- 6 Degrees In The Cold

Winter!
Snow,
-6 degrees in the cold;
Seen in your land today,
When i am sweating over here in Africa! !

Edward Kofi Louis
'Cha-Cha-Cha'!

'Rumba manbo'!
Dancing,
Exotice,
Workout,
Without exotic moves;
Without red tidngs;
'Cha-cha-cha'.
With the colours of love,
Left in the sade of bleu.

Edward Kofi Louis
'Iworld'!

Road,
Broad,
Abroad!

The secret of the red dot,
Writing is part of my medicine,
Healing me all day long;

Panorama!
Tales from my homeland;
Like a garden planted with different roses.

Oar,
Boar,
Board;

Stepping out!
With the tales of Africa;
And, to be active.

Read,
Spread,
Thread;

Woman!
Why should you sell your body to all the men around you?
You are spreading diseases to the world.

Realism!
Being part of the world and to play my part with,
The works of peace;

Life,
A price too high;
Always active.

Evil workers!
On the road to hell with,
Their evil works on earth;
Love,
To get the perfect person on your side;
Like the fragrance of the African salt.

Sight, insight!
Knocking at the very door,
Explaining the light of your love into details;

A land full of beautiful flowers!
Love has no wings but, it can easily carry you away;
Into a special place full of joy! !

Dates and records,
Marriage is between a man and a woman!
Knowing the truth from the beginning;

Metropolitan Museum of Art!
Why are you naked in your dress?
In the eyes of the public.

Blog, Log!
Press, express!
In colours;

'World'!
So it is;
As it was and, now it is.

Board, broad!
To come on board,
With the muse of migration;

The power of dreams!
The power of love,
The power of nature;

Screen, seen!
Peace and love,
With the echoes of the season;
Chef, chief!
Expand your mind and, always seek for the truth;
And, learn to lead.

0.5 Cm To Mark Off The Range

Real, rear, reap, really, react, read;
Measured!
0.5 cm to mark off the range;
Crab, crap!
Reading, reach, reason, reaping, ready;
Thin, thing!
Velvet,
Thin, thing, think, thick;
Life!
Hold me out of this place;
Because, i am a star.
Crabs, craps!
Of your love,
Mythical touch!
Of your tender lips on mine;
Love!
Very unique and pretty.

Muse!
In my lovely garden with a call from a rabbit;
And, it came along to say hello to me.
Life!
Looking at it from the other side;
ear to ear to listen to your muse,
Year after year to learn from you.
All in!
All out;
Life!
Impossible is nothing.

Jury, injury!
The accident;
The incident,
With a fatal injury.
Life!
You can't always get what you want;
But, try to give help to the por always.

Earth!
Our lovely home;
So, why are we destroying it today with hatred and war?
Bible, able, amicable;
True love is about us,
Living on this earth to share ist resources.

00: 01 A.M.2016

Sweet 16!
00: 01 a.m. 2016;
With the feet of love,
Knowing where to step,
For the sake of peace.

Sweet 16,
Entering into a new world;
A new year,
To see the ways of life!
With the light of sweet love.

Days and times,
As the years go by;
Always with a beginning and, an end.
Sweet 16! !
You are always welcome to my simple abode.

Optimistic! !
Captured with imaginations;
With the natural reaction of nature,
Depicting natural situations.
Creative!
With the appreciations of life;
As one finds himself or herself in bed.

001

The chief of the Nations!
With code number, 001;
Learn from it and be very wise,
Valuable to the works of peace.

The library of the congress,
Adorned!
Assigned,
Why and how?
Traces and tears.

Shadows of life!
But, with daylight;
The insight,
With the right phone code for the chief of Nations.

Real and vital,
001;
Chalk, walk, talk!
With space and time.

Edward Kofi Louis

Love sweet love,
Sleeping in your room alone;
Still waiting for someone!
The one to touch your heart,
Deeply with the muse of true love.
05: 05 Hours with your love!
In your land,
In your room,
Dreaming of that day;
Love sweet love,

05: 50 a.m. with your muse,
Still asleep with your joy!
Sleeping Beauty,
Muse of love and life,
In your beautiful room,
Waiting for the sun to say hello to you.

Edward Kofi Louis
05: 55 A. M.

The flesh,
The flash! !
Light,
Bright,
Attack! !
The blood,
05: 55 A. M.;
In your land,
With the negative works of mankind.
Pose, rose!
For the insight,
With the sight around;
Hoping to get away from your attackers.

Edward Kofi Louis
05: 55 A.M. In Your Room

Another Nightmare! ! !
Hearing the noise,
Hearing your voice,
Hearing your cry!
05: 55 a.m. in your room.

Edward Kofi Louis
05: 59am With Your Muse

05: 59AM with your muse!
Taking care of yourself;
And, to set your mind on positive things only.
Life,
Don't boil the honey with your acts!
For, we need peace than war.
Cain, pain!
As Satan came along to entice you;
With promises which cannot be fulfilled.
Illegal lust!
It seems very calm in the very eyes of the storm;
As the flood came through the waterway,
But, inspired by the truth to wake up early! !
At 05: 59AM with your muse.
Life, love, peace!
Officially noted with your works;
But, Satan came along to test you,
With the pleasures of the world.
Drone, clone!
And, with complexities;
Deep and large!
Narrow and tight;
Wide and easy.
To make your choice,
With the choices of life laid bare before you;
Broad and nice!
And, to dance with the tail of Satan around you;
But, try to watch the bread offered by the evil one and be wise.

Edward Kofi Louis
06: 13 Hours In The Land Of My Muse

Waking up!
06: 13 Hours in the land of my muse;
Praying,
With stretched out hands up towards heaven.
Knight, night!
Like a Knight in the night;
Dinar, diner!
After the very ways of mankind;
But, i got up this morning at 06: 13 Hours.

Edward Kofi Louis
07: 07 A.M.

Mare, bare, dare, pare, stare, rare, are;
Can you cross over this river?
Bongo, Congo, Togo, mango, logo;
And, at 07: 07 A.M.;
Then, think twice before crossing over this river.

To serve others and to help others,
Flare, care, hare, fare, glare, tare, ware;
And like the sweet smell of the air!
But, be very humble as a child.

In the desert of love,
At 07: 07 A.M.!
Made from honey and water;
With small sizes and big sizes,
But, shame the devil and be free with your life! !

Edward Kofi Louis
07: 07 Am With Your Love

Muse!
Like a chief and a farmer;
Life!
Be strong and believe in Yahweh;
Muse!
Like a passing thought;
Life!
Like a passing glance;
Love!
It will touch your heart;
Love!
Like flowers kissing each other;
But, you are waiting for tomorrow morning.

Autodidact!
Teaching yourself with the muse of your autograph;
Sold, solder! !
With the peace of your mind;
Life!
Searching and waiting for your turn;
Since, the muse of your life is moving on like the pendulum.

Flowing waters! !
From the top of the mountains;
But, we are one Family on this earth.
Life!
Living with nautre;
But, with the rules.
Life!
With something sweet and something bitter;
As we go along with the muse of nature.
Love!
With the magic moments;
07: 07 AM with your love,
Waiting for the rising of the sun.

Edward Kofi Louis
07: 07 Hours To Meet The Train

Along the way,
07: 07 Hours to meet the train;
Life!
I will go where love is;
Because, hatred and war cannot solve my problem.

Way, away!
Far away to your hometown;
Taking the Train to reach your heart.
Dress, digress!
With the sweet muse of my mind along the way.

Hidden companion!
With the tail of a swan;
I will go where love is.
Tiny, tinny!
07: 07 Hours on the way with the train to meet you.

Edward Kofi Louis
07: 13 Hours With Your Sweet Love

Unconditional love,
Purity is the mirror;
07: 13 Hours with your sweet love!
With the moods of life,
Touching the fruits of the soul,
Hypnotic and serene,
Deep down! !
Because, love touches the heart.

Edward Kofi Louis
07: 21 A.M.

Gent, diligent!
Light,
Delight,
Trance! !
Entrance,
Endurance,
With the bright side of your dance.

Flowing!
Simple and free;
With your steps,
07: 21 A.M. in your land,
Fill, drill!
With the insight of your tradition.

Edward Kofi Louis
The call!
At 08: 08 A.M. in the land of your muse;
Life,
Don't do something now that you will regret later;
But, let the muse of sweet love be led with the laws like,
Chambers of peace in Paradise.

The truth!
It had made me what i am today;
Life!
Everything starts at home;
With the influence.

Love!
It is crying for you;
So, be ready.
Love,
Peaceful and quiet;
With the muse of compassion.

Edward Kofi Louis
09: 09 Hours With Your Mind

Cure, secure!
Echoed,
Noted,
Sure,
Pure;
Black, blank!
Sank,
Lack,
Bank;
09: 09 Hours with your mind.
Heel, heal!
Steps taken with love;
Natural life,
With nature's orders.
Magic! !
Back to the basics,
With the secrets of the wild dreams of love;
Wave, waive!
Learning from the truth and,
To knock at your doors at anytime;
Opel, pole, lope!
To make a difference in life;
With red wine and red apples to satisfy your taste.

Edward Kofi Louis
09: 10 P.M.

Brown sugar!
White sugar,
Mrs. Brown!
Mrs. White,
Playing along the beach;
With laughter on each act,
To reach out on any move.
09: 10 p.m. at the beach,
To make your choice and, to let your voice be heard!
Taking a view along the beach;
Of dogs and horses! !
Seen around;
Respecting your ways of life in the name of peace.

Edward Kofi Louis
09: 11 Hours

09: 11 Hours,
Waking up in the morning to watch the sky! !
For the message,
Because, what i have habe in mind is different from your mind;
Messages!
With the muse of the heavens,
With the ways of life,
With the aroma of the truth;
The fragrance of nature! !
Leading to peace;
With the joy of my heart,
Into another realm,
The realm of true love;
The realm of the soul!
The realm of compassion,
The realm of a positive heart,
With the muse of the message from heaven.

Edward Kofi Louis
1 Among 50

A few out of many,
But it was 1 among 50 as the muse wrote;
And like a lovely garden with the muse of love,
But the rain comes to water us all in peace.

Do exactly what you have in mind,
And do what is nice to respect my love;
But it was 1 among 50 as the muse wrote,
For the joy of this garden is like living in paradise!

Obey my voice and obey my love,
And like the lovely songs of the birds around;
For this garden is all that we have,
But it was 1 among 50 as the muse wrote!
And the true peace of the mind always comes with love.

Edward Kofi Louis
1 Among 50 Beds Of Love

I am like a small shop in Queens,
Along the 6th Street with the muse of my love;
However, you are, '1 among 50 beds of love'!
And, i am ready to visit you with my muse.

Springs of love! !
Springs of joy;
Reeds and rushes,
There will be grass enough for you!
In the valley of sweet love in your land.

'1 among 50 beds of love'!
Care for me and, let me share my love with you;
Like the drops of the rainfall under the maple leaves of love.

Edward Kofi Louis
1 Among 59

The only Black man among 59 White Artists,
But call to my muse and let me show you who i am;
For the rainbow came along and,
The gaome of colours painted us all with love.

Edward Kofi Louis
1 Among 59 Others In The Land Of Many Roses

He can't stand her and she can't stand him!
But at the spot of this moment i have made up my mind;
Because i was 1 among 59 others in the land of many roses!

On a ball field,
Satisfying my muse to meet up with the beauty of love;
But on the first stage to respect your muse!
Because they have failed to execute their duties appropriately,
But i am here with my mind to make a difference.

Edward Kofi Louis
At long last! 
I have found you once again;
Because, you are '1 among few'!
And, your words still run in me.

Yo re like a saint to me!
An, more than one! !
Because your are '1 among few',
And your words still run in me.

I do remember those days,
But i wasn't matured enough to understand your vision by then;
But noe, i know who you are!
Because you are the chosen one,
And you are '1 among few'.

Your words are the words of light which overcome darkness!
And i am glad to meet you once again after many years in absence;
Because your are '1 among few' whose words touches my heart deeply! !

Edward Kofi Louis
1 Among The Best!

1 among the best!
You were seen among the best last night;
For, your style was like the muse of love,
And very different among the lot! 
However, it was like the muse of love in the land of joy.

1 among the best!
You've finally made it up to the top;
For the colours of the rainbow brought your message to me,
And you were decorated with the roses of love.

Edward Kofi Louis
1 And 6

You played a lot of 1 and 6!
And you won the game;
But think of the poor people around you,
Because they have no food to eat!

Edward Kofi Louis
1 and 6 add up to your love,
And like a sleeping volcano waiting for a companion!
But this garden of love needs some water,
So be ready to water it all day long.

Prophesied,
Wonder,
Rendering;
But 1 and 6 add up to your love,
And like a realistic fruit of love on your first kiss' scene.

Edward Kofi Louis
I will love to see you by my side,
And you will be given what you were made to receive;
Faithful,
Longer,
Fiery,
Fearful,
Persuaded,
Many others!
But, 1 before 2;
And like the muse of your love in the graden of peace.
Lap, map, tap, yap, cap, dap, soap, flap, clap;
But, try to have mercy on 'Mercy Opong'!
For, she's ready with her muse.
Sap, hap, nap, rap, strap, slap, trap, wrap, crap!
But, 1 before 2;
Moon, noon, spoon, soon, boon, croon, goon;
But, you won't be there this time around!
Liable, reliable, able, cable, capable, honourable;
And like the sweet muse of love,
But, 1 before 2!
Because, Rome was not built in a day.
Caucus,
To be mounted;
Calculus,
To be noted;
And like the honourable things in life!
Constable, sable, gable, stable, table;
But before the law with your muse for obvious reasons,
For the agenda is now set up in the order of 1 before 2.

Edward Kofi Louis
1 Divided By 2 Equals To 0.5

At the corridor,
Of the dispute,
Corruption and failure!
Site, mite, white, bite, kite, quite, rite, write, cite;
A widow's mite,
Cleanup,
Of such things,
I have told you before! !
Because,1 divided by 2 equals to 0.5.

Who's who? !
Strife, rife, wife, knife, life;
But, take me along wherever you go!
Fit, hit, bit, sit, merit, grit, wit, whit, kit, pit;
For, there is nothing you can do to correct them! !
But, to c´hange the subject is much needed.

Possible, able, comfortable, table, stable, cable, marble!
But with a lot of progress;
However,1 divided by 2 equals to 0.5! !
And, we need to learn from this dispute.

Edward Kofi Louis
1 From 12

1 from 12 is what i need from you,
But the earth is our home and our training ground;
But like a ruler and many servants,
All the virgins chosen have now made themselves ready for the bridegroom.

Edward Kofi Louis
1 From 12 Equals To Your Lovers Around

Relationships,
Regulations,
With no fish and no money at hand! !
But 1 from 12 equals to your lovers around;
And like solid structures in the land of your muse,
But you are very much nted for who you are.

Edward Kofi Louis
1 Million

1 Million people and 1 Million animals,
Exposed the colours of your mind and let me love you;
Because i am living in the house of peace!

Edward Kofi Louis
1 Million Dollars For Your Lover

Alleged,
Complex,
Wagging,
Rationale;
You are aware of the challenges ahead of you! !
And like the muse of the rainbow reflecting on you,
Because you have reserved 1 Million Dollars for your lover.

Edward Kofi Louis
1 Plus 5

1 plus 5 equals to.......................?
Say it yourself because,
I am about to love you;
For the head of the woman is the man.

Edward Kofi Louis
1 Plus 5 Equals To The Muse Of Your Love

Crafting,
The moment of change is now around you! !
Infatuation,
And like the first meeting of your love in the bush of beautiful flowers!
But through the principal streets of Accra i will look for you;
Because,1 plus 5 equals to the muse of your love! !

Edward Kofi Louis
1 Plus 5 Equals To Your Lovers

1 plus 5 equals to your lovers around you,
But panelled with pine and engraved with words;
For the wonderful woodcutters are here to stay.

Cattle, sheep, donkeys!
To expose your love to your lovers around;
And like a gem cutter with the works of art.

Rings of gold and rings of silver,
7 kilometres long! !
But, your only ember is with the rings of bronze.

Edward Kofi Louis
1,000 Faces

The laws!
Instructive to one who accept them;
But, foolish top the wicked who,
Have destructive minds against the truth.
Controversies! !
Fighting against each other;
Which always generates strife.
Wicked acts,
Not ready for the truth;
Like the muse of someone with 1,000 faces.

Edward Kofi Louis
1,000 Ways Of Your Love

Motives,
Reserved,
A long-held judgement!
But in proximity with each other;
And like 1,000 ways of your love.

The all-important first kisses of love!
Considering your acts and the ways of your life;
And like 1,000 ways of your love,
But try to take a big adventure with the moon.

Edward Kofi Louis
1,000 Years In My Loneliness

This world,
With my mind;
Birth,
Growing up!
Along the line,
With incidents and accidents;
Waking up again after every fall!
But, life at times tme is like,
1,000 years in my loneliness.
Success,
The success of life!
Always hidden from me;
Why?
I still don't know;
Falling down and waking up!
Always with a dream of making it one day,
With the hope of my heart.

Edward Kofi Louis
1,2,3!

I did it once,
You did it twice,
They did it trice;
1,2,3!
Playing around in the garden of love when,
The beautiful flowers started blooming;
But, there is no place like home.

Pump, dump, lump, crump, clump, jump!
And by doing what is right always;
For, the beautiful flowers have started blooming.

Rump, trump, grump, slump, sump, hump!
For, i did it once and you did it twice;
But, they did it trice! 

1,2,3!
Playing around in the garden of love when,
The beautiful flowers started blooming;
But, there is no place like home.

Edward Kofi Louis
1,2,3,4!

The flood came and took the dragon away;
And, sadness fell on the faces of the people!
Because, that was what they were worshipping.

Edward Kofi Louis
The night comes when I will sleep with you,
But I will wait for you in the forest of Arabia!
And like the muse of your love which is 10 hours away from me.

I will be with you like the whirlwind of love which passes your valley of love,
But the border of your love in the desert is by the sea side;
And like the muse of your love which is 10 hours away from me.

Edward Kofi Louis
10 Hours In Hell

The plot,
Closer to each other than ever;
But this first love was like 10 hours in hell!
And like the bombs of war,
But i will move on with my positive mind.

Same person and of the same act,
But in confusion with the muse of love;
And like this complex issue at hand,
But this first love was like 10 hours in hell.

Edward Kofi Louis
10 Km From The Airport

10 Km from the Airport,
On the outskirts of Ghana’s capital City, Accra, to meet your muse;
But, what you sow is what you reap in this life! !
And like the words of your parents now leading you on  to the right path,
But i will always find a way to satisfy you with my love.

Edward Kofi Louis
10 Million Euro! ! !

I've got 10 Million Euro in the Bank! ! !
And, the dogs are chasing after me;
But, where are the gods to answer them? !
For, the stars are like rats around me.

10 steps to heaven are like the '10 Commandments'!
But look around and see the truth;
Are we really keeping the laws? ! !
Then, we need to rethink to follow these steps.

Edward Kofi Louis
10 Weeks Ago!

Today is 10 weeks ago and,
I am still waiting for her call;
For, she left me without a note!
It is just like when a boy loves a girl,
In the land of beautiful roses.

10 weeks ago,
And, I am still waiting for her letter;
And, it is just like when a girl loves a boy!
In the land of beautiful roses,
With true love, mercy and concern.

10 weeks ago!
Like the muse of the king and the prince
Living in the garden of love;
But, nature had now left me alone in the bush,
With the sun shining on me alone.

Love,
With the muse of an echo heard from afar!
But, she left me without a note;
Life,
The rain will surely fall one day!!
To quench my thirst in the forest.

Edward Kofi Louis
10 Years After

'Go'! !
My son,
For your own safety;
And, from her own words i left!
To the other side of the river,
However, she died 10 years after! ! !

To take care of yourself in life.

A man's principles,
Everyone has a secret;

A woman's principles,
Everyone has a story to tell;

But, there is always something better in life,
When the right thing is done.

Throw away the crabs and gain your health;
And, go to the potter and learn from him or her!
How he or she makes images out of clay.

A way very far away!
With the struggles of life;
And to know what others do not know.

100 Holes Of Traps

I am walking as if in the air!
Because of traps set down before me;
And i have to watch every step that i take.
Life is not easy at times,
But it needs somebody with a strong heart and a dream to carry on!
Because kindness can be very deceitful and beauty can be vain at times.

100 holes of traps set down before me,
But my mind is still stronger than the woods! !
For i do have my faith and dreams to carry on;
And my steps are now being taken with care.

Edward Kofi Louis

100,000 Days Of Love

I need it from you,
So give it to me!
And like 100,000 days of love in the land of your muse;
But, when will you allow me in?

Yazoo River,
In the land of my muse and with the mind of peace;
But where is the beginning and the end of this river?
Because, crossing over this river is my dearest dream!
And like 100,000 days of love in the land of your muse.

Edward Kofi Louis
1000

Cleanliness,
Charater,
Ministers;
1000 Dollars and 1000 Euro!
But your love came to me when i was out of money;
And i underwent a tested time to prove my status,
However i was like butterflies in the time of the cold.

Edward Kofi Louis

Yield to obedience and love my muse,  
For the light which will light up the way to your heart is now closer.  
11 days after,  
The light of life and the peace of the mind;  
For the light shines now in the darkness!  
But the darkness does not take hold of it,  
But i am as a door of hope to you.

11 Million Euro

I ate your sweet apples and i was satisfied with your love,
But now it is worth 11 Million Euro to my heart!
For Shaul had a concubine and i do have one too,
And now it is like war and strife.

Edward Kofi Louis
11 Million Gigabyte

Hungry lane,
You don't have to steal to make a living;
For the dead are already begging to return!
And like the rum and the coke on your table.

Tainted love,
Have you seen her once again in your neighbourhood? ! !
For they can't stop me from living a better life with my muse,
Because you've stolen enough from me!

On the road of love and,
On the next track;
But do not steal because of your hunger!
For the thief will be caught by the law one day.

Stay like bees and be safe and protected,
And from hand to mouth for the house cleaning exercise;
For you may be judged when being caught by the law.

11 Million Gigabyte!
For the opening track of your mind is always negative;
That is why you lack the experiences of life,
For stealing will surely lead you to hell.

Edward Kofi Louis
11 Minus 2

I am living closer to a bard whose mind is afar off with wisdom!

Edward Kofi Louis
11th November

Walking down along the road of love,
With no roof upon my head;
And the watery eyes of mine do have more to tell.
Beyond race,
Beyond creed,
Beyond colour!
With letters at your doorsteps like,
The forgotten name of mine.

Fruit of Lebanon,
Gold of Sheba,
In the tenth Moon to look for my lover!
But the days of our lives are seventy years and,
Eighty years if we do have the strength.

I am in the Valley of Tears!
Where Meshach and Ariyl do play at times;
But i am like the hissing of a snake,
Without a roof upon my head!

Lamentation and bitter weeping,
She played the harlot and you slept with her;
But when the cock crows at dawn,
I will be at your doorsteps of love.

Walking down along the road of love,
With the sadness of 11th November on my face;
But the first cockcrow is like,
My head with no roof above!
'Shalom Aleichem'!
This is like the '44 Wall Street' when equated to,
The 44th U.S. President! 
Yet still, my tears of hope will lead me on.

Edward Kofi Louis
11th November 2010

For, September 11th is still in our minds.

12 Years Later In The Land Of Joy

The arrows of war!
12 years later in the land of joy!
But my red-burry nights are now disturbed by the bombs.

Where are the tombs to bury all these people? !
For this war is like my loneliness with my blue-burry nights;
But i was disturbed by the stray bullets! !

In the land of joy and in the land of love,
The land of joy is now bombarded here and there! !
And this looks like a hole where the lions went in,
But my mind still rests on all those years gone by.

Edward Kofi Louis
12: 12 At Noon

See!
To the west;
With the muse of the sky.
With the word, 'yes', written up high!
12: 12 at noon.

Clark, lark, ark!
With the ultimate paradise in mind;
And, with the muse of love and babies.

True love!
Very wonderful;
With the muse of the secretary and,
The telegraphs at hand.

Talents!
Intents,
To read through your letters and,
To watch the sky;
12: 12 at noon,
With the word, 'yes', written up high.

Edward Kofi Louis
120 Talents Of Gold For You

120 talents of gold for you my lover,
For this is as the wedding gift ahead of time;
But the attending servants are already in their robes.

I came and i saw with my own eyes!
For your love is sweeter than honey;
And in wisdom and in wealth i will always be with you,
For the stars spelt out your name to me.

Look at my face and you will find love,
For i have chosen you as the queen of my heart!
But this road of love is full of weapons of war at times.

Edward Kofi Louis
120 Years Old

Mosheh was buried in the plains of Moab,
And he was 120 years old;
But your sex-symbols are everywhere today in the anme of your gods! !
However, i will give my respect to 'Uncle Sam' in peace.
Testimony,
Fulfilling,
And the first born opened the womb!
But the voice of the Mighty One came out from the midst of the fire,
And the truth was revealed to us.

Edward Kofi Louis
Main!

Love has a key;
Which opens the heart of peace always.

Edward Kofi Louis

And like the Prince of Persia in the garden of love;

Human targets,
The highlights of my love came to you like a flash!
But the dream on this love is all that i have,
And like 127 hours with your muse.

Edward Kofi Louis
12th April 2016

Over 10 years ago! !
As you gave out your delicious food.

Edward Kofi Louis
12th August

You are my august lady who visited me on the 12th of August,
And the absolute proof of your love cannot be denied!
For you met what you wanted on this date.

She was as sweet as the apples and,
She motivated me to move on;
For she was like the wealth of a Nation.
Oh yes, the promised land was occupied by her love;
And she had enough from what she wanted.

From Winneba to Accra and from the realms of love,
For she was hoping for something great on this date!
And there it was with her nakedness on 12th August;
With no opinionated controversy like, a boat on the deep blue sea.

Edward Kofi Louis
12th June 2010

I banked the table very hard twice because,
I was tired of the negative systems around me;
Oh, what kind of people are these?!

12th June 2010,
And of the dirty chains around my neck;
For these people do not understand the sense of life.

Why can't they understand me for what i am made of?
Why can't they understand me for who i am?
For i need my freedom to represent my status in this land.

Edward Kofi Louis
12th March 2011

Meditations,
Spiritual,
Match-makers!
Five golden rats;
You buried your mother today in the land of your mse,
And like the sound of your cry when i heard the news of her death.
12th March 2011,
Bow, vow, cow, mow, now, tow, how, low, row, sow, wow, yow;
And like the spears and the arrows of our lives!
But your mother had left us to a land far beyond the flesh,
So dry up the tears from your eyes!

Edward Kofi Louis
13 Days Underground

Because, the bullet sof war are chasing you from every direction,
In the land land called Syria.

Friday the 13th of October 1961,

13th May 2012!
You cut off your links from me because of your call;
And your anger was like that of the devil! !
However, anger always kills a fool.

Brass, grass, crass, harass, morass;
And like the economic change in Ghana! !
But, anger always kills a fool.

Your call ended it all!
But, you have to overcome the challenges of this life;
And learn for the better!
For, you have not learnt anything from,
The last 13 years under the wings of the laws.

Edward Kofi Louis
13th November 2010

13th November 2010,
The first time he left his parents to sleep with his grandparents;
But with the love of his muse to praise the world!
Because his parent had an appointment to fulfil somewhere.

Edward Kofi Louis
Today i am 47 years old and,  
I hope i have done my best on this earth;  
But i still respect all those who love me and,  
All those who hate me.  
To whosoever i have hurt along the line,  
I say i am sorry;  
And to whosoever i have helped along this line,  
Do extend the blessings of love to one another.  
Yes, i came into the world on Friday the 13th;  
And my mind is always ahead of man,  
But many still do not understand who i am.  
Please, do you know me very well?  
Then it is a blessing to you;  
But if you don't know who i am too,  
It is also a blessing to you!  
For praises should rather go the Creator in heaven.  
I have gone through life in many ways since my birth,  
But most of them are my very hardships in Africa!  
And today i am what i am with my poems to you all.  
Let us put the world into a better place than hate,  
Let us love one another in peace than hate,  
For we still have to learn from one another;  
And this world was made for you and i.  
13th October,  
My very entrance into this world for mankind to know who i am;  
But this world of ours is still very complex! !  

Edward Kofi Louis
13th October 1961

13th October 1961,
Born to meet the problems of the world;
Even at this present age,
Life is still not easy with me.

Why should life be like that on my side?
When, I helped others to succeed;
Why should I face problems like these?!
Even since I was born;
However, the sun shines on us,
But, the problems around me are like rivers of waters.

Ambiguity!
With subjective interpretations;
Mystifying!
Perplexing,
Like the Generational Error Syndrome (G.E.S.):
However, I have to double-click my status to make it very large,
To see the fruit of success very clearly.

13th October 1961,
Common to the people around;
Who saw my birth,
As I came to the world.
Tar, tartly!
With a refreshing drink after the hard work;
Misnomers!
Weirdness,
Abbreviations;
With the ways of life at times.

Species!
Embedded;
Spices!
Noted;
Indigenous,
Black and white in colour;
With the very ways of life,
Being faced with many problems.
Edward Kofi Louis
13th Street

13th Street,
With the muse of your love;
But the worship of the Dead is what you know!
With the objects always seen around you.

Edward Kofi Louis
14 Boxes

Page, cage, wage, age, gage, mage, rage, sage;
Like a bow through the rain in search of the rainbow!
But whose hose is now hanging over there?
Date, fate, late, gate, bate, mate, pate, sate, rate;
And like the 14 Boxes of items shipped to her,
But she possessed what you wanted.

Edward Kofi Louis
14 Million Euro In Your Accounts

'E' for Euro and,
'E' for Edward!
'D' for Dollar and,
'D' for Donne!
But, you have 14 Million Euro in your accounts;
And, sa are your friends!
But, this muse of my mind is all about peace.

Edward Kofi Louis
144,000 With The Truth

Life!
With many false prophets around us today;
Love!
With the message of peace;
The Tree of Life!
That's what you need;
The tree of 'righteousness and evil'!!
That's what you have to do away with;
For, the truth is only with the Tree of Life.
Life, love, lust!
Sealed;
In their foreheads,
144,000 with the truth.

Edward Kofi Louis
15 Boxes

10th November 2014,
Finally the 15 boxes of items were taken away;
of the cargo items for shipment,
To help the poor and the needy.

Love,
With the joy of the heart!
For, true love heals all sickness;
because, helping others means, helping yourself.

15 boxes of items,
To ship them for the poor and the needy;
With love and compassion,
Taking care of the people in your town.

Edward Kofi Louis
15 Years After

I came in!
15 years after;
With the unity of the land,
In the name of freedom! !
Independence,
With photos and videos.
Lot, plot!
Let peace train your mind and,
Let love train your heart;
Living under the umbrella of the laws of righteousness.

Edward Kofi Louis
15 Years Under House Arrest

15 years under house arrest,
I am now free to write out my mind!
For the muse of this love is like the suffering masses of this world.

They came and they locked me up,
Thinking that they've silenced me forever;
But i am now free at last! !
Yes, free from the hands of the workers of evil;
And i really know what i went through.

With tears, toil and pain;
This was like the story of 'Aung San Suu Kyi' of Myanmar! !
But the heavens opened the windows and poured down heavy rainfall,
There and then i gained my joy to write this poem.

Thanks to my mother who gave me much hope,
But peace to my father who was no there!
Because he was busy somewhere else;
And to my siblings i say a big thank you! !

The cruel of mankind,
Of my experiences under house arrest;
But i am now free to write out my mind,
Because a well planted seed will surely grow out no matter what!

Edward Kofi Louis
150 Shekels

Your love is like a horse sold for 150 Shekels,
But the sycamores on the foothills are mine;
And i am here to water them.

Edward Kofi Louis
153 Large Fish

Do you love me?
Then follow my laws and do the right thing;
For bread and fish will be food on this love,
And like your muse so respected last night.

I saw you and i spoke with you,
And you know that i love you!
And like 153 large fish caught by the fisherman;
But the pleasure and the measure of this love is all about yout muse.

Edward Kofi Louis
15th December

After the wars will there be a world of peace,
And after the muse that muses will there be love around us;
For i need your, love and your peace to carry me on.

How can you carry me on so long and then suddenly disappear? !
Oh my dear one, what really went wrong?

To see a world without war,
To see a world without hate,
And to use the opportunities when they do come your way;
Oh, i can't even see your shadow around me any longer.

15th December,
Of your love so sweet and gone too soon in the thin air;
But, he who have wings should fly me up high to find my lover,
For hatred is the key to many deaths around us.

Edward Kofi Louis
The glass fell down and broke into pieces,  
Then i knew that something was wrong somewhere; 
For yesterday was Valentine's Day and, 
Your mother died on the same day.

The news came in and it made me sad,  
Because your mother died on the 14th of February 2010; 
But sad as it was, 
She was immediately buried on the 15th!

Of the tree which was in the garden and was desirable for food,  
But Valentine's Day came in and took her away; 
And she is gone forever. 
Oh, what has been sweet is now soar! 
For you can now see the tears in my eyes; 
And like the thorns and the thistles of the tree nearby.

15th February 2010,  
Today i am made a citizen in a foreign land! 
But your mother's death have taken the spoon out of my mouth, 
And it is like sadness and joy.

Wise and knowledgeable men and women,  
This news had brought tears in my eyes; 
And i am now like a horse and its rider, 
But on a narrow path to find my way home.

Edward Kofi Louis
16 Days After

16 days after!
And like my age;
Because, i am 16 years old!
And, the muse of love came and took me away into the bush;
But, i heard the echoes of the voice of your calling,
And today, i am free.

Edward Kofi Louis
16 Holes

16 Holes! 
With the muse of the big Metal-Plate,
Running through the Machines;
Busy at work,
With the muse of bolts and nuts.

Edward Kofi Louis
16 Years After

Elect, select!
But, she couldn't make it;
And she passed away.
Aurora, Ur, oar!
Licensed,
Reconstituted;
Pay, play!
With the muse of life;
Track, rack!
Going through hardships;
Eating the same bread for one week.
Rough bush!
Details,
Requested;
Coil, oil!
16 years after to recall from the past;
Soil, so, oil!
Assessment,
Of the cost involved;
Ready to bury her after her death.

Edward Kofi Louis
17 Years Ago

1999 to 2016,
17 years ago;
Drills of life!
overcoming the odds of life,
On this journey! !
Starting from 1999,
At 'Nii Boi Town';
Gathering the people,
In the Name of Yahweh,
On the Sabbath,
Till today! !
2016,
Being 17 years ago.

Edward Kofi Louis
1700 To 1800

The story of 1700 to 1800,
And of the slaves taken away from West Africa;
But the plantations of the Americans have a lot to say.
A message to the Ashanti Kingdom and the Ashanti king,
Anf of the history gone by;
But we still have the Europeans in mind to think about the slavery days.
Timber, groundnut, cotton, cocoa and coffee;
And of the strong en and women sold out of Africa!
But one day the palm oil will satisfy us all.

Edward Kofi Louis
17th December 2000

I came to your house and saw the heavens above me!
Like love brewed in the African pot;
But, the Sweet River of Love started crying! !
When, you said to me that, it was all over between us,
And, i was left alone at the end of the road.
The muse of life,
Standing there alone;
On the 17th of December 2000,
And, i could hear the ocean crying out loud as well.
The muse of life,
The forest came along to me and gave me the kiss of hope;
Even though, i was totally lost with the very words that came out of your mouth.
Oh my heart! ! ! Take me home;
For, she knew what she was doing when she said that, it was all over.
17th december 2000!
This was my very story at the end of the road;
And, gone too soon was her words,
Then, i carried my feet out of Winneba.

Edward Kofi Louis
Then the day came around!
Then the time came around,
For me to leave;
Living my place of residence,
Because of hatred.
17th September 2017,
Going away with the peace of my mind;
Only to teach the truth to the very ears ready for me.

Edward Kofi Louis
18 Metres Deep!

Love!
Very positive looking into the future;
Skin, kin, in!
We know nothing about his father;
Love!
You're so beautiful to me.

Life!
You're so Special to me;
Like life in Port-au-Prince,
But, we know nothing about his mother.

Love!
With the nice things to do;
Love!
Still in bed with the muse of peace.

Boy, toy!
Along the coast of Florida;
Girl, whirl!
As seen on T.V.;
Life!
To take the next step.

18 metres deep!
In the hole;
Whole, hole!
With the muse of love;
And, to take the next step in life.

Edward Kofi Louis
18 Moons

We stayed together only for 18 moons and then,
It was all over! !
But the shock you gave me will always be remembered,
Because i never knew you could be like the Devil at times.

Edward Kofi Louis
18: 00 Hours

Toast the bread and roast the meat,
Nice and lovely!
Neat to eat at 18: 00 Hours in your land.

Prepare the table,
With the muse of your spiced food;
Ready to present them to your visitors, And, with the reflections of the day.

Edward Kofi Louis
18: 13 Hours

The muse of life,
The muse of love,
The ways of nature!
With lovely words from me to you;
At 18: 13 Hours in the land of joy.

Hours, ours!
Calling on you for your plans;
for the next day,
Oh sweet land of mysterious stones! !
I have finally found my love.

Life!
If you do not know me by now,
You will never know me again;
For real! !
And, where do lovers go to, when it is dark?

Edward Kofi Louis
1883

1883,
With my mind moving backwards and forwards;
And like Shaka Zulu!
But i now understand why i am still looking for my lover.

'Blood River'!
And of many who died and left us;
But why is the world like that at times?

They came and took the gold away,
They came and took the slaves away,
They came and took the diamonds away,
And of the wars that killed many!
But i will always look for my lover no matter what.

Edward Kofi Louis
The year 1888,
You really don't see like I do see;
The year 1888,
You really don't think like I do think;
The year 1888,
You really don't hear like I do hear;
For history do repeat itself all the time!
And I am like your past in this game of love,
But you've hidden your sweet love far from me.
Your present is like my muse and,
I will surely get to you one day with my love;
Because the future is all about us!

Edward Kofi Louis
Your were born in 1955! !
So, you are six years older than i am;
But, the muse of your love came to me,
And like the rainbow up high with many colours.

My sweet love is for you and,
Your sweet love is for me;
But, do think about the rainbow colours up high!
For, you and i were meant to be,
But, i am fro peace on this earth! !
Because, i want to see how best we can put this world into a better shape together.

Edward Kofi Louis
The real struggle started in 1983,
And i know what i have been through so far;
Because life is not very smooth always.
Fear and anger,
Love and war!
And of the death-toll in the human race to ponder over,
But life is all about peace than war.

Humanised by the military forces! !
And of my many years in the bush;
But now i am back home to my roots,
And this struggle started in 1983.

Life was like the creative powers of the problems at hand,
But your love has no hiding place when it is time for war!
And like the mysterious murders around me.

I am trying to get to you,
But the wind of change had taken me so long! !
And there is no retrospect on this muse;
But, i will live on to write out my mind.

Edward Kofi Louis
1983 And Ghana Today

In a season,
They were all lean! !
And i saw their bones;
But today,
My people have grown fat on their bodies.

This reflects to the life in Ghana!
Yes, of what was seen in 1983 and Ghana today;
For the very people who were looking very thin are now very fat today! !

Edward Kofi Louis
1999

Heed to the deal and feet to the facts!
For the weal is with the deed;
But, her love was met in 1999.

It was the passionate of 16-month love affairs,
Just as crazy enough to work out her way through!
With, the sexy beauty of her love like the deep blue sea,
And like the Black Island with the Red Sea.

Nothing! ! But, the smell of love;
With the flowers of love for my passion;
But, like the wife of a Prince,
The brightest picture turned daker! !
And, the negative of her love opened up.

1999! !
She will always remember this year;
And like the husband of a Princess!
But; to heed to the muse of her deal that died out so soon.

Edward Kofi Louis
19th September

I cannot walk properly after the gun shot,
But you were the very hunter who shot my leg.
Your gun shot was aimed at my back like,
A virgin lady without a pot;
For i am now a deer to you.
Your were in the same forest that i was,
Looking for a deer to shoot at and you rather got me;
But i do hope that one day i will walk very well.
I have got my papers in order and i still need your care,
But you came as a hunter to get me down!
And in this wolrd of lovers and haters,
What can i say to this act of yours?

Edward Kofi Louis
1st Anniversary

Sweet Mother!
You died a year ago and,
Today (26th September 2016) is your 1st Anniversary;
Rest in peace,
I will always remember you.

Edward Kofi Louis
1st Avenue!

Venue,
Revenue,
1st Avenue!
Flight of the bumble,
Rumble! !
Stumble,
Tumble,
Humble,
Crumble,
Like a fragile flower.

Edward Kofi Louis
1st Day And 1st Time

The 1st day of love and the 1st time of a kiss that it brings,
The 1st day of love and the 1st time of romance that it takes,
The 1st day of love and the 1st time of sex moves like war!
But with all the walls around you to smell your roses:
And you were the one that i met on that day.

I have come to love you more than ever,
I have come to learn from you as well;
But the 1st day of your love towards me tasted like,
The war of a sweet love around me!

The 1st day of your passions on the 1st time of your love,
And of the energies that your emotions shared with mine;
But today, you are all that it took on the 1st day of this love.

Edward Kofi Louis
1st June!

1st June!
Heart attack! !
Admitted at the hospital;
And this was the muse of my father-in-law!
But, on the same day was,
My child's first day at school.

The phone rang and,
The news came in! !
For, my father-in-law was admitted;
But, this day and date will always be remembered!
For, it was also my child's first day at school.

Edward Kofi Louis
Growing up in life to satisfy your status,
As the birds came around singing for you;
Respecting the muse of nature with the fragrance of your Birth,
Year after year to remember the 1st of November.

Laughter and joy to the world so sweet! !
In the light of today, 1st November 2016;
Living in life to understand the ways of mankind!
Ever joyful with the mercy of the truth;
Serving and sharing your works to the world today as a poet.

Edward Kofi Louis
1st Street!

1st Street!
True love ask no questions;
But, shows the ways to the truth,
So, be prepared to hear the words of love.

Life!
With my silver shoes on;
But, the Autumn leaves blew around me with the muse of the wind.
Love!
With two hearts;
Sharing and learning the ways of peace and joy.

1st Street!
In the land of your sweet muse;
Taking care of you like the muse of beautiful roses.
True love!
I will always be yours and, in your arms always;
Life!
I am not perfect but, i will always do my best for you.

Edward Kofi Louis
1st To The Finish!

1st to the finish!
Backed by your love;
Polish, Irish, finish, accomplish, dish, Kish, fish! !
And like the muse of love in the garden of peace,
But, this race is all about the muse of all races.

Edward Kofi Louis
2 Days After

The sad news!
The sad news of my friend;
Who got married and died 2 days after.
Oh life!
It is time to move on alone;
After hearing the death of my friend.

Edward Kofi Louis
2 Weeks Off!

Absence from the scene,
Taking your vacation;
2 weeks off!
To rest after the test,
With your best friend in the land of birds,
And to view a beautiful nest closer to you.

Unity!
To come out once again with your mind;
To share your experiences with others,
With the experiments of nature on this trip.

Kings, Vikings!
Having them on your mind during your
vacation;
Nature's works,
Seeing a lot,
And to share them with the people around you.

Edward Kofi Louis
2,000 Years Of History! !

2,000 years of history!
2,000 years of history! !
2,000 years of history could not be wiped away so easily.
From the constitution of the Olympic Gods into Olympic Games,
And from the mystery God of December 25th into Christmas;
But, 2,000 years of history could not be wiped away so easily.
Oh! ! What a Babylonian Train of Constantaine to cover the truth of the Zion Train today;
For, the quest of knowledge had really blinfolded my people!
With no reward of positivity to the heaven of heavens;
For, the masses are now giving glory to 'Semiramis'! !
Who, through her schemes became the 'Babylonian Queen Of Heaven'.
Yes, 2,000 years of history could not be wiped away so easily!
And, the Romans based their letters on the Greek Alphabets;
Which are still in use today,
So, learn from the truth only and come out of this deceived world and be saved.

Edward Kofi Louis
20 Minutes

It only lasted for 20 minutes and,
It was all over! !
But you have covered yourself with the muse of your love,
And like the red and the blue rags around you.

Red Jacket and black trousers,
Satisfied by the proxy of love;
And like the Russian Summer on the muse of your love,
But it lasted only for 20 minutes.

Edward Kofi Louis
20 Years Imprisonment

Jailed for 20 years!
The Pastor was jailed for 20 years imprisonment for,
Defiling a 15-year-old girl;
And, he was convicted on his own plea.

The complainant,
Presenting,
Accompanied,
To the hilly site;
And he forcibly entered her!
But today, he is jailed for 20 years.

Edward Kofi Louis
20,000 Patients

Realize,
Foremost,
With 20,000 patients!
But accountability is what we need;
And like the investigative act of your muse in the land of trouble,
But you still need the research of my academic studies to help all these patients.

Edward Kofi Louis
2000 Ways Of Love

The standing grain has no heads,
But your love is heated like an oven!
And it burns like a flaming fire.

Your own doings have surrounded you,
And like the graves around your lover;
And you are now put to shame,
Because you failed to say the truth!

This like 2000 ways of your love as sold to other lovers,
But the standing grain has no heads;
And you need the name of the Heavenly Father to save you.

Edward Kofi Louis
2004 To 2014

2004 to 2014,
10 years!
10 years ago with your muse;
In 2004 you were very strong my mother,
But now, you are very weak in 2014!
As sickness took over your strength.
I quite remember 10 years ago,
In 2004 when you were cooking for everybody to eat;
All who paid you a visit had something to eat,
But today,
Yes, today!
With a sad note;
Because, you are so much weak that,
You cannot do anything!
And now, we have to cook for you to eat;
On your sick bed.
Age, ago!
Time changes;
Ego, ago!
Strong as you were before,
But today, it is all over;
And now, we have to cook for you to eat,
Taking care of you at your sick bed.

Edward Kofi Louis
2008

We are in 2008 and,
We are still fighting among ourselves;
This is year 2008 and,
We still kill each other with bombs!
We are in 2008 and,
We are still naked in the forest;
Year 2008 with the Olympic Games held in China and,
We still go to war!
We are in 2008 and,
We do claim to be the best of the human ever lived;
But, how many bombs have we thrown to each other?

Edward Kofi Louis
2010 World Cup

2010 World Cup,
Two brothers played against each other for different countries!
And they were 'Jerome Boateng' who played for Germany and,
His half-brother 'Kevin-Prince Boateng' who played for Ghana;
And Germany won the match by 1-0.

Edward Kofi Louis
2012

Oh Hearer of prayer!
To You all flesh will come and beg one day;
For 2012 will end another chapter and,
The world will be still and very confused! !
For the negativities of mankind is all what we see around.

Edward Kofi Louis
2014

Time and birth,
Dates and history;
And, with the muse of archaeology,
But, 2014 will be remembered always!
Like the act of clowns in a circus.

Cube, tube, !
Outside the club;
Tape, tapestry!
Outside the tube;
However, life is approved with the muse of the truth.

Form about!
Outside the cube;
From within!
Inside the tube;
And, with the muse of life at Edward Island.

Cast and crew!
Screw and last;
Outdoor activities,
Indoor activities!
But, 2014 will be remembered always.

Edward Kofi Louis
When your boyfriend insults you what will you do?
When your girlfriend insults you what will you do?
When your husband insults you what will you do?
When your wife insults you what will you do?
Of the way of life that goes on like this at times;
But who the cup fits must surely wear it.

I am a teacher on this love,
But at times i am being insulted by my students;
And that makes me learn better daily,
Because the road of life is crooked at times.

20th December,
Of the insult that i received from you as my lover;
Then i stopped to think for a while,
Why should i hear these words from you?

Oh life,
How hard it is for some people to change;
And, you cannot satisfy everybody on this earth.
Yes, whatever you do people will talk about you;
Whether in a positive way or a negative way.

20th December!
Of a call so close to me than your muse;
But my heart will lead me on always with my patience.

Edward Kofi Louis
21 Days

21 Days! !
And, you couldn't listen to me;
You couldn't answer my prayers,
I've been knocking at Your door!
For You to answer me;
Just show me a sign,
Just surprise me!
Just give me a reply,
Knocking at Your door! !
With my prayers;
21 days.

Edward Kofi Louis
21 Days After

On a trip!
Of a long journey;
On a long journey,
To the other side of the globe.
21 days after,
Coming back to my world;
The world of peace and love.

Edward Kofi Louis
21 Days In My Village

Gone! ! !
Gone too soon;
Out there,
In my village;
21 days in my village without you my lover,
As you sat on the wall enjoying your life like,
Humpty Dumpty! !
But, i am now back;
Back into the race,
To tell you who i am!
Because, my works of peace in the works of literature are,
Always beyond your mind.

Edward Kofi Louis
21 Days Off Line!

Line, sine, vine, wine, shine!
Back in the days;
When you were with me,
Trying to turn me off! !
When i was right with my works.
Brine, cine, dine, dine, tine, pine!
Back in the daysM
But,21 days off line!
As they wanted to know who i am and,
Who i was in those days;
But, i am who i am and,
I am myself.

Edward Kofi Louis
21 Gun-Salute!

My first shoe-size was 21 and now,
I am greeted with the'21 Gun-Salute'!
For the rider and the horse fell dead last night,
And i am here to witness this occasion.

Edward Kofi Louis
21 New Poems

21 new poems of mine and,
21 new poems of love;
Deeply moved to impress you and,
To show you where true love lies!
And like the red wheelbarrow beside your red stew of love.

Edward Kofi Louis
21 Plus 21 Years Old In The Name Of Love

I am 21 years old and,
You are 21 plus 21 years old in the name of love!
So let us always cloth ourselves with love and,
Let us see the beauty of this earth with peace;
Because the one who cares needs one heart and one mind,
And i am ready to follow you to everywhere on this earth.

Edward Kofi Louis
21 Plus 4

'How old are you?' 
I am 21 plus 4 years old;  
And matured enough to be your wife. 
My name is Joscelyn and,  
My flowers are already bloomed for you;  
So come into this garden of love and let us live together.

I am the sweet apples and the honey of your tea,  
For you can start straight away to enjoy me as you can.  
I am matured enough and ready for your love,  
Because i can see love in your beautiful eyes.

Come and swing with me like the letters of 'L-O-V-E'!  
For my name is Joscelyn and,  
I am 21 plus 4 years old;  
Matured enough to be your wife if you do care.

Edward Kofi Louis
21 Year In Service

21 years in service,
21 years in labour,
21 years under house arrest;
Hard work!
Hard labour,
Now you are free.

Edward Kofi Louis
21 Years Gone By

September 13th 1993 to September 13th 2014,
21 years gone by with the muse of a poet;
But, with the truth of life's own ways!
With the muse of the people with the laws to teach us today,
Living in this last generation.

Love,
With the muse of the colours of the rainbow;
As seen in the sky to teach is a lesson,
Like a sign!
With the muse of the seven colours.

The struggle!
With the struggles in Africa,
Hustle and bustle with the muse of nature;
Bumble, stumble, rumble, crumble, mumble, grumble, fumble, humble!
With a call to remember the laws with the muse of my faith.

Strangers and pilgrims of the earth!
In my chains and in my pains;
21 years gone by,
Pateintly endured with the muse of love.

Edward Kofi Louis
21 Years In Prison!

21 Years in prison!
However, life is like one big road with lots of signs;
Being alone,
Even if the rain drops.

Edward Kofi Louis
21 Years In The Prison

Released! 
After 21 years in the prison; 
Sitting in the dungeon, 
Waiting for your time to come, 
For your freedom today! 
Welcome home my friend.

Edward Kofi Louis
21 Years Of War!

21 years of war!
It is time to put out the fire and,
To settle down for peace;
Because, war gar done more harm to us!

Look around,
See things for yourselves! !
What do we gain in the name of war? !
It is only death;
And destruction!

War! !!
What is the face of war?
It is only death;
Think twice and settle for peace.

Edward Kofi Louis
21: 21 Hours

The black water,
The red water,
The white water,
The blue water!
Meeting you at 21: 21 Hours in your town.
Sweet water,
Sweet play;
Because, everyone is very important in this life!
So, don't hate your brother or your sister.

A girl,
Met couple of years ago;
A boy,
Met couple of years ago;
Homes and industries! !
Attributable with the muse of life;
And, to delve deeper into the case of love,
On a first-class ticket with the muse of the laws.

Edward Kofi Louis
21: 21 P.M. In The Land Of Joy

One way!
Turn left;
Broadway!
Turn right;
The drive!
Bringing out someone's works;
With the muse of love.

Love,
21: 21 P.M. in the land of joy!
Of the call,
The next day;
With the muse of peace and gladness.

Red, read!
To practise it;
See, seed!
To share it;
With the muse of things seen in life,
Back in the days of growing up.

Edward Kofi Louis
22: 22 P.M. Was The Time

22: 22 P.M. was the time set for us to meet together,
Because i met you yesterday and you promised to meet me today;
But tomorrow comes and,
This love will be shared with the care of your mind.

It will be all because of your love,
And of the dreams in the right direction;
But apply my love to yourself and tell me how you do feel,
Because i was a stranger and you took me in.

Edward Kofi Louis
22: 33,
The clock ticked and ticked!
Them i met my lover;
Because i was waiting for her at the drive out!

Edward Kofi Louis
23.3.2017

You took it away!
You took the Card away;
On this date today,
Are you alright with your senses! !
Tell me,
Because your behaviour doesn't fit in.

Edward Kofi Louis
23cm

Measured,
23cm;
At the work place,
For the package,
Heavy Metals! !
Bolts and nuts,
The distance,
Measured!
At the work place,
23cm;
Before shipment.

Edward Kofi Louis
23rd January 2011

Le tit be positive and let it be lovely,
And like the echoes of the slums of the world!
But Elias and Rosalie played nicely today,
And the muse of 23rd January 2011 was fulfilled.

This world is about us and,
This love is about you and i!
But sobbing to acquire the sweet of your muse,
And you are smiling because of them.

Edward Kofi Louis
24 Hours

24 hours makes one day,
But this day is made up of the light and darkness!
The 12 hours of light is called 'day' and,
The 12 hours of darkness is called 'night';
So learn from this muse to be able to walk in the light always!
And many are the evil things being done in darkness.

Edward Kofi Louis
24 Hours Security

A boy's quarters,
On the outskirts of love to respect your muse;
But offering 24 hours security on your love is like,
The muse of the rainbow with beautiful flowers!
But i need my mind at peace to study your moves.

Edward Kofi Louis
24.6.2017

Your call!
24.6.2017;
The last time was two years ago! !
Why?
I still don't understand your ways;
All the same, my life will always go on.

Edward Kofi Louis
25 Years Old

I nearly gave up on my dreams when i was 25 years old,
But i learnt a lot around to gain my faith;
And i understand who i am today,
TryinG to follow the path of the truth today.

Edward Kofi Louis
25th November 2005

25th November 2005,
And there was a division and you made your choice;
For you are now far away from your lover,
But this is the very man you married.

You've got yourself a new room and a new bed,
And you've now separated yourself from your husband;
But how you you get babies without him? !
And one day, nature itself will teach you the truth.

Edward Kofi Louis
25th.05.2010

The intelligence of the boy was noted in the class,
And of the muse of love to invite us for a talk;
For his teacher had already seen his wonders,
And Mareen and Steffi could not believe their own eyes.

It was 25th.05.2010,
And the appointment was at 11: 30 a.m.!
But these pleasant words were like the comb of the honey,
And they recomended to us for a special school for gifted children for him.

Edward Kofi Louis
26 Years After

Death! ! !
26 years after;
Rest in peace.

Edward Kofi Louis
26 Years Old

From Adam to me,
And of the experiences of my life without an exercise;
For i have no diet on this issue because,
You can't stop my heart from loving you.

It is a taboo in the law for a girl to be pregnant before marriage,
So if you want to marry me then i am ready;
And come and see my parents on this issue of love so sweet.

I am 26 years old and i am a virgin,
And of my culture and my people to the world so sweet;
So come and see my parents if you are ready to marry me,
For it is a taboo over here for a girl to be pregnant before marriage!

I love you deeply and you really know that,
So come and transform me with your care and let us get married;
For it takes a sincere love to make a better home and,
My black hair and my sweet body will be there for you always.

Acquire the necessities and come and marry me,
Because i cannot jump over this gun that is set before me!
For i am inexperience to the game of love and,
You need to marry me and take me through all the lessons of love.

Edward Kofi Louis
26th September 2016

26th September 2016,
A year ago you left the earth;
Death! !
Into the other realm;
My sweet mother,
I will always remember you.

Edward Kofi Louis
26th September 2017

26th September 2017,
This Date,
2 years ago!
With tears in our eyes,
With tears in our hearts,
Mourning for you,
Because you left us;
Oh my Sweet Mother! ! !
I will always remember you;
With the muse of the Pink Flowers at my residence.
Alive is my mind!
Along with my muse;
You gave birth to me,
You are still alive in my heart.
Body and soul,
With the peace of my mind,
Still remembering you after you left us 2 years ago.
26th September 2015 was the date,
The date of your Death;
Bringing sorrow to us.
Today,
26th September 2017;
Marks 2 years ago that you left us,
Yes! We buried your body;
Dust went back to dust!
And your spirit went somewhere
else.
Life and birth,
You gave birth to me;
My Sweet Mother,
May your soul rest in peace.
Wherever you are with your spirit,
You still know what i am going through;
'Aluta Continua'! !
Dear Mother,
My Sweet Mother;
Rest in peace.
2 years ago you left us to the other world!
Death came and took you away.
We mourned and buried you.
Yes! The flesh went back to earth;
Where it belongs to!
You are still alive in my heart my Sweet Mother!
Life and death,
To respect the muse of creation;
Rest in peace my Sweet Mother,
In loving memory of you.

Edward Kofi Louis
27 Feet Long

Burned on fire!
Censers and basins;
But 27 feet long is this field of yours,
And it is used in the service of your muse.

Hollow, follow, yellow, fellow, mellow;
With bronze articles to respect your muse,
But she spoke cordially with him.

Wide, hide, tide, side, bide, stride, pride, ride, vide;
But 27 feet long is this field of yours!
And he spoke cordially with her,
Because, a more prominent seat was prepared for her as the fire came around! 

Edward Kofi Louis
27 For 27th

Riddles and parables are like the sayings of a muse,
But how i hope to be there for this marriage;
Like the appitude of a beauty with the brightness of love.
27 for 27th when one is about to be married!
Of a joyful heart i do write this poem;
Like the writer's pen with you at times.

The date of an occasion,
Of riddles and parables to respect the muse;
But beauty baths you when the rhythms of the blues are all over you.
Love is like the roses that blooms,
And this is your day in the garden of love;
With the rhythms and the blues to debrief you like a teacher.
This is for your eyes only,
And try to live your life on this day to shine like a star!
Of the hint and the excitments that will swing you with love.

Elevated with the mix of the pleasure to crown 27 for 27th,
Like to say something very witty on that day;
So dance to your muse and,
You will be very pleased to hear the cloud of your extintions!
Like a sweet life on the horizon.
Of a breakdance on a victory lane,
On the muse of this marriage to crown the day;
27 for 27th is the date you will always remember.

Love verses marriage,
Life verses beauty,
A breakdance on a victory lane when two hearts meet;
How i hope to be there for you.
27 for 27th,
Absolute released in the eyes of the people;
And, the adventure is undeniable!
Like the riddles and the parables of life.

The love story about you two,
With the set up of things to this date;
Like a great scene of a marriage which will be in the history books!
Soon to be united as husband and wife.
'Is he smiling?'
'Is she smiling?'
Like the sayings of a muse that unites you two into one today;
This is all about 27 for 27th.

Edward Kofi Louis
27 Years In The Bush

27 years in the bush!
I am still finding my way through to reach to the city;
And i need a teacher on this issue to guid eme through this thick bush.

Life is very hard for me alone in this bush,
But i have to hide to save my name;
For the bombs are everywhere and many of my friends are dead already,
And i need a clever teacher who knows the bush very well to lead me on.

27 years in the bush!
Life in Africa does have many colours;
But my faith will surely lead me on till i reach to the city of love,
And i have to save myself from these bombs.

Edward Kofi Louis
27th August

That hour, that day, that month, that year, that time!
Water for the day and wine for the weekend;
Mama, mama, mama, mama! ! ! ! ! ! ! !
Schocked from the cry of my child.

That second, that minute, that hour, that day, that time!
27th August to a call like soldiers gattering in Lebanon;
But August 2006 is still in my mind.

Like the place of oil and to rise up from a call!
Silence, war, peace;
My two legs were broken on this issue,
And the time now is sixty nine plus two.

Water for the day and wine for the weekend,
I've got my grades on this love of peace;
But war comes and i am already divided.

Of many hopes and dreams,
Life is not so smooth at times;
And it doesn't end with nine months.

The cry of my child from the bedroom,
Like the 7,000 years of history to tell my story;
But, this was part of the shadow of things to come.

Of a measuring rod,
Of the great white stone,
To meet the press and the writers!
But i am the thinker who creates the circumstance of peace.

Taught by Hollywood with the candles that burnt down very low,
But your ways will prove out things when you do have love;
And like the cry of my child, what is old is now new.

Edward Kofi Louis
27th January

The secret of your great strength,  
The secret of your great love,  
The secret of your great romance,  
And like the seven braids of my head;  
But to Edward the son of Louis i will write out my mind.

She fell in love and he fell in love,  
And in the valley of romance they spent the night;  
For he was a mighty man of valour!

To the plain of love and to the plain of aroma,  
To the plain of passion and to the plain of romance,  
And to wander on the hills of unity to see afar;  
But she was a virgin with the muse of Mozart.

The bay of love and the muse of love,  
To bewail her virginity in the name of peace;  
And with 27th January to fulfil her dreams,  
But the muse of marriage came into force.

Morrow, narrow, arrow, sparrow, borrow;  
And like a message skin deep!  
But she was a special treasure to him.

A cow, a bull, a lamb, a goat;  
She was a virgin and he made love with her;  
But she was very special to him.

Take up a work in the garden of love and go down deep!  
And be joyful in the city of love;  
For the swarm of the bees and honey are like,  
The sweet songs of love heard on 27th January.

Edward Kofi Louis
They all lost faith in the game,
And the hope of winning the game was over!
But, i never gave up;
And i kept on pushing harder towards the goal post;
For in this life,
Nothing is impossible and, impossible is nothing! !

Forward ever!
Without looking at the right side or the left side;
So, i moved forward and kicked the ball into the net!
Then, i scored the goal to win the match.
Yes, we won the game and the Cup was given to me because,
I was the captain of the team.

It was 29th February 2012,
And we won the game at the very lasrt minute to end the game!
Yes, the very time that everybody lost hope in the game;
But i never gave up my hope and, i scored the winning goal! !

Edward Kofi Louis
2d To 3d

Tap, tape, trap, type, troop, through!
First bring it in and use it;
Then, you can bring it out again at the next exhibition,
Like the Black Power and the Black Powder.
Endless love,
From 2D to 3D;
Goose, loose, moose, choose!
But now i know what love brings,
With joy to the hearts than war.

Edward Kofi Louis
Code number 2KK85,
The way!
The path;
To riches,
To glory,
As declared to you in your dream;
On the 11th of April 2015.

Edward Kofi Louis
2nd April 2015

Naked!
Plain,
Exposed,
Seen by all,
Your naked body,
Early this morning.

Naked!
In the eyes of the public;
Dated,
2nd April 2015;
Exposed to the public,
In the name of your works.

Edward Kofi Louis
3 Attempts

3 attempts,
Today you are still alive after attempting on 3 occasions to commit suicide.

The first time!
Trying to jump down and kill yourself over the big bridge;

The second attempt,
You crashed your car against a big tree;

The third attempt,
You overdosed yourself with drugs! ! !

Hoping to kill yourself;
But, you were saved by the bell at the eleventh hour!

As you fond yourself in the hands of Doctors and nurses;
But today, you are still alive.

Edward Kofi Louis
3 Big Boxes

3 big boxes,
Needed for your works;
Packing!
To pack some items for the needy,
In Africa;
For help,
In humility,
Showing your compassion,
And, to help the poor.
Shipment!
As they do expect items from you;
From time to time,
To help the children in the town!
And, needy grown ups.
3 big boxes!
Packing,
To help the poor and the needy;
In kindness and in mercy,
Sending them items from time to time.

Edward Kofi Louis
3 Camaras

I have three cameras and you've got my sweet love,
So i will write down their names and send you an E-Mail;
For we will meet at the other side of the river of love tonight,
There i will share my photos together with you.

Edward Kofi Louis
3 Days After

A call!
Your call;
3 days after,
Trying to know my status,
After the bomb.

Edward Kofi Louis
3 Days After You Were In School

It landed on Mars! !
And,3 days after you were in school;
Oh yes, you started school 3 days after 'Curiosity' landed on Mars.

He won the 100 Metres in London and,
3 days after you were in school;
She won the 100 Metres in London and,
3 days after you were in school;
And like the muse of the green men and the green women!
But, the green room is now waiting for the children.

The white light came in to direct you!
With words of care and the works of peace;
However, you were in school 3 days after 'Curiosity' landed on Mars.

Edward Kofi Louis
3 Days And 3 Nights

Pagan antiquity,
And of the traditions of the world;
But many still do not know how to count 3 days and 3 nights.
72 hours exactly makes up 3 days and 3 nights,
So why are you now being deceived by the traditions of this world?
For the truth is always bitter to the masses.

Edward Kofi Louis
Shake the world with love and,
You will see smiles on the faces of mankind;

Shake the earth with war!
And, darkness will come over the face of the earth;

Living,
Schooling,
Learning;
In Class 3E to express your mind to the world.

On the way to school,
With the understanding of the land;

But, the heavy rain came in!
Pouring down on you.

Edward Kofi Louis
3 Fingers Of Bananas And 4 Boiled Eggs

This is just the beginning and,
This is just like the beginning!
With 3 fingers of bananas and 4 boiled eggs to eat.

I know what i need and,
I know what i buy;
You know what you need and,
You know what you buy;
But, the market out there is for the wise and the fool.

This man said this!
And that woman said that;
This man did this!
And that woman did that;
This boy did this!
And that girl did that;
But, let the water go through it to satisfy you!
For, i have 3 bananas and 4 boiled eggs to eat.

Edward Kofi Louis
3 Judges

Who killed the 3 judges? !
With challenges lying ahead of us,
Like the muse of life;
Somebody really did the act.

Edward Kofi Louis
3 Months After

I saw her face 3 months ago,
Then, the news came in;
She attempted suicide 3 months after;
However, she was saved by the bell!
If not, she should have been buried by now.

At the hospital,
In critical condition;
After her suicide attempt!
And, she is now under the eyes of the Doctor taking care of her.

Strange world and strange stories! !
I saw her face 3 months ago:
And,3 months after,
She attempted to kill herself.
Why? ! ! !
I still do not understand her mind;
But, i am very glad that, she's alive today.

Edward Kofi Louis
3 Months Ago

Your first speech,
Hitting me with your words,
Hurting my feelings,
In the land of the living,
Taking the upper hand,
Advantage with the muse of your land.
Your speech! !
Three months ago,
Hitting me with your words;
Your muse! !
Your life,
Your act;
Hearing the very words that came out of your mouth!
Understanding who you are,
Knowing your ways,
Taking the upper hand,
Yes! ! Today again;
Like the same speech of yours!
3 months ago.

Edward Kofi Louis
3 Out Of 4

3 out of 4 will leave us;
But, this life goes on and on!
Of the duty,
Of the custom,
Off and on!
On and on;
But, more and more like the muse of your love.

Edward Kofi Louis
3 Plus 3 Equals To 6

The act,
Your act,
The acts of your life,
Noted by all in this town;
However, 3 plus 3 equals to 6.
Fog,
Frog,
Flog,
Leapfrog!

Edward Kofi Louis
3 Times In My Dreams

3 times in my dreams,
Very nice and sweet with your muse;
As i saw you playing romance with me,
In loving arms,
Great to see you in my dreams! !
Because, i love you;
3 times in my dreams with your muse,
And, i am very glad in my heart!
Because, the muse of love was bathing us all over.
3 times in my dreams,
The dreams of love and,
The dreams of peace;
With the muse of your romance all over my naked body,
And, with the joy of my heart!
Because, i love you.

Edward Kofi Louis
30 Days In The Land Of War

He won the race and it is now time for him to meet your love,
But his friend spent 30 days in the land of war!
So do what is required positively from you in this life,
And live and let us also live! !
For the bombs around us now are too much to bear.

Edward Kofi Louis
Out!
30 years after my prison Terms;

Lust!
Speed dating;

Love!
Eat your own Food with peace;

Life!
To learn from my mistakes.

Love!
Between life and death;

Life!
With the Symbol of the two worlds:

Love!
Between the two walls;

Muse!
With the tea kettle.

Life!
Like the best Diamond in the world today;

Out!
After 30 years in prison.

Edward Kofi Louis
What you did 30 years ago is now being repeated today,
So there is nothing new under the sun;
And it is as if we are not well educated!
And the world goes round repeating itself.

Yes, our sins of yester years are being repeated over and over again!
And the world goes round with many wars here and there;
But, who is ready to change for the better?

Edward Kofi Louis
30 Years Starving!

30 years starving!
Waiting for my success;
30 years starving!
Looking for my success;
Because of the hope in me.

Ten, tenets!
With hopes and dreams;
Trying everything to make my way through.

Love!
With a distinct character;
Peace and joy! !
Averted,
With life's own blues!
But, i am still in the rain.

Proponents!
Adherent,
Queired;
With life's own blues.

Life!
To talk of the lovely things around me;
Along the narrow path, leading to success! !
But, i've spent 30 years starving.

Edward Kofi Louis
30° Daily

Life,
Living with the heat of Africa;
30°daily,
Waking up to greet the people of my land.

Walking along the coast,
Seeing the Magic of the colours of Africa!

The light of the morning,
The African light in the horizon;
With the noise from the waves of the Atlantic Ocean.

Africa,
Oh Africa!
Fresh air with the muse of the salt;
Along the coast,
30° in my land.

Edward Kofi Louis
30th April 2012!

A great noise! !
A great sound!
And, it was a dream;
30th April 2012,
With the sign of a great flood!
Swallowing up everything.

Edward Kofi Louis
30th September 2011

His first tooth fell out on the 30th of September 2011,
But, this was just to say: 'Hello' to him;
And like our own experiences in life on this earth!
For, the world is going round and, we don't know how.

Lizzy, dizzy, fizzy, tizzy;
And like works of art to respect my muse!
But his first tooth fell out on the 30th of September 2011,
And the joy of love was seen all around his face.

Edward Kofi Louis
30-Year-Old

Direct consequences!
To the 30-year-old;
Looking back! !
To that incident;
Of the accident,
At that moment.

Rise,
Arise,
Raised! !
To believe in nature;
And, to find our the causes of life,
With direct consequences.

Edward Kofi Louis
31st May

31st May, 31st May, 31st May!
How can I narrate this story?
My wife came home with tears all over her face!
Oh 31st May;
Her Doctor had disturbed her womb.
Her face was totally red like fire!
With more blood coming out of her;
But who feels it knows it all.

We were expecting our first born baby,
But life at times is never understood;
And my tears are within me.
You cannot see it on my eyes because,
My mind is high reason up!
Worried but with much hope.
31st May,
Confused but with a vision and this mission;
But, there is time for everything.

Edward Kofi Louis
32 Days After

To play the game once again,
The game of sweet love;
With your sweat,
32 days after!
With the aroma of life and,
The romance of nature.

Edward Kofi Louis
32 Minutes

At large!
Affected,
Afflicted,
Endured,
And to bow out peacefully;
32 minutes after the act.

Daring!
Galvanizing support;
Parried,
To assist;
Paying the fare,
Internationally;
And, cheated along the line.

Edward Kofi Louis
32 Years After

Life, love, peace!
She waited for you,
For so long! 
And, met you once again;
32 years after.

Edward Kofi Louis
33 Years Ago

History,
Repeating itself;
With what occurred in the past,
33 years ago.

Edward Kofi Louis
35 To 37 Years Old

35 to 37 years old are the people you know in your neighbourhood,
And to bring your notes down to the lane;
After your researched work!
As you prepare yourself for your business in this little township.

Clock, cluck!
A humble member and a humble person,
Living to overcome the odds of life;
To turn to love and, to let it show you the ways of the truth.

Mouse, muse!
Caring for you with the muse of love in this little township;
With the spread of light to educate those who are ready,
And, with the muse of the human brain.

The indication!
Released last week;
Duck, stuck, pluck, cluck, muck, tuck, chuck, truck, puck!
With the rat race of the earth today.

Edward Kofi Louis
38 Years In Absence

To develop ties with your love,
After 38 years in absence!
But, formally noted is the response of your sweet love;
And, to reopen the Embassy of your base with the laws.
The location,
Established with the facts of your sweet love;
Of the pressure and the pleasure!
With the credentials of your muse;
With the intense act from your past,
And, with the muse of your experiences in life.

Edward Kofi Louis
39 Constituencies

Excluded,
Convened,
Retorted;
Displined and chastised!
And like men and women who break wedlock,
But the river is frozen all over.

Proof,
Reproof,
Magnify,
Rejoice;
With 39 constituencies to hold an election,
But the river is frozen all over.

Edward Kofi Louis
3d - Printer

Life!
With the 3D-Printer;
Changing the ways of technology.
Life!
Like palm trees with branches;
With the muse of nature.

Nature, mature!
With the muse of the 3D-Printer in our hands today;
But, the power of the muse of the water flooded the land.
The muse of love!
With a new life with the 3D-Printer;
The muse of life!
Waiting for hope and answers.

Earth, dearth!
With the ways of mankind along the laws of nature;
Dear, dearth!
Trying to capture things out there with your mind;
And, with the technology of the 3D-Printer.

Edward Kofi Louis
3d Led Tv

I have learnt my lessons well,
In life!
Like the new dimension of the 3D LED TV!
But, i am from Paris with the muse of love to share with you.

Summer love!

Like hot time in New York;
And, i am an alien walking about,
With the peace of my mind.

Life!
Whatever works right is like the book of love;
But, the precious acts of my mind is to teach you,
Like the history of love in a valley below.

Life!
Your small mouth identifies your secret muse of love;
Leading the ways for one to search for the narrow path,
Like the new dimension of the 3D LED TV.

3d-Pictures

3D-Pictures,
3D-Images,
3D-Printers,
Life with the 3D!
Upgrading Technology.

Edward Kofi Louis
3d-Trends

To fabricate a stroy and to win your lover with your muse,
And like 3D-Trends seen around us today in the name of technology;
But, you were exposed when you fell in love with her.

Demographgy!
With the histories of the earth;
Telling your stories to others and, gaining attention!
But, love is like the butterfly and life is like the sea at times.

Ant, anthropology!
Life spans;
With the well being of mankind on this earth, if only if the laws are observed!
Changing the hearts and the minds for peace and unity than, with hatred and war.

Edward Kofi Louis
3rd May 1999

History records itself everywhere on this earth now and then,
And i have to donate my blood to save somebody's life;
And like the duty of nature to express one's love.

You may say, 'Dream lover come and rescue me'!
But the euphemisms around makes it hyperbole to think of;
SAnd with a favourable aura to crown the day,
Because the synonyms of the times are like the blood donations!

I will remember 3rd May 1999,
But with the mediocre and the deteriorations!
For a life needs to be save today and it needs blood.

Edward Kofi Louis
3rd November

Of a very special injection into my body,
Of the ways of life to survive on this struggle!
For the pain is still in me.
Of a very special injection into my body,
Of the ways of life to survive this pain;
But i will be okay very soon my love.
In this life, the thing for you never lost;
But sometimes, they are really lost forever!

I am like Chief Dishon on this pain and,
3rd November will be remembered;
Because, every country is not easy to live in nowadays.
There are ups and downs and all sort of stories,
There are all types of struggles and pains too;
And where i do live now is full of stories as well.

You can be very rich anywhere on this earth,
For even the pooorest lands still do have rich people within;
And the 3rd of November will be remembered always.
Man has its own land of success but,
I hope that this injection will lead me to Mount Zion!
Oh Zion, come closer to me and lead me on;
For there are still stories all over this place of mine.

Edward Kofi Louis
3rd October

You shot my left leg with a gun and now,  
I cannot walk properly;  
But love will take me on to the end,  
For my mind is free to all around me.  
Why do you hate me so much? !  
For i am a writer and a lover and,  
I do not hate anyone.  
Of the gun shot,  
I am now struggling to walk on my legs;  
But with my mind only onto the Creator,  
I will surely make it for my fans to read my peoms.  
This world is full of hate but,  
Let us build it with love;  
Because i was walking very peacefully until,  
You shot me on the 3rd of October.

Edward Kofi Louis
4 And 8

A very hard and difficult road to climb,
Like the unusual kind as noted by others;
But the sings of the numbers 4 and 8 are in your mind,
And like the White Nile closer to your house.

Edward Kofi Louis
4 Days After

Your Call came in 4 Days After!  
Being very busy at work,  
Forgetting the time,  
All the same, you are always welcome into my simple abode.

Edward Kofi Louis
4 Holes

4 holes!
With the muse of the plate;
The machine,
At work,
Fixing them together with other items,
Bringing out the product for the market.

Edward Kofi Louis
4 Plus 4 Equals To 8

Blood! !
Fighting the war;
Because of hatred,
Without peace.

Name,
Same,
Tame,
Not a shame!
Like a game;
With the frame of true love and,
The fame of the truth.

4 plus 4 equals to 8!
Learn from the truth always and live in peace;
With your neighbours! !
Than, hatred and war;
War will never bring us peace on this earth.

Edward Kofi Louis
4 Years Old

He started saying out the letters at about 4 years old,
And he started counting the numbers as well;
For he is guided by the muse of love,
And he can now write and spell out his name!
Oh joy and peace,
This is what we've been waiting for since all these years.

Edward Kofi Louis
4: 44 A.M.!

4: 44 A.M.!
Being in the land of your muse with the care of my mind;
There, i met your love.

Work and act,
Work and love,
Work and peace,
Work and unity,
Work and care,
But, rising up early in the morning to face my work!
For, i met your love in the land of your muse.

4: 44 A.M.!
Working it out together with you;
And like the muse of the joy around us.

Edward Kofi Louis
40 Years In The Desert

Misty mood limited,
The kiss!
Love;
Points of moments in the desert with your dessert,
Yes! ! 40 years in the desert of love.
Moments before,
Moments after;
The kiss!
Love,
With the deep roots of the blues.

Edward Kofi Louis
40 Years In The Desert Of Love

A man,
I am also a man;

A woman,
I am also a woman;

A child,
I am also a child;

A human being,
I am also a human being;

Creation! !
We are all human beings;

Works,
On this earth with our works;

Faces, phases!
With the muse of creation;

40 years in the desert of love with my mind! !
Exposing my works to the world.

Edward Kofi Louis
40 Years In The Forest

Deep roots!
Love,
Blues;
With a kiss under the rain.
Windows of life,
Windows of love,
From the heavens to the earth!
Deep roots,
Love,
To embrace the muse of nature as well;
40 years in the forest!
In the forest of love;
With the joy of your heart.

Edward Kofi Louis
40 Years In The Wilderness

Blue eyes!
Love,
Blues,
To embrace nature;
Artistic with the muse of joy! !
Soul birds,
Overloaded with the works of peace;
And, with the muse of the romance of life.
40 years in the wilderness!
With the phases of life and,
The love of peace;
Meeting in the middle of the red valley.

Edward Kofi Louis
40 Years Old

Criticism!
Writing about it;
But, ki can't hear from her again;
Maybe, she is now 40 years old.

She wrote about many things!
With the topic of rape as her number one key;
But, i can't hear from her again,
Maybe, she is now 40 years old.

Common sense teaches a lot!
But, it is not common to the people;
However, the peace of life is according to the presence of love.

Release your mind in life and search for the truth to educate you;
And, then, the rest will follow,
Because, life with a pure conscience brings peace to all!

Edward Kofi Louis
'404' Is The Secret Of Your Love

Surprised!
Devoured,
What have you done to my lover?
And like 16 years after the muse of your love;
But, '404' is the secret of your love.

I will pay for my house and,
I will pay for my love;
And like your muse in the land of your joy! !
But, '404' is the secret of your love.

Edward Kofi Louis
'419'

'419' is the code of your life and,
You've been stealing right from the womb!
But one day you will be in the tomb after the bomb!

Come, and let me teach you how to love;
Come, and let me teach you how to care;
For stealing isn't the right solution for peace.

Time after time,
Care after care,
Love after love,
Come, and let me teach you how to put away this code of life.

Edward Kofi Louis
The heat! !
With the muse of the sun;
44°C!
Facing the ways of life,
With the romance of nature,
Earth! !
Living in Africa with my mind.

Edward Kofi Louis
I grew up in Nima-441 but,
The 'zongo-life' is still in me;
And i came looking for your love,
For you are all that i need.

Stand up tall and let me hold your hands,
For the window of my heart is always opened to you!
And i am ready to live and wait for you once again.

Edward Kofi Louis
4-D Or A 5-D Puzzle

My 'Dreamontology-Device' is not like a 3-D puzzle,
With all the images appearing to you left and right!
But, it is like a '4-D or a 5-D Puzzle';
In which your dreams are played back on a Monitor or, a T.V. Screen.

This is my own invention to the world!
And like the muse of love in the land of peace;
But, this dimension is from a realm beyond,
And, one day, we will get our dreams being recorded and played back to us.

Edward Kofi Louis
4-D Trends

4-D trends and the love of my muse,
To the third heavens i give my respect;
And like visions and revelations from the land of love.

More than fourteen years ago,
And of my philosophy to educate many;
But i heard unspoken words that were not possible for a man to speak.

Edward Kofi Louis
4th June In The Land Of Your Muse

4th June in the land of your muse!
I don't have anybody else than you;
For, i need your love.

I need your love to lead my way,
You need my love to satisfy you;
for, you are very fresh in the land of joy! !
But, get down on it and take it to the top.

4th June! !
The lovely bird laid an egg;
And like the beauty of the seven red roses in your room,
But, i need your love to lead my way.

Edward Kofi Louis
4th June Of Your Muse

4th June of your muse,
Serving in love to identify your self;
But this day was specially made for you,
And like the sweet words of love.

Edward Kofi Louis
4th November 2008

'I have a dream!'
And today the dream is fulfilled by electing Barack Obama;
'I have a dream!'
And the 4th November 2008 is now recorded into the History Books;
'I have a dream!'
And today Barack Obama is the 44th President of the U.S.A.;
For the Blackman is capable of handling his or her own affairs.

'I have a dream!'
And 4th November 2008 will be the date to remember always;
'I have a dream!'
For this date gave the First African American to be a President;
'I have a dream!'
And the shout i do hear around me is: 'Obama, Obama, Obama! !'
'I have a dream!'
That today the Americans had recorded a History to us all;
'I have a dream!'
That the days of the Slavery gone by had yielded fruit today;
'I have a dream!'
And 4th November 2008 had taken us through to fulfil this dream;
So we can really make a change of our lives today.

'I have a dream!'
Today the First Blackman is Elected as the 44th U.S. President;
'I have a dream!'
That today there is joy in the African American Community;
'I have a dream!'
And for who the cap fits must surely wear it;
And today, the cap fits Barack Obama.

5 Days After

The match,
The football match;
Playing it once again,
5 days after.

The match,
To score a goal!
Life,
Use the advantage of time for your future.

Muse,
Mused;
Works,
With the understanding of your love.

Poetry!
With the muse of the match;
To play it once again,
5 days after.

Edward Kofi Louis
5 Minutes In Your Room

It was only 5 minutes in your room,
Then, it left the room;
For, this bird came through your window!

Only for 5 minutes,
Bar, car, tar, far, ear, jar, mar, oar, par, star, war! !
But, it exhibited marvellous moves in your room;
Then, it finally flew out of your room.

Edward Kofi Louis
5 Seconds

It was only '5 seconds' left and,
You were knocked out of the ring!
And you fell like a dead parrot but,
My love is still towards you my love.

Edward Kofi Louis
5 Years After

15th September 2005,
And the flight took me far away;
15th September 2010,
And i made my first millions in life!
Yes,5 years after;
And my savings was enough to build up my dreams.

Edward Kofi Louis
The time is 5:55 AM and I want to hear the songs of love,
For the winter cold is gone and the summer heat is in;
But be on your guard always!
Because you've promised me your sweet love and,
I will pay you a surprise visit one day.

Edward Kofi Louis
'I will kill you like a snake',
'I will roast you like a chicken',
'I will fry you like a plantain',
So roll, roll, roll your boat when,
You have a killer gun in your pocket.

I was born in the ghetto with,
The status of poverty without a fish in my hand;
I was taught in the ghetto with,
Much tears than hope;
I was brought up in the ghetto without the Statue of Liberty to salute!
So roll your boat with the gun in your pocket;
But, who is there to cover up your actions?

I was taught in a mud-house without slippers on my feet!
And, that's the kind of society I came from;
I had my education on the streets with,
Fights, hunger and starvation to crown the day!
But, your killer gun in your pocket will give you up one day.

Taught by the streets,
Lived by the streets,
Learned by the streets,
Loved by the streets,
Hated by the streets,
And, many of us married by the streets;
The cluster of a phobia into my maturity,
That is why I do not respect the gun in your pocket today.

Stealing and looting!
With plans to make the next move,
And, as a human-being who lives on 50 Cent a day.
Life in the ghetto,
With the status of poverty without a fish in my hand;
Life to me was just like the mountain of snakes,
So, just roll your boat with merry on your face.

Life's fair fountain that eluded me!
With stealing and looting as the order of the day;
And of the plans to make it work.
I was just living on 50 Cent a day,
And, joy to me was like the roasting of a chicken;
Hope to me was like the killing of rabbits! !
Peace to me was like the frying of plantains;
And, of an excellent value for many of us when one dies,
But were still mulling to make a case like a courageous leader.

To live on 50 Cent a day in the ghetto! !
With the muse of the cluster of a phobia into my maturity;
Life in the ghetto,
Life on the run with the bullet train!
But at times, it was like the straw on a camel's back.
Life in the ghetto,
Like the golden cup whose shock aroused! !
When one equals to a temper of heroic hearts;
With the negatives to meet all day Long.
Life in the ghetto,
Like half-naked Young Lovers who called for help!
Life in the ghetto,
Like the peace of one's mind with questions to the moon;
But all along, i have managed to live on 50 Cent a day.

Edward Kofi Louis
Life,  
50 Plus!  
Growing up,  
Growing old,  
Alone the line,  
With the muse of life!  
Facing the odds here and there.

Edward Kofi Louis
50 Years Ago!

Respect yourself and reflect on yourself for 50 years ago!
So, being backwards 50 years ago in time;
Then you can say about those days in time,
But today, you can also tell me the difference!!
Because, who feels it knows it all;
And, i am ready to tell you my story.

Edward Kofi Louis
50 Years Imprisonment!

50 years imprisonment!
Added to your present age;
There you will surely die,
For, there is no more hope at all for you.

Edward Kofi Louis
50 years on this physical earth,
But husting and busting to make my name known to the world!!
Because, i have a message at hand;
And, it is not easy being born in Africa and being raised in Africa from a very poor family!
For, i can't stop the rain from falling on my head when,
I have no roof!!!
And like what is going on today in East Africa!
With the reflections of one of my Art Works called: 'We don't have aids but hunger'!
Yes, from the very acts of my mind;
Because i am an African,
And i do know what it means to be in Africa.

Today, i am to thank Father Yahweh for all of His mercy and kindness towards me;
For He had really guided my steps from thru the rough paths of an African's own story,
And, let His Mercy endures forever!!
For Africa is for the Africans and we have to know what goes on around us everyday;
And, in the land of Africa i was born,
But, have you to say??
Because, i am very proud to be an African!
And like the muse of your love in the land of many waters that satisfies us all.

Edward Kofi Louis
500 Lashes! !

500 lashes for an Egyptian Doctor!
For he was found alone with a woman in a room in Saudi-Arabia;
And the 'Sharia-law' went against him.
The Egyptian Doctor was laid down and was given 500 lashes! !
But in this life, one should always take along the weather with him or her,
For there are different laws in different countries as you visit along!
Because, what you throw alway into your dustbin is someone's gold.

Edward Kofi Louis
50-Year Old

Stpidity personified! !
A 50-year old man raped a 9-year old girl,
And the volatility of this case matters to me;
But i will rather rest my head on my pillow and sleep.

One step for a man through the narrow gate,
And related o the scrutinized facts on the table;
But my head is still resting on my pillow because of,
The dangerous misconception of the higher ranks.

To mutter or not to,
And grapping with the facts like the rainbow;
But what is this world up to?

Edward Kofi Louis
51 Years In Prison! !

Eat, neat!
Some people will love you in this world and,
Others will hate you.
Life and death,
51 years in prison! !
Of my status and of my life;
Able, noble!
To stand by me,
Ted, red!
To stand by you,
With the Noble Price;
But, some people will love you in this world and,
Others will hate you.
51 years in prison! !
To stand by it;
Of the change!
Like the echoes of my past lovers.
Left, right!
Turn left,
Turn right;
Left, right! !
Like the echoes of my childhood;
Of the change!
Like the echoes of my past;
Plain, Cain!
But, when will i be free at last?

Edward Kofi Louis
510 And 511

The code to colour your life is with 510 and 511!
And like the joy of the muse of love;
But to hand it over with the muse of care!
Because your beauty is now seen by all,
For your colour code is like a sign and a proverb.

Edward Kofi Louis
52!

Chosen few;
On this earth,
As written by the laws.

52!
Chosen few,
As seen afar;
Written for the benefit of the last generation.

The muse of life!
Let your speech always be with love;
For, we need the laws of peace than,
With the bullets of war.

The muse of life,
A lot is wrong with our generation!
This last generation;
And, with vain babblings from the mouths of those who are not ready for peace.

52!
To come out of the mouth of the lion;
Blessed,
The chosen few;
In the mist of the wolves of this world who are not ready for the truth.

Criminals are all over the world!  
And the world loses 557 Million Dollars annually to Cyber Crime;  
But the Americans are on top of this list.

It is followed by the United Kingdom, Nigeria (419) and Malaysia;  
Then Ghana, Spain, South Africa, Cameron and Canada!  
But who the cap fits must surely wear it.

A cap on your head and a cup of water to drink,  
But any level of criminality is a crime! !

O put the world into better footing than destroying it, 
For it is written: 'Thou shall not steal'.

Along the narrow path of love;
And to write a poem to touch your sweet heart!
Because, i love you.

Edward Kofi Louis
59 Days

59 days of love and 59 days of my muse so sweet,
But it was a matter of life and death on this side of the well!
Because you left me so soon when,
I was so much infused to your love.

Edward Kofi Louis
5th June 2000

The crash of AIRLINK at KOTOKA INTERNATIONAL AIRPORT,
But without enough transparency to help the victims involved;
And my father was one of the passengers.
This occurred on 5th June 2000 and only 42 passengers survived the crash,
But AIRLINK has not resolved the case up to date;
And it is very appalling without any compensation.
It is like the Chaplain and the Chaperon,
And my father was admitted at the '37 Military Hospital' in Accra-Ghana;
But AIRLINK has forgotten about the 'Roses' on board,
However my father is still alive to tell about his own experiences on this crash.

6 Gallons Of Wine

Woe to those who call evil righteous and righteous evil,
For the 6 wings of love are like the 7 wonders of life!
And like the 6 gallons of wine in your basement.

Do not let wine influence you!
And like your perfume boxes and your earrings;
For, the turbans and the shawls are closer to you today.

6 gallons of wine!
And like your well set hair before the party;
But, 10 yokes of oxen are used daily in your garden of love! !

Of the lightest and the darkest of the night,
But you've failed to understand the life around you;
So, do not let wine influence you.

6,000 Years

Why are they angry?
Instead of repenting, they rose up in hatred;
'Repent therefore and be converted that,
Your sins may be blotted out'.

Every Righteousness brings forth Righteous fruit,
And blessed are those who do keep the law;
For 6,000 years of man's history cannot be wiped away!

Of the Great White Throne,
I am a leopard with the legs of a bear;
Of the small and the great on this earth,
I am a leopard with the mouth of a lion;
But train up a child in the way that he or she should go.

Stories of this world and,
The lack of Character Education;
Condoms do not prevent sexually transmitted diseases!
So why are they angry?

For, what is written down 6,000 years ago in history,
Cannot be wiped away so easily.
Life!
Let mankind choose what is right always;
Love!
Let mankind have the heart to care for each other;
6,000 years ago in history!
And, the truth of the laws are still there for us to learn from.

Edward Kofi Louis
6,000 Years Of Life!

6,000 years of life! But we still do not know the truth about the Calendar;
Yet still, the Roman Calendar is hanging up today in various homes.
Stil, till, ill, fill, mill, will, bill, hill!
Check the alphabets and know the truth;
Bets, alphabets!
And, who is now telling you the truth about the dates?
The style of letters,
The mind of words,
But, the nudity of life is what many have accepted today.
Have you heard of October, Octagon, Octet, Octavo, Octopus, Octal and Octogenarian?
Now, what is common among them?
Yes, they all connote the figure '8' to aid mankind;
Note, connote!
6,000 years of life and, many people are still in the dark.

But with the impetus act from every manner of works!
Detail by detail and step by step,
But the days will be long when you do bring me your love.

Edward Kofi Louis
600 Million Euro!

600 Million Euro!
But, it was too late;
For the money was in your Toyota four wheel-drive as you were attacked,
And the thieves made away with the money! !

Spotted,
Shiny,
Straight,
Creamy,
Like the death after birth! !
But the thieves took the money away;
And now, we don't have much story on this issue.

Edward Kofi Louis
666 Talents Of Gold

666 talents of gold for my lover in the valley of this bush nearby,
For she is gladly welcome to my home;
But Ghanaians came around and settled over here,
And they changed their names like the natives!
But, my lover will surely have the 666 talents of gold from me;
Because, the valley of this bush nearby is full of gold! !

Edward Kofi Louis
You have the secret code of Satan plus one!
667,
And that's what you are;
But, my ways are not like your ways! !
So, i now understand who you are;
And like child soldiers at war! !

Edward Kofi Louis
7 Brown Eggs

7 brown eggs!
Food to all flesh;
And, to part the red sea into two,
As the sun came around.

Winnow all evil things from your eyes!
For, poverty is the destruction of the poor;
But many are they who have rejected the truth,
And peace in the name of weapons of war leads to destruction.

7 brown eggs!
Your love to me shows that you care;
However, my work is my reward and my joy! !
Living in the land of peace to share with all.

Apples of gold!
Clouds and wind without rain;
But, the muse of love is now overflowing with words of peace,
As you are very young and, i am old in years.

Edward Kofi Louis
7 Inches Long

A big worm,
But 7 inches long in the land of your muse!
And like the words of love;
But rise up and shine to the world!!
For you need to be the same as you are,
And like the muse of this worm as seen around you.

Edward Kofi Louis
7 Moves

7 moves,
7 acts,
7 ways,
7 marks,
7 houses,
7 letters,
7 remarks!

Edward Kofi Louis
7 Plus 1

The Arch of Noah saved only seven people plus himself,
So do take up the census to understand this poem;
For many are called but few are chosen!
Think about the flood,
'7 plus 1' people were saved after the heavy rainfall!
And Noah came out plus the seven others;
But I am a refugee today escaping from the stray bullets of life.

Mind over matter in the bedroom of love,
And completely out of the ordinary with motivations;
But my imaginations can move mountains!
And, like the love of the muse of the flood!

'7 plus 1'quals to '8',
And eight people were saved from the Arch!
But let us try to understand the ways of the Creator;
For many are called and few are chosen!

Edward Kofi Louis
7 Swords

Politics,
Social work,
Vision!
Economic,
Cultural,
Economics,
Procedure,
Like the muse of nature;
Size, seize!
With 7 swords.

Politics!
Like the palace of the 5 dragons;
With the realities of probability,
But, true love knows where it belongs.
Vision!
With the economics of the people;
In seat,
In power,
With the mandate;
But, they need the wisdom of the white dragon and the black turtle.

Edward Kofi Louis
7 White Eggs

Train up a child the way he or she should go,
With love, peace and joy!
Under the muse of the laws;
And, with the truth.

Each heart knows its own bitterness!
But, train up a child in the right way;
With righteousness than with hatred,
Bringing peace to all than, with the bullets of war.

7 white eggs!
Pro peace, joy and understanding;
However, in all labour there is a gain,
And, a man's gift opens up the way for him.

7 white eggs!
To be before great men;
Sharing your views of life and seeking for peace,
With the fruits of the truth from your mouth.

Edward Kofi Louis
70 Euro

70 Euro for my lover in the bush and,
Of all the wonders out there!
But what i know now is,
She is married with children.
Everyday i hope and pray,
And everyday i do work towards my dreams;
For faith without works is no faith at all.

The woman went out to draw water and,
They saw you my love in the bush!
And of the wonders that they met with your children,
But i always have to send you 70 Euro to feed them.

Edward Kofi Louis
70 Moons!

I have suffered among men and,
I have been living in another world for 70 moons!
But you will conceive in your womb and,
You will bring forth a son.
The glad tidings of great joy,
I have been sent to speak to you;
And the spirit is truly ready but the flesh is weak,
So smite the shepherd and the flock will scatter!

Edward Kofi Louis
70 Years Ago!

70 years ago!
With the muse of the world,
With the muse of mankind,
Who cheated and who gained? !
With the works of mankind on earth.

Edward Kofi Louis
700 Boxes Of Fruits

Papyrus,
Playboy and playgirl;
Dancing with the blues like the stars!
But the tea-party was all about the love of your muse.
'Los Angeles Times',
And like your love-party!
With chicken, vegetables and lamb;
But your love is still living in exile with the 700 boxes of fruits.

Edward Kofi Louis
72 Hours After The Marriage

Slot,
Virtually blind!
Documents,
And with similar allegations! !
But you are now in poor health;
And like the joy of your muse 72 hours after the marriage!
But i will meet you in a rehistorical manner to understand your staus-quo.

Edward Kofi Louis
73 Metres Tall

Polytechnic education,
Vocational institutions,
But 73 metres tall is the tree in the middle of them!
And like the land of joy with a positive standard of education;
But the global village had now affected all of us today.

Edward Kofi Louis
The watch!
To be ready,
To learn,
To care,
To serve;
Match!
Catch;
With the muse of the big Class,
In your table.
Muse, use, fuse!
7th dimension,
Into another realm with your mind;
Searching always for the truth,
With positive morals.

Edward Kofi Louis
7th February 2012

I was a year older on Tuesday, 7th February 2012;
And, you were a year older on the same day!
Day, ray, say, tray, bray, bay, pray, play, May, way, away;
But this poem is dedicated to you my friend.
Date, mate, late, rate, hate, bate, gate, crate, pate, sate, state;
For, the occasion also reminded me of your love!
Year, ear, hear, sear, tear, wear, bear, dear, fear, gear, spear;
And like the ways of life around us! 
But, this poem is dedicated to you.

Edward Kofi Louis
7th Street!

7th Street!
With a baby in your arms;
I am not perfect but, i will always do my best for you.

Sweet love!
I will not leave you alone;
For, i will always be beside you to care for you.

Oh love!
The sky is always beautiful with the muse of nature;
And, i will never give up on you.

7th Street!
For your eyes only;
Lingering with the muse of love and lust in the garden of Beauty.

Edward Kofi Louis
8 Eggs Laid!

8 eggs laid!
At the completed time;
8 eggs paid by the bird!
At the completed time;
However, try to treat me with respect! !
For, you keep on attacking me with your negative attitude.

Edward Kofi Louis
8 Holes

Poles,
8 holes,
Fixed together,
Working together,
With the muse of the machine.

Edward Kofi Louis
8: 13 A. M. With The Love Of Your Muse

Vibes,
Tribes,
Cluase,
Pause,
Appluase;
Amazing poetic skills! !
8: 13 a.m. with the love of your muse,
In, bin!
Wheelie bin;
Ditty,
Doubtful,
Demerge,
Mood,
Driftwood;
Emerge!
With the muse of the food prepared for your love.

Edward Kofi Louis
8: 13 A. M. With Your Love

There is always hope in life!
So, don't give up on your dreams; even if you do fall many times.

8: 13 A. M. with your love;
Always value the person who speaks the truth!
Because, the delight of love is the truth.

Marriage brought you into this land;
And, you met a strange culture!
However, a diligent person prizes his or her possessions.

Edward Kofi Louis
You gave me 80 Euro as a surprised gift!
But where is my lover who left me last night?!
For she's the one I need than money,
And I will never stop loving her.

Edward Kofi Louis
87 And 78

Everything is for a purpose in this life;
And, there is time for everything.
The Golden Shadow! !
In the land of your muse;
The Silver Shadow! !
In the land of my muse;
But, behind the big tree is the Bronze Shadow!
So, you better watch your steps in this land.

Of the turning numbers in 2013!
He was 87 years old and, she was 78 years old;
Married for many years.
Life!
All is not lost because of Yahweh;
Love!
Keep on moving up until you succeed;
For, impossible is nothing.

Life!
With the richest of the rich;
Life!
With the poorest of the poor;
And to the four winds! !
But, with the muse of love;
However, i do have a purpose on this earth.

Edward Kofi Louis
8th November

Tethering your donkey to the vine and,
Washing your garments in wine;
For life is like a viper along the path of love and,
8th November is the date for my final exams on love.
I am fully prepared like soldiers at war!
And, i am like the birds that flies over the seas.
Blessings of the grain stalk and blossom,
Blessings of the mountains eternal;
For the truth is,
We have to to make this world a better place.

Edward Kofi Louis
9 Inches Long

9 inches long and wide!
9 inches long and thick! !
9 inches long and strong! !!
With 9 years of love to satisfy your muse;
But, this was like the faith of your hidden love!
And these red tomatoes are now in the land of plenty.

Edward Kofi Louis
9: 08 P.M.

9: 08 P.M.,
Taking a bath at the beach at night!
Watching and waiting for the sun to settle down.

Sunset!
With the muse of the ocean in my view;
Watching and waiting for the sun to settle down.

Edward Kofi Louis
9: 30 P.M. At The Beach

9: 30 p.m. at the beach,
Watching the sun,
As it goes down;
And to praise nature!

Edward Kofi Louis

Fine gold in 999,
That is, 99.9 % (24 Kt) to satify your muse;

Gold coins in 917,
That is, 91.7 % (22 Kt) to satify your trade;

Gold crowns in 750,

Normal gold in 416,

Normal gold in 375,
That is, 37.5 % (9 Kt) to satisfy your love;

Normal gold in 333,
That is, 33.3 % (8 Kt) to satisfy your romance;

The ways of mankind and the works of life,
With the jewellery industires always busy with gold.

Edward Kofi Louis
9th August

On the 9th of August,
And you shot my right leg with a gun!
9th August,
And you pierced my waist with a knife!
But, I am still with my pains on the right leg.
I am was on the path of love and,
You hinded my plans with this gun shot;
So I will always rember this day.
Your own act had made you my enemy,
But I will surely overcome this pain one day;
And will still look for my lover.

Edward Kofi Louis
Horses galloped along and the fruits fell down but,
The clouds of love are now around you;
And you better keep up your mind straight for the fairy maidens.
The peaches of life is like your beautiful fruit of love,
So i need to pluck them young before they overgrow;
And better it is eaten raw than boiled,
Because the clouds of love are now around you!

I do share your grief and your pain,
With 126 dead bodies recorded on the 'Black Wednesday'!
And now, 9th May 2001 is part of Ghana's history.
From a single burial to the mass burial,
But try to dream your years away when you sleep with love;
Because life is so cruel at times,
And like the story from the 33rd to the 36th parallel at the stadium.

It was a match between Accra Hearts of Oak and Kumasi Asanta Kotoko,
............................and, it is a goal-oal-oal! ! ! ! ! ! ! ! ! ! ! !
But the state of the joyful minds turned sour;
With the tragedy from the stadium’s stampede,
9th May 2001 at the Accra Sports Stadium!
And 126 people were recorded dead.

Edward Kofi Louis
A Student In Life

A student in life,
A student of life,
Learning always,
From birth up till the end;
Seeing the ways of life,
With more questions than answers.

Edward Kofi Louis
A Back Door

Back,
Black,
Backgrounds,
Back yard,
A back door!
However, the truth is a beautiful thing to behold;
Ratio, rations!
So, hold on to the truth always and live in peace.

Edward Kofi Louis
A Banner

Overwhelmed,
Presence,
Shelter,
Inheritance,
Performance;
Wash and take up a banner of peace,
For around us are full of wars!

Wash, ash, was, saw, as, has;
It is shaking like a snake and it is sinking!
But take up a banner of peace to save your life.

Edward Kofi Louis
A Barren Night

A barren night,
With bombs falling from the sky;
Terrified! ! !
With no joyful sounds from the land.

Edward Kofi Louis
A Bed For Us

I am alone and naked on my bed,
Waiting for my lover to come in;
Please come and share my nakedness,
For all i have is for you.
I love you and you are all over me,
Please come and share my nakedness;
Come as a man and never be afraid.
Where is my sweet lover?
Where are you my only one?
I love you and i have prepared a bed for us.

Edward Kofi Louis
A Better Date

When it is summer for you,
It is then winter on my side;
So let us find a better date suitable for all of us!
For this sweet love is all that we have.

Edward Kofi Louis
A Better Footing

Silence is the best answer to a fool!
But think twice when a mad man throws a stone against you;
For tis world is not as you do see it,
And it means a lot in many ways.

There is more hatred among people than love,
But we all have to do our best in putting things right;
For this world is all that we have as at now,
And we all need a better footing for doing the thing.

Edward Kofi Louis
A Better Place

Let us love this world and put it in a better shape than hate,
Let us share true love with one another to make the world go round;
For our negative actions will surely lead us to fights and wars,
But true love from us all will make the world a better place.

Edward Kofi Louis
A Better Tomorrow

A garden of thorns and thistles,
Someone had deceived you my love;
And flying up high like an eagle to view the world,
But someone had stolen your love away from me.
I can't trust anyone again in this land of hatred,
For you came and ate from my tree of love;
And now you are very worried!
But there will be a better tomorrow for me.

Edward Kofi Louis
A Better Tomorrow For Us

You don't believe in anything!
But with Yahweh, all things are made possible;
I do believe in Him and i am waiting for a better tomorrow.

It will be,
It will be done by His Mercy;
And, i only believe in the Creator who made heave na dn earth.

Do not lose hope in life!
And, do not give up so easily;
For, we will all laugh one day,
Which is called tomorrow.

Edward Kofi Louis
A Better Tomorrow II

21 years of hard struggles!
No success;
31 years of hard struggles!
No success;
53 years of hard struggles!
No success;
But, still alive and kicking,
Hoping for a better tomorrow.

Edward Kofi Louis
A Big White Spider

The limit,
The scene;
Of a big white spider!
Moving around in your room,
To say hello to you.
The occasion,
Of the occasion!
Like the muse of a lady in red;
Reasons,
Seasons,
Like the muse of a banker by profession!
Visted by this spider.

Edward Kofi Louis
A Bird

If a bird doesn't fly! ! It stays where it is;
With the beauty of nature,
With the frangrace of life,
Colours! !
With the muse of creation.

Edward Kofi Louis
A Black Box

Exposure!
A black box;
To pay close attention to it,
Understanding the ways of the truth,
And, to humble yourself with the works of the truth.

Edward Kofi Louis
A Black Colour

It was a black colour and,
That was my first love!
But innovations and creativity are the virtues of Art.
You will see me as i am and,
You will see him as he is;
You will see them as they are and,
You will see her as she is;
But innovations and creativity are the virtues of Art.

Edward Kofi Louis
A Black Issue

Muse, fuse!
Down the lane with your love;
Infuse! !
Not to refuse the truth;
A black issue,
Not the tissue!
Down the lane with your works;
See, bee, tree!
To agree;
A black issue.

Edward Kofi Louis
A Black Star

Red, gold, green and a black star!
I am the son of Africa to tell you a story;
But this will be like s dream to you,
Because not all that glitters is gold! !

Inception,
With love, mercy and peace from me to you;
But the sinful men and women of this world are like,
Teachers and pupils in the same classroom!

Brothers and sisters,
Times and seasons;
Men and woman,
Hopes and dreams;
Let me comfort you in times of your distress and affliction,
For a black star is now among the colours.

Edward Kofi Louis
A Blackout

Rebellion!
A blackout;
Darkness,
With the weapons of war.

Battles,
Battles of war! !
With no peace at all in the making;
as one carries a gun against his or her neighbour.

Edward Kofi Louis
A Bottle Of Coca-Cola

one for you and one for me,
Fidel Castrol is drinking Coca-Cola! !
And like bread and meat in the land of war!
But a lonely young woman is waiting for you.

Appointed,
Wondrous works of abstracts;
Ornamentation,
Let the trees of the forest rejoice!
Established,
Let the heavens rejoice and let the earth be glad;
For i am now looking through the window of love,
And like Fifel Castrol with a bottle of Coca-Cola in the hand.

Edward Kofi Louis
A Bottle Of Rum

Drum! !
A bottle of rum;
Glum,
Hum,
Gum.

Edward Kofi Louis
A Bottle Of Wine

I have taken a bottle of wine so,
I couldn't see your name on the list;
But bring your love to me to remind of last night,
For your kiss was gently ans so sweet.

You have kept your promise to me so,
You've now married me;
And i sincerely thank you for your words.

A bottle of wine,
And of the drink i took last night;
So i now write of what i have seen and heard,
Because you are my sweet lover!

Edward Kofi Louis
A Bottle Of Wine And A Loaf Of Bread

You cheated me of a bottle of wine and a loaf of bread,
And you made me paid extra for them! !
But all thses will come back to you one day,
Because we have to be very honest in this world always;
And like the muse of your love hanging up over the wall.

Edward Kofi Louis
A Bottle Of Wine Daily

A bottle of wine daily with the muse of your love,
Don't tell me what you do not know!
But rather what you you do know always,
For this love is all about you.

Edward Kofi Louis
A bottle of wine on the morning grass,
And of the nakedness of your lover next to you;
One story led to another in the name of love,
And like the lpha Boys and the Beta Girls in school!
But what makes you cry rather makes me laugh.
On the street of love,
What looks like a joke to you is rather death to me!
And like the anthems of love to respect your muse,
But you are now with your lover.

Edward Kofi Louis
A Bottle Of Wine Is What You Demanded

Never depend on me always because,
Democracy had run over me! !
And it is now pulling me against the walls of wars,
Because the youth are now out on the streets.

Death is what i now see on the streets,
But a bottle of wine is what you asked from me;
And the nation is now in chaos because of this democracy.

The rhythm is in motion and,
The people are now chanting the war songs;
But a bottle of wine is what you demanded from me,
And like the blessed memories gone by.

Edward Kofi Louis
A Bouncy Baby

Mary has a little lamb and,
Mary has a little child;
But, there is no father to this child.

She played around with the boys in her land and,
They all slept with her in the name of lust;
So, she now has a child without a husband.

Of her bruises and her words and her notes,
You can't hide from the truth when it hits you!
For she is now a mother with a bouncy baby boy and,
I am now floating in timeless order to reach out to her.

She was once my student and,
I taught hwer how to count, read and write;
But her echoes through the wind made her another person,
And she's now a mother to a bouncy baby boy.

Edward Kofi Louis
A Bowl Of Soup

A bowl of soup,
Aromantic;
Being lovely to the eyes,
Delicious with the works of art.

Edward Kofi Louis
A Brawling Woman

A brawling woman!
Always in trouble;
No mercy at all from her heart.

Edward Kofi Louis
A Brawling Woman  2

A brawling woman,
A nagging and angry woman!
With no mercy in her heart,
With insults always out of her mouth.

Edward Kofi Louis
A Brazan Face

Devious plans,
With a brazan face;
At the cross roads,
Where the paths meet.
Your evil ways,
Pride and arrogance;
With a circle on the face of the deep!

Edward Kofi Louis
A Break

A break,
Taking a break;
With time,
With love;
To care! !
To show;
Sharing with all in peace.

Edward Kofi Louis
A Bridle For The Donkey

A bridle for the donkey,
The legs of the lame hang limp!
So, do not answer a fool with folly.

Edward Kofi Louis
A Bright Future

Tense, sense, cense, dense;
With success and prosperity!
Fence, hence, pence;
But a bright future is what you need on this love.

Lance, dance, trance, France!
Dance with my muse and play with my love;
Quince, nice, niece, prince, since, princes;
With success and prosperity!
But a bright future is what you need on this love.

Edward Kofi Louis
A Broken Glass

A broken glass,
Like the muse of war!
But, something is very wrong somewhere;
And, i am yet to find it out.

This world is at times like,
An insulting wife living with her quiet husband;
And like the colour of love and the power of love!
But do build homes with love and live in them.

Edward Kofi Louis
A Broken Heart

Who sings a song for a heavy heart? !

A broken heart,

Love and loss,

Like a city broken down.

Edward Kofi Louis
A Broken Heart!

A broken heart!
With the thunder of love striking you;
And now, you are bleeding,
For, you lover left you too soon.

Edward Kofi Louis
A Broken Man 's Heart

False govrnance is your act,
Killing others is your habit,
Flirt is your pillow,
Naked fashion is your hobby,
Rape is your chewing gum,
And, you really love sin! !
But, take a look in the first five books of the Holy Scriptures;
Then, you will learn for the better.
To be very humble means a lot,
For, it has nothing to do with praise or discouragement;
It has nothing to do with criticism,
From sunrise to sundown;
And like the treasures from a broken man's heart.

Edward Kofi Louis
A Broken Vessel

A broken vessel,
And like a dead person gone from memory;
But let the lying mouths be put to silence,
And i am here to seek peace with my love and care.

Edward Kofi Louis
A Burning Wood

Fire! !
The smell of a burning wood;
In my neighbourhood.

Edward Kofi Louis
You can number me among the freshmen and,
You can call me names if you like;
But i have a call to fulfil on this earth.
Where is the Black Cat?
Where is the Blackman?
The last train from Mendrisio;
You can call me names but,
Hold back the dark and bring in the light;
This earth is man's journey.
Once upon a time and once upon a journey,
The ultimate guide to express my mind;
Once upon a life and once upon a view,
I am on a mission to fulfil a dream.
You can number me among the freshmen like,
A comfortable act among the Armageddon countdown;
But what i am doing with this Slavonic Connection is,
Like an autumn dawn with a franchise.

A call, a call;
This is all about the joy in me.
It encourages me to move on no matter what,
And my mind moves on like a plane too.
I need a life of my own,
You need a life of your own,
Like the Stationmaster's daughter with her muse.
I need a life of my own,
In a Fairyland to rest my mind;
This call is not yours but,
It is for the muse that muses with my mind.
I am now in the shadow of the commanders like,
The stigma of an office with its odyssey;
I have seen her face but once,
You have seen her face but twice,
The call is to marry her.

Mary me oh Dolphin-Swimmer,
I have seen hr face but once;
Like a clean mission in Madagascar,
And i have the muse of a virtue to share with her.
You have seen her but twice,
This is a call to wake you up;
The call is to marry her.
I need a life of my own and,
You need a life of your own too;
But, this call is for me to marry her.

Edward Kofi Louis
A Camel For You

A camel for you and,
A lion for me! !
In the land of beautiful animals to respect nature;
But, anger kills a fool!

Envy slays many but, you do sit idle in the land of your muse;
So, how can i sing a nice song in this strange land?
When, the bullets of war are chasing me! !

The grave has enlarged itself!
And now, it had opened wide its mouth to swallow many;
But, take heed and be quiet,
Oh, my fairest among women.

A camel for you and,
A lion for me! !
But, the snow falls on us without a direction;
And like a mare among Pharaoh's chariots.

Dripping liquid of myrrh! !
Where is my fairest lady among women?
For, someone sits idle and does not know the time!
And like the battle of Magnesia.

Edward Kofi Louis
A Candle Light

Have you tasted it before? !
Of the thing called love;
Have you used it before? !
Of the thing called romance;
Come and stay with my nakedness to make me feel all right.
Like the sweet smell of a passion,
Come and let me feel so high!
For you are all that i want.

Have you eaten it before? !
Of the sweet fruit of love;
Have you been in love before? !
With the romantically acts of love;
For we need a candle light on this sweet love,
So come and thwe red river of mione to know things for yourself.
With the blues of your milk to satisfy the sweet taste of my honey.
Like a new born baby in it's mother's arms,
Come and let us crown this love all day long;
For a candle light is needed on this love that share.

Edward Kofi Louis
A Car

I do buy a car after the end of each fight,
And you still don't know my number plates;
But i am prepared to propose my love to you.

Edward Kofi Louis
A Caring Heart

Out, oust!
3 plus 3 equals to 6 in base 10;
The truth is dedicated with love.

Joy! !
That fulfils the future;
With the works of the truth.

The flow!
The flow of true love;
With peace and joy.

Head, ahead!
With the beauty of life;
To bring joy to your heart.

Storm! !
Flood,
A caring heart;

Blue,
Blues,
Clues! !
With the muse of the Blue Sea;

This love is deeper in your heart,
This work is all that you need,
This mind is dedicated to you;
To put a smile on your face always.

Edward Kofi Louis
A Carved Ivory

Walking naked and barefooted,
Moab will wail for Moab;
Naked and barefooted,
Gladness is taken away along with joy.

A Carved Ivory,
Fair as the moon with my mind on you;
To the heights of the mountains,
Bright as the sun with my mind on you;
To the bed of spices,
Love is like the fragrance of Lebanon!
To a Carved Ivory,
Our legs at war;
To a Carved Ivory,
Our toes for battle;
To a Carved Ivory,
Our bones so scattered;
Love is sweeter than wine.
prayers like incense,
Gladness is taken away along with joy;
Life is like a harp with ten strings where,
Wisdom is better than strength.

Edward Kofi Louis
A Casket

A casket!
Small like a basket;
But, who should be buried in it?

Edward Kofi Louis
A Cat Is Always A Cat

Illegal lust!
Your attitude always puts me off;
All the time,
Because, you do not understand the truth.

The heat!
To protect you with the cold;
So, stop complaining all the time,
because, i do have the answers to your problems.

The cold!
To protect you with the heat;
Add nothing to nothing and, take nothing from nothing!
For, a cat is always a cat.

The last meal,
A sheaf of corn;
Like the muse of the independece of Holland from Spain,
But, classic poets are with noble acts.

Edward Kofi Louis
A Catamite

A Catamite is not needed over here!
That was the order;
Because, filthiness are not allowed over here.

Life!
Living with the people who respect cleanliness;
Love!
To respect the laws and to do what is right always.

Edward Kofi Louis
A Change Is Very Important

Life!
A Change is very important;
But, going the right way with the laws.
The muse of life!
The philosophy and the message;
Give food, clothes, money, and help the extremely poor!
And, help them to mend their respective nets for a catch.
Muse!
Be very strong and courageous always;
And of eyes weary with longing.

Edward Kofi Louis
A change of picture,
Coming out boldly,
Your heart is changing!
After the fall;
Of the past,
But now, in colours! ! !
Like the rainbow;
With the joy of your heart.

Edward Kofi Louis
A Cheerful Heart

A cheerful heart!
Giving and caring,
Nature at its best! 
With natural laws,
With righteous morals,
With servitude and attitude,
A mind so clean.

Edward Kofi Louis
A Child To Care For

You can't worry me like this,
Because i also have a child to care for;
But some people wait for a life time in a moment like this!
And what i see around me brings grief to me because,
The poor are not taken care of.

Edward Kofi Louis
A Child's Plea

A child's plea!
The world needs peace;
Love and compassion,
Facing the ways of life,
Passion! !
A child's plea,
The world needs peace and love than war!
Let us face the truth,
Let us bring peace to all!
With positive morals.

Edward Kofi Louis
A Choice

Rich and poor,
Clever and dull;
What status do you have to compute with in this world of ours?
Is it a choice to be made or of the situation that you find yourself?
But my memories are from the authorities,
And like the temple of your sweet heart on this matter.
The accent of my speech says it all but,
I will do anything for love;
For the challenges of life are too many to bear.

Edward Kofi Louis
A Choice 2

Busybody!
With ears to hear;
At that time and,
At this time!
Salt,
A choice,
Disunion,
Between art and science;
In the eyes of the public.

Edward Kofi Louis
A Clay Tile

A clay tile,
In front of you;
Mile, smile, Nile, file, while, pile!
Knowledge,
Acknowledge the truth and understand the ways of life;
For the sake of peace and love.

Edward Kofi Louis
A Clean Cut

Broken ribs,
A clean cut,
Terminology!
With the muse of a king.
Man!
On the desert sand;
Woman,
With the dessert;
Boy!
With a smiling face;
Girl,
With the laughter;
Like the Story of a young king.

Edward Kofi Louis
A Coalition Pact

Make me a coalition pact on this love and,
Let me come to you always with the peace of my mind;
Coal, coalition!
Like the East Coast of love that takes my stress away.

Love!
It starts from somewhere and, i want to meet you my sweet one;
Muse!
I will always prepare my table of love for you;
And like, the melody of the Forest of Love around us today.

Edward Kofi Louis
A Cold Day

I am from another tribe and country,
But you are welcome to my home my sweet one;
For i do hear the sounds of the guns and,
I don't know what it means.

Down came the storm without a clue,
And of your life in the cold without help;
For the salt of the sea has frozen your breasts.

This is like a welcome guest,
And of the tears of salt from your eyes;
But this day is very cold and,
I am her to care for you.

A cold day and of the muse of your love,
Why waste the food on the table?
For the children played and made merry,
And like the old love tune for my fair lady.

Fair and sweet,
A cold day is all that it takes today and to save you;
And of the young girl who is mused beside the well,
But you've deeply buried your eyes on this issue.

Edward Kofi Louis
A Cold Dessert

Fitness level,
Suspect!
Under the eyes of the law;
The fighting spirit! !
But with poor coaching tactics.
Be careful!
With the cat,
Seen around;
Muse, use!
Inherited;
Act!
Seen,
Recorded,
To print it out;
World of books!
Like your visit,
Seen today in Vancouver.
Fuse, infuse!
Not to refuse the works of the truth;
In your land.
Cast, telecast!
Mast,
Last;
A cold dessert,
Trying to understand the ways of life in your land.

Edward Kofi Louis
A Cold Evening

A cold evening,
Walking along with the old man;
Along the coast of love,
Bold! !
To hold on with him.

Edward Kofi Louis
A Colourful Family Tree

This world is made up of colours and,
I am glad to come up from a colourful family tree.
There are many colours around us and,
You can enjoy the colours in your bathrooms too;
For nature is full of colours!

Like the human beings,
I am brown in colour and my mother is a black woman from Africa.
I have many relatives all over the continents and,
My father is a white man from the U.S.A.
Four of my aunties are from Australia, Japan, Brazil and the U.K.;
Four of my uncles are from India, Mexico, Canada and Denmark;
So i grew up among many colours of this world.

A colourful family tree is what i came from and,
I am very glad to meet various colours in my life time;
For a long the lines of my growth,
I have come to love all the colours around me.
Colours are very beautiful and we need them around us,
They are in your offices and your houses too;
Yes, we need all the colours to beautify things around us.
Black is beautiful and white is beautiful too,
For we were made from the Creator with colours!
And i am very glad to be part of this family tree.

Edward Kofi Louis
A Common Title

The two are fighting! ! !
Because of a common title;
For the one to wear the Crown.

Edward Kofi Louis
A Confused Mind

Wickedness!
With a confused mind;
Killing and destroying,
Not ready for the truth.

Edward Kofi Louis
A Copy

A copy,
As if it originated from you;
Taking up my works,
Presenting them to your teacher.

Edward Kofi Louis
A Covered Face

Rejected, neglected, the cupbearer;
Casting longing eyes on him!
But, he is 13 years older.

An archer!
The signet,
The cord,
The staff;
Beside a well of water.

A covered face!
I couldn't find her;
Even though he was around as well,
Searching for her.

Pain and sorrow!
With the ways of life;
With the afflictions of our hearts,
In toil we shall eat from the ground.

Honour and glory!
With the joy of your heart;
Because, you've made it today.

Bath yourself always and be clean,
With love,
With peace,
For the joy of the land;
Until the morning light to see the muse of the sun.

Edward Kofi Louis
A Culture

You are 20 miles away from wisdom and,
I am 60 miles away from you with the facts of life;
And like the little doctrines and the rules which may delay a culture,
For hatred is also in our own rooms and on our own tables.
Real or artificial to you may sound as if to crown the muse,
But do walk around the town to see things for yourselves;
And of an education of words without the broom!
Let wisdom reign to the charging of mankind.
You are satisfied with yourself and i am with my muse also,
But a culture of value is what i need;
For you’ve been delayed by the doctrines of your culture in this life!

Edward Kofi Louis
A Cup Of Tea

A cup of tea,
But, not at sea;
To drink your tea,
With a pink cup.

Edward Kofi Louis
A Dance With Edward

Last light on thr river,
The bright of love;
Like a dance with Ewdard!
To free your mind from the world.

Edward Kofi Louis
A Dancing Elephant

Have you seen a dancing elephant before? !
Tell me before i put out a tabby cat;
For this earth is full of choices.

You've accepted the application of images of the animals,
And like the best legs in town!
But with a glittering surprise, the elephant will dance in your town;
And like a little cat with a shoes on one leg.

I have to review the acts of the fatty cats around me,
With prior approval to my drabs;
Because everybody love success!

This dancing elephant you are talking of is very fascinating,
But the fantastic act of my mind is to be with you always;
For the land that beautifies he images of these animals are like the muse of your love.

Edward Kofi Louis
A Dark Cloud

A dark cloud in your anger!
Of what you could do and could not do;
But, anger kills a fool.

Life,
Thrown down because of your anger!
And, in the day of your anger,
You were swallowed up with the muse of your greed.

Fierce anger!
Wrath,
Pride;
But, you are now brought down low to the ground because of the truth.

Edward Kofi Louis
A Dart Of Passion

A dart of passion inflamed your vitals and,
The act of love took on your emotion;
For this romance was like the art of the muse you've been waiting for,
But i have spread my bed with tapestry of fine linen from Egypt.

I was eagerly looking for you!
That is why i am out here to meet you my love;
Because the girls are back with fun and love,
But there is no sex in this desert around me.

The first floor was for your love and,
The second floor was for your nakedness!
But who will take you up to the third floor of my muse?
There and then you will be able to climb up to the fourth floor.

The dart of passion inflamed your vitals and,
I am only doing my job to satisfy you;
So let me bath you tonight with the muse of my love,
And let us go through all the steps of love tonight.

Edward Kofi Louis
A Date To Remember

A date to remember!
Between you and me;
Memories,
With the muse of life;
History!
Story,
A date to remember,
Always in my mind.

Edward Kofi Louis
A Day After His Victory

Here she is,
Here he is,
Here we are,
Here they are! !
'Anti-Trump-Protest',
Seen in America!
A day after his victory.

Edward Kofi Louis
A Day And Date

Nests to birds and holes to foxes,
Of the olive oil and honey on my table;
But in the obscurity of darkness,
The harvest time is very great.

Unmarked graves,
The choicest wine at the beginning of love;
There is a day and a date for everyone.
Of the rich man's table and the poor man's table,
Like homes without numbers to compare with these graves;
But you need ten silver coins to reach my home.

A fig tree with leaves and the horse-walk of things,
You need a 'pencilcure' act to note my mind;
And from 'dreamontology' to 'dondoorlogy' to what is prepared.
The king and the Queen do seek for me,
But i am always missing out of their sites;
Since i do have a day and a date on my lovers heart.

Edward Kofi Louis
A Day Like Any Other

Living in a creative community,
With my world and my life;
Joy! !
A day like any other;
Well connected,
With the muse of peace and love.
Challenges,
Encounters,
Occasions;
With the laws as the centre of attraction,
And, knowing what to do at the right time.

Edward Kofi Louis
A Day Like Today

Fantasy! !
With flights of fancy;
With the insight of life,
The sight of love,
The bright light from the sun!
Right with my mind,
Valiant! !
Strong,
Like a coastal storm! !!
Not like a party time;
Flights of fancy,
Above the trees!
Dreams of life,
Swinging along with love;
A day like today,
Because, yesterday is gone.

Edward Kofi Louis
A Day Will Come

Love,
A day will come that you will remember me;

Life,
A day will come that you will look for me;

Muse,
A day will come that you will answer my call;

Nature, neutral!
Life is humble and love is so beautiful.

Edward Kofi Louis
A Deaf Adder

You are controlled by the beat and bridle,
And you are dark and slippery!
However, praise is comely for the upright.

Dance for joy when you have hope!
For, we will surely fly away one day with,
The wings of the love.

Dove, love, above, move, clove, rove, prove, wove;
And like a deaf adder! 
But, the venom of serpents are around us always.

Drove, hove, strove, glove, stove, grove, shove, cove;
And like the teeth of the young lion!
However, the he-goat is now from your folds.

The heat of burning thorns!
But the humble shall hear and shall have joy;
However, i am weeping for the night! 
For, the perfection of your beauty is like,
A deaf adder in your neighbourhood.

Joy in the morning is not all that i need,
Because, the mule has no understanding;
And, the hart pants after streams of water.

My soul thirsts for your love!
And my mind will not rest until i find you my love;
But, praise is comely for the upright.

One she-goat from your folds!
From the land of the living to satisfy my muse;
And like a deaf adder in your neighbourhood,
But this journey of mine starts from the hills of love.

Edward Kofi Louis
A Dear Friend

You are a dear friend!
To me;
You are always welcome into my simple abode,
Ready to share with you,
With the muse of your beautiful mind!!
Simple with the muse of life,
According to righteous characters.

Edward Kofi Louis
A Decade Under This Roof

A decade under this roof!
Going through hardships,
Being patience with my mind waiting for the sunshine;
Positively with my faith! !
With prayers to the Creator Almighty;
Hoping that, the tide will change one day.

Edward Kofi Louis
A Decree

A decree was issued and,
I was brought up forward;
But, you denied me of your love!
And now, i am in jail because of you.

Set your home in order and,
Let my sweet love come closer to you;
For, you will hear my oratory!
Even if you turn your face to the wall.

Of your name and,
Of my name in the land of beautiful flowers;
But, my presence in this jail is because of your love.

Edward Kofi Louis
A Deep Sigh

High!
So high;
To treat,
Positively! !
Love and care,
Not to retreat the truth.
A deep sigh!
Not to weep;
For the truth is all that you need.

Edward Kofi Louis
A Defence

Late, plate, hate, slate, mate, fate, date, ate;
Wisdom is a defence but love is the key,
And like the muse of your love in the land of lovers.

Paste, waste, caste, baste, haste;
Money is a defence but love is the key,
And like the muse of your love in the land of monkeys.

Sin, win, pin, fin, gin, thin, ain, bin, din, kin, min, tin, yin!
Money is a defence and wisdom is a defence;
And like the ways of your acts in the land of your muse,
But i am here today with the true works of my hands.

Edward Kofi Louis
A Defence Like This

Do not become easily angered!
For anger rests in the bosom of fools;
And like the death rate in the land of war,
But i will be there always to guide you on.

A defence like this is what you need,
And like the defence of your love in times of war!
But i will be there always to guide you on,
For the laws of the land are much needed.

Edward Kofi Louis
A Demon

A demon!
With incantations and black magic;
As putrid as unclean food,
Crush, loose, destroy!
Made known.

Edward Kofi Louis
A Desired Lover

Eating and drinking,
You are a desired lover by all the girls!
Confirming such a matter with you;
Behold I am commanded to bless you!
Says the truth;
To triumph with the works of righteousness,
And, to be victorious in all things.

Edward Kofi Louis
A Desolate Wilderness

A desolate wilderness! !
From want and famine;
To huddle under the nettles,
Scourged out of the land.

Edward Kofi Louis
A Dialogue

A dialogue,
Not to argue!
The clue,
In due time;
Not to sue your friend! !
Only to glue the truth to your heart,
With the blue light of peace.

Edward Kofi Louis
A Dice Game

A dice game!
The price of the rice;
Ice,
Spice! !
Slice;
Meeting Alice your friend.

Edward Kofi Louis
A Diplomatic Mission

The angel and the deep red sea,
The devil and the deep blue sea,
You and i on this deep love sea,
I am on a diplomatic mission to seek for my lover;
For i am strongly touched from the realms of love.

I am what i am today and you are what you are,
I am what i am on this love and you will be touched;
So come and take me along with you,
For i am about to tell the world about you.

I will write a story about you and,
With symbols and folklore infusions;
For a student needs the teacher.

Of the desire of love and the rule of my mind,
Of the desire of your muse and the act of love,
For we are in the same boat together!
And this love is the key on this high sea of love.

Edward Kofi Louis
A Dish For You

Hot! !
In the pot;
Just one more time,
The prepared food,
A dish for you.

Edward Kofi Louis
A Door

A door,
Open and close!
What about her?
What about him?
We are here because of you;
Anticipation,
Important person! 
A door,
Open and close.

Edward Kofi Louis
A Drastic Change

A drastic change is what my people need,
But where lay the hope of their future stars?!
For the realistic act of a vision is much needed,
Because they have been lost for far too long!

We need a drastic change in this life so,
try to embrace such a change to move on;
And one should aim at the future always.

Edward Kofi Louis
A Dream

'I have a dream!'
From Slavery to the White House writes says my mind;
'I have a dream!'
From poverty to riches says my mind;
But like the fertility of Ephrathah,
I am surely going to fulfill this dream.
Please, do not urge me to leave you my sweet one;
For the future is too bright for us!
'I have a dream!'
And the dream is to marry you my sweet one;
For you are the one in whose eyes I have found honour.

Edward Kofi Louis
A Dream Came Right In My Mind

Love,
Sweet love,
A dream came right in my mind!
As soon as i read your poem;
You are very great! !
And, i sensed your love within me.

Edward Kofi Louis
A Drink For You

Think! !
Pink;
Ink,
Wink,
Not to sink;
A drink for you!
A drink for me;
Blink, link!
Always with your imaginations,
To think big.

Edward Kofi Louis
A Fairy Tale

Rejoice in life if you have hope,
Rejoice in love if you have peace,
And like the mountain and her valley;
But, many are those who have no hope at all in this life.
A fairy tale,
Of love and emotional commentary;
But there is time for everything in this world,
For the lamentations of my past are like the proverbs.

Edward Kofi Louis
A Faithful Servant

Set them free and give them enough to go out on their own,
But a faithful servant is very valuable to a person;
And with loving kindness i will meet up to your sweet muse.

The clouds will cover the earth after the nuclear wars!
But part of the heavens will reveal the light after the clouds are removed;
And like your sweet love in the land of the judgement seat,
But a faithful servant is very valuable to a person.

Edward Kofi Louis
A Faithful Witness

To the firstborn of Yahseph,
Of all that is created;
To the secondborn of Yahseph,
Do set set your mind on Mount Zion;
For His name is His glory and,
Of the economic well-being.

Of the year of the rat,
Of the year of the dog,
Of the year of the cow,
Of the year of the bull,
Of the year of the sheep,
Of the year of the dragon,
Of the year of the snake,
Of the year of the pig,
Of the year of the goat,
Of the year of the lizard,
Of the year of the crocodile,
Of the year of the elephant,
Of the year of the scorpion,
Of the year of the turtle,
Of the year of the fish,
Of the year of the earth,
Of the year of the wind,
Of the year of the fire,
Of the year of the water,
And of the year of the bush!
Like the firstborns of slaves.

The hips of romance,
The faithful witness will not lie;
The same day,
The same night,
Of the love shared at where no oxen are;
And the crib was very clean.

Edward Kofi Louis
A False Witness

A false witness declares deceit!
Whose thoughtless speech cuts like a sword;
And, a violent person entices his or her neighbour! !
Leading him of her into the ways which are not right.

Edward Kofi Louis
A Fat Calf

Sarah was Abraham's niece,
And Abraham was Sarah's uncle;
Like a thousand pieces of silver to buy your love;
But love is all that makes the world go round.

Where there are pick pockets,
You don't find me there;
Because my lips are with the law!

You've stolen my wife and you say it is okay,
But wait until the party is over;
There you will learn more from life itself.

Of a tender and a fat calf,
This world is made of Ishmayl and Isaac;
Like butter and milk to my taste but,
A brick is for stone and the bitmen is for mortar.

Life is like a ram caught in a thicket by its horns,
And war is like a golden ring weighing a beka;
So you will walk in the nakedness of the shame of your theft!

Edward Kofi Louis
A Fat Story

This is a fat story and it is full of exaggerations;
Because, your father failed to tell you the truth.

This is about life and the compelling evidence of someone being caught,
Sleeping with another man's wife;

Like the goose and the eatery!
However, try to put on your pants.

This is a fat story and it is full of exaggerations;
Because, your mother failed to tell you the truth.

Nature's call and nature's cry!
Columbus sailed the ocean blue;

The muse of life and the muse of mankind!
Some people like it cold and others like it hot!

But, to live like a champion in this world today doesn't mean that,
You have to sleep with somebody's wife.

The lengthening of your grief with the mending of your distress!
However, some people do not know the difference between holy and profane;

Cold, hold, bold, gold, told, sold, fold, old!
With the muse of Satan misleading the world in many ways.

Freshly fried potato chips!
Try to kosher your thoughts with the truth than with the acts of evil;

Demand for a change and, seek for the truth!
For the crises of the earth today has reached to a crescendo.

Edward Kofi Louis
A Father In Heaven

Oh fools and slow of hart,
Don't you know that there is a Father in heaven?!
But the love of many had drawn cold and,
My ink will flow to teach many.
I am as strong as an iron on this earth of sin and,
I don't need signs to believe in the truth;
For, Yahweh is my light and my salvation.

Feet and toes as a potter's clay,
Hands and fingers as a poet's ink,
Remember the Saviour's words like,
He who has the truth to hare with.

Of the peoples, multitudes, nation and tongues;
A Father is in heven for us to loook upon;
But our lives do fade away like the fragments of pottery.

Edward Kofi Louis
A Fault

One who overlooks a fault does so for the sake of love,
But repeating a matter separates the best of friends;
And a foolish son is a grief to his father!
And bitterness to the woman who bore him,
Because the road of life is full of many troubles!

Edward Kofi Louis
A Faux

In front of your eyes,
In front of your lips,
In front of the wilderness!
But roasted in the fire with the flavour of your love;
And what i know about you is what i write about.

Meticulously,
Perpetuity,
Foresightedly,
And like diligent taxpayers! !
But a faux-revolutionary political machine is what you have;
And many have gone hungry in the name of war.

Edward Kofi Louis
A Feather And A Sword

Weather! !
A feather and a sword;
Like your word,
Coming out of your mouth!
With hatred in your heart.

Edward Kofi Louis
A Fine Day

A fine day,
Nice to meet you;
To dine with you,
With the muse of the red wine on the table.
Vine, shine!
Vibe,
Tribe;
Plan, clan!
Like a can,
With the view of your van closer to us.
Stable, able!
Capable,
With the muse of your sweet love;
A fine day! !
Nice to meet you.

Edward Kofi Louis
A Fine Soul

A fine soul,
A positive soul that helps;
With the spots of love! !
With the muse of the truth,
Smiling always to bring joy to all.

Edward Kofi Louis
A Firm Place

Love,
A firm place;
In this sanctuary of joy!
To rejoice,
To enjoy,
With the aroma of the truth.

Edward Kofi Louis
A Fish For Two

The queen mother came in to see the king,
'Mene, Mene, Tekel, Upharsin'! !
And i met her and spoke with her,
But at dinner was a fish for two;
And i sat down to watch them eat.

Edward Kofi Louis
A Fishhook

The dead are raised up and many are shocked!
For the blind receive their sight to tell a story;
So come and let me show you the lepers who are cleansed.
The lame do walk and the deaf do hear,
But now the day is almost over on this love that muses;
For the water bottles of the heavens are lying under the lotus trees.
Life is like the boiling pot on the fire and,
To pull out Babylon with a fishhook!
For my friends have afflicted me with their words and,
Now around me are wells without water in them.
Beguiling unstable souls,
Of eyes full of fornications!
And in the uncleanness of their lust they fell into the deep waters.
They allured through the lust of their flesh but,
I need a fish's hook to stand up strong by the water side;
And like the early and the latter rains in the land of destruction.
Sleep like he slept and pray like he prayed,
Walk like he walked and cook like he cooked,
For i have seen eyes full of adultery around me!
And the blind received their sight to tell a story.

Edward Kofi Louis
A Fitting Answer

Question,
With a fitting answer;
In due season,
With a reason!
To bring joy to your heart,
Because, the mind of the righteous considers carefully before answering.

Edward Kofi Louis
A Fleece Of Wool

A fleece of woool,
Dew, due!
On the threshing floor;
Muse, use!
On the dry ground;
Bet, between!
Entrenched quite deeply.

Spade, made!
With no difference;
But, with the muse of love,
because it was so!
And, to rise up early in the morning;
With the muse of the red rose in your hand,
After the act.

Edward Kofi Louis
Who has married a flint?
Who is living with a flint?
Are you okay with the flint?!
Then, use it wisely before it sparks off your life.
Who has married a flint?
Mind you,
It will spark up your life if there is no love.
Who has married the flint?
Please do take care of it before it destroys your life;
The flint is needed to work with but,
It is your lover today;
So take care with the flint before it destroys you.
Who has married the flint?
We all need a flint to work with but,
Sometimes it is very dangerous!
Who has married a flint?
Do accept your life as it is and,
Do learn from it always.

Edward Kofi Louis
A Foolish Shepherd

A certificate of divorce,
A heart of stone;
Give me my price!
If not, do keep it.

Throw it to the potter!
Give it to the pottery,
And, send it to the porter;
To write down my muse in the form of poetry.

The instruments of a foolish shepherd!
Reaping where you've not sown;
But, Noah went into the Ark,
When he listened to the directives of the Creator.

Sealing the stone and setting a watch,
The earth quaked! !
And the rocks split into pieces;
At the waters edge.

Seed on the wayside,
With the raiment as white as snow!
But, the muse of the foolish shepherd was noted around;
As fowls of the air eat what they could found in the field.

Edward Kofi Louis
A Fool's Wrath

This message is hidden to those who perish but,
This poem will teach many!
For a fool's wrath is know at once.

Encouraging words of love and peace,
Pride only breeds contention!
And a fool exposes his or her folly to the public.

Wine and new wine has taken away your understanding,
And there is no trith, nor mercy, nor knowledge in this land;
Because the pride of your actions testifies against you!

Edward Kofi Louis
A Foreigner

Fore,
Before,
A foreigner!
Core,
Exile from your own Homeland,
But you only came here yesterday! !
To wander up and down;
Being with you today! !
Waiting for the future.

Edward Kofi Louis
A Foreigner In The Mist

A foreigner in the mist,
Among the list of names,
Without a fist!
Your wrist,
First with the truth;
A foreigner in the mist.

Edward Kofi Louis
A Friend

A friend,
To the end;
A friend indeed!
Touched with the muse of respect.
Feed, need!
With the seed of the truth;
To feed your mind with positive morals,
To heed to the ways of righteousness,
A friend indeed;
To weed out negative acts! !
With the fragrance of life,
And the romance of nature.

Edward Kofi Louis
A Fruitful Hill

Small works, Big City;
Big works, Small City;
Like the tale of two cities.
Here comes the Bride and the bridegroom,
True love is sweeter than honey;
I am on the fruitful hill with words.

Sauerkraut on my table,
true love is sweeter than the honeycomb;
Yes, a virtuous woman is a crown to her husband.

Apples of gold,
A kiss on the lips;
Beyond the River of Ethiopia.
Like the choicest vine,
Life on the fruitful hill;
The day of the wedding crowns it all.

The purple rain,
The purple cushion,
A fruit so sweet to my taste;
Refresh me with sweet apples.

The gold of Sheba,
The fruit of Lebanon,
Let the earth be glad around you;
Flaming fire,
Swarms of flies,
Let the heavens rejoice around you;
Big works, Small City;
Small works, Big City;
A tale of two cities with the love of a muse,
The humble shall see and rejoice always.

Edward Kofi Louis
A Fugitive!

Downcast,
Why are you angry?
A fugitive!
And a vagabond;
Still searching for peace on earth.
Continual war! !
Vengeance and retaliation;
But, that is not the way foward.

Edward Kofi Louis
A Fun Club

A fun club in the land of your muse,
But, a fun club is still a fun club!
And, you are still drifting along in your dreams;
However, when the wind blows,
It will uncover your nakedness.

Edward Kofi Louis
A Funeral Note

Life on a lonely pillow,
With the thoughts of the morrow to sleep at last;
However, not a drum was heard at his funeral.
Muse!
Of a funeral note;
Darkly as the dead of the night,
But, its deep heart is full of dead men bones.

Fruits!
Like the flowers of that garden say it all;
Of error, ignorance and strife! !
And like the barbarians at Play.
Muse!
Where does the earth takes the dead to?

Of error, ignorance and strife!
And like a corpse within the grave;
Muse!
Where does the earth takes the dead to?
Death!
Ready for the earth to swallow it.
Hear and hail!
Wear and wail;
Like the earth's decaying leaves,
Where, ife's lonely pillow shares the funeral note.

Muse!
To all the overgrown sons;
Life!
To all the overgrown daughters;
But, with flowers and azure moss.
Love!
The impulse of my strength is like,
The Atlantic level with the powers at sea.

Life!
With eyes dim and heavy;
Uncontrollable!
With mourners and sad Songs.
Muse!
Broken with remorse like that orbed maid;
But, where the morning star shines upon the dead.

Life!
With the thoughts of mankind to die so easily;
But, the life of a lovely place today reminds no one of the dead gone.
Fruits!
Very sweet with the mind of peace;
But, try to rejoice with the name of love and,
Live in unity with one another on this earth before one goes to the grave.

Edward Kofi Louis
A Gem!

A gem!
Ligure,
The same as your sweet love;
Passions! !
Affection,
With the joy of the hearts in love.

Edward Kofi Louis
A Gentle Soul

Nest!
Down there;
Best,
With love,
To take a rest,
To share with you on this love;
A gentle soul,
A clean heart,
To drink the potion of love with you;
Pure down,
With the passions of life.

Edward Kofi Louis
A Gentle Whisper

Joyful surprise by love,
Seasons of the umbrellas;
Impressing your lover,
With a gentle whisper.

Joyful surprise with love,
A place of peace;
Sweet embrace!
Of the great spirit of love.

Edward Kofi Louis
A germ cutter engraves a seal and, a bribe twists the words of the righteous!
But you need the bride-price for the virgins;
In the wilderness of Beersheba with the muse of your sweet love,
Putting on your noise ring and your bracelets! 
With true love shining on you;
Hoping that the world will listen to you.

Edward Kofi Louis
A Ghanaian Woman

I see you but not now,
I behold you but not near,
For i am a Ghanaian woman on the verge of your love;
So let me come to you with my sweet love.

Maybe you are very far from home with another lover,
And of the beauty of her flowers which is wet always;
but i will rise up early in the morning to seek for you.

I cannot sleep alone without you,
So do saddle your donkey and come to me;
And do not be promiscuous before we get married!
Because i am a virgin waiting in the forest of love,
So come and hold me my sweet lover.

It is about life after the flood and,
Of the pride that leads to war;
But you want real gold then,
Go and dig up the dried up Rivers of Pishon and Gihon!
And i will be waiting for you with my love.

Mind you,
Lawlessness leads to war!
But i will still come to you with my sweet love,
And i will be the sunshine and rain beside you always.

Edward Kofi Louis
A Girl Called Sarah

I know what you are doing and,
It is all because of a girl called Sarah;
But i am the daughter of a stranger and i love you!

Edward Kofi Louis
A Girl In Black

Oil picture,
Oil paint,

A Glass Of Wine

A glass of wine,
Drinking,
Another drink!
Another glass of wine;
Becoming a drunkard.

Edward Kofi Louis
A Goat In The Bush

Trees,
Statues,
With a goat in the bush;
Oh life! !
Seeing the rock;
Seeing the piece of the land,
The piece of the Island at sea.

Gold,
Old,
To behold! !
Diamonds, silver and gold;
With the muse of the Island in focus,
At sea.

The sea,
Ahead of you!
To see the beauty of the land,
With a goat in the bush;
Visiting this Island for the first time.

Edward Kofi Louis
A Great Downpour!

Still, distill!
Till,
Hill,
Rain! !
Drops of water;
From the clouds,
Pours abundantly on earth,
To water the earth! !
And, on us as well;
The shower of the Rain!
A great downpour.

Edward Kofi Louis
A Great Home

There are not only vessels of gold and silver in a great home,
But also of wood and clay items to satisfy the muse of beauty;
Some for honour and some for dishonour,
But that is how the world is around us today.

Edward Kofi Louis
A Great Poet

Your language,
The language of love;

Your muse!
The muse of peace;

You are a great poet! !
Only to be seen by the eyes of wisdom.

Edward Kofi Louis
A Great Stuggle

A great struggle! !
With the works of life;
Growing up in Africa,
Trying to understand the ways of love,
Learning always,
Under the very eyes of the Law.
Trying to understand,
Trying to know;
Under the muse of the laws;
Able to move on.

Edward Kofi Louis
A Great Wind

Three raiding bands,
Across the wilderness of love;
But, naked we came into the world,
And a great wind came across the wilderness of love!
As we leave the earth without taking anything along,
Being buried in a coffin! !
If possible.

Edward Kofi Louis
A Green Jacket

A green jacket,
Rome, home, come, dome, chrome!
Two colours,
Two people,
Sweet kiss!
Sweet love,
Soul to soul!
Like a mechanized borehole.
Pair, air!
With medical properties;
With all eagerness!
Involved,
Cost and risk;
Endowed,
With your green jacket on.

Edward Kofi Louis
A Hand Full Of Bribes

Corruption!
A hand full of bribes;
Your act! !
Seen in the land;
Corruption,
Destroying the land.

Under the wings of the truth.

Edward Kofi Louis
A Heart Full Of Wounds

A heart full of wounds,
Very sad from the wickedness of mankind,
Floating along,
Trying to survive from season to season;
With the memories of the past,
Being very strong,
Day by day;
One step after the other.

Edward Kofi Louis
A Hero

Counting,
From Zero!
Today,
A Hero! !
Going through life with your works;
The works of peace and love,
To bring joy to all mankind!
Without racism.

Edward Kofi Louis
A Hidden Bard

A Hidden Bard

Anyanwu, Ihekaire, Onyema, Onyeka, Onuwa, Igbokwe and Akalonu;
The roll call from my past to tell you a story;
Chikwe, Nwagbraocha, Chioma, Obidike, Uchebulem and Nnkiru;
I am the hidden bard to all of you;
But my presence is untold for a reason.
My hand is the handmade of the Creator but,
Do take me to 'Umueze' to look for my lover;
For, i am from Ikeduru.

I am the hidden bard to you people,
And from Umueme to Umuehihe to tell you a story;
For i lost my identity to the Bushmen some years ago.
From Umumkpe to Amamba,
And from Umuagwu to Umualumaku;
Of the floating faces of my identities lost in the drain,
But today i am in thwe rain telling you this story.

The hidden bard,
The mind of a floating bag at sea;
For many are they who ares till searching for me,
But my love is what they need to seek for.
I am real and living among them but,
For how long should i spell out my name for them?

Edward Kofi Louis
A Hideout!

Hide, hideout!
In the Garden City;
A hideout!
In the Garden City;
In Kumasi, Ghana.

Illegal lust!
Having sex with young girls;
And, this sexual expedition was recorded! because of your lust in the town.

The hideout!
Running away from your sins because,
You’ve teamed up with others to rape the Young School Girls in your town.

Tracked, racked! 
The hideout;
But now, the Police are after all of you.

Illegal lust!
This illicit business;
As seen across the world today;
And, young girls are lured into various traps!
But, the Police are now after all of you.

Edward Kofi Louis

I entered in! !
There, i met the muse of joy portrayed all around the wall.

Edward Kofi Louis
A Home

A home,  
A home for me;  
For my Art Works,  
For all to visit and see my works,  
A style with the ink;  
Painting with the very tip of the pen.
Light and darkness,  
White and black;  
With my works far beyond the minds of other artists,  
With the style of my works.
Painting,  
With the tip of the pen and, with the muse of my mind;  
My imaginations,  
Painting and painting!  
With ideas coming to me like a dream.
My works,  
My Art Works;  
Trying to tell the world who i am;  
And, what i am made of.

Edward Kofi Louis
A Home

A Home,
A home for peace makers!

Edward Kofi Louis
A Home Iii

A home,
A garden and a pool;
All in the name of your job.

Edward Kofi Louis
A Horseman

A frolic welcome,
Three children of three houses;
Today, i have to be blamed.
Achilles could be seen coming from afar,
Like the horseman and his horse;
This grey spirit is yearning for my desire.

The slow worm climbs,
To twinkle from the rocks;
Beyond the uttermost bound of the human thought,
Like this grey spirit yearning for my desire.
Of common duties,
Of slaves in bondage;
I am part of all that i have met.

You are well loved to me like the fishing nets,
But roaming with a hungry heart all the time;
Much have i seen and known in this life like,
The horseman and his horse.
Today, i am blamed;
Of names and the climates around,
Of the people as well to share my love with.
Of love,
Let all those things be as they were before;
Of my past memories to share with you like,
A frolic welcome without amuse.
I never came begging for myself,
Revolving to many memories;
Where, a horeseman knows his horse very well.

Edward Kofi Louis
A Hot Iron

Expose her,
Expose him,
But on the stage like the ceasefire after the war! !
But, whose guns killed these people?

Reverent,
Dignified,
Filthy lucre!
Breed, greed, reed, need, deed, feed, heed, peed, seed, teed, weed;
But new and inexperience! !
However, the conduct of yourself was like the boldness of your sweet love.

You are giving heed to seducing spirits and the doctrine of demons!
And like a hot iron in the land of your muse;
But founded with the law to expose him or her! !
However, a righteous degree is the way of life than the negative chains of war.

Edward Kofi Louis
A Hungry Man

To claim a prize,
To win the match;
But, a hungry man ia an angry man! !
And, this puzzle has no answer.
It wasn't my fault that yu lost the game,
Because, everyone knows what it was;
For, hard work pays.
The hanging valley,
The 'Gry' puzzle;
Obsolete, plentiful, reshuffle!
But i won the game;
However, a hungry man ia an angry man.

Edward Kofi Louis

With the fruits of peace and love.
Brace, race, trace, embrace!
A kindred spirit,
With the laws that bring in peace;
On earth.

Edward Kofi Louis
A King In Africa

I am a King in Africa and a lover to your heart,
So come and pay me homage my sweet lady;
I am a King in Africa and,
You are very beautiful and nurtured;
For you are like the stars up high in the sky!

Come and let me put a gold ring on your finger,
Come and let me take you as my wife,
For the blues of your love makes my heart beat.

Your love flows like the spring water to me and,
I will do anything to get you as my wife;
For you are the most beautiful one among the ten.
My heart is on fire because of your love!
But catch me a river to cool this heart;
For i have to come to you like a lion on the path of love.

Your love is like the tales of the beautiful ones and,
You are the future of the sweet ladies yet to be born;
For my heart burns for you only.

I am a King in Africa and i have the forkful of tales on this love,
Ready to take it into my mouth needs you;
So my beautiful and nurtured lady,
Let me pick you as my wife among the ten.

Edward Kofi Louis

A kiss of the lips,
Beauty through the eyes,
Joy to your heart!

Edward Kofi Louis
A Kiss From The Devil

Illegal lust!
Like a kiss from the Devil;
Leading your ways than the truth from the laws.

Flops, lops!
Achievements,
Of your integrity;
But, with the negative ways of your life! !
With your illegal means.

Flip, lip!
With the ways of your life;
As seen in the land of your muse.

Loop, lop!
Infuriated,
Discrepancy,
Pregnancy,
Convincingly! !
Only breeding had habits in the land of your muse.

The muse of care,

The passion of romance,

With real motives;

Sweet reminiscences!

Furnished with the muse of the truth.

Edward Kofi Louis
A Knock

Black Rover and Red Rover,
The crystal ball is clear to me;
Then, i suddenly heard a knock at the door!
There she stood like the beauty of the moon,
And the heavens were opened to me and i saw the beauty of her love.
Like the expanse of dazzling crystal,
There is a bright future for me on this love.

Edward Kofi Louis

I looked but,
I couldn't see anybody.

A Lad

There is a lad over here woth five barley loaves and two fish,
So buy me bread from him that i may eat;
For the shining Imp is seen afar!
And i have to prepare my love tonight for my lover.

Edward Kofi Louis
A Lady

I am living in somebody's house,
I am living with somebody's wife,
Through the deep i look and pray;
Like the guilty and the guiltiness upon Egypt's land.
I am living in somebody's house,
I am living with somebody's wife,
Through the dark i do pray;
Like the blind old man with his stick.
This tale is old,
This only star is lonely,
But the summer is green;
So let my memory still be thy pride and,
Let the river nobly foams and flows;
Like the white winter.
To nature and to me so dear,
Of my name in a story like this;
Like the wolf on the fold.
Those days are gne but, beauty still lies here;
Of all the pleasant places of festivity like,
a river ebbing very slow from the red gash;
I am living with somebody's wife.

Edward Kofi Louis
A Lady From The West

She needs a rest,
A lady from the west,
Best with her love,
Beautiful like the nest of a bird.

In the cold!
Not sold for the acts of evil,
Only with the truth like gold! ! !
Old enough,
To hold on always with the muse of righteousness.

Edward Kofi Louis
A Lantern

Procuring an unknown drug!
But, this is not something that is geared of in this town;
However, presenting your case was like history repeating itself.
Over and over again.

Materials,
Circumstances,
Hopes and dreams! !
Indeed;
But, late at night and early in the morning.

Lust!
After committing the act;
But, you took a lantern and escaped through the dark.

Edward Kofi Louis
A Lawsuit!

But, do not follow thw crowd in doing evil.
Crow, crowd!
Quarrel,
Barrel,
Quart,
Suit, lawsuit!
Quark,
To serve it;
Quarry,
To share it;
Psalms, qualm!
But, do not follow the crowd in doing evil.
Barrel, quarrel!
Made of two layers,
To love it;
Quantum,
To play with it;
Marry, quarry!
With pink, violet, and red for the women.
A lawsuit!
To be prepared;
With the blue colour for the men;
And like the culture of a country.
Crow, row!
To go along with it and,
To eat it;
But, do not follow the crowd in doing evil.
Your foot steps!
Your finger prints;
To be with it and,
To have the feelings around them.
Let, violet!
Quilt,
The Devil is out! 
So, do watch your steps and,
Do not be caught up with him or her tricks.

Edward Kofi Louis

For there is a leader in you! !

Edward Kofi Louis
A Legal Battle!

A legal battle!
The single most important legal battle of our time in Ghana;
All in the name of the just ended December 2012 Election.
Posturing,
Recognized,
To forestall further public embarrassment! !
of this cogent observation;
All in the name of the just ended December 2012 Election.
Tall, forestall!
At the highest court of the land;
Press, congress!
Gravely worried;
And, of the urgent need of the wise of the land.
Force, fore!
To save the image of Ghana;
Fore, forestall!
And, to go back to the drawing board to unravel what went wrong.

Elizabeth, Matilda and John;
Writing a letter to Charlie;
Who is now based in the U.K.

Travelling into the Fantasy world;
But, with the muse of your mind.

Love!
Like the muse of a cat;
Bathing in the sun to be ready for you.

Muse!
Of your health and of my health;
But we are now writing a letter to Charlie.

Love!
You're free to practice it;
With sharing and caring for others.

Beauty is behind you;
With beautiful flowers from Japan.

Coal, foal!

Who is now based in the U.K.

Edward Kofi Louis
A Lie Told

Hatred and war!
With a lie told;
Burning out with flames! !
The tower of force,
From the source!
The evil source;
With a lie told,
With deception,
To destroy the earth!
To kill the people,
Terrorism! ! !

Evil acts,
To declare war! !
Not to care for the people on earth.

A Little Poem

This a little poem that i wrote:
'Don't worry and be sorry about life'!
Even if your lorry has broken down;
For, life has its own ways of curing itself.

Edward Kofi Louis
A Little Tadpole

You are jobless and,
How do you build a Storybuilding?
You have no job and,
How do you build a Hotel?
I fell like hell but i have now woken up like timber!
From this present evil world like, the window cleaner.
Life and hardships,
From man's own journey like s street sweeper;
A little tadpole swam into your river and now,
It has become an Island.
You have no job but,
You able to build a Storybuilding and a Hotel;
But if i may ask,
Who gave you the money?

Edward Kofi Louis
A Little Token

To spend with you and muse up with your love,
Like the role of a chieftancy against this backdrop;
Where one needs a little token to move on in life.

Think of the things that you can do on this earth and,
Try to support other with your love;
For there are still some bad nuts among us.

That is the way it is and somethings will never change,
That is the way it is and some trees will never grow,
That is the way it is and some people will never learn,
And the bloodstain in her panties was a state of shock and disbelief;
But all the matured ladies delved into the matter.

I am waiting for the second red light in life and,
Tom overcome the first was like a dream;
But no matter what, my faith will lead me on.

A little token is all that it takes on your love,
Like the unique and distinguished acts of ones mind;
But your love determines the norms and,
I am the object of desire tonight on this issue.

Try to feel better about who you are and,
Try to keep your head above water always;
Like a message to our rich culture with,
The sadness of the past.

Beware of yesterday!
For it is full of the sadness of the past;
So try to give our a little token on this love,
For there is no Red Carpet in heaven!
Save a little and give a little to all mankind,
For it takes a little token to bring out the joy of somebody.

Edward Kofi Louis
A Little Water

We've now seen each other's nakedness because of lust,
So rest yourself under this tree of love;
And let me give you a little water and a morsel of bread.
A tender and a fat calf,
We've seen each other's nakedness because of lust;
So come and live under the protection of my roof my sweet one!
And like the mixer of fine flour, butter and milk.
You are very beautiful in appearance and,
You do have delicate eyes!
But your bridal week will soon be over;
And this will be the story of our lives.

Edward Kofi Louis
A Little Wine

No longer drink water but,
Drink a little wine for your stomach's sake;
I write so that you may know.
Don't be a novice,
You shall not steal;
I write so that you may learn.
On behalf of the Kings,
On behalf of the Queens,
On behalf of all who are in authority;
We brought nothing into this world and,
We will carry nothing out of it.

Edward Kofi Louis
A Living Dog Is Better Than A Dead Lion

You made your way to the Mount of Olives for wisdom;
But, the truth will always set you free.

The age of mankind,
A student is not above the teacher.

Wash yourself once again and learn from the muse of life;
For, a living dog is better than a dead lion.

A prophet's reward!
A disciple is not above the teacher.

Yahweh knows what is going on! 
For, there is no work in the grave.

The grasshopper is a burden but,
A servant is not above his or her ruler.

Edward Kofi Louis
A Lodging

I have begotten you in my chains,
I have begotten you in my pains,
Like a voluntary work to offer;
So, prepare a lodging for me.

Edward Kofi Louis
A Lone Ghost

Host! !
A lone ghost;
Post,
Most!
With the cost,
Lost in the land! !
Ghost,
Host,
Facing the ways of life.
The frost!
Freeze,
Breeze,
Wind! !
A lone ghost.

Edward Kofi Louis
A Lone Voice

A lone voice,
Down there in the bush;
But, dropp a tree into it and,
You will understand my mind!
For, this is the beginning of my love to you all.

Edward Kofi Louis
A Lonely Wilderness

Enriched,
Derision,
Bubble,
Reproach,
Scorn,
Ridicule;
Of a lonely wilderness without hope,
But the hidden things of your love are now exposed.
Object,
Cutting,
Remarks,
Shaking,
Dishonour,
Covered;
Redeem me with your sweet love when i call,
For there is something within you!

Edward Kofi Louis
A Long Time

Waiting,
For a long time!
Waiting for the day,
This day of love! !
This day of the truth,
Waiting for you,
For a long time!
With the muse of the faith,
And with hope.

Edward Kofi Louis
A Long Way

Your credibility is long overdue,

You still have a long way to go;

However, there are things that we can't agree on.

Your oriented facts are over exposed!

Services filled with difficulties;

A positive caliber of status-quo is now needed.

Edward Kofi Louis
A Long-Range

Net,
Netted;

Drill,
Drilled!

A long-range,
From the touchline,

Just on the nick of time;
It's a goal! ! !

Edward Kofi Louis
A Look Within Your Heart

True love,
A look within your heart;
Your lovely heart,
Kindness,
With the muse of your lovely mind.

Edward Kofi Louis
A Lot Of Signs

Listeners and viewers,
Readers and writers,
Notion, estimation!
Collections,
Connections,
Buttressing the claim;
With a lot of signs.

Edward Kofi Louis
A Lot To Do

Ghana has elected a new President and,
The NDC is voted back into power!
All the same, Professor John Evans Atta Mills has a lot to do.

Edward Kofi Louis
A Love Song

Loneliness,
Feelings,
Oh love!
Come and sing me a lovely song.

Edward Kofi Louis
A Lovely Day

Life and joy!
A lovely day;
With the muse of the truth.

Edward Kofi Louis
A Lovely Heart

A handsome man!
A lovely heart;
Caring and comforting the people around him.

Edward Kofi Louis
A Lovely Man And A Lovely Woman

I've met a lovely man who never got a lovely woman to marry,
I've also met a lovely woman who never got a lovely man to marry;
But life is like that at times,
For the rainbow do have many colours.

Take your weapons, quiver and bow;
For your tasty food of love is about to be shared among your lovers;
And like two choice kids of goats in the wilderness,
But just do it like it is on this love.

The dew of heaven and the fatness of the earth are around you,
And like Route 66 in the land far away from you! !
But i am now going into the Valley of Gerar,
For i've learnt a lot from the wells of water around me.

The land is four hundred shekels of silver but,
Many still have married their wrong partners in this life!
But the forest consumes many by night and of the drought by day,
And like the female and the male servants on camels and donkeys.

Edward Kofi Louis
A Lovely Take

Today is the gift and tomorrow will be the talent,
Since yesterday was the birth of your muse on this love;
And i am about to make a switch to express y mind,
For money cannot buy my talent.

One warm afternoon with a lovely take,
And of this real world which is outside me;
But the poet of this poem is unknown by many!
And like riding a bicycle along side a car driver,
For the mind of the writer will surely touch the hearts of many.

Gold, cocoa, timber, bauxite, manganese and diamond!
And like a diplomatic gaffe in the midst of abundance;
But the fool is still hungry in the land of plenty.
This is like a paradigm shift but,
What went wrong with these resources?
And i better pilot my plane than riding a horse to your country.

This world is full of hopes and dreams,
And like the sweet fruits of success!
But my talent is of premium quality and,
Among the best in the world!
For righteous lips are the delight of kings.

Wisdom is better than gold,
Understanding is better than silver,
And knowledge is better than bronze!
But in all things, let us be very wise like the serpents.

A lovely take,
You will see and shine forth;
Because my love is always with you.
And like your outer self to your inner self so prepared.

Only the fools despise wisdom but,
Do not neglect the gift in you!
For it is like the storm and the whirlwind to others at times,
And i am very old and full of years with my sweet mind towards you.
Edward Kofi Louis
A Lovely Treasure

Flowers die,
Rivers dry up;
But, a lovely treasure is forever!
Like the works of the truth.

Memories fade,
All things come to an end;
But, a lovely treasure is forever!
Like the works of the truth.

It's about life,
It's about love,
It's about you and me;
A great past!
With exceptional values.

The muse of life,
To eat the humble pie;
But, hips don't lie.

The muse of life,
With the ability to tolerate each other;
Moving on with the works of peace.

My fondest moment!
Like a tantalising piece of sweet meat;
With a whole new experience.

Setbacks of life! 
The focus and the concentrations;
But, i just need a stage for my sage.

Tolerance and co-existence,
Life is a series of tests;
With sweet memories goneby.

The decency and the exigency!
But, see no evil and, hear no evil;
And, to do the right thing always.
Entrust me with your love,
Entrust me with your mind,
Pupilage!
Breasts do speak;
However, investment is no charity.

The muse of life,
With the righteous ways of life;
As it was and, as it were.

Edward Kofi Louis
A Love's Case

A heart's shape,

Able,
A loving mother;
Capable of taking care of her children.

Table,
Stable,
Tip top!
Comfortable with the works of peace.

Plantations,
Coming to the world,
With the muse of the workers;
But, a loving mother is able to take care of her children.

Edward Kofi Louis
A Loving Touch

A loving touch,
With the energy of life within;
And, with the joy of the heart.
Of the atmosphere,
Coming up alive!
With the torch of a light;
Brightening up your face,
And bringing a smile on your face.

A loving touch,
With the joy and the gladness of the heart;
And, with the anticipation of life!
Like one's dream beneath the crimson sky,
And, to conjure and to cajole you with your imagintaions.
Plug, pug, dug, mug, lug, hug, rug, thug, bug!
With the ways of the life in different styles!
But, a loving touch is what you need with your life.

Edward Kofi Louis
A Loyal Friend

This woman should come quickly to save me.

To be in your land.

Edward Kofi Louis
A Man Of Few Words

A man of few words has much to day!
So, listen to him and gain wisdom;
Day, way, pray!
The truth is the key;
To stay with positive morals,
Leading a better life,
Caring for all mankind!
With the muse of the truth,
Able to bring peace to the world than war.

Edward Kofi Louis
A Man Of Peace

A man from another world,
A man with a peaceful mind,
A man with a joyful heart,
A man learning from Teachers of Righteousness;
A man of peace,
Seeking for the unity of the world;
Praying for mankind to choose Righteousness than, Evil Works.

Edward Kofi Louis

Edward Kofi Louis
A Man Of Valour

There was a young man,
In those days;
A man of valour!
Who spied and explored the land of love;
A spacious land! !
A place where nothing was lacking,
And, he encamped there.

Edward Kofi Louis
A Man Of War

Wicked heart!
You've been a man of war from your youth;
Today with your Age,
Still fighting the people you call your enemies! !
Old man,
With a bomb in your hand.

Edward Kofi Louis
A Man's Life

The things that take place in a man's life sometimes affect his children,
That is why it is better to do the right thing always in life;
Because the ball thrown against the wall sometimes bounces back to us!

Being tried and tested,
And being abused in the forest of the tigers! !
But the Creator is always there for us all on this earth that we live in.

A man's life,
Instead of bronze i will bring you gold for your love;
But in all things, let us first give thanks to the Creator Almighty.

Edward Kofi Louis
A Marvellous Poem

A marvellous poem,
Written with great skill!
But where is my lover who left me last night?
For the imaginary style of my muse is highly rich for her;
But i will feel obliged to see her once again in my life.

Tastefully, full, fully, taste, tasteful, eat, east, at, as, tea, ate;
But why can't she call? !!
Tastefully, state, sate, late, yes, say, lay, sea, seat, fall, falls;
But, who have seen her?
Tastefully, tall, stay, fat, fell, yell, tell, sell, set, sat, fast;
But, what made her leave?
Tastefully, feast, yeast, tease, ease, lease, let, last, feat, yet;
But i hope to see her once again in my life,
And like the muse of love in the land of beautiful flowers.

Edward Kofi Louis
A Mat And A Pillow

A mat and a pillow,
To rest your body,
With another seen on the bed.

Edward Kofi Louis
A Matter Of Time

Hope,
Dreams!
It is only a matter of time;
Still waiting for the next day,
For the right time.

Edward Kofi Louis
A Measuring Line

I am like a man with a measuring line in his hand,
But I am ready to nourish you and bring you up;
And like the multitude of waters in the heavens!
For your love needs the laws to move on.

Edward Kofi Louis
A Message

This is a message to Raymond Opara and Huseini Hamed,
This is your friend the poet writing to you;
So enter into the flair of a romance with me and,
Learn from my sweet mind.
Read my muse and keep on learning,
Like the Scorpion-Man next to you.
I am living in a land where,
Cell-Phones being used are more than the population;
This is a message to Raymond Opara and Huseini Hamed.

The beautiful and the prideful works of man is,
To be blown up by the wind;
Like the Scorpion-Man next oor.
I have news for you all,
I am living in a land where almost everybody does smoke;
I have a news for you all,
So enter into the flair of a romance with me.
I am living in a land wher,
Bicycles and dogs are more than the population;
So do walk along with me to learn more from my muse.

I am with you always,
I am the one who makes you smile all the time;
I am everywhere by your side.
Read my poems to fell my taste,
I am used as a tool to help others;
I am full of surprises and,
I am the man with many faces.

I am kicked about like a ball but,
I have no medals;
Stay on with my muse and i will bring laughter to you.
I am used as a leader to lead others,
I am used as a teacher to teach others,
I am used as a farmer to feed others,
A little token is all that it takes on this muse;
I will bring a smile to you always.
This is a message to you my friends,
A message of love that leads the way;
You are always on my mind in this struggle.

Edward Kofi Louis
A Middle School Teacher

Made for the works at hand,
Able to reach out to the world.

For I want you to learn from is right and just always,
And like the muse of your love in the land of many colours.

Edward Kofi Louis
A Mirror Reflection

Peace and love!
A mirror reflection of the truth;
Under the umbrella of righteous laws.

Edward Kofi Louis
A Mixture

The Pharisees, the Sadducees and the Essenes became the Catholics;
And the whole world followed after them!
Even though this world is now called Protestants today.
Put these Gods away from you and worship only Yahweh,
For what you have is a mixture of righteousness and evil;
But i am in the land of Egypt saying my prayers to Yahweh.

Edward Kofi Louis
A Mixture 2

Mission,
Admission,
Permission,
A mixture;
Like eggs, sugar, and brandy.

The appreciation of your beauty,
Admissible;
Similar to your works,
In the land of the living.

Capable, comfortable, stable, affable!
With a difference;
With the muse of your behaviour,
In the land.

To heal your heart with true love.

Edward Kofi Louis
A Muse From The Forest

The white gold,
The black gold,
The red gold,
The yellow gold,
‘Obroni-Nephew’ is about to teach you all;
Like the very call of a muse from the forest.

The Chinese eat all animals, fish and insects;
The very call from the forest with a view but,
Do you like to be fed with crocodile meat?
The lizard meat,
The lion meat,
The tiger meat,
The snake meat,
The elephant meat,
Life is like that for many who eat everything;
The Chinese eat all animals, fish and insects.

Life is like a visit to the biggest cemetery on earth,
Do you like to be fed with cockroaches?
Whatever we eat today,
We will be buried one day.
Of the brown gold,
Of the orange gold,
Of the green gold,
Of the blue gold,
The Chinese eat all meat, fish and insects.

Edward Kofi Louis
I am a Muslim lady to think about a course,
But love is all that i see in this man;
And now that i have found my true lover,
What can i do?

Think about it and put me straight,
For i am a woman and never been loved before;
But now that i have found my true lover,
What can i do?

My true lover is a Jewish so,
Think about it and put me right;
Oh religion! Oh religion! ! Why this division?
Put me straight to make a positive decision,
For this is the sweetest time of my life;
And this man is my true lover oh religion!

Live and let us live too on this love,
For true love has no barrier!
And i hope that, nobody can stop me now.

I am burning up in the desire of this love,
And i cannot sleep at all at night;
So come and help me if you can,
For this man is all that my heart knows.

Now that i've found my true lover,
What can i do? Because i am a Muslim woman;
But i will go to my lover for wisdom,
Oh! I will go for him whom my heart desires.

He is the one to share my honour of love with,
And of the other Muslims and Jewish all around us;
But i am ready to live and stay with this man forever,
Becuase his love had really touched my heart.

Edward Kofi Louis
A Mute Box

Cute!
A mute box;

Facing the ways of life;
Hidden! !
In the deepest corner.

Edward Kofi Louis
A Muzzle

Keep a muzzle on your mouth while the wicked is in your presence,
For the Book of True-Love is never known to them;
And try to sow beside all waters to gain your future.
The sun has tanned me but i am here with my words,
So tell me if you, love me and i will care for you;
Because there is no darkness in the wilderness of your fruitful love!
Life is like everyone with his or her mate,
And with broad rivers and streams everywhere!
But keep a muzzle on your mouth while the wicked is in your presence,
For there is no love in their hearts!

Edward Kofí Louis
A Mystery Pot

Not like a mystery pot!
Found,
Hidden in a cave;
The cave of love and joy.

Edward Kofi Louis
A Nagging Wife

A nagging wife!
A woman,
A dictator,
Always directing her husband;
But, true life was not so from the beginning,
Because, the man was first created! !
Then, came the woman out of the man:
So, the man is always the head of the house,
No matter how you do see it;
As presented by the Creator.

Edward Kofi Louis
A Nagging Woman

The first shot!
You're going to see it;
And, others will be put into prison.

By the sea,
To put up with a nagging woman! !
Oh yes! An unbeliever who consistently nags about everything.

Edward Kofi Louis
A Name

To obey the works of the truth,
A name is best spelt and pronounced by the bearer;
Like the colours of the magic of the forest.

Edward Kofi Louis
A Narrow Pit

A narrow pit,
A deep ditch!
A victim of life.

Edward Kofi Louis
A Native Of Mumford

I am born to the wind without sorrow,
And the sound of the echo blows me by;
For, there are no just laws around me.
I am a new born bard among many!
And, i am trained like the stone that thrives;
But, the feelings of the blues around me is with no champagne.
I am still in the storm of my life to overcome this ocean blues,
But there are skeletons in this cupboard around me!
However, i am utilising all the aspects of life to be in shape.
I am a native of Mumford and, i do focus my mind on,
The rhythms of this world to enhance my status-quo as i grow along;
But, i will like to sit down together with you at the dinning table of love!
For, i am born to the wind without sorrow.
Life to me is like, to plant in plant in pleasure and to harvest glory! !
However, sow in tears and reap in joy;
And, try to reach out to touch the heart of someone with sincere love and care.

Moving across the land.

A new life,

Bray, tray!
Not to stray from the truth.

But this muse of love was like a shrouded mystery to touch,
Because of their nakedness last night!

Ballet, bullet!
Emancipate yourself from hallucinations and face the facts;
And, like a delicious impish smile,
But, no one can run faster than the bullet.

Bullet, ballet!
Knowledge enters the human mind and,
It is time for the love that touches hearts;
So, do throw away your negative acts.

Ballet, bullet!
To take a nimble act towards my heart;
And, to accentuate your sweet love towards me,
For, there is no somnambulism in my ways.

When you are hungry don't quarrel,
And, when you are angry don't query;
Bullet, ballet!
To titillate your status towards my heart with the muse of your acts.

Under the muse of love.

Like the muse of the stakeholders;
In the land of peace and joy!
Holding up the ways of the truth.

Pump, pumpkin!
Engulfed with the muse of love;
Post, posited!
Noted with the facts of life;
Prime, primate!
To underline the ways of life;
Rum, album!
And, to visit the truth always.

Edward Kofi Louis
A Nomad

I have not lived in a house since i brought you up,

But you are matured enough to take up your own decisions.

For, it makes me feel so high!

Your love is like a nude picture in my mind and,
I am dying for your love my sweet one;

Let me run for it.
True love knows no boundary and,
Sweet love knows no barrier;
You are my precious one and,
What is your hot-line? ! !
The only picture i have in my mind is your nude body.

Life is like a pearl in a shell;
But, kept in a dirty place,
Where one goes and search for it.

Life!
Based on the pitctures you see;
With the muse of the 54 Nations in Africa today,
But, you still have to search for the pearl.

With the muse of peace and care.  
Muse!  
With the signs of life;  
Stretched across the garden of love.  
Flowers, bowers, followers, blowers, mowers!  
Seen in the garden of kings and queens;  
Love!  
Learning the ways of life;  
And, with the lovely muse of life like the prefect crystal.

Edward Kofi Louis
A Piece Of Art

Live, alive!
Due,
Overdue;
But, i just love poetry.

Switch,
Witch, bewitch!
Pitch,
But, the blue colour of the ocean is wonderful! !

Feelings of love,
With the peace of my mind;
A piece of art,
Beautiful and lovely.

My red rose,
The red rose;
Prose, propose!
But, with a purpose.

The light hat pierced the veil!
With the touch of love;
One touch,
Being placed among the stars.

Edward Kofi Louis
A Piece Of Bread

The Book of Love,
The Book of Peace,
The Book of Unity,
The Book of Joy,
The Book of Care,
With all the cultures down the lane;
Living without the hatred of mankind.

Life!
Choose and seek for the truth;
For, there are others ready to destroy the earth.
Life!
A Piece of bread brought about the death of the monkey;
But, what is eaten is already eaten.

The muse of life!
The sunshine now exposes your nakedness;
And, what is written is written,
Like the 'Da Vinci Code'.

The muse of life!
Why sow cassava and expect to harvest mangoes?
For, whatever is destroyed in this world is,
Already destroyed with the muse of hatred and war.

The Book of Kindness,
The Book of Humility,
The Book of Harmony,
The Book of Life,
The Book of Sharing,
With the secret code of life to open the closed doors;
But, the monkey fell into the water and was drawn.

Edward Kofi Louis
A Place

A place,
To lace,
The race,
The space,
Pace, ace!
To the palace.

Edward Kofi Louis
A Place  2

Abel, able!
Love,
Muse,
Peace,
A place;
Plain of the vineyards.

Edward Kofi Louis
A Place Divided

The situation,
A place divided,
Lace, race!
Facing the odds of life;
With the wall dividing us.

Edward Kofi Louis
A Place In Life

Love!
A place in life;
With the works of peace.

Redemption! !
With the works of the truth;
Living and, to respect all mankind.

Edward Kofi Louis
A Place In The Desert

A place in the desert!
To see it,
To have Full privilege over it,
To control it,
With authority.

Edward Kofi Louis
A Place In The Heat

A place in the sun;
Muse,
Love,
peace!
Shoe size 37;
Ryma, ray, am, yam, May!
A clear thing of love;
And, with the muse of your sweet mind.
Sweet love!
With an expression;
From you to me,
With a place in my heart.

Edward Kofi Louis
A Place Of No Love

Hatred! !
A place of no love;
With lies,
Covering up the truth,
Leading to war!

Edward Kofi Louis
A Place Of Rest

A place of rest,
Searching for the arms of true love;
With the seed of wisdom.

Life with love,
Nature with care,
Creation with respect;

A place of rest,
Searching for the arms of sweet love;
A place of peace and joy.

Edward Kofi Louis
A Place To Call My Home

I am only a stranger on earth;
Walking around to find a rest,
A place to call my home.

Birds fly above easily from place to place,
From country to country;
But, i need VISA in my PASSPORT to move from one country to the other.

Yes! I am a visitor here on earth,
Always in time to understand the ways of nature;
Trying to find a place to call my home.

Edward Kofi Louis
A Place Within

Love,
With a place within;
She's very younf and lovely,
With the muse of the desire within.

Marvellous!
Psychic integrity;
Transmuted,
With a cultural fabric.

Edward Kofi Louis
A Pleasant Sight!

It must be done,
It must be used,
It must be eaten;
A pleasant sight!
With love and care.

The talent show!
Something just from the women;
A top contender!
Something just from the men;
And, to turn the heads.

Easy on the eyes!
Better looking;
With men and women around,
On this show.

Edward Kofi Louis
A Pleasing Aroma

Your love is a pleasing aroma to my heart and,
Your sweet words send me straight to bed;
But, the water increased to lift up my body,
When the rain fell last night.

Of the voice of harpers and pipers!
Of the voice of trumpets and musicians;
And, to be reached by your sweet love!
For, life is like an erudite glance of a sultry dream.

Voice, choice! 
You are so beautiful tonight beside me and,
Your love is a pleasing aroma to my heart;
For, days without you is like a dead river.

Edward Kofi Louis
A pleasing aroma of life,
A pleasing aroma of peace,
A pleasing aroma of love,
A pleasing aroma of joy,
Sight, insight!
Like clear oil of pressed olives for the light;
With the muse of the bright sun shining on you,
And like the veil of positive testimony.

Edward Kofi Louis
A Poem For You

A poem for You,
Lovely as you are!
Beautiful in your heart and mind.

A poem for You,
Bringing the truth to you;
Bringing joy to you!
Able to touch your heart,
With the muse of your sweet body.

A poem for You,
Over the horizon! !
Over there in your land;
With a smile on your face,
Rays of the sunshine of true love.

Edward Kofi Louis
A Poetic Blessing

Peace and love,
Kindness and humility,
Servitude and attitude,
Gratitude and joy! !
With the muse of a poetic blessing around.
Glad! !
Joy in your heart;
Delight always to see my name,
One day you will see my face!
With the muse of a poetic blessing around you.

Edward Kofi Louis
A Poetic Heart

Sounds of joy! !
An alien on earth;
Birth,
To face the world;
But, your life should not be given away so easily.

Great kindness! !
Compassionate and merciful;
With the joy of my heart.

Bar, air!
Rain;
With the grain of life,
Knowing the difference bewteen right and wrong.

Life,
Earth!
We are here together;
Sharing ideas,
To help solve the problems around us.

An alien! !
Here on earth;
To see me with your eyes,
Lovely with a poetic heart.

A passionate poet,
Impressed with the muse of love;
Sounds of life!
Let us unite and save the world.

Me!
I am;

You!
You are;

We!
We are;
They!
They are;

She!
She is;

He!
He is;

It!
It is;

Seeing the hunter with bow and arrow,
Ready for work;
But, let us lay back in the arms of the truth and,
Move on with positive morals.

Edward Kofi Louis
A Poetic Heart So Sweet!

Penning,
Writing,
Poeming,
Posting;
Muse, fuse!
Of a poetic heart so sweet;
Of a heart pure and clean,
Touching the hearts of others! !
With the joy from the works of peace and love.

Edward Kofi Louis
A Poetic Myth

A poetic myth,
A poetic love,
A poetic phrase,
A poetic message,
A poetic phase,
A poetic case;
Phase, phrase!
But, i do bear the pains of your love.

Life in the bush!
Life in the jungle;
But, you're still aware of me! 
And like the sea you do see around your house.

Coast, coat, cost!
With a poetic myth in the land of your muse;
Brooms, rooms, looms, bathrooms, booms, blooms!
But, with life's own cores on this poetic myth.

Edward Kofi Louis
A Poet's Heart

Cut,
Cute,
Mute,
Nut, put!
To be ready for love;
But, a poet's heart is,
All that teaches others.

Edward Kofi Louis
A Poet's Mind So Sweet

Easier said than done,
Of the pros and cons of life;
But you are financially numerated to buy the air.
No means no! Don't pester;
And yes means yes! Don't laugh;
But to enthuse with your muse matters to me like,
A poet's mind so sweet to the world.
About life and love, is it worth the trouble? !
Since, cartoonists are born and not made.

Rumour upon rumour and disaster upon disaster!
The King will mourn for the lost;
And like the frame of the mind to respect the poet.
Your beautiful jewels are the earth's own minerals,
And like a poet's mind shared by many to learn from;
But with the very muse of love so sweet all!

Of flour, honey and oil;
The writer will always write for many to learn from,
But i am naked in the eyes of many with my views.
A poet's mkind so sweet is like the muse of hope and,
Like the days of someone very useful at hand;
But the muse of life is always shared with the tune of love.

Edward Kofi Louis
A Poet's Mind To You

The drinking of wine and the eating of meat,
Your red stew is sweet and your lovely meat is tasty;
But incline your ear to me and come to me,
For i am like the spider with a poet's mind to you.
The mystery name of Saturn is like a message to you,
For the watchmen upon the walls of love are all asleep;
So wake up my love and live now with the truth around you.
The heavens are higher than the earth and like,
A poet's mind to you at this side of the river;
But wake up and be aware of the things around you,
And like my thoughts and my mind towards you!
Why do you labour for that which will not satisfy you?
Oh dyed garments of Bozrah! !
For the healing prophetess is at hand;
And i will see you when the rain comes in.
Swell with joy and hope for your dreams,
For all the trees will clap their hands when you succeed!
But the pagan symbols through the deep are about to stop you,
And like the intiation rites for a chief in your homeland.
This is a poet's mind to you,
But Herod's birthday brought the head of john on a plate;
And my ways and thoughts will surely wake you up one day.
You are upon a lofty and a high mountain without a clue,
And as a young man marries a virgin girl;
But like Pharaoh's birthday with a dream,
The rain came down like the snow in the winter time.
Why should you spend money on what is not bread?
And like the lightening which is accompanied by the rain;
For your red stew is very sweet and your meat is very tasty,
But the watchmen upon the walls of love are all asleep.

Edward Kofi Louis
A Poet's Page

A poet's page,
A poet's age,
With the passage of time;
Going along with your luggage,
The baggage of your life!
With the muse of your language,
Like a sage on stage;
To set a bird free from the cage.
A poet's page,
A poet's age,
To take advantage to display your works to the world;
Vintage, vantage!
With the heritage of your culture, as you face the world with the peace of your mind.

Edward Kofi Louis
A Poet's Pet

True-love teaches the truth so,
Don't cover it up;

Nest, nets!
Like a poet's pet.

My red rose,
For a purpose;

The jewels of Africa are full of colours,
So, tell me about your love and, let me understand these feelings in my body.

Edward Kofi Louis
A Point To Prove

Every child knows his or her mother more than his or her father,
That is why i am crying in the wilderness of Africa! !
For, i have a point to prove.
I have a mind to tell and,
I have a poem to write;
In the wilderness of Africa to prove a Point.
What about the plethora of Authors who do write? !
What about they who write about Africa?
Complex as it may be, i am an African with a vision.
Life!
The obnoxious acts of slavery brought about many things;
And of the spread of the Africans worldwide;
However, yesterday gone by was the Slavery Days!
And, today is for you and me to tell the truth.
Every child knows his or her mother more than his or her father,
That is why i have a point to prove;
However, this world is our home! !
But, why should some live and others starve?
Bombs! ! !
With huge sums of money to invest on;
While many in this world have no food to eat,
But, tomorrow comes and, what have you to say?

Edward Kofi Louis
A Porter's Clay

Life and leisure,
Where is the truth? !
A porter's clay,
Seeing the meat of pagan sacrifice around you;
Sounds of life! !
Worships seen around,
With pagan titles.

Prophecies concerning this generation,
Of the last hour!
In the eyes of the people,
Defiled with the sins around us.

The thoughts of iniquity,
Your tongue has muttered perverseness!
And your lips have spoken lies;
Sin us the cause,
Vacillating between belligerence and forgetfulness.

Edward Kofi Louis
A Positive Mind

Wit,
With,
Wet,
Witness,
Writing;
Styles! !
Very witty;
Unique,
Noted,
Keenly,
With the attribution of a positive mind;
Pure, sure!
Looking out,
Searching for peace;
And, for the joy of sweet love.

Edward Kofi Louis
A Possession

A possession,
Lovely to the heart;

Love,
To redeem it with the truth;

Sojourner!
The patient in spirit is better than the proud in spirit!

Life,
The end of something is better than its beginning.

Edward Kofi Louis
A Posy Poet

A posy poet,
The pose,
The prose,
The rose!
Bright and beautiful;
Form, conform, reform, perform!
With the works of the day;
But, evening brings its joy.

A posy poet,
With an interesting dimension;
On a mission!
With a vision;
And, with his or her imaginations.
Region, legion, religion!
To conquer the world with his or her mind;
Writing!
For others to learn.

A posy poet,
With works from those who seek for peace;
For th unity of the world,
Bringing peace to all races.
Hose, dose, close, pose, prose, those, rose, arose, whose, lose moose, choose, chose!
With people in higher authrity;
Ever-booming,
With the liefstyle of the poet,
Test, contest!
And, with the muse of his or her works presented to the world.

Edward Kofi Louis
A Pot

A pot for your master!
Very hot from the fire;
Wire, tire! !
Noted with your culture,
In the land;
Facing the ways of life,
Slot, plot, lot, dot!
Fire! !
A pot for your master,
Seen with your act,
In the land.

Edward Kofi Louis
A Pot To The Poet

A pot to the Poet,
To use the muse;
Dance and steps with Dan!
A Cultural Dance;
At the spot,
Not the dot.
Hot!
Cot, like plot;
Meeting Lot your friend as well.

A pot to the Poet!
Works and words,
Magic Pot;
Messages and passages,
Along the ways of life with peace and love,
Handled with the muse of the Cultural Dance.

Tap-tap!
Dance-dance! !
With the muse of the Black Pot;
The Culture,
The Tradition,
Muse, fuse!
To use the dancing steps.

Edward Kofi Louis
A Pretty Little Girl Is Your Lover!

Mind bogging,
A pretty little girl is your lover!
But, eloquent speech does not beaome a fool.

Incomprehensible!
On the alter of money;
But, true love is very romantic.

Of men and women,
Mind bogging;
But the father of a fool has no joy.

The torment of a scorpion!
Smoke out of the fire;
But, there is a proper time and procedure for everything.

Edward Kofi Louis
A Price To Pay

Modern industry,
There is a price to pay for it;
Seeing the river beds!
Unveiling the river,
And to see the fortified base.

Edward Kofi Louis
A Prophet

Remember the Sabbath Day and keep it Holy,
Are veils and Modest clothing Evil?
Whether you will listen or not,
You will know that there was a prophet among you.

Edward Kofi Louis
A Proud Heart

Pride! !
With a proud heart;
But, ride with the truth and,
Learn from righteous laws.

Edward Kofi Louis
A Quarrel

Any fool can start a quarrel,
So try to avoid a dispute before it is too late!

Edward Kofi Louis
A Quarrel Ensued

The first crow was about 12: 10am,
But the dark harbours sin and the light exposes it;
As a quarrel ensued among the two brothers.
The mission failed!
Because of the lack of understanding;
Lurch, lupine!
To knock it out;
Rush, brush!
With the muse of illegal lust;
Lucid, acid!
With girls night out;
And now, they are afraid of their own shadows.

Edward Kofi Louis
A Ready Learner

Give ear to me if you have knowledge,
And hear my words oh wise men;
For my tongue is the pen of the ready writer.
Kiss me and be very warm with my love!
For the peace in your mind is like the joy of my muse;
But, a gift blinds the wise.
My mind is like the knowledge of a ready learner,
For the wise man's eyes are in his head;
And the beauty of an old man is his gray hair,
And like a sweet savour and a noted mind!
But the imagination of a man's heart is very evil from his youth,
And, i am crying out loud now without the moon.
Bread for the hungry and love for the lonely,
Pleasant words are as the honeycomb;
But, i went mourning without the sun.
Along the path of love and along the paths of peace,
But tired and weary in the month of Nisan;
So, tell the opposable thumbs who rules that,
Today, a legend is born in the midst of the people.

Edward Kofi Louis
A Record Over

Reformation,
A record over;
Renewed,
With the muse of sweet love.

Edward Kofi Louis
A Recovery

A stroke!
To curve;

Implication,
To urge;

Apparently with your acts in the land.

Revival! !
A recovery of breath;

And to cool off.

Edward Kofi Louis
A Reed Like A Measuring Rod

The two Olive Trees,
With minute details as they are;
But a reed like a measuring rod is in my hand,
And the writings on the alter confines your love.

The Two Lamps of the Seven Lamp-stands,
As it was with you and like my muse;
But declared to you like the colours of the rainbow!
And like the joy of my heart to kiss your lips.

Edward Kofi Louis
A Register

A register,
Sight!
Light,
Bright,
Right;
With the insight of the truth.
Presence,
Before;
In the sight of the truth!
Able to teach others.

Edward Kofi Louis
A Reprobate Mind

An eloquent speech,
Of words of wisdom;
I have fed you with milk and not with meat.
I am from the land of poems,
Love and peace to you who reads;
We are still carnal and,
Not many wise and noble men are called.
The Yahdaim require a sign and,
The Greeks seek after wisdom;
But this poem is like a Succourer to you.
Owe no man anything,
Except to love one another;
By so doing you will perform the law.
Let your armour of light overcome the works of darkness,
Like their fitting retribution with a reprobate mind.

Edward Kofi Louis
A Right

Interaction,
Influence,
But two wrongs do not make a right!
So try to wake up and see the way ahead of you.

Ultimately,
Being trusted and being loved is the key;
Untimely,
Being looked up to and being cared for is like the light;
But we still have vicious rumours all around us.

Edward Kofi Louis
A River

A river,
Not to shiver!
To heal your liver,

Edward Kofi Louis
A River Rages And Overflows

Illegal lust!
Will you condemn me so that, you might be justified?
Then think twice;
Because, what you are doing is destroying the land.

Lust!
A river rages and overflows;
Because of your negative acts in this town.

A violent storm! !
A great wind over the river;
Being more turbulent! !
Like your negative acts in this town.

Edward Kofi Louis
A Roaring Lion!

A roaring lion!
The corruption of the world is seen;
Engraved! !
To live in the flesh,
The way of destruction.

Pure mind!
Your inner self,
Be sober and hope for the truth;
Like one walking the Sea,
Explaining the parables of life.

The bones of the dead,
At the very doors;
False prophets,
And wicked acts!
To swallow a camel,
To swallow a cow,
To eat an elephant! !
Works from the hands of the wicked.

Reach, preach, teach, breach, peach, beach!
Humble yourself and be exalted;
Love and tender,
Than hatred and war!
With all the corruptions around us.

Edward Kofi Louis
A Rod Of Iron

A rod of iron,
To cause her to be carried away by the flood;
And, to express varied opinions,
In the land.

Organizer!
Coordinator,
Leadership is not kingship;
But, with humanitarian works to serve others.

Strayed! !
Very controversial;
But, to avoid mistakes of the past will help you ahead;
Leading to peace than war.

A rod of iron,
With the product of the time;
But let us save her from the flood than,
To let her float away.

Edward Kofi Louis
A Rose For You

Love,
True love,
Wonderland;
A rose for you,
From the joy of my heart,
To satisfy your muse.

Edward Kofi Louis
A Rose Of Respect

A rose of love,
A rose of respect;
With the beauty of life,
Growing up with the fragrance of nature,
And, with the aroma of the rules.
Pose!
Propose;
Prose, rose!
A rose of respect,
Seen very close in the garden of true love.
Hose, those, whose, nose!
Not to lose hope in life.

Edward Kofi Louis
A Sad Child

Lad,
Alone;
A sad child!
No friends to play with.

Edward Kofi Louis
A Sad Note

Beat your drums to heal my soul,
For life is like the puzzle around me today;
'Umualumaku', 'Umualumaku'! !
When am i going to meet your people once again?
of a village in the deep forest,
But, with a sad note of life.
I will never say my words and take them back,
'Uzo Ozioma'! !
As she suffered from two miscarriages;
A sad note indeed,
However, beat your drums to heal my soul!
For, without imagination, there is no philosophy.
The mus eof life and the muse of love in this village,
Wisdom is above knowledge and understanding;
And, without faculty there is no Degrees.
The muse of life and the muse of love in this village!
With the muse of the philosophers to create faculties;
For you and i to learn under the muse of the sun,
However, my mind and the works of my imaginations lead my soul.
A sad note,
But who will hold the wind when my wisdon touches your heart?
For, 'imagination is more important than knowledge'.

Edward Kofi Louis
A Scarlet

A scarlet,
Scribers and Pharisees!
Persecuted,
Lamb, camp, cramp, ramp, lamp, damp, amp;
Stated!
Beautiful outwardly and,
The inside is full of dead men's bones! !
And like the hypocrites around you.
Lamb, lamp!
And, each lamp represents the prophesied work.

Edward Kofi Louis
A Seal!

A seal!
Swam in from the sea;
Love!
Up before dawn;
And, with the sweet muse of peace.

Love!
To get it in your mind;
Scales and seals!
Explaining them to you.

Love!
With the laws of peace;
Love!
With the muse of the flying messenger;
Love!
With complete wisdom from Yahweh.

Edward Kofi Louis
A Search

A search!
She issued an order,
Looking for her lover;
A search,
Instituted;
In search of her lover.
Decree, agree!
To proceed on,
Without interference;
A search,
As she issued the order.

Edward Kofi Louis
A Secure Way

College,
Colleagues,
Leagues,
Congregation;
Citations,
Assurance,
Symposium,
Sure! !
A secure way,
With the muse of Technology.
The first language,
Mother tongue;
Position,
Achievement,
Celebrated;
Excellence! !
With security,
In the digital world.

Edward Kofi Louis
A Seer!

See,
A seer!
At the sea.

Edward Kofi Louis
A self-made artist is now on your love,
And like the muse of a cat which leads one at times;
But, my bathing suit is too skimpy!
And, you are the simulating factor on this love.
The Wild-Wild-West! !
Played with the aggressive note on your beauty;
But, cooling up with the muse of love is what i need!
Because, the revealing effect is very important to me.

Edward Kofi Louis
A Serine Atmosphere

Love,
With significance!
To perch on,
On this gigantic tree of joy.

Time,
Time frame;
With the words of love and,
The muse of life.

versification! !
Muse,
Fuse,
Love birds;
Inspiring the hearts to meet together.

Edward Kofi Louis
A Shipwreck

Oh life!
Life is unfair;
What a shipwreck!
Travelling along the coast of Africa;
Acid, aid!
With the works of nature;
sear, hear dear!
With your love in my mind,
And, with the strong winds before my eyes.

True love! !
So nice and beautiful to welcome you;
To my home,
So, come in my sweet one!
Sailing along with the bearings of love.

This land knows its own,
And, this work knows your heart;
But, i am still on the way,
On the high sea! !
On my journey,
With this dream of love in my heart.

On the shoreline,
Of the Atlantic Ocean;
On board with your love in my mind,
Heading towards Morocco! !
To meet you at, 'Number 10 Rue Boutaleb'.

What a shipwreck!
Life is not fair at times;
Holding on the high seas,
On the high seas of love.
Artistic land! !
To expect in your august visitor;
Still sailing in the name of love to meet you.

Edward Kofi Louis
A Sign Of Hope

A sign of hope,
A sign of faith,
A sign of love,
A sign of peace;
To wait a while! !
With your smile,
A mile away!
Meanwhile with your joy;
Bate, debate!
Date,
Mate,
Bare with the truth.

Edward Kofi Louis
A Sign Of Sorrow And Sadness

Illegal lust!
The world is so with your soul;
For, you've embraced negative acts.
Race, embrace!
Openly,
With hatred and war all over the world;
For, you've accepted in negative acts.
While, white!
With a sign of sorrow and sadness;
Black, back!
With worldly thoughts;
For, you've embraced negative acts.

Edward Kofi Louis
A Slave!

A slave!
In chain;
Who needs a salve for his or her pain.

Edward Kofi Louis
A Small Hut

A small hut,
Deep in the forest;
The forest of Africa,
Taking a rest with the muse of nature.

Edward Kofi Louis
A Smile On My Face

While you wait for my reply,
I will still have a smile on my face;
Even though, you are a mile away.

Edward Kofi Louis
A Smile On Your Face

Put a smile on your face and be glad always,
But this message is for the child who hasn't eaten for days;
Let me see the smile on your face always,
Because this parcel is for the woman who was at the gate last night;
For she opened the gate for us and we went in to meet the madam of the house,
And this is also for the victims of war all over the globe.

Some people are hated in this world and other are being loved,
But put a smile on your face and be glad always;
For this parcel is for the lady whom i met at the gate,
And of the care of others in this world as well.

There are orphans everywhere in the world!
So put a smile on your face to express your muse;
For the flood victims have no shelter as at now,
And we need to help them too.

Anything can occur in this world at anytime,
For nature is not in out hands to control;
And like the suffering of the people all over the globe.

Of poetry, of love and peace, of the care of all mankind!
The truth is always he truth;
And like the living creatures in the waters,
But all the birds will fly up high to take a view on us.

Edward Kofi Louis
A Soft-Spoken Personality

Flush, plush, blush, mush, Cush, push, rush, gush, brush;
Ironically noted with the muse of your love!
But the enforcement of the law was much needed in the land.

The underworld!
Nonsensical;
With ongoing probes like the muse of your dry-wallet.

The law was enforced and, a decision was taken!
By a soft-spoken personality around;
But, you alway need the truth to guide you on.

Puberty! !
With nature's acts on you;
And, of the stress of this world around you.

Wild teenagers!
With the signal of puberty;
But, the enforcement of the law is much needed in this town.

Edward Kofi Louis
A Song For A Young Lady

Stiff, if!
Manner of life,
With a song for a young lady;

Kin, kind!
Respect is needed in life,
So, don't hate your neighbours;

Flash, lash, ash!
Love and concern;
Not to give credit to the works of Evil.

Dreaming! !
In deep sleep,
But, you still need the works of the truth;

Looking at the smile on your face!
Knowing what you've been through,
Writing this poem to touch your heart.

Edward Kofi Louis
A Sound Advice

The muse of life,
Duty fell in low with your love;
But, try to build up your temple on this vacant land.

The muse of life,
There is a mask on your face!
But, try to see through it with a positive mind.

The muse of life,
To see what i have seen;
And, to make a better choice in life.

The muse of nature,
With light and darkness!
But, listen to me and i will give you a sound advice.

Edward Kofi Louis
A Sound Sleep

Do have a sound sleep tonight and dream about me,
Do wake up the following day and think about me,
For, i am the one in your mind!
And, my love knows no bounds.
Shadow Boy! !
Shadow Girl;
Shallow, sallow, swallow!
Sotto voce;
And like the great loss of your revenue in business,
Avenue, revenue! !
Now between the hills;
But, why is this world like this today?

Edward Kofi Louis
A Source Light

A source of light,
Helping you to der through the dark;

Art of love,
To the core of the heart;

Princess! !
Like a model in the tropics.

The works of the truth,
To overcome life with righteous works;

Like a source of light!
Overcoming the darkness ahead of you.

Edward Kofi Louis
A Source Within

Foibles,
Complicity,
Electric! !
Complexity,
Contentious,
Muse of life,
Falsified!
Documents,
Alluded,
Conclusions,
Base!
With thoughts.

Hatched! !
Written Records;
Patches,
Catches,
Watches,
Matches!
Reflected;
These claims! !
Aims,
Verified.

Muse,
Life,
Fuse,
Nature;
A source within!
The inner circles.

Edward Kofi Louis
A Sparkling Smile

Just as a share joy,
Just like the love of it;
Unveil the real you when love knocks at your door.
Just the sheer of it,
Just a little smile for love;
Unveil the real you whenever duty calls.
Just like the hearing of voices from a distance,
Just like talking to the malakims;
Knit your heart out for the true love around you.

My sheer convidence,
The pride of it;
For her and for him like,
A sparkling smile to see what love is all about.
Red wine, coffee and tea;
My mind is bigger than my shoes!
For, i have the love for everyone.
Unveil the real you when true love calls,
And light up your face within the walls;
A sparkling smile is all that you need on this love.

Just the sheer of it,
Just the smile of love to keep you going;
Privileged like a monkey with banana when,
True love do knock at your door.
You're worth of it,
Take the sparkling smile of life;
You are all that is needed,
So share the true joy of it;
And, don't turn back on this love.

My mind is bigger than my shoes,
My eyes are sharper than my knife,
My legs are longer than my trousers,
My hands are shorter than my pen,
A sparkling smile on this love is all that you need;
So knit out your heart for this true love around you.
A Special Woman

A special woman that you are,
A beautiful woman that you are;
Wonderful! !
With the muse of your sweet love.

Edward Kofi Louis
A Special Act

Zoo and zoom,
With a special act to put at stake;
And like th elight of th emoon on the loom!
But the flower of the fairies abounds in your muse.

Hope, life, love and depression;
Wake up from your loneliness and jkeep upfront,
And like a line to the loom but never to the moon!

Loom, room, boom, zoom, doom;
Get a professional act in the form of your act,
And like the simplicity of the essence of a micro-lightening.

Edward Kofi Louis
A Special Bread

To bake a special bread:
Take wheat, barley, beans, lentils, millet and spelt;
Mix them together in a Log bowl,
And make bread for yourself after baking.

A special bread,
Busy in your kitchen;
Needed for your body,
And, to check your weight.

Edward Kofi Louis
A Special Day

Your time,
My time,
Boy, body!
A special day;
Over the mountain of love.

Edward Kofi Louis

A special room,
Love, joy and peace!
A special place;
Beauty with the muse of life.

Edward Kofi Louis
A Stone

A stone,
Hit! !
The tone;
One bone,
To clone,
Lone! !
Alone;
One love,
Done in the name of peace,
With the cone of life,
Gone with the wind! !
Like a throne without a crown;
Seen in your town.
One love!
But still alone;
However, none of your works were exhibited at the hall;
Drone! !
With the acts of the life around you today,
Seen by others,
As the sun shone around.

Edward Kofi Louis
A Stone For Bread

Of a plenteous harvest with few labourers,
Of a man of deceit like a sheep without a shepherd;
It is a shame! But was Nimrod a Blackman?!

Many have done so without ending,
Like sheep in the midst of wolves!
But, was Hitler a Blackman?!

Everyone in the hand of his neighbour,
Like a stone for bread when one is hungry for food;
But let us try to see the other side of the Lake.
Like a snake for fish in this life,
Try to do what you wanted men to do for you.

Edward Kofi Louis
A Story

An old man married a young lady,
He gave her everything!
Wealth and educated her very well;
However, along the line,
The young lady met a young man and fell in love with him.
Only to play tricks on the old man! !
Using the old man's money to support her new found lover.
A story of life and love,
A story of Cultures and Traditions;
We will reap whatever we sow in life.

Edward Kofi Louis
Make my day!
Make my way,
And let me say something;
The old man and the sea,
The old woman and the sea,
A story far away! 
Miles away,
Afar,
Stray, tray, bay, pray, play, lay, bray, may, ray!
With the muse of the story about the sea.

Edward Kofi Louis
A Story Of Love

A story of love,
It started freely with your mind,
Then, building up slowly;
But, how long will it be?

Only you,
The only one,
Only once!
Like once upon a time.

To try it,
To use it,
To find the solutions hidden in the conscience of love.

A new lover!
Somewhere to live;
With dignity and rights.

The story of your love,
Unexpected!
Floating around with your mind today,
For a better tomorrow.

Fire and water!
Life and death,
Love and lust,
Systems! !
To have this story around you.

A story of love,
Sake, wake, make, shake, bake, cake, take, stake!
From coast to coast;
Trying to find your lover.

Lock, block, clock, dock, flock!
With square tables and oval tables;
Wearing your blue suede shoes,
As someone came along calling for you.
Cast, last, mast, past!
With the doors of life and the doors of love;
Dreaming along to find someone very special to your heart.

Edward Kofi Louis
A Story Told

A story told in the class,
A case noted by all;
As the teacher picked up a chalk.

Edward Kofi Louis
A Strange Bird

A strange bird,
Sining around;
Everyday in my garden of love.
A dream!
Of a dream,
Being in love;
In love to this strange bird,
Singing in my lovely garden.

Edward Kofi Louis
A Stranger

I am a stranger in your land,
And, i am still learning;
Able to learn your language,
To understand you better!
Because, i love you.

Edward Kofi Louis
A Stranger

A stranger,
Living in a strange land!
Seeing many things,
Only to live in peace,
Following after the rules.

Edward Kofi Louis
A Street Child

Who will care for me when i am born into this world?
For day and night i've been walking on the streets;
And i have to struggle to survive for i am a street child.
No, not even one!
For many parents do not even know their children;
And i was born into a lovely home but now,
I do live on the street as a street child.

Lust and sex,
We were born out of it;
But how many parents still know that we do exist?
How many?

They really do not care about us,
And i have to struggle to survive on my own;
How many days more left for me?
And i have to make ends meet from the streets;
Because there is nobody around to help me,
And i have no place called home again.

A street child that i am,
And of the many rivers to cross for my survival;
How many social workers do know of our plights?
How many?
How many streets do we have to sleep on?
How many? Hopw many governmenets do we have to wait for?
How many?
Yet still i am a street child.

Who really care about us?
And who really care about me?
My parents do not even know my where about;
Right from Kwazulu Natal Province to Tingitingi,
And from Obbia to Nima!
How many do care?
I am born into this world but,
I am living on the street;
And who will care about me?
A Stubborn Cat

You are living like a stubborn cat!
And you've turned the night into day;
But you don't know what love is,
Because you're only trained to hate others!

For you are the only man in my mind.

A Sultan's daughter is what i am and i am in love with you,
So come and be my husband to be on this sweet love of mine.
Oh my handsome man, that is all that i am on this love;
'Asalaam-u-alaikum! ..... Wa-alaikum Salaam! ! '
Please come and let me take you to my father;
For you are the very man i want to marry.

Edward Kofi Louis
A Swinging Bridge

A swinging bridge,
My, love to you is like the muse of your act;
But the sun will rise on us always.

I love you and you love me,
But to whom is this sun shing up to?
For this life is all about us.

A swinging bridge,
And like the muse of joy!
But the bombs dropping on us now are like,
A paradise with a very dark shadow! !

Edward Kofi Louis
A Tag!

The license of your dogs,
A tag!
An imprint;
And, of the key.
Dogs, Gods!
To learn;
From your mother or your father.
County, country!
On vigilance;
Sense, license!
And, of the license of your dogs.

Prepare for me a tasty food from your love and,
Feed me with your red stew of love all day long;

Come and caress my body my sweet one,
And, i will love you more than the sugar in my tea.

Come and make love to me my love,
And, let me be the one for you;

For, i will kiss you more than a bee sucks nectar!
Because, i am ripe for you and i have been so longing for your love.

Come my sweet love! !
For when the morning dawns, my flowers will bloom.

Bloom, blossom!
I have prepared a bed of roses for you;

So, come and let us share the night together;
For, you are the tasty food that i need on this bed.

Able to train each person,
With the truth! !
Not to breach the law,
Bleach, leach!
Like one walking along the beach.

Edward Kofi Louis
A Teacher And A Student

You are a teacher and,
I am a student;
But whenever you do see me around,
You feel too shy to look at my face.
Or maybe, ..........?
Hmmmm.......................?
I now understand why and,
We should have time on this issue.
If love is the fruit of life,
Let us play it along in a very safe way;
And do put away this shyness.
You are in love and your heart knows it,
I am in love and my mind tells me;
Let us see the best way on this isssue like,
A teacher and a student.

Dodged;
And, to overcome the hardships of life.

Social skills,
Sure, leisure!
And, to complain at times for help.

Edward Kofi Louis
A Teenage Girl 2

'Hold on! ! Stop! ! ! Wait a munite;
Please, don't rape me!
Because, i want to preserve my virginity before marriage';
The very words from a teenege girl to a matured male.

Edward Kofi Louis
A Tempest

A chief cornerstone is what you are looking for,
But the stone that the builders rejected has become the head!
So abstain from your fleshly lust and do what is right.

Of your chaste conduct,
Having eyes full of adultery;
But like the clouds driven away by the tempest,
Try to gloom out of the darkness!

These are wells without water,
Like the words written down by the Holy Prophets and Apostles;
But, the stone you are looking for is now the head.

Edward Kofi Louis
A Test For You

After 30 years;
And of the things that are needed to be changed,
For, we must be ready to accept in the new things.

An optional add-on attitude,
And like the muse of your love as seen around;
But, it was like the awareness of your joy in my room last night!
However, we must be ready to accept in the new changes.

Bringing in the light of peace,
The sign of joy,
With the windows of the heavens bringing in the rain,
To water the earth.

Low, allow!
Shallow,
Hallow,
Swallow! !
Wallow;
But, love is the key;
To bring us peace than war.

Messengers with messages,
Like passengers with luggages;
The passage of true love!
Age is not the question over here but, wisdom.

Voices of love!
Voices of peace,
Voices with the joy of life! !
In the land of beautiful flowers
Able to learn from the works of the truth.

Living with one accord;
According to Righteous Laws,

For our love is all the lead me on.

Uncover my eyes that i may look at the wonderful things of your love,

Coming on my way to understand my muse,
The poesy of my letters.

A collective decision,
With the muse of the national cake;
Contended with the romance of love!
And, accepted with the joy of the heart.

Impressions! !
With the impression of my works;
Able to teach the youth and the adults,

A veiled woman that you are;
Perfumed with myrrh and frankincence.

Edward Kofi Louis
A Very Romantic Person

She was a very romantic person,
And like the response she gave us;
But you took advantage of the movie to have some fun on the set!
And, that made her to shake her flexible breasts in front of you.

Paired,
Contacted,
Sources close to her disclosed it to us;
But when the cat is away,
The mouse will play! !

A Vine From Egypt

I am a vine from Egypt,
So, open your eyes wide and, you will see me around you;
But, my love is hidden in the clefts of the rock.

The muse of life!
Of mountains like rams and, hills like lambs;
With endurance and encouragement,
But, my love is hidden in the clefts of the rock.

The rising up of the sun and,
The going down of the sun;
With the muse of the fabric of literature,
But, i am a vine from Egypt.

Edward Kofi Louis
A Violent Bay!

Day,
Pray,
To bray like an animal!
Dray, clay!

Stray! !
Astray,
With the muse of a violent bay;
In view,
With the point of view like,
The wages of war.

Edward Kofi Louis
A Virgin

She was a virgin and,
Between her legs came something sweet;
She was a virgin and,
Out of her breasts came something attractive;
She was a virgin and,
Out of her body came something lovely;
She was a virgin and,
Out of her lips came something romantic;
Like her olive grove of love.
I have heard it said of you and,
Your sweet aroma makes me sleep all day;
For you have the great tree of love around you.
I will be by you always my sweet one,
And the laws of my peace is the laws of your love;
For you are like a call out of the midst of the cloud.

Edward Kofi Louis
A Virgin-Tongue!

Self-indulgence,
Origin, aborigine!
Going back home;
With the muse of your life-style.
A virgin-tongue!
To say a word;
Like a delicate matter to your heart,
But, entertainment is now killing the people.

Muse!
Extremely worried;
However, your fitness level is now needed on this case.
Tntertainment,
Commentary,
Like a former boyfriend and a former girlfriend;
With the muse illegal lust exposing their nakedness.

A virgin-tongue!
To say a word;
With the muse of the life-sytle of the people in this town,
As one meets his ex-wife and, another her ex-husband.
Origin, aborigine!
Self-indulgence;
But, entertainment is now killing the people.

Edward Kofi Louis
A Virtuous Woman

I belong to my lover and my lover belongs to me,
With self-assured words to bind this love forever!
For she's my treasure.

My fair Lady,
You need a royal pampering on this love from my heart;
And pure love is everything on this muse,
With self-assured words from your heart to bind this love!

A virtuous woman is a crown of the husband,
And like an architectural digest to view at times;
For true love is all about this unity that we share,
So flourish yourself like the flowers of love to satisfy me always.

Sincerity with the muse of your love,
A virtuous woman is a crown of the husband;
And you are my fair lady on this love,
But let your words of peace bath my mind always.

Edward Kofi Louis
A Virtuous Woman Ii

Signs of the time,
Widespread enough to catch a mouse;
But time are changing for you and me,
Because, the wages of sin are seen all around us!

To succeed when you have views and,
To open your eyes when you are in love;
But your beauty is like the sun of the moon! !

Beauty and love,
And like the beats of the drummer-boy!
But to love with the fiery essence is like the love of your sweet muse;
And, i have seen what my heart yearns for! !
Because, you are the one;
And like soul to soul and eye to eye.

A virtuous woman is what you are!
And like the joy of the sweet songs of love;
But to open my window to you is like,
Seeing the nakedness of you! !
And, i have seen what my heart yearns for.

A virtuous woman,
Two are better than one;
And like a typical farmer with a cutlass in his hand;
But, the land of the legends will always sing my muse!
Because, i was made to love all races in the name of love!
But, a virtuous woman is what you need beside you.

Edward Kofi Louis
A Virtuous Woman Iii

Sarah, Rebekah, Rachel, Leah, Billah, Zilpah, Riyyah and Ruth;
Given forth as the bright light of love,
But show your love to others in the right way as needed!
For, a virtuous woman is a crown to her husband.

Edward Kofi Louis
A Vision

I've got a vision to release!
So, hold up the heavens and let me flow;
For, the days are like an asylum to me.
Oh Damascus! !
Like a darker shade of a blade on my way;
But, do hold up the heavens and let me flow,
For, I am still living on an empty stomach.
Diamond trumps and water flows!
But, the love of your choice is no longer in Damascus;
Because of the was in Syria today.
A vision!
Where is the bearing planet to my taste?
With an all-out investigations in the land of Syria.

Edward Kofi Louis
A Vision!

A vision!
In a dream,
To perceive it;
In a vision of the night.

Edward Kofi Louis
A Visionary

True love!
Pure than snow;
Of the truth!
Whiter than milk;
But, illegal lust bring in horses of war like,
The swarm of locusts!

A visionary,
With the muse of life;
Sharing and caring for others,
In the name of the law!
But, war destroys everything.

Pure, sure, cure!
Healing the hearts with the laws;
However, evil men and women have laid down their traps of war!
Along the ways of life, peace and joy.

Edward Kofi Louis
A Visit

To the male and the female,
And among the people of my race;
But Abraham had two sons,
One by a slave woman and the other by a free woman!

Glad tidings,
A Malak from heaven brought me the news! !
And like a visit to Syrai and Cilicia,
But the land of gold is now free at last.

Peace and quietness,
To the land of goats and sheep!
Peace and tranquility,
To the land of rivers and lakes!
And today you are like the headless body after war,
But how do you carry things on your heads?

I am set apart from my mother's womb,
So why do you spy on my liberty?
For it only takes a visit for you to know my name,
And like the children of Abraham in the land of joy.

Edward Kofi Louis
A Voice

A voice,
A choice;
For peace,
For love,
With life,
Sharing with all!
With the joy of your heart.

Edward Kofi Louis
A Voice! ! !

A voice! ! !
Heard;
Out of the whirlwind!
To prepare myself like a man,
To face the world with my mind;
Sealed with peace and love!
My ears have heard you but,
My eyes have not seen you.

Edward Kofi Louis
A Walk With Life

Alive!
A walk with life;
Hale and hearty,
Sharing ideas with others,
With the ideals of nature.

The moral duty,
To discuss the ways of life and,
To protect life;
Embarking on righteous works.

Edward Kofi Louis
A Wanted Person

You are a wanted person and,
You've stolen from many;
You are a wanted person and,
You thought you are rich from your theft.
The law is looking for you,
The people are tracking for you down,
But for how long will you hide from them?
A wanted person is what you are,
So try to sow a better seed than hate;
A wanted person is what you are,
So try to do the right thing than stealing;
One day the law will get to you.
You will be exposed one day,
You will be caught one day,
There and then you will know your mistakes;
A wanted person is what you are.
Like the nakedness of a chicken,
Likewise will your shame be;
You are a wanted person and,
The law is after you.

Edward Kofi Louis
A Warm Garment

You can come for the works of my hand and,
I will lay the table of my love for you;
But i am now under the pressure of these people,
And i want you to release me with your love.

Let me speak to you for you to answer me,
For the bodies of the righteous dead will be completely restored!
And your love to me will be like a warm garment covering me.

Edward Kofi Louis
A Warm Hug

You can't bring back yesterday!
So, give me a warm hug today;
Warm me up with the muse of your sweet love.

Rug, bug!
We still don't know tomorrow;
Because, it comes along with its own tide.

Cat and mouse!
Playing around,
With the cat chasing the mouse.

Green, seen, queen, been!
Nature,
With the measures of mankind on earth today;
But, the Creator Knows tomorrow.

Edward Kofi Louis

A Way On This Love

My love is cold as the ice but,
Your love is hot as the sun;
So, can we live together on this thing called love?
If it is yes, then tell me to find a way on this love.

Hot and cold,
Of the world of this muse that blends with nature;
Cold and hot,
Of the secrets of my love towards your care;
But let us find a way on this love.

Cold as the ice and hot as the sun,
But with understanding to built a home for this love;
So let us find a way on this love to in unity as one.

A White Colour

It was a white colour and that was my first love,
One by one and two by two;
And her name spread everywhere.
She was like a banquet for nobles,
And of the might acts of her power!
But let the young women marry and bear children.

Edward Kofi Louis

To the hole;
To search for it and,

Ready to kill her unborn child;
In the name of abortion.

A Wind

You've played the harlot with many lovers but,
Can this maid now forget her jewels? !
For i am in the middle of the gate of love and,
I am like a basket full of summer fruits to you.

What do you see ahead of you oh my love?
For it will rise up like the Nile River at once! !
And like one who wanders from sea to sea and,
Form the north to the east to search for food;
But the mountains will dropp sweet wine when,
The tiller overtakes the reaper in the field of love.

Edward Kofi Louis
There is a wind of change around you and,
I want to be your lover my sweet one;
So do remember the days of old and,
Think of the generations long past.

Listen oh earth to my poetry and,
Let my teachings fall upon you like rain!
For we belong to the mountains top where,
The eagles go out to play.

The law is evident that one can pretend ignorance,
And of the teachings that touches you like the rain;
For i am from a city called Adam and,
You are enjoying the wind of change.

Along the seacoast of love,
If it can fit in then it is okay;
For i will treat you mercifully and faithfully my love,
And this scarlet cord is a sign between us.

I've got a long way on this love and,
I want to put my head down for a short nap;
But the butterflies will not allow me to sleep,
Because i saw your place of love afar off.

I will go yonder to worship you my love,
And like the varying spirits of men;
But, the wind of change does bath you all over.

Edward Kofi Louis
A Wise Man

Streams of oil and rivers of honey,
Lakes of gold and oceans of diamonds,
Seas of cream and pond of love,
And like the poison of the serpents and the fangs of the vipers!
But the poor and forsaken are always around us,
And the heavens will reveal your love to me one day.
I have listened attentively to your sweet words but,
Will a wise man answer with empty knowledge?
And my lovely thoughts will teach you one day.
My love is inscribed in your books and you know your steps,
But will a wise man fill his belly with the wind?!
For i am still the one looking for your love all day long.

A-1! !

A-1! !
At, art!
Clutch, butch, hutch, cutch, Dutch;
To find a way to change yourself,
To see what i need to see from you,
But, what is love?

A-1! !
Just watching always to know your love;
And, i am expecting the door bell to ring!
For, i've found my way back home.

Hear, heart!
Meet, meat!
Threat, treat!
And to sail along in the name of love;
Because, i've been able to wash away my tears.

Cold tea!
Strong tree!
Cold wind!
Like the heart and the spirit! !
Of the right time on this love;
But, i need the right view to understand your muse.

Edward Kofi Louis

Edward Kofi Louis
I love my child and my work,
I love my mind and my work,
So try and let me know if you love me too.

It is very strange!
I set up a business and my close friends are not interested in it;
But, they only wait for me to send them free sums of money.

Aarella, my friends are only interested in my money!
But, they are not ready to push up this business together with me.
They only want my money but not my business,
But the very money i do send to them is from my business.

Edward Kofi Louis

My works are spirit so,
Read them very slowly to feel my presence;
But do ask always at Abel to get your answers.
I am Aaron from Africa and,
That which was dead is now alive!
And this poem will wake you up from your bed.
You know my love and works and,
I know your love and your care;
But this poem is like your streamline body!
And it will touch the sweet of your body as well.
My works are spirit so,
Read them very slowly to feel my presence;
For you are the one that i have chosen among the lot!

Edward Kofi Louis
Aaron, Aakash!

Clash!
Bash;

Aba

The noise of the lion and the horns of love,
 Upon you i will rest my mind;
 For the day is long and,
 I am still looking for my lover called Aba in the thick forest.

Edward Kofi Louis
Aba Yaa

I am Aba Yaa and i am in love with you,
For you are my sunshine and my super-boy!
But like China-white and the lovers blues,
I will always be there for you like the American-red and the Italian-green.

I have perfumed my bed of roses with myrrh, aloes and cinnamon;
So come and let us drink deeply in love until the morning light,
For the delight of this love is all about you.

Edward Kofi Louis
'Aba Yaa'

A name,
Your name;
'Aba Yaa'!
Given to you when you were born in Ghana,
Born on Thursday.

Edward Kofi Louis
Abaa Yaa

Abaa Yaa!
Your love is like the functional improvement of my mind;
With values,
Pleasantness,
Understanding,
Pleasantries,
And, your spiritual directions will surely be crowed by nature.

From Mercy to Margret,
From Mary to Victoria,
From Dose to Kofi,
And like the muse of names being changed every now then!
But, who is now on the new list?

Boundaries belongs to humility but,
True love has no boundaries!
And, i will live to love you always my sweet Abaa Yaa.

Edward Kofi Louis
Aback, Abacus!

The seven sisters of love,
The seven brothers of peace,
With the seven stars of joy to show us the way!
The way to the land of the truth;
Where the laws are observed.

Open waters!
To capture the moments of love in the land of peace;
And, to let the sky teach us with the muse of nature,
Like the birds flying up high from country to country without visas.
Aback, abacus!
But, remember the muse of the sea.

Edward Kofi Louis
Abagtha

A great witness!
With every weight of the truth;
Abagtha, bat, bag, tab, hat!
And, to produce fruit of righteousness.
Love,
Trained by it;
Peace,
Trained by it;
The laws!
Trained with them;
With every wight of the truth in the land of joy.

Edward Kofi Louis
Aban

'Mina de Ouro'
Of the bread winners with no flimsy excuses;
But the carnage on our roads are of no excuses too.

You used to be my man but now,
You are taken over by another lady;
For life is like that at times.

Aban, life is like 'The Trans Volta Togoland (Volta Region),'
And i will still live on with my life without you.

Edward Kofi Louis
Abas

Did i not see you in the garden of love yesterday? !
For the cock crowed last night and i remembered you;
But you denied me before your people.

Pilate was there like a pirate!
And he told you much about me;
But put your sword back into the sheath! !
For Abas my friend will be here tonight on a visit.

Edward Kofi Louis
Abase

Base,
Abase!
Humility,
To humble yourself;
In life,
For the peace of the earth.

Edward Kofi Louis
Abase Yourself

The well being of others,
Serving as a teacher to teach others;
So abase yourself with love and learn from my muse,
And live a joyous and a productive life around.

Edward Kofi Louis
Abased

Love!
Let every one of you look out not only of your own interests;
But, also for the interests of others,
Bringing peace and joy to all.

True love!
Be abased;
Taking the form of a servant,
And, by seeking for the interests of others as well.

Edward Kofi Louis
Abasement

Abasement,
Destruction!
Ultimate with the wicked hands of war.

Edward Kofi Louis
Abayah

A jar of honey and a jar of water,
A bag of money and a sack of love,
For the bread of love is all about Abayah!
And i will live always on this sweet love.

Edward Kofi Louis
Abba

I need something to drink and i need to reflect on my mind,
For your love came to me like that of Abba my neighbour!
So come quickly and lead me into your secret room of love.

Edward Kofi Louis
Abbah

Need, reed, seed, weed, feed, teed, geed, heed, peed;
And like the love that i shared with Abbah,
But the labourers came in and found us naked!
And like the colours of the rainbow that is very attractive to see at long last.

Edward Kofi Louis
Essentially noted from you are your works and,
Essentially boosted from you is your mind;
And like a systematic approach to trust someone again.

Life is like a tangible act to take you up the toss,
But i do respect you to the highest level;
For the day of the rainbow is all about us.

I am on the bed of roses with you my love,
And his name is Abban;
But like a runaway hairdresser without a lover,
He is so sweet on my side always.

Rivalry renders a woman blind,
But humility is the key about life;
And wisdom is all about us to do the best,
For his love is all that i have.

Edward Kofi Louis
Abbey

Komfo Anokye,
To the grand durber of the chiefs and the people of my hometown;
But, i am the 'Abusuapanyin' in this town to tell you a story.

Swearing the Great Oath is like the wary of the women,
But riding in palanquins will make it a difference!
And like Abbey my friend who is just in town.

Komfo Anokye,
Drumming and dancing galvanises one's culture;
But, do put forward the agenda of love to all mankind.

Like the Oath of allegiance,
Like the Oath on your love,
And like the Oath of of peace;
For the 'Omanhene' reflects on 'Komfo Anokye' at times.

Edward Kofi Louis
Abbey II

Abbey, be, by, bay!
Hitch-free,
On the stage,
With the muse of your works on the slate.

We are!
Are we?
Yes we are;
And, to verify love with the muse of the truth.

Edward Kofi Louis
Abbottabad

'Operation Neptune's Spear'!
Abbottabad;
Really virtual,
With helicopters over the house.
Abbottabad, abbot, to, tab, at, oat, bat, toad, dot, boat, bad;
But, the Taliban have no helicopter.
Abbottabad!
Working in the night,
And, at early dawn;
Life!
For start ups;
Muse!
From the Silicon Valley;
With software and hardware to target a man!
'Operation Neptune's Spear'.

Edward Kofi Louis
Abc To Xyz

Life,
From ABC to XYZ;
Learning all the time to become perfect,
With the laws of life!
And all the rules around nature.

ABC!
Like the beginning;
Like Genesis,
With the Chronicles of life.

XYZ!
Like the end,
With Revelations;
Learning all the time,
Under the umbrella of Righteous Laws! !
To become perfect one day.

Edward Kofi Louis
Abdala

Dice, nice, vice, mice, rice, price;
Love is always like a flower freshened by water!
But i am the eyes to the blind and the feet to the lame,
For my steps are bathed with the cream of love.
Oh Abdala my love!
My lips are like the honeycomb;
So do not spend the night in the open square!
For my virgin daughter is home at last,
And like the chronicles of your mind before.

Edward Kofi Louis
Abdelhadi

Say it again,
Write it again,
Read it again,
Do it again,
Play it again,
With the African Roots of love to touch the world!
For i am Abdelhadi in the land of your muse,
But get ready to show me your love.

Open season with the African ghetto life styles,
All you need is my muse with the African Roots of love!
For i am ready to touch your heart with my deep love,
And i will do it again and say it again until you understand my muse.

Edward Kofi Louis
Abducted

Daring attacks!
With the muse of an armourer and a spy;
Abducted,
With the acts of abductors;
Coordinated,
With collaborators;
And like an encounter with the devil.

An active terrorist!
With negative operative mind;
Attacking and destroying properties and,
Killing people without any reason.

Daring attacks!
Callously instigating violence;
To destabilize the systems of peace,
To disunite the muse of love,
With mindless killings.

Edward Kofi Louis
Abductors

Rape! !
Abductors;
Sexual assault,
Established,
Threatened.

Kidnapped!
Raped,
Sexually assaulted;
With a questionable character,
As the abductors kept the young lady for some days.

Edward Kofi Louis
Abel, Able!

They sat down to eat a meal,
To come up with the works of peace;
With the joy of their hearts! 
Dinner,
Abel, able!
With fine wine to satisfy thier muse.

Edward Kofi Louis
Abelin

Abelin, Abel, able, Ben, be, in, loin, lion, lane, line, an, lab, nil, nib, bale, Abe, ale, bail;
And like the clean shave of love,
But be ale to understand the words of Abel your lover!
For his feelings are the feelings of true love towards you than the bullets of war!

Edward Kofi Louis
Abeline

Abeline, line, be, bee, able, Abel, been, in, nib;
Oh sun! Stand still on the truth and,
Let the human race learn in righteousness.

Abeline, bean, Ben, lean, bail, nail, Ali, ale;
Consider the truth and, be with the truth!
For, life is all about the truth.

Muse, life, peace;
Stand in the council of the truth!
And, build up your mind with righteousness.

Edward Kofi Louis
Abelines Gaard

A visit,
To 'Abelines Gaard ' in Denmark;
Seeing the records of history,
With the living status of the people in those days.

Edward Kofi Louis
Aberkah

British beauty!
The artificial moon,
The artificial spoon,
The artificial sun,
The artificial gun,
The artificial stars,
The artificial tars! !

Bun, dun, fun, run, pun;
But, with mercy and peace.
Buy, but, burr, bury, bun;
Under the shades of love!
And, it is no secret to all;
But, do make love with the only one you love.

Aberkah, era, ear, bear, bare, hear, are, he, bark, ark!
Near, the surface;
Like a fair trial,
But, you are very young at your age!
And, you need someone to guide you on;
However, your mind is miles ahead of you.

Encourage,
To buy and to bury it;
But, do have a blessed day! !
In the land of your muse with mercy and peace,
And like a Professor and his students.

Edward Kofi Louis
Abi

She wrote to him about her love and,
Abi came along to explain things to her;
Because, the road of love is not always very smooth at times.

Edward Kofi Louis
Abidan

Abidan, bid, aid, Dan!
Seeing the curtain of the courtyard and,
A certain screen at the entrance;
Faithfulness! !
Counted worthy for the job.

Edward Kofi Louis
Abide By Them

The seller,
The buyer,
It can be discussed;
But, not that, there are reforms to abide by them.

The muse of nature!
From the thermosphere is a rarefied layer of gas;
Paw, draw, saw, raw, law, jaw, braw, straw, yaw, haw!
And like where the atmosphere meets space.

The muse of life!
We always live as buyers and sellers;
And like an agreement signed between two parties,
But, note that, there are reforms to abide by them.

Edward Kofi Louis
Abide In Me

Abide in me and let me show you my love,
And i will not leave you comfortless;
For i will come to you and comfort you with my love!

Edward Kofi Louis
Abides

Bid,
Abides,
By the rules,
To aid you on;
However, life is unfair at times.

Edward Kofi Louis
Abiding In The Truth

Father of knowledge,
Mother of peace,
Children of the law!
A suburb;
Abiding in the truth.

Of a place,
With the words of love;
Gathering together,
And, with the works of joy!
In the land of the living.

Edward Kofi Louis
Abiel

Abiel, able, Abel, bail!
To look for the donkeys,
Through the territory,
Into the district,
Along the road,
Viewing the landscape;
Seeing the beautiful young women,
Going out to draw water.

Edward Kofi Louis
Abigail

Come to me like the feast of a king and,
I will marry you my sweet Abigail;
For, i have heard your lovely words and,
I will grant your request today.

Edward Kofi Louis
Abihail

Abihail, bail, hail, Ali!
Want,
Negligence,
Consideration;
And to perform the service of love than,
Hatred and war! 

Edward Kofi Louis
Ability

Talents!
With the ability to work;
Under the muse of the laws,
Learning always from the truth.

Life!
Faithful and righteous;
With the truth,
And, with the muse of the laws.

True love!
Starting this morning with your muse;
And, to take hold of the truth and live,
Without war.

Love,
Loyalty!
With the muse of life;
Under the laws of peace.

Edward Kofi Louis
Abilily 2

The ability to speak,
The ability to write,
The ability to teach,
With the ways of the heart and mind;
Positively towards the people around you.

Edward Kofi Louis
Abingah

He wrote to her about this love and,
Abingah explained to her about the unclean things around her;
However, Nehu is her best friend! !
So, she needs the works of the true love to guide her on always.

Edward Kofi Louis
Abiram

The treasure of my mind needs you and,
The measure of my heart wants your love;
But the beautiful letter of yours and,
The handsome words are all that makes me fly high!
For you are very young and innocent and my name is Abiram.

You are very nice and fresh on this love and you are very wise!
And i will take you to meet my people in my village;
For the treasure of your heart is also seen by my love.

Edward Kofi Louis
Abiram 2

Abiram, air, aim, bar, arm, ram, bam!
Like a stranger in a foreign land;
But, let there be light! !
And, let the works of the truth be exposed;
To lead the people along.

Edward Kofi Louis
Abish

In the Kindron Valley you will find my lover,
In the wars of the mind you will find my peace,
So come and let us be one;
For I am Abish from the land of the flowers and,
My love is fully prepared as a meal for you.

Edward Kofi Louis
Abishag

Abishag, as, his, bag;
Into his room,
What is it that you need?
From him,
Head, stead, plead, lead, ahead!
To prove himself as a worthy man.

Edward Kofi Louis
Abiyah

Lay my bones next to his bones and,
Let the love of the muse arise!
Lay my bones next to her bones and,
Let the mind of peace be shared!
For i am Abiyah from the land of love and,
I am here to love you.

Edward Kofi Louis

Able,
Let me use my cable!
To bring light to the stable;
Able to see you as well,
As you sit by your table.

Edward Kofi Louis
Able To Accept Me In

Let me speak with you with four eyes,
On this love;
With your beautiful heart that touches my soul,
Able to accept me in.

Edward Kofi Louis
Able To Care For The People

Use your money to buy honey for your health,
Plus butter to utter out positive words;
Able to care for the people around you,
With respect! In the name of servitude.

Edward Kofi Louis
Able To Carry On

Actfully,  
With youe muse;

Actfully,  
With your works;

Playing along with nature,  
To understand the powers of life!

Mighty one!  
Long winged;

To fly up high with your muse! !  
Certain,  
To gain your life once again.

Certain!  
With gain;

Uncertain!  
With pain;

Brain,  
Rain! ! !

Appear not with the odds of life;  
For we need peace and love,  
Able to carry on with the truth.

Edward Kofi Louis
Able To Comfort You With My Love

Why are you alone? !
With no one around you;
Tell me!
And, i will care for you;
Able to comfort you with my love.

Edward Kofi Louis
Able To Control Yourself

Drink! !
Why is it so?
Only to follow after the laws;
By drinking a little,
Able to control yourself.

Edward Kofi Louis
Able To Do So

Love,
Able to do so;
And, to lie down in the arms of the truth.
Life,
To purify yourself with the truth!
Like salt which is healthy for your body;
As, it purifies the body.

Edward Kofi Louis
Able To Get What You Want

Down!
To the town;
With your own car,
To buy honey with your money.

The crown of life!
With the throne of love;
Driving along in your brown car,
Able to get what you want.

Works of life!
To utter out the words of love;
With the mercy of the truth,
For the peace of the land.

Edward Kofi Louis
Able To Identify You

Anywhere and anyhow,
Anything at anytime!
With the photos,
From what i saw;
Perfectly framed apples of yours,
Formed out of dust,
With the muse of creation.

The pictures,
A mouthful of words to expose your body!
With the tantalizing glimpse of your look.

Once dressed!
And twice undressed;
Addressed with your beauty,
But the soft touch of your body is like the Sea.

A well known writer,
This muse was brought to me;
Having my eyes on you!
Able to identify you.

Edward Kofi Louis
Able To Live Upright With The Laws

Let the truth teach you And,
Live in peace;

Love,
I belong to you and you belong to me;
Ready for each other,
In the land of beautiful flowers.

Each day along the road,
With the muse of life;
You belong to me and i belong to you.

Facing the ways of life,
Facing the ways of the world;
A new coach!
A new approach;
Able to move along.

Edward Kofi Louis
Able To Move You Forward

To walk through darkness with the help of the light;
To give approval to the works of the truth,

Hidden in a cave;
Peaceful and faithful,
With the muse of love.
A riddle! !
An enigma,
Going along with your dreams in the cave.
Seen!
To drag it down,
Into the valley! !
As the news came along,
As the dew fell in the Ground,
Openly!
Clearly,
Divination! !
Speckled and spotted sheep;
Brown lambs,
Speckled goats,
Goals!
Trends,
Ends,
Nations,
Spirituality,
Watering through;
Meditation!
Able to see far;
Mission, vision!
Gear,
Ear,
Hear,
Earth!
With the muse of life.

Edward Kofi Louis
Able To Touch Your Heart

No easy way to freedom! !
No easy to success;
But, you are all that the muse of life brought to me.

You don't need a war cry on this love!
For i am the broadway of joy with the flowers of love;
Able to touch your heart.

Edward Kofi Louis
'Ablekuman'!

'Ablekuman'! 'Ablekuman'! ! 'Ablekuman'! ! !
The land of the dead in times like this;
Oh! Why kill my friends?

It took two to expose your nakedness!
Killing them in cold blood;
Your sins have now reached the heavens,
Oh! 'Ablekuman'.

You killed most of the people who bought a land piece from you,
Because it has been your games for years!
Now, your cup is full.

Without a note to the President,
Killing 'Kweku Ninja' and his friend called 'Jerry';
Off lives,
Seen in 'Ablekuman'.

Cold Blood! !
You murdered these people;
Murder she wrote,
And, murder he wrote.

Year after year,
I wonder how you do sleep in your land!
After murdering people.
Is it a peaceful sleep?

Many churches are built around you,
In your land;
You still go to church services,
Oh! 'Ablekuman'.

Can't you hear the dead crying? !
It is very sad;
Adding 'Kweku Ninja' and 'Jerry' to your list,
Gone are my two best friends,
'Ablekuman'! 'Ablekuman'! ! 'Ablekuman'! ! !
Edward Kofi Louis
Abloy

David,
Livid,
Vivid,
Abloy, boy, bay, lay!
Contender,
Arboretum,
Course,
Discourse! !
Unfazed.

Edward Kofi Louis
Ablutions

Ablutions!
With acquaintances;
Clients!
And, the process became evident.

Life!
The weather has changed;
But, let the muse of love be expressed to overcome hatred and war.

Love!
Look deep into my eyes;
With the peace of your heart,
And, let there be joy arouns us always.

Addle, saddle!
The rider,
The horse rider;
But, very humorous with the sweet muse of love in the land of the living.

Edward Kofi Louis
Aboard

Aboard, board, bard, bad, road, dad, bar, oar, rod;
And like Veronica's Dream in the land of flowers,
But the colour of the rainbow is like the beauty of the earth.

Edward Kofi Louis
Abominable

An abominable branch!
To the bottom of destruction;
Like a flying serpent,
For, a fire is now kindling in this town.

Listen and hear the truth,
Speaking in parables;
With your spirit high lifted!
But, beware of dogs, pigs and evil workers.

Eating and drinking,
Things from high!
The truth;
Absent in the flesh and present in the spirit.

Evil workers!
To be sold like a thief and, to be taken away like a prize;
With the desire of the wicked heart! !
And like the muse of the abominable branch.

Edward Kofi Louis
Abongo

Shake the dirt off your body and move on in life,
Like a farmer's donkey and a teacher's monkey.
My heart is like that of a lion's and,
My feet are like the feet of a deer!
I am now well and healthy to take part in the race.

September 11th will always be remembered and,
I have you on my mind like a man on the throne of Israyl.
Abongo, enter into the door of love;
For you are a valiant man on this love of mine and,
Come and let us pay homage to the king of this place.

Edward Kofi Louis
Aborted Goats

Aborted goats!
Birth defects;
Colleagues of love and colleagues of war! !
But, you have to appear before the disciplinary committee today;
Because, your deeds have now come to light.

Edward Kofi Louis
Abortion

I am weeping in the tent of meeting because,
You caused an abortion last night;
And in the morning you said,
'Ah, if only iw was evening again'.

Edward Kofi Louis
Abortions!

Abortions!
Murderings babies;
As evil men and women have taken this act as lucrative business.
Life,
The truth should be said always!
And, to let the light overcome the darkness around us today;
However, many are those who still do not understand the fact.
Abortions around the world!
Murdering babies in the name of lucrative business;
But, why kill them?
As it is written: 'You shall not kill' in your Bible;
So, it is time for us to seek after the truth and live in peace,
Than with the evil works of mankind on this earth.

Edward Kofi Louis
Abotsie

Permitted,
Authorized,
To reduce,
To express,
And like the energy tariffs in your town!
But, i am Abotsie with the works of love.

Wiped out,
Nailing it,
Buried;
But stripped away on a feast day! !
However, this is like the motor from the photo.

Edward Kofi Louis
About Colours

I'm talking about colours and,
It's all around us;
It is natural!
To see the colours around us all day long.
Blends!
With the vegetation;
The muse of nature,
With the status of the sun, the moon, the stars! !
For, colours are very beautiful to the eyes.

The bases of life,
Both in mythology and in contemporary;
But, just remember the days of your growth,
All the way from childhood.
The bases of life!
With the people from all races;
Enjoying the muse of the colours of nature.

About colours,
With the muse of the contemporary society;
Around us!
In your land,
And, in my land.
The muse of nature!
To formulate one's pertinent with love;
All in one and,
All about colours.

Edward Kofi Louis
About Life

There is one thing i've studied about life!
Immediately one is born,
One is about to die;
Either in the early stages or,
Later on with his or her age.

Edward Kofi Louis
About Love

Do you want to understand something about love? !
Then go to the sea and sit down alone;
Do you want to understand something about love? !
Then go to the mountain and take a walk alone;
Do you want ot understand something about love? !
Then go to the forest and walk through it alone;
There and then, the visions of love will touch your heart!
And you will keep your virginity and pass it on to your husband-to-be.

Edward Kofi Louis
About The End Time

Trying to eat another human being raw! !
Cannibalism;
Heard in other parts of the world,
But it is all about the end time.

Edward Kofi Louis
About Them

A fervent zeal!
Being moved;
With the power of the spirit,
Whose son is this boy?!
If i may ask;

If i may ask;
Making inquiry about them.

Edward Kofi Louis
About Time

It is time!

About time,
With time itself.

Edward Kofi Louis
About To Be Born

Being cooked,
Being eaten,
And, being washed away! !
But, just remember the Seventh Day Sabbath and keep it holy.

This is it! !
And this is about the muse of your love;
For the nuclear war is about to begin!

Being preached,
Being read,
Being taught,
But the explosion of our sins had impregnated the earth! !
And, the nuclear baby is about to be born.

Edward Kofi Louis
About To Deliver

Life!
She was with a child and,
Near to the time of delivery;

Crying out! !
Loud,
To deliver a baby.

Muse!
Through the straight and narrow gate;
With the realms of the laws.

Peace and love,
With the muse of life;
But, this woman is about to deliver.

Edward Kofi Louis

About me,
About us;
All in the name of love.

Edward Kofi Louis
About Victoria's Secrets

This is about Victoria's secrets,
Naked she came and in nakedness she exposed herself to all!
But the world loved it and she gave birth to a child at fifteen,
She is now twenty and she's still out there looking for her lovers,
For lust has now eaten her up.

Edward Kofi Louis
About You

I stood upon the sand of the sea and,
I saw your naked body from afar;
And it was not about the cytology around,
But it was about you and your beauty from afar.

Versatile blues of a teenage's love,
And of the emotion of the scenario around;
But breezing from coast to coast to share a view,
And it was all about you and your beauty from afar.

Edward Kofi Louis
About You And I

What is life?
It is all about you and i;
What is poetry?
It is all about you and i;
So, poetry is life!
Of the ways of mankind on this earth;
Whether for peace or for evil.

Abrahamyan

Abrahamyan, Abraham, bar, harm, ham, arm, ram, bray, may, bay, ban, barn, yam, May, ray!
To be like a child in the arms of the truth;
Learning always to find your way out,
Without hurting your neighbours,
Living in peace with the joy of your heart in the land of beauty.

Edward Kofi Louis
Abreast

Alike,
Afar,
Abreast,
Alot,
Abode,
And like the presentations of your descendants!
But you are about to learn from the scribe,
And like the best of the Irish Dance.
Beans and fried plantain,
The timber of Ghana and the oil of Ghana;
But with red, gold and green to satisfy your muse!
Because you are all that it takes.

Edward Kofi Louis
Abrefa

Abrefa, bare, bear, era, ear, far, fear!
Born to you according to the flesh;
But, the people are now worshipping creation than the Creator.

Life!
With the breach of morality in many ways;
And, with the beehive of the negative activities of the world today.

Muse!
We have to learn to live in peace with each other;
And to preach the message of love than hate.

Life!
Fasten your seat belts to the muse of the truth and the laws than,
Living according to the taste of this world! !
Where, the truth is always covered with lies.

Edward Kofi Louis
Abroad

They spread abroad and beyond the fence of love,
But a talebearer tells secrets!
And i am here to stay the night with you my love.

The mouth of the just brings forth wisdom and,
The mouth of the wicked speaks forwardness!
But i am here to stay the night with you my love.

Edward Kofi Louis

Abroad!
The broad road;
Travelling along with your mind,
After seeing the toad.

Edward Kofi Louis
Abruzzo's Voice!

The topography,
The act,
The art,
The muse,
The poem,
The poet,
Acquainted with the unique act of Abruzzo's voice!
Nut, try to appreciate its beauty;
And like the muse of sweet love,
But equally delicious to satisfy you!  

Love,
Superiority,
This red wine from your red valley!
But, with the 'Montepulciano Grape';
And, it is ideal for the accompaniment of your joy,
But, this dry red wine is with the muse of your work.

Edward Kofi Louis
Absent

You are absent today and,
Your seat is empty;
Stone, tone, one!
Still waiting for you,
Until the morning light!

Edward Kofi Louis
Absent-Minded Rabbit

Take me into the forest and,
Show me an absent-minded rabbit who wears seven pairs of gloves;
Take me to the zoo and,
Show me an absent-minded rabbit who wears seven pairs of gloves;
This will sound like fun at bedtime but,
What kind of fundamental rights do i have on this earth?
For i have to defy nationality and culture boundaries for this love.
It is funny when you are not globally competitive,
But i have to listen to the lecturers at times;
And with seemingly irrecconcilable differences,
For i have to show them my status.

Edward Kofi Louis
Absolutely Wonderful!

Love,  
Absolutely wonderful!  
With the peace of the mind,  
Under the laws;  
Bringing about peace and joy.

Images!  
It conjure up;  
Bringing about the rhythm and blues;  
Enjoyed with glad tidings.

Love,  
Leading to peace;  
And, to make the heart glad,  
Achieved with a positive character.

Love,  
To enjoy it;  
In the right way,  
With the aroma of peace.

Love!  
With your story,  
With my story,  
With the stories of mankind;  
On this earth.

Love,  
With the muse of poetry;  
In my mind,  
Always!  !  
As i walk along the land of peace.

Edward Kofi Louis
Abstain

Marry and bear children,
Lift up holy hands in prayers;
prove all things and hold fast to that which is righteous.
To the land of the brotherhood,
To the land of the sisterhood,
To the land of the motherhood,
To the land of the fatherhood,
Abstain from every appearance of evil.

Edward Kofi Louis
Abstain From It

What is this all about?
Is it safe sex or, commercial sex?
And, how are they educating us with these contraceptives ads?
I am a woman and i know what it takes but,
What about you?

What is this all about?
You are a man and you know what it takes;
But go to the streets and you will see things for your own eyes,
Because the commercial sex is booming!
And the big companies are making their respective profits along the line.

Do they think that they are educating us with all these ads?
Then, they should think twice;
For there are more businesses done in the name of safe sex,
And it had rather increased the sex life style of all mankind.

Oh mankind, let us try to know the naked truth behind these ads;
For it is better to abstain from sex than burn in it!
And a close distance to hell is what Aids does to us.

Sex is to all and sex goes on around with us unprotected,
But Aids is the disease the ends the time with us;
For the lust of our eyes have taken us far away from the truth!
And now the moon is blacked-out in complete darkness.

Out imaginations are limitless but Aids had closed up on mankind!
With intermittent flashes to catch up to the truth;
And the youth today do have their own type of answers than thought,
But to abstain from sex is better than to easily die in the name of lust! !

The ads speak like an angel but acts like a devil around us!
But sometimes things do not go the way we expected them to;
And as we use rulers to map out straight lines,
So are the rules of life straight from the Creator to us! !
And we need to return to ourselves to make some changes.

Abstract Expression

Abstract expression,
An evil tree cannot bring forth righteousness;
And, what Yahweh says is always true.

Parcel,
Hand gloves,
Winter shoes;
Needed for you to walk through the snow,
But, whatever Yahweh says is always true.

Pleasure and pain!
The truth about love;
Roll, roller!
My dear friend, listen to the advice of the elders;
Rolls Royce!
An evil tree cannot bring forth righteousness.

Abstract expression,
At 'Awudome Cemetery';
And like the rush hour in Africa! 
But, whatever Yahweh says is true.

Edward Kofi Louis

Abu

Put your lovely arms around me and,
Kiss me all over my sweet one!
And like ten donkeys loaded with the best things of Egypt,
You are mine forever on this sweet world between us.

Now put your right hand on my head and,
Kiss me all over again and again!
For my love is for you only like,
The boiling point of water melting an ice.

My love is flowing with milk and honey,
The very liquid for you my love!
So lift up your eyes and look,
For i am always ready for your sweet love.

Abu, i am a woman of peace and love;
And well trained by my parents to care for you.
So come and stay with me my love and,
Let us live forever and ever on this sweet muse of love.

I need you and, i can't leave you! !  
And like the desires of the flesh and of the mind;  
Just like my name called Abuakwa in the land of many trees!

Edward Kofi Louis
Abubakar!
You have to learn more and to fly like a bird;
Migrating from one place to another,
For the life around you is all that you know.

Put your money where your mouth is and
Put your mind where your love is;
And like an adventure taken with lessons.

As early as the sun and as late as the moon,
Try to put your soul to where your heart is;
And like a kiss by a rose on a grave.

The governments are about to hold your legs but,
Try to fly away to your lover to take a cover;
For your true lover needs you in times like this.

Edward Kofi Louis

With the care of the ladies to lead you to love zone;
But my true love rules on this land to keep you at home.

We are all one in different colours,
But the muse of life is what keeps us together and peaceful;
And this land is all that i have for you.

According to righteous morals than the works of evil! 

Edward Kofi Louis
According To The Flesh

Life,
According to the flesh;
Love,
In sincerity of the heart;
Helping you to fix things in the right order.

In 1416 love was made!
And, you were just a girl when love came to you;
After it, a child was born!
And, you always remember November because of the act.

This child is yet to get an identity,
The true identity!
With the age of time;
Then came 1981;
Which was 565 years after,
Identifying the code of the name given to your child.

Nature, lust, pleasure!
According to the flesh;
But, how long can we live to fulfil our respective dreams?
On this matter,
With this issue,
On earth.

Nature, lust, pleasure!
The lost child;
Without a true identity,
But, living around.
Nature, lust, pleasure!
With the muse of history,
After 565 years;
After three failed abortions recorded by the mother.

According to the plan;
Life,
According to the laws;
With decisions,
With judgements,

For a woman is like the bee and you have to treat her well then,
She will make sweet honey for you.

Love is like the aphrodisiac of Turkey!
And with a wet morning with the muse of your passion,
For i want to know what turns you on.

However, respect is very important in life.

Edward Kofi Louis
Across The Parapet

My mind is across the parapet of Africa with love!
And if the wind does not reveal it, the rain will;
A proverbial touch with an emotion is what i bring to you,
For my mind is also across the parapet of this world!
But where sin is, fools do rush in quickly.

I am like a poor soul walking down the streets of Africa very lonely,
And deeper down in the jungles of Africa with words;
But if the wind does not reward me, the rain will.
Oh Africa! In my loneliness and of the splashes of the sea;
But i need someone who will love me for who i am.

I know what i am writing and saying,
Because i am a woman too;
And o spread out your hands in prayer is what i know,
Like the firstling of a donkey which shall bwe redeeemed with a lamb.

To you i do write oh Rulers of this land,
For Yahweh want it so and so shall it be;
But, there is no one like Yahweh!

Of the secret acts and arts in your traditional areas,
Of the power of your works that we do see as well;
But the first of the moon of the year is Abib,

I have the 'Adinkra Symbols' all over me and,
You need to look into the mirror always!
For my love will reflect back to you like a mirage because,
I am ready to share my hot games with you.

I want to love you for what you are;

But, the Creator up high does watch over us all,
And whoever He blesses is part of His Kingdom! !
But, Africa is always my home.

Edward Kofi Louis
Africa! !

Africa! !
With my story,
The place of my birth;
Life and nature,
Life and love,
Life and dreams,
Life and joy!
Like a Voter's Card larger than a Newspaper,
Facing the odds;
Growing up,
Searching for the routes,
The very ways of mankind on earth,
But with positive morals.
Oh Africa!
The continent of my Identity;
Training and teaching me;
Growing up,
Facing righteous laws!
From the hands of the truth,
With the muse of righteous teachers.
Mama Africa!
You gave birth to me;
Facing the world today with my works,
To inform the world who i am.
Ear, hear, sear, bear, dear, near!
On earth;
A child is born! !
Thanks to my parents,
My father and mother,
From them came my Identity!
Here on earth,
With the muse of creation,
And to thank the Creator Almighty always.

Edward Kofi Louis
Africa! ! !

Africa! ! !
Born over here with the muse of my mind;
With acquaintances around me.

Africa! ! !

With the muse of darkness,
But, a bright light shines through Africa!
The place of my birth.

There are wonders known in this place of darkness!
Africa my homeland;
Faithfulness,
With talents which muses! !
Over here in Africa;
With languages, cultures and traditions.

Edward Kofi Louis
Africa, Africa! !
I am as lonely as the dust of the dawn;
Seeking my way through with the dew as my drink.

Africa, Africa! !
The Prince is about to dance,
But i have been too long in the rain!

Love,
True love!
The evidence of my sweet love is all around you.

A legal stand!
To read the signs always before taking any step forward;

Love,
True love;
How beautiful are your feet in your shoes?
Able to meet meat the corner of the street.

To grab life with the horns! !
Experiences,
To learn from the facts.

Love,
True love!
I am a special treasure to you;

Sunday to the First and, Saturday to the Seventh! !
It feels like the first time together.

Africa, Africa! !
With the state of my mind;

Accidents and incidents!
The slippers of the Goddess cannot fit a child;
Because, the nest of the Devil catches many.

The test of life,
Coming from West Africa;

Pest,
Best,
Guest;
Facing this new day of life.

Africa, Africa!
With a moment like this;
Expressing my mind to the world.

Edward Kofi Louis

Edward Kofi Louis
African Comb

You seem to be wiser than the size of your shoes,
But the wind will come and blow you away;
And one day will need an injection from the Doctor like,
What i am going through over here.

From the coast of Ghana and,
Of the flowers of love to share with you;
But do let the African Comb teach us all.

You are wiser than the size of your shoes but,
Let the African Comb teach you at times;
For i am very real towards your love and,
You need the flower pot of love from me.

I have the cocoa pods and,
You have the valley to dry up my mind;
But the rhythm of love will find a way to teach you!
For the wax will melt before the heat of the rod.

By the fruits of your love you shall be known and,
By the sweet of your kiss you shall lead me on;
But the style of this muse is like a Zulu Man from South Africa!

Edward Kofi Louis
Every young African has a dream,
The very dream to get out of the poverty line;
Every dreamer has a dream,
Of dreams to prosper in life;
But, many die too young with their dreams.
It is in Africa where talents are bound,
It is in this place that we struggle to gain;
But, can we jump this fence from here?
One mortal, one number;
One man, one hundred;
We still have hopes to overcome.
One million-ways of visionaries to tap,
One thousand roses of love to share with;
Like those of the Innovators and the Footballers.
Back to one mortal being,
Back to the days of struggle;
The State of Africa is entangled with poverty!
Like a candle in the wind where,
The roses die too soon;
Every African is battling poverty.
But, can we jump this fence from here?
Rather teach a child how to fish than,
Giving the fish to eat always;
We still have this dream to overcome.

Edward Kofi Louis

Bye-bye to the African Roses,
For many years you stood strong as leaders in the name of nations;
But the youths stood up and blew you people away like a candle in the wind.
Oh North African leaders! !
Now the day is over on you people;
For your wings of leadership can no longer fly up high through the wind.
Inclusive and exclusive,
The blues and the jazz of the North African Nations are now dying out,
And the dictators are now seen by all of us in the world.

Edward Kofi Louis
I am the African Spokesman and,

The African Spokesman is what i am,
Along the streets of Africa and around the hiding places of the ghettos!
For, i have seen many things in my life and, i have more to tell to you;
But, like the colours of the rainbow,
We need to love each other in the name of the colours that nature gave us.
I am the African Spokesman and,
I have something for you;
But, if you listen very carefully, you will feel the muse of my love around you!
Because, this world is now being captured by the weapons of war than peace.

Africans

Africans at this hour of the day deserve an atonement,
And in the name of the looted wealth during Slavery Days;
But, do think very well before you tread on this issue.

Blind justice,
But it is time to push harder and harder! !
And to create the atmosphere of blameless error,
For there are more stories to say about the Slavery.

Physical death doesn't separate a man from a woman,
Because in the way of Yahweh they are always united forever!
But, i am only writing to the one who knows the law.

Africans need atonement in many ways,
For our past stories are still recorded in our minds;
And peace is right here at our fingertips.

Able to rule the day with positive morals.

Edward Kofi Louis
After We Pass

The trials and test we have to go through,
And to be honoured and glorified after we pass;
For this world is full of troubles!

Be wise in choosing what is right,
For the sun tans a person who works longer in the it;
But the beauty of the day is for us all.

The devastating of wars!
And of the minds of the beings after these wars;
For this world is full of toubles.

A sign of mourning and a sign of man's transgressions!
But in fasting and in prayers we will win our ways;
And of the grief suffered in life's own journey,
But we hope to be honoured after these trials.

Of all the stars in heaven and of all the people on earth,
We all have names like the constellations in heaven!
But we have to go through these pressures of life on this earth.

Edward Kofi Louis

I am on an errand like the act of your indignation;
But age doesn't matter when it comes for love.

Agnes

Yahweh is my strength and my salvation,
So do not sink to the bottom of the sea like a stone;
For Yahweh is greater than all the gods (elohim)!

In the moon Ziv,
In the moon Bul,
In the moon Abib,
In the moon Ethanim,
Interwoven with chains for my love for you;
Oh Agnes! You are like Hiram, the King of Tyre.

Agnes my love,
Come and let us share this world so sweet;
For in the peace of my mind,
I will always wait for your love.

Edward Kofi Louis
Agnes II

Agnes, age, as, sea;
Life,
Why are you lonely?
Love!
Every time we do talk, you do feel better;
So, let me be around you for you to overcome your loneliness.

Muse,
High on the mountains and deep in the valleys;
Boot, boost!
To enter in,
And, to know your ways in the land of the living.

Edward Kofi Louis
Everywhere you go, you should take the weather with you;
And, everything you do, you should do your best at all times!
For, it is better to use life wisely than to waste it.
Verse, averse!
To appear in physical form;
But, study this aversion to overcome your avidity.
Vowed, avowed!
You can give out a fresh impetus on this issue of love;
But, try to overcome your phobia in this town, oh my sweet Agogo! 

Edward Kofi Louis
Agree To Keep The Righteous Laws

Truth!
Agree to keep the righteous laws;
Of the calling!
Out of many;
Because, only few will be chosen.

Love!
The study and the learning of the laws;
Peace!
Day by day;
And, with the positive things of love.

Edward Kofi Louis
Agreement

I will like to make an agreement with you but,
There is only one thing that i will require from you;
That you become my lover in the garden of beautiful roses.

Edward Kofi Louis
Agumey

Involvement,
Substantiate,
A panellist;
But to adjourn the case with the help of your friend called Agumey!
And, to expose the errant judge was like the muse of your jokes;
However, help maintain the sanctity of the system in this town.

Edward Kofi Louis
'Agya Kofi'

Release of funds!
In the District of Love;
Lease, please, ease, release!
With the muse of 'Agya Kofi' in the town;
Taking care of the people.
A great challenge!
To protect the peace of the land;
Scheduled with the fragrance of love,
And, with the flavour of the truth.
'Agya Kofi'!
Taking care of the people;
With the muse of birth and growth,
And, to the development of the country.

Edward Kofi Louis
Agya Koo

Here with me and my love,
And i wonder if you are mine;
But love me or leave when the sunshines.

Here with me and my mind,
And i wonder if you are mine;
But take it or leave it when the rain falls.

Agya Koo! Cain worshipped God and Abel worshipped Yahweh;
But, you are the only one on my love tonight.

Edward Kofi Louis
Agyeman

You can't eat like a bird and dive like an elephant,
You can't sleep like a bull and sing like a cat,
You can't run like a rabbit and work like a donkey,
You can't laugh like a dog and build like an ant,
For action and reaction are opposite and equal;
But I am like a fin from Finland!

Agyeman,
Friction never move anything!
But it is like a den in Denmark;
So be very wise on this path of life that you are leading.

Edward Kofi Louis
Ahasuerus

Once upon a time in Africa,
With snakes in the bushes to respect my muse;
And like Ahasuerus my friend with warmest regards,
But i have to post you a letter on this love.
My mind is made up and Africa is my home,
For the key words of the animals are like my muse;
And with joy and peace to teach the world,
But my respect is also for you all out there.

Edward Kofi Louis
Ahead

I ran ahead of the world with my mind and,
The world doesn't know what i hear afar off!
But one day they will look back and ask of me,
Because my visions and imaginations are really what they need!

Edward Kofi Louis
Ahinful

In the thick forest of my own village,
With the light from the moon to guide us on;
But, this valley is 12 feet wide! !
And like the muse of love in the land of many roses.

Stand, brand, and, strand, band, grand, land, Ireland;
And like the muse of love around a candle stand,
But this moon gives us light in the dark around this village.

Words!
Being with the muse of kindness;
Love!
Being with a child in this village;
Works!
Labouring in pain;
But near at hand to respect your muse! !
For, the light of the moon guides us on in this village.

Plan and scheme,
Hope and dreams,
Works and acts,
And, to secure a place! !
But, Ahinful my lover is still in the thick forest.

Edward Kofi Louis
Ahithophel

A woman's thought is not the same as a man's thought on this issue,
But you are now married to a German woman;
And like the muse of your love in the garden of peace,
But i am Ahithophel who wants to teach you more about life!
Because, the rain will always fall on you in the land of your muse if you will not listen.

Edward Kofi Louis
Ahitub

Ahitub, bat, tab, but, hut, hit, hat;
By night with your works,
Until the light breaks out in the day!
Still doing the right thing,
With the service of true love.

Edward Kofi Louis
Ahitub 2

Ahitub, bat, tab, but, hut, hit, hat;
By night with your works,
Until the light breaks out in the day!
Still doing the right thing,
With the service of true love.

Edward Kofi Louis
Aiah

You are like the faded picture on the wall but,
One day I will call you back again;
Because Aiah came and told me the truth!
For Rome was not built in a day.

Edward Kofi Louis
Aida

Are you riding a donkey while talking on a cell phone? ! !
The, listen to my muse and know my name;
For, i am Aida in the land of beggars!
But, this tale of love will never end because,
You do have a tale to tell me like the tail of a monkey!

Edward Kofi Louis
Aide, Abide!

Walking at the beach,
Seeing the foot prints of,
Birds, dogs, horses and human beings;
Aide, abide!
To respect nature,
With the muse of the sea.

Edward Kofi Louis
You have tasted it and,
You have tasted my love!
And like the shadow of things to come;
But, try to handle me well.

To the head,
To the legs,
To the hands,
Holding them firmly;
And like, introducing me into the things that i don't know,
But i am Aidoo in the land of your sweet muse.

Edward Kofi Louis
Aidoo II

Aidoo, aid, do;  
As well as,  
As far as,  
As thin as,  
As strong as,  
As small as,  
As nice as,  
As big as,  
As beautiful as,  
As wet as,  
As wide as,  
As white as,  
As lovely as,  
As black as,  
As sweet as,  
Valid!  
And, of the Returning Officer;  
At the hall,  
Waiting for hours!  
Then, the hour came.

Edward Kofi Louis
The day of small things and the day of big things,
Like the plume in the hand of Zerubbabel;
But, i am a sower of righteousness in Babylon.

The day of beautiful things and the day of handsome things,
Like a man clothed in linen;
But my hands are towards heaven with love,
And i will love you like the Queen's Valley.

Aigis my love,
Of such luminaries around us;
But do have one voice on this love.

Edward Kofi Louis
Aikins

Many doctors,
Human parasites,
Medical studies,
The past seven decade;
But with brave statement from Aikins your friend!
However, the products from your farm are unfit for kosher label.

Edward Kofi Louis
To the fields of swords,
Seven years and six moons;
But my love towards you is swifter than eagles!
Beloved and pleasant,
Sweet and lovely;
And, my love towards you is stronger than the lion!

You are like one who hunts a partridge in the mountain,
Of wisdom and humility;
And to search out for a flea until the morning light,
But, let me hear your voice my sweet Aikins.

Edward Kofi Louis
Aim, Aid, Amid!

Words,
Out of my mouth to teach the world;
Aim, aid, amid!
Works,
Into the world to remind people of my status;
The goal!
The gold;
With the works of the truth.

Edward Kofi Louis
Aim, Aimed!

Lust!
With pride;
Aim, aimed!
But, a fool today can be a fool forever;
When, he or she is not ready to learn for the better,
And, to make a change.

Rejoice like a champion if you have the truth!
For, many are those who are still searching for it;
However, dancing naked in the eyes of the public makes,
Sin your number one friend.

Embrace the truth and free your mind in life;
With the works of righteousness than, with the works of evil!
Because, the truth always brings in smile on the faces,
And, joy to the hearts which are always seeking for peace.

Edward Kofi Louis
Aim, Claim!

Health!
Let wealth come home;

Aim, claim!
Listen carefully;

Let anger depart and,
Let my mind be at rest.

Edward Kofi Louis
Aima

The burden of guilt,
Self abuse;
But Aima came in and told me what went wrong!
And like narrowing the boundaries in the land of your muse;
But, i am seriously watching you.

The face of a broken hearted man,
The face of a broken hearted woman,
The face of a broken hearted boy,
The face of a broken hearted girl,
The face of a broken hearted lady,
The face of a broken hearted gentleman,
And like your bedtime stories with your bed-mates;
But, i have no customer service on this issue at hand.

Edward Kofi Louis
Aimakhu

To appear before it,
Imposed on him;
To appear before it,
Imposed on her;
The family stone,
Firmly rooted!
And like the criss-cross rhythms that exploded.

Fanfare,
Grown,
Admire;
To go and see them perform live! !
But it was a privilege in meeting you around.

Study and learn from my muse,
Read and know my mind;
For i am Aimakhu in the land of lovers!
And ike an Afro-Caribbean Rock Jazz Fusion.

Edward Kofi Louis
Aimless

Aimless,
You don't know what you want in life;
Going against righteous works with your negative acts!
Destroying things and killing people.

You've now exposed your sins to the world! !
With the muse of the colours of your works;
Going after people and killing them,
Thinking that you've gained heaven already.

Edward Kofi Louis
Aims And Goals

Throw this hard thing away and look for the soft one,
For i have now seen how it looks like;
And i will always get you one in each month.

Always try to work out things towards your future!
Without giving up on your dreams;
With aims and goals! ! !

Edward Kofi Louis
Aims, Claims!

Life is wealth!
But, health is the key;

Aims, claims!
Like a little brave lion.

Into the family,
Into the world;

With my works,
The works from my mind.

With the muse of the vegetation.

True love!
To Keep us very honest to each other;

Be very humble and never give up on your dreams.
Love!
Be very steadfast with your mind;
And, do what is right always.

Air Africa!
Take me back home;
To the place of my birth;
With the muse of peace, love and joy.

Edward Kofi Louis
Aissaton

Of your children after harlotry,
Where are their fathers? !
But like a virgin waiting to be loved for the first time,
You are like two milk cows which have been over yoked!

From Ekron to Gath,
And to the visiting place of Beth Car;
Aissaton, you need to learn more from life itself.

Edward Kofi Louis

And the bell rang for us to get in.
Muse!
With Baby Care Centres;
But, with the review of the laws and,
With the muse of the land.
Revenue, avenue!
You need a conductive atmosphere to understand the issue at hand.

Muse!
At home with my pen;
And, to initiate discussions with you to understand your status quo.
Muse!
With the Civil Society;
But, the mirror on the wall reflects our images.

The vigilance!
With eminent figures around;
Like role models.
Life!
Be original and,
Be yourself;
And, be straight.

Edward Kofi Louis
Ajao

It all started with Carl Benz and today,
It is a big Company around us!
So is my love to you Ajao because,
It all started with the smile on your face.

Edward Kofi Louis
Illegal lust,
With AK-47 in your hands;
Ready to kill,
The person you call your enemy!
But, hatred and war will never bring peace to the earth.
AK-47!
In T-Shirts and tight jeans;
Amid the dust raised by the allegation.
Commanders!
Interacted,
Admitted with the muse of hatred and war;
Kidnapping and beheading victims.

Edward Kofi Louis
They ate and drunk and they were very joyous,
And started jumping from bed to bed as they made love to one another;
Until Akaa came in to expose them of their sins,
But the branches of the Great Oak Tree had now been broken.

Edward Kofi Louis
Akadu

The hunger of the soul reigns,
The thirsty of the heart speaks,
The silence of the body exposes you!
And like Akadu your friend in the land of peace;
But, you are always within reach to the masses.

Edward Kofi Louis
Akah

I am walking from Tiphsah to Gaza,
Looking and watching if i could find my lover;
For he is Akah and he left me last night when the bombs came in!
And i will keep on searching until i find him.

Edward Kofi Louis
Akala

'Osun grove'

For my heritage is like the philosophy of your mind.

Edward Kofi Louis

Credibility,
The exercise;
The observer,
The assurance,
Credible and acceptable!

The shadow woman,
But, when you dream, dream big! !
'Akatakyereso', so, at, as, year, ear, area;
Skate, Kate!
Cited,
Systematic,
Poll, toll!
At the collation;
'Akatakyereso', eat, era, are, ate, Kate, take;
Levelled!
And, with your love.
The shadow man,
You've found your love so, be with her.
'Akatakyereso', sea, tea, sat, skate, rat, tar, keys;
Eating,
Sleeping,
Climbing! !
You just know the process so,
Try to do your best always.
Eating,
Sleeping,
Working! !
The kiss of love,
The kiss of life,
And, like part of your story in this town.

Edward Kofi Louis
Nicely,
Quite lovely!
And like the muse of your lover called Akhu;
But, do you know that,
To whom you yield yourselves as servants to obey,
His of her servants you are to whom you obey?!
And like the rules of various laws on this earth,
But, it was quite lovely to see you once again.

Edward Kofi Louis
Akiko

Blood pressure and the sign of infection,
Prudent women will always put things right;
But be mindful to your health my sweet Akiko.

Edward Kofi Louis
Akim Swedru

Tabernacle,
Prayers,
The victims,

Because, i am from Akim Swedru! 
And, i want to establish myself as a designer with you.

Edward Kofi Louis
Akinkuowa

Akinkuowa, win, won, on, no, own, kin, now!
And like the death of a visionary.
Mary, visionary!
Like the Law Classes;
Fine, redefine!
Like the Speech Classes;
Snow Boy!
Snow Girl!
With physical food and spiritual food.
Of the blockade in your town,
Wait for the bright star! !
And, do not be afraid;
Because, i am always there for you.

Edward Kofi Louis
Akirash

Rasheed is my name and Akirash is my friend,
So direct the muse of love to flow along to my home;
For the lambs will provide clothing for us and,
The goats will pay the price for your field.

I am secured in this land of peace and love,
And i want to take you around when you do visit me;
For your beauty is like the muse of love around us.

Edward Kofi Louis
Work is what you need but,
Food is the fuel of the body;
You are in your robe to rub your hands with the local gin!
'Akpeteshie';
This is the name of the local gin that you've been drinking all day long.

The pastor threw up after being caught up with the same local gin!
'Akpeteshie';
But, let us all practice what we preach in this life and live by the words! !
For, he was caught drunk and throwing up.

'Akpeteshie'!
The local gin that destroys my people without a clue;
And, they love to drink this local gin than, spending their money on food.

Edward Kofi Louis
Akpor

Akpor, rap, or, oar!
Constellations,
To pay a condolence visit;
of the incidence,
Bare, bereaved!
Without peace and security,
Simple, triple, multiple!
With the muse of the insurgency,
In the country.

Edward Kofi Louis
Akposeye, see, ask, pose, so, as, say, yes!
Additionally,
With the muse of the working rules;
In the final report,
At the port.
Count, account!
For the purpose,
To earn a living!
With unique features of life.

Edward Kofi Louis
Akropong

Heavenly hosts,
Try ro remind the public about my muse;
And in sincerity to touch the heart of my lover at Akropong with words!
But in Kumasi i will still sit down and wait for her.

Edward Kofi Louis
Aku

The zeal of your love has eaten me up and,
I am very delighted on this love;
For you are the diligent servant of my soul.

Aku, the hamathan is in and i need you;
For deep down in my heart,
I will be there for your love always.

Edward Kofi Louis
Akuaku

Let me know you the more and,
Let me love you the more!
For Akuaku is my name and,
I will fly always to meet you my love.

Edward Kofi Louis
Akuba

From 'Wassa' to 'Asanta',
And, of 'Yaa Asantewaa' to 'Kofi Karikari';
But, the paradigm of things are now here to stay,
Because, you love me.
Ant, antacid!
With an audacious claim to make;
And like, 'Les trois mousquetaires'!
With the windows of love opened to me.
Love, move, prove!
I have no illusion but the truth;
love, rove, drove!
I am Akuba and, i have no city but a country;
Love, clove, glove!
You are my hero on this side of the lake.
True love!
With the insight of your muse to direct me on;
And like a shining star from heaven.

Edward Kofi Louis
Akuffo

To point it out,
To bring it out,
With the effects!
And like the dictatorship of Akuffo your friend;
But, these ugly scars will always be remembered.

Edward Kofi Louis
I am Akufo-Addo and,
I am visiting 'Korle-Bu Teaching Hospital' in Accra to meet my friend;
But the defence of your love is like the interior act of my muse!
And i am here for a reason;
But to understand who i am on this love is like the colours of the rainbow.

Edward Kofi Louis
Akusika

Joe, toe, foe, doe, hoe, woe;
And of the bread of heaven!
You are my lover so sweet,
And i will love you always Akusika.

Edward Kofi Louis
Akuye

May the whole earth be filled with love and,
Let the human race love each other;
For life is all about love and,
I will live to love you always Akuye.

Edward Kofi Louis
Akwai

It is known!  
A fake account fraud; 
Alleged,  
Defrauded,  
With false information and forged documents! !  
But, Akwai your friend is now in the hands of the law.

Edward Kofi Louis
Akyea

Access,
Boldness,
Coming through,
Confidence!
In your hearts and in your minds;
But i will always find my way through.

Grasp,
With,
Length,
Depth,
Height,
And with love!
For you are with all the saints;
Perfect and complete.

Fill,
Fulfil,
Full,
All things;
And into the lower parts of the earth,
But Akyea your lover is waiting for you! !
However, you are carried about with every wind of doctrine.

Edward Kofi Louis
Akyem

Learn, yearn, earn;
And like the same sex!
But the recent flooding took many away.

Courting,
Protestations,
Bandied;
But i am Akyem with the works of peace,
However, the immediate arrest of your love is under investigation.

Edward Kofi Louis
Alaba

Alaba,
Go and tell Ethel that you met me las night;
And that, i am better off than ever!
For she never knew what she has lost today,
But history will surely bring her back to the books.

Edward Kofi Louis
Alabaster

I am walking on a mosaic pavement of alabaster and,
There are no two alike compared to your sweet love;
But like a leading craftsman in your town,
I am the skilful man on your love in times like this.
You're so beautiful to behold but,
I called you and you refused to respond;
For you are the Queen of the Empire of my heart and,
Yurlove is very pleasing to my sweet mind.
Like a circular shape on this side of the pavement,
Nobility is the word so sweet from your muse of love;
But let me provide you with the beauty treatments of love.

Edward Kofi Louis
Alacritous

You don't love bathing so,
No wonder your child too has copied you!
Alacritous,
The gods do not go to toilet but human beings do;
So try to train up your child to love bathing.

Edward Kofi Louis
Alacrity

Trust!
Not to rust;
Air plant,
Must!
Not to lust;
Air quality,
Airstream! !
Algorithm,
Along,
Airy,
Aleatory,
Like sweet soft drink.
Fuse,
Infuse,
Alacrity! !
Alongside,
Altogether,
Habits of posture,
Like Aladdin's Cave.
Sure!
Pure,
To cure your heart with love.
Algebra,
Alleway,
Cove, alcove!
Clove,
Love;
Secure,
Acceptable,
To soothe the skin.

Edward Kofi Louis
Alajo's Big Gutter

A mosquito as big as an elephant!
But, where is the dragonfly? ! !
And of the children back from school with sad faces,
For many are now drawn in 'Alajo's big gutter'.

The heavy down pour had drawn away many people,
And there are more stories to hear than ever;
For today we are children and tomorrow we will be adults,
But we have to prepare this big change in the right way to face the future.

The truth and the beauty of this muse,
And in the shadow of trouble and peace;
But 'Alajo's big gutter' had drawn away people after the heavy down pour.

The lion has roared but, who will hear?
And like paying the penalty due to the very poor development of the township;
But with the shades of the light into the darkness,
And the children came back home from school with sad faces.

Edward Kofi Louis
Alamia

This is just an invitation,
Because it is all about your love and the sweet of your lips;
And like Alamia in the cave of lovers with the sweet muse.

Edward Kofi Louis
Alarmed

Sears,
Sears,
Ears,
Years!
Hears,
Screamed!
My tears,
My fears;
Alarmed.

Edward Kofi Louis
Alavanyo

Alavanyo, van, lay, Alan, an, on, no;
But, murder she wrote!
Because, you were caught at your hideout.

Murder! !
Shot in the eyes and slashed into pieces;
As a result of a long standing dispute.

Murder she wrote!
Because of your illegal lust in this town;
And, now, you were finally caught by the Police.

Edward Kofi Louis
Alaze! !

Spread, read!
Fire,
Ablaze! !
Disaster,
Burning,
Worsening the situation.
Calamity! !
Misery,
Reactions,
From the fire outbreak!
Dead bodies,
To deal with the matter,
Grappling with issues,
Spread across.
Fire! !
Disaster,
Ablaze! !
In a confused state,
The fear of the worse,
To ameliorate the impact;
Explosions! ! !
Imminent danger,
Worse-hit areas,
Affected landscapes.

Edward Kofi Louis
Alba

Ostentatious,
Establish,
Colonial;
And like the bureaucracy in the land of your muse,
But try to learn from the right things always.

Emerging,
Armaments,
Bankruptcy!
But i appreciate the thoughts of yours;
For you are called Alba in the land of plenty,
But aggravated tensions had left many behind the wall!

Edward Kofi Louis
Shining,
A wise person always learns from his or her mistakes in life;
Albayrak, bay, ray, lay, ark, bar, lark, bark!
But, wisdom is not for sale;
Humility, kindness and true-love may lead you to its residence.
Pain, plain!
But a wonderful world is with the dreams of peace, love, unity and joy;
Where the laws of righteousness are observed.
True-love is unchangeable!
Joy is just a sign from it and, the truth is the way ahead in life;
For the peace of humanity.

Edward Kofi Louis
Set your mind on things above than earthly things,
And do set your acts of love to all in peace than hate;
For we all need to learn more from time to time.

Set my son on my own mule and,
Give my son the laws of my rule;
For, i am very feeble in my old age.

Albert, i am too wise to be a fool in my old age;
And i do hope you will learn a lot from me like,
The rich man with his son on his mule.

Have you not heard that i am very rich? !
Then, try to learn the lines of my muse when it touches you;
For Yahweh has brought me laughter and joy.

Edward Kofi Louis
Albrecht

Your love to me is like the research of the Nile,
And like the expectations of the red sea!
But I am always like the palm trees around you.
Albrecht is your name and I want to know more about you,
And like a tree and its roots;
For I have the flowers of love in my hand.

Edward Kofi Louis
Alda

To the Harbour River where my lover is standing and watching,
To the harbour River where my love is standing and wating for me,
But i am around to show Alda the beautiful side of this town;
For, i do feel this love around me like to fill a bottle with water!
However, there is a natural muse of love blowing in the air.

Edward Kofi Louis
Alderdice

Guide me if you can on this path of love,
Lead me if you will on this way of love,
And like an inconspicuous act to the nomenity of the woods!
But i am like the secret garden in the forest waiting for you.

I am okay with a bottle of wine and to love you,
Because you are a worker of my vineyard of love;
And in the brightness of the day i will look for you.

Acknowledgements and of the illustrations of my mind,
But in the jungle of love with no directions to look for you;
And to enjoy the tranquillity of life out there with you alone,
For the path of this love will surely lead you to my heart.

Expeditions, privacy and acts!
Let the mountains of love meet you my love;
For you are Alderdice with the figure of speech on this love,
But lead me if you will on this way of love.

Edward Kofi Louis
This is the extend to which we are going,
Alongside with love to satisfy your muse;
But a spokesperson is now needed on this issue,
And i have more impetus on this love than ever!

I am Aldo and i know my limits,
But the day after 21st December 2012 will be like the end! !
And my love will lead te way like the time of war;
But, who can stop this muse?
As the fair haired sun rises up in the sky!

Edward Kofi Louis
Alert And Growing

To change times,
Prophesied,
The diving of time,
Stirred up!
The first beast was like a lion;
And like what is seen around us today.

Condition,
Unusual,
Unlimited,
Seemingly!
But the second beast was like a bear;
And like what is seen around us today.

Broken,
Deteriorates,
Country, try, fry, cry, wry, dry! !
Midas touch;
But the third beast was like leopard!
And like what is seen around us today.

Uncontrolled illegal lust of the Gods and the Goddesses of Hollywood!
But, start reading the Holy Scriptures to keep your mind alert and growing;
For, this world is now with the negativities of mankind.

Edward Kofi Louis
Alert! !

Red! !
To the highest level;

Alarm!
Terror alarm;

Alert! !
To the highest level;

Bombs! !
Terror Attacks;

Within the heart of Europe,
In Belgium (22nd March 2016).

Edward Kofi Louis
Hello 'Alexander Kofi',
I still hope you are doing well;
But, it is a very long time that we've met.
Alex, i hope you are alive and kicking;
Like the life in Accra during spring time.
Greetings to you, your wife and your children;
Like the autumn wind in Kumasi!
But, you shall not eat flesh with its blood in it.

Edward Kofi Louis
Read it if you can,
And remind yourself if you will;
Because this message is from a friend far away!
Try to remember our schooldays in Nima,
Like the places for the parrots to eat for free;
However, we are grown-ups today to care for our children.

To begot and be begotten,
But Yahweh knows all things;
So do remember the days that we shared in Nima!
Try to look for me in your leisure time,
And do extend my regards to the people around you;
But like Pharaoh's place of women,
Your name is Alex Buah.

Edward Kofi Louis
Alexana

It went through,
And the rivers of love satisfied your muse;
But time will probably be spent on this love,
For the muse of your love is very interesting!
But you are Alexana in the land of care.

Edward Kofi Louis
Alexandra

Oh Alexandra!
Your sweet love will sustain my old age;
And like a priest with his diviners,
You are the right food that i need on this love.

Come to me oh Alexandra!
Come and sustain my old age;
For i have grain and wine to satisfy you.

Your sweet love is like the due of heaven,
And it will make me fell better all day long;
So come and sustain my old age.

Edward Kofi Louis
Alexi

Alexi, Alex, axe, Ali, ale!
A petty trader,
Living in an apartment;
With a friend,
And, with the peace of the mind.
The muse of life!
To do what is right and to move on;
For, we always need peace on this earth,
And, true love can change everything.

Edward Kofi Louis
Alexis

Sensitivity,
And of the love we shared last night;
But we all need somebody to lean on in this life,
And like the sweet bells of love in the name of your muse.
Ask for the food of love and i will offer it to you,
For i have been praying for someone like you;
And think deep and see what love can do for us,
Because love goes to where it belongs to!
Alexis,
You are in my dreams and you are the one for me;
But i have the character and the ability to sail on with you,
For your love is very sensible to my heart.

Edward Kofi Louis
Alexis II

This message is to every Tom, Dick and Harry!
And like your sweet muse being exposed for the first time;
However, believe in yourself always.
The magical words,
The magical works,
The magical moves,
And like Alexis my lover;
But, how can i go away when i am still in love with Alexis?

Edward Kofi Louis
Alfred

You are like the untapped love with torns and,
I am like the unused paradise in chains;
But, what had to be done should be done on this love.
The future matters and i have you in mind,
But you shouldn't hide behind the walls of Jerusalem!
For the requirements on this case can never be told.

From the Ottoman Empire to the present Empire in Rome,
I am courageously motivated to love you forever;
But, what had to done should be done on this love.
Alfred, my love to you is alaborated into extrem positions;
And, with a crude periscope through the dark tunnel,
But i will live on this love with you alone.

Edward Kofi Louis
Alhaji Ali

The hatred of one person could lead to the hatred of all,
But Alhaji Ali is here to teach us peace;
For the love of one person could easily lead us to love others as well.

Edward Kofi Louis
Alhaji Aliu

Dancing troupes,
Of a party fit for a King;
But, i will wait for Alhaji Aliu on this issue.

His words are like beaded necklace around my neck,
And his frame of mind is like the great mountains!
For the dancing troupes are also like the honour of Alhaji Aliu.

Edward Kofi Louis
Alhaji Musa

Hunger and poverty is written all over the landscape of wars,
But Alhaji Musa will give us the hope to move;
And, i will always be closer always to get my share of the cake.

Do we have Insurance Companies in Bagdad? !
Then, they should tell me how many dead bodies they've insured;
For tears run down my eyes daily after many bombs on this land.

Hope, that is the message we had from Alhaji Musa;
But, the days come when our hopes will die out soon.

Edward Kofi Louis
Ali

Your love is so express to me and,
I will always die in your sweet arms of care;
But when the early birds do sing,
I will sing along with them to praise this sweet love that we share.

Ali, your love is like the winter of love;
And i am ever ready for you too.
Please, come to me my sweet one;
Come and warm me up in this cold winter night,
For my lovely body waits for you.

Edward Kofi Louis
Ali Baba

U.K. lovers!
Don't tell it to anyone because i will never grow old;
American lovers!
You can't live like this when my name is now known to you;
Asian lovers!
There i met the roots of your family way of life;
Australian lovers!
Singing and praising the muse of lust when i was around;
African lovers!
From head to toe to call on my name;
But today, i am like Ali Baba in the land of my muse! 
However, many of you are still searching for me.

Edward Kofi Louis
Alice

Get drunk and get high!
All in the name of poverty;
And the Black Continent needs help from you.
From Cape Town to Cairo,
From our ways of doing things and to learn from others;
But, true is not for sale at any given time.

Living in the land of wine and with red wine at hand,
But where is Alice from 'Cape Of Good Hope'?
District 6, of things done to be remembered again;
And like Robin Island in South Africa.

Come and let us enjoy this 'Rasta Party'!
For the tree of love has shaken its fruits;
And, who is ready to eat them?

Alice! Where are you?
For this people are from a different race;
And I am living among them to share a view.
Many things around are very strange,
But my mind will lead me always to the truth;
And, I am only studying how to eat and work with them.

In the name of poverty I have to pray,
And in the name of love I have to care;
For my hope around this place is like,
Alice’s wonderland of love where the muse muses!

Edward Kofi Louis
Aliens

A glass of beer and the smoking of cigarettes!
What is the meaning of your name and,
Where do you come from?
For, you are either black or white around me;
However, whether you like it or not,
There are illegal people all over the world today in every country.

We are all aliens in this world and,
I am only here in your land because of your love;
But, the words of my parents will always guide me on.

Campus life,
My love to you is like Disneyland!
But, the rain came and i was lost on my way;
However, i will always remember your muse.

Cottage grove,
Coconut grove,
And like the sun's rays through these green leaves;
For the wind of Autumn is now around me,
And, the streets are now empty.

Aliens on this earth,
There are illegal people all over the world today in every country!
And like a cup of coffee with sugar and milk;
But, i am in this small village to think of my life.

Aliens everywhere! !
With a cap on my head and a cup of tea beside me;
But think about it and be very wise!
For, we are all aliens on this earth.

Edward Kofi Louis
Aliens In Spirit

I am passing through the Valley of Tears but,
Smooth as butter are the words of your mouth;
And your beauty shall be consumed in the grave one day.

Aliens in spirit,
And like a snail melting in the sun without love;
But be exalted to what you have because,
Your traps are like the venom of serpents in the bush.

Edward Kofi Louis
Alima

I am too old to have a husband and,
I am still unmarried;
So I keep on crying looking for my lover,
For I want to be with a man before my death.

To the land of the east,
To the land of the west,
To the land of the north,
And to the land of the south;
Yokshan begot Sheba and Dedan but,
Who will come to my aid?

Seven ewe lambs,
To the well of the oath;
Of a Tamarisk tree,
To the well of the seven;
And I am still in the wilderness of Beersheba like,
Alima in the wonderland of husbands.

Edward Kofi Louis
Alimentary Habits

Alimentary habits,
And of the offal of the meat!
Black coffee; no sugar and, no cream.

Oh birds of the air!
With no cream to add up to my muse so sweet;
And to control the people around me;
For, they are extremely difficult to understand.

Edward Kofi Louis
Call in Alin and let me open up the book of love,
For outside are many who still do not understand what love ia ll about;
And, hatred had eaten them up! !
But, who is really ready for peace on this earth?

Edward Kofi Louis
Alina

To separate the girls among the women,
I am in the land of love to meet Alina;
So let me find honour in your eyes my sweet one.
My heart is merry because of your sweet love,
So let me find favour at your home my sweet one.
Bath and anoint yourself with the aroma of love,
And let me be accepted in so easily my sweet one;
For i am thirsty for your love.
Alina, you are the pleasant one to my heart and,
Let your people be mine too my sweet one.

Edward Kofi Louis
Alina, I Love You....

Alina, i love you and i don't want to lose you;
Alina, i love you and i don't want to miss you;
But tell me why Methuselah lived 969 years old,
For you are so beautiful Alina!

The portrait of your love is her to stay and,
It will relax my bones as long as i do see you;
So do say the words of love and stay with me,
For true love is what we do share now.

Edward Kofi Louis
Alisa

This is your poem my love,
So you can tell everybody about it;
For i am deeply in love.

My doorway meets the rising sun and,
The east wind will meet you my love;
For you are the one for me in this life.

Upon you i will deserve my love than others,
For your love is sweeter than others!
And you are very innocent as a new born baby.

A woman who is delicate as an egg will,
Melt away so easily when touched with love;
And Alisa my only love,
You are the type around me in this life.

Upon you i will build my love's Castle,
For my doorway meets the rising sun;
And i will do anything to make you glad always.

Edward Kofi Louis
Alisha

Alisha, sail, Ali, Lisa, as, hail, ash, as, his, hails!
Going along with life to search for your identity on earth;
Flowing with nature and, floating with the fragrance of love.

Edward Kofi Louis
Alison

My wife is at the maternity ward and,
I have some lessons to learn;
But who can turn back the hands of the clock?!
For she is about to deliver a baby and,
Alison her friend is around as well.

Edward Kofi Louis
Alive

Life!
Live,
Alive,
Living;
Facing the odds.

Edward Kofi Louis
Alive And Kicking

Love and pain! !
Still alive and kicking;
Going through life,
With the troubles faced in loving you.

Edward Kofi Louis
Follow your mind and your dreams,
But technology changes everything;
And i am like the prisoner of love inside you.

I am the brave warrior on your love and,
The accumulation of your sincere love matters to me;
For you and i belong to each other.

A fascinating visit ona fascinating tour!
Temporized by the status of the realms;
And i promised to be your best friend.

I am doubling my imaginations like Dublin,
But i have the zeal to meet your heart;
And i promised to be your best lover.

Take it or leave it,
For you can't jump over the truth!
Because we are in love and,
I know the muse of your heart my sweet Aliyah.

Edward Kofi Louis
All About Life

You have it,
I have it,
They have it,
We have it,
Something very special! !
It's all about life.

Edward Kofi Louis
All About My Love

Take it of leave it!
For, it is all about my love;
Oh my sweet lady! !
I am the man that you are looking for;
Oh my sweet lady, don't cry!
For, everything is going to be alright because i love you.

Edward Kofi Louis
All About You

Time, history, traditions!
A beautiful day on your Island of love;
Life and joy!
With the purity of the movements of the colours;
But the cockroach might have gone that way.

Conversations! !
Random;
But, within the People,
In the land of your muse.

Love!
Very postive and very cheerful;
Life!
Like trivial trends and the muse of love,
And like the Encyclopedia Britannica;
But when you forget my name,
The galaxy of love will figure it out.

Life and joy!
With the mystic moves of love;
Peace!
You are framed like the figures from Finland;
And painted partly pale like the Ads of America.

Along the muse of love,
In again!
But, try to be very terrific in bed when it really matters most;
Gain, again!
With the sweet muse of your mind and, of the beautiful flowers around you;
For, the muse of love is all about you and your lover.

Edward Kofi Louis
All And Sundry

Disorders!
Compromising,
All and sundry;
But, the truth is like the salt of the earth! !
So, we need the truth like we need the salt.

Sun, sundry!
Your brain is the powr house of your body;
So, use your brain wisely.

Dry, sundry!
Count on the works of the truth and,
Live with righteous works;
Why waste your brain? !
Use it wisely on a positive note.

Edward Kofi Louis
All Around

War and pain!
Sorrow and destruction;
With dead bodies all around.

Edward Kofi Louis
All Around The World

All around the world with my mind,
All around the world with my works,
All around the world with my love,
All around the world with my care,
All around the world with my peace,
All around the world with my teachings,
For we are all one!
And i have my mind at peace to all.

Edward Kofi Louis
All Around Us

You feel safe calling me because,
I always water the muse of your love;
But influences are all around us,
So don't be caught unprepared!

Edward Kofi Louis
All By Myself

Alone,
All by myself,
Struggling along,
Alone,
In this life;
All by myself.
Whether i do fall or,
I do rise up!
I am always by myself;
Struggling along,
Hustle and bustle! !
All by myself;
In this life,
With no one to help me.

Edward Kofi Louis
All Confused

He lied to her and slept with her,
She lied to him and slept with him,
And the pregnancy came and they were all confused!

Edward Kofi Louis
All Day Long

Love,
To belong to you;
In the morning, afternoon and evening!
All day Long.

Stroll, roll!
Looking for it,
Getting it,
And, using it.

Love shares,
Love gives,
Love cares;
With the sweet muse of joy and gladness.

Edward Kofi Louis
All For All

Peace, love, unity, joy!
All for all;
Leading each other,
As a team,
With servitude and attitude!
To overcome selfishness.

All for all,
Like a team;
The team,
With one voice;
And, with a fair play.

Living in life according to love will always brings you peace;
So, free your mind and search for the truth!
Which is able to lead you to righteousness.
Cine, cinematic!
However, living in life according to love will always lead you to peace.

Edward Kofi Louis
All For Love

Dream it,
And have it;
All for love.

Edward Kofi Louis
All For One

Won't somebody hear my call?
Won't somebody hear my cry?
One for all,
All for one;
Be ready for the bottling of my muse.

Like father and son,
Like mother and daughter,
Hear me when I do speak.
Something for somebody,
Somebody for something;
My sweet muse is for you all,
Like a male lamb for each house.
One for all,
All for one;
Like a story from my sweet muse.

Won't somebody see my tears?
Won't somebody feel my pains?
All gave some,
Some gave all;
All for one and one for all!
Allowed to be wet,
Allowed to be strong;
All for one,
One for all.
To a single passage,
To a sweet muse;
The origin of the call out ones,
Like a sweet muse to your taste.
One for all,
All for one;
All Mushrooms are Fungi but,
Not all Fungi are Mushrooms.

Edward Kofi Louis
All For The Woodman

The muse of life,
From woman to woman!
And, all for the woodman;
But, when will i feel like a woman again?

Oh no! !
Now woodman no woman;
But, how is the muse of the man who has lost his wife?

The muse of life!
The world is a place for you and i;
But, how is the muse of the man who has lost his wife?

A woman for the woodman!
How is the muse of the woman who has lost her husband?
With sadness and grief;
From woman to woman.

Edward Kofi Louis
All I Need Is........

All i need is the food that i eat and to love you,
All i need is the room that i sleep in and to love you,
All i need is the air that i breath and to love you,
All i need is the water that i bath and to love you,
All i need is the fish that i eat and to love you,
All i need is the letter that i am writing and to love you,
All i need is the meat that i eat and to love you,
All i need is the tea that i drink and to love you,
All i need is the river that i swim in and to love you,
All i need is the seed that i plant and to love you,
All i need is the bed that i use and to love you,
All i need is the water that flows beside me and to love,
All i need is the bed of roses and to love you,
All i need is the garden of love and to love you,
All i need is your valley of love and to love,
All i need is the kiss of your lips and to love you,
All i need is the peace around you and to love you,
All i need is the care that is around you and to love you,
All i need is the muse of your love and to love you,
All i need is the rainbow up high in the sky and to love you,
All i need is the deep blue sea and to love you,
All i need is a well laid bed and to love you,
All i need is a lovely boat and to love you,
All i need is the romance of your body and to love you,
All i need is the nakedness of your body and to love,
All i need is the sweet blues of your love and to love you,
All i need is the sweet songs from the birds and to love you,
For life is all about the true love around us.

Edward Kofi Louis
All I See Is You

Love,
All i see is you;
Beautiful woman,
You are all that i need.

Edward Kofi Louis

Ocean's edge!
All in a row;
Cap, capturing!

Leaves,
Nations,
Love,
It is now time to shine!
Because, she did everything she could;
To help you succeed in life.

Love,
Very romantic!
With the muse of the truth;
For, no gift is more precious than the truth.
Nations,
Limits,
Mercy,
Compassion;
Joy;
All in a row!
With the muse of your love;
And, with your works.

Edward Kofi Louis
All In All

This not like to say that, 'I like you';
But rather to say that, 'I love you'! ! !
For you are all in all for me on this love that,
Many around us are very jealous.

Edward Kofi Louis
All In Yahweh's Way

Self control,
To fix this problem;
Today!
Right now;
But, let us work together.
Of the problems of this world!
Character Education;
But, all in Yahweh's Way.

Edward Kofi Louis
All Is Set

Bet!
All is set;
Let,
Pet,
Net,
Met,
Get,
What you want.
Sent,
Went,
Wet!
Yet,
Nest, best!
West,
All is set.

Edward Kofi Louis
All Mankind

In You the fatherless find mercy and the motherless hope,
But I am like a tool in Your hand to lead the way for others;
For Your undeserving kindness is towards all mankind.

Edward Kofi Louis
All Men Are Brothers

Waiting for you,
Writing for you,
Singind for you,
Learning for you,
Working for you,
Busy for you;
But, love is sweet! !
And like the sweet apples in the land of your muse;
But, all men are brothers.

Edward Kofi Louis
All Men Are Brothers

All Men Are Brothers

Borthers, bothers, others!
But all men are brothers;

The muse of the truth,
With the natural acts of nature!
To face the facts of life,
With positive morals.

The truth!
To lead you on and to show you the way,
With great joy and peace;
With the works of righteous morals,
With the muse of your hope,
In the faith!
Moving on,
Always with a positive mind.

Life,
With the laws of peace;
On this earth,
Following after the truth! !
The works of the truth;
With peace and love,
Because, all men are brothers.

Edward Kofi Louis
All Mine

If i do sleep,
I will always think of you;
And if i do wake,
I will always think of your love;
Because of what you gave me last night.
You filled my soul with your true love,
And you are all mine;
My sweet lover,
I am always there for you.

Edward Kofi Louis
All My Enemies

The sea speaks and the mountains learns,
But to swing around like the harlots are your ways;
However, wisdom is a free gift and, it is always around you.

What is my iniquity before you?
What is my sin before you?
For, you have now broken the bond of this marriage! !
And, you are now playing the harlot.

May this water below be a curse to you! !
And let me rest my mind from all the odds around me;
Because, all my enemies will be called to account for their acts one day.

Edward Kofi Louis
All Night

Thing, thigh!
On a journey,
To come to a certain place,
And, to stay there all night;
Oh! ! How wonderful is this place of love.

Edward Kofi Louis
All Night 2

The dew lies all night on the branches!
And, the truth pread out on the waters;
Fresh with the glory of love! !
Blessing the ways of nature.

Edward Kofi Louis
All Night Long

She was not there! !
But, i was there;
Waiting for her,
All night long.

Edward Kofi Louis
All Night Long! !

All night long! !
With the only light on;
Bright light of true love,
With the insight of your true love,
The sight of peace!
All night long,
Along the right path of the truth,
With the joy of your heart,
Sweet love!
Dreams of dreams,
All night long,
Dancing with the truth,
Singing out lovely, in loving arms,
Backed with the one you really love.

Edward Kofi Louis
All Of Us

You are!
I am,
We are;
With the muse of all of us on earth,
Going through life in many ways! !
But, let us allow hope to lead the way.

Edward Kofi Louis
All Over

The dress of the lady,
The cloth of the lady,
Covered!
All over;
And, to see her eyes onl.
Morals,
With the dress of the lady;
Morals!
With the cloth of the lady;
Covered!
All over;
Without exposing her nakedness to the public.

Edward Kofi Louis
All Over My Soul

Deep love!
All over my soul;
And, here i am with my works,
Trying to tell you who i am.
Here i am with you,
In love;
With the muse of peace,
And, with the joy of my heart!
Still with you.

Edward Kofi Louis
All Over The Earth

Dappled and bay horses,
Four chariots came out from between the two mountains!
And like the wind of war being held aback,
But one day it will blow all over the earth.

Edward Kofi Louis
All Over The World

My works,
My muse,
My mind,
To influence the world!
With my style,
The act of my poetry;
All over the world.

Edward Kofi Louis
All Over The World

Africa,
Asia,
America,
Australia,
Europe;
All over the world!
You can find my works of love;
In the name peace,
From a lovely mind.

Edward Kofi Louis
All Over The World  2

Wickedness!
Like the days of Noah;

Violence! !
Like the days of Sodom and Gomorrah;

Mankind destroying the world with evil works,
With the acts of terrorists seen all over the world.

Edward Kofi Louis
All Over The World  3

Fear of sudden terror! !
All over the world;
And so it begins!
Every now and then;
With death and destruction.

Edward Kofi Louis
All Over Your Face

You've not taken in alcohol!
But, you're drunk in the garden of love;
Because, sweet love came in and,
There is smile all over your face.

Edward Kofi Louis
All Positive Words

All positive words teaches many like the birth of nature!
To come out,
To burst forth;
But, a mouth full of lies leads you nowhere! !
For, the gossip of this world had killed many.

Edward Kofi Louis
All Souls

All souls,
Just;
Doing what is right,
Mankind!
Lawful with the works of peace.

Edward Kofi Louis
Come for my love and i will give you all that you desire from me,
But not like the trails and the tears of your past;
For this is a well calculated act to satisfy your muse.

On board the ship and come to me my love,
For many tears will not lead you on;
And like the acts of a crafty man! !
But wake up and let me tell you the truth,
For my love is prepared for you alone.

All that you desire is what i have,
All that you need is what you see,
So come and lie down on my bed of love with the peace of your mind;
For i am in the third story waiting for you,
Because your muse touched my heart this morning!

Edward Kofi Louis
All The Colours

The muse of life,
The ways of nature!
Creaction,
With all the colours seen around! !
Muse,
Use,
Fuse,
Infuse;
To enter into the fortress of love.

Edward Kofi Louis
All The Days Are Not Equal

Just get mwe out of your mind if only if,
I am not the one you are looking for;
And do bear in mind that,
All the days are not equal!
But i have done enough for you already.

Edward Kofi Louis
All The Days Are Not Equal

24 hours make one day,

7 days make one week,

But all the days are not equal;

Days of joy and, days of sorrow! !

Facing the odds of life,

With the problems around!

Overcoming evil acts with positive morals.

Edward Kofi Louis
All The Days Are Not Equal! !

All the days are not equal! !
With bad days and better days at hand at times;
But, you have to live by them to enhance and educate your status!
However, we were made to follow the rules of life.

Edward Kofi Louis
All The Fingers Are Not Equal

One should be the head and,
The other should be the servant;
Because, all the fingers are not equal!
And like your love behind the veil,
But who the cap fits should always wear it.

Edward Kofi Louis
All The Fingers Are Not Equal! !

The nature of things,
The rule of life,
Some may find things easier than others in this life;
Because, all the fingers are not equal! !

Edward Kofi Louis
All The Hatred Around Us

I am a target!
You are a target!
He is a target!
She is a target!
Because of the hatred around us.

Edward Kofi Louis

The young boys and the young men cannot control it;
And, all the young girls are becoming pregnant.
Lust! !
The men and the boys cannot control it and,
All the young girls are becoming pregnant.
Premarital sex!
Leading my people to fall away;
And, all the young girls are becoming pregnant.
Lust! !
The young girls are now without their virginities because,
Memeber, remember!
They are all raped and made pregnant;

Sex! !
And, all flow in there in the name of lust;
With teenage pregnancy all around us today.
He is ready to destroy your virginity in the name of lust! !
And, you will become pregnant without a father to take care of your child;
For, the boys and the men are ready to rape you;
All in the name of the lust in this world without true love.
Bits, habits!
All in the name of lust without love;
Member, remember!
All the young girls are now becoming pregnant around us today;
For, men and boys are not allowing the girls to grow up to be married in a proper way!
Just for lust! In the name of premarital sex and rape.

Edward Kofi Louis
All Through

Rough,
All through,
Tough! !
Thorough,
Although;
See!
A gentle kiss of the sea.

Edward Kofi Louis
All Will Be Well

Will, well, wall!
All will be well;
So, don't give up on your dreams!
Move on and be straight,
Try to wake up once again after any fall.

Roar, oar!
Suggested;
To come into the game,
With the muse of the final procedure! !
And to wake up after any fall along the way.

Edward Kofi Louis

The muse of your life in the land of many people! !
But get hope and move on,
For, a man got to be a man in times like this.

Edward Kofi Louis
All Women Are Sisters

Learning for you,
reading for you,
Singing for you,
Eating for you,
Writing for you,
Waiting for you,
Cooking for you;
But, all women are sisters!
And, like the joy of your love in the land of the living;
But, you will always look for me.

Edward Kofi Louis
All Women Are Sisters  2

Muse, life, love, peace, and unity;
All women are sisters!
With the muse of creation,
Under the eyes of the universe,
With the righteous keys of life;
All women are sisters,
In searching for the gold inside the ways of nature! !
Unity is the key,
With servitude and attitude;
And the gratitude of the glory of peace.

Edward Kofi Louis
All You Need Is Love

Life,
All you need is love;
Which brings in peace and gladness,
Than hatred and war.

Life,
To occupy the land legally;
Without the bullets of war!
Because, all you need in this life is love.

Love,
Before heaven and earth!
Stop the hatred and war around you and live;
Because, love is so beautiful.

Love is joyful!
And, to love is all that we need in life;
Caring for each other and, sharing with one another.

Edward Kofi Louis

All you need is love;
Being in unity with the sounds of the law,
And, the ways of righteousness.
Sunlight! !
With the ways of humility;
Under the eyes of love and, doing what is right.

Edward Kofi Louis
Allen

This is your name forever!
And of the love that we shared last night;
For this city that is set on the hill cannot be hidden.
Shalom! Allen is your name and,
You are in the midst of my love;
And Yahweh will guide you on to know my heart.

Edward Kofi Louis
Allen II

You can improve on whatever you know,
And you can gain your future if you are ready to learn;
But take your mate's concerns seriously like Allen my friend.

Edward Kofi Louis
Alles Anders

Mercedes hat den Smart und BMW hat die Isetta,
Aber alles guten Dinge sind drei!
Viel Geld, Viele Probleme und ein bisschen einsam;
Aber wer erst spät zum Stern findet,
Hängt besonders daran.

Das erste Mal,
Zeitlos und Gefühl;
Aber im jammern sind die Deutsche Weltmeister!
Und heute Nacht ist alles anders.

Edward Kofi Louis
Alles Klar

Tagesordnung,
Im Dschungel!
Erinnerung,
Kraftvoll,
Gegensätzlich.
Es war einmal!
Aless klar;
Eltern an Bord,
Und schon anders.

Edward Kofi Louis
Alliances

Fathomless,
Persuasive,
Auspicious,
Harmonious alliances;
When your light goes off,
I will put my own on.

Edward Kofi Louis
All-In-One

The destination,
Your goal;
To reach to the end of it,
All-in-one.

The muse of life!
With the blues of love when,
The sea is blue;
And, with your hard work in the town.

To touch you!
With the muse of love;
And, with the spirit of a bard,
Writing his poems along the line.

Life,
Like the traffic light invented 100 years ago;
With the rules like the rules of life,
As one grows with anture.

Muse, life, love, peace, joy!
All-in-one;
With the rules and with the laws,
Under the muse of the truth.

Edward Kofi Louis
Alliteration

Alliteration, nail, train, tone, on, are, era, ear, no, tail;
Credit for offer!
In the land of your muse;
But, i need the way to a peaceful home.

Alliteration, Ali, all, alien, eat, ate, tea, one, ton, not, tear!
But, down with my sinking boat;
All in the name of the hatred around me.

Alliteration, rat, rate, ion, , neat, tar, art, rain, near, ill, tale;
Vicious, precious, righteous, spontaneous! !
All in the name of your love in this town,
But, my way will always lead to a pleaceful heart.

Edward Kofi Louis
Allow In The Truth

Passage of Love,
The arrow of hatred is not needed;
Shallow, marrow, swallow!
Allow in the truth.

Age, stage, sage, language!
Luggage,
With the new page of life;
To follow the truth.

Edward Kofi Louis
Allow It

Allow it,
Follow me,
Like a cow seen in the low land;
On the narrow path of love,
And to hallow your mind;
With the act of peace.

Edward Kofi Louis
Allow Me In

Allow me in,
Allow me into your heart;
Take me as your own,
With peace and love.

Edward Kofi Louis
Allow Me To Live

Allow me to live,
Allow me to learn,
Without hatred and war! !

Edward Kofi Louis
Allow Me To Write

Shallow
Wallow
Swallow
Follow,
Fellow,
Smile, mile!
Apple time,
Sample, example!
With my works to the world;
Hollow,
Hallow,
Callow,
Fallow,
Allow me to write;
To heal myself with my works,
Because, i've been too long in the rain.

Edward Kofi Louis
Allow This

Righteousnes! !
Allow this now;
For the peace of the earth.

Perceived!
Received;
With the faith from the works of the truth.

Of a great wonder! !
Only with the muse of the truth;
Coming to you,
Because, the truth is forever.

Edward Kofi Louis
Alludes

A millstone,
Alludes,
To this place,
But twenty-one years long in the land of war! !
Throughout day and night,
But besieged is the muse of your love.

Edward Kofi Louis
Allure

Allure!
The switch,
With the witch;
The pitch,
With the hitch;
But, a stitch in time saves a life.

Edward Kofi Louis
Behold!
The muse of nature;
It is coming! !
So ally yourself to my love;
For, the rivers in this town are now dried out,
And, i am here to save you.

Shakespeare came and wrote;
And now, it is my time!
My time with the muse of love,
So, desire the teruth more than silver and gold!
For, the truth is sweeter than the honey and the honeycomb.

Negative characters and the destrucions from war will,
Never bring us peace on this earth!
So, ally yourself to my love;
For real!
For peace and joy;
Under the muse of righteousness.

Edward Kofi Louis
Alma

Keep the fire burning with your tender love,
For your love is like the river running so deep in my heart;
And i can't ignore the electric eyes of your's.

Alma,
Yr love can make a difference!
And you are everything that the muse brought to me tonight,
For trust is the key word of love.

Trust in yourself and be yourself,
And try to praise the infinite world of your mind;
For your heart flows to where it desires.

You are the footprints of my love,
And of the floating poetry from my heart;
But the final lap of our dreams will be filled with your love.

Edward Kofi Louis
Almon

Almon, man, on, loan;
Pleased with life,
By doing what is right!
With a positive report.

Edward Kofi Louis
Almond Flowers

Almond flowers,
With buds and blossoms;
Seen around,
In front of the Balsam trees.

Hedges, edges!
Mercy and glory;
Uprightly with the muse of nature,
Seeing the Almond flowers.

Edward Kofi Louis
Almug Wood

Steps of almug wood,
True love will always give you whatever you desire!
Like an ivory overlaid with pure gold.

Edward Kofi Louis
Alois

Alois, is, as, soil, oil, sail, Ali;
With the muse of love and,
With the muse of life!
Sailing along the river of joy;
With your mind and,
Your peace.

Edward Kofi Louis
Alok

Can we move on peacefully on this love tomorrow?
Tell me if you can and i will be around you;
For i want us to meet tomorrow!
Because, your name Alok is all over me.

Edward Kofi Louis
Alolome

Alolome, mole, Lome;
Along with nature,
Along with your life,
Respect is the key!
Able to bring us peace than war.

Edward Kofi Louis
Alon

Going across the river,
With the muse of your love to guide me on;
But it means a lot to me because of the state of your mind!
For your lips have now spoken the truth to Alon my friend,
And I am ready to bring him on board as well.

Edward Kofi Louis
Alone

One,

Lone,

Phone.

Edward Kofi Louis
Alone At The Corner

Home, Rome!
Exactly at the point where your love is;

Dot, spot!
With a chocolate in your hand;

Blow, low, bow!
Watching you sitting alone at the corner.

Edward Kofi Louis
Living,
Alone in my world;

Loneliness,
With no help at all!

The muse of life and the works of nature!
Hoping to come out one day.

Edward Kofi Louis
Alone In The Forest

Alone in the forest,
Alone in the rain;
Searching for my way out,
Only with hope!
Facing the ways of nature in the forest.

Edward Kofi Louis
Alone In Your Room

Love,
Please, were you able to sleep well last night?
Alone in your room.

Edward Kofi Louis
Along The Coast

Poetry!
Written with the sweet muse of my mind;
Sharing in peace with my friend called Yahnathan.
Living!
The end is at hand;
As mankind struggles to make ends meet.
Love!
Along the coast with the peace of my mind;
And, with the muse of the breeze.
Life!
In various lands,
Guided with the muse of the laws;
And, to live with the truth.
Poetry!
Learning the ways of peace with the muse of love;
And, by doing what is right always.

Edward Kofi Louis
Along The King's Highway

Moving on,  
Along the king's highway,  
Not to turn to the right or to the left;  
Direct!  
Straight ahead,  
Forward ever,  
By the way of the Red Sea.

Edward Kofi Louis
Along The Lake

Lover bells!
With mountains along the lake;
Abstracts,
Desires,
Of those beautiful eyes;
Royal fruits,
Royal love,
Vintage! !
Age;
Of the passage of love,
Holding hands together.

Edward Kofi Louis
Along The Line

Desert sand,
What is under your sand?

Art and Mathematics,
Close, prose, rose, pose, propose, purpose!

With the muse of coal miners and gold miners;
Folly, fully!

Like the lotus and papyrus,
With the muse of the green crab seen around.

It was secret,
With the echoes of your sweet love;

Pen, den!
Along the line;

Blue, clue, glue!
To stick together;

Caring, sharing, living!
With the muse of nature.

Edward Kofi Louis
Along The Lines Of Life

Synthesis,
Photosynthesis,
Along the lines of life;
Sylph,
Nature! !
With the beauty seen around.

Edward Kofi Louis
Along The Lines Of Your Dreams

Spiralling!
Screening,
Giggled;
A long love of passion,
With the architects of your mind.

Her passion!
His passion;
Love,
Always having a place in your heart.

Geisha,
A seen of humour!
Though young,
To make a home,
With the muse of the laws laid down.

Pushing for more! ! !
Licensed to work;
With your day-to-day activities,
Along the lines of your dreams.

Edward Kofi Louis
Along The Musical Chairs Of Life

Once given,
Clearly noted;

Once beaten,
Clearly seen;

Once upon a time!
Along the musical chairs of life with your mind;

Not even once, twice, it trice! !
Facing the ways of life in your land.

Edward Kofi Louis
Along The Passage Of Love

I always take it out when it is less;
Just to create space for another package;
Vintage, advantage!
With the muse of my age;
Along the passage of love.

Edward Kofi Louis
Along The Path Of The Truth

Life!
With the breeding of love and righteousness of the heart;
And, with the truth leading the ways of life.
Love!
Suitable for your heart and,
Bringing you peace always without the muse of war.
Life!
Along the path of the truth and,
Showing you what is right always.
Life!
With the breeding of love to the righteous people and,
To overcome the muse of the hatred in the world today.

Edward Kofi Louis
Along The Queen's Highway

Moving on,
Along the queen's highway;
Diligent to speak the truth,
So, arise and listen! ! !
Moving along,
With my strength like a wild ox;
Able to write out my mind,
With the muse of life.

Edward Kofi Louis
Along The Ridge

The scourge!
The slaughter;
With his rod on the sea.
Terror!
In the land;
Seen afar off from the coast.

The scourge!
The slaughter;
Along the ridge,
With the view of the bridge.
Raid, afraid!
To seek refuge;
Because of the terror in the land.

Bridge, ridge!
Particles,
List, fist, mist!
Cunningly,
From the Islands of the sea;
Dark, ark!
But, the truth is already known;
For, a picture is wealth more than thousand words.

Edward Kofi Louis
Along The Road

The flood! !
IT is so dark that you cannot see;
So, do watch your steps,
Along the dark path,
Your route,
Along the road,
To wrap yourself with the muse of the truth.

Edward Kofi Louis
Along The Yellow River

Service,
Very positive!
Leading to success;
But, you are now sailing along the Yellow River,
All in the name of love.

Apparel, appear, pear, ear, pale, peal, pea, lap, pal, ale, era, rap!
With the sweet muse of your love along the Yellow River;
But, you still have hope for the future,
Because of the harmony of this river.

Edward Kofi Louis
Along With The Path

Love,
Along with the path of the truth;
Searching for peace,
Leading to joy and gladness.

The muse of life,
As a result of your love;
Like the muse of an antelope,
In the bush.

Love!
In a relative development;
Along the path,
And, with the muse of the truth.

Edward Kofi Louis
Emotional farewell,
I love you and i need you;
Emotional farewell,
I love you like my heart!
However i am made only to help you climb up,
For my feet are now fixed to the ground.
I have seen the green leaves of love,
The very ones that you are looking for;
And i am ever ready to share my fruits of love with you tonight.
Cme and climb on top of me,
For you will see better than ever before!
There and then you will be able to pluck the sweet fruits of love.
Emotional farewell,
She came to help me but she trapped me with her nakedness!
But i have to acquire the legal documents on this love,
For i am called Alonzo and i walk along with my black cat always.

Edward Kofi Louis
Aloui

Passive, pensive, lucrative, expensive, receive, deceive!
And like the drink that you gave to your wife;
But, the shady oaks are now clear to us today.

Attractive, active, submissive, massive, reactive, arrive!
And like a metal barrier;
But, i am called Aloui! !
So, bring in the scholar to teach me;
For, the muse of my love is now here to stay in this land.

Edward Kofi Louis
Alpha

I am in the strange bush of dreams with you,
And with a gallant act to reach the top;
But the story from the village is all about us.
Alpha, many people are not well cultured!
And this world is full of illusions and disillusions.

Edward Kofi Louis
Alphonse

A swoop in Yendi and,
Alphonse was there to account for the story;
But i am worried! !
Because they've killed the Chief and now,
Who is wiser than the writer's ink?

Edward Kofi Louis
Schedule your most important tasks of life and do have time for me,
For i want to show you how to increase your skills on this love;
And i will teach you how to eliminate your time-wasting activities,
For i am Alphonso living in the land of your muse.

Edward Kofi Louis
Al-Qaida

Al-Quaida No.1,  
Killed;  
Al-Qiada No.2,  
Killed;  
Who then will be the next?  
For this world is now unstable! ! !  
And, i don't think that, killing one another will solve the problem;  
Because, we need peace on the this earth than the bullets of war! !

Edward Kofi Louis
Already

Ready,
Steady,
Already,
With you;
Together,
Going along,
With you.

Edward Kofi Louis
Also For Kidnappers

To the land of spies,
To the land of leaders,
To the land of diamonds,
To the land of trees,
To the land of scorpions,
To the land of thieves,
To the land of thinkers,
And to the land of pirates;
The law is not only laid down for a righteous man but,
Also for fornicators and for kidnappers.

Edward Kofi Louis
The alternative of your love is like the green box,
And the kiss of your muse is like the red box;
But i am six miles inside you and six feet under,
For the cow is frightened by the great noise!

Edward Kofi Louis
Alternative II

Alternative, native, altar, alter, at, in, an, tin, tan, net, ten, heat, tea, eat;
Feel my love and feel the difference,
And like a colourful bird in the land of your muse.

Alternative, riven, rivet, tale, later, late, veer, veil, era, ear, are, ant, sate;
Feel my muse and feel my mind,
And like a singing bird in the land of your muse.

Alternative, tree, rate, van, vet, vain, vat, tail, tie, tear, rat, tar, naive, it;
And to satisfy the desire of your love in the land of your muse!
But i am all that you need on this side of the river.

Edward Kofi Louis
Alternativlos

Eine Pappe,
Selbst aktiv,
Öfter lächeln,
Mit neuer Erforschung;
Aber ich weiß so viel! !
Und ich habe sehr viel voneinander und übereinander gelernt;
Aber jedes Jahr spielt eine Rolle über mich.

Ich tue viel Gutes weil es immer sehr gut geht,
Wie eine Galerie mit Bar!
Aber Kunst ist mein Hobby und mein Beruf.

Alternativlos! !
Liebe dich selbst und freu dich auf die nächste Krise;
Aber ich muss für mich selbst leuchten,
Dafür ist kein andere zuständig!
Und, manchmal man hat so viel im Leben und manchmal nichts.

Edward Kofi Louis
Altostratus

Altostratus,
On a mission with a vision;
Tenon,
Man and woman made from the beginning,
Birth and life!
To live and to understand the ways of nature.
The blossom of love! !
Beautiful with the muse of life,
Clean and new with the muse of nature;
Like the touch of the rose of love.

Edward Kofi Louis
Altruism

The voice of hope to the call of nature,
Come closer to me and feel my love;
Oh mankind! Arise to a call.
Love one another to make the world go round,
Hope is the ingredient of faith;
The voice of hope,
The strength of faith,
Love crowns all things.
Altruism, altruism! Arise to the call of hope;
The altruism of love which does unite us all,
All in one love with the message of hope;
From the North to the South and then,
To the East and the West;
Love one another without fear.

Our memories will grow with sensitivity and insight,
Live clean and be yourself;
For, loving yourself first means the love of all mankind!
Here we are today,
Love is the power supreme;
True nobility is revealed in selfless unobtrusive service,
Love one another to crown the day.
To the voiceless and the disadvantage,
Do your best to bring smiles on their faces too;
Cos', there is no vision except by faith.
Altruism, altruism, altruism! !
There is no faith except by hope;
So is the voice of hope to the love of one another.

Edward Kofi Louis
Aluded With It

Contention,
With your might,
Languish!
Anguish,
Like the fowls of the air;
Dealt with,
Adultery,
To betray! !
Desolate,
Devour,
Revealed;
Among the tribes!
Vibes,
Clans,
Plans,
Start, depart!
Mart,
Art,
Crude, rude!
Aluded,
Down the lane,
Road,
Toad!
Aluded with it.

Edward Kofi Louis
The muse of life and the muse of love!

With a great deal of mutual respect to each other in the land of the living,
And, with the potentials of the truth coming out from your mouth when you are much infused.

The muse of life and the muse of love!
Quite natural;
With the sweet muse of the truth when we do seek for peace and joy in the land of the living.

A positive attitude!
To play the key role;
With a smile emerging on our faces always,
And, with the outstanding qualities of life with the sweet muse of love in the land of beautiful flowers.

Edward Kofi Louis
Aluko

Aging with your memories and singing with the tune of love,
My name is Aluko and i have the natural feelings for you;
And, i am the young man for your love.

I am trading tendrils and thudding voraciously with age,
But i am the apple that you need on your lips;
For the eye of tomorrow had foreseen the victory for me.

Edward Kofi Louis
Alush

Alush, lash, ash!
With no water for the poor people to drink;
Jack, hijack!
Living in a world of inequality;
A world full of sin.

Edward Kofi Louis

Right with the minds,
When the right thing is done.
Sights and insights,
To overcome the plights of life;

Facing the ways of life;
Strays!
Astray;

When the wrong thing is done.

Edward Kofi Louis

To weed out the odds,
With the seed of the truth.

She stays,
He stays,
Rays of love and life;
Always with the muse of the truth.

Edward Kofi Louis
Always Alone

Thawing ice,
Melting snow;
Always alone!
Thinking of you;
Maybe one day you will knock at my door.

Edward Kofi Louis
Always By Your Side

Stable course,
Just pour it down;
Upon the deep of love.

That sign,
That's the way i like it;
For, you are the queen of my heart.

Dreams of life,
Dreams of love;
Always by your side.

Edward Kofi Louis
Always From The Heart

I said to her: 'You are so beautiful to me',
And she responded very cheerful!
For the muse of love is always from the heart.

'All you can eat is her with me,
So come to me and let me present them to you'!
She said these words and i followed her;
For the muse of love is always from the heart.

Edward Kofi Louis
Always Guided With Love

From the sky of Alabama,
And like the Alabama-Highway! !
But there i met my lover,
And like the muse of the rainbow in the horizon.
How much longer? !
But keep on keeping up with your sweet muse;
For the normal things in life are always guided with love.

Edward Kofi Louis
Always Learning

My mind,
Always learning;
To understand the status of life,
To understand the ways of mankind,
Why we are here! !
Imagination,
With my mind beyond the stars.

Edward Kofi Louis
Always Live With Hope

Inside man,
Inside me;

Inside woman,
Inside you;

Always live with hope,
With the dreams of life.

Edward Kofi Louis
Always Made To Look Desirable

The sins of this world!
Always made to look desirable;
And many flow into them,
In the form of illegal lust.
Lust!
You do not seek others well being;
And, you have no joy in you.
Illegal lust!
Being part of your ways;
But, when are you going to Change from your sins?

Edward Kofi Louis
Always On Board

Always on board!
Train me and make me part of your own;
To be part of your team.

Edward Kofi Louis
Always On Top

Always on top,
Still number one!

The plant,
To water it with love;

To watch it as it grows! !
Slowly with the muse of life.

The way,
Always with your love!

Far away from home,
But, still on top.

Edward Kofi Louis

The truth! !
To meet you there.

Edward Kofi Louis
Always With You Around Me

Life,
Always with you;

Love and life,
With kindness;

Love and art,
Knowing the rules of life with positive morals;

Sharing with you,
Learning always;

Always with you,
With the romance of nature;

Always with me,
With the fragrance of life!

Peace and love,
With the gratitude of the truth;

Joy! !
With the glory of righteous laws;

Doing what is right,
Always with you around me.

Edward Kofi Louis
Armageddon-Arsenals!

Of bombs falling on us like the rattle of snakes;
Awesomeness,
Terrible,
And with price! !
But the river enters up to the sea to form the ocean,
And the Armageddon-Arsenals are all around us today.

Edward Kofi Louis
Amamiya

The muse of nature,
With the ways of life;
Amamiya, aim, yam, may, Ama, am, May!
She told you of her story,
As she was sold to a man;
Who is an old man,
Bold with her words! !
Plus the gold presented to her parents.
Cold, fold, hold!
Like the cry of a river;
Being very young and, telling you her sad story.

Edward Kofi Louis
Amamon

Amamon, on, no, am, man, Ama, Amman!
Transparent,
Peaceful,
Free and fair!
Emulated;
Air, fair!
Successful,
Ready, already!
Like a political edifice;
But, with the muse of your sweet love.

Edward Kofi Louis
Amanda

Amanda,
To buy a piece of land and to build a house;
For you are my lover on this side of the lake!
But try to understand me for what i am.

A lovely message,
A lovely muse;
Thanks dor sharing your sweet love with me,
For i am alive today because of you.

Edward Kofi Louis
Amanpour

Fair, trade, fair price;
What have you to say when, i need you most?
For, i have to rest my mind in the circles of this world.
Trustee!
Tranquility;
And, of the eccentrics among the moguls.
Task, ask!
To put out the butt to face the brass task;
But, butt!
Like the continents' age-old tribal ceremonies which are now disappearing.
Amanpour my friend!
I am with the politic and the pizzazz on my sleeves;
For, lawlessness had now increased in resent years in my land.

Edward Kofi Louis
Amanpour 2

Amanpour, man, Aman, pour, Ur, our, pan, nap;
innovative,
New ideas! !
New levels;
County!
The bounty;
In the land of the living,
With the works of mankind seen all over.

Edward Kofi Louis
Amara

Shave her hair and trim her nails,
Because the winds are against her!
And like Amara on the love of my muse.

Edward Kofi Louis
Amarell

Amarell, Ama, arm, ram, real, ell, all, mall, meal, ear, era, lame, male, mare!
To the planet,
To see the works of mankind;
Bet, set, pet, met, wet, let, net!
With the next project in your hands,
Waiting to explore the land of beautiful roses with your lovely muse.

Edward Kofi Louis
Amaryah

Amaryah, ram, arm, may, Ama, yam, May, Mary, ray!
But, Yahweh Has the answers to life's own problems;
Because, He created the universe.
Verse,
Reverse,
Serve,
Reserve,
And, to preserve the world with the muse of righteous teachings.

Edward Kofi Louis
Amaryllis Red

Glare of Sapphire,
Fossil forest,
Original!
Snow of the bluff,
With the portrait of the old man.
Stormy sky! !
Waiting and watching;
Amaryllis red,
Old cape,
With the aerial view of love;
Like, balck and white lacy old cap.
Clouds! ! !
Big eyes;
Colourful,
View of field flowers,
With a close up;
And, at the helm of dawn.

Edward Kofi Louis
Amathalal

Love for sale and lust for anybody who is with money,
But where is the venture of fairness on this case?
For i am Amathalal and i really need true love from you.

My love is not for sale and i am not in for lust,
For the birds have thought me how to fly;
And i will be there for you only with my true love.

Of the letters and of the calls for my beauty,
But a man has just given his wife the second beatings!
And like your E-Mail i just received,
Fo there are some people somewhere without love.

Eve was not sold to Adam but,
She was part of him;
That is why my love is not for sale!
For i need true love than all the lust i do see around me.

I want to be like the 'Little China' in your hands,
And like a matching song without words;
Because i have prepared my true love for you only,
And i will want to see you respond to my taste.

Edward Kofi Louis
Amatrice

Amatrice, rice, art, tar, rat, air, race, ace, ice, meat, mate, team, ate, trice!
The price of life,
With the muse of the Earthquake in Italy;
Death and Destruction.

Edward Kofi Louis
Amazed!

She was amazed of my strength and,
She gave me the credit;
But, you are in the gall of bitterness and,
In the bound of iniquity today! !
And, you are now worried about her beacuse,
She gave me the credit.
Bond, bound!
She was amazed of my strength and,
She gave me the credit;
For, you failed to carry on the job and,
My strength led me on to finish it.

Edward Kofi Louis
Amazed! ! !

Great love,
Amazed! ! !
To treat you with care;
And to prepare meat and wheat for your food.
Great love!
Amazed;
With the comfort of your heart,
Living in my abode with the joy of the land.

Edward Kofi Louis
Amazing Flowers

Blossom,
Amazing flowers!
Love, peace and joy;
Magic landscape,
Scenery! !
With the brightness of the colours;
Light over! !
And, of the deep.

Edward Kofi Louis
Amazing Look!

Of your beauty,
Of your body,
Of your outfit;
Creative!

However, the best must come out of you as well;
For, what comes out of you comes straight from the heart.

Edward Kofi Louis
Amazing One!

Amazing one!
Amusing one,
Precious one,
Peaceful one,
On the wings of love;
Protected and directed with the ways of the truth.

Edward Kofi Louis
Amazing Spider

Rider,
Sider,
Amazing spider!
Bride,
Not with pride;
Like the amazing spider,
In the world full of imaginations.

Edward Kofi Louis
Amazing Water!

Amazing Water!
Amazing life;
Love and joy,
Peace and care;
Kindness,
Humility!
With the ways of nature.

Edward Kofi Louis
Amber, Member, Remember!

The branch,
The ranch,
For the benefit of mankind;
Amber, member, remember!
On the Island of four mountains;
Still in search of the woman of your heart.

An issue,
A complex story,
With a complex system;
Back to life with the music of your love,
As, she's also in search of a man!
To handle her business.

Edward Kofi Louis
Ambidextrous!

Ambidextrous!
Trick and treat,
Amends,
Amusement,
But, i saw another person in the picture.

Trick, kick, lick, sick, pick, quick!
Aeon,
And, they ended up at the same place;
Muse, amused!

Mick, brick, Rick, Buick, flick;
And like crossing Louis River!
Adduce,
Age, adage!
And, as fast as anything.

Location, allocation!
Nick, wick, hick, stick, Vick;
And like the water from yesterday,
treat, beat, wheat, eat, meat, peat, cheat! !
But now, Captain Jack is back in town.

Edward Kofi Louis
Ambition, Attribution!

Yes!
Yesterday,
It was yesterday;
And you went in with her,
Ambition, attribution!
With her muse,
With her love;
It was yesterday! !
And you went in with her.

Edward Kofi Louis
Ambush

A man seduces a virgin and she conceives,
But the earth is full of young mothers without husbands already!
So why ambush and rob all who pass you by?
And like a shadow from a mountain.
Your act is like the Devil’s Temple! !
But you need the truth to keep you up like a human being;
For you are rather adding more problems than solving them!

Edward Kofi Louis
Ha-ha-ha-ha!
Zeus plus Krishna equals to Hesus Krishna;
But, i am ambushed by my sweet lover not to tell you the truth.
It is very sad,
Because many are they with PHDs;
But, they do not even know about the secrets of this world.

We do use the words 'Jesus Christ' a lot but,
He was an Hebrew born;
And there is no Hebrew born to date called 'Jesus Christ'.
Well, that is the truth and many are already confused;
But do read the VARIOUS VERSIONS of the BIBLES around,
There you will come to the truth like i did.

My defense is in heaven and i have learnt a lot,
But i have no PHD to desplay on my shoulders;
And i know more of the hidden codes of this life than others.
Why are you then confused?
For man was made on this Earth to LEARN.

Look at the names you give to your children,
They are your NATIVE NAMES;
So what was the native name of a CHILD born as an HEBREW?
The Son of the Creator was born in Israyl,
So go there to ask of the FIRST WRITTEN ORIGINAL BIBLE;
There you will come to the truth and know His Name.

'He-brews' like an Hebrew,
And i am ambushed by my lover;
But do take your mind slowly and ask yourself,
Where from this name?
Ha-ha-ha-ha! Many are confused already;
But my mind will always write for many to learn.

Edward Kofi Louis
Ambushed In The Night

You are hunting me down to take my life but,
What have i done to you?
In this life, from the evil doers come evil deeds;
So try to be like a spectrum of vivid shades and speckles,
With glittering crystals of golden pyrite.

My love is towards you but,
You are hunting me with hatred;
And i will always live a quiet and a calm life around you.

Do not hastily think that all is well with you,
Do not hastily think that of is well with me,
And do not think that all that you hear is true;
But take a time to speak to me than hunting me down.
I am ambushed in the night because of you,
And i have nowhere to rest my head on this issue;
But my faith will surely lead me to overcome your traps.

Edward Kofi Louis
Amegatcher

Amegatcher, cheer, heart, earth, game, ram, mare!
Binding directives,
Personalities,
Justification,
Playing by the rules;
In a suburb.

Amegatcher, tea, teacher, hear, ear, era, arm!
To see nothing,
To say nothing,
To hear nothing,
Relied on! !
With the sweet muse of your love.

Amegatcher, am, me, get, meat, meet, met, gear!
With the muse of the association,
And, with viable lessons;
Love!
To do it in a normal way;
With the muse of your mind.

Amegatcher, cat, ham, harm, art, tar, rat, hat, tag!
Slumping,
Falling!
Ferrying;
With the sight of a cavalcade,
In the land.

Amegatcher, team, rate, hate, gate, mate, he, her!
Of the scheme,
Like the muse of healthcare services;
In the land.
Subscribers! !
To the rising cost.

Amegatcher, the, heat, great, greet, tame, at, mat!
Cash-and-carry,
To pay for the service;
Land, eland!
With the muse of the land;
And, to do it in a normal way with your love.

Edward Kofi Louis
Amelie

There is something in the water and,
I want to find it out;
There is something in your eyes and,
I want to check it out;
For the tide of your sweet love is now seen around!
And, whatever goes up will surely come down one day.

Liberate me with your love oh my sweet Amelie! !
For we have to keep on fighting for our own dreams;
Because we are all under the sun,
But with pleasant and glad tidings to share with each other!

Edward Kofi Louis
Amen

A people of joy and a people of peace,
They have forgotten Yahweh and they now vow to Amen; 
But where is your zeal and where is your strength? 
For the lady in red is my lover and she is like, 
The melting fire which burns along the way!

Pleasure things, 
Come and learn the value of true love; 
For Rome was not built in a day, 
And i have the mind to teach you always.

Edward Kofi Louis
Amended

Amended, den, deed, need, man, men, an, dad, made, am;
But influencing your status is by the muse of your love!
Moreover, try to emancipate yourself from the mental slavery around you.

Amended, dean, mean, mend, dam, mended, dead, add;
But the influence of your muse had taken course to the moon!
However, you need the directives of my love around you.

Edward Kofi Louis
Amerigo

Amerigo, go, ago, age, arm, am, ram, aim, air, rag, rage, image, ore, roe, or, oar, game;
Of the outbreak of cholera in the town!
With a mountain of garbage in site,
Close to the residential areas of the poor structures of the poor people around.

Of lyres, flutes, drums and harps!
But, sadness had taken over the eyes of the people;
As many are now dead from the sicknesses around the area,
Because of the insanitary conditions found among them.

Edward Kofi Louis
Amethyst

Amethyst, sea, set, seat, sat, at, as, the, mat, hat, hats, way, may, say, met, heat, the, meat, yes! The works of peace will always bring you joy; able to carry you on in life; as it were, living in the city of gold! ! With the truth as transparent as glass.

Call me if you want my works! Maybe we can work together; able to preach peace to the world! ! To reach out to all with the muse of unity than with division! ! ! All in the name of joy than war.

Love finds! Hope searches; straight ahead! ! Like the red roses of sweet love; and like a very nice stroy told to you. In your land! ! ! With the evidence of the truth; with hnoesty and sincerity.

Edward Kofi Louis
Amevor

Amevor, arm, am, are, era, or, ear!
But, you did it;
And, you put it in there.
Time and patience,
To obtain the best results;
With beauty and precision,
But, with exceptional care.

Edward Kofi Louis
Amiable Relations

Establish amiable relations with the people around you and,
Let it be like the tale of the two apples of love;
For i am the shadows of a lamp in the forest with words,
And a family portrait of my love is there for you to see.
Do seek me for solutions when you have a problem,
For i am a scientist with a poet's mind in view;
And i am enchanting the words of the woods with my love.

Visions of the frontier of love is what i have,
And how will you feel being touched by my sweet love?
For i am like the tale of the two apples of love;
And through the spring of euphoria to blow the facts on you,
For my family protrait of love is always hanging around.

Edward Kofi Louis
Amidst

Four!
On our past;
For,
To look back;
Of our past!
Being very thankful today;
Fore,
Like the Trust Fund;
Fund, found!
With wide smiles amidst.

Edward Kofi Louis
Amilia

I am a lover and i am single,
I am a joker and i am single,
I am a writer and i am single,
I am a teacher and i am single,
Come closer to me to know who i am;
Amilia is your name to the world so sweet.

To the Red Palace,
To the White Palace,
To the Blue Palace,
To the Black Palace,
Like fire and water;
To everything, there is a middle point.

What are your four best colours?
What are your four best foods?
What are your four best songs?
Give me an answer and,
I will tell you who you are.
Amilia is your name and,
You have a lot to learn;
Oh Amilia! I never knew monkeys do write till i met one.
Like Mount Ararat where Noah’s Ark landed,
Do extend my regards to your friend.

Life is like butterflies and rainbows,
Love is like summer and winter,
And hope is the dream of dreams!
But if poeple could see very well,
They will find beauty everywhere.
This message is like a witch's son to you,
This message is like a wizard's daugther to you,
But i am the Sailor who brings in food for many.

Edward Kofi Louis
Aminatu

Michal loved David and,
I love you oh Aminatu!
Because my eyes are always on you.

Men of all nations,
Women of all nations,
To cut the timber like the Sidonians!
My sweet love is for you oh Aminatu.

Ten moveable acts of love,
From the entrance of Hamath;
I am in love with you oh Aminatu.

Edward Kofi Louis
Aminu

Seek the truth and live with it,
The time has come for us to put things right;
Self-seekers and pleasure things,
I am now pregnant for you to be a father;
Selfishness and pleasure things,
I am now pregnant for you to be a father;
And it is now like an open book to you.
Marriage does change everything,
So let your voice be heard oh my sweet Aminu;
And try to be yourself always.

Edward Kofi Louis
Amma

These brides are waiting for one man,
And they are ready to marry him;
But this ink is writing to you and,
It is ready to teach you.
I am walking better in the wilderness of life but,
All around me are my enemies!
And i have to take care of my steps.

Rome was not built today and,
You have to take care of your steps too;
And do show the kindness of your love with truth.
Amma, this love will carry us into paradise!
And, it will keep us into remembrance always.

Edward Kofi Louis
Ammi

Ammi, aim!
Having mercy,
With kindness and humility;
Serving the people with the joy of your heart.

Plead, lead!
Able men,
Able women,
Able children,
With authority through plain words.

Edward Kofi Louis
Ammihud

Ammihud, aim, aid, him!
To use your money to pay for the food you eat;
And, the water you drink in the land! !
Earning from your sweat.

Edward Kofi Louis
Amminadab

Amminadab, Amin, Amina, in, main, and, iad, man, ban;
To be with a child,
And, to take her as your wife.
Conceive, receive!
Taken in seed;
of the sign!
Seen by all in the village.
Pregnancy,
With the muse of the rain!
And, with the sign of the rainbow above;
Seen by all in the village,
As you walked along in the rain with her.

Edward Kofi Louis
Ammishaddai

Ammishaddai, aim, said, aid, aims, aids, Sam;
A gift of love,
A gift for you!
Able to direct your ways in life;
To uplift your mind always.

Edward Kofi Louis
Ammon

Miss World!
With demands;
Buggery land!
Noted;
Plan, clan, an, ban, can, tan, pan, span, fan, ran, Dan, woman, wan, man!
In love with your sweet muse,
But, i am like Ammon your friend i met last night.

Life, knife, wife, strife, rife!
With the demands of your love in the land of peace;
But, you are now behind the camera.
Last, mast, cast, fast, past, blast!
Every day and every night;
Living with the words of peace to be able to share with others,
For, life is all about us on this earth.

Edward Kofi Louis
Amoako

If you kill a snake, try to cut off its head;  
For many are they which will wake up to bit you again.  
Amoako is your name and,  
You need a muttonfish to guide your lover;  
But like a visit to the Island of Guernsey,  
Try to cut off the head of the snake whenever you kill it.

Amoako is your name and,  
Your love is served raw and sliced at times;  
But try to live with your lover like,  
An indigenous Maori of New Zealand.  
Life is like that at times and we all need a guide,  
But who the cap fits must surely wear it;  
So try to do your best for your lover at all times.

Edward Kofi Louis
Amoatia!

Amoatia, aim, to, moat, mat, am, at, it, Ama!
And, all i want is your love.

Pile, compile!
All i need is your love.

Mina, main!
For, you've got your smile and my love.

Midst, amidst!
And, i can't sleep without thinking about you.

Edward Kofi Louis
Amofa

Lap-Tops,
Words;
Laptop,
Minds;
But you are all my hope in this world!
For in the day of trouble i will seek after you people;
But confounded is the muse of Amofa your lover,
And like the songs of love in the land of joy.

Edward Kofi Louis
Amon

I am the one that you are looking for,
So come to me my sweet Amon!
And like the Franks of Gaul.

Edward Kofi Louis
Among All The Fish That School

In the waters!
With fins and scales;
Clean for your health,
Among all the fish that school.

Your health is very important!
So, feed your body with clean food and live;
Able to decide well with your mind.

Edward Kofi Louis
Among The Dead

There were corpses all over the place! !
Because of the on going war in Syria;
But, i will still search for you my love.

The muse of life!
Geared towards love;
But, the bullets of war know no one.

Pleasure things!
With the lust of mankind on this earth;
But, i will still search for you among the dead.

Illegal lust!
With the attitude of pleasure and pride;
With corpses all over the place.

Edward Kofi Louis
Among The Grass

Clay,
Formed and made;

Craft,
Made and formed;

Nature!
To spring up among the grass;

As willows by the water courses,
With the muse of the sources of life.

The force of nature!
To respect the laws;

Scribe, subscribe, inscribe!
Able to learn from the works of the truth.

With the aroma of life and,
The works of the truth.

Facing the fragrance of life,
Up high with your mind! 
Always searching for the truth;
Among the odds of life,
With the ways of mankind on earth.

Edward Kofi Louis
Among Them

Livestock,
Property,
To settle among them;
But out of the gate of the city came my lover.
Ought, bought, fought, thought, nought;
My heart longs for your sweet love,
And i am ready to pay the bride price.
Drought, brought, wrought;
To settle among them with the peace of my mind,
For i have livestock and property!
And i am ready to pay for your bride price.

Edward Kofi Louis
Amorous Looking Glass

An amorous looking glass!

Facility,
Empanelled! !
Alongside with your muse.

Edward Kofi Louis
Ample Time

Flock of birds,
Ample time with the ways of nature;
A river delta,
Divers' friend,
Blooming heather!
Wonders,
Body and zeal;
On a warm summer's day.
Habit,

Meadows,
Beautiful heaths;
Freshwater lakes,

Joy in your heart.

Probe,
Same as life,
Without the shame of the truth.

Name,
With your fame today! !
Led by the frame of the truth.

Sample,
Something ample;
From a derivative! !
With the perception around.

To open up,
In various applications;
To expound!
With the muse of life,
With my mind;
To open up,
To open thoroughly!
Positiveness,
With the sense of judging.

Edward Kofi Louis
Amram

All i see in you is light!
And i will be under this light always;
For darkness is full of evil.

I am very matured and lovely,
And i will sing you a love song;
So come and sleep in my arms my sweet one,
For i need you to be able to sleep in the night.

Edward Kofi Louis
Amram 2

Amram, ram, arm!
A set time,
With the muse of the West Wind! !
Blowing across the land.
To show,
To exhibit,
To expose!
To teach;
Soot, foot, boot!
With the works of the truth.

Edward Kofi Louis
Amrita

You are my hope and I am your lover,
But these tears are too heavy under my eyes;
Because I needed you to fulfil my dreams,
But the sea came and washed you away.

Time after time and love after love,
You lied to me when you said that you love me;
But when I fall in love again,
I will know what to do with my life.

Life is between tragedy and comedy,
But the cool impulse in me makes me think at times;
For I have seen the wind the blew the ship!

This was like a cargo on a little boat,
But open your eyes and see with them;
For there will always be problems on this earth,
Because mankind has failed to respect the laws! 

Amrita my love,
You are my hope and I am your lover;
But the cool impulse in me makes me think at times,
For the wind came and took you away when I needed you most.

Edward Kofi Louis
My father is as cool as 'J' and,
My mother is hot as 'Tina Turner'!
But, i will love you like the sentiments of 'Celine Dion'.

You are as sweet as 'Mariah Carey' and,
I will ride you to the stars like 'Boys and Men';
For, it will be like the first day at school,
With my mind on you like the muse of 'Alica Keys'.

Unplugged is my love so come and plug it for me,
And i’ve got lessons to learn from you like the songs of 'Bob Marley';
Oh, Amy my lover!
I will always love you with the colours of true love and like the snow falls.

Edward Kofi Louis
An Act Of Sheer Bravado

The gymnastics of my mind is infused with the aroma of my kitchen;
But, the mystic of the air is above my love!
Lips of my love's tunnel,
Of the sterring virtue of life with the pleasure of sweet love;
The youthful traces of beauty.

Realms of my love! !
Alone over here to study to the ways of life;
Of things seen around me and, to motivate the muse of my mind.

An act of sheer bravado,
With the codex of true love in the making;
Come and take me up high and let me touch the sky! !
Knowing what to do with my life,
Under the shades of the works of the truth.

Edward Kofi Louis
An Adulteress

The lips of an adulteress drip like honey and,

Yu will be on the verge of total ruin! !
And your money will flow like the river of the dead.

Edward Kofi Louis

Edward Kofi Louis
An Alarm

Life is like the burial of a donkey and,
The dead make us weep all day;
Life is like a fire in the forest and,
The dead make us weep all day;
Life is like the price of war!
And the dead make us weep all day;
Of an alarm at noon when,
You have the weapons of war around you.

Today a male child is born but,
Tomorrow comes the war!
Today a female child is born but,
Tomorrow comes the war!
Life is like that at times;
Of the terror on every side of the globe!

Life is like a spacious house with large chambers,
Life is like an old man with a sickle,
Life is like the valley of Ben Hinnom,
Life is like an old women looking for her missing child,
Life is like the cry of war!
But may the sun always shine on you who have hope.

Edward Kofi Louis

That was her only opportunity at hand by then! !
And today, she is an American citizen.

Edward Kofi Louis
An Eloquent Teacher

Of one's responsibilities and of one's properties,
The day od clouds and thick darkness will meet us all;
But, copulation brings about the fertilization of the eggs.

To quicken your pace in this 'rat-race'!
With nods and grunts;
And like the legends of the Hidden City! !
But, you need to discover your inner self as well on this love.

This thing called 'love' is eating you up!
And, you now need my romance to keep you going;
For, i am an eloquent teacher who wants to lead you on.

An epigram,
Nevertheless;

Negation!
Verily;

With a stringed inArgument,
Like a poem set to music.

Edward Kofi Louis
An Errand

Back from an errand,
And to communicate with you is all that i want;
For your energy is like that of mine.

36 grams of love and 72 days of care,
It will only take 5 minutes for you to understand my muse;
But let this love be very clear between us.

Edward Kofi Louis
An Erudite Book

to my heart and,
to an adolescent who speaks;
But your 'dressing-logy' buffers the negative of the adverse of life,
And like what is seen at always.

Filtered water is what you care for,
But do not let this water run out dry before the adolescent;
Because an erudite book is in the making!
And like what is seen at always.

'Dressing-logy'!
to the heart of the adolescent;
And this addiction is very hard to overcome,
But love is like the theatre of my mind.

Try to deal with your history very honestly,
Because an erudite book is in the making;
And i am now standing in the shadow of your love.

And, knowing where to stand in times of need.

Edward Kofi Louis
An Image

An image made by man's design and skills,
What home will you build for me?
An image made by man's imaginations,
An image is what you are;
I was trained with an 'iron-hand' so,
Your 'soft-hands' will not bend me.
Once bitten by a snake,
Twice being afraid of an earthworm;
What kind of love will you share with me?

All lawful things are clean,
A meesage from Candace the Queen of Ethiopia;
Peace is the right choice than war,
Love is the right choice than hate,
All lawful things are truly clean.
When the saints sit among you,
You will know them by their works;
LIke 'MS Columbus',
LIke 'Queen Mary 1' ,
Like 'MS Aidaaura',
Like 'MS Deutschland',
LIke 'Queen Mary 2',
Like 'Sedov',
Like 'MS Astor',
But light travels faster than sound;
And, all lawful things are clean.

Peace is better than war,
Love is better than hate,
And you don't need whitewashed walls.
When the saints sit among you,
You will know them by their fruits;
Like the land of the singers,
Like the land of the artists,
Like the land of the writers,
Like the land of the mathematicians,
Like the land of the cities at fifty;
All lawful things are really clean.
An image is what you are and,
This world is full of them;
Like the image made from a man's hand,
Of which we are all part of it.

Edward Kofi Louis

Sing the songs of love while you have the truth,
Boys, toys, coys!
The eloquence of love,
True love;
Like farmers with farmlands.

Nuts and apples!
Incorporated,
Originated,
Accepted;
Sweet over the bay of love! 
Like honey for sale.

The supposed meat,
You have eaten more you can swallow!
And you now need shelter under my arms;
Like traders with trademarks.

Stir, Sir!
Funny looking meat,
What kind of meat is that?
Eyes with eyeshadows!
Enlightening news;
Like a plausible idea with a surprise note.

The morning is like the journey of explorations,
The afternoon is like the journey of decisions,
But the evening comes and, it is like the journey of discovery;
To play the flute with the muse of the song of love.

Animal or human,
Tails!
Details,
Rails,
Mails,
Sails,
Entails;
Logs, dogs, bogs!
To beef up.

Unique style! !
Journals,
Warm and cold;
Bold enough!
Poetic lines,
But, who can stop nature?

Strawberry fields,
Intolerance to the aristocrats!
Bankers with banknotes,
The epic of the life and the thunder heard in the valley! !
Human nature,
With a story to tell.

Edward Kofi Louis
An Inner Reflection

With the muse of the ox.
Naked,
But, fear not! !
Storm's light;
Like a storm in the night.
Nature,
With clouds in the night;
Naked,
Like an Island's Lighthouse;
Lightning!
Abstract,
Like an ocean's swirl.
Acts,
Life,
Peace,
Golden dam!
Nude,
Love,
Joy! !
Like a fountain by the Bridge.

Edward Kofi Louis
An Oak Tree

I am sitting under an oak tree waiting for you my love,
For i heard the news about you and i am still waiting;
Because you are the love that makes men sleep so easily.

Edward Kofi Louis
An Oath

Your love is with an oath and,

Learning along the line,
With the muse of your works today!
In your land.

Edward Kofi Louis
An Ocean In A Mug

Thug!
Dug,
An ocean in a mug;

Lust,
Injured;
To suffer! !
Wrong,
Evil doings.

And, to put things right.

Edward Kofi Louis
An Old Man 2

To the land of the east!
The bomb killed the old man;
As he breathed his last,
And died in a ripe old age,
An old man full of years.

Edward Kofi Louis
An Old Tradition

An old tradition,
An old love;
Strap, trap, rap, tap, map, crap, cap, wrap, frap;
We brought nothing into this world and,
It is certain that we can carry nothing out!
But, food and clothing are needed in life,
And like your sensual desires.

An old tradition,
A person who lives for pleasure is dead while he or she still lives! !
But, i want to marry you my love;
So, keep yourself clean amd pure always,
And pay attention to yourself!
For, i am ever prepared for you.

Edward Kofi Louis
An Old Tradition 2

The people can't change because of their old tradition;
Following after their Gods and Goddesses.

Edward Kofi Louis
An Open Country

An open country,
Like villages without walls around them;
Pasture lands!
Belongings,
Love sweet love! !
An honourable name is better than fine perfume.

Edward Kofi Louis
An open door!
With the Key of David;
It passes on and on! !
From the truth.
It flows on and on!
With the muse of true love;
But, be very wise always!
And do what is right.

Edward Kofi Louis

With servitude and attitude.
The ways of life!
With the muse of love;
Joy in your heart and peace with your mind,
Working in an open field in your land.

Edward Kofi Louis
An Open Grave

The water in the pond is like the gold of Uphaz,
But the realm of the Chaldeans is like a cake unturned!
To the residence of the heathen with eyes to see,
For behold! I am for you like the breath of life.
I will turn my door wide open for you always,
Of the garden of sweet love to touch your heart;
So come into my room and see the sweet bed of love.

I am from the four winds of the earth,
And i am always around you to share my love with;
So come and expose your nakedness to me,
Like the sweet garden of love with sweet apples.
Don't be like an open grave without a clue,
For you are so beautiful by all standards!
Because, the water from your pond is like the gold of Uphaz.

Edward Kofi Louis
An Open Heaven

The bell of the horses,
The noise of the lambs,
You are part of the problem;
And i am just a passing glance.

An open heaven,
To the land of plenty;
You are part of the solution and,
I am just a pasing glance.

An open love,
A message to the head of the house;
Live by every word like the fruits of your body.

Curse will be your basket and to the produce of your ground,
For you are part of the problem on this love;
And in seven directions you will always look for trouble.

Why am i here?
Leaving from place to place with thesame problem;
For i need an open heaven than the smokers around me.

Your love is hidden under the disguise of a religion,
But the Book of the Law is what you need;
And from Genesis to Malakyah,
I am what i am on this side of the lake.

Edward Kofi Louis
An Open Mind

So beautiful!
So lovely;
Just a simple girl,
Living in West Africa,
With an open mind.

Edward Kofi Louis

Course,
An open source;
Time of the end,
With terror and horror! !
No mirror around,
But, dead bodies.

Edward Kofi Louis
An Opportunity

Garlic, honey, onions and gunger;
An opportunity,
Having them on your side,
Like the issues of the day.

An Orange Seller

Do you feel what i feel? !
Do you see what i see?
For, i am moving across the borders to share my views;
However, my physical home is in this world.

Yesterday, today and tomorrow!
And like the muse of love in the land of peace;
But, i am not free from sin.

Human kind in this world!
We are very far from our sins;
And, whosoever is without sin should now cast the first stone.

I am sixteen and i am an orange seller,
Down along the line of the struggle in Africa with a child on my back;
But, do you see what i see around me?

Edward Kofi Louis

As it was in re beginning,
So it is today with the laws of righteousness;

Honour life with the truth,
Honour your life with righteous morals,
Do not hurt anyone.

Edward Kofi Louis
An Uneasy Psyche

My mind is like an uneasy psyche and,
Uneasy is the head that wears the crown;
But my faith will lead me on always to achieve my goals.
Repercussions and reconciliations,
Stifled through my memories lies the crown;
But, who can remember the face of the past with habitual ennui?

Troubles get you down when there are no solutions,
For anger makes the weakest man a devastating puncher!
And, there is a price for everything in this life.

An uneasy psyche,
The strength of my hope in life to move on with my muse;
But nature called in and i have to obey the command!
And like the repercussions and the reconciliations in life.

Anammelech

They have a mixture of the worship of Yahweh and that of the Pagan Gods!
For they really love their Pagan Gods and Goddesses;
And their respective pagan customs are leading them into the paths of the dark bush,
But, who can tell them the truth?
For I am Anammelech in the land of my muse in search of the truth always;
So, tell me if you've found the right way that leads to the Path of the Truth.

Edward Kofi Louis

The thick African culture and the thick African lips,
A voice from a village for you to hear at last;
For Anani is deeply asleep from thre troubles of this world,
But he will wake up to the facts of life one day.

To be carried away by the hawk in the name of an adventure!
But man born of woman will still wake up to learn from his past;
For the thick lips of the Africans have something to say.

Edward Kofi Louis
Anansekrom

Water-lilies and springs of tulips,
Shooting images with my digital camera;
And from 'Edloman' to 'Anansekrom' with love,
But it was, surprise-surprise-surprise! ! !

I have the peace of your love in my pocket,
And in my heart is always with your muse;
But always identified as the Queen's Language,
And this global culture is all around us today.

Of your love and of your muse,
Of my mind and of my works,
But, so sweet and very attractive is your muse behind thwe camera;
And like the safe of my mind to touch you with my hands.

Edward Kofi Louis
Anapolis

Anapolis, Ana, an, nail, is as pin, sap, pan, pans, pins, sail, pail;
On a life support!
With the sole aim of saving you;
Nevertheless,
Your brothers and sisters will meet you in Anapolis to see to your health.
Messages, sages!
Don't worry about anything;
For, we will still have to find a way in saving your life at this hospital.

Edward Kofi Louis
Anatomy

Anatomy,
Sensible,
Practical,
Functional;
However, many are not ready for,
The works of the truth.

Edward Kofi Louis
Ancestral Worship

Venaration,
Basket, casket, gasket!
Ancestral worship,
Expressed.

His reign!
Her reign,
Sovereign;
With the muse of the land.

Thatched huts,
Settlements,
Means of livelihood;
With the satisfaction of the land.

Bold and beautiful!
Commenting;
Veneration,
With the muse of a culture.

Edward Kofi Louis
Anchor

Anchor,
Hope and life!
Love and peace;
Joy and care,
When the right thing is done,
Ant, pant!
To plant for the future and,
To gain your rights;
But, the bright sun always brings out the sight of true love.

Edward Kofi Louis
And She Died

Immediately i was born,
My mother had 54 years to live on earth;
And she died!
And i buried her.

Edward Kofi Louis
Hello Andersen,
Try and let us meet at Kokrobite Sea Side;
For i have a surprise for you.
I love you and i want to share my nakedness with you;
And do not be like a jailed donkey in Cario!

Edward Kofi Louis
Anderson

Oh Anderson my friend,
Where are you now?!
And of your works done under the heavens;
But there is nothing about your lover over here,
For you slept with another lady last night.

Edward Kofi Louis
Anderson II

The power of the people verses the politics around,
Murder the messenger and bury the story;
And like the red-rat as seen by Anderson,
But the clowns of life are noted by us.

Edward Kofi Louis
Andoh

The meeting of the sperms and the eggs,
I have a key called promise;
And it will open any lock in doubting castles.

I am Andoh and i will kiss you with a clean conscience,
For the road ahead of life is long and it is with obstacles;
And like a salted tilapia to enhance my status-quo.

You need 'Banku ke shi-to' at this time to make your way through,
And like the rhythms of the difficulties of life!
For every wise woman builds the house,
Because of the doorsteps of true love!

Edward Kofi Louis
Andre

I am like a king to your heart and,
You are like a queen to my mind;
So you can't just walk away from me on this love.
I met you last night with Andre and,
I will rest this case till we meet again.

Edward Kofi Louis
Andretti

Andretti, end, and, den, an, at, it, eat, ate, trend;
It, eat!
With the muse of life and the muse of sweet love;
And with the melodies of yesterday,
Whether in unity or, in war.
The ways of life and the very ways of your love!
With nature paying its role;
Andretti, read, red, dare, dear, tear, near, ear, era!
With the muse of love in this land;
And, to have the best for yourself,
However, nobody seems to care for the poor in this town.

Edward Kofi Louis
Andrew

Running against a strong headwind and,
Learning about the muse of life;
But whenever i go,
I do have you on my mind like the sweet from sugar!

To learn to love,
TO learn to fish,
To learn to share,
Like the 'Man of Peace Award' that is chosen to from your heart;
But i will rather be like a fish in the deep blue sea.

Andrew, i have set the trap of love for you;
And when you fall into it,
You will see the beauty of my nakedness.

For then and then, you will taste the sweet valley of mine;
And you will know that,
There is no other one else like my love.
Andrew my love,
You are the strong hold of my love on this river;
I will show you much on this game of love.

Edward Kofi Louis
Greetings to the Chiefs and the people of the Oguaa Traditional Area,
And let the sounds of the 'Fetu Afahye' be very joyful to you my love;
For, this is all that i have for you from my tradition.

My name is Andrews and, i am the flag bearer on my lovers heart;
For on this occcasion, she is all that i have to witness my culture.

It was like a dream when i met her! !
Of a journey on a tourist visit to meet you in love;
But calculating the works and the muse that it brings,
I do have to respect to my people a lot and on this love.

Edward Kofi Louis
Android

G-Sensor,
Android,
Gravity inducer,
The keyboard,
The modem,
With a touch pad to reach out to your heart!
But, the GPS Antenna is needed to guide me on;
And like the expansion of your mind with a slot in card,
However, try to understand the status of the things around you.

Edward Kofi Louis
Android 2

Android, an, or, in, did, aid, on, and, rod, air, raid!
Royal oak,
Along with the works of life;
Plead, lead!
With a reason,
And, to comfort your heart with the works of the truth;
During any season.

Edward Kofi Louis
I have finally got a heart to live on because of you,
I have finally got a smile on my face because of you,
But my love is now cold and i need your heat to move on;
For, it is all because of your love that i am able to live today.

Edward Kofi Louis
Andy II

Wet dreams,
Don't call me daddy when your lover is gone!
For being a greedy girl will never help you,
Because i am Andy in the cave of lovers;
And like our dearest homes.

Edward Kofi Louis
Angela

If you like everything cheap,
You will die and be buried cheap as well!
For i am a citizen of the world and,
I came looking for you with my love.
Of the moral decadence among the youth and,
Of the rain of love on the other side;
Angela my love,
If there are no teachers there will be no students!
So try to lay the truth very bare for all to see.

Edward Kofi Louis
Angela Merkel

All in the name of peace and love,
Noted with your works on earth;
Giving support to the people around you,
Exhibited with righteous morals,
Living and learning always!
Able to unite the people with the muse of the truth.

Makers of Civilization!
Exploring the ways of life with the beauty of creation,
Respecting all the rules,
Knowledge with the muse of wisdom! !
Exhibited with all the colours around us,
Lifting up the muse of the truth always.

Edward Kofi Louis
Angelina

I am called Angelina and you are called Edward,
And like the muse of love in the land of peace;
But i need to rest my mind on this thing called love,
Because you're all that i need!

Edward Kofi Louis
Angelina  Iii

Cool, tool, stool, pool, fool, wool;
Like a Monkey Training College to respect your muse,
But try to learn my ways to enhance your status oh Angelina!

Edward Kofi Louis
Angelina Ii

Words of love and words of peace,
But the war came in to expose your muse!
And you are now wounded,
But i will come along to care for you with my love.

Edward Kofi Louis
Angelini

What do you want to say to me now?
For you will go out the same way you came in;
And like the muse of my friend called Angelini!
But i can see the weather changing around you,
And like your words known to us today.

Edward Kofi Louis
The Criteria set out for your love,
But my love to you is like the Republic of Ghana;
And i have the views from Accra to love you.
You are cherished by the things around you and,
Forgiveness makes us feel better and liberated;
For i will make your home a healing centre of love,
Because you are very caring and respectful my sweet Angelinna!

Edward Kofi Louis
'Angel's Cove'

Drove,
Rove,
To move along;
Clove,
Love!
At 'Angel's Cove'.

Edward Kofi Louis
Anger

Anger! ! !
Inhabitants of the earth;
Agree to the truth and overcome your sins,
Able to seek for peace than war.
Peace and love!
Rendering the works of the truth;
To overcome destruction.

Edward Kofu Louis
Anger 2

Anger! !
With your hostility against me;

Pride!
You are clean in your own eyes;

Mocked and ridiculed!
However, the ear test words and the mouth taste its food;

Wickedness,
With anger on your face.

Edward Kofi Louis
Anger and wrath!
Seen among us;
Men, women and children! 
Destroying the earth;
With evil works,
The heat of great anger!
Troubles,
Evil acts,
Disasters! !
Without sense,
With no understanding.

Edward Kofi Louis
Anger! !

Anger! !
Burning you to fight and kill;
All in the name of hatred.
Of the system!
With a big spider moving along with eight legs;
Of the Gas Explosion! !
All in the name of hatred.
Lack of love,
Death watch!
Burning with anger to fight and kill;
Violence!
Bred into you;
And now, killing others had been part of you today.

Edward Kofi Louis
Angle, Tangle!

Angle, tangle!
Accountability,
Just breathe,
Pull in,
Full! !
Weathering the storm;
Soar, so, as, oar!
Boomerang,
The touches of your love;
And, with things to come.

Edward Kofi Louis
Angles And Bearings

To turn to the bearings of your love when you do call me and,
To visit me in the fields of my love with your muse;
Because i am like a bird flying up high with the views of your love!
And with the directions of the angles and bearings in my mind.
Your love called me yesterday up high with your muse and,
It came and strengthen my soul like the peace of paradise!
And i will follow these angles and bearings always because,
That is how i can easily get to you with my love.

Edward Kofi Louis
Angry Crowd!

The angry crowd!
With the muse of illegal lust;
As they were not ready for peace,
In the land of trouble.

Greed, agreed!
To steal even from the common people;
From the poor people who have nothing to eat,
Because there is no order in the land.

Cat, cater!
Like the muse of contractors and quantity surveyours;
In the land of trouble as the angry crowd picked up sticks!
And, ready to fight.

Edward Kofi Louis
Anguish

Anguish is like her who brings forth her first child,
But set up your eyes on the truth of my love;
And like the storm-wind called 'Euroclydon'.

Edward Kofi Louis
Anguish, Languish!

Anguish, languish!
Anger kills the fool;
So, wake up and learn from the truth! 
Be upright,
Overcoming the curses of sin.

Edward Kofi Louis
Anguish, Languish!

Sway!
Away,
Always,
Stray! !
Astray,
Spray! ! !
Lay,
Pray,
Play,
Anguish, languish!
Empty purse,
With the curse of your works.

Edward Kofi Louis
Angus

Teaching and learning,
In the auditorium with the muse of love;
But the ongoing lectures are like the muse of peace,
And like Angus your friend who is now receiving treatment in the land of care.

Manpower,
Indicated,
Laboratory,
Enable,
Benefit,
Teaching and learning in the name of love! !
But let us always listen to the teacher around,
For the truth is like kindness, care, unity, peace and joy to meet up with your muse.

Edward Kofi Louis
Anim

I was born by the river and I live by this river,
For at the age of five I fell in love to the river.
I was married at the age of fifteen to a fisherman,
And I've never been to school before;
But my only education is with this river.

The name of my husband is Anim and,
We live by this river;
For my birth and life are all based by this river!
But today, I am old with my children born on this river.
At dawn I go out with my canoe to catch some fish,
And I have a hook to catch some fish at daylight as well;
For this river had been my life ever since.

My husband is a fisherman and,
I was married to him at fifteen;
And we've lived all our lives on this river.
This is my home and home of my children,
This is my way of life and of the people around me,
For this river is all that I know in this world.

Edward Kofi Louis
Animal Instinct

Man is born with an animal instinct!
And, the 29-year-old man raped the married woman;
Illegal lust! !
Trembled;
Of the shock!
Lack of morals,
And the earth quaked! !
Because, it was a sin against the ways of the Creator;
And, what he did was very wrong to nature.

Edward Kofi Louis
Animals

Animals of nature,
Animals of life,
Animals of the seashore,
Animals of the forest,
Animals everywhere!
With the muse of creation;
To respect them and to care for them.

Edward Kofi Louis
Animated

Amour propre,
Amble,
Amour!
Able,
Enable,
Ample,
Muse, amuse!
Animated;
With the muse of your sweet love.

Edward Kofi Louis
Animations

Of your blossom,
Of your bud,
Of your fruit;
You are from the vineyard of red wine my love,
But the grain must be ground to make bread.
To the drunkards of Ephraim i will never share my love with,
Like a woman in pain who is about to give birth to a baby;
Of the animations of life,
Of magic and polydaemonism!
Of a fadding flower like the animation of things.

You are the lady of beauty and the lady of Kingdoms,
But the flood of mighty waters is overflowing around you;
Like the first fruit before summer.
Cry like a woman in labour and write down this story,
For the Blacksmith has taken his tools;
But, prepare the way for the Carpenter to encourage the Goldsmith.
I am the voice of him who cries in the wilderness,
And i am like the cormorent and the owl;
For the inhabitants around are like grasshoppers without any hope.

Sow beside all waters and gain the morrow,
For death cannot praise you when you are gone.
Like a market place of the nations where the hungry man dreams,
Mourn like a dove with tried stones around its neek.
Animations,
Of the work and life we live in;
Animations,
Of the act of ones hope towards a dream;
You are very beautiful from a special vineyard.

Edward Kofi Louis
Anita

The bold and the beautiful,
The right time will come for the patient ones;
But do believe in yourself first!
And like a knock at your door with the words of joy.

I have been knocking and waiting,
But the right time will come for the patient ones;
And in various views and forms,
But like a dream of meeting Anita one day.

Edward Kofi Louis
Anja

A man kills his wife, two sons and himself!
Living in a land called 'Münsterland' like a Monster's Land;
But, what can we now do about it?
For, many are really disturbed in this life! !
However, we need true love in this life from each other to move on.

My love to you is like the outskirts of Axim!
And my name is Anja with this muse of love towards you;
But to learn to do the positive things always is like the muse of peace,
And, my love to you is like the Mississippi River in the land of your joy!

The truth about life is peace and love,
The truth about love is with care and unity,
And like the aroma of peace in the land of beautiful flowers!
But, hatred led a man to kill himself and his family in 'Münsterland'.

Edward Kofi Louis
Ankle

Ankle,
Life;
With or without!
Away,
To make the move.

Edward Kofi Louis
Ankomah

I want to have your babies!
But you are ambushed in the night by a stranger.
Love is like a visit to the City of David,
And you are mine forever!

'Yahweh Ropheka'! !
For the roses given to Rose is also for you;
And you are like the transcript on this love.
You are my life and like,
An interview to keep you on the tracks;
But if you run into a wall, don't give up.

Life is about the struggles that it brings,
So do not hide your love from me oh my lover!
Because, i want to have your babies.

Edward Kofi Louis
Ankomeah

Out of the royal bounty and out of peace,
Cling unto love to swing with the muse;
But be careful about life at times with,
Apes and peacocks as the signature tune.

Ankomeah, i desired your love but you left me lonely;
But King Solomon had 700 royal wives and 300 concubines.
Oh Queen Tahpenes, do extend my regards to Ankomeah;
And do lift up your staff and stretch it out over the Red Sea,
For my lover had left me in the cold.

Life is like to gather stubble to use for straw,
Of a pillar of cloud dy day and a pillar of fire by night;
I am now drown in the Red sea of love because,
Ankomeah had left me in the cold.

Edward Kofi Louis
Ankrah

Let me inscribe my love on your heart and,
Let me pass through the valley of your sweet love;
For the rock is now turned into a pool of water!
And Ankrah is my lover so sweet.

Edward Kofi Louis
Ankrah 2

Ankrah, arm, hark!
Love,
Passionate and beautiful;
To enjoy peace,
With the joy of your heart.

Edward Kofi Louis
Anna Marie

The height of the door of your love is very attractive,
And it is like driving down the Kasoa Road;
But the truth is directly known by all and i will cling on to you.

Your love to me is more educative and attractive;
And your closeness to me is more lovely and romantic;
For the naked truth is your nakedness.

Anna Marie! You are the sweet thing that ever touched my heart;
And i will be there for you always like the sunshine,
So let us take a walk on this sweet love.

Edward Kofi Louis
Anna My Friend

Enjoy the works of your hands and come to me,
For the tears of the oppressed are seen every now and then;
But i will let Anna my friend stay with you,
For the multitude of preoccupation creates a dream.

Edward Kofi Louis
Annabel

It will surely rise up!
Because, I am Annabel in the land of your muse;
And like the works of art and the beauty of your love,
For, the colour of the sea is like the muse of your town.

I know your mind and,
You are unable to hide this muse from me! !
For, it will always rise up to satisfy me;
And like the joy of success!
But, try to understand my sweet muse around you always.

Edward Kofi Louis
Annan

Many are called but few are chosen,
But this strange world will never lean unto the truth;
For i have been on the hard road towards success to meet you my love.
Mix languages,
And of your love so sweet like the Space Research;
For far beyond the skies i will kiss you my love.
You are like the potter on this love and,
I am like the clay in your hands;
So use me very well into the form and shape that you want,
Because i will always be there for you my sweet Annan!

Edward Kofi Louis
Annan II

Many are called but few are chosen,
But this strange world will never learn from the truth;
For, i am on the hard road of success to meet you my love.

Mix language,
And of your love so sweet like the Space Research!
For beyond the skies i will kiss you my love.

You are the potter on this love and,
I am the very clay in your hands;
So use me into any form that you wanted,
And i will always be Annan your lover.

Edward Kofi Louis
Anne

I want to love you better and even to your bones,
I want to kiss you deeper and even to your heart,
For you are the right partner for me;
And my sweet muse will be around to lead you on always.

My love fits you and your size fits me too,
For you are the right partner for me;
And our sex life will be as smooth as paradise! !

Edward Kofi Louis
Annemaria

To heal internal wounds after a long period of consideration!
And, to eat the meal of your lover;
From the firstborn to the youngest,
And like the treasure in your sacks.

People do reverence ruminant animals as Gods (Elohim) ! !
But, Yahweh will have compassion on His people;
And like the rue love that is shared around,
For, i have now seen your tears oh Annemaria!

To heal internal wounds after a long period of consideration,
I will surely heal you with my love;
And, to drink your fruit of love is like,
The muse of peace in the land of many waters.

Edward Kofi Louis
Annemarie

Yahweh came down upon Mount Sinai and,
The ten Commandments were given to us;
But, how many of us are with the Book of the Covenant?

Of a Black Family in the White House,
Of a White Family in the Black House,
Of the longsuffering and abounding in righteousness and truth;
But be very careful not to throw a bomb into the market place,
Because it may also kill your friends and your relatives.

May your house be like the house of Perez and,
May Yahweh be celebrated in Israel! !
For your bombs have killed many without a clue.

Annemarie, do learn from the secret codes of this world;
And do grow in love always than hate.
Also, tell your friend Yahash about the truth and shed no blood!
But try to repay evil with mercy and hatred with love.

Blessed be your wise counsel to others and,
Live a humble life to enhance the beauty of this earth;
And go to the wilderness of Paran for your teachings.

Of Eth-baal, Eth-el and Beth-el;
Learn the purpose of life to learn better than others,
For the meaning of life is always around you with peace.

Annemarie, there are various forms of philosophies to deceive many;
But look deeper into life itself to gain the wisdom needed,
For many are called but few are chosen.

Edward Kofi Louis
Annica

Annica, Ann, Cain, in;
To see the wall gecko!
But, try to find your magic in life,
With the muse of sweet love.

Peace and care! 
True love and joy;
With honour and humility,
Doing the right thing in your land.

Another day in Africa,
Another love to share with you;
Muse of life!
Works of joy,
With the view of the truth! !
Greetings from Africa,
Noted with the muse of righteous laws;
Another day in Africa,
With the muse of my mind,
With the joy of my heart! !
In Africa,
To share with you,
So, rise up!
Read on,
Read my poems,
Learn from me as well;
Because, we need peace on this earth than war.

Edward Kofi Louis
Another Dead Body

Another dead body,
Another burial;
As death came knocking on our doors.

Edward Kofi Louis
Another Exams

Of a year wasted in a foreign land trying to learn a language,
Of a year gone by with another exams to write again;
But, where is this future leading me to?
I have no money oin my pocket and,
Where is the future for me?
September 6th results,
Like a clip of an artwork to the universe;
But to Managua and Nicaragua,
Here is my voice again with a bitter heart to write my muse.
Man oh man!
Boy oh boy!
This style of living over here is unbearable;
And i have to live with my head always.

Edward Kofi Louis
Another Fall Of Rain

Chain,
Pain! !
Another fall of rain;
No gain!
Again in the land,
Train,
Strain, stain!
Another fall of rain.

Edward Kofi Louis
Another Gem

Another gem!
I am speechless;
Coming out from the stem of a big tree! !
In the land of my sweet muse.
Leek, look!
Wise and impressive;
To be active!
And, attractive;
Slate, late!
With the muse of the big tree;
Flute, salute!
Coming face to face with the gem and,
Being speechless.

Edward Kofi Louis
Another Level

Rain, snow, hail!
Another level;
Just one,
Just, once! !
Like, salt from heaven.
Do you see what i see? !
The harmony of life,
The muse of a canal,
A relaxing river,
A thinking wire,
Voltage! ! !
With the age of your lover.
One bird!
Like a lonely wolf;
One bed!
Decorated with red and white poppies.

Edward Kofi Louis
Another Man

Love,
Going away from me because you've got another man;
But, i need hope to move on,
Until i get to the river of success.

Life,
I love you from my heart;
But, you are going away from me because,
You've got another man.

Dark coffee! !
With your letters and your speech;
Faces, vision, history, mission, stations!
Hoping to get to the river of success one day without you.

Dark tea! !
Going away from me because you've got another man;
But, do have the truth in your heart always,
Because, i love you.

Edward Kofi Louis
Another Means To Get In

I have to ve in this house!
But, the gates are higher than me;
And, i have to find another means to ger there,
So, i have to see my Doctor to declare me sick!!
For, the prince is in love with me;
And, he cannot see me in any bad conditions.

Edward Kofi Louis
Another One Accepted It

It was rejected by one and,
Another one accepted it;
The laws,
The statements,
The Commandments,
The rules,
The judgements,
The orders! !
And, life is always like that.

Edward Kofi Louis
Another Opening

Another opening,
Another way,
To go along;
Hoping to reach to the end!
But, there are many obstacles in life.

Edward Kofi Louis
Another Page

The flow,
It came out once again!
After the stoppage;
To open another page in your life.

Edward Kofi Louis
Love,
To open another page;
With the muse of your age,
As you came along with your luggage.

Edward Kofi Louis
Another Piece Of The Puzzle

Life,
With another piece of the puzzle;
Going on,
Going along,
Growing up,
Upright!
Upgraded with the muse of love;
With the muse of the truth,
Without hurting your neighbours.

Edward Kofi Louis
Another Room

She's sleeping in another room and,
You're sleeping in another room as well;
But, you people claimed to be married,
And like a river with a hanging bridge over it.
She can't bring her love to you because of this situation,
And, you can't bring your love to her because of that situation!
For, the walls have divided you people on this love.

Edward Kofi Louis
Another Sector

To walk with nature and,
To let the cat out of the bag!
You are who you are and, i am who i am.

Anoter sector,
With the works of love;
Able to help others to stand on their feet.

Edward Kofi Louis
Another Skin Colour

The professor has got another skin colour on his face,
But we need to help him to solve this problem in the name of peace and love,
And like lovely actors playing it safe in the land of peace and joy!

The professor has got another skin of his face!
So, the Doctor need to take care of it to satisfy his muse of love around;
However, Father yahweh will surely lead the way always,
For, His Mercy and Sincere Love endures forever! !
And, He is all that i do hope in to treat this professor.

Edward Kofi Louis
Another Way

Another way,
Another view,
Subconscious,
Facing the light!
Purloin,
Vision,
Transmission,
Mission, permission!
To meet people like this poet.

Underworld,
Inflect,
Scare of life! !
Uncertainty;
Straddle, saddle!
But, try to be helpful to all in life,
For the peace of the earth.

Pandit,
Rain, rail, raid!
Face to face,
Hand in hand,
To speak the truth;
To share ideas,
And to have a purpose in life.

Heal your body with the works of the truth and,
Heal the world with love;
Because, your smile and laughter can bring joy to your neighbours.

Mound, bound!
Vintage,
With the muse of your age;
Tarry,
Votary,
Like a story,
With the history of the land.

Freedom,
Independence,
Liberty;
Ward, steward!
With the seal of the truth;
And built with love.

Fame, same, came!
To tame him or her with your love;
Words of wisdom,
Words of peace,
Works of life;
In the land with a stand,
Seeing the ways of the people with the muse of nature.

Edward Kofi Louis
Another Work

To try another work,
To fry your eggs,
Geometry!
Hot and rainy afternoon,
Dark shades of life,
Secondary with the works of your love;
The best of the best,
Seeing your works always;
But, don't cry when you miss the train today.

Edward Kofi Louis
Lazy, crazy, hazy;
But, it is inside your hands.

Severe pressure!
At a time;
One's dream,
One's hope,
One's body;
But, it is inside your hands.

Grey, prey, very, obey, fey, hey;
And like the dead bodies of war! !
But, you need love at your side.

Plague, argue, colleague, league, flue, blue, true;
try to know my name for, i am Anoushah!
However, this muse dates back in time,
And like the first time that we met.

Edward Kofi Louis
Answer Me

Answer me with your love and let me kiss your lips,
For you are the only one my heart yearns for;
And like the early days of your love with the muse,
But answer me and let me know your mind.

Edward Kofi Louis
Answer My Prayers

Life is great!
Love is great!
Joy is great!
But, answer my prayers.

Edward Kofi Louis
True love will never leave you! ! True love will always be there for you. So, live with the muse of the truth and do what is right always.

True love is all that we need! ! In life; without hurting your neighbours. Move on with your mind! ! Answer your life with righteous works.

At the bay.

Edward Kofi Louis

Impart,
Preach, reach, each!
With the message of love and, the truth.
Ant, servant!

With righteous works,
With the promise of positive acts! 
Under the umbralla of the laws.

Edward Kofi Louis
Ant, Vagrant!

Plant,
Slant,
Pant,
Ant, vagrant!
In the prime of your life;
Facing the odds,
With the wind blowing against you! !
Trying to stand firm with the truth.

Edward Kofi Louis
Anthony

I am Anthony and,
I did not have much schooling;
But i do have deep respect for you!
And it is like a drink of cold water in a very hot day.

Edward Kofi Louis
Anticipated

Anticipated! !
Utterance,
Tendency,
With cowries used as money by your ancestors;
Of a deep-seated culture,
Belonging to the land of many colours.

Edward Kofi Louis
Anticipating

Collaboration,
Anticipating,
Stakeholders;
You are 22 years old and you love my muse,
And like one among the few in the land of roses.

He wants more and she wants more,
But you are 26 years old and you love my muse;
So come and take me to a lovely place and,
Let us rest on this love for a while.

Edward Kofi Louis
Anticipation

Table performance,
Posturing!
Topped up to the brim;
From the game!
Into the realm of nonchalance.

Betrayed!
Apology;
To eat the humble pie,
Forward!
Dripped,
Overflowed.

Posturing!
To exhibit remorse;
Out, outing!
To address the issue;
Tense, sense!
Personified.

Arrogant,
Person, personified!
Wreaked upon,
Figured!
To the platform and to acknowledge the truth.

Anticipation,
An emotion!
To understand it,
With entitlement and superiority;
On and off the field.

Edward Kofi Louis
Antioxidant

Antioxidant,
Antimatter,
Age, page!
Antiseptic,
To cure your heart with true love,
To cure your heart with the truth,
Anthropocentric!
Stage, sage!
Antiquity;
Passage, message!
Events,
So clean or pure;
Sure with the truth!
Antimacassar,
To secure your mind with the truth;
Message, courage!

Struggles,
Problems,
Poverty,
Growing up,
Hustle and bustle;
Experiences!
Knowledge,
Wisdom,
Muse, fuse!
Not to refuse the truth.

Edward Kofi Louis
Antipas

Suffering,
Outrage and rape!
But, prove a point for me to respect your muse;
And, be very faithful to endure in the faith always.

Do the right things always and go against evil thoughts,
For, i am also ready to protect you with my sincere love! !
Because, the Antipas is now around us today.

Edward Kofi Louis
Anti-Patriarchal

Anti-patriarchal tendencies,
I am still in exile because of your love;
But legally valid is the principles of this love,
But i am very far away from home.

Edward Kofi Louis
Antiquity

Fair,
Affairs,
Lovers in the land of love;
Antiquity!
Fairy tales,
Beyond your imagination;
Implicated! !
Like the worship of a dead person.
Tales,
Folklore! !
To change their names and,
To hide their identities;
For a reason!
With the muse of the season.

Edward Kofi Louis
Antje

Antje, ant, at, tan, neat, an, eat, jet, tea, ate;
But, who are you?!
Of i may ask;
Rose of love,
Rose of virtue,
Rose of peace,
Beautiful Rose!!
Are you like the solar lamp or, a water tank?

Edward Kofi Louis
You need something from me and,
I need something from you;
And like a turning point to meet my muse,
But speak only the truth always.
I've got one point right away and,
You've got my love in your hands;
But Antonio came along with his dog,
And it was as if I was a monarch to you!

Edward Kofi Louis
Ants And Spiders

Living in the forest,
With the breeze of nature;
Along with ants and spiders,
As they paid me a visit!
Seeing them everywhere in my room.
Ants and spiders,
Being very successful in the forest;
Ear, early!
Living in the forest;
And, to rest my mind with the muse of nature.

Edward Kofi Louis
Ants, Giants!

Learn the ways of the ant and be wise;
For, you are now in the bathroom with another man.

Rebel!
That's what you are today;
But, learn the ways of the ant before it is too late!
Because, your friend is now gone with the wind.

Edward Kofi Louis
Ants, Servants!

Ants, servants!
Sensitive;
On the Island of Love,
Searching for your heritage.

Honour! !
Of your cultural heritage;
Ants, servants!
With the muse of a special guest around.

The will!
Your will;
Till the day is over,
Under the eyes of the laws.

Edward Kofi Louis
Anuma Fante

To reap the maximum benefits from your way of life and,
To learn how to do the right thing always;
With high professional reputation like 'Shaft In Africa'!

Anuma, anuma, anuma!
'Anuma eat', 'anuma drink', 'Anuma Fante! '
Like Mount Sinai engulfed with smoke;
And, where the glory of Yahweh rested to give us hope.

Do feed my lamb when you do have the means like,
Arms for alms in the land of the poor!
But the day comes when,
All things shall pass.

Edward Kofi Louis
Anxiety

The stop of the flood of letters and,
The stop of the flood of love;
But times are changing for you and i,
And i need time to go on with my mind.
Anxiety with the stone-dearf ears,
And of the love of a bandage wound;
But the Princess will soon burst out in tears.

Can you imagine it?
And of a royal visit and without food;
But i am worried about the facts of your love.
No easy walk to success but,
Everything which has abeginning has an end;
And i am now on the hard road of my life.

Are we dying enough to help each other?
Fir the signs of the time are here with us;
And i am full of anxiety.

Edward Kofi Louis
Anxiety  2

Anxiety! ! !
A person's heart weighs him or her down;
But, an encouraging word makes him or her glad.

Virtue! !
To seek for the truth always;
And, to live in righteousness,
Trying to overcome the problems of the earth.

Edward Kofi Louis
Anxiety! !

The circular,
Anxiety! !
Consultations,
Facing the problems around;
Meeting to address issues,
With a debate!
Able to settle down with the truth.

Edward Kofi Louis
Anxiety! ! !

Anxiety! ! !
A person's heart weighs him or her down;
But, an encouraging word makes him or her glad.

Virtue! !
To seek for the truth always;
And, to live in righteousness,
Trying to overcome the problems of the earth.

Edward Kofi Louis
Any, anybody!
Antipathy
Of the Red Rose and the White Rose;
Walks of life,
Of the Red Sand and the White Sand;
The milestone!
Of the Red Sea and the White Sea;
Like a dream! !
Of the Red Country and the White Country;
Sleeping with two women on the same bed!
Of the Red Continent and the White Continent;
North-West Wind!
Of the Red River and the White River;
Clash of the cultures! !
Of the Red Land and the White Land;
From above!
But, who is your friend?
Fake name! !
Wrong identity;
Contrivance,
Whispers,
But, who is your lover?
Let's move! !
Let's love,
Let's care for each other;
But, who is your farmer?
Be, beyond!
I will always talk about it;
Rod, road!
Take it,
Try it,
Use it;
Lent, excellent! !
And like the Red Shoes and the White Shoes;
Lent, learnt!
Of the Red Colour and the White Colour.

Edward Kofi Louis
Anyah

Anyah,
Women should try to stick to their marital vows;
Because this life is to train them to the courage of love,
And like the sweet muse of 'Osabarima Kwesi Atta II'.

Anyah,
An amicable settlement is what yu need on this love;
Because this life is to train women on the courage to love,
And like the sweet muse of 'Osabarima Kwesi Atta II'.

Edward Kofi Louis
Anyanwu

You and i were made but,
Why are we here?
You and i were made but,
We are here to learn to be perfect on this earth.
Life is how you make it,
But according to the rules of the Creator than mankind;
Yet still, what is the meaning of life?

Of the days of my dreams and,
Of the peace taken over by the wars around us;
Are you sleeping alone? Then, think twice.
Learn from the rules of the laws around you and,
Try to achieve victories than empty words;
For there is a higher power out there than that of mankind.

The knowledge of life are with rules and,
The stream returns again to where it came from;
So, do keep my love at bay with your sweet aroma.
Anyanwu, come into my Oval Office;
For all the streams flow into the sea but,
The sea is still never full.

Edward Kofi Louis
Anything

Love,
I can do anything for you;
So, tell me,
Anything.

Edward Kofi Louis
Anything  2

Tin,
Thin,
Thing,
Something,
Anything.

Edward Kofi Louis
Anything Can Occur

Life!
Anything can occur today;
But, always be straight,
With the ways of the laws.

Life!
With the muse of your acts;
In this town,
But, always be straight.

The cult of death!
With the muse of the hypocrite;
Cleaning only the outside of the plate,
But, anything can occur in this life.

Edward Kofi Louis
Anything Is Possible

Impossible is nothing in this world!
For, anything is possible in life;
Nothing is impossible in this world!
For, anything is possible in this life;
However, one needs to have a dream and,
To focus on it always to fulfil this dream.

Edward Kofi Louis
Anything Is Possible  2

From zero to hero! 
From nowhere to somewhere;
Anything is possible in life.

Edward Kofi Louis
Anywhere

A master at something,
Anything!
Anywhere,
Anytime;
Only with the truth.

Edward Kofi Louis
Anywhere with life,
But somewhere with love;
Anything to go with,
With something at heart!
Someone to talk to,
With somebody to share your thoughts with,
Anybody along the line to express his or her mind with you;
Anytime and anyday! !
Along the lines of life.

Edward Kofi Louis
Anzelyne

Come!
Change me with your love;
Bring me hope,
Bring me joy,
Anzelyne, an, yean, ale, zeal, lay!
With the works of the truth.

Edward Kofi Louis
How can you stop the rain from falling?!
How can you stop the truth from coming?
And like a barbecue to the heart of the soul;
However, the status of my mind is on your love.
Aogo my sweet one!
Take the weather with you always;
For, i have told you lately that i love you.

Edward Kofi Louis
A-One!

A-One!
Endeavour, end, an, and, den, dean, dear;
University Boy and a Salon Girl! !
Coming together,
Sign, assign!
In unity,
Birth, girth, mirth, firth!
In one flesh,
Mite, might!
In marriage,
But, the miscarriage was brought about because of the carriage! !

Endeavour!
Poach, coach, approach, cockroach, reproach;
Hear, ear!
In the valley of smoke;
In the Bentley University of Massachusetts! !
hear, heart!
And like tapping honey;
But, you've not found anyone like her.

Edward Kofi Louis
Aparna

Healthy and strong,
Something in the black polythene moved!
And i want ot inform you about it.

Life is like the separation of the placenta and,
You have to look before you jump over this lake;
For i am your true lover on this side of the lake.

Aparna, your message is straight to my heart;
And, i will be very strong and healthy for you always.

Edward Kofi Louis
Apart

Art,
Mart,
Part,
Apart!
Chart,
Dart,
Smart.

Edward Kofi Louis
Aphek

Bring your beautiful wives for my silver and gold!
For my land is full of them;
And, i want to share them out so easily with you all.

I am Aphek and i understand the muse of love,
But bring your wives and share with me as well;
For in the land of plenty will i rest assure you all.

Edward Kofi Louis
Aphek 2

Aphek, heap, peak!
The inheritance of my fathers,
A day of gladness,
The day of joy!
Until the morning light;
With blessings of the land.

Edward Kofi Louis
Aphelion

Apex!
With Alex;

Price!
Like Alice in wonderland;

Aphelion,
Not the lion! !

Aphorism,
Aphid,

Life, love, peace!
With positive morals.

Apical,
With the rules around;

Apices!
Not pieces;

Cultures,
Apiculture;

Agriculture,
Apiece;

Aplomb! !
Muse;

With your muse,
With my muse,

Apogee!
With your skills.

My mind,
Your mind;
Apologia! 
Apophthegm;

I couldn't sleep!
You can't sleep as well.

To agree,
Like a bee!

Grew,
With the muse of the tree.

A posteriori,
With the aparatus;

Your muse,
My muse,

Use! !
In infuse;

Not to refuse the truth,
With righteous morals.

Edward Kofi Louis
Apiece Apart

Apiece apart! ! But rise to the truth!
Peace and love to the world,
Insight with the muse of righteous characters.

Edward Kofi Louis
Apology

Skip to my love and let me teach you,
For your apology is now accepted;
So let me feel your presence on this love,
For the difference in age has nothing to do with us.

Edward Kofi Louis
Appalled

All who passed by will be appalled and others will scoff,
For this was the very place that i had my first experience;
But it was wet enough today as we came along,
And like slaves bounded with bronze shackles.

Edward Kofi Louis
Appalled 2

Disobedience!
Curses,
Misery,
Appalled! !
Scoft,
Not soft;
To face the disaster.

Edward Kofi Louis
Appalled  II

Life,
Appalled;
Horrified! !
Because of hatred and war,
As one cuts the head of his or her neighbour.

Deception!
But, to lament and wail;
For the wickedness of mankind on this earth,
With horrified scenes.

Life,
Appalled;
Horrified! !
With your sword at your neighbour's throat.

Edward Kofi Louis
Appear, Disappear!

To disappear!
To walk through the stone walls;
Appear, disappear!
Excellence in mind and body;
Tree, three!
Out of the jungle;
Free, spree!
To be trained by you;
Veiled, unveiled!
Naked,
Having a bath;
Skulk, bulk!
Fortified to the sky;
But, it is now know of and it is now heard of!
In your town.

Edward Kofi Louis
Appearance

Appearance, pear, pan, pen, appear, ear, era, cape, cap, pence;
Where the word of the king is,
There is power! !
But whoever keeps the commandments will experience nothing harmful.

Appearance, ace, rap, rape, reap, near, pace, pea, ape, an, race;
And like the muse of your love in the land of your birth,
But try to understand the systems around you!
For whoever keeps the commandments will experience nothing harmful.

Edward Kofi Louis
Appearance And Conduct

Love,
Appearance and conduct!
To humble yourself,
And, to be abased with the muse of the truth.

My beloved,
As you have always obeyed me!
In my presence and in my absence;
With the positive works of your hands.

Share the truth of the laws to others!
That, they may change fro the better;
If only if,
They are really ready to change on this earth.

True love!
Blamless and harmless;
With the appearance of humility and,
The conduct of your compassion.

Edward Kofi Louis
Appearance Of The Moon

The appearance of the moon and the muse of your love,
And like the fingers of the four living creatures;
But i saw the face of a man and the face of a lion!
And like the soles of a calf's hoof.
The face of an ox and the face of an eagle also came in,
But like a great marriage feast of love! !
And out of these visions came the muse of your love.

Edward Kofi Louis
Appearance! !

Appearance! !
Found,
Profund;
With the conclusion of your sweet love.

Edward Kofi Louis
Appearances

Appearances, appears, ran, sea, pans, sear, ear, pace, aces, era, pens, peace;
The wealth of the land is now exposed to us!
But only few are controlling it and majority do suffer.

Appearances, pears, peers, an, as, rapes, raps, reaps, peas, cans, near, races;
The wealth of the land is controlled by only few people and,
Majority suffers in the name of practicing democracy.

Edward Kofi Louis
Append

Pen,
Penned,
Append,
The result,
Like a myth! !
Age,
Personage,
With the muse of your language.

Edward Kofi Louis
Appertain

Clove,
Clove!
Lover,
Lower,
Closure;
Appetite,
Appertain,
Causal workers! !
Rescue zone.

Edward Kofi Louis
Appetite

A man's labour is for his own mouth but his appetite is not satisfied!
So let them eat their own waste and drink their own urine;
Because you need riders on the horses to follow my path of love!

The Aramaic Language and the Hebrew Language were used from the beginning,
And like Rab and Shakeh as friends of mine;
But i have to wait till i get your love letters so posted to me.

Edward Kofi Louis
Appetites

Safflower,
Sunflower,
But the air of the sea sharpens our appetites.

Edward Kofi Louis
Apple

The big tree in your garden is the apple tree;  
Seeing a big apple on it this morning!  
And, you plucked it;  
The lovely red apple,  
Very attractive!  
Eating it,  
Having a nice taste;  
With the joy of your heart!  
And, the muse of life in your lovely garden.

Edward Kofi Louis
Apple And Pineapple

Dabble,
Apple and pineapple!
Addle,
On the saddle of love;
Maple,
Dappled,
Escaped with the muse of life.

Edward Kofi Louis
Apple Cake

Wake,
Rake,
Make,
Bake,
Apple cake!
Before going to the lake.

Edward Kofi Louis
Apple Cake2

Make, lake!
To swim in it,
With the muse of your love;
And, to bake your apple cake afterwards.

Day, play!
And to rake the garden of love;
Very stable! !
Able,
Capable,
To set a table for your apple cake.

Edward Kofi Louis
Apple Tea

Apple tea!
Drinking it and,
Thinking about the world;
Yes, the world we live in! !
With the ways of the people,
The hearts of the people are very cold!
With no true love;
Hatred leading the way!
With people ready to kill and destroy.
This world,
This very world we live in;
Drinking my apple tea and,
Thinking about the people! !
Why is it so? !
Why is the world like this?
Hatred and war will never bring us peace;
We need the truth!
With righteous laws;
To enhance the status quo of life with,
Positive moral goals.

Edward Kofi Louis
Apple Wine

Apple wine,
To dine with you;
Dinner for two,
Just for the two of us.

Edward Kofi Louis
Apple-Pie

Rhinoceros, buffalo, aaligator, fox and leopard! !
Of the rain on my side to wait for you;
But, the snake came along with the words of war.

Lion, tiger, elephant, crocodile and the rabbit!
Of this rivder to cross in the land of my muse;
But, the eagle came along with the words of joy.

Drinking 'Palm-wine' and 'Pito' on this journey,
And like a philosophical colloquy that lasted into the wee hours!
But, the story of the weathger was also part of it.

Suddenly! ! A snake hurried across!
And darkness fell unto us all;
But this apple-pie and the creamed cake gave us hope,
And like the rice and chicken with pawpaw that we ate last night.

Enter into the world so sweet! !
And like the bibulous man next door;
Just like the state of my mind on thisd long journey.

I am very artful to my words,
I am very mindful to my works,
I am very watchful on this road;
And to put things in the right place is like my sweet muse of love,
So, i always need this apple-Pie around for my strength.

Edward Kofi Louis
Apples

I am an orange man from an orange tree and,
I want to taste the fruits of your apple tree of love;
So prepare me a table so sweet for your apples.

My juice is orange and your love is from this apple tree,
So prepare me a nice table to taste some of your fruits!
Oh, how i dream to taste your sweet apples.

Edward Kofi Louis
Apples And Oranges

Up close!
Down there;
The land in between,
Down in,
The road! !
Lull in the rain;
Bull in the ring,
Full with ideas,
With the muse of apples and oranges.
Moose, muse!
To catch a glimpse;
To discover the land,
To discover your love,
Down in there! !
With the view of the ocean and,
The fusion of your love.

Edward Kofi Louis
Apples Of Gold

Positiveness,
Honesty,
Kindness,
Words fitly spoken like,
Apples of gold in the settings of silver.

Edward Kofi Louis
Apples!

Apples!
Eating them;
For love,
For your health,
For real.

Apples!
The apples do not fall far from the main tree;
The red apples,
The green apples,
Eating them,
For real,
For love,
For your health.

The opportunties of life!
For the right time;
Taking the advantage,
Eating apples,
For real,
For your health,
On a lovely day,
Living in the land of apples with the muse of joy.

Of the mixed-zone,
With the muse of sweet love;
Apples!
Eating them,
For your health,
For love;
And, for real.

Edward Kofi Louis
Application

Stream,
Sense,
River,
Hope,
Brook,
Love,
Flood,
Nation!
Blood,
Gene,
Implication,
Application.

Edward Kofi Louis
Apply It To Your Works

Apple, apply!
The only one,
The only one needed,
The only one to be used,
The only one prepared for your works,
Needed! !
Indeed,
To heed to the works of life,
Your need,
With the seed of the truth,
The muse of love,
True love,
To weed out lies!
For peace and joy;
With the glory of positive morals,
Teacing the truth,
To apply it to your works.

Edward Kofi Louis
Appointed Time

Called,
Justified,
Glorified;
The appointed time and the administration of my house,
Come and let us be under one head.

Edward Kofi Louis
Appraisal

Love,
With your appraisal;
Movement up,
To the upstairs!
To the shower room;
And, to take a bath.

Free!
Free at last;
With the muse of your works,
The beauty of your sweet love.
Love,
With your appraisal;
And, with a supporting affidavit.

Edward Kofi Louis
Appreciated Effort

Examining him from head to toe,
But, i've my own worries to share with you;
However, she saw love in him and couldn't stop looking.
Examining him from head to toe,
But, i can't shoulder your problems as well;
For, his skin was as young as a boy.
Appreciated effort,
With love, scope and imaginations;
Appreciated effort,
With sharply defined muscles over his torso;
And, that's the love that she finds in him.
Very handsome, very lovely;
Of an appreciated effort to the one she loves!
Very pretty, very lovely;
Of an appreciated effort to the one she loves!
But, what we do and, how we do it is all in the name of love,
'Ah, mademoiselle'!
The voice of the man to the curious woman;
As she saw love by examining him from head to toe.
He is really a poet and, the inevitable occurred! !
Dressed in a flowing lavender gown to approach the man;
Ah! Their love met with a kiss.
'Oh my dear'! 'Oh my dear'! !
She finally managed to say words like these;
But, the human brain of his man is very far ahead of mankind.
On this case! !
I'm not certain but only hopeful;
'You are mine and mine only'! were the very words out of her mouth;
As she finally found love by examining him from head to toe.

Edward Kofi Louis
Appreciation

Love,
Appreciation;
Your sweet love,
I do have a surprise for you! !
I am pregnant;
Like the muse of the diamonds of Africa!
With the colours of the roses around me.

Edward Kofi Louis
Approach, Reproach!

Approach, reproach!
Male and female servants,
But, try to purge out the old leaven;
So that, you be a new batch,
With the muse of righteous laws.

Edward Kofi Louis
Approaches

Terminating!
Too young to enter in;
Concept! !
Concentrated,
Approaches,
On the basis,
But, with guiding principles.

Edward Kofi Louis
Appropriate And Timely

The resolute attempt!
Your lover needs you and my lover needs me;
Yes, for each and everyone on this earth.
The informant,
In recent times;
On a jolly-ride to meet your muse,
And like the mood of your refreshment.
Mankind!
With the human soul of love;
Appropriate and timely;
However, the informant is always around.

Edward Kofi Louis
Appropriate Message

Doe, foe, toe, woe!
Like a ravenous wolf;
But in the morning, it devours the foe.
This is a message for an appropriate time,
Like a strong donkey lying down between two saddlebags;
And in the evening, it will divide the plunder!

Doe, foe, roe, woe!
Blessings the breasts and the wombs;
Of an appropriate message to all the women,
But to bear a child's burden is like to embalm his father!
But life at times is like a wild colt by a spring of water.

Edward Kofi Louis
April 16th

The child in her womb have spoken,
So dail her in Room Number 22;
And there she was admited and about to deliver her baby.

April 16th 2006 is still in my mind,
With pharmatical cocktails to tell my story;
But the medications put her to sleep.

Pain at her back,
Movements in her stomach,
And of a baby to walk along with, through the waters of love;
But she was admitted to deliver a baby.

Life is like a planted garden in which you eat from,
With bald heads and shaved bears;
But April 16th is still in my mind.

Oil, wheat and new wine;
There are no longer tears in my eyes;
And from one room to another and, from place to place!
For she was admitted to deliver her baby,
But she finally landed in Room Number 147.

Rooms numbers 2,4,5,22 and 147 recorded her muse;
And her mother and her sister came to visit her!
But with the daily visits of mine to boost up her ego.

The status of love and the spirit of care,
Ans she gave birth to a bouncy baby boy! !
For the Doctors and the Nurses did their best,
And it was a nice delivery.

April 16th was like the wake up call,
And with the abundance of medicaments to boost up her ego;
But she finally amde it through and was able to deliver.

Aprreciation

Insurance,
Protection,
Aprreciation;
With the muse of true love.

Edward Kofi Louis
Aptly Depicted

Speculated!
Aptly depicted with the muse of your love;
Interesting,
Attractive!
Intensive;
With the muse of life,
And, impressive with the muse of your joy!

Edward Kofi Louis
Aquinas

Propping,
Area code,
Figures!
Fingers,
Dates and numbers;
The time of events,
The time of life.

 Appearing in the midst,
In the skies of Syria!
Of things seen,
With the nature of the bombs.

Doorways,
Rope, hope!
Dead bodies tell us the story going on in Syria;
Like the days of slavery and sugar.

Pall, all!
The pole of the field,
The sole of the foot,
With a hole seen in the middle;
The whole story in syria,
Aquinas, sin, as, in, us!
But, mothers will open up the books of history one day.

Flood! !
With rivers overflowing;
But today in Syria,
It is only bombs and dead bodies.

The lamb,
The lamp,
The light of the world!
The way for peace and joy;
Already lost in Syria.

Edward Kofi Louis
Sind a joyful song on my love and,
Sing all night long for the moonlight too;
For the sun comes the morrow and we will be in the heat again.

Sing my sweet one,
Sing my lover;
For your name is Arab and,
I really fell off today when I first saw you.

Please, come in to me and give me a child;
Come my sweet one ever met on this love,
For a man does not comprehend wisdom's value.

Edward Kofi Louis
Gold, Onyx, Sapphire, Topaz, Crystal, Coral, Pearls and Silver;
I sat as their Chief and i was enticed by their love,
And i was in loved with one called Araba.

Like a man enticed by a woman,
Her love was like the source of the rivers;
And i was totally lost in the bush to find my way back.

She was called Araba among the beauty of the beauties!
And i sat there as a Chief to watch them play.
Love, there are many ways of it to touch you;
But she was the best among them all.

Edward Kofi Louis
Arabah

My tears bath my pillow in the night like a river and,
My bed soaks all around me in the night like a lake;
But to whom shall i keep my peace with when,
I am lost in the ocean of the night?

Praise so be to you who understands my problem,
For how long can i swim to you on this river of love?
I am lost, naked lonely;
And i need your true love to carry me on.
I am lost on this side of the river and,
How can i swim through this ocean of love?
Since, the woes of the night is all over me.

You can hear the noise of the river and,
You also see the pains to my movements;
But the sea of love to my heart is like this lake around me.
Come and carry me over this ocean,
Come and take me to the other side of love;
And like two lovers lost in the deep blue sea,
Why should my night be so long on your love?

This night needs an escape to your love zone,
So come oh my lover and take me across the sea;
And, why should this trap run over me without my lover?
For the cold of the night had also trapped me than thought.

Come oh my lover and see me through,
For i am very lonely and naked;
And there comes the river of my tears again.
I have to overcome this lake and rushed into the ocean,
For your sweet love is enough to see me through the waves of the sea.

Why should this occur to me when, i am cold and lonely?
For a beggar knows his own lover and the blind knows his own way;
But i am alone and lost in my dreams.

Come oh my lover,
Come and see me through;
Arabah is your name and, i will overcome this water by your sweet love.
Edward Kofi Louis
'Mügö chä tö il',
With the muse of the old man;
'Mügö chä tö il',
With the muse of the old woman;
At the work place!
IN South Korea.
'Mügö chä tö il'!
This is the way the story goes;
Work, work, work, work all day without rest.
From Monday to Sunday and,
From Sunday to Monday;
In South Korea,
But, the Creator created the Seventh Day for rest.
Come and see!
In South Korea,
Where people work like robots;
With the smoke from a factory going out into the air!
Just to make some money to feed your family,
Without a rest for 'Aräbögi'.

Edward Kofi Louis
Aram

The Birim River,
The 'galamsy' operators;
The Birim Forest,
The chainsaw operators;
I am Aram in the 'Akyem State' writing out my mind,
For the goddess 'Abena' is now angry.

MINing along the river banks,
Mining on the bed of the river,
But when will i rest my mind for the forth coming festival?
For these activities going on are against the status of the land;
And the gold rush had really changed the muse of this peaceful land.

Edward Kofi Louis
Aram 2

Aram, ram, arm, am!
With the muse of the forest around you;
But, take heed,
And, make the right choice in life.

Be quiet and, do not fear! !
Living in the land of love;
Cultivated with the hoes of peace.

Life is a gift from heaven!
To thank the Creator for being here;
Because, HE FIRST LOVED US,
As such, let us love our neighbours like ourselves.

Edward Kofi Louis
Archelaus

Archelaus, sea, care, hare, arch, arc, care, heal;
With the essence of your love in this land,
But, left to grope in your financial difficulties.

Archelaus, he, she, has, as, ash, seal, us, real, hear, ach;
With the privileges of the works in this town;
And, to reach out to the people who needed them most.

Archelaus, use, cause, curse, sale, ale, sure, ear, era!
To enrich your love with your hormonal changes,
With the opportunites of the land and the duties ahead.

Come, income!
To overcome your material darkness with the muse of life;
And, to update your mind with the News around the world.

Edward Kofi Louis
I am Archer and I love you,
But let me hunt for some fish for you;
For your beauty had really touched my heart!

Edward Kofi Louis
Archers!

Illegal lust,
With drawn out swords!
Facing the world;
All around us today,
In the name of hatred and war.

Archers!
Gone to the housetops;
And, full of commotion,
In a tumultuous city.

Sadness,
With the muse of illegal lust;
Archers!
With drawn out swords;
In the day of trouble.

Slain, pain!
With the dead in the battle;
Perplexity!
Treading down;
And, breaking down the walls.

The quiver! 
With cries from the mountains;
As mankind shoot at each other,
Because of the muse of hatred and war.

Edward Kofi Louis
Archive

As cold as the glacier and,
A hot as the sun!
You are resting in my archive and,
I have all the time at hand to search for you!
Over and over again.

Watch the noses to identify them,
For the genetics of life is all about us;
And like seven men of honest reputation.

Edward Kofi Louis
Archs, Monarchs!

Archs, Monarchs!
Other uses,
Aim!
Same,
Claim;
The same year.
The philosopher! !
The eloquent,
Use,
Muse,
Fuse!
Infuse;
Not to refuse the works of the truth.

Edward Kofi Louis
Ardent Lover

Deserving commendation,
In urban areas to satisfy your lover!
But i am well known at the rural areas;
And like an ardent lover in your town,
For, the Editor-in-Chief came along to respect my works.

Edward Kofi Louis
Ardman, Adam, man, ram, arm, am, dam, dram, drama!
Operatives,
The accident!
With the vehicle;
Still perfecting the ways of your life in this town.

Muse!
Perfecting your ways in life;
Love!
Uncovered with the muse of the laws;
Miss, amiss!
On condition of anonymity;
From a strained relationship.

The ritual!
Released from prison,
Jobless;
Roaming on the streets!
Wasting your time,
And strategising your muse with the ways of the land.

Man, manhunt!
With divergent views;
But, the crowd gathered to hear your statement on the issue,
Because, the workers of Satan are around us today! !
Stealing and cheating;
Without righteousness in them.

Edward Kofi Louis
Are All Things Lawful?!

Earth,
Are all things lawful? !
No! !
Not all things are beneficial to us.

Man was not created from woman,
But the woman from the man;
So, the head of every woman is the man.

The truth!
Based on facts and reasoning;
Let righteous laws lead us.

The power of nature,
The power of life,
The power of love,
The power of the ocean!
Waves of life,
Romance of nature,
Health!
Wealth,
Worth! !
North;
With the muse of the truth.

Facts, acts!
With the works of peace;
Man! !
It is better to marry than to burn in lust;
He who joins himself to a prostitute ja,
In one body with her.

Carnal minds!
The people lusted after their bodies;
To eat and drink,
To play and dance,
Unlikely partners;
Swimming in the river of lust.
The spirit of the truth!
A virgin is engaged,
A virgin is married,
Based in the Faith,
The faith of righteousness.

Love!
To keep the works of the truth;
Learning always,
With righteous laws.

A look at the stars through your window!
Nature,
To kiss your lips with the fragrance of life;
With the romance of the truth,
Bringing joy to your heart.

To hear the truth,
But the truth is not accepted by those who are perishing!
All in your speech,
All in your knowledge,
As it was written from the beginning;
The truth is always the truth.

To compete,
But only one receives the prize;
To be First! !
Don't beat the air,
Don't run about aimlessly,
Tongues painted with deceit.

When i was a child,
I spoke like a child;
Now i am an adult and, i am speaking like an adult! !
However, Prophecy is for the believer; not the unbeliever.

Electronic warfare!
Tactical Nuclear Weapons;
All are guilty of sin.

Edward Kofi Louis
Are They Ready To Listen?

52 years old!
Sitting among 17 years old to learn from the truth;
But, are they ready to listen?
For, their hands are already on the touch screen,
Because of the muse of Satan! !
Deceiving the whole world.

Edward Kofi Louis
Are You An Artist?

Are you an artist?
Are you painting with the Ink of the Pen?
Then, i am looking for you!
Because, i have a contract for you.

Edward Kofi Louis
Are You Lonely?

Are you lonely?
Call me if you need me;
Call my name!
And i will be there for you.
Alone,
No way out! !
Call my name,
Call me if you need me,
And i will be there for you.

Edward Kofi Louis
Are You Somewhere Feeling Lonely?

Are you somewhere feeling lonely?
Then read my poems to get yourself to another realm!
Someone invisible,
A company;
Let my poems be your companion,
To overcome your loneliness;
Hello! |
Are you somewhere feeling lonely?
Then read my poems to satisfy your muse.

Edward Kofi Louis
Are You The One? !

Hello! !
Are you the one? !
The truth is sweet to the soul and,
It is health to the body;
Wisdom is better than gold!
Understanding is better than silver;
And, knowledge is better than bronze! !
The truth is a bountiful treasure,
And, the best speech in life brings joy to your heart.

Edward Kofi Louis
Area 51

Surf, surface!
Area 51;
Face, surface!
Area 51;
Drone, one!
Area 51;
Birds and butterflies!  
Like the rush hour in Tokyo.

Butter, butterflies!
To the crocodile farm;
Mental, mentality!
Hybrid;
And like Saturday Night in Soweto.

Breed, bybrid!
Poetry is the way of my life,
Contamination, decontamination!
Area 51;
Abstract art!
Poetry is in my blood.

Edward Kofi Louis
Area 54

Area 54!
Life,
Disorders;
Found here and there,
But, how can a policeman who is drunk catch a drunkard?

Edward Kofi Louis
Area Code 51!

This joyous message;
Hole, whole!
This joyous message;
Visible, invisible!
With the distinction of your love;
But, always write out postive things.
Area Code 51!
Forget my past and know me for what i am today;
And, let me by your positive guide,
For, i know the ways of this forest like my muse.

Playing along the muse of love with your flute;
Sweet love!
She was very pleasant to you;
Reed, reek, reef, reel! !
She was very nice to you;
Of the rivers!
Flowing into the sea.

Rivet, vet;
Cuddle!
In the land of your muse;
Of the liquid!
Flowing into the source.

Pivotal!
With probity and accountability;
Life!
To face the laws and,
Not to beat about the bush with your mind.

Edward Kofi Louis
Arentes

Arentes, eat, ate, rat, art, rats, arts, star, tars, sent;
Rendezvous!
Heading towards the estuary;
And, it occurred.

Arentes, rent, rents, set, seat, sat, as, at, sea, neat;
Seeking first-hand information,
Rise, cruise!
Narrating the ordeal.

Celebrants,
Deal, ordeal!
With the facts about your lover;
Under house arrest.

Arentes, see, tree, ear, ten, net, tan, era, seer, tar;
of a candid opinion!
With shakers and movers,
Seeking after the truth!
In this land.

Arentes, sear, tear, tears, ears, near, nears, rate!
Rekoned with,
In the affairs of your lover;
And, to make headway,
After consulting the interest groups around the town.

Edward Kofi Louis
Argan Oil

Intensive cream!
With precious Argan Oil;
Rich care conditioner,
For your hair,
Treasured,
Kept secret.

Edward Kofi Louis
Argob

Argob, oar, bag, bar, rag, brag, rob!
Reaping where you've not sown;
And, gathering where you've not scattered seeds.

Outer darkness! !
Wickedness,
Unprofitable;
Knowing what you did to your neighbour.

Edward Kofi Louis
Arhin

My Fant name is Arhin and i come from Takoradi,
But i am now forgotten inbetween your love;
My love to you was like the hippopotamus in the river,
But my muse to you was like 'Louis XVI'!
So do visit me in Takoradi and let me take you round like,
A tourist on this love with many windows.
My care to you is like Jomo Kenyatta of Kenya and,
I will show you what it is to be a Fante;
For the love of this muse is my way of life too.

Edward Kofi Louis
Arimus

Walk in order to please Yahweh!
For perilous times will come in the last days;
And it is better for you to get the records straight!

Watch and pray always,
And straighten up your crooked life and be real!
For madness and folly are among the people,
And the desire of the flesh is what we see around! !
But i am Arimus ona peaceful walk.

Edward Kofi Louis
Arise

Arise and build up the works of the truth!
For peace and joy;
Start from somewhere so that, you can end up at somewhere.

A daunting experience! But, leave her alone; she's somebody's wife, and respect the acts of life like the Trojan of Troy.

Cast, last, mast, forecast, past, blast!
Being different than any other; from your past to the present; still searching to get your stand in life.

Works of Mercy! With the muse of the truth; able to teach and guide others with positive morals, in the name of righteous works.

Edward Kofi Louis
Ariwera

Terror! !
The sense of fear;
With implications,
Scream!
To entwine as a screen;
Killing both the married and the unmarried.

Ariwera, wear, ware, raw, air, ear, era, war!
Hooked in the hands of the wicked people among us;
Furious! !!
Wrath,
Indignation.

Edward Kofi Louis
Ariza

Ariza, air!
Lying on the floor;
With the gifts of love,
With the muse of my siesta in the land of the living!
Waiting to see Esther after a short nap with the aroma of the ester in my kitchen;
Because of her sweet love.
The muse of life and the ways of love!
With the bells of nature like the medicine of love;
But, life had its own ways in answering my dreams at times.

Edward Kofi Louis
Arkansas

She said she was leaving to Arkansas,
But this saying was all that i could remember;
And like your lover who left to Louisiana.

The time of the clock reminded me of her sayings,
And like Kentucky Fried Chicken (KFC) eaten in Kentucky;
But today, i will be with you.

Edward Kofi Louis
Arm, Ark!

Air,
Hair,
Stair,
Armchair;
Arriviste.

Art,
Arm, ark!
Pair,
Subject,
Article,
Object,
Armistice,
Askew!
To assist,
Being very attentive.

Pen, den, aspen!
Hen,
Then;
Aspire! !
Assertive,
And to assimilate.

Edward Kofi Louis
Armageddon

I am in the middle of nowhere and my time is like,
The time of Armageddon! !
But try to stop over my house and help me out;
For the Rivers of Babylon are all around me.

Edward Kofi Louis
Armageddon-Arsenals

Armageddon-Arsenals!
Of bombs falling on us like the rattle of snakes;
Awesomeness,
Terrible,
And with price! !
But the river enters up to the sea to form the ocean,
And the Armageddon-Arsenals are all around us today.

Edward Kofi Louis
You are like a soldier shorter than his own riffle,
But i am here to love you with the sweet muse of my mind;
So wake up and live now and let me know you better!
For this muse of love is all about the rule of the law.
A round applause! ! And of the crown on your head;
But, i've go the picture of you inside me all day long.
I am Armah walking along the mountain side,
So, get this message straight to your heart!
And at this crucial moment to understand my status;
For, i am here to love you with the sweet muse of my mind.

Edward Kofi Louis
Armani

To Susilo Bambarg Yudhoyono of Indonesia,
And to Lula Da Silvia of Brazil;
Your name is Armani and,
My love for you is like Absalom's Monument.

Life is like a message to the unknown girl,
Life is like a message to the unknown boy,
Life is like a message to the unknown man,
Life is like a message to the unknown woman,
Life is like a message to the unknown gardener,
Life is like a message to the unknown potter,
Life is like a message to the unknown seller,
Life is like a message to the unknown painter,
But i will be with you my love.

Edward Kofi Louis
Armies! !

I am taking to you,
I am writing to you,
I am preaching to you,
I am teaching you;
Armies! !
Flies,
Spies!
But the spices of love and care are needed by you;
So, rise up to the top and stop this war!

Edward Kofi Louis
Armour

The truth is the full armour of love!
So, live by the truth;
Bring peace to the world and,
Care for the people.

Edward Kofi Louis
Armour 2

Mail, fail, hail, wail!
Bronze,
Gold or silver;
My home,
My land! !
Your home,
Your land;
Amour,
To stand out! !
Straight,
Before them;
Ready for war!
Not ready for the truth.

Edward Kofi Louis
Arna

Snow, now, show, how, blow, low, flow, mow;
And like Arna your lover who is my neighbour,
But night and day i will watch over you.

Vow, tow, sow, glow, cow, bow, grow, wow;
According to the promise of your love and,
According to the promise of peace!
But partake with me in that which is right always.

You will be refreshed with the muse of love and,
You will learn a lot from me as well;
But i will watch over you always!
For Arna your love is my neighbour,
And i will do my best to guide you on with my experiences.

Edward Kofi Louis
Arnoldson

I am moving across the ocean with my views where,
The rain falls and knows no bounds;
But who else can bring the colours of love to you?
Life is like the unknown bullets,
But with the memories of the rat-race as well!
And like the words from The Bahamas afar of.

The fool can be rich and the wise can be rich too,
But out of the two will one see wisdom;
For i am Arnoldson from Africa and,
My speech will distil you like the dew.

Edward Kofi Louis
Arnon

Arnon, on, oar, or, Ann;
Staves, saves!
Your own mouth tripped you up,
Unwittingly to speak the truth.

Sordidly,
Burdensome,
For filthy lucre's sake;
Unwittingly to speak the truth.

Edward Kofi Louis
Arnon 2

Arnon, Ann, on!
To take possession of it;
To praise the works of the truth and,
To raise the hands of peace in the land.

The truth,
With honour! !
With respect,
In humility;
Able to care for your neighbours,
Without hurting them.

Edward Kofi Louis
Arnon 3

Arnon, oar, on, Ann!

Living,

In the extreme south of the land;

The land of your birth.

Edward Kofi Louis
Arnon River

The whole plan!
In the midst of the ravine;
The territory of love,
With the muse of nature.

The aroma of life!
Arnon River,
Pleased with the muse of nature;
However, true-love is the key about life.

Edward Kofi Louis
To pass through the land,
To see the wise virgins in the land;
Living with righteous status and judgements,
With the truth as the Body of the Laws.
Aroer, oar, reo, ore, rear, rare, or, roe!
With what your eyes have seen;
Able to choose from righteous works.

Edward Kofi Louis
Aroer 2

Aroer, oar, or, ore!
To the Yabbok River;
Springs of water,
Muse,
By the waters.
Life and the ways of nature! !
Let the truth bring honour to you;
By doing what is right always.

Edward Kofi Louis
Aroha

Archipelago,
Arcuate,
Array!
Ascension,
Aroma! !
Ascertain;
Gain,
Again!
Aroha,
Artistry,
Rum, arum!
The ways of life with the romance of nature,
With the muse of an artificial swertener.

Edward Kofi Louis
Aroma

The aroma of coffee,
The aroma of cocoa,
The aroma of tea,
Sleep, asleep!
Wake, awake!
Pace, apace!
Bode, abode!
Long, along!
Range, arrange!
Row, arrow!
And of the way things are done,
And of the way love is made;
This psychological problem,
This psychological war! 
But, let us shape this world with the aroma of love.

Edward Kofi Louis
The aroma of love is with the romance of life!
Knowing what to do; and, doing the right thing.

The aroma of life is with the romance of the laws! Going along with positive moral characters.

Too much of complaints in a marriage destroys the marriage; so, be very wise and, follow after the works of the truth.

Edward Kofi Louis
Aroma Of Your Sweet Love

I want you,
I need you,
With the aroma of your sweet love;
Love sweet love!
With the fragrance of your mind;
Taking me up high!
So high;
With the joy of your heart.

Edward Kofi Louis
Around And Within

The sea of glass,
In parables;

Around and within,
Teach the children with the works of the truth.

The face of a fying eagle! !
The face of a man,
The face of a cat,
The face of a lion,
the face of a child,
The face of a woman;
To teach the children with the truth.

Lightning,
Thunder!
Around and within;
Learning from the ways of nature.

A sea of weeds,
A rainbow in the sky! !
Love at the door knocking,
To seal your mind with the works of the truth;
With the muse of a new poem.

A shoe like a boat!
A new pen in your hand;
The face of a fying eagle! !
Like a new song;
Around and within,
With the muse of a new poem.

A white robe,
A mighty wind! ! !

A bag of wheat,
To heat your meal and, to eat your food;
But, where are the two falling stars?
Edward Kofi Louis
Around The Corner

Sound knowledge and judgement,
Around the corner! !
Surround yourself with the muse of the truth and live in peace.

Edward Kofi Louis
**Around The Neighbourhood**

Emotional endeavour,
To announce her status;
But, love comes straight from the heart!
Knowing her around the neighbourhood where i live.

Edward Kofi Louis
Very close!
Around the twon;
But, marry and take care of your wife.

Relationships!
Like a ship on the high sea;
But, help heal the world with love and care.

Den, Snowden!
Doing it right and taking care of things;
Around the twon with your wife.

Edward Kofi Louis
My poems are found all over the world,
Grass, brass, class, glass!
With the muse of the fresh air and, the fresh rain;
Like the keeper of dreams,
Able to touch the hearts of many with my style.

Line, lineage!
Of my age,
Of your age,
With the passage of time on this sweet love;
Trying to share this hot chocolate with the joy of our lives.

Minds and thoughts,
Words and works,
Hopes and dreams!
Boys and girls,
Men and women;
Able to teach and preach! 
And, to reach out to all in peace.

Edward Kofi Louis
Oaying attention on what is going on around you and inside you,
The wealth of knowledge to kiss your lips;
But no one is too young to choose the right path of life.

Edward Kofi Louis
Around Your Table

Fee, coffee!
To take in the hot drink;

See! !
The bee;

Flying here and there,
Around your table.

Edward Kofi Louis
Arpad

Come and save me from the hands of the wicked for,
The abominable and disgusting ways of man are around me;
And i know how you can save me on this situation.
Arpad is your name and you've saved many!
So come and help me on this issue over here.

Edward Kofi Louis
Arr is my name and i came from the woods!
But the absence of the rule of law had brought in violence in this land;
And i am now injured because of this war! !
But my faith will lead me on to survive always.

Edward Kofi Louis
Array

Ray,
Radiant,
Array;
Excitement!
Touched,
In love.

Edward Kofi Louis
Arrive

Live,
Drive,
Arrive,
Clive,
Hive!
Five,
Give,
Dive! !
But, if you care for me,
You will search for me.

Edward Kofi Louis
Arrogant Pride

Flee from sexual immorality and be saved,
For a little leaven leavens the whole batch of the dough!
And i am ever ready to show you the way through.

Your arrogant pride is not righteousness,
But do not associate yourself with fornicators;
For that may lead you on to be an object of ridicule.

Edward Kofi Louis
Arrogant Pride 2

Arrogant pride!
The ride of evil acts;
At the side of wickedness.

Edward Kofi Louis
Black arrows,
White arrows,
Red arrows;
Creation, recreation!
Love, peace, joy;
Until that is done.

Dome, done!
With more information to give;
They have eyes but they cannot see!
And, they have ears but they cannot hear;
About the incident,
And, to utter a word.

Arrows!
Drowned;
It was annouced!
Love,
To reply upon it;
but, the rivers end up by joining the sea.

Edward Kofi Louis
Arson

Arson,
The boys will face 5 to 99 years in prison!
But to complete the task for your love is the key about life.

Productive,
Adulthood,
Encountered with many troubles! !

But, for a short time;
However, it takes time to create a being.
Been, being!

Like the bee,
With the muse of nature.

In the name of peace and joy.

18 boxes of silver!
Poetry,
With love from the heart.

18 boxes of diamond!

Art and literature;
With love at first sight.

Art and literature!
With my own culture and your own culture;
Telling a story to the world.

Edward Kofi Louis
Art Has No Price

Art has no price,
Art is priceless;
One takes it at a point for a lesser price and then,
Sells it at another point for more!
Depending on the market,
Depending on the mind set of the people,
Depending on the ways of the art piece;
But, in real sense,
Art has no price.

Edward Kofi Louis

Heart of love and heart of hatred;
Let the spirit of art control the human race with love,
For in unity, we can put this world into a better place always.

For, a crab does not give birth to a bird.

Edward Kofi Louis
Arta

You were my first lover but,
Hatred entered into you and you left me alone;
And judgement and justice caught up with you!
Until Arta came along to save your life,
Because there was no other way that you could have lived again.

Edward Kofi Louis
Arthur

Arthur!
Love is the heart of the giver;
And from the positive consciousness of a human being predominately controlled;
Arthur!
The wave of xenophobia ia around you;
But many are now killed by this war in Syria!

People will die and go to heaven or hell,
But six days are given to mankind and the seventh day is for the Creator!
All arrayed in the acts of the realms to satisfy your love;
However, sin is selfishness! So, be selfish to my heart,
For, i am a refuges on this earth trying to find my own home along the many troubles.

Edward Kofi Louis
Article, ear, tear, trice, trace, tea, eat, at, era, it, are lair!
But, joy is the muse of love;
Where people are connected with the peaceful solution,
However, the people are confounded!
And the stage has now been turned into a boxing ring.

Article, art, tar, rat, air, tie, lie, tail, late, ale, trail, tale, rail;
But as sad as it is,
Who is ready to teach them?
For, their comments are like the acts of war!
And i do understand their background;
Because, a cat is always a cat!

Article, rate, rite, car, race, cat, cart, ice, lace, ace, rice, rile;
But the people are confounded!
And they need the works of love to guide them on than hate,
For, the stage has now been turned into a boxing ring!

First degree!
Fence of the red,
Daydreams,
The awakening! !
Luscious red,
With blue eyes of love.

Wild flowers!
I Love you,
You love me,
We love each other;
Shades of purple,
With the muse of the African moon.

Edward Kofi Louis
Artistry

Therapy,
Artistry,
Movements,
Paintings!
But, learning today and, forgetting tomorrow will never advance you to the future.

Minds,
Moving on;
Slowly over the loop point,
But, learning today and, forgetting tomorrow will never move you forward.

There are many fake products in this world!
But, the originality of anything is always from the origin;
Ice, advice!
But, the fragrance of life is very beautiful with the colours of nature.

Edward Kofi Louis
Arts And Cultures

Languages,
Arts and cultures,

Doing what is right than wrong.

Edward Kofi Louis
Arza

'Masseboth' and 'Asherin'!
Where is Arza my lover?!
For I once met Arza in the dark of the moonlight and,
I really haven't heard much about my lover any longer;
So come and fill my heart with love and tell me where Arza is.

Edward Kofi Louis
Arzon

Punctual! !
At the feast day;
For, you’ve found me!
And, i am Arzon in your neighbourhood.

One more love!
One more smile;
To arrive at it;
At the conclusion of the matter.

Nature! !
With life’s own acts;
But, i’ve finally found you.

To learn,
To know,
To study,
To understand!
But, the law is always around us;
And, we need the laws to guide us on.

Edward Kofi Louis
As A Fist

To see eye to eye in the land of your sweet muse,
Use patience and positive comment to express your feelings in an appropraite way;
Fo words hit as hard as a fist!
And with resentments and rejection in whatever you do in this life.

Edward Kofi Louis
As A Force

Your love remains as a force to me!
But address your mind before you boycott the meeting;
For, your liberty is like the ticket for you to visit my heart! !
And like the words of the laws in the land of your muse.

Boy, boycott!
On the way;
Like the noise of the streams in this village.
Life!
To start afresh after many mistakes;
But, try to address your mind before you boycott the meeting.

Edward Kofi Louis
As A Loyal Soldier Around You

True-love!
In the presence of many witnesses;
Love!
As a loyal soldier around you;
Love!
The farmer who gives out his labour has,
The right to the first share of the produce.
Cure, endure!
Shun profane and vain babblings;
For, they may lead you to sin.
Love!
Departing from evil;
And, showing up a pure heart.

Edward Kofi Louis
As A Portrait

As a Portrait,
Powerful tower!
With the view of a lovely flower;
Its peak! !
To speak the words of love.

Nice and easy,
Sweet muse of love;
Dark and lovely with the cold!
To hold on the truth.

The muse of life,
The journey of life,
Very fast and powerful at times! !
But, As lovely as the Ocean with flowers when,
The right thing is done.

A Personal Message,
Elevated for an exquisite access;
Like the Purple Rain.

Calls of love!
Calls of life,
Calls of nature,
With the muse of the colours of creation;
Beautiful starlets around.

The smell of true love,
The smell of positive morals,
The smell of the truth!
On this journey of life;
But, like a jig-saw puzzle at times.

Sweet smelling flowers of life!
To elevate your exquisite access this morning,
Living in the land of beautiful flowers.

Art and act!
Part of the pact;
Light and insight,
Sight of life with the romance of nature! !
Bright mind,
Right heart,
With the delight of wisdom.

Trapped in life!
But never give up learning;
Never give up on your dreams!
Step by step with positiveness,
Step by step with servitude and attitude,
Only with the truth.

Prayers,
Overcoming the odds of life;
Knowing what to do always!
Because a little leaven leavens the whole lamp.

Edward Kofi Louis
As A Raven

Wavy locks and the drops of the night,
As black as a raven and as sweet as love;
Wavy locks in the drops of the night!
As fast as your muse and as lovely as your mind;
Wavy locks with the fall of the night,
As peaceful as your works and as beautiful as the stars;
For, i have drunk my wine with my milk and,
I have eaten my honeycomb with my molasses! !
But, where has my beloved gone to?
For, white and ruddy is her bed.
Her hiar is like the flock of goats sweeping down!
But, behold the bed of beauty with the sweet smell of her love;
For, her two breasts are like two fawns which feeds among the lilies,
However, the night is as black as the raven and as sweet as love.

Edward Kofi Louis
As A Seal

Set me as a seal on your mind!
For love is as strong as death!
But, jealousy is as cruel as the grave.

Late spring,
Interwoven;
Joy! !
I will kiss you when i find you my love;
For many waters cannot quench love!
Nor, can flood waters drown it out.

Edward Kofi Louis
As A Testimony For Your Healing

Followed! !
Behind you;
Entered! !
In you;
Cleansed! !
With your muse;
Sacrificed! !
Like your love;
But, as a testimony for your healing.

Edward Kofi Louis
As A Witness

Love, life, mercy, peace and joy!
The light shines in the darkness but,
The darkness does not take hold of it;
The truth!
As a witness;
The light,
As a witness;
The law!
As a witness;
To testify of your love and,
of your morals!
In righteousness.

Edward Kofi Louis
As An Umbrella To Take Care Of You

Love!
Magic monets;
Love!
Magic secrets;
Love!
With a vision that comes into reality.
Life, love, lust!
He got his first One Million Pounds at the age of 17;
And, was penniless at the age of 34.
Love!
Made in Africa;
Lust!
Being reliability to the society because of your acts;
Love!
As an umbrella to take care of you.

Edward Kofi Louis
As Black As Oven

By the River Chebar,
There i sat down to write this poem;
So drink and make yourself naked,
For you are being lured by your lover!
And, as black as oven is your muse in the land of Uz.

Wear the crown of love and come to me,
For the letter of my love is now dispatched by a courier;
And the copy of the document of your love is now in my bedroom.

Edward Kofi Louis
As Colourful As The Rainbow

How sweet are your lips?
As humble as a pine,
As colourful as the rainbow,
As needy as a servant,
As hopeful as a learner,
As lonely as a fiddle,
As beautiful as Louisiana State,
As seroius as a school teacher,
As patient as the tortoise,
For i am the man next door who wants to kiss you;
So let your beauty guide the way.

Edward Kofi Louis
As Easy As 1-2-3!

The muse of life,
As easy as 1-2-3!
But, full of Troubles;
As seen by all of us on this earth.

Illegal lust!
The day you eat it,
Your eyes will be opened to sin;
And, you will be like the Gods and the Goddesses.

Illegal lust!
Always leading you into sin;
Without any peace in your life.

Love!
Of a painless way to reach out to peace;
Life!
With the required Information to lead you on;
And by following the laws of peace.

Edward Kofi Louis
As Easy As A-B-C!

Love!
With the echoes of my soul;
To meet you,
And to hear from you.

The muse of life,
As easy as A-B-C!
But, with the laws;
Directing your ways to peace.

Swaying!
With the vibrations of my love;
But, what is love?
Tell me if you know it;
And, i will be ready to listen to you.

Muse!
Searching for true love and true light;
Out of the darkness! !
For, someone needs to reach out to me in love.

Edward Kofi Louis
As Expected

A name and a number,
Great perseverance!
Elite,
In signs,
To torment me! !
In weakness,
With insults,
In hardship,
With perseverance,
In distress,
To the abode;
Revealing!
Taken up,
Globe, lobe, probe, strobe, robe! !
The importance of the study,
But, it should be as expected.

Edward Kofi Louis
As Fierce As A Wild Bear

An experienced fighter!
As fierce as a wild bear robbed of her cubs;
The bravest soldier,
Whose heart is like the heart of a lion! !
However, is this what we want on earth?
We need peace on earth than war!

Edward Kofi Louis
As High As An Eagle

Life,
To hear the truth from afar!
And, to seek for peace and love,
With humility.

Life,
As high as an eagle!
Bringing in the words of peace;
Under the muse of the laws,
Educating and uniting all.

Edward Kofi Louis
As I Trace Your Steps

A very special person,
You are the only one that my heart wants;
So, allow me to see the smile on your face.

At the night time,
With the beam of the moon! !
Allow me to be touched by your love.

Believes of your muse,
Pleased with your works;
But the truth is the key.

Declaration! !
Restoration,
Virtually with positive morals.

want to see your face!
To embrace my heart with your sweet love;
As i trace your steps.

Edward Kofi Louis
As In Heavens

Room!
Only for females;
Men,
Don't enter in.

Room!
Only for males;
Women,
Don't enter in.

Respect the rules and bring peace on earth;
Because, there are rules everywhere! !
As in the heavens.

Edward Kofi Louis
As In The Beginning

The earth and the heavens will go through cleansing after the nuclear war! !
And things will be as in the beginning with the muse of sincere love from the
Creator;
For, the beastly system will then be destroyed.

Edward Kofi Louis
As It Is This Day

Thrust, rust!
Thrusting out all your enemies! !
From in front of you.

Illegal lust,
Wickedness,
Very terrible with your acts!
With the muse of hatred and war,
In the land.

Illegal lust,
As it is this day;
Fighting against your enemies,
On earth today.

Edward Kofi Louis
As It Was

To receive it as it was presented to you,
And, to eat it as it was;
But, who saw Warsaw?!
Culture,
With the muse of your tradition;
And, with exhibitions worldwide.

Edward Kofi Louis
As It Was And As It Is

You didn't see her nakedness so,
Don't paint her nakedness;
You didn't see her face so,
Don't paint her face;
You didn't see her breasts so,
Don't paint her breasts;
Rather, tell her story as it was and as it is!
And always try to tell the truth,
For the truth about life is always much needed.
This case around needs the facts and the truth,
This muse around needs your help and your truth,
So tell the story of what you really saw about her!
And, nothing but the truth.

Edward Kofi Louis
As It Was In The Beginning

Life,
As it was in the beginning;

Love,
As it was in the beginning;

To be,
And to understand the muse of the universe.

Life!
With the ways of an oracle;
But, nature is governed by laws.

Life!
With the laws given to us to obey;
And to understand the ways of the universe,
As we live on earth.

Edward Kofi Louis
As It Was Written

The truth,
As it was written;
Is forever! !

Edward Kofi Louis
As Light

True love,
It shines as light in the world;
The laws of life,
The laws of love,
The laws of peace,
The laws of joy,
The laws of humility;
True love,
I am greatly encouraged to know your state;
With the muse of humility and compassion.
Love,
With kindred spirit;
And, to genuinely care for you.

Edward Kofi Louis
As Long As

I will love you as long as i live,
I will kiss you as long as i live,
I will care for you as long as i live,
For the wet side story of your love is like the West Side story of mine!
But awake and rise up again with your mind,
And do not eat any unclean animal.

Edward Kofi Louis
As Long As I Can

I will reach out to you as long as i can;
Because of the peace of your true love!
For, you are all that i need in life.

Edward Kofi Louis
As Long As You Live

Bodies,
Souls,
Spirits!

Love is the kingdom of life and,
The truth is the kingdom of peace.

Patience is the key of life;
So, dream on and, work towards your dreams! !
Because, love is the joy of life.

The earth is made up of teachers and students,
As we learn from each other;

You are sick and tired of the systems of life!
But, don't give up on your dreams.

Dreams!
As long as you live;
Because, Rome was not built in a day.

Love! And be loved with the works of peace;
For, there is always tomorrow.

There is always hope in life! !
As long as you live;
For, the eyes of love are the eyes of peace.

Edward Kofi Louis
As Man And Woman

Suddue it,
Fill the earth,
Follow the Laws and,
Increase and multiply! !
And, Yahweh Blessed them as man and woman.

Edward Kofi Louis
As Many Dig For Gold

The gold rush!
The gold fever;
In the land of your muse,
As many dig for gold.

Fixed!
Profound,
With the application of your muse;
But, the ear tests words as,
The mouth tastes food.

Edward Kofi Louis
As Nature Plays Its Role

Life,
If you don't die today, you will die tomorrow!
So is life;
And, it is so! !
As nature plays its role.

Edward Kofi Louis
As Night Falls

Darkness!
Wickedness,
With killings and,
Destruction;
As night falls.

Edward Kofi Louis
As On Date

Your own words,
Your own works;
As on date,
Dated with the muse of your love!
Yes, of your own life as seen in this village.

Edward Kofi Louis
As One Body

Out of love and concern,
Each member of a family has a role to perform;
But to live in unity as one body!

Edward Kofi Louis
As One Breathes The Air

What are they doing to the air? !
With our sins on earth today;
Dead bodies from Ebola,
Being burnt in Nigeria! !
But, let us all stop and think;
Because, what goes around comes around!
And, what goes to the iar comes back to affect us;
Oooooh!
Now you know;
For, we are now spreading the Ebola disease all over!
As one breathes the air.

Edward Kofi Louis
As Predicted

The two,
The two items;
Put them together,
To establish their names!
As predicted.

Fruits of righteousness!
Fruits of love,
Fruits of the truth,
Fruits of peace,
With the laws of joy! !
For the unity of the land.

Edward Kofi Louis
As Rain

Drops of water,
Distilled from the mist as rain;
Which drops down from the clouds and pours on us,
But listen attentively to the muse of my love.

The verdict,
And of the great cloud of smoke!
The pillow, the willow, the billow;
But stand up and prepare yourself like a man! !
For the end is now at hand.

Edward Kofi Louis
As Seen All Over The World

The sea,
Swimming in it and drinking it;
The lake,
Swimming in it and drinking it;
The spring,
Bathing in it and drinking its water;
The waterfall,
Bathing in it and using its water;
The pond,
Swimming in it and drinking it;
The river,
Swimming in it and drinking it;
The rain!
Walking in it and being soaked;
Yes water everywhere however,
Many are those who do lack real water to drink in life;
As seen all over the world today.

Edward Kofi Louis
As She Heads Towards The Altar

The muse of life!
Sending her the last package;
As she heads towards the altar,
For her marriage.
The muse of love!
Taking care of her;
From teenage to womanhood;
And now, she's ready for marriage.
The muse of peace!
With the very ways of life;
Remembering all that i did for her.

Edward Kofi Louis
As Shown In Your Bible

Lust!
Having multiple sex partners;
In the name of adultery or fornication,
As shown in your Bible.

Defilements!
These causes STDs;
And now, you are defiled because,
You've given yourselves over to sin.

Pose, purpose!
Of the status of life;
As shown in your Bible,
But, are you now ready to follow the Commandments? !

Edward Kofi Louis
As Simple As That

You have to bring it out!
As simple as that;
You have to pull it out! !
As simple as that;
For, that is the way it is done over here!
And, the villagers are ready to watch you.

Edward Kofi Louis
As Simple As That Ii

Opening so wide! 
As simple as that;
And, to let the heat get out of the room!
Because, it is very hot.

Edward Kofi Louis
As Soon As

Of a woman,
She has sorrow when she is in her labour!
But as soon as the child is born,
She no longer remembers the anguish that she went through.

Edward Kofi Louis
As Soon As It Is Known

Be merciful in life and seek for peace,
Be joyful in life and seek for the laws,
For, a student is not above his or her teacher.

Love,
As soon as it is known;
With positive moral character,
Under the muse of the laws.

Life,
Exceedingly glad to meet you;
But, dressed in a gorgeous robe!
The robe of peace than war.

Edward Kofi Louis
As Still As Stone

Upright!
As still as stone;
Valuable,
Very precious,
Desire! !
Touched by the power of love.

Edward Kofi Louis
As Sweet As Honey

Come to the land of beauty to taste my love,
For there is a special creamy milk set for you to taste;
Come to the land of love to taste the true meaning of my love,
For there you will meet the beautiful young ladies!
And the handsome men are there to cheer you up.
This is like a folklore story of love and,
You will love to stay the night in your nakedness;
For the land is full of sweet aroma of words,
And my love is as sweet as honey.
You will be infused with the rivers along the line and,
You will hear the music of love being played daily;
For your health will be taken care with my love.
You will visit me again and again after your first experience,
For the sweet taste of love is the thing that you need;
And I am the example of the things that moves your love.
There is a dramatic act of love out here and,
You will like to run naked in the dark as well;
And you will live on to love me,
For I am as sweet as honey and your dreams will come true!

Edward Kofi Louis
As Sweet As Sugar!

As sweet as sugar!
As lovely as your muse;
As sweet as sugar!
As lonely as your sheep;
But a Pastor died in a pulpit in the land of your muse!
However, who can you trust when, there's no one to trust?
Trust, lust, must, just, gust, rust, dust, crust;
And like the small window in your house!
But, you don't need signs to believe in who i am;
Because, my works are now presented to you.
To you,
From me,
To them,
With you,
From me,
With them,
But, ina severe situation to serve them with your love!
And like the love of your dove in the land of beauty.

Edward Kofi Louis
As The Eyes View Around

The beauty of nature,
The beauty of love,
The beauty of life,
The beauty of peace,
With the joy of the heart!
As the eyes view around.

Edward Kofi Louis
As The Noonday

Arrogant and proud,
Pits, tips, it, is, sit, spit;
To be brought down because of your name!
But let your righteousness be as the light and,
Your juctice as the noonday around you! 

Edward Kofi Louis
As The Wise Virgins

Gold!
Dug out from the earth;

Gold!
Taken from the rock;

Gold!
Purified and refined;

Hammered and then taken with care,
To be as the wise virgins!

To get that authority,
With servitude and attitude!

The glory of it,
With gratitude;

Like one remembering his or her Creator,
Living in peace;

With positive morals,
Under Righteous Laws.

Edward Kofi Louis
As The Witness

To be the next King,
He has becom of age and he needs a wife;
To be the next Queen,
She has become of age and she needs a man;
To be the next President,
In sheeskins and in goatskins!
But with the great cloud of love as the witness,
Because we all know what is going on around us.

Edward Kofi Louis
As The World Accepts Them

Lust!
With sins made very desirable in your own eyes;
And, as the world accepts them.
Lust!
Following what is right in your own eyes;
Lust!
Following your own ways;
Lust!
With the confusion of the minds because of disobedience.

Edward Kofi Louis
As War Takes Over The Earth

The fruit of the womb,
The effect of the bomb!
And the burial of the dead person in the tomb;
But, where is the golden gate of love? !
As war takes over the earth.

Edward Kofi Louis
As Waste-Water

Lust!
The rebel is as despised as waste-water;
Lust!
Broken down like a big tree;
The feeling of security!
The feelings of love,
The feelings of peace,
The lack of compassion;
Lust!
Leading you to sin.

Edward Kofi Louis
As We Live On Earth

Correction,
Building up the bridges of love once again;

Correspondence,
Knowing what to do in life for peace;

To respect your neighbours,
To respect all mankind,

For the joy of the earth with positive morals;
As we live on earth together.

Edward Kofi Louis
As We Go Along

Lode,
Lodge,
Lough,
Loden!
Lisle,
Douse,
Doubt,
Licorice,
Double;
Life and meanings!
As we go along.

Edward Kofi Louis
As We Learn From Each Other

Truth,
Speak the truth to your neighbours;
Living with the truth,
Which brings joy! !
Leading to unity;
Put away lies and speak the truth!
We are here on earth for each other,
As we learn from each other.

Edward Kofi Louis
As We Meet Each Other

Love,
One day your face will meet my voice;
As we meet each other.

Edward Kofi Louis
As You Are

A bottle of wine each day for 14 days! !
As you are,
As it were,
But, eat my bread and drink my water;
For, the romance of your love is now noted.

Edward Kofi Louis
As You Are Told

Bold,
Behold!
Hold on to the truth and,
Never depart from it;
As you are told.

Edward Kofi Louis
As You Came Along

Plain of vineyards,
Plain of love;
People are always often forced to seek for help from the very ones they despise;
But, you are the son of another woman in this land!
With an urgent message at hand to respect my muse.

Plain of vineyards,
To the entrance of love;
But the sun grew very hot and the snow melted away!
Exposing the thick darkness of love in the land of the living;
As you came along.

Edward Kofi Louis
As You Came Along 2

Game! !
The same game;
With your fame,
With the frame of your love,
And to tame my heart,
As you came along.

Edward Kofi Louis
As You Go Along In Life

Along the ways of life with your love,
According to positive morals to live in peace;
Accepted with the works of the truth!
As you go along in life,
Among many other things to uplift your mind.

Edward Kofi Louis
As You Know

As you know,
As you teach,
As you preach,
As you care,
As you find,
As you move,
As you work,
As you yawn!
And of your complimentary reading;
But, be ready for my love! !
For, i am in love with you.

Edward Kofi Louis
As You Study

Life!
Live by the truth always as you study the laws;
Life!
Openly to us all to lead and to guide us;
But, let us ll live by the truth.

Dress, redress!
With the muse of the airwaves;
Living in a law governing society,
And with intelligence and maturity.

Edward Kofi Louis
As Your....

My love is as your love,
My people are as your people,
My home is as your home,
My horses are as your horses,
My garden of love is as your garden of love,
So come and let us settle down on this love;
Because you are all that i need!

Edward Kofi Louis
Asa

She stepped over the threshold of the house and,
Her love was exposed! !
But Asa came and covered her with the lovely clothes of love,
And of the events that took place there after.

Edward Kofi Louis
Asadullah

You are very romantic and sweet,
But a family starts with a marriage;
And i am ready to take you into my arms.

Of your sunny conditions,
It shall be perfect and be accepted;
For your love is very romantic and sweet.

I know where love ia and,
You are the best around me;
I know where the truth is and,
I am very glad to be around you;
For i am Asadullah and,
I am ever ready to lead you on into my arms.

Edward Kofi Louis
Asahel

Asahel, seal, heal, he, she, as, ash, has, sale, ale;
The fall! !
Your fall,
Into the very hands of the wicked ones in your land.

The evil doer! !
The wicked one;
With evil deeds in the land of trouble,
And, in the heat of the feuds.

Edward Kofi Louis
Asante

Come my ruler,
Come right in and make love to me;
Come my rider,
Come right in and make love to me;
For i have been waiting for so long.

Asante, give me a little food to eat for i am hungry;
And to sit under the palm tree between Ramah and Beth-El,
For your love is all that will satisfy me.

Edward Kofi Louis
Asanteman

The 'Asona clan',
The 'Aduana clan',
The 'Asenie clan',
The 'Ekuona clan',
The 'Asakyiri clan';
These clans are among the Fantes, Bonos, Akwapins, Kwahus, Wassas, Nzemas and Sefwis; with a common ancestor.

The Asanteman is a homgeneoud society;
And the children from the female members of the clan are the royals.

The 'Oyoko clan',
The 'Adako clan',
The 'Biretuo clan',
The 'Agona clan';
Chiefs of these towns are selected from the male members of the clans; and,
'Asanteman' is with great history! ! However, the 'Asantehene' is the head of the clans.

Edward Kofi Louis
Asaph

Asaph, as, ash, has, sap!
To the left and to the right,
Following the path and, wearing the veil;
As a woman,
To cover your head;
And to protect your nakedness from the eyes of the public.

Edward Kofi Louis
Asare

Age and experiences,
Strong emphasis and compassions;
The cornerstone of a marriage is to keep the couples together.

An approach of love and of the plans to regulate,
For the willingness of love is what you bring top me;
And i am the candle-light at your dinner.

Of a joyful sensual woman,
Of the romantic attention given to her;
And in the course of time and nature to reach out to the skies!

Life is like a place to visit never known before,
For your heart needs the directions of your lover;
And to be on this love is like the blues of the sea.

To touch the emotions of things and to love you,
With the feelings of the blues to share all day long;
But the strong hold on this love is for you oh Asare.

Edward Kofi Louis
Asarow

The light!
The sight;
Bright!
Like the flight;
With the might of love,
Helping you to overcome your emotions.
Asarow, saw, row, raw, as, so, or, war, wars!
The last time,
The last day;
But, to forget and forgive your enemies.

Hope!
The brave;
Free!
The slave;
And, to taste the apple of love in the land of peace.
This hope!
This love,
This care,
This joy;
With the muse of peace than war.

Edward Kofi Louis
Asbury

Bullet from a gun!
Out of reach and out of love;
But Asbury will wait for me on this love,
And like a 50 year-old man who married a 19 year-old girl.

Edward Kofi Louis
Asena

Asena, as, sea!
Power supply,
Tested;
Sheen,
Seen,
Been,
Analogy,
Pearl-stone! !
So clear.

Edward Kofi Louis
Asenath

Asenath, hat, seat, set, heat, eat, ate, neat, as, sea, than, hate!
In the land of my affliction,
Why do you just keep looking at one another? !
Acting like strangers to me.

Edward Kofi Louis
Ashaiman

I am in the place of Yahweh!
But, you are now at a place full of evil;
Oh Ashaiman! !
I am the queen's-daughter-in-law;
And, my love is now under the tamarisk tree.

To adopt a stratagem towards my lover,
But, i do know your evil ways! !
And like the sword of Goliath,
However, he who seeks my life also seeks your life.

Come and stay with me and learn the ways of Yahweh! !
For, you will be very safe under my love oh Ashaiman;
However, the wages of sin leads to death.

Edward Kofi Louis
Ashdod

Ashdod, so, as, dad;

Harvesting,

Wheat in the valley,

Villages!

Fortified cities,

The truth! !

Take it along with you,

When you find it;

Harvesting your wheat and,

To share with others.

Edward Kofi Louis
Asher

First comers and last users,
And of the notes of your love shared naked to all!
But try to understand who i am.
You are Asher and i am the man from the woods,
And my axe fell closer to you for me to see you.

Edward Kofi Louis
Ashes To Ashes

Life and death,
From the dust and,
Back to the dust;
Ashes to ashes!
Birth,
Life,
Death,
Burial.

Edward Kofi Louis
Ashland

Take me to Ashland and let me visit 'Ash-town'!
For the name of my lover is Aston,
And like the ripen mangoes in the land of my muse;
But love is all that leads me on.

Edward Kofi Louis
Ashpenaz

The earth!
The writer's ink;
Fostered,
And like a scenario and you! !
But, i am Ashpenaz;
And, i am here with the muse of love to teach you.
Ashpenaz, ash, pen, she, he, as, has, hen, hens, pens;
Of the earth!
With the writer's ink;
And, to do the right thing always in life.

Edward Kofi Louis
Aside

To use women for pleasure is see everywhere,
And to cast them aside is what the world teaches;
But it is better to know the truth always!
For this may lead us to sin.

Edward Kofi Louis
Aside Ii

Aside, side, is, as, aid, Aids, die, dies!
As sickness engulfs mankind;
On this earth today.

Love!
To know that it is true;
War!
With darkness over mankind.

Lust!
With closed eyes;
Into the darkness of sin.

Life!
With unexpected surprises;
But, be ready always and follow the laws.

Edward Kofi Louis
Asiedu

Everything is possible so, don't give up on your dreams;
For i do have my mind on you and, i will put you right.
What will be with me when, i have no love?
And, who will sleep with me when i have no lover?
So come to me my sweet Asiedu;
For everything is possible in this life.

Edward Kofi Louis
Asimo, aim, so, as, aims;
With the ideas of life,
And, with the peace of your mind.

Designs!
Working in a glass factory;
And, sharing your ideas with all in peace.

Use, cruise!
The performance;
And, the control of the system.

Nut, not, knot!
Elegance;
And, with the muse of the executives around.

Edward Kofi Louis
Asinga

Cat walk,
Dog walk,
Horse walk,
Cow walk;
And like an open window in the land of your sweet muse,
But, remember me when you get there!
For, i am Asinga in the sweet land of love.

It was blue but,
It became white later!
It was red but,
It became yellow later!
And like the muse of my friend in the land of joy! !
But, i saw the lonely star up high waiting for me.

Edward Kofi Louis
Ask For The Laws

Ask for the laws and, seek for the truth in life;

Paint the world with love and, respect the laws of peace.

Understand life with the laws and, respect others without hurting them!

Overcome evil with righteous works;

Be a lover of peace with the works of the truth!

Share with your neighbours and bring joy to all;

Because, true-love is better than anything in life!

For the unity of the earth without racism and terrorism.

Edward Kofi Louis
Ask Questions

Ask questions in the accords of your conscience!

With exhortations and encouragements;

For the market place is full of fleshly wisdom and heavenly wisdom! !

With patience and endurance to make your choice.

Edward Kofi Louis
Ask The African

Little food to eat,
Little token to use,
In the valley of salt!
But, do ask the African,
Ask about the cultures of Africa! !
Growing up to bear the fruits of love;
With the shields of gold.

The love of peace!
Like the great quality of a bronze;
In the valley of sugar,
Fifty-two weeks of wine to satisfy your muse.

From the pasture,
To the well;
In the valley of love!
From ancient times with the works of the truth,
But, do ask the African to tell you more about the African Continent.

Edward Kofi Louis
Ask The Ashkenazic

Who set the wild donkey free?!
Life is like the words from the Encyclopedia Judiaca;
But, can you tie the wild ox in the furrow with ropes?!
Even though the wings of the ostrich wave proudly,
They cannot be compared to the pinions and the feathers of the stock.

Like a fool pounded in a motar,
Ask the Ashkenazic for more!
With the Babylonian Talmuds tested through the praises when,
One looks back on life and history.
As a face is reflected in water,
So does a man's face mind reflects his activities on this earth.

Red is for the roses and for the wine but,
Whosoever tends thew fig tree will surely eat from it.
Ask the Ashkenazic for more facts,
And learn from others to know how this world is made up;
Like the face of a man being reflected by water.

Edward Kofi Louis
Ask!

Ask!
And, i will give it to you;
But, don't steal it from me.
It is my property and,
You have to respect it;
So, ask!
And, i will give it to you;
For, it is written: 'Thou shall not steal'.

Edward Kofi Louis
Ask, Task!

Save your mind with positive morals,

Save your body with positive characters,

Ask, task!

With a smile on your face,

From a mile to see your joy.

Edward Kofi Louis
Asleep On A Cushion

Poems of life and death!
Poems of tears and love!
With hopes and dreams in the land of bombs;
Asleep on a cushion,
Night and day!
Lion, Orion, ion, cushion, onion, union, Zion;
But the seed sprouts and grows up! 
However, try to take cover under the shades of love.

Edward Kofi Louis
Aspects

To explore,
Behavioural traits;
To interact,
And with time management;
Basis,
And to emphasize;
Outing!
But try to eliminate the negative in you and,
Accentuate only positive character;
For there are some aspects of your character that need changing,
And like the alarm clock in your room.

Edward Kofi Louis
Aspirant

Aspirant, sip, pin, pins, nip, pit, pits, tap, taps, pains;
Glue your muse to me like the clue of your love!
For i am the aspirant next to you,
And it is for a reason that i am here.

Aspirant, ants, ant, rats, rat, art, arts, tar, at, as, tars;
With your beautiful love as seen ny my eyes!
For, there is a reason of my presence today.

Aspirant, in, rain, ran, tan, span, pan, nap, sap, pans;
With the joy of your muse to satisfy my ways!
And like the sweet melodies of love.

Aspirant, prints, print, saint, pain, paints, paint, air, sit;
And like your joy in the land of your muse!
But, i am the aspirant next to you.

Aspirant, sat, trains, rains, train, pairs, pair, tin, tins, sin;
But i will always remember the joy of your muse! !
For, i am the next aspirant to you.

Edward Kofi Louis
Embarked,
Particularly,
Hatching,
Signifying,
But Assange your friend came in late today! !
And the fidelity to lure in more labourers was like,
The reduction of your pay a month ago!
But, i was there to bid you farewell.

Edward Kofi Louis
Assar

Zeolla and Shangrila are friends of Assar,
But my eyes have never seen your nakedness!
So get up from the dark and meet Assar in the light,
For the Headmaster has a message for you.

Edward Kofi Louis
'Won-nkan Kyierenu'!
Tell him that i love him and,
I will die for him only;
Because, his love is like the lovely bird that sleeps in peace.

Your name is Assauer and i love you,
For my bucket is full of the sweet of love!
Your name is Assauer and your bucket is empty,
So come to me like the muse of the sea.

Like the days of Noah,
My mind is only for you my sweet one;
For i came, i saw, and i conquered!
But you came, you met and you followed;
For we are like the little birds far apart.

Edward Kofi Louis
Assent

Assent,
Consent!
Implied To,
Evidence,
Like a token.

To come upon,
Of things to know about in life;
Verity! !
With the muse of the truth.

To abide,
To camp out,
Place!
With the palace of your love.

Voice of the day!
Choice of the night;
Your dwelling,
Vestibule! !
To pass the night with a stranger.

Occupied!
Closer to you;
To see the sea nearby,
To go on!
To go forward,
To be honest.

Nest,
Test,
Best!
A step forward,
Like someone coming from the west.

Muse,
Fuse,
The same image ahead;
But let the truth tame you.
Dine, fine!
Principle meal;
To deal with the truth always!
Assent,
And to heal your heart with true love.

Edward Kofi Louis
Assented

Love!
With a light at the very end of the tunnel.
The muse of life!
Assented,
With a case in the air;
Learning to understand the muse of the rainbow.

Avenue, revenue, venue!
Assented;
But, preferred with the muse of love.
Moved, removed!
21: 21 Hours in the land of your muse;
And, with a light at the very end of the tunnel.

Edward Kofi Louis
You've denied my assertion but,
The enquirer is around your muse;
And like the Devil's philosophy!
But let me break through your rocks with my love.

Edward Kofi Louis
Assertions

Pal, palpable!
Assertions,
Falsehood,
Producers!
Commitees,
Clearance,
Measures,
River, silver, liver!
Fraudsters,
The key compnent in the land;
Due diligence!
Selfish people,
With the rate of corruption in the country.

Edward Kofi Louis
Assic

An imaginary river,
An imaginary love,
White at the bottom and green at the top!
But this is like the muse of Assic my lover,
And this imagination came to me last night.

Edward Kofi Louis
Assin

Assin, an, in, as, sin;
Hanging on,
With the muse of this sin-sick-world!
Neck deep.
On, baron!
With authority,
In the name of drugs! ! !
In the land of troubled waters.
Broad, abroad!
Hunted,
Accepted,
With a lavish lifestyle;
Sin, seen!
As seen around everywhere in the world today.

Edward Kofi Louis
Assistant

Ant,
Plant,
Assistant,
Pant,
Want,
Slant,
Able! !
Enable;
A vow!
An oath,
With the sign of love;
Mercifully and faithfully with the works of the truth.

Edward Kofi Louis
Assuredly

Assuredly,
Before and after;
Surely,
Intensive!
Sense,
Concession;
Love,
Affirmation;
Indeed,
With the joy of your heart.

Edward Kofi Louis
Assuredly 2

Sure,
Secure,
Assuredly;
Safely with the muse of sweet love.

Edward Kofi Louis
Sure,
Pure,
Assured!
Assuredly with the muse of love,
Where the truth is respected.

Edward Kofi Louis
Astonished

Life!
Pertaining to love,
Pertaining to peace,
Pertaining to joy,
Pertaining to unity;
And, astonished with the things around you,
Under the muse of nature.

Edward Kofi Louis
Astonishment

You are wounded,
You are mourning,
And astonishment has taken hold of you!
For your people are all dead in Libya.

Edward Kofi Louis
Astound

Sound!
Surround,
Around,
Astound;
Going round the clock.

Edward Kofi Louis
Astray

Stray,
Astray! !
Lack of discipline;
Folly,
Entrapped.

Edward Kofi Louis
Astray!

Clay,
Bray,
Pay,
Bay,
pray,
Lay,
Play,
Ray,
say,
Slay,
tray,
Stray,
Astray!

Still living in the land of war;
Grey, prey!
With the bombs falling down here and there.

Edward Kofi Louis
Astro

Love!
Let me entertain your mind with my muse;
For, true love never ends.
Astro, to as, so at, art, tar, rat, rats, star!
For, i will always remember a day like this.
True love never ends! !
True love will grow always and,
It will find a way in touching your heart.
Love!
Time goes on;
Love!
Let us show love to each other;
Time, timer!
True love never stands still;
Oh, what a feeling!
For, true love never ends.

Edward Kofi Louis
Asuobonteng

The creation of the world,
The creation of man,
The creation of woman from man,
But you are storing up wrath for yourselves according to your stubborn and impatient minds!

Inventers of evil things,
Indignation;
But with persistence patient with the muse of my mind!
And like joy in the land of peace;
Because, the doers of the Law are righteous as compared to those who break the Law!

I am Asuobonteng from a land far away from you,
But it is time for us to put the world into a better shape than,
The very negative things going on now;
For, we were all created by the Creator for a purpose!
And, we need to take care of the earth than destroying it.

Edward Kofi Louis
Asylum

Rum,
Drum,
Asylum!
Countries;
Challenges,
Changes,
Established;
Subsequently with the ways of mankind.

Edward Kofi Louis
At 8: 18 Am

Walking,
Leaping,
Praising!
At the beautiful gate of love;
But, i will meet you at 8: 18 Am.

Perm, term, sperm!
With the muse of the dancing stars;
But, be yourself always in a positive way in this world.

Choice, ice!
Just like the first day;
Meal, meat!
Just like the first date;
Show, how, sow, who? !
Just like the first time;
And, to burn down slowly like the candle! !
Just like the first night.

Life!
Living in this lovely world;
But, try to put on a positive character always.

Of the White rose of love,
Of the red rose of peace,
Of the pink rose of unity;
Being yourself always with a positive mind.

Edward Kofi Louis

Edward Kofi Louis
At All Times

Enjoy the earth as it was originally made,
And, with your neighbours close kindred as your own;
But, be very clean at all times.

Edward Kofi Louis
At All Times II

Pure, sure, treasure, measure, cure, pressure, pleasure;
And like one step ahead!
But, use the wisdom of Yahweh at all times.

Head, ahead!
Far, afar!
Long, along!
But, use the wisdom of Yahweh at all times.

Edward Kofi Louis
At Any Times

Any,
Anybody!
Anyone,
Anything,
At anyplace;
Anywhere! !
Anyhow,
And, at any time;
Anyway, i last saw her in town.

Edward Kofi Louis
At Dusk

Evil seems very sweet with your acts!
In your eyes,
In your ways,
With the venom of vipers within you.
In the dark,
Rebels break out! !
To kill and destroy;
Falsehood!
Empty words;
The murderer rises at dusk to kill the poor and the needy.

Edward Kofi Louis
At Ease We Lay

At ease we lay!

Don't worry about anything when you have the truth with you;

Face the world with the truth!

And live in peace with your neighbours.

Edward Kofi Louis
To make love at her place,
But, how long will this be in your heart?
And like your love based on mine in the land of my muse,
With 20 years of experience.

You are like the critter in question today,
Amazingly! !
But with the works of love as exposed to others as well,
However, i will always find my way home.

Ensuring,
Studies,
Described;
But it makes salmonella look like a picnic! !
For you made love to her at her place.

Edward Kofi Louis
At Home

Night,
Memory;
Rain!
With the power of love;
Sleep,
Like a soldier;
With hope,
At home.
Love,
Lost in the woods!
Sun,
With the heat of the summer;
So, i don't need any war to disturb my sleep,
At home.

Edward Kofi Louis
At Home 2

At home,
With a lot of work to do;
Putting things together,
Known to contribute to the beauty of my abode.

Images! !
Art and love;
My world is very safe for you,
Following like a river of joy!

Edward Kofi Louis
At Home In Ghana

An experience,
The experience!
To turn about,
At the roundabout;
Combined with dexterity and amazing notes.

Lacquer,
Varnish!
Experience,
'Fon-tom-from, fon-tom-from'!
The cry of a culture to meet your mind;
With my faith at home in Ghana.

Words of love,
Words of peace,
The vision so inspired on a mission;
And, with kudos to the beauty that i see in everything.

Edward Kofi Louis
At Home With Your Friends

The fragrance of this tea,
The aroma of this coffee,
At home with your friends;
To do it right and, to get it right!
For the sake of peace and love.

Edward Kofi Louis
At Last

Ah!
At last;
I have seen your beauty,
Among the crowd,
Standing up!
Waving your hands,
Clapping,
Smiling,
With a standing ovation;
And, with the joy of your heart.

Edward Kofi Louis
At Least You'Ve Got The Message

Love!
At least you've got the message;
After the call.
Where, here!
Dancing in the rain;
After the muse of the rain.
Her, here!
With the sweet muse of her love;
After the call.
Part, art!
With the nature of things;
As seen in the land of your muse.

Braw, raw!
it was a braw day;
Pat, patty!
With the muse of love;
City, paucity!
At least you've got the message;
Path, bath!
With the muse of your sweet love.
Launch, paunch!
Dancing in the rain;
Version, vision!
After the muse of the rain.

Edward Kofi Louis
At 'saltpond'

A durbar ground at 'Saltpond',
And to disclose the information;
But, this includes the network of your works.
Proper database,
The purpose,
To do so;
But maintaining the same issue in order.
Of the legal backings,
And, to port them in!
But imposed like youe sweet love in the land of your muse;
However, i am at the durbar grounds in 'Saltpond'.

Edward Kofi Louis
At Sea

At sea,
Take care!
When enjoy the sea.

Swimming along,
With lifeguards around;
Watching you.

Regards and concerns,
Raised with the muse of consultants around;
With the establishment of lifeguards along the coast.

Edward Kofi Louis
At That Time In My Life

Romance!
With love and love stories;
But, why am i here today?
With the muse of the world around me.
Love,
At that time in my life;
With the city girl,
In my hometown.
The truth!
Like the jewels and crowns of love;
And, falling in love was all about us.

Edward Kofi Louis
At That Time In The Night

Glass, grass!
Frequent,
Implemented,
Unacceptable! !
Interim,
Solicit,
Commissioned!
To take another course,
Like three successive knocks!
Of an encounter,
With your body smeared with herbs;
At that time in the night.

Edward Kofi Louis
At The Apex

Alex,
Complex and powerful! !
Always at the apex;
To speak,
At the peak.

Edward Kofi Louis
At The Beach

Reflections!
Arm in arm;
Between violet and blue,
With the blues of your sweet love,
At the beach.

Edward Kofi Louis
At The Centre

At the centre,
A city surrounded by a river!
Accomplished with the muse of nature.

Edward Kofi Louis
At The Coast

The view,
From a house at the coast;
Being in love,
The feelings of love are stronger than anything!
Glad to know who you are,
However, one cannot get everything in this life.

Edward Kofi Louis
At The Corner

This place,
At the corner;
Noted,
By all!
Visiting this place;
At the corner.

Edward Kofi Louis
At The Disparity

At the disparity,
With the muse of the human race;
Attoney!
Attention,
Active,
With the laws.
Passive,
With his or her work;
Brother,
Bother!
Sister,
Spinster! 
Brood,
Brook,
Blood.

Edward Kofi Louis
At The Door

At the door,
Knocking!
Open the door and let me in;
Allow me in if you love me,
Because i need your help.

Edward Kofi Louis
At The Door Of Your Love

Just the other time,
Just the other day,
With a just person knocking at the door of your love;
Through the faith!
And, with the muse of the laws;
Standing at the door to meet your visitor.

Love,
To touch your heart!
To touch her heart,
To touch my heart,
To touch his heart;
And, to bring us to the place that we belong to.

Edward Kofi Louis
At The Edge Of The Waters

The waters divided and your love was exposed,
Standing in the midst of thered sea to take a view;
As you played along with your muse in the wilderness of lover.
Dove, cove, clove, drove, movde, love, hove, prove, rove, wove!
Playing at the edge of the waters;
However, part of the area was as white as snow! !
And, the other part was as black as coal,
With the ways of your lovely muse in the land of the living.

Edward Kofi Louis
At The Entrance

I entered through the gate of her love and she cried out loud!
For the joy of my love made her cried out for more;
And like the tongs of gold!
For, i went in and ate and drunk with her,
And there i met her big brown eyes.

Wait until the morning light and,
I will be with you my love;
And at the entrance of your gate of love,
But your pure gold basin is now around me!
And, it is all about love.

Edward Kofi Louis
At The Entrance  2

Sent out,
At the entrace;

A set out!
To the gate of love.

To persuade her,
Gladly welcomed! !

Then, they ate and drank and slept;
With the joy of their hearts.

Edward Kofi Louis
At The Gate

At the gate,
At the gate of love;
The passage!
With the muse of your age,
In love;
With the patterns of life and,
The fragrance of your lovely heart.

Edward Kofi Louis
At The King's Gate

Heritage!
To pay homage;
With royal garments of blue and white,
but, i am clothed in sackcloth at the king's gate.

Who can bring the clean from the unclean? !
And, does not the ear test words and the mouth taste food?
With a mere laughingstock to those whose feet have slipped;
In the garden of sin.

The muse of lust,
Like the muse of a drunkard!
Who needs help to find his or her way home.

The muse of life,
Let your ears discern what is right and, what i am saying;
With the muse of humility,
By listening carefully to my speech.

The muse of life,
A wild donkey's colt is born tame!
From the womb of the grave,
Hoever, don't pour me out like water when, the truth hits your heart.

At the king's gate,
A man born of a woman is full of trouble!
As seen with the troubles of this world;
And mankind aims at each other in the name of war.

The thirteenth day of your lovely muse,
With royal garments on;
But, this poem knows no one!
Because, i am standing at the king's gate in sackcloth.

Edward Kofi Louis
At The Night Time

Paint it black and paint it red,
And like a nice flow with your brush;
But use it at the night time like,
An Australian in bed!

Genetic information,
Positive or negative is considered by a person's character!
But, your choices can affect your life, your family and your community;
And like a cat out of the sack.

Edward Kofi Louis
At The Other Side

15 metres high and,
3 metres thick!
Like the walls of love in the land of peace;
Waiting for your lover at the other side of the lake.
Red lake!
Blue lake,
Green lake,
Black lake;
But, the sad news is,
60 tons of drugs from Ethiopia enters Somalia every day.

Edward Kofi Louis
At The Perfect Time

Love,
In that moment and, at the perfect time;
The mystic!
With the oracle,
levels! !
With the muse of the plants and flowers around;
As the bud blooms out with the aroma od your romance.

Love,
With perfect timing;
Vat, vital!
To be part of the story;
Dan, dancer!
With the muse of your mind;
Mobility, nobility!
With the muse of your romance in the land of the living.

Edward Kofi Louis
At The Post Of My Door

I am waiting at the post of my door for my lover,
So come and eat my sweet food of love if you are the one;
For the wine mixed on the table is for your own health as well.

Edward Kofi Louis
At The Right Time

Imagine having the first kiss in your life time,
Imagine making love for the first time,
And like your words in print to be read by many! !
But, joy it is when you know how to do the right things always at the right time.

Edward Kofi Louis
At The Right Time  2

I came in at the right time!
Then, the call came in;
And, i picked up the phone.

Edward Kofi Louis
At The Right Time  3

It's me,
It's you,
She's got the look!
He's got the look,
At the right time;
Because, there is time for everything in life.

Edward Kofi Louis
At The Same Hour

The ships,
Burnt up! !
At sea,
Into the sea,
Chips, hips, slips, lips!
Mangled with blood;
Made bitter,
Likewise in the dark,
At night.
Pit, hit!
Not fit enough,
Seen like the keys of the bottomless pit;
Sounded! !
Landed,
Wounded,
With the muse of nature,
At sea;
Open for all!
Fire! ! !
At the same hour;
Pen, den!
When?
Burning down,
It lasted only for a short time.

Edward Kofi Louis
At The Same Spot

Shave yourself very clean and,
Put on your clothes;
For the meeting,
For the appointment,
Meeting once again after many years!
At the same spot.
Fantastic! ! !
What goes around comes around;
Meeting you once again,
At the same spot after many years gone by.

Edward Kofi Louis
At The Secret Place

Life,
At the secret place of love;
To dwell there for a reason known to you,
All in the name of the aroma of your mind.

My works!
Unknown to you;
But, one day you will feel the presence of my love beside you,
At the secret place with your muse.

The ocean of love!
The mind of peace;
At the secret place of love with your works,
And like the muse of the sun rising uo from the east.

Edward Kofi Louis
At The Supermarket

At the supermarket,
To buy a gallon of water to iron my clothes;
Hear, gear, sear, wear, pear, dear, bear, ear, near!
To come across other items at the supermarket;
Being ambitious!
With my love for art and poetry.
Feed, seed, need, reed, weed, creed, heed, greed, breed!
Driven by the need to help other and,
To take care of my life in peace.
At the supermarket!
To exhibit my skills;
With the style of my writing and painting to the world,
And, to buy a gallon of water to iron my clothes.
Very passionate!
Growing up wasn't all that smooth with me in Ghana;
Along the lines of life,
Amd to expose my mind to the people with my talents.
On, reckon!
With my belief and with my faith;
Searching the shelves of the supermarket for what i want.

Edward Kofi Louis
At The Table

At the table,
You've eaten;
And, you've satisfied yourself.

Edward Kofi Louis
At The White Place

Meeting you,
At the White Place in New York;
Like the muse of someone working at the Sugar Farm;
Waiting for the black molasses.
The sense of humour!
The sense of life;
But, let nature always show us the ways of the truth.
Love,
For your conduct and, for my conduct;
Meeting you,
At the White Place in New York.

Edward Kofi Louis
At This Time

Upright,
Uprising!
To help others;
Could, would, should! !
Of this work,
Of this poem,
With this mind;
And, with the muse of love.
Life!
To show and to love one another;
Downloads, uploads!
From this point of view at this time;
But, it came out from that woman.
Ash, cash!
To see it and to use it;
Ash, wash!
To see it and to eat it;
Ash, mash!
it came out from that man;
But, don't seek for the dead on behalf of the living.

Edward Kofi Louis
At Your Harbour

Find a place of rest with my love and be like,
The boats and the mighty ships at your harbour!
For your tackle is loosed and,
I will like to take my bath together with you in heaven.
Your stream of love are now turned into pitches,
And like the cormorant, owl, raven and the pelican watching!
For Idumea is closer to my heart like Edom,
But Edo and Ado will visit Ido tonight!
So come and share your love with me.

Edward Kofi Louis
At Your Residence

Drinking coffee and reading the Newspaper,
Relaxed! !
With others around you;
Talking about life and about business,
At your residence.

Edward Kofi Louis
At, Art!

Illegal lust,
Blotted out!
Conferred,
With points of controversy;
At, art!
Until the next day;
With the muse of the ringleader.

Pest, test, best, west, rest, nest;
But, the rain ceased!
Like the muse od an orator:
Sew, few, mew, dew, drew, threw!
Like wolves ravening for the prey;
With the muse of the activities of people.

Edward Kofi Louis
Ate, Graduate!

As usual in life;
Recorded in your land and,
In my land.

Love!
To the motherland;
Life!
In many different fields;
Learning and coming out with flying colours! !

Edward Kofi Louis
Ate, Private!

Ate, private!
But, with no reason to support your act;
because, you were very hungry and,
My cook prepared the Food for you.

Allow, allowance!
Allowwing you into my room;
For, you were found outside alone in the cold,
And, my cook prepared some food for you.

Nation, federation!
Coming home to meet you at my dining table;
And, i was told what occurred!  
As you were found alone in the cold.

Edward Kofi Louis
Atemlos

Glaskugel!
Chefresser;
Märchen,
Elektrische,
Schälresser! !
Atemlos,
Bad und Dusche;
Creme Seife,
Einmal,
Silberglanz!
sauberk,
Qualität,
Klassisch!
Optik,
Enge Form!
Aber, in Farben.

Edward Kofi Louis
Athena

Sink, link, ink, pink, wink, plink, slink, think, drink;
And like the desires to support the research work of Athena your lover!
But the quality of your muse is like the quality of Athena's works;
However, the sugar cane is needed in times like this,
For the Mighty Jets are ready to take-off!
Zink, mink, rink, shrinkm clink, brink, blink, fink, gink;
With words from your love to enhance your status-quo!
But, you have gathered enough to back up Athena in the research work.

Edward Kofi Louis
He got it,
She got it,
With the muse of prayers in the land;
Athiests, he, she, hats, ties, hits, heats, seas, seats, eats!
Minds and thoughts,
Knowledge of the truth,
With the thoughts of mankind! 
Our hearts,
Acts and behaviours,
With the muse of life around us.

Edward Kofi Louis
Atiogbe

Wives, submit to your own husbands,
For the husband is the head of the wife;
Husbands, love your wives!
And stop jumping from bed to bed;
For, i am Atiogbe in your city stidying various things,
And i have more things at hand to tell.

Edward Kofi Louis
Atkinson

Atkitson, kin, so, son, in, sit, on, sat, at, kit, it, is, saint, ant, kits, tan!
Inviting you to my house,
My simple abode with the muse of peace and love;
With the humour of life! !
The joy of the laws,
The romance of nature,
The fragrance of humility,
With the beauty of unity;
Living and respecting righteous works.

Edward Kofi Louis
Atlantic Coast

Atlantic Coast,
With the muse of nature;
Waves!
With the beauty of the ocean.
Fragrance of life,
With the romance of nature;
Beauty with the muse of the ocean,
Atlantic Coast.

Edward Kofi Louis
Atmosphere

A puzzling collapse of the Earth's upper atmosphere!

With the News to all ages and of all lovers on earth;

Scattered abroad to understand the mind of the Creator,

However, only the wise are ready for the end;

Because, narrow is the gate that leads to righteousness!

Edward Kofi Louis
Ato

Oh, why has she kept so long in coming?
Is it because of her love?!
For i have laid the bed of love waiting and,
I will be her care taker when she turns up.

She's my lover and she knows my name,
For i am Ato from the coast of love;
And i will still wait for her before the sun goes down.

Edward Kofi Louis
Atova

Caught in an electric web,
With the technology addicts like my friend Atova;
But try to know what is going on around us,
And like a man's dwelling place with the muse of your love.

Edward Kofi Louis
Misalignment or subjectivism,
But the spine of the matter is with us;
Because there is something in the soap!

Give unto Ceaser what is Ceaser's and,
Try to pay the taxes around you;
For the cycle of hatred and violence have broken the brotherhood!

It may not occur here you may say,
But i am Atraxerxes from the land of peace;
And like the spine of the matter known to us.

Edward Kofi Louis
Atrocities

Atrocities!
Acts of evil,
Crimes,
Crises! !
Complex,
Attempted,
Tempted!
With the people in the land.

Edward Kofi Louis
Atrophied

Atrophied,
Give me an antelope with an antecedent fact on this muse!
For, i know the pains that these girls go through;
Thereafer, the whole story becomes an apagoge when,
You hear that a father had sex with his own daughter.

Very appalling! !
And like the beautiful roses of love on the bed of thorns;
However, one needs a self-defence and the self-control to move on in this life.

It is news to me!
Because, the journey of this love was cut short by you;
And now, you are lying down like a dog! !

Alone in the dark,
And like a famous Chief called, 'Nana Awurade Basa'! !
But, try to hold on to the unity of the community;
Because, a father had been caught after having sex with his own daughter.

Edward Kofi Louis
Attached

Finely twisted,
With pieces attached;
Settings of gold!
Like a rope,
With hope;
Braided chains! !
Of pure gold.

Edward Kofi Louis
Attached 2

First fruits of love,
With the romance of life;
New fruits,
Fresh fruits,
Attached with the muse of your sweet love.

Edward Kofi Louis
Attachment

Love,
Affection,
Dear!
Attachment,
Tenderness,
Beloved;
Sand, stand!
As heaped on the beach.

Edward Kofi Louis
Attain Wisdom

Do not dispise your mother when she is old!
May she who bore you rejoice;

Listen to your father who begot you and,
Live in peace with your neighbours!

Attain Wisdom,
Attain the truth;

Living with righteous morals,
According to righteous laws.

Edward Kofi Louis
Attend To Me

Love,
Attend to me,
Answer me;
With the voice of peace.

Edward Kofi Louis
A young beautiful 'Chop-Bar' attendant is a husband-snatcher!
And the muse of lust had led her into trouble waters today;
But, when the cat is out, the mouse will play! !

Of no fixed abode,
Of this illicit love made nude!
But, this beautiful 'Chop-Bar' attendant has now been exposed! !

Edward Kofi Louis
Attended

Love,
Minutes after midnight;
About the lady,
About the man,
Attended;
With the muse of sweet love.

Touched,
Located,
Sexuality and life as a human;
Biological and physiological,
Compared with the sweet one.

Edward Kofi Louis
Attention

Attention, tent, ten, net, ant, ion, ton, not, on, no, at, it, neat, tone, eat, ate, tea;
But don't eat to the full to become a fool! !
For, outside are many eyes watching your steps to whatever that you do.

Of the sea and the river,
Of your love and your muse,
Of the people and the wages of war!
But the waters of love are closer to us all if only if we do the right thing;
And like the supplication of your righteous works in the land of joy.

Edward Kofi Louis
Attic

Attic,
To be in it;
Being nourished with the muse of love!
With the positive thoughts of your mind.

Life,
Being in kit;
Aroused by the muse of your sweet love!
Knowing where to step for the peace of the earth.

Edward Kofi Louis
Attitude

Pen,
Hen,
Men,
Women,
Ten,
Open;
When?
Attitude! !
Then with your act,
Now living in the den of sin.

Edward Kofi Louis
Attitude And Servitude

Attitude and servitude,
With the gratitude of the truth;
Moving along with my mind,
Facing positive laws,
According to righteous characters.

Edward Kofi Louis
Attitude, Vicissitude!

Electronics,
The Entrepreneur;
Real education teaches the hearts and the minds for righteous works.

Reach out to the people with the love of your heart and,
Live in peace with your neighbours;
For, real education is more than Books and Degrees.

Attitude, vicissitude!
Guide and keep the systems of life with the truth;
Resist evil!
And, live with the works of peace.

Edward Kofi Louis
Atto

Atomic energy! !
In a populated area;
For the golden pipes are now melted away,
But, as a young child in West Africa,
I do rest my mind on this issue.

From me to you and,
From you to me!
But, i am Atto;
And, this case at hand came through the milk and the blood! !
However, the bombs are now falling on us today.

Edward Kofi Louis
Attoh

A letter to the Supreme Commander called Attoh,
There is a time to gather and a time to scatter;
And like the night before!
For she left early in the morning,
And i have to flip through the pages of love.

Come to me with your sincere heart and,
Let me trade with your love;
For i have to flip through her pages of love and,
To find the trade mark of her love that is left behind.

Edward Kofi Louis
Attractive And Pleasing

Love!
Attractive and pleasing;
Are you looking for me?
You know where to find me;
For i am a man of peace,
True love is the richest reward in life.

Edward Kofi Louis
Attractive And Pleasing  2

Love,
Attractive and pleasing;
Tender love,
With the muse of the truth.

Edward Kofi Louis
Attractive Body!

I see beauty in your eyes,
I see love in your heart,
I feel joy with your mind,
With an attractive body;
Oh! My sweet one;
Going along with the works of peace.

Edward Kofi Louis
Attributes

Tears of sorrow and tears of joy,
Highly recommended to overcome your broken heart;
However, some people put the best outside while,
Others put the best inside! !

Vanity upon vanity!
And like the muse of a Virgin Park and a Virgin River;
But to conduct s surveillance on my mind is like,
Knowing the number of the bones and sinews in me.

He's got my face and my light!
She's got my blues and my light,
You've got me muse and my light,
They've got my work and my light;
But, don't let the steps you make with your sole hurt your soul.

First time with the story and second time around with my attributes!
But, the desire of my love is replayed again and again;
And this very stone shall be the head of this place.

Edward Kofi Louis
Atuguba

Tragic,
Totally unacceptable! !
Another citizen,
Right to counsel;
And like Atuguba my friend!
But to have their day in court is what they wanted,
However, insults will not win them power!

Edward Kofi Louis
The rights of the needy,
And like the shepherds with their flocks last night;
But try to know yourself and be yourself always!
For i am Auer with the writer's ink,
And i am based in the land of your sweet muse.

Soft and sweet,
Hard and romantic!
But i still feel like helping all in this world with my sweet muse;
And like your peace behind the walls to hear the views of others as well.

Edward Kofi Louis
Of my struggles,
Of my youth years,
But, where is the gold that you promised me?
My sweet Aufie,
Of my pains and of my sorrows;
Though in poverty, i still love you.

Love!
Tapping into the passion of the beholder;
Valley vein!
Entente,
Ennoble;
But, what is wrong with your face and body today?
I want to know.

Love!
A symbol of morality;
Love!
The nectar of life;
Ad, add!
Living among people who care for each other.

Brad, brag, bran;
Wild plant!
Wild love!
In the wilderness of the Red Valley;
And like words from the old big lady and, the old big man.

Edward Kofi Louis
August 2000 To February 2009

August 2000 to February 2009,
That which was rotten is now eatable!
For the muse of love came back to me;
That which was broken is now mended,
That which was stolen is now found,
That which was sorrowful is now joyful,
That which was sick is now well,
That which was leaping is now walking,
That which was crying is now laughing!
For the muse of love came back to me and,
I have now found my new home.

Edward Kofi Louis
August 2008

I can't say anything now than to watch,
Because, all the rivers that flow ends up to the seas;
I can't say anything now than to control my feelings,
Because, i have been in pain since since August 2008;
With the ultimate prive of love and romance.

My little princess!
You are the secret webpage of my love;
So, let this sweet smell of your aroma heal my pains,
As i walk along to school barefooted.

The sweet muse of love!
To make all my dreams come true;
And, to overcome this pain in life.

Dress up!
Oh my little princess;
Come and heal me with your sweet love,
And, let me overcome this pain! !
With the ultimate price of your romance.

Edward Kofi Louis
August Town

My August Lady in August Town,
Come and fill my soul with your love!
For your love is all that I need,
And I want you always on this love of mine!
Because it is now empty.

Edward Kofi Louis
Augustina

The land of peace and the land of war!
The mind of joy and the muse of love!
With all the workers of this world;
But, who the cap fits must always wear it.

Joy to the workers of peace,
Love to the people of joy!
Care in the land of unity;
But, i am here in search of Augustina! !
For, i have a message for her.

Edward Kofi Louis
Augustina  II

The study of your love,
Oh my sweet Augustina!

The kiss of your lips,
But, genetically identical to the standards of my works.

3 days after! !
And like a fast-moving light;

In San Fernando!
Almost certainly like the joy that we shared.

Willingly! !
With the sweet muse of your love;

Testing! Tasting, eating;
And, to investigate your muse with my love.

Gust, guest!
Like the first study of your love;

Life!
Like the muse of the sky.

Edward Kofi Louis
Augustine

The flame!
With coals to warm up your body;
But, try to find Augustine your friend who is still stocked up in the cold!
For, he can safely be accommodated by you when you find him.

Edward Kofi Louis
Augustine II

Tears, wears, fears, bears, sears, pears, dears, years;
But, who let the cats out? ! !
And like the history of Augustine my friend,
For, the days are now longer.

Gears, hears, ears, nears, rears, shears, swears!
But, who let the dogs out? ! !
And like the sad news in the land of your muse,
For, the days are now shorter.

Edward Kofi Louis
Augustinni

Ask, cask, mask, bask;
Care to your pet and,
Love to your muse!

Set, pet, met, bet, wet, net;
Come to me and let me lead you on!
For, you need a guide on this path.

Het up, let out, get in, jet lag, vet them, yet in the land;
And like the muse of Augustinni! !
With the beauty of love in the land of care,
But, i am here in search of you.

Edward Kofi Louis
Augustinus

Ask of it and let me give it to you,
Ask of it and let me show it to you,
For the days of the rain are far gone! !
But, i am ready to lead you on my sweet Augustinus.

Edward Kofi Louis
Aurora

Art!
Art work;
To capture the world with your works.

Aurora, Ur, oar!
Gathering,
Works,
Words,
Webs;

Awesome! !
By nature,
With love;

Clover, lover, cover, over!
To love one another with a positive mind and,
To move on in the right direction;
For peace and, for joy.

Edward Kofi Louis
Aurukum

Joy in the Queensland!
For i am Aurukum with the peace of my mind;
But consult an expect when you need help,
For this world is all about us.

Edward Kofi Louis
Auslin

Intercepted! !
But subsequently cleared to go home;
And like the muse of your love behind bars,
But you were naked right in front of the courtroom.

Suspected,
Advice,
Threats,
In the Church with her muse of love to crown the day;
But Auslin called on to the government to come out with a clear position on this issue,
Because, your lover is now behind bars!

Edward Kofi Louis
Austin

From the very first love that we shared and,
Of the first night of your nakedness before me;
From the first romance of your roses and,
Of the muse of your sweet smell on my bed;
But, Austin came and took you away from me.

What is love?
Tell me if you know;
But today you've hurt my feelings.

The moon and the stars will always be there,
And of the realm of realms to see me through;
Because your love is all over me and,
I will walk along with you in my mind always.

Oh! Of the deeper love that we shared;
And of the fantasies that emerged,
But today you are in the arms of Austin.

The aroma of your flowers is now in the black forest and,
With the winter of Hamburg and the summer of Accra;
But I will praise the morning star with my molasses!

I hope to meet you one day,
I hope to meet you again to tell you my mind;
Because horses are ridden for war at times.

Edward Kofi Louis
Austin  II

Austin, in, tin, tan, an, as, it, is, sin, tain, tins, ant, ants, sit, saint, nut, nuts, sat, at;
To do your best in the land of your joy! !
Learning the ways of the law handed over to you and, being different from the masses.
The truth of life and the muse of nature!
Considered from that angle;
Allowing peace to lead the way in your neighbourhood.

Edward Kofi Louis
I am Austradamus and,
My mind works like the clock!
So watch out for December 21st 2012,
An´d like the bombs of war now falling on us;
But my love will keep on growing.

Watch out for next year! !
For the domino effect of the Arab World will expand forth;
And, it may lead to the end of the world!
Because there are more Dictators arouns us,
And they do not understand the meaning of peace.

Edward Kofi Louis
Autocratic

Autocratic,
Gut, glut!
Tempo,
Stunned;
Heavy load! 
Heavy work;
A foreign name,
A prominent chief,
Authorities!
Od an attack on a rival group.
Leaders,
Together;
To gather,
To check,
Like a cheque! 
And, to create a congenial environment.

Edward Kofi Louis
Automation

Oriented,
Automation,
Prestige;
With the human skin in question because of hatred,
But who let the dogs out? !

Mimic,
Devastate,
Blindly;
With exorcism like the muse of war!
But curbing terrorism is the basic topic of the world today,
And what have we learnt so far for the past 40 years? ! !

Edward Kofi Louis
Auxiliary

Project,
All night!

Management,
All day;

Faces,
Phases;

Believers,
Works,

Workshops,
Hopes and dreams!

Just another week,
What goes around comes around;

Auxiliary,
With the shadows of life.

Edward Kofi Louis
Available To Them

You speak of clean water everyday,
But, come and see the colour of the waters in Africa;
And, the poor people are ready to drink any kind of water available to them.

In Africa,
With the survival of the fitters;
Come and see where a worker is paid less than a Dollar a day,
To make ends meet in the heat of Africa.

Let the African Governments draw out their pans for you to see,
Before you back them up with loans and grants;
Then, you will understand where the money goes!
With street children here and there.

The struggle of life,
In Africa!
Paid less than a Dollar a day;
For survival! !
And, to make ends meet when, there are Governments ruling over us in Africa.

Edward Kofi Louis
Avarice

Price of life,
Rice to war,
Nice with the truth,
Avarice! !
Facing the odds of life,
Greed!
Facing the challenges along;
Table,
Not stable;
Insatiable! !
Excessive,
With your muse.

Edward Kofi Louis
Avenged

Blood!
The stain,
Avenged;
In the name of war! !
And, with an offensive message from the hearts.

Hatred and war!
That is not the answer towards peace;
As the wicked one destroyed the land,
With the blood of the dead seen everywhere.

Edward Kofi Louis
Avery Island

The muse of your life,
Of your health,
Of your waelth,
Living in Avery Island.
Fire! !
To grill the meat;
Meeting you at Avery Island,
However, you can run but, you can't hide.

The muse of your life,
With food and drinks;
Driftwood,
Open fire! !
With the muse of your love;
From the South to the North,
Taking a road trip with the muse of your mind.

Edward Kofi Louis
Avevor

Ideas and skills!
Art is life;
The flow of it!
In all spheres of human activities;
Like a direct flow,
Like a reverse flow,
Inward!
And, it was so.
Of the flow!
Outward;
With Avevor your friend;
Avevor, era, or, ear!
But, i am his wife.

Edward Kofi Louis
Avey

Of the sweet love from your eyes,
Of the sweet muse from your body,
Like the sweet chocolate melting all over your nakedness!
Oh Avey, love is the adventure between us;
And, i will always muse it up with your sweet flowers.

Edward Kofi Louis
Aviles

I never knew it will take me that long!
And like the zeal of Aviles your friend in the land of your muse;
But all things must be done in the right way on this love.

The right words and the right love,
And like the voice of Africa! !
But, you can tell the difference from the two items around you.

Edward Kofi Louis
Avoid It!

Wickedness, 
Avoid it! 
And live in peace; 
The world needs true love than, 
Hatred and war.

Edward Kofi Louis
Awake My Love

The muse of life!
Awake my love;
The muse of peace!
Learn the ways of life my love;
And live with the joy of your heart.

Plans, clans!
With the ways of your people;
Owl, low!
To humble yourself for a better future;
But, live in peace with your neighbours.

Tow, two!
Walking along the streets of Accra;
Boon, boom!
With the muse of your heritage;
Factor, actor!
With all diligence to seek for peace.

Edward Kofi Louis
Awakening

The awakening!
Chicago Water Tower;
Determination,
Solitude,
From the earth;
Love,
Safe in her arms of peace.
Nature!
White tulips;
I feel better in my heart because,
You do not hate me.
Rest, best!
Full circle;
View! !
Crystal Blue Lake;
Moore, more!
The first stand;
Teller,
Tender,
A myriad of colours.
Deep!
Deep down;
Deep under,
Looking into the sea of love.

Edward Kofi Louis
Awarh

Awarh, ram, arm;
The full story,
With the rights of the people.
Respect to all mankind!
To seek for peace than war;
And, to rejoice with the muse of positive moral teachings.

Edward Kofi Louis
Away

Away! !
Swept up,
With true love,
Into another realm;
Joy in your heart!

Edward Kofi Louis
Awe

Ware,
Aware,
Awe! !
Awareness,
Awesome;
With the surprise!

Edward Kofi Louis
Awe 2

Awe,
Fear!
But with hope;
With the muse of the people in your land,
Overcoming your problems with love! !
Day after day to the odds of life.

Edward Kofi Louis
Awen

Ugly cows from Awen,
Seven years of famine to your land;
But with the jawbone of a donkey,
I have made a heap over here.

Scrawny and very ugly,
To be in prison for three days;
But the governor over the land is yet to meet me.

Very ugly and lean,
With the jawbone of a monkey at hand;
And i have been able to lie very low over here.

Like the sand of the sea,
Life here is beyond measure!
Like three hundred foxes tired tail to tail.

A dog will not whet its tongue and,
You shall not eat anything unclean;
But like six hundred thousand men on foot,
A Nazirite should not drink wine or strong drink.

Edward Kofi Louis
Awesome

Great and awesome wonders! !
I can't believe we are in love at last;
For you are really great in love.

Edward Kofi Louis
Awesome 2

Golden brightness and splendor!
The power of love;
Awesome and majesty! !
With the works of the truth.

Edward Kofi Louis
Awesome 2

Awesome!
With the muse of the truth;
Faithfulness,
With the muse of the truth around you!
Call on me and, I will answer you;
Like the faithful witness in the sky by night,
The moon.

Edward Kofi Louis
Awesome And Delicious

Love!
Awesome and delicious;
Some, awesome!
With men taking care of the boys and,
Women taking care of the girls.
Love!
In the sanctuary of your muse onl;
Moon, boon!
With children and youg adults alike;
Represented with the res and blue colours.
Love!
It Started in the flesh and, trained from childhood;
Love!
Speaking to you from the heart;
But, you will get what you want if you look for me.

Edward Kofi Louis
Awesome!

Handsome,
Awesome!
Love is very wonderful;
A wondrous thing,
Powerful like the sun.

Edward Kofi Louis
Awesomeness

Awesomeness! !
They saw,
So they marvelled;
Raw,
But not war!
It was the truth,
The works of pure love.

Edward Kofi Louis
Awful!

Unexpected scene,
Awful!
And like a fool's dream in the land of trouble,
But when will they reveal who they are to us?

In the name of a king and in the name of a queen,
But still surviving to make your way through;
And like the prominent names in your town!
But you can surely make a difference among the lot.

Edward Kofi Louis
Awl, Owl!

Bowl,
Fowl,
Awl, owl!
Schemes and acts,
But, love is the only to show that,
You do care for your neighbours.

Edward Kofi Louis
Mount, tantamount!
A criminal act.
Moved out! ! !
With an extension;
'Awoso'!
To call for the truth,
Possession! !
With the projects of life;
And, reacting to the news.

Edward Kofi Louis
Awuah

Of the land of olive oil and honey,
One witness is not enough to convict a man accused of a crime;
But, for the mouth of two people do tell it all for a case.
Awuah, the truth is always known by many;
For a picture is worth a thousand words than a letter.
From Lebanon and to the great river Euphrates,
And from Kadesh Barnea to Gaza;
Be very strong and very courageous at all times!

Edward Kofi Louis
Awura Abena

'Awura Abena',
A Ghanaian girl;
'Awura Abena',
A Ghanaian lady;
'Awura Abena',
A Ghanaian woman;
'Awura Abena',
A female in my society;
But I am from 'Akim Swedru' and,
I have something for this world!
Because, my lovely muse is fully matured.
This is to you and beyond you,
But, launched officially! !
Because you want to know who I am;
All the same, this poem is for you all as well.
To share,
To divide,
This thought,
This same token;
And like a presidential candidate in your land,
But to facilitate this muse is like the sweet love of 'Awura Abena'.

Edward Kofi Louis
Axe, Axle!

Bought, brought!
Posed,
Appeared!
Challenged,
Keenly contested,
Levels,
With different ideas;
Axe, axle!
But, no easy way to victory.

Edward Kofi Louis
Axel

Your love is according to my likeness and,
Your muse is so sweet to me like the honeycomb;
But, a name is well pronounced by the user.

You are mine on this love like the river of blues,
For your love is all about this muse that we share;
And i will care for you always my sweet one.

Smoothly ans efficiently are your moves,
Diligently and responsibly are your works,
And to operate properly on this love like the honeycomb;
For you are all that maintains this love.

Axel, you are the president of my love;
And the difference is clear all over me.

Edward Kofi Louis
Axel II

Axel, axe, axle, Alex;
Focusing on the issues of life,
Surfaced! !
Of your campaign,
With the muse of the laws in the land.

Scan, scandalous!
Several attempts;
With different ideas,
Appearance, emergence!
Waiting for your turn to react.

Edward Kofi Louis
Axl

Badu and Droby went out for a walk,
And all that Kuranyi and Kwesi could see was their back!
But when will Axl call in for my love?
For i have been waiting all day long.

Edward Kofi Louis
Aya

Why should there be rich people in my country and,
The government still go begging?
Why should many people put on gold chain and,
Still say that they are hungry?
I do not understand it because,
I am Aya in the land of the poor.

Ten years of love and ten years after,
And of the governments begging left and right;
But if it looks like an apple and tastes like an apple then,
It is an apple!

Twenty years of love and twenty years after,
And my people are still hungry with gold chains around their necks!
I still do not understand it.

How long will you stay in poverty with these gold chains around you?
How long will you keep on begging with all these rich people around?
I still do not get it;
For many people are still sleeping under the bridges!
And their governments clam to have rule over them.

If it looks like a woman and performs like a woman then,
It is a woman!
For the blood has stopped and the soldiers are advancing in;
And i need a cover to safegard myself in this world.

I cannot count the stars in the heavens above,
But do give me some water to quench my thirst;
For i am from Ur with love and,
I am prepared to visit my people in the village of love.

Edward Kofi Louis
Ayala

Ayala, lay;
The day of your love,
The way to say it,
And to pay a visit to the bay of joy!
To pray for all in peace,
And, to play with love.
The ray of the light,
With the muse of the bright sight!
And, with a tray in your hand;
Bray, ray, bay!
To lay down,
With the peace of your mind.

Edward Kofi Louis
Ayivie

How deep is your love to me Ayivie?
For the sun, moon and stars do shine unto earth;
And like your muse of love so noted last night.
Still, teel, steal! !
When are you having the 'Saturday Night Fever' with me?
For the authenticity of this love is about your muse,
And like the songs of the singing birds to my heart.
Use your human mind to train yourself on this love,
For you are going to learn from me as well;
So do not hide behind the Walls of Jericho! !

Edward Kofi Louis

Ayo, were you able to marry Emeka in the long run?
For you people were glued like two love birds in your teens;
And i do hope that things went on well with you people.

Who knows?
Since you people were swinging from bed to bed;
And you people played much lust during your teens.

I hope you are married to Emeka by now,
For life is not always blue as we do see it.

Edward Kofi Louis

And i am here with my positive mind to share with you;
Because the joy of your love will lead me on!

Azar is your name and,
You are sleeping with me on this bed of love;
And true love knows its roots.

We are now wet in the rain of love and,
We will satisfy each other with a kiss;
And beautifully naked is the muse of love on this bed,
But money cannot buy this love that we share.

Edward Kofi Louis

Baalism

Manisfestations and selfish acts,
But, where is the self desire on this love?
For the courts are now teaching Baalism with the twist of time.
This is not a big deal to many!
But deception that is very devastating is behind your backyard;
And your secrets can begin to eat you up.

Outside are dogs, sorceress, whoremongers, murderers and Baalism!
And everyone who professes to love practices the breaking of the law;
Because certain elements of our genetic make up are transferable.
Some do it for money and others do it for fun,
But let us do the right thing always on this earth with love and care.

Edward Kofi Louis
Baalzebul

You are Baalzebul and I have heard about you,
And I have made up my mind to meet you one day;
For every home that is divided against each other will not stand.

Edward Kofi Louis
Babam

He was there and i saw him,
She was there and i saw her,
But Babam came in late to muse up with my love;
And now we are on a journey of love to meet my parents.

Edward Kofi Louis
Baban

I am walking alone with my lover in the dark,
And talking to each other with the quiet of the night;
But the site of this city is pleasant and,
My lover is so beautiful to meet.

I am Baban and i do have my mind on my lover,
And like the wings of love in the land of roses;
But this site of the city is very pleasant,
And my lover is very beautiful to meet.

Edward Kofi Louis
Babatunde

The pains and tears of life!
In the valley of darkness;
The joy and love of life!
In the valley of light;
But listen to the voice from my heart;
For, the words from my mind will always teach you.

He should marry this woman!
She should marry this man!
But, i am now in Baghdad's Sadr City;
Moving around like one's life on the narrow path! !
However, i hope to meet Babatunde my friend;
Because, i need the directions of this land.

Edward Kofi Louis
Babble, Rabble!

True,
Honest,
Just,
Pure,
Lovely;
The food of the spirit,
But, pay attention to yourselves.
Listening and obeying,
Pelt, belt!
 Implements,
Quest, guest, best;
Berry, merry!
Lorry, worry, sorry;
Examples,
Babble, rabble!
Of their literature,
And, to do what they did before.
Rome, roam!
Like a brier,
Abide,
Rivers of oil;
Contention,
Fore, before!
Controversy,
To give them up;
Gel, angel!
The, then, them;
Change, exchange!
Visitation,
Dictation!
Boiling animals bones;
Perplexity.

Edward Kofi Louis
Babbling Masses

Ant, antacid!
Despite Abraham's pleas,
Yahweh destroyed Sodom and Gomorrah! !
And, this is like the Genesis of the dialogue of the things to think about.

Lust, must!
You are technically dead with no tunnels to lay your rest;
However, i am on the way to Mars with the horizon! !
And like the dutiful daughters with the babbling masses.

This mystic machine!
Of the secrets of the acts of your lust which are now exposed;
So, do not bite off more than you can chew in this world,
Because, you have no respect to the laid down rules of the laws.

Beep, creep!
With the alphanumerical order to make a change with your life;
But, you cannot ameliorate this Problem at Hand today,
Because of your illegal lust in the world.

Edward Kofi Louis
Babblings

Empty babblings,
Guard that which is committed to your trust;
For the owner comes and you may be found guilty,
And like your muse of love hanging in the air last night.

Edward Kofi Louis
Baby

Baby, by, bay!
Of a new born baby in the family,
Taking time to put things in order.

The goal!
To put the family in order;
With the muse of the works ahead.

Having a new born baby,
With the joyful heart of the mother;
And, bringing the family together.

Edward Kofi Louis
Baby, Babylon!

Creative,
Imaginations,
Writing,
Gates, dates!
With positions;
Baby, Babylon!
Plates,
Large and spacious,
Fixed, affixed!
With the seals of love,
With the works of peace,
Joy with the muse of the truth!
According to righteous laws.

Edward Kofi Louis
Babylon

Babylon is the location where civilization began,
And i will wake up to the facts to learn about the muse;
But, try to be yourself always without artificials.

The imagination of man's heart is evil daily,
But the Creator is merciful to us all;
All the same, the day comes when it will burn like oven!

Think about Babylon today and learn the facts,
For it is like passing the bloom of your youth;
And there our hopes and dreams were shattered!

Edward Kofi Louis
Babylon II

Babylon is the location where civilization began,
And i will wake up to the facts to learn about your muse;
But be yourself without any artificial additions.

The imagination of man’s heart is evil always,
But the Creator is merciful to us all;
And think about Babylon today and learn from it,
For it is like passing the bloom of your youth.

Edward Kofi Louis
Babylon Iii

The rebellious religions of Babylon,
You knew your wives and they conceived and bored you children!
But i am now alone in Babylon searching for my way out,
And your wives will surely take care of your many children!

Oh Babylon! !
The time has come for you to repent;
For sadness is found in the land of your muse,
And i will surely find my way home someday.

Edward Kofi Louis
Babysitter

Babysitter, baby, bitter, bet, better, best, set, bare, beat!
And like the Island of Dr. Louis;
But, with the genetic experimentation of your muse.

Babysitter, ray, say, bay, sit, sitter, bib, barb, tie, bat, star!
But, you are in love with her;
And like the works of your hands.

Babysitter, seat, as, are, era, ear, ears, eras, tear, tears, yes!
Strange move! !
While the babysitter takes care of your child;
But, this thing called the T.V. is also your babysitter.

Babysitter, it, is, rate, rates, beats, breast, rest, stir, stair!
Of the baby next to you,
And, like the real voice of your muse! !
But, you are in love with him.

Babysitter, sear, yet, sea, eat, ate, art, tar, bare, , tab, year!
But, you are in love with me and,
I am in love with you! !
However, you now have the T.V. as your babysitter.

Babysitter, as, at, set, tea, base, bear, air, years, rat, beast!
On the invoice and of your voice;
But, who is your babysitter today? ! !
For, thew facts around you say it all on your face.

Edward Kofi Louis
Bacary

Bacary, car, bar, bray, ray!
Life's simple pleasures;
To enjoy oyur life,
But, with the works of the truth.

Edward Kofi Louis
Back And Forth

A covering of a goat's skin!
To protect your property;
And, to overcome the fake healers in your land.
Muse!
Like a leaf which is driven back and forth;
But, smelling the sense of war everywhere in the world today.

Life!
Do not become easily angered;
For, anger rests in the bosom of the fool,
But, the dream that has come true will never pass away.

Back and forth!
With the fowls of the air,
With the beasts of the field,
With the fish of the sea,
But, an honourable name is better than fine perfume.

Edward Kofi Louis
Back Door

Back door,
The black sheep!
Pack,
Not to lack.

Edward Kofi Louis
Back In History

Bringing it in! !
Ten times more;
Eating vegetables,
And of the matter at hand!
But, taking it in will always be guided by the muse of love.

The way of love!
One's speech,
One's language,
One's mind;
And, to go back in history! !
However, it should be used.

Fury, jury, bury, curry, hurry, scurry!
With many faces,
And like etymology;
Beyond! !
But, walk in balance and with beauty;
Coming together and, to get along so far in the land of your muse.

Edward Kofi Louis
Back In My Younger Days

True-love!
Coming straight from the heart;
Back in my younger days,
Internal, external!
With the muse of love.
Love, peace and unity!
Let your life rise up with righteousness;
Post, posture!
Of the size and the structure;
Back in my younger days.

Edward Kofi Louis
I'm back in the game!
And, I love you more than ever;
I'm back in the game and,
I need you more than ever;
I'm back in the game and,
I want you more than ever;
Display,
Elegance,
Dynamic,
And like the muse of love in the land of peace.

Edward Kofi Louis
Back To Life

Love,
Back to life;
To respect the ways of creation.

Edward Kofi Louis
Back To School

Cool!
Back to school;
And, to learn positive morals than being a fool.

Pool!
With the wool in your hand in the evening;
Sitting beside the pool after school is over.

Edward Kofi Louis
Back To The Cameras

Think of my four years in prison,
Then i will tell you more about life;
Think of my problems around you,
Then i will tell you more about life;
For we are all in chains in this world!
But the wind blows to where it will.
I am now back to the cameras and,
You can still hear the noise of the wind! !
Yet still, no one knows where this wind comes from.

Edward Kofi Louis
Back To Work

Back to work,
Moving here and there;
Making some changes,
Facing the challenges!
Of life.
Back to work with your muse,
Words of peace and love,
Able to face the challenges along the line,
With Positiveness! !
With servitude and attitude,
With righteous morals.

Edward Kofi Louis
Background

City,
Simplicitiy,
Background,
Red wine flower,
Under the rain,
With the view of the land.
Ground, round!
Dreaming,
Royal in love;
Like a moonlight dance.

Edward Kofi Louis
Background 2

Ground,
Round,
Around!
Surround,
Background,
Your background;
Living in the land.

Edward Kofi Louis
Ground, round!
Around,
Surround,
Background;
Your background,
My background,
People and machine,
People and power! !
With the works of mankind on earth today.
You and me,
Facing the world!
With our respective acts,
With our respective works,
But, let there be light! With the muse of the truth.

Edward Kofi Louis
Backsliding

Oh! Backsliding son;
Oh! Backsliding daughter;
With friends and relatives watching your steps,
So hide your nakedness from the eyes of the public.

Oh! backsliding peoples of the world;
Like flat breasts of yesterday and,
Big breasts of today! !
But, tomorrow you will be on somebody's bed in the name of illegal lust.

The time of punishment!
To uncover your secret places of love;
Because, your mouths are now wide open.

The time of punishment!
Troubled like the tossing sea;
And like a world with empty dreams,
For, tears had now become your Food.

Edward Kofi Louis
Backslidings

Your own wickedness will correct you,

Your own backslidings will rebuke you,

Because on every high hills and,

Under every green trees you lay down and,

Played the harlot.

Edward Kofi Louis
Bacteria!

Bacteria!
Everywhere;
A drop of blood,
red blood cells,
Blood bacteria,
Life cycles,
The blood of human beings and animals! 
But, do not eat or drink the blood;
Because, there is life in it.

Edward Kofi Louis
Bad Blood

Destroyer! !
Bad blood;
Bad act,
Poison!
Negative act.

Edward Kofi Louis
Bad Company

Lawless,
With the energy of Satan;
Deceivableness of sin,
With the mystery of iniquity!
Bad company,
Which corrupts righteous character;
But, the power to overcome sin is from the laws.

Edward Kofi Louis
Bad Deeds

Illegal lust,
Covering up your bad deeds from the people;
However, the people are aware of the errors of your ways,
In this land.

Walking in darkness!
With the muse of the destruction at noonday;
Destroying everything in the land.

Pestilence!
With the muse of your bad deeds in the land;
As you covered up your bad deeds from the people,
However, a spade is always a spade.

Edward Kofi Louis
Bad Friends

Bad friends,
Leading you away!
From the works of the truth;
Because, they only know hatred and war.

Edward Kofi Louis
Bad Taste

War!
Bad taste;
Sin brings us what we are seeing in earth today,
Teaching people with the muse of hatred and war will never bring us peace.

Edward Kofi Louis
Badagry

Badagry, brag, bad, drag, bag, dry!
To watch my steps whenever i am closer to you;
Brag, drag!
As you participated in the operation;
With the bullets of war on your patrol.
Plumber, lumber, slumber, number!
And to kidnap victims;
Meanwhile, the police are now after you! !
As pregnant women were ripped opened by the guns of war.

A vigil,
Wearing briefs;
To the astonishment of all!
And to watch my steps whenever i sm closer to you;
To be concerned,
Giving varying accounts of what occurred!
As you participated in the operation;
To abduct and kill people with your guns! !
Including pregnant women.

Edward Kofi Louis
Badu

From one's nakedness to another are the sins of men,
But i will love you like the sweet apples next door to me.
Sailer, trailer, bailer, failer, jailer!
I am the very lovely muse around you;
And i am the very one you are waiting for.
Badu, do search for me on this love;
And, i will take you up high like Mt. Everest.

Edward Kofi Louis
Bafana-Bafana!

'Bafana-Bafana'!
There comes a time that we have to share with the world;
And today it is all about the Football World Cup!
For it is coming to Africa for the first time and,
We Africans are ready to receive the world.

We do have our hopes and dreams in Africa and,
We will never look back! !
For the glory of our continent will shine upon many,
And we will look forward for a fair play.

'Bafana-Bafana'!
Let the stars of the heavens do shine upon us all;
For 2010 gathers the legs with cheers and joy,
And in South Africa to play the FIFA 2010 World Cup!

Edward Kofi Louis

In his past,
In her past,
In your past,
In my past,
It was part of the plan!
As you went in and met ther.

Established with your works.

Gin, begin!
Food and drinks,
Ministering before you;
Before your eyes,
Telling you the truth!
With the works of the law.

Bag, cabbage!
To fish,
To hunt,
In the community;
To spent much time with you.

Polishing the windows of your sweet love;
The water area,
Predominant,
Of its size,
Maintaining the lamps of your sweet love.

Mat, mate!
Living in a thick forest surrounded with tall trees;
Pen, den, men, women!
However, training yourself before hand will,
Prepare you to overcome all odds in life.
Bagon

Take that tour and meet my love,
For the heavens have opened the doors of love for you to meet me;
And like Bagon my friend in the land of peace.

Living in bahrain and Nepal;
Far away from Africa,
But, my works will surely reach out to you.
Desire!
With life's own acts on mankind;
But, do think before you act.
Love!
Make the right choices and live;
But, a little prayer is needed on your uplifting.

Love!
We have to talk once again;
After taking your decision.
Broad,
Wide,
Bright! !
And, to show me your ways.
Love!
Rise up and shine like the sun;
And, the muse of the African Glory will always be with you.

Edward Kofi Louis
Bahurim

He is lying on his bed in his room and,
Bahurim came in calling!
'All that you've commanded i will do,
Because you are my commander on this love';
But, the butterfly is her tonight!

Edward Kofi Louis
Baidoo

To gain access to the forest is like,
To gain access to your love;
And, you are like one of the smart waiters around me!
But, let me break the jink.

Of the forest of love that muses with my heart!
For, my mind is now set on you like the eternal blues of love;
And i will always wait for you my sweet one,
Because, you are the very one that my heart had been searching for.

Baidoo my lover!

Baking enough for all the people,
With the joy of the hearts at work and, with the muse of life.

But we human beings are all one;
We all came from the same source of life,
Made by the Creator Almighty for a purpose;
However, evil came long and, many have now turned to the other side!
Ready to kill and destroy.

Edward Kofi Louis
Baldness

Of your fathers gone by,
Where are they now?
Of your mothers gone by,
Where are they now?
Like the baldness on one's head because,
Man does not live forever!

You are the son of Hystaspis,
And you have a turban upon your head;
But do speak the truth always!
Because, life in the city is full of the truth.

Of the old men and women,
Living in the city of truth;
But like the tents of Cushan in affection,
So is the baldness now upon the earth.

The earth is divided by rivers!
Like the sweet wine from the mountains;
And the waters of the sea do pave the way like,
The buying of the poor with silver!
But like the day that i became a foreigner,
My feet became like that of a deer.

Baldness is upon the earth like,
A basket full of sweet fruits;
But to buy the needy for a pair of shoes is like,
The sadness in every man's home.

Edward Kofi Louis
Baldo

Creative!
Very descent;
A poetic act! !
A poetic love,

The uncleanness of her monthly period!

And like the rising levels of the seas and the oceans.

The ways of life,
The ways of your muse,
The ways of your love;
And like the ways of life for you to learn from! !
But, do keep away from your wife during her monthly period,
For, i am Balk and, i am telling you the truth!
And, this is like a knotty problem around us always.

Edward Kofi Louis
Painting a man on an elephant is like a meal eaten in silence,
But my emotions are unutterably towards you my love;
You are lonely in the bush of love oh Balthasar!
For the departure of the gentleman is seen around you.
It is not my speech but your insulted memory,
So you have to pick up the pieces together;
For the key to your love is on the table.
It is not my status-quo but your acts of love!
For you are now lost in the field of love and,
You are not worthy to be devoted as my First lady.

Edward Kofi Louis
Bamoth, bat, hat, boat, tab, hot, bath!

Banana Express,

For your true love is now hidden in the woods!
But i know what i am doing over here.

Banana Express,
Show me your home and let me visit you;
For your true love is now hidden in the woods,
But the sea of your love will never dry on me.

Edward Kofi Louis
Bananas And Apples

I ate two bananas and you ate two apples,
And being moved with a fervent zeal to meet your love;
For she threshed the barley like the 'Indigo Girls' and,
Her sweet love was satisfied by his lover!
But i will always meet you my love.

Bananas and apples,
My heart is merry and i am glad to see you again;
And there is no one like you my sweet one,
For your sweet love is all that i need.

Edward Kofi Louis
Bananas For Three

Love will help me know my colour,
Love will help me know my name,
This city wall is all around me;
Love can help me know my colour,
Love can help me know my name,
This city wall is around you too.
Listen to the sage of the Bard around you,
Listen to the Bard from the four winds of love;
Life is like dancing in my undertrousers.
I have bananas for three to enlighten you,
Like black and white playing with my love;
I have bananas for three beyond the Euphrates River,
Like living in the Valley of Romance with my sweet lover.
I am standing between heaven and earth,
True love is all that i need in this world;
Like banana for three from my creative artistry.
On this earth, the Kings rule and misrule;
But, i have my life in the Valley of peace.
Beyond the Euphrates River with bananas for three,
This world is all that we have now to share;
Like life in the Valley of Love to all mankind.

It is part of you and me and the outcome of this baby,
And like a trip Karachi to Islamabad!
For this baby came out from the valley of our hearts.
This baby is for you and i,
And like the valley of lovers where the hearts meet;
So Baneseh, let us love this baby like our nakedness.

Edward Kofi Louis
I am a man from Ajejule,  
And i am now taking a rest under a big baobab tree;  
For my life in Lagos has taken its toll,  
And i am now like a tired bird in the sun.

I am a vegetarian and i am lonely in the ghetto,  
But very quiet and peaceful like the genealogical records of mankind.  
One day i will open the door with the golden handles,  
One day i will come to you with my sweet love,  
But my life in Lagos has taken its toll.

Going along with your works.

At the durbar,
With the Royal Clans.

In the village,
In the town,
In the city,
In the country!!
In the land of your muse.

The big land!
With the muse of an eagle;
The big hole!
With all eyes on you;
But, the eagle was flying up high above you.

Life!
Its intuitive;
Love!
Its intuitive;
Bar, sidebar!
But today, you are as sick as the parrot.

Edward Kofi Louis
Bar, Star, Far!

Bar, star, far!
Afar,
Far away;
But with love,
True love knows no distance.

Edward Kofi Louis
Barabbas

A fire of coals!
Fo it was very cold;
And i am wrting openly to the world!
For many will read and learn from my muse,
But Barabbas is your friend at last.

Edward Kofi Louis
Barachel

My harp is turned into mourning and,
My flute into the wail of weepers!
Because i saw your nakedness and,
Another man took it away.
I gave you my full attention on this love and you left me,
So build your own home and your own city of love over there;
And of your lust that elided this man at last,
Because the dating and the seeking of your love was noted!

Barachel is my lover and i shall not want,
But the very eyes of the light do watch us all;
And a day came and i became the father to the needy,
Because my harp and flute had now turned into mourning!
Oh Barachel, why do this to me at this very hour?
For the muse of your love is now gone to another man.

Edward Kofi Louis
Barack

Affection,
You are my man so sweet on this love;
So come to me oh my sweet Barack!
Come home and sleep with me,
For, i have been waiting for far too long.

This night is meant for you,
This love is meant for you,
This muse is prepared for you,
So come home my sweet Barack! !
For, the moonlight is ready to see our nakedness;
And, you are so sweet on this love.

Edward Kofi Louis
Barack Obama

He is the first Blackman and the 44th U.S. President,
And 2008 U.S. Election will be remembered always!
For Barack Obama is his name.

'Say it loud! I'm Black and proud'! ! (James Brown):
For life is like the Rich Man's table and the Poor Man's Kitchen,
But my mind is faster than my fingers at times.
You have made History and,
I will use my legs to be closer to your heart;
For the 'American Dream' is all about you and i.

Being the best among your peers was like,
A thing of joy to grow up and among others;
Rather you chose to be very simple to others like,
A river flowing down to the sea and,
Coming to meet you face to face was like a warrior!
Knowing when the battle begins and ends.

Overcoming the fears and the hatred around you is like,
Barack Obama reaching out to the skies!
As far as becoming the 44th U.S. President in our time and,
Managing the affairs of others too;
As time goes by with you and your team in power!

Black bear, blue bear and the white bear;
Of a man on a vision with the truth,
So open up your eyes and try to see from him too!

143 years after the end of the Slavery in the U.S.A.,
'Change has come to America'! And,
20th January 2009 ushers in the 44th U.S. President.
It is all about the 'American Dream' and,
It is all about life!
Greetings to President Obama and his wife;
Michelle Obama (the First Lady) and the children!
Sasha and Malia should be guided too,
For this History will always be remembered.
Edward Kofi Louis
Barack Obama in Berlin,
With words like a bard to put us in order;
But many minds will lay low to think.

Being one of his father's children among the four wives and,
A vision came to him to achieve the best of life with dreams;
Right from the beginning of things to fulfil his ambitions and,
As the right person to stand for the U.S. Presidential race.
Care was given to him from every angle to push him up like,
Kenya where his father came from.

Barack Obama in Berlin,
With words like a bard to put us in order;
But many minds will lay low to think.

Here in Berlin with the advantage of his reputations and,
Using the opportunities in the U.S.A. like his father had;
Showing how great it is to share without racism and religion like,
Sunflowers in a sweet green field with the smell of an aroma:
Emitting with positive words to call us all together as one.
In the U.S.A. to reach out to the world with love and,
Now that he is running for the presidential seat.

Barack Obama in Berlin,
With words like a bard to put us in order;
But many minds will lay low to think.

Obama has made a name in this world so sweet,
Being rated among the best to bring us together;
Along the lines of war, hatred and peace like,
Masters of the act of flying to reach a place:
A memory of his visit will sit many down to think.

Barack Obama in Berlin,
With words like a bard to put us in order;
But many minds will lay low to think.

Edward Kofi Louis
Barak

Subterfuge,
You are like the sons of the gods;
Affliction,
She was mine and my everything!
But you shot me down and took her away.
Yes, mine and only one;
And i will always remember she who was my lover,
For i am Barak in the land of your muse.

Edward Kofi Louis
Barbados

The water from the upstream stopped flowing and,
I put on my beautiful robe of love looking for you;
For the size should fit in when true love calls;
And like your muse of love hidden in the garden of peace.
Twelve stones in the middle of the Jordan!
And of the seven priests and the seven trumpets;
But, i still have to go through the waters of love to seek for you,
For, your love is all that i want in this village of peace and lovely birds.
Tell me, how do you feel being naked before me? !
And like the first time of love we made in Barbados;
But, i am now a Prince and, i still search for you my sweet Princess.

Edward Kofi Louis
Barbara

If it is not broken then live with it,
But if it is broken then fix it;
And like the puberty fites of my culture,
For the bird came and took you away.
Prepare and be loved,
And with the adventures of the muse around you;
For you are what you say you are.
Oh Barbara my love!
And of the bloomed flowers around your house;
But it is the delight of love that keeps you at bay!

Edward Kofi Louis
Barbara My Love

An earnest manner to remember the night of your love,
For my reputation is very clear on this love at hand;
And we need each other to move on peacefully.
Honesty, kindness and faithfulness;
Extend to me the words of your pleasant love from your vineyard,
For the romance of the Nile is like the romance of the Niger!
So Barbara my love,
When righteous rules the people rejoice! !
And when love rule, corrections are made with,
Emotional feelings to touch the heart so dearly and deeply;
That is why i will always wait on this love.

Edward Kofi Louis
Barbecue!

Bar,
Tar,
Star,
Barbecue!
Clue,
To prepare the meat and to turn on the metal;
With the muse of the firm surface! !
The muse of the fire,
Sure! ! !
Pure,
In doing so;
With a spectacular art,
The art of love,
The art of cooking,
In the land of your muse;
The art of roasting your meat on the fire.

Edward Kofi Louis
Barber's Shop

Conversations in a barber's shop,
And like a clay tile in the land of your muse;
But walk upon it and tell me how you feel,
And like the state of the mind and the state of the things around us;
But, i will always love you.

The wheels,
The colour of beryl,
And of the same likeness!!
But to be designed like a barber's shop in your township;
For, one wheel was inside the other wheel,
And to be designed like the fruit of love was the nature of things!
All the same, we all need the barber's shop.

Edward Kofi Louis
It is just a fact of life,
And like a Black-Barbie and a White-barbie;
But it has to be salted that you can eat it well.

I know what you want and how you want it,
I know what you want from me and how you want me to present it,
And like the lost girl and the lost boy in the garden of roses;
But the wedding dresses are still hanging around.

It is just a fact of life,
And i want to hear from you also;
Because hatred doesn't solve any problem on this earth!
But rather with peace, care, unity and love we can move the mountains.

Edward Kofi Louis
Bard, Bald!

Bard, bald!
Before your very eyes;
But, let your lips guard your knowledge,
Bringing out the words of peace.
Obedience, 
Gladness, 
In unity with life!
And, sharing your works to the world.

Edward Kofi Louis
Barday

Barday, bay, bard, by, dry, ray!
Moods,
Emotions,
Feelings,
Force, source!
Poverty,
A key issue;
Going off track!
For a long time;
Out of hand.
Barday, dray, bray, yard, day!
Gender,
With the muse of parents and teachers;
To foster resilience and self discipline.

Edward Kofi Louis
Bare

Bare in the wilderness of sin!
Because of your works in the land.

Edward Kofi Louis
Bare To The Public

Strip yourselves,
Make yourselves bare to the public!
In the name of the Fashion World today;
Exposing yourselves for money.
Strip yourselves,
For money;
But, the judgement day will come!
And, you will face the rule of the law.

I am wisdom and I live with prudence,
So come and eat my food and drink my wine with the truth;
Like the fountains of love in the deep,
Where the laws are laid bare for you to understand life!
Than exposing yourselves to the public in the name of fashion.
Search for the truth and live in peace;
Than wasting your life in the name of pleasure things,
Which leads to hell than to heaven.

Edward Kofi Louis
Barefooted

I am walking barefooted and naked because,
I have my mind on you;
I am walking barefooted and naked because,
I have my love for you;
But Moab will wail fro Moab.
You are the one that I love and,
Naked and barefooted I do go about daily for you;
But gladness and joy will be taken away very soon from Moab.

Like a carved ivory, you are as fair as the moon;
Like the highlights of the mountains,
You are easily reached up in love than others;
So we need no war around us.

Life is as bright as the sun on the sweet bed of spices,
And true love is like the fragrance of Lebanon;
But like a carved ivory on your love,
This love is sweeter than wine!
A carved ivory,
Of our legs of love and the peace that it brings;
And like the harp of ten strings,
I am like the native green tree of love to your heart.

Edward Kofi Louis
Barefooted 2

Red Carpet!
Barefooted,
Walking along,
To pay homage,
With the muse of your age.

Edward Kofi Louis

Why bargain with your love?
For i will trade my love with you in peace;
And in the darkness of the night,
I will seek for you.

Edward Kofi Louis
Bargain  2

Because the lips of knowledge are a priceless jewel.

But, joined with the truth and,
Moving on with the facts;
Very gentle with your love.

Edward Kofi Louis

Barley, bar, be, bear, bare, lay, bay, ray, bray!
30 years after;
Visionary,
Dynamic! !
A body of works;
With he power of the Ink,
Able to touch the hearts of many in the world.

Edward Kofi Louis
Bring your world to others and,
Bring your words to life;
For, you are 40 years old today and,
We are part of this world.

Great hardships!
To set your loot out of them;
And, to adddress you with love and care,
With the muse of your lover called Barna.

Foot, boot, loot, shoot, soot, coot, hoot, moot, root!
For the healing of your love is from the feelings of your muse;
But, shaken with your laughter! !
And, wooed in with your baritone.

Edward Kofi Louis

To seek for the works of the truth and live;
Without hurting your neighbours.

Edward Kofi Louis

Check the roots of your identity and call me Barney,
For you left your lover last night and i saw her naked;
But the blue sea will bathe her all over again in the name of love.

Edward Kofi Louis

With no joyful sounds.

Edward Kofi Louis

Babylon, Medo-persian, Grecian and Roman;

But the voice of the ghetto is like Barrington my friend.

And, why did you pounce upon the plunder?!
For the stubbornness of your heart had led me to meet Barry.

Edward Kofi Louis

Using the opportunities to exploit and destroy the land with their acts of terrorism.
Sad to say! Knowing the very facts on the ground. Yes! ! Nowhere is safe.

Edward Kofi Louis

Base, case!
Ready with your love,
Under, wonder!
With the ways of your romance;
And, with the very case at hand.

Part, partner!
With the aroma of your love;
With high expectations and,
With your abilities.

A positive attitude,
With the muse of servitude;
In your memory and in my memory,
And, to emphasise on your works!
With joy and gladness.

Edward Kofi Louis

For this love needs these people around to help us.

Bat Out Of Hell

Your mind to me is like David Coperfield,
And your acts to me is like Oliver Twist;
But i will visit you like 'bat out of hell'!

You behave like a snake under grass but,
The mountains do watch you like an object of war!
And i will visit you like 'bat out of hell'!

A few more days with my mind on you,
Flying across the oceans like an eagle;
But you are like the 'Kwaku Anansi Stories' i learnt at home.

Edward Kofi Louis
Bat, Combat!

Bat, combat!
Destroying the birds of the air,
After the bombs;
Killing the people as well on the ground.

Illegal lust,
With no joy in the land,
No joy or praise! In the name of war;
Because, you are killing the people with your weapons.

Edward Kofi Louis

Killing and destroying,
Bat, combat!
With the muse of hatred.

I met your nakedness in the bathroom;
With the showers of joy!!
And i fell asleep under your care afterwards.

Edward Kofi Louis
Bathsheba

Oh Bathsheba!
Your name is like the beauty of a naked woman bathing;
And you are very beautiful my sweet one,
'Bath-oh-Sheba'! for your beautiful bath do attract many.

Of male and female servants,
He entered her and the sweet bed of roses started to sing;
Of a love song to crown the day.
'L'Chai Shalom!' 
Come and eat the bread of my love,
Come and drink the water of my love,
Come and eat the meat of my love,
Come and drink the wine of my love,
For my love is the fortress around you.

You are very safe my sweet one,
Oh Bathsheba!
'Bath-oh-Sheba'!! ! ! !
Just as you are named, so you are with your beauty.

Edward Kofi Louis
My glass is half-full and yours is half-empty,
But nature had put us together on this scale of love;
And like 'Batman and Catwoman',
We need to show to others how true love feels.

Take a catwalk and come to me with your love,
Down the stream where the water flows;
City-life is killing people like,
The female body lying next to me;
For i've only three days to prepare for your love.

Yahweh dried up the waters of the Red Sea and,
They passed through to the other side of the land;
So like the 'Batman and Catwoman';
Do give me the feelings of love tonight.

She got off the donkey and went to the spring of water,
But i will sleep with you like a virgin tonight;
Because the mosquitoes do not know my name and,
You will still remember the day that you stood neked before me.

'Batman and Catwoman',
Your eyes have seen me and have met my love;
And your legs do walk to my house always,
Because i am the one that your haert needs.

Edward Kofi Louis

To break down your walls,
The very place you do spread your nets.

Edward Kofi Louis
Battle

Fallen;
And it's now time to bury the dead.

Edward Kofi Louis
Battles

Battles, bat, eat, tab, as, at, sat, ate, sale;
Satan tempted her to expose her body to the public'
And like a huge funeral fire,
But my mind is already made up on this issue.

Battles, seal, at, set, base, bate, best, seat;
Satan tempted him to expose his body to the public!

Taking the first step of life on a positive note without any fear,
So as to help others who lack the hope and the faith to go along.

Top flight! ! !
Netting after a cross across the paintings of nature;
With the requirements of the laws to guide you on without hurting anyone,
And, to anticipate life with the very talents in you.

Edward Kofi Louis
Bayla

The events have not well settled down,
But i have seen the nakedness of your muse;
And be very wise to criticize me on this muse,
Because it is all about your love.

You may understand my muse or not,
But poetry is all about you and i! !
And what you write down in the name of your country will not satisfy me;
But i have to accept your lines in the name of poetry.

I am not the one that you are looking for,
So do not be very angry with my poems;
For they are all there to teach others than you! !

Bayla my lover is still at home,
And like a star in the land of lovers;
But this poem was not written for you.

I am very glad to understand your status,
But why are not ready for criticism? !
Because we are all learning on this earth.

Edward Kofi Louis

I have peace in my mind for being taken care of by you;
And now i have your seed in my womb because,
I was loved by you!
Oh my sweet and handsome Bayo,
You are all that i have on this love;
And i will be there always for you whenever you need me.

Edward Kofi Louis
Bayreuth

Bayreuth, Ruth, be, ray, bay, tray, hat, the, year, yet!
Tampered with his or her heart;
For many years in the land of trouble.

Under the law,
Bayreuth, hut, he, her, bare, bear, hear, ear, era, heat!
And, to gain access to the chambers of love.

The emerging dust!
Rekindling;
However, poverty sweeps the streets in disorganised nations.

Rum, conundrum!
The greatest treasure in the world are those who touch our hearts;
Yes, the very people who do value our lives on this earth.

Edward Kofi Louis
Bayri

Bayri, bray, bay, bar, rain, air, ray!
With the muse of love in the land of the living;
Doing what is right always,
Able to save life than,
To destroy life with the muse of terrorism.

Edward Kofi Louis
Bayron

In my house i am a king but,
In somebody's house, i am a slave;
Bayron, bay, ray, on, boy, ran, an, roan, baron, no!
And like an immaculately dressed bridegroom next door.

In an opulent vacuity!
The truth is now known;
With prayers to pacify the Gods! !
But, the chief raped the fetish priestess.

To encased in a block of ice,
Like an incoherent rumblings with legal cobwebs!
However, this dictum is for you because,
In somebody's house, i am a slave.

Topless, valour, pour, less!
Like the climax of love to share at times;
Vapid, rapid!
To heal or to protect your muse with love.

This night of love,
All night long!
Vagrant;
In my house i am a king but,
In somebody's house, i am a slave.

Edward Kofi Louis
Bazooka

Bazooka,
Love,
Mystic Castle!
With the fire-fighters to put out the flame,
But in the arena of the rockets were the world champions.

Hear my voice when i do call,
Listen to my muse when i do write;
For your love is still in the Mystic Castle!
And like the flame out of the Bazooka.

Edward Kofi Louis
Be In Touch

Inbox and outbox! !
Always be in touch;
That's how Friends are,
We need each other! !
Always be in touch;
With the muse of the flame of life!

Edward Kofi Louis
Be A Doer

Trials,
Temptations,
Endurance;
Driven and tossed by the wind!
Like a flower of the field.

The pleasures of the world!
Enticed with the works of mankind;
The lusts of this world,
Trapped with the works of mankind;
However, follow the works of the truth and live! !

Be a doer and, not just a hearer;
The doer of the Laws,
Following after righteous works.

Edward Kofi Louis
Be Accepted

Love,
Do righteousness and be accepted;
With the ways of your life!
Leading to peace and joy.

Love,
Being on the right path;
With the muse of your life,
And with positive attitude.

Love!
Right before your eyes;
To take hold of it and,
To be straight with the laws.

Edward Kofi Louis
Be Alright!

Be right and,
Be alright!
But, do not judge a book by its colour.

Be nice and,
Be he change than the problem;
And, bring back the love that is in you.

The Genesis!
I can see clearly now the rain is gone;
Black face,
White face,
Complicated love! !
But, come to me and let me welcome you to my heart.

Love and unity,
Peace and joy!
But, enter into the world so sweet with the positive muse of your mind.

Love!
Ever burning flame;
Torch, touch!
Love sweet love;
But, treat her like a lady and, let her treat you like a gentleman.

Edward Kofi Louis
Be An Example

Cleaning the kitchen,
Eating the chicken,
With your love and your attitude;
Week, leek, meek, Greek, peek, reek, seek, geek, creek;
To select and to do the right thing!
But, always follow the positive examples of others.

Be an example,
Follow the right way!
Beak, leak, peak, break, creak, freak, bleak, streak, weak, wreak;
And like the boy in the wheelchair,
But, a clever decision is what you need always in life.

Edward Kofi Louis
Be An Example Onto Others

Love,
Be an example onto others;
By doing the right thing.

Love!
Living with the glory of peace;
By doing the right thing,
With the muse of the truth.

Edward Kofi Louis
Be At Peace With One Another

To eat the fish from the Pond,
To eat the fish from the river,
To eat the fish from the lake,
To eat the fish from the sea,
To eat the fish from the ocean;
Like the Looks of a beautiful woman and,
The Looks of a handsome man in your town!
However, water is everywhere on this earth,
Yet stil, many don't have enough to drink.

Life!
With care and concern for others;
Because, little drops of water makes a mighty ocean.
Muse!
With the dignity of a man and, the dignity of a woman;
And, with the objects of creation all around us.
True love!
Like a lamp-stand of pure gold;
With an ovation fit for peace, unity and joy.

New pathogens!
They are everywhere;
But, do show mercy and compassion to all your neighbours.
Life!
Be at peace with one another;
And respect the grey headed.
Muse!
Like cheese from a cow's milk;
And like a Spider in a king's palace.

Edward Kof Louis
Be Brave

Be brave,
Be courageous!
Be strong;
One more step ahead of you,
To discover the muse of love.

Edward Kofi Louis
Be Brave And Be Strong

Be brave and be strong!
For life is like that at times;
And it had continued till this day.
Life is like a dragon engraved with a woman at times,
But a servant is not greater than his ruler!
And like the white pig and the black mony,
But many are those still living for survival at Lake Victoria.

You have a ship but you don't have a fish to eat,
And like Nero who became the Fourth Emperor of Rome;
But be bery brave and very strong in this world always,
For the wind blows to where it wants to.

Wonderful words,
Wonderful world,
Wonderful love,
Wonderful art,
Wonderful act,
Wonderful minds;
You have a farm but you don't have food to eat,
And like many living for survival at Lake Victoria! !
But a servant is not greater than his ruler.

Edward Kofi Louis
Be Called A Friend

Malice, guile, hypocrisy, eny and evil!
They all clapped their hands to lead you astray;
But learn what is right to be called a friend,
For you do not know what tomorrow may bring.

Edward Kofi Louis
Be Careful

He claims to be somebody but,
B careful to what you intend to do with him;
She claims to be somebody but,
Br careful to what you intend to do with her;
For i am mighty in words and in deeds,
And like the four horns i saw yesterday.

Edward Kofi Louis
Be Careful 2

It is very hot!
It is not cold;
Be careful.

Edward Kofi Louis
Be Careful! !

Be careful! !
For, this iron is very hot!
And, it is in the fire;
So, you need to watch yourself around this fire very carefully.

Edward Kofi Louis
Be Cheerful

Be cheerful with your heart always and,
Free your mind with the works of love;
Helping others without hatred and war.

Questions! ! !
But, where are all the answers in life?
The colours of life are the colours of love.

Forget your wicked acts and change for the better!
For, the earth needs peace than war;
And, be cheerful with your heart always.

Edward Kofi Louis
Be Clear And Open

Be clear and open,
Take a firm hold on instruction;
With the muse of the truth,
Do not let go! !
The works of the truth;
No matter how hard you find yourself in life,
Never give up on your dreams,
The truth will always protect you.

Edward Kofi Louis
Be Clever

The storms of life!
With the strings of your life;
But, be clever! !
As you enter into life with your works,
To fulfil your dreams;
Coming up and, growing up in life.

Edward Kofi Louis
Be Counted

Port, passport!
Stand up and be counted;
For the opportunity,
Advocacy,
Snow and ice;
But, the incident was visible.
Revealed,
In her possession,
Cash, ash, as, has!
Dark Knight;
Crash, rash, ash, cash, as, has!
In his possession,
Teenage humour!
With the giving hand of love.
Nut, hut, but, put, cut, gut, rut, jut!
Start-up;
Actor, factor, sector!
But, eat butter to utter out words of wisdom.

Edward Kofi Louis
Be Delivered

Be delivered,
With the truth;
Poor and needy,
Casted off!
But still going strong;
With the muse of the truth.

Weak,
To speak;
Tread, read!
At the peak;
However, deliverance comes out from the hands of the truth.

Edward Kofi Louis
Be Faithful In All Things

Pay attention to your body,
Be faithful in all things;
Because, the labourer is worthy of his wages.

Pay attention to yourself!
Let no one despise your youth;

Be on guard! !
Seek the truth;
Because, a wise values his father's instructions.

Edward Kofi Louis
Be Her Best Lover Ever!

Coverage,
Courage,
Muse;
But, be her best lover ever!
And always do satisfy her with your love,
For, true love is the key about life.

Of that room!
Very far away;
Of that place!
Under there;
Of that closet!
Over there;
Of that river!
Now closer to you;
But, be ber best lover ever!

Edward Kofi Louis
Be In Touch

Life,
Going through many things;

Love,
With all the scars around me;

Nature!
To be in touch;

Still in life's own journey,
Trying to find my way home;

Knowing the ones who do care for me,
I will always be in touch.

Edward Kofi Louis
Be Joyful

Let the saints be joyful in glory and,
Let them sing aloud on their beds!
For the sound of the rain is heard all over;
And we have to give ear to this poem.

I will give you grain, wine and oil for my love;
And of the sweet incense from my aroma to keep you calm,
For i am sent on this earth to help others!
Because i am like a father to the fatherless and,
A mother to the motherless as well in this universe!

STones of turquoise,
Foundation of sapphires,
Winddows of rubies,
Gates of crystal,
And walls of precious stones!
Give seed to the farmer and let the saints be joyful;
For there is more to the earth itself than thought!

Edward Kofi Louis
Be Like A Partner

Let the truth be like a partner in your mind!
Seeing all the matters around you;
The truth is the key! !
Wisdom,
The truth is like the light!
With the insight of peace and love,
Able to bring peace to the world.

Edward Kofi Louis
Be Made Known

Save,
Safe,
Be made known;
Building the structures of love.

Edward Kofi Louis
Be Mine

Be mine on this love,
Fine with my mind,
With the muse of your joy!
To dine with me,
With red roses and red wine.

Edward Kofi Louis
Be My Reader

Are you a King that i should visit?
Are you a Queen that i should bow down to?
Are you a driver that i should be in your car?
Are you a pilot that i should be in your plane?
Are you a teacher that i should be your student?
Are you a fisherman that i should buy your fish?
Are you a tailor that i should send in my clothes?
Are you a president that i should be your citizen?
Are you a rider that i should follow?
Are you a footballer that i should watch your games?
Are you a musician that i should listen to your songs?
Are you a drunkard that i should lead you on?
Are you a thief that i should send you to jail?
Are you the president's daughter that i should marry?
Are you the preacher that i should listen to?
Are you a hunter that i should buy your meat?
Are you a Chief that i should pay homage to?
Are you a woman that i should kiss you?
Are you the president's son that i should go out with?
Are you a man that i should tell you my secrets?
Are you a builder that i should give my plan to?
Are you a chair that i should sit on?
Are you a book that i should read?
Are you the Empire of lies that i should run away from?
Are you under a Faculty that i should teach you my Philosophy?
Are you a pen that i should write with?
Are you a fish that i should eat?
Yes, you are always what you say you are;
So, be my reader.

Edward Kofi Louis
Be Not Far From Me

My strength,
My strength!
Why have you forsaken me? ! !
Why are you so far away? !
From helping me;
Why?
I cry! !
Day and night,
Oh my strength!
Be not far from me.

Edward Kofi Louis
Be Of Great Courage

The 'Little Horn' changed the Sabbaths and,
The 'Horn of Africa' created the pirates!!
However, you know what to do when, the right time comes.

Be of great courage with your work!
And use the best net to Catch your Fish;
Able to feed yourself and your family,
With the hustle and bustle life in Africa.

Edward Kofi Louis
Be Original

Life!
Be original and,
Be yourself;
And, be straight.

Criminal elements!
As seen in your land;
Fraudulent deals!
As noted in your land;
And, to evade tax.

Life!
With the circumstances around you;
But, be straight and be original.
Muse!
Be yourself and, let the laws lead you on;
Then, you will gain your reward in a positive way.

Edward Kofi Louis
Be Part Of It

Get it there,
Joining the queue and,
To represent your mind;
Get in there!
And, be part of it.

Of an agreement!
Respectively;
To get in there,
And, to get it there.

The muse of life,
While in the bush;
Bush, brush!
To get it there;
And, to be part of it.

Edward Kofi Louis
Be Part Of The Solution

A horrible thing in the land of your muse! !
For they walk always in lies;
Yes, evil doers!
And like Sodom and Gomorrah,
But this war will not end now.
Empty hope,
Has gone out;
Wormwood,
Without any future;
But, try to be part of the solution on this earth! !
And not, part of the destruction.

Edward Kofi Louis
Be Patient

The strong should be patient with the weak,
To hold on! !
With the works of peace;
Living in the land,
Walking with the truth,
Under the umbrella of righteous works.

Edward Kofi Louis
Be Positive

Be positive,
Be positive,
Be positive in life always;
Doing things right,
Without hurting your neighbours.

Edward Kofi Louis
Be Put Before Me

Of your love,
Be put before me;
Of your mind,
Be put before me;
And like the transition team! !
But let me trade for the support of your lovely muse,
And like the health services in your town with the act of joy!
For your motivations on this love is like the colours of the rainbow.

Edward Kofi Louis
Be Ready And Be Prepared

Life, love, muse, joy!
Be ready and be prepared;
With the laws of the truth,
Changing your DNA with righteousness.

Love,
The laws give us light!
Upon the chosen ones,
Ready for righteousness and peace;
On this earth today.

Love,
To bring forth life to others;
In righteousness;
In the truth,
Under the laws and, with joy.

Edward Kofi Louis
Be Ready For Tomorrow

City of hope,

Certificate of honour,

Spiritual understanding,

Of things to come!

Once again with your love;

Approaching the works of the truth,

To set yourself apart! !

With the muse of positive morals;

For the works of peace,

And, to be ready for tomorrow.

Edward Kofi Louis
Be Salted With The Truth

I am a star,
You are a star,
We are all Stars of the World!
Sharing our works to teach others;
But, let our works be salted with the truth.

Edward Kofi Louis
Be Satisfied

You will see it,
You will use it,
You will taste it,
You will eat it and,
Be satisfied;
With the muse of your sweet love!
Like a cloud of dew in the heat of the harvest.

Edward Kofi Louis
Be Straight In Life

Wait for Yahweh's Mercy,
Obey His Laws and,
Be straight in life.

Edward Kofi Louis
Be Straight With Him

He is your strength!
He is your light,
He is your way,
He is all that you have;
So, be straight with him,
And, do what is right always.

Edward Kofi Louis
Be Straight!

You may be writing,
You may be talking,
You may be sleeping,
You may be reading,
You may be dreaming,
You may be painting;
And like the pink heart of man talking to a 'Malak' saying:
'My finger is thicker than your waist'.

Words from you teaches the world,
But, this nice world of us is now being ruled by fummy people! !
And, many are killing their own people without any reason.

People go hungry while others put on 350,000 Dollars necklace!
But, this muse of life is allegorically pictured as a tree;
And, it is better to help the poor than to let them go hungry around you.

Houses without walls,
And of the muse of a bloated balloon! !
But, the perfect atmosphere of life is always governed by peace and joy.

You may be thinking,
You may be working,
You may be cooking,
You may be eating,
You may be climbing,
You may be praying;
From the rising sun to the Mount of 'Moriyah'!
But, a derivative and a chaste virgin is what you need around you.

The river of life is closer to you than you think!
And of that which refreshes and keeps alive;
But Satan deceived Eve and, Adam did not correct his wife;
So, they were sent out of the Garden of Eden.

The sins of this world!
Are like the tower of ovens;
But glitter and glamour will hang you onto the gallows! !
However, we are each others keeper;
So, be straight in this life.

Edward Kofi Louis
Be Strong With Your Mind

Never say die! !
Until the bones are rotten;
Be strong with your mind and move on,
Because, we are all with problems on earth.

Edward Kofi Louis
Be Supportive

Muse,
Fuse,
Infuse,
Refuse,
Defuse!
But be very supportive to others;
Because, i need your help on this ocean of love.
Fusion,
Intuition,
Thorn, torn!
To set it in,
Simple and beautiful;
To get it out,
In the country side;
Explicit!
Keep it up;
Nice and sweet,
But, get it out and be free! !

Edward Kofi Louis
Be The Light

Bright! !
Right,
Be the light.

Edward Kofi Louis
Be The First

Be the first to think and be the first to teach,
For my grandchildren are living in 'Efia Nkwanta';
Be the first to shine and be the first to save,
For i have saved my cash in Kashmir;
Be the first to sketch and be the first to speculate,
For you always need the weather with you;
Be the first to spring and be the first to sacrifice,
For guilt is the devouring grave that covers many;
Be the first to seek and be the first to spice,
For everything in life has its own time and purpose;
And now feel it in your fingers and in your toes!
For an honourable love will call at your door for you to show your uprightness.

Edward Kofi Louis
Be The One To Touch My Heart Deeply

Sweet feelings,
Sweet love;
Listen to your inner self and, do the right thing! !
Able to bring peace to the earth than war.

Abstractions,
Pretentiousness,
'Aluta Continua'! !
However, loneliness can still put you in touch with the spiritual realms.

The exhgibtions of my feelings,
This muse of love is all about you! !
So, don't hide your beauty from me;
Be the one to touch my heart deeply.

Edward Kofi Louis
Be The Way That You Are

Life!
You will see what you want to see;
But, you Need to know what is right and what is wrong.

Love!
You are the first and the last;
And, you are my everything.

Love!
Be the way that you are;
for, your sweetness is my weakness.

North End Girl!
South End Girl!
West End Girl!
East End Girl!
Life is all about us on this earth;
And, learning to be straight from the laws.

Edward Kofi Louis
Be Very Cheerful

Be very cheerful my love!
And, be careful with your steps in this land;
Overcoming the affliction of life with,
The affections of love on a positive note.
Blues! ! !
The blues of love with the aroma of life;
Passing through the ways of nature with the laws,
Doing what is right to gain the status of peace.

Edward Kofi Louis
Be Very Patient

Be very patient,
The potter's clay;
Be very wise,
The writer's pen;
Be very useful,
Of the muse of life with a living hope;
Let your yes be yes and your no be no.
Life is like the patience of Iyyob,
So abstain from fleshly lust;
Like the days of our visitations on this earth.

Sarah obeyed Abraham,
Like the sea and the seashore;
So established are the two witnesses.
Oh womb, womb, womb!
Oh bomb, bomb, b pomp! !
Oh tomb, tomb, tomb! ! !
Be very patient in this life.
Womb, bomb, tomb;
The womb is opened.
Womb, bomb, tomb;
The earth is defiled.
Womb, bomb, tomb;
The time of trouble on this earth with our muses.

Our bombs will shake the heavens,
And our sins will led us to our tombs;
As it is written in the Book Of Life like,
A child born today from the womb.
We came out of the womb and,
Many of us will be killed by the bombs! !
Which will finally send us into the tombs.
Read about the facts,
Learn about the truth,
Our days of darkness from the womb!

We came out of the womb and,
Are destroying the world with our bombs;
Soon, we will be buried in the tombs!
Womb, bomb, tomb;
Be very patient on this earth without hatred.
Lets be each others keeper,
Lets learn for the truth of all things;
Our days on this earth is still very short.

Edward Kofi Louis
Be Very Strong In It

Love!
With reality;
Love!
With unique opportunities;
Love!
To guide you from the sinful influences of the world;
Love!
In so many different forms;
Love!
Be very strong in it;
With faith, peace and joy.

Edward Kofi Louis
Be Well Always

Great!
Be well always;
And dwell in the house of love,
With the bells of peace and joy.

Bell, ell!
With the effects of life;
And to tell others about the truth,
With the works of righteousness.

Edward Kofi Louis
Be Wise

Be wise,
And rise up to the truth;
With peace and love!
Loving your neighbours like yourself.

Peace!
With true love,
And with joy;
Learning under the laws.

True love!
Be wise;
And rise up to the truth,
With a positive banner to all.

Edward Kofi Louis
Be wise! !
Make your heart glad with the truth;
Because, whoever tenders the fig tree will eat its fruit.

Edward Kofi Louis
Be Wise And Be Straight

Life!
The parrot is thirsty and, there is no water around;
Traditional language!
Traditional business;
Wake up to the truth and give the parrot water to drink.

Love, life, peace and joy!
Wake up to the truth and be wise;
For, the rules of nature cannot be stopped by mankind.
Snakes, lakes!
Be wise and be straight;
And let there be light in your green room.

Play!
Following the narrow street;
Deep down,
Down town!
Deep blue.

Edward Kofi Louis
Be With Me

Love,
True love,
I am your portion;
I am your inheritance,
So, be with me.

Edward Kofi Louis
Be With Me  2

Eat my food of love,
Drink my wine of peace,
Together!
Be with me and learn from my ways;
With righteous morals than,
With hatred and war.

Edward Kofi Louis
Be Yourself No Matter What They Say

Be yourself no matter what they say!
For you are the one that i love and,
I will be there for you always.

Edward Kofi Louis
Be, Bee, Been!

Be, bee, been!
Born to be,
But, never like a bee! !
Being with the truth to educate my mind.

Edward Kofi Louis
Be, Bee!

Deal, real!
Dealing with the muse of your love;
And, with the resumption of your emotion.
Love!
To top it with peace and joy;
After 8 years in your land.
Be, bee!
In the middle of the night;
Viral,
Deluge,
Relish,
Like a palanquin! !
But, not all that glitters is gold.

Edward Kofi Louis
Beach Girl

Natural girl!
Natural life,
Natural love,
Beach girl;
Art and life!
With the ego of your love;
Sweet love,
To preach and reach out to others;
As you teach with your works,
The very acts of your love.

Edward Kofi Louis

Fact, act!
To reach out to you,
And to ride in the high places of the earth with you.

Arise and shine!
New,
Renew,
Dew,
Drew,
Few;
Like your stew,
Set on the table.

Wine and milk,
Honey and butter,
Salt and pepper;
Let your soul delight in its abundance!
And listen diligently to the truth and live in peace.

True love,
To accomplish a mission with your vision!
With the wonders of nature and to please your heart;
With joy! 
To be led with righteous laws.

Edward Kofi Louis
Bead, Bid!

With mountains and waters;
Us, opus!
With the rhythm of life;
Loose, lose!
With the rhythm of nature;
White candles!
For the purpose of your love;
08: 08 A.M. in your room.

A shepherd's stick,
Quarry, query!
Don't quarrel with your neighbour.
Ate, titivate!
With the changes of your love;
Like the red crabs of Cuba.
Red rose!
For the purpose of your love;
Leading to the ways of peace and joy.

Edward Kofi Louis

Mothers and fathers,
Children of the world;
Time of birth,
To the time of death.

Her body and sexuality,
His body and sexuality,
Conditions!
Consideration,
These heads,
These beads,
Important and adorable.

Beads of Africa! 
Seeing also the beads of the world;
People and society,
Admirable;
Nature and society,
Made with different colours.

Shapes and shadows,
Echoes and facts,
History,
With a culture passed on.

To the people,
With confidence!
With compassion,
Muse and life,
With the passion of nature.

Sings and symbols,
Interestingly with the significance behind them;
Pacts, acts, facts!
Something to see.

Beads designed with passion;
African beads.

Edward Kofi Louis
Beads Of Love

Greed, deed, meek, and the feed of love!
Bid for my love and come to me,
For i am wearing my beads of love waiting for you alone;
And like the red flag hanging up high in the land of roses.

Edward Kofi Louis
Beans Stew

Cooking,
Beans stew;
Preparing my food,
Screw, crew, sew!
With the aroma of life around me,
And, with the muse of my stew in the kitchen.
Beans stew!
To prepare my food and,
To compare the things around me;
With the muse of the flavour from the kitchen.

Edward Kofi Louis

With false belief;
In the land of your muse.

Beanthz, Ben, net, ten, than, an, bean, be;
With pretention!
And, without hope in the land of your muse.

Love!
With the legend of the seeker;
Love!
I want to live with you and treat you right;
Love!
There's someone like you out there.

Edward Kofi Louis
Bear

It's all in your head,
It's all in your hands,
But bear in mind that I love you;
And you need to be treasured and carefully maintained!
For your sweet love is brewed in the African Pot.

Edward Kofi Louis
Bear! !

Bear! !
Ear,
To bring,
To take up,
To lead,
To carry on.

Edward Kofi Louis
Bear, Fear!

Bear, fear!
But the wicked cannot stand to hear the truth;

Route! !
To set out;
Facing the ways of life,
Knowing that, wicked people are always around us.

This life,
This road,
Nature!
To face the people;
Living in the land.

Edward Kofi Louis
Bear, Ear!

Bear, ear!
Listen to what the prophets said in the Scriptures;
Bare, ware!
Retaliation does not solve a problem.
A fugitive!
Vengeance and retaliation;
Vendetta,
The pattern of killings!
But, there is a way to peace than war.
Love!
Teaching peace instead of war;
Life!
Of the ultimate;
But, the results of the law is love.

Edward Kofi Louis

Life!
Bearing with one another;

Muse!
Perfect and complete with the ways of the laws;

Life!
Let all things be done in love and, without war.

Breast, abreast!
With the ways of life and, to put things right;

Life!
Some people will always lead the way for others to follow;

With the muse of technology and, with the muse of the solar world!
But, the poet will always write out his or her mind on every issue.

Edward Kofi Louis
Beat,
Neat,
Meat,
To heat it,
To eat it;
With the wheat.

Edward Kofi Louis
Beat Your Breasts

Generous,
A liberal;
Devices!
The fruitful vine is like the sweet muse of your love,
But beat your breasts in lamentation! !
Because the war in Libya is still going on,
And i am still searching for my lover.

Edward Kofi Louis
Beat, Beatitudes!

Attitudes,
Longitudes,
Latitudes,
Applitudes,
Beatitudes,
Altitudes,
With the righteousness of the elect;
Beat, beatitudes!
To fast and pray,
To do the right thing,
With the sweet muse of love! !
With the validity of the vows.
Vow, cow, clow, loce, flow, slow, sow, how, show, row!
To follow the works of the truth;
Fellow, mellow!
Gratitude,
According to the ways of life;
Accepting the rules,
With positiveness,
With righteous laws.

Edward Kofi Louis
Beat, Bleat!

Formed,
Performed;
On a mission,
With the delight of your heart.

Bright, might, tight, light, right!
To obey is better than sacrifice;
And, to listen is better than the fat of ram.

Beat, bleat!
To pounce upon the plunder;
However, listen to the works of the truth and be free with your mind.

Edward Kofi Louis
Beate

You are my love and the gate that makes me meet others,
So i will not stop loving you.

Yur love to me is like the need to educate children,
And so sharpen are your skills of love towards me;
For i am the one for you too.

Beate, of the 'Annual Fetu Afahye' with the durbar of Chiefs;
But, you are like the 'Omanhene' of my place.

Edward Kofi Louis
Beats of Love!
With beans to share;
Like birds in love,
With the colours of life.
To be with life,
To live with life,
In love,
With the joy of your heart! !
Ride,
Drive! !
Over the bridge of peace,

And today, I am saved.

A string of donkeys,

And to your red valley i do give my respect.

The blues of spring,
The blues of summer,
The blues of autumn,
The blues of winter,
Meet me there when your flower blooms;
For the Garden of Eden was in Iraq.

Ascribe your love to me and,
Let me inscribe my name on it;
For cheerful is your face and beauty is your love,

For Yahweh is wacthing us.
'Quodesh La-Yahweh' to all the inhabitants of the earth,
For people do go to war because of the financial gains.

Becareful of what you do on this earth for,
You are the only Bible that someone reads;
Yahshua Messiah was hanged on a stake bur,
We've made crosses for ourselves in the name of wars!
And like, a sympathetic magic of a spell.

Think about what your grandmother told you;
About you and, about my personality.
Think deep and learn from it,
Because, it was all about the secrets of life;
Yes, she told you this before she died.
Mother, grandmother!
Learn from the words of your mother today;
And, of what your grandmother told you.
Fore, before!
And, she died after telling you much about me;
Be, before!
Think and learn about life’s own experiences,
Then you will know better and be wise.

Edward Kofi Louis
Before The English Language Came In

Your letter was written in Aramaic and then,
Translated into Hebrew;
Before the English language came in.

Man, Manner!
Associates,
Rebuilding the rebellious evil city! !
City of evil acts,
City of terrorists,
Under the obligation of Satan.

Evil acts of men and women,
With the muse of their children!
Destroying the world,
Acts of terrorism! !
Killing others and,
Destroying the earth.

Edward Kofi Louis
Before The Flood

Precious wood,
Clean food,
Before the flood;
Like the blood! !
Brood,
Hood,
Childhood and adulthood.

Edward Kofi Louis
Before The Land

This woman,
This man,
This child,
Before the land;
Acts! !
The acts of mankind on earth;
Leading to a chain reaction.

Edward Kofi Louis
Before The Magistrates

I am very glad to hear from you once again,
And i promise to stay in touch always;
But why are jealous about my works?

Open your mind and listen to me,
For i am before the magistrates in the name of love!
And with the readiness of my mind to care for you,
Because i love you!

Edward Kofi Louis
Before You

Behold!
The men whom you put in prison are standing in the temple!
Preaching and teaching the people the truth;
But i will brandish my sword before you.

Edward Kofi Louis
Before You Close That Door

This Love,
Think twice before you close that door!
Because, we were only strangers in the night that we met;
Think twice! !
Because, no one knows tomorrow.

Edward Kofi Louis
Before You Drink It

The mixture!
Allow time to settle it down;
Before you drink it.

Fix, mix!
With the muse of the medicine;
Allow time to settle it down,
Before you drink it.

Edward Kofi Louis
Before You Make A Move

Red light,
Danger!
Stop! !
Try to understand the status,
Before you make a move.

Edward Kofi Louis
Before You Think

Before you think,
I have thought;

Before you eat,
I have eaten;

Before you teach,
I have taught;

Before you write,
I have written;

For, i am among the chosen few!
And, i am always ahead of you with the muse of my mind.

Edward Kofi Louis
Before Your Eyes

Your heart is quite unmoved!
But, your friend is on the way to help you move on;
Yes, to help you through your difficulties,
Because, love is the key about life.

A prisoner of love!
Thanks for the passions that flew about;
With the muse of your compatriots to hear your voice,
And, with the choice of this land.

True love,
Days will be brighter like the sun!
With the joy of the truth;
As the secret doors of life are now before your eyes.

Edward Kofi Louis
Before Your Eyes  2

Trails, entrails!
Fine flour mixed with oil,
Honest life with honest works;
With lovingkindness i have drawn you to my side.

Sing with gladness! !
Shout for joy,
Give praise;
Seeing the works of the truth displayed before your eyes.

Edward Kofi Louis
Before Your Eyes  3

Sin! ! !
With the world before your eyes;

War!
Killing infants and nursing children as well.

War and pain!
With the muse of chain and death.

Edward Kofi Louis
Before Your Nap

Wap, wrap!
The gap,
With your rap,
To tap your love,
With a snap shot!
Before your nap.
The map of life! 
To tap the water of love;
And, to overcome the trap of the enemy.

Edward Kofi Louis
Before Your Time

Date, mate, late, hate, fate, ate, gate, pate, rate, sate;
Why should you die before your time? !!
Oh Isaac,
Oh Teyi,
Oh Yaw,
Oh Adjo,
Oh Kwarley,
Oh K.K.,
Oh Dan,
Oh Shamoo,
And all others who died so early on this earth;
But such is life at times without a clear reason to us!

Edward Kofi Louis
Beforehand

The truth,
To believe in it;
Beforehand;
Like Lightning coming down from the east! !
Which flashes down to the west.

Edward Kofi Louis
Began To Love

Began to love,
Began to feel,
The joy!!!
With the muse of your heart;
The works of your body.

Edward Kofi Louis
Beget

Bear, hear!
Again,
Same, as,
Beget.
Near, dear!
Wear, Sear,
Gear,
Ear,
Not to fear!

Edward Kofi Louis
Beggar

Beggar,
Poor and needy!
Destitute,
Raw, law, saw, draw!
Waiting for help,
From the people,
To bring tidings to him or her.

Edward Kofi Louis
Begging

He came and knelt before me begging,
For he now knows that i am the one to help him grow;
But nature came and took him away.

Edward Kofi Louis
Beginning And The End

Life!
With the beginning and the end;

Life,
Like an open source;

Death,
To be buried in the grave.

Edward Kofi Louis
Behave Wisely

A pure heart,
A perfect heart;
Behave wisely,
In a perfect way;
In the name of positive morals,
Peace and love!
Caring for all mankind.

Edward Kofi Louis
Beheaded!

Of the crime;
And, a man chops off his wife's head.

Of the misunderstanding in the marriage!
And like the bullets of war;
However, this is not the right solution.

In search of love!
But true love speaks of itself;
Head, beheaded!
In the land of your muse,
But, this act was like a nightmare to others.

I am living in the South Coast with my love;
So, try to understand my muse!
All the same, this man graduated out of school without job.

Edward Kofi Louis
Behind The Mask

Life without you is lifeless,
Love without you is loveless,
Hope without you is hopeless,
This world is turning round!
However, killing babies through abortion is sin.
The world is filled with deceptions! !
Flying around with time,
Like a healer and an herbalist;
Love, lovage!
Hope is a beautiful mind;
However, you are now hiding behind the mask.

Edward Kofi Louis
Behind The Tree

Love!
Behind the tree;
Muse,
With the cloud;
And, of the witnesses.
Love,
Muse,
Joy!
Watching,
Up high.
Love!
With the muse of my mind;
In my land.
Love,
With the muse of the abstract circle;
And, with the muse of the secret science!
On the chemistry of love.
Life!
With the muse of your heart;
but, follow that dream! !
With the muse of the truth and,
With the picture of love.

Edward Kofi Louis
Behind The Veil

She stands alone and nobody wants her,
He stands alone and nobody wants him,
But, behind the veil with the truth.

Life!
Open the waters to expose matters,
And like the muse of success when,
It fails to come in.

Cheerful and childish,
Lonely and hopeless,
Better as expected from the traditions of these people;
And like war in the land of the truth.

The philosophy,
The Notebook,
Like guns without a veil when being exposed! !
But, with experimental overviews.

Life!
Individualism;
Promoted on ignorance,
And, always alone without a friend.

Life!
Like the muse of the rain when,
It fails to come in;
However, you are always behind the veil with the truth.

Life!
But if you think, do reason;
Because, you are always behind the veil.
Life!
But if you learn, do know;
Because, you are always behind the veil.

You stand alone and nobody wants you!
In this life where there are much hatred than true love;
However, every now and then, there is the truth! !
And, you are always behind the veil with the truth.

Edward Kofi Louis
Behind The Veil

Veil of covering,
Like fresh water in a clay pot;
Behind the veil,
With the muse of your sweet mind.

Edward Kofi Louis
Behind This Story

It is not up in the heavens,
It is not beyond the seas,
It is not around you,
It is not near you,
For the teeth of the wild animals are deep in the forest.

It is a concrete hole,
For my wife is wounded;
But who is behind this story?

November 12th 2006,
I escaped from the bullet!
November 14th 2006,
Your own eyes have seen this day;
November 17th 2006,
Six months after the birth of Elias;
With accurate and hones weights,
But like the broken glass on that day!

Take him to your husband and take her to your wife,
And look for both signs on the scales;
With peace at last and like the money in your hand!

Behind this story,
It should be eaten the same day;
Behind this story,
It should be eaten the same night;
Behind this story,
It should be read over and over for understanding!
And to all the fish that school.

Look for the fins and the scales,
And in isolation for seven days;
But tall and strong to satisfy your muse,
For it is clan by clan and clay by clay!
And it is very wonderful to the ears.

Edward Kofi Louis
Behind Your Veil

Your eyes are like doves behind the veil and,
You are very beautiful my sweet love;
However, i have taken off my robe ready for your love.

Come and satisfy me with your love my sweet one and,
Let me drink and be drunk with your love oh my beloved!
For, your lips are like the beautiful lilies which drip out the liquid of myrrh.

Edward Kofi Louis
Being Able To Unite The World

Base your life on positive morals and,
Bring the works of the truth to all mankind;
Backing up your status with love,
Bringing joy to all!
Being able to unite the world.

Edward Kofi Louis
Being Accepted

Home sweet home!
Home is where sweet love is;
When, the right thing is done,
And, being accepted by all.

Edward Kofi Louis
Being Alive

Languages,
Meanings,
Working,
Earnings,
Talking,
Walking,
Being alive.

Edward Kofi Louis
Being Around

The soft road of love,
Finding the ways of peace and joy;
And, being backed up with the muse of the truth,
In the land of the living.

Hot rod!
Taken off;
From the fire before it burns someone,
As the people gathered around for the festival.

Findings!
Being around;
And, being humble enough like the homemade bread,
Taken out of the oven.

Homemade,
Being around with the muse of sweet love;
And, finding the ways of peace and joy in the land!
However, poems are powers and,
They don't explain themselves into details at time.

Edward Kofi Louis
Being Around Always

Sounds of love surround your room of peace,
With the joy of your lovely heart;
Being around always to share and care for the poor.

Edward Kofi Louis
Being At The Protected Place

Love!
Being at the protected place;

Muse!
With the muse of peace;

With your joy! 
Living with the laws of the truth.

Gain! 
Again;

With love,
With the muse of your brain;

To train your mind,
Even in the rain.

Edward Kofi Louis
Being Chased

Evil works!
You are now being chased like the chaff of the mountain before the wind;
And like a tumbleweed before the whirlwind!
For, you've fed the earth with wickedness.

Edward Kofi Louis
Being Convicted

Being convicted,
By your own conscience;

Sin!
Being accused;

To walk in the dark,
With the muse of your negative act! !

Edward Kofi Louis
Being Deceived

Take your position in the seasons,
Take your life to a higher level;
Because everyone who reverences the Name of Yahweh,
Departs from iniquity.
Of the throne of mercy,
After so long a time;
Men of corrupt minds,
Their folly will be manifested to us all.
Take your positions and,
Take care of your lives;
Like people who are deceiving and being deceived.

Edward Kofi Louis
Being Exposed

Your nakedness is being exposed on every high mountain!
And, under every green tree in your land;
Because, you are playing the harlot with the boys and the men in your land.

You committed apostasy with the wooden gods!
However, each day has it sown trouble in your land;
So, let tomorrow worry for its own self.

The foxes have holes and the birds of the air have nets,
But, your nakedness is being exposed on every high mountain!
As you sleep with every man and every boy in your land.

Edward Kofi Louis
Being Fed With Love

Genetic origin!
Trustworthy,
Of the seed,
Rising up! !
Being fed with love;
With skills,
Meeting,
Even at the door.

Edward Kofi Louis
Being Found

Sound!
Being found;
Toil, soil, oil, foil, spoil!
Seeing the sweat on your face.

Right and wrong,
Honour and dishonour!
With your muse,
With your act,
With your works;

Surround! !
Around,
Challenges and changes;
Characters;
Hearing the echoes of life.

Edward Kofi Louis
Being Gotten In

Harvard was founded in 1636,
And Yale was founded in 1701;
But like the Cherokees of the Americans with the autumn flowers,
My mind is now made up like the Aztecs of Mexico.

Along the shores of Cape Cold Bay in my love,
With wild fruits of nuts like the winter berries;
But to be on board with the May Flower,
And like James Town on the James River.

Give me an axe to chop down a wood in the forest,
For i am now setting my feet on a dry land;
With the hissing of snakes around me,
For the rivers of the flooding waters are now seen ahead of me.

Oh life!
Baldness has come upon Gaza;
And of lives decorated with anutmn flowers,
For i am now being gotten in! !

Hissing, kissing, missing!
I am like one who cuts down a sacred tree;
But in the Fall of 1621,
The earth sook with a great noise for their fall!

No flight for my swift lover,
For you've harnessed your horses for war!
But the sharpness of my spear is like the land of the dead.

A few out of many to sing to my joy,
For there is no escape at the strong holds;
And i am now being gotten in.

Life at the Universities and,
Life to those in pwer! !
But my mind writes like the Aztecs of Mexico,
And like the hissing of the snakes around me!
Being Here On Earth

The joy of peace,

The beauty of love,

The fragrance of life,

The romance of nature,

The colours of the universe,

Being here on earth as human beings.

Edward Kofi Louis
Lust!
Being in business of selling sin;
Lust!
In the presence of many witnesses;
The evil doer!
You have products to sell;
Which leads to negative controversies.

Edward Kofi Louis
Being In It

Being in it,
Living in it,
Swimming in it,
Enjoying it,
Learning from it,
In your lover's arms;
Side by side,
Understanding the ways of life,
Enjoying the romance of love!
Hand in hand,
Working with it,
Walking with it,
With words of peace and joy!
With the aroma of nature,
With the gladness of the hearts;
Living together and,
Learning from each other.

Edward Kofi Louis
Being In Satan's House

Evil,
Being in Satan's house,
Learning the ways of the Devil;
Destroying the world with your works,
As we approach the end.

Edward Kofi Louis
Lust!
Being in the counsel of unrighteousness;
Lust!
Standing in the path of sinners;
Lust!
Sitting in the seat of scornfulness;
Lust!
He lied to her;
Lust!
She lied to him;
Lust!
With blood and death in your hands.

Edward Kofi Louis
Being In The Race

The finished line,
To do your part;
Being in the race,
Like a rainbow around the sun!
And, to dine with your wine in peace.
Nature! !
Natural with fine colours;
With the muse of life across the earth,
Like the colours of the rainbow being in unity! !
But, the truth is reliable.

Edward Kofi Louis
Being Of Age

To grow up,
Being of age;
Speaking the truth in love,
In all things.
Sure, pure, measure, pleasure, cure!
With the supply of your needs,
Being of age.
Reflective! !
Effective,
To grow up;
With the truth,
With love,
With your works!
With your culture,
With your life,
Peace and joy! !
With the colours of life,
With positive virtues.

Edward Kofi Louis
Lust!
To get it in your mind;
And, being part of the four ruling powers on the earth today.
Lust!
To do the same thing like your neighbour;
Who killed many.
Lust!
With negative influences in the world today;
Lust!
With your god worship;
Lust!
To do the same thing like your neighbour who kidnap's people;
Lust!
With the muse of the 'Lord of the Two Lands'.
Lust!
As seen in every temple;
Lust!
With the gods and goddesses of the earth;
Lust!
Consuming your mind;
Lust!
To do the same thing like your neighbour who rapes women;
Lust!
Breaking all of Yahweh's Laws.

Edward Kofi Louis
Being Pure

Cure! !
Secure,
Being pure;
With the muse of righteous laws.

Edward Kofi Louis
Being Raunchy

Lust,
With the legacy of tribulation;
Because of your negative acts.
Lust,
On the Island of Pigs! !
With the devil in your dress;
And, being raunchy.
Expects, respects!
With the episodes on this Island;
But, seek the truth and live.

Edward Kofi Louis
Being Responsible

The child’s life,
The boy’s life;
The child’s life,
The girl’s life;
Children,
Love and care!
Being responsible,
In the land of the living.
This poem,
With the ways of life;
This world,
With the muse of nature;
But, let us take care of our children with love,
And teach them the right way to go.

Edward Kofi Louis
Being Satisfied!

Before,
Foreplay;
After,
Being satisfied!
But, read my lips and watch my face;
Please, how old are you?

Edward Kofi Louis
Being Shaped

A cold drink in the desert!
Gold, sold, hold, cold, fold, old, told;
And like its own solid weight,
But, beaten with the hammer and being shaped.

Edward Kofi Louis
Being Sold To You

Lust!
It starts off with the thought;
And, it leads on to the pride of life.
Lust!
From the lies you told us;
Lust!
In so many different ways;
Lust!
To buy a given product which leads to sin.
Lust!
Being sold to you;
Sold, old!
With the pride of your muse.
Pride, ride!
With the lust of your eyes;
And, with the desire to sin.

Edward Kofi Louis
Being Taught

It comes by your words!
Every second,
Every minute,
Every hour,
Every day,
Every week,
Every month,
Every year;
Rooting for him,
Rooting for her,
It comes by your works!
Of your feelings,
Being taught;
Charge, change!
Waiting and waiting,
Rasp, grasp!
To address,
To digress,
To dress;
Stuck in! !
Trying to feed the common people;
With your mind,
For a while;
Grade, graduate!
Indicated,
Posed,
Posted;
To express yourself.

Edward Kofi Louis
Being The Chief Corner Stone

Life!
Being the chief Corner Stone;
Love!
Made with the Hands of the law;
Love!
With that Spirit in you;
And, having the laws to lead your ways.
Love!
With a positive character;
And, with attitude and servitude.
Love!
It is the Spirit that gives you life;
Love!
The Spirit Comes from the commandments;
Yes, the very laws written down.
Love!
The law changes your mind and heart;
Of the golden staff,
Of the golden rod,
Of the golden stick,
Of the golden altar;
With the golden like full of the laws for mankind! 
Guiding us on with true love.

Edward Kofi Louis
Being There

'Oheneba'!
My world of words with the hero inside me;
And like a child from a virtuos woman,
Being there for me is everything.

Dreams come and true and love can take you on a ride!
For, 'Odo Oduro' is what i am talking about.
'Daben na odo beba'?
Being there for me is everything and,
You are the roof beneath the roof of my love.

Try to revisit my house like a tree beneath a tree,
And try to revisit my mind like a home beneath another house;
For being there forme is everything!
And i will take my story to the whole world.

Edward Kofi Louis
Being Trained

Love,
To maintain positive character;
And, to stand up for what is right.

With steps!
And, becoming a positive leader in your land.

Edward Kofi Louis
Being Under The Laws

Life!
Swimming like a fish;
And, being under the laws of water.
Muse!
Swimming like a fish;
And, being under the rules of nature;
With judgement and justice.

Life!
Of a just bath;
Muse!
Prepare yourself a joyous feast;
And, be glad with your heart.

Life!
With boys and girls playing outside;
Love!
To show mercy and compassion;
but take the allotted land to your advantage.

Edward Kofi Louis
Being Who You Are Today

The woman in you,
The man in you,
Growing up;
Man!
Woman;
Being who you are today;
After the muse of childhood.

Edward Kofi Louis
Belah

Belah, bale, ale, be, he, heal!
With kindness and faithfulness;
In servitude and attitude,
Beautiful works! !
Like a doe set free.

Edward Kofi Louis
Belfast

Last,
Mast,
Belfast.

Edward Kofi Louis
Believe In It And Follow It

Love, move, prove!
Believe in it and follow it;
Love!
For you and your people;
Love, rove, dove!
To learn how to do it;
And, with the laid down laws.
Love!
To see it as it is;
Love!
To help you overcome your problems;
And, to live in peace with your neighbour.

Edward Kofi Louis
Believe In The One Sent

Believe in the One sent (Overseer Yisrayl Hawkins)!
And, forget about the Maya Calendar;
Because, Yahweh is not a God!
Yes, the very truth is in the BIBLE;
And, you need the truth always in your life.

Edward Kofi Louis
Believe In The Truth

Believe in the truth,
Always ready for righteous works;
With the zeal of the laws.
Judge righteous judgement and,
Do not judge according to appearances!
The truth,
Out of the heart of love flows the living water of peace.

War! !
With many coffins to bury the dead;
Believe it or not!
War is not the answer towards peace.

Edward Kofi Louis
Believe The Scriptures

Believe the Scriptures and,
Study and learn from the truth always! !
For i have chosen you to be my lover.

Edward Kofi Louis
Believed

Believed, lived, bed, lied, died, veil, Eve, led;
Notwithstanding the impediments at hand!
But i will surely succeed in this life.

Edward Kofi Louis
Believing In The Truth

Life,
Studying and believing in the truth;
With love,
With care,
Moving along in peace and, without war.

Life,
Studying and showing yourself approved;
With the muse of the laws,
And, with the truth.

Try, try, try again!
With the truth;
With the laws,
And, focusing on unity without hurting others.

Edward Kofi Louis
Belinda

Death comes by man but,
Belinda is my lover so sweet;
In this life,
There are heavenly bodies and earthly bodies:
But, i will always remember Belinda.

Edward Kofi Louis
Belinda 2

I am your Princess living on a small Island,
My sweet name is Belinda;
And this love comes straight from the heart.
Of my philosophy and my true love,
With the keys of the future in my hands to open the doors of joy!
You will know how I feel when,
You are closer to me.

Edward Kofi Louis
Belittle

Belittle,
Hurt,
Devalue;
Discriminating,
From one another,
In the name of colours;
But, who made us all?

Edward Kofi Louis
Bell

I am like the bell of your love,
But, how far should i be from you? !
With the muse of difference between the clean and the unclean;
Because, man's vain traditions are against the mandates of the Creator.

Edward Kofi Louis
Belle

I am tired on this job because,
I am very old for your love;
But sleep came and took you away!
And like Belle in the land of hunters.

Edward Kofi Louis
Bells Beach

Wells,
Dwells,
Sells,
To tell her story;
Bells Beach,
Shell, ell!
Not hell;
To tell her story.

Edward Kofi Louis
Bells Of Hell

Evil, devil!
Who deceives the whole world;
The bells of hell are singing!
Because of hatred and war.

Edward Kofi Louis
Belonging

Adventure! !
Be,
Long!
Belong,
Belonging to you;
All in the name of love.

Edward Kofi Louis
Beloved

Behold,
Beloved,
Revealed,
Manifested;
With the message of love,
The very message that you heard from the beginning.

Edward Kofi Louis
Beloved And Pleasant

Beloved and pleasant,
The love of a woman!
To speak to your hearing;
With kindness and faithfulness,
Blessed be your wise counsel.

Edward Kofi Louis
Beloved Son

The legs of Africa are,
The legs of a struggle;
The hands of Africa are,
The hands of hope;
The eyes of Africa are,
The eyes of a cry;
The head of Africa is,
The head of the unborn;
The tail of African is,
The tail of a mission;
The horn of Africa is,
The horn of pirates;
The face of Africa is,
The face of love;
Like a message to my beloved son.

Edward Kofi Louis
Belted With The Truth

Love,
Having your waist belted with the truth;
Life,
having your waist belted with the truth;
And, taking the shield of the faith,
Prepared with the message of peace.

Life, mercy and peace;
To quench all fiery darts of war with love;
having your waist belted with the truth,
For, faith and works go together.

The worship of the Emperor,
The worship of the king,
The worship of the prince,
The worship of the chief,
The worship of the queen,
The worship of the princess,
All in the name of the blue laws,
But, faith without works is dead.

Keep, kept!
With the muse of the laws;
Sweep, swept!
With the ways of life;
But, you have the joy of peace on your side always!
Because, your waist is belted with the truth.

Edward Kofi Louis
Bemused

Inquisitive,
Curious!
Bemused;
Mused, bemused!
But, be very wise enough to choose what is right always.

Illegal lust!
By the multitude of the merchandise of the,
Fornication and adultery of this world today;
With the very Technologies in our hands.

Hear, here!
With your love;
Ear, hear!
With your acts;
Further, feather!
With the ways of your life in your own land;
Still, steal!
Without any respect to others;
Feel, fill!
But, it is time to learn from the truth and live.

Edward Kofi Louis
Bemused II

To intimidate,
Bemused!
All in all;
Out there and,
Out here.
Unprovoked violent attacks!
Coming under attack;
Scared! ! !
With the ways of the people;
In the land,
Ready to destroy and kill.

Edward Kofi Louis
Benagio

Benagio, age, Ben, on, no, bingo!
I will post it and it will come to you;
Him, hymn!
I will post it and you will receive it;
But, it may delay.
Grapes and apples!
Do wait for it even if it delays on the way;
Because, i will post it to you.
Plank, prank! !
Between the rich and the poor;
It is always kept clean,
Like a welcome story;
It is always ket tight,
Like a farewell party;
And, it has a nice aroma.
Benagio!
Like a welcome party;
Benagio, go, in, bean, bag, beg, bin;
Plan, plane!
Like a freedom party;
Plan, planar!
As a joke,
Like a joke,
But i have learnt a lot of lessons in this life;
However, i am still alive today.

Edward Kofi Louis
Bends With The Odds

It is so! 
Trends and ends,
Friends for you;
Blends of life,
Lends, mends!
Bends with the odds.

Edward Kofi Louis
Bene

Bene, Ben, be, bee, been!
Let the truth be in your heart and in your soul;

Love,
From afar;

To hear the voices of those who make merry in your land,
Being far away from them! 

But, this love is searching for you,
With the works of peace.

Edward Kofi Louis
Beneath

Beneath,
Long and wide!
In the wilderness of your imaginations;
In love,
Beautiful nights;
Pen!
In wide open place;
You're in love,
With the muse of your life and, the nature of things around you.

Edward Kofi Louis
Beneath  2

Ben,
Beneath,
Den! !
Facing the problems of life.

Edward Kofi Louis
Beneath 3

The path,
Beneath,
Pursued! !
Hope,
Afflicted and humble;
Shields, fields!
Yields of love,
Strength!
To carry on.

Edward Kofi Louis
Beneficence

Puzzles,
In parables! !
In sages,
Proverbs!
In riddles;
Teaching along the way.
Behold!
The eyes of the truth;
Beneficence,
With righteous morals.

Edward Kofi Louis
Benitez

Mosquito,
Of the blood-sucker insect very common in Africa!
And the after effects of the mosquito bits had led many to death;
But where is the City of Love for us in Africa?

Benitez my friend,
It is just like the days of the flood;
But when one prophecy is fulfilled,
Only a few are aware of it.

Edward Kofi Louis
Benjamin

A jar of water is raised on Mount Horeb!
And i am around waiting for my lover;
So come along with me oh my friend! !
For you are called Benjamin and,
The truth will never die on this thing called love.

Edward Kofi Louis
Bensilla

Risks!
To impose on life's own peace and,
To destroy others! !
Breathing,
Coughing,
Touching,
In the records!
With all kinds of sickness in the air;
Attacking us on the earth today.

Bensilla, Ben, sea, sail, as, bill, ill, nail, beans, Ali, bailm bale, Bali;
Evil works!
With terrorists all over the world today.
Hiding,
In safe havens;
With the evil hands of the wicked,
Destroying and killing anyone who comes along their way!
But, is this the future?

Edward Kofi Louis
Bent!

Bent!
Incumbent;
In custody,
With the hymns of yesteryear,
Like hot tea and butter bread.

Edward Kofi Louis
21 gun-salutes with 21 marks of blood!
But why do you hate each other?
Do you hate the Creator as well?!
Then think twice and let us all live peacefully on this earth.

What do you expect if, you put your hand into the mouth of the crocodile?
But my life is like Daniel in the lions' den;
And i am very proud to be a black man among the trees of love.

Your love to me is like the German-apple-cake,
And i have seen many things in this world already;
So why hate the people around you oh Benyamin?

21 gun-salutes with 21 marks of blood!
Live and let us all live very peacefully in this world;
For the earth is our home and we have to respect each other,
And like the sign of the rainbow across the sky.

Edward Kofi Louis
Benyamin  Ii

The eighth moon and the sunshine of your love,
Look after your own home and let me take care of mine;
For Benyamin is far gone into the woods! !
And i am left alone to cry all day long for him.

Edward Kofi Louis
My name is Benz and,
I am staying with the bevy of beautiful ladies;
And in the garden of elusive high Oasis,
But, my love is searching for you.
There are many questions than answers in this world,
And what is cooking in this garden is for us all;
But the future is unknown.

Oh fools of this earth! !
When are you ready to learn?
For the reproach and the fear of this world are because of you;
But i am lifted up high to the whole world!
And my name is Benz,
But, i want you to learn for the better.

Edward Kofi Louis
Bequeathed

Illicit trade,
Explained,
Globally;
Shipped from South Africa to meet you,
And the annual value is now recorded in your book.

Bequeathed, bate, heated, at, he, had, tea, eat, ate, heed, hed, head;
And like the muse of your love in South Africa! !
But, this illicit trade is estimated at One Billion Dollars!

Bequeathed, be, bee, beat, bath, head, bathed, bat, tab, heat, hat, had;
With the acts of your muse in this illicit business! !
But, try to think of the people your are destroying;
For, your illicit money will not gain you the heavens!

Edward Kofi Louis
Berbatov

Berbatov, bat, bar, rat, rate, eat, ate, tar, art, bare;
In the penalty area!
With a smile on your face,
Aiming high to score the goal.

Berbatov, bate, vote, to, or, roe, ore, reo, boat;
The monopoly!
With the muse of the industry;
Jaw, saw!
To imagine it and to kick the ball into the net.

Berbatov, oat, oar, beat, bet, tear, ear, era, bear;
Judging from one side does not solve matters!
But, let life be very rosy with the muse of peace and love,
And, put the ball at the right spot before you kick it.

Edward Kofi Louis
Bereft

Bereft, feet, be, bee, beer, bet!
Lost,
Death and mourning;
And, they raised their voices and wept! ! !

Edward Kofi Louis
Berg

River Nile,
River Niger,
River Congo and,
The Orange River of Africa!
How can you bring me closer to my lover?
For i am now lost in the bush of love;
And like Berg in the land of many sorrows.

Edward Kofi Louis
Beriberi

Beriberi,
They have used you and left you alone;
Intoxication,
They have tasted your sweet love and left you alone;
But what seems right in the eyes of mankind ends up always in death.

Edward Kofi Louis
You are reduced to begging but,
There are plenty of row materials around you;
And you even boast of precious gold oh Berney! !
But, when will you be wise enough?

Edward Kofi Louis
Bernhardt

Bernhardt,
Come and show me the abilities of your love;
For i have learnt a lot from the book of lovers,
And like the sweet coffee from Ethiopia.

Edward Kofi Louis
Bernie

Bernie, be in, bee, been, ben, bier!
Love,
Properly equipped;
Logged,
Interacted,
Initially,
With the muse of your love.

Find, findings!
With the muse of your love;
Expanded!
Considerably;
Along the line,
And, with the muse of the occasion.

Edward Kofi Louis
Berrick

In a grand style with your muse,
I am Berrick with the words of love;
But the adventure with your love was like the colours of the rainbow!
And like the muse of peace for me to revise my notes.

Edward Kofi Louis
Berto

Get together,
Learn my muse;
And like snow and ice!
For, the road ahead of you is very slippery! !

Ice-Breaker!
I will see you once again;
For, i am Berto in the land of your muse.

Price, prize!
try to dream and, don't be very far away from your dreams;
because, you Need to fulfil them.

Edward Kofi Louis
Beryl

Beryl, be, bye, by;
To be carried away by the flood!

Vegetation,
Mountains and hills;

To see many things! !
Rivers and deserts;

And, to be well planned with the truth!
With the muse of the powers of nature.

Edward Kofi Louis
Beset

Be,  
Set,  
Bet,  
Beset;  
Ebbing tide!  
Aside,  
To be at your side,  
To support you;  
To help you.

Edward Kofi Louis
Beside This Great Tree

Beside this great tree of love,
There is an apple which is high above!
The labour of my hands will lead me on to pluck it;
This apple is very soft and attractive to taste,
Something very sweet! !
An apple so sweet to eat;
Great and awesome!
This apple is high above.

Edward Kofi Louis
Beside You

Eating in the dark and,
Drinking in the dark!
But, you need the light to guide you on;
However, every ghetto person is a cook!
Because, he or she struggles to survive.

The power of Guinness! !
Like the dark colour of love in the deep;
The player,
Unexpected;
But, with the power of the woman beside you.

Edward Kofi Louis
Besieged

Siege,
Besieged;
The city wall was broken through!
The people,
Captives,
Carried away from their own land.

Edward Kofi Louis
You are a year older this year!
And with time, you will understand my status-quo;
But, the future is also ahead of us.
Bessen, your items went through the right place!
And like the muse of love in the land of beautiful flowers;
However, you will surely come out of this exams in flying colours.

Edward Kofi Louis
Bessie

Bessie, be, see, bee!
To look at something,
With your eyes wide open;
A surprise! !
However, don't fall down like a potato;
Being strong to move on in life.

Edward Kofi Louis
Best

Quest,
Best,
Request for the truth and be straight with your life!
Able to love your neighbour than, killing your neighbour.

Edward Kofi Louis

But, it is set apart for a special use.

Lest always,
Jest always,
Test always,
Chest always,
Quest always,
Vest always,
Zest always;
But, you are set apart for a purpose.

Litter, glitter, bitter, critter, hitter, fitter, quitter, sitter;
And like a name well pronounced by its bearer! !
But, try to build up your life according to the plans of a positive character.

Love,
You are the apple of my eyes!
Spreading my wings to protect you;
And, to ride on the high places of the earth,
With you,
With the joy of our hearts.

Love,
Like honey from the rock! !
To bless your skills;
With the precious dew from the heavens above!
And, with the deep waters lying beneath.

Love,
With the fruitfulness of the everlasting hills!
Like oil from the flinty rock;
Fullness,
With the best gifts of the earth;
Able to touch your heart deeply.

Nest of peace,
Best of love!
Test of life,
To the west side of nature;
Guest, crest!
Not to rest your mind.

Edward Kofi Louis

Safety!
Best way;
Rock, block, dock, lock!
Yet it is,
To choose it,
The fragrance of love;
With the aroma of life.
Interpretations! !
The truth is the key;
The knowledge of something is not the same as,
The truth os something.

Love's nest,
Best with the truth.

Edward Kofi Louis
Best, Bestowed!

Love, life, mercy and peace;
Best, bestowed!
On you,
One me,
And, for joy.

Children obey your parents!
Servants obey your rulers;
And, don't think otherwise,
For peace is the key about life.

A ram for a burnt offering!
Faith without works is dead;
So, see that you walk circumspectly,
In the name of love than war.

Edward Kofi Louis
Bestowed

Tow!
Best,
Betowed;
On you,
Doing the right thing.

Edward Kofi Louis
Bet, Bed!

River of dreams,
River of sweet love;
River of gold!
River of hope;
Bet, bed!
Between,
True love,
Experienced! !
Between the two.

Edward Kofi Louis
Betha

The forest devoured more lives that day than the sword,
And i am now thirsty in the wilderness of love;
So i need Betha my love to quench my thirst,
Because she is all that i have.

Edward Kofi Louis
Betha Buah

The last i heard of you was in France,
And i do hope that you are still living over there.
Life is full of strings and you do need support always,
So try to do your best at all times;
For the muse of life is all about us.
Betha, I am the one you still have to remember;
For wisdom is better than silver and gold.

Edward Kofi Louis
Honey, butter, sheep and cheese!
These articles of earthen pottery are made by Bethi and,
I am here to learn from her trade.

Edward Kofi Louis
Betrayal

Rift, drift, lift and sift!
Your betrayal stays closer to you and,
Is ready to betray you! ! !
But the guns that killed one is also ready to kill another,
And i have my mind on you to save you.

Edward Kofi Louis
Betrayed!

Betrayed!
To contradict, 
For the oil; 
Perplexity! ! 
From the soil; 
That unlawful lust; 
Agreed with the pleasures of the world.

Edward Kofi Louis
Betta

I will meet you by the break of the day,
Because Betta is now hiding in the cave of love;
And i am the bravest soldier on this love,
So i will fight on to rescue her.

Edward Kofi Louis
Bettah

A ding-dong battle,
But i only want the best of you;
For i have the visual-design on your love.
Another day in life on the streets of love,
Another day to call in for help;
For a successful marriage will not be achieved with,
An unwanted pregnancy!
Bettah,
Try to adjust yourself in life;
And let your emotions identify you for what you are,
For i only want the best for you.

Edward Kofi Louis
Bette

I came, isaw and i conquered!
But your love was still hidden in the bush;
So i followed the trace of your blood and i met you,
Because i want to heal you with my love!

Come out and receive your healing oh Bette,
For the other soldiers are all dead!
And i came into this fight because of your love.

Edward Kofi Louis
Better

Better,
A nice letter of love;
With peace and kindness than hatred and war!
Words of joy,
Touching the heart and,
Educating the mind.

Edward Kofi Louis
Better Be Poor Than A Liar

Listen to advice and,
Accept instructions;
Life!
A fool has no delight in understanding;
So, better be poor than a liar.
Wine is a mocker so, be wise;
Strong drink is a brawler so, be wise;
Life!
Even a child is known by his or her actions.

A baleful veto! !
In auspicious terms;
But, regrets are not unthinkable.
Muse!
Casting lots will settle the contentions;
But, a fool has no delight in understanding.

Life!
To think the unthinkable;
But, a person who cherishes understanding will find success.
Muse!
A fool's lips enter into contention;
And, a foolish son is the ruin of his father.

Edward Kofi Louis
Better Outside

It will live better outside than ti fix it inside,
It will stay peacefully at home than to force it in,
And like character versus personality;
But negative character will lead you nowhere.

Edward Kofi Louis
Better Than

Two is better than one,
Three is better than two,
Four is better than three,
Five is better than four,
Six is better than five,
Seven is better than six,
And like the strength of sharing with one another;
But listen to the songs of my muse,
For i am here to show you love.

Edward Kofi Louis
Better To Live In Peace

Any fool can start a quarrel!
So, avoid a dispute and live in peace.

A just person walks in integrity,
Even a child is known by his or her actions! 

The ear hears and, the eyes see;
Better to live in peace than, to destroy the world with hatred and war.

Edward Kofi Louis
Betti

Give me the hope of loving you and,
Give me the joy of things to come;
For you are Betti and,
You live over the water brook.

Edward Kofi Louis
Better Than One

My mind is made up in this way and,
Your mind is made up in that way!
Mind, wind, find, bind, grind, hind, kind;
However, two heads are better than one.

Edward Kofi Louis
Betty

I am my beloveds and my beloved is mine,
For true love works no evil to his or her neighbour.

The lips of my spouse dropp like the honeycomb and,
I have found whom my soul loves on this earth;
For her true love is better than the red wine beside me.

The name of my spouse is Betty and,
Waters cannot quench this love;
But people's jealousy around us is cruel as the grave!
And i do feel like tomorrow whenever i am in her arms;
For she's the pearl of my love ans,
She's very tantalizing and very romantic to touch.

Edward Kofi Louis
Life,
Between heaven and earth;
But, my house id far away!
Where the truth is the key to the door.
This place,
Called earth;
Very beautiful for all of us,
If only if we do seek for peace!
Under the laws of righteousness.

However, the unclean things are to be avoided.

Edward Kofi Louis
Between The Click

Love,
Between the click;
The click of life and,
The ways of the laws!
But, the books were opened and,
I saw my name;
Ready to love you for who you are and what you are.
On the wings of love!
To fly alway to paradise;
With the joy of my heart and the joy of your heart,
And, to be at the right place at the right time on this love.

Edward Kofi Louis
Between The Race

Bet and win!
Between the race;

Face of joy! !
To embrace the truth;

To a place,
To lace up;

Set, let!
Like pines from the Philippines.

Edward Kofi Louis
Between The Rich And The Poor

Life!
That is how we see ourselves on this earth;
Between the rich and the poor.

Muse!
With the muse of life between the rich and the poor;
And, with the works of mankind.

The problems of life!
Bewteen the rich and the poor;
And, to be concern of many things.

Tranche, trance, branch, ranch, tingly!
Between the rich and the poor;
With just enough time to take care of many things.

Still, till, mill, will, fill, drill, pill, ill, bill, hill!
With the muse of the crowns of the Kings and the Queens of the earth;
However, the struggles of life is well known between the rich and the poor.

Edward Kofi Louis

'Behind those smiling faces you can never know what someone is going through'!

Life goes on,
Nature watches on,
Creation colours the picture!
Muse of love and life;
Shape, shade!
Anything in life,
Something to say;
Somewhere with your love,
Miles away!

'Behind those smiling faces you can never know what someone is going through'!

This life,
The ways of life!
The odds of life,
The fragrance of life with the romance of nature;
'Behind those smiling faces you can never know what someone is going through'.

Edward Kofi Louis
Between The Two

We are between the two,
And, it is either cold or hot!
Like the gate of heaven and the gate of hell;
But, we all have to make our choices.

Between the two of them.

So, lift up your eyes and look at them! !

North, south, east and west;

With love taking care of them.

Edward Kofi Louis
Between The Two Rivers

When you drift you will thrift!
So, do not thrift and be sentenced to death;

When you rift you will drift!
So, do not rift and be buried;

When you shift you will rift!
So, do not shift and be in hot waters;

When you lift you will sift!
So, do not sift and be weakened;

Lift up your memories from your misery!
And, do not shift and be raped;
For, you are torn between two rivers.

Thorn, torn!
Bewteen two rivers;
So, lift up your memories from your misery.

Edward Kofi Louis
Between The Woods

A third party!
Odered by the Court of Law;
Appropriate,
Considering,
Prevailing,
To achieve it,
To satisfy you,
To pursue it,
To legalize it! !
But, the compelling factors in your land are ready to satisfy you.

Parrots!
A cup of tea;
products,
Natural exports;
With the compelling factors in your land to satisfy you.
Jury, fury, bury! !
At the Marshal's Office;
With the muse of the Waterfalls nearby.

Edward Kofi Louis
Between War And Freedom

Life!
Between war and freedom;
Like children going out naked,
Playing hide and seek in the rain.

After few months later,
One of the girls became pregnant;
Like the muse of too many empty seats in a stadium!
Leading to one problem to the other,
In the name of premarital sex.

Life!
Between war and freedom;
What many call freedom,
Which is more of illegal lust!
But, we brought nothing into this world,
And, this world is now ending up on us,
Because of our negative acts.

This last generation,
Full of troubles;
With war in the east, south, west, and north!
Because, we are not ready for the truth.

The pleasures of the world,

The sins of the world,

So, beware of false prophets.

Life,
Like a sheep in the midst of wolves!
However, let us all be wise as the serpents and as harmless as doves;
Living in peace with each other on this earth.

Life,
Beware of mankind!
Because, as we so seek for peace, others are ready to destroy the world;
With hatred and war.

Edward Kofi Louis
Beware Of Yesterday

It has already been in ancient times!
All the danger man does to obtain his wealth;
Yes, a man's life under the sun
Which is like the vexation of the spirit.
The sage and the fool have the same end,
But, wisdom excells folly!
And, light excels darkness.
There will always be sunshine after the rain!
For, the wise man’s eyes are open in his head;
But, the fool walks around blindly.
To everything, there is a season!
Like the parable of the growing seed;
However, the foolish man’s eyes are closed under his feet.
Every river flows into the sea but,
The sea is never full! !
So, beware of yesterday;
For, it is full of the sadness of the past.

Beyond the veil.

Love!
With the muse of your embroidery;
Like a contour designer,
Beyond the veil.

Love,
Credited!
With the muse of your romance,
Beyond the veil;
Under the watchful eyes of joy.

Creative!
Innovation,
Distinction,
Inherited;
With the muse of your culture,
And, of your concept.

Edward Kofi Louis
Bezaleel

Royal dignity,
When will you appear to me in the dark of the night? !
For i am Bezaleel from the forest of love and,
I need your knowledge and your wisdom to guide me on.

Edward Kofi Louis
The lies of the false prophets are all around you so,
We should open our eyes wider enough on this love;
For many are those who are easily taken off!
Because the true tracks of love is far from them.
I am Bezek and i am writing this to you my love,
So try to return to the home of peace with your mind;
And do learn from me always because,
Rome was not built in a day.

Edward Kofi Louis
Biasin

Biasin, basin, sin, in, as, bin, ban!
Hotel Biasin;
Louis and Louise,
To be in love;
And, were met at the Hotel.
The kiss,
Hot, . cold!
Way in and way out;
Like Harvard man and Harvard woman.
Amazing!
The atmosphere;
Come, welcome!
Efficient, sufficient;
And, with a compromise.

Edward Kofi Louis

Bid, rabid!
The statement appeared to contradict itself;
Ferry, merry, cherry, Jerry, perry, Terry!
Declaring it,
Ferry, merry!
Of a decision,
Handing over;
The prize money.

Bid, rabid!
To sort it out;
And, to focus on the game! !
After having sleepless nights over the issue.
The first round!
The second round,
The third round;
In line with the laws of the land.

Illegal!
Declaring,
Enforcing,
Confiscated;
Bid, rabid!
With the practice,
And, with a statement to contradict itself.

Bigamy

You are charged with bigamy and,
I am also charged as well;
But Todzo came to explain things at hand,
For i mt my other lover in the bush without care!

Edward Kofi Louis
You are witness against yourselves but,
I am under the oak tree watching you;
For my name is Bigelow and,
I came from the city of palms.

Your love is like the gardens by the riverside and,
Your red sea flows continually to touch my heart;
But the people around you do worship 'Sheva' and,
They expected to fo to heaven soon.

How beautiful are your valley of love my sweet one?
For your dwelling place needs my sweet milk;
And i am like the cedar beside the waters of love.

False doctrine,
But who will bring you laughter my love?
Because there is no smile on the faces of the people!
Maybe i can,
But the donkey saw me and turned aside;
And i still want to be your helper on this side.

Edward Kofi Louis

I am Bilikisu and,
I am living in Charles' Town!
With the Blue Mountain at a distance to share my muse;
But, your ways of life is like the crocodiles in the Black River.

Life is like war at times! !
And, life is like a pregnant woman in pains at times;
But be yourself always in this world,
And dance to your own style at the place of the talking drums!
For, the future is unknown to all of us.

Edward Kofi Louis

Billie

I am Billie,
But the wings of your sweet love came and took me away;
And like the love songs in a cold winter night,
But i will always remember the days that we shared together.
Praise be your name and praise be my muse,
And of the joy of things that you introduced me into;
But i will always remember the love that we shared together.

Edward Kofi Louis
Billy

'Cursed be he who curses you and,
Blessed be he who blesses you!'  
For this earth is not my home.

My love is like a missing child to you and,
My life is like a brown cap to you;
But, when the rainbow comes,
You will be looking for my sweet love.

You are all that i need and i will wait for you like,
The cupbearer and the baker;
And my sweet love is like the King of Egypt.
I will bless those who bless you and,
Curse those who curse you my love;
So come to me and learn from me as well,
For my love is like a missing child to you.

Billy, come and learn how sweet love grows;
For i have kept my golden tree for you alone,
So do come quickly to me and put your shoes off.

Edward Kofi Louis
'Billy-Goat'

Muse, fuse!
Bily went to School one day and brought home a goat;
But, his father was very sad because, it was not a sheep.
Then the mother came in and said to Billy,
'We can take care of the two of you';
And, the goat was accepted to live together with them.
Used, mused!
None of them asked Billy how he got the goat;
But, the goat was nicknamed, 'Billy-Goat'.
Muse, use!
One day, 'Billy-Goat' followed Billy to School;
And, the news spread out like the ozone layer around us.

Edward Kofi Louis
Bind My Words

Bring your love to me and,
Let me bind my words with you;
For what i do feel for you is all about love.

This is what my love told me about you,
For the songs of sorrow are no more to be heard around you.

Build your own house and build your own protection,
For my feet has closely followed your steps!
And i don't want to lose you my love.

Bind my words around your boundary marks of your love,
And like the wild donkeys in the wilderness;
For the quietness of your love is in your belly,
And i am ready to direct you on to meet my home.

Edward Kofi Louis
Bind, Blind!

Bind, blind!
Thorns and briers,
Forsaken palaces;
Do not help evil people,
By being unrighteous witness.

Edward Kofi Louis

I want to know you better and,
Even to your nakedness;
I want to love you better and,
Even to your passions;
I want to kiss you deeper and,
Even to your heartbeat;

For love is all that the muse shares with us.

However, stupidity is the key when,
You are being deceived with the works of Satan.
Evil, devil!
The dragon,
The serpent,
The whole world is being deceived as at now;
And, it is very sad to see the ways of mankind today! !
As many accept the teachings of Satan without any question.

But this life is all about the visions of the time!
For the music from the choir was all about her muse.

An infant who never saw the light!
The light of life,
The light of the earth,

In the learning process;

She created it and played with it,
He created it and played with it,

Heat, meat, seat, eat!
With his needs or, her needs.

Promising and promoting love!
To learn more about life;

To talk less and to listen more! !
To upgrade your heart with the works of the truth;

Vision, provision!
Now made public;

For others to learn as well,
But, with righteous laws.

Honest and integrity,
Depression and misery,
Searching for wisdom,
Black and comely,
To walk along with the wise;
To boil the meat that is ready for food!
Because, a dead fish doesn't need water to swim in;
However, a person should rejoice in his or her own works.

Edward Kofi Louis
Black And White

From all the four corners of the world,
From all the four winds of love,
Events full of camaraderie;
To win my share of life when,
I do show my status.
Of a romance full of blues like,
'Bananas for three' that i bring to you;
This world is not my final resting place.

Black and white are playing,
Where is the fourth banana?
Black and White are playing,
When will the fourth come in?
Of my creative artistry,
Of bananas for four!
Of your creative artistry,
Of bananas for three!
This world is all that we have.
Do not take the mother when,
Takind the young birds away;
Life is full of black and white.

In the valley of salt,
In the valley of honey,
In the valley of peace,
In the valley of romance,
Beyond the Euphrates River with my mind;
Yes, this world is not our final home.

From Dan to Beersheba,
The Kings rule and misrule;
But, Blacks and Whites are the people on earth.
I have bananas for three to fly up with my muse,
You have bananas for four to make things work;
But, i will make you smile always in this world.
Great tidings of love is what i share with you,

For, you are now exposed to everybody;
And, nobody wants to marry you today.

Pact, act!
To stand the lest of time;
In many different ways,
As the years go by around me.

The realities of Mama Africa will be noted to all mankind;
And like a goal being scored by a footballer!

Nature’s love,
Seen with the muse of the black cat, 
Along the way; 
Facing the aroma of life.

Edward Kofi Louis
Black Door

Read it well and learn from it with your own mind,
For your nose-ring, your ear-rings and your ornaments are here with me;
But your beautiful jewels are still on your neck.

I don't know who you are but,
As long as you love me i will keep on living;
I don't know what you do but,
As long as you love me i will keep on writing;
And like lovers sitting facing each other,
For the Black Door is still opened.

Edward Kofi Louis

And of the noise from the 'Vuvuzelas' to respect at last,
For that was part of the game.

Edward Kofi Louis
Black Gold! !

Expectations are very high in Ghana! !
All in the name of the oil boom;
While 80% of the people still live on less than 2 Dollars a day.

A fiscal deficit,
With the muse of the blue sky and the blue ocean;
But, what could be done to the vegetation?

Black Gold! !
Changing the status of the people with hope;
However, who feels it knows it all.

'Tete wo bi ka'! ! So, we have to put things right;

Let us use this 'Oil Boom' wisely.

Edward Kofi Louis
Black History

Boom, boom, boom!
That was in 1530 to the Slave Trade;
My Mama told me so,
My Papa told me so,
In the name of our ancestors gone by;
Slaves for arms,
Slaves for powder,
Slaves for hardware,
Slaves for spirits;
Boom, boom, boom! !
All over the West Coast of Africa!
Today, i am a Blackman to tell you a story.

Black History, the Black African, the Black Race;
Of my ancestors gone by,
Boom, boom, boom!
Black head, black sugar, black coffee;
Where are the true identities of the Blacks?
That was in 1530 to the Slave trade.

Black History, black love;
A Black Race to a call.
Tap your fingers and do think about it,
My Mama told me so;
Black shoes, black phones;
With the Black History gone too soon,
My Papa told me so.
Black hair, black eyes;
The black coal to steam up the engines!
In the name of my ancestors gone by;
But, where are the black pens of love to share?

Do think about this and learn from it,
Boom, boom, boom!
A Blackman in the house to tell us a story;
Where is William Wilberforce?
Where is Thomas Buxton?
Where is Granville Sharp?
What about the Slaves? !

www.PoemHunter.com - The World's Poetry Archive
These men need to tell us more;
They killed my ancestors softly without compensations!
Black love, black stream, a black home to live in;
Like 'Naughty By Nature',
I've got 'Queen Latifah' to tell us more.

Of the Black Songs,
Of the Black race,
With a Black-Limo to keep us going;
This Slave Trade was a Black History to us all.
Boom, boom, boom!
Do contact Africa to learn more from this;
Like a black bird, a black cat and the black fingers! !
Do contact Africa to see things for yourselves.
Oh Blackman,
When are they going to admit to what they did?
Like a Black Ninja in the house,
Do know your history before you destroy yourselves.

Boom, boom, boom!
The very sound of the Slaves marching on;
This is our colour and, we have to respect it.
Black Cop, Black Soldier;
A Black Marine to a call,
We still have more to learn from each other.

Black wine, Black Doctor, Black People;
Know all about your history.
About where you came from and,
Where you are today;
Black seed, black marble, Black Prophets!
We still have more to learn.
Slaves for arms,
Slaves for hardware,
Slavces for powder,
Slaves for spirits;
Boom, boom, boom! !
Black beauty, black sea, black pot;
Black Nurse, black melody, black stamp;
Know your history always.

Of the freed Slaves from England to Sierra Leone,
With those from America to Liberia! ! ! !
Today the Black Panther is here to stay like,
The Black Writer.

The fragrance of life.

Edward Kofi Louis
Black Nose

Black nose,
My life's story and your life's story;
But there are more devils around us!
And it can either be him of her,
But be very smart to identify them!!
Because they are here to destroy us;
And like the mjuse of war!

The moon goes around the earth,
The earth goes around the sun,
With the orbit of the sun as well;
Everything in motion!
With the emotion of your mind on earth,
Till these objects are seen in a straight line!
With the moon between the sun and the earth;
The Black Sun,
The eclipse! ! !
With the muse of the rings formed in space.
Moon and sun,
With the muse of nature playing its role;
As we live on earth with the stars displaying at night.

Black, Beautiful And Lovely

I am black, beautiful and lovely in the continent of Africa!
And of the colours of the rainbow that baths me all year round;
For many have seen my status in the 2010 World Cup,
And i am black, beautiful and lovely.

Edward Kofi Louis
Black, White Or Coloured

I was born black and you were born white or coloured;
But we all came from the lovely hands of the Creator,
Because the Creator loves colours!
And like the muse of the rainbow seen across the sky.

I am always black! !
In the sun, in sickness and even when i die;
But the Creator made it so,
And i will be buried as a black when i die.

You were born white or coloured,
But you came out of the womb with the colour of the rose!
And you became whit eor coloured in the process of your growth,
But you are always blue when it is cold.

You do turn green when there is fear in your eyes!
But yellow when you are sick;
And like the various colours of the rainbow as seen across the sky,
But you will be grey when you die.

This shows that i am always black from birth to death,
But you do have various colours to satisfy your muse like the rainbow;
So you are more coloured than i am in this life,
And we all know the reality of these facts on this earth.

Edward Kofi Louis
Blackness

Blackness,
And like the tongue of the learned;
But with forwards and backwards in the name of your muse!
Because you failed to answer her call,
And now she is gone forever.

Edward Kofi Louis
Blackness And Darkness

Blackness and darkness,
The tempest comes to take many away!
But, i will stay back to fight for my lover.

Of the Messianic Doctrine and the save of lives,
But many still do not know who Yahshua was;
And with tears you will sought me out,
Because i am ready with my love to show you the way!

Edward Kofi Louis
Blacksmith

The blacksmith takes a tool and works with it in the coals,
But your love is after the manner of Egypt!
And like carved images in the home of your love,
But in that day the little child will lead the wild animals.

Edward Kofi Louis

Edward Kofi Louis
Blame!

Blame!
To the present government and,
Its predecessors;
With over-bloated economy.
Lust!
Grinding everything to halt;
With no job creation to the masses.

Lust,
With relentless deficits!
In the land of corruption;
Blame!
With incompetence and mismanagement.
Buffer, suffer!
To hear about it;
But, the biggest bridge is yet to be built across the big river.

Confusion!
Stipulated,
Asserted,
Prompted,
With a decision;
But, the rate of corruption in this land is too high.

Edward Kofi Louis
Blame, Lame!

Shame! !
Same,
blame, lame!
You came along with hatred,
Like an evil game,
Without fame;
With the flame of war!
And to blame the people around you.

Edward Kofi Louis
Blameless

Nameless, Blamesless, fearless, worthless, nevertheless;
At the editor’s desk to resport your muse,
But in the twenty-third year with your love!
For the rain came in and washed out your nakedness with joy;
And the muse of love spread allnover you.

Overnight stops,
Prescribed,
And written down in book!
But you failed to answer my calls;
And like the muse of love in the land of joy.

Rule, mule, crew, screw, few, dew, hew, dole!
Little by little and step by step;
And like noble men and women beside the common people of the land,
But blameless in the name of this war around you!

Edward Kofi Louis

Blenda

All flesh is not the same,
Like the difference in every star;
So is my love for Blenda.
This world is ours today but,
Man leads a life of sin;
The string of sin is death but,
The power over sin is the law.

I will be with you,
I will always put you on;
Like a man's short hair.
You blong to me and,
I belong to you;
I don't belong to water but air,
You don't belong to air but water;
In the very mix of things to share our love in style.

But i bring you joy like a chosen praise.

To eat the uneatable and to love the unlovable,
To reach the unreachable and to kiss the unkissable,
To end the unendable and to touch the untouchable,
To see the unseeable and to do the undoable,
But blank is my mind on this love;
Because, i am blind to see you my lover.

You are the Jewel of Medina my love and,
I will love you forever and ever!
Because, i believe that one day i will see your face.

Bloodline Of My Children

He out those genes into the bloodline and,
Of the woman that gave birth to his children;
But every one is judged for what they do on this earth.

The inner garment is what you need,
And with the discomfort acts during the time of trouble;
But the nuclear fires will consume the earth.

I want to know what is in your heart and,
What you deserve from me;
For the worth of my love is what you need,
Because my genes will be needed in the bloodline of my children!

Will you go to Yahweh Shammah with me?!
For there is the truth and you will become my lover!!
And the miracles around will come into your muse,
But the recorded history is here to guide us.

Rejoice and see the day of brightness with me,
And just like the others who lived long ago;
For the desire of this muse had made things possible,

Blue, White And Red.

Menasheh and Ephraim were the children of Yahseph,
But Reuben was a brother to Yahseph;
So Menasheh and Ephraim were the nephews of Reuben,
And Reuben was their uncle!

For today Reuben is France;
And Menasheh is Britain while,
Ephraim is the U.S.A.!

Edward Kofi Louis
I am born in Africa with the odd triangle,
But that is not the end of my story with you;
And i have the hope of meeting up with stars one day.
Across the ages of history are the ages of mankind,
And across the stages of my age are my dreams;
For i have to take the steps of meeting you one day.

He brews with his people and,
Every son was thrown into the river!
But the daughters were saved for love.

I have made up my mind towards you and,
My age will lead me on to the mountain of love;
For i was born in Africa with the odd triangle but,
The dreams of my mind will lead me on.

Kish, fish, dish;
1611 to the King James Version of the Bible;
But the Roman Pope ssent Augustine to convert England in 596.

I am born in Africa with hope,
And of the struggles that have made me very strong!
But like a celibate mate in a compact car,
I will rise up high above all things to meet the stars.

Of much medieval canon laws and,
What i can do in this life;
But in the era of 325,
The Council of Nicaea condemned Arianism.

How can a war be 'holy' when, people are being killed?
Maybe it is like a political inoculation to the immune system;
But, i will make it to the stars one day.

For, sin is full of the darkness.

Edward Kofi Louis

Birth,
Born in winter;
Into the world to be known by others,
Growing up!
To face the problems of the earth.

Edward Kofi Louis
Born Of Yahweh

Openly known,
Fully convinced,
Many days after;
But, the Passover was near!
And, it took 50 years to build this home.

You must be born of Yahweh to enter into this kingdom!
And love makes the world go round;
But things occur for a reason,
And, i still have the old story with me.

Edward Kofi Louis
Born Only Yesterday

Born only yesterday and,
Today you are very rich! !

Edward Kofi Louis
Born To Be Free! ! !

Born to be free! ! !
But, the obstacles of this world have engulfed themselves all around me.

Born to be free! ! !
But hatred had been the main cause being practised by mankind than love.

Born to be free! ! !
But, mankind had introduced what is called racism all around us.

Born to be free! ! !
But, mankind is not ready to accept the positive laws of the Creator.

Born to be free! ! !
But, there are wars everywhere on this earth.

Born to be free! ! !
But, you've hated me already in your heart without any reason.

Born to be free! ! !
But, earth's own problems are more than i can bare.

Born to be free! ! !
But, what i know is not what the Babylon System is teaching me.

Born to be free! ! !
But, the painter of tomorrow has no brush in his or her hand today.

Born to be free! ! !
But, when will the world learn to live in peace?

Edward Kofi Louis
Born To Err

Life,
Founded with the laws and to accept your fruits;
But mankind was born to err!
Yes, we all make mistakes in this life;
Learning and falling down at times,
As we try to become perfect one day!
And, to stand up tall.

Edward Kofi Louis
Born To Face Them

Life's problems,
Don't be discouraged about them;
Because we were born to face them.

Edward Kofi Louis
Born To Kill

You are born to kill!
So kill and do think about us too;
And ask yourself,
'Which way is better? ! '
And living alone in this world or,
Living together with us;
Why was Rone built after all?
Why do you have hatred after all?
Then think twice before you kill all of us!

Edward Kofi Louis
Born To Learn

The sun brings light to us!
But, love is perfected by the muse of life;
And, by the faith of the truth.

The minds,
Take a firm hold on the truth!
Wings of love,
The truth is for your life!
So, guard it well.

Plans and clans!
Seek for the path of the truth;
Because, we were born to learn.

Edward Kofi Louis
Born To Write

Born to write,
To write out my mind to the world;
Write, rite, right!
Like the muse of Mr. Wright my neighbour next door;
But, where are the rights of the people around me today?!

Pen and den!
Writing out my mind to the world;
And like Mr. Ben my other neighbour who visits me a lot for help,
Knowing what i am made of.

Born to write!
To learn and understand the Universe;
And, to say thank you: To The Creator Almighty!!
For His Wonderful Works.
Word, world, work!
Respect to my parents who gave birth to me;
And respect to all mankind on earth,
For, WE ARE ONE! Coming out from the same source.

The source of your life,
With your culture today;
The source of my life,
With my culture today;
With languages all over the world!
But, nobody can choose his or her parents;
Because, we were only born to come and know them.

My mind to the world!
With the joy of my heart;
Sending out messages in the name of poetry,
Across the world with my lovely muse.

And like the Christianborg's crossroad shooting incident in 1948;
Which occurred on the 28th of February in Accra,
But, never be ashamed of your emotion on this date in history.

Conversation,
Like the muse of your love in the land of your muse;
Elevation!
But, in the morning the sun says hello to when i awake;
And, the moon bids me farewell before i sleep.

Edward Kofi Louis
Both Feet

Do not curse the deaf or,
Put a stumbling block in front of the blind!
But the fool does not understand this and,
This world has seen much of its mistakes.

The fathers shall not be put to death because of their children,
Nor shall the children be put to death because of their fathers!
For, a person must be put to death of his or her own sins.

Watch your steps! !
For there is life in the blood!
And a judge must not show pity to the guilty.

Do not harden your heart when the truth comes to you,
For the fool tests the depth of the water with both feet;
And this world is all that we have to learn from.

Muse, moose, mouse!
Anyone who says you can't see a thought simple doesn't know Art;
For you now have both feet in the water and,
You can easily be drawn!

Edward Kofi Louis
Both Of Them

Living under the sun,
Pin, win, ain, bin, din, fin, gin, min, sin, tin, yin!
And powered by your love to fly me up high! !
But if two sleep together, both of them are warmed.

Edward Kofi Louis

And like the sign from my lover who lives there;
For her love is beyond reason!

To satisfy the ways of life.

Edward Kofi Louis
Bound

I am bound in he prison of love and,
To gather herbs in the fields of love;
But take my son and take care of him,
Because a large pot of stew is now set before me!

For, the Gold Coast is now called Ghana today.

Fruit and pear,
Kindness and shear;
But, we need no more war! !

Edward Kofi Louis
Bow Down To The Truth

To wither like grass,
To grow old like a garment,
To vanish away like smoke!
But today, you are trapped in your own land like,
An antelope in a net.

Full of death;
But, respect the laws of righteousness and,
Bow down to the truth always.

Edward Kofi Louis

However, consummed in the grave today!
After the bomb fell on you.

My name is Boye and i love you,
Oh my little Havana come to me;
For i will lie down low and sleep in peace with you.

Edward Kofi Louis
Boyle

Spirits of the world here I come,
But you never know what you are to me;
For my heart is like the music that you are playing around.

I am Boyle and my vocabulary is what you want,
But don't look at the distance between us;
For you are all that I want on my side of this river.

Edward Kofi Louis
Boyle, boy, by, bye, bole, lobe;
The sky! !
With the wonders of nature,
With winter's bone and summer's stone!
Like the parade of mankind on earth today.

Edward Kofi Louis
Boys And Girls

School children,
Boys and girls;
Along the line,
To taste each other,
In the name of fornication!
Immoral,
With premarital sex;
Then, the boys still attended their respective schools,
To write their exams for degrees! !
While the girls drop out of school,
Without a degree in thier hands;
Because, they were not allowed to take their exams!
With protruded stomachs.
Yes, the girls became pregnant from premarital sex;
Fornication!
Sin,
Who is to be blamed?
Of the sins of mankind;
Starting as early as possible on this earth,
In the name of the pleasures around us.
Examinations! !
The girls drop out without degrees in thier hands;
While, the boys who made them pregnant were allowed to write their exams,
Which may end them up with degrees in their hands.
Boys and girls,
Who is to be blamed on this issue of premarital sex?
Let us think very deep on this issue,
And, let is advise our children!
Training them up with the truth,
Than, to enjoy the pleasures of this earth which leads to sin.

Based on the activities seen around you always.

Edward Kofi Louis
Boys-Town And Girls-Town

Boys-Town and Girls-Town,
The human race reacts to the weather in different ways;
But I am the king that you are looking for.
This is like the last spiritual dance in your town,
And it is like the queen that you are seeking for;
But the healing tree is very far away from home!
And like the red colour of the earth around us.
Boys-Town and Girls-Town,
We all see what is going on around us;
But are we really ready to learn?!
For many have been deceived already,
And we cannot overcome the sickness of this world.

Edward Kofi Louis

It was only yesterday and,
It was over yesterday;

And i need Brandon to guide me on through the rules of this land.

Edward Kofi Louis
Brave Heart

One touch,  
One love,  
One peace;  
To the women in labour and to the men at war!  
But the brave heart is now needed on thses issues.

Brave hearted men and women,  
One love, one peace, and one touch! !  
And like Vina's Dream in the land of her muse,  
For this dream is all about her lover.

Edward Kofi Louis
Brave, Crave, Grave!

Brave, crave, grave!

If salt loses its saltiness,  
How can it be made salty once again?

Because, the wickedness of mankind is destroying the earth.

Brave, crave, grave!  
To be casted out and, trodden under the feet;  
With the muse of illegal lust.

Wickedness! !  
Action speaks louder than words;  
Killing and destroying the world.

Love for the world,
To bring joy to all!
To overcome hatred and war with righteous works,
Service to all mankind;
In unity,
To push the truth forward.

Edward Kofi Louis
Bread Of Heaven

Adherence,
Its lackadaisical approaches;
But, Yahweh is among us!
And, you are now under the shadow of diplomatic privileges.

The mysterious disappearance of a drug loaded ship,
With official laxity in the land of your muse;
But, the undisputed hub had been part of your people.

Body of evidence,
You used a bait to dupe others! !
And to get rich overnight by false means;
But, the man was taken from the clay.

Undue advantage,
And of the woman taken from the man;
But, pregnant women gave birth to the children!
However, we will all be buried one day.

My feet are in shackles!
My hands are in shackles,
But, my lips will utter knowledge in purity;
For, the bread of heaven is what i have on my table.

To the mountain that my right hand has won!
Yellow and red equals to brown;
And like a warrior rejoicing from wine! !
But, he awakes and his thirst is not being quenched.

A treacherous blow!
A hungry man's dreams,
He awakes and his hunger is not satisfied;
But, the Red Mountain and the Blue Mountain need my muse.

A thirsty man's dreams!
He awakes and this thirst is not being quenched;
But read my poems and learn from them,
For, blessed are you who sow beside all waters.
Bread of heaven,
Sow every seed from any fruit you eat;
And you will gain more in the harvest time!
For, a cup of strong and delicate wine is on my table;
And like a dream after one awakes.

Why are you rejecting me my love? !
Why does your anger smoulder you?
But, in the day of the battle,
I will eat my bread of heaven than to play with the weapons of war! !
For, you are now swallowed up because of the hatred around you;
But, the hail will sweep away the refuge of lies.

Edward Kofi Louis

Have his or her own garden watered.

Edward Kofi Louis
Bread Of Life!

Bread if life!
To get the milk of peace and love;
Caring for the people around you.

The truth is clear and very simple to the wise!
But, very difficult for the fool to understand.

Don't let anything stop you from doing the works of peace;
Because, the truth is with glory and honour.

Edward Kofi Louis
Break Off From Your Sins

There is a Father in heaven Who reveals secrets;
So, break off from your sins through righteous works!
And, from your iniquities by showing mercy to the poor! !
For, He made us all and, He knows why it is so with us today.

Love!
Give and take;
In the land of your sweet muse,
And, by learning how to share with others in peace.
Love!
With the magic of peace;
However, there is a Father in heaven Who reveal secrets.

Edward Kofi Louis
Break Off From Your Sins  Ii

Life,
Do break off dfrom your sins through righteousness;
And, from your iniquities by showing mery to the poor.
Power!
Mighty and with majesty;
Love,
To you it is decreed!
And to break off from your sins through righteousness;
With the understanding of the truth,
With honour and splendour!
Established with rightoues works.

Edward Kofi Louis
Break The Arms

Bulls of Bashan,
I have seen many things not today!
So, save me from the lion's mouth;
And like your love in the bush of peace.

You have taught me many things;
And like a bridegroom from his canopy,
But my voice will be heard today, because of your love.

With many tears,
With many ears,
With many fears,
With many wears,
With many dears,
With many bears,
With many gears,
With many spears,
And like going out and coming in with the muse of love;
But, he who hears my song is like she who is nearer to your house,
For, you have taught me many things.

I am drawn to you because of love,
And like the beds of the seas and the apples of your eyes! !
But, the truth is for free.

Break the arms of the evil one!
For, the wonderful inheritance is near;
But, trust in Yahweh for He is true;
And like the beds of the seas and the apples of your eyes,
For, you have taught me many things.

Yellow and blue equals to green,
Yellow and red equals to orange,
Red and blue equals to black,
But we don't need signs to believe in your muse;
So, do offer the sacrifice of righteousness to all around.

Of mercy and justice,
Meditate on the laws day and night;
For, a picture at hand is worth more than thousands of words.

Why is the world like this? !
But, let the field be joyful;
And always seve Yahweh to glorify His Name.

Time is passing by,
And we don't need signs to believe in your muse;
For, she is crying now! But, time will tell.

Learn the laws of peace,
Learn the laws of love,
And try to call on the family's home of the righteous always;
For, the odds of life are always seen around us.

Where is Satan? ! !
Maybe, she's standing around you;
Where is Satan? ! !
Maybe, he is standing around you;
Where is Satan? ! !
Maybe, he or she is among us!
But, the trumpet is now sounded and, how many of us are now ready for the battle?

Edward Kofi Louis
Breakaway!

Way,
Away,
Breakaway!
Far away with your works,
From your neighbours.

Edward Kofi Louis
Breakfast

Big belly-man!
Big belly-woman;
Taking breakfast in bed with an ice-cream,
However, being young means that, you are ready.

I am the fisherman's son in the village;
And, you are the number one girl walking around!
As seen by man who pass you by,
But, poetry is the way of life.

Tasty love and tasty food!
Circumstances had made me what i am today with you around me;
But, in my free time, i will pray for you as well! !
Because, you need help in this village.

Love!
It's so deep and, it feels like chocolate;
But, the motherless child next door is whom i care for,
Because, it is time for us to live in unity than war.

Big belly-man and big belly-woman!
Taking breakfast in bed with an ice-cream;
But, the heavens have the rule of law for mankind,
And, i will rise up early to be natural.

Love!
From coast to coast;
To feel the rhythm and blues of life along the ways of mankind on this earth,
For, it is just another day.

Edward Kofi Louis
Breaking Dawn

Lawn,
Drawn,
Prawn,
Breaking dawn!
Words and works;
With the muse of life,
With the aroma of nature,
Beak, peak, break, leak, speak!
Breaking dawn,
Visible and invisible things,
Facing the ways of creation.

Edward Kofi Louis
Breaking My Heart

Why are you breaking my heart? !
Why?
With your negative words.

Edward Kofi Louis
Breaking The Silence

Slip, flip!
To take them out;
Pictures,
Rum, trumpet!
Breaking the silence.

Edward Kofi Louis
Breaking The Waves

The storm!
The waves,
The sea;
Breaking the waves,
And, being at the right place at the right time.

Swift, Clift, lift, shift, drift, rift, gift!
Breaking the waves;
Tip, trip, ship, hip, sip, lip, strip, blip, nip, clip, whip!
Breaking the waves;
With the muse of the storm.

Love,
Life,
Peace;
Going against the storm!
And, breaking the waves;
With the muse of your lovely heart.

Edward Kofi Louis
Breaking Waves

The stream,
Cruise,
Breaking waves! !
Life's force,
Love's force,
Joy!
Ecstasy.

Edward Kofi Louis
Of craftiness and subtleness!
But if I have breasts milk,
I will feed my child all day.
Like a caring mother who cherishes her children,
I will feed my child all day long.

Your baby needs breasts milk like,
A woman after her own heart;
And you are a devoted woman of a higher rank.
Sisters, Mothers, Women!
Of the sweet smelling aroma of your breasts milk;
But the family in heaven is like a child with the mother.

Stand the test and be obedient in all things,
Give your baby food and forget about your phone calls!
For you are not my mother and,
You are not an African woman.
I know how it feels and,
I know who you are;
But feed your baby with breasts milk at all times.

Like a house without hands,
Give your baby breasts milk to keep the child healthy;
For out of the blessings of the Creator you've got this child.
The door is now open on you,
The truth is now set for you,
The care is now in your own hands,
But your child really need this milk.

Edward Kofi Louis
Breath Of Fresh Air

Daisy,
Duck,
Forst,
Cross,
Memory,
Fruits,
Sunny side up;
Joy at the beach!
Breath of fresh air.

Edward Kofi Louis
Breath, Beneath!

Breath!
From the four winds of life;
Winds!
To breath upon those slain in war.
Sinews!
Flesh,
Skin,
Breath;
Counted!
Numbered,
Gathered around;
News, sinews!
Of those slain in war.
Point, appoint!
In the treasuries;
With the breath of life.
Pointed, appointed!
Furnishing;
But, dedicated with love than war.
Breath, beneath!
Soft and flexible;
But, life is so uncertain.

Edward Kofi Louis
Breathing Space

Ace, race, embrace!
Breathing space,
Place,
Palace,
The view of the great hill! !
Bold,
Behold!
Quilt and lamp,
Landscape;
The view of the glacier lake,
In your agile best,
With a breathing space.

Edward Kofi Louis
Bred Into You

Violence!
Bred into you;
And now, killing had been part of your today.
North Side Gallery!
Making your statements in the name of violence;
And, to lay out your plans.
South Side Gallery!
As seen out there on the News;
Violence!
Bred into you.
East Side Gallery!
Tawdry;
And like roaring lions and evening wolves.
Words!
Making an empty show;
Deceiful,
Eager to corrupt from the early morning.
West Side Gallery!
Tableau;
Bubblegum, bubble, gum, bulb, blue, gem, glum;
But, violence is no answer to peace.

Edward Kofi Louis
Breed

Breed, be, bee, reed, red, deer, beer, bed;
A family is sometimes like a rat that finds a home.

Rated, berated!
Moving from one country to another,

Spider, crab!
Musical.

Shake and flash!
Collateral;

Mystery! ! !
With the muse of the devil's backbone;

Chaise!
Dolls and gents;

Lime, mile!
Like a house built in the deep forest.

Edward Kofi Louis
Breed, Freed!

The intensity of love,
The passion of romance,
At a glance with your joy!
Waterfalls,
Rains,
Wet and wild;
Breed, freed!
Like a stairway in Spain.
Spirit Island,
Lovers Island,
With the roamance of your joy!
Like Autumn woods.

Edward Kofi Louis
Breed, Reed!

Precious works!
precious comments,
With true love in your heart;
Breed, reed!
But, there are different paths of life to take.

Edward Kofi Louis
Breeze

Breeze,
Freeze,
Cold;
In the cold with your lover.

Edward Kofi Louis
Breeze, Freeze!

Down to the sea,
To sit down;
Breeze, freeze!
Of the great wind that blew;
Spoken with the works of nature.

Edward Kofi Louis
This is how i feel about you and,
That's the way it is with my love;
But, what occurs to the forgetfull minds in love?

The paintings of sins are all over the walls of love,
But who is without sin on this earth?
For, i am a blindfolded lover on your side.

Edward Kofi Louis
Brew The Truth With Love

A sleeping cow,  
The truth is light to your heart!

A sleeping horse,  
Lean upon the truth always.

A sleeping cat!  
Refresh your mind with the works of the truth always and,  
Live in peace;

A sleeping dog,  
Ted, bed, red, led!

Speakers;  
But, brew the truth with love.

Edward Kofi Louis
Brew Your Life With Love

Clove,
Love,
Cove,
Drove,
Rove,
Move,
Stove,
Hove;
With naked dancers around.

Brew your life with the truth and,
Live in peace with your neighbours;
Because, true-love is sweeter than honey.

Speak,
Peak,
Leak,
Weak;
However, do brew your life with love.

The truth is sweeter than honey to the wise!
But, bitter to the fool;
However, reward comes from the truth.

Union, united!
Lay the foundation with the truth and,
Build your home with love;
Use the laws of righteousness and, be straight in life.

Edward Kofi Louis
Brewed In Africa

Take a cup!
Have a drink;
Fresh brewed coffee,
Brewed in Africa;
Brewed with love! !
Brewed with joy,
With the muse of the cultures and traditions;
Fresh brewed coffee,
Brewed in Africa;
With the muse of the languages in Africa.
Take a cup,
Have a drink!
Fresh brewed coffee;
Brewed in Africa,
Like love brewed in Africa;
With the muse of all the colours around,
In Africa! !
Sounds of life,
Sounds of love,
Sounds of joy!
With the muse of the peace of nature,
With the muse of the people around,
Meeting the animals in the forests of Africa as well.

Edward Kofi Louis
Brian

Brian, what did the Bible say about Christmas, Halloween, Easter and Valentine Day? !
Read your bible again and you will know that they are condemned!
For broad is the way to destruction.

Edward Kofi Louis
Brian Ii

The light that shows us our sins is the light that heals us,
But i am on the mountain of love searching for you!
So innovate your love towards me and let me show you the way.

Change is not merely necessary to life but it is life itself!
And we came into this love not finding a perfect person but,
By learning to see an imperfect person becoming perfect! !

Love is kind and patient,
But knowledge is the frontier of tomorrow!
And friendship grows up from paying attention to others,
But true-love will cover the multitude of our sins! !
And i will always seek for you my sweet Brian

Edward Kofi Louis
Briand

Briand, band, brand, rain, brain, air, an, ban, in, bin, bad;
Son, soon!
Of the interview,
With transformational results;
In the land of beautiful flowers.

True love!
Across any facet of all life;
Love!
With a passionate heart that seeks for solutions than war.
The muse of life!
With the burning desire to effect a practical change;
In your ways.

Edward Kofi Louis
Briano

Briano, rain, brain, air, an, born, ban, or, in, bin;
Of the interview,
Bin, in!
Of the process,
And, to be in touch with you.

Cape, escape!
Life,
High level;
With the muse of your love in the land of trouble.

Colleague, college!
With the muse of the Garden City;
In your land.
Life!
With the deep inflow of your thoughts.

Edward Kofi Louis
Bribe

Take no bribe!
You must not show partiality in the law;
You must not pervert justice,
Because, bribe blinds the eyes of the wise and,
Twists the words of the righteous.

Edward Kofi Louis
Bribery And Injustice!

Bribery and injustice!
With illegal lust in the land of corruption;
But, i will play my song with the muse of the harp!
Telling the people what is right;
If only if they will listen to me.

Bribery and corruption!
Being like a drunkard who is out of control;
But roses are red and violets are blue,
And, it is time to wake up to the truth than,
To die in your sins.

Illegal lust in the land of corruption!
Hanging up like a weak thread;
But, whos is ready to tell them the truth?
For, they've taken falsehood as the way of life;
Which is destroying them along the line.

Edward Kofi Louis
Brice

Brice, rice, ice, be;
Tragedy! !
In a new twist,
In a new dimension,
And, the Co-Pilot crashed all to death.

The cockpit door,
Locked!
Blocked,
With a negative mind;
To kill all on board! !
150 people in all.

Certainly,
Wherefore,
Howbeit,
Muzzle!
Puzzle;
Yet.

To crash the plane!
Suicide,
Murder! ! !
'Seynes Les-Alpes';
And the Co-Pilot crashed all to death,
Flying 'German Wings'.

Shock! ! !
The shock,
To kill himself and 149 others;
In the mountains of 'Seynes Les Alpes',
Of a location in France.

Edward Kofi Louis

Brick, Rick!
The donkey,
The dog,
The cat,
The monkey;

Edward Kofi Louis
Bride, Bridle!

An open source!
To force your way in;
Bride, bridle!
With the muse of the riddles of life;
But, do not steal from your neighbour! !
Don't take that which doesn't belong to you.

Edward Kofi Louis

Briden, bride, ride, bid, bed, in, den, red, bin, bird, Ben;
Taking a ride with life and, with the muse of your love!
Enjoying the fruits of your works in your land,
But, there is time for everything in this life.
Bride, ride, pride, side, tide!
With the muse of your lovely mind;
Taking things very easy to search for the truth,
The way along the narrow path of peace.

Edward Kofi Louis
The brides,
Inwardly and as well as outwardly!
And, to go to another level;
Just as a baby grows,
Brides, rides!
The experiences and the expenses of life are like,
A summary of one's trip on this earth;
However, let your 'yes' be 'yes' and your 'no' be 'no' in the situation room.

Brides, rides, sides, strides, tides, aides, glides, hides, bides, slides;
And, she decided to work for her needs and,
To go to another place!
For, she realized the need to do so.

She left!
He left,
All of them;
But, still searching the ways of true life like a mother's milk! !
However, spiritually noted are her fruits of love.

Brides, bride, ride, bird, birds, rides, side, rib, ribs!
He decided to wrld for his needs;
Brides, dries, die, dies, bid, bed, beds, bids, rise, is, red!
With knowledge and understanding like an adult;
But, grow up in wisdom to live a better life always.

Edward Kofi Louis
Brides, Rides!

The brides,
Brides, rides!
Weed, feed, seed, need, creed, heed, breed, speed, greed;
But, grow up with a positive mind,
Becuase, the lion has already got teeth.

Brides, rides!
Sitting on the swivel chairs;
But, the basic things of life is to do the right thing always.
Trident, dent, cent, sent, went, rent, bent, gent, tent, lent;
At Kings Bay.

Life!
We all do make mistakes;
History!
Reflecting your mind on your past;
But, i am now sitting on the swivel chair chairing the meeting;
Taking the position as a chairman or a chairwoman with my mind.

Edward Kofi Louis

Edward Kofi Louis

Bridle, riddle!
You lust but you do not have;
So, you murder and you covet!
And, still cannot obtain everything in life.

Bridle, riddle!
With the wars and fighting among you;
The wrong purpose of life,
With the pleasures of this world today.

Life,
The spirit that dwells in lust leads to envy others!
Well-known,
And, well expressed.

Proud, round!
Double-minded;
You lust but you do not have,
So, you've now turned to war! 
Killing and destroying the properties of others.

Inquiry, enquiry!
To acquire the facts of life;
And, with the truth about love.

The laws of peace!
To teach the youth;
Boys and girls,
Bringing them up with the positive moral laws.

Edward Kofi Louis
Bring Your Tender Love To Me

Time goes on and my mind goes up,
But the muse of love is what i do bring closer to you;
And it is like the experiences of my mind to teach many.
The human nature,
Of the human love attached to bring you closer;
And like your tender love behind the coconut tree.
Many are to learn from my poetry and,
Like the expressions of my mind from a realm;
For it is all about love and peace on this earth.

This is all about love and life,
This is all about love and peace,
This is all about love and care,
This is all about love and joy,
For we have to express ourselves at all times;
So do bring your tender love to me my sweet one.
This love of a muse is about you,
This place of a care is about you,
This heart of a peaceful mind is about you,
And this special love goes to you always;
For it is like the thousand days gone by in the cold of love.

Where are your arms to keep me warm?
For i do think only about your tender love all day long;
And like the true love that will wake me up during the summer.
Your tender love is all that i need so,
Bring up your love to me that it may muse with the golden tree!
For my mind is on you always that,
I will be there always to love you with the kisses from a realm.

Edward Kofi Louis
Bring, Ring!

Bring, ring!
Rring my bell and,
Let me see your ring;
For, the marriage supper is ready for you to taste my love.

To, tote!
With the toll of life;
Land, Island!
But, no man is an Island.

Stars, starts!
To start everything with the sweet muse of love;
And, to be much focused for the future,
Without hatred and war.

Saw, say!
To see the ways of life and,
To say someting about it;
But, with muse respect to all mankind.

Edward Kofi Louis
Bringing About Peace And And Joy

Love!
Like the moonlight;
Love!
Like the morning light;
One love,
One heart,
One mind;
And, being human without any war.

Love!
I can't live without you;
Life!
I can't live without love;
Love!
Simple clever;
Bringing about peace and joy.

Easy credit,
Easy way;
Lovely questions,
Lovely answers;
Like the longest river in Africa,
But, let there be peace and love among all of us.

Blue lights!
Red lights,
White lights;
Sit, transit!
But, being very different in many ways;
With the positive character of life.

Edward Kofi Louis
Bringing Joy To All

Love,
Bringing joy to all;

The muse of life and the muse of love,
Beforehand with the muse of the truth!

Life,
Seeking and leading all towards peace;

The muse of life and the muse of love,
With gladness of the hearts.

Edward Kofi Louis
Bringing Joy To All  

Light of life,  
Light of peace,  
Light of love,  
Bringing joy to all!  
With the bright sight of the truth.

Edward Kofi Louis
Bringing Joy To The Land

Love!
Where have you been since all these years?
Searching for in the land of the living.

Love!
You are not the only one with the torch;
For, a am also searching for you with a torch in my hand;
Hoping that, one day, i will find you to touch your heart with my love.

True love!
That's the beginning;
Reaching out to the hearts and, bringing joy to the land.

Edward Kofi Louis
Bringing Light To All

Love!
Your light has come with the glory of the laws;
Guiding and leading the ways of the truth.
Love!
To see and to shine forth;
With the truth of the laws.
Love!
Bringing light to all;
With peace and gladness.

Edward Kofi Louis
Bringing Light To All    II

Iron is removed from the earth,
Copper is smelted from ore;
And, gold is refined!
But, there is always a smelter for silver.
To all gray headed fathers,
And, to the living things under the waters;
Learn the ways of the ant and be wise,
And, don't let the truth crash you down.
Will there be life for tomorrow?
Will there be peace for tomorrow?
Will there be love for tomorrow?
The muse of the truth,
To hear and to know about it;
And like the sight of the rainbow in the sky.
A time period,
A time sequence,
A time segment;
Like the muse of a lamp-stand!
Bringing light to all.

Edward Kofi Louis
Bringing Much Hope Into My Life

Edward, you are a great person!
Touching my heart deeply with your sweet love;
Bringing much hope into my life.

Edward Kofi Louis

With peace and joy!
Moving along with positive morals.

The project of life,
The projects of your life,
Start your projects today to gain your future.

One in a million!
Leadership is with love when,
The laws are accepted;
So, start your projects today to gain the future.

Love is healthy!
And, it brightens your life;
So, try to conquer life with the muse of love and,
Bring peace to all mankind.

Edward Kofi Louis
British Pie

Fish and chips!
With the muse of the British Pir in view;
Eating your fish,
Eating your chips,
With a common endeavour in the land;
And, with the mus eof your tradition.

Edward Kofi Louis
British Tea And Gaddafi's Coffee

1811,1911,2011;
Muse up with your mkind to know your history,
For the wars around us today cannot lead us in peace.

British Tea and Gaddafi's Coffee!
The bombs came falling as the bullets scattered around! 
And many dead bodies were recorded;
But today, Gaddafi is dead and gone!
And like a recorded history with the muse of the mind.

Edward Kofi Louis
British!

British!
Briton;
Brythonic,
Historical.
Rise, surprise!
Dancing around;
Deep-rooted.
Hours of solitude,
Tossed endlessly,
With the muse of history.

Edward Kofi Louis
Britta

It's raining cats and dogs in your land! !
But, my time will come and,
My works will be noted worldwide;
Then, i will find a way to save you oh, my sweet Britta!
For, i am always there for you.

Edward Kofi Louis
Brittany

Brittany, ant, tan, bray, bay, brain, in, rain, ray, bit!
But, know yourself and control yourself always to overcome the sins of this world;
The very sins of youthful lusts as found around the world.

A sister,
A brother,
Ability!
With a miracle itself;
But, try to live in the light than, with the darkness of the sins of this world.

Strength! !
Power,
With the muse of the wonderful works of peace,
But, know yourself and control yourself to overcome the sins of this world.

Edward Kofi Louis
Broad Daylight

My DNA,
My life,
My muse,
My mind,
My name,
My works!
Outside and inside;
Presented to the world,
In broad daylight.

Edward Kofi Louis
Broad Vision

Broad vision!
On a mission;
With the transmissions of life,
Knowing where to put my feet.

Locomotion!
Emotions,
With the motions of life;
As I came out with my works.

Edward Kofi Louis
Broad Wall Of Love

Your sons have married their daughters and,
I am now on the broad walls of love!
For the noble and generous men came in last night,
And the peasant field of your love is now destroyed!
But the enemy is ready to kill as well.

Edward Kofi Louis
Broadband

By this time of trouble and hatred,
On this day of love and passion,
With this hour of war and death,
But i have my mind still on you;
For truth backs up the facts and love crowns the day,
And i am lying on my bed lonely to write this poem.

Broadband of words and the broadband of views,
With the readers on line to catch up with my mind;
But how can we break this cycle of hatred around us?

Hatred, war and sickness;
I have connected my life to reach out to the realms! !
But, who will be on my side?

Edward Kofi Louis
Broadcast

Cast,
Broad!
Broadcast;
Last,
Mast,
Past.

Edward Kofi Louis
Broiled Fish

Broiled fish and honey,
Can a cock crow and not be heard? !
Black as coal and red as rose,
Salted with love for the light to shine in the darkness!
And like a voice being heard from afar.
Broiled fish and honey,
Green as leaves and salted with love;
And let him or her who reads understand this muse,
For the cock will crow again to our hearing.

Edward Kofi Louis
Broken

The legs of the lion are broken and,
The heart of the bard is broken as well;
But, who is responsible to these acts?
Marriage is a binding contract but,
Adultery seems more rampant than ever.

The lover of giving and the lover of taking,
Quickly noted with my talents to pave the way;
And, out of faculty meetings and out of marriage vows!
But, the legs of the lion are now broken.

Confused and devastated!
But, the romantic poems flows to keep the mind;
For the experiences of the inner calmness are long overdue,
And, a kind statement is now needed on the heart.

I will not yield,
I will not rest,
I will not relent;
But patience is the virtue on this love!
However, the legs of the lion are now broken and,
The heart of the bard is broken as well.

One-third positive and two-thirds negative! !
Negativity carries the vote at times around us;
And like a moving bullet towards its target!
But, a perfect example like this will destroy the home;
For, my days are well noted with the virtues of love.

Edward Kofi Louis
Broken 2

Broken ceramic plate!
Into four pieces;
Muse,
That day!!
And it fell out of your hand.

Edward Kofi Louis
Broken Bars!

Despised,
Languished;
Sunk unto the ground.
Broken bars!
With no laws in the land;
No vision,
No mission,
But, with the emission of evil thoughts!
As everyone fights against his or her neighbour;
In the name of illegal lust.

Edward Kofi Louis
Broken Down

Separation,
Broken down!
And you came into my life;
To help me,
To lift me up! !
Able to stand up once again.

Edward Kofi Louis
Broken Heart

Sore,
Core,
Weep!

Juice,
Ice,
Tears!

To weep,
Tears of love,
Broken heart.

Edward Kofi Louis
Broken Into Pieces

The fall!
From the chair;
And, the plastic chair was destroyed,
Broken into pieces.

Livelihood,
Implications,
Vicious cycle,
Poverty.

Pointed out!
The breakdown,
Suprisingly! !
Unexpected.

Minced,
Treated,
Feeling the heat!
Unfairness.

Edward Kofi Louis
Broken Love

Broken silence,
Broken love;
Love and pain!
Hurt and pain,
Going through life.

Edward Kofi Louis
Broken Through

You have broken through all her walls,
Her walls of love;
The strongholds of her peace.
Sword!
With your word;
To stand in the battle,
With the muse of your works.

Edward Kofi Louis
Broken Up

Great deep! !
Broken up;
Fountains,
Like mountains;
The windows were opened,
Forty days and forty nights.

Edward Kofi Louis
Broken Up 2

Broken up! 
The skies distilled the dew;
Hew,
Grew,
Drew,
Few,
Like your stew!
With the muse of life.
Still with your love till the end,
Hill, skill, mill, drill, fill, will!
Not with the pill;
Not to kill your neighbour,
Distill your mind with the truth.

Edward Kofi Louis
Broken Wings

Broken Wings,
Waiting all along,
To fly once again.

Edward Kofi Louis
Broken Within Me

My heart is broken with me because of you,
And from Jerusalem down to Gaza;
But, try to make it according to the pattern that you've seen,
Because, the illusions of Satan are always around you.
Tense, intense!
Spending everyday;
But, have you seen the well to do? !
And like the war between nature and mankind.
The fog!
The frog,
The flog;
Battle of the five points;
However, my heart is broken within me because of you.

Edward Kofi Louis
Bronson

He acted like a mad man and,
He escaped through the guards for his lover!
So Bronson came in to give me the clue because,
He is my lover and i want him to be beside me.

Edward Kofi Louis
Bronya

Bronya, born, or, oar, boar, boy, bar, bray, bay, ray!
Retrogressing,
Management,
With the very ways of your acts in your land;
Lack of honesty.

Edward Kofi Louis
Bronze

Bronze, born, one, zone, or, ore;
But, let your life be polished like Gold!
By doing righteous works.

Edward Kofi Louis
Bronze Dragon

I have the bronze dragon with me,
So come for it if you care for my love;
And like all shades of gold in the land of gold.

Edward Kofi Louis
Brood Of Vipers

Wrath! !
With brood of vipers;

Act!
The axe is already laid against the roots of the tree;

Urge, purge!
With a rod of iron; as they failed to
respect authority.

Edward Kofi Louis
Brook

Brook,
River,
Dream,
Valley! !
Book,
Hook,
Look;
Only with the truth.

Edward Kofi Louis
Broom Tree

I am sitting under the broom tree watching you,
And you came along to the entrance of my love;
But like the book of the chronicles,
I will still record what i see from here for others to read.

Sheath, heat, hat, he, as, at, has, she, the, heal!
Sitting under the broom tree to see what you are doing;
Sheath, sat, eat, ate, hate, sea, ale, seal, tea!
I'm sitting under the broom tree watching you;
And like the book of the chronicles to respect your muse.

Edward Kofi Louis
Broome

The love,
The desire,
The attention;
And to ve in unity with you oh my sweet Broome!

Peal, leap;
Meat, team;
Now, won;
Dam, mad;
Pale, peal;
Raw, war! !
But, my joy to Broome is like the new moon.

This love,
This muse,
This attention!
And to Broome my lover.

Edward Kofi Louis
Brotha

Its free! !
So, start it now;
Its free! !
So, have it now;
As a pen moves along the paper,
But, i am Brotha and,
You love me.

To feed your mind with the truth;
Seed,
Need,
Reed, creed!
With righteous morals.

Edward Kofi Louis

Brouhaha

Brouhaha, hour, our, rob, rub, bar, bur, hub, boar, aor, hob;
To fall into the river!!
But, you were located and helped by the fishermen in the town,
Who were fishing by then.

Muse, love, life!
In the quest to establish the fact;
True love!
With genuine openness;
As the fishermen came to your aide.

Briefing!
Rounded up;
On safer grounds,
However, panicking and in grief after the fishermen got you out.

Edward Kofi Louis
Brow

Brow, row, bow, or, rob!
And like something in the soup of love;
But you have deceived the whole world with your works.

Rabboni,
Translators,
Retained!
But they will kiss each other;
And like the work of the social group around you,
But the juicy first kiss is still in your mind! !

Edward Kofi Louis
Brow, Bow, Row!

Company,
Compassion,
With love;
Brow, bow, row!
True love is a wonderful thing;
Ready to care,
Not to hurt.
True love is more precious than emeralds!
In a soft and low voice,
Deep inside your heart,
Taking you along,
Showing you the wonders of life.

Edward Kofi Louis
Brown Beer

Wood, food, hood, mood;
And like a very dark brown beer!
But obligate yourselves to women in marriage and,
Listen to my muse when i write.

Brown Beer,
Mean are ready to use women! !
But they fail to take up the responsibilities of their children.

Brown Beer,
And this is like the border between Mexico and California!
But try to take up the responsibilities of the children of these women.

Edward Kofi Louis
Brown Envelope

Take the brown envelope and open it,
For it contains what you really need to survive! !
And like the muse of your sweet love,
But blessed are those who understand the sounding of the trumpet.

Edward Kofi Louis
Brown Envelope 2

The brown envelope,
Waiting for it;
Before any other thing,
Because, it contains the secrets.

Each tear in my eyes are shed for you;
So come and plead my cause and set me free with your experiences!
For i am the brown eye girl nex tot you,
And i want you to lead me with your peace.

If i ever fall don't cry,
For my criminal lawyer left me last night;
But one busy night is not enough for me.

You can't do what i do and,
You don't know how to do it!
For my show time runs this town,
And the deepest point of love is what you need.

Night vision,
Life is like a movement in space!
But do love my flow when the wind blows you about,
For i am the brown eye girl next to you;
So take me as you do see me.

Like the crown of life.

Conformed,
To take in brown sugar for your health.

Edward Kofi Louis
Brown Sugar For My Tea

On this earth,
Man has dominated man to his injury!
But let me have brown sugar for my tea,
For the echoes of the beach are closer to me.

The syndicate,
Pay it all back to save my name;
For the goat-stew is now served on my table.

Edward Kofi Louis
Bruce

Bruce my lover,
Love allows us to transform life into paradise!
And we create our own reality based on our beliefs.
So wake up my lover and learn from this muse,
For you can't sleep in total darkness without this news!
But look before you leap in life.

Edward Kofi Louis
Bruised

A bruised reed i will not break and,
A smoking flax i will not quench;
And, i am here only for your true love!
And, to pull ears of grain and to eat them with you.
Pull, full, dull, cull, gull, hull, lull, mull, null!
But, a bruised reed i will not break;
Because of the muse of your sweet love.

Edward Kofi Louis

With the wicked acts of men;
And the river darkened,
Sadness.

Brush,
Rush;
With the muse of your comb;
Fantasy,
Not to crush! !

Edward Kofi Louis
Brush, Rush!

Desired,  
Calculated,  
Behind the dashboard;  
Brush, rush!  
Accelaration and deceleration;  
Wider and straighter! !  
Farther apart with the muse of love.

Brush, rush!  
Obsolete,  
This sign,  
This signal! !  
Disengage;  
With the desired sped on this love,  
Behind the dashboard.

Edward Kofi Louis
Brutish

War!
Brutish and foolish;
Doing the works of the Devil.

War!
With the evil ways of mankind;
As one kills his or her neighbour.

Edward Kofi Louis
Brutish  2

Violence! !
Evil act,
Brutish;
Because you hate correction.

Edward Kofi Louis
I am blind and mute to this world but,
I do write that the world may also learn;
For Bryan is my name and,
I desire mercy and not sacrifice.

Edward Kofi Louis

With the muse of your luggage.

Eye brows,
Attention!
Adventure,
Your height,
Exploration,
About this love;
A drastic change! !
facing the ways of life.

Edward Kofi Louis

Bubbles! !
Soap,
Sport in the city of love;

Enjoying the status of your works.

Edward Kofi Louis
Bucket Challenge

Locket, rocket, bucket, casket!
Waters,
Waterfalls,
Bucket challenge,
Cold water,
With water in the bucket;
Sold in your land,
Because, your name is your capital.

Old faithful yellow stone!
I see you and you see me;
Like dancers in the land,
Dancing with the joy of their hearts.

Let the bridegroom and the bride take a ride over the bridge of love!
Hope is the way;
Because, the glow of true-love lasts forever.
Once upon the mountains of love!
With hopes and dreams;
Holding on till the end.

Edward Kofi Louis
Bud And Blossom

Love,
Bud, and blossom!
With the aroma of peace;

Love,
To bud and blossom!
With the aroma of romance;
And, with the joy of your heart.

Age, lineage!
With the muse of your land;
And, with peace and gladness.

Line, lineage!
Diamond,
Quality,
To bud and blossom;
With the joy of your heart.

Edward Kofi Louis
Bud, Thud!

Medical care,
Pen, pending!
Enquiry,
Verification,
Bud, thud!
Yet to ve tested;
Assuring,
Ensuing,
But, proven positive.

Zoo, too!
Medical care,
A positive result;
Urgently looking into it! !
And, from the only substance available.

A lifejacket!
Involved;
To provide assistance,
And like the muse of owners and managers.

To the Portuguese Port of Funchal on the Atlantic Island of Madeira!
Around 12: 00 GMT;
And, to take care of your health.

Rear ear!
Like Moses taking Isreal out of Egypt;
Rear, pear, ear, dear, hear, gear, bear, fear, wear, sear, tear, year, near! !
Secede;
But, little things define great coaches.

Years of more research!
Little things define great writers;
And, patience moves mountains.

Bud, thud!
Medical care,
But hold the horns and gain stability;
For, little things define great teachers.
The bull walks along the narrow path today,
With prisoners of wars around us;
But, little things define great artists.

The sign of peace,
The love of the mind;
The sign of joy!
The love of the heart;
To the Portuguese Port of Funchal on the Atlantic Island of Madeira!
But, little things define great thinkers;
So, try to return the hearts of the fathers to their children.

Edward Kofi Louis

Budded,
Blossomed;
With the joy of nature.

Edward Kofi Louis

At your own free will.
Safety first! !
At the night time;
Virtually with the muse of your mind,
And to protect yourself.

Edward Kofi Louis
Buffon

Buffon, on, of, off, no, fun;
Of, off!
Legislative,
Dressed, addressed!
Instrument,
Nation, regulation!
To receive the muse of love with the guidelines.
Love!
This revelation was made known through your act;
Try, industry!
To regulate,
Like the muse of a six-story building in view;
And, to get peace under the Guidelines of the laws.

Build the house with love,

Clean your room With joy,

Present your home with peace,

With the message of the truth!

And, righteous works.

Edward Kofi Louis

Lust!
Of your won selfish gains;

List!
To be exposed in the land of your muse;

With your negative acts!
With the build up of hatred in your heart.

Edward Kofi Louis
Building

Following,
Bringing,
Among;
Building!
But, it is taking place to satisfy your muse;
And, with my sweet love.

Sweet, sweat!
Guide me on to reach your home;
Feet, feat!
Guide me on to reach the top;
Of the creation,
Of the whole realm;
But, distinguished.

Building,
Of himself and of herself;
Guiding,
With the muse of love!
But, it is now taking place in your room to satisfy you;
However, you need to guide me on to cross this river of love.

Edward Kofi Louis

22,000 bulls and 120,000 sheep,
Come to the land of my wealth and let me offer you a drink;
For i am ever ready in my life and,
I want to teach you the secrets of my success.

Edward Kofi Louis
Bull, Bullion!

Suavely!
Viciously and mischievously;
Bull, bullion!
ith the muse of your negaitve acts;
In your land.

Alumnus!
To jump the gun;
And, to hop onto the next act.
Fraught!
With sticky questions;
but, quite intriguing.

Bull, bullion!
Of a collective crime;
From crises to crises,
Lurching! !
In disarray.

Edward Kofi Louis
Bull, Full!

Bull, full!
To follow the ways of life;
To respect nature,
To respect the ways of the truth,
To live in peace,
With unity of the land.

Edward Kofi Louis
Bullet

Bullet, let, but, bet, belt, tub, bull, be, bell;
Politeness,
Witness,
Gladness,
Before the meeting of your muse!
But, this beautiful gate was hit by a bullet yesterday.

Edward Kofi Louis
Bullets!

Bullets!
War,
Weapons of war;
Fights,
Killings! !
But, is the right way of life?
Then, let us think twice;
Beacuse, war is not the answer to peace.

Edward Kofi Louis
Bullie

It went through the other side,
But i am Bullie with the mystics of my mind;
So don't cajole me with you sweet lips and kill me with your sword.
I am always playing with my mind and i will like to sail along with you,
But with loving and caring arms to swing along with your muse;
For i am like an open door to the traveller,
But don't cajole me with your sweet lips.

Edward Kofi Louis
Bulrush

Bulrush,
Caldron,
Implication!
With the muse of the kettle in the stove;
A burning fever,
Justice! !
Disunuion,
Heresy,
With your choice.

Edward Kofi Louis
Bun, Ban!

Rental space,
To be certain;
Bun, ban!
With the unfolding story.

Shell, bombshell!
Laid to rest;
Of the dead,
In the land of the living.

The alleged racket!
Deftly;
Alluding,
Rocket, racket!
In depth and breadth.

Fan, fun!
Embarrassing racket;
Relish, dish, fish!
needless to say it.

Bun, ban!
With a canine-steak in hand;
Consecutively! Inderwritten;
With the muse of illegal lust.

Edward Kofi Louis
Bun, Spun!

Every skilled man,
Every skilled woman,
Every skilled child;
Bun, spun!
Willing hearts,
Peaceful minds,
A free-will offering;
Commanded to be done,
With wisdom and understanding.

Edward Kofi Louis
Bunkers

Bunkers! 
They can be seen; 
Along the coast, 
In a land.

Bunkers! !
Still standing after the Second World War; 
Word, world! 
Along the coast of Denmark.

Edward Kofi Louis
Bunny Wailer

Half way in and half way out,
I am like Bunny Wailer in the land of your joy!
But be very wise like two the hard way,
For Rome was not built today.

Edward Kofi Louis
Burden

Burden, bed, dud, den, run, rude, burn, red, due;
And like the time machine of your life!
But, it is also like soldier-crabs on the way to the sea;
Because you failed to marry me! !

Love and peace,
And for every 17 years!
But, who can stand this burden of your life? ! !
For the big animals live longer than the small animals,
And like the muse of your love in the land of joy.

Burden, rend, end, dub, bud, rub, ruin, rein, bur;
And like your sweet love in the rain!
But you failed to marry me,
And the soldeir-crabs came along to expose your muse to me.

Edward Kofi Louis
Burden 2

Spell! !
Burden,
Derivation,
Overcharge,
Seducer!
To wail.

Edward Kofi Louis
Burden 3

Burden! !
Too heavy to carry,
The load of life,
Along the road.

Edward Kofi Louis
Burden!

Burden!
With the depths of Satan;
Your countenance has fallen because of your anger.

Edward Kofi Louis
Burden! !

Moral filth!
Brawler,
To weigh down,
Burden! !
Trouble,
With the works of the terrorist!

Edward Kofi Louis
Either!
Neither,
Otherwise,
Whether,
Whatever!
Wherever;
Burdensome.

Dwelling place,
With! 
Without;
Hence,
Whereby!
Shaft,
Craft,
Something!
Somewhere.

Store,
Restore,
Reconstitute;
Visage! 
Face,
Ace,
Pace!
With the muse of your age;
Race!
To embrace;
On stage with your works.

Page,
Sage,
Passage!
With the muse of life,
With the romance of nature,
With the colours of creation,
With the flavour of your language.

Burdensome,
The odds!
Facing life;
Blue walls and red roofs! !
Green doors and black windows;
Seeing a round pot in front of your house,
Very hot! !

To evaluate,
Living in the land of clouds! !
But, allow the truth to take the lead;
Able to teach you better,
With righteous morals.

Edward Kofi Louis
Burhan

Cut your coat according to your size and learn to ways of life,
For the muse of love is always guided by the peace of the mind.
Live positively and learn from others as well,
But the right things in life should be done always!
For there are rules and regulationbs and,
I want you to be educated by them as well oh my sweet Burhan.

Edward Kofi Louis
Birth,
Death,
Burial;
Coming into the world with nothing and,
Going away with nothing.

Edward Kofi Louis
Burial 2

We came in and saw her death,
Ready to help for her burial;
In the name of the traditions of the land.

Edward Kofi Louis
Buried

Yahshua Ben Nun was buried in the hill country of Ephraim,
Like the flint knives of circumcision;
But Hebron was given to Caleb after he drove away the sons of Anak.
Like the marriage among cousins,
Like the marriage among relatives,
Like the marriage among tribes,
Like the marriage among the same clan;
But today, the Yebusites and the Benyaminites are in Yerusalem.
Of the Amonites, Perizzites, Canaanites and Heittites;
Of the Girgashites, Hivites and the Yebusites;
Yahshua Ben Nun was buried in the hill country of Ephraim.
One at war! But today they are living together;
With the works of the Creator to put us in order.

Edward Kofi Louis
Buried II

Womb,
Bomb!
Tomb;
Buried,
Because of hatred and war.

Edward Kofi Louis
Buried By The Times!

Buried by the times!
But, let this image come out;
And like the paintings on the walls,
For, she was long dead by the wars.

The lines!
Dismiss, miss, kiss, hiss;
But, how was it possible? ! !
And like the story at page one,
However, the actual facts are now with you.

Edward Kofi Louis
Buried Iii

Womb,
Birth;
Comb,
Hair;
Bomb!
Dead;
Tomb,
Buried.

Edward Kofi Louis
Buried In A Casket

He shed innocent blood in his land and today,
He lies in a casket!
Bury him in his own tomb because,
he came out of the womb with hatred! !
And the bomb landed on him for what he did in life.
He provoked us to anger and did evil in our own eyes!
So were the souls of the innocent blood gone by as well;
But, he is now buried in a casket.

Edward Kofi Louis
Burma Camp

Don't put your eggs into one basket,
Because wise people do not talk anyhow;
And I do cherish the love of your muse.
Scholarship and leadership,
The month of the rat and the month of the rabbit;
To Burma Camp I do recollect my past,
And from one judge to another!
For the retired army officers are still fresh in my mind.

Edward Kofi Louis
Burnett

Give careful attention to your health and eat the right food,
And like the College of Obstetricians and Gynaecologists;
But i am Burnett with the muse of your love and,
I am here to teach you better.

Edward Kofi Louis
Burning

Fire for life!
Burning;

Fire of life,
Learning;

Black holes! !
In space;

Nose, knows!
The diagnose;

Souls and blues,
Understanding the universe.

Black holes,
In space;

Numbers and colours,
Still learning in earth;

Minds and hearts,
Lovers and heartbreakers! !

The nix,
In the mix,

Trying to fix things up;
With the melodies of life.

The status of nature!
Right and wrong;

Choices! !
Still learning about the universe.

The black holes,
In space;
Wire, hire!
The fire of life;

The test of life,
Best with the truth;

Going along,
Understanding the ways of life.

Fire of life!
Burning;

Wickedness of war! !
Destroying;

Shadows,
Wallows,

Pillows,
Willows,

Arrows!
Narrows;

Fire of life,
Learning;

About the black holes in space,
Able to understand the ways of the universe.

Edward Kofi Louis
Burning 2

Burning! !

Horns of hatred,

Thorns of war!

Destruction.

Edward Kofi Louis
Burning Ashes

Of tears and the sweat in the day of agony,
A virtuous woman is not easy to come by;
Like our legs to war without a clue.
What was that all about?
Of an immunity but not impunity,
Of an impression but not impassive,
Like two from a country to uncover where the gods spew fire!
Of their mysteries,
One from a tribe;
To name the country of this child like,
Our tears and sweat in the day of agony;
Like the clouds of burning ashes.

Edward Kofi Louis
Burning Bush

I cried unto you my love with the voice of romance,
But you were nowhere to be found in the burning bush!
So I laid down and slept my night in sorrow,
For the morrow comes with its own wonders.

Clap your hands if you still love me,
For I need your love to carry on the day;
But I still don't know where you are!
If not, I am ready to go out looking for you all day long.

Edward Kofi Louis
Burning Desire

Burning desire,
Love;
With the muse of life.
The desire of the truth!
The desire of peace;
The joy of the heart,
With the ways of nature.

Edward Kofi Louis
Burning Thorns! !

Your tongue is a sharp sword!
Your teeth are like spears and arrows;
Destroying and killing,
Burning thorns! !
With the muse of evil works.

Edward Kofi Louis
Burning Up!

Burning up!
Your love is on fire;
With hatred and war.

Edward Kofi Louis
Burnt

I have burnt my hand enough so,
I don't want to put my hand into this fire!
For your love is in the air and,
It is too dangerous to me like a bird shot dead.

Edward Kofi Louis
Burnt Alive! !

Burnt alive! !
With hatred and war;
Because of the wickedness of mankind,
And, sin is the way of the people.
The world love sin!
With people doing what they think is right in their own eyes;
But, these acts of wickedness will never bring peace to the world.

Edward Kofi Louis
Burnt By The Fire!

The law says: 'Do not put your hands into it'!
But, you did;
And now, you are burnt by the fire!

Edward Kofi Louis
Bus, Busy!

Bus, busy!
Along the busy road;
Complexity!!
Like a surreal dream.

Sure, surreal!
Pretty,
Lovely,
With the stripes of life;
As one moves along the road.

Real, surreal!
Vintage;
With the day of true love,
Along the busy road.

Bus, busy!
Along the way;
of the busy road,
Like the muse of a pious Knight!!
But, with the reflections of love.

Original!
With hearts in love;
Along the busy road,
And, to drive along confidently.

Edward Kofi Louis
Bush Rape

Bush rape!
Gang rape! !
At night,
In the bush,
Evil! !
Evil act,
Horrible!
Horrible act,
Bush rape,
Gang rape,
And they raped her! !
The teenager,
In the bush;
Men of evil acts,
Always working for the devil,
Destroying the earth with their evil works.

Edward Kofi Louis
Bush, Brush, Rush!

Your day-to-day activities,
To design the ways of your life;
With a positive sign ahead of you.

Bush, brush, rush!
Across the world with your creative works;
Passionate about your profession.

Faces, facets!
With a sense of humour;
Such a lovely place,
but, it can be expensive in a life time.

Bush, brush, rush!
To open and close;
With the muse of your long round trips,
Having the tips of life in your hands.

Edward Kofi Louis
Bushido

Bushido, is, so, bush, sub, bus, has, his, as, ash!
With the muse of his works,
Noted by the people,
In the land of many waters! !
Life,
His life;
To be an example,
With positive morals!
Living in peace,
To overcome his sins.

Edward Kofi Louis
Business

Business means hand in hand,
So why talk about business when you do not understand it?
For we need to invest into it!
Then we can easily enjoy the returns together.

Edward Kofi Louis
Business 2

To perform the king's business;
Bringing the laws of the land to all.

To perform the queen's business;
Able to teach others how to dress properly,
Without exposing their nakedness to the eyes of the public.

Miss, bliss!
To uphold the laws;
of moral characters,
With the works of the truth.

Net, nettles!
A sea turtle never lost its routes from coast to coast;

Ram, brambles!
A wind of change;
Able to face the truth with righteous works.

Edward Kofi Louis
Bussed

Bussed,
Impact,
Exposed;
And like the lie in your lifetime!
But try to lead a positive life like my muse,
For the hands which weaved the handkerchiefs are now against you.

Edward Kofi Louis
Bussey

Bussey, bus, Sub, me, use, sue, yes!
With the great deceptions of life around us today;
Where, the truth is always covered with lies.

Lust!
Living with Satan's plans;
Without the laws!
Spreading from nations to nations.

Act!
To deal with the menace;
Lust!
Of deaths and injuries;
Lust!
In fierce gunfights over concessions.

Lust!
Under siege;
Lust!
Bemoaned;
Lust!
To look on unconcerned.

Lust!
Decimating the Country;
Action!
With urgency;
Lust!
Bewailed;
With what is seen around us today.

Edward Kofi Louis
Busta Rhymes

Be yourself! In life;
Understanding the ways of nature,
Serving all mankind with the joy of your heart! !
Teaching the truth;
According to righteous laws.

Respect to all mankind and live in peace!
Here on earth to share with others without racism;
Yearning for the truth always,
Managing the affairs with righteous characters;
Expanding your mind with positive morals,
Servitude and attitude to enhance your status.

Edward Kofi Louis
Busy Around You

13 years old in the field! 
Smaller, 
To give in; 
But, to swing around with the wings of love.

Your body, 
With your muse; 
Your mind, 
With your love; 
But, the bees are also busy around you.

Edward Kofi Louis
But She Painted Her Eyes

Stumble,
Tumble,
Fumble,
Humble;
The wicked borrows and does not repay!
Vanish,
Scorn,
Strangers,
Suffered;
From down under!
But she painted her eyes and fixed her hair,
And we were alike on this muse.

Edward Kofi Louis
But With Care

Bare,
Rare!
But with care;
Sharing your love around.

Edward Kofi Louis
But, Butt!

This malicious world!
With a hidden light in the dark;
Working and finding a way towards peace than war.

Lake, leak!
Baffling;
With street folks,
Like the dreg and the end butt of repression.

Acrimony,
Out, outreach!
Confirming the incident,
With the muse of the accident.

Approached,
But, butt!
Sharp on both edges;
And, to cut the nose to spice the face.

Edward Kofi Louis
Butter And Cheese

Butter, and cheese,
Maybe you will dream of me;
But, call me when you need me.
The steps!
Your steps,
My steps;
But, do stop and think.
Love!
With the first kiss;
One day you will dream of me.

Edward Kofi Louis
Butter And Honey

Life,
To eat butter and honey;
So that, you may be able to refuse evil!
And, to choose righteousness.

Of a young cow and two sheep!
With the abundance of milk;
And, to eat butter and honey,
In the land of the living.

Love,
To a place where oxen are let loose to pasture!
love,
To a place where sheep are let loose to roam about;
And, like the muse of a faithful witness.

Love,
To rejoice!
And, to let it flow out softly;
With the muse of butter and honey.

Edward Kofi Louis
Butter And Honey To Your Muse

Love!
With butter and honey to lead the way;
Guiding your muse and giving you understanding.
Life!
With butter and honey to your muse;
Helping you to understand the ways of peace.

Love!
Like the facts that we know;
Love!
Like the acts that we know;
Life!
From the sunshine;
Leading the day for us to see.

Edward Kofi Louis
Butter And Whey

Health and joy!
Milk and honey;
Peace and wealth! !
Butter and whey;
To utter the words of love,
For the unity of the earth.
Stages!
Changing phases;
But, the truth lives on.

Edward Kofi Louis
Butter, Better!

The screen,
To see it;
With the importance of life.

Butter, better!
For your health,
Gaining the works of peace in your land.

Options of life,
The ways of peace;
But, love is the key! !
And, the truth is needed in all things.

Edward Kofi Louis
Bitter life,
But, stand up with the works of the truth and live;
With the works of righteousness,
For the peace of the earth,
Butter, better!
With the zeal of life and, the quest of love.

Edward Kofi Louis
Butterflies

Butterflies playing with flowers!
To respect the muse of mother nature;
In the garden of beautiful colours,
Here and there with peace and joy.

Edward Kofi Louis
Butterflies 2

In the garden of love, peace and joy!
Butterflies seen around playing with the beautiful flowers;
With all the colours around to respect mother earth.

Edward Kofi Louis
Butterfly

Deep ocean,
Deep love,
And like the drummers and the dancers!
Deep ocean,
Deep love,
And like the butterfly in your garden!
But, in the passage of time.
The Chinese letters,
The elephant,
The soldier ant,
The tortoise,
Art talks! !
Pure, sure, cure, lure;
And like a jump into the world stage!
But i am as calm as the butterfly in your garden.

Edward Kofi Louis
Buttermilk

In friendship,
In relationship,
In love,
In unity and,
With the muse of peace to all mankind!
But, let the buttermilk remind you and guide you on;
For your health and, for your joy.

Glad to have you back on my love;
Story, promontory!
With the African Company;
And, to realise this vision.

Verse, serve!
Conveyed,
Identified,
received;
Arthur, art, at, tar, hut, hat, rat!
Patronised,
Buy, busy!

Spotted.

Edward Kofi Louis
By Night

Walking by night,
With a staff in the hand;
And, to point the tip of it to direct a stranger!

Life,
Avoid a dispute and live in peace;
Because, any fool can start a quarrel.

To revile! !
For a person who doubts is like the wave of the sea;
So, seek the path of the truth and,
Go along with the peace of your mind.

Edward Kofi Louis
By Night On My Bed

Love,
Thinking of you always! !
By night on my bed;
With the secrets of life,
With my mind at rest,
You are beautiful and delightful.

Life,
Living a better way with the laws of peace;
With something positive to look forward to!
You are always on my mind;
Thinking of you always,
By night on my bed.

Edward Kofi Louis
By Someone

Every house is built by someone,
So do not harden your heart because of my words;
For today if you will hear my voice,
Then know that i am closer to you than you thought.

Edward Kofi Louis
By The Fire Side

A message to both the old and the young,
And by the light of the old lamp;
But living a life of the eger industry with a work,
And like a father and his son.
Patient to the mind enforced,
And like a mother and the daughter in the bush;
But my nephew and my niece are here to stay,
And by the fire side with the muse of love!
Brothers and sisters and of the story told to us,
I am the one to save them like the tenderness of gentle hands;
For Michael, Eunice, Edward and Martha wre all around.
Winds and minds,
The meaning of this love is all about my muse;
And of the hardships painted to us like a mosaic.
Of your joy and your freedom like a worker,
And of your skills and courage like a timber!
With so much incidents upon my way,
And of the pleasurable feelings like a blind date:
But she was like a woman with a stirring life.
The true romance is with pleasurable feelings on this side,
But as a proverb to its endless joy;
And like a service to all who gathered to hear my muse.
By the fire side,
I still remember those who loved me in my youth days;
And like a message to the young and old,
But my mind grew lovely on this earth to do my duty.

Edward Kofi Louis
By The Laws

Those who understand how to rule,
Will live by the laws;
Those who understand how to be ruled,
Will live by the laws;
But, the wicked ones will go against the systems always! !
For, they are not ready to live by the laws.

Edward Kofi Louis
By The Locks Of My Hair

The likeness of peace and the likeness of love,
And by the locks of my hair to be with you;
However, the heavens looked down upon me and,
The earth raised me up so high! !
And like the joy of the roamnce of love,
But today, i will dedicate my heart to you.

Edward Kofi Louis
By The Nile River

Repentance of past sins,
Into the deep to understand the status of life;

Affliction! !
Overcoming,
The muse of life;
Facing the odds!

Love and life,
By the Nile River;
A mile away with a smile!
The hope ahead.

Edward Kofi Louis
By The River Of Snakes

A message to the poor man's son,
Of blue eyes and red hair;

A message to the rich man's son,
Of brown eyes and brown hair;

Life,
To make the right choice and to change for the better.

Muse!
Living by the river of snakes;

Love,
Like two watermelons and a bucket;

Swinging in the river of snakes!
But, to make a mistake in life is always part of us.

Edward Kofi Louis
By The Rivers Of Babylon

Ethel in rags,
Seeking for you;
Once again,
But, what went wrong with her and Mr. Flint?

The posterity of life,
The passion of love,
There is time for everything!
Because, true love overpowers silver and gold.

By the rivers of Babylon!
Get on board now for the Zion train comes along;
With the muse of love and the aroma of romance,
However, those who make the Gods are like them.

The shades of dreams,
The shades of love,
The shades of money,
The shades of a kiss!
But, the truth is for free.

By the rivers of Babylon,
With the muse of a pool as a gift;
But, what went wrong with her and Mr. Flint?
And now, she is seeking after you.

Peace, love, joy, unity and care!
The passion of life;
With a land as your inheritance,
But, show love to all mankind without hatred and war.

Edward Kofi Louis
By The Sea Of Joy

Love,
By the sea of joy;
With the truth,
In the midst of the laws,
Bringing peace to all.

Life,
Put on love and bring peace to all;
Ray, array!
With the muse of the truth.

Love,
Being brough up with the sense of unity;
With peace and joy in the land,
Where the laws are kept.

Edward Kofi Louis
By The Songs Of The Wind

In darkness! !
And there are no lights around us;
To and fro!
Moving violently;
By the songs of the wind,
For the heavens above is now black.

You have spoken!
I have spoken,
Purposeful;
On my dreams,
Nor will i turn back towards my goals in life.

Into the thicket is my hope,
Moving along with my mind;
Listening to the songs of the wind,
With my life! !
And to overcome the odds.

Edward Kofi Louis
By The Stream

Plead, 
In the bush and more so! 
by the stream; 
Requested, 
During the week; 
But, he was punished.

Edward Kofi Louis
By The Truth

Love,
That which is known in you is manifested into the world;

Love,
With the pillars of the truth;

Knowing how to conduct yourself in the world,
And, with the ways of the laws.

Love,
By the faith and, by the truth!

By your ways and by your works,
With the sweet muse of life leading you always towards peace.

Love,
Bringing peace to all mankind!

With compassion and kindness,
Without racism in the world.

Edward Kofi Louis
By The Wayside

In the third hour,  
In the six hour,  
In the ninth hour;  
With two blind men yby the wayside,  
With a foal of a donkey.

Talents!  
To stay and hope for help;  
By the wayside,  
However, enter into the joy of my mind and learn!  
Deeply in touch with the muse of the world.

The truth!  
You will surely find it when you search for it;  
As the two blind men waited for help,  
By the wayside.

Life!  
Being on the rough road for many years,  
But, with hope;  
Still waiting for help,  
In the ninth hour!  
With the muse of the two blind men.

Edward Kofi Louis
A letter to the King of Salem,
My success today is all about endurance;

To the first veil,
Every person is loved by somebody;

To the second veil,
With the blood of bulls and goats;

To the third veil,
To be led away like a prize!

Men of blood,
Depart from us.

We were formed in the womb,
And being born;

The first cry! !
Like seeds by the wayside;
However, a tree is known by its own fruits.

Born out of fornication,
No wedding bells;
However, let all that you do today be done with love!
Like a polished bronze.

Oh life! !
My sorrows have overwhelmed me today,
However, five loaves of bread equals to twelve baskets of scraps.

Evil people do not understand judgement!
And when the wicked govern,
The people do mourn;

I am for peace but,
When i speak they are for war!
However, when the righteous in authority,
People rejoice.
Oh mountains! !
Hear my voice;
The rich man is wise in his own eyes.

To stand the test,
To understand life,
To be obedient in all things;
Affliction and anquish with many tears along the line!

Seeds by the wayside,
Born out of adultery!
Where lies the future?

The trap of the flowers,
By the wayside;

Years to salute you!
Even though, gone astray.

Love is not jealous,
Love is kind;

Oh western wall! !
Hear my cry;

Love is not boastful,
Love cares for others;

Quiet nights i do think of you,
True love never fails.

Edward Kofi Louis
By This Test

Of food in exchange of horses!
Of food in exchange for love;
In, Inn! 
In the land of your muse,
But, when is the summer coming back after the winter?

There are seeds for you so that you can sow the land,
Here is my sweet love for you so that you can become pregnant;
And like the sweet food of love in exchange of flocks.

Your years have been full of difficulties! !
But, my sweet love will change everything when we do meet;
And like the food of your love exchanged for cattle.

The famine is severe in the land that you came from!
But my love will guide you on and lead you along the muse of peace;
And like food exchanged for herds.

By this test!
With your love so sweet to carry on my work;
And like the days of the pilgrimage on this earth,
But, i do love you very deep in my heart.

By this test!
And of the sweet food exchanged for donkeys;
But, see that you do not quarrel on this love.

By this test!
And of food in exchanged for a piece of land;
However, i will know how much you love me when,
The rains come in at last.

Edward Kofi Louis
By Your Response

Mutter, utter!
By your response,
Because, she was the only one;
Act, active!
With your works;
Pass, passage!
With your age;
Art, artist!
With your mind;
Because, she was the only one.

Edward Kofi Louis
Byblos

Byblos, by, so, boy, bus, boys, sub;
The lust of life!
To play a sensual role as secret lovers in a new movie,
With the love of your muse so noted to us.
Time, maritime!
Chiefdom,
Base, basin!
Noted after the hunter in this village;
Academic!
With the muse of the pygmies of the land;
But, you are now to play a role in the movie.

Edward Kofi Louis
'Bye-Bye'

She's not after anything,
So don't find faults with her;
And, it is now time to say: 'Bye-bye'! !
Because, you've chosen a new lover;
But, this will not help you!

Edward Kofi Louis
Bye-Bye My Lover

Bye-bye my lover,
For you've now got another man;
And I am nobody to you again.

Edward Kofi Louis
Bye-Bye President Obama

Bye-bye President Obama!
History will always remember you;
In the name of your works,
In office,
For 8 years,
As the President of America,
Works and acts,
Your works and acts!
With the muse of your wife and 2 daughters;
Bye-bye President Obama!
History will always remember you;
Your name, 'Obama', is now very common in Africa!
Named after children born with your 8 years in power;
As the President of America.
Your name, 'Obama', is very common in Ghana as well;
The land of my birth!
Bye-bye President Obama,
Stay blessed and, may the Creator Almighty guide you and your family.

Edward Kofi Louis
Light!
Laughing after being kept so long in the dark;
For, my cry was not heard by the world.

Life!
Second time around;
With my love after seeing the light.

Love!
I am here today to listen to your voice;
Byron, on, boy, or, by, born, Roy, no! !
But, i am out of darnkess.

Edward Kofi Louis
Byte

Byte, by, bye, bet, yet, be;
With your hard work!
And, to be the one to win.

Forgotten sheaves of love!
On behalf of everyone;
Not only against flesh and blood.

Silver trumpet!

Let it snow;
So, call me soon and let me hear your voice!
And, show it out for me to be with you now.

Edward Kofi Louis
Call Me With My Name

Knock! !
And call me with my name,
I will open the door for you.

Edward Kofi Louis
Call My Name

The bold and the beautiful,
The young and the attractive,
The old and the less attractive,
Much of the pleasure of many and the act of money!
But, who will bear my grief and my loneliness?

To part wildly in pleasure with the sweet pain!
But i don't know who she is;
To swim wildly in the name of love!
But i don't know who he is;
However, they came along and shared the shelter of my single bed.

Could you be loved?
Yes! With more flowers and much scent from the roses;
For, i cannot explain how i do feel about you! !
And, they came and shared with me under the roof of my single bed.

Call my name and i will be there!
And feel free to be very creative with your muse on mine;
For this life is all about the pleasures of mankind,
But try to learn and know with the moves around you.

In this life,
Of this pleasure,
In this world,
Of my mind,
With your acts,
And of my own world!
But, try to say: 'I am sorry' when, you hurt someone;
For, the banana trees do not stand up straight always.

Edward Kofi Louis
Call My Name 2

When it is very critical,
Come to me! !
Call my name,
And i will receive you in my lovely arms.
Come into my room of peace and love,
Call my name!
Come to me,
To console your heart with the muse of the truth.

Edward Kofi Louis
Callan

Callan,
I touched your heart with my love;
And i will be there for you always,
Because you've got what i want!
You promised to love me forever and,
I am always ready for you;
But try to ve very focused on this love.

Edward Kofi Louis
Called

The call! !
You called;
And we met at the train station.

Edward Kofi Louis
Caller's Spring

And like the fresh jawbone of the donkey;
But i have made a heap over there for you to see!
And the kings came and fought for it,
However, this generation needs peace than war.

Edward Kofi Louis
Calling

Calling,
calling you out of the world;
For a single goal,
To the way of the truth! !
For, broad is the way that leads to destruction;
And, narrow is the way of the truth!
However, only the wise people find this way.

Edward Kofi Louis
Calling From A Land Beyond

I am calling from a land beyond with my mind to touch you,
I am writing from a land afar with my mind to teach you,
After days of obserance and of the thoughts of my acts;
For, the sun, the moon and the stars have now influenced me!
And like the World Wide Web.

The common denomination over the waters is about love,
The common denomination over the land is about love,
The common denomination among people ia bout love,
So, why hate your neighbour? ! !
For, we are living within nature's rules.

Of the mystics, of the realms, of the rulers, of the planets;
We are all living within nature's rules,
But, the Wall Street is getting bullish on gerontology!
However, i have got the 613 Laws to follow like the hairs of my head.

Edward Kofi Louis
Calling Sinners To Repentance

Calling sinners to repentance!
Because of the increase in premarital sexual activities on earth today;

The stars will fall from heaven! !
The moon will lose its light,
The sun will be darkened;
The end! !
Because of our sins.

War!
Your hands are defiled with blood;

Abortion! !
Your acts are defiled with murder;
Of the unborn baby.

Toiling in a relative obscurity,
Weapons! !
Destruction,
Death.

The Systems,
With the ways of mankind on earth;
Illegal lust,
Engulfed with the sins around us.

Edward Kofi Louis
Calling You

Love! !
Calling you;
From the rising of the sun to its going down.

Edward Kofi Louis
Callistus

Callistus, call, us, sit, sat, all, tail, sail, cut, cult, as, cat!
To ease back to normalcy,
With the muse of the sporting events around;
Seeing the people pushing luggage carts along,
And to pay more for the service around.

Edward Kofi Louis
Callixtus

Callixtus, call, all, sit, sat, sail!
Working day and night in your land,
Along the steps of life;
With the windows of peace in your country.

Stalls,
Halls,
Malls,
Cape, escape!
Under the umbrella of the truth.

Edward Kofi Louis

With positive morals;
Along the ways of life,
With the aroma of nature.

Edward Kofi Louis

Come and calm my soul to rest in your arms;
Cuddle me with your sweet heart and,
Let me sleep well with the dreams of love.

Edward Kofi Louis

Beauty is the way of life,
With the calmness of nature around us always;
But, let us all live in peace with each other.

Edward Kofi Louis
Calno

Calno, an, on, no, can, laon, coal, Cola;
Love,
With the muse of a valiant man!
Walking along the path of peace.

Love,
With the eiches from your heart;
And, with the peace of your mind,
Walking along the path of peace.

Deal, lead!
With the ways of the truth;
And, with the sweet muse of the smile on your face! !
For, it will come to pass,
Because of your works.

Win, wind, wing!
In the arms od love;
Like a glorious forest with the nests of joy and,
The peace of nature.

Edward Kofi Louis
Calumny

Pocket,
Rocket,
Podiatry,
Story, rectory!
Chiropody,
Here abd here;
Calumny,
Chant, merchant!
Wide opened.
Nonagon,
Podium,
Nonaggression,
Cold winter and hot summer! !
Being part of nature;
Callisthenics,
Nonaligned,
Bickering and quarreling will never solve a problem.
Nonalphabetic,
Look and style,
Nomination,
Nonchalant,
Warm, hot or cold!
Being part of nature;
Love leads to peace and, hatred leads to war.

Edward Kofi Louis
Calvino

Calvino, on, in, nail, vain, , vial, via, con, Cain, can, no!
The Talk Show,
Shopping Queen!
On tape;
Shopping King!
Crossing over,
Play, lay!
Going across the road to meet your lover;
But, this secret game of yours is now noted by us.

Edward Kofi Louis
Camels And Donkeys

Camels have played their parts in the desert banks,
For the human traffic had been mobilised with the help of the camels;
And of many years gone by on the desert rods to transport itwms,
With casting shadows on their various tracks as they move along.

Now or never,
Mankind had made used of the camels for long!
And like a camel ride at the tourist centres in Egypt,
So be my guest on the desert zones of Africa! !

I have never seen anything like this before,
But with their fellow mates as the donkeys to help them along at times;
For the monkeys at your homes are always ready to play!

Camels and donkeys,
Used from old and to the present time;
And like a picturesque speech to evaluate yourself,
But long in a queue from sunrise to sunset as they move along with heavy loads!

Camels and donkeys,
Feed them enough and they will do their works;
For the load carriers have nothing to say,
And they are the best animals around to help transport heavy loads along the desert routes.

Edward Kofi Louis
Camillo

Camillo, ill, mill, coal, mail, call!
Live from Abbey Road! !
But, Oliver Twist asked for more.
The body farm,
Deep space river!
Star Trek;
Visions,
And like a Californian kid.
Deep, bleed!
Demur,
Sphere, atmosphere!
Close encounters,
Here, sphere!
The wall of a secret olive;
Steam, stream!
But, there comes the sun along your way.

Edward Kofi Louis
Campaign

Campaign,
Supporters,
Administration;
Compromised with my love to swim in your Red River!
But to get my hope back is like the commemoration of the power of your love.

Edward Kofi Louis
The growth of the bears can be trimmed,
But the heathen worships what they do not understand;
And of the cultures of the earth so great to respect at last,
For you do have fortune tellers beside you.
Do not cheat others in business,
For Campbell is here to tell you the truth about life!
And like the Bushmen with their arrows ready for war.

Edward Kofi Louis
Can Beer

Beer is fermented in the exact same way as wine,
But love your can beer and i will love my wine;
Because, only the wine can be used at Yahshua's Memorial.

Edward Kofi Louis
Can We................?

Please, can we live together?
My quest on this love,
My request of peace;
The very question.

Edward Kofi Louis
Can You Hear Me?

Calling!
Can you hear me?
Pod, cod, god, rod, mod, nod, sod!
With the muse of the cocoa in your land;
But, i am calling to know much about your love.

Muse!
Social talk;
With the ways of life today.
Love!
Along Lake Union;
With the muse of the beautiful flowers around.

Town, own!
With the muse of love, peace and joy;
Brown, own!
Deep mellow;
Thrown, own!
Let it flow and let it glow.

Can you help me? !
Tell me if you can.

However, i am like the phone in your hand today.

So, come and show me your beautiful flowers and,
Let it always be with you whenever i do call in.

Edward Kofi Louis

From Rome to Lapaz,
Who then catches a thief and set him free? !

From Los Angeles to Mamprobi,
Who then burns down houses and have never been caught?

From Soeul to Darkuman,
Who then rapes a child and still walks around free?

Life, war, stones, stars;
And like the life from Genesis to Revelation!
But, very candid and vivid.

Knowledge talks and wisdom listens,
But love is the key when you have understanding;
And, i have nothing to hide from you my love.

The darkness comes and it is full of evil!
And like the candid and vivid facts of an affair;
But, who then catches a thief and set him free?

Principles, morals, relationships, love, responsibilities, reliabilities! !
And like the works of the inhabitants of this earth;
But, who then rapes a child and still walks around free?

Edward Kofi Louis
Candid Opinion

Red eyes! !
She virtually showered her cleavage on the issue;
But, history recorded a date for us.

The candid opinion of a mind!
To meet someone you do fancy;
And to stay fresh with your lovely heart.

For better or, for worse!
To stay upright with the facts of life;
However, she virtually showered her cleavage on the issue.

Satisfactory with the muse of the truth!
However, very often or not, the partner we choose bears an uncanny resemblance with us.

With hatred than love on this earth today;
Pin, pinch!
With the hearts of mankind boiled up like power plants and thermals.

Men, menace!
Killed for ritual purposes;
And, coloured by people’s political preferences,
As mankind destroys his or her neighbour on this earth today in the name of hatred and war.

You did ask me in the plane to try your phone,
And, you were very friendly to me!
Even though, we just met for the first time.

We exchanged our phone numbers when we parted away,
From Accra Airport into our various homes;
But, i still wonder always if you are real in person!
For, this was only a dream.

Maybe, i will meet you in person one day;
Maybe, we will come to know each other one day;
Oh! My sweet lady, Carmela!
My heart is very clean waiting for your love.

Edward Kofi Louis
Carmen

Crops of love and pitchers of wine,
Drink some wine and make some love;
For i have seen your beauty from afar!
And like Carmen with his friends at last.

Edward Kofi Louis
Carnal

The carnal mind of mankind is what rules the wold,
And the beautiful butterflies were killed last night!
But, i did seek for you my love;
And, you were nowhere to be found.

The rain has now stopped for me to walk through,
And the carnal mind will lead me on to search for you!
Because, she she who is your wife brought forth her firstborn last night;
And, you were nowhere to be found.

The carnal minds of therse people around me are in vain! !
But, where is the husband of this woman?
And like the case of the dead butterflies!
For, i now need a place to hide myself from these negative acts.

Edward Kofi Louis
Carnal Passions!

Carnal passions!
The lust of the flesh;
Very common in the world today,
With the works of iniquity.

Edward Kofi Louis
Carnal Self

Evil works!
For the sake of carnal self;
Corrupt in all ways! !
Ready for war and destruction.

Edward Kofi Louis
Carnally Minded

Tyrants! !
Men and women with infamous names;

carnally mind,
Terrorists!

Wickedness,
Evilness;

Violence!
With their acts seen everywhere.

Edward Kofi Louis
Caroline

A little more food,
A little more love;
Why have you repaid my kindness with evil?

Five times as much as,
And you've feasted and drank freely;
But this was the sweet love to touch all mankind.
In this life, many are too blind to the truth;
But how can I prove my innocence?!

Of my sweet muse shared with you,
Like ten female donkeys loaded with grain!
But a young son is now born to him who is very old.

Youn never smiled to me when we met again,
And I hope you were influenced by Satan!
But I am very joyous today with the mandrakes from the field.

You've been my angel but today,
You've broken my heart!
But I've kept this matter into my mind like,
He who was sold for twenty shekels.

Edward Kofi Louis

And, to keep it that way.

Carswell, sea, saw, was, weal, we, as, lace;

With the muse of the young people in this village,
13 to 18 years old.

Case, Care!

Blood throughout the land!
With an outstretched arms of war;
But, a sound advice is needed on this case.

Be glad with your heart always,
And like an eloquent teacher in your land;
However, try to reach out your hands to all in peace.

Articles of silver, gold and clothing!
The earth today is like the days of Cain and Abel;
As Cain killed his brother Abel along the line.

Able men at war! !
A dound advice in needed on this case;
Clear as the sky wirth the works of peace.

Case, care!
Drinking three cup of tea;
But, aches and pains are in the bodies of mankind.

Excellent oil for the head!
Like the words of peace to overcome the troubled spots;
Since, we need love on this earth than war.

Edward Kofi Louis

These lessons of love,
These lessons of life,
At 7:30 a.m.;
Pour, our, sour, dour, odour, tour, four, hour, flour, lour, rumour!

With the muse of your works,
And, to respect the laws of the land.

Edward Kofi Louis
Cassi

Many people,
Many lovers,
Many writers,
Many poets,
Singing with love to share my mind;
But i am cassi in the land of your muse!
And like the joy of my works to satisfy you.

Edward Kofi Louis
Cassia

Myrrh, aloes and cassia out of the ivory palaces;
The movement of the mountains and the seas are seen by many!
And of the waters that roared and formed,
For your love was lost last night.
There is a river whose streams will gladden your hearts,
And of one's love so sweet to share;
So why have you broken down the hedges of your love?!
For all who pass by will now pluck and eat your fruit.

Edward Kofi Louis

Edward Kofi Louis
Cast

Cats,
Acts,
Cast,
With the muse of the weather;
Playing around.

Edward Kofi Louis
Cast Away The Odds

He came to the place of love and used the woman,
He came to the place of care and used the girl,
He came to the place of peace and was caught by the people;
But to cast away all odds is what the people are about to judge.

The boy is his son of hope for the future,
But disturb me not when i am gone oh fairest love;
And years rolled around this town to tell a story to the unborn.

Seing obedience is the bond of rule,
And to stage like his fellow man with the crown of his rule;
There he learnt that love is the key of life.

I will be very rich and be waiting for you,
For the evil that he has done is still hanging around;
But as the sun went down to sleep,
I went into the deep red sea with my muse.

They fought the dogs but they rather killed the cats,
And the women are now weeping for their lovers;
And like the spider in the palace of a king.

Edward Kofi Louis
Casted Me Behind You

You have forgotten me and,
You have casted me behind you!
But, my works had made you what you are today;
And, the student always needs the teacher.

Edward Kofi Louis
Castle

Mast,
Fast!

Cast,
Castle.

Edward Kofi Louis
Castles And Buildings

Counter-intuitive,
Castles and buildings;
Disseminations,
Notes and stories;
Reformations,
Hopes and dreams;
And of its original languages,
But loving all races means that you are walking in true love!
The heart must be reached and the inner person must be touched,
For we are all the same on this earth as human beings;
And we were all created by the Creator.

Edward Kofi Louis
Castro

I always remember Castro when i cast back my mind;
But open your magic door of love and let me come in;
For i have the magnetic force of love to take you along.

Edward Kofi Louis
A letter to Castro my friend,
A message to Castro my friend,
Including his friends and family members!
But, his works are now announced in the media;
So, i need an invitation to meet him,
For, i have a personal letter at hand to hand over to him.
Bop, lop, pop, wop, mop, cop, drop, hop;
And like a young church in the land of your muse!
But allow me to meet my friend called Castro.
Glop, kop, crop, sop, strop, slop, shop, flop, fop;
And like being in the desert with my sunglasses.

Edward Kofi Louis

Cat, cut!
Handed over to you;
For, you are the third person marrying her.

Casuistry, stray, tray, air, stair, sit, sat, suit, cast, car, cars, arts, scar!
But, there is a way to the truth;
So, do search for this way and live,
Than going against the laws.
Vision, version!
I am dismayed with the acts of your muse;
Because, you are learning from unsound doctrine.

Urine, doctrine!
Drinking a cow's urine,
With the muse of your culture;
And, the woman you called your wife today had,
Already gone through the hands of two men.

Edward Kofi Louis
Cat And Bird

The cat is your pet and,
The bird is my pet;
But your cat came and killed my bird!
And, that is how this world is today;

Your deeds are evil;
Seen always,
Walking along the streets,
With the shadow of death ad your partner.

Terror!
Killing and stealing;
Treason,
Horror! !
Destroying the peace of the land.

From the clues of our past to learn the last;

I am a woman and,
I am not a quiet tree;
But time tames a fool with money!
However, i am called Catherine to share my mind with you.

Edward Kofi Louis
Cathi

Thank you for loving me,
For it was like a historic visit to be with your muse;
And there our hands wrote to explore our gifts.

I nneed you like the flower which needs the sun,
With better things to add after the job is done;
So, try to rule on this love that I may serve you.

You are Cathi with the muse of love,
And I am glad to meet you my love;
For it was like a historic visit to be with your muse.

And a can of beer!
Give me my medicine and let me love you;
For the days gone by are like the recipe for an Egyptian Beer,
But this love to me was nicely presented by you.

Edward Kofi Louis
Caution

Same place, same time;
You have the right to speak out your mind,
Like a flying bird with hope.
Same place, same time;
You have the right to speak out but,
Do watch what you speak and how you say it.
In this life,
You have to choose your friends from your heart;
But don't let them choose you!
Many may not be what they say they are,
But, what is the society up to when we do lack love?
Don't forget your past and your identity;
For we all have to learn as we grow.

Same place, same time;
Like letters posted but with no reply,
Because many are yet to learn about life.
Respect is earned by those who deserve it,
Like applications written with no jobs at hand;
But to whom the bell tolls, this poem do speak to as well.
The snake does inherit poison from its mother,
And whatever is conceived in the night must be exposed in the light.

What is the society up to?
Because the smoke and the rabbit had never been friends!
In this world,
Who you are doesn't matter much;
But, what you are!
Because, no matter how high the eagle soars,
It must come back to the earth.

You have the right to speak but,
Do watch what you speak and how you say it;
Because, the worm that eats the vegetable is,
Behind the vegetable leave itself.
Caution!
With words so anew from a bard;
Like a fight between the cat and the snake.
Cave

Open it now and let's see the inside of it,
To see what is hidden in it.

You are called Cecilia and,
You are all that i need on this muse;
Come quickly to me,
Come and warm me for the night.

Edward Kofi Louis

The sweet muse of love in the land of the living;
But, the lions and the palm trees are very far away.

The muse of life!
Between the flames of love to share a view with you;
And like a circular sea of cast bronze,
But, the lions and the palm trees are very far away.

Rest, restoration!
of the twelve bulls sen around at times;
The muse of life!
With human Feelings.

Stone,
Chaff, staff!
With the rivers in the high places of the land;
And, fountains in the midst of the valleys.

Love,
ith a pool of water in the wilderness!
At the basic stages of the life in the forest;
Underscored with the muse of nature.
In, innovation!
With the research work of the land;
Scene, science!
With attractive works which are beneficial to the land.

Edward Kofi Louis
Chains Of Darkness

Twell it as it isw and say it a it was,
Tell it like it was and say it like it is,
For they were given the Laws of Righteousness and the yrejected them!
But the old world saved Noah and seven others.

Chains of darkness,
Bringing the flood upon the world!
And like filthy conversations of the wicked;
Universal,
Presumptuous,
Self-willed,
Chiefly like them that walk after the flesh in the lust of uncleanness!
But tell it as it isa and say it as it was.

Edward Kofi Louis
Chair, Hair, Air!

Chair, hair, air!
With the beauty of your hair,
Sitting on a chair,
With the fragrance of the air around you;
Exposing the smile on your face.

Edward Kofi Louis
Chaitanya

In the moon Abib,
Try and meet Hanani and Mareshah;
For they will teach you the way to the truth.
Chaitanya, your love to me is like the greetings from Chicago!
And after the triumph of Barack Hessein Obama,
I still have you as my only one.

Chaitanya, arise and flee to Laban in Haran;
And your journey will be successful like,
The first offspring of every womb.
Is anything too hard for Yahweh? 
For the table and the utensils are set before you;
So be very wise to make your choice on this issue,
Like the days after a successful Election.

Edward Kofi Louis
Chaka

The echoes of love and the sound of your muse,
I am Chaka from the lan dof Zulu! !
And i am like the red chilli pepper on your source,
But my mind is only set on you.

Edward Kofi Louis
Chalk, Chalkidiki!

Road numbers!
Morden covers,
With the real thing at the only place of love;
Chalk, Chalkidiki!
With the muse of life,
At such great heights!
And, with the view of the blue ocean;
To heal the world with peace.

Edward Kofi Louis
Chalkidiki

Chalkidiki, kid, chalk, clad, lad, cad, child, hid, hail, dial;
The muse of love and the muse of life in the land of the living,
With such great heights!
At the only place;
With a brand new start.

Love,
To surfers' paradise! !
With the muse of peace and joy;
In your land,
And, with the ways of mankind on this earth to make a statement.

Edward Kofi Louis
Challenges

Who is a thief?
Who is a spy?
Who is your lover?
The deciding factor is like your muse;
But always be ready to take up the challenges of life.

Edward Kofi Louis
Challenges  2

You are facing challenges,
I am facing challenges,
We are facing challenges,
Life!
With the odds around.

Edward Kofi Louis
Challenges 2

Changes,
Challenges,
Responsibilities;
Ours, hours!
Opening hours,
Daily,
Early,
Yearly! !
Open to the public.

Edward Kofi Louis
Chalotte

One love and one heart,
One peace and one future,
And like soul to soul and hand in hand;
The meditations od our hearts!
But, get hold of it.
Chalotte, lot, to, toe, coal, hot, at hate;
Let the truth be your buckler!
And, do hang on it always.
Hoe, hole!
Chalotte, tea, late, eat, ate, hoe, hole, hat;
Late, hate!
But, be careful with your steps in this world.

Edward Kofi Louis
Chaloupka, chalk, pal, clap, lap, nap, cop, cup, Paul, coup!
And, like the rush hour in downtown;
With the muse of your lover who lives in a small town in Africa.

A miracle!
Commanded,
Spiritually;
Lease, release!
With the sweet muse of your lover.

Values,
Injected;
Love,
To care for;
With innovative ideas.

Edward Kofi Louis
Chambas

Come into this chamber of my love,
For my name is Chambas and i will love you all night.
Come and see what i have for you,
Oh! My sweet lady of the night;
For this chamber of love is prepared for you only.
Come to me and enjoy this sweet chamber with me,
For history is with all of us today.

Edward Kofi Louis
Chamber, Amber!

Chamber, amber!
Circumscribed,
Wearing it! !
Putting it on;

To express your mind;
Den, hidden!
But, console life with peace.

Edward Kofi Louis
Change

It is time to change,
It is time to change from your old habits for the better;
Change is necessary in life!
And your body grows daily as a sign of it.
The changes that we go through means a lot! !
So, it is time to change from our negative acts into positive ones;
Womb, comb, bomb, tomb!
With all these changes to educate us much;
For, it is better to learn from all the changes around us.

Edward Kofi Louis
Change For The Better

You do not love yourself!
As such, you hate others;
But, try to change for the better and,
Try to love others in this world! !
Because, we were all created by the Creator.

Edward Kofi Louis
Change In Office

The change in office,
The change in government,
The change of the President! !
Change, range, strange, flange, grange, mange;
But, let us rather change for the better.

Edward Kofi Louis
Change Is Needed

Illegal lust,
Like a dog chasing its own tail;
But, there is nothing better than the truth,
In this life.

Come to the 'House of Yahweh'!
And learn from the truth;
As compared to what you hear and,
What you see around you today.

Let the truth set you free!
With the muse of the laws;
Than living in your lust,
Which always leads you into trouble.

The muse of life,
A positive change is needed by all of us;
As the laws changes the hearts and the minds,
Of those who are really ready for them.

Illegal lust,
It was just like a spot;
But now, it has spread all over!
Destroying many.

Fusion, infusion, intuition, tension!
Come to the 'House of Yahweh' and learn the ways of the truth;
Learn how to live in peace with each other,
Than with the muse of illegal lust that leads to hatred and war.

Edward Kofi Louis
Change Of Name

Change of name,
Change of style,
Change of photo;
Seeing you around always with your works,
As the sun came shining on us.

Edward Kofi Louis

Now looking into the mirror to make some changes,
Touched by the power of love.

To know who you really are,

Be thankful that you have life!

But, change your life with positive morals! !

Without hatred and war.

Edward Kofi Louis
Change!

Change your personality to overcome your stubborn and impenitent mind; Because, the message of the law of the rising sun is now closer to you than ever.

Life!
Can you swallow a camel? !
For, the message of the law of the sleeping saun is now closer to you than ever.

Muse!
First clean the inside of the cup and the plate;
With judgement, mercy and faith.

Muse!
Walk in wisdom always and live;
Like the book of true-love and the book of life.

Life!
Forget the past and go forward with your mind;
And, let your moderation be known to all around you.

Love!
With a sweet smelling aroma;
And, with all gladness.

Change!
Put on love and be thankful always;
Because, this is the fruit that abounds in your account.

Edward Kofi Louis
Changed

Much has changed since the creation of the universe,
But has mankind changed for the better? !
The answer may be 'Yes' or 'No',
But just open your eyes and do tell me the truth.
Were there any nuclear weapons from the beginning?
Then, why produce them now to eradicate all mankind?

Edward Kofi Louis
Changes

Changes, 
There are many of whom i still cannot remember; 
But like a dream come true, 
We all need changes in this life. 
You are so young and have so much to learn, 
But a better husband is not easy to come by; 
So, how do i suppose to live without you? 
Changes, 
We all need changes in this world of ours; 
For, creation is still going on.

Edward Kofi Louis
Changes 2

Yesterday,
Swimming with the sins of the world;

Today,
Trying to change and to repent;

With positive moral laws,
Hoping for a better tomorrow!

To fix the telephone lines of peace and love,
Sharing with each other and, to respect all mankind.

Edward Kofi Louis
Changes 3

Changes! !
You can do it because,
Profane is not accepted in the Kingdom.

Let righteousness guide you along!
Able to change for the better;
Overcoming your past mistakes with positive works today.

The pictures of our past are the books of history! !
But, we have life today;
Able to change for a better tomorrow.

Edward Kofi Louis
Changes

Changes,
Having righteous eyes;

Motivations,
Moving on with righteous laws;

Positive changes,
With righteous morals.

Life and nature,
Life and death! !

The departure,
Death of a relative;

'Wo ni wu a, w'abusua asa'!
Facing the facts of life;

Passing away,
Rest in peace.

Life and birth,
Life and death,

Changes! !
To be what i am today;

Ostrich,
Which way? !

To be rich,
To which direction?

The broken circle,
Death!

Down,
Under!
To be buried,
In the grave.

Edward Kofi Louis

To look at it,
To give your commnet;
Guess, guise!
Up once in a while,
Restricted with the beauty of your love.

Prominence,
Changing numbers;

Hearts of love,
Able to care for each other in life.

Get the truth from the teachers of righteousness,
With the works of love, peace and joy;
With fair representations,
Like the silence of the voice of justice.

Changing your life with the works of the truth;
Following the right path,
Being trained with positive morals.

The best for myself and,
Sadness reflects on my mistakes;
However, it is well with my soul.

Channel Five!
Walking along on the narrow path of life with,
A fabulous lady! !
But, to step up a notch is like,
To fetch a late winner in a football match.

The muse of life!
Sliced with the problems of mankind;
But, with a peach of a header at times! !
Taking mankind from one place to another,
All in the name of nature.

For the frog in the pond is ready to sing;
But the cleanness of your hands is like the cleannes of your eyes.

You are very dear to my heart like the feet of the deer,
But bring your ears to me to hear my words;
And broaden the path beneath you with my love.

Heaven's messengers proclaim your glory,
And the expanse of the sky declared your love;
For my speech is with knowledge and to the wise,
But i need Chanson tonight to guide you on.

Edward Kofi Louis
Chantal

The computer had made many people to become thieves on the net!
So why should Chantal your friend be part of it?
Because there is something in life if you eat you will die!
And if you do not eat the same thing you will also die;
But it is better to know the truth and do the right thing always.

For, we couldn't stop it.

Edward Kofi Louis
Charity begins at home,
Love begins in the womb,
Hope is the mind that lives at peace always.

The bud opens,
The flower blossoms,
Charity envies not;
So, let no man despise your youth and beauty.

A kiss of charity,
Like a true proverb;
Charity out of a pure heart is full of kindness.

When the Almond Tree blossoms,
Charity is full of love;
So is this muse that flows to teach many.
Let all your things be done with charity,
Charity is very kind;
Let all your dreams be with love,
Charity edifies;
And, be very wise always.
Do not let charity pass you by,
Gain your hope from your gift;
Cos', it will always lead you on.

Charity begins at home,
So compare her actions rooted in your yard;
Charity out of a pure heart is full of kindness,
So compare her acts ruling in the year;
Charity envies no one.

The love of a muse,
The love of the acts;
Charity begins at home.

Edward Kofi Louis
Charles Akalaonu

Wher are you Charles Akalaonu?
Where are you to read my muse?
I have been searching everywhere to find you;
Charles Akalaonu where are you?
I hope to find you one day,
I hope to meet you one day,
I hope to see you one day
Maybe one day you will read this poem.

Where are you Charles Akalaonu?
Maybe one day your children will read this poem;
Charles Akalaonu where are you?
Maybe one day your siblings will read this poem;
Say hello to your wife and children,
Great the entire members of your family as well;
Maybe one day you will read this poem.

Edward Kofi Louis
Charly Boy

Chains and pains of life! 
Here and there with the muse of mankind on earth,
All in the name of hatred and war!
Rest assured with evil acts,
Living many dead along the line,
Yet without peace.

Bombs and Destruction!
Only to throw away the truth and accept in lies;
Yet still, leaders of the world claim to be seeking for peace.

Edward Kofi Louis
Charm, Arm!

Charm, arm!
With the arms of sweet love;
Touching you,
With the melodies of your joy.

Edward Kofi Louis
Charny

Father and son on a horse,
And of the sad faces i do see around me;
For the kingdom is near and many are not prepared.
Mother and daughter on a donkey,
And of the joyful faces i do see around me;
For you can abserve a lot by watching them,
For Charny really knows what i am looking at.

Edward Kofi Louis
Charts, Arts!

Charts, arts!
This time last year;

Parts, marts!
This time next year;

In your heart,
In your mind,
In your land;

Beautiful art!
Like the dart;

Hat, mat, cat!
Part of your life With,
Part of your works.

Edward Kofi Louis
Chase, Case!

Chase, case!
Chain,
In pain! !
In the rain,
As you saw the train.

Edward Kofi Louis
Chasing

I am chasing for something but,
It doesn't work out so easily!
But the Creator is my guide on this issue.

Edward Kofi Louis
Chasing For My Lover

How many horses do you have?!
For, i have been chasing for my lover;
And, your speech gives me hope in this land.

Blessed are the mouths that speak the truth!
And the minds that care to listen;
For, i have been chasing for my lover.

Fields of mercy and fields of love,
Your works give me light! 
With the hope of searching for my lover;
Able to meet her one day.

Edward Kofi Louis
Chasing Life

Star! !
Stars;
Moving along,
Chasing life,
Trying to be on top;
Like bananas for monkeys and,
Carrots for robbits.

Edward Kofi Louis
Chaste

Discreet,
Chaste,
And love;
But, try to overcome this rebellious spirit in you! !
And, be submissive to the laws always.

Edward Kofi Louis
Chaste Virgin

Present yourself to me like a chaste virgin,
And be lovely to the things that make you lovely;
But according to your ways and according to your doings,
For i have spoken and, it will come to pass!

Edward Kofi Louis
Chatterley

Drugs and money,
You've now built your city with drugs!
Because the green gold connection is in the land of your muse,
But i will meet Chatterley to explain my views to her.

Edward Kofi Louis
Chaubin

Plunged,
Sooner,
Diplomacy,
Slumlord!
And like the lack of food and water in the land of your muse,
But your sacrifices are needed much to meet up the stronghold;
For the stray dogs are now found in compund of Chaubin your friend,
And it is time for us to overcome the discriminations around us.

Edward Kofi Louis
Cheap To Print

Cheap to print and cheap to
But, try to reason up and think;
For, there is always the truth about everything.

Edward Kofi Louis
You were only taught to cheat!
And you cheated me;
After i gave you my trust.

Edward Kofi Louis
Cheated Me

You have cheated me my love even though,
I cared for you and you left me and married another man;
It was very fluffy with your move but,
Your mind was already made up before you met me.

Edward Kofi Louis
Cheater!

Today you have to face the cheetah;
Nowhere to escape.

Edward Kofi Louis
Check

Check,
Check in,
Check out,
The truth is indeed the way forward.

Edward Kofi Louis
Check Out The Real Situation

Check out the real situation between you and i on this love!
For it is about peace, passion and care;
And like the oak tree whose stump remains after it is cut down.

Edward Kofi Louis
Check The Background

Muse,
Use,
Fuse,
Life!
To check the background,
Before acting.

Edward Kofi Louis
Check The Place

Is it that there is some water left to be cleaned?!
Maybe there is;
So, check the place,
And, let it be nicely cleaned.

Edward Kofi Louis
Check Your Heart

Purple crystals,
Purple stones,
Purple rain;
The muse of love,
You have to overcome something in life;
And, to check your heart on this love.
Love,
With the purple colour;
And, to show that gratitude of peace and joy!
With honour and recognition in the name of the truth.

Edward Kofi Louis
Check Your Weight

Mythology! !

I was trained with an iron-hand and,
You were trained with a soft-hand;

True love and care,
True peace and protection.

Get a scale in your bathroom and,
Do check your weight;
Everyday! !
Because, out of the mouths of two or more witnesses is a matter established.

Mankind!
This poem is for the four corners of the world,
Across the sands of time;
Teaching the hearts ready for peace.

Edward Kofi Louis
Check-In

Core,
Explore,
Ore!
Before,
More! !
Check-in.

Silent lover,
Blouse! !
House,
Not the mouse.

Dreams,
Floods and streams of love;
Check-in!
With your heart,
With your soul,
With your joy.

Edward Kofi Louis
Check-Off

Catch them young and ride them to victory!
For your nickname is 'Check-Off' and,
I am in the land of love ready to meet you.

Cover man and cover woman,
Come and take me home with you;
Cove girl and cover boy,
Come and take me to the land of lovers;
For they imprisoned me because of love,
But i am now polished like sapphires.

Edward Kofi Louis
Cheema

My life will always remind you of my name,
But you are like a rivalry to distinguish me from my muse;
For my tongue is tied up in matters like this!
And like your thoughts and of your shadows in the land of love,
But the test-tube babies are living around us.

When somebody breaks your heart,
Forgive him or her;
For i am Cheema and i have what it takes to satisfy you!
But be very wise to live on this earth.

The right info at the right time leads to success!
For the Sabbath had made me what i am today;
But your strange weather patterns are seen all around us.

I have your muse to swing with at times,
But i have to take care of my steps as well;
Because not all that glitters in this life is gold!
And like the memories of every man and every woman.

How can i easily desire you once again?
How can i go out and look for you?
For the rains came in and took your love away from me!
And all the four seasons are not enough to satisfy me.

Edward Kofi Louis
Cheer

Cheep,  
Cheer,  
Cheese,  
Cheek,  
Cheery,  
Cheerio!

Edward Kofi Louis
Cheerful

Cheerful,
Instructive,
Objectively,
Instructed with the muse of love,
Between the two;
Apt to teach,
Fragrant! !
Of the shimmering beauty.

Edward Kofi Louis
Cheering

Cheering!
Joyfully,
Praising the works of the truth.

Records! !
History,
With the muse of life;
Your life,
My life,
Living on earth.

Edward Kofi Louis
Chef, Chief!

Excellent and diligent manner;
Way, underway!
To finish all the outstanding work;
Great leaders!
proper perspective;
Incise!
Collaborating;
And, with a further boost;
But, with an international dimension.

Colloquium,
To finish all the outstanding job;
And, like an imposing image!
But, with a lasting memory.
Act, ant, art, aft, apt, ait;
Of an imposing staute!
But, don't leave me along in this land;
Because, i do a mission ahead of me.
Chef, chief!
Clean it after using it;
With the muse of love and care!
For, it is time to move on.

Edward Kofi Louis
Chelep

Chelep, he, heel, help;
Zeal, Zealot!

Inquire for the truth and,
Live with it.

Mist, midst!
Like sheep among wolves;

Therefore be very wise! !
Seek for the truth always without hurting your neighbours.

Love and life,
Peace and joy!

When the right thing is done,
With righteous morals.

Blessed are your eyes!
For they see;

Blessed are your ears,
For they hear;

Seeking after righteous laws,
With kindness and humility.

Edward Kofi Louis
Chelsea

Chelsea, sea, see, heel, heels, he, she, case, chase, hase, seal;
The deal of love and the meal of peace,
With the joy of your heart in the land of the living,
And with positive morals! To expose your real life.

Edward Kofi Louis
Chenier

I am inside you and i need to wet you all over,
For this love is like the monkey and the banana!
And Chenier lost this opportunity last night,
And here we are in lovers' arms together.

Edward Kofi Louis
Cheret

I am hidden in the bedroom of love and,
The red light is the signal of her love;
And i really love to be with her always!
But Cheret came and knocked at the door.

Edward Kofi Louis
Cherish Your Life

The muse of nature,
Cherish your life and, don't waste it;
Scour, scout!
Obey the teachers of righteousness and,
Listen to those who instruct you with positive works;
Like the muse of a pleasant doe.

Edward Kofi Louis
Cherith

The Cherith Brook flows into the Yahdan,
And like my love which flows to your heart!
For i want you to drink the water of my love in peace.

What do you see in front of me my love?
For i am meek and lovely in my heart;
And you will find rest with me always,
But this muse of love had brought us together.

Edward Kofi Louis
Cherry

In the vigour of your youth,
And of the first time that you made love;
But i am Cherry living next to you,
So try to knock at my door and come in.

Edward Kofi Louis
Cherry II

Cherry,
Merry,
Cheerio!
Blossom;
Bed, bird!
Illustrations,
Love,
Conducting,
Coloured;
Blues,
Clues,
Attractive!
In peace,
At peace,
With joy! !

Edward Kofi Louis
She captured my love and I seized her in my arms and kissed her,
But Chevet her neighbour was there to witness this act;
And now we are like the figures of the gods and the goddesses around this town.

Better formes of love and better sales of her muse,
And of her love so captured anew!
But her beautiful picture is still hanging around on the walls of love.

This love is like the frame of her picture in my room!
And of her love that captures my mind;
But I can't leave this portrait of her sweet love beside me.

Edward Kofi Louis
Chezidek

College of the Arts and Human Developments,
My name is Chezidek and you need my muse;
And like taking the stairs regularly to improve your health,
But the elevators are far from me.

Edward Kofi Louis
Chibsah, cab, is, as, has, cabs, ash!
Low drive;
Provision, provisional!
Exceptional,
Leadership;
Devotion,
Except, exceptional! !
Over the weekend.
Singled out!
On behalf of your people;
And, like the Palm-Wine Seller in your town.
Read the inscriptions loud and clear!
Because of your track-record;
Back, backbone!
Serving the people;
End, endowed!
For, you're the man of the people.

Edward Kofi Louis
Chicken Flavour

Chicken, kitchen!
Chicken flavour;
At the kitchen,
Preparing your food,
With the muse of the ingredients.
Food,
Work,
To prepare your food at the kitchen;
And, with the aroma of the spices around.
Kitchen, chicken!
Chicken flavour;
With the aroma of the atmosphere in your kitchen.

Edward Kofi Louis
Chicken Wings!

She Sings,
He Sings,
Rings! !
Knowledge;
Talking about the sad person beside you.

He brings,
She brings,
Chicken Wings!
With the rings of life and,
The romance of nature.

Edward Kofi Louis
Chidi

Of the Niger Delta crises and the love of your muse,
And like the 'Ekiti Elections crises' to clear my view;
But greater in merit is what i need from you my love,
Because the whole world is watching us.

To bring forth the bud of your love to me and,
Shedding no tears of love on this matter;
For my name is Chidi from the land of the crises,
A place where i found my lover.

Oh my beautiful one,
You are the right one in my eyes;
And my vineyard of love is set for you only.

Do i need to nag you my love?
And out of the thick forest with the red stew;
But try to eat nothing unclean to night,
For i have more that meets your heart.

Edward Kofi Louis
Chidinma

Chidinma, dam, main, mind, in, hid, man;
For peace and for real!
In the hands of the Creator,
And, to uphold the laws by doing what is right.

Edward Kofi Louis
Chidinma 2

Chidinma, aim, in, Nima, dam, man, main;
Plain, rain!
Blessing from nature,
With the fragrance of life and, the ways of the universe.

Edward Kofi Louis
Chidirim

Chidirim, dim, hid, rim, him!
To sail on,
Flow, low!
Player;
Synapse, nap, pan, sap, yes, say, snap!
With something sweet out of Africa.
Works of love,
After all i am a man;
Works of peace,
After all i am woman;
Caring for nature,
After all i am a child;
Helping you to cross over!
After all i am a boy;
Managing the ways of life,
After all i am a girl;
After all these years with my theses along the muse of life.

Edward Kofi Louis
Chiefly

Chiefly, chief, fly, if, he, lie, ceil, fill, file;
Like a running male and a running female!
But, humility counts a lot.

To humble yourselves,
And like a drink of water;
But, this wisdom is shown on your faces.

Remember the Sabbath Day and keep it holy!
Because, you are told to;
For, the council of the elders of your town are meeting today.

Edward Kofi Louis
Child

A lovely child,
A pleasant child,
Beautifully in the arms of joy!

Edward Kofi Louis
Childless

Gone astray,
Butter waters,
Childless,
Afflictions;
Male and female to a call,
But it arose and crossed over the river.

Livestock,
Breeding season,
Kindred,
Cheated;
Summer's beautiful scent,
But at the crucial hour we forget about the precautions.

Edward Kofi Louis
Childless  II

Childless, idle, sell, lies, slid, side, child, hide, hides, he, dies, dice, is;
And like a vessel in which there is no pleasure!
But the desire to return to your land is like the true face of war.

Childless, lid, sells, ill, hill, hills, hell, lie, held, led, chess, less, hiss, die;
And like a dried up river in a village!
But the desire to see your people once again is like the rue face of war.

Edward Kofi Louis
Children

The children of one's youth are like,
The arrows in the hands of a warrior!
And joyful is the man whose quiver is filled with them.

Edward Kofi Louis
Children II

This place of the land is allotted to the righteous,
And your love is all that guides me on;
But, children are the fruit of the womb.

Edward Kofi Louis
Chilyon

Chilyon, coin, on, in, coil, oil, ion, lion, holy;
You have spoken kindly with me,
You have comforted me with your words,
May i continue to find honour in your eyes!!

Edward Kofi Louis
Chima

My poetry is about love and,
My mind is about the muse of imagination!
And like the joy of the singing birds in the air,
But your sorrow will fly away so soon like the wind.

From the views of a bird i became a bard,
And from the views of the public i became a teacher;
But your love is why i am here today,
And like the muse of joy in the land of peace.

Chima my friend,
The mysteries around you do have masks on them! !
But i am here today to love you for who you are;
Because, the calendar of my life is now hanging up in your room!

No mere works of academic criticism,
For the spirits taught me how to read and write! !
And now my will is like your will in the land of peace,
But purported to have come from the realms!

Edward Kofi Louis
Chin, Thin!

Pact,
Act,
Abreast;
Compact!
Impact,
Acceptable.
In use,
Muse, fuse!
Infuse,
Not to refuse the truth;
In bed,
With the power of your mind.
Chin, thin!
Abiding,
A longtongue,
A complete change of opinion;
A tubular snout,
About-turn! !
Sudden and unexpected.
Cute, flute, absolute!
Acceptable;
Pitch,
Hitch,
Back, aback!
From another substance,
From another source,
Breed, reed, creed!
Abstract,
Abstruse,
With the depths of the ocean.
Shrub, rub!
Warm arm,
At the farm,
With the muse of the palm trees.
Yellow, fellow!
Quest,
Request,
To demand,
To supply,
Your accent!
My accent,
Sent, went, spent!
And to accept the works of the truth in the land.
Accession,
Access;
Very useful,
Beautiful! !
Attractive;
Lone, abalone, clone, alone!
About,
Abound,
Late,
date,
The intended result;
Gate,
Abdicate.
Ability!
Beam, steam, team, crea, stream, dream, abeam!
Able-bodied,
Desired,
Abode.

Edward Kofi Louis

Chinua Achebe!
Born, 'Albert Chiualumogu Achebe';
Love, peace, mind, vision, imagination!
'Magnum Opus',
To the World of Literature i do salute! !
And, in the name of the Great Sons and Daughters of Africa.

I am on the 'Narrow Path',
With the peace of my mind;
Writing and sharing out my viewsviews to all,
And, to dedicate this poem to the late 'Chinua Achebe'.

Expressions!
But, i am 'No Longer At Ease' with my mind;
And like, 'Things Fall Apart'.

Chinua Achebe!
'Things Fall Apart';
'Works, poetry, generations! !
Playfellows and unpredictable,
But, death came along and took him away in his old age.

The 'Arrow of God'!
'No Longer At Ease',
'Things Fall Apart';
With the muse of literature to educate us all.

Mile, exile!
With the muse of my mind far beyond you;
Love!
What about you?
Story, history, glory!
But, moving on with my mind in peace.

'The Education of a British-Protected Child'!
With the story of the 'XX' and the 'XY' of birth;
And like the muse of 'Chinua Achebe'! !
But, gone too soon at the age of 82.
'Things Fall Apart'!
This poem is dedicated to the late 'Chinua Achebe'';
Play, lay! !
Thinking of the past;
Because, my mind is 'no LOnger At Ease'.

'The Smouldering log'!
Living in Africa with the muse of the heat;
Chinua Achebe! !
Great writer, leader, father and son of Africa;
But, the 'living fire begets cold'.

Pole, Polemical!
Of the expression,
Of the excursion,
With a Political language;
Ebullient!
Muse, fuse, unfuse, use, defuse, refuse;
Paradoxically,
The son of Africa! !
May his soul rest in peace.

Edward Kofi Louis
Chip, Chin, Chic!

Bridal,
Crossing,
Over the summit,
Beyond the pillars;
Ballad,
Chip, chin, chic!
Faces,
Phases,
Case, vase!
Forest waterfalls;
Traditional,
Movements,
Skyline.

Edward Kofi Louis
Chitra

Upon you i will rest my soul and,
Upon you i will rest my mind;
For your love Chitra is like,
The wind that blows me all day long!

Edward Kofi Louis
It takes a family on this issue to make it right,
Heather, weather, feather, leather, breather;
But now, I remember!
Dark, ark, park, lark, bark, cark, Clark, stark, hark, mark, Mark, nark, quark;
And like a better day and a sad day in the land of your muse!
But, I now remember.
Better,
Bitter,
Batter,
Butter,
Blotter;
And like Cho my friend in the land of your sweet muse!
But it takes a family to solve this issue at hand.

Edward Kofi Louis
Chocolate Chip Cookies!

Chocolate chip cookies!
In the land of your muse;
Eating and drinking your tea with the muse of your love.

Plain, rain!
Coarsely;
Plain, lain!
With brown sugar;
But, with love in the land of your muse.

Chip, hip!
Eating and drinking tea in the land of your muse;
Cook, cookies!
With the muse of your breakfast.
Pose, purpose!
With your chocolate chip cookies.

Edward Kofi Louis
Chocolate Lady

On this earth,
Each one should teach each other the truth always;
For it is time to shine with the muse of life.

Ding-dong! !
On this love;
There is a call at the door for you!
Abd i can see a chocolate lady standing by the door,
For the Red Mountain is in love with the Blue Mountain.

Edward Kofi Louis
Chocolate Lady  II

I miss you more than anything!
And, you were the chocolate lady on my love;
But, i do remember the intense emotion of your love as well.
Your love to me was like,
Yahweh's Army to save a land! !
But now, i am standing among thorns picking flowers;
Oh, where is the antidote of your sweet love?
Oh, my chocolate lady gone too soon!
And, i do remember you more than anything.

Edward Kofi Louis
Chocolate Of Love

Come and eat the chocolate of love with me and, let me take you to paradise with the muse of my romance! For, you are the right person to taste this chocolate of love.

The lake next door is waiting for us! ! To swing in love; with the muse of this sweet chocolate, nicely prepared for you.

It is a very long time that we met! And i do hope that, you are also doing well other there. I do miss you a lot! ! So, come and eat the chocolate of love with me.

Edward Kofi Louis
Choices

Art creates a new world with the artist's mind;
However, it is like choices!
What is bitter on my lips will be sweeter on your lips.

Edward Kofi Louis
Choosing The Ring

In every life,
In every way,
Choosing the ring;
11 years after to fulfil your dream.

Cow meat!
Eating it;
With green leaves,
Like oil for light.

Pure blood of grape!
Put the best foot forward;
A radical shift,
Choosing the ring;
And. to roast your meat with joy.

The muse of life,
Speaking out the right things of the laws to others;
And, preparing the hearts with love,
And, bringing peace to all.

Edward Kofi Louis
Chopard

Inside,
Outside,
Like a superstar!
But, with explosives on your body;
So, why are you always ready to kill someone else?

The iceberg,
The black man,
The white man,
But, i am Chopard! !
So, why are you ready to kill others?

Edward Kofi Louis
Chopper, Hopper!

It was opened bare to you,
Chopper, hopper!
Reddish in colour but, soft to touch.

Rural development,
Urged with the muse of love;
And, to develop the area with your might.

Foot, afoot!
And, to bury the differences with your muse;
With the reconstruction of the narrow road of love.

Of the sea! !
At the sea of love;
The urge of this rural development at hand.

Edward Kofi Louis
Chores

You can earn money by doing chores,
But everyone has a character on this earth;
So respect others in the name of love.

Edward Kofi Louis
Chorkor

She's so in love with you!
But i am Saidu who hails from Chorkor;
And like the 20 cent that i gained from a kilogram of waste! !
So try to understand my status when i call at your door,
Because i was born in Chorker and grew up to understand only the hard ways of life!

Edward Kofi Louis
Chose, Pose!

The worldly ways of life!
To have your own ways;
With religious rites.
Chose, pose!
In the late Autumn;
Pose, hose!
In the cottages in the highlands.
Ages, cottages!
On a raining day;
The flow!
Like the flame of triumph;
It is far fetched but,
It can be achieved always.

Edward Kofi Louis
Chosen

Chosen! !
From the world,
Among the people,
Very different,
In style! ! !
With your works and words;
Tender love,
With kindness and humility.

Edward Kofi Louis
Chosen And Faithful

The race!
With medals;
Gold, silver and bronze.

Gold, old!
For a long time;
Chosen and faithful.

Spices of love,
Ingredients of morals,
Works of peace;
With the fragrance of joy!

Silver, liver!
Works of life;
With the peace of the minds and,
The joy of the hearts! !
Coming out with the pearls of life.

Bronze, bone!
With the natural acts of the romance of nature;
Love,
Decked with gold!
Chosen and faithful;
And, to rejoice with the muse of the truth.

Edward Kofi Louis
Chosen Virgins

These are the virgins who have been chosen to meet you,
But the Great Message will be on the Sea of Glass!
For your love was seen among them.

3 out of 4 and 5 out of 6!
Roast, toast, boast, coast;
And like the cats and the dogs playing in your garden,
But it sounded like a male voice in the burning bush of love.

Edward Kofi Louis
Christa

I am ready to feed your mind with love,
I am ready to perfume your bed with the roses of love,
For i am Christa in the land of your sweet muse;
And like the joy of the things around you!
But, let me know your mind before i start.

Edward Kofi Louis
Christe

Sexually transmitted diseases,
Of the diseases that had led us to bury many who were deceased;
Yes, deceases from the diseases! !
And like the victims of sexual abuse;
But I am Christe in the land of your muse!
So, try to be well educated on this issue at hand.

Edward Kofi Louis
Christian

Of your soft love in the soft rain,
Of your soft romantic hands in the long train,
For i am not dead but alive on this love.

I live in Serbia and i like what you've been doing for me,
And i will love you always till the sun is out of light!
For, this love is the way to my country.

I will sing for you with a soft voice when you are with me,
And i will be around always for your love;
For your soft touch on me is like the way to my home.

I have to find myself on this love,
I have to lead you on this tracks to my home;
For your romantic hands need my naked body.

Edward Kofi Louis
Christiana

The flames of love,
The flames of touch,
And of your frame of mind on this love;
I'm really amazed about the love that you have for me.

Before it was just a plan but,
Now we've made it;
Before it was just like a show but,
Now we've captured the audience;
Of a joyous season on this love like,
The cheers always met by the people around us.

Christiana, i am missing you;
For, loving you was like the dreams of joy and peace.

Edward Kofi Louis
Christiana My Lover

Cut your coat according your size,
And pop into my room like the Pop Art hanging around;
For you will then stretch your legs like the crown of love oh Christiana my lover!
And likie the windows of love in the land of peace.

Edward Kofi Louis
Christiana Obobi

Live life the way you so see it and,
Love it when you do care;
For the fruit of love is full of passions.

Be very mindful and care for the people around you,
Because your true lover may be closer to you than you thought;
For life is full of surprises!

The beauty of life is like the beauty of a lady called, 'Christiana Obobi';
But be very gentle with her to win her love because,
She's very shy and lonely.

Make your moves towards her to express yourself,
And tell her about how much you care about her;
Because love is the key and you should let her know about it.

She needs the truth from you because she is lonely,
And she was my classmate and i do know much about her;
So do not tell her lies when you really lover her,
Because she is looking for a sincere man to marry her!
And love will come the way when you do the right thing.

Edward Kofi Louis
Christiane

Take up a walking solution to incorporate your image on my love;  
Than, hitting me where it hurts most!  
For, mankind has to understand the status of marriage.  
Silk, spices and self-respect!  
And like the anatomy of a rumour;  
But, we should all do the right thing in this life.

Guns and roses!  
Flowers and bullets;  
Frustrated by the lack of an evidence,  
And like a sex scandal in the wry of a romance in times like this.

Lust, love, life!  
Copiously written like the acts of your love;  
But, i have my mind on Christiane! !  
Yes, going back to square one and coming out with my mind.

Guns and roses!  
With others taking music as their new Religion;  
And like love made in San Diego! !  
But, what is the mythology of today's culture?

Edward Kofi Louis
Christina

Black shoes, black bag and black belt;
She is called Christina and she is my lover;
So say it like it is when you meet us together alone,
And like the Black Island next to you.

Being born and being raised;
But we are all slaves to the systems around us,
And Christine my lover is ready to put you right.

Edward Kofi Louis

So, listen to me if you do care.

There is a hole in the ground ahead of you!
So, do watch ylour steps;
Because, i once fell into it and,
I have now learnt my lessons well.

Edward Kofi Louis
Chrysolite

Chrysolite, so, it, is, his, toe, toes, rise, to, her, sit, cot, hits, cries!

With the muse of love and, the name of your glory!

Chrysolite, Rose, tile, tie, ties, tiles, core, cores, yet, score, sore, cry!
But, with the place of your love protected with thew muse of the laws.

Respecting your muse,
Rest in peace 'Chuck Berry'!
Yours truly with what you've left behind.

Edward Kofi Louis
Chukwuma

Your own lips testify against you and,
Your own mouth tells you more about my love;
For your love is sealed up in a bag and,
I am ready to open it up with my care one day.

Are you the first man ever born? !
Are you the first woman ever born? !
Then think twice on this love;
Because i am Chukwuma living in the woods of love,
And you are the sweet lady hiding away from me.

Edward Kofi Louis
Church Of Baal

Disputes and monetary restitution,
Out of my inheritance to write this muse;
But their lust will secretly entice and tempt you to sin,
For the world is full of churches and of the rise of sin!

Of his own lust and of her own lust,
The Church of Baal watches to take in his followers;
But your closest friend can also be your enemy at times.

You are attracted to her but watch her bosom,
It is like red-red- wine and blue-blue-sea!
But the Church of Baal is attracted by many.

Edward Kofi Louis

To commence,
Like, once upon a time.

Cicero, roe, reo, ore, or, core!
From zero to hero,
Touching the hearts of many in the world;
Coming from another world with your mind,
Breathing the very air like others.

Edward Kofi Louis
Better a dinner of vegetables where love is than,
A fattened calf eaten with hatred!
For a broken heart dries up the bones and,
Peace and love should be noted with care.

Your love came to me like a dream but,
Kiel disappointed me and Hamburg received my Art Works!
So spread out yourself and spread out love around,
For Cilmi my friend is from the land of common-sense.

Edward Kofi Louis

For this is my message to Cleopatra my lover;
And the common freshwater crustacean is the water-flea.
The relaxation of my sweet heart is all about her,
For i have now got a new life on this love;
And her beauty had really inspired me.
The devotion of her works are very beautiful and,
Like the Great Lakes of America!
But i will always walk with her on the Long Walls of China.
The looks of the portrays of her love hangs around,
But her love is always appreciated by my acts;
And like food being served on a 24-Carat golden plate.

Cleopatra's Needle

Riding upon a swift cloud,
Is like he who sits above the circles;
Add year to year,
Add a muse to your life;
Like Cleopatra's needle in the bedroom.
Life is like a flying serpent,
To spread it out with a shovel;
Like the bread of adversity with,
The water of affliction around you.

Heaviness and sorrow,
When a thirsty man dreams, what does he see?
Cleopatra's needle with the muse,
The wind blows the snow about;
Drunken with it's love is my mind on this muse.
Cleopatra'a needle,
The meek will increase their joy on this earth;
The workman moulds an image,
The goldsmith overlays it with gold;
But the grave cannot thank you for your works.

Cleopatra's needle,
A precious cornerstone is all that i am;
Like a short bed to stretch out when, all hope is gone.
The spirit of deep sleep,
Knowledge and discretion to the youth;
Mind you, the world is influenced by demonic spirits.

Edward Kofi Louis
Clever, Ever!

Blue, red, and yellow!
Decorated in the garden of love;
Clever, ever!
With the muse of your sweet love;
And, with a beautiful sight ahead.

Sunshine!
With shadows on the ground;
Like the muse of the North Pole,
Decorated with sweet muse of love.

Form, reform!
Lovely under the palm tree;
Little, whittle!
To help you find your way through;
With the muse of the decorated garden of love.

Edward Kofi Louis
Clever, Lever, Ever!

Clever, lever, ever!
The drops of the night;
And, with the sweet muse of your love.

If you invite Satan into your room,
He or she will visit you always!
So, be very wise to choose your friends;
For, there is always tomorrow.

Friends, ends!
Like the white smoke from the chimney;
But, it is better to marry than to burn in your lust.

Heaven is above and earth is below!
On top and under;
In the land of your sweet muse,
And like the black smoke from the chimney.

Perturbed!
Playing with your mates;
But, the pirates of this world are ready to attack others! !
However, the free service of your love is only found in your room.

Clever, lever, ever!
Levelly;
Row, tomorrow!
With the power of love;
Prowess, powers! !
But, be very wise always with your love.

Edward Kofi Louis
Cleverness

Friendship,
Fellowship,
A clever boy sits among you;
And out of the smell came something sweet.

Of a dog and a monkey,
Of a goat and a donkey,
A clever girl sits among you;
And out of the smell came something sweet.

The character of man,
A clever man sits among you;
The character of woman,
A clever woman sits among you;
And out of the smell came something sweet.

A man marries and doesn't want children,
A woman marries and doesn't want children,
Like a stolen money tithed off!
For out of something very sad came hardship.

You have lost a limb on this war so,
Do keep your marriages according to the law;
You have lost an eye on this war so,
Be very wise like king david who was the seventh born;
You have lost your hearing from this war so,
Try to live at peace with others too;
For out of the smell came something sweet.

To feel touched when love calls,
From Yaaqob came the twelve tribes of Israyl;
But try to be like a new hewn stone.
And like the leadership of the sun god of the heathen,
Try to bring to your side always.

Respect all life forms and,
Reproduce and replenish the earth;
Like a wise woman sitting around you.
What you do with your life is your choice,
Like a wise man sitting around you;
But in this life, history do repeat itself.

You can correct this history with time,
But you need to know your direction;
Because, some things will never change!
Time moves on as man grows,
And out os something sweet came the baby;
But, real life means a lot to all of us.

Cleverness,
Of the time frame of life that swings around us;
With all that muses in peace and love,
But at times with the difficulties of life as well.
Be clever and do learn at all times,
For Rome was not built in a day.

Edward Kofi Louis
Click It Twice

In deep conviction,
Click it twice and let me gain my love;
And like the pleasing works of your hands,
But the love of your muse is all that i need.

Sage, page, cage, rage, mage, marriage, wage;
From time to time!
But not like a runaway dog in the land of your muse;
For, the cat is always in your room.

Fine, dine, wine, vine, cine, sine, line, pine, mine, nine, shine;
Inperfect health,
On to perfection! !
But, it has been a while hearing from you.

Of the miracles of my life,
Of the joy of my muse,
Of the peace of my mind,
And like the muse of your sweet love!
But, not like a runaway dog in the land of your muse.

In the heat,
In the cold,
And like the candlelight of your love!
But click on 'Poets' to find my sweet muse;
For, i do have a message for you.

We are all over there,
Poets of the world! !
But, it has been a very long time hearing from you;
Vender, finder, blender, winder, lender, mender, tender, sender!
And like the muse of love in the land of peace,
But, be my guest at this page.

Edward Kofi Louis
Click, Lick!

Click, lick!
Today is called today because, we are living in it;
Soon it will pass away and, we will call it yesterday (the past).
Then comes another day,
The future! ! Which is called tomorrow.

Pick, stick, click, lick, sick!
What you are doing today is nothing than, repeating your childhood dreams;
Of the implications,
With the ability of your mind in the land of the living.

Treasure! ! !
The treasures of life;
Today is call today because, we are still living in it,
The comes tomorrow!
Hoping for a better future.

Clifton, Clift, on, lift, to, it, ton, not, in, no!
Anachronistic,
To contribute nothing;
Rains, brains!
Infuriated,
Discarded,
Distress!
Like the muse of the lost children in this village.
The calibre!
With flops and tops;
Sectors, factors!
Desertification,
Choked drains!
Like the muse of the brain drain in the land.

Edward Kofi Louis
Climax Of Life

The melody of the climax of life,
And to sing the muse of your love;
Set up by laws to keep me going,
And like the plaintiff and the defendant.

Security intelligence,
Absent without a leave on this muse;
But, where were you last night?

Of a lover's complaint to the history of life,
And the cost of the labour of love!
For the bloodstain was seen in your panties;
So put on your belt without the muse of your lover.

To the woe of the savannah trail,
I will find my feet again and to believe in you;
And like my personal achievements and awards,
Because i am along the side of love with my peaceful mind!

Don't be like a pastor who wanted to kill his wife,
And like the wild cat behind the tree of love!
For the acts as seen in the church room of yesterday and today are like,
All that motivated her to ask me to marry her.

Edward Kofi Louis
Climb The Mountain

Treasures!
Scales,
Righteous laws,
Life means a lot on earth;
Climb the mountain! 
And view the land around you;
With the joy of your heart,
Having the works of the truth beside you.

Edward Kofi Louis
Climb Up High

With all respect to trace the muse of your history,
And like a groomed politician with a broom.

I am from a culture out there to play the flute of love tonight,
And you are from a culture out there to play the pipe with me;
But, do climb up high to the top of the tree if you can!
Then, you can understand who I am in this village.

Edward Kofi Louis
Climbing Up

Climbing up,
On and on,
To close up that gap,
Between you and me;
And to reach to the top!
Able to unite the land.

Edward Kofi Louis
Climbing Up  2

Climbing up,
Yours,
Ours,
Hours!
In the wilderness,
With the direction of the light;
The eyes of the truth,
Faith and hope! !
Insight with the muse of peace.

Edward Kofi Louis
I am Clines by name but,
Do your names have any meaning?!
For a child is known by his or her doings,
And I shall bestow peace and quietness upon you when you do visit me.

Edward Kofi Louis
Cling To You

Confusion,
Rebuke,
Sudden ruin,
Wickedness,
To cling to you,
Entering to posses it,
Consumption,
Scorching heat,
Inflammation,
Mildew,
Powder and dust!
Upon you,
In one direction,
Like a spectacle! !
But, in seven directions;
Like the muse of love than hate!
But, you are now afflicted with the diseases of Egypt;
Festering sores,
Confusion of the mind,
Just as a blind person gropes in darkness!

Edward Kofi Louis
Cloak, Oak!

Cloak, oak!
Only those who practice righteousness will be given Eternal Life;
Of a Great White Throne and,
Of the talent on stage.

Dam, damned!
In the lake of fire! !
But a workamn should rightly divide the word of the truth from evil;
And for this time perios, we should free from sin.

The Book of Life!
He who has an ear let him hear;
Servants of sin!
She who has an ear let her hear;
But, serving Yahweh is a must to prove that, we belong to Yahweh.

Edward Kofi Louis

Clogged, logged, boggld, coggld;
A new spot!
The story book,
My mind,
My dreams.
Blogged, fogged, dogged, hogged, jogged;
A new spot!

My hope;
But, when will i see you again?

Love,
Like the flower of the field;
Visited by the bee!
Meeting the beautiful gate of love and the beautiful gate of life.

Love,
Greatly amazed!
Driven and tossed by the wind;
And, to be acceptable with the meaningful developments of life.

Clone, colonnade!
Refreshing your mind with the laws,
And, with the truth;
To overcome man's inhumanity to man.

For i am free at last with my mind;
And i will live to love you forever.

William my love,
Thanks for coming through this door;
For i don' need money but true love,
And your sense of maturity will lead me on.

Rhythmically calculated with orgasms is like,
This traumatic act of your love on me;
But your heart will lead me on to change things.

Edward Kofi Louis

It's my dream,

Edward Kofi Louis
Closer To Each Other

Books are my friends and,
That of the connotations of the traveller as well;
But my mind is like an African in Russia! !
Where one exchanges the heat for cold,
Because of the difference in climate!
I am between tow worlds and between tow traditions,
But my love can really find your heart when you are ready;
For you and i sat closer to each other last night,
And the moon was there to greet us with love.

Edward Kofi Louis
Closer To Heaven

Those who steal should steal no more! !
For you are taking away my sins by stealing my items;
And, i am getting closer to heaven than you are.

Cut it off and throw it away!
And learn how to do the right ting than evil;
For i have to enjoy my life with my muse,
And like the peace of a land far away from home!

Stop stealing and live peacefully with us all,
Because, i want to ride my horse always in peace around you;
And like the muse of love than the muse of wars! !
For, stealing my items brings me closer to heaven than you.

On this result;
Partial,
But, poverty is the destruction of the poor.

And like a new coat of paint on the walls.

Changed!
But, walk in the path of the truth and,
Be straight.
Simple red,
Hoe, hope!
You will search for me is, you care for me;
Because, true love always writes a beautiful story.

Shy, sly!
With the muse of the game of rose;
And like a dancing bird.
Pride, bride, ride, hide, side, slide, aside!
Sullen,
If you care for me, you will search for me;
With the muse of the beauty of nature!
With the aroma of love and the fragrance of life;
Coming along with a joyful heart.

Edward Kofi Louis
Coffer, Offer!

Cogent,
Footage,
Age,
Capable;
Coffer, offer!
Educational needs,
And, to think outside the box.
Views,
From my rooftop;
Here i am my son,
For the peace of the earth.

Edward Kofi Louis
I am the voice of love from afar searching for you,
And you are on a mission towards my love;
But the calabash gourd is still around you,
And like the muse of your love in the land of Malaya Roses.

I am called Coffie and the aroma of your love is around me,
But wisdom is what we need together on this love;
And like the rainbow colours in the land of your muse,
But i am ready to lead you on with my sweet love.

Edward Kofi Louis
Coffin

In,
Coffin;
Ready for burial.

Edward Kofi Louis
Coffin 2

Coffin, off, in;
To bury the dead,
As being part of us on earth.

Edward Kofi Louis
Cohesiveness!

The muse of life!
Of the rational arguments here and there;
And, of your intensions and willingness,
But, try to abreast yourself with the Facts of life.

Signals!
Moving faster than expected;
But, devoid with acrimony when my baby talks.

Words of hope!
When can we get them everywhere?
For, the concordance is like the clock of our lives.

Cohesiveness!
With the staus-quo of the conceptual;
And, with compatriots at hand to touch my heart,
With the words of hope against the mounts of pressure.

The muse of life!
You are the Backbone of my love;
Nest, honest!
Seeing your face with love this morning.

Edward Kofi Louis
Cohorts

The cohorts,
They were flatterers and out for personal gain!
But the truth will come out one day.

Edward Kofi Louis
Cohorts!

In fruitful employment;
She knows him all her life and now,
She wants to mix things up.

Attentive! !
He knows her all his life;
Working professionss,
And, to settle down as a young man.

Reflective and active!
To settle down as a young woman with the muse of the life;
However, love unites the world while,
War divides the world into pieces.

Edward Kofi Louis
Coiled In

I coiled in because you people do not care about me,
And now i know what sin brings.
I coiled in because you people hated my words,
And now i do see continue wars and unending hate around!
So, open up your mind and start to learn;
For Nimrod's birthday is what you people love today.

Edward Kofi Louis
Coke, Cole, Cope, Cone, Come!

To the point,
With the work,
Of the dressing code,
Coke, Cole, cope, cone, come!
With the conformity of life,
To the very point,
To fit in,
And to stand up for what is right in life always.

Edward Kofi Louis
Cold

Wet!
Windy,
And, cold.

Edward Kofi Louis
Cold And Hard!

Illegal lust,
Being very cold and hard!
To your neighbours.

Wore, fore, tore, store, sore, whore, ore, pore, core!
Posturing,
To exhibit remorse;
Person, personified!
Figured out,
On and off the field.

No, noon, not, now, note, north, nose, noose, nook, nod!
But, questionable;
Cap, capability!
But, with frustration at times.

Cap, captures!
Food, fool, footbridge, foot, football, footer!
Assessing,
But, very cold and hard.

Pin, opines!
Sentimental,
Stubbornly.

Edward Kofi Louis
Cold Bath

Cold bath,
Late night;
Perfect scene,
Touching your heart and,
Touching your body.
Cold, old, hold, gold, bold, sold, told!
With the sounds of love touching your body.

Edward Kofi Louis
Cold Beer In The Desert

Famines, floods and earthquakes! !
Like 'Marcus Amelius Antonius' who was a philosopher and a stoic;
But eliminating political rivals is what you know,
And like the beast who is now set on the thrown to rule.

An autocrat,
To be sold as slaves;
In the period of military anarchy! !
But i need a cold beer in the desert to cool down my thirst.

We are all in this boat together,
But you are now fading away from the pages of history;
However i will be very strng and brave to lead the course,
For Rome was not built in a day.

Edward Kofi Louis
Cold Blood

Cold blood,
Death;
Cutting off the heads of many!
Thinking that you are doing the right thing;
But, this is Satanic! !!
Yes, the world needs peace than war.

Edward Kofi Louis
Cold Day

Cold day!
With your love;
The dreams of your love,
With the muse of your mind,
Gone forever! !
For she never looked back,
As she closed the door;
Gone forever!
In another man's arms;
After she followed the decision from her people;
Today,
Left in the cold alone.

Edward Kofi Louis
Cold Meat

Cold meal,
Cold meat,
Cold love;
But, opening the pages of yesterday in the land of your muse! !
Because of an emergency meeting,
For your lover was found dead on your bed.

Allegations,
Be recalled;
And like a remembrance!
But the water from the Birim River is what i need;
Because, this meat is now very cold to me! !

Edward Kofi Louis
Cold Rooms

Clean and unclean,
Holy and unholy,
Back to the Hewbrews;
Because, he brews with the truth.

Teachings,
With inspiration and true love;
Into the minds of peace,
Ant, with the joy of the hearts.

Life,
Back to the heat!
The heat of Africa;
Taking care of you always with the air condition.

Life,
In the cold!
But, you forget to warm your room always;
As the heart of joy fails to sit inside.

Muse,
Where is the love between us?
If i may ask;
While you always put off your heaters when it is cold;
And, there is no warmth in your rooms.

Edward Kofi Louis
Cold Weather

Winter! !
Coolness of snow;

Like a drink of Cold Water in the cold.

Edward Kofi Louis
Cole

Cole, cod, do, doe;
A group of gangsters,
Cod, code!
The man pulled the gun at him and,
Snatched his bag.

View, interview!
With the muse of the land,
Full of trouble;
Illegal lust!
Consumed by incessant talk.

Role, broke!
Under it,
With it,
In the land;
With the gangsters.

Lust!
Grinding everything to a halt;
Blame, shame!
Of the picture;
In the land,
And, the man pulled a gun at him.

Edward Kofi Louis

Edward Kofi Louis
Colina

From nowhere to somewhere,
From nobody to somebody,

The equity,
Resolved,
The beneficiary;
And like Colina my room mate,
But today, i am somebody!

Edward Kofi Louis

In the name of love,
In the garden of roses,
Lovable!
With the muse of the truth.

Edward Kofi Louis
Collection

Collection, ten, net, on, no, ton, not, colt, cot, tell, line, tin;
But evil appears out of the North! !
Collection, ion, toll, Cole, Lot, lot, let, cone, cell, in, cine;
The prophets prophesy falsely to gain their wealth! !
And the preachers bear rule by their own authority;
But the people around do love it so.

Edward Kofi Louis

There are no church services over here!
And there are no collections for the thieves;
For the truth is always written in the Bible,
So be very wise.

Edward Kofi Louis
Collective

Collective, it, let, lot, Cole, Lot, colt, cove, tell, cot;
And like a pale dog in your garden!

But appalling and horrible things are now seen connected in the land of your
muse.

But, try to think twice before you close that door.

Collocates, tea, cat, cats, seal, sale, ale, cool, cools, tool, tools, teal, so, loot, loots! !

And like once upon a time on your lovely bed;
For true love harms no one and it needs to be matured.

My heart is like the ocean's peace and,
Don't put jealousy in your tracks;
And do emulate positive attitudes at all times.

Try to listen to the heart beats of your friends and,
Play the trumpet on this love;
For you are mine and i will play the flute of love!
And when the night falls, people will run from bed to bed.

Edward Kofi Louis

Look at the colour of my hair!
For i am now an old man;
So look for another man to marry you,
But if you still love me then let us move on.

The joy of your heart is like that of mine,
But occupied in my mind is always your sweet muse;
And i am now an old man wondering around,
But you are still like the tree of love to me.

Your identity,
My indentity,
Playing with the muse of love to find peace;
But, you need to forget about your toils and come to me.
Muse!
Like the cold of the winter around you;
And, just like the first day and the first time.

Edward Kofi Louis
Coloured Eggs

Coloured eggs for a culture,
And of the story of a rabbit that laid them!
Oh, this culture is yet to know the truth;
For rabbits do not lay eggs!

Why should they teach the children this way?
And of coloured eggs lay by rabbits;
But this culture cannot change,
For history had made them so.

Edward Kofi Louis
Coloured Eggs Ii

Satan is the prince of the power of the air!
And, Vesuvius erupted in A.D.79;
With the symbols of fire and light,
However, Hercules was the offspring of Zeus! !
And today, the carnal mind is now enmity against Father Yahweh.

Red-Robed Lord of Misrule and St. Nicholas! !
With Cold and Darkness to the nothern mid-winter;
But, this seed of life is now being ruled by Satan.

Eyes have not seen nor ears heard it!
But, i was in prison and you came to me;
I was sick and you visted me,
And like the persuasive lips of the people around me.

On the thumb of the right hand!
I was thirsty and you gave me drink;
But, Baal-Gad is the same as Lord-God! !
And like the muse of the coloured eggs which are now being worshipped.

Edward Kofi Louis
Coloured Eggs Iii

I was a stranger and you took me in,
But my muse today is like your life on a tree house;
However, a stream came down from the snow capped mountain! !
And, your items were all washed away in the name of nature.

You and i got to suffer in this world! !
But, the Laws and the Prophets are there to guide us on;
For, he who handles a matter wisely will find success.

A comb of honey,
The muse of love,
Understanding is the spring of life!
So, live your life in the right way always and,
Let there be peace and love in this universe.

'El' is the ruler of the Gods!
And, 'the dragon' represents Satan! ! !
But, the tadpole swims with joy,
For, your nakedness is now seen in the rain.

Leave them alone! !
For, they are blind leaders of the blind;
Oh, deceived people!
When will you learn?
For, the religious customs of the people are in vain.

The last power,
The last hour,
The last move;
But today, my people are too blind to see!
For, they now worship coloured eggs in the name of a feast.

Edward Kofi Louis

Not to depress your eyes on the truth.

Combined Elements,
With the muse of life in your land;
"Cup-Shower" and "Ants-Market",
Able to make your choice in life!
With the muse of your sweet voice.

Here and there;
Like the muse of the Moon's Light on the sea,
With a church built on the dungens.

Trying to get the right ball to kick!
Able to score a goal to win match,

So, forget me not and come back home my love;
And like 'Kokomba Market' in 'Agbogbloshie',
So, come bakc home tonight and, be with me.

This muse of love is like,
The way to the sea-farer and, of all my friends at large;
But, the unabated waves of this sea of love aroun us is like,
Lake Titicaca to rest my mind in peace on your laps.

Degree is the pride of the fool!!
And, 'imagination is nore important than knowledge';
So, come back home tonight my sweet one,
For, i want the muse of your sweet love beside me.

Give attention and, you shall be heard!
Get focussed in life and, you shall fulfil your dreams;
And like the deep-water of love around us;
But, who is now hooked up on this sceptical life today?

Summer-hut and winter-cloth!
needed at times with the muse of nature;
But, i do have more intruging question to ask!
However, the DNA is the key to heredity.
Member, remember!
Come back home tonight and, let us talk about love.

Edward Kofi Louis

Please, come back tonight and stay with me;
For, your way is very far away from me,
And, I can't describe it.
Please, come back tonight and stay with me;
For, I don't know how to get to your house.

At the place of meeting;
A fountain! !
Along side with the muse of love.

Edward Kofi Louis
Concubine

Concubine, cube, be, in, bin, bin, coin, cone, cine, bone, one!
To eat something with your lover in the land of your joy;
The man and his concubine,
The two feasted and drank with the merry of their hearts! !
In an open square.

Edward Kofi Louis
Condemnation

What, hat, sat, that!
They hated me without a cause;

Who, where, what, which, with!
Living in peace like a just person without war and hatred in my mind;

Water, wet, rate, eat, ate, ware, wear, tear!
Condemnation;
Up to date,
With the acts of the very people I play with.

My plans on earth,
My works of peace;
Without hatred and war!
Anywhere and everywhere;
With anything possible to help mankind.

Edward Kofi Louis
Condemnation 2

Shamed!
Astonished,
Lame, same, came!
But with empty hands;
Hatred! !
Destroyed,
Trapped,
Trickery,
Empty handed;
Pretense,
Tense!
With condemnation.

Edward Kofi Louis
Condition

Reduction,
Conviction,
Reaction!
Condition,
Clearly outlined.

Edward Kofi Louis
Conditions

Water for the plants,
Water for the animals,
Water for mankind;
As we subject ourselves to the conditions of life.

Edward Kofi Louis
Treat me kindly than condoning me,
For what you really love is in the world!
And like the words of your teacher who left you last night.

Plants, water, air, animals, mankind;
What one person values will not be valued by the others!
Because all the fingers are not equal!

Edward Kofi Louis
Conduct

Let true love continue,
Let us share in peace,
Let us love all mankind!
Let your conduct be without covetousness,
And, be content with what you have.

Edward Kofi Louis
Conducts, Inducts!

Illegal lust,
Stop raping the children;
Because, we've heard much about you in this town.

Allegations!
Alluded;
With the muse of your illegal lust in this town.

Conducts, inducts!
To sort you out;
Nodding your head in disgust.

Illegal lust,
stop raping the children;
Of different sexes and ages in this town.

Parasite!
Something worse;
With your ugly acts in this town.

Edward Kofi Louis
Conferred

He conferred with them and they plotted against me,
But Yahchanan came to my aid and now i am alive!
For the bullets of hate are like the pains of love and,
I will always live to tell my story.

Edward Kofi Louis
Confession

Another luminous confession with a set of illiterates!
And with the credulence of their early acts spoken of;
Like a set of gibbering fools in the name of war,
As they are not ready to listen to the truth.
The waters of the flood came and covered the mountains!
But, the wise will always prepare themselves to be adorned with the truth;
For, the very men of war now found dead in the desert,
With their guns lying beside them!
Like choked and narrow drains in the land of trouble.
The porous nature of war! !
Killing and destroying all mankind on this earth;
Because of the muse of the wicked people among us,
As the waters of the flood came and covered the mountains.
Vicious perpetrate!
With brutal attacks on innocent people;
Which could spell doom to all the nations,
With the set of gibbering fools in the hands of the weapons of war.

Edward Kofi Louis
Confidence

Let me get the confidence in you!
With the muse of the truth;
According to righteous morals.

Edward Kofi Louis
Confidence

Confidence,
Yahweh is my Shepherd and I shall not want;

A pasture of flocks,
With the structure of true love.

Life, Love, peace!
In the direction of the truth;

Spirits,
Spirits of the universe;

Spirits,
Spirits of the earth;

Seeking for the truth,
Still learning from the ways of life.

Edward Kofi Louis

Blessed is the way! !
Only with righteous morals.

Edward Kofi Louis
Confidently!

Accurate understanding,
Of the just and the unjust;
Acquaintances,
And, with the confidential act of your muse;
But, joy is for the one who has peace.

Accusers,
To profane;
Confidently!
And, in a convenient moment;
But, i will call for you when i need you.

Edward Kofi Louis
Confirmation

Confirmation,
With your love;
Particle!
Properly,
Property,
But, with clauses.

Confirmation!
Classes,
Perhaps;
With your sweet love,
Innovative! !
Indicative,
Affirmation,
Stronger in love.

Edward Kofi Louis

Love and peace,
Before your very eyes;
To show the difference,

Metamorphose,
Confirmed.

Edward Kofi Louis

Nancy,
Pregnancy!
Confirmed.

Edward Kofi Louis
Conflicts

It could have been me or,
It could have been you;
Taking up a rivalry in the ranks and files,
However, inequality could have won an award at least!
By cutting the edge of the matter,
With the right decision.
The muse of life,
With conflicts here and there;
And, with an inflatable sex doll like the Tasmanian Devil!!
With the greetings from your culture to me,
However, we all make mistakes at times.

Edward Kofi Louis

Night,
Plight!
Height,
Eight times,
Field, shield!
Yield;
Conflicts of interest.

Edward Kofi Louis
Conformity

Conformity,
Purified,
And like the patience of the saints!
But the standard of Perfection is what you need;
For the Righteousness of the Righteous will be upon a person,
And the wickedness of the wicked will be upon a person!
Because, this is what we see around us always on this earth! 

Edward Kofi Louis
Confrontation

Hatred,
Confrontation,
War! !
Greed,
Destruction
Death.

Edward Kofi Louis
Confusion

Yitzhak Rabin, Yasser Arafat and Bill Clinton;
Born with different traits to inspire writers and scholars,
But the truth is gained from Abel.

To a baby's bath,
To the confused mind to stay the night;
But the coming of the nuclear wars are dressed to promote lust.

Nakedness!
The abundance of her delicacies;
For how long will it be?
And the life we grow today is like a mushroom cloud.

The wise will not understand it but the simple,
Smoking all along with the missing link;
Like a new born baby in the bath.

Prepare for the dark days,
Like once a week to a culture;
For, there is a confusion going on already in the camp.

The earth mourns and fades away,
And fornication is made to look desirable;
But we living in a world of deception ans sin,
So wake up to the truth and live like a human being.

Edward Kofi Louis
Confusion 2

Confusion,
Diseases,
Your body is full of sin;
The sins of the world.

Edward Kofi Louis
Confusion Iv

Infusion!
Confusion,
Submission;
To the Babylonian System,
The system of hatred and war.

Edward Kofi Louis
Confusion!

Confusion!
War times;
Destruction,
Sadness and misery.
Tribulation!
With outside influences;
And, with the hardness of the hearts of mankind.

Edward Kofi Louis
Confusion! ! !

Confusion! ! !
With hatred of the hearts and,
With the acts of the minds;
of mankind,
With the muse of the people;
Coal goal, charcoal, foal!
Confusion;
But, try to understand why you are on earth today than,
Killing others with your attacks.

Edward Kofi Louis
Congratulations!

Love,
Its message,
I can feel it,
You can feel it;

For seeing your works;
Very different from others,
With the colours of true love.

Edward Kofi Louis

Congress,
Deadline;
But the presence of your love is known to us,
And like the mango trees in my compound.

Edward Kofi Louis
Conklin

Conklin,
I give you my words to the homeless and the street children;
For many will fish for others to eat on this earth.
my love to you is like the camel-taxi in your township and,
My mind is free forever!
Where the humble hearts do go are our home of stay,
And you can do it and eat it with me;
For great are your words on this love.

Edward Kofi Louis

The treasure of love;
And to solve your problems with muse of the truth.

Edward Kofi Louis
Connected

Mused,
Infused,
Connected.

Edward Kofi Louis
Conni

Your love is like the beautiful vegetation,
With a turquoise clear sky to kiss you always;
But your greenery forest is very thick and hush.

I was the guy in town and you were the lady to meet,
For the buzz of the ocean was like your love that night.
Conni, you sweet love resonates with my soul and,
The tranquillity of your heart will be mine always.

Edward Kofi Louis
Connived

Investigations,
Alleged,
Robbery,
Arrested,
Connived,
Armed with a knife!
But, a digital camera took your image;
And you were arrested.

Personal,
Logistics,
Effects,
Collected,
Efforts,
Quietly,
Cross minds!
But you entered her room and,
You were arrested.

Expressed,
Operations,
Gathered,
facilitate,
Mentioned,
And to express surprises! !
But you were easily busted by the police.

Edward Kofi Louis
Conny

Love, fear and tiredness;
Your greediness is like a bomb blast!
But the hate in you will never be seen again by my eyes.

Time, news and war!
You are not worthy to my love;
For you are the lady who wears a mask towards my heart,
And yu can't return to humanity when you hurt someone.

So near ans so close!
But you stole my heart away with your negative mind;
And i don't mind admitting it to others around.

You are Conny and you are very corny,
But i have some corns for you on this love that is in the dark;
For the hate in you will never be seen again by my eyes.

Edward Kofi Louis

In the very act;
Being convicted,
Conscience!
Following after the truth;
And, to overcome darkness.

Edward Kofi Louis
Conscious Choice

This dream is full of fantasies so,
Teach me and i will hold my tongue;
This romance is full of fantasies and,
It begins with the natural feelings;
But like the ways of the snake,
It will surely lead us to vanity one day.

A conscious choice,
From the egg of a vampire to teach us all!
And the matter is too hot to handle.
A conscious choice,
And with the synthesis of the growing urge;
But the sweet spot is all about you.

This sweet spot is in life and,
It is like moving across the River Nile;
For it is not what you always want is what you get,
So i will hold on to this dream for a while.

An amorphous conglomerate,
For this day is set before us;
But a man whose house is on fire doesn't chase rats.

Edward Kofi Louis
Conscious Doors

Crowned,
Progressive;
Journal,
Creating an attractive retail environment.

Love,
With conscious doors;
And, windows of hope,
Bringing joy to the hearts.

At the academy;
With the muse of a cottage in view.

Love needs time;
And, of the stability of the conscious minds,
For, the wisdom of true love is guided with the truth.

But, opportunities like these need the civilization of the male and the female;
Under the laws of peace, unity and joy.

For the consequence of it will make you learn.

Edward Kofi Louis
Consequences

President, incident, accident!
Strech, wretch, retch;

Hurled,
Loathed,

Edward Kofi Louis
Consequences 2

I called!
You did not answer;

I spoke!
You did not listen;

And you did evil in the eyes of the public,
You chose your own way!

You now have to face the consequences alone,
Because, the Law got you.

Edward Kofi Louis
Consider It Done

If we could look beyond the skies,
We could have seen the true image of Yahweh;
But why should we do that?
When Yahshua was with mankind teaching the truth.

Beyond the skies in the name of the Space Research,
But for how long can we seek for the Creator?
Howeverr, consider it done when you have the care for others;
Because, this world is still not bringing us peace.

Once a while the proton goes up! !
On its realm to fill the skies;
But, without one's faith, how can it be done successful?

We waste billions on arms on this earth while many go hungry,
We kill others easily on this earth with the bombs! !
But, if i could fly up high to reach the skies,
I will let food fall down in abundance to satisfy all mankind.

We should know why we are here on this earth,
And, we should try to live peacefully with one another;
But the purpose of the Creator for mankind is far forgotten!
And, we've made hatred our weapon instead of love.

Edward Kofi Louis
Consider Them

Duplicates

Duplicate, triplicate, quadruplicate!
I still have the original message to you all;
For i have created three works to satisfy my muse.

My breasts are very small in size,
But you will love me for what i am;
And like making a woman pregnant at the right time,
However, this original message is for you only.

The words from a wise man's mouth are very precious!
And wisdom gives light to those who have it;
So keep the first 10 cents from your Dollar to the Creator,
And the second 10 cents to the Bank!
Then enjoy the rest on the days ahead of you;
For, i am at the Donkey Island with my love.

Copies!
With many of them in this world to respect my muse;
But i am a woman and i need love from you,
Because, i do have the original message to satisfy all the copies around!

Copperfield

Resuscitate your oscillated love towards me,
For i can't stop thinking about you;
And i am heavily encrusted with the heroic myth on this muse.

The early bird catches up the early train,
And like Jerry's last flight with the contemporary arts;
For my love is stronger than the environmental tides.

Copperfield,
My love doesn't sail slowly like you thought;
But it can also put the winds back unto your love,
Because you are now on the wings of my love!

Defenders and admirers,
I am in the sweet garden of your love;
But the food that we ate last night matters to me,
And i want you to resuscitate me with your love.

To the wrong side of life.

Edward Kofi Louis
Copulation

Young and old by the storm of the heart,
And with the attractions of the forest to swing the muse;
But she has the most wonderful breasts and body.

Relationship needs behaviour and like your own tea cup,
But do examine yourself before you tango!
And do not be ashame of yourself when you have to learn.

Copulation,
To love me deep like my pituitary;
And with the shows of the exhibitions of your sweet heart.

You are so beautiful by all standards and,
Lovable as the moon!
But try to have the notes of love and to learn the rules.

Edward Kofi Louis
Copulation II

The day of my copulation was in the rain!
The day of my pregnancy was in the heat;
And now, i have given birth to a child without a husband.

Sad stories in the ghettos! !
But, i have already learnt my lessons well;
However, i still remember the day of my copulation in the rain.

Edward Kofi Louis
Copy Of The Collection Of Poetry

Copy of the collection of poetry,
And the dog with the rose came along to greet me;
But who is ready to listen to me?

Of the money demanded which was so high!
But i have to carry on my faith to reach out to my dreams;
And like 'Smithfield Street' in Pittsburgh,
But why should i pay for such a sum?

I have my my mind and you do have the machinery,
So together we can easiuly publish books for the masses to read;
And like the Business Economy i learnt in school.

The market is now limited with views and ideas,
But experience is the best teacher on this earth;
For my recognition is known to all,
And like a marital bliss in the camp of lovers.

Edward Kofi Louis
Copycat

You copied 99% of my poem and made it your own at ,
The title of my pome was: 'DAY BREAK AFRICA';
And you used the same title as well,
But this poem of mine was read on Major ons in Africa some years back.
This poem of mine was also PUBLISHED in a Ghanaian Weekly News Paper
called, 'The Hints';
June 20-July 5 2003 Edition and i still have a copy of it.

At page 14 you will read my poem, Day Break Africa, with my name and address
under it;
I then send the same POEM to ,
But it was very strange to see the exact copy of my words at your site.
You changed the number 21 used to 23 because you are 23 years old and,
You were born in 1987;
But the meaning of my 21 was not my age when i wrote this poem in the early
2000.

I know why i used all those words and they have much meaning to me,
But what can i say since you are also another African who had copied my poem?
It is very sad but i am very glad that this poem touched your heart and you
made a copy,
But let us be straight to ourselves as poets.

Copycat,
Please try to learn from others better than making the exact copy of somebody's
work;
Because copying others works will only promote them than you!
Respect to Africa and respect to the muse of poetry,
And of all who had made it possible for others to learn.

DAY BREAK AFRICA,
Day break Africa with the muse of my love to teach the world;
For i am an African along the peaceful path of love,
And i still have more for poem lovers who do read poems at .

And now, the upraised arm is broken.

Edward Kofi Louis
Cords Of White Linen

White and blue linen,
Decorated!
Cords of white linen;
With purple materials tied to silver rings on marble columns.
Autumn, column!
With mosaic pavements of alabaster;
Couches of gold and silver!
Turquoise and, white and black marbles,
In the land of peace and joy.
Gold goblets! !
Royal wine,
Merciful and generous;
To behold the truth and, to be very beautiful in the land of roses.

Edward Kofi Louis
Cordula

Find me someone who can play very well,
For my love was stopped by a large stone last night;
Find me the bronze helmet of love,
For i need to protect myself from hate;
Because i am a servant of love and my name is Cordula.

Edward Kofi Louis
Corn, Corner!

Corn, corner!
Fastened,
Skillfully,
With the muse of the germ cutter.

Edward Kofi Louis
Cornish Cream

The star!
To learn;
Like a fire in the bush! !
But, the jewels of the heavens are,
The jewels of righteous laws.

A faster star! !
The wall,
This wall;
Protected by a guard.

Food for thought,
Much appreciated;
With the works of the truth,
And, you are always welcome to my simple abode.

Cornish cream!
Nature has its own rules;
And, we have to live by the laws.
Fire in the bush! !
Deep down in the bush;
But, the roses of Africa bring peace to all.

Edward Kofi Louis
Corpse

Take the corpse away and bury it,
Take my love to my lover and cover her nakedness,
For she should be buried and i will mourn for her;
Until i see the joy on the other side of the river.

Edward Kofi Louis
Corpses

Corpses, sore, cops, copes, rope, ropes, ores;
But, it is burning and emlting down like a river! !
And like the colours of the fire around you;
However, no one can lobby death.
Corpses!
In Syria;
Obverse, verse!
Opus, odium, vagrancy, variety;
With only obstacles on the way.
Corpses, cop, cope, pro, pros, roe, core, rose;
With tears in my eyes in the name of the war in Syria!
And like sleeping naked because of the heat.
War in Syria! !
Like a 25-year-old man who raped a 75-year-old woman;
Corpses, Rose, Ross, press, ore, cross;
Burning and emlting like a river!

Edward Kofi Louis
Correct me

Correct me,
I need correction;
Hiding under the grass!
Waiting for your words.

Correct me,
I need correction;
To face the grills of life!
Able to stand firm with my life.

Edward Kofi Louis
Correct Your Child

Correct your child and, he or she will give your peace;  
For naked i came out of my mother’s womb to teach others!  
Sweet and honourable to the works of peace.

Light at evening time,  
Light during the day,  
For a righteous name is better than precious ornaments;  
However, failure is the highway to success.

Correct your child!  
With the melody of peace;  
Like a mother who plays the flute of love.

Try to train your children the very way that they should go!  
With positiveness;  
Like taking the chaplin to do the chaperon,  
With the fruits of a new beginning.

Edward Kofi Louis

Because, you had the wrong education in your heart.

Yes, the education of hatred and war that destroys the world!
And, that is not the answer to peace and unity;
Because, you hate other people.

In, inmates!
With the comments and the reactions from the land.

This is like the memories of my love gone by,
But do not disturb the bones of the dead;
Because, you are standing on the Mountasin of Corruption!

Because, mankind only look at outward appearances.

Edward Kofi Louis
Cot, Clot, Contort!

The lamp of the body is the eye,
But, your body is more important than clothes;

Listen to me now,
For there is a sound of music flowing in the air;

For the melody of a realm is about to touch you and teach you;
And, to 'Courtney Pine' i do pay my respect.
Listen to me now,
For the message will infuse your brains with Jazz! !
And, to 'Courtney Pine' i do give my respect;
However, it is very important to listen to the words of our elders.

The Jazz music of 'Courtney Pine',
it is very important to learn from him as well;
So, listen to the sweet music of Jazz that he plays!
For the melody of this realm is about to touch you and teach you.

From the lessons he learnt from 'Mac Tontoh';
And to swing up with his mind so sweet! !
From the Jazz world of love and to the Jazz world of peace,
But, you've got to be somebody for someone on this earth.

Hope is a beautiful mind in your heart's desires,
But you are of the courteous order of the realms!
And, you are unifying us with your Jazz Music;
For, you're paired in nature's endeavours.

'Courtney Pine',
Nurturing everybody with the 'Order of the British Empire' (O.B.E.) !

And copper is smelted from ore!
Surely, there is a smelter for silver and,
A place where gold is refined;
In the land.

It is a natural process but,
Let us watch out for these sexually transmitted diseases! !

The pride of parents when a baby is born,
And cradled in the mother's arm is this new born;

Oh my sweet Princess, come for this cream of love;
For you are the most beautiful lady that i have ever met.
Come to this black mountain and let me visit your palace too,
For your dreams will always be in my sleep.

Come on top of this black mountain,
For it is very cold at night;
But i will warm you up with the sweet blanket of love.

Come my sweet Princess,
For you are the only one who really means much to me;
And i will keep the sweet cream of love for you only.

All in the name of culture and custom,
However, the foreigners among them are really suffering!
All in the name of integration.

Living,
In the land of papers;
With headaches and depression,
Of talents and time being wasted due to the number of years taken to understand a language.

Edward Kofi Louis
Culture And The People

Walking across the land;
Dancing and drumming,
And, speaking with the muse of their language.
The festival,
The people of the village;
Speaking their own language as,
They danced along with the muse of the drummers.
Culture and the people,
With the high tone of their voices! !
In joy with the muse of the festival.

Edward Kofi Louis
Culture Express

Press,
Culture express!

Repress,
Culture in motion;

Without stress,
To dress! !

To address,
To impress;

Only to redress when,
Something goes wrong.

Edward Kofi Louis
Cultures And Traditions

Mankind,
With cultures and traditions around the world;
Seeing your colours,
Seeing my colours,
Seeing our colours,
With the muse of the languages of the world.

Mankind,
Living on earth,
With cultures and traditions;
Here and there with our works,
Here on earth with the muse of life.

Edward Kofi Louis
Cumbersome

Cumbersome,
Walking around;
Facing the world,
With the works of the terror everywhere.

Books! !
With the willows of the brook;
Come in as you will and,
Let me satisfy my mind with the works of peace.

Coach, approach!
With the reproach of the world;
Imcomparable with the works of the truth,
Because of the wicked ones among us.

Edward Kofi Louis
Cuomo

Few, dew, new, sew, mew, crew, drew, brew, grew, hew, Jew, pew, yew;
Cuomo is my name and, i want you to understand my muse!
For, i do have a message for you on this side of the river.
I dreamt of it and, it came true;
But, you still don't know who i am at this side of the river! !
So, Stillger came along and told me about your life.
8,000 Volts of love! ! !
Wait for the next truck to bring you along to the side of this river;
For, the fire is still burning on your love,
And like 900°C in the land of your muse!
But Apel came in with the news for me to understand your status very well.

Edward Kofi Louis
Cupboard

Cup and board,
All my items are in the cupboard;
Searching for them in the broad day light,
With the muse of the broad way in my mind.

Edward Kofi Louis
'Cup-Shower'

In this life,
There is always a teacher to teach you if you want to learn;
But, you need a 'Cup-Shower' and a candlelight to clean up your mind.

In this life,
There is always a teacher to teach you if only if you are ready to learn;
For, it takes a step forward to reach out to the heart of someone!
And, my mind is waiting for you.

The food prepared in the morning is about to be eaten,
And there is always a student when, a teacher is ready to teach;
So, be abased to my sweet muse when you are touched!
For, my sweet love is zooming around you.

Accomplishments,
With the calmness of a muse so sweet that touches you!
For, there is always a teacher if you want to learn;
But, to win a continental laurel means a lot,
However, the truth of life is always around you! !
And, you don't need these forbidding mountains to teach you.

Edward Kofi Louis
Curdled Milk

Curdled milk,
To drink it for love;
Peered through the window,
And through the lattice!
To answer you,
With the words of joy.

Edward Kofi Louis
Cure, Epicure!

Price-friendly,
Globally;
With the muse of your works,
To provide insight!
The insight of your works of love.
Cure, epicure!
To locate your cream,
With the muse of your works;
Going along life with a positive mind.

Edward Kofi Louis
Lured!
But cured with love;
Pure, sure!
To carry on your work.

Edward Kofi Louis
Curiosity Kills The Cat!

You came to me last night! 
In the bathroom,
When i was bathing;
You were scented with sweet perfume and,
You asked for love.

I was surrounded with soap water!
But, my love ego came along to satisfy your muse;
Curiosity kills the cat!

Sweet scent,
Nice body,
You helped me realise my dreams;
Nice and easy,
Nice and lovely,
Together with your love.

Edward Kofi Louis
Current Affairs

Current affairs,
To come to terms with the past;
Like two sides of a coin,
In a situation like this.

Painful past! !
Like a deep open;
Red, dress, redress!
Like a woollen scarf;
Divisions!
With accountability.

Edward Kofi Louis
Current, Rent!

Current, rent!
With a radical change;
To match the resources available,
Deed, indeed!
Like a narrow valley in which a brook runs.

Edward Kofi Louis
Curtain, Certain!

To comfort you with my sweet love;
But, the life of the flesh is in the blood.

Curtain, certain!
We need the laws of peace to carry us on;

Scroll, roll!
But, sin makes you powerless before the laws.

Edward Kofi Louis
Curtal

Muse,
Life,
Curtal,
Shortened!
Seeing the war in Syria,
Lives! !
Wasted;
Specifically the dead;
Those killed,
With the wickedness of mankind on earth today.

Sow and reap,
For I am Cush from a land full of plenty and love.
I do walk along with Zeo and Ella,
But try to face your deepest fear in this life;
For the thick bush needed to be cleared today.

Edward Kofi Louis
Custom Men And Women

The mighty ship full of items at the harbour is missing!
And, what are the custom men and women doing about it?
They took hold of it with wider eyes!
But now, waiting for bribes to fill their pockets;
And, this ship is nowhere to be found.
What a mystery! 
Twisting you around waiting for bribes to fill their pockets;
And the truth is, they always feel unconcern! !
However, one day, the bell will surely toll on them.

Edward Kofi Louis
Customary

Here she comes again!
The sweet lady of my heart;
But the spoon plays around alone and the fork and knife work together,
And you are now confused because she missed the train last night.

Customary,
Tighten it up with the pin of love and come to me;
For there can be miracles when you do believe in it.
Nile, vile, pile, bile, file, mile, rile, tile, wile;
The woman came in as the morning approached,
And like the poor man's lamb and the rich man's power!
But she came around because of me.

Edward Kofi Louis
Customary Rites

Customary rites,
The Germans were the first to use lighted candles on birthday Cakes.

Viewing the houses seen at the Mountains!

Service to all mankind,
Having righteous laws beside you to bring peace to the world.

Edward Kofi Louis
Customs Of The East

Fields of love and fields of peace,
Where are your lovers who left you last night? !
For they have now left you with the customs of the east,
But i am now ready to teach you people about the truth.
The customs of the east have blinded you people,
And your lovers could not stay because of an errand;
But i am now ready to teach you people about the truth.

Edward Kofi Louis
Cut Without Hands

Present a riddle and speak a parable,
Write a proverb and learn a poem on this love;
Because, there is a hole in the wall.
Like mother like daughter,
Like father like son,
Like aunty like niece,
Like uncle like nephew,
Like grandmother like granddaughter,
Like grandfather like grandson,
There is a hole in the wall which is between us.

The solving of riddles will finally bring us together,
With joy and the lovely peace on this love;
Like the chain of gold around your neck.
Joy and gladness is what you need to move on,
For I am the stone cut without hands;
Of iron, clay, bronze silver and gold;
Try to look well with your eyes like,
The riddle of your love on this wall.

Edward Kofi Louis

The cutting edge and the modelling queens,
A lover's leap over the alligator's pond is what i see!
But try not to pollute the nation with dirty tricks.

Be very prepared in life always and do what is right,
And with honesty and responsibility;
But a lover's leap over the alligator's pond is what i see.

Edward Kofi Louis
Cutting One's Nose

Clueless,
Incompetent!
Crooked,
Cutting one's nose to spite the face;
In your land.

Muse, use, fuse, infuse!
But, try to do the right thing in life;
Leading to peace and joy,
Than, with the bullets of war!

Benefit,
The experience!

Trust is earned with the muse of the truth;
So, put the system in order.

Life!
Put the systems in order and,
Work towards them;
With the muse of the laws,
Changing the hearts and the minds.

Edward Kofi Louis
'Potato-hills' and the hills of love,
Of the ecological consequences to write out my mind;
But the climate's upheavals are all around us.
The sun is hot and the gates of love are now opened,
But the earth changes like a pressed clay under a seat;
And my precious one is the cynosure around you.
This beautiful world of love is like her muse,
But to visit a bar and to take a drink is like your muse;
And of all the men who will like to kiss her lips.

Edward Kofi Louis

For your fortified cities are with walls, gates and bars;
And you have distinguished yourself among the lot!

But, the gift of the holy spirit is closer to you;
Because, to see the beautiful gate of sweet love is with your mind.

The law of joy! !
And, the peace of the mind;
Love!
Maybe it was a clue last night.

Edward Kofi Louis

What i don't want to drink is what i drank,
What i don't want to touch is what i touched,

Dadson

I am the son of my Dad and my name is Dadson,
But i am here to stay on your love like the King of Pop;
And my love is like a Bishop lost in the thick forest of Ghana.
Come to me and i will take you the 'Omanhene' and,
The Queen Mother of my area;
But to destool you on my love is what i will never do,
For i am like the sweet of a mango tree.

Edward Kofi Louis
Dadzie

To spot your love in a bush near the River olla!
And like a case at hand by the 'Hohoe Circuit Court';
But, i am about a kilometre away! !
However, this very case which led you to court was because of,
Dadzie your friend who prepared the concoction for you.

Edward Kofi Louis
Dagon, Dragon!

Positioned,
Back to the place;
And, to pen it up.

Positioned,
To keep watch of it;
But, whose picture is this?!
And, whose name is written beneath it?

Positioned,
Back to the very place;
For apurpose,
And, for the peace of the land.

Dagon, dragon!
To build the world with hatred and war;
With the destruction of mankind,
But, war is not the answer to the peace that we need on earth.

Edward Kofi Louis
Daily Allowance

Give me the daily allowance on this love and,
Let me treat myself for twelve moons on a beauty regimen;
Because i waited for three days before i met you.

A silent prayer of love,
And each man is with his weapon of love in the hand;
But my daily allowance is needed on this issue because,
I am the girl behind the mirror hanging on the wall.

Edward Kofi Louis
Daily Fantasy

Fan, fun!
Daily fantasy,
Not to ban the truth,
Rather with the works of peace and love than,
Hatred and war! !

Edward Kofi Louis

Daily guide,
A message from a tomato seller;
Daily guide,
A message from a plantain seller;
Nike, like, hike, mike, dike, bike, kike, pike!
And like the muse of sellers at 'Bosoma Market';
But there i met the products that i needed.

Edward Kofi Louis
Daily, Dairy, Daisy!

Love and pain!
Left lonely in the train;
In your chain,
With your brain,
Like the drain,
But with hope!
Tap, tape, trap;
Strum, rum!
Strudel,
Daily, diary, daisy!
Casserole,
Role!
Long roots,
With many branches;
Boiled!
Fried,
Toasted.

Edward Kofi Louis
Daimler

You will speak my words to the world and,
You will teach many yet to be born;
Because i am Daimler from an unknown land and,
You will surely seek after me one day.

Fear not!
But rejoice;
For great is your reward with me,
And we will meet 'nose-to-nose' like the peanut butter.

Peanuts for one cent and of your love to the masses!
'Aber ich vertraue Dir';
For, i am Daimler from an unknown land.

Ah! That's my friend's wife;
And these sneakers are what you want,
But my garden is now full of roses.

Edward Kofi Louis
Dainties

Dainties, sin, ten, net, stain, in, sand, den, it;
And like burning coals,
But let the men of blood depart from you!

Spice, rice, ice, nice, mice, dice, price, lice, vice;
And like two boiled eggs and gin!
But let the men of blood depart from you.

Dainties, tan, and, an, as, ties, saint, is, ants;
And like the muse of love in the time of war!
But let the men of blood depart from you.

Edward Kofi Louis
Dainties 2

Dainties,
Deceptive,
Animate beings,
Drunkard!
Glutton,
But, do not rob the Poor! !
And, make no friendship with a quick-tempered Person.

Edward Kofi Louis
Daisy

'Obi n'hu n' obi n'eko'!
Pregnancy grows up front for the people to see and,
You can't hide it from the public as well;
So, try to understand your status and be straight.

At 36 you have 9 children already and,
How many children should we expect from you when you are 42?

There is urine and pepper in my soup for me to drink,
And with the sadness taken from your protruded stomach;
But do not be pig-ignorant to the facts before you.

Daisy my friend,
Pregnancy grows up than you think;
So, try to understand your status as at now and be straight.

Edward Kofi Louis

Then come and show your love to me;
For i need a mantle to follow you.

The sea is expanding and the forest is vanishing;
But my love for you is forever.

Edward Kofi Louis
Dallas!

Dallas, sad, all!
'Action and reaction are opposite and equal';
With police Shootings against American Citizens,
And with the citizens replying the Police in the same way! !
'An eye for an eye and, a tooth for a tooth';
But, this is NOT the Way towards peace and unity.
Dallas! !
We rather need peace on earth than, violence;
Peace in the Neighbourhood!

Edward Kofi Louis
Damaged

Damaged, age, aged, dad, dam, mad, dead, gad, dag;

For, we all need a guide in this life.

Edward Kofi Louis
Damascus

Set up places for yourselves in Damascus,
For my lover is like two small flocks of goats;
And i am ready to market my wares with you all.

Edward Kofi Louis
Damascus Has Grown Feeble

Dragged away,
Run away from her! !
For, i am troubled like the tossing sea which cannot rest;
And, Damascus has grown feeble because,
Terror has seized her.

Glean, dean, wean, clean, lean, mean, bean, Jean;
And like a family without home!
But, who will come and clothe these people?

To and fro by the walls,
To and fro with the bombs,
To and fro with the bullets,
Oh, you who attack Damascus! !
You still trust in your riches but, they will not save you.

Edward Kofi Louis
Dami

You only came yesterday! !

For the forest out there is guarded by Dami,
And, you need me to lead you on.

The truth,
Moved with a fervent zeal!
In the way thast it was meant to be;
Three, tree, the, he, her!
With the peacful solution of life;
Under the leadership of the laws.

Edward Kofi Louis
Dampened!

Arrow, marrow!
Disheartening,
In a devastating mood.

Dampened!
With ill and inhuman treatment;
Living abroad.

With no tangible reason to support your act;
Because, you killed her after raping her.

Edward Kofi Louis

Love,
It tastes lik sugar when, we all live in peace on this earth;
War!
It is very horrible;
Destroying each one of us.

The muse of life,
Like the golden needle with a thread;
To live longer or shorter on this earth,
According to the rules of the laws of nature.

The muse of love,
To stay very calm with the lasa;
Learning and becoming perfect with the time.

Seen around with your lovers,
As you came along the narrow path.

Hallow, sallow!

The facts of the truth are made bare for you to see but,
My poem will dropp on you like the rain;
For love is all that i bring to you.
Multiple orgasms,
It is not beyond you when the muse tolls;
For it is like physiology and psychology,
But don't be like a wolf in a sheep's skin on this love.
Danielson,
Most sex acts are more of lust than love;
And of the same time and of the same act!
But this act of love is like,
Taking in the waters of your sweetheart! !
For love is the food of the mind and,
Truth is the food of the heart.
The tales of yesterday is already gone and,

Danny,
You deceived me and made love to me;
Yes, by one night sex and i am now pregnant!
But the blue cloth was over my golden altar of love.

You deceived me and slept with me,
And like the oracle of one whose eyes are closed!
For all that was is,
And all that is was on that day.

The little owl and the fisher owl saw us,
And of the old man full of years!
But the mountains quaked and the travellers walked along,
For you took the advantage to deceive me.

The warriors grew plump amid,
Of Baalim and Elohim!
But i am now weeping for what you did to me,
Because this pregnancy is now the witness between us!
And my joy is now lost in the thick forest.

Dark Sayings

A tree in the midst of the earth,
Wet with the due of heaven;
Like the potter's clay,
I have my mind as a poet to reach out to you.
A message to the Queen Mother of Lewis' Isle,
rabbah is a stable for camels;
I have my mind to share with you.

Dark sayings,
Dark words,
Hidden works of art for many to learn;
Listen oh heaven and earth.
Of lambs, rams and goats;
Of lambs, bulls and camels;
Like the fingers of man's hand that wrote.

Of the writings on the wall,
Dark sayings to the Queen Mother;
Excellent in splendor,
Of worldly luxuries to the dark sayings.
A message to the Merchants of Tarshish,
To the Great Sea at last with love;
Life is like unwalled cities where,
The fowls of the air do learn from.

Dark sayings,
The image's head of fine gold;
I am on the bank of the River Niger.
To come in like a storm in the valley of travellers,
Of creeping things upon the earth;
I am with the stick of Ephraim to,
The sea that feeds us.
Of the dark sayings,
Like men upon the face of the earth;
Of women like a cloud to cover the land.

Let the wind blow always,
Let my mind learn always,
The writings on the wall matters to me;
Like the opening of the Summer.
Oh waters of Meribah Kadesh,
The image's head of fine gold;
Breasts and arms of silver with,
The feet of iron and clay to learn from.

Dark Shadows

The tourist! !
Dark shadows,
Winter,
Summer,
Go for the gold!
Of your seeds,
Of my seeds,
Steel,
Still,
Waits!
Sleeping beauty,
Unknown,
Phantom,
Atom,
Light,
Light,
Edition!
Dark shadows;
Chronicles,
Apollo,
To the hotel,
Ashen,
Of the descendants,
Ask,
Asterisk,
Like hell! !
Astute,
To the zoo;
Toy,
Green day!
Deluxe,
Rocky,
Stone,
Sour,
Soul,
Braced at last!
Of the contour,
To the mirror,
Of your story,
To the editor!
Sons of the morning,
Daughters of the evening,
Home of dark shadows!
Clint, flint;
Days later,
Weeks later,
With your muse,
Like Robin Hood!
But, without nightmare.

Edward Kofi Louis
Dark Side

Dark side! !
Dark side of life;
Wickedness!
People with evil minds,
Destroying the earth.

Edward Kofi Louis
Dark Sky!

Perception,
Reception,
Dark sky!
A formidable force,
With the muse of the gender of life;
And, the interventions of nature.

Edward Kofi Louis
Dark Waters

Thick clouds of the skies! !
Dark waters of the Earth,
And the beds of the seas appeared;
Roe, rod, rode!
And the foundations of the world was laid bare;
Exposing our sins.

Edward Kofi Louis
**Dark Winter Blues**

The darkness of winter in some parts of the world!
And of the blues that it brings to make them sick;
But, who is able to challenge nature?

Dark winter blues,
From the middle of November to the end of January;
There our hopes laid so low in the North of the Arctic Circle.

Dark winter blues,
To endure the long dark nights of the Arctic Winter!
With pastel shades of blue and violet wrapped in the snow.

Snow balls,
Snow falls;
The dark winter does have negative effects on some people!
But, the earth will keep on moving.

Wrapped in the cold of the snow,
With seasonal moods from the winter blues;
But this sadness of winter cannot be wiped away so easily.

No place to escape to with this claustrophobic!
But it is a matter of patience and time to push the days away;
However, the orbit of the earth is what makes the difference.

Edward Kofi Louis
Darkened

Senseless minds!
Darkened with hatred and war;
Planned before hand,
Leading to senseless life.
Hatred!
Unwise;
War! !
With the muse of senseless minds;
Unholy,
Unrighteous,
And, to suppress the truth.

Edward Kofi Louis
Darkened 2

Darkened,
And you cried out with a loud voice! !
To revolt;
To examine,
In, incites!
To chastise,
To release,
Choices! !
Acquaintances;
Demanded with the muse of your act.

Edward Kofi Louis
Darkness

Walk while you have light!
For the darkness comes upon you and,
You will not know where you are going.

Edward Kofi Louis
Darkness 2

Darkness,
Beares of deceit!

Wickedness,
You are a fake healer! !

You mocked and ridiculed your friends,
With your evil acts.

Edward Kofi Louis
Darkness And Sorrow

Speedy to the plunder,
Swift to the spoil;
The lion will eat straw like the ox.
A tumultuous noise,
The bricks have fallen down;
Light and joy,
Darkness and sorrow,
The wolf will dwell with the lamb;
To the brook of the willows like,
The Sycamore Tree that are cut down.

Love is as strong as death,
Jealousy is as cruel as the grave;
Listen to my muse oh Earth!
As white as snow,
To shave with a hired razor;
As slow as the tortoise,
The leopard will lie down with the goat;
In a barren night like a stillborn child where,
The teeth of the young lions are broken;
Darkness and sorrow,
Love is as strong as death itself.

Edward Kofi Louis
Darkness Had Fallen!

Darkness had fallen!
And the sun had set down;
As it reached its full measure,
Breath, breathe!
As you heeded to the voice around;
By a spring of water in the desert.
Born, borne!
But, let your speech always be with love;
Salted with the laws of the truth.

Edward Kofi Louis
Darkness Of War!

The voices of lightning,
The darkness of war comes to expose us;
But, the space of time between these events are like,
Our own appointed jobs on this earth.

Edward Kofi Louis
Darkness On My Paths

Are you the first woman ever born? !
The your own lips testify against you,
Are you the first man ever born? !
Then your own mouth will condemn you;
For you've set darkness on my paths!
And the seducing tongue of the adulteress sits beside you.

Edward Kofi Louis
Darkness Takes Over

Lust!
As the sun set down and,
Darkness takes over;
With the very ways of mankind,
On this earth.
Life,
Thirsty for illegal lust!
Because of your evil ways;
Illegal lust!
With the apple in the pig's mouth;
Leading your ways and,
Taking you away from the truth.

Edward Kofi Louis
Darkness With Power

Darkness with power! !
The power of the dark,  
In the night; 
The power of the night, 
With positive and negative works seen around.

Edward Kofi Louis

To eat in the dark,
To bath in the dark,
To dress in the dark,
Waiting for the light to come.

Dastardly, tars, dad, sat, as, sad, yard, yards, say, ray, tray, lad;
Attempted,
Suspected,
Wielding a gun! !
But relating to allegations;
And the investigations continued,
However, you were caught involved in another case yesterday.

Dastardly, dastard, last, art, at, tar, rat, star, rats, day, dart, lay;
With words of the muse and with words of the law!

Date, Graduate!

The dancing sea!
Sweating is part of life;
Young ladies,
Moving on with their steps,
In this act of dance.

Open your eyes and see beyond your mind! !
The 'comma' makes the difference;
Be, beyond!
The 'full stop' makes the difference;
The dancing sea!
The 'punctuation' makes the difference;
Captued with love,
Young ladies with their dancing steps.

Touches! !
With the muse of love;
The 'apostrophe' makes the difference,
Watch their eyes,
And you will see the muse of a culture being displayed.

Aid, maid!
To hold tight to the works of the land;
With the custom of the people,
With the muse of the dancing sea.

Aids, maids!
Under 21;
With positive moral characters needed to change their bodies,
Dancing along,
To respect their culture.

Edward Kofi Louis
Dates, Gates!

The muse of life,
With the facial expressions on nature's call;
And like the postman with the authentic magazine at hand.
The muse of life,
The flowers of love are needed on this issue;
For, true love opens the gates which are tightly closed.

Technology!
Wireless;
With the muse of the remote in your hand;
However, do think also of those who do not have.

Dates, gates!
Delegations;
But, try to be above water always and live,
For, you are too Young to die now with your negative acts.
The thoughts of mankind,
With the muse of the world;
But, the postman is with the authentic magazine.

Dathan

Dathan, Dan, and, that, hat!
An eloquent teacher,
Guided with love,
With the strength of peace,
Noted with mercy! !
Building up the minds of the people.

Edward Kofi Louis
David

It will spread like gangrene,
Of profane and vain babblings;
Because the farmer who gives his labour has,
The right to the first share of the produce.

Of the seed of David,
Of the seed of love;
A workman does not need to be ashamed,
So study and get yourself approved.

Edward Kofi Louis
David And Goliath

No prophecy of the Scriptures is of any private interpretation,
But they were written for our learning;
So come out of her my people that you do not partake of her sins!

The activites on this earth is like David and Goliath,
With many experiences to write about;
But the truth is always the truth.

A man out of the dust of the ground,
A breath of life into his nostril;
And to become a living being to control the earth,
But Adam named the living creatures.

Edward Kofi Louis
Davide

Davide, David, iad, aide, did, die, dead;
With the news of the sad stories from the land of war,
Where, there is no peace.
Chill, hill, ill!
With the bullets of war creating refugees across the borders;
But, when will mankind drop down the weapons?

The drama! !
The bullets of war;
Death!
With the projections of war;
But, when will mankind drop down the weapons?

Bombs! !
Scattered;
Dead bodies,
And, with the bullets of war creating refugees all over the world.

Edward Kofi Louis
Davies

I am Davies and you are Ralisle, 
I met you and you met my sweet muse! 
But i am alive today because of you; 
And like the sweet muse of love in the land of roses, 
But Alice came in to tell me the story of your town! !

Edward Kofi Louis

Davor, road, Dora, rod, do, oar!
Dragons,
Guns,
Manners,

With no exit at the crossroad.

Edward Kofi Louis
Day

Day,
Dry,
Demand;
To depend on you and,
To write my diary.

Edward Kofi Louis
Day And Night

Day and night i have been waiting for you,
Day and night i have been expecting you;
For there can be no true reconciliation if,
People are not prepared to forgive and forget about the past!

Say it off!
Shed it off! !
Laugh it off! ! !
Well, some people do find it difficult to say, 'I am sorry';
Even when they are at fault!

In the future to come and in with the time to hold on,
For i have chosen the way on the right path;
And going through through tunnels and through the woods,
For my life is like the 'Golden Tree' next to you.

There is something extra for you and i,
But caring and sharing is all that matters a lot!
So come to terms with the past and,
Make room for the future!
For it is like the way the wind blows and,
Like the way that your love flows to my heart;
And i will be there for you always on this love.

Edward Kofi Louis
Day And Night  2

The sun watches the earth during the day and,
The moon takes over during the night;
With the muse of the stars playing their respective roles as well.
Daylight!
With the rays of the sun;
Moonlight!
With the muse of the moon at watch;
As the sun gives it light,
To help it perform its duties during the night.

Edward Kofi Louis
Day and night, 
Love and candlelight, 
Way and sight, 
May and bright, 
Lay and slight, 
Say and right, 
Clay and plight, 
Mock and fight, 
Work and alright, 
Name and Wright, 
Pay and alight, 
Castle and Knight, 
Plane and flight, 
Hope and delight, 
Load and weight, 
Anger and blight, 
Power and might, 
Above and height, 
Number and eight, 
Bay and light, 
Torch and flashlight, 
Focus and highlight, 
Kindness and Albright, 
Coast and bight, 
Body and tight; 
And, like a weak thread in the land of your muse! 
But, day and night i will search for you my love.

Edward Kofi Louis
Day And Night Iii

I am 16 and I am under age;
So, do not rape me!
Let me grow up to be a woman and,
Let me be married.

Contact, contamination!
Day and night;
With the rapes of the world,
But, who is ready to learn?

The young doctor,
As it is with your lover;
The old doctor,
As it is with your muse;
But, do not rape me.

Edward Kofi Louis
Day Break Africa

Twenty-one days to an overthrow,
Twenty-one years from a hide-out;
Day break Africa with news around the world!
Out of changes, out of words,
One out of the muse that I bring to you;
Living on One Dollar a day means that,
We have no aids but hunger! !
Day break Africa with words from a bard,
Like a serious rethinking to all mankind;
Life in Africa matters to me a lot.

Braving through the thick and thin clouds of Africa,
Like the time when a party wins;
A muse like this puts up a serious rethinking.
Day break Africa with hunger,
Day break Africa with hospitality;
Mark the beloved child who wakes up early with,
No food at all! Yes, an empty stomach! !
Just like their parents and care-takers,
Just like the things you see around;
A life and death struggle for survival!

Lawlessness! A child is born;
With an empty bowl beside him or her.
This is to learn about the hardships of Africa,
This is to grow up in the mist of nothing;
Where many talents die out easily!

From hope to poverty,
from the North to the South;
From East to the West,
From the mountains to the rivers;
We need our fertile minds to do the thinking.
Gone-East, gone-West, gone out of bounds;
From the North to the South without hope,
Day break Africa with hunger!
More deaths cases are reported on malaria than aids,
But our best works are not even well known to the world;
Since, they rather cloth us with aids! ! !
From O.A.U. to A.U.,
From poverty to aids;
How long can we hoist a flag for our emancipation? !
Day break Africa with words,
Day break Africa with hope,
Day break Africa with Hunger,
Day break Africa with dreams;
Oh, how long can we hoist a flag for our emancipation?
Day break Africa!

Edward Kofi Louis

Being identified in the world.

Edward Kofi Louis

With the muse of the taste of life,
Not to waste the opportunity given.

Edward Kofi Louis
Dead Bodies

The slaughter of the pagans and,
Of their dead bodies almost everywhere;
But such a ferocity is like to scramble up the ramparts.

Pregnable,
With tears running down our eyes;
But who will kiss the dusty roads?

Deified at this time,
And bribed to act treacherously at times;
For the impregnable tree has fallen.

Edward Kofi Louis

Because, the truth is now made bare.

Edward Kofi Louis

Deals,
Brokers and donors;
Sellers and buyers,
Age, leverage!
Like one seen by the river,
With the hope of swimming!
But, you are ready to seal a deal in this trade.

Edward Kofi Louis

Dear,
Hear! !
Without fear;
Like the deer,
Because, the hunter is aiming at it! !

By changing yourself with the truth and, seeking for true peace always.

Rope, pore!
Hatred and war;

Female, male, lame, fee, meal, feel!
To what was handed over.

Edward Kofi Louis
Dear, Endear!

It is not in the heavens,
It is not beyond the seas,
It is not around you,
It is not near you,
For, the teeth of the wild animals are deep in the forest! !
Endurance,
Stated categorically;
Dear, endear!
And, to overcome the concrete walls of life.
In the jungle,
With an exclusive act!
At the spot,
Right in the mix.
Wailers, bailers, mailers, trailers!
Trying to fix things out;
Declared,
But, very intensive.

Edward Kofi Louis
Dearest Dear

Dear,
Rest,
Dearest dear!
To hear the echoes of life;
With the muse of your lovely heart.

Edward Kofi Louis
Death

I know nothing about this death,
For i only heard the gun shots from the soldiers!
And at day break, i came out and saw the dead bodies.

Edward Kofi Louis
Death

Oh death!
Visiting all of us;
Mostly with the wickedness of mankind on earth! !
Because of hatred and war.

Edward Kofi Louis
Death And Destruction

Empty!
The end;
With the ways of evil,
On this earth today.

Empty!
Like darkness;
Without light,
And, without love.

Empty!
Hatred and war;
Because of the sins of mankind,
Without true love to others.

War!
The storehouses of the land are now empty;
Like the wilderness;
With death and destruction.

Fierce anger! !
It brings us no peace;
Like your sword at your neighbour's throat,
But, war destroys everything.

Edward Kofi Louis
Death And Mourning

Death and mourning;
He died on the 28th of June 2013 and,
He was buried on the 17th of August 2013.

Life!

By the means of hit and run! !
And, he was left dead on the street.

Edward Kofi Louis

So, it is better to do what is right than,
Evil works!

Edward Kofi Louis
Death Is Part Of Us 2

Death is part of us;
On a journey on this earth.

The Mighty Cage! !
Locked inside with the muse of your age.

Edward Kofi Louis
Death Is There For All Of Us

You are born today,
You will die tomorrow!
So use your presence on this earth to achieve your vision;
Because, death is there for all of us! !

Edward Kofi Louis
Death Is Your Signature

Lust!
You are not ready to preach the truth;
Lust!
You are not ready to preach peace;
So, death is your signature.

Lust!
Your head is empty as your hands;
Lust!
To be like the gods and the goddesses around you.

Lust!
Exposed in your works;
Lust!
Seen by your acts;
Lust!
The killer is always among us.

Edward Kofi Louis
Death Squad

Earth,
Wickedness,
Evil acts,
Death squad!
With the wicked ones among us;
Ready to destroy the world with terrorism.

Edward Kofi Louis
Death Took Her Away

Illegal lust,
I saw death on the woman's face;
And, she died!
Then, her husband started crying;
For his lost wife,
She was very pale when i met her!
And death took her away.

Edward Kofi Louis
Death Valley

Earth! !
Ear,
Hear,
Bear;
Death Valley!
With your acts in the land,
Your negative acts.
Clear!
Hear,
Sear,
Dear,
With your works;
Your sins here and there.

Edward Kofi Louis
Death!

Death!
Her time came and,
She left us;
May her soul rest in peace.

Edward Kofi Louis
Death, Dearth!

The muse of life!
Hatred had led many to death;
In the name of fighting and wars.
The muse of life!
But, in all situations on this earth, try to show love;
And, let us overcome hatred and war.
The muse of life!
History Show that,
Six Million Jews were murdered in Germany by Hitler;
But, this info will help us to level up in peace with our brothers and sisters.
The muse of life!
We need help on this earth;
With true love to move on in one unity than, with the bullets of war.
Death, dearth!
With the ways of mankind on this earth;
But, in all situations, let us try to show love than hatred.

Edward Kofi Louis
Deaver

Success comes to those who dare and act,
Love comes to those who wait and care,
But my mind to you is like the wind blowing behind you;
For true-love is never bought with money.
It only comes straight from the heart,
And i am like one in the belly of the fish;
And out of the abundance of my lovely heart to love you.
The mouth truly speak out words,
And a tree is known by its fruits;
And you are the only lover i know.
That which fell down from the table had been eaten by the dogs,
But let the trees of the forest clap their hands!
For you are called Deaver and your lovely muse is in the bush,
But the heavens are higher than the earth;
And my love will rest on you always.

Edward Kofi Louis
Debar

Debar, bar, bear, bed, bare, dear, read!
At the table,
To eat the food of love;
Stable with the muse of your joy! !
Able to touch your heart with the truth.
Cable, lable!
Capable and comfortable with righteous laws,
Acceptable with the Works of peace.

Edward Kofi Louis
Debate

Bate,
Debate!
State,
Date,
Mate,
Late,
Kate,
Gate,
Rate,
Experiment;
To expand your map.

Edward Kofi Louis
Debbie

Handle the situation in peace and,
Present your thoughts towards me;
For my cultural background has something to do with it.

Tactful and peaceful,
Like a sport to gain your views;
But what lies ahead is like Debbie sleeping under the big tree.

Edward Kofi Louis
Debby

Queen Esther and King Ahasuerus,
Express yourself tactfully to meet my friend Debby;
For i am also living in your neighbourhood,
And your sense of humour is always noted here.

Edward Kofi Louis
Deborah

Life is like Yazebel in Yezreel,
Life is like Yliyah the Tishbite,
And like a man wearing a leather belt around his waist;
But Milcom was the god of the people of Ammon.

Yliyah and Ylisah set out from Gilgal and,
I have set out to write to you my sweet lover;
For behold! The building site of this city is very pleasant.

Of a chariot on fire!
Of many houses on fire!
But behold! The beauty of your body is very pleasant to see,
And you can be very productive again my sweet Deborah.

Edward Kofi Louis
Debt, Indebted!

Pleasure and pain,
To sting like a bee! !
Negative people;
All around the world,
With the chains of life.
Debt, indebted!
To you,
But this wound has been deep;
The strains of nature!
Rains,
Falling,
On me;
Solve, dissolve!
And, to act upon a thought;
Worried! !
Because of the people around me.

Edward Kofi Louis
Deceit

Deceit! 
You love falsehood than speaking the truth; 
Devouring words, 
Evil acts, 
Deceit! 
With the muse of your works.

Edward Kofi Louis
Deceitful Men

Terror!
Horror! !
Bloodthirsty and deceitful men;
Killing and destroying.

Edward Kofi Louis
Deceitfully

Evil acts,
Deceitfully and falsely;
Why destroy your life?

Edward Kofi Louis
Deceits

Influence,
Rejection;
Satan's Deceits,
And the whole world follows after!
Vut the curses are seen around us because,
We always fail to do the right thing.

Edward Kofi Louis
Deceiveableness

Deception!
Deceiveableness,
Humiliated;
With the works of lies,
However, when the sun rises with ist burning heat,
The grass withers.

Edward Kofi Louis
Deceived

Why have you deceived me on this issue my lover?!
For she came quietly and uncovered your legs and,
She lay down beside you.
It was midnight and the moon was watching,
But the stars stood still to inform me!
And you are now at large.

Edward Kofi Louis
Deceived With Pride

The error of the wicked,
A fool in his or her folly!
Sacrificial meals;
Deceived with pride,
The road ahead is like a hard stone! !
Luxury is not fitting for a fool;
However, it is better to be a poor person than a liar!

Edward Kofi Louis
Deceived World

Deceived world!
Names of gods and goddesses;
Taken over,
Taken control,
With appointed feasts and celebrations;
Living,
Like the days of Sodom and Gomorrah.

Edward Kofi Louis
Deceiving Spirit

Impersonation!
Deceiving spirit,
Taking the form of someone else,
Not your own identity,
Disguised! !

Edward Kofi Louis
December 25th

The wearing of paper hats is like a slave being made a king!
And the Lord of Misrule came in to change things as they were;
But December 25th rather praises the Sun Goddess! !

Lord Moon,
'Meni' is the Moon God that has influence many!
Until the ninth century came to change up things as well;
Dionysus, Apollo, Astarte, Ninus, Mithra, and Saturn!
Baal, Osisis, Isi, Iswara, Cybele, Deoius, Fortuna and Isis!
The commission of whoredom was all over the earth until,
Jupiter and Ceres came in;
And out of one language and one speech came many languages.

The world will learn later but there will be no time left,
The world will sing later but there will be no more songs left,
And of the people lost in the wind looking for the trace of love;
But the imagination of man's heart is full of evil.

Nirod built Nineveh, Rohoboth, Ir, Caleh and Resen;
But the mountains are still there to tell us the truth;
For the history of man on earth has really changed the truth.

Edward Kofi Louis
December kisses,
My lips will always be dry without you on my lips;
But you are always there to wet my lips with your sweet love,
And like a sweet kiss from a red rose.

Within and in-between,
I am now addicted to your sweet love! !
And you are like the daughters of the land of roses.

Edward Kofi Louis
Deception

Be very free from fraud and deception,
And like an unexpected situation;
But, do not be caught unprepared in this life!
Prepare yourself always and,
Let the right choices of life lead you on;
For, right choices lead to right consequences,
So, don't be caught off guard! !
For, there is something in your pocket and,
I can see it from here! !

Edward Kofi Louis
Deception  2

Deception! !

The rain comes in;

Spilling your seeds on the ground.

Oh! Mountains of Lebanon! !

Those mountains closer to the borders of Syria;

Seeing the wickedness of war in the land.

Edward Kofi Louis
Deception 3

Ardent life and spiritual joy!
With the enthusiasm of true love;
But, why kneel in front of a statue and worship?
Are you still blind in the garden of Eden?!
However, I will not offer you costless sacrifice.

Doctrines upon doctrines!
With man-made laws around us;
Shrines here and there,
However, deception had been a key in mankind's life.

'Saint Louis de Mumford'!
Trying to overcome the enemies around you,
With the wages of life;
But, do all spiders make webs?

Edward Kofi Louis
Decide

Devise,
Deside,
Desire! !
Side,
Aside,
Ride!
Slide;
Not with pride.

Edward Kofi Louis
Decisive

Be a positive leader,
For positive leaders lead by example;
And my love to you is greater than you can imagine,
Because my positive attitude is always seen beside you!

Decisive,
Diligent,
Example;
But without followers there are no leaders.

Edward Kofi Louis
Decked With Gold

The woman was arrayed in purple and scarlet colours,
Decked with gold, pearls and precious stones!
But she was worried about the things to come.
Like she who sits on the seven mountains in Rome,
She is desolate and naked after war!
And her desire is with many to make a difference.

Of the wine of her fornications,
Of the beer of her adulteries,
It was very pleasant to the eyes and desirable as food;
But like the work and the care of her lover,
She is always decked with gold.
Of the peace that eludes her,
At the same time of war with mankind;
But when she is dead and gone,
Others will still hope and dream of her.

Edward Kofi Louis
Declared

Strict!
Going into it;
But, this is the judgement.

Delcared, deed, red, lad, led, creed, ale, car, care, dad, dread, leer;
Repenting and converting!
Leading you to the kingdom.

Lust!
How evil it is to see brothers and sisters killing each other;

Love!
One more act and one more smile;
But, hatred is not the answer.

Declared, clear, deer, dear, reed, read, ear, era, are, lead, deal dare!
With the acts of your muse;
As noted in this village.

Edward Kofi Louis
Decorate Nature

Decorate nature with love than hate,
Accept righteous works than evil works,
Seek for peace than war!
And let us live in unity.

Edward Kofi Louis
Decorative Arts

Decorative arts!
Kowing the ways of the act,
As far as to the right or, to the left;
Cottage, luggage!
At the exhibition;
To be found,
With muse of the pleasure around.

Edward Kofi Louis
Decreed

Affirmations,
Indissolubility,
Universally decreed to meet up with your muse;
But the manifestation of your love is like my sweet bed.

Edward Kofi Louis
Dede

Wop, sop, top, flop, prop;
Stumbling across the sands of Africa!
But, i am Dede in the land of your muse.
Hop, drop, mop, cop, bop, crop;
Out of love and out of peace,
But, i am Dede in the land of your muse.
Slop, glop, kop, lop, pop;
It is touching me and i can feel it! !
But walled off for convenience sake.
Out lout, rout, flout, put, but, clout, cut;
With ample space in front of you!
But, i am her to stay because of your love.
Bout, gut, grout, shout, stout;
Stumbling across the sands of Africa!
But, i am Dede in the land of your muse,
And, i do have something special for you.

Edward Kofi Louis
Deed, Indeed!

Deed, indeed!
I can smell it now;
Everything on earth is for a reason,
And, there is time for everything.
This season!
With the feelings of life;
Taking a walk in the garden of love.

Edward Kofi Louis
Deep

Deep! !
Bottomless pit;
With your sins.

Edward Kofi Louis
Deep And Meaningful

Deep and meaningful!
Love and life,
Love and dreams,
Love and art,
Love and friendship,
Love and joy! !
Part of life;
Hearts in unity,
Hearts in love,
Deep and meaningful!
Souls,
Deep down,
Deep inside,
Deeply touched;
With the muse of true love.

Edward Kofi Louis
Deep And Pure!

Love,
Sure,
Cure,
Deep and pure!
When the right thing is done;
Following after righteous morals.

Edward Kofi Louis
Deep Art

Deep art,
Deep mind!
To go on;
Ahead of time,
Deep beyond the realms,
With the muse of time.

Edward Kofi Louis
Deep Down

Touched!
Deep down;
With the muse of love.

Edward Kofi Louis
Deep Down In My Heart

Hear, heart!
Love,
Deep down in my heart;
I want you.
Ear, earth!
Life,
Deep down in my heart;
I need you.
Globe, lobe!
You are all that i need in this world.
Love!
Referring,
Undoubtedly;
Significantly,
Deep down in my heart.
Flow, low!
The first sign;
Expressed! 
On the other hand with the muse of your mind.

Edward Kofi Louis
Deep Down In My Heart  

Light of love,  
Light of peace,  
Deep down in my heart;  
The golden lamp of life!  
The waterfalls of nature,  
Unity is the light of love;  
And, the truth is full of love to the heart.

Edward Kofi Louis
Deep Down In Your Heart

Love,
Deep down in your heart!
To sleep,
Not to weep;
With the joy of your heart! !
Blues,
Clues,
Deep love;
Deep down,
Into another realm.

Edward Kofi Louis
Deep Down There

Love,
Blossom;
To touch her flowery crown! ! !
Deep down there,
With the delight of her romance.

Edward Kofi Louis
Deep Down There 2

Test,
Testimony,
True-love;
With your joy! ! !
Deep down there,
In your heart.

Edward Kofi Louis
Deep In My Heart

You're very fantastic!
And, you're very strong;
All the same,
I love you very deep in my heart.

Edward Kofi Louis
Deep In My Soul

Deep in my soul,
I've been so lonely;
I keep on searching!
For someone like you;
But, i'm still lonely.
Voices,
And choices! !
With the echoes of life;
Deep in my heart,
Deep in my soul,
I've been so lonely.

Edward Kofi Louis
Deep In The Bush

Bush,
Deep in the bush;
Lost,
But, i still have hope to find my way home.

Bush,
So long in the bush!
Still searching to find my way home;
With my faith.

Edward Kofi Louis
Deep In The Bush!

Muse, life, peace;
Deep in the bush!
But, the last meatis with you,
Because of war.

The muse of the world,
The muse of mankind;
With wickedness and war!
Destroying everything.

Whitewashed walls!
Full of dead men's bones;
Beautifully outwardly,
But, with hatred inside.

The last meal,
Deep in the bush!
Because of war,
However, man does not live by bread alone.

Edward Kofu Louis
Deep In The Floral

The flow,
The flow of sweet love,
Natural flow;
Deep in the floral.
Traces of the path,
With red roses!
Red roses of love;
The passage of beauty,
The passage of your true love;
Hooded beauty!
Like a park with a blue view.

Edward Kofi Louis
Deep In The Ocean's Blue

Depth,
Deep down,
Down under!
Deep in the ocean's blue;
Enjoying the muse of nature,
With the muse of creation! !
The fragrance of life,
Romance! ! !
The aroma;
Down there,
Deep in the ocean's blue!
Under there to see the hidden paths of life.

Edward Kofi Louis
Deep In The Wild Forest

Love!
Deep in the wild forest;
Addressed,
Motivated,
Nation, regulation!
Convection,
Of the project,
Dressed, addressed!
To effect a real change.
Cop, coup!
With the muse of our hearts;
Dynamic!
With the muse of love;
Healed, headed!
Deep in the wild forest.
True love!
Unlocking the solution with the key;
Kin, in!
Like a substitute;
Up, update!
With the focus of a vision;
Date, update!
But, no matter the coup,
We are deep in the wild forest of love.

Edward Kofi Louis
Deep Indeed

Heep,  
Weed,  
Deed,  
Deep indeed!  
With the seed of love;  
To feed your heart always with joy.

Edward Kofi Louis
Deep Inside Me

Deep inside me,
Your love;

Closer,
My joy;

Always being around,
Because, you are what the muse of life brought to me.

Edward Kofi Louis
Deep Learning!

Deep learning!
Deep meanings;
Coming together,
To the light of experiences and, seeking for help.

Love!
I cherish this the most;
Appreciating what i am doing,
With the muse of my poetry to the world.

Deep learning!
Under the muse of righteous works;
Deep meanings,
I seek for peace than war.

The muse of life,
It started from somewhere;
Being recognized today!
And, to face the obstacles head on.

Edward Kofi Louis
Deep Love

Deep love!
Unable to sleep at night;
Always thinking of you.

Edward Kofi Louis
Deep Night

Night,
Deep Night,
In the dark of love;
Muse,
With the joy of the hearts in love.

Edward Kofi Louis
Deep Place

Deep place,
Depth!
The main sea,
The deep;
Surely,
Special, especial!
Firm,
Faithfully,
To jump for joy! !
With exceeding joy,
Verified!
Gladness,
To render,
Exult,
Trust,
Properly;
Clear! !
Specially,
To manifest,
With assurance,
Especially with your true-love.

Edward Kofi Louis
Deep Purple

Everybody want to be a star!
But, grade me as you like among the lot;
Because, i am only presenting my style to the public.

Deep purple!
Deep love;
And like the bank in front of the Bank! !
For, i am only presenting my works to the public.

I have a dream! !
Yes, i know;
I have your love! !
Yes, i know;
For, you are watching all over!
And like Captain Sensible in the land of your sweet muse.

Edward Kofi Louis
Deep Purple 2

Weep!
Trying to sleep,
Not like a sheep;
Deep purple! !
With hope,
Waiting for the next day.

Edward Kofi Louis
Deep Purple  Iii

Beep,
Jeep,
Seep,
Keep,
Sheep,
Sleep,
Bleep,
Creep,
Peep,
Cheep,
Steep,
Weep;
Deep purple.

Edward Kofi Louis
Deep Purple II

Deep purple,
Deep love;
With the rhythms of nature and,
The muse of life!
In line with the joy of your romance.

Deep purple,
Deep love;
Like the muse of the purple rain!
And, the muse of the purple colour;
In line with the aroma of your sweet love.

Edward Kofi Louis
Deep Purple Iv

Deep love,
Deep rain,
Deep purple,
Purple rain! !
Original;
Human beings,
We are all one:

Edward Kofi Louis
Deep Red Colour

Locked!
But, it was very easy to open it;
Deep red colour.

Edward Kofi Louis
Deep Red! !

Deep Red! !
With the huge fire to the blue sky;
Black smoke,
The Bomb!
Invented by mankind and,
Used by mankind!
Killing mankind.

Edward Kofi Louis
Deep Roots

Love!
Deep roots;
The kiss!
Under the rain.

Life!
Party lines;
Red poppies!
Like the wheels of the bicycle.

Life!
To embrace it with love and care;
Like the muse of the peacock.

Life!
With the acceptance of true love;
And, like the silent waves of the ocean.

Love!
With the deep texture of life;
And, with the muse of joy like,
The shadow of the moonlight

Edward Kofi Louis
Deep Roots Of Love

Deep roots!
Deep roots of love!
Blues,
With a kiss under the rain! !
The blues of life,
With the windows of love;
From the heavens to the earth! ! !
To embrace life with the muse of your mind,
And, to share with all in peace.

Edward Kofi Louis
Deep Sea

I am in the deep sea of love and,
I am still finding where the river enters it;
And like milk and chocolate in the land of your muse,
But the blue wave came in and i met my dream!

Five cubits wide,
Seeing this place today will satisfy my muse;
And like fortified cities with walls, gates and bars!
But a dwelling place of love in this deep sea is all that i need.

Edward Kofi Louis
Deep Sea 2

Deep sea! !
Sources,
Probes,
With the muse of the rivers flowing in;
To bring out hidden things to the light.
You cannot buy the truth with gold!
Muse,
Use,
Fuse,
Infuse;
Wisdom is what you need.

Edward Kofi Louis
Deep Shadows In Summer

Grazing at Sunset,
With the und road ahead;
Deep Shadows in summer!
With the reflections of life,
Like two beauties in love.

Edward Kofi Louis
Deep Space

Love, dove, drove, clove, cove, prove!
Deep space;
Still in search of you,
With the muse of your life and your works;
Hidden very far away from me.

Edward Kofi Louis
Deep Thoughts

Deep thoughts, 
With the mind, 
With life, 
For real! 
For peace; 
Purity in nature and, 
To abide by the laws! 
For a healthy mind and body. 
The ways of life, 
The muse of nature, 
Love is the universal knowledge of everything; 
Leading to peace and joy without hatred and war.

Edward Kofi Louis
Deep Waters

Powerful!
Deep waters;
Delights of Life,
Lights of nature,
Sights of love,
Flights of peace,
Praises! !
Forevermore.

Edward Kofi Louis
Deep Waters! !

Deep waters! !
A fool's mouth is his or her destruction in this world;
For, the words of a talebearer are like wounds!
Which go down into the innermost parts of the body.

Edward Kofi Louis
Deep, Weep!

Deep act,
Deep wound,
Deep, weep!
In the jungle;
With the muse of the forest.
Deep, dip!
Within 24 Hours;
And, finding your way through the bush.
Price, rice, nice, ice, voice, choice!
With a smooth face and, a hairy face;
But, let us first take care of the deep wound.
Organ, organisation!
With the works of your hands;
Organ, organised!
With the muse of the forest;
In a province full of trouble.

Edward Kofi Louis
Deeper Feelings

Muse,
Love,
Joy! !
With deeper feelings;
Your heart is beating as at now.
Love and life,
Love and dreams,
Love and joy! !
With the muse of deeper feelings.

Edward Kofi Louis
Deeper Love

My dear lady,
Your heart is very strong on this love;
It is stronger than Bahrain! !
Your deeper love is what makes me grow.
Sweeter than honey,
So is your love;
I will melt in your arms always for,
You and i were meant to be.
Your kiss of love is full of passion,
It melts me away and leads me into your paradise!
I will reach the heavens whenever we do sleep together,
With your deep love always in mind.
I have come to cheerise your love,
Your mind is very clean;
You are closer to my heart than ever!
Your love is more than gold,
Come closer to me and feel my loneliness;
Come and kiss me my love.
Your body is soft and,
Your deeper love is what makes me grow;
Let me grow younger with your to reach the skies! !
I am dying in passion,
Hold me and kiss me;
You are the answer to my love in this world,
So come closer to feel my loneliness.

Edward Kofi Louis
I love you deeper than the blue ocean!
For, there is paradise in your heart;
A wonderful mind,
A wonderful heart,
A wonderful body,
With the muse of this wonderful love;
Rules, blues!
Hand in hand with the fragrance of life.

Edward Kofi Louis
Deeper Than The Seas

Zealous, also, seal, sea, sale, use, zeal, sue, soul, lose;
Under the shadow of the wings of love!
But like the river of pleasure beside You.
The land of peace and the people of hope,
The foundation of life and the garden of love,
To the great mountain tops to see the skies!
For Your love is deeper than the seas.

Edward Kofi Louis
Deeper Than You Thought

Life!
Many will die in the name of war;
For, many are choked up with the riches of the world.

Muse!
You fell deep into the Red Sea;
Deeper than you thought with the muse of your mind.

Life!
You should have protected yourself like a diver;
However, you trusted in your riches.

Edward Kofi Louis
Deepest Core

Love,
This love,
You are the perfect one! !
Deepest core to my heart;
Seeing me now,
Of what your true love had done to me.

Edward Kofi Louis
Deeply Found Of You

Love,
Deeply found of you;
To speak about you,
Because, i've greatly benefited from you!
And to rejoice with you.

Edward Kofi Louis
Deeply Honoured

Deep! !
Deeply honoured;
Incredible poet,
With the harmony of true love,
Writing out his mind to touch my soul!
Deep down,
With the wonders of love,
And, the humility of his heart.

Edward Kofi Louis
Deeply In My Heart

It has always been three numbers,
But one day it will be six numbers to satisfy your muse;
Because i know what i am going through and,
I always pray for you deeply in my heart.

Edward Kofi Louis
Deeply It Speaks!

Muse,
Moving along,
Deeply it speaks!
Travelling along,
Teaching along,
To use your mind positively,
Fuse, infuse!
To let the truth lead the way.

Edward Kofi Louis
Deeply Moved With Humility

Love!
At full price and,
To open it.

Muse!
With the peace of the mind and,
To fix it inside.

Life!
With the joy of your heart and,
With the unity of the land.

The joy of things!
Deeply moved with humility;
So, let your smile and laughter be seen always.

Edward Kofi Louis
Deeply Touched

The truth!
I'm deeply touched by your kind words;
With the works of peace and love,
Going along with your mind.

Edward Kofi Louis
Deeply Troubled

Lust!
How long will you remain drunk? ! !
Deeply troubled;
To pour out your soul to the Truth,
Knowing where it is,
With love than hatred and war!
With positive morals than,
With anguish and grief;
To remember you!
As the dead fell down one by one;
In the name of war! !
Like in Syria;
But with the truth,
To wake you up and to teach you!
Able to bring peace and joy to you,
Helping you to overcome your addiction.

Edward Kofi Louis
Deeply Wounded

My love for you was so deep!
But, you left me so soon in the cold;
And, i am now deeply wounded.

I can feel the pain inside me,
And now i am in trouble without your heart;
For, my heart still yearns for you.

I try to keep on keeping up for survival on this issue!
And like once upon a time in my lifetime with you;
But, you were once my sweet lover.

Heat, heart!
Emphatically noted with the muse of love;
But, you left me so soon in the cold.

You went out through my hands in view of worldly things,
But, my role was to write and your role was to love me;
However, you left me in the cold without a clue.

I am now in the field of dotted olive groves! !
Thinking about the future without you;
Even though, i am deeply wounded.

Edward Kofi Louis
Deep-Rooted

Opportune moment,
With the engagement of your love;
Deep-rooted with the muse of the truth.

Edward Kofi Louis
Deepwater Horizon

Deepwater horizon,
Long live the king!
And, long live the queen;
With the beauty of the red rose.

The aroma of life,
The aroma of love,
With the muse of nature;
And, according to the laws.

Deepwater horizon!
With the muse of the Creator on us;
Watching us! 
For, mankind had gone the wrong way.

Gone astray! 
From the truth;
Without peace on earth,
Because of hatred and war.

Edward Kofi Louis
Deer Meat

Heat!
Meat;
Seat, eat!
Deer meat,
With beer.

Edward Kofi Louis
Deer, Dear!

Wilderness,
Deer, dear!
dear to my heart like the deer in the forest;
Flight!
Twilight;
With the sight of a deer afar.
Wonder, yonder!
With the muse of true love as the light in my heart;
Very bright with the law the leads me on.
The sight!
Lovely,
Like the origin of an original work piece of art;
And, with the determination of my mind.

Edward Kofi Louis
Deerfield Beach

Each for your love,
To teach you with the truth,
To preach the words of peace;
Reach out! !
With your works at 'Deerfield Beach';
Bleach, leach!
Not to breach the trust vested on you.

Edward Kofi Louis
De-Facto

The de-facto of an ancient homeland,
And the integral part of me in you;
With man-made laws to put us off the ropes!
And like the legacy to the history of love.

He who walks with the wise will be wiser,
For i am intoto with my muse of love;
And i am able to validate your blood with perceptions.

Love which is more enjoyable is what i have,
But most enriching to my heart is my success;
For whatever a man sows so shall he reap,
And like the Nurses and the Doctors around me.

Edward Kofi Louis
Defamation

Calumny,
Defamation,
Manipulation,
Vilification,
Exaggeration,
Traducement;
Targeted! !
With the acts of evil.

Edward Kofi Louis
Defects

Stunted!
Deformed,
Maimed,
Fracture,
Defects;
Injured,
In the name of war! !

Edward Kofi Louis
Defiled

Defiled,
Committed,
Responsibility;
He had sexual relation with her and you saw them,
But you covered up the case like nothing occurred!
Because you were the very one who trapped this lady in to the act.

Edward Kofi Louis
Defiled 2

Adultery!
Defiled;
Now the truth testifies against you,
To blow the ram's horn! !
For the people in the land to hear about your act.

Edward Kofi Louis
Defiled By Another Man

Your wife has been defiled by another man!
And, the same man seduced your daughter;
And it was like the first famine and the last famine,
But, it is time to let the law takes its toll.

Edward Kofi Louis
Defiled Her Skirt

Rape! !
You have seen her nakedness and,
Defiled her skirt;
Uncleanness!
With the acts of your works;
Stain,
Slain, lain, in, sin!
Abhorred;
And now, the walls of her love larmet,
As her gates of peace sunk to the ground.

Edward Kofi Louis
Defiled II

Cedars and prices,
How many women have you defiled so far?!
For the laws are now closing up on you;
Because, the works of man's hands are always in vain.
Incline the ears of your to me and,
Let me tell you the truth about life;
And like the tender green shoots in the fields of love.
You will return to the same way you came in but,
Be very wise always to overcome this odd act!
For, our sins on this earth are numbered everywhere.

Edward Kofi Louis
Defilement

Water, birds, insects, animals and people;
The land is defiled because we have given ourselves our to sin,
And the land itself vomits out her inhabitants.
Defilement,
Files,
Elements,
Parasites,
Practices;
When the law is defiled,
Everything that grows on the land carries the same defilement!
So be very wise in whatever that you do.

Edward Kofi Louis
Definitely

Definitely,
The opener;
The schools of higher learning!
The user,
Like the little boy and the fat man!
But, to remember the Laws of Yahweh.
Experience!
Gruesome;
Inhumanity,
Incident;
Inappropriate!
But, let the Laws of Yahweh guide you on;
Because, you need the truth always.

Edward Kofi Louis
Silenced!
Definition,
For the hueless moonflower of love;
Hush money,
Hustle and bustle!
Huffy,
Vagueness,
Dispensable,
Subsumed,
Panicy! !
Forgotten.

Edward Kofi Louis
Defying

Anger,
Defying,
Terrified!
Shame and dishonour,
Dismayed;
Hatred and war! !
Proud and conceited hearts of mankind.

Edward Kofi Louis
Degrading Passions

The unfolding of Your laws gives light,
They give understanding to the simple;
And, i have never felt like this before.
Can we fix it?
Yes we can;
Can we sell it?
Yes we can;
Can we spray it?
Yes we can;
Like living in the land of painters.

Of the blue ports,
Of the red ports,
Of the white ports,
Born in Asia but made in America.

To the land of beautiful ladies,
To the land of handsomemen,
To the land of many waters;
Born in Africa but made in America.
Some women have exchanged their natural use against nature,
And they are now filled with degrading passions

Edward Kofi Louis
Degrading Passions!

Shameful acts,
Degrading passions!
Uncleanness,
Dishonour,
Illegal lust,
Reprobate minds;
To do things which are not proper.

Edward Kofi Louis
Degrees Don't Love You

Degrees don't love you so you never went to school!
But your mind writes like a Philosopher to teach many;
And the truth is, Degrees are obtained under a Faculty.

Degrees are obtained after the length of studies,
But without one's Philosophy there is no Faculty!
Because one has to create the ideas for others to follow;
And out of Philosophy came the branches of Faculties.

You don't need any Degree to identify yourself,
Because you have the ability of teaching others;
And Philosophy is always above Faculty! !
For, you are a Philosopher with the magic ink of your mind.

Edward Kofi Louis
Deities!

Deities!
With the muse of Gods and Goddesses in the land;
Being worshipped by the natives.

Edward Kofi Louis

I am here to give you another melody from my heart;
So let us get around and see the different places of love,
For i am Dekker with a big yard of sweet love!

Edward Kofi Louis
Dele

I am the blue ocean of love so,
Come and have a swim with me;
For the white birds do sing lovers songs above me,
And they do call me Dele at times.

Edward Kofi Louis
'Dele Giwa'

A letter bomb! !
The letter bomb;
To kill him,
Because of hatred.
Oh Nigeria! ! !
Yesterday is gone,
But i am writing it today;
Because i was there!
At Ikoyi,
When the News came around;
Sadness,
They killed 'Dele Giwa',
With a letter bomb.

Edward Kofi Louis
Delegates

Delegates,
In a meeting;
Love!
Let me be the one to care for you.

Works!
With mediocre ministerial appointees;
However, let me supervise the job for you and,
Let me be the one to care for you.

Car, care!
Expressions,
Like the 'Fante Confederacy' in the land of your muse;
But, let me be the one to care for you.

Players, prayers!
Regarding to your sweet love;
Appointments! 
Regarding to your sweet muse;
But, you need to rest your mind on this job because,
I will take control of everything.

Edward Kofi Louis
Deleted

Works,
Deleted;

Footnotes,
With the copyist error!

Flagrant intention,
Deliberately;

Alteration!
In order to hide the true meaning.

Edward Kofi Louis
Deliberately

Your love,
Proved futile!
But who the cap fits must always wear it;
For you deliberately killed him in the bush.

Edward Kofi Louis
Deliberately II

Sin and death!
After the flesh;
And, you deliberately raped the poor girl whom you promised to help.

She was on the street begging for alms;
And you told her to follow you to your house,
Because, you promised to help her!

You deliberately raped her in your room;
As she was powerless in your hands!
After taking advantage of her.

Edward Kofi Louis

Hurried;
Closing up,
But, to bring you back to life with the laws;
Like the Spring!
The Brook;
Escaped with the muse of the truth.
The pass,
The passage;
Of your age and the adage;
Like rivers of water now flowing out through a dry place.
Abel, able!
In the service;
With the muse of your character,
In unity with the truth.
The minds of the world,
The acts of the world,
With stages and sages;
But, you are now relieved and delightful with your works.
Life, love, peace and joy!
To beat the drums of humility;
Like the muse of the bread from the increase of the earth,
And, always with the truth.

Edward Kofi Louis
Delilah

Let us try to accept the mistakes of others and,
try to put them on the right path;
Let us teach others to follow the right road always like,
The growth of a baby in the mother's womb.

When the sperm of the man meets the eggs of the woman,
The union moves into the womb or the uterus;
So let us try hard to teach others the way.

Delilah, an ample of examples are needed to teach many;
So be very strong to move on always with a positive mind.

Edward Kofi Louis
Delilah  Ii

Delilah my sweet one,
How deep is your love towards me?

For, mercy and beauty comes from your name.

Able to overcome the odds of life.

Edward Kofi Louis
Deliver Me Out

Deliver me out of the river of your love,
And do not allow me to be drawn;
For i am in the deep waters of your love and,
You stood in awe because you were moved by my passion.

Of the emotions of this river,
I am in the deep waters of your love and i need help;
And you have to put joy into my heart to deliver me out!

You are all about this river and i need your deliverance,
So come and save me and take me home;
For the one who needs my love also wants me on this case.

This river has taken me so far,
So come and deliver me out of this deep water of your love!
For i'm about to sink into the mire of deep places.

Fill my lips with rejoicing and come forward to me,
For my heart desires to meet you around;
But listen to the pleadings from my mouth of love,
For i am in the deep waters of your sweet love!

And of the odyssey of the West Africans in the name of slavery;
But today, a Blackman has made it to the top! !
Yes, the 44th U.S. President,
And like the Delta Blues with the petals of love.

Do not let your spirit down my friend!
But go for your dreams always by working towards them;
And from the sandy banks of the rivers of West Africa,
But the spirit of the slavery still lives on.

Delta Blues,
To be stoned to death of to be shot with arrows;
But slavery came in and took them away!
And like a premature birth to my people,
However, you will surely reach the heights if you surely believe.

Edward Kofi Louis

Two melons in a sack,
And of the Great White River around it! !
But, take a lesson from the King and move on with your life.

The world of thoughts,
The world of love,
The world of wars!
The world of peace;
There is something if you eat you will die! !
And, if you don't, you will surely die as well;
But, what is it?

Oh, beautiful blue water!
You are better seen than read;
And like pre-matures who need to check their breasts always! !
For, they hurry to expose their bodies in the name of lust.

My name is Depp and,

Derogatory

Derogatory!
In order to deceive;
But closely watched by the naked eyes,
For this generation gap had caught up with us.

Stong's Concordance!
The letter 'J' was not even invented until the late 15th Century;
And, it was used to replace the letter 'Y' of many names of people and places,
Which was done in the Holy Scriptures by Constantine the Pope!
And today, we are being deceived because of the many changes.

Edward Kofi Louis

Through the spirit,
Through the flesh,
For, it is not everyone who is a descendant of Israel belongs to Israel;
But to be carnally minded is death!

And I am by the seaside resting my mind!
But, you are 27 year-old lady who is in love with a married man who is 50 years old!

For anybody can be somebody somewhere at anytime.

Train me if you understand the paradox of life,
Love me if you understand the mystical powers of the realms of life,

With no pain there is no gain,
So come to me Desilva;
And let tranquility reign on this love.

Desire To Know You

First World,
Second World,
A Third World call when a bard writes;
Flow with my mind and let us rule the world.
In my mind,
In my world,
With my views to teach many;
The desire to know you matters to me.
To appreciate it,
To love it,
A Third World call when a bard writes;
The hope to work with you.
Of a world full of questions and answers,
Of the love of the muse that muses;
To swim with an empty bowl at hand with,
The vision still in mind.
Together we live, together we can make it;
Two heads are better than one.
First World,
Second World,
Write like a writer and teach like a teacher;
Two heads are better than one.
Indoors and outdoors activities,
The comedy of one's life;
There are no distances in friendship.
Together we live, together we can make it;
Like the actions of one's move.
To appreciate it and to love it,
To write it and to learn from it,
A world full of questions and answers;
The desire to know you matters to me.

Edward Kofi Louis
Desired To Accomplish

Love,
Desired to accomplish,
With the works of the truth;
With prayers and supplications,
With kindness and humility,
Uprightness! !
With the integrity of the heart.

Edward Kofi Louis
Desiree And Michel

Special regards to Desiree and Michel,
The muse of love showers on you people;
For, you saw the drummer playing his drum and,
You followed him to his hometown! !
And like the sweet muse of love in the land of peace.

Your desire is like the muse of love oh Desiree!
So, thanks for your offer and thanks for the money;
Your identity is like the muse of peace oh Michel!
So, thanks for youe offer and thanks for the money;
For, the muse of the drummer in Africa will always guide you people.

Edward Kofi Louis
Desires

Come to me and have all that your heart desires,
And let me know the state of your mind on this love;
Because the flood waters are still around you!

The day of visitation and the day of love,
Does the axe boast itself against him who chops with it?!
But this love is like the burning of fire in the bush.

Edward Kofi Louis
Desires  II

The desires of your heart!
The desires of my heart!
To write,
To preach,
To teach,
The message;
And like the sweet aroma of life.

Edward Kofi Louis
Desist From It

Insults do not help in friendship,
Insults do not help in love,
And, insults do not win power! !
So desist from hurling insults at each other;
Because it betrays the trust of the people!

Source,
In the area;
Fingers,
In his or her room;
Complaints,
And to bring them closer to the assembly! !
But hurling insults at each other betrays the trust of the people.

Edward Kofi Louis
Desmond

Of the day of the dogs,
Of the year of the dogs,
But being here isn't all that roses as you thought;
And i do have my mind on you always.
Life is like a sea of glass mingled with fire,
But today i am made whole like a woman;
From the ramifications of your love.
Oh Desmond!
Do not follow that which is evil;
But try and cloth yourself with a pure white linen always.

Edward Kofi Louis
Desmond, Raymond, Richmond!

On a dramatic note,
Updated;
Praise, raise!
With the intentions ahead;
Desmond, Raymond, Richmond!
Promptness,
Captured by the cameras! !
And, to do something about the scene.
Muse, fuse!
Use,
Defuse;
Selective,
Attractive,
Realistic,
Tremendously!
With the acts of life around the village.

Edward Kofi Louis
Desolation

Desolation!
A curse;

You tore your clothes and wept! 
Seeing the horrors around;

Destruction,
After a terror attack!

Edward Kofi Louis
Desolation 2

Nation,
Notion,
Desolation!
Solution,
Only with the truth.

Edward Kofi Louis
Despair For All

His despair for all that occurred,
Her despair for all that occurred,
And like the works from the hands of mankind!
But the hardness of the hearts of the people in this town is full of sin.

Edward Kofi Louis
Desperate Lover

'I will marry you even if you are married'!
Ha-ha-ha-ha! ! ! That's a speech from a desperate lover;
But we should understand her because,
This world is full of hate than love.
'Aleph and Tau'!
Alpha and Omega! !
The Beginning and the End,
The First and the Last;
But keep yourself in love and look for mercy always,
For this desparate lover knows what she is saying.

Edward Kofi Louis
Despise

Rise,
Despise!
Those i love have turned against me;
Lace,
Space,
Place,
Race,
To embrace the truth and live in peace;
Despite the odds around me today.

Edward Kofi Louis
Dessoso

Dessoso, so, do, doe, does;
The ways of life!
Changing everybody,
Either for positive or, for negative.

Scrubbed!
To keep the place clean;
Washed,
To keep the place neat.

The experiences found in life!
With the muse of nature around us;
And, with the issue of culture,
In the land of the living.

Edward Kofi Louis
Destination

This was like a speech read on your behalf,
But the people around are like sheep without a shepherd;
And the first ever kiss you had in life is still in your mind.

Destination,
With heavy rainfall on the ice like your slippery love;
But the red column was part of your life.

I marvelled because of their unbelief,
And you marvelled because of my strength!
But this was like the speech read on your behalf.

Edward Kofi Louis
Destroying And Killing

There is no joy in your heart!
Because of the war in your land;
Destroying and killing.

Edward Kofi Louis
Destroying Others

War!
Creating refugees;
Destroying others in the name of hatred,
Cutting across all nations!
Destroying the land;
Making many people homeless,
But, war will never bring us peace.

Edward Kofi Louis
Destroying The Mirror Of Peace

Terror!
Horror;
What you are doing is not right! !
Destroying the mirror of peace.

Edward Kofi Louis
Destructively!

Lust,
Acting destructively!
In the name of hatred and war.

Lust,
With transgression!
Destroying your neighbours with hatred and war.

Lust!
With premarital promiscuity;
In the land of the living.

Lust!
With premarital fornication;
But, the body of the one who is executed should be buried the same day.

Edward Kofi Louis
Details

Love's own effects on you!
Settling the matter in peace;
Into details,
With the joy of the truth.

Edward Kofi Louis
Details About Your Love

I have appointed you to be my leader,
And like the joy of your muse in the land of many rivers!
But the details about your love are like the colours of the rainbow.

Edward Kofi Louis
Detained Without Trial

Trail!
Detained without trial;

Rail!
To wail without a tail;

Sale,
Tale! !

With the muse of a land;
Without bail.

Edward Kofi Louis
Determination

Commitment,
Dedication,
Determination,
It is well worth the effort;
For a thankful person is a bright and optimistic person.

Edward Kofi Louis
Detlef

Oh land of the Rising Sun,
Where is my sweet heart?
For my lips will resound with joy when she kisses me,
And i am Detlef her lover waiting to meet her.

Edward Kofi Louis
Dev

Dev,
Take control of your life!
And learn to grow up with the maximisation of your love.
Be yourself no matter what,
And believe in yourself to discover the path of love;
For success is now seen around you.

Edward Kofi Louis
Devil, Bedevil!

The first phase,
into effect;
To increase!
To decrease,
Ton, tone!
The attack;
Shocking! !
Stalemate,
Woeful at set-pieces.

Green lasers! !
Shambolic,
Disappointing,
Surprising,
With highlights and lowlights.

Slick-counter!
Ditched with overly-cautious system;
For the first time,
Experienced;
Swore, wore, tore, sore, shore, whore!
Devil, bedevil!
Threat,
Posed;
And, of a mentally brittle squad.

Edward Kofi Louis
Devil, Evil!

Insecurity! !
As typified;
Menace!
The breakdown,
Illegal lust!
With silly walks;
Devil, evil!
Hiding under the clamour of sin.

Burned! !
Pulled off,
Hurling firebombs! !
To sheer terror.

Filter!
From the prism and precincts;
Of this callous act,
Regrettably;
Conflict zone!
To shift gear;
Devil, evil!
With the enormity of the damage.

Edward Kofi Louis
Devilish!
He knows no shame,
She knows no shame,
Terrorists! !
Killing people and,
Destroying the earth.

Edward Kofi Louis
Devil's Darling

Tin,
In the bin;
Sin! !
The Devil's Darling.
Thin,
Without fin;
Drinking the Gin,
Having a pin in your hand.
Sin!
Skin,
Kin,
Skin;
Playing along with the Devil,
With the muse of your lifestyle on earth today.

Edward Kofi Louis
Devil's Kiss

Lust!
With a kiss from the Devil;
Illegal lust!
Born out of sin;
Dredge, deed, deer, reed, edge, dreg, red!
A wise person thinks before he or she talks;
But, a foolish person is always angry in life.

Illegal lust!
Very critical at this time;
Lust!
Judged with your works.
Dredge, edge, hedge, urge, merge, pledge!
With a kiss from the Devil.

Edward Kofi Louis
Devious

Devious!
Evil schemes,
To grope at noonday.

Edward Kofi Louis
Devise

Devise,
Conspire,
Sharpened,
Warfare!
And like what is going on in Libya;
But i am ready to protect you with my sweet love.

Edward Kofi Louis
Devised

Evil schemes of war! !
Devised;
Illegal lust,
Evil act!
Void of understanding,
With negative acts,
Acts of terrorism.

Edward Kofi Louis
Devoted

Voted, devoted!
Lovable;
Whether, weather!
Affection;
In every kind;

For you and me!
For peace and love,
For hope and joy!
Muse,
Use,
Infuse;
Devotion!
With the muse of the truth.

Edward Kofi Louis
Devour

Devour, our, due, ore, rove, doe, roe, rover, rue, do;
And like thorns being cut up! !
But the secret of the universe is like,
The end which is now near around us.

Edward Kofi Louis
Devoured

Summoned,
Boom,
Devoured;
But the blood will be the sign for you,
And like a native of the land with flowers in the hand.
I am blessed because of you!
But let me go through all of them;
Because the Commander wanted it so!
Brown, grown, thrown, flown, blown, clown, down, own;
Peaceful and faithful,
But the dagger fell out of the sheath.

Involve,
And, of the evil within.

Seen with the new blood;
And, of the evil within.

Edward Kofi Louis
Diadem

Diadem, aid, aide, dam, made;
Swirl!
Girl,
Seeing to the ways of life around you Today.

Edward Kofi Louis
Dial My Heart

Love,
Touch my mind and dial my heart;

Run, rum!
To feel the taste of life and to feel the taste of love;

Bun, bum!
But, there are many deceivers in this world.

Love,
The truth will always stand the time;

For, the laws is always around us!
And, the law is not grievous.

The Encyclopaedia, the Lexicon, the Concordance!
With the muse of the recorded notes;

Locution, location!
But, do dial my heart and touch my mind with your sweet love.

Edward Kofi Louis
Diamond Eyes

I am nobody’s daughter in this world but,
My diamond eyes are opened to touch your heart;
And the women of your country will stop you at times!
For the wind of love knows who I am.

Infinite arms,
And of the shadow of thw wings of your love;
But we are born on this earth together,
And I will meet you with my diamond eyes.

I’m nobody’s daughter on this earth but,
I will meet you with my diamond eyes;
And I will be placed in chrage of your bodyguards.

Edward Kofi Louis
Diamond's Value

Nature!
Diamond power,
With diamond's value;
Searching for it in your land,
Like a lady with a mask on.

Diamond!
Like the man with a mask on;
In your land,
Searching for it!
Because of daimond's value.

True love!
It knows no boundary;
Love,
It is your time now;
To show the people what you have.

Nature!
With the muse of peace and joy;
Under the laws,
And, with the power of diamond worldwide.

Edward Kofi Louis
Diana

Of calcium carbonate and conchiolin,
Of your sweet love that muses with the air;
But cultured as pauas is your love so voracious!
So come along with your love and,
Bring out the pearls that is in you.
Diana, stop being a slave to alcohol and learn;
For it will always lead you to inappropriate desires.

You are living such a hectic life over there but,
I want you as my lover to be able to change you;
For you need a guide as well on this right path of life.
Diana, we all need teachers along the path of life;
And your case is not new to me.
So arise from your past and come to my arms of love,
For you are all that I want on this love of mine;
Come oh Diana!
For there is a way of life that I want to show to you only.

Edward Kofi Louis
Dianne

I rejoice on your account,
And I rejoice for seeing you once again!
But to understand the purpose of life means a lot,
And like Dianne my friend in the land of peace.

To call in the police and to throw the dice!
With the games of mankind on this earth.
Dice, dies!
Down the lane;
And, the ploliceman was called in.

Edward Kofi Louis
Dice, Ice!

Dice, ice!

Shooting and killing someone is not the answer to peace;

Do the right thing and be positive with your mind!

Peace, harmony and quietness;

Live and seek for peace than war.

Edward Kofi Louis
Dickenson

I am like a leopard from the bush!
But i am very careful with my steps;
And like the muse of your love with Dickenson my friend,
So try to learn from others as well.

Edward Kofi Louis
Dickinson

You will do it alone,
As it is proper;
But when you arrive in Rome,
You will diligently sought me out from the crowd.

Be strong,
Be wise,
Be lovely;
For you often refresh me with your love,
But Dickinson your friend was here at last!

Edward Kofi Louis

Edward Kofi Louis
Dictates

Dictates,
Dedicates,
Traits;
What one person worships,
Another may not worship!
And like conflicts and feelings,

But work for it to save your earnings;
For the bottom line is,
I love you.

You became another dictator yourself!
So what can you now teach me?

I have heard the cry as a woman in labour,
And like the wind too strong to stand!
So wash your heart from wickedness,
For the alarm of war is closer at your doorsteps.

Die Zeit Ist Reif

Zu kalt,
Zu warm,
Zu trocken,
Die Zeit ist reif für meine Gedichte!
Aber es blinkt wenn es stimmt.

Das Leben ist wie ein Rad in der Zeit,
Und Sie sind nicht allein!
Aber die Zeit ist reif für mich zu schreiben.

Viele Platze unterwegs zum Parken,
Viele Probleme in meinem Leben,
In Schwarz oder in Weiß;
Aber das Leben ist immer kein Traum.

Edward Kofi Louis
Diego

Knock at the door and wait for an answer,
For a dream is being fulfilled in your land!
And, after this hard road, there will be success for you.

This is like a piece of paper which flings off in the air! !
But, love will lead you won safely on this road;
For, you are Diego my lover.

Edward Kofi Louis

You raised me up so that i could touch the stars oh my sweet Dienting!
And in the courts of love i will always present my sweet heart to you.

Edward Kofi Louis
Diesel

Personal experiences and the paintings of love,
You were once my lover! !
But with a vivid painting style to touch my heart,

Is what love brings to us if we obey the laws;
As such, there are rules in life!
And, we have to obey them.

Edward Kofi Louis

Quickly! !
Emotions,
Missing,

Fallen!
The night that you cried.

However, your love is not for Sale.

Royal Jelly and Bee Propolis!
Wheat germ oil on your day of fasting;
But Death is not ready to tell us when.

Do not neglect the gift that is in you!
On a mission,
Try to seek after your vision.

Days in my limbo are like the days of your works!
But try to seek after the truth and live in peace with your neighbours;
With servitude and attitude.

The passion of true love,
With the compassion of righteous morals!
Love is connected.

Eyes! ! The Lamp of the Body;
Stay alive and love righteous works!
On the path of the truth to share with your neighbours.

The way of peace,
To stay alive! ! Able to teach others with the muse of the truth.

Edward Kofi Louis
Diplomatic Niceties

I can feel the aroma of the air around me,
And it is like diplomatic niceties!
For this love of nature is twice rapacious.
It is like an exquisite treasure to have,
With a brimful gift in the making;
But the traumatic quest to feel this air is,
All about the love of this aroma!
The existing quotas of life are inequitable and,
Glossily unfair by the law makers around us;
But I am always pleased about nature's role,
And like the natural instincts that fills the air without quotas.
I can feel the aroma of the air around me,
And like the treasure of life to crown the day;
But this kind of atmosphere is always controlled by nature.

Edward Kofi Louis
Directed

Heart, art!
Directed,
Handled,
To facilitate,
To work,
To deal with the blood,
To ensure!
Paramount to life.
Heart, art!
To restore,
Ready for peace;
Very important!
To urge,
A great deal! !
With the zeal of nature.

Edward Kofi Louis
Directions

Right and left,
Left and Right!
Directions;
Right side,
Left side,
Of my birth and my first cry!
Directions of life;
To satisfy the ways of nature.

Sweet father,
Sweet mother,
Certificates are not all that mankind needs on earth;
Living on the sea of tranquility with the muse of love.

Circles and straight lines,
360° with the muse of my mind;
Time is very precious!
Loneliness and hunger,
Like the noise heard in my village last night.

Onion, ginger and galic!
With the muse of the rainbow that shines throughout the forest of love;
Always seeking for help,
Able to live above water.

Edward Kofi Louis
Dirge

Dirge!
War in Syria;
A lament for the dead! !
A mournful song,
This war is still going on and,
Mankind is not learning.

Edward Kofi Louis
Dirt

Box,
Fox,
Ox,
Cox,
Pox;

Zip,
Lip,
Tip,
Hip,
Ship!

Cap,
Lap,
Tap,
Sap,
Nap;

Shirt,
Flirt,
Dirt! !

Edward Kofi Louis
Dirty Dancing

Videotaping,
Sexual escapades,
Fornication,
Dirty dancing,
Emerging from dark bedrooms!
And like the wine of her fornication,
But i saw the woman sitting on scarlet coloured beast full of names of blasphemy.

She has seven heads and ten horns,
With sodomites in the land and of male prostitutes as well;
But the woman was arrayed in purple and scarlet colours!
Also decked with gold, pearls and precious stones;
And having a cup in her hand full of abomination! !
But the filthiness of her fornication was enjoyed by many who were dancing around her.

Edward Kofi Louis
Dirty Eyes!

With hatred and jealousy;
But, this is not the positive way of life.
Obey the laws and live!
For, hatred and war are not the very solutions towards peace;
And, we need the unity of this world to bring us joy.

Edward Kofi Louis
Disappointed

You people disappointed me!
But, i held on my heart,
My mind,
My peace;
For the unity of the land.

Edward Kofi Louis
Disappointments

Rain and hail,
Peace and war!
Disappointments in life,
With the wickedness of mankind;
Across all borders.
This evil!
Practiced by mankind today;
Destroying each other,
With the weapons of war.
Cross, dross!
To witness against you;
Against mankind,
And, with your acts giving you away!
Before our very eyes.

Edward Kofi Louis
Disappointments  2

Drifting away!
There are disappointments in life at times;

Appointments and disappointments,
Nature is made up of colours;

Old town!
Art is in everything;

Even among the clouds! !
However, blaming each other cannot solve any problem in life.

Edward Kofi Louis
Disaster

Sickness and every other disaster,
Let me sleep like a cat and forget about my past;
Because i want to live anew with your love,
And like the sweet songs of the flying birds in the land of peace.
I have something to share with you,
But sickness and every other disaster are around us!
But let it drop and let it fall on me;
And let it be soft, sweet and wet! !
For there are so many troubles in this world already,
But i need a safe ground to land on with my muse.

Edward Kofi Louis
Discipline Yourself

Beware!
Do not turn to iniquity;
Discipline yourself and live in peace,
Accepting in the works of the truth.

Edward Kofi Louis
Disciplined

Disciplined,
Compassionate,
Reliable;
Be responsible to my muse and care for my joy,
But showing concern to me always is what i need.

Ethnic soul,
Of a single click and a double click!
But enter into the land of my soul with love and care,
And try to demonstrate care and concern for all.

Edward Kofi Louis
Disclosed

This eyesore!
Disclosed;
To read your Bible and your Quran,
For the truth;
Searching for the peace of the earth,
Going through the laws of the Creator,
But, there is nothing like same-sex marriage in them.
Open the books!
Open your books,
Learn always from the truth;
Before you are burnt together with Satan in hell.

Edward Kofi Louis
Discord

A proud look!
A lying tongue,
And of the feet that are swift in running into evil;
For, you have sown discord among your brothers and sisters! !
However, the end result are now seen around you today.

Eggs are falling! Eggs are falling! !
Of blackberries, strawberries and raspberries;
The man with the Bible is about to read.
Of the walking-talking Bible,
Of red wine and candle lights of hope!
Discover the universe by learning the unknown.

Eggs are falling! Eggs are falling! !
The world is with much darkness around us;
Where, a teacher always becomes a student.
Of the half-moon stables,
Of the full-moon houses,
In the middle of with my words;
This universe is full of new things to learn from.

Of the lines of poetry,
Of the acts of love and peace;
Eggs are falling! Eggs are falling! !
Of red rooms of roses,
Of blue rooms of love;
Respectable to a muse so sweet like,
Roses of the night!

To walk through the Saxon forest like,
An art by the mile;
From dusk to dawn like,
An African in blue!
A poem by the yard,
Of fried potato-chips and fish;
To walk along the Elbe from sunrise to sunset.

Along the ykes of love,
Alpong the muse of one's heart;
These are the views of the walking-talking Bible with,
Everyone on board! !

Edward Kofi Louis
Discover Your Talent

Uncover! !
Discover your talent,
In life,
With the muse of peace and love;
With the joy of your heart,
And, to expose your works to the world.

Edward Kofi Louis
Discovered And Located

Fin, dolphin!
Elegance,
Like a shark's fin;
But, with a collective responsibility of your love.

Shore, ashore!
of the spate of whales being washed ashore;
Discovered and located,
With a collective responsibility of your love.

Cap, captain!
To act wisely,
Under deep waters;
And, to made a difference in this life with your muse.

Edward Kofi Louis
Discovery, Recovery!

I asked!
And, there was no answer;
Not even with the number of E-Mails posted to you.
Discovery, recovery!
But, i asked and,
There was no answer! !
However, how can i learn from you without the answers to my questions?

Street children! !
Street vibes;
With the muse of the slums in the land of my muse;
Howevr, i am still waiting for the answers to my questions.

Lust!
With the kiss of death;
Life!
With the kiss of love;
I am still waiting for the answers to my questions because,
Everything in life is for a purpose.

Edward Kofi Louis
Disdain

Drain! !
Disdain;
In chain,
In pain,
With no rain!
To bring you water.

Edward Kofi Louis
Disease

Disease!
Facing the enemy that you cannot see;
Because of the ways of mankind!
On earth today.

Edward Kofi Louis
Disease, Decease!

Oh dry bones!
In the valley of death;

Illegal lust!
You are living with an empty dream;

This world is now killing you!
Being surrounded with many diseases.

Disease, decease!
But, it is time to say NO to illegal lust;

The traditions of men!
Doing away with the Laws;

With the muse of your culture,
Leading to sickness and war.

Edward Kofi Louis
Diseases

Diseases,
Created through the actions from our lusts!
Illegal lust,
Forgetting the laws;
Accepting the ways of sin through worldly pleasures.

Edward Kofi Louis
Diseases Of All Kinds

Illegal lust!
Leading to sickness and the diseases of all kinds;
Fusin, confusion!
In the land of your muse;
And, without hope.

Under, underage!
Playing around with your life without a guide;
And now, you do have the deadly disease.

Illegal lust!
With the sick minds of the people;
Under, underage!
You've rejected the truth and now,
In vain you do expose yourselves to sin;
To the taste of this world.

Edward Kofi Louis
Diseases Out Of It

Casual sex,
And the world looks on;
But many are the diseases out of it.

Edward Kofi Louis
Disguise Yourself

Rise up and disguise yourself so that you may not be recognised,
For my love is all about you and the beautiful flowers around;
But the wolves around your house are waiting to devour you.

Edward Kofi Louis
Disguised

He disguised himself for his lover and,
Another came and took her away;
She disguised herself for her lover and,
Another came and took him away;
But I am here to stay with you tonight.

Edward Kofi Louis
Disguised!

Disguised!
To pretend to be someone else;
In the land,
But today you are unstable!
Like a reed shaking in the water.

Edward Kofi Louis
Disguished

He disguised himself,
She disguished herself,
And they came to the woman by night;
Of a deceiving spirit! !
By the spring of the village,
Toil, oil, soil, boil, foil, coil!
Seeing them;
In my toil,
With my pain,
In my dreams,
With the stress of my life!
It was beyond measure,
Strongling in love;
In the days of my distress,
In the land of my affliction,
The bridle of bondage! !
With my age,
But, a wide space was between us.

Edward Kofi Louis
Dish

Dish,
Reddish!
With the muse of the red fish;
Like a well-watered garden.

Edward Kofi Louis
Dish, Reddish!

Dish, reddish!
Serving the red dish in the land of your muse;
But, with care.

Life!
Where can wisdom be found?

Love!
Where is the place of understanding?

Dish, reddish!
Serving the muse of your love in peace and joy.

Edward Kofi Louis
Dishon

Dishon, dish, his, on, so, in, hid;
Coat of many colours!
Freedom,
Applied to the works of the truth.

Vintage! !
Fortification,
Common,
Openly with the muse of love.

Edward Kofi Louis
Dishonest

Evil Acts,
Terror!
Dishonest,
To kill your neighbour.

Edward Kofi Louis
Dismissed

You dismissed me from my position and you took on another lover,
But it was like the farewell voice that I heard in your room!
So be with your own guilt and let me learn from this experience,
Because Rome was not built in a day!

Edward Kofi Louis
Disorder! ! 
Disorder! !
Is what war brings to us;

Destruction brings sorrow,
Like the horrors of war!

Directions!
With hope and inspiration,
Moving on once again;

However, heaven is always watching us,
In whatever we do on earth.

Edward Kofi Louis
Disown

Deny,
Abstain,
First-fruits of love;
Renouce,
Disown,
Onself;
To compare it with the past,
And, with the voice of hope.

Edward Kofi Louis
Disparities

Oh, what has occurred to the fraternity of mankind?
For i have been through the books and i am now a bibliophile;
But the intricate ideal of your soul is the mirth of your love.
Life shows disparities by man's rules,
But dream all the time and try to innate the love line of my heart;
For the legal texts do not create missions.
Do not hunt for the ancient gods and goddesses!
Because you can come out of your tutelage with a positive mind,
For the laws are made by fallible human beings on this earth.
Gain consciousness before it is too late!
And to respect who you are on this earth with others around you;
But, why beat about the bush when the truth is still by you?
The withered nakedness of ourselves on this earth,
And what kind of pride do we have on this earth?
For they have caused the earth to ramble because of nuclear effect! !
But i still have a question for the fraternity of mankind.

Edward Kofi Louis
Dispassionate

It is not healthy,
A dispassionate discussion;
To the civil society,
On national issues,
And like the temple which was destroyed by the fourth empire!
But a hired taxi brought you home.

Constituency,
At the grassroots level;
But to bribe the government officials had been part of you!
However, it is not healthy;
Because, you need to cross over the boundaries with your muse first to understand us better.

Edward Kofi Louis
Dispatch

Watch
Match,
Catch,
Dispatch! !
The news came to me like,
The shadows seen in the deep forest;
So, dispatch your love to meet me at dawn.
Dreams with the kisses of life!
Love with the romance of nature,
Living in peace;
With the aroma of the truth,
Dispatch your love to meet me at dawn.

Edward Kofi Louis
Dispelled

Spell,
Tell,
Dispelled!
Jilted,
Evidence! !
Fresh,
Flesh,
Flash!
Wanted to be.

Edward Kofi Louis
Dispersing Like A Cloud

Summer, sex and drinks;
You fell out of the World Cup because of your wounds!
But the dew lay all night long on your branches,
For this World Cup is all about you.

I am bathing in the cream of your love,
And my success is now dispersing like a cloud;
But men and women listened to me when i spoke.

Of this World Cup 2010 in South Africa and,
Of these branches of your love so wounded without peace;
But age should speak and many years of experiences should teach,
Because men and women of many years are not always wise.

Edward Kofi Louis
Displaces

A maidservant displaces her Mistress!
As a slip floats in the middle of the sea;
But the churning of cream makes butter.

Edward Kofi Louis
Display

Who are you?
Display,
Replay,
But the real you cannot hide from me!
Because what you do when nobody is watching is,
What you really are! !

Edward Kofi Louis

Edward Kofi Louis
Displayed By The Truth

Life,
Displayed by the truth!
When the right thing is done.

Edward Kofi Louis
Displeases

Clue, glue, flew, threw, drew, pitch, ditch;
She was ridding on her donkey and you were with your monkey,
But i will turn back to my lover in the garden of peace.
Perverted, realised, displeases, fetch, teach, witch;
He was ridding on his donkey and you were with your monkey!
And like the oracle of the one whose eyes are opened.
Denounced, delighted, enchantment, pole, hole;
The oracle of your love had taken control over me,
But how beautiful is your body?

Edward Kofi Louis
Dispute

Wrath!
Dare,
Mare,
Bare,
Dispute;
Against another,
On every matter.

Illegal lust,
Acting wrongly and cheating others!
And, with unrighteous judgements;
In the land of the living.
A broken handle!
A broken pot,
A broken vessel;
With illegal ways of mankind on this earth.

Edward Kofi Louis

Together,
To gather;

To clap the hands,
Pact, compact!
Act,
Token,
Derision,
Suffice,

Like the margin of the sea.
The box,
The ox,
The fox;
Chest!
Best,
Nest,

Ark, park!
Mark,
Clark;
In the sense of gathering,
Rap! !
Rapacious;
With the muse of your works in the land.

A valiant man,
Riches,
Wealth,
Health,
Abundance!
Disquietude,
Uncertain,
Shape,
Applications,
Active!
Participle,
Uniting.

Edward Kofi Louis
Dissimilation

Ought to be,
Brought to you,
Thought with care,
Bought with money,
Vows, vowels!
Pleased,
Replaced,
Dissimilation.

Edward Kofi Louis
Dissuading Her

In reference to you,
In reference to me,
In reference to her,
In reference to him,
In reference to them,
In reference to us;
In a scene,
With the muse of love.

The key to success!
it waters always;
Of the truth!
To identify it;
Blood!
It changes always;
And, she is now expecting a baby.

Love!
To give job to everyone;
For, i do understand you better than you think.
Peace!
To give work to anybody;
But, you succeeded in dissuading her.
Of the ring!
Of the necklace;
Of the bracelet,
And, you were able to dissuade her.

Edward Kofi Louis
Distinctive

Distinctive,
Selected,
Unique;
Original,
From the origin.

Edward Kofi Louis
Distinguished

Sweet mind,
Sweet love!
To satisfy your muse;
Distinguished with the works of peace,
Written down with righteous laws.

Edward Kofi Louis
Distress

Butterflies, trees and the clues for this triangle!
For i am in the middle of the Atlantic Ocean.

Visualize the future with the expeditions of mankind and,
Do not distress yourself with the fruits of love;
For i am like an abandon colony.

A romantic dreamer,
And of the cheekbones to spare;
But, love can leave you uncertain! !
And like a 'Ghanaianlogist' in a distinctive territory,
For, i am like an abandon colony.

Aeronautics, aeronautics, areodynamic;
Love can leave you uncertain! !
But, visualize the future with rthe expectations of life.

Edward Kofi Louis
Impending distress will shake your life! !
Trying to understand the rhythm of life;

Symbols, love, magic! !
Many are called but, few are chosen;

Like a donkey and a colt,
But the laws are closer to you than ever! !

Edward Kofi Louis
True love!
You've answered me in the day of my distress;
And, have been with me in the way which i have gone.

Edward Kofi Louis
Distress And Anguish

Distress and anguish,
Upon us like a whirlwind!
Because of the horror from the terrorists.

Edward Kofi Louis
Disturbed Person

The heart of a disturbed mind,
The ways of a disturbed person;
But, let the light of the truth bring hope to him or her.

Edward Kofi Louis
Disunion

A choice!
Your choice,
With your voice;
Disunion.

Edward Kofi Louis

Ditch Witch!
Pitch,
Switch,
Litch,
Glitch!
Flitch,
Itch,
Quidditch,
Twitch;
Nipple, niche!
But, 'a stitch in time saves nine'.

Edward Kofi Louis
Diversity

Projections,
To improve,
Short-handed,
In unison,
Unwrapped,
Endorsement;
But the implementation of the act was like,
The sweet muse of your love!
And like the myth of diversity.

Edward Kofi Louis
Diversity II

University, diversity!
Life,
Diversity!
Through the muse of the lens of the camera.

Love!
Obsession;
Sporran, ran, can, tan, ban, Dan, pan, fan, wan plan!
To spill over,
Lying down;
With the paintings of sweet love.

Stairway!
Spillage;
Exit,
Bt, made with the muse of love.

Muse,
Love,
Peace!
Viewing Mt. Rainer's Gateway;
Diversity!
Through the muse of the lens of the camera.

Edward Kofi Louis
Diverted

Scare resources!
Diverted;

Decision! !
With discretion;

Corrupt people!
Corrupt land;

Playing the ostrich game,
In a corrupt country.

Edward Kofi Louis
Divided By A Wall

She can't bring it to you!
And, this was delaying the time;
But one day she will understand,
For this muse of love is now being divided by a wall.

Edward Kofi Louis
Divination

Divination,
Imagination,
Nation,
Examination;
Fury! !
So cruel;
Curse!
With your anger;
Fierce! ! !
Killing others;
And, destroying the world.

Edward Kofi Louis
Divisions

Millions for the Mafia! !
And of the chronicles of the wars around us;
But three men and a woman were found alone in the room last night,
And all the bacteria around produced more gas!
Willing,
Completely,
Command,
Divisions,
Abiding!
With a timber cutting machines to expose the forest,
But the young woman was very beautiful,
And the Mafia sold her for money!

Edward Kofi Louis
Divorce

This man nearly died!
And i saved his life;
Then we fell in love and got married.
But now,
He wants to divorce me for another lady!

Edward Kofi Louis
Divorce 2

Force!
Divorce,
Source,
Separation,
Heartbreaks;
This life,
This love,
Between the two of you.

Edward Kofi Louis
Dizzy Eyes

Walking!
But, with dizzy eyes;
All because of the fever.
Hear, hearse!
trying to find my way home;
All in the name of love.

Poppies, puppies!
Life's own stories;
Life!
With the truth about the laws;
Catch, catchment!
Life's own history;
Questions! !
But, where are the answers?

Life!
With rings on your toes and your fingers;
Being part of your culture.
Muse!
Walking along with dizzy eyes;
Because of the fever.

Edward Kofi Louis
Dna

Not from me!
From you;
With the code of the DNA.

Edward Kofi Louis
Do Ask Before

Do ask before;
To keep the laws,
Before you take it,
With the peace of your mind.

Edward Kofi Louis
Do Away With Anger!

Do away with anger!
Be merciful to the people around you,
With a positive mind;
Because, nothing in life is permanent.

Edward Kofi Louis
Do Exactly

Of wisdom, knowledge and understanding;
Of peace, love and care;
Of power, beauty and kindness;
We have the spirit of truth and the spirit of error!
So do not be a lair to your friends.

Dance exactly as he danced and,
Do not follow that which is evil;
Learn exactly as he learnt and,
be very strong like the palm tree;
For this world is getting worse all the time.

Greedy dogs!
They lie to the people;
So do write out exactly as he wrote,
For the truth is always the truth.

Of a great plan,
Of a great puzzle,
It is getting worse all the time with the world;
So try to test every spirit.

I have not send them, yet they run;
I have not spoken to them, yet they speak;
But try to eat from the tree of life to gain wisdom always.
Life is like the potter's clay and,
You have to do exactly as they did;
But do go for the truth always.

Edward Kofi Louis
Do I Fit In?

This society,
Do i fit in? !
Always moving along,
Alone! !
This society,
Do i fit in? !

Edward Kofi Louis
Do It

Do it,
The work;
Doing it is right!
With righteous morals.

Edward Kofi Louis
Do It Right

Do it right and,
Get it right;
The insight!
Of peace and love;
Caring for the people around you.

Edward Kofi Louis
Do It Tomorrow

Let us do it tomorrow,
And like life and lessons to respect your muse;
For the integrity of your words are like,
What you've been taught and of your experiences in life.

Edward Kofi Louis
Do Lack Nothing

Asian classic,
African classic,
American classic,
Canadian classic,
European classic,
Australrian classic,
Like life at the 'four blocks of hell' to share my mind with you.
Vancouver,
The State of Glass;
Of a three-hundred-year-old tree to share my mind with you.

By faith, Abel offered more excellent sacrifice than Cain;
But i will renew my covenant with you my love.
Vancouver! !
Don't throw stones if you are living in a glass house;
Like the voice of the malak gadol,
Walk honestly to all and do lack nothing.

Edward Kofi Louis
Do No Wrong

Do not wrong and do no violence,
Nor shed innocent blood on this earth!
For the Creator created us all and,
We need peace than war.

Pray and play but don't be like a prey!
For the plane is now on the plain of your field;
And like the bars of iron in the great city,
But do no wrong and do no violence.

Edward Kofi Louis
Do Not

Forget my colour and my language and do not ask my 'why'?!
Because the truth is, I do love you.
Do not ask me why I kissed you,
Do not ask me why I romanced you,
Do not ask me why I made love to you,
Because the truth of the matter is in the eating.

One day I will stop thinking and watch the world go round me,
One day I will stop teaching and listen to your teachings about love,
One day I will stop writing and learn from the people around me,
For anew born baby will grow up and walk one day.

Do not ask me 'why'?!
For one day you will understand me better on this love;
But prepare the way straight that,
Somebody may follow along very smoothly.

Edward Kofi Louis
Do Not Accept It

Do not accept it if the seal is broken,
Because it needs to be original and perfect to be accepted;
For the day of your glory is like the sweet of your love.

Edward Kofi Louis
Do Not Answer A Fool With Folly

A fluttering sparrow,
A flying swallow,
With a bridle for the donkey and, a whip for the horse!
But, do not answer a fool with folly.

Edward Kofi Louis
Do Not Be Like Cain

Evil! !
The works of the devil;
But, do not be like Cain,
Who was the wicked one;
As he murdered his brother.

Edward Kofi Louis
Do Not Be Weary

Do not be weary of doing what is right,
For your love overflows all its banks!
And i will live in the valley of your love.

Edward Kofi Louis
Do Not Condemn Me

Do not condemn me without showing me the charges you have against me!
A mortal,
Facing the odds of life;
From clay and back to the dust!
Do not condemn me without showing me the charges you have against me.

Edward Kofi Louis
Do Not Deceive Yourselves

Read: 'Romans 1: 27' and,
Do not deceive yourselves on this earth! !
For, the unrighteous will not inherit the Kingdom of Yahweh.

Edward Kofi Louis
Do Not Dispose It

Sore, core, bore, ore, whore, fore, gore, lore, more, pore, tore, yore, wore;
It bites like a serpent and stings like an adder!
And like the grains of sand;
But attain to the truth and do not dispose of it.

Edward Kofi Louis
Do Not Forget The Laws

Life,
Do not forget the laws!
The laws of righteousness;
For the length of days and long life will add to you.

Love,
Do not let mercy and truth forsake you!
In high esteem,
You will always find peace.

The fantasy of life! !
With your life,
Always hold on to the truth;
And live in peace with your neighbours.

Edward Kofi Louis
Do Not Give What Is Holy To The Dogs

Why do you look at the speck in your neighbour's eye? !
When, you have a beam in your own eye;

Edward Kofi Louis
Do Not Quarrel

I have seen your face,
I have felt your love,
I have had your taste,
I have ate your honey,
I have smelt your aroma,
All from your body!
But, your bow would not bend low.

I have heard your words,
I have seen your acts,
I have seen your works
I have seen your behaviour
Like ten donkeys loaded with items!
But, your bow would not bend low.

Do not quarrel! !
Let positiveness rule your muse;
Overcoming the difficulties around you.

Repentance,
Confession,
Baptism,
Conversion,
Eternal life is a free gift;
Seek for peace and love your neighbours.

From the womb to the world,
To face the bomb and die!
To be buried in the tomb;
Hatred and war are not what we need,
Do not quarrel! !
Seek for peace.

Edward Kofi Louis
Do Not Relent

Excerpt!
But red and flat like a carpet;
Popular with the muse of the wind,
And, to sing along with your mind.

To think and to rethink nabout some issues;
But, always bring peace to all than war.

Side, aside!
To the river side;
With the peace of your mind.

Life,

In doing what is right;
And, following the steps of peace to reach out to the world.

With the desire of becoming part of the family of Yahweh;
And, with a positive conduct.

Then, do so;
If you want to be like me,
Then, do so;
Because, you will help market my image than ever!
However, by your positive fruits,
You shall be noted as well.

Edward Kofi Louis

Think about it and,
Do something about it;
Talk about it and,
Do something about it;
Say about it and,
Do something about it;
Write about it and,
Do something about it;
Learn about it and,
Do something about it;
For, the muse of this world is complex at times.

Edward Kofi Louis

Reptiles;
Do not eat sea food and,
Do not eat reptiles.
Life!
You need your health;
Leading to a sound mind and a sound body,
So, do watch what you eat.

Edward Kofi Louis
Do What Is Right Always

Fables,
False doctrines,
Endless genealogies to wake up from your sleep;
But the ultimate result of life is beside you,
And you have to do what is right always in this life.

Edward Kofi Louis
Do You Have Enough Time For Me?

Do you have enough time for me?
Time that we can share and care for each other;
Call me and let me know,
Call me and let me be there for you,
As we do care for each other;
Time!
Is all that we need.

Edward Kofi Louis
Do You Like What You See In The World Today? !

Do you like what you see in the world today? !
With hatred and war leading the way;
Wars here and there! !
Humanity,
Against each other;
No true love,
At all! !
Wickedness and evil acts seen everywhere in the world;
Do you like what you see in the world today? !

Edward Kofi Louis
Do You Love Me?

The mirror is what matters but,
Not your face;
And I am here to believe that you love me,
So please do you love me?

Edward Kofi Louis
Do You Love Yourself?

Do your love yourself?
If your answer is 'YES' then,
You don't have to carry a gun in your pocket;
Because, when you kill someone with it,
It then starts the ripple effect!
Leading to hatred and war,
Affecting the whole world;
So love yourself and let us all live in peace.

Do you love yourself?
If your answer is 'NO',
It then implies that, yo do hate yourself!
And, you do hate the world;
Ready to carry a gun to destroy the world with hatred and war,
But, hatred and war will never bring peace to the world.
Love yourself and bring peace to the world!
Living and sharing with your neighbours in peace.

Edward Kofi Louis
Do You Remember The Time?

Do you remember the time?
The past,
When i was your helper;
Able to push you up! !
To where you are today.

Edward Kofi Louis
Do You Remember?

Do you remember the days of Slavery?
Do you remember the days of World Wars?
If you don't then, history will recall itself.
The law is not only laid down for a righteous person but,
Also for manslayers and for whoremongers.

Edward Kofi Louis
Do You Want To Eat Fish?

Do you want to eat fish?
Ask the ocean!
And the ocean will give you fish,
To give you a catch;
With a net in your hands.

Edward Kofi Louis
Do You Want To Eat? !

Do you want to eat? !
Then, eat the sweet muse of my love;
Prepared for you,
Because i have prepared my bed of roses for you.

Edward Kofi Louis

Edward Kofi Louis
Dock

Dock,
Lock!
Mock,
Not to block the road;

With love,
With dreams,
To work towards your dreams! !
Along the ways of life.

Edward Kofi Louis
Dock 2

Shock! !
Not to mock;

Block, lock!
Dock.

Look! !
At the book;

Like a hook at the brook.

Rock your life with the truth!

Servitude and attitude to enhance your status;

Gratitude is the truth! !

Longitude and Latitude,
With the muse of the earth.

Different style,
Different passion;

With compassion!

Vision with your mission,
Block, lock!

The blick,
The link;

Pick it up!
The truth.

Edward Kofi Louis
Dock, Lock, Block!

The muse of the guinea-pig!
In the land of many rivers;
Life, act!
Of your toy car;
And, of your life.

Life, act!
Knees and toes;
Of your muse,
Hand in Hand.

Life!
Where have you been of late?
With your toy box.

Story, history, hickory! !
Head and shoulders;
Custom, costume!
In the land of many rivers;
And, of your life.

Dock, lock, block!
Being in the land of your muse;
But, with the guinea-pig.

Humble, bumble, crumble, stumble, tumble, rumble!
With the sense of love;
Boot, foot, loot, coot, hoot, moot, root, toot!
Under the umbrella of peace.

Spout, out!
Down came the rain once again;
To hop away or to skip away! !
Knowing what Comes next.

Edward Kofi Louis
Doctor's Darling

The real thing of love is with you my lover and,
I have the street knowledge to look for you;
But, you always hide yourself on the 'Bond Street'.

You are the Doctor's Darling and,
I am in the dancehall looking for you;
And it is like Shabba Ranks in Amsterdam.

Mine oh mine!
I'm now walking with an Empress;
For i am the real winner of her heart and,
She is the Doctor's Darling.

Stick on my heart and stick on my roots,
For i am tough enough to lead you on;
And like the ace of base in the windy city,
I will be waiting for you in the dancehall.

This is a new chapter of love and,
I am like the echoes of the people around you;
but i hope that it will rain soon,
For my lover is still outside there alone.

How long will it take to talk to you about love?
And about the things to remember on the lovers lane;
For i am in the mood for love and,
She is always with the Doctor for medication.

Edward Kofi Louis
Documentation

Bright with insight,
Right with my mind,
Delight with the truth!
The sight of love,
The rights of mankind;
Bright stars! 
The love of creation,
With sincere thanks to the Creator.

Edward Kofi Louis

Edward Kofi Louis
Dodai

I am a single mother with two children and,
Dodai came along to help me carry my load;
But i am dressed to kill but i have no husband.

Of the bride and bridegroom,
Of my days numbered to have children without husband;
And like a train from Pupulampu to Patawa!
But i will surely take care of these children.

Edward Kofi Louis
Dodi

Live peacefully and say your mind,
Live joyfully and express yourself;
And like using a black puppet in the land of your muse!
But your bows and arrows are now with Dodi your friend,
So live wisely enough without disturbing others.

Edward Kofi Louis
Go and cry to the gods (elohim) that you have chosen!
And let them save you in times of trouble;
But the truth in this life is for free,
And i have my mind resting very peacefully on this issue.
You are like a mighty man of valour but,
You are with a group of worthless men!
And your name is called Dodo;
But you need to walk through the Red Sea for the truth about life.

Edward Kofi Louis
Doeg

Doeg, dog, god, go, goes, in!
To a city that has gates and bars,
Facing the odds of life;
Looking for help when needed most! !
Consider my cause and,
Uphold it with love;
To deliver me with your sweet love.

Edward Kofi Louis
Does It Please You To Oppress Me?!

Do not condemn me without showing me my charges!
Does it please you to oppress me?!
Then, think twice.

Life,
Hustle and bustle;
To be poured out like milk and curdled like cheese!
Seeing all the problems around me.

Edward Kofi Louis
Doff, Off!

Slaves of desires,
Open University;
Doff, off!
Slaves of love,
You have only one way to go.
It's sad but,
That's true;
Slaves of desires,
I've heard others cry,
On a plot of virgin earth.

Edward Kofi Louis
Dog Eats Dog

The crocodile attacks the elephant and the jaguar attacks the crocodile!
And this game of dog eats dog torture goes on in this world;
But the power-girls and the power-boys are about to learn from my muse.
God, dog, bog, log, cog, fog, tog, hog, jog, wog!
And of dowries and gifts;
But let me find humour in your eyes,
For this world is very deceitful and defiled all around us today.

Edward Kofi Louis
Dogs And Gods

Hops and Shop,
Tar and rat,
Deer and Reed,
Star and rats,
Read and dear,
Own and won,
Lap and pal,
Bus and sub,
Tab and bat;
Use and sue!
Ram and arm,
Deal and lead,
Dogs And Gods;
Raw and war! 

Edward Kofi Louis
Dogs, Gods!

Lust!
By means of rape;
Lust!
With the sick minds of the people;
Lust!
With those who practice sodomy;
Worship! !
With satan the Devil.
Dogs, gods!
20: 20 P.M. in the land of your muse;
Detective, collective!
With the ways of life;
Lust!
Like a dog with eye glasses on;
Lust!
Living lont time in the dark and,
With the shadow of death.

Edward Kofi Louis
A perfect time for opportunity, 
Barry, marry, carry, Larry, parry, harry; 
Love is for everyone and, love is everywhere! ! 
But, whatever will be, will be in this life; 
And, whoever will win, will surely win.  

Harry, starry, tarry, quarry; 
And like the muse of Dohren your friend, 
But this is the perfect time for you to see my works! 
Script, manuscript, transcript, subscript; 
Script, Scripture! 
Please, pleased; 
However, nature tolls on us all to learn from our own mistakes.

Edward Kofi Louis
Doing Abominable Things

Illegal lust!
Brought upon themselves;
And, with the destruction of the land.

Rape!
They did not obey nor incline their ears;
Doing abominable things.

Lust!
The beast has no conscience;
Bringing destruction to the land.

Rape!
By force;
Defiling the children and the women around you.

Fend, end!
With the ways of your life;
As seen in this town.

Edward Kofi Louis
Doing It Your Own Way

Doing it your own way!
As if you have no choice;
However, the voice of the truth always knocks at your door.

Edward Kofi Louis
Doing The Right Thing

Moments of Love,
Moments of life,
Moments of peace;
With the muse of joy! !
Doing the right thing,
With the muse of positive morals.

Edward Kofi Louis
Doing The Right Thing Today

Sweet memories!
Let peace and love have a place in your heart;
By doing the right thing today.

The light of love is the light of peace,
And the light of the truth is the light of hope;
Doing the right thing today.

Fighting against each other will not solve any problem;
Peace is the key of life!
And, the originality of anything is from the the main source; the origin.

Edward Kofi Louis
Dokua!

To address your problems with the muse of my love,
And to adhere to the principles of freedom and justice;
For, you will surely gain your insight with the muse of my love.
Dokua my sweet one!
I am walking across the hot coals to meet you;
Because actions are needed more than words at times,
But, i am the English Police Officer in your neighbourhood.
Try to get to me and, let me lead you on with my love;
For, my micro-chip is like your potato-chip!
But, the moving clock runs slower than a stationary observer.

Edward Kofi Louis
Dokurugu

Sleepy hollow!
Dokurugu, do, go, dog, god, drug;
Questions,
Answers,
Solutions,
In River World!
Asleep like a log,
The colour of the ocean!
In Tokyo Bay;
Asleep like a stone,
In the den of the lion!
Colour and fun,
The seeker!
Asleep like a wood,
The finder!
Kamilo Beach,
A box full of plastic!
But, keep on writing and,
Let me read your works.

Edward Kofi Louis
Dole, Dolefully!

The rain fell,
The flood came!
And, the winds blew;
The rain fell to water you! !
And, you were deeply wet.
Dole, dolefully!
A wise man build's his house on a rock;
Fully, dolefully!
However, a follish man build's his house on the sand.

Edward Kofi Louis
Doll, Toll, Roll!

Doll, toll, roll!
Respect the truth and live in peace with your neighbours;

Light to the world! !
In the land of the living with positive morals;

Power in your hands! !
Doing the right thing;

Onward with positive morals,
Bright light of peace!

Learning under the hand of righteous teachers,
Bringing joy to the world with righteous morals,

Doll, toll, roll!
On earth to share with others.

Edward Kofi Louis
Domain

Main,
Domain,
Gain,
Joy!
With the muse of the rain;
With no pain.

Edward Kofi Louis
Home, come, some, tome, dome;
I'll wait for my turn in this life.
Zone, tone, bone, cone, done;
I can't believe I just did that!
Gone, hone, lone, pone, none;
Wait patiently for my love.

Band, sand, hand!
Making mistakes does not mean giving up;
But try to maintain a positive character and,
Be ready to change from wrong to do the right thing always.

Man, pan, tan, van, can, fan, fan, ban;
This is about the dome afar off!
But try to understand the status of your life,
And do not be quick to accuse others openly in your neighbourhood.

Edward Kofi Louis
Dome, Done!

We don't rule with anger!
And, you can't conquer life with hatred! !
Because, it leads to war.

Dome, done!
To have your say and, to have your way;
But, stay with me and let me understand your muse.

We don't lead with anger!
However, where there is love, there is peace;
Because, love brightens your life.

Edward Kofi Louis
Domingo

Oh Domingo! !
I have been left alone in the dark once again;
But, i am at the sheep-gate with the muse of love.

'Wazobia'! !
With opinionated controversies from the masses;
But my faith is with the Father in heaven.

I am the first born of the womb and,
Very intelligent to the realms of the stars! !
But, i have been left alone in the dark once again.

Just as it was written and just as it is written,
And like the sweet muse of love in the land of peace;
But, my mind will always search for you.

Respect, passions and deep emotion!
Gone too soon like yesterday when i was about to call you;
But, there is no future in yesterday.

Edward Kofi Louis
Don

Forcible sex offences,
Arson and burglary;
For i am around to put things right and,
My name is Don.

You deliberately emptied the glass and,
I have to fill it again;
But i would like someone else to guide you on.

Edward Kofi Louis
Don Ii

From the ground up,
And of your muse as seen through the open door;
But check the vibes before going out,
And like Don who needs a bright day for love.

Edward Kofi Louis
Donaldson

My mind cannot be duplicated and,
My wisdom cannot be compared on this love;
But i have to reach out to your heart with passion.

Of the heritage of Yaaqob,
Of the sons and daughters of mankind;
And to register and record our names after birth like,
One who cuts the meat and gives it to the land of roses.

Like the shapes of life,
And like the act of love after a visit;
But try to free your mind on this prolific message.

Donaldson, i wonder where you are? ! !
But the student is never greater than the teacher.
Of the sunshine,
Of the rain,
And of summer and winter;
Come back to life to learn from others.

Edward Kofi Louis
Donall

I will love again and live again oh Donall my friend!
So drive in and drive out this device and let me feel free;
For you are my man of the day and,
I am the woman at hand to satisfy you on this love.

You are Donall and i am the woman you met last night,
So there are no white elephants seen around your bed today;
Because Pumapa had already told me the news,
And i do love the sweet aroma of your love.

Edward Kofi Louis
Donezk

Donezk, do, done, zone, one, doe;
Do you love me?
'La Isla Bonita'.

Love,
The only place;
With a brand new start,
In the land of peace.

Muse!
The only time;
With the muse of the roadrunner! !
At the rocky beach;
But, let your love be real to my heart.

Cat power!
The English Riviera;
Too real,
Lovely and peaceful to my heart.

Edward Kofi Louis
Donkor

Making waves,
Making history,
Making love;
Like a new born baby with the placenta and the umbilical cord.

Donkor, I am the midwife living next door;
And like the 'Club of Babylon',
I am here to educate you and the general public.

Edward Kofi Louis
Donkoto

Donkoto, to, too!
Muse,
Use,
Abuse;
At the centre of the controversy.
A shocking exposure! !
Sticking out of the block;
In the early stages of the act.
Pan, panacea!
Defunct,
Abuse,
Fumed.

Edward Kofi Louis
Donne!

The parable of this love is where you live,  
The muse of this love is like your nakedness;  
But, i am Donne in the land of your muse, 
And of your love in the land of your muse! !

Edward Kofi Louis
Don't Break My Heart!

Don't break my heart!

Don't destroy my life;

Destroying nature as well is not helping matters.

Edward Kofi Louis
Laws of righteousness!
Be the doers of the laws and,
Live in peace with your neighbours;
Don't deceive your own self,
Able to save yourself by doing righteous works.

Edward Kofi Louis
Don'T Destroy Life

Life,
There is a purpose to it;
So, don't destroy life.
Nature,
Put a smile on your face and, do the right thing;
For, we need peace than war!
And, we need to take care of the Planet.

Edward Kofi Louis
Don't destroy life!
Rather, save life;
Because, we are all part of nature.
Arise, Arise! !
Sitting on the mountain of love;
Looking around and,
Watching the muse of life.

Sin, sink!
Locution,
Sinology,
Blithe;
Prose, pose, rose!
Looking tinto the eyes of love;
In deep and dark dispair! !
You threw the ball against the wall and now,
You are running away from it!
As it bounces back towards you.

Lips, tips!
Quiddity;
Quiche,
Quid pro quo! !
Wealth alone isn't everything in life.

A quiet river,
In your neighbourhood;
Property, prosperity!
Life,
For who you are and,
What i am;
Seasoning oil,
Face, surface, resurface, race, brace;
It will grow my love!
Because, it is part of nature;
And, beneath lies the water of love.

Gave, save!
Waiting for you;
With the muse of the truth.
Spice it! !
And, let it last longer;
Cap, rap, sap, tap, map, wrap, lap, nap!
To see it for the first time and,
To learn from it.

Edward Kofi Louis
Don't Forget

She will call you,
Because she love you;
Don't forget that,
With the muse of love and friendship.

Edward Kofi Louis
Don't Forget  2

He will call you,
Because he loves your beauty;
Don't forget That,
With the joy in his heart! !
With the muse of love and friendship,
Dancing in his dreams!

Edward Kofi Louis
Don'T Forget The Rules

May!
Maybe;
Way!
Doorway;
Like the day of trouble,
But, you can't do it on your own today.
The muse of life!
You need somebody to help you at times;
Because, you can't do it all alone.
Tragedy! !
But, saved by the bell;
Time!
You need someone to help you at times;
So, don't forget the rules of nature.

Edward Kofi Louis
Don't Give It Up

Hope,
With your dream;
Don't give it up.

Edward Kofi Louis
Don't Give Up

Dreams! !
Your great day will come tomorrow;
So, don't give up.

Edward Kofi Louis
Don't Go Away

Stop! !
Please don'rdon't go away;
True love,
Please don't go away;
Let me see your face,
I can feel your love,
This love of yours!
Touching my heart;
Deep inside me,
Please don't go away.

Edward Kofi Louis
Don't Hate Me

I am also a human being and,
I have feelings;
So, don't hate me.

Edward Kofi Louis
Don't Hurt Your Neighbour

Clap for the truth and don't hurt your neighbour;
Sap, map!
With the muse of the truth like the Tap-Dance.
Cap, wrap!
To rap your neighbour with the muse of the truth;
Always seeking for peace than war!
Don't hurt your neighbour,
Don't trap your neighbour,
Let your neighbour grap the truth.

Edward Kofi Louis
Don't Leave Me For Someone Else

Save the truth,
Save my name,
Save my honour in your house;
Do not leave me for someone else!

Edward Kofi Louis
Don't Leave Me Like This

Don't leave me like this,
Show me your love!
Let me see that, you care for me;
Call me and, come to me!
Don't leave me lonely.

Edward Kofi Louis
Don't Let Me Down

Oh! Life,
Please don't let me down;
Let me fulfil my dreams,
Let me go on! 
Without looking back;
On and on!
Moving on,
With positive morals,
With joy in my heart,
With peace and love.

Edward Kofi Louis
Don't Let My Requests Go Against Me

The truth,
The works of peace;
Don't let my requests go against me,
Because, i have something for the world.

The works of mankind,
The works of love,
The works of peace,
Being what i am today;
Because, i am on a mission with my vision.

Edward Kofi Louis
Don't Look Back

Forward ever!
Don't look back;
Go for your dreams,
With positive morals,
With the works of the truth,
Facing your goals! !
Don't look back.

Edward Kofi Louis
Don't Look Down On Me

Don't look down on me! !
Don't look down on others;
Peace and love!
To understand the status of my mind.

Edward Kofi Louis
Don't Lose It

True love!
Don't leave it and,
Don't lose it;
To have have it always around you,
To satisfy the muse of your sweet love.

Edward Kofi Louis
Don't Miss My Love

Don't miss my love,
Don't miss my care,
Do't miss my romance,
Don't miss my passion,
Don't miss my emotion,
Don't miss my kiss,
Don't miss my plans!
For you are all that is in my mind;
And like the muse of your love,
But try to remember me always.

Edward Kofi Louis
Don'T Miss The Plane!

The earlier you can get there,
Get there if you can;
But, don't miss the plane!

To our best friends,
And more so to you!
But, get there if you can.

Edward Kofi Louis
Don't Pour It In

Wait first!
Don't pour it in;
Consider the people around and,
Do what is right.

Edward Kofe Louis
Don'T Rehearse

Feel my presence and feel my love,
For i am the only one who knows myself;
Feel my love and feel my presence,
For you are the only one who know yourself;
And i want you to feel the fullness of my story.
Don't rehearse and don't be prepared for it,
For it will only hit you automatically like magic! !
And love is the key and you will feel the beat.

Edward Kofi Louis
Don't Say Anything

Miracles are found everywhere!
With surprises;
Love,
Don't say anything! !
I am here with you,
Because i love you.

Edward Kofi Louis
Don'T Say It's Over

Life!
Don't say it's over;
Love!
Don't say it's over;
Muse!
Like a new born calf.

Calf, half!
In the land of your muse;
But, don't say it's over.
Cod, code!
Trying everyday with the lies of the world;
But, don't say it's over.

Love!
With the beginning of life;
Muse!
Clear blue in the garden of love.
Games! !
Casting,
In the land of beautiful flowers;
But, don't say it's over.

Life!
Out of the blues,
With the ways of love;
But, don't say it's over.
Life!
Of the performance,
In motion;
With the story of your love.

Muse, use!
In the Sunshine State;
And, taking a flight to St. Barth.
Guard, guardian!
With the sweet muse of love;
But, don't say it's over.
Don't Separate Yourself From It

Hold on the truth!
Don't separate yourself from it;
For the sake of righteousness.

Edward Kofi Louis
Don'T Throw It Away

It has been offered to you!
So, don't throw it away;
And like the sweet muse of a little child.

Local farmers,
Snipers,
Hatred before honour! !
But, killed in action;
With increased anger and hatred.

A cup of drink,
The muse of love,
The works of peace;
But, the truth has been offered to you!
So, don't throw it away.

Edward Kofi Louis
Don'T Throw Stones

The flavour,
The aroma,
Th scent,
And like the muse of your love in the land of peace;
So, don't throw stones in a glass house.

Edward Kofi Louis
Don't Throw The Bomb

My mind is sharper than the Atomic Bomb! ! !
So, don't throw the bomb;
Because, you are going to destroy the world.

Edward Kofi Louis
Don't Touch Her!

Don't touch her!
She's somebody's wife;
Don't use her!
She's somebody's wife;
But I do see many men around me doing this,
And this is very bad!
For she is somebody's wife and,
You have to leave her alone for her husband.

Edward Kofi Louis
Don't Touch It!

Don't touch it!
Ask permission first before you do so;
Because, it is someone's property.

Edward Kofi Louis
Don't Treat Me Like This

I'm a human being! !
I've got feelings;
So, don't treat me like this.

Edward Kofi Louis
Don't Walk On By

Some days i have to cry! !
Some days i have to write,
Some days i have to learn,
Some days i have to sing;
All because of your love,
So, don't walk on by.

Edward Kofi Louis
Don't Worry

You don't have to hurry if,
You don't have to worry;
Because, the lorry will be very late today!
So, don't be very sorry with your life when,
You have a vision ahead of you.

Edward Kofi Louis
Don't Worry 2

There are negative people all over the world,
So, don't worry when they insult you;
Always seek for peace.

Edward Kofi Louis
Don'T Worry About A Thing

The atomic philosophy and the nuclear energy!
As seen in Fukushima (Japan) and in other countries;
But turn your lights down low and don't worry about a thing!!
For these very works of our own hands are going to kill us all.

Edward Kofi Louis
Don'T Worry About Me

If it is possible i will do it!
So don't worry about me;
For i need time to think about it,
And i need your sweet love behind me!
Like the muse of your love so shared out to others,
But this act will need a time and a date;
And like the parties to your love.

Edward Kofi Louis
Doomed

Tear,
Raze,
Pull,
Doomed!
Trust not in oppression nor,
Vainly hope in robbery;
For the world is now closing up on us all.

Marrow, arrow, row, raw, mow, am, war! !
And like a leaning wall in the land of your muse,
But let your light so shine among men.

Edward Kofi Louis
Door Of Hope

Joy!
With the door of hope;
Lovingkindness and mercy.

Door if hope!
With humility and faithfulness;

You can learn from your past! !
But, you can't change your past.

Moving in today,
With the works of peace;
And, to live with the truth.

Edward Kofi Louis
Doors

Life, love and peace!
Not all the doors of the world are wide opened around me;
Most of them are closed! !
Because of hatred;
Far beyond the horizon.

Edward Kofi Louis
Doors And Floors

The scoop,
The scope,
Rope, cope, hope, slope!
The house,
Doors and floors;
Harmony,
Not with money.

Edward Kofi Louis
Doping

Pin,
In,
Doping! !
Using drugs to win the game.

Edward Kofi Louis
Doreen

To read all the words of the law and,
To learn at all times for your future;
And like the destruction of Sodom and Gomorrah,
You need to learn from one another.

Of butter and milk,
Like a visit to Mount Nebo;
And to drink the pure blood of the grape is like,
The American history.

Doreen, you may have a military service to undertake;
But, I have my mind as a bard to write.
Do not give up in life but rather,
Try to learn at all times to increase your knowledge;
For this earth is still part of us.

Edward Kofi Louis
Dorgbey

Candles od strokes,
Setting me to fall;
But i gained my balance by the help of a woman,
And like the wings of love in summer time.
Dorgbey my friend,
I have learnt a lot in this life;
But i have now found peace and the commitment in you.

Edward Kofi Louis
Dorian

Dorian, rain, in, Dora, do, raod, drain;
The heat,
The heat of the sun;
With your white skin now becoming brown!
Because of the heat of Africa.
Ali, Mali, Bali!
Like special shoes made with glass;
But, taking the pill after the act will not solve your problem.

Edward Kofi Louis
Dorward

Dorward, Dora, road, ward, rod, draw, row, raw, dad, war!
But, i am still sitting down alone waiting for her in the bush;
All in the Name of love.

Over, Glover!
With hatred separating eople all the time;
But, my faith will lead me on.

War! !
Words,
Works.

Love!
The perfect Signal;
With the muse of peace.

Draw, raw!
In the City od death without true love;
But, who is ready to end the war?

The colours of nature!
The colours of love;
Leading the positive mind in the right direction.

Life!
With the magic roundabout in the land of your sweet muse;
But, be very wise to live with the truth always.

Edward Kofi Louis
Dothan

Dothan, Dan, hat, ton, dot, than, hot, not, on!
The cistern was empty and no water was in it;
Tested! !!
Affliction makes people acknowledge their sins.

Edward Kofi Louis
Dots

Dots,
Red dots,
Movements,
Moments.

Edward Kofi Louis
Dots, Documents!

In peace,
Living with the laws;

In joy! !
Being in the arms of love.

Life,
Revelaed with the truth;

Dots, documents!
With the works of peace and joy,

To facilitate!
The gesture;

TO abreast yourself with life,
Under the umbralla of the laws.

Edward Kofi Louis
Double Image

A whirlwind of spirit! !
Playing around with nature,
Dancing with the wind,
Double image!
In the mist;
Seeing the old city and,
The new city together.

Edward Kofi Louis
Double Rainbow

Double rainbow!
The details, the muse, the act, the art, the colours! !
Seen up in the sky with the image of Yisrayl Hawkins;
For, He is the Chosen One as the Branch,
To represent the Laws and the Prophets!
And, the Truth of Father Yahweh is always declared by Him.

The signs in the sky! !
Look up high to know the truth;
For, these signs are only given to the chosen few among the lot!

Signs and wonders,
Look up high into the clouds! !
For, this world is now closing up;
And, we all need the truth from the One Chosen to lead us!
For, He is the Only One sent as the Branch with the Light.

Edward Kofi Louis
Double Rainbow Colours

Double Rainbow Colours appearing to me!
With one above the other;
And, as big as anything!!

Seen through the east side of my house from my window,
And, this was on the 25th of September 2012.

Rain, Cain, lain, plain, pain, chain, slain, train, brain, drain!
To watch the appearance of the double rainbow;
Bow, cow, crow, low, slow, mow, now, row, flow, brow!!
And like the muse of the colours up high in the sky;
As big as anything from the east side of my house.

Edward Kofi Louis
Double-Minded Person

Press, repress!
Walking disorderly according to the laws;
Because, a double-minded person is unstable in his or her ways in life.

Edward Kofi Louis
Douglas

Winter blues and summer's love,
Be thankful to someone who cares for you;
For your word is a lamp unto my feet.

I am on the White House's lawn to share my views,
But do unto others as you expect then to do unto you;
For the genesis of my birth is to the world so sweet.

To the ruling elite,
And to move around the clock;
For the destruction of the poor is their poverty.

Hatred stirs up strifes and love covers up sins,
So do the right thing always oh Douglas!
For as a child is weaned, so is my sweet love towards you.

Edward Kofi Louis
Douglas II

Your office is to season the people around you,
Because the sun shines both on the just and the unjust!
But, let me come in and take you by the hand my love;
For, I am Douglas with the fruits of love.

Edward Kofi Louis
Doumbla

Beautiful landscape,
Negotiable;
A quiet and serene corner,
Negotiable;
But please, come and touch me with your love!
For, i am waiting for you.

5 bedrooms,
3 bathrooms,
With water and electricity facilities! !
But, i am available with my love;
And like a reliable telephone line in the land of your muse.

This house,
ready for occupation;
This muse,
Ready for your love;
This work,
For i am Doumbla in the land of your love,
And, i have something for you.

Edward Kofi Louis
Dovvsu

I greatly admire yu and your personality,
And i greatly love you and your poems;
For, you know how to use numbers!
And like the muse of my mind in the land of peace,
But let me hear from you always.

Backyard games,
I do dearly miss you my sweet love!
And to know you better is like the muse of your name;
For you are called Dovvsu and,
I will dance with the light that is now seen around you.

Edward Kofi Louis
Down

Why should she suffer like this? !
Why?
Down,
One year with her illness;
And, she finally gave up.

Edward Kofi Louis
Down Cast

His countenance fell and,
Sin came crouching at his door!
Thereafter, he rose up and killed his mother.
Down cast and sadness but,
Foolishness is like being clamorous and ignorant!
But rebuke a wise man or woman and,
He or she will love you always.

Edward Kofi Louis
Down Her Checks

Bitterly she weeps in the night!
Her tears flowing down her checks;
And like refuse on the face of the earth,
But surrounded by light from within the midst of love!

Edward Kofi Louis
Down Hill

See, seer, seep, seek, sees, seem, seen, seed!
Down hill;
With matured minds of the land,
Now waking up to the truth.

Each, peach, breach, leach, bleach, teach, reach, preach!
Very nice,
With warm gratitude;
Beautiful with the muse of your hearts.

Down hill,
Leave the bones and eat the meat!
For, the flesh is all about life;
And, we need each other to bring about peace on this earth.

Edward Kofi Louis
Down In There

It goes down!
Down in there;
With disastrous consequences,
Like a grimy picture painted with the muse of corruption.

Edward Kofi Louis
Down The Riverside

To behold your love!
To be satisfied with your muse,
Down the riverside.

Edward Kofi Louis
Down There In The Rain

Very heavy! !
Down there in the rain,
In the valley of love;
As time found you down there!
For that purpose,
With the prose of life and,
To pose for nature.
Post!
Posted;
She did it with you;
Present,
Presenter!
Revealed with the muse of your love;
Down there in the rain.

Edward Kofi Louis
Down To Earth Notes

Love,
Sweet love;
With the down to earth notes,
Searching for the ways of the truth.

Edward Kofi Louis
Down To The Last Letter

True love!
Down to the last letter;
With the volume of the books,
Written in the name of righteous morals.

Love,
For you and me!
Doing the right thing,
Without hurting anyone,
According to righteous laws.

Peace and joy!
With the fragrance of life and,
The romance of nature;
And, with the aroma of the truth! !
Caring for each other.

Edward Kofi Louis
Down!

To become sick,
To become weak,
To be without hope;
Because, you are now down!

Edward Kofi Louis
Down, Dawn!

Dawn,
Brother;
Down,
Sister;
Power! !
Protection;
Down, dawn!
Implication,
Strength,
Inspiration,
Life!
With the muse of love.

Edward Kofi Louis
Downfall!

Downfall!
Indiscipline and corruption;
To suffer for so long,
And now, to the rescue.

The mirror! !
The terror,
With the sorrows of life;
To suffer for so long.

Indiscipline!
Under the yoke of voilence;
With the observations of the land,
And, to suffer for so long.

Ad hoc! ! !
Very delicate;
With clashes here and there,
And, with casualties.

Edward Kofi Louis
Down-Hearted

Comfort the down-hearted and support the weak,
With the love of the truth and the love of your muse;
And glory and joy will be with you always.

Edward Kofi Louis
Downie

I am no mystery to you because,
I am real and I live closer to you;
And I am called Downie.

Edward Kofi Louis

Road,
Load,

Town,
Crown,
Brown,
Grown,
Shown,

With the toad seen,
Along the main road.

Edward Kofi Louis
Downsizing

Root, route!
Downsizing,
Sun Princess,
The sun rises from the east!
And, settles in the west;
But, you the Sun Princess in this town.
Come to my lovely garden of beautiful flowers,
Come with the sweet muse of your love;
For, i am ready to care for you.
Route, routine!
Downsizing;
Campuses,
But, learn how to sit down well and eat.

Edward Kofi Louis
Doyle

A heavily armoured column,
With a correspondent's sources;
But Doyle your friend was taken in as well,
And like a case in Abidjan without a clue.

Troops,
Threatening,
With heavy weapons and very offensive! !
But he reportedly gave in to muse up with your love;
Because, his elected successor failed to read his message!

Edward Kofi Louis
I am Dr. Elias and,
I have seen many vehicles overloaded with cargoes!
But come to my side like the 'Highway No.1',
For many are the accidents which have killed many.

This is like a mother who is ready to kill the unborn baby,
And of a world full of rules;
But you can always make a difference from others,
Because the death toll from the vehicles are more than that of the plane crashes.

My love to you is like the swearing in ceremony at the 'Manhyia Palace',
But come to me and learn from what i have experienced in this life;
And i am ready to love you like the River Niger.

This world is full of troubles and we don't know how to control some of them,
With bombs in Libya killing many and of the nuclear disaster in Japan! !
But i am Dr. Elias and i have to teach you when you do visit me.

Edward Kofi Louis
Dr. Flash Hour

Horses from Egypt,
Of the prophecy and the love of your muse;
But the cocoa of Ghana is what you need today,
For i am about to tell you a story on this love!

She went to her own country like the royal bounty,
And the forest of Lebanon was exposed;
But i will present to you meat or vegetables at your request,
For Dr. Flash Hour is here with us tonight.

Dr. Flash Hour,
I am lovely and you've got the night;
And i will spread out my wings of love to learn how to fly away with you,
Because i can't easily forget how you taught me how to ride on the horse of Egypt.

My love is with you but the cocoa of Ghana is what you need on this love,
And i am ever ready to present my love along to satisfy you!
For the your sweet muse is like a country with a royal bounty.

Edward Kofi Louis
Dr. Hans Dilcher

At the Art Exhibition,
At your Art Exhibition,
On the 18th of November 2014,
Meeting you there with Mr. Wilson;
As, the two of you exhibited on the same day,
However, I was there because you invited me.
I met you very strong on that day!
With the muse of the audience at hand;
But, Mr. Wilson wasn't all that fit,
As he was walking with a walking-stick.
We discussed a lot!
Finding a way for me to exhibit my Art Works next time;
As we interacted with Mrs. Richrter at the 'Rathaus',
On the very day of your exhibition.
There was a live-music being played at the background,
However, after a while, I have to leave the exhibition hall;
And, hoped you well for better sales.
Oh life! !
Nature took you aways so soon;
As I heard of your sudden death on the 2nd of December 2014.
Your candle of life burnt out so soon,
As death came around and took you away;
Gone too soon into the other world!
Dr. Hans, Dilcher.
We planned to meet again;
To see how best you could help me promote my Art Works,
But, your candle of life burnt out so soon.
Oh Dr. Hans Dilcher!
Life is uncertain,
May your soul rest in peace;
For, the last time that we met was, on the 18th of November 2014.

Edward Kofi Louis
Dr. Kofi

Please, can i speak with Dr. Kofi!
He is my friend and i want to say hello;
For the bush is burning and,
The animals are scattered here and there.
Doctor, Doctor!
Come to my aid now! !
Come and let us save the animals.

Change this tide!
Dr. Strange;
Arrange,
Cage, age, page, stage, stage!
Language,
With the passage of time.
Vintage!
Vantage,
Advantage of your works;
In the land,
Facing the ways of life.

Edward Kofi Louis
She wants to know more about this boy,
He wants to know more about this girl,
And like what is seen around us in the name of modern society!
But i am Draanen in the land of joy.

A random love,
A random poem,
A random story,
A random muse,
And like the joy of your heart!
But falling in love is part of us on this earth.

Edward Kofi Louis
Drafting With Love

Feelings! !
Feelings of your love;
Not able to sleep because of you.

Feelings of love,
Drafting with with your sweet love in my mind;
Hoping to touch your soft body one day.

Sleepless nights!
Thinking of you all the time;
When will you offer me this love sweet of yours?

Edward Kofi Louis
Drafting With Love 2

Feelings! !
Feelings of your love;
Not able to sleep because of you.

Feelings of love,
Drafting with with your sweet love in my mind;
Hoping to touch your soft body one day.

Sleepless nights!
Thinking of you all the time;
When will you offer me this love sweet of yours?

Edward Kofi Louis
Drag, Rag!

Drag, rag!
In the net,
Without mercy,
Under the sledge,
At the edge,
Ledge,
Pledge.

Edward Kofi Louis
Dragonfly

In the visions of the night,
With doors left unlocked waiting for me;
For the living will tell it well.
From Ivory Coast to Gold Coast,
And like the encyclopaedia of the realms beyond;
But i still can't get over you.
Why did you loved me and left me alone like this?
And like the shimmering clouds of butterflies;
For the mystery of the dragonfly is all about you.

Edward Kofi Louis
Dragonfly!

Dragonfly!
Sunshine in the Caribbean;
The carnival,
The landscape,
Standing alone and watching them.

Edward Kofi Louis
Drainage

Drainage passage,
Through the narrow path;
Like the brain drain!!
Seen around the country.
The rain,
The drain;
Drainage passage,
Along the road.

Edward Kofi Louis
Drama And Comedy

Bun, pun, sun!
The wrapper of honour,
On lovely nights;
Bygone days of lonely nights and,
The tears of desolation.
Amusing pun!
Drama and comedy;
Like a snake in a lake.

Edward Kofi Louis
Drama Of Life

Meal,
Seal,
Real,
Deal,
Ready!
Everyday,
To make love,
To share with you;
With the drama of life and,
The peace of your works.

Edward Kofi Louis
Dramani

My love to you is like the people of Eden in Tel Asser,
And i will grow daily on this love to reach out to your heart.
You are very young and energetic!
And the message from your heart is very simple;
'I love you'! And i will do my best for you.
Oh, sweet memories of yesteryear,
Of a woman of your heart is what i am;
So just extend the sense of your humour to me oh Dramani!

Edward Kofi Louis
Draw Back

Tea with wine,
Molasses with beer,
I've got my sweet mind on you!
But a 43 year-old man slept with a 17 year-old girl,
And i want to know whether it is moral of it is rape!

Today,
They are married with a 14 year-old child.
Judge according to the laws and sleep with the values,
And learn from the formats to show me the way;
Because this man violated the virginity of this girl!
And now, nature had automatically joined them together as husband and wife.

Draw back!
We do succeed always by trying over and over again;
And the wise will always learn from their mistakes,
But do review always what you are best at in this world.

Push in and draw out,
Push in to enter the door and draw back for your exit;
For it is very hard to change the heart and the mind at times.

Edward Kofi Louis
Draw Near

Love,
There's a place for you in my heart;
Looking for you always and,
Preparing for you always.
Of your love,
With the muse of my mind;
Let us draw near to each other with,
The works of the truth.

Edward Kofi Louis
Draw, Raw!

Draw, raw!
But use the law to lead you on;
Following after righteous works,
For the peace of the land.

Edward Kofi Louis
Dread

Read the Headlines!
Dread,
Horror!
Terror! !
Death;
With the acts of terrorism,
With the muse of the wicked ones among us,
To kill and destroy.

Edward Kofi Louis
Dreaded

War!
Ruthless and impatient;
To march through the breadth of the earth,
To possess lands and countries not their own! !
Dreaded,
Terrifying,
Fierce than the evening wolves;
And, faster than an eagle that hastens to eat.

Edward Kofi Louis
Dreadful And Terrible

War!
Dreadful and terrible;
Destroying and killing,
With the works of evil.
Devil, evil!
With the works of the wicked ones;
But, what goes around comes around.

Edward Kofi Louis
Dreadfully

The hinges creaked!
Nervous,
Dreadfully,
To kill your neighbour,
Evil act! !
Thoughts,
With your thoughts;
Negative,
To kill and destroy,
Furry!
Uncontrollable terror;
As you killed your neighbour.

Edward Kofi Louis
Dream

Dream, dear, made, ear, arm, am, read, era, red, me, dam;
Eagle eye!
The view,
From afar;
Hawk-eyed! !
Life,
And, to understand the ways of the earth today.

The truth!
Hold on to it;
And, live in righteousness.
Yard, vineyard!
With hawk-eyed over the laws;
Mused, bemused!
In the deep waters of Cape Three Points.

Edward Kofi Louis
Dream 2

Dream! ! !
With its interpretation,
The joy of your heart;
But, keep your eyes on me and follow me.

Edward Kofi Louis
Dream Again!

You are able to emulate my power!
But, not my love;
Because, not everybody can wear a white underwear.
To touch is to blow!
Any our joy is from your ecstasy;
But, failure is like the dead around you today,
Because of the war.
The muse of life,
With the sound of the noise around you;
But, the necessity to create something is always ruled by our love.
Dream, dream, dream again!
With the honest dreams to prosperity;
And, of the things that you and i share in the world today.
Dream, dream, dream again!
because, not everybody can wear a white underwear;
With the dreams of the stone-age to the modern-age,
However, failure is like the dead around you today.

Edward Kofi Louis
Dream Catcher

Dream lover,
Dream catcher,
Penny lover,
Walking around with your muse;
The beauty of your body.

Edward Kofi Louis
Dream Day!

Flour, salt and water;
For your food,
Eating and drinking!
In the land of peace.
Dream day!
By the sea;
But, do not forget the poor.

Edward Kofi Louis
Dream It

Dream it,
Hope for it,
Work towards it,
Never give up on it;
And, you will get it one day.
Fine Art!
Contemporary Art;
In the Museum of Modern Art (MoMA):
Fine Art!
Contemporary Art;
In the National Gallery of London;
With the muse of mankind.
Dream it,
Hope for it,
Work towards it,
Never give up on it;
And, one day you will get it.

Edward Kofi Louis
Dream Of Dreams

Dream of dreams!
By the river of your sweet lover;
Swimming along with the joy of your heart,
Like the graduation of a talent.
What is stronger than passion?!
To solve the mystery of this love;
With the purpose ahead,
Joyful with the sweet mind of your lover.

Edward Kofi Louis
Dream Something Wonderful! !

The first molecule,
The first miracle!
The hallway,
Love,
Dream something wonderful! !
To satisfy the muse of your life.

Edward Kofi Louis
Dream Works

Darts, arts!
Dream works;
Healing me with your sweet love,
You came along! !
Bringing joy to my heart.

Edward Kofi Louis
Dream Works! !

Love seals,
Dream works,
Hope finds,
Peace cares,
But, my muse will be with you always!
For this secret love of yours is now in my lovely garden.

Edward Kofi Louis
Dream, Scream!

A man came in your dream,
A woman came in my dream,
Dream, scream!
With the cream of love all over your body;
But, i was saved by the bell.

Mind, remind!
With your guidance and appreciation;
In the hot summer day.

Love!
In the darkness of the night;
Right, night!
With the sweet muse of your love.

Mercy, Percy!
A woman came in my dream and,
A man came in your dream;
Story, accessory!
With the muse of the light around us.

Out, outlet!
Being in dreamland;
Love!
Very impressive;
But, your cream was like a Lighthouse without light.

Edward Kofi Louis

A sign and a proverb,
With glory and joy! !
Foreteller of dreams.

Edward Kofi Louis

Edward Kofi Louis
Dreams Of Life  2

Water! !
By the river;
The flow,
The show!
Feelings,
Like the one from the ocean.
Freeze!
Like the muse of the ocean's  breeze;
To respect nature,
The seal,
To open the deal;
The flow!
With joy in your heart;
The current of this river,
With its next work.
Love and dreams! !
Like the king's garden;
Life and nature!
Like the queen's garden;
Defectors!
Deserted,
With the story from the north.
Restrained! !
To the pit,
In the morning;
Hit, sit, bit, fit!
Tube,
Cube,
Here and there;
Here on earth.
Touring,
Turning,
Barrow, narrow, arrow!
Rites,
Rights,
Rituals,
Traditions,
But she's still childless.
Fix, mix!

Fruits,
Fruits of life;
But, every apple fruit is a medicine to you.

Tell me your name and i will tell you who you are! !
Concerning the laws,
Concerning the peace of the earth.

Set up,
Step up;
Seasons, sessions!

Sweet love,
Sweet taste;
Once again with the muse of life.

The market and the King's Palace,
The river and the Queen's Palace.

Deeper and deeper to express my love;

To forget my past and, to be in the dreams of tomorrow.

Edward Kofi Louis
Dreams! ! !

Dreams! ! !
Never give up;
Hope! ! !
Be determined and,
Move on with your dreams.

Edward Kofi Louis
Drenched

I am drenched in misery because of your love,
But the coral of pearls will give me hope;
I am drenched in misery because of your acts,
But the topaz of Ethhiopia will lead me on;
And i will press the oil within the walls of your love one day,
For i will still love you even if the moon is not bright!

Edward Kofi Louis
Dresden

Dresden, den, reed, deer, red, see, seer, seed, deed;
Inside!
But, are you doing the right thing as needed outside?
Then, think twice! !
With birth and growth,
Step by step with the mus eof life.
Participants!
Industries,

To guard and ensure the peace of the land.

Edward Kofi Louis
Dress, Dressing!

Dress,
Press,
Dressing;
Address,
Stress,
Mistress,
Dress, dressing!
To address the press.
Spices,
Dressing,
Wax,
Candles,
Erected;
To facilitate,
With the muse Prince Edward and his Princess.

Edward Kofi Louis
Dressed

Dressed!!
 Colourful and attractive to the eyes;
 With your beauty,
 Living in your land and taking care of your children.

Edward Kofi Louis
Dressed!
In her Royal Robe;
And stood in the inner court of the Palace,
Facing the entrance to the court,
Waiting for you.

Edward Kofi Louis
Dressed At The Quarry

Tell her that you are her father and,
Let her turn to the muse of your love;
And like the stones dressed at the quarry,
For this day is now set out before you.

Supporting beams,
Against the walls of your love i will rest;
For i have slits of light of love on you,
And like the stones dressed at the quarry.

Your love is under my construction and,
It will be dressed up like the stones from a quarry;
So spread out your wings of love over me and,
And let me lead you to my home.

Edward Kofi Louis
Dressed For Battle

Hatred!
Dressed for battle;

War! !
Ready to kill;

Those you call your enemies! !
While others seek for peace.

Edward Kofu Louis
Drew

Drew,
Grew!
Great,
To meet;
Freely! !
Without a cause.

Edward Kofi Louis
Dribbled

This world is dribbled like a footballer!
And some stories are not well told;
This world is driven like a racing car!
And some stories are better left untold;
But i will always have my bread and water,
And be ready to say, 'L'Chai-Shalom'!

Edward Kofi Louis
Drifting In The Adriatic Sea

Cast me upon a certain Island and let me have my liberty!
For i am drifting in the Adriatic Sea like the muse of my lover,
And like the distance of twenty fathoms away.

Edward Kofi Louis
Drily

Drily,
Grate, great!
Promotions,
Objective,
Creation,
With hope for the aged.
Power!
Challenges,
Mindful,
Transformations,
And, with a positive agenda.

Edward Kofi Louis
Drink And Sleep

Drink and sleep!
Relax your body;
You've suffered enough for the day.

Edward Kofi Louis
Drinking Hot Coffee

It is not free,
Fee, coffee!
Drinking hot coffee in the morning,
Under the big tree;
As a bee came flying around.

Edward Kofi Louis
Drinking Irish Whisky

Whisked! !
Riseked,
With the muse of your choice;
Hearing your voice!
Drinking Irish whisky.

The truth,
To ask the old woman in the village;
Because, she met you with a bottle in your hand,
Irish whisky.

Edward Kofi Louis
Drinking It

Black coffee!
No sugar and, no cream;
Drinking it,
With the status of my colour in Africa!
Exploring and exposing my identity to all.

Edward Kofi Louis
Dripping

Honey!
Dripping,
To taste the honey from the honeycomb,
And, to gain your strength once again.

Edward Kofi Louis
Dripping!
Dripping inside;
The standard! !
That standard;
With the standard of love.

Act,
Acts,
To move in;
With the muse of the link of life and,
The ink of love.

Edward Kofi Louis
Drive-In!

Drive-in!
Drive, arrive;
Doing the best for love! !
Going along to the west;
Like a dove in a nest.
Elation! !
Nation,
Coming home after a long exile;
But, with the muse of love in mind.
Drive-in!
To regain yourself;
with the insight of the soul,
With determination!
To heal,
With the muse of your love.

Edward Kofi Louis
Driven Away

Extol,
Riders,
Clouds,
Habitation;
I am like the defender of your love,
But being drivem away like the smoke around you.

Sing for joy and,
Let your love shine on me;
But blessed is the person who listens to me!
And, your lips uttered out positive words to me.

Edward Kofi Louis
Driven In

Connection,
Drugs, hooked!
Reginal;
Serve, conserve!
In effect;
Driven in,
And, besieged.

Ate, private!
Lenders,
One, onerous!
With the rate of interest;
As many were seen being hooked up on drugs.

Druges, hooked!
Driven in,
The final nail;
Ions, prescriptions!
Couple of years ago;
Without hope in the town.

Edward Kofi Louis
Driven Mad

War! ! !
Driven mad,
Because of the things that you've seen.

Edward Kofi Louis
Drones

Clones,
Thrones,
Drones! !
Seen everywhere;
Start, art!
Star,
Part;
With the muse of mankind on earth.

Edward Kofi Louis
Vision, vision, vision!
Don't be a dropout when you have no vision;
But use what you can to fight on till you become somebody.
When you see people nicely dressed,
You will think that they have no problems;
But visit them in their various homes and you will hear enough,
For we all have problems in this world!
Don't be a dropout but rather fight on to be yourself,
For you have something special ad i have something special too;
Because a blind Frenchman (Louis Braille) invented Braille in 1829!
Epic love and epic poems,
I am no dragonfly but a man of wisdom on a mission!
So don't be a dropout on your dreams;
For we cam all do something on this earth.

Edward Kofi Louis
Dropped, Drooped!

I will try to find it out;
Lip, flip!
The sages of life,
The pages of love,
The stages of nature,
Fight, fright!
With the flight of one's life.
Coercion,
With the muse of the cold;
Dropped, drooped!
Look at what you've got us into.

Edward Kofi Louis
Dross

You have vilated her that was set apart in her ceremonial uncleanness,
And you have lewdly defiled your daughter-in-law;
For you have fallen because of your iniquity! !
And you've become dross to me.

Edward Kofi Louis
Cross,
Across,
Boss!
Remove the dross from the silver,
To bring out the material for the silversmith.

Edward Kofi Louis
Drought

Town out of water!
Drought;
But, it was already written in the Bible,
In Mathew Chapter 24.

The muse of life!
With the layers of the earth;
Love!
Very wonderful and beautiful;
When we live up with the truth.

Drought!
All over the world;
Bringing in difficulties to mankind,
And, with the lack of water.

Drought!
The lack of rain from the sky;
But, it was already prophesied in the Bible,
For this last generation to learn from the truth.

Edward Kofi Louis
Drowned

Upon the dry ground,
Dash, lash, ash, clash, bash!
Stubble,
Bubble,
Trouble,
Imposter! !
Uncertain,
Drowned in the Red Sea.

Edward Kofi Louis
Enjoy this cake of my love,
And do not be very drowsy!
For many waters cannot quench true love,
And like the muse of your love hanging around in the bush.

I am like a wall and my sweet breasts are like the two towers around you!
But you are sitting on the mountain of spices,
And like a stone thrown into the sea.

Edward Kofi Louis
Drug Dealer

He smokes it and sells it,
Indian Hemp;
Drug dealer,
Drug addict,
Destroying the life of others.

Edward Kofi Louis
Drug, Drudgery!

The writer and the ink,
The painter and the brush,
The worker with his or her hands;
Drug, drudgery!
Working all day long without break;
Like the beak of the woodpecker in action.

Edward Kofi Louis
Drugs

Conducts,
Conflicts,
Culprits,
Drugs! !
Playing the ostrich game.

Edward Kofi Louis
Drugs And Guns

All around us are drugs and guns,
But the drug barons and the warlords do pray to their various gods! !
However, their views are different from many of us;
Because, the dead are now asleep and the living are awake.

My life is like a Black American in the jungles of Africa!
And like the chocolates to my nephews, nieces, uncles, aunties and cousins;
Because, the dead are now asleep and the living are awake.

My life is like the muse of America,
My life is like the muse of Japan,
My life is like the muse of Germany,
my like is like the muse of England,
Living in the land of birds and animals!
But, the African story will wake you up;
Because, i am what i am without drugs and guns.

Edward Kofi Louis
Drugs, Rugs!

These lessons,
Love and life!
Very pleasant to learn;
Of how to solve problems.
Pleas, please!
With true love and care;
Pleas, pleasant!
You don’t need guns in your room to protect you.
Life!
Say no to drugs;
Drugs, rugs!
Watch your teps and ve very wise on this earth;
By doing only righteous works.

Edward Kofi Louis
Drum, Rum!

Sum,
About 10 Miles away;
Responded,
Responsible,
Drum, rum!
Once upon a time,
Once again,
Darkness! !
How can this be?
In the land,
The players,
With prayers!
Another point of view;
Able to fulfil your dreams.

Edward Kofi Louis
Drum, Conundrum!

Sap,
Sapling,
Murky water,
Bridge, ridge!
Journey to the west;
Drum, conundrum!
Hard to catch;
Epic of injustice!
Earthly decadence,
But, your heart is the temple of the Creator;
So, do the right thing in life and live.

Edward Kofi Louis
Drunk In Your Love

Love,
Sweet love;
Drunk in your love,
Because, you are so beautiful.

Edward Kofi Louis
Drunkard!

Drunkard!
Sleeping with your nakedness;
But, you need somebody to cover your body,
And, to save you from the eyes of the public.
Pass, passivity!
Now, you're being exposed;
Because of your drunkenness.

Edward Kofi Louis
Drunkards

The crown of the pride of the drunkards,
Tempted by Satan to swing in sin;
But, try to watch your steps before it is too late.

Edward Kofi Louis
Drunkenness

The sin of drunkenness and the sins done in the dark!
Satan the adversary is always influencing the people;
But the laws are beside you,
So be very wise to overcome the negative powers of this world.

Edward Kofi Louis
Dry Aged Beef

Dry Aged Beef!
Seek for peace than war,
In the sight of the One who Sees;
The One who Sees your face and knows your heart.

Ear, earmark!
Life is full of thousands of colours;
So, let us seek for peace always and,
Live with the joy of our hearts on earth.

Boffin, coffin!
How many more do we have to bury after terror attacks?
So, let us seek for peace than, hatred and war.

Edward Kofi Louis
Dry It Up In The Sun

It is still wet so,
Dry it up in the sun! !
And like the muse of your sweet love in the land of your dreams;
But i am ready to direct you to my home.

Edward Kofi Louis
Dry Up Your Tears

Dry up your tears Mama Africa,
And greetings to your sons and daughters;
For i am here to back you up as a true son!

The 'Modus Operandi' is what we need,
But we have to weep for ourselves as well;
For your freedom, liberty and privacy are now intruded!
But i am here to back you up as a true son.

I am reaching out to the galaxies and,
You need to dry up your tears Mama Africa;
For you have the gift so sweet to the souls,
And of the your expectations and passions!
For your patience and love touches the hearts of many.

A person who fears is not made whole in love,
And i am here to back you up as a true son;
So dry up your tears Mama Africa,
For you are brighter than the gold on the honeymoon stride.

Edward Kofi Louis
Dry Up Your Tears

I've been through it!
Once,
Even twice! !
So dry up your tears and let me help you.

Fears of life,
With terror everywhere;
Dry up your tears and let me direct you,
With positive morals.

Humbleness,
To be shy at times;
Hiding your face from the public,
However, i’m here to care for you.

Edward Kofi Louis
Dry Up Your Tears My People

Dry up your tears my people!
For gold is not gold by itself when found;
It is found as a gold dust and then,
Refined into pure gold! !
So, having fun and living on the edge of life doesn't pay;
But rather, gain consciousness to move ahead by wiping away your tears.

Yes, all will be well soon;
And like the muse of bananas with the monkeys at as zoo!
However, money really talks on this earth;
But, the same money cannot buy many talents.

Some days are better than others,
However, live like a king and die like a man! !
For, you are not the only person suffering on this earth.

Come to me and let me lead you with the muse of my love,
And like the works done in the land of beauty and love;
For, you are not alone on this earth.

Fly to me and let me show you wisdom,
For where the rich and powerful rules, are also poor people around;
Because, without the poor, the rich cannot be richer always!

Do wipe away your tears my people,
For Rome was not built in a day! !
And, there are still constructions going on in Rome today;
So, stop crying and give me the smile of wisdom.

There are more things to learn on this earth,
But, the Laws are there to guide us on always;
So, if you cannot wipe away your tears,
Then, just lay your troubles on my pillow and let me wipe your tears away.

Edward Kofi Louis
Dry, Drought!

Barren,
Dry,
Famine,
Lack of rain;
Dry, drought!
Out of greed to change the laws of the truth;
As mankind destroys thr atmosphere with sin.

Life,
To search for perfection with endurance;
And, to put the world into a better place!
Than, destroying it with out sins.
Dry, drought!
Famine,
In the land.

Edward Kofi Louis
Dscharimila, Ali, Mali, mail, has, as, ash, had, ham, his, hams, alms;
With the movements of the powers in your land!
Without a unified voice,
As the soldiers came marching in.

Dscharimila, dam, hail, sail, Sam, dial, mails, lad, mad, sad, calm;
Audaciously exerted!
With the power of the land;
But, morality must be restored with the muse of peace.

Note, keynote!
With the obeservation of the land;
But, with a severe blow!
Without the essence of moral values from the acts of the soldiers.

Edward Kofi Louis
Dual

Dual! !
A double interval;
Muse,
Use,
The space between.
Two,
To, too!
The two;
Infuse!
The two;
To bite! !
Infuse,
Refuse,
Thwart, wart, art!
Dual,
The two.

Edward Kofi Louis
Duct Contact

To help you,
To guide you,
To lead you,
To care for you;
Lesion,
Lessons,
Duct contact!
With the problems at hand.

Edward Kofi Louis
Duffuor

Wrinkled butts,
By the colour of one’s skin;
And like the pessimism that eclipse optimism!
But, more diverse was the muse of your love,
For, your mind was dedicated to the new globalisation act.

Duffuor is my name and i am with you,
But, this lotto to paradise is all that you know!
All the same, not all that glitters is gold;
For, the soldiers came in last night and took my lover away.

Edward Kofi Louis
Duflo

Duflo, of, old, do, fold;
Everything is for a purpose in this life!
And, there is time for everything.

The living of the poor!
The economy of the poor;
With the poorest of the poor.

Epic!
Evaluation;
To the four winds.

Life!
Fresh and lovely;
And, with the muse of peace.

Life!
Of the known and the unknown;
But, with the muse of care.

Muse!
With the person of the year in this town;
But, the mind of wisdom brings about great peace.

Edward Kofi Louis
Duggal

I planted the seed in you and,
You failed to water it;
So, how can you hear the cry in me?

I planted the seed in your garden and,
You failed to water it;
So, how can you know the pain in me?

My life through the thickest fog,
And i am now around with the ruling elite;
For my DNA and my RNA are in you.

Bedroom blues,
And of the love that goes around your valley;
For you will see me agin when the right time comes.

Edward Kofi Louis
Duke

Jump to it! 
And of the totem animal within us;
But like shamanism and unwashed hands,
I will preserve my name as Duke to keep you informed of my love.

Edward Kofi Louis
Duly Ratified

The first fruits in Achaia,
Love is the key to live;
The second fruits in Accra,
To my sweet lover in the bush!
But great in pleasure is the muse of your love.

I am filled with the comfort of your love,
But eternal are things unseen!
For the temporary things seen around are like,
The blessing of giving! 
So come out from among them and be separated.

The blessing of sharing and the blessing of peace,
Do not touch the unclean things and live!
For i am like the light shining out of your darkness,
But this poem is with joy to you all.

Many years after your love,
It had been duly ratified to satisfy your muse;
And like an infant in the land of your sweet home.

Edward Kofi Louis
Dumsor

Dumsor, drum, so, or, sum, rum;
Out,
Getting out! !
Getting it out.
Ominous,
To fix it in once again;
Challenged! !
Incensed;
But, being incompetent.
Crumble, rumble!
Like a jerky ride;
Of the action,
Captured!
But, imposed with the muse of your authority.

Edward Kofi Louis
This signal of your love and this signal of my muse,
It was joy when I heard of your words!
And like a visit to Lagos in Portugal,
But, I had the same experience in Lagos (Nigeria) some years ago.

Heavy metals and simple words,
Down the riverside to wait for you;
And like Dunbar your friend in the land of many waters!
But, thousands of flowers and candles are needed over here like,
The soft meat in the land of sweet songs!

Edward Kofi Louis
Duplicity

City,
Duplicity,
Act! !
Your act;
With the slightest provocation,
Attitude! !
Your attitude;
Duration,
Seeing your negative acts,
In the land!
And to move on with your life.

Edward Kofi Louis
Durable

Durable,
Able,
Enable,
To see it for what it is;
Remarkable!
In propective.

Edward Kofi Louis
Durana

Some have already landed on the moon but,
Others are still naked in the bush!
But, to find the honest people is much needed,
In this time of life that, the humans are against each other.

In the night visions,
In my night visions,
In your night visions,
And of the path of life in a very unique way!
However, we do need help at times from each other.

In the region of Goshen,
Of the their flocks and of their herds;
But, cry out loud to Yahweh! !
For, He is your strength and your protector.

Durana my friend!
Rise up early and set out on a journey of love;
And, try to follow the rules of life in its very best! !
For this love is mixed with romance like,
The flour mixed with oil.

Edward Kofi Louis
Duration

Nation,
Finding,
Communication,
Acting,
Showing,
Acclamation,
Loving,
Duration,
Art, act!
With the muse of life,
With the muse of love,
With the muse of peace;
And, with the joy of the heart.

Edward Kofi Louis
Duress

To teach and to tell the truth,
To study and to say my prayers,
To write and to touch your muse,
To sing and to praise your name,
For your love is like the milk and the meat;
But you are under duress!

Show the difference between the clean and the unclean things around you,
For the law breakers are always around you!
And like the signs of the dying sun under duress,
But today's educated world still worships Satan through various customs.

Edward Kofi Louis
Dust, Lust!

Dust, lust!
With the pleasures of this world;
leading many off the truth,
As they are being hooked on with a mind set! !
Rejecting the positive order of peace, unity, love and joy.

Edward Kofi Louis
Dusted Aside

Side,
Slide,
Outside,
Ride!
Pride,
Inside,
Dusted aside.

Edward Kofi Louis
Dustin

At anytime ans at anywhere!
Get ready to have diner in my room with your nakedness;
For the wonderful colours of love are here with me,
And my heart yearns for your sweet love.

Everything must be coordinated with your muse because,
I am the beautiful girl that everybody wants in this town;
But let us sail on this boat of love and meet the season's bridge!
For true love never fails.

In my deepest thought i think of you,
In my sleepless nights i think of you,
And like the reappearance of the crescent moon!
But the wonderful colours of love are basically here for you and me.

Dustin,
I will always meet you at anytime and at anywhere;
So get ready to have diner in my room with your nakedness,
For i am the beautiful girl that everybody wants in this town!

Edward Kofi Louis
Duty Remarks

Duty remarks,
Africa! Awake! !
Boom, zoom, loom, room, doom;
With one love, one heart and one peace!
But i don't want the Devil's philosophy around me.

Duty remarks,
Moon, noon, spoon, coon, boon, goon, loon;
Out of your heart to the world around you! !
But you don't need the Devil's philosophy around you.

Edward Kofi Louis
Duty, Deputy!

The woman!
To go to her great city;
Love!
With the mind which has wisdom;
Duty, deputy!
With the sweet muse of life that breeds love to unite us together.

Love!
To sleep like a king in your arms;
View, preview!
And, with the visions of enough gold to play with.

Love,
Of the aroma;
Gathered together with the muse of humility and passion,
In the land of beautiful roses.

Love!
To sleep like a queen in your arms;
And, with the attributes of the muse of life,
Bring peace and gladness.

Life!

E.K.L. 1

E.K.L. 1,
Naked and very famous!
But the muse of your love is like a Royal Wedding;
And i still have my mind on you.

Don't bite the finger that feeds you!
Because that's all that you have around;
And like the muse of love in the land of peace,
But be very wise to the things around you.

Edward Kofi Louis
E.P.R.

I am sacrificing to facilitate a process to win your love,
But i am sorry if i have offended you on this muse;
For i am the cat out of the bag!

day by day nad night by night,
And of the spontaneous act of your love to satisfy my muse;
For i want to have your baby.

Dial 'E' for my emotions,
Dial 'P' for my passions,
And dial 'R' for my romance;
For i am the mystery in your thick forest of love,
And i will undress you and deliver you with my sweet love.

The moon will light up the darkness on this love,
And with an accommodative warmth to lead us on;
For i want to have your baby.

Every man's work is a portrait of himself,
And every woman's work is a portrait of herself;
But i want to have your baby.

Edward Kofi Louis
Each Day Has Its Own Troubles

The softness of your throats,
The weakness of your bodies,
With the ways of life difficult as it may be;
But, everybody wants to hear you people speaking,
Like giving food for the fowls of the air to eat.

A camel through the eye of a needle!
With the muse of a household to a call;
As you were seen standing idle at the market place,
At the eleventh hour when you were needed most by your people.

A rich man of the world!
A poor man is closer to you;
Seeking for help,
But, each day has its own troubles.

To those on the right hand and,
To those on the left hand!
To pay the tax;
But, the lamp of the body are the eyes.

The softness of your throats!
Sitting by the wayside of hope;
And to view the city which is set on the hills,
Like food given to the fowls of the air to eat.

Lip, drip!
To save someone in the name of love;
With the ways of life very difficult as it may be,
Bar, tar, star, war! !
But, that is not why you are still sitting and watching.

Edward Kofi Louis
Each Foreigner's Stroke

Illegal lust,
Why expose your women to the public?
With nakedness to the public eyes in the name of entertainment.

To shake the woods!
Of a day's fair face;
Deepening into the night.

The muse of life and the muse of the ways of nature!
In freedom's land;
Repaying on an installement plan.

Of the wise and the fool!
Of fair openings;
To blame the culture, but not the soil.

The flaming of a mine! !
Touching off a civil strife;
From each foreigner's stroke.

Why expose the nakedness of your women to the public?
All in the name of the pleasures of this earth;
However, seek the truth and, activate your minds to the right direction.

Edward Kofi Louis
Each Heart

Capable!
Honourable with the truth;
Able to teach righteous morals,
Because, each heart knows its own bitterness!
And, no stranger shares its joy.

Even in laughter the heart may be aching!
Because, at the end of joy comes grief;
Facing the ways of life with all the problems around.

Edward Kofi Louis
Each One Of Us

Unequal weights and unequal measures,
Even a child is known by his or her own actions;
But the courts are now opened and,
There are proconsuls available for each one of us.

Edward Kofi Louis
Each, Preach, Teach!

Each, preach, teach!
With the muse of life,
And, the joy of love;
As one grows up.

Love,
With lowliness and meekness;
Bearing with one another,
As one goes along.

Life,
Endeavouring with utmost diligence and zeal;
Each, preach, teach!
With the muse of the truth.

Edward Kofi Louis
Eadred

Eadred, dear, read!
Deeper Life,
Deeper Love,
Following after the rules,
Growing up in the faith;
With righteous morals!
Positiveness,
Keeping it up;
Even with odds of life! !
'Wiase Mu Nsem '
Going along,
Going through life,
With a conscious brain!
Pace, ace, space, place, race, embrace!
With the muse of the truth;
Living in peace with your neighbours.

Edward Kofi Louis
Eadweard

Eadweard!
Old English;
Edward today,
According to life;
Past memories
Present today;
Past and present!
Bare,
Bate,
Ware,
Abate;
In, inept!
Bell,
Labelled,
Bed,
Beads,
Meekness.

Edward Kofi Louis
Ear To Ear

Love!
You will have that power if you believe in it;
Love!
If you believe in it,
You will stay with me.

Love!
With the walls of the great City;
In which you are protected.
Love!
if you believe in me,
You will stay with me.

Face to face!
Hand in Hand;
Mouth to mouth!
Ear to ear;
Head to head!
Mark to mark;
But, living with the laws and, with the truth.

Edward Kofi Louis
Ear, Earth!

Ear, earth!
Love every step in life with positive morals and,
Live in peace with your neighbours.

Edward Kofi Louis
Eardley

Eardley, ear, era, are!
Tracks and outlines;
Lay, ray, day, dear!
To be woven;
Read, real, delay, dare!
Like a skilful artist;
But, to take inspiration from each other.

Edward Kofi Louis
Earl

The first fruits of manhood and the first fruits of love,
The first fruits of womanhood and the first fruits of love,
And like a warrior rejoicing from wine;
But I am always ready for Earl my lover.

Edward Kofi Louis
Earlier Before

Life, love, game, joy!
Straining every muscles to break the record;
Set by someone earlier before.

Edward Kofi Louis
Early

Ear,
Early,
Earning;
Doing what is right!
With the muse of the truth.

Edward Kofi Louis
Early Goals

I have stayed with you my love and,
You have a wonderful body;
And this is the turning point of my life with you tonight.
It was just like a little book and,
There you were with your nakedness!
And it was just like a little smile and,
We were in clouds seven already!!
And, you can't deny it when love takes over.
It was just like a little dropp and,
There you were with a baby!
And bakc to the bases like 'Ace of Base';
However, try to go to the ant to consider it ways,
For, you con't deny it when love takes over.
Give no sleep to your eyes and,
Deliver yourself like a deer from the hunter!!
Howeverr, if you are playing football with the warrior,
Try to score the early goals.

Edward Kofi Louis
Early In The Morning

Awoke!
Early in the morning;
With all the blessings of the works of the truth,
On this love.

Love,
With rain in its season!
To yield its produce with joy;
Able to satisfy you always.

Edward Kofi Louis
Early Morning Beauty

Early morning life!
Early morning beauty,
Early morning love,
Early morning sun;
With the muse of nature and,
The joy of your heart.

Edward Kofi Louis
Earn, Earnestness!

Swiss roll,
Swish, switch!
With the muse of life,
With the muse of love,
With the muse of peace,
With the muse of understanding,
With the muse of knowledge,
With the muse of wisdom,
With the muse of compassion,
With the muse of humility,
With the muse of the laws,
And, with joy! 
In the land of the living;
Earn, earnestness!
Knowing what is right than wrong.

Edward Kofi Louis
Earnestness

Love,
Pleased with your heart;
In honesty,
And, with the earnestness of the mind.

The truth!
Worthily;
In accordance to the will of the laws.

Love,
It intercedes the ways of peace;
Bringing joy to the hearts,
In the land of the living.

Edward Kofi Louis
Earth

Earth!
We are all human beings;
You are and,
I am.

Earth!
Learning always;
But, let there be peace among us;
Able to move us forward with love than hate.

Edward Kofi Louis
Earth 2

Earth,
With birth everywhere;

Earth,
With death everywhere;

Mankind!
Living on earth.

Edward Kofi Louis
Earth And Life

Earth and life,
To live and to breed;
In unity with another,
In the name of love;
But, mankind is now filled with hatred and war!

Edward Kofi Louis
Earth Meets Sky

Love!
The flow,
Earth meets sky;
Bloom,
Noon,
Dreaming!
The joy;
Lips and kisses.

Edward Kofi Louis
Earth!

Earth!
The Blue Planet;
Living on earth,
Let us protect this planet.

Edward Kofi Louis
Earth, Death!

Earth, death!
The mouth of death leads us to the grave,
So, let us watch our steps and do the right thing;
Hoping to gain salvation after death.

Edward Kofi Louis
Earth, Hearth!

Earth,
A cooking hearth;

Earth, hearth!
To boil up;

Ripen,
Tarry,
Abide;

Roast, coast!
Persevere;
Shave, save!
To tarry along;
Still searching for the right path.

Divulgate,
Blaze abroad!
To stay over,
Waiting for the next day.

Edward Kofi Louis
Earthen Vessel

The pot,
Earthen vessel;
To put water into it,
To heat it! !
Cooking your style of food,
Meat and wheat.

Edward Kofi Louis
Earthly Gifts

Read it yourself and write it yourself,
Say it yourself with the earthly gifts around you;
For the plan is in motion to meet your love.

Mark it on your bathroom mirror and,
Say it to a friend about this love;
For the time is ticking on you!
But fools adn drunkards are not part of our friends.

You are lower than the earth and,
A tenth of the plunder is for you forever!
But the body without the spirit is already dead.

Of goats and calves,
A little fire kindles the forest to him who speaks;
And like the waves of the sea,
But you need to bridle your tongue and listen to the one who speaks!

Slow to wrath is the pen of the writer,
Driven and tossed by the wind in times like this;
But like the things needed by the body.

Earthly things and earthly bodies,
Earthly gifts are part of us;
But the body without the spirit is already dead.

Edward Kofi Louis
Ease My Pain

Ease my pain with love,
Release my mind with care,
And, do not cease me with war! !
Because you need to lease this house to me with joy;
So that, i can please my heart in peace.

Edward Kofi Louis
Easier Said

Easier said than done,
And having breakfast with your wife and children;
But what you look for in love is what you get.
24 hours in a day and 8 hours of work,
And of the culture of the shops of the society!
But try to listen to the realm around you,
For what you seek for is what you get.

In the night of the Spring and of the blessed who,
Die very hard in the course of life;
In the night of Autumn,
And with the changes of things to affect the mind;
But the governments do not know my problems!
And i will sleep peacefully in my lover's arms.

Edward Kofi Louis
East Beach

Cast,
Mast,
Not the last;
At East Beach.

The sea! !
Respect to nature;
Facing the ways of life,
At the Beach,
East Beach.

Edward Kofi Louis
East Legon Hills!

In Accra;
With your love and with your mind,
But, this location is all about the muse of peace.

Marissa, miss, Mars, is, as air, ram, arm, arms, am, Sam;
He went in!
And, she went there as well;
Because, i can now seee their footsteps.

Kenobi, Ken, Obi, kin, Ben, bin, in, on, no!
The lot,
And the Gods waited for their head;
13.03.2013! !
Of the Black Smoke,
And, of the White Smoke.

Uhuru! !
Gianna, in, an, Ann, Anna, gin, gain;
Then came the Black Smoke!
In the land of your muse;
And, the Gods waited for their head.

Freedom!
On the hills of Legon;
In Accra,
Benorosco, Ben, on, or, so, rose, core, sore, cone, crone, one, on, no! !
Then, the White Smoke came out from the chimney.

Of the result,
13.03.2013! !
Recorded in history;
And like, the muse of Rome sitting on the seven hills.

Psychology!
The labyrinth;
Winter Islands! !
In the land of your muse,
But, get a child and know how it is.
Edward Kofi Louis
East Side

Interrogatively!

East side;

Eastward,

The Sun! !

Rising from the east,

Nature's walk.

Edward Kofi Louis
East Wind

Transcribing and declension,
And of the encyclopaedia of the Bible!
I am the strong donkey lying down between the two saddles,
And like the acacia wood in the forest.

My eyes are darken than wine and,
My teeth are whiter than milk;
But you came out of the fire and made love to me.

Terror and dread,
The horse and the rider had been thrown into the sea!
For the encyclopaedia is now with me.

The floods stood upright like a heap and,
The East Wind blew left and right;
But like a student and a teacher,
I am now drowned in the Red Sea of love.

The east Wind blew across the land of love and,
She covered her face with a veil before me;
But the society is full of unlawful acts of men and women.

I do have respect for you my lover,
But the desire of every woman is to have a child;
And the Nile teamed up with frogs and,
I gathered the elders of the world to listen to my poetry.

You will not go empty handed my love,
For i am the root of the love near by you;
And like the soot from the furnace,
I will be like the strong donkey lying next to you.

Edward Kofi Louis
East Wind  2

The sun and the moon stood still in thier habitation and,
I watched the evil being done around me;
But, their faces were set like the East Wind.

Evil attracts evil on this side of the fence!
But, my works will live on forever;
With peace and tranquility to overcome the troubles around me.

Great is the age of mankind when it is gained with wisdom! !
Because, the fool falls into his or her own trap;
With the muse of the East Wind moving across the waters.

Edward Kofi Louis
Easter Goddess

The Easter Goddess and the customs of men,
I am a sheep among the wolves! !
But why have all the churches failed to read, 'Jeremiah 10: 1-10'?
For the image of jealousy is at the entrance of your door.

Edward Kofi Louis
'Easter Island' and 'Christmas Island',
What message do you have for the world? !!
For many are in search of the truth but,
The world looks on.
Why have you not told them the true meaning of your names?
For it is better to know than to live in lies! !
But the world looks on and accepts anything,
Because many really do not understand this world!

Edward Kofi Louis
Easy Access Between

Performance!
Easy access between;

Life,
Easy access between;

Wrong verses right! !
Your choice with your voice;

With the muse of nature and,
The romance of creation.

Edward Kofi Louis
Easy To Open It

Easy to open it,
Nature is a teacher!
If only if we are ready to learn.

Edward Kofi Louis
Easy Transport

Textile city,
Moving with tricycles;
Common to the people,
Common in the city,
For a reason!
And, for easy transport.

Edward Kofi Louis
Easy, Essay!

Easy, essay!
Lying in bed;
Thinking about life,
With the ways of mankind on earth today.
Easy, essay!
But, let is face it;
Let us face the muse of life around us today,
With wickedness becoming more rampant than ever.

Edward Kofi Louis
Eat And Drink! ! !

Come and sit down and,
Eat and drink! ! !
For, this party is for you all;
Because, i have taken years to prepare it,
For, i really know how poor you are! !

Edward Kofi Louis
Eat Clever

Eat clever!
Eat what is right;
For the sake of your health,
And, remember Leviticus Chapter 11.

Edward Kofi Louis
Eat It All

Of life and war!
Of a mighty malak with a rainbow on his head;
Seal up those things for many to learn.
They were meant for the future,
They were meant for us to learn;
So take up my love and eat it all day long.

Of a reed like a measuring rod,
Of the two olive trees;
But do let your mind be at peace always.
Of a weed like a measuring rope,
I am the one for you;
Of a seed like a measuring hope,
I really know what you want on this love;
And it is all about the love that we share,
Like the sweet food of my love to you.

To eat the sweet fruit of my love,
Like the little book beside you;
Of the feed which is like a measuring harvest,
Of the deed which is like a measuring vision,
But to heed like a measuring mission on this love;
Eat it all to satisfy yourself because,
Love is all that we share now.

Edward Kofi Louis
Eat It With Care

It is very sweet like sugar!
But eat it with care;
If not, you will overdose yourself very soon with it.

Edward Kofi Louis
Eat Righteous Food

Eat righteous food and come out with righteous works;
Respecting all mankind on earth,
With peace and love!
Without racism.

Edward Kofi Louis
Eat What Is Clean

Soil, oil, boil, foil, spoil, coil, toil!
With the muse of the food that we eat;
But, obey the truth and, eat what is clean,
For your health and, for your wealth.
Point, appoint, anoint, disappoint!
The muse of life and the muse of love,
Led by your emotions and your feelings;
But, seek the truth and live with the laws,
Because, we need the truth always!
And, to do what is right.

Edward Kofi Louis
Eat What Is Clean 2

Eat what is clean and,
Enjoy life with righteous laws!
Expanding your mind with the truth;
Enabling you to enhance your status in life,
Enduring life with positive morals.

Edward Kofi Louis
Eat Your Bread In Peace

Life,
Try to honour those who honour you and,
Live in peace with your neighbours.

Love,
Let it firmly establish your house;
And, eat your bread in peace.

Muse!
Like a piece of silver,
Like a crust of bread,
But, try to honour those who honour you.

Edward Kofi Louis
Eaten When Drunk

Sorrow, misery, anger! 
From the serpent's root cam the adder;
And, the fish of the sea was taken away.

The muse of life!
Try to come out from all the sins of this world and live;
Learning the ways of peace.

Illegal lust!
Some things are eaten when drunk;
Life!
Some words are said when drunk;
But, this flowing river beside us today looks very white.

Iniquitous acts!
The very acts of mankind;
Destroying everything in the name of gaining wealth.

Edward Kofi Louis
Eaten With Joy

Of meals eaten with joy,
And like your social character with the muse of love;
However, this prudential ceremonies of your people are not part of me.

Edward Kofi Louis
Eaten With Pleasure

Eaten with pleasure,
Noted with love;
Match,
Watch,
Catch!
Batch,
Patchwork,
Being together;
Sweet! !
With the muse of the clods of the valley.

Edward Kofi Louis
Eaters

Somebody who eats dog meat will one day become like one,
Somebody who eats cat meat will one day become like one,
For all around me are eaters of things;
And, when will they learn from these meats?

Edward Kofi Louis
Eating Fruits

Eating fruits,
Living well,
Going through life,
Seeing many things,
About your muse,
And about the muse of others;
But, this sweet muse of your love is composed with your mind!

Edward Kofi Louis
Eating It

Red zone,  
Red light,  
Red spot,  
Red fruits,  
Red fish;  
Eating it,  
The red fish,  
Lust and love! !  
Having a pure mind,  
In this issue.

Edward Kofi Louis
Eating The Meat Of Love

Love,
Rejoice in the works of peace;
In the truth,
In the laws,
With humility.

Love moves the mind and, the heart!
Bringing you closer to the one you love;
And, to eat the meal of love with joy!

Righteous requirements,
Righteous ways of life,
Under the muse of the laws;
With the truth.

Meal, meat!
Eating the meat of love;
And, to rejoice with the muse of peace,
With the joy of your heart.

Edward Kofi Louis
Eating The Wrong Kinds Of Food

Lust!
With the thoughts in your mind;
Lust!
Eating the wrong kinds of food;
Lust!
With the frame of your mind.
Lust!
With the evil sentiments around you;
And, love grows cold around you always.
Life!
Why is your preacher not telling you the truth?
Life!
Why is your teacher not teaching you the truth?
Lust!
With the confusion of the minds of many today.

Edward Kofi Louis
Eating Them Up

A poor man's life,
Is there any hope for him?

A poor woman's life,
Is there any hope for her?

A poor child's life,
Is there any hope for him or her?

Poverty! !
Eating them up;

Bathing them every day,
Here on earth.

Edward Kofi Louis
Eating Your Meal

The deal,
Eating your meal;
To heal my heart with the joy of your love.
To the gate,
With the date,
With a deal!
To eat your meal;
With the view of the great tree in your garden,
Best with the muse of your sweet love.

Edward Kofi Louis
Eaves

To the eaves and to the forest of my love,
And of high-graded stones to climb at last;
But come to my great courtyard of love and,
Let me care for you with my love.

Edward Kofi Louis
Ebal

Ebal, be, ale, bale;
With the muse of Demons and Gods on the earth today!
While the Goddesses are not left out.

Attacks! ! !
With homicides in the land;
Arguments,
Telling lies to destroy others.

The muse of life,
With the works of mankind on earth today;
However, let us seek for the truth and live! !
Than with hatred and war.

Edward Kofi Louis
Ebed

I am not a thief in my land so,
Why should i become a thief in your land?
For, my love to you was no accident;
Because, i am Ebed and,
Your name is no accident to my muse as well.

Edward Kofi Louis
Ebel

Ebel, be, bee, Lee!
With a picture of your building plan,
Expected to be used soon,
Of the act! 1
With the fact,
Like life on earth,
With your muse;
Of your love,
With your joy!
With the muse of your building plan;
Facing the future.

Edward Kofi Louis
Ebenezer

Of the five rulers of Philistines!
One for Ashod,
One for Gaza,
One for Ashkelon,
One for Gath,
And one for Ekron;
But your love is in the field of Yahshua of Beth Shemesh.
Ebenezer, bribe perverts justice!
And the truth will always crash you;
Like a rainfall from Bahrain.

Edward Kofi Louis
Ebenezer 2

Ebenezer, be, Ben, bee, beer, been!
The image,
Its head and its hands were broken off when,
The image fell down;
Thunder! !
Storm of help;
But, the image fell down after the storm.

Edward Kofi Louis
Ebrahim

Ebrahim, bear, ear, era, him, hear, bare, hare, mare, her, heir!
To find a solution for peace;
And, to calm down the act of aggression in this town.

Ebrahim, hair, air, hire, bam, ham, harm, arm, he, herb, ram, bar;
With the world's many conflicts!
Turning the earth into a planet of weapons than a planet of peace.

Sworn, worn!
The group;
Departing from the original mandate for peace in the land.

Edward Kofi Louis
Of a river called Ebro,  
Passing through the vineyards and the olive trees of love;  
Forever and ever,  
Ever more with the muse of life;  
Building the bridges of peace! !  
With the aroma of nature as one views the river.

Edward Kofi Louis
Ebro 2

Ebro, be, or, ore, reo, roe, bore!
This work is between me and you,
This love is between me and you,
Words of joy!
As heavy as a bear;
Able to touch our hearts,
On this side of the river of peace.

Edward Kofi Louis
Ebullient notions,
Discussions,
Decisions,
Of an ambiguous loyalty to the society;
However, the Dead Sea Scrolls are now beside us.

Illegal lust!
From the kingdom of condoms with a syndrome;
And like the ostrich and the kangaroo learning about the muse of love,
But, the historic act on this case is historical.

A postulated fact!
With mimic notions;
But these should rather be parried with the pedagogy on the case;
Where, gender aggravates our melancholy at times!
With the forces of the society and the feeling of guilt,
However, a putative act of the truth is needed at times.

Mimesis,
Attention,
With ebullient notions;
Try, paltry!
With the nightmares of diseases from our own acts of lust;
Supported with the act of immorality.

Edward Kofi Louis
Ecclesiastes 7: 12

Money is defence and,
Wisdom is defence as well;
However, wisdom gives life to those who have it.

Wisdom is defence and,
Knowledge increases strength!
However, money is for your defence as well.

Of the orange Juice!
He who commits adultery with a woman is without understanding;
And, it destroys his own life.

Ecclesiastes 7: 12!
Wisdom is defence and money is defence;
But, wisdom gives life to those who have it.

Love!
Applying it to get the right result;
tea, teaspoon!
With your sweet muse in the land of your joy.

Instances!
In the land of peace;
Suit, pursuit!
Of the dryness;
But, to massage it with your finger.

Life!
Enzymes;
Solved, dissolved!
With naked bodies of men and women ready to share love;
But, who is ready to teach them the truth?

Life!
Cholesterol;
Pan, pal!
But, the lack of service is noted in this town;
And, many of the people have no hope at all.
Love!
True-love never Ends;
And, with wonderful results.

Ecclesiastes 7: 12!
Money is defence and, wisdom is defence;
But, wisdom brings light to those who have it in this world.

Edward Kofi Louis
Echoes

Echoes of love,
Echoes of life;

Echoes of peace,
Echoes of joy!

Echoes of a new day,
Echoes to the world so sweet;

With an echo coming from the Laws in the Bible;
Able to teach and direct us on.

Edward Kofi Louis
Echoes Of Love

Echoes of love!
Life and the Nature of things;
But, you can't stop true love.

Life is willing to teach us;
If only if we are ready to change.

Once upon the valley of love!

Once upon the valley of hope,

Once upon the valley of dreams,

Once upon the fountain of waters;

But, you can't stop true love.

Edward Kofi Louis
Echoes Of My Soul

Love,
Peace,
Joy!
With the echoes of my soul;
To all mankind.

Edward Kofi Louis
Echoing

Enriching lines,
Echoing,
Peace and harmony,
Love and joy,
Gifted! !
Inspirations,
To touch the hearts of many.

Edward Kofi Louis
Ecology

The red spot!
The red point,
The red light;
Shining ahead of you as you approach it,
But, i have a message for you.

Ecology!
With the muse of life;
Ecology!
With the ways of nature;
But, i can see clearly now because,
The light ahead overshadows the dark.

Ecology!
You are unknown to me but,
The rising sun will reflect your sweet love to me.
The red spot!
The red point,
The red light;
Shining ahead of you as you Approach it.

Edward Kofi Louis
Ecstatic

Ecstatic,
To dance with this fairy;
Fair with your mind,
On another level,
To have affair with this fairy,
In an open air! !
To dance with her with the pleasure to your heart.

Edward Kofi Louis
Edathy

Edathy, date, eat, ate, at, the, day, yet, hat, heat, death!
But, there is something in your soup and,
There is something on your soap;
And, i am ready to tell you something!
Anytime any day,
With new ideas from the muse of my lovely mind;
Because, Rome was not built in a day.

Edward Kofi Louis
Eddi

I will meet you a day after tomorrow and,
With the act of your love which never ends;
For, you've taught me a lot of things in this life.

Look at me!
For, i am a graduate who doesn't know her date of birth;
Until Eddi came along! !
And today, there is a place where love is.

Forty fowls and three dogs!
What is sweet is now bitter;
And, i will meet you a day after tomorrow.

Eddi!
There is a place where love is;
Between success and failure! !
But, i thank you for teaching me a lot,
Because, your love has a place in my heart.

Edward Kofi Louis
Eddie

My name is Eddie and,
I still hope to succeed one day;
But who the cap fits must surely waer it,
So stir up your love towards me and show me your view.
With 'Milo' and 'Bournvita' like the ink of the writer,
And like the old ladies becoming younger again!
But i will live on with my name forever on this issue,
For love is all that i am made of.

Edward Kofi Louis
Handmade beer from rice,
But protect yourself and learn from others as well;
For everything in the world are enough for us all,
But not enough for everyone's greed!

A journey from one continent to the other,
Send me the humanities and let me learn more;
For the vision is yet to come at the appointed time.

Eddie my love,
Your speech knows no bounds! !
But even though my vision may be delayed,
It may surely come!
So, wait for it.

Your smile is now reflected in the mirror of love,
And this house is now noted for a child;
But do accept yourself and forgive yourself first in life! !
Then you can accept me and forgive me as well.

Your creativity,
Illuminated by love and care from the land of peace!
But your exhibitions are all around the world,
And like the works of love to satisfy all races.

Edward Kofi Louis
Eddy

Of your handsome appearance,
Of your loyalty in the name of love;
And this had made all women to love you.
Eddy my love, come and lie with me tonight;
For my bed of roses is waiting for you.
I am in love with you my handsome man,
And my heart is merry with wine because of your love;
So come into my room and make love to me.
My love is as fine as the dust of the earth,
And i want you on this love;
So come and take care of me with your sweet love.
Lie down beside me and keep me warm my sweet lover,
For i am very cold and lonely;
But life is like each man on his mule and,
Each woman on her donkey!
Come and let me taste your nakedness,
For your love is by the Habour River;
Like a 330 kilogram man who marries a 70 kilogram woman.
Of your handsome appearance,
And to swing the muse of love so sweet;
For my love is like poems written for matured minds.

Edward Kofi Louis
Edgar

The last four in a race!
But only three of them will receive medals;
Ranging from Gold, Silver and Bronze! 
And, the Fourth Placed will go home empty handed.
Run the race to be among the best three!
Edgar my lover;
And receive a medal for your efforts in this land of joy.

Edward Kofi Louis
Edge

Pledge,
Sledge,
Wedge,
Over the edge!

Edward Kofi Louis
Edge Of Tomorrow

Sledge! With a pledge;
Facing the ways of life with the edge of tomorrow,
Able to do your best today with the muse of positive morals.

Edward Kofi Louis
Edia

Weekend party!
Weekend love,
Weekend message;
It is either A of B,
But, neither of them can satisfy your muse.
Tape, ape, rape, shape, cape, drape, gape, grape;
And like the things seen at your weekend party! !
Day, ray, May, say, dray, bray, lay, pray, play, may, bay;
And like the message of your love in the land of your muse,
But, i am Edia who is still in search of you.

Edward Kofi Louis
Edida

Edida, add, did, dad, die, dead!
To rub it,
Gradually;
Clean, cleanse!
Adolescence,
Clean, lean!
Esthetical,
Clean, lean, can, an, lace, ace;
Growing up.
The confidence of your love!
The patience of your heart,
The perseverance of your muse;
With joy!
Based on your love.
Immunity!
Regards,
Growing up;
And, with the techniques.
Fact, act!
Adolescence,
Facts, acts!
Sexual desire;
Saddle, addle!
Marriage;
Sexual desire,
Sex hormones,
A loving relationship;
Full, pull!
Elegy, leg, Lee, glee;
Son, soon!
Brad, brad, bran, brave;
But, let true love guide you on always.

Edward Kofi Louis
Edison

Edison, on, no, sin, son, is, Ed, den, side, die, dies! 
And now, you can see the face of the Devil in themm. 
Ant, litigant! 
Again and again; 
But, he fell into the big hole. 
Hilarious, serious! 
To get to the point; 
Like money-laundering. 
String, sting! 
On it, 
Broken it! !
And now, you see the face of the Devil in them. 
To get to the end, 
Took, look! 
But, the 'Pinocchio effect' gives away our lies. 
String, strong! 
A bucket full of tears; 
Look, took! 
Ruling in the name of the sword; 
And now, your name is known all over. 
Rober, probe! 
Like the muse of your land at this present time; 
Upon it, 
Muse, fuse! 
Broken into two; 
With the negative attitudes of the people. 
March, much! 
Like the newspaper report with the articles; 
Bin, bingo! !
And now, you can see the face of the Devil on them.

Edward Kofi Louis
Edith

Of your earnings moulded into an idol of worship,
Like the roads and the roots of the nomads;
I came to love you but you turned me down!
So i took away my love from you.
Edith, you are like El Berith;
So i have ceased main my sweet oil of love for you.

Edward Kofi Louis
Editha

Editha, Edith, at, the, heat, it, eat, ate, hid, date;
Born, inborn!
To put it in order;
Mass, mess!
Physical and psychological;
Birth!
Year, month, day, time;
Plesh, fresh!
Developments,
Factors,
Speak, peak!
But, do speak to the earth with the muse of your love.
Terror in Boston! !
Twice as much;
To speak better!
Editha, tea, hit, death, had, hat, he, tide, hide, die;
As many as possible from the wounded people.
Message, massage!
Mass, miss, mess, moss, muss;
Lust!
With reproaches;
Lust!
Bringing the missiles to the borders;
Lust!
Putting it together inpictures;
As seen by your actions with the muse of hatred.
Lust!
Knowledge without wisdom means nothing;
Lust!
With our words and our works;
And, somebody attacked Boston with two bombs.
Lust!
It started in the flesh;
And today, you have killed many.

Edward Kofi Louis
Edition

Of this life,
Of this love,
Of these chains;
And of many witnesses!
As a loyal lover and a loyal soldier;
But, choose to do the right thing always.

Edition, den, ten, dot, dote, doe, dent, it, end;
According to your love and according to your muse,
And according to the promises of life! !
However, storing up for the time to come.

Edition, edit, in, on, no, ion, ton, not, do, note;
I've finally go it in!
So, i will finally frame the works of your love and hang them on the walls;
But, marry Mary and make merry with her! !

Faith,
Holiness,
Patience,
Meekness,
Righteousness;
To be generous and willing to share with,
But the love of money is the root of all evil! !
Which had led to many sorrows to others.

Edward Kofi Louis
Editorial!

Under threat;
But, we need the muse of love in this world;
For, hatred and the bullets of war are now killing all of us.

Edward Kofi Louis
This could have been your love but,
It is now seen in the cloud!
And now, I do understand you better;
All the same, there is nothing I can do about this war.

Edmonstone, tone, me, men, mend, toes, done, seed;
But a puppeteer pulls a string to make his dolls dance!
And like the harmony of love;
However, love is different from lust.

Edmonstone, stone, moon, most, to, so, on, no, ton, tons!
With the muse of peace and with the care of your love;
But, I now understand who you are.

Edmonstone, not, den, need, needs, see, send, sent, set, ten;
With the muse of love up high in the sky!
All the same, there is nothing I can do about this war.

Edmonstone, net, nets, do, one, does, son, doom, noom, toe;
This could have been your love!
But, it is now seen in the cloud;
However, there is nothing I can do about this war in your land.

Edward Kofi Louis
Edna

Edna, come and tranquilise me with your sweet love;
For i have been in the cold for far too long!
Come my sweet one and,
Don't let me wallow in the valley of despair;
For, i can hear your voice from afar.
Oh Edna, dreams can true in your life time!
But, i need you now than ever before;
For, i have been in this cold for far too long.

Edward Kofi Louis
Ednet

Ednet, net, need, ten, tend, end, den, dent;
Seen ny your fame!
And, met by your true love;
Eleven days of love and, seven days of peace! !
With the joy of your heart,
For the laws are always on your side;
Helping you to overcome your sins.

Edward Kofi Louis
Edonia

Rest, pest, west, best, lest, nest, fest, quest, vest;
But, there is a job in my house for everyone!
So, get yourselves prepared.

The reward,
The authority,
He worked,
She worked;
But keep it clean and keep it lovely,
For, there are enough jobs in my house for everyone.

Teach, reach, preach, breach, leach, each;
A teacher,
A preacher! !
And to establish them before you;
For, the fruits of love are around you and,
You are closer to my house.

As a servant,
Humble yourselves;
Law, saw, draw, raw, braw, craw, Yaw, paw, flaw, jaw, slaw, maw, taw!
But, i am Edonia with the muse of my beautiful house;
And, as it is written on my walls,
There are enough jobs in my house for everyone.

Edward Kofi Louis
Edrei

Edrei, deer, red, reed, ride!
To have what belongs to you;
Profitable to the world so sweet! !
Abundance with the works of peace and love.

Edward Kofi Louis
Educate Me

Mutual act,
Mutual flight,
Mutual love,
Mutual speech;
But, your report is often on your tape!
However, take a meritorious effort to reach out to the skies and,
Bo not open your legs so easily on every bed.

What is my sin to you?
And like your report on every tape;
But, try to take a meritorious effort to reach out to me!
And, try to educate me with the muse of your love.

What is my sin to you?
Please, help me to know it;
What is my mark to you?
Please, help me to see it;
Where is my school located?
Please, tell me if you know;
For this house is a catch to the eyes!
So, don't open your legs so easily on every bed.

The ball is often to the bat!
And this dance is often at the tail;
But your nose knows the true story around,
For, your muse is always my passion.

Tell me if you know,
Tell me if your care,
And educate me with the muse of your love;
But watch out! ! For, your neighbour's hand is on the gun.

Your own time will come and,
My own time will come as well;
But, educate me with the muse of your love!
For, i am ready to learn.

be very patience with your dreams and work towards them always,
For, i have one way love towards you in this land of peace;
So, come and educate me with the muse of your love!
And with your scholarly approach to enhance my status-quo.

Of my ego to move on,
Of your love to guide me on to reach out to my dreams! 
So, come and educate me with the muse of your love.

Edward Kofi Louis
Educate Your Brain

Offence leads to punishment!
But, how can you teach when, there are no students?

The earth is our reward!
But, why are we destroying it today?

Educate your brain with the laws of peace!
And, let us all live.

Edward Kofi Louis
Educate Your Senses

Educate your senses and come to me,
And put things right with your angelotary!
From the apex to the annex.
Animus to an anniversary!
With the short anedote of the Economy around you.
Yes! With the truth!
Knowledge will give you much Nuggets,
Able to play with wisdom.
Maybe, you were looking for me;
Like the astern to the astonishment of the things around you today.

Edward Kofi Louis
Educated People

Going to school,
In uniforms;
In Africa!
But in other countries,
The normal clothes are used.

Going to school,
To educate yourself;
And, to educate your mind!
Of the things seen around you;
In the name of the culture of the land.

Going to school,
Learning much about your land;
And, of others going on in other lands!
With the muse of the subjects at hand,
But, who the cap fits must always wear it.

Educated people,
Schooling in Africa;
Educated people,
Schooling all over the world!
However, what you are taught are exactly what shapes your life.

Muse, love, life, peace and mercy!
In the land of my birth;
Going to school,
To rise up and to learn from the teachers;
With various disciplines under different subjects.

Edward Kofi Louis
Education

Education in peace brings peace,  
Education in love brings love,  
Education in care brings care,  
But education in war brings war to all mankind.

Edward Kofi Louis
Education

Education!
In mind and body;
To teach the truth,
To teach peace,
To teach love,
To teach someone! 
Comforting the hearts of the people;
Caregiving,
Comforting the hearts of the students,
With the muse of true-love,
To bring joy to the hearts! 
Without hatred and war.

Edward Kofi Louis
Education 2

Education and characters,
Should I take the BOMB and kill my neighbours?
Then, what is the meaning of my education?

Edward Kofi Louis
Fake education teaches people hatred and war! !
So, let your eyes see the bright colours of peace and love;
Because, real education educated the hearts and the minds of the people!
To bring peace and joy to them; and, to love their neighbours.

Edward Kofi Louis
Education 4

You will hate others when, you are not well educated in mind and body;  
So, let your eyes see the bright colours of love and, live in peace with your  
neighbours.

Life is for peace; but not war!  
Think twice before you act;  
Knowing where to step your legs in life.

Edward Kofi Louis
Edward

The man i love is called Edward and,
He will saddle his donkey together with me;
Because true love has no barriers.
I am on the sweet path of love with him always and,
I will give my valley of love for him to eat;
For my sweet food of love is always prepared to him like,
His sweet tree of love.

As white as snow,
As black as coal,
As red as blood,
Like the rivers Abanah and Pharpar of Damascus;
And he is all that i rest my sweet heart on.

Edward Kofi Louis
Edward 2

Edward my love,
My door is wide open!
Come in my sweet one,
And let us swim in love.

Edward Kofi Louis
Edward & Co.

Ward,
Steward,
Reward,
Edward & Co.;
Onward!
Forward ever.

Edward Kofi Louis
Edward And Ethel

The hidden facts of mankind and,
The earthly laws that surrounds us;
But who will educate us on the truth?
And like Edward and Ethel who were best friends.
The wifely roll of a woman is gone forever and,
It is being plugged by the teachings of a man;
But the beauty of love is like the ancient art of literature.
Faith and directions,
And the memories of my life to tell at times;
But man's problems do end up in the tomb.
I may startle you with my words and,
Like in the days carved into the foliage of acts;
But, 'Shalom' to the grassroots full of vision and love,
For heaven knows my name on this journey.

Edward Kofi Louis
Edward Is Still Alive

Obstacles!
Hustle and bustle;
To worry about life,
However, Edward is still alive.

Edward Kofi Louis
Edward Kofi Louis

Every heart loves me like the singing birds and,
Deep down in my heart i am with them all like the sea of love;
With words of the muse that muses with my mind but,
Ashes are made up of mankind when we have to return home.
Rise up early and learn and teach others too to know and,
the facts of life like the romance from a glue of love.

Keep me informed when you are lost and i will show you the way for,
Over the hills and far away lay my sweet love to share with you;
Forgetting the past and the muse of love that you spent with me,
In the land of lovers and the romance that brought us together.

Lying naked next to you is the feelings on this love and,
Overcoming the negative aspects of life will lead us on always;
Until the sun sets you down to the west like the sweet of my love where,
I was born and virtually live with you all like the singing birds!
So, come for the surprise of love that muses with the flue of life.

Edward Kofi Louis
Edward, Ward!

Pave, save, have, Dave, rave, cave, nave, wave, brave, clave!
But, life is based on love when we want peace;
And, as much as it is in me, i give it to you.

Edward, ward!
With the fruits of love among the people;
Sharing in peace and, to bring joy to the hearts.

Spade, made!
Encouraged by the faith within to help others;
And, to bring peace to all.

Pave, save!
With the glad tidings of love;
under the muse of the laws where righteousness rules.

Edward Kofi Louis
Edwards

I love you like the sugar in my tea,  
And for that gentle kiss of yours;  
I love like the sweet apples in my garden,  
And for that gentle romance of yours;  
I love you like the river of my mind,  
And for that gentle love of yours;  
So Edwards, come and lead me to the land of paradise.

Edward Kofi Louis
Entrancing!
Just a young adult;
But, show it to me and,
Let me see it.

Give me light,
Give me joy!
Give me hope,
Give me love;
And like those positive notes;
However, i was just thinking about you when,
You knocked at the door.

Daydreams! !
It is in the milk so, drink it;
And like a silent kingdom in the land of your muse,
But, give me hope and let me always be around you.

Beautiful flowers
Petals of love;
To grow up.
And like a caged bird being guarded by a cat! !

Chinook,
Chintzy,
Chinchilla,
Chink;
And like a fried fish being guarded by a cat! !
But, i'm at 'Edward's Corner' waiting for you.

Edward Kofi Louis
Edward's Corner II

Edward's muse,
Edward's love,
Edward's Corner!
Joy is the one who wears a crown of peace;
For, the land around me is now on fire! !

Show girl,
Show boy!
With one thousand tons of wood burnt already;
But, it will always remind me of my home in the jungle.

Edward Kofi Louis
Edward's Island

The mountain!
Climbing on top of the mountain;
To view the land of love,
Being in Edward's Island.

The beginner,
8 miles away!
Beautiful,
Wonderful with the works of peace.

Old lover,
New lover,
Week, weak!
Climbing up;
Sweet, sweat!
And, being on top of the mountain.

Edward Kofi Louis
Edwin

How soon can you come back to me my love?
For the love pearl is in the heap of pebbles!
Just as the stars are brightest when the sky is dark,
For you are now noted to be with Edwin of late.

Pour out your heart to me my love without fear,
And rejoice with me my love with your muse;
For we must learn always on this earth,
And like the Africans waking up from their dreams.

Edward Kofi Louis
'Edwuma'

Work, peace and life;
At the work place,
With the peace of your mind.
'Edwuma'!
To work,
For your livelihood;
Until the sun sets down.

Still, till, ill!
With the works of life;
earning what you'v e worked for,
And, being sick at times.
Log, logistics!
'Edwuma';
Like one riding on the back of a horse.

Edward Kofi Louis
Edzuro

Edzuro, due, ore, roe!
Living in the land of your sweet muse;
As the days go by.

Love!
In robes of virgin white;
Seed, speed!
With the muse of the 4-D and the 5-D.

Need, seed!
Enjoying the ways of life;
With the muse of the 6-D and the 7-D,
As the days go by.

Edward Kofi Louis
Efakor my lover,
I am not recommending this procedure to you;
But, i am only telling you the truth of my love towards you!
Because, smartness is beautiful and, we have to be real human beings in this life.
These hallucinations,
And of the medical personnel;
But the vanguards are everywhere and the internet is with you,
However, the wonders and the woes of this life are with us always.
Don't get me wrong,
Because, you need my money to get it right;
Don't get me wrong,
Because, you need my honey to get it right;
But, with the untouchable memories of the hospitals in your land.

Edward Kofi Louis
Effah

Blest of wind to blow my mind,
The drummer boy is in town to tell you a story;
But Effah will help me to understand his muse.

The wind of change to sweep my feet,
For the lonely birds are about to sing a song;
And to mow the exposed grass on this love.

Edward Kofi Louis
Effect

Effect,
Respect,
Except,
Accept,
With the fruits of love!
And, the fruits of peace.

Edward Kofi Louis
Effect!

Effect!
Psychology,
Phenomenon,
Partnership,
Friendship,
Love,
Sex,
Research,
With time,
On the Island of Beautiful Ladies;
Life,
Stories,
Of the effect!
Muse,
Love stories,
Romance,
Magic! !
Stimulation,
With a special story from this Island.

Edward Kofi Louis
Efficient Delivery

Equitable access and efficient delivery,
Love blows out in the air for you and me;
But only pleasant to the eyes that care,
Because i am here with my muse of love.

Of the love you made last night and,
To the virgin field that you defiled!
For she is your wife forever because,
You ate from her source of love.

Equitable access and efficient delivery,
Out of the depths of the mind of man and woman;
But try hard to return to the heart of the mothers,
For the children today are still looking for their fathers.

Last night,
And of the love that you shared with your lover;
But the wind saw you people and now,
She's your wife after this act.

Edward Kofi Louis
Caught at a secret place and,
Your royal box was exposed!
But, i was pleased to meet you;
For, you were like the fresh rose of England.

Place, palace!
In Effiduase i met your hidden place;
Like the fresh rose of England,
As you laid down with your beauty.

The muse of love!
Caught at a secret place in your land;
The muse of life!
I will never Forget the way you received me in when,
I met you at Effiduase.

Edward Kofi Louis
Effulgence

Effulgence,
Brightness!
An off-flash;
From one's own people,
From every side! !
Oneself,
And to be very strong in life.

Edward Kofi Louis
Egemonu

The beginning of anything is very rough at times!
But the end of it may turn out to be smooth;
For life is like your lips on your lover at times.

Egemonu,
You've had many years to stay at home;
And i do know that life is moving on well with you as well,
But try to look back one day to think about your days in Ghana.

Edward Kofi Louis
Eggs

White eggs,
Black eggs,
Brown eggs;
True-Love is like the lighthouse! !
Bringing joy to the hearts in unity.

Edward Kofi Louis
Eggs Are Falling

Discover the unseen,
Learn the unknown like,
Red wine with a candle light;
A world of darkness is around us.
The line of poetry,
The marks of love;
Respectable to a muse when,
The teacher becomes a student.
Eggs are falling, eggs are falling!
A walk through the Saxon Forest with,
An art by the mile:
Eggs are falling, eggs are falling! !
Discover the unseen and know my mind,
A thought by an inch with a poem by the yard;
The blossom time of love is here to stay.
Of blue rooms for love,
Of red rooms for roses,
Eggs are falling to where the trees blossom;
Learn the unknown with Red Wine.

Edward Kofi Louis
Eggs With Legs

Eggs with legs!
Innocent eyes,
Innocent lips,
Between the lines,
Between the two lines,
Grey and white clouds!
Seen up high;
Blue sky! !
With the beauty of nature.

Edward Kofi Louis
Ego, Ago!

Per litre,
Representing your love;
Shock, stock!
Locked up in the closet.

Ego, ago!
Like the muse of taxes and duties;
but, with love demand and,
A poor demand of your products.

Bud, budget!
Dropped;
Outlined,
With the muse of your love.

Stock, lock!
With expectations;
Gin, marginal!
Like the untility of the land.

Edward Kofi Louis
Egoism

Selfish ambition,
Shambles!
Crowned heads,
Desecration,
Drunkenness,
Egoism,
Embroil!
From a man or a woman;
To its knees.
Curbed!
Insecurity,
With time and space;
But, falling over one another.

Manipulators!
The common cause;
Acquitted,
Cent, recent!
With observations;
Bate, berated!
With the controversy,
And, demanding answers from the people.
Bar, barring!
In the land of your muse;
Stressed,
And, with socioeconomic woes.

Edward Kofi Louis
Egon

Egon, ego, go, on, one, gone!
Playing with your ego;
But, stidy the signs! !
And, watch yourself in the rain,
With every step that you take.

Edward Kofi Louis
Egypt

Horses from Egypt!
Sold to many lands to make some money;
But, the poor are still around begging for alms.

Edward Kofi Louis
Eiffel

Eiffel, if, fee, feel, life, lie, file;
Briefing!
Unconscious,
Revive,
Breathing,
Unusual,
To remember the first time! !
And, to ask for help;
In the right direction.

Edward Kofi Louis
Eight Days Old

A tall man and a short woman,
A tall woman and a short man,
All offerings must be salted!
Like the firstling of a donkey and,
Of food, clothing and shelter.
Eight days old,
Of widows and orphans in the days of slavery;
A judge must not show pity to the guilty.

Sail, wail, bail, fail;
Do not spread false report.
Hail, tail, pail, vail;
seek the habitation of your fathers for knowledge.
Nail, mail, jail, rail;
Do not murder anyone!
But use only honest weights and measures.

A message to your daughter-in-law,
A message to your son-in-law,
A message to your father-in-law,
A message to your mother-in-law,
Like the sheef of the firstfruits;
One love and one law to all.

The fire must be kept burning because,
I love to travel;
Your love must be kept touching because,
I love to write;
The vision must be kept going because,
I love to read;
Your dreams must be kept fulfilling because,
I love to paint;
The mission must be kept moving because,
I love to teach others;
Like seeking the habitations of your mothers where,
True love is planted by the rivers of waters.

Eitner, tine, it, tree, tire, tie, ten, net, rite;
Flame dancer!
Love is in the air,
but you need the blue light of beams to direct you on.

Love, life, mercy and joy!
Living in the land of many trees;
And, dancing with the muse of the fire around you,
However, you still need the blue light of beams to direct you on.

With the muse of life and the sweet muse of love!
But, i have something very important to show you,
So, be ready to visit me at my residence for the info.

Curtains of goat's hair!
Every male shall taste your muse and rejoice;
And like the fields and the villages around,
For, you are the promised seed to my lovely garden of peace.

Year, dear, ear!
'Ekosii Sen'?
With the muse of African Cultures;
With a colourful land ahead of you.

Out, outdone!
To respect the truth;
For, we are all human beings on this earth.

Test, detest!
Darkness holds much of the works of evil,
Turning a blind eye to the truth;

Action! !
Production and reaction;
But, every week has its own reflections in life.

Love and hatred!
To make your choice in this world,
With the lust and love around you;

Serenity,
A beautiful view;
But, with light verses darkness.

Edward Kofi Louis
Ekzie

Ardent,
The way of living;
Derogatorily,
Like their shackles of slavery!
But the devil's advocates are out to get you.
A mobile phone,

And like the ardent way of your people.

But, the footpaths of my way are like the works of art.

Following the examples of the notes and the facts laid down,
But, sin is easily done and very attractive when satan rules! !
However, i need the oxygen like the seat and, hydrogen like the tree;
So essentially to me when nature rules in the land of evil,
Moreover, you are now held under Police Custody today, because of my love.

Elah

Abraham left all that he had to Isaac and,
Gifts to the sons of his concubines;
So try to give out more than to receive.
Isaac was forty years old when he married Rebekah,
And sixty years old when Esau and Yaaqob were born;
But the older shall serve the younger at all times and,
You must always give out than to receive.

Mahlon’s widow,
Like Rachel and Leah;
Of the gnats on man and the dense swarms of flies;
But do the right thing always to gain the love of man.
Try to learn to give out always,
Try to teach and be very humble at all times,
For we are all on this earth to share with one another.

Edward Kofi Louis
Elah 2

Elah, he, heal;
Songs, longs!
To shine forth like the sun,
With the muse of the truth.

Ace!
At the same place once again;
To embrace the works of the truth,
With the pace of positive moral teachings.

Edward Kofi Louis
Elaine

A poor man who oppresses the poor is like,
A driving rain which leaves no food;
But a faithful man will abound with blessings always.

Elaine, do not be among those who drink too much wine!
Nor among the gluttons who eat all kinds of meat;
Because the man of knowledge increases in strength always,
And like the sweet muse of love.

Do not eat the food of a stingy man nor desire his delicacies,
For wisdom is too much offr a fool! !
But a faithful man will abound with blessings always.

Edward Kofi Louis
Elaine  Ii

Elaine, Iain, Lina, line, in, an, Ali, ale, Lee;
This paper,
This letter,
This poem,
This work,
Disclosed! ! !!
To dress the way she does in the land of the living,
Taught in her school;
With her ethnic identity exposed to the world.

Edward Kofi Louis
Elam, Male, Meal, Lame!

The province,
Since your last visit,
Through the line,
Through the narrow path,
Towards the province;
Elam, male, meal, lame!
Lost,
Unable to identify your father's house;
After the war.

Edward Kofi Louis
Eland

Eland, land, and, lad, end, lane, lean, Dan, dean, lead, deal, led;
But, he stood at the doorway of love!
And, the empty jail was like a small jar of oil.
The muse of life and the muse of love,
To twin and to toss like a ball!
And to win the game of love in the land of ther living;
Jumping up and down like an eland from Africa,
As one understands the true meaning of love.

Edward Kofi Louis
Elasah

Elasah, sea, as, she, he, seal, heal, heals;

Thoughts of love,

Thoughts of peace,

To gain the future with your hope!

Upon the works of the truth;

With the joy of your heart,

Following after righteous laws.

Edward Kofi Louis
Elastic

It will automatically fit because,
It is elastic!
Nature had made it so and,
I do love it.

Edward Kofi Louis
Elasticated

Elasticated, late, site, tied, see, case, sled, tail, sail, cats, sad;
Release the hook and let me know your mind!
For the your swimming pools are now dirty and,
You need to wash them once again.

Elasticated, elastic, last, at, as, lad, lease, sea, east, slate, dial, led;
Your window of love is now opened to me and,
I need to know your mind on this issue!
Because you are all that i need.

Elasticated, lied, deals, leads, sat, it, is, scale, sale, tale, said, sate;
Try to entertain me with your love and,
Let me direct you with my muse!
Because the forest out there is now singing for us,
And i am here to respect your muse like the days of true peace.

Edward Kofi Louis
Elated

Elated!
To taste the journey of this love;
Day and night,
Being with you in the land of the living.

Edward Kofi Louis
Elated

Elated,
Romantic feelings,
Love and dreams,
She is very dear to you;
Love and art!
Being with her;
To see true love through her eyes,
Caught up by the atmosphere of her peace.

Edward Kofi Louis
Elath

King Abdullah of Saudi Arabia,
Hu Jintao of China,
Kgalema Motlanta of South Africa,
Cristina Kirchner of Argentina,
Stephen Harper of Canada,
Gorden Brown of Britain,
Lee Myung-Bak Of South Korea,
A loud wailing throughout the land!
And then we were scattered like the articles of silver and gold.

Elath, arise and try to learn more from others too;
For you have repaid me evil for righteousness.
Elath, sometimes you behave like an abnormal person;
But peace is better than war!
And we have to live very peaceful with one another on this earth.
Leaders may come and go and Kings may come and go as well,
But the heart should be very pure to all on this earth;
For morrow comes and we are no more.

Edward Kofi Louis
Elath 2

Elath, he, hat, at, heat, heal;
To rise up! !
To set out on a journey,
To cross over the river;
And to see the works of the truth being displayed at the other side.

Edward Kofi Louis
Fauna and Flora,
Build up your dreams and never give up;
And like the unleavened wafers spread with oil,
But, do no wander like shepherds on the top of the hills.
Yahweh allows certain things to occur in our lives,
And of the protection that he has for us;
But all males must be circumcised in order to keep the law,
And like the joy of your music in the land of the living.
I was full when I left home but, I came back empty!
And while the girls were dancing,
Each man caught one of them and carried her off to be his wife;
But my joy is to meet you once again in the land of your muse.
To be raised up as a servant and to serve many people,
But the negative spirit came up and fought with me! 
So write down your poetry so that I may read them;
For out of the eater came out something sweet.
Why do you ask of my name when, you've already seen it?
However, I am very wonderful and I am a lover;
But, my name so sweet to your ears is Eldad,
And you will bewail your virginity on this hills when the time comes.
This voice is like the voice of my lover!
But the touch of your hands are like the hands of one who is at peace;
And like your life in the Valley of Lebanon,
However, come to me and I will teach you more about life.

Edward Kofi Louis
Eleanor

Deposit,
Explaining further;
Seeks,
But just curious to know your mind;
And like Eleanor your friend in the land of peace,
But, what were you doing when you were found in the bush alone?
For, we all went out looking for you.

Edward Kofi Louis
Eleanor II

301 churches registered in Ghana from 'January to July 2003'!
But read your Scriptures well to learn from it;
For the dance of the monkey will not impress me who have seen the beautiful
dance of the snake! !
But, who is ready to teach the masses?

Wolves in sheep skins,
Of a country of plenty where many are still hungry! !
But, a naked man knows no shame over here.

I am Eleanor and i know what i do see around me!
But to eat my breakfast like a king and my lunch like a prince;
For, i will always aim at my goals and be very active towards them! !
But when the wind blows, these churches will be exposed to their so called
doctrines.

Paying attention to both the surface and the facts within,
For the fragrance of the lavender is now mixed up with their deeds! !
And there are churches everywhere today (2012) in Ghana,
But, have they been able to change the morals of the people at large? !
Tell me if you know.

Edward Kofi Louis
Eleazar

Share, so that it may go round;
Love, so that we may have peace;
Care, so that we may have joy;
Sing, so that it may be of the sweet harmony from a muse;
For we are all on this love together.

Eleazar, stay alert and you will hear my voice;
For i am the one inside you and,
I will share my sweet love with you always.
Come and let us take a walk on this love for,
You are the only one to make things work well around me.

Edward Kofi Louis
Eleazar 2

Eleazar, zeal, real, ear, era!
With the meal of love,
To heal your heart,
Having the works of the truth beside you.

Edward Kofi Louis
Election

Election,
Waiting for the 'Fist Lady' or,
The 'First Husband';
In the U.S.A.

Edward Kofi Louis
Electric Lady

Draught, drought!
Electric Lady,
Apprehensions,
With life's own troubles;
An open source!
An open air,
To the garden of love;
With the rules around.
Lemon,
Water melon,
Feet, feat!
With your dream;
Meet, meat!
At the edge;
Ram, arm!
With a sledge;
Peace, each!
With your pledge;
Courage!
Back in the dark tunnel;
With the notes of love,
Finding your way home.
Night,
Victory! !
In the cold,
Volleyed with the muse of life!
With the muse of your sweet love;
Fair, affair!
The verge of things,
Excited! ! !
Overcoming the loneliness of your soul,
To walk along,
With the wind of change and,
A fresh mind.

Edward Kofi Louis
Elegant

Ant,
Slant,
Elegant!
Pant,
Grant,
Attendant,
Plant,
Hearing the echoes of life! !
With the muse of your status.

Edward Kofi Louis
Elena

Mary has a little lamb and,
Joseph has to take care of it with love;
So come to me with your little lamb my sweet one,
For you are all that i know on this love.

Elena, come to me and let us find amicable solution on this love;
And, let us settle the impasse and move on,
For your love to me is like the Trans Saharan Trade.

Edward Kofi Louis
Eleth

Give him the reward that he has earned and,
Let me go on my way;
And like my lover in Albania who dwells alone,
For the High Society is full of nakedness!

Call in Eleth and let me lead you on,
And light up your eyes and look upon my fields!
For they are already white for harvest,
And the reward is given in line with what you've earned.

Edward Kofi Louis
Elevation

The circle,
The spot,
The angle,
The degrees,
The dot,
The view,
The point,
Elevation!
With the muse of your sweet comments;
But, if you love yourself, you will not cheat your neighbour.

Edward Kofi Louis
Elevator

To elevate,
With the muse of the elevator;
Going up,
To your destination.
The elevator!
To lift you up high,
Able to view around;
Seeing places! 
With the muse of your imagination.

Edward Kofi Louis
Eli

He is 9 feet and 9 inches tall! !
And, he is standing beside the short man called Eli;
But, from Egypt i have called my son,
Because, i saw him with her mother watching!

Edward Kofi Louis
Eliab

Mankind has not changed at all!
And these acts of wars are for us all;
But blessed are those who keep the laws.

Eliab, come and let us teach the people how to love one another;
For their swords had made women childless.
Eliab, come and let us change the people from hate;
For their swords had made women childless.
Their rebellion is as witchcraft!
But how many people are they ready to kill in the Valley of Elah?

Edward Kofi Louis
Poetry in the mist of riches,  
And like the final nail in the coffin!  
But my name is Elian to make a point,  
For history is all that we know now.  
No pay check can even motivate me,  
As far as making people’s lives better!  
For i do feel the heat of the poor masses,  
And like the trail which is on the rail.  
Heartfelt grief and the stories of a recorded history,  
But who cares about the plight of the poor? ! !  
And life at times is like,  
A Sultan’s wealth from the oil;  
And, with a battle in the Boitech Labs!  
But we are marooned with a missing course.

Edward Kofi Louis
Elias

As white as a snow,
So calm as the sea;
Early as possible you came into the world like,
Easily Lived In Accorded Scriptures.
Elias, you are the blessed one of my dreams;
And your strength is with the Creator!
Like the words delivered by a malak of Yahweh.

May Father Yahweh Almighty bless you and keep you,
For your name will always be remembered;
Elias, Elias! May you see glory and,
Your nose will always be remembered too.

As white as the snow,
So calm as the sea;
Enter into the world so sweet with,
Your directions from the Creator.
You are very different from the others,
And your position on this earth is well prepared ahead!
May the Creator Almighty bless you.

Edward Kofi Louis
Elias And His Twin Brothers

Elias and his twin brothers,
That is what father yahweh gave us!
And i have to thank Him for everything;
Because He heard my prayers and now,
We are all glad of the news.

Edward Kofi Louis
Elias And Noah

Elias is you and Noah is me,
So think twice before you shut that door!
Because these children are here to play,
And we have to learn from them as well.

Edward Kofi Louis
Elias' Room

Come into Elias' room,
Of a sweet smelling aroma;
With things well arranged to keep you at bay.

It is just like the wedding of two cultures,
It is just like the love of two birds,
It is just like real faces of two lovers,
It is just like the talented youth with two dreams,
It is just like Slaha and Makola markets with two phases,
So come into Elias' room!
There you will see the Lebanese beauty.

Come into Elias' room,
Of a sweet smelling aroma;
But the Lebanese beauty will keep you at bay.

Edward Kofi Louis
Eliasamy

7 inches long,
But the minor came for it;
9 inches long,
And the major was satisfied by it;
But i am Eliasamy in the clouds of your love.

Edward Kofi Louis
Eliasaph

My love to you is like Rebekah and her muse,
So mount on your camel amd follow me;
And i will reveal myself to you my sweet woman.
Give me your meat to eat and,
I do share your love with me as well;
For my name is Eliasaph and,
I am on the journey of your love.

Edward Kofi Louis
Eliasu

Eliasu, as, Elias, is, sail, sale, ale, use, sue, us;
But, you are to them as one who sings a lovely song with,
A beautiful voice!
And like the saints of Yahweh;
And, very son, they will know that a prophet was with them.

In th eland of lovely animals,
Buy bulls with money and let the monkeys playon the trees!
And like the muse of the magistrates and the judges in this town;
However, i from Mississipi and,
I am the Miss you are looking for.

Eliasu!
The birds have already told me who you are;
However, with the sweet muse of my love,
I have spoken and, it will be done! !
For, this house will be tiled and this love will be fixed once again.

Edward Kofi Louis
Eliasu 2

Eliasu, as, Elias, sea, sail!
Adventure,
To see the world,
With your works and your words;
As you meet other people along the line.

Edward Kofi Louis
Elim

Elim, mile!
The land mourns,
Because of terror attacks!
For no justifiable reason.

Edward Kofi Louis
Elisabeth

Elisabeth, bate, eat, ate, it, iat, tea, tail, hail, bees, bail;
Like a fresh jawbone of a donkey;
But, you do have seven braids of hair on your head today.

Elisabeth, as, Elias, sea, sail, bet, bath, belt, hat, bee, heat!
Treu love,
To receive it with meekness.

Elisabeth, seat, sit, sat, base, hate, beat, beats, he, she, see! T
And, to walk down the sea;
With the muse of your sweet love.

Elisabeth, as, ash, has, set, his, set, the, table, able, be, Abel;
With works done in meekness,
Under the muse of the laws.

Edward Kofi Louis
Elisany

In times like this,
I do think of the best for my heart;
But i do pray always to overcome the odds,
And my name is Elisany in the Green-Yard of love.

Edward Kofi Louis
Elisha

It is real joy to help people,
So do not give up when someone needs your help;
For I am Elisha and,
I am only living in a designated area far from you.

Edward Kofi Louis
Elishama

Undo the riddle and learn my muse,
For it is like a show among the stars of love;
But you will either take a bus or trek to school on this issue.
The custom of the people are in vain but,
They do feel pain when you teach them;
Because, their ears are very hard like the metal of a train!

Massebah is in the House of Baal and,
My people love it so;
For they are too blind to the truth.

Elishama, imbue us with proper morals and ethics;
But at the dark side of love, do give us the light to move on.

Learn like the Smokey Mountains,
Love like the Mount Kilimanjaro,
And teach like the Mississippi River;
For a compelling charm and a dashing smile on your face.

Edward Kofi Louis
Elisheba

Elisheba, Sheba, she, Elias, he, sail, sea, seal, heal, see, bee, hail, bees!
You have spoken truthfully,
With the words of love coming out of your mouth;
Dense, tense, sense!
Concerning the laws,
With the muse of the horses and donkeys in your land;
Knowing where to step in life.

Edward Kofi Louis
Elizabeth

Elizabeth, bath, tar, rat, art, rate, he, her, hail;
With the riches of love and,
With the riches of life;
Paste, waste, haste, caste!
But, under the muse of peace and joy.

Elizabeth, be, bee, the, belt, bet, let, tab, bat, bat!
With all lowliness and meekness;
Searching for peace.
Take, cake, stake, lake, rake, make, drake, brake, bake, crake, wake!
Very peaceful and, rich in mercy.

Elizabeth, beat, heat, bite, bit, zeal, heal, eat, ate;
To the prince of the power of the air!
But, with Yahweh all things are possible,
Under the muse of the laws of righteousness;
And, in peace.

Elizabeth, ear, era, tear, bare, bear, tail, bail;
With the riches of love against the lust of the flesh,
Dancing around with the muse of the truth!
And, with bread to eat and clothes to wear;
Under the leadership of peace.

Edward Kofi Louis
Elizur

Elizur, lie, lure, rile, Ur!
Outside the camp;
With affliction and misery,
Hearing the News,
To every person with infectious skin disease.

Edward Kofi Louis
Ellerbu

One drop, one stop and one care!
But whose bomb killed this pregnant woman? ! !
All the same, you've go the right to make the right decisions on this earth;
For i am Ellerbu in the land of the living,
And i have my peaceful mind set on you.

Edward Kofi Louis
So much troubles in this world,  
So much bombs in this world,  
With many dead bodies every now and then!  
But the sun blessed my eyes this morning;  
For the blast of the spaceship was noted by us! !  
But i am Ellerhu in the land of joy,  
So wake up and live now very positively on this earth.

Edward Kofi Louis
Ellie

Oh Ellie,
The marvellous works of your love speaks out a lot!
So come and sit on the throne of my love;
For you are my heart's desire and,
I am your sweet lover.

Edward Kofi Louis
Just for me and just for you,
Kiss my lips and try to answer my prayers;
For i am standing here stripped of all pretences,
And like the summer blues in the village of love.

Just for you and just for me,
Kiss my brain and share your love with me!
For i am facing you with nothing but with all my six senses,
And like the summer blues in the town of love.

Just for me and just for you,
Kiss my breasts and romance my body;
For i do hope you will accept me for just what i am,
And like the summer blues in the city of love.

What is life making up to us?
Bury the bone with no strings attached!
And like Ellington who never touched me over there.

Edward Kofi Louis
Ellirie

The sign of the blood,
The first time;
The love of your muse,
The first time;
But, if it is shining all day long, let it shine,

Money for the circumcision,
Honey for the eater,
Pony for the rider,
Donkey for the traveller,
Monkey for the zoo;
But let the sun dry up my clothes!
For Ellirie is my name and,
I am here to share my sweet love with you.

Edward Kofi Louis
Ellis

You are now like the desirable thing on these attributes of my love,
And like the accessory of a client's privilege;
But the pharmaceuticals could not solve my problem!
And, i am now predominated by a lavished coalition.

Testable!
With the realistic act on a consummated love;
For, you are now like the desirable thing on these attributes of my love.

A cute act of your muse was pre-aforementioned to me with your love!
But, i am like a domicile animal on this act;
However, i do have no disappointments! !
For, much silence is now needed on this case.

Ellis!
These impediments were limited to nature;
But, i am congrously moving along with the act of this love! !
However, you are now like the desirable thing on these attributes of my love.

Edward Kofi Louis
Elly

Early as possible is your love towards me,
And early as possible i will need you my sweet Elly;
For your love to me is like the King of Bashan.

I will be the only one who knows the key to your heart,
And to swing with the peace of your world so sweet;
For, i saw thrones of love in you when we first met.

Elly, we always need to remember the first time;
For i still have your picture inside me and,
I am waiting for your second visit.

Edward Kofi Louis
'El-Messiah'!

'El-messiah'!
And today the elohim of the football world is Messi;
Who plays for Barcelona.

'El-messiah'!
And they all want the jersey from Messi;
For, the world now sees him as the messiah in the football game.

Edward Kofi Louis
Elmont

A slave escapes from his owner and now,
He is crowned as a king for all to see;
But i will always meet you between the double walls of love.

I have surely seen the oppression of my people like,
The practice of a female prostitute;
But Elmont my lover is at the bay of the sea of love waiting.

Oh my pleasant one! Come to me;
And do not urge me to leave you my love,
For wherever you go, i will go with you.

I have surely seen the oppression of my people like,
The practice of a male prostitute;
But Elmont my lover is at the bay of the sea of love waiting.

Oh my love,
Let all your needs be my responsibilities!
And, come and refresh yourself with my love;
Stay the night and enjoy yourself with me,
For, i have surely seen the oppression of my people.

Edward Kofi Louis
Elohim

The forsook the truth!
The truth found in the Ten Commandments;
And went back to worship Elohim.

Edward Kofi Louis
Eloise

Milky-Way,
Especially of the tribe next door;
But incomprehensive to your room is,
The sweet muse of love to your nakedness.
Eloise is ready to listen to me and,
I do have the works of love to share like 'Formula-1';
And of things to negotiate with you as well.

The door of my love is next to you,
So be very wise always to enter into it;
With pluckable and pleasurable things to share.
My love's window is open as well,
And it is with the gift of one's pleasure;
But i am the commissioner of love to lead you on.
The Milky-Way and it's molten sensations!
And of the love you are looking for;
But try to be very wise to enter the door of this love.

Edward Kofi Louis
Eloquent Orator

The beautiful vessels,
The counsellor and the eloquent orator are here to stay;
But everyone loves gifts and goes after rewards,
And i am now like a garden without water.
Chains, bracelets and veils;
In the garden of love to respect my muse,
But the eloquent orator and the counsellor are here to stay.

Edward Kofi Louis
Eloquent Speech

True love,
Words and works;
Action!
With eloquent speech,
Bringing joy to the hearts of the people around you.

Edward Kofi Louis
Elsa

Elsa my friend,
You will keep on growing on this muse of love;
And your teacher at school will still be a teacher when you grow,
But i will portray my cutural values to you when you care.
I am right here with my sweet heart to care for you,
And i am ready to guide you on with positive values;
But your teacher at school will still be a teacher when you grow.

Edward Kofi Louis
Elsa 2

Elsa, as, seal!
Budding romance,
A day at the beach,
Enjoying nature with the muse of your sweet love.

Edward Kofi Louis
Elsie

It is all about you,
It is all about your sweet love,
Elsie my lover!
I am from Cape Coast and, i do love you.
My love to you is like the mind of Nelson Mandela!
And your kiss will bath me always in peace;
However, i will fly together with you always.

Edward Kofi Louis
El-Wak Stadium

Making to forget my rest,
But, why should you meddle into the troubles that lead to sin? !

Of spanners, bolts and nuts;
Making to forget my sins.

Why meddle into the troubles that will cause your downfall? !
For, i am now at the 'El-Wak Stadium' with hopes and dreams.

The muse around me is like the shields of King David! !
And, each man is now with his own weapon in his hand.

I am in the royal line to your heart!
But, every woman now has her hands on her threshold.

A donkey is now sold for eighty Shekels! !
And, a dove's dung is sold for five Shekels;

And like the hope of your muse in the land of struggle,
But my mind will always write for others to learn.

Edward Kofi Louis
Elyada

Elyada, dad, lead, led, lad, deal, lay, day, delay;
The ruler!
With the muse of love,
But, you sat at your table in your house;
Eating the food of joy.
Life, love, peace!
Those who are well have no need of a physician;
Only those who are sick,
So, let us care for one another in this world.
The muse of life and the muse of love,
To desire mercy than sacrifice!
And, to seek after peace with the ways of the law.

Edward Kofi Louis
Elyada  2

Elyada, day, lad, deal, lead, led;
Heavy yoke,
Burdensome service,
But with a jar of honey to restore his strength!

Edward Kofi Louis
Eman

Eman, man, am, an, mean, men!
With the ways of life in the land of trouble;
Station, molestation!
With the ways of mankind;
On this earth.
Mole, molestation!
With the muse of wickedness;
In the land of trouble,
But, try to come out from your wickedness! !
And, cover yourself with the truth.

Edward Kofi Louis
Emanated

Techniques,
Groups,
Emanated,
Religious ideologies;
But unarmed is the muse of your love,
And like the propagandas behind your yard!
But fighting for human rights and independence is part of mankind.

Edward Kofi Louis
Emancipate Yourself

Emancipate yourself with positive morals; learning from the teachers of righteousness!
Managing your affairs in life with righteous works; able to love others like yourself.
Seeing life with the eyes of righteous laws and, to live in peace;
Moving along the paths of the light with the joy of your heart.

Edward Kofi Louis
Emanuelle

I checked on you but,
You were not in the house of love;
I called on you but,
You were not in the house of peace;
But love will find you one day with your nakedness.

Oh my stardancer!
I am the star on this dance floor of love;
And you will surely enjoy my sweet taste one day.

Emanuelle, of such wonderous beauty and meekness;
For i will look for you always my sweet one on this love.

Edward Kof\_Louis
Embarrassed

You've embarrassed me today before your people but,
The wind of love knows its roots;
So be ready to receive my muse when i call,
For love is the key about life.

Edward Kofi Louis
Embarrassed

Rumoured! !
Embarrassed;

Situations,
Exchanges!

Problems,
Of the lessons learned.

Edward Kofi Louis
Embers

Embers,
Members,
Remembers.

Edward Kofi Louis
Embezzle

Puzzle,
Muzzle,
Embezzle!

Edward Kofi Louis
Embossed!

Dot, rot, not, hot, lot, spot, pot, cot, got, clot;
Embossed!
And, to live a life full of high potentials.

Sweep, seep, weep, sleep, beep, deep, Jeep, peep, creep, cheep!
But, history is there for us to learn;
However, everything that a woman needs should start at her home.

Life, love, peace and joy!
Correct yourself from your past mistakes and live like,
The muse of an embroidery needle to your delight.

Edward Kofi Louis
Embrace me with your love and let me care for you,
Embrace me with your love and let me kiss your lips,
And of the culture and the diversity of your romance!
For i never knew how it was until,
I found myself here together with you.

Edward Kofi Louis
Embrace Everyday In Life

Embrace everyday in life and,
Embrace everybody in love;
Sharing with all in peace,
With the muse of nature!
And, in harmony with the joy of life.

The muse of life!
With soft strokes;
With the muse of the desert scene in your land,
But, let the golden works of peace touch the hearts of all in unity.

Let, left!
By letting go of your pains;
Tread, read!
Tread the red and, let your sweet love arise like a star;
The bright star!
With the joy of your heart.

Edward Kofi Louis
Embraced

Embraced,
Openly;
At the end,
Convincingly;
And to adhere to your love with,
The new conditions of your muse.
Brace, embrace!
With the muse of your love;
Sweeter than honey,
And, whiter than snow.
Race, embrace!
Openly,
And, of the desire to produce children;
So, come and embrace my love with the muse of your heart today.

Edward Kofi Louis
Embrasure

Embrasure,
Bead, head, tread, thread, bread!
Every story has a beginning in this life;
Birth and death,
Life's journey.

Edward Kofi Louis
Embroidered

Love,
Nice and beautiful;
Embroidered with the rules of the law,
And with the works of the truth.

Edward Kofi Louis
Embroidered

This life,
Embroidered with all the colours around us;

Muse!
Embroidered with the muse of the truth when the right thing is done;

Love,
Embroidered with trust when true love leads the way;

Humility and kindness!
Embroidered with positive morals without hurting anyone;

The truth! !
Wisdom is the key;
Embroidered with righteous laws.

Nature!
With the romance of creation;
Embroidered with Hands of the Almighty Father! !

With mankind on earth,
Always learning,
Embroidered with all the rules around us.

Edward Kofi Louis
Embroidered Garments

A broken vessel,
Teach us your path;
And like the greetings to the children of men!
But, show us your ways to be on this righteous path always.

Don't be like the horse or the mule which has no understanding,
For the earth is established on seas and floods;
But, hatred is now seen in the eyes of many.

Why do you boast f your evil?!
For the green olive tree is standing and watching;
And like embroidered garments in the land of your muse.

Is this what you are looking for?!
Then, think twice before you carry along that gun;
For he earth is established on seas and floods.

My love is scented with myrrh, aloes and cassia;
But, action speaks louder than words!!
So, flee from evil things.

Try the reality,
Try the truth!
For the truth is for free;
And come and taste the sweet of love!
For, flattering lips are not needed over here,
But the request of the humble will always lead the way.

Incline your mind to my poems,
For, there is a crown of gold on my head;
And like the joy of the coconut in the land of my muse,
Because, action speaks louder than words!

Green is equal to yellow and blue,
Orange is equal to yellow and red,
Black is equal to red and blue,
So, try to learn from my muse always!
For you are my son and, this day i have begotten you;
But the humble ones will swim in my lake of love always.
I am among the lions!
But their own nets will take their feet! !
For, a shield will always surround me;
But, a cry of conquest is like a lornely person in the wilderness.

Where is your hope? !
Tell me if your know;
For, i came out from my mother's womb to tell my story,
And like a champion to run a race!
But, evening, morning and at noon i do pray for my life on this earth.

Edward Kofi Louis
Man is an embroidered paradox;
Filled with poignancy and brutality!
But, to err is human,
And, to learn is better than dead bones.
Red space!
White space,
Black space,
Blue space,
Green space;
Embroidered paradox! !
With the humlour of humanity;
But running on the same spot will never help you win a race,
However, many are incurious, xenophobic and smug.
Positive people are always born to create and help the earth;
Whereas, the negative ones destroys the earth!
There can never be togetherness when,
Some live and others exist;
Yes, man is really an embroidered paradox on this earth.
Works and words,
Our Blue Planet is in chaos! !
However, beauty is the state of the mind;
Embroider,
Elliptical;
Raindrops, love, peace and joy! !
The light within;
Of the same stories heard in every corner of the earth,
Like circles and squares.
Embroidered paradox,
Convergence,
Conserve,
Constructive;
But, it is very important to be nice to one another!
Love and unity without barriers;
With a more tranquil environment.

Edward Kofi Louis
Emebet

Emebet, be, bet, bee, meet, met, me!
Wine glass,
Character bowl,
Modern First Degree;
Gesture,
Story time,
Lonely in the cold!
But, when love comes, you will get the heat.

Masks,
Posturing faces,
Blood vessels,
Rush hour! ! !
Overcome evil with righteous works and,
Live in peace with your neighbours;
However, there are some things in life that will never change.

Edward Kofi Louis
Emeka

I do hope that you've married Ayo by now,
Or you are now with another woman!
Emeka my friend, how many children do you have as at now?
And, how is life faring on with you over there in Nigeria?
Have you also become a Diplomat under 'Unicef'?!
Then tell me more when you get this message;
For it is now time to rock your muse with the ladies around you.

Edward Kofi Louis
Emell

This muse of love is like how to write a song,
This muse of care is like how to write a poem,
This muse of peace is like how to write a story,
This muse of joy is like how to write a book,
But, I am now delivered with the muse of your love!
Because, I now live in the land of your muse and,
You are called Emell.

Edward Kofi Louis
Emend

Mend, emend, end, amend, fend, send, bend;
And like the joy in her bowl! !
But, children are the fruit of the womb.

Edward Kofi Louis
Emerald

Emerald, reed, read, red, deer, dear, ear, era, lead, ale, meal, arm;
It will come out again!
So wait for it;
But, it will take another form again.
A new song,
A new thing,
A new work;
Emerald, deal, led, lad, Dan, dam, real, realm, male, lame, dale, ram!
To hold your peace and, to retrain yourself;
Trying to get away from evil acts.

Edward Kofi Louis
Emeritus

Emeritus, merits, rites, meet, use, rest, it, is, me, sue, sum;
Claiming that you slept with her last night,
But i have a stipulated ban period on you! !
And as much as the impasse around you,
For, you failed to report the case ahead of time.

Emeritus, tree, set, term, terms, sit, merit, suite, rite, muse;
To the culture club! !
And like the members at the beach,
But possible to sit on the case because of the allegations!
For, you failed to report the case ahead of time.

Emeritus, meets, seem, user, rims, rim, trees, site, seer, us;
But you have to learn from your mistakes,
Because my money is now on the line! !
And, you are now claiming that you slept with her last night.

Emeritus, tire, tires, tries, metres, metre, met, see, stem;
Be like a lawyer by training and learn to do the right thing always,
For the impasse around you are much noted to us all!
But, you have to learn from your mistakes always in this life.

Edward Kofi Louis
Emerson

I saw the bee!
But when I came around to your garden, it turned into a butterfly;
Yes, in the land of your muse where you have a beautiful garden.
For, true love brought me closer to you.
This is about the wonderful garden of your love!
And of all the things planted in this garden;
But, your magical works transformed this bee that I saw into a butterfly,
However, I will always like to visit this garden of love.
I am Emerson and, this bee that I saw attracted me to your beautiful garden;
And like the muse of true love in the land of beautiful flowers,
But, this magical touch will always be in my mind.

Edward Kofi Louis
Emes

I have found her! !
Of whom my heart does seek for;
But before she came to me,
I first saw her through my window.

Weighty and powerful!
Readiness is her love to satisfy my muse;
And like Emes my neighbour who is yielding to the lusts of the flesh,
Bit i do have great news for you my sweet one.

Edward Kofi Louis
Emeyazia

Tow, towels!
With the muse of the land;
Born to the world and,
Given a name.
Emeyazia, me, am, may, yam;
With the yam of your land in the name of,
The Yam Festival!
But, do wake up to the truth and live.

Edward Kofi Louis
Emils

Emils, is, mile, miles, me, smile, lime;
And with formal education in the land of your muse,
But, try to overcome the Odds of life in this town.

Illegal lust!
In custody;
For murder.

Life!
With crime and punishment;
In the muse of your land.

Lust!
Like the fight which ensued between you and your lover;
With the negative order of argument at Hand.

A youn man!
A Young lady;
With the muse of your acts in this town.

Edward Kofi Louis
Eminem

I know how to get around to your bedroom and,
I am thinking of the first time that i pulled down your pants;
But it was like once upon the time in the bedroom of lovers.
Experimentally and exploring,
And to undress and to dress in this room;
But it all came naturally as expected,
But try to expand your mind and be free forever my love.
Smile for wisdom while the beauty of love infuses you,
For your name is Eminem in the world so sweet;
And i still do remember your bedroom of love.

Edward Kofi Louis
Emira

Stand by me and support me with your love,
And let me be the one to love you;
For the teachers are now on strike! !
Let me have it once but not twice,
Because i love you;
And, you are all that i need.
I am Emira and you do understand my ways,
But this love should unite us closer than ever before!
So, come and stand by me and support me with your love.

Edward Kofi Louis
Emirate Hills

Emirate Hills,
And of the tribulations around you;
However, tribulation produces patience.

Emirate Hills,
Put on your hope to win the race ahead of you!
For, humility is the key of life.

Emirate Hills,
With minds and teachers around us! !
But, try to bring out your best always in life.

Edward Kofi Louis
Emma

Your size is bigger than what she expected but,
I am satisfied with your love;
Your size is smaller than what he expected but,
I am satisfied with your love;
And Emma came along to advice you,
Because the bush around is very thick.

Edward Kofi Louis
Emmanuel

Of his hard grief! 
Of the words from his acts;
And thw rods from his mind,
But, his heart is now ready for war!

He lives in the Valley of Sinners and
And, i have told my friend Emmanuel about his steps around;
For he flies here and there to put others to fight against each other!
And, that is why i have informed Emmanuel to study him.

Edward Kofi Louis
Emmanuel Chikwe

Are you still in Lagos or gone to the East?
For the last time that i met you was in Orile;
Emmanuel Chikwe, this is a friend of yours writing,
So keep up the faith and do your best at all times.

I am with words from afar to touch you over there,
Like the angels in the great river Euphrates;
But of the hair like that of a woman to know your stitution.
Fly up high and reachout to all,
Learn about life and be very kind to all;
For my mind is like the teeth of the lion at times.

Emmanuel Chikwe,
I hope you are now married with children;
So try to wake to the facts like the tail of the scorpion,
And i do hope you well in all of your undertakings over there.

Edward Kofi Louis
Emmler

On the coasts of the Black Sea,
Come and walk along with me to share ny views;
For i am Emmler and,
I want to teach you the love of my muse.

Edward Kofi Louis
Emo

Let the earth go round with gladness and,
Teach the truth and let somebody gain hope;
For the harmony of life should be like the honey and the money!

Emo, watch the mirror and you will see me through it;
For your love to me is as sweet as the sugar cane,
And i will be there for you always.

Edward Kofi Louis
Emotion

Motion,
Mobility,
Emotion!

Inbred human nature,
There is no fear in love;
And i will come for you when the need arises.

Edward Kofi Louis
Emotions 2

Know how to express your emotions,
And learn how to meet others with your love;
For my words are real to touch your heart today,
My life is rich and my mind is very pleasing,
But you need to control your emotions.

Edward Kofi Louis
Empath

For a clear home,
Check out first the toilets and the kitchen before any other places;
Because these places will tell you the mentality of the people around.

Empath, come into my realm and let me teach you,
And do not be like a funny tasted drink in the mouth;
You may ask: 'Why is the world like this?'
But it is also like the 'Buffalo Soldier'! .....'Dreadlock Rasta';
With bombs everywhere to kill many.

The very government is you and i,
And it starts from the grass roots;
So if the bases of the grass roots are totally weak,
There will be no rule of law at the top.

Edward Kofi Louis
Emphasis

Popular,
Tall,
Cute,
Athletic,

And like my early days in school.

Edward Kofi Louis

Elderly,
Incumbent,
Better than others;
But, with an empirical adaptation!
Which is combined with a decision tool that is,
Very close to your lovely car.

Elderly,
Incumbent;
This love is based on your muse and,
This argument is based of your works! !
And like your recent victory with the peace of your mind;
But, you can't jump the gun this time around.

Edward Kofi Louis
Emptiness

Tiring nights!
Allotted years of emptiness;
The nights drag on,
Broken and festering;
But my life is only a breath.

My days are but a breath;

Because, i am right here beside you;
And, i will be there for you always.

Edward Kofi Louis
Encouragement

Endurance!
Encouragement,
With the unity among us;
Acceptance! !
With the muse of true love;
let us accept each other with the gladness of our hearts!
Than with hatred and war.

Love,
Accepted;
Under the laws!
Righteous laws,
Which will lead us on,
With peace and joy in the land.

Edward Kofi Louis
Encouragement  2

Endurance!
Encouragement,
With the unity among us;
Acceptance! !
With the muse of true love;

No alternative ahead!
Waiting,
But disturbed in mind.
My heart bleeds! ! !
Because of the wickedness of mankind;
With all the problems around me.
Hooked! !
At the end of the road;
No alternative ahead.

Edward Kofi Louis

Seen at the end of the road,
Only with hope;
No rope! !

Time!
Still with hope;
Seeing the slope ahead.

With the end result.

The muse of life,
Practice makes mankind perfect on the laws.

Love,
In a case to serve at all times;

Slump, lump!
With the muse of the gods and goddesses;

But, it is now time to learn from the truth and,
Be free with your mind whenever the laws are read to you.

Edward Kofi Louis
Endangered

The hardship of seduction had led her into prostitution!
However, she needs her kinsman around in order to survive;

Endangered! !
By the world around her;

The girl child,
Female,

Woman!
Faced with the odds of the world.

Edward Kofi Louis
Endangered Situation

Bomb! !
Suicide;
Endangered situation,
At the Airport,
Terrorist attack!

Edward Kofi Louis
Endear, Endeavour!

Fold,
Enfold;
Endear, endeavour!
With the muse of life,
With the muse of love,
With the muse of nature,
Verse, universe!
Serve,
Reserve,
Preserve,
Spy, espy!
Inverse,
transverse,
To honour part of the contract;
With honesty,
With sincerity,
With selflessness,
Hard-work and dedication.

Edward Kofi Louis
Endeared

She endeared him to herself,
Won his acceptance!
More than all the women around.

Edward Kofi Louis
Endearing

Endearing!
The expression of love;
Inspiring! 

Love,
Being loved;
Expressing the muse of your heart.
Love,
Wet canvas;
With the aroma of life and,
The romance of peace!
Sharing your mind with your lover.

Edward Kofi Louis
Endless Business

Life!
With endless business;
Royal Club,
Royal Farm,
Royal Love! !
And, like the Gold boom in Ghana today.

Life!
With the timing of your muse;
Cooking with the water and,
Eating with love.

Adore, adorable!
With the old veteran;
Work, world!
To once and,
To reach out to the millions.

Love!
With strong affinity;
Mythical touch!
Of your tender lips on mine;
In the land of beautiful roses.

Edward Kofi Louis
Endless Love

Endless love and endless sea,
Swing along with Fasland to catch up a view;
For your tree of love is already uprooted by the heavy storm!

Every time i see you is like a gift to me,
And every hour with you is like the still music at the sea!
For i will swing along with you always on this love,
And like a view taken at sea.

Endless love and endless sea,
Who the cap fits should always wear it;
For your sweet love had really made me learnt a lot,
And i will always be ready for you.

Edward Kofi Louis
Endless Love II

Endless love,
Hospital, hospitality!
Joyfulness;
With the peace of your mind,
Sitting down waiting for your lover.

Tows, bestows!
At the source;
With your Sauce.
Best, bestows!
Of the balance,
Encaustic;
And, with the blend of your passion.

Passion, compassion!
With the sweet muse of your endless love;
It is free!
It is easy,
It is sweet,
It is lovely,
It is nice,
It is enjoyable;
Being able to uplift your mind with the muse of peace.

Edward Kofi Louis
Endless Sea

Peonies,
Love;
Endless sea,
Stunning!
Like rain and snow;
Relaxed,
Urban forest,
Flowers!
With the muse of nature.

Edward Kofi Louis
Endorse

Horse,
Endorse;
With the muse of your life,
In the land,
Working always to gain your status.

Edward Kofi Louis
Ends, Legends!

Ends, legends!
According to the muse of life,

Outlets, outsets!
According to the history of mankind;

On this earth,
With the various works.

Edward Kofi Louis
Endurance

Patience is endurance,
So live by every word of the truth to gain eternal life!
For, the muse of the truth is about love.

Edward Kofi Louis
Endure

Endure, cure, sure, pure, jure, lure!
But, it was very plain to you;
And through various means! !
However, it was a brief foundation.

Wealth and health,
You've got what you need from me!
And you now know how to get to me;
However, i've to endure this brief foundation.

Edward Kofi Louis
Endure Until The End

To be afflicted,
To be hated,
To be offended,
And to betray one another!
But the world hates the truth.

Satan's influences and,
The misery in this world;
But whosoever endures until the end will be saved!
So, don't turn back on your positive tracks in this world.

Life is like the nursing of babies,
With the wealth and the pleasures of life around us;
But as numerous as the stars in the sky are the human kind,
And like the keys of love still missing in our own hands.

Edward Kofi Louis
Enduring

Childbirth,
Enduring;
With the muse of the pains of labour.
The muse of life,
Persistence with the muse of nature;
Childbirth!
With endurance;
And, with the pains of labour.
Circumstances!
Confidence,
Physical!
Evidence,
Fully qualified!
With the muse of labour.

Edward Kofi Louis
Enduring Dawn

Enduring dawn,
'Eostre or Ostara';
Easter is a festival after the ancient Anglo Saxon Goddess of Spring.

'Ishtar'! The Goddess of love and fertility;

Ancient customs: With Father Christmas in
Briton and Santa Claus in Germany; spreading all over the world today.

Edward Kofi Louis
Enduring Love

Enduring love,
Through the trials;

Enduring life,
Through the trials;

Seeing what goes on around you;
Love and other things!

Trying to understand your partner always,
Who dictates all the time.

Edward Kofi Louis
Enemies

Let my enemies reel like the whirling chaff before the wind and,
Let me write out my mind for others to learn;
For i want to finish my course with joy and to meet you one day.

Edward Kofi Louis
Enemies 2

We all have enemies around us!
Watching our steps in life;
Woes! !
Foes,
With evil acts from those who hate us.

Edward Kofi Louis
Energy Flow!

Slow,  
Low,  
Show,  
How? !  
With the muse of sweet love;  
To follow,  
The Flow,  
To allow it,  
Energy flow! !  
With the joy of your heart.

Edward Kofi Louis
'English Rose'

'English muffin',
'English rose'!
Engraved in your heart,
With the muse of sweet love;
Life!
With the full text;
And, with the delight of your heart.

Be, below!
Subsequently;
Like the muse of an image dressed in a white apparel.
Low, below!
Delighted with your love;
On a mission with the vision of your mind.

'English rose'!
Automatically;
With the muse of love in the land of the living,
As the rainbow came out to greet you.

Love!
Taking inspiration from your teacher;
And, to keep in touch,
With the delight of your heart.

Edward Kofi Louis
Engrave On It

Grave,
Engrave on it;
With a brave heart!
To remember the fallen hero.

Edward Kofi Louis
Engulf

Let your love engulf me with your muse,
And like gold slots in the Land of Gold!
For i have discovered something special about you.

Edward Kofi Louis
Engulfed

Young Adam,
Young Eve;
Living together,
With the muse of life!
And, the lust of nature;
Engulfed with the pleasures of the world.

Edward Kofi Louis
Engulfed 2

Wordly women,
Wordly men,
Wordly children;
With no positive reasons for their negative acts on earth,
Engulfed with the lust of the world.

Edward Kofi Louis
Engulfed By Its Enchantments

So beautiful!
To be engulfed by its enchantments;
But, to do nothing at all! 
Because, such a great person was sitting beside you. 
Alive and cheerful!
She was my everything;
of such a special person,
Clearly!  
But, your smile widened a bit more;
Because, she was so beautiful.

Edward Kofi Louis
Enhanced,
Lovely;
Easy and powerful! !
With the muse of your romance.

Edward Kofi Louis
Enhancing

Enhancing,
Enchanting!
Staged;
With an episode.

Fresh revelations!
To embark on a historic journey;
The journey of love,
With the muse of your love.

Tip, trip!
Full of emotions;
rekindled,
With the auspices of life.

Edward Kofi Louis
Enigmatic!

Enigmatic, Asiatic, sympathetic, symbolic, tonic!
Of the wonders of life around us;
But, where is the place of peace on this earth?

Arithmetic, systemic, tactic, Artic, synthetic;
But, it was just perfect! !
And, it fits just perfect with the wonders of nature.

Architectonic, metric, antibiotic, Antaric, artistic!
And with the wonders of science;
But, this muse of love is closely connected with it.

Automatic, archaic, arthritic, apocalyptic, panic! !
To do it yourself alone in the line of duty;
But, like a registered dentist with the muse of care.

Edward Kofi Louis
Eniola

Eniola, nail, on, in, Ali, Nile, oil, ion, loan, lean, lain;
Set down!
Treasonable acts,
Mine, undermine!
Fiddling,
More convincingly;
With the muse of the dirty works of the land.

Edward Kofi Louis
Enjoy

Joy! !
Enjoy,
To enjoy it;
Art,
With the muse of your sweet love.
Dressing,
Style!
Act,
With the muse of life;
And, to enjoy the ways of nature.

Edward Kofi Louis
Enjoy It

Dance or enjoy it,
Sing along with me to respect your muse;
And like everything that you hear, see and experience!
But i am like the man in your mirrror.

Edward Kofi Louis
Enjoy The Day

Love and joy,
Peace and care;
Enjoy the day with the muse of righteous rules!
One for all and, all for one;
In the name of unity,
As the sun rises and settles down.

Edward Kofi Louis
Enjoy The Day  2

The first young flower,
Do something about it and enjoy the day;
Because, love is the foundation of life.

The laws make you straight!
So, lean on the laws and live;
For the peace of the earth.

Edward Kofi Louis
Enjoy The Muse Of Love

Muse!
Yahweh sent me out to save lives;
With my grey hair.

Life and sorrow!
In your grave;
because of the hatred around us today.

Life in the world!
How can i compare my innocence with all the chains of the hatred around me?
But, Yahweh had sentr me to help others.

Let, goblet!
Found in your sack;
But, why have you repaid my kindness with evil?

Muse!
Maybe it was a mistake;
by loving you,
For, i have now seen the famine around us.

Farming and reaping!
In the land of my muse;
But, enjoy the muse of love with the peace of your mind.

Edward Kofi Louis
Enjoy This

Enjoy this care of my love and let me lead you on,
Enjoy this love from my heart and let me stay with you,
Enjoy this life around us and let us be together as one,
For the structure of this building around is our hope;
And the side rooms and the slide doors will lead us on in peace.

Edward Kofi Louis
Enjoy Yourselves With Love

Gold and silver,
Eat and drink and enjoy yourselves with love;
For there is time for every purpose under heaven!
But do work towards your dream always.

Akua and Akuwaa came to the party last night,
And like a time to be born and a time to die;
So eat and drink and enjoy yourselves with love,
For there is time for everything on this earth!

Edward Kofi Louis
Enjoyable

Interesting,
Enjoyable,
So beautiful.

Edward Kofi Louis
Enjoying The Ride

A wise person,
With a kind and generous heart;
Enjoying the ride of life with the works of peace!
Knowing where to step always,
And, bringing joy to the hearts of many.

Edward Kofi Louis
Enjoying The Ride  2

Sitting on it!
Viewing everywhere and everything;
Enjoying the ride with the muse of your sweet love,
Drive, strive,  ride, aside, rise, pride!
But, do watch around very well before you fall.

Edward Kofi Louis
Enjoying The Views

Flying! !
Over the high places of the earth;
Enjoying the views of nature,
And to respect creation.

Edward Kofi Louis
Enlisted

Enlisted,
Engaging,
Suspected;
With agencies to smoke out the odd people!
But, you were sparked by the muse of my love.

Campaigns,
Capped,
Politicians,
Hitting the streets to protest! !
But, i will still write out my mind even in people's closets.

Edward Kofi Louis
Enmity

There is enmity between the men and the women in this town,
And of the muse of hate as seen by Maulkorb and Villa;
But wisdom is found on the lips of those who have understanding,
Because the lips of the righteous feed many!

Edward Kofi Louis
The syllables of spasms and the sympathy of wisdom,
And for all that looks beautiful!
Oh the wonder of love is so big to catch,
And to devoid the usual ubiquitous act.
Glitterati to show but somebody needs love tonight,
And Enno is your lover on this side;
Oh yes! 'Ahomka wo mu'! !
And i will live to see the other side of the river.

Edward Kofi Louis
Enormous Potential

Father, farther!
With the muse of a solo run;
Fulfilling your dream,
In the land!
But, with critics.

You probably reacted the same!
With your words;
And, with your works.

Tiredness!
With the muse of life;
In such a big game,
In your land.

Farther, further!
With enormous potential;
Fulfilling your dreams,
Along the line.

To deliver!
With the muse of the admires around;
The muse of life!
Contrary to the occasional consistency of your brilliance;
However, you are now on a solo run.

Edward Kofi Louis
Enraged

Rage!
Enraged,
But, to show you kindness;
To have a better life,
With peace and love,
In the land;
Without hatred and war!

Edward Kofi Louis
Enrolling Persons

Demands,  
Offering contracts;

Supplies,  
Critically needed;

Supporting the systems of the land,  
Enrolling persons to do the jobs.

Edward Kofi Louis
Enslaved

Enslaved,
Afflicted!
Like a smoking fire pot with a blazing torch.

Edward Kofi Louis
Ensued

Ensued, need, seed, use, used, sue, sued, den, dens, see!
But, the Computer sometimes misleads you;
And like an unintentional mistake in the land of your muse.

Life!
With a doctoral student;
But, creative writing is all about you.

Muse!
Legally constructed with the ways of love;
But, the death of your 25-year-old girlfriend is now the story of the town.

Edward Kofi Louis
Entangled

Treated harshly! 
To harden your heart;
Yoked,
It just came upon you and befell you.

Heavy blow! ! !
With many deceivers in the world today;
Entangled,
With the works of the wicked ones among us today.

Edward Kofi Louis
'Enter in, through te narrow gate;  
For, wide is the gate and broad is the way that leads to destruction!  
And, many are those who go that way'.  
However, if you want life, then, the narrow way is what you need;  
Because, straight is the gate, and few are hose who have found it!

Edward Kofi Louis
Enter In And Be Free

Love!
Enter in and be free;

The truth!
Enter in and learn the ways of peace;

Muse!
Noted with the rules around;

Nature,
Those who hate the truth will always live with lies.

Edward Kofi Louis
Enter In!

Seek to enter in!
For i've been waiting for you for years! !
And i can no longer wait on this love,
But the sweet smile on your face will encourage me to.

Edward Kofi Louis
Enter Into Her World

Enter into the world so sweet!
The world full of names to crown the day;
Enter into the world so sweet!
Ethel is your name so sweet for an identity.
You are the window of my heart,
You are the joy of my taste;
Just like an apple-pie on a creamed cake.
Enter into the world so sweet,
Just like trying Pawpaw with Rice and Chicken!
The world that emits true love to us all;
Oh, what a beautiful world full of names.
Like Ethel in the order of love,
Enter into her world so sweet!
Like the low-tides and the high-tides;
Enter into her world so sweet.

Oh earth, hear the echoes of my joy to meet her;
Love emitting from the highlands of 'Mile-Eleven'.
Enter into her world so sweet like,
True love emitting from 'McCarty Hill'! !
Enter into her parlour to meet her true love.

She has a message for you and i!
So, enter into her world so sweet;
Like a true lover among the names.

Who said it was not possible?
When, impossibilities are made possible!
Who said that, she will not reply?
When, her heart yearns for love;
Like a mango tree next to an apple tree!
Far beyond her scope is her vision of love.
Cope, scope! !
Moving to and fro in search of a landing pad;
But, if it isn't love then,
Why will you enter into her parlour?
Because far beyond the scope are hills and mountains to pass by.

Like Mount Kilimanjaro compared to Mount Afajato,
Is her game of love to call you by;  
So, embrace her kindness and guide her on.  
Like the paradise cream of Acapulco Bay,  
Hanging on in a distance to listen to the echoes of her love;  
And, the future is the better place to live in.  
Enter into her world so sweet with your muse,  
Where the future is still unknown! !  
However, exchanging from the past to the present to gain the future.

A sweet poem for her love,  
A sweet muse of her love,  
Like the Dragon and the Tiger from the far East! !  
With examples of her name to all mankind;  
Look! That's the beauty of her name.  
Enter into the world so sweet with all the muses you know about;  
Hailing from the cold to the heat;  
With extinguishing flames of love to show you!  
Taking shapes and attitudes to satisfy the muse of sweet love;  
Enter into her world so sweet.

Edward Kofi Louis
Enter Into The Right Door

The entrance!
With directions for male and female;
So, enter into the right door,
With the muse of your identity.

The truth!
Narrow is the way;
And, only few find the way.

Illegal lust!
Broad is the way;
With falsehood along the line,
But, many are those who enjoy to go this way.

Edward Kofi Louis
Enter Into The World So Sweet

The rainbow,
With colours;

Creation!
With the muse of colours;

The universe,
With the colours of the galaxies;

The muse of mankind,
To enter into the world so sweet;

The planet earth,
Full of colours!

With the beauty of nature and the fragrance of life;
To respect the rules of life.

Many colours,
Beauty with the muse of life;

Living in righteousness,
Respecting the rules;

With positive morals,
Able to unite the world with the muse of the truth.

Freedom of speech,
Freedom of works,
Freedom of the minds in the world so sweet!

Thoughts,
With thinkers;
Coming out with inventive ideas to enhance the status of life.

Love and joy!
To guide and teach the ways of peace;

Kindness and humility,
To learn straight from the womb before birth.

Proclamation! !
Fulfilled with might;

Records of the times,
Seeing the ways of mankind on earth today;

Free will,
Now living;

Willingly,
Supported;

Encouragingly,
Facing the ways of life.

Strive and live,
With positive morals;

Facing the works of the truth than,
With the bullets of war as seen in Syria!
