But you can be part of it.
Don't you know that,
What comes out freely is drawn out of the people;
But the best kept secrets are always with us,
Like a lampstand of gold with the best kept facts.
The human race is on the run like,
The mixed feelings faced by you and i;
And we cannot hide the truth.

Edward Kofi Louis
Mixed With Colours

Magic land!
The beauty of love is wonderful;
And, the beauty of Africa is mixed with colours.

Cultures, languages and traditions!
Dancing with the muse of Africa;
However, life will be much meaningful without hatred and war.

Edward Kofi Louis
Mixed With Oil

I need peace but not hate,
I need love but not war!
To go out of the door and,
To come in again! 
As the flour was mixed with oil.

Speak to the heads of the tribes and,
Let us all seek for peace in this land!
And, let them know that i love this young lady;
Because, she is the pleasing aroma to my heart,
And, i need peace than anything on this earth.

Love, muse, life, peace, joy, nature!
I will pay money for her shelter;
Because, she is the pleasing aroma to my heart,
Going out of the door and meeting her all the time.

Edward Kofi Louis
Mixed Zone

Prayers!
To all in peace;
In the mixed zone,
The zone of life.

Another day,
Another way,
Another time;
Living at the mixed zone of love with your mind.

The problems of life,
Fighting against all powers!
And, to be very strong in the faith;
With a joyful spirit.

Edward Kofi Louis
Mixi

Mixi,
Accountability is what you do not know;
And you've coloured me bad on this issue!
But how do i love you when you do hate me?

Edward Kofi Louis
Mixture

She held my hands and i saw the movements of her eyes,
But her way of life is the mixture of righteousness and evil!
So i watched her steps with mine,
For every religion was started by a man or a woman.

Edward Kofi Louis
Mixture II

They have a mixture of the worship of righteousness and evil,
And like the sweet words that came out of their mouths;
But one needs to watch carefully before making a choice,
Because, not all that glitters is gold!

Edward Kofi Louis
Miyamin

Miyamin, in, may, yam, an, aim, am, man, main!
With the muse of Gods and Goddesses seen around the cultures of mankind;
Backed up by Satan! !
However, these cultures are not ready for the truth,
Even though, the truth is forever!

Edward Kofi Louis
Mizrayim

Remember and never forget how i deeply love you,
And like the fruit of your womb;
Remember and never forget how we deeply made love with our nakedness!
Yes, in the rich and spacious land of beautiful roses;
But, the laws were written for our learning.

Mizrayim my love,
Always love me deeply like the first time;
And remember and never forget how i really care for you,
For, i am who i am and you are you are who you are on this sweet muse of love.

True love had now connected us together so,
Do remember and never forget how i failfully taught you the way;
For this rich and spacious land of the beautiful roses recorded that history.

Visit my vineyard of love and let me crown you my love,
For ui was sent to you to love you and to direct you;
And i will take you to the land of love flowing with milk and honey,
For you are all that i need on this sweet muse of love.

Oh Mount Horeb! !
And from within the bush of love;
With Shanghai Blues to take up your body to the bay of love!
But, remember and never forget how we deeply made love with our nakedness.

Edward Kofi Louis
Mms

Many will run to me and say:
'Make us your king and we will worship you'!
And like the muse of love in the land of the living;
But, i am a simple man who wants to be your servant always.

Of this love,
Made for real for others to follow;
this muse,
Made like the 'Most Managed Services' in the land of your joy! !
But, i am a simple man who wants to be your servant always.

Edward Kofi Louis
Moadyah

Moadyah, day, man, Adam, had, dam!
Water,
Coming out of the new well dug;
To water your plants.

Chains and pains!
With the ways of life;
But, the truth is the key,
Leading us to righteous works.

Edward Kofi Louis
Mobility

Mobility, boil, oil, toy, boy, mob, toil!
Searching for where to lay your head;
With, life's own stories.

All naturals!
With no artificial;
Life!
With nature's law;
Looking at the muse of the world.

End, endemic!
With the final job in your hand;
tremendously!
With the muse of life;
Entropy!
Ever, increasing with the illegal lusts of mankind;
On this earth.

Love!
With the muse of your works;
Moving around in search of a home,
Because, you still want a place you can call your home.

Edward Kofi Louis
Mocking Bird

Mocking bird,
I am now in Washington DC!
But the bomb dropped and i was able to escape.

Mocking bird,
My silver plate is with you;
So do take care of it.

Mocking bird,
Flowing with the feelings of love and the vibes of your muse;
But do watxch out before you are knocked down!
And try to fly away to a safer place.

Edward Kofi Louis
Moderation

A message to the third heaven,
My blindness is now removed;
A message to the third heaven,
With written credentials in the depth of love;
For now i can clearly see.

Phrygia, Pamphylia and Egypt;
I can now see very clearly on this love like,
A message to the beautiful gate of love.

My heart is for you and i am with joy!
So let your moderation be known to all;
Like the message to your beautiful gate of love.

My tongue is glad and my heart is at peace,
Like a message to your beautiful gate of love;
My heart is with joy and my mind is full of your blues,
But let your moderation be known on this love;
Like the crown of rejoicing after the blue movies.

I am he whom you do seek,
Of the stars of joy and the mark of love;
Behold! My mind do seek you too.

Edward Kofi Louis
Modesty

Modesty,
Lessons,
Living in peace;
With servitude and attitude,
With respect,
Sharing with others,
With the muse of the truth ad the big story.

Edward Kofi Louis
Moeletsi

Black diamonds and blood diamonds,
Come and let me take you to Vinyl Paradise!
For the music man is there waiting for us and,
We need to take Moeletsi along with us.

Edward Kofi Louis
Moeshan

Moeshan, home, so, as, she, he, shoe, hose, hoe, hoes, homes!
With your lifestyle in the village;
Able to take up your wares to the market,
Meeting other people to enhance your status in your land.

Edward Kofi Louis
Möglicherweise

Möglicherweise, möglich, weise, Eier, glich, er, geh, eis, Ei, eh, ei;
Ein Kurzen Überblick über meine Geschichte und meine Kultur,
Aber Sie sprachen kam noch miteinander.

Möglicherweise, welche, Weise, Weiler, Weile, weil, Weiche, hier;
Die Hoffnung,
Wie meine erste Liebe! !
Mit so viel Power für das Jawort;
Aber das größte Risiko ist wie Sklaven zu verkaufen.

Möglicherweise, heiser, heilig, Ehe, gleich, eher, Wehr, weich, heil;
Mit konkret bedeuten für meiner Liebe!
Wie einen nackten Man und eine nackte Frau;
Aber alle Puppen liegen im bett.

Edward Kofi Louis
Mohammed

I am with your child and,
I am about to give birth;
For, this was the result of the love that we shared,
So, do expect your child very soon.

The arches shot from the wall at me and,
I managed to survive those attacks! !
And, i will surely give birth to this child one day.

My heart is merry because of your love! !
Oh, my handsome man;
So, do expect your child very soon oh Mohammed.

Edward Kofi Louis
Mohan

Courtesy,
Connecting,
But mutually with the muse of your love;
And like Mohan who is now with the words of peace.

Strained,
Diverted,
And very hard to restore! !
But the sea hawks are closer to you than i thought;
So let us live freely on this side of the Island.

Edward Kofi Louis
Mohinani

Policies,
Unfavourable,
But though partnerships to enhance my status;
For, the main ingredients of love were laid bare! !

Mash,
Wash,
Installed,
Operating;
But, subsequently! Mohinani came around to see her off! !
Because, the millers were around as well,
And like the muse of love in the land of trouble.

The corridor,
Darkness at the place! !
And like a hatchery and parent stock;
But, the remarks were all about her love!
And with documentations to enhance my status,
Because, all that muses have now been exposed! !

Edward Kofi Louis
Moira

Moira, arm, air, aim, ram, or, oar!
In the arms of Love;
With the passion of life,
Along the river of peace! 
Enter into the world so sweet;
But, with the works of the truth.

Edward Kofi Louis
Molay

Three apples to my lover and,
Of the sand of the coast to share with you;
But where is Molay to prepare the table?
For the visitors are in to buy my wares,
And i need help to guide them through.

Edward Kofi Louis
Mole, Hole!

Pole,
Whole,
Sole,
Mole, hole!
Cole;
With the smoke of the incense around,
However, honour the presence of an elder or, a teacher.

Edward Kofi Louis
Mole, Role, Cole!

You can't resist the truth! !
Even if you hide in a hole,
Because, the pole will expose you,
And bring the whole story out;
Mole, role, Cole!
The truth is always the truth and,
You can hide from it.

Edward Kofi Louis
Molech

Our wonderful world,
Our wonderful homes,
Of the customs and traditions;
But, no one is stronger than Yahweh!
Bye-bye to summer and hello to winter,
And like Nimrod and his 'mother-wife' Semiramis!
Bye-bye to winter and hello to summer,
And like the resurrection of nature after winter!
To Constantine the Emperor,
But, Nimrod married his mother.
To the Pilgrims of Plymouth Colony,
With Easter Bunny and Easter Coloured Eggs!
And like the Aztecs of Mexico.
The goddess Ceres,
The German and the Celtic Yule rites;
And like a writer's ink!
But, Saturnalia became what is called Christmas today;
Yes, the very worship of the god Saturn!
Of the pagan customs,
Of the servants of Satan,
And to the Norse people of ancient Scandinavia;
Norse Ostara,
Norse Eostra,
And like a mysterious force!
And, of the worship of the ancestral spirits,
But marked by human sacrifice and lighted candles for Baal!
All in the name of hercules who was Molech.

Edward Kofi Louis
Mollison

The one inside is already free!
But those outside are going to suffer;
But Mollison will be there to see to my lover,
For the wall out there was higher than i thought!

Edward Kofi Louis
Momoh

Languages are the pedigree of nations!
And like an excellent articulated acts of love being expressed by nature;
But, i am like the stream of love that flows in the Jordan.

It would have been very difficult at first but,
You still count on the pusillanimous disposition;
But, flowers are like one of the surprises which are always met with the visitor.

Of the abundant fruits of love and the flowers of love;
And of the frivolous act of the light that comes out of it!
But, where is Momoh my lover? ! !
For, i am now surrounded by the bigger acts of the sea lions.

Edward Kofi Louis
Mona

Welcome my sweet Mona into my home,
And i will betroth you forever!
For you are like a new day in Tokyo on my love,
And you are the one ofr me.

Your true joy waters my heart and,
I am with the joy of love today;
For, i just want you to be with me forever.
Mine heart yearns for you and i will do my best for you,
And you are welcome to stay with mine heart forerever!

I just want to lay my bed beside you and,
For the river of love that flows within us;
And with no cat anbd mouse stories on this love,
Bacauise i do love you deeply in my sweet heart!

Mona,
You are what the muse brought to me this morning,
And i will do anything for your love.
For it is like the hot chocolates!
And it is like the muse of love! !
And you are all that the muse brought to me.

Edward Kofi Louis
Monae

Bury them together in the dust and shut the grave,
For you can't hunt the prey for the lioness!
And i am Monae who wants to love you with your muse.

Edward Kofi Louis
Monday And Sons

Day, stay, may, ray, tray, play, pay!
With the works of love;
Monday and sons! ! !
Walking along the coast,
Respecting the ways of life.

Edward Kofi Louis
Money

Many waters and many tears,
Of many hopes and dreams;
A prophet is not loved by his own people.

Many tears and many fears,
Of many hopes lost in the drain like rain;
But i am still in the rain with my brain.

The train waits for me and,
The moon is sleeping in my arms;
But the door of hell also stands beside me.

In my flesh and with my spirit,
In my min d of many hopes and with the flames of fire;
I have no honey or money to buy a pony or a monkey,
And my backyard is burning.

The sun is shining in its strength like the smoke of insence,
Sweet like honey but without money on this issue;
And like a great voice behind to seek for the beginning and the end.

A golden seal and a golden lamp,
With a great force ahead of me when i have no money;
But i am clothed with a garment of hope to lead me on to find you.

Oh money!
You are like the raging waves of the sea;
But i am now learning the muse of time to get to you.
The tide of my hope is to succeed and,
To the 7th congregation;
But o know the truth about life matters than war.

To those things that i have written,
An open door is needed on this love;
But the words of my patience will lead me to meet oh money.

Of the things that i have experienced,
Neither cold nor hot to swing my muse towards money;
And like a lukewarm attitude,
It is either cold nor hot when the issue of money is involved.

Seven stars in my right arm,
Like every sailor's boat with money;
But i have to write a new song before the thrown of my lover.

Oh money!
I am standing on the sea of glass with care;
But seven out of a house is what i need on this money.

Poverty and tribulation,
Many had fallen for the lack of money;
But i will take this rod of iron to lead my way through.

Edward Kofi Louis
Money Factor

Oil sector,
Money factor,
Actor, tractor!
Form,
Reform,
Inform;
Great riches and much honour! !
However, there are some righteous things in you.

Edward Kofi Louis
Money For Sarah

Send this money to sarah and,
Let her be under the roof of love!
For, she needs shelter and care;
And like the muse of unity in the land of peace.
Money ofr Sarah!
Love is the key and peace is the way;
And like the official records in the land of her muse.
Send money for Sarah and let her survive!
For, things are very hard for her in the land of trouble;
And, she needs help from me.

Edward Kofi Louis
Money Talks

It walks,
he talks,
She talks;
Like the chalks of the teachers,
But, money talks as well.

Edward Kofi Louis
Money! !

Oh money!
Money, money, money! !
That day, oh money;
For how long should i wait for you to visit me?

Money rules and money is for power,
And the lack of money had made many to fall;
But the dead know nothing about you again.

Many have fallen due to the lack of money,
But my love is for the fish of the sea!
And to examine and observe the birds of the air;
But i am still waiting for my freedom on this earth.

My mind is with an idea and i want to express myself,
But to a world full of wars and less peace;
So what can i do without you oh money? !

The world is cast off and it is defiled,
And with dead men walking around us always to share with us;
But for how long should i wait for you oh money? ! !

Oh money, wher are you?
Where is your dwelling place so that i can visit you?
For i have to observe and examine you well when i do find you.

Edward Kofi Louis
Money, Journey!

Money, journey!
Love,
City lights,
To open up,
With the romance of the blues;
And, with the echoes of love.

Talking tower!
Tulip,
Love,
Hearts,
With the yellow flower;
And like the snowbird with the muse of the red rose.

Edward Kofi Louis
Monica

Abusuapanyin Yeboah,
I have got a sweet lady for you to meet;
For she is all that i have to present to you.

She is my lover and my heart,
She is my passion and my joy,
And like a dance to the cultures of my people.

She is like a turkey from Turkey eaten in Antalya,
And her name is Monica;
For she is all that i have to present to you for my marriage.

Edward Kofi Louis
Monica II

Corporate existence,
Regaining your vitality to respect my muse;
And like the food presented to me by Monica.

Edward Kofi Louis
Monika

A living planet in need of love,
A living being in need of love,
To love in a sunny afternoon like 'Celebrity Solstice';
Over five million dogs do live here.
Be on your guard,
Search for your lover,
Like the voice of the people;
But, your love is decked with pure gold.
Monika, the merchants were richer by your trade;
Like the voice of the bridegroom and the bride.

Edward Kofi Louis
'Monopoly 21'!

'Monopoly 21'!

It will be our righteousness if we observe and do all the Commandments;

Because, degrading passions abounds around us today! !

Like misery, diseases, wars and deaths!

Give water to him or her who is thirsty,
And give food to him or her who is hungry;
Because greed has taken over the earth.

Edward Kofi Louis
Monowi

Monowi, on, moon, win, mono, in, won, no, own;
To criticize!
Purely personal,
And, at loggerhead.

Lust!
No matter how hard the chicken dances,
It would never please the hawk.
Cup, coup!
Installed,
Cop, coup!
Noted,
But, at loggerhead with the controversies.

Life in the town,
With vengeance and hatred!
And, like a stumbling block;
With the muse of the nature of things around.

Edward Kofi Louis
Monsoon Rain

Monsoon rain!
Very heavy,
In Africa;
With trees and animals around,
And, with humanity in view!
Noted with the muse of Africa.

Edward Kofi Louis
Monte Carlo

Monte Carlo,
I need to hold your breasts and get the feelings of love;
Monte Carlo,
I need to brush your breasts along my hairy chest of mine;
Monte Carlo,
I want to feel your love all day long;
Because the law is not only laid down for a righteous person,
But also for liars and for perjurers.

Edward Kofi Louis
Montecristo

Hello my lover in Montecristo,
Your blue eyes have woken me up from my sleep;
And like liquid to liquid!
But do not delay because the sky is now very dark.

Edward Kofi Louis
Monument Valley

Monument Valley,
Beautiful!
With your view,
Down there and up here!
Viewing from here.

In the kitchen,
With the chicken.

With the muse of the dreams of love.

Edward Kofi Louis
Moral Character!

True positive moral character!
Training your mind and your heart;
For peace and, the unity of the earth.

Edward Kofi Louis
Moral Laws Of Peace

Moral Laws of Peace,
Apparitions!
Of men and women,
Like boys and girls;
Works,
Faith,
Care,
Love;
Moral attitudes! !
But, we need them along to bring us peace.

Edward Kofi Louis
Moral Sense

Brook,
River,
Flood;
At a place,
In search of love!
With a positive moral sense.

Edward Kofi Louis
Moral Values

The old man,
The old woman,
Parental guidance,
With the bond of trust;
And, moral values.
Teach the children the truth and,
Let them grow in the faith!
In the name of positive moral teachings.

Edward Kofi Louis
Moral Values 2

High moral values,
To avoid corruption in the land;
With regards from Africa,
Metamorphosis! !
Like heavenly sun-rays.

The muse of life,
In the region of love;
With high moral values!
Putting things right to avoid corruption.

Edward Kofi Louis
Morality

Boys are boys!
Teaching and leading them with the truth;

Girls are girls!
Teaching and leading them with the truth;

To bring peace to the world,
In the name of positive morals.

Morality,
With righteous characters;

Positiveness,
With the muse of the truth;

Boys are boys and,
Girls are girls.

Edward Kofi Louis
Morally Correct

The muse of life,
Morally correct with the muse of the laws;
And, with the truth.

The muse of life,
Upon the laws!
And, upon the truth;
In structural conducts and, upon the people.

Love,
The truth is for those who are ready for the laws;
And like living with a wise architect,
since, the laws are morally correct for us to obey.

Love,
Beautiful and green!
With the muse of the truth.

Edward Kofi Louis
Moray

Moray, or, Mary, may, oar, arm, ram, May, ray!
The rays of love,
The rays of peace,
The rays of life,
Sharing and caring for each other in your land!
For the unity of the earth.

Edward Kofi Louis
A morbid interest in disputes and arguments,
And like the perverse disputations of people with corrupt minds;
But I am willing to share my love, care and peace with you.
Impending distress,
It is better to marry than to burn in lust!
And like David and Goliath,
But my muse will always be on the right path.

Edward Kofi Louis
More Freely

Real!
More freely;

Realised,
More truly;

Melted wax,
With the eyes of love.

Edward Kofi Louis
More Is Required

To those who have been given understanding,
More is required of them to pass it on to others;
But we will all be judged for what we do on this earth.

Edward Kofi Louis
More Powerful

More powerful!
On his own and on her own;
With an attempt to fight for love,
But thinking of you always is all that i need.

Fought,
Humbled,
Committed;
More powerful with the muse of love!
But thinking of you is all that i need.

Edward Kofi Louis
More Questions Than Answers

There are wars around us daily and the world sleeps,
But read your Bible always to know the facts about all these prophesies!
For there are more questions than answers on this earth,
And like a red mark on the foreheads of mankind.

Of hope in life,
Of power in the name of war,
Of love to the people we care for,
Of faith on the journey on this earth,
And of a sound mind in the land of roses;
But there are more questions than answers on this earth.

Beside the service of two,
Elias came as a surprise to us! !
And like the prophecy that is known to you;
But there are more questions than answers on this earth.

Captured by various lusts,
But we brought nothing to the world and we will take away nothing out of it!
And like our tears after the bombs,
But there are more questions on this earth than answers.

Bombs everywhere! !
And like the corpses after the wars;
But in youthful lusts with green-uniforms like the flesh and blood as seen in Ivory Coast and in Libya!
And the world sleeps because of its many problems.

Edward Kofi Louis
More Stories About The End

You don't understand the future!
So, why should i discuss it with you?
For life is not always the way you do see things around.

The sad thing is,
You always go to Church on Sundays with your Bible;
But you've never opened it to read it yourself!
For, there are more stories about the end written inside it.

Edward Kofi Louis
More Than 100 Years Old

Your are 100 years old and i am 120 years old,
But life is like a race against time!
And like living tigs on this earth with different life-spans,
But the wages of sin is death! !

Old faithful,
My sweet lover!
But it ended at the very spot;
And like the policy of Zaprous! !
From the top to down,
But life is like a race against time!

Edward Kofi Louis
Breakfast!
Surrounded by hairs;
Below,
Above,
Severity!
In the land of your muse.
After breakfast!
With the notice of the nutrient deficiency;
However, smoking prevents blood circulation towards the head.
Wards, towards!
Before breakfast and, after breakfast;
To regulate it;
Love!
In the bloodstream;
Corrections!
With more than 30 years of experience.

Topic, optic!
Circulation,
But, massage it deeply.
Optic!
Dab lightly;
Topic!
Dipped with cotton;
To regard it,
And, to learn from it.
Kit, it!
With corrections;
From left and right,
With, males and females alike.
The approach!
The method;
Northern and Southern,
Eastern and Western;
Sluggish! 
But, the litmus paper is ther for you to use.

The saliva!
Relationships;
The roller!
Slaves;
Saliva, sail, lava, ail, as, vial!
Lack of understanding and respect;
And, with the confrontations at hand.
Break, breakfast!
Of the old world;
Fast, breakfast!
Of the new world;
But, only the bones will tell the truth.
Ears, years!
With more than 30 years of experience;
In the land of your muse,
However, the truth is always the truth! !
Because, smoking prevents blood circulation towards the head.

Edward Kofi Louis
More Than Degrees

Mini-jobs and maxi-prices,
You are what you say you are!
But true love knows my name more than Degrees.
You are what you eat and i am what i eat,
But i am like Daniel in the lions den with my mind;
And true love knows my name more than the Degrees around me.
Life to some people is like the wind,
But others wait to see where it blows to;
And like your existing contracts on this earth,
But true love knows my name more than Degrees.

Edward Kofi Louis
More Than Honey!

This love is more than honey!  
This love is more than money;  
With the harmony of life and,  
The symphony of peace! !  
Sweeter than honey.  
True-love,  
Sweet love,  
With the hearts of two lovers! !  
More than honey and, sweeter than honey;  
For, this love is more than money.

Edward Kofi Louis
More Time

It was like a typical day of love but,
You did not have much time with me;
For the people around you were under pressure!
And you could not have more time to share your love with me.

Edward Kofi Louis
More, Ore!

Tear, ear!
Teach, each;
Clove, love!
Preach, each;
Atmosphere, sphere!
Store, tore;
More, ore!
Pin, in;
For, or!
Sin, in;
Done, one!
Kin, in;
Crow, row!
Crown, own;
Flight, light!
Please, lease.

Edward Kofi Louis
Moreh

Moreh, home, hoe, or, ore, roe, reo, more!
Sending letters in your name,
To the people of your land;
Trying to teach them,
With the words of the truth.

Edward Kofi Louis
Moreover

Moreover,
Meanwhile,
Department,
Pegged;
Lean, mean, wean, dean, bean, yeant!
Spiced up by an exciting performance from your love,
But come and let us get drenched fully in this muse.

Edward Kofi Louis
Moreover 2

More!
Furthermore,
Moreover,
Core, ore, store!
At the shore with your lover;
Cover, over!
Set up,
Decree,
Agree,
Free! !
let it be set up,
Edit, edict!
Freedom;
To dwell in there,
Without any interference.

Edward Kofi Louis
'Moresheth'

'Moresheth',
Message,
Showed,
The Two Withnesses!!
But only few are very much aware of them;
Because the world is now asleep to the truth,
And the false prophets have taken advantage of the people.

Edward Kofi Louis
Morgan

The Catholic Church and her Daughters,
But not everyone who says: 'Teacher! Teacher! ' will enter into heaven! !
For many are called but few are chosen;
So seek for the truth always oh Morgan my friend!

Edward Kofi Louis
Morning Delight!

The spirit,
Morning delight!
Muse,
With the magic stick!
And like today's memories.
Light, delight!
But, if stones could talk,
They will say that, i love you.
The magic tree! !
The muse of love and,
The city of love;
But, it was carried out by your emotions!
All because of your dreams.
The opening prayers,
With the sweet muse of your love;
Down in there! !
In the land of your joy.
The closing prayers,
Noted by your love!
But, if stones could talk,
They will say that, i love you.

Edward Kofi Louis
Morning Devotion

Morning devotion,
Young and beautiful,
Smile to the world and, let the world smile back to you;
Noble,
Worthy,
Love is like a sweet melody when the right thing is done.

Edward Kofi Louis
Morning Light

Morning light,
Morning sun!
Success should start from today.

Edward Kofi Louis
Morning Mosquito

Black and white in colour,
Morning mosquito;
Flying around to such my blood;
Living in Africa with the status of my life.
Severe!
Here and there;
With the act of this black and white mosquito.

Edward Kofi Louis
Morning Prayer

Morning light,
Ray! !
Say,
Day,
Way;
Morning Prayer;
To stay with the truth.

Stages of life,
Away from evil works;
Morning view,
Morning light,
Faith! !
Hope,
Morning Prayer;
With the muse of the truth.

Edward Kofi Louis
Morning Prayers

Sunshine Love!
Life,
Rays of the morning Light;
With the aroma of nature,
With the muse of wisdom! 
Morning Prayers,
Hope and dreams;
Joy in your heart!
Prayers,
Thanking the Creator Almighty.

Morning Prayers!
With the glory of the truth;
With righteous morals,
Joy in your heart!
Hands uplifted,
With words out of your mouth;
And words deep down in your heart.

Morning Prayers!
To fulfil the muse of your Faith;
According to servitude and attitude,
Following after righteous laws!
Praying for peace,
With the truth as the key.

Edward Kofi Louis
Morning Star

Morning Star!
Shine on me and take my message to my lover;
I am lonely and, i need her to be around me.
Morning Star,
Hear my call and, hear my cry! !
Shine on me and take my message to my lover,
Because i am lonely.

Edward Kofi Louis
You are like the zoology that i learnt at school,
But i need an aardvark to back me up in Aachen;
And like the hypothetical act to expose your muse.

Tell me, do you allow your cat to guard your fried fish? !
Then think twice;
For the abnegation of one's life is like the bush on fire!

I am Moro, and i have the words of my mind;
But your body is like the zoology that i learnt in school.

Edward Kofi Louis
Moro II

You are dragging your feet in the name of my faith,
But love is what makes the world goes round;
And the truth is what you will get from me always.

Facts and creation,
Moro is my name and i am here to teach you;
But if you do not love me then, leave me and go your way!

Edward Kofi Louis
Mortal Body

Life, love, peace;
Do not allow sin to rule your mortal body;
Try to overcome your sinful lusts and live!
For, the wages of sin is death.

Unrighteousness,
Let your mortal body overcome it;
And, present yourself in the name of the truth!
Under the laws of righteousness.

Mortal body,
Overcome sin and bring peace to the world;
With the muse of the truth,
For, sin leads to death!

Mankind,
Servants of sin;
But let us all uplift our minds with the truth and live,
Overcoming sin with righteous works.

Edward Kofi Louis
Morton

An estimate of 14 million African Slaves were shipped out!
That was from the 1400's and into the 1800's;
But my love to you is deeper than the ocean!
And history is all around us and you are Morton my love,
But i do love you like death itself.

Extinguish your natural love to me,
For without you i am nobody;
And let the light teach us all,
For the fiddle of a change is around us.

A facetious act,
And of the long animated dreams of love!
But you are another part of me,
And i really know the story of the African Slaves.

Edward Kofi Louis
Mosaic

Mosaic,
Colours;

Ego!
A long time ago;

Guinness World Record!
Seen with your name;

The view,
Like Powis Castle in Wales.

Movements,
Lovers;

The energy of life!
The energy of the world;

Shoe size 7,
That's what you put on;

A target!
Your target;

Law and order,
Pain and gain;

It has to go in!
Into the pot for cooking;

Living once again with the muse of your dreams!
Writing and talking to teach others.

Solid,
Solidarity;

To help others,
With the muse of your positive actions in the land.
Men, brothers and fathers,
Seven men of honest reputation;
Women, sisters and mothers,
Seven women of reputation;
Mosheh was educated on all of the wisdoms of Egypt,
But i am amazed and marvelled about your love.
In righteous works and in the acts of charity,
And of an image of the calf on your table;
But silver and gold have i not.
My heart is of joy and my muse is to love you,
But my flesh is the hope that you need;
For Mosheh was trained in all of the wisdoms of Egypt,
And my tongue is of gladness today.

Edward Kofi Louis
Mosquito Island

Lost,
Most!
Cost,
Post,
Host,
Ghost!
Living in Mosquito Island.

Edward Kofi Louis
Mosquitoes

You are under the influence of alcohol and,
You are under the tutlage to walk around naked;
But these are the shadows of things to come.

You are as sad as the sad note of a keyboard!
Because mosquitoes do not discriminate;
And they are here in the city to breed their offspring.

Tell me something that i don't know and,
Do not make promises that you cannot keep;
For the Bond of 1844 is still in my mind.

Of men and women in shackles,
And of an act like Joan of Arcadia!
But with questionable living condition.

At the prisions of the world without hope,
And of the many promises gone by;
But mosquitoes do not discriminate from whom to bite.

Edward Kofi Louis
Most Challenges

Riding trips,
Sex isn't the only way on this relationship;
For we are now aware of the most challenges!
And like your sweet love undergoing transformations,
But do not turn a blind eye on these facts.

Edward Kofi Louis
Most High

Height is a blessing from the Most High,
And i love to see the lights all around me;
Because we all need the lights around us to fill the earth with love!

Edward Kofi Louis
Most Wanted

Love!
Laid on you;
Love!
Like a golden censer;
Love!
With the incense;
Love!
At the golden altar of peace;
And, with the prayers of the saints.

Love!
With the evewnts of life;
Love!
To meet it with humility;
Love!
With an inspiration from heaven.

Love!
As it were with your muse;
Love!
Most wanted than hate;
Love!
As it was with your mind;
Love!
Take it in like the right medicine always;
And, be a better human being.

Edward Kofi Louis
Moth

You have wounded the dragon! 
And like the muse of the wool in the forest; 
To grow old in the form of a garment, 
Needed for is to cover our bodies.

Moth, 
Worm, 
To vanish away like a smoke! 
But, listen to me my people; 
And give hear to me oh my nation! 
Like the sparks you have now kindled around.

Deeper love is what i have laid on my table, 
With works of peace and joy! 
Sweet and deeper than ever before; 
Even though, you have wounded the dragon today.

Edward Kofi Louis
Moth, Mammoth!

You have the gun in your hand and,
Ready to kill someone;
Because, you were not not taught love in your house.

The lighthouse of love is peace,
The lighthouse of positive moral characters are from the righteous laws;
Teaching hatred and war lead to death and destruction on earth!

The lighthouse of life is love,
Moth, mammoth!
007 is the logical reflection of 700.

You wanted it so and,
They wanted it in the same direction as well;
However, life is not always smooth.

Edward Kofi Louis
Mother Africa

Move, move, move!
Academic and academicians;
Where are you to move Mother Africa forward?
Think, think, think!
Illitrates and literates;
Where are you to double up the pace?
Look at the mother hen and think twice;
It shelters its chicken in times of danger! !
Where are you to move things forward?
Where are you to move Africa forward?
Where are the prophets?
Where are you to move things upfront?
Yes, the better ones have come and gone.
They came telling us the truth;
But, what do we see nowadays?
Now, where lise the future of Mother Africa? ! !
Look at the mother hen and think twice.
Mother Africa, move forward;
Move upfront to put the world in shape.
Academic and academicians,
Illitrates and literates,
Think big for Mother Africa! !
Move Africa into a better position on this globe.

Edward Kofi Louis
Mother And Child

Birth!
A lap to hold you and,
breasts to feed you;
Mother and child,
With the muse of creation;
Able to give birth.

Edward Kofi Louis
Mother And Child 2

A mother carrying her baby at her back,
Walking along the street,
Seen very common in Africa.

Edward Kofi Louis
Mother And Daughter

Mother and daughter,
Selling at the market;
And people came buying from them.

Edward Kofi Louis
Life!
Dare to be different in a positive way;
Muse!
Deep under the earth;
Love!
In the Red Garden;
Bare, dare!
With the muse of your love.

Lady Dai!
In the Red Garden of love;
Muse!
With 'Mother-Earth and Father-Heaven';
Love!
With the sweet formula of peace;
Leading to unity and joy.

Sweet love!
Sweet formula;
With the beauty of your muse,
But, try to be different in a positive way.
Life!
Like sunflowers and bees;
And, of the past! 
With the images of yesterday.

Love!
Like sunflowers and wasps;
Life!
A lair is not trusted;
Life!
Pass the truth on that many may know;
Honey, money!
With the sweet muse of true love;
And, with the joy of your love in the Red Garden.

Edward Kofi Louis
Motherhood

Service,
Of a gift!
With peace and love,
To care for her children;
Motherhood!
Let true love prepare a place for you;
A place of peace and joy.

Edward Kofi Louis
Mothers' Milk

We all drank our mothers' milk,
Helping us to grow when, we were born;
In the arms of a loving mother.

Edward Kofi Louis
Motion And Emotion

Yahoo Boys and Yahoo Girls!
For, you are now noted by us in this town.

Motion, emotion!
You know my name and you know who i am;
But, the kisses of Africa is all about your muse.
Bedfellow,
To divert your muse!
But, the kisses of Africa are in many forms.

Edward Kofi Louis
Motive

The green garden and the blue lover!
The love of your blues over the flowers;
But wash yourself separately for the first time.
Look beyond personality and learn a lot,
For the first time can change many things!
And like your sweet muse in the green garden.
Measure yourself by the things you value in this life,
For there is a difference between abuse and discipline;
And like the motive of your love in this garden.
The right choice is now with your integrity,
So do make sure that he or she is a moral person;
And like the muse of your sweet love in the green garden.

Edward Kofi Louis
My name is Mottey and i am your lover,
But you are the barefooted sunday-blues at the beach side.
I will always pray for you inside me and,
Hope to meet you soon at the beach;
For you are the honey of the rose needed in my room.
I am the like the primerose of the living on this love,
And like the calypso around you;
For you are the only one very dear to my heart.
A pretty girl at hand is like the Sweet Melody;
And, you are the lady of the moonlight.

Edward Kofi Louis
Motto And Morris

Motto and Morris,
With love in the air to catch your view!
And like the apples of love in the garden of peace,
But try to move up straight with your positive mind always.

Motto and Morris,
Come and share your love with me tonight;
For the colours of the rainbow are now seen up high,
And like leaders with workers in the land of plenty.

See! !
I have heard the news;
Listen!
I have seen your lovely flower;
And like your motto and the muse of Morris,
But, love is in the air and you have to be very wise to come closer to it!

Edward Kofi Louis
Moulded

Graven images,
Moulded;
You have heard about me and i know your places!
But be in touch always and let me read your minds.

Sensationalizing,
Realize,
Occured;
Part by one's own life's events!
But i need the facts instead of your love;
Because i have written a book about you! !

Edward Kofi Louis
Moulded Images

Male descendants!
Met all over;
Female descendants!
Wet all over;
Met, wet!
But, they played all day for money;
And like love under every spreading tree.

Moulded images!
With diversionary tactic to win the game;
But, in the eyes of the public.
Muse!
With adultery in the heart to lust for her;
But, do learn the difference between right and wrong!
For, i know what sin brings to us on this earth.

Edward Kofi Louis
Mount Mandara

Mount Mandara,
Expose the dancers and let us see them;
For the river of milk is ready with the muse of sweet love.

Mount Mandara,
The blue gift is now with you;
So, the dancers are ready and, the singers are about to sing!
With the muse of the festival.

Edward Kofi Louis
Mount Sinai

Prune your vineyard,
Gather in its fruits;
With the joy of your heart,
Oh! Mount Sanai;
Wisdom is your defence,
And, it helps one to overcome.

Edward Kofi Louis
Mount Up

Mount up!
To coil upward;

Purely,
With the works of love;

Peacefully,
Concrete,

Substance! !
Honestly;

Ability,
Intensive!

Strength,
Sincerely;

With the muse of the truth,
Bringing joy to all.

Edward Kofi Louis
Mountain Of Corruption!

Dimensions,
Of the Book of the Law and the Pagan Priests on the Mountain of Corruption!
Perm, term, sperm, germ, herm;
With miraculous works stronger than that of the enemies,
But the ruler of my wealth is from above!

Perfumed,
Activity,
Works,
And to teach wisdom to the elders;
But one who overlooks a fault does so for the sake of love.

Edward Kofi Louis
Mountain Of Love

Come and sit on the mountain of love and,
Ride on it like a horse!
For out it comes the fire of love which,
Will touch you so deeply through the muse of your red valley!

Edward Kofi Louis
Mountain, Fountain!

The edge of the universe!
Find your place in this world and,
Seal your life with the works of the truth.
Mountain, fountain!
With the colours of nature and the colours of love;
Try to find your place in this world.

Edward Kofi Louis
Mountains

Beautiful Mountains!
Lovely Mountains,
In the caves;
Where people go and hide their faces.

Edward Kofi Louis
Mountains Of Joy!

Love,
Between misty mountains of joy!
To understand the ways of the deep forest;
To stand up tall and, to respect nature.

Edward Kofi Louis
Mourning

Mourning, morning, our, go, no, mourn, gun, grim;
But an honourable name is better than fine perfume!
Mourning, ring, in, on, rim, run, gum, rum, gin;
But a peaceful mind is what is needed on this love!
So be very wise in the choices that you make.

Edward Kofi Louis
Mourning  2

Deeply distressed!
Wailing,
Weeping,
Mourning,
For the dead.

Edward Kofi Louis
Mouse, Muse!

Mouse, muse!
The muse of love and the muse of life;
Launched out into deeper waters and,
To let down your nets to dray!
For a catch.
Love,
Draw, dray!
Life,
Bray, dray!
Muse,
Fray, gray!
With the peace of your mind at sea;
And, to leap and to rejoice!
For a bigger catch.
Drag, rag!
With the waters of love;
Throwing in the nets for a catch.

Edward Kofi Louis
Move On

The vegetation emits the habitat of the living and,
The colour of the sky means love to me;
But time and tide waits for no man.
I am living as simple as the church rat but,
With wisdom like the spider nearer to you;
For there can be miracles when you believe in it.
True life is beautiful so,
Move on with your dreams to touch the one you love;
And like a titanic clash with nature.

Edward Kofi Louis
Move On  2

Love and pain!
Life and scars;
But, try to control your mind and,
Move on.

Edward Kofi Louis
Move On 3

Up!
Move on;
Moving up,
Upward!
With the muse of your mind.

Edward Kofi Louis
Move On Positively

Lovew has nothing to do with hatred,
Peace has nothing to do with war!
So, we need unity to move on positively on this earth;
For the Creator created us all with true love and care.

Edward Kofi Louis
Move, Remove!

Move, remove!
But, it was only a matter of time;
In your genes,
In my genes,
In her genes,
In his genes;
For, our sexual sins will affect the children until,
The fourth generation!
Yes, passing on the cures of our sexual sins.
Cloak, oak!
With what is seen around us today;
of our sins,
Passing them on from one generation to another.

Edward Kofi Louis
Moved By Them

Secret arts!
In secret;
Secret acts,
Moved by them.

Edward Kofi Louis
Movement

Movement of the mountains into the seas!
The changing of the earth;
Waters! !
To roar and foam;
Soar, oar!
Boar;
In its swelling.

The break of the day,
The way ahead!
Stay,
Say your words,
Facing the facts of life;
The changing of the earth.

Edward Kofi Louis
Moving Along

Love is the key,
Life is the way,
Moving along the waves of nature.

Edward Kofi Louis
Moving Along 2

Water,
To drink it;

Food,
To eat it;

Love,
To share with you;

Life,
Hustle and bustle!

Moving along with the works of peace,
With the joy of righteous laws.

Edward Kofi Louis
Moving Along  3

Bar,
Car,
Tar,
Far! !
Afar off;
Moving along,
With the peace of your mind.

Edward Kofi Louis
Moving Along With My Mind

Life, love, peace;
To face the world and to do my best;
With my dreams!
Moving along with my mind,
And the heart of humility.

Life!
With the train of love taking me along;
Just another day with the works of peace,
In unity with the laws of righteousness.

Edward Kofi Louis
Moving Around

Orbiting! Moving on; we are all moving around and, we all have a date on this earth! ! Being born on a special day.

Opportunities! You will meet yours when they come around you, at the right time; when the time is ripe. So, join your hands to the works of peace and, seek for the unity of the world.

Edward Kofi Louis
Moving On

This bird is now 'pregnant'!
And, want to lay some eggs;
This world is moving on and,
it wants to teach us all;
But learn from the muse of this bird and be straight! !
For, many are walking around with bombs and,
Are ready to kill others.

Yes, many are walking around aimlessly;
With no vision and mission at hand!
For, their hatred had eaten them ap;
And their minds are not ready for peace,
So, they are ready to throw out bombs to kill others.

Edward Kofi Louis
Moving On With My Spirit

Sunrise!
To tell the sun that i need help;
Facing the odds of life.

Moonlight!
At night;
To tell the moon that i need help,
Facing the odds of life.

Problems of life!
Here and there;
Moving on with my spirit,
Holding on with my weak body.

Edward Kofi Louis
Moyra

Moyra, Mary, arm, ram, yam, may, or, May, oar, ray!
In the land of the living,
With the muse of a name;
Enter into the world so sweet with the works of peace,
And, with the joy of your heart to respect all mankind.

Edward Kofi Louis
Mpiani

Nail, mail, fail, sail, wail, bail, trail;
But try to wet some and dry some!
For, this tap always flow out in the dry season.
A lifestyle,
To agitate;
And, living the natural way of life.
Culture,
Tradition,
To the society,
And to forge unity with one another;
But ensure peace wherever you are!
Quail, ail, grail, rail brail, frail, pail, jail;
Pending,
Unity,
Rural,
Chieftaincy!
But, i am Mpiani in the land of your sweet muse.

Edward Kofi Louis
Mq-1 Predator

MQ-1 Predator,
Like a spy in my bathroom to watch my nakedness;
But when will you dropp down the bomb?!
MQ-1 Predator,
I am about to clean up my body;
And to dry up before bed,
But when will you dropp down the bomb?!
MQ-1 Predator,
Tears have no answer to your call!
But i still do feel that you are spying on me.

Edward Kofi Louis
Mr. And Mrs. James Akpan

I was seen by the eyes when i was around you people!
And like the days ahead of the sun to satisfy the muse of mankind;
But, the new moon of green ears of barley came in! !
And, it was with joy all over in the land of beautiful flowers.

Old habits are very hard to break!
But, this muse of yesterday now rigisters itself once againt today;
For your love introduced my muse to you,
But, what is man that you care so much about him?

Your words have encouraged those who stumbled,
Your love has now touched the hearts of many! !
And, your peace is very much known to us all;
However, i really came in to help your children.

Managements are really yours! !
But, to Mount Zion i will rejoice with the muse of my success;
And like the very words of Mrs. Akpan to me when i took up the contract,
But today, i am what i am because, i never went overboard!

What is life after all?
Whaz is love after all?
What is care after all?
What is peace after all?
What is untiy after all?
For, i really took your children like my own brothers and sisters;
And today, the benefits of my teachings had really made them great!

Edward Kofi Louis
Mr. And Mrs. James Akpan II

Of your spiritual inner-self,
Of my spiritual inner-self,
But, i am made among the people of this earth!
And, wisdom is my first priority;
However, Mrs. Akpan will still remember her words towards me on the day of the contract.

This muse of life is now being elevated with the peace of the mind,
These works of joy are now being seen among you all!
With the indications of love from my mind to influence you;
And like the road leading to the house of the royal elephant,
But, i am what i am today with the sweet muse of life.

Wisdom leads to great success! 
back in the days, and to remember this journey on the very hard road;
But, with the muse of my roots in mind to deliver my works,
However, i am what i am today with the sweet muse of life.

Peace and joy to the Akpan family whom i met some years ago in Lagos (Nigeria)!
For, my heart will always bring out peace and joy to all with my works;
And my mouth shall always speak out wisdom to teach many,
However, i am what i am today with much experiences in life.

Edward Kofi Louis
Mr. Facebook

Mr. Facebook,
Why do you want to see my face in your book?
For there are advantages and disadvantages on the net;
But he who is married is concern more on how to please his wife.

A tiller of the ground and a keeper of sheep,
I have got a dream on your muse;
For she who is married is concern more on how to satify her husband,
But you've been able to capture the world with your 'Facebok'.

Many can now cantact others but,
There lie the disadavantages as well;
Because it can easily expose one's identity!
And we all know what is going on, on the net of late.

Edward Kofi Louis
Mr. Kwaku Ananse

Life!
Try to buckle up your shoes if,
You do have a message for Westcott and Hort;
For, i am Mr. Kwaku Ananse in your neighbourhood.

Life!
Swimming across the river of love like,
The prose of poetry;
With the blue bells of love displayed around the almond tree that blossoms.

Muse!
With a message from the Dead Sea Scrolls;
And, of the scholarship of hope towards the future,
But, i am Mr. Kwaku Ananse in your neighbourhood.

Life!
With the invariability of the old tricks around you today;
For, you are always known by the masses.

The ceremony of your beautiful literature,
The harmony of your sweet love,
With your comtemporary art and craft;
But, you are well known by your own people.

Edward Kofi Louis

The poesy of life;
With the muse of my mind to the world,

And like the muse of peace in the land of joy,
For, death does not know the rich nor the poor.

Edward Kofi Louis
Mr. October

Stand up!
Sweet love;
Mr. October;
This place looks like home.

The melody of life,
The memory of love,
Of the first and second acts;
To weed the grass and to wed your lover with a glass of wine.

Love all and love your enemies as well!
For the peace of the earth;
Love is the best gift,
Which brings in unity than hatred.

The last watch,
One last time;
I can see it in your eyes!
Even at the gate of peace,
Where your true love rules.

Edward Kofi Louis
Mr. P

Passion,
Presenting your works with peace and love,
Pleased with life,
Pressure at times;
Passing through the odds,
People to meet,
Places to der,
Past and present;
Painting the world with positive morals,
Mr. P,
Like the President.

Edward Kofi Louis
Mr. Terrorist

Oh Mr. Terrorist! !
Forsake your foolishness and live in peace;
Walk in the way of understanding and learn from the truth,
Because, the world needs peace and love than hatred and war.

Edward Kofi Louis
Mr. Wayo

Fascinating exhibits and pleasureable experiences,
With the sense of nostalgia inducing in them;
But we are all living with the consequences of history.

There is time for everything in this life!
And, i will one day remeind you of your own mistakes;
Likewise mine! !
Because, i was the one you saked at your residence.

I paid you a visit Mr. Wayo! !
And you turned me off;
I met you at the Hotel and just shouted at me!
However, time will tell.

Edward Kofi Louis
Mr. Yaw Boahem

This is the muse of love and,
The message of peace to you my lover;
So, search for me and let me muse you up with my mind!
For, it's been a very long time since we last met,
But, I do hope you the best Mr. Yaw Boahem.

Edward Kofi Louis
Mr. Yaw Boahene

Soft, loft, toey, toe, toggle, laganberry! !
And like the lifetime of a man’s journey on this earth;
But, you will remember our days in Nima.

Those days in the classroom,
Those days with your muse,
Those days with your acts;
But today, you are a big man in your own office!
However, try to remember me.

I gave your help and i guided you on along the line,
So, you can now depend on my principles to achieve your dreams;
And like a king of the forest and the king of the sea! !
However, your name, 'Yaw Boahene' will always be in my mind.

Edward Kofi Louis
Mrs. Everyday!

I've got to do it for you and,
I've got to do it for her;
Oh Mrs. Everyday!
Try to get it right and,
Try to do it right always;
And like a Captain of a boat.

Edward Kofi Louis
Mrs. V

Vision,
Views of life with your works;
Victory! ! !
Viewing things with tender love.
Venture,
Voices!
Very common to hear;
Vicinity,
Vicissitude,
Seeing Mrs. V in her garden;
Very busy at work.

Edward Kofi Louis
Divination!
Do not be given into much wine;
Riding and being ridden,
However, righteousness is the key to life.
Booking and being booked,
Loving and being loved,
Knowing and being known,
Accepting and being accepted,
Rewarding and being rewarded,
Today, I have written them to you;
To direct you than to waste your life on this earth.
The muse of life and the muse of peace,
Live with honest weights and, with the muesares of your joy!
Than, being taken in, into much drink.

Edward Kofi Louis
Much Hatred Around Us

Where is the love today on this earth?!
This is because, everybody is against each other;
And, that is why the news covers the muse of hatred that destroys the earth.

Money is love when you use it wisely!
Money is hatred when you use it to destroy others;
But, the earth mourns today because of much hatred around us.

Edward Kofi Louis
Muddied Spring

Muddied Spring!
Corrupt Well;
But the north wind drives the rain.

Temper! !
With no respect for authority;
Pleasure things!
With the sins out there in the world.

Edward Kofi Louis
Muddy Waters

Muddy waters,
A touch of war! !
A touch of sin;
Hatred,
Death and destruction.

Edward Kofi Louis
Mudslide

Rain! !
With flood;
Mudslide!
In Sierra Leone.

Hillside,
Slide,
Your bride is missing!
Because of the flood;
And, you can't ride along.

Rain! !
The flood,
Mudslide!
Deaths recorded,
People washed away,
In Sierra Leone.

Edward Kofi Louis
Muffins And Cookies

American muffins and cookies,
I am the betrayed heart that laughs;
But i will be in your mind and in your body always,
Because, i am always led by my spirit!

It is 4: 30 A.M. and i am awake,
And up there in the sky i saw a lonely star;
But with romantic act and emotional move to join me,
All in the name of love to unveil my muse!

Rejoice for my hope oh you lovers!
For i have been betrayed by my sincere lover;
And there are no flowers or candles for me tonight,
But, i am the betrayed heart that laughs.

Eye to eye and nose to nose,
Rejoice in my name and i will rejoice always with laughter!
But do listen with a believing mind,
For knowledge is very easy to him or her that understands in this life!

Edward Kofi Louis
Muffled

Muffled,
Dumb,
Dervishes,
Fagots!
Pacts,
Acts,
Facts;
But 12 Months make one year.

Cloth, moth!
Both of your friends were seen at the bar;
But 52 Weeks make one year.

Unity, dignity!
In the city with your works;
To seal the deal,
Able to take the advantages.

Edward Kofi Louis
Muggings

Extracurricular,
Phenomenon,
Muggings,
Cafeteria;
Three seahs of fine flour,
But do as you have said to me.
A morsel of bread and the love of your muse,
Firmly along the way of loove;
But i left my school bag yesterday in the classroom!

Edward Kofi Louis
Mukiri

Your love is greater than apple!
But i will crown it with the sentimental emotions of my care.
You are like one from another planet,
And i will be together with you on the excitements of this love;
Because, i can now breathe again on the muse of this love!

Marvellous!
I marvelled seeing you like a queen on the first day;
And you are like the star shining on me today! !
But you are Mukiri in the land of red roses.

Edward Kofi Louis
Multiple

Marriage and divorce,
Remaariage and divorce;
Our sexual sins,
Our multiple lovers,
If your right eye causes you to sin gorge it out.

Whosoever looks on a woman with lust for her has,
Already committed adultery with her in his heart;
But he who departs from evil and upholds the law is accounted as mad.
Of men with multiple sex partners,
Of women with multiple sex partners,
Spiritual blindness has come upon mankind!
But most poeple never think to ask,
'Why' and 'How' did i get this disease in my body;
Yes, we are carried away with the cares of this world.

Edward Kofi Louis
Muppim

Muppim, pimp, pip!
Change,
Exchange,
Range;
But, gather together and listen to the works of the truth!
Mighty with positive morals;
With the sign of the strength of peace and live.

Edward Kofi Louis
Murder

Murder!
To crack the culprit down;

Death!
With the showers of the dark side of life.

Murder! !
To capture the public's imagination;

To call out,
To capture the culprit.

Edward Kofi Louis
Murder 2

Violence! !
Murder!
Problems;
With mankind on earth.

Edward Kofi Louis
Murder In London! !

Murder! !
And, 'Cain killed Abel';
Murder in London! !
And, two men killed a man;
In cold blood.
Why? !
Why is the world like this today?
Hatred and killing!
And, love grows cold.
Murder! !
In London;
And, two men trapped a man and killed him;
All in the name of hatred.

Edward Kofi Louis
Murder!

Crime,
Murder,
Conversely;
It can be influenced on your mood,
But there are also prominent leaders around us.
Wood, mood, food, hood, rood;
I cam make a difference and you can make a difference too,
But not with murder!

Edward Kofi Louis
Murder! !

Murder! !
With children and young adults in the act;
All over the world,
To come out from one place and, reaching out to all.

Murder! !
To become known in the world with your wicked works;
Destroying and killing people!
Having Satan on your side always.

Edward Kofi Louis
Murder! ! !

Murder! ! !
And to get away with it;
However, you are not free with your mind today.

Edward Kofi Louis
Murray

Presence,
Love,
The birth of a journey!
And like Murray my lover in the land of peace;
But, i need the sweet love on this muse.

Edward Kofi Louis
Muscat

Muscat, cat, at, mast, mat, sat, must, cut, as, us;
Log, dialogue!
In the Island of love with her unique identity and style,
To hear the voice of peace and joy! !
And, to make my choice;
Like a talent show with the muse of the African tradition.
Peach, each!
At the hard core;
With her distinct looks, style and voice! !
But, i always have to make my choice on this Island.

Edward Kofi Louis
Muse

Muse, use, fuse;
Stronger than ever is the muse of your love!
But your flooded river is now exposed to us all,
And like the muse of your joy in the land of peace.

Edward Kofi Louis
Muse, Life!

Muse, life!
The digital age is weakening the minds of the people;
Of those who are now hooked on technology.

Tar, tardy!
Hall, shall, pall, call, all, stall, tall, mall, wall, gall, ball, quall;
But, with love and mercy.

Alone, along!
With the muse of the digital world;
Which has captured the minds of many.

Tautology!
Tavern;
To speak in turn, one after the other on this issue.

Edward Kofi Louis
Muse, Love, Joy!

Muse, love, joy!
She arose early in the morning and left;
True love,
In peace;
Having an oath with each other.

Brain, mind, dream!
With the dream of love,
With the muse of romance,
With the compassion of her status;
And, with the joy of life.

Willingness!
To order,
In order;
As she rose early in the morning and left,
With the sweet muse of the gift of love.

Edward Kofi Louis
Muse, Music! !

Muse, music! !
Very powerful enough;
Influencing the people,
In positive and negative ways;
And like a dance to the volcanoes.

Muse, fuse, defuse, infuse, refuse, use;
And like the muse and the music of 'Route 66'!
For, the Cowboys and the Cowgirls are ready to cheer you up.

Space, pace, lace, ace, race, mace, brace, face!
And like most of the music of the earth today;
However, you better note the kind of music that you listen to,
Because, this can easily lead you into another level.

Edward Kofi Louis
Muse, Muss!

Clever thieves!
As it is supposed to be;
In your alnd,
With your view,
Accepted!
But, being very greedy and unpatriotic.

Mess, miss, moss, mass, muss!
Mandated;
Demanding what is theirs!
As it is supposed to be;
With the discrepancy of the rifures,
In your land.

The local language,
With the muse of the people;
Disappointed! !
With the entire staff;
Clever thieves!
In the land of currruption.

Muse, muss!
With too many cans of worms now opened to the public;
Obvious!
Ducked by controversies;
With a painful loss,
Mess, miss, moss, mass, muss!

Edward Kofi Louis
Music

Shake your body and,
Move your body! To the tunes of the music.

Edward Kofi Louis
Musical Note

Don't worry about getting home late,
For i am the musical note of love around you;
And like the diamonds of Africa!

The more you learn the more you know,
So be transformed by the renewing of your mind!
And bring me 'Banku and Soup' so that,
You can deserve the best on this love.

Edward Kofi Louis
Muss

Muss,
Rage, courage!
Mushy,
Dish, dishonour!
You married at 18 and,
Yu died after marrying 8 men in your life.
Honour, dishonour!
After crossing many riversd;
Head, beheaded!
I invested my trust in you;
Mail, Mali!
You pledged a future with me but,
You dumped me and married another man.
Lace, Palace!
Your life was like a fild and,
It ended so soon.

Edward Kofi Louis
Must Be Done

It must be done minute-by-minute,
It must be done hour-by-hour,
It must be done day-by-day,
It must be done month-by-month,
It must be done year-by-year,
But compromise to it and let it be done.

Edward Kofi Louis
Must Be Protected

If it is a boy,
Circumcised him;
if it is a girl,
Do not circumcised her;
For the truth of the laws,
laid down for the remnant.
The truth!
You can't top perfection;
So, protect what is purity,
And, be with the laws.

Edward Kofi Louis
Must, Mast!

On the high sea!
Thinking about your past;
To cast the mast and to sail on,
For it is a must!
To satisfy the muse of your life.
Must, mast!
To do righteous work and,
To let it be well with your soul;
Sailing on the high sea.

Edward Kofi Louis
Mustang

Hang,
Pang,
Mustang,
Must,
Mast,
Cast,
Past,
Last,
Mast, must!
Lust;
West, best, nest, pest, guest, rest!
And, with the national symbol of the land.

Edward Kofi Louis
Mustapha

I am moving forward with my dream and,
This person is my house;
I am moving on with my hope and,
This house is my love;
I am moving forward with my mind and,
This love is my room;
I am moving on with my peace and,
This room is my kiss;
I am moving forward with my well being and,
This kiss is all that i have for Mustapha.

Edward Kofi Louis
Musty

Musty,
Stale, tale, sale!
With the muse of your life;
Facing the odds,
Able to stand upright with your dreams.

Edward Kofi Louis
Mutual

Barry, Harry, tarry, starry, carry, marry, parry;
Through the rivers and to the seas,
But let your mouth speak peace than war!
Mutual,
Gesture,
Matured;
And like the heat of the burning thorns!
But let your mouth speak peace than war.

Edward Kofi Louis
Mveene

You do believe without seeing,
Because of what you do hope in;
But your sweet muse is first in rank,
And like the letters of Mveene your love which are now kept in your box.

Fox, box, Cox, ox, lox, pox;
And like the young boys band!
Kitchen, chicken, itching, pitching, picking, pricking, wicking, knitting;
And like the young girls band!
But you do believe without seeing.

Edward Kofi Louis
My Africa

The fidelity of your love and the reflections of your smile!
Africa, my Africa! !
To take a mile with my mind to touch the hearts of many.

Of a continent rich in natural resources,
With the muse of colours! !
Warmly applauded with the muse of love.

To remember the times!
To see the animals, birds and insects;
Like an embarkment and the disembarkment from a trip.

Africa, my Africa! !
Respecting the muse of all the countries in Africa;
With the cultures and, the nice people you meet around.

Africa, my Africa! !
Step out into the light and, leave your shadows behind;
Meeting the traditions of the African people.

Edward Kofi Louis
My African Way Of Life

Today i would like to eat fried plantain and beans,
Tomorrow i will like to eat 'fufu' and palm-nut soup,
Because yesterday i ate 'Kenkey' with fired fish and hot pepper! !
Ha-ha-ha-ha! This is my African way of life over here in Ghana,
And that had made me who i am today with much imaginations to touch the skies.

Edward Kofi Louis
My Ancient Mountain

By lakes and sandy shores,
Tender gladness to look at thee;
Oh my ancient mountain of love,
Come back to me.
Of gentle breathings,
Like a stranger's face;
Far off is he who knows what comes after this hour.
Of love's desire and fear,
The bloom is vanished from my life;
But to the quiet moon,
I shall grieve down this blow.
In silent icicles,
Clothing the palpable like my youth;
Oh beloved woman of my heart,
Come and feel my soul.
Of the sole unquiet thing,
Of the mind's unstable acts,
Like a sinful and the most miserable man;
Let this sleep prolong my dreams.
Between the heat of the sun,
Between the tufts of snow,
Between now and my future toils,
Sweet to thee my dream woman;
Come and be with me.
For many a day in the wild despair,
This ship is sinking and i don't know why;
But now where we are, i cannot tell.
The swell is strong but, my faith will lead me on;
Like the stormy winds to blow my mind.
Through the deep of my love,
Like the battle and the breeze together;
Sweep through the deep at last,
Whose love?
Whose flag?
Whose ship?
Whose face?
From within and without to search for you;
To muse up with my lover from above and below.
My Answers

Children are the fruit of the womb;
So, present your questions to me and,
I will give you my answers.

Edward Kofi Louis
My Baby

You were like a gorgeous tomato plant met last night!
And with the ostracised nature of theings;
But, how can i live without my baby?

I heard your name and i came out to see you,
But you were like the axles deep in vineyards!
And like stone fingers that violates my private realm.

This codex of love remains the fact that,
I want to be with my baby always! !
And, you are now like the pictures on the frame of my mind today.

I need my peace and i need my baby,
So, i want to be with my baby always!
Because, i have learnt a lot in this life.

Edward Kofi Louis
My Back Pain

Five years of my stay and two years of my back pain,
But you are hidden in the forest of love with a cutlass in your hand!
And i will one day find my way home without your muse.

Edward Kofi Louis
My Beautiful One

Hello my beautiful one!
I hope by now you are out of bed,
As the sun came knocking at your door! !
For a new day,
New hope with the dreams of love;
Wake up and greet the sun! !
For a new day,
With the joy of your lovely heart;
My beautiful one.

Edward Kofi Louis
My Beloved

I opened up my door of love and,
My beloved made love to me;
Then, the rivers of waters flooded between us,
For, his mouth was the sweetest thing!

Tossed to and fro,
As rivers of waters in a dry place;
And like streams out of the rocks!
But, you will see us walking together without ceasing.

The naked breasts of a woman deludes many,
And like a warrior rejoicing from wine!
But, seven loaves of bread equals to seven baskets of scrapes;
And at the appointed time, he will be closer to me than ever!

A tower is in the midst,
For we were wonderfully made;
But, sow in tears and reap in joy! !
For, the sky is ready to pour down its rain.

The preceding of time,
At the time appointed to meet my muse;
But, i heard a cry! !
Of my well-beloved;
For the beauty regimen for women are now prepared for me,
And, he has nowhere to hide.

The child was from the woman and,
The woman was from the man;
Created with love to enhance the beauty of the earth,
However, you shall not muzzle the ox whiler it treads our the grain.

The sea is ready to flood over!
And, you have nowhere to hide;
But, i do have my beloved beside me,
And like the positive works of love with credentials! !

Nature itself should teach you better,
For the spring brings about the new birth;
But, one remains hungry and the other is drunk.

Should i praise you for your acts my love?
And to wheedle the riddle with the muse;
For, i have a beautiful robe on from Shinar!
But, out of the eater came something so sweet.

my beloved made sweet love to me,
And like the deep of things in the name of love;
But, the woman was created for the benefit of the man.

The sweet things of love,
the secret things of love,
The deep things of love,
And the deep things of life!
But, do not let him who eats be despiteful! !
For, the rainbow came along and blessed my day.

Edward Kofi Louis
My Best Friend

My best friend,
With the best nest,
The test of true love,
On the west side of life,
With the rest of life ahead of us;
Like a guest seen around,
Hanging on with us.

Edward Kofi Louis
My Best Friend  2

The truth is my best friend,
From the west with my mind;
Test!
Like the nest of the bird next to me,
My new guest,
With the crest of the truth!
To rest in peace with my mind.

Edward Kofi Louis
My Black Uncle

My uncle is a blackman but,
My mother is a whitelady;
And i have now met my black uncle after all these years!
Life to us is now like a tree with many fruits,
And life also is about how we do care about each other;
For he is an interesting person to meet.
I was glad to sit next to him when he paid us a visit,
And my days are now like the sunshine up high!

Blessings to the heavens above,
And blessings to the deep below;
And like a wild donkey on a terraced hill,
I was glad to meet him at long last.
My uncle is a blackman and my mother is a whitelady,
To him i have finally met today.

Edward Kofi Louis
My Boiled Eggs

Why should i eat my boiled eggs before you? ! !
For it is like your God and,
I don't want to hurt you;
For any wise person knows his or her root in this life.

Edward Kofi Louis
'My Book Of Poems'

Love,
Treu love;
Colours!
Favour,
Flavour;
And, she gave me a book!
Entitled: 'My Book Of Poems'.
Pose,
Poesy,
Prose,
Poetry,
Muse!
To infuse my mind into the works of this book;
'My Book Of Poems'.
Reading on,
The poetry of life,
The therapy of my mind,
The muse of love,
The romance of peace,
The joy of the heart!
With the unity of mankind under the laws;
Where the truth plays a major role.
Then, to page 10 of the book;
Love,
True love;
With the mercy of the heart,
Like the colours of the rainbow!
And, with the aroma of life.
Nature, nurture!
Going to page 13;
Then, i saw the smile on her face! !
With her lovely eyes,
Like the eyes of a white dove.
Love,
Drove, rove!
To move on,
Reading on;
With the sweet muse of the aroma of life.
Love,
True love;  
With the flavour of life!  
And, with the romance of the mind in this book;  
As lovely as the truth!  
And, with the beauty of her love around me;  
As she sat down beside me.  
Then, she said to me: 'Turn to page 1,961'!  
I opened and turned quickly to this page;  
Joy! !  
The joy of life;  
With the muse of love,  
Sweet love! !  
Entering in, into another dimension;  
Another level,  
Into another world of poetry;  
And, to calm down my mind with the muse of peace.  
Love,  
True love,  
To satisfy my heart with the muse of this book;  
Look, book, brook, hook!  
With the eyes of love;  
Reading on,  
I, eye!  
With the humour from the words in this book;  
And, with the harmony of life!  
Like money and honey in the land of the living.

Edward Kofi Louis
My Breasts

Lift up your eyes on high and see,
To whom will you liken me?
Real, reality!
Of the sixty queens around my thrown.
Real, meal!
Of the eighty concubines around my thrown;
Real, deal, meal, heal, peal, seal, teal, weal, zeal!
And with virgins without number.

My breasts are like towers and like sweet apples to my lover;
but, can a maid forget her jewels?
Then, think twice before you close that door.

Aid, maid!
can a bride forget her attire?
but, I am my beloved's and, my beloved is mine;
And like the water of the old pool.

I have all that my beloved wants tonight!
And like a reservoir between the two walls;
but, shadowing with wings to set above the circle of the earth.

To the city of salt,
To the city of love,
To the city of sugar,
To the city of roses,
To the city of romance,
To the city of passion,
To the city of emotion!
But, do practice what you preach.

Own, thrown!
Love is sweeter than the bullets of war;
To the city of terror!
To the city of fear!
To the city of death!
But, where is the fragrance of your pleasing perfume?
For, my breasts are like sweet apples to my lover.
Edward Kofi Louis
My Car

A fool stole my car and damaged it!
And, when he was caught,
A wise man said he will pay twice as much for my car;
Hoping to repair my care and take care of the thief.

Then I said: 'I will give this care for free to the thief'!
The thief then answered: 'Oh! If I knew then that, this care will be mine as a gift,
i will not have stolen it in the first place';
However, in this life, 'It is better to ask than, to steal'.

So, I got the value of my car being paid twice as much from the wise man;
And, he took the damaged car and the thief away.

Edward Kofi Louis
My Case

My cause,
My case;
But my tent is secured!
To spent the night with you,
With pleasant and helpful words of love.

Edward Kofi Louis

The Argentinosaurus became the Zebra and the Edomtosaurus became the Tiger, The Rhamphorhynchus became the Dove and the Pterodactylus became the Raven, The Diplodocus became the Camel and the Deinonychus became the Donkey, And this was yester-year which became part of my childhood fantasy; So learn more about some of the names of the Dinosaurs.

Edward Kofi Louis
My Choice

My choice is outrageous!
And, my colour is natural;
However, it sounds like the beautiful ones are very hard to find,
In this village that flows with the muse of love.

The muse of life!
My colour is natural and my choice is real;
But, with crafty tricks! !
Because, illegal lust had taken over the minds of the people on earth,
Leading up to hatred and war.

My choice!
Come and let me show you what i am made of;
With endless summer's love and the spring of life,
Taking all the time to understand the ways of nature in this village.

My choice,
Very great and wide!
With the muse of love, peace and tranquillity,
Without the bullets of war.

Edward Kofi Louis
My Claims

Refused to confirm or deny my claims,
But you are now pregnant! !
And prior to the muse of your love was,
The image of your past so exposed!
But, i am not capable to defend you as at now.

Edward Kofi Louis
My Cloud

My cloud,
If you could,
I don't know you,
But i love you;
Because, the truth is naturally protected with,
The works of righteousness.

Edward Kofi Louis
My Companion

Lovely as a rock,
You are always the one that i do see in my dreams;
And whenever i do wake up from my sleep in Africa,
You are always there!
I will get to you my lover,
I will get to you my sweetheart!
Because, i am still lonely and i need a companion like you.

From the hot sun of Africa to the evening tides,
I want to meet that day when we will be in loving arms;
For up high in the sky are our names written on this love,
And you are all that it takes.
I am always looking towards that day when,
The lovely rock of you love will meet mine;
For one day you will be mine.
I do hope and pray for your love,
From the west coast with a love like this to share with;
But until that day,
I will always keep on dreaming for your love.

Edward Kofi Louis
Oh my companion!
Where are you today?
I am starved of true love,
Come! !
Love me if you want me,
Please, teach me if you love me; Come! !
For my sweet lips are ready for you.

Edward Kofi Louis
My Cry

Love,
True love!
May my cry come to your presence and,
Deliver me with your sweet words;
With the delight of the truth,
Uplifting me up high! 
To bring joy to my heart;
Because, this broken heart needs help.

Edward Kofi Louis
My Dark Lullaby

My Dark Lullaby,
My sweet lover of the deepest night!
Oh, come and share your muse with me;
For love is the key and,
The rain is about to set in.

Edward Kofi Louis
My Darling

I am beyond the reach of my darling but,
My darling will hear my call always;
Because, the Kings are in the place of the gods!
Be wise enough not to touch the cup,
Hear the tolling of the bells and see to your lover;
For she could be seen in any moment from now.
I am beyond the reach of my lover but,
My lover knows my signals;
I am beyond the reach of my lover but,
We have a way of communicating.

In every useful toil and the art of love,
Let her love in the icy of the night be blessed;
But of wealth's wasteful tricks i will not learn.
The Kings answer to gods but not men,
Like a prophet found drunk than his words;
For when my darling comes,
I will kiss her cheeks all night long.
When i do meet her,
I will kiss her lips of love;
For her food of love is quite enough for me.

Edward Kofi Louis
My Day

My day,  
At the bay;  
Without the bray!  
But, with the ray of love.  
Stay,  
Play! !  
With me;  
To say your mind on this love,  
As you lay your head beside me.

Edward Kofi Louis
My Dear Friend

Love,
That's so nice of you;
My dear friend,
With the muse of your beautiful thoughts,
Because, love envelopes each other with the works of life.

Edward Kofi Louis
My Dear Friend 2

I love you,
My dear friend;
Always keep in touch,
To bring joy to my heart!
Able to share ideas with you,
In this life.

Edward Kofi Louis
My Dear Friend

Fear!
Not with the muse of the truth;
There is hope with the truth.

My dear friend,
Hear my voice!
Take the truth,
Keep it up;
Near to your heart always,
With righteous morals.

Bear, sear, gear!
To hear the words of the truth;
Let true love enter into your heart and,
Live with righteous works.

My dear friend,
Pear, ear, wear!
Overcoming the odds of life with the muse of the truth;
And to face the world with peace and love.

Edward Kofi Louis
My Desires And Sorrows

My desires and sorrows,
On this earth;
Of this work,
On this road;
Of this muse,
In this world;
But, my eyes are now overflowing!
Row, sorrow!
The attraction of my sweet love is inside me;
And, i deserve the best! !
But, all around me are the bullets of war.
Just, lust!
Endorses;
But, where is the shining star?

Edward Kofi Louis
My Dream

I saw you in my dream during the night and,
We were making love all over and over! !
But the spirit of the mind of dreams opened my eyes,
And i found myself alone on my bed.

Edward Kofi Louis
My Dream Lover

I saw you in my dream last night,
Bu i am three years older than you are;
I saw you in my dream last night,
But you were three years younger than i am;
My dream lover where are you?
You were so beautiful in my dream,
What is your name my dream lover?
I saw you in my dream last night,
Where do you come from my dream lover?
Beauty do bath you all over and,
I want to know your house number;
What is your telephone number my dream lover?
I saw you in my dream last night and,
I do hope to meet you soon.

Edward Kofi Louis
My Eggs

Why should i eat my eggs row when, i can fry or boil them? !
For, you got the same dream that i had last night;
And you came to my house to tell me about it,
But, seeing me at work means a lot on this earth!

The rain has washed away the young trees along the narrow path,
And i am now ready to teach you how to go along in peace;
For your dream was like the one i had last night,
But, seeing me at work means a lot to the world!

Edward Kofi Louis
My Eyes Are On You

My eyes are on you and,
I am watching your steps;
For your sweet love is what i need;
And i will stay the night to watch your movements.

Come to me my sweet one and let us share the night,
For the summer blues is all that i want to share with you;
And your sweet smell of love is all that makes me wait.

I cam see you walking across the land of love,
And i can see you singing a joyful song as you walk along;
But one day you will be mine on this land of peace,
And you are all that i need tonight with the blues.

Edward Kofi Louis
My Eyes Saw Love

My eyes saw love and,
My ears heard the truth;

My feet walked along the carpet of peace,
With the joy of my heart.

Edward Kofi Louis
My Eyes Will Always See

Love,
My eyes will always see!
Because of your laws;
And, with the muse of the truth within you.
The world is ending and the time is passing!
But, you have the truth;
With the muse of the laws of righteousness.
Love,
With letters to the righteous of the world;
Trust in Yahweh for He is true,
And, do not learn the negative ways of the heathen.

Edward Kofi Louis
My Face

Ace, pace!
My face,
My race;
To trace my identity and,
To embrace my muse! 
With the ways of life.

Edward Kofi Louis
My Fair Lady

My fair lady,
Your love is sweeter than April and hotter than July!
But your is now at rest with peace and care;
And be very wise and watch your steps in this world,
For not all that glitters is gold.

Edward Kofi Louis
My First Lady

You were my first lady,
And I will always remember you in this life;
But, try to know when to stop the negativities of your acts!
For, the fabulous varieties of life is full of the mysteries of tomorrow.
The wonders of love,
The wonders of life,
The wonders of nature;
Try to overcome your negativities and live in peace with others,
Like the ways of the laws without hatred and war.

Edward Kofi Louis
My First Lover

Life!
You are my first lover,
So, let me relax my mind with the muse of your laws;
Because, the winds of nature blows peacefully around me today.
The muse of love,
In the land of peace;
And of yesterday's memories,
But, let me relax my mind with the muse of your laws.
Life,
You are my first lover;
Because, everything has a beginning in this life.
Cell, cellulose!
With the muse of love;
The Story,
The discovery,
Of the history,
And, of your recovery,
With the sweet muse of my memories.
Cellulose, lose, so, cell, sell, clue, cue, close, sole, use, sue!
But, let me relax my mind with the muse of your laws.

Edward Kofi Louis
My First Man

Ant, anthology!
You were my first man on my love and,
I will always remember you in this life;
For we are like plants and animals!
And like the muse of the butterflies that,
Float, and flatter up high through the thick air.

Life, lived!
With the muse of love,
With the muse of your works,
And, with the muse of nature;
For, you are always in my mind and,
I thank you for loving me.

Edward Kofi Louis
My Flowers

My flowers,
Watering them,
Before and after;
To enhance the beauty of my garden.

Edward Kofi Louis
My Fruits Are For Peace

If you no not love yourself,
I do love myself!
Because, i don't hate the world;
And, my fruits are for peace.
You take arms to kill your neighbours!
And, i take my words to heal the world and,
To calm my neighbours;
For peace and joy! 
With kindness and humility,
Showing compassion to all mankind.

Edward Kofi Louis
My Garden Of Love Waits For You

You are like the staffs of gold set with beryl,
So, come to me oh my south wind!
For my garden of love waits for you.
Baana, Shean, Taanach and Megiddo!
Do come along;
For, the muse of Zare is now laid bare! 
And, as majestic as a nation's army with banners.

Motion, emotion! 
Jut, but, cut, slut, gut, hut, put, shut;
As fat as a whale;
Sure, cure, secure, lure, pasture!
As thin as herrings;
But, do enjoy responsibly.

Forming, transforming!
Bright and beautiful colours of love;
Form, transform!
The muse of love,
The serenity of nature,
The peace of the mind;
Come to me oh south wind.

The accident!
The police;
And, you exposed your two big breasts to the public! 
But, my garden of love waits for you.

Edward Kofi Louis
My Goat's Milk

The wicked person runs away when no one is chasing him or her,
But the righteous are as bold as a lion!
As such, i've prepared my goat's milk of love to satisfy you.
It came suddenly at once!
And all at once to satisfy your muse on this love;
So enjoy the whole night of love on my bed because,
Common-sense and carefulness teaches many who are ready to learn.

Edward Kofi Louis
My Hands Do Not Work

In your love,
With your hope,
In my chains to care for you!
With the muse of your peace.

In truth do i love you,
In words do i seek for you;
You are all that i need!
My mind writes but, my hands do not work.

Edward Kofi Louis
My Head

Night!
Dark,
Prayers;
Waiting for the answer,
An image seen! !
Image of my head up in the sky.
My face,
Side view;
My head!
Waiting for the answer,
Night view.

Edward Kofi Louis
My Heart

Lonely is my heart but,
I am never in despire;
Oh my heart,
In you i will always put my trust;
Like a flying dove up high in the sky.
Oh my hear,
At times i do cry without you in me;
My lonely heart i do miss you.
I will always grow forever in you,
Your time is everlasting;
I will always be with you,
Your love will never fail me;
My lonely heart i do miss you but,
I will never be despire on this love.

Edward Kofi Louis
My Heart Goes Out To You

Love and dreams!
My heart goes out to you;
Peace and love.

Edward Kofi Louis
My Heart Goes Out To You 2

You are the one! 
You've touched my heart,
Yes! You are the one;
My heart goes out to you.
You are always on my mind,
You are in my sleep,
Yes! You are the one;
My heart goes out to you.

Edward Kofi Louis
My Heart Is Beating

Are you looking for me? !

Oh! My heart is beating on this love;

Yes! On this sweet love of yours.

Are you looking for me? !

Then, knock at my door of peace;

And, i will let you in.

Edward Kofi Louis
My Heart Is Joyful

My heart is joyful because of you!
Because of your sweet love;
Your lovely words and your peaceful works.

Edward Kofi Louis
My Heart Is Open To You

Love,
Sweet love;
My heart is open to you.

Edward Kofi Louis
My Heart Keep On Beating

When is that time? !
That time of love;
For, my heart keep on beating,
Because of your beauty.

Edward Kofi Louis
My Heart's Treasure

Love swells like the ocean!
But it ebbs like its tide;
With a smile on her lips I do look forward,
Like Romeo and Juliet.
One touch to her hand and,
One word in her ear;
So faithful in love to swing her muse.
Oh my heart's treasure!
You are all that I have;
Like the fair breeze that blows around me today.

Oh my heart's treasure!
Of a river very steep and wide;
Day after day,
Night after night,
Into the silent sea of love.

The fair breeze blew at last!
The white foam of love flew,
Like something sweet from my lover's breasts;
You are my beloved from Pole to Pole,
You are my beloved from North to South,
You are my beloved from East to West,
From the very deep blue sea to play with your muse;
And, like a soft floating witchery of sound.

Of one word in her ear,
Lovely dropping like flowers!
Of the animated nature of sweet love to share,
And, like diamonds which are forever! 

Half closed eyelids,
The frost of the midnight spells our names;
So, save that which was on your side and,
Let me be yours forever.

Of the thin blue flames around,
Inaudible as dreams in a land so sweet;
But, she's my heart honoured maid,
And, like the bubbles that glitter.

To the extreme quietness of her love,
Like a toy of thoughts gone by;
At school she was first but, at love she was last!
And like the sweet muse of the songs of a lovely river.

Of my sweet birth place with unclosed lids,
But, this love is with wild pleasure!
And, with articulated sounds of things to come;
But, my mind is always set at rest.

Sweetly is this love like,
The poor man's only music left around!
In this deep calm of a sweet muse;
And, in this love so sweet! 
Like, the golden exhalations of the dawn.

Edward Kofi Louis
My Hero

I will melt in your love and i will melt in your kiss,
For you are my hero on this love so sweet;
And i am flying on the wings of love with you.

You know what i want when you do invite me,
For i am living within nature's arms for your love.
You are my hero and i am your lover,
And to motivate my spirit with your true love;
For i am a woman and like the fig tree around you.

Your name is all over me and you are my hero,
You are also my love and my strength;
And like the fair virtue train,
The sweet home of paradise is from your love.

Edward Kofi Louis
My Home

My home is in the forest of Lebanon and,
My friend stays watching over it all day long;
So come and let me take you to my home,
For i met youe love from the very first day that i saw you!
And, you are so beautiful to me.

Edward Kofi Louis
My Home  2

My home,
My sweet home,
Home sweet home.

Edward Kofi Louis
My Home Is My Castle!

Home sweet home,
Welcome home;
Enter into the world so sweet with a positive mind!
As I welcome you into my simple abode,
With love! !
Because, my home is my castle.

Edward Kofi Louis
My Home Is Your Home

Love,
True love;
My home is your home!
You are welcome anytime;
Just let me know,
When you want to visit me.

Edward Kofi Louis
My Imaginations

There is the time to dream and the time to wake up,
But you can't beat my imaginations always on this love.

Love is like the free market economy filled with dreams,
But try to wake up to look for your lover always;
And, it is like the contractual obligations to enhance your growth.

There is the time to dream and the time to wake up,
So rush to the truth of life and face the facts;
For my love will make you come back for more.

Love is like that at times and,
To be static means to become atrophied;
For you've got the attitude and i've got the love.

Change your life when the muse of love is with you,
For you have to know the truth from me always.
Don't let technicalities blot your vision on this love,
For ignorance is a great impediment to democracy!

Get knowledge and be very wise than,
Those who feel less reluctant to pay their debts;
And keep your teeth to yourself to learn more,
For you cannot fool all of us at the same time.

My love is like the bee and the honeycomb,
From fantabulous to fantasy;
So is your fabulous decision in times like this.

Of a higher visibility approach is what you need,
For you can't beat my imaginations at times;
And my mind will always flow like the pen in your hand.

Edward Kofi Louis
My Journey

Love,
To be in the beautiful garden of peace;
And, to rejoice with the muse of the truth.

My journey!
With my birth in 1961;
Like horses and houses in the land of white roses.

A year later!
With hope;
And, nine years after with the positive direction of my mind to the world.

Love,
Like the muse of the blue skies above;
And now, telling an African story to the world.

My journey,
With the muse of nature;
And, to believe in myself along the line.

Belief, believe!
With the lessons that i have learnt so far;
Deeply with the peace of my mind at rest, no matter what comes along my way.

Edward Kofi Louis
My Joy

Of a baby wrapped in swaddling clothes,
This is the sign to you and of my joy!
And like the fall and the rise of my muse to you.

Edward Kofi Louis
My Kingship

I am a king and i have no servants,
I rule alone and i have no anger;
But my land is full of aromantic apple trees.
I go round daily around the apple trees and,
I say hello to the beauty around them;
I taste the ripen apple fruits like,
A sweet romance in a lovely garden.
Attractive as they are,
They are my only companions!
For my Kingship is for these sweet apples.

Edward Kofi Louis
My Lady The Taxi Driver!

My lady the taxi driver!
Driving so fast to take me to my destination;
For, the muse of my love was in your hands,
And, you were ready to take me along.

My lady the taxi driver!
With the works of your hands and,
Of the muse of your love;
But, you were ready to take me along.

To my destination,
With the works of joy! !
And, i do thank you for everything;
Because, you were able to take me along.

Edward Kofi Louis
My Letter

Hello beautiful lady,

Love,
With the eyes of joy;

With the works of peace;
And, lovely are your ways.

As such, i surely hope that,
You will fulfil your promise;
By accepting my letter,
With the words of peace, joy and love.

My letter,
Able to touch your heart!
Able to satisfy your muse;
With the flavour of the aroma of the truth.

Edward Kofi Louis
My Life Will

I know the type of pepper that went into my eyes so,
I now walk around protecting my eyes;
For i have had enough experiences in life and,
I know that my life will also teach many out there.

Edward Kofi Louis
My Life Will Surely Go On

How can you achieve the impossible?
For the road ahead it too long and far away;
How can you reach out to your goals with your dreams?
For the obstacles around you are too much to bear!
But my life will surely go on.

Your hand is like the condensed milk of my love,
And i do have perspective ideas to count on your love;
But, what is untouchable in this world? !
And like impossibilities becoming possible at long last,
But the road ahead is too long and far away.

Edward Kofi Louis
My Little Comfort

Love unlimited is what I have for you,
My Little Comfort of the human race;
Come and comfort my soul like,
A little jungle in the world.
Now that I have found you,
You are all that I need;
Come to me without your shyness and,
Be my sweet lover on this love.

Your love is driving me crazy and,
My mind is always on you;
My Little Comfort come to me:
You are from the Benue State of Nigeria and,
I will always remember you.
Overcome your shyness and come to me,
Hold me very tight for the sweet love unlimited!
You are called Comfort and,
You need to comfort my soul.

This is the jungle where love is,
To share our nakedness together in style;
So overcome your shyness and come to me.
My Little Comfort from Benue State,
Come to me with your sweet love;
Come and comfort my soul.

Edward Kofi Louis
Oh my little love!
Why have you left me in the cold?
I need you tonight like never before;
You are the free love around to crown my life.
I can't really sleep at night and,
I can really feel you in my bones;
My little love,
This heart is feeling your absence.
Come and put your arms around me,
What is taking you so long?
For without you, i am nothing to the wind.
Come and give me the medicine of love,
You are all that i need;
How can i leave without you?
You are all that i want my little love,
For the tears in my eyes do appreciate your kindness;
Where are you?
Come ane give me the medicine of love.
Paradise is now here with us and,
The true message is love;
So do come quickly into my arms.

Edward Kofi Louis
Of clean beasts,
Of unclean beasts!
Sleep my sweet love;
Man from the dust,
Woman from man,
A child from woman,
Sleep my little one.

Of a garden eastward of Eden! !
Pleasant to the sight;
Sleep my little one,
For the beauty of the night.

My colour!
With the colours of the world,
And, with the muse of a child;
For the mother to take care of.

Life and problems!
Like thorns and thistles;
Struggling,
With bread after your sweat.

A river to water this garden!
Delightful with the muse of love;
Watchful,
For the love of the bright sun.

Tender green shoots! !
Of a joyous love;
Sleep my little one,
After eating clean things today.

Plants of love!
Rain of joy,
Fruits of life;
Ears for knowledge and, eyes for understanding! !
With a beautiful nose for the wise,
Your mouth shall eat clean things.
My Long Lost Friend!

Cost!
Most;

To host the ghost,
Without a post!

My long lost friend,
Going along with life.

Edward Kofi Louis
My Love

Let me touch your succulent breasts my love,  
For tonight is the night;  
And i can hear your heart-beat.

To melt away! !  
With feelings from me to you;  
But, incidentally noted with the love that we share.

Handsome and beautiful,  
Man and woman;  
But with the romantic touch to lead us on,  
However, it comes out naturally when you hear the beats.

Edward Kofi Louis
My Love 2

Don't let my love slip away from you!
For i can tell you more about what you feel inside;

How can you animate the causes of the society when,
I am right there beside you?
Yes! Your laughter makes me very bold and beautiful.

Edward Kofi Louis
My Love Be With You

Daily distribution,
Honest reputation,
Over this business;
Pleased with the muse of your life!
And, may my love be with you.

Edward Kofi Louis
My Love For You

My mind ofr you,
My love for you,
My heart for you,
Oh! My sweet one;
I can see clearly now for,
The rain is gone.

The muse of love!
With familiarity;
The muse of life!
With inviting colours;
Gender, tender!
With the passage of time.

Edward Kofi Louis
My Love Is Always There For You

My love is always there for you!
So, you will never be alone or, feel alone with your life;

Don't start any war! !
Because, it will spread all over the world;

The gift of Yahweh is life!
So, seek for the truth and live.

There is no peace in the room of hatred! !
That is why i have prepared my sweet love for you;

Yes! The ways of life are rough at times;
but, we are all human beings.

Let us care for each other and live in peace!
Peace is now if, there is no war;

Ardour! ! !
Let us see through life with the wonders of nature;

Because hatred doesn't solve a problem,
And, war is not the answer to peace.

My love is always there for you!
To be tranquil with the muse of the truth;

Life!
To flow like water;

Secure and successful;
Safety with the muse of righteous laws.

Benevomence! !
Dear love;

Let the truth be in control of your life;
With the great mystery of true love.
My Love Is For You

My heart is for you and,
My love is for you!
So be joyful with your heart;
Because i am always there for you.

Edward Kofi Louis
My Love Is My Castle

Life!
My love is my Castle;
So, visit me and,
See the Beauty of my heart.

Life!
I was born one day when,
The Creator allowed it;
Then, hen, ten, net!
Like 7 days of rain.

Mile, agile!
With social prestige;
Extra, extravagant!
But, with the sweet muse of love.

Edward Kofi Louis
My Love Letter To You

My dear sweet lover,
I am writing this letter from my heart;
Because i've been hunted by your love!
And i've been keeping it ever since i met you.

I can't sleep off my mind so easily,
And not even in my dreams! !
For the phenomenon of this love is a thing that touches me,
And your love is as ripen as the autumn fruit.

It concerns us all on this thing called love,
And every prerequisite intelligent brain wants this fruit;
So let our consciousness stimulate each other deeply!
For everyone requires love on this earth.

My proposal to you is like the vision of making love to this fruit,
And i really love you and i cannot hide it from you!
This is because your candle of love has been burning inside me,
For your love is as ripen as the autumn fruit.

How can i explain this mystery of your love? !
Thinking of how we will kiss each other in passion when the right time comes;
But your personified self can still do this miracle of a romance!
For i know that you also love me.

I am very crafty and i don't mind waiting for yur love,
Because your love is always the best of value;
And how nice it will be to savour the kernel of your sweet fruit,
But this is my love letter to you.

A passionate and a romantic love of million cheers wait for us,
And your sweet love is the most harmless document worth living for;
But this is my love letter to you my dear one,
And i shall testify to this love as long as i live.

Edward Kofi Louis
My love needs you,
My mind wants you,
And my mouth speaks to you daily!
For, your muse is blended with the sense of belonging to my soul.
Shelf life,
Relating;
Self life,
 Compared;
Helping,
Competition;
Minor,
Major;
Category,
Impractical;
Laziness,
Non-existent;
But, this constitutes the act of your love!
All the same, my love needs you in the sweet land of your muse.

Edward Kofi Louis
My Love To You

Blow, flow, slow, low, glow;
This is the beginning of my love to you,
And to complete the task of this care at hand!

Watch your steps as you mature and grow,
For different things are done in different ways;
But you love mangoes and I love apples,
And like experiences and the interactions in the land of love.

Edward Kofi Louis
My Lovely Bay!

My lovely bay!
Slowly over the oiled surface;
With the muse of love and joy! !
Enjoying the waters of the sea.

Edward Kofi Louis
My Lover Last Night

Attention and admiration,
With man-made laws and man-made alters;
But i can see the antural pile of rock in my view,
For you became my lover last night.

Set up the symbols and let me set you free,
For my love is what you need to move on;
But the brazen serpent stand next to you!

It is like a reminder and,
It is like the muse of love for the first time;
But with an abomination from the means of deception!

With glory and honour i will respect your muse,
But listen to me when i do speak;
Because rebellion is no answer to this love around you!

Edward Kofi Louis
My Lover Out There

You are like my lover out there,
So please listen to your heart beat when my love touches you;
For it is calling for you to understand my muse in the land of lovers,
And like the sweet sounds of the river beside you!

Edward Kofi Louis
My Lover Out There  III

Love and life,
Hello! !
My lover out there;
Please, listen to me and,
Listen to your heart beat;
Because, someone is calling for you,
In this village of hope.

The muse of love,
It is calling on you to understand my ways;
Because, i am in love with you on this side of the river.
Cap, sap, tap, lap, map, crap, rap, flap!
With an extra-time clincher.

Love,
Most memorable;
true love,
With aplomb;
And, even to the extreme! !
However, the muse of life is like,
A clean-shaven pate.

Edward Kofi Louis
Hello my lover out there,
Please listen to your heart beat!
For it is calling for you to understand my muse,
Because i am in love with you on this side of the river! !

Edward Kofi Louis
My Lover's Nakedness

The sweet of my lover's nakedness!
And like the muse of my mind with the joy of peace;
But, with the gladness of the heart in unity as one.

Riddlde it out and learn from my muse,
Puzzle it out and give me ear when i do speak;
And like the sweet of my lover's nakedness,
For, this parable is like a joyous land.

Edward Kofi Louis
My Man

My man is the most wonderful person on my side,
And he switches off my darkness to light!
Because we understand each others taste like,
Red wine and real love to remind my mind always!
He switches off my darkness with the light of love,
And having him around is all that the muse brought to me.
It is not the size of the ship but the motion of the ocean!
And of the arousal of my emotions on this passions of love;
For my man is the most wonderful person on my side.

Edward Kofi Louis
My Might

You are my firstborn and my might,
And of the first sign of my strength of love;
But in your anger, they killed a man and said it was right.

You are too old to have a husband but,
You do cling on me with your love;
And for the pleasure of your love,
The people around hamstrung an ox.

Farwell my lover,
For you became pregnant by one night love;
And here is my virgin daughter for your people.

Do not be so vile to my gest,
For this woman came in as the morning appeared;
And her hands arenow on her threshold of love,
Because you failed to care for her needs.

This was like the sin of Sodom,
But you are the super-girl and i am the wonderful-boy;
And the strength of love had brought us together as one.

Jealousy arouses a husband's furry,
And like the seducing tongue of the strange woman;
For she has a proud look on and,
She speaks with her feet when it matters.

You have prepared a table for me in the presence of my enemies!
But behold, i am like a man whose name is the flowers;
And your gold earrings identifies you as my firstborn but,
Jealousy is still in your mother's laps.

Edward Kofi Louis
My Mind

Lovers' blues,
I am an artist and a poet;
And of the roses of love that we shared last night,
For my mind is now all over you.

Edward Kofi Louis
Tears! ! !
Tears of my life;
Struggling for survival!
Through the hardships of life;
And, with the muse of my mind.

Edward Kofi Louis
My Mind  3

My mind is what you want,
My heart is what you need,
But, my works are beyond you! ! !
No matter your Degrees;
Please, learn from the works of the truth and live.

Edward Kofi Louis
My Mind Is Already Made Up

Afraid, raid, aid, far, if, fair, air!
Deeper than the ocean is your love,
But my mind is already made up.
Asunder, sun, and, as, an, den, under, sand, send;
And like the night before!
But i don't want to add up to the numbers.
Poet, pot, top, to, toe, pet!
And like the day after;
But i am a different person altogether,
For the righteous shows mercy and gives out with an open hand.

Edward Kofi Louis
My Mind Is My Degree! !

My eyes are my records and,
My mind is my degree! !
And, my heart knows it all;
Because, love is the muse of my heart.

Edward Kofi Louis
My Mind Leads Me On

My mind leads me on,
And your mind finds a way to understand my ways;
With the muse of the wind blowing around us.

Edward Kofi Louis
My Mother Is Dead

If you see me crying!
Then, you should know that,
She's gone!
Because, my mother is dead.

Edward Kofi Louis
My Mother-In-Law's Wine

You are so sweet like a bottle of wine presented to me by my mother-in-law,
But take care of yourself among the men around you;
And like the light on the sand with the muse of the desert,
For i will let you taste this wine one day.

Edward Kofi Louis
My Muse

Born among them,
Mount Louis;
An altar of uncut stones!

There they were,
Hidden in his tent;
But they have stolen from us and,
Have covered up the theft!

It is joyful like,
Honey from the rock;
But at daybreak i will look for the thief.

Oil from the flinty rock,
The lion's carcass is now nearby;
But be separated from these negative acts of the world.

Be mindful and be peaceful,
And like the city of salt;
For your mother will explain a lot to you.

To the city of romance and to the city of peace,
To the city of love and to the city of care,
To the city of talents and to the city of thieves!!
Inheritance among the children,
But hear oh earth!
And ask your father to explain things for you,
But my muse is like the rain drops on every house.

Edward Kofi Louis
My Name

Does it make any difference? !
'Yes it does';
But at the end my people will know my name.
What's love got to do when my mind is out of this world?
But give me honey and molasses to build up my mind,
For you are thirsty for water and i am hungry for food!

Somebody should reply my letters because,
I am at the edge of the sword of your love!
And i do give you much respect with your hospitality as well.

Yahweh Nissi, Yahweh Shammah!
His Name is His Glory;
And i will always learn from His muse;
For peace and love matters to me and,
You will eat as much as you can with me.

Do not snore like a bull and eat like a tiger!
But learn along the road of life as much as you can;
For i am married to her who is in the forest of love,
And one day you will come to know my name.

Edward Kofi Louis
My Name  

My name,

You know it,

To say it out loud!

Because of love.

Edward Kofi Louis
My Name Is Edward

My name is Edward and,
I am talking to you through my words;
To tell you my story and,
To teach you with my works.
Wake up! !
For, life is real with the muse of peace;
Under the eyes of love,
And, with the laws of righteousness!
But, mankind had now made things very difficult for everyone.

Edward Kofi Louis
My name is Lewis and,
I am here to educate your mind;
So, release your mind and with the muse of the truth!
And the rest will follow;
Knowing the ways of righteousness than,
The ways of the evil one.
Campaign posters!
With the muse of your love;
And, with the passionate submission of the truth,
Advanced with the ways of the laid down laws in the land.
The muse of life,
To take a positive decision with your love;
Because, the muse of life is all about the truth than,
The lies around us today.

Edward Kofi Louis
My Natural Look

My natural look!
To look at what you see;
When you visit me,
In my home,
In Africa! !
Or, when you see me in your country;
My body,
My identity,
My colour,
Original!
My natural look;
That is what nature gave me.

Edward Kofi Louis
My Number

Have you got my number?
I love you and i want you to call me;
And please try to call me to fix a date,
For i want us to reach out to world with this love.
Sing with your muse and let me love you,
For you are very special to me!
And let us live on this love in the land of glory.

Edward Kofi Louis
My Only Desire

Sweet love,
You're my only desire!
Because, i believe in you.

Edward Kofi Louis
My Only Hope

Love,
You are my best friend and my only hope;
So, let me be on your side always,
And, to warm me up with your lovely heart.

The sheep,
The goats,
Grazing together in the field!
With a sign of peace and joy.

So, let me be always around you;
For you are my only hope in this life!
The life of peace and joy,
Under the umbrella of your sweet love.

Edward Kofi Louis
My Only Hope 2

You are my sunshine!  
My only hope;  
Always touching my heart with your words.

Edward Kofi Louis
My Opera

My mind,
My works,
My heart,
My love,
My peace,
My joy!!
Myself;
My opera!
To the world so sweet.

Edward Kofi Louis
My Own

I found her by a spring of water in the desert and,
I took her to be my own;
And in the heat of the day,
She became what i was looking for.

Of a smoking fire pot and,
Of a dove and a young pigoen;
And deep sleep fell unto man,
And out of him came woman.

Behold! She's with child and,
She submitted herself to me to learn more;
And from the river of Egypt to the great river Euphrates!

Rest my love,
Rest under my tree of love my sweet one;
For you are now very tired with your load.

Edward Kofi Louis
My Own Life

My own life,
My own work;
And like the atmosphere in the jungle! !
But, my hope will lead me on.
The photos of life,
The hanging bridge,
Fridege, bridge! !
Freeze, breeze! !
And like an Island;
But, the cameras are all around me.

Edward Kofi Louis
My Own Poem

My own poem is like my own love,
And like my own book!
But your own muse is like the joy of my mind.

My own land is like my own peace,
So do it here and leave it here!
And do not hesitate to publicize it;
For i have what it takes to liberate the masses on this side of the river.

Edward Kofi Louis
My Own Story

My own story may be the same like somebody's story,
My own life may be the same like somebody's life,
My own pains may be the same like somebody's pains,
my own works may be similar to somebody's works,
But you can't wait for the weight tired at my waist like the huge waste in your land!
And like the sad end of Whitney Houston.
Cases, bases, stases, phases, chases, vases;
But the insight of my love is noted to you all from shore to shore,
However, my own story on this side of the lake may be like that of somebody's.

Edward Kofi Louis
My Phone

Lone,
Phone,
Alone,
With my phone;
Tone,
One,
Stone, bone, clone!
Drone,
None;
With my phone,
Waiting for your call.

Edward Kofi Louis
My Piano And My Perfume

I don't know how many times that i saw your nakedness but,
I did cover your body whenever i do see it bare;
Because you are too young to understand the cold out here!
And no matter how hard life is,
One is well formed and well covered by sweet love.
My piano and my perfume will be there for you always,
And like the North Shore and the Off Shore views;
For the white and the black marbles do represent us and,
Like the royal wine in the citadel of Susa.

Edward Kofi Louis
My Place

My place,
With love and care;
To visit my place,
Receiving you with the joy of my heart!
With the lace of life.
With the ace of love,
With the palace of peace,
Race, embrace!
To visit me at my place.

Edward Kofi Louis
My Pleasure

When it meet him,
It will be my pleasure;
Because he had been my guide since all these years!

When it meets her,
It will be my pleasure;
Because she had been my lover since all these years!

Life is just like that,
And i am always searching for new grounds to satisfy all of you.

Edward Kofi Louis
My Poems Wait For Your Comments

My love waits for you and,
My poems wait for your comments;
Like your lovely engagement,
Being on your own!
However, I will sit on my couch and wait to hear from you.

Edward Kofi Louis
My Poetry

Poetry, pot, port, poet, try, pet, to, ore, roe, top, toe, prey, yet!
Coming out with my style to the world;
Writing and teaching others with my sweet muse,
And, it is time for us to seek for peace than, with the wars around us today.
Bare, care, pare, hare, dare, ware, are, fare, glare, rare, yare, chare, stare,
mare, tare, share!
With the love of my heart and, with the muse of my mind;
And, with the thoughts of this world.
Clear, wear, hear, ear, gear, dear, bear, fear, tear, rear, pear, sear, shear, year,
near, spear!
With the muse of my mind to the world;
My poetry,
My work to the world so sweet with the muse of nature!
My poetry,
Teaching and healing the world with love than war.
Intuition, institution, instruction, fusion, infusion, intension, expansion,
suspension, induction!
To the academy of literature with the muse of my mind;
Because, i have what the heart needs and, to be joyful with,
Like the muse of one who knocks at my door today for my works.
Cable, able, table, stable, accountable, comfortable, honourable, questionable,
anwerable, knowledgeable!
To gree the minds of love and the hearts of peace;
Bringing out the message of joy to all mankind than with the bullets of war!
However, my thinking is different from others.
My poetry,
With the philosophy of one's mind to create a faculty;
Under which one studies for a Degree!
But, my mind is higher than Mount Everst.
Ward, award, forward, backward, inward, Edward, afterward, outward, reward,
upward, downward!
The true meaning of life is for mankind to bring out peace than war;
But, mankind had now made the earth the planet of weapons! !
Aiming at each other and killing one anther.
Wry, cry, try, elementary, primary, secondary, dry, fry, pry, query, spry, sherry,
Perry, Jerry, Terry, poetry!
Making my way through life from one step to another;
And, facing many problems along the line,
But, let us all light up the candles of love to brighten the world.
Ink, pink, link, sink, blink, dink, drink, think, mink, Zink!
With the muse of life and, the style of my poetry to educate the world in the name of peace.

Edward Kofi Louis
My Portion

Notion,
Nation,
Motion,
Station,
Emotion,
My portion!
On earth with my works.

Edward Kofi Louis
My Prayers Have Been Heard

E.L.!
Where is the 'K'?
And, it came later;
Before my eyes,
Up high in the sky at night.

The Story of time,
Free at last! !
For, my prayers have been heard.

18th December 2013,
To watch the sky at night;
Then came the Initials,
With the muse of the Bright Star closer to the Moon.

Edward Kofi Louis
My Prince

I will spend the night of love with you outside on the grass,
So come and let me hold you tight my love;
And, do not close the door of your love towards me.

The weather is very fine today and,
I want us to play love outside on the grass;
For, i want your lovely fingers to play with my breasts.

You are so handsome and i am so beautiful on this love,
So come into my sweet home of love oh my Prince! !
Come and let us spend the night on the grass outside;
For, i am dying for your love.

Oh, how the echoes repeat your name over and over again;
Like the landscape of a big village!
For, without you, my life will be meaningless.

Edward Kofi Louis
My Printer

My printer,
My picture,
My colour,
My muse;
Your printer,
Your picture,
Your colour,
Your muse;
Shared out with others to enhance my image!
But, this joy around me is all about your love.

Edward Kofi Louis
My Queen

I knelt down before my Queen to marry me,
But she turned down my offer!
So i went to my village and took a beautiful lady to be my wife.

Edward Kofi Louis
My Queen Mother

You are like my Queen Mother and,
You do nothing to help in the house!
For you do claim that you are the one who brings in the money but,
One day you will understand the real systems about life;
For i am worth more than the state of your work!

Edward Kofi Louis
My Quiver

You are like the fruitful vine planted in my garden,
And i am joyful on this love;
because, my quiver is filled with children.
Pass, password!
Fruitful in the garden of love;
Word, password!
And my quiver is filled with children.

Edward Kofi Louis
My Rebirth

The muse of life,
Come to me and let me pave the way for your love;
The muse of life,
Hold me close and let me love you most;
For, i am on the path of my rebirth,
And, the victory of the system around tells you my story.

The muse of life,
On the path of my rebirth!
At 08: 08 A.M. with your love;
Hold me tight and let me love you most,
For, the birds came out this morning singing for us.

The muse of life,
On the path of my rebirth!
At 11: 11 A.M. with your muse;
So, come to me and let me pave the way for your love!
In the land of beautiful roses.

Edward Kofi Louis
My Red Rose

The red rose,
My red rose,
I planted it and watered it;
To grow,
With the muse of love;
Care giving,
To blossom!
With beauty of its red colour.

Edward Kofi Louis
My Request

Love!
Sweet love;
Oh! That i may have my request;
And to grant what i desire,
For you to be mine.

Edward Kofi Louis
My Request And My Petition

Quest,
My request and my petition;
Love,
If i have found honour in your eyes,
Tell me! !
If it pleases you to grant my petition and fulfil my request;
Love,
Exuberant!
In high spirits,
With satisfaction;
With the muse of the truth,
Answer me! !
Because i love you.

Edward Kofi Louis
My Reward Is In Heaven

Earth!
What have i done ton you?
With hatred and war around me! !
However, my reward is in heaven.

Edward Kofi Louis
My Root

Action speaks louder than words,
But a picture wealths more than a thousand word.
Bring me home to the place that i belong to and,
Teach me how to fish for my daily food;
For each heart knows its own bitterness.

I am their byword and their object of ridicule,
Like the homes appointed to all the living;
But my glory will remain fresh within me always.
Oh, a harp turns into mourning;
And they remain silence for my counsel,
But my root is spread out to the waters of love.

They waited for me like the summer,
Of men and women alike to learn from my muse;
But like the summer rain,
I was rather like the winter rain on their joy.

To bath with cream and to sing for joy,
In the prime of my life to look for my root;
But i am the hope of the poor like,
Beni Nebal and Beni Shem.

Edward Kofi Louis
My Shadow Girl

My shadow girl,
The black canal is intended for you;
So allow me to regain my strength to lead you on,
For the weather condition is all that you need.

Result,
Paralysis,
Foreign objects,
Stability;
You're my shadow girl and,
I am the muse of your love!
So take the safety rules and guidelines of the laws to lead you on.

Edward Kofi Louis
My Shepherd

The son will not bear the iniquity of the father,
Nor will the father bear the iniquity of the son;
Search out for 'The Book Of Yahweh' and read,
There you will see it is written:
'Yahweh is my Shepherd and i shall not want'.

Edward Kofi Louis
My Sister Loves You

Hear my voice and let me teach you,
Hear my words and let me tell you the truth;
For my sister loves you!

You are a handsome mand and,
My sister had told me about you;
So try to call me and i will hand over the phone to her,
Because my sister loves you!

Edward Kofi Louis
My Skin Colour

My skin colour,
They are always afraid of me!
To suppress me and put me down;
To pull me down from my achievements,
But, i am still alive with my dreams.

Edward Kofi Louis
My Son

My son,
Heed to my muse and learn my words;
My son,
Listen to my words and learn from my muse;
For, you need the deeds of your father to grow up.

Low, sow, flow, grow, mow, throw, tow, marrow, row, slow, wow!
For you need the deeds of your father to move on;
But, learn how to respect others as well.

Now, bow, blow, brow, allow, pillow, wallow, arrow, willow, how?!
For the wages of sin is death;
And, you need to learn from the positive aspects of life only.

Crow, cow, show, prow, vow, yow, swallow, fellow, follow, glow!
Only with the muse of the positive characters of life;
So, listen to my words and learn from my muse.

Try to overcome the needs of life by feeding your brain with love,
And move on to achieve your positive goals in life;
For, not all that glitters around you is gold.

Edward Kofi Louis
My Son's Age

Every World Cup being played add up to my son's age,
And he is very clever and cheerful around the masses;
Because his name is like the joy of your nakedness,
And i will always be there for him.

Edward Kofi Louis
My Soul

My souls will weep,
Run down with tears;
Because of your pride!
But a lowly seat is now set before you,
So try and humble yourself always in this life.

Edward Kofi Louis
My Soul Delights In You

My soul delights in you,
And, i will seek for you always to satisfy my heart.
Love,
Speaks, peaks!
With the words of peace and, with the laws;
In humility and with compassion.
Love,
In order;
Swept clean with the muse of the truth,
Under the guide of the laws.

Edward Kofi Louis
My Space

Pace,
My space;

Lace,
My race;

Ace!
To replace;

Place,
With the surface of the water;

Face,
At the Palace of love.

Edward Kofi Louis
My Speech

Listen to the words from my mouth,
With the proverbs of love;
To face the world with the works of the truth.

Speech!
My speech,
Listen carefully;
To bring peace to the world than war! !
And, to encourage you with peace and love;
For the unity of the earth.

Edward Kofi Louis
My Spirit

Oh my spirit,
Be thou like myself;
And like a star to quicken a new birth at the Rhine.
Give ear to me when i speak for,
Life is very swift and timeless over here;
So make me like the Elb River to sleep at last.
Oh my beloved night, i do ask of thee;
And of your beauty and your chivalry,
But the eve before was like the Danue River.

To reflect aback to your blushes and,
To think of my spirit at last;
But i will not leave thee oh my sweet Alster.
Your eyelids are very heavy and red,
But your lovers are still sleeping around your waters;
And my spirit is like a gallant merchant-ship sailing.

Of those flowers made of light and,
Of the walk along your banks that cost a meal;
But i still do remember the home that i was born to,
For one short hour was like this little joy with your muse.

Edward Kofi Louis
My Spoon

Noon,
With my spoon;
Boon, soon!
To meet your love like the moon.

Edward Kofi Louis
The ear hears words as the mouth eats food,
But my ink flows to tell you a story.
A bard's storyline like my storyline,
A film's storyline like my storyline,
With the children of a mixed race amons us like,
The work of the Creator with His creation.

The writer and his words,
The ear hear words as the mouth eats food;
Do the sitting as i do the knitting,
Do the strutting as i do the remitting,
Do the batting as i do the betting,
Do the totting as i do the vetting,
Do the fitting as i do the netting,
Do the spitting as i do the jetting,
Do the spating as i do the putting,
Do the getting as i do the petting,
Do the letting as i do the twitting,
Do the quitting as i do the potting,
Do the wetting as i do the tatting,
But where there is a will there is hope with the fatting!

Of a bard's storyline like my storyline,
Of a film's storyline like my storyline,
But death comes and there is no where to hide.
Genes are made from DNA,
So do learn about condomise and bedmatics;
With all the problems in this world.

This is my life,
This is my world,
This is my time,
This is my poem,
This is my style,
And our brains can be regarded as collaterals.

Edward Kofi Louis
My Style

My style,
The muse of my poems;
Very different! !
To the eyes,
With ideas;
teaching the hearts of many.

The championship!
Regulated with the muse of love;
Version, vision!
My style;
Turbulent like water at times!
And like, the muse of the wine drinker on your town.

Edward Kofi Louis
My Style 2

You should have known my style and, my taste by now;
Not to waste your time in the forest! !
And, to paste your teeth with the works of love.

Edward Kofi Louis
My Success

My success came because of you,
For you've been guiding me since all these years!
And i cannot live without you.

Edward Kofi Louis
My Sweet Aicha

I will do it for you when you want me to,
For the shark of the ocean is ready to listen to me;
And your love is like rice and chicken with pawpaw!
My sweet Aicha,
You are the dream of my heart;
And like the colour of the blue ocean around us.
From the wings of the air to the legs of the ground,
From the fins of th e ocean floor and to the mobility of nature's call!
For you are my sweet Aicha from Morocco and,
I will always love you for who you are.

Edward Kofi Louis
My Sweet Eddy

Your love can be running away from me but,
I will be chasing after always;
Because you are mine and,
I can't stop loving you my sweet Eddy.

Edward Kofi Louis
My Sweet Friend

Lovely,
My sweet friend;
The truth is very lovely to every heart!
The hearts of peace.
Like a colourful fish,
As beautiful as it is;
The truth is all that we need.

Edward Kofi Louis
My Sweet Jacob

Your chair is empty and you are nine miles away from me!
But let me hear more about the two sides of your heart;
For you are hiding behind illusions and,
I want to seek for you my sweet Jacob in the mirror.

Edward Kofi Louis
My Sweet Lover

My sweet lover,
Why are you hiding from me?
Come around,
Come to me,
Come and uplift me with your true love.

Edward Kofi Louis
My Sweet One

My sweet love,
My sweet one;
To touch your soft body;
Talk to me! !
With the voice of your sweet love.
Don't hide it from me,
Because, i am the one that you need;
As you can't sleep at night.

Edward Kofi Louis
My Sweet One 2

I do care more about you my sweet one!
Because, i'm always around you with my works and my words;
Always respecting all the rules around without hurting you,
Stay blessed always and let the sun shine on you.

Edward Kofi Louis
My Symphony

Pony,
Harmony,
Honey!
Money;
With the muse of my symphony,
Like the monkey and the donkey in your land!
But, i have the key of love in my hand.
The muse of life!
Observing it;
And, assimilating it with the muse of love,
With my inspiration!
And, with the passions of nature.
The muse of love,
With the beautiful coastal place of joy!
Mounted with the mind of peace,
Under the umbrella of the truth.

Edward Kofi Louis
My Tail

Don't watch my tail because,
I am hiding it;
Like a black monkey in the deep forest.

Edward Kofi Louis
My Teacher

Unveiled faces,
In weariness and toil;
Unspoken words,
In hunger and thirst;
Tablets and stones,
In the cold and of the nakedness;
And like a beast bigger than a baby's head.
Empty pride,
There is a window in the wall!
And of the present evil age of mankind;
But the heir is still an infant.
The flesh of the heart and,
The vine and the vinedresser;
Let down in the basket is youe love because,
The king is now on the donkey.
The fragrance of knowledge is like,
The words of my teacher;
But the law is my aroma and,
Wisdom is my teacher of love.
Come with the spirit of understanding and,
Let me care for your love;
For the hired men and women are full of toil!
And like a window in the wall of the earth.

Edward Kofi Louis
My Tent

My tent,
My love,
Symbolic with the muse of the laws,
Under the eyes of peace and joy.

Edward Kofi Louis
My Time

My time,
With the hour hand and the minute hand;
While the hand of the seconds goes round to motivate my works,
On this earth.
My time,
Your time,
With the times of the world!
Used for righteous works or, for evil works on this earth;
However, many are those who have taken the time to destroy others.
Yes, with the ways of war!
But, this is not the reason why we were made on this earth in the first place;
We were created to love each other and, with joy!
Under the muse of the laws;
Without hurting our neighbours.
The time!
My time,
Your time;
Using the muse of my time for a positive work on this earth!
Since, the weapons are not helping matters at all for peace.
The Laws!
Written down for our benefit;
If only if we are ready to uphold the Laws and live,
But, the earth today at this time is reeling to and fro!
Because of the weapons of war in our hands.

Edward Kofi Louis
My Town

Let me take you to the Queen Mother of my town and,
Let me expose the muse of your love towards me to her;
For your love is not for sale and,
It is for me only as you said.

Edward Kofi Louis
My Umbrella

Walking through the rain with my umbrella,
Nice and lovely to swing with the muse of love;
And it is like the joy of things with my lover,
But i am protected under this umbrella.

Edward Kofi Louis
My Umbrella II

I can see the rain falling on you,
So you need my umbrella to walk through it;
For i am here to protect you with my love!

This message is to make you dry up and clean up,
This message is to bring my love closer to you;
But you can take your own decision in the rain,
For love is all that we need in this world.

Edward Kofi Louis
My Valley

Let me make a covenant with your my love,
Because I do love you deeply in my heart;
And, I am ready to extend the entrance of my valley to you.

Edward Kofi Louis
My Victory

My life,
My victory;
Against all odds;
For, i am still alive.

Dream big!
If only if you want to become bigger in this life,
For, there are many obstacles along the way of life.

Muse!
It is for my style;
Love!
it is for my identity;
Soup, soul!
With the ways of life;
But, dream big if only if you want to become bigger.

Edward Kofi Louis
My Village

I have to go to my village once again;
To visit an old friend,
Knowing her state of life on my last visit.

Date, gate!
Knowing the conditions of Kate when we last met;
I need to help her to overcome her poverty.

Edward Kofi Louis
My Virgin Daughter

Take my virgin daughter and marry her,
And make love to her all day till she conceives;
For she is all that i have for you.

Her hands is on her threshold of love and,
She is waiting for you to come in;
So take my virgin daughter and marry her,
For she is all that i have for you.

Spread your wings of love to cover her nakedness,
And share her aroma of love all night long;
For she is all that i have for you.

Edward Kofi Louis
My White Uncle

Thanks to my white uncle in the U.S.A,
For today i am now living together with him.
After the hard journey of my life in Africa,
Today i am enjoying my days with my uncle.

My white uncle did his best to get me into the U.S.A.,
And out of Africa with love we do share our ideas together;
All the same, it is very nice to have a great person like him.
I am dark in complexion and he is fair in complexion,
But the true love of life is about colours;
And together we are very glad today.

Edward Kofi Louis
My Wonderful Self

Position,
Love,
'I have seen tears in your eyes'!
She said;
But, i am here with my beauty,
My wonderful self to love you,
Like one with the muse of the Blue Flag;
Than, with the Red Flag! !
Able to take care of you and,
Wipe away your tears.

Edward Kofi Louis
My Work

A measuring reed!
In the opening,
In the midst of the truth;
To show you the way.

Flax!
Motive,
Active,
Positive;
With the muse of the system,
Way, sway!
To complete my work on earth.

Edward Kofi Louis
My World Of Poetry That Muses

Nice,
Neat,
But mused up in the world of poetry! !
However, do get it right all day long,
And like my world of poetry that muses;
For, i do learn always from the teacher of the faith.

If you don't know how to rule your own house,
How then can you rule a nation? !
For, i am able to teach with the humility of my mind;
And, step by step along the same route of love.

Whistle, hustle, bustle, thistle, bristle, gristle, rustle;
And like a novice deceived by your acts!
However, try to be a light to the ones in darkness and a guide to the blind.

Edward Kofi Louis
My Writings Will

My writings will touch many and,
You will all know my style;
And from the least to the greatest!
Because i am always around in spirit,
And like the growing seed in your garden of love.

Edward Kofi Louis
My Zeal

My zeal is to heal you with my love;
Able to seal your heart with joy!
With a deal,
And, with the meal of peace.

Edward Kofi Louis
My, Myrrh!

My, myrrh!
With the muse of life and the ways of love;
Under the eyes of the truth,
With righteous laws,
In his clothing and her clothing;
Dreams of the universe! !
Learning the ways of nature.

Edward Kofi Louis
My, Myriad!

Inspire and be inspired;
Sharing your love with the sweet muse of peace,
Where the laws do reign.

This, his!
Knowing what is his own than trespassiing;
Bed, embed!
With the muse of love;
But, let the laws lead the way to peace.

Proof, prove!
Presided over;
Bed, imbed!
Scrutinizing;
But, with the sweet muse of peace in the land of the living.

Edward Kofi Louis
Myanmar

Myanmar, Mary, may, arm, am, my, ram, yam, May, ray!
Of a cold drink;
In the heat.
Riding a camel!
With the muse of life and the muse of love;
In the heat.
Love,
At the only place in the desert;
Muse,
The only time with the works of your lover;
Like the muse of the roadrunners with the real thing at hand.

Edward Kofi Louis
Myback

My name is Myback and it is my back that I cannot see,
But I taught you how to swim and now you are a fisherman.
My name is Myback and I am very lonely and simple,
But I need a lover to wash my back.
I love the sunshine and the beautiful flowers,
I love the butterflies and the attractive air,
But where is my lover to wash my back?
Come if you are the one,
Come and wash my back for me;
For you are the very one that I taught how to fish.

Edward Kofi Louis
Mylah

Who i am, i am;
And what i am not, i am not;
For the birds even know how to sing with my name.

Mylah my love, life is full of war than peace;
But if you throw a ball straight against a wall,
It will come back towards you.

At times, this ball will divert its course;
There and then, you have to go for it again and again.

Mylah, learning is the key of life;
And, we must keep on learning until we are okay with it.

Edward Kofi Louis
Myra

Myra, Mary, may, ray!
Invited,
Ways,
In diversity;
Back to the roots,
The Salt Land;
At the seat of love,
Openly! !
With the joy of nature.

Sway, way, say!
Disclosed with the works of life;
Ware,
Share,
Hare,
Bare,
Beware! !
Of the resultant.

Steps,
Out of school!
Movements,
Taking your first step around the corner;
It was too strong for you and, you shouted for your mother! !

Fair, air!
Limited;
Gravity,
A positive influence,
Like sunlight through the bush of the forest.

Edward Kofi Louis
Myrtle Beach

Myrtle Beach in South Carolina,
There i met you consulting the oracles of love!
But to find out about your spiritual needs was my mission;
And like the salt on the table of love.

Sale, bale, tale, vale, dale, kale, male, pale;
And like your summer vacation at Myrtle Beach!
But i saw an empty beer bottle on your table.

Edward Kofi Louis
Myself

Self,
Me;
Myself,
My inner self!
Self conscious,
Self contained.

Edward Kofi Louis
Mysia

See,
Seeps!
Steps,
Be,
Bee,
Been;
Mysia, may, say, as, May!
With servitude,
With your attitude,
Deep! !
In gratitude;
Within,
In your heart;
Flowing with the river of love.

Edward Kofi Louis
Mysterious

My love is blind but,
It will open your eyes when you meet me;
For i am very mysterious in many ways!

My love is blind but,
It will find a way peacefully for you to learn;
And like Rimmon and Simmon in the camp of love.

I will walk on the red soil of your land and,
You will serve me with the red stew of your love;
For it is all well with me and i want to extend what i know to you.

Edward Kofi Louis

A mystery lady is what you in the dark!
In my dreams,
In the very ways of my life;
Always thinking about you,
Like a mystery shadow in my lovely arms kissing me.
Why can't you turn around and be seen in reality?
Why can't i know your name and where you are?
My mystery shadow!
However, yesterday is gone and, i am still thinking about you.
All along i have been lonely;
Waiting for you to come around,
For, i can't keep on falling in love with your mystery shadow.
Mystery lady!

Edward Kofi Louis
Mystery Train

By using titles,
People turn to worship gods instead of Yahweh;
But the Mystery Train is only what they know!
So get the facts straight and learn from the truth,
For obedience is worship.

Edward Kofi Louis
Mystery!

Mystery!
Of the big mushroom,
As big as a house;

The small car,
As small as a rat;

Of a mind so big as the universe! !
With humour,
On earth to satisfy the muse of life.

Dancing naked with the joy of your heart,
Catching the moon with your hands,
Making the sun your seat,
Melting in love with the eyes of the bull!

In love with nature,
Of a man taller than the highest mountain on earth;
Of a woman flying up high with the wind,
With fingers brushing your hair;
As you walk on the waters of the big ocean.

A dream! !
In another realm,
With another dimension;
Very strange!
With the acts and the wonders of life.

Yes! This mystery;
Imagination,
With the wonders of life,
Going beyond nature!
Beyond the universe.

Searching for the answers of life,
From the questions around;
With children playing up high with the stars! !

Imagination,
Of a mystery,
Mystic with the works of nature,
Lovely with the beauty of a woman around.

Inspirational,
Like one riding a bicycle on the surface of the sea!
A wonder,
With another dacing with the clouds up high;
And like homes falling down on earth like rain.

Oh! ! It is just a mystery;
It is just another work,
It is just another style,
With the wonders of life as one climbs up high!
To say hello to the floating mysterious expanded universe.

Vision,
With visionary thoughts;
Going beyond myself,
With imaginations.

Edward Kofi Louis
Mystery, Misery!

Mystery, misery!
With the lust in your mind leading you to rape women.

Love!
It's so beautiful;

Rape!
It's so ugly;

Mystery, misery!
For, the lust that was in you had led you to rape a woman.

Out, hideout!
At the time of the day;

Meat, eat!
At the hour of the dark;

Rape!
In the Devil's Restaurant.

Edward Kofi Louis
Mystic River

Mystic River by my lover,
Come and take me along;
For Jack and Jill came out to play,
And i need someone like you to care for my love.

But you are like the bars of the castle to protect me;
So come and take me along with you,
Because i want to be in your Mystic River!

Edward Kofi Louis
Mystical Discovery

Unless something is legally and honestly obtained,
It does not belong to you;
And like the mystical discovery of your love in the land of war!
But to be set free and to be noted by others was like Detroit after the blues;
And the bottom line is, i love you.

I know that you love me too,
But everyone goes in his or her own ways on this earth as the eagle flies about;
So try to chisel out your name on the rock like the well of the seven lovers!
Because the bottom line is, i love you.

Of a deep road through your red valley of love,
And like the well of oath along the desert road;
Of a straight road through your red valley of love,
And like the well of hope in the land of your muse;
But try to sign a treaty with me on this love like,
The downstairs and the upstairs of the muse of your house!

Edward Kofi Louis

With the blues of love;

White doves!
With a flying kiss;

Awakening,
Beyond the clouds with your imaginations;

Bubbling up,
Boiling over,

Bush, blush!
Without a rush;

A bargain,
With specialty;

Like a golf course or,
A 'footballgolf' course;

Swell, well, ell, sell!
With the tenderness of true love;
Life,
To keep one's hearts warm with positive morals.

Edward Kofi Louis

People came out and play!
But With charms;
Mystical world,
Mystical powers,
With men, women and children.

The mythology of all the races,
And of Greek's oracles to teach many;
But, the African oracles will let me write out my mind,
And like a bearded man with the breasts of a woman.

To the Roman province of England,
To the theologians of Memphis!
And like the Cow-Goddess, Hathor of Dendera;
But, Zeus of Olumpus still rules the world today.

The Sun-God, 'Re' of Helpolis,
Of the bull Apis!
And these are all part of the mythologies of the races.

The Cosmic-God, Amon of Hermoplois,
And like Nimrod who founded Babylon! !
In pagan antiquity to teach us all;
Nimtod, Semiramis and Ninus!
And like the flight of a snake and an alligator.

Bray, dray!
Naadu my friend,
Be very wise and move on with your life.
Bow, howl!
For the narrow path in the dark forest is now being hunted.

So be very wise to step on the right stones along the way;

Brake, rake!
You acted like the President of the people;
Gap, gape!
But, you acted in a very negative way today;
Rake, brake!
For, you lost your mind when you saw this young girl;
Rape, gape!
And, what you did to the young girl was exposed to us.
Bray, dray!
So, you have to face the court in this very town;
Lean, learn!
Naana was the name of the young girl you raped;
Sin, sine!
And the court will surely sentence;
Earn, learn!
But, you can learn to overcome everything with the righteous laws.

Feeling,
Sealing,
Remission,
Emission;
Nabas is your name and,
You are on a mission!
But, the birds of the air do have something for you;
Far and wide! !
In the land of Beautiful Ladies,
And, with the muse of love.
Deal, seal!
With a walk through the door of love;
And to sit down and listen in awe!
To your own understanding.

Edward Kofi Louis
Naboth

The art of your ideas and the act of your love,
Naboth came to me with the message of love;
And now we are living together as one.

Edward Kofi Louis
Nabu

Nabu, an, Abu, bun, nab, ban!
But, speak the truth with your mouth and,
Let the world be at peace;
For, lies have created more wars! !
So, we need the truth and, we need peace.

Edward Kofi Louis
Nadim

Nadim, aim, aid, man, Dan, Adam!
Living on earth and seeking for peace;
With the muse of righteous works to love all mankind,
In servitude and attitude! !
For the unity of the world.

Edward Kofi Louis
The beats and the drum of a floating song,
And from the land of the rising sun to meet you;
But greeted by the applause and the love of Nadya!
For she was lonely in her garden of love asleep when,
The heavy rains dropped in.

Strangers and beggars,
The shelter of love is next to you;
But i wonder if i could easily dent you with my love,
For the heavens do know you as Nadya.

Of the joy that i have for you and,
Of the household name of your love around;
But like the cirling stream of the ocean,
I will always remember you my love.

Edward Kofi Louis
Nadya II

Nadya, day;
Wild grapes!
Winter morning;
Mystic night,
Summer morning!
The morning fog;
Wild apes!
ouched by the sun;
Sunflowers!
Touched by the moon;
Raw diamonds!
Touched by the stars;
Raw gold!
Touched by your love;
In the land of elephants and giraffes.
Birth, girth!
Nadya, day;
The muse of love and joy!
if you want it, you will get it;
The muse of unity and peace!
You have to work very hard towards it;
Like a river between Namibia and South Africa.

Edward Kofi Louis

At the only valley in the land.

Edward Kofi Louis
Nair

Nair, iar, rain, in;
With the hope of life,
But, to own horses and houses are part of the lifestyle of mankind.

To owe today and to pay tomorrow!
But, your own works are still hanging on the walls;
Hoping for another day to tell your story to the world.

Colours are part of life,
And, there are opportunities in life;
However, my child is always my child; and, nothing will come between us.

Colours are part of nature,
So, lean first to be like a slave in the world today!
By obeying everything and, taking notes along the line in your studies.

Edward Kofi Louis
Naira

Naira, air, in, rain!
Pain,
In chain,
Train!
With Cain;

But, my fears are mine when,
Love ones do cry for help.

Edward Kofi Louis

An exclusive interview!
In a cohesive way;
In order not to alienate the communities involved,
With the muse of the Blue Mosque in view.

Restructuring,
Mandate!
Social protection,
With a required transcription on the issues at hand in this town.

Edward Kofi Louis
Naked

I am not insane but,
I am only speaking the truth;
I an not insane but,
Of the strong-winds that blow us about;
Why should you walk naked at the market place?

Edward Kofi Louis
Naked 2

To dance naked! !
In the eyes of the public;
With the muse of your culture.

Edward Kofi Louis
Naked And Barefooted

Strayed! !
Strayed concerning the truth;
Spreading on lies like gangrene,
And death paid them a visit.

Scarp, scrap!
Go for the truth and go for the gold;
Than being in the dark,
The very sins of the world.

Wing, wind!
naked and barefooted;
Without the truth,
Because, they have strayed away from the truth.

Edward Kofi Louis
Naked And Barefooted  2

The aftermath,
The runningmate,
spoken of;
Make straight the highway! !
Because, there is life in the blood.

Hair,
Face,
Naked and barefooted;
Outstretched necks and wanton eyes!
Seek for the truth and live in peace.

Edward Kofi Louis
Naked And Desolate

Illegal lust,
Being naked and desolate;
And, carried away to Babylon!
With the chains of war,
With the pains of hatred,
With the sins of mankind;
Noted to us all.
To the public!
In the eyes of the public;
To expose her,
To expose him,
To expose us;
With humiliation! !
With illegal lust,
Inquired;
And, to know about it.

Edward Kofi Louis

I want to see your naked body and,
You want to see my naked body too;
So let us come to an agreement and unite as one!
For i can see true love in your eyes,
Because the stream of your love is all over me! !

Edward Kofi Louis
Naked On My Bed

She is sleeping beautifully naked on my bed,
So there is no conspiracy about her!
For fifty horsemen can't take her away from me,
And the north window is wide opened to give here fresh air.

She's all that i have and i am ever ready to defend her,
For the south window is also opened to give her fresh air;
And like the muse of her naked beauty on my bed.

Edward Kofi Louis
Naked Pastor

Naked Pastor!
You were caught without clothes on;
Because you raped a member of your church,
And they found a Bible closer to you.

Breezy and sunny!
Coastal planes and coastal sand beaches;
But you were caught without clothes on!
Because you raped a member of your church,
And they found a Bible closer to you.

Edward Kofi Louis
Nakedness

If you are hungry and have no shelter,
Come and let me feed you and give you shelter;
Because you don't have to sell your nakedness on the streets!

With great retinue,
Obliging!
And, to answer your questions.

With a great humour and honour in your eyes.
Love,
In your own country;
And, with the wedding gift being presented to you.

Edward Kofi Louis
Namika

Namika, aim, in!
Fact,
Act,
Pact,
Impact;
With the works of mankind on earth today.

Edward Kofi Louis
Nana

I am standing between fantasy and reality,
But you are the sincere lover for my sheep;
For i will feed you with my words and,
Quench you with my love.
I have a vision on this love!
But sometimes in our own lives we need a change;
Because we all have pain and sorrow oh my sweet Nana!

Edward Kofi Louis
Nana Ama

Where is the man who disvirgined you?
Did he married you? !
Then be very patience on this love and,
Let me marry you.

You are not a virgin but,
You feel higher than the stars!
But the Bible says we should marry a virgin.

I want to take you in,
I want to love you an dmarry you;
So be very patience on this love.

Please calm down and learn from the truth,
For no one is perfect in this world;
We all do make mistakes but,
We all have to learn from them too.

Nana Ama, you need your past to make you grow for the better;
Nana Ama, your fomer man used you and dumped you;
But i am here to take up to the true maintenance of your love.

Come on my love,
Come on my sweet one;
For today you have a person like me to take care of you.

Edward Kofi Louis
Nana Ama And....

I am a timid sheep and i need someone like you,
And the freedom of my mind is from your love;
Because a promise is a promise and,
No matter how long it takes.
You are Nana Ama and i love you,
But watch and listen to the greetings of the birds around you.

Edward Kofi Louis
Nana Mola!

Flat and broad!
Wide and open;
In the land of your muse,
But, try to extend my greetings to Nana Mola your friend.

Fierce, farce!
Abiola, boil, Bali, Baal, bail, Ali, Ola, oil, Bola, bio;
Listen carefully and pay attention to my muse!
And, read on to satisfy your sweet heart.

Love!
easy to remember;
And, with the muse fo your joy lik,
Poetic wonderment! !

Born at home,
In the kitchen;
I love food!
So, i am at the kitchen today preparing some food for you and i.

Nana Mola!
It is very joyful to share with others;
And like the muse of joy in the land of peace,
But, the love of your heart will lure to cure.

Edward Kofi Louis
Laughter is the best medicine!
So, try to laugh all day long;
And like the muse of my friend called, Nana Tongo!

Laughter brings peace and joy to the muse of your mind;
It, credit!
Laughter is the best medicine.

Food for thought and water for thirst!
Laughter relaxes your muscles with the reflex of your joy;
And, laughter heals your soul.

Laughter is medicine!
Laughter brings in the contacts of the muse of peace;
So, try to laugh all day long.

Edward Kofi Louis
Nana Yaa

You used to be my lady but today,
You are in another man's arms;
And, it is over ten years ago!
Love is not all that roses at times and,
The road of life is not always straight;
But one day, I will meet you at the other side of the river.

Edward Kofi Louis
Nana Yaa Asantewaa

Life!
With your skills and your motivations;
Leading your people at war,
Like the story of the legend Nana Yaa Ashantewaa! !
Of the legend Ashanti Queen of Ghana.

Pram, ram, arm!
Of your footpaths and of your muse;
Recorded in history to teach us all,
For, you were highly principled with thoughts.

Plask, ask!
Oh beautiful Queen of Ghana in time past;
For your glorious beauty of the mind will always lead the Ashanti Kingdom.

Edward Kofi Louis
Nana Yaa, Wisdom Is A Tree Of Life!

Stories are completely true or completely false!
And like the first edition and the last edition;
But we are mixed up with history as we grow up.
Nana Yaa, wisdom is a tree of life!
And the pleasure of life and the joy of it that we shared was,
All about the true-love between you and i! !

Edward Kofi Louis
I am at the entrance of the valley of love,
But whose daughter is this girl?!
I am the entrance of love with a joyful song of flute and tambourines,
But I do love her like myself.
Oh Nancy, love and kindness will lead you everywhere!
And, understanding and patience will always lead you too.
Nancy, you are the only forest on top of this mountain;
And anywhere in the world we will swing on this love forever.
The message of love is what I bring to you and,
Somewhere in this forest is your sweet love hidden;
For your love is like an allotted time to me.
I am at the entrance of your sweet love and,
I will not shoot anyone in this forest;
For this sweet love is all that I have between you and I.

Edward Kofi Louis
Nancy 2

Sister Nancy,
Hear my words and listen to my oratory;
For that which was left for the dog is now being eaten by the cat!

I have waited for so long in life,
In time of trouble and, in times of war;
Learning to understand the muse of the universe.

Edward Kofi Louis
Nandy

The King has a taste for the finer things in life and,
You have the taste on my love;
So come and let us share something so sweet.

Fresh as the palmwine is my love to you,
And i will satisfy you always my sweet one;
For Nandy is your name and,
I have what you want.

Edward Kofi Louis
This world is really coming to an end,
For a woman walks naked on the streets in the name of fashion! !
And like a father and a son who fought over the pregnancy of a 17 year-old girl.
Nanka my friend,
I will like to send your more scripts of my research;
But keep your love and keep the peace around us,
Because my marriage is very important to me!

Edward Kofi Louis
Nano

Nano, on, an, Ann;
Love one another on earth and,
Live in peace!
Without war,
Without hatred,
Without the destruction of the earth,
Because, war is not the answer to peace.

Edward Kofi Louis
Naomi

Slow to speech and slow of tongue,
I am very glad in my heart to meet you;
For your love is as white as the snow.
Naomi, your romance is like the blue sea;
And i will always take you by the tail.

Of silver, of gold and clothing;
You are very lovely and wonderful!
Oh riders of white she-donkeys,
Listen to the words of my poem;
And drink curdled milk and sleep for my lover,
For Naomi is her name on this sweet love-zone.

Edward Kofi Louis
Naomi 2

Naomi, aim, on, Nima, main, in, man;
Love,
She ate and was satisfied.

The muse of love,
She gleaned in the field until evening;
Being blessed bountifully with the works of the truth.

Edward Kofi Louis
Nara

I have seen the leather belt around your waist and i know who you are,
And like the silver which was melted in the midst of the furnance;
For you are Nara in the Land of Beauty and i know your ways!

Edward Kofi Louis
Naresh

Beauty is in your eyes and i do love you,
But many have to go through pain before they are beautified.
Everythin is beautiful around you an di am very much enlightened!
Everything is mollifying around you and i am very glad;
But your love is like the Red Hills of Jamaica! !
And i will find you one day my sweet Naresh.

Of the hard candy and the sweet memories,
Of the soft candy and the romantic nights,
You are so beautiful to me my sweet Naresh;
And beauty behoves the one who has it.

You are so attractive to me,
And your body is an option to my love;
But beauty is not politically correct with others!

You are so beautiful to me,
And like the abstractions of my love towards you;
For i am glad to be beside you always,
For your sweet love is all that makes my world goes round and round!

Edward Kofi Louis
Narina

I will love you night and day,
For you are Narina in the land of many waters!
But sin is the transgression of the laws.

Psalm, palm, balm, calm, qualm;
He or she who practices Righteousness is Righteous!
And I will love you night and day,
For your lovely name is Narina.

Edward Kofi Louis

Edward Kofi Louis
I am a King but my step-brother is a slave,
I am a Queen but my step-sister is a slave,
For the opposit poles are now united in love;
And, i will find a way to solve this problem.

Real and deep,
Into outer space to seek for help;
Slow but sure,
Illuminating the human minds and hearts to find answers;
For my name is Narrey and,
I do have the love that penetrates through the fogs.

There are many slaves around me and,
I will do anything to help them;
For it is like the unfinished agenda and the plan of love.
I will find a way soon,
Because, my step-siblings need help.

Edward Kofi Louis
In the course of my struggle and,
With the mind of my realm;
The land of learning is now from your muse!
My sweet lover;
And, your name is Nartey.

The muse of life,
Living in the land of the simple;
But, the literature of my mind is for you my sweet lover,
And, I have to manoeuvre my status to reach out to you.

In the den of love;
Always learning to upgrade my mind,

Edward Kofi Louis
Naru

So sweet and so enticing is your love to me,
And so lovely and so peacefull is your praise to me;
But please, try to expose your nakedness to me only.

Your love is like the Bui Dam Power,
And your sweet eyes are like that of an eagle;
But you only, i will be with forever.

With the coming of the rain and, with the chain on your leg;
And, with the lessons of such mistakes.

Nascimento, man, men, mean, meant, to, as, on, sea, is, main, ton, mate;
To get back to your feet;
True love!
With personal sacrifices;
True love!
With deeper benefit;
And, with lessons from the episodes of life.
Sight, hindsight!
And, to come out with the truth.

Nascimento, seam, same, saint, stain, cine, sine, sin, ten, net, nets;
With regards!
But, coloured by people's political preferences;
The straight question!
The straight answer,

With the muse of your mind,
In the land of the living.

Nascimento, sat, seat, neat, meat, team, teams, mine, mines, sent, mat;
Solicited!
Quizzed,
Unable to fix the sustainable offence;

Coming out from an unknown source.

And like the sense of maturity in the land of your muse.
I am here to show you the way of love and sincere care,
So lean on me and let me help you with the sweet muse of my mind;

Not to refuse the truth;

Natural Laws,
Natural Solutions,
Life's journey;
Openly with all the colours around me.

Edward Kofi Louis
The flow, 
Thr role, 
The roll, 
Row!

It came out naturally to surprise us; 
Because of your sweet love. 
Your romance, 
The romance, 
Intensively! 
All over me, 
All over you; 
With the flow, 
Which came out automatically.

Edward Kofi Louis
Nature

Life,
With goats and monkeys playing together;
Nature!
With the muse of life;
Putting everything in order,
Under the muse of the laws.

Edward Kofi Louis
Functioning correctly,
With the storms of the night;
With your right mind,
The speed of the flashes!
Much more than the view,
As far as you can.
The might of love is the light of ist joy! !
Bringing in the right of peace;
Under the right acts of the law.
Nature,
The speed of the flashes!
With the storms of the night.;
However, the truth opens the mind when one is ready for righteous works.

Edward Kofi Louis
Nature 2

Nature,
With flowers,
Oceans,
Mountains,
Forests,
Waterfalls,
Ponds,
Rivers and lakes;
Human beings,
To respect the ways of life.

Edward Kofi Louis
Nature 3

I learn,
I share,
I care;
And, to respect nature.

Edward Kofi Louis
To accept it,
The source of power!
Excellent,
The force of nature,
Rock, lock, block, dock!
With the clock of time.

Edward Kofi Louis
Nature 5

The plants need water! So, take care of them;
Nature! !
With the beasts of the fields and the birds of the air;
With mankind on earth to answer the calls of creation,
Able to put things in the right direction with the muse of righteous works! !
The works of the truth than, the negative acts of hatred and war.

Edward Kofi Louis
Nature Dreams

Nature dreams,
Inner circle,
Inner reflection,
Inner peace;
Blissful spring of love.

Edward Kofi Louis
Nature Goes Against Us

Life,
The scientists are always there with it;
Researching,
Coming out with ideas,
But nature goes against them,
The rules of life,
We still have more to learn!
On earth,
About the universe,
About creation,
A long way to go! !

Edward Kofi Louis
Nature Is Awake!

Blossom,
Nature is awake!
And your love is noticed;
With the beauty of your steps,
Very attractive with the fragrance of life.

Edward Kofi Louis
Nature Is Not A Fool!

Natural is not artificial and,
Nature is not a fool!
So, if you destroy nature,
You will surely face the consequences! !
Natural is not artificial and,
Nature is not a fool!
So, do not destroy nature;
Edward, ward, dear, ear, red, era, dad, raw, war!
Learn from the truth and do what is right;
Edward, draw, dew, wed, drew, read, are, dread!
Nature is not artificial and, nature is not a fool.

Edward Kofi Louis
Nature!

Nature!
Beauty,
Life,
Love;
True-love! !
Pleasant to the sight and,
Desirable like food.

Edward Kofi Louis
Nature, Nurture!

Consultations,
Transformations,
Accompanied with the muse of her love;
And, with issues of mutual interest.

Love!
Unlocking bottlenecks along the way;
Nature, nurture!
With the showpiece of love as the key of life.

Edward Kofi Louis
Nature's Acts

Who can stop nature's acts?
Tell me if you know;
And, try to open your eyes to know more about the facts of life.

Nature's acts!
And the rain came with blustery torrents;
For nobody can control nature,
And i heard the preposterous brat.

Tenements, blustery torrents in the lan dof my muse! !
Thundering with flahes of light;
And the rain came in with blustery torrents,
But, who can stop nature's own act?

Edward Kofi Louis
Nature's Damages

The ocean overflows to record nature's damages,
And like the heat of the sun that burns on us;
But, who can stop nature?
All over the globe with tears and cries,
With damage everywhere in the name of catastrophe!
As everywhere is flooded by the great waves,
Bit who can stop nature?
From coast to coast and to the cities,
The weather patterns had really changed!
And the ocean overflows to cause many damages.
Look at Japan and listen to the news,
Nut nobody can stop nature;
And we all have a vision and a mission to fulfill,
But our tears will always flow whenever nature attacks.

Edward Kofi Louis
Nature's Moment

Nature's moment,
Ten thousand of shelves of silver and,
The belt of a warrior is needed for your journey! !
But, my love is for the son of the king in my village.

Life!
Let the joy of my sweet love guide the king's son;
And, take away the pains of war ahead of him,
For, the land needs peace.

Nature's moment,
With the pains of war!
And, the joy of peace when obtained;
But, my love is for the son of the king in my village.

Edward Kofi Louis
Nature's Product

Natural,
Original,
Nature's product,
For us to learn.

Edward Kofi Louis
Nature's Strong Hands

Oh 'Christchurch' of New Zealand! !
Nature's strong hands tolled on you and the whole land was destroyed;
And it now looks like a scene after the war,
But who can control nature's strong hands?

'Christchurch' of New Zealand! !
Of the things destroyed and of those who died after the earthquake;
But equally to all is the muse of life,
So let those who are still alive take up the pieces and see how best to rebuild
them again.

Edward Kofi Louis
Nature's Wet Hands

The flood of Australia,
Of many cars, homes, animals, human beings and other items being washed away!
But, who can dry up nature's wet hands? ! !
Of floating cars and floating houses,
Of floating people and floating animals,
But, who can dry up nature's wet hands?
Of the rescue being taken up but,
Only few are accounted for;
Of Queensland full of many waters,
And of the many properties being destroyed! !
For the flood waters have taken away everything along its way in Queensland.

Edward Kofi Louis
Naughty By Nature!

Violence!
War,
Anger and wickedness;
Naughty by nature!
Lying religions,
Lying preachers,
With many false prophets around us today.
They are deceiving the masses! !
And, iniquity abounds today;
With signs of diseases and,
The deaths of war.

Edward Kofi Louis
Nautical

National,
Clay pots,
Birch trees,
Surf, surface!
Nautical;
Ready at the beach.

Edward Kofi Louis
Awesome games and awesome love,
Nayyar came and took me along;
But the pens of love showered on us!
And like the appearance of the rainbow hidden in the land of your muse.

Feelings,
Love,
Peace;
With plus and minus to meet up your muse in the land of your dreams!
But this analysis is all about your sweet love noted by Nayyar.

A lovely seed,
To heed to the works of the truth.

Edward Kofi Louis
Ndu

Opposed,
Constructions,
Obstructions,
Abolish;
But his song of freedom is for you in Africa! !
And like the Hands of the Almighty.

How long shall they kill our prophets and,
We stand aside and look? ! !
For the acts in the traditional area of my lover is now unthinkable!
But the ongoing project was provided by Ndu my friend.

Edward Kofi Louis
My love for you is like River Offin and,
My past is banished and exiled because of you;
But it is very pathetic when the wind blows you to the past.

Nduom, my love for you will never cease,
For i am the Swedish Lady next door;
And your love to me is like a Diploma in Solo singing.

You are always on my mind like,
The melting ice at both the Artic and the Antarctic circles;
But like each child on a horse,
I will always be there for you.

Edward Kofi Louis

Living in the land,
With the muse of the door bell! !
To press the door bell,
And to wait for your answer.

Butter and cheese,
Clean and healthy;
Craves, raves!
To be separated and to be accepted,
With the muse of your sweet love.

Edward Kofi Louis

Love,  
Such a reward;  

To the point,  
With the muse of your works.  

Edward Kofi Louis
Near Your Bosom

Revile, vile, evil, lie!
Why do you draw back your hands and put your right hand near your bosom?
But the fragrance of your perfume is like a pleasing aroma to my heart;
And like a movie star in the land of your muse.

Edward Kofi Louis
Near, Ear!

Near, ear!
Near to you my love and,

And this story is all that i have for you;
Because the dream of loving you was like,
The neatly hand painted work of your muse.

Edward Kofi Louis

Nebayoth, bay, bet, net, bath, neat, yet, hot, the, heat!
With the muse of life,

With the muse of sweet love and, your imaginations.
To fly up high like the doves!
To sow and reap the works of the truth along the way;
Being able to stand up straight against negative acts.

Edward Kofi Louis
Nebo

Nebo, on, pen, Ben, be, one, bone!
To cross over,
The only river found in the green forest;
With unity and love,
With the peace of your mind! !
Learning to take care of others,
And to respect nature.

Edward Kofi Louis
Nebraska

Nebraska, be, as, bean, bear, bare, near, ear, ark;
Being ready to serve in capacity!
As you were raised like that in the eland of your muse,
For the service of mankind in bringing peace to all.

Nebraska, era, bark, ask, bask, bake, brake, rake, sake;
But, try to enjoy life in peace than with war!
Serving others to understand the ways of nature,
Under the muse of the laws.

Personal issues!
With the muse of life and the muse of love;
Responsibilities!
With the ways of nature and the joy of the hearts;
But, you are now led away with the muse of your political party.

Edward Kofi Louis
Nebuchadnezzar

If my wife is so beautiful,
Leave her to me alone than sleeping with her;
For there are all types of churches on the Mount of Corruption!

The left hand washes the right hand and,
The right hand washes the left hand too;
So let us keep on going in this status of life.

Nebuchadnezzar, you are camping my wife like she is for you;
But i am loved by Yahweh to fight on!
So do leave my wife alone for me.

Edward Kofi Louis

With enough seeds for your lovely garden;
And like the power between the west and the east.

Passion and compassion;
When the right thing is done.

Edward Kofi Louis
Needs And Wants

Needs and wants,
Seeds and plants,
To heed to the truth and,
To work in your garden;
Pulling out unwanted weeds.

Edward Kofi Louis
Needs And Wants

Water and light,
Food and clothing;
To heed to your needs,
But your wants are many.

Buying everything for yourself,
Eating everything that you want;
Because you have the money in your hand!
Not thinking about others around you.

Edward Kofi Louis
I know,
And that is like an ambition;
this assertion,
And like the thunderous applause!
But i am Neena in the land of your muse;
For you were spotted and adored with the muse of love.

Edward Kofi Louis
Neequaye

Of the sorcerers and the magicians of Egypt,
Of the sorcerers and the magicians of the world;
Neequaye, it will be according to your words and works.
You must not show partiality in judgement and,
Turn to Yahweh for wisdom at all times to move on;
For there is no where else to run to.
Neequaye, i am delivered by Yahweh from all harm;
And, you have to learn from His laws too.
Like life in the Arabah and what we see around us,
Like the guidance of peace and love,
Like the ways of man's adventures to gain all things,
For i am here to guide you on;
Because, blood defiles you and the land on which you live.

Edward Kofi Louis
Neglected

Lonely,
Neglected;

Loneliness!
Nobody cares;

But ne sober and,
Never give up on your dreams;

Body, soul and spirit!
Prove all things and, hold fast that which is righteous;

Abstain from every appearance of evil,
Even though, neglected.

Edward Kofi Louis
Neid

A land of drought and the shadow of death,
But you are through the deep of love to satisfy me with your love;
And like a beautiful garden in the land of peace,
For you are Neid in the land of plenty!
But i have to respect my status before i take my steps towards you.

Edward Kofi Louis

As planned by the Creator;
We need peace than war! !
Caring for one another with love.

Edward Kofi Louis
Neighing

A lion from the forest,
Rest, forest!
A wolf from the desert,
Dessert, desert!
To watch over then by putting your eyes on them,
Because, anyone who goes out on their way will be torn into pieces.

Transgressions!
Backsliding,
The ways of mankind;
Like the muse of the lion and the wolf waiting for a prey.
Riff, riffle!
But, anyone who goes out on the way of the lion will be torn into pieces.

Illegal lust!
With each man neighing after his neighbour's wife;
Like well-fed horses in the morning,
However, the wages of sin is death.
Rifle, riffle!
But, anyone who goes out on the way of the wolf will be torn into pieces.

Edward Kofi Louis
Neira

Charge your batteries and be ready for my love,
For the temple of your love is like the message of the peace of Neira.

Edward Kofi Louis
Neither

They neither listened to me and now,
Their lovers are being sold into slavery in a foreign land! !
But i need to sail on to this land to save them,
For, they are my people.

What are they trusting in? ! !
For they have now set riders on the horses to reach out to them;
But, empty words are no longer needed on this issue,
Because, the land mourns and fades away!

Edward Kofi Louis
Nellie

I am like a green Cypress tree and,
From me your fruit of love is found;
So come to me oh Nellie!
And let me lead you on like the land of many rivers.

Edward Kofi Louis
Nelly

You are my lover and,
I am Nelly in the land of peace;
But, do you really care for me?!
For, i heard of your secret call in the bush yesterday.

Edward Kofi Louis
The fetid conditions!
Spread to the farm;
Blights, lights, sights, heights, fights, flights, slights, nights!
And like the muse of your love in the hands of Nelson;
But, six decades ago, you lost your contract with him!
And today, the predecessors are still around us.

Nelson!
Rights, delights, brights, frights, bights, plights, tights;
With another day in the heat!
And, with the muse of love.
Life!
Cavernous;
Lust!
At a sorrowful crossroad.

Valour, velour!
Cavort,
Volume, velum!
Caveat,
Cask, ask!
And like the muse of your love in the hands of Nelson;
But, we need to know the truth from your secret acts with him.

Edward Kofi Louis
Nelson Mandela!

Nelson Mandela!
The father of a nation,
The Rainbow Nation;
Rest in peace,
For, we will never forget you.
Nelson Mandela!
From 1918 to 2013;
As the News of your death was announced on Thursday,
The 5th of December 2013.
The muse of white doves!
For peace and care;
The muse of white candles!
For your death;
But, we will never forget you because,
You've now left us with tears in our eyes.

Edward Kofi Louis
Nembe River

The Nembe River,
The checkpoint of pirates fully armed like people at war!
And, many ships are then shot at;
For, this river in Nigeria is another base of the pirates of West Africa.

Edward Kofi Louis
Nena

This is lika a random poem about the day of my birth,
But i guess i ignored the sign before me!
And Nena came along with her love to show me the way.

Edward Kofi Louis
Those grapes of your love are now being exposed,
But the worship of the dead Saints started in Babylon!
And it is still the Baal Worship,
But i am Neneh who wants to guide you with the truth.

Edward Kofi Louis
Neon

Neon, on, no, one, none!
But, do not urge me to leave you;
I will always follow you! !

Great are your works!
With the peace of your mind;
And, with the upright of the laws beside you.

Edward Kofi Louis

With the implementation of the muse of your love;
The ways of life,
With the muse of your mind in the land of the living.

Of things unseen.

The muse of life!
To feel it,
To feel the taste of it;
The very taste of love,
Life!
Always learning from the truth;
And, living by the laws.

Nest, Ernest!
20: 20 at midnight with your love;
But, let the truth change your heart, your mind and your health.
Think, thick!
With the ways of life,
Moving across the land with the muse of nature.

Edward Kofi Louis
Nestled In Her Palms

Psalms of love,
Songs of joy!
Laps of romance,
Nestled in her palms;
With the arms of the aroma of peace.

Edward Kofi Louis
Neswar

The King is weeping and mourning for his son,
The Queen is weeping and mourning for her daughter,
But i will remember you always Neswar;
Because you’ve touched my heart with your sweet love!

Edward Kofi Louis
Net And Ten

Praise me if you want to,
For the type of 'net' that you need are made up of 'ten' different forms;
And the 'rat' is now like the 'tar' in your room.

'Repel' the 'leper' and you will 'loot' with a 'tool'!
For the 'mug' and the 'gum' are now closer to you;
And like the 'draw' of the 'Ward' which is about to be repaired.

Take a 'step' towards my 'pets' and let me teach you,
For the knowledge of this era is like a 'mad' person watching the 'dam'!
But the type of 'net' that you need are made up of 'ten' different forms.

Edward Kofi Louis
Nets

Change the nets every six months and,
Try to live with the fresh air around you;
For life is full of love and care but,
What do you make out of it?

Edward Kofi Louis
Activities,
Programme,
Dubbed,
Turmoil;
But in the Holy Land with the words of peace,
For it is only a fool who leans upon his or her own folly!

Embrace,
Explained,
Fore most,
Stressed!
And like a merchant ship on your shore of love;
But i am Nettey in land opf your muse with peace and love.

Edward Kofi Louis
Nettey II

Arbitration!
Refusing to act with certain actors today;
But, i have my sweet mind on you! !
And, that thing will make you bear greater responsibilities on me.

Life!
A point albeit a minor one;
And like a consel for the plaintiff!
But, you need me and i need you,
And like the muse of your love in the land of peace.

Facilities! !
Instigation;
Disciplinary,
To colour your life and to apologuise for what you did to me!
But, you are Nettey and, an Inspector of a court;
So, use your head on this matter and, be very responsible enough towards me.

Edward Kofi Louis
Nettleford

Sugar-sugar and honey-honey,
You are my sweet lover and i will always like you to stay with me;
So let us find each other tonight at the Long Island,
For i am Nettleford and i want to tap your sweet honey.

Edward Kofi Louis
Nettles And Brambles

A court for owls and,
Of nettles and brambles!
The Stayr will cry to his fellow;
But like the screech owl,
For the jackals and he vultures will never know my name.
Under the shadow of love i came to find you,
And like a veiled woman with the words of love;
So follow the steps of the sheep and pasture your goats beside the shepherd's tent.

For the right path of life is needed always!
And like the joy of peace in the sweet land of love.

A true friend will always be honest with you,
So respect what belongs to others as well;
And be accountable and answerable for your actions.

Edward Kofi Louis
Never Give Up

Never give up,
Never give up!
For the heat belongs to the noise and,
The cold belongs to silence;
But we are all made of love and hatred in this world.
Wine and tea,
Seven miles ahead of you to swing the muse;
Molasses and banana,
Seven years away from you without your love;
Information is very important to us all in this world.
So many years,
So many dreams,
So many acts,
So many attempts,
So many tears;
But never give up!

I will never turn away from you my love;
Even though, you treated my like a vessel which has no pleasure! !
And like a man who is taken over by wine;
But, can a bride forget her attire?
Your act is like horses which are swifter than the eagles! !
But, i will never turn away from you my love;
Because, i do love you deep down in my heart.

Edward Kofi Louis
Nevertheless

Released from hell! !
Beauty is now the name of your muse;

Think about it before it is too late in the land of your muse!
Because, it will be controlled only by the Sabbaths of Yahweh.

Edward Kofi Louis
New Talents

Tracing my past,
Looking for my identity;
Walking into my mind,
Learning from others,
Living through life,
Writing for others
With my hopes and my dreams!
But, others want to see me in person.

This is my muse and this is my home,
Others want to understand my mind;
But, this world is like that at times!
With me walking into my mind to set the pace,
But, this race is not yet over.

Heading towards you,
With my mind as the keyboard for you to type your words;
But, my identity is what the people are asking for! !
However, i am who i am in a land on the West Coast of Africa.

Wars! ! Why are they killing each other?
Who created us?
Then, you can answer yourselves on this simple matter;
Because, we need peace everywhere on this earth than war!

This is my muse of love,
With words from my mind to lead you on;
This is my muse of care,
With words from my inner self to educate you;
However, new talents are born everyday into this world.

Edward Kofi Louis
New To Me

Everyday is new to me and,
I feel my heart being touched when i see you smile;
Everyday is something new and,
I am glad to have you around;
For the first time that i saw you,
I knew that you were the one for me.

Edward Kofi Louis
New Yorker! !

Regularly with the muse of love to respect your Sate;
But, why is the container outside full of waste?
In your land,
With your works,
However, you are what you eat on this earth.
New Yorker! !
With the muse of the world watching you;
But, you have more to share with us,
As one comes across the land.
Lap, lapse!
Like a tracking system;
But, with intensive care!
With the muse of your State.

Edward Kofi Louis
New Zealand

Needful things in your land,
Enjoyed with the echoes of life!
Whatever it takes, i will still be knocking at your door.

Zeals of peace and love,
Enabled with righteous laws! !
According to servitude and attitude,
Lifting up the truth,
Able to share with others,
Noted with your works;
Down the lane of the beautiful river.

Edward Kofi Louis
New, News!

New, News!
The News,
From the Press;
With the dress and of the stress!
But, the Mistress came in with the truth.

Edward Kofi Louis
The newness of life,  
The newness of love,  
The newness of peace,  
The newness of care,  
And like the free gift of your muse to me;  
But, the Law is spiritual to us all.

Wretched,  
An adulteress;  
For, those who live according to the flesh set their minds on the things of the flesh!

The earnest expectation,  
Consider your ways and your acts;  
For those who are os the flesh cannot please Yahweh!  

Edward Kofi Louis
News

News, new, sew;
Maybe i am dreaming once again!
But, you can't hide your sweet love very far away from me.

I know who did it,
But, i am waiting for my turn to speak;
i know the person who did it!
But, i am waiting for my turn to speak;
And like Rydell your love who brought in the news,
But, i am Jacoba in the land of many waters.

Edward Kofi Louis
News Around The World

A dead body stands before a trial! !
Like the last days of 'Pol Pot';

A corpse goes to the altar for marriage!
Of the stories being heard on earth;

Disturbed by the smell of the ocean floor,
Because of dead bodies;

News around the world!
But, when will mankind learn from the works of the truth?

Edward Kofi Louis
Newtown High School

Living in Newtown,
Newtown High School;
And, many children were shot dead!
Of children, 6-7 years old;
For, a 20-year-old man killed 20 children!
But, what is the motive behind this act?

Edward Kofi Louis
Next Step

Slow but sure!
And i am not afraid of anything;
But all along with the raid on my life by my enemies.
I have to be very careful for my next step out,
And i have go slowly to outwit them;
For all around me are my enemies!

Edward Kofi Louis

Maybe it is my lover's;
For i missed the train and,
I have to be at the next stop.

Edward Kofi Louis
Next To You

The physical bloodline,
Let me live next to you with my sweet love;
For hatred and jealousy destroys love and peace.

And i saw the light from the lighthouse!
So let me live next to you with my sweet love.

Edward Kofi Louis

For true love is all about us;
And i will do my best to let you in on this love.

Edward Kofi Louis
Nice And Easy  Ii

Use the cream on your body and,
It will be very nice and easy on you;
For you want me to obey your underlings but,
You are not ready to listen to my words.

Nice and easy!
My heart is merry because of the red wine;
But, wash and anoint yourself and change your clothes my love,
For the cedars of Lebanon and the mangoes of Ghana are now presented to you.

Edward Kofi Louis
Nice And Lovely

The first time i met you,
You were totally malnourished!
But i took care of you and now,
You are very nice and lovely.
I have now seen what money can do,
For you are now attractive and very beautiful.
The lack of money can deprive your beauty,
And life is also about how we do care about others;
But the peace of the mind is like,
Life by the seashore of love.

Edward Kofi Louis

Nicely Polished

You don't understand 'she' who is called your wife,
And she doesn't understand 'he' who is called her husband;
But nicely painted and nicely polished is the muse of love! !
However, you don't want to be wet again like yesterday in the rain.

Edward Kofi Louis

My name is Nicholas and, i an finding my way home;
Ladder, stepladder!
Trying to reach to the top with the positive state of my mind;
Pump, dump!
But, the story of my life is now dumped in the land of your muse.

Factory, story!
You have me in your hands today;
Stall, all!
Telling the People of my Story;
And like blocks of flats in the land of my muse.

Edward Kofi Louis

Striving to be famous and learning how to be straight always;
But, humanised by the military forces around me today!
However, this struggle started in 1983,
And, I am called Nicolson.

With starvation and hunger to respect my muse;

Oh, how can I be with you my love?
For you are gone in the thin air without a trace.

Edward Kofi Louis
Nicole My Love

Words for taught and food for thought,
But will you ever come back my lover?
For honesty is the crown store of life and,
I will look around for you.

Life is like a bicycle kick!
And popping out at times like the pop-corn;
But knowledge without wisdom is like,
A plane field in the forest.

I am living for you and i will come looking for you,
Because i need you back Nicole;
And the smell of your aroma is all around me.

Nicole my love,
I do remember you when the rain falls;
For you are my better half without a clue.

Why death?
Nightly review;
On the work,
On my past,
In a cold and dry place.

Why birth?
Why death?
Nightly review;
On my vision,
On this journey,
In a hot and wet place.

Of this world!
Of my mind;
Why has time eaten me up?
And, why has time deplayed my success?

Edward Kofi Louis
Nightmare

The hellish nightmare with a bullish act!
With an explosive device to kill the cat;
But your surprised visit today is like,
An imported bat with the care of your muse.

Nightmare! !
You are like the thick forests in my country,
Where evil spirits play at night;
But now, you are disturbing my sleep.

Edward Kofi Louis
Nightmare!

Think about others and,
Let us bring peace to the earth;

I am here because of your sweet love,
And i came to see you this morning.

Place of darkness;

But, let us overcome the works of the Devil,
Living under the umbrella of the Creator Almighty.

Knowing where to go with your works.

You always have to start from somewhere when,
You want to reach to the top;
Obeying the rules of life and,
Living in peace with your neighbours.

Edward Kofi Louis
Nine Wives

This man's nine wives help to keep each other straight,
And like getting away on a vacation with you;
But many prefer only one wife on the surface and then,
Use other women secretly without commitment.

Edward Kofi Louis
Nineveh

The men and women of Nineveh are looking for me,
Because i have the muse of love that touches them;
But Yot and Yatbach will lead them through,
And like the rainbow up high in the sky.

Among my own people i do gave a home,
And like Bah and Yotdah who came last night;
But like a young man on his own donkey,
It is for my welfare to take care of you.

Edward Kofi Louis
Nipples, Apples!

Moodiness,

Led-out,
In a horizontal way;
Mould, could!
Ina parallel way.
Shown, own!
Bard, ward, forward, afterward, steward, hard, backward;
Breath, breathe!
To the top of the head.

Trapeziod,
From right to left;
over the neck,
Clear, ear!
Over the thinning area.
Health, wealth!

But, carefully massage it with the muse of your sweet love.
Edward Kofi Louis

I will do anything for you my sweet one;
So don't leave me this way.

Nithya, i cannot swim alone across this river of love;
So i do need you more on my side.

I have seen your nakedness and i love you,
I have kissed your lips and i love you,
So come and be my lover forever.

Edward Kofi Louis
Do have my sympathy my love,
For the death of your father had touched my heart;
And today i am very sad.

Hello Jennifer,
I am Nivel your neighbour and i have this poem for you;
Because the story of your father's death had really touched my heart,
But be very strong and move on in life.

Edward Kofi Louis
Nizza

Nizza, an, in!
Terror,
Terrorist,
With a truck;
Killing others,
Driving through them.
Why?!
Terror and destruction;
Why?!
Terror in Nizza,
In France;
Driving through the crowd.

Edward Kofi Louis
Nkawie

Nkawie, kin, in;
Noted with love!
Works of life,
Words of peace,
Joy with your heart! !
Muse,
Use,
Fuse,
With the romance of nature.

Edward Kofi Louis
Nkwocha

His love is always around you but,
Try to think deeper to understand his ways;
For flies are easier caught with honey than vinegar.

Somebody is raped in a church and,
The congregation claim to worship their God!
For they've covered up the case and told this girl not to talk,
But Nkwocha is around to feed us back with more news from this church.

To bath in the lake of love and to be nailed to the stake!
But this story is now noted by the villagers around;
Because something isn't right over here! !

Edward Kofi Louis
No Alternative

The elevation,
Test, protest!
The angle,
Golf, gulf!
The depression,
Golf, wolf!
The degrees,
With no alternative for the truth;
And, there is no alternative for the best.
Knife, wife, life!
Graded;
Braid, raid, aid!
Foretasted;
Olive, Oliver!
With the muse of your love.

Edward Kofi Louis
No Black Pope

Milk man!
No Black Pope;
Soft curves of love,
No Black Pope;
Pretty woman!
No Black Pope;
Black, lack!
Growing up,
And, with the lot in Rome.

Black, back!
Unperturbed;
With the black smoke,
For, the black smoke poured our of the chimney.

Perturbed! 
With the white smoke;
Muse, act!
And, the white smoke poured out of the chimney.
Knowledge and zeal! !
Like gardens above the sea;
But, no Black Pope was elected.

Edward Kofi Louis
No Country For The Old Man

No country for the old man,
No power for the old house,
No water for the old line,
No rivers for the old town,
No flowers for the old man,
Not lovers for the old man,
No forest for the old land,
No Island for the old man,
Np peace for the old man,
And no identity for the old man!
Because no one cares for him,
And he is always alone.

Edward Kofi Louis
No Direction

Bad boys!

Bad girls,

Children with no direction;

We have to help them! !

With the muse of righteous morals.

Edward Kofi Louis
No Faith

I have married you but,
Yo have no wisdom at all!
And i will take care of you because,
You lack directions.
You don't even hope for anything in this life,
Because you have no faith at all;
But prepare your love for me and,
Let me lead you on always to the promise land.

Edward Kofi Louis
No Fault

Hold, told, bold, gold, cold, fold, sold;
They made a fire of coals for it was cold!
Coal, foal, goal;
I've found no fault in you!
But put your sword back in its own sheath.

Edward Kofi Louis
No Future In Yesterday

There's somebody next door waiting for you,
But do put your money where your mouth is;
And i promised to marry you.

40 years of the sins of the Gods and the Goddesses,
For Satan is now married to the Gods!
But i will find a way to meet you my love.

Life is like a funny tale,
And you've hidden your sweet love from me;
But there's no future in yesterday,
Because there's somebody next door waiting for you.

I am like the Planet of Seeds,
So try to open up your door when i do knock;
For there's no future in yesterday!

Edward Kofi Louis
No Joy

Life,
There is no joy in this room!
Because of hatred;
Life,
There is no joy in your room!
Because of hatred;
Love,
There is no joy on the earth today!
Because of hatred and war;
Even the very ones with the guns are afraid that,
Someone will kill them one day.

Edward Kofi Louis
No Laws

Illegal lust,
To strip the city off from the truth;
With no laws,
And no rule,
As the people turn to do things in their own ways.

Edward Kofi Louis
No Limits

Life,
With no limits;
The muse of creation,
Beyond the scope of mankind.
No limits!
The galaxies,
The universe,
Mankind! 
We are still Learning.

Edward Kofi Louis
No Longer At Ease

It is time for me today to eat my 'Omu-Tuo';
But, the wind came blowing across my face! !
And, i am no longer at ease.

Romance and love,
All tangled up with fresh ideas!
But, the lust of the flesh is all that is seen around;
However, i am now walking along the narrow path with hope.

Twenty from twenty-nine and,
Sixteen from thirty-six! !
With things falling apart for me to think about the future;
So, do mind about what you eat and what you wear.

Edward Kofi Louis
No Love At All

Your wapons of violence is like the turbulence of water,
But curse is your anger when you have no love at all.
Yo are like a lion's cub and,
To hamstrung an ox is your way of life;
But give tribute to whom tribute belongs to.
You crouch and do lie down but,
Who dares to rouse you? !
But like the Salt Sea,
You need love than war!

Edward Kofi Louis
No Love Under This Roof

The muse of each roof leads to another,
With the minds of the wicked ready to kill!
There is no love under this roof;
It is only based on hatred,
Which leads to war!
There is no love under this roof,
The roof of selfishness;
there is no love under this roof,
The roof of war! !

Edward Kofi Louis
No Matter How Long It Takes

True love will always touch your heart!
True love will always find a way to meet you;
No matter how long it takes.

Edward Kofi Louis
No Matter Where

Dead,
Be dead no matter where;
For i am as smooth as the skin of the snake.

The red chip,
The yellow chip,
The blue chip,
The green chip;
Facing the ways of life.

Lifestyle,
With sincere love;
Moving here and there!
With my mind,
With my words,
With my works.

Edward Kofi Louis
No Mercy

No money and no mercy!
But the lady of the kingdom sits in darkness;
For she's now afflicted.

Edward Kofi Louis
No Money

No money,
No relatives,
All because of the war in Syria! !
Living alone,
Underground,
Hiding from the bullets of war.
Bombs! ! !
Terrorism,
Sad News came home the same day;
Destroying your house and killing your Relatives.
Suicide bombers!
From time to time;
In Syria,
Hiding! !
Underground,
Trying to be as strong as an ox,
But, with no hope at all.

Edward Kofi Louis
No More Picture

Empty space,
No more picture,
The pains of life!
With the troubles i do face around;
Trying to protect myself from the world.

Edward Kofi Louis
No One

No one can look directly at the Sun!
As bright as it is when,
The wind has passed;
And, the skies are clear.

Edward Kofi Louis
No One Curses

Who Yahweh blesses,
No one curses;
Yes, that is the truth of Father Yahweh!
But the truth is always beside us.

Edward Kofi Louis
No One Is Above Mistake

No one is above mistake!
So, let's learn from the works of the truth and,
Correct ourselves on earth;
Able to live in peace with each other.
No one is above mistake!
Putting things right will always bring us peace;
Than hatred and war!

Edward Kofi Louis
No One Knows

The time of the ages,
And the time of the end;
Nature! !
No one knows the way home;
But, the wickedness of mankind is,
Bringing an end to the earth.
What you are today is what you started long time ago!
So, i know your ways in this land;
Telling the people what they want to hear with your tricks.
The muse of life!
Think twice and, do not hate your mother who gave birth to you;
For, no one knows tomorrow.

Edward Kofi Louis
No One Opens

Tough times,
Rough years!
Everywhere doors are locked before me;
Knocking,
But no one opens;
Having my faith! !
With the hope of seeing the other side of life,
Where the truth is accepted.

Edward Kofi Louis
No One To Comfort You

Affliction and misery,
With no one to comfort you and, to help you;
Captivity! !
Hard labour;
Look and see the wickedness of war!
And the results it brings.

Edward Kofi Louis
No Opportunities

Where is the truth?!
If nature could leave you like this;
With all your efforts in life!
But, with no opportunities at all.

Edward Kofi Louis
My little sister is talking to me like an Army Commander!
But she has no pants on and i don't know why;
And i am exemplified by nature's care.
It is not easy when you are left alone without car,
So seek to know the truth always;
For she is naked before me and giving me commands,
But i have to let her wear her pants.

It is better to die a Bachelor than to fall into the traps of love,
For there is always a prey to where the eagle flies to;
And i am the easy access in her hand today.
DO grow with time and do learn a lot,
For i have no roses to share with the thief!
But i will try to pick you with my bicycle because,
My sisiter needs to put her pants on

Somebody needs to talk to her because,
She can't stop the rain from falling;
But she has no pants on and i don't know why.

Edward Kofi Louis
No Pills

Announce,
Pronounce,
Ounce;
Chills and thrills!
Wills and Bills,
With no pills at all.

Edward Kofi Louis
No Racism

If you love me,
Let it come from your heart and, let it show on your face;
No racism!!

Edward Kofi Louis
No Racism 2

Faces of the world,
Made by the Creator Almighty!
With love;
No racism! !
So, we need to respect everyone.

Edward Kofi Louis
No Respect Of Persons

I am talking to you as you are reading my lines,
For, you are now without a defence;
And, Yahweh's Kindness is meant to lead you to repentance.
Your reward is according to your works,
My reward is according to my works,
Our rewards are according to our works;
But, on one hand, being persistence in doing righteous!
For, there is no respect of persons with Yahweh.

Edward Kofi Louis
No Return

Death!
To the way of No return;
Broken heart,
Broken spirit,
Death!
To the road of no return.

Edward Kofi Louis
No Taste At All

Soft! ! !
Full of water;
With no taste at all.

Edward Kofi Louis
No Tears To See

Oh, Ethel!
Why have you done this to me?
I am crying deeply inside me so,
There are no tears to see on my face;
For your sweet love of romance had gone too soon.

There are miracles in every situation in life,
And i will keep on keeping on with my dreams;
And i will live on to respect the future.

Edward Kofi Louis
No Truth In Your Mouth

Restless,
Early aggravated!
You cannot be depended upon because,
You have no truth in your mouth.

Don't accentuate the negative!
But live and let us live in this life;
And being on time like a compassionate person in life is like,
The farmer's hoes and cutlasses in times of need!

Edward Kofi Louis
No Water Can Put Out This Fire!

What i know is not what you are teaching me!
For, you think that, i am very ignorant about this life;
But, this is like, you do not care about me! 
Because, your education does not educate me;
And, no water can put out this fire!

Edward Kofi Louis
No Where Else

What can you say when, no one understands you?
Here and there,
No where else to turn.

Edward Kofi Louis
No Windows

Cell,
Spell,
Tell;
No Windows!

Edward Kofi Louis
No Words Needed

True love! !
No words needed;
Seen with the very eyes.

Edward Kofi Louis
No.1

Take me in,
Take me as I am;
Accept me in,
Into your abode.
You are my No.1!
All in the name of true love;
Uplift me with the truth,
Sunshine love!
With righteous morals.

Edward Kofi Louis
No.16 (9th.08.2011)

No.16 came on the chart,
And like my own image to the windows of the world!
But with a sweet inner and a soft outer to make me who i am today,
And to pay the bills of love to me was like the muse of my poetry.

Coincidentally,
Exposed with the words of my mind!
But thousands of Poems and Poets have really shaped this world with their respective minds,
And like the joy of my muse in the land of beautiful women.

No.16 (9th.08.2011),
Yarrow, arrow, marrow, barrow, harrow, Jarrow, narrow;
I knew that it was there by the looks in your eyes! !
And like an expanse of dazzling crystal,
But my position was lifted up so high to 'No.16'.

Edward Kofi Louis
Noah

Music, dance, dialogue and contemporary legacies;
Of the authentic African theatre with the blues of love,
Come to me my lover and let me take you home.

Come to me like 'Abibigromma' and the 'Oguaa Fetu Afahye',
For my love to you is like a fair-coloured middle-aged lady.
Come to me my love,
For you are the Chief Executive on my love;
And i will lead you on with my African beauty.

Edward Kofi Louis
Nobert

Your love was like a coriander seed and,
Its colour was white all over!
I've been calling all day for you and your phone rings but,
No one picks it up.

'Air Force One',
And of my lover in the air at times;
But try to pick up your at times and,
Try to pick out only the clean food and eat.

Go round thw world and pick out the best people to work with,
And like an incredible love with an incredible sex!
For your mother doesn't want to see my face again.

I am Nobert and,
I have hurt your mother but once;
But she has also forgotten what she did to me some years ago.

I put it in and nothing occured so,
I put it out for further studies;
I put it in and nothing occured so,
I put it out to save my name;
I put it there but there was no reaction so,
I took it away into a safer place in the name of love;
But the Creator made you to live until this date to know me.

Your race is full of hatred and,
That is why i have to keep myself at this corner;
Yes, all these years to save my name!
But, why has she kept this secret from you?

Yes, of the stories told to you from your birth;
And she made me fall in love with her,
But the windows up high in the heavens saw us.

Nobility

Mobility,
Ability,
Nobility,
Doing the right thing,
With the muse of the truth;
Under the umbrella of righteous laws.

Edward Kofi Louis
Noble

Chief,
Man,
Noble;
Sense of uniting,
Sense of duty,
A joint of hand.

To greet,
Great!!
Reward,
Reserved with love.

Relations!
To attach oneself to the truth;
In touch!
Properly,
To learn;
To teach!
Victory with the truth.

Edward Kofi Louis
Noble And Patient

If you are not handsome or beautiful at twenty,
Strong and peaceful at thirty,
Wise and humble at forty,
Rich and careful at fifty,
Noble and patient at sixty,
Open and silent at seventy,
Then you have more questions than answers in life.

Edward Kofi Louis
Nobody Can Erase The Past

The memories of the past!
The history of my land,
The love of your muse;
And like lions in the land of peace,
But, be very brave along this narrow path.

Joy,
Peace,
Care;
And like the things we do for love!
However, nobody can erase the past.

Edward Kofi Louis
Nobody Knows

She's so fresh and so exciting to me!
But, nobody knows the pains that i have been through in life;
He's so fresh and so exciting to you!
But, nobody knows the troubles that you have been through in this life;
Chain, pain, rain, stain, train, lain, train, brain, drain, Cain, grain!
Nobody knows the troubles that i have seen in this life.

Water! !
Flowing through the channel;
Water! !
Flowing through the tunnel;
Water! !
Flowing through the canal;
But, it must be clean!
If not, the stain of the particles and the residues will be seen along the line.

Inherited antigenic!
Nobody knows the troubles that i have seen in life;
Blood groups A, B, O and AB! !
To find out my invisible friend out there;
But, nobody knows the pain that i have been through in this life.

Of a cup of tea with ginger, pepper, honey and molasses!
And, of the incident;
Boston, son, so, soon, on, boot, boots, soot, no! !
Of the story,
In loving memory;
But, nobody knows the troubles that you have been through in this life.

Edward Kofi Louis
Nobody Wants The Night

War! !
Wickedness,
Bombs! ! !
Falling on us in the night;
And now, nobody wants the night,
Because, more are killed in the dark than ever.

Edward Kofi Louis
Nocturnal

Nocturnal,
Night shift;
Active! !
Serving in the night with your acts;
With the muse of the animals at night.

Edward Kofi Louis
Nomination

Nomination, nation, on, no, in, ion, at, tan, not, aim, main;
And like the ladies and the gentlemen around you!
But be very observant and watch yourself in this life.

Nomination, man, ant, mot, mat, mint, to, moon, noom, ton;
And like the acts of love on you my sweet one!
But be very observant and watch yourself in this life.

Edward Kofi Louis
Nominations

Across the board,
Fundamental;
Workplaces,
Basic,
Guarantees,
Freedom!
Nominations,
With categories.

Local dialet,
To feel like one of them;
To be received,
To deserve a position,
Gaining attention!
Born out of an idea;
With excitement! !
Across the globe.

Edward Kofi Louis
Non-Caring Attitudes

Non-caring attitudes,
Seen by you people;
But, many suffer around you today! !
And, when are you people going to learn?

Edward Kofi Louis
None Of The Wicked Will Understand

Illegal lust!
None of the wicked will understand the knowledge of the truth;
Out, outbreak!
But, try to learn to live by the rules of life.

Grope, rope!
With the ways of mankind on earth;
But, without all the answers to the sicknesses around us today,
For, we have failed to follow after the laid down laws.

Illegal lust!
With the wicked to cause pain to others;
However, hatred and war are not the answers to peace,
So, let us wake up and learn from the truth only.

Edward Kofi Louis
None Of Them

Through the hill country,
Through the valley of love,
Where, young women were drawing some water;
But, the loaves of bread on your table means a lot to me.

The home of the seer,
The home of the poet,
The home of the artist,
And like Shaul the son of Kish!
But, the loaves bread on your table means a lot to me.

A nose longer,
A head taller,
A mouth smaller,
And, to the place of love;
With seven days of care.

To the high places,
With food in our sacks;
Servants,
Slaves,
From Dan to Beersheba! !
But, who is she?

Three days of love,
A journey to America;
But, she turned into another woman!
However, wriring my poems like a pastor's note is what i presented.

Who is he?
The great tree of peace;
And like three days ago with your love,
But, a journey to Africa is what you need.

He turned into another man!
And like the customs of the mummers and wild men;
But, on Rachel's tomb i will rest my mind.

A journey to Asia,
A journey to Australia,
A journey to Europe;
And to stimulate the deities!
Ashod, Gaza, Ashkelon, Gath and Ekron;
But the goddess of the dawn came around!
However, none of the Apostles celebrated Easter.

What is my mind?
What is in my heart?
What is on your table?
What is in your soup?
What is in your mouth?
But, on Rachel's tomb I will rest my mind;
For, none of them could satisfy my muse.

Edward Kofi Louis
None Of Us Can Stop The Time

Five days of work and seven days of peace!
But, none of us can stop the time;
So, emancipate yourself from this mental slavery around you.

Wisdom is like a tree planted by the rivers of waters which,
Brings forth fruits of true love to satisfy all;
So, don't let them fool you when, they want to school you.

Free yourself from the mental slavery around you!
And, feed your mind always with the truth;
Then, you can sing the freedom song always! !
For, the Babylonian System is everywhere.

It is only the fool who always leans on his or her own misunderstanding!
but, my love is ll that i have to share with you;
because, none of us can stop the time.

Blood is thicker than water!
And, the fire will always burn you when, you are not ready to learn;
So, you better watch out your steps in this life;
For, none of us can stop the time.

Edward Kofi Louis
Noon

From morning until noon,
With your love so sweet and so lovely;
But, we need forgiveness after our sins,
With the muse of repentance in the City of the Laws.

Edward Kofi Louis
Noora

Noora, oar, or, on!
Sitting on the mountain;
Enjoying the view of the land,
With the thoughts of your lover,
True, construe!
But, love can drive you crazy at times.

Edward Kofi Louis
Nora

The beautiful little black lamb and,
The pretty little white lamb went to school;
And wisdom and knowledge were their best friends,
And by their fruits you shall know them.

Nora is my friend but,
When you are half-way up means you are half-way down!
For the eye is the light of the body.

I am the pilot in the sky and,
Politeness is the act of choosing among your thoughts;
And you will know them by their fruits.

Edward Kofi Louis
Norah

Honesty is the best policy in life and,
My love to you is like a flying helicopter.
Norah, you are so sweet and lovely;
And like a memorandum of understanding to me so high!
But, the winter comes and i will be in your lovely arms again.

Edward Kofi Louis
Norah, Noah!

Norah, Noah!
With the coming of the just;
Because, the truth is what we need.

Love!
With the voice of peace;
Doing what is right,
Without hurting anyone.

Muse!
Teaching the ways of the truth;
With positive morals and,
Righteous Laws.

Edward Kofi Louis
Norah, Noah, Manoah!

Norah, Noah, Manoah!
Floating around with my imagination;
Seeing to the ways of life around me,
Able to make better choices,
Flowing with positive morals,
Sharing and caring for the needy;
All in the name of love.

Edward Kofi Louis
Norgah

Greenland Hotel,
72 sheep and 36 cartons of schnapps!
Practicing,
Commanded,
Wanted,
Highlighted,
To conduct yourself;
Attitude,
Meeting,
Grieved,
To conduct herself;
Agreed,
Speaks,
Perfectly,
To conduct himself;
Angered,
Known,
Reined,
To conduct myself;
Determination,
Communication,
Suddenly;
And like your friend Norgah on the telephone line,
But, i am always what i am.

Edward Kofi Louis
Norman

Your love is like the messenger and the priests of Yahweh,
But try to bring the message of Yahweh to me always;
For you are Norman from the woods of love and,
I will be ready to hear the words of love from you always.

Edward Kofi Louis
Norse

Norse, or, nose, so, rose, on, ore, reo, roe, no, son, sore!
The saga of life,
On stage with your sage,
With the muse of your age to tell your story;
Sagacious with the evil acts from the hands of the terror.

Edward Kofi Louis
North Beach

Preach, reach!
To teach the truth;
Each step with righteous morals,
Even at the beach,
North Beach! !
With the muse of the land.

The wonders of Norway!
Age should speak and,
Many years ought to teach wisdom;
Look to the heavens and see,
The clouds are higher than you.
Of the deep sleep that fell unto man while,
He slumbered on his bed;
Oh Norway! Beautiful as you are,
I need to visit you again.

The wonders of Norway,
My days passed swifter than a courrier;
The wonders of Norway,
A momentary perception of joy;
The wonders of Norway,
Out of the handsome came beautiful;
My ears have heard of you and,
My eyes have seen you too;
I need to visit you again.

Can you pull Babylon with a fish hook?
Bring forth the blind who have eyes;
Can you walk on your head?
Bring forth the deaf who have ears;
Visit and know the wonders of Norway,
It will always be with you.

Edward Kofi Louis
Nose, Noose!

Webbing,
Nose, noose!
A trap;
To kill someone! !
Because of hatred.

Edward Kofi Louis
Nose, Hose!

Ounce, announce, denouce, pronouce, pounce!
In the country;
With my works,
Seeking for peace than war.
Cover!
To cover it;
Of the discovery,
Nose, hose!
Ripping through life;
Gene, genuine!
With the psotive words from my works to enhance the status of my people.

Edward Kofi Louis
Nose, Knows!

Nose, knows!
At first i thought;
Of you,
Of your sweet love,
In all sense! !
To love and to live;
With love words and love letters,
To touch your heart so pure!
Simple and precise.
Love,
Lost in the sea of time! !
Chasing after your beauty,
But, you left me lonely.

Edward Kofi Louis
Nose, Noose!

The smell,
The smell of death!
Coiled around us because of terrorism;
Nose, noose!
With horror and terror,
To break one's mirror in the land;
Leading to death.

Edward Kofi Louis
Nostalgia Relatives

Your nostalgia relatives living with you are full of stress!
But i am taking a rest to rest my head on this issue;
For the fabric of my literature is with love,
And like the peace of a land far away.

Edward Kofi Louis
Nostrils

Nostrils, withheld,
Harvest,
To drink water;
Like the cows of this village.

Edward Kofi Louis
Religious belief is not a supermarket,
But I am in love with your muse like Nat king Cole!
So be the first to paddle and the first to formulate,
For your love is very dear to my heart.

To be straight is better than visiting the graves early,
And with nimble hopes to shine during the day;
But who mooted this idea of your love to me?

The meat of the lion,
The meat of the ostrich,
The meat of the crocodile,
The meat of the snake,
With a visa acquired in the Land of Religion!
But the synthesis of my love to you is like,
The eschatological synthesis of your muse so calm at times!

Edward Kofi Louis
Not Accepted

Not accepted by you!
Not ready for my words;
Living in another world,
Trying to push me outside.

Edward Kofi Louis
Not All

Life!
Mankind is born and,
He or she grows to face the world;
But, there are laws to everything on this earth.
Love!
Mankind is born and,
He or she grows to face the world;
And, there comes a time for mankind to marry!
But, not all will marry on this earth.

Edward Kofi Louis
Not Alone

I am not alone and you are not alone,
And we do need each other on this love!
But like the sweet songs of the birds on the trees,
We have to take things as they are step by step.

Edward Kofi Louis
Not Always Red

This is the only thing that i can offer you;
So take it of you want it!
But, leave it if you don't want it.
The roses of love are not always red! !
So, this is the only thing that i can offer you;
Knowing my conditions as at now.

Edward Kofi Louis
Not Easy To Overcome

There are huge potentials of the markets waiting for you over there,
So, why can't you take advantage of it to express yourself?
For there are no finger prints in this world which are the same;
But, the masters are not easy to overcome.

Show up to the course and be very objective and realistic to your muse,
And bring out a constructive commitment towards your goals!
For, writing is like a skill which has an artistic roll to play always;
But, the masters are not easy to overcome.

Aim at the potential markets around you and try to get in there!
For, i will meet you when you get there;
But, breaking through these markets will let you feel heaven right here on earth!
However, the masters are not easy to overcome.

These huge potentials of these markets are what you need to succeed!
But, criticise me if i am wrong;
For, the true potentials of your talents are what makes up the markets,
And you need a break through to satisfy your muse with your mind!
However, the masters are not easy to overcome.

Edward Kofi Louis
Not Everyone

What i have learned in life,
What i have used in life,
What i have bought in life,
What i have seen in life,
Not everyone has the benefits of loving and caring parents;
Not does everyone even have parents!
But stand out in life to succeed for your own future.

Not Ready For The Works Of The Truth

Evil men, women and children! !
Destroying the muse life with the acts of terrorism;
Killing and destroying,
Not ready for the works of the truth.

Meat, meat, meat!
What type of meat is your mother cooking today?

Meat, meat, meat!
What type of meat is your sister cooking today?

Meat, meat, meat!
What type of meat are you cooking today?

Meat, meat, meat!
Mankind is not satisfied with meat.

Outside,
To take a ride,
With the joy of your heart!
And the tide of life.

Edward Kofi Louis
Not With Pride 2

Life, strife!
With the wickedness of mankind on earth;

Stride, side, ride!
With the tide of life.

Aside,
Not with pride! But with righteous morals;

The smile!
To see the face of the bride;

Nile, mile!
While in love with the truth.

The fragrance of life,
With the romance of nature;

With your works,
With your words,

Facing the world! !
Not with pride.

Your wife,
Not to hurt her with your knife;

Keeping up with life,
Keeping up with the truth;

Life's journey,
Ways and means;

According to your works,
According to your muse,

But let Wisdom arise! !
To teach us the truth.
Muse, use, fuse!
Not to refuse the truth;

The works of the truth,
The light of peace and love;

Bright light!
Right with your mind;

Doing the right thing,
Without hurting anyone.

The delight of righteous morals,
The insight of creation,

The sight of all the colours around!
The flight with the joy of your heart.

Hear my voice,
Make a better choice in life;

On a mission,
With your vision;

Views around the world! !
With servitude and attitude;

With the gratitude of the truth,
Comforting the hearts of the people around you.

Train your mind with love,
Bring joy to your heart with the truth,

Accepting all mankind without racism;
For the peace of the world.

Words and works,
Words of peace and love than hatred and war!

To care for the people,
Sharing with all mankind with the joy of your heart.
Bring joy to my heart!
Teach me the truth;

Colours of life!
We need peace than war.

Stride, ride!
Not with pride;

The tide of life,
Hope is the key with the muse of righteous characters.

Bone,
Clone,
One,
Tone! !
Phone,
To make a call;
To your lover,
With the status of the problem!
Served,
Reserved,
Traversed,
Articulated! !
Versed,
To show itself,
And, to show yourself;
In the land of your muse.

Edward Kofi Louis
Note, Rote!

Who are you?  
Where are you?  
Note, rote!  
At night,  
Deep night;  
Watching the stars,  
Hoping to identify you among them.

Edward Kofi Louis
Note, Tone!

The bed of roses!
She met it and slept on it naked;
The bed of roses!
He met it and slept on it naked;
The proposal,
With the stroy of love.
Love!
Now is is taking place;
Note, tone!
Life is worth living it but,
Let everything be done under the laws.

Edward Kofi Louis
Noted

Base,
Case,
Reported;
Seen,
Lips and hips!
To have them,
To give them to you,
Noted with the muse of sweet love.

Edward Kofi Louis
Noted 2

Bills and goats,
Noted,
Commanded,
In the land;
A breadth of understanding,
Joyous with the works of peace.

Edward Kofi Louis
The truth,
Written by the Inspired Prophets of Yahweh!
And, you can find the truth in the Holy Scriptures.

The truth,
All together,
In your Scriptures,
Closer to you;
But, you are now being led by Satan! !
And, your ways are noted by all.

Edward Kofi Louis
Adoption and adaptation,
And like the redemption of my muse;
But the righteous pleasures of things are now noted by us all in this life.

Wives should submit to their husbands,
Husbands should love their wives as their own bodies,
And do not grow weary of doing righteousness;
For, the righteous pleasures of things are now noted by us all in this life!

Do not be deceived,
For whatever you sow, that will you also reap;
So work with your hands to gain the status of your life,
For, there are laws all over the world!

Edward Kofi Louis
Notes

Primate, elemental, spontaneous and emotional;
The point of drunkeness is what i see around me,
But i do have my notes for you.

This is like the quasi-mystical secrets cilts,
And there arose the fear of the society;
But you have to cry for help when being cheated!
With others living in a turquoise-roofed temples,
Because the notes of this world are not always equal.

Geomancy and physiognomy with the notes,
But be very conscious of the parallels like the mandates of the heavens! !
For they are armed to the teeth and i am only around with my ink,
But i do have the notes about this world for you only to learn from.

Edward Kofi Louis
Notes Of Love

Notes of love,
Noted with servitude and attitude;
With righteous works,
With positive morals,
Upon the shores of life!
With the fragrance of nature,
With the aroma of righteous laws,
With the romance of the truth,
Doing what is right,
Sharing and caring,
Notes of love! !
With the joy of your heart always,
With wisdom,
Without hurting your neighbours.

Edward Kofi Louis
Nothing But Love

They came to search my home but,
They found nothing but love;
And they were much surprised!
Because my beautiful wife cooked and served all of them,
And they were satisfied with the muse of love.

Edward Kofi Louis
Nothing Compares To You

Seeing your face with a smile!
The smile on your face touches my heart deeply;
Nothing compares to you.

Edward Kofi Louis
Nothing Else

Demanding the facts,
Demanding concrete answers;
Nothing else!
And, to bring to book those who perpetrated the act.
The butt of the public,
But, butt!
Disclaimed;
On several occasions,
But, with the best ability in finding the truth.

Edward Kofi Louis
Nothing Is Impossible

Don't you love me for what i am?
For, i will follow my dreams until they are fulfilled;
And mind you, the fool is still hungry in the abundance of food.

Everything has its own beauty but,
Not everyone does see it;
Food for the stomach and food for thought,
Everything has its own beginning;
And mind you, the fool is still thirsty in the abundance of water.

The atmosphere is for you and i and,
Nothing is impossible in this world!
So, go for your dreams until they are fulfilled.

Edward Kofi Louis
Nothing Is Mine

Nothing is mine,
Naked i came!
And naked i will go.

Edward Kofi Louis
Nothing Is Missing

From ambiguous to ambiguity,
They steal around and still tell us all is well;
But who do they think they are fooling? ! !
Fir the news is known by all around this town.

Out of space and from nowhere,
Life is like that at times;
With negative governments all around us!

On the flip side,
What vision do they have? !
With corrupt leaders who always tell us nothing is wrong,
But the answer lies in our own mouths.

View things from the highest point and tell me what you see,
For the corrupt governments have divided the wealth of the nations!
Yet still they say to us, nothing is missing.

Edward Kofi Louis
Nothing New

Life!
There is nothing new under the sun;
Muse!
Very refreshing;
But, let there be love.

Life!
You are your own slave;
But, i need to respect you because of life's own muse.

Lust!
In a cul-de-sac;
Act!
For an official Response on the matter;
Lust!
Of the human trafficking in your land;
But, there is nothing new under the sun.

Edward Kofi Louis
Nothing Works

It is very sad when i keep on calling and nothing works out,
So try to call me as well to know what goes on;
For life is all about you and me,
And like the muse of the rainbow seen by all.

Edward Kofi Louis
Noticeable

Alignment, Noticeable, Shifts,
But in full swing with your love!
However, with a life-changing event in the land of your muse;
For, you are now in love.

Edward Kofi Louis
Notion

Notion,
With plans in motion;
Promised to do the work,
To do what is right!
Based on righteous morals.

Edward Kofi Louis
Notion, Motion, Devotion!

I want to see the best coming out of you!  
That's why i'm very patient with you;

Add, address!  
With the works of peace;

Notin, motion, devotion!  
Build your life with love and kindness;

Chant, enchanting!  
The truth is for a pleasing aroma;

Yesterday was the past and, today is with us;  
However, tomorrow is forever!

Love is a beautiful thing;  
Which heals your mind and body.

Prose, pose, rose!  
To do the right thing in life;

I want to see the best of you! !  
That's why i'm very patient with you.

Edward Kofi Louis
Notorious

A notorious person!
Allegedly killing someone;
In broad daylight! !
In the bush,
With a scary scene.

Edward Kofi Louis
Nourish

To nourish and to cherish,
Two or more cam walk together with an agreement;
But i will visit you when the need arises,
For much is required of you on this love.

Edward Kofi Louis
Nourished And Brought Up

The vision of a man and, the vision of a woman;
You nourished and brought up children but,
They rebelled against you!
Leading to the wars that we see around us today.

The ox knows ist owner and,
The donkey knows ist owner's crib;
But, the muse of your love is now hidden in the land of dried rivers.

Love!
With butter and honey to lead your way;
Giving you the understanding of peace,
But today, your children have rebelled against you.

Edward Kofi Louis
Nourishment

Do not be very wise in your own eyes,
But living entirely away from evil will bring health to your body!
And nourishment to your bones;
For the sweet muse of love is always around you.

Filled with plenty and loved with mercy,
Just as the father corrects his children;
But living entirely away from evil will bring you health,
And nourishment to your bones!

Edward Kofi Louis
Novelty

Derivation,
Novelty,
Of a new thing!
To toil through,
Coil, oil!
With the ways of life.

Edward Kofi Louis
Now For Sale

It is for sale so,
Set sail and come to me;
For the noie of the whale at sea is like the wail of my neighbour next door!
But, the train station is very far from me.
It is for sale so,
Sail on and come to me!
For my love is now for sale;
And, i want to present it to you for a better price to enhance my status.

Edward Kofi Louis
Now Heard Abroad

From Mesopotamia to Israel,
And the prophecy came and fulfilled itself;
But the songs of your lover are now heard abroad.
Inherited,
Stimulated,
Intelligent;
Your character is developed from the values you believe in,
So think about it when you call my name.

Edward Kofi Louis
Now The Day Is Over

Oh work, where are you?
Come and let me exercise my hands;
Oh rain, where are you?
Come and let me bath my body;
Oh sleep, where are you?
Come and let me close my eyes;
For, now the day is over.

Edward Kofi Louis
Now They Can Fly!

They've got wings! !
And now, they can fly!
That is why they do not need my help any longer;
However, one day, they will cry wolf for my help.

Edward Kofi Louis
Now You See Me

Face to face!
Meeting,
Now you see me.

Edward Kofi Louis
Now You've Seen Me

Let it flow,
Let it glow! !
Let it grow,
Now you've seen me.

Edward Kofi Louis
Now, New!

Love be loved when you are very romantic;
If tomorrow comes,
I will be into love you with my sweet muse.
You must be mused when you have the emotion,
Love be loved when you are very romantic;
If tomorrow comes,
I will kiss your lips forever.

Edward Kofi Louis
Nowhere To Be Seen

The flying bird is up high in the sky to take a view,
But my lover is nowhere to be seen;
So take a message to my lover if you find her,
For in the thick forest i rest my head.
The green vegetation is around me and the blue sky above me!
Oh, how i hope that you would find her;
For this thick forest is my lonely place,
But maybe this flying bird could find her one day.

Edward Kofi Louis
Npp

Never pay me with the sadness on your face!
Pretending to love me but in vain;
People, for how long can this be?

Edward Kofi Louis
Nr. One

Nr. One!
Down in your town with your own mind;

Brown Street! !
Walking along with your mind;

Facing the ways of life with,
The romance of nature.

Edward Kofi Louis
Nsawam

Take me to Nsawam to search for my lover,
For it has taken her too long to come back home.
Of the challenging heights of love but,
How can i sleep tonight without her?

Oh! Of the hustle and bustle life in Accra;
But i am within the area of my abode and to wait for her.

Help me if you care,
Tell me if you've found her!
Come and take me to Nsawam,
For my lover is yet to come back home.

Edward Kofi Louis
Busy signals ans busy love,
You are the star on my love;
So come and let me march you on to my bed of roses,
For i am Ntezo and you need my bed of roses.

Edward Kofi Louis
Ntim

His black lips!
Very attractive;
And, he is called Ntim;
A native of my land.

Muse!
With the taste of love;
Together as one to live in peace;
Life!
Swimming across the river of love;
And, with your sweet muse in mind.

Life!
Like the prose of poetry;
With the blue bells of love displayed around the almond tree that blossoms.

Edward Kofi Louis
Nuances

Interpolating meanings and the nuances of my thought,
And of the impact of a literary genre!
For i was called in to love your sweet muse and i responded like,
The many languages of the African Continent!

Edward Kofi Louis
Nuclear Ambush!

Samples,
Nuclear ambush!
Catastrophe,
Effects,
Broken silence,
But, i did my time to shake up the damage.

Meet, feet, beet, greet, sheet!
But, in a dub tone;
With much business to the whole world! !
However, nuclear ambush is shaking up the world.

The hybrid!
The resultant,
The revelations!
My nerves,
Your nerves,
The war! !
The conquer,
The conquest!
Nuclear ambush;
With, the revolutions around us today.

Nuclear ambush!
In your land,
Of your ways,
To understand things better;
But, war is not the answer.

Life!
On you,
On me,
On us;
In forms of wars around us today;
because of hatred.

Edward Kofi Louis
Nuclear Bombs In Your Hands

The first call,
The message was clear and the love of your muse was wrong;
The final call!
And like the message of the Malak;
But, with fighter jets, tanks and helicopters! !
And like the nuclear bombs in your hands;
However, we are now destroying the world!

Edward Kofi Louis
Nuclear Bombs!

Nuclear Physics and Nuclear Bombs! !
Your knowledge is now centred for war!
So, what is the meaning of this Higher Knowledge?

Edward Kofi Louis
Nuclear Buffets

Hydrogen weapons and wars!
But humanity is the key to life;
And forever never ends from today.

Before and after the atomic bomb,
We are now deeper into the dark than before;
And with atomic cocktails and nuclear buffets!

Oh this energy hungry world! !
You are like the bride-price of the virgins;
And like the atom being split in 1938.

Compassion, kindness, patience, longsuffering and mercy;
You are the first one to do it but,
The parable of the talents took away the righteous fruits of your love.

Of a rock cut out without hands and of your atomic cocktails,
And from within and without with your nuclear buffets;
But this is like the last ruling power on earth at this time around.

A family starts with a marriage so you must not beak up your vows,
But life is like informing the people with your calling;
But this project also came out of Manhattan.

To remember the 6th of August 1945 and to see the acts of bombs!
But the dishonest people around us are the Babylonians;
For lamentation and bitter weeping are now on our faces.

Atomic bombs and nuclear buffets,
When will this Babylonian system stop?
For the wars had never put us into better shapes.

Edward Kofi Louis
Nuclear War!

Nuclear War!
Very close at the doors;
North Korea and America facing each other,
Ready to use the Nuclear Bombs created by mankind;
Like Cain killed his brother Abel!

Edward Kofi Louis
Nude

Nude,
Standing there!
Alone;
Telling her story,
With her naked body,
There she stood!!
Alone,
Naked,
Telling her story,
Of what she went through.

Edward Kofi Louis
Nude, Rude!

Nude, rude!
Of nature's hidden thoughts;

Desolate streams,
You've betrayed my trust today!

Making evil your way of life,
Than the works of the truth.

Edward Kofi Louis
Nudism

Nudism!
Alongside the way of love;
And like a cow looking at your face,
But on the main line with the view of your muse!

Whistle,
Buffers,
Just a few inches!
But with careless words like the nakedness of your body;
Because you are now being exposed to the public! 
And, i am left alone waiting all day long.

Edward Kofi Louis
Nuggets Of Life

Nuggets of life!
That suggests wisdom;
With peace and love,
Trying to understand the status of the universe,
With my mind.

Edward Kofi Louis
Nullify

Nullify all curses of failure in your life and come and stay with my muse,
For you will then free yourself very loose with my deep love;
So do not weep my sweet one.

Edward Kofi Louis
Numb, Number!

Numb, number!
I can see the big blue eyes of love;
But, i wonder if you will allow me in.
Crouch, couch!
With the lamp of love to lead the way;
Because, i don't want to be alone in the cold.

Life!
At the fish market in Tokyo;
And, i can see the blue eyes of love.
The muse of life!
If i could turn back the clock,
I will let the beautiful works of love out of the bags! !
So as to overcome the muse of the hatred around us in the world today.

Edward Kofi Louis
Numbarr

Furnished,
Recalled,
Refused,
Occupy;
I am Numbarr and i am referring to your love!
And preferring to meet you like a love song;
But the excitement on my face is all that you need to see.

Edward Kofi Louis
Number 1!

Number 1!
To be a Member of the club;
Remember the times! !
Cub,
Sub,
Pub,
Hub!
Gentle in the web.

Edward Kofi Louis
Number 6

Use your 'number 6' to win the game,
For the great wind came across the wilderness of love;
And there and then many were naked and bare!

A trustful witness saves lives but,
A false witness is a betrayer at all times!
But use your 'number 6' to save yourself at times.

Edward Kofi Louis
Number Two

Wind, find, mind, hind, kind, rind, bind;
Everybody wants to be number one on this earth!
But who wants to be number two?

Vociferous,
Remarks,
Confidential;
But who wants to be number two in this world? ! !
For i came to protect you on this love,
Because you are the one that i love!

Edward Kofi Louis
Numbered Among Others

Cod, rod!
Numbered among others;

Seven time a day i pray for your love! 
Struggling in life to understand the status of nature.

This coin,
As big as an apple;

This seed,
As small as an ant;

Being more than forty years in the wilderness of life,
But, a wise man's eyes are in his head.

Edward Kofi Louis
Numbers And Figures

It is all about numbers and,
It is all about figures;
Moon, soon, spoon, noon, coon!
I can now see the man in your dream,
But always remember to ask permission before,
Touching, using, taking or borrowing something!

Edward Kofi Louis
Numerology

Numerology is part of us and,
You and i know the truth of life;
So come and let us take a walk on this love,
For we have more things to share and learn at last.

Edward Kofi Louis
Nungua

Just once!
And just one target;
For i will then be okay in my life with your muse,
And like the ways of your lover at Nungua!
But the landlord is about to eject her;
And just once is the act of your love needed to save her.

Edward Kofi Louis
Nuo

I've been held down too long!
And i've got to be released;
But where is Nuo my lover? ! !
For the white swan is now on the river.

Edward Kofi Louis
My name is Nura but,
Faith is free and available to all the people;
And I am like the T.V. Set in your room.

Wake up from your slumber and learn!
And of the ridicule of things seen around you;
For gone are the days when,
The Holy Laws of Peace were diligently taught.

I started learning from my mother's womb and,
I am now a grown up to teach you;
For money is more important today than human lives!
It is sad, but that is what I see around me.

Edward Kofi Louis
Nurachukuro

Nurachukuro, Chuku, Nora, Noah, arch, an, ark, oak, ran, oar, run!
As real as it gets;
Arch, ark! !
I am,
You are,
They are!
But, paint it all over again.

Move on! !
Drove, rove, cove, clove, glove, grove, prove, stove, strove, move;
But, i have no choive!
For, the last time i saw you was in the land of your muse.

Make my day with your love!
Because, i want to live my life with the muse of your love;
And like a roller coaster! !
But, born and raised in the jungle of Africa.

Edward Kofi Louis
Nut, Nutonomy!

Nut, nutonomy!
To drive along in Singapour,
With the muse of the algorithms of,
Self-driving cars.

Edward Kofi Louis
Nuts And Bolts

Cuts,
Through;
But, with a tool.

Huts! !
Lots,
Plots;
Nuts and bolts.

Hot spots!
Not with your lover;
Colts,
Sports, ports!
Like import and export.

Bought,
Brought in;
Muse,
Use,
Nuts and bolts.

Edward Kofi Louis
Nyakyusa

Facing the river of love,
Married them in their teens and respect them;
For the mystery of my name is Nyakyusa,
And like the reflections of your sweet muse on my love.

Edward Kofi Louis
Nyanyano

To grow,
To learn,
To write;
And like your secret love in Nyanyano!
But i met you there in the name of the 'Task Force';
Because you badly needed my assistance! !

Edward Kofi Louis
Nyaunu

Grabs,
Immediately!
But unravelled is the muse of your love;
And like Nyaunu who was interrogated last night! !
But try to understand the ways of life before you end up in jail.

Edward Kofi Louis
Nyayano

Drug peddlers,
personal,
Presented,
Temporarily;
With tacit official cover up,
But, try to go through the overdrive.

Staff,
Arrested,
At 'Kotoka International Airport'!
And, with the enforcement of the law;
But, the substance was found on you.

Detained,
Investigated,
Once more;
And, according to the source!
But, Nyayano my colleague was there to take up the case.

Edward Kofi Louis
Nyota

Nyota, ant, not, tan;
Mirrors of the sea!
Mirrors of nature,
Mirrors of love,
Mirrors of life,
Mirrors of the land,
With the minds of the people.
Nature!
Culture,
Heritage;
Vintage, vantage!
Advantage with the muse of your love;
And, with the corage of your heart.

In my land,
With the muse of nature.
Oak, soak!
Nated,
The seeds;
Nominees! !

Edward Kofi Louis
The oasis,
And of the status of my life as a professional lady;
But i will promise you with my attractive breasts always.
The influences in my neighbourhood is all that you know,
And of the self-sufficient act of your love to protect my views;
But it is typically attributed to the authority of your love.
I have already got the mangoes in front of me for you to see,
But you are dramatised by the size of them!
And like the sweet smell of my apples that you see for,
You will have the recollections of things to do over here.

You would like to touch my breasts and play with them but,
I would like to take you to the oasis first;
For that is my romantic home that is needed to be shared with you;
For there you will see my eyes being observed with love and,
You will be glad to be with me always.
Yes, what it was is what you will always meet;
For what i know on this love is like the sugar in my cup of tea,
But the waiters and the waitresses will take care of you while you wait.

Edward Kofi Louis
Mystery of life,
Mystery of love,
Succulent!
Like the muse of a small town found in a big city.
Oasis! !
Dinner,
Lined up;
For love,
For care,
For peace;
With the unity of the land.

Edward Kofi Louis
Oasis Of Tranquility

Scattered pink carnations!

With that hat on.
To aim high! !
With the colours of love;
Transitions,
With the oasis of tranquility.

Edward Kofi Louis
Oat, Oar!

Moving,
Moving on;
Slowly over the loop point.

Oat, oar!
Believe in love and live in peace;
With your neighbours.

Soul watcher!
We are all human beings;
Living in this world of sin.

Edward Kofi Louis
Oat, Stoat!

Oat, stoat!
meal, sea, heal, deal;

Real, surreal!
Once young and now old;

Luggage, passage!
To look at your items and to give you comments;

Healing words of love!
Poets or writers expresses their respective minds with the ink of the pen.

Edward Kofi Louis
Obaayaa

'Los Angeles Times'
Come and take me home;
For my lover Obaayaaa is in the woods!
And i need you to help me find her.
She left me last night and,
I only heard the news about her body;
So come and help me find her.

Edward Kofi Louis
Obama In Hiroshima

Historic visit!
Obama in Hiroshima;
History is the key,
Reminding us always of our past acts on earth!!
Hiroshima,
With the muse of the 'Atomic Bomb';
Which dropped on the Japanese people,
Over 70 years ago.
Hiroshima!!
If only if we will learn from our past mistakes;
However, we've not learnt enough!
And, we're now ready to use the 'Nuclear Weapons'.

Edward Kofi Louis
Obama Is Still In Office

Magic night,
Magic moment;
303 against 206!
2012 US Presidential Election,
Between Barack Obama and Mitt Romney;
Two, tow! !
And Obama won the election.
Won own!
Obama is still in the Oval office,
For s second term.
Muse, use!
The Democrat and the Republican;
2012 US Presidential Election,
And Obama won the election.
The President needs another four years! !
To fulfil his dreams;
And like the muse of Obama to the world,
303 against 206.
Magic night,
Magic moment,
Obama is still in the Oval office;
For a second term,
Because, he won the election.

Edward Kofi Louis
Obasi

You may have enough water tanks but,
My love is with Obasi;
For, he makes water run on my side always.

Edward Kofi Louis
Obed

The bows of the warriors are broken and,
Those who stumbled are girded with strength;
But my love will always be with you.
Obed is your name and i do love you,
Because i am like a lover sitting among the Princess;
But like she who was barren and now had given birth,
Your love is all that i need.

Edward Kofi Louis
Obedience

Obedience!
To humble yourself;
With servitude and attitude,
With the gratitude of the truth! !
Moving on with your works.

Edward Kofi Louis
Obedience Is The Key

With my whole heart i seek for peace,
With my whole heart i seek for the truth,
With my whole heart i seek for love,
For righteousness! !
For righteous laws;
Obedience is the key!
Moving along with my works.

Edward Kofi Louis
Obedience Is The Key

Light,
The bright light!
With the insight of the truth;
The sight of righteous laws! !
With the delight of servitude and attitude;
Obedience is the key.

Edward Kofi Louis
Obedient

Obedient to the Law,
The truth is like the morning dew! !
As shown in love,
As shown in peace,
Glory! !
With the muse of Righteous Laws.

Edward Kofi Louis
Oben

Oben, be, Ben, on, one, bone!
Inside;
Reclining,
Conduction,
Readiness! !
Morning ride,
Preparation,
Small town and big town;
Spoon, soon!
Blossom;
Succulent,
True-love will always care for you;
Energy! ! !
Sunny side,
Joy at the beach,
But, think with the ink of your pen before you write;
And let the truth lead the ways in your life always.

Edward Kofi Louis
Obeng

Lucrative,
Meeting,
Continued,
Surrounding;
I am telling you how serious this is!
But let me expose my love to you;
Because I am the one you are waiting for.

Talk to me and take a walk with me,
Bright, right, big, hit, it, grit, bit, git!
With delegates from the de-facto president;
And usurping powers in the name of peace,
But I am Obeng with the words of peace.

Edward Kofi Louis
Obey

Marriage is totally righteous when it is kept undefiled,
Do not be carried away with different kinds of strange doctrines.
Obey those who have rule over you,
Do not be wise in your own conceits.
Love without hypocrisy and abhor what is evil.

Edward Kofi Louis
Obey The Laws

A place only for women,
Why should men be around?

A place only for men,
Why should women be around?

Let us obey the laws and live in peace;
For the safety of the earth.

Edward Kofi Louis
Obey The Voice

Obey the voice of the truth and live;
To feel the muse of love with the works of righteousness,
Only on one condition;
To replace everything in life with love.
To see the brightness of the world with positive morals! 
And, to obey the works of righteousness.

Edward Kofi Louis
Obeyed And Observed

Long years gone by!
Over the seas of love;
Long time in absence,
Remembering you like the muse of the clouds.
The muse of love in this life,
Obeyed and observed with the truth;
Because, life is about my generation and your generation!
So, we have much to learn from each other;
For, love is the key about life.
The summer of love and the summer of peace;
Born in different parts of the world to fulfil a dream,
Because, we are all the same on this earth.
Longe years gone by!
Over the seas of love;
Long time in absence,
Still remembering you like the muse of the clouds!
However, a better tea takes time to boil.

Edward Kofi Louis
'Obi Nnim A Obi Kyere'!

Teach with the realities of life!
Because, Mary had a little lamb;

I am out there to touch you with my works,
The works of peace and love.

Look! !
Religious shrines all around us;

'Obi nnim a obi kyere'!
However, is it fair to hurt someone you love?

I will take care of you!
Like the powerful edifice seen at this priime area;

However, i am like a rat out of the hole;
Trying to understand the ways of life around me today.

Edward Kofi Louis
Obinna And Nneka

The day comes that will burn like an oven,
So run for your life before it is too late.
The wicked will be troden down,
Like the vows we've made to each other;
So be on your guard always.

I did it ignorantly in unbelief,
You did it ignorantly in unbelief,
Speaking lies in hypocrisy;
But the lips of the righteous will teach many.

Some have ship wrecked the faith but,
I am keeping the faith with a clear conscience.
This a message to Obinna and Nneka,
I can still remember the vows that we made;
Like the land of Doctors,
Like the land of Nurses,
Like the land of Hospitals,
Like the land of Accidents;
Everybody want to go to heaven but,
Nobody want to die!
But without death, there is no heaven or hell for us.

Edward Kofi Louis
Obiora

Obiora, oar, air, boar!
Deep in the wilderness;
Known to you,
With the muse of your lover,
Checking the records.
File, exile!
With cultural protocol;
Arrangements! !
Agreements;
Deep in the wilderness of love.

Edward Kofi Louis
Object

Cole, vole, whole, pole, mole, bole, dole, sole, hole;
Between the safety net of love!
But strong enough to keep you awake.

Kate, date, late, mate, hate, bate, gate, fate, pate, rate, sate;
Down in down there to respect your muse!
But, it is like the works of act in the land of your muse.

Abject,
Unconditional,
Object,
Precious,
Endure,
Abound,
Honeyed!
But stronger enough to keep you awake always;
For the object up there in your room is all about your love.

Edward Kofi Louis
Objective

Pasture,
Knowledge,
Confidence,
Objective! !
Like the stream.

Edward Kofi Louis
Oblation

Nation,
Libation,
Oblation,
Salutation,
Confirm, firm, affirm, reaffirm;
But your kind words are now opening a new vista form for us,
And, the one who drunk your soup knows the taste of it.
A byname,
Enigmatic,
Theosophy,
And like a pastor who died in a pulpit! !
But, the one who ate your food knows the taste of it.

Edward Kofi Louis
Obligated

Covered!
But, it is now known;
As it was uncovered.

Hidden!
But, it is now known;
As it was exposed.

So, change your life with love than,
With hate!
Which leads to war.

Life,
Obligated with the muse of the laws;
So, learn from the laws and, watch the road sign of life as you move along.

Edward Kofi Louis
Obligated!
To give thanks to the works of the truth,
The works of peace and love;
Than, the works of evil.

Edward Kofi Louis
Obligation

Righteous requirements,
Righteous laws,
Life and peace,
Love and joy!
With the keys of the truth.

Let your spirit be alive with the works of righteousness!
Under the obligation of the works of the laws;
Knowing where to step and what to do,
Respecting all mankind with the joy of your heart.

Edward Kofi Louis
Oblivion

Oblivion,
Tongues,
Acquainted!
But, get behind me you Satan! !

Edward Kofi Louis
Oblivion

A calf,
An elephant,
A flower,
Oblivion!
A matter of trust;
A farmer's story,
Like clues and blues!
With a road leading to the centre of the City.

Edward Kofi Louis
Oblivion 2

Ion,
Lion,
Coin,
Opinion,
Onion,
Union,
Vision,
Mission,
Transmission,
Emission,
Commission,
Remission,
Oblivion! !
With the drama of the life around you today.

Edward Kofi Louis
Obloquy

Scene, obscene!
Obloquy,
Call her!
Call him!
And, believe in yourself.

Mind, remind!
To act always like a dragon;
Goal, goat!
Of all the castles,
And like a love affair!
But, a secret one.

Solid, sold!
Obloquy;
Bear, bare!
Bumble;
Like a vampire!
Propitiatory;
Sold, solder!
And, to act like a dragon.

Edward Kofi Louis
Obnoxious Customary

To cross the river!
The river of sweet love;
And, to sail on in a boat,
Directing your ways to the life ahead of you.

An age-old obnoxious customary!
At the bridge of boats;
To float along the sweet river,
With men in coasts like the muse of the goats around.

Sparrow, songbirds, turkey and dove!
Whispered to those in pain without a kiss on their lips;
And like the adoption of my adaptation in this land.

Edward Kofi Louis
Obrapa

Quick witted!
Still learning;
But your muse is long gone! !
However, Obrapa your friend is now lost in time.
From day to day,
To teach you about true love;
From day after day,
To guide you with the muse of my love;
Excellent!
Obtained,
Sealed,
Deep corrections,
Having become like the sweet muse of love;
But, when it is not in means that, it is not in.

Edward Kofi Louis
Obronni

Obronni, in, born, or, bin, on;
Farmland,
Scene, since!
Resemblance
Disclosed,
At the coast of lines;
Bid, hybrid!
Stressed,
Honestly,
Prove, improve!
To the spot,
Consequently with the muse of life.

Edward Kofi Louis
Obroni 2

Obroni, on, in, born!
Traced through maternal line;
With a bottle of Schnapps.

Decoration,
3 plus 3 equal to 6 in baded 10;
And, 3 plus 3 equals to 12 in base 4.

School of Management and Technology!
Trade,
Trading,
Tradition;
But, why am i here?

Opaque!
You can see the light through it; So, you are naked;
With the muse of your dressing code.

Callow, allow, swallow, wallow!
Heart breakers;
Like a K. G. B. member with a gun in the hand.

Black magic!
White magic;
Mountain of pisitures,
High above the ground.

Edward Kofi Louis
Obscurantism!

Obscurantism!
Occultism,
Grip, rip!
Grudging,
Guess,
Damning rituals;
Killing the minds of my people,
Without knowing their lefts from their rights.
Where is the truth? ! !
Bring it to them;
And, let them open their eyes to the facts of life.

Edward Kofi Louis
Obscure

Dark!
Obscure,
Implication!
Akin to your act.

Edward Kofi Louis
Obscure Society

Evil!
Obscure society,
The evil world,
Underground,
Undercover,
The occult world,
Destroying everything with the help of the Devil.

Edward Kofi Louis
Obscures And Darkness

Illegal lust!
Obscurity and darkness;
Without knowledge and understanding,
With no wisdom at all in your act.

Edward Kofi Louis
Observation

You got to twist with the music to expose your body! 
And like a moving star performing in a church room;
But the observation of this muse is yours in the making,
However, it is always right to know the truth.

Observation, votes, rob, robs, brave, rave, save, sot, rate, to, bet;
But, you have to think twice if it is not in!
For, the churches are now turned into business centres.

Observation, bat, rat, star, rats, on, no, ion, ions, ton, tons, not;
And like a moving star performing in a church room!
But, the observation of this muse is now common in this country.

Observation, note, notes, be, so, or, at, as, an, near, sear, bear;
However, it ia always right to know the truth!
For, not all that glitters around us is gold.

Observation, bare, neat, seat, set, net, ten, nets, art, arts, raves;
With much work at hand to do for a living! 
Because, whatever you have around is always from hand to mouth.

Observation, bets, bent, rent, bents, rents, sent, vat, ran, sit;
But, you got to twist to the music to expose your nakedness! 
And like the muse of war in the land of trouble;
However, it is right to know the truth.

Edward Kofi Louis
Observation 2

Phase,
Face,
Observation,
Hase,
Ace! !
To view the palace ahead;
Sitting at a place.

Edward Kofi Louis
You got to twist with the music to expose your body!
And like a moving star performing in a church room;
But, the observation is yours.
Observation, ore, born, boon, soon, sit, sat, set, on, tore;
But, you have to think twice if it is in.

Lust!
Stressed out because of the muse of your acts in this town;
Haul!
With your notes;
But, you have to think twice if it is on.
Dock, lock!
Hearing the case;
Observation, bat, rat, tab, star, tar, rat, arts, rats, no, ion!
Blessed or, cured with the muse of life.

Life!
Do show your love;
Life!
Blessed or, cursed;
Life!
Standing by the well;
Observation, ions, ton, tons, not, sea, near, ear, era, are!
With the ways of one's life on this earth.

Illegal lust!
My heart cries out for you because,
You have made sin your bed.
Observation, tear, tears, vat, rate, base, ant, ants, bats, sore!
Like you acts in this town;
Lust!
Yesterday night with the lady.

Edward Kofi Louis
Observation II

Observation, Orion, sat, sea, vet, vets, Ben, boat, boats, boot;
With your works at hand to be seen by others in this town!
But, try to wake up from this negative world to know the truth.

Observation, boots, soot, sort, soon, vain, train, rain, strain, stain;
With twisted words in the churches to blindfold my people! !
However, it is right to know the truth.

Observation, brain, brains, trains, rest, nest, best, bean, beans;
Down to the river side in this village,
But, somebody dropped in the bomb to kill many! !

Observation, ear, era, are, tear, tears, tea, eat, ate, bait, sate;
Words of love and works of peace!
Bringing in the truth to satisfy the hearts of many;
For, Rome was not built in a day.

Observation, seta, vent, it, is, in, sin, tin, bin, bins, tins, bone;
Dancing with the tunes to expose your body! !
But, someone needs to tell you the truth about this muse.

Observation, bones, stone, tone, tones, one, roast, boast, vote;
Wherever and whatever with the muse of your songs! !
But, let this earth be filled with righteousness than evil.

Edward Kofi Louis
Observe

Serve,
Observe,
And obey the truth!
Works,
Words,
To teach and preach;
To practice them as well.

Judgement, mercy and faith!
Inwardly and outwardly;
In the same way,
With positive morals,
On the account of the faith! 
Doing what is right.

Edward Kofi Louis
Observe

Serve,
Observe,
And obey the truth!
Works,
Words,
To teach and preach;
To practice them as well.

Judgement, mercy and faith!
Inwardly and outwardly;
In the same way,
With positive morals,
On the account of the faith!
Doing what is right.

Edward Kofi Louis
Decisions!
Observed;
What is it that,
My heart is seeking? !
I look for peace,
I look for love,
I look for joy! !
Searching,
To unravel the truth;
With servitude and attitude,
With the gratitude of life,
With the fragrance of nature,
Polished with righteous laws.

Edward Kofi Louis
Observers Are Worried

The virtue of selfless sharing and embracing the principles of true-love,
But with a healthy relationship from the sun-rise to the sun-down;
And from dust to dawn with the beauty of your love,
And it is like Article 63 Cluase 3!
The inability to choose a President,
And of your rousing reception that matters on this love;
But observers are worried!
Abd some stories are better left untold.

Edward Kofi Louis
Observing

Observing,
Obeying,
To listen diligently;
To the words of wisdom.

Oar!
Oath;
To receive rain upon the land in its season;
For a sign and, wonder from nature.

Edward Kofi Louis
Obsession With....

Selfish desires! !
Obsession with physical beauty;
But she was too impoverished to stand up once again.

Do i remember who you are? !
Then come along and look at her face in the mirror;
With the muse of White Rum and the Roses of Love.

Edward Kofi Louis
Obstinate

Obscure,
Obstinate,
Science, conscience!
Sweet memories,
Years after years,
Winger, swinger!
Carry me like a star in your arms;
And like the Beauty Shop around you.

I will,
You will,
We will!
Beauty treatments;
Exobiology,
of your emotion after losing!
Rallied,
Enter,
Locked,
Voters,
Undecided.

Woo, woe!
You can't stop it,
You can't stop him,
You can't stop her,
You can't stop me,
I can't stop you;
And, like a planet without a star!

Of all the Professors on this earth,
Within all races,
This is my legacy!
My muse and my word;
My mind and my works,
Between all races!
But, try to come back to your true love.

Edward Kofi Louis
Obtain Wisdom

Obtain wisdom!
Cherish the truth,
Knowledge and understanding;
Tender love and kindness.

Edward Kofi Louis
Obviously

It is obviously there! !
So, you need to open your eyes very well and look ahead;
For, this message of truth is always around you.

Male and female,
In unity as one flesh;
To serve,
To preserve,
But, it wasn't what you thought it was when you opened it.

Edward Kofi Louis
Ocalan

Out of the bush came a change in my diet!
And, out of the New World Order came my lover;
But, the consequences of history are all around us today.
Here, heredity!
Between the skin and the bones;
And, you're my E-Mail lover.

Ocalan my E-Mail lover! !
We may need agar to boost our morals in this world today;
And of the changes needed to move on with this thing called love.
Fleash, fresh, fliffy!
And, out of the bush came something sweet for me to change my diet;
However, there are more questions than answers in this life.

Edward Kofi Louis
Occident

Occident,
Incident,
Accident;
Facing the facts of life,
Seeing the ways of mankind on earth,
With choices and challenges!
Wrong verses right.

Edward Kofi Louis
Occupied By Love

The sea! !!
On which the waves dash,
Occupied by love.

Edward Kofi Louis
Occurred

Red!
Blood;
Redeem,
Reduced,
To redress the issue.

Edward Kofi Louis
Occurrence

Occurrence,
Viruses,
Parasites,
With the transmitted diseases common to us today;
On this earth.

The muse of life,
With the bodies and the organs!
In confusion and in perversion;
Because of our sensory problems with the transmitted diseases.

The muse of life,
There is a cause for every disease;
Given the risk factor!
of human beings,
Of age groups,
But, we have failed to uphold the laws of righteousness.

Edward Kofi Louis
Occurring For A Reason

The liturgical use and the muse of your love,
But inappropriate with the negative ways of mankind!
For everything in this life is occurring for a reason;
And like a road through the cemetery.

Edward Kofi Louis
Ocean

Ocean!
To get deeper into it,
Searching under,
Beneath it,
With the muse of life!
Seeing the beauty of nature.

Edward Kofi Louis
Ocean City!

Love,

For, this love is all about me and you.

Me, mew!
I am a woman and i need your love;
You, young!
Tell me what you see in me;
For, i am in love with you because you're so handsome.

The farmer!
The former times of life;
Blackout!
But, try to tell me the name of your love;
Ocean City!
Even though, i have been searching for years;
But, i've finally found you my love.

Edward Kofi Louis
Ocean Of Lights

Power box and power love!
With the Ocean of Lights to greet your muse;
But your party-fun-bag is now in your room,
As i saw your fire works last light.

Fantasy, love and fire! !
With the high-speed act of your love to expose your muse;
But, your party-fun-bag is still in your lovely room

Edward Kofi Louis
Ocean Of Wisdom

Ocean of love and the ocean of wisdom,
Bring me Marseille and let me teach you all;
For Akkra is the friend of Cassandra and,
Elijah will visit us all tonight for the feast.

Have pity on me oh my love!
For i have toiled enough for your love;
And it was just like a dream when i met you,
For the feast tonight is all prepared in your name.

Death and roses and sex and guns!
Are you still not satisfied with my flesh? ! !
Then inform Armin that i am still waiting with my love,
But the ocean of wisdom is all that you need to move on.

Edward Kofi Louis
Ocran

Ocran, oar, can, or, ran;

Misappropriation!

Consequences,

With earnest expectations.

Hatred! !

With anger and envy;

Displayed with the muse of your jealousy.

Edward Kofi Louis
Octava

I don't want to be alone and i need you only my sweet Octava!
So call me back and let us put things right on this love;
For i want to switch on my light of love on you only.

Edward Kofi Louis
The love of a girl and the love of a woman,
The love of a boy and the love of a man,
I am from 'Anambra State' and my name is Octavio;
For the days of one's life are numbered and,
I want to meet you with my love.

Let ears discern what i am saying and,
Let my sweet love meet your heart;
But the deep things of love are known by all of us.

Edward Kofi Louis
October 13th

Born,
October 13th;
In Ghana,
In West Africa,
Africa! Africa! ! Africa! ! !
My Homeland;
To bring up my Identity,
Exposed to the world today!
With my Talents.

Edward Kofi Louis
Odaw River

'Odaw River'!
The rains came down and fell on you;
But puerile with your networking was like the muse of love,
And like the naked bodies that were seen around soaked in the rain!

You are the hunter of my love and,
I am the honour of your lovely muse!
But this last noted Empire around is like,
A dreamland for the up coming generation;
Because, the rains have now exposed your secrets! !

Edward Kofi Louis
Odehye

The District Magistrate,
The Daily Guide,
The muse of the children,
But with verbal exchanges!
And, she took to her heels when she finally saw you around.

Yelled,
Had been confirmed;
Vented,
Leaving the old farmer and the pastor in the room! !
But, Odehye your friend was also around to record this event;
And like your household chores.

Edward Kofi Louis
Odeneho

Odeneho, hoe, doe, he, den, hen, do, need, on, no!
To pick it up once again and, to hope for a better tomorrow;
But, with the aspirations of the land.

Burn, burnish!
The pains;
And, of the chains around you today.

Life!
To confer;
Muse!
Of the legitimacy;
Like the findings of the Court in the land of your muse.

Edward Kofi Louis
Odinma

Odinma, dam, main, mind, in, man, moan, Dan;
Peace!
It will be well with you:
The muse of life and the muse of love,
To respect the laws;
And, to seek for peace always.

Edward Kofi Louis
Odisha

They prophesied in the name of Baal!
And, they caused my people to err;
Blouse, house, louse, mouse, rouse, arouse, grouse, douse;
And like the slippery places around! !
But, in the darkness without any hope.
Driven on!
And like the traps of the wicked ones;
But your faith will dweell safely with the muse of love,
And like Odisha your friend in the land of your beautiful love.

Edward Kofi Louis
Odisha  II

Odisha, as, has, ash, is, so, sad, do, his, had, aid, dash, Aids!
Living in King William's Town;
And, of the water! !
From above and below.

Mr. Everywhere! !
Writing to the society with your muse;
But, you have stayed too long in the rain.

Love!
Waiting for the sun to rise up from the east;
Life!
To retrace your steps to correct your mistakes;
And, learning how to live in peace with your neighbours.

Wan, woman!
Going through the harsh conditions;
Wan, man!
In Terms of financial Support;
Wan, van!
Indebtedness.

Love!
Appealing to you;
Safe, safeguard!
With the peace of your mind in the land of your muse.
Love!
To be a family heritance;
Oat, oath!
Living in King Williams' Town.

Edward Kofi Louis
Odo River

Odo River,
Walking around,
In town!
In the city,
In Accra;
Odo River,
Flowing along,
With the muse of the city,
In Accra.

Edward Kofi Louis
Odwira

Denigrating,
Desecrating,
Joking,
And of the stool! !
But the calamity in the land of your muse is now noted;
For the flattered tyres are like the muse of Odwira,
And like the royal cemetery at Banso.

Desecrated,
Blaming,
Reacting;
But, try to set your understanding to my muse,
For you have tasted my sweet love.

Edward Kofi Louis
Sunshine Avenue,
Where is my lover?
For you are from the land of the Rising Sun and,
My lover is hiding behind you;
But i will send Oehler my servant to look for her.

Edward Kofi Louis
Of A Dream Held Back

A weaver's beam!
Stream of life,
Of a dream held back;
Trying very hard!
To pass through the land,
With positive morals.

Edward Kofi Louis
Of A Fortress

Stress,
Affliction!
Of a fortress,
To seek refuge,
With the strength of your mind.

Edward Kofi Louis
Of A Gift

Generous,
Of a gift!
Sharing and caring for the poor.

Edward Kofi Louis
Of A Lizard

My right-eye is swollen like a wake-up call!
But, how can i see without medication?
My mind is activated and, who can take care of this eye?
I need the local medicine prescribed by my mother,
Because i have no money to visit the Doctor.
Sad as a Ghanaian,
I am noted with my words!
And, with the words of my mother like the words of Africa.
No work and no money,
With no doctors to visit on this issue;
But, sharp as a knife,
My mind speaks as you read on.
'Take the white from the faeces of a lizard;
And, mix it with water to apply it to your swollen eye'!
Of the words spoken by my mother;
And, this was the very local African Medicine for my eye.
Here in Africa!
We have more to do for our own survival;
And, here at home,
I do have more to learn as well;
Applying this method to my eye solved it all.
So, the Doctors should learn from it as well!
Maybe, they need the chemical make up of these faeces.

Edward Kofi Louis
Of A Meal

Of a meal,
To seal your love,
The deal,
Real! !
With the joy of your heart.

Edward Kofi Louis
Of Her Glory

She laboured and gave birth to her children,
But be satisfied with the breasts of her consolations;
So that you may walk out and be delighted with the abundance of her glory!
But sometimes, i do hope that i could do a lot to all;
Because, i still feel like helping all in this world.

She laboured and gave birth,
But be satisfied with her breasts! 
And like the muse of love in the land of joy;
But closely monitoring the situation is like,
The precautionary measure against the muse of love in this land!
And like the joy of your words at hand.

Edward Kofi Louis
Of Intimacy

Body language,
And of the level of intimacy;
It can gently soothe your soul but,
Let us love neither in words only.

I will give you my love in deed and in truth,
So call me always when you need me;
For your commitments are needed over here,
And the coffee shops will not run away from us.

Edward Kofi Louis
Of Love

In the wilderness of love,
Of the thick bushes that leads the way to the red sea;
So, hold on to the Valley of love beside you.
Of the sweet river of love,
Of the sweet milk that flows along it;
So be in the house of love with the romance that it brings.

In the picture of love,
Of the nakedness that we share on this passion;
With the aroma of a romance that leads to sex,
But all the flow of the milk in the river makes you shout for more.
Come and let us share this sweet love together,
Come and let us be in love all night long;
Like the sweet songs in the wilderness of love.

Edward Kofi Louis
Of Love And Time

My life through the startled air!
Beware of the branches of the palm tree;
And like the feelings of sadness,
Overcoming it with the affluence of love and time.

On my wedding night,
On your wedding night,
On his wedding night,
On her wedding night,
Like the skeletons left over after a feast!
But, my life is like a gesture of a command.

Of a joyous bridegroom through the startled air!
In a pleasant land to think about my Maker;
By land or by sea i will follow Him.
Love is sunshine but hate is a shadow,
The day is restless but the night is very quiet!
However, man is imperious but woman is feeble.

My life through the startled air!
From afar off with words from my mind to toch you;
And like the dexterity of my struggles in this world,
But this vessel is always strong to move on! !
My life through the startled air;
Though it bends me down, it will always obey my muse.

I saw the woman!
How beautiful that she was;
Wide open to the air with faces of her children.
My love is pure like a shape in the moonlight,
My heart is clean like the village's clock to lead me on;
For my wants are but a few on this journey like,
The affluence of love and time to overcome.

Edward Kofi Louis
Of 'Lust' And 'Love'

Life!
To take me ther;
Where is is guided with peace and joy.

Joy!
To change the whole world with peace, unity and love.

Life!
With a separation between the lines of 'lust' and 'love'.

Low, slow!
Man is imperious and, woman is feeble.

Son, soon!
Fully soaked after the rainfall.

Pen, hen, ten, den!
My love is pure like an image in the moonlight.

Love!
Like the shining of the stars.

Adult, adultery!
Led by the lust in you.

Start, startled!
Gesture, structure, picture, adventure, puncture, future;
Living between 'lust' and 'love' on this earth.

Edward Kofi Louis
Of My Tears In The Rain!

Of my tears in the rain!
Since you left me lonely without a trace;
Chain, rain, train, strain, stain, vain, main, fain, Cain, gain, pain! !
However, it was not on the same level but,
The Sadness on my face shows it all.

Of my tears in the rain!
But, are you willing to know?
For, you were nowhere to be found;
Even though you promised me,
And now, who can justify this act of yours?

Edward Kofi Louis
Of One Thing

Head, heard!
With a friend of yours;
Shade, crusade!
Of one thing,
And, to fall short.

File, stifle!
To prove yourself,
Fish, fished!
Questionable,
But, something is fundamentally wrong with you.

Age, dotage!
Old and weak;
Mars, marsh!
Living a normal life;
And, of one thing.

Sole, solemn!
Revealed,
A candlelight procession;
Accompanied,
With the muse of the works in the land of the living.

Edward Kofi Louis
Of Ourselves

Suddenly,
Surprise,
Impulsively,
And of ourselves;
But, isn't it my turn to write this poem?
Yes, i can feel it!
So i know that it is working;
I can hear the sound of it,
And i know that it is moving;
But, you are not left alone.
Swayed and lost,
But that wasn't what i meant to do;
So keep your word and do your best!
And do whatever you promised to do.
Sweet deal,
Sweet meal,
Cheers of love;
This is one of the best days of my life! !
But go ahead and find out the price,
And be ready to buy the posters;
For each fits all sizes and we are still together.
Smooth as silk and beautiful as the rose,
The muse of your love is well noted;
And it is a nice feling when i see you around me.

Edward Kofi Louis
Of Sheer Love

Fabulous,
Fantastic!
Exquisite composition;
My own feeble effort,
Your own feeble effort,
His own feeble effort,
Her own feeble effort,
And on demand like the pleasures around us! !
But, i will expose my love to you under the mango tree.

To you,
To me,
To him,
To her,
To us! !
And, from the heart;
Of sheer love,
But, under the trees to expose my love to you.

Cattle, battle, wattle, rattle, tattle;
Love the one who loves you and love the one who hates you! !
And like the magic hands of peace across the Queen's land,
But, try to understand my mind in the land of your muse.

Of sheer love,
Forward, backward, ward, reward, afterward;
For, i now understand who you are,
But, under the mango tree i will expose my love to you.

Edward Kofi Louis
Of The Act

A tenant impregnates a landlord’s daughter,
Of the act which has now brought them together to marry;
Living in the same house today,
But, the garden of my love is flowing with milk and honey.

The muse of life and the muse of love,
You are a gentle and delicate woman in the neighbourhood;
But, the young man came and took your virginity away!
All in the name of premarital sex.

The muse of life and the muse of love,
The lights were very dim on you people;
But, today, you call yourselves husband and wife,
Because of the pregnancy that came out from your act.

Silence in heaven!
And a noise was heard in hell;
Like the muse of the river that flows along,
However, you are called husband and wife today.

Edward Kofi Louis
Of The Deep

A parched land,
Prisoners,
And to walk through the wilderness!

Fatherless,
Motherless,
Orphans;
But unity in family is the key!

Provided,
Establishes,
Enjoyments;
Securely fixed together is the muse of your love,
And like the fountains of the deep.

Edward Kofi Louis
Of The Gossip

The culture of silence,
The sinister centrality of gossip;
But, his father is from Nkonya,
In the Volta Region of Ghana.

This language of yours is inquisitorial,
This language of yours is utterly insulting!
But, will your money also reach the poor?

To jumpstart the meeting!
By the influences around;
And like the history of Jamestown in 1607;
But, whatevr you do with your life today is your own choice.

Of an unexplored land!
of an unexplored love;
to the four corners of the earth.

Of the gossip,
Of the forerunner;
But a nuclear holocaust is ahead of us! !
With seven heads, two legs and two hands.

This is the right vision about the little horn,
Of the gossip;
With eyes like the eyes of man.

How long should i cry? !
Weed, feed, heed, need, seed, deed, reed, creed, greed, breed;
of horse swifter than leopards!
Of horses more fierce than evening wolves!
But, take heed that no man deceive you in this world.

Pierce, fierce!
of the gossip;
And, to be buried in it.

Let him or her who reads understands,
But, can you change a fish?
If yes; then, inot what form?
Because, a fish is always a fish.

To come to you with joy and to enjoy your company,
But, there is no true love in the world today!
Because, hatred and the very words out of our mouths have eaten us all.

Edward Kofi Louis
Of The Land

Of the land,
Of the air,
Of the water,
And like the muse of your love in the land of peace;
But try to understand me for who i am.

Edward Kofi Louis
Of The Land  2

Weeds! !
Leaves,
This looks like a peaceful act;
With the muse of the land.

Edward Kofi Louis
Of The Main Province

Love,
Of the the main province;
Seeing the eyes of the people,
With the joy of their hearts!

Edward Kofi Louis
Of The Many Changes

Wives,
Be very submissive to your husbands;
For these dead bodies over here are without minds,
And of the many changes of man after death!

Opportunities are as part and parcel of our lives,
So bring in your integrated life to support my own;
And of the successful acts to identify with the African norms,
For the norms of the world are like that of the Germans!

To offer help where it may be necessary and,
Like a meeting held in the Town Hall;
But be very submissive to your husbands oh women!

You are between the ages of 12 and 27,
But who can fill a coward's grave?
For liberty is in every blow and like,
Youthful poets with their youthful acts.

Exceeding was the love you shared with me last night,
And like the need of nature to teach us all on this earth;
But like the advice given on pregnancy related issues,
The earth is now identified by the norms of the Germans.

See and approach the truth always with a positive mind,
And like the stout of the heart and the strong of the limb;
But i am face to face with my dreeams!
But who can fill a coward's grave?
And like the message from an old man to share with us.

Edward Kofi Louis
Of The People

Customs and questions,
Traditions and answers,
With the muse of the cultures of the world!
Of the people;
From one's birth to maturity.

Edward Kofi Louis
Of The Quartet

They will never go out of it,
Because, they always enjoy to be in! !
However, the future war is near;
And, it is in the hands of the Quartet.

Edward Kofi Louis
Of The Red Carpet

Ball, wall!
Rush, crush;
Expressionist,
Of the Red Carpet;
One, done!
Words,
Outfit,
Rewards,
Art!
Shells,
Ocean,
Quiet;
Love,
Beauty,
Peace.
Green Rice and Brown Fish!
The light is calling;
Like the muse of the pleasure of the beautiful garden around.

Edward Kofi Louis
Of The Region

Love,
With the muse of the governor,
Of the region beyond the flowing of the river! !
Hearts in unity,
The waters of love with the muse of your
joy!

Edward Kofi Louis
Of The Sequence

Illegal lust,
of the sequence;
With the muse of the land,
And, of the consequences of your negative acts.

Illegal lust!
Sadden to hear that you roped the little girl;
In your land.

Quizzed!
Remanded;
After you were caught by the laws of the land.

Illegal lust!
Remanded,
Sequence, consequence!
In your township,
After defiling the 12-year-old girl.

Edward Kofi Louis
Of The System

Investments,
Discipline,
Of the system;
Prime, lime, dime, time!
Amazing,
Managing,
Beautiful thoughts! !
Press,
Express,
Access, success!
On the same road,
Wet canvas,
We all have something to tell in life;
With stages and places,
Along the way;
With the muse of a beautiful show.

Edward Kofi Louis
Of The Tea

People drink tea for many reasons:
One wants to feel the flavour of the tea,
Another wants to feel the taste of the milk,
And others want to feel the taste of the sugar!

Of the tea,
But with many reasons;
And this is the same like our lives on this earth,
But let us make the right choices always.

Edward Kofi Louis
Of The Truth

Believe in the light and, don't remain in darkness!

Believe the truth and, don't be very hard on others;

Believe in love and, don't live to hate others!

It is time,

For peace and love;

It is time,

For unity and joy!

To unite the world with the works of the truth,

To bring peace to the world than, with hatred and war.

Edward Kofi Louis
Of The Wolf

She ran and came to me!
Because, she was afraid of the wolf! 
But do not touch her,
For, we need to help her with the available shelter around;
And like the muse of love in the land of joy!
For, this wolf is still hiding in the thick forest.

Edward Kofi Louis
Of The Wombs

The Beautiful Gates of the wombs,
Viewing them with the very eyes of the Scribes and Pharisees! !
But, allow the pregnant women to enter in first.

There are rules everywhere!
And, laughter finds the hearts of many;
Coming out with joy,
To the Sheep Gate.

Calf, half, behalf!
Fresh today and, old tomorrow;
However, true love will always find you,
Even if you are hiding in a hole.

Edward Kofi Louis
Of Things Done In Secret

Of things done in secret and,
Of things hidden from your lover;
But, who will judge you of your doings today?
For, the lady you love in this town is married to another man;
However, when will you walk in the light? ! !
For, you've made darkness your friend.

Edward Kofi Louis
Of This Evil

Nakedness! !
Of this evil;
Exposing your body for money.

Edward Kofi Louis
Of You And Your Lover!

Thousands of flowers and candles of love,
Thousands of words and the peace of the mind,
And like the difference between the ages of you and your lover!
For an important issue is now at hand;
But, as we grow older, our memories try to fail us.

Health,
Brain,
Memories! !
But, until old age catches up with you;
However, to embrace diverse opinions may lead you on!
And like a comfortable seat in the valley of love.

Edward Kofi Louis
Of Your Works

Barley cakes,
Of your works!
Of your labour,
Of your patience;
But, do righteous and be accepted,
In The land of peace and joy.

Edward Kofi Louis
Of Your Deep

Of your deep,
Of your love,
Of your depth,
Of your care,
Of your height,
Of your peace,
And like a strange shadow in the land of your muse;
But the futile days gone by were all because of your great love.

Edward Kofi Louis
Of Your Dwellings

'You shall not covet',
So go into her and be her husband;
Pleasure,
Measure,
Leisure,
Treasure,
Water from the well! !
But you shall not eat any blood in any of your dwellings.
Probe, robe, scope, cope, flop, troop;
Open the mouth of your cave for the muse of my love,
And like the abundant rain on the plants.

Edward Kofi Louis
Of Your Name As Well

Somebody needs you more than you think,
Somebody wants you more than you know,
Somebody loves you more than before,
And like the reflections of your face on the surface of this water!
But the statesman came along asking of your name as well,
Because, you've made known your name in this town!

Edward Kofi Louis
Of Your Negative Acts

Acts! !
Of your negative acts,
Contrary to what the Bible says;
Preaching and teaching the people,
But your works are contrary to what the Bible actually says.

Edward Kofi Louis
Of Your Vow

Your lips dropped the sweet of the honeycomb and,
Your breasts fed among the lilies;
Beauty is your name so sweet my love!
And, i will always search for you with my heart.

Kiss my lips and let me feel your taste!
Show me your love and let me satisfy you;
For i have an excellent thing to share with you,
Knowing what you are made of.

Of your vow! !
I can read your mind and know your story;
For, your praise endures forever on this love!
Like an apple on my lips; a sweet woman like you.

Edward Kofi Louis
Of Your Works

Legacy,
Works,
Of your works;
In the minds of the people.

Edward Kofi Louis
Off The Tracks Of Peace

From hostage to rasisms,
But the myths of love live on;
And like a poetry of freedom in the land of war! !
But the hostage of the myths had led us all off the tracks of peace.

Edward Kofi Louis
Off The Wall

Off the wall! 
Off the solar rays;
To the grave of idols,
But, i am here to stay with my works.

Cold Autumn nights,
Walking in the rain with my umbrella;
Where is the summer to warm me up? !
Oh! Summer lover;
Your words of comfort,
Then comes winter as my heartbreaker!
And to accept things as they are;
In the name of the seasons,
Not forgetting Spring time.

Love,
True love;
You will always come back to me.

Autumn's leaves,
Summer's heat,
Spring's flowers,
Winter's cold;
From abstract to realism! !
You will always come back to me.

To eat the meal!
By the eastwind of your love;
Compassionately,
And, all who have ears will laugh together with me.

Listen to my voice! !
Tell me your dreams;
Liste to her voice!
tell her your dreams;
Listen to his voice!
Tell him your dreams;
Out of the river of life!
Like the muse of a woman with her child.
Out of a pleasing aroma,
Love in the garden of peace!
Compassionately with the fragrance of life.

Edward Kofi Louis
Off!

In the room,
Working with the machine;
But, this thing cannot function properly today,
So, i have to switch the power source off!

Edward Kofi Louis
Offer The Truth To All Mankind

Life is full of surprises! But true love is the best therapy; so, move along with your works without hurting your neighbours. Live in peace! ! Share with others without racism.

Love and life! ! According to righteous characters! With the muse of righteous laws. Build up your status in life with positive morals! ! Live in peace with your neighbours; offer the truth to all mankind.

Edward Kofi Louis
Offerings

A piece of pottery,
From the potter;

A piece of poetry,
From the poet;

Porter, potter!
Carrying the big pot.

Inspiration!
Preparation,

Seeking for the ways of peace to start with;
And to accept offerings for the joy of the land.

Edward Kofi Louis
Office

Off!
Of,
Stoff,
Office;
Home,
Pages of life!
Passages,
Stages,
Sages;
With your muse.

Edward Kofi Louis
Office, Orifice!

People!
The sea of life;
Love is a beautiful thing.
Office, orifice!
Tone,
Stone,
Atone,
Done,
Undone,
With the muse of Soan Valley!
Viewing it in your land;
Like a tapestry.

People!
Jocund,
Tuft,
Clip,
Moon,
Zoom!
Noon,
Surf, turf!
So harsh to bear;
Twig, wig!
Like a timed incident,
But, do call me whenever you need me.

Edward Kofi Louis
Offices

Positions and offices,
Come to my home to understand my muse;
For the impact of the present society is around me.

Edward Kofi Louis
Special,
Official,
With the muse of your sweet love;
You're beautiful.

Edward Kofi Louis
Officially Took On

He officially took on my name and,
He became my child;
So try to teach him about true-love,
And like the flowers of love in the land of true-peace!
But the day comes when he will respect me for what i am.

Edward Kofi Louis
Off-Set

Planks of pine,
Narrow off-set ledges;
In that day the missing child will play by the hole of the asp,
For your love to me evaporated like the morning mist.

Edward Kofi Louis
Offside

Side,
Aside,
Ride!
Not with pride;
Outside,
Inside,
Offside.

Edward Kofi Louis
Delivered!
To you;
Delivered!
For you;
Delivered!
With you;
Delivered!
By you;
And like the muse of love in the land of peace!
But, you are a slave to somebody;
And, i am Ofosu from Ghana.

Edward Kofi Louis
Oftentimes

Content,
Important,
Contest,
Oftentimes;
Climax!
With the muse of sweet love.

Edward Kofi Louis
Oga

You've turned over me and the will not help you,
For i do live by the rivers of love;
And, you really know that.
Oga, i am the lady of the rivers;
But you've denied your previous responsibilities!
And these rivers flow like the muse of my love.

Edward Kofi Louis
Ogbono Soup

Original works with righteous morals,
Gain wisdom and live in peace with your neighbours;
Based on righteous laws!
Offering the truth to all mankind,
Noted with servitude and attitude,
Only to teach the truth.

Sharing and caring,
Onward with positive morals!
Under the umbrella of righteous laws;
Presenting your works to the world with peace and love.

Edward Kofi Louis
Ogoni, gin, in, go, on!
To reconcile,
To take a step forward;

Negligence! !
To come to your senses;
And, to restore peace.

Think, thin, tin, ink, in, it;
Insecurity! !
Overwhelmed with the works of the land.

Edward Kofi Louis
Ogunade

Ogunade, gun, do doe, end!
But, i am her husband;
Go, Dan, Ade, and, on, no!
Fresh out of prison! !
Like the story of the black book of love,
Like the story of the white book of peace,
Like the story of the red book of care,
Sparks!
But, i am fresh out of prison.

Edward Kofi Louis
Oh Earth

To the nobles of Yahdah and Yerusalem,
Seventeen Shekels of silver for my bride;
For the virgin will rejoice in a dance like the Gaelic Scotland.

To the ancestral spirits and to the lake of love,
And like a well-watered garden of love!
But i paid seventeen Shekels of silver for my bride.

Of sacrifices offered to the dead when,
People are led by Satan in this world!
And my heart is broken inside for what i do see around me.

What is the chaff compared to the wheat?
For they are hanged in broad day light;
And to the grave of the rich and the poor people,
But the virgin will rejoice in a a dance like the Gaelic Scotland.

Earth, man, beast and the heavens! !
What is the chaff compared to the wheat?
And from Yerusalem to Babylon,
With contemporary polytheisms to crown the day!

To the grave of the common people and the grave of the great,
You will fall and rise no more oh pirates! !
And like the post-mortem status of the individual,
But with the story of your life in Egypt for 430 years!

Bloomed by the wind and loved by the people,
I am like a leaf floating around you in the air;
But the butterflies do know my name,
For the licentious feasts of lust and sexual excess is not part of my muse.

A cry from Abarim! !
But oh earth, can you understand what i am saying?
And like a pain of a woman in labour,
But drink and be drunk and vomit it out!
For what is coming against you is surely around you.
Edward Kofi Louis
Oh Johnson!

Oh Johnson let me in!
For i have interminable stories to tell you;
And let me express my feelings to you.
Remember the time and open your door!
With the message of love to free your mind;
And like the nakedness of a ship flown by a captain.
Adventurous and dynamic! !
With the pleasure things to touch your mind;
Like relationship and sex,
But, wait till i am ready.

Edward Kofi Louis
Oh Kay!

Oh kay!
To stay at the bay with your lover and,
To say something to Jay;
With the advantage of the day on your side.

Bray, tray!
Like one who goes astray in life;
But you have a mission on this love,
And to pray than to play.

Stray, lay!
But with a way on this vision;
The vision of love,
Knowing where to lay your head at the bay.

Edward Kofi Louis
Oh Libya

I am poured out like water and,
All my strength has left me;
And ym heart is now like wax!
For it has melted within me.
Oh Libya! ! When will the bombs stop?
For my strength is now dried up like a pottery shard,
And my tongue clings on my jaw because of what i see on my T.V.! !
For many are brought to the dust of death so soon.

Edward Kofi Louis
Oh Life!

Life,
Oh life!
Throwing us overboard,
Here and there,
Facing the odds,
Hustle and bustle!
Life,
Oh life!

Edward Kofi Louis
We love nakedness more than covering ourselves in this world,
But my love is ascending from the east with the untimely figs;
And the palm branches of your love are all that i need to see.
My love is to all nations, tribes, peoples and tongues;
And of the shame of your nakedness that is shared by many!
But do anoint your eyes with eyelids that you might see,
And don't let me spew you out of my mouth like the beast.
Oh Lucy! Why are you sharing your nakedness with all the men? !
For many have come on this love and i have seen enough,
But to cover yourself is better than the sins around you.

Edward Kofi Louis
Oh Mighty One! !

Why can't i hear your Voice?
Oh Mighty One! !
For this pain had taken longer than i thought;
So, come quickly and save me from the hands of my enemies.

Edward Kofi Louis
Oh My First Love!

There is no law for love than,
It coming straight from the heart;
And, money is not everything in this life,
For, those who have it, have no rest.

Satan works through deceptions!
But, i am with the Songs of Solomon on this mercy seat;
So, come to me and, let me show you my love,
With the peace of the mind at rest always.

Oh my first love!
Tasteful and of a high quality;
And like the confessionals with the wheels of nature,
However, a person who fulfils his or her promise is faithful.

Edward Kofi Louis
Oh My Lover!

Oh my lover!
Why are you like a traveller who stays only the night?
Why are you like a man who is unavailable when needed?
And like a warrior who cannot help when most needed;
For the cold comes and,
I will always be alone waiting for you on my lovely bed;
Because you are always not there for me! !
Not even when the sun shines.

Edward Kofi Louis
Oh Please

Oh please,
Oh please,
Oh please i need your love!
For the rain in falling and,
I need you on this love;
Because i met your presence and now,
I want you to come for my love!

Edward Kofi Louis
Oh Sweet Love!

Oh sweet love!
My heart bleeds in search of my beloved;
Through the rough roads,
Going through rough times,
Hoping to land on your bed one day.

Edward Kofi Louis
Oh That View!

Couch on the chest,
Best of your view;
Pest in the land,
With the test of the old ship sailing on.
Sea shells!
Simple landscape;
With the muse of the couch on the chest.
Oh what view!
With a parable and the paradox of the country;
Blues,
Sunset,
With green eyes and red eyes;
Remembering the ring of love.

Edward Kofi Louis
Oh This Woman!

Oh this woman!
How she also died and left the world;
After getting the shock from her husband's death,
Who died earlier on.

Edward Kofi Louis
Oh Tobias

They lusted exceedingly according to the flesh but,
My love to you oh Tobias comes straight from my heart;
And i am walking on the dry land to meet your love.

Edward Kofi Louis
Oh What A Night! !

The feeling is right,
Bright light of true love,
Oh what a night! !
With the delight of your sweet muse.
Sight!
With the insight of your joy on this love;
The might of the truth,
Oh what a night! !

Edward Kofi Louis
Oh Yahweh

Oh Yahweh,
You are my Father;
And i will exalt You!
I will praise Your Name;
For, You have done many wonderful things for me! !
And Your counsels of old are faithfulness and truth.

Edward Kofi Louis
Oh, Jamaica! !

Oh, Jamaica! !
Mother's homeland;
You promised to call me but,
You are now very mute.

I saw the fears in your eyes with the muse of your heartbeat! !
Like silent rocks without words;
Oh, Jamaica! !
You are the apple that i see;
Because, knowledge is the frontier of tomorrow.

My mind!
Educated enough,
With the muse of positive morals;
To overcome false assumptions in life.

Optimist,
To grow up;
With the power of wisdom in life! !
And the progress of my sweet love in the land of the living.

Teach others about the rules of life!
With positive morals;
Life with the muse of my homeland,
Oh, Jamaica!
Able to touch the world with my mind.

Edward Kofi Louis
Ohmstedt

Spread out your love and spread out your wisdom around,
And share your peace and your care along with me;
For i am Ohmstedt withz the speech of love,
But the head of the cornerstone is now like the muse of your love.

I've got something which they can never take away from me!
But the fire of hatred is now burning everywhere! !
And they can't stop the time around us on this earth,
For your sweet love is what makes me living on and on.

Edward Kofi Louis
Oil

Oil!
With capital gains;
Bright right! !
With the passage of the light;
Mandates! !
With the insight of the work around.

Edward Kofi Louis
Oil Of Gladness

Love,
With the oil og gladness;

Love,
With the muse of righgteousness;

Life,
With the muse of peace;

Love,
With the joy of your heart!

Life,
Putting a smile always on your face.

Edward Kofi Louis
Oil, Turmoil!

Oil, turmoil!
Scared;
With an odd experience acted today!
At the place of work;
And, on a sour note.
Sew, skewed!
To overshadow a vision;
And, to demonize and vilify! 
With another side of the story today.

Edward Kofi Louis
Oisin

You will be joyful with me when the sun shines!
Sweet love brewed in Africa;
For, th oil of your love will melt down deep,
And like a venting feelings of a case to deliver.
Been, bin!
To be with you and to know your ways;
Oisin my friend with the muse of love.
In, Inn!
To cultivate my mind with the works of peace;
And, with the muse of love that leads to unity.

Edward Kofi Louis
Oju Elegba

Onward with positive morals,
Journey of peace and love!
Under the umbrella of righteous laws.

Encapsulated! ! With the odds of life;
Living and learning always,
Exhibited with the colours of creation,
Gained with the rules around,
Bringing joy to all! !
Accepting all mankind without racism.

Edward Kofi Louis
Okai

I taught you how to succeed and i brought you up to succeed!
But to be let out is the muse of your love;
Because you met Okai along the line,
And everything in your life changed towards me! !

Edward Kofi Louis
Okaikoi

Okaikoi, oak;
You invinted her in;
And, to put her to test!
Genre,
Peace, each!
With the mixed edition of your love;
Like the young lioness of Africa.
Muse, life, love, peace and joy!
To rub shoulders with her,
With the muse of her looks;
From the day one that you invited her in.

Edward Kofi Louis
Okan

Gone are the days when men were women,
Gone are the days when women were men,
Gone are the days when children were parents,
Gone are the days when parents were children,
For he was very handsome and she was very beautiful;
But the unsurpassed love for you is all that i share and,
I am so much in love with you.
Okan, i still remember your luscious affair at the first night;
And your sweet love will always be in my heart.

Edward Kofi Louis
What is my crime and what is my sin that,
You 've hunted me like a thief? !
But the drought consumed me by day and,
The frost consumed me by the night;
For Yahweh has seen my affliction and labour of love.

'Yegar Sahadutta! '
The 'Heap of witness of Witness' came;
For i don't know what i have done to Okine.
I am torn by the wild beasts of his traps and,
I still don't know why he is against me;
but, i will be buried in my full old age no matter what!

Edward Kofi Louis
Oklahoma!

Waiting to achieve this goal,
But, why are you now hiding from me? !

Goal, charcoal, foal, coal, shoal!
To the point of love;

With the muse of a relationship,
Formed, performed, informed, reformed!

To press it on,
With purity;

To do it right,
Gaining the blessings of the land.

Oklahoma!
Dark, cold, warm, hot, support, defend;

Still searching for you,
Lost without a trace;

Waiting to achieve this goal,
With the hope of meeting you once again.

Edward Kofi Louis
Oko

You will also do it,
So try and be a writer;
For, a caring mother cherishes her children.

In the night,
And like 'Route 66' in the land of your muse;
Sooner or later,
And like a cup of coffee or a cup of tea;
For the farmer who gives his labour out has,
The right of the first share of the produce.

She has chosen him,
And Oko is his name! !
But it will spread all over like the gangrene,
And like a loyal soldier in the land of your lovely muse.

Edward Kofi Louis
A deep sleep fell upon man and,  
There came a vision of a poem like this to toch you;  
A deep sleep fell upon Abram and,  
The law was given to him;  
A deep sleep fell upon Adam and,  
Out of him came Eve;  
But Abram heeded the voice of Sarai.

Okoe, Hagar was an Egyptian maidservant;  
But you are mine forever!  
So come straight into my arms of love and,  
Let us crown the day with the sweet muse of love.  
I am in love with you and i will be there for you,  
So let this sleep also fall upon us to swing the muse;  
For in your bed i will lay always.

Edward Kofi Louis
Wonders!
Glamour! !
Of the great King;
On the Golde Stool.

The Golden Stool was commnaded from heaven!
With the muse of 'Okomfo Anpkye';
To the 'Asante Empire',
Because, his friend was 'Osei Tutu'.

About 1695, 'Osei Tutu' was enstooled as the 'Asantehen';
After the death pf 'Obiri Yeboa'.

People gathered to watch the great 'Okomfo Anokye'!
To the enjoyable fact and, a notable history of the Asanti Kingdom;
And his time was right to muse the people with his spiritual powers! ! !
Then, 'the Golden Stool' landed from heaven.

Flare, glare!
This Golden Stool is now the symbol and the soul of the Asante people;
And, 'Okomfo Anokye' will always be remembered.

Edward Kofi Louis
Okon

You are an astute policeman,
But with words flowing out of your mouth like the River Jordan;
So do learn from the Bible Code and,
Keep your life going at all times to satisfy your wants.
You need to do your best at all times and,
Do face the world around you with peace than hatred.

Of camels loaded with spices,
Come ans spice up my love with the sweet muse of life;
Like the caravan of Ishmaylites on a desert road.
Okon, how is life over there in Nigeria?
And do take rest in the afternoon!
For, i am now walking better in the wilderness of life.

Edward Kofi Louis
Okra Soup

Ladies' fingers!
Your okra soup,
Seasoned with love;
But, help me to believe in you once again.
Love!
Publishing it to help others;
Love!
Being a light to others;
For, i am like a gift to you.

Edward Kofi Louis
Okyere

The price of wisdom is above rubies and,
He who is quick tempered acts foolishly;
But I am the food to the hungry always.

To my roots,
The evil will surely bow down before the righteous;
For I will share my love with you alone.

Oh Okyere, you need eight ounces of silver on my love;
Like Abraham and Isaac who stayed in Kiryah-Arba.

Come to me as well and,
Come and learn the muse of life;
For life itself is full of highways at times.

Edward Kofi Louis
Olando

I do have a job for you my sweet Olando,
And like the pilgrim of the bulls in the thick forest;
But, try to know and understand my muse when you knock at my door.

Edward Kofi Louis
Old And New

Old and new,
But i can’t turn back the years gone by;
Old and new,
But i can’t turn the hands of the clock;
And he came and stole your hear away! !
That is why i am here alone to testify for all that occurred.

Old and new,
But it was in your eyes when the rains came down;
And, how can i easily forget about this experience?
But, somewhere someday i will find you once again.

Separate line and separate lives,
With the old and new stories to tell about life;
But, i want to be myself today against all odds!
From a distance to another distance,
But, i will always find my way home.

Old and new,
But extremely close to life’s own adventures in the name of Nature’s own hands!
And with circumstances beyond my control like the muse of your love in the desert;
But, nobody knows tomorrow! !
And, i will always remember life’s own blues on me alone along the line,
However, i will always do my best to do right thing.

Edward Kofi Louis
Old And New Faces

Like the times of the past;
And like a prophet floating around with the wind.

To the forest,
With the Bushmen;
Meeting old and new faces,
Like rivers and streams.

Of the games!
Cede to;
With the playing time.
Valour, velour!
Like a prophet floating around with the wind.

Edward Kofi Louis
Old Dear

Old dear in the cold,
Like old deer in the thick forest;
The hold of nature,
To behold life!
The delight of creation,
Fold, sold!
The truth is more than gold.

Edward Kofi Louis
Old Farmhouse

Old farmhouse!
Lovely,
Gently,
Tenderly,
True love;
Resting,
With the joy of your heart.

Edward Kofi Louis
Old Flame

Old flame,
Old love;
Still attached to her,
Memories! !
Some years back.

Edward Kofi Louis
Old Folks

Old folks,
Washing and baithing in the river;
To keep your eyes on them and nature!
Anytime and everywhere,
And, to play with the muse of life.
This side of the world,
This side of the river;
With the exhibitions of the village.

Edward Kofi Louis
Old Harbour

Love and joy!
At the old harbour;
Meeting you,
Sharing with you,
Dreaming along!
In the name of love and life.

Edward Kofi Louis
Old Hopking

Old Hopking!
Where is the love that you promised me? ! !
Because i have been waiting all day long and,
i cannot find the way through the bush to your house;
And like the land of joy with many flowers to meet,
But you are all that i need.

Edward Kofi Louis
Old Man

In your own imagination i am an old man,
But this old man does want your love;
So do not be afraid of me,
For i am the one who really care for you.

Edward Kofi Louis
Old Memories

Captaincy,
Assertion,
Of the last two,
Old memories,
Red den!
Over the north pole;
Let me cry! ! !
With the muse of my past;
With another type of fish on the table.

Edward Kofi Louis
Old Pool

The two walls of the warer of the old pool was visited last night,
But a man’s wisdom lights up his face and changes up its hard appearance!
And like a great blaze of light flashing suddenly out from heaven,
But wickedness will not deliver those who practice it.

Edward Kofi Louis
Old Prophet

Come home with me my love and,
Do refresh yourself with the sweet aroma of my beauty;
For you are the old prophet on my love and,
I really love you.

Edward Kofi Louis
Old Road

Old road,
Dead toad;

Old coast,
Dead goat;

With the muse of nature!
As the storm came along.

Edward Kofi Louis
Old Soldier

Old soldier never dies!
So, rise up and take up your position in the world;
Because, love is better than hate.

The laws are there! !
For all of us;
Righteous Laws are forever,
Able to make us straight.

Old soldier,
Wake up and learn from the truth!
Able to lead you on,
With love than hate.

Edward Kofr Louis
Older

Older,
Much bolder!
Settled into the valley;
The holder of love and, the works of peace.

Edward Kofi Louis
Older Than

You are not older than your parents who gave birth to you!
Neither are you older than the elders in town;
So, try to listen to your parents and the words of the elders,
Because life is full of rules!
And you may easily burn your hands if you do not listen to them.

Life is full of experiences,
And experience is the best teacher!
That is why you have to listen to your parents and your elders,
Because they have had enough life experiences! 

Edward Kofi Louis
Older Than You Think

Gold!
Older than you think;

Man,
Younger than gold;

Because, gold was there before man,
With the muse of creation.

Edward Kofi Louis
In the jungle of love!
And like a dream to the world so sweet;
But, coming out of the jungle was like,
True love in a chocolate factory.

Life!
With an adventurous person;
Love!
You're so beautiful to me;
Wire, tire, mire, fire, lire, sire, hire, quire, shire!
And like the muse of your love in this jungle;
But, i am Olic working in a chocolate factory of love.

Edward Kofi Louis
Oliva

I am from Sierra Leone and Oliva is my name,
But with words of war that saw my past!
For many are now dead and gone,
But the diamonds still remain under the earth.
Oh Sierra Leone! ! It was all because of Diamonds;
And i am a 13 year-old who has lost both arms,
And i am now pregnant to the very Rebel who maimed me.

How can i give birth and be able to hold my child?
And of the mass rape of the women to think of;
The wide spread of amputation of the limbs,
And of the toddlers whose arms are chopped off too!
Oh Sierra Leone! !
How the diamonds came and made me sad.

Edward Kofi Louis
Olive

Olive,
To live,
To lie down on your bed;
With the muse of your mind,
And the beauty of your body.

Edward Kofi Louis
Olive Oil

Soil,
Oil,
To live;
Mankind,
Plantation,
Work,
Not to spoil! !
Vine,
Coil,
Vineyard,
Toil,
Olive oil.

Edward Kofi Louis
Oliver

Deliberate distortions and,
To the acknowledgement of the birds!
But it was found not far away from your home.
Oliver! ! You are just one of them;
And like the uneven ribs around the clock,
But i have an idea to share with you.

Edward Kofi Louis
Oliver 2

Oliver had fever,
But, be forced himself to swim;
He accidentally fell into the river!
And destroyed his liver.

Edward Kofi Louis
Oliver & Co.

Liver,
Oliver & Co.;
Health and wealth,
With the worth of the truth.

Edward Kofi Louis
Oliver!

Liver,
Silver,
Oliver!
River,
Clever,
Believer,
Fever,
Ever,
Wherever,
Over,
Moreover,
However,
Either,
Whenever,
Neither,
Never,
Lover,
Forever! ! !

Edward Kofi Louis
Olivia

The head of the woman is the man and,
The head of the man is the Creator;
But, children are always trained by the woman.

Eight threads and five knots,
Of the 613 laws given to mankind;
But the woman should be ready to teach the children.

Olivia! The numerical value of 'Achad' equals to thirteen,
And it is the secret code of Yahweh to guide you on;
For the duty of the woman is to train the child.

Edward Kofi Louis
Olsson

A Piece of your love is needed on this peace signed between us;  
Because, hatred abounds in where there is no love.

Map, cap, rap, sap, nap, wrap, clap, crap, bap!  
I am Olsson living in the land of joy with my muse;

Crap, clap!  
But, i want to meet you tonight.

Clap, lap!  
With a noise coming out from afar like, the drums of the jungle.

Love!  
It can lead and teach you the right way;

Peace!  
It brings harmony to all.

Edward Kofi Louis
Olusegun

Olusegun, Segun, sue, so, go, glue;
Participation!
Delegation,
To observe the polls.
Olusegun, Olu, lose, gun, sole, use!
Participation,
To the beautiful block,
to the resort,
Over the years! !
And, with the sweet muse of your love.
Olusegun, sun, son, on, no, lose;
Sort, resort!
And like the court cases;
But, this level is now being recommended to you.

Edward Kofi Louis
Oluwaseun

Love, dove, drove, rove, wove, move, strove, stove;
And like Australians and crocodiles! !
Nut, oluwaseun is my name;
So, sow for yourselves righteousness and reap in mercy!
For, the bullets of war are not helping us.

Shove, shrove, grove, cove, hove, trove, prove;
Seeing what is going on in Syria and thinking about the human race;
But, Oluwaseun is my name;
So, sow for yourselves righteousness and reap in joy!
For, the bombs are now killing us all.

Edward Kofi Louis
Omar

I came to the woman by night and,
She told me of what Omar had done to her;
But the rabbits and the carrots are not part of her name.

Edward Kofi Louis
Omari

On the spot of guidance and,
On the spot of love;
With great applications to flow with the muse of the wind!
And with loyalty and acknowledgements to your heart.
Love!
Mooted with ideas like the muse of the bath tab;
And, to touch you all over like the songs of the birds,
With scales and fins to swim with you together in this deep blue sea.
Shear, shearwater!
Omari is your name and, i am in love with you;
Water, shearwater!
With the muse of nature;
Shear, hear, ear!
On the spot of love.

Edward Kofi Louis
O'Marley!

O'Marley!
This is my name and,
I am here to help you;
For, i heard your call and,
I am ready to guide you on.
Through this narrow path,
Along this road of arrows;
But, with the muse of my love to guide you on!
For, the bones of these dead bodies are full of marrows! !

Edward Kofi Louis
Omega

To be very beautiful and to be very lovely,
I am Omega in the land of your muse;
But the days of the rains are like the days of your love,
So be ready to share my love with your sweet muse.

Edward Kofi Louis
Omens And Rituals

The Book of Holidays,
And with omens and rituals in the land of your muse!
Because of your nakedness on this summer trip;
And, this had led many to sin.

Edward Kofi Louis
Omission

Commission, mission, omission, vision;
But, if you believe in it, you can do it.

The perfect way of life,
Put on the new man to live a better life.

The perfect way of life,
Put on the new woman to live a better life.

Transmission, expansion, illusion, passion!
Start to build the home than destroying it.

In the words of the people!
And like gold found in the Amazon River.

Edward Kofi Louis
Omotuo

Omotuo, moot, to, Tom, out, too!
But, communication is the key about life;
However, let us do it well with sincere love.

Respect is the key about life!
Caring for all mankind;
However, some people are born to be creative while,
Others are born to copy.

Hood, wood, mood, food!
Port of call,
Preparing your meal;
However, love who you are and stand up for the truth always.

Edward Kofi Louis
Omri

Love brewed in the African pot!
And like a cry from a brave in search of you;
But, my Skin colour is right here before your eyes.
You are so sweet as the red wine around!
And true love is the signature of your heart;
So, in the neighbourhood, i will seek and look for you.
Brew, drew!
With the sweet muse of love in the land of the living;
Hew, chew!
With the very ways of life to respect your muse;
But, your name is Omri in the land of he living,
And, i will always bring my love around you.

Edward Kofi Louis

Firm and steady!
With your acts on stage;

With the level of your influence;
The muse of your age,
Honoured with your works.

Edward Kofi Louis
On A Mission

Step by step,
Accompanied with love;
Hand in hand,
Learning and sharing in peace;
But life is full of many wonders!
However, the works of many are tired down like goats;
As the sun rises from the east.

Signs and wonders!
All over the world;
But, seek for peace and live with your neighbours.
Harbour, neighbour!
Without intimidation;
But, with the glory of true love.

The muse of life and the muse of joy!
With a full vision in mind;
As one takes on a mission,
Across the land of hope and peace.
Will, willingly!
For what is sweet is now in the pot of love;
Ready for you to share with me.

Edward Kofi Louis
On A Positive Note

Normal,
Abnormal! !
With the state of things on earth today;

On a positive note.

For, you've now displayed your title to me.

In,
On and off!
Mute;
But, this programme is about the muse of your love! !
And like your new subtitle as seen on the screen.

Edward Kofi Louis
On And On

To write it on and on,
To think about it on and on,
To learn it on and on,
To say it on and on,
And like how to write a stroy;
But, i am having the great authority with my muse today!

Edward Kofi Louis

Blue;
Facing the ways of life on earth.

Edward Kofi Louis
On Earth 2

Problems,
With hardships!
On earth;

A hired man,
A hired woman,
A hired child;

Waiting for wages,
Like a slave who longs for the shade;
However, who the cap fits must wear it.

A weaver's shuttle! !
Life is only a breath;
Being born and to face problems.

The problems of life,
Coming out from here and there! !
With the hope of overcoming them.

Edward Kofi Louis
On Earth 3

Widow,
Fatherless,
Orphan,
Poor and needy;
The light of the sun shines upon us on earth!
Including the rich ones among us.

Edward Kofi Louis
On Earth Today

Who will hear me? !
Who will save me?
From the hands of evil men and women;
On earth today.

Edward Kofi Louis
On Every Side

Terror!
Like lions coming out from the flooding of a river;
On every side.

Desolation!
Of the reproach;
And, of our sins on this earth.

Curses!
Afflictions,
With hatred and war on every side.

Illicit,
Evil!
With the muse of the devil always in your mind;
As you pick up the gun.

Edward Kofi Louis
On Fire! ! !

On fire! ! !
The desire,
Your desire,
Of your inner self,
Seen in your eyes;
In need of deep love,
Able to satisfy the flow of the sweet water.

Edward Kofi Louis
On Foot

To go about,
On foot;
To buy grain,
Gain, rain!
Pleasantness;
Derivation,
Corresponding!
Like a Lieutenant meeting a Prince.

Edward Kofi Louis
On His Armour

The one who first puts on his armour should not boast like,
The one who takes it off! !
For the truth is very bitter to the ears around you,
And the way of life today is now being disturbed with lies!

Edward Kofi Louis
On His Journey

Sides, slides, resides, subsides!
But he continued on his journey,
Hoping to reach to his destination one day;
Seeing things along the way,
On his journey;
Washed with the works of the truth.

Edward Kofi Louis
On Its Axes

The wind!
The mind;
The wind blows and,
The mind thinks;
As the globe rotates on its axes.

Edward Kofi Louis
On My Breasts

The whole house was filled with the fragrance of the ointment,
Hosanna! Hosanna! !
And like a man riding a red horse;
So sit beside me and lean on my breasts.

Edward Kofi Louis
On My Laps

There is something between the legs and,
There is something between the lips;
But love does crown the way always,
And, here we are today!

I can converse with the intelligent beings,
But this love is hotter than July! !
And, i can make you sleep on my laps;
For your kisses are like the white calabash around me,
And like my maid who cleans my house in her bikini.

From the napkins to the blankets,
From your roses of love to the kisses of your lips,
And like, tending my garden and planting my seed of love;
But, i can k´make you sleep on my laps.

Edward Kofi Louis
On My Lips

To work like a donkey in Asia and,
To eat like a monkey in Africa;
We are down to earth to stand out among others,
And from'dreamontology' to 'dondoorlogy' to set up my muse.

Deep in my heart and sweet on my lips,
Of the flowers of beauty around me;
And i have the hole to hide away my fears.

Romance sweet romance,
And suddenly it was all over between us;
But the bottom of my heart is always true.

Edward Kofi Louis
On Our Bodies

Your body,
My body,
Our bodies;
Illegal lust!
With the shadows of our sins among us.

The muse of the lust of this world!
Of the path well trodden;
Strong wind!
With the blue waves;
Stripes!
On our bodies.

Flow, low!
Flush, push, blush, hush, mush, Cush, brush, lush, rush, crush, gush, bush;
Illegal lust!
With the shadows of the evening across the sky.

many, any!
With the stripes on our bodies;
Blush, flush!
With the muse of our life-styles on this earth;
Blush, hush!
Please, lease, ease, tease, cease, crease, grease;
With the illegal lust of mankind.

Edward Kofi Louis
On Seven Hills

Rome!
The Great City that sits on Seven Hills;
But at 9:30 A.M. CDT,
I will click on to Sermons to learn from the truth;
For, the Signs in the Clouds are now clear to see.
Pure impart!
Stamp it and sign it;
But criminal minds have taken over the earth as at now! !
And, i need the colt of the donkey to lead me on along this narrow path.

Edward Kofi Louis
On Stage

Casting show,
Late night show;
Sages!
On stage;
With the umbrella of the public.
Beauty!
With the way men look at you;
Attraction!
With the way men look at you;
On stage.

Edward Kofi Louis
On Stage 2

Stage, sage, age!
With your works,
Married over 30 years,
With 10 children;
As you told the Reporter.

In the cage!
With the muse of the bird on stage;
Showing your skills,
Acting on the stage.

Life is a journey!
With the expressions of nature;
Able to come on stage today,
To expose your skills.

Edward Kofi Louis
On That Lonely Hill

Nature,
Lovely to life but,
You were found alone!
Lonely,
On that lonely hill;
Crying for help.

Edward Kofi Louis
On The Coast

A spy!
Acting like a fisherman;
On the coast,
But, the heavy rain came along!
And, swept everything away from the coast.

Edward Kofi Louis
On The Coastal Plains

Petals of love,
Petals of these flowers;
Living through nature,
On the coastal plains of the Atlantic Ocean.

Love and dreams!
With the muse of life;
Try to rescue me with your love,
Let your kisses be all over me.

Clue, glue!
With the muse of love and nature;
With harmonic flow,
The glow of life.

Edward Kofi Louis
On The Donkey's Back

On the donkey's back!
Along the narrow path with the load;
Seeing the landscape of the village.

Edward Kofi Louis
On The Edge Of My Seat

Muse,
The view!
On the edge of my seat;
Love,
Working hand in hand;
With the sweet muse of peace and joy.
Life,
Like a man with a black tie and a black suit;
Lung, slung!
Soluble,
With the muse of life;
Stratosphere,
With the muse of love;
Suit, suite!
Like a woman with a red hat;
Suitable,
On the edge of my seat.

Edward Kofi Louis
On The Island Of Salt

The region of salt,
The Island of salt,
With the muse of plantains and beans;
But, put on your Jeans for the work.

The muse of life!
Three days through the desert;
But, put on your Jeans for the Job.

Life!
Living on salt;
With the caravan of salt as seen on the desert,
In Ethiopia.

Hut, nut, put, but, gut, abut, rut, cut, out, brut, about, shut, glut, tut!
Selling eggs alonf the line to make a living;
And like pepper added to salt in your soup.

The muse of life!
To understand the ways of salt;
The muse of love!
To have the knowledge of salt;
And, working on the Island of salt.

Edward Kofi Louis
On The Loose!

Lust,
On the loose!
Strolling on the streets;
In the dark,
Mostly at night.
Lust!
From thier own homes;
Bringing out this act to the world at large,
With immoral character.
Illegal lust!
Strolling on the streets;
Mostly at night,
In the dark.

Edward Kofi Louis
On The Old Couch

Lazily,
On the old couch,
With the small pillow just beside me;
But, to dreamland!
Because of my tired body.
Choose the first one and open the door,
Choose the second one and close the door!
Coming in,
Coming through,
Once in a lifetime! !
But, over and over again;
Because, i was waiting for you.

Edward Kofi Louis
On The Outside

On the outside,
And, of a land full of factories;
Writing to touch your heart,
Because, you are in love.
Experimentations!
Imaginations,
With the muse of a river flowing through the land;
Beautiful sunrise!
Beautiful muse,
Beautiful love;
Like the muse of the tail of an animal in a tale.

Love,
With the complexity of the forest around;
Deep in the rain forest,
With the muse of life and the muse of the unity of the plants.
Fare you fans and clean your minds!
Hear my voice and bear with me,
In your hearts and in your minds;
And to wear clean clothes in the proper way to cover your nakedness,
For there are problems everywhere in this world!
On the outside,
Like the spear and the pear on the table of a traditional king in your land.

Edward Kofi Louis
On The Path

Right in,
Right about there;
To reach to the other side of the river,
And to focus on the path.

Love,
Let this mind be in you!
With the muse of the laws,
Leading and bringing all into unity;
Without war.

Precious!
Like the purple stone;
Love,
Like the people of the law;
On the path of the truth.

Edward Kofi Louis
On The Platform

Invited,
Plotted!
Ploy,
Exposed,
Africa has had rulers but not leaders;
March, marsh!
Of an emotion;
Marsh, marshal!
With the psychologist.

Of the shame!
On and off the field;
Mare, margin, march, Mars, marry, marine, marinate, marginal!
To succumb to the whims of Africa,
And, to veer off course.
Mark, marigold!
With the muse of Africa in the hands of rullers than leaders;
And, to exhibit remorse than to achkowledge the truth on the platform!
Into the realm of nonchalance.

Edward Kofi Louis
On The Road

A lion attacked him on the road and killed him,
And the donkey and the lion stood and watched;
But like the monkey and the honey,
My love will always be with you my love.

Edward Kofi Louis
On The Road To.....

Your love is like the beehive on sight to see and,
I want you to be my own forever!
For i have a surprise for you.
Don't let anyone tell you that i love you,
But do see things for yourself;
For true love is very patient,
You re beautiful and your love is kind,
You are very nice and your love is tender,
And there are no speed limits on the road to perfection.
Guard your mind with all diligence and come to me,
For this love muses with the positive mind of my words;
And i want to share it with you only.

Edward Kofi Louis
On The Road!

On the road!
With the peace of my mind;
On my way!
Through 'The Holly Bush'! !
In a new land,
And like the G-Force!

Little John,
Conscious!
Big John,
With a lover's poem;
But, poetry is in my blood.

The DNA,
Fabulous! !
But the atmospher is like,
Tears of love.

This muse of life!
Like robots;
But, something is burning somewhere! !
However, life goes on.

Edward Kofi Louis
On The Same Scale Of Life

I was around to put you on the same scale of life!
But, your people still do not understand the muse of this land;
And, they have not learnt anything after being with the law for 13 years! !
Love is thicker than blood you know,
And, i have a lot to share with you that you may know;
However, the laws are there for us to be guided by the truth always.

Edward Kofi Louis
On The Sea

In anguish!
On the sea;
As strangers,
And, as a leader;
But, i heard the voice! !
And, i knew that you were safe.
I am now safe,
You are now safe,
We are now safe,
They are now safe!
After the anguish of the people.

Edward Kofi Louis
On The Seventh Day

On the Seventh Day the battle began and,
Many fled for their lives!
But i am standing here waiting for my lover,
And like the flowers of peace in times of war!

Edward Kofi Louis
On The Stage

Love,
To clean your mind and to take your stand;
On the stage,
With the muse of the truth.

Love,
Listen to the sounds of the truth!
Coming your way;
And, to accept it.

Edward Kofi Louis
On The True Copy

The stamp!
On the true copy;
Altered! !
Threatened,
To find out the source;
Marked with an exhibit,
As it was forged.

Edward Kofi Louis
On The Way

It is on the way coming and,
It will surely come! !
But, you have to be very patience on this love.

Edward Kofi Louis
On The Wrong Side Of Life

Behaviour!
Seeing the educated on the wrong side of life;
With the act of hatred,
Because of deceit! !
Destroying this lovely World with the weapons of war.

Edward Kofi Louis
On Them!

The horror of a land;
The women deceive them and,
The men pour acid on them!

Edward Kofi Louis
On This Case

Try, fry, dry, cry, wry!
Primary,
Secondary,
But you need your servant on this case;
The lender and the borrower,
The maid and the Mistress,
The owner and the slave! !
Utterly,
Usury,
Oar, boar, soar!
However, 'The Most High' is watching all of us on this earth.

Edward Kofi Louis
On This Earth

The muse of life,
The muse of love,
The muse of peace,
The muse of joy!
To know where you came from and,
Where you are heading towards! !
On this earth.

Edward Kofi Louis
On This Issue

Let them speak for themselves!
On this issue;
The issue of life,
He only looks like him but, he is of age!
She only looks like her but, she is of age!
Let them speak for themselves;
On this issue,
The issue of life;
With the encouragement of the truth.

Edward Kofi Louis
On This Love

Strong as a bull, i need you my love;
Bold as a lion, i want you my love;
But to be cut down like a grass is what we don't need on this love.

An eagle soars in the air like the strong kiss of our lips,
But a serpent glides over the rock like the romance of our nakedness;
But to be cut down like a grass is what we don't need on this love.

A man wins his way with a maid and,
We are withered away like a green plant;
But a ship floats in the middle of the sea like the passions on our love.

This is what we need on this love,
Light to him or her who is in misery;
This is what we share on this love,
Life to the bitter is spirit;
For those who forsake the law praise the wicked.

My love will always be with you,
Because your love is the key to my successs;
Like the food in summer and the food of winter!
So cast your bread upon the waters that you may gain the morrow.

On this love,
You are all that i think of to put things right;
But strong as a bull is the love that we share together.

Edward Kofi Louis
Words!
On this love;
Whatever you say, is the way it will be.

Works! 
Ritually fit;
With the works of the truth.

Along the seacoast of love,
Shut up;
Securely!
With the peace of your mind.

Edward Kofi Louis
On This Menace

Homosexuality in the schools!
With consequences to the society around;
But, who is ready to act as a facilitator on this matter?
And, to educate the students on this menace.

You can change your own future by doing the right thing;
And, the better time to do this is now!
For you are known by the clothes you wear and,
The type of food that you eat.

Edward Kofi Louis
On This Side

Relation,
On this side;
Whose? !
Wherein,
They!
Their,
On this side,
Searching for the truth.

Edward Kofi Louis
On This Visit

Atebubu, Yendi, Tamale and Salagha;
Your love is in the forest and I want to visit you,
And like the natural African in the land of the bush.
Every human being has a biological father and mother,
But the paths through your ways are blended with the forest;
So my eyes are wide open on this visit.

Edward Kofi Louis
On This Wall

Love,
To work on this wall;
To keep the promise,
With the works of the truth,
Righteousness! !
Living in peace and,
To enjoy the status of life.

Edward Kofi Louis
On Time

What might have gone wrong!
To console them;
To confirm the incident,
Could, should, would!
Congested,
To draw conclusions,
Soot, shoot!
To come out,
On time.

Edward Kofi Louis
On Time 2

A feeble ray!  
Seeing the morning sun that touches your heart;  
Fasten,  
Faucet,  
Time is life!  
Active,  
On time;  
Tick, tick, tick!  
In dream land,  
Waking up,  
After sleeping on the bed of love.

Edward Kofi Louis
On Top Of The Mountain

Fancy head covering,
Seen on your head,
On top of the mountain;
With tent pegs and ropes,
Sledge, ledge, edge!
Like the noise of a bell,
To tell your story,
Able to sell what you have today.

Edward Kofi Louis
On Trial

Unrighteous judges,
Wrong and cheating!
On trial,
But, who tends a flock and, does not drink of the milk? !
However, do not muzzle the ox while it treads out the grain.

Edward Kofi Louis
On Two Legs

The most dangerous wolf walks on two legs around us,
And like the deciding factor of our lives;
But distinguish from what is right and wrong,
And try to focus on your dreams always.

Edward Kofi Louis
Rain!
Pouring out the water bottles of the heavens;
On us,
On earth! !
However, when the dust hardens, the clods of the earth cling together.

Life!
The doe bears its farm and, the mountain goats give birth;
However, when the rain drops, it doesn't fall in one man's house.

Edward Kofi Louis
On You

I can't easily forget you out of my mind,
Because of the love that we shared;
Your love was so sweet to me like,
The rain of heaven on my naked body:
But in love's peaceful dreams,
I will always rest my mind on you.

Edward Kofi Louis
On Your Date Of Birth

You got the items on your date of birth!
But, you failed to call me because,
You were very angry with me! !
However, anger always kills a fool.

The leader of light,
The love of peace,
And with my sweet muse to care for you and your children!
However, you people have now turned against me;
Because of the anger in you people! !
But, the laws are there to teach us better.

Now i know what anger brings! !
But, the muse of my love to all will be seen by all;
For, it is right to do the right things always in life!
However, i am still at the press room waiting for your call.

Edward Kofi Louis
On Your Dreams

Participants,
Model,
Quantitative,
Executive suite,
Organization,
Theoretical;
And like the works of peace to enhance your status!
But, try to focus on your dreams always.

Edward Kofi Louis
On Your Face

The change of the expression on your face!
Still appalled in your sufferings;
But, man born of woman is few of days and, full of trouble! !
However, do listen to me and, i will tell you what i have seen in life.
will always find a way to search for you!
And like food and clothing in the land of your muse;
But, the expression on your face tell it all.
Face, ace!
Upright men are appalled and,
The innocent rouses up against the hypocrite!
But, terror frightens us on every side of the world today.

Edward Kofi Louis
On Your Face II

Life!
Bold and beautiful;
Muse!
Bold and clear;
On your face,
With the muse of your works.

Life!
Find the truth and change your heart;
With the works of peace and joy.
Love!
Find the truth and change your health;
With the muse of the humility around you.

The muse of love,
Showing on your face;
The muse of joy,
Showing on your face,
But, always do find the truth and, live by the laws.

Edward Kofi Louis
On Your Feet

Let the truth set you upright on your feet!
To make you understand the ways of peace, love and unity;
With the joy of your heart.

Love,
To live in the house of peace;
Learning everyday with the works of righteousness,
For the unity of the land.

Edward Kofi Louis
On Your Side

What you want is what i have on my body,
What i want is what you have on your body,
And i am still on your side no matter what!
For the sea grew more and more violent and,
They carted the cargo overboard to lighen the ship.

We were fast asleep in love when it occured,
So tell me if you have a dream for me;
Because i do love you and,
I want to know how you do feel about this love.

Edward Kofi Louis
On, One!

Perspective!
With a different view;
Word genius,
Action! !
Moments before;
Bringing out joyous laughter! !
Light and sight,
Right with the works of peace;
On, one!
Walking along in the night with a torchlight.

Edward Kofi Louis
Once a student,
Today a teacher;
After learning,
Teaching others,
With the muse of the truth.

Edward Kofi Louis
Once Again

The pins!
Take them out and,
Put them in once again;
After cleaning them.
The function,
The factor,
The fraction,
To take them out and, to fix them in once again.

Edward Kofi Louis
Once Again  2

Once again,
Meeting you,
At the same place
Traced to be this way,
At the same spot,
Flooded!
At the same point;
Wet.
Opening the pool and,
Closing the loop;
With test results.
Meeting you once again at a particular place,
Oil, soil!
To go in and to come out;
A matter of trust,
To be in and, to be out;
To feel connected! !
With the muse of sweet love;
But, the land of beauty is now under water.

Edward Kofi Louis
Once Again  3

The stadium and the nets!
An era with football;
Here we are once again.

Edward Kofi Louis
Once Again 2

Back in town,
Back to the base,
With the basic aspects of life;
To do these things once again,
After a long vacation.

Edward Kofi Louis
Once Again In Red!

Once again in red!
With the muse of your love;
Light, alight! !
In, insight;
With something very nice to look at,
With something rich to satisfy your muse,
With something fair to enhance your status;
Back in the classroom.

Rough, cough, dough, thorough, through! !
Contracted,
Adopted,
Quality,
Quantitiy,
Appeal, peal, meal, seal, veal, areal;
Pretty!
Halfway,
Evaluations,
Observers,
Questions, Wheal, deal, heal, steal, weal, real zeal!
Answers,
Pending,
Outsiders,
School, pool, tool, wool, cool, stool, fool!
But, try to take the trouble to overcome it.

Eyes, teeth;
Nose, mouth;
Ears, feet;
Lawsuit, suit, fruit, quit!
The formation of life itself,
On the back side,
Sneeze, freeze, breeze!
4 years with your muse,
Rest, wrestM
4 years agao! !
Creed, reed, seed, weed, heed, need, bleed;
Cringe,
With her emotions,
reaching out for her arms,
I don't want to go! !
But, it is time to move away.

Breed, deed, feed, freed, greed, peed!
Olofinade, fin, find, aide, aid, load, lead, deal, fade, nail dail;
You want to be a star! !
I want to be a star! !
Like the lady in red,
And like another story to read;
Of your dreams,
Of my dreams,
Creel, feel, wheel, heel, kneel, peel, reel, eel, keel!
Felix, helix;
Make it better always in life,
To start it all over again;
But, you still have to go further with a positrive mind.

Edward Kofi Louis
Once Again In White!

Once again in white!
With the blues of love;
The marriage,
The carriage,
Your age,
On the stage;
Of the people around,
of the soul sisters,
Of the soul brothers,
But, my eyes are now watching the sparrow.

Edward Kofi Louis
Once Every Two Years

Your call comes in once every two years,
Trying to tell me of your status in life;
The very reasons noted to you,
Even though you claim to be my best friend.

Edward Kofi Louis
Once In

Once in,
Always needed;
Sugar and Bread!
Milk,
Silk,
Real,
Original;
Once in,
Always needed.

Edward Kofi Louis
Once My Lover

Restore all that was hers to her for,
She was once my lover!
And to draw her together like,
The ways of the infidels! !
But, she is like the land of sweet mothers.

Edward Kofi Louis
Once Or Twice

I have seen her maybe once or twice and,
She's very nice and lovely lady who has come to town;
But by my sweet laps she will have her full rest one day.
My name is Love and i am found in the company of Knowledge and Intelligence,
And i know it when i do grow lean because my wrist watch will surely tell me.

Edward Kofi Louis
Once There

Once there,
Out there;
Time to give birth and,
Time to die.

Edward Kofi Louis
Once Upon A Time

Once upon a time there was a Black Man in Africa,
He was a different Blackman with words of love and care;
And today he is here with you as a bard so sweet,
So let your innerself arise to toch the world with love.

In the beginning was the sojourners scattered throughout Pontus,
But today the Black Man is here with you with the muse of love;
And the foreknowledge of his words are better than hate.

To the new born babies,
Be merciful to all around you;
For once upon a time was this Blackman into the journey of hardships,
But today he is here with you people to guide you on with care.

Edward Kofi Louis
Once Upon A Time  2

Dress,
Address,
Sheep and goats;

Press,
The stress,
Bats and cats;

Magic!
Power;
Once upon a time.

Edward Kofi Louis
Once, Concert!

Once, concert!
Once upon a time;
With your muse and the episode of life,
As the wind blows you here and there.
My colour,
Your colour,
Our colours!
Knowing what to do in life for peace than for war.

Edward Kofi Louis
Once, Ones!

Nice niece,
Once, ones!
Of one's work;
Upon the muse of love,
With a lovely mind to write a poem.

Edward Kofi Louis
Once, Twice, Trice!

You did it once,
I did it twice,
And, they did it trice;
Once, twice, trice!
With the acts of life,
With the romance of love,
With the fragrance of nature,
With the joy of peace,
And, with the muse of the land.

Edward Kofi Louis
One

One,
Alone,
Only one,
Lonely,
To do it alone,
And to go along alone.

Edward Kofi Louis
One Against All

The leader,
Ruling;
Rising so high! !
With words and acts,
The News Media,
Watching his steps;
One against all! !
Ruling in a land,
Power! !
Words,
Acts,
One against all.

Edward Kofi Louis
One Beautiful Flower Among The Lot

Your beauty is like one beautiful flower among the lot!
But to be bountiful is like the muse of your love;
So i will always be around to kiss your lips.

Edward Kofi Louis
One Day

The treat of nuclear war remains high,
But what is wrong with mankind? ! !
For the perilous choices of mankind are ready to launch within minutes.
'What will the end be? ' You may ask:
But the prophecies are all in our various Bibles to teach us,
For the end will surely come one day.

Edward Kofi Louis
One Day  2

You want it!
You need it;
Maybe one day it will be.

Edward Kofi Louis
One Day I Will Get It Right

You always mark me wrong!
But, one day i will get it right;
Walk, talk!
I've spent my whole life chasing for it;
But, one day i will get it right.
Hello Dr. Louis!
Pray always and keep watch with all perseverence;
Tend, intend!
He tended sheep anmd she tended sheep;
But, one day i will get it right.
Tend, tended!
Like the spreading of nets in the midst of the sea;
Write, right!
For three days;
In thick darkness! !
Uncovered,
Rite, right!
waiting for the next day;
Rite, write!
But, she's a young lady and a teacher.

Edward Kofi Louis
One Day II

One day i will be very rich and,
You will come to me begging for my love;
One day i will fulfil my dreams and,
You will come to me begging for me to take you back;
And like the Rocks of Africa! !
But, you will lie in the vineyard of love waiting and watching.

The girls of Shiloh came out and danced and,
I was able to capture one of them!
And like the twelfth portion of the inheritance left for me behind;
But, one day you will look for me.

Four hundred young virgins! !
What shall i do to touch your hearts? !
For the sun nstood still and the moon stopped moving when you appeared;
And, i set my eyes on you all because of love.

The new man is created in righteousness and,
The new woman is created in righteousness as well;
But one day you will come around looking for me!
There and then, it will be too late for you.

Edward Kofi Louis
One Day Iii

Hope!
It is not lost;
Because, you will surely find what you need in this life;
At the end,
One day.
Vision!
It is not lost;
For, you still do have hope for the future,
Among the lot.
One day,
Someday,
Searching and working towards your dreams;
With the hope of getting to the top one day.

Edward Kofi Louis
One Day It Will Be Your Turn

Hope is the faith of life!
So, never give up on your dreams;
Because, one day it will be your turn.

Edward Kofi Louis
One Day You Will Surely Learn

You see no harm in breaking the laws but,
One day you will come to learn of your mistakes;
Because, i have changed my mind on you.

Take me to Nigeria and let me see my cousins,
Take me to Mexico and let me see my aunties,
Take me to America and let me see my uncles,
For, one day you will surely learn of what you did to me;
So, why should i cry?

Edward Kofi Louis
One Day You Will Talk To Me

Samples!
Examples;

Purple lily,
Yellow tulip,
Red rose;
One direction,
Fabulous!
With the fragrance of love.
Muse, life, peace!
Lovely,
With the joy of the heart;
Like the stunning sunflower.
Life!
With compelling colours;
Textures,
With the colour of the body,
the colour of the mind,
And, the colour of the heart.
Lovely petals!
Ocean blue;
Dreaming in gold,
Love, peace and joy!
With the fragrance of the flowers of nature.

Edward Kofi Louis

One Family

Human beings,
We are One Family;
In the name of peace and love,
Here and there with our works,
Here on earth to fulfil our dreams,
We are One Family!
Unity is the key,
With positive morals;
Than the wickedness of war! !
Which divides us.

Edward Kofi Louis

One Love

Champions in action,
And of your lovers gone by too soon;
But i still have one love with the muse of my story.

I am the black soul you once loved,
So study me and take up your degrees!
For my black culture will always be with you.

One love,
Take me home to meet the 'Twelve Tribes of Yisrayl';
For your lovers are hiding behind them.

I am the portrait on your walls and like, 'My Boy Lollipop'!
For i am the African you once loved;
But i do have one love for you because,
My mind is beyond human at times and you came in loved me.

Edward Kofi Louis
One Moment In Time

One moment in time,
Facing the odds of life with my mind;

Going along with my mind;
Trying to heal myself with the truth.

Edward Kofi Louis

One more night,
One more light;

Delight!
With the sight of the truth,
With the light of peace and love.

Edward Kofi Louis
One More Step Ahead

Their voices sounds alike and,
Like the muse of sweet love;
But i've got one more step ahead.
The market is open for us all,
And everybody has his or her choice to make;
But like men of the sea,
I've got one more step ahead.

Edward Kofi Louis
One More Time

One more time in paradise to expound myself,
One more time in paradise to expose my love,
For the lovely lambs are now waiting for my songs;
And like the muse of my poems in the land of power! !
But, it is as simple as that;
Because, the world does not talk much about us!
And, how can they learn more about us?

Edward Kofi Louis
One More Time 2

One more time!
Give me one more time;
Another opportunity in Life,
Being able to bring joy to my heart.

Edward Kofi Louis
One More Time 3

To fast and pray,
To come through!
As much as the truth.

The poet,
During your sleeping hours;
Deliverance,
With the muse of life.

Every day at dawn till day break,
One more time! !
Keeping the truth very close to your chest.

Edward Kofi Louis

Bright!
Right,
In the dark,

One night,
The sight of it,
With the insight of your love.

Edward Kofi Louis
One Night Love

One night love and,
Few days after pregnant!
Is this what you want in the name of your muse?!
And like the colours of pink and yellow around you;
But with the muse of oranges to satisfy your status,
For you gave in so easily on this love.

Edward Kofi Louis

And he was buried in the sand.

Edward Kofi Louis
One Step Ahead

I am one step ahead of love,
But this trumpet is not yet born;
I am one step ahead of love,
But this mind is not yet tapped;
But whosoever praises the muse must,
Also learn to love the act.

Oh life!
When your work speaks of itself,
Do not interrupt it;
Oh money!
When your love speaks of itself,
Do not interpretate it;
And like competing among peers to take a view,
For you are already known of your words and actions.

I know it when i do see one,
Of attitudes, aptitudes and altitudes!
And down to the pathway of love to gain.

To play in the garden of peace;
Singing along! !
With the joy of your heart.

Green pasture,
With the peace of your mind;
The joy of your heart!
To be straight,
Following after righteous laws.

Edward Kofi Louis
One's Life

Variety of influences in one's life!
However, life is like a chameleon at times;
And the white girl with brown eyes came knocking at your door,
Able to teach you what you don't know.

Love is there when you find it,
Peace is there when you are by it,
With the muse of old men and women directing the youth!
But, the red river is very deep.

In heaven's kitchen what do you expect? !
Tell me if you know;
In hell's kitchen what do you expect? !
Tell me if you know;
For, it is impossible to deal honestly with a thief.

The politics of life,
With unfair taxes in order to please their pockets;
Of those ruling over us,
In the land of corruption.

Store of gold! !
With tantalizing facts when, you have the truth;
To keep the laws of righteousness,
And, to follow the right path.

Expressing yourself,
With your style,
With your mark,
With your act,
With your muse,

But the other secret is never told!
With your opinion.

Edward Kofi Louis
Onions And Ginger

I am on it!
I am sitting on it;
But, use onions and ginger to prepare my food,
For, i am still searching for the letters.
Across the skies!
Across the waters,
Across, the seas,
And across tha land;
But, i am still searching for the letters,
So, use onions and ginger to prepare my food.

Edward Kofi Louis

With the stronghold of joy.

Edward Kofi Louis
Online

On this earth,

And, something always comes out of something,
So, be very wise on this earth.

Qualm,
Quail,
If this thing went through it, why can't it go through the other one as well? !
For, something always comes out of something.

Love is faithful,
Love is unexpected,
Love is perfect,
Love is kind;
But your muse is for a limited time,
And like a small domain in the land of your sweet muse.

Edward Kofi Louis

Edward Kofi Louis
Only A Remnant

Unity, peace, joy and harmony;
History and prophecy are part of us;
But only a remnant will be saved on this earth.

Edward Kofi Louis
Many are called!
But, few are chosen;
Only the few chosen will always lead the way,
And of the very few who are really preparing for the dark days ahead.
Be very wise and be chosen among them!
because, all these pleasure things will not save you;
But, elect a perfect leader and be very wise.
At the end of time,
Like the love of an apple to your taste!
But, only few will be chosen among the lot.
Many are called!
But, few are chosen;
So motivate your mind with positive things only and,
Be part of the chosen few.
Meek, week!
The chosen few among the lot!
But, something is drastically wrong when you don't know the truth;
For, many are called and few as chosen.

With the aroma of the colours around! 
The muse of creation; 
Let the truth be praised always.

The world and love, 
But not with war;
Small and narrow! 
facing the facts,
Along the line,
Like a boy seen walking with a girl in the bush;
The result!
In the Island of love.

Lost past,
Facts of life!
Troubles along,
Moving on,
Hope is the key! !
Alive,
Alive today;
Writing to free my mind!
Purity,
Love,
Life,
Peace;
The result,
Only when the right thing is done.

Under the laws of righteousness,
And, with the truth leading the way.

Edward Kofi Louis
Only Yesterday

The magistrates,
To the recognition of the bard and the observance of the law;
But, there remains the keeping of the Sabbath.
Sheep, cattle, elk, goat, and antelope;
Buffalo, gazelle, giraffe, moose and caribou;
All in the name of clean animals to share my love with you.
Deer and reindeer,
You were public to us only yesterday! !
But my tacit action was considered as my ego;
However, you were exposed to us only yesterday.

Deep in the waters! Sinking without hope,
But, you are the only one to save me with your love.
Only your love can heal me and,
Only your love can save me out of these waters!
For, the flood has overwhelmed me and,
I need your help to bring me out of the waters.
Sun, Valley and Moon Valley!
Greediness and selfishness are not part of love;
So, come and open the door in time to save me.
The muse of life and the muse of nature!

Spring, ring!
With the sweet muse of love.

Onwurah, on, raw, oar, now, own, won, or, war, run!
The world is now in a danger zone;
And, life is not always straight as we expected,
With the bullets of war everywhere today.

Life is crooked at times;
With the minds of negative people destroying everything on earth.

Edward Kofi Louis
Onya

Bore, sore, pore, tore, whore, core, fore, gore, lore, more, wore, yore;
Onya is your name and you are much loved by your people,
But despised is the muse of this war in your land!
So try to wake up to the truth of the issues around you and live.

Edward Kofi Louis
Onyango

I want to be closer to you than before,
And tell me what to do on this love;
For your love is like the beauty of a woman fast asleep,
But the fast-food restaurants and the sex-shops are not for me.
The windows of the world will hide your face,
But what should i do on this love?
And like the Black Ladies in Texas with untold sotries.
I am the image of my father but i have no shoes on,
You are theimage of your mother and you do have shoes on;
And i am very glad to know you Onyango,
For my love is like the beauty of a woman fast asleep.

Edward Kofi Louis

Under oath,
But, remember the past.
Orotund!
Be the first to comment,
Fit, fitness!
Be the first to ask,
But, free and fair!
Cinema, in, cine, am, me, mine, mean, came;
But, be the first to know.
Dross, across!
Ridding on the back of a tiger;
But, your friend was dragged naked from the Palace.

Edward Kofi Louis
Orpah

Orpah, oar, or, harp, rap!
But, i am closely related to you;
Because, i am also a human being like you are! !
Living on the earth with you.

Edward Kofi Louis

She had neither father nor mother;

He had neither father nor mother;

So, do take care of them!
In the name of true love.

Orthographical

Orthographical,
Variation,
Same as your fame!
With the frame of true love;
Committed with the truth.
Came, same!
To tarry on with the game;
To remain with the truth,
And, to abide in the laws of righteousness.

Edward Kofi Louis
Orwell

Orwell, well, ell, we, wore, ore, reo, roe, role, or, roll!
As we go along with life,
Seeing the ways of mankind on earth,
Those for peace and, others with hatred and war! 
The muse of life,
Spell, well, dwell, cell, hell, ell, tell, fell, yell!
People trying to protect the earth;
With others destroying it.

Edward Kofi Louis
Oryx!

Oryx!
Black hole,
Red hole,
Blue hole;
Along the narrow path!
Seeing through,
Gratitude!
Servitude,

Lad, led!
With the muse of love.
Daily, diary!
Please, lease, ease;
Lad, lady!

With the muse of your love.
Lad, lead!
Along the narrow path;
Lady, day, lay, lad!
With the beauty of life;
Place, lace, ace!
Very wondrous;
And, with the gladness of the hearts.

Edward Kofi Louis
Oryx, Onyx!

Animals,
Found on earth;

Muse,

Living in peace,
Living on earth;

Oryx, onyx!
Facing the ways of life with my mind.

Osborne

I know who i am and what i can do to help this world,
But sadness is upon the Golf of Aden.
My name is Osborne and i came from the cily around you,
The very place you met me last night and became pregnant;
For life is all in the name of the god Theo and,
My muse will grow around you like your own name.

Edward Kofi Louis
Oscar

Mr. Oscar is my friend and,
He is a Taxi Driver;
But, the muse of the life of his work is with,
The muse of love that he Shares with his passengers.
Life!
Try to put the bananas where they belong to;
Because, no man is an Island.
Muse!
With the mark of Mr. Oscar on his passengers;
Driving them around to their respective destinations.

Edward Kofi Louis
Oscillation

Oscillation,
A-Man and B-Woman!
4 years more,
Let's move!
Let's care;
A-Woman and B-Man,
Here and there!
In and out;
But, let us care for each other.
Oscillation,
Towel, tow, two, owe, toe! !
Let us unite on this love;
Because, you are already in the water.
Toy, toying!
Leaving out;
Under an oath,
Mission, permission!
Like a dress rehearsal;
Because of the prestigious tournament.

Edward Kofi Louis
Oshiniwa

Oshiniwa, show, how, so, as, ash, has, was, saw, in, shin, sin, sow, now, snow!
With sleepless nights in the land of your muse;
Ever, never, believer, clever, lever, sever!
With the face of the sea and the love of the sky,
But, the sounds of the forest is all that i can hear from afar.

Take, sake, lake, mistake, bake, make, brake, rake, cake, quake, hake, stake, wake!
But, i just have to work harder until that time comes for me to be glorified in this trade of poetry;
Then, i will do it again to satisfy the muse of the masses who want to learn from my style.
Pound, found, sound, mound, round, hound, ground, bound, abound!
To feel the muse of my mind with the magical world around you today;
And like the fruits of the bananas and the apples in the land of your sweet muse.

The muse of life and the muse of love,
It has always been a thing of a smile on my face!
When peace rules in the minds of the people than war;
And, with the joy of my heart in the land of beautiful flowers,
However, you can take the man out of the ghetto but, you cannot take the ghetto out of the man.

Edward Kofi Louis
Oskar

Muse!
I live here with the patience of my mind;
And, my name is called Oskar.
Muse!
I live here with the joy of my heart;
But, it will take you days to reach out to me on this Island.
Love!
Try to know the worth of my life;
For, my love towards you is greater than the bullets of war.

Edward Kofi Louis
Osman

Fry two eggs for me and,
I will be your lover forever!
For my heart longs for you in the Garden of Osman,
And my love to you is like the dream of the African blood.
I will anchor my ship at Pearl Harbour and,
I will land and walk to you;
For you are my Sunshine and the Highway of my love!
And like a big fish that is caught at Pearl Harbour.
You are like the dream from my homeland and,
Of your nakedness at Kailua Bay!
But with a special message for me to smell your sweet aroma,
And like the Fast-Food Restaurants around your love.
My heart longs for you in the Garden of Osman and,
I will find a better way of meeting you this summer.

Edward Kofi Louis
Osonoba

Delineated,
To be specific;
Feather, further!
Idealogical,
Osonoba, soon, on, so, as, son!
Detrimental,
Exploring and exposing your nakedness for fame.

Edward Kofi Louis
Ossetia

Chariots and horses,
Ossetia is my name;
Love and pain,
Ossetia is my name;
But my sweet lover is in the land of rivers,
So try to tell me who you are.

Edward Kofi Louis
Ostensibly

72 sheep,  
42 goats,  
50 cows!  
Ostensibly to swear,  
With the muse of your love;  
And like a royal citizen,  
But, everyone saw what went off!  
Actresses,  
Collaborations,  
Love,  
Definitely;  
Peace!  
Without doubt;  
Of your principles in life,  
And, of the status of your sweet love.  
Beautiful sunrise!  
Beautiful muse,  
Beautiful love;  
Being one of the royal family members at the feast.

Edward Kofi Louis
Ostwalt

Greek and Roman mythology,
Ostwalt is my name and I know your muse;
But the heavens have kept me at bay because of your mind.

Edward Kofi Louis
Osun

Osun, so, son, sun!
With the works of peace and joy;

Private property! !
Respect it and, do not trespass.

The inspiration of a joyful heart touches the minds of many!
Looking into the horizon with the muse of art and life;

Seeking for a place where peace lives,
And, to reap the real things in life.

Edward Kofi Louis
Otabri

Awaiting,
Morgue,
Autopsy;
That's the way it is in the land of your muse!
But it is accounted with eyewithnesses.

Compelling,
Rescued,
Unknown;
But the lack of logistics had delayed the work,
And like your opinion leaders in the land of plenty! !
But i am like your friend Otabri watching your moves.

Edward Kofi Louis
Oteng

A third part of mankind killed over a fourth part of the earth,
Invented by the works of our hands!
But the nuclear war will darken the sun;
And like the muse of my lover in the land of trouble!
But, i am Oteng with the words of peace.

Edward Kofi Louis
Other Mediums

The Black man,
The Black woman,
Other mediums;
The White man,
The White woman,
Other mediums;
The ability to creative art is,
One of the greatest gifts that a person can have!
However, let us all guide our minds with love.

Love!
Her golden bronw skin;
Lung, hung!
Full lips;
With eyes of love to touch your soul.

Shades of love!
Presence in the jungles of Africa;
Verified and certified,
With ways and means,
Verified, certified!
As seen in the whole world;
But, step into my shoes and let me lead you on.

Waters edge!
Answered prayers;
Love!
Peace and care;
But, step inot my shoes and let me lead you on.

Hung, hungry!
A different side;
Muse, love!
A better side;
Hungry and angry! !
Ready to fight ad kill;
But, hatred is not the right answer in life.
Others

Offers,
Others,
Borders and orders!
Seen all around us.

Edward Kofi Louis
Others Do Not

Money in the world,
Not for all;
Some have,
Others do not!
People,
The rich and the poor;
Living on earth,
In this world.
Money in the world!
Some have,
Others do not;
With the muse of life,
Here and there! !
Hustle and bustle,
Facing the ways of life,
Some do have the means,
Others do not;
Rich and poor,
Living on earth.
Money!
Living,
To see the rich! !
While poverty faces the poor.

Edward Kofi Louis
Others, Orders!

Others, orders!
Herbal drug,
Tested,
Confirmed to be effective,
The ability to cure,
Awareness,
Research,
Tested,
For the benefit of mankind.

Edward Kofi Louis
Ought

Ought to,
Brought to,
Ought not to,
Bought with your love,
The thought of life!
As they fought for their rights;
Then came the drought,
And things came to nought!
Ought to,
Ought not to,
But, this century wrongt many changes in life.

Edward Kofi Louis
Ould

Ould, old, loud!
Hire,
Wire,
Fire! !
Destruction;
With the hands of war.

Edward Kofi Louis
Ounce, Announce!

Form,
Reform,
Inform,
Perform,
Transform,
Ounce, announce!
Pronounce,
With your evil ways;
Born,
Stubborn;
Stubborn inclinations!
With your evil ways in the land;
But, try to change for the better.

Edward Kofi Louis
Our Actions

His beard is not long enough,
But to plot evil and destruction is what he is;
And of the untold hours of pain, agony and despair!
But, my life will surely go on.

Caution to the minds!
We will surely reap the consequences of our actions;
For, the unrighteous fruit has brought bombs to all mankind,
And like our arrows and our sorrows.

Who should be loved? ! !
When we have to leave the world empty handed;
Who should be loved? ! !
When we have stained our hands with blood!
But the sea divorced you and, i drunk the water from the ocean;
And, the river does not flow through the forest without breaking down trees!
However, his beard was not long enough.

Speedy to the plunder and swift to the spoil! !
Who then should be punished? !
And, of the untold stories of pain, agony and despair;
But, my life will surely go on to fulfil my dreams in this world of wars.

Edward Kofi Louis
I have the hope of a journey on my lovers dream,
And i can see the sun rising up from the east;
But amidst to the cheers of joy and peace is,
One's soul comforted when met with true love.
I have the hope of a journey on this love of yours,
Like our choices in this world of lovers to meet;
But however,
She may be white, brown, green or black;
And he may be blue, red, yellow or pink;
Love is the power supreme and,
Love will surely find a way.
I have the hope on this journey like,
Our choices in this world of lovers;
But the beautiful ones are still being born,
From generations unto generation for us to make a choice.
No matter what it takes,
We will still have a partner in this world;
For love is the power supreme and,
Love will surely find a way to meet you.

Edward Kofi Louis
Our Choices On This Earth

If you are married to one wife,
I will not colour you bad;
If you are married to many wives,
I will not colour you bad either;
For we all have choices on this earth.

Edward Kofi Louis
Our Days Today

The days of old and the days of love,
Our days today and our ways of love,
For this earth is the key to us all;
But, in the land of the living,
We've turned out to love and hate.

Edward Kofi Louis
Our Dreams

Your colour is red and my colour is blue,
But one day i will stop cooking and watch you at the kitchen;
And like the shepherds who never watched their flocks by night,
For the cold nights of love is with the care of our dreams!
But i can smeel a rat from afar.

Edward Kofi Louis
Our Faces And Our Voices

Dare, care, fare, mare, bare, pare, hare, rare, rare, ware;
Parents have feelings too! !
But just doing it once can also hurt you,
So, try to learn from the positive things in life always.

Extraordinary,
Once is all that it takes;
And like the life of poverty and dependency,
But i am trying to cope with you.

Mope, dope, lope, nope, rope, Pope, hope, cope;
it took me that far! !
But your addiction led to theft;
Shaken,
Collapsed,
Suffered;
And of a copy in black and white,
But she lifted up her voice and wept.

Rose, hose, dose, pose, nose, lose;
You are only a teenager! !
But our character is an integral part of us in life.

Our faces and our voices define who we are physically,
But your character reflects who you are on the inside;
And keeping the law is all that we need,
But, being straight always is the key of life than the negative chains!

Edward Kofi Louis
Our forefathers,
Following the ways of the Scriptures;
But an error came for the multitude,
As salvation is now accredited to the narrow path.

Profit and loss,
But only few people will be saved!
For just as the body without the spirit is dead,
So is the Faith without works is dead also!

Edward Kofi Louis
Our Journal

Our journal,
To pour out our hearts to the world!

The journey,
Of your call;

To colour your heart with love,
With the muse of the truth.

Flour, four!
On tour;

To pour out the truth! !

For all,
Like flour for four.

Edward Kofi Louis
Our Lady Of Africa

Our lady of Africa,
Give ears to my muse and take me to Kendu Bay;
For your sweet love is always by Mount Kenya.

Our lady of Africa,
With the muse of life in Africa!
Like the Art Works at Kenyatta University.

Follow my muse of love and, i will show you my house full of beautiful flowers!
My house full of surprises,
With a badket full of summer fruits.

Edward Kofi Louis
Our Lives

Songs,
Movies,
Internet,
Peers;
All have the potentials to shape the outcome of our lives,
And like the sheep being tendered by the shepherd.

Edward Kofi Louis
Our Only Hope

The Kingdom of Heaven is not free!
But only for those who follow Righteous Moral Laws;
Give thanks to the Creator Almighty and live in peace,
He is the only Hope for us.

Edward Kofi Louis
Our Riches

We came onto this earth and we met money!
But we will die one day and leave it all;
Because i have never seen a rich person being buried with his or her money!

Our riches of this world,
The rich are not even buried with their best car! !
So if we are rich today,
Let us use it wisely to help the poor around us;
Because we will all die one day without the riches following us.

The poor will always be around us,
So it is better to gain heaven than hell!
And it is better to love one another than hate,
For we cannot be buried with all our riches!
And it is better to give than to receive.

Edward Kofi Louis
Our Sins

Our sins are leading us away from the truth!
Our sins are causing all the troubles in this world,
Our sins are bringing about all these wars around us,
Our sins have torn us apart from love! !
And, we now hate each other in this world.

Global warming! !
And, it is all because of our sins;
Our sins have really destroyed everything around us.
Just watch the news!
Just listen to your neighbour!
Just look around you!
Just see how much hatred is being expressed among us!
Our sins have torn us apart from love.

Scenes, sins!
Of the scenes of life full of many troubles;
All in the name of our sins.
The Creator, whose Original Name is Yahweh,
Created us all with true love in many colours;
But, our sins have led us to hate each other on this earth.
Famine, disaster, sickness, accident, drought!
And all the global warming seen around us;
Are all caused by our sins because,
We failed to follow the Laws of Yahweh.

Edward Kofi Louis
Our Sins 2

Our sins are telling on us now! !
With more pregnant teenagers all over the world;
Leading to diseases among us;
With the hands of our own works!
After failing to accept the Laws of Righteousness.

Edward Kofi Louis
Our Sins 3

Our sins,
Weighing very heavy on us!
Yes, with our negative works on earth.

Edward Kofi Louis
Our Sins II

When they were young,
They had many sex partners;
When they were young,
They aborted their babies! !
And the advent of globalization came and caught them up;
But, to the poor, show yourself pure!
And to the curious, show yourself shrewd;
For, the mud of the streets in your town has painted you brown.

The love of a woman,
The head of a queen;
the love of a man,
The love of a king;
And to Abner's tomb in Hebron i rest my mind,
Because, it is very hard for most people to believe in the truth! !

Over and over again,
With hands towards heaven;
But to Abner's tomb in Hebron i rest my mind,
Because our lives on this earth are based on character and love.

Five barley loaves and two small fish for my food,
And of the great wind that blew! !
But, beware of the spirit of deception.

To the sea of Tiberias,
With the guide from the daylight and the natural wind;
But, i am a member of a cabinet in my land.

Our sins,
Of the most horrible ways that man could imagine!
And like a great red dragon in the deep blue sea;
But the time of pleasure and gladness should always be guided by the laws.

A rod or iorn,
Freely given in the name of love;
But we don't need signs to believe the truth!
For love nis for peace and care.
Of a man clothed in linen,
Of a woman clothed in linen,
Of a child clothed in linen,
And of our sins behind closed doors;
But, the heavens know who we are.

An old wife's fables,
A woman with more than one sex partner!
And like a fishing pole in nthe water;
But in these three houses, i have seen all the harlots at work.

We don't need signs to believe in the truth,
And like a protective shield in the land of peace;
But the bugs created inside the body of this woman are now distributed over to other men.

Our sins,
Wisdom is better than silver and gold!
So, we need honest scales and balances in our hands;
But, step by step and hand in hand! 
For this secret room of love is now broughtly lit up to expose our sins.

Edward Kofi Louis
Our Solar System

Sin is the centre of our solar system! !
Because, we have made it so;
And, every now and then, we do hate one another.
There are more questions than answers on this earth;
But, do have compassion with your passion!
And, let love rule in all things that you do on this earth than,
The bullets of war.

Edward Kofi Louis
Our Views

Higher lessons of life!
I write,
You write,
Our views;
Seeing them around and afar,
Able to touch the hearts of many.

Edward Kofi Louis
Our Voices

Specialised skills!
Experience life with positive morals;

Loyalty,
Age, patronage!

A Specials treat,
Global outlook! !

Your voice,
My voice;

Service,
Through Poetry,

Our voices!
Works;

Solve, resolve!
Life a memorandum.

Insurance! !
Approach;

Qualifications and experiences,
Talking to the world through poetry.

Edward Kofi Louis
Oust

Out,
Oust!
To break away.

Edward Kofi Louis
Out

Out,
Outstanding!
Standing,
To support the truth,
With the perfect works of peace.

Edward Kofi Louis
Out, 3

Out,
Without,
Outside,
Not inside;
Aside,
Not within;
Outward,
Not inward;
To cast out!
Yet still, holding on to the truth;
With healing in its wings! !

Edward Kofi Louis
Out 2

Out,
Outside,
Count,
Outsider!
Thought,
Bought, brought!
County,
Mount,
Country,
Mountain! 
Main,
Claim,
Aim,
Fountain;
With the muse of life.

.

Edward Kofi Louis
Out Of Africa

Words,  
Out of Africa;  
Love,  
Out of Africa;  
Muse,  
Out of Africa;  
Works,  
Out of Africa;  
Hope,  
Out of Africa;  
Colours,  
Out of Africa;  
And, to speak in other languages,  
But, what does the ways of the African people mean to you?

The muse of life and the muse of Africa!  
To write in other languages,  
To read in other languages,  
Like your new wine presented to your lover;  
Carried out to settle the ways of peace.

Peace and unity!  
Played, pay, lay, lad, lead, pad, led, deal, peal, pale, ale;  
With the muse of life and the ways of the African people,  
As one walks across the continent.  
Life, live!  
With the muse of the sunflower;  
Chill, hill!  
With the colours of African people;  
Greeting each other with a smiling face.

Edward Kofi Louis
Out Of Bed

Out of bed,
Take me as i am;
Ability!
Standing by,
Lifted up! !
Take me as i am;
Pointed,
Appointed,
With the days ahead as well.

Edward Kofi Louis
Out Of Control

Illegal lust,
You are out of control!
And, you are not capable in solving your problems;
As such, you hate the people around you.

Illegal lust,
With our sins polluting the earth;
With the broken systems of life,
As one carries a gun to kill his or her neighbour.

Illegal lust!
To gamble in this life;
And, to be out of control without any focus,
Because, you don't have the truth in you.

Edward Kofi Louis
Out Of Darkness

Darkness, end, den, ark, dark, Ken, near, ear, seas, snare, sand, sears;
But the streets are full of bombs! !
And the poeple are consumed in the graveyard of tombs.

Darkness, era, dear, read, dad, red, and, an, sake, naked, Dan, send, dress;
I came out of my mother's womb into the world with peace,
But you pressed your thumb on the bomb to kill many! !
And the graveyards are ow full of tombs,
But when will a light come out of this darkness?

Edward Kofi Louis
Out Of Egypt

Eve's misunderstanding,
Cain's misunderstanding,
Nimrod's misunderstanding,
A false witness will utter lies;
For the 60-year-old apple tree has fallen.

To the prayers of the saints,
Ten of tens of love to share to all mankind;
But, the planter still lives.
Of thousands of thousands,
Of millions of millions,
Of billions of billions,
Of trillions of trillions,
Of zillions of zillions,
The 60-year-old apple tree has fallen.

Ten thousand times ten thousand,
Disease is like a seditive!
So, use your senses well in times like this.
Of many years gone by,
Of many tears gone by,
Of many fears gone by,
Of many wears gone by,
Like the precious oil upon my head;
And like him who sits on the throne.

Power, riches and wisdom;
Strength, honour and glory;
It is just like the dew of Hermon where,
The blessing of this compact city is with us always.
It started with Eve,
It started with Cain,
It started with Nimrod,
The works of Man's hand;
Like the letters of Baal out of Egypt.

Edward Kofi Louis
Out Of It

I came in once and then,
I went out of it;
You came in twice and then,
You went out of it;
But being watched by the people around!
And like the bullets of war that had killed many,
But try to understand my mind when i do post you a letter.

Edward Kofi Louis
Out Of It 2

Life,
Out of it;
And, into the future!
Trying to understand the ways of nature,
Travelling along! !
With the peace of your mind.

Edward Kofi Louis
Out Of Love

The horn blowers!
The carriers, 
Life; 
With the muse of love.

Life! 
Thinking about you always in my mind; 
Muse, 
With kind and charitable works.

Life! 
Out of love to teach you the ways of peace; 
Love, 
With the joy of the heart and, catching on to peace.

Edward Kofi Louis
Out Of My Hands! !

My net of love caught her out of the deep blue sea and,
I brought her to my land;
But, somebody came along and took her out of my hands! !
And now, she's gone out of my way without a trace.

Edward Kofi Louis
Out Of Nowhere

Love,
Out of nowhere;
Instantly!
Mobbed and adored by your muse.

Love,
Dressed to play the part;
With joy and gladness,
Because, it was a miracle!

Love,
Portrayed;
With the muse of peace and joy,
Reaching out to touch your heart.

Edward Kofi Louis
Out Of Order!

Pea, peak, peace;
Ailments,
Too intense!
Environmental change;
Prolonged!
Education and training;
Adjustability.
Environment!
The underlying factor;
Peach, peaky, peaceful!
Sensitivity,
Factor, actor!
Peal, peanut, peals, pear;
Gland, land!
Peat, peasants, peas;
Organs and glands,
Glands, lands!
With the changes in the climate and the temperature.
Toxins! !
Stimulants,
With the muse of your balanced diet;
But, the confidence of your love is needed on this matter.

Edward Kofi Louis
Out Of Philosophy

Dogs and cats,
Pigs and rabbits,
Rats and snakes;
Your food!
Your heart attack;
With the muse of the meat that you eat,
Some meat to raot and,
Some meat to boil!
But, out of philosophy came faculty.

Life!
Everything comes for a price;
For better or for worse,
With the muse of mankind on this earth.
A man os substance,
A woman of substance,
A child of substance;
But, one star differs from the other.

The red fruit of love!
You can also be tempted;
But, a son honours his father and,
A servant honours his or her ruler.
Danger in the valley of meat!
Unclean meat;
With many becoming sick after eating,
However, philosophy is higher than faculty.

Edward Kofi Louis
Out Of Prison

Out of prison,
Freedom! !!
Peace within your borders.

Edward Kofi Louis
Out Of Temptations And Trails

Out of temptations and out of trails,
Worn out and reducing them to ashes;
They indulged in the lust of polluting passion,
And the cities of Sodom and Gomorrah came down into ashes.

Self-willed and self-loving creatures,
There shall be no whore of the daughters of Israel!
Nor a sodomite on the sons;
So step out of the darkness and turn towards morality,
And be like the glorious ones with a conscious choice.

Edward Kofi Louis
Out Of The Blues

Words out of the blues,
Works out of the blues,
Minds out of the blues;
My dream girl came out of the blues and,
You could see me now like a new born baby.

Life!
The way you want me is what i am now;
Muse!
For i have been too long in the rain.

Out of the blues came my lover,
Out of the blues came my girl;
And, you can now see me always with her.

Life!
Out of the blues with the kiss of love;
For, I have been too long in the rain.
Muse!
My love is as white as snow;
But, roses are red and violets are blue.

Muse!
Your green-light is an eye catcher;
But, when the going gets tough, he tough must get going! !
Like the true love given to Einstein.

Life!
That's the News Flash to you about this love;
And like the true love given to Robert Redford,
However, out of the blues came my Lover.

Muse!
Rome was really not built in a day;
Life!
With words of love and joy;
But, my dream girl came out of the blues.
Out Of The Darkness

I remembered! 
Of the acceptance of your sweet love;
Light!
Laughing after being kept so Long in the dark;
For, my cry was not heard by the world.
Muse!
I am now drawn to you because of your sweet love;
Leading my ways with the peace of your mind.
Life!
Second time around;
With my love after seeing the light.
Love!
I am here today to listen to your voice;
Because, i am now out of the darkness.

Edward Kofi Louis
Out Of The Dungeon

Hatred! !
Out of the dungeon;

Anguish!
Your heart sank and trembled;

To speak harshly to you,
Accused of being a spy;

Coming out of the dungeon today,
After all these years.

Edward Kofi Louis
Out Of The Dust

Life,
Out of the dust;
Not to rust!
A Must,
Trust! !
To live on;
Not with illegal lust,
But with righteous morals.

Edward Kofi Louis
Out Of The Garden

Out of the Garden of Eden,
Work on the ground from which you were made;
Like the keeper of sheep and the tiller of the land.

A lion,
A calf,
A face of a man;
Sin is crouching at your door like a fugitive!
So be very wise at all times on this earth.

We will ever be searching for peace without rest,
Like one woe after the other on this earth;
For we have to work on the ground of which we were taken from.

Edward Kofi Louis
Out Of The Market

Brought, bought!
Out of the market;
Bond, bondage!
Out of the people;
With kindness,
With respect,
With compassion,
With humility.
The length of time!
To march on all night through the Arabah;
Trace, race, ace, brace, pace, face, lace, mace!
With the hope of reaching to your destination,
But, when a person is angry!
He or she cannot see the truth.

Edward Kofi Louis
Out Of The Midst

From out of the midst of the fire,
Form out of the midst of the valley,
Written with the fingers of love,
And like the first time.

Just a minute,
Do not lie or justify what is wrong!
But acknowledge your mistake and take responsibility for your actions,
And be very thankful when someone corrects you.

Edward Kofi Louis
Out Of The Same Mouth

Out of the same mouth proceeds blessing and cursing,
With the ways of mankind on earth;
But, does a fountain send out from the same opening, fresh water and bitter water?!

Edward Kofi Louis
Out Of The Tribes

Life!
Chosen;
Out of the tribes to fulfil the mission,
With positive morals!
With positive attributes.
Posterity,
Love,
Life,
Peace;
Exposing the truth to the people around you and,
Teaching them! !
Everything,
Under the umbrella of righteous laws.

Edward Kofi Louis
Out Of The Water

Life,
Out of the water to the land;

love,
A time of reflection with the laws;

Muse,
With the works of peace;

Nature!
In unity with the laws;

Love,
It is about you and me;

Life,
Bringing peace to the world.

Edward Kofi Louis
Out Of The Whirlwind

Peace!
To put your hands over your mouth;
Seeking for joy! !
Caring for each other.

Muse, fuse!
Out of the whirlwind,
With the words of love;
Touching your heart and, your inner parts.

Life,
To prepare yourself with the muse of the laws;
Knowing that, righteous laws lead to peace!
And to put the house in order.

Edward Kofi Louis
Out Of The Womb

Imagery, doxology and canticles!
Strictly at a private place to be carried away;

Mackerel, salmon and tuna!
Schooling and playing;

Bluefish, minnow and sardine!
In the name of the beauty of the earth;

Carp, haddock and snapper!
Like the necklace around your neck;

Cod, halibut and sunfish!
To the chessboard games;

Children need to be children!
With positive morals,

Women need to be women!
With positive morals;

Men need to be men!
With positive morals;

Out of the womb to face the problems on this earth,
With suicide, homicide and genocide from the hands of the wicked ones among us.

Edward Kofi Louis
Out Of The Womb  2

Born! !
Out of the Womb;
Then the bomb dropped on you,
Death!
Your death;
Buried in the tomb.

Edward Kofi Louis
Out Of The World

Life!
To be called out of the world and,
To live in peace with each other.

Love!
To turn your life around;
Love!
Let your acts of negative life go away from you;
And, be a new being! 
Living in peace with each other.

Love!
To let righteousness be your goal;
Love!
Living a different way from the negative acts of the world.

Edward Kofi Louis
Out Of Their Hands

Feeble hands and weak knees,
They who escape will be refugees on the plains of the mountains! !
And like the doves of the valleys nearby;
For, they will lack water and food,
Because, the joy of peace are now gone far out of their hands!

Edward Kofi Louis
Out Of These Chains

Satan got me through you!
But, i have to get out of these chains;
For, your traps are well noted to me,
And i need hope and faith to guide me on.

Edward Kofi Louis
Out Of This Place

Get out of this place because,
This is not your own house;
For the people here are all naked,
And you need your clothes back to get to your home.

Prepare the table of love and let us eat together,
And the morning comes and i will watch over your love;
Because i have a surprise for you!

Edward Kofi Louis
Vision!
Far away and,
Out of this world;
Because, my mind is leading the way.

Muse!
Life is humble and love is so beautiful;
So, try to bring joy and gladness to yourself,
Without the muse of hatred and war.

Life,
To make you beautiful tonight;
With the laws and with the truth,
And, with a vision far away.

Edward Kofi Louis
Out Of Time

The end is near!
Bear with me;
Life is running out of time.

Be straight! !
Stand up for the truth and live;
Update your life with positive morals.

Overcome your sins with righteous works!
Forget terrorism,
Forget hatred and war;

Live in peace! !
For the joy of the earth;
And to respect life.

Edward Kofi Louis
Out Of Two

Drink by the dictates of the society,
Learn more from the markets before it is too late!
For everyone is very special in thier own ways.

Of you and your book,
Of you and your poems,
Of you and your love,
Of you and your body,
Of your and your plans,
Of you and your acts,
Of your and your ego,
But it is time for a simple language on this love;
Because, i am the one for you!

Out of two and out of many,
Out of two and out of your mind on this love;
But learn from the markets out there! !
For, everyone is very special in their own ways.

Edward Kofi Louis
Out Of Zion

Out of Zion!
Like a lion;
Coin,
Opinion,
Ion,
Onion;
Like a lamb among the wolves! 
Common,
Like the morning dew;
Informed!
Fortified;
With the muse of the truth.

Edward Kofi Louis
Out, Outwitted!

Orders!
Dispatched;
Out, outwitted!
Ascertained,
With lamentation and bitter weeping.

Edward Kofi Louis
Out, About!

Out in the world,
With your muse.
Pressed, supressed!
With the ways of the world;
Living with illegal lust,
And, with no justice at all.
Loins, lions!
Coming out of sin to learn the ways of the truth;
For, there is life in the truth.

Edward Kofi Louis
Out, Outcry!

Out, outcry!
With the sins of mankind on earth today;
Very grievous,
As seen all over the world.

Pose, suppose!
With the ways of our various acts on earth today;
Leading to hatred and war,
As we destroy each other.

Edward Kofi Louis
Out, Outside!

Out, outside!
Standing in the rain and,
Waiting for your lover;
But, this muse of love is all that you have.

The moment of inspiration,
The moment of love,
Roots, shoots, boots, coots, loots, moots!!
But, you are outside in the rain waiting for your lover.

Edward Kofi Louis
Outcast

Cast,
Our,
Outcast!
Past,
Mast,
Last;
Oh Humanity.

Edward Kofi Louis
Outcry!

Out,
Outcry!
Outside,
Claimed,
Proclaimed! !
Aimed,
At you.

Edward Kofi Louis
Outdoor

Door,
Out,
Outdoor! !
Outside;
To expose your works.

Edward Kofi Louis
Outdoors And Indoors

Outdoor companies and indoor lovers,
And of a bright idea to accomplish;
But impartial justice is not what we need on this earth.

A great sense of humour,
Everyone needs to feel accepted;
For the journey of life continues,
And we have to face the facts around us.

Edward Kofi Louis
Outfit

A black outfit and a white outfit,
The spot well used is the soul well understood;
And, it is time to walk away from the odds.
I don’t need a C.V. on my love!
From 'Gomua-Buduburam' in the Central Region of Ghana to,
'Bujumbura' in Burundi;
And, to the Slave Island (Goree) in Senegal to tell my story.
So, what do you expect from a talented person like me?
For, two people walk together only in agreement;
And like the shakers and the movers of things to marvel others!
But, only mothers really know the true father of their babies.

Edward Kofi Louis
Outfit 2

Outfit, fit, it, out!
Feast,
East,
Eat;
And to rest your mind.

Edward Kofi Louis
Outfit 3

Fit,

With the muse of your lifestyle.

Edward Kofi Louis

Bet,
Met,
Get,
Wet!

Edward Kofi Louis
Outlet Of Outer Space

Love is the light of the mind and,
Wickedness is the darkness of the world!
So, let us draw our hearts to the light and seek for peace.

Splash, lash, ash!
With the muse of the untouched flowers in the land of peace;
Yet, war is now seen around the land of peace.

Common, uncommon!
To the people;
Like the outlet of outer space.

True love!
So well trained;
With the muse of peace and joy than, hatred and war.

Love with a pure conscience brings peace to all!
And, gaining wisdom and understanding in life is better than,
Silver and gold.

Edward Kofi Louis
Outlined

Protection!
Expressed concern;

Historic,
To address the issue;

Social!
In your office;

Boys and girls,
Streamlining the opportunities available.

Edward Kofi Louis
Outlined Plan

Daily requirement,
Appointed!
Following the outlined plan;
Duties! !
Of men who knew the sea,
Working very hard!
With supplies of food, oil and wine.

Edward Kofi Louis
Outrage!

Out,
Age,
Rage,
Outrage!
And you killed your neighbour,
After the act,
The act of Terrorism.

Edward Kofi Louis
Outside Appearances

Modelling and changing outside appearances,
With much time fixing in the way we dress;
And just to fit in and to be like everyone else,
But walk and talk with your muse like the singing birds out there!

Edward Kofi Louis
Outside Of Time

This sweetness!
This love;
Outside of time,
With the muse of nature.
Love,
I began to look for you;
Ration, variation!
Muse,
Elegant.

The muse of life!
With the call;
Outside of time,
Because of this sweetness.
Love!
To find the way;
Leading to your sweet heart,
Because, you are always there for me.

Edward Kofi Louis
Outskirts

Skirts,
Out,
Outskirts;
To cross over the road,
Leading to the forest,
In search of wild honey!

Edward Kofi Louis
Outstanding

Standing,
Outstanding!
Positiveness,
With the muse of the truth.

Edward Kofi Louis
Outstanding!

Outstanding!
Of your love,
Of your words,
Of your joy,
Of your works,
To meet you;
Brief and deep! 
With the muse of your love,
Deep in my heart;
And, always thinking of you.

Edward Kofi Louis
Outstretched

Walking like a drunkard;
But, you are now ready to learn from the laws.
How can you shape your life in this way?
For, your culture had now led you astray!
But, you now need to obey the laws and live.

Edward Kofi Louis
Outstretched 2

Signs and wonders,
Great terror! ! !
Outstretched with the wickedness of mankind;
Seen all over the World today.

Edward Kofi Louis
Outstretched Arms Of Love

Outstretched arms of love,
Mighty hands of peace!
To embrace you and,
To bring joy to you.

Light,
Sight,
Insight,
Love and peace;
Always keeping the laws,
With the muse of the works of the truth.

Edward Kofi Louis
Ovaries

Ovaries in the river of semen,
And of the eggs that swim with joy;
But the cynosure of the act is in the eating,
And like the sweet words from my lover.
Arise and swim with the joy of your muse,
For out of the river of semen comes the fusion;
All in the name of fertilization to create a child,
For the river of semen is always needed by the ovaries.

Edward Kofi Louis
Over All Things

Sense,
Very positive;
Precise,
A great recompense of reward,
Over all things.
Choice fowl!
With the voice of love;
Great insight! !
With mercy and humility.

Edward Kofi Louis
Over Excited! ! !

This isn't a dream! ! !
But, i love you;
And, you are now over excited! ! !
Because, i really love you for who you are.

It is my choice and,
It is for your wisdom;
It is your love and,
It is from your muse!
Because, i really love you for who you are.

It is your choice and,
It is of my act;
It is your works and,
It is of my wordfs;
For, this is not an ordinary love!
And, i love you for who you are.

Edward Kofi Louis
Over The Fence

You believed me because of my words,
You believed me because of my works;
But, a thief always climbs over the fence to steal!
All the same, i am here to protect you.

Edward Kofi Louis
Over The Horizon

Love,
Over the horizon;
Warm greetings,
Basic bell,
Basic tone,
And, to beep once.

Edward Kofi Louis
Over The Sea! !

Hastening,
Wrath!
Out of the land;
Through the wilderness of love,
And, over the sea! !
Of the outermost branch,
Of the forsaken bough,
But, come and tame me with your love.

Edward Kofi Louis
Over The Valley

Life,
Like a man with a camera;
To the river,
Flowing down slowly with the muse of love.

Love,
With the reality of the land;
But, look at love!
At times it is more than you can take in.

The heart,
The soul,
Of dates and facts;
With an entry visa.

The bridge!
Of the data and the facts;
With your papers needed,
Over the valley.

Edward Kofi Louis
Over The Waters Of Love

TO be salted with salt and,
To be at peace with one another;
The water of life,
the water of peace,
A manner of speech,
In its form and nature!
But, thrown into the sea.

You must return the same way you came in! !
But, take another direction if you like;
According to the signs around you,
And, to the place of love.

To have a place in my heart,
At this location;
Over the waters of love! !
With the same measure;
Promptly!
But written many years ago.

Edward Kofi Louis
Over There

To find a way to enhance your status,
And, along the line of love to respect your studies;
but, the university work is full of many items!
However, you will get the understanding with your undertakings over there.
Convectiions!
To control it;
Monetary income;
Self sufficiency,
However, you will get the understanding with your undertakings over there.
Traditional values!
Works of fiction;
In this world,
But, remember where you came from! 
Because, you will get the understanding with your undertakings over there.

Edward Kofi Louis
Over, Ever!

Dear, dare!
In the land of your muse with the problems at hand;

Over, ever!
With no trace of yours steps any longer in my room.

Lover, over!
Like the ways of lust that ends in sorrow;

Lust!
With a clothing line;

Lust!
With an official response;

Lust!
Under strong condemnation;

Wore, ore!
With the ways of your life in this village;

Lust!
It popped up.

Lust!
Calling the bluff;

Lust!
It is not fair to reap where you have not sown;

Lust!
Providing such incriminating evidence;

Of your real age!
As brought up in the News Papers today.

Edward Kofi Louis
Overcome Evil

Overcome evil with righteousness,
And set your understanding on things up high.
Do not lie to one another but,
Speak the truth always;
Let your speech always be with love,
And let it be seasoned with salt.
Like the labour of love and the patience of hope,
Like the new man and the new woman,
This world is full of strange things to see.

Edward Kofi Louis
Overcome Evil 2

Affectionate,
Live in peace and associate yourself with the humble;
Do not be overcomed by evil,
Rather, overcome evil with righteousness.

Clay, lay!
To the potter's house to learn from him or her;
Because, the beautiful vessels made out of clay was first marred in the potter's hand,
So, overcome evil with the works of the truth and live in peace.

Edward Kofi Louis
Overlaid

Love,
Like the muse of an iron overlaid with gold;
For, action speaks louder than words!

Love,
To see her;
And to be greatly comforted!
With the muse of her joy.

Love!
According to your faith;
So, may it be done to you according to the laws,
And, to bring peace.

For your liberty,
For your comfort,
For humility;
Like the muse of an iron overlaid with gold!
Under the ways of the law.

Edward Kofi Louis

To touch your heart with true love.

Positive works and words;
Insight with the muse of righteous characters!
Sight of wisdom,
Might of nature!
Overnight.

Edward Kofi Louis
Overseas

Overseas, verses, vases, serve, save, saves, serves, aors, soar;
But with fuel of human excrement!
And like the abominable meat beside you,
For, you exposed your love on every hill! !

Skill, ill, kill, hill, fill, drill, thrill, mill, bill, dill, grill;
With words from your mouth to defend yourself always!
But, the bills are now in for you to pay.

Overseas, over, sea, seas, as, so, sore, sores, vase, vases, see;
And now, your nakedness is known to all around!
For, you exposed your love on every hill.

Overseas, ore, ores, veer, veers, seer, seers, sear, sears, sees, oar;
But, try to heed to the works of wisdom than playing with your life!
For, there are rulers in every country.

Overseas, ear, ears, era, are, or, rover, rove, roves, verse, soars;
In time past and to the present time! !
And, you are noted in this town for selling your body to all.

Edward Kofi Louis
Overseer!

Overseer!
Taking care of the faith;
The faith of the truth given to the chosen ones.

The truth!
Relied upon;
For righteousness and for peace.

Of the first order,
Of the second order,
Of the third order;

Overseer!
Like the muse of the vertical and the horizontal;
But, always with the truth.

Edward Kofi Louis
Overview

View!
Over,
Overview;
To the point,
With the muse of the message! !
The stage,
With the muse of life;
The sage,
On the stage;
With the passage of nature and,
The status of your age!
Over,
Overview;
In your land,
With the muse of your language.

Edward Kofi Louis
Owain

Stray, astray!
To do it once again;
Steel, genteel!
To read it once again;
Play, pray!
To write it once again;
With the paint brush.
Owain, own, win, now, in, an;
Hear, heart!
And like the colours of your love;
Prey, pray!
Biography, philosophy, photography;
But, try to keep the vision on.

Edward Kofi Louis
Owala

Owala, owl, low, law!
With the Royal Pains;
Life!
With righteousness verses evil;
The Royal Act!
The Royal Love,
The Royal Baby,
The Royal Life;
But, you lied to me on this love.

Edward Kofi Louis
Owl, Awl!

An awl,
An owl;
Owl, awl!

Of an owl flying high and,
Of an awl through the ear lobe;
For the truth!

However, life is worth twice as much, to seek for peace than war;
Under the laws of righteousness.

Nest, best, test, pest, west, guest, crest, rest, lest, fest, jest, zest, quest, vest!
In human terms with natural limitations;
But, the truth is always the truth.

Edward Kofi Louis
Owl, Owlish!

Owl, owlish!
'Isaac Kofi Frempong' was buried in Accra on,
The 2nd of April 2011;
And, his brother, 'Hayford Osei Frempong fainted at the cemetery.

'Pour water on him'! !
Shouted the People at the cemetery;
For, he was totally exhausted from the heat of Accra.

Car, caring!
At the cemetery to bury 'Isaac Kofi Frempong';
And, tears run down out of the eyes of the people like,
River Jordan.

Oh death! !
You came along and took away 'Isaac Kofi Frempong';
A Young man whose ambition in life was cut short,
And, he was drawn in a river.

Edward Kofi Louis
Owls, Prowls!

Read, dread, bread, lead, mead, plead, head, thread;
But, on high! !
Bowl, owls, prowls, cowls, fowls, howls, jowls, yowls;
But, that should tell you something! !
However, believe in what the prophets have spoken.

Life!
The bridgeroom waits for the bride;
Owls, prowls!
Do watch the acts of your muse in this town.

Illegal lust!
So dark and sure;
And like a heavy shadow moving in the dark.

Mr. and Mrs. Hope!
Life is around you always;
Mr, and Mrs. Change!
Love is ready for you always;
Mode, moderator!
Quirk, quiche, quick;
It is far-fetched!
But, it can be achieved.

Edward Kofi Louis
Own Crown

Down town,
Own crown;
True-love always has a way to touch your heart,
So, pass on the truth for others to learn.

Remote control,
For a purpose;
Starting all over again,
However, laughter is like medicine to the heart.

Owura, Ur, oar, raw, or, war!
Of the atmosphere in Syria;
Why? !
When will there be peace?

Edward Kofi Louis
Owusu

Reach out to someone and say 'Hello',
Then try to recruit a qualified person on your love!
For, I've got my mind on you and you've got me.
The reputation of your love needs an experienced person,
And you've got me with your nakedness!
For a picture worths more than thousands of words but,
Action speaks louder than words!
I love you intoto and,
Like the players and the workers;
I love you my sweet one and,
Like the lovers and the singers of this muse;
And I am the one qualified to take you on!

Edward Kofie Louis
Ox, Goat, Sheep!

Meat for you,
Meat to eat;
Ox, goat, sheep!
Just like the breast of the wave offering;
Stable with the muse of love and the laws,
As you go along with your life.

Edward Kofi Louis
Ox, Oxbow!

Lust!
Through the dark;
Bow, oxbow!
Through your acts;
Bush, ambush!
In the land of your muse.

Ox, oxbow!
Seeing your works and,
Knowing your ways;
In the land of your muse.

Lust!
Like the reflections of the mirror;
Giving us a picture and,
Telling us who you are.

Edward Kofi Louis
Oxen

The twelve oxen seen around you are mine,
So take me to the Sky City for me to seek for my lover;
For i seek for her who has wisdom and knowledge.

Edward Kofi Louis
Oxford Street

London's Oxford Street,
Where is my lover who left me last night?
For the rains have set in and i am walking along alone without her;
But with the hope that i will reach to my house safely because,
It is dark and i am already socked in the rain.

Edward Kofi Louis
Oxygen And Nitrogen

Referral fee,
Crops,
Yield,
Efficiency,
Oxygen and Nitrogen!
With insect and nematode control to muse up my village;
But, experiences are much noted on this job.

Scammed,
Very slowly,
Comfortable,
The same;
But, too old to climb up! !
And like non-patent literature;
However, my presentations are like the posters seen around you.

Edward Kofi Louis

Love is with us all because of the very hatred around us,
But i will love you for what you are forever!
And, i want to learn more from you as well from time to time.

Oh Oyekake my love,
We will all be judged one day;
But, you are all that it takes and to love me for what i am too.

Edward Kofi Louis
The dog of the house is like a god in the bush!
But the Tree of Life is in the midst of the Garden of Love;
However the serpent subtly deceived Eve into her craftiness,
But beyond proper limit is the sweet muse of Ozlem my lover.

Edward Kofi Louis
Ozni

Ozni, ion, on, in!
Captive,
Bound,
Prisoner.

Edward Kofi Louis
Painting The Toilet Seat With Your Blood

Painting the toilet seat with yur blood!
The very toilet room used by many people;
Leaving behind your mark,
The traces of your blood,
Knowing that, another person will come in and use the toilet as well.
That isn't the right way of life!
However, remember always to clean the toilet when you visit it;
Since, you are not the only one in the neighbourhood.
The public toilet,
Painting the toilet seat with your blood!
Leaving behind your traces;
However, you have to think about others as well,
And, live in peace with your neighbours.

Palace, pace, lace, ace, ape, cape, cap, ale, pal!
I am as hard as a stone and,
You are as soft as gel;
But, this love needs a particular place to fulfil itself.

I am as hard as a stone and,
You are as soft as a wool;
But this love started from a place;
And today, you are as light as paper!

This is just by the way,
because, you fell in love with me when Uncle Sam was around;
And today, his palace is left alone for us.

Edward Kofi Louis

Rewarded for something;
Anything,
Regardless to the muse of nature with the rain.

The beautiful colours of creation;
And always in prayers to my Creator,
For, i am indebted to the wise and the universe.

Wisdom is better than silver and gold!
Like the muse of the honest scales in our hands;
And like a protective shield in the land of peace,
But, let obedience lead you along the muse of the laws.

Edward Kofi Louis

The sea returned to it full depth;
Awesome!
Into the midst of the sea.

Edward Kofi Louis
Palmer

Showers of the rain,
I'm walking along Marcus Garvey's Drive in search of my lover;
But the Sea-View Gardens are closer to you,
And like August Town where my lover Palmer lives.

Edward Kofi Louis
Paloma

Pontifex Maximus,
And of the history of man as recorded;
But it is better to learn from the truth always.

I am like the Olive Tree and,
I want you to be wise as well;
For the Gods are ruling all around us.

Paloma,
Learn from the Yahdaim and move up straight;
For only few will be saved through Yahshua Messiah.

Edward Kofi Louis
Paloma 2

Paloma, pole, lap, palm, pal;
Enhance,
Romance,
But, falsely it was felt.

Cheek, check!
Dichotomy;
Unequivocally,
Like a mother who was impregnated by her 15 year old son.

You got it ptecisely right! !
Facing the world with righteousness and evil;
But, the peace of the earth is much needed than, hatred and war.

Edward Kofi Louis
Palomo

The word 'Jehovah' was unknown until 1520;
And this was introduced by Galatinus!
But was contested by Le Mercier, J. Darusius and L. Capellus because,
They found it to be wrong from the actual Name of the Creator as 'YAHWEH'!

Farewell Palomo,
For the word 'Jehovah' is of a grammatical error!
But to the land of the truth i will always rest my mind;
For the Holy Scriptures have been misused and abused by many.

Edward Kofi Louis
Pama

Our dearest hours,
In downtown communities without hope;
For our gardens are now without flowers,
And like Pama walking alone in the rain.

Edward Kofi Louis
Pamela

Pamela, due to the philosophical way that we are raised,
The truth is far hidden from us always!
And we've come to worship the Queen of Heaven today.
She is the God-El and,
She has blinded the minds of many!
But Yahweh's mercy is upon the chosen few.
False prophets,
King Numa Pompilius added 'Januarius' and 'Februarius' to the Calendar;
And this was about 713 B.C.
The 'Decemvirs' (10 Magistrates) arranged the Calendar o its present status,
And this was about 451 B.C.;
But the original year beginning from 'Martius' was then changed to 'Januarius'.
Those who have ears and eyes will understand this öpoem oh my sweet Pamela,
For many years have added itself unto things to put us into the darkness;
But the truth will never die out from the earth.

Edward Kofi Louis
Pamela II

From man to machine and,
From machine back to man;

But you came with all sorts of stories to confuse me;
And you are now killing me softly with your words.

Edward Kofi Louis

I am from Panama and i am full of words,
So come and let me show you my concubines;
Then, you can explore my sweet love.
With two legs and two eyes,
With two hands and two ears,
And like the two pillars of love!
For, i am looking for a place to stay with this sweet muse.

They ate, drank and slept together! 
So, stay the night and enjoy yourself with my love;
And like 'Dr. Flash Hour' at the rush hour of the day!
But if only if i could hold your breasts and kiss you,
Then i will know your mind on this love.

If only if i could kiss your lips and love,
And like the sweet muse of love being reflected in the mirror! !
For i need ylou and i want your naked body beside me,
And like my concubines in the land of my muse.
Yes, come to Panama to enjoy my muse with the red roses of love,
For, i am loooking for a place to stay with this sweet muse of mine;
And, you are all that i need.

Everything is now painted blue around you;
The palette of the sky,
To feel the sensation!
At the water's edge;
With the colour of the nuances of the water.

Edward Kofi Louis
Panted

Fearfulness,
Terrified,
Panted;
For the night of your pleasure has now turned into fear! !
Because the bombs are now falling unto everyone's house,
And the hospitals cannot take care of the dead!
The shield of war is now broken into pieces,
And the bombs are now falling unto everyone's house;
But, is there any hope for us? !

Edward Kofi Louis

Pantries, arts, star, rat, rats, tar, sin, in, sine, pin, pins, near, lap, tap!
With the muse of your love in the land of your muse;
And, with the acts from your mind.

Forest, rest!
With the muse of your sweet love;
The muse of life!
Starry night;
Daydream,
And like the red haired woman next door.
The muse of love!
With a purple sky on the yellow bay;
And like dancing butterflies and lovely birds up high on the mountains.

Edward Kofi Louis
The four living creatures darted back and forth,
And each one went straight ahead!
But like a great cloud taken with fire,
I am here with my friend called Pantsil.

Red, yellow and blue;
Of the four faces and the four images of love,
But it all began like a dream and we finally fell in love.

Edward Kofi Louis
Panyin

The victim,
To have fallen sick;
But to reveal the ordeal is like the secret of your muse! !
And Panyin came in to tell us of the facts.

A male teacher,
A female teacher,
Barely a fortnight!
But you hanged up the phone
when you realised that i was on the line.

Edward Kofi Louis
Papa

Papa, this is your son writing to you from a very strange land;
There is air on this land but with the floating minds that muses,
And of the power of love and the power of the muse that it brings.
I have been able to live here for many years and,
I have taken your words and i am now myself over here.
This is a very strange land with no air,
But your words had taken me in that far;
For up and close and personal is the muse that the land shares.

I am living on this strange land with my lover,
But my heart will grow on to fulfil my dreams;
Papa, it is all coming back to you now!
For your words are my weapons over here to muse up with others.

The immortality of the mortals seems far from this dream,
And i will always do my best to get you the news from here always;
But if the walls could talk, they could have told you much already.
I will give up on this dream and,
Living in this strange land will be my weapon ahead;
For, i left home to be able to satisfy you people as well.

Edward Kofi Louis
'Papa Africa'

From the sweet came the kiss!
And, from beauty came love;
Long overdue,
Starving from this love.

To titillate your image,
How sweet is your name and your body?
Thoughtful and sincere with the muse of Africa,
Like the words from the ballroom to make you dance.

'Frontofrom'! Frontomfrom'! ! 'Nana Ebaoo'! !
Emission, omission, mission, commission, , transmission;
With my steps reflected by the Laws of 'Papa Africa'.

The paper and the pen,
With a comprehensive treatment of love;
Tell me your age and, i will tell you your mind.

Gold, silver and bronze!
Blue, purple and scarlet;
Of a ram's skin dyed in red,
Living with a peaceful mind in Africa.

'Papa Africa',
With the muse of a goat's skin and the acacia wood;
Buds and blossoms!
Opening up to nature;
With poles into the rings of love.

Flowers of love,
A little balm and a little honey;
Sage, envisage!
Thoughful and sincere with the muse of Africa.

Edward Kofi Louis
Paparazzi

Eating ice-cream,
The sun is very hot and you are using the advantage;
But these paparazzi around will never stop spying on you,
And like the schnapps sold along Oxford Street.

Where there is a will there is a hope,
So mark my words and study my muse;
Because your ice-cream is like the muse of my land!

Where there is a will there is a way,
But my heart will grow on because of your love;
And like the paparazzi in the land of your muse,
But i am ready to love you with my sweet muse.

Edward Kofi Louis
Paparazzo

She's watching me because,
She's a paparazzo!
And she wants my news to publish her newspaper,
So i have to watch my steps in my own house,
Because she knows what she wants from me!

I am ready with my sweet muse but,
I have to watch out for this paparazzo around!
Because this world is full of them,
And i have to know how to play my cards very well.

Around the tablets of stone,
But, a cloud of thick smoke appeared in the bush.

A collage!

As you play the harp in the garden of joy.

Edward Kofi Louis
He is called Parpa ad
My love to him is like beauty and the beast;
But i do know his story and feelings too.

Our hearts will grow on this love,
And i will surrender all that i have to him;
For life is all about the muse of love.

I will not worry much about what i have,
Since i am in love with him;
But when life is empty, where will i go without him?

There are more things we do behind close doors,
And Parpa is my man on this muse so sweet;
For he has all that it takes to love me.

Making love with him is all that makes me go round deeper than ever!
For the first time that i ever saw his face,
I knew that he was the one to carry me on like the blues of songs.

I thought the sun reflected on the rose of love beside me,
So i will never leave him alone on this love;
For Parpa is my man so sweet on this muse that satisfies my heart.

But, you can not change nature!
Because, it belongs to the Creator Almighty.

Edward Kofi Louis

With teachings!
Learning all day long;
Only from the truth,
Making you wiser than a fool.

Pasteurization,
It is not easy to climb to the top of a mountain;  
But when you are on top,  
You will gain your strength back.
Fermentation,  
Life is permisssible with hopes and dreams;  
Like a word to the Queen of Ethiopia.  
Pasteurization,  
Life is like the skin of wine made from papyrus.  
Being on top of the mountain is,  
Part of the criteria that has to be meant;  
Like a fisherman with his boat.

Edward Kofi Louis
'New Vision Party' led by Pastors,
They are now into the political race to stand for a President;
But what have they done to the collection plates? !!

Of the genealogical history of the heavens,
Of the genealogical history of the earth,
The light is day and the darkness is night;
So try to gain wisdom on this issue before it is too late!
For the collection plates are not even enough for these Pastors.

Paths Of Life

Paths of life!
Baths of love,

There's nothing wrong with me,
Living and loving you!
Hoping that one day you will be by my side.

Edward Kofi Louis
Patience

The thunder of the hidden guns!
And of the weeping moon and the laughing sun;
But, patience is not a virtue,
Rather, it is a necessity.
The sun is bigger than the earth and,
The earth is bigger than the moon!
However, my love to you is greater than them all;
For patience is a necessity to all of us.
Diamonds are never sold cheap!
Neither gold;
But, my love is more expensive than both of them!
And, i do offer it for free to you,
Because, i love you.

Edward Kofi Louis
Patience

Words of peace,

Without giving up;
The truth is just,
To respect yourself and to respect your neighbours;
With the purpose of the unity of the earth.

Edward Kofi Louis
Patiently

I waited patiently for you and you entered into me very deep!
Then I felt like being alone above the clouds of sweet love;
Because your love was so sweet and so smooth to melt my heart away,
But you have really made me whole like a needed woman on your side.

Edward Kofi Louis
'El-Mina' in 'El Minero'!
This is the gold of mines that had taken you on like,
The love found in 'Elmina'! 

Patric, when an animal wants to die it struggles!
But i am living in a place called Elmina in Ghana,
And my love to you is like your nakedness in the bathroom.

Edward Kofi Louis
Patricia, Felicia!

One night,
Waiting for some food to eat.
Patricia, Felicia!
Lying down at your place;
Ace, race, face, trace, embrace!
With your works,
Cultures and traditions around.

Edward Kofi Louis
Patrick

You are like a sword among the thorns and,
You are like a monkey among bananas!
So, why do jump from place to place?

When will you come to understanding?
And, when will you come to the truth?
A touch down to my lovers home;
And with the steps of fear to think twice.

Patrick! You are not straight forward to me;
Like the rate of the pieces of cigarettte everywhere.
How can one smoke all day long like this?
Patrick, you are not straight forward to me;
You've been decieving everyone but now,
You are caught in the very net of your trap.

Paris tell it all and,
Your life underground is what i like to know;
For you look only very handsome on the surface.
Why can't you let us see who you are?
And, are you afraid of yourself?!

Edward Kofi Louis

To listen to the views of others as well,
To answer their questions and, to be joyful with your heart.

Edward Kofi Louis
Patton

Of the peace that we share on this love,
And of your muse that leads me on;
But like the keyboards being played to satisfy me,
I will set my heart's love on you only.
Patton, you are what i have been searching for;
And your love to me is like the sun rising from the East.

In your very dream, i will be there for you;
In your very work, i will be there to support you;
In your every kiss, i will be there to satisfy you;
Because, true love comes from you like River Jordan.

I need to be deep inside you like the air that i breath,
So come and take me home with this sweet love of yours.

Edward Kofi Louis
Paul

Stay with me for my love is for you,
Eat with me for my body is ready for you,
Lie with me for my flower is blossom,
And let us enjoy the night on this golden bed;
Stay with me for my love is for you,
But with my nakedness to you like a sweet apple.
I am all that you need tonight,
And my love is like the delight of the hills everlasting!
So come to my native land of love and take me into your arms.
Oh my handsome Paul, come straight into my world of love;
For my love is waiting for you all day long.

Edward Kofi Louis
Pauletto

The wolf girl,
The wolf boy;
Like a secret with a face.
To be normal,
To act normal,
Pauletto, Paul, let, to pale, peal, ate;
But, you were the first lover in my life.
Muse,
Memorable!
Be right and do it right;
The, there!
Pauletto, pole, out, put, top, late, pot;
Ear, dear!
What you don't know is what will kill you;
But, it is a long story.
Pauletto, pate, Pat, at, pet, tea, ale, eat;
Stories!
Red wine;
But, you only live once.

Edward Kofi Louis
Paulina

They had to be freed for their own protection,
But no one has seen Paulina of late!
Because love and respect come from the heart,
And we have to live a perfect life with all.

Edward Kofi Louis
Paulme

A man's opinion,
I am Paulme in the land of roses;
A woman's opinion,
I am Paulme in the land of roses;
But the strong wind came and my roses fell down.

Edward Kofi Louis
Pave A Way For Me

Listen to me,
Pave a way for me;
Lead me on,
Along the narrow path,
With muse of the truth,
To save me.

Life! !
To have the sense of living,
Watching the birds as they fly up high;
To respect nature,
To understand life,
Pave a way for me!
And, help me through.

Edward Kofi Louis
Paw, Saw, Raw, Law!

The paw of the lion,
The paw of the bear!
The paws;
From a lion or a bear! !
To seize your valuables and to carry them away.
Paw, saw, raw, law!
To agree to your demands;
The demands of life,
But, with the ways of nature.

The one who puts it off.

Edward Kofi Louis
Pay

Say,

With your love,
With your muse,
With your joy!
Picture, literature, structure, adventure, puncture, fracture, future;
The face of a lion,
The face of a monkey,
The face of a man,
With the story that i am about to tell you;
But, pen a pal and pay a pal.

The vampire!
A mass slaughter;
In the name of war! !
But, i do have my pen in the hand to write out my mind;
Pest, fest, test, best, safest, latest, nest, west, crest, rest!
With the ways of mankind on this earth today.
Ant, Anthony!
To pen a pal and to pay a pal;
Full, bull, pull, mull, hull, null, dull, gull, lull, cull!
With the power from thew tail of the deceiver;
But, wail for the tears of war.

The muse of life and the ways of the odds!
Being tossed by the wave of the sins around you today;
Since, there is no love among the people,
Because of hatred and war.
Some aplea are very bitter and,
Some apples are very sweet!
So, pen a pal and pay a pal;
For, the sea is now calm with the words of true love.

Edward Kofi Louis
Pay Attention

Rest assured me from the kiss of your lips and,
Pay attention to the muse that grows with love around you;
And like the art and the act of a dance to the rhythms of your sweet love.

Edward Kofi Louis

Edward Kofi Louis
Pay Before You Eat

Pay before you eat!
For the door opens automatically for you to enter;
And then closes up automatically after you've entered in! !
But when coming out of it, it is also difficult at times because,
There are well laid down rules for you to follow.

Pay before you eat! !
For there are rules everywhere in this life;
And many have fallen because they were not ready for them!
However, the road of life is now always straight as we do think.

Edward Kofi Louis
Peace 2

Peace!
Please;
For love and kindness.

Edward Kofi Louis
Peace And Blessing

The dead of Yahweh will be resurrected,
For the law makes spiritual life possible than food!
because food only keeps the physical body alive.

Peace and blessing,
He was ascended into heaven!
And will return in the same manner.

We will await for this resurrection and,
We will be joined peacefully once again;
And like the mystics of the clouds in the heavens above! !

Edward Kofi Louis
Peace And Care

Life and love,
Peace and care;
With the ability to understand the feelings of another!
With positive morals,

For jealousy and hatred are all around me!
But, peace and love are now needed;
For, i always want to be in the right state of my mind.

Edward Kofi Louis
Peace And Love

Life,
The cave in the field;

Tender love and kindness,
Humility and the care for humanity.

Edward Kofi Louis
Peace And Love

The world needs peace!
But, others want to destroy it;

The world needs love,
But, hatred is with the minds of many;

Peace and love!
If we are ready to accept them;

For the joy of the earth than,
With hatred and war!

Edward Kofi Louis
Peace and joy,
Peace and love,
Peace and the works of the truth;
To seek first righteous morals and,
To live in peace.

Edward Kofi Louis
Peace And Love II

The proposal,
With the story of love.

Everywhere,
And, with the sweet muse of peace.

Edward Kofi Louis
Peace And Love!

Peace and love!
With the muse of the light overcoming darkness;
For the truth to appear.

Edward Kofi Louis
Peace And Unity

Love,
It is obvious!
Seeing the smiles of your face;
With the way you walk and talk.

Life,
Founded with love by the Creator;
For peace and for joy,
For righteousness and for the truth,
So, let us all live in love.

Sharing and caring for each other!
In the name of peace and unity;
For, we are all one,
Under the umbrella of creation.

Edward Kofi Louis
Peace Be With You

Love,
Peace be with you;

Without hatred and war.

Edward Kofi Louis
Peace Is Better Than War!

The problem is here,
Let me see how i can handle it;
For, peace is better than war!

Edward Kofi Louis
Peace Is All About True Love

To the city of joy,
To the city of my birth;
To the city of love,
To the city of care,
To the city of hustle and bustle!
However, we still do not have the truth on this earth;
But, i write that others may learn,
Because, peace is all about true love to all mankind.

To the city of success,
To the city of the laws;
To the city of my birth,
To know the truth and to extend it to all in peace.
Muse, life, joy!
The weather is warm and the butterflies are flying around;
But, with the letters of recommendation to enhance my muse,
And, to bring peace to all.

The muse of life and the muse of true love,
Between the double walls of nature;
And, to teach the truth to all mankind,
For, peace is all about true love.
The truth!
You can see it clearly than hatred and war;
Because, the truth brings in love and,
Hatred and war destroys everything.

Edward Kofi Louis
Peace Is Needed

Delight,
Of the purpose,
It is better,
Advantageous!
The sense of watching,
To compare things in life;
Objective and subjective,
Acceptable,
With the works of the truth,
Because, peace is needed for a better tomorrow.

Edward Kofi Louis
Peace Is With The Joy Of Love

Peace is with the joy of love;
For, a person who has a better foundation has a greater future in life.

To everything, there is a time!
So, try to bring peace to the earth than, attacking each other in the name of war.

In this life, others will not like to go along the same road twice!
After their first experience;

However, the truth is openly admitted when, you believe in righteous works! !
Because, true love is with the shadow of the truth.

Edward Kofi Louis

But show yourself righteousness to my heart and reap in mercy,
For i am like the weed upon the waters!

Edward Kofi Louis

For, you came and changed my mind.

Pentecost, pot, pots, top, tops, post, pest, tone, one, no!
To thank you for your act;
On a positive note in the land of your muse,
But, try to consider the reality of the life around us today.

At the passage,

We the people on earth,
Facing the ways of life.

Races;

With those who are ready to embrace the truth,
While others are in for war!

Nature and society,
Acts and facts;

Arts and cultures,
Parts and pacts.

People on earth,
You and i! !

Out of the dust we came,
With a spirit attached.

Inner self! !
Inner voice,

Echoes of life!
Inner joy when the right thing is done.
Mankind on earth,
Some are ready for the truth;

Mankind on earth,
Others are ready for war! !

Hatred is the key,
Taught to them from the womb;

With a bomb today in the hand!
Only to destroy.

You and i! !
Here on earth;

Here and there with our works,
Some with positive morals while, others seek for war.

Humanity,
Wickedness cannot bring us peace! !

We need peace and love,
We need Righteous Laws;

Able to lift up the works of the truth!
Than with Evil Acts all seen around us today.

Edward Kofi Louis
People Want Freedom

Life,
People want freedom;
Like the way rivers flow into the sea,
No matter what comes along the way.

Nature,
Everyone wants to be free;
Freedom!
To set us free like the air we breath;
But, the ways of mankind today had taken away the liberty of life,
And, the golden gate of peace is now being destroyed with the bullets of war.

Freedom! ! !
Independence;
But, how many of us are free today?
Even though, mankind was made by the Creator and placed on earth.

Freedom!
We are still struggling to gain an identity of peace, love and joy;
Than, the darkness of war.

Freedom! !
Freedom for all;
But, is mankind really ready for freedom?
As we see few people enjoying the national cake of the earth,
With many going hungry.

People want freedom!
For peace, joy and love;
But, the sadness of it all now lies in the wickedness of mankind.

Edward Kofi Louis
Peratta

An exhilarate tone of one's status,
And of the question marks that still lingers;
But it is time to illuminate your mind on this issue,
For you are very agile to get a clue on this matter.

Life is like the wonders of nature,
And love is like the blues of the muse;
But, is this like the vacillated act of a pilot?!
Yes, we need to learn at all times to keep us moving.

You and I need a devotion on this matter,
And your opinion should be heard too;
For anxiety in a man's heart weighs him down.
Peratta,
Sound words of positive motivations makes a man glad;
And I need to guide you on with the peace of my mind.

Edward Kofi Louis

Your own eyes will see me and you will love me,
For i have received your message!
And, i will perform your request.

Edward Kofi Louis
Performance

A courtesy call,
And of the acts of your performance;
But, profaneness has now gone out into the whole world!
And like an attempt by a pastor to rape a member of his church;
But, let the international awareness of man's mistakes be known,
And let us all be ready to change for the better.

Edward Kofi Louis
Performed With You

Love,
Performed with you;
With the wonders of life!
Revealed with the joy of your heart.

With the joy of your heart,
And, with the aroma of life.

Edward Kofi Louis
Perfumed

Met, pet, set, let, net, wet!
Perfumed with myrrh, aloes and cinnamon;
With the muse of sweet love.

Shout for joy and praises when, you have the works of the truth;
Because, the patient in spirit is better than the proud in spirit!
For, a living dog is better than a dead lion.

Iron sharpens iron!
And, there is no wisdom in the Grave;
Because, the living know that they will die one day!
But, the dead know nothing.

Basidiomycetes,
Ascomycetes,
Saccharomyces,
Retraining the mind with positive morals.

Edward Kofi Louis
Period Of Time

The owner of slaves,
Sometimes i have to watch out twice!
With the muse of nature at the same period of time;
of the works of mankind on this earth.
The chain reaction!
With the muse of the rich person advantage to have the poor slave;
Guilty! !
But, that is how life is around us today;
For, the rich person always needs the poor slaves to work for him or her.

Edward Kofi Louis
To perish at a Parish and to learn like the lion,
For Satan's way is made to look more desirable than ever!
But when lust concieves, it brings forth sin.

Do not eat what dies of itself or killed by wild beast,
For a man's home is his castle!
And of the things that women do in the dark.

Eat herbs to raise up your intelligence and,
Be very wise to distinguish from the facts;
And of the things that men do in the dark.

Edward Kofi Louis
Perishable Things

Perishable things!
Suffering from several diseases;
After enjoying the pleasures of life.

Edward Kofi Louis
Perished

The weapons of war have perished!
And now the testimony lay bare;
But of a self-incriminating fact to blow the whistle,
And we are yet to account for the dead.

Edward Kofi Louis
Perishing

Perishing, persih, rings, sing, her, he, she, his, in, is, pins, pens, gin, rise, sin;
Like the day of the robbery and the day of your death!
But the devil knows his or her plans on this earth,
And like the war songs in the land of your muse.

Edward Kofi Louis
Permission

Ask permission before you make love to me because,
I need to be prepared to respond to your call;
For my flowers of love are always ready for you to pluck them.

Edward Kofi Louis
Permission 2

Mission,
Permission,
Submission;
Lorry, worry, sorry!
To be in the lorry and, to worry about the driver;
To be sorry for him because of his style of driving.
Feelings,
Admission,
Seeing the rough road ahead! !

Edward Kofi Louis
Permission

Permission,
With the muse of the old farmer and,
His pregnant wife!
To say it like it is,
Driven!
Excellent,
Und tolles,
To the place of love;
And to do it like it is expected
of you.

Imagination! !
Opening it up,
With the muse of love,
reading along,
With the muse of peace;
Imagination,
With the joy of your heart.

Enough,
Versatile!
Mile,
With a smile! !
While,
At the Nile River;
To a point,
To that point,
To appoint!
A joint over,
As light as a feather! !
But, it was a sign of a national pride.

The battle of the climate,
As heavy as an elephant!
Disturbing signals;
To fall like it was suppose to be;
Prose, pose, rose, chose, hose, lose, nose!
Handled with extra caution;
With the injection,
With the condition of his wife.

Edward Kofi Louis
Permission

Permission,
Reported,
The palace of love!
Mission,
Transmission,
To keep it up,
And to say it like it is! !
To the place of love;
And to do it like it is expected of you.

Imagination! !
Opening it up,
With the muse of love,
reading along,
With the muse of peace;
Imagination,
With the joy of your heart.

To a point,
To that point,
To appoint!
A joint over,
As light as a feather! !
But, it was a sign of a national pride.

As heavy as an elephant!
Disturbing signals;
To fall like it was suppose to be;
Prose, pose, rose, chose, hose, lose, nose!
Handled with extra caution;
With the injection.

Edward Kofi Louis
Perpetrator

Perpetrator! !
Crime,
Evil act,
Culprit,
Illegal lust;
Going against righteous laws.

Edward Kofi Louis
Perpetual

Urban spaces,
Sweet-smelling cinnamon;
And like a memorial to the muse of your love,
But a fragrant blend of incense is waiting for you.

A perpetual agreement,
From generation unto generation;
But the image of your love is hanging all over my house!
And like the muse of 'Florence Nightingale' in my backyard,
But i will always respect my mind to lead me on.

Edward Kofi Louis
Perpetual

Unfading,
Perpetual,
The truth.

Edward Kofi Louis
Perplexity

Led away because of hate,
Action speaks louder than words!

Perplexity,
To fall by the edge of the sword;

Because of hatred,
But, we all have only one life to live.

Edward Kofi Louis
Perplexity 2

Distress!
Perplexity;
Because of fear,
Among you people,
With your minds clouded with carousing.
Worries! !
Anxieties,
With the arrows of war!
Destroying the land.

Edward Kofi Louis
Perplexity!

Solitary,
Perplexity!
Tippets,
Trampled;
In the secret garden of love;
The purpose! !
Proposed,
Planning it with the muse of your life.

Properties!
Experts,
Capable;
Able,
Authorized to win the game! !
With your works,
In an enclosed box;
And, with the sweet muse of your love.

Edward Kofi Louis
Persecution

Deliberate,
Pursue!
Sue! !
Persecution,
Killing the lamp of the truth;
Because of the works of evil.

Edward Kofi Louis
Persistence

Persistence,
Steadfast,
Endurance,
To withstand all pressures!
Hard work,
Odds of life,
With the muse of the donkey.

To carry on,
Facing the problems of life;
To carry the load as long as needs be!
With endurance,
Based on righteous morals,
To grow in the truth!
Applying the message of peace.

Edward Kofi Louis
Personal

Personal,
To present the truth to you;
A niche,
An inch,
The truth;
To show you love,
To care and share with you,
Kind hearted!
Love,
True love;
You are the best one,
And, you deserve the best.

Edward Kofi Louis
Personality

Kwesi,
You are the one to meet Ethel along the line one day;
So do tell her of my personality today;
For she missed the advantage of being the Queen Mother of my town!

Edward Kofi Louis
Personality Disorders

Lust!
To spy out and to explore the land;

Lust!
With wickedness and lawlessness;

Lust!
With personality disorders;

Lust!
That's not the answer towards peace.

Edward Kofi Louis
Personified

Fog, frog!
In darkness;
Personified,
With the ways of your works.

Edward Kofi Louis
Persuaded

Persuaded,
To act;
With instructions.

Postiveness,
To be raised!
With the muse of righteous morals.

Health and life,
Let your wealth bring peace to the world than war!
Seeking for the unity of the people.

Edward Kofi Louis
Persuasive Words

Feed the needy and learn my muse,
And like your lover-boy in the land of your muse.
You are like my beloved one and,
You are like the seal of my love;
But let me unite your heart with my love.
Let no one deceive you with persuasive words,
And like the great struggle that I had on behalf of you;
But many have not yet seen my face in the flesh.

Edward Kofi Louis
Pertaining

Possess,
Employed,
Spelling,
pertaining;
But my mind is like the colour of your love,
So is my muse around the circle of the earth.

Edward Kofi Louis
Pertinent

Pertinent, print, pint, pin pit, pin, rent;
With a note of caution,
In the land of the living.

The muse of life!
Suggested with the same vein;
Pertinent, tin, ten, net, pen, pine, tent!

Activities,
Cultism!
In the schools;
With the status of the land.

Identifications!
With challenges;
Muse,
First and foremost;
With the ways of the people.

Lust!
over the years;
pertinent!
With the muse of electricity and water;
And, with poor facilities.

Pertinent,
With the pollution of the river;
Because of illegal mining,
In the land of your muse!
Prospecting for gold.

Story, promontory!
Pertinent,
Like a colonial edifice;
In the land of your abode,
With the very ways of the people!
And, in the schools.
Edward Kofi Louis
Perversion

Illegal lust,
After the doings of the land;
In sin,
In wickedness,
In war!
Destroying and killing;
In the land of the living.
Perversion!
With the ways of mankind;
All over the world,
In the name of illegal lust.

Edward Kofi Louis
Perverted

Perverted, vet, deer, reed tree, pet, deep, treed, peed, pert, red, peer!
And ike a landmark’s edifice in your country;
But as close to your family members,
Because the love of your muse was exposed!

Edward Kofi Louis
Pest, Tempest!

Pest, tempest!
Not like the nest seen on the tree;
Best with your eyes!
Honest with your heart,
With the test of life.
Crest, west!
To take a rest with your mind,
When a bird came to the nest;
Bringing joy to your heart.

Edward Kofi Louis
Pestilence

Of the arrow that flies by day and,
Of the pestilence that walks in darkness;
But, 'He who dwells in thre secret place of the Most High will,
Abide under the shadow of the Almighty'.

Do you know the pains that i have been through?
And, do you know the shame that i have received?
For there are those who believe in the Bible but others do not;
And we will all cry by the end of all things on this earth.

Edward Kofi Louis
Pet, Pert!

Pet, pert!
With the muse of your illegal lust;
Motivational,
But, with no respect.
Illegal lust!
Like bamboo sticks shaken by the wind;
In the land of many troubles.
Pet, pert!
With the ways of your life;
Eat, east!
In the land of your muse.

Edward Kofi Louis
Pet, Poet!

Motive,
Objective,
Active!
Subjective,
Pet, poet!
In the bedroom;
Waiting for the gifts of love,
As i lay down my head.

Edward Kofi Louis
Pet, Puppet!

Set,
Bet,
Wet;
Pet, puppet!
The red one;
Pleasant to the sight and,
Desirable for food.
Each living creature,
Added in;
And, to get what you want.

Edward Kofi Louis
Petals Of Love

Red petals,
Yellow petals,
Green petals,
Blue petals,
Petals of love;
Moment before the first kiss!
Drema of love,
Dream lover! !
Passion,
Romance,
And like a stranded mermaid.
Serenity,
Hidden between!
Seasons;
In our dreams! !
Sections,
And, of the passageway.

Edward Kofi Louis
Petals Of Love

Petals of love,
With delightful things to share around;
Plenty of erotic pleasures to ride on with!
With the tide of love,
On the verge,
With your ego.
Petals of love,
Delightful things to play with your muse;
Blind to the eyes!
Inner love with abstract milage;
Honesty is the anti-drug around! !
With gravitated petals of love.
Romance,
With joy!
Tastefulness;
But, love grows on with time.

Edward Kofi Louis
Let us delight ourselves in love and,
Let me be zealous and obedient to you always;
For Petra is my sweet name and,
Mercy and truth are the great paths on this love.

Edward Kofi Louis
Petrah

Petrah, hear, ear, era!
With the muse of your love;
Going along in life,
Seeking for peace always with,
The works of the truth.

Edward Kofi Louis
Petri-Dish

Your love is like salad in a salad Petri-dish,
But, bounded in the myth of paradise! !
However, the pivoting labour of your muse acts like flaccid breasts;
And, tomorrow is the opening of your hot meal to the masses,
For, you are very much noted in this village.

Edward Kofi Louis
Pets,
Sets,
Bets,
To put your belts on;
As one gets the pass,
Met with the muse of the game.

Edward Kofi Louis
Pettiness

Stooges,
Lust,
Pettiness;
An ark of gopher-wood!
With the meekness of your sweet love,
But, the cloud covered up the mountain.

Hook, hock!
To top it up with your love;
Piece, apiece!
Contracted;
Slot, lot!
With an impression,
And, with the muse of the members in town.

Pocket, pocketed!
Pettiness;
According to her and acording to him,
Since the land was acquired illegally.
Fowl, foul!
To the dump site;
With the poor structure in view.

Edward Kofi Louis
Pharaoh

The daughter of Pharaoh is my lover and,
I am on the way to meet her tonight;
So keep your tonic wine behind and,
Let me see her for she's all that i have.

Edward Kofi Louis
Phase Five

I am very awake because of your acts!
But, i will surely sing you a lovely song today;
And like the peace that touches your heart! !
But try to learn from the right things around you always,
For, hatred is not a solution to love.

Edward Kofi Louis
Phase Four

Why hide your nakedness away from me?
For, we were all born on the same day;
Thus, being naked to the world so sweet!
And like the joy of life and the songs of love,
But, let us reason up on this love and, to share with one another.

Edward Kofi Louis
Phase One

I was born!
But, i was never known to you;
So, i was pushed here and there! !
But today, i am real and,
I know my left from my right;
So, come along and let us lay together!

Edward Kofi Louis
Phase Seven

Call my name and i will answer you,
And like the muse of your love hidden away from the masses! !
But in peace i will seek for your secret path,
For in it i will surely find your home.

Today is like the day of peace than the days of war! !
And like the muse of your love so hidden away from the masses;
But i will surely find a way to get to you,
Because you are all that t need on this lonely path!

Edward Kofi Louis
Phase Six

A kiss of your lips exposed you to me!
But, you were very much afraid!
And like the muse of love hanging up so high above;
But this jungle fever is all about your love,
And i am ever ready to led you on.

Edward Kofi Louis
Phase Three

You came along to me like a timber in the calm forest,
But the same light that shines on you is like one seen shead of me! !
But my birth is always noted to my relatives,
And like a lovely song in the land of your muse.

Today you are what you are and, i am who i am!
But seeing you off last night in the dark was like the works of joy! !
For, in the land of plenty, i will always sing you a song;
And like the joy of your muse being shared by many.

Edward Kofi Louis
Phase Two

Things are not the same as they use to be!
And like the muse of your love 20 years ago;

With the muse of the land.
Phew, hew!
With the muse of your love;
And like the muse of the river in your town,
With the flowers of love along ist way! !
Seen with the flow of the direction of the river.
Drew, new, mew, chew, grew, screw, review, crew;
With Sellers-Club and Buyers-Club!
In the land of the living.

Edward Kofi Louis

So, let us respect each other and live in peace.

Edward Kofi Louis

Take the best of it;
because when i fall in love,
It will be forever.

Edward Kofi Louis
Phillipp

Rejoice in hope and come to me,
For my past is like your past;
And i have learnt a lot of lessons in this life.
Phillipp, life on the streets is not easy at all! !
So take your inner gratitude and come to me,
For i have the answers to your love.

Edward Kofi Louis
Philosophical Mind Of A Poet

From the Philosophical Mind of a poet;
Nice and easy! !
Showing love and kindness to the people,
Like dry and Sunny Weather.

In the light of the truth! !
To feel to and fro;
It is there!
It will be,
It is done.

The muse of life,
It is here! !
Like the Sphere,
With the muse of the atmosphere.

The muse of your love,
With the joy of your heart!
The muse of my mind,
With the joy of my love;
Speed! !
To heed to the rules;
With the need for life.

Of the cultures around you,
Of the cultures around me,
Muse,
Use,
Fuse!
With the Philosophical Mind of a poet.

Do you really know the True Name of the Creator? !
From the echoed and the re-echoed words of nature;
With the sounds and the sights of life.

The treacherous dealers have dealt treacherously! !
In the name of illegal lust.
To real to and fro like a drunkard!
To feel the heat,
Reel, real!
But, one has to die first before going to heaven or hell.

Bell, ell, spell, sell, tell, well, dwell!
Progressive and regressive;
Soft-touch!
Often with the truth.

Teachers!
Teachings,
Always bring out the truth.
Questions and answers,
The call of wisdom!
The call of understanding,
The call of knowledge,
Let your positive works be seen by the people around you.

Live righteously and help others,
Sharing and caring for others,
Eagerly seeking and looking for peace;
Passion!
With the muse of compassion.

Philosophical Mind of a poet,
Joy is the truth! When the right thing is done.
Righteous morals,
Positiveness!
Moving forward with righteous laws.

Dynamic!
With the texture of life;
The structure of true love,
The picture of the truth!

Love, peace and joy!
Honour is the truth;
With humility and kindness,
New day!
New hope;
Only with righteous characters.
Philosophy And Faculty

I have my philosophy and you've learnt from it under a faculty,
And today you have a Degree awarded to you because of the works of my philosophy.
Who is then ready to award me of my works as a philosopher?
But sincere greetings and thanks to all teachers around the world;
For today i am what i am and my students know my status,
But who will award me of all my researched works?

Edward Kofi Louis
Phoenix

Oh my sweet flower!
Phoenix,
Bloom from your bud and let me love you;
For, you are someone's child and, i want your love.

Oh my sweet flower!
I am living my life for you;
But, life itself is like a psychological debate,
And your love is a miracle to my heart.

You are very quick!
Simple and secure;
And the answers of true love lies in your fingers,
For you are greatly dressed my love.

Phoenix,
Come and feel my body and, fill my heart with joy!
And be the person everyone synchronizes their minds on;
For, you have the aroma of true love.

Not to hate her.
Gate,
Bate! !
State,
Ate;
Together,
With her sweet muse.

Edward Kofi Louis
Photo Of Africa

How beautiful are your breasts?
And, how beautiful are your lips?
For your sweet spices of love are like the aroma of the perfumer,
And like the photo of Africa in the land of colours.
The photo of Africa and the muse of your love,
Deeper and deeper lie the dark shadows of love;
But i have prepared my table of love for you.

Edward Kofi Louis
Photographic

Testimonial,
I want to see the hair over there!
And like the muse of your love on this side of the river;
But the photographic act was classified by your joy!
And like lovely birds in the land of peace.

Edward Kofi Louis
Piano Lessons

Piano lessons and the key notes that touched your heart,
My fingers on the keys are like my fingers on your love;
And there you sat and watched me play all day long.
Enquire into my past and enquire into my love today,
For tomorrow comes and you will be with me again;
Because you are the one that i love and,
These piano lessons are meant for your love.

Edward Kofi Louis
Pick It Up

It is So!
Pick it up;
Very clever,
Rick, Nick!
Pick it up;
Lick it,
Not to sick;
Pick up the stick.

Edward Kofi Louis
Pick Up The Pieces

Pick up the pieces and learn from your mistakes,
For the sound of light is now seen across the ocean view;
And my brain will rest for a while to see to your joy.

Catching melodies,
With the muse of the state of your mind;
But love is like the heat-wave when it touches you!

Sunrise,
With love on your muse to take care of your mistakes;
So pick up the pieces and learn for a better future.

Edward Kofi Louis
Pick-Ups!

Pick-ups!
On the way in a convoy;
Between Syria and Iraq,
With the symbols of war all over!
And, of the hatred to the one they call, 'their enemies'.
The source!
Pointed out;
Assisting the minds of the earth to thin twice,
Lent, learnt!
Bombing and slaughtering;
Sight, insight!
But, this way of life and behaviour will never bring peace to the earth.

Edward Kofi Louis
Pie

 Tie,  
 Pie!  
 Life;  
 Out of birth and,  
 To die at the right time.

 Trying to overcome the odds.

Edward Kofi Louis
Piece Of Bread

Prowess,
The muse of a piece of bread;
Head!
Powers,
To spread the news.

Edward Kofi Louis
Piece, Pierce!

Illegal lust!
The details of which are yet unclear to many;
Because of the rate of the acts of your raps in this village! 
And now, the village people are tired of you;
As you were presented to the court of the land for the law to take its toll.

Piece, pierce!
Of the fiesta;
With the commencement of your illegal act! 
Targeted to the little girls in the village of peace;
As you were finally caught raping ather girl.

Edward Kofi Louis
Pieces!

Pieces!
No matter how i try,
I always have the pieces of life still around me.

Places,
Across the face of the earth;
And, no matter how hard i try to visit them,
I get the pieces of life around me!
Always trying hard to meet my goals.

Edward Kofi Louis
Pierce

Pierce, piece, rice, peer, pie, ice;
To keep alive,
To wake up love,
With the version of the vents!
Under the muse of the laws.

Life!
You have suffered a relapse of sorts;
But, try to wake up from your sleep and,
Do the right thing for others to understand who you are.

Life,
All seemed lost in the race!
But, you still have hope with the laws;
Changing the hearts and the minds,
If only if a person is ready to change! !
Than, being engulfed with the pleasures of this world.

Edward Kofi Louis
Pierced

There are wars going on everywhere and,
Somebody pierced me with a sword!
But i am still alive with my words to this world.
Many are those who still go against me but,
I will survive all these trials on this earth;
For a flying bird in the sky knows where to land.
I am like a home built upon a mountain,
And you are the one who seeks my downfall;
But i fear no flood when the heavy rain comes in.

Edward Kofi Louis
Gent, agent, urgent!
But, pierced with the muse of negative attitudes;
Challenges!
With attitudes driven by greed,
In the land of corruption.

With the muse of the impact to the society around me today.

Edward Kofi Louis
Pierced 2

Horror!
Terror;
Pierced with the arrows of war.

Edward Kofi Louis
Piero

Senseless wars!
And the dexterity of a game to expose your pride;
But you are so beautiful to my sweet heart.
Hurry up from the trademark of my pen and,
Try to stop these wars all around us!
For your name is Piero and you know no frustrations;
And like the razzle-dazzle around us.

Edward Kofi Louis
Pietro

Strong,
Eloped,
Stories;
With bureaucracy and Plutocracy!
But i don't need F-16s flying over my head.

I am Pietro living in Kashmir,
But the works of my skills are potentially noted by my enemies as well! !
Hoever, i have no fighting songs to face them;
Because, i was only taught how to live in peace with one another!

Edward Kofi Louis
Pietryka

Pietryka, pie, pet, try, pity, pit, rate, rite, ear, era, tear, pay;

With the muse of the market,
With the ways of mankind,
Sure, pleasure!
To build up love and guide it with the muse of peace.

Piettryka, pear, pry, pea, Pat, pate, at, rap, ape, rape!
But, let the laws guide you away from sin;
And, live in peace and joy with others,
Without immoral characters.

Pietryka, pear, reap, yet, tap, trap, trip, rip, pray, ray, tray!
Illegal lust,
Being in the jaws of Satan;
Leading you on! 
In the name of hatred and war.

Illegal lust!
That's the way of the world;
But, try to overcome your sins and live,
With a positive choice.

Edward Kofi Louis
Piffling

Salamnnader, lizard, mole and mouse;
Like Rahab who gave shelter for the spies to hide!

Snake, rat, turtle and frog;
Learning under the shelter of love!

Snail, slug, pig and newt;
When you drift, you will thrift!

Dog, cat, whiting and pike;
Piffling on the matter without any positive idea.

Edward Kofi Louis
Pikcha

Pikcha, pick, cap, hip;
Sarah is pregnant!
Spiritual River,
Spiritual Blues,
Recorded,
On demand;
Held, beheld!
But, Sarah is pregnant.
Morning sickness,
Expecting a baby;
Lines, linesman!
A luscious dinner,
But, Sarah is pregnant.
Pikcha, pick, cap, hip;
One by one,
Pose, repose!
The open goal,
As cold as snow;
Surely it was easier to score it! !
Because, the goal post was empty;
And now, she's expecting a baby.

Edward Kofi Louis
Pile, Mile, Smile!

Pile, mile, smile!
While in love;
With the muse of your joy like River Nile.

Day, way, say, pay!
To pray for your life,
Seeing the bay ahead,
With the ray of hope! 
Joy in your heart,
Tray!
Not to stray;
The array, the echoes of the bray;
Joy in your heart,
With the smile on your face.

Push and pull;

This love shall move mountains! 
With the epics of the poems of your life.

Water rings!
Red fish;

Wet laces,
Sweet dreams;

Curves! !
With the traces of your love.

Magnetism,
Tango!

Bear, beard, bearded!
With the muse of the green leaves around;

Aura,
Badge, age!

The ages of two lovers,
Dancing with love.

Light, bright!
Palms and mountains;

Sight, insight!
Love and romance;
Porsche!  
With the fragrance of your beauty;

Stars, tars!  
To wip it after.

Edward Kofi Louis
Pillay

The chorus of criticism,
Tantamount at times like a coup;
But i am ill-treated and cheated like the ostrich.

Somebody is afraid of something,
But i am here with a smile on;
So bring in the last supplement of the case.

Pillay is my name and,
I am here to calm the moose that sings a song;
For it is time for me to use my head on this issue,
And like wingless-angels in the land of peace.

Edward Kofi Louis
Pillows Of Gold

Pillows of gold!
With the smell of the Roses found on your bed,
The day of the gladness of your heart is here.

Edward Kofi Louis

Problems,
Predicaments;
Pin, pian!
With the scars of life;
Everywhere on this earth.

Edward Kofi Louis
Pin, Pain, In!

Trash, rash, ash!
Death is not very far from your fingers;

Pocket, rocket, docket!
Seen with your acts in the land;

Dog, underdog!
The exhibits;

Going to the farm,
But, let it be so.

The home girl!
With the home boy;

Pin, pain, in!
Death is not very far away from you;

Because of your negative acts in the land,
In the shadows of wickedness.

Edward Kofi Louis
Pine Bar

Pine Bar!
To enter in,
To dine with wine,
With your lover,
Dinner for two;
Fine dinner,
Like Sine and Cine!
And, to shine like a star.

Lower in the garden;
Pink surprise!
To beighten the corner.

Edward Kofi Louis
Pink And Blue

The world of pink and blue,
And of the living dolls in the name of models!
But why should they have to expose their nakedness to the world?
Black and white with the game of the clouds,
And white and black like the healing mountain!
But why should the living dolls go through aoo that? ! !
All in the name of fashion which exposes them to the world;
And many are those who do not even eat to make up to the marks.

Edward Kofi Louis
Pink Butterfly

I am the Pink Butterfly hanging around in your lovely garden,
So come to me if you do care;
Because i do have sweet words of love for you,
And like the beauty of your aromatic garden of love.

Edward Kofi Louis

With insults coming out of your mouth,
Always against me,
Words of hatred than,
Words of love;
Pinned against the wall!
Who will save me from your negative acts?

Edward Kofi Louis

Pinned in,
Pinned to a spot;
The very spot,
The same spot always.

Edward Kofi Louis
I will always share my secret love with you,
For you are like the sun's ray in my life;
And this love empire of mine is for you only.
Pinto my lover,
You are like the colloquialisms of cybernetics!
And there was a time to express my love to you;
But i will always share this secret love with you only.

And like thw indow of Pious facing that of yours!
For the rains have set in and you are ready for love,
But try to respect the muse of nature in times like this.

Edward Kofi Louis
Pirates And Rebels

Of the pirates and the rebels in Africa!
And like the pirates and rebels in Asia;
But do not kill mankind to rob him or her,
For the wages of sin is death!

Why are you a rebel or a pirate on this earth?
Why do you kidnap other people?
Pirates and rebels of Africa and of the world!
You all have a religion and what you worship,
But are we safe with you people on this earth?!
Yet still you go and pray to your Gods and Goddesses;
And i don't understand why,
Because a positive person will never rob and kill somebody!

Are you not ready to work for a living?
Or, is this act the best way to serve your Gods and Goddesses?!
Then think twice before it is too late,
Because someone is watching you from above!

Edward Kofi Louis
Pirates!

Pirates!
Gangs,
Looting and killing.

The message of war;
Seen at critical places of the earth today.

With the muse of the mistranslations of your works;
Like deceived churches and assemblies.

Edward Kofi Louis

For Pixi is waiting for us on the other side.

Able to tell the people around me of what i saw;
Into the realms of realms! !

Edward Kofi Louis
Places And Time

Life and death,
Faith and prayers,
Places and time;
Flowers and lovers!
The race,
The first shall be last and,
The last shall be first;
Order,
To get all of them;

The threshold of estacy,
To search beyond and to satisfy you.
Hold, sold!

Hands by yourself,
To love yourself and to care for others;
Dark Knight! !
Wild one,
In the dark;
Before and after,
Call of Duty,
Clash of clans!
A mountain's view,
Like the players of the game.
This game,
This game of life,
Place, lace, lace, race, brace, palace!
But, wickedness perverts justice;
War is ruthless and impatient!
But, when you do righteous works, blessings come to you.

Edward Kofi Louis

With the acts of war in the land;

Killing and destroying everything.

Edward Kofi Louis
Plague!

Plague!
Pestilence,
Darkness,
Wickedness;
With the ways of mankind leading to death always.

Life!
Unable to cope;
Trigger, tiger!
Dropping out of school;
And, becoming a prey for irresponsible men in the streets.

Tiger, trigger!
With the cry of the world;
For the plagues have now taken over our hopes and dreams,
In the land of the living where wickedness rule.

Edward Kofi Louis
Plagued

Encouraged,
Plagued,
Attempted to forcefully enter! !
But to implement the measure is all that i need.

Blamed,
Inability,
And to come to their aid! !
But the placards were the only access to their secret minds.

Edward Kofi Louis
Plain

Rain!
Plain,
Refrain from evil works and,
Live in peace with your neighbours.

Edward Kofi Louis
Plain And Clear

My name is very long but,
I am very short;
Your name is very short but,
You are very tall;
We do look alike but,
We do think differently.
You are what you watch,
You are what you read,
You are what you paint,
You are what you write,
You are what you eat,
You are what you sing,
You are what you drink,
You are what you cook,
You are what you love,
But this life is full of dreams.

I am living in a land wher,
Almost everybody does smoke;
Walking the walk and talking the talk,
This life is full of dreams.
Like the headmaster and the pupil,
You are what you are;
And the truth must be made very plain.
Some have money but without children,
Some have children but witout money,
The truth should be made plain and clear;
You are what you teach and,
You are what you ride on.
This world is like that and,
I am living in a land wher children do smoke;
But, i am under everybody's roof.

Edward Kofi Louis

Naked in the forest because of our sins;
And, our prayers for peace are not answered by the Creator.
See, seer, seep, seek, seed, seen, seem, sees!
Living on the earth,
The planet of weapons;
With the destruction of everything in the name of greed.

Edward Kofi Louis
Planned Ahead

Planned ahead of time,
And in complete control of everythin that went on;
But remember that my love is always with you.

Love nature and live in peace;
Serving all mankind with the joy of your heart.
Want, plant!
Ant,
Slant;
To plant a tree and,
To save a life.

Edward Kofi Louis
Plant The Truth And Harvest Righteousness

Teach the world with the truth and bring all into the house of peace;
Because, lies lead to hatred and war! Which destroys all of us on this earth.

No one can erase his or her past! Because, the past is part of history;
All the best means, peace to all than war.

Life starts from somewhere and, we learn along as we grow;
All the colours are needed on earth to form the meaning of true love.

None of us created himself or herself; so, let us love all mankind without hatred
and war!

The eyes of love are the eyes of peace; so, plant the truth and harvest
righteousness.

Edward Kofi Louis
Plants

Plants, ants, ant, as, at, Pat, tap, sat, past, last;
More heights for you and, keep the flag of love flying high!
And like the muse of your peace in the land of beauty.

South Carolina,
21-point lead;
And like a voice from Africa! !
But with satire work in the name of the African struggle.

Plants, slants, pants, wants, chants, grants, giants, ants;
With starry skies to respect your love,
But, water the plants and let them grow.

Zion, lion, Orion, ion, union, attraction, station, nation, addition;
And another dead body was put into the silent grave,
But, i am what i am and, i remain as i am!

Edward Kofi Louis

Plants, pants, ants!
With pans in your kitchen;
As i paid you a visit last night.

Edward Kofi Louis

Pertinent,  
To him;  

Unsurprisingly!  
To her;  

Playing,  
Uncalled for;  

Listeners,  
To both of them;  

Readers,  
Could be resolved;  

Writers!  
With elected representatives;  

With contributions,  
To open the phone lines! !  

With the right platform,  
Needed on such matters.  

Edward Kofi Louis
Platitude

Platitude,
Attitude,
Servitude,
Latitude,
Longitude,
The gratitude of your works;
Along the lines of life.

Edward Kofi Louis
Play It Again

Optimistic,
Authentic,
Artistic,
Play it again;
But, the first time you did it was at 13!
And now, you can't stop it.
Ration, decoration!
Fiddle,
Febrile,
Use, suffuse!
And now, you walk around without your underwear.
Dig, dignity!
Castle, kellte, little, whistle;
City, simplicity, laxity, felicity, atrocity! !
Trophy, geography, photography;
Rat, ration!
In the American Sate of Maryland;
Sure, disclosure!
And, like the play offs.
Desert, deserted!
But, this question cannot be answered;
Because, every war has its own victims.

Edward Kofi Louis

Circles of life,
Lines lined up;
Free exit!
To the entrance of life;

Like the full moon over the river of joy.

Edward Kofi Louis

But try to deliver my letter to the governor next door to you.

Edward Kofi Louis
Play, Lay!

Dent, rodent, spent, rent, pent, went, cent, bent, tent;
Know, now!
Like a shinny black bird with a long tail.
Drape, rape, ape!
Droll;
Droop, drop!
But, you were stripped naked.
Den, deny!
The end is at hand;
Free, agree!
For, men are now sleeping with their own daughters and,
Impregnating them.
Doctor, doctored!
In the land of your muse and,
with the stories around;
Oh, what a world! 
And like the very days of Sodom and Gomorrah.

Edward Kofi Louis
Play, Lay, Pay!

Play, lay, pay!
However, a wicked person runs away when,
No one is chasing him or her! !

Understand the ways of life,
Love righteousness and hate wickedness!
Able to unite the world with love than,
With hatred and war! !

Edward Kofi Louis
Play, Pay, Lay!

Play, pay, lay!
Semen, see, seem, men, me;
Lust, us!
The, they, there, them, then;
'Be-cause'! !
Because of your love;
But, do watch your nakedness in the town.

Play, pay, lay!
Paying with your nakedness;
Ply, fly!
Applying it with your muse,
As noted with your date.

Blue Power! !
With your nakedness in this town;
Red Power! !

The tale of time,
The tail of a monkey,
Ad, the snow covered the playground.
It is very warm inside but,
Very cold outside!
Of the echoes of this poem,
Life!
To live;
Wife!
To marry;
Side by side,
But, teach me the rules of this game and,
Let us play by the rules of the laws.
Boy, body!
Value who you are and,
Value what you have in this life;
Kid, kind!
He stands alone in the cold;
Fin, find!
She stands alone in the cold;
Ten, tend!
With the credentials of love;
So engulfed! 
Like the testaments of sweet love.

Edward Kofi Louis
Playing Around

Playing around with the muse of your life,
Playing around with the muse of your love;
Ill, will, pill, bill, still, till, mill, drill, grill, fill! But, try to your status with the works of the truth and live

With loose lips and gossip;
In the land of your muse.
Lust!
Wearing the wrong shoes and the wrong trousers;
Exposing yourself to the public.

A new time,
So merciful! !

A new face,
So beautiful! !
But, push it well to fit in.
Play, lay!
A new phase;
Standing at the corner!
Bitter herbs,
Port, export, import!
Crafty;
But, at a wonderful position.

Edward Kofi Louis

Like a rest near a river.

Edward Kofi Louis
Playing The Gulf

Playing the gulf,
With the muse of the Gulf of Oman!
At the Beach Club.

Waxy, weary, waxen, wean, waves, web, webbed;
To let the cat out of the bag and walk with nature!
However, you are who you are and, i am who i am.

To the other sector,
On top of it with the works of love;
Sharing and caring for others!
Able to change the world with the works of the truth.

When and where!
Always around with my sweet mind;
Honey and molasses! !
Sugar and salt;
Playing the gulf with the view around you.

Courage, entourage!
Vintage,
Vantage;
With the passage of life around you today.

Disrupting;
To do the unthinkable.

Edward Kofi Louis
Playing With The Fire!

Illegal lust,
Playing with the fire!
Knowing what you've done to the little girl;
Rape! !
Why?
Leaving the victim alone.

Edward Kofi Louis
Playing With Words

Gullible,
Emphatic!
Communicable;
One last time,
Wham!
Unusual,
Tile, infantile!
In 'Fantse New Town';
Toys, ploys!
In 'Ashanti New Town';
Political, apolitical!
Obnoxious,
Refusal,
Truth and lies;
Peep in!
Like an arbiter.
Spare, share!
To resolve the issue with love;
Pain, Spain!
But, to throw in thw towel.
Man, ombudsman!
Gate, surrogate!
But, do wait until the expiring date.
Point of order!  
Point of conclusion,
But, she's above it and,
He's about it as well.
Work and pay,
Rain and shower;
Con, conclusion!
But, playing with words.

Edward Kofi Louis
Plead, Lead!

Lovely act,
Powerful sight!
With the insight of the truth;
With kisses from the prince to the princess.

Edward Kofi Louis
Pleasant One

Clan by clan,
Kin by kin,
One by one,
The store of Bohan!
And like the coastline of great love.
The scorpion passed by near the lion,
But his best-man took away his wife;
And, the story went out through the village.
Customary,
To entice her;
Of a feast,
To entice him;
But, her bride-mate took away his husband!
And, the story went out through the village.
Pleasant one,
To the land of my birth;
Of mercy and truth,
But this woman is from Bethlehem.
This man is your guest and,
This woman is my guest;
Yes, the one with her hands on the threshold!
But, take me to the land of peace.
A man of substance,
A woman of substance,
To the cave of Adullam;
And like your nakedness in the land of your muse,
But, the story went out through the village.
To the great well of Sechu!
Your mother's nakedness;
To the customary seat,
Your father's nakedness;
To shoot three arrows to this side,
Your brother's nakedness;
To sit by the stone of Ezel,
Your sister's nakedness;
And like the muse of the new moon! !
But, to lay naked all day and night,
For, i am old and grey-headed.
Pleasant One!

And, to deliver you from the one who speaks evil.

Edward Kofi Louis
Pleasant View

The muse of life,
With the pleasant view of love;
Nature teaching all the time!
But with knowledge, we seek for the truth;
To bring peace to the world than war.

Edward Kofi Louis
Pleasant Words

Pleasant words are like a comb of honey,
And my love to you is like the sweet oil to your soul!
But better a dry crust with peace and quietness than,
A house full of sacrificial meals with trouble and strife! !
Wine is a mocker and strong drink is a brawler,
And whosoever is deceived by them is not wise!
But pleasant words are like a comb of honey.

Edward Kofi Louis
Pleasantness

With the muse of the praying mantis:
But, never give up on your dreams.
Cascade, cadastral!
Poetry is my passion;
Cadenza!
A short passage;
Cadaverous,
Cajole,
cadence.
Sin, sick!
Very clever and intelligent;
Ox, Oxford!

To have a plan for your children;
Sweet, seet, set, we, wet!

Sensation!
Pleasurable,
With the muse of your love;
Along the path of the truth.
Love,
Searching for peace;
Which leads to joy and gladness.

The muse of life,
With our lines of feelings and thoughts;
Being taught by many,
Along the ways of life!
With the muse of growing up.

Pleasurable!
Sensation;
With the muse of your love,
In the name of your modest act.

Edward Kofi Louis
Pleasure Of Things

If you are without your dreams, do without them!
For love is very strong but only death can separate it;
If you don't know anything, do not worry much about it!
For i am from Phoenix  with love and to the pleasure of things,
For true love is stronger than anything.
Life is no movie and only death can separate love,
So play your part well on this earth;
For the train of love is passing your way.
Wherever and whenever!
The train of love is passing you by;
But there are teachers everywhere to teach you to become perfect.
Life is not easy as you may think,
So try to understand my love towards you and learn from my muse;
For i came here with the pleasure of things and to love you!

Edward Kofi Louis
Pleasure Things

Pleasure things,
Of lovers and sinners;
Pleasure things,
Of the rich and the poor;
And like the deeds of yesterday between two lover,
But a safe family is vital for your salvation.

Edward Kofi Louis
Pleasure Things II

Illegal lust,
Spreading the Gods and the Goddesses of Hollywood to the world! !
Mixed with righteousness and evil;
From the Red Sea to the Black Sea,
But, it is better to wake up to the truth and live.

Illegal lust,
Make a survey to the lands and write out your descriptions about them;
And tell me how you do feel when, the whole world is infused with pleasure things!
Since many do follow the broad-way than learning from the truth,
Which is very bitter in their eyes.

Edward Kofi Louis
Pleasure, Sure!

With the muse of illegal lust;
As seen in the land today.
It was just,
Just one night;
It was just,
Just one act;
It was just,
Just one seed;
It was just,
Just one plant;
It was just,
Just one move;
It was just,
Just one cry;
It was just,
Just one room;
It was just,
Just one man;
It was just,
Just one woman;
With the muse of illegal lust.

Edward Kofi Louis
Pleasures

Bare,
Rare,
To stand and stare!
Hare,
Share,
Ware;
Pleasures.

Edward Kofe Louis
Pleasures Of This World

You exposed your nakedness to the public! And, you called this act entertainment and enjoyment; But, where are the laws in you? Where is the positive moral character in you?

This deceived world; with the ways of mankind leading many into the house of Satan! With the pleasures of this world; full of sin.

Edward Kofi Louis
Pledge In The Truth

Pledge in the truth,
The edge of life!
Hedge of love,
Sledge of nature,
Wage, age!

Where is the light?  
Where is my freedom?  
Where is the bright side of life?

Edward Kofi Louis
Plight, Blight!

Plight, blight!
Crippling,
With no light;
Complications of childhood pregnancy,
Consequences! !
Dangers,
Helplessness,
Woefulness,
Depressive disorder!
Seen all over the world.

Edward Kofi Louis
Ploetz

Ploetz, pot, toe, lot, poet, top, let, pet!
Sitting down waiting for Rose my lover;
With a red rose in my hand,
To surprise her when she knocks at the door.
The orchestra of life!
With the symphony of love;
Reading through the lines of nature,
With the romance of the rain displaying the works of nature!
As I wait for Rose in my room.

Edward Kofi Louis
Plunder, Under!

Plunder, under!
With the bitterness of death before your eyes;
All in the name of your evil works.

Wickedness,
Your sword had made women childless!
Raping, destroying and killing them;
All in the name of your evil ways.

Edward Kofi Louis
Plus And Minus

Plus and minus,
Love and hate;
As seen around us always,
But, try to be yourself in the right direction.
Less, needless!
On the 3rd of April 2013;
With a medical break! !
And, with the harmonious life in the land of your muse.
Acts, reacts!
Be yourself always to achieve your dreams in a positive way;
For, the people around you smoke a lot and, drink alcohol a lot.
Plus and minus!
Like horse meat packaged and sols as cow meat in the European Market;
Line, masculine!
With the very laws of nature;
Pence, conference!
Like the ageing process;
But, be yourself always to achieve your dreams in a very positive way.

Edward Kofi Louis
Plus, Us!

Ultra!
Dark powers,
Disclosed,
At, art!
Bankrupt,
Left confused.
Plus, us!
With the muse of mankind;
On earth,
Cunning! !
With the quest for seductive powers.

Edward Kofi Louis

Push your life ahead of time and,
Never be despair when the difficulties come in like,
Champions and challengers at a game!

Edward Kofi Louis
Petals of love so nice and beautiful,
No man's land is strange to its owner and,
Dance like the sun when you are in love;
Changing up and down towards your lover!

Poem Of Poems

The truth is better than sweet wine!
But Ruth is my lover;
And her kisses are very pleasing to my heart.

Love and dreams!
With the fragrance of life;
The fragrance of nature!
The fragrance of love,
The aroma of the joy of my heart! !
Like the sweet aroma of perfume being poured out.

Truth, Ruth!
With the muse of my lover;
Love!
True love;
Come and take me away with you! !
To the land of beautiful flowers,
The land of romance;
To the place of the truth.

Love and dreams,
Peace and joy!
Muse,
Infuse,
Use,
Not to refuse the works of the truth;
Poem of poems!
To rejoice in my heart and,
To sit upright with the law;
Tamed by the kisses of my lover.

Songs of love,
Chambers of peace,
Poem of poems!
Lovely to my heart;
And to hear the words of the truth.

Words of peace! !
Being very peaceful in life;
With the muse of my mind,
With the joy of my heart,
Poem of poems! 
Like the curtains of peace;
Moving along,
Moving on in life,
With the aroma of the laws;
Tended with the works of righteousness.

Poem of poems!
Your voice is so sweet and your face is lovely;
To seek for peace,
With the muse of the truth,
Because, the truth is better than sweet wine.

Edward Kofi Louis
Poetic Breath

Love,
With pleasant and helpful words to touch my heart;

Poetic breath,
With the peace of my mind to share with you;

To the top! !
With the works of peace and love.

Edward Kofi Louis
Poetic Justice

The next thing,
The next time;
Cop, cap, cup!
At the end of the 'Bay Bridge',
A nice idea!
Drones and robots,
Unlimited ideas;
With poetic justice!
But, when you cannot change yourself,
You can't change the world.

Edward Kofi Louis
Poetic thoughts,
Attractive and amusing!
Great,
Composed,
Rated;
Even, eventide!
Art,
Heart,
Part,
Mart,
Dart! !
Here and there,
Where is it? !
There it is;
Where is it? !
Here is it;
Heat, eat!
With the muse of my poetic thoughts.

Edward Kofi Louis

Nutrient for healthy living;
With hopes and dreams.

Love!
To be on their feet once again;
With the muse of joy.

Poetics and poetry!
With the respect of the minds;
But, do deliver what is right always.

The act of love!
my life started with you;
And like a ship moving across the high sea.

Love knows where it belongs to;
True love means more than money! !
With poetics and poetry.

Literature!
Like Romeo and Juliet;
With the muse of William Shakespeare.

Love!
With tears at times;
But, true love goes to where it belongs.

Ein poetisch Feststellung zum Anteil eine Ansieht mit,
Was haben Sie vor?
Ich trinke lieber Wein als Bier,
Und dieses Gedicht ist für Sie alle.

Mein Name ist 'Gedichte',
Und ich komme aus diese Welt;
Ich bin einzigartig und ich bin auch nur ein Mensch,
Aber dieses Gedicht können Sich mich nicht vergleichen!
Und, das kann ich nur denken.

Ich bin ein Freund von Euch aber mein Name ist 'Gedichte'.
Tag für Tag an Säter denken,
Weil ich von gestern bin;
Aber wer ist nun am meiner Apparat?

Ein poetisch Feststellung aber,
Ich trinke lieber Wein als Bier!
Und, willkommen in des Landes Gedichtes.

Edward Kofi Louis

Poetry is you and poetry is me,
And i will know your state of mind when you do write;
For this world is full of muses.

Edward Kofi Louis
Poetry

Poetry,
In memory of my mind;
For i wrote as i did!
Out of my afflictions,
Facing the odds of life,
Great is my pleasure to the world so sweet!
Filled with the humour of true love;
When someone is satisfied with my muse.

Edward Kofi Louis
Try!
Poetry;
As you fry your plantain in Africa.

Sunshine Africa! !
With the muse of colours to respect;
Preparing your food with the romance of nature.

A noise!
To hear a cry from the other end;
The very act common in your land.

Edward Kofi Louis

Poverty,
Poet, try, pot, yet, vet!
Seeing to the conditions of the people,
Trying to make a difference by helping them.

Poetry Is All About Life

The muse of love,
Life is a poem;
The muse of nature,
Poetry is all about life;
And, in sound health with responsibilities,
Doing what is right always.

Ant, buoyant!
With comprehensive strategies;
Of the archive!
Revealed,
Emphatically,
With the aim of achieving what is right always;
And, with the muse of the laws of life.

Archive, achieve!
Stressing,
Paddled, peddled!
With the muse of life;
And, with the sweet songs of love.

The muse of love,
To contribute her quota;
The muse of life,
To contribute his quota;
But, at times with detractors!
However, do aim high;
And, let the sun shine around you always.

Life is a poem,
With the muse of love;
Poetry is all about life,
With the status-quo of anture;
Peaceful and confidence,
With a daily guide.

Poetry Is In My Blood

Arc, arch!
Poetry is in my blood;
Fuse, refuse!
Hot, pot, dot, lot, MOT, cot, got, jot, not, rot, tot.
Blue roses!
Experiencing it with joy;
Love!
Giving your body what it needs;
Love!
With the right nutrients;
But, poetry is in my blood.
Seeing it and using it,
Seeing it and reading it,
Having it and learning from kit;
The muse of life,
But, poetry is in my blood.
I want ot share my love with you and,
I want to share my secret with you;
But, experiencing it with joy!
Hansome with your mind and beautiful with your muse,
And, of the blue rose;
But, joy is it when you can share with others in peace.
Ace, palace!
Seeing the New Moon;
Through the West Side of my window.
Pat, patio!
She wants to eat and drink;
So, use my money to buy her some food.
Part, art!
He wants to learn from the teachers;
So, use my money and send him to school.
Pat, patois!
Card, bard, lard, hard, guard, ward, yard;
I walk in the rain and i walk in the heat,
All in the name of love.
Mine, mineral!
Hidden,
Great location! !
And, with a spectacular view.
Edward Kofi Louis
Poetry Is In My Flesh And Blood

The experiences of your life!
To write a book about them;
All together with the works of your mind.
Life!
Poetry is in my flesh and blood;
The yoke!
it is right for a person to bear the yoke of his or her youth;
So, do not easily give up on your dreams.
Very, every, recovery! !
To work towards your dreams and to fulfil them for a great future;
But, poetry is in my flesh and blood.

The experiences of my life!
To write a book about them;
All together with the peace of my mind,
And, to teach others along the line.
Love!
Leading me on to write out my mind to the world;
Peace!
Come along and read along with the peace of your mind;
Meat, eat!
Come along and know my ways;
And, with the experiences of the struggle of life.

Poetry, pottery! !
Of my struggles;
Living and learning along the line to make a living,
Through the very ups and downs of life.
Edison, Epson!
Poetry is in my flesh and blood;
All-in-one!
Deep in the red valley.
Small-in-one!
One hand washes the other;
Acceleration and deceleration!
Deep in the red valley;
With, tears in my eyes.

Expressions!
Exceed your vision;
With the muse of your love.
Disclosed, claiming, briefing!
But, i have to let it go at times;
All in the name of love and peace.
Noting, promulgation, surveyed!
With the muse of my love and, with the muse of your love;
But, poetry is in my flesh and blood! !
And, all i have today is my sweet love and my inventions.

Edward Kofi Louis
Poetry Is My Passion

Wherever i go,
I go with you;
Whatever i do,
I do it with you;
Wenever i see you,
I see your lovely face.
To cajole you,
To love you,
To live with you,
To dream of you always;
Sweet, see, set, sew, wet!
Adrift, drift, rift;
Poetry is my passion,
And, i do see your lovely face always.
Drum, dram!
In my dreams i've finally found you;
Cadence, cadenza!
In the Island of Wright;
And, growing up with your love.
Ant, elegant!
To follow your dreams and,
Never giving up.
Thick, stick!
Poetry is my passion;
Thin, thick!
With the sweet muse of love;
Jayne, Jane!
Before going to bed;
With your Lover.
Stick, sick!
Milky colour;
But, she still looks nice.
Love,
Muse,
Joy;
It started turning!
With the muse of the wind.
Orange, White, yellow, black!
With the muse of love,
In the Milky-Way with the milky colour.
The cat,
The muse,
The ways of life;
But, poetry is my passion.

Edward Kofi Louis
Poetry Is My Therapy

A class act,
With the shape of her body;
But, try to go up to the next level to understand her status.

The muse of life,
With some situations being solved by nature!
However, poetry is my therapy.

To write out my mind in the land of peace!
Sharing with all with the beauty of love;
However, do expect the unexpected in life at times.

Herald, Harold!
Pronouncement;
And, referring to the peace in the land of the laws.

Boarded,
Loaded,
Offloaded;

The muse of life,
Saying it and writing it! !
But, introduced with the muse of love to lead me on.

Partnership,
Very close!
And, with the muse of the spheres of life.

Edward Kofi Louis
Poetry Is The Act Of The Soul

The egotism of the comparison of the people in a walk,
Knock to find out the truth!
And like a mother's proud home and a father's night work;
But, every rose has a stem.
Knock to find the truth!
Like the scattered meetings of the seasons;
Proclaimed by the desire of sweet love.
Knock to find the truth!
With endurance of life to stand on your muse;
For, poetry is the act of the soul! !
With the voices of summer and winter.
A man acts on what he thinks of!
With a pot of 'pito' in the hands;
But, the headmaster is now with my file.
A woman acts on what she thinks of!
And prays to stop the rain from destroying her crops;
But, with beauty i do salute you my love.

Cap, capturing!
Run, rub, rug;
Ancient mysteries! !
I am the new explorer on your love;
But, your love is like something that is truly heavenly.
Row, throw!
If loving you was wrong, i don't want to be right;
And, how can my life be complete with you?
Rub, rob!
Special delivery;
But, dark in colour.
Crumb!
Deluded;
Fare, farewell!
But, poetry is the act of the soul.
Tears of flames!
Let the mountains praise your nakedness;
Well, farewell!
However, eat and drink if you still love me.

Rob, rod!
Only time can heal this pain;  
From my imagination! 
Only time can change this tide;  
Tot, splensid! 
Only time can lead me to the land of success;  
Year, yearn! 
Only time knows who i am;  
And, time will always tell the truth. 
I am still waiting for the next day! 
And like the rythms of a music for a dancer;  
Nest, next! 
And like a reservoir underground;  
Ancient mysteries! ! 
If loving you was wrong, i don't want to be right;  
Because, some things are better left down for the expects.

Edward Kofi Louis
Poetry Is The Way Of My Life

The carpenter's son!
Carpenter, pen, net, cap, peer, near, cent, care;
The sailor's wives!
Wives, beehives, dives, lives, drives, fives, gives;
The natural thing!
Thing, sing, ring, wing, swing, bring, string, wring;
But, poetry is the way of my life.

I am along the road of life with my mind,
And, in the African dress!
Dress, press, distress, stress, cress, impress;
In the barber's shop!
Shop, hop, drop, mop, lop, slop, top, crop, stop;
In the African forest!
Forest, rest, test, best, nest, guest, pest, quest;
But, poetry is the way of my life.

Breast, abreast!
Rest, arrest!
Test, attest!
Far, afar!
Tend, attend!
Stir, stair!
Feather, further!
And like the tale of Africa with the tail of a monkey;
But, this muse of life will teach many yet unborn.

Poets Of The World

I can do that,
You can so that,
We can do that,
Poets of the world!
Poets and poems;
Writing out our respective minds to educate the World.
Pen and ink,
To think with our minds;
Pink as a colour and, the link as a means!
Not to sink down with a negative mind; but, only for the truth.
Wink, blink!
With the muse of peace and love;
Able to bring joy to all mankind with the status of our works.
Respect is the key in life; sharing and caring! !
No racism; because, NO ONE created himself or, herself.

And now, you've seen the result on the flowers.

Edward Kofi Louis
Pokuase

In and out!
And like a burden day;
But let it come out now! 
For i am dismayed by your acts.

Dismayed,
And like another day in Pokuase!
But it is all about you and me on this earth;
And this will be like a dream to you.

Sand and wind,
It is now your turn to be rich!
And it is my turn to open up the door of your love,
But i am dismayed by your acts in this town! 
And, i have to think of doing another thing than watching your mistakes.

With the rate of corruption in Africa delaying everything.

Gone are the days when the Europeans Rule over Africa! !

Pork fried-rice,
Eating your way to death!
And from Mattithyah to Revelation.

The specimen,
Of a tale and a tail!
But upon the two wings of a great eagle i will fly away.

Of the sale of a sail and,
Of the life under a microscope;
You are eating your way to death.

A bale of a bail and the eating of pork,
But heaven and earth will pass away and the laws will still stand!
And it will be like a puzzle to you all.

Essau hated Yaaqob like the pale of a pain but,
With your rhythmic contractions and your tympanitic abdomen;
So come out of this world and live for the truth only.

Port, Portland!

Port, Portland!
Worshipped,
Bridles,
And blood came out from the winepress!
Muse,
Fuse,
World Press;
Before the throne,
Tone!
Bone,
One;
Confirmity,
Direction,
To follow it,
Infuse!
To swallow it,
Not to refuse it;
To allow it,
Not to borrow it.

Edward Kofi Louis
Portia

This is the year that you will be married and,
This is the year that you will succeed!
Because Portia is your name and,
The muse of love respects you.

Edward Kofi Louis
Portia II

Do not drink wine in a manner that brings out its intoxicating force,
But rather learn to do the right thing always in life!
For i want you to succeed like the jewels of England.
Of ruby, topaz, beryl, turquoise, sapphire and emerald;
Of jacinth, agate, amethyst, chrysolite, onyx and jasper;
Learn to do the right thing always my sweet Portia,
For many are those who are now intoxicated around you.

Edward Kofi Louis
Portion, Proportion!

House of favour!
A man of renown,
Saltness,

Because you are the patience of my heart and,
I am the one for you on this love that is hidden inside you.

'Praye Tietia'!
To loom around;
But, the muse of the moon watches you.

Meteor!
With the muse of your love at noon;
With a spoon in your hand,
Ready to eat.

Meteorology,
With the bloom of your sweet love;
Donnish,
By the seaside of love.

Soothing recompense!
The poet's testaments are the testaments of life;
With the tender flame of true-love,
When ready for the truth.

Edward Kofi Louis
Prayers

Loud voices! !
Prayers,
Early in the morning.

Edward Kofi Louis
Prayers And Hope

Prayers and hope,
Moving along with my faith;
Without giving up on my dreams.

Edward Kofi Louis
Prayers!

Prayers!
With eyes towards heaven;
Muse, love, life, peace and joy!
With mutual benefit;
And, with the meditation of your mind.

Prayers!
Propped;
With the genius of your lovely heart,
In the land of your muse!
And, with your faith.

Prayers!
With the story of your life;
Compelled with the position of your land,
Fondly noted with your sweet love!
And, with the meditation of your mind towards heaven.

Edward Kofi Louis
Praying For Forgiveness

Evil deeds done!
In life;
Praying for forgiveness,
But, who am i? ! !
Born into the world of many troubles.

Edward Kofi Louis
Praying That You May Recover

Very sick and near to death!
To lay on your sick bed hoping for your recovery;
As we pray for you my mother.
The love of life and,
The hope of the future!
To set the house in order and,
To bring cheers to others;
But, you are now very sick and near to death.
Prayers!
With faces turned towards the wall;
Like the Wailing Wall,
Praying that you may recover.
Sickness!
Making you very weak;
Unable to wake up and walk,
Because, you are very sick and you lay near to death!
However, there is hope in Father Yahweh.
The ways of life and the muse of love,
To walk in the truth with a perfect heart;
But, in great bitterness do we pray for your health,
As you lay down on your sick bed.
Eyes have seen and ears have heard!
Of your sickness;
But, with tears in our hearts we do pray for you,
Hoping for a sign of your recovery.
The shadow of the degrees and,
The shadows of life;
With the muse of nature resting upon you,
As we hope for your recovery.
Oh life!
Show us your mercy and see to the sick;
Oh heavens!
Hear our prayers and heal my mother;
For, our prayers go to you, Yahweh our Father.
The muse of life and the muse of the universe,
You are the Creator and You can restore life;
As the flesh toils on the earth and,
Sickness comes around.
Faith and hope!
To believe in You;
So, try to answer our prayers and heal my mother,
As she lay down on her sick bed.
The living,
Oh the living!
Life is like that at times;
But, our praises go to You our Creator,
Praying that You may heal her soon from her sick bed.
Just as it is written! !
In the book of words, peace and love;
With humility, servitude and attitude from our hearts,
As we lift up our hands towards heaven in prayers.

Edward Kofi Louis
Preach The Truth

Preach the truth and teach the truth!
Reach out to the Human Race and,
Let us bring peace to the world.
Peace is needed than war! !
Hatred divides us and,
Love unites us.

Edward Kofi Louis
Preach, Peace, Reach, Each!

You left your door wide opened!
And the thief came in;

Let, left!
I heard of it;

Preach, peach, reach, each!
But, a negative mind always moves in the wrong direction.

You don't know what life is;
That is why you hate your neighbour!

Morality,
With the works of mankind on earth.

Edward Kofi Louis
Preach, Reach, Each!

Preach, reach, each!
With the truth of the laws;

The human-race!
One race.

Preach, reach, each!
With the muse of the truth;

Love,

To the protected place;

Love,
Teaching the ways of life;

Preach, reach, each!
Leading to the ways of peace.

The rivers of life!
Many waters;

Life,
With the works of nature;

Morals!
With the muse of life;

Love,
With the poetry of mankind;

Red rose!
The way of life;

Preach, reach, each!
With the muse of peace than war.

Net,
Met with the pet.

Edward Kofi Louis
Precious Fruit

Resist the devil and she will flee from you,
For the friendship of the world is enmity with Yahweh!
But the farmer waits for the precious fruit of the earth,
And like the patience of Iyyob in the land of trouble.

Edward Kofi Louis
Precious Gift

You are the precious gift on this love,
So come and kiss my lips my sweet!
My precious gift;
And let this love be according to your words,
Walking straight to the mirror to look at your own beauty once again.

Let this love be according to your works,
For the sky is blue!
And tell me what you want;
Like the blue colour of the ocean next door.

Paradise! !
To share with you on this love;
Joy and the songs of peace,
Oh my beautiful one!
This precious gift of yours will be mine always.

Edward Kofi Louis
Precious Gifts

With wisdom and understanding to respect your muse!
But, I do appreciate what you are doing now for me;
And, I do thank you for portraying my life to the highest height.

Respect,
Responsible,
Point,
Decimal,
Spot,
Dot;
And like the precious gifts of life!
In the land of peace and joy.

The muse of life and, the muse of love;
With the ways of nature to attach me to your works!
For, my ways are not like your ways,
All the same, you've taught me a lot along the lines of peace and care.

Edward Kofi Louis
Precious love,
With the muse of peace;
Like this beautiful rose around me.

I feel your presence!
In the land of my joy;
This love,
I feel your presence always!
Honour and morals,
We can reach out to the sky together!
To reel to and fro with our imaginations.

True love,
With our sweetest dreams!
Together,
In loving arms;
Flight, light, right, bright, sight, insight!
With poetic statements all the time.

Edward Kofi Louis

Precious!
Love;
Come and take me home,
For, i need peace with my mind.

Love!
Fond of you,
Fond of him,
Fond of her;
Yaa, Yaw!
Playing in the rain;
In Ghana.

Life!
With mother and baby;
Love!
With your muse;
But, come and take me home,
For, i need peace with my mind.

Edward Kofi Louis
Precise

Precise, price, rise, peer, peers, rice, is, sea, sip, seep, ripe, ice, pie, pies;
But she raised herself up high in the name of love!
And like your ways and your words;
However, i am 30 Km away from your city of love.

Edward Kofi Louis
Precise And Deep

Rise,
Arise! !
Compromise;
Precise and deep.

Edward Kofi Louis
Precision

Precision,
Perfection,
Innovative,
Attractive,
Position,
Active! !
Positive;
Like Alice in Wonderland,
With the joy of love.

Edward Kofi Louis
Predetermined

Predetermined, determined, reed, trim, team, term, Peter, deer, mine, print;
And like the domino effect in the Arabic lands!
But the road ahead of every unity needs peace.

Predetermined, mind, it, did, prime, dime, dim, tent, lime, line, dine, time;
And like your love in the land of your muse!
But on the sea of love is your ship waiting for others.

Predetermined, tin, pin, net, ten, in, miner, pit, perm, rented, ream, enter;
And like the ways of mankind!
But in the land of your muse is your joy so noted by all.

Predetermined, edited, diner, me, rented, edit, mined, remind, deed, printer;
And like the lovely ways of your mind!
But the joy of this muse is like the romance of your sweet love.

Edward Kofi Louis
Predictable

Parents or relatives,
Predictable;
But it was also established that you do love me,
And like the love of your muse as exposed to me last night when i paid you a visit!
But, i will always praise you for loving me.

Edward Kofi Louis
Predominant!

Migration, immigration!
Across the land,
Across the country,
Predominant!
Recruited,
Traffickers,
Engaging;
Programmes!
Policies,
With the people loitering around the precincts.

Edward Kofi Louis
Preetz

My friend the little snake!
I came on your way to say hello to you;
Because, the last time i came around,
You were not at home.

Tea and coffee!
I came to see to your conditions;
For, the young lady was still asleep,
And, i know what you needed at this time.

My friend the little snake!
Your love is in the forest is with the muse of peace;
And, i came along to say hello,
But, the young lady was still asleep.

I am Preetz saying hello to you,
Oh, my friend, the little sanke;
Do have a nice day in the forest and,
Let me rest my mind on this narrow path.

Edward Kofi Louis
Prefecture

Structure,
Picture,
Nature,
Prefecture,
Act, intact!
Sanity,
Serenity,
Lovely life,
Lovely poems,
Positive aspects of living;
Your first kiss!
My first kiss,
Of the past! !
Remembering your childhood;
But, may true love always rule over your soul.

Edward Kofi Louis
Pregnancy

A meaningful painter painting the walls of love,
And pregnancy dragged the two people into marriage;
The love of the team,
The love of the pair with amorous ideas!
Today, this pregnancy had made them to be married together.

What is in his soul?
What is in her soul?
Like the light at the end of the tunnel to keep them going;
But, this pregnancy had dragged them into marriage.
Of an amorous expedition,
Of a name calling;
She was raped in her own bedroom.

Of a meaningful painter painting,
From the brink of things to the wink of the act;
But catapulted like the poles apart from the walls,
With pet names on your only mistake in life.

These are the memories of the past,
And to share a lot of common interest with you;
But it is of gifts without reasons.
This is all about the sweet spot of love,
And the pregnancy is like the pot of love to share;
But, the blood stain on her mattress is the truth of the matter.

A meaningful painter painting the walls of love,
In a wooden kiosk to crown the day;
But today we know where they came from,
Because the pregnancy united them in marriage.

Edward Kofi Louis
Pregnancy 2

Pregnant!
Being with a child in your womb,
About to give birth;
At the right time.

Edward Kofi Louis
Pregnant With Mischief

Wickedness! !
Pregnant with mischief;
The tresspressor conceives
iniquity and,
Gives birth to lies!
Ready to kill and destroy.

Edward Kofi Louis
Premium Friday

Day,
Say!
Stay,

Towards the bay;
Premium Friday! !
Not to stray away from the truth.
Tray, ray, bray!
The way ahead;
To pray along,
To pay the bills,
Away from evil acts!
And to stay with the truth always.

Edward Kofi Louis
Prempeh

The dead know nothing and the living are living in fear!
But you are too young to be inspired by this message at hand;
For, the intospections of my realm are than the things you love.

Present in the blood are viruses!
And like a colourful dumber with the muse of love;
But, my pet is the cat and,
To relocate my mind is like the muse of my residence.

The micro organisms are in the blood!
So, do inform Prempeh my friend to visit me;
For, i do have a message for him in this land of many rivers! 
But, do keep fit with your romance and keep fit with the love around you as well.

The beasts of a woman are now on the hairy chest of a man!
but, the dead know nothing and the living are living in fear! 
But this muse of love is now noted in your land;
For, the days are now shorter than the beautiful flowers of love.

Edward Kofi Louis
Prempeh 2

Prempeh, peer, here, her!
Perception,
Judgement,
Lost years gone by.

High, sigh!
Fun and jokes,
Your legacy lives on;
To love each other than, to war against each other.

Prank, rank!
Procedures,
Tight security,
With the message of this week.

Edward Kofi Louis
Prepare For A Take Off

My spirit is higher than the ocean floor,
So let us free our hearts from all odds;
For the chick which is nearest to the feet of the hen eats the fattest worm!

Free your mind and feed your brain with the truth,
And do not tear down those curtains of love!
For no man is an Island by himself.

This is like for whom the bell tolls in life,
And it will also toll on you and me;
So fasten up your seatbelts and prepare for a take off with my muse!

Edward Kofi Louis
Prepare Your Dish

Do you love fish? !
Then, prepare your dish with love;
Able to share with others,
After spicing it with the muse of the truth.

Edward Kofi Louis
Prepare Your Heart For Peace

To deal shrewdly!
Of a bitter life;
For, the earth is now polluted.

Muse!
To feed on the breasts of a woman;
But, listen to the voice of the truth.

The place of skull!
The fire of the end of the age;
With judgement and justice.

A pillar of fire! 
Seen to direct the way;
But, prepare your heart for peace.

Edward Kofi Louis
Presence

Presence!
The lampstand that is for light;

President Goodluck of Nigeria,
What news do you have for the Nigerians?
For many are already dead and gone in the name of the oil fields in the Niger Delta!
But the trees are still standing and watching us all on this issue.
Try to put things right to save your own people from the Niger Delta,
For the Niger Delta means a lot to the Nigerians and the world at large;
So i am ready to hear more positive news on this issue about the Niger Delta.

Edward Kofi Louis
Press Up

Press up!
Not with stress;
To address yourself,
With the muse of your dress,
To impress the people around you.

Edward Kofi Louis
Pressed

Their breasts were pressed and,
They have bruised the bosoms of their virginities!
Because they played whoredom in their youth,
And now they are seeking how best to bear children.

Edward Kofi Louis
Pressed, Oppressed!

Double hearts,
Double minds,
Pressed, oppressed!
Flattering lips,
Facing the wickedness of mankind,
Ruled by lust.

Edward Kofi Louis
Pretending

Pretending not to see her!
But she’s around you;

Pretending not to see him!
But he’s around you;

Going after your sweet love,
Up close and personal;

Like a culture that goes with a palaquin,
But this is all about your love;

Your heart floats to where it desire!
And you are known in your land.

Edward Kofi Louis
Pretoria

I am Sizzla in Pretoria and,
I am like the bug living next to your door;
But keep holding on to your lover because,
My dreadlocks are the signs seen around so easily.

Edward Kofi Louis
Pretty Woman Come To Me

The look that inspired your love and,
The wind that exposed your nakedness;
Pretty woman come to me when i need you,
For Thom and Angelina heard of the news!
But the angel came and told me about your sweer love.

Edward Kofi Louis
Pretty Woman!

Pretty woman!
Don't walk on by and,
Leave me alone;
This is the day for lovers! !
Pretty woman;
I am still waiting for you.

Edward Kofi Louis
 Prevail

I will prevail on this love no matter wat,
And i will show you what i am made of;
For you are a noble and a kind woman.

Please, stay for the meal of love and eat some food;
For tonight is the night that you need your strength back!
Because Shunem and Shelm will be here tonight as well,
And like the colours of the rainbow up high above us.

Edward Kofi Louis
Prey, Osprey!

Insect,
Hopping on the ground;
Prey, osprey!
With the eyes of an eagle watching from above.

Rain! 
Chain,
Pain;
Refrain your eyes from weeping,
And your eyes from tears!
For, there is hope ahead of you.

Edward Kofi Louis
Price

Ice,
Notice!
Price,
Rice,
Dice,
Nice.

Edward Kofi Louis
Price Hike

Poor sales,
Prices of foodstuffs,
Price hike,
Potential buyers!
Mentioned and compelled to the muse of marketing,
But the lack of transportations and bad roads had led to the increment.

A bunch of plantain,
A bag of cocoyam,
Vegetables sellers,
From 'Krowsua to Sunyani'!
But the price hike was all about the festivals.

Edward Kofi Louis
Price Tag

The natural cold-wind is blowing around me,
And i can smell your love around me;
But the true passion of this love is from your kiss.
You are a special woman and,
This kiss has a price tag;
Ans as i said,
So shall it be done to you!
You are an extraordinary woman with a prive tag,
But a dog does not eat the bone tired on its neck!
And this is just like a tale for the two of us.

Edward Kofi Louis
Price, Prize!

Life in prison;
With no help at all from my friends.

Life!
That's how it is at times;
But, my hope will always lead me on.

Love!
That's how it is now at this time;
But, my kin is not far from home.

Lust!
With the house of thorns;
But, i've learnt a lot in this life.

Edward Kofi Louis
From the price-tag of the vat-system to the price-tag of a rat,
And like the rat race in this world!
But with no compromise to expose your muse to others,
So how cam i pay my water-bills when there is no water running in my tap?

Here in Ghana with many light-outs to put us in darkness always,
And of the days in the darkness with the hope of seeing you once again;
But others do explore the negative ways to jump the bills,
And they are what we call economic thieves! !

Aluminium rod sign-plates,
'God Bless our homeland Ghana' is what they say;
But this first line of our National Anthem had never taught many!
And the of the Ghanaian still matters to me.

Parliamentarians are late to the parliament,
But that is normal in their own eyes over here in Ghana;
And the African Tea comes next with the muse of the heat,
For the Bushmen are ready with their cutlasses! !
And like the African-Time-Syndrome all over the place.

Incredible! ! ! ! ! ! ! ! !
This is Ghana! !
Our Beloved Country;
But the Ghanaians do love their pockets more than Ghana itself.

Edward Kofi Louis
Pride

Pride! !
Don't do that;
Train yourself not to carry yourself so high!
Let people talk about you,
Let people promote you,
After seeing your works of peace and love.
Don't ride with pride!
Be on the side of the truth;
Along with righteous works,
And let people promote you in this life.

Edward Kofi Louis

Don't ride in my intelligence with your pride!
Come down and,
Learn from the works of the truth;
Living in peace with your neighbours.

Edward Kofi Louis
Pride! 
Pushing up the wrong thing; 
Able to destroy others.

Edward Kofi Louis
Pride Of Nature

The pride of nature is with the ride of hatred around us today!
Seeing to the destruction of Syria; but, WHY?

Where are the laws of peace? ! ! If i may ask; seeking for a way forward without hatred and war. Yes, the Syrians have had enough.

Edward Kofi Louis
Pride, Ride!

Pride, ride!
Going your own way,
Acting and doing what you think is right in your own eyes! !
Forgetting the people around you,
Always against the laws.

Illegal lust!
The Devil has the whole world deceived;
In many ways! !
Almost in everything around us,
Because mankind is not ready to follow after the laws.

The laws of nature,
The laws of life,
The laws of peace,
Righteous Laws to unite the world!
Than hatred and war!
With the ways of mankind on earth today.

Edward Kofi Louis
Pride, Hide!

Pride, hide!
With your acts,
With your ways,
Your hands are now defiled! !
With blood;

Life is not fair at times!
But, it is always so;
And it is too complex for you and i.

I can't stop the moves of nature!
But, you wonder 'why';
For, it is like a new prime factor without fractions.

Life is not fair at times!
But do discover yourself in its fantasies! !
However, you should not underestimate the muse of nature.

The prime factor,
And of the dropp of water as precious as gold!
But, do not underestimate the moves of nature.

The prime factor!
For the dropp of the sperm is as precious as life;
However, life is not fair at times.

Edward Kofi Louis

Prime Minister John Key of New Zealand,
Let us think of how best to build back 'Christchurch';

Edward Kofi Louis
Prison System

Look at the men and women in our prison systems today,
They are put under miserable conditions which are much wicked than the slavery
days!
But when will they live productive and joyful lives like others?
They are being locked behind bars and their rights are taken away from them,
While others commit suicide as a welcome relief;
And we all know the evil that goes on behind the walls of the prisons.
No one cares,
Because the system itself is very evil!

Edward Kofi Louis
Prison, Prism!

Prison, prism!
Swinging along with it;
for, you are now in it.

Illegal lust!
Eating you up;
And now, you cannot make the right decision.

Lust!
With the evil heart;
And, with the ways of your life today.

Illegal lust!
With the pleasure of the world to motivate your acts;
And now, you are not safe either.

Prison, prism!
The laws are there to correct you;
But, you've Chosen the wrong way.

I am a prisoner and my Cell Number is 1416111981,
So do visit me at this river of love;
There you will see the red gate which trapped me on two occassions.
This prison had been my home for many years and,
This love is around my neck like the love of an apple;
But, one day i will be free at last.
Come to Cell Number 1416111981 to hear my story,
For this river of love was all that took me there.
I am Prisoner Number 1416111981,
And two attempts to escape from this prison had failled me;
But one day i will be free at last after serving my terms.

Edward Kofi Louis
Prisoners

The prisoners gathered in a pit and,
The mirth of tambourines ceased!
But time is a human invention like,
The fairman and the blackman.

Of the divisions of the time in this world,
Like the salvation for walls and bulwarks;
But read my lines and hear my voice always,
Like a diadem of beauty when you listen to my speech too.

This steps of Nimrod is like the acts of the prisoners too,
But this world's paganism is of a gigantic horned bull-man!
But the prisoners gathered in a pit than,
To sit on the ground without a thrown.
Circumambulation by its owner,
With the creative force like the new wine;
But there will be mourners in times like this one day.

Edward Kofi Louis
Pristine

Pristine purity,
Insisting on your love will improve my muse;
But the debate is still on for us to share our various views,
And like the original state of your mind.

Edward Kofi Louis
Pristine 2

Cine,
Sine,
Pristine!
Fine,
Pine;
Life and death.

Edward Kofi Louis
Private

Private, tar, art, ear, era, eat, ate, part, pie, pear, air;
The flow!
The fall,
The rain,
The snow;
Snow, Snowden!
With the muse of the acts of mankind on this earth today.

Private, tea, vat, rate, rite, Pat, it, at, tie, tear, pair;
Of the first snow!
In the cold with your Lover;
At, it!
And, with the muse of your mind.

Ox, or, on, of, off!
Muse, love, with the golden juice;
As seen in the land of peace.

So, soot, soft, sock, soap, soup, soul!
With the muse of nature;
To, too, took, tool!
The natural thing;
As seen in the land of your muse.

Sin! !
Personla confession;
With the muse of your acts in this village.
Heavy wind!
Hail, rain and snow;
In th eland of the living,
As nature displayed its power.

Edward Kofi Louis
Private Eye

Private eye,
Taken for granted;
Motivations,
Encouragements!
But people who are not very thankful in this life often feel that,
They are always dissatisfied with what they have;
And become envious of others! 

Edward Kofi Louis
Private Eye II

The private eye,
The presidency is a job but not a career!
However, our leaders in Africa have made it a career! ! !
All in the name of the traditional societies;
Thus, hampering their performances,
And, lagging behind in development as compared to other countries!

A private eye,
Age connotes wisdom!
But, this true old adage has eluded my people;
And, some seem smarter and wiser than the others,
But, the situation in Africa is well noted by all of us today.

Edward Kofi Louis
Private Girl

I am the private girl that you are looking for,
And i am very sweet and beautiful!
But i have the tears of love within me,
Because i am lonely without a lover.

The gift of life,
And the gentle tenderness of the muse;
For you will be my sweetest thing when,
You do call on me tonight.

I am hungry for love and,
Of the beautiful blessings bestowed on you;
For you are like the herb's bearing seed within me.

You are very friendly and amusing,
And i am very lonely and waiting;
For i am the private girl next door but,
With sparkling beautiful eyes to touch your heart.

Edward Kofi Louis

Set, bet!
Not to be wet,
To let him go away;
Leaving with a private jet.

Edward Kofi Louis
She's the one that i saw in the bush afar off and now,
I am her mentor on this side of the river.
Like the apple tree of love that bears the friuts of love,
I am her mentor and i have to do a lot for her.
She is called Priyanthie and,
She is the one who wants my guide on this side of the river;
And as her mentor, i have to guide her and help her.

Edward Kofi Louis

A stiff-neck people!
Irreverant act,
Undignified,
Closing up the water sources outside the city;
With the pride of your hearts!
A stiff-neck people,
With the corruption of their hearts;
Probe! !
With an opening at the centre of the robe.

Edward Kofi Louis
Problem

This is how you do solve your problem!
But, this approach is wrong because,
You've already attacked your neighbour.

Edward Kofi Louis
Problematic!

With the muse of illegal lust;
taking away things by force! !
And, ready to kill your neighbour for their items.

Lust!
Like ridding two horses in opposite directions;
leading you to nowhere! !
Because of your acts in this village.

Lust!
With the culture of lies coming out from your mouth;
Leading to hatred and war,
As seen in the land.

List,
To pay 'lip service' to the matter;
Lust,
Being on the loose!

Edward Kofi Louis
Problems

Should i manage my problems alone? !

Toasted on the rocks and,

Moving on with my mind;

Sizzling access of life! !

Promoted with the disciples in the cold;

Again, i'm being trapped! ! !

In the world of my sorrow;

Distinguished with a class! Able to touch the sky.

Edward Kofi Louis

Keep, deep!
Deeply distressed;
Just as it lies within.

Grain, rain!
Fasting and praying,
Facing the problems around you today.

But try to do the right things always in life.

Since, we don't buy respect at the market place.

Edward Kofi Louis

Profane pastors,
Profane preachers,
Profane prophets and priests!
For, they have failed to tell the people the truth;

Proverbial Song

One to the dog,
Two to the pig,
Three to the opossum which lives around you;
For an apology is rendered freely.

My terms and your terms,
And living in the world of terms to stay alive;
But many still find it difficult to apologise.

He who steals and run away will live to steal another day,
But the splashes of the sea are very far from me.
I am the proverbial song and the Teddy Bear among the lions!
And you are the Queen of Diva across the parapet;
But many cannot render an apology to others.

Let us seek for the truth and live in peace with each other.

Edward Kofi Louis
"Do not speak to a fool,
because he will despise the wisdom of your words';

Seek for positive people and share with them along the line,
Knowing what to do always with the muse of the truth.

Edward Kofi Louis
Proverbs 26: 20

'Where there is no wood,
The fire goes out;
Where there is no talebearer,
The quarrel stops'!
So, seek for the truth and live in peace with your neighbours.

Edward Kofi Louis
Proverbs 26: 22

"The words of a talebearer are like wounds;  
They go down into the innermost parts of the body! !
But, always seek for peace and,  
Be positive with your mind along the line;  
Hurt no one.

Edward Kofi Louis
Proverbs 27: 22

"Though you pound a fool in a mortar with a pestle, as you would to crush grain, you will not rid him of his foolishness!

Because, the wicked man runs away when no one is chasing him.

Edward Kofi Louis
Proverbs 27: 3

Stone is heavy! !
Sand is weighty;
But a fool's wrath is heavier than,
Both of them.

Edward Kofi Louis
Provisions

Oil, wine and some fruits;
And to reassure your sweet love with my muse!
But i met you in an open field last night,
And i will look after you with my love.

Provisions and gifts,
In the open fields of love and care;
But i will surely deliver you with my love,
And like the muse of joy in the land of plenty.

Provisions, soon, son, sons, vision, visions, in, pin, poor!
And all around with the muse of your love;
But write down the words that i have spoken to you in a book,
For my joy is like the muse of the rainbow seen around.

Provisions, on, no, pros, sin, sins, ion, ions, is, in, pins!
But the life of a hunter is like the life of your muse;
And like the joy of your love as seen around,
Because i am ever ready to share my mind with you.

Edward Kofi Louis
Provokes

Jealousy was seated by you,
And like a vision that provokes the heart! !
But the entrance of your love is now taken care of;
And like the walls of your joy!
But, behold! ! There is a hole in one of the walls because of jealousy.

Edward Kofi Louis
Prowess

Prowess,
Let your heart bloom like the rose and bring peace to the earth;

Form, platform!
The truth will furnish you with righteous works.

Oh scales of this sweet feelings of your love in my heart!
With the muse of your beauty deep in my mind.

Edward Kofi Louis
Psalm, Sam!
Psalm, Sam!
To seek for the works of the truth;
The golden sign! !
The golden sign of love,
The golden sign of peace;
Seeking for the unity of the earth.

Edward Kofi Louis
Psycho Path

Mask wearing!
Dwelling in total darkness;
The call! !
Here we are;
Outside together.
Muse, fuse, use!
Unthinkable,
Like a psycho path;
Expounded!
Tethering,
Muse,
Fuse,
Use,
Not to refuse;
Circle, encircle!
Between both them.

Edward Kofi Louis
Puberty

A conscious decision,
Of words and love that flows out through my mind;
But, it is better to have the truth than, to linger about.

Darkness is upon the face of the deep! !
And a person will experience shame when, his or her theft is exposed;
However, education has much impact on one's life.

Traditions and translators!
Learning from the womb before coming out;
Across the land to see the youth having fun than,
Learning from the works of the truth.

Puberty!
With a conscious decision in the land of the living;
Able to teach the youth to follow the ways of the truth,
Than perishing in the hands of the pleasures of this world.

Edward Kofi Louis
Publicised

I stay in a lonely place but,
You spread the matter and publicised your love freely to the masses!
And i know who you are because,
You came around looking for me.

Edward Kofii Louis
Puente

Puente, ten, put, pen, net;
Feeling strong!
With the energy in the art of love.

String, strong!
In their respective jurisdictions;
Like the muse of a colourful durbar.

Projects, subjects, objects!
To be schooled on the use;
With the initial mode starting with the romance of love.

Edward Kofi Louis
Puerta

Your right and left hands,
Your right and left legs,
Puerta is your name and i do understand your muse;
But the heavy rains came in and,
You were totally wet! !

Edward Kofi Louis
There is sexual impurity among you and,
You are puffed up with pride;
But don't you know that,
A little leaven leavens the whole batch of dough?
Come to me and learn from me,
Where the moon shines all the time at night;
Are you not competent to judge trivial matters?
Free sexual immorality and,
You will be saved.

Edward Kofi Louis
Puffed Up  2

You are really puffed up in your own mind!
Being a legend in your own eyes;
But, the ways of your life is very far from the truth.

Edward Kofi Louis
Puffed Up Ii

Intruding!
Puffed up;
But, stripped naked,
With the muse of your evil power.

Illegal lust,
For corruption!
For war,
Worldly shows,
Self wisdom;
Not in any honour of the body.

Edward Kofi Louis
Puffed Up With The Carnal Mind

Puffed up with the carnal mind,
But sin affects everyone around us and just you only;
And we are supposed to set positive examples for everyone to follow,
So humble yourself in the land of your muse.

Tempted,
Sacrificed,
But try to lead the people in righteousness!
And like servants who paid the tribute,
But with words of love to control your mind!

Edward Kofi Louis
Pulingat

Pulingat, ant, in, Pat, nut, tan, Paul, gut, Putin, tin!
Place your threshold to my threshold of love and let us sing together;
For, the young bull of the herd is about to sleep.
Ant, giant!
With the muse of love and the peace of the mind;
But, this image seen outside was like the vision of your love.

Pulingat, pan, pang, pig, lag, ling, gaing, ping, pin, plain;
Behind the pillars of love!
With the pattern of the muse of your aroma,
Like a kid from the goats in the bush.
Box, fox, ox!
Alone with love andm with the memories of peace;
Doing your best always without hurting others.

The key of love!
To respect life and to bring peace to all;
Pulingat, gaint, put, tag, gin, lain, pain, lip, tip, pit;
But, according to the laws and the truth,
With the walkways of compassion!
Where unity reigns in the land of the living.

Edward Kofi Louis

And to walk along in the name of love.

Edward Kofi Louis
Pulled Out

I have respect for humanity but, you don't love me;

Pulled out!
But, pictures of yesterday are the pictures of the past;

A special friend,
To care for each other!
But, you don't love me.

Edward Kofi Louis

Edward Kofi Louis
Pussy-Footy

Wisdom is better than silver and gold,
But to enhance my status is what i know;
And many are those who lack knowledge.
You need a 'horse-walk' to your status quo,
Because wisdom is better than silver and gold;
And try to live up to your expectation in life.
Wake up to the facts and always try to make a difference,
Do what is right and reach out to your goals;
For your 'pussy-footy' acts will never lead you on,
But this world needs peace and love.

Of the new moon and,
Of your new love;
Of the stars and,
Of my sweet love;
But, don't expose your nakedness to the public.

My lover is in tears! !
And, how my heart bleeds to cry for her;
But, where is my mouth to read out this muse?

I am Pyne, but my lover should take heart!
And move on in life no matter the situation she finds herself;
For, life is like that at times,
And, she has now found me!

I am free as the fiddle and,
Noted as the Books of Psalms! !
But, who can understand the situation of my lover?
For, my soul is also crying because,
My lover is in tears;
And, i need the sailing ship to land us safety at shore.

Edward Kofi Louis

Qoheleth

She opened her mouth with wisdom and,
In her tongue was the law of kindness;
But Qoheleth was around to understand her theses,
So give her the reward that she has earned.

Edward Kofi Louis
A letter to Quaah my friend;
With the muse of peace and joy!
But, it is time for the ducks to swim in the pond.

Desert Storm! !
In the land of your muse;
As the air is now polluted with the sand.

Life!
People make choices everyday;
But, let your yes always be yes.

Age, triage!
With the muse of your love;
But, this letter goes to Quaah my friend.

Swipe, wipe!
To wipe it with your hands;
As the rains set in.

Edward Kofi Louis
Quadriple Order

You are very successful in life like,
A tertiary institution with positive morals!
Moving along with the quadriple order,
Adding up and changing many things!
With the reorientations of love to share with others;
Knowing the problems of the world today.

Edward Kofi Louis
Quaid

I have the quail of love for Quaid and,
All over the world with my muse of life;
But this is just the beginning of the comedies and,
I am about to open up my opera of love for you.

Edward Kofi Louis
Quaid, Aid!

Quaid, aid!
For your love,
With my care;
Touched by the power of a realm! !
In love,
With joy;
The adventure of life,
The romance of nature,
Under the eyes of the truth;
With the fragrance of peace.

Edward Kofi Louis
Quail, Squeal!

Quail, squeal!
Meal, deal, wheal, real, squeal, zeal, heal, peal, seal;
It will stand up!
And, to satisfy your muse.
Expression!
But, wonders will never end;
Bell, quell!
Wonders will never end;
For, I gave her the rope to be able to climb up to the top!
However, she married another man after getting a better view.

Edward Kofi Louis
Quainoo

Buying a house,
With a Visa Card;
And like the down payment of your love,
But this property is purposely meant for you.
Expenses,
Accessing credit,
But very constructive to satisfy your love;
For, i am Quainoo who wants to show you my love.

Edward Kofi Louis
Quaking

Eat your bread with quaking and drink your water trembling with anxiety!
For you've spread the net of your love for men and,
I am now caught up by the trap of your muse.

Edward Kofi Louis
Quaking In The Wind!

Illegal lust,
Like a flimsy redd quaking in the wind!
Eating you up;
In your land,
And, with the facts of your acts made bare.

Illegal lust,
Unrepentant!
In the name of your acts in this town;
And, in view of your ways,
Like a reed quaking in the wind.

To observe it,
Rising up again! !
In the land of your muse.

Muse, use!
Citations,
For your identity;
With your love to the people,
But, very precious! !

Edward Kofi Louis
Flirting young girls do forget their ages as they grow!
But when they do marry after their flirting games,
There and then they do see that they are very old.
Life to them is like,
Today you flirt and tomorrow you marry;
But it will not be the same always!
Because one day they will turn and want to have children,
Then and there it will be too late for them!
Yes, they have aborted many of their unwanted pregnancies;
But I am Quarshie on this side of the river and,
I know what I see around me always.
I know what I am saying and,
I know where I came from;
For around me are many young girls playing from bed to bed,
And these experiences in life will one day cost them a lot!

Edward Kofi Louis
Quaritey

To buy the dye for your works and,
To die from the war because of the stray-bullet!
But, you dyed your cloth before you died;
And this country is beautiful! !
But, the government makes mistakes,
So, the stray-bullet came along and took Quaritey my friend away.

Edward Kofi Louis
Queen Mother

Oh my 'Queen Mother',
How sweet are your breasts as i do see them?
For they are swollen up with love and,
Very attractive for the eyes and the hands to touch them;
But i am the one who want to love you the more!
I fell once and i have learnt my lessons well,
So stop crying and let me care for you;
Because the rainbow had already heard your message of love!
And i will do the rest if you just sleep on my laps.
Your breasts are swollen up and very succulent!
And you are now a matured lady and,
I will press very close to the walls of your love;
For what is sweet are in your breasts and,
What is loveable are on your lips.
I will hold you tight all night long my 'Queen Mother';
For the night is cold i want your sweet love.

Edward Kofi Louis

With your speech,
With your language,
With your culture,
With your tradition,
With the colours of Africa! !
The festival of your land;
With your heart,
With your joy!
Taking care of your people in the right way;
Queen of Africa.

Edward Kofi Louis

Shower me with your words,
Queen Of Hearts!

Come along!
Oh Queen Of Hearts.

Edward Kofi Louis
Queen Sheba-Ra

To the Snake Island,
To the Fish Island,
To the Love Island,
To the Peace Island,
To where our muses do meet;
Like a message from Queen Sheba-Ra.
Many want to see my face but,
I am faceless;
Many want to know my name but,
I am nameless;
Many want to see my home but,
I am homeless;
Many want to hear my voice but,
I am voiceless;
Many want to see my hair but,
I am hairless;
You can change your life by making the right choices.

A message from Queen Sheba-Ra,
The Queen from Nubia in Ethiopia;
Like the message from a poet without a name.
I am from a land of an entity but of different people,
My muse is all that i leave for mankind;
Queen Sheba-Ra,
Love must come from the heart;
Of the traditions of Africa,
Queen Sheba from Nubia;
Let’s free ourselves from mental slavery.
I eat Cassava but i don't eat Gari,
You eat eggs but you don't eat chicken;
Yes, like Queen Sheba who met King Solomon.

My 73-year-old mother-in-law rides a bicycle,
My 82-year-old father-in-law rides a bicycle,
So pass it on to the next generation;
Like Amen-Ra from the roots of Egypt.

A call for the African Chiefs,
Queen Sheba-Ra III met Nii Adjei Karku II;
Hannibal the cannibal,
Queen Sheba-Ra III met Nii Tetteh Otu II;
Queen Sheba,
Queen Sheba-Ra I,
Queen Sheba-Ra II,
Queen Sheba-Ra III,
Of the African Chiefs and Queens;
46664 is in our hands today and,
Nelson Mandela has enough for us.

Of a cloud as small as a man's hand,
Of a poem as sweet as your muse,
Of a head taller than the others;
Life is like the one who puts off his armour.
Queen Sheba-Ra,
A man is measured by his strength;
Queen Sheba-Ra,
A woman is measured by her wisdom;
Queen Sheba-Ra,
I am very old and grey-headed;
So, i will rather have my donkey saddled.

Listen oh Heavens,
Hear oh Earth;
I am the shadow from the mountains!
Let my poetry fall on you like rain,
Let Queen Sheba-Ra III carry on her message,
Let wisdom abound to those who want to learn;
Like a lamb in front of the Balsam tree.

Brazil won a football tournament,
Italy won a football tournament,
Egypt won a football tournament,
Spain won a football tournament;
46664 is in our hands today and,
We have to learn more from Nelson Mandela!
From Ur to Rome,
From Queen Sheba to Queen Sheba-Ra III;
Africa has more to tell the world.

The carcasses!
But this teaches about those who survived for us to gain hope;
So read this for yourself!
Because, the land is now full of refuguus;
And in East Africa, we have more stories to write home about.

Edward Kofi Louis
Quentin

I am the man who wrestled with the wind and,
My name is Quentin;
But tell me, what walks with four feet in the morning,
Two feet in the afternoon and three feet in the evening?
For, when a man is in grief, he beats his chest.
Can you see the signs of the shy?!
For when a woman is in grief, she bare her breasts out!
That is why I wrestled with the wind.

Edward Kofi Louis
Quereda

Quereda, dear, read, ear, era, are;

With the excitement of my heart.

Edward Kofi Louis

To test your mind;
With the muse of the nest of the bird on the tree.

Love,
With the sign of your crest;
Leaving the pest along the line.

Edward Kofi Louis
Quest, Guest!

Best friend,

With your vest on to meet up the test;

'Quickborn', quick, born, Quinn, corn, knob, rob, Nick;
In power and with your body language to control the people around you!
But, put your items over here not to disturb your neighbour's property.

'Quickborn', bin, in, Inn, on, kin, Rick, cob, brick, or, no!
But, just a young adult like your type;
So, do not disturb your neighbour with your items.

Edward Kofi Louis
Quicker Than Thought

A post once held and a name once made,
A walk once made and a journey once achieved,
This world is full of stories and celebrities;
But i am a profesor within myself.

Of a quantum gravity,
Of a quantum order,
Of the successful acts of man on my muse;
But i am with the fourth dimention of my mind to reachout to you.

Flying like a bee,
Software and hardware;
And to the battles of the odds to tell a story,
Like the name of a newborn child.

The north of the Northpole,
The south of the Southpole,
Summer time with insects;
But the fruits are getting rotten quicker than thought.

Unitary and singularity,
To the average person on the roadside;
The human mind and the summer weather,
Like the bees and the gaint lies that flies me by.

A post held once is now taken away,
A lover known once is now taken over by somebody else!
Spoon, spoof, proof, roof;
Successful to my muse is the space of time,
But i do need you to be touched always.

Of peace thrown away for war,
And in the deep sea of my mind with works;
But a poet's parody is like red dwarfs and black dwarfs!
But today i have come to meet a white dwarf as well.

Of the test of time and,
I am never known;
But i have once made a name for others to read on.
Edward Kofi Louis
Quid-Pro-Quo

But, you have to appease your friend with the muse of love.

Quiescent, cent, ten, net, nets, see, seen, tie, ties, nest, use;
And like a dead dog on the road,
But you need love to carry on this mission.

What does it mean to you when all goes in?
And, to the fullest;
And like the woman with many bags!
For, it means well to you when all goes well.

Quizzed Persistently

Grave looters ans shop lifters,
Interpersonal problems to greet the muse;
But it started from the family and,
I don't need flowers on my grave because i am lonely.
I wonder where you are and,
Of the grave looters and the shop lifters;
But when the night falls,
Love makes sweet songs to my muse.
I don't need words from my window because,
You will see my nakedness and be attracted;
For i am the thick forest that teaches mankind,
And i need moisturising lotion to come out straight!
You have to be somebody for someone than these acts,
And to be quizzed persistently is not right!
For you keep on stealing all the time.
Can we die twice? !
Then thick about tese act of yours in the society;
For i still do wonder about them and,
My mind is still not at rest.

R-51!

The womb!
For your birth;
The comb!
For your hair;
The bomb!
For your death;
And, the tomb for your burial.

R-51!
In the land of my birth;
And, with the sweet muse of my positive mind.
Love!
With the mystery of the truth;
Peace!
With the mystery of love;
But, the bombs are not the very answer to peace.

Edward Kofi Louis
R-52!

Love!
With the mystery of the truth;
R-52!
With the mystery of life;
but, be very wise on this earth.

Life!
With the big fish and the small fish;
Growing up in the slums! !
On the other side of life.

Of the disc drive world! !
With a bottle of Whisky in your hand;
Lust!
From 'Catwalk' to 'Dog-walk';
Lust!
Like the Vampire's dairy;
With storm breakers all around you.

Edward Kofi Louis
Race Matters

Race matters in this world!
And, whithout the rces there is no world;
So, let us think twice in this world,
And let us love one another! !
Because the Creator created all the races,
And we don't need racism on this earth.

Edward Kofi Louis
Race, Ace, Care!

To cross that bridge,
Race, ace, care!
We can create a fruitful world if we want to;
Oh mankind! !
Overcoming our wicked acts on earth;
But, are we ready for the truth? !

Edward Kofi Louis
Race, Embrace!

Love!
Sailing along with you on the blue river;
Race, embrace!
With the colour of your eyes;
Lain, lane!
Coming home;
With the muse of peace and joy.

Love,
Around the Valleys and the hills;
In front and afar off.
Letter, better, fetter, wetter!
With the muse of love;
Local, vocal!
Sailing on with you on the blue river.

Edward Kofi Louis
Race, Terrace!

A garden terrace,
Race, terrace!
It opens onto an outdoor,
With a service yard.
The muse of life!
This love is sweeter than honey;
The muse of peace!
This love is sweeter than wine;
Of the album,
Beat-waves! !
Of the toffee,
Heat-waves! !
Lamented,
But, with the muse of sweet love;
In the land of beautiful gardens.

Edward Kofi Louis
Rachab

Open your mouth and begin to eat,
Move your legs and begin to walk,
Open your mind and start to learn,
Move your hands and start to work,
Because you need ice-cold water on this love like taxi-drivers and food sellers!
For the beginning was from the blink of your eyes,
But beauty is your name so sweet oh Rachab my lover;
So open your eyes on this love and let us live together.

Edward Kofi Louis
Rachel

Give me bread to eat and clothing to put on my love,
Give me water to drink and money to put into my pocket too;
Look and behold! Rachel is coming with the sheep and,
I am in love with this shepherdess.
And like Romeo and Juliet,
She is very beautiful and her food is so natural!
Surely, she is my bone and my flesh.

Of the love that i have for her,
Of her beauty and appearance!
I really have delicate eyes on her love.
Of bread and a skin of water,
Along the banks of the Nile;
But i am a stranger in this foreign land of love.

Edward Kofi Louis
Rachel 2

Rachel! ! !
She conceived and bore a son;

Joy!
Fruitfulness;

Love,
With sincerity and truth.

Edward Kofi Louis
Rachel Ii

Rachel,
Accept your failure and move on;
For the space aliens are no paradox to me.
Face the cameras and move on,
For life is very precious for you and me!
And, i will respect you for what you are.

A ripple effect,
Learning and living to take up the muse;
But be honest and reliable,
And don't be caught up unprepared.

Of the moon, the stars and the sun;
Developing moral characters to reach heaven!
But the school around do cry out for teachers.

Edward Kofi Louis
Racist prejudice had blinded the minds of mankind,
Thus forgetting the enormous contributions of one another on this earth;
Is it the colour of my skin or the colour of your skin?
Who made them all?
Racist, racist! Racism! !
I grew up in a family which respects all colours,
So i don't see why we should condemn what the Creator created!
And He is the ONLY ONE who knows the secret of these colours.

Edward Kofi Louis
Radioactive Rain!

Radioactive rain!
Activated from the bomb;

With the disturbances in the town.

The full vigour of your imagination and,
Of the beauty of your love in the land of peace;
But, you are the seasoned affection on my love.
Your name is Raffael and, i will drink and eat on this muse!
For you are like the romantic bush-meat in my village.

The bunches of fire-woods! !
Surprisingly noted within the muse of your love;
And like the sun’s ray of love from the Western Sky,
But, let me tell 'Maami Abaa Yaa' thart, you are my lover.

Edward Kofi Louis
Rafik

She is still the mother of my son and,
I am still with her;
But, i need to fulfil this dream with her,
For i am Rafik and i do love her!
She is still the mother of my child and,
I am still with her on this side of the town;
Thus, fulfilling the dreams of my life to enhance my status,
For, she is still the mother of my son.

Edward Kofi Louis
Rafts

I will float them in rafts by the river to your place,
And like the muse of your love along this river;
But your smile is like the muse of my love.

Edward Kofi Louis
Rage

Cut to the heart!
You gritted your teeth with rage;
To curse your neighbour,
Without any reason! 

Ready to kill him or her;
With the edge of your sharp sword.

Edward Kofi Louis
Rage  2

Strange!
Rage,
Range;
How can i live without you?
Just give me a reason for this heartbreak.

For you are all that i need on this muse.

Edward Kofi Louis
Rain And Sunshine!

Rain and Sunshine!  
Go for the ball to win the game;  
But, when will you surely score the goal needed?  
For, the rain comes and,  
We are all wet inside.

Rain and sunshine!  
Play the ball to win the game;  
But, when will you surely score the winning goal? !  
For, the rain come and,  
We are wet all over.

The sun shines to dry up things,  
The rain falls to wet up things,  
But at times, it is very hot! !  
And, we need the rain to cool down things.

Edward Kofi Louis
Rain Drops

If the rain drops,
It doesn't fall on one man's head;
So, this poem is about to make you learn.

If the rain drops were sticks of cigarettes,
Many of us will smoke to death;
If the rain drops were bullets from heaven,
Many of us will dropp dead at once;
If the rain drops were roses of love,
Many of us will make love one night;
If the rain drops were trees,
Many of us will sleep on them;
If the rain drops were stones,
Many of us will be admitted in the hospitals;
If the rain drops were men,
Many women will fight for them;
If the rain drops were women,
Many men will kill for them;
If the rain drops were birds,
Many of us will learn to fly;
If the rain drops were acid,
Many of us will be admitted in hell;
If the rain drops were flowers,
Many of us will beautify our homes;
If the rain drops were spies,
Many of us will be exposed of our nakedness;
If the rain drops were guns,
Many of us will join the Third World War;
If the rain drops were teachers,
Many of us will be well educated;
If the rain drops were students,
Many of us will still roam the streets;
If the rain drops were parents,
Many of us will be at home;
If the rain drops were bicycles,
Many of the cars will be grounded;
If the rain drops were diamonds,
Many of the mines will be closed down;
If the rain drops were candies,
Many of us will visit the toilet;
If the rain drops were houses,
Many of us will not be homeless;
If the rain drops were Whites,
Many of the Blacks will not be seen;
If the rain drops were Blacks,
Many of the Whites will not be heard of;
If the rain drops were envelopes,
Many of the post offices will work overtime;
If the rain drops were Television Sets,
Many of us will be glued to them;
If the rain drops were Human Beings,
Many of the Planets will be repositioned;
If the rain drops were Computers,
Many of the hackers will be exposed;
If the rain drops were Cell-Phones,
Many of us will be very sincere;
If the rain drops were Elephants,
Many of us will die while the earth tilts off its axis;
If the rain drops were bananas,
Many of us will turn out to be monkeys;
If the rain drops were monies,
Many Banks will be folded up;
If the rain drops were Babies,
Many of us will go for Family Planning;
If the rain drops were melodies,
Many of us will come out and dance;
If the rain drops were singers,
Many of us will record our songs;
If the rain drops were clothes,
Many of us will cover our nakedness;
If the rain drops were Bibles,
Many of the Churches will speak the truth;
If the rain drops were herbs,
Many of us will not be sick;
If the rain drops were meat,
Many of us will become fools;
If the rain drops were apples,
Many of us will have very soft lips;
If the rain drops were Poems,
Many of us will love the art;
If the rain drops were boxers,
Many of us will walk around with one eye;
If the rain drops were naked women,
Many men will easily get accidents;
If the rain drops were naked men,
Many women will laugh at them;
If the rain drops were Tribesheads,
Many of us will be the subjects to them;
If the rain drops were History Books,
Many of the False Writers will be exposed;
If the rain drops were footballers,
Many of us will score a goal;
If the rain drops were Taxes,
Many of us will not hide from them;
If the rain drops were canes,
Many of us will obey the law;
If the rain drops were needles,
Many of us will not escape from injections;
Oh yes, if the rain falls, it dosen't fall on one man's house.

Edward Kofi Louis
Rain God

'Reain God shower your blessings'!
This was what i saw in Ahmaddabad in India;
When the people made rituals to pray for their Rain God!

With the muse of my imaginations!
Touching your hearts with the muse of poetry;
And, taking the 'horse-walk',
From 'dreamontology' to 'dondoorlogy'!
And like a spreading vine of low structure;
Planted like a willow tree,
With the abundant of water.

A writer's inkhorn,
A vision from the west;
With the muse of the rainbow in the sky!
Like the great eagle with the great wings.

With the muse of my dreams,
And, my imaginations.

My rainbow lover where are you?
For the proverbs of your love had stolen my nakedness;
And i need you back beside me.

Everyone falls in love sometimes,
And i've got a special message for you;
For your Mama will not cry on this love.

Ebony eyes,
You are the jewel of the Nile!
For i am around the world with you alone in my mind,
But try to love me for what i am.

Live and learn and love for the peace of your mind,
For your Mama will not cry on this love;
Oh my rainbow lover! ! !

You are my sunshine on this love,
And i do have more dreams to share with you;
Because you are the only one that i love.

Because, i can't get you out of my mind!
But if you've got another man, don't worry;
Because, i only came around to help you solve your problems.

Edward Kofi Louis
Ratnakar

Blissful homes and blissful love,
The food that you ate matters to me;
And i am the one you are searching for,
But the muse of life is like your love.

He who increases the knowledge of the world increases sorrow,
But i am guiding my mind with the wisdom of your love;
And you are like my neighbour next door.

Ratnakar my neighbour is very nice and full of wisdom,
And wisdom excels folly as the light excels darkness!
But love builds up the home.

Blissful homes and blissful love,
Who plants a field and doesn't eat from it?
For i am from Papua New Guinea;
And like the days in 'Helen of Troy',
But i am here to show you my sincere love.

Edward Kofi Louis
Rattle That Lock

Rattle that lock and,
Battle your life with the clock in your hand;
Dock, flock!
Without a mock;
But, the shock of the war in Syria is now seen all over the world.
Safe harbour!
But, where is the truth?
To destroy the rock and to block the way;
And, to destroy the Stock Market.

Edward Kofi Louis
There are times that,
You have to fight for your rights;
And, there are times that,
You have to let things go their way;
So, don't cry my love.
You love my story and I love you,
You love my poems and I love you,
So, you flew in with your private jet to meet me.
Rauxel, axe, ale, real! !
Everyday a new job;
Ghost, host!
Ghost list,
Ghost workers;
Sometimes, you have to fight for your rights;
And, sometimes, you have to let things go their way.

Edward Kofi Louis
Ravenna

Ravenna, an, Ann, Anna, van, near, ear, rave, era;
To go solo!
So long too long in the trade;
But, let me give you another work,
And, to be rewarded with the muse of love.
Pound, compounded!
But, try to look at other things that can help your trade;
As you do business in the land of peace.

Edward Kofi Louis
Raw

Raw,
Saw,
Draw,
Chainsaw!
To face the work.

Edward Kofi Louis
Raw 2

Raw!
Saw,
Law;
Wall,
Call,
All.
Fast, Belfast!
In this Life,
Some will hate you and others will love you;
Source,
Force,
Divorce! !
Facing the ways of life.
To get it done,
To let it go,
What can you say about people who go about talking lies against you? !
The very ways of mankind;
On Earth,
With our works,
Wrong and right!
Directions,
Walking in the ways of peace and love,
With the muse of my mind,
Following the direction of the truth!
Thoughts and words,
With a sincere heart;
Righteousness! ! !
So bright and true;
Changing the whole body,
Changing one's life,
With positive morals,
Encouraging others,
Gathering around the truth always.

Edward Kofi Louis
Raw 3

Raw!
He saw the saw;
The tool for his work,
Like the axe! !
That he uses,
In the thick forest.

Edward Kofi Louis
Raw Honey

Wheat, heat, eat!
Shown,
Prepared,
With the muse of love,
And to take up the laws with your right hand.

Raw honey,
With the muse of your drinks presented to the people;
In the land and, for the health of mankind!
Ready to heal them with the sweet muse of your love.

Edward Kofi Louis
Raw Milk

The truth,
Being with the preacher of peace;
And, drinking the raw milk of life,
For your health and for your joy.

Dirty galaxy! !
Space,
With the muse of life;
And, the ways of the universe.

The muse of life,
To show mankind the ways of the truth;
Drinking raw milk along the line,
For health and for growth.

Edward Kofi Louis
Raw, Saw!

Raw, saw!
To draw it,
Along the line;
To break the law!
Facing the consequences of life.

Edward Kofi Louis
Raw, Straw!

War!
Destroying and killing the people;
Taking away peace from the land,
With the bullets of war everywhere.
Raw, straw!
With hatred taking over the muse of love;
Exposing the wickedness of mankind on earth today.

Edward Kofi Louis
Rawlings

No matter the bullet pains in me, i will survive;
No matter the hatred around me, i will survive;
So give my letter to Mrs. Robinson because,
I love her daughter!
And my name is Rawlings.

Edward Kofi Louis
The general process of love,
Telling secrets is really about sharing your hopes and your fears;
Mate, ultimate!
But, these people were shot dead in the name of chieftaincy dispute.

Love!
With magic moments;
But putting things right will take much of your time! !
For, the laws of the land had made it so.

Love!
With the secrets of magic;
However, you couldn't stand the process because,
You were caught in the act.

Love!
With a vision;
But, one day you will look back.

Rawlings!
You are the antidote to aromatize my love;
And, this aphrodisiac needs you to be around always.

Lust!
With the muse of hate;
Appalled!
But, apologetic to what occurred.

Edward Kofi Louis
Ray

Stray,
Astray!
Bray,
Pray,
Ray;
To say something along the way and,
To stay at home for your safety.

Edward Kofi Louis
Ray, Array!

Ray, array!
Far away;
Life,
Love,
To live in peace,
And to embrace the rules.

Edward Kofi Louis
Ray, fray!
Along the line;
With tears in the rain.
On, Bouillon!
Playing with the muse of love,
With the tears in the train.
Zone, one!
In the dark;
Tore, ore!
In the light;
Ignominy,
Pore, ore!
Of the paraphrase;
Ill, illusive!
Because of your wrong calculation.

Edward Kofi Louis
Raymond

Don't play games with me when,
I am in love with you;
For my autograph is all about your sweet memories,
And i will always think about you.
Automation!
And of the phobia of things to think about;
And from one autonomous state of a culture,
For i am from Awash in Ethiopia and my love will touch you!
Oh Raymond,
You are like my autograph and the banter of my friends;
For my autograph is all about your sweet memories.

Edward Kofi Louis
Rays Of Hope

Love,
True love,
Help me to touch the sky!

Rays of hope,
Take me up high! !
Waxed with the muse of sweet love.

Nature!
With the greetings of life;
Let the fragrance of true love arise! !

Edward Kofi Louis
Rays Of Love

A white bright light!
With the rays of love;
Coming to you,
To see it for the first time,
With the joy of your heart! !
Real deal,
Real meal;
Pet, bet!
A master#s job;
Positioned! !
At the westernmost point.

Edward Kofi Louis
Reach Out

Teach,
Preach,
To reach out;
And, not to breach the trust.

Edward Kofi Louis
Reach Out For The Gold

The muse of love!
Try to reach the ultimate peak of your passion with your lover;
And, reach out for the gold.
The muse of love!
The heights of ecstasy are filled with the quivering moments;
Ester, ecstasy!
And the clouds look leaden for you to shout for joy.
Love!
Just try to reach out to the peak;
And, just imagine yourself being kissed and being loved;
With the blissful acts and the moments of your passion.
The muse of love!
Exciting and stimulating with the muse of your passion;
And like the Little red rose in the garden of joy.

Edward Kofi Louis
Reach, Rich!

Reach, rich!
To reach your goal in life and to become rich;
Under the ways of the earth,
But, try to give help to the needy around you.

Space!
The orbit;
Pace!
Orbiting;
But, try to help the poor around you.

Realization!
With the muse of your character;
But, let it be guided with a positive moral,
In the land of the living.

Edward Kofi Louis
Reaching Out

The larvea if an African fly survive,
With the bush of the African trees to share a dream;
But the animations of our lives are well exposed than thought.
Oh, the kite of Africa lies so high;
But the metabolism of this larvae needs to be studied.

Up high in the air,
And the African is of the hope of reaching out to the world;
But we have to harness this strength through a thin wind.

Of such a hectic life,
With inappropriate fleshly desires of man to man;
But my people need much experiences of life to survive.

The larvae of an African fly survive,
To be drawn out of water to make a move;
And like a man who has an unbelieving wife,
Our hopes and dreams are still with us to strick the even.

Edward Kofi Louis
Reaching Out  2

Dress, address!
With the seeds of life and,
The deeds of love;
The needs!
Reaching out to all with the works of the truth.

Edward Kofi Louis
Reaching Out To The World

Treat others with compassion and respect,
Caring for all mankind!
Without racism.
One person,
One power! !
One world,
One act,
Under the art of the pen;
Reaching out to the world with your works.

Edward Kofi Louis
Reactive Zone

Active!
reactive zone;

Living in West Indies;
With your works.

Care and share!
Supporting the poor;

Like the sudden flower of sweet love,
Able to teach the truth along the line.

Edward Kofi Louis
Read It

Ur, urban!
A crab does not give birth to a bird;
And, rabbits do not lay eggs! !
The love letter,
Read it to satisfy your muse;
With your lovely heart and,
Your lovely eyes.
Exxcitements, exit, site, test, text, sit, see, seem, set, ten, men, cement, it!
So intensively to look at and, so lovely to be touched;
To have the picture of your lover inside your mind.
Muse, love, peace and joy!
Like the African history,
Like my story;
Waiting all these years for the letter,
The love letter.

Edward Kofi Louis
Read It Again!

This poem is for the mind,
And, it is like the 'self' we present to the world;
This poem is to the minds,
But, 'the real self' lies beneath the masks.
Read it again!
And, you will find the muse of my love waiting for you;
Because, i am here to dry up the pool of your tears with my sweet love.
Maybe, all the time!
Maybe, for the first time;
But, personal.
Rediscovering the muse of love as hidden in the garden of peace!
Pure and beauty;
Yes, of the 'true self',
And, for the mind.
Championship!
Companionship!
Coded;
Like an acceptance,
And, of one's roots and culture.
Read it again!
And, it will reach your heart to open the door of love;
With wondrous eyes leading your emotion on this muse,
Because, i am here to dry up the pool of your tears with my sweet love.

Edward Kofi Louis
Read It And Learn From It

Create your own individual style as i am doing now,
For i know you by the poetry of your message;
But i am here to bring out a change.

This is my style and this is the muse that you want to read,
So read it and learn from it;
For the peace of my state of mind is talking to you.

Read it and learn from it,
For the industries are now ready for my conscience;
But this story is not over yet.

This is the poetry of a classical individual with the mystic order of life,
But live and let us live on this earth with peace and love;
For the colour of my heart is like the colours of the rainbow! !
And this creative writing of mine is for all to share.

Edward Kofi Louis
Read My Lips

Ready,  
Already!  
To read my lips;  
Flips! !  
Slips,  
Tips,  
Trips,  
Rips,  
Hips,  
Ships,  
Whips,  
Grips,  
Read my lips;  
Because I am ready,  
For your love.

Edward Kofi Louis
Read The Road Signs

Marriage and divorce!
Male and female;
Mighty, Almighty! !
Live, drive, arrive, dive, alive;
But, read the road signs as you drive along.

Edward Kofi Louis
Read Your Bible Again

Mongamy or polygamy,
One, two, twenty or more wives!
There are no scriptural verses that say having another wife is sin;
So read your Bible again.

Almost all the Great Men spoken about in the Bible had many wives,
And no direct speech from any verse spoke against them;
But only the Creator knows why it is so.

Whether you have a wife or many wives,
I am not against you either;
For the truth is always in the Scriptures!

Edward Kofi Louis
Read, Lead, Bread, Plead!

Read, lead, bread, plead!
Bread of life,
To lead the way;
With the works of peace,
A plead! !
For the truth,
To bring joy to your heart.

Edward Kofi Louis
Readers

Wormed,
I have died many times in this life;
Dragged,
I have suffered many times in this life;
But my readers will learn from me like the sea of love,
For, i am with the works of peace in this world.

Readers, reed, read, dear, deer, ear, ears, are, red;
Now i feel safe with you,
But the level of your love stems out from your hearts! !

Readers, sad, rare, dare, sear, seer, see, sea, as;
And like the muse of your love!
For, it comes out straight from the heart.

Readers,
My source of pleasure;
Readers,
The source of my hope;
But, forgivde me if i have wronged you,
For the acts of your total power is like the loyal soldier!

Edward Kofi Louis
Reading Them

That book,
This book;
Reading them to find solutions in your life,
However, the truth is forever!
And, i am here with my works.

Edward Kofi Louis
Readjusting

Readjusting,
Getting your life back;
Ignorance!
Trying to pick up the pieces,
The pain! !
The pains of life.

Edward Kofi Louis
Ready For A Match

The wise man's eyes are open in his head but,
The fool walks blindly on this earth;
And like the male and the female singers ready for a match.

Light exceeds darkness and love is the key,
So be very wise with your actions on this earth;
And the darkness will lead us quickly to the graves.

Edward Kofi Louis
Ready For A Ride

Go amd wash yourself seven times in the river of love!
For, i wll be there waiting for you;
Because, i last met you when you were 18 years old.

The muse of life!
If i honour myself, my honour is nothing;
But, the donkeys and the horses tired over there are ready for a ride.

Kind, find, wind, mind, bind, blind, hind, grind!
With the high definitions of your love;
However, i do write that others may learn from my muse as well.

Edward Kofi Louis
Ready For The Laws

Joy to all!
Of those who are ready for the laws;
And, with the truth.
Life with love brings peace,
But, life with hatred brings war!
Which destroys all of us.
Pointed nose!
Round nose,
Flat nose,
Long nose,
Short nose,
Curved nose;
To know the truth!
And, to be ready for the laws.
The great day!
The great act,
The great show;
At the exhibition,
Works! !
With the works of peace;
Like the red gold,
Like the white gold,
Like the black gold,
Like the yellow gold.

Edward Kofi Louis
Ready For The Truth

Oh life!
You have taught me many things;
And, now, i am sharing them with others,
Only for the ears which are ready for the truth.

Oh life!
There are many things to be seen by the eyes;
But, others are hidden for a reason,
However, the truth is given out for free! ! !
Only for the ears of understanding.

Oh life!
With my present age and experiences,
Along your ways;
For, you have taught me many things! !
Waking up after many accidents,
With the incidents of nature;
And, always holding on to the truth.

Edward Kofi Louis
Ready For The Truth  2

The cause of today's curses,
Sin is the lifestyle of today's world;
Empty and waste! !
Only few people are ready for the truth.

Edward Kofi Louis
Ready For War

With sincere love among humans we will through away the bombs,
But because of the hatred among us we are always ready for war! !
Yes, even with the nuclear weapons.

Edward Kofi Louis
Ready For You

On stage!
Like an ocean voyage;
With my age,
One step forward! !
With the prelude of my life.

Love,
With the sound of a rustling in the trees;
Scarpping tones,
Magic! !
With a sparkling melody.

Here and there,
Somewhere in the bush,
Ready for you,
Anywhere with my sweet love.

Edward Kofi Louis
Ready For Your Love

I am ready for your love and,
I am from inside the fish's belly;
But you are mighty in drinking wine!
And your oxen are now let loose to the pasture.
Sometimes you win and sometimes you lose,
Sometimes you are glad and sometimes you are sad,
But that is how life is!
And it is like a butterfly and a dove flying above in my garden.

Edward Kofi Louis
Ready To Be Buried

Burial!
The face of death,
The face of a dead body;
Ready to be buried.

Edward Kofi Louis
Ready To Cut Down The Big Tree! !

I am as sweet as sugar! !
Lovely as the apple,
Flowing like honey,
Beautiful as the rose,
Creamy as milk,
Soft as wool,
White as snow,
Intelligent as the ant,
Wise as the tortoise,
Slow but sure!
Floating like the ink,
But arranged in order;
With the length of time!
Handsome as the mango,
With the aroma of love! !
Calm as the sea,
Colourful as the rainbow,
Quiet as the forest,
With glad tidings from my works!
Silent as the cemetery,
Caring as a mother,
Valuable as diamond!
Living in peace with my mind;
Helping others,
Praying for all my enemies! !
For, unity is the key;
As humble as a child,
Flying up high like the eagle!
But, in unity with my heart;
Teaching others to love peace,
As joyful as the sky! !
As humble as a teacher,
And like the small axe in your hand;
But, ready to cut down the big tree! !

Edward Kofi Louis
Ready To Eat

Boon at noon,
Moin at night,
Soon with your spoon!
Ready to eat;
With the light of your sweet love.

Edward Kofi Louis
Ready To Kill

You have rejected the knowledge of the works of the truth!

Your hearts are now on the works of iniquity;

Ready to kill those whom you call your enemies.

Edward Kofi Louis
Ready To Kill  

War! !
Men with weapons in their hands;
Ready to kill.

Edward Kofi Louis
Ready To Make War

Righteousness is the key! !
But, the works of evil hate the works of the truth:
Ready to make war,
To destroy the earth with lies.

Edward Kofi Louis
Ready To Touch Someone You Love

Love,
Sweet love,
True love,
Deep in the heart!
Ready to touch someone you love.

Edward Kofi Louis
Reagan

I am the mirror of the world and,
I am the mirror of your love;
But there are many windows in the forest of love so,
I do have my mind on you always to guide you on.
I will come looking for you among the lot and,
I will meet you there when you see me!
And of a heartfelt gratitude of love from me to you,
I love you Reagan.

Edward Kofi Louis
Real

Real, deal, meal, wheal, peal, seal, veal, weal, steal, zeal;
And like the gods and dogs playing together! !
Inclusive, exclusive, pensive, abrasive, expensive, massive, abusive;

But, don’t hold it;
And make it easier for others to understand your muse;
Because, the ways of your life is like defying gravity! !

With wonderful creations! !
But, real and true.

To meet the great one!
Through every artwork and paintings;
Calm and beautiful,
Overwhelmed with the muse of love,
Straight through the crowded part of the street! !
But, tap on my shoulder made me look back;
And, there you were!
Tap, lap, sap, map, nap, cap, clap, bap, tap, gap;
But more hidden like a peaceful sanctuary.

The doors of war lead to the destruction of the world!
But, the words of peace are better than the words of war.

Real, surreal!
But, the legend of this love is like,
A pear tree at the centre of your backyard.

Free life,
With the works of mankind;
With hatred leading in many things.

In the dark!!
In the light,
Superstitions;
Colours!
In a straight line,
Seeing the crooked ways of mankind.

Moonlight!!
Where there is love, there is peace;
Realms of literature!
Seeing the ways of mankind on earth;
But, where the truth rules, there is joy!!

Chant,
Ant,
Pant,
Plant!
Full moon;
Love and unity,
Peace and joy.

Grow, row!
Hill at dusk;
Seeing the ways of life with,
The fragrance of nature.

Explosion!!
With the dreadful things of war;
Exit, exile!
Love doesn't exist anymore in this land.

Edward Kofi Louis

Meditation;

Realms of realms!
Seeing things far beyond.

Edward Kofi Louis
Reanno

From one man to another and,
From one woman to another;
I am Reanno in the land of warriors!
For your message came to me last night,
And I am here at last to meet your muse.

Edward Kofi Louis

Sow the seeds of the truth and,
Reap Righteous Morals;

Caring and comforting the people around you,
Without hatred and war.

The trees of the earth;
Reaped! 
With the muse of the fruits of the earth.

With the aroma of nature and the romance of life;
According to the rules.

Edward Kofi Louis
Rear, Real, Reap!

Wars!
Recorded in the history of mankind;
But, we are still fighting today.

Rear, real, reap, ream, rearm, read, react, reach!
Stand up and fight for the truth than for war;
For the destruction from the wars around us today are lik,
A sad dam without water.

Rear, real, reap!
Go for the truth and reap righteousness;
From the works of peace and love,
For, the truth is the diploma of life.

Edward Kofi Louis
Reason Up

Love unites us and war divides us!
So, let us reason up and live in peace;
Live in peace with your neighbours,
Seek for peace always than war! !
The earth needs peace than war;
Love one another,
Bring peace to the world!
Let us share with each other;
All men are brothers and,
All women are sisters!
Taking care of the children with the muse of the truth.

Edward Kofi Louis
Reba

Reba, bare, bear!

A special blessing;

But, what can i do for you?

To help you in the land;

Knowing your status as at now.

Edward Kofi Louis
Rebecca

Rebecca, your love is so sweet like the well of Rehoboth;
But let us make a treaty on this love,
Like a hairy man with a smooth skin lady.
It is like the voice of Jacob and the hands of Esau,
And you are like the promised seed of love;
So let me take control of your sweet love.

Edward Kofi Louis
Rebecca 2

Rebecca, be, bare, bee, bear, ear, era, cab, care;
To declare it,
To rehearse from the works of the truth,
Being in a strange land;
Ignorance,
Semantic!
Pragmatic,
Trying to understand the systems around you.

Edward Kofi Louis
Rebekah

Yahweh has made my journey successful,
Like Rebekah and her maids;
For this message comes from Yahweh and,
We cannot speak evil against it.
You are always hungry and always eating,
How then can you grow thin?
But, i will not eat until i have told you my mind;
For life is not always about food.
Rebekah is your name and need to learn more,
For this world is not as you do see it always.

Edward Kofi Louis
Rebekah 2

Rebekah, be, bee, beer, hear, ear, bear, era, bare, hare, break, bake, rake, brake!
With the quality of your life,
Being very generous to the people around you;
With the muse of the works of the truth,
Springing up raidly in your land! !
For a common purpose.

Edward Kofi Louis
Rebellion

Rebellion is as witchcraft!
So, listen to the works of the truth and change your life;
On this earth,
For the peace of all mankind.

Edward Kofi Louis

On the verge to kill others;
And to destroy the land with their negative acts.

Edward Kofi Louis
Rebellious Actions!

Unrighteousness!
Sexual impurity,
Wickedness,
Deceit! !
Envy and murder;
Works of terrorism,
Rebellious actions!
Destroying the earth.

Edward Kofi Louis
Rebirth

You don't care about me in this life again,
But you still want me back on this love;
However, i am still at the dark end of the street,
And, i need someone to care for me for who i am.

Try to remember me for all that i did for you,
And, of all the help that i gave you to become who you are today;
Because, i did my best for you!
And, there comes a time that you will remember me.

Today you have a nice house and a garden;
But, i am still someone's child at the dark end of the street!
Since my parents gave birth to me.
The way you treated me was like the rhythm and blues of life at times;
However, i will not give on my dreams!
Because, Rome was not built in a day.

Life is like a grasshopper on the grass at times!
But, the burning spear is now found in the land of 'Patrice Lumumba';
Because, you've turned your back on me.
My rebirth!
I am here today to tell you my mind;
Because, i will never give up on my dream to become somebody in the near future.

Edward Kofi Louis
Rebuff

Rebuff!
Reach, peach, leach, teach, beach;
And like the oracle of the one whose eyes are very sharp!
But how beautiful is your love?

Mule, fuel, cruel, duel, trend;
Alas! ! There i met your love;
But you uttered the oracle and i fell into the hole,
And the darkness of it was full of red.

Seven times of love and three times with your muse,
Alas! ! There i met your love;
But you were consumed like a burning fire.

Edward Kofi Louis
Rebukes

A warnig lesson,
In fury and in anger! !
And in violent rebukes;
But, your supply of bread is now cut off!

Evil beastly governmental systems,
Through you are the works of hatred than love!
Waste,
Desolate,
But, try to escape this sword! !
For, violence has now risen up into a rod of wickedness;
But, the day draws near like a warning lesson.

Edward Kofi Louis
Receded

Reed,
A raven!

Creed,
A dove;

Bold, behold!
And the flood receded.

Edward Kofi Louis
Receive It With Joy!

Prudent,
In your sight!
Lawful,
Receive it with joy!
parables,
With prayers and fasting!
 Converted;
Like a little child.
 Assured,
To listen;
Privately,
Art, Stewart!
But, try to cast out the negative things in you.

Edward Kofi Louis
Receive The Promise

To cross the threshold,
Follow the straight paths made for your feet;
So that the lame may not be turned out of the way!
But rather be healed with my true love and care.

Do not cast away your confidence on my love,
For it has a great recompence of reward;
But you have the need of endurance so that,
You may receive the promise as prepared for you.

Edward Kofi Louis
Receive The Truth And Live In Peace

To those who have been bitten by snakes in the rice fields!
Making it possible for us to get food on the table;
Like the eyes of the beholder!
To eat fish and rice;
Yet still, beaten by the very games set before us.

Peace and love to all mankind,
Receive the truth and live in peace;
With the joy of your hearts! 
Honour to those who farm for us to eat,
Inspired with the muse of nature to till the land.

Ian Smith's Rhodesia,
Robert Mugabe's Zimbabwe,
Idi Amin's Uganda,
Do not neglect the prophesies;
For we will surely pay for our sins,
While we live on this earth alive of dead.
Hanging on the traditions,
Pray without ceasing and rejoice always;
But remember that,
Our sins are recorded in heaven.

Distress,
Confusion;
Hanged on a tree is the muse of your love,
And i need to climb up high to get to you.

Men, women, the youth and the old;
Visit this vine and visit this home,
For a joyful sound is now heard in the land of my muse!

Refreshed,
Hastened,
Quickly;
And like my first day at school,
But the smoke of the land went up like the smoke of furnace.
I now see the woman in your dream!
And like the acts of your friendships around;
But, what does that say about your character?

Refuse

She is bitter!
And there is no one to comfort her;
Refuse, use, sue, free, fee, see, fuse! !
And being consumed by the software,
But the birds of the air are flying up high all over her.

In this place,
Concerning,
Prevail,
Sigh,

So strong and so full,
But her virgins are now afflicted!
And her foes prevail over her.

Regina

Regina, rain, grain, in, rag, an, gin, gear, ear, era;
Everyone thinks his of her burden is the heaviest!
But, who feel it knows it all.

Life!
To the Great River Euphrates;
To take a bath.

Muse!
With a piece of boiled fish;
In the land of your muse.

Love!
To the high hill country with a bottle of wine;
Waiting for Regina to share it with her.

Edward Kofi Louis
Regina, Reginald!

Regina, Reginald!
Lanch out into deeper waters and,
Let the muse of sweet love prevail;
For, joy is the heart at peace with his or her neighbours.
Life!
As bold as a lion;
Muse!
Like the Islands at sea;
But, joy is the heart at peace with his or her neighbours.
Life!
Everyone thinks his of her burden is the heaviest;
But, do go around and see things for yourselves,
For, who feels it knows it all.

Edward Kofi Louis

And, I have sweet works for you all.
Muse!
Arise from your bed and walk with me;
In the land of peace and joy.

Like the love of a shepherdess;
Red, read!
Like the love of a shepherd;
Glad, lad!
But, those who are do not need a physician.

The first born!
The last born;
With the muse of life in the land of peace,
Searching and finding out for the truth.
Life!
Take up this poem and learn from it;
Like the lust of a maidservant who displaces her mistress.

Edward Kofi Louis
Regner

What have i done to you lately?
And, why draw back your love from me? !
For the springs and the flood are ready to sink my boat;
And my hope is still on you Regner to save my life.

Edward Kofi Louis
Regular!

Conspiracy,
Origin,
Regular!
With hundreds of denominations in the world;
But they are only teaching the word 'believe'.

Faith without works is no faith! !
So, try to learn from the correct worship;
And, live a better life than killing others.

Then comes tittles like: - God, Lord, Adonai and Elohim!
But, these came about through deletion and mistranslations;
And, the authorities admit them but,
They still go on to teach the masses only to 'believe'.

Edward Kofi Louis
Regularly

Hear no evil,
See no evil,
Do no evil;
And, to make the truth available,
Reggularly.

Life!
Like a bird in a cage;
With feelings and movements,
But, the social injustice of this land is destroying everything.

Fleeting!
With the muse of our lives;
On this earth,
Where many have taken to the odds.

Love,
Rejoice and be glad;
In the laws.
The truth!
Like the muse of a Golden City,
Above the heights of the clouds.

Edward Kofi Louis
Rehearse The Matter

Let me rehearse the matter from the beginning,
For the 'word' was the 'Law and the Prophets';
And to embrace your love with the hope of your affection,
But press upon me and let me kiss your lips.

Edward Kofi Louis
Rehoboth

Rehoboth, bore, ore, boot, both;
In the land,
The land of your forefathers! !
To survive,
Hustle and bustle;
To struggle along,
And to meet up your needs,
In the land.

Edward Kofi Louis

You've kept your own traditions by rejecting the laws of Yahweh!
But listen to me and understand my muse;
For you are Reid and,
You are holding on to the traditions of the elders in your village.

Edward Kofi Louis

For your love oh Reina had really touched my heart!
And now i am like a new born baby in the mother's arms.

Edward Kofi Louis
Rejected!

Life,  
Exposed to insult and persecution;  
Rejected!  
Trampled upon,  
Punished.  
War!  
A fearful thing;  
Destroying everything,  
With dirt in the eyes of the wicked one.

Edward Kofi Louis

In you greatly i do rejoice my love,
For you are carrying a jar of water on your head!
And i am the poor man's lamb you met last night.

Edward Kofi Louis

Shout for joy! !
Rejoice greatly with the works of the truth;
Only with righteous words,
Facing the earth with righteous laws.

Edward Kofi Louis
Rekindle

To rekindle her love with the love of my muse and,
To rekindle her spirit with the love of my mind;
Sharp to the words and lovely to her heart,
And to spot the difference when taking care of her.
I still have feelings for her and,
Her body matters much to me when the night falls;
But I need to have money on this purpose,
Because it was blur yesterday when I have to live for today!
Try to rebalance yourself after the fall with your mind,
And like extolling the virtues of the individual;
But I will rekindle my love towards you always.

Edward Kofi Louis
Rekindled

Rekindled,
Under pressure,
Insisting,
Disagreed;
But i am satisfied with the work done so far!
For the landscaping is now like the sweet muse of your joy;
But try to heed to my remarks on this love.

Now she is gone forever but,
Her first name was like my first night in bed with her;
And of her mind so free and of her love so sweet,
But now she is gone forever.

Relationships!
And of her figure like the Penthouse;
But the Devil in her City was like,
The harvest time with her sweet love!
And it was like the old school and the new school in arms.

Relationships!
Longing to come home with her once again like last night;
But it was all over and she is gone forever!
She was my lover and of her mind so free and so sweet,
But some relationships do not last forever.

Religion

Oh Religion, oh Religion! !
How you've cheated me of my true lover;
How can i hope for far too long without a lover?
How can i meet my lover with this dichotomy?
How can i cry when, i have found my partner?
Oh Religion, oh Religion! !
My pillow is not enough to dry out my tears.

Region, Religion!
Like the River Jordan, so are my tears;
For, you've cheated me of my true lover.
She was my soul partner on this earth.
Oh Safi! How can i easily forget you?

You've really touched my heart!
And, now that i know the truth, what can i do?
Region, Religion!
Do i have to cry forever? !
For, i am now stocked in your dreams.

What can love do when, Religion blocks the way?
I am now stocked in the faith of my hope,
I am now stocked in the journey of my dreams,
I am now stocked on you.
Could it be true? !
When, Religion plays its role;
Certainly, i am now stocked on you;
And, i know how you feel over there.

Oh Safi! The love of my heart;
You are certainly the dream of my dreams! !
Deep down in my heart;
And, i have now got a companion who cares about me.

What have i done to you, 'Mr. and Mrs. Religion'? !
Love knows no bounds;
But, Religion does block many of our dream-lovers!
Oh Religion, how you've cheated me of my sweet lover;
But, creation brought us out from the same source!
However, with the laws of curiosity, we are divided today;
Tell me, how cruel is life?

Edward Kofi Louis
Religion, Region!

Inspired,
Respected,
Religion, Region!
With a false prophet in a town,
And a righteous prophet in another town;
Preaching mankind.
Religion, Region!
But, teach righteousness and live;
Than, teaching the people with lies.

Edward Kofi Louis
Remalyah

Remalyah, male, ram, arm, meal, real, year, hear, heal;
Observed in the land of beautiful flowers!
With your works,
With your love,
With your joy! !
In the stronghold,
Bold, behold!
Like gold;
However, let the truth be before your eyes so that,
You can see better.

Edward Kofi Louis
Remarkable

Remarkable with the romance of nature;
Observatory,
Story,
Coastal shores,
Driven with life! !
Flora and fauna;
Beauty has found true love once again! !
With the blues of life.

Unripe fruit,
Being in the limelight!
The aroma before it,
Waiting for it to ripe one day;
Having positive laws beside you,
The truth! !
With the sight of peace.

Respect is the key!
Following after righteous laws;
Respecting all mankind without hurting anyone,
And to teach the truth always.

Remarkable,
Of a rich pasture;
Structure! !
With the picture of the colours of the rainbow.

Edward Kofi Louis
Remarks

Think and, behave well with the works of the truth;
Marks,
Remarks,
Existence;
With samples and examples!
Knowing what to say when, the ample of time is given to you.

Edward Kofi Louis
Remember Lot's Wife

One is taken and the other is left down,
One is spoken to and the other is written to,
But remember Lot's wife and learn!
For if your child ask you of fish,
Will you give him a snake? !
Then think twice before you leap.

Life is full of ups and downs but,
Be very strong always to carry on;
And like the fig tree planted in the vineyard,
be very focus on your dreams.

Red horses and black horses,
White horses and dappled horses,
And with the bay horses to write this muse;
Life is guided by the four spirits of the heavens but,
Yu've sown much and brought in a little.

Edward Kofi Louis
Remember Me In All Things

Why am i feeling this way?
Why are you feeling that way?
Why are we feeling this way?
But, remember me in all things;
For, the head of the woman is the man.

Man was not created from woman,
But, woman was created from the man!
And, the head of the woman is the man;
So, remember me in all things.

Edward Kofi Louis
Remember The Laws Of Moses

Submissive and obedient,
Remember the laws of Moses oh chosen servants!
And like the flood upon dry ground and,
The water for the thirsty hearts on this earth!

Edward Kofi Louis
Remember The Poor

Wealthy!
But, be healthy with the help of your money;
And always remember the poor people around you,
By helping them.

Edward Kofi Louis
Remember Your Creator

Dismal days!
Of the muse that exposed you;
But, try to put your money in many places,
Follow your heart's desire! !
And remember your Creator;
Yes, education has no end.

Edward Kofi Louis
Remember Your Past

Try to remember our past,
Remember who made you what you are today;
try to remember your past in times like this.
You dumped me like a trash!
You lied to me like a thief,
You treated me like a fool,
You sold me like a baby;
But do remember the past always to guide you on.

I have made you what you are today,
Like another client on the Libyan Desert;
However, do give credit where credit due.
Member, remember!
Do remember my love for you;
For, thought you were my friend!
But today, i am your enemy.

Many are dead and gone!
Many are still waiting to learn;
But, do remember your past,
For, i have made you what you are today.
In this life,
Some may like you and others may hate you;
And, some medicines are easier taken than others.
I thought you were my best friend!
But today, i am your enemy;
Because, you are now you are against me.
Member, remember!
You've turned away from me to another man;
And, you've really disappointed me.

My heart is very sad as i write,
But my mind will always remember you;
You've stolen my trust to marry another man.
Try to be righteous for once,
And, try to learn for the better;
However, do remember your past.

In the greatest time of trouble,
In the finals of love;
You've really disappointed me!
But, I will always remember you in my heart.
In the finals of history,
That is when you will look for me;
In the finals of trust,
Money is not everything;
Member, remember!
First impressions do matters a lot.

One day,
The bells will ring down on you;
One day,
You will surely remember me for all my love;
Member, remember!
But now, you are a grown up woman;
However, you've stolen my trust to marry another man.

Edward Kofi Louis
Remembering You

Remembering you is all that i have today,
Because you are no longer here with me;
And of the tale of the true love that we shared,
But i am now like a sailor of the seven seas.
Everyone needs someone,
And i was your lover from the seventh realm!
For you came to me like a writer's pen.

Edward Kofi Louis
Remind

Mind,
Remind,
Do not hurt others!
Do not refuse the works of the truth.

Edward Kofi Louis
Reminded!

Reminded!
For, a workman does not need to be ashamed;
But, your youthful lusts are leading you astray in this life!
Because, there are many imposters around you.

Bat, batter!
Between the rivers,
With language and culture;
Through the rain,
But, your youthful lusts are leading you astray in this life.

Render Your Service To All Mankind

Render to all mankind what is due to them,
However, give honour and glory to the Creator Almighty!
Who had made it possible.

We should pay what we owe on earth,
Without becoming guilty of stealing! !
With opened minds,
Knowing that, none of us lives by himself or herself.

Let our minds be opened to the works of the truth!
Living on earth with our choices;
Knowing that, some among us are weak and unlearned.

The truth,
To regulate life with the knowledge of positive morals;
Doing what is right always,
Without hurting our neighbours.

Edward Kofi Louis
Renesse

Renesse, see, seen, seer;
Of the lover's Psalms and the miner's games,
With a bottle of wine in your hand!
However, i am well taught to become your lover.

The muse of illegal lust!
With the bread of adversity;
And, the water of affliction,
However, do walk along the narrow path of the truth to meet my love.

Rain for the season and,
Bread from your increase;
However, do seek for the truth like the rivers and the streams of love.

The muse of illegal lust!
As fat as grease in th eland of trouble;
But, i will always find a way to touch your heart with my sweet words,
because, i am well taught to become your lover.

Edward Kofi Louis

Let me renew my love with you and let me love you the more,
For you've humbled yourself in front of me with your muse;
And i will live to love you always on this love of yours.

I will come looking for you in the burning bush!
And i will overcome this sorm and savey ou my love.

For what is called sin is now called enjoyment by many.

Edward Kofi Louis
Repent  II

It was more than fourteen years ago in South Korea,
And like a bird through a window in the wall;
But three explosions in China will never stop me from loving you.

Your lover is gone and you are now sitting her alone,
But i have to search for mine among the scattered bodies!
For she was at the market when the bombs exploded,
But it is gone too soon in the thin air.

Bombs and victims,
Of many wounded by these acts! !
And like the remission of our sins on this earth;
But try to repent before it is too late.

Edward Kofi Louis
Repent And Be Converted

Repent and be converted,
For there is very little info of the seven heavens that we can see;
Repent and be converted,
For the third heaven is totally hidden from us at this time;
Repent and be converted,
For only a few will be saved in the long run!
But in this never-ending universe,
We need to be very wis in all that we do.

For the days are coming when there will be no food around;
Because, we are now faced with wars all over the earth!

Reprimanded, air, pair, fair, repair, hair, lair, rape, dare, dread, pad;
I have heard your voice today!
But plant gardens and eat their fruits;
For there are hatred than love on this earth today,
But the wages of sin is death.

Reprimanded, dan, dear, read, deer, ape, red, deed, need, ride;
But i will correct you in measure!
And like what you did to your neighbour;
But try to learn from your mistakes always.

Reprimanded, remian, remand, maid, aid, paid, mad, pear, rider;
For what the mokey left behind is now being eaten by the ants,
And like the love of your muse in the land of trouble!
But i will visit you at the right time.

Reprimanded, mean, raid, ear, aide, pride, made, rap, reap, am;
With the works of war in every man's hands!
But who is ready to turn the hands of this clock of hatred?

Reprimanded, mail, nail, man, men, red, main, pea, deem, dream;
But with your care on this muse to guide me on!
And like the field of peace in the land of joy,
But plant gardens and eat their fruits.

Reprimanded, dead, pair, prime, air, die, ran, rail, era, are, pride;
For the days are now full of the troubles around us!
But be very wise to do what is right always;
And like a joyful feast being honoured in your name.

Reprimanded, rend, rand, eand, and, in, an, me, dad, dean, dearie;
But your deeds have now led you into prison!
And like a dry land without water;
But peace brings about true love and care than hatred.
Edward Kofi Louis
Reprisal

A bad intent destroys relationship;
Uprising! !
But, friendships and relationships should be based in the lips of love;
With tips coming from the works of the truth always.
Reprisal,
But, a positive intent brings joy to the heart; and, in the tent of true love.

Edward Kofi Louis
Reproach, Approach!

Being crushed under foot like,
The muse of war! 
But, it is well with my soul.

Reproach, approach!
Damaging the facts is like,
Willingly giving up on your dreams;
But, it is well with my soul.

Scrapings!
Approved,
Acute and obtuse in the land of your muse;
And like our ways on this earth,
But, it is well with my soul.

Reproach, approach!
Sit down quietly and remain silent;
Think about your mistakes and,
See how best to overcome the odds! 
For, it ia well with my soul.

Edward Kofi Louis
Reproached

To cry out! ! !
Not heard;
Oh life! !
The pains of life,
Reproached with the odds around you;
Your hope!
Uprooted like a tree.

Edward Kofi Louis
Reprobate Hearts

Illegal lust,
To oppose the works of the truth;
Fools argue always against the works of the truth,
Corrupt minds! !
With reprobte hearts.

Edward Kofi Louis
Repudiated

Repudiated and manifested,
Directly and explicitly to meet your muse;
But I need the positive values on this love.

Edward Kofi Louis
Repulsive

Ambitious mind,

Admonition,

Overruled!!

Willingly,

Offered,

But, repulsive!

Discouraged,

To test the hearts of the people;

Pleasure in uprightness.

Edward Kofi Louis
Requested

Cedar, pine and gold!
Requested;
With the muse of your sweet love;
Old, sold, told, cold, gold, hold, bold, fold!
Nted,
In the land of the living.
Quest, requested!
With the muse of your sweet love;
And, with the ways of life.
Being joyous!
With your ways,
And, with the truth.
Love,
To give you all that you requested;
And, all that you desire in this land!
Under the guidance of peace and joy.

Edward Kofi Louis
Required

The laws!
Required to change your life;
To put you straight and,
To be righteous in your ways.

Edward Kofi Louis
Research

Search!
Research,
My love,
And care for me;
I am lonley and,
I need you.

Edward Kofì Louis
Resemblence

When i saw him, i thought it was Corporal Haggis!
What a resemblance at this hour of the day;

Only his black spot could make the difference,
However, the springboard of my hope will always lead me on.

Mansfield's letters told me enough,
Like the golden pen with me;
Into a Chop-Bar's file and, a house-mate's room!

To sail the ocean at times to meet the truth,
Like the seal of love with the works of joy.

Let wisdom be your best friend,
Faceless, homeless, childless and restless!
Chasing the dragon to learn the trade.

Edward Kofi Louis
Of a poetic treat for you and i on this earth,
And being fed with the spoon of love to touch your heart;
But Yahweh has planted a seed in me and,
It will grow and bear fruit.
Life is like that and it moves in many ways like,
To consult Yahweh with Urim and Thumnim;
But sometimes it is like the highway of heroes.
Reshma, my love will touch you like a poetic treat;
And like the school of prophets,
The stone of David is what you need as at now.
Peace to the one who is with love and,
Care to the one who is with hope;
For my mind is around the world to teach many.

Edward Kofi Louis
Residence Of My Love

I am living in the residence of my love and,
My house is built with the wood of cedar;
So come in and share my love with your muse,
For the curtains of my love will cover your nakedness with care.

Edward Kofi Louis
Resist It

Resist negative influences and live,
And let me connect you with my love so sweet;
For the positive values of life are needed by us,
And like the words that comes out from your mouth.

Say it right and do it right,
And resist negative influences!
For the values of life needs peace, unity, love and care.

Edward Kofi Louis
Resist the devil and,
He or her will flee from you!
Clean up your acts and live in peace;
He, her!
Clean up your mind and live in unity;
Table, able!
The big share;
Taking place in the land of your muse,
But, resist the devil and her or her will flee from you.
Able, Abel!
With words of peace and love;
And, try to be on the right side always.
Art, articles!
In the land of your muse;
But, try to be very wise in what you do.
Tactics, statistics!
With the works of peace and love;
But, try to share with one another and live in peace.
Facts, acts!
Bring out the truth to others and live in peace;
And, try to share with all around you.
Pages, stages!
Being able to do the right thing;
Stored, restored!
With peace, love, joy, unity and care;
Course, courses!
With love and peace to all mankind;
He, she!
So resist the devil and, he or she will flee from you.

Edward Kofi Louis
Resolution

Solution,
Resolution,
With the values of life;
But seek the truth and,
Live in peace with your neighbours.

Edward Kofi Louis
Resort

Resort, rest, roe, toe, toes, to, or, sort, rote, rot, sore, tore, set, so, ore, ores;
At land last it has entered in! 
And like your muse of love in the land of peace;
But i am ready to introduce you to the deep forest of my land.

Edward Kofi Louis
Resort 2

Sort,
Resort;

Port,
Report;

Rose,
Propose;

Prose,
Pose! !

Love and life,
With the purpose of nature.

Edward Kofi Louis
Resounded

Ground,  
Round,  
Sound,  
Surround! !  
Around,  
Resounded;  
Sounded,  
Thunder!  
It parted the paths and,  
The channels of the sea were exposed.

Edward Kofi Louis
Resourcefulness

Life,
All i have is love;
So, consider it done when you have the muse of peace,
Dancing around the sweet muse of your romance.
Love,
You are privilege to see my culture displayed around you;
And, out of the narrow path came love,
With the muse of the rainbow colours up high in the sky.
Love,
With the muse of joy to touch your heart;
On this side of the fence,
With equal opportunities.
Possible, plausible!
To trim the edges of love;
And like the spirited resourcefulness of nature.

Edward Kofi Louis
Respect

Respect,
Honesty,
Forgiving,
Trustworthy,
Corage,
Patient,
Compassion,
Humility,
Glamorous!
And like a romantic relationship;
But it is my pleasure to meet your love,
For i have something very important for you.

Edward Kofi Louis
Respect 2

Respect to all mankind is the main key in life;
For peace, love and joy!
But, the youth forget that, they will grow old one day.

Let us respect nature and live in peace
with each other;
For, the truth is a teacher to every human being.

Edward Kofi Louis
Respect 4

Love,
Is this what you want?

Peace,
Is this what you are looking for?

Then, you are on the right side of life!
Without hatred and war;

By loving all mankind with respect,
In servitude and attitude.

Edward Kofi Louis
Respect

To allow your dreams through,
Don't hate anyone;
Bring peace to the world and,
Respect all mankind.

Edward Kofi Louis
Respect 2

Marriage,
Bound to her husband;
And she came nearer as he approached her,
With the policy of respect.

Edward Kofi Louis
Respect

Rooms of love,
Works of peace;
Love is the key and, peace is the way!
Freed man,
Freed woman,
Freed child;
Living in a world of peace and unity,
If only if we are ready to respect each other.

Edward Kofi Louis
Respect 4

He was my father!
She was my mother;
You are my brothers and sisters.

The signal!
Appointed with love;
Pointed with care,
With the breath of life.

The colours of love!
With the romance of nature;
Enjoying your life with the fragrance of peace,
With the muse respect as the key.

Edward Kofi Louis

Accepting positive morals to lead you on,
Abble to choose the right from the wrong.

Edward Kofi Louis
Respect

Respect,
Responsibility,
Reaping the works of love.

Edward Kofi Louis
Respect 3

Respect! !
To value others like yourself;
Seeking for peace than hatred and war.

Harsh words came out of your mouth!
Of the same words you used in teaching your children;
However, words like these lead to hatred and war.

The straight narrow path of the truth brings joy to your heart!
And to all mankind;
Under the eyes of the laws of righteousness.

Edward Kofi Louis
Respect All

Respect the pland and,
Let them grow;

Respect the animals and,
Let the grow;

Life,
Capable of doing what is right;

Love,
Exactly with the truth;

Events!
Prepared with righteous works;

Humble yourself and live in peace,
Respect all mankind.

Edward Kofi Louis
Respect My Muse

Eat what you requested for and,
Respect my muse;
Sleep on the bed you requested for and,
Respect my muse;
For this love is all about you and i! !
And like the land of sweet bananas and apples;
But, i will meet you whenever you are ready.

Edward Kofi Louis
Respect My Property

Don't touch it! !
It's mine;
Respect my property.

Edward Kofi Louis
Respect Nature

Magic Island!
With the view of the magic sea;

Magic mountain,
In a magic land;

Magic hill!
With a magic view;

Magic lake,
At a magic place;

Respect the beauty of nature and,
Let creation reaspect you.

Edward Kofi Louis
Respect The Laws

Ozone!
To your comfort zone;
Nature rules and mankind watches,
But, let us respect the laws.

Edward Kofi Louis
Respect The Muse Of Life

What is for women is for women,

What is for men is for men,

What is for children is for children,

Respect the muse of life and,

Live in peace with each other;

With the showers of blessing from the rain.

Edward Kofi Louis
Respect, Expect!

Out, south!
Following the way of the narrow river;
Respect, expert!
With the muse of the land.
Not, north!
With the ways of your works;
Respect, expect!
In the land of the living.
Expert, expect!
With the muse of your words;
Perfect, expect!
The White lake,
The White sea,
The White mountain,
The White ocean,
The white river;
Following them with the muse of your mind.

Edward Kofi Louis

Where the laws of life are respected.

Very essential;
For peace and love,
For joy! !
Understanding each other;
Compulsory with the muse of the truth.

Edward Kofi Louis
Respond

Respond to me my lover for,
I am calling you on the line;
But, do you miss me at all?

Edward Kofi Louis
Response To Humanity

Hale and healthy,
Care and concern,
The deep memories of you!
To voice this out,
Like the bright and morning star!
To help the poor;
Give them food,
Give them shelter,
Cover their nakedness!
Share with them;
Even though, like a flying dream!
In the name of poverty.
Everybody with care,
Everywhere with the truth;
Kindness and humility,
Response to humanity.

Edward Kofi Louis
Responsibility

Responsibility,
To overcome trouble!

Reflecting from your humble beginnings,
With the language of truth love.

The muse of life,
To be very effective!

Educating the minds around you,
In your land.

Allowances!
Opportunities;

Helping the slum dwellers as well,
In your land.

A colloquium!
The context;

Having a voice,
The voice of peace and love;

With a choice,
Able to help others.

Developing and shaping the world!

I just want to relax,
After this long journey.

Edward Kofi Louis
Rest

Rest,
Keeping of the Sabbath;
Facing righteous morals.

Edward Kofi Louis
Rest In Peace

Rest in peace Mum,
I miss you.

Edward Kofi Louis
Rest My Mind

The Germans know how to make it and,
The Ghanaians know how to use it;
But the rainbow of my love is on you and,
I will rest my mind on you always.

Edward Kofi Louis
Rest, Best!

Rest, best!
Although,
With your sweet love,
Though through the wall;
Muse, amused!
Woke,
Spoke,
Joke!
Laughed,
Of the first mist.

Edward Kofi Louis
Rest, Surest!

Rest, surest!
Best,
To test your love;
Like a lovely bird in a nest.

Edward Kofi Louis
Rest, Interest!

Pest,
Not the best,
Test,
Rest, interest!
Living in the west,
Seen with a nest,
Your crest! 
Giving out your best in the land.

Edward Kofi Louis
Rest, Restitution!

Act,
Found,
Evidence!
Rest, restitution!
Do not follow the crowd in doing evil;
And, keep yourself far from a false matter.

Edward Kofi Louis
Restarting

Beloved,
Name,
Joy! !
Restarting the whole cycle once again;
With the aroma of life,
And, with the muse of the smart laws around you.

Edward Kofi Louis
Resting

Here and there!
Three were there;
But, we're here,
Resting under the big tree.

Edward Kofi Louis
Restless

Restless!
The wind is very strong and cold today;
trip,
Tip,
Reality,
To the other boy and the other girl;
Close up! !
Drama,
Panorama,
Restless;
Facing the muse of life in the land of the living.

Edward Kofi Louis
Restless Mind!

Restless mind!
Anxious,
Tortured,
Loss of all hope.

Edward Kofi Louis
Restoration

Restoration!
Rest,
Best;
Retain,
Gain,
Retail,
Detail,
Tails, sails!
With the phases of the earth,
With the faces of mankind,
And, the Book was opened! !
The Book of the Laws.

Edward Kofi Louis
Restore Me With Your Sweet Love

A lump of fig!
In the bitterness of my soul,
Please, restore me with your sweet love and let me live;
For, i am the eyes to the blind in the land of joy.

Edward Kofi Louis
Restrain Your Steps

Restrain your steps away from the paths of evil acts and,
Live in peace with your neighbours;
Simple ways! !
Says the truth;
Following after righteous laws.

Edward Kofi Louis
Restricted

Evil!
Dishonour,
Restricted;
By the ways of repayment.

Unrighteousness!
Of an infidel;
Unclean,
Shaken in mind.

Edward Kofi Louis
Resurrection

There will be the resurrection of the dead in the near future,
And it will be for both the just and the unjust;
But do understand this matter very accurate and let me have my liberty,
For only the wise knows what is ahead of us on this earth.

Edward Kofi Louis
Retouch

Touch,
Retouch,
Magic!
With your touch;
And, with the muse of your torchlight.

Edward Kofi Louis
Retrieved

Retrieved, retire, deer, die, reeve, drive;
Like the laid down procedures in your land before the law!
But, i judge no one.

Retrieved, driver, river, vet, rider, ride, red;
Drive, driver!
Consequently, i judge no one.

Initiated,
Drive, driver!
Personality,
Laid, aid!
And, of the attacks in the land of your muse.

Reed, deer!
Holders;
But, i judge no one.

Retrieved, retired, tire, tie, tree, reed, tired;
Life is a very complex thing!
And, the future is still unknown;
But, i judege no one.

Edward Kofi Louis
Return To Sender

To write,
To post,
With the mus eof the cost,
Waiting for a reply;
But, at times, the letter comes back again to the origin.
Return to sender!
With many reasons attached to the letter;
Like the seasons! !
To tell you a story;
After the letter came back.

Edward Kofi Louis
Return To Sender  2

Return to sender!
Send it back to its place;
Let it go back to its own place.

Edward Kofi Louis
Reuben

Reuben, be, Ben, bee, beer!
For a long time,
Up to this day;
Seeing to your works in the land,
The works of peace and love.

Edward Kofi Louis
Revealed

A brute,
Carved images,
Revealed!
But destruction comes upon your head;
For you have failed to worship the Creator,
And now you are worshipping the creatures around.

Edward Kofi Louis
Revealed  Ii

Love,
Revealed with the muse of your works;
Because, whatever you do,
People will like to have a copy of it.

Righteousness! !
It allows you to move on peacefully;
And, with the joy in your heart,
According to the laws.

Edward Kofi Louis
Revealed III

Rites and practices,
Heritage! !
Cultures and traditions,
Revealed;
All over the world.

Edward Kofi Louis
Revealed In Us

Love!
Revealed in you,
Revealed in me,
Revealed in us;
With the expectations of the truth,
Under the muse of the laws.

Love,
In hope!
Right up to the present time;
With hope!
Forward ever;
Convinced and accounted for with the muse of the truth,
Bringing joy to the hearts.

Edward Kofi Louis
Revealed To You

This love is revealed to you;
Learning the ways of my life.

The work is exposed to you!
For the ways of peace and love;

Able to touch your heart with my style,
For the joy of your mind and the unity of the land.

Edward Kofi Louis
Revealing

The revealing of the sons of Yahweh,
And of childbirth and the right to represent the time;
but, may Yahweh be forever blessed! !
HalleluYahweh.

Edward Kofi Louis
Revelations

Six days of war and twelve years of peace,
Oh what a world! !
For the universal set of my forefathers are now revealed to me.
Revelations,
Of the authorship of my dreams to crown the day;
And like music, art and literature to play the flute of my culture.
Many have no ultimate aims on this earth,
For the drawing board is now full of nuclear bombs;
But i am born to win in the mixture of wars.
The might id capable but,
The deep blue sea isn't far from them;
And these revelations are here to guide me on.

Edward Kofi Louis
The revelations of your past,
And the number of deaths around you!
But try to learn like the ant,
For the muse of love is all that we need on this earth.

Nature oh nature! !
Who can control it as it occurs? !
And like the moon's light shining in the pool of love;
But try to learn like the ant.

I flow like aqua when it comes to love,
But it takes more than sex to have a sound relationship;
And the muse of love is that we need on this earth.

Love is sharingut not giving,
And gold cannot buy this type of love!
Because, life is one big road with lots of signs;
But try to learn like the ant.

In the throes of life,
Love is straight from the heart! !
And money cannot buy true love;
But try to learn like the ant around you.

Edward Kofi Louis
Reverent Conduct

Reverent conduct,
Discouraged in life!
But still with confidence;
Sent, went, spent!
With the echoes of life,
Faith and hope,
Proved!
Reproved,
Like disturbing dreams in the night;
But with hope,
Obtaining wisdom from the light of the truth.

Edward Kofi Louis
Reverse Each Word

Reverse each word and learn from my muse,
For a 'pot' becomes the 'top' and the 'dog' becomes a 'god'!
But the 'loop' of your joy is like this 'pool' around us.
Reverse each word and learn from my muse,
For the 'pan' in your hand will make you take a 'nap' on my love!
And like a 'ton' of your expected cargo which is still 'not' in.
Try to learn if you want to and,
try to laugh if you are in the mood!
For you have promised me your sweet love,
But the 'bat' on your tree is like the 'tab' in your room.
Reverse each word and learn from my muse,
For the word 'no' becomes 'on' like the light which is on!
And 'stop' the 'pots' from falling because,
I have 'won' the race which you set before me and 'now' it is your turn.
Reverse each word and learn from my muse,
Because i know what i 'saw' in your room!
Since i 'was' there to be part of the game being played,
But the 'mug' on your table was like the sweet 'gum' given to me.

Edward Kofi Louis
Revoked

Revoked,
Battle,
Multitude,
Pestilence,
Without! !
But your sweet muse is very much noted by all.

Revoked, reed, deer, dove, doe, drove, revoke!
Within and without;
But your sweet muse is very much noted by all,
And you came out of the war alive.

Revoked, veer, ore, roe, rode, rove, rod, red, do;
Within and without!
And like the joy of your works at hand;
But your sweet muse is now noted by all.

Edward Kofi Louis
Bribe and partiality,
Revolters of the works of the truth;
Setting traps everywhere in the land,
To deceive and to betray others! !
With the works of evil.

Edward Kofi Louis
Revolution

Calls!
Revolution;
I love my Fridays!
For, it is my party day;
And, of my party time with others,
because, it puts my mind at rest.

The muse of love!
Described with your sweet heart;
The muse of life!
Unearthed with the muse of your sweet love;
For, forum!
But, i love my Fridays.

Pole, polemic!
With rhetoric;
But, you are disturbed and disappointed because,
It is now time for the Weekly Sabbath.

Edward Kofi Louis
Revolution 2

Revolution,
Revolution!
With the revolutionary facts to build up the future,
The acknowledgment of a positive intuition;
To have it in my mind and to show it on my face.
Fancy! !
With opulent options;
Like the cream of love,
With the fresh fruits of life!
Eating honey and butter always.

Edward Kofi Louis
Revolution, Evolution!

Lust!
Stepping on each others toes;
Revolution, evolution!
With the munds of illegal lust.
Tetrad, tear, ear, trade, dear, read, red, dare!
With the muse of blood moons seen in the sky;
But, try to wake up to the truth and learn,
Than living with illegal lust.

Life!
You have to obtain knowledge and,
To know the truth than to burn in your lust;
Train, obtain!
With alight in the sky leading the way;
After the truth.

Love!
Directed to your destination;
Shortly after your muse,
But, your illegal lust in this town will bring hatred and war.
Void, ovoid, avoid!
With the muse of the blood moons seen in the sky;
But, do wake up to the truth and live in peace with your neighbours.

Edward Kofi Louis
Revolve

Revolve,
Resolve,
To seal the deal with your love;
Like the meal of Joy!
With the zeal of your works,
And, to heal your inner self.

Edward Kofi Louis
Reward

Ward,
Steward,
Foward! !
Not backward;
Reward,
With the muse of Edward.

Edward Kofi Louis
Re-Warder

Yahweh is a re-warder of those who diligently seek Him!
So do not learn the ways of the heathen;
Because the worldly preachers who claim to follow the Scripture are,
Much afraid to condemn the Pagan Custom Practices! !
And the world goes on with the influences of Satan around us all.

Edward Kofi Louis
You are a prisoner of your own self,
So come out of this shell and let me love you;
For certain extremes need some strong measures to solve them.
Endless summer,
Endless love,
And like a mammal that flies;
But, you shall not hate your neighbour in your heart!
For we need love in this world always,
And, like your friend Rexford in the land of many stories.

Edward Kofi Louis
Rezon

Rezon, on, one, ore, zone!
Sum,
Summoned;
To summon you,
And to face the charges.

Edward Kofi Louis
Rheumatism

First it started with romanticism with the people and now,
It ended up to a sickness called rheumatism;
For it is now about your backache on this love and,
You are as strong as the lion in the forest!
but you have your full life to live very strong and still be yourself.
You will surely overcome this pain and,
You will live to tell people of your experiences!
For we are all part of this life which is full of troubles,
And of the muse of love that the Headmaster left last night.

Edward Kofi Louis
Rhythm

Get the rhythm of my love!
For that is all that you need to be very well;
Yes, my rhythm! !
For that is all that you need to be very well.

Edward Kofi Louis
Rhythm And Blues

A lady with a golden harp,
Like the blossoming of the red rose;
Life,
To move on;
Like the muse of the sun rising from the east.

Statue,
Status-quo,
Roses,
Proverbs,
Somewhere in the air!
Rhythm and blues,
Red rose,
Breeze!
Sunrise;
But, what goes around comea around.

Edward Kofi Louis
Rhythm And Blues  2

Rhythm and Blues!
With the clues of your mind;
Like one who glues on to love with,
The joy of his or her heart.

1,2,3,4!
North, South, East and West;
With the Blues of Life and the Rhythms of Nature,
Dancing with your steps on the stage.

Edward Kofi Louis
Rhythm Of Africa

Pick a dream and call my name,
Because eversywhere you go i will follow you;
For the Rhythm Of Africa is all that i have.

Live at the baseline and let me guide your muse,
For i am so in love with you!
And i want to set you free with my care.

You will feel free around me always,
For the greatest love is all about us;
And like Big Ship sailing over the sea of love,
For i am so in love with you!

Tomorrow never comes but,
My face will be there for you always!
And like the Rhythm Of Africa to bless your muse.

Edward Kofi Louis
Rhythm Of Africa!

Dance, dance!
With the muse of Africa;
Tap, tap!
With the rhythm of Africa;
Moving your body and,
Moving your steps;
To the sounds and cultures of the various tribes in Africa.
Dance, dance!
To the rhythm of Africa;
Tap, tap!
With the movements of the muse of Africa;
To a continent of nature's muse,
To a continent of multi-languages,
To a continent full of colours!
Fron North, South, East and West;
Come to Africa and see things for yourselves.
Rhythm of Africa,
Rhythm of various customs and cultures,
Rhythm of the various countries in Africa,
Rhythm of the animals,
With the beauty of nature as seen around.
Dance, dance!
Dance with the steps and shake your body;
To the rhythm of Africa touching your heart and soul.
Tap, tap!
With the movements of the muse of Africa;
Rhythm of Africa!
With the muse of various races in Africa;
Expressing their cultures and customs to the muse of the rhythm of Africa.

Edward Kofi Louis
Rhythm Of Life

Love, hope and peace;
In there with the rhythm of life!
However, you will never know where help comes from when,
You hate all the people around you.

Be straight and live in peace!
Because, you will never know your true lover in this life when,
You let him or her go away from you because of a small misunderstanding.

Don't hate mankind,
Because, your next door neighbour can be of help to you in times of need;

Let us bring peace to the world than war!
Because, we all need help from each other.

Edward Kofi Louis
Rhythm Of Love

In the valley of love!
Wait till i show you one more thing;
Beneath you is the gulf that has no bottom.

Rejoice with your heart and be free with your mind! !
With the blues of love;
'Odo Nkomo'!
To harmonise the rhythm of love.

Beside the still waters,
In the valley of joy! !
With the blues of love coming out from your heart.

Edward Kofi Louis

From your son!
Then to your wife;
But, people are still dancing at your party and,
I do have a message for you.

Unity!
This is where i belong to;
Enjoyment!
This is where you belong to;
But, i am Rica with a special message for you!
Because, i am living with the great muse of love.

Hear and learn from me,
Listen and believe in the truth always;
For, the ways of mankind always lead to war!
In the name of hatred than love;
So, it is time for peace with each other on this earth.

Edward Kofi Louis
Ricado

Writing,

With your love;
And, with a point in time,
As you were ordered to serve freely.

Rich works of peace,
True Joy! !
In a lovely garden,
With the joy of your heart,
Able to see the world with positive eyes.

Edward Kofi Louis
Rich With Natural Resources

Africa is a continent rich with natural resources!
But, its nationals are hungry;
However, the confidential acts from my pen will always write,
For you to read about the muse of Africa.
Oh Africa! !
With the muse of 'Madam-Easy-Life' affecting many;
With the paths of the lines taken only for easy money,
To get rich quick than, following after the laid down rules.
Once a while i do think about it!
About the very ways of the youth today;
Many have to learn; but, others do not know! !
Living in a continent full of natural resources.
The earth is full of stories and, Africa has its own stories as well;
With leaders saying things which are not clear to the minds of others,
Leading to the brain drain.
Image, encourage, age, courage, stahe, page, advantage, vantage, marriage,
carriage, miscarriage!
As the heavy rains came in to wash away the choked gutters;
But, Africa is a continent rich with natural resources,
However, the pains of life are much seen in Africa today.
Oh Africa! !
Like the days of slavery with a heavy chain on one's neck;
But, where lies the future of the nationals of Africa?
Resources!
Natural resources! !
But, for how long will the African leaders sleep with them?

Edward Kofi Louis
Richards

The products of modern technology,
And like the utility pole stoked in a hole;
But, it will either be a blessing or a curse to you!
For, Richards is the name of your lover in this town.

Edward Kofi Louis
Riches

Wealth,
Riches;
When others have nothing.

Edward Kofi Louis
Riches 2

Riches!
Gained with corruption,
And now, your garments are moth-eaten;
Because, your silver and gold are corroded!
With their corrosion testifying against you in the land of corruption.
In pleasure! !
Self-indulgence;
However, when lust conceives, it brings forth sin.

By helping them,
In the name of peace, love and joy! !
For the unity of the land.

Edward Kofi Louis
Richly Textured

Do not give what is holy to the dogs!
And, do not cast your pearls before the swine;
For, the future lies in your own hands.

Enter in through the narrow gate of love!
Because, straight is the gate and narrow is the way which leads to life;
And, try to cross over to the other side of the river to meet me.

Love,
With the manuscript;
With the manuals!
And, with the muse of your romance richly textured.

The compostiion of the aroma of your love,
With the muse of peace and joy!
Like candles for love and bananas for the sweet taste of life.

Violence!
Scorned by the acts of the wicked ones;

Evil eyes! !
With the works of destruction;

Impurity,
Importing in negative works;

And the wicked devours the righteous one,
With a hook!

With a look,
Without the Book of the Laws,

Ride, deride!
With wickedness seen in the land.

Edward Kofi Louis

With a bridge to the sea of love;
To get your bride,
To ride along with joy! !
In the land of beautiful flowers.

Pay attention to my laws!
Righteous laws;
Riding upon a swift cloud,
Milk for babies and meat for adults! !
The sayings of the sages,
With the crown of glory.

Walk away from evil works! !
Do what is right and, humble yourself;
Wisdom is the first in priority.

An ornament of beauty,
Keep the laws and enter into life;
Ease and secure!
With the muse of life;
Because, one who looks for trouble will always find it.

The tongue of the wise promotes health!
Time is passing,
But a fool always exposed his or her folly.

the muse of life and the arome of nature,
At the very entrance of dreams!
Time is money and, time will surely tell.

Times of need,
When you have a positive heart;
With compassion to help others!

Edward Kofi Louis

For your beautiful voice is now over the waters of love.

Edward Kofi Louis
The king’s speech and the queen’s words,
The aplause from the people to satisfy my muse;
But my mind is still on Ritzy my lover,
For the darkness was yesterday.

Today is the light and i am ready to share my love with you,
For my own car won the race last night and i am very joyful;
And ike Malaya roses in the garden of love,

River Arnon

River Arnon, i am writing that you may read;  
'Israyl is my son and my first-born'.  
Of the foreskin,  
Of the circumcision,  
Of the blood;  
Like a flame of fire from within a bush in Mount Horeb.

Who gave man his mouth?  
Who gave woman her mouth?  
Now do use straw to make bricks and learn from it,  
For i am on three days journey into the desert.

Of the Book of the Chronicles of the Kings of Israyl,  
Of the Book of the Chronicles of the Africans  
Of the Book of the Chronicles of Ghana,  
Of the Book of the Chronicles of my clan,  
Your son succeeded you and my son will succeed me as well.

River Arnon, i am writing that you may read;  
For their gods will be thorns by your side!  
Hear oh sweet river,  
Listen all you who have ears;  
Let us put the Earth into a better shape.

So, do wake up from your dreams and live.
Bog, big, bug, beg, Ben, ban, bun;
Big eyes and short legs!
Music and love;
Small eyes and long legs!
The trumpeter and the saxophonist;
In the land of snakes!
With the rivers of love.
Let's fly away with love! !
Dr. Winter;
Let's live in peace!
Dr. Summer;

The lessons of life;

With righteous morals,

From the just to do justice.

Edward Kofi Louis
Riverside Deep

The muse of life,
Riverside deep within Africa!
With words from the sunshine to respect my heritage;
And, with the muse of the shrines of Africa.
The muse of life!
With the waters of the sacred rivers in Africa;
And like the surrealistic drawings after nightmares.
The muse of Africa!
Riverside deep with the works of mankind;
But, the sacred rivers need no boreholes;
However, the artist with the dark tie needs the light for exposure,
Because, the challenges of the times are now felt everywhere on the globe.

Edward Kofi Louis
Riverson

I am just like the mind around you and,
My name is Riverson!
For I am like the son of the river around your love,
And these letters of my name love the sky.

There are many memories here and there in life so,
Let me care for your pretty little thing;
And let me be the soldier on your field of love.

I am like an archival footage to give you legs,
So do not let your past destroy your future!
For my heart is still burning for you and,
Like the mysterious disappearance of the chief!
When my muse tolled on the gathering.

Edward Kofi Louis
Riviera

Riviera, river, air, ear, era, via!
Life,
With the earth and the heavens above!
All governed by the laws of the Creator.

Peal, leap!
To know your ways;
Hoe, hole!
To sleep with her.

Genetic finger prints!
Like the fingers of bananas and plattains;
Single, shingle!
Alone at the beach.

The stripes,
Your steps!
Looking for a lover to satisfy your muse;
Love!
Strength,
Pleasure.

Edward Kofi Louis
Riyyah

Riyyah, hair, air, ray!
Life teaches in action,
With positive morals and positive works;
With the muse of nature,
Teaching and training us;
For peace and love,
And, for the joy of the earth.

Edward Kofi Louis
Road To Explore

Imagination!
Road to explore,
At the shore with your horse,
Like the ore, facing your core;
Pore, tore, store!
To adore life,
With the muse of your imagination.

Edward Kofi Louis
Roar, Growl

But, the lion perishes for lack of prey;
Bray, ray!
Does the wild donkey bray when it has grass?
Bellow, mellow, fellow, yellow!
Can flavourless food be eaten without salt?
But, a foolish man will be wise on the day that, a donkey's colt is born tame.

Edward Kofi Louis
Roasted On The Fire

In the middle of the road,
The birds of the air flew above me with a signal;
But you were nowhere to be found.

Blemish,
Unleavened,
Must only be roasted on the fire!
But you were nowhere to be found.

Villainy,
Disfigured,
Humiliated,
Greatly ashamed!
But you were nowhere to be found,
And the day ended with a sad note.

Edward Kofi Louis
Robbed!

The treasury was robbed!
The Menorah and the vessels;
And the Temple was burned down once again,
But between the rocks it melted away from the effect of the heat! !

Greed,
Standing upon another!
Safekeeping,
Few years later;
But you could not comment further;
And the dastardly act brought about retaliations in this world.

Edward Kofi Louis
Robbers

Face masks! !
Robbers,
All in black.

Edward Kofi Louis
Robbery

Robbery! !
Vain hope;
Trust not in oppression,
Why are you now a thief?

Edward Kofi Louis
Robbie My Love

On such a hot day,
My mind was very far from the sea;
Until the thunder clothed me with love.
A visit to the Sultan's Palace,
And of the love that we shared last night;
However, it is now 4 O' Clock i the morning.
Robbie my love,
I love you so much and, i love myself;
And like the temple of the Golden House around us;
Respecting the muse of life with the aroma of nature.
Be cheerful my lover!
For, you are all that i have;
And, i will do anything for you because,
I am laways there for you.

Edward Kofi Louis
Robbo

Wingless Angels,
Come and stay here with me;
For i am alone in the bush of love,
And my name is Robbo.

12 nights of love and 12 nights of peace,
Come and guide me and take me home;
For the dark is with mindless thoughts!
But i am Robbo in the bush of love and,
I need your help oh Wingless Angels! 

Edward Kofi Louis
Robe, Lobe, Probe!

Robe, lobe, probe!
With the therapy of sweet love;

Soft touch,
One touch!

Like the muse of a big man and a beautiful lady;
Destined to do things in life.

Loop, pool, pole!
To show your white teeth after smiling;
And to buy honey with your money for your health.

Red, real, ready!
To let your love touch his heart;
As he directs you on.

Taking it,
Having it,
Eating with somebody who loves you;
Like the colours of nature and, the colours of the rainbow.

Edward Kofi Louis
Roberson

I've often wondered but,
I was invited in and the lady appreciated my efforts.
It was nice and lovely and,
She booked an appointment for another time;
And my name Roberson is now recorded in her book.

Edward Kofi Louis
Robert

The blues blenders,
It is all right to have my love;
For i am Robert in the land of peace,
And like the words of your muse so exposed now to me.

Edward Kofi Louis
Robert Fisher

My love is like Lake Victoria towards your heart and,
I deeply love you Robert Fisher;
But the sun rested for you to be in my village.
You are the medicine man on my love and,
I am your sweet patient in lovers land!
For the ship landed at my village without a clue.
You have my father's name and, i love you;
Because your lips are the sweet honey comb to my taste.

Edward Kofi Louis
Robert Ii

Your love to me was like the ways of interpreting reality,
And with images so close to my eyes at times;
But I will live on to call your name always,
For Robert is your sweet name on this muse of love.
Where are the birds that flew over us yesterday?
For my love will last forever with you,
And like the images of love that you introduced me to.

Edward Kofi Louis
Roberts

This is it!
For your love is now made bare to me! 
But i will live on to see your smile always.
I am Roberts and i have been watching you a lot!
But now you are beside me with your sweet love;
And i will live on to see your smile always.

Edward Kofi Louis
Robertson

I am yearning to be born again and to love you,
Like living in the desert without a dessert;
But like Dathan and Abiram,
I will always be with you my love.

Robertson, my love for you is like a 'Man Diesel Tipper Truck'!
And, i will always yearn to be born again and to love you.

Samuyl died and was buried in Ramah,
But my love for you will always be there forever.

Edward Kofi Louis
Robertson II

This like a top secret in a private club,
But i was abot to meet Robertson at land last;
And like a ram with two high horns.

Edward Kofi Louis
Robes Of Love

Dress yourself in the robes of love and come to me,
For i will disguise myself to go out with you;
Because your love is so beautiful,
And i have to reach out to you only in this form.

Rock Your Boat

A message to all the men that used you,
A message to the rooms that saw your nakedness,
Rock your boat to rub my tights;
But the flood is about to come in as announced.

Lusty frames,
Over the faces of love in the land of no return!
And like the stages of your emotions in the land of your muse,
But the flood is about to come in as announced.

Within the spread out legs and the muse of love,
Remembering all the passengers through your red sea;
And to ride faster enough to see your smile!
But the flood is about to come in as announced.

Edward Kofi Louis

Seeking what they want;

Destroying the mirror of peace.

Rokia

Why did you not come to my my lover?!
For the money stayed with me like,
Baal and Baalam in the land of your muse.
Why did you not come to me my lover?!
For i have been waiting all night long at the gaste of love;
But, Adonim and Elohim have eaten up the minds of your neighbours.
I have thrity donkeys in thrity cities!
So come and stay with me my love and let me introduce them to you;
For you are very beautiful to behold oh my sweet Rokia!
And like the hairy garment all around you in the land of your sweet muse.
You are like the giraffe and the zebra in the land of my joy!
And lkke the muster of this love in the thick forest;
But, you are now sitting under the palm tree alone waiting for me;
All the same, blow the trumopet of love and let me take you in,
For i have now seen the evidence of your virginity.

Edward Kofi Louis
The wind blows and it knows it course,
But my love will hit you like the bullet!
Because, i deeply love you for what you are.

The wind blows and we are lost in the cold,
But the muse of love is what i bring to you;
And we will live on forever!

You are talking of a person who is loved by many;
And i am talking of a person who is loved by one;
For, i have my grandmother's grave to share with you.

The rain does not fall on one man's house,
But i am living in a small room to share this love with you;
And i need your love to move on like the bullet train.

The store is ready for the coffee and i need your love,
But Auntie Jane is around to see me through;
For the love of Narobi is all about you.

A message to my wife,
Of the muse of things that clouds the air;
But my faith will lead me on to fulfil my dreams.

You are after this adventure and i am after this love,
And like Rolnadson who lives in the woods!
But my muse will touch you for you to learn about me as well.

Romans 1: 27

'The men did the same Thing:
Leaving the antural use of the woman,
They burned in their lust for one another,
Men committing shamful acts with men,
And suffering in their own bodies as,
The Penalty for their error! Which is,
Their fitting retribution.'
Attribution, retribution!
With degrading passion of sexual impurity.
Pen, penalty!
With the ways of mankind on this earth;
With men and women committing shamful acts.

Edward Kofi Louis
Romans 13: 8

Of those who dwell in tents and have livestock,
Of those who play the harp and the flute,
Of those who write poetry and sing songs for others,
Concerning our works and the toils of our hands in this world;
'Owe no man anything'!
Except to love one another:
For he who loves another has performed the law.

I stand upon the sand of the sea with my words,
And i am about to give out my oratory;
But i am like a leopard with the feet of a bear,
And i will always speak for others to learn from.

Edward Kofi Louis
Romans 14: 10 & 13

Illegal lust,
Why do you pass judgement on your brother?
Or, why do you look down upon your brother?
For, we will all stand before the Judgement Seat of Yahshua!
As such, let us stop passing judgements on one another.

Edward Kofi Louis

Romaxiatu

People have read and learnt less about this world,
But we should also think about the spiritual world too;
Because, not all that glitters is gold.
Romaxiatu, Great Yahweh will bring me home to you;
But i want to succeed like the pearls of Egypt.
Do you know that lies have destroyed the brotherhood?
And, do you know that lies have destroyed the sisterhood too?
So do learn how to speak the truth always in this life.

Rome, Syndrome!

Rage, enrage!
2-in-1;
Playing around with the red fruits of the Red valley.
May!
Mayflower,
Mayfair;
It is too dark over here!
So, put on the light before you come to me;
Then, i can see your face.
Rage, range!
Come, Rome, some, syndrome, chrome;
A flying horse!
You couldn't do the right thing because,
You were fighting.
Rome, syndrome!
With empty beer bottles under your table;
Like hot water in the middle of the sea.
A flying elephant!
Like Long Island's Express;
A flying ship!
Like the 'District Court Saket' in India;
But, just-in-time.
Loose, goose!
At the District Court;
The clash of the culture!
The clash of the system!
Living in slum;
Clash, crash! !
But, try to know what you want in this life and,
Work towards it till the sun shines on you.
One for all!
And, all in one;
Rome, syndrome!
But, all for one.

Going across Room Numbers 31 - 33;
However, you do have fear! !
The consequences of the situation,
The first evening!
And, of the colour of a dead body found around;

You know where to find me.
Of the loud speaker! !

Roosevelt

I am like the eyes of a King on your love and,
I am like the eyes of the Queen on your ankedness;
But in this life, i do have my mind and you do have yours.
Life teaches us many lessons and,
I understand your pains of love and the confusion of your mind;
For many legs do pass the same path in our daily lives but,
Your footprints of love are everywhere!
Oh Roosevelt my love,
Come and let me show you the way to my humble house;
For i do have something special for you in my bedroom!

The time to uproot.

Rope, Europe!

Rope, Europe!
With the ropes of unity being disorganised by the hands of the terrorists;
As seen in France today.

Illegal lust,
It is very hard to comprehend the truth when, confusion is your way of life;
Killing and destroying whatever comes your way.

The truth!
In a wonderful manner with the laws;
But, mankind had taken the evil ways of life today.

Edward Kofi Louis
Rope, Slope, Hope!

Falling into the big hole,
Getting hope of coming out of it;
With the help of a rope thrown in to save you;
Rope, slope, hope!
Coming out of the slope with the hope of the rope.

Edward Kofi Louis
Rosalie

Of the sweet smell of a rose,
Of the coming of a baby into this world;
Rise up and look!
For her name is Rosalie.

A red rose into the world so sweet,
The love from a lady in red;
Red roses, red roses!
Of the pink ladies to visit the world;
Rosalie, welcome to the world so sweet.

To be born and be named Rosalie,
Dated on the 23.03.2006;
Welcome into the world so sweet!
To you the roses bloomed,
To you a joy is praised,
Mathias and Verena are your parents;
And beauty was your day of birth.

Like the sweet smell of a rose,
You were born on your grandmother's birth date;
So let the pink around you bring up the roses like,
The sweet aroma around you too.
Rosalie, Rosalie, Rosalie! !
Enter into the world so sweet and,
We will remember this day always.

You are the sweet smell of a rose,
Like the coming of a baby into this world;
For, we will rise and look!
And your name is Rosalie.
Welcome into the world so sweet,
Of the pink ladies to swing the muse like your type and,
Rest on the sweet aroma lying invisible ever around you;
For you have made our day by receiving you into this world!

Edward Kofi Louis
Rosalinda

Rosalinda, rose, rail, sail, dial, so, as, Linda, and, Rose, sand, and, nail, nails, rails!
Like a fallen scroll;
But, one could see the muse of the lamp stand of gold in the temple of peace.

Rosalinda, lain, lad, rod, sad, rods, iad, iads, road, roads, Dora, load, oar, oars, soar;
Like a bowl full of oil!
But, the summer fruits have now been gathered for sale.

Golden slips!
Golden love;
But, this world is like a stage for us to stand on with the sages of nature.

Edward Kofi Louis
Rose, Morose!

Rose, morose!
Line,
Like,
Life,
Live;
Come over here and,
Pick it up! 
Let it be your food.

Edward Kofi Louis
Rose, Primrose!

Life!
With the memories of the past;
Life!
No matter how many times you fall,
Try to wake up to follow after the truth.
Rose, primrose!
With the muse of the land;
Like pots and pans,
At the end of the day with your work.

Edward Kofi Louis
Rosemary

Give the Rose to Mary and call her Rosemary,
For her love is as lovely as the rose.

Rosemary, you are all that brings the roses of love to me;
And I will always smell the sweet aroma of your rose.

Edward Kofi Louis
Roses For Rose

Roses for Rose in the garden of love,
But let the matter rest when you have no view;
For your relationship has landed on the rocks already.
Rose is my lover and i have a rose for her,
And like a bucket full of boiling beans;
But you may have a myriad of problems in the land of your muse.
My lover is so sweet like the rose,
So i always bring her roses to satisfy her muse;
But do not fix in your larger foot in the garden to destroy other things,
For i only do visit her at the right time when she always call me in!
And stop worrying about her because she is called Rose in the land of roses.

Edward Kofi Louis
Roses Of Love

I need the roses of love than the bullets of war! !
So, dropp down your weapons and,
Let us live in peace on this earth.

Edward Kofi Louis
Rosewood And Teak

You are naked and can't see it!
But, iniquity is purged with mercy and truth;
However, i will always love you.

'Associated Press News Agency'!
20m into the sea with the muse of your love;
But, i'm now waiting for you at the harbour.

Upside down! !
Exactly;
And like the oil discovery in your town;
But, your drinking code is what matters most.

Blessed and holy to the one who heeds to the truth!
But, water scarcity is now noted in this city;
Scar, scarcity! !
In the dry season with your love;
But, try to open up your mind to understanding.

Information!
Company,
About you and me;
And like Rosewood and Teak.

Agrieved!
Breached;
Enforcement! !
To ransack the camp;
And like he act of an illigal miner in your town.

Edward Kofi Louis
Rossetti

Babbel and Badoo are my friends but,
Rossetti is my lover so sweet;
And i have laid my bed so nice for this cold winter,
And of the muse that muses with the atmosphere around.

Edward Kofi Louis
Rosy Fragrance

Rosy fragrance of sweet love,
Lovely romance with its aroma;
Touching your body,
Touching my body,
With the attraction of life and nature.

Edward Kofi Louis
Rosy Apples

Rosy apples,
Miles of apple trees;
Love and Life,
Peace and joy! !
Take me to your heart,
Late at night;
With the fruits of true love.

Edward Kofi Louis
Rotation

Rotation!
Dust and gas;
Gravity! !
With the muse of the solar system.

Edward Kofi Louis
Rotations

Rotations, ant, at, as, it, is, on, no, root, toot, soot, to, so, art, stain;
The news in the village spread all over like wild fire! !
So watch your lips before you speak,
For, that wasn't my story!
So, come and let me tell you the truth.

Rotations, soon, toast, soar, or, nor, tars, tar, rats, rat, at, arts, saint;
But hatred had led many to throw the bombs onto others! !
Killing them in the name of their so-called teachings,
But, without true-love, there will be no peace on this earth.

Rotations, star, ton, not, ion, ions, rot, set, sort, sit, son, sin, tin, tins, tan;
And like the bomb blast in Abuja-Nigeria killing many! !
But, this act will not bring us peace,
For we need the roses of love than the bullets of war!

Edward Kofi Louis
Rouges

Rouges,
Abominable,
Gratification,
Ridiculously,
To open up their doors very wide!
And like artificially inseminated surrogate mothers;
Either direct or indirect in the land of your muse.
Enraging,
Populous,
Free,
Stigmatically!
And to mention but a few;
But, the old man was still asleep.

Edward Kofi Louis
Round

Round,
Bound,
Around,
Board,
Abroad;
But, you can't stop him or her.

Edward Kofi Louis
Round Basin

Re-constitution,  
Intended;  
Noted,  
With destinations.  
Sand, stand!  
Round basin,  
Creating,  
Nominated!  
With doors opened to all.  
Living,  
In a better place!  
And, to sustain life;  
Feeling free with the muse of the truth,  
And, to be helpful.

Edward Kofi Louis
Rout

How to overcome it!
Rubbery,
Route,
Rouse,
Routine,
Rousing,
Rout;
People!
You may read about it.

Edward Kofi Louis
Rowe

I am Rowe and if you are married,
Take care of your own self!
Because i saw your nakedness last night and,
I said to myself, 'Who is the husband of this woman'? !

Edward Kofi Louis
Royal Blue

Blues!
With the blues of love,
Playing the blues;
With the muse of the colour of love,
Royal Blue.

Accommodation!
Facilities,
Expressions of love,
Commanded with the fragrance of life;
And, controlled with the aroma of your romance.

Edward Kofi Louis
Royal Class

Mass, class!
Loyal,
Royal class;
Pass,
Passage,
Age, language!
Message,
To massage your body;
Vintage, vantage!
Royal dinner with a loyal friend,
Advantage in your land.

Edward Kofi Louis
Royal Estate

Royal love,
Royal birth,
My very own skin with my very own life!
On earth;
seeing the mighty! !
Compared to the poor.

Life,
It is unknown;
Tomorrow is always ahead,
Exactly with the muse of nature.

Educated,
Understanding,
Always learning,
Nobility,
To see the Royal Estate;
With the sense of my tradition.

Edward Kofi Louis
Royal Family

Royal parents,
Royal birth,
Royal relationship,
Royal love,
Royal wedding,
Royal pregnancy,
Royal child,
Royal family;
Roya, loyal!!
The lineage,
The history,
The heritage;
Nancy, pregnancy!
Line, lineage;
And, you still have her in your heart.

Edward Kofi Louis
Royal Kiss!

Royal kiss!
The romance at sunset;
Enigma! !
With the muse of your love;
But, with the courage of your mind.

Life!
With the act;
Muse,
With your vigour! !
And, the orange cherry blossomed.

Edward Kofi Louis
Rub, Rubble!

Life,
Hatred and war will never bring us peace!
So, let us come together;
In unity,
For the love of peace.

Rub, rubble!
We rather need a positive direction in all things;
With the muse of our acts,
Living on this earth! !
Than, hatred and war.

Edward Kofi Louis
Ruby

Ruby, rub, by, Ur!
Simple ways,
To stretch it out;
And to see what comes out of it.

Life!
Very precise with your works;
And to embrace your works,
Enhanced with the muse of the laws.

Edward Kofi Louis
Ruddy

Montego Bay!
One way ticket to your lover's house;
Nut my porfolio is like that of yours,
And like Ruddy with a smile on his face.

Edward Kofi Louis
Rudi

Artists and inventors,
You have what it takes to be digital;
For my name is Rudi and,
Technology had made me what i am today.

How can a perfect love go wrong?
Like the sadness of many faces around me;
But the exotic feelings of the beautiful pleasure do crown the day.

Rippling satins and exquisite embroideries,
The geometrical signs will not stop this love;
For i do have my signature all over you!

Pass tis on to her and,
Show her the way to my office;
Pass this on tho him and,
teach him the way to do things;
For my name is Rudi and,
Technology had made me what i am today.

Edward Kofi Louis
Rule Number One

Rule number one,
'I don't go begging'!
Because it brings down my spirit;
For i really know who i am and,
I really know what i have on the world market!
So, you need to approach me through the right way for business.

Edward Kofi Louis
Rule Your Own World

The golden stool,
The golden love,
The golden horse,
The golden muse,
The golden egg;
But cleanliness is next to excellence! !
And like the joy of peace,
But, try to rule your world in peace without hurting your neighbour.

Edward Kofi Louis
Everybody is worried about your son,
Because he is now being ruled by Satan!
For his face was on the waters and,
His mind was reflected to us all to know his deeds.
My wise daughters will make my heart glad,
And not like the muse of love always disturbed by Satan!
But one needs to watch the steps of men,
For the bombs are too much to bear.

Edward Kofi Louis
Ruler

Rule,
Ruler,
Rules;
To obey the laws and,
To thank Yahweh always.

Edward Kofi Louis
Rulers And People

Rulers and people,
At, art!
Until the next day;
Elders and people,
To put the laws in order.
Us, usurp!
On us,
On them,
With the works from a higher learning to teach us.
Us, usurp!
Debating,
Asking questions and sharing answers;
Like the muse of a service to tell a story,
However, it is right for you to do the right thing always.

Edward Kofi Louis
Rulership

Rulership over the birds of the air,
Rulership over the cattle of the field,
My reward is with me.

To the tree of life,
Rulership over every creeping thing that creeps;
Like in the days of the Roman Empire.

Violence due to ill tempers,
What is man that You are mindful of him?
There are rulerships all over us.

Edward Kofi Louis
Rules

Rules,
Rules,
Rules!
Rules of life;
We need rules,
Positive rules needed in life,
With righteous laws! !
Living with positive morals.

Edward Kofi Louis
Rules 2

Rules,
Roles,
Rolls,
Light!
Waiting for the sun.

Edward Kofi Louis
Rules Of Engagement

Rules of life,
Rules of love,
Rules of joy,
Rules of peace,
Rules of engagement;
Clean with the pictures at the exhibition,
As the last impact to touch your heart.

Edward Kofi Louis
Rules!

Rules!
I have a ruler in my hand;
But, the ways of life is always full of rules,
With rulers here and there.

What is life that i cannot always understand its ways?
Tell me if you know;
Maybe, you might have crossed over the River of Crocodiles.

What is love that i am yet to understand its ways?
Tell me if you know;
Maybe, you might have seen the Bright Star.

Rules!
With the laws around us to straighten us up;
But, i still need a teacher to lead me on.

Edward Kofi Louis
Rum And Apple Juice

The mixer,
Rum and apple juice!
Drinking it,
With the muse of your love.

Edward Kofi Louis
Rum And Eggs

Rum and eggs,
Like the rain in the garden of your love;
But if dreams were like horses,
I should have been with you on the same bed!

Edward Kofi Louis
Rum, Spectrum!

In the depth,
Of a sign,
So long!
Like butter and honey;
Rum, spectrum!
To choose Righteousness and,
To refuse Evil Works;
Revealed with the laws of peace.

Edward Kofi Louis
Rum, Crumbling!

Listeners!
Readers,
Learners,
Writers,
Painters,
Workers,
To help exorcise such demonic spirits!
Influencing the minds of the people in the village.

A bathroom with the necessary facilities,
Needed on this care;
But, opposed with the muse of your love in this village,
When your relationships were exposed.

The watchman!
Presided over;
The convict!
Deceased;
But, the medications proved ineffective! 
Bent on getting rid of the pregnancy.

Demonic spirits!
Believed to be the cause;
With the superstition in this village,
As the high-hills were found in your room.

Sprout up!
Stumbling,
Propagating,
Improvident;
Like a novice!
To alleviate their plight,
Rum, crumbling!
Influencing the minds of the people in the village.

Edward Kofi Louis
Rum, Crumbs!

Evil thoughts!
From within;
Like the dogs eating the crumbs under the table.
Rum, crumbs!
With the impediments of life;
Like the prize of your philosophy!
According to the traditions of men.
View!
Unobstructed;
But, with slurs and hinges.

Edward Kofi Louis
Rum, Forum!

Drum,
Rum, forum!
Etheridge, ridge, ride, there, red, the, tree, hire, hier, tie, he, her, it, hide, hid,
deer, reed, ether, either;
Summer of love,
Summer of peace,
Summer of joy!
With beauty described with cappassion; living in the land of beautiful roses with
the muse of your sweet love.

Edward Kofi Louis
Rum, Grumble!

Rum, grumble!
Condemnned;
With the works of your hands,
Standing at the door of evil.

Illegal lust,
With affliction and longsuffering;
But, the ultimate result of life is with,
Peace and love!
Doing what is right.

Edward Kofi Louis
Rum, Gum, Drum!

Core,
Sore throat!
Tore,
Ore,
Fore,

Pore! !
Late,
Lately,
Ocular! ! !
Leisons,
Infections,
Rum, gum, drum!
Facing the facts of life;
With the ways of your lifestyle.

Edward Kofi Louis
Rum, Medium!

Rum, medium!
With plates, ladles and bowls;
But, love is the light of the world! !
Able to direct us along,
Doing the right thing than evil.

Edward Kofi Louis
Rum, Radium!

Toxicology,
To help and to teach people with what you know;
Rum, radium!
To live in a better way than with the ways of a drunkard;
The system,
Let the truth lead the way;
And, let the laws kiss your lips always,
In righteousness and at peace with your neighbours.
Every week to hope and pray!
Everyday to think and reason with the muse of life;
And, to look for peace everywhere with your steps.

Edward Kofi Louis
Rum, Rumblings!

Gin,
Origin,
Representative,
Pustule,
Gainsay,
To refute! !
Blains,
Plains,
Brains,
Rum, rumblings!
Eruption;
To belch forth.

Edward Kofi Louis
Rum, Rummage!

Rum, rummage!
Rump,
Rumour! ! !
Rumpus,
Rumple.

Edward Kofi Louis
Rum, Run!

Low,
Flow,
Glow,
Aglow!
Follow,
Allow,
Bloom,
Rum, run!
The kiss;
Seductive,
Feminine,
Blossom,
Love and art.

Edward Kofi Louis
Rumours

My maturity, my will, my old-age, my life, my strength, my mind;
Why do you go away at this time of my life? !
For, i am an earnest man with an address of love;
And like the deep blue sea with the blues of life.
I have the breathing order from the muse of my land to share,
And like sitting here alone on a mat waiting for you;
For the rhythmic order of the blues is from my race,
And like the chronicles of our deeds on this earth.
This way of life and my dreams,
This way of life and my drawings,
This way of life and my ideas,
This way of life and my writings,
This way of life and my paintings,
This way of life and my teachings,
But, where do i go from here?
And like the spell-bind muse of love with the sumptuous act to share;
However, rumours are rumours and, you can't do much about it.

Edward Kofi Louis
Running

Running!
Away from the hands of the wicked ones;

Running! 
Away from the hands of the wickedness of mankind;
Seeking for a safety place.

Edward Kofi Louis
Running Here And There

Terror! !
Attack!
People seen running here and there,
In complete confusion,
In search for safety.

Edward Kofi Louis
Running Man

Running man! !
Terror,
Horror!
With blood stains all over the mirror.

Edward Kofi Louis
Running Waters

Love!
Running waters,
In the living forest;
Standing tall! !
With the muse of your mind.

Life!
Into the mystics of love;
But, today, i am alone in the jungle of Africa.

Running waters!
With a majestic orca;
Muse! !
With the break of light,
Work!
With the muse of love;
But, i am alone on the desert road of Africa.

Life!
True love never dies;
And like the showers of the summer! !
However, thi summer's windows of love will,
Surely find your home in peace.

Edward Kofi Louis
Runningnose

Those,
Whose?
Hose,
Runningnose!
Close,
Runny Nose,
Lose,
The cold.

Edward Kofi Louis
Ruse, Use!

Joy is a sign!
And, love is the way in life;
When, you have the truth.
Ruse, use!
To study from the laws and,
To do the right thing;
Knowing where you came from in life.

Edward Kofi Louis
Rush, Crush!

Bush,
Brush,
Rush, crush!
Unrelenting pain;
However, life is only a breath.

Edward Kofi Louis
Rush, Inrush!

Let us go beyond this valley of love!
For, there is a garden for us to rest a while;
However, the other side is guarded by a brand of soldiers.
Rush, inrush!
Towards the inside;
Den, denote!
With the muse of your sweet love;
However, the other side is guarded by a brand of soldiers.

Edward Kofi Louis
Rushed

Tried!
Rushed,
Culpable;
Love!
Doing the people's work.

You are a Lecturer at the 'Department of Religious and Human Values' at a University!
But, you have no human values in you at all;
Cursing people and neglecting your children without true moral values.

Lust!
Like a criminal abortion in the land of your muse;
And, she was pronounced dead after the act.

Edward Kofi Louis
Rushing Water

Siren!
Rushing water,
Love,
Muse,
Wind!
With the joy of the blue tea in the green pool.

Vendor,
Art,
Muse,
Love,
Popcorn!
Like the muse of the palms with the moonlight.

Waterfalls!
In the twilight;
With the muse of the red flowers,
And, with the heart of joy.

Edward Kofi Louis
Ruth

It is you that i have been waiting for,
Like the Island of Malta with the peace of love;
But maybe, it was a mistake by making love to you.

You are a beautiful woman and,
You are a woman of intelligence and understanding too;
But maybe, it was a mistake by seeing your nakedness.

Ruth, maybe it was a mistake for me to kiss you;
But you are the very one that i have been waiting for!
And i will always be there for you in times of need.

Edward Kofi Louis
Ruth Fecyeh

When the rain falls, it doesn't fall on one man's head!
So this is the way of my muse to you;
For you can still lay down in your nakedness for my love.

You need me to satisfy you and,
You need this muse to tell you who you are;
For the walls af Jehrico are all around you.

I am full of words and of the love that brights your way,
But i am like the writer that crowns your way as well;
So lay down in your nakedness for the this harmony of love.

Edward Kofi Louis
Ruthless

Selfish,
Lustful,
Ruthless!
Misused and abused;
All in the name of man made laws.
No right and no honour,
And like slaves in the hands of their Lords! !
Cruel and endless hours of slave labour,
And under the law of a whip and a gun!
Wicked and selfishness,
This is like to throw the baby out with the bathwater;
But one day, the heavens will open judgement on us all.

Edward Kofi Louis
Ruthlessly!

Ruth,
To rule over her ruthlessly!
Oppression,
Without any reason;
But, why do you destroy yourself?!
After raping her.
Wicked!
To play the fool;
Cruel tyrant! !
However, the heart of the fool is the house of pleasure.

Edward Kofi Louis
Bonds and afflictions await me,
But i have the strong mind to move on;
For the grievous wolves are among my people so,
I have to watch my steps as told to me by Ryan.

Edward Kofi Louis
In 1843, you were taken out of Africa at the age of seven,
And you were donated to a Prince in Germany as a gift;
Because, the Egyptian King offered you as a gift,
But your traces dated back to 'Nebien';
With references to 'Habesch', Kordofau' and 'Darfur'!

Sabac El Cher,
A Blackman from the North of Africa;
But, you were given out as a gift to a Prince in Europe,
And, Prince Albrecht of Germany received you as a gift from an Egyptian King!
However, the roots of your generations are still obvious in Germany today.

Sabina

I love you from my heart,
So come and take me back home with your muse;
And hold on to your dreams no matter how hard you fall!

Thankful people find joy in what they have because,
A bird at hand is worth more than millions in the forest! !

The same place and the same spot,
But the fisher man's boat was not there! !
And Sabina came and rescued me.

Edward Kofi Louis
Sabine

Gifts were exchanged in the name of love,
And like Sabine my lover in the land of peace;
But hatred came to disturbed my root,
And i finally found time to get home in peace.

Edward Kofi Louis
Sabiny

I want to see you because,
You are called Sabiny;
But how much do you care for me?!
Tell me and let me be your lover,
For everyone owns things and values what they own.

Edward Kofi Louis
Sabre!

Lignite,
Ant, plant!
Able, pliable;
A curved blade,
A heavy sword;
List, mentalist!
A thin blade,
A light sword;
Sabre!
Sack, lack;
Illegal lust,
Of men who do conceive children through sexual assault.
Gum, gun!
Over, hangover;
Lust is now your religion,
But, think twice.

Edward Kofi Louis
Sachsen

Sluaghtering a sheep!
The biggest joke;
And like a political twist in the land of your muse,
But, you are influenced by the elders of this village.
You are Sachsen and,
You are hiding behind the big tree!
But, i am the wealthy young man in search of you;
Because, i have a proposal for you.

Edward Kofi Louis
Sacked

Vanilla ice-cream,
Bleeding in my heart without him;
For i have sacked the only man that i deeply love.
It was a fabulous thing to go out with him but,
The rain came in and i left him outside;
Because i said to him, 'it is all over'!
Oh, what have i done to him? ! !

Edward Kofi Louis
Sacred Cemetery

The sacred cemetery,
The phenomenal woman is now with the phenomenal man;
And like a handsome gentleman and a beautiful young lady!
But, do plan for your life very well in this world.

Muse, fuse, use, ruse;
And like five boiled eggs for my lover! !
But, you don't love yourself;
And, that's why you hate others.

Edward Kofi Louis
Sacrifice

Sacrifice your life with the works of the truth;
Because, pure love is better than the muse of war! !!

Edward Kofi Louis
Sad Face Of Life

A dying swan!
With the sad face of life;
Right there in the bush.

Edward Kofi Louis
Sad And Disappointed

Sad and disappointed,
The Goddesses are naked!
And the Gods are drunk;
Why? ! !
Because, mankind have accepted lies than the truth.

Edward Kofi Louis
Sad And Empty

How long will you defend the unjust?
For the daughter of Tyre will come with a gift for you;
And your own people will be faters of your muse,
Because your father's home will be very sad and empty!

Edward Kofi Louis
Sad Note

Sad note,
Sad life,
Sad story,
Love and pain!
Still in chain,
With the memories of the past.

Edward Kofi Louis
Sad Notes

You were spotted with a beard and a moustache on this case,
But pummelling my chest to leave you in peace;
However the society is ready to reveal your hidden secrets.

Love at first sight,
And like a self-seeking putsch;
But everybody knows where his or her love is.

Newsflash! !
Tome, dome, come, home, some;
She was caught pants down with a man on top of her!
For se had thrown away her wedding ring,
And like the sad notes of life with many things at hand.

'Uhhmm'
You are sleeping with somebody's mistress and you are going too deep;
And like the sad notes of life with many things at hand,
But you were spotted with a beard and a moustache on.

Edward Kofi Louis
Sadar

Excited, joyful, zealous;
On the banks of the river of love to share my views with you;
And like the swamps and the marshes to respect your name.

Holy, sacred, blessed;
Use the trees for food and the leaves for medicine;
But a tree will bear new fruits according to its moon,
And like the swamps and the marshes to respect your name.

You are Sadar and i do understand your muse,
For the news came to me and i was very glad;
But the joy of this river is towards the eastern region of your land.

Edward Kofi Louis
Saddle

Saddle, addle, sad, add, deal, dad;
But, on the same day with your muse! !
From me and, to you;
For, the alter split apart and,
The ashes poured out from the alter.

Saddle, lead, lad, led, seal, sea, ale, dead;
And of your high places! !
But, she cried out for mercy!
And, like the muse of your offerings.

A son shall be born in your house as a sign! !
Because, the gift of peace had been offered to you;
And, you need to saddle on to the land of joy.

Edward Kofi Louis
Saddle II

Cattle, saddle, little, kettle, mettle;
Just as it was in your land!
Shuttle, mottle, bottle, hustle;
Just as it was with your muse;
Bustle, wattle, settle, battle!
Just as it was from the beginning;
Before, fore, sore, core, more, lore, gore;
But, come home with me and refresh yourself!
And like the gift of love in the land of peace.
Gore, tore, pore, bore, wore, yore, ore!
With words of love to touch your heart in style;
However, don't pass me by.

Edward Kofi Louis
Sadistic diversity,
Of the brain drain;
Outlined,
Reviewed,
And like an agenda of an exercise duty!
But, stop beating the war drums and,
Let us have peace around us always.

Edward Kofi Louis
Sadness

To the sea of blood,
Sadness upon the face of man;
To the place of war,
Sadness upon the face of man;
Like the key of the bottomless pit.
Of the crowns of gold,
Like a soldier polishing his shoes for war!
But, Abaddon is the angel of the bottomless pit.

Of an hour,
Of a day,
Of a year,
Like a malak flying in the midst of heaven;
But my kiss is as sweet as the honey on your lips.

To stand upon the sea and the earth,
To eat in a bowl hanging openly in the air,
But the tongue is as sweet as honey in your mouth;
And this is all about the sadness of life when,
You have no one to care for you.

Seven stars and seven moons,
Of the seven thunders to share my views;
But when the lion roars, who hides from it?
Life is like that at times and,
We all need hope to carry on.

Edward Kofi Louis
Sadness 2

When i saw him,
There was sadness in my heart!
And, he made me cry.

Edward Kofi Louis
Sadness 3

Sadness! 
Your life is now filled with the acts of sin; 
As you go along with immoral characters.

Edward Kofi Louis
Sadness On Their Faces

The muse of the Stock Fish of Norway,
With many nationals to enjoy it with love;
But, someone took a gun and killed many people! !
For he was impregnated with hatred,
And that has now brought up the sadnes on the faces of the Norwegians.

Edward Kofi Louis
Safe And Peaceful

Pink Rose,
Take my lovely hand and let me take you to the ends of the world.

Red Rose,
Kiss my lips and let me be satisfied with the muse of your love.

White Rose,
lead the way and let me follow your footsteps.

Age, courage!
With the lovely muse of your sweet roses to touch my heart.

Ship, partnership!
And, i am ever ready to be part of the muse of this aroma in the garden of your love.

Ship, relationship!
And like the muse of love with the beauty of passion.

Pet, carpet!
Like the ways of love which is flavoured with the muse of care.

Hip, ship!
You really look like me.

Over, overseer!
I've seen your true colours on this love and, i am ever ready to share mine with you.

Haven, heaven! !
I've now entrusted my sweet love to you.

Ace, Palace!
But, safe and peaceful with the muse of my love to be  alone with you.

Edward Kofi Louis
Safe And Sound

Safe and sound!
After the accident;
Life is a learning process.

Edward Kofi Louis

Pure,
To cure your heart with the truth.

Edward Kofi Louis

Life is very simple when, the right thing is done;
So, seek for peace and, let joy rule the world!
Without hatred and war,
With the works of positive morals,
For the safety of all mankind.

Edward Kofi Louis
Safety First

Life,
Safety first;
Following after all the rules.

Edward Kofi Louis
Safety First!

Safety first!
Yearn for the truth and live in peace;
Enjoying your life with positive morals,
Without hurting your neighbours.

Edward Kofi Louis
Safety Fruits

You have taught me many things as i shared my love with you!
And now, i want to be part of your family and,
Live in unity with you my love;
For, if i could see what you see, then,
I could have been at the top always.

Safety fruits,
Before any other thing;
The quiet nights are now broken up with your love!
And i need someone i cam always talk to in this life,
For, you have taught me many things as i shared my love with you.

One love,
One peace,
One care,
One heart,
One central theme! !
And, with the quiet nights to share my romance with you;
But, what is it that you have to tell me as at now?

Edward Kofi Louis
Safety Way

Love,
Safety way;
Out of nowhere;
Instantly!
On the safety road.

The internet,
The engagement,
The wedding,
The party!

Life,
Reality always goes against theory;
But, go for the gold!
And live with the peace of your mind.

Edward Kofi Louis
Safety!

To guarantee your safety!
To go down and buy some food,
Able to eat and drink;
And, not to die of hunger!

Edward Kofi Louis
Safety-Car

Safety-Car,
You came along and took me away with your love;
Like the rider's web in the land of your muse!
To ride on along the high places was my joy.

Edward Kofi Louis
Saffron

Eggs, milk, spices and saffron;
Like familiar spirits and mediums!
In vain,
A sacrifice to the demon! !
Too blind to see the truth.

Edward Kofi Louis
Sage!

Sage!
In a bird's cage;
And the bird swings along.

Edward Kofi Louis
Sage, Message!

Sage, message!
Teaching and preaching;
Reaching out to all!
And, to be honest with each other.

Edward Kofi Louis
Sage, Sausage!

The year was 2004!
32 years again after seeing for the last time;
Sage, sausage!
Code number P13101961;
To the FBI!
But, you collapsed on two occasion.
Verse, universe!
To the NYPD;
But, we last met at 'Kotokuraba Market'.

Edward Kofi Louis
Sage, Visage!

Page,
Passage,
Stage,
Sage, visage!
Age,
Homage,
With your muse.

Edward Kofi Louis
Sah

Somebody should give me the kiss of love,
For i am still looking for she who loves my heart;
And this will be like the River of Flowers!

This love is like Sah, my friend in my school days! 
So somebody should give me the kiss of love;
For i am flying in my Jet Plane searching for my lover!

Come to the treasure of my love and play with me,
Fr this will be like masons and stonecutters!
But with a complete act of honesty and deep love to share with you,
And i will be landing soon to kiss your lips.

Edward Kofi Louis
Saha

It was just like the tears of love and,
Of the colourful night we spent together;
Because of your lovely chocolate,
And it melted all over my creamy ice-cream.

Saha,
Life is like that at times;
And of the muse of love that we shared last night,
And from it came the tears of love.

Edward Kofi Louis
Sai

Of bread in the morning and,
Meat in the evening for you and me;
The quail came down and covered the camp of love,
And Sai prepared this love in the tent of meeting.

Edward Kofi Louis
Said, Aids!

Extend, end, send, bend, intend, pretend;
In Tripoli!
Contributed,
Conserved;
Muzzle, puzzle!
With naked men and women sitting together side by side in the name of a culture;
Live, drive, arrive, five, dive, thrive, revive, hive, shrive, Clive, beehive! ! !
Banana Castle,
Plantain Castle,
With lonely days and loney nights;
But, why do you expose your nakedness to the world?
Said, aids!
In the magic world with the muse of nature;
Like an new version and a new vision,
Original and natural to the traditions of a culture!
And, to take a jive on this issue at hand.

Edward Kofi Louis
Sail along with me and let the truth be your friend like,
Creative minds without borders;
And like the inheritance of knowledge to respect my heart,
With the free will of your love.
This sin-sick-world is not holding up on you!
And, evil is everywhere today;
However, try to come along and sail with me,
To the land of righteousness.
Come! Sail along with me;
Learning the ways of the laws with the muse of the truth,
To the land of righteousness.
Sail along with me peacefully into the Celastine to teach others,
Like the muse of creative minds without borders;
Because, there is one law for all on this earth.

Edward Kofi Louis
Sail Away

Rob, rid, rip, red, rap, rod, rib, rue, rub!
To sail away with the muse of your love;

Cat, cut, cot cob, cub, cad, CID, cur, cap, cop!
Nine years after with the struggles of your muse in the land;

Art!
With the magic of love;

Step by step,
Along the line of different cultures than your won;

One step after the other,
To the city of literature;

Life!
Always on the way;

Muse,
Like a novel written for your sweet love.

Edward Kofi Louis
Sailing Along

The coast,
The view;
With your boat,
Sailing along,
With your coat;
Viewing the mountains around and,
Seeing the mountain goats.

Edward Kofi Louis
Sailing Along  2

Love is very powerful than anything!
And, always say thank you in all things.

Sing along! !
Show your smile;
With the works of peace and joy.

The muse of life,
To have a big heart in the name of humility;
And to help the people around you,
Sailing along with the big ship of peace.

Edward Kofi Louis
Sailing Along 3

Press,
Express! !
Solution,
Resolution,
World class!
With innovative pathways;
Sailing along,
With the muse of positive morals.

Edward Kofi Louis
Saint Louis County Police

Ferguson!
The unrest,
Misunderstanding,
After the death of Michael Brown;
Shot and killed by Darren Wilson,
The Policeman.

Saint Louis County Police,
With the unrest in the county!
Since the death of Michael Brown;
On the 9th of August 2014.

The mus eof life,
One act leads to another!
And, one's mistake can easily lead to total destruction;
As seen in Ferguson.

Seven bullets!
Shot dead;
By a Policeman on patrol,
Bringing total unrest in the county.

Racism!
Discrimination,
And, what have you to say?
With one act leading to another;
But, two wrongs can never make a right.

Edward Kofi Louis
Sajjida

Sajjida, iad, as, is, said, aids!
Stories,
Trends,
Souvenirs;
To thrive on,
To flourish,
Followed with the muse of love.
Conversations,
Granted considerably;
With the purpose of life,
And, for peace.

Edward Kofi Louis
Sakara

Perseverance pays in this life,
So wake up to your dreams and walk to my heart;
For the cloud has a silver lining.

Sakara, every misfortune is a blessing in disguise;
So do not give up on this dream,
And try to come of it when the sea settles down.

Your love is so sweet and i want you by my side,
For weeping may go on all night but joy comes with the morning;
And i want tell you that winners don't quit so easily!

Edward Kofi Louis
Sake, Stake!

Deception,
Likeness,
Mankind,
From the beginning;
Sake, stake!
With the muse of sin in the land of trouble.
Lust,
With a hole in the ground;
The selfishness of the people!
Destroying the works of the truth,
With their negative acts.

Edward Kofi Louis
Sakina

David was the King of yahweh and,
Shaul was the King of Israyl;
But, Sakina! ! You are my love forever.

Of a veil woven in blue, purple and scarlet!
And like a gem cutter that engraves a seal on your love;
So, do serve the food of love and let us eat together.

Edward Kofi Louis
Sale!

And the girl made some gains;
At the market,
With busy women doing their trade as well.

Female, girl, woman!
Of a gender,
Having things around to foster business;
In the land of the living.

Edward Kofi Louis
Salecah

Salecah, she, he, case, sale, seal, heals;

Ripe old age,

Well advanced in years!

Still living with the works of the truth;

Living in peace;

In the land of joy.

Edward Kofi Louis
Salia

Salia, your love to me is like the young boys and girls!
Of those who are naked around us and are having fun;
But in the name of lust they do swing along with their lives,
And i will be on for ever on this muse of love together with you.

I will be the thinker of your love always,
And i will make you see the skies of true love;
For, i will be like the legacy left for you only on this love.

Salia my love,
Like the days of your youth with me as the new-born baby;
But life works on the righteousness of mankind.
I will be there always and i will obey your laws,
For death is the works of destruction.

Edward Kofi Louis
Salii

The moment of war,
The armed dance of Salii!
The circumspect of the farm by its owner,
But i am here to express my views! !
For this primitive festival is all about the war song.

Edward Kofi Louis
Sally

Sally, say, all, as lay;
To play the game,
To pay the bills,
Hall of fame! !
To visit the Mall,
To call your friends,
To pray for life,
All in the name of peace and love;
And, to kick the ball!
Able to score the goal.

Edward Kofi Louis
Salmon

I am a child wearing a linen ephod and,
You are Salmon sitting and watching what i do;
But, i am not a beggar sitting among Princes.
Like the tresspass offering and the five golden rats,
Come in and warm yourself under my shelter of love;
For my linen will let you know who i am.

Edward Kofi Louis
Salmon 2

Salmon, so, man, on, Sam, loan, alms, no;
He spoke! !
Under the yoke,
While she watches in impatient.

Sorcery,
Oracle!
Of the one whose eyes are opened;
Due to the acts of the people,
Like the residue seen around.

Edward Kofi Louis
Salome

Try to distinguish yourself between what is right and wrong;
For, the Word of Yahweh came to me once again.
Oh! Salome my friend;
Water the garden of joy and, live by the laws.
The muse of life!
Water the garden of love and, live by the laws:
And, try to distinguish between the right and the wrong.
The muse of love!
With unity and peace;
But, many are those who still do not understand why we are here on this earth.

Edward Kofi Louis
Salomey

Now i know the worth of my love towards you and,
I will swim the oceans to meet you;
Now i know the worth of your love towards me and,
You will swim the oceans to meet me as well;
But, your name Salomey will be remembered always.

Edward Kofi Louis
Salt And Apple Juice

Salt and apple juice,
The mixture!
Drinking it,
For the sake of your health.

Edward Kofi Louis
Salt And Honey!

Salt and honey!
With money in your pocket;
'The Year of the Monkey',
Riding on a donkey to the market!
With the key of your culture in mind.

Edward Kofi Louis
Salt And Pepper To My Taste

Salt and pepper to my taste,
And like boys and girls around me;
Salt and light to my wisdom,
And like your love and the romance around me;
But, i can't wait to sleep on my own bed without economics.

Of the very thin line between love and hate,
Thin, thing!
In the line of duty;
But, i can't wait to sleep on my own bed without economics.

Of the vast lines between home and abroad!
But, you are my queen and you deserve my cream;
So, sing and laugh when you have sweet love around you.

Salt and pepper to my taste!
I do have my humble coat in my humble abode;
So, row and flow when you have peace around you!
But, not like a Knight with a crooked talbe.

Edward Kofi Louis
Salt And Water

The land of freedom,
The land of great memories,
The land of natural resources,
Of a sound hospitality to all mankind;
But habits are like traditions which die very hard.
You might have seen my nakedness from your rooftop,
So stop talking in circus and be very brave!
Because, an acid reacts with a base to form salt and water;
And this love is always seen in your eyes.

Edward Kofi Louis
Salt From The Sea

Salt from the sea,
Need of the sun,
Bringing out the White Gold.

Edward Kofi Louis
Salt Of Your Tears

Problems,
With the salt of your tears;
Halt!
Dry up your tears;
Hope lies ahead of you.

Edward Kofi Louis
Salt, Eggs And Milk!

Salt, eggs, and milk!
Adding butter to find your taste;
And, to utter better words of peace to the world.
Preparation,
An agreement,
To come out;
For a response! !
Speculating,
To the point;
Agree, pedigree!
And, to show-case your works to the world.

Edward Kofi Louis
Salt, Wine And Oil

Ever, whatever!
Wherever,
Whenever,
Forever! !
Proceeded without interference;
Salt, wine and oil!
In peace,
Living in peace,
Without hatred,
Never again!
Without war,
Only with the truth;
And, with the joy of your heart!
Respecting righteous laws,
In the land of berautiful flowers,
With the sweet aroma of nature around you.

Edward Kofi Louis
Salt-Bread

Stalled,
Declined to pass any comment;
Salt-bread!
Citing the letter written by your lover to the people;
And, to reject the request of doing what is wrong.
Love,
Recommended with the muse of the laws;
Under the eyes of righteousness,
Knowing what is ahead of you.

Edward Kofi Louis
Salted

The 14th day of Abib,
All offerings must be salted;
Between the two rivers,
Between the two walls,
Between the two evenings,
Between the two cities,
Two horns like a lamb and the voice of many waters.

Life after childbirth,
The voice of a great thunder to share a view;
But the grain and the drink offerings are written in the Book.

And I heard a voice from heaven,
'Try to understand the vision of man';
Like two thousand thousand thousand!
Of a woman clothed with the sun and,
White like a wool.

In my sleep,
In my vision,
In my mind,
In my dream,
White like snow;
But into her wilderness of love to write this poem.

Of the great winepress and a pair of shoes,
Of your fruits of love and the sins of man,
She being with a child is about to give birth;
Like a woman sitting on the moon clothed with the cloud of love.

My mind is to lure you on this love,
My work is to lure you on this act,
Better from the top with impressions on her sweet love;
But the disciplined mind will lead the truth always like,
The unborn fetus waiting for its time to come into the world.

There is no smoke without fire,
And perfect love casts out fear!
So it must be salted before eating,
For this love is on all the offerings.

Edward Kofi Louis
Salted Bread

Salted bread!
Per the medical report;
With credible evidence of love,
As you do keep the laws.
Raced, traced!
Follwoing after the laws;
The positive laws of life,
With the ways of the truth.

Edward Kofi Louis
Salted With Love

It must be salted,
It must be roasted over an open fire!
It must be koshered,
It must be soaked in salt water,
For there is no red carpet in heaven!
But it is only the white carpet of peace and love.

Love your partner everyday,
Ten thousand times ten thousand!
Because Rome was not built in a day,
And we all need to be guided by the laws!

The last great day is between the two evenings,
And without blemish between the two legs;
For the silver trumpet is between the two lips.

Ten years of pain in Satan's room and,
Five years of joy there after;
But the earth is full of water and,
Many are still without water.

It must be salted,
And bewteen the two eyes to show some love;
For the golden tree and the golden box are closer always.

Put the golden tree into the golden box,
And let me teach you more about love;
For the white carpet in the heavens are full of laws,
And we have to live by the rule of law.

Edward Kofi Louis
Saltwater

Saltwater,
Love,
Peace and joy!
You need salt in your body.

Edward Kofi Louis
Salute

Cute,
Flute,
Salute!
With the muse of love.

Edward Kofi Louis
Salvation

Eternal life,
The knowledge of salvation;
The truth,
With righteous works!
The glorious message of positive morals;
And with prophecies.

Salvation,
So clean with the works of the truth!
If only if we are ready for positive morals.

Humble and submit yourself to the works of the truth,
Serving all mankind with kindness;
Following after the laid down Laws of Righteousness! !
With the Faith,
To gain a place of safety,
Called eternal life.

Edward Kofi Louis
Samara

Samara, Sam, arm, ram;
Get information and,
Get the truth!
Able to shape your life with righteous works.

Edward Kofi Louis
Sambisa Forest

Sweet crude,
Sweet love,
Allure!
In Sambisa Forest.

Simplicity!
To get to that point;
In everyday life,
But, to teach your children the truth.

Life is a gift,
So, use it well;
Than wasting your time with illegal lust!
Which leads to hatred and war.

The muse of life!
You are there to teach us;
But, there is trouble in Sambisa Forest!
And, of the bad things done over there.

Edward Kofi Louis
Same Law

Emission!
That same day;

Mission,
The work is done;

Remission!
With the same law for the alien and the citizen.

Edward Kofi Louis
Same Opening

Same mouth,
Same opening;
Righteous conduct is with the wisdom of the works of the truth!
However, sensual and demonic are the works of evil.

Edward Kofi Louis
Same Sweetness

Love,
Same sweetness,
Same joy!
Love and romance,
Life and peace;
In unity with the fragrance of nature.

Edward Kofi Louis
Same With Your Love

Game!
Came along;
Tame,
Same with your love;
Without the shame of the truth! 

Edward Kofi Louis
Sami

Your love is shared with the passions of its muse and,
I will bring you the sweet fruits of my love for you always;
For your mind shared on this love is like,
The bird and the nectar up high on a tree top.
Churches and Assemblies are around you like war!
And like the Passover Feast of the unleavened bread;
But blessed are your eyes on this sweet love,
For you are all that the muse of this sweet river brought to me.
The legacy of life and time is like you and i on this river,
Enjoying the stimulations of the drama that it takes;
And like the legacy of the care of one's love!
For the flume brickbats are with riposted acts and,
The heart of the poet is very complex to understand at times.
Share this tradition and share this view of mine,
And like the beautiful mind of love on a coast like this;
But with gift of Sami to gladden my heart,
And you are always part of the share from this love.

Edward Kofi Louis
Samiel

Samiel, Sam, me, am, ale, meal, Mali;
This hunger!
This pain,
Sea, seam!
I invested my trust in you;
Pose, repose!
Like a log of wood;
Samiel, Ali, sea, lie, lies, lame, seam;
Drowse, drowsy!
Very soft,
Easy-to-find location;
Fresh vegetables! !
Samiel, mail, same, male, seal, aim;
Mail, male!
Primary,
Preliminary,
Easy-to-find location;
With the help of Samiel your friend.

Edward Kofi Louis
Samini

Samini, aim, in, Sam!
Same as life,
Same as peace,
Same as love,
Same as joy! !
Living in the land of beautiful flowers.

Edward Kofi Louis
Sampler

Sampler, same, Sam, pal, palm, Psalm, reap, pearl!
To visit Africa,
With the muse of your love;
And, with the home affairs of the 54 Nations.

Sampler, arm, ram, am, sea, sear, ear, era, meal, sale!
From colonialism to democracy;
To see things yourself when you do visit,
And, with the muse of the brain drain.

Sampler, lap, lamp, pear, ale, pale, map, male, sap;
Telling you the truth about Africa!
A continent of 54 Nations,
However, do visit to witness things for your own eyes.

Edward Kofi Louis
Sampson

You are the son of my sorrow! 
So, tomorrow i will borrow to satisfy your muse; 
For, the arrows of hatred are now aiming at me.

A drink offering, 
A pillar of stone, 
With the fruitfulness of the laws on my affliction; 
But, my love is now buried under this great tree.

Oh Sampson! !
To live in love, peace and unity; 
But, you are the son of my sorrow, 
And now, i have to borrow to satisfy you tomorrow.

Edward Kofi Louis
I am a green person but,
My mother is yellow and my father is blue;
And like a man wearing the 'tallit' of a prophet!
But, my name is Samson.

Get up now and eat to cheer up your heart!
For, Astoreth is the Goddess of the Phoenicians;
But, i am a man with virtue.

Edward Kofi Louis
Samson 2

Samson, Sam, so, son;

In stature,

With honour,

Old age is a Blessing!

Positiveness,

With the muse of wisdom.

Edward Kofi Louis
Samuel

Why have you came to me now? !
Since, you were hostile to me;
But like the weed of Esek,
I hope that you've learnt your lessons well.

Life is how you make it,
And my mind is for peace at all times;
But like the well of Sitnah,
You need to learn always oh Samuel.

Edward Kofi Louis
Samweli

Enter the dragon and meet the tiger,
For your reward is greater in my heart.
You are Samweli and,
I can hear the echoes of your love in my heart;
For peace is all about true love and care.

Samweli,
One does not look for oil by looking for oil itself;
But rather, through the geological terrain.

You are like the indomitable lion and,
Your love means more to me;
And with the inspirations and the perspirations of things.

You are the passing attraction,
For your love goes deeper than you think;
And, you are akin to a brusque of my love.

You are the refuelling of the fresh air around me,
But try to reach out to the top always;
For, you are always on my mind like the fish of the sea.

Edward Kofi Louis
Hello Sana Boja my friend,
It is a very time since we met in Ghana;
And i hope you are now doing well in Gambia.
Try to exhibit your talents at all times and,
Do go for your dreams always;
And remember that you do have a friend in Ghana.
Your experiences in Ghana during your visit tells it all,
So do move on in life Sana Boja;
For i am what i am today with my mind always on a muse.

Edward Kofi Louis
Sana Boja II

I want to kill your pain with my love,
And to heal your mind with a great kiss!
For the emerald of the rice fields are your crowns,
And like the muse of your love in the land of peace.

Underwater coral gardens,
Of the ambience well attuned and well relaxed;
And like a feel of a joyful ride.

Young pineapples and exotic bananas!
We are just teenagers on this love;
but you are 'Sana Boja' from Gambia,
And, i will always remember you on this muse.

'First cut is the deepest'! !
And i still remember the days of your short vist to me in Ghana;
However, i will always heal you with my love,
For the lamp of the body is the eye.

Where your treasure is, there also is your heart!
But follow the narrow path to lead you always to my home;
And like the muse of love in the land of peace,
For i will always remember you my sweet 'Sana Boja'.

Edward Kofi Louis
Sanaa

White-headed gibbons, orang-utans and Thomas' leaf monkeys!
Visit my muse and let me take you to Sanaa;
Tapirs, tariers and banded leaf monkeys!

And like the muse of this forest closer to Sanaa's home.

With images across the land.

Edward Kofi Louis

Sand and land,
Indigenous;
To conglomerate your businesses,
With the beauty within your heart.

Edward Kofi Louis
Sand Of Africa

He chose the Sand of Africa and a Ship,
And of the meaning better known to the world;
But the flaming fire will surely burn in the bush.
Love yourself and do not hate others,
Love yourself and do the same among others around you;
For he chose the Sand of Africa and a Ship,
And my words encouraged those who stumbled.
Look how they are like unstructured roads,
But let the light of my love shine upon them;
And like the joyful sounds of your love,
For the delight of your care is in this love.

Edward Kofi Louis
Sand Particles

The wind!
With the muse of the sand;
And, sand particles went into your eyes.

Edward Kofi Louis
Sand, Stand!

Enjoying every step of it.

Edward Kofi Louis
Sander

Brighten up your mind for a journey through 'Kukurumtumi'!
For the muse of love is about to bath you all over once again;
And i am blessed with your love tonight.
I was born somewhere and your love touched my heart,
But to you Sabder i will praise my muse of the love tonight;
For you do have the burning desire of love from 'Jasikan' and,
You are still very youthful and evergreen on this love that muses!
And just like a little bit of tenderness when the lights grow low.

Edward Kofi Louis
Sandile

Let the truth comfort you concerning the works of your hand;
Sharing!
One for you and one for me;
To learn something about life and, to show respect to all mankind.

Edward Kofi Louis
Sandra

The solidarity rally is in the south,
And of the pivoted movement of history;
For i am still searching for a common ground to sell my name,
And history will always record our wrong doings.

My name is Sandra but,
Are you the Jew who left the jewel? !
Then come in and let me learn more from you.

Edward Kofi Louis
Sandra Feldman

Sellers and buyers! With the muse of the world;
Able to expose our Products,

Sandro

The mouth of the sea and the eyes of the earth,
People came rushing for the news!
But what they got is not what they wanted because,
My lover had already covered her nakedness.

Dress like Dalessandro and walk like Sandro my friend!
For i really know much about thid life and,
I am ready to share my experiences with you.

Writing the unseen and seeing the unbelievable!
But the reporters came in and met something different;
Because my lover had already covered her nakedness,
And like one who marries Mary to make merry.

Edward Kofi Louis
Sankara

Solo, logo, mono, Congo, Togo, into, mango, unto, to, so;
And, starting it out!
But, being with busy minds around you in the town.

Oh Sankara! !
There is no friendship in the world today;
Because, money and greed have taken over!

Greed, reed, deed, need, seed, proceed, weed, breed, feed, freed;
Black out and white in!
White out and black in!
Come, become, some, Rome, chrome, brome, dome, home, tome;
But, with a new name, a new hope and a new door!

Edward Kofi Louis
Tell me,
What occurs to you after sex?
And like how you spent the night with a prostitute;
But, you can still entice me with your love because,
This world is full of ups and downs!

I am walking to the hill that faces Hebron,
But, you are still making love with Delilah! !
And the village next to you now is called 'Sankofa'.

You lulled me to sleep with my head on your lap,
And i am now blinded because of this love;
But your sex wax is now like the flax that is set on fire! !
However, in the middle of the night you woke me up.

In the cleft of the rock,
In the middle of the night,
In the land of roses with the aroma of your muse!
And with the tip of my staff touching your heart;
because, a fleece of wool was on the threshing floor.

You did it in the night with me,
And i was filled with the bowl of your lovely muse;
But this bowl of water is like the songs of love,
And, i finally saw your face! !
But, let me go before the day breaks on us,
And like the muse of joy in the land of plenty.

Edward Kofi Louis
Sannah

Sannah, Ann, Hanna;

Love,

I have a secret for you;

Because of your beauty,

Unlock this door and,

Let ne come in!

Because, i love you.

Edward Kofi Louis
Sanni

He was seeing her off all the time!
But to back off from this act was like the basic ingredients of love;
And like Sanni who underscored his act,
But the principles of life need love.

Edward Kofi Louis
I live in place called 'Santa Maria',
So do visit me in Accra (Ghana) to know how it looks like;
For poverty is what is written on my face.
Come to my sweet abode and do share what I have,
For I have my sweet love for you alone;
Like the life seen over here in 'Santa Maria'.
This is another local area within Accra,
With words from my muse to reach the whole world!
But life here is all that you need to see.

In the land of peace and joy.

Edward Kofi Louis
Sarah

'Shall Sarah who is ninety years old bear a son? !'
But the manner of women came upon her one day;
Like the seahs of fine flour according to the time of one's life.

Rest yourselves under this tree in the heat of the day,
For Ishmayl was circumcised by Abraham;
And the words of the Creator were manifested unto Sarah.

Edward Kofi Louis
Sarah And Abraham

Play it exactly as he played,
Fish it exactly as he fished,
Fight it exactly as he fought,
Love it exactly as he loved,
Give it exactly as he gave,
Sell it exactly as he sold,
Buy it exactly as he bought,
Life must surely manifest itself one day;
And he rested on the seventh day and he had peace.
Keep your marriage according to the law because,
Love must surely take control in all things.
Sarah obeyed Abraham and called him ruler,
But we are all strangers and pilgrims on this earth;
And like the former times with your precious love.
To share with others and to conceive a seed,
But he who doubts is like the wave of the sea.

Edward Kofi Louis
Sarah And Mr. Oscar Said It

The muse of love,
Sarah and Mr. Oscar said it!
Then, it came to pass;
In the land of the living,

Because, a child is now born to you.

Edward Kofi Louis
Sarah Of Nii Boi Town

Sarah of 'Nii Boi Town',
I don't know who your parents are;
But one day you will introduce them to me.

I met you many years ago and now,
You are a grown up lady ready to marry;
I really do not know much about your covered body,
But it is very right to cover your body than to expose it.

Life has taken us so far and,
You've been in the 'Hair-Business' ever since;
For your dressing was all that attracted me,
And you've been closer to me since all these years.

You were different among the others and,
You've learnt enough and you're now a matured woman;
But life does have many rules for us to obey.

Be yourself and be ready to learn always,
For you will marry someday very soon;
You've only told me about your mother of whom,
I am yet to meet in your land of 'Hair-Business'.

Please try to hold on to your status-quo for,
I still want to know much about you;
And love is like the wind that blows about,
So be very strong on your dreams.

Life is like the waves that moves about and,
The peace of the mind is what we need always;
For you really know who I am,
And like your neighbour next door who cares.

You know my help since all these years and,
Of the care and peace that we share;
So do stay cool and be prepared always!
For the muse of love is about to infuse your body and,
I will be waiting to hear from you once again.
Sarah's Choice

The muse of life in the land of trouble!
It is Sarah's choice on this matter;
Because, she has now got a man.

Sarah's choice!
Growing up alone to survive from the heat of Africa;
And, with the muse of her work in Accra.

Life!
With the ways of mankind;
But, where is the truth among us today?

Love!
Taking a turn on Sarah;
And, it is now time for her to decide.

Edward Kofi Louis
Sarah's Voice

Running around in the heat of Africa!
Then came the rain;
Yes, in the raining season,
As, Sarah came out with her love.

The muse of life in the land of peace!
Hearing Sarah's voice as she called for help;
But, who is ready to listen to her?

Sarah's voice!
It is time to take care of her;
After being alone for many years.

Life!
Records are there to be broken;
Working hard towards your dreams.

Sarah's voice!
Like the muse of a flying eagle;
But, the chemistry of her love is now all over her,
Like the sweet songs of the forest at night.

Edward Kofi Louis
Sarai

Sarai, as, air!
Rivers and fountains of waters,
Just and fair;
With the works of the truth.
Walk in wisdom and seek for peace,
Fowl, bowl, owl!
The truth is just and fair;
The door of utterance,
The door great secrets.

Edward Kofi Louis
Sarkodie

Sarkodie, Rome was not built in a day!
So it is time for us to repent so as to gain eternity.

Why should i use your nakedness?
When i only came here to push you through;
History is with us all because of our sins,
So why should i see your nakedness?!
When i only came around to help you through.

Edward Kofi Louis
Sarpong

The pastures are clothed with the flock and,
The little hills of your love rejoiced on both sides;
For your valleys are covered with grain and,
Sarpong came to water them.

Satan Is Leading The People

Sin is more desirable in the world today!
With Satan leading the people;
With the pleasures of the world,
Full of lies than the truth.

Wrath!
With the wine of her fornication;
As one commits fornication with her.

Saturn!
The Star God;
With the delicacies of the lust of the world! !
And, with the iniquities of mankind on the earth today.

You have to say my name and i will be there for you.

Edward Kofi Louis

I want my people too to enjoy a little bit as well;

But to bring out your sayings to me love when,
It matters most to put you in the corner and to love you.

Edward Kofi Louis
Sayings II

He or she who does not love me does not love my sayings,
So tell the lady who sent you to me that I love her too;
And I will not change my mind on this love.

Edward Kofi Louis
Saywell

Say it well and be my friend because my name id called Saywell,
But Nick and D'angelo will promised you a gift;
So let me investigate the matter on your love,
And like Elasah, Pash and Angelo who were here with us last night.
Your daughters are now married to their sons,
So rise up my friend for the night is over;

To spy over others and to defend yourself!
But, you were trained in what you did;
Scales, sale, seal, scale, sales, ale, ales, sea, seas, as, a, case! !
But, you will always reap what you sow in this life.

Edward Kofi Louis
Scales Of Deceit

I taught Ephraim how to walk,
But today he had backslided from me;
I taught Ephraim but today,
He has the scales of deceit on his hands.
Ephraim surround himself with lies,
Like a smoke from the chimney of his house;
Let the wise understand this message,
Let the prudent know this story,
When I feed him,
He was very satisfied.
A craftman made him as he is today,
But life is to blossom like a Lily.
Let's sow righteousness and reap mercy,
Let's be eachother's keeper;
Like the father of his children,
He has lost the firstfruits of his figtree.
Let's learn how to care for one another,
Let's teach others to be straight;
Oh Ephraim! Don't eat the fruit of lies;
The scales of deceit are on your hands,
Because you have eaten the fruit of lies.

Edward Kofi Louis

With the muse of a finger bigger than the waist! !
In times of trouble,
Until the sun goes down.

Edward Kofi Louis
Scattered

Scattered!
Upon the hills;
Like sheep without a shepherd.

Edward Kofi Louis

To the twelve tribes scattered abroad;
But, the testing of your faith develops endurance,
Making you what you are today.

Exalted! !
To rejoice in what you have today;
Because, no one knows tomorrow!
Able to move along with your faith.

Edward Kofi Louis
Scattering Winds

Marvellously,
Downpour,
Whirlwind!
The cold blows from the scattering winds,
But don't stop on your dreams until you get enough.

Mountain goats,
Inward parts,
Harden like a stone!
And like the cloud of discipline in the land of your muse,
But don't stop on your dreams until you get enough.

However, summer and winter are opposite to each other.

Edward Kofi Louis
Schemes Of Beauty

Blue boat,
Blue house,
Blue birds!
Schemes of beauty;
Like a painted desert.

Edward Kofi Louis
Schil

Everybody in his or her own best is only like a breath on this earth,
For tomorrow comes and he or she is gone too soon into the grave;
I am now silent and i want to hear the muse of your love,
Because i want to know whether you truly love me for what i am;
For Schil is ready to remove the burden off your shoulders and,
To create enough room for us on this love that muses with care.

Edward Kofi Louis
Scholars

Scholars,  
Famous prophecies,  
Who is this man? !  
But as willows by the water courses,  
So is my love to you.

Struggled,  
Centuries,  
Who is this woman? !  
But among the grass is the muse of your love,  
And like the bank of a river with care and peace.

Edward Kofi Louis

Scholarship!
With the muse of love.

Edward Kofi Louis
School

Oh school, what is it?
The place that we go and acquire knowledge;
Oh school, what is it?
The place that we can easily gain dondoorlogy;
So boys and girls come out and let's go to school.

The time is ripe to gain some knowledge,
The time is right to gain some wisdom,
The time is now to gain some understanding;
Forgetting that we learn to read and write first.

Oh school, what is it?
The knowledge gained to make us great one day!
Today, I am what I am after schooling.
You may put me into another category but,

Of a Scientific Computer Game,
You don't need tickets to enter it;
Of a Computer balloting system drawn from 900,000 E-Mails,
You don't need tickets to enter it;
From Canada, Australia, U.S.A, Asia and Europe;
Of Africa, Oceania and the Middle East as well;
But with a security protocol to swing your muse.
I was selected among the best ten in 2008,
But how do you claim the huge sums of money without pain?!
And like a light in a tunnel full of armed robbers,
Where do we go from here?!?
Because, THE TRUTH was never said.

Edward Kofi Louis

The landscape,
A river runs through it;
But, a lady was seen afar with a yellow dress,
From the Sea View Hotel.

Love,
Sleeping beauty;
In the south,
In the north,
In the west,
In the east;
With different minds expressed on the same issue,
But, a lady was seen afar with a yellow dress.

We need the future;
So, let us build up today in peace than with the bullets of war!
With the interest of love,
And, to share with one another.

The atmosphere is very peaceful around me;
Ware, beware!
But, follow the appropriate channels.
Sea, season!
Grievances,
Dried fruit,
Rough bath! !
Joinery,
Joule;
Be, beware! !
With the atmosphere around you in this town;

Come to me and let me show you my abode,
For my peaceful home will guide you on;
And i want you to be my bride.

Edward Kofi Louis

Let me seal your love with a kiss and,
Let me take you home my sweet one;
For what you want at times is not what you always see around you!
But i have the answers to your heart.

Edward Kofi Louis
Seal The Book

Declared,
Source,
Except,
Prophesied for this last age! !
But seal the book and let many run to and fro;
For i am about to pout out my love to water your valley,
And like the ways of your love in your own country.

Edward Kofi Louis
Sealed

Concerning your former conducts,
And gather together to learn the word of truth to enhance your living!

One man from each tribe to present his work,
And like the muse of love in the land of war! !
But peace is much needed for us all to be able to enjoy this earth.

From thirty to fifty years of age,
But this man is wearing a 25,000 Dollar-Watch while his people go hungry!
And like the ways of life found among the peoples of this earth.

The flax of your muse,
And between the double walls of your love;
But you let them down by a rope through your window!
And like a search in the Greenwich Farm.

Edward Kofi Louis
Search And Look

Search and look out for my love,
For out of your door comes something sweet;
But the despised people will never keep my laws!
Search and look out for my love and,
Keep it trimmed to be real at all times;
For my love is sweeter than red wine!
And do not deceive yourself any longer with the people around you,
Because you are touched by my love and i know how you feel.

And, to be ashamed of your deeds;
And like no other.

Like a river in the wilderness;
but do search deep within yourself,
And like no other.

Who is adequate?
Equate, adequate!
Who is hungry?
Cry, wry!
And, to preach the message of truth.

Life is like a quiz!
love is like an interview;
And, unity is with the peace of the mind.

Of the highly literates and the intellectuals!
But, search deep within yourself;
For, the earth is divided by rivers and,
I do have a reading culture to share with you.
Effeminate,
Meliorate;
With intellectauls alike,
But, do search within yourself to find the joy of peace.

As seen in your eyes,
But, the tranquility of the muse of peace is much needed.

Love!
Th the Tulip fields;
Far away from home without you,

All in the night of visions with my muse;
But all offerings must be salted with love.

Living in a sleepy town nestled beneath mountains and forests;
Imagery!
With the muse of the imagination of the land before you.

Edward Kofi Louis
Seductive Words

Adultery!
With seductive words;

Fornication!
With seductive words;

Do not be wise in your own eyes,
Do not lean upon your own understanding.

Edward Kofi Louis
See

See! ! !
A busy bee;
On top of the tree,
To agree with nature,
Flying about free in life!
Not to pay a fee.

Edward Kofi Louis

See What Pours Out From Your Mouth

Evil works,
Evil words,
Evil acts;
See what pours out from your mouth!
Swords belch from your lips.

Edward Kofi Louis
See, Bee, Lee!

See, bee, Lee!
With the muse of life and the muse of nature;
The bee and the lovely flower,
Seen in the garden of peace! !
The bee needs the flower and the flower needs the bee;
With nature crowning it with joy.

Life,
With the muse of the pen and the book;
To look for Mr. Lee in the land to answer some questions,
Coal, foal, charcoal, goal, shoal!
Thought and felt;
With the muse of another page in your book.

Edward Kofi Louis
See, Lee, Bee!

Bible Knowledge,
Reading and learning the ways of the laws;
And, to become perfect by,
Changing your mind and your heart with righteousness.

See, Ldee, bee!
The bee needs the flower and the flower needs the bee;
And like taking a flight to China to see Mr. Lee.

Bible Knowledge,
With the facts of life and the facts of the truth;
If only if we are ready to observe the laws!
Which leads to righteousness and peace.

Edward Kofi Louis

Life!
Live in the right way that it was meant to be;
Without illegal activities,
Because, what you do with your life is your choice!
And, negative acts will surely bring you misery.

Elders, deer, reed, seed, see, seer, reeds, red, led;
See, seed!
Make right choices and change your life;
With love and mercy.

Pets, trumpets!
With the wings of love seeking for peace always;
And, to open your eyes for the truth!
Adhered to life in the right direction;
Because, if you wash your fingers very well,
You will eat with kings and queens.

Edward Kofi Louis
See, Seek!

Sickness!
Very close to your death;
But now, you are alive once again,
Even though, we prepared for your death.

Life!
With the troubles of mankind;
And, with the ways of nature,
Across the land.

Life,
With the seekers and the finders;
See, seek!
With the muse of your works;
In the land of the living.

War!
With more victims than victories;
So, what is the use of war?
And, what is the need of fighting your neighbour?
When, true love brings joy and peace.

Life!
Full of surprises;
Even with the very power of nature,
As you’ve now recovered from your sick bed.

Edward Kofi Louis
See, Seer!

Lifted up!
With the muse of life;
See, seer!
Serif,
Breath,
Tribes,
Brief,
Left, lift!
Like sheep and cattle;
With the muse of your love in the inner room.

Edward Kofi Louis
Seed

I am the seed of Africa and,
I know my ways in the bush of love;
So come to me and let me lead you on,
Because the lions are asleep and i still know how to tame them.

Seed time and harvest time.

Edward Kofi Louis
Seed, Feed, Emceed!

Life,
You need to be true to who you really are;
So, do not try to please everyone!
Because, it is not everyone who would like you.
Seed, feed, emceed!

Hosted,
Noted,
Alongside the muse of love and the ways of nature;
Like a veteran.

Love,
Benefiting from the muse of my toils;
And, being loyal to my people,
Caring for each other in the name of peace.
Seed, feed, emceed!

Slim and athletic;
But, self-sufficient in the land of my muse,
From where I do write with the muse of my imaginations.

Love,
With a positive headway!
Life,
With the love for the country;
In which I was born,
But, growing up to face many challenges.
Seed, feed, emceed!

Beautiful, love and caring;
Aside from the ways of the laws,
As I walk across the land of peace.

You can't change it;
For, the truth is the truth,
And, nothing else.

Form, from!
Of the things to come;
With the muse of the seeds,
As one grows along in life.

Sect, elect, select!
From the seeds of life;
Sworn, worn, won, on!
With the ways of life;
Sight, insight!
Operational under the muse of love.

Edward Kofi Louis

With the muse of the past.

Seeds of love,
Seeds of peace,
Seeds of joy!
In unity with the laws;

Women and girls,
With positive moral characters.

Edward Kofi Louis

Your seeds,
My seeds,
Our seeds;
Life and nature,
Turbulent like water at times! !
But, you are dressed in linen today.

Scaled!
Sealed,
To call them back;
The ways of the world,
Seeking for oil! !
With the challenges ahead.

The seat,
The ring,
The tree;
Turning aside to learn as well!
But, let there be peace and love;
To unite the world with positive morals.

Seeing Your Works On Tape

Your world is not my world!
Why are you exposing your nakedness today?

Your home is not my home;
Is this what was taught to you at school?!

Because, you are ready to cut off somebody's head;
All in the name of a religion.

Mike, like, spike, bike, pike, Ike, dike, Nike, hike!
You walk around with stolen money in your pocket;

Sea, seal!
With others being patient in lifewith empty pockets;

Edward Kofi Louis
Seek For Peace  2

Fighting and killing one anther will never bring us peace!

You can't live in peace with your neighbours when you hate them;

Negative acts destroy the peace of the World.

Hatred and war will never unite the people!

We can make life work for us when, we seek for peace.

Edward Kofi Louis

Seek for the original!
Seek for the truth;
Because, the truth is forever.

Before you can understand the muse of my mind in writing them.

The truth! !
Share it with the people around you;
And sow seeds of love than hate,
Able to reap in joy.

We all need teachers on this earth;
But, let them be teachers of righteousness!
Because, the examinations of life are in many forms;

Living in peace,
With the muse of her dreams in life.

Seen up high in the night,
About 20: 45 Hours in the land of my muse.

The initials,
Seen up high in the sky!
With the Bright Star playing romance with the Moon;
In the night.

The muse of nature at night!

The romance of nature, 
The beauty of creation; 
Colours! ! 
Seeing all the colours around us.

Living old enough, 
To teach others, 
With the muse of the truth;

Alas er 18 war!
Das letzte Wort,
Selbstständigkeit.

Edward Kofi Louis
Selected For Your Love

Selected for your love and selected for your muse,
But it is only in the higher order to warm you up!
And like the sky over Berlin.

One bog one or two small ones,
And like the sky over Accra;
But the atmosphere over Africa is like the colours of your love.

Without a better education,
The better high-paying jobs are forever out of reach! !
And like your daily needs in the land of your muse,
But be very wise in what you do always.

And, with the beauty of its gardens.

Muse!

Vegetables;
Self, shelf!
Bright and attractive,
Nice and lovely;
But, it is well with your soul.
Chef, shelf!
Bright and attractive,
Right and lovely;
But, it is well with my soul.
To tantalize it!
With tea, rum and sugar;
Point it and take it in.
Pulp fiction!
Love knows no end and,
Love knows no border;
Bread and potatoes,
You only live on these.
Of the graph!
Horizontal and vertical;
But, never drive your car through the waters.

Edward Kofi Louis

Hear no evil,

Endless Love! !

I need you around to brighten my day;

For i still cherish those sweet moments.

Edward Kofi Louis
Self-Control

Of evil jealousies, hatred, selfish ambitions, dissensions and envy;
Do away with them to enter into life with meekness and temperance.
He was born of the promise and,
The inward man is renewed day by day;
Like the richness of the Creator's pardon,
Who persuaded you to obey the truth?!
he was born of the flesh,
Like the law of sinners;
You lack self-control and Satan is close to you,
Like the exposure of your nakedness without the law.
Impending distress,
Run a race so that you may win a prize;
Like a letter to my kinsman.

Edward Kofi Louis
Self-Evident

The account of creation,
And as a self-evident to the land of your muse;
But this is the foward march act on your love,
And many are still in the bush searching for you.

With the muse of your love;
Your heart!
Your love,
Your peace;
Gown, flown, town, crown, thrown, down, sown!
The pen of the writer,
The ink of the teacher,
Drown, clown, grown, brown, frown, own, mown!
Semblance,
With the muse of a glamorous woman.

Edward Kofi Louis
Sena

I am a man who plays skilful on the harp but,
Do rise up and praise Sena my neighbour;
For Sena is the one to lead you on and,
I am a brave man and a warrior.

Edward Kofi Louis
Send Down The Rain

The world is ending gradually on us,
But who can stop it from all the disasters around us?
There is fire here and there is war over there,
There is flood over here and there is Tsunami over there!
And people are being killed in many ways;
But who can stop the actions of nature?

This is like the secret code in 'Louis' Theory 6-5-6';
And we need to correct out history to move on in life!
But who will send down the rain to stop this fire?

Look at Japan and the situations to the nuclear reactors! !
With fire-fighters pumping out enough water to cool down the overheated reactors;
But we need the heavy down pour from the heavens to help solve this matter,
For the land of Fukushima now looks like the end of the world.

Send down the rain!
For we need the rain to help stop these reactors from a major nuclear disaster! !
But the Tsunami came and the earth quaked,
With fire, snow and the burning of the forest and the oil refineries!
And of the many missing dead bodies not accounted for,
But who can stop the actions of nature?

Edward Kofi Louis
Send Me Your Massage

Send me your message of love and let me look through your mind;
Managing the affairs of my life over here with the works of peace!
Gaining my status with positive moral lessons.

Sub, suburb!
Sending it down;
Love!
It is beautiful;
And, i feel beautiful! !
Glad with my soul.

Sub, subject!
Eminent,
National development,
Dutifully;
For, the abnormal has now become normal.

Half-full, half-empty!
Sending it down;
With adequate facilities.

Executions!
Surprisingly;
Combative,
At the global showpiece.

Edward Kofi Louis

Right behind you.

Edward Kofi Louis

But, it seem so strange;
However, you made me smile as i saw your face,
Your beautiful face.

Cape, shape, landscape, escape!
Come home;
And, meet me at the same location! !
With life in the farm,
With love in your arms;
Working hard with the tractor.

Distinctive,
With the regulations of your love;
Gin, gain!
To gain your love and to get in;
Like the developmental projects on the farm.

Edward Kofi Louis
Senility

Dependency,
Age,
Senility;
Value your own life and put things right,
And always do what is right in your neighbourhood.

A bright and beautiful summer morning,
And to be at work as usual;
But let me in if I have honour in your eyes,
And like a tender fat calf.

Edward Kofi Louis
Senir

Senir, sine, in!
With the size of a special bed;
13 feet long and 6 feet wide.

Rest,
Best! !
But with hope.

Edward Kofi Louis
Senna And Sennacherib

They touched one another and made love,
And under the moonlight they praised this muse;
Like Senna and Sennacherib in the land of peace.

Edward Kofi Louis

Righteous words with the fragrance of your works;
Sensational Saturday!
Waking up to meet the day.

Your choice,
Your voice,
Allowance! !
Victuals,
With the muse of a young convert.

Edward Kofi Louis

The sense of duty and purpose,
In an appropriate time to respect my muse;
But to eliminate the negative in you before seeing me,
For i am very responsible and determine!

Edward Kofi Louis
Sense Of Hope!

Sense of hope!
Having an element of that;
Bask, ask!
And, with the information leading to your home.

Sense of love!
Expressly,
In the operation;

But, let there be peace and love always on this earth.

Edward Kofi Louis
Separated Among Us

Speak to the children of the world and,
Let them know the truth always;
For some people are separated among us,
As written in Numbers Chapter Six.

But, try to follow the righteous path always,
Because, not all that glitters is gold.

And you will call an di will answer you my love.

Parched and dry,
Brought back to life to swing with my muse of love;

How can you serve the Creator when,
You don't know His Name?

Purview, preview!
Sustainability,
Viable! !
Venture.

To wake up and to face the reality!
For, education in Books and Degrees without positive moral characters is,
No education at all! !

Sermon, lemon!
The lack of positive moral character leads us to hatred and war;
But, the truth lights up in the dark.

Bath, bathe!
Uncoiled,
Attitude, vicissitude!
Uncoloured but, with love.

Edward Kofi Louis
Servant Of Love

I am your servant of love and,

Serve Me With Love

The muse of life,
Kindly take me in and serve me with love;
For, the people in this town have sold a girl for wine!
And, have exchanged a boy for a prostitute.
Yes! Like the Hellenistic culture of the Pagan Temple;
And like the muse of the House of Pleasure,
As many forget the truth about life itself.

Edward Kofi Louis
Serve, observe!
The works of the truth,
The works of joy,
Because, true-love makes your face shine to the people around you;

Served With A Calabash

Visit me in the Kalahari Desert and,
Come and taste my sweet love with the heat of the sun;
And there you will meet my siblings waiting to serve you.
Visit me in the Kalahari Desert and,
You will see the moon already up high in the night of my love;
For the story of love is all that i have to serve to you!
Life is very hot out here and your love will cool me down,
For it is like the story of the Bushmen in the jungle;
But slowly you will come to understand things with me.
At times, it is like the snake with seven heads;
But with the river of love that flows beside me.
YOU have to carry your mat on your shoulders along,
For i will be there always to guide you onto the paths of love;
And my love will lead you like the sugar and the honey,
For the story of love is all that i have to serve you.
Come and learn my ways on this desert!
For it is served with a calabash to keep you at home;
And my mind will be at rest always with you.

With the next line of action;
Life!
With sweet love to cuddle you like a baby;
But, ensuring that, you are satisfied by the services at hand.

Edward Kofi Louis
Service

Burdensome service and heavy yoke,
You ought to support the weak and watch my muse;
For i have coverted no man's or woman's gold, silver or apparel!
And my stamina is all that gives me hope on this journey.

Living in the land of many rivers with,
A man always in red as seen in the horizon.

You want more because of my muse,
But to care about others and yourself is what i need;
And like your self-control acts through your set backs,
However my mind is always with you.

The people want to believe in something so,
The various religions are also ready for them!
But shedding 'tiger tears' will lead you nowhere,
For the rain falls on us all.

Edward Kofi Louis
Set Before You

Ideology,
With a standard set before you;
But, the law teaches justice.

Traditions!
Different from each other on the earth today;
But, wisdom is given those who know the truth!
The truth of life.

Young and in shape,
Old and, with a stick;
But, i do see your dreams! 
Like lovers;
And, to do your best in life.

Edward Kofi Louis

But add days and days to your beauty!
And i will visit you with my lovely heart.

Your love is my shelter and,

She couldn't do it because,
She was afraid! !
In the eyes of the public,

For your love is like the taste fro wild-life games!
Come to me Seth and,
Let us make love like the well of Shibah.

Edward Kofi Louis
Seth Kwesi Davudu

When the king sleeps who watches?
When the poorman sleeps who is now on guard?
With the day ana the night to learn from the Creator;
Seth, you've really made me very proud with your results.

Life is not all that roses at times,
But we have to keep on to reach our dreams!
Yes, until that day that we may reach there.

Now, you've passed in flying colours and,
I am here to stay with my sweet words;
But like the wild vine in the field of peace,
Success is all that we need in our lives.

Gather the herbs and be on guard,
Like the dressed stones from a quarry;
For today, you've made me very proud!
And now, you have your results to move on in life.

Edward Kofi Louis
Sets, Jets!

Think soberly,
In accordance to the works of peace;

What is your occupation?
The land is before you;

My pilgrimage on the earth with the muse of my age;
Growing up to meet you,
But, how old are you?

Edward Kofi Louis
Seven Daughters

Seven daughters at the well,
A three-day-journey into the desert;
Like a stranger in a foreign land.

Unlearned,
Unstable,
No water for the people!
However, the body is not one member.

Seven daughters at the well,
Poetry is the way of life!
Bringing different meanings to the readers.

To convey a message,
Like a little child playing with his or her toys;
The pact,
The fact,
The impact! !
With a man on the throne,
While many have no water to drink.

Heavenly calls and, earthly homes!
With a woman in the throne,
This time around;
At this current age.

The last shall be first.

Edward Kofi Louis
Sex Partner

You were like my sex partner but,
The wings of love came and took you away;
And there you lay in another man's bed,
And like yesterday when I heard your cry.

Today you are gone too soon and,
Tomorrow you will be buried in the grave of lovers;
For you left me with a very sad note.

Edward Kofi Louis
Sex, Sextant!

The river!

For, Sha your friend is still waiting to see the next tactics of your move.

Edward Kofi Louis
Sashaabbin

Their vines are like the vines of Sodom and,
Their fields are like the fields of Gomorrah!
But try to learn from this muse if,
You are a woman who has not slept with a man before.

Their wine is like the dragon's poison and,
Their drink is like the venom of asps!
But do learn from this muse if only if,
You are a girl who has not slept with a man before.

The water of purification is not far from us,
And like the chariots and the horsemen around;
But life is always like the form of a female sheep.

You came and made love to me and never came back again,
But try to listen to the echoes of my voice oh world;
Because I am from the entrance of Alaska and,
My name is Sashaabbin.

She must be relieving herself in the inner room,
For she is an exceptionally fat woman;
And I am sitting in my private chamber of love waiting.

I am waiting for my lover and my name is Sashaabbin,
But you are the left-handed man with the double-edged sword;
So come and show me the entrance of the city of love if only,
You care for me like the joyful nudes of beautiful women.

With the muse of nature;

Clad in goatskins today,

With the muse of life,

Like a child in her mother's arms.

The wonders of nature! !

With the works of life and the muse of the truth;

To be part of it,

The length of years! !
Hustle and bustle;

With the secret behind your date of birth.

Shades of gold!

For the love of the service of the truth;

Sights of love! !

To grow in righteousness;

To control yourself,

With positive morals.

Edward Kofi Louis
Shadow Girl

A message from a lover's heart,
Dry lips need brooding kisses!
This act can add to love;
Born and, to die one day,
With the muse of the ways of life.

Shadow Girl!
Relaxing down there in your land;
And to respect the muse of nature,
Knowing where to step with your works,
As the wind came along with the message of love.

Edward Kofi Louis
Shadow Land

Shadow land!
The spot makes the difference;

Foil, oil!
The dot makes the difference;

Soil, coil!
The mark makes the difference;

Super oil!
The point makes the difference;

You can't hide from the works of the truth!
Because, your face is already seen in the mirror.

Edward Kofi Louis
Shadows

I know how you feel and,
You will like to know who i am;
But by the time you go through my lines,
You will surely know who i am!
For love is the key of my name.
Seven pairs of clean animals and,
Two pairs of unclean animals;
The water increased and lifted the ark!
And it raised high above the earth.
Prove your love to me and,
I will lead you on to the land of paradise;
For he shadows of the evening are still across the skies!

Edward Kofi Louis
Shadows 2

Shadows from the mountain!
With the view of the land,
Bees and honey;
Out of the valley came something sweet,
To behold the muse of your joy.

Edward Kofi Louis
Shadows Of Our Sins

This funny world!

A brother impregnates his sister And,

A father impregnates his daughter;

But the Earth moves around with the News and the muses of mankind on earth.

You are playing with fire when, you impregenate your own sister! !

You are playing with death when, you impregenate your own daughter!

Tales by the Moonlight;

For these are the shadows of our sins; in the name of illegal lust.

Edward Kofi Louis
Shadowy

To the wilderness of the Red Sea,
Blood is the sign for you!

Pots of meat,
Bread from heaven;

Twice as much,
Meat to eat.

In her wilderness of true love!
Bread to eat;

To eat as much as you can,
In the cloud of her sweet love.

Shadowy,
Deep! !

A deep story,
With a deep meaning;

Another step,
Another level,

To overcome legal loopholes!
Another realm;

Like the deepest darkness of nature,
However, the blood is the sign.

Edward Kofi Louis
Shaela

Nocturnal,
Nocturne,
Grit,
Groggy,
Grizzle!
But, it takes one to know one's heart.

Grater,
Demerger,
Demise,
Meiosis,
Deeply felt!
But, it takes one to know one's mind.

End, ending;
Place, placed;
But, marry Mary and make merry with the muse of love!
For, i have Shaela around to help me carry the load.

Edward Kofi Louis
Shagged

Shagged,
Aged,
Bed, embed!
Weak,
Powerless,
Shake!
Embedded;
To do it,
To witness it,
Seeing it with your naked eyes!
According to the flesh.

Edward Kofi Louis
Shake

Shake!
Shape,
Shade;
Changes,
With the challenges of life.

Edward Kofi Louis
Shaker

You call yourself 'Shaker' and,
You think you can shake the whole world;
But one day you will fall down like a big timber!
Your nakedness will be exposed like an elephant and,
You will know that there is nothing like true love.

You've duped everyone and still think that you are on top,
But your shame will be seen soon by many of us;
Like the state of your own mind,
You are not needed at all in this society!
A thief that you are,
Your shame will engulf you soon.
You are rather trapping your own self than you thought,
You can't even shake all of us who know who you are!

Edward Kofi Louis
Shall Return

It will be changed in the twinkling of an eye!
For His Laws are not kept by us;
And the world surfers from the curses of sin!

Soot, smoke, dust;
We are unto dust and unto dust we shall return!
But love your heart so that you can do what you love,
For peace is better than war.

Edward Kofi Louis
Shallow

Shallow lakes,
Shallow ways,
The flow;
Coming out once to respect nature.

Edward Kofi Louis
Shallow 2

Hollow,
Shallow!
To swallow it,
As the arrow came flying across the land.

Edward Kofi Louis
Shallum

Shallum, shall, hall, all, as, has, ash, Sam, sun, ham, alms;
Redemption!
But, according to the works of peace,
And, the words of the truth.
County, country!
Try to have the peace of true love around you always;
And, live with the joy of your hearts than, with the muse of war.

Edward Kofi Louis
Shalom

Your name is Shalom and you came for peace,
But the bombs around will not expose you to me;
For I really know what I need from you.

Edward Kofi Louis
Shalom Aleichem!

'Shalom Aleichem'!
Let not your heart be troubled my love,
For i know whom i have chosen;
And if your receive whossoever i send to you means that,
You've received me.

Edward Kofi Louis
Shambolic

Shocking! !
Stalemate,
Shambolic,
Dissappointing,
Swore, wore, tore, sore, shore, whore!
Perceived injustice,
Conductive,
Distinguishes,
Hidden under the cover! !
Unconventionally.

Unwillingness,
Overwhelmed! !
With the muse of lietrature;
And, with the culture of the people!
Shambolic,
Men, menace!
Marauders,
Like no other,
Vowed, avowed!
With imagination.

Edward Kofi Louis
Shame

Fill your faces with shame and let him be like a king,
For i am a strong woman and i will fight for my right!
But the earthquake of Mexico had made me lose everything.

Edward Kofi Louis
Shameful System

Profane! !
Abominable land;
Living with the shameful system,
Gloom and disrespect!
Enjoying the sins of the world.
The muse of life,
To dishonour the truth!
In the name of profane.

Edward Kofi Louis
Shameless Outfits!

Shameless outfits!
Claiming to dress in the eyes of the public,
But, you are always naked;
Why?!
This shameful act,
Dressed;
But naked in the eyes of the public.

Edward Kofi Louis
Shamir

Shamir, aim, arm, ram, air, hair!
Questions,
With answers;
Learning about life,
And, seeking for the truth.

Edward Kofi Louis
Shamir 2

Shamir, Sam, him, aim, air, hair, arm, ram!
Sold into the hand of a woman,
Who has longing eyes! !

Edward Kofi Louis
Shamir 3

Shamir, air, hair, aims!
A mighty man of valour;
Heel,
Wheel,
Wheedle! !
Heed,
However, love is sweeter than honey.

Edward Kofi Louis
Shammah

My name is Shammah and i am from a village called Shammah,
But i have to meet my lover in the cleft of the rock of Etam.

Of a coercive power,
Of a coercive love,
Of a coercive romance,
Of a coercive passion,
To the very accent of my lover!
But like a visit to the Shrines of the gods,
She is all that i have.

Edward Kofi Louis
Shammua

Shammua, Shamma, as, Sam, has, sum, ash, ham, hum;
Hold,
Behold,
Stronghold! !
Just like a breakthrough of water.
Fill the land with love and,
Let there be peace always!
In unity and, with the works of humility.

Edward Kofi Louis
Shamo

Shamo my neighbour,
Are you lovely enough so that i can sleep with you?
And, are you polite enough so that i can speak with you?
For your muse of love is knocking at my heart and,
I want to be closer enough to you.

Edward Kofi Louis
Shamso

You are the little computer chip in my brain and,
I will love you for what you are to me;
But try to be brave enough to have my babies!
For Shamso is very intelligent enough and,
I want you to stimulate me before the foreplay.
Come and touch my heart and show me the way,
For your love is like the little computer chip;
And many love to see you around me.

Edward Kofi Louis
A visit to Shangri-La Hotel,
To my lover's room;
A visit to Shangri-La Hotel,
Like the eyes of an elephant;
I want to be in everybody's shoes but,
My mind is bigger than my shoes.
Like a message to the blue bears,
Like amessage to the white bears,
Like a message to the black bears,
LIKE a message to the brown bears,
Keep it clean and soft;
a simple life to the muse of love.

A visit to my lover's room,
I am always moving and i don't look back;
Forward ever!
A visit to my lover's room,
I am always moving without looking back;
Backwards never!
A visit to my lover's room,
I know my back could be crooked;
But, i always move on.
I will surely reach to the end one day,
Like a visit to Shangri-La Hotel;
Forward ever, backwards never.

There comes a time when all seems so lost but,
Don't give up on your dreams in this life;
Like a marriage in the rain,
I do have a lover to visit.
The visit of my lover's room is like,
A love song in the rain;
The visit to my lover's room is like,
To marry in the rain;
The visit to my lover's room is like,
To make love in the rain;
The visit to my lover's room is like,
To walk naked in the rain;
The visit to my lover's room is like,
To sing in the rain;
Life is like that at times and,
I have my mind on you.

Edward Kofi Louis
Shape Of You

Ape,
Shape of you;
Grape,
In nature's garden.

Edward Kofi Louis
Shapes

The shapes of the objects,
Sunrise! !
With the muse of life,
Proven with the subjects of the truth.
Events!
To prevent the odds and,
To accept the truth;
While searching for your lover after sunset.

Edward Kofi Louis
Shapes 2

Shapes,
From the clouds;
Up high in the sky!
Shapes and figures,
Life up high! 
With the muse of nature.

Edward Kofi Louis
Shaphan

Shaphan, pan, nap, sap, snap!

Build houses and live in them;

Take wives and beget sons and daughters,

Plant gardens and eat the fruits from them,

Increase and multiply! 

Taking care of the earth;

With the works of love than, hatred and war.

Edward Kofi Louis
Share And Care

Worth to live positive!
Wealth and health,
When you share and care.

Edward Kofi Louis
Share and care,
Help and kindness;
Break the bread and share!
Not to breach the trust of your friends,
As you reach out to them.

Edward Kofi Louis
Share It With Me

True love!
More to share,
More to it,
Give it to me! !
Share it with me,
Love!
True love;
With the joy of our hearts.

Edward Kofi Louis
Shares

Shares, hears, seas, as has, are, she, era, sears, hears, he, share;
In the dust and in the ashes! !
But i will speak to you and i will question you,
For the bull's flesh is now in your pot.

Peep, deep, weep, beep, jeep, keep, seep;
As hard as a lower millstone!
But the strikes had exposed your underpants,
And like the muse of your mind in the land of war! !

Edward Kofi Louis
Sharing Is Caring

Right there,
Click here;
Sharing is caring,
In kindness and with humility,
In faithfulness and righteousness.

Edward Kofi Louis
Sharing Life

Sharing love,
Sharing life,
Living with care;
And, in unity.
Your body language!
Your face,
Your lips,
Identical;
And, very much alike.
Like, alike!
Productive,
Enthusiastic!
Speeches;
But, genes don't tell the whole stories of who we are.
Hole, whole!
To interact;
And like the ghost in your genes.
Captivated,
Of the actual spirit in you!
And, of your DNA.
Jeans, genes!
Of your history,
Like the Bible;
Of your story,
Like a page!
With everything written down.
The genetic course! !
The book of life;
Sharing love,
Sharing life,
With you and i.
Human complexity!
Bewteen species;
Spices, species!
Syndromes,
Sharing love,
Sharing life,
Living with care;
And, in unity with the people around you.
Floppy, fluffy!
Diseases;
Floppy, puppy!
The inheritance,
The heritage,
And, to know where we came from.

Edward Kofi Louis
Sharing My Dreams With You

Love!
Sharing my dreams with you;

Life!
Having you beside me always;

Birds of the same feathers flock together!
Infused with the muse of life.

Edward Kofi Louis
Sharing With The Peace Of My Mind

True love!
With the greatest freedom;
By living according to the laws.
True love!
To protect you and to care for you;
Sugar-bread, Cassava-bread, Corn-bread!
Eating in the land of my muse and,
Sharing with the muse of peace, joy and unity.
True love!
The advantage of life than hatred;
Diploma, diplomatic!
Sharing with the peace of my mind.

Edward Kofi Louis
Shark Attack

Bite!
Shark attack;
At the Bay of Sharks.

Edward Kofi Louis
Shark Bay!

Ark,
Hark,
Mark;
Shark bay!
To watch where to park the car.

Edward Kofi Louis
Sharp, Harp!

Warps and apples,
Store, restore!
To stand in the gates where justice is administerd.
Birds and apples,
Enticed with the works around you today;
Like a kiss of homage,
Sharp, harp!
But, let the world see your works with the muse of the truth.

Edward Kofi Louis
Sharpened Arrows

You are like the sharpened arrows of a warrior!
And, i am for peace;
But, when i do speak, you are always for war! !

Edward Kofi Louis
Shattered!
Neglected,
With hatred.

Edward Kofi Louis
Shattered

Shattered!
Neglected,
With hatred.

Edward Kofi Louis
Shattered!

Shattered!
Broken into pieces;
Troubles,
Darkness,
Emerged,
Conspiracy,
Raid! !
Fear,
Like a trap;
Afraid! !!
Like a snare,
Anguish;
Shattered.

Edward Kofi Louis
Shattered! !

Torrnets wash away the soil of the earth!
Like a vine stripped off green grapes,
As an olive tree casts off its blossom;
Shattered! !
Wound after wound.

Edward Kofi Louis
You will always be wounded by her!
Because you've failed to listen to me;
And you are now facing all the problems as i told you before hand,
But, i am Shaul and i am for peace in your land.
I am ever ready to guide you on! !
But try to listen to me when i do speak;
because, life is not as easy as you see it always.

Edward Kofi Louis
Shave, Have, Save!

In the heights above,
After these things with you;
To gather together,
Shave, have, save!
With the multitude,
With your attitude,
With the servitude around and,
With gratitude.
Aplitude, longitude, latitude!
With the muse of nature's gravity.

Edward Kofi Louis
Shawn

Shawn, saw, as, was, has, an, ash;
The birth of a child,
The birth of a village,
The birth of a town,
The birth of a city,
The birth of a nation!
Medium, act, peace;
Of the leopard's spots,
Of the zebra's stripes,
Learning! !
With service,
Full of love;
With the sweet muse of nature.
The muse of life and the muse of love,
To be in safe hands;
With the muse of the sun moving around!
Mysteriously;
With the muse of the activities of the land.

Edward Kofi Louis
Paddle your own canoe on the ocean of love and,
Bring your conscience to the river of peace;
For a clear mind leads to the clear realm of understanding.
Some things never change but, you can change yourself;
But, within the complicated mosaic of the diverse culture around you.
A shared sense of value in the land of love,
With positive words from you to heal my bones!
But, i am Shawrieh still sreaching for my way home.

Edward Kofi Louis
Shayek

Shayek, shaker, say, key, keys, sake, shake, has, ash, he, she, yes!
But, you are not a young lady or, a young man in this land;
So, do accept the facts of love and live in peace with your neighbours.

True love!
According to the muse of the laws;
With the ways of the truth guiding you along the ways of life.

Life,
Expressed it with your sweet love;
Under the muse of righteousness.

Edward Kofi Louis
She

Whatever she desires you will do it for her,
Because she is your lover and she is with you;
But what more can i say?!
For there is nothing more until one day i see you kissing.

Edward Kofi Louis
She 2

She has made herself like Satan! !
So, watch yourself well before you meet her;
Because, she has no heart!

Edward Kofi Louis
She Acted On It

She acted on it!
With her red dress;
Overhauled,
Overwhelmed,
Misappropriation,
Logistical need;
Such a leak situation! !
Insisted,
Quintessential,
Particular,
However, that's what she wants;
In her life.

Edward Kofi Louis
She Always Sees Me In Her Dreams

She's older than i am,
Always visiting me,
In my home;
To exchange her views,
With the movements of numbers!
Like numerology.
Life, love, peace!
She always sees me in her dreams;
And, knocks at my door,
To share her thoughts with me.

Edward Kofi Louis
She Always Wants To Be On Top

Greediness!
She always wants to be on top;
Power!
She always wants to be the first;
Life!
She is always ready to kill for what she wants;
And, this is not the way to peace,
Because, hatred and war divides us apart.

Edward Kofi Louis
She Ate It

She ate it,
Because you finally prepared it for her;
She ate it because,
Your works influenced her to do the act!
But, i am on the other side of the river;
So, think twice before you come along with her.

Edward Kofi Louis
She Being With A Child

Pregnant!
She being with a child;
Labouring in pain,
But, with the muse of a worthwhile culture to stand the time.
Laudable!
Keeping track;
Labouring in birth,
With the muse of the facilities around.
The agenda!
Health module;
The supplement!
Purchased with the muse of love;
And, to accommodate the baby.

Edward Kofi Louis
She Brought Forth A Male

Pregnant!
She being with a child;
Mail, male!
She brought forth a male child.

Rejoice!
To see her back again;
From the hospital,
And, to respect the muse of life.

Life and birth!
With the muse of the moon to direct the path of peace;
Pregnant and birth!
With the muse of the sun to shine on us;

For real! !
With the hymn of the morning and,
The hymn of the evening;
So, let us prepare a table for this newly born child.

Edward Kofi Louis
She Brought It In

She brought in to satisfy her muse,
Pet, vet, set, bet!
Uncertain;
But, accepted with the muse of love.

Public, republic!
With the reasons of love;
Stream, upstream!
And, she brought it in to satisfy her muse.

Edward Kofi Louis
She Brought It To Him

Dine,
Dine,
Wine,
Whine;
Pan, can, van, Dan, tan, man, woman!
She smiled at him and she brought it to him;
To eat it,
The food of love.
Cast, last, past, mast, fast!
The two,
Always seen together;
With the muse of love and the beauty of peace.

Edward Kofi Louis
She Called You And Told You

She dreamed about you having sex with her!
And she called you and told you;
Because she was in love with you,
And, she could not sleep all day.

This was like anew beginning to her!
For the very time in her life to have such a dream;
All in the name of love,
And now, she cannot sleep without seeing your face.

Edward Kofi Louis
She Can Paint

She can paint,
She’s an artist;
Hoping that she gets an exhibition.

Edward Kofi Louis
She Died Last Night

The garden of my dream is gone and,
I have to lay my lover at last at rest;
For she died last night and,
I have to move on alone in life.

Edward Kofi Louis
She Disappointed Me

Rain, wine, thunder and lightning! 
She disappointed me when i needed her most; 
But life is very beautiful no matter the circumstances.

Edward Kofi Louis
She Finds No Rest

Oh!
How?
Bitterly she weeps at night;
Her tears flowing down her cheeks,
Because of the results of war! !
Destroying her land and killing her people.
Oh!
How?
With the bombs destroying everything in her land;
And, she finds no rest.
Press, express, stress!
Affliction,
Distress! !
Overwhelmed;
With the wickedness of mankind!
Destroying her land.

Edward Kofi Louis
She Has Disappointed Me

I saw you making love with my lover last night,
But i moved on freely unconcern;
Because sha has disappointed me!

Edward Kofi Louis
She Has It

She has it and,
She gave it to you;
And, you gave it to another.

Edward Kofi Louis
She Has No Colour

She is my dream-girl who came out of the blues!
Technology is her name but, she has no colour;
For her style is full of the blues! !
Ver&lt; precious in love and peaceful with the mind,
And this is the way that the storm goes along with her! !
But, with the hurricane like the champagne bottle beside her.

Edward Kofi Louis
She Invited You In

She invited you in and,
Gave you the roses of her love;
Red! !
The colour of her joy!
And you satisfied her with the muse of sweet love.

Edward Kofi Louis
She Is Broken!

She is broken!
Afflicted,
Raped,
Defiled.

Edward Kofi Louis
She Is Alone

She is alone and,
She has nobody,
Waiting for somebody to come to her needs;
Helping her to stand up in life,
And, to answer her wants.
Help her if you can,
And, try to understand her ways;
Because, she is alone and,
She needs someone to help her.

Edward Kofi Louis
She Is Beautiful

Is she the one?!
'yes, she is';
She is beautiful.

Edward Kofi Louis
She Is Dead

It is very sad!
And, it makes me cry,
Knowing the pains that she went through;
And now, she is dead.

Edward Kofi Louis
She Is Hiding Away

It is summer and the flies are in,
But tell me where my lover is;
Because she is hiding away from me,
And i don't know why.

Life to me in the African jungle,
Sitting here alone waiting for my lover;
But she is hiding away from me! !
So, do not remain silent when you find her;
But rather give me a call to locate her hiding place.

Edward Kofi Louis
She Is The One

She is the one,
With earnings of gold and,
Ornaments of fine gold;
Steadfastly in prayers,
And, with mental honesty.
She is the one!
With promptness and readiness of mind;
In conformity with the faith.

Edward Kofi Louis
She Lay Naked

She lay naked all day and night,
As she stripped off her robes before me;
But what have you done to her? ! !

Edward Kofi Louis
She Let It Out

Rode up,
Dense, sense!
Hale,
Exhale,
She let it out;
Emotion! !
Pass,
After the class.
Mass!
Compass;
But, one side has the word.

Edward Kofi Louis
She Loves You

She loves you,
She wants you,
She needs your care;
So, be ready for her sweet love.

Edward Kofi Louis
She Loves You  2

Talk to her,
She loves you!
But not me;
I am her neighbour next door,
I know her ways! !
And she loves you;
Try to approach her.

Edward Kofi Louis
She Made A Vow

Behave and obey!
Encouraged,
Peer,
Perish,
Parish,
Paris,
Peerless,
To peep! !
And, she made a vow.

Edward Kofi Louis
She Made Me Laugh

When i saw her!
There was joy in my heart;
And, she made me laugh.

Edward Kofi Louis
She Marvelled!

She marvelled! !
Because it was very sweet;
She marvelled! !
Because it was very strong;
She marvelled! !
Because it was very lovely;
She marvelled! !
Because it was very fresh;
She marvelled! !
Because it was a new thing to her;
She marvelled! !
Because it was very amusing;
She marvelled! !
Because it was very attractive;
She marvelled! !
Because it was very romantic;
And, the aroma of love was seen all around her face.

Edward Kofi Louis
She Opened It

Blossom,
Bloom,
Loom,
Room,
To the box;
She opened it and,
Had compassion for him.

Edward Kofi Louis
She Passed The Night With You

The speedy message,
The political will,
The overwhelming evidence,
And the muse of your life!
But there is no alternative on this narrow path;
For she passed the night with you.

The bulk of the matter is that,
The girl passed the night with you;
But unknown to the party is the muse of your love,
And you single-handedly covered the case up from the public.

Edward Kofi Louis
She Rose Up Early

Love,
She rose up early!
The next morning to meet you;
With the delight of peace and joy in her heart,
Because, you mean a lot to her.

Muse!
The muse of life;
As she gave in to you,
Because, you prepared your dinner for her.

Filled, fulfilled!
And, she rose up early the next morning to meet you;
With the muse of her love,
Bringing peace to each other! 
With a clear vision in her eyes.

Edward Kofi Louis
She Saw How It Was

To rake and to hake,
Peal, leap!
To bake the cake at the lake;
Pool, loop!
She saw how it was;
Meal, male, lame!
With the muse of nature,
Living in the bush.

Edward Kofi Louis
She Sees Me In Her Dreams

At the top!
What is at the top?
On top of it!
What is on top of it?
Muse, life, peace, love and joy!
She sees me in her dreams;
Talking to her always,
And, teaching her how to live with her life.

Edward Kofi Louis
She Shed Tears! !

She shed tears! !
Like the cry of a newly born baby;
And, i heard it at Waikiki Beach!
Because, i went there to take a rest with my mind.

She shed tears! !
Because of her condition;
However, i will find a way to help her.

Edward Kofi Louis
She Sits On Seven Hills

The burning of the Great City that she sits on!
For she sits on seven hills;
But this warning is to the world because of Rome! !
And like a fluttering sparrow or a flying swallow,
But the end will come and only few people will be saved.

Edward Kofi Louis
She Sleeps In Beauty

She sleeps in beauty,
She talks in beauty,
She walks in beauty,
She baths in beauty,
She moves in beauty,
She loves in beauty,
She cooks in beauty,
She works in beauty,
With the muse of the beauty of her words;
Virtual! !
Night and day,
Like the muse of the clouds above;
Zone, tone, one, throne, stone!
Blossom;
Choice, rejoice, voice!
With the beauty of her sweet body.

Edward Kofi Louis
She Sneezed Seven Times

One who was declared barren is now with a child,
One who was declared useless is now useful,
For i have now taken away the sadness on her face.

She was deeply distressed and she sneezed seven times,
But a valley full of ditches is now with water.
This is the story of a Shunammite woman,
Of a noble and a kind woman that she was;
But today she has a beautiful child in her arms.

Are you also into the same problem?
Then let us hope for a brighter tomorrow;
Like the cold water from the Atlantic Ocean.

She is now living in paradise with her child,
And she is now strong with the cheers on her face;
The earth shook and the heavens poured out water for her,
For she ho was barren has now given birth.

Edward Kofi Louis
She Stood With Him Over There

Love,
She stood with him over there!
In loving arms,
And they shared their joy.

Edward Kofi Louis
She Told Me In My Dream

She said that, she was pregnant!
Sho told me in my dream;
Last night.
Waking up this morning! !
To see her with a flat stomach;
Pregnancy,
When will it be?
She said that, she was pregnant!
She told me in my dream last night.

Edward Kofi Louis
She Wants Me

It is between the lines,
It is between the walls,
And to gather information on this love!
But, she knows me and,
That's why she wants me.

On the doorframes,
In the eyes of everyone,
And of a distinguishing mark!
But, she knows me and,
That's why she wants me.

As it was,
Sitting under an oak tree;
As it were,
Sitting under a mango tree;
But, she was still searching for me! !

Edward Kofi Louis
She Was

She was supposed to have been there!
But I missed the train;
And the next day she was at my office,
But the whole story started again!
And I cannot return the hands of the clock.

Edward Kofi Louis
She Was Mine

Hill, heal!
She was mine and my everything and,
You came and took her away from me!
Sheaf, shear, sheath;
You stole her away from me and broke my heart.
Muse!
Like an ocean of love worthy of remembrance;
But, she was mine and my everything and,
You took her away from me and broke my legs.
Life!
With the ways of mankind;
And now, I am kept very low down in the Bay of Silence.

Edward Kofi Louis
She Was Still Young

Death! !
She was still young;
And, she left the world.

Edward Kofi Louis
She Was Wonderful

Disarray!
Constantly,
Ebb;
The rush of your desire! !
In the bush of love,
With the flush of your joy;
You met her,
She was wonderful.

Edward Kofi Louis
She Went In

She went in!
In the evening,
And the next morning she returned.

Edward Kofi Louis
She Wept Over It

Illegal lust!
Seeing what it has brought to mankind;
And, she wept over it,
Because, you've now taken her virginity away.

Pal, palpably!
To expect the unexpected;
But, unclear with her mind today.

Overburdened!
Worried,
And, she wept over it;
Because, you raped her.

Edward Kofi Louis
She Will Learn From The Other Side

She doesn't know anything about the Creator!
She only knows her job and the money that she makes;
And she doesn't even know that, it is the Creator Who gives her life!!
But, one day she will die, and then, she will learn from the other side of the coin.

Edward Kofi Louis
She Will.....

She will give it to you one day!
And, that will be it;
To satisfy the muse of your lovely heart.

Edward Kofi Louis
She, Sea, Shear, Share!

She, sea, shear, share!

Love,

This evening;

Taking longer time than usual.

I couldn't blame her!

Even though she prolonged the game;

To define her passion and to show the difference.

Give me the light! !

And, catch me when i fall;

You can't hide your character,

It is like pregnancy.

Give it to me and, let me use it!

Bring that oner in and, take the other one out;

It's been a long time,

Feeling it with the muse of her love.

Edward Kofi Louis
She, Sheer!

She, sheer!
According to the law,
The laws of the land;
Pursued and dealt with.

Stash, ash!
To be anxious,
With the facts at hand;
Like the mere facts tabled beofre.

Evidence!
Backing up the report;
Pull, cull!
And, to gain smooth entry.

Edward Kofi Louis
Shean

Shean, sea, he, she, hen;
Flasher! !
Traditions,
Cultures,
Languages,
To do the best with your mind in life and,
To live by righteous laws.

Edward Kofi Louis
Shear, Sear, Hear, War!

Shear, sear, hear, ear!
Age covered herself with a veil to disguise herself from you;
And, to go about her duties peacefully.

Edward Kofi Louis
Sheba

Hate the congregation of evil doers and,
Love the home of righteousness;
For i am Sheba on the bank of your river of love,
And let me walk through the valley of your love.

With my golden staff i will walk through this valley,
And with the love of my heart i will kiss your lips;
For righteousness is the home needed for us to move on,
And this love is all that we have at hand.

Edward Kofi Louis
Sheba 2

Sheba, she, he, as, base!
Reference,
Reverence,
To humble yourself;
And to follow the laws of peace.

Faith and love!
With the muse of hope;
With the light of the laws,
Teaching and leading you on.

Edward Kofi Louis
Sheba And Seba

You are like the rain on the mown grass,
You are like the showers which water the earth,
And to the kings of Sheba and Seba;
Because it is very beautiful to draw nearer to you,
For you have the sweetest and lovely words for my heart.

Edward Kofi Louis
Shebeen

Shebeen, she, he, been, see, seen, be, bees!
In a hidden place to drink alcohol;
In the land of your muse.

Muse!
For your love and, with the peace of your mind;
But, hidden in a corner where drinks are sold.

Phenomenon, phone, he, on, one, no, moon, noon, men;
Score, core, ore!
In a hidden place to drink alcohol.

Edward Kofi Louis
Shedeur

Shedeur, she, see, he, use, seed, heed, Ur!
Redemption moves,
Lovely honey,
Oil for light!
Soil for peace;
Living in the land of beauty with the sight of the truth,
Which brings joy to all.

Edward Kofi Louis
Sheego

Sheego, she, he, so, go, ego!
Along the slippery way,
The narrow path! 
Moving on;
And, learning the ways of life.

Edward Kofi Louis
Sheena

Sheena, she, he, see, hen, sea, seen!

To judge,

Adjudge,

But let your 'yes' be yes and, your 'no' be no! !

Under the muse of the laws;

Neither do i condemn you.

Edward Kofi Louis
Sheer

Deer, seer, sheer, beer, queer, veer;
And like the trafficking of narcotic substances! !
Seer, deer, sheer, beer, queer, veer;
But their full names were withheld for security reasons,
Because of this illicit business!

Appearances,
Declined,
A court of law,
Honoured;
With circumstances beyond your control! !
But, the suspects were handed over.

Edward Kofi Louis
Sheer 2

Deer,
Sheer,
Cheer,
Peer;
Sheer delight!
Peer power.

Edward Kofi Louis
Sheeran

Hilarious actors and the one who want to meet your demands,
And to come to me and to assist me on this love;
For i will lead you on always.

Sheeran my love,
Do come to me with the materials of love;
For your love is Greenish like Glennish.

Try to take me on with the wings of love,
And take me to your the sweet apples of your garden;
For it is poetry and,
It is you that i want to satisfy me.

Sheeran my sweet heart,
It is all about love and the muse that it brings;
So come and lead me into paradise with,
Your sweet love songs from your garden of love.

Edward Kofi Louis
Shefali

Shefali, she, he, hail, fail, sail, as, ash, lies!
But, you are my son and, you will always be my son.

Love!
There is now one like you;

Life!
Like fire and snow at times;

Neptune Inn!
In the land of your muse;

Scan can, in!
But, you will always be my son.

Shefali, sea, heal, ale, sale, if, ash, safe, lie!
And, to control your mind to the right direction.

Apollo Inn!
To learn how to do the right thing always;

Scan, can, in!
You will always be my son.

Love!
Do hear my voice once again;

Love!
Where is life leading you to?

Edward Kofi Louis
Shehanu

Tomorrow, borrow, sorrow;
But it dates back! !
And today you will still borrow.

Morrow, borrow, sorrow;
But it dates back! !
And today you will still borrow.

Then comes tomorrow for your sorrow!
And like the Egyptian Obelisk;
But, your love is unsurpassed.

Pressure, sure, pure, jure, sure, lure, cure;
And from the things to come!
But, i am Shehanu in your neighbourhood.

Edward Kofi Louis
Shelah

Shelah, she, seal, he, sea, heal, ash, as, has, ale, ales, heals, sale;
But he spilled his seeds on the ground,
To behave in a particular way! !
With his pride and the ride of his acts in the land.

Edward Kofi Louis
Shelomi

Shelomi, she, he, so, him, sole, shoe, hoe, hoes, some, lime, mile, smile!
Encouraged,
To inherit it;
Going along the route of the Red Sea! !
Going on a journey,
Into a far country;
So, let the truth go on well with you in your land,
Able to make a better choice along the way.

Edward Kofi Louis
Shelomith

Shelomith, she, met, him, sole, so, let, the, mole, set, hole, he, sit, shoe, hoe, hoes, some;
But in custody today!
Used,
Abused,
With the kind of people around! !

Edward Kofi Louis
I am in the Valley of Shelvey and,
I am waiting for you my lover;
So come and see me through with your love,
For the light has shined for me to see your face tonight.

Edward Kofi Louis
Shem

A meeting in Banjul,
And of the colourful girls i saw around;
But they all fell by the edge of the sword in one night.

You are sold into the hands of a woman and,
I am between Ramah and Beth-El;
But the name of the great military leader around saw Shem.

Two nations are in your womb and,
There are twins expected out soon;
But you are the daughter of another man.

Did you not hate me and drive me away? !
And i am now at the fords of the Jordan to clear my view;
For hatred had been part of the meeting and,
It had led many to fall by the edge of the sword.

Edward Kofi Louis
Shema

Shema, ash, as, she, he, has, Sam, sea;
Senses!
Comprehensible,
But, with offenses against the laws of peace.

Boots, booths!
Senses,
Proclamation,
Tears and fears! !
Delusions,
Acting on evil works.

The desert path of love,
Destroyed by war! !
Parrots' paradise,
Destroyed by war! !
With offenses against the laws of peace.

Edward Kofi Louis
Shemale

Peace be with you my love,
For the day is already far spent!
And your words are full of honour and truth,
But, dwelling among us is the peace of your mind.

I am Shemale,
And, you are my lover!
But, we are like blood and water;
And, i do speak openly to the world,
Because, all things must be fulfilled as written in the book!

Edward Kofi Louis
Shemally

It is flowing into the narrow stream,
But, who sets it freely as a will?
And like the water wine and the sour wine around you;
But, oh woman! ! Why are you now weeping?

To look in,
And like a sponge in the bathroom;
But the soldiers came in! !
And, it was on the first day of the week;
But, Shemally my friend came around to record this incident.

Edward Kofi Louis
Shemayah

Shemayah, she, may, as, say, he, May, yes, share, shear, sear, hear, same, Sam, sea, ash, has, yam!
But, it doesn't has to be this way always in your land;
Because, war is not the answer towards peace.

Lift up righteousness!
Lift up the works of peace to educate all mankind on earth without the muse of war;
For the sake of the truth and the unity of the earth.

Edward Kofi Louis
Shemayah 2

Shemayah, she, Maya, sea, he, say, same, as, May!
Lease,
To release;
Please,
Ease,
To cease from the works of evil and be straight.

Edward Kofi Louis
Shemida

Shemida, she, he, aid, aids, aide, him, side, aside, Sam, shade, same, made, dam, aim, aims, hide, hid, dams!
Like twelve springs of water and seventy palm trees seen around;
However, attention is the key,
Able to move you forward without any fear.

Edward Kofi Louis
Shemuel

Shemuel, she, he, heels, see, use;
All the time you spent in there!
Long enough;
But, watch yourself carefully!
And live in peace.

Edward Kofi Louis
Shen

Shen, she, he, hen, hens;
Point,
Appoint,
Pleased!
Looking for the teacher,
But, i am the teacher!
To preach and teach,
To reach out to the world,
With righteous works.

Edward Kofi Louis
Shena

Shena, ash, she, he, has, hen, hens, as, sea!
But, why do you stand afar off? ! !
Come nearer to know and understand my ways;
In the land!
For, i have the message of love for your heart.
Come closer! !
My sweet one;
Why are you standing afar off? ! !
Come and know the ways of the truth;
Which will bring joy to your heart.
True love and peace!
I am your heart's desire;
So come closer,
Able to know my mind.

Edward Kofi Louis
Shepham

Shepham, she, he, as, sea, shape, Sam, same;
With the eyes of love,
Coming along the way!
Growing up;
With the joy of your heart and, the works of peace.

Edward Kofi Louis
Shephan

Shephan, she, he, hen, heap, shape, sea!
Along the slopes of your love;
In! !
Therein;
Couplet,
With the genre of poetry;
And to view the rich land,

Edward Kofi Louis
Shepher

Shepher, she, seer, he, peer!
To pay attention to your life,
Moving forward with the muse of peace and love;
And, to respect all mankind.

Edward Kofi Louis
Shepherdess

She was a shepherdess,
Net, met, let, wet, sert, pet, yet, ret, vet, bet, het, jet, net;
And like the game of colours,
But some customs can never change!

Change the possibilities and let me meet up with the muse of love,
For we do understand each other on this love;
And like the signs and the wonders of her lovely muse,
But her natural features in the mirror of love are all that i need.

Edward Kofi Louis
Shepherdess II

Enter through the sheepfold and come to me!
Enter through the doors of love and let me care for you;
For, I am the shepherdess of the sheep you see around,
And, I do have more surprises to share with you.

Edward Kofi Louis
Sherebyah

Sherebyah, bay, bray, say, yes, as, he, she, her, herb, beer, bare, ear, era;
Represented with the works of the truth!
Of your love songs,
To the world.

Sherebyah, see, sea, seer, hear, hare, share, shear, be, by, bye, eye, eyes, bear!

With the muse of positive moral teachings in your land;
Following after the laws,
As the way forward to wake up the minds and hearts to righteousness.

Edward Kofi Louis
She's A Beautiful Woman

She's a beautiful woman,  
Meeting her everyday and,  
Saying hello to her.  
To power of love,  
The peace of her mind;  
And, the joy of her heart.

The muse of life!  
With words of encouragement from her;  
The muse of love!  
With the blossom of the flowers around her;  
And, of her kindness and care for the people!  
In the land of peaceful minds.

Edward Kofi Louis
She's All

She whom you love is very sick!
So come and take better care for her;
For she is now like a burnt mountain and,
She's all that you have.

Edward Kofi Louis
She's Dead

I don't have a mother to talk to once again because,
She's dead; and, i buried her on the 14th of November 2015.

Edward Kofi Louis
She's Dead  2

I don't have a mother to talk to once again because,
She's dead; and, i buried her on the 14th of November 2015.

Edward Kofi Louis
She's Gone

I am in grief and my father is in grief too,
Because my Step-Mother is dead;
Se died on the 2nd of September 2004,
And she's gone too soon.

The roots of my pleasure is gone too sone,
And like 'Vasco Da Gama' to view the world;
But i am now at nature's doorsteps to take my view.

The decease may dream away their death,
But what is going on will always be so;
For there is time for everything in this life,
And like the time to be born and the time to die.

Edward Kofi Louis
She's Gone 2

Dead and buried,
My mother is dead and buried;
So, if you see me crying!
Means that,
She's gone.

Edward Kofi Louis
She's Gone  

She's gone,
So it is and, so it was;
As she came and took your heart away.
You need her!
But she's gone.

Edward Kofi Louis
She's Looking For You!

She is looking for you!
And, she's waiting for you;
Because, she's always in love with you.
In Holland Park,
Love knows no bounds;
To be right and to do it right!
Love knows no barrier;
But, i'll be calling you when i meet her again.

Edward Kofi Louis
She's Now 29

Life,
She's now 29 years old and,
Married to a man;
As i took care of her for the past 13 years.

Love,
She was still a virgin at 29 and,
She married on the 22nd of February 2014;
At Nii Boi Town in Accra.

Love!
Finding this man was part of my plan;
Because, i took care of this Young Lady till she grew up,
Matured enough to be married.

Love,
Growing up under my care!
But, i do hope that, this man will take care of her in the right way.

Edward Kofi Louis
She's Out Of The Top 10

Greedy,
Gullible,
Stupidity,
Shied away!
She's out of the top 10 to take a stand;
For the people upfront are too greedy to handle,
And she wants to save her own image.

Edward Kofi Louis
She's Pregnant

She's pregnant and,
She's expecting your a baby for you;
And, with the muse of the joy of her eyes.

Love!
With joy to your eyes;
After many years of sickness;
But, she's now expecting a baby for you.

Capturing!
Vibrant and clarity;
With the sense of sweet love.
Love!
Part of you is always with her.

Life!
With the muse of the expecting child;
Because, she's now pregnant for you.
Brief, belief!
Like the songs of the singing birds up high;
But, she's pregnant and, she's expecting a baby for you.

Edward Kofi Louis
She's Your Teacher

Life!
Satan love lies and,
She lives by it;
So, you're becoming part of her lies because,
She's your teacher.

Illegal lust!
You've learnt the ways of satan;
But, try to drive the change and be straight,
If not, she will lead you to hell.

Dismayed!
Boiling up with the muse of your ways;
But, will you condemn me so that you may be justified?
Then, think twice; and, of the abilities of satan! 
For, she's taking off the truth from you.

Edward Kofi Louis
Sheshai

Sheshai, he, she, sea!

The truth is plain and simple when you are ready for it;

So, be very positive in life and care for the people around you.

Edward Kofi Louis
Sheth

Give me this beautiful young woman as a wife,
For i am lying on my bed waiting for her;
Becasue my heart strongly wants her love,
And i am Sheth from the land of her muse.

Speak tenderly to my heart oh my sweet one,
For you are the only woman that i want;
And by the River Nile i will wait for you.

by the River Nile,
There i sat lonely to watch what goes on;
For beauty and pleasure came and bathed my eyes,
And out of the river came seven cows!

They grazed among the reeds of my love,
For on the river bank i do wait always for my lover;
So give me this beautiful woman as a wife.

Edward Kofi Louis
Shethar

Shethar, she, as, he, the, art, tar, rat, rats, tars, seat, sat, set, sea, hare; 
With the truth and the peace of life than war!
Grapping, 
Tip, pit!
But, war isd not the way towards peace.

Life, 
See that you do not refuse the truth; 
For, the truth is with the muse of righteousness! 
Leaving towards peace than war.

Shethar, hear, ear, era, rate, tea, star, hat, hats, eat, ate, heat, sear, hate! 
Fleshly, 
Worldly; 
But, to receive your own reward according to your works in the land.

Eat, ate! 
But, seek the truth and live in peace with your neighbours; 
Team, meat! 
And, tame me to the land of peace than, to the land of war.

Edward Kofi Louis
Sheva

To the white forest of emotions and,
To the black forest of love;
But Sheva is your name and,
One day you will fly up high like a kite.

You've got everything but,
The rain drops are like the tears on your face;
So, how calm are the pillows of your love?

Commitmment and faithfulness,
Mercy and loving-kindness;
But the fruit of your tree is measured by your muse!
For a virtuous woman is the crown of the husband.

Edward Kofi Louis
Sheva  Ii

Sheva, he, she, sea, as, ash, has;
With the very ways of mankind on this earth today!
But, it is time to know the truth.

The laws of the universe!
With the ways of mankind on this earth today;
Full of illegal lust than with the ways of peace.

Lust!
reaping what you did not sow;
And, going against the laid down laws of the land.

Edward Kofi Louis
Shewa

Shewa, she, was, as, he, saw!
To see them,
Walking hand in hand;
With the muse of life,
Going along in peace,
For the unity of the land.

Edward Kofi Louis
Sheyi

Progressive,
Sustainable,
Aggressive,
Passive,
Blame,
Active,
Massive!
Be bothered;
But i am Sheyi with the muse of love,
So, try to understand my status-quo around you.

Edward Kofi Louis
Shi

Test bed,  
Test ban,  
Test drive,  
Test case;  
And like Shi your lovely friend,  
But the magic pill is all that you need.  
Fill, ill, will, till, pill, kill, drill, trill, rill;  
use the mouse to satisfy the muse of your love!  
Bill, quill, grill, gill, hill, mill, Jill, still;  
For this work is needed by Shi your lovely friend.  
Mouse, blouse, louse, house, arouse, souse, grouse, rouse!  
For this love is like the muse of a beautiful flower;  
But Shi your friend still waits for you outside.

Edward Kofi Louis
Shiatsu

Impossible isa nothing and,
Nothing is impossible!
But this world is our home as at now,
And like the muse of your love so seen by Shiatsu.

Edward Kofi Louis
Shibah

Shibah, ash, as, is, has;
Guide, side!
With the works of peace and,
With the sweet muse of love.

The device,
For your security;
To touch your heart with your love like,
The muse of the light from the torch.

Superb!
Thanks to the muse of your sweet love;
Hailed with the laws of peace,
Under the works of your joy.

Edward Kofi Louis
Shifted

Host,
The venue;
Shifted!
The avenue;
Fin, fan, fun!
Like a political talk;
After a decade of neglect.

Edward Kofi Louis
Shimei

Shimei, she, he, him, his;
Seen on the other side!
Having other affairs by breaking the bond of marriage;
Unfaithfulness,
Going astray.

Edward Kofi Louis
Shimmy

Shimmy,
Pleasant,
Rustle!
Dance,
Rekindle,
Relatively.

Edward Kofi Louis
Shimshon

To have thirty sons and thirty daughters from your many wives,
Like the customs of a bride;
To have forty sons and thirty grandsons in your life,
Like the customs of a bridegroom;
But, out of love came something so sweet.

Yo are barren but now you will conceive and bear a son,
Like the dreadlocks of Shimshon!
But my best friend had taken my wife away.

Edward Kofi Louis
Shimshon 2

Shimshon, son, so, him;
To spy out and explore the land,
Like a column of smoke!
The prearranged signal,
With the muse of the third eye.

Edward Kofi Louis
Shining On You

True love!
With the bright and morning star;
Shining on you.

Discussion,
Contributing,
Exhorting one another is better than the lips of war!

True love,
The future looks bright!
Accepting the laws and doing what is right.

Honey and butter!
Sensational with the muse of love;
With the bright and morning star shining on you.

Edward Kofi Louis
Shining-Star!

I am what i am today because of your love,
For i was taught without a silver spoon;
I am what i am today because of your love,
For i was born without a silver spoon;
And, i just want to be lovely tonight.
Actions, implications!
In search of sweet love and a crown to wear;
But, the reflections of your love is like,
The shining-star which shines on me!

Edward Kofi Louis
Ship The Pins

'Smug' and 'gums' are with the 'sag' of the 'gas'!
But take a rest on my love and let me teach you the truth;
And like twenty little coats of green.

Of a noble strive to the maple leave,
So ship the pins and 'nip' a 'pin'! !
For life is full of the sunshine of love,
And like twenty little coats of blue.

Who the cap fits must surely wear it,
And who my love touches must surely come to me;
But like twenty little coats of red by the seashore,
For the 'spam' had affected the 'maps'!

Try to bath your wife if you want to,
And to 'spat' the 'taps' will lead you to your secret muse;
But try to ship the pins to me as mandated.

Edward Kofi Louis
Ship, Scholarship!

As usual in life;
Way back home and abroad,
But, we are all living in this world.

Life!
All this while;
On, upon!
Through the struggles on my life;
But, i am what i am today because of the muse of love.

Edward Kofi Louis
Shiphrah

Shiphrah, hip, hips, ship, harp, air, sap, hair, pair, harps, air, sap, sip;
The man of the house,
The woman of the house,
The child of the house,
With humour and honour in the sight of the works of the truth.

Edward Kofi Louis
Shiphtan

Shiphtan, ship, pan, hat, hip, ant, tip, hips, ants, tips, pant, pants, hats, pans, paint, snap, paints, saint!
With servitude and attitude;
Moving on! !
With honour and humility;
Serving all mankind in peace with the joy of your heart.

Edward Kofi Louis
Shipped, Worshipped!

Shipped, worshipped!
Receiving a culture from outside,
Changing the status of your land;
A foreign culture! !
Hooking up the youth,
In the land;
As they threw away their native-lifestyle.

Edward Kofi Louis
Shippi

Shippi, ship, hip, sip!
With the initials of your love;
In separate letters,
But, in the correct order.

Comments!
Figures,
Findings;
Fingers! !
With the application of your sweet love in the land.

Love,
Your sweet love!
In the letters;
Located and relocated,
In the land of your joy.

Edward Kofi Louis
Sho

The Priests of the Lord are everywhere on this earth!
But, what are they teaching my people?
For in the same churches are the muse of war! !
And, i still don't understand what they teach my people on this last days;
However, i am Sho, who is always looking for the truth.

Edward Kofi Louis
Shoe Size 35

Omissions,
Devoled,
Absolutely;
Shoe size 35!
Liability,
On stage,
reserved with your age;
Camp, campus!
Performing your acts on stage.
Sage,
Imposed! 
With suggestions;
And, to demand a change.

Edward Kofi Louis
Shoe Size 45

Criticized!
But, managing the state of life with the affairs of your love;
Wearing shoe size 45 in your land.
Of the scandal!
Failing to live up to expectation;
But today, you are not interested in the case.
At the helm!
To the case;
Sear, shear!
Trying to protect yourself;
Because, you have all the resources around you.

Edward Kofi Louis
Shoe-Size

Please, try to tell me your shoe-size next time;
For there is something in the soup!
Cop, coop!
Lop, loop!
Desert, dessert!
Super, supper!
Upper, supper;
Upon the muse of love and of the muse of peace! !
But, this is all about your shoe-size.

Edward Kofi Louis
Shola

Do not eat it raw nor boil it with water,
But only roast it on the fire!
For the young woman was very beautiful around you.

I will affirm your words,
I will affirm your love,
I will affirm your romance,
I will affirm your passion,
I will affirm your emotion,
I will affirm your kiss,
Like a vow to your maidservant.

'I alone am left of all the prophets of Yahweh but,
The prophets of Baal number 450 men'!
Do not eat it raw nor boil it with water,
But only roast it on the fire;
Like the long sufferings of my journey with hopes and dreams.

Of all our possessions accumulated on this earth,
They will not follow us into the graves;
So let us help and love one another than hate.
Shola, you are like the stone of Zoheleth;
But my love towards you is very special.

Shola, you are the one!
And do remember the Sabbath day and keep it holy;
For i have come to learn many things on this earth.

Edward Kofi Louis
Shone Forth

The perfection of beauty,
Shone forth! !
With righteous morals,
Under the eyes of the truth,
In the name of righteous laws.

Edward Kofi Louis
Shootings! !
Death,
War;
Destroying peace,
Killing the people,
All over the world.

Edward Kofi Louis
Lust,
Dust,
Must,
Hip!
Flip,
Sip,
Whip,
Slip!
Top,
Mop,
Hop,
Shop.

Edward Kofi Louis
Shop Now

Hop! !
Shop now;
To show your taste,
Not to waste your time,
In the land of your joy!
Top,
Stop,
Cop!
Drop,
Along the way;
Shop now!
With the muse of your joy.

Edward Kofi Louis
Shopping

You made the money and,
You went out for shopping;
Dancing in your heart!
With joy after your sweat.

You went out shopping because,
You made the money today;
Able to buy what you need,
With joy in your heart after hard work.

Edward Kofi Louis
Short And Curly

Hair,
Short and curly,
Dressed in your best clothes;
With the romance of nature,
Stronger and wiser! !
Silently and secretly,
Here and there with your love,
Like wine filled in many glasses.

Edward Kofi Louis
Short Line

A single line,
A short line,
The Way forward,
Following the path,
Into the bush of joy! !

Edward Kofi Louis
Short Memories

Short memories and long term measures,
What will you say when you are in chains?
For the manifesto of your love is now lost to the wind.
Speculations and of the act of the wheel,
Anytime and anywhere to write my muse;
But assiduously impacted to touch your heart with care,
And the quest for the truth is all that i need.
Of a brilliance intelligence to touch your heart,
And for your sake i will sing for free;
For it is improverished to the act of your love.
Let me bury the hatchet and move on,
Because you still do have short memories of this love,
An the truth of the matter is still around you.
I want to live free and to write down this muse for you,
But around me are the chains of hatred!
And of the chronic superstitions of the religious bodies;
But what can i say to these feeble minds?
The irregularities of mankind besets nature,
And of the debate around to share my mind with;
For life is very hard at times but it is always liveable,
And we can overcome the debilitating acts at times.
Nature's vicissitudes,
One love and one heart to cross th border!
But have you heard about the blues of 'Mona Lisa'?!
And of your short memories and your long term measures,
For the poisonous snake is now being bitten by another snake.

Edward Kofi Louis
Shot Dead

One world,
One planet called earth;
But, we the human beings are still the problem.
Death!
Shot dead in Russia;
Why?!
With the problems of Russia;
As an opposition leader was shot dead.

Edward Kofi Louis
Should Enter In

One of these should enter In,
Yes! One of them;
Your choice,
To choose one;
Your voice! !
With the echoes of your life,
With the echoes of the day.
Your style,
Your talent,
Creativity! !
One of these should enter in;
Accepted with the muse of life.

Edward Kofi Louis
Shoulder

Shoulder! !
The shoulder;
Of her resting place,
Of her pleasant place,
Of her sweet muse of love!
Darker than wine and,
Whiter than milk;
Joy is it that,
You can meet her always.

Edward Kofi Louis
Shouting

Why are you shouting like this? ! !

Where is the love?

Where is the truth?

Where are the laws?

Yes! ! Righteous Laws;

Without shedding any blood.

Edward Kofi Louis
Shouting For Help

To fall into a deep hole! !
Like a dried up well;
Shouting for help!
Hoping for the rescue.

Edward Kofi Louis
Shouting Their War Cry!

Hatred,
Shouting their war cry!
With the weapons of destruction in their hands,
Ready for battle,
To destroy and kill! !
Taking peace away from the world.

Edward Kofi Louis

Because you are very generous in the land,
Able to care for the people around you.

Edward Kofi Louis
Show And Tell!

Show and tell!
And google it;
Then, you will learn from your past.

Show and tell!
For, in the beginning,
They were created male and female;
So, why change the method today?

Show and tell!
And, assess your life;
For, it is better to live in righteousness than,
In the wickedness of this world! 

Edward Kofi Louis
Show Humility

It is a matter of choice! !
But, choose wisely;
It is a matter of love,
But, love peacefully;
It is a matter of care,
But, show kindness;
it is a matter of joy!
But, show humility;
It is a matter of work;
But, be very patience;
It is a matter of time! !
So, don't give up on your dreams.

Edward Kofi Louis
Show Me

Hold me very tight,
Of the stars of my light;
Show me the way to success,
Of the stars of my life;
With tears and sorrows to all mankind.
The sun rises from the east to the west,
So let the beauty of the earth do give us hope;
I need the place where true love is like,
The place where there are no guns and wars.
Oh human race, do show me the way;
Show me faithfully to the world so sweet,
For i need a place where true love is.

The beauty of the earth is like,
The beauty of my love;
Of a pure heart is the hill of my light,
Like where there are no hate and worries.
Show me the way, of the stars of my life;
Hold me and lead me on, of the stars of my light;
For i need a place where love is,
Like a place where there are no bombs and racism.

Edward Kofi Louis

Still alive;
Today,
Waiting for tomorrow,
A lovely das,
Facing the mirrors of the world!
To live your life,
To teach yourself,
Between life and nature,
Being taught with the muse of the truth!
Creation,
With all the colours around us;
To refresh your mind,
With your perfume sending out its fragrance.

Edward Kofi Louis

Meeting the eyes and satisfying the joy,
With the gladness of the heart.

Show, shower!
With the showers of true love;
And, being an accountant today because,
You met me at the right time as your Mathematics teacher.

Patched, dispatched!
On the accounts of your humility;
Now living in the U.S.A. with your wife and children,
But, you will always remember me in your works.

Edward Kofi Louis
Showcase

Rain!
Rainbow;

Show,
Showcase;

With the muse of a lady,
Meeting a lad in the land.

Globe, lobe!
With the muse of her sweet love;

Rove,
Drove!

To move along,
Clove, glove!

Way,
Away,

Not to sway,
But to stay,

With the muse of her sweet love,
Facing the Cultures of the land.

The origin,
Original! !

To the house,
To the source,

Meeting a mouse along the road,
And a toad jumping into the bush.

Homeland,
The farmland;
To respect nature,
With the fragrance of life.

Edward Kofi Louis
Showers Of Love

Brain, rain!
With the showers of love to activate the brain;
Walking in the rain,
With the muse of the mind.
Heart, earth, dearth, meant;
With the flowers of love and, the beauty of the land!
In view to review my works;
As a preview to your lovely heart.

Colours,
Touching the hearts!
With beauty,
With the view of the land;
Walking in the rain!
With the muse of the smart city in view;
Like the interview last night to express my mind,
In the land of the living.

Edward Kofi Louis
Showing Kindness To All Mankind

The laws!
To take care of me and to guide me;
The truth,
To take care of me and to guide me;
Love,
To take care of me and to guide me;
Life,
To take care of me and to guide me;
Moving my steps with the muse of my sweet mind!
And, Having the heart of joy;
In compassion and in humility,
Showing kindness to all mankind.

Edward Kofi Louis

Helping others with the muse of your sweet mind.

The voice of the truth!
The glory of love,

Living under the laws of peace and,

Edward Kofi Louis
Shreya, sea, ear, hear, year, share, yes, she, her, say, he, ray!
In the garden of sweet love with the muse of life;
Enjoying the fragrance of nature with the aroma of your mind,
On the things of love with the romance of your works! !
As seen by all in your land.

Edward Kofi Louis
Shrill, Grill!

Three nights!
Abducted;
Defiled,
The young girl was abducted and raped.

Aid, amid!
Attracted;
Shrill, grill!
The young girl was abducted and raped.

In the darkness!
Hiding in the darkness;
Abducted,
Defiled.

Edward Kofi Louis
Shrines

Shrines,
Idols,
Images,
Figures of Gods and Goddesses,
Worshipped by the people in the land.

Edward Kofi Louis
Shrines

Shrines,
With Gods and Goddesses;
People paying homage to them,
Why?

Edward Kofi Louis
Shunem

You are from Mesopotamia and you are called Shunem,
But lift up your dreams and come to me;
For negative comparisons will only rob you of my joy.

Edward Kofi Louis
Shunting

Shunting, hunt, hut, hunting, tin, gin, sin, it, is, in, sun, guns, sing;
And like the muse of war! !
But be very wise to choose from the right things always.

Shunting, hunts, huts, sund, hung, tins, unit, sit, hit, in, Inn, gun;
With words of peace in the land of war!
But be very wise to choose from the right things always.

Brought, bought, fought, ought, drought, wrought, nought, sought, thought;
And like beautiful doors and windows!
But be very wise to choose from the right things alway! !
because, not all that glitters is gold.

Edward Kofi Louis
Shur, Ur!

Despised and weak;
In the name of the wickedness of war.

Deeply grieved!
Rebellion is as the sin of witchcraft;
And, stubbornness is the same as iniquity.

Wickedness!
In the name of war;
Stubbornness,
As they destroy Syria.

Edward Kofi Louis
Shy Face

Shy face!
Why?
Seeing your works around the Clock.

Edward Kofi Louis
Sibylle

Sibylle, by, bye, bile, is, ill, bill, bills;
Money!
With the honey of your love,
Dripping down in the valley of peace.

Problem solvers,
To click on the muse of love and, to bring joy to the world! !
And like a suitable candidate in the land of your muse;
However, the king was killed by his own slave.

Edward Kofi Louis
Sicelo

Smile when you've found your lover and,
Get your passport ready when you need wings;
For he who takes my child by the hand takes me by the heart too.

I am satisfied like a fax machine and,
This love to you is like the golden opportunity;
So, I would like to thank you for last night.

You are like the epitome of the human achievement,
And paradoxically with the real love from your heart;
But your symbolic art of love means a lot to me.

Sicelo, you are illumuninated with aspirant acts of the arts;
And, I am philosophically glued to your heart of love.

Edward Kofi Louis
Sick And Lonely

Sick And lonely,
In the room;
With no visitors.

Edward Kofi Louis
Sickness

Your room gave me the sickness because it was very cold!
And whenever i complain you say it is rather warm;
But it is very sad when you only think of yourself,
Because we all came from different parts of the world!

Edward Kofi Louis
Sickness II

I am sick lying on your hospital bed,
So you can play with my nakedness if you want to;
Because this is the only time that you can see my nakedness!
For this sickness had made it possible.

Sickness, oh sickness! 
Sickness had made it possible for you to see my nakedness;
If not, you can't even smell my sight at anytime.

Edward Kofi Louis
Sickness! !
That's what the people want;
So, they are always ready to go against the laid down laws;
How, howl!
Like a howl at midnight;
For, illegal lust had now led them on to thier sins.

Edward Kofi Louis
Sid

My name is Sid and I live closer to Mount Sinai,
So do not be disturbed when I do bring you the law;
For it is only rebels who don't want to be taught.

Jupiter is the King of the Gods and,
Mars is the God of war!
But Mercury is the messenger of the Gods to lead you on,
But the truth of the law is with you.

Edward Kofi Louis
Seed,
Weed,
Aid,
Side;
With life,
With nature,
Natural!!
With the colours around.

Edward Kofi Louis
Side, Sided!

Side, sided!
Harsh and mean;
In all your dealings,
But allow me to speak to your hearing,
For, there is a way to peace;
Able to unite the world with the works of the truth.

Edward Kofi Louis
Side, Sidebar!

Side, sidebar!
As sick as parrot;
In the land of your muse,
But, you still have hope to get up one day.

Life!
With fork and knife in your hands;
Ready to eat what is presented to you! 
But, do you know much about the preparation of this food? !
Then, think twice before you eat it.

Life!
With your inner self to the world around you today;
And, being sick as a parrot in the land of your muse.
Life!
Like an important art work beside you;
But, be very wise enough to choose what is right always.

Edward Kofi Louis
Sideline

Illegal lust,
Giving conflicting account;
Missing,
To sideline;
With subtle attempts.

Illegal lust!
There is no rope to cling on;
On this matter! !
But, only with deep fears.

Illegal lust,
Drowned in the lake of lust;
And, with chilling revelations.

Illegal lust,
The battle with your enemies will never end!
And, m to come this long way in life;
Troubling,
With a destitute facility.

Edward Kofi Louis
Sidra

Sidra, said, iad, iads, air, raidd, raids;
To man the affairs of life in your own way,
And, to dismiss an application for your love.
Focus, locus!
Ordered;
With series of controversies in your house,
Dangerous to your helath and, to the people around you.

Edward Kofi Louis
Sidwell

Sidwell, side, well, sell, see, dwell, lie, ill, lies!
Like the News from Egypt;
Where, bullets from different directions are now killing many! !
But, where is the freedom of this land?
As the Military Forces took over power.

Sidwell, weed, wed, seed, sew, dew, die, dies!
Power in the hands of the Military and,
Many fell dead along the streets of Cairo! !
As the News came by to give us the present pictures of Egypt.

Edward Kofi Louis
Chains and fetters,
With joy i will receive you and with care i will love you;
For a farmer went out to sow his seeds and,
Many women came around to receive some of his seeds.

I am Siemes,
But give her something to eat and wash her clothes;
For she is one of the women who came for the seeds,
But the seeds which fell by the wayside are now with chains and fetters.

Edward Kofi Louis
'Sievers'

'Sievers', sieve, see, seer, is, serve, verse, seers;
See L.A.! !
Variant,
Technology,
Spark!
Efficiency,
Ant, variant!
Like an audit verification;
Near,
Ethnicity.
Spark, park!
Unknown to you;
But, life goes on.
Lot, ballot!
Commited,
Honestly,
Support, potter!
Peaceful nature,
Confidence,
Spark, park, ark, dark, mark, bark, Clark, lark, hark;
Try, country!
Concept,
Casted,
Disciplined,
Ground, background!
Discipline,
Popular!
Consolidated.

Edward Kofi Louis
Sigai

Tide, side, slide, ride, hide, wide, pride!
But just get rid of it and be true with your heart;

Bid, did, aid, quid, lid, hid!
To do your best and, to overcome your illegal lust;

Just one song!
With the muse of the act of your lust in this town;

Deep into it! 
But, i am Sigai with the works of peace around to help you.

Edward Kofi Louis
Sighing

Sighing, sing, gin, in, is, shin, sigh, his;
Captured with your eyes in the land of love!
But the rains are now set to fall on us.

Edward Kofi Louis
Sight And Insight

Sight and insight!
Bright light of true love,
Right with the truth,
With the delight of righteous laws!
Might is wisdom,
Alright with the muse of righteous morals.

Edward Kofi Louis
Sight And Work

Tight and hard!
Darts,
Arts,
Parts,
Carts,
Charts,
Marts;
Sight and work!
With the insight of life.

Edward Kofi Louis
Sight, Foresight!

Hatred goes against the truth! But, love accepts the truth;

Hatred supports lies! But, the truth is the light of love; with righteous works.

Righteousness is forever! ! Aim at the truth and do what is right always; because, if you throw a ball against the wall, it will come back to you.

Sight, foresight! With the moments of life; however, you don't know what each head has on earth, so respect all mankind and live in peace.

Side, consider! To enjoy the light of the truth; facing the world with the peace of your mind.

Edward Kofi Louis
Sight, Insight!

Light,
Bright,
Right,
Sight, insight!
To protect sound wisdom;
Alright!
With the muse of the truth.
Flight!
Up high;
With the joy of your heart,
Doing what is right.

Edward Kofi Louis
Sights And Sounds

Rounds,
Around,
Sights and sounds!
Beautiful;
With the works of peace,
But, the truth is forever! ! !
No matter how hard you go against it.

Edward Kofi Louis
Sign In

Love,
Sign in;
By logging in with the muse of the laws,
Under the eyes of the truth.

Works!
Accepted,
When the right thing is done;
So, do sign in with the peace of your lovely heart.

Edward Kofi Louis
Sign, Signal!

Brain reading,
Pain, chain!
Objective in the land of trouble,
Subjective in the name of a disturbed mind;
Sign, signal!
With more people dying in the name of suicide than war.

Edward Kofi Louis
Sign, Signet!

Reign,
Sign, signet!
With a copy of the document;
Issued,
Made known,
Ready for the day!
With the muse of your sweet love.

Edward Kofi Louis
Signal Note

Keep smiling everyday because,
Love is the signal note from me to you!
And the sweet smell of your love is everywhere.

Nobody knows more about you than i do,
Nobody knows more about me than you do,
But someday we will be together;
And someone will come and ring the bell for us.

You are the ruler of my love and,
I am the ruler of your love as well;
And love is in front of your and behind you always,
For everything i do is for you only.

Your love is somewhere waiting for me and,
I will find time to meet you one day;
And like builders and carpenters on this love!
But keep smiling everyday because of your sweet love.

Edward Kofi Louis
Signals!

Of the body;
With the functions of your muse.
Fix, fixation!
With the ways of your life;
Life!
Give light to others and live in peace.

Fix, fixative!
Of the signals;
In the land of your muse.
Fix, fixture!
With the functions of your muse;
but, learn how to do the right thing always.

Love!
To add flavour to it;
Signals, sign, sing, in, gin, sin, as, sail, is, nail, sails, nails, gain, gains, sang, lag!

With the functions of your muse in the land of your love.

Life!
Some things cannot change;
Life!
Some people will never change from their negative works on this earth;
Love!
We do have something in common.

Edward Kofi Louis
Signature

Why sign an agreement without the conscience to know the terms?
But this is the way of life in one’s own kingdom.
Please watch and read before you sign up,
For you may easily expose your nakedness to the other party;
And it is my obligation to tell you the truth.
Read it well before you sign up,
For i don't want you to expose your nakedness;
And many are those who have made mistakes in signing up.

Edward Kofi Louis
Signet

Cowries and dowries,
And of your signet and your cord;
But i am with your child,
So be prepared for your care.

A large stone is now placed on the well's mouth,
Fare, ware, bare, care, dare, hare, mare, pare, tare!
To the north and to the south;
Ford, cord, lord, word!
To the west and to the east;
And like a wild man in the thick forest.

Edward Kofi Louis
Sings and signals,
Tracing the roots of your hidden love in the bush;
But you are already 28 years of age and,
You have to learn better from the people around you.
Hope is like the muse of your love because,
You are a lovely lady;
But you still have to learn from the best teachers around you.

Edward Kofi Louis
Signs And Symbols

Life,
With signs and symbols;
Love,
With signs and symbols;
But, i am glad to meet you.

Secret!
With private structures;
And, with the lust of the world,
Like the deep sea.

Life!
Make an effort with love;
And, do your best,
With the muse of peace and gladness.

Mr. Drama!
Mrs. Drama;
With signs and symbols,
At the Port of call.

Puzzle!
Dazzle,
Muse,
Luscious Red.

Points of love!
With shades of joy;
But, aim high and,
Bring out your best in this life.

Edward Kofi Louis
Signs And Wonders

Love,
As the promise drew near;
In words and in deeds,
To show it to you,
With signs and wonders.

Edward Kofi Louis
Signs Of Heaven

A sign of peace and love,
Do not be deceived by the signs of heaven!
And by using them to set your feasts;
For man's own customs and traditions are always against the ways of the
Creator!
But many are those who still follow after these traditions on this earth.

Edward Kofi Louis
Signs Of The Time

The sky is red and threatening!
It will be a stormy weather;
But, beware of the leaven of the wicked ones among us.

The signs of the time,
With the muse of the fig tree! !
One to his farm,
They preach! ! But, they cannot practice what they preach.

Money-changers!
Into the high mountains with words;
Man's imaginations,
Woman's lust,
With the fourth watch of the night;
Seeing them at the other side.

Crystalline waters!
Darkness,
Like a crown of thorns;
The spirit is willing but, the flesh is weak.

Before the cock crows in Africa! !
Armed with swords and clubs;
Strong as iron!
With a job to do,
Only to kill those you call your enemies.

The destruction of Troy!
The destruction of time,
The destruction of mankind;
Established with hatred!
Unearthing the land with bombs.

Edward Kofi Louis
Signs Of Time

Signs of time,
Science and conscience!
Sings of love,
Songs of joy!
Sings of life,
Songs of peace!
The end,
Waiting for it;
Sings of time!
Moving along and learning;
To be called in,
Worthy with the works of the truth.

Edward Kofi Louis
Sihon

Sihon, in, so, his, son!
To obey the works of the truth,
To be disciplined and instructed;
To know this day! !
To acknowledge the works of the truth;
And, to live in peace with your neighbours.

Edward Kofi Louis
Sika

Write and let us write too,
Live and let us live too,
Eat and let us eat too,
Like the sentimental songs to put me at bay!
But if a trap is set for me,
I will surely overcome it by the power of Yahweh.
Sika is your name and,
You will fall like a big tree in the forest!
For i write and nobody do reply me back.

Edward Kofi Louis
Sikking

People all over the world,
Hear me when i do write;
For i am Sikking with the muse of a king,
But the empty pool closer to you needs some water.

What about you?
What about me?
What about us?
What about life? ! !
And like the muse of love at Konny Island;
But as high as the eagle is my mind to you all,
For what is left by the lion is now being eaten by the rabbit.

To eat it in the name of love,
To drink it in the name of love,
To dream of me like a star in the name of love!
And like the words of your message of love and peace,
But the earth shakes and, the heavy noise is heard at the Red Sea! !
And like a lion from the flooding of the Yardan River.

Edward Kofi Louis
Silas

Active,
Striving,
Labour;
The hidden treasures of wisdom are what you need,
But, remember my chains.

To see,
To hear,
To write,
To read,
To learn;
And like Silas your friend in the land of your muse,
But, you shouldn't have touched him.

Edward Kofi Louis
Silas 2

Silas, is, as, Ali, sail, sails!
Dear to you,
Having a strong affection for you,
With the muse of the Crown of rejoicing!
With peace and hope,
Under the eyes of the truth.

Edward Kofi Louis
Silence In Heaven

Hail, hailstones, and the iceblocks falling from heaven!
I am clothed in a fine linen to preach the truth to you all;
But, the works of the people are too negative to bear.
You are decked with gold and,
The world knows its own;
Like the order of the day from the aftermath of a curiousity!
So move your mind to wisdom and,
Try to know me like the quest for money;
For the thirst for water and the hunger for food is like,
The logical lifesytle around us.

Edward Kofi Louis
Silent

Silent walls ans silent woods,
You mesmerised me with your love last night;
And i will always cherish the moments that brought us together,
For this time past is now recorded in my mind.

Edward Kofi Louis
Silent 2

Lent,
Silent,
Sent,
Sent,
Spent! !
With the muse of life.

Edward Kofi Louis
Silk

Silk!
Body milk;
Motion,
Body lotion,
Emotion,
Passion! !
With compassion.
To roll on,
To move On,
Hygiene,
Like a different song.

Edward Kofi Louis
Silla

Silla, Sail, Ali!
Life,
It's all about attitude;
Facing the light of the truth,
With your works,
Able to care for mankind on earth.

Edward Kofi Louis
Sillage

Village,
Age,
Passage!
With the muse of life;
Sillage,
To respect nature! !
Going along with my works.

Edward Kofi Louis
Siloam

Trivial matters,
Everything matters;
With the very facts of life.
Siloam, soil, oil, sail, mail, aim, Sam, aims, Ali, Mali!
But, listen diligently to the works of the truth and, live in peace with your neighbours.

Edward Kofi Louis
Silva

Basic channels of love and the rhythm of your muse,
I am Silva in the land of ladies;
But with peace and love to direct you onto the path of my sweet muse,
Because you are all that i need!

Edward Kofi Louis
Silvanus

Silvanus, Silas, is, as, sail, in, us, Ali, nail, nails, van, vans;
Of a failure! !
But, you know the works of the truth;
With your flattering words like, a cloak of covetousness.

Edward Kofi Louis
Silver Basin

Police!
Policy,
Silver basin,
To receive it;
Scales! !
Like a bridle made for you;
And, to take care of you.

Edward Kofi Louis
Silver Crest

Test!
Best,
Going to the west;
Silver crest! !
To take a rest,
Like a bird in a nest.

Edward Kofi Louis
Silver Cup!

Silver Cup!
In the land of your muse;
Life!
With the coastal muse of your love.

Pink, link!
To the Pink Prison;
In the land of your muse,
But, handle me with care.

Life!
Learning the truth after 50 years;
Broadly!
Widely,
But, being very much in love with you.

Edward Kofi Louis
Silver Stone

Service to all mankind,
In the name of peace and love;
Living with the muse of life,
Victory is the truth! !
Exploring the ways of nature;
Respect and Responsibility.

Sharing with others,
Tender love and kindness;
Opening the doors of righteous morals to all mankind,
Noted with righteous laws;
Echoes of life with the romance of nature.

Edward Kofi Louis
Silverstern

Your love is like galloping hooves of strong horses,
And your love is like a wealthy nation that dwells at ease;
But i will show you the way to Zion,
So be at rest with your youth.
Be like the rose on the grave stone and,
Be like the wine that has settled on its dregs;
For i am Silverstern and,
I am like a jumper in the wilderness of love!

Edward Kofi Louis
Sim Valley

Sim Valley,
Where is the love that you promised me?!
For you are now busy with life and chasing money,
But it is always nice to hear from you.

Edward Kofi Louis
Sima

Sima, aim, aims, Sam!
Love,
Given the needed care;
In every moment to satisfy your life.

Lights! !
Lights of love;
With peace and care,
And, with your eyes on the truth.

Love,
Glad to hear from you once again!
Being strong in life and,
To hold on to your dreams.

Edward Kofi Louis
Similitude

Similitude,
Exclusive,
Subjective;
The expanse of the sky covers your love,
So come and wash your feet under this great tree.

Edward Kofi Louis
Simla

Simla, aim, Sam, as, Ali, sail, mail!
First and foremost;
With the muse of your sweet love in your land,
Like a special construction.

Infrastructure,
In the beginning was the plan with the clan;
But, she always sits on the hill to view around.

Edward Kofi Louis
Simon

The waxing and the waning of the moon,
To what should i compare you my love?
But, rebuke a wise person and he or she will love you.

The waxing and the waning of the cycles of life!
To whom should i compare you my love?
But, reprove a scoffer and he or she will hate you.

We all came from the same source,
But every man thinks that his burden is the heaviest!
However, who feels it knows it all.

To write my mind out and to overcome many obstacles,
For i am the one to set you free my love;
Because, in this great future!
You can't foget your past.

You are the star!
The artist, the dancer and the drummer;
And Simon is your name,
But humility comes before honour.

Edward Kofi Louis
Simone

Days, months, and years cultivated in a hidden garden;
And a mountain top watered with love,
But with the melting of the valley around like walnuts!

Herbs and observations,
The pleasure ground of beauty and the glory of love;
Green in the midst of the water with the shades of trees,
But with love and sincere care to win your muse!

Simone,
Of this fertile land of apples, plums, apricots and pears;
But the phenomena around is full of your love!

Very curious and squatting,
With the melting of the valley around like walnuts;
But the Queen's native language is for us to learn,
And like a hard journey in the land of your muse.

Edward Kofi Louis
Simple

Simple,
Harmless,
Innocent!
Subjectively with your love.

Edward Kofi Louis
Simple Style

Simple style,
Character!
Love and life;
Muse,
Not to refuse the truth.

Edward Kofi Louis
Simple Things

Simple things,
The ways of the poor;
But, the rich person comes out with complex issues in life!
With the poor coping up with life,
Trying to make ends meet with the struggles of life

Edward Kofi Louis
Simplicity

Put on the 'horse-walk' on this issue and,
Come to my heart with joy;
For i am the one that you are looking for.
There are various paths to the coastal lines of love,
But mine will lead straight to your heart;
So, come to me and be my own.

Of the Atlantic Ocean serving humanity,
Of the sweet love that i share with you,
Like the applied disciplines of the arts!
And let simplicity call on you for the knowledge beyond.
The future will surely find a way to your heart,
And i will live to love you forever;
And for the hope of our dreams.

Edward Kofi Louis
Simplicity
Expression,
Gentleness,
With the muse of your tranquil contenance.

Edward Kofi Louis
Simplicity!

Simplicity!
The toast of the day;
With the muse of your works;
As your words touched the hearts of many.
Powerful lessons! !
With the act of positive morals;
Modesty,
Remarkable,
Moments,
According to the laws of righteousness.

Edward Kofi Louis
Simplifies

Simplifies, simple, flies, lie, lies, if, pile, piles, file, files;
But there is a freeway in this red valley!
And, i am now free from everything;
Because, i can always walk right through it with my mind! !

Simplifies, pie, pies, me, mile, is, miles, smile, smiles;
But this freeway is like the river of love,
And like your sweet muse so presented to me!
But i need to prepare myself well for this trip.

Edward Kofi Louis
Simulation

Simulation,
Wake up and eat the sweet food of love!
For, i am what i am with my works.

Edward Kofi Louis
Sin

Sin,
Seen,
Been,
In!
With the act.

Edward Kofi Louis
Sin 2

Sin,
Spin, pin, in!
To be led in.

Edward Kofi Louis
Sin 2

In!
Sin,
To face death.

Edward Kofi Louis
Sin 3

Humanity,
On earth;
With the Pictures of Sin! !
All around us today.

Edward Kofi Louis
Sin Island!

Sin Island!
Enjoying the sins of the world;

Dig, fig, big, wig!
Horror is reflected through the mirror of the terror;

The earth is the Creator's and we are part of His creation,
But, horror is seen through the mirror of the terror;

Terror, mirror, horror!
The mirror of the terror is only with the muse of horror.

Edward Kofi Louis
Sin! !

You supported it;
So, you are part of it,
Bringing war to the world.

Edward Kofi Louis
Sin, In!

And, you entered into her;
But, she was somebody's wife.

Edward Kofi Louis
Sin, Scene, Seen!

Sin, scene, seen!
You were seen with her;
Being exposed! !
After raping her.

Edward Kofi Louis
Sin, Seen!

Sin, seen!
With your act,
In your works;
In the name of terrorism.

Edward Kofi Louis
Sina

The joy of love and the clash of Titans,
I want to know where your love is;
For my name is Sina from the Sinai Peninsula,
And i will sacrifice a lamb for you.

Edward Kofi Louis
Sinatra

I have my T-Shirt on and,
You are about to tell me a story;
Like, another Montgomery pastor.
Rainbow Colours!
My name is Sinatra;
And, i do have the picture of my life ready for you today.

Love!
I have been watching you;
Life!
I know your problems;
However, true-love is the very key to life.

Lust!
Don't jump from bed to bed with your nakedness;
For, i am like the window of the womb!
And, a bee buzzes along when it flies.

Dear girls!
Get sense ans stay way from early sex;
Dear boys!
Leave the girls alone and,
Let them be matured enough for marriage.

Life!
It pays to speak the truth;
So, why are the young boys and girls hurrying for sex?
When, the fact is, they can't even do it all day long when married.
Lust!
Don't mix your act to a bed dabble sense of humour;
For, it is better to know the truth than, to die in sin.

Edward Kofi Louis
Since Yesterday

I am sleeping with the proverbial flying carpet of love,
And i am drinking the proverbial fire balls from heaven;
But life has come a very long way to me,
And i have been thinking of you since yesterday.
I am eating from the proverbial iron horse of fame,
And like two wave loaves of bread baked with salt;
But i am now like a forgotten sheaf from a field.
Love is just like that at times and,
I have to get this water away from my side;
And to reap the harvest with an ox and a donkey!
The odds have taken me so long on this love and,
I want to keep this vision going all the time;
But like the owner and his son who required a test,
For i have been thinking of you since yesterday.

Edward Kofi Louis
Sincere Milk

Gird up the loins of your mind,
Be sober and hope for the end;
All flesh is as grass and,
All the glory of man is as flowers:
It will all wither away.
Malice, guile, hypocrisy, envy and evil speaking;
Like newborn babies who,
Long for the sincere milk of life.

Edward Kofi Louis

From sinful lusts.

Edward Kofi Louis

Singled You Out

Vitality,
I have singled you out among the lot;
Harmony,
Your muse is like the sweet songs of love;
Security,
You are the one that I love;
Properity,
Words to my ethics to reach out to your muse;
And you are now singled out for a purpose.

Edward Kofi Louis
Sinking

Sinking,
Hold my hands and pull me out of hell! !
Facing the ways of life.

Edward Kofi Louis
Sinner

Spin, pin, in, sin!
Spinner,
Sinner,
With the acts of evil;
Destroying the world.

Edward Kofi Louis
Sino

Afghanistan!
Coupled with the matters of the heart;
But how many more soldiers are we ready to sacrifice?!
For Sino my friend lost one of his legs last night,
And the people are still not free.

Edward Kofi Louis
Sins

Why have you gone against me my love?
And, why have you come to bring my sins to remembrance?
For the jar of your flour shall not be used up nor,
Shall the jug of your oil dry out!
Because i will always love you from my heart,
So bring me a cup of water so that i may drink from you.

Send down the rain to water my garden oh heavens!
For my sins are well known by you all in this land;
And i am walking along peacefully to adjust to time,
For the jar of my lover now at rest beside me.

Edward Kofi Louis
Sins 2

Sins,
Sins of the world!
We've now fallen off the ladder like a big tree;
However, enemies are not born!
Rather, they are made by what they are taught.

Edward Kofi Louis
Flee from your sins!
And pursue righteousness;
With the works of the truth,
Able to overcome the sins of the world.

Edward Kofi Louis
Sins 2

Sin brings curses upon all of us!
As we fail to obey the laws.

Rough bush!
Going through the path;

Bread, bed!
Deep in the forest of love.

Stance, instance!
With the muse of the sins of the world.

Edward Kofi Louis
Sins Of The World

Illegal lust!
With the negative acts of mankind;
Leading to all the sicknesses around us on earth.

Maid, aid!
Said,
Paid;
Seducing the maid in your house,
Claiming to aid her in her financial needs.

Sins of the world! !
With the muse of illegal lust;
Look around you,
With the diseases of the people.

Edward Kofi Louis
Sinti

Holding it in!
And like the worthless gods (elohim) around you;
But Sinti is your name,
And i am aged and very old in the land of your muse.

Be instructed and learn how to live peacefully with one another,
For the Creator created us all on this earth!
And you are young and very fresh;
However, my mind will live on to study your muse! !

Edward Kofi Louis
Sir Edward

Sure with the truth!
Insight with wisdom,
Respecting all mankind.

Echoes of life with righteous morals! 
Dancing along with the truth;
Without hurting anyone,
According to righteous laws,
Responsibility is the key!
Doing the right thing and helping others.

Edward Kofi Louis
Sir Louis

Sharing with you,
In the land of the living;
Respecting all the rules around.

Light to the world! ! The light of the truth;
Only for you to uplift your mind,
Under the umbrella of righteous laws,
In the land of beautiful flowers,
Showers of blessing! With the muse of peace and love.

Edward Kofi Louis
Sirah

But, seal me with youe peace and,
Heal me with your sweet love.

Perfect laws!
Perfect peace;
Under the leadership of positive works.

Humanity has come a long way!
But, always with positive and negative things around;
However, let the guest of honour bring peace to all.

Edward Kofi Louis
Sirah  2

You will see my face if only if you have my daughter with you;
For you came and deceived me! !
However, Sirah came along and told the truth of the whole story;
So, bring back my daughter.

Edward Kofi Louis
Sirion

Sirion, on, ion, in, Sir!
Deeds,
Needs,
Seeds,
Heeds,
Feeds;
To the other side of the river,
Like ten virgins who took their lamps to meet the bridegroom.

Edward Kofi Louis
Sirphan

The shadow,
Your muse,
Your love;
To be born from many wombs and to use various combs,
But the bombs came falling on us!
And most of us are now buried in the tombs.
A shadow,
Your works,
Your words;
Wombs, combs, bombs, tombs! 
The forum,
The temples,
The colossus,
The catacombs;
But the baths were made for your use,
So, make yourselves clean before the laws! 
And like the muse of Sirphan my friend.

Edward Kofi Louis
Sister Akos

Sister Akos,
Naphtali is your friend and i am here to meet you;
But do sing me the songs of joy for,
The echoes of your songs can easily lead me on.

Edward Kofi Louis
Sit, Deposit!

Sit, deposit!
Grow and win,
Flow in with your love,
Glow with your joy! !
To show your works to the world;
Sit, deposit!
To change your level in life,
And to enhance your status!
To cross all limits,
Even if you do fall at times.

Edward Kofi Louis
Site

Site, is, tie, set, sit, ties, it!
She acted the same way as she was told to do;
Concerning things to come in her land.

Perfect works!
With endurance;
But a person who doubts in life is like,
A waves of the sea,

Edward Kofi Louis
Site, Ties!

The pleasures of sin!
Tossed and driven about,
By the wind! !
Unstable,
Without the works of the truth;
Site, ties!
Variations,
Going out for a walk and,
Coming back with tears.

Edward Kofi Louis
Sites, Exquisites!

Summer lights!
To get the day started;
High and dry!
Love and wet;
Dissert, dissertation!
With the muse of the archive of a specialist.

Hard work!
Handwork,
Working at noon;
To come on in,
With the muse of the northern lights.

The moon!
Nature;
With a spoon in your hand,
Ready for supper.

Live, believe, five, hive, archive!
Facing the facts of life with the muse of your works;
And, to get the day started with the joy of your heast,
Working hard and, ending the day with a nice meal at supper.

Sites, exquisites!
On the fram,
With the view of the land;
Doing your best to put things right,
And, to expect a better harvest in the near future.

Edward Kofi Louis
Sitting Here

Love, 
Is it black or white?
Love, 
Is it red or blue?
Sitting here lonely to understand the ways of love; 
So tell me if you know the colour of love.
I am sitting here under a mango tree to think about it, 
What is the colour of love? 
Somebody should tell me now.
Love, 
Is it green or yellow?
Love, 
Is it brown or violet?
Oh what a lonely place to think about love! 
The sun shines in all directions but, 
The shade of this mango tree is my home; 
Somebody should tell me the colour of love.

Edward Kofi Louis
Sitting Here In My Limbo

I don't need books and degrees to identify myself,
But i need my positive mind to lead me on;
I am sitting here in my limbo looking towards the Creator.
Sitting here in my limbo,
I don't need degrees to identify myself;
But in the light of Yahweh Almighty,
I have a mission to fulfil.
Sitting here in my limbo,
Still waiting for the right time to come;
For, how long shall they kill the prophets and,
We stand aside and look?
Mark my identity and learn from my muse,
The very conscience should be used positively;
I don't need books and degrees to crown my name.

Sitting here in my limbo with the tides,
I am always present at the board meetings;
But it seems to me like a candle in the wind.
A positive conscience is all that i have with me,
Like rulers and the ruled;
But one day, my time will come.
I'm sitting here in my limbo waiting for the time,
The late success of my philosophy to rule the world;
'Who is this Writer? ' You may ask;
But just read on to mark my identity.
Ask of my where about and,
I will show you the dimensions of life;
Sitting here in my limbo is all that matters to me.

Edward Kofi Louis
Sitting Here In The Limbo

What goes around comes around!
But, i am still sitting here in the limbo;
Waiting for my time to come.

Best, west, pest, nest, test!
With hustle and bustle;
Going through certain things in life.

Edward Kofi Louis
Sitting Next To You

Mockingly declared but never known!
However, I am the bard sitting next to you;
Come back to the World and learn from me.

This muse of love,
You are like the garden by the river side;
What again can I compare you with?
As your valley is nicely spread forth As well.

Edward Kofi Louis
Sitting On A Bench

Distress in your dwellings!
What is on your mind today?
An old man with a young girl,
An old woman with a young boy,
Wearing, bearing, hearing!
Sitting on a bench;
A place of honour,
A place of peace,
A place of love,
A place of joy;
A joyous character!
With righteousness, wisdom and humility.

Edward Kofi Louis
Sitting On A Scarlet

Lust!
Hunting down oppositions and killing them;
In the land of your muse.
Lust!
With the wine of her fornication;
Lust!
Sitting on a scarlet;
Scar, scarlet! !
With your muse.

Lust!
With the wine of his fornication;
Let, scarlet!
Living without the laws.
Lust!
Running away from what you did to the young girl.
Strange, range!
With the acts of your works;
Delay, lay!
To cross-examine other witnesses.

Edward Kofi Louis
Sitting On It

Sitting on it,
Enjoying the ride!
But do watch before you fall.

Edward Kofi Louis
Sitting On The Top Of The Mountain

Love,
True love,
To drink the river of love with the pleasures of the world! !
Joy,
Your joy,
With the fountain of life;
Sitting on the top of the mountain.

Edward Kofi Louis
Situation

Situation,
The ball!
Rolling along,
Kicked here and there! !
Like the muse of the sphere,
With the ways of the atmosphere;
Having 'Lagos' in Portugal,
And the Portugese brought the name (Lagos) to Nigeria,
Exploiting the Country in the name of Slavery and,
Taking away their Natural Resources;
In the field of the Game,
With the records of history;
Exposing the ways of mankind on earth.

Edward Kofi Louis
Situation!

Very bad today,
Negative act,
With insults;
Coming out of your mouth.

Edward Kofi Louis
Sivan

Sivan, is, as, van!
Feelings,
With the muse of the heart!
With the muse of the mind,
Mused, used!
Touching the body;
Your body,
With the aroma of your sweet love.

Edward Kofi Louis
Siwa

The details were finally released yesterday,
And Siwa your friend was there to receive the news;
But, it is not too late to change from your bad attitudes.

Click it and read it yourself!
For, it is attached with a poster;
And, it is not too late to change for the better! !
Because, you are still too young in the land of wonders;
And like the sweet pie in the land of glory.

Edward Kofi Louis
Siwanus

In the coming ages,
Just as others;
Opposition,
Reconcile,
Here and there,
Afar off!
And like the commandments in the land of your muse;
But strengthen yourselves in Yahweh! !
And like Siwanus your friend in the land of joy.

Edward Kofi Louis
Six Of Them

Sticks,
Six of them;
To fix them in your garden,
As the Clock ticks.

Edward Kofi Louis
Six Plus One

Six bottles of wine plus a bottle of vodka,
And like a man who has six wives;
But the sun came down to shine on me,
And like the muse of your love which is always in my mind.

Edward Kofi Louis
Six Steps

Take six steps towards me my love and,
Let me hold you in my arms;
For i am on the first floor waiting for you,
And like the joy of peace in the land of unity.

Hammer, chisel and iron! !
Your love is under construction;
But take six steps towards me my love,
And, let me hold you in my sweet arms of love.

Saws, iron picks and axes! !
I am in the thick forest of love waiting for you;
And, i can see the burning bush afar off!
So. let me watch my steps to get out of this bush,
For your love is all that i need.

Take six steps towards me my love and,
Let me hold you in my arms;
For the sea around you has become rough because of the great wind that blew! !

And like the care of your neighbours in the land of your muse,
But, i want to save you and take care of you in my lovely arms!

Edward Kofi Louis
Size 37

My desire,
My dreams,
Shoe-Size 37!
Beautiful legs.

Accomplished,
Dreams!
Fulfilled;
Like the locuts and the grasshoppers in a field.

Place of love,
Peace and joy!
Attractive always,
Yesterday, today and tomorrow.

Edward Kofi Louis
Size 38

Shoe-size 38,

You are living far from home;

But, try to listen to my words when,

You get the message!

Because, the troubles of this world started with hatred;

To see!

To feel,

To smell,

To taste,

To hear! !

And to bear with life.

Edward Kofi Louis
White snakes and black snakes,
I am walking along the narrow path with shoe-size 39;
But the youths of today have shaken up North Africa! !
And like the little red box hidden in the bush.
You won my own car and i am now walking alone,
But there is light in this hidden little red box!
And, i have to watch my steps in looking for it.

Edward Kofi Louis
Cain, main, pain, vain, fain, rain;
Your shoe-size is 40 and I am about to tell you a story;
But your love is like a fiery land far away.
Dave, cave, wave, pave, lave, nave, save;
Shoe-size 40 in the land of care,
But you must distinguish between the unclean and the clean.

The monitor lizard,
The small lizard,
The large lizard,
The stock and the ostrich;
But upon the perfect laws I rest my mind,
And like the rain in its season.

Edward Kofi Louis
Snow! !
Across the land;
In your land,
Winter!
Working along with your device,
Size XXL.
The first snow!
After the darkness of winter;
Clearing the way with your device,
Size XXL.

Edward Kofi Louis
Size, Seize!

Size, seize!
End,
Extend;
To slay the broken in heart! !
But the truth stands strong,
The truth is forever!
Your acts,
Your negative acts,
Seen in the world.

Edward Kofi Louis
Most wanted!
To the chill spot,
Change,
Mr. Postman,
Sizzla! !
Take me home,
Of the police,
Of the people,
Like the highlander;
Process,
The chill spot!
Coach,
Hill spot!
Hill top,
Take me home,
With the magic touch of love;
But not the killing spot.

Edward Kofi Louis
Sizzling

Allegations,
Claiming,
Sizzling,
Speculations,
Obvious;
With episodes to crown the day!
Ad like a newly born baby,
But it was like a sting in a tale.

Edward Kofi Louis
Skagen

Skagen, sage, age, as, sea;
With the muse of your age,
Living in your land,
As life plays with you! !
From one page to the other,
Reading you like a book,
On stage with your sage on earth.

Edward Kofi Louis
Skarsanne

Ancient manuscripts and,
The origin of languages;
But, Skarsanne my love is here to stay.
Life!
With the harmony of my country and,
With the state of my mind;
However, money baths both of us in peace.

Edward Kofi Louis
Skate, Kate!

Sate,
State,
Taste,
Skate, Kate!
Sate,
Create,

Late,
Mate,
Rate,
Not to hate other;

The colours of love;
Not to waste your life.
Gate,
Prepared with love;
With your joy! 
Not with the bate of evil acts.

Edward Kofi Louis
Skew

Skew, 
Sure! ! 
Notes, 
Few,

Laps,
Snaps!
Baps;
Facing life.

Edward Kofi Louis
Snare

Illegal lust,
To be a snare in our mist!
Bringing trouble to us! !
Creating problems always;
Illegal lust,
With your courage failing because of fear!
War is not the answer to peace.

Edward Kofi Louis
Snares

Snares, sears, nears, are, era, ears, as, an, seas, ran, snare;
And like a threshing-sledge dragging the mire,
But the rattle of the spear is all that i do hear around me.

White hair, black hair and coloured hair!
The deep boils like a caldron;
But my ears heard of you and now,
My own eyes have seen you.

Edward Kofi Louis
Snares And Traps

Whips! !
Snares and traps;

Wickedness,
You are witnesses against yourselves!

In the land,
For all evil acts seen around.

Edward Kofi Louis
Sneak Peek

Recently,
News for you!
Talking about your sweet love,
Living in your land,
Sure! !
With the divine pleasure of your love.

Sneak peek!
To speak and to seek;
At the peak!
During the week;
Meek,
Not to be very weak!
Steak,
Beak.

Edward Kofi Louis
Sneer

Sneer!
War;

Trouble,
Destruction;

Illegal lust!
Upon a lofty and high mountain;

You've laid your bed,
Waiting for your lovers! 

With the muse of your evil works in the land.

Sneer!
What kind of world are we living in today?

Covetousness,
Backsliding!

Corruption,
Like a troubled sea which cannot rest.

Edward Kofi Louis
Sneer! !
Mocked!
With enemies around,
Attacking the righteous people;
Those who seek for peace than war.

Edward Kofi Louis
Snow

Ink and deep,
Work and week;
Hushing!
With the muse of the snow.

Edward Kofi Louis
Snow Man

Who brought about the snow man?
Is it in your Bible? ! !
Then look around again and see where the animals go to when it is cold;
For, when the snow falls, they have to take shelter to warm themselves.
Baal-Bali!
And of the land of the gods and the goddesses;
But, your kiss was as great as the heavy rainfall last night!
However the truth is always in the very Bible that you read.

Edward Kofi Louis
Snow And Rain!

You slipped and fell!
On the snow;
On the 11th of January 2010,
As you told me in your letter.
The snowman looked on an laughed!
Because, it was part of the symptoms of winter;
As you wrote to me.
Snow and rain!
Ice and snowballs;
Of all the children who came out to play,
But, one needs to be very careful!
Walking along,
In the icy weather.
In your letter,
The snowoman also watched your steps;
As you walked along the path,
On the snow.
The muse of nature!
With the snow falls in your land,
However, i will always stand behind you in the name of love.

Edward Kofi Louis
Snow And Salt!

Melting away;
In the land of your muse,
And, with the joy of your sweet love.
Light, delight!
With your kiss;
Man, mankind!
With your love;
Tent, potent!
With your romance;
And, with the joy of your sweet love.

Edward Kofi Louis
Snow And Sunshine

Snow and sunshine,
In your land;
Seen in the pictures you posted to me,
Seeing the beauty of nature in your land,
After the snow;
Everywhere is white! !

Edward Kofi Louis
Snow And Tears!

Snow and tears!
In Pyongyang to mark the funeral of the North Korean Leader;
For, 'Kim Jong-il' is dead.

Snow and tears!
Now, the outside world wants to know more about North Korea;
Yes, after the death of 'Kim Jong-il'.

Snow and tears!
In Pyongyang to mark the funeral of the North Korean Leader;
And all over the land was white because of the snow,
But the heavy tears will not stop rolling down the faces of the nationals.

Edward Kofi Louis
Snow In Africa! ! !

Snow in Africa! ! !
In North Africa and South Africa;
Once a while after the ways of nature,
Surprisingly at times when the cold comes in.

In, insists!
Like the takeover,
On the subject of life;
With the adjectives of nature.

The procedure,
To come on stream!
Responsible with the muse of nature;
With North and South African countries experiencing snow at times.

Edward Kofi Louis
Snow On The Sahara!

Snow on the Sahara!
After 40 years;
Nature! !
The muse of nature,
No one can stop the ways of nature;
With the rules of creation.

Edward Kofi Louis
Snow Park

Show it now!
In your land,
With your muse,
With the your love,
With the beauty of the land! !
Snow Park;
Crow, flow, bow, cow, low, blow!
Fellow,
Follow,
To allow!
Like the ark;
Snow Park,
In your land;
With its beauty! !
Attracting visitors to your land.

Edward Kofi Louis
Snow!

Snow!
Snowfall,
Snowflake,
Snowdrift,
With the flakes of nature;
Like the muse of the lakes seen around us on this earth.
Flakes, lakes, rakes, bakes, brakes, stakes, shakes, takes, hakes, fakes, makes, wakes!
With the muse of the white particles coming down from heaven;
Playing with nature's atmosphere to satisfy the muse of life.
Snow!
Snowflake,
Snowfall,
Snowdrift;
Of the white particles covering the lands,
As nature displays its muse.

Edward Kofi Louis
Snowboard

Snowboard, board, road, snow, now, so, sow, Dora, oar, soar;
Skin, kin, in, sin!
Falling off from the board.

Snowboard, row, brow, brown, bows, draws, bow, draw, won;
Stick, sick!
As she exposed her secrets to you.

Snow board, war, wars, was, saw, as, an, on, son, born, words;
Road, braod!
With a spectacle in the cold.

Snowboard, word, sword, ward, bard, rods, own, ros, soon, own;
Shades of red!
And, to be beautiful with the muse of your love.

Muse!
Under the moonlight love;
But, beware of dogs and learn from the truth always.

Edward Kofi Louis
Snyder

Snyder, send, end, rend, red, den!
Coming from the west;
Water the garden of love with the peace of your mind.

There is hope in life!
There are dreams in life,
However, there are some things that, money cannot buy.

Edward Kofi Louis
So Beautiful To Behold

True love,
So beautiful to behold;

True love,
To be there so long! !

True love is all that we need,
Without hatred and war.

Edward Kofi Louis
So Bright With Love

Light! ! !
So bright with love;
Moonlight.

Edward Kofi Louis
So Confused

Of minds so confused and filled with violence!
But i am like the iron pillar of love;
And i will stay the night to share my love with you.

Edward Kofi Louis
So Creamy!

So creamy!
So nice,
So beautiful,
So lovely,
So attractive!!
peacefully,
Passionately,
Romantic;
In the land of your muse,
With the joy of your mind,
Like the butterfly!
With the harmony of the sky;
The wind,
The blues,
The land,
The atmosphere!!
Of your love,
Living,
Better with true love than hatred;
Sharing,
Better with peace than war!

So nice,
So beautiful,
So lovely,
So attractive!!

Edward Kofu Louis
So Dear To My Heart

The fig tree puts forth her green figs and,
The blossoming vines spread forth their fragrance of love!
Because your love was so dear to my heart,
And like your sweet voice as noted by all.
Your face is lovely and your muse is calm,
And of sweet joy to your romance!
But what you said is what you have to do on this love.

Edward Kofi Louis
So Deep With Your Lifestyle

Something different,
Something within you,
Giving you the message;
With your works,
With your letters,
With your words,
With your muse,
With your unity!
So deep with your lifestyle.

Edward Kofi Louis
So Delight

The weather changes at its own will,
But it was so delight to kiss your lips.

At the night time,
Visible to the eyes of the human beings;
But, it was so delight to romance your body.

The melody of your heart and the rhythm of your love,
And of the great works of your body to share with mine;
But, it was so delight to make love to you.

Invisible as the mind and to eat at the cemetery!
And like home without mothers and fathers;
But, it was so delight to love your passion.

Edward Kofi Louis
So Desperate!

The budget statement,
The new slave-ship,
So desperate!
But officially recognised like a whistle blower;
However, many people are still hungry in the land of opportunity.

Edward Kofi Louis
So Far Across The Sea

Africans at home and abroad!
Physical,
Spiritual,
Culture and heritage,
Uprising roots,
Recorded;
Destination,
But, everything occurring now is part of prophecy.
Love is that thing,
To check-in and to check-out!
Summer time,
Winter time,
African stars! !
Legends,
Living legends;
For, there is a land so far across the sea.

Edward Kofi Louis
So Far Away

She was lovely,
So i was;
Subject, object, adjust, affect!
With the project at hand.

Look!
And see the looks of life;
Learn something about life and be kind to your neighbours.

Hold on to your talent!
Because, that is all that you need for the
world to know who you are.

Edward Kofi Louis
So Is Life

Those who hate you,

Those who love you,

So is life;

In the very ways of mankind!

However, do walk upright and live in peace.

Edward Kofi Louis
So Is Life 2

This old woman,
She was once young and beautiful;

This old man,
He was once young and handsome;

Birth and growth,
So is life;

With the romance of nature!
Along the journey of life.

Edward Kofi Louis
So It Is

So it is,
So we are,
In this world;
With positive and negative,
Those for the truth and, those against it.
Those for war! !
And, others for peace;
So it is,
And, so we are on this earth.

Edward Kofi Louis

It has been so long!
So long too long for you to reach out to me;
And now, i need the sunshine to protect me.

Edward Kofi Louis
So Long!

Long,
So long!
But, one day i will find the way of meeting you once again;
For, i am still alive like you are,
After the war.

Long,
So long!
With nature holding me up on the other side of the river,
And, very difficult for me to get to you.

Edward Kofi Louis
So Long, Too Long!

So long, too long!
Back in the days and back in time;
Struggling from the roots of Africa to identify myself;
But, born in 1961! !

So long, too long!
From yesterday with my muse of love;
And like today with the problems of the earth,
But, is this the future? ! !

The African story,
The African struggle,
The African muse,
The African experience,
The African hardships,
With the hustle and bustle to identify myself to the status of this world;
But, i am still moving on without giving up! !
For, nobody knows tomorrow.

So long, too long!
But, all the fingers are not equal;
And like the movements of the snail and tortoise,
However, i will surely reach there when you also do get there.

This life,
This muse,
This continent,
This mind,
This writer and his story! !
But, it has taken me so long, too long!

This is my life,
This is my muse,
This is my mind,
This is my act,
And, i am now presenting my love to you;
But, it has taken me so long, too long!

1961,
Born in Africa;
Yes, from 1961 to the present time! !
Struggling to make ends meet;
And, like the life seen in the slums of Africa!
But, it has taken me so long, too long! !

Africa, Africa, Africa, Africa! !
The land of my birth and my homeland;
But, i am still finding my way through the dark forest to represent myself to the world,
With hopes and dreams every now and then without giving up!
But, it has taken me so long, too long! !

Back in the days,
Oh yes! ! And, like the days of yesterday gone by;
But today, you can read my lines to know who i am!
And like the muse of sweet love in the land of peace,
But, it has taken me so long, too long!

This is it,
This is me,
That is it,
That is my muse,
Here i am and, this is my mind! !
With the sweet love from my heart brewed in the African Pot;
Touching the minds of many and, ready to educate others,
But, it has taken me so long, too long!

Come and enter into my world so sweet with your love,
Come and taste the muse of my love with your mind,
And like the aroma of sweet love from the bed of roses;
Where, the delight of love is crowned with peace and care,
But, this journey on this earth started from my mother's womb.

Oh yes! ! in the land of Africa to represent my muse;
Out of the womb of my mother to cry out to the world! !
And like the tears of love in the land of beautiful flowers,
However, it has taken me so long, too long!

Edward Kofi Louis
So-Called

So-called,
Self-proclaimed prophets and preachers!
In Churches and Assemblies;
leading the people away from the truth,
But, the truth is all that the Prophets of Old taught! !
And, the Law Prophesied was until 'John the Baptist'.
Read it yourself,
reading from: Matthew 11: 13, Romans 1: 1-2 and, Luke 1: 70;
For the truth!
The truth os life;
As these fake prophets and preachers were condemned in,
'I have not sent these prophets, yet they ran; i have not spoken to them,
Yet they prophesied'.

Sodomy! ! !
Very common in the World today;
Why?

But, how many of us are ready to obey them?
As many do fall off from the ladder of righteousness.

Edward Kofi Louis
Sodomy Is Seen Around Us

The pride of this world leads to the ride of our sins! !

But, the best is yet to come.

You should have done a better job!
And, you could have done something better;
Like the muse of love in a romantic place! !
Taking another level and another dimension;
In one location and easy to find!
But, this issue is all about the state of your mind.

Edward Kofi Louis
Solidarity

Continuity,
Inheritance,
Solidarity,
Rights;
To carry it along in the name of my culture,
For loneliness is never a problem to me again.

Edward Kofi Louis
Solitude

Exalted state of love,
Real! !
Solitude;
With the muse of your joy.

Edward Kofi Louis
Solo Home Run!

Gun,
Bun,
Nun,
Fun;
Solo Home Run!

Edward Kofi Louis
Solo Talent

Lent,
Spent!
Solo Talent;
Joints, points!
Expansion joints,
With the muse of your solo talent.

Edward Kofi Louis
Solve, Absolve!

Solve, absolve!
Structure,
Gesture,
Ethical literature,
Nature! !
With the tendencies of life.

Edward Kofi Louis
Some Have Gone That Way

Black flag,
With white inscriptions;
The flag of war, death and destruction!
But, some people have gone that way,
Because, they don#t want the peace of life.

Edward Kofi Louis
Some Things

There are some things you cannot join in life!
Because of the ways of nature;
All the same, life goes on.

Edward Kofi Louis
Some Years Ago

Some years ago,
You were ahead of me! !
But now, you are behind me;
Because, the first is now the last and,
The last is now the first.
Head, ahead!
But, my Degree is my mind.

Edward Kofi Louis
Some, Noisome!

The illegal lust of the world!
Leading many to hell;

Murder,
From the darkness of lust;

Some, noisome!
With the acts of mankind;

On earth,
With the pestilence of the darkness.

Edward Kofi Louis
Somebody Loves You

Someone,
Somebody loves you!
Alone,
But somebody loves;
Yes!
You are really loved by the people around you.

Edward Kofi Louis
Somebody Thinks About You

My love-story to you,

Somebody thinks about you!

So, prepare your body for love.

You are alone! !

And nobody cares about you;

But, i am ready to take care of you;

This is my love-story,

Wake up to the truth!

Life and love,

About your situation;

To take refuge in times of trouble.

To be or not to be,

To love or not to love,

To learn or not to learn,

This love-story is about you;

Sweet waves!

Even though you are lonely.

Edward Kofi Louis
Somebody Will Listen To Me

Somebody will listen to me,
Somebody will help me,
Somebody will listen to my voice!
Yes, with hope;
To come out of the dark hole.

Edward Kofi Louis
Someone

The oil of gladness,
The wine of peace;
Every house is built by someone.
Concerning that which was written,
Concerning that which was spoken,
Concerning that which was read,
Every car is driven by someone.
Today if you will hear my voice,
Do not harden your hearts;
Yes, every poem is written by someone.

Edward Kofi Louis
Someone Cares About You

Blur!
But, do get hope;
Because, someone cares about you,
In this life.

Edward Kofi Louis
Someone Else

Wicked people!
They were after me,
But, they came for the wrong person;
As they came and attacked someone else.

Edward Kofi Louis
Someone Like You

Marry me! Even if you have children with other women;
For i have never met a man like your type.
Marry me, for your love is so sweet and i will die for you;
Marry me, for i have seen the true light of love in you;
The manner of women is with me and i need someone like you,
Come and marry me and let me be under your sweet wings of love;
For your love is driving me crazy!

Edward Kofi Louis
Someone Loves You

Someone loves you,
Search!
And care for her;
Someone loves you! !
She is still waiting for you,
She is the one!
Only for you.
Someone wants you,
Search!
Search for her and,
Care for her;
With the muse of true love.

Edward Kofi Louis
Someone Loves You Dearly

Legislations, acts and minors on the walls of life!
With weak leags and the amazing facts of love;
But, someone love you dearly.

An approximation of a quantum order!
Noted for your love with the expressions on your face;
But, you are only known from what you were taught in life and,
Of what you grew up with.

Love!
Upon the golden nuggets of peace;
With the joy of life,
Under the muse of the laws! !
The very ones you are familiar with.

Edward Kofi Louis
Someone Special

Curved lines!
Meeting someone special;
Body, mind and soul! !
To go on with the flow,
To go on with the truth,
Real!
Reveal,
Meal,
Seal,
Deal;
Ace!
Pace,
Peace,
Please;
Meeting someone special.

Edward Kofi Louis
Someone Stole All My Letters

Someone stole all my letters posted to you,
Yet still, the same person goes to church;

Different qualities and, different minds!
Shedding crocodile tears will solve the matter;

Knowing the character traits of human nature,
As the person stole all the letters i posted to you.

Edward Kofi Louis
Someone To Lean On

My life is incomplete without you,
For we all need someone to lean on;
And like the southern accents with the dressing code.

Edward Kofi Louis
Something

There is something very suitable in nature but,
It leads to hell always;
And for how long will you hide your face from me?

My sorrow's deep is without your love and,
This poem is for the unborn children as well;
For she's all that I have and now,
She's pregnant for another man.

Can you hear the beatings of my heart? !
For the seed of her future is now in her;
And I want to know who the father of this baby is.

Take care with the property between your legs and,
Be very thankful to someone who cares about you;
For I will live another day to praise the muse of love!

Edward Kofi Louis
Something 2

Something lost,
To search for it;

Something waited for,
To hope for it;

Something in life,
Something for love;

Something with nature,
Something with the mind;

Anything with hope and,
Something from the Faith.

Edward Kofi Louis
Something II

I will tell you something with,
The secret code of life!
'I love you';
That is why i involve myself personally in your works,
Because, you are all that i need in this world.

Edward Kofi Louis
Something Amazing! !

I have to share it with you,
For, i can feel the strong pressure with you!
This intuition,
Was confirmed,
Intuitively! !
Without any request from the physical contact;
And it occurred to me as well,
But, unprecedented.

To embrace,
Of the intersections,
Coming out very fast! !
And of the passion of love;
But, unprecedented.

The passion of life,
The passion of sharing,
With an unsuppressed dying force!
But, with something extraordinary with your muse;
Oh yes, something amazing! !

Edward Kofi Louis
Something Brought Me Here

Something brought me here and,
Something will surely take me out;
So, i am still waiting for that day!
Because, that day will be very great.

Edward Kofi Louis
Something Came Out Of It

Something came out of it and,
It was very wonderful! !
And you shouted for you mother in the name of love,
But this muse is all about you.

Edward Kofi Louis
Your love is like the nude picture next to me,
But sex is sex and love is love;
And i have hosen you as my light to guide me on.
Too real to be true and too light to carry,
But it must have been love! !
And the delight of this news is well appreciated,
Because i am behind the rising sun!
And we have something in common.

Edward Kofi Louis
Something Different

The Economy and Finance,
Sometimes the question is asked not in a judgemental way;
For you know what it means to have a lover,
But do watch your steps before you destroy your economy.

Works,
Something different;
Your status,
At other times to know your muse;
But every now and then to remind you of your steps!
And like the true spirit of inclusiveness.

Edward Kofi Louis
Something Else

Note to the teacher,
Words to my lover,
There is something else to think about;
But be very thankful when my words meet your hearts.

Designated to guide and to direct others,
Laeders can be found in all areas of our society;
But without strong leaders,
A society lacks guidance and direction.

Edward Kofi Louis
Something Else For You

More than the eyes meets,
But do think about it now;
Necause i love you!

Here's something else for you,
Here's something special for you;
One family, one heart, one love and one peace!
And it is somewhere in between,
For you still have the rights concerning what belongs to you.

Edward Kofi Louis
Something In Life

There is something in life!
If you know it,
It will help you;
Love is the key,
But not WAR! !

Edward Kofi Louis
Something In Your Smile

Love,
Something in your smile was so exciting to my heart;
Seeing your joyful face,
Bringing your love to my heart.

Edward Kofi Louis
Something New!

Something new!
You first have to learn about it;
Before you can accept it.

Copula,
Substantive,
Auxiliary,
Emphatic,
Subjective;
Something new!
You still have to learn about it.

Flavour, favour!
In best form;
Stretch!
Strap,
Sweat,
Like chicken-balls and meat-balls.

Edward Kofi Louis
**Something Personal**

Dream of it and go for it! !
Dream works;

Something special,
Something personal;

To work towards your dreams,
Like demand and supply!

Facing the ways of life,
With the aroma of nature.

Edward Kofi Louis
Something Should Always Work For You

Hope! !
This way up;

War!
This way down;

The hot corner,

To be natural!
To be original,
To be perfect,
To be yourself;

Corn, corner!
To the left or, to the right;
But, something should always work for you,
In this life.

Edward Kofi Louis
Something Special

Soft disguised with the muse of the night! But, everyone came into the world with something special.
Mill, will, full, still, skill, till, grill! But, true love brightens the day.
Let the truth wash you! ! In mind and body;
Because, the power of love is with the muse of life.

Edward Kofi Louis
Something Special  2

Salt and pepper!

Milk and sugar,

Honey and butter,

Clean meat;

To buy them with money,

And to prepare something very special for you.

Edward Kofi Louis
Something Through Love

Something through Light!
Something through love,
Something through peace,
Something through joy! !
Heart of delight,
Sight of the truth,
Insight with wisdom,
Bright Star! !
Right with your mind,
Night with the romance of nature.

Edward Kofi Louis
Something To Give

Something to give sometimes,
Something to share sometimes,
Bare, ware!
With the style of your works.

Open sea!
Open love;
Respecting each other with the muse of the laws,
For the unity of the land.

Edward Kofi Louis
Something To Hold On To

Love! 
Like the golden oil though the golden pipe; 
Love! 
With the golden reed in your Hand; 
And, to measure the Temple.

Love! 
With the foundation of the City; 
And, with the laws of peace. 
Love! 
To introduce you into this great knowledge; 
For, you have something to hold on to.

Man, mantra! 
Walking from Tamale to Tatale in the Northern Region of Ghana; 
Cheryl, he, her! !
And, providing protection for the artisans.

Clad, lad, ad! 
In the land of your muse; 
Love! 
Like salt and light; 
But, you have something to hold on to.

Edward Kofi Louis
I've got something to tell you,
Of the things that lovers like best;
So give me your sweet love and trust and,
I will tell you more.
Show me the sweet of your apples and,
Let me kiss you all night;
For, i will never forget your style of love.
I've got something to tell you,
Like the deep blue love infused with white;
I've got something to tell you,
Like the colours of the rainbow that show the secret of my love;
Because, i will create the harmony of true love with you always.

Edward Kofi Louis
Something Very Special

I have something for you!
Something very special;
With the muse of the truth.

Edward Kofi Louis
Somewhere Else

Hatred,
War! ! !
I better get out of the place,
To somewhere else.

Edward Kofi Louis
Somewhere In Africa

Somewhere in Africa with my mind,
Somewhere in Africa with my muse,
Somewhere in Africa with my words,
Somewhere in Africa with my works;
Touching the world! !
Touching the hearts of the people,
Teaching along the line.

Africa! Africa! ! Africa! ! ! Cried the beloved child;
Africa my homeland,
Somewhere in Africa with my muse!
Servitude and attitude;
With the gratitude of the truth.

Wherever and whenever,
Writing out my mind always with the muse of righteous characters!
Able to teach and touch the hearts of many;
Somewhere in Africa with my works,
Somewhere in Africa with my words,
Able to reach out to the world.

Edward Kofi Louis
Son Of My Sorrow

Son of my sorrow!
Why do you have to cry?
For a woman gave you to me at the entrance of her well;
But, as a river ages, it wears away its banks by erosion.

The hope of tomorrow!
Why should i have to cry when i do have my vision?
For a woman gave him to me at the entrance of her well;
But, as a man ages, he becomes very old to meet death,
And, no man has ever seen the dinosaur!

Life is like the snow white and the seven dwarfs,
But people make promises and break them as well;
And like a message froma teacher to the students,
But, many written books have deceived many in this world!
And, this woman and her son will always be remembered.

Edward Kofi Louis
Son, Sun, Sin!

Furtile!
Smile,
Mile,
By river Nile.

Son, sun, sin!
With the muse of your works;
But think twice and,
Live in peace with your friends.

Edward Kofi Louis
Son, Arson!

Violence,
Fatal shootings! !
But the investigations as far from over;
Because, you've killed someone.

Making mistakes!
Putting poison into the women;
The morning after pills,
And, to be attached to their bodies.

Lust!
With the very muse of this world;
Leading you to sin,
Because, the truth is now covered.

Edward Kofi Louis
Something Should Work For You

Positiveness! !
Something should work for you,
Someone should give you a helping hand,
Here on earth!
To live in peace;
Than, with hatred and war.

Edward Kofi Louis
Song-Poet

Letters,
Words,
Works;
Floating,
Flowing!
Song-Poet;
With the romance of life,
With the aroma of nature,
With the muse of creation!
Following the rules.

Edward Kofi Louis
The songs of someone suffering!
Gal for his of her food;
With vinegar to drink.
Old and grey headed,
Tell me what is entails with the muse of life;
And, to do the right thing while one lives.

Who can find a virtuous wife?!
Her price is far above rubies;
Like the tents of peace,
Black and lovely with the muse of love;
With words of delight and,
The golden bowl of nature.

Habitual lifestyle!
To sow in hope;
Waiting for the future,
And, to train up a child the way he or she should go.
The songs of someone suffering!
Telling the people that,
Old habits are very hard to overcome.

Edward Kofi Louis
Songs Of Love

The dew of the morning and the songs of love,
Onw who swims spreads out his or her hands to swim;
And like the fortress of the high fort of your walls of love,
Because, you've opened the gates of your love to m.

Songs of love,
In the land of your muse;
But, the one who swims spreads out his or her hands to swim,
And, i am here for you.

Edward Kofi Louis
Songs Of Love

Songs of love,
In the morning with the muse of peace;

Songs of life,
Sharing with others without hurting them;

Consider the works of the truth and,
Live upright always!

With servitude and attitude,
With positive morals,

Comforting all mankind with the joy of your heart,
Under the umbrella of righteous laws.

Edward Kofi Louis
Songs Of Love 2

Love,
Of a man and a maid;
With the birth of passion between them,
Soul mates! !
Sounds of love;
Love birds,
With the muse of the sounds of love.

Edward Kofi Louis
I have warm summer nights to laugh!
And like the songs of the birds,
That passes by;
At this place,
With the joy of the hearts of hearts! !
Yes, there's no greatest lost than, one's self respect;
And, there is no religion than, the 'TRUTH'!
However, the truth is very bitter to many people.

Edward Kofi Louis
Songs Of The Innocence

Songs of the innocence and the songs of love,
The fables of Absalom are like the histories of your mind;
But some characteristics are passed onto us by our parents.
Songs of the innocence and the games of skilled players,
Who is my checkmate on this side?
For bats are the only mammals that flies today and,
In 1611 the King James Version of the Bible was written.
From Botany to Zoology to muse up with the world,
The fables of Absalom are like the histories of your mind;
But men and women are like the dogs and the cats playing around.

Edward Kofi Louis
Songs Of True Love

Strong in the arms,
Very plain and simple;
True love,
True Joy!
Straight from the heart,
Like the beauty of silk and lace.

Plan, plain!
Strong in the arms,
With the beauty of true love;
Passion!
Romance,
Let it glow! !
Let it flow;
With the muse of sweet love.

Words of Joy,
Songs of true love;
To remember yesterday and to push today! !
For a better tomorrow.

Edward Kofi Louis
Songs Of True Love

Songs from the heart,
Songs of true love,
Songs of peace,
With joy!
Deeper and sweeter;
Songs from the heart,
With the muse of the truth.

Edward Kofi Louis
Sons And Daughters

sons of light,
Daughters of light,
Beauty's pride;
Sons and daughters!
Summer's hope;
But, the sweet pleasure of pain comes from the odds of this life.

Lessons of the morning,
Sweet love and pleasure things;
Lessons of the afternoon,
With the muse of the sun at watch!
And gazed on the fair who caused his or her care.
Fair, air!
With lessons of the evening;
As one goes along the muse of life.

Unfair sharing of a country's wealth!
Like the tears of an election being rigged in the land of corruption;
Having bilked the taxpayer's money.
Silk, milk, bilk!
With the muse of life in the land of corruption;
Gazed on beauty who caused his or her care.

Edward Kofi Louis
Sooner Or Later

I have to learn if from you because,
I don't know how to do it;
I have to learn it from you because,
I don't know how to use it;
But, sooner or later, i will be going out for fishing,
And, you can come along as well!
Because, i will also teach you how to fish.
The source!
At the river side;
The rest,
With the muse of your love;
For, we are ready to teach each other on this love.

Edward Kofi Louis
Soothing Words

A blessing you painted with the flavour of life,
Soothing words with the muse of love;
Patterns!
With the colours of life;
Magic! !
With the colours of love;
North view,
South view,
East view,
West view! ! !
A blessing you painted with the romance of nature;
Like the sun and the windmill,
With the doorway of peace.

Edward Kofi Louis
Sophie

I am a beautiful 29 year-old-lady and,
I still remember my bitter experiences with love;
For the devil you know is better than the angel unknown!
Step by step and on the doorway of love,
But to tantalize it with deeper waters!
And i remember my bitter experiences with love.
My name is Sophie and i’m with the blue candles of love;
But i was finally disappointed by his acts.

Edward Kofi Louis
Soraya

Soraya, so, say, or, as, ray!
For your love,
For your peace,
For the unity;
Making it according to the law.

Bitter chocolate!
For your health;
Bermuda triangle of love,
Sweet thing!
Sweet love;
Of your muse,
And, with the Bermuda triangle of love.

I am trapped! !
In your love;
And, i can't get you out of my mind,
Because, you're so sweet and beautiful.

Edward Kofi Louis
Sore

Sore!
In agony;
From the wickedness of the wicked ones,
In the name of terror! !
Horror,
Seeing the dead people around.

Edward Kofi Louis
Sore  2

Sore,
Core,
Tore!
Ore,
At the shore.

Edward Kofi Louis
Sorrow

Oh, how the mighty one has fallen!
In scarlet and in luxury but more than pains,
In the City called Adam with no glory,
To the fields of swords and to the fields of sorrow with words!
For, the mighty one fell with a clue,
And like the dead of many in the land of mines.

Tell me, how beautiful were your tents? !!
Upon the throne of the kingdom and of words;
For, in the spring timew of the year came the war.

This blow is swifter than the claws of the eagles!
And, it is also stronger than the lonely lion in the thick forest of Africa;
But, like the poor man's little lamb in the land of trouble.

Oh, how the mighty one has fallen!
On the crags of the wild goats with honey and butter;
But, with one little ewe lamb to walk across.

My legs are like the legs of the deer in the forest of hope!
But, in the fields of sorrow are many dead bodies;
And, the City called Adam is now with no glory.

Oh, how the great one has fallen!
In the cave of jealousy with words of sorrow;
But, out of many waters without a view! !
And like the scarlet and the luxury to the sword.

Oh, that somebody would guide and give me a drink of water! !
From the wells of Bethlehem with the sign of hope;
For, there are many dead bodies already in the land of mines.

Edward Kofi Louis
Sorrow 2

Death,
Sorrow,
Crying! ! !
Pain,
Dread,
Fearful!
Abomination;
With the works of evil,
Seen around you.

Edward Kofi Louis
Sorrow 3

Sorrow to his grave,
Sorrow to her grave,
Because of the wickednes of war!
Destroying the land,
And killing the people

Edward Kofi Louis
Sorrow 4

Wickedness,
Trouble,
Sorrow!
He or she who sows iniquity will reap vanity.

Edward Kofi Louis
Sorrows

Sorrows!
Arrows of lightning bolts;
With the wickedness of mankind on earth.

Edward Kofi Louis
Sort

Dot,
Spot;

Tan,
Span;

Love,
Dove;

Here,
There!

Press,

Well,

Port,
Sort.

Edward Kofi Louis

Short,
Shot!
Got,

Caught,
So,
Coat,
Cost,
Coast,
Cote,
Coach;
Approach,
To watch your steps.

Edward Kofi Louis
Soul

Let your soul rise to meet my love,
Let your mind cling on to meet my care,
Let the sun shine on you to share my muse,
For my inner-self will be well laid for you alone;
And, i will keep the fire burning on this love.

Edward Kofi Louis
Soul Birds

Soul birds,
Downpour,
Close up,
To love you to the end!
Soothing words,
To spread your love around;
With the ray of hope.

Edward Kofi Louis
Soul Catcher!

The fruits of life,
The fruits of love;
Summertime with the peace of your mind;
Soul catcher!
In red,
Miles away,
Deep in the red valley.
Natural,
To nurture love with peace;
Wintertime! !
With works of peace;
Like the muse of a falcon,
Flying up high! !
But, with a couple of things to share with others,
And, to convey the message of peace.
Springtime,
With the aroma of your sweet love!
And, with your red scarf on;
Because of the freedom of your mind.
Autumn-time!
Like a glass cove;
With the muse of the stem and the flower bud,
As seen in the land of your joy.

Edward Kofi Louis
Soul Partner

Where are you my soul partner?
I've never heard from you for some time now,
And i still remember the last time our naked bodies met.

It is all about your muse and my name,
it is all about your love and my care,
And to work on the vineyards and the fields of love!
But the shackles will be rembered always.

At last, you are only eight day old away;
And of your love between the two walls!
With the fallen grapes being kept aside for you.

You are my world and my words of peace,
Oh my soul partner, where are you? ! !
For i am now sitting here on a horse without a name,
Waiting till the day that we will meet again;
Because you are all that i need.

Edward Kofi Louis
Soul Surfer

Home sweet home!
Love sweet love;
Soul surfer,
Breaking through!
With a walk through life.

A mountain's view,
With the windows of love;
Like trees in blue.
Life!
To reach out to all with the muse of love.

Circles and jungles!
With the shadow of the sun ahead of you;
Soul surfer,
Bringing in the works of peace!
As one walks through the light of the truth.

Edward Kofi Louis

Soul!
So in love;
With the pearls od nature at times like,
The bouquet of the wildflower.
Soul,
On her way;
Soul!
On his way;
Lovely on the country road;
With the meditations of the muse of life.
Sport, port, sort!
With the muse of the morning light on this love;
And, with the flavour of the truth.

There,
Soulful heart;
With humility.

Edward Kofi Louis

Life,
To the Castle of Beauty;
Very young with your mind,
Learning always!
Soulful heart,
Soulful mind,
Like a jolly verse;
To serve,
To observe,
Going around,
Seeing the beauty of this Castle.

Edward Kofi Louis

In tango;
Soulful tunes,
Like a treasure in the heart of love.

Able to push the world forward with spirituality.

Edward Kofi Louis
Souls Of Mankind

Slaves! !
Souls of mankind;
Secret acts,
But, become part of the works of the truth!
And, bring peace to the world.

Edward Kofi Louis
Souls Of Men And Women

Gold, silver, and precious stones!
Pearls, fine linen and purple;
Silk, scarlet and scented woods!
Ivory, brass and iron;
Precious wood, marble and cinnamon!
Incense, fragrant ointment and frankincense;
Wheat, cattle and sheep! 
Horses, chariots and slaves;
The souls of men and women are here to stay,
But, who the cap fits, must always wear it.

Edward Kofi Louis
Soumita

Soumita, sit, sat, as, at, Sam, sum, so, to, mat, moat, out!
Sitting down alone waiting for your lover;
In the land of your sweet muse of joy.

The bread seller!
Helping the People around to get some Food;
And, with the muse of her work.

Colours, ours!
Of your teachings and examples;
But, do the right Thing always.

Draw, raw!
Love is the key and life is the way;
With peace and unity to all mankind.

Of the street vibes!
I felt honoured with your teachings;
And now, i am extending the muse of joy to others.

Wind, mind, find, bind!
True love is the answer to your heart and mine;
And, it will lead the world in peace without war.

Edward Kofi Louis
Sound

Sound!
Around,
Round the corner.

Edward Kofi Louis
Peaceful words and peaceful works,
Muse, life, law!
Sound and silence;
Like the songs of the deaf.

An intelligence!
The report;
Operational with the muse of love,
And, with the ways of nature.

House of mercy,
House of peace,
House of love,
House of joy!

The source,
With sponsorship;
Very effective,
And with the seriousness of their works.

Sound and silence,
Working in unison;
In the country,
And, with the muse of true love under the laws.

Edward Kofi Louis
Sounds Of The Trumpet

Religion and holiness,
With the sounds of the trumpet!

She has vowed falsely,
And her face is now harder than the rock;

She has refused to return to the truth! !
With nature bursting the bounds of her lust.

Edward Kofi Louis
Source

Source,
Joy!
To enable it,
To pass through;
To flow as water,
Secure and successful.
Love,
Affection! !
Benevolence,

Sow Better Seeds

The first shall be the last and,
The last shall be first;
So, do sow better seeds along the way of your life.
You will reap what you sow and,
You will be trapped in your own traps;
Like the first and the last.
'Penny wise and Pounds foolish',
The saying of a message to calm down the rivers;
The weather us warm and bright but,
You are without the words of your father.

Our sins, what are its wages?
This is the message to calm down the seas;
For only one night,
For only one love,
To feel what i used to feel when love calls;
Like a message to calm down the oceans.
A poem of shirts,
A poem of skirts,
A poem of shoes,
A poem of trousers!
Like the daughter of the earth;
This is a message to calm down the waters.

Till the stars shine through the roofs,
'Penny wise and Pounds foolish';
Dark fell the night like English Slaves in the woodland.
The last shall be first,
With eyelids heavy and red;
Do sow a better for a better tomorrow.
The last shall be first and,
The first shall be last;
Gain your tomorrow like a golden cup.
You will reap what you sow,
Like the law from a father's word;
You will reap what you sow.

Of all the flowers,
The reapers reaped;
But when he morrow comes,
Some works of a noble note is much needed.
To seek and to find without yielding is the case here,
Like unequal laws unto a savage race;
Sow a better seed and,
Learn how to do your best in all things.

And, i want to love you more like,
The lovely bird that sings in the morning.

Edward Kofi Louis

Spiritual Beings and Spiritual Love,
Try to care for me when you hear my call!
For hatred hs taken over the laws of the earth;
But i will still be like a servant to others.

Edward Kofi Louis
Spiritual Blindness

Evil works!
With the confusion of the mind;
Spiritual blindness!
Going off the line,
As one fails to observe the Laws of Righteousness.

Edward Kofi Louis

A spiritual body walled through the stone walls,
And disappeared before their eyes! !
For flesh and blood cannot enter into it,
But only those with a spiritual body!

Edward Kofi Louis

As much as it is in me and you;
But, clearly seen by others in our works.

Edward Kofi Louis

Mystic!
With the writings on the wall;
To explain the meaning,
In love with poetry,
Fashionable with the muse of the scholarship of life.

Edward Kofi Louis
Love,
Taking the spiritual journey;
In the colourful forest,
With the muse of your mind.
The summers's tale!
The winter's tale,
With the tale of the deep forest;
And like the flight of doves with your spiritual mind.
Spark, park, ark!
To take a spiritual journey;
With the sweet muse of your lovely heart.

Edward Kofi Louis
Spiritual Man

Man,
Manner;
Main!
Managing the affairs of life with righteous laws;

For the sake of peace and love.

Educated with positive morals,
And to love your neighbours like yourself.

Edward Kofi Louis
Sport At The Port

Sport at the port,
With a spot in the pot;
Plot, lot!
Not with your act;
But with positive works!
With this beautiful woman seen beside you.

Edward Kofi Louis
Sport, Port, Sort!

The pot on top,
The art of a rat,
The tip of a pit,
Sport, port, sort!
With the muse of a male or female;
Team, meat!
To lead on with a deal;
Like a sale with a seal.

Edward Kofi Louis
Sport, Port, So, Sort!

Sport, port, so, sort!
Odd set,
Even set,
Life is always moving! !
On and on,
Up and down,
To think!
And, to rethink;
Before you act.
This season!
Is for a reason;
With the muse of nature.
Guide!
Art and design;
To explore! !
Facing the ways of life.

Edward Kofi Louis
Sport, Port, Sort!

Hard living!
Hard life;
Poverty,
Without money,
Without honey,
Without any possible means to survive.
Sport, port, sort!
Hoping for the best tomorrow;
With the pains of the past,
Under the eyes of life.
The salt of the earth!
To seek for peace, love and unity;
Trying to survive in your land,
But, the muse of poverty had taken its toll on you

Edward Kofi Louis
Spot On

Lights on!
Spot on,
Ridges,
Bridges,
Knights and Lords;
Vine, wine, dine!
Having a fine day.

Edward Kofi Louis
Spot, Spotted!

At that time,
Closer to you,
Pretty close!
Spot, spotted!
Working in it;
Up on top,
To describe it.

Edward Kofi Louis
Spotlight

I want to be seen in the spotlight and,
You want to be seen in the spotlight as well;
So it is now like a competition to us all! !
But i will let my sweet love lead the way.

Edward Kofi Louis
Spotlight 2

Light,  
Spotlight,  
Sunlight,  
Bright! !  
Right,  
With the insight of the truth;  
Able to do what is right always.

Edward Kofi Louis
Spotlight II

Spotlight, hot, hit, hits, sit, it, is, pit, pits, tight, plight, sight, log, logs;
Seeing things in black and white! !
However, i can see what you cannot see in this bush.

Spotlight, spot, pot, top, sot, pots, to, so, light, spit, go, slight, hog, got, shot!
Teaching people,
Helping people,
But, staying with you was a great joy! !
And like the water of love in the land of many rivers,
But, i can see something in this bush that you cannot see.

Edward Kofi Louis
Spouse, Espouse!

Stability!
Turbulent,
Uncertainty;
Spouse, espouse!
To trim,
To learn,
To be very polite.

Spouse, espouse!
With oppositions and challenges;
But, with careful attention!
As one goes along the muse of marriage.

Legal wrangling!
But, to achieve fiscal consolidation;
With your sweet muse of love.
Of the measures! !
As taken by your spouse;
Along the way towards peace and joy.

Edward Kofi Louis
Spray, Ray, Pay, Say, Pray!

Spray, ray, pay, say, pray!
Your red rose,
A song of love;
Life is dear to all! 
Living under the ways of nature,
With the sweet sounds from the bells of love;
Love is all that we need in life.

Edward Kofi Louis
Spray, Pray, Ray, Say!

Paradise Island,
Love, peace, unity and joy!
To know you and to understand your ways;
And, to accept you in.
Spray, pray, ray, say!
In the city of peace and love;
With the colours of the rainbow reflecting on your side,
So call me and let me know your needs.

Edward Kofi Louis
Spread All Over

Two weeks of blood flow! !
Looking for a place to sleep;
Diver, winner, driver, river, hiver, liver, sinner!
But, where is the truth?
One world,
One word,
Freedom! !
Looking for a place to lay my head;
Dreams, realms, Psalms, palms, reams, beams!
Of the main road,
But, you keep on changing from one place to another!
And your muse is now spread all over the world.

Edward Kofi Louis
Spread All Over The World!

Guns and bullets have spread all over the world,
Homosexuals and Lesbians have spread all over the world,
Bombs and nuclear weapons have spread all over the world,
Sickness and deadly diseases have spread all over the world!
And many do not have clean water to drink even though,
There are many rivers all over the world;
So, are we behaving better as human beings with our increased knowledge or,
Being worse than ever before in the world we live in today?

Edward Kofi Louis
Spread My Words Of Peace

Nose, lose, whose, hose, dose, pose;
My mind will never be at rest because of you!
Dial, briar, vial, trial;
And like the bush-meat eaten in your lover's home!
But, why should you now throw bombs against us?

Stone temples of pilots,
The book of customary rites is now closer to you;
But, why should your bombs now fall on us?

The secret around us is now full of eyes but,
Our love is full of troubles on this earth as well!!
Because you've made destruction your friend in the land of unity;
But, try to spread my words of peace around the world.

Edward Kofi Louis
Lust!
Spreading a false report;
Among your brothers and sisters.
Illegal lust!
Being unrighteous witness;
By spreading a false report.
Lust!
With the acts of your gossip in destroying someone's reputation;
In the land of your muse.
Lust!
A person will eat the fruits of his or her own tongue;
Because, that's what his or her own tongue has chosen.

Edward Kofi Louis
Spreading Out

Lust!
You can't control yourself;
Lust!
Satan makes war against all forms of righteousness;
Lust!
Spreading out in the name of sin;
Lust!
With the confusion of the mind;
For, satan is now leading you on.

Edward Kofi Louis
Spreading The News

The truth!
Listen to the sounds of the Voice of Yahweh and,
Live under the Laws;
Which will lead you on and bring peace to your mind.

Peace is the right choice!
With the voice of positive morals;
Caring for the people,
Without war! !
Always seeking after the works of the truth.

Life,
Spreading the News;
The news of righteous works,
With righteous words!
Spoken in your own language;
With the muse of the truth! !
Upon all flesh.

True-love,
That's the way it is;
When the right thing is done!
With power and authority,
With peace and joy,
With righteous words,
Kindness!
Gladness;
To kindle the fire of true-love.

Books and readers!
Writers and teachers;
With students all over the world! !
Love and joy,
With the muse of the red rose;
I want you and,
You want me;
It is all about love.
Edward Kofi Louis
Spree

Spree, see, peers!
Free to the world so sweet;
Resting under a big tree,
As the wind blew along.
In your mind,
To search and find what you are looking for;
Taking a rest under a big tree,
With the muse of a bee seen in your direction! !
Thinking of the fee for your classes,
And, to free your mind from,
The evil works of mankind on earth.

Edward Kofi Louis
Spring

In the Spring of the year i will meet you my love,
For i was alarmed when i heard your cry! !
And, i still have the gift for the Queen.

Edward Kofi Louis
Spring of Water

Spring water,
Springs of love,
To mention your name in times like this;
Knowing the joy of your lovely heart with the laws of peace.

Spring water!
Like the journey of my love;
Easy with my mind and peaceful with my works,
And, to put on my strength.

The garments of love,
The lips of peace;
Joy!
To look for the rock that you were cut out from.

Edward Kofi Louis
Spring Up

How beautiful that you are and,
How wonderful is your place of love?
My shepherdess in the land of love,
Please come to me with your love.

The bridal week,
Please do not leave me lonely;
For i can't sleep at night alone and,
I need to get close to you my love.

I don't know what i am waiting for in this life but,
I will not give up on my dreams to become your partner;
But i am now on my way to the Red Sea so,
Do sprin up oh well of love and give me some water!

I am very thirsty for your love and,
I will be beside you like the waters of Meribah!
As white as snow and as black as coal,
As red as blood and as deep as love,
For i am along the route of the red sea to find my lover;
And with the hope of my dreams and the efforts of my search!

Of the first ripe fruit of your love and,
Of your vintage of love which shall last forever!
Because, your threshing floor is like the time of the sowing.

Edward Kofi Louis
Spring!

Spring!
Flowers,
Beginning;
With nature teaching us.

Edward Kofi Louis
Springs Of Water!

Springs of water!
Hear my cry when i call on you;

Like one pleading guilty to a charge of defilement,
Seeing the superintendent around.

Springs of water!
Give me hope;
With the preaching of love in your world so sweet.

Edward Kofi Louis
Sprout, Out!

Sprout, out!
About;
Spread out!
For love and life.

Edward Kofi Louis
Sprouted Up

Fortitude,
Attitude,
Servitude,
Gratitude,
Course!
Of cause;
Because of you,
Sprouted up! !
For all to see.

Edward Kofi Louis
Sprouting

My love is like the grass sprouting out on top of your roof,
And i have dug wells and drunk in them;
However, i am now like the beautiful plants in the fields of love,
Because, i want to take you along with me.

Edward Kofi Louis
Sputter

Mutter,
Utter,
Sputter!
Cutter;
Facing the ways of life.

Edward Kofi Louis
Spy, Espy!

Rector, actor, reactor, factor!
Research,
Stifled;
With the muse of the originality of something,
Spy, espy!
With goals,
And, a message to the world.
Up and down,
In and out,
Purchases!
With buyers and sellers on earth.
Spy, espy!
Crying everyday in your life;
Because of your present condition,
All the same, there is hope in life.

Edward Kofi Louis
Squabble

Clue,
Blue,
Argue!
Squabble,
Clue,
According to the ways of life.

Edward Kofi Louis
Square, Care!

Childhood,
Square, care!
With responsibilities,
With the muse of life,
With the muse of love,
With the ways of nature and,
The muse of the land;
As one grows up along the line like,
The works of peace.

Edward Kofi Louis
Squeal!

Licking like a cat,  
Walking like a robot,  
Squeal!  
Code 51;  
Cooking like a chef,  
Singing like a bird,  
Barking like a dog!  
dancing like a bear,  
Working like a wolf!  
Sleeping like a horse,  
Chewing like a squirrel,  
Hissing like a snake,  
Drinking like a fool! !  
Code 51;  
Climbing like a monkey!  
Moving like a cow,  
Swimming like a duck,  
Speaking like a parrot!  
Fish and eggs;  
Fabric, fabricate!  
In the land of your muse;  
Fish, dish!  
Of the Redman,  
Of the Blackman,  
Of the Whiteman,  
But, pay attention to yourself and,  
Put on a positive character.

Edward Kofi Louis
Squirrels And Birds

Playing around in my garden;
Feeding themselves to satisfy the muse of love,
But, the shame of greedy men and women is not needed over here.
Parent, transparent!
The animals are playing lovely in my garden without 'Westion Union';
For, in the Southern City of Love is the muse of peace.
Ice, twice!
Please, tell me who you are and where you are;
Because, i want to know you and bring you to this garden of mine.
Appal, appeal!
Walking in my dreams;
Let, scarlet!
To live like a chameleon;
Clone, cyclone!
For, i want to bring you along to know this garden of mine.

Edward Kofi Louis
Srivastav

Electric,
Fornsic,
Genetic;
I know that you are very brilliant and,
I need your muse!
And like the sweet muse of your love.

The serpent,
Carried away!
But, the earth opened her mouth and swallowed the flood;
And the inhabitants didi watch.

Your love is so delicious to me!
Your act is so sweet to me,
Your muse is so lovely to me,
But, i am Srivastav with the muse of love;
And, i have some jobs for you to take care of.

So nice and so delicious! !
My works,
My words,
Your works,
Your words,
His works,
His words,
Her works,
Her words;
And like the sweet muse of love!
But the new ones are like a welcome message to you.

Edward Kofi Louis
'S-Shape'

The snake!
Moving along,
In 'S-Shape'.

Edward Kofi Louis
St. Louis

My lover is called St. Louis and,
I will wash myself seven times in the Yahdan for him;
For he is a man of valour.
He is a great and honourable man,
Like his love words spoken in the bedroom;
Wash and be cleansed,
Eat and be satisfied,
For the large pot of stew is for us all.

The staff in his hand is to perform the signs,
And his kiss is like the water from the Nile;
But he is an eloquent teacher on my love too,
For i will love him forever.
St. Louis is all that i have and,
i will do my best for him always;
For his love is very special to me.

Edward Kofi Louis
St. Louis' Apartment

Your love is like a pleasing aroma around me,
And like a pavement made of sapphire;
So burn the meat on the wood with the fire of love!
And come up in the morning to Mount Sinai.
Up there you will meet St. Louis' Apartment with love,
For love and life gathers with the sunshine around me;
And every dawn is like a new life and a blissful day,
But the beautiful signs are always around my bed.
Come to me with the pleasing aroma of love,
For my donkey will not rest like your monkey!
And like the sweet bed of roses to sleep on at last,
For your love is a pleasing aroma around me.

Edward Kofi Louis
St. Louis Villa

Citronella, Star Anise, Clove and Fennel;
Spice up my food for others to eat like,
'St. Louis Villa' at 'Nii Boi Town'.
Of the forgotten land,
Of the forgotten people,
Of the forgotten folks,
And of my forgotten friends;
Like the way of the life we have to think about,
But be very successful and healthy all year round.

The way of Cain is in you,
The error of Balaam is with you,
The rebellion of Korah is on your steps,
And to put me into remembrance is like the early bird.
Micahyah is the Malak Gadol,
And she contended with the Devil in a dispute;
But come to 'St. Louis Villa' for the feast of love.

Edward Kofi Louis
St. Lucia

The Black Man's cry and the White Man's cry,
I am in St. Lucia peacefully with my mind;
But, why should their planes crah down the Twin Towers?
The Big Ship brought me here from Africa and,
I am now having time with my mind;
So hold me very close and never let me go.

Run away from the thunder and,
Take a cover under my care;
For i do have the silver plate and the diamond pin,
And the cover of my love is all that you need.

I am wasting no time to speak out my mind and,
Of the African land far away from me;
Because i am now in St. Lucia thinking about you,
And i am up on my feet to seek your love.

I will live on the day after tomorrow,
And of the judgements of the time to come;
But do think of the cry of the children around you,
For tue love is what eludes my people.

Edward Kofi Louis
St. Michael's Mount

St. Michael’s Mount,
Sitting on it and viewing around;
Enjoying your view with the muse of your love,
In Cornwall.

Edward Kofi Louis
St. Nikolaus

St. Nikolaus came from Turkey and today,
You've turned him to be 'Father Christmas'!
But is this also written in your Bibles? !!
Then read it again and learn from the truth,
For St. Nikolaus was a man from Turkey.
Say it well to teach others the truth,
Read it well to know the truth always,
Learn it well to be able to identify the fake!
For Satan had really captured the minds of the people;
And the world follows after this deception.

Edward Kofi Louis
Stabbed To Death

Self-styled Pastor,
Of the letters;
But, stabbed to death!
because of the hatred around you.

An amorous relationship,
With the muse of a farmer and his wife;
But, the farmer finally caught the Pastor one night with his wife,
And, the Story was all around in the village.

Self-styled Pastor!
Walking around in the village;
Pretending to preach the truth,
But, sleeping around with people's wives in the night.

Suspected!
Worried about the development;
Suspicious!
Because, something was going on with the farmers's wife and the Pastor!
So, a struggle ensued between the two men,
And, the farmer stabbed the self-styled Pastor to death.

Edward Kofi Louis
Stable With Your Mind

You saw the saw which was on the table,
Stable with your mind;
Able to see clearly!
Because the rain is gone.
Raw, law!
Able to teach the truth;
As you saw the saw which was on the table,
However, a living bat is better than a dead lion.

Very low,
With the shadow of your sweet love,
To the next page,
To grow in love and,
To glow with your heart.

Edward Kofi Louis
Stage, Sage, Age!

Stage, sage, age!
A new man,

To see the muse of nature.

Edward Kofi Louis
Stagnant Water

Stagnant water,
To muddle,

But, do guide and keep the works of the truth! !
With positive morals;
Under the umbrella of righteous laws.

Edward Kofi Louis

Stake, take!
With a decent Sermon;
In the land of peace,
Where the law is the key.

Prophetic, rope, hope, poet, hoe, toe, he, hit, cope, cop, tie, it!
With the ability to receive the truth;
Love,
Closely with righteous works! !
With a great lesson,
Floating always with the muse of peace.

Dictation,
Seeing the wickedness of mankind on earth!
Where sin is made to look desirable;
Stake, take!
Seeing the gates of hell.

In the land,
With the time;
Wrong verses right!
With those ready for the truth and,
Those against it.

Edward Kofi Louis
Stake, Take, Sake!

Shake!
Make,
Cake;
Stake, take, sake!
At the lake;
Bake,
Not to brake;
Fake News! !
Rake,
To take your turn,
To take your time,
Living in peace.

Edward Kofi Louis
Stakeholders

Stakeholders, leads, sore, sad, set, toe, toes, doe, does, held;
And like the stakeholders in the land of your muse!
But my joy will always be with you.

Stakeholders, stake, take, sake, tea, eat, ate, as, at, hold, holders;
But with care in the land of your muse!
For your lovely words were heard by all,
And like a dove flying up high.

Stakeholders, holder, sear, rat, rats, star, stars, shoe, shoes, dares!
And like tow lovers in the land of joy;
But try to remember your words and fulfil your dreams.

Stakeholders, tar, tars, era, ear, are, ears, see, sees, seer, sea, seers;
For the days are now closing up on your muse,
And like the joy of your works in the land of plenty!
But try to be in peace with the people around you.

Stakeholders, seas, old, older, sold, told, rode, teak, dear, read, red;
With the joy of your muse in the land of beautiful roses!
But try to understand my status as well,
And like Romeo and Juliet.

Stakeholders, shares, so to doers, dare, reads, dears, deer, reed, he;
And like the way of life in the land of peace,
But i am the one who want to direct you to my home of joy!

Stakeholders, reeds, steak, dole, sole, she, had, led, ore, roes, read;
And like the romance of love in a peaceful place,
But i am very glad to have you back at last.

Stakeholders, skate, Kate, sate, date, sat, seat, her, share, here, hears;
But with joy and peace to crown the day,
And like the days of lovely flowers to represent your muse.

Stakeholders, hoe, seats, sets, lead, hoes, sears, dates, hear, do!
With love and care in the land of your muse,

You are not left out of the festival;

For the action,
With an avowed exponent;

Celebrated with the muse of love;
In the name of a culture.

Edward Kofi Louis

Reaching out to you;
Because, the truth is forever.

Edward Kofi Louis
Stand Up!

Stand up!
Behold! !
Deliver,
Power! ! !
And like the four faces in the land of your muse;
But on along the road leading to your complex home,
Because, there are no trees along the way!

The face of a cherub,
The face of a man,
The face of a lion,
The face of an eagle! !
But like the very valley of your love;
And, the armoured vehicle stood along the road.

Edward Kofi Louis
Standard

Standard, stand, dad, ran, an, at, as, star, tar, ants, and, sad, sat, darts, rats, sand;
But Yahweh will always deliver His Own! !
And like the standard of your love in the land of roses where beauty always rules.

The truth,
I have nothing!
I only have you;
Very standard,
Motivational;
With the standards of life and,
The works of peace.

And that is Yahweh;
For Yahweh rules in the kingdom of men,
And all men are brothers as all women are sisters!

Walk along always with a positive mind,
For many are being deceived by the false prophets around us;
And use what you have to get what you want in this life.

Edward Kofi Louis
Steadfast Anchor

Yesterday, today and forever;
I am the great shepherd of the sheep;
But with that which is well pleasing to beautiful minds.
The ultimate result is what you need and,
I am here to entertain strangers;
Like the earth which drinks in the rain.

The nuclear war is at hand but my mind will still write,
For the lampstand on the table needs the showbread.
Yesterday was accordind to the first veil,
And today is with the ways of the second veil;
But the future which is forever is made according to the pattern.

Blessing and cursing comes from the same mouth,
But the inner part of my love is like the steadfast anchor;
And like the oldman and the 16-year-old girl,
The golden pot of love is like the earthly things.

Life is like an oldwoman with a 14-year-old boy,
But to him who is perfected will always seek the truth;
Earthly and heavenly things,
The likeness of Melchizedek with the praises of love;
But do come into the world with the due of the steadfast anchor.

Edward Kofi Louis

Learning daily to divide between the truth and lies.

Edward Kofi Louis
Steal No More!

Let him or her who stole,
Steal no More!
Hole,
Pole,
Rather working with his or her hands;
For something positive! !
Because stealing has a ripple effect;
Which destroys all the Nations.
Life,
Learn to forgive one another and live in peace;
Let us be mindful of each other,
Sharing in peace than, stealing somebody's property.

Edward Kofi Louis
Stealing

Stealing will never help you in this world!
But mark my words:
For you will be in trouble very soon.

Edward Kofi Louis
Steer

Steer,
Sheer,

Deer,
Beer!
On this particular day;

Edward Kofi Louis
Stella

The mortar is not yet dried up but,
The pistol is still hanging up in the air!
For your life is between sleep and walking.
Oh Stella!
How long should i be without you?
The sweets from Africa and the sweets from my home,
With no manicure, pedicure or 'pencilure'.
Oh Stella!
Your love is all that i do have now because,
The beautiful ones are not yet born.

Edward Kofi Louis
Stentorian

The same passion,
Reputation,
Stetorian,
Optimum;
But many African leaders really lack foresighted leadership!
And like an object of horror in the land of peace.

Thoughts of peace,
Thoughts of love,
Thoughts of care,
Thoughts of unity;
And like an object of ridicule to others!
But in front of your eyes today, is the story of the East Africans.

Edward Kofi Louis
Step, steep!
The muse of love,
With the doctrine of the truth.

Skirts, outskirts!
To fortify the walls of love;
Blossoms,
Budded, bloomed!
With honey and milk.

Love,
To bring light to the world than darkness;
Unity is about peace!
With the joy of the hearts in love.

Edward Kofi Louis
Stephen

A lovely morning in Muscat,
And of the scenes of love around me;
But my love is on a visit to Oman.
My friends will know this secret love and,
Of the glamorous extovert!
For Stephen is his name and,
I am deeply folded in my brain with words of the music.

Edward Kofi Louis
Stepping Out

Stepping out of the womb and reaching out to the world,
Many couldn't make it but i am here;
Over the years studying through life,
Enough to know my name and, to understand who i am.
In the crafts of life with the ways of nature,
In the struggles of life with the pains along,
Through the cold and through the heat,
With midnight blues;
Seeing a modest mouse and an alluring cat dancing together,
Like an wakening facts from the old school! !
As bring out my prototype to the world as a poet.

Edward Kofi Louis
Steps Of Life

To hop and to hope,
Job and joy!
Steps of life in the right direction.

Edward Kofi Louis
Steward

Ward,
Yard,
Forward,
Bard,
Edward,
Steward;
Haves and feels!
Heels and caves;
Viewing the hills,
As you serve the people.

Edward Kofi Louis
Stewart

Kindly use it and let me be free,
For it would make me glad after knowing your muse;
And like my housework chores being guided by Stewart.

Edward Kofi Louis
Stick, Lick!

Stick,
Nick,
Rick,
Pick,
Lick,
Sick;
A bamboo stick,
Stick, lick!
Coming from the south pole;
But, money cannot buy everything in life.

Edward Kofi Louis
Stiff-Necked

Stiff-necked people will not listen to the laws,
For the sweet muse of true life is too blind to them!
But, is there no prophet of Yahweh here in this town? ! !

Edward Kofi Louis
Still Around Us

Do you know about Sodom and Gomorrah?!
Then ask about what they did;
And compare it to your life if you are doing the same!
For i always see Sosom and Gomorrah still around us.

Edward Kofi Louis
Still Hanging On The Wall

Crunch,
Punch,
Lunch!
The awareness of life;

You really don't love me;
But i am still in the cage of life like a bird.

Edward Kofi Louis
Still In Touch

Love,
Still in touch with you;
In Kensington Gardens!
To take a walk and to talk to you,
Along the narrow paths of peace and joy.

Love,
With you always in my mind;
With the muse of your sweet love,
Different from others with the muse of your joy!
For, i am still in touch with you.

Love,
You know what i want from you;
And, you know what you want from me!
For, i do have the answers to your questions,
As i walk along the narrow path.

Love!
In flesh and blood;
Touching the hearts with peace and joy,
And, with the muse of the truth!
Taking a view from the garden.

Edward Kofi Louis
Still Missing You

In the middle of life,
I am still missing you by my side;
And like animals with tails,
But i still have to walk to the highest mountain.
Kate, bate, mate, late, fate, gate, hate, pate, rate, sate;
You are now spotted among the goats! !
But my honesty will surely lead me on.

Edward Kofi Louis
Still Missing You  2

Time is passing!
But, with hope;
Still missing you.

Edward Kofi Louis
Still Searching

Hidden,
Lonely,
Still searching;
For peace,
For love,
For the day of joy! !
Freedom.

Edward Kofi Louis
Still Searching 2

Still searching for her!
Forgive me my strength,
For this woman left without any trace.

She said her last words,

Deep down.

Love,
Greatly impressed!
With the muse of your works;
Touching my soul,
Like the fragrance of the joy of romance.

Edward Kofi Louis
Still Voice

A small still voice came out of the fire but,
I will go for your bananas than your meat! !
And, i would like to sail to Bahamas for my lover.

Still voice,
Tell her that you are her mother;
Still voice,
Tell her that you are her father;
Because, i don't want to lose you!
For, i have always been with you;
And like the muse of your love in the land of beauty.

Edward Kofi Louis
Still Waiting

Den!
But with my pen;

When?
How long should it take? !

Like the hen,
Like the number ten;

When? !
Still waiting for the time.

Edward Kofi Louis
Still With The Crown Of My Dreams

Tar, tarnish!
Whims,
Living in this lonely world;
Through many hardships,
But still with the crown of my dreams in my mind.

Legitimacy, intimacy!
The energy of sweet love,
Expressed like the flow of a river;
Dreams of sweet love.

Moth, mouth, month!
Seeing the ways of mankind on earth;
And the educations of life,
Growing up to where i am today.

Call, all, ball, hall, wall!
View the truth and, review your life with peace;
For your health and, the beauty of the earth.

The positive tones of life! !
With the zones of peace and love;
Joy and gladness,
Following after righteous laws.

To learn from the truth!
Living to the taste of life without hurting your neighbours;
Like a magic city! ! !
With the beauty of true love.

Praying in my heart,
Praying in your heart,
Living under the light of the truth;
Bet, belt!
Facing the ways of life;
Life is worth Living it but,
Let it be under the laws of righteousness.

Muse, use, fuse!
To believe in the works of the truth;
Living! !
Kind and gentle;
With the works of the truth.

Edward Kofi Louis
Still Young

The little girl with the doll!
You are still young and can still dream;

Taking the wrong train can sometimes lead you to your destination,
However, you still have to learn from the elders around you.

The sea of silence,
The love of peace;

Nature's rule,
The laws of nature;

Let the truth teach you what righteousness is,
Than to burn in your lust.

Bar, bard!
To the loved ones on the earth;

Tell me what you did today and,
I will give you the best advice.

Art, bart, dart, cart, chart, part!
With the language of love;

Tip, top, tap!
A young girl that you are;

Trying to understand the world around you today and,
To grow up.

Edward Kofi Louis
Still, Till, Ill!

Still, till, ill!
Still ill on bed;
Bedridden,
Hoping that she will be well one day;
With prayers and help,
To assist her in all her needs,
To comfort her!
Hoping that she will be well one day.

Edward Kofi Louis
Stimulative Taste

Love,
Desire!
From its stimulative taste.

Edward Kofi Louis
Stinging

A stinging man!
A stinging woman,
A stinging child;
Seeing the ways of mankind on earth.

Edward Kofi Louis
Stir, Astir!

Cumbersome,
Going through the pains of life;
Stir, astir!
Unbreakable,
Unbeatable.
Stir, astir!
To the hot spots;
With the muse of the wind.
Sky, whisky!
Coin,
Coincidence;
And, to remember what I went through.

Edward Kofi Louis
Stire, Fire, Wire, Hire!

Correct me,
Connect me,
Collect my items along;
Stire, fire, wire, hire!
Deep in my heart with love,
Because, you are the only one in my mind.

Edward Kofi Louis
The end of slavery never ended slavery,
So watch around you and you will understand what i mean;
But the Bible is the most wonderful storybook ever written.

From Ur to Rome and from Nima to the U.S.A.!
And with the narrative issues of the truth from the Hebrews;
So Abraham begot Isaac and Isaac begot Jacob.

The evening and the morning were declared the first day,
So read 'Genesis 1: 5' to understand this muse;
And let true love divide the waters from the waters!

I am called Stirk and i am with the Bible,
But the truth of all things is always around you;
So be very wise always to analyse all things in life.

Edward Kofi Louis
Stirred

Distressing words!
As a man speaks to his friend;
Whose hearts was stirred.

Bases, cases!
With the story,
Taking an inventory;
But, we need the truth in life.

Red! !
Stirred;
Irreverant act.

Edward Kofi Louis
The stockfish from Norway! !
The head goes to Nigeria and, the rest goes to France;
Like no man's business,
But, try to tell me what you want.

Every man for hinself and, every woman for herself;
Sometimes, i do see your eyes over the waters;
Waiting for the stockfish.

Edward Kofi Louis
Stoic

Stoke, stock!
Stodgy,
Stocky,
Strum, rum!
Stoic,
Sturdy, study!
Stump,
Stamp,
Nuzzle, muzzle, puzzle!
Obvious.

Edward Kofi Louis
Stoked

To stop and think carefully,
With the muse of love;
Stockade,
Stoked!
With the joy of your heart.

Edward Kofi Louis

Stolen Letters

The foolish person who stole your letter will,
Still steal this letter too;
But one day,
The law will catch up on him or her.

Edward Kofi Louis
Stolen Meat!

Stolen meat!
Tears of love,
Tears of life,
Tears of Joy;
Trying to understand the ways of nature.

Edward Kofi Louis
Stone, Tone, One!

People,
Both young and old;

Cart, chart, art!
With the articles of gold;

Stone, tone, one!
Like a suckling lamb;

Let them know! !
Let them know the works of the truth;

To live in peace with each other,
Without racism.

Edward Kofi Louis
Stonefish

Dual,
A double pond,
Unadulterated!
Fellowship,
Was it was just a dream! !
Stonefish,
You can tell it by the colour of your stamp;
Issues!
Rules do care,
When the right thing is done;
And to remember the ways of life.

Edward Kofi Louis
Stones, Bones!

Clones,
Crones,
Thrones,
Stones, bones!
Flexibility,
With the muse of your medical history.

Alteration,
Adopted;
To bet what you want in this life,
But, a bear has 42 teeth.

Cell, ell!
Stones and bones;
Shell, spell, well, dwell, tell, hell!
Ageing skin,
Hustle and bustle,
For survival! !

Edward Kofi Louis
Stool, Tool!

A potter's wheel,
Stool, tool!
With a support;
Keeping awake,
And, doing the work.

Edward Kofi Louis
Stop

Stop! ! !
In the name of love,
Before you break my heart! !
With your evil works;
I am also a human being.

Edward Kofi Louis
Stop And Go

Traffic!
Stop and go;
But, let the truth be in your mind and, in your heart.
Use your brain for positive works and,
Let there be peace on earth.

Edward Kofi Louis
Stop And Think

Life!
Stop and think before you act;
With self-control.
Lust,
Try to overcome your negative thoughts with the truth;
And live in peace with all.
Muse,
Try to overcome the stupidity of the world and live;
According to the righteous laws.
The truth!
Listen to it with your heart and mind;
And, stick to it,
For, the truth is all that you need.

Edward Kofi Louis
Stop And Think! !

If you hate yourself, you will kill your neighbour!

If you hate yourself you will steal from your neighbour!

And, you will not be fit enough for the games of life.

Roasted Beef!
At your coast of love;
Seen with a goat in your boat.

The smell of it!
The aroma of it;
But, do not steal.

What you value in life identifies who you are!
However, positive and negative acts are the influences of life.

Let the truth leave a mark on you! !

For the works of peace and joy;

Be respectful and responsible in life,
Without hurting your neighbours.

Stop and think! !
In life;

Without harming your neighbours,

For, we need peace on earth.

Edward Kofi Louis
Stop It

Roll-roll, roll your boat on the river of love!
For the drug addicts are too many and they do die easily as well;
But roll your boat on the river of love to overcome drug addict.

Stop it now and feel awaken from your sleep!
Because you are needed by the society around you;
So roll your boat on the river of love to be perfect.

To fickle with no cracking,
And try to save your life from drug addict;
And let this message of love keep you going,

What do expect from the reader?
For nobody understands what you do write,
So try to come out from your shells and let me understand you!
For there is love within your heart and,
I am ever ready to tap it with joy.

Do not hide yourself behind the mirror of love,
But rather come out plainly and let me understand what you are saying;
For a strange language never helps the reader,
And like a piece of Island taken over by the sea.

With the broad-ways of things to share;
But now you've broken the promise.

You are forever gone into the woods! !
With no trace to direct my ways;
For, you are now like the strangers' gallery.

What really went wrong with you? !
And like Estrads's trial adjourned;
With chiefs and no stooges,
But, try to present your virginity before your marriage.

To tore down your sexual desires!
But primitive to an ethical cell;
For, you told me that you will be my shelter! !
But, you've now broken the promise.

I am not a toy to be pulled about like a string!

And i am in the Gulf of Aden for justice!
For a child who has a father is not afraid to carry a son on his back,
And i will rule my mind always with love.

No one pea for the truth nowadays,
And i am solidified with emotions;
But my child is at my back to carry on the journey.

I am sitting here alone in the dark,
And suicide isn't the best answer;
For a lady who is in love is not afraid to say it,
But i am solidified with my emotions.

One young bull and one male lamb,
One big ram and one male goat,
But one is destroyed out of the twins expected;
It come out as blood on Sunday the 13th of November.
Of a spanteneous reaction,
And this blood flow is the evidence;
But our faith will always lead us on,
Like life in the wilderness of Sinai.

Like the old blood in a clay pot;

So is life! ! When, we all compete to win;

To see it that way;
Wide opened!
For fresh to come in;
But, it's cold outside.

Edward Kofi Louis
Surprises

A man full of surprises,
Speaking from my heart;
As you feel yourself alone in your room,
However, my love is knocking at your door.

Edward Kofi Louis
Surprises 2

Red like blood!

Brown like sand,

Green like grass,

White like salt;

Surprises! !

To feel the muse of life,

The thought of you!

In my land;

Friendship with you,

Gone with the wind!

With the muse of my mind.

Edward Kofi Louis
Surreal!

Dragged!
Glanced,
Towards it,
Thinking of what to say! !
But it seems like,
Your friend left you alone in the cold.

Surreal!
Mystery,
Worth waiting;
Worth watching,
Really!
Thinking of what to say;
But you were dragged away.

Edward Kofi Louis
Surround

Round,
Surround;
What goes around comes around!
So, watch your steps in life.

Edward Kofi Louis
Surround 2

Round,
Sound,
Around!!
Surround;
With peace and love,
Not to wound your neighbours.

Edward Kofi Louis
Surrounded

Lust!
Surrounded by incompetent and corrupt officials;
Illegal lust,
With contempt! !
Because of the ways of your life today.
Man, manifesto!
Past and present;
Serve, deserve!
To address the issue pragmatically;
Because, you are being surrounded by corrupt officials.
Privacy!
Normlacy;
But with the lack of enlightenment,
Because, you are being surrounded by incompetent officials.

Edward Kofi Louis
Surroundings

The entire universe,
Comparing it with the muse of your surroundings;
Knowing where to start and, where to end.
Life and nature!
With the love of the land,
Seeking for unity with the muse of righteous laws.

Edward Kofi Louis
Surveyed!

Noting,
Promulgation,
To regulate,
Surveyed!
But, with the muse of your love;
At the average age of 18 years old.

Meat, eat!
Uncovered meant;
On, moron!
Without a defence;
But, the visitors came in when the sun went down.

Work!
Concentration;
Love!
Sharing;
Peace!
In unity;
But, the expatiating on the survey was like the joy of your love.

Edward Kofi Louis
Susa

To cast longing eyes on you,
For you have been sitting at the entrance of Enaim!
To cast longing eyes on your love,
For you are very beautiful from appearance!
So come to me my love for you are called Susa;
And like Mount Zalmon in the land of your muse.

Edward Kofi Louis
Susan

Should i cease bearing fruit with you? !
Should i cease bringing forth the new wine? !
Then come and take refuge in the shadow of my love;
And act honourably and fruitfully to my heart.
You are like a great tree attached to a pillar!
So set out your love by night to meet my muse with joy;
For a man is measured by his own strength!
But my joy is still from my name as Susan.

Edward Kofi Louis
Susanna

Life is like being hungry in a land called Hungary!
And life is like eating turkey in a land called Turkey;
But my love will always be with you,
And like the red roses planted in the land of peace and joy.
Where can you hide without love?
And like someone drinking beer in a land called Beer!
So, act honourably and truthfully towards me my love;
For you are called Susanna!

Of the need of your love;
But, after last week to sign on the deal,
Because, you demanded for it! !

A little while;
With your works painted with love,
But you gave them all to Susuki your lover! !
And like Cape Caraveral in the land of your muse.

Edward Kofi Louis

Accompanied;
With a female companion.

A sign of hope!
The night ceremony,
With hope in the darkness.

By proximity;
Recovered with the muse of hope.

Edward Kofi Louis
Suzi

They have elected me to lead them and,
I am ever ready to guide your love as well;
Because, i do love you my sweet Suzi.

From membership to leadership,
And like the conceptual muse of love;
But my love to you will guide you on and on!

My election was the real thing of joy and,
I am in for your love as well;
So wake up on this dream to capture my heart,
For love is all that i bring to you.

Edward Kofi Louis
Suzie

Be a real woman on this love and,
Let me love you deeply forever;
For i will entice you with my decorative talents.

You are the black lady with green eyes and,
The colour of your eyes stand out for love;
And i will love you today, tomorrow and forever!

Edward Kofi Louis
Suzuki

Works of love and works of peace,
With the beauty of your land to praise your name;
For you are Suzuki from the land of many flowers!
And like the joy of your muse that muses,
But I will always wait to see your smiling face.

Edward Kofi Louis
Suzy

I believe she's very found of me and,
Her name is Suzy from Finland;
But I've all the time alone with her inside my mind.
Her love is like the players on the green field,
And how pale that her pink dress makes her look!
But i need real love and the sexual therapy from her,
Because she is all over me and all over my mind!

Edward Kofi Louis
Suzzi

Prepositions, words, and the acts of my love towards you;
For the index of my mind is abstracted to you like the wind!
But advanced as it may sound to you,
I will still live to love you the more!

Oh love,
I am pledged to your diplomacy with the anticipations of the muse;
And I am the man in your dreams.
I know what you need and what you want,
For I am placed in your heart!
And, you can’t deny this fact as shown on your face.

Suzzi, I am the man in your heart;
And do not confuse your neurosis with your sex appeals,
Because real women in the society do have their fragrance too.

Edward Kofi Louis
Swaddling

He was wrapped in swaddling clothes and,
I came closer to see him;
But I rather saw sadness on the face of his parents,
Then I automatically knew what was wrong.

Edward Kofi Louis
Swain

Life at times is like the egg dancing with the stone,
But we must be strong to carry on always;
For success is always watching us from left and right.

I came to the river of love but it was very dry,
Then i called Swain to help me with some water!
There and then i saw the joy of the river,
And true love came on it at last.

And now, you are very repulsive to me.
The muse of love!
I want to take care fo you;
Because, the alternative of life is now set before you.
The muse of love!
A perfect heart and mind is what you need;
And for you to be able to choose from the right thing always.

For you are a Swedish Girl and,
My heart goes for you.

Love is the message and the power supreme!
And this is the message that i bring to you;
I love you and i will be there for you.
You are so sweet and new,
You are so sweet and lovely,
And you are so shy on this love;
But love will find a way to your sweet naked body.

A Swedish Girl that you are,
Of the love of a muse that opens this world to you;
A Swedish Girl that you are,
Of all that you need in this world is closer to you;
So come and muse on with nakedness to mine,
For you are all that the muse brought to me.

You are all that love could hand over to me,
And you are the Swedish Girl next door;
But so sweet si your sweet room to my heart.
A Swedish Girl that you are and,
I will be there for you on this love that muses.

Edward Kofi Louis
Swedish Girl II

Swing open the gates of love and,
Be satisfied with your romance;
For the Sweedish Girl next door is my friend.

My beloved motherland will teach me more,
And like an egg of a wondrous size!
But the bunny next to you is like your muse.

The spirit of love is noted on this story,
For the Sweedish Girl next door is my friend;
But great love had they who live always by the truth.

Swedish Girl,
The vulture is a patient bird;
But true love knows its owner.

The appointed time in history is about me and you,
But now you want another man from the U.S.A.;
However, the ball you throw against the wall will bounce back to you.

Edward Kofi Louis

Over the seas of peace;
Age, adge!
Over the seas of love;
As i was taken aback when i heard your voice on the phone,
And you surprised me with your sweet and lovely words.
You may have food on your table but,
Love is the key;
Like the muse of a nice husband and a humble wife.
Love,
Flourishing with the works of the law;
And, with the truth,
As your call came along to satisfy my heart.
Sweet and lovely words!
Supported with the muse of life;
With the future looking bright for us.

Edward Kofi Louis

Edward Kofi Louis
Sweet Child

Your sweet child is sleeping but,
My sweet child is on the way;
So swift be thy flight oh my little one,
And like fresh shower for the thirsty flowers.

To rest on their mothers breasts and,
To feed on their mothers breasts;
And from love's shining circles on this issue,
But listen to the springs like a flowing music.

When friendship decays, true love lies withered;
But i will swing along with my child on the wings of love!
And like the blossom of the heavens with the gates of light.

Oh Isles of perfume,
In a vale of flowers to seek for your children;
And like a gift that is wrapped with love than hate,
For my muse will find a way to touch your hearts.

Life is like a child at play when her mother sleeps,
But in the land of roses i have found my love;
And with beautiful flowers singing to us for peace,
For in a humble prayer i will come to you with joy.

Oh lights of lovely scent afar,
Hymns of joy and sweet bed of flowers;
I married very late but,
I will like to see my grandchild before i die.

Sweet Fragrance

To the brook of the willows,
To the waters of Nimrim;
But she wiped his feet with her long hairs,
And like a refreshing sleep in the land of love.

The teacher has come! !
But she who you is very sick;
And like a new poem in your neighbourhood,
But, my house is now filled with the sweet fragrance of love.

Fed with milk but not with meat,
And to sharpen your wits!
For, they made and served gods and goddesses according to their own understanding;
Until the end came and took them away in their nakedness! !

Miraculous signs and wonders,
In the Valley of Yiphthah El;
But open the gates of your love and let me come in,
And like a new poem in your neighbourhood.

I will kiss you my love,
And like a merchant looking for fine pearls;
But, do not give out what is holy to the dogs! !

Sweet fragrance,
Speaking figuratively;
And like the little drops of water beside you,
However, in wanting and desiring to have a child.

Acquire your life through your persistence,
And do not seek for the dead when they gone!
For, a voice came to me out of the cloud;
So, do not cast your pearls before the swine.

The least of all seeds,
David had many wives;
But, the movement of this water is what you can now see,
Because, the sweet fragrance is in my room!
Solomon had many wives,
But a mighty ocean is now ahead of you! !
For, this sailing boat is full of sweet fragrance;

Come into my world so sweet;
Where, true love is sweeter than honey.
The aroma of my love drips like pure gold,
My dream lover where are you?
Your precious breasts will be taken care of,
All i want is to share with you is love;
Where our nakedness will be mused together.
Oh my dream lover,
Enter into my world so sweet;
With the sweet taste of the aroma of love.

You called and, i answered;
So, let our hearts meet in unity like the colours of the rainbow,
With the muse of peace and joy! !
Under the eyes of the law.

Edward Kofi Louis
Sweet Lover

Oh my sweet lover, wher are you?
You are the horse-walk to my heart than,
The pussy-footy state of a snail's movement;
Slow but sure and, you mean more to me.
How long can i wait for your love?
I really love and, how long can i wait?
Your love is sweeter than the candy.
Switch onto my love my swet one,
I am very different from the others;
Your sweet love had really touched me.
I surely want you beside me,
I've always got the picture of you inside me;
But when two people are in love,
Crises make them closer together than ever.
Forget about the sea of people around us and,
Come closer to me;
I am a great tennis player on this love.
As long as you hit back,
I will keep the ball coming;
Oh my sweet lover where are you?
There is something i want you to see,
Watch it like you've never done it before;
There is something i want you to use,
Use it like you've never used it before;
Oh my sweet lover,
Come closer to my private room.

Because, you are the only one that i have.

Edward Kofi Louis
Oh my sweet pea,
The white child doesn't know the black child;
Oh my sweet pea,
The white child doesn't know the coloured child;
But the black child is aware of the coloured and the white!
And this poem is to bring forth the message of love to all mankind,
Because we were all made by the Creator!
Just as it is written,
So is the seed of the Medes;
And like Sodom and Gomorrah!
For I saw people queuing for pig meat and,
Like the sins of our past.
Of the people and by the people,
Read your Bible and pray everyday;
For many are still not ready to learn.

Edward Kofi Louis
Sweet Peach

Peach, each!

Calm before the storm.

Edward Kofi Louis
Sweet Tea

12 hours in the bush!
But, every minute was very expensive;
12 hours in the desert!
But, every minute was very expensive;
However, my life depends on this sweet tea.

To build up over time,
And like an article;
With better pay and benefits.

Evaluations!
The lust for money! !
But, they need honey to reduce their lust.

Edward Kofi Louis
Sweet Tea!

Sweet tea!
Take a sip and let me watch your lips;
Because, only the sick needs a physician.

Bananas for the sweet of life and candles for love!
Come and taste my love if you are ready;
And, i will take you down to a land beyond your imagination.

Sweet tea!
The state of the art,
The state of the act;
With illustrations and illusions.

Sweet tea!
Flowing like the rivers of love;
To take a sip and to watch your lips,
With the muse of the joy in your heart bringing up the smile on your face.

Edward Kofi Louis
Sweet Victory

Read my lines and listen to my voice,
To lead a quiet life and to mind my own business;
With the strong sense of nationalism,
And, to walk in honesty.

Let your speech always be with love and,
Seek after the truth in this life and live;
For, i am now caught up in the clouds of true love!
With the sweet victory of peace and joy.

How old are you today?
How old am i today?
Like the story of a financial discomfiture;
In skills, creativity and organisation.

The muse of life!
To water the flowers of love;
But, why should i water them when,
The garden is already wet by you!
Yes, i need to wait for my time to take my turn;
On this work;
And, to educate the masses with my style of poetry.

Sweet victory!
With the potentials to make it through;
And, according to the ways of nature,
However, with adventures and failures at times.
Muse, fuse, use, infuse, defuse, refuse!
With the creativity of the minds and, the odds of life;
But, i have to wait for my turn at the right time.

Edward Kofi Louis
Sweet Wild Honey

Sweet wild honey! 
The tree of life and the muse of love;
Like the story of the last Black Pharaoh to present my work to you,
With the muse of the traditions of the African people.

Life in Africa,
To watch two little birds singing in my garden;
With the fragrance of life and,
The romance of nature.

Rituals are part of the culture,
But, water is always needed for you and i!
To live on earth,
In peace;
To fulfil my dreams,
With the wings of love.

On a mission with my mind,
Pact, impact!
The time sequence,
The rain falls and stops! 
The sun comes and goes,
Human beings are born and, to die one day.

Walking along with my shadow,
With the bright sight of the day! 
Light from the sun;
To wash my mind with the truth,
With the vision of life!
Changes and challenges,
To straighten up the crooked ways of life.

The Almond flowers,
With buds and blossoms from my lover;
How sweet is the entrance of your tent?
Braided chains of pure gold,
The apple of your sweetest love;
With pure incense of sweet spices.
On one branch,
On one's love,
With buds and blossoms from her taste;
An Olive Oil from her light to share with you like,
That of her skills and abilities.
Your sweet love crowns the night,
In the midst of her mountains with love;
This is my desir towards her.
Her love is sweeter than wine,
See how her breasts feed among the Lilies;
Of the Almond flowers,
Refresh me with your sweet apples my love;
You are so beautiful among women my love,
Your sweet aroma of the Almond flowers fills my soul.

Edward Kofi Louis
Sweetest Thing

The night is very dark and,
The music is dying out from the musicians;
But my hope is still on you my love.
Like the Island of El Medano,
You are the apple of my eyes;
And like the Island of El Hierro,
You are the sweetest thing that brings joy to my heart.
In the night of love,
I am stranded in my mind like a bee;
But with the heart of a baby in your lovely arms.
You are the sweetest thing that ever came to me,
And you are all that makes the night so sweet.

Edward Kofi Louis
Sweetheart

Oh my sweetheart where are you?
For it is verx excellent to be with you once again;
So be the mogul on the floor and jog through the woods!
For the fog out there has a bog like a dog.

You who sleep;
For, my love is still waiting for you;
And like the sweet-smelling aroma from this woman.

Walk circumspectly with your love and come to me,
For the old man of the sea and the young lady are with us tonight;
And, i am about to tell you a Story.

Be a man when it comes to love and,
Be a woman when it comes for peace;
For, the rain falls on all of us on this earth,
And like the muse of the sweet-smelling aroma beyond your realm.

Tahiru, life is like a visit to the house of Rachab the prostitute;
But do learn like Caleb Ben Yephunneh and be like,
The parable of the seed and the sower.

Edward Kofi Louis
Take A Look

To the hill country of love,
Take a look and do the right thing;
For she is now matured enough to be married,
And like the wings of love in the land of your muse.

The soothsayer's tree,
With earthly things to think about at your home;
But your love is powerful like the sun!

I do respect your muse tenderly like the moon,
And like the joy of this hill country afar!
But, let me get closer to your sweet love always.

Edward Kofi Louis
Take A Look  Ii

Sin!
Transgression;
Linger,
INanimate,
Organisms,
Germs,
Viruses,
Mutated!
With the truth of the transmitted diseases around us today;
The ways of life!
With the very ways of mankind;
But, do take a look around you;
Then, you will see all the diseases around us today in this life.

Edward Kofi Louis

Edward Kofi Louis
Take A View

'Kofi Karikari' and 'Agyeman Prempeh',
Shrinking in size to take a view;
For, it was a matter of time with your naked eyes.

Love and affection,
Of the white elephant and the black elephant;
But today, the youth are more attracted to condoms thn you think.

'Don Diego De Azambuga'!
Where are the Cathedrals and the Mosques in the Middle East?
For, many are now being likked with the bombs;
And, i need to take a view to understand this muse of war in Syria today.

Edward Kofi Louis
Take Care Of Your Health

Stop using it,
Stop eating it,
Stop taking it,
And take care of yourt health;
For, it is better to live longer than to die so early!

You need the clean food in life,
You need the clean water in life,
You need to take care of your health in the right way;
For death is just at the corner waiting for our own mistakes!
So, take care of your health and live longer.

Edward Kofi Louis

Because the road of life is very rough at times!

Edward Kofi Louis
Take Her

As she danced about the sun,
She whitened the green plains under her;
As she moved about the moon,
She whitened the red valley below her;
But, in the light of her golden wings i do rest my case.
With a gentle motion in heaven's blue smile,
Over the lakes and the plains with her sweet love;
But in the depths of the purple sea,
The stars peeped behind her and peered.
She is very far away but,
Her love and rest ardour me;
And the diamond lights up her secret mine like,
The dark plains below her;
Which is found in an old region when looking for her.
The pearl gleams forth from her coral strand,
Like the wealth of the seas;
Over her sands of gold i do respect.
Not there my child,
Over here to see the fearless eyes of love;
Like the lit by her deep love's truth.
Her love is like the flowers of the bees,
Remembering the day when she first came;
Take her as your wife and make love to her.
Take her like the sages of Egypt,
Take her like the wealth of the seas,
The very lit by her deep love's truth;
Study her dance and be in love.

Edward Kofi Louis

With a lovely heart;
Caring and comforting the people around you,
With servitude and attitude.

Edward Kofi Louis
Take It Up

A bit thicker,
A bit lovable,
A bit useful,
A bit better;
But we need you and,
You will be well once again!!
However, try to take it up to yourself and,
Let me take this away!
For, i just want you to know who i am.

Edward Kofi Louis

Take Me To The Land Of Love

You have taught us many things,
Between the breasts;
Your love has really changed me!
Between the rivers;
And like the peace of the mind.
Bring me home to where I belong!
Between the hands;
Because, this world is now before my eyes.
Bring me hope and joy!
Between the legs;
For, the carnal mind is like the mortal beast.
The beast of the kings! !
Like Herod and Herodias;
But, bring me to where I can observe the laws.
Vanity of vanities!
All ends up to vanity;
Like this world and its sins,
But, bring me peace and take me to the land of love.
All things are full of labour! !
And, every river flows into the sea;
But, the sea if never full.
That which has already been will be yet again,
And, a dream which has come true will never pass away;
For, the truth is always the truth! !
And, we don't need signs to believe in that which is already true.

Lively as grass,
I am lonely as a pet;
Oh green berry of love!
Come and take my breath away.
It is a delight to have you around me,
Take my breath away to the stars!
Oh green berry of love;
Come and take my breath away.
Your love has inspired the masters in this field,
Honoured among the best are your sweet berry;
So, come and take my breath away.
You are the Princess of the Apple Tower!
You have the sweet lines of pinnacles;
And, it comes from the brightness of your sweet love.
Green as the grass,
With the shopping of love to your taste;
I will always come to you.
My green berry!
Come and take my breath away;
For, i will fly to you where possible,
And, i will come to you when necessary.

Slated,
Salted meat,
Salted fish,
Pegs!!
With the muse of two legs.

These eyes!
Your eyes,
Your blue eyes;
Numbers!
Remembers,
Members,
With a view from the sky.

Edward Kofi Louis
Take Time To Search For It

I believe it is in one of them,
So take time to search for it.

Pole, hole, whole, bole, mole, dole, Cole, role, sole, vole;
Be lifted up to respect my muse,
For the days ahead are like the days of war!

How can these things be my love?
For, i do write about the things that i know of;
And, of the many things seen around me!
But, do take time to search for the missing rope;
And like a pole in a hole.

Edward Kofi Louis
Take Up The First Stone

Is the Democrat or, the Republican?

Is it the Senator or, the Lawyer?

Is it the Judge or, the People?

Who is for the President?

Who is against the President?

With the reference of a case which occurred in 1868 and, Again in 1999;

To impeach the President,

But, do take up the first stone if, you are not a sinner.

Edward Kofi Louis
Take, Kate!

Focus!

Taken!
Probably;
With your act,
With your love,
Collectively.

Edward Kofi Louis
Taken By Force

Violence!
Taken by force;
By evil men.
Illegal lust,
Of the same habit;
For, the violent take it by force!

Evil,
Devil,
With the gates of hell;
With sickness, disease, confusion, hatred and war!
Coming out from profaneness in this world today.

Violence!
With the blood in thier hands;
Evil men,
Evil women,
Evil children,
With the profaneness of the world today.

Edward Kofi Louis
Taken In

Memories of the past,
In time and, at that time!
It was just fun with your muse;
But today, you've learnt your lessons.

The fall!
Taken in;
Snare! !
Illegal lust,
To peep and to mutter

Edward Kofi Louis
Taken In 2

Love,
Taken in;

Muse,
Showing up your smile;

Early in the morning! !
With the joy of your heart.

Edward Kofi Louis
Taken In My Act

Born of fornication,
Born of adultery,
Taken in the very act of love to teach mankind.

Of men looking like trees and,
The leaven of King Herod;
Come from the tomb and live among the living.

Of women looking like fruits and,
Above the reach of man in a high mountain;
But do come out from the dead and live among human.

To understand this parable needs a thought,
To understand this poem needs a muse,
For the seed you plant is the very harvest you do expect;
Like things seen and heard in times of war.

What type of man are you?
What kind of woman are you?
For a seed is shaken by the wind;
And many are born in fornication and adultery already.

I am taken in my act and you are taken in your acts too,
But there are many stories of man on this earth;
And one day, we all need to be put in order!

Edward Kofi Louis
There was gladness!
For, in the garden of love sits my lover;
Who has taken in seed.

Life,
To appoint me;
For a job.

Muse,
Taking a look;
In the garden of love where my lover sits.

Edward Kofi Louis
Taken Over

The ear tests words as the mouth tastes food,
But, to drink mockery like water is the very ways of your life;
As seen in your land where, no one respects the laid down laws.
The carnal mind cries out! !
But, a dream which has come true will never pass away;
Muse!
With the knowledge of true love from afar;
But, the door for the sheep is now being taken over by the thief and the robber.
The roar of the lions!
As heard afar on a faithful hill;
The muse of your love!
As seen in the faithful valley of peace;
But, the thief and the robber have taken over the door of the sheep.

Edward Kofi Louis
'Condom' and 'Femidom',
Of the things we do for love;
But, LUST has taken over the meaning of LOVE!

A unique desire and the sweet of love,
Puzzled with its own works at times;
However, novelty is the root of the pleasure.

The fullness of love sparks! !
And, true love makes you fly so high;
Walking through the wilderness of life,
Reaching to the place of love.

There is something that nakedness can easily identify!
But, let it be with LOVE than LUST;
Seeing the ways of mankind on earth today.

Edward Kofi Louis
Taken, Token!

With something small for you to manage the day;
In the land of your muse.
Lie, dream!
Dreaming about the muse of the Lifestyle in your land;
But, go for the truth and live.
The muse of life!
With the memories of love;
Like a fyling seed.

Edward Kofi Louis
Taking Advantage Of Them

Illegal lust,
To seduce others with the works of hatred;
Which leads to war.

Illegal lust,
You are of the world!
And, the world hears your profane words.

Illegal lust,
With the spirit of error!
Always against your neighbours;
And, taking advantage of them.

Talents Die Easily In Africa!

Oh talents, oh talents!
Talents do die easily in Africa;
But, talents are special gifts which,
Money cannot buy.
It is a special gift,
It is in you,
You don't even need a Higher Degree for them;
Talents are everywhere on this earth.

The talents of Africa do die very often,
Who is even ready to listen to them?
The true talents of the Africans go to the drain.
Like a rain on a train,
Like an early wake up call without a view;
Life is really so strange over here in Africa.

I have a dream!
But, who will listen?
My brain is with various talents but,
Who will help me with my dreams?
Talents, talents, talents! !
Africa turns to regress in this field while,
Others do progress!

Our talents can be useful,
It's time we give a helping hand;
Oh talents, oh talents!
It's time we listen to those who have them;
Cos', we are the world.

But learn to do the right things always.

The same hour,
The same love,
The same day,
The same peace;
Bathed with the works of joy to crown your day! !
But, to the side of this river i will rest my mind.

Edward Kofi Louis
Tang, Tangelo!

Reap the real things in life!
For peace and joy;
Under the eyes of righteous laws.

The ink of righteousness is with the works of peace, love, unity and joy!
And, a positive mine moves in the right direction;
So, learn and earn from the works of the truth.

Tang, tangelo!
Learn and earn from the works of peace;
And, love one another with a positive mind.

Edward Kofi Louis
Tangled

Angled,
Tangled!
With the muse of the knot.

Edward Kofi Louis
Tanko

Tanko, tan, ant, an, at, tank, to, ton, not, on, no;
On the move!
And, to dwell in the wilderness and sleep in the woods,
Like showers coming down in the seasons! !
But, all will be well with you my love.
Code, mode, rode!
With the muse of your partners on a deal;
For, the tree of the forest will surely yield its fruits.
The muse of life and the muse of love,
To dwell in the wilderness and to sleep in the woods;
With wholehearted joy sharing your love in peace,
For, envy and anger always kill the fool.
Word, work, world!
To yield the fruits of love with righteousness;
And, to cajole the audience when you are on the stage.

Edward Kofi Louis
Tanner

African beliefs,
I am Tanner on the mountain of your love;
And i have great reward for you.

Edward Kofi Louis
Tannin, Tanning!

The muse of a country,
With the benefits you benefited from your government;
Tannin, tanning!
With the muse of life;
But, be very wise with your ways.
You are pregnant and, you have a plan in mind!
Waiting for your boyfriend to know about it;
for, you made love with him during your school holidays,
With the act of your fornication.

The spotlight!
Dress, address;
Flower, lower!
With the Chinese lantern now in your hand to lead the way.
Let, lethargy!
In the state of doing nothing;
For, you are now pregnant and, you want your boyfriend to know about it.

Off, offing!
In the offing;
With the muse of your custodial land.
Flame, Frame, fame, lame!
With the muse of your country and,
With the benefits you benefited from your government;
But, you are now pregnant.
Shame, same!
Waiting for your boyfriend to know about it;
But, be very wise with your ways and, be very honest with yourself.

Edward Kofi Louis
Tanta

Tanta, ant, at, tan, Tata!
But, true-love is always found in my simple abode.

The ways of life with your lot!
The muse of love with nature's call;
Knowing what to do without hurting your neighbours.

Love and joy!
Peace and care;
With unity playing the major role in life,
As we put the world into a better shape.

Edward Kofi Louis
Rise up Africa!
Rise up Africans! !
Rise up Ghana!
Rise up Ghanaians! !
Rise up Tanzania!
Rise up Tanzanians! !
Tanzania oh Tanzania,
The land of my friend;
Oh Tanzania!
The land of Dr. Julius Nyerere of Africa!
You are blessed with Mount Kilimanjaro,
The land of my friend called, Dr. Ekk;
This is where true love does span the ages.
You are the highest Mountain in Africa,
Overflowing with colours;
And the wonders of the forest are,
Tanganyika, Rukwa, Nyasa and Lake Victoria!
Oh Tanzania,
Like the hunter's gun;
Oh Tanzania,
The night falls and the rivers bring out their beauties;
So, how many rivers do I have to cross?
Rise up Tanzania,
How many mountains do I have to climb?
Of a country called Tanzania in Africa,
How many Lakes do I have to see?
Maybe, Dr. Ekk will tell me more.
This is your own son living in Shinyanga,
A noble Doctor to his people and the world;
Could it be 'Der Es Salam'?
Then, I have to learn more from these Islands too;
The Islands of Zanzibar and Pemba is what I mean.
What about Tanga?
This is on the Coastal Range with beauty;
Oh Tanzania! !
Do tell me more about yourself;
Bounded by the Indian Ocean is your love.
I am rather bounded by the South Atlantic Ocean;
Like Ghana to Dr. Kwame Nkrumah,
So is Tanzania to Dr. Julius Nyerere.
I am a Ghanaian and,
I have to learn from you as an African;
So, rise up Africa! !
From the North to the South,
Then from the East to the West;
Rise up oh Africans! !
Cos', we are all Africans.

Edward Kofi Louis
Tap Dancing

Sap,
Nap,
cap,
Lap,
Map,
Snap,
Clap!
Tap Dancing.

Edward Kofi Louis
Tape, Tapestry!

You answered my question and,
You showed me Your rainbow;
Tape, tapestry!
Up high in the sky;
But, when the results came,
It went out of hand.
Tape, tapestry!
With the muse of the colours of the rainbow;
As seen in the sky,
And, my faith will always lead me on.

Edward Kofi Louis
Taqa

To seek spiritual assistance,
And like your love hiding in a nearby bush;
But i am Taqa writing out my mind.

Trousers and singlet,
Your are from Kasoa in the Central Region of Ghana!
But you met the Evangelist in his hotel room for counselling;
And to visit his washroom was more than you expected.

Edward Kofi Louis
Tar, Tax, Tab, Tat, Tan!

Tawdry,
Here and there;
With the muse of the sphere;
Heraldry,
Herb, herbage!
To know your way with your love;
Even though, life had never been fair with you!
Since you were born.

Tantology,
Why should life treat you like this?
We were made in the image of the Creator but,
Hatred had taken over mankind.
Tau, taut!
Wise and foolish people are found everywhere on earth;
But, evil is the world of the devil.

Swirl! !
Purple mountain;
But, try to control your mind before your stress kills you.
Her, herald!
Apple and knife,
Listen to the truth and, obey the works of the truth and live;
Because, the truth is without anger and doubting; the truth is forever!

Change your heart and mind with the works of the truth,
Tar, tax, tab, tat, tan!
Open to the public;
But, if you don't have the real love in your heart, you will hate others and,
Be ready to kill them! !
How can you seek peace when, you have a gun in your hand?
Let the truth be in your memory and, let the truth be the pillow on which your head lies on.

Edward Kofi Louis
Tara

Tara, tar, art, rat;
Powder and dust,
This act of yours!
There is no reson behind it.

Life,
Living on the other side of the river;
Working in the fields and seeing your acts,
But, i am searching for peace to all humanity.

Edward Kofi Louis
Tares, Tears!

Whale, whole, while;
Deceitfulness and the pleasures of this world;
Leading us to sin,
And, falling into the hands of the Devil.

Tares, tears!
With the muse of the evil one;
As seen in the world today,
Killing and destroying because of hatred and war.

Edward Kofi Louis
Tarm

Tarm, arm, ram, tar, art, rat, mat, mart;
Streams and lakes,
Attractions!
Steams,
Water locks,
Variety,
Visual,
Sensual,
Holographs,
History,
Back in time;
With the exhibits of our past.

Edward Kofi Louis
Taryu

Taryu, tar, rat, art, at, tray, ray!
It used to be darker but,
Now with the light;
In the sight of life!
And, with the light of love in the night.
Peace and love!
Searching for life;
With the works of the truth because,
The truth is granted with the muse of love.

Edward Kofi Louis
Tashi

Eat it all and eat it raw!
And, drink it hot like a cocoa drink;
For, i need you to satisfy my icy world with your love.

Of the gold vest hanging in your room,
With the status of puberty to develop your regular spot;
For, it is time for the bathroom!
However, your mother didn't tell you the truth.

You are now a grown up lady with your date of birth,
But you are like the Easter Bunny!
However, your mother didn't tell you the truth;
And, time will surely call on you one day.

Tashi! !
Eat it all and eat it raw;
And like the bushman with a meat at hand,
But, time will surely call on you one day.

Brush up on your Biology to take a stand on this issue!
For, you now have this muse of love at hand;
But eat it all and eat it raw! !
And like the hot cocoa drink in the land of your muse.

Edward Kofi Louis
Task,  Ask, Mask, Bask!

Task, ask, mask, bask!
And rains flooded the valley,
With no clue at all! !
Trying to understand the ways of life,
In your land.

Edward Kofi Louis
Tasso

Along the river of love i met Tasso,
But the reed gatherers are standing on the land they once floated over;
Because today's story is full of the sadness of your muse!

Edward Kofi Louis
Taste Of Love

A better place,
A wonderful place,
Muse, fuse, use!
The taste of love;
With magic magic words and touch,
Joy! !
With the hearts in love.

Edward Kofi Louis
Taste The Feelings

Love,
True love,
Don't waste it;
Taste the feelings!
And do the right thing.

Edward Kofi Louis
Taste The Feelings  

Taste the feelings of the truth,

Taste the feelings of true love;

With righteous morals,

With the fragrance of life and,

The romance of nature! !

Under the umbrella of righteous laws.

Edward Kofi Louis
Taste The Feelings

Don't waste it! 
Taste the feelings and, 
Enjoy the status of life; 
With the joy of your heart.

Edward Kofi Louis
Tasteful

My mind is an open book for you,
My poem is an open door for you,
But today my love is reaped by you;
And, i thank you for loving me.
I am in clouds seven with a love like this,
Enjoying the sweet passions of your romance on me;
And, i will always remember this day.
You are very tasteful and enjoyable,
I will always remember this day;
Like the sweet melody of love.

Edward Kofi Louis
Tattoo And Boots

Skin heads!
Drungs and guns,
Tattoo and boots,
Their style of dressing;
As they go about killing people! !
But, when will the law catch up on them?

Edward Kofi Louis
Taught By Me

I am a teacher and,
I know how i do speak to my students;
And nobody can do the same with my exact words,
Unless the person was once taught by me!

Edward Kofi Louis
Taught By Nature

King, sing, swing, wing, ring, ting, bring, ping, zing, cling!
Life is like a barter trade between the fisherman and the farmer;
With fish from the sea to the farmer and, the products of the farm to the fisherman.

The muse of life and the muse of love,
We don't teach people by cutting them off!
But, constantly with the muse of the truth;
for them to know their mistakes,
And, by changing their hearts and their minds for a better future.

What is call natural should be taught by nature itself;
Seeing all the artificial works of mankind around me in this world!
So, be ready for the truth and live with the truth always when you find it.

Edward Kofi Louis
Taught By The Laws

Both must be taught by the laws,
For a man can acquire sons and daughters by one or more wives;
Or through adoption,
But the ultimate responsibilities for their well being is love!
Because we are the only ones on this earth and,
We need to do the right thing always.

Edward Kofi Louis
Taught To You

Such a thought!
Such a thing,
Taught to you,
Wild flowers of love.

Edward Kofi Louis
Taught With A Book

I am taught with a book and i want your love,
And i am camping by the sea like the rider and his horse;
But after the snow came hail on this side of your love,
So i need the sunshine at my side to carry thing on.

Search for peace and love always,
For i will like to share my sweet romance with you only;
Because the shape of the future is in no man's land.

The red light and the evening love,
I am taught with a book to show you my love;
For the shadow of this muse is like your love in the dark.

Red carpet treatment and blue light of your love,
With the things to learn from by the sea of love;
For i am camping over here waiting for you my sweet lady!

Edward Kofi Louis
Tax, Lax, Relax!

Lent, pent! !
It acts,
It travels,
Dent,
Sent,
Went,
Lemma,
Tax, lax, relax!
Spent,
Cent,
Epidemic! !
With the acts of the land.

Edward Kofi Louis
Tax, Taxi!

I have found a new place to dwell in since you left me;
Lonely in the cold after using me.

Sweet, sweat!
I always see you in my memory;

Creation,
Creativity!

Fresh fruits of love,
With fresh drinks of romance;

Sweets,
At the busy place;

Real meal,
Nice deal;

Pass, passion!
From coast to coast;

Love makes me feel better,
And i have found a new place to dwell in since you left me.

A year after,
To the Art College;

Lovely with the muse of life,
With imaginative works!

My heart is still beating because i am alive;
And, this my joy!

Passive,
Active;

Chat, hat, cat!
That was yesterday;
Tax, taxi!
With the muse of the full moon.

Edward Kofi Louis
Taxis

The horse is used as a taxi in a certain land,
The donkey is used as a taxi in a certain land,
The camel is used as a taxi in a certain land,
The cow is used as a taxi in a certain land,
The elephant is used as a taxi in a certain land,
And of all the forms of taxis in this world!
But the animals had been very useful to mankind.

Edward Kofi Louis
Tayo

One hit wonder and one baby was born!
Because she was beautiful and he was handsome;
But Tayo is on a mission to save my name,
And of the riders who were lost last night.

Edward Kofi Louis
Tazzari

Tazzari, air, tar, art, rat!
Like the bat,
Like the cat,
Like the mat,
Like the hat,
What is life! !
Facing the odds along the line.

Edward Kofi Louis
Tea With Sandwiches

On the platform of love,
People were ready to listen to my muse;
But you puffed away to fetch water.
Notes and stories,
Its fun you were send away to fetch the tree;
Because you could not wait for the next morning.
It was like a tunnel somewhere,
But you don't have to run into the cow with your car!
Because the heavy snowfall is ahead of you.

On the Platform of love,
With deafening noise to respect my muse;
But the volunteers were really there to give you a helping hand,
And like tea with sandwiches to crown the day.

A cheerful little engine with six small wheels on,
But remember that i am on the platform of love to recite my poems;
And like the muffle cry of help around you!
Slipping backwards and up the hills were the heavy snowfalls,
But the pillars of love are now mounted around muse with care;
And like the notes and the stories of life,
But very faintly to the ears around.

Edward Kofi Louis
Tea, Teasel!

Tea, teasel!
Have salt in yourself;
And, do learn if you have wisdom.

Tea, team!
In the centre of the beautiful garden;
With the 'horse-walk' of the truth.

True love!
It is a special gift around you;
And like a star inscribed in a circle.

Life!
To reap a joyous reward in the future;
And, to sit on the throne of glory.

Edward Kofi Louis
Teach A Just Person

Teach a just person and,
He or she will add to his or her learning;

Rebuke a wise person and,
He or she will love you;

Your health,
Wealth gained through evil is of no value! !

However, the diligent hands of the truth bring in righteous wealth;
Because, the wise in heart obeys Righteous Laws.

Edward Kofi Louis
Teach Me

Teach me with your works and,
Let the truth come out from your mouth!
Because, lies lead to hatred and war.

Edward Kofi Louis

Preach me with love;

Approach me with joy,

And coach me with your smile! !

Able to reach out to the world with positive morals.

Edward Kofi Louis
Teach Me Teacher

How sweet is your love? !

Teach me how to fish and i will eat always;

How soft is your body? !

Teach me how to swim and i will bath always;

Tell me the beauty of your naked body! !

Then i will learn how to hope for better things ahead of me;

Teach me teacher,

And, i will always be present to learn from you.

Edward Kofi Louis
Teach Me With Your Works

Each, reach, teach, preach!
Teach me with your works and,
Let the truth come out from you;
Overcoming lies for the sake of peace.

Edward Kofi Louis
Teach The Truth

Evil!
Like a snake eating its own tail;
Off, offend!
But, let us teach the truth;
To save us than,
Hatred and war.

Edward Kofi Louis

Teach the truth!
Let righteousness bring in peace;
Let true-love arise! !
With the muse of unity and joy to the people.

Edward Kofi Louis
Teach The Truth 2

Reach for change! !

Teach the truth;

Range!

Not to be strange;

To reach out to all,

And to preach the truth.

The challenges of life!

With the romance of nature;

Facing the aroma of creation,

With the fragrance of wisdom,

Along the line.

The truth,

To teach the truth;

He! !

She!

The truth is all that we need;

So, teach the truth and,

Bring peace to the world.

Edward Kofi Louis
Teach The Truth To The Childen

Teach the truth to the children and,
Let them grow up in the faith;
The faith of righteous moral characters,
Respecting all mankind with the joy of their hearts!
And, growing up to be better human beings.

Edward Kofi Louis
Teacher

A teacher should teach with humility! To upgrade the senses of the students;

Joy is the heart which has love! Because, this very heart doesn't hate his or her neighbours.

Speak the truth and let your mind be free! And free your heart with the works of peace;

Education is not only about Paper Degrees; it is also for the mind and the body; able to choose righteous works.

Edward Kofi Louis
Teacher 2

Teacher!
In the classroom;
To walk and talk,
With a chalk in your hand.

Edward Kofi Louis
Teacher 3

Teacher!
To hide the truth;
But, the truth will crash you one day! !
Because, the truth is foever.

Edward Kofi Louis
I don't know how to do it unless you teach me,
But i have the hope to be on the right path one day;
In this life, we all need teachers;
For even the President today was once taught by somebody.
We all need teachers to move on,
Like the work of an artistic design;
But after gaining many degrees,
What do we give back to our teachers?

Edward Kofi Louis
Teachers 2

Teachers of love,
Teachers of peace,
Teachers of righteousness!
Teachers of the truth;
Able to teach with righteous laws,
With servitude and attitude,
With righteous morals.

Edward Kofi Louis

Furnished for every righteous work;
The laws!
Making you perfect by obeying them;
As you live with the teachers of peace.

Life!
We need assistant from each other;
Helping one another in peace and joy,
Without the bullets of war.

Life,
Healed with love;
Power!
Down to the sea;
With the muse of life,
And, with the laws coming out from the teachers of peace.

Edward Kofi Louis
Teaching The Truth

Life,
With your works and your thoughts;
Teaching the truth with the laws,
And, loving all mankind without war.

Life,
Let the truth be in your heart;
And, let the law be in your mouth!
For a sign,
And teaching the truth to all.

Edward Kofi Louis
Teaching Us

This!
Maybe it is for you;

That!
Maybe it is for me;

The words from your mouth,
The words from my mouth,

Let the truth fall on us like rain! ! !
And let positive words descend like dew;

For the benefits of the earth,
Teaching us with positive morals.

Edward Kofi Louis
Teaching With My Mind

Preaching with my poems,
Teaching with my mind;
Works of peace and love.
Because, hatred will never unite us.

Edward Kofi Louis
Teaching You The Laws Of Peace

Inject, object, reject, project!
The heart needs peace and the mind needs the truth;
To welcome you to the land of joy.

True-love will always care for you;
And it will always find a way in reaching out to your heart!
Teaching you the laws of peace.

Edward Kofi Louis
Teachings

I know,
You know,
We know,

The teachings of peace than war.

Edward Kofi Louis
Tears For Summer

Must be salted and be eaten,
Must be nice and be mused,
Must be with honey and be romanced,
Must be perfect and be accepted,
Must be tender and be loved,
Must be sweet and be tasted,
But, how did the gold became dim today? !
Tears for summer;
And, tears for my lover.
I am given to the unknown with your muse,
Like the day and the date of my birth;
And, i wonder where you are today with your nakedness,
For, jealousy and hatred make the souls sleep much worried in the graves.

Edward Kofi Louis

Those tears are the tears of love;
And, those words are the words of your muse,
From your sweet heart!
So, keep on holding on my beautiful one.
On the wings of love i will expose my lovely muse to you,
For the birds came to me last night and, told me much about you;
Like the sweet smell of the aroma of peace and joy in the land of the living.

Edward Kofi Louis
Tears! !

When a mother departs into another world;
With the muse of death taking her way,
Waiting for your turn to come.

Edward Kofi Louis

Let us care for each other;
For life is all about peace and love.

No one answered back to me;
But i need care to overcome this wall around me.
Teenage and puberty,

Tei ('Demirifa Due')

'Demirifa due'
You died on the 3rd of March 2002;
And was buried on the 16th of March 2002,
But what is the independence of man when death calls? !
Tei, 'demirifa due';
You were with me on Friday the 1st of March 2002,
Then on Sunday the 3rd of March 2002 i heard of your death;
For death took you away from me like a candle in the wind.

Of the Red Sea and the Black Sea,
Of the Blue Sea and the White Sea,
But the wind blew you away so soon into the world unknown;
Young and fresh and never married,
And of the tears of many who came to see your dead body.

I was short of wards when i heard the news,
Because we had an appointment to go out together on the 4th of March;
And being an artist like myself,
We planned to visit the ART CENTRE (in Accra-Ghana) to sell some works.

Tei, 'demirifa due';
You were knocked and run down by a tipper truck with double axles!
And death knocked at your door so early and you were gone too soon.

Wailing and gnashing of teeth,
Your candle died out so soon in the wind;
And this sad note will be remembered always.

Edward Kofi Louis
Teira

Who is weak?
Come and let me comfort you and make strong!
Oil, toil, soil, boil, foil, coil, moil;
In weariness and toil i will put you right,
And like Teira in the river of love.

Edward Kofi Louis
I am called Teki so,
Why should you worry yourselves about this man? !
For he is very handsome,
Even though he had impregnated my sister.
This was all that we the family members wanted from the beginning,
For this handsome man has done a lot for us all in this town;
And i am are very pleased that he loves my sister.

Edward Kofi Louis
Tell me the truth and let me live in peace,
Echoes of life!
Living in peace than, with hatred and war.

Arise! ! ! Oh positive morals!
Views of life with servitude and attitude;
Insight with the muse of wisdom,
Victory is the key when the right thing is done.

Edward Kofì Louis
Teleology

Cost, most, lost, post, ghost, host!
Still life;
Still, till!
Teleology;
Enchantment!
Falling leaves,
Living through your mind.
Gentle, gentleman!
Loving through your muse;
Dragon, dragoon!
Into the trees;
Teleology,
Bush, ambush!
Like a closed-door meeting;
Pence, eminence!
But, you will feel my love around you.
Ghost, host!
Claims, aim, aims, calm, calms, am, alms, saw, was;
Fill, feel!
Scripts, icons, trademarks, consent;
Site, sight!
And, with the discovery of your love.

Edward Kofi Louis
Teleskof

Teleskof, see, so, of, self, set, let, sole, fee, feel, feet, feels, felt;
But, do not be drunk with wine in excess!
For, the ark of the testimony is beside you like, the act of the performer.

Fee, feel!
Those who hate me without a cause are more than ther hairs of my head;
But, the songs of the drunkards cannot bring me hope.

Gall for my food and vinegar for my drink!
Give hear to my voice when i speak;
And, give a crust of bread to the old man next to and, five golden rats to the old womnan next door.

Edward Kofi Louis
Tell Her That I Love Her

Are you sure?!

She is also in love with me;

I still don't know,

But, tell her that I love her.

I really need her beside my side.

Edward Kofi Louis
Tell It As It Is

The approachable love of a girl,
The notable acts of a woman,
The excellent choice made when a man is in love;
But, add it to your credit when you do turn around.

To catch the bull in its prime and to ride to victory!
But the difference is clear between boys and men;
And, to use the correct utensils at all times is like,
The very difference between girls and women.

Eat like a gentleman when it comes for love,
And try to butter up to do your best! 
For, you will be truly thrilled like Romeo and Juliet;
However, be very unique always and learn from the truth.

Try to detect the scent of any unclean products!
For, the journey of a thousand mile starts from one;
So, float your boat when it comes for love,
And, read out the noted signs and follow the rules as well.

It needs time and wisdom finding your perfect match,
For, the sea of human difference is always around us;
But, to hunt a primate means to become one!
So, roll your boat always and become perfect in love.

Believe in yourself always,
For, to love is more deeper than it meets the eyes! 
And like a wet shirt from a wet love;
But, you need your safety belt always to protect you.

Life is full of stories and nobody is above reproach,
But, try to tell it like it is and show it like it is as well!
The, you will eat it like it is when,
You are already deep in the ocean of love.

Approachable and notable facts to hit the hole in one!
But, do show that you care about yourself and your lover;
For, the end justifies the means! 
And, try to make the difference at all times.
It's all about the right flavour of sweet love,
So, tell it like it is with the red rose of love;
And like cooking and eating in style,
For, true love is all that is needed in this life.

Bathing and dancing in style! !
With the red rose at hand as a gift;
But, tell it like it is to gain your health always!
For, a journey of a thousand mile starts from one.

Edward Kofi Louis
Tell Me

Tell me,
If you don't love me;
And, let me know my steps!
For, i only need peace in my life.

Edward Kofi Louis
Tell Me If

Tell me if he is the one!
Tell me if he is your lover;
Tell me if she is the one!
Tell me if she is your lover;
For this bread of love is all about your muse,
And like a cloned love in the land of your dreams.

My champion lover,
The stuff inside you is like my first French kiss! !
But your angle of elevation brought about this lust,
However, you are very much distinguished among the lot.

Edward Kofi Louis
Tell Me If You Love Me

I am playing football with my son and you are watching!
But do tell me if you love me because,
The muse of love is all that smells around you.

Edward Kofi Louis
Tell Me That You Want Me

Love me,
Tell Me that you want me;
True love is all that i need,
To live like a human being on earth.

Edward Kofi Louis
Tell Me That....

Tell me that you love me!
I need you in my heart;
Love and dreams.

Edward Kofi Louis
Tell Me Your Story

Tell me your story,
Because, my story is like the others around me;
With hard struggle!
Hustle and bustle,
Able to reach where i am today.

Edward Kofi Louis
Tell The One Who Sent You

Tell the man who sent you that i love you,
For i want to taste the sweet of your lips;
Tell the woman who sent you that i love you,
And i want to taste the sweet of your love;
For the red pond is with you and,
I will like to swim in this red pond.

Edward Kofi Louis
Tell Your Story

Committed,
Omitted,
But to mourn and cry!
And like a writer's inkhorn at his or her side;
But, tell me your story and let is teach my mind.

Seize and cease,
Sale and sail,
Feel and fill,
Ship and sheep!
But you can't lobby death;
So, tell me your story and let me write it down.

Edward Kofi Louis
Tell, Foretell!

Life!
We all do have lust in us;
But made with a choice,
To choose righteous works or, evil works.

Muse!
With the people of the earth;

Tell, foretell!
With the muse of the Creator Almighty teaching us the truth;
However, how many of us are ready for the truth?

Edward Kofi Louis
Tell, Intellect!

Tell, intellect!
Manners are like banners;
So, think before you act.

Edward Kofi Louis
Telling It Like It Is

Telling it like it is; so, don’t hide from the face of the truth! Live in peace with your neighbours; enjoy your life with righteous works! Hate no one, kill no one, love all mankind! With the joy of your heart.

Seek for peace always; and let the truth show you the way! The way towards the light! With the muse of the peace and love. Bring joy to the hearts of the people! Let us always unite the world than, to destroy it with hatred and war.

Edward Kofi Louis
Telltale

Wasting state funds!
Greediness;
Embezzling state funds,
Telltale!
Sad about the situation;
Fraud! !
Across the world;
With distress calls,
Like the current affairs of the society.

Edward Kofi Louis
Telulah

Life is like the songs of Mosheh,
And my ways are like a journey from Texas to Texas!
But, 'Yah-Way' is the way of the truth for you all.
My love is clean as crystal,
My mind is white as snow,
Like in the Lamb's Book of Life;
Oh Telulah, love is all that you need in this life.
Be fruitful and multiply like,
The craftsmen in bronze and iron;
Of the male and the female to a call on this earth,
With love as the keyword to all things.

Edward Kofi Louis
Temá

Awful folly,
I was smuggled through the red sea!
On the night of the great deliverance,
But many have eyes and they can still not see.
Frantically speaking,
My name is Temá;
But the colour of my love speaks by itself.
Love is like the movement of the sun and the moon,
But the sparrows are twittering and the doves are cooing;
For i was smuggled through the Red Sea to meet your love,
And like the wind of your muse that led me on.

Edward Kofi Louis
Temir

Temir my love,
You performed very well today;
But the weather changes a lot in this town,
So, try to take the weather with you always.

Edward Kofi Louis
Temperatures

When it 25 degrees celsius,
Many say it summer in some lands;
But the same is very cold to others in another land.
When it 40 degrees celsius,
Many enjoy the heat in Africa!
But many do die in other lands too;
Since it is too much for them to bear.
When it minus 50 degrees in Russia,
The people there enjoy it and have no problem;
But many of us on this earth will be frozen already!
Such is life and such are the temperatures,
But we are all made to stand one condition or the other.
The status-quo and the rule of nature,
With the style of to catch up at times;
But we all need the weather forecasts to guide us on.

Edward Kofi Louis
Tempest

The gloom of darkness! !
Like wells without water,
Like clouds driven by a tempest!
Swelling words of worthlessness,
To allure the people through the lusts of the flesh.

Edward Kofi Louis
Templa

'Okyeman',
'Natamkese',
'Abuakwa',
But you were mercilessly beaten up! !
And, Templa my friend came for youe aid;
For, your attackers nearly killed you!

Attacked,
In a Mitsibushi pick-up;
What a shame! !
But, i am able to identify them;
And like the muse of a professional investigator!
But in diverse ways;
For, this attack could have resulted to your death.

Edward Kofi Louis
Tempted To Do It

Sin!
Tempted to do it;
Being blown away like a piece of paper in the wind.

Edward Kofi Louis
Ten Shots! !

Den,
Pen,
Hen,
When?
Ten shots! !
Ten targets,
Open,
Opening the ways of life.

Edward Kofi Louis
Ten, Then!

Love,
In your habitation;
To expand your mind with your imagination,
And, to strengthen your mind in your land.
Ten, then!
With the ways of the people in your land;
To the right and to the left,
And, to make the desolate cities inhabited once again.
Love,
The same to the youth;
Teaching them the truth to overcome the pressures of sin,
Commonly seen everywhere in the world today.

Edward Kofi Louis
Tend Your Sheep

The forest of the fields of the earth,
At the top with the muse of life and love;
But, the power of the mind helps put the land in order,
Still fresh with the muse of the laws.

The night of vision!
The work of your mission;
With the emotion of your heart,
But, the tranformation of this land rests in your own hands.

The muse of love,
Like the early dew that disappears in thew mist;
But, try to tend your sheep in the fields and bring peace to all,
With the truth and in humility.

Edward Kofi Louis
Tender Green Shoots

Tender green shoots!
To root downward and bear fruit upward;
With the zeal of nature and,
The fragrance of life! !
Let the truth set your garden in order and live in peace.

Edward Kofi Louis

Satisfy her,
Get her what she wants;

Satisfy him,
Get him what he wants;

Tender love!
Save the world with the works of the truth;

Tender love!
Care for the people around you;

Tender love,
With kindness;

Share!
Care;

Here on earth,
With the muse of righteous characters.

Edward Kofi Louis

It comes from inside;
Inner self,
Sharing and caring for others.

Edward Kofi Louis

Tender love,
Always be humble and kind;
Share with others,
Help others,
Always seek for peace.

Edward Kofi Louis
Tenderhooks

Figures,
Tenderhooks!
Compromised,
Results,
Accepting the muse of sweet love.

Edward Kofi Louis
Tending

Tending the sheep,
Ending the day with the trend of your work in the fields,
Faithful, diligent, refreshing;
With the reflections of your life in the land of your joy.

Edward Kofi Louis
'Tengile'

'Tengile'!
Your name;
To call! !
Your name;
Mile,
Smile,
Nile,
Fuse, use!
Muse;
Not to refuse the truth.

Edward Kofi Louis
Tense, Dense!

Tense, dense!
Don't play too fast in life,
By wasting your time in the name of entertainment;
But, try to listen to the other voices as well,
The voices of the people.
We live with each other and,
We need each other;
So, play your life in the right way,
With the muse of the laws and, respect others as well.

Edward Kofi Louis
Terah

Terah, he, her, hear, ear, era, heat, hat, tar, art, rat, rate, hate, tear!
But, try to live in life with a positive mind; without giving up on your dreams.
Build up your mind with positive morals and live in peace with your neighbours!

Pushing the world forward with righteous characters.

Edward Kofi Louis
Terence

It started raining and,
I found your love walking through the rain;
But Terence was there to help you through,
And of the love songs which followed at last.

Edward Kofi Louis
Terms Of Your Love

Terms of your love,
With your sweet heart! !
Your sweet words,
Your beautiful works,
Flowers of your love!
With the aroma of nature and,
The fragrance of life;
Let me know your terms.

Edward Kofi Louis
Terrible And Dangerous!

Slavery,
Mistreated,
Eccentricity!
Situations,
Sources,

On their toes!
Still in pain;

Terrible and dangerous!
Injuries,
Active!

With the view of the land;
Accepted,
Exalted,
Elevation!
To recover the muse of joy with,
The approval of your love.

Edward Kofi Louis
Terror

Nimrod built his kingdom through the use of terror!
And both great and small worshipped him;
But do remember the number 666,
And like the Religious Powers around us!

Edward Kofi Louis
Terror In The Land Of The Living!

Terror in the land of the living!
As many do visit their graves very early;
With bombs falling on the people here and there,
But, where can you call home when, you are not save in your land?
Cake, take, lake, bake, rake, make, gate, brake, fake! !
With the muse of haterd and war in the land;
In the land of the living destroying everything,
With nowhere to call your home as one becomes a refugee.

Edward Kofi Louis
Terror, Horror!

Terror, horror!
Destroying the mirror of peace;

Ambushes! 
With attacks;

Killing people and,
Destroying the earth.

Edward Kofi Louis
Terror, Horror, Error!

Roll, role!
Wickedness,
Without a rule;
Terror, horror, error!
Mr. Killer.

Edward Kofi Louis
Terrorism

A walking home and a flying cow! !
Seeing the works of wickedness around us on earth today;
All in the name of terrorism to destroy the world.

Edward Kofi Louis
Terrorism 2

Wickedness! !
Terrorism,
Ask the animals and, they will teach you!
Ask the birds and they will tell you that,
The truth leads to peace;
And, hatred leads to war! !!
Destroying all mankind.

Edward Kofi Louis
Terrorism 2

Terrorism!
The earth is watered with blood;
Because of hatred and war.

With feet that are swift in running to evil.

Edward Kofi Louis
Terrorists

Weapons of war! !
Terrorists,
With hands that shed innocent blood;
Wicked imaginations,
Wicked minds,
Evil acts,
Agents of the devil.

Edward Kofi Louis
Terrorists! !
Terrorists! !
What have i done to you?
What is my iniquity before you?
That you seek to kill me;
Tell me.

Edward Kofi Louis
Test

Test,
Contested;
To be,
To become,
To be known!!
By all in the land.

Edward Kofi Louis
Test Yourself

Test yourself and prove all things,
For you are used today to bring forth the plan;
And now that the light shines in the darkness,
The darkness does not take hold it.

Edward Kofi Louis
Test, Detest!

Word,  
Byword,  
Object of ridicule!  
Loosed,  
To keep the distance;  
Test, detest!  
Rabble,  
To become cruel.

Edward Kofi Louis
Tested

Words,
Acts,
Letters,
Sayings,
Sages,
Stages,
Ages,
Passages,
Tested with the works of love;
More excellent way.

Edward Kofi Louis
Testify

Do not follow that which is evil!
And testify to the truth that is in you;
Because my love is all that makes you glad all day long.

Edward Kofi Louis
Testifying

Darkness!
Sexual abuse;
Testifying,
From the offenders,
Of the sense of security,
Darkness! !
Professed,
Lack of morality,
Of these scandals!
Of the moral high grounds,
Glamour, clamour, armour!
But, too little too late.

Edward Kofi Louis
Testimony

Preach,
Reach,
Teach,
Each!
Test,
With testimony,
With the harmony of the truth;
Station!
Stationary,
Primary, secondary!
Array,
To marry Mary;
Like bolt and nut,
Living,
With your act.
Dust, lust, must!
Dew,
Hew,
Few;
Stew, drew!
Fit,
To it;
Hit!
Sit;
Bit,
Whit,
Wit,
Into the pit.

Edward Kofi Louis
I am mourning for the dead because i am Testino!
But may the words of my love bring me comfort;
For the dead around me are like water being spilled on the ground,
And i don't have enough space to walk around freely.

Edward Kofi Louis
Hello Tettey,
Get yourself together and learn about life;
For the muse of joy needs peace.

Hello Tettey,
Put yourself together and learn about peace;
For the muse of war is always started with trouble,
But this land now needs a sound peace.

Edward Kofi Louis
Teva

Teva, vat, at, tea, vet, eat, ate;
Moor, moot, moo, mood, moos, moon, moose!
Going ahead with the muse of your sweet love.

Goat, glaot!
With the uniform resource location;
Boat, bloat!
With the Book of Leviticus Chapter 18 in your hand.

Edward Kofi Louis
Texas, Taxes!

Faith with works,
The truth with the care of the people;
Texas, taxes!
To work together and, to put things right;
For peace, love and joy! !

Edward Kofi Louis
Text Books

Some Text Books are not needed in the system!
because, they are of no use;
And, it is time to face the facts! !
Because, students learn from them without any positive meaning to them.

Acme!
To reach the top;
With old stories left behind to hold on to the fresh ones,
And, it is time for us to check out the needed books for our students.

Kin, akin!
Most of the written down Text Books in our schools today are long outmoded;
And, we need to find out a solution to enhance the minds of our students.

Alacrity!
That's the way it is;
because, wisdom is greater than knowledge.

Edward Kofi Louis
Teye

Extempore,
Various functions;
From the sky with love and to enter you like the land of romance!
But at least, you do understand my status as at now;
For i am Teye from your past! !

Edward Kofi Louis
Thabo

I am the girl behind the hype and i am the one you are looking for,
But Thabo came and gave me an advice on this love of yours;
And a time like this is all that i’ve been waiting for,
But i want to wait for you on the other side of the river.

Edward Kofi Louis
Than Ever!

In this world,
Hatred had eaten up mankind than ever!
Along the streets,
Many are ready to throw the bombs than caring for the people;
By the leadership and the rulers of this world,
Majority are controlled by the influence of Satan than ever!
And, we are crashing down the earth gradually with our attitudes,
So, watch the news! And, you will understand what i am saying now to you.

Edward Kofi Louis

We all need teachers;
So, do thank your teachers and,
Live in peace with others from what you've learnt.

The muse of love,
To search for the truth;
So, do thank teachers who show you the way.
Manner!
Enables,
To decode;
Of a possible way,
With the ambiguity of the mind! !
between the right and the wrong.
Orthography!
Clarity is the key;
With the truth,
From the teacher of righteousness.
The law of priority!
To facilitate;
But, listen to the truth! !
Alaways from the teachers of righteousness and,
Be safe in life.

Edward Kofi Louis
Thank You

Thank you for loving me,
Thank you for showing me the way,
Thank you for teaching me what love is,
For the slavedrivers oppressed me and you came my way.

They took my virginity away like the sea, the lake and the boats;
But you cam my way with sincere love and care.
Thank you for loving me,
Thank you for kissing me,
Thank you for making love to me,
For your love to me is like the sunshine on my nakedness.

Thank you for loving me,
Thank you for staying with me,
Thank you for the world so sweet,
For you are like the hope of my dreams after what i went through.

Thank ou for showing me the way,
Thank you for accepting me,
Thank you for all the kindness from your heart,
For Isaac and Ishmayl buried Abraham in the cave of Machpelah and,
You've now shown me what love really is.

You've taken me in after being oppressed by the slavedrivers,
And i thank you for your sweet love towards me.
Thank you everything that is so sweet from you,
Thank you for the kind of love that you share with me,
Thank you for the world so sweet;
For my whole body is for you my sweet one.

Edward Kofi Louis
I've finally got the money;
To pay you,
Yes! Of the money i borrowed from you;
To help me in my needs and,
To carry on in life.
Once again,
'Thank you';
For, you were there for me in my needs.

Edward Kofi Louis

Offering peace to the world!
Under the authority of positive morals.

And, i have more stories for this world.

Edward Kofi Louis
Thankful

Moral,
Merciful,
Thankful,
Disciplined,
Humble,
And like butter and milk;
But i am taking a rest under the big green tree.

Dice, ice, mice, lice, rice, vice;
Anytime and anywhere in this world!
But the genesis of your love and the revelation of your muse came along like,
The mysticism of a land far beyond my reach!

Edward Kofi Louis

Edward Kofi Louis
That Far

Illegal lust,
I don't need to go that far;
Because, i have the laws with me and,
I am practicing them.
The muse of life,
To learn from the truth;
Able to activate the kind and the heart in thr right direction,
And by doing what is right than wrong.

Edward Kofi Louis
That Girl

Do you know that girl?
She has got my love in her heart;
Do you know that girl?
She's very smooth and beautiful;
And love came to me the day that i saw her.

Lady, you are so beautiful and the one for me;
And you are in to change my world!
That girl, that girl!
This wide world of ours is full of love and,
I want you to come closer to feel my heart beat.
Talk to me and i will listen,
Teach me all that you are made of;
For true love is all that i have for you.

Do you know that girl?
She's is the one for me;
Love came to me when i saw her,
Please come and take me to that girl.

Edward Kofi Louis
That Is How Nature Is

There is heavy snowfall in your land and,
There is heavy rainfall in my land!
For, I was born in the heat and you were born in the cold,
But, that is how nature is on this earth.
I am enjoying the heat over here and you are enjoying the cold over there!
But, that is how nature is on this earth;
And like the muse of love in the land of many bridges.

Edward Kofi Louis
That Is The Love

Kiss me and hold me to your heart,
Love me all night long without a break;
For you are my lover from the East to the West.
Incredible to credibility,
Of the power of love when it strikes!
You are my lover from the North to the South.
That is the love that i do share with you,
And it is all about sweet love;
Like the sun setting down on my nakedness.

Edward Kofi Louis
That Line

The line,
That line;
crossing it;
And, bringing problems to the world.

Lair, liar!
A hide out,
To be alone;
Running away.

Lair, air, stair, pair, fair, flair, affair!
The line,
That line;
Regardless,
But, with confusion.

The line,
That line;
Versatile,
Woodlands!
With the muse of the art of writing.

Edward Kofi Louis
That Moment

That moment,
That time;
Deeply in love!
Just to be with you,
Alone! !
In a hide out.

Edward Kofi Louis
That Night Of Love

That night of love,
I met you and we made love;
For it came out naturally and,
I will laways live to remember that night of love.

My sweet love touched your hidden places and,
Your sweet love touched mine;
However, the affection of this love led us on!
And, we were finally in the wings of sweet love.

Nice and easy!
The soft is in the eaten when, honey is beaten;
Wet and romantic!
And, with the aroma of sweet love to satisfy us all.

The night of love,
Wet and romantic!
With the massive avalanche of a flow to the subzero womb;
And, it was impossible to ignore your beauty.

Romantic, aromatic!
That night of love;
Soft and lovely,
That night of love!
I met you and we made love.

Edward Kofi Louis
That Opening

That opening! !

To look with your eyes and hear with your ears;

But, one thing i will always keep in my mind is your true love.

Hope and faith!

Along the life of the earth;

But, my chains are very heavy on me! ! !

Like a slave in the hands of his master.

War! !

You've deprived me of peace;

And, today, i've forgotten how success looks like.

Swaddled and brought up with the hustle and bustle of life!

Time and time again;

With the problems of life,

Always along my way! !

Like a lion lying in ambush,

However, i will always watch my steps in whatever i do.

Edward Kofi Louis
That Sign

The sign,
That sign;
To trust in the works of the truth!

Deceptions! !
Always around us;
But, let us walk in the truth.

Edward Kofi Louis
That Sinful Thing

Evil!
That sinful thing;
Like the first time,
When you killed your neighbour next door! !
After raping her.

Edward Kofi Louis
That Very Thing

That very thing,
That very act,
That very work,
In unity!
Without hatred and war.

Edward Kofi Louis
That Wasn't The Right Way

Look at that! !
That is wrong;
She just fixed it inside in her own way,
But, that wasn't the right way.

Edward Kofi Louis
That Way

Single,
Lonely,
You've been that way for so long.

Edward Kofi Louis
That Which Was....

Which types of the Holy bibles are they reading?
For they cannot understand the truth around us;
Because that which was will be once again!
And the whole world will see the prophecies being fulfilled.

Edward Kofi Louis
That Zeal

Love!
That zeal;
And, with the muse of your mind.
Love!
With everything in its own time;
Love!
To give our is better than to receive;
Love!
Of real peace and joy.
Love!
Safe and effective;
And, with the peace of joy.
Love!
That zeal;
But, to give out is better than to receive.
Real, really!
With historical records;
Rates, illustrates!
Pessimistic;
Vice versa!
In words and in the world.
True-love!
Free from ailments;
Human beings!
Social beings;
Love!
A seed of hope;
Love!
Pass it on;
Love!
Such a wonderful thing;
Love!
To everybody;
Love!
Such a wonderful method;
Reflex zones,
Love zones,
Stimulations;
With the muse of joy.
Love!
Of all the important points;
But, let it be real to satisfy your soul.

Edward Kofi Louis
That's The Way It Is

That's the ways it is,
Some things will never change;
That's the way it is,
Some people will never learn;
That's the way it is,
Some bombs will never stop;
That's the way it is,
Some people will never grow with their senses;
That's the way it is,
Some wars will never end;
That's the way it is,
Some people will always hate;
That's the way it is,
Some people will always love;
That's the way it is,
Some people will always kill;
That's the way it is,
As the tears welled in the eyes of many.

Edward Kofi Louis
That's The Way It Is  II  

Nature! !
Of the natural thing;
To eat it raw!
But, with the muse of love;
And, that's the way it is.

Songs of love and,
Songs of peace;
In unity with my mind to lead you on,
But, that's the way it is.

One who swims spreads his or her hands to swim;
But, i am here to love you!
With the sweet muse of my heart,
And, that's the way it is.

Edward Kofi Louis
That's Wonderful!

That's wonderful!
Love is wonderful;
With the opportunity of the truth,
When the right thing is done.

Books and stories!
Life and history,
Love and joy;
When the truth is told.

Edward Kofi Louis
Thaw, Saw, Raw!

The characters of the people!
In the society today are degraded;
Thaw, saw, raw!
To watch the acts of the people;
On the earth today.

Life,
With choices and actions!
But let the voices of the truth lead the way;
For peace and for joy,
Trying to correct the ways of the people.

Edward Kofi Louis
Thawing Ice!

Lust!
Undependable like the problems of the earth;
And like, the winter stream that overflows.
Thawing ice!
Swollen with melting snow;
But, when the dry season comes,
They cease to flow.
Hate!
Clothed with shame;
Like a sea with a dragon in the deep.
Of a movement! 
Swifter than a courier;
And like eagles swooping on their prey.
Hate!
You poured me out like milk and,
Curdled me like cheese.

Edward Kofi Louis
Thayer

Thayer, hat, year, heat, her, at, the, ray, he, rate, ear, ear, hear!
However, you can trace my legs and know where i love;
But, you have to knock at my door first! !
Before you can come into my house.

Knock first before you enter!
As you've traced my legs;
With the truce of your heart,
Knowing the meaning of private property.

Flair, fair!
Just one way,
Just one rose,
Just one day;

Call me and let me hear your voice!
With the point of focus;
Majestic with the muse of love,
Knowing what you want from me.

Edward Kofi Louis
The Flow

The flow!
Deep down;
So it was,
But, with the joy of life.

Edward Kofi Louis
The 7th Edition Of My Love

This poem is about the muse of your love,
But many will still wonder why?
Because i was in the bush last night and i saw your tears.

The dog became a god and the rat became a tar!
But war was very raw on your side;
And to leap for joy was like the peal of your muse.

I saw you tears yesterday,
But you can't repel the leper and come to me;
For the heavens know who i am,
But this poem will say it all.

This poem is about the muse of your love,
But what have they done to you my love?!
For i have seen the tears in your eyes.

I have now won the race and,
I will come and save you from this cold;
So put your clothes on without any clues on my muse,
For this era of your love is like the net over ten houses!
But i need a nap for you to use the pan on my stove.

The gel is now on your left leg,
And the dam is now visited by a mad man;
But a man at war is like the sorrows of your muse.

This is the 7th Edition of my love,
But i will come and save you from the heat!
And like shiny leaves with sharp points,
But try to abide in me and live with me in my abode.

Abreast yourself to the matters of love,
And leave your door ajar and let me meet Raja my friend;
For the anagram of my life is all about you,
Because Elvis lives in the land of your muse!

Append to my works to enhance your love,
But things around you are like the era of war!
So live up to the expectations of this poem,
And i will be there to save you with my sweet love.

Edward Kofi Louis
The 9th President

I met Nicksan, Aba and Ezema on the way yesterday;  
But their faces were full of fear! And, i did not know why?  
Maybe, it was because of the 9th President.

The 9th President resigned yesterday and,  
The people are in shock!  
But watch your lips and never be offended;  
Because life is full of surprises and,  
We have to accept hiw views for resigning.

Life is like the Breezy Spines and,  
I am here to take care of my lover;  
Because she is confused as well and,  
She can't understand why the President resigned.

Edward Kofi Louis
The Acceptance

The acceptance,
The repentance,
Envisioned with the muse of love;
With righteous works!
With compassion,
Rightful and faithful.

Edward Kofi Louis
The Accident

Friday the 13th of July 2012 in Porto Cristo! !
The accident;
To hit you at the back!
And, the Police came around.

Friday the 13th of July 2012 in Porto cristo! !
And, the Number Plate of the Police Van was, 'E 5590 HDC';
But, you wer driving very slowly towards a zebra crossing when,
A car driven by a lady hit you at the back!
And, so it was in the land of Palm Trees.

Edward Kofi Louis
The Accolade

Muse, use, fuse, ruse;
And like the mortal remains of my friend,
But i need to take a walk on the path of righteousness,
Because i really know what killed him.

The accolade,
With generosity and kindness;
But you were eulogized in the land of joy! !
And like your studies at 'Kwame Nkrumah University of Science and Technology',
But the final funeral rites would be held at a piece of land far away from you!

Edward Kofi Louis
The Action Took Only 40 Minutes

The same act and the same spot,
The same love and the same kiss;
But the action took only 40 minutes!
With touching words and horrible facts,
And like a Heavy-Duty-Land-Cruiser!

Light, night, right, bright, height, might, fright, plight!
But the water for the elephant wasn't enough;
And like the last flower in the land of war! !!
Dip, hip, nip, lip, gip, quip, sip, tip, zip, yip;
And like the last flowers in the land of roses,
But the action took only 40 minutes!
And he was dead and gone too soon.

Edward Kofi Louis
The Address

Add,
The address;
Press, dress!
With your stress,
To impress others,
And, not to oppress them.

Edward Kofi Louis
The African Black Wood

Hood,
Childhood;
Growing up,
Stages,
Like the African Black Wood.

Food,
To eat;
But the flood came along! !
To wipe away everything,
In the land.

African Black Wood,
Muse, use!
With life in Africa;
Facing the ways of nature.

Edward Kofi Louis
The African Dream

The delight to love you is like the colours of the rainbow,
And the delight to kiss you is like the colours of Africa!
But around the block with the straight talk and care;
And it takes the African dream to make me what i am today.

Edward Kofi Louis
The African Life

The African issue,
The African life,
The show!
Faces of Africa;
Languages,
Cultures and traditions!
In Africa,
With my muse,
With my mind,
Writing to teach,
To reach out to others!
With the muse of the beauty of Africa.

Edward Kofi Louis
The African Touch

African love,
The African touch;
It will guide you through the jungle!

Royal love,
Royal desire,
In style! !
African style,
Like the green tea with the delight of love.

Of man,
Of women,
Of the children,
The African touch;
With a clear day and statements.

The African touch,
In the eyes of the public!
In the jungle,
With the trees and the animals.

Artistic,
Formed,
Founded,
With the muse of your visit;
During your stay,
Under the eyes of love.

Love tells its own story and,
Africa shows its own colours;
From north, south, east and west.

Edward Kofi Louis
The African Writer

Smile!
And let true love be seen on your face;
Africa's vulnerability to the world,
African concepts,
The vitality of Africa through the time;
Illustrations!
With the colourful illusions around him or her.

Laughter!
The African way of life;
Bid, bidder!
Of the outcome;
And, instant!
With the ways of life in Africa;
Creation, recreation!
With foreseeable things to crown the African Writer.

Edward Kofi Louis
The Ageless Wisdom

The product of a superman and a superwoman equals to 'SSMW',
So ask and it shall be given to you;
Because the circumstances of the state of the art is in the act!

Seek and you will find the ageless wisdom,
For it is like the contemporary way of life;
And knock and it shall be opened to you!
For my heart fairly poured out when i found woodpiles on both sides,
And there you were clothed with the beauty of your love.

Sucked in the wind!
In agreement to sip more broth;
And my mind reeled in wonderment of her act,
For this love was the product of the superman and the superwoman.

The ageless of wisdom,
Once an enemy always an enemy!
But i was not able to stand to the nakedness of this woman.

Edward Kofi Louis
The Air Is Sweet

A fresh dawn,
A fresh love,
The air is sweet!

All i need is the air that i breath and,
To live in peace with you always.

At the exact time,
The alarm was off;
So, you couldn't wake up in time.

Edward Kofi Louis
The Anguish Of Your Heart

The alarm of war! !
You have stabbed the hearts of many,
With the anguish of your heart;
It is bitter!
With the works of evil;
For the whole land is now laid waste,
From the hands of war.

Edward Kofi Louis
The Apples Of Your Eyes

The apples of your eyes,
Store! !
Like the shore;
Core,
With your lovely face.

The entery of the city of love,
At the entrance of your lovely doors;
To speak excellent things with you,
Right things!
With the muse of the truth.

Edward Kofi Louis
The Approach

Love!
The approach;
To guide,
To encourage,
Broad-mindedness! !
And like the flesh and the spirit.
It, eat!
And with symptoms;
Life!
Experiences with pain;
Plus and minus,
Love and hate;
As seen all around us.
Live, line!
This night of love,
All night with love;
But, try to verify it,
As based on your love.

Edward Kofi Louis
The Arches

The arches overtook her and she was critically wounded!

So, i gave her my blood to save her at the hospital;

Blood of love,

Inside the triangle of peace and joy;

Able to see her once again on her feet.

Edward Kofi Louis
The Arms Of Love

Up, uobringing!
With the arms of love.

Sport, sporty!
With the hands of care.

Play, splay!
With the arms of unity.

Free, spree!
With the arms of peace.

In Las Palmas! !
Falling in love tonight.

Clue, glue, flue, value, hue;
In the arms of passion.

Credible evidence!
So in love.

Mile, mileage!
But, receive it as agreed.

Live on stage!
With the passions of sweet love.

Age, mileage!
You're so beautiful like the diamonds in the sky.

Sensible move!
With the romance and the aroma of peace.

Like the sky playing with the air!
But, life is always about the truth.

Edward Kofi Louis

You will be romanced and you will be kissed,
Because of the sweet scent of the aroma of your love;
And like the black and white Zebra!
But be very straight with your mind always.

Edward Kofi Louis
The Arrival

Love,
The arrival;
To be glad over all.
Muse,
Beyond the mist!
With the joy of your heart.
Skyline!
With the dreams of love;
Connection,
Concentration,
Series,
Misty mood;
Outside and inside.

Edward Kofi Louis
The Art Of Giving

The art of giving,
The art of sharing,
Bringing joy to the hearts of many!
For the unity of the earth.

Edward Kofi Louis
The Art Of My Poetry

Listen to the art of my poetry,
Listen oh mankind!
What goes around comes around,
And like the things seen in and around us;
But not all the governments are doing well on this earth.
Why are many people suffering ans starving?
Listen to the art of my poetry;
Why are there many bombs in our backyards?
Listen to the art of my poetry;
Why should there be many people sleeping on the streets while,
There are governments ruling over them?
I have seen people drinking from dirty water,
I have seen people eating from the garbage dump,
Yet still there are governments ruling over them;
Listen oh mankind!
Listen to the art of my poetry.

Edward Kofi Louis
The Art Of Poetry

Neutron stars,
Black holes,
Galaxies,
Milky Way,
Gravity,
the universe;
With our presence on this earth.

Small, mall, all!
Dancing and playing around;
Court, escourt!
With the ways of mankind;
Like the 'Check Point Charlie' in Berlin.

Act of poetry,
The art of poetry;
Of his mind and will,
And, of her mind and will!
With poetic statement.

War,
Explosion!
Coral doom;
With the ways of mankind,
On this earth.

Nature!
To meet love and life;
True love!
With endless summer.

Love!
Living in the land of joy;
Warm, worm!
Quality,
With the muse of nature;
And, the ways of the universe.

Life!
Over the top;
Love!
Under the bottom;
Muse!
Over the bridge;
Nature!
Under the lake;
With the muse of the river in view,
With the muse of the canal that flows.

In the city,
In the village,
In the garden,
With the inhabitants of the land;
However, the universe has more for us.

The message from the Artist,

The Artist Painted It! !
With love and kindness;

With love and care,
With humility.

Edward Kofi Louis
The Atmosphere

This seven-metre-high wall!
Swung across the black sky like the deep forest;
But a balanced diet is the way towards your health.
This seven-metre-high wall!
I need powerful antioxidants to jump over it;
But, the atmosphere around is speaks for itself.

Edward Kofi Louis
The Attack!

The attack!
Maybe it was a mistake;
But, war is not the answer to peace.

Edward Kofi Louis
The Baker's Street

Love and peace,
Hatred and jealousy,
Come and sustain me with your love if you care;
For the testimony of your love is very wonderful to us,
And like the eating of bread daily at the baker's street!

Edward Kofi Louis
The Ball Is Back To You

You destroyed life and, rejected your responsibility;
And now, the ball is back to you!
Knowing what you've done to the world.

Edward Kofi Louis
The Ball!

The ball!
The fall,
After the kick;
Playing football with your friends,
Before the call came in.

Edward Kofi Louis
The Banquet

A banquet for two,
A joyous occasion;
Of wine foe a lamb,
A momentous victory;
A little wine curbs gallstones.
I have my mind on you and,
You have your mind on me too;
So, we have to meet one day.

The juice of fruits,
Distilled from honey;
Like a drink for two at a banquet.
I have my mind on you,
Like the lamb which was sacrificed;
You have your mind on me too like,
The food which was eaten;
This is the mixture of the muse that bubbles.
A banquet for two,
The joy of a muse;
True love is all that takes us to this banquet.

Edward Kofi Louis
The Barren Forest

Your dreams,
Cats, cast!
Your love;

Life is peaceful with the laws;
Cast, cats!
Exposing the barren forest as you walk along.

Edward Kofi Louis
The Battle

You shall not have hinder gods (elohim) at all,
You shall not make any carved image (an idol) for yourself;
Ammunitions and chariots are prepared for battle but,
The battle is Yahweh's.

Edward Kofi Louis

So, Eve was made to satisfy him;
And like the muse of love and joy!
But, the beauty of a woman is always beside you.

By the well of water;

Inspiring!
With stoic determination.

I want to choose the best among them.

Edward Kofi Louis
The Best Day

The power of love,
The power of a muse;
The power of romance,
The power of a Kiss;
This is the best day of my life.

It is raining cats and dogs,
It is raining elephants and timbers,
With the rainbow to see on this love;
Of sunshine and rain to see the rainbow of my lover,
Like an Anaconda catcher in Africa.

To the land of men,
To the land of women,
To the land of children,
To the land of love;
This is the best day of my life.

To muse with your love is like,
To be very deep inside you;
Like the life in the land of red light where,
The sunshine and the rain meet to form the rainbow!
This is the best day of my life.

Edward Kofi Louis
The Best Medicine

Love is the best medicine,
So, stop the hatred around and,
Let us love each other on this earth.

So, stop the hatred around you.

Edward Kofi Louis
The Best Speech

Love is the sign of life!
So, love all mankind and, live in peace.

Pundit,
With the muse of the best speech in life;

Time rules the earth! And, we can't stop it.

Learn how to respect each other on earth,
Because, in your house, you may be a king or a queen!
But, in somebody's house, you are a slave.

Edward Kofi Louis

The Big Code! !

The Big Code! !
Every Bank in the world has a code;
Relatives,
From the source,
Supreme!
But, you are no stranger to me.
Down south,
Years away!
To marry,
Beans, Jeans! !
Like the message of the world,
But, every Bank in the world has a code.
Means, leans!
More openly;
But, yesterday is gone too soon.
Genes, Jeans!
Blue lights;
To all flesh,
Years away;
But, the truth is,
It was not dried when you used it.
The big code! !
Bib, bid, big;
In full control;
And like the ability around it.

Edward Kofi Louis
The Big Dream

The big dream! !
The truth at your doors;
Bid,
Hid!
Women,
You must be led by your husbands.

Writing in parables,
Speaking in proverbs,
This poem is not hidden!

Eat a little food for your mind's sake,
Drink a little wine for your stomach's sake,
Learn a little while! For the sake of your status;
Make,
Bake,
Wake,
Cake!
At the side of the lake.

Flagrant intention,
The heaven and the earth;
Let me have a say to what I see around me.

Theomophoric!
The message is in the green bottle;
Nakedness is nothing to those who love the lust of the world,
Playing the harlot and committing whoredom.

Along the coast of Life,
Along the coast of the truth,
Along the coast of love;
Just dream the big dream! !
No more chocolate and flowers;
In the Isle of the sky!

The sweet meal,
To be merry!
Being served with the utensils of pure gold;
To behold your life!
Bold with your works,
Like a great story told in your land;
True love, never to be sold.

Fair,
Fairy! !

Your affair,
With Mary;

Marry,
Merry!

Pair,
Standing before the chair;

Stair!
Hair;

With the air of life,
Like the seed of life;

It cannot be bought or earned,
Because, the truth is always the truth.

Of things very hard to understand,
Life and death;
Of the worldly churches and assemblies,
A shadow of things to come.

Edward Kofi Louis
The Big Dream!

To be there with you.

Edward Kofi Louis
The Biggest Trial

Oh, what a mystical noise with a cry! !
This date is still fresh in my mind;
And the early part of 1999 witnessed a fall,
For this case is still real to narrate.
Let us know the mystics of tomorrow for,
Today he still lives and i am very glad;
But my brother’s fall is still a mystery to me.
I will live to tell this story every now and then,
For it was at dawn and i couldn’t believe what i saw!
But in the Name of Father Yahweh Almighty,
He still lives today as a testimony to all.
This was the biggest trial of my life but,
The values of the hard work came from ym faith;
And today he is as strong as the timber.

Edward Kofi Louis
The Bird In The Cage

The bird in the cage,
Treating it very bad!
One day, it will fly away.

Edward Kofi Louis
The Bitter Lessons Of Lust

Illegal lust!
With empty dreams in the land of sin;
But, for how long will they rape the women around?

Muse!
With the way before it and, the way after it;
And, to learn the bitter lessons of lust.

Illegal lust!
Like the seeds among thorns;
But, who is ready to tell them the truth?

Life!
With the riches that chokes the earth;
But, every man has a woman inside him and,
Every woman has a man inside her.

Fire! !
They are playing with life;
With the sins of the world as seen everywhere.

Edward Kofi Louis
The Black Continent

Africa, Africa, Africa!
The Black Continent full of raw materials and talented people;
For the Blackman is capable of managing his own affairs.

Beautiful South Africa,
Beautiful North Africa,
Beautiful East Africa,
Beautiful West Africa,
And beautiful Central Africa! !
This Black Continent is full of natural resources.

Visit Africa to understand our ways,
For we have more to the world!
And like the muse of the animals in the forest,
But The Black Continent means a lot to all of us on this earth:

Africa, Africa, Africa! !

Edward Kofi Louis
The Black Devil

Cut your coats according to your size,
And live for joy and for peace in this world;
Because the black devil is always watching you!
And you need to focus on my love towards you to guide you on.
Love and praises,
Peace and roses;
And like the muse of your love in the land of unity;
But try to focus your mind always on peace and love.

Edward Kofi Louis
The Black Star!

The Black Star!
Red, gold and green;
And, all the rest are noted with your muse! !
However, the Black Star is always around you.

Edward Kofi Louis
The Black Swan

I am the Black Swan swimming in your river,
I am the Black Swan swimming along side your boat;
And like a typical man and a typical woman in love,
But very wise and useful is the muse of your love.

Edward Kofi Louis
The Blood

A male of the first year,
Do not eat the meat in the night;
And the blood will be a sign for you.

A very strong west wind blew me into the Red Sea,
And i am now wandering around in the field of love;
For the sun, moon and the eleven stars bowed down before me.

The blood,
And i need an explanation about it from you;
For your words have touched me and have tasted my peace,
And i will return tomorrow looking for you.

Pay money for the food you eat and,
Pay money for the water you drink;
For i am now along the route of the Red sea and,
I will be in your wilderness of love all day long.

Oh gifts of ancient mountains,
Come down to me with your everlasting fruits;
For i have sharpen my flashing sword of love and,
I need some apples to eat tonight.

Edward Kofi Louis
The blood,
Pout it down on the ground like water;
And, do not drink the blood of the animal.

The seals!
Come and see what mankind had done to the animals;
One cuts an animal and drinks its blood,
But, there is life in the blood.

Edward Kofi Louis
The Blood Of Her Flowers

The muse of illegal lust!
Do not approach a woman during her menstruation;
leave her peacefully to pass the blood of her flowers.
The muse of life!
You lust but you do not have;
So, you hate your brothers and sisters.
The muse of illegal lust!
Let your eyes be opened on this issue;
And, do not approach a woman during her menstruation.
The muse of illegal lust!
Counted or recorded;
In the land of your muse,
But, let the stronghold of love be perfected with the laws.

Edward Kofi Louis
The Blossom Of Love

Boom! !
Loom,
Bloom,
Blossoms;
The blossom of love,
Alluring blooms of sweet love,
Deep where no blade will cut.

Edward Kofi Louis
The Blue Birds

The blue birds,
Living in Babylon!
With the muse of mankind;
Life,
In the jungle!
With others working in the rice fields.

Fields, shields!
At the point,
At the hour;
Walking and talking,
Like the muse of the son of a preacher!
But, with vodka and fish-soup on the table.

The blue birds!
From Ur to Rome;
Learning the ways of mankind,
And, seeking for the truth!
All over the world;
With the works of peace than war.

Edward Kofi Louis
The Blue Planet

The Blue Planet with Alien visitors,
With a calabash in my hand to fetch some water;
Learning the ways of life,
And to understand the universe! !
Here in Africa.

Pay realistic wages to satisfy the muse of your workers!
Learning from the best to unite the world with love;
Because, people at the top can no longer see wider views.

Dolphin, otter, shrimp!
Catching up with the muse of nature;
Still learning to upgrade my mind.

Eel, catfish, squid!
To respect life and, to respect mankind;
Under the eyes of the truth.

Marlin, oyster, crab!
With the nature of things around me;
Kicking and scoring to win the game.

The Blue Planet,
With love and care;
Able to put things right on earth!
For peace than, hatred and war.

Edward Kofi Louis
The Blue Sky

The quality of your love,
The quality of your muse,
The quality of your content;
The Blue Sky!
And like the boys and the girls next door.

The Blue Sky!
And for all the artists on this earth;
But, i do write because, i want to free my mind.

It was like a live show when i met you!
And like the muse of your love;
Stringer, ginger, linger, stinger, zinger, singer;
But, the Blue Sky is very high above us.

Edward Kofi Louis
The Boat Was Still There

My only child,
My only son,
My only dream,
My only hope;
Your only daughter,
Your only child,
Your only hope,
Your only dream;
But the boat was still on the river!

Just for peace,
Just for love,
Just for care,
Just for joy,
Just for me,
Just for you;
And the boat was still there! !

Edward Kofi Louis
The Body

Eternal,
Internal,
In the old world and, in the new world;
Going around and floating around,
But, the body does break down internally when you partake in sin.

The muse of life,
In and out!
Blotted out,
And, to make is a delight.

The muse of life,
Refreshing!
And like the dust of the earth;
But, always do the right thing that makes you joyous!
Without hurting anyone.

Edward Kofi Louis
The Body Farm!

Boy, body!
It is your blood;
The Animal Farm!
The body farm;
But, i can't just believe my eyes! !
To start all over again,
Fresh, afresh!
To start afresh;
but, i will survive it.

You're so beautiful to meet and,
I will not give up on this love;
So, come and bath me with your sweet love.
Norah, Deborah! !
I will overcome my present status to meet you;
For, i am a thinker and a dexterity worker!
So, when it feels alright with you then,
Call my name and i will be there.

Edward Kofi Louis
The Body's Desires

Amiability,
Amiss the love of peace;
Mighty! !
Amity with the muse of the laws;
When, one practices them.
The body's desires,
Seeking for peace than war;
Knowing that, the wicked ones are also around us!
But, being allegiance to the laws of righteousness,
Which is the basic key about life.

Edward Kofi Louis
The Body's Desires  II

One's feelings,
One's love;
The body's desires,
From top to the bottom!
Inside and outside,
Searching for peace along the muse of life.
To be cheerful,
With the muse of the body's desires;
True-love!
Close and sound with the truth;
The truth of the laws,
The truth of righteousness,
And, of the truth of the hearts.

Edward Kofi Louis
The Boiling Point

Out of the nostrils came the smoke!

Out of the mouth came the words,

But the boiling point of water is known to us.

Oh Africa my homeland! !

Rise up with the truth,

Move forward with positive morals!

Because, to err is human;

However, THE TRUTH edifies the body.

Your body,

My body,

Our bodies! !

Here on earth.

My people!

Why create gods and goddesses? !

Come out and see the light of the truth;

With righteous laws!

Even though, many are still in the dark.

Edward Kofi Louis
The Bombs

The bombs! ! !
To kill mankind;
But, who made them?
Answer it yourself and,
Understand the wickedness of mankind on this earth.

Edward Kofi Louis
The Bond

You are playing the harlot by breaking the bond of marriage,
But so be it;
because you do not know the law given to us!
Look for a wife and marry and,
Stop sleeping around with the woman;
For one day you will be judged.

Look for a man and marry and,
Stop sleeping with the men around;
For one day you will be judged too.

I am eating like a parrot and,
You are eating like a dog!
But when the world crashes,
We will all die and be judged thereafter.

Oil for light and spices for the anointing,
You are playing the harlot by breaking the bond of marriage!
And you are like the almond flowers with buds and,
I am like the covering of a ram's skin dyed red.

Cover your nakedness and learn the laws,
For i am like a sheep under the great tree;
Cover your nakedness and come to me,
For togeher with me you will learn to uphold the laws;
And like a pillar of stone closer to you but,
In honesty and in truth to live by the law.

Edward Kofi Louis
The Bone Of A Class

A light from a window,
The bone of a class,
With the wonders of love;
Nature! !
With the joy of life;
Following after the right path.

Edward Kofi Louis
True love is like the light that shines in the dark places!
So keep the commandments and be free with your mind to live in peace;
For my words are true on this love in this thick forest around me,
But, do not withhold the wages of a hired worker beyond the agreed time.

Do not take advantage of the windows and the orphans around you,
And a judge must not pervert the Justice due to the stranger!
However, do not eat any unclean fish and seafood.
Fish, dish, polish, Kish, finish, Irish, nourish, garnish, punish, furnish;
But you are closer to a human corpse and, that makes you ritually unclean!
However, the king of your town must acquire and apply the Book of the Law to
rule his people.

Edward Kofi Louis
The Borrower And The Lender

Take time with me my love,
For my sweet dinner is now set before you;
But the rich rule over the poor and,
The borrower is a servant to the lender!
Evil people do not understand judgement,
So take a time with me on this love;
For a poor peson who opresses the poor is like,
A driving rain which leaves no food!

Edward Kofi Louis
The Boundary

The truth!
Declared and publish it;
Throughout the world,
That, people may know.
The muse of nature,
With the sand as the boundary to the sea;
Decree, degree, agree!
With the muse of the sea and the sand in view;
Taking lessons from both of them,
With the muse of life.
The truth!
With the former rain in the fall and,
The latter rain in the spring;
So, declare the truth to all and get it published.

Edward Kofi Louis
The Brain

The brain is needed for thinking,
So, think right!
And, do the right thing in life.
Yes, without hurting your neighbours,
Without hatred and war,
Hitting the nail on the right head by doing righteous works.

Edward Kofi Louis
The Bread Of Sorrows

The bread of sorrows,
The arrow is now aimed at me for me to borrow for the morrow!
But, let peace be written on the walls of your love;
And, let blessings be seen in your place,
For, true love is better than the hate in this world.

Edward Kofi Louis
The Breed Of Love

Rage, age!
To pour her heart out;
The mark of life and the sense of love,
To seek for peace! !
Because, righteousness is forever.

The breed of love,
Seen in your house today;
Busy at work,
Breed of joy! !
Sealed with the muse of life.

Raps, says!
Healed with the ways of nature;
Under the eyes of the truth,
To the place of love,
Seen with your works.

Edward Kofi Louis
The Breeze

The breeze! ! !
Which blew last night;
With the joy of love,
Being closer to each other,
Alone with the dreams of love.

Edward Kofi Louis
The Bride

The bride,
The bride!

The ride,
The ride!

The side,
The side!

The pride,
The pride!

Aside with your acts,
And with tide ahead of you.

Edward Kofi Louis
The Bride And The Bridegroom

Groom, room!
But, your two breasts are like two precious jewels;
Bride, bridegroom!
And you are so beautiful all over;
Room, bridegroom!
For, you are my bride and i am your bridegroom.

Knowledge and zeal! !
In the land of your muse;
And, of your locked up garden of love,
But, come and eat with me.

Bride, ride, bridegroom!
Your love is like the seal of the fountain of my heart;
And, i am here to love! !
For, you are so beautiful all over.

Edward Kofi Louis
The Bridge

Ridge,
The bridge;
To ride along with your bride.

Edward Kofi Louis
The Bright Star

You are the bright Star in my life,
With the insight of peace and love;
To bring me joy and to light my day,
With the sight of the truth.
The right flight,
To let the truth flow;
To let me glow! !
And to grow up with righteous character,
Because, i cannot turn back time.

Edward Kofi Louis
The Broken Circle

Bicycle,
The crash!
The accident,
The broken circle,
Love! !
With the peace of life;
Love and pain!
Past life,
With my footprints in the sand.

Edward Kofi Louis
The Brown Bag

The brown bag,
To own the bag;
And, to go out with it,
To the town!
Like a crown on your head.

Edward Kofi Louis
The Brown Door

A reed to the deer is like the top of the pot,
But lead me through the bush and let me meet the deal!
For this star over here is like the rats along the narrow path,
But the Brown Door is about to open for me.
It is not a ton that i need,
But like the sub of your act for me to take the bus!
And the Brown Door is about to be open.

Edward Kofi Louis
The Builder's Son

'Is not this the builder's son? !'
Said King Herod the Tetrarch;
But the jewels of the crown is all because of Herodias.

Of the prisoners of hope,
Let your light so shine in the wilderness of Yahweh!
For the builder's son is the teacher for us all.

Of Archelaus son of King Herod,
Like the message to the child and his mother;
But the name of wisdom is in the wilderness of love.

From Egypt I have called my son like,
In the days of King Herod;
But the Wise Men from the East have more to teach us.

Of the builder's son,
Like the four generations of hope;
But the fall of Babylon is like the acts of Zerrubabel!

Life is like the Megiddo Valley,
But I am like the fire among the woods!
With my hope of sincere love to share with the prisoners.

Edward Kofi Louis
The Bush

The bush,
Of the story,
Like the clouds!
Opening the Sky;
Being told,
To you.

Bale, ale!
Sold with the muse of a culture;
Along the river of beauty,
Close to the eyes and,
Bold with your heart.

The bush,
Bold to behold;
With the fruits of love;
To give the children apples to eat.

This story of love,
With a positive mind to face the future;
Reflecting on past works,
With imaginations from the original!
Having a story to tell.

Oh it is very cold outside!
So, put on your jacket before you go out of the room;
To protect yourself,
To protect your works,
And to face nature.

Edward Kofi Louis
The Calf In The Pen

The calf in the pen,
Watching the animal,
Ready with my pen to write a poem;
Nature,
Free with my mind! !
Not like someone in the den;
I am learning from nature,
Seeing a hen around as well;
With my ten fingers in harmony!
To see the calf in the pen.

Edward Kofi Louis
The Cankerworm

No childbirth,
No gestation,
No conception;
They have sown the wind and they will reap the whirlwind!
Like a man's love with grapes in the wilderness,
Like a woman's love with the yoke on her fair neck,
Of an euphemism as sheep among wolves.

I knew you in the wilderness but,
Men do give gifts to harlots;
But the sweet aroma of your love is all that i need.
I will show you love and care and a ring for your nose,
But in the land of this great drought comes this love;
But that which the locusts has left i will take care of.
Like women who break wedlock in the name of harlot-homes,
That which the cankerworm has eaten will be put in order.

Behold! The likeness of fire;
They have blown the trumpet on the images of their gods.
But destruction comes like the likeness of a hand,
And i will do my best to save you.
I will give you love and care to overcome all things,
I will show the true way of doing things in times of danger;
For true love comes from the heart and,
I am ready to save you.

Edward Kofi Louis
The Caper Berry

Life!
Not to waste;
Provocative desire,
The caper berry! !
From its stimulative taste.
As to Birth,
As to life,
As to love,
As to the rules around;
To search! !
To find,
With the muse of the examination.

Edward Kofi Louis
The Captive

The captives,
The muse of life,
The ways of nature,
The muse of love,
The rules of creation,
Love justice and hate robbery! !
And let your soul be joyful with the works of the truth;
Live in peace,
And share with your neighbours.

The dead do not know anything!
So, why worship the dead?
Wake up! !
Reason up,
Learn!
Be wise enough;
The ways of the wicked are hatred and war!
Killing people and, destroying the world.

A poor wise man,
A poor wise woman,
A poor wise child;
Wisdom is better than strength! !
So, let the truth be praised always;
Than the fruits of lies.

Trance!
At the entrance;
Stance,
Dance! !
The quiet words of a wise person whould be heeded to;
Rather than the shouting of a king of fools!

Illegal lust,
Like a spider hiding in thiew deep freezer!
Character,
Life,
With your status in the land;
But, be very wise,
Accepting the works of the truth.

Sent, went, spent!
Talent;
Able to hear the words of the truth,
Based on positive morals,
Living on earth without hurting anyone.

The captive,
In life;
Looking for a safe place!
The place of love and,
The place of the truth;
Hope! !
Looking up,
Forward,
To lipf up!
Your heart;
With the works of the truth.

It will come!
One day,
Hope for it;
With the muse of truth,
Bringing joy and gladness,
With ideas.

The captive!
Of life;
But with hope,
For freedom! ! !
One day.

Edward Kofi Louis
The Carcas

A sacrifice after childbirth,
The period of separation;
A suspensive guilt like,
The carcas of an unclean animal.
To be fully cooked,
The meat is roasting over an open fire!
It must be very neat as well.

One person touches an unclean thing,
Another person touches a clean thing;
All in this world to make a choice.
The gleanings of a field,
To reap the harvest;
Olives and grapes,
You may eat its fruits;
But three times in a year you must keep the feast.

He is a stranger,
She is a stranger,
The first tithe is Holy;
Of leaven and honey,
Of peace and love,
Do not eat blood.

To the second tithe of grain,
To the second tithe of wine,
To the second tithe of oil,
Like a daughter of a priest;
Do not eat it raw or boiled,
It must be roasted!

He is poor to pay his debts,
She is poor to pay her debts,
Like a sacrifice after childbirth;
But he is a native of your own country.
Love, peace and care;
She is a native of your own country.
One thing is clean to you and,
Another is unclean to me;
But like life's own choices,
We have to offer a sacrifice after childbirth.

Edward Kofi Louis
The Cargo

As we get poorer,
We accept any gift, grant, loan or help with a glee;
But my words have different sounds to different people.
Is it rumours when you dig up a dead body from the mud?
Iniquity upon iniquity to the cultures of man;
For many people are killed in cold blood and we say nothing.

People drees nicely to churches but,
They are still the workers of iniquity;
Like a conflict of a dream after commodities.
How do we overcome our debts?
You are very young and gifted,
You are very young and talented,
You are very young and educated,
But you are broke without a clue.

Of the hustle and bustle,
Who do i blame when the sun rises?
From a parcel to a luggage before the cargo is sent,
Like the kind of human activities all around us.
What a world that we live in!
When we always expect something from someone;
Iniquity upon iniquity to the cultures of man;
Like the cargo at the harbour.

Edward Kofi Louis
The Carnal Mind

Misunderstanding, sing, ring, guns, arise, dine, dean, sane, made, dues, ant;
And like the carnal mind!
But true love, care and concern for all is what we need as human beings.

Misunderstanding, rag, dig, rand, rend, sender, issue, aids, aide, aid, sit, sun;
And like the muse of love as compared to the muse of hatred! !
But the carnal mind had taken over and, minkind is now faced with wars!
However, true love, care and concern for all is what we need.

Misunderstanding, saint, stain, nun, mare, tear, near, seas, sea, sears, sear, gun, sages;
With hatred everywhere today to overcome the fruits of love!
But we the human beings need to change for the better! !
Because the wars are killing us all,
And we need a better home with love than hatred.

Misunderstanding, ears, ear, era, are, dare, dear, read, tan, run, ran, age, ages, sine;
Why should we throw bombs against each other? ! !
When this earth was meant for you and i;
For, it is better to live peacefully than with hatred that leads to war!
And, you and i know the truth onthis earth.

Misunderstanding, rats, tar, tars, is, sin, gin, den, miss, at, as, Miss, sad, mad, sage, sat;
And like the very acts of the carnal mind! !
But, is there any hope for us? !
Then we better think twice before killing someone because of hatred;
For his earth is the only one that we have.

Misunderstanding, under, understand, stand, standing, end, and, star, rat, satrs, rise;
Mind your language and watch your lips!
For we need to understand each other in a very peaceful way;
And like the sweet muse of love,
For e carnal mind is all that we need to control! !

Misunderstanding, dam, side, ride, am, in, Inn, seat, seats, sand, set, sets, sits, due;
And like the rainbow colours teachings us how to mix up with each other,
For the carnal mind had taken us to the other side!
And, war had been to us like the way we do spell out our names! !

Misunderstanding, use, uses, mind, mean, mine, man, men, sue, sues, mend,
range, me;
And like the carnal mind in conflict with each other!
But, it is time we know the difference betwen right and wrong;
For, peace is better than war!

Edward Kofi Louis
The Cart

The axles of the wheels were attached to the cart and,
Your life was cut off because you failed to obey the rules;
But the shadows of your steps and the shadow of your love live on!
For the grave cannot praise you but only the living.

Edward Kofi Louis
The Castle

The Castle,
Living in the Castle with your works;
Bring peace to the world,
With righteous morals.

Edward Kofi Louis
The Castle Of Hope

Access my heart and know how i feel inside,
For there is something smiling and waiting for you;
Address this case and answer my calls!
For i want to bid you adieu for an adhoc meeting.

My heart will go on because of your love!
So obdurate your acts towards me;
Because, you are the castle of my hope.

The castle of my love,
The castle of my hope,
The castle of care to take me in;
And, this is the kiss for a nice job well done.

Edward Kofi Louis
The Cat And Mouse Game

The cat and mouse game!
Playing hide and seek with the works of the truth;
Squaring the circles,
With ginger, salt and garlic!
With your acts,
Big and small,
Like the muse of a singer!
Pointing out your finger;
To condemn others,
Tall and short;
Playing the game of cat and mouse.

Edward Kofi Louis
The Cause

Stark criminality!
In all its nakedness;
Unpardonable evil,
Pedophiles! !
The cause;
Because of the wickedness of mankind.

Edward Kofi Louis
The Cedar Has Fallen

The spirit of compassion and supplication,
And of the waves of the sea to touch my heart;
For the cedar has fallen into my garden.

I am from the waterless pit and,
The Nile will dry up for me to walk through;
For the axe is now laid against the tree of love.

Blessed are the merciful and love to the King!
But the cedar has fallen next to me;
And Rachel is now weeping for her children.

Curse be the deceiver!
And of lamentation and bitter weeping;
But at the fall of the night i will be with you.

Be as wise as the serpent and,
Ride on the donkey of love;
For i do have five loaves of bread and two fish to share,
And each day has its own trouble in this life.

Edward Kofi Louis
The Chant!

The Chant!
The dark side;
The chant!
The bright side;
Body milk,
Body lotion,
After eight;
Prepaid.
Explosive! !
Factor,
Actor;
Dare truth.
Tip,
Super!
Spray,
For men,
For women,
Emotion!
Private number;
And, like a clear day.

Edward Kofi Louis
The Chemicals

True love never changes and,
It comes straight from the heart;
So what are we going to do about it when,
We’ve found love?
Be very proud of your colour and,
Be yourself at all times.
It is very sad for a black person to use chemicals on the body,
By bleaching it to change the colour;
But think twice before you use these chemicals!

To the humanistic and hedonistic models,
What are you doing to your bodies?!
Infact, our attitudes are being shaped by the horrors around us;
And, many do not know what they are doing.
The truth must be said to them,
And changes are very effective to the human mind;
But, these are the shadows of things to come.
It is now time for us to purse and think,
For the chemicals will rather destroy us than we think.

Edward Kofi Louis
The Choice Is Ours

Earth!
The choice is ours;
But, let us always do the right thing and,
Seek for peace.

Edward Kofi Louis
The Choice Is Yours

Love!
The choice is yours;
Life!
The choice is yours;
But, in this world,
It's hard to get it right always.
Lust!
Like homes without roofs;
But, try to overcome your negative lust and live.

Life!
The first time,
With the muse of love;
Joy!
The second time,
With the muse of peace;
But, do make the right decisions always and live.

Life!
Underway with the muse of your love;
After your choice.
Life!
With technology and nature;
Love!
To sustain the storm.

Edward Kofi Louis
The Choice Is Yours 2

You did cook it,
You did eat it,
You did taste it,
You did play with it,
You did laugh at it,
You did love it! !
You did kiss it,
You did work with it,
But, this world is made of righteous works and evil works;
Yes! The choice is yours.

Edward Kofi Louis
The Chrysolite

The table and its utensils,
And of the heads over the people!
But listen to me and I will give you a sound advice.
Able men and women,
And like the first time to show your love to the thousands!
But the last will be remembered like the Sabbath.
Every man and his companion is like a calf dancing on a stage with,
An awesome thing at hand to use always;
But these are the acts from the elders of my people around.

The chrysolite, an onyx and the jasper!
The poles went into the rings of love;
And like the first day of the first moon,
But bring in the tables to set out the things of love on them.

You are flying on the sweet wings of the eagle but listen to me,
For the mountains' view are limited to you now;
And like the first time to show your love to the thousands!
But these are part of the acts from your mind up high.

Edward Kofi Louis
The Circus Is In Town

Brown,
Crown,
Clown!
The circus is in town;
Your own act,
Your own works,
Shown! !
In your town.

Edward Kofi Louis
The Circus Of Life

The circus of life,
The rich will be richer! !
And the poor will be poorer;
Because the rich uses the poor.

Edward Kofi Louis
The City Of Bath

The path,
To the City of Bath;
With my imaginations,
Flying around,
Like a big bird,
To take a look.
To see the landscape,
The view! 

The beauty of the land,
With vegetation;
With the muse of the Royal Crescent,
In the City of Bath.

Edward Kofi Louis
The Clock Of Life

Tick-tack!
Time;
Tick-tack, tick-tack!
With the muse of life;
Tick-tack, tick-tack, tick-tack!
With the echoes of life;
And, with the clock of life reminding us.
Time!
Passing on;
Years! ! !
Going by;
In the mind and the eyes of each observer,
With the clock of time reminding us.

Edward Kofi Louis
The Clutch

The clutch,
Brake and speed!
Using both legs,
With the mind;
Using both hands,
With the eyes;
Then, moving along with the muse of the traffic signs.
The muse of life,
With more lessons to learn;
But, to everything, there is a teacher!
The one who leads the way for the student to follow.
The clutch!
The lessons;
With life's own stories and,
With the muse of nature;
Driving along the road with the laws in mind.

Edward Kofi Louis
The Coach

Get the coach and he will bring his players;
With the muse of the game and, the muse of life!
Playing the ball to win the game.

Edward Kofi Louis
The Colour Of It

To see it!
The colour of it;
To use it and,
To control it.

Edward Kofi Louis
The Colours Of Love

The colours of love,
The colours of unity,
The colours of peace,
The colours of humility,
the colours of care,
The colours of passion,
The colours of romance,
The colours of the mind,
The colours of your works,
The colours of mankind;
But, let true love come out from your heart!
For, in peace and unity we have to live on this earth together:
Than, the bullets of war that divides us always! ! !

Edward Kofi Louis
The Concubine

Concubine,
Dine,
Fine,
Wine,
Contrast;
The concubine.

Cove,
Dove,
Status quo;
Talent,
Lent,
Sent,
Went;
With the muse of the bouquet.

Edward Kofi Louis
The Confessor

Edward,
The confessor;
Success,
Succeeded!
Fairly long,
Affairs,
Fair air,
Coin,
Coinage,
Courage,
Facing the odds of life.

Edward Kofi Louis
The Connection

The connection,
The ride;
To hide,
At the side,
Slide, pride!
With the muse of the bride;
And, your leadership style.

Edward Kofi Louis
The Contact

Graph,
Demograph,
Photograph,
Telegraph,
Autograph,
Allotted time;
The contact! !
At the end of it;
At the spot,
With the view of the pot.

Edward Kofi Louis
The Context

The context of the text is with contention!
But the unity of the Community is what matters;
And, i am a man of Principles.

A fabulous passion!
Hilarity of a Protest to arouse the facts;
Tinged with horror to make a move.

Keep the graph like the Cartographer and,
Keep the bull and your bullet as well;
Seeing the tears on my pillow.

Kick it off! !
For i am just holding on to the facts;
Let us apologise to each when the need arises.

In the middle of the night with love,
Another day with my muse;
However, you can't leave me alone on this Highway! !

Beard without boundary,
To live and, to love than hate!
I am extremely depressed on this issue;
And my mind is now wondering all along the bush.

Edward Kofi Louis
The Corpse

The lion had not eaten the corpse,
Nor mauled the donkey;
So my sweet love is for every class of people and race,
And i do hope to touch you one day.

Edward Kofi Louis
The Corruption Of The Heart

Illegal lust,
With the corruption of the heart;
To go in your own counsel,
Woe, foe!
With the muse of the adversary,
As sin cringes onto you.

Life,
With the wicked one on the throne!
Turning the laws upside down;
Enjoying lies and wickedness,
As the land is filled with corruption.

Bowl, owl!
The bowl,
The owl;
Like the muse of the false witness,
Bringing lies to the people.

Edward Kofi Louis
The Cost Of Life

List,  
Lust, lost!  
The cost of life,  
Must be with the truth,  
Last but not the least,  
To ease the pains of life.  
Love!  
To find a rest in the truth;  
From the lost of the lust in love,  
Trying to understand the ways of nature.

Edward Kofi Louis
The Covenant

Less,
Nevertheless,
Muse, fuse!
The Covenant;
This love,
Cove, clove, love!
Glove,
Grove,
Rove;
With joy!
Drove,
To move along,
Like a dove,
Flying up high! 

Edward Kofi Louis
The Cover Up The Rules

False prophets!
Your preachers don't want you to know the truth;
So, they cover up the rules.

Edward Kofi Louis
The Cream Is Needed

Beam,
Steam,
Scream!
Stream;
But the cream is needed.

Edward Kofi Louis
The Cream Of Peace

The cream of peace,
The crown of peace,
The doors of the night are now opened! !
With the reality of love,
True love;
Sharing with your neighbours,
A realm of peace;
Dreams! !
Dreams of life;
With him of her,
With your neighbours,
Sharing with them;
With the eyes of the truth,
Trust is the key.

Edward Kofi Louis
A barren woman had been praying for a child for a very long time! Then, after many years without hope, the Creator heard her prayers; After which the Creator said to her: 'In a year today, you will give birth'.

This is the story of a barren woman with the Creator; A year after the barren woman gave birth to a child. Now, she started to complain to the Creator! Because, she has no time to take care of her child.

'Oh, i am too tired of taking care of this child'! She said; And the Creator was very patience with her. 'Oh, i cannot take care of my child any longer'! She said; And the Creator was very patience with her once again. 'Oh, i have given my husband a child and, i cannot take care of this child'! Then the Creator said to the woman: 'When you were baren, you did cried out for a child! ! But, now that you've got one, you are also crying daily; Well, the wants of mankind are many and mankind is NOT satisfied'.

Yes, we are all living on this earth knowing our wants and needs, With stories and the things that we see around us; But, mankind is really NOT satisfied! Whether barren, impotent or, with a child.

Edward Kofi Louis
The Creditor

The creditor have seized all that you have because,
You couldn't pay your debts;
But try to obey those who have the rule over you!
For wisdom is not for sale.

Edward Kofi Louis
The Crow

Row!
To see the crow;

Flow,
Like a river;

To grow up in your land and,
To face the ways of life.

The crow!
To respect nature;

With a bow of life and,
A blow from the odds! !

The arrow of hatred,
On a narrow path;

To grow with your mind and,
To bring peace to all.

Edward Kofi Louis
The Crow 2

Row,
Blow!
Bow,
Below,
Allow,
Flow! !
Grow,
Glow!
Seeing the crow.

Edward Kofi Louis
The Crown Of Life

The crown of life,
Many still do not understand its chapters;
However, the truth teaches the way.

Be faithful until death!
Like an oak tree;
Because, corruption is much seen on earth.

Faithfulness! !
Like a window of the Ark;
With the hope of the works of the truth.

Edward Kofi Louis
The Cry Of The Humble

The cry of the humble,  
Seeking for peace than war!  
To crown yourself with the truth,  
And to live in peace;  
Without hurting anyone.  
Behold! !  
The truth is always sent by Commandments;  
Touching the hearts with joy,  
Those who are ready for it.

Edward Kofi Louis
The Cupbearer!

The cupbearer!
The muse of life with the ways of mankind;
Love!
With your winter clothes on.
Life!
By the ways of the real things around you today;
And like the muse of your sweet love in this town.
Life!
To host an art exhibition;
With the real things of life.
Muse!
To expose your mind to the people around you;
And, by eating the real things of life that are acceptable.
Life!
You can learn the ways of mankind and be straight always;
Love!
Extending peace to your love ones;
But, draw nearer to me with your true love and, let us live in peace.

Edward Kofi Louis
The Cycles Of Man

One's birth,
One's orbit,
Of the cycles of man to teach many;
I have orbited within myself seven times.
Of one's birth,
Of one's orbit,
Seven times seven equals to fortynine but,
I did that within fortyfive years.

The cycles of man,
Of one's orbit;
The cycles of man,
Of one's birth;
To you who reads, learn from this muse.
We are orbiting within ourselves and,
We are all moving round and round;
This is the higher dimensional levels of man with,
This muse to teach many.
To the one who thinks,
To the one who reads,
Never understood by man but many will know it;
Like the heat that melts the ice.

Mine life had not been very easy at all,
My mind had not got a rest at all,
But i am four years ahead of man;
My Philosophy,
My Realm,
To be born on Friday the 13th! !
I am man full of imaginations to reach you.

Edward Kofi Louis
The Damage Is Now Done

Illegal lust!
You are living on your emotions;
That is why you don't want to hear from the truth,
And now, you are living on lies.
Illegal lust!
You have no excuse to sin;
And, you are destroying the world! !
With your acts.
Life!
Out of the mouth speaks the abundance of your heart;
And, the damage is now done,
With the muse of your works in this village!
After raping the little girl.

Edward Kofi Louis
The Dance Of The Wind

The dance of the wind!
To shake the trees;
Taking your steps as well.

Edward Kofi Louis
The Dangers Around You

The times of war and the laws like the crown of the twelve stars,
In the kindness of your love and of the beauty of things around you;
But she who is being with a child does trust in the Bible.

Put your trust in the Bible than mankind,
But from Egypt i have called my son to lead you on;
For i have to take care f the dangers around you.

Their minds are blinded with the Babylonian systems,
So it is better to say the truth han die in lies;
Because my subconscious mind is always with true love and care!

Edward Kofi Louis
The Danish Girl

Dan, Danish!
With an experiment,
With an experience,
Innovation,
Imagination,
Plan, clan!
Van;
With the muse of the teacher,
Sitting with the Danish girl.

Edward Kofi Louis
The Dark Knight

Night,
The Dark Knight!

Bright,
Right;

Sight,
Insight;

Might! !
With the delight of life.

Edward Kofi Louis
The Dark Side Of The Star

The dark side!
The dark side of the star;
Licking it like a cat,
Walking like a robot,
Cooking like a chef,
Singing like a bird,
Barking like a dog!

Vegetations,
Cover, over!
Dancing like a bear,
Working like wolf!
But, when i think of you,
The sky turns from grey to blue.

Sleeping like a horse,
Chewing like a squirrel,
Hissing like snake,
Drinking like a fool! 
And, sitting in the train of harlots.

Vegetables,
Climbing like a monkey!
Moving like a cow,
Swimming like a duck,
Speaking like a parrot!
But, it is better to marry than,
To burn in lust and to rape women.

Edward Kofi Louis
The Dark Tunnel

The dark tunnel,

Still walking along;

Lonely,

Seeing the small light ahead.

Edward Kofi Louis
The Darkness Of Life

The darkness of life and the troubles of the mind,
They’ve never got that level of education to respect my muse;
And like the nakedness of women and the muse of love,
But lost in yester years to swing along with my muse!
And the colour of the lion is the colour of Africa.

Edward Kofi Louis
The Dashed Promise!

The dashed promise!
You promised me and you failed to fulfil your promise;
Yes, you lied to me! !

Edward Kofi Louis
The Daughter Of Zeus

One man's failure is another man's succeed!
You are the daughter of Zeus;
One man's downfall is another man's joy!
I am the son of Yahweh;
Football is to Brazil as Baseball is to America! !
But, one man's meat is another man's poison.

Of a ripe old age,
Of the sweet of love with roses;
And like flowers for your lovers,
But, Paris is the land for the rich but not for the poor.

Take the sandals off from your feet!
For this place is a holy ground;
And like the muse of love in the City of Salt,
But, one man's faith is another man's worry.

In the City of Sugar!
In the City of Pepper!
In the City of Love;
Burt, hurt, curt, yurt! !
And like the message to my brothers and sisters.

Edward Kofi Louis

With love and care!
The way ahead,
To stay with you.

Way, bay!
Not to stray;
Always with your love,
Not to stray away from the truth.

Bray! !
Astray;
But the ray of light is with the muse of life,
Teaching along the line.

The day,
A day with you;
With your love,
With your works,
With the romance of nature!
According to the rules of life.

Edward Kofi Louis
The Day Of Joy

Why should you eat your own waste and drink your own urine?
For the land of grain and new wine are now closer to you than ever!
And, i am ready to take you there.

This land is full of bread and vineyard and,
I am ever ready to take you there one day;
Because, what you are doing now has no future! !

This land is with the olive groves and honey,
So come to me and let me take you there!
For this day is the day of joy;
And, i will surely take you there to satisfy your muse.

Edward Kofi Louis
The Day Of Slaughter

From the heaven it came,
On the earth it fell,
The end of all things!
The pride of life,
The lust of the eyes,
The heavens and the earth will be dissolved.

What er have heard,
What we have seen,
What we have written,
What we have read,
Of the lust of the flesh! !
Out of water and, through the water;
Flooded with water.

A light that shines in a dark place!
Hospitality,
To be vigilant;
A clear conscience,
Followers of what is right.

The end,
Doers of what is wrong;
To live in the flesh! !
Of nations,
Of tribes,
Of peoples and tongues!
The day of slaughter is bear.

Edward Kofi Louis

The tongue of the crafty! !
The tongue of lies;
With the sounds of Terror!

Edward Kofi Louis

Illegal lust!
Now, you cannot wipe out the blood in your hands;
War!
The Devil draws no line;
Hatred!
You can kill the dreamer but, you cannot kill the dream.

Edward Kofi Louis
The Devil's Food

The Devil's kitchen,
The Devil's food;
Having a dinner with the Devil! ! !
In the name of war and destruction.

Edward Kofi Louis
The Dew

Reach out your fingers over here to touch my body,
And, bring me some of your fish so that i may eat;
For, you are the dew of my heart!
And, i need you always around me.

Edward Kofi Louis
The Difference Is Obvious

Wrong and right!
The difference is obvious;
To make your choice.

Edward Kofi Louis
The Dignity Of Life

A man had facial hair and,
A woman has big breasts!
To accept nature and to regain the dignity of life;
Playing the role of the laws,
Fruitful and righteous with the muse of the truth!
In fleash and blood,
As we grow along the muse of life.

Edward Kofi Louis
The Diploma Of Love

Frank, rank!
The truth is the diploma of love;
In this life,

And, the diploma of life is with love, peace and joy!
Under the muse of the laws.

Edward Kofi Louis
The Dismissal

Sacked!
With vulgar verbal insults;
Pact, impact!
The dismissal,
Long overdue.

Accreditation!
Proposing,
The dismissal! !
TO serve as a deterrent to others;
In the land of your muse.

Absence!
Sense,
Scene,
Yearning to be;
Like the muse of competent players.

Hapless!
Haploid,
Canal, channel!
Discipline;
At the training session.

Sacked!
With a stiffer punishment;
Suspected! !
With the muse of illegal lust;
After being too long in the rain.

Edward Kofi Louis
The Doll

The doll!
In your hand today;
I had one 15 years ago,
Seeing you with one today,
Reminding me of the past! !
Muse,
Oh life!
With our wages along the line,
With our ages today,
With the pages of life!
Sages,
Stages,
Passages;
The doll,
The doll in your hand today;
Reminding me of the past.

Edward Kofi Louis
The Door

The door,
To come in;
To hear the sound of her footsteps.

Edward Kofi Louis
The Door Was Locked

On the head,
At the feet!
With one sitting down and,
The other lying down;
But, the door was locked when,
I came around.

Edward Kofi Louis
The doors of the womb,
Peace and joy!
With the muse of life;
Nature!!
natural,
Coming out of the womb,
Coming into life,
Before one faces the horrors of it!!
Wickedness,
The ways of mankind on earth;
Leading one back to the tomb!
After the bomb.

Edward Kofi Louis
The Doorway

Through the doorway and through the positive mind of love,
And like an Asian in bed;
But both old and young came to the party.

He was just like everyone else,
She was just like everyone else,
And like the story in the 'New York Times';
But both old and young came to the party.

Edward Kofi Louis
The Dowry

The shape of life,
The shape of love,
Muse,
use!
The shape of it;
You will love it.
Responded,
Repeated,
The dowry!
Pleased with it;
With the joy of your heart.

Edward Kofi Louis
The Drama Begins

Tins,
Bins,
Fins,
Find;
The drama begins!
Gin,
In,
Inn!
Sins.
Wings to fly away!
Into another land;
Facing the Strings of life;
Links!
Winds,
Wins,
Dreams along the line.

Edward Kofi Louis
The Drama Is Unfolded

The drama is unfolded with the muse of your love towards me!
But, your are older than your purported age;
Ready for bed,
Waited so long! !
With the muse of the love in your eyes;
Red Roses for you my love.

My life was like a strong buffalo being caged! !
Waiting for so long for my freedom;
Keener and hotter love!
Where the birds sing lovely songs,
Come straight in and meet me there.

The aroma of your bed,
The joy of your sweet love!
The drama is now unfolded;
You peace is like the apples of Rome! !
And this sweet love bathes my body with the fragrance of the truth.

Edward Kofi Louis
The Dream Basket

The dream basket,
It nutures with love;
Greet feelings!
Around the grips of love,
But, what occurs when it rains? !
Love is beautiful.

Edward Kofi Louis
The Dreamer!

The dreams in us,
All of us;
Dreaming on day by day,
To be great one day.
The dreamer!
With the muse of the love in your heart;
Hoping to reach up to the top one day.

Edward Kofi Louis
The Dreams Of Peace

The praise of love!
The dreams of peace,
The joy of life,
The ways of nature,
The romance of the truth,
With the respect of righteous works;
Able to touch the hearts of many.

Edward Kofi Louis
The Drops Of The Night

How sweet is your love my sweet one?
For, honey and milk are under your sweet tongue my love.

Your lips drip as honey from the honeycomb,
And like the drops of the snow in the night;
But, how sweet is your love my sweet one?

How much better is your love than sweet wine?!
Tell me and, let me be prepared for your love;
And like the drops of the rain in the night.

The fragrance of your perfume draws me to you my sweet one,
But, the drops of the night is all about you!
And, i will always swim closer to your love.

Edward Kofi Louis
The Duck Pond

The duck pond,
Found with love;
Evening flowers,
Respecting nature,
With the romance of life.

Edward Kofi Louis
The Durbar

Do you have an address my love?
Do you have a phone number my love?
For my heart yearns to meet your love tonight.
You and i are slaves on this earth but,
The sun will shine on us one day because of love;
For i am behind this masquerade to tell you a story,
And your contact is much needed.
I am from nowhere to somewhere,
And like nobody to become somebody!
So help me to become complete with your love and,
Like the durbar of minds with cultures! !

Edward Kofi Louis
The Dust Of Africa

The dust of Africa,  
Born into the mist of a dusty atmosphere;  
What does the future hold for us?  
Oh Africa! Oh Africa! ! Oh Africa! ! !  
The misty mix of a Black Continent;  
From the desert up there to the south,  
The wind blows the natural air to all mankind.  
On this earth,  
We Africans are mixed with a dusty air!  
The dust of Africa,  
Have you seen it in Libya, Tunisia, Egypt and Morocco?  
The dust of Africa,  
What about Algeria, Western Sahara and Mauritania?  
The dust of Africa,  
Do visit Mali, Niger, Chad, Sudan, Eritrea and Ethiopia;  
Also, down south to Namibia!  
The misty mix of a Black Continent;  
Oh Africa! The dust of Africa! !  
To the outstretched sandy dust of the desert,  
This could be sold for money.  
What about the West Coast of Africa?  
From Senegal, Gambia, Guinea Bissau, Guinea and Sierra Leone;  
From Liberia, Ivory Coast, Burkina Faso, Ghana and Togo;  
From Benin to Nigeria with the same problem of the dust,  
The dusty wind changes the colour in our rooms too.  
Live in Africa to experience this act,  
Shop in Africa to know the facts;  
From Cameroon, Central African Republic and Congo Brazzaville;  
From The Democratic Republic of Congo, Kenya and Uganda;  
From Tanzania, Angola, Zambia, Zimbabwe and Mozambique;  
From Botswana, Lesotho, Swaziland, Somalia and South Africa;  
Our eyes and our clothes do ell it all in Madagascar also.  
What about Cape Verde Island, Comoros Island and Mauritius?  
What about Seychelles, Equatorial Guinea, Sao Tome and Principe?  
Dusty wind, dusty wind, the dusty wind of Africa!

Edward Kofi Louis
The Duties

Do not touch her,
She is man's wife;
Do not touch him,
He is a woman's husband;
With the integrity of my heart to write this poem,
Like the duties of a midwife.

Of a papyrus basket coated with tar and pitch,
Of Pithom and Rameses;
But action speaks louder than words.

Paradise awaits you and i am the open land for you,
But my love is an open book to the whole world!
Of the dowry,
Of the bride price,
Try to be as i am;
Like the duties of the midwives with a view to all mankind.

Edward Kofi Louis
The Duty Of Man

Fruits and honey,
The recipe of your love will bath my nakedness;
And like the joy of the peace of your mind!
But this whole love is like the duty of man.

Edward Kofi Louis
The Earth

The earth is a very terrible place to live in!
In many ways;
Because of the negative acts of mankind.

Lip, tulip!
Life,
With the source of the heat;
Wake up and go around the world! !
To see things for yourself;
With hatred and war destroying everything around us.

Worm, worn!
There are many dreams in life; so, don't give up on yourself.

Worm, warm!
Braking dawn,
On my way to your house;
To keep the doors of the truth open.

Golden glow!
Golden gloves,
Golden love;
To dance my dance because, i've goals in life.

The lessons of history are the lessons of life!
And, the pages of history records the ways of mankind on earth.

Edward Kofi Louis
The Earth 2

The Earth,
Life;
For the earth,
From the earth,
It is for the earth,
So, be wise enough!!
Enough to protect the earth;
Than, to destroy it.
It is our world,
Our earth,
This Earth,
The Blue Planet,
For you and I;
For peace and love,
And, to protect the earth.

Edward Kofi Louis
The Earth 3

The dimensions of the earth,

The breath of the earth,

Darkness! !

With the dwelling of the light coming into play;

To shine upon the earth!

However, when the dust of the earth hardens,

The clods cling together.

Edward Kofi Louis
The Earth Mourns

Blades and shades,
The Earth mourns and fades away!
Because Satan is living with us;
The minds of the people are in Vain! !
One takes a knife and cuts off the head of his or her neighbour.

Edward Kofi Louis
The Earth Needs Love Than War! !

True-love touches the heart deeply! And, heals all wounds.

Fighting and killing will never bring us peace!

Hatred leads to evil works,

Hatred leads to evil acts,

The Earth needs love than war! !

So, think twice before you hurt your brothers and sisters.

Edward Kofi Louis
The Earth Needs Us

Positiveness,
Practice righteousness and live in peace;
Because, the earth needs us.

Edward Kofi Louis
The East Wind

Today i am reminded of my short comings and,
Tomorrow it will be your turn;
Because the rainbow knows when to appear and,
I will follow my mind always to success.

Today you are reminded of your short comings and,
Tomorrow it will be another person;
For i am in the house of the Captain of the guards and,
I have a plan for my servant.

Like the dream that i had last night,
And of the magicians of Egypt;
I am now very thin and scorched by the east wind.

The wise of the world do not understand Yahweh's plan,
But my plan is revealed to you my lover;
Just like the house of a prostitute called Lulu.

Let your eyes behold me my love and,
Let the flint of knives of the circumcision work;
For i am just like the first horn of the bull but,
My faith will always lead me on.

The east wind,
And of the horn of the wild ox;
Do not prolong your stay in the forest my love!
For i am here tonight with the prepared meal,
And i will wait to see your face.

Edward Kofi Louis
The Ebb

Hollow!
Follow;
The ebb,
The flow,
Low, show!
Entirely caught up;
With the muse of sweet love.

Edward Kofi Louis
The Echo

Rust on his wail and melted like the snow,
And like fair women and brave men;
But death's prophetic ears gather the tears.
Trembling in distress and the look of things,
With checks all pale at night!
And like the flying feet without a rest at last.
Merry as a marriage-bell,
That was the echo of the wind to my ears at last;
But with soft eyes ans the look of the muse of love,
And the pleasant things of love are always around me.
Cold and low ans full of lusty life,
And in beauty's circles i will share my muse with you;
For the breasts of love do water my peaceful garden.
Double joy went through my mind with your muse,
And with rich blossom trees to swing along;
But your deep-blue eyes are here to stay.
The lilies gave me love and peace like,
The fresh water from your ocean of love;
But the echo around me is like the ruler of your waters,
And of the early flowers of the muse of your paradise.

Edward Kofi Louis
The Echoes Of Peace

The echoes of peace and, the righteousness of the truth!
Everyone has a special gift on earth;
So, let us respect each other and live in unity.

We belong to each other on earth! For the purpose of creation; so, we need peace than war.

Take it or leave it! ! The truth is always the truth; hatred and war are not what we need.

Edward Kofi Louis
The Ecstasy!

Privilege,
The ecstasy!
With the traditional group;
Of the inhabitants,
Of the strong conviction!
To the audience,
Pence, audience!
Enthusiasm,
Conveys,
To go further! !
And, to ferment like wine.

Edward Kofi Louis
The Egg!

The egg!
Before us,
Falling into the hot frying pan;
With oil in it,
Frying as it goes,
Waiting for someone to eat it afterwards.

Edward Kofi Louis
The Electric Rider

The Electric Car,
The electric rider!
Technology,
We are all becoming Robots.

Edward Kofi Louis
The End

Let righteousness arise!
And, let us meet the end in peace;
Learning from the teachers of righteousness,
To seek for the Salvation ahead of us.

Edward Kofi Louis
The End 2

The End of the Age is near!
Seek for the truth and live in peace with your neighbours,
Righteousness is the key! !
Moral teachings to lead the way;
The time is at hand,
So, let us all wake up!

Edward Kofi Louis
The End Is At Hand

She is crying!
But, others are laughing;
However, time will tell,
Because, the end is at hand.
Preachers of the world!
Teachers of the world,
Preach and teach the truth;
And, do practice them as well.
Preach and teach each of us! !
For real and for the truth only;
She is crying out loud! ! !
Knowing that, the time is near.

Edward Kofi Louis
The End Is Near!

Don't wait until the last minute!
But, be always ready and alert in this world today;
For, the end is near! !
And, you better change before it is too late.

Edward Kofi Louis
The End Result

Illegal lust!
Why are you now ashamed of yourself today?
For, the end result of your sins is death.
Illegal lust,
The pride of life,
The lust of the flesh,
The lust of the eyes,
The lust of the world;
But, this world is passing away!
With death as the end result of our sins.

Edward Kofi Louis
The Epic Of My Love

Death be dead no matter what! !

Wind be still no matter what,

For the epic of my love still hangs in the air;

Walking around in search of my lover.

Amicably noted are my works of peace and love! !

Nature and life,

Dutifully attached by the wind;

With the maticulous attention of my love to share with you,

Looking for her along the narrow path.

Life and love,

The shadow of things with the muse of my sweet mind!

Death be dead no matter what;

To entertain my mind with the works of the truth,

And, let the wind be still as well.

Edward Kofi Louis
The Exact Time

The exact time,
Go!
Search diligently for the truth;
And, when you find it,
Let the truth always be your friend.

Ward, Edward!
To the Golden State;
Onward, afterward!
To the central valley;
Ultra,
With the muse of life.

Gents, agents!
To get deeper,
In search of water;
Deep down the earth.

Sent, agent!
Crystal clear;
Buy, buggy!
With the muse of love;
And, with the truth.

Edward Kofi Louis
The Exams Of Life

Work!
Hard work;
Tedious,
Going to the villages;
With the muse of my works.
Upwards!
Downwards,
Catching up with time;
But, if you care to know,
Then you will know my conditions.
Cent, century!
With the muse of life;
But, one is glad already because,
He or she had been through the exams of life.

Edward Kofi Louis
The Exchange

Change,
The exchange;
With the fragrance of life.

Changes,
Challenges,
Ranges,
With the aroma of nature.

Edward Kofi Louis
The Ex-Factor

Rum,
Forum,
Drum! !
The ex-factor;
Facing your life in the land.

Edward Kofi Louis
The Exodus

Of a sacred pillar,
Of carved images;
Life is full of the ways of the gods.
Inheritance,
Of a thief sold for his theft!
Life is full of appointed teachers.

A bull and a sheep,
Living in a walled city;
The poor must be taking care of.
Listen and obey,
Read and learn,
The poor will never cease from the land.

The exodus of Egypt,
The exodus of Germany,
The exodus of Nigeria,
The exodus of Ghana,
The exodus of South Africa,
Of the exodus of the world!
With the slavery from Africa to teach us all.

Of the sound of the trumpets,
Do not harden your heart to the poor;
Like an unplowed valley with a sweet flowing stream.
Life is like that,
Love is like that,
Of matured bones with the muse;
Twenty years old and above are needed for this war.

The meat should be soaked in salt water,
Listen to the beat;
Like the moon of green ears and barley.
Examine the meat,
Like pepper and milk;
And move on in life like,
The wages of a hired man.
Wine and bananas,
Where there is hope there is away!
Edward Kofi Louis
The Experiment

The experiment,
The layer,
The player!
Bray,
Bay,
Stray! !
Say,
Astray!
Pray,
Along the way,
With the ray of hope.
Clay!
Day,
Today,
With your works;
Breed reed!
To heed to the truth,
With the seed of love!
The way,
Away!
Along,
Always with hope and dreams.

Edward Kofi Louis
The Face Of A Thief!

Impudent, imprudent!
Illegal lust,
If is a foll's job to accept retaliation;
Along the ways of life.

Illegal lust,
With their ways of life!
Always seeking to kill someone;
Because, they are not well taught in the mind.

The gate keepers,
The face of a thief!
Jumping over to steal some items;
After overcoming the gatekeepers.

The lack of a cutting adge in the attack which led to the defeat,
Of the losses! !
Through unapproved means;
And bedevil by several problems.

Edward Kofi Louis
The Face Of The Moon

Seeing the face of the Moon,
At night,
Very big! !
Respect to nature,
With the muse of life.

Edward Kofi Louis
The Fact

The fact,
The act,
The pact;
To start it and,
To leave part of it for others.
Love, life, peace and joy!
With the muse of righteousness;
Educating all mankind with the truth.

Edward Kofi Louis
The Failure!

The failure!
Once again;
With your muse,
With your works,
In the test,
Which was set before you.

Life!
With much obstacles;
Life,
With much problems;
And, with hurdles ahead to jump over,
Along the path.

Life,
With the muse of this test;
Which was set before you,
But, you failed once again.
Life!
With the ways of nature.

Obstacles! !
Common in life;
However, if one door closes on you,
Another one will be opened to you one day! !
To enter in,
With your muse.

Yes, Just one day;
When things will really turn to your side;
But, you have to do your homework as well,
In the right direction! !
Without giving up in your dreams;
Even if you do fall many times.

Edward Kofi Louis
The Fake Doctor

The fake doctor raped the married woman! !
For he saw the beauty of the woman and moved his libido;
But this married woman consulted him for an advice,
And he said that the devil made him did that.
Who did the act?
Was it the devil or this man?
And the unsuspecting victim was a married woman;
But the fake doctor raped her.

Edward Kofi Louis
The Falcon's Eyes Have Not Seen It

Her uncleanness has defiled her skirts,
His uncleanness has defiled his pants,
And now, my eyes overflows with the rivers of waters;
What is wrong with the society?
Is is just a curse?!
A man cuts a tree from the forest and worships it;
Another man sleeps with his own daughter and impregnates her!
But, if we are worn out today because of footmen,
How then can we compete with horses?
Illegal lust,
Suspended by a miner's rope;
But, the falcon's eyes have not seen it,
Knowing the ways of mankind which is now engulfed with profane.

Edward Kofi Louis
The Fall

A call!
To all;
The fall,
With the ball;
In the hall to straighten up things,
But, the thief always comes in by jumping over the wall.

Edward Kofi Louis
The Fall!

The fall!
At the Hall,
Not to tell all,
But the call came in,
Asking of you,
Living in pain as you answered the call.

Edward Kofi Louis
The Family's Unity

Fact, act!
Meat,
Meal;
For your physical body,
With Scriptural prayers to the Creator!
Who had made it possible for you today.

Meat, meal!
With the muse of the food prepared for your family;
For the family's unity,
Bringing you all together! 
As you gather at the table.

Edward Kofi Louis
The Farm

The farm,
At the farm;
Oxen, sheep, goats, camels, dankeys!
Life, love and joy;
With an opportunity given to all,
But, you are not too old to respect others.

Edward Kofi Louis
The Fat Man And The Big Boy

Table, stable, able, marble, cable, babble, comfortable;
The fat man and the big boy!
Going through the wrong kind of education,
The education of war.

Mace, ace!
With the confusion of the minds;
Going through a wrong education,
Which leads to sin.

Be, beneath!
In the dark of the night;
With the wrong education,
Ready for war to kill people you call your enemies.

Over, overshadowed!
In the light of the day;
but, with hatred in your heart,
Because of the wrong type of education in your mind.

Edward Kofi Louis
The Father

Parthians and Mesopotamia,
Phrygia and Pamphylia,
In the late night like Herod and Pontius Pilate!
And of the Father of Abraham, Isaac and Yaaqob;
But i will always be in the garden of truth.

Cretans and Hralos,
Medes and Elamites,
Baraabas! Baraabas! !
But i am from the land of Cyprus;
And i am like the stone which the builders rejected some time ago.

This poem is for you to learn,
For it is about wisdom to those who understand my steps;
And like the shadow of Kepha!
But to Aretes king of Damascus i do rest my muse.

If boasting is necessary,
I will not boast concerning the things of my weakness;
Because most of the secrets of the earth are still found in Mesopotamia! !

Edward Kofi Louis
The Father Of My Love

You are the father of my love and,
I do respect you a lot on this issue;
But try to respond to my call when i do need you!
For the rains have now set in and,
I need you to warm me up with your care.

Edward Kofi Louis
The Father Of Peace

You are the Father of Peace and,
We need to respect Your Laws! !
But the world around us is full of Satanic Order!
So, come in and sace us from the hands of the devil.

Edward Kofi Louis
The Fiddle

Learn from the expects and live by the rules,
For the fiddle with its gadgets middles with your love;
But many are lost without a clue due to frustrations.

Irresponsible and avaricious people abounds,
But we must only be ready to be the recipients;
And also like participants to win the course of life.

The peace of the mind does have windows,
But every statistics in life can be manipulated!
And many are lost without a clue due to frustrations.

Edward Kofi Louis
The Fiddless Fiddle

To the heads of a family,
To a place to bring in my muse;
Like wild honey to sweeten your sour.
A licentious behaviour carried in a wagon,
But life a times can be very colourful;
So crown me with flowers and make me very useful.
My head and my feet,
My hands and my muse;
Like a roasted turkey and cranberry sauce.
Life is like that,
It can be beautiful;
That which is well presented is,
One world to many colours.
White-nose eats up the chickens but,
Black-nose plays with them;
But, can an Ethiopian change his skin?
Then, we have to learn from the docile lamb.
Colours to enhance my mind,
Like the multitudes of water from the heavens!
To the head of the families,
A cat is always a cat.
The fiddless fiddle is what i see in this family,
To listen to a war cry like,
A beautiful sheep beside you;
Can the leopard change it's spots?
Life can be very beautiful at times but,
It needs your contributuions too.

Edward Kofi Louis
The First Born

The king’d calley,
The queen's valley,
With the muse of life;
And like a son coming out from your own body,
The first born from the fruit of your love.

Task, ask, mask, bask!
To the kings od the nations and,
To the queens of the nations;
Ruling over others in life's own choices.

Lest, safest, best, fest, guest, crest, rest, west, jest, test, vest, nest, pest, quest, zest!
Like the muse of a skilful craftsman;
With the muse of the smell of the roses of love.
Rare, bare, ware, care, pare, dare, hare, mare, spare, are, fare, stare, tare!
To know you from left and right in this world;
With the muse of works and love resting on many people who do learn from you.

Visible and invisible!
I now rejoice in my suffering in this land with you;
But, beware of the dogs! !
And, beware of concisions.

The first born,
Like a sweet-smelling aroma of love to your lovely heart;
With life under the ways of the truth guided by the laws,
And like citizens of the heavens.

Edward Kofi Louis
The First Call!

The first call!
The call of joy;
Of his voice,
The agent;
The voice of the agent!
And, my prayers were answered;
For, the items are now on the way to help the poor.

Edward Kofi Louis
The First Element

The first element,
To do something great!
Kindness,
He says! !
Mercy,
She says! !
Praises;
His ways,
Her ways,
Great deeds!
Needs and seeds;
Patience,
Love me;
To heed to the works of the truth.

Edward Kofi Louis
The First Fruits

Once upon the rivers of hope,
Once upon the fountains of waters,
Once upon the valleys of dreams,
Once upon the mountains of love,
Singing as it went through the gardens;
The first fruits of the muse matters a lot.
A message to the walled city,
To it's appointed owners;
No more pain,
No more sorrow,
No more tears,
No more death,
No more crying,
of the former things gone too soon;
With all things mad anew on a high mountain.
Walk with me in white to know about this story,
Like the potter's vessels;
The first fruits of love is with us all.
In a deep valley,
You should keep the fire burning;
Like brides adorned to their husbands.
To the first fruits of hope,
Like a sickle on the earth;
To the first fruits of dreams,
Like the leaves for healing;
This land of rivers do ned rest.
Life is like the mystery of a woman;
It is noted,
It is written,
It is done!
Like the bride and the groom in the deep valley! 
So, let the first fruits be enjoyable,
And let the artist's pens do judge the mystery;
It's all like a walled city at peace.

Edward Kofi Louis
The First Meal

Your act! !
The first meal,
Known with your works,
To meet you,
With the muse of your mind,
The first meal,
Noted with your joy.

Edward Kofi Louis

Who took the first picture?!
It was from him or her,
But you are not the one;
Because, you only have the duplicate.

Edward Kofi Louis

The first snake,
Hoar, boar, soar, roar;
115 metres long to satisfy your muse;
But running to and fro is all that you know,
Because you failed to identify your own fault!

The first to see it!
The first to use it,
Bringing joy to your heart;
Leading you on with kindness,
And, with the works of the truth.

Edward Kofi Louis
The Fiscal Space

Race!
The fiscal space;

Lace!
The physical place;

Change, exchange!
Away from home;

Issues,
Stock, lock!

Initiative,
The idea,

Ideal!
Real deal;

The issuance,
Expected with the muse of life.

Edward Kofi Louis
The Fish

The fish,
The dish;
Eating it with your friend called Kish.

Edward Kofi Louis
The Fittest

You've taken the light away from me and,
You've given me darkness!
But, i am still the shining star in my land.

The fitness,
The fittest,
It was so nice!
But, let us get together.

It is not easy at all in this life!
But, try to clean up and be wise always;
And, let us live together.

Get it,
Set it,
Live with it;
And like the light that you've taken away from me.

Edward Kofi Louis

A new environment,
A new life,
A new heaven!
The flair of a romance is what i bring to you;
Like a stair case full of hope.

Life!
Of orange and blue;
Muse!
Devois of an colour;
The flair of a romance,
Walking up and down the stairs!
Listen to the joy of a muse that i bring to you.

Sit, posit!
Tell me why?
Love!
As the sun descends with tints and hues;
The muse of life!
Read me once,
Touch me once and,
Learn from me.

Life!
Love from the Blue River where,
The Orange Colour muses with your mind;
True love!
The strength with it;
Love!
This world is very wonderful.

Serendipitous!
Of life and,
Ist situations;
But, all the fingers are not equal.
Mystical force! !
Credit it to the unknown;
Life!
With Inspiration;
And, with love and peace.

Of the romantic night with the plastic,
Of the true love that i share with you;
'Rickmer Rickmers', 'Cap San Diego' and, 'James Caird I'.
Of the Artist!
Painting as the hand moves;
Life!
Meeting the rainbow always from the east.

Life!
She gave me the apple and i ate it;
'Titanic', 'Santa Maria', 'Chesapeake' and, 'Bulgaria'!
But, all the days are not equal.
Splash, lash, ash! !
Without any trace of a reason;
Trace, race!
With the sweet muse of love;
But, my mind will always lead the way to your heart.

Go, Diego!
'Japanese Prince', 'Alte Liebe' and, 'James Caird II';
But, love is like the waterside beauty with a romance.
Sine, fine!
The binding force of love;
Well planned,
And with care.

Pen, penned!
Let's sail on with 'S.A. Van der Stel';
And, with the flair of a romance.
Taught, thought!
With impressions from the sea of love to touch you all;
So, sail on the Alster and the Elbe alike to gain a view.

Paid, prepaid!
Love from the Blue River where,
All the fingers are not equal;
But, a new environment is all that you need on this love.

The flair of a romance!

But, she gave me he apples and i ate it.
Life!
To the four winds i do respect like,
The flair of a romance in a new heaven.

Love and romance,
Apples ans bananas;
What a day of joy to share with you!
But, the water source became a river and,
The river later became a lake;
However, she gave me the apples and i ate it.

Life!
The lake became a sea and,
The sea became an ocean on this love;
The birds sang for joy on this love,
Because of the Flair of a romance.

Edward Kofi Louis

Foam,
Roam!
Hood,
Wood,
Brood,
Food;
Childhood,
Adulthood,
And the flood came in! !
To destroy everything.

Edward Kofi Louis
The Flood! !

Float, boat, coat, goat, moat, oat, afloat, bloat, gloat, throat, stoat;
As seen in Germany after the heavy rainfall.

The rain came in!
Falling and falling;
Without stopping! !
Then came the flood;
As seen in Germany and other parts of Europe,
Destroying and occupying everywhere along its way.

The flood! !
As it flows along;
Destroying and occupying everything along ist way!
But, the land has had enough already;
With many things being washed away.

Edward Kofi Louis
The Flow

Stream!
The flow;

Team,
To be part of it;

To cream your body,
Not around the steam.

Edward Kofi Louis
The Flow  2

The flow,
Force of energy!
Love and dreams.

Edward Kofi Louis
The Flow Of Love

The flow of love
Drifting serenely along;
Through the narrow path,
With joy!
To be satisfied,
Modest and straight forward,
Excited with your heart!

Edward Kofi Louis
The Flow Of The Blood!

The flow of the blood!
War, death,
But, people are not ready to admit that they are wrong;
In this life.

Emission, mission, tranmission, vision, infusion, impression!
The earth and the people are defiled today;
With hatred and war! !
Killing each other,
As one aims at his or her neighbour.

Edward Kofi Louis

Answering nature with the works of the truth.

Edward Kofi Louis
The Flowers Of Love

Love, life, peace;
The flowers of love,
Find it somewhere!
Anywhere,
Doing something to staisfy the land;
Than doing nothing at all.
Ration, duration!
With the works of peace.

Muse, life, peace;
With anything to bring love to the world than with war!

To seek it and to believe in the truth;
With the bread of life!
Under the muse of the laws,
Where righteousness rules in the name of peace.

Edward Kofi Louis
The Food Of Her Love

She gave me the food of her love and,
It was like the crystal sea full of roses!
But i stood on the surface of the bronze sea to greet her,
For the gold of her love was like the beautiful butterflies!
Oh how sweet she was when i entered her,
For she remembered the words of her mother at last;
And the food of her love was fully prepared for me only.

Edward Kofi Louis
The Food Of Love 2

Potatoes and tomatoes,
Ready to prepare your food in your land;
The food of love.

Edward Kofi Louis
The Food Of My Love

The crystal sea and the bronze sea,
The gold of your love is all that i have;
For my lover is here with me tonight,
And i want to get the food of my love for him tonight.

Edward Kofi Louis
The Food On My Table

The food on my table,
Prepared for you and i;
So, come and let us eat together.

Edward Kofi Louis
The Fool Is Never Satisfied

Half a loaf is better than none! !
But the fool is never satisfied;

Letters of love bring joy to the hearts!
So be positive with yourself;

Think with the muse of your ink before you write!
Because a foolish person always sink down before the truth.

The ways of mankind on earth are like Sellers and Buyers,
However one in love will never forget the date.

Yesterday is history!
But you can do enough today to gain the future;

Preach and reach out!
With the muse of the truth;

Heal the hearts with love,
Teach the truth and live in peace.

Edward Kofi Louis
The Four!

The four!
To pour,
Out hearts,
On the wickedness of mankind;
Sour! !
With the odour from the wars around us;
To tour!
But, where to go?
Because, nowhere is safe today.

Edward Kofi Louis
Eternal life,
Works,
Words of love and,
Works of the truth;
With the Laws of Righteousness!
But, 'The Fourth Commandment is NOT kept on Sunday'.

Edward Kofi Louis
The Fragrance Of Knowledge

The fragrance of knowledge,
The muse of life,
The aroma of love,
The foundation of living waters,
Sitting on a donkey's colt;
With my credential to all mankind,
After the ways of the truth!
Beyond the Euphrates River.

The last will be first!
So, come and see the works of Yahweh;
And, don't sleep like others,
But, watch and be sober! !
Learning the ways of the truth from The House of Yahweh.
Look and see!
Learn and know,
The words of wisdom;
Like the muse of the one who plants and waters.

The fragrance of knowledge,
To go on to perfection;
With the muse of the truth in the garden of love,
And, being ever merciful.
Confirmation!
To do the job for you;
As often as possible,
With the muse of peace and joy.

Edward Kofi Louis
The Fray

The fray! !
Not the ray of the truth;
Way of life with evil acts.

Edward Kofi Louis
The French Kiss

The French kiss,
Somewhere someone loves you;
Somehow with your works,
Because, you are somebody's child.

Inspirational! !
Like midnight passions of love;
Beautiful hour for love,
Something with your muse.

Edward Kofi Louis
The Fright Of Life

Stress!
That assails her;

Depression!
That assails him;

Demurely,
And, those tears rend him or her.

Insinuation!
Dependant;

Kin, akin!
Saddened;

Afflictions! !
With the same scene today;

Shock! ! !
With the fright of life;

Deterrent,
Like a can of worms;

Pill, pilloried!
Scaling through the fence of life.

Edward Kofi Louis
The Fruit Of Joy

The fruit of joy!
From the Tree of True-Love;
Able to care for you,
Without hatred and war.

Edward Kofi Louis
The Fruit Of The Truth

Seek me diligently and, you will find me;
Around the corner of your home.
I am always there with you,
Because, the fruit of the truth is better than gold! !

Edward Kofi Louis
The Fruits Of Eve

The fruits of Eve,
And of the message from Adam to all mankind!
For, i know how much time i have wasted in life.

We will be judged by our sins,
Of the past, today and tomorrow! !
However, you look desirable for my taste.

There is no place like home,
With tender care!
Very thankful for your teachings;

The pleasure of discovery,
The unexpected along the line;
Obligations! !
With a poem to your lover;
However, you need people that you can rely on.

The best teacher is the one who was a learner before;
The one with a positive heart!
With tender care,
Able to understand your difficulties along the line.

Each age is like a dream that is dying in the world,
Having the fruits of Eve!
And, of the message from Adam to teach all mankind.

Edward Kofi Louis
The Fusion Of Love

Magic man!
Magic woman,
Magic child;
With the fusion of love in the land of care.

The muse of life!
With the celebrations of the cultures of mankind;
But, let the White Dove bring us peace.

Life!
With the muse of love here and there;
And, by learning the ways of peace.

The keys of life!
With the sweet muse of love;
Being guided by the laws and, living in peace with each other.

Edward Kofi Louis
The Garden Of Nuts

I went down into the garden of nuts to see the fruits of this valley,
But i found only one little beautiful nut with breasts like apples! !
Oh what a beautiful nut that she was,
And the spirit of her love enticed my body!
But i sat down lonely to watch her moves.

Edward Kofi Louis
The Gardener

The gardener is in the garden working with his tools,
So be ready to testify to my love! !
For i have something sweet for you;
And be ready to take a portion of love to him!
Because, you do love him.

Edward Kofi Louis
The Gardener 2

Garden,
The gardener;
Tending and taking care of your flowers.

Edward Kofi Louis
The Gate Of The Temple

Gold!
Old,
The gate of the temple;
To go about,
Self-handed,
To handle,
Thoroughly!
With your own hands;
Grasping,
Hollowness! !
Documents,
With a personal conductor!
Hand-written;
Love,
Raising the hand;
Muse, fuse, use!
With the muse of true love.

Edward Kofi Louis
The Glory Of The Truth

Bear the glory of the truth and,
Let it be a sign of honour to you;
Like a crown on your head.

Edward Kofi Louis
The God Of Olympus

I can see it coming and i can see it occurring,
For many do not believe in the Name of Yahweh;
But the end comes and Only Few will be saved.
I can feel it at hand and i can smell it from afar!
For the people are glued on to The God of Olympus;
And today they have replaced the Name of Yahweh to Zeus.

Edward Kofi Louis
The Goddess Freyr!

The Goddess Freyr!
Respected and worshipped in a land;
Right from their ancestors till today.

Edward Kofi Louis
The Gods And Goddesses Are Drunk!

Tones, tunes!
Traditions,
Customs,
Tongues, languages!
Cultures,
With the heritage of the people in my land;
But the Gods and Goddesses they worship are drunk!
Yes, everywhere you go in the land,
The traditions demand strong drinks from you to serve their Gods and Goddesses;
Hot drinks! ! !
For example, a bottle of Schnapps or, some bottles of Schnapps;
To pour libations to the Gods and Goddesses.
Surfer, suffer!
Instead of the progress of the land,
We rather see regression everywhere with poverty bathing my people!
Sad to say,
The Gods and Goddesses are drunk!
While my people live in poverty.

Edward Kofi Louis
The Gold

Bold! !
The gold;

The parrot,
The carrot,

Arrow, narrow!
The same;

Rift!
The swift;

The band,
The land;

Ace, pace, lace!
The way;

A day with the gold,
To behold the muse of life.

Edward Kofi Louis
Gold!
With the muse of the golden child;
Walking around with a positive attitude,
Like the muse of the golden pen!
Like the muse of the Golden Bridge,
Like the muse of the Golden Gate,
Like the muse of the Golden Temple,
And, with the peace of nature.

Edward Kofi Louis
The Golden Cup

The golden cup,
I will now make them husband and wife!
For Edward was his son and Ethel was her daughter,
But the muse of love brought them together.
The sun fell on my knees and i said,
'Who shall bring me closer again to your love'?
And to weep in secret for the golden cup because,
The silence of the room made me remember!

They took the boy and cried out loud!
But what have they done to the girl?
And from Kenya to see my own people,
For the golden cup is now on the table at last.

Oh, if i could look on her sweet face once again;
And like the silent water slipping down from the hills;
For my lovely Isle is now far from me.
Things seen are not always righteous than things heard,
For my fingers went into the wet earth;
And the things known are higher than the things learnt,
For the reflections of the golden cup directed my moves.

It is better to leave an excavator concealed!
So do not give your brains a racking to lacking;
And like the blast of the doom without the golden cup.
This story is almost five hundred years old,
And it is very deep and very wide to sing with your muse;
For the candle-flame is sprinkled with slat,
And like your shoes so laid on the mat.

Down it came without the golden cup,
But put him into his own native cot;
And bring me a glass of the red wine,
For who will pity the lonely man at bay?

Edward Kofi Louis
The Golden Dam

Dam, Adam!
The Golden Dam;
With the muse of love and,
The magic moments of life.

Trip, drip!
Following after the rules and,
Taking a trip of love;
Flowing along the wilderness of peace and joy.

Edward Kofi Louis
The Golden Door

I am always bound to you but,
Will you not bide your years as I do bide mine?
I am always bound to you,
Like the dead flame of the fallen day;
Surely, I shall be wiser with you always.
Of the golden door under the palm tree,
We know each other than all our lives;
But a year is not so long ahead.

A life long hunger,
Like a drunkard's hand;
Come out and see the golden door.
Such a change,
Much to look for;
You have been my guide in this house.
I earnestly prayed for a sign and,
I grieve to see you poor and wanting my help;
But, can one love twice?
Like the dead flame of the fallen day.

The golden door,
You have closed the best among us;
But today, I am rich and well to do.
At the golden door,
She sold her wares for less;
But, growing she know not where.
Of the golden door,
Of where he fixed his heart to set his hand;
Come and see swimming eyes of love,
Can you ever be loved again?!

Edward Kofi Louis
The Golden Gate

Life,
I am very content at the golden gate of love;
And, to share my views with you,
With the joy of my heart.

Love, peace, life!
Wait a while;
And, to study the muse of the laws,
At the golden gate of love.

Life,
Tenderly she spoke;
With the muse of her joy!
Under the ways of the law.

Muse,
To be loved once again;
Like gifts of pearls and gold in your hands,
And, with the joy of your heart.

Edward Kofi Louis
The Golden God

Lust,
With the Golden God!
As you pray and worship this image;
In your land.

A resolution!
More vigorously;
But with numerous barriers,
In your land.

Challenges!
But, let us face the truth;
With a positive dialogue,
Because, the Gods and Goddesses cannot save you.

Trade!
Ended;
With the muse of a diversified product,
But, the truth is always the truth in life.

Edward Kofi Louis
The Golden Hole

I am beside the river of love,
And of a wondrous marriage to swing my muse;
But of the joy like the flowers to forth a fairer hue.

The niddle’s eye takes a camel through,
Far from the sacred shore i stand;
But while i was very sad,
The Golden Hole was there as my hope.

I love my wife and my children,
But let us give praise to the Creator;
Like the tree with the golden hair.

As far as eyes could see and the nose could smell,
For my share of the wine is over the cliff;
And out of the night,
This water from the river is spent and gone.

The moon was very bright on The Golden Hole,
And that germ of kindness will be my hope;
For my old age calls her love to me,
And like the one who does his duty by himself.

That germ of kindness in this hole,
Of the garden of herbs and fruits;
And out of the full heart and the boundless gratitude,
For this Golden Hole is all my hope.

Come and see this hole,
Like the working bee in blossom-dust;
And there is a thing in my mind to say,
But women are so quick to understand.

Fearing the lazy gossip of the port,
For by the river side i stayed and watched;
like a figure seen in the early dawn.

In The Golden Hole,
As a vision of a dream;
But i have loved you longer than you know.

Edward Kofi Louis
The Golden Land

The Golden Land,
As old as history!
To behold this wonderful land,
Land of Beauty!!
Land of peace and joy;
The Golden Land,
Land of love;
With the muse of the truth.

Edward Kofi Louis
The Golden Slip

Slip, lip!
The golden slip;
History,
Heritage,
Nationality,
To think globally! !
Love,
With a natural unification;
As in the past.

Culture,
At a forum!
Larger than before;
With a comeback,
And, to be very unique.
Gold, old!
The golden slip;
With African Personality,
And, to play the horns.

Edward Kofi Louis
The Golden Table

Able,
Stable,
Capable,
Cable,
Lable,
Comfortable,
Acceptable,
The Golden Table!
Being joyful and glad in your heart,
With the muse of the truth;
Perfect! !
With mercy and kindness.

Edward Kofi Louis
The Golden Tooth Fell Down

Stress! !
Sadness;
Loneliness,
Troubles;
And the golden tooth fell down.

Edward Kofi Louis
The Golden Triangle Is Now Guarded

You drink iniquity like water but listen to me when i speak,
For the golden triangle is now guarded by soldiers!
For where no oxen are the crib is clean.
A faithful witness will not lie but a false witness will utter lies,
And one fids joy in giving a fitting answer;
For a merry heart that does well is like medicine to the soul.

Edward Kofi Louis
The Golden Valley

To perchase his boat and to ppurchase your love,
And like Enoch's white horse to his lover;
But your golden valley of love lay bare,
For i have to overflow it with love.

To purchase her boat and to purchase his love,
And like Eve's baby to her sweet lover;
But your golden valley lay bare,
And i have to water it with my love.

A patient wife,
And to watch them overflow the banks of love;
For the changes seen came out of it.

This love is like a seaman's glass,
And the passion it generates is from her;
But like a caged bird escaping suddenly,
The long and narrow sheet of the valley was noticed.

Let them sing around the old tree,
And let them enjoy the fruits of love;
For it is pleasant to see kind heart in true love.

Icy and chilly,
And birds of rare plume;
Fill the red bowls in the golden valley with love and,
Let me bath you all day long in this sweet muse of love.

A rich and savoury stew to serve in the golden valley,
And of natural beauties to swing with the muse;
But i can still hear the voices from the old trees.

My memory can still retrace your love,
And of your beauty in the golden valley of love;
But with a thankful heart i envy nobody,
Because sweet came out of your world in this valley.

Edward Kofi Louis
The Graph

Intelligently plotted and emotionally powered is my love for you,
But this is the graph that is plotted to your heart.
Of the graph and the muse,
Like the works of an act to swing about;
But my imaginations are for you my sweet one.

Of the graph and my style,
Intelligently plotted with your love to meet my heart;
But as a novelist, i have the touch of the writer's pen.
You are the graph of my love and,
The writer's pen that acts a lot for you to kiss me;
But the muse of my love will always be with you.

I am an influential Philosopher,
And i am ready to reach out to the whole world with my love;
But the graph of your love is always on my mind.
Let your emotional love touch me with a kiss,
And let your sweet breasts do the act;
For nicely plotted is your love to my heart.

Edward Kofi Louis
The Grasshopper

To the daughters of music!
Wine is made for making life pleasant.

To the sons of men,
Light is truly sweet; so, do come out of darkness! !

Of the day before and of the day after,
Grandchildren are the crown of old men.

The stone rolled away from the entrance!
But, money is made for everything.

The grasshopper!
Which day is the first day of the week?

Let the earth be released and let salvation spring up!
And let the skies pour down righteousness.

Whoever mocks the poor insults his Maker!
But, a wicked man accepts a secret bribe.

The fact of life and the ways of mankind on this earth!
But, life depends on how you were raised.

Eating meat!
Your life is your choice and, it is in your own hands.

The grasshopper!
Whoeooever sows iniquity will reap vanity.

Edward Kofi Louis
The Great Moment

The great moment!
With you;
My heart,
My mind,
My joy! !
To be with you.

Edward Kofi Louis
The Great Sea

It will turn! !
To join in,
The Great Sea!
The Mediterranean Sea;
With the muse of the enery of this sea.

Edward Kofi Louis
The Great Tree

I am a doer but not a dreamer,
I am a lover but not a loser,
And i am born a leader around your love.
Healthy and full is my mind,
But you are weeping under the great tree of love!
And i am here to care for you.
Let us chnge our garments for love,
And let me lead you on;
And like the night vision in a Queen's Valley.

Edward Kofi Louis
The Green Colour

The green colour will come out automatic by itself!
So wait for my love and kiss my lips;
For this time around,
It is all about you.

Edward Kofi Louis
The Green Thing

A joyous city of love,
I will weep bitterly for your love my sweet one;
But be patience with me to satisfy you with my love,
For the green thing was missing last night.
Be very patience with me and let me satisfy you with my love,
For i am now in your joyous city of love;
And like the windows of heaven directly opened towards us.

Edward Kofi Louis
The Ground Of The Truth

Reference,
Reference centre,
A Centre Reference!
To show the path of the truth,
As one walks along in life.

The muse of life,
With the ground of the truth;
The truth of life,
Pure in righteousness!

Edward Kofi Louis
The Growing Seed

A poor and wise child,
Leading the ways of peace;
And, the king gained from the wealth of the land,
As the people lived under righteous laws.

The growing seed,
Seven days and seven nights;
But, this parable is like your dream last night,
For, it is about to teach you as you read along.

Life!
Watch your steps;
For, greediness had led to the damage of the earth.
Muse!
I know as much as you know;
For, my eyes have seen it all! !
As mankind destroys one another to gain wealth.

Life!
To the veil of blue, purple and scarlet;
But, my mouth will speak one day;
After seeing your acts,
However, let the acacia wood be set apart parallely to each other.

Love!
With curtains of goats' hair;
But, my ears have heard it all,
As mankind finds wealth on this earth.

Muse!
With the covering of ram's skin;
However, the bearers of deceit are everywhere in this world.

Edward Kofi Louis
The Guard

The guard is on his post,
But who will tell him not to boast?
Because the enemy is closer to him!

Edward Kofi Louis
The Gum

Unskilful,
The gum;
Muse, fuse!
Together,
Like brothers and sisters;
To fence in,
To cover the itmes all over,
In your room;
But, let them be with the works of peace.

Edward Kofi Louis
The Hair Over There

I want to see the hair over there!
And like the voice of your muse so heard last night;
But get down to the ground flour and you will know my standing point,
And like the wings of love flapping along on this side.

Edward Kofi Louis
The Hand Of Peace

My patience,
Your patience,
Helping to keep the world into a better hand;
The hand of peace,
With the joy of righteous works.

Edward Kofi Louis
The Handkerchief

Ah! ! !
The handkerchief!
Don't worry;
I will go to the place once again.

Edward Kofi Louis
The Hard Way

The roots of love and the documentary of your muse,
The supersonic sound is now heard at last!
So you don't need to worry about the Balck Market atound you.

I learnt the hard way and,
You killed the devil last night!
But the sound of South Africa is all that i have with me.

Edward Kofi Louis
The Hart

The hart pants after streams of water,
But your self sacrifice is here to stay;
And like your dearest one in the land of your muse.

Mrs. Mary Louis,
The hart pants after streams of water;
But you are now attacked by your lover,
Because you failed to tell him the truth!

Edward Kofi Louis
The Harvest

Test,
Best,
The harvest!
Joy in my heart,
Coming from the west.

Edward Kofi Louis
The Harvest 2

The harvest!
Plenty to eat;
Pest, vest, west, best, rest!
The quest,
With your request;
Just in time!
Not just a dream.

Edward Kofi Louis
The Hatred In You

Dappled horses,
Bay horses,
Red horses,
Black horses,
White horses;
However, you boasted against us all with your mouth!
Because of the hatred in you.

Edward Kofi Louis
The Havoc Of War

Life is not always smooth!
It is rough at times.

Of the lost one,
Of your lost love;

Dawn's early light,
Love's early sight;

But, the havoc of war come along!!
And, took your old dreams away.

Edward Kofi Louis
The Head

Born in Jamaica but made in America,
Born in Germany but made in America,
Born in Senegal but made in America,
And like life in the land of snakes and lizards;
For there are rich churches all over the world!
But what are they preaching to their members?

The head of everyman is the Messiah!
And of the called out ones who are few in number;
But His voice will shake the earth an His words will touch many,
For the head of every woman is the man.

Born in Soweto but made in America,
For the woman is the expression of man's glory!
And the Head of the Messiah is father Yahweh,
But many will surely be taken from this muse.

A double-minded person is always unstable,
For his of her ways are always crooked!
But with all thses rich churches around us,
We still have many poor people around us who have not even eaten.

Edward Kofi Louis
The Healing Drum

Love songs,
Muse,
Use;
Fuse!
The Healing Drum.
Seal,
Deal,
Meal! !
Real;
With the muse of the healing drum.

Edward Kofi Louis
The Heart Decides

Why are you so sad when,
The heart speaks?
Two lovers should meet when,
The time is right.
Why are you so sad when,
The heart decides?
Holding it back can hurt you on this love;
It is better to voice it out.
Love is the message of life,
Holding it back can hurt you;
Imagine being loved and,
To be in love when the wind blows;
It is the heart which decides.
True love will take you beyond dreams,
It is not by a mere decision;
Two lovers should meet when,
The time is right.

Edward Kofi Louis
The Heart Knows

The heart knows to love and,
The sun knows when it is sunset;
However, you've betrayed my trust on this love.

Edward Kofi Louis
The Heart Of A Nation

The land of beauty,
The land of joy,
The land of plenty,
With the pearl of tourism to blow my mind!
But, the pride of a nation is all about you.

The home of peace is like,
The people's paradise;
the land of hope is like,
The home of hospitality;
The land of equity is like,
The state of harmony;
And, the food basket of the nation is with joy!
But, the pride of a nation is all about you.

Home for all is like,
The salt of a nation;
Home for solid mineral is like,
The centre of commerce;
But, the sunshine state is where to share your love with,
For, the pride of a nation is all about you.

The state of caliphate and,
The liberal state of love;
For, the new world is always around you! !
But, the jewel in the savannah is all that i share with you.

Coal in the city of love,
And like the fountain of knowledge and power! !
But the heart beat of a nation is like,
The centre of excellence!

The state of a living spring is like the gateway to all!
But the peace setter state is what i share with you;
Because, nature's gift to a nation is like the rainbow!

Of the big heart of love and,
Of the centre of unity to all mankind!
For, the young shall grow;
And, the treasure base of life is the status of peace.

The pride to farm the land,
And of the confluence state of my mind! !
But, the power to show love is like,
The Creator's own state of mind to a nation!

Edward Kofi Louis
The Heat

Seductive,
Taking not;

Obviously elated!
Commitment;

This act,
With the heat of this muse.

Edward Kofi Louis
The Heat Of The Sun

Are you the one who sits on many waters?
Then, the sentence of the great whore is with you;
Like a great hail out of heaven.

The tree unclean spirits like frogs are with you,
Like someone getting lost in Amageddon;
But the heat of the sun is on us all.

Like life in and around your cities,
Let us put life into a better shape than hate;
For you can easily get lost in Har-Megiddo too!

Edward Kofi Louis
The Heat!

Well done!
On the Island of Elephants;

What is it?!
With the muse of the smuggler;

The heat!
50°C;

Life, wife, knife!
With the muse of the nomads of the desert in view.

The golden one!
With the muse of love;

The golden state!
With the works of the positive ones;

The heat!
50°C;

Being famous on the Island of Elephants;
However, love is a beautiful thing.

Edward Kofi Louis
The Heavens

The heavens are the works of Yahweh's and,
He laid the foundation of the earth in the beginning;
And this was all part of His Plan,
But we do enjoy the earth today as human beings.

Edward Kofi Louis
The Heavy Rain

The storm! !
The heavy rain;
When is the sun coming back?

Edward Kofi Louis
The Heir

The yoke of bandage and the children of the desolate,
Cast out the bonbwoman and her son!
For the children of she who has a husband will,
Have a son as the heir on the thrown! !

The south wind blew like the seed of the chosen one,
And i hope to see you soon by my kinsmen;
But do rescue the free woman as the sign of hope.

Of the danger met at sea and of the armour of light!
Peace is the mind at rest as compared to a wide open mouth;
For the farmer ought to sow in hope.

Asia, Bithyna, the Metropolis and the Adriatic Sea!
You are puffed up with pride without the heir;
But the farmer ought to sow in hope.

Man came from the clay and woman came from man,
But the heir is already noted among the children of women;
And the day comes when the bloom of your flowers will be exposed.

Edward Kofi Louis
The Herbs

Fine!
The vaccine;
Able to heal you,
The herbs! !
Nature is natural.

Edward Kofi Louis
The Hero

There is the line,
To finish at the end;
And, here is the start!
From zero,
To finish up and, to win the race! !
To become the hero of the day.

Edward Kofi Louis
The High Hill

The high hill!
Will,
Mill,
Still!
Like the Nile,
With the muse of your smile!
Till you walk a mile;
To talk with a chalk in your hand like a teacher.

Edward Kofi Louis
The High Priest

This voice and this poem,
With spiritual bodies to ask Yahweh for whatever we need;
For we will see this act with our own eyes!

The lost sheep are the Seed of Abraham,
And there is no way one can go to Yahweh! !
Except through Yahshua,
For He is the High Priest!

Edward Kofi Louis
The Highlander

From the highlands to the lowlands,
I am the highlander around you;
You can call me Micheal Jordan from Montevideo,
But i am the highlander around you;
I am always in for business,
So be ready to learn from my muse.
From Montezuma to Morocco,
From 'Pago-Pago Bay' to El Paso,
Take the train than the bus;
I am the highlander with ideas around you.
I do move always to and fro,
With the national costumes of my positive consciousness;
Today, i move in styles to help many.
'The Highlander'! !
I am the highlander in the mix of the mist;
Like the Orange Free State in South Africa,
I am the highlander with a free conscience.
So back up my acknowledgments and,
Let's meet Christoper Lee;
Closer like a Korean at war with a flag at hand.
Today i am closer than you thought,
I am the highlandder around you;
From Yorkshire to Yucatan.
I've spent thirty years looking for my roots,
The time for the care-free love is over;
How successful is it when, you don't even listen?
Like Tasman Abel Janszoon who discovered Tasmania!

Edward Kofi Louis
The Holy Seed

Bring forth the Holy Seed and turn many to righteousness,
For the desire to be part of you is noted by many!
And like a tree planted by the rivers of water.

Edward Kofi Louis
The Honey

Should i say 'yes' or, should i say 'no' to your love?
For there are more questions bordering me and,
I have my beauty at stake as well.
Do express your feelings when you do love me,
For we are made together for a reason on this love;
And you are free with your mind to infer on my love.

Keep the honey dripping when you are the honest person next door,
For the mirror of your life is all about the reflections on your face;
And let your emotional intimacy guide you on.
Keep the honey dripping, keep the honey dripping!
For it is the sign of your love towards me and,
I will be ready to answer to your call.

Edward Kofi Louis
The Hood

The boat,
The float!

The heat,
The wheat;

The muse,
The fuse!

The dart,
The wart;

The car!
The bar;

The coat,
The goat;

The man,
The woman;

The food,
The hood.

Edward Kofi Louis
The Horizon

The horizon,
You are like the columns of the faint moonlight across the sky!
And like the grounding of an aeroplane with your fingers;
But, true love comes to those who wait for it.

This life,
You've got somebody waiting for your love;
Because true love can change everything! !
However, your tears aren't enough for the rain.

Bluetooth! !
Blueberry and Blackberry;
You're just another part of me with the truth!
However, faith without works is no faith at all.

Some people are really meant for each other!
And i couldn't sleep when i first saw your face;
Your love so true! !
Come along and bath me with righteous morals.

Edward Kofi Louis
The Horn Of Africa

The Horn of Africa is full of Pirates and,
They've captured many ships;
But one day, they will live to regret their actions!

The Horn of Africa,
We need peace in this world to move on;
But robbing from one person to the other is not the solution,
So one day you have to pay for your sins.

The Golf of Aden and the Horn of Africa!
Who is there able to check on these people?
For we need peace on this earth oh my people.

Oh Somalia, why these acts of evil? !
Why can't we all live peacefully on this earth?
Live and let us live.

You claim to be sea-robbers and still pray to your God,
This is what i still don't understand on this issue;
Because action and reaction are always equal,
And you will live to regret on these actions one day.

Edward Kofi Louis
The Host

Post! !
Cost,
Lost,
Most,
The host,
Not a ghost;
Frost!
Living in the land,
Facing the facts of life.

Edward Kofi Louis
The House Of Peace And Joy

Sea, seal!
With the muse of love;
And, with the ways of peace.
Sought,
Seek,
Brought,
Peace!
With the muse of love;
Living among your brothers and sisters.
Love!
Comea and stay in my house;
The house of peace and joy,
And, i am ready to welcome you joyfully.

Edward Kofi Louis
The Human Society

The human society,
With all kinds of people;
The beautiful and the bold,
The beauty and the beast!
The beautiful and the ugly,
The positive one and the negative ones;
The one for peace and love and,
The one for hatred and war! 
The one for the truth and,
The one always after lies;
So is the muse of mankind.

Edward Kofi Louis
The Humble

The humble shall hear the words of the truth and,
Have joy in their hearts! !
Seek the truth and live in peace.

Edward Kofi Louis
The Hunter's Mind

Awake, awake!
Awake to the morning bowl from last night's food;
Like the fling of a stone that puts the stars into flight.
What has the hunter in the hand?
Awake to the games of the Sultans,
Where the morning glory do call for the hunter;
Awake, awake!
Awake to the facts of life;
Cos', the hunter's gun is ready for action.
Oh no! ! The hunter's eye has caught the Sultans turret,
Like the noose of light to awake nature's call;
Who can satisfy the Sultans?
Like a little pool, so is the hunter's mind;
The hunter's gun is ready for action.
The only man who makes no mistake is,
The man who never does anything;
Awake, awake!
The Sultans turret is in trouble;
Like the noose of light to awake nature's call.

Edward Kofi Louis
The Idol

Molten image,
The idol;
Doing what is right in your own eyes! !
By worshiping it;
However, have you read the Ten Commandments?

Edward Kofi Louis
The Image Of A Man's Face

Walking along the bush on the 26th of August 2012,
Then came the dark clouds in the sky!
Oh, what will come up next? ! !
Suddenly, came the rainfall;
Shortly after came the rainbow.
I looked at it and,
It suddenly went down very slowly and it disappeared!
Oh, what will come up next? ! !
Then, I saw the image of a man's face up high in the sky!
Yes, the white clouds gave me this image;
With a very large ring over his head.

Edward Kofi Louis
The Inheritance

Slaves and slavery,
Trespassing and kidnapping,
The inheritance of the firstborn son is now overthrown! !
But your first ripe produce from your vineyard is like,
The very sweet fruits of your love!

Love and respect,
Do not mimic to the heathen!
And just as it is prophesied,
But i will come for your sweet fruits always.

One who is quick-tempered always acts foolishly,
But a sound understanding gains honour;
And a merry heart lights up the face,
So be very wise to do the right things always in life.

Edward Kofi Louis
The Inner Circle

The inner circle,
Inner self,
Inner joy!
With the works of the truth;
Facing the romance of life.

You are and, i am!
Living on earth;
Vision,
Mission,
Division,
Revision,
With the muse of the gardens seen by the Bay.

Tropical Islands,
Rain Forests,
Simplicity;
Moving along with my mind.

Life,
To strive for it!
To strive and live;
Along the line,
Inspired to do certain things.

Life,
Sa seen in my land;
With the delight of my mind,
Insight with the muse of peace!
Joy in my heart,
Learning! !
Of the great secrets of life.

Protection,
To keep the truth;
Safety!
Living in the land,
With positive morals,
Under the umbrella of righteous laws.
Love,
To go deeper into it!
Learning the ways of nature;
To be in the sight of the truth,
Seeking for peace always.

The message!
To teach the truth;
With peace and unity,
Called out of the world with servitude and attitude.

Edward Kofi Louis
The Inner Self

Whatever problem the eyes see,
It will also affect the whole body;
Reasons and seasons,
Actions and reactions,
With the muse of the inner self.

Edward Kofi Louis
The Insertion

The insertion,
The infection;
The inspection,
The section;
And this action was part of the reflections of your muse!

The attention,
The reflection;
The nation,
The inspection;
And this project was part of your muse!

The notification,
The pacification;
The attention,
The observation;
However, we need the laws to guide us on.

Edward Kofi Louis
The Instructor

The instructor,
In front of me and in front of you!
But this is the testimony of your muse,
For the rains came in and washed your items away.

Read by all for all and,
Seen by all! !
And like a voice in the wilderness!
But revealed in the bosom is your sweet muse,
And like the testimony of your love in the land of joy!

Edward Kofi Louis
The interior and the exterior act of your love,
Fly with your wings of love to touch my heart;
For i am like the palm trees around the centre of your love,
And like the muse of peace in the land of care.

Edward Kofi Louis
The Interpretations Of Love

The interpretations of love,
The interpretations of your dream;
Beautiful!
Abundant,
Like food for all;
With the beauty of your love,
In the garden of peace.
Stamp, stump!
Branches,
Ranches,
Beautiful with your works;
And, the greatness of your sweet love.
Beautiful fruits of love,
Dream, stream!
With the beauty of your love;
but, patience is the key about life.
True love swells with the truth!
And the truth cares for all;
True love hates no one,
Because, true love brings joy to all.

Edward Kofi Louis
The Jailed Bird

Illegal lust,
With the muse of the jailed bird;
In question!
As the villagers came around to watch the scene.

Brain drain!
Physically and emotionally drained;
Ball-playing!
noticed and love;
But, you are now under the chains of hatred.

The jailed bird!
With animated gestering and the vocals of the people;
Sublime cross!
Characteristic to the muse of the villagers around.

The jailed bird!
Regrettable;
To bank your hopes for an imporved outcome;
With the traditional laws of the land,
Under the belt of the court.

Edward Kofi Louis
The Journalist

My mind is like the journalist but,
I do put everything down as poetry for others to read;
So read about me and let my poems arise!

Edward Kofi Louis
The Journey

The Journey!
The journey of life,
The journey of my life,
From birth to my present age.

The journey,
On stage with my works;
Sage, passage!
My language,
The journey of life,
With my luggage.

Cage,
With the odds!

Rage,
With the problems;

The message,
To massage my body along the line.

The journey,
The journey of my life;
The Journey!
With my muse,
With my words,
Skills! 
With creativity.

This page of my life,
To open the doors of peace and love to all;
Life's journey,
With the muse of my birth on earth.

Knowing something,
To teach others with the truth;

Knocking always!
Only for Righteous Morals.
The Journey!
Facing this life with my mind;
With righteous characters,
With kindness and humility.

Edward Kofi Louis
The Journey Is Long

The journey is long! 
With the muse of love and pain; 
But, i am like a prince who's heart is like a rose.

My name shall whisper in the night! 
With the might of your love; 
Doing things right with your soul.

Ant, distant! 
Abide in the truth and live in peace; 
For, we are all gifted in life and, 
We do have a purpose on earth.

Edward Kofi Louis
The Joy

Take a vacation on my love and,
Try to find the joy in all that you do with me;
For i am like the crystal of mid-summer's night.

Take me to your room and let me see your sweet bed,
For i am the one who will bring joy to this bed;
And i am now made whole because of you.

Edward Kofi Louis
The Joy Of A Woman

The joy of a woman!
With the perfume of her soul;
Walking quietly along the street of life,
Knowing where to seek for the works of the truth.
Clothed with the joy of her heart!
Protected with righteous characters,
Along the street with the aroma of life and,
The fragrance of nature.

Edward Kofi Louis
The Joy Of Love

Short!
Smart,
And nice;
With the beauty of life,
And the joy of love.

Edward Kofi Louis
The Joy Of My Heart

Faith, hope and love!
Inspirational;
With the muse of peace,
And, the joy of my heart.
Royal! !
Washing day;
Moving over the waters,
The waters of love.

Edward Kofi Louis
The Joy Of The Truth

The heart of love is with the joy of the truth!

True love heals the mind,

Taking care of you always;

Able to satisfy you in all things.

Edward Kofi Louis
The Joy Of Your Heart

Treat,
Retreat,
Eat,
The humble pie!
With the joy of your heart.

Obey the truth with your heart and your soul;
The truth is not hidden from you!
Nor is it beyond your reach;
Search for it and,
You will find it.

Edward Kofi Louis
The Judge

Let your 'yes' be 'yes' and your 'no' be 'no'!
For Yahweh is very compassionate and merciful;
And behold! The Judge is standing at your door.

Edward Kofi Louis
The Just

The just will live by the faith! Because, it is the truth that holds them on.
Core, score! Living things; loving all mankind with the works of peace.
Boot, foot, soot, hoot!
With a common story across the borders;
To put the world into a better shape with righteous works.
To shine like the sun with love! Doing what is right always;
For the unity of the earth with the muse of peace.

Edward Kofi Louis
The Just One

Just one,

Just once!

The just one.

Edward Kofi Louis
The Just Will Live By The Faith

Life,
Serving others in peace;
Without war,
But with true love.

Life!
As it is written with the truth,
Leading to the faith;
For, the just will live by the faith.

Edward Kofi Louis
The Karate Girl

I am the karate girl in town and,
I am seeking for your love;
For it is just a great joy to meet you and to know you.

I have been sleeping for four hundred years but now,
I am awake and to love you;
I am like the flying insects that walk on all fours,
And like two turtledoves and two young pigeons;
So stand straight on the doorway of love and,
Let me warm you up with my karate-movements.

I have a skin of milk to let you sleep all day,
And like the bull and the goat;
With the two-dimensional arrays of love to share,
For my act is all that you need tonight.

The source of my flow,
The nakedness of your law had exposed us!
And from the three-dimensional arrays of love,
But we are now like the sheep and the cow.

Twelve loaves of bread from the source of my milk,
And of the four-dimensional arrays of peace;
I asked for your name and you gave me your nakedness,
Because the highways were deserted as we walked along.

They’ve taken the spoil and the plunder,
We’ve taken our love and out emotions,
And like the sword without and the terror within!
But i am still the karate girl on the mission of love.

I am here to love you and,
I am filled with the spirit of wisdom to teach you;
For my trade is full of energy and of the movements,
But you will surely catch up to me on this love.

Edward Kofi Louis
The Keep Your Words

Love!
You have to keep your words;

Life!
With the muse of your mind;

Doing it,
Helping it,
Taking it,
Wearing it!

Down through the years.

Edward Kofi Louis
The Key

The key,
To help you along;
To open and close the door!
So, take care of it.

Edward Kofi Louis
The Key Of Life

To roar like a lion and to growl like lion cubs,
And like rams with male goats when your lover calls in!
But patience is the key of life,
So try to humble yourself in whatever you do.

Edward Kofi Louis
The Keyboard

Great feelings and great love,
For you are very loyal with a lovely heart to keep me going;
And uniquely designed to spell out my name!

Stimulating powers,
I am home alone to sign up for your beauty;
For you are my darling and i am ready to show you the way!

This type of love needs the natural light,
And this type of care needs the natural soul;
For the blessings and the joy of it all is about you.

Amazing love,
I will be there always to make you smile;
And like the panda and the bear playing the keyboard.

Edward Kofi Louis
The Keys

You are standing before me clothed with filthy garments,
But I will change your cloth to beautiful raiment because of love;
And like the keys for your salvation.

Edward Kofi Louis
The Kindness Of Your Youth

How you loved me when you were my bride,
How you followed me into the wilderness!
And of the kindness of your youth;
For you were like the beauty of the moon! !
And i will live on this love always with my sweet muse.

Edward Kofi Louis
The King Must Marry

I just know that there is something sweet out there,
And i am sure you are the one for me;
The King must marry inorder to produce the heir.
The love of cultural upheavals to a game,
Like the ardent exponent;
But, who is ready to marry the King?

A frenetic development,
Of the lethal product of an act to gain;
A prime love to see is on this game where,
The King must surely marry to produce the heir.
The act of primitive power,
The King must marry;
Like the reconnection of an act with a golden touch.
Act, love, recommendations;
The King has to marry in order to produce an heir.

A golden move,
A golden love,
Battling the words out of his mouth to marry;
The heir is what matters so,
He cannot bawl private matters through a looked door.
Battling navigations,
Battling love,
Battling words to look for a lover;
You may laugh mirthlessly but,
He is not bidding for a prime cow.

Edward Kofi Louis
The Kiss

The kiss!
Misty mood;
Blue moon,
Limited,
Like the snow's storm at a Red House!
Moonlight,
Moments,
Deep roots!
Like the red poppies.
The kiss,
The act,
Before and after;
Awakening your love!
Like the muse of the pond of life.

Edward Kofi Louis
The Kiss 2

The kiss,
If his heart be true;

Arms of love,
If her heart be true;

Glue, clue!
Lips of joy.

Edward Kofi Louis
The Kiss Of Life

The kiss of life,
The romance of nature,
With the lips of lovers kissing each other!
As the fragrance of the beautiful roses sang the the songs of joy.

Edward Kofi Louis
The Kiss Of Love

The kiss of love,
The kiss of life,
The kiss of peace than war!
Overcoming the troublemaker;
With positive moral teachings.

Edward Kofi Louis
True love,
The kiss of love,
The kiss of life!
With the fragrance of nature and,
The aroma of the rules.

Colours!
With the muse of the magic candle on your table;
Stable with the muse of true love,
Comfortable with the works of peace.

Edward Kofi Louis
The Kiss Of Love

The kiss of love,
The kiss of life,
Peace and joy!
With righteous morals.

Edward Kofi Louis
The Kitchen

The bosom of her virginity is all about this story,
And of a woman portrayed upon the walls of hope;
But like the horsemen riding upon their horses,
The kitchen is where you do cook your food.

I am not an African woman and,
I am not your African wife!
But the kitchen is there for you to cook,
So do not wrap up your nakedness in the wings of my mind.

Blow the ram's horn to understand this poem,
And take a walk along the coast of love to understand my mind;
For i am in the deep steep of love with a pupil of sin,
And she is not an African woman.

Edward Kofi Louis
The Kite

The kite,
Flying high!
Seen at the site,
To take up the rite,
With the muse of the rose on your side.
Muse, joy, peace!
Of the atmosphere;
The flight,
The sight,
With a bright ray at the site.

Edward Kofi Louis
The Knot Of Love

I hear the voice of peace!
So, spread a smile and take a mile with your joy;
Because, the knot of love is not with war.

Edward Kofi Louis
The Knowledge Of Yahweh

The knowledge of Yahweh,
He overlooks ignorance and wants all to repent (Acts 17: 30):
But, the True-Way is hidden.

Edward Kofi Louis
The Lamp Of Love

The lamp of love,
We need peace than war!
Sharing with each other,
Learning from each other,
In the name of unity! !
With servitude and attitude,
With the gratitude of righteous laws!
With the muse of positive morals,
Without hurting anyone.

Edward Kofi Louis
The Land

The mourns because,
The pleasant places of the wilderness are dried up!
And, my lover is nowhere to be found;
But, one day, i will find her.

Edward Kofi Louis
The Land  II

The mouse,
The house;

The train,
The rain;

The vine,
The wine;

The cat,
The bat;

The chain,
The pain;

The sand,
The land;

The cow,
The crow;

The rice,
The price!

The toe,
The shoe.

Edward Kofi Louis
The Land Is Burning

Fire! !!
Burning like oven;
The land is burning.

Edward Kofi Louis
The Land Is Destroyed

Instead of saying something positive,
You went for the negative! !
And now, the land is destroyed.

Edward Kofi Louis
The Land Was Always There

Delagoa Bay!
Who owns Papa's Land?
Read the history of Africa and tell me the truth;
For the land was always there before someone came on it,
And the eggs do have lesser life span to live.
Someone came and pluck the fruit from the tree,
For the land protected it and the shades of love covered it;
But who owns Papa's Land?

Edward Kofi Louis
The Language Of Love

Had, hard!
In the question of life and death;
But, the language of love is stronger than death itself.

Mired!
Hocked,
With the laws;
And, with the mark of the beast,
But, love does rule all things.

Had, hard!
The society is being manipulated;
However, viable in the long run is the truth,
For, the truth is bitter to the fool.

The language of love!
Of a stupendous subject to deal with;
However, crises awaits the whole world because of hatred.

Cries, crises!
Why this war?
Why the hatred?
Why kill one another?
When, love can solve all things.

Wickedness!
Have you ever seen the blood of a dead person before?
It putrefies and coagulates into jelly mass;
So, why hate each other?

The language of love,
use the power of love to solve all things;
With humility and honesty,
In the land of the living where the truth is the key.

Edward Kofi Louis
The Last Flowers Bloomed

To remember you,
To remember me,
With colours in the field of love;
And, the last flowers bloomed.

Turbans and shawls!
Living in the land of milk and honey;
But, the joy of the hypocrite is for a moment,
As the truth comes along to expose him or her.

Her, here!
Like twinkling ornaments around her feet;
He, there!
And, to bear with him when he puts it into writing.

Edward Kofi Louis
The Last Straw

The last straw,
The scandal!
Raw with the facts of the land;
As you saw the wicked acts of the people.

Misappropriating!
Like a mixed edition;
At the core,
Like the sore without a score.

Somebody is headinf towards you,
But, try to rub shoulders with the truth;
And, live in peace with the laws!
The laws of the land.

Edward Kofi Louis
The Last Time

Is this the last time hearing of your problems? !
Then think twice and live;
For, there are more questions than answers on this earth.

Yet, wet!
With the muse of love;
Valid, solid!
With the muse of your mind;
Ear, earn!
To enhance your status in the land of the living.

The muse of life,
With the flair of the old days reappearing at every corner on the globe;
But, who will give credit to someone who doesn't know how to handle credits?
The muse of love,
To be very wise with the acts of peace;
Adding to the positive acts of life.

The cost of love,
The cost of life,
The cost of replacement,
The cost of our sins!
It has become fashionable to be pessimistic;
However, true health starts in our homes.

The last time,
Beyond the breaking headlines!
With innovations and the visions of mankind;
however, it is very wrong to take what does not belong to you.

Press, impress!
Like the muse of a lawyer who twisted the truth;
However, pleasure is always followed with pain.

The last time,
But to follow up your dreams;
In the land of the living,
And, to be straight.
The last time!
Problems will not just go away;
Because, life is all about you and me,
And, there will always be problems in this life.

Edward Kofi Louis
The Last Time 2

A mother brought her daughter to me and said:
'Teacher! Should i send my daughter to the U. S. A.?
Because, you taughte her and, you know her status'.
Then, i answered: 'Yes, please; your daughter is very brilliant and,
Can do better with her intelligence in the U. S. A.'
So, the woman listened to me and sent her daughter to the U. S. A.;
To further her studies.
Years later, this same woman came to me once again and,
Gave me the phone number of her daughter in the U. S. A.;
To call her and advice her with her studies at school.
I did call the line and another girl (her roommate) picked up the phone;
She promised me to hand over the phone to the Rich Woman's Daughter!
However, to my surprise! ! I heard her on the line telling her roommate that,
She doesn't want to speak with me;
So, her roommate followed her orders and told me that, she's not around!
I said: 'Thank you'; and, that was the last time i used the line.
Activity, connectivity!
Life is like that at times;
However, i will always do my best to help others.

Edward Kofi Louis
The Last Warning

The last warning,
It will actually be a third part of man;
The last warning,
It will actually be a fourth part of the earth;
The last warning,
It will actually be in and around the great Euphrates River!
The last warning,
It will actually be by nuclear war and famine! !
So be very much informed about it.

Edward Kofi Louis
The Last Wine

Mast,
Cast,
Past!
The last wine;
After years of struggle!!
Hustle and bustle,
Always searching for a way;
To succeed in life.

Edward Kofi Louis
The Law

Test the spirits to see whether they are of Yahweh,
And love out of a pure heart.
Do not be cowards in doing what is right,
For cowards die many times before their death.
Deceivableness of sin,
The law is not only laid down for a righteous person but,
Also for the lawless and disobedient

Edward Kofi Louis
The Law 2

The sting of sin is death!
But, the power over sin is the law.
Oh death! Where is your sting?
Oh grave! Where is your victory?
Let your speech always be seasoned with salt,
So that you choose righteous works!
To care for all mankind.

Edward Kofi Louis
The Law 3

The law!
You saw it,
Raw! !
Draw it into your heart and,
Live in peace with your neighbours.

Edward Kofi Louis
The Law II

I will come to it so don't worry,
And like the muse of your love so seen by me;
But awake to the law and learn from my muse,
Because you are all that i need!

I went against the law and,
The law caught me! !
So learn how to be straight always;
Because we need these laws always to guide us on!

Edward Kofi Louis
The Law Is Knocking At Your Door

Don't touch it again,
Don't touch her again;

Don't use it again,
Don't use her again;

You've been raping her since all these years!
And now, the Law is knocking at your door.

Edward Kofi Louis
The Law Is...

The law is not only laid down for a righteous person,
But also for the lawless and disobedient!
For the unrighteous and the sinners,
For the unholy and profane,
For liars and for perjurers,
And all who oppose a sound doctrine!

Edward Kofi Louis
The Laws Are There Around You

Blick, pick, lick, sick, wick, click, quick!
With the negative acts of your works in the land;
Leading you to sin.

Life!
The laws are there around you;
But, you are not ready to follow them.

Book!
Read it;
And seek for the works of the truth.

Flowing with milk and honey,
Touching the hearts of many! 
Those who are ready for the laws.

Edward Kofi Louis
The Laws Of Peace

With lies you have made the hearts of the righteous sad,
And you've rather strengthened the hands of the wicked!
But now your nakedness is fully covered with my love,
And i am ready to guide you with the laws of peace.

Edward Kofi Louis
The Leaders Of The People

The leadeleaders of the people,
Lead in peace and teach the truth!
Follow after righteous laws;
For the peace of the world.

Edward Kofi Louis
The Legacy

The Sabbath of rest is a feast of joy!
To each ancestral tribe of hope;
The muse of the truth and the muse of the laws,
With significant oil discovery at the coast! !
But, take a reas at Cape Three Points.

Mahogany,
Harmony,
In summer and in winter;
Walking through the muse of life with,
The ways of nature and, by the acts of the people.

The legacy,
Be thankful in all things;
Of the people and by the people!
Like the legacy of those who came before us,
However, don't give up easily in life and, build your home with love.

Edward Kofi Louis
The Legend

Thoughts,
Leg, legend!
With the muse of your steps;

Thoughts,
End, legend!
With the style of your works;

Thoughts!
With the muse of your mind;
Touching the hearts of many,
On earth,
With the muse of creativity.

The legend,
The peg,
Pen! !
Den,
Hen;
Floating along,
With the muse of your mind.

Thoughts,
Works,
Words,
Facing the world;
With the muse of your style,
Talents and creativity.

Edward Kofi Louis
The Lessons Learnt After

Civil Wars and the lessons learnt after,

World Wars and the lessons learnt after,

This will only change with righteous laws! !

Following after the truth.

The day of peace,

The day of joy! !

You are the rib from my side;

War is NOT the answer of your beauty!

You need the flowers of Spring and the light of Summer to teach you the truth! !

Why are you hiding yourself from the truth?

To teach you wisdom;

Edward Kofi Louis
The Lessons Of Love

The wonderous world of art,
The wonderous world of love,
The wonderous world of peace,
This is the pen of a humble writer;
The wonderous world of poetry,
The wonderous world of passion,
The wonderous world of romance,
This is the mind of a humble poet;
Of the long pedigree of toil with hopes and dreams,
I now see the light of my village.

Of that unknown tongue and mind,
Let me now repay the lessons of love;
Of the shades of the night falling like,
An artist painting with his pen;
The nobility of my labour will surely move me on.
On the poet's sculptured face,
The long pedigree of toil;
I now see the lights of my village so,
Let me repay the lessons of love so far learnt.

Of one whose distant footsteps the echo replays,
This day is keen and very strong to me;
Like a look of joy and the thrill of pride.
Once in an ancient city,
Over the laws of the land of peace;
Like an old man's speech to us all when,
We all have the lessons of love to share.

The soft sea air,
Just beyond the billow's reach;
Of a love command that leaves me with many questions.
Build me straight wherever i am,
With your goldfingers like a teacher;
Life always with the lessons of love.
Like a ghost,
I am strong as a youth;
The strain and the stress of life teaches me.
Build me straight wherever i am like,
A thought in everybody's mind;
For, pleasant is the voice that calls me to dinner.

Like a ghost standing beside her lover's side,
I am still learning the lessons of love;
In it's pleasure and in it's griefs,
Like a bridegroom upon the bosom of the sea.
Love lessons,
Many will still fall behind;
Love lessons,
Of a lovely laughter like water;
Pleasant is the voice that calls me to dinner.

Edward Kofi Louis
The Letter 'J'

The Message and the Plan from the beginning,
But the demons (elohim) are around you;
To those who know the law,
The law has authority over man as long as lives.
A message to the fatherless and the widows,
To those who know the law like man and his gods;
He who is dead is freed from sin.

Of the lowest rabble,
Of Apollo and Zeus;
To the amalgamated doctrines of the Empire's new religion.
Julius Ceasar or Mithras,
I am the one who sows the seed;
Hesus Krishna,
They balloted in order to determine that matter;
And there was no letter 'J' in the alphabets,
Until around the sixteenth century.

Edward Kofi Louis
The Life Of Illegal Lust

The life of hate!
The life of illegal lust;

The life of wat! !
The life of illegal lust;

Peal, appeal!
To seek for the truth than hatred and war;

We need peace than war!
Let us care for each other;

Wake up!
Seek for the truth and live.

Edward Kofi Louis
The Light

Times of lonesome to think about tomorrow,
Like words from the Hebrew Bible;
To the Customs and Traditions,
Like words from the Greek Bible;
To hurt the heart that sings the muse.

Like words from the Latin Bible!
To the wind with a careful look;
Books,
To the brook;
Like words from the English Bible;
But the flood of the gates of Evil are seen all around us.

Myself and yourself;
It is time to see the light! 
The light of the truth,
The light of peace and love,
With righteous morals,
According to righteous laws.

Edward Kofi Louis
The Light Ahead

The light ahead!
The way forward;

Head, ahead!
Positiveness;

The bread of life,
With the truth!

Thread,
To read your story;

Hope and dreams!
Facing the road ahead.

Edward Kofi Louis
The Light Came In

Hiding in there! !
Until the light came in,
To bring you hope;
Joy to your heart!
With the works of peace and love,
With the romance of the truth,
With the fragrance of life,
And the aroma of nature.

Edward Kofi Louis
The Light Of Love

Be very kind and gentle,
But not like a sheep going astray;
Because the Chief cornerstone is now laid in Zion!
So come out of the darkness and meet the light of love.

Edward Kofi Louis
The Light Of Love

The light of love,
The sight of peace,
The bright stars of nature!
The insight of creation,
The might of the truth! !
The right of living,
The delight of righteous morals,
Taking a flight!
With the muse of your mind in the night.

Edward Kofi Louis
The Light Of Love  2

Succulent love,
Working together,
With respect;
With attention,
Every day and every night!
The light of love,
The joy of peace,
With the muse of righteous laws.

Edward Kofi Louis
The Light Of The Truth

You can't understand some things in life at times;

All the same, turn your lights down low and see if you can see me from afar! ! Heading towards your house.

Let the truth be part of you and, live with righteous works;

Because, the light of the truth brings joy to all.

Edward Kofi Louis
The Light Of The World

The light of the world!
Giving insight and sight to all;
With the works of nature.

The light of life,
Knowing where it comes from;
Speaking the truth with the bright eyes of righteousness.

Light! !
To overcome the night;
With the right law beside you.

Edward Kofi Louis
The Light Of Wisdom

The power of life,
The power of nature,
The power of love;
The light of wisdom,
The Knowledge of the truth,
Understanding the ways of peace!
Living in unity with your neighbours.

Edward Kofi Louis
The Lights Went Off!

The lights went off!
And, satan played her games around;
Then, the lights came on once again!
And, the slaves clapped their hands in joy;
But, let wisdom be given to the wise,
And, let the truth be praised always.
The mus eof life and the ways of nature,
With the acts of mankind on this earth;
According to their ways and according to their doings,
And like a bee in my juice drink today!
But, the lid of love is niow opened to all around.

The wed of deceit!
To read it out as it is written;
With the muse of my inheritance,
But, lip services and tokenistic gestures are not part of me.
Illegal lust!
With an attack at the back of your enemy;
As the lights went off,
But, when the light came back, your sexual escapades were exposed! !
Like the movements of the mountains into the seas.
Roar and foam oh waters! !
Swell and tremble on mountains;
But, let the truth walk with us when we have the light.

Edward Kofi Louis
The Lion

To the depths of Satan,
Do ask exactly as he did;
To the depths of Satan,
Do act exactly as she did;
For she is in bed naked and lonely and,
She is waiting for her lover.

Who will be with her?
Who will be with him?
He is also waiting for his lover but,
I am the lion along the path of peace.

Who wants her naked body?
Who wants her love?
And who is he that she is waiting for?
She is in love and lonely on her bed of roses.

Read exactly as he read and,
Do exactly as she does;
Seven stars and a flame of a fire!
She who has a nose will smell from her aroma;
But, do keep yourself very far from her.

Of the great voice behind me,
Your first love is looking for you;
So do catch them young exactly as she caught them,
For they who do have eyes will surely see her acts.

Let me teach you,
Let me love you,
And let me take you far away!
For you have to pay exactly as he paid.

I am the lion of the tribe of Yahdah,
And i am here to teach you more about life;
But, you have to read over and over to understand my lines.
Peace is not with the people of Satan,
So wake early before She does.
The Lion  II

I am the lion of Africa!
But, living in the jungle of peace;
I do spring out with my tail for many to follow,
However, i do speak tendering words with my lover.

The lion!
Life is guided by the muse of love;
And like where peace, unity and joy do live.

Sow on my land and enjoy the fruits of your labour! !
For, i am living in the jungle of love;
And, i want to care for you.

I am living in the jungle of peace with lot of visions,
In the very place of mystery!
But, with a secret journey to reach out to your heart;
For, i am the lion of Africa and,
I am ready to share my jungle with you.

Edward Kofi Louis
The Lion And The Fowl

The lion and the fowl,
Who is the king?!
Face your life and answer this question;
Muse!
Hard road to travel;
Fuse,
Facing the problems of life;
Sie,
Like a slave living in a cave!!
To infuse,
With the wickedness of mankind on earth;
However, not to refuse the truth along the line.
The lion and the fowl,
Two faces of life!
One being aggressive and,
The other being very calm;
Knowing what is ahead!
In the name of hope,
With the faith;
Struggling along,
Hustle and bustle!!!
Thinking ahead,
Seeing a lion far ahead and,
A fowl very closer.

Edward Kofi Louis
The Lips Of Love

The truth,
With the lips of love;
The input,
The laws;
With the muse of peace.

The muse of compassion,
The works of humility,
The romance of your love;
With the aroma of the laws,
As the input.

Works of joy!
With the muse of the poet;
Hear, ear, year, near, sear, shear!
With one ewe lamb as your possession,
In the land of peace.

Edward Kofi Louis
The Lips Of The Truth

Poignant!
True love,
Accepting the laws with,
The lips of the truth;
Love,
To the city of care!
Life,
To the city of love!
Muse,
To the city of the laws!
With the truth shining on your face;
Bringing up the muse of your lovely heart,
To touch the minds of many.

Edward Kofi Louis
The Literature Of Life

This day,
With you;
This day,
With me;
This day,
With us;
In the garden of flowers,
With love,
With joy,
With peace,
Crystal Palace!

Seasns,
Reasons,
Granted,
Pleasure;
Place, lace, race, ace, embrace!
Round the great cirular fountain,
With the literature of life.

Little park,
Little party,
Limited,
Time with love;
With your lover,
In the garden of beautiful flowers.

Direct!
With the muse of sweet love;
Indirect,
With the works of peace;
Custody,
With the muse of the literature of life.

Ford, Oxford!
Cord,
Chord,
With the lectures of life;
Ice,
Notice,
Price! !
Facing the ways of life,
In the land of beautiful flowers.

Sunrise!
Peace be with us;
On earth,
For love,
For joy.

Witness,
Desire! ! !
Touched,
Crystal orchid,
Words,
Works,
Woods,
Tubes,
Cubes,
Dreams,
Dreams of life;
Abstract!
Spiral,
Vitality,
Smiles! !
Miles away.

Secrets,
Hidden,
Hidden love;
Introspection,
All in the dreams!
The dreams of life.

Age,
Watching you;
Corage,
Northern lights,
The art of transformations,
The acts of life,
the beauty of nature,
In the garden of love.
The literature of life,
Looking over there!
Very far away,
The sea is young,
Hooked;
No escape! !
Hooked with love,
The muse of sweet love,
Like the old train,
Moving along,
Age!
Collage,
The force of life,
With the muse of the old wagon;
Dawn,
The wheel of life,
ready for love,
With a spark in the darkness!
The light of love and,
The literature of life.

Edward Kofi Louis
The Literature Of Sweet Love

The muse of love,
As i looked straight into your eyes;
With the literature of sweet love,
But, the muse of life is really not easy!
With the works of mankind on this earth.

Life,
With chains on my legs and with the pain on my back;
After the beatings in the name of hatred and war! !
In the land of trouble where many people are already shot dead.

Life!
I am what i am with my works than, with the muse of hatred and war;
But, i am only a human with my mind,
As the flow of the muse of poetry comes out of my heart!
Touching the hearts of many;
But, this war had really brought about the chains of hatred around me today.

The laws are there!
But, mankind want war than peace;
The books of the truth are there!
But, mankind want the books of lies written by Satanic induced people;
Who have nothing to offer the world than hatred and war,
That is why i am in chains today! !
However, with the literature of sweet love flowing out of my heart to touch the minds of the positive ones.

Edward Kofi Louis
The Little Green Lizard

The little green lizard,
Weeping for your red rose!
In the garden of love,
With the blues of your romance;
Nature! !
Peace and love,
With the mystery of life.

Edward Kofi Louis
The Little Horn

You are the little horn on your lover's side,  
Born with words from the muse of your heart;  
And like earth, wind and fire! !

Of a free-kick after many attempts,  
Faithful as a thunder's fist to strike a blow;  
But, i am as joyful as the rainbow colours.

Edward Kofi Louis
The Living

Rated, migrated!
With the muse of life;

Test, protest!
With the muse of nature;

Living to know and to learn from the works of the truth,
Because the living know that they will die one day.

Edward Kofi Louis
The Lone Ranger! !
The lone ranger! !
All along,
All alone,
Down there in the bush;
Foretold,
Written down,
And, with great hope!
But, to stay at rest and to say the least.

The lone ranger! !
Once in a life time;
Searching for a place to call my home,
But, i am still alone in the bush.

Down there,
Out there,
Searching and hoping;
And like the muse of love!
But, to stay at rest and to say the least.

Edward Kofi Louis
The Lonely Bird Sings

I missed you,
You missed me!
But, the lonely bird sings;
The songs of true love,
Waiting for a kiss from the Miss.

Edward Kofi Louis
The Long River

The long river!
Turning as it flows;
Along the way,
Through the bushes! !

Till it ends up to the sea.

Book,
Captive;
Captured with love,
Perfectly,
And, how to change.

Self,
Yourself!
On a mission,
With a vision,
The look of silence;
To overcome the odds.

Edward Kofi Louis
The Loop

The loop,
The hook,
The sloop,
To look,
To stoop,
The book;
Accent!
For your beauty and,
For your love.

Edward Kofi Louis
The Love Eternity

You can't buy talents,
You can't buy experience,
And you can't buy love;
Because love is not for sale.

Come closer to me to get some feelings,
The love eternity is what i share;
Like the touch of light ot push you up.
We've got work to do on this love,
The natural feelings of love to motivate you at all times;
So, don't bury your thoughts.

You are always welcome,
Because you are the lady of my heart;
All i need is the air that i breath and to love you.
I really don't learn like a bull and forget like a beast,
But my life is to love you.
Bring your magic room to me my lover,
For you are always welcome whenever you need me;
And love will always find a way.

Touch my heart and feel my heart beat,
Fill it up with your saturated love;
For true love crowns everything when you are in the mood.
You are my delight in the midst of the millions,
And you are tantalizing to my heart;
For i always do miss you in my loneliness.

Edward Kofi Louis
The Love Of A Child

The love of a child,
With his or her photos all the time in your hands;
Finding ways to protect the child.

Edward Kofi Louis
The Love Of Words

Literature is like the sound of life,
So start with it to know your muse;
For the love of words is all that it takes.
How do you know where it came from when,
You have not set out to find it?
But life is like war to start with.
Ethics are full of principles and,
Creativity is part of mankind;
So release your dreams and go for it!
And with self confidence to gain your future,
Because with success comes recognition.
The love of words,
Self-esteem and of a prestigious life style;
But show me your status-quo and,
I will tell you who you are.

Edward Kofi Louis
The Love That Swings

One man from each tribe,
One woman from each house,
And a child from each country;
Like the love that swings to touch your heart,
Come and let us meet in this tent of love.
Of the sweet stick that goes into the red valley of love,
Making love all day and night to share the passions;
For if i do have the roses,
I will give them to you.
Of the aroma of love that unites us in the valley of love,
We need the roses and the care it brings to move on;
Like the sweet songs of the birds.

Edward Kofi Louis
The Lovely Bird

I am the lovely bird singing on a tree up high above you!
And like the muse of love in the land of peace;
But my lovely words are full of life,
For you need my works to guide you on.

I am the lovely bird that you need around you,
And like the joy of love in the land of care;
But try to understand my words to muse up with your love,
For my songs are full of parables to entice your mind.

Where is your red wine?
Where is the red sea?
Where is your bed of roses?
Where is the narrow path full of love?
For the days are coming when I will be closer to your window!
Because, I have something to do on this earth;
And like the beautiful beads of love as seen around the necks of my people.

Edward Kofi Louis
The Machine

Fix it and plug it on!
The machine,
To work for you,
Automatically! !
The test,
The taste,
Best!
Not to waste it;
Nest,
Next!
To eat the best and to keep the waste outside.
The machine,
Like the attraction of the fruit in the garden;
In the midst of the garden,
Need, heed!
Seed,
Weed,
Deed;
To feed your mind with the muse of righteous laws.
This fruit! !
Pleasant to the eyes and desirable for food;
With the beauty of the tree!
In the midst of the garden.
Tribal pattern,
Inside out!
Covered,
Fresh! !
Refreshment;
With the muse of a tropical fish on the table.
Races, faces!
Embraces,
Traces,
Places,
Like Palaces!
Aces,
Ages,
Pages,
To smile! !
A mile away with the muse of your echo.
Spray, pray!
For peace;
The machine is still working,
For you!
For your joy,
In the land,
Light and insight!
Spiritual,
Inner self,
Like a beautiful ornament;
With the power of love!
Your sweet love;
With the peace of your mind,
And the romance of nature.

Edward Kofi Louis
The Magic Box

Logic,
Fox, ox, box!
Metaphor,
Philosophical,
Love,
With the muse of the Magic Box! !
Enjoying the ways of life,
With the romance of nature.
Beauty! !
With the muse of the Magic Box;
Love and dreams,
Love and art,
Joy!
With the aroma of the beautiful flowers around.

Edward Kofi Louis
The Magic Goal

The magic moment,
The magic goal,
And like the black antelope! !
But, this poem is twisted to teach you.
The wind blows up everything,
The heat dries up everything,
The rain wets up everything,
But this poet of this poem is beside you;
And like an ordinary man in iniform and,
A hunter with a gun in the hand!
The magic moment,
The magic goal,
But everything came out! !
And, there is hope for the future;
Yes, a light of hope on this feelings,
But, how is this thing calculated? !
I want to know.
For, form, formed, formally, forward, forced;
And like the shadow girl and the shadow boy!
Forbearance, forbade, forcibly, forearm, forest;
And like the shadow man and the shadow woman!
Oder, disorder, older, folder, founder, lender, sender;
But, stumbling across the sands of Adfrica.

Edward Kofi Louis
The Magic Of Patterns

Love, life and peace;
Nature!
The magic of patterns;
With a smile on your face today,
The power of beauty! !
The aroma of the universe,
With poets and writers;
Painting the world with their minds!
Like artists of the world with brushes in their hands.

Edward Kofi Louis
The Magic-Touch

The moon battled and the earth stood still,

The sun saddled and your love stood still,

The sea settled and you grew tall!

But, i have seen many troubles in life already;

Moving around in circles,

Dancing in the rain with my nakedness! !

With the magic-touch of life;

So, lighten up the way of this love ahead of us!

With the memories of the past;

Becuase, love will always find a way in toucghing your sweet heart.

Edward Kofi Louis
The Man In My Life

I have spoken to my father about you and,
He said we should get married.
I will always be ther for you,
Since i do love you dearly;
I am a lonely and beautiful lady,
And i need someone like you to share my love with.
Please, come closer to my heart and love me;
Because i need your love and,
I cannot sleep at night.
Please, come and let us share our nakedness together;
All day long with you in my arms,
Like the bee and the nectar.
You are all that i need,
You are all that i want,
And you are the man in my life;
Come quickly,
For i have spoken to my father about you.

Edward Kofi Louis
The Man In The Mirror

My body is not what you think it is,
Ny face is not what you think it is,
But i ma here to love you;
For this world is not my home.
The smell of sulphur,
He died 18 years of age;
And of the decaying facial features!
For she also died 20 years ago and,
I am at the Neverland Valley Ranch to say my mind.
I am the man in the mirror,
But how do i heal the world with my love?
I am the man in the mirror,
But how do you heal the world with your love?
I am the man in the mirror,
And with vanity fairy tales around me!
But i am here to love you only.
Unnatural sounds,
He died between 18 to 20 years ago;
And of things so dangerous to me!
But i am here to love you only.
Heal the world and come to me,
Love my face and be my lover;
For i am the man in the mirror!

Edward Kofi Louis
The Man Of The People

Of something very cold,
But hard and very sharp!
My searching fingers finally bumped unto your love;
And the blackness came over me with,
A whistle to escape with my lips!
Let us shake our legs,
For the mind will last into the night;
And she held me with the muse of the scent from her hair.
I was fussy about how i am fetched at home,
But the horses need me because i am the man of the people;
Because the hissing snow fell on my body and,
I was very glad that she was with me.
I will dropp one more act on this love,
Rattling through the mind of my lover;
And like the lifeless remnants of the months gone by.
My mind is with her like,
The superstitions flashback of the night;
And of the misfit act that is carried away by the wind,
For she held me very tight with the muse of her love!

Edward Kofi Louis
The Margin

The margin of the sea!
Confidence,
Waited with love;
Abiding in the truth,
With the works of the faith.
Brook, flood, river, stream, valley, waterfalls!
With the shaft of the truth;
Under righteous laws.

Edward Kofi Louis
The Mark Of Cain

The war ships are on the seas and,
The tankers are on the lands!
But what is still wrong with mankind? ! !
Because there are wars all around us today,
Like war in the east and war in the west;
War at the north and war down south,
All with the mark of cain to end up in the grave!
Oh mankind, what is really wrong with us?

Edward Kofi Louis
The Mark Of Your Love

The story of your past and the muse of your present time,
You are like a nice altar with the mark of your love;
So respect the word of truth and the word of my love.
Be swift to hear and slow to speak,
Be swift to hear and slow to wrath,
And put away all filthiness to receive meekness;
For i have bridle my tongue on this side of the river.

Edward Kofi Louis
The Mask

One love and peace,
One care and hope,
I am from Benin in Nigeria!
But out of Egypt came my ancestors.
They settled in Nigeria out of love,
And the Assyrians know my identity as well;
And like Bronze, Sculptures and Terracotta.
The mask on my face is to tell you a story,
With Ivory, Slaves and Gold as part of the trade;
And with greetings from the White Volta and the Black Volta,
And like King Mansa Musa of Mali!
But, the Portuguese came for Gold and Slaves on the West Coast of Africa.

Edward Kofi Louis
The Mask On Your Face

The mask on your face,
But, save your image with the works of the truth;

Lies lead to hatred and war! !
So, relax your mind with the works of the truth and,
Bring peace to the world.

Poetry is the way of life!
And, Poetry is about you and me;

Bring a smiling face to someone,
And, bring joy to him or her with laughter!

To fix them together,
Easy way out,
Power! !
With your strength.

To the merchandise of bauxite,
To the merchandise of fine linen,
To the merchandise of houses,

But the day comes when we will all cry.

Edward Kofi Louis
The Merry Of Your Heart

One thousand goats and,
Three thousand sheep;
In the field of love!
With the merry of your heart,
Taking care of what you have;
With the muse of nature.

Edward Kofi Louis
The Message

The Messiah's message is around you my love,
And of the colours of love to share with you;
But in the grave for three days and three nights,
And Satan's deceits are from the things to come.

The seventh day is the day of rest and it is like,
A testimony that must be kept;
But you can as well encourage or discourage someone around you,
Because the true heart of love is always at peace with all.

Live by every word in your neighbourhood and,
Let there be peace always among you all;
Because having the seed and eating the meal is like,
Making the deal with message of your love!

Edward Kofi Louis
The Message 3

In the beginning was the message of love!
And the message was with peace;
The words of this message brought about many changes! !
With the praises of joy in the land.
Ancient wisdom,
With birds singing around;
Because, the message was with righteous laws.

Edward Kofi Louis
The Message 2

Bought with love,
Brought forth with the truth;
The message!
With the passage of righteous works.

Edward Kofi Louis
The Message II

Cast out the bondwoman and her son,
For her son will never ne the heir!
But whatever a man sows, so shall he reap.

Empty pride,
The new creation will prevail!
And like an allegory to satisfy your muse.

To be blameless and harmless in this life,
Check out the rainbow colours and learn from them;
And let your waist be belted with the truth always.

Let your conduct be worthy of the message,
And try to overcome empty glory!
For all that you do should be done in love.

The romance of love to love,
The aroma of life to life,
The passions of hope to hope,
And the smell of death to death!
But try to know the depth of my love towards you,
'Anathema! Maranatha! !'
Love is really the key of life.

Edward Kofi Louis
The Message Of Love

The message of love,  
With the muse of the laws;  
World of peace!  
With righteous morals;  
Trained with the muse of the truth,  
To live in peace!  
Without hurting anyone.

Edward Kofi Louis
The Middle Of The Court

Sinful things!
Cover up your nakedness with the garments and,
Live in peace with your neighbours,
To love everybody without hatred and war.

Illegal lust!
You do not have it because,
You did not ask for it;
So, cover up your nakedness with the garments of peace.

The muse of life!
With a lamp-stand of pure gold;
Following after the laws.

Sinful things!
Like the human bones buried around;
But, she was 16 years old when she became your lover.

Illegal lust!
In the middle of the court;
With the ways of your life as seen in this town.

Edward Kofi Louis
The Middle Section

The middle section,
From the entrance,
In front of you;
Joyfully!
With the muse of your heart,
Chosen!
With a place for you.

Edward Kofi Louis
The Mighty Teacher

They have one language and one mind,
They have one love and one world,
So listen to the mighty teacher around you;
For you are a beautiful woman and i am a handsome man,
And like the seed time and the harvest time around us.

A pleasing aroma,
To the man of the bush and the woman in love;
Be fruitful and multiply your love on this issue,
For the man on the sea is like the woman in the air.

Edward Kofi Louis
The Milk Of Life

The nursing breasts of a mother,
To take care of her child,
To drink the milk of life!

Edward Kofi Louis
The Mind

The mind,
Destroyed today,
With Evil Acts;
But the wind still blows about! !
Respecting the ways of nature;
So, seek for the truth and live.

Edward Kofi Louis
The Mind Of A Poet

If horses could fly,  
I could have been the first person in heaven;  
But, here i am today as a bard.  
If roses could smile,  
I could have love all the women in the world;  
But, here i am today as a teacher.  
If donkeys could teach,  
I could have been the first Professor on earth;  
But, here i am today with my mind.

Cure, pure, sure, endure, lure!  
All that muses teaches the world,  
All that is lively makes me glad;  
But, this is the mind of a poet unknown.

I am sitting next to you and,  
I am seeing what you do;  
Like the love of poetry.  
I am the eye to many!  
I am the mind of many!  
For, the love of a muse is what i bring to you;  
But, this is the mind of a poet unknown.

The love of poetry,  
The love of a muse;  
The mind of a poet to the world so sweet!  
But, if horses could fly,  
I could have been the first person in heaven.

Edward Kofi Louis
The Mirage

Age, stage!
Sage,
Entourage,
Passage,
Encourage,
Taking advantage of you;
The mirage! !
Page,
Cage,
Courage,
With the muse of the language,
Coming along with your luggage,
Without a rage,
But, for the wage.

Edward Kofi Louis
The Mirror

Look into the mirror and make a change,
For Michelangelo painted and Beethoven composed;
But keep your mind up to do the right thing and,
Be very great in all that you do in this world.
Shakespeare wrote and Mozart composed,
And you are very young and attractive!
But ith a theologian emeritus without a view;
However, i have set before you an open door.
You do have a little strength to carry on this mission,
For the truth does not change like the order of an agape!
But the mirror on the wall is all that you need for a change.

Edward Kofi Louis
The Mirror 2

The Mirror,
The kiss!
Dry away your tears,
Hope is much ahead!
Being lonely in your room,
Standing before the mirror.

Edward Kofi Louis
The Mirth

The mirth,
Obdurate your acts to see through your minds;
For i am in my mind thinking about the future!
But the sorority of the society is in trouble,
And you have to be very obdurate to take up a positive decision.
The mirth is always around us,
And the mirth is like an act of enui that puts you off the fence!
But i do think of the baccarat and the bibulous;
For my mind is always ahead of time,
And like your teacher's notes hidden in your beroom.

Edward Kofi Louis
The Missing Finger

You left us with ten fingers and,
Came back with nine fingers;
What really went wrong?
Fifteen years away from home,
We are yet to know what really went wrong;
Fifteen years away to make some money,
What really went wrong with your missing finger?
You made enough money and thought that,
You were richer than the President;
Today, you've returned home poorer than before!

There is time for everything,
A time to gain and a time to lose;
What really went wrong?
From a flight to your plight,
Who will help you now?
Fifteen years away to make some money,
But today you can't even eat well at home;
From a flight to your plight,
Today you can't even sleep well at home;
Fifteen years away to make some money,
The very colours of the rainbow with a view;
You left us with ten fingers and,
Came back home with nine fingers;
What really went wrong?

From a flight to your plight,
Fifteen years away to make some money;
From the land of red, gold and green! !
From a flight to a plight,
It's all part of a lesson;
You are now at home at last.

The President was at the stadium but,
Where were you?
It is better to be humble than to boast.
Flight, sight, might, bright, tight, light;
You're poorer than fifteen years ago!
Bite, kite, height, fight, eight, plight;
You're poorer than fifteen years ago!
Quiet, rite, white, night, site, write;
You're poorer than fifteen years ago!
Today, the President is better off than you.

Edward Kofi Louis
The Missing Gold

As smart as a snake and as nimble as a rat,
As slow as a tortoise and as fast as a deer,
I am a hero from zero;
As lovely as a child and as romantic as a kiss,
As lonely as the forest and as soft as the wool,
My door is always open to you all;
And like the brooks of April rain in the forest of my home.

She is gone out of my hands but,
One day I will find her again to sing the love song together;
Because she cares more about you and I do care about her too.
Of her love so perfect and so sweet but,
One day I will find her again to know more about her muse.
Time took her away from me and I can't easily forget about her,
And like the first found bride of yester-eve;
But profane the soil now more.

I will surely find this missing gold one day,
And I will be a hero in the strife;
So let the dead past bury its dead.
I am the one she will always remember in her life,
Ans of her heart of roses full of love;
But the art of loving her is like the time fleeting around my mind!
And the sound I hear now is like the dead that slumbers,
But I will act in living present with the care of her muse.

She will always be in my dreams and like,
The voices of the night when lovers meet;
But tomorrow we will meet again on this love gone too soon.
I am the true lover of her heart and she really knows that,
And like the fingerprints on the walls of love as exposed to all;
But love will always find a way on this issue at hand.

I have the golden key for her heart because,
The boundless wisdom makes the flowers of poesy bloom!
For she is all that the muse of love gave to me and,
I will always remember the days with her together.
The Missing Link In Your Chapter

There is nothing like 'evolution' with the Creator!
There is nothing like 'Trinity' with the Creator;
And, the truth is now known by many! !
Because, the truth is hidden in the 'Dead Sea Scrolls';
So, try to go in for the missing link in your chapter.

Edward Kofi Louis
The Missing Road

How can a sweet love like this be betrayed? ! !

It hurts so much for you to leave me;

However, I will find the missing road one day.

It hurts so much! !

The net for the netball,

The foot for the football,

It is never too late to be loved once again;

To be in love.

Inner self! !

Inner soul;

To discover myself once again in life,

Able to stand on my feet.

Life and love,

History is behind us on this love! !

However, it hurts so much for you to leave me.

Edward Kofi Louis
The Moderator

Dr. Iron-fist and Dr. Steel-hammer!
The lions' teeth are well sharpened and they are ready for meat;
But you still have the 500,000 documents hidden in your room.
Time,
Generation,
The nature of things and the seas!
But the moderator was still waiting for your words.

Edward Kofi Louis
The Moment

The moment,
This moment,
Between me and you;
Living! !
With the muse of life.

Edward Kofi Louis
The Moment Is Now!

The moment is now!
To know how;
Tow, low, flow, row, throw!
The show,
The crow,
Slow;
Straw,
Grow,
Glow! !
With the joy in your heart.

Bow,
Arrow,
Sparrow,
Allow,
Marrow,
Narrow,
Shallow,
Swallow!
Wallow,
Blow! !
Hollow,
Hallow,
Fellow,
Follow,
Throw!
Snow,
Slow;
Taking the upper hand.

Edward Kofi Louis
The Moment Is Now! !

The moment is now! !
To know the truth;
Because i am always there for you.

Ready or not!
The truth will always find you;
Even if you do forget my name.

The moment is now,
With the light of the truth;
Joy in your heart.

Edward Kofi Louis
The Monkeys

Let the people feel my love at my home,
For there are no longer bananas on the trees!
Because the monkeys have eaten all of them;
And i have my mind set on you.

Edward Kofi Louis
The Month Of Fasting

Hajj pilgrimage,
The 'Chief Imam'!
In the month of fasting,
But with positive comments to respect your muse;
And like a foyer which gives a warm welcome to an open hall,
But, you have to abide by the rules and the regulations set down.

Edward Kofi Louis
The Moon Dances

The moon dances,
The stars look on;
Creativity!
Love, peace and joy;
Potentially with the works of your heart,
Because, today is the day of your great love.

Edward Kofi Louis
The Morrow

Clouds aloft and tides below,
Of stormy water from the high winds;
And like a descending shadow from a hero's ashes.
To prove as true from Poland and,
To visit th tombs in Turkey with my lover;
And the voices from the mourners are over now.
The virgins of Africa do lament,
For the blood of their people are as pour as the blessing;
And like the last thought on my throne of love,
But the stars on the sea will be there for the morrow.
Wise ans deep in lore,
And like a worthless clay in a captive;
But the morrow will prove the truth to all.
Of the fingers of man's hand,
Let joy be unconfined to all!
And like the war-note with the memory of the thousands of years;
But my sweet love will always be with you my lonely lady.

Edward Kofi Louis
The Most Special

The most lovely,
The beauty of life!
With the sweet muse of your mind.

A perfect plan,
A lovely clan,
With the muse of knowledge;
Water! !
To bring rain to the plants and mankind.

Edward Kofi Louis
The Motive Of Life

The motive of life is for peace; but, the wicked one will never rest from his or her negative acts!

Ability,
Blamesless;
Love is a miracle by itself.

Miraculous power!
Prayer is the sign of hope;

Unity brings peace and, war destroys everything! !

A prayer is a ray of hope;
Unblamable.

The tower of love is built on peace; with the muse of the truth as the foundation;

However, Satan wants his or her followers! So, a trap is set to get us.

Edward Kofi Louis
The Mountain Of Love

Lion, clarion!
The mountain of love;
Of a visionary,
Of a precursor,
Ion, clarion!
To improve on your status,
Wire, dire!
With the works of peace and joy.

The mountain of love,
The mountain of joy,
The mountain of peace,
Shade, crusade!
Sent abroad;
With the muse of industrialisation.

The mountain of love!
On the verge;
With the muse of your sweet love in a cosy room,
And with the natural factors of the land.
Overgrazing!
Cited,
Age, engage!
With the muse of your sweet love in a cosy room.

Edward Kofi Louis
The Mountain Of Your Love

To anticipate!
With innovative minds;
And, with the muse of your sweet love,
At the centre of excellence.

Quest!
With the mountain of your sweet love;
Like the muse of a technological drive,
With laudable ideas from your acts.

Instruments!
Love,
Experiments!
On a project;
But, with the mountain of your love at play.

Edward Kofi Louis
The Mountain Of Your Sweet Love

Sweet love!
The rooms were comfortable;
Well arranged and well planned,
With the mountain of your sweet love.

Muse, life, joy!
Furnished with your sweet love;
Very delicious,
And, revealed with the mountain of your sweet love.

Edward Kofi Louis
Of a blind life within the brain,
Of sold chains of our shackles about the feet;
Foe nown i do see the true old times.
Of the bitter tears against a brow,
Of my grievous wounds;
Sad as it is,
It is like the glories of the winter moon.
I am back from the mouth of hell,
Where the fairest hady laid her head upon my lap;
'You are the tallest of them all',
She said it because of love.
With the sadness of my heart like,
A dream from the frozen hills;
So i said to her, 'Am i your dearest'?
With my handsomeness still in years increased.

Tell me if you love me,
Like eight summers old with a lover;
Of a sudden cry out of hell to sing to eternity,
Like the inventor of harmonies that swing the muse.
'I am her dearest',
That is what i heard;
Of hopes and dreams to come out of hell!
My dearest, my nearest;
You are like a butterfly with sweet love but,
I am now out of your hell.
Like words across a ridge,
The pen is mightier than the sword;
Like a voluble answer,
The tongue is more evil than you thought.

It will be a token for her,
Paying for her in the valley of death;
Yes, love had led many into the mouth of hell.
My grief and solitude have broken me,
But i will still bless you all that i have loved;
Like the fountains of sweet water in the sea,
Have you seen her of late?
Love had led many to death,
Hate had led many to war,
But i am now out of this hell.

Edward Kofi Louis
The Mouth Of The Mighty

Miracles! ! !
Wonders;
From the mouth of the Mighty.

Edward Kofi Louis
The Muse Of A Place

The muse of a place,
Houses in blue!
Roses in red,
With people moving around.

Edward Kofi Louis
The Muse Of A Bard

This is the muse of a bard:
Isometrics and macrocosm,
Microbe and schlasticism,
Scientology and physiology,
Philanthropy and gynaecology,
For what he was is not what you see today.

A woman in love needs only one man,
For the synthesis of love do have many branches;
And this is the muse of a bard in the land of the living!
For what he was is not what he is today.

Edward Kofi Louis
The Muse Of Hustle And Bustle

What have you beyond the shores of Africa!
For, i am with the great sense of humour to feed your brains;
And, to touch your hearts with my sweet love.

The muse of life in the land of the living,
With a great applause to the guests;
As we learn from the old people in this village,
But, the Bridge between us is like the hunger expressed daily.

The muse of hustle and bustle!
Push it in and pull it out;
Knowing what you do face daily in your land.

The muse of life in the land of the living!
Like the consignments around to elude your mind;
But globalisation is still not solving the problems at hand.

Times are hard!
But, wonders will never end in the name of love;
As many are marginalised on this earth,
However, i have got my vision to move on.

Edward Kofi Louis
The Muse Of Illegal Lust!

Triial, trail!
Charged with the laws;
Because of the acts from your illegal lust.
The muse of illegal lust!
The fathers have eaten sour grapes and now,
Their children's teeth are set on the edge;
The muse of illegal lust!
The mothers have eaten sour apples and now,
Their children's teeth are set on the edge;
But, do not defile your neighbour's wife.

Edward Kofi Louis
The Muse Of Life

Black and white horses,
Black and white cows,
All that muses is about life;
Cos', the wind blows to where it is directed.
Brown and white horses,
Brown and white cows,
The muse of life teaches us many tricks;
But, i've got rain and sunshine to crown the day.
The muse of a moose,
The bloom of a flower,
The blues of mankind to take the pieces;
The muse of life teaches many.
'The dish washer is not in the Bible'! !
Shouted the lone-ranger in need of love;
But, all that muses is about life.
Of cows and horses,
Of men and women,
Of Black and White Race to fill the earth;
Yes, all that muses is about life.

Edward Kofi Louis
The Muse Of Life  2

The muse of ife,
Looking at the world before my eyes;
With the negative ways of mankind,
With the spears of war! !
And the tears of the people;
As mankind destroys each other with lies!
Leading to hatred and, the wars around us.

Edward Kofi Louis
The Muse Of Life!

Life!
Like European dogs with clothes on;
Muse!
Like African dogs without clothes on;
But, the thief waits for the night and,
The adulterer waits for the dusk.

The muse of life!
Full of ups and downs;
But, wash yourselves and make yourselves clean.
The muse of life!
With the terrors of the shadow of death;
And like the harlot houses around us today.

The muse of life!
To the city of my joy;
Learning to be perfect with the laws.
The muse of life!
To the city of my birth;
And, with letters of recommendation.

Edward Kofi Louis
The Muse Of Mankind

That made me cry! !
Because of hatred and war;

This made me smile!
Because of love;

Seeing the ways of life on earth,
With the muse of mankind.

Edward Kofi Louis
The Muse Of Sodom And Gomorrah

You love the muse of Sodom and Gomorrah,
And, you are putting more troubles around you than peace;
Because, your body is now infected with lust!
But remember that, there will be judgement on that day.

Edward Kofi Louis
The Muse Of The Light

Beautiful appearance!
With the muse of the light of the world before you;
But, let your light so shine among the people around you;
So that, they may see your righteous works.

Trust, entrusted!
With the works of peace,
With the works of love,
Sharing with each other with the joy of the heart.

Edward Kofi Louis
The Muse Of The Prophets

Peace and love on the land of your muse!
For Gaddafi went out without understanding the muse of the Prophets;
And now, he is gone too soon;
Because, the prophecy came and caught him up! !

What is going on in Libya is part of the prophecy,
And the prophets foretold them ahead of time;
And today, Gaddafi is gone too soon!
Forgetting about the coup he made some years ago.

Edward Kofi Louis
The Muse Of Wisdom,

The muse of wisdom,
Line upon line;
Here a little and,
There a little!
With the muse of knowledge and understanding.

Love!
To a native homeland;
With richly textured and boldly coloured fabrics,
And, with distinct designs.

Love,
Very elegant with the muse of peace;
And, with the aroma of romance,
But, line upon line.

Edward Kofi Louis
The Mystic

My mind is like an antigravity device and,
I am adherence to a culture;
But, i have an exemplify act of quintessential love for all.
It is a seeming paradox when it is full of diversity!
But, with its spiritual apathy to lift you up high;
However, with easy wear zipper flies! !
And with belt loop in the mystic world of the realms.

Edward Kofi Louis
The Mystics

The mystics of love and the mystics of life,
Where is my lover to kiss my lips? !
I have been waiting for so long in the rain and,
Your nakedness is somewhere else.

Edward Kofi Louis
The Nakedness

Why should i see the nakedness of my people in the name of modern fashions? 
For the 'Acapulco acts of fashions' had enhanced immorality; 
But, they are too blind to see. 
They do have mirrors in their dressing rooms but, 
They always come out dressed almost naked to the public! !
And now you understand what i am saying. 
Yes, everybody knows the message! 
But they are too blind to practise what is right; 
And the whole world is now deceived in the name of naked fashion.

Edward Kofi Louis
The Narrow Path

The narrow path,
With the works of the arrows of life;
Searching for you,
Not to be swallowed with the hatred of the world,
With a sparrow behind me.

Edward Kofi Louis
The Narrow Gate

The entrance of the court,
Decorating;
Thinking,
Muse,
Joy! !
Thickness,
To be strong;
Of the narrow gate,
To show you my home,
Exalted with true love.

Edward Kofi Louis
Of a long waya home and,
The bats do greet me on the way with love;
But, it is a very long way home when,
I do have my mind on you.

America is the Chief Of Nations and,
We have to depend onto Uncle Sam always for help;
But in my tols along this path,
I will suely get to you one day.

Many will learn but few will pass,
Many will write but few will be known,
Many are called but ew are chosen,
Like 'Adoni-Bezek' who is the same as'My Lord Bezek'.

On the narrow path,
My love to you is like the Rift Valley in Kenya;
But do kee th racoon in my garden to behave like a cat

In the days of the wheat harvest,
For i am a farmer with sincere love to touch you;
Like Alice in the Wonderlnd of Love.

A well of love,
A wel of water,
With a bowshotmon this narrrow path towards success;
My mind will always write for many to read,
For i am the teacher in the Wilderness of Love.

Edward Kofi Louis
The National Bird

National Bird,
The national bird;
In Africa,
In Ghana,
In my land,
With the muse of nature.

Edward Kofi Louis
The Natural Desire

The natural desire is what we are sharing together today,
But looking straight into your eyes gives me the message;
And your body has the beauty of love at all times.
Like an astrologer landing on the moon,
Forever we are in love when the phone stops ringing;
For your attractive body is all that i know tonight.
The natural desire and the endless love is what we do share,
And like a crab eaten in secret is your love;
When your picture flashes up in my mind always.
Circumstances are always psychologically,
But your beauty also interests the essence of your love;
And your desire is very precious to my heart.
I will always die for your love,
So come closer to me and let us share this kiss of love;
Bring your lips to warm up my cold lips,
Like the way of life in love when tomorrow is far away!

Edward Kofi Louis
The Need Of The Truth

Man,
Woman,
Male and female,
Mains,
With the need of the truth;
In this world.

Assistance,
Tested,
Approved,
Divisions! !
But, let the truth lead the way;
For the safety of the world.

Edward Kofi Louis
The Needs!

Member,
Remember,
The needs!
Seeds of life;
Facing the weeds of the odds,
Needs! !
To function;
Facing the truth with your Seeds.

Edward Kofi Louis
The Nestle

Nestle, nestle, nestle!
Come and nestle up my tea when,
I have no choice at all.
Yes, you can kill the prophets but,
You cannot kill the message!
So do nestle up my tea and my nest like,
The hopes and dreams that i have for you.

Of the optical values of my love to you,
To swing out the muse with love and care;
Like the love that we share on this picture.
Come and nestle up my nest and my tea,
Like the comprehensive ideas from my conscious;
For the wind blows to where it wants to.

Come to me my lover,
Come and let us share the secrets of our love;
Like the nakedness of your love in an open air with,
The thing called love all along to muse us together.

Edward Kofi Louis
The Net

The set,
The pet,
The net;
Yet in place;
But, don’t be wet!
Let the truth be with you;
To teach you the ways of life! !
Open your mind,
For the love of righteous works.

Edward Kofi Louis
The New Age

The new age,
The new page,
On stage with your sage;
To interpose!
To confirm it.
Interview! !
To ratify it;
Internunciator!
A reconciler,
With the passage of your works.

Edward Kofi Louis
The New City

The new city,
Your new lover;
Moving with her always in town,
Seen by the natives of the land.

Edward Kofi Louis
The New Fragrance

Love and dreams,
Love and peace,
Love and joy! ! !
The new fragrance,
With the romance of nature,
And the aroma of the laws of the truth.
The dream!
With Love,
With the muse of true love,
The new fragrance;
Touching the hearts of many,
Deep! !
To sleep well with Love,
Not to weep! !
For there is hope,
Always in the works of the truth.
The need,
To heed to the truth,
Love and dreams!
Love and peace,
Love and joy! !
Hope,
With the muse of the new fragrance.

Edward Kofi Louis
The New Moon!

With a bright star very far away in radius from it;
The new moon!
With a bright star closer in radius to it;
Of the moon, the stars and the sun!
As seen by the naked eyes very far from earth.

Lust!
Please, don't tell me that you hate me;
Living in China Town.
Lust!
Hidden in the dark with your muse;
Behind doors and locks,
Waiting for your prey.

To the back room,
To the back door,
Hiding in the dark! !
In the name of lust;
And, wasting all your time away.

The new moon!
With peace and love to all mankind;
So, be very wise to overcome all odds! !
For, true life is full of love than hate.

Edward Kofi Louis
The New Testament

If you do believe only in The New Testament,
I am not worried;
Because i do believe in it as well,
But where is it written that the Son of the Creator was born on December 25th?

'Ah Ha'! !
Now you've got my point;
Because the truth should be told always,
And i am ready to tell the truth than nothing else.

Edward Kofi Louis
The Next Page

You have dragons on your head and you think that you are wiser,
But the next page of life will let you know that you are a fool! !
For you only honour me with your lips,
And with your heart very far away from me!

In vain you do worship the doctrine of men! !
But the next page of your life has a question mark;
For you think you are wiser than all the people around you.

Your life is like the Babylon Talmud!
And like the acts of the priests around you;
But am attempt to destroy a culture is all that you want,
And like your dirty acts which are now recorded on the next page.

Edward Kofi Louis
The Next Step

The next stop,
The next step,
With the ray of hope;
Beautiful lady,
It takes two to tango!

Edward Kofi Louis
The Night

The night,
The light;
The sight!
To see,
To give me insight;
Like a bright star! !
At the right side,
At the right time,
Like a flight into another realm! !
Without a fight.

Edward Kofi Louis
The Night

The night,
Without the light,
In the dark,
To take a rest;
The night with the stars up high! !
To respect the ways of nature,
Oh! ! The night;
With the wonders of nature,
To take a rest,
And, to understand the beauty of life.

Edward Kofi Louis
The Night Is Beautiful

The night is beautiful!
Love is wonderful! !
Life moves on.

Edward Kofi Louis
The Night Is Long

The night is long!
And, there is no one around me;
To warm me up! 
Lonely,
Sitting alone in the dark.

Edward Kofi Louis
The Night Is Strong

The night is strong,
With the muse of nature!
Sitting outside and, watching the stars;
The night is very strong! !
With the beauty of nature;
Life with all that we can see around us,
The night is strong.

Edward Kofi Louis
The Night She Cried

The night she cried was when she fell;
Eating together,
As close as possible!
At this occasion,
With the muse of love;
The flowers of love,
Able to do so! 
And, to lie down in arms of love.

Edward Kofi Louis
The Night That The Moon Was Touched

Love,
The night that the moon was touched! !
For the first time;
Oh! What a lovely night.

What, haw, hat!
With the worka od true-love and respect;
At the bay at night,
Lovely with the muse of your romance.

Edward Kofi Louis
The Night Watchman

For the past three months,
I have been buried in a grave without a name on;
Because, nobody knew my name.
One day in the night,
A watchman heard a noise from one of the graves;
And he did what was right.
He came closer to the grave side which seems to make a sound and,
Started to dig around it to be very sure of what he was hearing;
Until finally he saw me and pulled me out!
Yes, I am now alive and back to life;
And I do have the hope to live again,
So thanks to the night watchman!
Thank you Sir,
For you've saved my life;
And the roses around my grave will always remember you.
Thank you Sir,
For being there for me;
When, many thought that I was dead and gone.

Edward Kofi Louis
Education, affection and achievements;
Uplifting your growing powers to reach out to the heavens! !
Leaving behind the mountains the fragments of disappointed love.

The noise of the wind!
With the society around you;
Cheers of your heart with the readiness of your mind,
In another level.

Philosophy and vocabulary,
With the cast of the society around you today;
Matches and watches!
Projecting the positive part of life to you;
Learning the ways of truth.

Rhymes and blues!
What is written is written;
Rock around the clock when you have the facts,
With the muse of a kind surface;
Because, out of the liquid came a human being! !
Like the the ship that brought in the sheep.

You eat but, do not have enough;
You sow much but, bring in little;
You cloth yourself but, do not have enough warmth;
You drink much but, still not filled with drink;
Deep in my heart with love to see to your works,
Able to understand your ways in the land!
But, let the truth be said always.

The Noisome Of The Wicked

The snare of the fowler!
The noisome of the wicked;
And, to reappear before the court.
Interdicted!
Admitted to the offence;
Text, pretext!
The alleged culprit;
Illegal lust,
To commit the heinous crime.

Edward Kofi Louis
The Normal Time

Meeting you,
At the normal time;
Set between us,
In the land of beautiful roses.

Life,
I don't want to close my eyes on you;
Love,
I don't want to fall aside from you.

Life!
I don't want to miss anything with your love;
With the muse of nature and,
With the award of your sweet love.

Edward Kofi Louis
The Nose Knows

Nose, knows!
The nose knows your act;
In the land,
Lose, hose, chose, whose, those!
The nose knows who you are,
The nose knows your identity,
To know!
Now or later;
Like your footprints in the snow,
After your adventure.
Structure,
With the muse of the picture;
The nose knows who you are!
In the land.
To dose,
After the act;
Addiction!
Addition,
The nose knows your act,
The nose knows who you are,
In the land.

The Oak Room

Meeting,
In the Oak Room;
Tour four, pour!
Of a beautiful lady,
With the streamline of her body.
Her beauty! !
Meeting her in the Oak Room;
With the aroma of her love,
And, with the peace of her mind.
The status-quo! !
With the status of the art of life;
Meeting her in the Oak Room.

The Occasion Demands It

Site,
Exquisite,
To fly up high like a kite.

Bite! !
Down to the edge of the city;
Until you reach out to the great tree.

The occasion demands it,
With the heart of love than, hatred and war!
Following after righteous paths.

Edward Kofi Louis
The Old Apple Tree

The taste of love,
The muse of peace,
The paste of life! 
Not to waste your time;
The joy of your heart!
The shade,
Of your shadow! 
Resting under the old apple tree.

Edward Kofi Louis
The Old Church Bridge

The horse,
Peacefully eating grass,
Seen from the Old Church Bridge;
Like a Sate Banquet held in honour of the truth.

Cry out aloud for Knowledge! !
Cry out aloud for the truth;
Wisdom is the key!
Like the Kindergarten speech;
To excel in everything.

To the valley of salt,
To the valley of sugar,
To the valley of pepper! !
To the valley of peace,
To the valley of fruits,
To the valley of love;
As the horse was seen eating grass.

Edward Kofi Louis
The Old City

The old city,
Your old lover;
Still searching for her once again,
Knowing what you want from her.

Edward Kofi Louis
The Old Dream

The old dream,
Still in my mind,
Moving on,
With the muse of my hope!
The old dream,
With the muse of my faith.

Edward Kofi Louis
The Old Gate

The old gate,
To visit the town of love;
Date, mate!
To guard your life with the rules,
Played with the songs of peace and joy!
Along with the fragrance of nature.

Edward Kofi Louis
The Old House

Nature,
Peace and love,
The old house began to move forward;
Slowly at first,
And then faster!

Edward Kofi Louis
The Old Man

The well-being of the old man whom you spoke of;
Is he still alive? !
Send my message to him,
Because, i will be around to care for him.

Edward Kofi Louis
The Old Mill

Storeys,
Built;

Stories,
Told;

Galleries,
Seen;

With the wings of love!
Visiting the old mill.

Edward Kofi Louis
The Old Serpent

The dragon! !
The old serpent,

Satan!
Who is the Devil;

Iron, ion!
Directions;

The itch,
The hitch,
The litch,
The pitch,
The switch;

Brass, grass!
The witch;

Grope, rope!
With the muse of the old serpent.

The Oldest Way

The oldest way,
The oldest road;
To go along,
With hope and joy.

The One For Me

When i first met you,
I knew that you were the one for me;
I can't help myself and i can't hurt myself as well,
For you are the one for me.
We met on a very special day and,
Let us play with this fruit of love that we share;
Like Romeo and Juliet.
If love is the fruit of life, let us play it well;
For in the game of lovers,
You are the one for me.
I will always need you beside me,
Like in the frame of sharing;
For you've won my heart from the start of things.

When i first met you,
I knew that you were the one for me;
And i have been thinking of you ever since.
I cannot easily sleep,
I cannot easily eat,
It will always be for me and you on this love;
I love you and i need you,
For you are the one for me.

The Ones To Watch

Patch,
Match,
Catch!
The ones to watch.

Tones,
Zones,
Clones,
Stones,
Drones;
With the ones to watch.

Talents,
Skills,
Muse, fuse, use!
With the muse of creativity.

To know who you are,
With your talents;

To know who i am,
With my talents;

Words and works,
Peace and love,
Kindness and humility,
With the passion of life! !
And the compassion of righteous morals.

The earth,
The journey,
Birth and life,
Growing up to face the world;
With the ones to watch.

The fragrance of life,
The aroma of the truth,
The colours of creation,
The romance of nature!
You and i;
The ones to watch.

Edward Kofi Louis
The Only Child

The only child,
Most of the time playing alone;

The only child,
Watching him or her to grow;

Facing the ways of life,
Always looking for a friend to play with.

Edward Kofi Louis
The Only Egg Left

You are the only egg left in this fridge,
But, i need o boil you and eat you!
For, i am hungry like a man from Hungary.

I have no turkey like a man from Turkey!
So, i need to boil you and eat you;
Because, this muse of love is all about you.

Edward Kofi Louis
The Only One

You are the only one to make me a drink,
You are the only one to love me for who I am,
And the price of a virtuous wife is far above rubies.

Trust is the foundation for joy, peace and love;
And a thing of beauty is of a great joy!
So, you are the only one who can share my loneliness.
