward Kofi Louis
Your Body 2

Your body is not for sexual impurity!
So, live clean and bring joy to your heart.

You are not your own!
Because, the sanctuary of the Holy Spirit is in you;
Free from sexual impurity and live.

Edward Kofi Louis
Your Bow Of Love

Draw your bow of love at a random and,
Let it hit my heart!
For the muse of your love is so beautiful and,
I will stay the night to love you over and over again.

Edward Kofi Louis
Your Bread Of Life

The crab,
The scorpion!
The dragon,
The snake;
In the lake with a rake in your hand,
But, try to brake up your negative acts and live.

Fire!
Burning,
Smoke,
Ashes;
To bake your bread of life and,
To move on for the sake of love.

Life!
In this den;
Living there for the past 8 years,
But, with hope.

Edward Kofi Louis
Your Bridge Of Love

The bridge,
Your bridge of love;
We salute you oh kings of Africa! !
The bridge,
Your bridge of love;
We salute you oh queens of Africa! !
And like an Island in Venice;
Nice, price, vice, mice, rice, ice, dice, lice, slice;
But very tantalizing and very vital to your heart!
For, this bridge of love is over your house.

Edward Kofi Louis
Your Buddha

Your Buddha has told you who i am!
But, you need a written statement from me on this issue of love;
Because, i belong to the House of Yahweh.

Edward Kofi Louis
Your Cake

This poem is about my friend the teacher,
This poem is about your friend the thief!
And, we can't force there to be there when there is not there! !
But, thieves are everywhere in the world like teachers are;
So, it is time for us to tell the truth!
For, you can't eat your cake and have it once again.

Edward Kofi Louis
Your Care

Muse!
You are in great distress;
So, let me spend the night with you and,
Care for your love.
Muse!
To perform this service of love with you and,
By taking care of you;
For, your care to me is like the opened flower of love.

Edward Kofi Louis
Your Cave Of Love

Let me spend the night in your cave of love,
And let me walk through your folding doors;
For I am like a tree floating along the direction of the river of love,
And like the joy of your muse in the time of romance.

Of the words you do speak in your bedroom,
And of the aroma in your cave of love;
So let me surround your city of love with my care,
Because, there is real peace in your dark cave!

Edward Kofi Louis
Your Child

Of true love,
Do you really care? !
To grow from a lean body to a fat body,
But i will survive.

There is time for everything in this life,
So don't worry much about life itself;
For i once lost my way to your house and,
I am now with the deep words of emotion
I an now carrying your child and,
I don't know where you are!
And of the sweet of the love that we shared,
So i called to let you know about it,
But you were not around.

I left a message at your door and it reads:
'I love you and no abortion please'! !
For i am ready to keep this chikld till i give birth;
And of the memories of this deep emotion!

What we shared was sweet love,
And with the true romance to touch my heart;
So i will keep this pregnancy to remind me of something!
For i deeply love you.

Edward Kofi Louis
Your Dear One

One,
One's;
A loving deer,
Intoxicated with joy!
To embrace love,
To embrace your lover,
To embrace your dear one.

Edward Kofi Louis
Your Decision On This Love

Your decision on this love will hunt you forever,
And it is like the regulations of your heart;
But it is very funny how time flies.

To eat like the lion and to eat like the tiger,
But do wait for the promise of my love;
To eat like a crocodile and to eat like a snake,
But do wait for the melodies of ym sweet love;
For your decision on this love will hunt you forever.

I am clothed in white apparel and i need your love,
And you have chosen and eaten from my sweet garden;
So come to my sweet house of peace and,
I will bath you with my sweet love when you care.

Edward Kofi Louis
Your Demeanour

You are one of them!
And ascending from the east to tell a story;
But my faith will lead me on because,
Your demeanour is a competitor to my heart.
Like a chemical reaction,
The fire of love is burning on me always;
And you are one of them.
In a smooth fusion of fluid with meniscus,
For what you have now is from the results;
And it is like to my mind with a teenage lover.
Train your brain with the humour around you because,
Laughter is the key about life;
And virility with words and hope,
For your cute little thing is now at stake!

Edward Kofi Louis
Your Divinations

Your divinations are very deceitful and like,
A flimsy white washed wall!
But the great hailstones and flooding rain came in;
And like a sign and a proverb to the wise and the fool!
But my sweet mind will lead me always on this road.

Your life is like the bending stems from a grapevine,
but your birth and your nativity are in the land of Peace and Love;
However, you've entrap human lives like the singing birds up high on the trees.

Edward Kofi Louis
Your Dream!

Your choice,
Your voice,
Your dream!
Your faith,
Your mind,
Your will!
But stop and think;
For, we can all learn from each other.

There is a new star everyday!
In the land,
In your land,
In my land,
To follow it,
To follow him or her,
And to obey;
But, don't let your emotions rule over you.

Prolonged!
It may be,
To dream it,
To direct it,
To direct you,
For a purpose,
To mould you,
To change you,
To be part of His Kingdom! !
But, be salted with salt.

Edward Kofi Louis
Your Dreams

Love,
Call me!
Call me now;
For, i want to make your dreams come true.
You've been weary for a long time! !
Waiting for someone to touch your heart;
With the muse of love,
So, that is why i am around.

Edward Kofi Louis
Your Dreams 2

The first call came for her,
The last call came for him,
But you are now walking in your brother's shadow;
With a glance through the pictures.

Your dreams,
Dream and don't be afar off!
To live the reality,
Let it come to light! !
And to achieve your goals.

Edward Kofi Louis
Your Evil Dealings

Illegal lust,
With your evil dealings;
As the people spoke of your negative acts!
In the village,
because you're sleeping with every man's wife.
Scorn, corn!
With your evil acts,
In the village;
With your evil dealings,
With distress in your dwelling.

Edward Kofi Louis
Your Eyes

Your eyes,
The look in your eyes;
Face to face,
With the muse of your love.

Beauty!
The beauty of your eyes;
Face to face,
Direct to your eyes.

Edward Kofi Louis
Your Eyes Will Look

Love!
Your eyes will look and,
You will see the reward of the truth;
Bringing joy to your heart.

Edward Kofi Louis
Your Eyes!

Your eyes!
Your smile,
Your love;
Well noted,
Said and done! !
Love in your heart,
With your joy!

Edward Kofi Louis
Your Face

Your face!
The race;
The brace of your sweet love,
To touch you down there,
Deeply with the muse of sweet love.

Edward Kofi Louis
Your Feet

Your feet!
In the wilderness;
Still going strong! 
With snow in summer as a strange sign and,
Rain during the harvest to disturb your plans;
But, let the truth lead you on to step in right paths.

Edward Kofi Louis
Your First Lover

Where is your first lover?
And, were you a virgin when you got married?
Then you have a lot to do to dsatisfy your muse,
Because your first lover is gone into the thin air!

Edward Kofi Louis
Your Flower

Open up your flower and let me smell your aroma,
For it takes intelligence to know the truth;
Sparkling eyes of love! !
Frangrace of life,
Romance of nature,
Tender love;
Climbing than ever,
Beautiful plant.
Muse,
Into my kitchen for the chicken;
With the portraits of life,
Seeing this beautiful flower.

Edward Kofi Louis
Your Form

Form,
To inform,
To conform,
To reform,
Your form,
Your beauty;
With the muse of life.

Edward Kofi Louis
Your Glory!

Miss, kiss, piss, hiss; 
So beit in the name of love, 
'HalleluYahweh! Praise Yahweh! !' 

Acts, cats, scat, as, at, sat; 
May the whole world be filed with Your Glory! 
And up high above like the skies, 
But love is the message to all.

Missed, miss, is, me, dim, dies, med; 
Down and down under! 
And like the depth of the ocean, 
But may the whole earth be filled with Your Glory!

Edward Kofi Louis
Your Golden Pen

Your Golden Pen,
Your Golden Love,
Of your true love that i've come to know;
And, to understand your ways.

Edward Kofi Louis
Your Green Eyes

Your green eyes,
Open up and let me be in;
And touch my body and heal me with your love,
For the summer camp is now with my blues.

Edward Kofi Louis
Your Gun

You pointed your gun at him and shot him down!
And this action of your sent him to his grave before his time;
But what was his offence? ! !
For he only knocked at your door to ask of your daughter in marriage.

Edward Kofi Louis
Your Guns

Rivers, trees and the law had received the dead;
And from the very act of the guns in your hands,
But try to replace your guns with pens to write with.
It is like an elusive commodity to hold at last,
But with an untrammelled rowdy as a culture;
For you are my heart'sd fream when it comes for love,
And i will live where peace is taught always.
How long can you learn from all these guns? !
I will prefer to live where love is taught also but,
How long will your guns kill each other?
For the earth had taken enough of the dead.

Edward Kofi Louis
Your Guns And.....

Bring out your guns and throw them away and,
Let us live peacefully on earth without wars! !
For i have spent thirty years starving in my life,
So i know what is called hunger when the world sleeps;
And the peace of my mind needs no bullets.

Edward Kofi Louis
Your Hands Touched Me

Love,
Your hands touched me;
And, you satisfied my soul,
With joy and gladness.

Service!
To dream of you;
Day by day,
And, night by night.

The muse of joy and gladness!
With the muse of my life;
In your hands,
In your arms,
With the muse of sweet love.

Joyful,
With the muse of Righteous Laws!
To upgrade and to update your health.

To lift up,
In a great variety of applications.
Deeds,
Needs,
Heeds!
Exact;

Respect,
To receive.

Edward Kofi Louis

Let your heart bloom like a rose and bring peace to the world!
Positive morals,
Peace and love, care for the human race and, to embrace the truth.

Edward Kofi Louis
Your Heels

Your skirts have been uncovered and,
Your heels are now made bare!
And there is none to cover you now.

Code Number 007,
Let it go through and let me noted!
For I dreamt of you last night;
But, there is none to cover you as at now.

Edward Kofi Louis
Your Humble Request

Of your style,

With the nest of the truth.

Edward Kofi Louis
Your Joy Is My Joy

Your joy is my joy!
And, your laughter heals my soul.

The city of songs,
The smile on your face heals my heart;

The city of music!
Your laughter is like medicine to my heart;

Friendship should have rules and,
Everybody should obey them.

The future is with the influence of your life today,
So, you can change your life for the better is you want to;

Loon, loom!
True-love is with the wonder formula of life;

Your joy is my joy and,
Your laughter heals my soul.

Edward Kofi Louis
Your Kiss

Your kiss is all over my lips and,
I am in love with you;
Your kiss will absorb me into your heart,
But i don't know what to do;
Look at yourself and do tell me the difference,
I am all that you need on this love.
Love is really stronger than you know,
It makes you do things you don't even expect;
Like Romeo and Juliet,
You can see this love in my eyes.
My sweet one,
We are alone in this Garden of Eden;
In this garden where true love grows.
Your kiss is all over me,
True love is stronger than you think;
Like Romeo and Juliet,
You are all that i need.

Edward Kofi Louis
Your Last Letter

My heart is broken!
Reading your letter,
Your last letter to me.

Edward Kofi Louis
Your Laws Are Always Before Us

In Your works and in Your truth,
In Your ways and in Your love,
In Your words and in Your care,
In Your plans and in Your peace;
For, Your laws are always before us!
And, we have to live by them to change us positively.

Edward Kofi Louis
Your Life Companion

Love!
With your life companion;
Of the perspective,
Of the prospective,
And, of the Intuition.

The White Villa!
The Red Villa,
The Blue Villa;
Living in the land of your muse with,
Your life companion.

Muse!
To the end of the canal;
Life!
With the freedom across your land;
And, with the muse of joy.

Edward Kofi Louis
Your Lips

I need your nakedness so that i can kiss your lips,
Because i do love and i can't sleep at night;
But your lips are very special to me.

Edward Kofi Louis
Your Lips 2

Your lips,
Very dry;
Long awaited kiss!
Still waiting for someone.

Edward Kofi Louis
Your lips are as smooth as silk!
With the spasm of an exuberance act invited for love;
Seeing your invisible eyes in my eyes.

Night of love,
Light of peace,
The delight of romance! 
Ships,
Hips,
Sips,
Slips!
With your sweet lips.

Tips of your life,
With an open door;
Your voice echoed behind me to make a choice,
Drops and drips of honey in the land of beautiful flowers.

Edward Kofi Louis
Your Lips II

I want to taste the sweet of your lips like,
The 'Hot-Water Beach'!
For an honourable name is better than fine perfume;
And it is better to have what you can see than,
To wonder after those things which you cannot see!

Edward Kofi Louis
Your Little Finger

Your little finger is thicker than my waist so,
Chastise me with your whips amd i will learn;
For i am ready to die in the name of true love,
Because, true love is stronger than death itself.

Edward Kofi Louis
Your Love

The flow,
Your love;

Your face,
Your act;

The pace,
Your touch;

Hidden! !
Deep down there;

To be wet,
With the muse of your sweet love.

Edward Kofi Louis
Your Love 2

Your love is like the window of my heart,
With the muse of the story of a legendary;
And, the choreographer on my mind is all about you.

Edward Kofi Louis
Your love affairs with nature,
Moth, cloth, both, sloth, froth, tooth, troth!
The borders,
The landscapes,
The flowers,
The birds!
Like September floral.
Anticipation!
With sunrise and sunset;
The sun,
The moon,
The stars!
Your love affairs with nature.

Edward Kofi Louis
Your Love Found Me

I was sleeping under a big mango tree when,
Your sweet love found me;
But, take this lovely pear and wear your clothes of humility!
And, let the earth hear about us,
With the fragrance of life and the romance of nature.

Edward Kofi Louis
Your Love Is All That I Need

Your love is all that i need!
The truth is the key;
Life to live,
Between you and i!!
In peace.
Your love is all that i need!
Like the seed of the truth,
To heed to righteous laws!!
Not with greed;
To weed out evil acts,
With the creed of the truth.
Reed, breed!
With meekness,
With humbleness,
With kindness,
Peace and joy!
Your love is all that i need.

Edward Kofi Louis
Your Love Is Like Fire!

Your love is like fire!
And, you are the wire of my life;
Hire, tire, sire, ire, quire, mire, dire!
Abundance,
To enable,
To streghten,
With miraculous power! !

Edward Kofi Louis
Your Love Is On....

Your love is on every elevated hills and,
Under every spreading trees;
But try to understand me for what i am,
For you are all that the muse brought to me.

Edward Kofi Louis
Your Love So Sweet

Forgiveness, healing and blessings!
Your love so sweet;
Like the colours of the rainbow that shines through the forest of true love.

Edward Kofi Louis
Your Lust

Your lust,
The act of your illegal lust!
And, you took the unclean meat into your mouth,
Leading to your sickness today.
Sick,
Very sick!
All in the name of the pleasures of this sin-sick-world.
Illegal lust,
The act of freedom!
In your land,
With the muse of the people around;
But you ate the unclean meat!
Which had led to your sickness today.
Your lust,
Enticed with the fruits of the world!
Pleasure things;
Without any positive direction,
Leading the way to your sickness today.

Edward Kofi Louis
Your Marks

Your left your marks everywhere and,
I traced you to your lovely room;
Love with a true heart and sincerity was your muse,
And i sat on the tower to satisfy your muse with my mind.

Edward Kofi Louis
Your Message Gave Me Hope

Sweet love!
Your message gave me hope;
In the land of my muse.
Line, vine, wine, fine, mine, dine, pine, cline!
Like an occasion worthy of remembrance;
But, i do have you in my mind always.

Edward Kofi Louis
Your Mind

Apply your mind to instruction;
For the works of righteousness,
To rejoice with your innermost being.

Attain the truth and live with it;
For the sake of love, peace and joy!
Respecting all life on earth.

Edward Kofi Louis
Your Mind 2

Your Mind,
Not your Age;
Use it wisely! !
To rule the world.

Your Mind,
Not your Age;
To use your inner self!
Go deeper,
And bring out something new to the world.

Edward Kofi Louis
Your Mind 2

Your mind reflects who you are! 
As your face is reflected in water; 
Likewise the mirror.

Edward Kofi Louis
Your Mother's Words

Your mother's words are still in my mind,
Even though so many years have gone by between us;
And I can still remind her of her exact words said before me when,
I took up the contract to teach you and your siblings Core-Maths.

Edward Kofi Louis
Your Motto

From your 'sotto voco',
From your lotto,
From your motto! !
And with four bedrooms to crown the day;
But your lover is in 'Hotel St. James'.

The different shades of blue,
From the heat weaves and the beat-weaves!
And like the movie industry around you;
But, it will take a longer time for you to be like me.

Edward Kofi Louis
Your Mp3

7 inches long is your MP3,
But the red wave came in and pushed us apart!
And like your modern roots to trace your village,
For the policeman and the police woman were watching the burglar! !
Jaw, saw, taw, paw, haw, maw, law, raw, yaw;
But it was like an act of imperfection!
And a blue cloth came and covered your MP3 because,
You need to wrap it well and keep it in a proper place.

Edward Kofi Louis
Your Muse

Life!
With the evil works of your muse;
As seen by all in the world.

Edward Kofi Louis
Your Nakedness

I have seen your nakedness and still,
You are hiding it from me;
Oh, how sweet is your love zone that,
I will use it one day.

You are so beautiful in your nakedness and,
I will visit at dawn to make love to you;
Please, let me come in to satisfy you.

You are all alone and you need love,
But all in the name of love to satisfy you.
You are all alone and you need someone like me,
But do not give up when you see me at your doors;
Please, let me in to satisfy you.

You need someone like me and,
I am ever ready to satisfy you with my love;
So, try to let me in to love you all night long.

Edward Kofi Louis
Your Needs

Your son informed me about your needs,
Your wife informed me about your needs,
But just one night in the land of your muse!
So, try to learn from those who are ahead of you in this life;
And, earn what you need to sustain your life.

Edward Kofi Louis
Your Negative Action

Your negative action towards me!
It was planned in your mind before;
And, you acted upon it.

The muse of life!
Of your moves towards me;
And now, you understand the muse of my silence.

The muse of lust!
It was just,
Just one picture for me to understand your mind.

The muse of life!
It was just one train to take me over to the other town;
After understanding the muse of your mind.

Your negative action towards me!
It was just one speech of yours that made me understood your ways;
And, just one food to eat with the muse of lust.

Edward Kofi Louis
Your Neighing

The lewdness of your whoredom,
I have seen your adulteries with your neighing!
But i heard the noise last night;
So be ready to watch the video tape,
And take things as they are.

Edward Kofi Louis
Your Normal Time

The normal time,
Your normal time;
With the muse of your love;
In the land of beautiful flowers.

Love!
Lonely under the palm tree;
With the muse of your love,
And, with the peace of your mind.

Edward Kofi Louis
Your Normal Tonic

Pills,
The morning after;
Drugs!
The day before;
Alcohol,
Your normal tonic;
And now, you cannot find your way home.

Edward Kofi Louis
Your Own Burnings

You are responsible for your own burnings!
Because, you changed thew laws to your advantage;
And now, the whole world follows after you.

Message, sage, age!
Of the burnings around you today;
Led by your negative thoughts to change the laws,
Which had led to your sins.

Edward Kofi Louis
Your Own Fantasy

Illegal lust,
Seeking after your own fantasy than the truth;
To run! !
But, you cannot hide from the truth.

Illegal lust,
Walking in the dark;
And, dwellin in the land of the shadow of death!
Shattered and broken.

Into pieces!
After raping the little girl;
With the law getting hold of you,
As you were caught.

Edward Kofi Louis
Your Own Lives

The truth is from the Laws,
For, the Laws are Spirit!
But, some of you still do not believe it;
And, you want to live your won lives here on this earth.

The Commandments are Holy,
Just and Righteous! !
So, believe in them and live;
For, only the doesrs of the laws are Justified.

Edward Kofi Louis
Your Own Shame

Bear your own shame because I will not judge you for what you did,
For men give gifts to all the harlots they use;
And you are like a woman who breaks wedlock!
For you are easily led away by your lovers.

Edward Kofi Louis
Your Own Ways

Illegal lust,  
Into darkness!  
Where there is no light;  
Because, you've gone your own ways.

War!  
You've gone against the flesh and the skin of the people;  
And, broken their bones with your weapons of war.

War!  
You've besieged and surrounded the people;  
With bitterness and woe.

Edward Kofi Louis
Your Partition

Police Service,
Present in your petition and let us solve it;
For the big day has arrived in the land of your muse!
But if you come softly then,
We will respect your muse.

Edward Kofi Louis
Your Past

Ssssssh! No politics here;
For she flirted with all the boys and aborted her babies,
And now she wanted a child.
She flirted about and now that she is married,
She needs a child!

Look back before you leap and,
Look ahead as well before you move on;
For your past is full of the odds.
Ssssssh! No politics here.

Edward Kofi Louis
Your Past 2

Life,
Your past!
To bring your sins to remembrance;
Knowing who you were in the past,
But today, you've changed for the better.

Edward Kofi Louis
Your Pencil

Sharpen your pencil and let me use it,
For the righteous works of some people are clearly evident;
But those that are otherwise cannot be hidden.
Sharpen your pencil according to the promise of life,
And like a tree planted by the waters of love;
For the sins of others are ahead of them while,
The sins of others trail behind them.

Edward Kofi Louis
Your Perfect Red Rose

Love!
Forgive me for taking your flower;
For, i dearly love your perfect red rose.
Love!
It comes out on its own free will;
Straight from the heart.
Life!
Like the golden ring;
And, to wear it gladly with the sweet muse of love.
Muse!
In the beautiful garden of love;
Bloomed with the muse of joy.

Edward Kofi Louis
Your Pretty Face Is Going To Hell

Your pretty face is going to hell!
Because, you are not following after righteous laws;

Terror, horror!
Only to kill and destroy;

Your pretty face is going to hell!
With the muse of your evil acts on earth today.

Edward Kofi Louis
Your Problem

This white thing!
The flow of it;
But it has been your problem ever since! !
So, you need a better medication for it.

Edward Kofi Louis
Your Problems

I will surely help you with your problems,
But forgive me for my past mistakes;
And like the muse of your love that rests in my hand today.

Edward Kofi Louis
Your problems,
Able to help you;
Able to comfort you,
To cope with your problems,
Able to move forward!
With positive morals.

Edward Kofi Louis
Your Properties

Your money,
Your house,
You car!
With the muse of your other properties;
In the land of your joy,
But, money cannot buy true love.

The muse of life,
To go beyond the enticement of physical properties;
And, to secure unquestionable victory with true love,
Which touches the hearts than anything!
And, to work together for the purpose of peace and joy;
For, love is the key about life than wealth.

Edward Kofi Louis
Your Questions

Present your questions to me and let me answer you,
For my lips will pour forth the praise of your love;
Because, your love is so sweet and so merciful.

Edward Kofi Louis
Your Race And Your Religion

Your race and your religion,
In the region of love;
To embrace the truth,
With the ace of righteous works.

Edward Kofi Louis
Your Reputation

Everyone will say or do something that is wrong from time to time,
But you can use your mistakes to help you mature and maintain a moral character!
If only if you avoid making the same mistake twice.
Your reputation is developed over time,
So keep your word and do your best always;
And do whatever you promised to do in this life with a positive mind.

Edward Kofi Louis
Your Rest

Your test,
Your rest,
Your best!
Next to you is the nest;
Like the text ahead of you! !
But your journey is to the west.

Edward Kofi Louis
Your Salvation

The high places of the forest,
The actual Name of the Saviour is only known by few;
And written concerning the truth is always known to the few,
For the world sleeps without a clue!
But, try to learn from the Righteous Teacher to gain your salvation.

Edward Kofi Louis
Your Seven Children

Your seven children came from seven different men!
Because you slept with seven different men to have your children;
And, you were made pregnant by all of them in your land! !
But, try to wash your clothes before you meet me.

Edward Kofi Louis
Your Sex Affairs

Oh Mr. President,
Your sex affairs have now exposed you! !
And you will now face the court,
Because you slept with a 16-year old girl!
Your gave her milk and honey and,
You used this teenager oh Mr. President!

Justify,
Equal,
Unleash;
With venomous snakes in the name of power! !
But eating and enjoying was noted by your muse,
And this 16-year old girl was whom you slept with.

Edward Kofi Louis
Your Shame

Your shame is now being seen by all!
For your skirts are now thrown over your face;
Because, you were caught last night sleeping with your friend's husband.

Edward Kofi Louis
Your Shoe-Size

Your shoe-size fits me but,
I don't sleep with my legs wide open;
Your head cover fits me but,
I don't pray with my hands down;
I have been longing for many years to see you.
Let us pursue the things which are peaceful,
Like life in the land of monkeys;
Let us pursue the things which are joyful,
Like life in the land of donkeys;
But do cancel my records out of your mind if,
You don't want me.

Twenty-three thousand fell in one day,
But flesh and blood cannot inherit the Kindom of Yahweh;
Death is the string of sin so,
Do cancel my name out of your history book.
Men have one flesh,
Birds have another flesh,
Beasts have another flesh,
Fish have another flesh,
But all flesh is not the same!

Edward Kofi Louis
Your Sins

Your sins will let your olives drop off! And, swarms of locusts will consume all your trees.

Attack! !
Like an eagle swooping down to catch a prey;
And, your prayers will not be heard because of your sins.

Edward Kofi Louis
Your Sins 2

Your sins also destroy the people around you!
Leading to the world;
Spread out! !
Sins,
With the muse of evil acts on earth.

Edward Kofi Louis
Your Smile

Love,
Your smile is all that i need;
Your smile brings joy to my heart.

Edward Kofi Louis
Your Smiling Face

I saw your smiling face today! !
Joyful,
Beautiful,
Seeing the joy in your eyes!
You need this always to overcome the odds of life.

Edward Kofi Louis
Your Soul

I am quite philosophical about your love and,
I am here to tell you the truth;
But, to catch the wind is like,
To lose your pride.
School time love!
Greediness will lead you nowhere;
But, in each other's heart to add up to the numbers.
Your soul!
You are frustrated in life and,
You are trying to catch up with the wind;
But, i've got the picture of your mind inside me,
And, i will be kicking back the ball to you to satisfy your soul.

Edward Kofu Louis
Your Soul 2

Your mind,
Your heart,
Your body,
Your soul!
Arms of peace and legs of love;
Attitude and servitude,
With the gratitude of the truth.

Edward Kofi Louis
Your Speech

You are hiding in the woods and,
To bring out your speech is like war!
However, your own words had put you into this situation.
Wounds of the past!
To heal your lost love by hiding in the woods;
And, being sorry for the mix-up.
Wounds of the past!
The muse of a legal battle on this issue needs,
The meekness of love to bring you out of the woods;
So, be ready for the truth.

Edward Kofi Louis
Your Speech Is Very Comely To My Heart

Do nogt gaze at me because i am Black!
For, i am the mare among Pharaoh's chariots;
And, i am here to stay with my sweet love.

Mare's nest!
Onto us a child is born today;
And, onto us a son is given to understand the muse of life.

The ox knows its owner and,
A woman knows the father of her children;
But, honey and milk are under your tongue.

Your lips drips with honey!
And i have the money to satisfy your sweet love;
And like the foundation of the garden of love with the bed of roses,
However, your speech is very comely to my heart.

Your love is so sweet!
Your mind is very clear;
Green with leaves, pink with flowers and red with roses! 
But, i am made for you in this lovely land of peace.

Edward Kofi Louis
Your Status Today

The meaning of your Name! !
Do you know who you are?
Where you came from and,
Your status today;
Think twice before you hate your neighbour.

Edward Kofi Louis
Your Status-Quo

You thought that you are the highest sinner!
No! ! Watch around you and see what others are doing;
Then you will better choose to do the right thing.
Try to gain your life back with the love of others and,
Learn about the ways of life to gain your status-quo;
For the mirror on the wall is watching you.

Mirror, mirror on the wall;
Where is my lover in this mirror? !
For i read about her in the Newspapers and now,
I would like to meet her in person soon.
Now you better think twice for,
You are not the highest sinner on this earth!

I left my boots in the boat and,
You left your sheep in the ship;
But, we will all die one day on this earth.
You are not the highest sinner and,
You need to look around you and think;
For this life is full of sinners already.

Edward Kofi Louis
Your Strength

With your strength you'll manage every task and,
With your love you'll always care for this people!
For you'll find exactly the tips and the limits that'll help you in this life,
But try to obey my laws always.

Edward Kofi Louis
Your Style

Angle,
Tangle,
Entangled!
With the muse of your style,
Seen by your friends.

Beam! !
Steam,
Stream,
Cream,
Dream;
Able to move on with your style.

Edward Kofi Louis
Your Sweet Body Needs Mine

Watch my naked body and be enticed,
Bath with me and be loved;
For your sweet body needs mine.

Edward Kofi Louis
Your Sweet Food

Your sweet food,
Bring it nearer to me;
So that i may eat it with joy!
Sweet smell,
Sweet aroma,
Come closer to me!
With the muse of the feelings i have for you,
With the joy of my heart.

Edward Kofi Louis
Your Sweet Lips

Your food,
Very nice!
Your love,
Very sweet!
And, to outstretch your arms of love to protect me;
Under the umbrella of peace.
Your mind,
Attractive!
Your works,
Motivational;
With the kiss of your sweet lips to protect my muse;
Under the umbrella of the truth.
I dreamt of you last night!
And, your sweet love came around to satify my muse;
In the land of beautiful roses,
With the peace of my mind.

Edward Kofi Louis
Your Sweet Message

A new thing,
From your sweet message;
Of your lovely words,
Among many,
To touch my heart.

Edward Kofi Louis
Your Sweet Taste

I am the first person to pluck the mango of your sweet love and,
I am the only person who understand you for what you are.
I am the first person to pluck the mango of your sweet love and,
I will always remember your black dread locks;
For you came alone like the King of Pop Music.

I will always remember your sweet taste and the love that we shared,
And the rings on our hands today are like the waterfalls.
They will always be a sign for us and,
I will always remember this sweet taste of yours forever.

Edward Kofi Louis
Your Sweet Voice

Hello! ! !
Are you still with me?
Then, let me hear your sweet voice,
The choice on this love;
Able to satisfy my lonely heart.

Edward Kofi Louis
Your Sword Bereaves

Grievous rebel! !
Your sword bereaves and,
Only death is in your way;
Because of terror!
Wickedness,
With horror seen in the land.
Your sins!
To pollute the kingdoms of the earth;
With war.

Edward Kofi Louis
Your Tongue

Your tongue!
Let it bring out words of peace and love than,
Words of hatred and war! !
We need peace on earth.

Edward Kofi Louis
Your Tongue Plots Destruction

Lust!
Why do you boast of your evil?
Illegal lust!
Your tongue plots destruction like a sharpened razor.
Lust!
You have loved evil more than righteousness;
And now, you are destroying yourself in this world today.
Plot, lot!
With the ways of your works;
Plots, lots!
With the acts of your muse;
And, destroying others as well in this world today.

Edward Kofi Louis
Your True Identity

Beauty! 
Show me your true identity;
Because, there are many beautiful flowers around.

Edward Kofi Louis
Your Vibrant Heart

Only after positive morals,
Only after righteous things,
Only after the truth!
Only after peace and love,
Only after righteous laws! !
Your forest of true love is real,
With Your Vibrant Heart;
Life and dream!
Always with hope.

Edward Kofi Louis
Your Vicinity

Travelling,
Over the sea;
To meet your city,
The City of Love,
And, to know where you live in the city;
Of your vicinity.

Edward Kofi Louis
Your Voice

She's the one!
The very one you are looking for;
So, be very bold to talk to her.

He's the one!
The very one you are looking for;
So, be very bold to talk to him.

Red, redress!
The truth exposes lies;
So, be very bold on this issue.

The truth will lead you to the answers of your questions;
However, everything in life is a choice;
So, let your voice direct you on to do the right thing.

Edward Kofi Louis
Your Voice  2

Vice!
Your voice,
In your vicinity,
Violence! !
Heard by all;
With the muse of your negative acts.

Edward Kofi Louis
Your Voice Inside Me

You will blossom like the lily nd i will love you freely,
For i have your voice inside me;
And i will show you the true meaning of love.

Edward Kofi Louis
Your Voice!

Your voice!
With your choice;
To marry a wife,
Not with a knife.
With peace and love,
To take the necessary steps;
Steps of life! 
With the aroma of nature.

Edward Kofi Louis
Your Water

You entice young men and bring them to destruction!
And like the rumble of rattling wheels;
But your water is now ebbing away,
And like a lion among the beasts of the forest.
Catch them in the net and gather them in the drag,
And like swimming things that have no ruler over them!
But look among the heathen and watch,
And like the east wind that destroyed the fruits of your love.

Edward Kofi Louis
Your Ways

What i want you to do is not what you are doing,
What i want you to write is not what you are writing,
What i want you to sing is not what you are singing,
What i want you to eat is not what you are eating,
What i want you to sell is not what you are selling,
What i want you read is not what you are reading,
What i want you to plant is not what you are planting,
What i want you to buy is not what you are buying,
What i want you kick is not what you are kicking,
What i want you to drink is not what you are drinking,
What i want you to kiss is not what you are kissing,
What i want you to build is not what you are building,
What i want you to cook is not what you are cooking,
What i want you to dress is not what you are dressing,
What i want you to bake is not what you are baking,
What i want you to dig is not what you are digging,
What i want you to fish is not what you are fishing,
What i want you to drive is not what you are driving,
And this love is becoming more complex than ever!
For your ways are not my ways.

Edward Kofi Louis
Your Ways Of Love

I think!
I have seen,
Your ways of love.

Edward Kofi Louis
Your Wedding Ring

You've misplaced your wedding ring and,
You do not know where it is;
But be very careful before it is too late,
Because you can easily fall into the sins of this world!

Edward Kofi Louis
Your Wife Kept It There

It is very sad that,
I am classified like a thief in your own eyes! !
But, you've finally found your missing goat in your own room;
Because, your wife kept it there before going out for a walk!

Edward Kofi Louis
Your Words

May your words always be the words of love,
And, may your care always be the love of wisdom;
And like the food of love eaten in the bedroom.
The muse of life!
Bold the door behind and come in;
For, you are a beautiful Lady to my heart,
And, i need a wise woman like your type to be my wife.
The muse of life!
Mount your mule and come to me my love;
And, may your words always be the words of love,
For, i want a wise woman like your type to be my wife.
Body, somebody!
Like the sweet muse of your love;
Body, anybody!
Like the sweet words out of your mouth;
And, i have waited for this day.

Edward Kofi Louis
Your Works

A city which is set on a hill cannot be hidden,
So i saw you from afar before i came to you;
Because you do have what keeps my heart going.

Let your light shine among the people around so that,
They may see your righteous works and thank the Father in heaven!
And like ten thousand rivers of oil.

Deep in the depth of love,
The light is darkened by the clouds of your muse;
And like when the summer fruits gathers,
Because your works are seen all over!

Edward Kofi Louis
Your Works 2

Bold!
Behold;
To hold on to the truth always.

Bold!
To be strong;
With the identity of your works.

Works!
Sold to the world;
Like the wisdom of an old person in your neighbourhood.

Edward Kofi Louis
Your new works,
Your new love,
Your new art,
Your new words,
Your new book;
Imagine holding it for the first time!
For your works of art depicts your emotions;
But one day, many will come to the understanding of your muse.

Edward Kofi Louis
Your World Is Not My World

Your world is not my world!
Your home is not my home because,
You are ready to cut somebody's head.

Edward Kofi Louis
You're Always Welcome Home

Love,
Sweet love;
You're always welcome home,
Home sweet home.

Love,
Sweet love;
Do come home anytime you want to,
Because, you're always welcome home!
Home sweet home.

Edward Kofi Louis
You're Beautiful

The taste of love,
The taste of the truth,
When the right thing is done;
You're beautiful!
You're my taste;
True love with positive morals.

Edward Kofi Louis
You're Beautiful  2

You're beautiful!
Nothing compares to you;

This love,
Your love;

With the smile on your face!
The joy of your heart;

Nothing compares to you,
You're very Unique!

You're dear to me,
You're beautiful.

Edward Kofi Louis
You're Beautiful!

You're beautiful!
And, i don't know what to say;
But, let it match up with your character.
To watch and catch!
The ball;
The ball of positive morals,
And, to care for all mankind.
You're beautiful!
Following the rules of righteous laws;
And to live in peace with your neighbours.

Edward Kofi Louis
You're Beautiful! !

You're beautiful! !
And, it is true;
Seeing your face through the moonlight,
Romantic!
With the joy of your heart;
Doing the right thing in the sight of the laws.

Edward Kofi Louis
Border, brother! 
You're feeling lonely in an empty home;
Border, boarder! 
You're feeling lonely in an empty home;
Rent, transparent!
I will then find a way of meeting you with my love.
Ice, edifice!
In the land of your muse;
Serve, observe!
You're feeling lonely in an empty room;
And, i'll find a way in meeting your heart with my sweet love.

Edward Kofi Louis
You're My Saviour

You're are my Saviour! !
My only hope;
You bring light to me,
With the muse of the truth.

Righteous Works! !
With the rays of the truth;
Righteousness,
Servitude and attitude.

You're my Saviour!
With righteous morals,
With righteous laws,
Words of peace and love,
With the muse of the truth.

Edward Kofi Louis
You're Not Alone

Royal,
Loyal,
Plan! !
With the muse of your Clan.

Love,
Sweet love,
You're are not alone;
Because, i am here with you.

Edward Kofi Louis
You'Re Nowhere To Be Found

She was a prisoner of war under your care!
And, you had sex with her under the eyes of the gun;
And now, she's pregnant and, you are nowhere to be found.

Edward Kofi Louis
Yourself

Tour,
Our,
Four,
Pour,
Odour!
Your;
Of yourself,
Colour.

Edward Kofi Louis
Youth

Sense,
Youth,
Young,
Fruits,
Crops,
Bear,
Early!
Hence,
To burst the womb.

Edward Kofi Louis
Youth Code

Youth code,
Youth love,
With the muse of boys and girls;
But, sensitive with the energy of the minds.
Foundation,
Sweet look!
Muse, fuse, infuse, refuse, defuse, use;
With catchy eyes!
From both of them,
But, looking towards the beauty box.
Youth code,
Beautiful!
With the muse of boys and girls;
Illuminating the hearts of joy! !
With the precious cream of love.
Foundation,
Effectively,
Sweet love;
Sweet look!
With the muse of joy and, very natural.

Edward Kofi Louis
Youth, Mouth!

Camped,
Encamped,
Together;
Bearer,
Leaves, greaves!
Hearer,
Well Advanced in age;
Meeting the youth around,
With the muse of the truth,
Youth, mouth!
With the meal of true love,
To deal with the truth,
Able to seal the land with
positive morals! 
With the deal of righteous laws.

Edward Kofi Louis
Youthful

A precious carpet!
Set it down;
For your pet,
Net, bet, wet!
Let the truth be the key of your life.
Youthful,
Useful,
Thankful;
Peace and love,
With the joy of the truth.

Edward Kofi Louis
You've Chosen Evil And Lies

Lust!
You've chosen evil and lies;
Lust!
With the adulterer and the adulteress;
Lust!
With the fornicator;
Nakedness!
With sexual relations;
Lust!
To expose the source of the flow;
Lust!
Unable to distinguish between the clean and the unclean;
Because, you've chosen evil and lies.

Edward Kofi Louis
You've Chosen That Way

Lust!
Deeply involved in sin;
Cubes, tubes!
With abortion in your hands;
For, you've chosen that way.
Lust!
With wolves in sheep's skin;
And like foxes in charge of the chicken house.
Lust!
To see it and to hear about it;
And, with the results of your sins.

Edward Kofi Louis
You've Eaten Me Up!

You've eaten me up!
And, i've no more flesh left on me;
For, my bones are now exposed to the public! !
So, why do you still worry me?

Edward Kofi Louis
You've Eaten Of It

Sin!
You've eaten of the forbidden fruit;
And now, you are naked.

Edward Kofi Louis
You've Fallen

I spoke to you,
Rising up early and speaking to you;
But you failed to listen to my words,
And now you've fallen into the very trap.

Edward Kofi Louis
You've Got A Job

You've got a job to do but, others do not;
You've got some food to eat!
But, others do not;
For, not everybody who dies is buried ina casket! !
Because, one man's cocoa is full in a basket and,
Another man's is empty.

Edward Kofi Louis
You've Got Everything

Life is full of stories and you've got everything,
But the sky is the limit for those who estimated it;
And whatever you want to do,
Do it for love.
You've got everything to do it for love,
So hold on to your lover's heart.
Your true romance is needed on this love,
You've got everything to do it for love;
How time flies when you are having fun.

Life is full of stories around us so,
Know more about nature's rule to lead you on;
To err is human but to love is the best.
Better to love than to sit on the wall of hate,
You've got everything to do it for love.
It is better to explore with your love than,
To sit on the wall of hate;
Go beyond the skies to learn things for yourself.
Now that we've got love,
What are we going to do about it?
You've got everything to do it for love.

Edward Kofi Louis
You've Got It

You want war! !
And now, you've got it;
But, war is not the answer to peace.

Edward Kofi Louis
You've Got It Today

This is what you want and,
This is what you like!
You've got it today;
In the name of true-love.

Edward Kofi Louis
Look at the stars!
Very far away;
And i am lonely from everything around me,
Even from everythin that you see.
Oh, how can i come to you when i have no means?
You've got the night and you've got the stars;
But, come and refresh me with your love!
And let all my dreams come true.
You've got the night and the stars,
But i am very lonely from everything around me;
So come and refresh me with your love and,
Let all my needs be your responsibility.

Edward Kofi Louis
You've Harden Your Heart!

Illegal lust,
You've harden your heart!
And now, you are tight-fisted towards your brithers and sisters in the land.
Effect, infect, defect, affect, prefect, perfect!
With the muse of the living creatures on earth;
However, you've harden your heart against your neighbours.

Edward Kofi Louis
You'Ve Hidden Your Love Far Away From Me

Help the powerless with love and care because,
Iron is removed from the earth and copper is smelted from the ore.
I will still love you as lone as the breath of life is in me,
For i have been searching for you for all day long!
Oh that i was as the moon’s past,
And you've hidden your love far away from me.

Edward Kofi Louis
You've Now Grown Breasts

I know your father and your mother,
And i know the day that you were born!
But today you've now grown breasts and,
You do not show respect to the elders around you.

Edward Kofi Louis
You'Ve Opened Wide Your Mouths!

Illegal lust,
You've opened wide your mouths!
Ready for war;
In the name of your strength and your pride.

Affliction!
By the rod of your wrath;
On the people,
Because of your illegal lust.

War!
You've shown no pity;
And, you've killed in your anger! !
Stealing and looting the wealth of the people.

Edward Kofi Louis
You've Openly Rejected The Truth

Illegal lust!
You've openly rejected the truth;
Disobedience,
With your evil works,
With fathers of sin and mothers of sin! !
Giving birth to the children of sin.
They have rejected the truth!
Living in sins,
With their sins,
Common in the world;
From parents to children,
Destroying and killing,
With no peace around us today.

Edward Kofi Louis
You've Suffered For Far Too Long

It was just,
Just one night;
But, it will surely work out one day.
It was just,
Just one tree;
To release it and to be free with your mind.

Just, one blood,
Jus tone move,
Just one night,
Just one love;
But, to allow it to flow our easily;
Because, you've suffered for far too long.

It was just,
Jusr one sleep;
it was just,
Just one song;
It was just,
Just one hour;
It was just,
Just one flight;
Because, you've suffered for far too long.

Edward Kofi Louis
You've Worked Very Hard For It

It will come but,
It will delay!
So be very patient to receive it;
Because you've worked very hard for it! !

Edward Kofi Louis
Yraggon

Recalled,
Enlisted,
But pray without ceasing!
And, do not neglect prophecies.

Contingent,
Pure, sure, lure, cure;
But do it yourself to comfort your heart,
As, it is proper.

Try this plan and inform Yraggon your friend about it,
Up and down and, front and back;
And like north, south, east and west! 
For a sound mind lives in a sound body.

Edward Kofi Louis
Yukon

Polluted,
Stood,
Destroyed!
And like the muse of a Roman Soldier;
But, the supply of your food cam from Yukon your lover! !
For, a new day has now come to satisfy you.

Edward Kofi Louis
Yule Rites

German and Celtic Yule-Rites have been grafted in!
And like the custom of the mummers and the wild men;
But i paid the waitress for my tea and my whiskey,
Because i don't want to accentuate the negative!

Edward Kofi Louis
Yusa

Birth and other matters,
Love and other issues,
Divorce and remarriages are taking place;
But i am Yusa in the land of the Positive Laws.

Edward Kofi Louis
Yusof

I am given a day to sail on but,
I am scattered in the lustrous blue-black attacks of my identity;
But, who has a complaint about me?
And like seeing my eyes off the two golden-brown gloves,
For the swollen fawn moon came about;
And those little red ones with a cream on are for Yusof.

Edward Kofi Louis
Yustman

Letters to your grandmother,
Nice and slow without the hockey sticks!
But, you cannot brow up doing the same thing in life.

Jackets and pockets,
And of the beasutiful sunshine with the golden weather;
But, the sharp knives have no mellow.

The accumulation of wisdom,
And of a fisherman like my type;
For my name is Yustman from Oman and,
I have something for you.

This love is deeper than many kisses!
But, i do have thie letter for your grandmother;
Because you are all that i need,
And like the echoes of love to blossom the beautiful flowers.

You are now riding on a Golden Carriage and,
I am sleeping on a Golden Bed!
And our neighbour who sits on thge Golden Stool is dressed in Gold! !
But, your love is all that i need.

Life is like the talking-drums,
Love is like the muse of heaven;
And of the melody of joy to play along with,
But this letter is for your grandmother.

Edward Kofi Louis
Yuttah

Yuttah, hat, hut;

Love!

You have not deserted me;

You are mine and,

I am yours.

Edward Kofi Louis
Yvonne

Simply ways! !
Risk,
Of anyone;
Feared,
Security,
Sick!
Troubled;
Infected,
Noxious! !
And like the violation of the contract agreement;
But, call in Yvonne to answer my calls,
For, she was the one who signed the contracts and took the money away.

Your zeal and my zeal,
Great cloud of witness to take us through;
But Adam and Eve fell into sin.

But to the great gathering of love is what we need.

Chasten your children and teach them the zeal of life,
For the great cloud of witness is with zeal.
My love is higher than the heavens and,
My works are easily noted by you;
But i will wander into the deserts and the mountains.

Perfected is my love by faith,
And i will to you very soon;
But let your zeal lead you on always.

Edward Kofi Louis
Zeal, Deal, Meal!

Zeal, deal, meal!
To hold your peace;
For love,
For unity,
For joy.

Zeal deal, meal!
Well pleased with the muse of love;
And, honoured with the works of peace,
In your land.

Love!
Your righteousness has to bring in peace;
To all,
With the muse of your lovely heart.

Life!
Just hold on;
With the muse of the truth,
Under the laws, with a positive character.

Edward Kofi Louis
Zealous

Zealous,
Say the truth and keep the faith!
Seeking for peace,
Sharing with all,
For the unity of the earth.

Edward Kofi Louis
Zealous 3

Sweet words of dreams of love to share together,
As low as a fish in the sea! !
As high as an eagle,
As long as a snake;
Look at the world around you!
To wipe the dish,
But the laws are there;
Captured by the pleasures of the world.

Weak moral leadership,
To act like an ostrich with its head in the sand;
Lying lips!
The father of a fool has no joy.

Negative and positive,
The wrong and the right,
Beer for breakfast and wine for lunch!
Like a jar full of vinegar;
The right time for the star to rise up! !
With the ways of mankind on earth.

The muse of nature!
The poor,
Out of poverty;
Trying to put things right to stand up straight! !
In life,
With hustle and bustle for survival.

The muse of life,
Riches!
Out of abundance;
With the signs of the sun!
With the muse of the moon at night;
Joy from the stars when they do the right thing.

The muse of creation,
With the roaring and the singing of the sea! !
Walking along the coast,
Atlantic Ocean!
Thinking of the red fish and the golden fish;  
Zealous!  
Studying the ways of nature.  

A longing fulfilled is sweet to the soul!  
With the muse of the truth;  
Self-control and affection,  
Honour and humility,  
Love and kindness,  
To listen to the heart!  
To respect life,  
With the romance of the truth.  

Edward Kofi Louis
Zealous 2

Zealous for the works of the truth!
The ears of those who hear will listen;
Forts and Towers!
To be pure in the heart,
In words and deeds;
Like the oil for the light!
And, spices for the anointing oil;
As well as the sweet incense.

Edward Kofi Louis
Zealous 3

A mouse in the house,
Walking and talking!

To see a toad along the road,

Zealous for the works of the truth.

Edward Kofi Louis
Zealous For The Laws!

A woman after my own heart,
A woman chosen by your people;
A man after my own heart,
A man chosen by your people;
Zealous for the laws!
With the readiness of the mind like,
A rock of defence.
Life, love, peace and joy!
With the muse of simplicity in the land of the living;
A chase virgin!
With the muse of outstanding men of the city;
A pink lady and a blue gentleman,
Get dressed and put on the sandals of peace than war.

Edward Kofi Louis
Zealousness

Zealousness,  
Righteousness,  
Faithfulness,  
To walk in the truth;  
With your mind and heart,  
Complete honesty.

Edward Kofi Louis
The big fish are for the men and,
The small fish are for the women;
Living in a land that accepts this law,
As, Zebedee my friend took me around to see things for myself.

Life!
Peace is what is needed than war;
So, accept the laid down laws in your land and live.
Love!
The laws are there to guide us on;
So, let the laws be your teacher always.

Edward Kofi Louis
Zebrudayah

Acah, Zeruyah, Zebi and Zebrudayah!
Friends of love to share the muse of peace;
And like the rats in the holes who want to take a rest,
Because this is the day for you and i want to swing on your muse of love.

I know your abode and you know my muse,
But you are turning things upside down like the potter's clay!
And you know the truth on this muse of love,
But when it comes to love, be esteemed like the strong forest! 

Edward Kofi Louis
Zed

I was caught in your trap and was led away in chains,
But I am like someone planted in a fertile field of joy!
And like the seed of the law that grows with peace.

We are divided because of language,
So I will try very hard to learn your language so that we can be one;
Because these chains are too heavy on my neck!
But my sweet name that you need to know is called Zed.

Edward Kofi Louis
Zeeb

The women ride horses and the men play football,
And of a land known by its works;
For everything is ruled by law over here and like,
Zeeb from the Sea of Galilee.

Edward Kofi Louis
Zeeb 2

Zeeb, be, bee!
Harvest,
Full vintage,
Gleanings,
Better grapes,
With the joy of your heart.

Edward Kofi Louis
Zeeland

Zeeland, land, and, lad, lead, led, deal, zeal, ale;
Stone mountains!
With the muse of your love,
In the view.
Fin, find!
Love is better than hate;
So, be real with your mind and move along with a positive character.

Love,
To open the 7th Door! !
And, to be in the 7th heaven;
With the muse of Genesis and, the archaeology of the Bible.

Love,
Similar to your sweet heart;
With the very works of peace and joy in the land,
However, be real with your mind and move along life with a positive character.

Edward Kofi Louis
Zeki

Love, dove, drove, rove, cove, grove;
But, early in the morning with the muse of love!
For, i am Zeki in your neighbourhood.
Hove, prove, stove, strove, wove, move!
And like the way to the only place of love;
But, do teach these laws to your people for peace! !
However, trust in Yahweh always for, He is true.

Edward Kofi Louis
Zelda

Zelda, deal, lead, led, lad;
In circles,
And, to feel better because of love.

Life!
To seek for the treasure;
Love!
Please, take me home;
And, to the deep blue sea.

Love!
To the rescue;
But, so wonderful and,
So joyful with the muse of peace.

Edward Kofi Louis
Zella

A broken heart,
It is about the pain of love;
And like the lasting ally with prejudices.
Horse, snake, dolphin, jaguar, crow, cougar and moose!
I am Zella with a broken heart;
So watch your steps before you jump into the depths of love.

Edward Kofi Louis
Zelophehad

Zelophehad, pole, hole, head, plead, heed, lead, deal, led, lad!
Approached,
Well-pleasing;
Instructed with the works of the truth,
Because of your love and the Righteous Laws around.

Zemaraim

Zemaraim, ram, maim, Miriam, mare, ear, era, aim, arm, am;
In the hill country of love,
With the rain from the heavens in the raining season!
But, let your works bring in peace and joy to all.
Love!
At its appointed time;
Assigned with the muse of your heart in the land of the living,
Test, contest, best, west, rest, guest, pest, nest, zest, fest, jest, crest!
And, to the hill country of love to express your views.

Edward Kofi Louis
Zephon

Zephon, on, phone, one;
The original,
From the beginning!
Able to learn from the works of the truth;
Living in peace with your neighbours.

Edward Kofi Louis
Cows and horses,
Of the forest and the roads;
With many houses around for me to learn about this place.
This one came out first to let her keep what she has,
With three moons for me to learn about her.
Zerah is my name and i am very handsome in appearance,
So i married her and went into her;
And today she is with a child,
Like the producing of an offspring in the name of love.
Zerah is my name and i am still learning about this place,
Of a land full of cigarette smookers!

Edward Kofi Louis
Zered

Zered, reed, red, deer!
Strictly on the main road,
Entering into the land;
Having a view!
And seeing the mountains ahead of you.

Edward Kofi Louis
Zeredah, dear, read, hear, ear, red, era, reed, deer, head;
A man of virtue performed his work,
To keep the statutes of the laws laid down in the land.

Edward Kofi Louis
Zererah

Zererah, he, her, hear, ear, rear, era;
Hatred and war!
To tear down this tower.

Edward Kofi Louis
Zero To Hero

From zero to hero!
From nothing to something,
From nobody to somebody,
From nowhere to somewhere,
From unknown to be well known,
And like potatoes in the garden of peace;
But my mind will rule and teach many,
And with love as the key of life in all respect!
For the heavens know my name.

Edward Kofi Louis
Zero!

The ring,
The boxer;
In the ring boxing for money.

Zero, ore!
Hitting your opponent in the name of boxing;
But, is this the right way of life?

Life!
Reading through;
Love!
Going along;
But, having a dream on a starry night.

Star, starry!
To strike your opponent in the name of boxing;
But, is this the way of life?

Star, starch!
Now you've got the answer after the game;
With a swollen face.

Edward Kofi Louis
Zeror

Zethar

Zethar, he, the, art, tar, rat, heat, ear, hear, era, rate, eat, ate, her, tear, hat;
With schemes and devices in the name of war! !
While pride pursues and persecutes,
Destroying the land and killing the people with the weapons of war.
Covetous,
Through the the tide of pride!
And, to ride around with the weapons of war in the hands.

Edward Kofi Louis
Zigby

Mobli-phones had made many to tell lies today,
And now they can't even come to the Sabbath;
Because they are worried about the laws and,
The land is full of sinners today.

I am Zigby and,
The law is the truth!
So go and tell your lover to watch her nakedness,
For outside are dogs! !

Edward Kofi Louis
Zighita

Zighita, at, it, hat, hit, tag, Zita;
With Zighita my firend in the land of joy!
Walking along with the peace of the mind.

Fresh!
In the land of your love;
With the muse of the summer.

Splash!
Living in the land of your joy;
And like a pass through the tunnel.

Edward Kofi Louis
Zigo

You do not need me so you walked away from my love,
And now i am only 10 miles away from hell!
But at Ward 21 you will meet Zigo my friend.

Edward Kofi Louis
Zigzagging

You have no doubts on this issue,
You have no wheels on this fact,
You have no comment on this point,
You have no precipitous on this act,
You have no perceiving views on this demand,
Because i am no King James;
But from Mumford to Melford where,
The children have been walking about without parents.

Healthy and inspiring,
Can't you see the resemblance? !
But with the twinkle of the eyes, let bygones be bygones.
Zigzagging with your mind,
Like a King with no stool to sit on;
But i do pick my words from the sweet birds.
I flow with my mind from the songs they sing,
Like the acquaintances of a vision;
Because, there is no zigzagging on this game.

The woman is mine and the child is mine,
With my sincere thanks to the nature of things;
But repeated in a gipsy tongue will not help matters,
Because the truth is always the truth.
You have no mind on this story,
You have no business on this work,
Because i am no King James;
But with my mind of love to put things right always.

Edward Kofi Louis
Ziklag

A friendly lady and a friendly man,
But who will help me through this wall of hate?
For in Ziklag i am expected to meet my wife.

Edward Kofi Louis
Zikpi

Painted with stones and planted in love,
From the loins of Yaaqob to serve a purpose;
But like Shiphrah and Puah who are visiting Zikpi.

In the Medieval and Byzantine times,
Of a spectrum of vivid shades and speckles on this love;
But Zikpi is still there in the room with the visiters.

Life is like the son of joy and the daughter of peace,
But remember Lot's wife and come to me;
For true love is all that one needs to grow up.

Edward Kofi Louis
Zimri

I am walking through the wilderness of love and,
I have three days journey on this mission;
But like the tent of Yael full of milk,
The earth shook and the mountains quaked.

Give ear to my poems oh Kings,
Give ear to my poems oh Queens,
Give ear to my poems oh Princes,
Give ear to my poems oh Princesses,
Give ear to my poems oh Nations,
For i am walking along the byways of love;
But Zimri is my heart's desire.

Edward Kofi Louis

And, i am ready to satisfy you with my sweet mind.

Edward Kofi Louis
Zinna

Absorbed,
Wider,
From the origin,
Forgetting,
One piece,
Almost!
And like a family matter;
But, i am Zinna with the muse of love.

He did what he did,
You did what you did,
She did what she did,
They did what they did,
I did what i did,
And like the Sun-God of the Pagan-Origin!
But, to study constantly from the truth is what you need;
Because, your secret lover is still hiding in your room.

Edward Kofi Louis
Put the puzzle together,
Live with it until the study is over;
Because, many are killing others in the name of religion.

The face of the dragon!
Deeply involved;
But, my love is now shining over you,
For, i am Zinne in the land of care.

Edward Kofi Louis

A certain size!
Grams,
Units,
Per second,
Tremendous,
And this also needs to be done;
But, i am Zisaman in the land of your muse.

French fries,
The combination of things,
And, to the altar of prayer!
But, at the very spot of love;
For, i am Zisaman in the land of your muse.

Edward Kofi Louis
The zeal in Tema crowns your views,
With the sea breeze to cool your mind;
But who the cap fits must wear it always in this life.
Life is like that and,
I am the parrot that speaks through the thing air;
With words so sweet to educate you over there,
But do keep the fire burning always to enhance your name.
You are Zita, and life is all around you;
So keep the fire burning to gain a better future.

Zitarosa! Life is all about us on this earth;

So, let us be real in doing the right thing! Bringing peace to all than with the bullets of war.

Edward Kofi Louis
Zoa

Hear me oh peoples of the earth!
For my name is Zoa and,
I am like the pure gold in your hands today.
Life!
What the muse brought to me is all about love;

Of the gifts of your love;
But, do not lift up your arms always without a reason,
For, i am here to teach you my friend.

When you give up a gift so precious to you to somebody,
You will lift up your success towards the moon with a clue!
But, do not lift up a stone against your neighbour;
For, true peace is the key about life.

Zortovi my friend!

Muse, use!
So, do not life up heavy burdens and be killed like a fool in your town.

With the lifestyle of the world today;
As many follow in blindly without the truth.

Illegal lust,
Like a disease that spreads through your body;

Edward Kofi Louis
Perfumers, cooks and bakers;
You are from Aphiah like Appiah to learn from my muse;
But life is like the missing donkeys at times.

Esau was a skillful hunter and,
Yaaqob was a quiet man who stayed among the tents;
But love at times is like the missing monkeys.

You are called Zuph on this love but,
The food in your sack is gone!
However, you don't need to give up in life.

Profoundly and beneficially,
Death will never say i am ready today.

There is a cause for every effect!
And the writings are on the walls;

Fresh sprouts with molasses! !
With micro-water and essential oil;

The truth is the key about life!
Able to direct us along righteous paths;

Zyra! I am here to help you;
So, wipe away your tears.
