Vision and mission,
Along the narrow path of the truth;

With mercy and glory,
To let your light shine in all things.

Edward Kofi Louis
Enter, Entertainment!

Sensitised!
With the works of evil;
But, do watch your steps in this world of sin.

Enter, entertainment!
Into the dark;
With the works of lust.

Edward Kofi Louis
Enthusiasm

Frowned,
Suspicious!
Enthusiasm,
Conjectured,
Hereunto,
Personage,
Age, passage!
He roused up,
She roused up,
Tedious!
Plainly,
Showed in the act.

Changes,
Challenges! !
Like two birds sitting in a fence;
Seen!
At the other side,
Coming on! !
Coming after you;
Solitry,
Like a horse race! !
With the difference,
Straddling up,
At the other side all the time.

Edward Kofi Louis
Enthusiasm 2

A short action!
To face the reaction;
Enthusiasm,
Victory! !
Belongingness,
Muse!
Use,
Fuse,
Infuse,
Not to refuse the truth;
Oneness! !
Unity,
Crossing the streams of life;
In full glare! !
Attention,
Intention,
Bare, ware, dare, hare, care!
Allegiance,
Sear,
Dear,
Clad, lad!
Swear,
Ear,
Hear,
Year!
To face the works in the land.

Edward Kofi Louis
Enticed

Each one is tempted when,
He or she is drawn away by his or her own lusts!
Enticed with the pleasures of this world.

Edward Kofi Louis
Enticed  2

Lust,
Enticed by a woman;
But, choose for yourself what is just and,
Do what is right.

Illegal lust,
Secretly enticed by a woman;
Swaddling! !
Thick darkness;
Do watch your steps.

Edward Kofi Louis
Enticing

Satan is enticing the whole world today in many ways,
But, history and prophecy equals to the truth;
Searching out the truth from the recorded date,
And, moving on with the truth than, with the works of Satan.
Love and unity!
With the ways of life than, with the hatred and war led Satan;
Because, the negative minds of the people today are hotter than July! !

Edward Kofi Louis
Entourage

To declare,
To satisfy,
Visible,
To you! !
To stand up,
To stand out,
Age, adage!
Passage,
Advantage;
Stage,
Sage,
Entourage,
On tour.

Edward Kofi Louis
Entrance

The gate,
The entrance,
The way;
'Qwerty' and Money Bookers,
But freedom is my name for the hackers! !
For i am free on the cyberspace with my love,
And like the eyes of the rainbow watching us.

Edward Kofi Louis
Entrance Inside

The entrance inside was taken care of with love,
But with emotional holidays to respect your muse;
For it was easier said than done.

Do not add to it not subtract from it,
Do not add to it nor diminish from it,
For the entrance inside was taken care of with love;
And the truth should always be the truth!

Edward Kofi Louis
Entrances and exits of life,
Love!
Life and birth;
With you,
With me,
With us,
To get involved!
And to learn from the works of the truth.

To humble yourself,
Kindness with the muse of peace;
To pray!
The ray of hope;
To stay,
With the muse of your sweet love;
Along the line,
In the land of beautiful flowers.

Righteousness,
To seek for peace;
Life and wisdom,
To know the truth;
Like a great throne of ivory overlaid with gold.

Just say NO to evil works and live in peace with your mind!
With positive morals,
With the muse of the truth;
Because, the truth is like cold water to a weary person.

The laws,
Righteous laws!
True love is by choice and, illegal lust is with force.

Illegal lust,
With the alarm clock around you today!
learn from the works of the truth and live in peace,
Rather than perishing in your sins.

Life,
Let love be the key;
To set it in your mind,
Guided with positive morals.

Life,
Possible with the muse of righteous laws;
Flourish, nourish!
With the muse of love,
From the sole of the foot to the top of the head;
Love,
In the city of peace;
Soothed with the ointment of joy!

Addition,
Subtraction,
Division,
Multiplication!
With the ways of mankind one earth;
However, are we ready to live in peace with each other?

Life,
One step at a time;
Leading the way,
Along the narrow path of the truth,
With righteous characters.

So soothed,
Bring joy to the hearts!
Like a hut in the garden of love,
Flourishing and being nourished with the muse of humility.

Edward Kofi Louis
Entrapped

Lust!
Entrapped with the sinful acts of mankind;

Lust!
With the lamentation of the land;

Lust!
To learn how to catch your prey;
In the Wilderness.

Lust!
Devoured;
As the message was revealed;
Seeing the dry and thirsty land.

Edward Kofi Louis
Entraps

Straps,
Raps,
Traps,
Taps,
Snaps,
Entraps!
With the muse of a wicked mind.

Edward Kofi Louis
Entreat Me With Your Care

Sailor of the Seven Seas!
Paddle your own canoe to catch the fish,
And prepare your bed with the roses of peace.

The small wheel into a big hole! !
Entreat me with your care;
To greet each other with peace and love,
Joy to the hearts!
Because, you cannot hang the truth.

The rulers of darkness in this world!
With signs and wonders,
But, joy is with the muse of the truth;
And, you cannot hang the truth.

Big things and small things!
To get it right with the muse of the truth;
Sailing along,
Beauty and passion! !
But, life is crazy at times.

Having a strong affection for you,
In the name of true-love.

Edward Kofi Louis

With its useful means;
However, every land has its own problems.

The muse of your love!
With the muse of your heart;
Sharing your life with the one you love,
With the type of environment around you.

Edward Kofi Louis
Envision

To envision so many wonderful things because of your love,
And like powder and dust;
But you are at the top only to take a jooy ride.
Brass and iron,
On the top of a mountain to take a view;
And like a camel on Mount Carmel,
But i am only at the top only to take a jolly ride.
Patient man at the bottom,
Patient woman at the top,
Your leaves are always green and your love is always sweet;
And like a bush that is hidden in the desert.

Edward Kofi Louis
Envision II

Torch, touch!
Envision, vision, television, provision;

Do you see what i see? !
Standing naked in front of the mirror;
Do you feel what i feel? !
Lying naked on the floor;
Fax me a copy of your image,
With the muse of the inflow.

In, inflow!
Looking for your lover;
With the amalyses of a journey so sweet.
In, inflow!
With ephemeral facts;
From generations onto generations.

The muse of life,
With the status of nature;
Like the feelings of love and the faces of the seasons.

But, you are now standing naked in front of the mirror.

Full of surprises.

Epicondylitis, it, is, yet, set, sit, send, end, cone, die dies!
Of the support of the elbow,
Of the structure in your arm,
And, of the ligaments! !
With the Silicon pad to provide the massage effect.

Epicondylitis-bandage!
On your left Hand;
Of the pressure! !
Of the traction;
But, knitted to satisfy your comfort zone.

Rely,
On the episode;
Guess,

To press on!
Redress,
On it;
To remember it,
To be part of it,
And, to get it right.

Edward Kofi Louis
Episode 2

A runaway girl with the last episode,
She has got the style to lure you in so easily;
Wonderfully as it may sound!
Her gateway is always loose.

This episode and this love,
This poem sees your nakedness with her;
For you left your underwear behind.

The lessons of life!
With the episode of a runaway girl;
Like the earth's history from the beginning,
Going after this girl! !
But, being confident is very essential with the works of the truth.

Edward Kofi Louis
Epistle

Letter,  
Epistle,  
With the wickedness of the world!  
Hatred in the eyes of the wicked ones among us.

Letters,

Only to see the wicked ones destroying the world.

But with different meaning! !
For i am Erander in the land of your muse,
And like the joy of your love.

Edward Kofi Louis
Erdal

This is the shape of the female body,
But, who always forgets to brush his or teeth after waking up?!
For, the appearance of the moon and the sun are now watching us all;
And like, the Foundation for Contemporary Art in the land of my muse.

Unique,
Sponsored,
To contribute,
And like a cold meal;
But this College of Arts is closer to you!
And like Erdal your lover with many works for sale;
But, i will see you there when you get there to help solve matters.

Edward Kofi Louis

Edward Kofi Louis
The soft side of your valley of love is what i want,
And i know that you do love me too;
But, i will keep on the kindness of love at your door steps.

I will follow you to wherever you go,
And i will not stop loving you;
Erica, you are my life and the stars of my faith.

Edward Kofi Louis
Erichson

I am flattered with your love and,
I don't know what to say;
So take me straight to your bed and make love to me.

Roll, roll, roll your boat;
For it is freely given in times like this;
And i want to sit under the great tree of love.

I am trained by the river and i am now with you,
For give me a little comfort to what i am;
For life is full of surprises!
And i will live to love you more.

Erichson my love,
Come and roll your boat with me;
For i am trained by this river and,
I will cry to my bitter end when you fail to love me.

You don't have to steal from your neighbour to make a living;
Because i will adore you with my love and,
You are Ernest in the thick forest with fear on your face.

Edward Kofi Louis
Ernestina

The sun, the moon and the stars!
Greatly respected by all with the muse of nature;
Marrow, borrow, arrow, swallow, allow, narrow!
Do learn from the ways of mankind;
On this earth today,
As mankind turns out to destroy each other than livig in peace.

Tomorrow, wallow, follow, sorrow, fellow!
But, the Creator, laid down His Rules;
The very Laws which we have failed to follow,
With no confidence to trust each other on this earth.

Err, error!
Swelling,
Creping in;
Ten miles away! !
from the very day that mankind was made;
And, we have failed to take hold of the truth.

Guide, lead, direct!
With the works of the truth;
And, to flee from illegal lust,
But, mankind had chosen the odds to satisfy his or her negative wants! !
Leading to hatred and war then, with the laws of peace.

Edward Kofi Louis
Erred

I have played the fool and i have greatly erred!
But i will surely move on to meet my dreams;
For the narrow path of life is through the bush.

Edward Kofi Louis

Error;
With no reason at all,
For killing others.

Edward Kofi Louis
Erskine

Champagne, Schnapps and Wine;
The art of drinks to celebrate an occasion,
But do wake up to the facts before you are drunk,
And like the nakedness of your love in the bush.

From sundown to sunrise,
And with the hunger in Africa on the horizon;
But my faith will lead me on to meet Erskine my lover,
And like the sweet words of love offered as a gift.

Fresh from the barrel and straight to the mouth!
But do not expose your nakedness because of drink;
For uneasy lies the head that wears the crown.

With bunkers seen around;
Along the coast,
Which provides the facts of history.

Edward Kofi Louis
Esen

I am under the shadow of the great wings of love,
For here lies love and I secured by you;
So set apart the righteous and the evil,
And choose righteousness to lead you on!

The flattering lips of the men and women around,
And of the true love that comes from Esen;
But the poor are oppressed and the needy sigh,
And this is what the world call Democracy around me.

I will linger for the truth and the true love from you Esen,
And in the middle of the field of love I will lay my head;
But at the cave of love I will take a view for,
How long should the world sleep without the truth?

Edward Kofi Louis

She announced her intentions to me and to marry her,
She mustered courage and kissed me!
And she allowed me to know more about her private parts,
And I stood in her doorway and smiled.

Esi is her name and,

Essenes

Pharisees,

The Light (Laws) has come to the world!
But, men love darkness rather than the Light (Laws):
And, evil is now the way of mankind.

Edward Kofi Louis
Essid

With the muse of the truth than, with lies.

Edward Kofi Louis
I want to hold you very tight in my arms,
For you have all the qualities to my heart's desire;
So, try to know your limits in this life.

You are what you drink and eat,
You are what you write and read,
And we are glued together on this love;
For the wisdom of the tortise is hidden under it's shell.

Edward Kofi Louis

With a remarkable mind in the land of peace and joy.

Edward Kofi Louis
Esta

Scramble and unsramble,
With steadfast and the patient of your muse;
But Esta was there to share with you.

Edward Kofi Louis
Estalo

Disrespectful,
You were not willing so i left;
Cruelty,
Do not expect to see me again;
But your name left to me was Estalo.

Edward Kofi Louis
Esteemed

He fell on his face to the earth and,
Was captured at the entrance of love;
But envy and hatred will lead us to nowhere.
I am a poor man and little known,
But your love is highly esteemed to my heart;
So come and see and taste my sweet love too.
Like the great well of Sechu,
I do give respect a lot;
So come and see and taste my sweet love too,
Like separating the boys among the men.

Edward Kofi Louis
I hope you are still in the U.K.?
Esther Buah, try to recollect the writer;
And how far are the laws over there with you?
Since, you are now a Lawyer.
I am also under the laws of the Creator and,
I hope to meet you again;
But try to understand the systems of life,
Because we are part of earth's problems.

Edward Kofi Louis
Estranged

Edward Kofi Louis
Ethel And Edward

My mind is as fast as the bullet-train and,
My cat is as hairy as Esau;
But my ideas are as thinkable as the scientists,
So why do you want to be a beneficence to human nature?

What do i have to eat when there isn't much left for me?
For you are Ethel and i am Edward;
And like the muse of your love that was exposed to me.

What kind of food do you eat?
What type of car do you drive?
What is the taste of your muse?
What is the colour of your house?
What is the measure of your love?
Is it natural, herbal or spiritual?
For the world around us is changing,
And whatever is offered is received with lyrical gratitude.

Ethel and Edward,
And of the flashes of the light and the darkness of the night;
But it cannot be easy always in this life,
However the spirit of love is moving on to satisfy us on this earth.

Edward Kofi Louis
Ethelba

The muse of life,
You appeared for love!
As the mighty River Zambezi tumbles over the Victoria Falls,
With the spark of an adolescent;
And your white T-Shirt appeared with the magic of love.
The muse of life,
Ordered by a lover so dear to your heart;
And, it met you at 'Edloman'.
The muse of life,
Sharing your love with your lover called Ethelba;
At Cape Three Points,
In the Western Region of Ghana.

Edward Kofi Louis
Ethelbaba

You were taken in by Flight Number 13101961,
And you landed into the room of love with your nakedness;
Because, the beauty of love took you in.
Ethelbaba!
You are like the talking drums of the African Culture;
But, your beauty was laid bare like the Chines Wall,
Because of the flight of love.
Skin, kin, in!
With the muse of the elephants in your land;
but, you were taken in by Flight Number 13101961.

Bobbling for apples and throwing nuts into the fire!
And to counteract it with your muse to learn from the customs of the people;
Because, the old woman is now in new clothes.

Customs and traditions!
With the beginning of summer and the end of summer in the land;
Knowing where you came from and, being enticed with love in the land of peace.

Sign, design!
At that time;
Tree, free spree!
Narrating the experience,
With traditional leaders;
The traditional authorities of the land.

Ethnic Pride

The adventures on your desert is like,
The application of knowledge to improve my methods;
And with the ethnic pride on this side of the story,
Where the issue of love matters like the schism of nature.

Life is full of wars but love is the key,
And like the contemporary version of the Golden Tulip;
But my grass is greener and my bed is blue.

The green-party of love is what you need,
So come and share this love with me;
And like the Solar Energy with the help of the sun,
Do a little and take a little with you back home.

I am the ice-cream seller in town and,
In your neighbourhood with love and care;
And you need my vanilla-ice on your sweet love of flowers,
But the ethnic pride over here is all that matters.

Edward Kofi Louis
Ethridge

Ethridge,
Ridge,
Bridge;
Crossing over! !
With the muse of your works,
And with positive morals.

Edward Kofi Louis
Etiquette

What is she selling?
Who are her buyers?
But i am only doing my job to updat my mind with you;
So eat like that and dance like that too for your lover.
Dress like that and think of the Modus Operandi;
like one leg in and one leg out on this love game.
Now, the hunter is being hunted;
Now, the writer is being questioned;
Like a protocol to a school far away from home.

Just say it and do it for love,
Because the matter at hand is pregnant!
Cool, fool, root, wool, sail, jail;
Like shooters from a hill aiming at the lovers' camp.
The people around you have seen it and,
Wonders shall never end;
Like a protocol to a school far away from home.

When did you leave your deco?
Please, practice some more and the glory will be your's;
Because, i will rather work than go to jail.
Need before greed,
Heed before speed,
Feed before seed,
Deed before weed,
Reed before screed,
Breed before tweed,
Like the Blue River Ranch with etiquette;
They say time heals everything but,
It is not always true.

You are more beautiful in real life than this fruit,
So, who is to be blamed? !
Often killed than rather cared for,
But a bird doesn't follow the cow for nothing.
Like all his life on water,
Like all her life in school,
With bitter pains and sweet success;
But the press have not read about it.
Life is like a message for the mouse and the house,
Inspired by the colours of nature to taste this fruit;
But the days are long and the nights short.
Of bitter pains and sweet success,
Like the etiquette of the Blue River Ranch;
But when a crafty man buries himself,
His hands still remain above the ground.

Edward Kofi Louis
Etiya

You are like the columns of the faint moonlight across the sky,
And like grounding an aeroplane with your fingers;
But true love comes to those who wait for it.

You've got somebody waiting for you,
And true love can change everything;
But your tears aren't enough for the rain!

Blueberry and blackberry,
You are just another part of me;
But faith without works is no faith at all!
And some people are really meant for each other.

I couldn't sleep when I first saw you oh Etiya!
But the days came and bathed me with your muse;
For your love had now changed many things around me.

Edward Kofi Louis
Ette

Living alone,
Living above you,
Living with my mind;
And with all boldness to meet up with my dreams!
For in truth,
I have to work always towards these dreams.

In pretence,
In love,
And being filled with joy to meet your love;
For i am Ette with the works of peace,
And like a righteous work in the land of your muse.

Edward Kofi Louis
Etymology

Your love is like the morning dew!
With the hidden beauty of your lovely garden;
I will always plant my flowers among yours.

Esoteric knowledge,
The etymology based on your true love;
Through the waters of the red sea with the passion of peace!
With the muse of the morning dew.

Most apparently is your blossom;
So, look prity and communicate with me always.

Edward Kofi Louis
Etzia

An artist and a poet!
At the National Gallery,
Records,
Walk with me!
Weekend lover.

Change,
Charge,
Conscious,
Parade,
On top,
Taking over,
Refind!

Raw,
In the city,
Locks,
Docks,
But, never go under it.

Etzia! !
Smart,
Maximum,
Heavy!
Minimum,
Waves,
Busy signals!

Bond,
Pond,
Holding it out,
The pressure!
And, like the system around you.

Edward Kofi Louis
Eudora

Eudora, Dora, ear, era, are, due!
To welcome you into my home;
Batch, catch!
To welcome you into my room;
But, things have to change around us.
Shufti, mufti!
Thwack;
Shunt, hunt!
Thwart;
Towards the new situation,
Sphere, here!
As a man,
As a woman,
Of an intension,
Improvised! !
But, with brown eyes and black hair.
Eudora, read, red, road, ore, dear!
Of young girls,
Aged between 8 and 17;
Air, hair!
But the truth was,
It was wet when you entered in.
Hair, chair!
But, the ball went over the line;
Moist eyes!
Another dawn after dusk;
Most, moist!
Another time with your muse;
Wet dreams!
Another act in your room;
Bird, bed!
However, let your works be like this lovely bird.

Edward Kofi Louis
Eugen

Come and taste the fruits of my body and see how sweet i am,
For i do lay down bare waiting for you all the time.
Come and kiss my lips and see how sweet i am for you,
For i am very hungry for your love my sweet one!
Kicking and scoring,
Driving and seeing,
Lean on me on this love and let me show you the way oh Eugen.

Edward Kofi Louis
Eugen II

Eugen, gene, gun;
Living in the land of your muse;
But, be ready and, learn from the truth.

06: 58 A.M. in the land of your muse!
As the dogs barked at the thief;
Bark, back!
Because of the act of the thief.

Disrespectful,
Security bond,
Deterring!
With the act of the thief;
But, now, let us face the nature of your work.

Sprinter!
Of something that you can touch and hold;
After winning the prize! 
And, the thief came in in search of your prize.

Edward Kofi Louis
Eugene

Pleasure of sexual love,
The society has taken control over us and we are now slaves;
But the social analysis around me is like Eugene my lover.

Edward Kofi Louis
Eulogizes

Eulogizes, size, is, log, use, sue, see, go, lose, so;
Spurred!
Europium;
Like, rebranding exercise.

Sweet love!
Through your eyes;
Dance, ascendance!
With the muse of love.

Verse, universe!
Golden threads;
The sun shines! !
But, hope melts like the evening sun when,
Your dream fails.

Enigma, am, in, main, mean, me, mine, man, men, game;
Dogma, enigma!
Like the dark clouds.

Life!
About time and money;
Love!
With a pot of Gold;
Love!
It is fantastic.

Edward Kofi Louis
Eulogy

Death,
Funeral,
Eulogy!
In Louisville, Kentucky (U. S. A.):
To bury 'Mohammad Ali',
BOXING LEGEND,
Farewell! !
Rest in peace.

Edward Kofi Louis
Dear Eunice,
Your heart and mind tells me that you are in love with me;
Because, i can see it in your eyes.
I do love you too so,
Don't hide your sweet love from me.
I am all that you need and i will be there for you always,
So don't shut your burning desire of this love from me.
Behold! ! I can see it in your eyes;
And be very bold on this love and say that you love me too.
Love has no age and it comes from the heart,
Love is very pure and i am ready for you;
Please show me the secrets of your love.
Your burning passion on this love shows clearly on your face,
But you always hide it from me;
Come and open up this love to me for,
I am the one to make you glad always.
Eunice, i am the one you love deeply;
So come and expose this golden triangle of yours to me.

Edward Kofi Louis
Eunice  II

Euince, in ince, nice
That can best serve the purpose
But to understand the fact of this love is like the world of peace
And like a political discourse in the land of your muse

Day in and day out
Devoid of problems on different sides
But, what about their wives and children
And to abide by the rules and the regulations
But with effective measures to transform your mind
For, the peace around you needs to be respected

Edward Kofi Louis
Eunuch

Eunuch!
Of foreign origin;
Son of man,
Noise! !
Tumult,
Disquietude,
Surround,
Store, tore, sore, ore!
Such is life;
Attitude!
Servitude,
Gratitude;
Rate, separate!
Act,
Enact;
To be.
A precipice,
Before,
Decree! !
Agree,
Free,
Like a tree;
Bee!
Not a fee;
To see the ways of life.
Wit,
With,
Within;
The flow! !
Fulness;
Space, pace, ace!
Together,
Intensively,
But, burdens are bound.
Surely,
Ward, reward, forward!
Inward and outward;
Binding,
Vocative!
Active,
Pure,
Cure,
Secure;
One thing,
Then the other.
Pureness,
Blamelessness,
Honestly,
To overcome pain and sorrow!
Along the narrow path of life,
With the arrow of hatred.
Strong!
Assured;
Strength,
Force!!
Courage;
Age, passage, stage, sage, page!
Resources;
With the muse of the truth.

Edward Kofi Louis
Euodia

Euodia, aid, aide!
To urge you,
With mercy and care.

To help you,
To help others,
For peace and love.

The truth! !
Rejoice in love always;
Under the umbrella of righteous laws.

Waters of life,
Ways of peace;
Caring for all mankind.

Edward Kofi Louis
Euyoque

I have to break the barriers to be among the best!
And like Euyoque your lover who is already on top;
But my home is behind the red roses across the bridge ahead of you,
And like emerging powers in the land of your muse!
But i need this competition to educate my mind.

Edward Kofi Louis
Evaluate

Evaluate, Eve, at, eat, ate, tea, vat, vet, vale, veal, ale, let, late, leave;
Love is in the air and you have to be ready for it!
But many around are full of hate because of the very way that they were brought up.

Evaluate, Eve, at, eat, ate, tea, vat, vet, vale, veal, ale, let, late, leave;
But try to evaluate yourself and don't be a wanderer on this earth!
For the heavens know who you are and you have to do the right things always,
Because, the days ahead of us are now full of the troubles of mankind!

Edward Kofi Louis
Evans

Once a thief, always a thief!
Once a gangster, always a gangster;
And like working 16 hours to 18 hours a day to make a living,
But, are you very young and lovely?

There comes a time to enjoy! !
But, the winter night is with you;
And, i do enjoy my summer night in Afica!
For in the ghettoes, are the pathology of the Blackman.

maybe you do have the same problems over there in your land,
And like the wild animals in the jungles of Africa!
But, the door stands open and i need to enter in,
For, i can't just walk out of this life.

A walk through Jackson Park,
With my friend called Evans to lead the way;
But, i have to take care with my muse,
And like my health in the land of peace!
However, working 16 hours to 18 hours a day to make a living.

Edward Kofi Louis
Eve

Why are you disturbed?
Is it because you are sleeping with a teenager?!
And like the damping method and,
The lust of men who sleep with anything that wears skirt,
But the breasts are for Europe and the legs are for China!

Why are you worried?
Is it because you are sleeping with a teenager?
And you are now like a Bishop who was caught drunk;
But the breasts are for Europe and,
The rest of the chicken is for Africa!

Eve came and took your love away,
And of her apples that she exposed to you;
But do go out to the world and,
Use the best colours to work with.

Snow and rain,
The eyes see you and the ears hear words;
But you will still remember your first kiss with her,
For the truth is what you have not yet told me.

Do you still remember your first love with her?
Yet still you cannot buy my love;
For it is spiritual and,
It cuts across all races.

Edward Kofi Louis
Eve 2

Eve,
Even,
Event,
Evening;
With the muse of life!
Able to understand the acts of nature.

Edward Kofi Louis
Even If It Is Once!

I will wash it even if it is ten times!
And, i will kiss you evewn if it is once! !
So, come and fill it with love and feel it with your muse;
For, you are so berautiful to me and, it is true.

Edward Kofi Louis
Evening Clouds

Evening clouds,
Moving from south to north;
With the direction of nature,
To respect life,
Beautiful with the muse of the sky!

Edward Kofi Louis
Evening Prayer

Even with life and nature,
Even with mankind;
Acts and facts,
Works and words,
Evil acts facing Righteous Morals!
Seen commonly among us.

Evening Prayer!
Able to move up with your faith;
With righteous morals,
Praying to Father Yahweh Almighty.

The muse of life,
Light to the world when the right thing is done;

The muse of life,
Darkness to the world when the wrong thing is done;

Wrong verses right! !
Commonly seen around us.

Evening Prayer,
With faith and hope;
Uplifting hands up high! !
Words out of your mouth,
Praying for your life.

Edward Kofi Louis
Evening Prayers

Rays of life! 
With hope and dreams;

Night hours,
The morning is gone;
Evening Prayers!
With the muse of your Faith.

Your mind,
Your heart,
Hands up high!
With the muse of your evening prayers;
In your land.

Edward Kofi Louis
Eventide

Tide,
Slide!
Ride,
Eventide,
Merges, emerges!
Fluorescence,
Effloresce;
But, the storage of love is filled with sweets and,
The aroma of life! !
With the muse of the truth,
When the right thing is done.

Edward Kofi Louis
Events Of Love!

Let your tears be tears when i am with you my love;
For, your eyes are with love and,
Your lips are waiting for a kiss.
Love be loved when you are very romantic,
But, try it again when you failed for the first time.
Events of love!
I depended on you to satisfy my muse;
To kiss you like a bee and, to love you like a butterfly.

Edward Kofi Louis
Eventual

Eve,
Ever,
Level,
Every,
Even,
Event,
Eventual,
Evening,
Evenly,
Eventful,
Evergreen.

Edward Kofi Louis
Ever

Ever,
Whatever,
Wherever,
Forever! !
To face the truth.

Edward Kofi Louis
Ever Green

You are beautiful!
Ever green and full of oil;
Oh great mountain of love!
You will become like a plain before me because,
I need someone like you on this love.

Edward Kofi Louis
Ever Ready

I really don't know what she wants,
And, i really don't know what she needs;
But, i'm ever ready to help her.

Love,
To meet her eyes with her beauty;
Finding ways to understand her better and to help her.

To write out my works,
With the history of love;
And, with a deal to lead her on along the path of the truth.

Edward Kofi Louis
Ever Ready To Protect You

I will deliver you from the hands of the wicked my love,
And i will redeem you from the hands of the terrible!
Because my heart yearns for you always,
So keep in touch and let me know your status-quo! !

This is like the joy of the mind,
And like the joy of your muse in the land of beautiful flowers;
Because i am ever ready to protect you my love,
So keep in touch and let me know your status-quo.

Edward Kofi Louis
Ever Since I Saw Your Face

This is not an ordinary love,
Because, my heart is still beating with joy!
Ever since i saw your face.

This love,
Let it come to fruition;
Because, my heart is still beating.

The sweet muse of life!
To emulate the muse of peace and love;
Accessible with the proof of the laws.

Sources! !
With the additional key of the fragrance of life;
Ever since i saw your face.

Edward Kofi Louis
Ever!

Eve,
Ever!
Every,
Everyday,
Everybody,
Everywhere,
Everyone,
Everything,
Everyplace,
Every time,
Evermore! !
Even,
Eventually,
Events.

Edward Kofi Louis
Evergreen!

Love,
How wonderful this is! !
So lovely to touch your heart,
Evergreen!
With the joy of the hearts in love.

Edward Kofi Louis
Everlasting Hope

Beautiful is my love and,
I am from the joyous dreamland;
I lost my hope and you found me,
You are my everlasting hope.
Beautiful is my love and,
I am from the joyous dreamland;
I sold my heart and you bought it back,
You are my everlasting hope.
I was sold and lost,
But never forgotten in your mind;
Beautiful is my love and,
I am from the joyous dreamland.
Your are so great! Whiter than snow;
My everlasting hope,
You are so kind to me.
I sold my mind and you bought it back,
You all that i need in times like this;
You are so great! The desire of my heart;
You are so great my love.

Edward Kofi Louis
Everlasting Life

Come and eat with me my love,
For i am Standing on the other side of the river of love;
Come! And do not only labour for that food which persihes;
But, for the sweet food of love which endures to everlasting life.

Edward Kofi Louis
Everlasting!

The Flesh is useless!
For, it is the Spirit that gives life;
And, the Laws were written for us to obey,
For the Laws are Spirit and everlasting!

Edward Kofi Louis
Every scar has it's own story and,
Every love has it's own marks too;
but, i am on the wheels of progress to love you.

Of words flowing like clouds and,
Of the muse of your love so sweet;
But, i am on the wheels of love to meet you.

Of the kiss of love memorable like a dream,
And of the heartwarming views to lead us on;
Oh Everlyn! You are all that i share this love with.

Edward Kofi Louis
Everson

You can say out whatever is in your mind and,
I am ready to listen to you;
Because i also want to learn from you as well,
And i am Everson on the side of this river.
I will cross over to reach out to you,
For your sea of love is closer to this river;
And this denotes your virginity and purity.

Edward Kofi Louis
Everson Ii

This poem kis about the worth of your wealth,
And like the muse of your love in the garden of peace;
But, i am Everson who just got the smell of the aroma of your love.
You worth my love amd i also have my wealth to present to you,
So, try to understand my creativity;
For, true love makes the world goes round to touch us all.

Edward Kofi Louis
Every Child

From your humble beginnings and,
To out turn out like a porter;
But, the skills of my poetry is like the muse of the wind,
And, it is like the burning desire of your love.

Behold! ! I can see it in your eyes;
The muse of love that brings joy to the heart,
However, every child knows the mother more than the father.

The muse of life,
Proving a point in Kenya, South Africa, Tanzania and Zimbabwe;
And like the immunologists with the 'Kwaku Ananse' Stories from Ghana.

The muse of life,
My candle is not yet burnt out my love;

But, you can hear the noise from the trumpeter!
With an obnoxious act to spread the Africans around the world like slaves.

Edward Kofi Louis
Every Colour Has A Meaning

Every colour has a meaning;

With the beauty of nature;

Like the magic forest,

The magic place of love;

Everyday is very special! !

And, we are all special on earth as well.

Wood, wool!

Secret passagways;

With the beauty of the earth,

All because of the colours around.

Edward Kofi Louis
Every Red Thing

He searches every red thing because,
He wants to enter to her lover's home without knocking;
For the quiver rattles around him!

This like a battle cry and,
His love is now seen in the land of war! !
But my hands are now on my mouth.

Blot, slot, plot, clot;
And like the shortened hands with heavy ears!
But none of the wicked will understand this muse,
For wrapped in glory and beauty is my love to my lover.

Edward Kofi Louis
Every Step

It is always better to face the truth and,
With the climax of the joy in love;
For loving you makes me feel stronger daily.

In the valley of decision,
And of your love so true to my heart;
And every step that I take is for you.

Edward Kofi Louis
Every Step I Take

Every step i take is a learning process,

Every move i make is for peace and love;

Learning under righteous laws to gain perfection,

For the unity of the earth!

With servitude and attitude;

To respect all mankind,

With the gratitude of the works of joy.

Edward Kofi Louis
Every Sweet Thing

Every sweet thing has its own purpose in life like,
Making love when you are in the mode with your lover!
But somebody like your lover is watching your steps next door,
And we all need someone in this life to lean on.

Edward Kofi Louis
Everybody Got To Reason

Life,
Everybody got to reason;
So please,
Do your best!
Than, hurting each other on earth.

Edward Kofi Louis
Everybody Has Something

Anything! !
Everybody has something;
Everywhere,
Anywhere,
Something special!
Talent,
On earth today.
Vision,
Mission,
Like the Transmission!
On earth today.
Everybody has something,
Something special to give to the world.

Edward Kofi Louis
Everybody Is Special

Every child is special,
Everybody is special,
Every man is special,
Every woman is special,
Special in the name of nature to live on the earth;
But, try to respect everybody! !
No matter the colour;
For, we didn’t create ourselves.

Edward Kofi Louis
Everybody is born with a special talent,
So don't give up your dreams so easily;
Like a talent from above to fulfill a message.
Everybody is born with a gift,
And our lifestyle lies in our own hands;
For everybody has a purpose on this earth too.
Everybody is very best in something,
So we must be ready to exhibit our various talents;
Knowing that, everybody is very best at something.
Nobody on this earth is born useless,
So pick up your mantle and make a change to all;
Like the 'munite-man' to show off his stuff.
So show your talents to the world,
And show your identity to us all;
For everybody is very best at something.

Edward Kofi Louis
Everyday Anywhere

Everyday anywhere,
This world is dying very slowly;
Everyday anywhere,
This world is ending very slowly;
Because, everyday anywhere our sins are being exposed!
Everyday anywhere,
This world is sinking very slowly;
Everyday anywhere we are preparing for war!
And everyday anywhere we do kill each other;
Because of the hatred in our hearts!
Watch the news around the world and see what goes on,
But everyday anywhere we claim to go to church and pray;
And this world is now sinking because of our sins.
We need peace than the bullets of war!
And everyday anywhere we claim to pray in our various churches;
But everyday anywhere, we fail to obey the written down Laws.
Everyday anywhere,
The world is ending gradually on us;
But the written down Laws are guided by the peaceful solution,
So, let us think twice and change for the better.

Edward Kofi Louis
Everyday Is New To Me

Everyday is new to me and,
I feel my heart is being touched when i see the smile on your face;
Everyday brings something new to me,
And i am glad to have you around;
For the first time that i saw you,
I knew that you were the one for me.

Edward Kofi Louis
Everyday Life

Everyday life,
Singles and married to nature's call;
But be the first to know and the first to learn,
For wisdom is only given to the wise.

Edward Kofi Louis
Everyday Life 2

Proof, roof!
Everyday life;
Everyone pays,
Everyone plays,
Actions! !
To confront love.

Edward Kofi Louis
Everyday Matters

If only if i can see your face,
If only if i can touch your body,
If only if i can learn from you,
For, the memory of the righteous is blessed! !
Seat, eat, feat, meat, wheat, beat, heat, great, treat, peat;
And, everyday matters to me!
because, a wise son makes a glad father and,
A wise daughter makes a glad mother in this life.

Edward Kofi Louis
Everyone

Stages,
Sages,
Ages,
Passages;
Everyone,
Everywhere,
Everything,
With his or her works;
But, let it be with love.

Edward Kofi Louis
Everyone Has A Purpose On This Earth

The muse of life,
Everyone has a purpose on this earth;
The muse of love,
Everyone has a purpose in this life;
That is why you and i were born.

The muse of life,
Walking all day long in the jungles of Africa;
To fulfil my part as a human-being to satisfy my muse,
So, do your part and let the world go round in peace than with hatred and war.

Oh life!
Where are the answers?
For, there are more questions already without answers;
However, i was born for a purpose and, you were born as well for a purpose.

The muse of life,
Born to win or, born to lose!
In the land of the living;
And, to fulfil one's own time on this earth.

Life!
Like a victim of success who is romantically forgotten;
But, with acrimonious debates,
As one moves along the ways of nature.

Edward Kofi Louis
Everyone's Ideas

Learn all you can about the world around you,
And encourage others to do their best too;
For the right initiative should be backed up with right decisions.
Everything,
Everywhere,
Everyone's ideas!
For love conquers everything.

Edward Kofi Louis
Everything In Life

Everything in life has its own time!
So, don't give up on your dreams;
Be very positive and live in peace with your neighbours,
However, the struggles of life make us strong.

Edward Kofi Louis
Everything Is Going To Be Alright

Life,
By the hands of the Almighty! !
Keep the truth,
Hurt no one! !
Move on with positive morals,
Being creative with your works,
Because everything is going to be alright.

Edward Kofi Louis
Every-Time And Everywhere

Evaluating your choices,
Every-time and everywhere;
But he lied to you.

Critical,
Actions and decisions;
But she lied to you.

Your precious life and of your health,
I will return to you my lover;
But she denied it because she was afraid! !
However, don't be caught unexpected in this life again.

Edward Kofi Louis
Everywhere Somewhere

Everywhere somewhere,
Someone is dying;
And every minute every now,
The World News are being read;
But, we fail to change for the better as human beings.
Every minute every now,
Somebody is being killed on this earth!
Every minute every time,
Someone is dying because of our sins;
And, every now and then,
We are ready to go to our various churches for prayers.
Of the rulers and of the servants,
But the human beings are not ready to change for the better!
And, we are even worse than ever;
For hatred is now being taught in every home and in every school.
Everywhere somewhere,
In every city and in every country!
Hatred is being taught to the people;
And the safety nets of love are now being torn away!
Because, we are breaking the written down Laws.

Edward Kofi Louis
Eveson

Do not lift your eyes in pride on my love,
For i am inside the finest forest of your love!
And, i have reached the outermost part of your sweet muse.
Here i am with my works and my words,
here i am with my muse and my mind,
So, do not lift your eyes in pride on my love;
For, i am Eveson in the land of your muse.

Edward Kofi Louis
Nice and,
True! !
Everything is nice;
Because, the truth is right! !
For me,
For you,
For us;
For peace and love!
To lead us along.

Edward Kofi Louis
Evi

You are not the type at all! ! !
But nature has joined us together as one;
And i am the woman who stood closer beside you last night.
It was like a three year old bull and some flour,
Because your hair was all over the place!
And you were easily identified.
Unstable and unbeatable records of love,
And like the little girl called Evi next door;
For you are not the type at all.

Edward Kofi Louis
Evidence
evidence covers the mouth of the wicked!
dumb,
and like the evil thoughts of men and women;
yes! from the face of the earth,
but, a woman needs a man and, a man needs a helpmate.

going deeper into it!
and to make it possible to all;
but, to teach you the truth is like, crossing over this river! 

edward kofi louis
Evidently

Original,
Openly;

Of a foreign origin,
Evidently;

My style! !
Clearly;

My works,
Publicly;

Able to touch your heart!
Able to teach you.

Edward Kofi Louis

Living among You,
In the land of corruption.

Edward Kofi Louis

Evil forces!
Principalities,
Powers,
Rulers of the darkness of this world;
Spiritual forces of the evil one!

With the will of the flesh;
Moving to and fro like,
A piece of paper being blown away by the wind! !
All in the name of illegal lust.

Edward Kofi Louis
Evil Forest

Filthiness! ! !
Abominations,
Arrayed with the evil works of the land;
To put it in!
Naked and desolate.

Edward Kofi Louis

Prostituted,
Worthless and reckless men!
Ready to murder others in the name of terrorism;
Evil spirits! !
With violence and the crimes ahead.

Edward Kofi Louis
Evil Thoughts!

Defiled,
Defied,
Disobeyed,
And to split it apart! !

Edward Kofi Louis
Evil Ways

Dishonour!
Rumours,
Wickedness,
Evil ways;
Sensitisations!
Optimistic;
Like a thing of the past.
Chains of war!
With greed and hatred;
But, we are the history of the past!
Of where we grew up from and,
Where we are today;
But, the wickednerd of war cannot bring us peace.

Edward Kofi Louis
Evil Works

Illegal lust!
Acting like a mad man and,
Having sex with a mad woman;
But such profanes the earth.

Unstable souls,
Unstable hearts,
With the evil thoughts of mankind!
Polluting the earth with evil works.

Edward Kofi Louis
Evil Works 2

Confused minds of the world!
Killing in the name of wickedness;
Going around to destroy properties and, to kill people.

Wickedness!
Throwing away the laws of the truth;
Doing your evil works,
As seen in the world today.

Evil!
With the muse of the Devil controlling the people;
Leading to wars! !
Destroying the earth,
With no peace at all.

Edward Kofi Louis
Evil Works 2

Evil works,
Sin is the transgression of the Law;
Which leads to hatred and war!

Repent from your evil works;
And live in peace.

Evil, revile!
Snow-water,
Cold water;
Fogotten! !
Forsaken,
But, repent from your evil woerks and live in peace.

War is not the way ahead!
We need in all things;
Searching for a better,
But, let it be wih love.

Edward Kofi Louis
Evira

Come out of it!
And, do write out poems out of it;
For, she opened her doors for you.
Mist, midst, miss, mint, mind, misty, mystery!
But there are cobwebs in your wardrobe;
So, Evira your friend is around to help you clean up things,
For, your conflict is now wide open!

Edward Kofi Louis
Evita

The dolls are dancing for you oh my sweet Evita!
But there is polo in your blood;
So come around and let us have fun on this game,
And like the muse of your love in the garden of peace.

Your muse is like the Buckingham Palace,
But diamonds are not everything in this life;
And you can't expose what you are now doing in the public,
Because the dolls are now dancing for you! !

Edward Kofi Louis
Evocative, toe, cat, vat, tea, coat, oat, vote, eat, ate, tie!
Learning and teaching with the beauty of life;
In the land of trouble.
Flame, frame!
With the ways of hatred and war;
But, we need peace.
Bate, exacerbate!
Of the tensions in the country among the two parties;
Lap, lamp!
It is time to bring in the lamp to teach the ways of peace.
Toys and dolls! !
Niggle;
Store, tore!
With your negative act;
But, put it out of your mind and bring to all.
Needles, needless!
Bring in benefits to yourself and others around;
By living in peace under the Commandments.
Store, tore, ore!
In this game of hatred and war;
Of the match today! !
Wait for the whistle before you kick the ball;
Because, there is always a referee in the game,
And, we need order in the land for productivity than distruction.

Edward Kofi Louis
Evolved Out

Commitments,
To have sex with each other!
But the next stage is what you need;
Because, i can see the rain storm ahead of you! !

Considering,
Your secrets are now revealed!
And like a planned kiss to your lover;
But in the middle of the broken bottles i will search for a clue,
Because your name evolved out! !

Edward Kofi Louis
Evonik

Evonik, on, in, ion, ink, kin, one;
History!
With the story of your life,
Under the muse of the big tree in your land.
At the meeting place,
At the place of assembly;
With the view of the land,
as people came around to hear your voice.

Edward Kofi Louis
Ewas

A wordy show,
Handled,
If used;
But, you should not have touched her!
For, she was dedicated to me.

The lust of deprave passions,
To the end;
But earnestness in the land of your muse! !
And like Ewas your friend,
But, i am now in my own vessel.

Edward Kofi Louis
Ewe

One little ewe lamb was walking along the street,
But two types people do live on this earth;
And i made up my mind to walk closer and look,
For the rich and the poor were there too.
Oh! I saw the little ewe lamb;
And like the poor man's sorrow and the rich man's laughter,
But let us lead this little ewe lamb to find its way home.

Edward Kofi Louis
Ewe Lamb

The mother of our mothers and,
The father of our fathers;
Fed my lamds,
For i need seven men of reputation in this town.

Feed my sheep and free my mind,
Bring forth fruits worthy of repentance;
And to a place called Golgotha,
Because, i have left my cattle over there!

The governor's ear,
'Yli! Yli! Lamah Ozabatiny'! !
But, the dead know nothing.

This is like a spirit impersonationg Samuyl!
But give glory and praises to Yahweh;
Being very swift and just in your doings,
And like Naaman the Syrian.

The soft spot!
Seduced by a woman;
But the dead returns to the dust,
And like my little Ewe Lamb in the land of your muse.

Walls,
Towers,
Gates,
Bars;
With plenteous meat to satisfy my guest,
But, the eagle hastens to eat!

The people of Nkroful,
Nkrumah's hometown;
And of the fruit of their doings,
But, let there be an alliance between us.

Ethbaal, Bethel, Ethel;
With cakes of pressed figs to eat;
But, this beautiful appearance is like a woman! !
And like the poor man's Ewe Lamb in the land of your muse.

You did this in secret,
But i will do it in broad day light! !
And like a camel at Mount Carmel;
But, Yahweh does not get angry.

A mocking proverb,
A tauting parable,
A constrictive riddle;
Swimming things have no ruler!
But a glittering spear is in your hand,
And like the rich man's large flocks and herds.

This poem is like the feast of a king,
And like two skins of wine;
This poem is like the feast of a queen,
And like the atmosphere between the skies and the ground;
But naked and barefooted to touch your hearts with words of understanding,
Because, you have now got the meat of my only Ewe Lamb! !

Edward Kofi Louis
Exacerbate

Flame, frame!
With the ways of hatred and war;
Exacerbate!
Of the tensions in the country among the two parties;
But, in a Football match, there is always a Referee in the game.

Illegal lust!
With more pulls leading to sin;
But, the truth about life is that,
If you dwell in the secret of the Most High,
You will abide under the Shadow of the Almighty.

Lust!
To rule by force like a dictator;
With rape and murder under the carpets,
Because, you've chosen the ways of Satan.
Life!
We've been taught to sin;
In many ways.

Hidden! !
To cover it up;
That's why our steps lead to sin.
Exacerbate, bate, beat, tear, ear, era, eat, ate, exact, act, art, cart!
In the midst of the ways of the people in this land;
Goat, sacpegoat!
With the muse of illegal lust.

Midway, way, wind, mind, dam, may!
Given in;
To Satan's clutches.
Exacerbate, bat, cat, rat, bare, bear, beer, tea, tree, create, rate, tar!
But, you've given in to the clutches of Satan.

Submit of His Righteousness! !

16th July 2012 with car number, 'E 2340 DJJ';
And like the muse of the Underground Park House! !
With, number 1060 behind your car.

Examine yourself!
For, in the same land was the biggest underground cave of the world! ! However,
you need righteousness to overcome your odds.

Put it back where it belongs to,
And, learn to do the right thing always;
For, changing yourself positively needs the laid down laws to back you up.

But with your executive order 131061!
For you failed to look back last night.

The first fruits of my increase,
But you do preach in the name of Baal (the lord) ! !
And like a horse in the wilderness of love between yesterday and today;
But i need law and security to help me move on peacefully with my mind.

And, everybody has a contact on this earth.

Edward Kofi Louis
Exemplary Life

Try to lead the blind on the right path,
Try to be each other's keeper;
True love is what the Creator wants,
Like to put a smile on the faces of others.
Try to share when you have,
Try to teach when you know,
The Elder's lips should speak knowledge;
Like bringing peace than war.
Try to bring love to all,
Try to be at peace with others like,
A lamb standing on mount Zion.
To wink and in longsuffering but,
Be very merciful to others;
Try to lead an exemplary life for others to follow,
Like the sweets that we share with all.

An exotic banana,
You are like a butterfly playing with my sugar on this love;
But you can join thw wild cats to see the world,
So visit Africa and let me take you around.

It is courteous to know the truth around you,
And like the mere novice with the banana trade;
But until the harvest begins,
I will be in the middle of the night to teach you.

It is only after the frog is dead that we can know its true length,
But the exotic bananas are there for you to see!
And like the wild cats with the love of your muse.

For i am nineteen years old and, i am like a woman of words already!
One mile from 'Mile-Seven',
One word from 'Mile-Eleven',
And like a small world from 'Mile-Twelve'! !
But invisible with my passion to him who impregnated me;
For i am nineteen years old and, i am like a woman of words.
I am now in a world of my own and,
It is just like another day without the rain;
But are you ready to follow me into the woods with my child? !

Pure love overshadows darkness! !
But, in the rainbow i so see many colours;
As i face the realities of life.

My name is Fabian and,
There was a time that i loved a woman;
But she kept growing and never looked back.
There was a day that i made love to this woman and,
She kept smiling and never looked back;
For i never knew that she was very lonely.
She cried for love and i satisfied her,
But after some time she went back into the thin air!
She never called back and she never wrote to me;
Then i knew what was wrong,
For this lovely lonely lady who suppose to be mine is gone forever!

Edward Kofi Louis
Facing The World

The process,
Incredibly! !
The perpetrators,
Incomprehensible;
But, it was indeed like the muse of your love!
However, a search committee is now needed on this case.

Getting elected,
The best candidate;
The independence,
The Roman Statues;
But always noted with the muse of your love,
However, facing the world with your works matters a lot to me! !
For, you are now guided by the rules of the laws around you.

Edward Kofi Louis
Facts

New moon,
Lips, tips, trips, sips!
Facts,
Boiling eggs with urine in Chana and eating them;
Deputy,
Real time!
Real life,
Real love,
Real peace,
Of a culture that eats eggs boiled in urine.

Edward Kofi Louis
Faculty

Convertible faculty on a universal emblem,
It can be done and expresses as needed;
But the movement of the amoeba is all that i know.

Of the captivity of your muse and,
Of the ignorance of the history around us;
Today we've taken weapons to kill ourselves and,
We've lost this rich land called earth.

This rich land and this rich love,
This rich sea and this rich valley,
And a river came out of Eden to water the garden;
But of a faculty to acquire degrees that had led us to war!

Chisel out two stone tablets and,
Come up to me on the mountain of love;
And like the first time of your love,
You are the bone of my bones and the flesh of my flesh.

I have seven daughters and,
Of the bucket among the reeds!
But a ravenous wolf devours the foe and,
I am here to stay the night with you.

The delights of the hills and the delights of my love,
And like the sweeping floor of the river beside you;
But a ravenous wolf divided the plunder and,
I am here to stay the night with you.

Forty days of embalmment and seventy days of mourning,
Wash my garments in wine and my rose in the blood of grapes!
Because i am tethering my donkey to the vine of love and,
I will lay down with my faculty in peace.

Edward Kofi Louis
Fadbald

Fadbald, lad, dad, bald;
With compassion,
And with ties that binds the way of peace!
Without war.

Keep in uniting,
Keep on loving,
Keep on caring for each other;
And bring joy to all.

Far, farcical!
The earth belongs to us;
Mankind!
But, with rules everywhere.

Fadbald!
You are four years older than i am;
And, you are very far away from me,
But, nature knows the heart of love.

Edward Kofi Louis
Faded

Of her lovely compassion,
Faded and gone away;
left alone blooming on without hope,
But, her home is on the deep.
Snow, Snowden!
Like the stormy winds that blew last night;
With signs and sounds from the light of love,
Like those evening bells.
Deluge,
Guidance,
Equilibrium,
Order! !
Orgasms,
Lonesome,
Solitude,
Simultaneous,
Temerity;
Of a tale that this love tells!
With those joyous hours with her alone.
Box, fox, ox!
Like a man from the valley of bliss;
Thst sweet time,
That sweet thing;
Hearing the sweet evening bells,
As her lovely compassion faded away.
Oh! ! To see it at sunset;
of love-lighted eyes without a clue;
Oh! ! To see her st sunset;
Like a dead body within the tomb;
Oh! ! This life;
With the woes of life and the woes of a lover,
Like the echoes of the waterfalls.
Wolf, golf!
With the sadness of the moonlight;
Like a bride full of blushes,
And, like young aspen-trees.

Edward Kofi Louis
Fadeless

Hurry! ! !
Withdraw,
To press on,
To be narrow,
Fadeless,
With the works of peace.

Edward Kofi Louis
Fadeless 2

Riddles!
Solutions,
Showing your works,
Your acts,
Fadeless,
To camp out! !
To abide in the field;
Carbuncle!
Portion,
To apportion.

Edward Kofi Louis
Fades Away

You are arrogant and proud,
And like a green plant that fades away!
But my mouth shall speak of love and beauty always,
Because i am a teacher like yourself.

Edward Kofi Louis
Fading Away

A voice!
Loudly heard;
But now fading away like a mist.

Edward Kofi Louis
Fading World

White chalk!
To walk and teach;

Black chalk!
To talk;

Fading world,
Seeing the ways of mankind on earth today.

Edward Kofi Louis
Fair

Fair,  
Air!  
Affair,  
The flair of your love.

Edward Kofe Louis
Fair And Square!

Love,
To take up the torch of peace;
And to touch the hearts of many who are ready for the laws,
With the muse of the truth leading the way.

Fair and square!
To climb the tree and, to view around;
With the changes of mankind on this earth,
And, with the muse of the truth leading the way.

Love,
From somewhere!
Touching your heart in many way to teach you the truth;
With positive intent and the purpose of life.

A decisive action!
Always going along the path of righteousness;
Educating the heart and the mind,
Fair and square with the muse of the laws.

Edward Kofi Louis
Blossom fair flowers of my fair lady,
The prime time of love is now here to share with her;
For her precious petals are now full of love.
To unfold the truth and to kiss what she has to give to me,
But, i want to spin around the spot of love with pleasure things;
And with the blossom of fair flowers of her love.
Float like a butterfly and sting like a gnat on this muse!
For, i was born to love my fair lady in the land of beautiful flowers;
And, behind every great vision, there is a positive realm.
To cry at birth and to cry when you are older,
over the clouds of love and with the beauty of the rainbow around;
But this paradise of love is for my fair lady and i,
And like the black ribbon up high in the sky! 

Edward Kofi Louis
Fair Openings

Of humankind and of love,
Of humankind and of peace,
But yesterday is gone too soon;
And we are faded in the age of love.

He will put his head up and she will put her tail up,
Softly and sweet to the taste of things;
And like fair openings of the graves.
See the sankes that they rear,
In this era of the computer age;
And of their nakedness as seen in the bush,
But the fair openings are like the crystal gleaming.

If there is no sex it is enough for the day,
But if there is sex then let it produce a baby;
And like a chosen leaf at the gate of Eden.

To see it by moonlight and to use it by daylight,
And like my first love at school;
But my second love was at the place of work,
And in my death I will have my third love.

I am alive and kicking,
And like the beautiful and the brave!
But today I am very handsome and lovely.

Sea-birds of love and of the fair openings,
The morning star is here to stay with us all;
But in the noontide I will be with you my lover.

Edward Kofi Louis
Fair Rose

Air! !
Fair Rose,
Love affair with you;
Stair, chair!
I see a fair rose in you.

Edward Kofi Louis
Fair Search

Fair Search,
True love,
Searching for your love.

Edward Kofi Louis
Fair Sky!

Breathe and refresh yourself with the muse of love,
Fair sky!
On the edge,
Day dreaming;
But, to grow in love and to search for the truth,
Like sweet strawberry fields.

Talents!
Trades,
To be known with your works;
The works of peace and joy,
Like a light shining through the dark.

Impressions!
You know less about this world;
But, there is always the truth about anything,
If you really search for it and live in peace.

Edward Kofi Louis
Fair With Life

Plant every seed of a fruit eaten!

Reap a positive harvest tomorrow;

Impossible to touch! !

Invisible to hold,

But fair with life when the right thing is done.

Edward Kofi Louis
Fair With The Muse Of Life

Telling the truth is very hard in others! But, fair with the muse of life.

The old culture of life is always between 'right' and 'wrong'; but, always seek for the truth and live.

Edward Kofi Louis
Fair, Air, Far!

As it were,
Maybe you've had an experience before;
You are not an amateur,
In this game! !
Great men and women,
Fair, air, far!
I'm only a stranger here,
Just see where I am;
My fame has no effect on me.
Set, bet, net, let, wet!
With names and titles,
In the same frame;
With You,
Nice and pleasant!
To stand by you;
Like the feelings of a mother who has a disabled child.
As it were,
To occupy the portion,
In for it! !
With glory and fame;
Close up,
Foward! !
To look on,
Matured in the game.

Edward Kofi Louis
Fair, Fairy!

Life,
Of the sequence;
Blues!
With hearts full of love;
And, very magical.

Love,
Overwhelming;
Love,
At the coastal line;
With the muse of your joy.

Fair, fairy!
With the view,
Of the landscape;
Mountains! !
Fully in love.

Muse,
For verification;
And, to compromise.
Love!
With connections;
Leading the way to your heart.

Edward Kofi Louis
Fairbairn

Fairbairn!
try to know yourself and to understand yourself in this world;
Because, not all men and women are so unscrupulous like you do.

Life in the right manner!
To the realm of a positive race;
And of true love that touches you right there in your room,
Because, yesterday is gone forever.

The muse of life and the muse of love,
With sumptuous offerings with the openings of the truth;
And, with the act of the lips that leads to the path of peace.

Of my heart and, of your heart!
Let us put the world into a better shape;
The shape of peace and love than, with unscrupulous acts.

Edward Kofi Louis
Fairly

Fairly!
As he deserves,
As she deserves,
To be mindful;
Originated with love.

Edward Kofi Louis
Fairness

Air,
Hair,
Stair,
Chair,
Fair,
Affair!
Fairness;
With the muse of life.

Edward Kofi Louis
Fairy Lands!

Fairy lands!
These are the traditions condemned in your Bible;
To burn like oven! !
And like the story of rabbits laying eggs.
Fairy lands!
Vodka coctails;
Cast into the lake of fire! !
And like the story of rabbits laying eggs.

To the Blue Lagoon,
And like the lighthouse in the middle of an Island;
Cock, cocktail!
And old man is now swimming in the Blue Lagoon;
Fairy, fairly!
An old woman is now swimming in the Blue Lagoon;
The Coast Guards,
Fairy lands!
But, it depends on you and the wind.

Colour,
Act,
Design;
Tail, cocktail!
But, safety first.
Faury lands!
Of the sealed boxes;
And like the story of rabbits laying eggs.

Edward Kofi Louis
Fairy!
Fairy!
Untouched;
Fairy!
Unplugged;
Fairy!
Unbalanced;
And like the muse of your love hidden in the bush! !
But, you need to learn from the laws around you always;
And, in them, you will become a better person thereof.

Edward Kofi Louis
Faith

Faith!
With the muse of the truth beside you;
In full assurance,
With a true act.

Edward Kofi Louis
Faith 2

Faith without the work of keeping the Law is dead!
Being alone;
Yes! !
Show me your faith without your works and,
I will show you my faith by my works.

Edward Kofi Louis
Faith 3

Faith,
There can be miracles!
When you believe;
Working towards your dreams,
Without giving up.

Edward Kofi Louis
Faith Tells You What Do

Burning from head to toe!
But, faith tells you what to do;
To move forward! !
With hope,
Like flesh blood.
 Burning up! !
But don't give up in life;
Not at all!
Because, no one knows tomorrow.

Edward Kofi Louis
Faith To Faith

Faith to faith,
Face to face,
Work after work,
Seeking for the truth;
Under the eyes of true love.

Edward Kofi Louis
Faith With Works

Bridle the tongue,
And be the doers of the law than the hearers;
Of a beastly system,
The tongue is like a fire!
It is an unruly evil and no man can tame it.
The tongue,
You need faith with works to be saved;
The tongue,
Faith without works is dead.
Like a thief in the night,
Do turn your hearts from hatred and turn to love and mercy.

Edward Kofi Louis
Faith!

The muse of life,
Writing a letter like a poem;
The muse of love,
Writing a poem like a letter;
Faith!
Hope,
Time;
Waiting for the next day with the muse of my mind,
In the land of the living.

Life!
To give the people what they want;
But, in a positive way,
Under the muse of the laws.
Pass, passage!
With the works of my hand;
Stop, top!
With the muse of my mind.

Edward Kofi Louis
Faithful

Faithful and beloved one,
Labouring fervently for you in prayers;
That you may stand up perfect and complete in all things.

Edward Kofi Louis
Faithful 2

Spirit, soul and body!
Faithful to the works of the truth;
Blameless! 
With the joy of love and,
The remarks of peace.

Edward Kofi Louis
Faithful And Loyal

The muse of life,
The muse of love,
Royal! !
Faithful and loyal servants;
With servitude and attitude.

Love,
With the works of joy and the labour of peace!
To carry in the load that has to be carried;
With the secrets of the truth.

Edward Kofi Louis
Faithful Words

A kind mind,
A sweet heart,
A lovely work,
And, faithful words;
Able to show you mercy and protection.

Edward Kofi Louis
Faithfully

Act faithfully on my love and let me direct you on,
For i am very glad that i am loved by you;
So shake it up once again tonight and,
Let me be the ruler of your love.

Edward Kofi Louis
Faithless

To steal!
Faithless;
To brake the laws,
Unmorally;
Inhuman!
Going in that direction;
Of individuals,
Just like Satan.

Edward Kofi Louis
Faiza

Why do you look thinner day after day? !
Come into the well of my love and do have some food to eat and water to drink;
For, my heart is merry with you.

We only came yesterday into the world!
And, we still have to learn more from today;
However, tomorrow comes and we will be in glory! !
So, come to me and eat for love.

Oh Faiza! !
Be strong and valiant at all times;
For, your love is so beautiful and wonderful to me,
So, come into the well of my love and do have some food to eat and water to drink.

Edward Kofi Louis
Fake

Face!
Fake;
With a mask on.

Edward Kofi Louis
Fake doctors and fake lovers,
Waa it more to expose your degrees of your love? !
For your cultures are now seen around us,
And like the Red Devils in the land of your muse.

Blues, use, bus, be, sub, sue, us;
Of the fake doctors and the fake lovers!
And like the bones scattered at the mouths of the graves,
But among the rocks i will sit and watch your steps.

Edward Kofi Louis
Fake Excuses

False ideas!
Fake excuses;
Ruling your mind without the truth,
But one day you will know the truth! !
Because, the truth is always the truth.

Edward Kofi Louis
Fake Means

Fake means,
Fake acts,
Fake life;
All in the name of evil works! !
Influenced by the devil.

Edward Kofi Louis
Fake Products!

Artificial,
Fake products!
Not original from the origin;
Only in hidden form to the world.
Fake!
To seal it up;
Making it look like the original one and,
To deceive the eyes.

Edward Kofi Louis
Fake, Lake!

Fake, lake!
Like a fake friend around,
Taking advantage of you always;
Sucking your blood! 
Who always wants something from you,
Without anything in return.
A fake friend,
Walking around and destroying your name;
Pretending to love you!
Inwardly against you.

Edward Kofi Louis
Fall

Hall,
Ball,
Fall,
Call,
All!

Edward Kofi Louis
Fall On Me

Rain!
Rain! !
Please fall on me;

Rain!
Rain! !
Please fall on me;

Take away my pain,
Facing the odds of life!
Because i'm in chain.

Edward Kofi Louis
Fall On My Side

Love,
Fall on my side and, let me know who your are;
Because, i want to understand you better,
Using the right sense of the mind in doing what is right.

Love,
Come and let us share together;
Knowing our respective ways,
With a possible vision of peace and joy.

Edward Kofi Louis
Fall, All!

City of Gold,
City of Silver,
City of Bronze;
Fall, all!
In the name of hatred and war.

Edward Kofi Louis
Fälle! !

Achtung Kontrolle!
Airport;
Schicksale,
Und plötzlich alles anders.
Fälle! !
Adaption,
Erinnerung,
Der Bürgermeister;
Tagebuch einer Verbrennen!
'Die Buchse der Pandora',
Fälle! !
Universum;
Unter uns,
Wie der Jahresrückblick.

Edward Kofi Louis
Fallen

Babylon has fallen,
Fallen and fallen!
Yes, the great City has fallen;
And like another sad note without the harp to play my song.
To every nation, tribe, language and people;
However, thrust in your sickle and reap for joy!
For the harvest of my love is now ripe.
Touch me with your love and enjoy my taste,
And like the muse of love in the night and day;
But, this great voice of a thunder is now heard from afar! !
She should have waited but now it is gone,
Yes, gone too soon with the like,
A candle in the wind without any hope around.
Babylon has fallen!
And now, the mission is over.

Edward Kofi Louis
Fallen Asleep

Fallen asleep;

The fact is,
I love you;

The truth is,
I want you;

But, the light of hope is with the muse of the truth.

Be in love and heal your heart with righteous works;
Leaning towards positive morals always in your life.

Edward Kofi Louis
Fallen Down

Thrust, rust!
Into thick darkness;
In distress!
Afflicted,
Burden,
Oppressor,
Den, burden!
And now, the bricks have fallen down

Life,
To teach lies and to err! !
With the works of evil;
And, the muse of the devil.
Hypocrite!
Evildoer,
But, let us teach each other with the truth.

Edward Kofi Louis
Fallen Grapes

The fallen grapes must be left for the poor and,
Do not destroy fruit trees around you;
For the carcass of an unclean animal becomes ritually unclean.

A Nazirite must let his hair grow during the period of separation,
But must shave it after this period with a sacrifice;
For the laws are written down for mankind to obey.

A man who violates a virgin must pay the bride price!
Because the tears on my face means a lot to me;
For my lover is like a hole dug out from a rock.

Fallen grapes,
And of the muse of things around me;
But one day I will be known by others for who I am.

Edward Kofi Louis
Falling Down

War! !
The bombs,
Destroying everything;
Destroying your face and your eyes in your own land,
Falling down!
Dead.
War is not the answer to peace!
War destroys everything;
Bringing sadness to all of us in the land and, beyond the land.

Edward Kofi Louis
Falling Down  2

The atom bomb!
One plane with one bomb;
Falling down,
To destroy the land.

Edward Kofi Louis
Falling Down  3

Living in a brown town,
Wearing no crown,
Falling down!
Facing your own problems in the land.

Edward Kofi Louis
Falling Stars!

Night watch,
Nature,
Natural,
Falling stars!
Watching the sky,
With the muse of life;
Beauty of nature,
Trying to understand the ways of creation.

Edward Kofi Louis
Falling Trees!

Falling trees!
Beyond the basics of life,
Killing the people around;
Disaster! !
At the waterfalls;
Disorder!
Claiming the lives of the people around.

Edward Kofi Louis
Falling, Falling, Falling!

Babylon is falling, falling, falling!
This world is ending, ending, ending!
The bombs are falling, falling, falling!
My people are dying, dying, dying!
But, hold on! Wait a minute! !
Why is the world not learning, learning, learning? !
For hatred are now being taught in the schools and the churches!
And my people are now dying, dying, dying! !
For, we as human beings have broken the covenant.

Edward Kofi Louis
Fallow

Fallow, allow, low, flow, foal, fowl, of, law, fall;
And like a fallow ground in the land of your muse!
But, the forbidden assemblies are always around you.

Chastise,
Remain,
Overrun,
Overturn,
You have eaten the fruits of lies! !
But, i am ready to heal you with my love;
So, wake up and turn your life around to meet up righteousness.

Edward Kofi Louis
False Accusations

Blasphemy,
False accusations,
Secrets,
Departed;
Big and very heavy!
But exposed as a prey to the wicked,
For the land is full of thieves.
Seek, meek, week, leek, geek, peek, reek;
Small and very light!
But your sinful schemes are seen everywhere.

Edward Kofi Louis
False Doctrine!

False doctrine!
To tear down and destroy others,
With evil works.

Edward Kofi Louis
False Life

False statements!
False life,
False works;
Empty Philosophy! !
After the elements of the world,
With the traditions of mankind.
Puffed up!
Intruding into things you do not know;
Stubborn Pride! !
However, the Sky above is like iron to you,
Because, you've failed to accept the truth.

Edward Kofi Louis
False Lips

A snake swallows a human being and that's life,
But what kind of snake is that? ! !
For the devil needs not to be part of us,
And like joy in the land of peace.

The father of the fool has no joy because,
An evil doer listens to false lips! !
So we have to get rid of this kind of snake,
For peace, love and unity are what we need always.

A sound mind is health to the body,
But this snake has swallowed a human being! !
And each heart knows ts own bitterness,
But no stranger shares its joy.

Edward Kofi Louis
False Preachers

False preachers,
Many will come against my name;
religious imposters,
You will know them by their fruits;
Try keeping 'The Fourth Commandment' and see,
How fast the rich religions do turn on you!
By the way of remembrance,
Here a little and there a little;
But the soul that sins will surely die.

Edward Kofi Louis
False Promises

The approach,
An adversary;
With strength and pride,
Swallowed up with anger! !
With the acts of hatred war than, love.
The approach,
The adversary;
With false promises and, deception.

Edward Kofi Louis
False Prophets

Deception,
From the works of false prophets;
Deceiving many! !
In the world today.

Edward Kofi Louis
False Prophets!

False prophets!
Everywhere among us;
Exploiting us with feigned words.

Chains of darkness!
Preaching lies to us than, the truth;
Destroying the world with their works,
Taking blind followers along.

Edward Kofi Louis
False Teacher

Lust,
Teaching the ways of Sin to the world;
Because, you love the dark.

False teacher!
Destroying the world with your acts;
Building up hatred in the minds of the people.

Edward Kofi Louis
False Testimony

You shall not bear false testimony against your neighbour,
What causes hatred and wars?
The laws of Yahweh are Perfert,
Converting the whole person.
She belongs to your brother so,
Do not sleep with her;
The law is not only laid down for a righteous person,
But also for the unrighteous and for sinners.

Edward Kofi Louis
False Witness

The lips of joy,
The lips of understanding,
The lips of wisdom,
The lips of hope,
He who walks in uprightness shows the reverence of Yahweh.

Life in the midst of a throne,
Like he who sits upon the throne;
But your love is so sweet to my taste.
In all labour, there is gain;
But, mere talk leads to poverty.

The lips of love,
Knowledge comes to him who understands;
For we have heard a rumour about you but,
We will keep our peace on this matter.
Like a message to the wife of the dead,
Like a message to the husband of the dead,
Like a message to the daughter of the dead,
Like a message to the son of the dead,
And like the jewelry of a fine gold;
But, why is the world like this?

Like two blind men sitting by the wayside,
A truthful witness saves the lives of many!
But like the foal of a donkey,
A false witness is a betrayer! !

Edward Kofi Louis
False Witness 2

False witness!
Speaking blasphemous words;
Like a path gone the wrong way.

False witness!
Your zeal is not according to the truth;
And, you've brought disorder into the world.

Edward Kofi Louis
Falsehood

She who rejects my love will always come back looking for me,
And like a bitter day in the bush of animals.
Life is like the vulture and the children of your delight,
But you are walking in the spirit of falsehood!
And like a violent storm at sea when there is no hope.

Edward Kofi Louis
Falsehood  2

Falsehood! !
Evil!
Transgression;
Going against the works of the truth with your lies!

Edward Kofi Louis
Falsehood 2

False teaching!
With the path of falsehood;
Salvation is far from the wicked! !
Because, they do not seek after the truth;
After righteous morals,
After righteous laws.

Edward Kofi Louis
Falter

Alter,
Falter!
In the day of adversity;
Moving on,
Only with a small strength.

Edward Kofi Louis

Famara

The starter and the forgotten,
The winner and the unknown;
Feel my love and taste my lips,
For Famara your friend is with the words of love.

Edward Kofi Louis
Fame And Pain!

Tame,
Same,
Fame and pain!
To come out from your shame,
With the frame of a new life.

Edward Kofi Louis
Family

Family,
To be born to a family;
But, you can't choose your parents.
Blood connections!
The flow of love;
To be born to a family,
And, to accept your parents with the muse of your mind.

Edward Kofi Louis
Family 2

Fatherly care,
Motherly care,
Having a beautiful family;
According to the manner of the works of the truth,
Teaching your children righteous morals.

Edward Kofi Louis
Famine

Send the children with me and, will leave at once!
Because, the famine is still severe in the land;
To cross over the border! ! Into another land; where there will be enough.

Edward Kofi Louis
Famine 2

Hunger! ! !
With famine in the land;
No plowing nor reaping,
Desolate!
Like a wild donkey on a terraced hill;
With bitterness.

Edward Kofi Louis
Famliy Love

Rum!
Drum,
Now,
How?
Show,
African wildlife;
Seeing the Golden Hills of love,
Family love.

Best!
Set,
Nest,
Resting;
Tranquility,
Blue skyline! !
Behind the signs of love;
Family love.

Snap!
Map,
Sharp,
Harp,
Mood,
Hood,
Wood,
Parenthood,
Family love.

Edward Kofi Louis
Famous Fable

The famous fable,
The famous table,
The famous stable,
The famous cable,
The famous babble,
The famous gable,
The famous parable,
The famous variable
The famous sable;
But, able to crown your love with my muse!
For, you are all that i need.

Edward Kofi Louis
Fan, Fancy!

Fan, fancy!
It is coming back again;
With your love,
With your act,
With the joy of your muse,
Where composition reigns.

Edward Kofi Louis
Fantastic Views

Love, joy and peace;
To enjoy the fantastic views of life;
Natural playground,
Like a view over the sea.

Gate, navigate!
Automated;
Life by the sea,
Looking out over the sea.

Edward Kofi Louis
Fantasy

Oh my sleeping beauty,
Your love is so sweet tonight;
For you've taken me to the moon and to the stars!
And i will never forget this night.

Of a scientific data,
And like the agony of a crying mother;
But amid the joys and hopes of the love that we share,
Fot you are very real to my heart.

You are the Queen of my heart and,
You are the Queen of Africa! !
And i have been living to love you like,
The fantasy of love that muses with the deep blue sea.

Edward Kofi Louis
Fantasy Land!

Fantasy land!
With my life to know you;
But, listen to me and,
Let me talk to you always.
True love,
To sail away with you!
Love, dove;
Sure! !
Thinking of you always;
But, listen to me and,
Let me talk to you always.

Edward Kofi Louis
Far Away

Sweeten your banks and come to me,
Over the fair times of love to share with you;
To nature and to me so dear i do pray,
Many works of love will meet our eyes one day.
In your laps with joy and peace,
Of old and young hearts in love;
Like an impetuous speed with its voluptuous smell.
Of mutual eyes so sweet,
Peal on peal like the loveliness of a muse;
That was far away like a dying gladiator.

He heard it but he heeded not,
She heard it but she heeded not,
That was far away like a dying gladiator.
In your laps with joy and peace,
Over the fair times of love to share with you;
Beauty is still here,
Love is still here,
Peace is still here,
In hot haste to satisfy you like the sea-wolf;
But life is like a warrior taking his rest.

Edward Kofi Louis
Far Away From Home

I am beyond the Blue Mountains,
However, silence is not always golden;
Finding my way to make a living.

Freedom they say is mine,
But the day you were born i do not know;
And, i have learnt enough through hustle and bustle in life.

Dreams of my homeland! !
With the buzzing noise from nearby villages;
Like the footsteps from various farms.

You are a stranger in my eyes! !
And, i am a stranger in your eyes as well;
But, the struggles of life had really taken me far away from home.

Edward Kofi Louis
Far Away From Me

A day of emotion and a night of passion,  
A day of prayers and a night of romance,  
My heart yearns for you my sweet one;  
But your love is far away from me.

The joy i felt inside me and,  
Of your love as a lamp unto my heart;  
But absolutely with the extra mile to rest my rank on.

Maybe i am a chief on your love,  
Maybe you are the one to lead me on,  
But you are the beautiful face without a name;  
And i will share my sweet love with you when found.

Edward Kofi Louis
Far Behind

Technology oh technology,
Why have you left us far behind in Africa?
Is it because of our colour or our state of mind?
Where have you been?
Where are the intellectuals on the African Continent?
We are far behind and,
Where lies our future?
Many things are misplaced in our mist,
But we have hopes to make it one day;
Oh technology, Mother Africa cries for you.

Edward Kofi Louis
Far From It!

You are far from it!
So, take another step forward;
Then you will reach the top.
Try and error,
Get it in and be free! !
Sun Princess,
Thorn, horn!
From the heart,
Draught, drought! !
But, you are so far from it.

Edward Kofi Louis
Far Too Long

Mused,
Fused,
Used,
Infused,
Amused,
Refused,
Being abused for far too long.

Edward Kofi Louis
Far! ! !

Tar,
Star,
Car,
Bar,
Far! ! !
Like the nectar of the truth.

Edward Kofi Louis
Farameh

Farameh, harm, ham, era, hear, fear!
Founded,
Directly,
Frozen in the cold!
To protect the tribes.
Farameh, farm, arm, far, afar!
To protect it,
To protect all,
Races;
Ram, mar!
Innocent,
To mention the few;
Hundreds of supporters!
Hybrid,
To start,
To stop,
Dynamic!
With the muse of your love.
Farameh, ram, mar, me, he, her, are;
In action!
Development;
Like war stories,
Walking in your dreams,
Stable, unstable!
Farameh, frame, ream, ear, mare;
Like the chameleon!
And, with the greetings in your land like,
Beer and sausages.

Edward Kofi Louis
Farewell My Lover

Of the powers in their mouths and in their tails,
For they are similar as the serpents!
So, do not defraud anyone.
Farewell my lover,
And cling onto your new lover;
For the wages of sin is death.

Aaron died at mount Hor but,
I will always remember you;
For one day, somebody will pay you in your own coins.
You are like a long piece of land in the bush but,
My mind will always lead me on to Shechem;
Like your god Chemosh.

Whatever Father Yahweh does is right,
And whatever He gives us is what we will posses;
So, farewell my lover.
As the dew falls on the ground,
So was my love for you;
And like the sand of the seashore,
I will always remember you

Edward Kofi Louis
Fari

Straighten your crooked life and be real oh Fari!
For Yamson your friend is still in the bush of love;
And of your stories ever told to us every now and then,
But the Bushmen are still waiting for you.

Edward Kofi Louis
Farida

Make your serious charges against me and let me prove my case,
And i will stand before you like 'Shaul's defence before Felix'!
But i am Farida in the land of your muse.

Edward Kofi Louis
Farisco

Farisco is my name and Janet and Judith are my friends,
But Dub and Ayan came and took us out last night;
And there we met the other world of darkness!
But in loving arms we walked back home peacefully.

Edward Kofi Louis

Cincinnati! !
Love fever;
The new age,
To save a life,
To save my life,
To save your life,
Keep it up!
Keep on moving,

To Farkash my friend,
Of your love,
Of my love,
Modern,
One, tone, gone!
One step ahead,
One step beyond,
Of the traditions,
In the archives,
Of the Professor,
Of this poetry,
Keep it real,
Bone, hone, prone!

Keep it nice,
Keep it lovely,
At the best!
To take control,
Every year,
Driven,
Broad,
Moderation,
Elaborate,
Throne, crone, stone!

From several towns,
Ideology,
I want to walk with you,
Love!
One step ahead,
One step beyond,
Recognition,
Position,
Apart,
Your love,
My love,
Cone, none, done!

Like a clay pot,
Wrapped,
The band!
The brand,
Found,
Followed,
Along,
The narrow path,
To learn,
To know,
And to dub it as,
Pone, phone, drone!

Edward Kofi Louis
Cincinnati is the land of my peace! 
Love fever and the muse of joy;
The new age, to save a life, to save my life, to save your life.

Keep it up! Keep it moving, freeze, breeze;
Lead, head, dread!

I want to walk with you in the name of love!
Recognition, position, apart, and like a clay pot with,
Pone, phone, one, none, done, cone, drone!

Edward Kofi Louis
Farm, Arm!

Farm, arm!
Waiting for the next rain to water your farm;
Living in the land of your joy.

Edward Kofi Louis
Farmer Defiles Minor

The muse of lust,
The muse of the farmers,
The muse of the state of the affairs in my land!
And, a farmer defiles a minor;
But, he was apprehended and handed over to the Police.

Farmer defiles minor!
In the bush with his act to lure this little girl;
And he extensively abused her! !
But this concealed act of his led him to the Court,
Because, someone witnessed the scene!

He forcibly molested the minor,
And he was sentenced to 20 years in jail! !
For this 40-year-old farmer defiled a 7-year-old girl.

Edward Kofi Louis
Farmers

Village Farmers,
Roses,
Pram, ram!
With the roses of love;
On the farm.

Shades of green,
Shades of love,
Dreams!
But, with no food when, there are no farmers;
Still water! !
Misty upon the bay.

Pots of flowers!
With the beauty in the garden of love;
Knowing the truth and living with the truth,
In merry mood.

Retired! !
With the beauty in the garden of love;
The confidence of your mind,
The love from your heart,
Always waiting by the door of the truth.

Something different,
With light in the dark!
Glad to be there,
Helping the farmers,
Like the muse of a city full of gold.

Edward Kofi Louis
Farmer's Steak

Peak,
Leak,
Weak,
To speak out your mind;
With the muse of a farmer's steak in your hand.

Edward Kofi Louis
Farmland

Farmland,
Closer to nature,
Living and respecting the ways of life;
With the muse of your sweet love.

Edward Kofi Louis
Fashion Night

Fashion night,
Fashion Show!
But, are you dressing up to cover yourself or, to expose yourself?
Then, think again! !
Because, the pleasure of this world exposes us to sin.

Edward Kofi Louis
'Qodesh La-Yahweh'!
Ask Chief Dishan about the truth and,
try to eat unleavened bread to keep you up;
For the marriage contract needs to be fulfilled.
He is your offspring like,
The promised seed counted from Isaac;
And the Torah is the book of the law of Yahweh.

Fasika, i am in the Valley of Berachah with the words of Yahweh;
But you have to learn like a Restaurant in Japan where,
Monkeys are the waiters and the waitresses!
Of the muse of the food that they do serve,
Of the rate of people who want ot see the monkeys,
Of the rate of life when one is being served by a monkey!
But the promised seed is counted from Isaac.

Edward Kofi Louis
Fast Brake!

Fast brake! !
When it comes;
It comes with fire!
When it flows,
It flows out with force!
But, be on your guard always,
And, be real.
Mathematical methods!
For the moon,
For your love,
Meal, real, deal, seal!
But, your are like a shining star to me;
And, i will always wait out there for you.

Edward Kofi Louis
Fast, Fasted!

Life!
Very fast for the catch;
And, very fast to win! !
But, you’ve fasted for some days already;
Trying to gain your spirit.
Fast, fasted!
With the view of the land;
And, with the sword of the spirit and the word of the law,
Learning the ways of the truth.

Edward Kofi Louis
Fasting And Praying

Fasting And Praying,
Your love is needed to be strong with the muse of your faith;
For outside are dogs ready to bit you!
But their acts are always done in ignorance.

Edward Kofi Louis
Fat, Fatigue!

Fat, fatigue!
Clue,
Hue,
Glue,
Blue,
Due! !
Trying to take a walk today.

Edward Kofi Louis
Father And Son

A father and son,
Working in the Cocoa Farm;
Then a snake appeared! !

Edward Kofi Louis
Father Of Abundance

Father of abundance,
Father of love;
peace, joy and care.
Liberal,
Pureness,
Blamelessness,
State, taste!
Father of abundance,
Father of mercy,
Father of love.

Edward Kofi Louis
Fatherland

The shores of our fatherland,
But the people around are still hungry!
And the candidates of love came to spell out my name;
But, how can you be sitting out there and telling me that you care?

Edward Kofi Louis
Fati

A new day is born on this love and,
Your sweet name is Fati;
For i will seek fro you always in the garden of love.

Try to overcome all things with love and,
Try to learn from the muse that muses;
For loving you is like my dream came true.

Fati, be very courageous on this sweet love;
And do come straight to me in your loneliness.

Edward Kofi Louis
Fatima

Garlic, sweet pepper, tomatoes and kpakposhito!
Like the joy of this pregnancy;
So do hear me when i do speak.

You are now with a baby from your man and,
The protruding of your abdomen says it all;
But do hear me when i do speak.

Fatima my cousin,
Do take care of the coming baby;
For your husband is all that you have.

You are so thrilled in the mirror and full of ecstasy,
But name your child Amina when she turns out to be a girl.

Edward Kofi Louis
Fatimah

Before the fourth week of the pregnancy,
The heart starts to beat;
So do take care of yourself on this road of love.

A vivid imagination of your youthful days,
Of your looks that charmed your boy friend;
But try to lean on him to guide you always.

Fatimah, i am very proud of your achievements;
And you have to keep the muse of life going with your man.

Edward Kofi Louis
Fatimeh

I will never forget this important day on your love,
For words alone cannot express my love for you;
So come out with the flying colours of your hidden love towards me,
For i am the one that you do seek.

Take care Fatimeh,
Because i do care for you;
And this love in the air around you is what i need.

I love you and i want you to know,
For a new morrow is yet to come on this sweet love that we share.

Edward Kofi Louis
'Fatronat'

'Fatronat', fat, on, an, to, no, far, tar, rat, not, ton, oat, afar! !
But, go inside and enjoy it with the muse of your love;
For, it has been prepared for you today in the land of joy.
Just over here,
Just for you to rejoice over it with the sweet muse of your love!
And like the classical music playing around;
But, the beauty of the cave over here is just like,
The sweet muse of your love in this land of joy! ! !

Edward Kofi Louis
Faulty Character

The evil one!
With a faulty character;
Always seeking for war,

Favour, Flavour!

The flavour of life,
With the favour of your love;

Favour, flavour!
With the aroma of your works;

The works of peace!
And, the words of joy.

Edward Kofi Louis
Fawkes

The legitimate,
The superman,
The performance,
The superwoman,
And like fire-balls falling down from heaven!
But, why should you worship statues (elohim) instead of the Creator Alighty (Yahweh) ?

Cape Verde Islands,
I am Fawkes and i need your love on this issue to understand my muse;
And like Pietro and Sarah who are now in love!
But, who know what the future will bring us?
For the words of war are now seen everywhere and mankind is now faced with the bullets!

Edward Kofi Louis
Fay-Ann

A visit to Lake Toba in Sumatra,
There you will meet my love in the landscape;
And of a farmer's paradise to swing along with your muse,
For the elaborated ceremonies are led by Fay-Ann my lover!

To eat and drink;
Tasty food,
Assorted drinks,
But, not all things are advantage in life.

Edward Kofi Louis
Feasting

Feasting, ate, tea, gains, if, sin, it, is, as, at, sting, tin, ten, nets, sing;
And like the cracking of horns under a pot!
Feasting, east, in, fins, gin, seat, eat, tins, saint, stain, faint, eat, neat;
But listen to the muse of love when it touches you,
For i am like the voice of a lover calling you!

Edward Kofi Louis

This love,
With many colours,
In many ways,
In your youth,
With alacrity and skills!
Even if for one day.

Edward Kofi Louis
Federer

Silent and still,
Where is the muse that i brought to you last night?
For blessed is the man who baths your body with love,
And dries you up with his kiss all the time;
Because Federer is out there helping the poor and the needy,
And i will care about you as well on this side of the bush.

Writing with another style;

Taste the difference!
Reading with another mind;

Forever young! 
With the muse of your sweet love.

Feel the difference,
In the land of the living;

Muse, life, peace and joy! 
With the style of my poetry touching your heart.

Edward Kofi Louis
Feel The Game

Feel the game and feel my love,
And inspire me with your care;
For I am the one who want to love you for who you are!
And like the muse that led your love to me,
But your kiss led the way to your romance.

Edward Kofi Louis
Feeling Of Guilt

Society and government,
Tender age!
Predicament,
Indebtedness!
Owed;
With the victim of the crises.

Pathetic!
To break the heart of the heartless;
Feeling of guilt,
Win, wine, wind, wink!
But, through suicide.

Dow, endowed!
To make that feasible;
Forces!
Passing through;
In the plush suburbs.

Cement, inclement!
Of her apinful and regrettable end;
Feeling of guilt,
Broad, abroad!
Like a picture of the trend;
And, with predicament.

Edward Kofi Louis

And this love is all about you.

Edward Kofi Louis

But, let true love be guided with the works of the truth.

Edward Kofi Louis

Sweet love,
Sweet harmony,
For just the two of us;
But, feelings are so strong on this love.
The challenge!
At the Blue Resort;
Like the sweet harmony of love,
But, feelings are so strong.

Edward Kofi Louis

Knees,
Trees,
Bees!
That frees my mind.

Edward Kofi Louis
Feet With Fetters

Sold as a Slave,
Old enough,
Into a cold country;
Act!
Permitted;
Bold! !
Feet with fetters;
Aid,
Laid in iron! !
But not gold,
Of the story told.

Edward Kofi Louis
Feet, Fleet!

Alas!
With the real thing to satisfy your heart;
Teach the world with the truth and, let us live in peace.

Ahh!
Searching for the answers;
Reach out to all with righteous characters and, let the truth be known.

Feet, fleet!
Meet and greet each other with the muse of love;
Like Coca-Cola and Pepsi,
Able to have a choice in life.

Edward Kofi Louis
Feet, Meet!

Feet, meet!
A fleet of ship;
To transact business,
And, to walk along the street,
Afterwards.

Edward Kofi Louis
Fela Anikulapo Kuti

Muse!
Like 'Fela's Afro-beat';
And, it reached out to the world!
To respect his muse.
The ways of life!
For the African;
With the songs of 'Fela Anikulapo Kuti';
Made known by his name,
With the muse of his Afro-beat.
The muse of life,
Sharing with you the memories of him;
While living in the land of Afro-beat.
Africa, Africa, Africa! !
My homeland;
With the muse of my identity;
And, with the style of my poetry,
To the world.

Edward Kofi Louis
'Felanitx', lax, axe, tax, next, let, fate, ant, axel, Alex, latex; And to fulfill that which was spoken through the prophets! ! But, you're well protected by my love. 'Felanitx', neat, eat, Felix, lean, an, it, fit, tail, nail, at, an, fin; With words of love in the land of peace! But, you need to protect yourself always in whatever you do. Feliciano

Feliciano, Felicia, on, in, lain, lane, line, fin, lone, ace, one;
On stage!
The bodyguard and the star;
Blue heaven!
Blue bay,
Blue, clue, due, sue, glue!
At Lakeside Club.
Feliciano, nail, fail, foil, oil, coil, face, can, fan, canoe!
On the straight and narrow path;
With the muse of the laws,
But, you are now being caught up in your illusion!
In the name of the pleasure things of the earth today.
Blue home,
With the blues of your life on stage;
Power, powder!
And, singing along with the crowd.

Edward Kofi Louis
Felipe

Felipe, lip, fee, if, pie, flip!
And, of the red mark;
Flip, lip!
With the same breeding;
And, being in opposition to the truth.

Illegal lust!
You shall be known by your fruits;
Both young and old.

Love!
To see it coming and,
Showing a smile on your face;
Life!
With the joy of peace.

Love!
It is a miracle to touch your heart;
With the torch of life.
Love!
To get your Attention;
Knowing what is right from wrong.

Ben, ten, pen, den!
Using psychology to overcome your enemies;
Illegal lust!
Like twisted vines;
With your face showing the hatred in your heart.

Edward Kofi Louis
Fell!

Back,
Fell!
Stumbled;
But, to wake up once again and,
Dwell with the truth!
Understanding life,
Expressing the works of peace,
Texts, pretexts!
To wake up once again after the fall.

Edward Kofi Louis
Fellow

Hello, hello! !
Fellow,
Follow,
I am calling you;
To lead you to the garden of love, peace and joy! !
Seeing the yellow flowers in my hand.

Edward Kofi Louis
Female

Female, me, male, ale, fame, meal, feel, fee, am, lame, eel, leaf;
But be my guest at this place!
And like the latest report of the wars in the land of your muse,
However, for the past seven years, i have been watching you.

Edward Kofi Louis
Female, Girl, Woman!

Female, girl, woman!
Out of man came woman;
So, the woman needs the man to be her head.

The muse of life,
Learning at the feet of righteous teachers!
And, to praise the truth,
After holding up to the laws.

The muse of mankind,
With the muse of the wise and the fool living together;
On this earth!
However, let us be wise enough to choose from the truth always and live in peace.

Edward Kofi Louis
Feminine

Feminine,
Style!
Beauty,
Attractiveness,
Beautiful,
Attractive,
Afar,
An identity,
Far-off!
Of a female.

Edward Kofi Louis
Femininity

Sexuality,
Erotic,
Femininity;
With pretty women in the land of your muse,
But it comes out that way!
So, be very patient to receive it.

Pity,
Presence,
Vexed,
Multitude;
Through the deep of your muse!
But to eat of its fruits and of its bountifulness;
Because you are now surrounded by pretty women!

Edward Kofi Louis
Feminised

Listen to me and i will tell you a story,
For it is time to log on to Yahweh! !
And He Has the Wisdom to foretell future events.

Gather yourselves together and come to me,
And hear the Voice of Yahweh when He calls;
For a feminised fish is now found in the Mississippi River in Minnesota.

Listen to me and i will tell you a story,
And like emerging infectious diseases;
But show Yahweh your belief,
Because the prophecies of our time are all written in the Bible! !

Written for our time period and spoken by the Saviour,
And like the perfect gifts in the hands of the righteous;
But the earth today is full of adulterers.

Edward Kofi Louis
Fence!

Fence, defence, pence, sentence!
Of a gravely ill man;
Slips,
Pleasant parts,
Flourish,
Grapes,
Roaming,
Rushing,
Running! !
And like mighty waters.

Edward Kofi Louis
Fend, Defend!

Man,
Date,
Mandate;
Fend, defend!
Mate,
Ate.

Edward Kofi Louis
Fend, End!

Sure, pure!
Sensors,
But the small computers in your hands today are called the Smart Phones.

Sure, closure!
Touchscreen;
Do the right thing and be glad with your soul.

Tease, tears!
Position,
Do not hurt your neighbours!
For, we were all created with the muse of love by the Creator.

Fend, end!
There are many obstacles in life;
But, let us watch our steps in whatever we do.

Play, display!
Magic moments,
Magic love;
With the muse of your roamance,
Able to bring up the works of the truth to others.

Edward Kofi Louis
Fender To Fender!

Bumper to bumper and,
Fender to fender!
Unplug my love and let me kiss your lips;
For, you have the power of my love in this garden.

Mellow moods,
Fender to fender!
Beside the still waters to watch your moves;
So, come and shake me down with your sweet love.

Give a little hand and,
Give a helping hand to your brothers and sisters;
Because, the labour of life on this earth is motivated with,
Peace, love, joy and humility.

Edward Kofi Louis
Ferguson

Ferguson, so, on, son, sure, use, no, fuse, rue, nose, ruse, sore, gore, ore, roe, sue!
With the determination of a land which has hit the road;
In a place called Ferguson!
In the U.S.A.

Life,
One sin leads to another;
Yes! One mistake from someone can easily lead the whole world to war! !
With an example seen in Ferguson;
To kindle the fire,
As the fire spread over!
With no justice in the land.

Love,
Two mistakes can never make a right!
With the chain reaction seen in Ferguson;
However, let the human race think twice,
And, let us all live together as one in unity and in peace! !
With the muse of joy than, with racism.

Edward Kofi Louis
Fermina

Fermina, in, an, firm, far, aim, mean, Mina, mine, arm, ram, fear, mare, farm, ear, era;
With the muse of love along the ways of life in my hometown!
But, with the ups and downs of my life as well in many occasions,
Hoping to succeed and to reach out with my sweet arms to the poor in need.
The muse of joy and the muse of life under the eyes of the aroma of nature!
To nurture my mind with the sweet words of peace as I carry on my works;
And, to find love under the watchful eyes of the laws! !
Searching for the one who will surely turn out to be mine forever; and, with the shining star as the light.

Edward Kofi Louis
Fernanda

With the muse of all the inhabitants of the earth;
Listen to the muse of life and the ways of nature!
For the palmerworm has left has been eaten by the locust.
Fernanda, far, end, and, near, ear, era, dear, den, read, red, dare, afar!
Seeking for the works of the truth with peace, love and joy.

Edward Kofi Louis
Ferocity

The seas should collect all the memories of my past!
And, let the sun shine on me when i do sleep;
For, sweeter and deeper is the muse of love to my mind today.

The kiss of life!
To kiss the passionate lips of love and to open the gates of peace and joy;
Like the fairly tale of love from a mountain's view.

I am the one!
Of whose value changes without notice;
But, with the cognizance act to respect my culture and the world.

The kiss of life!
With wholesalers and retailers;
And like the muse of wine which gets better with time.

The kiss of life!
With the ferocity of my history to the retrospect act of my ink;
But, i was brewed in Ghana.

Edward Kofi Louis
Ferris

Old and new wine is robbing my people of their senses,
And justice has become injustice to them;
For a poisonous weed is growing around them.
Ferris, I am as dark as the desert tents of Kedar!
But beautiful as the curtains of King Solomon’s Palace! !
And my conduct had opened important frontiers for me.

Edward Kofi Louis
Fertile Valleys Of Love

Fertile valleys of love,
Are you now overcome with wine?!
And like a diadem of beauty and a crown of glory;
But the waters will overflow the hiding places.

What can you say when, no one understands?
And like the first fruit of your love before the summer;
Who can you teach when, no one listens?
And like the summer and the winter in the land of your muse;
For, you have forgotten to be merciful.

The foaming wine,
The sun and the moon;
And like a heap out of a strong city!
But, he or she who swims spreads forth his or her hands;
And like the lovely dew in the morning.

Oh, Vineyard of red wine!
Red-red-wine! ! !
But, fury is not in me;
However, woe to the drunkards of this world!
For, your glorious beauty is now like a fading flower.

You have beem a strength to the poor my sweet one,
And to the needy in distress as well;
However, many will run away but, they cannot hide.

To reel to and fro like a drunkard,
But time will tell on this love,
And like a refuse on the ground,
But, who can understand the errors of mankind?

The joy of your presence is like the muse of success!
But, i am poured out like water;
And like a dream that has come true,
But this time is passing away.

Blessed is the one who consider the poor ones,
And from the gates of death to the passing of time!
But, in the fertile valleys of love I will rest my mind.

Edward Kofi Louis
Fervent Zeal

On the hill,
On the move,
With your hearts;
Seeking for the truth,
With the muse of righteousness from the laws.

Love,
Gathered together;
On the hill!
However, in the prayers of the righteous,
There should be fervent zeal.

Quest! !  
Banquest,  
Best!  
Footsie,  
Nest,  
Brook, crook!  
Croquette,  
The best always wins;  
However, there are crooked ways in life at times.  
Who is this man?  
Who is this woman?  
Who is this girl?  
Who is this boy?  
Bars for drinks and,  
Bars for the laws!  
But, today,  
You are behind bar.  
Bun, bin!  
Shameless,  
Even though you are naked in the yes of the public.  
Age, heritage!  
With the passage of the works of the truth;  
Taling the advantage to learn for the better,  
In the name of this festival.

Edward Kofi Louis
Few Are Chosen

Many are called but,
Few are chosen;
So, do love your neighbours as yourself!
Fulfilling the laws of peace,
And, to bring peace to the world.

The truth,
With authority and power!
But, give us this day our daily bread;
And, let us all share in peace,
For the joy of the earth.

Edward Kofi Louis
Fictitious

True character and fictitious personality,
But achieve the things that matters to you;
For clearer understanding is what you need,
And like the kitchen stories around you.

Lips and eyes,
Mouth and legs;
And like the slums of Africa! !
But don’t worry much about the things around you,
For i am here to guide you on to reach out to the world!

Illusions,
22 bullets!
And like a woman’s bath house;
But think about it and use it well.

Edward Kofi Louis
Fields And Vineyards

A part of him,
A part of her,
And a part of love;
Living in houses and to enjoy the eating of the produce of the fields and vineyards! !
But this muse of love is just exactly what it says as seen by all around you.

Edward Kofi Louis

Fields of light,
Fields of love;
With the muse of peace,

Evil works!
With hatred in your eyes;
Killing and destroying,
With fierce expressions on air! !

Edward Kofi Louis
Fiery Indignation!

An evil conscience,
With fiery indignation!
Wickedness,
Adveraries,
Trampled! !
Illegal lust,
Terror, horror!
It will never bring us peace.

Insult!
Exposed,
With your acts,
Your negative acts,
With your works,
In the land;
Afflictions! ! !
Destroying the homes of peace;
In the name of hatred and war.

Edward Kofi Louis

Fight,
Flight!
The red dragon against the red devil;
Seeing to the history of life,
With superstition and mythology.

Edward Kofi Louis

Fighting and killing!
All in the name of hatred.

The route,

Emerged.
Sheer, seer, deer!
Still waiting for your turn;
Through several meetings in the land of your love.

Soak, oak!
By night,
To meet you in the dark;
Black Tower! !
Figurines, figs, sure, gun, rigs, gin, if, Sir, is, sun, sin, Ur;

With the delight of love.

Edward Kofi Louis
Fill, Fulfill!

Fill, fulfill!
Your love;
With the works of the truth,
For the perfecting of peace! !
Needed in your town.
Crown, own, brown, shown!
Life,
Tossed to and fro!
Carried about with every wind of doctrine;
Sight, sleigh, sleight, light, slight, sightseeing!
To fill your mind with the muse of the truth and,
To fulfil your dreams in this town.

Fill, full, fall!
Waking up after learning from others.

Edward Kofi Louis
Filled

Pea, sea, lea, tea!
They would not listen,
They would not look,
They would not hear,
Because they are filled with hatred!
But shoot the ball into the net and,
Let your goals make a difference.

Filled,
Field,
Feel;
And like a drink offering in your land!
But you are accustomed to do evil.

Niggle,
Isomer! !
Killing men, women and children;
All in the name of the hatred in you.

Edward Kofi Louis
Illegal lust!
The light of the lamp of love shines no more in you;
Because of the filthiness of the flesh,
Leading and destroying your life.

Edward Kofi Louis
Filthiness 2

Filthiness!
Drunk with the sins of the world;

Usury,

By their fruits you shall know them.

Edward Kofi Louis
Filthiness 3

With the wickedness and the lewdneds of the world;

Filthiness!
Defilement,
Intensity;

Uncleanness,
Falsehood,
With the sadness of the world around us today.

For filthy words do come out of your mouth always.

Edward Kofi Louis
Find Me A Home

This is the way,
This is the dream,
This is the path,
This is the poem,
This is the earthen clay!
And like the large image in your room;
But try to find me a home to lay my head.

Wind, mind, find, kind, bind, blind, grind, rind, hind;
The head of fine gold!
But, she was promoted to the next level;
Song, long, among, along, wrong, pong, prong, prolong, bong!
Breasts of silver;
And, with the stomach of bronze.

Edward Kofi Louis
Find The Button

Love!
Find the button and press it;
Leading to peace, unity and care.
Hover, over!
With the muse of the mind.

Feelings!
With the look;
Love!
Separating the content from the style;
Love!
It can be answered very simple but,
There are different ways to present it.

Toy, Roy, boy, ploy, troy, joy!
But find the button of love and press it.
Love!
Like hot and cold buffet;
And like life after the flood.

Whirl, girl, swirl;
Love!
In blue;
Love!
In white;
Love!
In red;
But, alone at last.

Thrill, drill, grill, frill, rill, krill, trill!
But, lonely in the night;
Whine, wine!
Searching for your way through;
Like the poet and the muse of a river,
Like the poet and the muse of life;

And, in our respective ways.

Edward Kofi Louis
Finding Out The Solutions

What is love?
What is joy?
What is life?
Finding out the solutions through positive characters;
And, taking care of each other on the other side of the river.

It was just,
Just one night;
It was just,
Just one cry;
It was just,
Just one mistake;
It was just,
Just one story;
Finding out the solutions through positive characters today.

One's history,
One's story,
One's life;
It was just,
Just one rose;
It was just,
Just one dream;
It was just,
Just one act;
Finding out the solutions today through positive characters.

Fine Pearls

To the flute players,
To the professional mourners,
Don't cast your pearls before the swine;
What kind of man is this that i have to touch his tallit?
Fine pearls, fine pearls!
What kind of woman is this?
She who had been the wife of Uriyah.

To sit down with Abraham,
To sit down with Isaac,
To sit down with Yaaqob,
Your eyes will see this and more;
For i am the one with the fine pearls.

Was Cain not Abel's brother?
Was Esau not Yaaqob's brother?
Outwitted by the wise men when,
The fine pearls were laid bare.
Meek and lowly in heart,
Where are you lovely ones?
He who is not with me is against me,
But my mind will always write.

To be trained like a bird,
To be trained like a pilot,
Like a young child and his father;
Peace to the heavens with the fine pearls when,
My mind do the writing.

Edward Kofi Louis
Fine, Find!

Each year has its own problems in life;
So, maintain and preserve the truth with the works of righteousness.

Dwell in the secret place of the truth and, abide under the shadow of the laws;
pay attention to the works of peace and, bring joy to the world.

Fine, find!
The ways of the Creator are different from the ways of mankind;

Cluck, clokc, clunk, clutch!
The company we keep is the mirror that we are.

Vintage, vantage, passage, age, advantage, cage, stage, sage, page, courage, voltage!
To encourage your mind with the works of positive moral lessons;

Able to change you for the better! !
And, to share with your neighbours in peace than, with hatred.

Edward Kofi Louis

Edward Kofi Louis
Fingerprints

You don't even know it but it is all around you,
Yo don't even love him but he is all around you,
And you shall now show partiality to the poor;
For peace is a great honour but love is what you need,
And i want to know what makes you cry.

Life at times is made up of the male testicles and,
The female ovaries with our footprints;
So isten carefully and learn about the truth,
For our footprints of our lives are everywhere.

Edward Kofi Louis
Fingers

Nice piece of work!
With fingers to play with and lessons to learn with;
Studying the very ways of life with the romance of nature,

I am from Finland and i speak 'Finglish'!
Because i am learning the English language and,
It always infuses with my Finnish.
I am learning to keep me going but,
I do speak my English like 'Finglish'! !
And i always try to enforce the truth of my peace like,
The subconscious act from my mind to muse up things:
But i am unaware of your love.
Try to keep me informed on this love and,
Try to teach me the English language so that i cam be with you;
For the heavens and the earth do know how i do speak.
Keep me on the tracks of your love and teach me more!
For one day i will learn the English language very well;
And i will be ready to teach you my Finnish language as well.

The mysterious status of Easter Island,
And of the reflections of Parthenon;
For the temple of Artemis is there ofr you to see,
And it is also the temple of Diana of Ephesus.

To the Greek Goddess Athena and,
To the muse of love around you;
For on the Acropolis came the citadel of Athens.

I was once lost in these temples erected but,
I gained wisdom with my name, Fink!
And today i am what i am from these facts.

Edward Kofi Louis

Lying words among men,
And living words among the truth;

And i have seen the lying lips around my me.

I am quizzed to the art of your love and,
I need a vision to stand upright;
For i have met your mother and your little brother.

Of the elegance of the opera,
Of the strikes on the blues of love;
But, the first night of your love cannot be renovated with a dress.

Elitist to the art of nature on a millenium,
Surf unto her love like the midnight blues;
And with profoundly protective effects.

Forever in love and forever young,
And to the connotations of this planet with the parralel of rthings;
Because the purists state of it will take you to an embarrassment.

You can actually change your genes with peace and joy;
By following after the Laws of Yahweh.

Edward Kofi Louis
Fish Pond

The roar of the commanders and of the battle cry,
But bless and joyful is the man who loves Yahweh;
For sin has entered into the world through one man.

Cream of fluffy,
A cup of milk with roasted meat to share with you;
But in the latter days you will understand me perfectly.

To the fish pond,
And of a hole dug out of a solid rock for your love;
But out of man came woman,
And my love to you is like the confectioner's sugar!

I saw a kite yesterday and it was beautiful,
But every egg must be carefully boiled;
For this lady's guiltiness is still with her.

I am Fitrah and every woman must be carefully kissed,
For i saw this beautiful kite up high yesterday;
And like the beautiful leaf under the big tree.

Edward Kofi Louis

A qesita,
Cinnamon! !
Affectionate,
With love;
With the muse of life!
Gold ring,
Old enough.
Peace and joy,
With gladness;
Flask, ask!
As beautiful as the daughters of Iyyob.
Muse,
Use;
The inheritance,
To be satisfied with the muse of the truth;
In the name of servitude and attitude.

Edward Kofi Louis
Artistes,
With success stories;
The passion of love,
We are all human beings!
So, why can't we love each other and, live in peace?
The label,
Flat like carpet;
And, you can imagine it.
Coming out! !
On another level;
With the opportunities of life.
Up and coming,
To know how to control yourself in this world of sin;
Growing up with tears in the ghetto.

Edward Kofi Louis
Flattering

Flattering, train, rain, fling, ring, gin, in, fear, gear, fire, tear, era, near;
But corrupt to the African syndrome!
So, watch your steps before you fall very deep into the hole!
And like the flattering divinations in the land of your sweet muse.

Flattering, eating, tale, gel, fate, rag, age, grain, gain, fine, fin, feat, neat;
And like the struggles of the African child!
But, when will our leaders do the right thing?

Flattering, later, flatter, raw, flat, grit, get, gate, at, an, if, felt, fit, air, war!
With the very act of your muse in the land of trouble;
But corrupt to the African syndrome!
So, try to be yourself to do the right things always.

Flattering, fat, tea, eat, ate, rat, art, tar, rate, late, ant, latter, alter, are, ear;
Honesty is the key of life so, let us live by it!
For, the struggles of the African child do have many meanings as seen around;
But, the flattering words from our leaders are not helping matters.

Edward Kofi Louis
Flaw, Flow!

Law,
Flow,
Follow! !
Fellow,
Like thw yellow colour.

Catchy curry figures;
Appealing,
Young and innocent;
Bubby, and likable,
Energetic! !
Romantic,
Defined with the muse of love;
Vibes, tribes!
Like olive tanned skins,
Captivating,
And, with great care.

Edward Kofi Louis
Flee Away

Sorrow and sighing,
But like a ransomed act in the land of your muse!
And this history is for a reason;
But, let the Devil flee away from you and,
Live like a human being with the joy of gladness.

Edward Kofi Louis
Flee From It

Flee from it!
For it may easily lead you to your death;
And like the negative acts of the people around you,
But the wages of sin is death! !

Edward Kofi Louis
Flee From Your Sins

Mystery, history, story, contrary!
Flee from your sins and live;
Displaced with the works of life,
But, there is hope ahead of you! !
So, flee from your sins and live.

Edward Kofi Louis
Flee From....

Sanctify yourself and be prepared for every righteous work,
And flee from your youthful lusts!
For many will let you drift into their ways,
And like a person battered by the strong storm of nature.

Edward Kofi Louis
Flee!

Fee,
Flee!
Free,
To agree with your mind;
But, the bee is still flying around you.

Edward Kofi Louis
Fleet, Feet!

Foot,
Afoot,
Float,
Afloat,
Fleet, feet!

Prey,
Pin, in, pain!
Fey,
A change in its leadership;
To a different brand,
In a better position,
To open the door.

Edward Kofi Louis
Fleeting As A Breath

Futile!
Fleeting as a breath;
Vapour!
Like a bitter cry heard in the land of war;
Muse, life, peace!
In the air;
But, for the lack of knowledge my people perish.
This power!
This life,
Of the reign;
Rain, reign!
Under the sun, moon and stars;
But, stripped off with the guns of war.
Water and wine for your libations!
Futile,
Fleeting as a breath;
To save you,
However, you were oppressed in the name of war.

Edward Kofi Louis
Fleeting Pleasure

Illegal lust,
Fleeting pleasure! !
Rape,
The alleged crime.

Edward Kofi Louis
Flesh And Blood

Flesh and blood,
Sway, way, say!
Shedding of innocent blood;
In the name of hatred and war.

Edward Kofi Louis
Flesh And Bones

The flesh and bones on this earth,
But we all need to learn to improve on our various dreams!
So open up your doors to me and accept my love,
For this ship is now sailing to America.
Let us set the sail straight ahead on the course,
And let us all be in unity on this earth;
For the old will serve the younger and the sea will be joyful,
Because the clay has no power over the potter!
But one's own willingness is like flesh and bones.
It was said to you but,
Let us begin from the beginning;
For this matter is like the case around your muse,
But we need to sail on peacefully to our various destinations.

Edward Kofi Louis
Flesh, Flash, Flush!

Flesh, flash, flush!
To understand much about life and,
To acknowledge it along the line;
And, to conceal it from other things.

Hollow, hallow!
With the muse of the hollow rock;
As love came around and,
She found you in the cave.

Hollow rock!
She has now found love;
Under the fig tree,
With the muse of the land in view.

Love,
To see greater things with the muse of the truth;
And, to glean the vineyard of peace with the righteous laws,
According to the joy of the hearts.

Edward Kofi Louis
Fleshly Lust

Our sins will lead us to Hell!
So, we better gain Heaven by doing righteousness.

Heaven and Earth will pass away for,
A New Heaven and a New earth which is spiritual;
So, let us gain this New Kingdom with true love and peace.

Oh! ! ! ! Our fleshly lust!
Our fleshly lust will lead us to Hell.

Edward Kofi Louis
Flexibility

Pelvic belt,
Flexibility,
To change,
To act!
At different stages;
And, with a different age.

Love and peace,
Let your life be seen in the right direction;
Unity and care,
Let them govern your life;
Internal, external!
The forst fruit of love;
Like the morning star.

Love!
To put theory into practice;
Crystals!
Polarity,
Cry, crystal!
And, like the rise and the fall of the tide.

Love!
With energy currents;
Positive and negative,
Top and bottom! 
Flexibility;
And like the first fruit of love.

Edward Kofi Louis
Flexible

Flexible, fee, feel, file, Felix, bill, bile;
Keep, upkeep!
With the muse of compassion to the world,
Under the ways of the laws that brings peace.

Exploitation!
The phenomenon of others in this life;
Roller, comptroller!
But, true love id with proper care.

Meagre!
With ignorance and poverty;
Engaging,
Exploited.

Flexible, be, bee, beef, if, ill, fill, belief;
With slavery and servitude in the land,
As mentioned before for us to learn!
But, true love is with compassion and responsibility.

Edward Kofi Louis
Flint Knives

Flint knives!

From the heavens fought the stars;

Swept, wept!

Oppressive,

No means of livelihood;

Utterly destitute! !

With the evil works on earth.

Edward Kofi Louis
Flirting

A flirting wife and a flirting husband,
With an unusual knock at the door of love;
But the hairy chest and the lovely lips will tell the story,
And one day you will be caught and exposed!

Venus is the pagan goddess of physical love,
And like 'Sunday' for the Sun God;
But with fallible and erring all over the world!
For i have seen enough with my eyes.

Edward Kofi Louis
Floating

Spirituality!
Walking in the clouds,
With the muse of my imaginations;
Fuse, muse, infuse, use! !
In higher realms,
With the muse of my mind;

With the respect of the universe,
In the name of Righteous Works.

Edward Kofi Louis

Dock,
Lock,
Shock!

Edward Kofi Louis
Tell me where she is and let me look for her,
Because she is perfumed with myrrh and frankincense;
And behold! ! The bed of roses is what she lays on.

Your teeth are like the flock of Shorn which came up from the washing,
And like the beauty of your bed well laid last night in the land of peace;
For, your speech is comely and, your lips are like a strand of scarlet.

Tell me where she is and, i will look for her!
For the beauty of this land is like the beauty of the rainbow;
And, i need to know much about her.

Edward Kofi Louis

Florence

'Fracture for fracture, eye for eye, and tooth for tooth! '
But as a man injures another,
So shall he be ingured in the same way too.

Florence, you shall not make gods (elohim, teraphim) for yourself;
And you shall not eat anything with the blood in it.
Florence, things may fall apart at times;
But do wake up in life again and move on,
For anyone who commits adultery with a man's wife is not wise.

'Fracture for fracture, eye for eye, and tooth for tooth! '
But like the first day of the second moon,
Try to keep on along the right paths of life to gain your future.

Edward Kofi Louis

Flying Fiction

The flying fiction of a goal keeper,
Stronger enough with the spirit of love;
But the beginning of love is from the womb.

The flying fiction of a goal keeper,
Stronger enough to educate your mind;
But there is a great job ahead of you down the hill.

I am still looking and searching,
For i have still not found what i am looking for;
But the acts of your morals are more than a sacrifice.

Of a skinny rabbit,
I desire mercy than sacrifice!
And of love than lust;
And to espouse and to give succour to my muse.

The flying fiction of a goal keeper,
Stronger enough to take you by the feet!
But the blossoming part of his astuteness is all about love.

Edward Kofi Louis
Flying Over

Tonight is the night,
So, tell me what you want if,
You really need something from me;
For, i am still waiting up high in the sky,

Edward Kofi Louis
Flying Serpent!

Of the great and dreadful days ahead!
but, choose what is right.

Forty days and forty nights!
And, the wars were held back.

It is allowed,
And it is noted in your land because of your culture.

How can you love someone that you don't even know?
Think about it.

Of the things noted by the Red Sea,
For you are here for a purpose; so, use your mind wisely.

Terror and sorrow!
With bows and arrows aiming at us.

The hunted gazelle!
With mighty signs and wonders.

Out of the serpent's root cam an adder,
However, righteousness is above food and drink.

Rest from the terrors around you!
And, rest from your sorrows.

A fiery flying serpent!
Each man with his lover and each man with his own house.

A fiery serpent!
Puffed up with pride.

A fiery serpent!
Do not be wise in your own conceits.

Of the seed of love,
Do not take more than you can eat.
Hungry and thirsty,
Poorly clothed.

Of the river, the sea, the lake and the path of your mind;
But, i am like a spectacle to the whole world.

Why condemn the men to death when, you are also a sinner?
For, you are now puffed up with pride.

Edward Kofi Louis

Love,
With the muse of peace than war!

Life,
With the kiss of death in the name of war!

As seen on the earth today;
In the name of greed which leads to hatred.

Your negative act,
Impudent!

With your negative acts,
With the scenario in the land.

Edward Kofi Louis
Foolishness!

Tyrants!
Violent men;
Raping women.

Foolishness!

Lust,
Causuistry, try!
And, bringing harm to others.

Edward Kofi Louis
Fools In Bethlehem

Fools in Bethlehem,
Eating the food of the dead will not help you!
For the rainbow had already seen your nakedness,
And i have a message for you all.

Edward Kofi Louis
Fools On This Earth

Yesterday it was like a woman's voice at 4: 45 P.M.,
But today it rather sounded like a male voice at 1: 10 P.M.;
So i spoke a foreign language to confuse them,
Because people have turned out to be fools on this earth!

Edward Kofi Louis
Foot, Footstool!

Speak to her and tell her the truth,
Speak to him and tell him the truth,
Foot, footstool!
Speak to them and tell them the truth,
Speak to us and tell us the truth,
Stool, footstool!
Speak to me and tell me the truth,
And, it will be well with me.
Blues! !
The blue light;
It is well with my soul.
Tool, footstool!
Learn and teach the truth always;
And, it will be well with my soul.
Story, glory!
Very special;
With the casual wear.
Of the Euro and the Dollar!
Controlling the world today;
And, in alliance with your muse!
But, it is well with my soul.

Edward Kofi Louis
Foot, Soot, Shoot!

Foot, soot, shoot!
The seed,
The speed,
The need,
Heed, breed!
Reed,
Creed,
Not with your greed.

Edward Kofi Louis
Footling

Footling, foot, gin, to it, of, if, go, golf, in, got, fog!
But achieved through challenges to win your love;
And like the muse of Africa in the news worldwide.

Footling, ton, not, too, on, no, long, loot, fin, fool!
But i need a glass of water to quench my thirst on this love,
And like the words of your mother in the land of your muse;
But try to live peacefully always with everyone.

Edward Kofi Louis

I was in your land for 10 years!
But, nobody respected me for who I am;
So, I left.

Edward Kofi Louis

For 3 weeks;
Because of your sickness.

Edward Kofi Louis
For 7 Years!

Ears, years! 
To be kept in a room;
For 7 years!
But, people are eager to work for a living;
However, the system kept them away like prisoners.
Check, cheque!
Pay cheque;
But, these people have nothing at hand;
Because, the system had kept them away like prisoners.

Edward Kofi Louis
For A Better Tomorrow

Coral, oral, coal!
Both inside and outside the region;
And, with the ways of life.

Your love is for a price!
And, i will work my way very hard to buy you.

For A While

Should i visit you and stay for a while?
For, the chosen branch is now in your hands;
But, i am like Pharisee searching for the truth.

Life!
To the village;
Muse!
With discussions.

Of the development,
Of your love,
Of the classroom;
And like 'River Pra' in my hometown!
But, i will only stay for a while with you.

Scenario! !
Seeing the acrimonious nature of things;
A visual expression!

A case in point,
But, with the endorsement of the truth.

Edward Kofi Louis
For All Races

For, fore!
My sweet love is far all races;
Living in Africa with the muse of my mind.
Read these writings and,
Reveal the interpritations! !
For, true love is not by words;
but rather, with actions!
You will understand this matter when,
True love touches your heart like the light from a torch!
For, love is not a decision.
For, fore!

With your sweet love in the land of joy;
For your sweet muse of love is now exposed to me,
And, i want to see your smile always.
Your sweet love!
Exposed before me;
My swett love!
exposed beofre you;
And, to all nations and languages,
However, this poem is for all races to learn from.

For Another Man

You may ask, 'why'?!
But, the answer is still with you,
Because you are now facing the consequences of your own act;
Just as you have forsaken me for another man.

Edward Kofi Louis
For Five Cedis

The lovely singers and of a dove's dung sold for five 'Cedis'!
The words you speak with your lover is always being heard outside;
So do watch out for the words coming out from your bedroom.

Engagement, enlargement, dimensions!
The words you spoke in your bedroom are already being heard;
And to write my muse is like to proclaim the message of your love,
For true love refreshes and keeps alive always.

The water of life and the liquid of love,
To work out the vineyards of love and to sing the muse;
And in your own eyes with an encounter.

The paasion of love and the water of life,
I am at the outer most heights of the mountains of Lebanon!
For the lust of the flesh is all about the love in the air,
And Adam was not able to correct his wife, Eve.

Trees in the Garden of Eden,
And of Hiroshima and Nagasaki!
But fulfil ye my love with your joy on this side of the river;
For the bedroom noise of love is all being heard around your house.

We have a job to do and,
This message is clear to all who heard the cry of love!
For out of the garden of love came something sweet;
But in pain you shall bring forth your children.

The fountains of the deep came with love,
And of the deep blue ocean with your speech at last;
For the raven and the dove came to watch your acts in this garden,
And out of the garden you came at last.

Edward Kofi Louis
For Five Years

And i am ready to give it to you for free.

Edward Kofi Louis
For Her Burial

Fastened and securely protected,
But, this special stew is for Hiram.

Edward Kofi Louis
For I Am A Nomad

For Love

Oh my handsome man,
I will be around to enhance your status-quo;
So come into the merry-goes-round of my innerself,
Where love is the true message of all things.
You are always in my dreams and,
I will do anything for love;
Like love in the afternoon with,
The heat of the summer.

Edward Kofi Louis
For Me And My Soul

Love,
It's beautiful light;
A gift,
The lift,
To drift deep down,
With the truth!
For me and my soul.

Edward Kofi Louis
For Mike

This Poem is for Mike,
A friend of mine who died on the 28th of June 2013;
Being friends for over 30 years in Africa.
Sadness,
That's how life is at times;
Oh Mike! !
May your soul rest in perfect peace.

Of the muse of nature!
This is the life that we live in;
Knowing you for over 30 years;
But, your candle of life burnt out so soon in the wind.
Sadness!
Death came and took you away;
And now, i cannot drink the last glass of red wine with you.

Edward Kofi Louis
For Murderers

The law is not only laid down for a righteous person but,
Also for the unholy and profane;
To the land of dragons,
To the land of elephants,
To the land of crocodiles,
To the land of parrots,
And to the land of farmers;
The law is not only laid down for a righteous person but,
Also for murderers of fathers and murderers of mothers.

Edward Kofi Louis
For My Children

Life is incomplete without you,
And things aren't always the same as it seems;
For, this is the story of our town and out homeland.

Edward Kofi Louis
For Peace

I came for peace and with the care of my love,
But will you reply me with the words of war? ! !
Then think twice about the muse of this love,
For we can't get anywhere with hatred!

Sweat, wet, sea, tea, eat, ate, sat, at, as, we, saw, was, seat;
But i came over to your house to meet your people with peace,
So think twice before you reply me with the words of war!

Peaceful moral lives,
Living with the muse of the truth!
Touching the hearts and the minds;
And, bringing joy to all.

For peace and for joy.

Without the bullets of war.

Mallorca, mall, or, call, all, am, arm, Marco;

Edward Kofi Louis
For Sale

Gossip travels faster than you think,
But the case of this event is for your love!
And like virgin girls for sale.

Virgin girls for for sale,
And beyond the glass-wall of love to teach us;
But in the Month of Nisan i will remember the day of old.

A gaint-size egg!
And of the virgin girls put up for sale! !
But our sweet memories will last forever.

Shiny and new,
For it is set to vibrate;
But her last boyfriend played drums with her!
And today we have the virgin girls being put out for sale.

Edward Kofi Louis

Love!
For self betterment;
Love!
Selling peace and unity;
Which leads to joy.
Love!
Living in this last generation;
And, to seek for the truth.

Youthful lust,
Sinful desires,
Lacking and wanting!
But, let true-love guide you on and,
To overcome the sins of this world.

Love!
To overcome riotous living;
Love!
With care and joy;
Which leads to peace and unity.
Love!
To enjoy life with the muse of the laws.

Edward Kofi Louis

Meeting you once again;
Too long! So long! !
Lost in transit,
For so long!
Miracle,
The miracle!
Still with hope;
Until that day.

Edward Kofi Louis

For the first time;

Obeserved!

In the land of the living.

Edward Kofi Louis

Think of how you met her;

With the muse of the passion around you by then;
For the first time.

Into the Hall;
For the message,
Before they enter into the Big Mall,
For their shopping.

Edward Kofi Louis
For The Next Day

I am always with words and i do love you,
But, i still have to wait for the next day on this love.

In my lifetime,
I have now come to meet you!
But, i am still have to wait for the next day.

Edward Kofi Louis
For The Peace Of The Earth

Prevention is better than cure! So, take care of your life and be straight; for the peace of the earth.

Writers and artists!
Shaping the world with their respective minds;

Born and, to die! One life to live; but, let us live it well with the works of righteousness.

Obey the works of the truth and live in peace;
Don't reject righteous morals!
Change and ne straight,
For the peace of the earth.

Edward Kofi Louis
For The Right Time

Plain and simple,
Live and lovely!
For the right time;
In this life,
And, utilising every opportunity given.

True life!
It pays to wait;
For the right time,
And, to love the muse of the poetry of nature itself.

Nice and simple,
Plain and useful;
To have a dream about it,
Coin, coincide!
With the muse of the hite flowers;
In the garden of love.

Edward Kofi Louis
For The Righteous

The end! !
Of a special Heaven,
Of a special Earth,
For the righteous.

Edward Kofi Louis
For The Sake Of Love

I am the muse that speaks and the carnal mind is around too,  
But my love to you is like the sweet potatoes!  
For in it you will find the teaches about self control.  
The vessels are fine and my muse is ready,  
With words from the nosological relatives around;  
But, i will paddle my own canoe for the sake of love.

The riddle of this muse and the rhythm of the blues,  
The fiddle of the fields and the songs of love,  
Like the digestive systems of man;  
But the ruminants are like the surgical stapler.  
Oh, what's love got to do?  
Somewhere, anywhere, nowhere!  
Cain hated Abel and i loved you;  
But to cogitate is to love you all the way.

Edward Kofi Louis
For The Sake Of Unity

Let me call you with your name and,
Let me know you better;
For the sake of love,
For the sake of peace,
For the sake of unity,
For the joy of the land where,
The laws are respected.

Edward Kofi Louis
For The Sake Of Your Sweet Love

Let me do it because of love;
For the sake of your sweet love.

Edward Kofi Louis

For the third time,
For a third term;
And, Vladimir Putin was sworn in as the Russian President.

Edward Kofi Louis
For The Truth

Each second,
Each minute,
Each hour,
Each day,
Each week,
Each month,
Each year!
Seek the place,
For the truth.

Ride, hide, tide, pride, wide, side, stride;
And like those who eat swine's flesh!
But, the prophecy is what teaches us who the true saviour is.

Lies, flies, tries, dries, fries!
Seek the place;
From the living to the dead,
For the truth and live forever.

Place, lace, face, race, ace, palace!
Choose the laws and seek for the truth and live;
For, you belong to whom you obery on this earth.

Doll, toll, poll, roll, scroll, stroll;
For the truth!
In this life;
And, be the doer of righteousness than, t
To swim in your sins with the pleasures of this world.

Edward Kofi Louis
For The Unity Of The Earth

Let us all stand up at one place and work;
For the unity of the earth!
Without hatred and war;
For the sake of peace and love! !
In the name of humility.

For The Unity Of The World

Let's live in peace with each other,
Let's care for each other,
For the unity of the world;
With love and joy than, hatred and war!

Edward Kofi Louis
For The Very First Time

On a hill,
In a severe environment;
But, it is one of the outstanding houses among the lot!
With well laid streets,
However, your romance is now being revealed for the very first time! !

Edward Kofi Louis
For These Things

Tablets of love,
But written with ink to spell out your name;
However, it was noted and read by all.
For these things,
For this love,
And like the motives of your muse;
But with such confidence to reach your home!
Because, you are the reminder of my love;
And, i have the letters of recommendation on this muse.

Edward Kofi Louis
For This World

About men,
About women,
About life,
About love,
About children,
About war! !
And the bombs came killing us than bringing us peace;
For this world is now infused with hatred than with peace.

The Blue Cafe,
The Blue Water,
The Blue Beach,
The Blue Love;
But, the blues of was has now overtaken all of us! !
And, i am now resting at the Little Bay Beach.

Edward Kofi Louis
For Two Years

An angel of Satan tormented me for two years,
But my faith in Yahweh led me on!
Even though i was in serious pain,
I moved on in sleepless nights but with joy.
In hunger and in thirst,
And like the Book of the Willows;
But the pools of water and the streams of love guided me.
For two years to walk through with pain at my back,
But out of the serpent's root came forth an adder!
And the off-springs were fiery flying serpents.

Edward Kofi Louis
For Us

Justified,
Glorified,
For us;
When the right thing is done.

Edward Kofi Louis
This song is for us,
There is a sky above us!
And, there is hope along this narrow path.

The poem is for us,
Because i love you! !
To write this poem as a song for you.

Love and dreams!
For us on this side of the river;
Being there for me.

Poetic lines,
The muse of this sweet love!
With the spiritual joy of my heart;

This poem is for us,
This song is for us,
You are the light of my heart!

Edward Kofi Louis
For Us 2

For you!
For me,
For us;
This Love,
Is all that we have.

Edward Kofi Louis
For You

Exhorting one and another,
Not forsaking the gathering of ourselves;
Because some people do worship trees and,
Others do worship stones in this world.
I do have my sincere love for you and,
I will be there always to lead you on;
For the truth is always the truth.

Edward Kofi Louis
For You Iii

Love,
For you;

Life,
For you;

Beauty bags,
Effects!

The act of love,
The act of peace.

Love unites the world and,
War divides the world into pieces!

Creativity is part of creation;
So, do the right thing and let there be peace.

Creative minds shape the earth;
With the works of peace and joy!

Dividends!
The prose of life at times is like the pose for love.

Edward Kofi Louis
For You And I

Money!
Honey;
The trumpet is now sounded,
Because, the time has come for you and i.

Life,
With the deed of the truth sealed with love;
Like terms and conditions!
But, the laws of peace are always needed in life.

Edward Kofi Louis
For You And Me

The different names,
The different acts,
The different ways,
the different works,
the different cells,
The different words,
Making waves!
But, for you and me.

Edward Kofi Louis
For You II

This poem is for you;
With the expression of your love towards me.
Caring for me!
In all respect;
And, to thank you,
With the muse of the compassion from your lovely heart.

Edward Kofi Louis
For You My Love

This poem is for you my love;
Writing to touch your heart,
With the works of peace and unity.

Edward Kofi Louis
For You Only

It is love and peaceful,
It is kind and easy,
It is sweet and sensation!
So, do not ignore my love;
For, this message is for you only.

The path of life and the expression of my love,
And of the amazing journey to share with you;
With the muse of your sweet love in my dream last night.

The muse of sweet love,
Like a hidden figure in the mirror!
However, do take it by the tail when true love hits your heart;
And, to let the meaning of life be real.

Love,
To guide you on;
love,
To show you the way;
And, to lead you on,
Nice and easy.

Edward Kofi Louis
This poem is for you only,
This love is for you only,
Read it!
To enhance your status,
To touch your heart with the truth;
Because i love you.
This is my poem for you,
To uplift you! !
With the muse of true love;
Because of your love,
Because of your sweet mind,
This love is all about you!
Because i love you.
Love and dreams,
Life and joy,
Thy romance of nature! !
With the muse of righteous characters;
This poem is for you.

Edward Kofi Louis
For You To Obey

Collect no more than that which you have been authorized!
For, i am like the sweet voice of your love crying in the wilderness;
So, prepare the ways of the paths of peace,
Just as it was written for our learning!
And, for you to obey the laws of the land.

Edward Kofi Louis
For Your Beauty

This poem is written for your beauty,
And this love is like the poem itself;
For your beauty is what wakes me up all day long!
And like your garden of love next to me without words.

Edward Kofi Louis
For Your Beauty Ii

Love!
For your beauty;
Peace!
For your mind;
The muse of life!
With a total eclipse.

Love!
From it and after it;
Muse!
With excitement galore;
Like the muse of the moon gradually covering the sun.

Love!
With the phenomenon;
Joy!
For your beauty;
Hit, hint!
In the Event.

Love!
To observe the antural phenomenon;
But, the sky is still clear.
Love!
To see the phenomenon:
Looking up for peace and joy.

Edward Kofi Louis
For Your Family

Table, able!
With the rays of life;
With your works at the kitchen,
As you prepared food for your family.

Shall, hall, all, pall, mall, call, wall!
To gather together for the prepared food,
In unity and, in the name of your family;
And, to eat the meal in peace.

Edward Kofi Louis
For Your Future Gains

Classic and broad!
With greetings to Ethel Boakye Akomeah;
And like a cleaning house for creative excahanges! !
But, do you know what you have? !
Then, keep it clean and keep it safe;
Because, that is for your future gains.

Edward Kofi Louis
For Your Health

Butter and Olive Oil,
For your health;
Honey and Molasses,
For your health;
Eating well,
In the proper way to overcome sickness.
To practise,
Of the service;
The way and manner,
Eating the right food for your health.

Edward Kofi Louis
For Your Health  2

Weigh,
Whey,
Way,
For your health,
With the muse of your wealth,
Worth for the peace of the land;
Way, whey!
The Sabbath is the way,
The Sabbath is the truth,
To take a rest.

Edward Kofi Louis
For Your Health  II

Salt,
Butter,
Honey,
Molasses,
Coffe,
To be with you!
With the truth of life,
Getting them into your body;
For your health.

Edward Kofi Louis
For Your Love

You are impudent against the truth and,
I am very patient with my words;
But all that glitters in this life is not gold!
Yahnathan Ben Shaul,
The lowing of the oxen and the bleating of sheep;
I am crawling out of a hole in Beth Arven!
And i will set a table for your love when i succeed.

Eat and drink and let us make merry,
Because you are all that i need in this land;
And like the big stone under my head as my pillow,
But you shall always love by your sword.

You shall serve your brother and i will love you with care,
And like a ladder resting on the earth and reaching out to heaven!
But this place is very wonderful to see,
For you are all that i need in this life.

The bed of roses and the love of your muse,
I will serve you seven more years for this love;
And like the wonderful acts of your sweet muse,
But for your love i will do anything to have it.

Edward Kofi Louis
For Your Own Sake

This is one of my seeds,
But behind your yard is the muse of your love;
And for your own sake i will do it once again with you,
Because your love is all that i need!

Stumpy,
Controller,
Adventures!
But very eager to work with you;
And like part of my seeds along the line of love.

Edward Kofi Louis
For Your Pleasure

Life,
For your pleasure;
Love,
For your peace;
Living in the land of the laws.

Illegal lust!
To bow to pressure;
And, to break the law.
Muse, love, life!
Exposing the rising tide of insecurity.

The muse of life!
For your pleasure;
At dawn,
With a distress call! !
Living in the land of the laws.

Edward Kofi Louis
For Your Salvation

Who are the two witnesses who stand for the Creator on this earth?
Search for them and learn from them;
For they have the keys for your salvation.

Edward Kofi Louis
For, Fort!

For, fort!
Moreau,
Arc, ark!
The stubbornness of this people;
Trust, mistrust!
At the same time;
Banter,
Parley,
Fairy cake!
There will always be a leader and,
There will always be a follower.
Of the truth! !
In mind and body;
There will always be a teacher and,
There will always be a student.
One direction,
Social behaviour!
But, hope, exists.

Edward Kofi Louis
For, Four!

So, sole!
Abut, about;
For, four!
Here, there;
He, she!
The, there;
Her, here!
As, ash;
Pat, part!
As, ask;
Pat, at!
She, sheep;
To, too!
The, they;
Stone, tone!
Then, than;
Cone, come!
Tone, one;
See, seer!
Tear, ear.

Edward Kofi Louis
Forage

Age,
Forage!

In search for food,
If it is an animal.

Page,
Rummage! !

In search of something,
if it is a person.

Edward Kofi Louis
Foraging About

The muse of lust,
Like a crab eaten in secret;
The muse of life,
Like the ways of lust hidden in the dark;
The muse of your works,
Like black ants foraging about;
Foray!
Foraging about;
Aging, foraging!
And, to emancipate yourself from hallucination.

Edward Kofi Louis
Forbearing

Patient,
Forbearing,
Enduring of illness,
Ring, wing, sing!
Thing;
Swing! !
With the muse of life.

Edward Kofi Louis
Forbidden Fruit

Incredible libido! 
Stealing the forbidden fruit; 
But, her orchard tree won't help you, 
As you are now naked before her.

Edward Kofi Louis
Force

Force! !
The tent overturned and collapsed;

Surprise!
From the force of the wind.

Edward Kofi Louis
Force, Divorce!

Force, divorce!
Source,
With your act;
Sending her away.

Edward Kofi Louis
Force, Divorce!

Source,
Resource,
Force, divorce!
Between the two.

Edward Kofi Louis
Forced Labour

Forced labour! !
To build the house;
In the wilderness,
Facing the wild forest,
With trees and animals,
Store, tore, sore, ore!
Forced labour,
To build the house,
Slavery! !
Labour force.

Edward Kofi Louis
Forces

Coastal view!
Deep down;
Playing in the ocean,
Under the ocean.

Forces! !
Beauty,
View!
Bird's eye view;
Playing above the ocean.

Edward Kofi Louis
Forces Of Change

Forces of change!
With challenges;
With the feelings of what is seen around us.

Edward Kofi Louis
Fordwour

Kindness, trust and attractiveness;
I love you like the stranger standing naked beside my bed,
Because, the checkpoints of your love will guide me on.

Bridges,
Theses are all part of life on this love;
And i will be the woman in your heart.

Oh my handsome Fordwour,
Your love is like a continental championship at my door;
And i will love you like the stranger standing naked beside my bed.

Edward Kofi Louis
Foreheads

Check their foreheads and,
You will easily identify them!
And I know a rat when I see one.

Edward Kofi Louis
Foreign

Reign,
Foreign,
Descendants,
Suffice,
Office,
Satisfactory;
Enough.

Edward Kofi Louis
Foreign Origin

Shortened,
Foreign origin,
To surround with a stockade;
Reduplication!
Metal tablets,
Tables,
Blow, low, bow!
Sound;
Stables,
Mole, hole, sole!
Fulness,
Deep night;
But, the truth is always needed in life.

Edward Kofi Louis
Foreordained

Each man's work is known to the public and,
Each woman's love is seen by the people around;
But your image was prophesied to me ahead of time and,
Your love was foreordained to me as well!
So i will stay the night to wait for you.

Edward Kofi Louis
Forest, Rest!

With the peace of the mind;
For, forest!
With the muse of love;
Muse, use!
With the ways of life;
But, don't be like,
A bodyguard between the High Class Society and the Underworld.

Scales!
Wonderfully arranged with peace and love;
Sole, role!
Training and discipline;
Few drops,
But dry it with the towel beside you.

Wit, write!
Role, sole, mole, pole, whole, hole, Cole, bole, ole, vole;
The tap is dried out because, it it out of water.
Writ, write!
Darling, ring, in, gin, air, drag, rag, lain, drain, rain, lad, lag;
One, hormone!
Living in the wilderness with the wild animals.

Dent, rodent!
Lean on me if, you have no more strength of hope and,
Let me carry you on to your final destination.

Edward Kofi Louis
Forested Area

Forested area,
Grove,
A fixed routine,
Returning to one's old self,
Like the frog and the monkey!
With the fog ahead.
The flog of life! !
The log of nature,
To blog along;
Forested area.

Edward Kofi Louis
Forever Number One!

True love,
Forever number one!
When the right things are done;
Under the umbrella of righteous laws.

Edward Kofi Louis
Forever Yours

Forever yours,
Please don't go!
Please don't live me alone,
Please stay with me;
I am forever yours.

Edward Kofi Louis
Forewarn

Danger! !
Forewarn;
For the siege has been laid against you,
Oh men of war.

Muse, use!
Be careful,
With the broken notes of life;
Waging war and destroying others,
Including the land.

Edward Kofi Louis
Forget Me Not

Yes,
Blue eyes;
Forget me not.

Places and languages,
Nature and life;
Forget me not.

Edward Kofi Louis
Forget Me Not

Used before,
I knew it,
How it was;
Forget me not.
Don't look back again!
Go forward,
Failures are to help you! !
Build up your mind,
With positive morals;
And, remember me always.
The sacrifice! !
Forget me not;
To stand up and support the truth,
Uprightness! !
With peace and love.

Edward Kofi Louis
Forget Me Not 2

The form,
From the storm!
Forget me not;

The lamp,
The light!
Forget me not;

Love!
Forget me not;
I am always there for you.

Shoal, coal, foal, goal!
To tell your story,
To tell my story,
After going through many things in life;
Forget be not.

The needed tools,
The right materials,
Facing the works of life!
Forget me not;

Of your pleasure,
Of my pleasure,
Facing life! !
Hustle and bustle,
Forget me not;

Love is the key!
Touching the hearts,
Quiet and peaceful,
With the muse of the truth,
Forget me not;

Let nature touch you at the right place,
Let my love touch your heart! With the flowers of peace;
Because, what is natural is always noted in life! !
Forget me not.
Edward Kofi Louis
Forget My Tribe And My Colour

They sold their drugs to buy arms,
And they exchanged their diamonds for more arms!
So, are we safe? !
'No! I don't think so'.

In this life, what i don't like is what i meet;
And what i hate is what i see around me,
And the toast of war is everywhere now.

The harder they come but one day it will all over,
So do forget my tribe and my colour and,
Let us bring peace into this world.

Edward Kofi Louis
Forgive Me For My Mistake

I pray that you will dearly forgive me for my mistake,
For i am now 50 years old and i have 50 beds of roses for my lovers! !
But, your anger as at now it like that of the devil.

Edward Kofi Louis
Forgive Others

Uplifted hands!
Learn how to forgive others;
Like the positive fruits of the womb.
Selected,
Uplifted!
In front of you;
Adage, age, page, sage, stage, rage!
Full of emotion;
Up, uplifted!
Willingly;
Desperately!
But, always keep yourselves far away from,
The defilements of this world.

Edward Kofi Louis
Forgive Them! ! !

Forgive them! ! !
For, they don't know what they are doing.

Edward Kofi Louis
Forgiveness

Forgiveness,  
She has confessed it!  
He has confessed it,  
Let bygones be bygones;  
Amidst all odds,  
For peace and unity.

Edward Kofi Louis
Forgiveness Is Divine

We are all sinners on this earth;
So, let us forgive each other and live in peace.

Forgiveness is divine!
So, forgive one another and, live in peace.

Forgive your enemies and, try very hard to forget their past mistakes!
Yes, life must go on;
With the muse of peace and love.

Edward Kofi Louis
Forgo

To forgo your plans and to look for another way,
But help her to look for her lover!
For you are a trusted adult.

Edward Kofi Louis
Forgotten Flowers

Wine tasting,
Awareness;
Concrete jungle,
Forgotten flowers,
But, fear not.

Edward Kofi Louis
Forgotten Hero!

The careless laughter upon the breeze of Winneba! !
To pull out deeper shadows among the lives of the people;
But, let honesty rule the day.

Peace and joy!
With a smile from your lips;
Taking a mile with your mind to reach out to the world.

To share your views,
In the deepest part of the sunshine;
Since it shines on earth.

I have nobody else to choose than you,
And, i will not find another;
Before my eyes to see your works.

Forgotten hero!
To drift into this wilderness of peace;
Lonley in the a land with many stories.

Edward Kofie Louis
Forgotten River

The forgotten river,
Lonely in the thick forest waitinf for your love;
The forgotten river,
Lovely and nicely prepared for your muse in the thick forest;
But, the big ship has now collided on the high seas! !

Maturiy of character,
Along the coast of Italy! !
But, it is an extraordinary thing that someone recommended for you;
For, i am the forgotten river in the thick forest.

Edward Kofi Louis
Forgotten Sheaves

The earth will weep and the people will know it,
But the lake which burns with fire is always around us.
The seven-year-cycle of love and the fallen grapes for the poor,
The forgotten sheaves in the field should be let to them always.

Clean animals must be slaughtered and shared,
Armageddon, armageddon! !
Her bowls are thrown into the air like the shearing of the sheep;
But her wars on earth were divided into three parts.

Of frogs and dragons,
That which is evil should not be your friend;
For Enoch was the seventh from Adam.

Hail falling from heaven! !
Of things cut without hands;
And like a stone from a great millstone.

The city had no need of the sun and,
The offspring of David is here to teach us;
But the sayings of the prophecy will not be heard by many.

The lamp is the Lamb and the city need no light,
Like the unclean spirits in the sea of blood.
Leave the forgotten sheaves for the poor and,
Help one another in times of need;
Like rain water and ice-blocks in the smoke of her burning.

I am sitting very calm in my room but i have to think,
For the key of the bottomless pit is with her;
And these events are part of the prophecies to come.

Edward Kofi Louis
Forgotten Tunes

Forgotten tunes,
Like a puzzle;
With the mus eof the ludo game!
But, move on and presevere the troubles of life;
Having a positive moral character in you.

Edward Kofi Louis
Foriwaa

Enoch was the seventh from Adam and,
I am the first on your love;
So keep the fire burning on this love.
Foriwaa my love, let the sweet of Eden bath you;
And let your love shine to me always.

Life is like being in the ninth moon (Chislev),
And my love will look and satisfy you always;
For you are the most beautiful lady that I have ever married.
Come to my heart my sweet one,
Come and take to the land of deeper love;
For your love is the first of all the fruits on my lips,
So come and let us share this love tonight.

Edward Kofi Louis
Form

Form,
Format,
Inform,
Formalism,
But, in form;
Reform,
Formal,
Perform,
Information,
Conform,
Platform,
Formation,
Formica,
Reformers,
Formalize,
Former,
Formidable,
Formaldehyde,
Formula.

Edward Kofi Louis
Form 2

Storm! !
Form,
Information,
Serious about Life;
But the earth was created for mankind.

Edward Kofi Louis
Form, Perform!

Form, perform!
For us to see;
Consecration,
Sanctification,
Outside the veil.

Edward Kofi Louis
Format

When a child is born,
Who knows whether the child will be wise or foolish?!
But the frustration of the mind had led many astray.
There is nothing new under the sun,
For all had been done before in a different format;
And we have to accept some things are they are with us today.

Edward Kofi Louis
Formed By You

Longer,
Very easy,
Holding it there,
And moving around with it;
But, someone like you will also be there with it.
Longer,
Intensely,
But staring at you!
And to be darker than ever;
But, using it exactly right and telling it as it is,
For, it was all formed by you to satisfy my muse.

Edward Kofi Louis
Formed Out Of Dust

Formed out of dust,
Facing the lust of the world;
Thrust, rust!
Formed out of dust;
Crust,
Must,
The breathe of life! !
The fragrance of nature,
The aroma of creation,
The romance of the truth;
Formed out of dust.

Edward Kofi Louis
Former Times

Former times,
Former things;
To come out!
With the works of peace,
Able to move one forward.
Without rudimentary methods,
Which are backbreaking and tedious!
But, with attractive and lucrative jobs in the land;
Bringing joy to all.

Edward Kofi Louis
Fornicators And Adulterers

The land is full of fornicators and adulterers but,
I want to heal you with my love;
For there are many lessons to learn in life,
And of our sins which has brought in the dark rain.
Watch around you and see what is going on,
For ths world is now full of fornicators and adulterers!
But i want to heal you with my love.

Edward Kofi Louis
Forsaken

Sake,
Seek,
Shake!
Forsaken;
Thin, tin!
Of a thing,
With the works of the hand of the evil one.
Gleaning grapes!
Forsaken;
Like the shaking of the olive tree,
And, forgotten.

Edward Kofi Louis
Forsaken And Hated

Forsaken and hated!
Dismayed and confounded;
Insolence! !
I have seen your tears,
I will come in for your sake;
To help you out of this pain,
Out of the hands of the wicked one.

Edward Kofi Louis
Forsaken The Truth

Illegal lust!
You've perverted your ways and,
Forsaken the truth;
But, hatred is the main cause of death!
As you pick up your weapons to kill.

Illegal lust,
Wickedness has devoured the labour of love;
And, the truth is now put aside,
As you pick up your weapons to kill.

Edward Kofi Louis
Forson

Precious stones!
Dessolate;
For, Forson!
Upon many waters,
And like the fornication around you today.
For, fornication!
But, do think twice;
Because, Forson your friend is around with you! !
And, the sentence awaits you.
Mystery Babylon! !
Mystery Baby;
And like the seven bowls around you today,
But, into prediction with your muse.
For, Forson!
Let your friend guide and lead you well;
For, the bottomless pit is now closer to you,
Because of your evil thoughts.

Edward Kofi Louis
You forsook me and went in for another man,
But now you are crying because of what he has done to you;
For he left you and is now married to another woman,
And you are left alone with your child.
Sadness and pain but,
Do remember first what you did to me;
Because the ball you threw against the wall has now bounced back.

Edward Kofi Louis
Fortified

Fortitude,
Fortified,
Eventide,
Attitude,
Servitude,
Gratitude,
Wisdom is better than hatred and war! !
Wisdom is better than silver and gold,
Wisdom is all that you need;
Because, life is really understood by only few people on earth.

Edward Kofi Louis
Fortified City

Your love to me is like a fortified city so,
Bring along your Bible and your notebook as well;
For i am the one who want to lead you on,
And i do have the right fruits of love.

Edward Kofi Louis
Fortitude

Rose!
Secrecy at its core;

Prose,
Pose;

Fortitude,
Attitude;

Purpose,
The struggle! !

Grant,
Ant;

The plant of life,
Not to slant in life! !

Such a young age,
On stage with your love;

A memoir,
Like a winner!

Dinner,
Options;

World Class,
Lessons;

The tug-of-war! !
Like putting the Elephant and the Goat on the same field.

Edward Kofi Louis
Fortress

Fortress,
Mistress,
Stress;
Swallowed up!
With mourning and lamentation.
Again!
With no gain;
But, in pain in your chain.
The approach! !
To slain others;
The reproach! !
With the adversary;
Fortress,
With the indignation of war.

Edward Kofi Louis
Fortress 2

Fort,
Fortress,
To overcome your stress.

Sport, port!
Progress,
To press on;
Willing.

Cheerfulness! !
After success,
After hard work,
Prompt!
Propitious.

Edward Kofi Louis
Forty Lashes

Are they readers?
So i am;
Are they writers?
So i am;
Are they teachers?
So i am;
Are they learners?
So i am;
Are they thinkers?
So i am;
Are they the seed of Abraham?
So i am;
And with forty lashes minus one to learn from my mistakes,
But the dangers of the rivers are still around us.

In weariness and in toil i try to focus on my muse,
And like the dangers at sea!
In cold and in nakedness i try to reach out to my dreams,
And like the dangers of the people around me;
In hunger and in thirst i try to do my best,
And like the dangers of the rivers around me;
Often with sleepless nights and without hope at times,
But i do have my dream at hand.

I was let down in the basket to gain my freedom,
And Hagar is to Mount Sinai as Noah’s Ark is to Mount Ararat!
But more are the children of the desolate than,
The children of she who has a husband! !

Edward Kofi Louis
Forty Years Old

The tidings of your melancholy loss,
And received at the other hand to crown your glory;
But ten times more of needful things like the muse of your love,
For i love you with my sincere heart.
Life is like the natural tune coming out from my radio,
And you are mine and i am yours;
For i will repay all that you've lost in this town,
So be confident with your thoughts towards me.
Bound to me only by the links of this love is your muse,
Because you are my daily joy as compared to a common man's life;
But the hiding places beyond the seas are with cheerfulness!
And i will bear your memory with me always.
It was like the love letters full of wondrous news,
And of the forty years old love songs to boast your muse;
But both of us will live to see a better day on this love.
Stong and hale,
Weak and pale,
And like a fairly tale;
But lay now the corner stone with a joyful heart!
And like a leisure hour out of sight,
But we will be pure as the naked heavens one day.
There is comfort in the strength of love,
And of the tidings of your melancholy loss;
But ten time more of needful things like the muse of your love.

Edward Kofi Louis
Forum

Tour,
Pour,
Four,
Hour,
Our;
Let the truth crown you with honour!

Sour,
Odour! !
But, bear with the truth and, do what is right;
Dreams, drums!
With the muse of the mouse and the frog;
One have it and, another wants it.

Life is managed with the muse of demand and supply!
However, there is no hope in wickedness;
So, think twice before you act.

Muse, use!
Seeing a mouse and a frog around your house;
Forum,
Drum,
Rum,
Snymposium! !

Life,
Sound, loud!
But, let your thoughts be based on the truth always;
And, lean upon the truth to free your mind with righeousness.

Edward Kofi Louis
Forward Ever!

Draw near to me and,
I will draw near to you;
Because your gold and silver are corroded!

To the status of the heathen and,
To pay the tribute money to my lovers;
But where rivalry and strife are,
There is confusion and every evil work.

A stiff-neck and a stubborn generation,
And like horses with riders on them;
But my citizenship is in heaven!

I will open my mouth with wisdom,
For strength and honour are like my clothes;
And in my tongue is the law of kindness.

Let my own works praise me,
And like a great blaze of light!
But kindness can be deceitful at times,
And beauty can be in vain.

Forward ever!
Come and stand by me;
Because this poem is for you,
For your love is like the sweet muse of my mind.

Edward Kofi Louis
Forward March

Forward march to my love,
And like the traditions of your Church Weddings;
But the raging waves of the sea is like,
The fascinating experiences we had yesterday.

Edward Kofi Louis
Forward, foreword!
The force was much stronger as she came;
And her entrance was wet,
After the heavy downpour.

Edward Kofi Louis
**Forward, Forwarded!**

Pension, station, action, passion;
Son, prison!
Depression, nation, ion, lion;
Mug, bug!
But, do the right things in life and,
Try to help others as well.
Life!
To err at times;
Not knowing the truth from the Scriptures.
On, prison!
But, try to follow the signs before you drive along;
For, there are many storms in this life.

Edward Kofi Louis
Foster

Yahweh is here with us like,
She who lifted her eyes and looked!
Yahweh is love and He is with us like,
He who lifted his eyes and looked!
But slowly at peace should your mind lead you on.

Come and see the daughters of this land,
They are like the beginning of the barley harvest!
But Foster, life is like the woman lying next to you.
Learn and be yourself at all times,
For you need to tell the world who you are too.

Edward Kofi Louis
Fosuwaa

The foundation of your love,
After these things;
The foundation of your muse,
After these moves;
But this is my letter to you!
Chosen and spoken of in my poems.

Obey my words,
Read my lines,
Learn from my muse;
To enhance and educate your staus-quo!
Because, I am Fosuwaa in the land of your muse,
And, my love is now with you in your heart.

Edward Kofi Louis
Found

Lost! !
Where were they?
Thea were finally found,
In the bush.

Edward Kofi Louis
Found

In a profound way!
Sound,
Not with wound;
Bray, day, ray, say!
To stay with the truth;
Away from evil works! !
Round,
Around;
Surround your mind with the truth.
Selfless,
With a reason like the season!
Tray,
Stay,
Away from evil acts.

Edward Kofi Louis
Found Alone

Lost! ! !
But, found alone;
Sitting naked by the sea.

Edward Kofi Louis
Found Hanging On A Tree

Suicide! !
Found hanging on a tree;
The incident.

Edward Kofi Louis
Found With Peace And Love

A sound mind is health to the body!
Found with peace and love;
Around righteous morals,
To surround yourself with the truth always.

Edward Kofi Louis
Found, Profound!

Foundation,
Found, profound!
Delightful,
Unique,
Appreciated! !
Lovely words,
Much encouraging.

Edward Kofi Louis
Foundation

The foundation of true love,
Like a column of peace;
Intensive with the truth! !
Same as kindness,
Tender love and care.
Praise the truth!
Specially with moral attitude;
Offering peace to the world!
Because, we are one;
Human beings on earth.
Recommend the works of the truth to all and,
Bring peace to the earth;
Laudation! !
The truth is all that we need.

Edward Kofi Louis
Foundation  2

Purple and scarlet colours arrayed! !
Purple Rain,
Purple flowers,
Sometimes, pink in shape.

Foundation!
To keep the truth in your mind;
Practicing righteous morals! !
Overcoming your sins with righteous laws.

Edward Kofi Louis
Fountain

Fountain!
Mountain,
Train! !
Rain;
A source of satisfaction,
With the beauty of the land.

Edward Kofi Louis
Four

Your love,
My love,
His love,
Her love,
Sharing the muse of love with all in the name of peace.
Pour, tour!
Four people on the way;
In the name of adventure,
Sweet odour of peace! !
To respect each other along the line.

Edward Kofi Louis
Four Holes

Our voices! !
Our choices;
On earth.

Tour!
Not sour;
Four holes! !
To pour out.

Hour,
The Time!
For your eyes only.

Colour me with your sweet love! !
Able to teach me the truth;
With righteous morals,
Under the umbrella of peace.

Edward Kofi Louis
Four Horns

Four horns,
Four great powers! !
But, you now desire to see it;
However, i was too young when it occurred to me.

To pay close attention,
Eat, cat, rat, mat, bat, hat, fat, brat, sat, pat, vat, tat;
And like exciting paths of love! !
But, extreme hatred are now seen among these four powers.

Edward Kofi Louis
Four Living Creatures

I saw sadness on your face from the last time that we met,
But now I do understand your feelings;
For, there is a guile in your mouth.
You better change your lifestyle,
And a new song is what you need on this love;
But, it was the same old song from you to me.

Like the four living creatures at the four corners of the world,
I do have my mind on you and I am anointed to preach salvation;
And may Father Yahweh Almighty bless your understanding,
For life around us is too difficult to understand at times.
You need a guide on this love than the native mind of yours,
For in this life of lovers, we all need to learn from one another;
So, try to put away the sadness from your face.

Edward Kofi Louis
Four Moons

Four moons and four seasons,
I am your lover in the woods!
So come and let me be warmed,
For the winter birds are waiting for us.

Edward Kofi Louis
Fowler II

Fowler, wore, ore, roe, flow, owe, woe, lore, lower, low;
But, she sat on the mountain of love.
Owe, woe!
Fowler, fowl, few, row, role, foe, of, or, we, flower;
Flow, low!
And, he slept in the red valley.
Fowler, flower!
And like the birds in the iar;
However, it will come to pass that,
The truth will be exposed to all before the end.

Edward Kofi Louis
Fox And Ox

Fox and ox,
Taking a walk in the forest;
Trying to understand the ways of nature!
However, not all the questions in life do have answers.

Edward Kofi Louis
Fragrance Of Love

The whole house was filled with the fragrance of love,
And i saw her at last! !
For beauty baths her all over.

Edward Kofi Louis
Fragrant Of Love

Scented wood!
Precious wood;
Art, articles!
Pearls,
Marbles,
With the fragrant of love.
Precious stones!
Beauty;
Fruits of joy!
Works of peace,
Fragrant of love;
Coming along with the truth and,
With the flavour of the laws!
Mixed with the ingredients of righteousness.

Edward Kofi Louis
Frail

Fail, 
Frail, 
Fair, 
Rail! 
Air; 
Affair, 
With nature.

Edward Kofi Louis
Frail 2

Frail,
Rail,
Trail!
Fail,
Bail,
From the act.

Edward Kofi Louis
Framed With The Muse Of Sweet Love

Celestial bliss!
The works of paradise with,
The romance of nature;
Taking the lead,
Until we meet again;
With the reflections of life and the laws,
Framed with the muse of sweet love.

Edward Kofi Louis
France, Franca!

Quarters,
Located,
Strategically,
With the muse of love and,
With your heartbeat;
France, franca!
With the activities of the youth in question;
In this present time,
All over the world.

Quarters,
Businesses,
Communities,
Sun, sundry!
Love,
Interestingly;
Dry, sundry!
With clear words of love;
And, with the muse of the youth today.

It is my world,
It is your world,
It is our world;
In this present time,
With the muse of the youth all over the world.
France, Franca!
Working with my mind and,
Watching the muse of the youth around my town today;
In this present time.

Edward Kofi Louis
Frances

Let me cover you with my blanket of love for,
You are very cold in the snow;
And your name so sweet is Frances.

Don't ask my why?
And of the ashes of the Red Heifer;
For to you an open vessel of love is laid,
But i am now in the Wilderness of Zion.

Come and let me cover you with my blanket of love,
And like the first born son that opens the womb;
For the meat of love is ready and,
The breast of the wave offering is for you.

Come in Frances,
For i have prepared my bed of love for you;
And the holy water is in the clay jar of love.

One male goat for the sin offering and,
Of the golden ladle weighing ten shekels!
For my blanket of love will warm you all day long.

Edward Kofi Louis
Francis

Francis, fan, is, as, can, sin, car, cars, an, scar, far!
Licking like a cat,
Walking like a robot,
Unsold!
How can you live without me?
Women, omen, men!
Tested before in use;
But, the temptation is here.

Woman, Oman, man!
Like a man,
Like a woman,
Available;
The burning man!
The burning woman!
All in the name of war;
But, let us all live in peace.

Fuse, refuse!
In Las Vegas County Jail;
Agents of Satan! !
leading the foolish people around.
March, much!
Clark County Jail;
Book, booking!
Code 5.

Agents of Satan! !
Leading the foolish people around;
All in the name of the so-called churches,
And, taking away the little funds of the poor.
Code 7,
Call me and, i will call you back;
For, Satan is leading you away to hell.

March, car, arch, arc, ram, am, harm, Ham;
Cooking like a chef,
Singing like a bird,
Barking like a dog!
Dancing like a bear, 
Working like a wolf! 
Sleeping like a horse, 
Black and White! 
Black design with white screen.

Chewing like a squirrel, 
Hissing like a snake, 
Drinking like fool! ! 
Code 51; 
Ocular, 
Climbing like a monkey! 
Moving like a cow, 
Swimming like a duck, 
Speaking like a parrot! 
Nippy; 
But, you need true love on this muse of life to move on.

Edward Kofi Louis
Francis, Frances!

Francis, Frances!
With the difference between yesterday and today;
Facing the scars of life! !
But the truth is guiltless.

'Kyenkyen bi adi me awu'! !
But the truth is forever;
Facing the ways of life,
Along the line,
With my works.

The truth is all that we need,
On earth;
Able to move on without hurting our neighbours.

A wise woman,
A wise man,
A wise child;
Keeping the laws!
Righteous laws,
And to touch hearts of people with the muse of the truth.

Edward Kofi Louis
Francisca

Who has bewitched you that,
You would not obey the truth?
It is like a deep black hole;
What is it?
When the birds were singing,
I did hear of our name.
What is life?
Have you suffered so much for nothing? ! !
There is something, if you eat you will die;
But from the same thing,
If you don't eat you will die as well.
To the land of timber,
To the land of cocoa,
To the land of bananas,
To the land of plantain,
You are faceless and expected to see through the window.
Where are you Francisca?
How is life moving on with you over there?

Edward Kofi Louis
Franck

I have the seed of love to share with you,
But where is the love that you promised me?
Knowledge is the key but,
Wisdom crowns it all with love.

Songs of Solomon and songs of love,
I am Franck with the muse of your love;
For the lamp of the body is the eye and,
I will live to love you always.

Edward Kofi Louis
Francoise

I will come to you like a bridegroom from a canopy but,
Look how the stars have spelt out your name on this love;
For you are sweeter than honey and the honeycomb.

I came out of my mother's womb and,
I drank my mother's milk from her breasts;
But today i am a grown up with matured teeth!
But outside me are many wars than love.

Come to me on Francoise,
For the dark clouds are under my feet;
And i am floating in the air to touch your heart with my love.

Edward Kofi Louis
Frank, Rank!

Frank, rank, ran, fan, far, an;
Kettle, settle!
With the ways of the land,
And, with the muse of your love.

Frank, rank!
Giving thanks and glory;
Love!
It is a thing of joy.

Your influence!
It inspires me;
Your love,
very relevant in my heart.

Life!
Working assiduously;
Under the muse of the laws,
And, with the peace of my mind.

Fort, effort!
Meeting you;
And, thinking of the issues at hand,
For, your love had affected my whole being.

Edward Kofi Louis
When you eat with Satan, eat with a very long spoon!
And when you think that you are an elephant to me,
I am then the small ant standing next to your weight;
For fools will be buried in their own traps.

Too close for call and too long to see,
So try to learn along life adventures than boasting;
And if you are rthe Big Tree, i am the Small Axe around you.

You are eating Satan's meat and,
You think that you are free!
But do think twice on this issue;
Because Satan will get at you soon!

Edward Kofi Louis
Frantically

Frantically,
Theft,
Burglary,
Grand larceny is rampant with us!
But what I've learned I extend it to you,
And only the right thing should be done always.

Edward Kofi Louis
'Franziskus I.'

The Black Smoke!
Psycho,
Psychology!
Hitch,
The White Smoke!
Hitchcock,
'Franziskus I.'
The information age;
And, he was finally elected.

It's already there!
So, there's nothing you can do about it;
It's already in!
So, there's nothing you can do about it;
Of the result,
The White Smoke after the Black Smoke! 
As noted by all.

Edward Kofi Louis
Fraser

Shave his hair and trim his nails,
For I am in the winter garden in search of my lover;
And Fraser came in to guide me on.

Edward Kofi Louis
Fratini

Hot button and money line!
And like staffs of gold set with beryl;
But the keepers of the walls are now watching us,
For this muse is all about your sweet love.

Limiting,
Prevention,
Accident! !
And with the fundamental act from your muse;
But to understand my love is all about Fratini!

Edward Kofi Louis
Fraud!

Fraud!
Deceit,
Cutting into pieces,
Operation!
Oppression,
Brawler! !
Charge,
To weigh down.

Edward Kofi Louis
Fray

Joining the fray,
The Deputy Minister!
And like the request you deserve on this love,
But your issuing statements are like the muse of the birds up high!
However, it therefore comes as no surprise to me.

The airwaves,
The political fray,
The court precincts,
And about their rulings!
But every now and then with the muse of your love,
And your statements were like the flying birds up high.

Edward Kofi Louis
Fray!

Muse!
Your mathematics was wrong in calculation;
Of the Paraphrase! !
Life, muse, love;
Ill, illusive!
And, your addition was wrong.

Fray!
With the wrong calculation of your subtraction;
But, you have something very special with your love.

Of the new style of my poetry!
Teaching and guiding your ways;
But, your division was wrong.

Fray, pray!
Your multiplication was wrong;
And, you now need another teacher to guide you on! !
Like the ways of peace in the land of glory.

Edward Kofi Louis
Free At Last

I am free! ! !
Free at last;
I will fly away like a bee;
And, to find a lovely tree to rest on.

Edward Kofi Louis
Free Mind

Free mind,
Free style,
Wondering to understand my works;
Fresh! ! !
With a fresh mind;
But, with peace, love and unity as the main keys behind.

Edward Kofi Louis
Free Style

Free style,
Free love;
With your love,
With your sweet love,
All in one,
Always thinking of you;
And, i can't sleep at night.

Edward Kofi Louis
Free Bird

Free bird,  
Free life,  
To fly around!  
Freedom with the muse of life;  
Humour, honour!  
Flying up high to respect nature;  
Seen by the eyes of all.

Edward Kofi Louis
Free From War

Unrighteousness!
Beware;
Thrones!
With great authority;
But, this love makes me to agree to your muse,
And, to learn from you.
Free, agree!
Within the walls of love;
However, do justly and let the world be free from war.

Edward Kofi Louis
Free In The Air

Me,
To be!
Like a bee,
Flying around,
At your Open Air Concert;
Without a fee,
Free in the Air! !
Viewing around,
Seeing the dancing steps of the people.

Edward Kofi Louis
Free Like A Bird!

The truth!
My mind
This Life,
With the muse of nature;
Free like a bird!
Writing out my mind.

Edward Kofi Louis
Free Me With Your Love

Free me from this prison!
Free me with your love;
And let me have a say with my mind,
Because, you've kept me lonely for far too long.

What have i done to you? !
What have i done to nature?
With insults left and right;
But, free me from this prison and let me live in peace.

The muse of life,
One day my labour will be paid;
After many years of slavery,
So protect me and don't use me!
Free me with your love and, let me have a say.

Edward Kofi Louis
Free Me With Your Sweet Love

Everybody is doing it!
But, i have my mind set in the right direction;
Genes of love and genes of peace!
On an orbital highway with joy,
So red and so sweet,
And, perfect with the ways of the truth.
The muse of life and the ways of peace,
Free me with your sweet love!
And let me have a say with my works;
Because, i've been lonely for far too long in the cold.

Edward Kofi Louis
Free On Board!

A series of activities,
Issued!
With the events of the land,
Gathering to be part of the call.
The anniversary!
To its core;
In the midst of plenty,
And, free on board!
With the muse of the whole house.
Generosity,
Benefits,
Responding to the needs of the people;
And, with a performance on stage.

Edward Kofi Louis
Free Will

Free will,
Free time,
Free period;
Hidden! !
Infected,
Pressed, impressed!
With different colours,
Wonderful!
From the coast of Bahamas,
And like the sleeping prophet.
Best of the best!
Highly sophisticated;
Dream zone,
Love zone,
The muse of emotion!
The spices of care,
The passion of a vision,
The ingredients of unity,
The aroma of peace,
The romance of love;
And, at your free will.

Edward Kofi Louis
Free Will Offerings

Food to eat and,
Water to drink;
Free will offerings!
To eat meat,
As much as you desire.

Edward Kofi Louis
Free Your Mind

Life,
Free your mind with righteous words;
No matter how many times you fall.

Love,
Free your mind with positive works;
No matter how many times you fall.

Life, love, peace!
Rise above the negatives around;
And, do apologise to people when you do offend them.

Try to say: 'I am sorry' when,
You offend someone!
And, free your mind in all things with righteous works.

Edward Kofi Louis
Free Your Minds

Free your minds and the rest will follow,
For Satan had been able to deceive the minds of MANY!
And things in this world are NOT as you do see them.

Many of them are the HIDDEN CODES of Satan which are nicely polished!
And they are here to deceive us;
But the wise among us will always analyse them before they act,
Because ONLY FEW do know what things really mean on this earth.

Free your minds and the rest will follow,
For it is better to learn from the truth always!
But many are already perishing in the name of falsehood,
And the world looks on with the traditions of men.

Edward Kofi Louis
Free, Freeze!

Free, freeze!
Bee, breeze;
With the strong wind blowing across the land.

Lust!
With the couls of the spoilt child in this world;
But, the strong wind is blowing across the land.

Ward, forward!
With rocks and trees;
Knowing yourself and, identifying yourself in this world.

Gloss, loss!
Finding your way out;
But, the strong wind is blowing across the land.

The call!
Very early in the morning;
But, it was well with my soul.

The breeze!
Moving across the land;
With the muse of nature.

Edward Kofi Louis
Free, Glee!

Fee,
Agree;
See,
Bee!
Employee,
Free, glee!

Edward Kofi Louis
Free, Pree!

Pink heart!
I love you like the sugar cane in my farm;
Red heart!
You are all that it takes on this love;
And, you can still get all my balloons back to your side.
Free, spree!
You are stripped naked in the middle of the night;
And, to the wide open space of imaginations.
Spider Man,
The black bud!
Charlie Brown,
Like an ocean in the desert;
Pure and flawless,
To put a smile on your face! 
But, no words can describe how i feel for you.

Edward Kofi Louis
Free, Tree!

Truth, Ruth!
With the muse of life;

Free, tree!
With the muse of love;

Having her love beside you,
Sharing with her in peace;

With the joy of your heart,
And, with the dreams of love.

Edward Kofi Louis
Freed, Reed!

Freed, reed!
Feed,
Fred,
Fed,
Free! !
Coming out.

Edward Kofi Louis
Freedom

Fee,
Feed,
Not free! !
Seeking for your freedom;
In the land,
With the beauty of a tree seen in your garden!
And to agree with the works of the truth;
Like a bee flying about in your lovely garden.

Edward Kofi Louis
Freedom

Nature! ! !
Freedom,
Independence,
Joy! !
Peace,
Care,
But with the laws.

Life!
To start all over again;
With you,
Because of your love towards me.

I can hear your voice inside the forest!
Searching for me;
Because, the hands of love are the hands of peace and joy.

Thanks for your education and to check your history,
The history of your sweet love in the land of the living;
In peace,
But not pieces!

Edward Kofi Louis
Freedom 2

Turn!
Return;

Ink,
Pink,
Pick,
Link;

Free,
Freedom!

In,
Kin,
King;

Tree,
Free!

Be,
Bee,
Been;

King,
Kingdom;

Knocking at the door!
Waiting for someone to answer you.

Edward Kofi Louis
Freedom For Syria

Life,
Sadness;
War had taken away everything than we know,
Everything from the people of Syria.
War!
Crying,
While others are dead and gone;
Bombs! !
Killing the people,
Oh Syria!
Freedom to Syria than war;
Yes! Freedom for Syria.
War is not the answer to peace;
And, the Syrian people are now fleeing into other lands;
Oh Syria!
War had now turned the land into a death zone;
And, there is no hope for the people today,
Like the muse of a piece of paper being blown in the air.

Edward Kofi Louis
Freedom Of Speech

Choice!
Freedom to choose;

Voice!
Freedom of speech;

Living on earth,
With your works;

Dreams! !
Searching always for the truth;

Without hurting your neighbours,
In the name of peace and love.

Edward Kofi Louis
'Freedom Park'!

To seek for peace than war;
To unite the world with love than hate,
To extend Hospitality to All than Racism,
Knowing where we all came from.

Edward Kofi Louis
Freedom We Need

Earth! !
Freedom we need;
Than hatred and war!
Freedom of speech,
Where peace lives,
Where unity rules,
Where the truth speaks,
Freedom we need!
Than hatred and war.

Edward Kofi Louis
Miss!
French kiss;
Not to hiss like the snake.

Edward Kofi Louis
Frenzy

Downplayed!
Frenzy,
You lost the game;
Drought, brought!
To take an extra mile,
Trying to put a smile on your face.
Thought, fought!
But, you lost the game;
Downplayed with the negative acts of the people around you.

Edward Kofi Louis
Frequenting It

Frequenting it,
All the time;
Visiting it,
All the time;
Like a prepared dinner,
With the muse of the aroma of your love.
The king came to see it,
The queen came to see it,
Amazed with the works of the truth as presented.

Edward Kofi Louis
Fresh

A rose,
Arose!
Fresh;
With the aroma of life,
And, the inspirations of love.

Edward Kofi Louis
**Fresh Air**

Rolling hills!
Can you feel the fresh air of love over here?
Come and touch my heart,
The muse of life and the muse of love! !
To have great compassion;
With servitude and attitude,
The ways of peace and love,
With the romance of nature.

The fortress of love! !
The waves of peace compassed me;
Bringing me joy!
Deliverance with the muse of the light,
The light of the truth;
The bright light of righteousness! !
Insight with the muse of righteous laws.

Excited! !
Seen through;
Known with love,
Shaken by the wind at times!
Facing the ways of life,
But, very strong with the muse of the truth.

Appetizing words of love,
Defying the rain and wind to reach out to you;
Oh is a matter of time!
With the lethargic nature of things.

Edward Kofi Louis
Fresh Air 2

In peace!
Floating after the realms of true love;
Winger, finger, singer!
Flowing with the works of joy;
Understanding the ways of life.

Edward Kofi Louis
Fresh Feelings!

The harder they come and, the slower they go!
Living in the land of war;
But, no banquet is complete without your love.
Life!
With the regular body care;
Muse!
With the sweet lips of love;
And, in the paraphrase of the sunshine.
Fresh Feelings!
With the qualities of an exciting act to share with you;
But, in the land of war.
Muse!
With the romantic addictive nature of love;
Kissing and cudding like the window cleaner,
But, these coconut trees are waiting for the wind to blow! !
In this land of war.

Edward Kofi Louis

The works of peace and love,
Going along with a sweet mind.

Progressed with the works of righteousness.

Around the house.

Like the glow of leadership;
With the daily work.

Fresh Spring time!
With the muse of love;
Looking up,
Like the sunflowers.

Fresh Spring time,
In the valley of poppies;
Love,
Flowers,
Holding up the blue vase! !
With, hopes and dreams.

Edward Kofi Louis
Fresh Tilapia

Fresh Tilapia from Akosombo,
In the bid to increase my market to respect your muse;
But my saloon car is like your big van!
And like the joy of your request to see my room,
But in Accra I will lay down my head in peace like your beautiful palm tree.

Edward Kofi Louis
Fresh, Flesh!

Flash!
According to the flesh;
Declared,
With the seeds of the people.
Fresh, flesh!
Throughout the world;
With the words of joy and the works of peace.

Edward Kofi Louis
Frieda

I am like the sad dam whose water is dried up and,
I need your love to allow water to run through me once again;
For, you are the shield for my glory!
And, i need your love.

I will cherish your sweet love like the dews on the morning flowers,
And i will live to love this day!
Because, love will surely make this dam very active once more.

Reviw, interview!
I am Frieda in the land of your muse;
But, this dried up dam is like the status of my present condition.

Songs of love!
Words of peace,
Prayers of joy!
Simple red with the muse of the red wine on your table;
But, i will need your sweet love to allow water run through me once again.

Edward Kofi Louis
Friends

Friends!
You and i,
To share in love,
To put the world in a better place;
Friends of the world! !
You and i,
With the works of peace;
Unity is the key,
With the wonders of positive morals.
Friends,
We all need friends;
But, let them be true friends,
With trust!
Honesty,
With humility.

Edward Kofi Louis
Friendship

A joyous time,
Friendship,
To be thankful of this gift!
With the joyous state of your mind.

Muse!
Like your feet in the snow;
And, to learn the ways of life,
Changing from season to season.

Expedition!
Expenditure;
Of his cohort and, of her cohort;
Friendship,
With vacations in your plan.

The golden time!
The golden hand;
Friendship,
With the joyous state of your mind.

Edward Kofi Louis
Friendship 2

Friendship,
To bring peace to the world than war!
With the lips of the truth,
The tips of moral character,
Not to slip away from the rights of the people! !
Knowing what to do on earth;
And to love all mankind.

Edward Kofi Louis
Froben

Froben, Ben, be, in, or, ore, foe, for, fore, roe, reo, bore, of, bone, one, rob, no, robe!
But, with a bright side of life acceptable in the land of peace and joy;
Under the sight of the laws of righteousness and,
With an insight from a positive mind to do the right thing always.

Edward Kofi Louis
Frock, Rock!

Dock,
Lock,
Rock!
Not to mock;

Frock and frill,
Not a Shock! !

Block,
Frock, rock!
Hock,
Flock.

The clock,
The mill at the hill!
With your will,
To fill in the gap.

To knock at the door of love,
Jock!
To satisfy the muse of life with righteous morals.

Edward Kofi Louis
Frolicsome

My backyard,
Your backyard,
Following the narrow street;
Presumably priced to your taste,
Deep down with the muse of the deep blues of love.

This marriage!
With the pressure of education on it;
The backyard!
With the pleasure of your sweet love to back it up;
And, seeing the hitherto unseen,
However, there is no time to fix yesterday.

Hitherto, he, her, it, the, to, hire, heir, toe, hoe, hit, rite, tore, ore, roe!
A hitherto unknown species of moth;
But with a valuable dowry to the lady in red,
Like the muse of a frolicsome kid in the yard!
The muse of life,
Her, heir!
To wrap you love into her arms;
With the kindness of love and the aroma of her meekness in the yard.

Edward Kofi Louis
From A Land Far Beyond

Your love to me is like the Bible Code!
But, with sweet words to quench my thirst;
Because, your love feeds my brain always.
I am from a land far beyond with my lovely muse,
And you are with the syntheses of love to educate me;
Dwarfs, wharfs!
A number of completion,
Genre, gentle!
To train me with your sweet love;
And, i will love you always my sweet one.

Edward Kofi Louis
From A Distance

From a distance!
Seeing your beauty;
Hoping to meet you one day,
If only if you will allow me.

Your beauty,
Oh my beautiful rose! !
To obey your instructions;
If only if you will allow me to meet you.

Edward Kofi Louis
From A Distance 2

From a distance,
Touching you with my works;
The wings of the dawn!
The blessings of nature,
From a distance;
Touching you with my works.
Works of love,
Out of my mother's womb to write out my mind;
With the frames of joy! !
Under the eyes of righteous morals.

Edward Kofi Louis
From A Full Relationship

Depression,
From a full relationship;
Ultimately,
With yourself,
With myself,
With ourselves,
But, your true self is your home.
Depression!
Can be traced,
From a full relationship;
And, you will better understand it because,
You were unreliable.
Despair and grief!
But, with the will to live;
Because, life is meaningful.
Ten, tended!
Talking to the wind;
Tommy, tummy!
Disturbed with your mind;
Ring, wring!
And to find your way home.
Litter, glitter!
From a full relationship;
Pair, repair!
Because, the pool of your tears are now dried up.

Edward Kofi Louis
From A Secret Book In My Mind

My poetry is not in your Text Book,
My poetry is from a secret book in my mind;
Needed,
For peace, joy and love;
Admitted with the muse of the truth,
And, to monitor the earth with the telescope of my eyes.
Progress!
With the muse of nature;
Under the rule of the laws,
Needed for you and i.
My poetry is not in your Text Book,
My poetry is from a secret book in my mind;
With the projection of the truth leading me on,
As i write out my mind to the world!
Searching for peace, unity and love;
Which brings joy always to the heart.

Edward Kofi Louis
From A To B

Two points at a distance,
To draw the straight line,
From A to B;
With the muse of love,
From point A to point B;
With the muse of Mathematics,
Life and love!
With the aroma of nature and,
The romance of the laws;
With a link from A to B.

Edward Kofi Louis
From Accra To Kumasi

A walk from Accra to Kumasi,
Like the night of the long knives to switch over;
Night, Knight!
The hills and the fears are one;
But, you've impregnated a lady already!
With just three months of your stay in Accra.

A walk from Bawku to Yendi,
But your friends skipped classes and drank in excess;
However, i went along with my studies!
Because, those who claim to know much today are,
Those who are aware of how much they don't know.

Edward Kofi Louis
From Adam

From Adam and Eve,
From father and mother,
From husband and wife,
From heaven and for earth,
Black and White,
With the muse of creation;
We are all from the same source.

Edward Kofi Louis
From And To!

From and to!
To and from;
To post and to receive,
With the cycles of life.

Edward Kofi Louis
From Another Realm

Loud and raw!
Talking in your dream,
Talking in your sleep,
Dreams! !
On the mountain of sugar;
Viewing everything from another realm.

The image,
The picture,
The photo,
The album,
Equated! !
With your muse.

The oil of peace,
The joy of the truth! !
Crystal clear,
Realized;
With a plan,
Along the way! !
Seeing things in your dreams.

Edward Kofi Louis
From Bombay To Mumbai!

From Bombay to Mumbai,
Why can't the terrorists leave this land alone? ! !
First it was a bomb blast some years ago in Bombay;
And many people died in the name of the attack from the terrorists,
But the muse of Bombay in those days was like 'Bomb-Bay'!

Now the name had been changed to Mumbai,
But the terrorists were still not at rest!
So they bombed Mumbai as well;
With many dead bodies recorded after this act,
But is this the best solution for mankind to live peacefully on this earth? !
Why?

Mumbai, bum, mum, am, Imam, bam! !
There is no peace at all in this world;
Yet still we all do have a form of a Religion that we believe in,
But is this act also part of the teachings? !
Then, it is time that we behave well like human beings on this earth;
For we all need to put the world into a better shape with love than hatred.

Edward Kofi Louis
From Boston

From Boston with the muse of peace!
Let it be the one that i am looking for;
And like the tree of joy along the river of peace.

A new door!
The new lover;
And of your mind in this land! !
But, let it be the one that i am looking for.

Love!
With my little staff in my homaland;
Hope!
Still finding the way to reach there;
But, never give up on your dreams.

Life!
Others may be freed and others may be sentenced;
Lust!
As deep as the grave;
But, true love is stronger than death.

Edward Kofi Louis
From Coast To Coast

Profane! ! !
From coast to coast,
Guest who is coming to your town;
Destroying the microbes with the wickedness of our sins.
Hog, log, dog, cog, bog, blog, fog, flog, clog, tog, slog!
Something special,
To get it in;
Spear, pear, ear, hear, sear, wear, bear, near, tear!
With the wickedness of mankind on earth today.
Gravity bombs! !
Well known to us after the knowledge of mankind in the schools;
With hatred coming out of the hearts of mankind after Degrees are obtained! !
And, ready to destroy the earth with wars,
As we aim at each other with our weapons.

Edward Kofi Louis
From Every Angle

The truth,
Coming to you from every angle!!
With the muse of life and,
The romance of nature;
Able to touch your heart and to lead you on,
Able to teach you along the line.

Edward Kofi Louis
From Genesis To Revelation

Life,
From Genesis to Revelation;
Seeing through the Chronicles of the things around,
Yes! The Chronicles of mankind on earth;
With the muse of history! !
Men, women and children.

Edward Kofi Louis
From Here

I can see you from here,
In my land;

I can feel you from here!
In my land;

I can read your mind from here,
In my land;

Your words and your works,
With servitude and attitude.

Your style!
Telling me who you are;

I can read your mind,
From here! !

Sitting over here in my land,
Facing the ways of life.

Edward Kofi Louis
From India To Ethiopia

The throne,
One tone!
Done with love,
Crone, drone!
Clone,
Lone,
In the citadel of life,
Alone,
here and there,
With the muse of the atmosphere,
Gone to the bush.

Sphere!
Played,
Displayed,
With love,
With your joy! !
In the land.

Reign, rain!
His reign,
Her reign,
With the sign of the crowns! !
Seen on thier heads.

Days, says, ways, stays!
The space,
In the palace,
Ace, lace!
The race,
To embrace,
Rated,
Decorated,
Stated,
With love.

Blue linen,
White linen,
Mosaic pavement!
Couches of gold;
Bold, behold!
To hold on,
The story,
Told with the muse of your beauty,
In the land,
Like a royal wine.

Generosity!
Loyal,
A feast for the women in the palace,
A feast for the men in the palace,
A feast for the children in the palace,
A feast for the people! !
With joy;
In high spirits!
Wearing the crown of the town;
Verse, serve, reserve, converse!
Ranked,
Rest, test, best, nest, west, highest!
According to the ways og the land.

Beauty!
She was beautiful to behold;
This young woman,
To please your heart.

On, upon!
This young woman,
Lovely in all form and features;
Entrusted with the muse of her sweet love,
Posed, disposed!
Propsed,
Supposed,
With the muse of her beauty,
In matters of law and justice;
All wives should honour their husbands,
All hunbands should honour their wives,
All children should honour thier parents,
All parents should honour thier children,
Pleasing! !
Easing the pains of hatred.
Oil and myrrh!
Perfumes and cosmetics,
Thought,
Bought,
To be brought in;
In the house of the women.

Home,
Homage;
The day and the moon!
Sealed with the royal signet ring,
With the muse of true-love;
To learn of your welfare and progress,
In the land.

From India to Ethiopia with your love,
Sharing along with the muse of life;
Nature! 
Very natural,
Teaching you along the line;
With the beauty of your heart,
Writing always to teach others.

Edward Kofi Louis
From Its Furrows

Form,
From its furrows;
To pluck it,
To have it,
To eat it,
To try it,
To use it,
Like Panama Connections!
Character,
Rights and laws;
Living in the land with,
The muse of your mind.

Edward Kofi Louis
From Lome

17 and 48 years old,
13 and 34 years old,
Status! !
Peace and care,
Rum, ram, rim, ream, realm!
Rivalry,
Resistance,
Patience,
Feelings,
But, i am from Lome! !

Photography,
25 and 60 years old,
28 and 51 years old,
Compilations! !
Disk,
Disc,
Logic,
Logistic,
In the garden of snakes!
Like the golden snake;
But, you need the golden stick for your freedom.

The golden ball,
The golden gate,
The golden hole,
But with the freedom torch!

Edward Kofi Louis
From Ludia To Ethiopia

What we learn today, we teach others tomorrow;
But when we die we keep quiet.
What we witness today, we express it to others as well;
But if not, we will keep silence.
Life is like a trip from Ludia to Ethiopia!
And there is a day to be born and a day to be schooled;
After which one acquire certificates during the length of time.
What we learnt yesterday are the ones we teach to others today,
But when we die we keep quiet;
And it is all about life for us to learn daily.
Life started with the trees in the Garden of Eden,
But these were laws for us to learn and to become perfect;
And today, it is better to give than to receive.

Edward Kofi Louis
From Man

From man,
To woman!
And, the woman gave birth to a child.

Edward Kofi Louis
Love!
Waiting for what you are looking for;
From me.
Life!
Like the muse of copper and bronze;
But, you are still waiting for something from me.
The muse of life!
With technical innovation;
And, with your love.
The muse of life!
You have the clock and, i have the time;
And, you are deeply honoured to be closer to me.
The muse of life!
Done and calculated very well;
With your sweet love.

Edward Kofi Louis
From Me 2

You got what you wanted,
From me;
To satisfy your love! !
To satisfy your muse,
With the joy of your heart.

Edward Kofi Louis
From Me To You

From me to you,
With joy! !
From my heart,
To share with you,
Take it!
It is an offer,
Like a token,
With peace and love.

Edward Kofi Louis
From Me To You 2

From me to you! !
Watching the News,
After Hurricane Irma;
Hoping you well.

From me to you!
To all the people around you;
Safety first! !
Hope you are all under safe hands,
You and your family,
After the Hurricane.

Yours truly!
From me to you;
Praying for your Safety,
After the Hurricane.

Edward Kofi Louis
From My Heart

I will give everything from my heart to you,
But promiscuity knows no boundaries;
You can see how strong it is,
You can feel how sweet it is,
For surprises are always a fun too.

I will give everything from my heart to you,
But fertilization and pregnancy is our ability to reproduce!
How sweet is it?
How strong is it?
How nice is it?
How far is it?
For true love works no harm against his or her neighbour.

Promiscuity knows no boundaries and true love performs the law,
So i will cut a fresh path on this love to help you overcome;
For, how long shall we look back?

Edward Kofi Louis
From My Heart!

Your mind is sweet like honey!
And like the refinement of silver;
But, it will be a blessing for us to live together! !
For, i love you from my heart.

Edward Kofi Louis
From My Mind

I don't write poetry because i went to school,
Or, my teacher taught me to write it so;
But, i write poetry with a style from my mind.

Edward Kofi Louis
From O.A.U. To A.U.

Bumble bee! !
Where are you hiding?
Bull, bullish!

From O.A.U. to A.U.;
But, where is the unity of the Africans?
Owl, owlish!
Sad to say it;
But the Problems of the Africans are not easily dealt with.

Sheep, sheepish!
With corruption everwhere;
And, Mother Africa weeps to find the solution.

From O.A.U. to A. U.,
Cried the beloved child of Africa! !
Waiting for the day that, things will be better;
With leaders who put more into their pockets than,
Thinking of their people.

Edward Kofi Louis
From One Source

Brace, embrace!
The clock is ticking all around us;
Thick, tick!
With the muse of the clock on the wall;
Race, embrace!
Openly,
With the muse of love;
Because, we all came out from one source.

Love!
It will be nice to see your face at my door;
And, to have a role to play in this life,
With the positive sense of order.
Life!
It is nice to know the truth;
For, we all came out from one source,
Learning the ways of nature.

Edward Kofi Louis
From Port Louis

Life is like a planted tree!
But whether it grows or not, i don't know.

Message from Port Louis!
A plant,
Compared to life;
A mind full in control.

Lips,
Tips of the tongues and the evidence around;
But, i'm like a lion in the forest of Africa.

What brings light is now blown away!
What brings love is kept in the dark;
Like earthworms dying in the cold winter,
But, where are the birds to eat them up?

Tactical advantage!
Like the use of the hybrid;
Wine and Spirits without accolades,
But who the cap fits must always wear it.

Place to place,
Race to embrace!
If it is not in the Bible then, forget it;
To trace the truth.

A matter of the Cow to bring about the Milk!
One world of many colours,
With a message from Port Louis.

A humble port with a view,
A planted tree as life itself!
You are what you think;
With the ink beside you,
But the wild honey will sweeten the sour.

At times in Life,
You have to throw away some items!
Able to move forward,  
To enable you to stand up straight! ! 
Facing the world with your works.

Edward Kofi Louis
From Rameses To Succoth

Seventy palm trees,
Twelve wells of water;
Of a romantic night with wine at the fire place;
Bread of heaven,
Pots of meat,
Come up to me on this mountain!

From Ur to Rome,
From Rameses to Succoth,
From Accra to Hamburg,
From Nima to Lagos,
From Cape Coast to New York,
From Ghana to South Korea,
I am a stranger in a foreign land.

Fire, wine, husban and wife;
Of red wine at the fire place!
Seventy palm trees,
Twelve wells of water;
To eat for three matters to me.
Of eyes darker than wine,
Of teeth whiter than milk,
Like the strong donkey between the two saddle bags;
'Ahyah Asher Ahyah'!
From Rameses to Succoth,
More words tor the heart;
Oh mankind, you are noted with your works.

Ten minutes to the post office,
Fifteen minutes to school;
I am in anew world learning how to speak!
To read and write,
To walk in the rain,
To sing in the rain,
To dance in the rain,
Why are the bicycles under the roof?!

To sell my mind,
To sleep for three;
To sell my views,  
To eat for three;  
To sell my works,  
To drink for three;  
Like the joy of a news to tell my parents!  
But, 'Kofi likes Coffee'.

To sail the Alster and the Elbe,  
To live like a King with servants,  
I am stranger in a foreign land.  
'Kofi likes Coffee',  
To learn from my sweet muse always;  
Of eyes darker than wine when,  
There are more things that meet the eyes!

Oh bread of heaven,  
Oh sweet of love;  
Like a basket among the reeds where,  
My mind do capture the events around me.  
To eat for three,  
To dress for three,  
To drink for three,  
To sleep for three,  
Like a romantic night with wine at the fire place;  
This is the joy that i bring to you as a stranger.

Edward Kofi Louis
From Scotland

The eye,
The code;

The eyes,
The codes;

Watching you,
Watching me,
Watching us;

Songs! !
Like one longing for love;
Along the lines of life,
With the muse of a bottle of Whisky from Scotland in the hand.

Edward Kofi Louis
From Sunrise To Sunset

Sunrise,
She was born on the 3rd of June 1985;
Sunset,
And she died on the 10th of July 2011;
Yes, from sunrise to sunset! 
But the thoughts that appeared in me was like the muse of love,
And like flowers dancing among the beauty of peace!
But she was gone too soon.

Edward Kofi Louis
From That Hour

Bloodstain!
As issue of blood;
From that hour with warning and persecution.
Life, love, peace, joy, muse!
There is nothing covered that will not be revealed,
In this world;
For, the hidden things are now being exposed to us!
From the one who bears the witness.

Edward Kofi Louis
From The Beginning

Original laws!
From the beginning;

Righteousness,
To be upright! !

Upholding the laws,
With the ways of life.

Edward Kofi Louis
From The Camp

It will come to you in the same way! !
In deep pain,
Black joy!
White joy!
King, sing, bring, ring, wing!
With words from the camp,
To tell you the truth;
With the works of peace,
Overcoming your pains! !
Because i love you.

Edward Kofi Louis
From The Desk Top

To bid you farewell,
And like the news report from the desk top;
But the gleaning delivery of your muse had touched the hearts of many!

Tirades,
Unable to hide;
But with an economic policy to respect your muse,
And, to bid you farewell was the threshold of the matter.

Edward Kofi Louis
From The European Union

A dream within a dream!
And like " from the European Union;
But this is the muse of my mind intending to touch the hearts of many,
And like an exciting reunion with the true light of love.

Seeing through the light,
With your requested meal to enhance the status of my mind;
But the rainbow colours means a lot to me,
And like my mind so presented as poets at ".

Cannon,
Canoe,
Canon! !
Like the ties of love in the land if your muse;
But far away from home are my works at " from the European Union.

Edward Kofi Louis
From The Farm

From the back,
Form, foam!
From the farm;
Following the muse of life,
Sack, black!
Along the narrow path;
With the aroma of nature.

Edward Kofi Louis
From The Garden

Life,
From the garden of sweet love!
With the muse of your mind.

Edward Kofi Louis
From The Heart

From the hearts comes out righteousness and evil;
So, bring out better things out of your mind!
And, live in peace with your neighbours.

Edward Kofi Louis
From The Heart!

From the heart!
From my heart;
To my friend Alola to write our this poem;
Bud, budget!
And to my neighbour Lalola do i greet;
Get, budget!
Like the colourful soul of every culture.
Echoes! !
Ethos,
Sentry, try!
And, dealing with the problems ahead.

Edward Kofi Louis
From The Heavens It Came

From the heavens it came! 
The rain,
With the muse of nature;
To satisfy the earth.

Edward Kofi Louis
From The House Of Righteousness

Love!
From the House of Righteousness;
Love!
With creation's secret.
Love!
It is with your works and,
With the attitude of servitude.
Love!
To let it dwell in us and,
To walk along peacefully with each other.
Love!
Let it walk among you;
And, live in peace with your brothers and sisters.

Edward Kofi Louis
From The Margin

Measure,
Sure!
From the margin,
Pure! !
To secure.

Edward Kofi Louis
From The One Sent

Watchful,
Steadfast!
You are who you and,
I am who i am;
But, let us all seek for righteousness and the truth,
From the one sent.

Life!
With the muse of your love and,
With the muse of your sense;
To rejoice! !
With the muse of the truth;
From the one sent,
With servitude and attitude.

Love,
To keep you in mind!
By doing the right thing.
Love!
Handled with clean hands;
And, with the muse of the laws,
Following after the truth.

Edward Kofi Louis
From The Origin

Region,
Not Religion;
Original!
From the origin,
With the muse of peace and love.

Edward Kofi Louis
From The Other

This act,
This style,
This work;
But, you can't set her free during the heat of the sun!
Because this problem at hand is from the other,
And you need to follow the rules to keep her safe under your care.

Edward Kofi Louis
From The Reality

Alienation,
From the reality;
With the ability to think!
Conjected.

Initiative,
Dividends,
Removed;
Lost on complacent leadership.

Journey!
The journeys of life;
From one profession to the other,
Like someone sent to the bush to collect herbs.

Edward Kofi Louis
From The Same Mother

Division!
Separate,
But you are my sister;
From the same mother.

Edward Kofi Louis
From The Scene

I am with you my love so,
Do not turn back your life on me;
For, seven men fell down dead on the same day!
In this war in Syria;
And, i have learnt a lot of lessons from this scene.

Treat, retreat!
With the ways of war;
Illegal lust!
On the edge of nothing;
Red!
Blood,
Instinct;
I have learnt a lot of lessons from this Scene.

Edward Kofi Louis
From The Seabed

Muse,
The muse of nature!
From the sebed;
Deep down.
Arts of life and arts of love;
Into the ocean,
Deep down.

Edward Kofi Louis
From The Society

It is surely in!
And from the society;
It is your kind of work,
And from the society;
It is like the kind of your love,
And from the society;
It is pretty young,
And from the society! !
But, i need this muse of your love;
For, i am in the muse of your land.

Edward Kofi Louis
From The Summit

Love,
From the summit;
To sum it up with the laws,
And, to know your ways.

From the summit,
Climbing up with the muse of sweet love;
Viewing around!
And, to crown it all with the aroma of peace.

Love, peace, mercy and joy!
Climbing down after viewing the area;
With the muse of your heart at the top,
And, with the acts of the aroma of your sweet romance.

Life,
From the summit;
Love,
With the compassion of your heart bringing you joy.

Edward Kofi Louis
From The Sun

Sunshine by day!
Moonlight by night;
Walking along the narrow path with my muse,
But, the moon gets its light from the sun.

Edward Kofi Louis
Illegal lust,
Torn into two!
From the top to the bottom;
And the earth quaked! !
And the rocks split,
From the top to the bottom.
Trouble!
For your ransom and,
For your price;
Like the jackals and owls in the wilderness.

Edward Kofi Louis
From the tower of love,
There i sat and met your sweet love;
And the aroma of the sweet roses greeted me with joy.

You're so beautiful and you're so lovely!
And from the tower of love i met your muse;
But do respect the roses as well,
For this aroma of love is all about your sweet muse.

Edward Kofi Louis
From The United States!

' from the United States'!
Health,
Corrector,
Cleanse,
Purify,
Speedily;
And like the muse of your love,
But creative writing is like the wonderful works of imaginations.

A dream,
Speak out;
What is the chaff compared to the wheat? !
And like the muse of your love seen and heard,
But let the labour of my soul be satisfied with your love.

Behold!
The days comes when you will read my poems;
Then you will gain the knowledge which is from afar! !
Because the rains have gathered up high above you,
And you need my path to direct your feet on.

Moulded sea,
Within two years of your love!
But this is the very text of the letter which i posted to you;
And it was dispatched by hand with the muse of love to satisfy you.

Red store,
Yellow store,
Blue store,
Black store,
In the hearing of all the people! !
And like the pleasant places of love;
Because the wilderness is now dried up in the land of your glory,
But i will live on to guide you with my sweet love always.

Edward Kofi Louis
From The West

How did this come about?
Of your opportunity and my opportunity;
For a child is born with a special name,
And like the interpretations of my love.

Forty years in the wilderness and of the vast difference,
But come here to see things for yourselves;
For you will need money like honey for your body and,
Molasses like the love of your mind on this lake.

I'm from the West and i want your love,
But you are the East and you've seen my face;
For the pot that calls the kettle black is around us.

Edward Kofi Louis
From The White Mountain

Tidings of joy to all mankind!
With many people smoking all day long;
But, this gift of love is from the White Mountain.
Some are drinking all day long and,
I've got nothing to see than the rice fields of winter! !
Because, my fellow workers are now taking shelter by the fire side.
Sell, shell!
Twisted under because of the cold weather;
But, others are now sleeping at the moment.
Rank, prank!
From the White Mountain;
And like an unevenful hight because of the rice fields of winter.

After-birth,
From the womb,
And of the children that she bears;
But stubbornly noted with the muse of your love!
And she held her peace on the matter.
Purify yourself and change your clothes,
For the great tree of weeping had seen everything;
And like the children that she bears.

Edward Kofi Louis
From The Womb  2

I will always write what i think;
For, this world is not right today!
Yes, it is full of the lust of the eyes.

The beauty of the woman!
The man is always behind her;
The beauty of a female body!
The man is always after her;
But, real beauty comes from the heart.

Late, collate!
Election results cannot be doctered;
But, i saw your face in a crowded place and,
I still don't know what to do.

Like this young lady who is in love.
Life is no game so,
Play it well when you find your lover;
Like a groove little thing that sounds so sweet.

It is like a funfair love on my lover's lane,
And you've got me and i've got you;
All in this sweet paradise of love together.
Life is no game so,
Catch them young and ride them to victory.
Like a walk through Kingstown to Trench Town in Jamaica,
My love is real for you and yours is sweeter than the candy.

Every move i make is for you,
Every step i take is for you,
From coast to coast is your little thing which sounds so sweet;

Pale, bale, ale, dale, gale, hale, tale!
To begin with;
Love and war,
But to see them dancing around it.

To witness it,
You can see it on their faces;
To see it,
For this wordly music is taking away the minds of my people! !

To love it,
To witness it,
To use it,
To kiss it,
To play it,
To do it,
To cook it,
And to work with it;
But, this worldly music is killing my people! !

The sound,
The time,
The melody;
Desirable enough to lead them away! !

Preparing my muse to write out my mind,
When will people learn about true love and care?
Living in a country where children eat with dogs!
While the President has fleet of cars.

Ashes of the Red Heifer,
Hard labour towards success;
But through wisdom is a house built,
However, days should speak the truth!

Can a man put fire in his lap and his clothing will not get burnt? !
But you are ignorant and untutored in the land of struggle;
However, wisdom was brought into being before the world was created.

The mentality of the people in this town makes me cry;

I am like the only goldfish in the big ocean;
But through the waves of the sea i will feel your love,
And i will swim closer to you one day.

Edward Kofi Louis
Gladness Of The Heart

She lumbered past the barbed wire and,
She rolled into history with her love;
And like cotton made in Africa.
The land of beauty and the land of love!

To the world!
Your works,

Expressing your humour to the world.
Bour! !
Sour,
With humour,
Your humour;
Colour,
Flour,
Glamour!
With honour in your sight.

Edward Kofi Louis
Glanzer

Records, cords, lords, words, swords, fords!
But do warm up and meet me at the corner;
For, there is a natural mystic flowing in the air.
Ponder, wonder, fonder, bonder, yonder!
And like the muse of Glanzer your lover;
But, try to listen to this natural mystic,
For, it is all about your love in the village.

Edward Kofi Louis
Glean, Lean!

Clean,
To take a short rest in the shelter;

Glean, lean!
To work steadily;

Created,
On earth,
For a purpose! !
Living on earth,
Learning always,
Able to put things right when,
The truth is accepted;
If not, being pushed around with the muse of evil acts!

Edward Kofi Louis
Global Culture

A global culture is closing up on us,
But with lustful minds to kill mankind;
Yet still, they take up the Bible to calm us down.
When it is not a coup, it is war! !
And like what is now going on in Libya;
But with lustful minds to kill mankind!
Of a global culture,
But little things do mean a lot when you know the value;
And check out the life styles around you today,
For it si a mixture of righteous and evil!
The oil reserves are being bombed today in Libya,
And the dark mushroom clouds bring sadness on our faces;
But how many dead bodies are already recorded?
Of human beings and human identities,
But the global culture is what we know;
With global villages in the state ot our minds,
But quote it from the Torah and compare it with the modernizations around you.
Oh mankind! ! What have we done to ourselves on this earth?
Where is the missing link and, why the hatred? ! !
But the positive ones are never heard in times like this;
With the magnitudes of the negative one crowning the day!
But let us sit down and talk about it.

Edward Kofi Louis
Global Player

Player,
Layer!
Global player;
Audacity! !

Going to somewhere;
Anywhere on the globe,
With the muse of your works.
Player, layer!
With the muse of your subordinates around;
And, to step in with your works,
Trying to understand this world of business.

Edward Kofi Louis
Globalization and the third world countries,
This light suppose to be outside than inside! !
And out of proverty to satisfy my muse,
For we are now holding Hi-Tec Mobile Phones in our hands.

All our natural resources are taken away at cheaper rates and,
The third world countries do pay back heavily on these Hi-Tec products! !
All in the name of globalization;
With cheap labour on our part to help grow the wealth of the Richer Nations!
And, we become poorer begging for alms than ever,
For, globalization has taken over our respective economies! ! !
But, always hoping that, there will be a better way out one day.

Edward Kofi Louis

Edward Kofi Louis
Gloom Of Anguish

Speculations!
Witches,
Wizards,
Pressed and hungry;
Enraged and cursed!
And, to look upward for help.

Illegal lust,
With trouble and darkness!
With the gloom of anguish;
Thrust into darkness,
Revealed! !
As you were seen in the morning.

Edward Kofi Louis
Gloomy And Ghostly

Makers of civilization and makers of wood works,
Makers of love and makers of peace,
Makers of misunderstanding and makers of war!
But, do stray like a cat and, do learn like a mouse.

Elaborated facts!
Joy to the world and peace to all mankind;
But, war is not the answer to the problems around us.

A gloomy and ghostly shadow!
Of a mere ploy to serve at times;
But, i am with you liker the thrown of the serpent!
However, the flower of the east learns and,
The flower of the west hopes in this life.

Lean, learn!
But i am with you today like the thrown of the tiger;
However, ther monkey's famly must also learn from the facts around today.

The facts of today!
But, the thrown of the lion must be occupied by a wise person;
However, you are learning like a thief today and,
Walking along always like a drunkard.

Edward Kofi Louis
Gloria

Two nations are in your womb and,  
Two people will be separated from your body;  
For your beauty is to your husband always.

Ishmayl became an archer and married a wife from Egypt,  
But you are very loyal to your husband;  
So be like the Tamarisk tree to satisfy him always.

Gloria, your love is like the cave of Kiryath Arba;  
And you will enjoy the fruits of your toils all day long.  
Rise and learn and arise to the love of your husband,  
For we all need partners in this world.

Edward Kofi Louis
Gloria! ! !

Smith with her;
But, the nose knows because of the smell.

Drew, dew, new, knew!
With her dress code;
But, the nose knows because of the smell.

But today, i am on the other side of the river,
And like the muse of your love in the land of roses! !
But the red pepper is now on your table.

Edward Kofi Louis
Glover, Lover, Over!

Glover, lover, over!
And, it is now over;
Because of the hatred in you.

Love!
It will keep me alive;
But, i need to control my mind.

But, i need to control my ways.

Glover, lover, over!

The very ways of mankind!
But, he or she who dwells in the secret place of the Most High will,
Abide under the shadow of the Almighty.

Edward Kofi Louis

In all things;
With kindness and compassion to all mankind.

Flowing through the mountains of love;
Nine years after your struggles in the land.

Edward Kofi Louis

To address the issue,
And, to promote the rule of law.

With the words of peace,
And, with the works of joy;
Bringing all together.

Sense of desiring;
As the morning damned.

Goblet, globe, lobe, toe, go, let, bet, get, got!
With an appropriate message of peace;
To the person around you.

Edward Kofi Louis
Goddess Of Love

Astronomical calculations and,
The reappearance of the crescent of the moon;
For the sages has established a permanent calendar and,
We have to live by it as compared to the truth.

'Dies Mercurii'!
And of the goddess of love that tickles your ears;
But the brightness of the heavens does have the laws and,
You desire to obey the laws and be perfect as well.

I thank Yahweh at every remembrance of you,
For the righteous work will surely gain its perfection;
So, why fail to use this opportunity?

Of the marriage and the super of love to lead you on,
Please do not be astonished with my love towards you;
But train up a child the way that he or she should go and,
He or she will not depart from it.

Edward Kofi Louis
The Goddess of Love is living among us,
And we have found a way to lust after people’s wives! !
But soon come judgement and,
There will our nakedness be exposed!

The sky is red for a fair weather today but,
The narrow way is what you need;
But many have taken the broad way.

Through the cities and the villages,
Strive to enter in at the narrow gate;
For the Goddess of Love is living with us,
And like the muse of your love now sold to many!

Edward Kofi Louis
Goddess Of Nudity

The Goddess of Nudity,
Friendly and openly to the eyes of the public!
And there we saw the nudes of gorgeous women;
But, is this porno world teaching us enough? !

Edward Kofi Louis
Godfrey

When sin concieves, it leads to dead;
But shall a child be born to him who is hundred years old?!
Then think about what you see around you.

Warmest wet,
Of the area that men do go at last;
But do not judge a matter from only one source.

Size, length and width;
And like the strangers in the land of love so,
Do not endanger somebody's life oh Godfrey.

Edward Kofi Louis
Gods

The Gods Thor and Odin!
With the muse of the Vikings;
Worshiping them,
And acting in their ways! !
In the name of the recorded history of mankind;
Living in Denmark to understand much about them.

Edward Kofi Louis

Respected in a land;
Back through history! !
Knowing where they came from.

Edward Kofi Louis
Gods Of The Hills

Every form of creeping living things are portrayed on the walls,
And like the gods of the hills!
But in that day,
The calf and the young lion will live together!
And you will understand my true identity.

Edward Kofi Louis
Godwin Otuyah

Perilous times will come,
So move in while you still can;
But you will be called out among many.
Like an animal’s milk,
Like an animal's meat,
This is a message to Godwin Otuyah;
Have you left your numerous girlfriends?!
Like milk and meat,
Are you now married with many children?
If you still cannot recall who i am then,
Try to remember the last time i visited you in Lagos.

Edward Kofi Louis
God-Worship

For all the beauties of love is in the place so unplanned,
But you are not left alone on this love.

Unplugged!
I don't know how you did, but you did it to love me more;
For i was abandoned in the dark for far too long.

Unplanned!
Gogeshvili my love,
Come and carry me with your petals of love;
For, i have shed many tears for you my love.

Thinking of them;
Safe at home.

You want to leave a legacy;

Training yourself to upgrade your status on earth.

Edward Kofi Louis
Going Down Hill

Lust!
Raping women and young girls of all ages;
Lust!
Going down hill;
And, in the name of sin.
Lust!
With senseless minds;
All in the name of their respective actions.
Neurons, organs, functions, systems, sediments!
With the evil works of mankind in this world;
All in the name of advance technology.
Attitude,
Involved, evolved!
Adapted,
Sought, bought!
Provided,
And with influences;
But, the lust of this world leads us to sin.

Edward Kofi Louis

Hopping!
Step by step and,
Going forward;
Hoping to reach your goal! !
And, to attain success.

Edward Kofi Louis

Going in,
Deep down!
Beyond the pathways torn apart;
Because of war! !
Because of the destruction,
because of hatred,
With the image of the land falling into the hands of the terrorists.

Edward Kofi Louis
Going Into Prediction

Desperation,
Contempt;
War!
Going into prediction;
One step after the other.
Lust!
Leading to death;
Lust!

And, making it to lead you to rape women.

White oak and water,
Black oak and sugar,
Going to Africa! !

Of the Balck Ark,
Of the White Ark,
Natural mystic,

Of light and darkness,
In the city.

Keep on learning,
Keep on teaching,
Keep on writing,
Keep on preaching!
And, let the system teach us all.

Edward Kofi Louis
Going To Babylon

Red fin, blue fin, black fin and yellow fin;
And in line with my philanthropic services around;

For if there is a will there is always a way!
So clean your eyes and watch your teeth.
Trench, wrench, drench;
Wheel, feel, heel;
Bend, send, end;
Wind, bind, find;
And like going to Babylon with the bus!

Edward Kofi Louis
Goka And Five Others

Tossed to and fro with my mind,
One father to all to share a view;
But murder she wrote on this love.

The moment of grief and the moment of love,
And of their bodies in blankets without DNA test;
For we are now greeted by the ghost of our past!

Godwin Mawuli Dra Goka,
Yaw Brefo Berko,
Kojo Kyeremeh Djan,
Samuel Charles Aforo,
And Richard Charles Koomson;
Murder she wrote but,
The killers are still living among us.

Goka and five others,
In miniature coffins were their names inscribed on!
And this is the monument of my grief at last.

Edward Kofi Louis
Gold

In love,
In spirit,
In faith,
But in peace is the mind which is very healthy.

Gold, god, old, do, dog, go!
But try to keep yourself very pure;
For, i am walking in the snow alone to reach your house.

Your beautiful picture is still hanging up in my room,
Qualified with the love of your muse at peace;
But, we need real love on this earth than the bullets of war! !

Braided hair,
Modest apparel,
Expensive clothing;
But exercise yourself in holiness!
And let your progress be evident to all.

Edward Kofi Louis
Gold 2

Greatly noted with your works.

Edward Kofi Louis
Gold From Heaven

Gold from heaven!
Old enough,
To be sold for your love,
Because you are very beautiful.
Behold!
To hold on to your sweet muse;
Like a story told,
Even in the cold.
Gold from heaven,
To hold on to your sweet love;
Muse, use, fuse!
Because you are very beautiful!
Able to bring joy to my heart.

Edward Kofi Louis

I have used this watch for the past six years,
And i have changed the battery only once;
And like the muse of your love being seen by others,
But my watch is gold plated.

Edward Kofi Louis

Edward Kofi Louis
Gold, Old, God!

Gold, old, god!
Viable,
With publications;
Structure,
Attractive,
And like a productive society;
But, develop your mind with the muse of the laws.

Hand, land!
On another day;
Stand, land!
With hypocritical figures;
Flash, flesh, flush!
Looted and plundered.

Fingers, figures!
Water and health;
Fin, fingers!
With active participants;
Find, fend, found, fund!
Like 'the microcosm of the macrocosm';
But, develop your mind with the muse of the laws.

Edward Kofi Louis

Let me show you what you've not seen before;
Easy, say, yes, as, sea!
And, with the white doves.

Edward Kofi Louis
Golden Boy

The golden boy is asleep but the beautiful girls do walk around him,
So why have you hidden your sweet love from me?
For the days are like the rivers of Damascus,
But i know an apple when i do see one!

You left in a rage because of his majestic thing! !
But i will restore your like the flesh of a little child;
Because your Red Stew met my Red Soil last night.

Edward Kofi Louis

Acquainted with grief.

Love!
I do appreciate your loyalty to me;
Port, Rapport!
Learning your ways,
In a positive way.

True love!
With deep passion;
And, with the 'Golden Boy'.

Edward Kofi Louis
Golden Boys And Golden Girls

Golden boys and golden girls,
The patience of the grasshopper is about to write;
For your love is needed than your lust,
But, you still want to go round about in the carpel tunnel!

You have to eat up your words for sustenance,
And you have to drink up my inspirations with my imaginations for life!
Because, you have to push a little further to stay on top;
And like your bed-time stories in the land of your muse,
But, this muse of love that titillates you is about to swing you up high to another level!

Relieve yourselves and stay a little longer with the nuse of the grasshopper,
For the days ahead of you are full of evil! 
And like your works of lust than love as seen around in this town;
Because, your bed-time stories are now being read by all of us!

Edward Kofi Louis

Honestly noted with the muse of trust! 
A must, 
With positive morals.

With the works of peace,
Three, free, tree!
With the sweet muse of love;
Along the narrow path of joy.
Use, peruse!
Catching up;
With the muse of your golden dreams.
The night is still and,
We have something in common!
But, sleep my little one with the peace of your mind;
for, your beauty abounds in my heart.
Love, peace, joy!
Like a dream of an ice cream;
With the stream of life,
Flowing with the muse of joy.

Golden moon!
Soon with the wonders of nature;
Boon, bloon, loon!
To enjoy the ways of life,
Days with the works of peace;

My heart is now in your hands.

Edward Kofi Louis
'Golden-Boy'

If you have loved me,
You will love my heart;
Because, i am the 'Golden-Boy' who wants to marry you.

Why make a fool out of me when i gave you my love?!
Like the rabbit who is now destroying my farm;
However, you can now relief yourself in the inner room.

I am the 'Golden-Boy' who wants to love you and marry you!
So, come and live under my care;
And let this love be like a prayer to my heart.

Edward Kofi Louis
Gold-Leaf

Gold-leaf,
My food is made up of water, salt, onions, mushrooms and pepper!
And like the flower beds decorated with your love;
But do something positive that you really love in this life always.

Edward Kofi Louis
Goldwin

To empty the bowls! 
Goldwin, gold, win, in, go, do, old, gin, wind, won, own, now, down, low, god; 
Seeing and hearing from the works of the truth, 
Through the lessons of positive moral teachings. 
Cleanse, clean, sea, see, learn, lean, seen, as, can, clan, clans, seal! 
To cleanse the inside first; 
Working out with the muse of the Ten Commandments to put you on the right footings, 
Able to change your heart and mind in doing what is right always.

Edward Kofi Louis
Goldwyn

Goldwyn, go, on, now, won, own, old, gold!
Struggling in life and, to have your dreams come true;
Through your hard work! 
Hustle and bustle,
Facing the problems of life with your works;
And, coming out successfully to fulfil your dreams.

Edward Kofi Louis
Goliath

Here is the sword of Goliath the Philistine and,  
here is my sweet love as presented to you;  
For a bottle of wine will not stop me from loving you,  
Because i am the great light seen towards you!  
And out of the darkness came love so sweet.  
I am casting my net into the sea of love and,  
I need you to be around!  
For the coast is clear and i really need your love!

Edward Kofi Louis
Gona

Gona, go, on!
On, on, we go;
Moving on,
Moving along the way of the truth;
With love! 
With the joy of the hearts,
With the peace of the minds,
Sharing things in common;
And, with positive morals.

Edward Kofi Louis
Gonalons

Gonalons, so soon, son, as, an, salon, saloon, go, gaol, goals;
With the impact of life!
With the raft of great individuals;
At the meeting.
Salon, saloon!
Impacted,
And to shape civilization;
Son, soon!
With the muse of love and peace;
And, of what comes out of the heart and, what we do seek on this earth.

Edward Kofi Louis
Gone Astray

Illegal lust,
Hiding your face from the truth;
And now, you are afflicted in your sorrows.

Bruised! !
Wounded;
With the lack of the truth,
Living in the land of destruction.

Sins,
Our sins!
Gone astray;
In the land of the living.

Iniquities,
Oppressed;
Afflicted with the very works of your hands!
As you failed to accept in the truth.

Edward Kofi Louis
Gone Astray  2

Wickedness!
Gone astray like lost sheep;
I am for peace but,
When i speak,
They are for war! !

Wickedness,
Crooked ways,
With a deceitful tongue and lying lips;
Bread of sorrow! !
Killing the people and, destroying the earth.

Wickedness,
With your false tongue;
Haughty eyes!
With proud hearts,
In the name of terrorism.

Edward Kofi Louis
Gone Away

Why did you allow him to do it? !
For you are now pregnant and he is gone away;
And you are now labouring in pain alone.

Edward Kofi Louis
Gone But Not Forgotten

Tub, rub, sub, dub, grub, club, blub;
I still have the pieces of you!
And like the host of relatives and friends.

Drip, trip, rip, drip, blip, flip, strip, grip!
In my room,
On my bed,
To put things together;
But, silence is the voice we love to hear with the tender of love.

Hub, cub, flub, nub, stub, pub, chub;
Ray, say! !
Yearns, year, years, earn, earns, era, eras, are;
Long, strong!
But, we will meet once again.

Ear, ears, near, nears, yes, sea, sear, an, as;
Just one day! !
In my life,
In your life,
Soft and wet!
Gone but not forgotten;
For, you have brithened many lives in the land of many rivers.

Edward Kofi Louis
Gone Forever When I Needed You Most!

Why did you do this this me?
Gone forever;
And, you couldn't understand my sweet love.
Gone forever when i needed you most!
For, you were my heart's desire;
And, you left me lonely in the cold without clothes on me.
The muse of life!
To the animals and to the birds;
But, your memories are still deep inside me.
Oh! ! Endless love;
Thinking of you all day long;
For, your generosity overwhelmed me.
You came along and you gave me your world and your sweet love!
You gave me your words and your passion of love with a flair,
But, you left me lonely like the muse of a car that moves like a toy;
And now, you are gone forever when i needed you most.

Edward Kofi Louis
Gone Too Soon

Grilled and barbecued babies,
In a land called Japan!
He who have ears,
Let him hear this message.
Gone too soon without a trace,
In a land called Japan;
She who have ears,
Let her hear this message.
Wine is a man but,
Beer is a woman;
Life is all about us but,
One man's meat is another man's poison.
A very sad state,
Where babies are barbecued for food;
I don't need medals to crown my intelligence,
All that i need is love.
Gone too soon,
Gone too soon!
The Blackman's stress is under his skin;
Gone too soon,
Gone too soon!
The Whiteman's stress is on his face;
Just as it is seen by nature.
In the land of Japan!
Today is the day,
Tomorrow is another day;
But, yesterday is gone too soon.

Edward Kofi Louis
Gone With The Wind

Your name was yesterday,
Gone with the wind! !
Life and power,
Oh! History;
With the memories of life,
Now hoping for the future!
To put the past behind me.

Edward Kofi Louis
Gone!

One,
Done,
Alone,
Stone,
Cone,
Throne,
Crone,
Drone,
Bone,
Gone!
Talk, walk, chalk;
Learning the ways of life,
But, be very wise!
Learning to do the right thing always.

Edward Kofi Louis
Tragedy, sadness, multiple sex partners, Aids!
The forecast of which many ignore;
But we need to restore our memories from the past,
And like the muse of your lover in the den of the lions.

Captivity is not what i am talking about,
But the sounds and the horns of the truth!
And it is very sad to think about this issue,
Because many people around us are acting more negatively than the animals.

When will such people learn? If i may ask:
For my name is Gonzalez and,
My best friend died of Aids last night.

Edward Kofi Louis
Earth, wind and fire!
Love, peace and care;
Come to me and let me introduce you to my people,
For i am Gordon and i want your love.

Edward Kofi Louis
Gore

Tore! !
Gore,
Sore,
Pore,
Shore,
Ore,
Core,
Before;
In dersion.

Edward Kofi Louis
Goree Island

Goree Island!
And, of the speech from the Slave House;
For the records are very clear!
And like the Africans being shipped to America in the 16th to the 19th Centuries,
But, where is the secret hid out of the Gold?
To all flying insects and to all the things that moves on the ground,
And to stimulate creativity with the discreet of tears;
But, my people were sold out into slavery.
More slaves were sent to Brazil from Africa!
And like the storm at sea with the muse of the days gone by;
But, every person today shall give as he or she is capable of doing so.
Oh life, i am now swallowed by this great fish!
But the aroma of this hole is in the secret yard of the red valley;
And like the Africans shipped out to America in the slavery days.
The works of the slaves and the muse of their love,
But the fiddle is now with the saddle!
And like the emotions of romance and the passions of love,
But, in Goree island i will always remember the days of slavery.

Edward Kofi Louis
Gory

Life!
Like a woman who has taken in seed;
Voices!
In the night;
Shadows!
In the light;
Muse!
Like the birth of a child.

Lust!
Gory;
Like the muse of a pregnant lady.
Hope!
Never give up;
Nature!
With the harmony of love.

To the big area!
With the muse of love;
Nature!
With the harmony of the laws;
Life!
Time plays a very important role;
So, be very wise on your choices.

Edward Kofi Louis
Goshen

Cassava, banana, plantain and yam;
Take the bull by the horns and act mindful,
For the days comes with the lack of love.

Goshen my friend, life is like the hew of hope out of the mountains;
But out of a despair, i will extendy my tentacles to love you.

I will reachout to your dreams of love and,
With the enable rights to move towards yourds your love;
For we still line up in stirring time with our pygamies of our leaders!

You can make a change too,
And you can love me forever;
But, life is all about the blue sea and the brown sand.

Edward Kofi Louis
Goshen 2

Goshen, so, he, she, hen, hoe, hoes, son, nose, go, on, one, shoe, gone, no!
A distinction,
Deliverance! ! Men and women alike;
Sign of consent,
Fullness of life,
Excellent with the muse of the truth in the land of peace.
Twisted roots of love,
Searching for the truth from a tunnel;
Able to send the signal of hope to all!
With the works of the land under the umbrella of the laws; living in peace with each other.

Edward Kofi Louis
Gossip

Gossip!
From your heart to tell lies;

Lust,
To covet;

To deceive,
To destroy.

Edward Kofi Louis
You are still searching for the missing gold because,
Gossman gave you the hint;
But, i think, you've now learnt your lessons well from the fire around!
For, it is time to take the bull by the horn and, learn from the truth always.

It is time for forgiveness and, it is time to move on! !
Even though, you were told a lie in the first place;
However, the beauty of this foreign land with the hidden gold is far ahead of us.

Edward Kofi Louis
Gouge

Gouge it out and throw it away,
For your mother had told you a lie!
And your grandmother is here toay with the facts,
And of your muse that laid bare last night.

Edward Kofi Louis
Grabbing The Winds

Water!
71 percent of the earth is filled with water;
But, many are those who cannot even get water to drink.

Muse, life, nature!
Like a net protecting a garden;
But, with discipline and faith.

Peace, unity, joy!
Like a nest with the muse of the eggs;
But, with hope and direction.

Hard times!
With many;
On this earth.

Hatred and war!
Destroying the earth;
With many without shelters over their heads.

Water! !
Grabbing the winds;
Geodesic.

Grapping, grabbing!
Supplied;
With the power of nature.

Eyes, see, yes!
With hope and understanding;
But, where are the very answers to the Third World countries?

Red eyes, blue eyes, brown eyes, black eyes, yellow, eyes, pink eyes;
Everywhere searching for water!
While the earth is covered with 71 percent of water.

Edward Kofi Louis
To live by the words from a sound advise and,
To rule over Hebron and Yerusalem;
But life is like the carpenters and the masons.
Babel means the gate of god (El) and,
It is like your thirty sons who rides on thier thirty donkeys;
And like Sodom and Gomorrah,
Lot was Abram's nephew.

We will all learn our lessons well on this earth,
Like life in the wilderness of Sin;
But please if my husband is very handsome,
Do leave him alone than sleeping with him!
For the victory of the day had turned into mourning.

Edward Kofi Louis
'Gracias', 'La Vida Latina'! 

Why had your bed been taken out from under you? 
But i bring you peace and love to you; 
'Shalom Aleichem'!

Where is the horizontal trade mark of your love? 
For the casualties of the war had taken you aback! 
But i now bring you peace and love.

'Gracias', 'La vida Latina'! 
For the ants are a tiny nation but they prepare their food in the summer; 
And i am here to help you with my peaceful mind, 
So be very strong on your dreams and move on.

Edward Kofi Louis

Of the day and, of the night;
Life!
You cannot foot your bills anymore;
Because, you are now out of Job.

Edward Kofi Louis
Graffiti

Resentful,
Shocked!
Disappointed;
With graffiti on the walls in the name of your muse,
But vandalism is against the law.

Edward Kofi Louis
Grafted And Crafted

Deception!
Desirable,
With devices conjured up to entice the people;
To enjoy the sins of the world.

The truth is the right choice! ! And, lies lead to wrong choices;
Sitting in my land and, seeing the ways of the people.

Pagan birth,
With customs and traditions;
Teachings! !
With coloured eggs suposedly laid by rabbits;
The mask of christianity.

Cultures and traditions,
Grafted and crafted;
Instincts!
With prayers to the sun.

Edward Kofi Louis

A view of the city!
With a building in the forest.
Love, muse, life!
With a river in the forest;

And, to harness all available resources to meet up your schooling.
Electric lady,
Electric child,
Electric man;
You are who you are in this town,
But, the truth is always there!
So, search for it and keep it as a valued property when you find it.
Life,
With the beauty of nature;
Studying at Grammar School to beef up your knowledge,
As the muse of the rainbow caem along to greet you.

With a natural phenomenon;
Disclosed with the works of peace.

Edward Kofi Louis

Under the tree.

Edward Kofi Louis

With life's own story;
And like the lover and the beloved.

Peace!
Like the grapes and the dresser;
With the muse of unity and joy.

Life!
You need my help and, i need your help;
In this world.

And like the grapes and the dresser.

Edward Kofi Louis
Grapes Of Gall

The grapes of gall is being out of control and,
You are intoxicated already on this love!
Oh life, where are the true people on this earth?
Unpleasantness,
Of the workers of the demons;
Obsessive behaviour will lead you nowhere.
Cry! and let me find a way;
Sing! and let me be your lover;
For, to refute to repent is like Nimrod's Babylon!

Edward Kofi Louis
Grapes Of Gall! !

Hatred,
Envy,
Jealousy,
Vices,
War! !
Vines of Sodom and Gomorrah;
Grapes of gall! !
Filled withbitterness,
Like the dragon's poison;

With the wicked acts of mankind on earth.

Edward Kofi Louis

Grapes of wrath!
Ready to kill,
Ready to destroy,
Terror, horror!
With the acts of terrorism.

Edward Kofi Louis

Love,  
I sing with the smile of my heart;  
And, with the joy of my mind!  
In the land of the living,  
With the aroma of peace;  
because of you.  
Graphical, iconographical!  
With the muse of life;  
To accept you and to love you.  

Edward Kofi Louis
Grapping, Grabbing!

Hard times,
Geodesic,
Grapping, grabbing!
Made popular,
With time;
And, with the ways of nature.

Illegal power!
Like megawatts;
Out, outtages!
With the ways of mankind,
On this earth;
Finding ends to meet.

Tent, intermittent!
Set-ups,
Ways,
Grid, rid!
Feeling the pinch;
With the ways of the land.

Edward Kofi Louis
Grapple, Apple!

Grapple, apple!
She is pregnant;
With her works,
With her muse,
In the garden of love,
And now, expecting a baby for her husband.

Loquacious!
With the muse of the investor;
In the garden of her sweet love,
Confidence,
She is pregnant!
And now, expecting a baby for her husband.

Edward Kofi Louis
Grapple, Apple, Dapple!

The money,
The honey,
With the muse of silver and gold;
Grapple, apple, dapple!
But, unique and beautiful is the muse of love;
And, now, hatred opens its mouth widely like a crocodile around you.

Security,
Operations!
With the determinations of the laws at hand;
Illegal lust,
It stats like this and it ends up on the bed!
Because of sick minds and sick bodies,
Living in the name of evil.

Alliance!
Accountable,
But, contended like a litany;
With money in the hands of the drug peddlers.
Grapple, apple, dapple!
Advising,
Indirectly;
To read the script and to learn from it,
Because, hatred is now taking over the earth.

Edward Kofi Louis

Water to the one who is thirsty;
Glass,
Grass,
Grasp!
With the muse of your surname;
Blessed be your mind to the world.

Edward Kofi Louis
Grass

Give grass to the horses and the mules,
For i am sitting ona high mountain and i am enjoying the views;
And the sweet memories of your love do bath me all over!

Five loaves of bread for five thousand men,
And like the signs of the times and the face of the sky;
But the wind will always whisper your sweet name to me.

Edward Kofi Louis
Grass, Gas!

Distinguished passion,
To the water-bed;
Brass, grass!
Like a sleeping child;
Grass, gas!
Like a super model;
Hair, air!
At the breakfast table;
Verge, edge!
Going through the red zone.

A tree!
With perspectives;
but, who is your teacher?
The tree!
With flowing warmth;
But, who is your preacher?
For, nothing around it stands still.
Love!
With beauty,
Of the aroma,
And, with the romance.

With a brave heart!
But, who gave you these flowers for the grave?

Edward Kofi Louis
Death!
The grave gave you rest;
Away from the hands of wicked men and women.

Edward Kofi Louis
Gravitational Pull

The moon is about one quarter of the size of the earth in diameter and,
Love reacts with the realms to take you off your feet! !
But the moon has no light on it's own,
For it depends on the sun to give us light in the night.

Gravitational pull and emotional love,
The moon receives its light from the sun!
And like the hope of your dreams in the land of your birth,
For the woman was made for the man.

Only those who know the past can understand the present,
And like the medium of exchange! !
But some people only quote from the Bible without knowing their true meaning.

Move on with a smile on your face and learn from your past,
And like plantain and Soya-beans in the land of your muse;
But with the benevolent way of expression to educate others,
For we are all affected by the gravitational pull!

Edward Kofi Louis
Grease

You are as fat as the grease but eating like a Prince,
For the skin of the leopard is around you;
And you have to sow in tears and reap in joy.

A deer from the hands of the hunter and,
A bird from the hands of the fowler;
But be like the ant to learn her ways and be like,
The fetters of iron!
For you are the spectacles of my love.

To beautify the meek and to dance like a Queen,
And with the spiced wine to drink at times;
But do cut through the trees to see my love,
For I am like the tents of Yahseph.

To you the needy cry out for help,
Hear oh heavens and give ear to my muse;
For the cow and the bear will graze together one day.

Edward Kofi Louis
Grease, Ease!

Grease,
Star,
Ease,
Raw;
Eating the meat raw in your land,
But, there is blood in the meat.

Grease, ease!
Stages,
Levels,
Steps,
Lifts;
A panda!
In black and white.

Fox,
Wolf,

Act,
Pact,
Fact;
Great work of art!
Enlightening;
The truth is the father of light! !
And, love is the mother of peace.

Edward Kofi Louis
Great! !

This is what i want;
Back to the old drawing board with the works of the truth,
With the joy of your heart!
Seeing your smiling face once again;
Touching my heart deeply.

Edward Kofi Louis
Greater, Grater!

Grab the truth and overcome your sins with righteous works;  
Greater, grater!
Let the truth bring righteous fellowship among you;  
Because, everyone has something to offer to the world.  
You can't top perfection!
Because, the righteous laws are forever;  
So, let your works be with the light of the truth.

Edward Kofi Louis
Greatness!
Are you the One?
Let me know;
Let me hear your Voice,
Let me see your peace Great One.

Edward Kofi Louis
Greed leads to hatred and, war leads to death and destruction!
She's somebody's wife, don't use her; live in peace and follow the laws of righteousness.

Suicide bombers! ! ! Killing and destroying the earth today; but, war is no answer to peace.

Learn from the works of the truth and live in peace with your neighbours; knowing where to step to overcome your stress! With positive moral lessons.

Edward Kofi Louis
You are greedy for wealth but Satan had hindered your efforts,
And this is now like a metaphor to your growing up.
A little wine with water helps in stomach problems but,
This situation of yours is much of my headache!
Because Satan had hindered your efforts in life and,
You have to struggle to meet up in life in many ways.

Edward Kofi Louis
Greedy 2

Greedy for ill-gotten gain!
Violence,
Untruthful,
Committing crime;
To walk in the ways of darkness,
Crooked ways of life! !
Perversity and deceitfulness.

Edward Kofi Louis
Green And Blue

Mercy,
Love,
Peace,
Care,
To acknowledge the truth;
Propped!
Determined,
To tell it all;
Green and blue! !
And to break the silence.

Edward Kofi Louis
Green Apples

This poem is for you,
Like the song of your heart;
Always in love!
With the joy of your heart.
Your beauty baths me all day long!
Like the green apples from South Africa;
My sweet one,
You are all that it takes to put a smile on my face.

Edward Kofi Louis
Green Butterflies!

Green butterflies!
Playing in the garden of love;
Seeing the beauty of nature,
In my garden,
Watching them as they play,
Learning from them with the joy of my heart!

Edward Kofi Louis
Green Coast

Green coast,
Nature rules;
Bringing in joy,
Sows, flows!
Talk with me and,
Walk with me.

Edward Kofi Louis
Green Energy

I was born only yesterday and i know nothing!
For my life is like a shadow to you;
But, deep down in my heart, i do love you.

I am like a watered plant in the garden of love,
And with the sunshine watching over me always;
But, i will spread around my branches of love over you.

I love my country and you love your country,
I love my stew and your love your stew,
I love my home and you love your home,
So search for me with your love and i will be there! 
And, come with your Green Energy to touch my muse.

Edward Kofi Louis
Green Garden

Green garden,
The taste of your sweet apples;
Super, superiority!
With the shades of red.

The scenario!
With the muse of your love;
In the green garden,
And, with the works of peace.

Lion clothes and the peace of your mind!
A typical village is your home;
The muse of life,
With your talent, you can fly very high!
But, you are playing around in this green garden today.

Edward Kofi Louis
Green Garden   2

Den,
In,
Hen,
Seen!
In the garden garden;
The hen,
Seen;
With a pen in your hand,
With ten mangoes seen on the big tree!
The mango tree at the centre of the green garden.

Edward Kofi Louis
Green Garden 2

Green garden!
The final report;
Literature opens the doors and the windows of life,
Deep in the hearts with the muse of love.

Real flesh,
Real life;
With the ways of nature,
But, the best poem is, life itself.

Edward Kofi Louis
Green Line

To have a son to carry on the remembrance of your name,
To see the green line!
And to train your mind with the works of love;
Living in peace with your neighbours.

Edward Kofi Louis
Green Olive Tree

Green Olive Tree,
Lovely and righteous with your fruits!
But try to remember my name always,
For i am ever ready to pluck your fruits of love and taste them;
Because you are my only hope on this earth! !

Edward Kofi Louis
Green Pepper

I have finished eating my red pepper but,
You are still with your green pepper!
But try to feel the difference to respect my muse,
For, a change is what you need on this issue.

Edward Kofi Louis
Green Water

Gerne water!
The colour of the long river;
With green trees along the banks.

Edward Kofì Louis
Green Wheels

Green Peace,
Green Wheels,
Green Love;
But, kick the ball into the net to score a goal!
For, this narrow path is all about the universe around us.

Edward Kofi Louis
Green, Red And Blue!

Green, red and blue!
The clue,
With the glue,
Due! !
Not to sue;
Not to argue,
Hue! !
Facing the ways of life with the muse of mankind,
With the muse of the colours around you today.

Edward Kofi Louis
Greener Pastures

Pleasures,
Structures,
Pictures,
Within and without!
Greener Pastures;
Hustle and bustle,
Life's journey,
Marked! !
Remarked,
With attention.

Edward Kofi Louis
Greenness

Greenness!
A green plant,
Bringing out green fruit,
Like a young ear of grain! !
Secrets,
With the muse of life;
Mound of green growth,
Gentle,
While growing up in the garden of love.

Edward Kofi Louis
Greeted With Love

Peace and joy!
Greeted with love;
True love,
With mercy and humility,
With kindness,
In the same manner with righteous morals.

Edward Kofi Louis
Greetings

Greetings to the tune fish in the Italian Coast,
And of the struggle of the Africans that crosses over!
From the Mediterranean Sea to reach out to your people,
But we still have the Blue-Nile nearby us.
Life in Sudan and of the heat of Africa,
You cannot separate the Pharaohs from the Nile;
And like olive oil, wine and vegetables.
Of the Berber and the Tuareg,
And my hope in Africa lives forever;
Greetings, greetings!
From slaves and camels i was sold together with you;
But today, i am free and i am sitting closer to the River Nile.

Edward Kofi Louis
Greetings  2

Here we are once again,
Facing the ways of life;

With the romance of nature and,
The gratitude of creation.

Edward Kofi Louis
Greetings From Cuba.

Feet, fit!
Mumbled;

Lot, allotted!
Noted;

Greetings from Cuba;

With a puzzle on the wall,
But, with works within.

Edward Kofi Louis
Greetings From Denmark

Travelling!
To book a room for some days;
Checked! !
To check in;
With the muse of your love and the presence of your lover,
Presenting yourself into the hands of love with the peace of your mind.
State, statement!
With greetings from Denmark;
Supplied with the muse of life!
With pictures taken along the line to enhance your status,
As you presented your mind with the joy of your heart in this land.

Edward Kofi Louis
Greetings From Ghana

To spend some time,
With the vibrations of life;

In the country!
With the length of time;

Draw, drew!
At the dawn;

Muse, use!
Still in;

Engagements,
With greetings from Ghana.

Edward Kofi Louis
Greetings From The Universe

Greetings from the Universe!
Greetings from Ghana;
Africa is my home!
With messages from my dreams to reach out to you.

In the name of Poetry,
In the name of life,
Words of love and works of peace;
With Symbols and Magic! !
Along the ways of life.

Greetings from Africa!
Rational and determind is my mind;
Much colourful,
With the wonders of nature.

Much confidence,
With changes and challenges!
Greetings to you,
Greetings from Ghana,
With my words so sweet.

Edward Kofi Louis
Greetings II

Sincere greetings and thanks to all my enemies,
For today they have thought me a better lesson;
And I hope to grow on gradually with my life.

Edward Kofi Louis
Greetings

Greetings from my mind to you all around me,
And like the things we do for love!
My heart is yearning for your love and,
It is like the river near by you;
But, true-love makes the world go round.

Greetings, greetings!
For, i have bethrothed you my love;
And, you should be always by my side.

This is my muse,
This is my love,
This is my way;
For, what goes around comes around!
But, the whole world watches on and listens,
However, we must make changes where necessary.

Edward Kofi Louis
Gregor

Sex appeal,
And like the sounds from the Vuvuzelas! !
But what you need always is with me,
And i am Gregor in the land of your name.

Edward Kofi Louis
Greta

Greta, great, eat, ate, get, tea, tag, art, tar, rat, gate, rate!
Calculative killings,
In Paris;
Killing!
To be trained to kill;
But, who trained them and, where were they trained?!
To take up guns to kill people in Paris,
With a wrong type of education in the mind;
But, is this the future?
Then, let us answer ourselves and, seek for peace than war!
The peace of the earth,
Without hatred and war.

Edward Kofi Louis
Grey Hair

Grey hair is a sign of old age,
And it is the sign of respect!
Because not all of us in this world will meet up to old age,
For many do die along the way of life as early as possible!
And life is so at times.

Edward Kofi Louis
Grey Hair II

My grey hair will tell you my age,
My great love will tell you my muse,
My great act will tell you my strength,
Living in the land of joy and peace;
But, a light came down from heaven to teach me.
My grey hair will tell you my age,
But, you are now drinking a camel's milk in the desert;
And, what do you expect to become in the near future?

Love!
Like a floating player with a life style to make a difference!
Sweet love!
In the land of peace;
But, we still have the unregistered children of Africa over here!!
However, nature's art is by an inference.

Love!
Poetry is you and me;
But, in the greatest time of trouble,
Life is real and love is better than you think.

My grey hair will tell you my age,
My great love will tell you my muse!!
To scream and to cry in your pains because of your wounds;
But, I will always care for you.

Love!
Like the ice cream;
Scream, cream!!
But, my grey hair will tell you my age;
And, I am in love with you.

To scream and cry for love!
To scream and cry for care!
To scream and cry for more!
To scream and cry for a lost one;
And like a father's care when the grey hair starts,
But, we have to learn from our mistakes in this life always.
Edward Kofi Louis
Grief

Grief,
Pain,
Sorrow!
With the arrow of war in the land;
Fault,
Evil,
Iniquity,
Mischief.

Edward Kofi Louis
Grieved

Extremely grieved,
From these wicked men!
As they destroy Syria.

Edward Kofi Louis
Grievous

War! !
Noisome and grievous;
And, to see the blood of a dead person.

Edward Kofi Louis
Grievous!

Grievous!
With the sneers of war;
Pride!
With the wickedness of war;
Deceit,
Fraud!
Trouble,
Iniquity,
In ambush! !
In the secret places,
As war murders the innocent.

Edward Kofi Louis
Grill, Shrill!

Grill, shrill!
To summon you;
Sum, summon!
With the muse of the bee and the fly;
In the land of the living.

Spend, end!
To adapt new values of your life;
And, for the better.

True-love!
Deep within your heart;
Sharing and caring for others,
And, living in peace.

Love!
With the time frame of the truth,
In this life;
Which lasts forever.

Edward Kofi Louis
Grim

Grim, rim, Tim, him, Kim, aim, dim, vim;
Froth, frosty, exocrine, homburg, exigency! !
But, try to learn from the right people always;
For, life is all about love.

Grim, rim, Tim, him, Kim, aim, dim, vim;
And to exhume the dead body! !
But, how can that be?
For, the truth of the matter is already known;
And like joy in the land of the truth.

Edward Kofi Louis
Grinda

Shave your hair and trim your nails,
For the south wind blew softly on my nakedness;
And like Grinda in the land of business.

Edward Kofi Louis
Grizzle

Road accident records more Death than Plane Crash!

Puzzle, muzzle, grizzle!

With the sun rising up from the east and,
To the west when it settles down.

Rate, date, generate, bate, mate!
With the muse of the appointment book in your hand;

However, love generates peace and unity.

Edward Kofi Louis
Groaned

Groaned, road, go, do, doe, den, and, end, an, roe, red, rag, range;
But she was not paying attention to my love! !
And it came as a surprise to her when i left her alone.

Edward Kofi Louis
Groin

In,
Groin,
Ion,
Iron,
Loin,
Lion!
To face the hardships of life.

Edward Kofi Louis
Grook

Grook!
Aphorism;
All subjects,
Crooked at times.
Book, look, hook!
To the brook;
To bath life's path with the truth,
Historic! 
Aphoristic!
Able to understand the ways of life.

Edward Kofi Louis
Groom

Groom, room!
Gloom,
Loom,
Bloom,
Boom! !!
Brooom;
The passage was cleared with,
The magic of love.

Edward Kofi Louis
Groom 2

Groom the children with the truth and,
Let your heart bloom like the Rose!
Like the broom which sweeps the room;
Able to impact positive morals to the children.

Edward Kofi Louis
Groom, Room!

Groom, room!
A natural way;

Our lives,
So intimate;

Bride, bridegroom!
To the lengths;

So lovely,
So beautiful,

Hire! !
Waxing;

Saying,
Learning,

Exfoliating! !!
Touch ups;

Tire, entire!
Touch down;

Alexere!
With the wire of sweet love.

Edward Kofi Louis
Grooming Awards

Four visually impaired soccer players,
With a red-hooded girl around;
And like the grooming awards to be judged,
But where is my lover who left me alone in the cold last night?
Leave your attitudes to the door and,
Learn from the people outside;
For the secret laps of the First Ladies are faced deep!!
And like your Daddy's office in the land of your muse.
You asked for Turkey-Burger,
But i've got away to a man's heart so sweet;
And like a softball under the stars,
But where is my lover who left me alone in the cold last night?
I am very seductive to him but,
I am now in the tub of the bathroom's corner to pay my respect;
But the grooming awards are to be judged by you.

Edward Kofi Louis
Grope

Grope, rope, dope, hope, Pope, cope, mope, lope, slope;
Oppressed and robbed! !
For, the gods of the wood and the gods of the stones are now controlling you.

A thing of horror!
An object of biting remarks;
To dropp off,
To go into captivity,
And like the reflections of your works in the mirror! !

Edward Kofi Louis
Grope 2

You grope as if you have no eyes and,
Stumble at noonday as in the night!
But like the viper's eggs,
I need no tail to divert me on your tales.

Edward Kofi Louis

Surprised!!
Give and take,
As seen in the society today.

Edward Kofi Louis
Grotesque!

Grotesque!
Misleading,
Sorted,
Restored;
Involved,
Revolved,
A mistake! ! !
Destroying and killing people in the name of war;
However, so great a mistake cannot be corrected so soon.

Edward Kofi Louis
Ground Service

Inerphone,
Ground service;
Muse, fuse, use, infuse, defuse, refuse!
To the place of love;
And, to warm up the facts.
Reeling! !
To and fro;
With the muse of life,
Like any other work.
Challenges! !
The challenges of life;
And, to share your mind with the muse of your works.

Edward Kofi Louis
Groundnut Seller

I was selling groundnuts and,
You came looking and laughing at me;
'Ha-ha-ha-ha!'
But today i am a rich man and,
You want me to help you.

So is life when no one knows the future!
And so it is when one has a dream all along;
But in this life, nobody knows tommorrow.

I was thirsty and no one gave me water,
I was lonely and no one cared for me,
I was hungry and no one gave me food,
I was homeless and no one gave me shelter,
But today i am a rich man.

Who are these people that they cannot learn?
Who are these people that they cannot wait for the glory of Yahweh?
For today, i am no longer the groundnut seller you saw.
I am a rich man and you want me to help you,
But your laughter those days had deprived you from this help.

Edward Kofi Louis
Groundnuts

Clogging, logging!
Groundnuts,
For the birds and squirrels playing in my garden;
Life!
Affiliated to the muse of nature;
Feeding them.

Edward Kofi Louis
Groups

Groups,
Agreements,
One person works and the other stays in the house;
However, the pity of this city is seen with the wars that it had gone through.

Edward Kofi Louis
Grow And Flourish

The true vine will grow and flourish!
But, the muse of your love will be trembled!
However, satan cannot stand the form of Yahweh;
For, His Mercy endures forever! ! !

Edward Kofi Louis
Grow Closer

Grow closer to my love and,  
Let me kiss your sweet lips;  
For this theory of my love is full of surprises!  
And like the private mark of your love to my heart.

Edward Kofi Louis
Grow Up

Low,
Row,
Grow up! !
Follow up,
Fellow;
Yellow is your colour!
To show it,
Slow!
To sow;
Tow, crow, blow!
How?
To allow it;
How much?
Bow,
Now;
Arrow!
Narrow,
Shallow,
Throw, flow!
Marrow,
To vow.

Edward Kofi Louis
Grow, Grew!

Muse, use!
In the region of your love;
Competitive,
Grow, grew!
During that period;
Of the study,
Experiencing positive developments,
Revealed.
Boom, bloom, blossom!
Attributed with your sweet love;
Into a positive environment,
Stable!
Able with the aroma of your romance.
Dealership, leadership!
On both sides,
On both signals,
But, with rare examples;
For years to come.
Muse, use!
Predictable,
With the experience of your sweet love;
Competitive!
With new methods,
Stability,
With the muse of your sweet mind;
Browsing along with the joy of your heart.

With statistics and facts,
Growing up,
With the muse of life.

Edward Kofi Louis

So never give up on your dreams! !
Be strong,

Always with positive morals;
Never give up on your dreams,
Because i went through the same thing.

Edward Kofi Louis

The world of the Africans,
From the world in which i was born;
Growing up in Africa.

Edward Kofi Louis

In the land of your muse;
But, you surely Need my help in this land.

But you came along to see what i do behind me when the calls came;
For the days of man are like the days of unrest,
But joy is it if we can live in peace with one another on this earth.

The fruit of your love is now being shared up by many!
And like the numbers of the houses in your village;
Because you are very much noted by your acts,
But, the heavy winds were much experienced by all of us last night.

Edward Kofi Louis

Your nest.

Honor your father and your mother,
Viewing the ways of life with positive morals;
Voices and choices! With the muse of the truth.

Edward Kofi Louis
Habit

Bow, sow, row, grow, how, bow, now;
Moral routines in the name of love,
And like a volcano of anger!

Mow, wowo, tow, yow, vow, low;
Paint it black and white to gain the msaases on your side,
For the football match is about to be played.

Roof, proof, woof, goof, hoof, poof;
Little by little and step by step,
But you still have your life in your hands.

Glass, class, lass, mass, pass, gas!
And of a sweet flow and a gentle flow,
But it is easier to start a bad habit than to break one.

Edward Kofi Louis
Bits, habits!
Numbers tell the difference but,
The workers do the job;
Habits! !
Desist from negative habits to achieve your goals in life;
Because, your sorrows overwhelm you today,
For, someone carnally laid with your wife.
He tasted her nakedness! !
With the filthiness of fornications and adulteries around us today;
Mystery Babylon the great!
Why should i give you respect today?
For, you slept with somebody's wife.

Edward Kofi Louis
Hacked Down

To the great mountain tops to see the heavens!
And cutting through the thick forest to find my way through;
But my enemies hacked down the carved pavements.
The signs are there but you cannot see them,
So why do you still sleep my love?
For you are so beautiful among the daughters of women,
And honour is poured out from your sweet lips.

Edward Kofi Louis
Hackers

Hackers, sake, sack, rake, art, shake, hear, sea, shear, share, ear, care, hare, ear!
But, destroying the world with your negative acts;
Hacking everything along the way with the muse of the computer,
Stealing from here and there to satisfy your wicked acts.
Bell, jelly!
Bringing troubles to the world with the muse of your attacks;
However, it may be a trade for you today; but, you people failed to consider others as well! 
In this life,
For peace and for the joy of the earth that we live in.

Edward Kofi Louis
Had Grown Out

The muse of life in the land of peace!
it is very tender and, had grown out with the fruits of love;
With a place of sleep for him to rest and,
The love from her to care for him.

The muse of life in the land of joy!
It is for the sake of love to live in peace;
real, meal, heal, deal, teal, peal, seal, weal, veal, zeal!
But, pink and blue equals to violet.

The fabric of literature,
With kitchens and chickens;
And with fine flour in a new world!
But, i need sweet orange to quench my thirst.

Edward Kofi Louis
Hafsia

Hafsia, is, as, if, his, ash, has, fish!
The aroma of the dish;
His fish,
Her fish,
Sitting at the table for dinner;
With the meal of your joy.

Edward Kofi Louis
Hagadolah

Hagadolah, load, lad, goal!
To walk along the path of the truth;
With a load on your head and,
With the message of righteousness.

Edward Kofi Louis
Hail and raw!
Riding in a golden carriage;
With the muse of your age,
Bone to flesh!
To be born to the world;
But, in a righteous way.

Do righteousness and change your DNA! 
Gaining spiritual food than in flesh;
Growth!
Age is not stationary;
However, hardship is part of life.

The truth!
It will surely allow you to see what is called light and what is called darkness;
So, meet people and hel them! When, they really need help from you.
Next door neighbours,
Reply, rely!
Because, life is a teaching field.

Edward Kofi Louis
Hailed And Lauded

Time! !
Readily approved with the muse of your sweet love;
With the joy of your heart,
Hailed and lauded with righteous morals.

Edward Kofi Louis
Hails, Fails!

As usual in life;
With all the stories around us today.

Lust!
With daring and probably acerbic;
But, where are the answers to our works on this earth today?
For, we've fallen deep into sin! 
Accepting what is wrong than, what is right.

Edward Kofi Louis
Hair 2

It's very sad!
Your hair found around,
In every food;
How then can the poor eat?

Edward Kofi Louis
Hair, Air!

Know who you are and, what you are made of;
Bringing peace to the earth than hurting your neighbours.

Hair, air!
To praise the works of love than, the evil works seen in war.

Edward Kofi Louis
Hair, Mohair!

Life,
Experimenting;

Art,
Experimenting;

Given as it is;
Because, it works always.

Rush hour! !
Ben, pen, den, hen, then, ten;

Poetry,
Experimenting;

Hair, mohair!
To mate and to breed.

Balance, semblance!
To seek and to find;

Use!
With the muse of life;

Every breath counts and, every love shows!
And, your intelligent eyes will live to see always.

Edward Kofi Louis
Haircuts for boring meetings,
And these convertibles are fishing out the females;
But you are now dating someone's daughter with a caution.
Of a charity! But, where is my lover?
For the connoisseurs of the game are waiting for her;
And like love brewed in the African pot.
Commandments and demands,
But this world is like a playground for all of us;
And like the inspirations of your fingers on my naked body.
Yakubu! !
The lollipop tree is next door to you;
But after life, what then occurs?
'Oompa-Loompa'! !
And like the fairy tales to reach out to the heavens,
But I need to know your mind on this love.

Edward Kofi Louis
Hairy Skin

Hairy skin,
Birthright;
Lured in,
Brought in,
To come in,
With honour! !
And, with a special gift.

Edward Kofi Louis
On the tree of love is Hakilah my love,
Nut the heavy rain will come in soon!
And i need to protect my lover before it is too late.

Edward Kofi Louis
Half-Time

The game!
Half-time,
Half-hearted;
Traditionally,
With the muse of your works.

Lack of conviction!
Muse, fuse, use, infuse, refuse;
Less generous,
Incapable and undeserving.

Deperation!
Efforts,
To ease your mind,
Ultimately;
Instead, you opted for greater glory.

The first round!
Because of money;
The second round!
Because of the game;
The third round!
With a decision;
Heading towards home.

Edward Kofi Louis
Hali

Hali, Ali, hail!
Nature,
The earth shook! !
The heavens poured,
The clouds poured down water;
With the muse of the heavy rainfall.

Edward Kofi Louis
The people sang and said:
'HalleluYahweh'! And so be it;
But because of my love towards you,
I came and told you the truth of what i heard;
For your beauty is really known by all.

Edward Kofi Louis
Halleluyahweh!

HalleluYahweh!
With the truth of the laws;
HalleluYahweh, Yahweh, heal, all!
With the truth,
And, laying the foundation of servitude and attitude to all mankind.
True love!
Learning and serving one another;
With the faith,
And, with the muse of love.
HalleluYahweh!
With the faith and with the truth;
And, with the muse of humility in the land of the living.

Edward Kofi Louis
Halo, Halloo!

Halo, halloo!
Replenish,
Replete,
With drama and excitement!
To promote what you know to the world;
And, to rely in the truth to gain your life in the faith.

Atlantic wall,
Covered up;
To experience the truth and, to enjoy the works of it!
Combined with the muse of life.
Halo, halloo!
There is no salvation in the weapons of war.

Edward Kofi Louis
Halted

He halted at the aqueduct of the Upper Pool because,
Your insolence has reached out to his ears!
And i am here to my positive mind to you,
Because what you downloaded earlier on was not my image.

Edward Kofi Louis
Hamidu To Huda

This is the love from Hamidu to Huda,  
And of the lovely child between them;  
But the little that a righteous man does now have is,  
Better than the great riches of the wicked!

Edward Kofi Louis
Hamilton

Hamilton, ham, an, tan, it, not, no, am, in, aim, tail, hail, nail, mail, Mali, Ali, hat, hit, hot, MOT, to, at, man, Tom, on;
To change the world with your thinking! !
From the north to the south,
And from the east to the west;
Practically relevant with the muse of your love in this town and, with your teachings along the line.
The muse of love and the muse of life,
With the muse of the dry fruits!
At different places in the world today as mankind searches for peace without a positive solution;
Confectionery!
Substitutes,
Particularly relevant to mankind;
With an eye contact on your sweet love in the land of beautiful flowers.
The muse of life and the muse of love,
To fill the vacuum and to share your experiences with others on this earth;
However, identifying yourself very uniquely to the world so sweet by doing the right thing always with the laws as your guide.

Edward Kofi Louis
Hammered!

Hammered!
Hammered, harm, ham, hammer, me, dam, read;
So unique!
So lovely,
So nice,
Much attractive;
But, joyful with the peace of your mind.

Hammered!
The pollution,
Of the population,
The nature of things with the people;
Hammered, mean, near, dear, hear, era, ear, are, hard! !
But, it is just a matter of time.

Hammered!
Comments,
Bombardments,
Of the Red Planet;
Hammered, am, arm, dare, hare, mad, red, heard, had;
And like the muse of the Blue Planet.

Edward Kofi Louis
Hampton Bay!

Hampton Bay!
There is now justice in this world today;
Bay, ray!
Show me your sign;
Cycle, bicycle!
I need a sign from you.

Function, junction!
Vehicle, cycle, bicycle;
Moving in the night,
And, early in the morning as well.

Love, lust!
Where is your heart?
Wickedness, righteousness!
Why are you crying?
Listen! 
I do have the answers for your cry.

Edward Kofi Louis
I am allergic to snails and you are allergic to snails,
But our next door neighbour is allergic to dogs!

Vision and technology,
Framed with the decorum of the imaginations of your love;
But i have no husband to look after these children.

Hanani my friend,
The dinner table is set but i am alone with my kids;
And i need you around to join the party!
For we are all allergic to something on this earth and,
Your request will be of a soun use when you do visit.

Edward Kofi Louis
Hananyah

Hananyah, an, Ann, Anna, Hanna, Hannah;
The truth!
Carrying it along wherever you go,
And, to defend the works of righteousness.

Edward Kofi Louis
Hand Gloves

Down there is very cold!
And you need your hand gloves to protect you;
If not, you will be frozen! !
Yes everywhere you go in this life,
You must always take the weather with you;
For not all that glitters is gold.

Edward Kofi Louis
Handful

I have only a handful of flour in a jar,
So come for it and let me provide you with food and water as well;
Because out of the abundance of the heart the mouth speaks,
And i am ready to help you through this struggling time of yours.

Edward Kofi Louis
Handiwork

Hand,
Handiwork;
To direct your ways with the works of peace;
For the unity of the land.

Edward Kofi Louis
Handle Me With Love

Life!
Handle me with love;
And, love my works.
The circus!
In the circle,
With all kinds of animals;
But, handle me with love.

Social history,
The muse of life,
The ways of mankind;
Love!
Kiss my lips;
With your muse,
Like a rose coloured glass.

Silver Cup!
In the land of your muse;
But, living in the Red Prison.
The Problems of life!
Like a 25 year old lady with four children;
But, handle me with love.

Edward Kofi Louis
Hand-Made

If you sin without the law,
You will perish without the law;
But if you sin in the law,
You will be judged by the law.
'Are you a preacher?'
No, I am not;
But, I am only the Hand-Made of the Creator.

Edward Kofi Louis
Handsome Boy

Oh my handsome boy!
Give me an opportunity to be closer to you;
For i need to feel your arms around me all day long.
You are the sweet lover to my heart and,
I want to be with you always till the moon is darkened;
For your sweet words do feel the aroma of my love and,
The realms of which do take me up high to the skies always.
My handsome boy,
Do come to me;
I really love you and i want you to know.
How i wonder to sleep with you one day,
Like twinkle, twinkle little stars!
How i wonder to expose my nakedness to you my sweet one;
For i do have all that you want on this love and,
Age doesn't matter at all in love.

Edward Kofi Louis
Handsome Man

I want something to taste,
Something sweet like your love;
I want something to share,
Something sweet like your love;
I want something to hold,
Something sweet like your love;
I want something to trust,
Something sweet like your love;
So come and be inside me my handsome man.

Edward Kofi Louis
Hang On

Hang on and never give up in life!
Always following after your dreams;
Knowing what is ahead of mankind,
Able to make a better decision.

Edward Kofi Louis
Hanged

Hanged! !
Suicide,
Death,
Without hope;
Gone too soon.

Edward Kofi Louis
Recharge your batteries and come to me my sweet love,
For i am flexible and i know how to handle you;
But the circumstances of life is like,
Hanna your friend sitting alone at the bay waiting for the birds to fly over.

Edward Kofi Louis
Hannah

Welcome to Ghana,
Either by sea, air or by land;
Welcome to Accra,
Either by air or by land;
Welcome to Kumasi,
Either by air or by land;
Welcome to Tamale,
Either by air or by land;
Welcome to Takoradi,
Either by land, sea or by air;
For it is like a pleasant child in the forest of love.
Hannah, Ghana is all that you have to visit in your life time.

Edward Kofi Louis
Hannay

Hannay, Hanna, Anna, an;
Love!
With a light at the very end of the tunnel.
The muse of life!
With a case in the air;
Learning to understand the muse of the rainbow.

Life!
To a neutral ground;
For a change of venue,
Avenue, revenue, venue!
Warming up with hot coffee;
And like a tactical play.

Position, imposition!
Assented;
But, preferred with the muse of love.
The muse of life!
Efficient and reliable;
But, with the muse of love, üeace, joy and unity.

Edward Kofi Louis
Hannes

To the fourth dimension of life,
To the fourth levels of man,
The fourth power of our choices;
Today you are an octogenarian.
Born as Johann Friedrich Theodor Erich Lichte,
Today we celebrate your 80th birthday;
Hannes is your best names known to us all.

It is very great to be an octogenarian,
For you were born on the 13th of May 1926;
It is so great to be at this age!
Hannes is your sweet name known to us all.
We the children, grandchildren and,
All it's extentions do respect you a lot.

You have more experiences than to bear,
And we will always wait for your teachings;
Of the hopes and dreams,
Of this world of man's journey,
You were born many years ago! !
You're like the green olive tree to us all,
Your love and care had brought us here so far;
We will always remember you.

Today as an octogenarian,
We do respect you a lot for your teachings;
The voice of gladness is what we share like,
Your love and care towards us.
Harmony and nobility is noted in every situation of your's,
Like a sweet which came from a far country;

Imaginative flair with your muse,
Have i nice notion ever salted with love;
When a blackman is now closer to you.
Like the barrows where the faries dwelt,
So is your world so sweet among the years;
We the family members do love you.
The synthesis of tradition,
The life of one who has taken age;
You are that we needed to learn from.

Edward Kofi Louis
Hanniel

Hanniel, Ann, in, line, hen, lain, lean, Inn, heal;
Refuge,
Refugees! !
Problems,
Complaints,
To be discouraged;
Displeased with the acts of evil.

Edward Kofi Louis
Haram

War! !
Men against men and women against women;
And like 1147 in the land of your muse,
But, i can't stop hiding from you!
For, i really know your condition in the thick forest.

You are lost and,
You are yet to find your way home my sweet Haram!
But, try to watch the sign on the red light ahead of you;
So that, i can direct you to find your way back home.

Edward Kofi Louis
Haram  II

Haram, arm, ram, am, ham, harm;
With the muse of the land and,
The morals of the land!
With the laws of peace and,
With the law that protects your property;
Without exposing your nakedness to the public.
True love!
With the innate sense of global right;
And, with the laws of peace.
Perceptions!
Historical and cultural;
With the muse of sovereign nations,
As we protect our nakedness by covering them up.

Edward Kofi Louis
Harbona

Harbona, bar, on rob, an, oar, ban;
With the sounding of the trumpet!
With the voice of the laws of the land,
but, be wise and uphold the truth!
Than, living in sin.

Blood!
Shed from war,
But, we need peace than war on this earth;
The knife!
Very sharp once again;
Because of the wickedness of mankind.

Edward Kofi Louis
Harbour Of Love

Land of peace,
Harbour of love,
People of all colours,
Unity of the minds,
Works of life,
Righteous laws;
Romance of nature,
With the fragrance of creation.

Edward Kofi Louis
Harbour, Colour, Labour!

Pleasant ways,
Enigmatic,
Sombre,
Solibquy,
Sophistication,
Solicitude;
Harbour, colour, labour!
Give me my harbour and, let me labour.

Edward Kofi Louis
Hard Life

Hard life! ! !
To be open to all and to be very clever;
Like a researcher.

Edward Kofi Louis
Hard Meat

'Kasapreko'!
To the limit for a high position;
'Kasapreko'!
And like a lackadaisical blunder from a politician;
But what you want me to say is, 'Yenim wu fri tete'!

You are known with your acts and,
You are known of old;
And like the riddle rather than the crisis around you.

Of grants rather than loans,
And of proverbs rather than the acts;
To travel between two realms and to make a name,
But you need the hard meat of love on this issue.

Edward Kofi Louis
Hard Road

Hard road to travel on,
Gold, old!
With power;
Tropical Africa,
Typical African,
Evidence! !
With the muse of the Heat,
Deep in the Sahara.

Edward Kofi Louis
Hard Road To Success

Cedar wood, scarlet, yarn, and, hyssop!
To dream it and to have it;
Following after your dreams with your works,
On a positive note.

The garden if the gardener and,
The farm is for the farmer!
With the wind of love and the muse of the truth;
Like the bloom of love that grooms with joy.

Works of love,
Works of peace;
The sun reflected on the sea and, the moon laid down low!
Following the hard road to success in your land.

Edward Kofi Louis
Hard Struggle

Hard struggle! !
Always;
Like bare feet stepping in sharp stones,
With the muse of life!
Hustle and bustle.

Edward Kofi Louis
Hard Work!

Drive, Arrive,
With the muse of a mere act;
After buying a vacation house.

Hard work!
With the flavour of life;
And, in a romantic relationship,
Looking for the joy of nature.

Table, stable!
Palatable;
Intensified,
To generate revenue;
With the initiatives of life and love,
Under the eyes of the joy of your heart.

Edward Kofi Louis
Harder Than A Rock

Open rebuke is better than concealed love,
For the ointment and the perfume are here at last!
But, you can't restrain the wind.

Cut away her branches of love!
For they are not needed again by her user;
And seek for her in the open places if you can find a man as well,
For i am now harder than a rock!

Edward Kofi Louis
Hardships

What have i gained so far in life?
Hardships;

What at all is my fault?
Problems;

Why is life kicking me here and there like a football?
I am still searching to find the answers.

Edward Kofi Louis
Hardships  2

Hardships!
Too much for you;
Facing the odds of life,
In your land.

Edward Kofi Louis
Hardships 2

The hardships of life!
Going through life;
Facing the odds,
Overcoming my sins,
Along the line,
To bring love to my heart! !
Caring for the people around me as well.

Edward Kofi Louis
Harim

Harim, air, hair, arm, ram, him, aim!
But, don’t look at the other side;
Because you may see their nakedness.

Haste, paste, waste!
To ensue,
With a clue;
And to use the glue to hold up your works.

Edward Kofi Louis
Hark

Hark,
Shark! !
But the ark is now hidden from us.

Bark, lark, Clark, Mark, park, mark;
Sitting outside alone waiting for the moon,
And to respect nature!

Edward Kofi Louis
Hark! Hark My Soul!

Hark! Hark my soul!
For the Angels are singing for my works;
And like your lovely muse in the land of peace.
A galloping horse,
Hark! Hark my soul!
And like sagging spirits and the zest of life;
But, it sounded very scary to me.
Hark, Clark, park, bark, lark, mark, cark, dark, natk, quark;
But, it sounded very scary to me!
However, the angels were singing all day long for my works.
Fable, talbe, stable, able, cable, babble, grabble, parable;
But, it sound very scary to me!
And like the seagull in the land of your muse,
But, help me that i may not fail into the hands of the wrong crowd.

Edward Kofi Louis
Harlem

Harlem, arm, am, me, ram, ear, era, hear, harm, ham, heal, he, her, helm, realm;
Jupiter's Moon!
Sitting down alone at the beach waiting for your lover,
With the great sense of humour and wit in the land of beautiful flowers.

Life,
Throwing more light on your status-quo in the land of the living;
And, exploiting the odds that you can make things better,
That is why you are still sitting down alone at the beach waiting for your lover.

Love,
In alignment in what is in our hearts;
Like the orbit of the muse of the Dark Planet!
And, with the great sense of humour and wit in the land of beautiful flowers.

Edward Kofi Louis
Harm To Ham

Protection at the time of trouble is always done with care,
But the light of the righteous is the way forward;
For i am now in the wings of love flying so high above you!

Seal, weal, deal, meal, peal, zeal, heal, real, teal, veal;
In the appointed season with my love to take care of the things!
But the sisterhood and the brotherhood is like,
Childhood, womanhood and manhood which are pictured allegorically.

Weeping and gnashing of teeth by the camping at the sea,
Harm to Ham when Cush begot Nimrod;
For it really makes a difference with your love!

Edward Kofi Louis
Harmless And Agile

Love,
Harmless and agile;
With the muse of tolerance,
Without hurting your neighbours.

Love,
With the explorations of the truth;
Backed by the laws,
Under the muse of peace.

Life!
In various dimensions;
But, with the truth,
Seeking after peace than war.

Edward Kofi Louis
Harmony

Harmony,
Stylish,
Trove, clove!
With the works of your land.

Edward Kofi Louis
Harmony  2

Upper gate,
Harmony!
With the testimony;
Delightfulness,
Ready for service.

Edward Kofi Louis
Harmony 2

Colours!
Harmony of life,
Harmony of nature,
Harmony of the truth! !
Harmony of the rivers,
Harmony of the lakes,
Harmony of the seas,
Facing the muse of creation.

Edward Kofi Louis
Harmony Of The Seas

The harmony of the seas!
With the blessings of the earth;

Nature! !
With respect to life;

Plants,
Human beings,
Insects and animals on earth!
With the muse of creation;

Peace and harmony!
With the muse of the air that we breath;

Giving thanks to the Creator Almighty,
Making it possible for us to be here! !

Enjoying life and its rules,
As we learn along.

Edward Kofi Louis
Harmony!

The muse of love,
Bathing in the river of peace;
With the joy of your heart,
And, with your mind at rest.
Harmony!
With the humility of your works;
And, the aroma of life,
Helping others with your positive mind.

Edward Kofi Louis
Harmony, Ceremony!

Lever, ever!
Living with the muse of life and,
Learning the ways of nature;
Waiting for the next Train.

Harmony, ceremony!
Pullober, pull, over, or rope;
Dash, ash!
Like oil and mineral resource management.

Plate, late, ate!
To extend transparency;
Aces, faces!
Lauded;
To the comfort Zone.

Pram ram!
Like a transparent framework;
But, the risk management must be tackled.

Edward Kofi Louis
Harold

You need to change your life after seeing your mistakes,
And you need to love others than of the sincere hatred in your heart;
For we were all made as human beings with different colours.

Life with its meaning of interpretations,
Love with its symbols of romance;
But, false and hurtful information will lead us nowhere.

I am from nowhere to somewhere,
And you need somebody from any part of the world to lead you on.
Harold my friend,
I am the interpretations of the muse around you;
And, you need the true love of things to guide you on.

You know what you know and,
You know what you can do on this earth;
But, i also know what i can do on this love.

Edward Kofi Louis
Harp And Flute

To play the harp and flute,
With the signs of the time;
Seeking for the truth!
To be very strong for it;
And, to let the truth reflect in your works.

Edward Kofi Louis
Harper

Harper my friend,
The greatest person you want to be is yourself!
So don't give up on your dreams.
The real meaning of this world cannot be understood,
Until you fully taste its experiences!
For everyone wants your love,
But I just want to make you my own forever.

Edward Kofi Louis
Harpy!

Harpy!
With a woman's head and body but,
With a bird's wings and feet;
Garish,
Garret! !
And like the muse of the religions and,
The muse of the individuals;
But clashing always with each other.

Board, broad;
Attached! !
To know you personally,
And like a powerful speech.

These things,
These religions,
But, they are just like words in this life;
However, Harpy is with a woman's head and body!
But, with a bird's wings and feet.

Edward Kofi Louis
Harri

Harri is my friend and my mother is now very old,
So Harri will always come around to help;
For the singing birds on my mother's farm are like,
The crown of joy sharing together!
And we will be there always for each other.

Edward Kofi Louis
Harriet

Harriet, hair, air, tear, ear, tar, era, rate, eat, ate, rite, hit, hat, tie, art, rat, heat, rear, hate!
With the muse of life and the muse of peace where, evil stops you from the
works of the truth;
Because, your dressing code today is rather exposing your nakedness to the
public.

The joy of the truth is with the muse of righteous works!
And, the vine of love is led by righteousness;
However, the well of wisdom is so deep! 

Let the truth teach you and open your mind and, show you how to dress;
For the love righteousness!
Because, the trith is like a righteous shepherd or shepherdess in your land.

Edward Kofi Louis
Harriett

Your sweet love budded and blossomed,
And it came to me with an aroma;
So, i am nearer to you like the hill of Moreh.
Your love is like the vintage harvest of Abiezer,
And of a moldy loaf of barley to share with;
But you are encamped in the valley of Yezereel.
Oh Harriett my love, I only ate a little of your honey;
And now, i have found out that it is sweeter than money!

Edward Kofi Louis
Harris

The impulsive feelings of hate and,
Of your love which is here tonight;
For this is the page of your love and,
I am Harris who met you last night.
The morrow comes and you will understand me better,
For the school boys are late today for school;
And of the matters so expressed by the school girls,
Because you do feel like a bird on this love!

Edward Kofi Louis
Harrow, Arrow!

Swallow!
Allow;
Low,
Show,
Sow.

Harrow, arrow!
Row,
Tow,
Shallow! !
Hallow,
Not to wallow.

Crow,
Grow,
Glow! ! !
Tomorrow.

Blow!
How far?
Throw,
Follow,
Fellow,
To flow along.

Edward Kofi Louis
Harrowing

Follicles,
Routes,
Darkness!
Dark dress,
Harrowing,
Diabolical,
Naked!
Fledbling,
A dark substance,
A special cream,
Lustfully!
The concoction;
The luse of world pleasures,
Intense with addiction!
Mesmerized with the muse of illegal lust.

Edward Kofi Louis
Yahweh appeared to Abram and said:
'To your descendants i will give this land';
And today from the source of Isaac,
The descendants of Abram are on the land!

Oh Harry, i am in great distress and i need you around me;
So come and warm me with your love tonight.
Harry my love, you are all that i need.

Abner was buried in Hebron and,
I do have you as my lover;
So come and warm me with your love tonight.

Oh Harry, my distress is like shields and spears;
But do bury me in the tomb i dug for myself,
For the dignitaries at Abel Mitzraim are waiting for you.

Edward Kofi Louis
Harry Is My Lover

A transit period and the love of a muse,
Harry is my lover and i have prepared my bed for him;
But i am very passionate about his sweet love towards me.

Edward Kofi Louis
Haruna

Another panellist,
Substantiated,
Difficulty,
Commenting,
Works,
Suddenly!
But I have some substantial lead on this case like that of Haruna your friend;
Furthermore, do expect me to restate the legal maxim! !
For your notes are now in my hands,
And like a teacher who is about to go through the works of a students.

Edward Kofi Louis
Harvey

The whirlpool of controversies to ignite a spark,
And like an Irish-born with words to the masses!
For i want to do the unthinkable with my lover and,
My name is Harvey with her calabash of love.
Yes, her calabash full of water!
Because i am in this unfair world with the parking lot;
And i need time to understand her well being.

Edward Kofi Louis
Hash

Siege and distress,
Hash and prolonged disasters!
But name me youe wages and i will pay it,
And my own household will belike your home.

Strips,
Exposed,
Peeled;
Surrounded in the common hands of love,
And with hash and proplonged disasters! !

Edward Kofi Louis
Hash 2

Hash, as, ash, has;
Terror! 
With a conspiracy,
To kill!
To destroy,
With hatred everywhere!
Here on earth.

Edward Kofi Louis
Hassan

Put a cube of sugar into your small tea cup and drink your tea with care,
There you will feel the taste of my love like the land of many flowers!
Now put another cube of sugar into a very big tea cup and drink your tea,
Nut this time around without mush feelings of my muse like the first tea cup;
For this is the truth about life because, there are various actions on this earth!
But they are all not written down in books for many readers to have the impact.

Hassan my lover,
Wake up to the facts of life and think about the concentrations of things;
But many are diluted for many reasons,
So seek out for the right books in life to lead you on to meet your goals.
A cube of sugar gas the clue like the glue for your shoes,
But try to taste life in the right ways than wasting it! !
Because not all the written books do have the same impact on the readers,
But life must surely go on!

Edward Kofi Louis
Hassel

Hassel, heal, heals, seal, as, sea, seas, he, has, ash, less;
On the platform,
To know better! !
And to point out the works of peace, joy, and love to all;
Under the very eyes of the laws.

Edward Kofi Louis
Haste

Close,
Withdraw,
Narrow,
Hurry!!
Labour,
Haste.

Edward Kofi Louis
Hastings

The Greco-Roman and the early Christian Religions,

And like the very hot girl in a cold village.

Hatherwood, hoe, toe, ward, hard, rate, date, heard, heard, tow, tear, tore, wore, rod, hate!
With much work at hand to satisfy your muse;
However, be ready to learn the truth from others in this life always.

Because you hate my works, my friends and my people.

Edward Kofi Louis

Your attitude towards me brings sadness to my heart;
But, this story is not over! ! Until it is over with the muse of life.

Edward Kofi Louis
Hatred

In a terrible wilderness of fiery serpents and scorpions;
However, hatred breeds many negative things!
And, hatred destroys The World.

Edward Kofi Louis
Hatred

War! !
Your tongue brings out deceit;
Killing the people and destroying the earth.

Edward Kofi Louis

My pleasure,
Remarkable to see your beauty.

Because of evil acts;
The earth mourns and fades away!
With the shades of Terror and Destruction.

Evil acts!
The earth is defiled in many ways;
WE THE HUMAN RACE,
We the people! 
Have changed the works of the truth into lies!
With NUCLEAR BOMBS in our hands today.

Curse has devoured the earth!
With the negative acts of mankind on earth today;
Killing and destroying! 

Pestilenses! !
Diseases,
Earthquakes!
Deaths;
With wars here and there.

Tribulation!
Sorrows,
The earth mourns and fades away;
Miseries! !
Refugees,
Worldwide.

Throwing away the truth and,
Accepting in evil acts;
Watch the News and, see things with your own eyes.

Notable enough to keep you at bay!
But, my life and style will keep you awake.

Banana Republic, Cassava Republic, Plantain Republic and Mango Republic;
With the muse of my sweet mind in Africa! !
Able to touch your hearts out there in the world.

Woodpecker, albatross, bat, kite and ostrich;
Sparkling enough to fly you up high!
Meeting the the tunnel to the front door of your sweet love.

Edward Kofi Louis
He Is 40

Lovely birds,

I never knew that, it will be like this! !
Please, help me;
Heal me with your love.

Edward Kofi Louis
Heal the world with love and do the right thing in life;
Teach the truth and live with the truth,
For a better tomorrow.
Heat, heal!
With the muse of the sun to give us heat;
But let us heal the world with love.
Meal, meat!
To prepare our food with love;
And, eat our meat with joy!
Healing the world with love according to the truth from the laws.
True love!
To teach the world and to heal the world;
In your personal life,
With the muse of your religion,
Creep, sleep, seep, sheep, weep, deep, cheep, steep, beep, asleep!
To do righteousness and to be accepted;
And to display the muse of your compassion to all.

Edward Kofi Louis
Heal, Hill!

Heal, hill!
Meal,
Will,
Seal,
Till,
Deal,
Fill,
Real! !
Mill;
Boat, goat, coat!
Let it grow,
Let it glow! !
Structure,
Picture,
Sculpture,
But instruct me with the truth and,
Lead me along the narrow path of righteous works.

Edward Kofi Louis
Healed

I am healed when i see you smile,
I am alive when i see you laugh,
For your sweet love is the food of my soul!
And, i do have sincere love for you as well.
I can't stay awake to hear you dreaming,
For the greatest Person you see is yourself in this life;
That is why i am healed when i see you smile.

Edward Kofi Louis
Health

Health! ! In the right order;
Living with the truth,
Your health is all that you need!
Better than anything.

Edward Kofi Louis
Health And Joy!

Health and joy!
Needed to gain your mind and body;
Let the truth lead you on,
To overcome evil works.

Edward Kofi Louis
Health Wise

Sleeping,
Sleeping beauty;
She should wake up now and,
Let me know of her conditions!
Taking a journey of love with her sleep.
Health wise,
overcoming her stress;
And, to press on with life!
With nature’s toll along the line,
Knowing what to do in times like this.

Edward Kofi Louis
Healthy And Full

Sleek and fat,
Healthy and full,
Sprouted with love!
Guided with the laws of the truth;
Positive discussions are very wise and discerning to the hearts.

Edward Kofi Louis
Healthy!

Healthy!
To grow up in the right way;
With the laws,
And, doing what is right.

Love,
With your home in the wilderness!
Living in the land of salt.

Love,
Roaming in the hills for your pasture;
Searching for every green thing.

Love!
With great strength;
Because of your health today.

Edward Kofi Louis
Heap

Heap,
In a field of lentils;
In the middle of the field,
To prove yourself,
To be a worthy person,
To walk in the ways of the truth and,
To keep the status of the faith.

Edward Kofi Louis
Heap, Cheap!

It is very cheap to print but,
You will gather the heap;
Heap, cheap!
With your efforts,
With your muse,
With your mind,
With your love,
With your act;
But, you will always reap what you sow.

Edward Kofi Louis
Heaps Of Rubble

Heaps of rubble,
Like the high places of the forest;
But you will be weeded like a field.
He or she who say i know Him but does not keep His Laws is a lair!
And the truth is not in him or her;
But the high places of the forest will bear the witness.

Revealing,
Differently,
Distinguishes,
Sons and daughters;
Compared to chemotherapy,
But only Yahweh can foretell future events.

Edward Kofi Louis
Hear And Obey

Hear and obey,
The works of the truth!
Obey righteous laws,
Hurt no one! 
Care and bring peace to the world.

Edward Kofi Louis
Hear My Heart

Hear my heart,
Dear to the works of peace;
Near my ear blows the wind of life,
As the day goes by with my mind.

Edward Kofi Louis
Hear My Voice

A woman with a child,
A writer with a pen,
As a light that shines in dark places;
So is my muse for you all in this world.
Hear my voice,
Look for me;
Like the mass suicide in Guyana.

Hear my voice,
Read my lines,
Like a personality caught with a prostitute;
Body pains for two when, the flower blooms.

In the year of release,
The fishermen will fish for them;
In the darkness of sin,
The hunters will hunt for them;
If today you will hear my voice.

To roar like a lion,
To think like a poet,
Like the woman who brought forth the man;
Learn a parable from the fig tree.

In the valley of Berachah,
Gain knowledge after your experiences;
Cos', i have ideas behind the looked doors.
Talents so extraordinary to touch,
Today if you will hear my voice.

Edward Kofi Louis
Hear My Words

Love!
Hear my words and,
Understand my language;
Because, i need you.

Edward Kofi Louis
Hear The Voice Of My Complaint

Vanish, van, ash, as, is, his;
The best footballers can play on every ground!
So hear the voice of my complaint.

Blameless and upright,
Shooting arrows of piosonous remarks!
But the power of your sword is like the muse of my life.

Edward Kofi Louis
Hear The Words Of The Truth

Love,
With the reward of life and, the reward of peace;
Living in righteousness,
Without the muse of hatred and war.

Love,
With the dream of peace;
Bringing joy to the hearts,
Without hatred and war.

Love,
Everything that you need is here with me;
So, hear the words of the truth and come to me,
Come and rest in the land of joy!

Edward Kofi Louis
Hear This

Hear this!
Listen attentively,
The truth is all the we need;
But not war! !

Edward Kofi Louis
Hear, Heap, Heat!

Heart felt Love,
Dear!
Not to fear;
Near the truth,
Gear, !
Ear,
Wear,
Wheat, meat, heat!
Neat,
Best regards,
Best of life,
Best of love;
With the muse of the truth.
Cheap,
But to leap forward with the truth;
Keep your words,
Seek for peace,
Here and there with righteous morals.
Hear, heap, heat!
Heart of love,
Art of life,
Part with your works;
Dancing with the truth always.

Edward Kofi Louis
Hearing The Echoes Of Your Smile

A mile away!
To discover your smile;
Like the River Nile.

Bile,
The file! !
While you rest your mind;
In the land,
Hearing the echoes of your smile.

Pile,
Agile;
Smile, mile!
Right,
Bright,
Light.

Edward Kofi Louis
Heart Breakers

Write it out,
Say it out! !
There and then you will be healed from this stress;
Because, she has broken your heart.

Write it out,
Say it out! !
There and then you will be healed from this stress;
Because, he has broken your heart.

Love makers,
Heart breakers!
So it is with the muse of lust in the name of love;
But, try to control your mind by writing it and saying it out! !

Edward Kofi Louis
Heart Of Love

Heart of love,

Mind of peace,

Body of joy!

Soul of works,

Spirit of righteousness;

In truth,

To hang in,

To be upright,

With positive laws.

Edward Kofi Louis
Heart Talks

Love talks,
Heart talks,
Peace and joy! !
With kindness,
With humility,
To share with others,
Without racism! !
Moving forward,
With positive morals.

Edward Kofi Louis
Heart Talks   2

Walks,
The heart talks!
Chalks,
Facing the ways of life;
With the status of your works,
With the aroma of nature.

Edward Kofi Louis
Heart Winner

My heart winner,
A little while i will be with you;
And like the pages of man's history!
For you are all that i need.

It is more historical in character for you to win my heart,
And your laws are like the sweet songs with my muse!
However, i have to watch out on those grievous workers,
Around the clock of this love.

Edward Kofi Louis
Heart, Art!

Heart, art!
Let the art of your heart be painted with love;
Route,
Roots,
Routine.
Heart, art!
Lovely,
Such a wonderful sight;
With the works of the truth and,
The works of peace in the land of the living.

Edward Kofi Louis
Heartbreak

A two-month-old baby is thrown into the river over here,
And i have my mind on this people to think twice;
But, how can i cow this people to accept their fault?

To ball the people and to put them into their shoes,
For my eyes are like the eagle around them;
But the Golan Height is a culture to you.

I can't forget about yesterday!
And of the kissing competition that we had;
But hatred and disease of the soul is what i see around me,
And i need an ample time to understand this people.

I need to enhance my status-quo and to love you,
For meeting at 'Sir Charles' in 'Winneba' means a lot;
But the sea will never dry up because of this heartbreak.

Detriment to their kith and kin,
Like the thirteen vehicles which was invloved in an accident;
And with the thirteen strokes of death to count,
For this heartbreak is like an insult upon an injury.

Edward Kofi Louis
Heartbreaker

Mind,
Remind;
Why should you be my heartbreaker?!
Hiding the message of the truth from me.
Of your age!
Of my age;
Called,
Recalled,
Aftwards;
I gave you all that you wanted in life,
Yet still, you left me in the cold.

Edward Kofi Louis
Heart-Rending

Heart-rending,
Soul, body, muse, love, lust, lost, hatred;
But, where do you go from here?
With your heart-rending efforts to save a life.

Use, abuse!
With the muse of your illegal lust;
Bate, abate!
With the ways of your mind;
But now, you need help.

Heart-rending,
To save a life;
On this earth,
With the ways of mankind destroying everything.
Bate, abate!
Like the ways of your secret acts;
In this village.

Edward Kofi Louis
Hearts And Minds

To praise you,
To promote you,
Taught and practiced!
But, flow to it when it is the truth;
And like positive hearts and minds.

Of your figure,
Of your make-ups,
Of your beauty;
But, what is really inside you?!
For, true-beauty really comes from the heart than,
Outside look.

Late, collate!
The ruling order is now guiding the right mind with the laws;
Open, openly!
Foreknown,
Foreordain,
With the muse of the heavens!!
But, to inherit the truth with peace is better than the bullets of war.

Edward Kofi Louis
Hearts And Souls

Hearts and souls,
To leap over the wall!
Myself,
Yourself,
Ourselves;
Moreover, facing the ways of life,
In times of peace.

Edward Kofi Louis
Heart's Beats

Seats,
Heart's Beats;
Eat,
Meat,
Wheat,
Heat!
Hear the echoes of the truth,
Here and there with the muse of life;
With your works on earth.

Edward Kofi Louis
Hearts In Love

It all started that way,
Sitting together,
Closer to each other,
Then, one thing led to the other! !
The kiss,
In loving arms;
Love and dreams!
With hearts in love.

Edward Kofi Louis
Hearts Of Gold!

Hearts of gold!
Old enough;
Sold for love,
Bold to behold! !
In the cold with the words of love,
To fold up your mat and to be part of it;
To hold on to the truth!
As the key of life.

Edward Kofi Louis
Heat Off Walls!

Heat off walls!
With creams,
Melting along,
With screams! ! !
And, with laughter and joy;
Blissful love,
Pitting deep;
Deep down there with your mind.

Edward Kofi Louis
Heat, Hate!

Heat, hate!
Firmly established;
With famine ravaging the land,
With the muse of the east wind.
War and sorrow,
Bombs, destruction and death;
Seen in the land.

Edward Kofi Louis
Heat, Eat!

Heat, eat!
To heat the food and,
To eat your meal.

Edward Kofi Louis
Heathen

Evil acts!
Evil works,
Evil minds;
Seen with the religious practices of the heathen.

Edward Kofi Louis
Heathen Customs

Diseases! ! !
Sicknesses,
Hatred and war,
In the name of deceptions!
And, with the works of evil.
Heathen customs!
The traditions of mankind;
With the muse of sexual immorality all over the world! !

Edward Kofi Louis
Heating The System

Wronging and cheating,
Heating the system with corruption!
Heating the system with hatred,
Heating the system with sexual impurities!
Of men who commit sexual perversion with boys,
Of men who commit sexual perversion with other men,
Heating the system with evil works.

Edward Kofi Louis
I am in the heat of my love with you so,
Move on with the romance of your heart to heat me on!
For this love is all about me and you.

Come and heat me on with your love and,
Let me cool you down like the songs of paradise;
For you are Heaton and,
You need to heat me on with your sweet love.

Edward Kofi Louis
Heaven Is My Home

Heaven is my home and i want to take you there,
For there is no one like you among my lovers;
And, i will do my best for you to satisfy your requests!

Stand by me and be my lover,
And of the roses of love that i need to shower on you! !
For your beauty is all that touches my heart,
And i will do my best to satisfy all your requests.

Edward Kofi Louis
Heaven Weeps

Heaven weeps!
Earth receives rain;
Showers of blessing,
Advantage to mankind.

Edward Kofi Louis
Heavenly Express

Heavenly Express! !
Reservation,
For those who are ready for the works of the truth;
The Truth is Holy,
The Truth is Life,
The Truth is the base of Peace and Love,
Following after Righteous Laws.

Edward Kofi Louis
Heaven's Gate!

Heaven's gate!
Only with the truth;
With the muse of righteous works!
Positive morals,
Righteous Laws,
Many are called!
But few are chosen.
Wake, make, bake!
Facing the ways of life;
With the rules around.
Heavens gate!
Teaching the truth,
With positive morals;
To enter through the narrow gate!
Because, broad is the way which leads to destruction.

Edward Kofi Louis
Heavier Than The Rocks

Her sins are like that of the men of Sodom!
So, why did you not tell me that she was your wife?

The herdsmen parted your company so,
Why did you not tell me that your husband was among them?

Your possession are too great and, i am in the midst of your wealth;
And like an excellent land of joy and peace.

Send men to spy the land for me and give me hope,
For every land is now afraid of each other because of the muse of war!

Her sins are heavier than the rocks so,
Why did you not tell me that she was your wife?

Edward Kofi Louis
Heaviness

Very heavy! !
Contracted,
Noted,
To be in distress;
Full of heaviness.

Edward Kofi Louis
Heavy Blow! !

Hardened,
Treated,
Harshly!
Subdued,
Bribes,
Heavy blow! !
Dishonest gain;
Perveted justice.

Edward Kofi Louis
Heavy Tears

Oh Ethel! Why?
Why do have to treat me this way?
With heavy tears flowing out of my eyes;
And this is how to pay me back for all that I did for you.
Well, life is not fair at times;
And I will live to learn from this experience.

Edward Kofi Louis
Hebron

Hebron, he, born, on, one, horn, hoe, bore, ore, hero!
Demand,
To supply it;
To be used by the people.
Frame, fame!
The same with the works of the truth;
Able to carry you on in life.

Edward Kofi Louis
Hector

Hector, core, cot, or, he, ore, tore, her!
But, wisdom is the heart that loves all mankind.

A voice of the voiceless;

With the muse of peace and love,
Helping the people around you.

Edward Kofi Louis

To have the voice!
To make a choice,
With the new vision of the land.

Actor, factor!
With the main reasons of life;
To come up with new ideas,
And, to move on accordingly without hurting anyone.

Edward Kofi Louis
**Hedonism**

Drunkenness,
A man or a woman;
Staple,
Able,
Cheque, check!
Chemise,
Guernsey,
Hellene,
Ally, Ali!
Always begging and never satisfied.

Hedonism,
Vision,
Obscured,
Creditably,
But, premature!
With the logical development of the land.
Chemise,
Cheque, check!
Pettiness,
Mission,
Undertaking a grotesque.

Edward Kofi Louis

For what is needed by the mouse is now being eaten by the cat;
But i have my mind on you always.

Edward Kofi Louis
Heed My Words All You People

Heed my words all you people,
For what is needed by the mouse is now being eaten up by the cat!
But i have my mond on you always.

Heed my words all you people and learn from them,
For what is sweet in the land of Libya is now sour!
But i have my mind on you always.

Edward Kofi Louis
Heel, Heal!

Heel, heal!
Heat,
To feel better.

Edward Kofi Louis
Hefemale

To a stake,
On a stake!
But she cried out for help!
And like your love hidden in the bush;
However, will you not speak to me?
For, my wages are yet to be paid.

It was written,
Divided into four parts!
But, from the top to the bottom;
Andlike, Hefemale your lover seen around us today.

Edward Kofi Louis
Hefemally

The nabbing,
In his early 30s;
The fallout,
In her early 30s;
From a humble beginning to its present status,
But the ages of the African Leaders are common to us all!
And like the ace of the black hearts.

Hefemally is my name and,
My present age is part of my journey in Africa! !
For the muse of love is like the aroma of sweet wine;
And like the colours of the rainbow,
But, my identity is the ace of the black love.

Love!
It is very nice;
Hatred!
It is very ugly;
Love!
It tastes very nice;
Lust!
With the spread of the deadly diseases.

Factory, olfactory
With all uncleanness or covetousness;
Lust!
To be passed into the blood stream;
Lust!
Easy target;
Alteration!
With the heightened sense of smell.

Swell, smell!
Hypothesising;
With the sense of smell.
Our, odour!
To carry out the study;
Love!
To remain very attractive;
Love!
To be one step ahead.

Love!
Attracted to your body;
Love!
Attracted to your works;
Love!
Attracted to you.
Lust!
To be lured in;
Life!
One thing after the other;
Love!
It is very effective.

Edward Kofi Louis
Heinous Crime!

Cruelty,
Murder! ! !
A murderer,
Committing such heinous crime;
Of a 50-year-old man butchering a 20-year-old lady to death.

Edward Kofi Louis
Heirs, Theirs!

Adoption,
Obligation,
Adaption,
Heirs, theirs!
Revealed;
In the land of joy.

Love,
Willingly;
Into this glorious liberty.
In, inwardly!
With the muse of the truth,
Coming out from the laws.

Edward Kofi Louis
Hekata

Stuck in jails and prisons,
In the name of inhumane prison systems around us;
But being willingly to serve others without payment is like,
The muse of Hekata!

Edward Kofi Louis
This funny world,
A woman at 70 gives birth to twins;
And i am about to give birth to your child at my old age too.

Power play,
Wet and wild;
With the midnight blues like the rough rider,
But now i do have a child for you.

I love you and i will be your cheer leader,
I want you and i will be your heart's lover,
For i will surely bring out the best in you for us to move on.

Helam my only one,
The world is funny at times;
But we all have a role to play on this love.

Edward Kofi Louis

With the muse of your mind.

Edward Kofi Louis
Bolt and nut,
Bring the washer in between to satisfy my muse;
For i am Helena in the land of your muse!
Lost, cost, post, host, most;
I am Helena and i want your love;
But the bananas and the mangoes are not yet matured,
So try to fix up things to meet up to my muse.
Toll, doll, loll, moll, poll, roll;
Watch my lips and try to understand my words,
For the washer in between will surely satisfy my muse.

Edward Kofi Louis
Heleph

Heleph, he, heel, help!
The land;

Do you know the rules in hell?
It is like a drunkard with a gun in the hand;

Do you know the rules in heaven?
It is like the sweet apples on your lips;
For everything is done by the rule of law!

Edward Kofi Louis
Hell Angels And Red Devils! !

Hell Angels and Red Devils! !
Ruling on earth with all the negative aspects of life;
But, when will they learn from the Laws of the Creator? !

Edward Kofi Louis
Hellene

I am beyond emotions because,
Someone i dearly loved had disappointed me.
I am in my loneliness and i do see the horrors ahead of him,
For he married another woman as against what i planned with him;
And this damage offered to me is too much to bear,
But my name is Hellene.
I acted with a clean mind on this love and he took the advantage of me!
And now he is gone forever into the hands of another woman;
But, one day time will toll on him because of what he did to me.

Edward Kofi Louis

Verbally in the land of your sweet muse;
And like the muse of the First Lady,
With an interesting turn today.

Edward Kofi Louis
Hello Vivian

Hello Vivian!
I met your mother in Nigeria as a prostitute! 
So, ask her about 'Bariga';
Then, she will tell you what i saw!
But today, if she is a witch to you then think twice;
Because you have to take things as they are,
For she is all that you have as y mother!

Edward Kofi Louis

Hell's angels,
Real life is not noted on your muse;
So you cannot sent me an angel from your home.

Neditation,
I have had more headaches in this land than ever before!
But the earth traded with the ware of your love like,
The staff in your hands;
But i know who i am on this earth.

Edward Kofi Louis

He is my father,
She is my mother,
He is my brother,
She is my sister;
But, you are a beautiful lady and,
He is a handsome man.

Life is full of surprises! !
But, there is much hatred in the world today;
However, do all the best that you can to help others.

Don't throw a bomb into the market place and think that you are free!
Because, this very bomb blast will also kill your friends and relatives as well;
But play the beat of love and let me dance! !
For, it is better to live in peace with each other on this earth than the bullets of war.

Edward Kofi Louis
Help Others  II

Give food to the poor,
And let them have something to eat;

Give clothes to the poor,
And let them have something to wear;

Help them to have a rest,
With a roof over their heads!

For, we are all human beings;
but, some have and, others do not.

Let those who have help others;
With compassion and, in humility.

Help the poor!
Help the needy;

Let us all give a helping hand to others,
Who do not have the means of survival.

It is better to give out than to receive.

South wind!
Mercy,
Humility,
Joy;
Think of others and help them.

Edward Kofi Louis

And, let the muse of peace be guided with the muse of care! !
For, we are all one.
To those who do not have!
Do help them as well;
And, let them something to eat and wear.
Life and joy!
Time will surely be very kind to us;

As my lovely boat waits for you at King George Island.

Edward Kofi Louis

Love, help, care, peace;
Speak out for those who cannot speak and,
Help them to live.

Edward Kofi Louis
Helper

It started from a spot and it spread all over,
But to begin as a small group was like the muse of your love;
So be ready and let me be the suitable helper around you.

Fleshly lusts and pulls,
Why couldn't you tell me earlier on?!
And like the white tigers in Asia,
But my homeland is in the land of the rivers.

Edward Kofi Louis
Helpful

Helpful, help, full, fell, pull, hell, ell, elf;
Boy, body!
Vertebra;
Mild, wild!
Suggested with th emuse of your love.

To the reflex zone;
Tinnitus, sinusitis!
Sensitive nose;
Sufficient.

Her Apparel Designed

Who is she that comes from the land of beauty and,
With her apparel designed by the beautiful flowers of love?
Come to me my love and,
You will be crowned with the glory of my love;
And like the place where the herds do lie down in peace.
I will be with you always because of the joy in my heart,
And you will overcome the sorrow of your heart with love.

Edward Kofi Louis
Her Beauty

From the land of the Sahara down to the West,
There lies my lover on the Coastal plane of Safi;
Sha abounds in her beauty with true love.
Her beauty is from the Cliffs of Marrakesh,
To the sunshine mountains of Morocco;
Oh Aicha! ! You are gone too soon.
Who has seen her?
For, my heart beats for her love;
Gone too soon was the message at her door-post.
Who can find her for me?
Cos', i ma lonely on my bed;
Who can bring her closer to me?
Cos', i can't sleep at night;
Oh my true lover, you are gone too soon.
I keep on looking for her but,
She cannot be found anywhere;
Who knows where she is?
Tell me if you have a clue;
I do think of her day and night.
One day i will meet you Aicha,
One day you will be there for me;
Tell me if you know where she is.

In her garden that beautiful flowers grow! !

With the peace of her heart.

Her insight with her empathy!

On this side of her river;

Dreams of her love,

Am in love with her!

Because of the power of her true love.

The beauty of beauties and the handsome of handsomeness,
The romance of your romance lies through your legs;

For her first fruit of love is all that i ate.

Edward Kofi Louis
Her Fruit

A deep sleep fell on Adam and out of him came Eve,
'Bone from my bone and flesh from my flesh';
Oh woman my lover! You were taken out me.
Subtle and Crafty came around to deceive them,
'You will become as gods after eating this fruit';
And in pain and toll the woman brought forth children.
Of the seat of your face to make ends meet,
And of yout toil in the land to provide for yourselves;
'For the woman gave me her fruit and i ate it',
And there came sin to bond us in this world.

Her Hole Is...

Her hole is open like her own gate,
Her grass is harder like her own door,
Her cup is wider like her own window,
Her heart is humble like her own words,
Her mouth is sweeter like her own honey,
Her back is beautiful like her own face,
Her pot is heavier like her own water,
Her plane is afar like her own vision,
But visit the land of her black sand to learn from it;
Because out of two cam a child!
And out of the two came the population,
But you and i are here today to witness her acts! !

Edward Kofi Louis
Her Honey

Her honey was dripping so i tasted it,

Edward Kofi Louis
Her Mirror

I have set my heart upon a watch,
Take her for me as my wife;
To the garden of the earth and the sea i do pray,
But to her sad song of love i do respect.
Flowers fro me,
She wept to think;
The mixture of lots of things to dropp down like a bomb,
Life is not easy at times.
Her soul is sad,
To find this gift as a surprise!
Listen to her hot steed like a wearied man.
Of guilt and strife shw wept,
On the blue flowers of her love to share with me;
From my boyhood's hour to learn from many,
Like the beautiful mirror on the wall.
Joy, joy forever!
From her girlhood days to think about;
My task is done but,
I have still set my heart upon a watch.
Flowers for me,
But life is not easy at times;
On her mirror at night,
I do pray and share my memories.

Edward Kofi Louis

Edward Kofi Louis
Her Nakedness

In the winter house you will meet her garden of love and,
In the summer house you will meet her nakedness!
And like the message of the fowls of the air who do view us all.

With my soul i have desired you my love,
For you are naked under the apple tree of love;
With my love i will be with you always,
For your nakedness is before me like a film!
But i saw the face of a man, a woman and a child within.

Old and patched,
My life is like the gragons of the sea!
But being crafty and deceitful is your love,
For you are always naked in the heat of the summer.

Her nakedness,
And of the lust of the flesh that is always seen around;
But try to learn from the double walls of love,
For it is time to wake up from the lust of the eyes.

Soot, smoke and dust;
The red sea dried up for her nakedness to appear!
But watch and see who is playing around her,
For her summer house is ready for her lovers.

Edward Kofi Louis

By many waters,
Great joy and consolation;
Water by measure,
Her widow's garments.

The ashes of the red heifer,
Let the archer bend his bow!
For, a dream that has come true will never pass away;
Lawmakers! !

To love me and my works!
For peace and joy;

Because, time goes on further when you're having fun.

Of the Queely touch from a realm with love,
And of the glory of a Kingly kiss to the world so sweet;
For, you are like the 24 carats of gold heavier than my thoughts!

I need you tonight and,
Of the Kingly kiss from you with the world of facts;
But, your help to me is more than the needs of a poor man!
So, come to me tonight and let us make love.

Edward Kofi Louis
Here We Are

Here we are agin on this love,
Swimming in the water of love to gain a view;
Moving around and diving around like,
An orange tree of love.
You've got me on now,

The water is warm around us and,
I do feel real in a realm like this.
Lead me on into your arm my sweet one and,
Show me the white love in you;
Here we are again on this love,
Swimming in the water of love to take a view.
This blue water also matches up with the sky,
And that is the way that true love goes;
Love is better than hate.
We are in this water together and,
I always feel better around you.

Edward Kofi Louis
Heresy

They changed the historical records to cover up most of the evil that took place,
But the care of heresy are now of the recorded history;

To hide it from others;  
And to go along very slowly,  
Step by step,  
Without making a noise.

Edward Kofi Louis
Hidden 4

Sins,
Hidden from the eyes of the public!
Living in the dark;
To do things in secret.

Edward Kofi Louis
Hidden Forest

Hew the hidden forest and,
Mow the exposed grass!
Knitted with love and noted with the works of peace;
Dreamland! !
With an erotic flow from the river of joy.

Edward Kofi Louis
Hidden From Ages

Hidden from the eyes,
Hidden from ages!
Do not fall away from that message;
Do not fall away from the message of the truth! !
The message of my love,
Within,
Without,
Gentle and easy,
If you will use it.
Do not lack! !
To fill it up;
Bath your mind with the muse of the truth,
Having a positive spirit,
With the joy of the heart! !
With righteous laws,
For peace and joy,
The truth is all that we need in life.

Edward Kofi Louis
Hidden From The Masses

The religions of Satan claim that they are teaching you the Bible!
And, they say that the Laws of the Creator are done away with;
because, the majority of the people are now caught up by the webs of
entertainment! !
Which is now destroying each person's mind today;
However, the truth is hidden from the masses because,
They fail to learn and understand the ways of life as written in the very Bible
they read.

Edward Kofi Louis
Hidden In The Jungle

Lost!
Last,
List;
Lust,
Hidden in the jungle.

Edward Kofi Louis
Hidden Inside There

It was hidden inside there!
So, i made my way towards it;
And finally you were satisfied with my love,
But try to learn from this act.

Edward Kofi Louis
Hidden Parts

Inward parts,
Hidden parts,
Secrets!
Inner self;
But, the truth is whiter than snow! !
And, evil is darker than coal.

Edward Kofi Louis
Hidden Poems

Hidden minds,
Hidden acts,
Hidden poems,
Hidden works,
Hidden words,
The Golden Tie!
The Golden Shirt!
The Golden Knot!
Of this sweet world to notify my muse;
But, where were you when, i was soaked in the rain?
Knot, not!
To knock;
Knotty!
Deeply soaked in the rain.
Bob, knob!
Fusion, illusion, infusion, vision, mission, ion;
But, where were you when, i was soaked in the rain?

Edward Kofi Louis
Hidden Poets

The calendar,
The muse,
Love and joy!
But, with hidden poets all over the world.

Stories!
To tell a story;
Minds!
To write something out with your mind;
Poems!
With hidden poets all over the world.

The calendar!
With the traditions of respective land as displayed;
Hidden poets!
Hidden works!
But the stars are very much noted by the readers;
With the flair of love and joy! !

Edward Kofi Louis
Hidden Stream!

Euphoria!
Abstraction,
Fairy,
Flowers,
Blossom,
Hidden stream!
Awakened;
Lady in red,
Circles!
Lady in black,
Curves!
Men in black,
Fishing;
Encouraging!
Seven doves,
Life on the edge;
Standing tall,
Peaceful pond.
Red flowers!
Yellow flowers;
Beauty of ornaments!
Emerald gown.

Edward Kofi Louis
Hidden There

Geared,
Hidden there,
Defects,
Lifestyle,
Suffering;
Like the families in your neighbourhood,
But sooner or later you will learn from the truth around you.

Living longer,
Lifetime,
Corrections,
To gather together;
But, turbulent like water! !
And like a story yet to be told;
But, the End of the Ages is near.

Edward Kofi Louis
Hidden Things

Hidden things!
Renounced,
Pronounced,
Announced,
Walking in craftiness;
With the pleasures of this world.

Edward Kofi Louis
Hidden To You

This message is hidden to you because,
You don't want the works of the truth;

Life,
With the glory of the truth!

Reaching out to the ears of the wise,
But, hidden to you.

Edward Kofi Louis
Hidden Treasures

Fused, infused!
Hidden treasures of life,
Hidden treasures of love,
Hidden treasures of joy! !
When the right thing is done.

The life of a man,
The life of a woman,
The life of a child,
With the fragrance of life and,
The aroma of nature;
Knowing where to step with the muse of peace,
Obeying the laws of righteousness.

Edward Kofi Louis
Hidden Treasures 2

To meet together,
And to sit down together;
Free with our minds!
With the muse of the hidden treasures on this love.

Edward Kofi Louis
Hidden Treasures 2

The muse of love,
With beauty and passion;
With the truth leading the ways,
For the peace of the land,
In unity with all mankind,
Along the ways of righteousness.

The mystic ways of life!
Seeking for the works of righteousness always;
For the peace of the earth,
But, with the mysteries of life as well at times.

Hidden treasures of love,
Hidden treasures of life,
Hidden treasures of peace,
Hidden treasures of joy when, the truth is found;
Forward, Edward, ward, award, reward, outward, inward!
Afterwards with the muse of unity in the land.

Wickedness,
Attacks! ! !
Seen very common on earth today;
And one was shot seath and thrown into the Indian Ocean,
Deep in the ocean floor.

Branches of love,
What we need is peace on earth than war! !
New life and, new dreams;
Let us overcome wickedness with righteous works,
Respecting all mankind on earth.

Lone ranger!
But no stranger;
Your body belongs to you,
So, use it wisely with positive works.

Mused, used!
Golden sunrise,
With the muse of love;
Vintage,
Like a rainy Highway in your land.

News, blues!
The flow,
The touches,
In the wild!
With your joy,
And, with the pride of the flowers of love.

Love with structure,
Deep in texture,
Soft touches,
Soft colours,
The taste of love!
Like the agriculture of the land;
With the muse of the culture of the people.

Words of joy! ! !
With the reflections of life;
The expectations of nature,
With figures in motion;
But, handle your emotions with the works of the truth and live in peace.

Native dreams!
Joyful beauty,
The blues of sweet love;
With souls in unity.

Swirl! !
With the abstracts of life;
Reversing the number 700 to give us 007!
Because, the joy of life is with the strength of true love.

Bridge, ridge!
The strength of love is with the strength of peace;
So, lace your shoes and stand up for the works of the truth,
Like the Yellow Trains seen in South Korea.

Lace your shoes and face the people!
Love is the way and, peace is the key;
With the muse of the art works of the clouds,
Respecting the colours of the rainbow when it appears.

Edward Kofi Louis
Hidden Treasures Of Life

Hidden Treasures of life are, the treasures of life given to us by the Creator Almighty.

We were made to come and learn on earth; with free will of choices! !

Love expands the world! And, some people chose that way; however, wickedness destroys the earth! ! And, many have gone that way as well, with the muse of terrorism.

We rather need peace and love on earth today than war! By respecting all mankind on earth; for the unity and, the joy of the earth.

Edward Kofi Louis
Hidden!

Hidden!
Behind closed doors;
Secrets,
Behind closed doors.

Edward Kofi Louis
Hide

Pride,
Ride,
Side,
Tide,
Hide,
Aside.

Edward Kofi Louis
Hide And Seek Game

Hide and seek game,
Flowers!
Colours,
Cultures and traditions;
With the languages of the earth.

Edward Kofi Louis
Hide And Seek!

Hide and seek!
I came and watered your flowers;
Your financial discomfiture,
Up and down!
With achievements and failures.

Skills!
Creativity;
With a piece of banana which just fell to the ground,
But, you can't eat your cake and have it back.

Copious information!
To apportion blame;
On this issue,
And, to take the bull by the horn! !
With the intricacies of such impulsive act.

I will write out my muse to touch you!
But, will there be enough food for tomorrow?
For, a man's wisdom lights up his face;
And, you can't stop the muse of the truth.

Edward Kofi Louis
Hide not your face from me,
My love!
Teach me your ways,
The ways of the truth;
True love! !
Peace and joy;
Do not be silent to me,
Die, clue, blue, glue!
In a spacious place,
To embrace the truth,
The ace of life! !
Hide not your face from me.

Hier In Afrika

Geist und Seele,
Wie ein wunderschöner Flamingo!
Aber Sie ist 26 Jahre, zwei Monate und zwei Woche alt;
Und Sie hat Schokolade Braune Farbe.

Die Natur Völkern in Südwesten Äthiopiens mit süßer Kakaoduft,
Aber mit der wunderbarer Schönheit!
Und die Moskitos schwirrten überall herum;
Aber Sie ist 26 Jahre, zwei Monate und zwei Woche alt.

Geist und Seele,
Hier in Afrika mit des höchstes Bergs Afrikas! !
Der schneebedeckte Kilimandscharo,
Aber mit Geist und Seele.

Die Frösche quaken morgens, am tag und abends;
Mit dem Duft aus Afrika!
Aber der Weg ist jedoch lang mit Geist und Seele,
Und dieses Erlebnis ist mit der Schönheit aus Afrika.

Edward Kofi Louis

Es ist 20 Uhr;
Meine Liebe.

Fighting for your peace,
And like the Caribbean Spirit!

With the romance of life;
And, with the aroma of your joy!!

Dreams,
The dreams of love;
With the skyline of peace,
Deep down in the red valley.

Edward Kofi Louis
High Places

At each of the high places they burnt incense,
Just as the nations have done before;
But i am here with my love like the red light.
Lu and Chia came to ask of your love last night,
And of the rules and the regulations so set before them;
For Chia's chair was at the corner and,
I was on the wall watching you all.
The water reflected your image of love to them and,
Your beauty was seen at the high places of love;
But my views were like the things so seen with your love.

Edward Kofi Louis
High School Edition

High Wall

Love true love in Yahshua Messiah,
Like the harpers harping with their harps;
I may be very foolish to you but,
I am very wise to many;
Like the planters planting with their plants.
You may hate my poetry but,
It teaches many in this world;
Like the bookers booking with their books.
Crystal clear is my mind like a jasper stone,
But with a great high wall of love to share with one another.

I will do it like it is,
I will ride it like it is,
I will say it like it is,
I will drive it like it is,
With the sweet muse of true love.

Muse!
Under the Highway Bridge;
And like a strong donkey lying down between the two saddle-bags.

Like the like between us today;
Life!
Teach me and, let me know the ways of mankind on this Highway.

Plate, late, ate!
'Highway 1';
Love!

Muse!
With the golden smile on my face;
Bringing in the light of true peace as i drive along over this Bridge.

Edward Kofi Louis
Highway To Hell

Negative lust!
The highway to hell;
Rape in India again,
And, a 5-year-old girl was raped.

What is really wrong with the men over there?
Tell me if you know;
For, i want to know!
And, everybody want to know.

Please, let us face the truth and,
Let us educate these men in a proper way;
And, let them learn self control with,
The 'Peaceful Solution Character Education Programms'.

Negative lust!
The highway to hell;
But, we can all change for the better in this life! !
Knowing and doing what is right always.

Edward Kofi Louis

In the valley of romance with the aroma of peace and joy,
Mummified with the facts of love.

Willing to explore in and out;
With the muse of the prince and the princess,
For, they just can't get enough.
The muse of life,

Really up high over there.

Edward Kofi Louis
Hill, Ill!

Paganism!
Eating up the brains of the people;
Hill, ill!
Still,
Pill,
Mill,

And, to grill your mind with paganism.

Edward Kofi Louis
Hillel

You are sleeping with a circumcised man but,
Your child is still not yet circumcised;
And the beautiful roses do watch you at night,
For he who cares to teach you is well around you.

Hillel,
There is a mighty man of valour around you;
But he is the son of a prostitute and,
He is here to save you from this land.

You are sleeping with a circumcised man and,
Your child is not yet circumcised;
But the snow is still falling and,
I am deep in my sabbath.

Earthquakes in Haiti, Morocco, Chile and Turkey!
It is not yet six o'clock and,
You've eaten your evening meal already.

To drink the bitter water and,
To eat the bitter food of love;
But my love is like a cake mixed with oil and,
Hillel is your name in the land of the woods.

Edward Kofi Louis
Hillel 2

Hillel, hill, ell, he, lie, ill, hell!

The promise,

The promise of the truth;

Flowing out to link you up! !

Able to teach you than to perish;

Like an ivory overlaid with pure gold,

However, the truth will bring righteousness to you.

Edward Kofi Louis
Hillel II

Morning glory,
Lover of peace;
But Hillel came along and turned into Lucifer!
And the whole world is now in trouble.

Morning glory,
Lover of peace;
But Hillel came along and turned into Satan!
And the whole world is now in trouble.

Highway 49,
My love is all that you need;
But there are crucial questions bothering the minds around you,
And hatred is now seen more on this earth today than love.

Edward Kofi Louis
Hillman

Africa for the Africans,
Give me separate quarters to write down my muse;
For i want to record down the things i can see around me,
And like Hillman my friend in the thick bush around.

Edward Kofi Louis
Hills Of Holiness

Hills of holiness,
Mills of peace;
Skills and bills,
Fills the earth;
Who tills the land?
Wills of love,
No pills at all.

Edward Kofi Louis
Hills, Heels!

Flase brothers!
With heels against me;
Hills, heels!
With the works of the wicked.

False sisters!
With the works of evil;
The lust of the flesh,
And, with the works of darkness.

Foolish people and foolish nation!
With the wickedness of both men and women;
Through evil and the rumours of the land,
Like the muse of an open tomb.

Edward Kofi Louis
Him Or Her

The adversary,
The wicked one;
To betray!
Him or her;
With the works of evil.

Death!
carnally minded;
Living with lies than with the truth;
Danger!
With your nakedness;
And, with the distress of life.

Edward Kofi Louis
Him, Hymn!

Neeful,
Useful,
Colours,
With the muse of life;
Him, hymn!
With a melody from him;
Coming out of his mouth,
With the muse of the deep love from his heart! !
But, let the Creator always lead us on in peace.

Edward Kofi Louis
Himeji

Fear oh old men and women,
And tell your children and grandchildren about my muse;
For i am Himeji with the chariots and horses,
Because the day of the battle is near.

Edward Kofi Louis
Hindered!

Hindered!
Searching for the truth,
In the land;
War is not the answer! !
Peace is the way,
For love,
For joy!
With the hearts of the people,
In unity.

Illegal lust,
Self destruction! !
Terror,
Horror!
War is not the way;
We need peace than war.

Ring,
In!
Lovers' key;
Sitting here,
Sitting there,
Sphere! !
Where?
Come home;
For righteous works,
For peaceful words,
For joy! !
For unity,
Understanding the laws,
With righteous morals;
War is not the way.

Lovers's key,
Twilight!
The sight,
The insight,
Bright star! !
To do the right thing in life;
Than hatred and war.

We need peace than war,
Comforting everyone with righteous characters;
War is not the way!
True love,
Through endurance and the comforting of the soul;
Deed, indeed!
To all nations on the earth;
Negative acts and negative words do go deep! !
Tearing down the walls of peace,
Like the fire which burns the hand!
However, war is not the answer towards peace.

Love,
True love;
Here we are once again!
You and i,
On this earth,
With the lights of peace when the right thing is done;
But, with darkness in the name of hatred and war.

Edward Kofi Louis
Hinge

Hinge,
Secret particle;

The name,
The fame;

Love and life,
With the frame of nature.

Beneficence! !
The same with your works;

The truth,
With the virtue of peace;

Love and joy!
With the fragrance of life.

Edward Kofi Louis
I live in the land of cars but i have no car,
I live in the land of cocoa but i have no chocolate,
I live in the land of bicycles but i have no bicycle,
I live in the land of food but i am hungry,
I live in the land of many waters but i am thirsty,
My name is Hinrichsen and i am very calm like Cape Malay.

Edward Kofi Louis
Hippopotamus!

The hippopotamus!
With the strength of its loins and,
The power of its massive belly;
Feeding on the grass like an ox,
Moving its tail like a cedar tree.

The hippopotamus!
The tendons of its thighs are tightly knitted;
And its bones are like the beams of bronze!
With its ribs like the bars of iron.

Edward Kofi Louis
Hiroshima And Nagasaki!

Noodles of choice and breakfast for all!  
But, where is the way to the dwelling of the light?  
For, it matters to me when, the mountain goats give birth.

Hiroshima and Nagasaki!  
But, when man dies, he is laid away;  
Like the water bottles of the heavens when,  
The 'Caravan of Tema' Looks for water.

Life and the history of mankind on this earth!  
Of the hangings of white and blue linen;  
To the year of the dog and of the year of the mouse!  !  
But, can a papyrus grow without marsh?

Hiroshima and Nagasaki!  
It is time to get it together once again;  
And like a higher Tower to fulfil the muse of love,  
But, we still remember the days of the bombs.

Hiroshima and Nagasaki!  
Deos the wild donkey brays when it has grass?  !  !  
Then, let us all live in peace on this earth today,  
For, life is like a mosaic pavements of alabaster.

Edward Kofi Louis
Go and tell it on the mountains,
Go and sing it to the woods,
And go and tell her to return to her lovely tent;
For the woodman is ready with his axe.

Why share your nakedness with many men around?
For i have heard your voice from the midst of the fire and,
I will come looking for you.

Go and tell your sweet lover to return to you,
For she's still with her widow's clothes;
And there are no harlots in this town.

Let her keep what she has from you and,
Let her learn from my muse always;
For i could not find her among the lot when,
The sun went down in the woods.

Of the staff in your hand and,
Of her widow's garments;
But i need a ram for the Passover sacrifice.

It is like a sheep for my lover and,
A ship for you to sail on to your lover;
For i have seen the fire and the wood but,
Where is the lamb for the burnt offerings?

Who is still making love with her?
Because you still want her back!
But the mountains are still waiting to remind you of your first date.

Oh, the intent and the thoughts of man's heart;
Do you still remember the first time you fell in love with her?
For i will go out looking for her early in the morning and,
We will meeet again in the land of love.

Edward Kofi Louis
His Children

Life, love, unity, and peace!
Yahweh watches over us all and,
Directs the ways of His Children;
On earth,
For righteous works.

Edward Kofi Louis
His Cutlass

To plant fruit trees and to eat from them,
And like Magic Johnson and Michael Jordan with the basketball;
But, I will live to fulfil my dreams on this earth in peace.

One day the world will listen to me,
One day I will teach the world;
Because, I am like the farmer with his cutlass in his hand.

The bush of Africa!
Walking along the narrow path;
Like the muse of a farmer walking to his farm.

I am like the shadow on the wall!
And like a shadow in your mind;
However, out of the mountains came out the waters of love.

Edward Kofi Louis
His Face Appeared To Me

A Face!
Seen at night;
Up high,
In the night with the muse of the sky!
And, with the Face of the Creator.

18th december 2013,
At about 20: 10 Hours in the land of my muse;
And, i saw His Face.

The Face!
With the muse of the Moon and,
The Bright Star in a closer range;
And, His Face appeared to me,
Shining up high in the dark.

Edward Kofi Louis
His Hair

We've never combed his hair since he was born,
But we only cut it when it grows long;
And that is how he came into the world with his curly hair.

Edward Kofi Louis
His Height

Do not look at his appearance or at his height,
Do not look at his face and at his handsomeness,
For I do hear the bleating of Eliab's sheep.

Edward Kofi Louis
His Love Endures Forever!

Click on to sermons;
And, every Sabbath you will be in unity with,
Father Yahweh Almighty! !
Because, His Love endures forever!

Edward Kofi Louis
His Majesty! !

Protected by His Majesty! !
For, others weep in hunger!
But, now that you want some food,
Your brother will become your enemy.

Edward Kofi Louis
His Mercy

Divisions might have occurred and,
Many might have been moved from here and there;
But we should not forget the feasts of Father Yahweh!
For His Mercy endures forever.

Edward Kofi Louis
His Name Is Yahweh!

Hands of hope!
Justice,
Highlights;
But, His Name is Yahweh! !
Post, cost, most, lost, host;
And, of the greatest teacher.
Love, peace and joy!
Care, hope and unity!
And, being obedient and submissive.

Edward Kofi Louis
His Or Her Tongue

Desolation,
Appalled,
Slander;
But the truth of the righteous utters wisdom,
And his or her tongue speaks what is just.

Edward Kofi Louis
His Pasture And Her Searches

The tumult of the city,
The sounds of the drivers,
The noise of the children,
And the waves of the ocean!
He roams the hills for his pasture;
But, she searches every green thing for her lover! !
And the wings of the ostrich wave proudly around them,
But they cannot be compared with the pinions and the feathers of the stock.

Edward Kofi Louis
His Tame

Life,
To refer to his tame;
The same!
His shame,
To lame;
His blame!
The dame;
His name,
The shame;
His fame,
The flame!
Grapping with the ropes of life.

A light angle!
Just yards away;
Say, stay, tray, bay, bray, ray, lay, way, away, pray, pay, clay, fray, stray!
To secure a famous comeback victory with the team in your land;
Like an amateur gaining fame with the click of time.

The muse of love,
To have your flaws ironed out!
With the muse of your opponents in the land of your joy;
Ought to be! !
Under his belt;
Ought to know! !
With the muse of nature;
Ought to learn! !
From his mistakes in life;
And, to be toasted like bread!
Because, not all that glitters in life is gold.

Edward Kofi Louis
His Voice!

The thunder announces His Voice!
Lightning speaks of His Eyes;
We cannot comprehend because,
He does Great Things! !

The sound of the rumbling that leaves His Mouth;
Wonders!
The Voice of His Majesty;
Marvelously from His Works,
Creating the Universe and Mankind.

Edward Kofi Louis
His Work

He brews his beer and,
Frees his mind with his work;
Love!
Like the muse of a new born baby;
But, he frees his mind with the muse of his work.

Cape, escape!
To escape from the ways of the world and,
To concentrate on his work;
And, he brews his beer to free his mind from the world with the muse of his work.

Perfect, prefect!
Post, cost, most, lost, host, ghost, frost;
And like trousers made from goat's skin.
Confidence!
Endurance,
He brews his beer;
Learning and teaching others for 9 weeks at his place of work.

Edward Kofi Louis
His, Is!

His, is!
His works,
His love,
His approach,
With the muse of his mind;
Working together with the people of the world,
For peace than war.

His, is!
The poet,
His poetry;
The writer,
His works;
Art and literature!
Shown with his mind;
And, with the life of a man,
Working together for peace in the world.

Edward Kofi Louis
His, Memphis!

Love!
To water the sheep;
His, Memphis!
To move the big stone that covers the well.
Life!
Living,
In his land;
With the muse of the laws,
But, it is still a high day in the land of his muse.

Edward Kofi Louis
Hisda

Hisda, is, as, hid, has, had, his, ash;
Scene of life!
Scene of love,
Scene of agriculture,
Scene of nature,
Scene of peace,
Scene of joy!
With the scene of the land;
brewing young minds with the truth,
And, with the legislation of the land.

Edward Kofi Louis
Hisense

Hisense, he, his, sense!
Writing to the world,
With the muse of love;
Living with the peace of his mind.

Love and joy! !
Peace and care;
Harmony,
With his sense;
Always helping others to stand upright.

Edward Kofi Louis
'His-Story'

You will not believe that you are me and i am you,
But history will join us together one day like 'His-Story'.
Forget my age and come closer to me,
Forget my grey hair and be my lover;
For 'His-Story' will unite us one day.
You are me and i am you,
And this world is a stage for you and i.

Edward Kofi Louis
Historians

Authoritative scholars and historians,
Pure unadulterated wine is not grape juice!
But, the wages of sin is death;
However, we must rather learn the lessons of love than hate.

Edward Kofi Louis
Historical!
You are noted by your own works on earth;
So, try to do what is right.

Thoughts and ideas,
Born to be;
And like corn to eat.

Born to win! !
But, the bones of your life are now in bin;
Trying to understand the ways of nature.

The fragrance of life,
Overcoming your sins in this world;
As you grow along.

Stocked!
Deep with your mind;
Seeing the ways of Mother Nature around you today.

Bitter pills of life!
To accept them and to speak out your mind;
As you lay your works bare to the eyes of the public.

With massive weapons war,
As mankind prepares for World War III.

Your story,
My story,
Any story,

Edward Kofi Louis
History 2

History,

Schoold and scholars,
Words and phrases,
Works and minds,
With notes in our books;
Prepared for others to learn.

History And Culture

Cultural,

History and culture;
Stories,
Stages,
Sages,
Traditions! !
Languages,

With different views.

Edward Kofi Louis
History Is Made Today

Kunta Kinte's Gambia,
Kwame Nkrumah's Ghana,
Nelson Mandela's South Africa,
Kofi Annan's U.N.,
And Barack Obama's U.S.A.;
All the records are there for a purpose,
For today history is made in the U.S.A.!

Check the history of these great men and what they are made of?
For the Slave Trade started in the year 1530;
And in 2008, a Blackman is elected as the 44th dent.
1530 to the Slave Trade,
And after 478 years today history is made;
4th November's U.S. Election made a history!

Of slaves from Nigeria,
Of slaves from Ghana,
Of slaves from Senegal,
Of slaves from Gambia,
Of slaves from Angola,
And all the other places of the African Continent;
What was due to us has been done.

'I have a dream'! Martin Luther King (1963):
And today (2008) the dream is fulfilled (Barack Hussein Obama).
Even babies could pronounce the name 'Obama'! ! !
For the American dream is for a better America.

Of the slaves gone by and the tears of the people today,
Out of Africa to America;
Into the plantations of a hard work to fulfil this dream today,
So I really understood the tears of many after the results.

'Yes we can'! After 478 years in history;
The American Independence came but many were still not liberated,
Not until the 4th November's 2008 U.S. Election.
I say the tears of many,
And this history of the First Black Family to sit in the White House;
But to all things, let us give glory to the Creator Almighty.
Edward Kofi Louis
History Of You

Alteration,
Tender,
Fellow,
Follow,
Delays!
Lamps,
Bright! !
With the history of you;
Noted in the land.
Fellow, mellow!
With the muse of the yellow colour;
To allow you in,
As the flood came around.

Edward Kofi Louis
History!

Two the hard-way!
Three the broad-way,
But your recorded story is much needed for us;
History!
Of 'his-story' and 'her-story' to tell;
But on will always lead the way for others to follow,
And like the muse of love!
But the bullets of war will never bring us peace on this earth.

Edward Kofi Louis
History! ! !

History! ! !
With the muse of Alexander The Great;
But, try to understand the ways of mankind and,
Seek for righteous works.
We were all created for a purpose;
Human beings as we are,
However, many have chosen the ways of Satan to destroy the earth.

Edward Kofi Louis
Hit And Run!

Trouble,
Hit and run!
Leading to destruction.

Edward Kofi Louis
Hit, It!

Illegal lust,
Hit, it!
And, that's the ways of the earth today;
With guns and wars! !
Killing each other.

Love, life, peace!
To get on to the right track;
Learning the ways of peace than war,
Because, war is not the answer to peace.

Edward Kofi Louis
Hitherto

Conception and social values,
Traditions and the people involved;
Hitherto to my muse is your nakedness,
But try to re-examine yourself again.

Edward Kofi Louis
Hitu

Your love is like Dagon the Fish-God,
And like electric power plants! !
So be very wise and learn fro me my sweet Hitu,
And like the towers with the muse of my love.

Edward Kofi Louis
Hnv

His 'HOly Name Version' (HNV),
One male lamb for each household;
Because you came with nothing into this world but,
You want to take more back home.
This is like the bananas of love in the land of your muse,
But this love is noted by His 'Holy Name Version' (HNV).

Edward Kofi Louis
Hoarded

You've hoarded your wealth in the bush and you now want my love,
But a man's life under the sun is of many problems;
So let us gratify your love with mine on this issue,
For a woman's life under the moon has the same issue at hand.

Edward Kofi Louis
Hoarded  Ii

Oppressors,
Comforters,
Hoarded;
But do not let your mouth cause your body to sin!
For there is a proper time and procedure for every matter,
And like your state of mind in the land of your muse.

Edward Kofi Louis
Hobo

Comments, moments, arrangements, managements;
I am Hobo in the land of your muse but, i do miss her!

Cent, prominet, sent, went, bent, rent, tent, lent, dent, Kent, spent, vent;
With words of peace and love but, i do miss you!

The source of love and the source of peace,
But, try to drive the change to live in unity on this earth!

Charger, larger, dagger, anger, bagger, manager, ranger, finger, singer!
But, who owns the water on this earth?

Winger, linger, stranger, hanger, banger, changer, beggar;
But, why can't we all share the water on this earth?

Edward Kofi Louis
Hoe, Hope!

The farmer's hoe,
Using it in your field;
Planting your seeds and,
Hoping for the harvest of tomorrow.
Hoe, hope!
Hoping for the rain to fall on your field;
And, to water your land,
After planting your seeds.

Edward Kofi Louis
Hold Back

Abolished,
But service to mankind is what I know;
So do not hold back on my sweet love.

Edward Kofi Louis
Hold Fast

Hold fast to the truth always,
Because he or she who overcomes will be like a pillar!

Edward Kofi Louis
Hold Fast To It

The truth,
Hold fast to it;

Clean your mind,
Clean yourself,
Hold fast to the works of the truth;

Overcome your sins with positive morals! !
Serving all mankind with the joy of your heart;
For peace and love,
For joy and unity,
Repenting!
Always seeking after the works of the truth.

The law,
Righteous laws;
With the delight of the truth!
Insight with righteous morals,
Light! !
Bright light;
After the works of the truth,
With the romance of nature!
With the fragrance of life,
After the works of the truth! !
Under the directions of righteous laws.

Muse, use, fuse!
Not to refuse the works of the truth;
let us always seek for the truth,
Which leads to peace.

Don't slip away!
Hold fast to the truth,
The works of the truth;
With righteous works,
With the lips of the Law! !
Able to lead the way always,
With the muse of TRUST.
Edward Kofi Louis
Hold It

Strong!
Sold,
Hold it,
Even in the cold;
Old enough! !
To behold your sweet love,
Brought in,
Like gold.

Edward Kofi Louis
Hold It Right

I have to learn how to hold it in the right way,
Because I may easily expose myself one day;
And like the muse of your love hidden in the dark.

Edward Kofi Louis
Hold It Up As A Banner

Pushing!
Pointed out;
Anonymity,
With the muse of your love.

Love!
Hold it up as a banner of peace;
Love!
With responsibilities;
But, do hold it up.

Life!
Hold it up as a banner of joy;
Love!
Take it to your heart and be free;
As the days go by.

Edward Kofi Louis
Hold Me Tight

Sight,
Hold me tight on this love!
Insight with the joy of peace;
Might and delight is the truth,
Hold me tight!
Alright with your mind,
Right with your heart,
Bright light is true love!
Inside your heart flows your joy;
Inner self!
Soul at peace;
Words of love,
Works of the truth,
Hold me tight on this love!
With the aroma of life and the romance of nature.

Edward Kofi Louis
Hold Me Tight!

Love is the best medicine for your health,

Love is the best medicine for my health,

Hold me tight!

And treat me kindly.

Edward Kofi Louis
Hold On

Life,
Hold on to the truth;

Love,
Hold on to the works of righteousness;

Joy!
Hold on to the laws;

Nature,
Let the truth be with you all day long!

Muse,
With the power of the truth.

Edward Kofi Louis
Hold On 2

Stand firm!
Hold on to the truth;
And comfort your heart with the works of righteousness.

Edward Kofi Louis
Hold On To It

Black clothes,  
White clothes,  
Life!  
With the true knowledge of the law;  
Bringing peace and joy.  
Love!  
With such humbleness;  
Life!  
Seek righteousness and, do find the truth;  
And, hold on to it.

Edward Kofi Louis
Hold On To It 2

Served,
Reserved,
Preserved,
The truth!
Hold on to it,
After you have known it.

Edward Kofi Louis
Hold On To It  3

The truth is the light!
The truth is the right teacher;
Hold on to it!
The truth can never let your down.

Edward Kofi Louis
Hold On To Wisdom

Seek and find the truth!
Hold on to wisdom,
And gain the Light of True Love.

Edward Kofi Louis
Hold The Faith

Hold the faith of Yahweh and,
You will pass the test;
Because life is sometimes on the rise!
And with one mistake,
You will surely lose your life.

Edward Kofi Louis
Hold, Behold!

Behold, old, be, bold, he, bed, led, hole, bole, dole, bold, held;
Hold, behold!
From its rising,
Till the set of the sun in the west.

Bond, band!
The bond,
The band,
Bow, bowl!
With the instruction of a father and the compassion of a mother;
As a child learns from his or her parents in the right way.

Award, reward!
To get it on;
With the muse of the laws,
And, to put it on!
With the muse of the truth;
Learning from the right things of life which leads to unity and peace.

Edward Kofu Louis
Holding Hands

Holding hands,
Talking to each other,
Comparing the notes of life;
With a plan in motion.
Response!
With the muse of love;
Peace and joy,
Walking together.

Edward Kofi Louis
Holding It

My style of holding it never satisfy you,
So i am now on a course to learn how to hold it well;
because this is all about your sweet love!

Edward Kofi Louis
Holding On

Sure!
Pure and upright;
Great success,
Holding on.

The doctrine of love,
The doctrine of life,
The doctrine of peace,
The doctrine of joy!
Backed with wisdom.

The educated,
Bring out the works of peace than war!
Helping us to live in unity than,
Hating each other.

Edward Kofi Louis
Holding On 2

Purifier!
Holiness,
Sanctification
With the works of purity;
Holding on the truth.

Edward Kofi Louis
Holding On 2

This mirror!

This picture,

This image;

You're my heart! !

You're my soul;

You're very beautiful!

And i've been holding on;

For you,

On this love.

Edward Kofi Louis
Holding On To It

Falling! ! !
Holding on;
To the branch,
For survival.
Holding on to it!
As long as there is hope;
With the attitude of the faith,
On the inspiration of life.

Edward Kofi Louis
Hole In One

Pole in hole,
Hole in one,
Playing the golf.

Edward Kofi Louis
Hole In One!

Verse,
Reverse,
Rehearse!
To announce your presence;
With your works,
In details! !
Following after the ball,
Hole in one!
Playing the golf.

Edward Kofi Louis
Holiday In The Forest

Holiday in the forest,
To take a rest in the arms of nature;
Hearing the songs of the birds and,
Seeing the animals around!
Enjoying the muse of life on this adventure,
With a natural flair.

Edward Kofi Louis
Holiness

Holiness,
To live a better life;
With the works of righteousness,
Under the umbrella of positive moral teachings.

Edward Kofi Louis
Holy Days

Thousands of churches and thousands of sinners!
But money is still the route of all evil;
And like the pain in my waist and knee.

A thief must be sold for his theft!
And we have to live by every word of the law;
For the borrower is always among us and,
We must be ready to give out to others.

You are an example of this poem and,
The key of the Kingdom is right here beside you;
And like separating the sheep from the goats,
Because the Holy Days are now turned into holidays!

Edward Kofi Louis
Homage

Page,
Sage,
Stage,
Age,
Homage;
With your works.

Edward Kofi Louis
Home

Home, hoe, he, me;
Let all flesh be silent and learn from the truth,
And let us all seek for peace;
For, every man is your brother and, every woman is your sister.

Saul, Paul!
Of the gift of the teachings of true love;
With the muse of the truth and righteousness,
For, every man is your brother and, every woman is your sister.

Life!
With the muse of the activities from the home;
But, let us always seek for the truth and live in peace on this earth,
For, we are all human beings.

Let, wet, set, bet, net, pet, get, met, jet, vet, yet!
Doing the right thing at home and extending the truth to the world;
Clue, argue, sue, due, rescue, flue, blue, cue, rue, hue, glue!
Seeking after peace in every matter and, living with your neighbours without war.

Edward Kofi Louis
Home 2

Home! !
To the place you belong to;
With the peace of your mind,
And the joy of your heart! !
Home sweet home.

Edward Kofì Louis
Home is where your heart dwells! With the peace of your mind; with the muse of true love! 

Home sweet home! Where things are shared with joy! With servitude and attitude, with the gratitude of life! With righteous characters, with the muse of the truth, with the romance of nature! Home sweet home.

Edward Kofi Louis
Home Economics

Home economics,
Cleaning up,
All these years!
History,
Glued to life,
With positive morals;
Waiting for the joy ahead.

Edward Kofi Louis
Home Is Home

Home is home,
Home sweet home;

Rose!
With a view;

The aroma of love,
The fragrance of life,
The romance of nature;
Home is home.

Ink!
Think with your brain;

Home is home,
Home sweet home.

Edward Kofi Louis
Home Is Where The Heart Is

Love and joy,
Peace and rules,
Home is where the heart is;
So, enjoy the day with the muse of the laws.
Enter into my world so sweet!
And, welcome into my simple abode;
For, home is where the heart is.

Edward Kofi Louis
Home Of Iniquity

Home of iniquity,
Being crafty and deceitful!
Pulling the strings of life with your negative acts,
Going through the records of history in the land.

Edward Kofi Louis
Home Office

Ice,
Price,
The process!
Nice,
Home office,
Since yesterday! !
Business,
Come home,
Ready!
Effect,
Motive,
Active! !
Men and women,
Back home,
Chrome!
Home office.

Edward Kofi Louis
Home, Homage!

Songs of praise,
In the service;
Home, homage!
In the room next door;
However, depend on the truth always and,
Live in peace with your neighbours!
Than going against them in the name of war.

Edward Kofi Louis
Homeless

Homeless,
Where i sleep is where i live;
No house number!
Living on the streets.
Visit me if you want to,
Check around the corners of the streets! !
There you will find me;
Homeless!
Living on the streets.

Edward Kofi Louis
Homograph

The antonyms so expressed with your love,
And with the specializations of your muse that was seen by many!
But you were controlled with the contemptuous pf the complimentary,
And nobody understood your state of mind.

You can generalise an issue when,
Blood is needed to save a life;
But to formulate a definition on this act means that,
One needs to express true love at all times.

Are you ranked number one or number two in this world? !
For the same pattern of the game is needed for you to move on;
Because the homograph of a lizard may not show well to you when,
It has a phrasal entry.

Edward Kofi Louis
Honest

Pest,
Nest,
Honest,
Best! !
Coming from the west to meet your test.

Edward Kofi Louis
Honesty

Honesty, nest, hoe, hoes, so, toy, toys, on, one, tone, yes!
With your works,
With your words,
With your beauty;
Love! !
Let the truth bath you always;
To live in peace with your neighbours,
Like one clothed with a white garment down to the feet,
Teaching the ways of peace and joy!
With humility and glory.

Edward Kofi Louis
Honesty 2

The nest of true love,
Best with righteous works;
Honesty!
Not with the pest of negative acts;
From the west with my mind,
To face the test of life.

Edward Kofi Louis
Honesty Is The Key

Know much about true love before you insult me!
Honesty is the key;
Without hatred and war.

Edward Kofi Louis
Honey

Honey from the comb is sweet to your taste!
Don't waste it;
Eat enough of it,
For the sake of your health.

Edward Kofi Louis
Honey and salt,
Love and peace!
With the joy of your heart;
Knowing the laws and,
Doing what is right,
For the unity of the earth.

Edward Kofi Louis
Honeycomb

Tribute to men and women,
For the thing of beauty lies in the muse of love;
Tribute to girls and boys!
And like the spinster and the bachelor;
However, to trail a tail that has a tale in Africa is like,
The main sotries of Africa! !
One more time, one more muse;
And in the forest we do eat our food at times,
But, you are the honeycomb that i cannot easily forget.

Edward Kofi Louis
Hong Kong

A visit,
To Hong Kong;
With your friend,
In the name of love.

Treasures of love!
With the sweet smell of success;
Come and buy true love without money,
But, with the laws.

Butter,
Honey,
Health,
Talent,
Creativity!
With plans and the styles of your muse;
In Hong Kong with your friend.

Working for food,
Working for love,
Working for peace,
With your residence at House Number 37;
To crown the day.

Edward Kofi Louis
Honness

Honness, hoe, hoes, on, one, no, see, seen, son, sons, so, shoe, shoes, nose, noses, hose, hoses;
With the sound of the music flowing in the air!
In the land of your sweet muse where, everybody is busy today because of the festival.
The muse of life!
Unifying everything in peace to bring out joy to all at the gathering;
But, rise up like the Queen of Sheba who met King Solomon to put across her questions.

The muse of life!
I gave you my heart and, i guided you with the laws of the truth;
But, there are Waters in my eyes today becuase, you left me alone in th ecold.
The muse of life!
I have been waiting for you to call back on me;
But, the winds came in to tell me that, you are now very far away from me in this land.

The muse of life!
Always praying for you and, hoping that you are better off today at the other side;
But, my works will go on to teach others too as well without any negative Feelings.
The muse of love!
Like this very Red Light which is seen but, very far away from me;
But, ture love will surely unify the muse of peace to satisfy you over there.

Edward Kofi Louis
Honour

Illegal lust had eaten the brains of many in this world! As such, they walk around naked, in the name of the pleasures of this world.

Honour gained in the name love brings peace to all; however, honour gained in the name greed destroys the society!

Don't cry wolf when, you are the cause of the problem; exposing your nakedness to the world for pleasure! For money; naked on stage, in the eyes of the public. The only education you had is, to be naked in the eyes of the public. Who was your teacher?!

Bate, debate!
A peaceful debate finds a solution; but, a heated debate leads to quarrel.

Don't shed crocodile tears after murdering your own wife; because, anger doesn't solve any problem.

Seek for peace and live,
Arguments lead to quarrels! But, matured minds do not quarrel.

A peaceful mind always seeks for peace, love and unity; but, wickedness destroys the land.

A sound mind seeks for peace, unity and care; however, an evil person is not ready for peace! 

Point of view,
A wonderful dream!
Ignore the fight and seek for peace.

Let us all be straight in life and live in peace! Because, life has a meaning. Let us follow the laws of righteousness and live.

Court, courted!
Respect for others is the key in life;
However, negativity destroys your soul.

Cultures and traditions!
With the heritage of your sweet muse; however, positivity upgrades your spirit.
Stumbled,
After catapulting;
To appease the Gods and Goddesses in your land; forgetting the ways of the truth.

Muse, infuse, amuse, use!
Seen in bed;
But, you killed the young lady after using her;
Yes! After raping her.

Wealth!
From father to son;
Health,
From mother to daughter;
The truth! !
Think about it and, let it be your friend.

Strong and fit!
Growing up with both parents;
Told, sold, hold, gold, old, gold, behold, stronghold!
To pay attention to life and to live with the works of righteousness.

Edward Kofi Louis
Honour 2

Honour your father and mother so that,
Your days may be long!

Your words,
Salt them with the truth;

For peace,
For love,
For unity;

Knowing where to step in life,
With righteous judgements.

Edward Kofi Louis
Honour 2

Knowledge,
Wisdom,
Understanding;
With the muse of honour!
In the light of the works of the truth.

Edward Kofi Louis
Honour And Respect To All

Love,
showing honour and respect to all;
Love,
Let the bridegroom rejoice with his bride;
Having a virgin at hand.

Love,
With special regulations;
Life!
With honour and respect to all;
And, with the required test of peace.

Love,
According to the special laws;
And, with a fair judgement.
Revised, reviewed!
With the muse of joy in the land of the living.

Edward Kofi Louis
Honour In The Eyes Of Peace

A beautiful woman,
With the muse of true love in her heart!
With honour in the eyes of peace;
Love her and protect her.

Edward Kofi Louis
Honour In Your Eyes

Love!
With honour in your eyes;
Love!
I am blessed because of you.

Love!
To turn in with the muse of peace;
Love!
In the beginning with the set down plans.

Love!
To create something from nothing;
With the muse if your peace,
And, with the joy of your heart.

Edward Kofi Louis
Honour In Your Sight

Beautiful woman,
Let me find honour in your sight;
With the muse of my works,
With the skills of my mind,
Able to touch your heart,
Deeply with the words of the truth.

Edward Kofi Louis
Honour Is Humility

Honour is humility,
Power is kindness,
To love with a pure heart;
Peace to the world! !
Joy in your heart.

Edward Kofi Louis
Honour Your Parents

Honour your father and your mother that your days may be long,
For a foolish son or daughter is a grief to the parents;
And like the muse of your love so exposed last night.

Edward Kofi Louis
Honourable

I am in your honourable home of love and,
I need a pillow to rest my mind.
But, why lay in wait for me? ! !
For i know who is robbing your threshing floor.

Edward Kofi Louis
Honourable And Majestic

Honourable and majestic,
From the rising of the sun and till the sun goes down;
But the flint is now turned into a fountain of waters.

From a people of a strange language i came to you with my love,
For the flame of the fire is now like a wineskin in the smoke;
And i will come to enjoy the success of your love with my heart.

Edward Kofi Louis
Honourable Name

It is better to live in a corner of the housetop than,
With a brawling woman in a spacious house;
But whosoever shuts his or her ears to the cry of the poor will also cry for help in this life.
An honourable name is to be chosen rather than great riches,
For a generous person will always see himself or herself being blessed;
But try to make no friendship with a quick-tempered person!

Edward Kofi Louis
Honourable Poet

Tender, render, end, deer, ten, net, den, rent;
The Honourable Poet is closer to you than ever!
And with the mind to write and to move on,
Because the beautiful flowers around are like the peace of love.

Chamber, amber, charm, arm, am, ham, car, bam, bear, bare, are, ear, crab;
And, like a random act with the sweet aroma of your muse.
Fit, outfit!
But, be ready for my love in the morning;
For, i am the very one you have been waiting for since all these years! !

Random, ran, and, Dan, an, no, do, on, man, mar, am, ram, dam, Mona, moan, roam;
And like the first one!
But, the Honourable Poet is always closer to you than ever.

On the right hand,
On the left hand,
On the right leg,
On the left leg,
On the right thigh,
On the left thigh,
And like a cake of bread being eaten day and night.

Out, outfit! !
My Degree is my mind;
But, she stood in front of him naked like a flying insect!
And a male goat came around to respect her muse.

The great piece of wisdom and,
A deep sense of respect for a learned person like you;
And like the mind which writes to satisfy the muse of humanity;
But, the Honourable Poet is closer to you than ever.

Trouble, double!
This world is all about us to help shape things for the better;
Blink, link, pink, sink, mink, wink, dink, think, fink, drink! !
At a random with the sweet aroma of your muse,
But, this poem is like the fish of the sea.
Edward Kofi Louis
Honourably

Honourably,
Distinction,
Deliverance;
But shaking it made me loose control,
And there are always new changes in our respective lives on this earth.
This was like a message to Uncle Tom and his friends,
But let the sea roar within!
For all the gods of the people are things fit for nothing!!
But I am here today to save you with my name like the sweet muse of love.

Edward Kofi Louis
Honoured And Blessed!

Honoured and blessed!
With smiles on your face;
But, this is all about love.

Edward Kofi Louis

Sharing with others,
And doing what is right.

Edward Kofi Louis
Honyenuga

If you want to think, then learn how to be at peace;
If you want to be at peace, then learn how to be merciful;
If you want to be merciful, then learn the laws of life!
For life is full of the laws of the living.
Honyenuga my friend, let us be one like the 'Adomi Bridge';
And let your love shine to me like the Morning Star.

She came to help me but,
She trapped me with her kiss!
And one thing led to another till,
We landed into a deep valley of love;
And now i an hooked up on her love,
For i can't let her go! 

Edward Kofi Louis
Hooked On It

From the very first time on!
You trusted it;
And now, you are hooked on it.

Edward Kofi Louis
Hop Through Life

The wind blew it there!
But hope to the end and,
Hop through life like the grasshopper.

Quizzical,
Quisling,
Jones, bones, stones, cones, tones, pones, hones, zones, ones, phones;
But, hop through life like the grasshopper.

Edward Kofi Louis

With the receiver of you call at the other end.

Edward Kofi Louis
Horace

The secret of life!
In the eyes of the artist;
Horace, oar, race, or, ace, he, her, hoe, hoar!
But, too fat to ride on the horse.

Sweet, sweat!
Wine and meat,
With the sense of reality;
In the eyes of the artist.

Fish and wine,
Night fever!
Too thin to ride on the horse;
But, with the sense of purity in the land of peace.

Edward Kofi Louis
Horesh

Horesh, so, he, she, horse, shore!
A true friend,
A true love,
To protect you,

With the muse of the positive energy around.

Edward Kofi Louis
Horrified And Appalled

Terror! ! !
Horrified and appalled,
Seeing the works of evil,
Hatred!
With their minds being polluted;
From one end to the other.

Edward Kofi Louis
Horror!

Insecurity,
Horror!
A two-year-old girl was raped by,
A 28-year-old man! !

Edward Kofi Louis
Horror, Terror!

Horror, terror!
Wickedness;
I have cause for crying out! !
So listen:
Can flavourless food be eaten without salt? !
Search for the answer and, let us live in peace.

Edward Kofi Louis
'Horse-Walk'

Speed!
Galloping;
Taking the 'horse-walk'.

Edward Kofi Louis
Hose

Hose,
Chose,
Whose?!
With those in the land.

Edward Kofi Louis
Caught! ! !
Stripped naked;
Like the day that she was born.

Her adulteries!
Between her breasts;
Playing the harlot,
Following after her lovers.

Adulteries! !
Along her paths of lust;
To expose her lewdness in the sight of her lovers.

Edward Kofi Louis
Hosman

Hosman, so, man, on Sam;
Walk and talk!
Pin up,
To walk and talk;
Of the input,
Effective! !
Attractive,
New, renewable!
To innovate and think forward;
But, poetry is life and,
Poetry is about you and i.
Effective!
Reality,
To implement the works with your love;
Of the creteria!
With the muse of the laws;
And, taking a ride on the back of an elephant.

Edward Kofi Louis
Host

Ghost, Host, Post,
Lost in your dreams! !
Most of the time;
Like the cost of life.

Edward Kofi Louis
Hostile To Me

Muse, life, nature!
To be hostile to me;
And, to send me away.

Edward Kofi Louis
Hostilities

Hit by a 17-year civil war and famine,
And hit by the errors of the society without a crown!
But a logical justification over here is like,
My classmates to hear my views!
For the articles from the mind are like the things seen around.
The conceptions of a memo and the justifications of things,
Who can appropriate this act on my love?!
But i guess you know the difference between plants and leaves.

Education for all in this world forms a kind of discrimination,
And the influential acts of love which are very useful;
But the 'West Side Boys' are in chaos!!

This is like the apparitions with different time sequence,
And of the diplomatic order to kill the rat;
But i still don't have the details about the wounded in the forest.

To render a relevant fact and to enlighten the focus of the story,
And of the influx of the refugees with the quiz of a puzzle;
but who the cap fits must always wear it because,
I will zealously adhere to the facts!

The muzzling act of a rat race to a curse,
And with the double-edged sword to swing at times;
But many voices came out of the mass communications,
And i wait to hear their cry.

Obstacles and the hostilities at hand,
And of the exercises of responsibilities when the rain falls;
But what has theology got to do with the facts?

All the swords are man-made laws,
Delivering and inspiring speeches which are never implemented;
But keeping silence to the truth will always kill justice!
And how many dead-tolls are recorded in any Civil War?!!

I am visually impaired to the facts but,
They are all vying to be elected!
And of their rallies and of the problems that they create;
But what kind of curricula do they have for us?

Take the market surveillance and ask me why,
For the facts on the grounds are different from what you read;
And of the faculties which have created the wars than peace.

A hostile reception,
And of the irresponsible attitudes seen around!
But maybe we need vociferous acts to tell them more,
For civil wars are no answers to development.

Edward Kofi Louis
Hostilities 2

Listen carefully! !
Listen to the muse of life,
With the echoes of nature;
But, let hostilities not claim my life.

Edward Kofi Louis
Hot Burning Fire!

Hot burning fire!
With the muse of love in the land of Africa;
Where the people gather by the fire side to hear tales by the moonlight!
But to accomplish the zeal of my love is like,
The beautifully laid beds of love in the land of red roses! !

Edward Kofi Louis

Home sweet home! !
With your muse,
With my muse;
However, you can feel it when you can't hear it.

Clock, flock, hock, block, lock, dock!
With the muse of your love,
And like chatting with your teacher;
Very active! !
Because you were just paid;
But, mighty be your powers.

Jock, rock, knock, stock!
Just got paid,
reaper, repair! !
Cream and butter,
Love and romance,
And like 40 light years away!
But this frozen planet is like the muse of your love.

Living in peace with each other.

Osman is my name and,
I am in Hotel Papa! !
But try to swing along with your muse to understand my stand;
For, this hotel is very far away from you!
But i want to rest my mind in the land of joy! ! !

Respect me according your love and,
Let me respect you according to my sweet love as well;
For the might of mankind is now needed over here,
And like the joy of love in the land of peace.

Of the same plan from the beginning,
And according to the plan of your lover!
But the light beneath the ocean around Hotel Papa is what you need to see;
Because, it is like the beauty of love in the land of unity!

Edward Kofi Louis
Hotel Room Service

Hotel Room Service,
Doing your work to respect the muse of nature;
Having a job!
While others have nothing - at hand,
So, think deep!
Able to help others;
With the works of the truth.

Edward Kofi Louis
Hot-Stuff

It was yesterday during the boogie night party,
There i saw your movements and steps;
And like the nocturnal dinner party,
Our love met like the twilight of summer!
I saw your hot-stuff and i couldn't put my eyes off.

I saw your dancing steps and your movements,
But your love is so beautiful and awakening;
And i do appreciate your moves.
Like the blessful days of summer,
You eyes are very pleasing to nature;
And it is all business without special calls.

I can always solicit my patience for this love,
For you are bound to be mine;
I can always wait for this love,
For you are so beautiful;
And i am glad to meet you.
Like the triumph of summer,
Your love is beautiful and awakening to my heart!

Edward Kofi Louis
Trapped in the deluge,
Several hours,
In the flood waters!
Disaster,
With unimaginable proportions.
The world is asleep because,
The truth is not told to the people;
But, when my poems are difficult for you to understand,
Inform me and, I will explain them to you.

Hours of downpour,
Affected individuals,
Looking for safety;
Heavy downpour!
Red line,
Real life;
For peace,
The tortoise moves slowly but, it is wiser than a thief! !

Living with the truth is better than, living with lies;
For love,
For joy! !
Because, there are many lessons to learn about in this life.
Catching up!
After the rains;
But, the truth is a treasure for every human being! !
So, let us always respect nature and, live in peace with each other.

House of bread,
Try to give bread to all;
With jobs that can help others live well as human beings.
Blouse, louse, mouse, house, douse, rouse, grouse, souse!

By bringing peace and joy to all.

House of light,
House of love!
Like the muse of a champion to run a race;
But, the simple ones are made wise by observing the laws.
Rejoice like a champion if you have the truth!
For, many are those who are still searching for it;
Rest, restated!
With the virtue of peace;
Pond, responded!
With the virtue of love;
Pose, repose!
With the virtue of compassion;
Coming out from the house of light.

To be swept along with the tide,
Side, slide, tide, wide, hide, bide, bride, ride, glide!
Outside stories and inside stories;
But, the apathy in your country is will noted to us.

Along the line of life!
Along the geographical lines;
And, along the lines of your love! !
But, i am Houston in the land of your muse.

Edward Kofi Louis
Houstrup

Houstrup, so, soap, sour, our, hour, pour, us;
With the muse of a lovely life,
In the land of the living.

Life,
The day is still young with the muse of your age;
As you do have enough years ahead of you!

Like the rising of the sun from the east to teach us;
And, settling down to the west with the muse of nature!
With many rules to educate mankind.

Edward Kofi Louis
Hover-Board

Hover-board, board, hover, era, bed, rover;
Judiciously!
And, with genuine openness.

Open, openness!
Dora, road, bad, board, had, hard, hoe, hoard;
Ham, hamstring!
With the very ways of the land in view.

Muse, life, nature!
Saddled with debts;
And, unable to get out of it.

Dread, hear, heard, head, oar, dear, drove, rode!
With the muse of your works in this town;
Because of illegal lust.

String, hamstring!
Over, do, doe, doer, verb, read, dare, ear, red;
It is all in but, gone too soon.

Critics,
Squandered;
Ore, roe, bear, bare, hare, her, dove, rove, rod!

Form, conform!
With the muse of life;
And, with the ways of the land.

Edward Kofi Louis
How Are You Today?

A wise poet,
A wise lover,
My dear,
How are you today?
Staying seven days alone in the house,
As you present Ghana to the world.

Nourishment!
To gain your strength;
Made with the hands of love in th eland of the living,
Like the muse of the fishermen fishing with their nets.
Blow, slow, sow, low, now, show, how, mow, tow, row, throw!
And, to represent your land with the muse that muses.

Edward Kofi Louis
How Can I.........?

Love and relationships,
And of the list and sex that infuses you at last;
But how can i teach you when,
You are not ready to learn?

Edward Kofi Louis
How Can She Learn?

How can you talk to her?!
Since, she does not like discussions;
And, she always counter your speech,
Because, she wants her way always!
Than, the truth on anything at hand.
How can she learn?!
How can she know something?
That, we are now in the last generation;
And that, everything is coming to an end.
She only like to enjoy the mus eof the earth!
With the lust of it,
In her own ways;
But, this leads one off the truth!
The real meaning of life;
And, about our presence on this earth.

Edward Kofi Louis
How Close Are You With Edward?

Education in war leads to the murders around us today!
But, how close are you with Edward?

Gripped! !
Suffocated;

But, the heart of love is the truth!
And, the heart of life is with positive moral characters.

Illegal lust!
Having eyes full of fornication;

Beguiling,
But, how close are you with Edward?

Edward Kofi Louis
How Close Are You With Louis?

We all need a new life!
Growing up in our dreams;
For a better future, a better life,
With positive moral characters! !
But, how close are you with Louis?

The muse of life,
There are some people you only meet once;
The prestigious,
In recognition;
Committed with the muse of nature.

Let us come together to save the earth,
And, to give is to sow for the future! !
Because, love does many thing to you when,
It touches your heart;
However, how close are you with Louis?

Edward Kofi Louis
How Deep Is Your Love Towards Me?

How deep is your love towards me?
Tell me;
Because my heart is ready to go on with this love.

I will be there for you when you need me;
For, roses are red and violets are blue!
So tell me, how deep is your love towards me?

Come to me and, visit me on this Blue Island;
For, the power of love is what we share!
And this endless love is for a reason.

How deep is your love towards me?
For, without you am nobody;
And, this love story between us brings life to me always.

Edward Kofi Louis
How Deep Is Your Love?

Words,
Love,
Works,
Peace,
Care,
Compassion;
But, how deep is your love?
Outstanding!
Resounding,
Fantastic! !
But, how deep is your love?
The muse of life!
Within the souls of mankind;
Deeply moved with the sweet joy of peace,
But, how deep is your love?

Edward Kofi Louis
How Deep Is Your Love? !

To sleep,
Not to weep;
With hope and joy!
After your dreams,
With your faith along the line,
Like a sheep seen in your dream;
But, how deep is your love? !
Towards me.

Edward Kofi Louis
How Do I.......?

Love is the power supreme but,
How do i tell a boy that i love him?
The touch of my deepest heart is what he is to me and,
I need the courage to approach him on this love.
My culture doesn't permit it but, it is all about love;
It is for the male to first ask the female for love in this culture but,
He is too lovely to my heart that i need to go forward!
My culture doesn't permit it but, i do love this boy;
I have to be very strong on this love because,
He is all that i want to be with me.
'Just do it', 'Just say it', 'Just approach him';
That's all that goes on up in my mind.
Oh my lover boy!
How can i tell you that i love you?
Give me the strength to say it,
Give me the courage to do it,
Give me the guidance to move forward towards you;
For my heart trembles when i do see you walk by always.

Edward Kofi Louis
How Do You Expect Your Daughter To Dress?

Life!
If you dress like this,
By exposing your nakedness to the world,
Then, how do you expect your daughter to dress?
Answer this question now before it is too late;
Because, deception is the muse of the world! !
And, Satan is behind it.

Edward Kofi Louis
How Do You Feel?

How do you feel?
Robots and human beings;
Living together.
Life is not fair at times!
With the muse of love and pain.

Edward Kofi Louis
How I Met Your Mother

Path,
Pathology,
Pathologic!
How i met your mother;
Because of your sweet love.

Edward Kofi Louis
How It Works

Show it! !
How it works;
Before you sow the seeds,
In the garden of love.

Edward Kofi Louis
How Long

How long?
Oh! How long will your wrath burn like fire? !
On me;
Who can live on earth without meeting death?
Facing the ways of life.

Edward Kofi Louis
How Long....

How long will i cry for help?
How long must i cry to you?
It is like swimming things,
Who do have rulers upon them.
How long shall this take to get to you?
How long should i wait for your love?
I will stand my watch and will be,
More fierce than the evening wolves!

The pride of your hearts have deceived you,
Like a great wind over the sea;
Three days and three nights,
A cry from the great fish to teach us all.
How Long....? Oh how long.....? !
Consider your ways like,
A cry from the Fish-Gate;
This seed will grow successfully.

Red horses,
Of each man and his cane;
Black horses,
Of each woman and her cane;
White horses,
Of the seed that will grow successfully;
Dappled horses,
Of the art of a design in my mind;
Bay horses,
Of the great wind at sea;
How long will i cry for help?

Edward Kofi Louis
How Long?

Search and look!
For the works of the truth;

Love,
True love! !

How long will i call for help and, you will not listen?
How long must i cry to you?

Edward Kofi Louis
How Old Are You?

Your hands set forth towards me and,
I saw your face!
However, you believed in my works because of the report from this woman;
How old are you? !
If i may ask;
Because, i have prepared my table of love for you,
Hoping to satisfy you with the fruits of my sweet love in this village.

Edward Kofi Louis
How To Fish

I was brought up in a way to fish for myself,
Since i was taught how to fish;
So train up your child how to fish!
For today i am a very rich man.

Today is the day of training and tomorrow you will catch fish,
For yesterday is gone by with the experiences of life!
But i can see eyes like the eyes of men around me.

There are thieves all over the world and,
There are adulterers all over too;
But i am on a daily mission to teach the truth,
So enter the narrow gate with your love.

I am like the legend of your life and of your past,
And i am like the man who never lost in town!
But my sweet love is not for sale,
Because i was taught how to catch fish!

Edward Kofi Louis
How To Lose Weight!

How to lose weight!
Eat less food then,
You will see the difference! !
For, the pills are not helping matters.

How to lose weight!
Let your mind train your body;
And try to eat less food,
Then, you will see the big difference than the drugs.

You are always eating and expected to grow lean!
This is not possible;
So, train up your mind and try to eat less food;
Then, you will see the difference.

Edward Kofi Louis
How Was It Last Night?

Making love is all that i need with you,
But how was it last night?
Because this love table had been prepared for us!

Edward Kofi Louis
How Will I Know?

How would have known that you love me?
Oh, how will i know?
Until you expose yourself to me.
So, try and let me know who you are!
For, i only hear voices in the dark without seeing your face;
And, i want you to come closer to me so that, i can identify you.

Edward Kofi Louis
Howard

Some people claim not to drink alcohol but,
Most of the medicines they take are made of alcohol!
So, who is learning from whom?

The hamattan is in and i am feeling cold,
But i am waiting for Howard my lover to come in;
For he is like the summer on this love.

I will never say no and i will kiss him all over,
And like the glorious heart of an oak;
For i have learnt a lot in my life to take up this love.

Edward Kofi Louis
Howling Wilderness

Howling wilderness!
Waste,  
A desert land,  
To the fords of a river;  
Seeing the ways of nature.

Edward Kofi Louis
Howling Wolf! ! !

Howling wolf! ! !
The three lily-pads are still in the pond;
Walking over the bridge of life,
Closer to the ranch of your sweet love,
Conversation! !
To bring you the horizon of sweet love;
Listening to the gifts of life,
Like your pressed flower.

Edward Kofi Louis
Hoy 613

I am married to an Ethiopian woman and,
You are very much worried about it;
But the code for your salvation is 'HOY 613' and,
I will keep on holding on for this love.

The stone is a witness against you and,
Of the flint knives of circumcision around you;
But, she was a very beautiful woman to meet at last.

I know that you are a peaceful and a humble man,
But she was a virgin and i married her!
And i took her to save her name among the lot.

Bring your loot of stray animals back to me and,
Let me take you to a place called the 'Caller's Spring';
For the malak of Yahweh called me from heaven and,
I answered him with the care of this woman.

'HOY 613',
Do not hang them out in the broad day light;
For i keep on searching to get my taste and,
I need this woman beside me always.

Edward Kofi Louis
Hrabbi

Replaced,
Properly,
Like words from the dictionary;
Hrabbi is my name and i am not violent,
But come to me with the great muse of your love.

I want to dance with somebody who loves me for what i am tonight,
Because driven away among the bushes are the lions waiting for a prey!
But let my words be read and be noted because of your sweet love.

Edward Kofi Louis
Hug, Dug!

To hug the rocks for shelter!
Because, they were drenched in the mountain rains;
Hug, dug!
For, the groans of the dying men do rise up from the city.

Leaves, sheaves!
To rebel against the light;
Lust!
The murderer rises up at dusk to kill.

Hue, hub, hull, hum, hulk, hug, huh, hut;
Breath, wreath!
To the Golden Gate Bridge;
Heels, feels!
Like the turning point of love;
Love!
Sex;
Conceiving a baby is a woman's proud mission;
But, let it be done in the right way.

Pregnancy!
In her life;
Pregnancy!
To all women;
With courage and confidence.

Drag, rag!
Plexus,
Still, till, ill!
To hug the rocks for shelter;
As the heavy rains came in.

Edward Kofi Louis
Hugo

You are very handsome and tasteful to my soul,
And your name Hugo is what crowns my day;
For, i am now safe in a man's hands.

Since you came into my life,
I have been blessed in your ways;
And i do have your reflections around me always.
Indeed, you are the man of my heart!
And i will always respect your sweet love towards me.

Edward Kofi Louis
Huh, Hum, Hub, Hug!

Hum, ovum!
Turn to the truth and live;

Bow, oxbow!
Turn to righteous works and live;

Love the truth with your heart and mind,
For, the truth is bountifully blessed in the works of righteousness.

Huh, hum, hub, hug!
Love righteous works with your heart and mind;

The truth is lawful and right!
So, gain life with the works of the truth and live in peace with your neighbours.

The truth is not hidden from your; nor is it beyond your reach!
Search for it and, you will find it.

Righteousness is life! And, evil is death;
Listen to the truth and, change your life with positive moral teachings.

Edward Kofi Louis
You are very beautiful my love and,
We are meant to be on this love;
And, your sweet scent of aroma baths me all year round.
I am Hulk and your flower of love is all that matters to me,
But, with the 63 degrees of euphoria to meet your love;
For, your sweet scent of aroma baths me all year round.
Deeper contractions in the kingdom of love,
And of the sensations ever felt before;
But, the angle of your elevation is to unfold your precious petals.
it is never too late to learn from you always,
So bring forth the beautiful bud out from you!
Form you are blossom fair flower of love.
Pleasure and satisfaction always comes from you my love,
And like the muse of your love which elevates your sexual wellness;
For, i am now sailing across the ocean blue like Oliver Twist.

Edward Kofi Louis
Hum

A dekorative stick!
Drum, rum, hum, gum;
Like sweet potatoes and hot pepper! !
But, the rainbow came out once again.

Edward Kofi Louis
Hum, Ovum!

Ship, 
Friendship, 
Relationship, 
Worship, 
Hum, ovum! 
Harship, 
But, every year has its own problems.

Edward Kofi Louis
Human Being

Human being,
With a real mind;
Doing the works of the truth.

To rejoice!
With a joyful heart,
By helping others.

Nothing is impossible,
To have love in your side!
Because, what you have is greater.

Edward Kofi Louis
Human Being  2

I am also a human being,
So give me an opportunity in life;
To understand who i am,
And what i am made of.

Edward Kofi Louis
Human Beings

Human Beings,
Made to learn;
Was not made perfect!
So, try to wake up whenever you fall.

Edward Kofi Louis
Human Beings 2

The universe belongs to the Creator Almighty!
However, we are privileged to be here as human beings,
On this earth;
So, let us use this opportunity very wisely with love and care! !
Than, killing each other.

Edward Kofi Louis
Human Beings 3

What i see around makes me cry! !
But, we are all human beings;
Seeing People killing each other.

Edward Kofi Louis
Human Kind

Human kind,
Why do you hate me?!
Why do you walk around with a Bomb in your hand?

Edward Kofi Louis
Humanity

Human and humanity,
Where lies your conscience?
Inhumanity and ideas,
Why create conflicts?
You who inflict pains to those who disagree with you,
I have a story to tell you;
Life is all about us.
Morals and immoralities,
Where lies the positive values of life?
To the citadals of the world powers,
Why control everything out our hands?
With conflicts here and there without a control.
Life is all about us but,
We still have the shameful acts of evil among us;
In this life,
In this world,
In this games of life and death;
Some are very content when the majority go hungry.

Edward Kofi Louis
Like a flight! !

Humanity,
Purity is the key,
With Righteous Morals;
With the insight of the Truth.

Edward Kofi Louis
Humanity

Sometimes i cry! 
Seeing the wickedness of mankind on earth.

Edward Kofi Louis
Humason

Humason, son, human, man, on, so, no, Sam;
With the daily bread;
Sharing with others,
And, enjoying peace in the land of joy.

Life,
Chant!
Along the positive part of your mind out of your love;
With the daily bread.

Love,
To do more for yourself;
In the land of peace and joy,
Growing up with the laws which are based on the truth.

Edward Kofi Louis
Humble And Righteous

Humble and righteous,
Servitude and attitude,
With the gratitude of Life!
Tell me,
Do you feel the same like i do? !
For you,
For your love,
With your sweet mind,
With your Beauty! !
The emotions of your heart,
Joy with your smile!
Tell me if you do feel the same like i do.

Edward Kofi Louis
Humble Face

Sweet love, sweet lips and a humble face;
Try to stand above this water and learn!
With the twinkling of the eyes,
To flow into another realm.

Edward Kofi Louis
Humble In Spirit

The humble in spirit will be held up!

For his or her works;

With righteous morals,

Following after the truth always.

Edward Kofi Louis
Humble Ones

Quest,
The request of the humble,
The hearts of the humble,
The hearts of love;
The hearts of peace,
Humble ones.

Edward Kofi Louis
Humble People

Humble people,
The lamp of love brightens and enlightens over darkness!
Righteous law is without flaw;
Humble people,
The truth is perfect!
The truth is your refuge;
With kindness,
With gentleness,
With humility,
True-love! !
To swing in the presence of the truth.

Edward Kofi Louis
Humble Yourself

Life,
Concerning all mankind under the laws;
Without hurting anyone,
And, being trained with the truth.

Life,
To speak of joy in the name of the truth!
With love and concern,
Sharing with one another in peace.

Humble yourself in life and,
Speak of evil no more!
And, to honour the ways of the truth;
Under the laws.

Edward Kofi Louis
Humble Yourself 2

Say 'NO' to negative works and, say 'YES' to positive works;
And, live in peace without hurting your neighbours.

The truth changes the heart and the mind;
So, humble yourself with the works of the truth and,
Let your life be guided with the works of righteousness.

Edward Kofi Louis
Humble Yourselves And Resist Satan

Test!
Humble yourselves and resist Satan;
For, evil comes from the north.
Life!
Try to overcome the pressures of the darkness of evil;
And, set your face for the truth.
Test!
Humble yourselves and resist the Devil;
For, evil comes from the north.
Evil men and women!
With the products of the sins of this world;
But, humble yourselves and resist Satan.

Edward Kofi Louis
Humiliated

You humiliated me before your people and now,
You are still chasing me for my sweet love;
But you can't eat your cake and have it.

Edward Kofi Louis
Humiliation

Humiliation,
Exalted,
Overthrown!
Wronged,
Appalled,
Appealed,
Seized,
Astonished!
Beyond any estimation;
Spoken of,
About the carcasses of war!
Questioned,
Scorned,
Betrayed,
Abhorred!
With the bearers of deceit.

Edward Kofi Louis
Humility Is The Key

Constellations!
Light of the stars;
Life and honour,
But, humility is the key! !
And to understand the ways of the universe.

Edward Kofi Louis
Humpty Dumpty Sat On The Wall

Up to a certain spot!
With forty four points;
Whisky, sky, shy, risky!
But, Humpty Dumpty sat on the wall.

Hine, wine, line, fine, dine, cine, whine, sine, shine!
Every day and, every night;
Still in love with you,
But, Humpty, Dumpty sat on the wall.

Stray, bray, tray, dray, pray!
With more points to win the game and, to share a bottle of wine with you;
Up to a certain spot to take a view of the land,
With two great walls protecting it.

Edward Kofi Louis
Hungary

Where will i be without you?
And to propel an act when there are misgivings;
But i am back on the streets to tell my story.

You are the memories of my past and,
One day you will understand the meaning of true-love;
For i now hungry in Hungary.

You’ve taken your own course without my love,
And where will i be without you?
For a woman loved yesterday is now married to another today.

Sensual love,
And with the sweet tongues of love to feed on;
But my faith will be my only courage.

Hungary! !
I am very hungry in this land;
For yesterday's woman is now married to today's man.

Edward Kofi Louis
Hunger And Pestilence

War! ! !
Who started it had a bow in the hand;
And, he went out,
Conquering and to conquer.

War! !
To take away the peace from the earth;
Killing one another and destroying the land.

Hunger and pestilence!
With the works of the wicked one at war;
Killing and destroying everything along the way.

Edward Kofi Louis
Hunger And Thirst

Spirit and flesh,
Hunger and thirst,
'The Book of Enoch'!
'The fall of the Angels'!
Heaven and Earth,
Higher realms in the heavens!
Mankind on earth;
Here and there with our works,
For righteousness or, for evil.

Edward Kofi Louis
Hunger In Africa!

Hunger in Africa!
But, the future is unwritten.
'Kokrokoo'! !
Of the cold case,
Larva!
French kiss,
Fancy dancers,
Masquerades! !
From the roadside.
Old Town!
You've got the night around you;
New Town!
You've got the night with you;
Sooth, soothsayer!
And, i'll bring my love to you all.
Hunger in Africa!
Pleaded,
Added,
But, the situation is prevalent.

Edward Kofi Louis
Hungry Person

To the hungry person,
Every bitter thing is sweet! !
His or her feet are ready for help;
Better is a neighbour who is near to help than,
A family member who is very far away!

Edward Kofi Louis
Hunted

What is my crime in telling you the truth?!
Exposing your sins;
That you've hunted me! 
Ambushed in the night.

Edward Kofi Louis
Huppim

Huppim, hip, him, hum, pip, pump, up!
But i have seen your face and,
You are still alive today;
Being in possession of a property in the best part of the land! !
The land of my birth.

Edward Kofi Louis
Hurling

Hurling, hurl, run, gin, in, ring, hug, rug, ruin, luring;
With quarterly sessions in the name of your love,
But he attempted to rape her!

Disparaged,
But he stood naked in front of her!
And was caught by eyewitnesses as he attempted to rape her;
But now, it is all over! !
And, he was jailed for his acts last month.

Edward Kofi Louis
Hurting Me

You are hurting me on this love but,
What can I do, since I have no one to release me?
For the truth on this love had turned sour.

Edward Kofi Louis
Hurting!

Hurting!
Love and pain;

Stressed!
Love and lost;

Romance,
All about love and life;

Muse,
Leading to the memories of the past.

Edward Kofi Louis
Huse

Huse, hue, hues, use, us, sue!
But, let the truth dwell in you and,
Let your works be with love.

Love bells,
Let true-love wipe away the tears from your eyes and, live in peace!
To inherit the truth always with the works of righteousness.

Edward Kofi Louis
Huseini Hamed

Huseini Hamed where are you?
I've been searching everywhere for you;
Huseini Hamed where are you?
From Lagos to the other parts of Nigeria,
I am still searching for you.
Is it that you've gone back to your State in Benue?
Tell me if you are.
My best friend where are you?
Do give me a clue to look for you;
Huseini Hamed where are you?
I have even sent out people to look for you;
And, I still hope that one day we will meet again.
Oh my best friend where are you?
Are you still in Nigeria?
Try to give me a clue to find you.

Edward Kofi Louis
Hushim

Hushim, him, us, is, his, sum, hush!
Portion,
Ration,
Action,
But, with seeds to sow in the land.

Edward Kofi Louis
Together we are one with the love of your lips,
For the value of my love is all that you need;
So never say never when i am around,
Because something must be right on this love!

I am like your Doctor on this love,
But we all have friends in this world;
And friends are of many attitudes,
But how do you feel without me?

Hussain,
The love of your lips is what binds us together;
And the value of this love is all that you need,
But how do you feel without me?

Edward Kofi Louis
Hussein

The laws are broken and,
Mankind is more of an animal than a human being;
But, try to turn back to the pages of love.

Photosynthesis, psychology and philosophy;
Of the syntheses of life to bring me closer to your love,
For you are all that i dream of.

The faces of a monkey and of a donkey,
And the value of money to make the world go round;
But come back to me oh Hussein!
For the worries of mankind are very numerous.

Edward Kofi Louis
Hustle And Bustle!

Hustle and bustle!
With the survival of the fitters in life;
Slow but sure!
Along the narrow path;
Aiming to reach to my destination.

Edward Kofi Louis
Hut, Nut!

Hut, nut!
But with love;
Answering the ways of life in the village,
With the fragrance of nature,
And the works of the truth.

Edward Kofi Louis
Hut, Shut!

The muse of sadness!
There is no love in this room;
So, i better get out to another place.

The muse of loneliness!
There is no unity in this land;
So, i better get out to another country.

The muse of life!
With the dreams of success;
But, Satan has held me back.

Hut, shut!
There is no love in this room;
So, i better find another place to put my head at rest.

Edward Kofi Louis
Hvide

Hvide, he, hive, hide, hid!
In deep night with the muse of light for his sight;
the insight of his works.
Hire, heir!
Once one is born, one is about to face death!
Either in the early hours or, later on with his or her age;
Bet, bat, but, bit!
Life had never been straight with him;
Since he was born.
Earth, dearth!
Up-close,
Gentle and wavy like a wheat field;
Ear, earth!
Located,
With something for everyone.

Edward Kofi Louis
Hwao

They were rebels but today,
They are rulers;
And, each medal hanging over here has its own story,
But, i am Hwao in the land of your sweet muse!
And like, adog eating the coconut fruit.
The caution,
The noble birth,
To revelling compartriots! !
But, it would sound very strange to you because,
The rebels are now ruling.
Of the sciences,
Of grieved families,
But, time and tide wait for no man!
And like human errors around us;
However, to put all hands on deck to satisfy my muse.
To look forward,
The world over;
But, far advanced with the nature of things!
However, i am only human in this land.

Edward Kofi Louis
Hyde

I have benefited from your love and,
I am Hyde from the land of flowers;
But you met a girl and you married her,
And I am yet to know who my father is.

Edward Kofi Louis
Hyperbolic

The actor!
His greater mentor;
The actress!
Her greater mentor;
With critics and the hyperbolic of things,
But this satirical case is always seen around us.

Trained from oral history,
Trained from oral works,
And like the beauty of love plus the act of peace;
With critics and the hyperbolic of the things around us today,
But, my sweet mind will lead me on always.

Edward Kofi Louis
Hypnotised

Robot,
Remote,
Hypnotised.

Edward Kofi Louis
Hypocrisy

Your hidden hypocrisy burst forth!
And i went undercover to save my name;
Seeing today like an idol that lays on my bed.

Edward Kofi Louis
Hypocrites

Hypocrites!
To die without knowledge,
The knowledge of the truth.

Darkness! !
The light is withheld from them;
Doing what is right in their own eyes,
Always destroying the earth than, helping it to stand.

Edward Kofi Louis
Hypocritical Nation

Hypocritical nation!
Wrath,
Illegal lust,
Charged! !
To plunder and,
To take the prey.

Carved images! !
To deal with your muse;
With the fruits of the hearts of the arrogant.
Locks,
Looks!
Blocks,
To remove the boundaries.

Illegal lust,
To rob treasuries! !
In the land of your muse with corruption;
And, to consume the glory of the forest of peace with,
The fire of destruction.

Edward Kofi Louis
Hyssop

Computer chaos!
The community is alarmed and the thieves are ready;
But there are some children without mothers and fathers among us.
Hyssop,
Doorway,
Forever!
But don't lock the door at me when i knock;
For i met you in the disco last night,
And i want to know more about you.

Edward Kofi Louis
Hyundai

Hyundai, aid, day, hand, hid;
Young and fresh!
Soft and sweet,
With the muse of the romance of true love.
Understand the power of love!
But, soft is the strain and, often is the rain;
With the passion of the chain around your neck.

Edward Kofi Louis
I Admire You

I applaud you,
I admire you,
The very person that you are!
And what you give to others.
I admire you!
I applaud you,
The very person that you are;
Seasons and reasons! !
Servitude and attitude,
With the gratitude of your works.
Actions and reactions,
Challenges and changes,
Like the rain from the heavens to water the earth;
I admire you,
I applaud you,
With the muse of your sweet mind.

Edward Kofi Louis
I Always Have You In My Heart

Tour, four, hour, our, pour, parlour!
Original as it is with the muse of your love;
I always have you in my heart,
And, i want to keep you on the better side of life always.
Colour doesn't matter,
Distance doesn't matter,
Beauty doesn't matter,
But, love is the key! !
And like the muse of the aroma of nature;
Because, i always have you in my heart.

Edward Kofi Louis
I Am

Gifted!
I am;

Talented!
I am;

Creative!
I am;

Visionary and,

Seeing things far beyond! !
In another level;

Realms of realms,
As you seek for me;

To know who i am,
With my works.

Edward Kofi Louis
I Am A Black Man

I need a land to have the peace of my mind!
But not where, people hate blacks! !
Because, i am a black man! And,
I love the colour which, the Creator gave me.
He knows why He painted me black and made me a black man!
So, why should i worry?
I love it and, i am very proud to be a black man.

Edward Kofi Louis
I Am A Lover

I am a lover,
But not a fighter! !

I am a lover,
And not a wicked person;

Port, poet, post!
With the muse of love;

Like the deepest river in world,
Sharing my mind with the joy of my heart;

It's only love,
Love is all that we need in life.

Edward Kofi Louis
I Am A Man

Male!
Born to my parents;
Growing up with the muse of my mind,
With the fragrance of life and the romance of nature!
Here i am today with my works.

Edward Kofi Louis
I Am A Passenger

Passage,
I am a passenger in your bus;
With my luggage,
Travelling along!
With you.
Message,
With the muse of the messager! !
I am a passenger in your bus;
Travelling along with you,
Like one on the stage with a sage;
With his or her age,
Opening a new page for us.
I am a passenger in your bus,
Travelling along with you,
Able to reach out to the other end;
With the culture of my language to display.

Edward Kofi Louis
I Am A Peaceful Man

I am a peaceful man;
That is why i add positive works to the earth to bring peace to the world!
Like the winter's torrent,
Because, the truth leads to righteousness.

Rent, torrent!
Of a stream;
Through the narrow way to the valley;
Because, the bond of the perfection of love is under the muse of the truth.

Rent, rest!
Of my dreams;
Because, the truth is prominent like the nose on my face! 
And, a world built with love is always dominated by righteous people.

Love brings out beautiful works!
Love cares for each other,
Love utters beautiful words,
So have love and, have peace; which brings unity to all.

Edward Kofi Louis
I Am A Prisoner Of Love

Save time and learn from my sweet muse of love,
For i was born with the vision of love;
And, today, i am a prisoner of love.
I will walk through your village seeking for you!
Like the muse of the herb man next door;
With coffee and tea set on the table of peace,
Like the leopards of Africa seeking for a resting place.

Edward Kofi Louis
I Am A Star

I am a star and i know your muse,
So touch my body and heal me with your love;
For the story of this love is all about you.

Edward Kofi Louis
'I Am A Star!'

'I am a star!'
You said it yourself,
So, let your works bring in the fruits of love;
Able to educate the hearts and minds of the people.

Edward Kofi Louis
I Am A Stranger

I am a stranger on earth,
Now a stranger in your land;
I walk around with my mind,
Seeing the ways of mankind on earth;
I am a stranger,
I am a stranger on earth;
Going along with my works,
A stranger in your land today.

Edward Kofi Louis

I need a man like You,
Because of your creative works and mind;
I am a woman.

Edward Kofi Louis
I Am A Writer

I know my words whenever somebody use them,
For i am a writer in a very special class;
So try to ask of my permission before copying my very words as your own.

Edward Kofi Louis
I Am Adopted

I am adopted,
I have adapted;
Learning along! !
In many ways,
Growing up with a positive mind.

Edward Kofi Louis
I Am Alive

I am the man you shot last night but,
The Doctors romoved the bullt in me;
And now, i am alive!

Edward Kofi Louis
I Am Always Closer To You

How do you come to me when, you don't know me?
How do you write to me when, you don't know my address?
How do you visit me when, you don't know my house number?
How do you call me when, you don't know my number?
How do you paint me when, I am faceless?
How do you kiss me when, I have no lips?
How do you cut off my head when, I am headless?
But the more you look for me than ever,
I will be closer to you at your door;
For I am always closer to you than ever!

Edward Kofi Louis
I Am Always With You

Who are there who fly like the doves?
For she came to me by night and we slept together;
And she said to me:
'Let not your heart be troubled my love,
For i am always with you'!

Edward Kofi Louis
I Am As You Are

I am as you are,
To have something in common,
Salt! !
Exalted with love;
With peace and unity.

Edward Kofi Louis
I Am Away

I am away for a short while,
But i will be back again for your love;
Because i do have total commitment on this love.

Edward Kofi Louis
I Am Desmond

Rough times and rough love,
I am busy with the Caribbean pepper source!
So come to me like the way the Germans drink beer,
For i am Desmond in the land of sweet dreams and,
I will take care of you.

Edward Kofi Louis
I Am For Peace

Yahweh is my light and my salvation,
Who shall i fear? !
I am for peace but when i speak to them,
They are for war! !
The heart of my people had grown hard,
And their ears are dull of hearing;
Yahweh is my witness but,
They are always setting traps for me.
With their eyes closed, how can they see?
The lusts of their own minds have dishonoured their bodies,
Like sheep without a shepherd;
I am for peace but when i speak to them,
They are for war.

Edward Kofi Louis
I Am For Peace 2

Love me if you like! !
Hate me if you like;
All i know is, I AM FOR PEACE.

Edward Kofi Louis
I Am For Peace  2

Don't throw my properties away!
I am for peace;
Try to understand who i am before you judge me.

Edward Kofi Louis
I Am For Peace 2

Why do you tempt and test me? !

Why do you quarrel with me?

Why do you go against my works?

I am for peace and,

You are ready for war! !

Edward Kofi Louis
I am for peace,
And, i don’t think like the way you do!
With a gun in your hand.

Edward Kofi Louis
I Am Fully Ready

I truly know that you love me but,
You are always hiding yourself from me;
So stand up now and be prepared for my love!
And be a strong man on this important issue.
I am ready and naked on my bed of love and,
As bright as the sun and as sweet as the muse of love;
But out of the whirlwind of your love i will need your care,
So come and touch me with your sweet heart of love.
Be a strong man on this issue and come to me,
For i am fully ready for you on my sweet bed;
And i truly love you my handsome man in the woods.

Edward Kofi Louis
I am he, who wants to love you more than anything;
And you are she who wants to open up her heart towards me!
So come and let us live together on this sweet love,
For the sky is now red and threatening for a stormy weather today.

Edward Kofi Louis
I Am He Whom You Seek

This was done three times,
And you are now wondering within yourself;
But behold!
I am he whom you seek.

Edward Kofi Louis
I Am Here

I am here if you need me,
To help you in your needs;
Comforting you with the muse of life.

Edward Kofi Louis
I Am Here For You

Petals of love,
With the songs of the birds!
Ready to share my love with you.

Love is very delightful;
And it is like the act of polygamy crawling out from a bird's eye view at times! !
Opportuned to the perceptible notion o the surroundings.

The wind blows where it will! !
Love goes to those who understand it;
So, abreast yourself with time!
Because, i am here for you.

Life and nature,
Joy and pain!
Superstitious flashbacks and the protecting eaves;
With the muse of love,
Now through the internet to express my love to you.

Petals of love,
Like the whorls of the smoke i see around! !
However, no one knows the troubles ahead in life;
As, no one knows tomorrow.

Edward Kofi Louis
I Am Here To Greet You

Life!
Like the muse of the single red rose in your hand;
Telling me that you love me.
Love!
I am here to greet you;
So, come and set me free with your muse.
Life!
With the joy of the heart;
And, you stood before like,
The lengthening shadows across the land.

Creased, increased!
Like the muse of the single red rose in your hand;
And, to cloak me with the tender love from your heart.
Love!
With the wisdom that lies within it;
And, with the sweet smell of the aroma of joy and peace.
The muse of life!
Like the delicate beauty of your smile;
So, come and set me free with the muse of your love.

Edward Kofi Louis
I Am Here To Protect You

The truth!
I am here to protect you;
Only with righteous laws.

Edward Kofi Louis
I Am Here To Save Her

This woman needs love,
This woman needs care,
This woman needs help,
This woman needs freedom,
This woman needs peace,
This woman needs hope,
This woman needs kindness,
And I am here to save her.

Edward Kofi Louis
I Am Here To Share

I am here to share,

I am here to care,

I am for peace.

Edward Kofi Louis
I Am In

You can go on!
Because, i am in;
As we go along the rough road.

Edward Kofi Louis
I Am In Love With You

How can i prove it to you?
My simple, talented, hanbdsome and gentle man;
I am in love with you and i want you to know.
That's how love should be my dream lover,
That's how love should go my sweet one,
To keep us always on the tracks;
Like Romeo and Juliet.
Should i approach you directly for love?
Because i can't sleep at night;
I am in love with you.
Should i buy you presents?
Oh my sweet lover! !
Kindly listen to my call and let me in.
I really love you and i will be there for you always;
I will never miss you from many waters,
Like flesh to flesh with the union of the love that we share.
Needful things my love,
To enrich my soul to the world so sweet;
I hope you can see it in my eyes too.
Come and fill my loneliness,
For i am a sojourner on your love;
I will always be there for you,
Like the shadows of the waterfalls that flows through your heart.
Can't you see it in my smiles?
I will never miss you my love;
Do you want it hot or cold?
For you are my love and,
I will take you around to see the beauty of nature.
Straight to my heart is what you are,
And i will always be there for you.

Edward Kofi Louis
I am in the house,
House of peace and love!
Love with the muse of positive morals,
Morals under the umbrella of righteous laws;
Laws of the faith,
Faith of the truth! !
Truth in the name of positiveness.

Edward Kofi Louis
I Am Lonely

Lover,
Come!

Can you hear me?
Come back to me;

I am lonely,
Lonely at this side of the world.

Edward Kofi Louis
I Am Married

I told you these things when i was with you,
But i am now gone away from you and you are still looking for my love;
In those days you said that you were too young to fall in love,
And now that you are matured you are looking for my love!
But sorry, i am now far away from you and i am married.

Edward Kofi Louis
I Am Myself

My thoughts and my feelings,
To think and to imagine!
I am myself in the land of peace;
And, suddenly the rain started!
With the showers of blessings to my lovely heart.
Wonderful world and peaceful minds,
Sharing my mind as well for others to learn;
Like the muse of milk and salt prepared for you.
Purple dress!
Red rose,
Pink hat;
But, i am myself in the land of peace,
With seasonal changes to respect the muse of nature.

Edward Kofi Louis
I Am Not Lazy

My mind is not weak and,
I am not lazy;
I move on with my mind!
Always;
Able to touch the hearts of many,
With the muse of my works.

Edward Kofi Louis
I Am Not One Of Them

Getting ready for work,
Axe, wax!
Of the keys of life and,
The muse of love;
Engulfed with the peace that one needs.
Space, pace, ace!
On time;
To the place of work,
After a while in the traffic.
Axe, wax!
Controlled,
Getting this kind of treatment;
With my performance at work,
And, going through life with the peace of my mind! !
But, in response to love.
End, endured!
To do my work in the right manner;
Because of the odd one among us,
The characters of which, I am not one of them.

Edward Kofi Louis
I Am Not The One For You

I am not the one for you,
So, you can go your way;
To live your own ways of life.
I was only trying to help you;
Along the right path of life,
After your fall!
However, you still want your old ways of life.
I was called in to help you,
And, i answered very positively;
To teach you positive morals,
To put you on the right path,
To show you the ways of peace, love and joy! !
And, to teach you the laws;
But, you still want your old ways of life,
So, i am not the one for you.

Edward Kofi Louis
I Am Not Your Father

The multicoloured apparel covering the heads of men,
And like every vision to fulfil a dream;
But i am not your father.
A bed is made for you and i and,
I will live on to tell you the side of my story;
Because i am not your father!
From Sheba and to Raamah,
And to the lands of hope to see you through;
But i am like a table with three legs now.

The coverings on every statue,
And of the sad notes in the valley of bones;
And of the bosom of their virginities to cry for help,
But i am not your father.

Men portrayed upon the walls of love,
And of the flesh of donkeys prepared as food;
But, i am not your father.

Edward Kofi Louis
I Am Not Your Mother

Life is like the laws of the Medes and the Persians,
But i am not your mother! !
Darius of the Medes and Cyrius of the Persians,
I am thrown into the lion's den of love;
And until the ancient of days come,
I will lead on to inspire you.

I am not your mother but,
The care taker of the River Ulai;
And i am in the province of Elam to help you grow,
And like the laws of the Medes and the Persians.

Over the river of love i stood and watched,
And sleep fled from my eyes like a thief! !
For, i saw pllows on the wrists of men.

Edward Kofi Louis
I Am Now Ready

I am now ready,
Ready for you;
Waiting for your orders.

Edward Kofi Louis
I Am Only Human

Line, lane!
I am only human,
I do make mistakes as well in life,
Take me as i am,
Love me as i am,
Love me and, love my style of work;
I am only human,
And, i do make mistakes in life as well.

Edward Kofi Louis
I Am Only Human 2

I am only doing what I can on earth,
With positive ideas!
Moving along,
With positive morals;
However, I am only human and,
I can easily err along the line.

Edward Kofi Louis
I Am Ready

I am ready for sex but,
You are not! !
So, tell me when you will be;
For two heads are better than one!

Edward Kofi Louis
I Am Ready 2

Love!
Here i am;
I am ready! !
Fly me to the Moon.

Edward Kofi Louis
I Am Ready For Your Love

I am ready for your love,
So try to call me once again;
For i have discovered the hidden place of your muse,
And like the gob and the bog in the spot of the tops!

Edward Kofi Louis
I Am Ready To Know More About You

Of the sun, moon, planets and the stars!
It is quite different when you don't know who i am;
For a bird came and greeted me this morning,
Telling me about your beauty! 
Mysterious lady of the lake;
I am ready to know more about you.

Edward Kofi Louis
I Am Ready!

I am ready!
I am ready for your love;
So, feel free to contact me,
For, I will care for you with my sweet love because,
You are my dream! ! !

Edward Kofi Louis
I Am She

I opened my mouth and he gave me the food of love!
Because, i am his and he is mine.
I am she who had been there always for him,
And he knows what i am made of;
Because, true love is not for sale.

Edward Kofi Louis
I Am Somebody

I am somebody and,
I love my life;
So, do not kill me! !
For, i have a purpose on this earth.

Yahweh created us all with love,
So, why are you with bombs around your waist? !
And, you are now ready to kill others.

I am somebody!
So, don't kill me;
I love my life and i do have enough for this world.

Why do you have bombs in your hands? !
And, who are you ready to kill today?
Somebody, anybody!
Don't kill me for, i have a purpose in life.

Whenever and wherever,
Whatever and whosoever!
Why put bombs around your waist and, ready to kill others?

Anytime, anywhere!
Somewhere with your muse and sometime with your act;
But, i am somebody and, i love my life.

Edward Kofi Louis
I Am Sorry

The evil of sending me away is no use at all,
Than what you've already done to me;
For, you hated me because of what i did to you;
And, you hated me because of my colour!
But, i am sorry.

Edward Kofi Louis
I Am Still In Life

Alive!
I am still in life;
Even though, you attempted to kill me,
With a gun in your hand.

Edward Kofi Louis
I Am Still In Pains

Life!
When will you set me free?
Because, i am still in chains;
And, i am still in pains.

Edward Kofi Louis
I Am Still Struggling

Do you think that, i have found life so easy? !
No! !
Not at all;
I am still struggling in my hometown.

Game, same, tame, fame, frame, came!
Hustle and bustle,
Knowing the problems of life;
And knowing what i have been through! !
Till this day.

Edward Kofi Louis
I Am Still Your Wife

One drink to another,
One woman to another,
One story to another,
One show to another,
All in the name of your lifestyle towards me;
But i am still your wife.

Edward Kofi Louis
I Am Suffering! ! !

Oh! My sweet one! !
Come to my aid;
Please do,
For, i need your help.

Oh! My lovely one! !
Come and save me out of this place;
Because, i am suffering! ! !
And, poverty is always bathing me.

Edward Kofi Louis
I Am Teaching You

I am teaching you the ways of wisdom,
I am teaching you the ways of the truth,
I am teaching you the ways of true love,
To live in peace and, to love all mankind!
To bring peace to the world,
With righteous morals.

Edward Kofi Louis
I Am The Black Star!

I am the Black Star!
Coming out of Ghana,
Coming out of West Africa,
Coming out of Africa;
The Black Star! !
Like one of the 'Black Stars',
The National Football Team of Ghana.
I am the Black Star!
And, that is what i am;
My identity,
Form Ghana;
Representing Ghana,
Representing West Africa,
Representing Africa!
I am the Black Star.
The Black Star of Africa,
Coming out of Africa;
Like 'The Black Star Line',
With the muse of my identity,
Born and raised in Ghana.

Edward Kofi Louis
I Am The King!

I am the king!
For, i've travelled around the world and,
Seen many things about this world.

Hold, bold, sold, cold, fold, gold, old;
I will hold on that train for you!
For, you're a lover in my town;
And, i will try to understand you for, you are poor.

Early in the morning,
Moving around with the experiences of this world!
And, with the feelings of the blues;
But, i will hold on the train for you! !
For, you want to be on board as well.

Edward Kofi Louis
I Am The Man In Your Mirror

Calling and laughing,
But you can't eat your cake and have it again;
For i am the man in your mirror!

Edward Kofi Louis
I Am The Muse

When you read my poem and you don't understand it,
Read it again and again! But very slowly;
There and then you will feel my presence within you,
For i am the muse of love, joy and peace!

Edward Kofi Louis
I Am The One

Rise and love me my sweet one,
For i am the one for you;
Come to me my lover!
For i am a skillful lover and i want to love you.
Please, do not look at my appearance;
But do look into my heart for love.
I am the one to love you,
I am the one to make you feel glad all day long;
For i have been a man of poem from my youth and,
I want to love you.

Edward Kofi Louis
I Am The One  2

This love,
On this love;
I am the one you are searching for! !
Come in,
Take a ride with me!
Be my bride,
But, not with pride.

Edward Kofi Louis
I Am The One  Ii

I am the one you are looking for in this village and,
I am ready for your sweet love;
For, it has taken you many years on your journey to reach over here.
I am the one that you are looking for;
And, i am ready to take you to the garden of my love!
For, roses are red and, violets are blue.

Edward Kofi Louis
I Am The One That You Are Searching For

You have read the pages of my book and,
You know where i was born;
So, i am the one!
The son of man born in Africa;
Representing myself in the land of peace.

Life!
With a talented person born in Africa;
So, you don't need to ask me much questions,
For, i know what you always need from me.

Life!
The days have been longer than i expected;
Going around to find my final destination,
Even though, i am the one that you are searching for.

Edward Kofi Louis
I Am The One You Need

You will demand it from je and,
I will give it to you;
Because, i am the one you need.

Edward Kofi Louis
I Am The Very Asante

Have you now changed your mind on me? !
Then listen to what i have for you;
Because i am the very Asante you met last night,
And i did save your life from the hands of the bandit.

Edward Kofi Louis
I Am Very Sad

Read this letter of mine because i am very sad,
Seeing the wickedness of mankind on earth today;
Where should i go from here? !
Where should i fly to?
Nowhere is Safe! !
With the horror of terror here and
there,
Destroying the mirror of peace;
I am very sad!
While the wicked ones among us are ready to kill and destroy.

Edward Kofi Louis
I Am Very Simple

I am very simple and,
You are single;
I am very beautiful and,
I am like the colour of water;
But, when i do write,
May are lost! !

Edward Kofi Louis
I Am Very Sorry!

Please forgive if i have put tears in your heart!
I am very sorry;
For telling you my story.

Edward Kofi Louis
I Am Waiting For An Answer

Hello my friend!
If you can't score from a penalty spot,
Then, what goal again can you score in your life?!
Tell me if you can;
For, i am waiting for an answer.

Edward Kofi Louis
I Am With You

I am with you my love,
And i have loved you ever since!
So come and enjoy the status of my glory and my peace;
Because you first loved me! !

Edward Kofi Louis
I am with you,
Search and look! !
For, my works are closer to you;
With laws that bring peace.

Edward Kofi Louis
I Am With You  3

Love sweet love!
I am with you;
Keep on helping you wherever you go,
Bringing you back to the room of joy!

Edward Kofi Louis
I Am With You  4

Love!
I am with you;

Peace!
I am with you;

With the joy of my heart,
For the unity of the world.

Life!
With an oath between you and me;

A treaty of peace and joy!
With the hand of the laws.

Edward Kofi Louis
I Am Your Child

I am your child!
Teach me the truth and,
I will follow.

Edward Kofi Louis
I Am Your Father

I am your father,
Listen to me and,
Be upright!
Uplifting your minds with the muse of righteous morals.

Edward Kofi Louis
I Am Your Mother

Listen to me!
Listen to the voice of the truth;
I am your mother,
Live in peace and be upright.

Edward Kofi Louis
I Am Your Voice

Choice!
I am your voice;
Vision! !
In a mission;
With the transmission of the truth.

Edward Kofi Louis
I apologize!
If I have hurt you with,
My words and my works;
Please forgive me.

Edward Kofi Louis
I Believe

I believe that you are the man that i am looking for,
Because Cyndi and Maureen have told me about you;
And your profile attracted me a lot!
The virgins love you and your name is like,
The sweet smell of perfume poured out;
So don't deny me on this love when i visit your home tonight.

Edward Kofi Louis
I Believe 2

I believe in miracles! !
So, i will not give up on my dreams;
Still searching through the desert.

Edward Kofi Louis
I Belong To Yahweh

I don’t belong to Satan! !
So, Satan cannot help me;
I belong to Yahweh!
And, i will keep on the Faith of the Truth.

Edward Kofi Louis
I Belong To Yahweh! !

25th October!
Satan attacked my E-Mail code;
And, i was off the net for days,
But, i belong to Yahweh! !

I'm back! !
With my positive mind;
And, Satan should know that,
I belong to Yahweh! !

Edward Kofi Louis
I Better Get Closer

Mystery!
This voice sounds familiar,
Nur i can't see the face of the person;
I better get closer! !

Edward Kofi Louis
I Came

I came,
I saw,
I conquered! !
But, with the muse of love;
And, to upgrade my status.

Edward Kofi Louis
I Came Along

Standing here alone,
I saw you crying!
And i don't why;
So, i came along to help you,
And, to understand your problem.

Edward Kofi Louis
I Came To The Sea

If i honour myself,  
My honour is nothing! !  
However, i do write so that, others may laern from my muse as well.

I came to the sea of Lovers and i met you,  
So, draw near to me my love;  
For, the pleasures of true love is all that i have for you.

The muse of life!  
To let the cats out of the bags;  
But, i came to the sea and i met you.

The muse of life!  
Some will die forever but, others will rise up again to the New Kingdom;  
That is why i do not honour myself.

The muse of life!  
With poverty bathing many in the land fo the living;  
But, i am here to take you up to the land of riches with my sweet love.

The muse of life!  
I came to the sea and i met you;  
So, come and enjoy the sweet muse of my love.

Edward Kofi Louis
I Can

I can touch you in many ways,
And i can keep your love going to meet up the stars;
But like a leopard with the mouth of a lion,
You need to keep life in its perfect ways.

By a miscarriage, a child is gone!
And by a discourage, all hopes are dashed out! !
But he who is for the sword is really for the sword in this life.
I can see your worried face but, i am here for you;
Like a beast coming out of the earth to save life.
My ways are like the voice of many waters,
But you need hope at all times to move on in this life;
So i can touch you in many ways to help you move on.

Edward Kofi Louis
I Can Feel It!

I can feel it!
I can hear your voice inside me;
Your sweet voice,
With your sweet love.

Edward Kofi Louis
I Can See It In Your Eyes

This love,
The muse of life;
This joy! !
I can see it in your eyes.
Nature,
Keep growing;
With the institutions of life and,
Instructions of the law.
Commitment!
This love,
The muse of life;
With the flavours of your act,
And, the fragrance of your joy.

Edward Kofi Louis
I Can See It In Your Eyes  2

You love this man and,
I can see it in your eyes;
So, i will arrange a marriage for two of you,
To get married.

Edward Kofi Louis
I Can Sense It

I can sense your love very strongly towards my heart,
For the shadows flee away and you came around;
So tell me, oh you whom i love!
Where do you sleep alone at night?
For i want you to strengthen me with your love,
And refresh me with your sweet kiss;
For your sweet love will please me all night long.

Edward Kofi Louis
I Can Still Help

I can still help if you want me to,
Because you are hungry and have no food;
For we were all created by the Creator!
And, i am ready to do my best for you.

Wake up and live now,
Wake up and let me know your problems in life!
For i want to offer my helping hands to you,
And like the muse of your love in the land of famine.

Edward Kofi Louis
I Cannot Sleep

Let me be your wife if,
You are not married;
Let me be one of your wives if,
You are married;
I have your muse all over me and,
I cannot sleep.
My dreams are full of your image,
My mind is always on you;
Let me be closer to you my dream lover.
I have everything and i need your love to crown it,
I am lost in a place and all that i need is you;
Let me be your wife if you are not married.
I have all that one needs in life but,
Your love is what i do lack;
So let me be one of your wives if,
You are already married.
I need you and, i will care more for you;
I am lost in place and,
Your love is all that i need to find my way home.

Edward Kofi Louis
I Can'T Let It Go

If i die, i better go to heaven;
Because, i can't let this pass away from me.

I can't let it go!
Because, heaven is my home.

Life here on earth seems very strange to me!
So, if i die, i better go to heaven.

The masses are living in the dark thinking that, that is righ! !
For, they do not know the laws and the ways of the Creator.

Do learn about it and think about it!
For, we've got heaven and earth.

Look at the life styles being practiced around you today!
But, the wages of sin is death.

I better go to heaven if i die,
And, it is better to change positively to gain the keys to heaven.

let us put things right and let us love one another!
And, let us live by the laws of the Creator to gain heaven.

Edward Kofi Louis
I Can't Live Without You

This tide!
Not to hide the truth;
I can't live without you! !
I always need you by my side.

Edward Kofi Louis
I Can'T Open It

Black and white,
I can't open it and nobody can do it as well;
But the muse of my poems will lighten up issues,
And like the church bells around you to remind you of the time.

Edward Kofi Louis
I Can'T Stop

We will live to remember this day,
And we will live to remember it always!
For it is like a visit to Liberia in Costa Rica and,
The visit to Liberia in the West Coast of Africa.

Wh't is the colour of love?
Tell me if you know it;
What is the colour of hatred?
Tell me if you know it;
For this lovely palace had taken me so high on this love,
And you will come to taste my sweet love one day.

Oh love,
What is it that you really like?
For this lovely bird had taken me so high to see the world;
And, one day i will be back on this ship on love to meet you.

It must be love,
Because i can see it in your eyes;
And the total feelings of love is full of the spiritual healings too.

It must have been love,
Because of the way you do look at me;
And, i can't stop loving you back.

Edward Kofi Louis
I Choose Silence To Watch The Ways Of Life

I choose silence to watch the ways of life,
But, you always choose war to destroy what the Creator had already created for us.

Clean your mind and make your heart pure with the works of the truth! Because, you are not the only human being on earth;

Love is more than honey and money! !
With the muse of the colours of nature to teach us along the line;
Olive oil, onions, butter, water, spicies! Cooking my food with the joy of my heart; and to choose peace than war.

We learn everyday in life! And, i choose silence to watch the ways of life around me; able to know where to put my foot.

Edward Kofi Louis
I Conquered

I came, i saw, i used it;
I came, i sa, i ate it;
I came, i saw, i conquered!

Edward Kofi Louis
I Couldn't

I couldn't sleep well last night,
Because I have been thinking about you all day;
I need you my love,
I want you my love,
So come and be inside me all day.
Your love is all that I want,
So come and help to sleep.

Edward Kofi Louis
I Couldn't Read Your Message

I couldn't read your message because,
I clicked on the wrong side;
Ride, aside, slide!
Hoping to hear from you once again;
With the words from your lovely heart,
As sweet as the works of the truth.

Edward Kofi Louis
I Cried

I cried!
And i’ve been crying ever since;
Because he left me to marry another woman,
And i am now alone in my room.

Edward Kofi Louis
I Cry Out!

For, there is no justice around me and,
There is no help around me.
Hatred!
You have blocked my ways o that i cannot pass through;
Cry, wry!
With the youthful vigour and the old wisdom;
And like bones with marrow,
But, He who knows my ways will try me and, i will come forth as gold.

Edward Kofi Louis
I Deeply Love You

You can hide in your room and,
Lock the door before me;
But, the truth is,
I deeply love you! ! !
And, you can feel it in your heart.

Edward Kofi Louis
I Deeply Love You  2

Let it be her,
Let it be him,
Let it be you,
Let it be me;
I can't say much! !
All i know is,
I deeply love you.

Edward Kofi Louis
I Did As I Was Commanded

Of your love!
Prophesied to me in my dream;
Last night on my bed.

Love!
You will always live with me;
In my lovely heart.

Love!
Upon you;
And, with the muse of my dream,
Seeing you last night in my dream.

Love!
I did as i was commanded;
In my dream,
With the muse of your sweet love.

Edward Kofi Louis
I Did Ask

I did ask,
But you failed to answer me!
So, let the rain fall on me;
Because i am alone in the bush,
And i am still waiting for your answer.

Edward Kofi Louis
I Did It For You

Tetteh loves tea and Kofi loves coffee!  
But, i did it for you because i love you.

You love me and i love you, 
And, this brings joy to the muse of the peace around us!

I did for you because i love you, 
And, you did it for me because you love me.

Bombs of this world! !  
It would be more peaceful for a man to live alone far away from civilization.

The shadow of death,  
By the way od the sea!

In darkness,  
But slow to anger and great in kindness.

A sign from heaven!  
But, the sky is now red and threatening! !

And now, upon us the Light has shined;  
So, be part of it and prepare yourself always for righteousness.

Edward Kofi Louis
I Did It For You 2

I did it for you;
Because i love you.

Read on and learn my ways;
And, to guide you on.

For peace and joy!
For the best of life with the works of righteousness;

Knowing what is right and,
Doing the right thing!

For the unity of the earth;
Seeing true the eyes of love.

Edward Kofi Louis
I Did It!

Yes! !
I did it!
I carried you to cross the bridge;
Because, you were not able to walk.
Then, we met the herbalist at the other side of the bridge;
Who took care of you,
And, i paid him.
Some months after,
You were able to walk;
However, you left the place without a trace! ! !
Without any info.

Edward Kofi Louis
I Do

I do,
Yes! I do;
On this love.

I do,
Yes! I do;
On this sweet love.

Facing the ways of life with,
The romance of nature;
According to the fragrance of all the rules around.

Edward Kofi Louis
I Do Have My Faith As Well

To imagine!
To be optimistic;
In this generation,
But, i do have my faith as well.

Life!
With the Young People today;
Comparable to the muse of the Independence in my land,
But, i do have my faith as well.

Lost economic grounds!
In the land of my muse;
But, full of hope for the future! 
And, with the benefit of pure love.

Edward Kofi Louis
I Do It For You

True love,
True joy!
This sweet love;
Everything i do,
I do it for you.

Edward Kofi Louis
I Do Know Much

If i have done what is wrong in your eyes,
I am ready to pay you whatever you demand from me;
However, try to understand my love around you.

If i have done something wrong, i do apologise;
But, i do hope to do my best for you next time around.
I know much about this love in your mind and,
I surely hope to lead you on along this positive path.

Edward Kofi Louis
I Do Know My Steps

I desire mercy and not sacrifice,
For you may either be a royal subject to me or a rebel;
And like the many dead bodies i do see around me.
Even if i am drunk, i do know my steps;
So don't go into my office and disturb my books!
For out of them comes wisdom to teach the world all over.

Edward Kofi Louis
I Do Recall

Milk belongs to babies as,
Strong meat belongs to full-grown-ups;
My life and my experiences,
I am now delivered out of the mouth of the lion.
Like the parchments,
Like the books;
You should not be quick-tempered in life.

To Yahweh the Father and,
Yahshua Messiah our King;
I do recall the memory of the unfeigned.
Compete according to the rules,
Live a better life;
And, you should not be greedy for filthy lucre.

Edward Kofi Louis
I Do See Your Face

Change is blowing in the wind and,
The bard sits to take a pen;
But, as i lay down on my bed,
I do see your face.

The world is increasingly complex and,
I have my mind on you;
But, my spirit is there to guide me on.

From a prophetic point of view,
And from a prophetic style of work;
But, richly blessed is your love towards me.

The explanations of the mission of your love and,
The joy that we share together on this muse;
But, working adults still need degrees!
However, the rats already know all corners and,
Have to be very wise enough.

Edward Kofi Louis
I Don't Belong Here

Do i belong here? !
No, i don't;
Seeing the negative ways of mankind before my eyes.

Edward Kofi Louis
I Don'T Care

I love this feeings and,
I love your muse;
And, i don't care of what the people says about you.
You are the one that i love,
And you are the one that i care for;
For my heart yearns all day yong for you;
And, i don't care of what the people says about you.

Edward Kofi Louis
I Don't Know Where

I don't know where my toilet goes and,
I don't know where my water comes from;
Because this is all about the sewage system!

Edward Kofi Louis
I Don'T Ride A Bicycle

I don't ride a bicycle,
So, i don't know if you will understand who i am;
However, i will come and pick you up with my car!!
For life is full of surprises.

Edward Kofi Louis
I Don't Think It Is Real

Is it real?!
For this beautiful lady is now my lover;
I don't it is real,
For i am now in love with this beautiful lady.
I do feel better than brefore like,
The sun and the moon;
For i've got nothing to lose on this love.

I am real for love and,
She is all that it takes;
Like the white of the snow and the yellow of the gold,
I am moving from one sea to another to get to my lover.
She is so beautiful and so sweet,
Like a vision from afar with short walls and little hills;
But her love is from Sheba to Seba for me live like a King!
My actions are from Lebanon and,
I don't think it is real to eassily get this beautiful woman;
With things melting away like ice cream.

I don't think it is real but,
I do have this sweet lover beside me;
And with the seasons to enhance the beauty of this earth like,
The skyline of a blue designed pattern.
I am in love and she had made my day,
For hwer beauty tells it all;
But so sweet and so lovely is her love.

Edward Kofi Louis
I Don'T Understand Her!

She's always with a negative thought!
And, i don't understand her;
Symptoms,
Peal, appeal!
Curb,
Guide, guard!
To be on guard;
Because, she's always with a problem.
Loose, lose!
Without criminal mind;
But, she's always with a negative thought.

Edward Kofi Louis
I Don't Understand It!

3 out 5 used you! !
And, they paid 60 Euro each!
But, i don't understand it;
Because, your ways are not like my ways.

Edward Kofi Louis
I Don't Want You To Know About It

When you hear about it,
You will gossip about it!
So, i don't want you to know about it.

Edward Kofi Louis
I Dreamnt Of You Last Night

I dreamnt of you last night,
Seeing the beauty of your lovely body beside me;
In loving arms,
With the joy of life,
However, this was just a dream.

Edward Kofi Louis
I Dreamt Of Her

I dreamt of her and she was in my room,
You dreamt of him and he was in your room,
I dreamt of you and you were in my room,
You dreamt of me and i was in your room,
And like the chemical chain of life!
But, this muse of love is all about us.

Edward Kofi Louis
I Fear No Foe

In a certain land,
People smoke cigarettes like the goods-train!
But i fear no foe in writing out my mind;
And you have no respect being a smoker in another culture.

In a certain culture,
People sleep with a menstrual woman!
But in another culture it is a taboo,
And i fear no foe in writing out my mind.

This is how the world is,
For what you respect in your land is at times nothing to others;
But the earth goes round for us to enjoy the muse of life.

Edward Kofi Louis
I Feel Beautiful

Love!
It is beautiful and,
I feel beautiful;
Glad with my soul.

Love,
To receive your notes;
Doing the right thing,
With the muse of the truth.

Places! !
Efforts,
Importance,
Actual.

Arts! !
Science and technology;
With mathematics to lead the way,
And, to receive your notes with the muse of nature.

Love,
Like a moving force!
It is beautiful and,
I feel beautiful.

Edward Kofi Louis
I Felt The Pain

In your chain,
I felt the pain!
Praying for you to gain your freedom one day.

Edward Kofi Louis
I Gathered Courage To Move On

I saw the red light!
In front of me in the dark;
I saw the red thing!
In the bush;
During the dark hours,
But, I gathered courage to move on.

Life!
I saw the red thing in the dark;
In the bush,
But, I gathered courage to move on;
Until I reached to my final destination.

Edward Kofi Louis
I Gathered Up My Life

Surprise! Surprise! !
I never thought that you will call on me aonce again;
After living me alone in the cold.
I gathered up my life,
I gathered up the pieces,
I gathered up my strength,
I gathered up courage,
I stood up alone and moved on;
Finally, having a shade over my head!
All the same, you are welcome into my simple abode.

Edward Kofi Louis
I Gave In

I gave in to you because,
I do love you from my heart;
But you condemned others to justify yourself.

Edward Kofi Louis
I Had A Dream

Yesterday i had a dream!
I was in heaven between two gates to choose from:
On which were written, 'For the Circumcised'; and,
The other was, 'For the Uncircumcised'.
Then, i asked myself, 'which one do i belong to'?
Maybe, i have to be naked for the answer;
But, my wife knows which one i belong to,
And, your wives can tell you which one you belong to as well.
The muse of life!
This world is made up of choices;
Either for the circumcised or, for the uncircumcised.

Edward Kofi Louis
I Have A Message For Her

Maybe she is respectful,
Maybe not;
Maybe she is beautiful,
Maybe not;
Maybe she is tall,
Maybe not;
Maybe she is kind,
Maybe not;
Maybe she is attractive,
Maybe not;
Maybe she is short,
Maybe not;
Maybe she is honest,
Maybe not;
Maybe she is educated,
Maybe not;
Maybe she is fat,
Maybe not;
Maybe she is thin,
Maybe not;
Maybe she is lovely,
Maybe not;
Maybe she is watchful,
Maybe not;
Maybe she is lonely,
Maybe not;
Maybe she is helpful,
Maybe not;
Maybe she is single,
Maybe not;
Maybe she is trusted,
Maybe not;
Maybe she is married,
Maybe not;
But please, tell me who she is;
For, i have a message for her.

Edward Kofi Louis
I Have A Place Prepared For You

Come!
In ny house i will live with you;
Because i have a place prepared for you.

Edward Kofi Louis
I Have An Umbrella For You

Love,
I have an umbrella for you;
Because, you are soaked in the rain.

Edward Kofi Louis
I Have Chosen You For Your Love

The impassable barrier to a lamb,
Seized with confusion and dismay!
And like a child of poetry whose name is Kofi;
Someone chose Sodom for its pleasure and profit,
But i have chosen you for your love.
Make your day straight! !
Act in the name of true love than illegal lust;
Because i am for peace and, your love is so sweet.

Humanity is in a rat-race to gain a spot!
However, i am the lad in your life who will go yonder;
The wonder of love! !
In your joy and with gratitude i will mark my name,
And to your sacred spot i will pay my dews,
For you are wonderfully displayed among others.

Edward Kofi Louis
I Have Laid My Bed

Love on the ice and music on the run,
Your love is better than my wages!
And i have laid my bed like the American Garden,
So wake up and come to me my sweet one.

The dead line is near but,
You need the African Garden to enjoy your mind with;
For out of Asia came the Asian Garden of love to touch your soul.

Edward Kofi Louis
I Have Learnt

Change yourself and be straight in life,

Because, foxes have holes and the birds have nests;

But, many of the people on earth have nowhere to stay!

Even though, there are many houses on earth.

I have learnt a lot in life;

To be humble in all things!

However, ignorance is the sickness of the society around me.

Motherless homes! !

But, the potter owns his or her clay;

However, the disciple is not above the teacher.

Try the works of the truth and live in peace!

I have learnt a lot in life;

Hustle and bustle along the line,

Change yourself and be straight in life.

Edward Kofi Louis
I Have Learnt A Lot

Two charges of conspiracy to commit crime and stealing to a thief,
The re-appearance of a case with surety!
But it was like a rude and of a provocative act to destroy your name.
This is like the wax-style status to tell the difference when,
Somebody shouted 'U.N.H.C.R.' for help! !
But, what about the refugees left down there in the bush?

No cause for an apology and no cause for an alarm!
But, who is ready for this bail?
And with loyalty and support for this muse so seen,
For i want to know who the real prophets are on this case.

I'm passing through the tricky terrain with my head,
And of the conspiracy and the charges being raised against the thief!
But of the decorum and of the factionalisms around,
And being perceived by the act of humanity to win the case.

Of the soul-feelings and of the heart-searching,
And to the polarisation of this case like a bird;
For the progressive act of your love is now in chains,
But it was like a rude and of a provocative act to destroy your name.

Uuuuh! Weee-eeh! ! I have learnt a lot on this case;
And with the progressive alliance of a very high note,
But this thief is now on the trial because of the charges.

I am moved to the point of tears because he is a man of high ideals,
And i am overwhelmed to express my sincere appreciations;
But what have you to say on this issue and of his tendency?
For he was caught rear handed.

An absolute exhibit was the case,
And categorically pictured with the things at hand;
For it was grafted to an embezzled case in the courtroom but,
With no trusted lawyer because of the act of nepotism around!

Edward Kofi Louis
I Have My Mind On You

Lotus!
Love,
Peace;
And, with the White Tulip,
But, i have my mind on you always.

Love!
To believe in it;
Life!
To live in it;
Like a king and a queen;
In unison! !
Like the lovely poppies.

Edward Kofi Louis
I Have Now Won This Lotto

Today i have got the six numbers you've been waiting for!
Yes, for the past five years with hope.
Your name is love and i am called wonderful,
And it has taken me all these years to understand your muse;
But these numbers had been on your dreams since time immemorial,
And i have now won this lotto.

Edward Kofi Louis
I Have Stopped Calling

I have stopped calling you because,
You've now told me of your mind;
So be by your man and let me have the peace of my mind.

Edward Kofi Louis
I Have Taught Many

I have taught many!
And, they are in better positions today;
But, all came from the power of the Almighty! !
For, His mercy endures forever.

Edward Kofi Louis
I Have To Come In Again!

I went out;
But, i have to come in again!
Because, i left something in the house.

Edward Kofi Louis
I Have To Find Her

Many thoughts,
Many visions,
Many missions,
Many acts;
But let me find a way to help her,
Maybe, she's in need of help!

Maybe, she has to find her way through;
Maybe, she needs my help! !
And this is all about the famine in East Africa!
But, i have to find my way through to help her.

Edward Kofi Louis
I Have To Try

Holding it very tight was very difficult for me,
But i have to try!
Because i don't know how the future looks like.

Edward Kofi Louis
I Have To......

The two trees wher closer enough to each other and,
I have to tell you my mind on this love;
For your love is all that i need tonight.

Edward Kofi Louis
I Have You Here With Me

True love!
I have you here with me;
With the muse of righteous characters,
With the works of the truth,
Hope! !
Never give up on your dreams.

Edward Kofi Louis
I Hear Voices

I hear voices but i cannot see You!
So ty to show me a sign that i may know that You are the one.

Edward Kofi Louis
I Heard The News

The liquid,
Flowing!
Entering,
And to satisfy your muse;
But, i heard the news! !
So, i was waiting for your call to know of your status.

Edward Kofi Louis
I heard the steps behind me!
Like someone walking behind me;
But when i turned around and looked,
Nobody was around.

Edward Kofi Louis
I Heard Your Cry

A week ago i heard your cry!
And it was because of the death of your mother;
But life is like that at times,
And we will all die one day.
It is very sad but do have my sympathy,
And may her soul rest in perfect peace;
But bear in mind that,
We will all die one day.

Edward Kofi Louis
I Heard Your Knock

I heard your knock at the glass window,
In the dark!
And i looked;
But, i couldn't see your face.

Edward Kofi Louis
I Held On To My Heart

I got all the insults!
I got all the stories,
But, i held to my heart;
For the peace of the work.

Edward Kofi Louis
I Hope And Pray For You

I don't know and,
I am not sure about it;
Because of what i do see on my T.V. set,
But i hope and pray for you that you will be saved in Indonesia!
Who can stop nature?
And of the volcanic eruption in Indonesia;
But i hope and pray for you.

Edward Kofi Louis
I Hope So

Art in the eyes,
Brush in the hand,
Painting;
View of the work,
Style with your mind,
Painting;
I think so,
I hope so.

Edward Kofi Louis
I Judge No One

You lawyers judge according to the flesh but,
I judge no one;
I speak of what I have seen and,
You do judge of things unseen.

The muse of life!
You do not know me but,
If you do, you should have known my father and,
My mother as well.

The muse of life!
I judge no one;
However, the truth will always set me free.

The muse of life!
Cast the first tone if only if, you are not a sinner;
Beginning from the older to the younger,
But, I judge no one.

The muse of life!
Who are you to condemn another?
For, the wages of our sins on this earth means death;
And, we've all sinned and come short of the Glory of the Creator.

The muse of life!
Are you better than others?
Then, learn from the very acts around you today;
However, I live in peace and, I judge no one.

Edward Kofi Louis
I Just Need You Here

Cleanliness and holiness,
Love;
True love,
I just need you here!
Right here by my side.

Edward Kofi Louis
I Just Want To Do It

I just want to do it!
With you;
To show you that i love you,
So, i prepared my food for you;
My sweet food of love,
To satisfy your heart! ! !
With the muse of joy.

Edward Kofi Louis
I Just Want To Know

Nice and easy,
Let it be normal and sweet;
Red and beautiful,
Let it be soft and sweet;
Black hairy,
Let it be strong and sweet;
White and handsome,
Let it be slowly and lovely;
Fair and attractive,
Let it be gentle and romantic;
Straight and forward,
Let it be aromatic and passionate;
For i just want to know the man who impregnated you,
And like the muse of your love in the woods.

Edward Kofi Louis
I Know Her

Resistive,
Rising up;
Remote,
Locally,
Upper! !
Rising up,
I know her!
And, i know this place.
Stall, tall, all!
Unveiled,
Plucked with love;
Gin, margin, origin!
Uncovered,
Plucked with love;
A thoughtful observation of nature,
Aim, cliam!
Like London's Tower;
Bee and honey,
Love and peace,
I know her!
And, i know this place.

Edward Kofi Louis
I Know Her Scent

She was here because,
I know her scent;
She was in this small room because,
I know her scent;
And now, i can smell her sweet aroma in this room.

Edward Kofi Louis
I Know How It Is

I've been watching it for years!
So, i know how it is;
And, how it works.

Edward Kofi Louis
I Know How You Feel

I know how you feel about this love and,
I know how you feel at times towards me;
But let us give this love a time because,
I am ready to lay naked before you always.

Edward Kofi Louis
I Know My Mind

I know my mind,

I love my heart,

Peace is the key!

Writing to unite the world;

With my mind.

Edward Kofi Louis
I Know What You Want

Peak!
Speak,
Further,
Rum! !
Outran;
To bring you the News,
I know what you want.

To meet you,
Sitting between the gates;
Valid and proper is the truth!
Faithfulness,
Kindness,
True-love will never leave you alone.

To go ahead,
To march on,
With the muse of the truth;
Catch, watch, match!
Patch,
Batch;
Facing the truth,
I know what you want.

Edward Kofi Louis
I Know Who I Am

I am myself,
A simple person;

I know who i am,
Seeking for peace always than war.

Utilisation!
Having the laws;

Love and life,
Having the truth;

I am myself and,
I know who i am.

Edward Kofi Louis
I Know Who I Am 2

Who are you? !
If i may ask;
But i know who i am.
Come along! !
Let us meet,
Then we can learn from each other.

Edward Kofi Louis
I Know You!

I know you very well and deeply so;
But, do not drink any alcohol at any given occasion!
However if you still insist to, then, buy the drink and bring it to your room;
For, i have done enoug for you since all these years.

You've thrown me away like a shredded paper!
But tomorrow comes when you will look back for me;
However, some people only see from the outside of things than the inside.

I do hope to meet you once again,
Because, i always have your love in my heart;
And like a kiss for the first time! !
But, who is now ready to marry a woman who had slept with hundred men? !

Edward Kofi Louis
I Know Your Story

Give me your command and i will obey you,
For i am in the realm of your love;
But i knowe who you are and i know your story,
And like maidservants in the King's Palace.

Edward Kofi Louis
I Left The Message

She doesn't want to show up!
So, i left the message at her door;
Love is the key,
Peacefully than war!

Edward Kofi Louis
I Like The Smile

I like the smile on your face! !
It touches my heart;
Keep it up and bring peace to the world,
With the muse of righteous works.

Edward Kofi Louis
I Like This Work

Special,
Prepared,
Confidential;
I like it!
I like this work;
Positive,
Joy! !
Working with the mind,
Equal play!
Equal pay,
Equal treatment.
Muse,
Use,
Fuse! !
Infuse,
Not to refuse the works of the truth.
Fair play,
Fair pay,
The flair!
The affair,
With the muse of true love.
Parables,
Versions,
Renditions
Verses,
Proverbs,
Riddles,
I like this place! !
Seeing the bright light of peace.
Edward Kofi Louis
I Live Because Of You

Life,
I live because of you;

Love,
I live because of you;

Works!
To expose your talents to the world.

The letters of love,
The letters of peace;

The letters of life,
The letters of joy!

The ways of nature,
Touching the hearts in may ways;

The cause!
It is vbecause of the truth;

Muse, life, peace and joy!
I live because of you.

Edward Kofi Louis
I Looked And Behold

I looked and behold!
There stood two others;
One on this side of the bank of the river,
And the other on the other side of the bank of the river!
But Yahweh and Yahshua are your very best Friends.

Edward Kofi Louis
I Lost My Mother

You are very sad because you lost your ear rings;

I am very sad because i lost my mother;

However, life is like that at times!

Life is full of what we know and, what we don't know;

Because, not all that the schools teaches are true.

Love, life and joy!

To control the mind in times like this;

With the songs of peace to the heart,

And, to respect all mankind.

Mother! !

Rest in peace;

You've taken the lead and, we are yet to come.

Edward Kofi Louis
I Lost You

Muse, love, use, lust, sue, romance, passion;
I found you but I lost you! !
And like the muse of love in the land of beautiful flowers,
But, who the cap fits should wear it always.

Muse, love, lust, romance, passion, due, few;
I found you but I lost you!
Joy, emotion, passion, love, lust, a kiss, sex, sex with you;
I found you but I lost you! !
And like the muse of love in the golden triangle;
But, I found you and I lost you to another man.

Hope, trope, dope, Europe, mope, cope;
And like the casual department of your muse!
Lope, nope, rope, tope, hope, cope;
I found you and I lost you! !
And like a wounded soul;
But this love was all about us.

Edward Kofi Louis
I Love It

The taste of it,
I love it! !
Not to waste it;
Painted with true love!
With the muse of the paste of life.

Edward Kofi Louis
I Love It So

Life,
I love it so and i like it so;
The way you are and the way you speak,
Without changing anything from yourself.

Your are beuatiful!
Eating the bread of life with you in peace and joy;
I love it so and i like it so,
Without changing anything from you.

Edward Kofi Louis
I Love It!

Sweet,
I love it!
Glad to have you around.

Edward Kofi Louis
I Love My Dream

I love my vision!
'Pen-painting Grapghics Abstracts';
I love my dream!
With the 'horse-walk' act of my mind and,
With the muse of my poetry to the world;
I love myself.
In humility to serve humanity,
With servitude and attitude;
I love my dream.
Life!
With the melody of my mind;
Ways and means!
With the style of my works;
In paitning and in poetry,
And, with the sweet muse of my mind.

Edward Kofi Louis
I Love The Rainbow

Colours!
I need the rainbow,
I want the rainbow,
I love the rainbow,
The colours of life!
The colours of love,
The colours of nature;
Sunshine and Rain! !
Seeing the 'doulbe-rainbow',
Appearing up high in the sky today!
At the east of my window,
The 'big rainbow';
Traced from north to west.

Edward Kofi Louis
I Love You

I love you and you love me,
But whatever goes up must surely come down one day!
For the sweet muse of your love is all that i need.

Edward Kofi Louis
I Love You  2

True love,
The truth delights in you;
With justice and righteousness.
Love!
True love,
I love you;
May the Creator Almighty bless you,
Because, these words of your greetings came out of your heart.

Edward Kofi Louis
I Love You 3

Desert,
Red wine in bottles;
Dessert,
I love you.

Edward Kofi Louis
I Love You

You only,
Always on my mind;
I love you!
You only,
Seen always,
At the corner;
Alone,
I love you!
You only.

Edward Kofi Louis
I Love You 2

I love you and,
I can't hide it from you;
Because, you always ring a bell in my heart.

Edward Kofi Louis
I Love You 3

I love you! !
You love me;
Of this righteous work! ! !
With the muse of the laws,
Able to lead you on,
In the land of the living;
Peace to all!
With the works of peace and joy.

Edward Kofi Louis
I Love You 4

Don't change a thing on your body,
Because you are as beautiful as you are!
Please, don't let another man steal your heart away from me;
I love you and, you are all that i dream of.

Edward Kofi Louis
I Love You 5

I love you And,
I can see the smile on your face;
So, don't worry about anything!
Because, i am always there for you.

Edward Kofi Louis
I Love You 6

I love you and,
I need you by my side;

Yes! ! I want you!
Always around me;

Being able to bring joy to my heart,
With righteous morals.

Edward Kofi Louis
I Love You!

I love you!
You can see it in my eyes;
Watching my face,
I love you!
My heart is beating for your love;
Putting a smile on my face and your face! !
Even though, we are miles away.
I love you!
While you do wake up to greet the sun;
While i walk along the Nile River in Africa!
I love you.

Edward Kofi Louis
I Love Your Kiss

I love your kiss,
I love your smile;
For, the love between us is very nice and,
Our hearts do rest in peace;
With the muse of joy.

Muse, life, nature!
With the joy of the land and,
With the understanding of the minds;

Your love is nice,
Your kiss is real,
Your heart is at peace;
And, your mind is free.

I love your kiss,
I love your smile,
I love your romance;
With the beauty of your body.

Edward Kofi Louis
I Married Her

I married her!
But, she left me and went for another man;
I married her!
But, she left me and slept with another man;
It is sad isn't it?
But, that is how life is at times;
And like the Tsunami that hit Japan! 

Edward Kofi Louis
I Mentioned It To You

I mentioned it to you last night,
I wrote it to you the other time;
And now, we are satisfied with it today!

Of the rectangular box,
Of the square box,
Of the oval shape;
But, something caught my eyes! !

Edward Kofi Louis
I Met Him

I met him and,
We spoke together;
However, he died two weeks after!
After we have agreed on a plan,
For my Art Exhibition.
It is very sad!
But, that is how life is at times;
With no easy way out at times!
When, an opportunity comes ringing at your door.

Edward Kofi Louis
I Met You As I Looked

Jealousy arouses a husband's fury,
But i met you as i looked through the lattice;
And the black and the dark of the night held my peace.
I noticed you immediately because you look like my sister,
And i saw you walking towards my house like my sister;
But time and tide waits for no man and woman on this earth,
And i met you as i looked through the lattice yesterday.

Edward Kofi Louis
I Miss You

The kiss! !
This Miss,
The taste of your lips;
Many years ago,
I miss you.

Edward Kofi Louis
I Miss You So Much

I miss you so much and,
I hope you are feeling better over there;
But please try to get in touch!
Because you are the only one who really understand my love.

Edward Kofi Louis
I Need My Peace

Take your house and your properties,
You will not be buried with them when you die!
I need my peace.

Edward Kofi Louis
I Need Peace More Than War!

It is my work,
So if it is disturbing you, then,
I need to take it out of your way! !
Because, i need peace more than war!

Edward Kofi Louis
I Need Peace On Earth.

I don't look for trouble,
Because i need peace in earth;

Love is the secret code of life!
So, let us respect each other.

Edward Kofi Louis
I Need Someone To Love Me

Lonely,
I need someone to love me for who i am;
Who am i to you? !
The answer is in your mind.

Edward Kofi Louis
I Need Wine To...

I need wine to heal my body and,
I need love to rest my mind;
For you are like the winter and i am like the summer,
And we need this love to live together.

Edward Kofi Louis
I Need You

Hold me,
Kiss me,
Love me!
I'm lonely and,
Lovely;
I need you.

Edward Kofi Louis
I Need You   2

Heed to the truth! !
I need you;
To bring out the seed of respect,
To weed out negative acts!
To feed our minds with righteous morals,
I need you! !
You need me,
We need each other.

Edward Kofi Louis
I Need You So

I love you so!

I need you so,

I want you so,

Just the way that you are.

Edward Kofi Louis
I Need You!

Oh love!
Where are you?
It's cold outside and,
I cannot sleep.
I need you!
Around me;
Come and keep me warm,
Come and romance me,
For, i need somebody around me.

Edward Kofi Louis
I Need Your Healing Powers Oh Yahweh!

HalleluYahweh!
Halleluuuu-Yahweh! ! !
HalleluYahweh!
Halleluuuu-Yahweh! ! !
HalleluYahweh!
Halleluuuu-Yahweh! ! !
Pains of love,
pains of care,
Pains of work,
Pains of peace;
But, i don't know why i do have this pain at my back! !
So, i need Your healing powers to heal me with love;
For, i will always hold on to your Name!
HalleluYahweh! Halleluuuu-Yahweh! ! !
Praise Yahweh!

Edward Kofi Louis
I Need Your Picture

I need your picture so that,
I can see you everyday around me;
Because i love you!

Edward Kofi Louis
I Never Knew

I came under in it! !
Yes, very deep into it;
And, i never knew;
Because she exposed it to me and,
Married another man! !
All in the name of love;
But, this deep sea was deeper than i expected.

Edward Kofi Louis
I Only Believe In The Truth

The eyes of hatred are the eyes of war! !
But, you are here because of love.

Here i am!
This is my life;

And, you cannot change what i stand for!
Because, i only believe in the truth.

Edward Kofi Louis
I Only Came

You are swollen and angry but,
I only came to you with my love!
So try to wake up and reason up;
For there will not be a second time on this love.

Edward Kofi Louis
I Only Think Of You

Your love,
Your care,
I only think of you.

Positive morals! !
Keep on,
Without looking back;
For peace and love,
Humility and kindness,
Servitude and attitude.

Edward Kofi Louis
I Paid Her

Subjects,
Touched,
Eventually;
I was a teenager ans she was a teenager!
And love came and took us away into the deep blue ocean! !
But, we finally landed home in peace.

Envisioned,
Promises,
Hope,
Deception,
Wide opened! !
And like the perfection of her beauty;
But i paid her all the dues on this love.

Edward Kofi Louis
I pray for you always!
That you may be strong,
Able to take care of your children;
After what you’ve been through in life.
Throughout your journeys on earth,
From your past till today;
Making it possible for you to learn a lot! 
About the ups and downs of life.
Life is not smooth always! But, hope is the key;
Able to lead you on in the Faith,
The faith of the truth.
Living with a positive mind today,
With your children beside you;
Giving you the strength that you need in life.
Prayers of hope,
Prayers of peace,
Prayers for the joy of your heart!
With kindness and mercy,
With humility and servitude,
With the gratitude of life! 
With deep love from your heart;
That you are still alive today with your children around you.

Edward Kofi Louis
I Proposed My Love To Her

I proposed my love to her and,
She refused me for the first time!
But three years after i met her again;
And said the same words to her,
But this time around she agreed to marry me.

Edward Kofi Louis
I Recently Lost My Mother

I recently lost my mother,
Which brought cost to me in Ghana;
To host most of my friends and my relatives,
And, to post letters to bring in others for her burial;
With no frost at all in the land.

Edward Kofi Louis
I Rejoice

I rejoice in your love and,
I do respect you all the time;
For the Feast of Yahweh is with love.

There is One Law for all and,
My reward is with me;
For there is only one way to Eternal Life!

You are the Bright and Morning Star!
And i rejoice in your love always;
For there is only One Law Giver!

Edward Kofi Louis
I Remembered Your Name

Dance in the morning and come to me,
For my love is waiting for you at the Lovers' Garden;
And in the evening we will be together on the bed of roses.

I extol you my love,
For you have delivered me with your care at last;
And i am secured by your sweet love tonight.

Let me seek your beauty and let me enquire of your love!
For i remembered your name in the night of my sleep;
But i will wait till i see you again.

Edward Kofi Louis
I Said To Myself

I said to myself:
'Why is the world like this today? '
With terrorists here and there,
Ready to kill and destroy! !
Who are even their teachers?
When will they accept in the works of the truth?
For the peace of the earth.

Edward Kofi Louis
I Saw His Face!

It was him! !
On the 23rd of September 2012;
And, i saw the face of a man.

I saw his face!
On a T.V. Screen which was already switched off! !
In my parents-in-law's sitting room.

I just entered the room and,
I saw dirty marks on the T.V. Screen;
And this gave the exact image of his face!
Oh yes, i saw the face of a man wearing eyeglasses,
The exact image of him.

It was him! !
I saw his face;
On a T.V. Screen which was already switched off!
With his eyeglasses on,
On the 23rd of September 2012;
And, this reminded me of the other face of a man i saw in the sky! !
But, that one was on the 26th of August 2012.

Edward Kofi Louis
I saw you crying!
Last night;

Seeing you once again,
Today;

Trying to understand your status,
Able to extend in my help.

Edward Kofi Louis
I saw you in my dream!
Looking at the mirror;
You were naked,
Very beautiful to see your body,
So you don't need to change anything from your body! !
Only add positive morals to your character.

Edward Kofi Louis
I Saw Your Hairy Chest

The first person said:
'I saw your hairy chest that is why,
I came to you last night and we made love together';
The second person said;
'Why'?!
Then the first person replied:
'It is because i love men with hairy chest and,
I am ever ready to sleep with any of them'! !
And this was the conversation i heard among two people;
Then i said to myself: 'Love is too blind at times'.

Edward Kofi Louis
I See Her In My Dreams

The muse of love!
I see her in my dreams;
Of all my life,
Of all my hope,
Of all my works,
Of all my efforts;
Waiting for many years on this love.
The muse of love!
With familiarity;
But, i see her in my dreams.

Edward Kofi Louis
I See It In Your Eyes

Love,
True love,
With the muse of your lovely smile!
I see it in your eyes.

Edward Kofi Louis
I See The Moon

I see the moon and,
The moon sees me;
With the muse of nature to thank the ways of creation!
Under the umbrella of life,
With the beauty of the night.

Edward Kofi Louis
I See You In My Dreams

Love!
I see you in my dreams;
Soft Valley!
Silicon valley!
Wet Valley!
Triple loop.

The muse of love!
I see you in my dreams;
like a mother and her child.
Party, patty!
With the muse of my mind;
But, i see you in my dreams.

Movers, mowers!
Along the field of peace;
Air, pair!
Straight to the heart;
But, i see you in my dreams.

Edward Kofi Louis
I See You In My Dreams 2

Love and dreams!

I think of you all the time and,

I see you in my dreams.

Edward Kofi Louis
I see your flowers! 
And, the very ways of your sweet love;
You are very beautiful today,
Very attractive in the world so sweet.

Edward Kofi Louis
I Shivered!

I opened the door,
finding the east side;
Then, i saw the image,
The face of a man up high in the sky!
Shining like a bright flame,
With the brightness of the Moon and,
A Bright Star closer to it.
I saw the image,
Like a shining bright flame;
The face of a man,
And, i shivered.
I opened the door!
finding the east side;
On the 18th of December 2013,
And, i saw the face of Yahweh up high in the sky.
It was night,
In the dark;
Very dark up high in the sky,
But, the Brightness of the Moon and the Bright Star gave me hope.

Edward Kofi Louis
I sit to pen my words,
I sit to pen my thoughts,
I sit to pen my mind,
Of all the things seen around me;
Writing for your learning,
Stress, distress, Mistress!
Able to put you back on your seat;
With the knowledge of the works of the truth.

Edward Kofi Louis
I Sneezed Trice! !

I sneezed trice! !
Because, i saw your nakedness;
And like the muse of love in the land of joy,
But, i need to understand the status of your moves.

Living on drugs!
Sleeping on rugs,
Destroying the mugs;
For, you've lost your memory,
But, i sneezed trice because i saw your nakedness.

Edward Kofi Louis
I Sneezed Twice!

I sneezed twice!
And, you fell into the trap set for you! !
Because, you slept with somebody's wife.

The little you,
The little you get;
The more you give,
The more you get;
Git, it, bit, fit, hit, lit!
And, that is the secret of the rule of life.

Kit, wit, nit, zit, pit, sit;
But, why do you hear the truth and still do not believe in it? !
For, life is like a big road with many signs,
So, do not complicate your mind before these signs.

Edward Kofi Louis
I still love you,
So return to yourself without fear;
I still love you,
So come and show me your colours.
Where are the treasures of your love?
What is the point of starting something that,
You cannot complete?
Can you treasure my heart?
The right road is still ahead of us.
Come and show me your love,
I can't wait to see you today;
Return to yourself and,
Show me the artistry of your love.

Edward Kofi Louis
I Still Love You  2

Knew, new!
Show,
How?
I still Love you.

Degree,
Decree! !
To agree,
With your free mind;
Freedom.

To compare,
To be!
Or, not to be.

This person,
Bringing joy to your heart with his works;
Be lawful,
Be joyful,
Present!
Be thankful;
Muses;
Comparative!
Being,
To have the truth;
But, I still Love you.

The story of a young married woman,
The story of a young married man,
Bride, ride!
To overcome the tide;
At the side of the truth.

A place!
Like the palace;
Race! !
To embrace;
The pace of the truth.
Edward Kofi Louis
I Still Remember That Night

What would you do with my love?
What would you do with my muse?
What would you do with my nakedness?
Lover of plants and lover of beauty! 

Heap, cheap, leap, neap, reap;
Deer, queer, peer, seer, leer, beer, jeer, veer! !
Lover of plants and lover of beauty,
For, I still remember that night.

Edward Kofi Louis
I Still Wait

From 50 Euro to 70 Euro,
But i still wait on my dreams from year to year;
And i am like the wild gazelle in the field of love,
But like a strong and a valiant soldier! !
The mighty one has fallen today in front of me,
But i will still wait for my dreams;
And in the name of love i will always be patience.

Edward Kofi Louis
I Still Want Some More

Last night i fell in love with you and,
We made love all night long!
But now it is day break and,
I still want some more.

Edward Kofi Louis
I Stood In Awe

Oh man!
Why are you sleeping with a married woman?
But i stood in awe because of your words;
For the worthless gods are all around you.

Edward Kofi Louis
I Stood Up

The King sat on his customary seat and, i stood up!

The Queen sat on her customary seat and, i stood up!

It was like arrows beyond my dreams;

However, do not cut off your kindness towards me.

Edward Kofi Louis
I Tasted It

I tasted it but,
It was not my taste!
But i have to manage it to get my standings right,
For love is all about the muse of life.

Edward Kofi Louis
I Thought I Lost You!

I thought i lost you!
Meeting you once again;
However, will you sit on my side?
Because, i don't have anyone around me.

Edward Kofi Louis
I Told Them

I told them what to do for the sake of righteousness,
But, they don't want to do what i told them;
And now, they are facing the echoes of war! !

Edward Kofi Louis
I Told You So

I told you so!
For the Chines Sailors were able to fend off the Somalian Pirates;
And, there are more actions to come soon on this issue.

Yes, you will pay for yourr sins oh Mogadishu;
Why not live and let us live?
For the wages of sin is death!

Come and listen to the secrets and the truth of life,
Come and learn to be brothers and sisters to all;
For fools will not go to heaven but the wise.

We are all part of the missing records but we need love,
We are all part of this world and we need to care about all,
And it is part of you and i to make it work;
So live and let us live too on this side of the globe.

Edward Kofi Louis
I Took A Look!

I took a look!
Seeing your beauty coming out of the clouds;
Wonderful!
With a smile on your face.

Edward Kofi Louis
I Took Care Of You

I took care of you when you were young,
And now you are matured enough to take your own decisions;
But think twice before you jump that fence!
Because you can easily expose your nakedness to all,
And like a ball thrown over the fence.

Edward Kofi Louis
I Took Time

I took time,
To repair it,
And, to fix it in once again;
Because, a piece of the metal was broken.

Edward Kofi Louis
The sea of windows and the sea of love,
My spirit is truly ready for you;
The sea of colours and the sea of care,
I turned to hear the voice of love;
And I will whisper back to you when I am ready.

I am black as the sackcloth and ready to tell you a story,
But be very zealous to understand my mind;
For that which is sweet had been eaten by the bird.

You are the course of life and,
I am with the great power of glory!
But, salt is perfect in form and in nature.

I turned to hear,
And of the spirits of love dancing around me;
So be very zealous to understand me when I speak.

Edward Kofi Louis
I Used It Twice

I bought it twice and,
I used it twice;
And like the notes of your love,
But, i have one more river to cross over.

Edward Kofi Louis
I Voted

I voted yesterday (8th.05.2010) and,
That was my first time in a foreign land;
And it was like my first date and my first love.
It was very smooth and nice and easy!
And there are really laws in this land.

Edward Kofi Louis
I Want Someone

Oh, i want someone who will take care of my love;
Because i want someone to be always by my side,
And i want someone to love me!
For, i am very lonely in the land of my muse.

Edward Kofi Louis
I Want Something Like This

This sweet love of yours! 
I want something like this, 
Able to push me forward; 
With the muse of righteous morals.

Edward Kofi Louis
I Want To Be Loved By You

Life!
I want to be found with your love;
Muse, use!
I want to be found with you;
Reign, foreign!
I want to be loved by you.

Ace, face!
Affiliated;
Race, face!
Noted with your love;
Ace, race!
I want to be loved by you.

Love!
With the respect of beauty;
Races, faces!
I want to be loved by you;
Sine, Limousine!
I want to be loved by you.

Love!
With the path of beauty;
Love!
With the first kiss;
Life!
You will find your heart when,
True love enters your home.

Edward Kofi Louis
I Want To Be Loved By You

You only,
All i need is you;
I want to be loved by you.

Edward Kofi Louis
I Want To Be Under The Sea

Love!
To the coral sea;
With light in the darkness,
Along the coastal side of love.

Muse!
Like your outdoor bath;
But, with enough space and harmony.

Joy!
With the Red and White Tulips of your land;
But today, i want to be under the sea.

Edward Kofi Louis
I Want To Be Where Love Is

How do you learn when, you are not ready to accept your mistakes in life?

Spice, coppice, ice!
I am on a mission;

I want to be where love is;
Being able to to relax my mind with the works of righteousness.

Cookies and creams!
Works and acts;

You don't value whatever i do;
So, i leave everything for the Creator to judge.

Stakes, takes, shakes, makes, mistakes, wakes, brakes, bakes, cakes, fakes, lakes!

I want to be where love is;
Than, the place of hatred and war.

Edward Kofi Louis
I Want To Dance With You

New love,
New heart,
New joy! !
I want to dance with you.

Edward Kofi Louis
I Want To Get Closer To You

Love,
True love;
I want to get closer to you!
To stay around you,
Open this door of peace! !
For me to enter in;
Love,
This love;
I want to get closer to you.

Edward Kofi Louis
I Want To Get Out

I want to get out of this land!
For the ways of the people are very negative to me;
I am always for peace but,
They are always for war!
With hatred in their hearts;
But, that is not how i was born and trained.

Edward Kofi Louis
I Want To Have Your Babies

My handsome hero,
Marry me and let me have your babies!
For that is the way love goes,
And i want to have your babies.

Oh my darling, oh my darling!
I want to have your babies;
So let me be your wife on this muse of love,
For you are my handsome man and my hero.

You are lie the Oak Tree of my life,
And the Valley of Love to my heart;
So my handsome man and my hero come and marry me,
For i am dying slowly in the name of your sweet love!

Forest and trees,
Love and passions,
Knowledge is part of us as a cure,
And i really know the questions in your mind.

Edward Kofi Louis
I Want To Have Your Baby!

Words of wisdom and the promise of love,
Of the catalyst needed to push up things;
For, she wants to have my baby!

The portrait of this love is in the land of joy! 
'I want to have your baby' is what she said to me;
But Mary is now living in Maryland,
And like a kola offered as a gift to me.

Edward Kofi Louis
I Want To Say It

I want to say it! !
So it is when you meet the truth;
The way ahead!
Peace and love,
Joy in my heart;
I want to say it,
So it is when you meet the truth.

Edward Kofi Louis
I Want To See Your Face

Love,
Come closer to me;
Because, i want to see your face,
Due to your beauty.
Flesh and blood!
With beauty in your eyes;
But, let me see your face,
With the beauty of your lovely skin.

Edward Kofi Louis
I Want You

I want you!
With the muse of sweet love;
To have sex with you.

Edward Kofi Louis
I Want You Back On This Love

The first snow of love and the first kiss of passion,
I am beyond the dogs to take you up high!
For unity is strength in all that we do.
You have the heart of gold and i have the treasure of peace,
So i want you back on this love;
For you are as solid as the rock and,
I have the moment of truth to share with you on this love.
I want you bakc on this love and,
I will always seek for you!
And like the unknown alnguage of love in your neighbourhood;
For i am inspired by the truce events that we went through and,
I want you back on this love.

Edward Kofi Louis
I want you inside me,
And to feel you inside me;
Inside of you!
Inside of me;
Honour,
Harbour,
Labour! !
I want you inside me and,
To feel alright.

Edward Kofi Louis
I Was 10 Years Old

I was 10 years old at that time and,
It occurred to me;
But today,
I am a grown up person with much experiences!
However, deadly things are done everywhere today.

Edward Kofi Louis
I Was And I Am!

Closed!
To get bored;
Shows,
Glanced,
Smiled! !
To be glad;
But, it just felt different.
I was and i am!
So beautiful;
However, you are back to the world.

Edward Kofi Louis
I Was Lost

Someone brought me in! ! !
Because, i was lost;
Able to touch your heart with my love,
In this Time and Age.

Edward Kofi Louis
I Was Not Told

Nobody told me about your love towards me,
And i never knew that you were ater me since all these years;
But the sun reflected on your image and,
I saw your tail by the moonlight.

Edward Kofi Louis
I Was Pregnant

You mad elove to me and i wa pregnant,
But you left me alone in the deep forest and fled away!
So, i have to give birth and to take care of this child alone;
But, today, your child is a grown up and,
He doesn't know much about you.
I told him the act!
I told him about how we were in the bush alone;
I told him about our act of fornication! !
The premarital sex that we had,
Which brought about him into being;
But today, he doesn't know much about you,
Because, you were not there for us.

Edward Kofi Louis
I Was Punished

I went against the law and i was punished,
And a perfect model was introduced to me;
But it was like the restored Hebraic Tongue to my learning!

Edward Kofi Louis
I Went In

I went in because of the flavour,
With the aroma surrounding the place;
The place of love and joy.

Edward Kofi Louis
I Wept Bitterly

I wept bitterly because of your love,
Because you deceived me and gave yourself to another man;
And my service to you for many years came to nothing,
But one day you will understand the worth of my love.

Edward Kofi Louis
I Will

The muse of sweet love,
In the belly of the big-fish;
To desire thew sincere milk from the ways of life,
And, to be adorable with the facts of love.

Love!
I will satisfy you with my mind;
But, the king must apply and study from the Book of the Law.
Butter, butler!
Sleeping like a child and learning liker a child;
But, with the muse of the laws.

The muse of sweet love,
With distinguished passion to enhance your muse;
Going through thr red light with the blues of your romance.

Edward Kofi Louis
I will,  
You will,  
They will,  
She will,  
He will,  
We will;  
Like a viper along the narrow path! !
Muse,  
Fuse,  
Of a wild colt;  
Bitterness!  
Attacked,  
Like a serpent by the road side;  
However, i will always meet you at the farm.

Edward Kofi Louis
I Will Answer You

Love!
True love;
You will call! !
And i will answer you.

Edward Kofi Louis
I Will Always Be There

What are you looking at? Of a prudent act to diversify the supplies;
What are you smiling at?
Never be ashamed of your emotions on this love.
The muse of my poetry is what you have now,
From my mind to you all day long;
For, I will always be there for you.

Your love is my profession to hold on tight,
So keep up the faith to reach up to the skies;
And, I will be there for you always.
To nature's own will,
It may be justified in many views;
But, they are not matured enough to my mind of love.
I will always lead you on the way and,
I will show you the path;
For, we always need to learn from each other.

I will be there for you,
Like the broadway of my life;
To care for all with the recommendations of our love.
I still remember the old days,
I still remember the struggles;
But few are those who really know who I am.

Edward Kofi Louis
I Will Always Be With You!

Love,
I will always be with you!
In times of peace and,
In times of trouble;
To deliver you and to honour you.
Oh life!
With the temptations of life;
but, try to overcome them with the truth,
For, love is the true act of peace.

Edward Kofi Louis
I Will Always Call Your Name!

On your donkey,
With no money,
Only with a spoonful of scented honey;
I will always call your name!
Because you have the works of the truth,
Seeing a monkey along the road.

Edward Kofi Louis
I Will Always Do My Best

Earth,
I will always do my best;
To help others,
To share with others,
For peace,
For love,
To care for mankind,
To bring joy to all!

The test of life,
The best with the peace of nature;
To face the truth,
Lovely like the nest of a bird;
With the fragrance of righteous laws.

Edward Kofi Louis
I Will Always Seek For Positive Morals

Where there is no love, there is hatred and war!
So, love me if you want to; and, hate me if you are against the works of the truth;
I will always seek for positive morals.

Edward Kofi Louis
I Will Be

Variation,
But, i will be;
Orthographical!
Rendering the truth to the world;
From the laws,
Properly with the forms of positive moral characters.
The truth,
Accomplished! !
With the muse of peace and love;
For the joy of your heart.
To exist,
To live,
To love,
To share,
To tarry!
To abide in the works of the truth;
Broad, abroad!
With the unity of the world.

Edward Kofi Louis
I Will Be Missing You

I just don't know what i should do!
Because i will be missing you,
Yes! ! Your sweet love;
Knowing what is ahead of me.

Edward Kofi Louis
I Will Be There For You

If you love me just say, "Hello"!
And i will be there for you;
With the muse of righteous morals.

Edward Kofi Louis
I Will Branch Out

Behold the man who is the seed,
Behold the woman who is the bud,
Behold the child who is the fruit,
And, behold the muse of love which has now become the branch!
For, we can now see the benefit of true love.
I will branch out from my place to touch your heart with my love,
For if there is no loser in a game, there will be no winner in this life;
So, just give me cold water to quench my thirst.

Edward Kofi Louis
I Will Bring It In

Don't worry!
I will bring it in,
Because, it is raining outside;
And, we have to protect it from the rain.

Edward Kofi Louis
I Will Dine With You

Muse!
Come and warm my cold body with your sweet love;
For, i will dine with you to overcome the very odds around me today.
Life!
Like the muse of deep sleep that falls on mankind;
But, my love is tossed by the waves of the sea,
As i sail along in the cold.

Edward Kofi Louis
I Will Do It

Hit!
Fit,
To sit beside it,
To do it,
Yes! I will do it;
With the muse of the truth,
Able to bring peace to the world.

Edward Kofi Louis
I Will Do It For You

Oh my sweet lover behind the bamboo trees,
You've made a difficult request on this love;
But I will do it for you because,
I deeply love you from my heart.

Edward Kofi Louis
I Will Do It!

I will do it!
The same way you did it;
Because, i have studied your trade,
The trade of your love.

Edward Kofi Louis
I Will Do So

I will do so,
I will do that,
To help you,
To help your status quo over there,
In your land;
For the sake of peace and love,
With joy in my heart!

Edward Kofi Louis
I Will Follow

Command me always!
And i will follow;
But, with righteous laws.

Edward Kofi Louis
I Will Follow My Mind

From between her breasts and between her legs,
I desire peace but not war;
And, who am i to put you in jail?
You are destroyed for lack of knowledge and,
I am wrapped up in the wings of love;
And i will follow my mind always to meet your heart.

This message is clear but,
Your words are but a few towards me;
And the law is like the Garden of Eden around us.

I will follow my mind and,
I will reach out for your kiss;
For the truth about love is all that you see around.

Edward Kofi Louis
I Will Follow You

Influence me positively with your love and,
I will follow you;
For all that muses start with us!
But who is your leader?

Edward Kofi Louis
I Will Get Up

I will get up and go,
I will get up and meet you in town;
Waters,
People,
Multitudes,
Nations,
Languages! !
And like the basic necessities of life;
For, i will get up and meet you.

Edward Kofi Louis
I Will Give You What You Want

Love,
True love;
I have listened to everything you said to me and,
I will give you what you want.

Edward Kofi Louis
I Will Go Where Love Is

Hidden companion!
With the tail of a swan;
I will go where love is,
Because, hatred and war cannot solve my problem.

Contest, contents!
With the ways of life;
Write, rite!
With the muse of the land;
But, i will go where love is.

Ribs, nibs!
With the muse of the nature of things around me today;
Tin, tiny!
Searching for a place to call my home;
Love!
Whenever you want me, i will be there.

Love!
What do i have that you want?
Love!
Whatever you want form me, i will get it to you.
Even, evening!
I will go where love is;
Because, hatred and war cannot solve my problem.

Edward Kofi Louis
I Will Help You

Love,
I will help you to carry on!
With your load;
Comforting you with my true love,
To be there for you.

Edward Kofi Louis
I Will Keep On Searching

You don't have what i need,
So i will keep on searching till i get one;
But she saw him standing alone and,
She appraoched him with her love.

Edward Kofi Louis
I Will Look For You

Lip, lisp!
I will look after you,
Ruth, truth!
So, do see it as it is written;
Because, i am writing to you.
Bigwigs!
I am calling on you;
With the ways and means of my love,
But, let us meet at 'Obra Spot'.
Spots of light!
With the peace of the mind;
But, i will look for you and,
I will take care of you.

Edward Kofi Louis
I Will Meet You

Met, wet!
Some People become famous by birth and,
Others through hard work;
But, i will meet you one day with my love.

I am like someone crying out in the wilderness,
Searching and hoping for a better tomorrow;
But, i will meet you one day with my love.

Set, bet!
With my candles still burning in the wilderness;
Hoping to become famous one day! 
Because of the sweet muse of love and, the ways of life.

Edward Kofi Louis
I Will Meet You  

Opening prayers and closing prayers;  
The holy incense,  
But, listen with a believing mind!  
At sunrise,  
At sunset,  
And like a choir practice;  
I will meet you at 8: 30 p.m. ! !  
Because, i first have to visit Akropong my homeland.  

Edward Kofi Louis
I Will Meet You Again

Sometime,
Somewhere,
Somehow,
Someday;
I will meet you again.
Meet, feet, fleet, beet;
Anywhere,
Anytime,
Anyhow,
And at any day!
I will meet you again.
Greet, sleet, sheet, street!
Somewhere anytime,
Sometime anywhere,
Somehow someday;
I will meet you again.

Edward Kofi Louis
I Will Never Forget You

Sweet mother,
I will never forget you;
A year ago (26th September 2015) you left us,
Into the other realm,
May your soul rest in perfect peace.

Edward Kofi Louis
I Will Never Grow Old In It

Love!
I will never grow old in it;
Love!
It must be you;
And, i want your sweet stuff inside me.
It must be you! !
For, my heart is being touched byx your love;
And, no one knows what it is like to be with the right man.
Love!
I will never grow old in it;
And, no one knows how it feels to meet the best man.
Love!
It must be you;
For, i am now touched by your love.
Love!
The beauty of the heart;
Love!
It must be you;
So, try to meet me at Apam Junction!
On the Accra-Winneba Highway.

Edward Kofi Louis
I Will Never Leave You

You are like the beautiful flower of the field oh my enduring city!
And how i cry to meet your love once again;
For i am the same today, as yesterday and forever! !
I love you and i will never leave you nor forsake you,
And unity comes through obedience and submission;
But you are like the beautiful flower of the field oh my enduring city.

Edward Kofi Louis
I Will Not Give Up

Love!
I will not give up;
Love!
Wearing a colourful robe;
In my dreams,
And, i will not give up looking for her.

Love!
Night in the capital;
Searching for her with the peace of my mind,
Because, i will not give up on her.

Test, quest!
With night life in the city;
Searching for her with the joy of my heart,
And, i will not give up.

Edward Kofi Louis
I Will Overcome

You've set a trap for me but,
I will overcome it;
And like a rain in the fall.

The rain of the spring will bring me hope,
For this trap of yours is already seen by my neighbours;
Because, the stone is heavy and the sand is weighty!
But a fool's wrath is heavier to bear than both of them.

Edward Kofi Louis
I Will Put On My Raincoat

If it is raining,
I will put on my raincoat before going out;
But if not,
I will see how best i can walk along in the sun!
And like the muse of your love in the garden of peace,
But all you need around is my love.

Edward Kofi Louis
I Will Renew My...

I will renew my covenant with you my love and,
Like the same covenant i had with you before;
It will be through the blood of goats and calves to refresh your mind!
And like the love of your muse behind your first veil.

The blow of sheep and of the bulls,
And like the love of your muse behind the second veil;
But we need the ashes of the red heifer on this love,
Because you’ve got my heart in order since all these years!

Edward Kofi Louis
I Will Repay It

They are after their own lusts,
And they are after teachers who will tickle their ears;
So if my son has wrong you or owes you anything,
Put that on my accounts.
I have written with my own hand and,
I will repay it.

Edward Kofi Louis
I Will Repent

Have i gone against the law? !
Tell me if your know and,
I will repent.

Edward Kofi Louis
I Will Seek For You

Out of the depths of the sea i do cry fro your love,
And, from the ends of the earth i will seek for you my sweet one;
For, your love is like the precious oil upon one's head!
And, i am blessed to have you always in my mind.

Edward Kofi Louis
I Will Speak Kindly

It will be well with you always wherever you are my lover,
For i will speak kindly to you always on this love;
For the seat of honour of your love is from my heart.

Give me the ration of your food of love and,
Let me submit myself peacefully to you always my love;
Fo your love to me is worth more than the gold in the fields.

It is to me like my nobles and my officers,
But you are all that they now know around me;
And i have heard of your cry my sweet one,
And i will come and save you from the negative people around you.

Edward Kofi Louis
I Will Surely Be Back

The children are playing on the grass and,
I need to fetch some water for my lover;
So don't worry much about a thing!
But i will surely be back soon to help you.

Edward Kofi Louis
I Will Survive!

They are working against me,
But I will survive! ! !
And like the peace of my muse;
But, what you need around is inside me.

If I rule the world,
There will be no prisons! !
For, love is the key about life;
And like the muse of joy in the land of peace.

I will survive! ! !
And you will see me around with the words of love;
For love is the key about life,
And like the beauty of the rainbow up high in the sky!

Edward Kofi Louis
I Will Survive! !

Life,
I will survive! !
No matter the hardships around me today.

Mat, mart!
With the art of life;
Going through many things.

I will survive! !
Still alive,
Moving along with the peace of my mind.

Pace, ace!
Facing the ways of life;
Always with positive morals.

Race!
To embrace the truth,
And the works of peace.

I will survive! !
No matter the odds,
Learning always under the umbrella of righteous laws.

Edward Kofi Louis
I Will Take You There

I will take you there!
To a place where love is,
To a place where peace is,
To a place where the laws are respected;
To the land of joy.

Edward Kofi Louis
I Will Teach You Understanding

I will betroth you to me in righteousness forever,
In loving kindness and in mercy;
I will betroth you to me in faithfulness,
And i will teach you understanding;
But you need one more step to take.

Edward Kofi Louis
I Will Wait For It

I will not rush for it!
I will wait for it,
Until the right time comes.

Edward Kofi Louis
I Will Wait For The Rising Sun

You are unknwon to me but,
The rising sun will reflect your sweet love to me;
And, you will love what you see around me.

I need only sweet words on this love!
Because, you are the one seen afar off from the reflections of the sun;
And, i will love you for who you are.

The muse of love!
Feeling it like i do;
And, i really want you like you want me.

The muse of love!
I will wait for the rising sun;
To reflect on the contours of your beauty towards my eyes.

Edward Kofi Louis
I Wonder

They steal ans still go to church,
They kill and still go to church,
They destroy and still go to church,
And i sit down and wonder why;
But, who are they worshipping?

Edward Kofi Louis
I Wonder Ii

I wonder 'why' and, i wonder 'how'?
And to search everywhere like the Talmud;
But, paradoxically fixed with the stars in heaven.
I wonder 'why' and, i wonder 'how'?
And to search everywhere in the Torah;
With higher realms to respect my traditions.
Muse!
Like the flow of the blood;
Birth from the womb and, death to the soil,
But, the strongest cannot be deceived with your knowledge.
I wonder!
Under the guise of a swift action;
But, the encroachers are with the fallacy.

Edward Kofi Louis
I Would Fly Away

Oh! If only i have the wings of a dove,
I would fly away!  
To be in peace with you my love.

Edward Kofi Louis
I Write

I write!
And write;
To heal my mind and,
My body! 
To free myself from the wickedness of mankind.

Edward Kofi Louis
I Write Because....

I write because i am glad in my life,
I write because i am very glad in my heart,
I write because i am fine with my mind,
I write because i want you to learn from me as well;
But 2010 was the hottest year in Morocco! !
And the mountain of storm came and exposed my nakedness,
For many want to know my identity!
But keep watch over the doors of my lips for the answer.

Edward Kofi Louis
I Write To You

Hypocrites,
I write to you;
Knowing yourselves perfectly well!
However, the truth is better than lies.

Selfish gains!
Leading to the destruction of the earth;
Hypocrites,
You better comfort the down-hearted and support the weak;
And, be patient towards the truth.

Edward Kofi Louis
I write with inspiration,
I live in peace,
And, i enjoy the joy of love;
Able to learn under righteous laws!
For the unity of the earth.

Edward Kofi Louis
I Wrote As I Did

There is a horse grazing around in my compound,
It is blind in the left eye;
Nature! !
Poetry;
I wrote as i did with much affection,
Because i am filled with the humour of love and life!
This horse needs to be taken care of.

Edward Kofi Louis
I Wrote This Poem For You!

I wrote this poem for you!
Because, i love you;
And, i want you to know about it.

The status of your mind,
Try to love the Sabbath and live by the rules;
For i love you and, i wrote this poem for you.

I wrote this poem for you!
So, try to understand my mind on this love;
And live a better life to achieve your aims always.

Edward Kofi Louis

Ibrahim

Relics, arts, culture and love;
With the information of an embankment zone!
But her scent is all that it takes.

A spring of flowers and the mixture of perfumes,
Don't put all your eggs in one basket;
For the feelings of love is all around you.

Exquisite pillars of love in the forest,
Rapture at shore with the fishermen at hand;
But my lovely water melons are matured enough for you.

Ibrahim,
You are my one and only man!
And you are like the appearance of a fertile land;
But this act of love is all about you.

Edward Kofi Louis
You are better off today than yesterday,
But tomorrow comes and it will be worst off!
Oh Ibrahim my lover! ! This is how the world is,
And we have to face the realities around us at all times.

Of the water which was turned into blood!
Of the River Nile which was turned into frogs!
But, there is One Law for us all;
Yes, One Law for the native born and for the stranger.

The book of war!
The book peace,
The book of joy,
The book of love,
The book of romance,
The book of rivers;
And like the first moon of the year! !
However, all the rivers that flow ends up to the sea.

Like Romney's story!
Like your story!
Like my story!
But, don'r let this true love pass you by.

Mr. A told me this,
Mr. B told me that,
And like the ice storm! !
But, they are all lairs;
Because, each person blamed the other.

Sign, sing!
Of the soul brother and the soul sister;
Signs, sings!
Town, own, crown, brown, down, thrown;
Drink, dink!
Easter, eaters!
Dinky,
In an attractive way;
But, they are all lairs.

Edward Kofi Louis
Ich Sehe Dir In Die Augen

Schau mir in die Augen!
Ich habe einen teil dazu;
Dialoge,
Aufregen,
Eine faire Berichterstattung;
Gefiedert,
Am Ende ist es so.
Piste, liste, miste;
Die Entscheidung!
Aber, ich sehe dir in die Augen.
Druckwelle!
Depression,
Verwundert,
Unentschieden,
Letze Woche was es schwieriger;
Regen, aufregen!
Wie ein Dorn im Auge.

Work,

Edward Kofi Louis
Identify Them

She is living around you and,
He is living around you as well;
But, why can't you identify them? !
Oh, what a shame! !
For the very workers who claim to go to church are now thieves!

Edward Kofi Louis
Identity

I have to go for my son because,
I do love him and he is all that i have.
Nothing will stop me from reaching out to him,
For he is my identity and my strength!

Edward Kofi Louis
Identity 2

Him, her, it!
Identity,
Of an object or a person;
Schools,
But, let them be where the truth are taught;
For the peace of the earth without war.

Edward Kofi Louis
Ideologies

Salt,
Result;
Ideologies!
Belief,
For twenty years! !
Under the leadership of the truth.
Plight, light!
Holding up the truth;
As the light of the world.

Edward Kofi Louis
Ideologies Of Mankind

Swords and scimitars,
Bullets and bombs,
Bows and arrows! !
And of the invasion of the flourished land;
But the ideologies of mankind had led us to wars than peace.

Black, white and many other colours!
Fighting for human rights in the name of discriminations;
And like the different languages spoken on this earth,
But try to establish your mind with love, unity, peace and care.

Edward Kofi Louis
Ideology

Why send a boy to do a man's job?
For when it is half-baked means it is incomplete;
Why send a girl to do a woman's job?
For when it is half-full means it is incomplete;
And like a clash programme to paint the world with my mind,
Every man has his own price in every discipline.
This is like the metamorphosis of an ibo from Nigeria,
And with an articulated discourse of an ideology;
For the east wind holds up the country and,
The north wind crashes with it at times!

Edward Kofi Louis
Idle Conversation

Method of deception,
Be away from it!
Engaging in idle conversation,
Be far from it!
And take up the heritage of Yaaqob;
For, it is a delight to ride on the high places of this earth.

Edward Kofi Louis
Idolatry

Idolatry,
Adultery,
Elohim! !
And like Sodom and Gomorrah;
For, profaneness has now gone out into all the world!
And for the lack of wisdom, my people perish.

Edward Kofi Louis
Idriss

News items are obtained from eyewitnesses,
But I am the eyewitness on this love;
So come and show me your true love, Idriss.

To tell the story like it is and,
To love you with all my heart;
So Idriss, come and show me your true love.

Of the present event full of history and,
Of the true love that we have to share;
Come! And do not be a by-stander on this love.

Edward Kofi Louis
Idumota

You can kiss my lips always because,
I am in love with you;
And i want to see your naked body together with mine.

It is obvious to see that we are in love,
And it is obvious to know that we care for each other;
So never walk on anyone's shadow my love.

Visit me at Idumota and,
I will take you around to meet my people;
For the joy of this land is part of you.

Edward Kofi Louis
Iduna

Iduna, in, aid, Dan!
This water,
This liquid,
Needed for the plants to grow! !
So beautiful,
Romantic with the muse of nature;
As Dan came in to water the flowers.

Edward Kofi Louis
If

If i could kiss your lips,
I will take you up to the skies!
If i could touch your heart,
I will show you many ways of love;
If i could know your mind,
Then i will be able to lead you on the narrow path;
On the other hand, life's only peace is through love.
Turn it on! !
Tune in,
And, to the Barber's shop;
But, if i could know your ways,
Then, i will be able to teach you well on this narrow path of love.
Time changes! !
But, if i could know your house,
I will always knock at your door to share my sweet mind with you.

Edward Kofi Louis
If I Have Told You Before

People are sleeping with people's wives and they say it is love,
People are flirting around and they say it is love,
But try to look around you and see whether it is love;
For anytime i call for one, another do fall.
If i have told you before,
Ypou could have learnt from your mistakes,
So judge the things around you and see whether they are right;
for i am a man with the pen and i do write of all the things around me.

Beware of yesterday because it is full of the sadness of the past!
And do tell me how you felt after looking around you;
If i have told you before you would not have believed it,
But these are mere flirts among us.
Like the sleeper,
They always go around looking for more;
But i think the apple didn't fall far from the tree,
But somebody rather did pluck it!

Why be in a hurry my friend? !
But when people are almost naked,
They say that it is beautiful;
All in the name a modern state of mind.
But who will wear the crown when,
You are sleeping around with somebody's wife?
Yes life is for a passion but,
Sleeping with somebody's wife isn't the answer.

Edward Kofi Louis
If Only I Could See Your Face

If only i could see your face,
Your Love!
Your smile;
Touching my heart deeply.

Edward Kofi Louis
If Only If

If only if i could touch your lips,
Then, i will know how sweet you are!
So, do not deny me of your love.
Pick and choose!
And, let me be the one;
With moderation,
And, with the care of your love.

Edward Kofi Louis
If Only If We Trust In Him

There is Yahweh Who Cares;
The giver of Light!
The giver of life,
The giver of love,
The giver of peace,
If only if we Trust in Him.

Edward Kofi Louis
If Only This World Will Listen

From the sick man of Europe came Balkanization,
To err is human but to bring peace is better than war!
Wake up my people and listen to me,
Like the dream of Joseph to his parents and siblings;
If only the world will listen,
Peace is better than war!
They are fighting every now and then,
But who is ready for peace?
They are killing one another,
But who is ready for peace?
Look at what you see around you and tell me if it is fair;
With so much hatred than peace when,
One tries to earn a living.
Learn today and earn tomorrow,
Like women being exposed in the form of beauty shows.
How do we pick up the pieces after war?
Like a marriage based on a seed surrounded with bombs! !
The status of death,
We all have much to say;
The status of war,
We all have much to worry about;
But the vision is still in progress like a palm-wine taper.

Edward Kofi Louis
If Only You Will Listen

Oh! If only you will listen to the truth and,
Live in peace with your neighbours;
To walk in the ways of righteousness,
Fed with the finest of wheat and, with honey from the rock.

Edward Kofi Louis
If tomorrow comes,
I will be in to love you my sweet one;
Love be loved when you are very romantic,
And, i will kiss your sweet lips forever.
The situation of passion and,
The muse of romance;
Through your heart and,
Through my mind.
Love be loved when you are very romantic!
Like bananas eaten to Keep you in shape.

Edward Kofi Louis
If You Don't Mind

Hello Dear!
Can we be friends?
If you don't mind;
Understanding the ways of love.

Edward Kofi Louis
If You Have To Ask

Love,
True love;
If you have to ask!
Ask me,
And i will answer you.

Edward Kofi Louis
If You Know

If you know what life is worth of,
You will look beyond yourself;
If you know what this poem is about then,
You will read it over and over again;
For it will take your colleagues by a surprise.

You are being kissed and suddenly,
The doors will be opened for you to enter;
But, everything has its own time and meaning,
For the end of things is about to fall unto man.

Not everyone thinks of it from the wet side,
And not all the leaders out there can press a dot on the computer;
Because, i can see your nakedness through a bird's eye view.
Once a woman twice a child,
And once a man twice a child!
Of the red wine for the man and the white wine for the woman,
But, there is beauty in everything if only if we look deeper.

Look beyond yourself if you know what life is worth of,
Look also around you to learn from the muse;
Because, i can see your nakedness through a bird's eye view.

Edward Kofi Louis
If you love yourself,
You will not steal from your neighbours;

If you love yourself,
You will not kill your neighbours;

If you love yourself,
You will be ready to help others and, live in peace.

Edward Kofi Louis
If You Want

Okay! !
I leave the ball to you;
Kick it if you want!
Or, pass it to another person.

Edward Kofi Louis
If You Will Listen

If you will listen,
You will hear my voice;
If you will learn,
You will know my ways;
Diligently above all things! !
And like the fruit of your body,
But, to come and to go out is the normal routine.
Tree, flee, three, bee, wee, fee, see, lee, agree, Lee;
And to promise you an oath!
But, you will surely learn if you listen to my voice.

Edward Kofi Louis
If You.........

If you love me call me,
For one day i will sleep with you;
Because, you've kept the roses of love for far too long.

Edward Kofi Louis
Igal

It is occurring now because of you!
And like the lust of this world today;
For, they ate and drunk and rose up to play in their nakedness!
As the recorded history wrote about them.

I am Igal,
I am here to stay;
But, with the works of peace and joy!
With a matured sense enough to care for myself.

The same thing!
Selective;
Like the soothing balm,
Calmly and patiently.

Edward Kofi Louis
Iggy

This love gave me back your heart,
This muse gave me back your love,
This message gave me back your kiss,
This letter gave me back your romance!
But, let us do the time walk towards the future;
For, i am still trying to get in by the narrow gate.

Professor Green!
Professor Red,
Professor Black,
Professor White,
Professor Blue,
Professor Brown;
I can't understand the ways of life today,
But, Iggy my friend will lead me on.

Edward Kofi Louis
Ignoble

Ignoble,
Unknown,
Without!
Base;
Implication,
With your act.

Edward Kofi Louis
Iheanacho

Iheanacho, can, he, cane, hoe, ion, Cain, in, chain!
Still searching for the missing gold;
In the land of plenty but with corruption,
To see poverty in the eyes of people; with hunger and starvation! !

Edward Kofi Louis
Ijoma

Let me go back and eat my bones in the forest than,
Feeding me with grass and wheat;
What? ! ! ! ! ! ! ! ! Don't you have heaters in this room? !
This place is too cold for me.
Ijoma, for how long have you been living in this room?
But, what can i say?
For you are like the big black spider in your own room.

Edward Kofi Louis
Ike

'Gorch Fock'
Of the wind that blows to expose you;
For my love is the watchdog on you like,
The nakedness of a river.

I am very easy like a bee and very lovely like the honey,
But you are all that it takes to move me on this love;
And you need to learn like a master from the forest of love.

Edward Kofi Louis
I'll Follow You

I'll follow you on till the end of the world!
Your love is all that i need to satisfy my muse;
And, nothing can stop us on this love.

Edward Kofi Louis
Illegal Lust

Excessive illegal lust and of the muse of your love so exposed,
But through the law came free knowledge for all!
And of your throat that is opened like the tomb,
But think twice on this love that you may not sin!
The posion of the asps is under your tongue,
And of the excessive lust that is illegal to your heart;
For all have sinned and have come short of the glory of Yahweh.
Though the laws are beside you, it takes someone to teach you;
And like the 'Gods Book of Eskra',
Where 'Krishna' and 'Sanskrit' stand for 'Christ':
And from the apotheosis of the Roman decree.
Do not men gather grapes from thorns of figs from thistles?!
And of the mixture of righteousness and evil;
For you now lust after the married woman in your neighbourhood.

Edward Kofi Louis
Illegal Lust  2

Illegal lust,
Why are you destroying your own bodies?
In what you are doing on earth;
Bringing in all sorts of diseases to the world.

Edward Kofi Louis
Illegal Lust

Illegal lust!
Being carried away,
With the muse of the world;
Leading you along,
Into the sins of the world.

Edward Kofi Louis
Illegal Lust

Illegal lust!
Shapes like apes;
Satan teaching the people,
Blocked minds! !
Covering the truth with your works.

Edward Kofi Louis
Illegal Lust  2

Illegal lust!
You always have a counterfeit in place of the truth;
More harmful than to help the people around.

Illegal lust!
Of your negative thoughts;
Ready to kill and destroy.

Edward Kofi Louis
Illegal Lust  3

Sexual immorality!
Illegal lust,
In the wilderness of sin;
With the negative works of the pleasures of this world.

Edward Kofi Louis
Illegal Lust 5

Lust!
Rages and overflows;

Illegal lust!
Swells and rushes;

Pushed out! !
Being pulled out with a fishhook;

Of your evil beastly system,
Being led by Satan.

Edward Kofi Louis
Illegal Lust 4

Illegal lust!
Defiling the whole body and,
Destroying all creation;
A deadly poison! !
Because, no one can tame the tongue.

Edward Kofi Louis
Illicit Affair

Always,
Blissful,
School,
At dawn;
Accompanying his girlfriend! !
But this illicit affair led to his death;
Contributing to a discussion of the raging impasse,
Because, no one was there to save him!

Counsel,
Demanding,
A constitutional case,
Carried out,
The Supreme Court;
To throw out the case ona litigant!
But his illicit affair led to his death.

Edward Kofi Louis
Illicit!

Illicit!
Amorous deeds,
Beasts of no Nation!
Killing and destroying,
Raping young girls and having sex with married women;
All in the name of war.

Edward Kofi Louis
Illusion!

Illusion!
Story time;
In the land of your muse,
And like the green bird flying across your land.
Story, illusory!
Sleeping on the green bed;
But, with visual balance.
Ill, illusion!
Acrylic, cry, air, car, ray;
Pot, port!
The red jacket;
University, diversity!
Searching and seeking for you;
But, lost in the wind! !
35 years after;
And, to be by your side once again.
The muse of life!
Identical;
I respect you and you respect me;
Art!
With visual balance;
And like the muse of Captain Blue Bear.
Life!
With, 'Big Brother Watch';
Muse!
With, 'Big Sister Watch';
Sport, port!
Just to be by your side once again.
Spot, pot!
2-in-1;
Love!
To do what you have to do;
Muse!
To do what you love best;
Love!
Of the world;
Muse!
With the peace of the mind.
5-in-1!
In no uncertain terms;
Life!
To enter into the world;
Politics!
To gain roots and,
To be very deep into it.

Edward Kofi Louis
Illustrations

Illustrations!
Love me for my faults and follies because,
True love is ready to correct the other.

My mind to the world,
My works on paper;
Love me for who i am,
And, correct me along the line.

Corrections! !
The corrections of life as we learn;
Living and finding the ways of the truth.

The ink of my pen talks!
But, dead people do not;
So, work while you want to work and,
Play while you want to play on this earth.

Love me not for my beauty! !
But, for the sake of who i am and the sake of peace;
Because, loyalty is the key note towards love.

Create time for my love and,
Create time for courtesy;
However, to err is human! ! But, to invent is the order of the mind.

Of a giggling conspiratory act! !
With the muse of my love towards you;
Still waiting for the unknown which is called, 'tomorrow'.

Edward Kofi Louis
I'm Alive

Life,
To love!
I'm alive;
Moving on with my mind,
Moving on with my works,
Exploring the muse of life,
With righteous morals.

Edward Kofi Louis
I'm All That You Need

In love,
You're in love!
I'm all that you need;
To be perfect in all things,
Because, true-love holds all things together.

Edward Kofi Louis
I'm Alone

I'm alone,
In Life,
Living,
Moving on,
Facing the odds of life!
I'm alone;
With my dreams! !
Talents,
Gifts of life,
Moving on,
Alone,
Facing the odds of life.

Edward Kofi Louis
I'm Already In Love With You

Right there! !
Right here;
I'm already in love with you.

Sphere, atmosphere!
You can see it in my eyes;
True love,
Watching you! !
Talking to you.

Right with your mind,
Right with my mind,
With a smile on my face;
You can see it in my eyes.

Edward Kofi Louis
I'm Also A Human Being

Don't handle me like this! !
I'm also a human being;
Cruelty will never bring peace to the world.

Edward Kofi Louis
I'm Burning Up!

Burning up!

Burning up! !

This love is on fire! ! !

I'm burning up.

Edward Kofi Louis
I'm Glad With My Soul

It was hidden,
Hidden in there!
But, i've finally found it;
And, i'm glad with my soul.

Edward Kofi Louis
I'm In

Inn!
I'm in;
Waiting for you,
At a table full of items,
Dinner for two.

Edward Kofi Louis
I'M In Love

I'm in love and,
All i want is you;
Oh, i am in love!
And, all that i want is in you.
How do i live without you?
Roses are red but, violets are blue;
How do i live when the bed you sleep on is blue?
The love that i have for you is richer than honey.
I'm in love and,
This is not an ordinary love;
The love that i have for you is richer than money.
Yes, you can't even count things that aren't there;
Only the wise know the meaning of things.
Honey is sweet but, you are sweeter than honey;
Money is okay but, you are better than money;
Oh my Darling!
I will swim the seas to meet you.
How do i live without you when,
The bed i sleep on is white?
A righteous person knows the rights of everyone.
You are sweet and beautiful my love,
You are like the blue sea with a white dove of love;
I belong to my lover and she desires me,
How can i live without her?
I'm in love and all i want is in you.
Your blue bed with a white dove of love,
Come and travel with me;
You are my soul and heart's inspiration.
I can't live without you,
I can't make it without you,
You are nicer than the diamonds and pearls;
You are all that i want.
Blessed is me when we walk hand in hand,
Love wisdom and she will make you great;
You've got what i need.
I'm in love and, all i want is you;
Wisdom is better than siver and gold but,
True love crowns it all.
Roses are red and violets are blue,
So do write your love on my heart;
I'm in love and, all i need is in you.

Edward Kofi Louis
I'm In Love

I'm in love!
With you;
With your works,
With your words,
With your mind!
Can't you feel it?
Can't you feel my presence?
I'm in love!
With you.

Edward Kofi Louis
I'm In The Race! !

Thank you,
Now i'm in the race! !
To ebrace love,
To brace my mind with the muse of postive morals,
Seeing a beautiful palace ahead of me!
Moving along with the ace of my heart,
Lace, place!
To thank everybody in the world;
Able to go through my poems.

Edward Kofi Louis
I'M Not Hungry

I'm not hungry and,
I don't need a penny from you;
But, i only want to keep you straight on this love.
I'm not hungry and,
I don't need a pin from you;
But, i only want to help you to behave like a human being.
In, indeed!
The old man;
Bile, mobile!
The old woman;
But, under the laws.
Greed, greediness!
With deceitful lusts around the world;
But, i only wanto to help you and guide you on with the laws.
Hatred and fighting!
In the land of your muse;
With negative minds,
But, i only want ot help you to behave like a human being.
Learn to repent!
With the spirit of your mind;
For, the laws are always around us.

Edward Kofi Louis
I'm Only A Human

No one can stop my feelings,
No one can stop the works of the truth!
However, i'm only human.

Edward Kofi Louis
I'm Only Human

On,
Only,
Open,
I'm only human;
With the sense of humour.

Edward Kofi Louis
I'M Ready For Your Love

My days pass by me and my plans are shattered!
Nut i will try over again to meet your love;
So, why should i bury my opinion my sweet woman?
For the thoughts of my heart is to love you,
And i'm ready for your love my sweet one.

Edward Kofi Louis
I'M So In Love

Your name is no accident to my ears because,
I'm so in love with you!
And, i don't care about what the people say about us.
Your love is very deep in my heart and,
I want to take you to my homeland;
For my peace and joy will always speak about you.
My spirit is also with you and,
Your love is always in my mind;
But do not let the god you trust deceive you! !
Because, what you want in this life is not always what you need.

Edward Kofi Louis
I'M So In Love With You

You're the only one that i need in my heart and,
I'm so in love with you!
Because of the power of your love.
I like it,
I love it,
And it is very nice that you are here with me;
For, i'm always safe in your sweet arms.

Edward Kofi Louis
I'm So Weak

I'm so weak,
You're so strong! !
Help me to get up,
With the medicine of your sweet love.

Edward Kofi Louis
I'm Still Searching

Love,
Where are you now?!
I'm still searching for you,
Because you're beautiful and lovely.

Edward Kofi Louis
I'm Still Searching For You

Oh! Where are you?
I'm still searching for you;
I'm worried!
I'm lonely,
Oh! Where are you?
I'm still searching for you.

Edward Kofi Louis
I'm Still Waiting For You

I'm still waiting for you,
Very cold in the desert;
The desert of Africa,
In the dark,
In the night,
Still waiting for you,
Because of your sweet love.

Edward Kofi Louis
I'M Still Young

I will not sit as a widow,
For i am still young and i can marry again;
And like the young birds that flies up high!
But my husband died at a tender age.

Edward Kofi Louis
Im Tod

Das wasser, Feuer, Erd und Wind!
So sind wir in allen enden,
Im Tod sind wir überfallen.

Bin ich jetzt Alt?
Bist du jetzt Alt?
Im Tod waren wir verloren;
Wie ein König aller Könige.

Sind sie Alt?
Sind wir Alt?
Im Tod waren wir verloren;
Wie eine Königin aller Königinnen.

Oh Lebenslust!
Was ist des Menschen Leben?
Die Wissenschaft,
Der müde tag ist hin;
Und das ist im unserem Fleisch und Blut.

Oh Leben, oh Tod, Oh Ende!
Was pocht man an die Throne?
Wie Reich, wie Klug, wie Schöne!
Nun ist ein Teil Tod von uns.

Edward Kofi Louis
I'm Unforgettable

I'm unforgettable,
Because i saw your nakedness!
Taking a knife to cut off the head of your neighbour.

I'm unforgettable,
Because i saw you helping the poor;
Helping them to stand on their feet,
To give them hope.

I'm unforgettable!
Because, i have a style of writing my poems;
The inventor of my own works.

I'm unforgettable because,
The meaning of life is with peace and love;
Under the eyes of righteous laws.

I'm unforgettable,
Because i have what it takes;
Touching the hearts of many.

I'm unforgettable because,
There are rules in life;
And, the muse of peace is better than the muse of war! !

Edward Kofi Louis
I'M Very Sorry For That

Water,
Earth,
Wind,
Fire,
Accident!
It was my fault and,
I am very sorry for that;
So please, forgive me.

Image Of Nigeria!

Upside down,
Inside out,
The bombs are now destroying the image of Nigeria!
And we are all watching what is going on in Nigeria.

Upside, outside, inside, side, slide, tide;
Today in Jos,
Yesterday in Abuja,
And now in kano! !
Oh yes, the bombs are destroying the image of Nigeria.

Guide, hide, pride, wide, vide, ride;
With bombs thrown here and there to kill many in Nigeria! !
And, the world watches on.

Imitating

We all have someone we look up to and admire,
And imitating others is something we all do!
Whether we admit it or not,
For life is all about the muse of mankind.
Important thoughts and actions,
Do not touch it if it is not your own;
Important thoughts and actions,
Do not touch me if I am not your wife;
Important thoughts and actions,
Do not use it if it is not your own;
Important thoughts and actions,
Do not use me if you are not my husband;
And like family members and friends,
But I am the muse next door to you.

Your impenitent mind is storing up wrath for yourself;
Why practice the same things and claim that you are wiser?
You are without a defense oh man.
Your reward comes according to your works,
You are what you say you are.
They are gossips,
They are inventors of evil things,
What kind of a culture is this?!
A culture which allows you to see the nakedness of,
Your parents-in-law and siblings-in-law;
This culture do not know what is called nakedness.

Edward Kofi Louis
Impersonator

Oh my impersonator,
Why did you kill my lover?!
For you have disturbed me this day and,
I will live to explain issues.
I also need to search for you to clear up issues,
SO that the people around me will understand my case;
For there is surely a difference between the two of us,
But you took my image on this act for a wrong mission.

With chocolates from my lover and chocolates for you;
For you've already began to explore the importance of my love,
And like the peace of your mind in the land of your muse.

Like a conqueror;
Though, rough, tough, cough, bough dough, plough, sough, chough!
Love and pain,
And, left lonely in the rain.

Impoverished II

Lust,
With bitterness!
Impoverished;
For such an oblation.

Lust,
With graven images!
All around you;
In your land,
Out of the works of mankind.

Muse!
With visible creatures;
On this earth,
However, illegal lust had been the ways of mankind today.

Edward Kofi Louis
Impregnated

36 female students are in a fix! !
Because, a male teacher had impregnated them;
The same teach goes to church and pray to his God!
The very teacher posted to a Female School to teach them.

He used the advantage to impregnate 36 of them!
This error is so big for one to understand;
How can these students overcome this plight? ! !
Tell me if you know;
So are the negative deeds of this man on earth.

Imprisoned

They arrested him with deceit and they imprisoned him!
But i am an old man and my wife is well advanced;
For the crown of love has fallen from the head of this prisioner,
And no one wants to taste the fruit of his love.

Edward Kofi Louis
Imprisoned!

In the court of the prison,  
Waiting for the time to get out with a reason;  
Imprisoned!

In the cradle of the African Unity;
Addle, saddle!
With the intricacies of such an impulsive act;
More than what meets the eye.

What will be tomorrow? !
In your upper echelons,
With the works of your acts to obey;
In the public domain.

Edward Kofi Louis
In 1066

The seed of fertility,
The rituals of pagan worship,
The story of Yahnah and the great fish!
But a lie is the opposite of the truth.

These preachers want sinners money,
These preachers proclaim false doctrine,
And Satan has the whole world deceived!
For, they lied with their tongues.

Manhood, womanhood, childhood;
They ate and they were well-fed,
But, you can't live forever on food and vitamins!
And like the acts of pagan worshipping people;
But Satan knows the truth and, she only wants her glory.

Mankind has chosen to go the way of Satan!
So look around you and you will see many examples;
With primitive marriage rites in the land of my muse! !
But the Normans invaded England in 1066,
And they introduced the muse of 'the Lord of Misrule' to them.

The way of Cain,
The way of pain,
The way of gain,
The way of chains;
And like the Yule logs and candles which belongs to the Norse tradition!
But be very strong like'Yahshua Ben Nun',
For the words of this writer are in poetic passages.

The Ten Commandments were engraved on stones,
But sin is so beautiful to many in this world! !
And the world is now with empty dreams;
For the wrong things of life are stronger than ever!

Like a river,
When i called, no one answered;
Like a poet,
But the breasts of her consolations had eluded many!
Ans, she delivered a male child.

By the River Chebar!
When i spoke, no one listened;
But it will be like a reproach and a proverb;
With sweet smelling cinnamon from the voice of joy!

This is like an offering made by fire!
With sweet smelling cane;
And to make artistic designs for my love´r,
But the world today is like a taunt and a curse!
For, mankind has chosen the way of Satan.

Edward Kofi Louis

My love will touch you like your wooden spoon!
My mind will teach you like your wooden ladder,
My words will touch you like your wooden bowl,
But, to be speechless in life will lead you nowhere.

The first 'Christmas card' was invented and designed in 1843! !
So before 1843 there was no 'Christmas Cards' as seen around us today;
Howevr, i am like an old man along the sea of love telling you the truth,
So, you can't run away from your own self! When, the truth is around you.

In a cell,
But i still have hope till the end.

Over 51 years in prison!
But, i will never give up on this dream to succeed one day.

In a certain culture,
People do eat and drink blood;
In a certain culture,
People wake up early to eat before they brush their teeth;

People wake up early to eat before they bath;

In a certain culture,
It is a taboo to be naked at the beachside;
And this is all about life on this earth!
Because what is sweeter on your lips is bitter on mine;
And it is very strange to experience all these facts around the world.

Able to tell you the truth about life.

Edward Kofi Louis
In A Garden

I am living in a garden where the sun comes peeping at me,
But with a dolorous pitch to manage my affairs in peace;
And like a warm summer day,
But its tone could reach out to the rich and poor when activated!!

High on Saint Micheal's Mount,
And like Caesar's eagle shield;
But like the fair maids on the purple sea,
Where my love was guided with the muse of peace.

Wipe your tears and come to me,
For this garden is like where pride sits secure;
But at the earliest twilight i will be with you!
Because your tears must stop on these waves where,
The muse of love is guided with peace, care and unity.

From hill to hill,
From tower to tower,
From village to village,
From town to town,
From city to city,
From country to country,
But the wealth of my city's fair must encourage you all;
So sing high the praise of love in this garden,
And to gaze at me with the wings of love.

We are now living in a very dangerous period of our history!

For hatred had taken over the whole earth!
And mankind walk along in fear.

So, come outside and, let me touch your heart with my sincere love.

Toe, tow!
Lonely with the muse of your sweet love in an empty home.

Brown face with brown hair!
In the prison of ice.

You feel lonely in an empty home;
Even though, you are very lovely.

You are like the gold and silver!
But, you feel lonely in an empty home.

Action, attraction!
But, you feel lonely in an empty home.

Green eyes, blue eyes, brown eyes! !
But, you feel lonely in an empty home.

In, indicator!
So, come outside and, let me touch your hearts with my sincere love.

In An Empty Home II

Lose, sole!
In an empty home;
Sole, lose!
In an empty home;
But, try to save your name.
It was in you! !
For the second time;
And, you finally jumped over the wall to save your name.
Sweet memories!
In an empty home;
Tell, well, sell, bell, cell, shell, dell, fell, ell, quell, hell!
A single man,
Dinner for one;
A single women,
Dinner for one;
In an empty home.

Peace and love,
To satisfy your heart.

Edward Kofi Louis
In Another Level

Life with love when peace is needed,

Life with war when destruction of the world is what we need,

Choices! But, let us choose the righteous way; the way of righteousness than evil.

Which way to go? ! ! Stick to the ways of the truth and live in peace.

My mind to the world so sweet! But, with a style from a poet in another level; which are not easily understood by many! All the same, life goes on.

You do write! I do write; respecting the ways of all in peace.

Edward Kofi Louis
In Atlantic City

I have what you need!
Lower, slower, shower, flower, mower;
But, it is not too late to learn!
And, it is not too late for you to abide by the laws.
Bid, abide!
Greetings to Ethel Flint Yeboah;
Sand, sandy!
In Atlantic City;
And like a day after the storm!
But, i do thank you all for listening to me.

Edward Kofi Louis
In Base 10

1 plus 1 equals to 2 in base 10;
Learning the ways of mathematics.

But, your appearance scared me off! !
Because of the way that you were dressed;

Like someone from another planet!
However, there are laws in everything in life.

Patience is the key!
Following after the works of the truth;

Life has rules! !
And, there are laws in everything in life;

Speed without road signs leads to accident!
So, obey the laws and live in peace.

Edward Kofi Louis
In Base 2

I plus 1 equals to 10 in base 2;
Learning the bases in mathematics.

You keep the laws because,
You have the truth in your heart;

Road signs are needed in life!
Likewise the laws of righteousness:

True-love is sweeter than honey and,
Stronger than money! !

But, the harmony of life is with the symphony of nature,
Where the flavour of the laws bring out the aroma of the truth.

Edward Kofi Louis
In Berlin

Hope!
With a vision;
Visiting the East Side Gallery,
In Berlin.

Love,

And with visual comfort,
In the land of the living.

Always hold on to your world and,
Bring peace to all;
Because, we need peace than war.

Look at what is occurring in Brazil,
Nature brought down heavy rainfall and the mud rashes out in flood!
With many already dead while others are still missing;
Coffins everywhere ready for burials,
But who can stop the heavy hands of nature? ! !

Edward Kofi Louis
In Bronze Chains

On every side,
The city wall was broken through!
But in the Tenth Moon and,
On the tenth day of the moon i will meet you;
And by night,
And by the way of the gate between the two walls of love!

Wick trimmers,
Sentence!
Pots, shovels, dishes and sprinkling bowls;
But the city wall was broken through,
And you are now in bronze chains to write our your mind.

Edward Kofi Louis
In Bundles

Barn,
Bundles,
Bind them;
Measures,
Householder,
Tares!
To grow up,
To teach us a lesson;
But, within the laws.
Tares, tears!
The only option;
Tardy,
Of the momentous occasion! !
And, to teach us the laws.

Edward Kofi Louis
In Complete Unity

Life!
I am between the two gates of love;
But, go to the king and tell him that,
I really love her daughter.

Life!
You are between the two sides of love;
But, go to the queen and inform her that you love her son.

Muse!
In complete unity and, with the peace of the mind;
Grow, growl!

Black, white and red;
But, in complete unity.

Edward Kofi Louis

Pact, fact!
Intact,
Impact!
With the muse of your sweet love,
Living in peace,
With the joy of your heart.

To see your shame!
And, to walk naked;
In ceaftiness.

Edward Kofi Louis
In Crisis!

In crisis!
The world is in crisis;
As one rises up against his or her neighbour,
Killing him or her.

Problems! !
Fighting each other;
All in the name of various wars on earth today,
As we destroy each other.

Edward Kofi Louis
In Darkness

Out there!
Not here;
In darkness.

Edward Kofi Louis
In Darkness  2

In darkness! !
Hatred and war;
All the foundations of the earth are shaken!
Because of your evil acts.

Edward Kofi Louis
In Darkness!

Sins,
In darkness!
The path of wrath.

Out of order! !
Living in sin;
Enjoying the pleasures of the world.

Edward Kofi Louis
In Deed And Truth

Life, peace and joy!
Do not love in words and in speech,
Rather in deed and truth;
And, to assure our hearts with righteousness.
Sure, assure!
With the muse of the laws;
And, with the spirit of truth.
Life, peace and joy!
Let us love one another;
For, love is from the Creator.

Edward Kofi Louis
In Deed And Truth 2

Do not love in words,
Neither in speech;
But, in deed and truth.
Seed, need, weed, creed, reed, feed, heed!
Without greed,
To love all! 
With the works of peace and joy;
In deed and truth.

Edward Kofi Louis
In Details

The time of destruction!
In details;
Flesh, fresh!
With her desire;
Money and pleasure! 
With his desire;
Active and passive,
Yes and no! 
Blood and flesh;
And like the natural disasters of life.

Wife, life!
This secret has been revealed to me;
True love!
Above the ordinary;
Love!
Slowing down the ageing process;
True love!
In the land of your sweet muse;
However, the prophesies are there for us to learn from.

The period!
This generation;
With righteousness and evil,
But, privately noted with your muse.
Tea, sea! 
The end is near;
To, towards!
My faith is leading me on;
Wards, towards!
You need a guide;
But, the written down notes are now in the Chief of the Nations! 
So, try to wake up to the truth and learn from it.

In Different Countries

Bread and beans,
In Nigeria;
Bread and stew,

Bread and tea,
In Ghana;
Eating!
In different countries;
With the muse of joy to share with others.

Edward Kofi Louis
In Different Ways

Driven and tossed by the wind,
But don't deceive your own heart;
And love to do the right thing always.

Unspotted from the world,
And of my faith in the substance of the things hoped for;
But the evidence of things yet unseen is still my hope.

It must be purged with blood and of my chains,
But i have been insulted and persecuted enough in this world.
I have my reward for those who do seek for me,
For my past is like a terrorist hiding in the bush with a bomb.

Every table is filled with the vomit of your muse,
But my presence is as simple as an angel from above;
And i will surely heal you with my sweet love.

In different ways to win my way forward,
And of the things heard and seen with the naked eyes;
But i will surely love you with my sweet heart.
Bridle your tongue like a reed quaking in the wind,
And having seen my love afar off;
But the saw by the seashore is like those who have rule over us.

Abel, Enoch, Noah, Abraham, Isaac, Jacob and Sarah;
They are like a meat placed into the golden pot!
But try to entertain the strangers around you with your care.

Edward Kofi Louis
In Dismay

Unjust aggression!
White House,
Black House,
Yellow House,
Green, House,
Red House,
With the confusion of the minds;
While the Blue House of peace watches in dismay.
The land!
The Laws,
But not traditions;
The Laws from the beginning!
Tender and peaceful with the truth;
Than with the weapons of war.

Edward Kofi Louis
In Distress

Stress! !
In distress;
Who can then impress you with love?
Now that you are deeply grieved.

Edward Kofi Louis
In East Africa

He was rich,
She was rich,
But there were many poor people around them!
And like what is now seen in East Africa.

Painfully and wistfully,
But to be certain with the muse of care! !
For drought, hunger, famine and starvation are now seen on my people in East Africa!
And the bullets of war in Somalia are also hindering the inflow of the food donated to them.

Edward Kofi Louis
In England And All Over The World

Raped!
Abused,
By gangs! !
In England.
Bad gangs,
Bangs, fangs, hangs, pangs, tangs, gangs!
To abuse and to rape girls;
In England and all over the world.

Edward Kofi Louis
In Every Day Life

Provisions,
With the perfection of beauty;
Under the laws,
And with the truth.

The prominent seat!
The promises of hope;
With the joy of the laws,
Bringing peace to all.

The truth,
With your acts;
In every day life,
Being supportive to all mankind.

Edward Kofi Louis
In Every Land

Illegal lust,
With death through sin;
As we throw away the truth.

Illegal lust,
With death and destruction!
In every land.

Cape, escape!
With a way out;
But, you need the truth to move on.

Illegal lust!
Wake up from your sleep and,
Sin no more;
For, the earth is now filled with the sins of mankind.

Edward Kofi Louis
In Every Moment

A vineyard of red wine,
Of the best wine;
Agreeable to your sweet love.

Life,
With the vineyard of sweet love;
To water it,
With the muse of peace.

Life,
To take care of this lovely vineyard;
Day and night,
With the muse of joy.

Love,
Night and day;
To take hold of your strength,
With the muse of the joy in your heart.

Love,
To be at peace with your neighbours;
In the name of peace!
With the aroma of joy,
In every moment.

Edward Kofi Louis
In Every Single Day

Life,
The truth will let you feel the delight of true love! !
In every singly day.

This thing,
This machine,
To open the veil of love;

Moral laws! ! !
Needed to guide us on;
In every single day.

Edward Kofi Louis
In Excess

Illegal lust!
There's no hope in you;
Lust!
Do not be drunk with wine which is in excess;
Lust!
With hatred and war;
Lust!
You still do not believe in the truth;
Lust!
All for money.

Edward Kofi Louis
In Form

Back from captivity,
Back to life;
In form.

Hated! !
Persecuted,
But, you are now back to life;
Back from captivity.

Edward Kofi Louis
In Freedom's Land

Illegal lust,
Sinking in your sins;
In freedom's land.
Soil, oil, spoil, coil, boil, foil!
The dread of all of them;
And, to blame a culture that exposed its naked body to the public.

Ethnic and racial attacks!
But, who caused his or her care?
With a thumping blow to the back of the tree;
And, with a mournful muse to expose the act.
Illegal lust!
Of the eldest birth of nature's womb;
As many have noe left the truth and, gone for the pleasures of the world.

Edward Kofi Louis
In Front Of Me

True love is very pleasant,
Pleasing in its resting place;
With peace,
Unity and joy.
Beauty! !
In front of me;
Seeing you,
Bringing joy to ma heart,
With kind words.

Edward Kofi Louis
In Front Of Us

In front of you,
In front of me,
In front of us!
Works of arts,
Painted with love;
Works of peace,
Painted with true love;
Works of joy!

Seen with the beauty of nature and,
The colours of the universe.
Creation!

For you and i;
Along the line,
With the fragrance of life,
With the gratitude of the truth,
With the aroma of nature,
With the romance of all the colours around us,
Mankind!

With the muse of the people;
Going along,
Birth and growth;
Growing up,
Muse, fuse, use!

Doing what is right than evil;
With the muse of righteous characters!

Love and life,
Positive morals,
Ready to help each other!
In the name of unity,
Without hurting anyone.

Edward Kofi Louis
In Front Of Your Garden

Two turtledoves,
Two young pigeons,
From the poor man and the rich man;
But sprinkle some of the blood in front of your garden,
And like the bush of your love in winter.

Clay and plaster,
For the summer comes with many questions;
But sprinkle some of the blood in front of your garden!
And like the bush of your love in winter.

Edward Kofi Louis

Edward Kofi Louis
In Full Glare

Lustful actions,
In full glare! !
Without care,
Not to spare their time in thinking;
Bare with their acts.

Edward Kofi Louis
In Full Price

Give it to me!
In full price;
Sledges,
Edges,
Pledges! !
With the promise of your sweet love.

Edward Kofi Louis
In Fury

Empty hope!
In fury,
Of the wicked;
Like false dreams! !
To err,
Enticing to sin;
Fury, bury!
With worthless gods and goddesses.
Seed, feed!
Completely;
Emptied!
Like a transgressor;
Treacherously!
Dishonour,
Entice,
Cost, lost! !
Jollying,
Brandishes;
Cracking!
But, galloping like horses.

Edward Kofi Louis
In Ghana

Ring my bell and I will open the door of my love to you;
For, I am the right man waiting for you!
So, come and be my partner,
And, love in this forest will always be for me and you.

Test, rest!
But, ring my bell when you need love;
And like the underwater logging in the Volta Lake,
All in the name of love, business and care.

Edward Kofi Louis
In Grief

Depressed!
In grief,
Sold for destruction! !
For death,
With the acts of terrorism!
Everywhere;
On the earth today.

Edward Kofi Louis
In Guile

Strong opposition!
Shamefully treated in your land;

Exhortations! !
Deceit,
In guile;

While they took away your honour,
With their evil acts.

Edward Kofi Louis
In Her Old Age

With haste!
Let it be with me as you said;
With love,
And, with your muse.
Paste, haste, baste, waste, caste, taste;
tropical cocktail!
Tropical love;
Muse!
Principles;
And, of the English teacher.

Ace, face, race, brace, mace, lace, pace, dace, trace;
Leaped!
With the muse of the English teacher;
For joy!
In the protected place;
For peace,
At the protected place;
Anywhere and everywhere!
And, for unity.

The shadow! !
She has also conceived a child in her old age;
Mat, format!
And like a golden cup.
Cap, cup, cop!
Country by country;
For, format!
And like underwater timber;
But, she has also conceived a child in her old age.

Edward Kofi Louis
In Her Palace

Hear, bear, fear, ear, dear, wear, near, tear, pear, year, sear, gear, rear!
Surround her with love and count her towers,
For beautiful is her elevation with the light of the moon!

Incline your ears to a parable,
For she's in her palace with the muse of her love;
But the joy of the whole earth is Mount Zion!

Edward Kofi Louis
In Her Possession

To her peace with the works of compassion,
To the Miss!
With the kiss of life;
And, to show her the merits that did miss her love.
The progress of life,
In her possession with the muse of the laws;
Joy!!
Immediately with the works of the truth;
And, to show her the merits that did miss her love.

Edward Kofi Louis
In Her Youth

In her youth,
They lay with her and they bruised the breasts of her virginity!
And she has never given up on the acts of her harlotry;
Because, she is now a grown up woman! !

Edward Kofi Louis
In His Royal Robe

Dressed!
In His royal robe,
Pleased to see her! !
Facing the entrance of the court;
In the inner court of the Palace,
With the joy of his heart.

Edward Kofi Louis
In Ii

In,
Real! !
At certain points of love.

Edward Kofi Louis
In Kindness

She was hungry,
I gave her food;
He was hungry,
I gave him food;
You were hungry,
And i gave you food;
Love, peace and joy!
Caring for all in this world;
With compassion and humility,
And in kindness according to the law.

Edward Kofi Louis
Pact, act!
Disclosed with the works of the truth when,
The right thing is done.

Seek for peace!
In kindness;
Bring joy to all,
With righteous characters.

Edward Kofi Louis
In Life

I planted the seed!
And, your love is relieved;
Permanently,
In abundance! !
But, don't forget your own history in life.

Edward Kofi Louis
In Life 2

You have no faith,
You have no hope!
In life;
If only you could think! !
Then you will know;
The very meaning of the life around you today.

Edward Kofi Louis
In Life 3

Reverent conduct!
Hope,
With the integintegrity of your ways in the land;
But they who plow iniquity and sow trouble reap the same in life.

Edward Kofi Louis
In Life With My Mind

Life! The earth needs peace than war;

Once, announce!

Praising and presenting your works to the world;

So,
Some,
Awesome! !

With the joy of your heart;

They all fit in.

Rents,
Students,
Parents;

A story,
Your history;

1 plus 1 equals to 1 when you go deep down!

For the two shall be one flesh;

The fruits of love are better than the fruits of war!

The aroma of life and the flavour of love equals to the joy of the heavens;

This world is made of colours;
And the colours of the rainbow is a sign for us to live in unity.

Love and life,
I am the voice of Africa!

With the muse of my works,
With the muse of my mind,

Peace and joy! !
Touching the hearts of many;

A choice from Africa,

Hair, air, stair, fair, affair, chair!
Pair,
Flair;
Not a lair! 
With the muse of love and life.

Frames of life!
Like a veil woven of blue;

Fame, game, same!
A veil woven of purple;

Scarlet yarn! 
Inside and outside the veil;

Yarn, yard!
Muse,
Use;
Opposite to each other.

On the north side,
To the east side;

On the south side,
To the west side;

Utensils of bronze,
Utensils of silver,
Utensils of gold!

Screen of blue!
Screen of purple,
Screen of red;

Living in Africa,
Living in peace with the muse of my mind;

Four Corners! !
Poles and rings;

Ledge, edge, sledge, pledge!
Half way up;

Wind and wing!
Blues;
Half way down.

Silver hooks and bands,
At the other end;

Bands and brands!
In life with my mind.

Edward Kofi Louis
In London

London, loon, noon, old, on, do, no!
With the muse of love in the land of the living;
But, i have my mind set on you to teach you.
Life!
With the psychology behind it;
Love, move, dove!
Of the brides in gold,
Out of ivory palaces;
And, with the desire of beauty.

Love!
With simplicity;
City, ethnicity, simplicity!
With the muse of love.
Life!
With the craftiness of evil around us always;
Because, someone wants to throw the bomb.
Love!
Flowing with milk and honey;
But, be very wise enough with your status-quo in London.

Edward Kofi Louis
In Love

Heart beats!
In love,
Night love;
Being in loving arms.

Edward Kofi Louis
In Love With You

Styles,
Ideas,
Creativity!
Talents;
In love with you,
In love with your works,
Satisfying my heart with your sweet mind.

Edward Kofi Louis
In Love With You 2

The Welcome Mat! !
In love with you,
Waiting for your first visit.

Edward Kofi Louis
In Loving Arms

I did it!
You did it,
In loving arms,
With the muse of love;
And to help each other.

Edward Kofi Louis
In Loving Memory Of You

Mother,
Rest in peace;
Two years ago you left the world,
Into another realm.
In loving memory of you! !
You are always in my heart.
Oh! My Sweet Mother! !
Rest in peace;
Today, 26th September 2017, for 2 years!
When death came along and took you away.

Edward Kofi Louis
In Many Ways

A direct speech!
Talking to you;
An indirect speech!
Talking to the masses;
But, the people murmured because of your works.

Wonder!
To wonder;
Astonished,
Marvelled;
Direct and indirect!
For the light of this world.

A parable,
A metaphor,
A mystery,
An imagination!
A proverb,
A myth,
An exaggeration;
Coming to you in many ways!
With the approach of my works.

Edward Kofi Louis
In Meekness

Love,
With the bond of perfection;
Under the muse of the laws,
And, with the truth.

Life,
With work done in meekness;
And of things resembling another,
Under the muse of the laws.

The watering places of love,
To tell you what to do in the faith;
In meekness and in kindness,
Under the muse of the laws.

Edward Kofi Louis
In Minnesota

Toasted, roasted!
Meeting a very nice person;
In Minnesota.

Life!
With the memory of you;
Muse!
With the memory of your sweet love;
Life's layers,
In the land of your joy! !

One for all!
All for one;
Life's layers of love,
Meeting you in Minnesota.

Edward Kofi Louis
In Misery

Oh life!
Given to a bitter soul,
In spirit;
Of light!
Given to one who is in misery;
Because the treasures of love are hidden from him or her.

Edward Kofi Louis
The policeman was in Mufti,
But she opened the door and let him in!
And she asked him to unzip her blouse and brassiere for her;
But the 'Basketball Wives' stood and watched.

Edward Kofi Louis
In My Backyard

In my backyard,
Seeing black lizards playing around;
With the beauty of my garden!
Nature’s beauty,
With flowers of many colours.

Edward Kofi Louis
In My Bedroom

You are in my bedroom naked in search of something,
But, i want to lve you and treat you right;
For, you came along to satisfy me with your sweet love.

Edward Kofi Louis
In My Books

Life,
You may ask:
'Who are you? !'
And, i may answer:
'I'm just what you read about me';
In my books.

Life,
In my works!
With the muse of my love;
Cutting across all ages,
And, teaching you all.

Plain, Chaplain!
Let peace prevail in the land of the living;
And, let love arise! !
With the muse of joy and gladness,
Without the bullets of war.

Edward Kofi Louis
In My Captivity

Thwarted!
Obscures and darkens,
To speak of knowledge and, to understand the universe;

Life!
In my captivity;
Trying to gain wisdom through my pains.

Edward Kofi Louis
In My Chains

In my chains,
In my pains,
Where there are no curtains to cover me from the sun;
My afflictions!
In my sorrow,
From my memories;
Which contains the wicked works of mankind around me today.

Edward Kofi Louis
In My Deckchair

Relaxing in my deckchair facing south;
Watching how the sun rises from the east!
On my left hand side;
Then, to the west! 
On my right hand side;
Learning the ways of nature with the muse of love.
From the sunrise to sundown,
Relaxing in my deckchair facing the south;
And, with the muse of nature's love.
Love!
The act of nature;
Love!
Of the light in you and me;
Love!
Let us all live in peace;
Love!
presented to the world with the muse of the truth;
Foot, footnote!
Learning nature's ways in my deckchair facing the south.

Edward Kofi Louis
In My Dream

You told me in my dream that,
You are pregnant! !
And, i hope that you are;
Because, you've been looking for a baby for a very long time.

Edward Kofi Louis
In My Dreams

Just be a woman for once on this issue of love and,
Let me love you for what you are;
Because, any woman who sleeps with more than one man is a prostitute.

Freedom is from the mind and love is their key about life!
And, do not jump from bed to bed thinking that you're so beautiful;
But, just be a woman for once on this issue of love and,
Let me love you for who you are.

You are in my mind and in my dreams!
So, let me love you for who you are on this issue;
View, review, interview!
Because, any woman who sleeps with more than one man is a prostitute.

Edward Kofi Louis
In My Garden

Watchful drink,
Wonderful drink!
Under the pines of life;
Your life! !
In my garden,
Like the magic forest;
With love,
And, with a mystical retreat.

Edward Kofi Louis
In My Heart

I have you in my heart,
And in every prayer of mine;
But, whatever righteous thing anyone does,
He or she will receive the same from Yahweh.

Discipline,
Upon you;
Wholeheartedly!
To the flesh and to the heart,
But, i still have you in my heart.

Edward Kofi Louis
In My Heart 2

In my land,
In my country,
In my mind,
In my heart,
In my soul!

With the muse of my body;

Today with my works,

Today with my words,

Yesterday is gone! 

You’re the one for me;

Tomorrow with you.

Edward Kofi Louis
In My Heart's Desire

Big heads!
Elephants and cows;
Small heads!
To come in with the truth of life;
Under the colours of righteousness.
Love!
In my heart's desire to meet you;
Oh my beautiful one,
For, the truth is as plain as the nose on your face.

Edward Kofi Louis
In My Home

If you are like a mouse,  
I am like a house!  
And i know that one day you will be in my home.

Edward Kofi Louis
In My Home II

In my home,
To live with you,
To be with you,
To eat with you,
To dance with you,
To learn with you,
To play with you,
To sleep with you;
For, this muse of love is all about you and i!

Edward Kofi Louis
In My Life

Greater harmony,
More precise with your love;
And to resolve this issue of love is all about you,
For you are very important in my life.

Edward Kofi Louis
In My Life Time

I can't see my face but,
The mirror can help me to do that;
I don't know my name but,
Love will help me to know my name;
I can't wash my back but,
You will help me to wash it;
This life of dreams,
I have signed more signatures in this land;
And you are all that i need on these experiences.
In my life time,
Of works harder than thought;
But you should be around me always.

Edward Kofi Louis
In My Limbo

Oh please, where are you? !
I have been looking for you without a clue;
So try to show your face back to me.
I seek to find you but,
You were nowhere to be found;
And i am still lonely in my limbo.

Edward Kofi Louis
In My Memory

In my memory,
In my mind,
With a story,
Of my history,
Blowing in the wind.

Edward Kofi Louis
In My Misery

Life,
Problems,
In my misery;
I will seek for you always,
Oh! Creator Almighty! !

Edward Kofi Louis
In My Neighbourhood

In my neighbourhood,
I met the old people in my neighbourhood;
And, they died one after the other.

Edward Kofi Louis
In My Night Vision

Dream,
In a night vision;
Flying up so high and,
Being very light like a piece of paper being blown away by the wind!
A nice dream,
Going up high to the realms above;
Into the heavens,
Riding on a feather.
In a night vision,
Being very far away into the heavens! !
Great,
Lively,
Lovely;
To a place like The Sea Of Glass,
In my night vision,
Where i landed my feather-like Flight Mechanism at the beach.
Dream,
In a night vision;
Then, i started to watch around,
To my left and then, to my right.
On my left were more feather-like Flight Mechanisms parked;
As one was given a White Robe to wear by a Malak,
Who then directs us to go to the right side to meet another Malak.
From there, we were directed in,
As i saw in my nicht vision,
In my dream;
There i saw a lot of people in White Robes Singing!
Facing the White Throne in the heavens above.
My vision,
My dream;
In my night vision,
Putting what i saw in a poetic form.
The realms of the heavens above!
Being taken somewhere in my night vision;
Seeing the heavens above.

Edward Kofi Louis
In My Own Eyes

Ehud, the son of Gera was a left-handed man;  
But Eglon, king of Moab, was an exceptional fat man!  
And my sweet mind of love is for you all,  
But the world around us should be guided with love.

Long live the king!  
Long live the bard!  
But you are like the woman after my heart;  
And with the sweet words from the Valley of Zeboiyim!

Of the young women going out to draw water,  
And like where the swords and the spears rested at last;  
But i need one of them to share my sweet love with,  
And like the peace of the world without war.

I am very small in my own eyes but very big in your eyes!  
But my donkey could not rest like your monkey last night;  
And like someone making love under the pomegranate tree,  
But the world around us needs peace than war.

Edward Kofi Louis
In My Own Way

In my own way,
With my own style;
Town, brown, crown!
Trying to explore the muse of life,
With my mind! 
Writing,
Teaching,
Teaching out to the world;
Muse,
Use!
Like preaching;
Each work,
Each style,
Creativity!
In my own way,
With my own style;
To touch the hearts of many! 
And to bring peace to the world.

Edward Kofi Louis
In My Prayers

Love,
I made mention of you in my prayers;
Always for your protection,
Making my request!
With the quest of life and, the best of love coming out from my heart.
Love,
I made mention of you in my prayers;
Like a lovely nest from the west for a bird to take a rest;
Along with the muse of the test ahead of me,
Always for your protection.

Edward Kofi Louis
In My Room

Life,
I am searching for my success;
From the walls of hatred and war.

Life,
I am searching for my success on this earth;
With anger and greed around me.

Freedom! !
In the land of trouble;
Searching for my way out.

Problems!
Searching for my way out,
Right here in my room.

Muse!
Heading towards success;
Trying to overcome the odds.

Love,
I need to rest my head;
From the troubles around me.

Edward Kofi Louis
In My Sight

Light! !
In my sight;
Bright light of true love,
With the delight of the truth.

Might! !
With righteous morals;
Righteous Laws,
With the insight of wisdom.

Peace and love,
Alright with the truth;
Like a flight! !
Beauty with the muse of the wings of love.

Edward Kofi Louis
In My Simple Abode

You visited me in the night!
To know where I lay my head;
In my simple abode,
Under the shadow of love.
Likeness!
Kindness,
In my simple abode.

Edward Kofi Louis
In My Soul

The power of love in my soul!
Because of you;
I know who i am! !
And i am sharing it with you.

Edward Kofi Louis
In New Zealand

I pray and hope that,
You are not much affected by the recent earthquake in New Zealand!
For i saw the news on my T.V. set and,
It was not easy at all;
And i wonder where you are.

Edward Kofi Louis
In Nigeria

This thing is very common in Nigeria!
The women deceive their men and,
The men pour acid on them! !

Edward Kofi Louis
In Northern Ghana

You've seen how love have taken off the tracks of your memory,
And how you're even forced to check your E-Mails every now and then;
All because of a woman in Northern Ghana.

The mus eoe life and the muse of love,
I pray and hope that you do not fall off forever! !
Now that your heart is heading towards the north.

The muse of life along the narrow path!
With the muse of joy around the opening of love;
With its entry through the lintels.

Ever forward and ever merciful!
Proceeding along to meet the lover of your heart;
Of a woman in Northern Ghana.

Help! !
Let me hold your hands and guide your ways;
For, there is a guardroom protecting this window of love.

The mus eoe life and the muse of love!
Like the muse of your joy when the east wind came in;
But, do carry on your faith on this journey to meet your love in peace.

Edward Kofi Louis
In Obedience

In obedience of the law,
I love you straight from my heart!
So let us be zealous to enter into rest on this love,
And let us approach the throne of mercy with boldness.

Edward Kofi Louis
In One Accord

Consultation,
Consolation,
Fellowship,
Confidence,
In one accord;
And, for the interest of others as well,
Base, abase!
Serving all in peace;
And, holding fast to the laws of life.

Edward Kofi Louis
In One Accord  2

Love,
Exalted with the words of peace;

love,
To promise you;

Following after the laws!
With the truth on your tongue;

Love,
Gladly accepted with the muse of the truth;

In one accord,
With righteous morals.

Edward Kofi Louis
In One Spirit

True love,
In one spirit;
Knitted with righteous morals,
In your presence once again! !
As before.

Edward Kofi Louis
In Our Dreams

In her dreams,
In your dreams,
In his dreams,
In my dreams,
In thier dreams,
In our dreams;
Dark eyes and full lips!
Love,
With the muse of ebony.
Sun, sunflowers!
Time for love;
Sunflowers!
Time for peace;
With the eyes of many on the muse of love,
But, nobody can stop nature's call.
The wind blows and the rain falls!
As seen everywhere on this earth;
Able, arable!
In our dreams;
And, to tell about yourself and to write about yourself.

Edward Kofi Louis
In Palm Desert

Love,
In Palm Desert;
With a Little view of the green,
Where water is found.
Sign, design!
Sporadically,
And, for a reason;
For, one's lve and, one's mind.
Love!
Do not be cold;
For, i came along with the blanket,
To cover your Body.

Edward Kofi Louis
In Parables

Speak, peak, sea, pea!
Love,
Desiring to speak to you;
On many things.

Seed, reed, feed, freed!
In parables,
In love;
With ears to hear my words.

The muse of life,
Blessed are your eyes for they see;
The muse of love,
Desiring to speak to you.

Edward Kofi Louis
In Peace

In peace,
In love,
With joy! !
True love;
Keeping the truth,
With righteous morals.

Edward Kofi Louis
In Peace And Love

Seek peace and pursue it,  
Seek love and take care of yourself;  
And, be ready to serve others in meekness.  
The new man,  
The new woman,  
The new child,  
Serving others;  
In peace and love.  
Walk in peace,  
Walk in love,  
Walk in unity with others;  
And, with a positive character!  
However, be ready to serve other in peace and love.

Edward Kofi Louis
In Peace And Unity

A carnally minded person,
Destroying and killing on earth in the name of hatred;
But those who love the Laws will live in peace and unity,
For, they will always practice what the Laws say!
And in love, they will care for one another.

Edward Kofi Louis
In Power

They all clam to rule us,
But curruption leads the land in everything;
Making you to pay bribe in every step that you take,
Falling into the hands of Satan! !
Without any other means,
Without any positive leaders in the land;
Even though, they are still in power!

Edward Kofi Louis
In Prayer

Disaster! !
Sickness,
Plague;
Plight, blight!
In prayer,
With the supplication of your heart.

Edward Kofi Louis

Life,
Look at it and see how it is;
And, when it fits in,
Fix it in!
But, do not hurt your neighbours.
Let us seek for peace and live,
For, we are all human beings;
Let us seek for love and care for each other,
For, we are all human beings;
So, if it fits in,
Fix it in!
With the truth,
With the laws,
In righteousness.

The last time we met was 10 years ago,
Travelling around the world in search of your lover;
I hope you've found what you're looking for.

Edward Kofi Louis
In Search Of It

Success has deserted me!
In search of it;
Such is life,
Loyalty,
Royalty,
My hope,
My faith,
Like winter streams that overflow! !
Still searching,
Distressed!
Disappointed;
But, such is life.

Edward Kofi Louis

In shackles!
Pain and agony,
But, give ear to me when i speak! !
Oh you that have knowledge,
Listen to me:
The ear tests words and,
The mouth tastes food;
But, my feet are now in shackles.

Like a commnader in-charge;
According to the view,
And, on the route of love.

By all imagination!
Climaxed with the muse of your joy;
In Silicon valley.

Edward Kofi Louis
In Sincerity And In Truth

But women do have many ways of exerting pressure on their husbands;
And like a preferential treatment on this love.

Edward Kofi Louis
In So Many Different Forms

Lust!
The desire to sin;
Lust!
With the deceptions of the world;
Lust!
In so many different forms;
The lust of the flesh,
The lust of the eyes,
The pride of life;
Lust!
All leading us to sin.

Edward Kofi Louis
In Space

In space;
With the ace of the universe,
The place,
The palace of Wonders! !

Love!
There is a meaning behind it;
Between you and i.
Love!
In space and time;
Love!
Here around us;
But, be very wise to do the right thing always.
Love!
With the Milky Way up high in the sky;
Love!
To teach a lesson of humility;
Speak, peak!
With something extraordinary;
And, with the power of your love.
Love!
With the sweet muse of joy that is in you;
And like the muse of the earth,
Which is remotely located our of space.
Love!

Love!
The Creator knows our hearts;
Love!
To invest in it with the muse of peace;
Love!
Time and age;

Love!
You can change from the old to the new;
Love!
Leading you to the power of life;
Love!
To pay attention to it;

And, with the sweet muse of joy.
Edward Kofi Louis

To a place where the moon lives;
Ace, pace, space!
Of the race,
Orbiting to understand the muse of creation.

Edward Kofi Louis

We don't go there hating someone;
We go there with love, peace and joy!
In unity with righteous laws.

Edward Kofi Louis
In Subjection

Life,
Every transgression and disobedience receives a just repayment reward;

Illegal lust!
To be caught hands down by your workers;

As you neglected the laws of the land,
In subjection;

Under the muse of the laws! !
With the muse of flesh and blood.

Edward Kofi Louis
In Summer Time!

In summer time!
Closing up the windows till the evening;
With, the honour of the Honourable and,
The patience of the patient.

Van, vane!
Choosing the red stew and eating it together with your lover;
Van, vain!
Learning the ways of the worldly people;
But, it is time to come out from them and be saved.

Life!
Love has the power to change the world than with hatred;
Peace!
Sharing with one another;
Joy!
Caring for each other;
Because, love has the power to change the world today.

Edward Kofi Louis
In Sunyani

To ensure,
Very bold and sincere;
But your enemies are like the bombs of war! !
However, try to take a view on this love;
Because i am slated in Sunyani for us to meet!

Edward Kofi Louis
In The 1940s

Vanished! !
Patients,
Memories;
But the Television came into the homes in the 1940s!
However, the guide to healthy living is what you need in this life.

Collapsing! !
Confusion,
The scientists;
But you need my love to guide you on!
For, there are many who are unable to have a natural birth today in this world.

Edward Kofi Louis
In The Afternoon

In the afternoon,
Old and advanced in years!
Seeing the old man and his old wife;
Walking together,
Mule, rule!
With the beauty of life,
With the beauty of love,
With the beauty of nature;
Seeing the old man and the old woman,
Walking together.

Edward Kofi Louis
In The Arabah

From her flow of blood,
Her monthly period;
Check the spot,
A female child;
But, don't shave your heads for the dead!
For, i am here with my muse.
Remember! Never forget;
With the edge of the sword,
For, i am here with my love.
Fins and scales,
Examine them;
And like a special treasure for all the girls!
But, i am here with my muse.
Of all that have both fins and scales,
Don't eat abominable things! !
And like a special treasure for all the women.
Men for war,
Women sfor slave,
Children for death!
And like a special treasure for all the men;
But i am here with my love.
A pleasing aroma,
In the Arabah;
But the meat is on the wood with fire around it!
And like the two kidneys,
But, seasoned with salt.
Springs of water,
The fat of the bull! !
Listen to the sound of the singers;
For, the horses hooves pounded.
Of your own flesh and blood,
But to rob all who passed by;
And like a special treasure for all the ladies! !
But, i am here with my muse.
The way of the earthly things,
The way of the heavenly things,
I am now very old and advanced in age;
But i am here with my love.
The accent,
The coercive power!
And like the allotment of a tribe;
But, in the Arabah with the muse of my love.

Edward Kofi Louis
In The Arms Of Sweet Love

She spoke to him,
With a pleasing aroma of love;
Respect! !
According to the prescribed manner,
And he took care of her;
In the arms of sweet love.

Edward Kofi Louis
In The Bar

A star!
A kiss;
In the bar,
With the Miss.
Tar, bar, star!
To kiss the Miss;
In the bar.

Product, conduct!
To raise awareness;
of the kiss,
Relating to the incident.

Love!
To inquire about it;
Or otherwise,
To know more about her!
And, to be more precise.

The kiss!
From a star;
With a Miss,
In the bar.
Be, bear!
To be with her;
Be, beautiful!
With the muse of her love.

Edward Kofi Louis
In The Bar  II

She is with a glass of red wine in the bar,
But, i have to talk to her;

Love,
Dating years back!

Bilateral,
In furtherance of the cooperation among us;

Love!
With the reciprocal to visit her.

With fruitful discussion and,
With a remarkable point to make;

Trying to advice her to change her lifestyle,
And, with a wide range of issues at hand.

Edward Kofi Louis
In The Bars

Illegal lust!
In the bars;

Drinking,
Drunk;

Lost,
With men and women sold to the pleasures of the world.

Lust,
Unfolding the ways of your evil works;

In the world today!
Crisp and complex at times;

But, always seen in the bars!
With men and women sold to the pleasures of life.

Edward Kofi Louis
In The Basement

She kept it down there!
Beneath,
Underneath,
In the basement;
For safety.

Edward Kofi Louis
In The Battle

War! !
In the battle;
Rattle,
Cattle,
Prattle,
Wattle!
And, destroying everything that comes your way.
Rain, refrain!
War,
In the battle;
And, to die like a criminal.
To be aware! !
With the issues of the land;
End, pretend!
On the sidelines,
Big, bigots!
Across tribal and ethnic lines.

Edward Kofi Louis
In The Beautiful Estate

The terrace,
Elegant;
Designated,
Attic!
In the beautiful estate.
The muse of life,
With the muse of love;
But, the house id fitted with wide doors,
Opening onto the garden.
Plot-size: 100 x 100;
With 4 bedrooms and 3 bathrooms,
In the beautiful estate.

Edward Kofi Louis
In The Beginning

In the beginning was the WORD,
And the WORD was with YAWEH ALMIGHTY;
The power of Yahweh created the Universe with,
The Light to shine upon the Universe;
'Let there be Light' and, there was Light.
Then HE created man out of the soil of the ground,
A living man who needed a suitable companion;
Out of man came woman as the companion.
Oh mankind! You were made from the soil and,
You will return to it one day;
Yahweh joined then together as Husband and Wife.
Creation has a very long way but,
Time after time we do go against the laid down rules.
The essence of Marriage is lost today and,
Where are the ethics of the Creator?
We cannot even see to our mistakes.
To err is human but, to know is better;
Where is the integrity of our marriages?
Where is the beauty of the Creator's rule?
We have lost the true meaning of marriage.
'Let there be Light'! But, our lights no longer shine.
HE created man out of the soil and,
Woman out of man;
But, we have used the man-made laws to change the rules.

Edward Kofi Louis
In The Book Of Remembrance

Gold garments!
With songs of praises;

Gold garments!
In love and showing honour;

Love!
In the Book of Remembrance;

Love!
It comes in different ways;
And, with the joy of the mind.

Love!
Straight from the heart;
Serving and caring for others.

Edward Kofi Louis
In The Brong Ahafo Region

My friend Cain lives in 'Tain',
But this is in the Brong Ahafo Region of Ghana;
And like the same scenario in putting Professor John Evans Atta Mills into power.
Change came to Ghana to meet all of us one day,
But we have to iron out our differences to move the country forward.
7th December, 28th December and 2nd January reminds us of the closeness of the elections;
However, Professor John Evans Atta Mills was sworn in into power!
And mathematically correct to bring back the NDC into power.
I had this dream long time ago! !
And to the 'Tain' Constituency to greet my friend;
For the voting numbers from that area changed everything,
Despite the questionable figures produced from the Ashanti Region.
The writings were very clear on the walls,
And it was time for a change;
But in a land where politics are played on a rivalry bases between the NPP and the NDC,
And this dream that i saw was all that came and past!
For today, the NDC is back again after eight years in opposition.

Edward Kofi Louis
In The Bush

You are like a young lion in the bush of love,
But the great waters of love are now held back!
And you are still waiting for the deep because,
Your faith is not all that strong.

Your heart is exalted by the height of the mountain!
And like the trees of Eden with the muse of the laws;
But the rivers are now running through the base of love.

Edward Kofi Louis
In The Bush    2

Meet me in the bush,
With the direction i gave you;
Always at the same place,
Only for the two of us.

Edward Kofi Louis
In The Bush 2

Forest flowers,
In the bush;
Like a digital prism.

Edward Kofi Louis
In The Bush II

The outlet,
The passage,
This outlet,
The narrow path;
In the forest.
This outlet,
This passage,
The outlet,
This narrow path;
In the bush.
Out, outlet!
Hidden with a guide;
Let, outlet!
Protected with a guard;
But, you need to read the signs before going along.

Edward Kofi Louis
In The Capital

Life,
To enable;
Fund, found!
Called upon to cooperate.

Norah!
Brining out the truth to all;
In the name of love,
And, with knowledge and peace.

To interact!
Expressed;
In the capital,
And, to improve on your status.

Love!
In the capital;
Briefing,
To release!
With the muse of your technical work.

Life,
In the capital;
Going around things and,
Walking along the streets to study the acts of the people!
And, to improve on the situation.

Edward Kofi Louis
In The Catalogue

Your beauty!
Like the picture in the catalogue;
Seen all over the world,
But, to do add servitude and attitude.

Edward Kofi Louis
In The Cell

In the cell,
With the spell,
And, to tell your story to others as you dwell in there.
'Liver-pool'!
With your liver within you in the cell but,
There eie no pool around for you to swim in;
As you tall your story to others,
Hoping to be well one day.
Ell, tell, dell, spell, sell, shell, dwell, hell, cell, yell, well!
With the hell of the cell distributing your mind.

Edward Kofi Louis
In The Circus

Diamond!
Of the value;
Gold!
Of the volume;
Muse!
In the circus;
Illegal lust!
In plain sight and,
Exposing yourself to the public.

The muse of life!
Going around the globe;
With the laws,
But, at times, with the ways of mankind.
The muse of life!
360° around the globe;
teaching and changing the hearts,
But, many are still not ready for a change.

Illegal lust!
With wealth and pleasure;
Leading you astray from the truth.
The muse of love!
With unity as the base;
Leading to peace and joy than,
Exposing your nakedness to the public for money.

Edward Kofi Louis
In The Circus 2

Locust,
Locus,
Focus!
In the circus;
The circle of life,
The muse of love,
The romance of nature,
Learning along!!
With the aroma of righteous laws.

Edward Kofi Louis
In The Coffin

Dead,
In, coffin!
To be buried;
War! !
Lack of love,
Bringing death to the land.
The vehicle,
The foundation,
Part, impart, apart!
The incident,
The accident,
Dead and buried;
In the coffin.

Edward Kofi Louis
In The Cold

Water runs out of my right eye more than my left eye in the cold,
My right hand freezes more easily in the cold than my left hand;
Walking in the cold with temperatures of plus 3 and minus 20 degrees!
But, who can understand this when I am from Africa?

Edward Kofi Louis
In The Country

In the country,
Faithful to the call of nature;
Confidence!
With the muse of the views around;
Taking a walk along and,
To respect nature.

Edward Kofi Louis
In The Dark

Park,
Bark! !
Dark Nude,
Bare,
In the dark;
Enjoying your love,
With the time of the season.

Edward Kofi Louis
In The Dark  2

Life,
In the dark;
Down to the sea of love,
The sea was rough! !
As they entered into a boat,
Because of the great wind that blew! ! !

Edward Kofi Louis
In The Dark 3

Deep night,
In the dark;
Do you see anything? !
Total darkness,
With the muse of the night.

Edward Kofi Louis
In The Darkness

Your nakedness is now exposed to us,
Because of what you did last night;
But it is very common around us and,
It is seen everywhere!
And your desire is like the mind of the masses,
But the wind came in and in the darkness you were exposed!

Edward Kofi Louis
In The Darkness Ii

Lust!
In the darkness;
Hunters!
With the muse of their guns;
Scared!
In a related development;
With bullets coming out from every direction.

Rivals!
Like Royal Cousins at war;
Lust!
Dangling in the air;
Without responsibilites.

Illegal lust!
Behind closed doors;
Swipe, wipe!
With tears after the act;
In the darkness.

Edward Kofi Louis
In The Day Time

I have to come here again in the day time,
For i couldn't see well in the dark last night;
And i need some special pictures at hand to be able to identify you.

This is all about love and this is all about your muse,
For the night exposed you to me!
But you were far from my standing point.

Edward Kofi Louis
In The Deep Sea

Your law is the truth,
Your love is the way,
Your romance is the taste to share,
Of the aches and pains in these bodies;
Please, do not murder;
Since all the holidays are for the pagan gods.

Of the great stone of Abel,
If you will listen diligently about life;
Like the numerous congregations at the shore.
Evening, midnight, cockrow, or of the early morning;
The elevated strong hold of the shore is around you.

Quinctilis was the fifth month,
In honour of julius Ceasar!
The fifth monmth then became July and,
This is what Satan want to see.

Of the sweet taste of love,
She rebelled against him;
Like the harp and the lyre in the deep sea of love,
Wake up to these facts and learn more.

At the waters of Meribah,
To scatter then throughout the land;
Sextilis was the sixth month.
Of a message to the stormy wind,
Like the deliverance in Yahrusalom;
Later, Sextilis became August in honour of Augustus Ceasar.

September was the seventh month,
Like the stick that divided the red sea;
They built,
They grew,
They multiplied;
So teach me so that i may see.

Of wisdom by the birds of the air,
To walk like a snail;
Of the perfect atmosphere,
To think like an ant;
Eyes and ears of the world,
Listen to me when i do write.

Edward Kofi Louis
Lust!
Living in the den of thieves;
Stealing and going against the laws always.

Illegal lust!
'Truly, truly, i say to you:
He who does not enter through the door into the sheepfold,
But climbs in some other way; he is a thief and a robber'! !
As seen in the world around us today.

Lust,
To enter in through the wrong way! !
Like a thief.

Edward Kofi Louis
In The Den To Stay

Pen and hen,
In the den to stay;
Because of your evil acts.

Edward Kofi Louis
In The Department Of Unity

Your understanding,
Your love,
Your care,
Your peace;
In the department of unity to share with me,
For several women will give themselves in marriage to be a possession to one man!
And like the truth written from the beginning.

Edward Kofi Louis
In The Depths

Muse,
Use,
Fuse,
Diving into the depths of the Blue Colour;
Not to refuse your true love,
Eye, Eve!
Presence,
Magic! ! !
Organic,
With love,
True love,
Branch, ranch!
Together,
With you,
With the joy of life.

Edward Kofi Louis
In The Desert

A place,
A place of love,
In the desert;
Possessed!
Too superstitious.

Edward Kofi Louis
In The Dim Past

Their names have been changed like,
Another fairy tale;
In the Island of Paxos!
Gorwing stronger each year and,
Thinking about the muse of your lover;
But try to remember Costantine.

The Bacchanal lamentations,
Of Ishtar and Tammuz!
The lighting of candles,
And like the Greek Aphrodite;
Man's desire for an increase brought about,
The council of Nicea which changed the truth!

Of coloured eggs and rabbits,
Pagan to the facts known to us today!
And from the old world into the new world,
For we are all lost in the dim past.

Abominations! !
For no reference is now made on this issue;
But, there is a land flowing with milk and honey.
Just as it was before and like the problems at various homes,
But do not behave like the dogs when you hear the truth!
And like the folk tales of the world around you.

An apple tree for a boy and,
A pear tree for a girl;
An honourable name is better than fine perfume!
But with hopes and dreams in the dim past,
For this act was recorded in AD 325.

Edward Kofi Louis
In The Direction Of The Wind

A tamarisk tree,
Nature,
Free!
Standing in the direction of the wind;
Like one who grieves on his or her own conscience,
But, with hope.

Edward Kofi Louis
In The Dry Season

Life, love, peace;
But, when the water is taken away!
Then, i know that i have no water,
In the dry season.
Hard to speculate it!
Hard to believe it;
To live with the muse of my love in the land,
As nature changes its colours.

Edward Kofi Louis
In The Evening

Deep love,
He put out his hands and took her in;
Drew her to himself and embraced her!
In the evening.

Edward Kofi Louis
In The Evening  2

In the evening,
Meeting you,
With the message,
From the one who sent me;
To deliver the message to you.

Edward Kofi Louis
In The Farm

A small farm in Africa!
Not bigger enough,
Compared to that of your neighbour;
But, you are always busy in the farm.

Edward Kofi Louis
In The Field

In the field of love,
To play nearby with the works of the truth;
As the river rages and overflows.

Edward Kofi Louis
In The First Act

Hew, chew!
The first order,
The second order,
The third order;
Like the jewels of love.

Romantic,
Broadway therapy,
Jones, bones!
Exotic,
Sage home,
In love.

Trick, Rick!
The taste,
The taste of love;
Confidential,
In the first act,
With the muse of the light in the dark.

Edward Kofi Louis
In The Flesh

Love,
To see your face in the flesh;

Works,
To see your face in the flesh;

And, be comforted;
With the assurance of your love.

Life!
Understanding the ways of nature;

With the exact knowledge of the truth,
And, with the works of wisdom on this love.

Edward Kofi Louis
In The Forest

The wolf!
The fox,
The bear;
Living in the forest together,
With the gift of nature.

Edward Kofi Louis
In The Forest Of Love

Rest!
In the forest of love;
Embraced with the muse of your race,
Like the nest of a bird fround around.

Edward Kofi Louis
In The Forest Of Love!

In the forest of love!
Men deed to eat more tomatoes than women;
Being watchful,
With cats and dogs.

Men and women!
And of all the children who came out to play;
As the sun sets out to watch them.

The muse of life,
Spread out your hands for love!
For, there is always peace where there are not rivalry and strife;
However, confusion and every evil work Comes from rivalry and strife.

The muse of life,
Remarkable with the muse of sweet love;
And, with a journey through nature.

Edward Kofi Louis
In The Frying Pan!

IN the frying pan!
Frying;
Cooking with the art of love,
In style;
And like your portrait on the wall.
Drinking tea with you,
Eating food with you,
Cooking with the frying pan;
And, with the muse of love!
Prepared for you and me.

Edward Kofi Louis
In The Game

Foot,
Ball,
Football!
To kick the ball and to keep the rules;
For, there is a referee in the game.

Free!
The same;
Fee,
The shame after losing the game;
But, there is always a referee in the game.

White sand,
Brown sand,
Red sand!
As it came about with the muse of different fields;
But, try to tame your heart and keep the rules in the game.

Edward Kofi Louis
In The Garden Of Love

Come and let me receive you like the sound of my love,
And you will be counted blessed in the garden of love;
For your love is noted and,
I've got many windows in my room!
But, this world is not well noted by its secret leaders.

Edward Kofi Louis
In The Grave

Grave,
Rave,
Death,
Buried,
In the grave.
The ordinance,
The dance,
of the culture,
With the muse of the tradition.
Grave, rave!
The attendance,
Understanding the ways of the people;
With a common example to the world.

Edward Kofi Louis
In The Guest House

Greetings from my heart to the humankind!
For, the hindrances of life is part of our lost dreams;
Towards the achievements of peace and joy on earth.

Love,
In the Guest House;
With food and spices.

It is time to teach the children with the truth!
It is time to teach the world with the truth;
Because, we all need help.

Empty your hearts and reach out to my realm of peace!
And, let the special treasures of love teach you and bring you joy;
However, our morals today lie so low! Because, we are being deceived.

Edward Kofi Louis
In The Hand

Embroided garments,
Searched for;
With a measuring reed in the hand.
Bits,
Cubits,
Accomplished with the muse of love.

Edward Kofi Louis
In The Higher Echelons

Poetry is you and poetry is me,
But why have you change your colour towards me?
Poetry is to the whole world to express our views,
Like the mountains which do spew fire!
With man-made rivers and lakes to swing my muse.

Of a leadership to take up my muse to all mankind,
And we must get thew rocks to talk when the earth quakes;
For the fish need to move when,
The people do talk as well.
We must get our poetries across for others to learn,
And sometimes it pays to have connections;
For in the higher echelons,
It needs a visionary to make it through.

Like the legend of the dragon sword,
Always do follow the right footsteps;
Like the legend of 'Okomfo Anoyye's Sword',
You've got to teach your children the truth;
Like the legend of the snake sword,
We need the land to talk like a camel's milk.

Of that day when mankind will laugh,
To soothe the psychological trauma like a bee;
But a second placed position is the first loser.
It always pays to have connections,
And it always pays to learn;
Like the medicine mountain from the interior of the earth.
The steel grids are gone!
But i am from the medicine river to touch your heart;
With ten thousand barrels of oil a day.

Edward Kofi Louis
In The Hood

To hurt for food!
In the hood,
With a wood;

With the muse of life,
Seeking for peace.

Lap, laptop!
Living in a Luxury Hotel;
With your lover,
And, with the blues of life.

Close, lose!
But, with the muse of joy;
Part, partners!
Sharing with your lover in the hotel.

Edward Kofi Louis
In The Laboratory

To the colourless plants of life,
I am in the laboratory with my mind;
So, read this poem like legumes so sweet.
Peas, beans, maize and peanuts;
To set the criteria with my mind when,
True love touches my heart.

This was during the transfer,
On the conveyors to meet my love;
The sparkle and the creamy foams tells it all.
I am in the laboratory with,
Words to sprout out like legumes;
Triticum Vulgare,
Triticum Dicoccum,
Hordeum Distichum,
All carefully tested for the muse of love.

To age and to clarify things,
Like the docoction of honey;
I am the hole out of a rock with,
The muse of love from the laboratory.
Love brings many to intoxication,
I am in the laboratory with words and works;
To set the criteria with my mind when,
True love touches my heart at work.

Edward Kofi Louis
In The Land

Early in the morning,
In the land;
To educate the mind,
Life!
To be able to teach with the works of the truth;
For the peace of the earth.

Edward Kofi Louis
In The Land  2

In the land,
To search for the sea!
Which is behind the bush.

Edward Kofi Louis
In The Land 3

Dun,
Dunce,
Dune,
Dunk!
Dunt,
Dump,
Done,
Dungeon;
In the land,
With your acts.

Edward Kofi Louis
In The Land Of Beautiful Roses

The legacy!
Still there through the blood;
The English Rose!
The spirit of England.

Love!
To break the ice;
Between me and you,
And, like the muse of the New Moon.

Blood is thicker than water!
So, be wise enough to do the right thing always;
And, by bringing peace to all,
Than with the bullets of war.

Love!
Being friends on equal terms;
With the muse of harmony,
In the land of beautiful roses.

Edward Kofi Louis
In The Land Of Gossip

I cannot be with you people because,
You are living in the land of Gossip.

A man takes a story and twists it to another,
A woman takes a story and twists it around!

Hatred and jealousy then becomes the order of the day,
And, that is what i see among you people.

For, others are also ready to insult and fight each other! !
So, i cannot be with you people in this land of Gossip.

You know the laws and, they are always around you people!
But, gossip had been the order of the day;
Destroying brothers and sisters in the faith.

Edward Kofi Louis
In The Land Of Ham!

In the land of Ham!
Teemed with frogs and flies;
In the land of your muse,
Backed with the muse of love and care;
But, the basketball falls beside you today.

There is nothing new under the sun! !
However, mushrooms are vegetables;
And like the churning of cream to make butter,
But, kindness is deceitful at times.

The head of the Babylonian systems!
The adulterer waits for the dusk;
However, every river flows to the sea,
Yet still, the sea is never full.

Edward Kofi Louis
In The Land Of Joy

Flat face and round bottom,
Long face and small bottom,
One can surely make it a big difference!
And like the power of one's love in the land of joy.

One letter can create a book,
One vote can change a nation,
One candle can be lighted to overcome the darkness!
Yes, one can surely make it a big difference.

One bird can herald a spring,
One smile can create a beautiful contact,
One's dream can lead to one's success,
And one laugh can conquer gloom!
But the joy of your muse is from the power of one.

One can surely make is a big change!
One seed can create a garden,
One song can spark movement,
And one poem can touch the hearts of many!
For the joy of my mind is now seen by others.

One tree can give birth to a forest,
One star can guide a ship,
One letter can deeply touch your heart,
One step can start a long journey,
One word can give birth to a prayer!
And like your first kiss to your lover.

One hope can lift the spirits,
One love can bring about the peace and joy of this world,
One touch can inspire love and care;
And one voice can speak the truth with wisdom!
But the joy of this poem is edited by one's mind.

One life can make the difference to guide you on,
One's freedom can liberate others;
And like the star which guided the Three Wise Men,
For one can surely make it a big difference in this life.
Edward Kofi Louis
In The Land Of War

Tribulation,
Red blood;
Rebellion!
Developed into war;
Destruction,
With the death of the people.
Devastation!
To fear,
To be weary;
In the land of war.

Edward Kofi Louis
In The Long Run

This not what they expected;
However, they got what they wanted in the long run.

The muse of life and the ways of love!
Going along with the laws of the land;

But, this is not what they expected from the natives of the land,
However, they finally got what they wanted.

Edward Kofi Louis
In The Lorry

Story,
Worry!
In the lorry,
Sorry,
With your history,
Seen in the territory today.

Edward Kofi Louis
In the middle of October i will be with you,
Because your love is now ripe for care;
And i will bring along my romance to satisfy your muse,
Fo your roses are now very red!

Edward Kofi Louis
In the middle of the field,
With the muse of sweet love;
And, a wise son.
Oh the Mount of Beauty!
Born to win,
And, born to gain;
However, mankind is appointed to suffer along the muse of life.
Muse, life, joy, peace, love!
With the works of the truth;
Being guided with the laws,
However, I am now out of the mouth of the lion!
Because, somebody was waiting for my downfall.
The muse of life and the muse of love!
To prove all things and, to hold on to the truth;
With the oil of gladness.
Modest appeal!
The love of the aroma of romance,
Of the ultimate result;
In the middle of the field.
For the first time!
Like a dream come true;
And, to be schooled to become a bard,
In my neighbourhood.
Love, life, peace, joy, unity, humility, compassion!
Like the passion of the burning spear;
And like the muse of a native in the land of lions and elephants,
But, this date will always be remembered in my calendar.

Edward Kofi Louis
In The Middle Of The Road

Fondant!
In the middle of the road;
Fondle,
With the muse of your hands;
The legacy!
Like the English Rose.
Foundation!
With the muse of your mind;
And, of the love bewteen you and me.
Bet, between!
To do public duty;
Be, between!
Like mother and father;
But, now, two nations are at war with each other.

Edward Kofi Louis
In The Midnight

Illegal lust!
Eating up your brain;
Because, there is no peace around you.

 Illegal lust!
With marks of assault on the face of your neighbour;
Because, you live with hatred.

Lust!
You committed the crime in the midnight;
With marks of assault on the face of your neighbour.

Illegal lust!
From your own conscience;
Eating up your brain in times like this.

Edward Kofi Louis
In The Mirror

Do you know how you look like? !
Then, watch yourself in the mirror and tell me.

Edward Kofi Louis
In The Mirror 2

Watching yourself in the mirror and, to tell me how you look;
If you need a change, you better do it with righteous act!
For a better future with the muse of the truth,
Facing your life to enhance your status,
learning from the hands of teachers of righteousness to stand up straight! !
So, watch yourself in the mirror and make a better change in life.

Edward Kofi Louis
In The Morning

In the morning,
Seeing the face of a young woman;
This young woman was very beautiful!
And, to prove herself to be a worthy woman.

Edward Kofi Louis
In The Name Of Evil Acts

War! !
The sorrows of death surround mankind;
In the name of evil acts,
Snares!
With the cords of the grave ready for the dead.

Edward Kofi Louis
In The Name Of Illegal Lust

The muse of life!
The muse of love,
The ways of mankind;
On this earth,
With hatred and war all the time.
Paste, taste, waste, haste, baste, caste, chaste!
With the muse of the land;
Use, sue!
In the name of illegal lust;
Muse, use!
In the name of war;
Caste, Castle!
In the name of power;
With hatred all the time,
As mankind moves around the globe.

Edward Kofi Louis
In The Name Of Life

Life,
Open your eyes and start to see the ways of the truth;
Which leads to unity than, the ways of lies! !
Because, lies lead to war.
Towers and trumpets!
Close to the eyes of the wall around you;
Trying to teach you anther dimension,
Another level! !
All in the name of life.

Edward Kofi Louis
In The Name Of Love

She was so sweet and you tasted her fruits of love;
To have the key to her house,
And, to enter in anytime.

Honey from her lips!
To romance her body;
Taking you to the land of dreams.

Veteran!
Until something is done;
In the name of love and, in the name of peace.

Edward Kofi Louis
In The Name Of Lust

Do not eat any reptile and,
Heavy drinking of any sort is prohibited over here;
For, the carnal minds of mankind are full of lies.

Keep your marriages intact!
For, none of the religions carry the True Name of the Creator;
However, we are bombarded daily with many religions claiming to tell the truth.

Do not eat or drink blood!
And, do not be under the control of the gods and goddesses;
For, the atonement of our sins is like the babies of teenage mothers.

The life of teenage girls and boys,
Learning from their parents to make a change;
But, how much perfect can they be if, their parents themselves are off the tracks? ! !

Of the carnal minds and,
Of the lust of this world;
Of the keys of hell and,
Of the doors of the graves!
You've left your first lover and now you are with another;
And like the teenage pregnancies worldwide.

Do not cure the deaf,
Do not cure your parents or your teachers,
Do not eat things sacrificed to the gods and the goddesses! !
For, one day you will pay for your sins.

The fruit os death,
The love os sin by many!
And like the beds of fornication and adultery;
But, it is very sad that, the dragon is worshipped today than the Creator! !
And, many are already lost in the name of lust.

Edward Kofi Louis
In The Name Of Lust  2

Teenage boys,
Teenage girls,
Seen at night;
In the dark,
In the name of lust.

Edward Kofi Louis
In The Name Of Peace

The birds have one flesh and,
The beasts have another;
There are heavenly bodies and ther are earthly bodies;
However, we the human beings do have one flesh.

Life,
A dream that has come true will never pass away;
But, war had now put you into the edge of the wilderness!
Searching and going through the sedert for survival.

Sweet-smelling cinnamon!
Sweet-smelling cane;
Sunk in the mire of deep places,
But, the fathers have now eaten sour grapes!
And, their children's teeth are now set on the edge.

Tongues like a sword!
To write it out according to the laws;
With a view on the pastures of the wilderness,
And like a river that could be walked through.

Life,
To be very nice to the people around you;
And, to bring joy to all!
In the name of peace.

Edward Kofi Louis
In The Name Of Righteous Works

From the earth,
To hear the words of love;
With the ears,
Safe in the arms of the truth.
Patience,
The essential element in life;
With the awakening of the truth!
In the name of righteous works.

Edward Kofi Louis
In The Name Of The Laws

I am Yechetzqyah,
You are Yahchanan,
And, he is Yedidiyah!
All in the name of the laws to teach others;
But hatred had led to the wars of this world than love!
So, we have to find a way to educate the people on peace,
For unity is surrounded with love! 

Edward Kofi Louis
In The Name Of War

War is a crime!
Killing and destroying;
Hiding the truth from the people,
With the pride of war.
Evil, devil!
With the wickedness of mankind;
In the name of war,
War is insane! !
Killing and destroying everything.

Edward Kofi Louis
In The Pages Of Love

Love, life, peace and joy!
Of what lies in the days ahead;
Beyond the human mind.

The muse of love,
The deep desire in every human;
But, do not be caught off guard in life!

The foresight,
To be prepared!
Ready to face what lies ahead.

Muse, love, act!
On a certain day and time;
ready to do what is right.

The muse of care,
In the pages of love;
With servitude and attitude.

The muse of joy!
In the pages of love;
With what lies ahead of mankind.

Edward Kofi Louis
In The Prime Of Your Life

Scorch, torch, porch;
And like my bridle and your bridle,
But let us return on the same way that we came in.

My ears,
Your ears,
My look,
Your look,
And to return the same way that we came in;
For you are now in the prime of your life,
But the muse of your love is now hanging in the air!

Edward Kofi Louis
In The Prime Of Your Life  2

Time!
In the prime of your life;
Doing what is right,
Like the voice of the nobles.

Love!
As your choose the course of life,
Wet in the rain! !
Being touched with the words of the truth.

Edward Kofi Louis
In The Rain

I was wet all over in the rain!
But the sunshine came and dried me up;
And in the night, the moon came and kissed my lips!
Because i was looking for my lover and,
I have to walk all day searching for her.

Edward Kofi Louis
In The Rain Alone

Tears in the rain!
In the rain alone with my tears;
For, i am now lonely without my lover.
Raise, praise, braise, arise, erase;
But, the joyous meat was shared in the night,
And, i am now left alone in the rain crying.

Edward Kofi Louis
In The Rainbow Nation

To rise to the top!
To perform this work;
Predictions! !
But, difficult in some ways.
Connecting on!
Coming along,
Of her first encounter;
In the Rainbow Nation.
Counter, encounter!
Argued;
Norm or custom,
With the vital adrenalin.

Edward Kofi Louis
In The Red Garden Of Sweet Love

Hew, new!
In the Red Garden of sweet love;
Store, ore!
With the message of your love.

For, fro!
With the ways of peace and joy;
Roe, ore!
With the message of your muse.

Hew, new;
In the Red Garden of sweet love!
And, learning and teaching with the beauty of life,
By example.

Bare, bear!
With the muse of your sweet love;
Ear, era!
In the Red garden of sweet love;
True love!
You are the very one to take me higher.

Love!
With a sweet smile on your face;
Life!
Taking care of me whenever i do fall;
And, the with joy of this lovely garden.

In The Rice Fields

Rice fields and red frogs,
Rivers!
Flowing together;
Nature and culture,
Meeting together;
As the frogs were seen in the rice fields.

Edward Kofi Louis
In The Rich Soil

Love,
Feed the lambs;
Peace,
Feed my sheep;
Joy!
Feed my goats;
With the abundance of the waters around,
And, with true love planted in the rich soil.
Beautiful jewels!
Jewels of love;
With the aroma of peace,
Bringing joy to all.

Edward Kofi Louis
In The Right Way

Wash it,
Clean it,
Keep it very nice;
And, use it in the right way.
Gold, bold, hold, old, sold, cold, fold!
Image-manager,
In the night of the red roses,
To colour the grey! !
With, the shades of grey;
But, in the right way.

Edward Kofi Louis
In The Royal City Of Love

Joy! !
In the royal city of love;
With the truth.

Bare, barely!
To lie down,
With the muse of sweet love.

The muse of your joy!
The act,
The third time.

Ways of life,
Diddle, middle, fiddle, riddle!
With the muse of nature.

Love and dreams,
Daddle, addle, saddle, paddle!
Facing the odds of life.

Hustle and bustle!
With your muse in the royal city of love;
Unveiling the beauty underneath.

Babble, dabble!
Enjoying the ride of your life;
In the royal city of love.

Edward Kofi Louis
In The Same Manner

Be a teacher of the faith of the truth,
With respect to all mankind;
In the same manner,
Seeking for peace;
For the joy of the earth,
With righteous works.

Edward Kofi Louis
In The Same Way

Uplifting!
Bringing it up,
In the same way;
White hats! !
Black hats,
Coloured hats;
Uplifting!
Bringing them with the muse of your love;
Poured! !
Water, milk and whey.

With the muse of the teachers!
Teaching the truth,
With positive morals.

Edward Kofi Louis
In The Scriptures!

Ask yourselves if your works are prophesied in the Scriptures!
For, to establish the work is noted by Yahweh's chosen few;
And, there is no other work than, what was prophesied (Amos 3: 6-7).

Edward Kofi Louis
In The Secret Place

Love,
To dwell in the secret place;
With the muse of the laws covering your refuge and your fortress,
And, training in the truth.

Fire and ice!
Come to Iceland to see the wonders of nature;
For, the vocalno burst out from the ice and now,
It over flows all it banks.

The muse of love and the muse of life,
To dwell in the secret place;
Like your first love behind the coconut tree!
All in the name of your works.

Edward Kofi Louis
In The Sector

Concentration,
Advantage,
To escape! !
With corruption inn the sector;
Screams of help!
In the oil sector;
Contracts!
With coastal inspection.

Creams of love,
With enough accounts;
And to function very well.
Flooding!
With the muse of the torrential rains;
Desperate,
With the muse of your brain.

Streams of joy,
But, she needs salt for her food;
So, satisfy her with your salt and,
Let there be peace on earth.
Communications!
But, righteous works help the Creator and,
Evil works help Satan.

Edward Kofi Louis
In The Sense Of Existence

To be,
To become,
To come to pass!
To be with you,
To be with your love,
Converted,
Auxiliary,
In the sense of existence;
Love!
With the connection;
With the measure,
The measure of life!
Like a place in the desert with your dessert;
But, the substance of love is with the truth.

Edward Kofi Louis
In The Sense Of Want

Content!
Consent,
To be acquiescent;
To breathe after,
Willingly!
Desire,
Swift! !
Bending towards it,
In the sense of want.

Edward Kofi Louis
In The Service

Conduct yourself,
According to the law;
Established!
Through the practice of one law after the other;
Milk, silk, bilk!
With true sons and daughters to the call.
Grain and wine!
Here and now;
On this same page,
On stage with your age and with the image of your love.
Dew, few, drew, threw, mew, pew, crew, chew, hew, view, flew, review!
In the service;
Spacious, precous, delicious!
But, conduct yourselves very well according to the laws of the land.

Edward Kofi Louis
In The Shadow Of Love

In the shadow of love,
With the quiver of life like a polished shaft;
Of the cleverness and the openness of the mind!
Bringing unrealistic ideas into reality at times.

In the shadow of love,
To endure it with the courage of your heart;
And, with the aroma of your joy!
Walking across the land of peace with the truth.

The curtains of life,
With the shadow of love;
Moving to and fro!
Like the muse of the grasshopper in the garden of love.

Edward Kofi Louis
In The Sight Of Men

In the sight of men!
But, an evil doesr listens to false lips.

Legs like the legs of an animal!
But the wine of the wrath of her fornications are now noted.

You have feet but you cannot walk;
You have eyes but you cannot see!

This day is coming soon when,
The truth of life will no longer be hidden from you.

Gods, goads!
To wake up and learn from the truth only than being with fornication.

Edward Kofi Louis
In The Sight Of The Laws

Appearing in the name of righteousness!
With power and authority;
Under the eyes of the law.

Edward Kofi Louis
In The Sun

Love!
Writing poetry in the sun;
Because of the sweet muse of the African heat.

Life!
With the real princess in the garden of love;
As she watches the beautiful flowers.

Life!
True love is going to find you when,
You have the truth.

Life!
I know who you are because of your nose;
Writing my poetry in the sun.

Muse!
I know who you are because of your face;
Like a real princess in the garden of love.

Love!
With another story with my muse;
Writing my poetry in the sun.

Love!
To change your image;
In the garden of love with the beautiful flowers.

Love!
It is between me and you;
So, be prepared as well.

Edward Kofi Louis
In The Temple Of The Snakes

Love!
Will you Dance with me?
For, i am waiting outside as,
You are now in the Temple of the Snakes.
Ice, poultice!
With the muse of your mind;
And, with your worship.
Cot, court!
Waiting for you outside;
For a dance.
Court, cot, out, or, to, cut!
In the Temple of the Snakes;
But, i rather wait for you outside.

Edward Kofi Louis
In The Thick Bush Of Your Love

Go through the titles of my poems and watch your steps,
Because they may easily expose your nakedness to me!
But I am like a woman in the thick bush of your love.

Edward Kofi Louis
In The Throes Of Life

In the throes of life,
I rather keep my faith and works when it comes to love;
For we are blind until we find the truth!
In the throes of life,
From glyph to analogous!
But, can you tell me the colour of love?
Nice and freely,
Wet and slippery,
Joyful and lovely,
And from cytology to testosterone!
But i am tempered with the same sense of humanity.

Edward Kofi Louis
In The Tide

Ride!
Not with pride,
In the tide,
Stride! !
Aside,
The side of your muse.

Edward Kofi Louis
In The Trade

Part in the trade,
Noted,
Expanded!
My own skin,
My own love,
My own peace,
My own mind,
My own life,
My own joy,
With my body;
But, the water is still flowing.

Edward Kofi Louis
In The Treasuries

Place your sweet love in the treasuries for me to speak,
And with the spices and the fine oil of love;
For i want to prepare my sweet red stew for you,
And like Balandan, Bala and Merodack who came to the party last night.
My fruit of love is like the gold as preserved in the treasuries,
But i invited Balah and Rodack as well to the party last night;
And of the beautiful treasure box as shown to them to understand my love,
For the windows of heaven are about to send down the rain!

Edward Kofi Louis
In The Truth

Life, love, mercy and peace!
To confess in the truth;
Leading to the joy of the heart.
The breath of life,
The love of nature,
The muse of peace,
The colours of the sky!
Like mother like daughter and,
Like father like son;
But, let the truth lead the way.

Edward Kofi Louis

Edward Kofi Louis
In The Valley Of Hope

Of your actions!
Come and i will show it to you;
Of your words!
Come and i will expose it to you;
Reigns, rains!
Come and i will let you have it;
All in the name of the Valley of Joy!

Pearls, gold and diamonds;
Petals of love,
Come and i will expose them to you;
But, in the Valley of hope.

Edward Kofi Louis
In The Very Act

Illegal lust,
Caught in the very act! !
As you slept with your neighbour's wife.

Edward Kofi Louis
In The Vine

You have not chosen me but,
I have chosen you;
Because the branch cannot produce fruits by itself,
Unless it abides in the vine!

Edward Kofi Louis
In The Vintage Of The Wicked

Lust!
In the vintage of the wicked;
Age, vintage!
To expose your nakedness to the public.
Illegal lust!
It makes people love darkness than the light;
Spread, read!
Recommended;
So, soon!
Supplements;
Spreading, reading!
Combining;
Fire, desire!
Stimulations;
Pig, pigments!
Upgraded;
Lust!
In the vintage of the wicked.

Edward Kofi Louis
In The Walled City

Love!
In the walled city;
With the Waters of love,
Deep down.

The first fleece!
To be fir for consumption;
Taking refuge in the walled city.

Muse!
With words to my fellow mankind;
To live within the vineyard of love and,
To share with your neighbours.

Life!
With love to my fellow workers;
With wild and fine grapes,
Having the choicest vine always.

Joy!
With care to my neighbours around;
Living and enjoying the light of peace,
Without the weapons of war.

Edward Kofi Louis
In The Walled City  2

Love,
Hidden in the walled city;
Stranger,
Do not become easily angered! !
For, anger rests in the bosom of fools.

Edward Kofi Louis
In The Ways Of Your Act

Lust!
You hate me for telling you the truth;
Lust!
That's the attitude of your ways;
And, walking alone always with dirty eyes.
Lust!
Of the disorder;
Own, known!
In the ways of your act.
Lust!
With the ability to kill others;
Load, road, toad, broad, goad, abroad!
And, with your feelings and actions.

Edward Kofi Louis
In The Wee Hours

Low areas,
Flooding,
In the wee hours,
Rain! !
Devastation,
Virtually everything,
Submerged;
Along the way of the flood.

Edward Kofi Louis
Sleep! !
In the wee hours of the night;
To hear the sound of the wind blowing a tree nearby.

Edward Kofi Louis
In The Wilderness

The sea patrol,
Please bring out the dead in Libya! !
For the hair and the body are like the high-heel girls;
But in the wilderness are they gone too soon,
So try to bring out the dead for burial.

Bombs and bullets of war!
We are still seeing what is going on in Libya! !
But in the wilderness in search of the dead bodies is your mission;
So try to bring our the dead for a peaceful burial.

Edward Kofi Louis
In The Wilderness Of Love

True love,
In the wilderness of love;
Seeing the wonders of life,
With the fragrance of the joy of my heart!
The romance of nature,
With natural feelings;
Beauty in the eyes of love,
To behold the realms of peace,
With the aroma of my mind;
Dancing with the beautiful colours of the wilderness,
True love!
Designed with positive morals;
Sailing along with the works of the truth,
In this world so sweet.

Edward Kofi Louis
In The World Today

Life,
In the world;
Love,
With the people;
Under the muse of the laws of nature.
Bosom, blossom!
With the muse of the flowers of love;
And, to confess in the truth.
Life,
Abour yourself and, about myself;
Living in the world today,
But, let us all seek for peace and live.

Edward Kofi Louis
In The Writing Of The Clouds

Love!
In the writing of the clouds;
Love!
He knows it;
Love!
She is aware of it;
Love!
Let the laws be on your mouth nad,
Let them guide you on always.
Love!
Without thorns and thistles;
Love!
Don't fall into that trap again;
Pen, hen, den!
Love is like the sunshine and,
Hate is like the shadow of death! !

Edward Kofi Louis
In The Zoo

Do not give what is holy to the dogs,
Nor cast your pearls before the swine!
For out of control is the muse of your love,
And like the bananas that are presented to the monkeys in the zoo.

Edward Kofi Louis
In Their Mothers' Arms

The muse of life,
False and deceptive with the ways of war;
And my heart is poured out! ! With the destruction of Syria;
With the muse of the Syrian People,
As the lives of the Children ebbed away in their mothers' arms!
In torment,
With no food to feed their Children;
And, with their eyes worn out from tears.

Edward Kofi Louis
In Their Own Eyes

The young mother and her four children,
She has four children at the age of 22! !
But what do we expect from her when is 30 years old?
Oh, at times i really fo not understand this world!
For many are still soing what is right in their own eyes;
But the heaven is watchin gus all and,
Waiting for us on the judgement day!

Edward Kofi Louis
In This Age

Passage,
Language,
Message,
To massage your body;
With the fragrance of true love;
Vantage! !
In this age;
Advantage,
Vintage,
Along with your luggage;
With the page of your secret love.

Edward Kofi Louis
In This Darkness

Lust,
In this darkness!
Exposing yourself,
In the name of money.
Able, pleasurable!
With the muse of your love;
And, with your nakedness!
Exposing yourself to the public,
In the name of money.

Edward Kofi Louis
In This Day And Age

The tittle,
Like the little kettlew on the fire!
With the muse of filmmakers around.

Literature,
Writers,
Actors,
Nature!
With the sounds of life;
Able to bring along someone with you.

Appear, reappear!
You've got what it takes;
Unquenchable thirst of love,
In this day and age.

Edward Kofi Louis
In This Garden

A bright cloud of love!
Overshadowed me in the garden of love;
Cloud, could!
There i met your beautiful muse of love;
And, i went into the waters.
The joy of rejoicing!
The peace of the mind,
The care of passion!
And, the romance of your beauty;
But, this aroma of unity is in this garden.

Edward Kofi Louis
In This Life

Dependable,
Disciplined,
Consideration,
With a chart,
Like a chant,
In a column,
Like a pyramid!
But, weigh out your choices in this life.

Edward Kofi Louis
In This Life

In this life,
There is always a slave;
And, there is always the poor!
If not, we could all have been rich.
The muse of life,
The ways of nature;
With the captive and,
With the ruler!
Breathing the same air from the atmosphere.

Edward Kofi Louis
In This Life  2

Some people will never change! !
And, some things will never change as well;
In this life.

Edward Kofi Louis
In This Life  II

Love,
With a better picture in this life;
With a better understanding of the laws,
Leading to righteousness than evil.

Life,
A man takes a wife;
As they enter into a vow,
For the man to become the head of the house.

Heath, hearth, health!
In this life with the ways of mankind;
Peek, peel, peer, peep!
With a better understanding of the laws.

Edward Kofi Louis
In This Prison

Prison!
In winter;
Love!
With the light of joy in your eyes;
As you came around to see me.

Plants!
With leaves and flowers of love;
Love,
Watered by the muse of peace and care;
As you came around to see me.

Prison!
With the long winter at hand;
Still waiting for the summer to come,
For my freedom.

Love!
From the first sight;
With the muse of your smile,
As you came around to see me.

Muse!
I am a writer;
And, i am writing behind the door of my prison,
In the dark room! !
Being put away for my mistake in life,
But, i am glad to have you around to read my works.

The soul!
Living in a disturbed world;
But, the muse of this literature will teach many,
And, putting my mind at rest in this prison.

Edward Kofi Louis
In This Sin-Sick-World

Sin!
Sex in the forest;
Open,
Without my shame!
In the eyes of the public;
But, why?
In this sin-sick-world.
Sex for sale!
Taking money for each round;
But, who is ready to teach them the truth?
And, to stop this negative act!
In the forest,
In the every eyes of the public;
Life!
It is better to marry than, to burn in lust;
With school boys and school girls joining in.

Edward Kofi Louis
In This Trespass

Corruption,
In this trespass,
With worst offenders!
Leading the people,
In the land of trouble.

Edward Kofi Louis
In This Village

She has gone to a foreign land!
Because, she has got another man;
And now, i can't find her in this village.

Edward Kofi Louis
In Those Days

There was a man,
In those days;
In the course of his adventures,
Married many women and cared for them!
With shelter,
With money,
With food and clothing;
Because, he was very rich.

Edward Kofi Louis
In Time Past

Unknown to me was your nakedness so exposed!
But, deeply accepted by the mystics of your love around;
And in a scholar's shoes i will sing my heart out! !
For, it is very strange that, we don't talk to each other anymore.

I was the right person for you in time past,
But the gallery of silence is now what we share on this issue today;
And like an imaginary story in the land of many waters!
However, this muse today is like, the inexplicable titles of the world.

Religions, governments, towns, houses, countries, laws! !
And like the teenage pregnancy which is now on the rise;
But in time past with your muse when you exposed yourself to me,
And you laid bare to the roots of love!
But today, it is possible that, it may blur us all.

Edward Kofi Louis
In Times Of Need

He's crying!
She's crying;
Beyond comprehensions,
Without friends who do help in times of need.

The missing life,
The missing week,
The missing love;
Without friends who do help in times of need.

A thong of a sandals,
Full of tar pits;
With bread and wine in the land of trouble!
Like the oracles of Balaam.

Edward Kofi Louis
In Times Of Trouble

In times of trouble!
Cast your cares upon the truth;
Do not hide your face from the truth.

Edward Kofi Louis
In Times Of War

Of all what is done in times of war!
Tell, fell, knell, well, cell, dell, hell, jell, quell, sell, and yell;
But the windows of the heavens are watching us all.

Of all what is done in times of war!
Bow, sow, how, now, wow, tow, cow, low, row, vow;
And like the negative minds of the people around us,
But we will all be judged one day.

Of all what is done in times of war!
Mind, find, wind, hind, kind, rind, bind;
But why kill your neighbour when we need peace?

Of all what is done in times of war!
Tore, sore, bore, more, lore, core, fore, gore, pore, wore, yore;
But the windows of the heavens are watching us.

Of all what is done in times of war!
Fuel, cruel, duel, gruel;
But who bore you and brought you forth? ! !
For the bombs you are throwing will not bring us peace.

Edward Kofi Louis
In Tines And Seasons

In times and seasons,
To pursue that which is righteous;
Flock, lock!
TO keep watch over the flock;
And, with respect towards all mankind.

Clock, lock!
In all things giving thanks;
In times and seasons,
Proving all things and holding fast to that which is righteous.

Edward Kofi Louis
In Treatment

What was mine can be yours,
What was yours can be mine,
What was ours can be yours,
What was yours can be ours,
All around the world with visions and dreams;
But we are classified as black and white in treatment.

Edward Kofi Louis
In Trouble

Wholly,
Exceedingly in trouble;
Anguish!
Implications,
To wrestle! !
To fetch out,
Grapple, apple!
Led out;
To bring forth,
Moved out together.

Edward Kofi Louis
In Trouble 2

You rejected me!
But, why do you come to me once again when, you are in trouble?

The truth,
Unwilling to face it and, to cross over;

However, you first rejected me,
And now, you need my help! Able to guide you along to pass through the land.

Edward Kofi Louis
In Unity With All Mankind

Life!
That's the way it is;
With learning and teaching,
Being able to know the truth.

Love!
To have the power to create;
Living in peace,
In unity with all mankind,
With the attitude of servitude.

The delight of life!
The joy of true love,
Being in unity with all mankind;
Under the umbrella of righteous laws,
With the muse of righteous works.

Edward Kofi Louis
In Vain

The mind set of the people are in vain!
And the whole system is in a mess;
But Gabriel came with his words to give me hope.

Edward Kofi Louis
In Vain 2

Evil acts!
To plant your seeds in vain;
Like Cain killed Abel,
With the strain of the chain of hatred.

Edward Kofi Louis
In View

Love,
To do what is lawful;
With the muse of the rich land in view,
Do your part and let me do my part!
Teaching the youth with the works of the truth,
In the land,
Without hatred and war.

Edward Kofi Louis
In What You Do

Fellow, mellow, bellow, yellow;
With Ghanaians in the land of your muse!
But, I need peace and tranquillity.
This global village,
The civilized people,
Governing and being governed! !
But, backwardness will never push us forward.
To pinpoint,
To write them out,
To facilitate,
But with our cultures and our traditions;
And like a piece of a very nice work in your land!
But, try to watch your steps in what you do.

Edward Kofi Louis
In White Satin

Rate, mate, late, bate, gate, fate, hate, pate, sate!
Nights in white satin but never reaching out to the ends of love;
And like the Queen's Club behind your house,
But into the valley of love is the muse of your name.

Edward Kofi Louis
In Wonderland

Simple pleasure,
Fein all things;
The night!
The fall;
Sweet dreams,
To move mountains! !
In wonderland.

Edward Kofi Louis
In You

In,
Inn,
Inner,
Inner self;
In you.

Edward Kofi Louis
In Your Abode

Love,
When i called!
No one answered;
However, i do hope that,
You are well in your abode.

Life,
Let me know the story of your love;
And, let it be real before my eyes!
For, i want to hear your story and,
Know that you are well.

Edward Kofi Louis
In Your Anger

Illegal lust,
In your anger and in your fury!
And to hide my face from you.
Rum, fulcrum!
With your wickedness;
Fur, furl!
Desolate;
Furore,
In this town.
Fury, furry!
With the muse of illegal lust;
In your anger and in your fury!
But, this will not bring us peace.

Edward Kofi Louis
In Your Beautiful Eyes

Love,
Seen in your beautiful eyes;
True love that touches the heart,
Oh! Be my true lover.

Edward Kofi Louis
In Your City

These deeds,
These thoughts,
In your city,
Your playground;
Needs, heeds!
For full details;
With the muse of the weeds around,
Compared with the works of the land.

Edward Kofi Louis
In Your Conduct

See no evil and do no evil!
Being peaceful to one another is better than throwing bombs;
And be upright in your conduct and in your conversation.
Upright and loving-kindness!
For the little that a righteous person does have is,
Better than the great riches of the wicked ones!

Edward Kofi Louis
In Your Cup

Love,
Bring me water in your cup so that,
I can drink;
I am thirsty!
Thirsty of your love.

Edward Kofi Louis
In Your Dwelling Place

Substance,
Elements,
Dwelling places;
Do not be afraid when someone becomes rich!
For he or she will take nothing away when he or she dies.

Adopt, adapt, approved!
From the rising of the sun to its going down,
And like the perfect beauty in the land of your muse;
But a he-goat and a she-goat are now seen in your dwelling places.

Edward Kofi Louis
In Your Eyes

My eyes are to the hills of your love,
But, i am not doubtless about this love;
Because, i have seen something in your eyes.

Edward Kofi Louis
In Your Eyes 2

Steady, study!
In your eyes,
Still listening,
Towards an open door of your love;
With the vision of the future on your Mission.

Edward Kofi Louis
In Your Eyes

Muse, fuse, use!
Swarm around like bees;
As quickly as a fire kindles from thorns,
Valiantly!
To the right and to the left;
Life and love,
Valuable to us;
Infuse! !
To declare it,
To see it,
Marvelous! !
In your eyes.

Edward Kofi Louis
In Your Fortress

Illegal lust,
Your heart is now lifted up!
However, war is now seen in your fortress.

Power! !
Authority;
With the muse of your own vision,
Going against the works of the truth.

Righteous Laws are like a well-fortified city! !
However, you now exalt yourself!
With pride,
With illegal lust,
To ride around with your sins! !
Killing and destroying.

The truth is better than Racism!
The truth is better than hatred and war;
Your insolence is now noted in the land,
Killing and destroying.

Edward Kofi Louis
In Your Fruits

Wickedness! !
Hatred shown in your fruits,
Able to kill and destroy;
With your acts.

Edward Kofi Louis
In Your Green Outfit

Love,
Looking very nice and beautiful in your green outfit;  
And, very sweet with the muse of life.

Love,
Nice and beautiful and, very sweet!  
With your humility and your lovely heart.

The art of life,  
The muse of love,  
The art of movements;

To the sheep market in the land of the Berber!  
With colours and shapes to think about home;  
But, you are very beautiful and very attractive in your green outfit.

The muse of life,  
In the dry lands of Africa with hope;  
And, to walk through the narrow pathways.

Muse, love, peace!  
With a market around to make your living;  
And, with the muse of joy.

Camels, cows, sheep and goats!  
Under the trademark of love;  
And, looking very nice and beautiful in your green outfit.

Edward Kofi Louis
In Your Heart

Deception,
Skillful and trickery!
With fraud,
Pride,
Proud! !
To magnify yourself in your heart,
As you destroy others.

Edward Kofi Louis
In Your Land

Load,
Loaded,
Reloaded;

Fee,
Coffee,
Hot coffee!

To free your mind with love,
Innovator! !
A skilled craftman;
Edge, pledge!
With the muse of life.

Fresh fish for your dish,
Facing the ways of life;
With the love within.

Feeding time,
Watching the Clock,
Dock, lock!
With your Joy,
With your culture,
Facing the ways of life.

In your land,
Living in peace;
Without hurting your neighbours.

Edward Kofi Louis
In Your Life Time

Write for your life!
Sing for your life!
Care for your life!
Love for your life!
Bring peace in all your ways!
And, teach others the right things only in your life time.

Edward Kofi Louis
In Your Lonely Boat

Nature and life!
Water from the sea;
Sailing along,
In your lonely boat.

Edward Kofi Louis
In Your Marriage

There is no joy in your marriage!
Because you married the wrong person in your life;
Being patient and, bearing with the pain in your heart.

Edward Kofi Louis
In Your Mind

Set him or her around without the fins!
For, i am ready to satisfy you in the land of peace;
Then, him or her will tell you the true meaning of love! !
For, it is hidden right in your mind.

Edward Kofi Louis
In Your Neighbourhood

Patient,
Self control,
Displayed!
In your works,
With the authority of it;
And, in your neighbourhood.

Patient,
At your work place;
In the township!
At the village,
In the city!
And, to continue in the faith of the truth;
Knowing where you learnt it from.

The truth!
Profitable for doctrine;
For reproof,
For correction,
And, for the instructions in righteousness.

Edward Kofi Louis
In Your Room

Fort,  
Comfort,  
In your room;

Patience,  
With your love,  
In your room;

Mercy,  
Merry,  
To understand your ways;

Kindness,  
With the muse of your laws;  
In your room;

With positive moral characters,  
And the rights of life;  
Respecting all mankind.

Edward Kofi Louis
In Your Room 2

A handful of flour in a jar,
Little oil in a jug,
Little water in a cup,
Concerned with what you have in your room.

Edward Kofi Louis
In Your Shame

Reproach!
In your shame;
As you lie down to sleep,
Because, you've killed your neighbour.

Reproach!
From your youth and, even to this day;
With the weapons of war as your means to settle a matter,
but, the bullets of war will never bring us peace on this earth.

Reproach!
Destroying the world with your works;
With the very weapons in your hands,
but, the bullets of war will never bring us peace on this earth.

Edward Kofi Louis
In Your Sight

In your sight,
Show me a sign;

A woman surrenders her love to another,
In the watering places;

Like the whistling of the flocks,
To bring out the muse of the hidden things around.

Edward Kofi Louis
In Your Situation

She looks like her mother,

He looks like his father,

Applicable in your situation;

Cry, hysteroscopy!

Everything you need is now closer to you.

Edward Kofi Louis
In Your Situation 2

Glowing red,
Running on the wheels;
Measures,
Layouts,
With the muse of the black tie code.

Etiquette,
Brought up to accept yourself;
In this life,
Goals, coals!
Applicable in your situation.

Edward Kofi Louis
In Your State Of Mind

From Russia to Poland!

In your state of mind,
With your love;

Journey! !
Adventure,
Moving on;

Always with the joy of your heart!
Always in love;
Of the people,
Helping them always.

Life is life itself! !
And, life is the beginning of the end of man;
With the muse of two legs seen between two rivers,
Under the eyes of imagination!
Into another realm.

Your love is between two countries!
And, between two lakes;
To the forest next door.
Chips, hips!
To chip in your love;
Like eyes with eyelids abd, hands with handgloves.

An authentic act,
Preparing yourself,
With the troubles ahead;
Like lips with lipsticks and, heads with headscarfs! !
Once beaten twice shy;
Learning from the past!
With the muse of folklore stories and, the things we do for love.

Edward Kofi Louis
In Your Womb

Love is very important to you an dme,
But tell the story like it was and let the world hear it;
For the twins are now in your womb! !

Here, were, mere, sere!
And like a hairy garment in the land of your muse;
Dip, tip, sip, nip, hip, jip, kip, gip, lip, pip, quip, rip, yip, zip!
And like the kind of words spoken in the name of love,
But what pledge shall i give to you?

Edward Kofi Louis
In Zion

Oh you who live by many waters!
Rich in your treasure and the lovew of your muse;
But let us declare in Zion the works of Yahweh,
And let us declare love to all mankind!
For this earth is all that we have.

Edward Kofi Louis
In, Coffin!

War!
Dead,
Buried;
In, coffin!
Weal, weak, wean, wear, weave;
Wickednedd,
Traitors! !
With the chains of the darkness;
And, to cover the truth.

Illegal lust!
With the muse of your works gaone up with the smoke;
Fighting and killing one another,
In the name of hatred and war.
War!
Dead,
Buried;
In, coffin!

Edward Kofi Louis
In, Hidden!

In, hidden!
Console life with love;
And, live in peace.
Ordered!
Defined,
Hereby;
But, let us think and, live in unity.
Console life with joy!
Than with the bullets of war;
Console life with mercy,
And, with the truth.
Regional,
To march across;
In, hidden!
But, the truth is righteously forever.

Edward Kofi Louis
In, Indeed!

In, indeed!
For your love,
For your peace,
Of the act;
With your romance,
And, to satisfy your muse.

Edward Kofi Louis
In, Inform!

A huge structural deficit problem,
In, inform!
In the land of your muse;
But, be very wise to choose what is right always.

Story, oratory!
To deal with the problem;
Lust!
With perks and privileges;
In the land of your muse.

Life!
Suggested with the ways of your acts;
Lust!
That is where the pressure has to come from;
But, be very wise to choose what is right always.

Edward Kofi Louis
In, Inn!

In, Inn!
Three people in;
Waiting for dinner.

Edward Kofi Louis
In, Inside!

In, inside!
And the war came and took you away my love.
Medium, stadium, podium, radium! !
The moment of inspiration,
But, she's gone.

Edward Kofi Louis
In, Insight!

I've done my work,
I've done my service;
In, insight!
With the bright light of love,
And, the sight of peace.

Edward Kofi Louis
In, Inspector!

In, Inspector!
Gain life with the works of peace,
Because, communication is very important in life.

This love of nature!
With the blessings from the Creator;
Reader of thoughts! !

Taught,
Bought,
Brought;

Flip, lip!
Going here and there with the muse of life;
But, there are always original and artificial products in the market.

In, Inspector!
Refine your mind with the truth and,
Clean your heart with the works of peace.

Edward Kofi Louis
In, Intensity!

High!
In;
Intensity,
Love,
The flow,
Here and there!
The show,
Now;
As it is,
With colours! !
With the muse of the red flowers.
In, intensity!
Fingers,
Figures,
Objects,
Subjects,
Planting the muse of love;
Twinkling,
Charges,
Changes,
Seasons,
Spillage,
With the combinations of the art of the flow of love.

Edward Kofi Louis
In, Intently!

In,
Instantly,
Pen,
Den,
In, intently!
Ten,
When?
Blaze! !
Gaze,
Amaze,
But, whoever loves instructions,
Loves knowledge.

Edward Kofi Louis
In, Interview!

In,
Straight in;
Into the narrow path,
In the winderness of love!
With the joy of your heart,
With the peace of your mind,
In, interview!
With the views of your work.

Edward Kofi Louis
In, Inward!

In, inward!
Like a moving spirit;
With the muse of life.

Love,
With the aroma of peace and joy!
Established,
Along the narrow path.

Love,
Eating honey and butter;
With the aroma of your joy!
Living in the land of peace.

In, inside!
With the muse of life;
As one faces the truth.

Edward Kofi Louis
In, Inwardly!

In, inwardly!
Eagerly,
With the muse of your adoption.

In, inwardly!
With obligation,
And, with the muse of adaption;

In, inwardly!
Compared with the glory received from the truth;
And, with the muse of love,
Leading to peace and joy.

In, inwardly!
With the muse of the laws;
Chainging the hearts and minds,
Of the people who are really ready to change.

Edward Kofi Louis
In, Vain!

In, vain!
In vain,
In pain,
In chain,
Rain! !

With your brain,
With the view of the drain;
With the works od the evil one.
Train! !!
Crain,
Lain,
Plain.

Edward Kofi Louis
In, Winter!

In, winter!
To warm yourself;
With the muse of sweet love.

Edward Kofi Louis
Inability

Difficulties!
With unemployment and frustrations;
To counsel,
With the inability of the other to satify his or her partner.

The muse of life,
Making ends meet;
Recalled!
To beg for the forgiveness of your mistakes.

Muse!
At her residence;
Love!
At his residence;

Jet skiing!
On a holiday trip;
Found at the scene,
And, to gather the facts.

Edward Kofi Louis
Inalienable Right

Don't complicate your life when you have love,
But rise up to the call of your imbalances! !
For disappointment is like a catastrophe at times.

You may be my peer and i may be like your lover,
But a gentleman always accepts his mistakes;
And like the acumen of a final case.

Lawyers can be very rude at times,
But my faith will always lead me on;
And like the aggressiveness of your state of mind.

Try to respect yourself and to avoid the odds,
And like a court case to respect at last;
But the airwave is what you have to listen to at times.

Inalienable right and the rule of law,
Don't complicate your life when you have hope;
But disappointment is like a catastrophe at times.

Edward Kofi Louis
Inasmuch

Inasmuch, in, as, much, Sam, inch, has, as, man, can, an, sin, such;
And like your bedroom secrets! !
But in your service, all i want is you.

Affirm,
Befallen,
Discerning,
And liker the page three girl!
But circumcise your boy on the eight day;
And like my needs and your needs on this love! !
However, in like-minded act with your bedroom secrets.

Edward Kofi Louis
Inclusive

Three kings,
Three queens,
The princess,
The prince,
Inclusive!
According to the will of life;
Power!
With authority;
Press, fortress!
To ensure peace than war,
In the land;
The land of love,
The land of peace,
The land of beautiful flowers,
The land of positive works,
To ensure peace than war! 
With the muse of righteous laws.

Edward Kofi Louis
Incomprehensible

Commentary!
Incomprehensible;
With a lady among them.
Water Falls! !
With the wild geese over a calf;
Sweet grass,
Hills and mountains!
With the muse of nature at its work.

Edward Kofi Louis
Incorrect

Of a reckless life,
Of a reckless act,
Of the windows of the odds in a society without a clue;
How many clues do I have to give before you make the right decision?
Come back to reality and come to the truth.

You are scurried away like bats and,
I am with the timid crowd outside;
But, come back to reality to gain your status in life.
Of my day,
Of your days,
Of our time to share together in life;
Sometimes we have to play together before we get what we want.

Soon it is time to get dressed for an occasion,
But do slide down to listen to the story;
Like love under the greenwood tree.
Reckless life and reckless acts,
When are my people going to learn!?
To the teacher,
To the soldier,
And to the farmer;
The mistake of the nights are vocabulary incorrect!

The variety of literature,
The exploration of my mind on paper;
But, is this the drama!?
Of words and deeds,
Of visions and missions,
Words without thoughts do not go to heaven!
But I am courageously impressed than a discouraged mouse.

I am bravery than a coward ice and,
I don't have to live a reckless life;
No, it is mathematically incorrect! !
Compare my status and compare my masculine acts of my impetus,
For I am vocabulary named after a King like the muse of my mind.
Increase And Multiply

Lorry, worry, sorry;
Two males and eight females in an animal farm to increase and multiply;
But the traditions of life around us are like,
The idolatrous way of life handed over down to us.

Edward Kofi Louis
Increase In Vigour!

Increase in vigour!
To empower,
To be strengthened,
To be strong;
To be led.

Edward Kofi Louis
Incredible!

An incredible discovery!
This is amazing and it is like the moment i’ve been waiting for;
And i am very pleased with your love.
The powerful influence of your love went through me,
And i am now living through the period of your sweet muse;
For the satellite of your love is right directly on me!

Edward Kofi Louis
Incredulous

It will sound incredulous to you but,
This is an incognito to their names!
For they are trying to put the earth into the state of malleable,
But I am still the sophomore student next door.
Are you talking of the sleeping beauty around you?
Then try to satisfy your creative desire with the peace of nature;
For I am still the sophomore student next door,
And if you are incorrigible to yourself then think twice.

I thought it was a transient act,
But the very quiescent realms of the higher Spirits are now disturbed!
And, we have to cover our heads to see what is below us.
The quest of an identity and the quest for love,
Satisfy your creative desires with the peace of nature;
And like the erudite state of my mind.

Edward Kofi Louis
Incubation

Incubation,
The New Testament's Wine;
But this will make one drunk when in excess,
For the nakedness of your love was exposed because of wine!

Edward Kofi Louis
Incurious

Man is an embroidered paradox!
Filled with poignancy and brutality;
And, incurious to the chaos of life.

The muse of life!
'Blessed are the peace makers for,
They shall be called the children of Yahweh';
Because, the honour of humanity today is in vain.

The muse of illegal lust!
On this earth today;
Like d rabbits,
With xenophobix act to swing around the face of reality.

Vain, Cain, brain, rain, train, drain, chain, strain, pain, gain, grain!
With a vision from above;
Handing over the laws to mankind,
But, how many of us are ready to do what is right?

The muse of love,
With the categories of life;
And with illegal lust!
Associated with the problems of promiscuous sex.

Incurious,
Eating beans and turkey-tails;
However, man is an embroidered paradox!
On this earth.

Edward Kofi Louis
Bless these children and,
Teach them the positive ways of life only;
For, i am Indary with the works of peace.

I need joy where i am,
I need peace where i am,
I need love where i am,
I need unity where i am,
For, i am Indary with the works of peace.

The romance of love,
The joy of peace,
The muse of life,
The peace of the mind,
The care of passion,
And like your beauty in the land of care!
But, try to teach these children to do the right thing always.

Edward Kofi Louis
Indecision

Science,
Conscience,
Seen, scene!
Dissension,
Between the walls,
Revile,
Whitewashed wall!
Reveal,
Confusion,
Indecision,
Just recently;
Guess,
Guest,
Of the wars! !
Today,
Of yesterday's works;
Tomorrow,
Quiet, quite!
Years ago,
And until now.

Edward Kofi Louis
Indecorum

Cause,
A shameful thing;
Indecorum!
Fault,
To commit perjury;
Causative! !
Forswear self,
Asertain by interrogation;
Temple,
Fiery law.

Edward Kofi Louis
Indeed

Seed,
Deed,
Indeed,
With your need,
To feed you with love,
To heed to your advice,
The work of the truth,
Like the colour of the reed seen around;
Love is the key!
Putting the odds away;
With the muse of the creed,
With your lovely words,
Coming into life with love,
Taking up the works of peace,
With kindness and humility,
With something positive to teach,
With servitude and attitude,
With the gratitude of your sweet love,
Freed from the odds of life in your land!
To breed the truth,
To bring in joy! !
Joy to my heart as well;
With the key of peace,
True love is miraculous! !
It touches the hearts;
This love moves me as well,
It touches my inner self,
It touches you,
Indeed!
Sweet love is what we need;
On this earth,
With positive characters,
Walking after righteous laws;
Lead,
Plead;
Not after the speed!
Like a Racing Car;
But to spread out the wings of love,
With peace and joy.

Surely!
This love,
This joy in your heart,
Heed, seed!
The need.

Edward Kofi Louis

Deed!
Indeed,
Nevertheless,
Muse, use!
With the songs of life.

Edward Kofi Louis
Indeed 2

Indeed!
With deed;
The seed of your love,
To feed your mind with the truth,
Freed from hatred! !
The greed of the evil one;
Agreed with righteous morals than war! !
The need of peace,
To heed to the laws laid down;
Reed, creed!
But, not with the speed of life.

Edward Kofi Louis
Indefensible

Indefensible,
Endless,
Indissoluble,
Inexcusable,
Without descent.
Unregistered as to birth,
Inward!
From within and without.

Edward Kofi Louis
Independence Day!

Independence day!
Freedom;
Free at last.

Edward Kofi Louis
Indescribable

Full!!
Expounded in full;
The truth,
Unspeakable,
Indescribable,
With your muse.

Edward Kofi Louis
Indian Girl

Indian girl,
Walking around in your town;
Promised with the muse of life and,
The muse of peace,
Under the eyes of the law.
Live, alive!
To drive in the truth and,
To dive into the waters of peace;
With the joy of the land.

Edward Kofi Louis
Indicated

Indicated!
Behaving strangely,
Tight-lipped;
Do not want to comment on the issue.

Edward Kofi Louis
Indicated,  
Added,  
To help trace him,  
To help trace her,  
Personalized!  
Like the guest of honour;  
Cultures,  
Concerned,  
Toiled over the years,  
Like an obvious choice.  
Age, passage, message, heritage!  
Unique,  
Willingness,  
Experienced,  
Sage, stage, vantage, advantage!  
Responding to life,  
With the muse of your works.

Edward Kofi Louis
Indignation

Indignation,
To be greatly afflicted;
Displeased,
With the works of mankind.
Grief!
Akin to the base of hatred;
And war doesn't bring us peace.

Edward Kofi Louis
Indisposition

Indisposition,
My sate of health!
But, i am pretty better now;
And, have fully resumed work.

Dark souls,
Light souls;
I am now feeling very fantastic! !
And, have fully resumed work.

Edward Kofi Louis
Indissolubility

Mutual love,
Indissolubility,
Conjugal rights,
Capable of meeting your demands;
But i am the one that you need.

Edward Kofi Louis
Individual

Oral,
Moral,
Dual!
Eulogy,
Night with nature,
Kiss of love!
Several,
With the peace of your mind.
The Vikings!
Up to you;
Coral,
Individual,
Late, relate!
This history of yours,
This history of mine,
And, sand particles went into the eyes.

Edward Kofi Louis
Individually

Respect!
Individually;
Respectfulness! !
Under the rule.
Life!
To be seen and, not to be heard only;
For, my doors are wide opened to all.
Poems of life!
Poems of love;
And, to encourage all to live in peace.
Scrap, crap, rap!
Individually;
Caring for others in peace.

Edward Kofi Louis
Indoor

Door,
In,
Inside,
Indoor! !
With the muse of your secret.

Edward Kofi Louis
Ineptitude!

Attitude,
Ineptitude!
Imcompetence,
Dishonesty,
Values! !
Not in safe hands.

Edward Kofi Louis
Inequality

Inequality,
Always noted in Mathematics;
To work your way out and,
To find the solution at the end.

Inequality,
Facing the ways of mankind on earth today;
Found all around us.
North, South, East and West!
We are all facing the same problem,
Where, one has enough and, the other has nothing! ! !
Facing the wealth of the world with the muse of the Poor and the Rich.

Inequality!
Leading to various problems on earth today without any positive solution ahead;
With the disorders seen in and around us.

Inequality,
Seeing how we share the wealth of the earth;
With many going hungry! !
While, few control the whole wealth of the earth.

Equality means to share and care for each other,
Living on the same level with a positive mind;
But, inequality leads to starvation!
As seen all over the world today.

Troubles from inequality,
Leading to hatred and war in many cases;
But, as in Mathematics,
It is better we find the end result in a peaceful way.

Edward Kofi Louis
Inequality 2

Creation,
With the Blue Planet made for mankind;
And Eve was made out of Adam,
For peace, unity and love!
To share and care for the earth,
But mankind grew up into another form!
Coming out with greed to collect everything to his or her side.
The ways of creation,
Beginning with equality;
Then came inequality!
With a division seen between the Rich and the Poor today.
The muse of inequality,
Of a big question in our minds today!
With the muse of life, leading to hatred and war in many ways;
Because, one gets more than the others on this earth.
Water! ! !
Many are still thirsty on earth today;
Even though, the earth is full of water.
Money! ! !
Many are still living with less than a Dollar a day;
Seen mostly in what is called 'Third World Countries' today.
Food! ! !
With starvation all over the world;
While many go hungry and, FEW control the WEALTH of the Earth today.
Life is not fair! ! !
With the mask of inequality floating around the world;
Question marks without answers,
But, when is mankind ready to change this tide?

Edward Kofi Louis
Inexperienced

Valiant,
Muse,
Love,
Wisdom,
Peaceful;
Watch my lips and do what seems right in your eyes,
For i am the only daughter of my mother!

Inexperienced,
Triumph,
Blamelessness,
Slander;
I was young and now i am old,
But i am the only daughter of my mother! 
So watch my lips and approach me with your love.

Edward Kofi Louis
Infallible

'Aidabella',
I have been too long in the rain!
So, break down the walls and,
Take my love around and, let me feel the difference.

Infallible truths,
Infallible proofs,
And like a new love;
But i am from the land of phones and,
I have no phone on me.

A new tomato,
A new potato,
A new creation!
But, sow in tears and reap in joy.

Your zeal has stirred up the majority! !
But, a person who sows sparingly will also reap sparingly;
However, you are here to share your love with me.

Edward Kofi Louis
Infamous Names

People with infamous names!
These affects them in one way of the other;
And they act at times like fools! 
And like a house built closer to the cemetery,
But the meaning of my name is as lovely as your naked body.

Edward Kofi Louis
Infant

Ant,
Pant,
Plant,
Slant!
Infant,
Muse, use!
Often;
His claim,
His aim!
Her claim,
Her aim;
Fit,
Befit! !
Hit,
Sit;
Seeing the land,
Social unrest,
With Economic problems.

Edward Kofi Louis
Infections!
Infections!
Easily led by;
It catches on,
Aspirations! !
Ferner,
Emblems,
Desensitize,
Influence,
Film and Television!
Virtually,
Possible,
Signed!
Scorched;
Facing the ways of life.

Edward Kofi Louis
Inferences

Suspect,
Inferences,
Hinges,
Assumptions,
Literary interpretations!
I need your muse and i came looking for you,
But you were locked up as a prisoner of love.

Edward Kofi Louis
Infidels

Deceitfully,
Defiled,
Infidels,
Consent;
He was delighted with her love because,
Her proposals pleased him!
But i cannot do the same thing.

Love, patience and meekness;
Dearly beloved to respect my muse,
But the sexual impurities of this world are seen always around us.

Edward Kofi Louis
Infinite

As infinite as the sands upon the seashore and,
As lovely as your lips that i kissed;
But somebody came knocking nd i have to open the door.

You can make amendments but you can't stop this love,
For in the Valley of Salt is where you can meet us together;
But someone came knocking and i opened the door.

Oh sweet Valley of Pepper! !
And as infinite as the sands of the sea is my lower;
For the kisses of her lips is like the Valley of Sugar!
And i am here to love her forever.

Edward Kofi Louis
Infirmary

Primary, Mary, infirmary!
Marks,
Arks,
Parks,
Larks,
Bareback,
Confute;
But, cigarette smoking is dangerous to your health.

Edward Kofi Louis
Influenced By....

Friends along the way of life,
Imagine someone stole what you really love!
But like the changes to teach many who are ready to learn,
And we are all influenced by the people around us.

Edward Kofi Louis
Influenced

Your sweet love influenced my thinking,
But the 6,000-year-old salt can still be seen afar;
And with the factual knowledge of your experiences on my love!

Edward Kofi Louis
Influenced 2

You were influenced by your peers! !
To drop me in the cold;
But, today, who feeds your brain?

The final call!
Bare with the truth;
Maturity,
Many still do not grow along with their senses.

Feel free to walk around,
For this empty space of life;
Moving on with my works,
Covered by the muse of the truth!
In the land of the living.

Edward Kofi Louis
Information

Shark! !
Hark,
Ark,
Park;
Information,
To respect nature.

Edward Kofi Louis
Informing Me

Life,
Your life,
Informing me of this love;
To rufe a mule in the village,
And, to sleep with the truth to protect your life.

Edward Kofi Louis
Infuriated

It is for a short time!
But a doctor of the law is needed over here;
But they were all infuriated!

Edward Kofi Louis
Ingested By Hog

Eggs ingested by hog,
And of the scientific laboratory's examinations;
But boiling doesn't kill the worms from the pig meat.

Edward Kofi Louis
Ingo

Ingo, gin, in, go!
To the west;
To rest,
With the best.

Seen, been, teen, green!
With the muse of seafarers;
Solid!
Hard,
Strong;

Strong and beautiful,
55 metres above sea level;
Neon, on!

String and attractive,
And, to the top of the lighthouse.

Ingress, egress!
To impress the people around.

Edward Kofi Louis
Inhered

Inhered, heed, here, in, red, reed, deer, den, hen, hind, rend;
The penalty!
Far away in Vakilabad Prison.
Need, heed!
Of the mandatory,
Red, reed!
Of the story,
Her, heir!
Of the discovery,
Nine, dine!
Of the recovery,
Practices!
Ill-treated,
On the smugglers;
Far away in Vakilabad Prison.
The Equipment!
Inhered, he, her, nine, need, heir, hide, hid, dine, ride, rid;
Do, dado!
With fields of yellow as the moon turned to watch;
Bear, beer!
With waves of purple as the story came out of the prison.

Edward Kofi Louis
Iniquities!

Iniquities!
We should be ashamed of our sins;
As we destroy the world.

Edward Kofi Louis
Iniquity

All religions have come to the point that,
Sin is acceptable and is never fought against;
Not even 'The Ten Commandments' are taught or kept anymore,
But the heavens are waiting for our judgement! !
And like the illegal lust which has covered our minds on this earth.

The swinging life style of mankind,
The world is now cut off from the Creator because of iniquity;
And many are not ready for His Laws,
But only few will be saved in the name of righteousness.

Edward Kofi Louis
Initiation

Reflection,
Perfection;

Affection,
Instituted long before I was born;

Love,
Inspired with the works of the truth;

Life,
With the mark of the truth leading the way.

Here on earth.

Love,
To the Red Spot;

In your face,
What to do and, how to do it? !

Questions of life,
Only with few answers;

Of the Black Spots on your face,
Facing the problems of life!

Racing along,
What to do and, how to do it well? !

Ways of nature,
With your status.

Edward Kofi Louis
Injunction

Unacceptable! !
Washing your dirty linen in public;
For all to see who you are with your works,
The acts of your mind.
Problems,
The problems of life;
To call for an injunction at the junction without merit,
After exposing yourself to the public.

Many years ago! !
But, now with us to share your mind.

With the joy of the land;
After the rising of the sun,
Bringing peace to all.

Flew, Crew!
With the muse of the atmosphere;
Learning the ways of life,
With the muse of peace and gladness.

Dripping down the lane,
With peace and gladness.

Edward Kofi Louis
Inner Faculty

The mail,
The rail,
The tail,
To sail on! !
But, to love someone today and,
To hate him or her tomorrow are the very ways of mankind.

Trail, bail, fail, trial, nail!
With the truth between the eyes of life;
Deep in the city searching for my lover,
To meet and talk with the muse of the inner faculty of true love.

A lovely birth with the high degree of care,
And of joy and gladness to meet your heart;
For behold! The man who wants to love you more is here,
So do not cast him away like a toilet-roll.
Your sweet love is in your inner parts and,
Someone has to find the way to reach out to you!
For the man who wants to love you more is here.

Edward Kofi Louis
Inner Self

Inner Self,
The mind,
The heart,
With your works and,
Your words.

Edward Kofi Louis
Inner Shrine

I am in the inner shrine of my lover and,
She allowed me to kiss her so deeply;
And like the motions of the sun, wind and water.

That which has already been will be repeated again on this love,
And that which has already been done will be done again;
For my eyes have seen her nakedness and we are now in love!

Edward Kofi Louis
Inner Tears

Tears in my heart,
What can i say?
Tears in my heart,
What can i do?
I cannot cry outwardly for,
I always have my tears within me.
A cry on Mount Ephraim,
The watchman cried aloud too;
Build houses and live in them like,
The sea of yazer.

The lover i saw wasn't the one i met,
My tears are always within me;
I am searching and waiting for you to come,
Like the war heard in Rabbah.

I do cry within myself,
The lover i met wasn't the one i saw;
My inner tears are always with me.
A loaf of bread daily,
The aboundance of wine and fruits;
The lover i saw wasn't the one i met.

My inner tears are always within me,
So give your daughters in for husbands;
Of a royal descent to cry for my lover,
So give your sons in for wives;
When wii my tears be seen on my face?
I do have tears in my heart but,
Always with a smile on;
Who can understand this when,
The roses are all dead without water?

Edward Kofi Louis

Innocent

My name is Innocent and I am very innocent to your love,
So come through the waters of love to meet my muse;
For the carpenter stretches out his measure and amrks the outline,
And like floods upon dry ground and water upon the one who is thirsty.

Edward Kofi Louis
Innocent 2

Love,
Blameless,
Guiltless,
Innocent.

Edward Kofi Louis

Edward Kofi Louis
Innumerable

His voice thrunders,
His sneeze flashes light,
His eyes are like the eyelids of the dawn,
His fire is lightning!
His limits are higher than the heavens and,
Deeper than the graves;
He is beyond comprehension,
His age is innumerable,
He is beyond our understanding,
His thunder announces His coming,
But can we understand how He spread out the clouds?
And no man can look directly at the sun!
He does great things that we cannot comprehend,
His breath gives the ice and the broad waters are frozen at once!
But stop and consider the wondrous works of the Almighty! !
For everythin under the heaven belongs to Him.
He stirs up the sea like a pot of an ointment,
And the works of His fingers framed the sun, the moon, the stars and,
All that is in the universe!
His eyes see all things,
And He tests all mankind! !
For he is righteous and He loves righteousness;
And in His honour is life forever.

Edward Kofi Louis
Insatiable

I am a faceless person and,
I am like the word beyond the world that touches your feelings;
Because when the sun rises,
Its sunset tolls to the legs pof many on a dreadful day.

Insatiable appetites,
But come back tonight for more;
For i am in search of my identity to express my feelings,
And like the love of the rising sun.

Peace and stability,
Love and passions;
Fly to the land of love to crown my name,
For i am the faceless person around your love!

Teenage pregnancy and school dropout,
Unemployment and hard drugs!
But try to support your brothers and sisters like,
The use of the right herbs of the forest! !
And like nature's stronghold in Afrrica.

Lustrous as grapes and mangoes,
Endless with the wild paradise to study my muse;
But i will live always to tell my story,
And like the peace and the stability around you.

The democratic usage of enigmatic delight,
I am the faceless person around your love;
And like a traumatic experiences in the land of your muse,
But i am like the word that touches your feelings.

Edward Kofi Louis
Insatiate Greed

Destroying the earth with your negative acts;
And, killing people as well.
Helplessness! !
Insecurity;
Trying to control your life,
And, to know who is on your side.
Hopelessness! !
Insecurity;
Destroying the world and killing people with your acts.

Edward Kofi Louis
They wrote books, taught and printed;
But i am inside my girlfriend's mind and,
You are inside your boyfriend's mind!
And from the North to the South,
For it started from a very small point like the muse of your love.

Edward Kofi Louis
Inside 2

Side,
Inside,
Not to stay outside;
For a ride!
Forgetting about pride,
Only for joy.

Edward Kofi Louis
Inside 2

Layouts!
There is the need to educate your mind;
Ideally,
With the wellbeing of your heart.

I am as i am,
You are as you are,
To impress the world with the muse of our respective works;
But, you carried the sickness from outside and brought it inside.

Priorities! !
A poem of great message,
A poem of great care;
Measuring the ways of life in this town.

The society,
Cloud be impressed with the muse of your works;
With every aspects of your life,
But, you carried the sickness from outside and brought it inside.

Edward Kofi Louis
Inside 3

Side,
Aside,
Slide!
Inside;
Bride,
Aide,
Ride,
Not with pride.

Edward Kofi Louis
Inside A Person

Thoughts!
Inside a person;

Symbol,
Imaginary,
Words and works;

Either in the truth or, with evil acts.

Terror, horror!
The whole world is in the hands of the wicked one;

With actions from the very thoughts inside a person.

Social breakdown! !
Evil acts,
Seen all over the world today;

But, let our thoughts be with the works of the truth.

The truth!
Honest and accurate;
With positive morals than evil works.

To consider the works of the truth,
And to act wisely;

Without hurting your neighbours! ! !
So, let your thoughts be positive thoughts.

Become a perfect man with your works,
Become a perfect woman with your words,
Become a perfect child with your acts!

Doing what is right always.

Edward Kofi Louis
Inside Africa

Spell,
Dispels,
Inside Africa;
Well done,
To cut it out with the right partner;
And, to sail along with the works of peace.
Gin, origin!
With the shadows of life and death;
Inside Africa,
Taking a trip with the muse of your mind.
Advice to an old man,
Advice to an old woman,
Advice to the rest of the people;
Inside Africa,
For the safety of the earth;
Trying to bring up the youth in accordance of the laws,
The laws of righteousness.
Trod, rod!
Toad,
Road,
Hoard! 
But, if you love yourself, you will love others;
And, there will be peace on earth.

Edward Kofi Louis
Inside And Outside

Inside and outside,
Let me envelop my sweet love around your muse;
For the showers of the rain had now brought in the rainbow!
And like the joy of your muse in the land of romance.

Edward Kofi Louis
Inside and outside!
There is much wisdom found everywhere;
With the muse of the truth,
Knowledge is not only found in the classrooms.
Values,
Righteous characters,
The repertoire of knowledge with positive morals;
Spice, rice, nice, price, notice!
With the motives of life,
Trying to understand the universe and, why we are here.

Edward Kofi Louis
Inside The Red Hole

Inside the Red Hole,
With snow balls falling from left and right!
But you are now hiding in the Oval Office,
Because the 'Chicago Tribune' met your nakedness! !

Love my muse and learn from my ways,
And like words from your lover in the land of roses;
But i am now inside the Red Hole to rest my mind,
For your foes are now like my woes!

Edward Kofi Louis
Inside The Room Of Love

In,
Inside the room of love;
Now i can rest my mind,
Because there is peace in this room.

Edward Kofi Louis
Inside The Studio

Life,
Not to rush! !
Muse,
Aside,
Slide, ride!
Not with pride,
Facing your works today,
Inside the studio.

Edward Kofi Louis
Inside You

What is inside man?
What is inside woman?
Night at Grand Hotel with the muse of your love;
But her name was like the colour of the ocean.

The possibility of doing it again is very right after doing it once,
So do watch your steps in whatever you do!
For whatever you do comes out from you.

Look around you and make a change,
And be very patient and reasonable;
For there is something inside you that needs to be changed! !

Edward Kofi Louis
Inside You 2

Natural love,
Natural light,
Where composition reigns!
To touch you deep down,
Inside you.

Edward Kofi Louis
Inside Your Body

The bullet is still inside your body!
It went through your back;
Walking in pain,
Over seven years now.
In pain!
With the chain of the evil one;
Shooting you at the back,
Trying to kill you! 
But, you are still alive;
Since all these years.

Edward Kofi Louis
Insight

What mankind calls 'glamour' is 'dirty' in the eyes of the Creator! ! Because, positive moral character is with the works of righteousness.

Light, sight, bright, right, insight, delight!
The Creator sees differently from the ways of mankind; with peace and love than, the very ways of mankind, which leads to hatred and war! !

Edward Kofi Louis
Insight 2

Candlelight,
Sight!
Insight;
With the bright side of life.

Edward Kofi Louis
Insight And Understanding

Righteous Morals,
Righteous Laws,
Insight and Understanding,
To know the Truth always,
The Gateway into Higher Realms.

Edward Kofi Louis
Insight!

Insight!
To be inside;
With the sight of the truth and,
The joy of your heart.

Edward Kofi Louis
Inspect The Doors

Three, tree, free;
The sperms should fertilise the eggs is not,
There will not be a baby!
And like the muse of love in the land of lovers,
But i am diagonally stationed to respect you.

Clamp,
Provided,
Around;
Covered with love and fitted with roses,
But inspect the doors of your sweet love before you open them to others.

Edward Kofi Louis
Inspired

This is the place of love and,
Of the muse of everything that grows;
But like the golden pipe with the golden oil,
I do have the mind of minds on this poem.
You don't even have to dig deeper for love,
Because history has much to say about us;
And written as it were to the threshing floor,
And it is also like the prophecy of the unborn child.
I am in the wings of love and,
I am flying like an eagle;
Validity! ! King of Kings!
And to distinguish between the seal of the living;
But like the buffalo nearer to my house so,
Choose me among the lot and take me home.
To shoot as an arrow is like the end of the age,
And i am inspired to teach all nations;
For this place of love is with everything at grows.

Edward Kofi Louis
Inspired 2

Activities,
Inspired!
By the surroundings,
In my land,
Ghana! !
To write out my mind;
To reach out to the world.

Edward Kofi Louis
Inspired By Love

Life,
Joy!
Inspired by love;
With the muse of nature,
Form, formation!
With the fragrance of the laws around us.

Edward Kofi Louis
Installation

Installation, stall, in, on, it, no, this, sin, at, an, ton, not;
And like the entrance point through the safety net!
But closed and secured is the muse of your love.

Installation, ions, sail, nail, ill, is, sat, stain, tins, tall;
And like the muse of your love in the land of roses!
But closed and secured is the muse of your love.

Selecting,
Obstructions,
Beneath;
With a levelled surface to respect your mind,
But the electrical power is all about your sweet love.

Edward Kofi Louis
Installed With Righteous Laws

Station,
Nation,
Current location,
Love is the key!
Peace is the way;
Installed with righteous laws,
Connected with positive morals.

Edward Kofi Louis
Instant Ink

Milk! !
Instant ink;
The flow,
To show you how,

Disorderly.

Edward Kofi Louis
Insult

Everything here is just insult! !
It doesn't bring joy to my heart;
Because of the state of the mind of my neighbour.

Edward Kofi Louis
Insult Upon Injury

Insult!
How do you feel when a woman insults you oh man?
Insult!
How do you feel when a man insults you oh woman?
Insult!
How do you feel when your wife insults you?
Insult!
How do you feel when your husband insults you?
Insult!
How do you feel when a child insults you?
Insult upon injury! 
But the jury is here at last to stay on this case.

Edward Kofi Louis
Insult!

I got insult!
For telling them the truth;
So, i left them in the town.

Edward Kofi Louis
Insults

A wholesome tongue is a tree of life,
But perverseness in it breaks the spirit!
But one who admonishes a scoffer receives insults.

The evil will bow before the righteous,
But the world is so cruel today!
And it is like a father and his son sleeping with the same woman.

Love yourself so that you can do what you love,
And like the touch od substance in the name of love;
But the cruel of this world today is like,
A woman and her daughter sleeping with the same man!

Edward Kofi Louis
Integrity

Integrity,
Just scales;
Love!
What will i do when you confront me?

With Righteous Laws,
Rules of life,
Beauty of true love,
Talents!
With the gifts of life.

Edward Kofi Louis
Intelligent Metaphor

I don't need cameras to expose my identity,
Because my words are straight to your heart!
And like an intelligent metaphor in the land of your muse,
But I will always remember you.

By the Rivers of Babylon,
There they sat down to remember their forefathers!
But a student is not above the teacher,
And a servant is not above the king either!

My words will get straight to your heart always,
And like an intelligent metaphor in the land of your muse;
But I will remember you always,
Because the heat of the sun always reflects on me!

The old truck  
Washed today;  
The new truck,  
Along the road;  
Like driftwood and stone;  
The fall! ! !  
With pictures of the past;  
Life and birth,  
All things will end one day;  
Tryint to reach the unknown!  
Up in heaven and,  
down in hell.  
Lorry, worry, sorry!  
With the stroy of life;  
Moments of love,  
Moments of joy,  
Dreams! !  
Along the way;  
With my mind to share with you.

Edward Kofi Louis
Internal Wound

Internal wound,
Very painful! !
Like to stab somebody in the back;
In pain!
Your body is still in pain.

Edward Kofi Louis
Internalizing

A compassionate character,
Internalizing positive values;
And with your integrity to meet up to my muse,
But let your light so shine among us.
Gloom and bloom with the muse of your love,
For the broom of care is always in your room;
And like your face being exposed at the city hall.

Edward Kofi Louis
Interruption

In,
Enter,
Interruption,
Questioning,
Quest,
Characteristics,
Intimacy,
In spite of that,
In spite of your action.

But try to apply your love on my sweet muse,
Because i have what you need always!

Edward Kofi Louis
Intimidation

To taste it,
But he came and sabotaged it!
And to work very hard once again is like,
To resist intimidation and bribery;
But the spirit of my lover adhers to the muse of my life.

Edward Kofi Louis
Into My Abode

Life is full of love and,
We have to put the world into a better shape;
So, you are always welcome into my abode.

Edward Kofi Louis
Into A Better Shape

Mighty works and the sweet of love,
Walk with the Empress to taste her muse;
But, with a meditational act to catch up with the realms!
And like putting the world into a better place.

I know my herbs and i know your herbs,
Sitting down lonely to write out my mind on this matter;
As the sun came around to greet my muse,
And like putting the world into a better shape.

I know your name and you know my name,
And, in the wings of love we will always meet;
Sharing with all in the world so sweet.
Muse, fuse, infuse, use, defuse, refuse!
With my mind i do greet the world;
And, with my love i do meditate always.

Herbs! !
In the vineyard of love;
To walk with the Empress and to taste her muse,
And like a personal letter to Kofi Louis my friend.

Edward Kofi Louis
Into A Far Country

The spirit is willing but,
The flesh is weak;
A journey into a far country!
To sing a psalm,
To pray along! 
That this flight will not be in winter nor,
On the Sabbath Day;
Out of the eat,
And then to the west!
Preparation,
Deeply in love!
Not to betray my love with thrity peices of silver.
Love and life,
Peace and joy!
Try to overhaul your mentality towards me;
Because, birthday parties began many years in Europe! !
And the Germans were the first to use candles on birthday cakes.
A journey into a country,
To overcome the distress along the way,
To press on! !
Able to overcome the odds of life;
Out of the east,
And then to the west.

Positiveness,
According to righteous works.

Edward Kofi Louis
Into God Worship

You shall not permit a false teacher to seduce you or,
Pull you away into God Worship! !
And stay away from the genetic engineering which involves the mixing of two species,
For, they are all part of Satan's work to elude many into her fold.

Par, stat, tar, car, far, bar, gar, jar, oar, war!
Spies,
Species,
Alone once again! !
And, back to square one;
But, stay away from the genetic engineering which involves the mixing of two species!
And, live like the muse of love in the land of your joy.

Edward Kofi Louis

Edward Kofi Louis
Into The Bush

Sanctimonious comments,
A crime,
To release,
Punishable by death or imprisonment!
And like the irrelevant documents found on you.
Unbelievable,
Reprehensible,
Sensibilities! !
But vehemently with the words from your mouth;
However, a locally manufactured short gun was found on you.
Confrontational,
Torment,
With four live cartridges! !
But on of your friends escaped into the bush.

I just thought of you when,
My bread fell into the river!
However, my light clothes on could not save me either;
All because of the party-music going on next door.

Beautiful lady!
Handsome man;

Edward Kofi Louis
Invisible Man

Kunta Kinte's Gambia,
Of many Africans taken away during the Slavery days;
But today, the 44th U.S. President has his roots in Africa!

It was 1530 to the Slave Trade,
But the first Slave-Ship landed in Virginia in 1619;
And we are all part of the Dream today.

'Male and Female Slaves for sale',
A Ship from Angola landed in Jamestown in 1619;
And those were the Slavery Days gone by.

Today, the White House is ready for the First Black Family;
With Jazz, Blues, Gospel, Rock 'n' Roll, Soul, Funk, Hip-Hop and Rap.
Like the days of the invisible man,
Like the days of their hardships,
Like the days of the way forward without hope;

Invisible To The Eyes

Muse!
Love,
Life;
What is seen in the heart by the Creator is invisible to the eyes of the human beings;
But, with understanding and the knowledge of life,
We can really make a change in our lives to do the right things always! 
For, it is better to live in peace with one another than, with the bullets of war.

Edward Kofi Louis
Invisible, Invincible!

Nature,
Mighty! !
Muse,
With the wonders of life;
Invisible, invincible!
Power,
With authority;
Unable to conquer!
Because of the truth.

Edward Kofi Louis
Invite Me In

Invite me in and,
Let me know your ways;
Show me your works and,
Let me understand your mind;
With the muse of peace and love.

Edward Kofi Louis
Invite Others To Learn

Invest into positive morals and,
Invite others to learn from the works of the truth,
In which lies the ways of true love;
Introducing the works of peace to all,
In the light of righteous laws.

Edward Kofi Louis
Invited In

Line, fine!
To dine with the king,
To dine with the queen,
Being an old man,
Covered with a robe,
Invited in,
To meet the king and the queen.

Edward Kofi Louis
Inviting Colours

The muse of love,
With inviting colours!
The muse of life,
With inviting colours!
The muse of joy,
With familiarity;
And, with peace and unity.
Love!
The passage of time;
And like veiled beauty.
Gender, tender!
In love;
But, with the passage of time.

Edward Kofi Louis
Inward

Touched! !
Inward;
Your soul,
Your heart,
Your love,
With the joy seen on your face.

Edward Kofi Louis
Inward Thought

Riches cannot prolong your life nor restore it!
Tore,
Wore,
Whore,
Store,
Sore,
Core,
Ore,
Pore,
Shore;
Ransom! !
Redemption,
Costly,
Ward!
Inward thought;
Foward!
After the truth in the land,
Despite the honour of your wealth.

Edward Kofi Louis
iPads and Android - Tablets!
Downloaded;
Phases,
Faces,
From the original,
With the fake one around;
Like the story behind the story,
With the focus! !
And like a secret love affair.
Personal phones,
iPads and Android - Tablets;
One day in your life,
News!
Downloaded;
But, you need a helping hand always.

Edward Kofi Louis
Ira

He lay with her and violated her,
Of a blood relative in times like this;
But i will have my donkey and saddled and,
I will ride on it.

I am too old like an old Balsam tree and,
I cannot tell the difference between fine and bad;
So, how can i taste what i eat or drink? !

Ira, i can no longer hear the voice of men and women singing;
So come and let us go to Abel Beth Maacah,
For the truth is said to be there always.

Edward Kofi Louis
An Iranian came here at the age of 6 and now,
He is a super star! !
For the laws are well laid down and,
He had the advantage to be educated as one of us;
But try to understand this world now!
For many will surely be infused into the system to help others.

Edward Kofi Louis
Iraq

The Garden of Eden is in Iraq,
But today we've destroyed that land with bombs!
And life is like an arrow which follows the narrow path.
Go to Iraq and look for the four Riverheads,
Of Pishon, Gihon, Tigris and Euphrates;
There you will gain wisdom to enhance your status.

A River went out of the Garden of Eden,
And it parted and became Four Riverheads;
But the fruit of Eden was pleasant to the eye-sight and,
Desirable for food like what the serpent gave to Eve.
A deep sleep fell unto man and,
Out of him came woman;
So go to Iraq today to see things for yourselves.

She lived luxuriously and had no sorrow,
But the morrow came and she has to borrow;
Like the works of man and the things we do learn from,
With an arrow to follow our footpaths always.
Go to Iraq today and learn from what you see,
It was the same land where the Garden of Eden was positioned;
The Creator made it very beautiful for us but,
We've destroyed the land!

Edward Kofi Louis
Irbard

Irbard, bar, bid, bard!
Stepped in;
Revolts!
Expectant,
Bar, bard!
To emerge and take over;
And, to cool down tensions.

Relations,
Commissioned;
A sequel!
The tercentenary;
Exiled together,
Herded,
A historical memory.

Edward Kofi Louis
Irha

Withdraw it from me because i am burning up!
And Irha is not getting the picture clear;
For i want you to open your eyes wider on this love.

Edward Kofi Louis
Irie

Usher,
usurp,
Conclusively,
And like the untapped natural resources in your land;
But, try to be among the best always.

Your name,
Your muse,
Your love;
And of its arable land lying fallow!
For the basis of your love and your merits are now noted,
But abysmally exposed in the land of the living! !
However, Irie your friend told me the news.

Edward Kofi Louis
Irinha

Old habits are very hard to break!
And like the way of the rabbits and the carrots around you;
But the elements of love are like the elements of peace.
I am Irinha and i do understand your muse,
But everyday has its own story!
So wake up to the truth and let Waki my friend teach you more;
For, to get the people's attention on this matter also needs your status in the town.

Edward Kofi Louis
Irish Beef

Grill! !
T-Bone Steaks;
Irish Beef,
With the muse of the meat,
With the muse of the country.

Edward Kofi Louis
Irish Butter

Real deal!
Real love,
Real act;
Irish Butter! !
To utter the words of peace.

Edward Kofi Louis
Iron Coast

Lime,
Time,
Shine!
Watching you at the other side;
With the muse of the Iron Coast.

Edward Kofi Louis
Iron It

I don't know of this but,
I have to iron it;
Because it is all about your nakedness and your love,
And i know what i will fain from you in the long run.

Edward Kofi Louis
Iron Sinew

An iron sinew and a brow bronze!
With bankruptcy in the land of your muse;
But the muse of your love is what i know,
And like the thoughts that appeared to me.

Sterling,
Cheap labour,
Finance,
Large amount of gold,
Bounties! !
But with the muse of imperialism to disturb your plans!
And like an iron sinew and a brow bronze;
But never give up on your dreams.

Edward Kofi Louis
Irrigation

Irrigation,
Migration,
Lottery,
Victory! !
Plans,
Planes,
Hope and flight;
Year of the child,
With the dreams of the land,
But, let the water flow along to water the plants.

Edward Kofi Louis
Is All About You

1 hour unity,
2 hours peace,
3 hours playing,
4 hours sleeping,
5 hours smiling,
6 hours living,
7 hours trusting in your muse!
For this river is mine and yours foeevers;
And, i want to be close to you always.

1 hour smiling,
2 hours learning,
3 hours thinking,
4 hours with your muse,
5 hours teaching,
6 hours working,
But, the 7th hour comes for me to sleep with you;
Because, this love is all about you! !
And, i want to be with you always.

Edward Kofi Louis
Is At Hand

Judged for eternal life or for death,
In the name of the first and the second resurrections;
For, the millennial reign is at hand.

Edward Kofi Louis
Is It Poetry? !

Is it poetry? !
Yes, it is;
Poetry, pot, pet, Poet, to, toe, top, pry, try!
Teasel,
Large flowers with pikes.
Pry, try!
With the muse of my mind;
Because, it is poetry.
Poetry is the way of life and,
Poetry is you and i!
And, i will never end with my imaginations.
Pot, pottery!
Between works and minds;
Poet, poetry!
Between me and you;
With the muse of the world.
Is it poetry? !
Yes, it is;
Poet, poem!
With the muse of love and the muse of life;
And, with joy and gladness!
Because, it is poetry;
And, it is without the bullets of war.

Edward Kofi Louis
Is It Right? !

'Obey before you complain'! !
The Military Code;
But, is it right? !
When you know that, what you are about to do is wrong.

Edward Kofi Louis
Is Now Dry

The sea of love is now dry,
Likewise the spring of your love;
But like a dry land in the wilderness,
Your lover had already levelled the thick walls of your love.

Edward Kofi Louis
Is That The Way?

The Moon God,
The Sun God,
The Star God;
Worshipped by mankind in many ways,
But, is that the way to salvation?

Edward Kofi Louis
Is The Best

Love,
Is the best!
To keep life going.

Life!
With that which is right;
And, with the beauty of the truth.

Born at the time of plenty!
Dear to your parents;
Learning the ways of life.

Edward Kofi Louis
Is This The Future?!

When i think about the future,
I do ask myself whether i can make it big!
But a voice came me saying, ', you will make it'.
So i have my faith towards this dream.

Is this the future? !
Yes, the future is really here with us;
And the future lies in our own hands.
To be rich and famous,
To be bright and glorious,
Let your faith be strong always towards your dreams.

Edward Kofi Louis
Is This The Light Of Your Heart? !

Anger,

Is this the light of your heart? !

Then you are on the wrong path.

Edward Kofi Louis
Isa

Listen to the words of my sweet love towards you,
For i am Isa from the bush of Africa! !
And, i want to care for youe love.
I have more natural resources to satisfy you my love,
And, i am ever ready to take you home to show you much about my land;
Because, Africa is my home.

Edward Kofi Louis
Isaac

How did the thunder fell on you?
Like the rainbow up there without a clue;
But try to live a single-life to gain your status-quo.
After all the thunders with the electric shock,
Like a red-fish on the taste of love;
How did the thunder fell on you?
Like the Alpha-Girls and the Beta-Boys;
But life at times is like,
So do keep up the faith Isaac;
Like the tomato-farm in Spain.

Edward Kofi Louis
Isaac And Ishmael

Christians against Muslims!
Muslims against Christians!
But, what is really wrong among these two brothers?
Isaac and Ishmael;
Maybe, i have to ask Abraham.

Edward Kofi Louis
Isaac Kofi Frempong

You did not know how to swim but,
You jumped into the water from peer pressure! !
And you were immediately drawn by the heavy current of the river;
And now you are dead and gone oh Isaac Kofi Frempong.
Death came knocking at your door in disguise and,
You easily fell into Satan's trap! !
For you thought you could satisfy your friends with your showmanship,
And now you are dead and gone too soom in your tender age.
Sadness, your friends have nothing more to say!
Because they took you to a river in Akosombo on the 6th of March 2011;
And now they cannot wipe away the tears on our faces.

Edward Kofi Louis
Isabell

Where there is greatness, error also exists;
And where there is compassion, error also exists;
But homes are just expensive umbrallas with a view.

A time to overcome the odds and,
A time to control your mind;
But the love from my heart will make you sleep.

This is the tongue of Isabell and,
A man will eat the fruit that his tongue chooses;
But if the people of Burma have succeeded,
Why can't i?

Edward Kofi Louis
Isabella

I am like a thousand years in your eyes today because,
You left me yesterday and i am now lonely;
But, who can love and will not meet death?

Isabella!
Who can rescue himself or, herself from death?
So be it when, you are gone forever from my sight.

May it be so like the grass which grows up!
For, you once manifested your sweet love to me;
And, i saw your beauty,
But, you left me yesterday and i am now alone.

Edward Kofi Louis
Isabelle

The melody of the harp and the lyre is like,
The melody of your sweet love oh Isabelle! !
So, use only your eyes to look at me and,
You will feel my love inside you.

The lovely ones,
The peaceful ones,
The careful ones,
To the hills of Galilee! !

To the best fields of love,
Over, cover!
And like the imaginations of our hearts.
Love!
The end result of it.

To a point,
Stretched out! !
Being refined like gold;
To the open door!
of the test and trials;
In honour and glory!
Dream, ream, stream, team, steamm, beam, cream.

Edward Kofi Louis
Isaiah

My love will be like a sweet gift for you,
For i do know where you do stay;
But plant vineyards and do eat their fruits,
For i do know when you do come in and do go out from your home.
I am Isaiah and i have my love for you,
So be ready to take this free gift with your own hands.

Edward Kofi Louis
Isam

Kiss your girlfriend if you want to and,
Bath your husband if you like to;
For the 'pan' on the stove is like the 'nap' of your muse,
But be very wise to choose from the right things in life.

I will dance to your muse and I will jump over the fence for your love,
For my name is Isam and I know my way to your lovely home in the bush;
But be very wise to choose the right things in life.

There is 'spit' on the 'tips' of the pan but,
Why 'stab' the 'bats'? ! !
But try to learn from the 'tar' in your room to overcome the 'rat'.
The 'tip' of your pen is towards the 'pit'!
But the 'bus' moving along is like the 'sub' of your mind on this muse,
And like the lovely muse of your lover nearby.

Edward Kofi Louis
Iscariot

Riddle, riddle, riddle!
Of the eerie image written with facts;
For i am pregnant an my husband had left me for another woman,
But to learn from the odds and to swim in the lake of loneliness is what i am doing.

It is like dropped-out girls from college to learn from hell!
For i was one of them because of my pregnancy;
And to learn from the odds and to swim in the lake of loneliness is what i am doing now.

Huffing and puffing to gain my stand,
But the society around us today needs a lot to be said;
But no matter how hard it is, i will try to build up my ship to sail across this ocean.

Where is Iscariot my lover who impregnated me? ! !
And of the eerie encounters so seen around;
But a pastor of my own town also snatched the wife of one of his Elders.

How much more work is needed on our various societies?
For i am intrigued by the acts of many around me! !
With descriptions ans sketches of love like the colours of the rainbow;
But when will i be free with this odd world around me?

Edward Kofi Louis
Ishtar

On Mount Carmel,
I met four hundred and fifty prophets of Baal!
On Mount Carmel,
I met also the prophets of Ishtar!
But who will bring the truth to them? ! !
For they were all serving the Sun God.

Edward Kofi Louis
Ishwi

Ishwi, is, his!
Like a wild colt by a spring;
With bitterness,
Like a ravenous wolf! !
In the morning it devours the foe;
And, in the night it divides the plunder.

Edward Kofi Louis
Island Girl

Simplicity,
Beautiful,
Lovely,
Amazing! !
Island Girl;
Exploration,
With the muse of the lovely tower in view.

Edward Kofi Louis
Island Of Bats

Island of bats!
Where there are no cats;
Mats waiting for visitors! 
Wearing hats because of the heat.

Edward Kofi Louis
Island Of Sodor

Oily,
A sharp push;
But very busy time on the Island of Sodor!
And like a drink of water to cool your thirst.

Unusual,
Time to take off again!
And like your red ribbon in the name of love,
But you are still busy on the Island of Sodor.

Tried, fried, cried, lied, applied, dried;
And like seven priests carrying seven horns!
But on the Island of Sodor i will rest my mind because of you.

Edward Kofi Louis
Isle Of Lewis

Love eluded me when i fell deeply into it,
Like the 'Foxes Book of Martyrs';
The life of a christian,
The life of a muslim,
The life of a traditionist,
I am now on the Isle of Lewis to recapture my mind.

Blessed are you when men will revile and persecute you,
But be very strong and hope for the better;
Love eluded me when i fell deeply into it,
But today i am what i am.

Edward Kofi Louis
Isle Of Louis

It is very sweet but,
It is very painful;
It makes me cry when i still remember you.
My brain is plastic and i am the rubber-man,
Of love's fading ember on the Isle of Louis.

Edward Kofi Louis
Isle Of Wright

The right sense of life!
Needed by the people to move forward;
With the sight of love,
With the insight of the laws,
Bright like the sun! !
With the might of positiveness,
Like one living in the Isle of Wright.

Edward Kofi Louis
Ismail

Simple references,
Like the opportunities that are open to you;
The consumer,
The customer,
Click on to my love ot find out more about my identity!
For i am Ismail;
And, i am here to earn something from my works.

Links, sinks, winks, pinks, brink, blinks, finks, minks;
And like an innovative technology solution!
But a sel life of 21 days is what you need on this love,
And like the fresh fruit characteristics of your muse.

Edward Kofi Louis
Isolated

Isolated,
In the deserted heathland;
In, within!
To be self sufficient.

Edward Kofi Louis
You and me,
Me and you,
Isolated! !
But we love each other.

Love and life,
Love and dreams,
Love and art;
Isolated! !
But we love each other.

You and me,
Me and you,
On earth today!
On this love;
Isolated! !
But we love each other.

Edward Kofi Louis
Isolation

Depression,
Isolation,
Extreme stress!
Infection,
Affliction,
Lonely in the cold.

Edward Kofi Louis
Isong

You broke my virginity and i broke yours,
All in the name of lust to carry the day;
But the oral laws of the traditions will bind us together.

Isong,
You are very romantic!
And we must retrace our steps on this love;
For the wounds of wars run so deep and,
I am learning from my mistakes.

Isong,
You are living in the 3-D world with your love!
And, i am here to help you with my 4-D world;
Because, we romantically broke our virginities! !
And now, the laws of the oral traditions have bounded us.

Edward Kofi Louis
Isosceles

Isosceles, see, sees, so is, sole, soles, coil, coils, oil, soil;
Heal me with your sweet love and i will be healed!
Save me with your lovely heart and i will be saved! 
And like the living waters of life;
Oh inhabitants of the valley and the refuge of the plain!
For this heart of mine is waiting for your love.

Edward Kofi Louis
Issachar

Bread and meat,
I will feed over there with my lover;
But let the rain so fall on me.

Sickness and healing,
Send down the rain of love to me;
For i am like a merciful kind,
And my name is called Issachar.

Edward Kofi Louis
Issachar 2

Issachar, car, chair, air, hair, scar!
After the accident;
Admitted at the hospital for some days.

Edward Kofi Louis
Issachar II

Issachar, Isaac, cars, chairs, air, as, has, his;
Set your home in order and let me pay you a visit,
For there is party in your blood!

Edward Kofi Louis
Issue

Issue, uses, sues, is;
Grill to thrill to respect your muse!
And like the joy of your love under the coconut tree,
But in the next moment i will be with you.

Edward Kofu Louis
Iswah

Iswah, his, is, as, ash, has, saw, was, wash;
But, turbulent like water! !
Excelling in honour,
With the delights of the hills of everlasting joy,
Blessingsd of mountains eternal!
Blessings of grain stalk and blossom,
With the crown of the truth;
In the land of righteous works.

Edward Kofi Louis
It

You've got it,
To share it with others,
Your mind,

I've got it,
To share it with others,
My mind;

Life and birth!
Peace and joy;

The ways of nature,
With the rules around.

Edward Kofi Louis
It Belongs To Someone

Ask before you taste it,
Ask before you take it,
Ask before you eat it,
Ask before you use it,
Because, it belongs to someone.

Edward Kofi Louis
It Belongs To You

Private property;
It belongs to you!

The truth leads to peace and, lies leads to destruction! !

The truth is there for you to understand the works of righteousness;
And, nothing is more than the truth! Because, it leads to perfection.

Edward Kofi Louis
It Belongs To You And I

It is as if i am speaking to the air whenever i talk to you!
Because, you always fail to answer my questions.

Make a better choice in life and seek for peace;
Don't destroy the earth! ! Because, it belongs to you and i.

Edward Kofi Louis
It Brings Life

The truth!
It brings life into you;
Life!
Being judged based on the decisions that you make;
So, be very wise.

Life!
Yahweh Knows what's going on;
With mankind on this earth,
But, try to make a better decision and live in peace.

Life!
Wash away the filth of your lust and live;
And, follow after the laws.
Love!
Living the holy way of life;
And, to escape from corruption.

Edward Kofi Louis
It Came Out From Your Mouth

Evil spirit! ! !
Evil works;
It came out from your mouth,
Seen by all in the land of trouble.
Deed, indeed!
Sinister,
Resolute,
Provocateurs;
With the elements of the drama seen in the land.

Edward Kofi Louis
It Came Out Twice

To rehearse,
To work on your project;
Showed!
And, to thank the world for accepting your works.

Of your style,
Hitting the nail on the head;
On the new board,
And, doing things right.

Relaxation,
Boost,
Rest,
Healing.

Documents!
To support them,
But, it came out twice;
Being able to manage the affairs of the day.

Edward Kofi Louis
It Came Through Me

Flow to it,
See to it,
Move to it,
And find a way through it! !
For, it came through me.
Something different and something new,
And like the muse of your love;
But, it came through me.

Edward Kofi Louis
It Came Through You

Move through it,
See through it,
Flow through it,
It came through you!
And like the muse of love;
But, i will flow to it.

Edward Kofi Louis
It Came To Pass

On the same day,
It came to pass!
With the breath of life,
The waters increased and lifted up the ark!
And it rose high above the earth.

Edward Kofi Louis
It Can Be Done

It is an appointment!
And, it can be done;
For you,
For her,
For him,
For me,
For us,
And like the echoes fo the land! !
But, it can be done with the muse of love.

Edward Kofi Louis
It Could Be You

Hello!
Is someone there?!
Can you hear me?
It could be you when the sun rises,
It could be you when the door opens,
It could be you when you answer the call;
Like the first time around when, you responded to the muse of love.

Knocking at the door,
With the real meaning of love;
Guided with the principles of life and the laws,
Leading to the truth.
It could be you when the sun settles down,
It could be you when you pick up the phone,
It could be your when the door bell rings!
For, you can't hide from love when it touches your heart.

The muse of life and the muse of love,
We are all friends in this world;
Friends of many attitudes!
With some upfront and others ready to destroy the truth;
Friendship in times of need identifies the true colours of love,
Friendship in times of want identifies the emotions of the mind,
Friendship in terms of care identifies the passions of the heart,
So, it could be you when someone knocks at your door and, you are lying on your sick bed.

Edward Kofi Louis
It Comes Straight From The Heart

Wondrous deeds,
I am old and grey-headed;
But my mind is ready to teach you,
And like the rain on the mown grass.

Mow, cow, tow, bow, now, how?
And like sons and the daughters of the needy!
Low row, sow, vow, wow, yow;
But true-love come straight from the heart.

Edward Kofi Louis
It Could Be

Should,
Could,
Would,
Shoulders!
Real,
Lease,
Deal,
Realease! !
Meal,
Heal,
It could be,
For real!
To hold on,
To seal the deal of love.

Edward Kofi Louis
It Doesn'T Help My Spirit

I don't want to touch it because,
It doesn't help my spirit!

Hauled,
Challenged,
Breach of morality!
But, i don't want to part of it;
Because, it doesn't help my spirit!

Minced,
Dislike,
Frowns;
But, with the legitimacy of the muse of your act!
And like a beehive of negative activities;
So, i am not part of this demonic act!

Edward Kofi Louis
It Dwells With You

Love,
It dwells with you and, it wil be in you;
If only yif you do the right thing.

Love,
Owe everything to the truth and, live in peace with your neighbours;
Letting the authority of the laws of righteousness lead the way.

The law,
At it was written in the beginning;
So, let it be with you today and, live in righteousness.

Edward Kofi Louis
It Fell

It fell on the way and someone took it,
But the thing for you never lost!
It may came back in a way and,
It will remind you of your missing link;
For you are all that you today.

Edward Kofi Louis
It Floats Along

Float, boat, coat, goat, moat, bloat, gloat, throat, stoat;
The muse of life!
It floats along with the muse of the laws.
Illegal lust!
It hits the ground like raindrops;
Illegal lust!
You've made your choice with your mind;
Illegal lust!
With power and might.
Illegal lust!
Living in the world of sin;
And, with a lost mind.
Life!
With the fields of your lust;
Leading you always away from the truth.

Edward Kofi Louis
It Had Led To Many Wars

It started with the Arabs and it was followed by the Yahdim!
But today, the senior had to be a servant to the younger;
For the promise was very clearly written down for us to learn.

The world is now very angry about it and it had led to many wars! !
But only the wise are always patient to the prophecy;
For the bomb you throw at the market will not kill only your enemies!
But it will also kill your friends and your relatives around.

Edward Kofi Louis
It Has A Colour

It is different,
To be identified among the others,
Because, it has a colour!
Making it very unique.

Edward Kofi Louis
It Is

It is,
As it is;
Former things,
To present times!
Today,
Waiting for tomorrow.

Ambassador! !
Designated;
In writing,
Writing out your mind,
With the muse of your poerty!
To the world.

Edward Kofi Louis
It Is A Triangle

It looks like a square!
But it is a rectangle;

It looks like a prima,
But it is a triangle! !

Shapes of life,
With the muse of the odds of life;

Shapes of love,
Going along with my mind;

Trying to overcome my sins and,
To understand the status of life.

Edward Kofi Louis
It Is All About Love

They are the rare breed of the world of mystics,
And are like the supernatural acts of the soul;
Oh, how i feel i could touch them all.
However, i now squint back into my past.
Like the conscious of a missing like that needs a recall,
I see them pass me by;
As i sit here in my little appartment.
Yes, women of all shapes to touch my heart;
Like 'Men In Black' for an acion film.

It is all about love,
Like the women in black with more imaginations;
But at first, it was like a dream to me.
It is all about love and,
Love had taken control of the acts and the arts!
So you now know why i do need your love.
This is all about love when the mystics do talk,
Because your breed is the kind that i need;
But many are in deciphir,
Like a matured tree without fruits.

You are the best for me to make a choice,
With an impression on your special love;
So let me in when i do knock at your door.
It is all about love,
It is all about the life we live in;
With the key to move all things as love.
You are among the best of breeds,
But i will always fight hard to get to you always;
Like the conscious of a missing link that needs a recall.

Edward Kofi Louis
It Is All About Us

13 wives for the kinf of Swaziland,
With oriental minds to respect his muse;
But it is all about us in Africa! !

Yourkshire Puddings,
With words from the Westminster Abbey! !
But this story is all about us in Africa;
And like your love dedicated to the king.

Edward Kofi Louis
It Is All Because Of Love

Feelings!
You cannot sleep,
I cannot sleep;
You are thinking of me,
I am thinking of you;
It is all because of love.

Edward Kofi Louis
It Is An Honour

Life!
It is an honour writing to you;
Through my Poems and through my teachings,
Leading the ways of peace.
Life!
With the redemption song around you today;
But, extend freedom to all in a positive way,
So that, we can all enjoy the peace of this world.

Edward Kofi Louis
It Is At This Spot

Love,
Romance,
Joy! !
It is at this spot;
With the aroma of nature.

A time span,
A time sequence,
With the compassion of love which encompasses the aroma of life!
With the romance of your body.

Edward Kofi Louis
It is better to help the poor when we have the means;

A promise is a promise no matter how long it takes! But, when it is broken along the line then there is no trust.

Culture and wealth,
Living in a known village on earth;
Like a harbour seen in the desert.

Speed boat!
Enjoying your life at sea;
Like the pearls found in Dubai,
However, it is better to help the poor when you have the means.

Private coast of the world!
Let the rich listen to the poor;
The heat will make you sweat and, the cold will make you freeze! !
But, true-love to all mankind is needed on this earth.

Ward, warder!
Rejoice with the truth and live in peace with your neighbours;
Nurse the truth and let it be your best friend.

Open your eyes to the truth and let common sense teach you!
Proclaim the truth and let there be peace on earth;
For you and i.

Edward Kofi Louis
It Is Better To Learn

Life!
For how long can i speak and you will not listen?
Muse!
For how long can i teach and you will not understand?
Love!
Why are you now naked and very cold outside alone?
When, i do have enough blankets to ocver your nakedness.
Hill, heal!
Come in and sit down by the fire side and,
Let me cover you up to warm your body;
For, it is better to learn than to waste your time out there in the world.

Edward Kofi Louis
It Is Called Peace

It Is a place,
It is called peace;

It is a name,
It is called peace;

It is the way,
It is called peace;

It is all that we need! !
It is called peace;

Oh! Yes! !
Peace is all that we need.

Edward Kofi Louis
It Is Cold Outside

The jacket is here,
Put it on,
To warm yourself;
Because, it is cold outside!

Edward Kofi Louis
It Is Digital At Times

The ring,
Your ring,
The wedding ring;
Of years of exporation!
To examine and to scrutinise it,
But, one day you will dream of me.

Questions!
To search for the answers;
The Jackpot!
It is digital at times.
Turtle, scuttle!
But, you need fresh air for the truth.

Love!
Let the sun shine brighter above you;
Love,
You're so beautiful;
And, i have something for you.

Edward Kofi Louis
It Is Done

It is done,
It is now half-way;
And it will satisfy you!
Wherever and whenever,
Whatever and what you have,
Somewhere and someday,
Somebody and some one else,
With nothing to support your muse!!
Because, anything can occur in this life at anywhere;
For, life is full of surprises!!

Edward Kofi Louis
It Is Done  2

Throne!
Lone,
Drone,
Alone,
It is done.

Edward Kofi Louis
It Is Full Of Blood

She told you she was pregnant and,
Your denied being the father of the unborn child;
But the time wave of problems are about to be faced by you now!
Because the meat on your table is too red and,
It is full of blood! !

Edward Kofi Louis
It Is I! !

It is i! !
Don't be afraid;
Because, i am here to save you.

Edward Kofi Louis
It Is Just A Ball

The power!
The game,
With the muse of the crowd;
It is just a ball.

Edward Kofi Louis
It is just like a dream when you lack communication,
Nine years in riches as you claim it to be;
But i will like to say,
Welcome to the club.
It was the mystic of the air which sounded the echo,
Like a joyful song to see my friend once again;
Nine years in absence do tell it all.
Is it a dream or, just a trip from japan?
This is the state of my mind to the oracles.
Here he was in a different style,
It was just like a dream to me;
He saw the changes of our life styles too.
Welcome home, welcome to Ghana;
The very home you left some years ago.
What do you expect when you lack communication?
Right from the oracles to the realms at large;
How is it in Japan as compared to Africa? !
Take a clue from this and do get in touch always.
Ask 'Rocky Dawuni' and 'Kofi Annan' and,
They will tell you more about life;
My friend, welcome home.

Edward Kofi Louis
It Is Known

Fictitious profile!
Dedit,
Declaring,
Of the plaintiff,
It is known!
Proven in court,
To file a defence,
Like rain and hail! !
With your outstanding bills.

Edward Kofi Louis
It Is Like A Game

It is like a game to have you here,
But i have to learn more about this game;
So do not follow me blindly,
Because i know who i am in this world!

Edward Kofi Louis
It Is Like A Tap

It will always flow to you,
It will always flow to it,
It will always flow through it;
And, it will never stop!
For, it is like a tap.

Edward Kofi Louis
It Is Like A Tape

Better things!
Her heart is deeply rooted on this love;
And, her beauty shines on her face always! 
However, a week after her flow was her muse of love.

Soft, slow, sweet! 
And like a week to her flow;
But, her heart is deeply rooted on this love!
And, it is like a tape when,
You hear the melody of her sweet aroma around.

Edward Kofi Louis
It Is Like A Trap! !

Whole, hole!
Hold, sold;
It is like a trap! !
But, i will overcome it.

Edward Kofi Louis
It Is Love

The joy of the heart,
The peace of the mind,
The unity of the land;
It is love.

Love,
If it is rosy, then enjoy it with peace;
Under the muse of the laws!
Without hurting your neighbours.

Love comes with life and,
Joy comes with peace;
But, the muse of nature is full of ups and downs.

It is love!
With the joy of the heart and, the peace of the mind;
Coming out with the truth and living with the truth always,
With the unity of the land.

Edward Kofi Louis
It Is Me

It is me that you are looking for and,
I've been standing here waiting for you all day;
For i heard your name being called by others last night,
And i am ever ready in meeting you my sweet one.

Edward Kofi Louis
It Is Mine

There is a boat on the river and it is mine,
There is a tree in your valley and it is mine,
There is a seed inside you and it is mine,
So do not lift up your heart with pride if you are not mine;
Because we are like the thistle and the cedar in the bush,
And i really love whom my heart meets.

Edward Kofi Louis
It Is My Dream

It is my dream,
It is my love,
It is my work,
To touch your heart;
With the muse of my mind.

Edward Kofi Louis
It Is Never Too Late

The aftermath of your silence,
You are like the sea of tranquility water tonight;
But when the right time comes,
The box will be opened for all to see its content!

The sea of storm and the love of storm,
The aftermath of your silence is like the love of tranquil waters;
From me to you and from you to me,
But what can I now make out of you?

You are really the woman of my heart,
And it is never too late in life to revive!
Because today is always here with us,
But tomorrow never comes.

Yesterday is dead and gone into the land of memories,
And the only thing left behind is your character;
But when all is said and done,
I will understand the silence of your love like tranquil waters.

Edward Kofi Louis
It Is Not Meat

It looks like meat,
It tastes like meat,
But it is not meat;
Think!
Think twice;
A young face,
In the dark,
Following after her!
Late in the night,
Alone in the dark with her.

Edward Kofi Louis
It is now night in Syria!
And i pray that the freedom of the people;
Oh, freedom fighters! !
Fight on for your freedom,
For this world needs peace than the bullets of war!
As i see fallen faces gone too soon.
Shot and killed by the bullets of war,
Because my people asked for freedom;
Yes, this world is really not at rest! !
But, let us hope for peace everywhere;
For, it is now night in syria.

Edward Kofi Louis
It Is Now Not With You

Life,
With your number of your abortions;
On earth,
As you play around with nature! !
With your acts in the land.
Rules of life,
Noted with the scars of life!
Of your number of abortions,
Noted on earth,
As you play around with your life.
The truth,
It is now not with you;
Because of your lifestyle! !
Seen in the land,
With the number of your abortions.

Edward Kofi Louis
It Is Now Opened To You

Life!
It is now opened to you;
Love!
It is now opened to you;
Muse!
With the different programmes of the world;
Leading and confusing the People,
Because, they cannot make a better choice.

The muse of love!
It is now opened to you;
The muse of life!
It is now opened to you;
And, with the line of control.

Life!
Tomorrow is a new day;
Love!
With the flair of a romance;
But, you need the laws to guide you on.

Edward Kofi Louis
It Is Original!

It is original!
You can't change it,
You can only copy it;
However, the origin of anything is from the original source.

Edward Kofi Louis
It Is Over

It might have been love with you,
But is over now!
Because you left me and married another man,
And i am now alone in the bush of love.

Edward Kofi Louis
It Is Over  2

You couldn’t get it! !
But, it was the very thing you wanted most;
And now, it is over.

Edward Kofi Louis
It is poetry,
It is your muse!
And, it is my love;
It is poetry,
It is my muse!
And, it is your love.
Life!
Dancing along the ocean blue;
Love!
Singing along the red sea;
Muse!
With the peace of the forest;
Because, it is poetry.
Nature, neutral!
With the muse of matured minds;
Bringing peace to the world.

Edward Kofi Louis
It Is Possible

Love!
It is possible;
Life!
It is possible;
Love talks! !
With the muse of peace and joy.
Life moves! !
With the muse of the full moon;
Nature!
With the acts of the wind.

The breeze, 
To freeze; 
Breeze, freeze!
With ist acceleration heading towards you and i; 
Love, 
It is possible. 
Life!
Love talks; 
Like the different faces of the moon.

Life!
I need love; 
Because, love will help me to expose my positive works to others. 
True love!
Leading to unity, peace and joy; 
This sweetness! 
This love; 
Moving along with time, 
And, with the muse of nature.

Edward Kofi Louis
It Is Possible  2

Life,
Everything is possible;
So, don't give up on your dreams.

Love,
It is possible!
So, don't give up on your dreams.

Nature,
With the ways of life on earth;
Everything is possible.

Edward Kofi Louis
It Is Rosy

The muse of life,
Defeated by the edge of the sword!
In the name of love;
When your valley was watered from the mountains.

The colour sof nature!
To humble you with the muse of love;
And, all that you could touch and kiss!
As you were crowned with glory and honour.

The muse of life,
To the plains of love;
An of the truth!
For, true love is rosy.

Love,
It is rosy!
So, do endure it with the muse of the truth;
And, live in peace with each other.

Edward Kofi Louis
It Is The Spirit

Nature,
It is the spirit that gives life;
For, the flesh is useless.

Life,
With the lust of the flesh;
Leading us to sin!
Yes, the sinful acts all over the world today.

Life,
With the moral laws of love;
Bringing peace to the land.

Edward Kofi Louis
It is time for Africa to show to the world what we are made of,
And through this World Cup 2010 with our muse!
For the world will see what we are made of and,
Of our various cultures to muse up with the games.
With dancing and music to welcome you all like the butterflies,
Because we are made up of many colours!
We will tell the world who we are with this 2010 World Cup,
So you are all invited to South Africa;
Of nature, culture, colours, languages and the beauty of South Africa!
For the ball will roll and legs will play,
And we will share the beauty of all the games with joy!
Because the hospitality of Africa brings you closer to our heritage;
And through one love, peace and unity to muse up with you all!
Come one come all,
For it is time for Africa to show to the world what we are made of;
And this World Cup 2010 will praise the muse of colours and beauty.

Edward Kofi Louis
It Is Too Raw

It is too raw to eat it! !
So, you better cook it;
Preparing the food of love,
With the ingredients around you.

Edward Kofi Louis
It Is Up

It is up,
Standing strong!
Against the wind
Red yard,
Like the author and his assistant.

Moved!
Moved in;
It is up,
Extravagant! !
Like the muse of 3-D Printers.

Introduced,
Electrified! ! !
Installations,
Protected;
For posterity.

Edward Kofi Louis
It Is Wet

It is wet,
It is soaked,
It is lovely,
And it is very nice! !
But let me know of the positive concept of who you are,
Because i am the new girl in town!

Edward Kofi Louis
It Is Wet Again

It is wet again!
At it was met again;
With the muse of the desire of the truth in the name of love.

Desire the truth and live in peace with your neighbours;
For, the fruits of righteousness lead to peace whereas,
Evil fruits lead to war!

Hatred makes you miss the message of the truth!
But, love heals all wounds;
Knowing your ways in the land of the living.

Edward Kofi Louis
It Is Written

He will be the one to love you because,
It is written!

She will be the one to love you because,
It is written!

In the wilderness of Love,
With the joy of your heart,

It is written!
With the muse of the birds flying over.

Edward Kofi Louis
It Is....

It is licking the milk and it is my cat,
It is on the guard post and it is my dog,
But my sweet love is around you!
And i am ready for you always,
For you really need my love to move on.

Edward Kofi Louis
It Leads To War!

We destroy the world with our sins! 
We hate each other and, 
It leads to war!

Edward Kofi Louis
It Left A Scar On You

Hot space!
Hot spot,
Singing the blues of love;
But, it left a scar on you.

Edward Kofi Louis
It Lies Ahead Of You

It lies ahead of you but,
Your lies are now blocking your move;
However, it is very certain that you need me!
So, call my line and, i will be there.

Edward Kofi Louis
It Must Be Admitted

Love,
It must be admitted;
The birth of love,
In the hearts of two people,
A male and a female.

Edward Kofi Louis
It Must Be Done

It must be done,
And, of the earth's population.

Servants of sin!
Put into the Lake of Fire! !

Religious bombs!
The nuclear war will wipe away four-fifths of the earth's population.

The rule!
This rule.

Deceived followers!
Hardship and suffering.

It must be done because,
You are teaching the doctrine of traditions than the truth.

Edward Kofi Louis
It Must Be With Love

Food for the brain,
Food for your health,
Food for the body;
But, in all things,
It must be with love.

Edward Kofi Louis
It Must Have Been Love

You can't sleep!
Thinking of me;
It must have been love.

Edward Kofi Louis
It Must Have Been Love 2

Sitting down,
Nice and lovely;
Beside you,
Looking straight in your eyes,
It must have been love.

Edward Kofi Louis
It Must Have Been Love

To see you,
For the first time!!
Thinking of you always;
It must have been love,
This secret love touching my heart!
Thinking of you always;
It must have been love.

Edward Kofi Louis
It Never Worked Out That Way

I thought i could take a nap,
But it never worked out that way!
Because, she was all over me.

Edward Kofi Louis
It Occurred To Me Automatically

That wasn't the purpose but it occurred to me automatically,
The wasn't my dream but it occurred to me automatically,
The wasn't my choice but it occurred to me automatically,
And the status and the ordinances of the Laws are i have today;
For, it was all crowed with the muse of your sweet love,
Because, i wrote to you about my love and you accepted me in!

Edward Kofi Louis
It Opens

It opens,
As it enters;
Birth!
To come into the world;
Death!
To go back to the earth;
Placed in the grave,
When buried.

Edward Kofi Louis
Welcome to the land of love,
The end is more about a change for the truth!
From Evil works to face righteous morals.

Thoughts! !
With our Generation;
The mind of the righteous considers carefully before answering.

The future!

The mouth of the Wicked pours out evil.

Our Stories on earth,

Being wise is an act of knowing what to overlook!
To be fervent in love above all things.

Givers and creators,
Movers and shakers! !
To salute those who make a difference;
Because, it pays to have a positive guide in life.

Edward Kofi Louis
It Rained

It rained! And it stopped;
You are now wet and,
I have to dry you up.

Edward Kofi Louis
It Rose Up

The thing should be like this,
But it rose up to the west to satisfy your muse;
And i am now learning how to hold it well.

Edward Kofi Louis
It Shot Up

It shot up its top above the thick boughs,
And like a measuring line stretched out over Yerusalem!
But find out how wide it is and how long it is,
Because this poem is like the hidden acts of your love!

Edward Kofi Louis
It Slipped Out Of Your Hands

You never waited for it so,
It slipped out of your hands!
And now it is gone forever.

Edward Kofi Louis
It Surprised Us All

Big rivers and small rivers,
The deadly raid surprised us all! !
But it is time for us to move ahead,
Because many are already dead and gone!

At 'München-Airport',
She was rich down there and all over!
But i thank you for being here with me tonight,
And like the blues-boy and the blues-girl.

My people want to know more about this raid;
Because, they killed him anf one of his wives!
And this deadly raid surprised us all.

Edward Kofi Louis
It Takes One To Know One's Love

It takes one to know one's love!
So enduring,
So lovely;
And, we are who we love on this earth.

It takes one to know one's love!
So enduring,
So lovely;
And, you are what you eat on this earth.

Please, pleased!
So enduring,
So lovely;
And, you will always stay in my heart.

Cloak, oak, soak, croak;
Block, lock, dock, mock, cock, rock!
However, it takes one to know one's love.

So enduring,
So lovely! !
Bock, pock, clock, hock, knock, stock;
But, it takes one to know one's love.

Edward Kofi Louis
It Takes Time

You may have a very nice idea but,
It may not be relevant to the present time;
You may have a wonderful idea but,
It takes time for it to be fulfilled!
It will sound like insurmountable but,
You will surely fulfil this dream one day.
It is like something that has never been seen before,
And like something that no one has done before;
And of the visionary that lifts up technology!
But it takes time to bring them to being.
You have to go through many hardships and many falls,
But try to wake up always to fulfil your dreams;
For your downfall should not stop you from anything!
It takes time,
And like the thermal electrical charge;
But like the seed that grows,
You need tremendous efforts to move on always.
Who you are can depend on who you need,
And footing with colleagues in the advance world;
But you surely do not have to give up on your dreams!
For it may surely take time to fulfil some of them.

Edward Kofi Louis
It Takes Two

This is the woman that i married:
She always distance herself from me and,
Expected to become pregnant.
This is the woman that you married:
She always distance herself from you and,
Expected to become pregnant.
But how can she become pregnant without the sperms?
She needs to be closer always than ever,
She needs to make love for her to become pregnant,
For it takes two to plant the seed and water the seed.

Edward Kofi Louis
It Takes Two  2

Meat,
To heat it!
To eat it;
It takes two to eat it.
Great!
Wheat,
Not to beat your friend;
On this love,
Shakes! !
Like the waves of the big lake;
To make love,
To wake up from your dreams.

Edward Kofi Louis
It Tasted A Little Different

Debunked!
Expired;
Prompt! !
Explained;
But, it tasted a little different.

Healthy meal,
Healthy and active!
Encouraged,
But, the amount was woefully inadequate;
So, you need a new policy on this love.

Love!
To be on your feet once again;
With the sweet muse of joy.
Life!
Urged,
Discussed;
Able, laudable!
But, it is amazing to live in peace.

Edward Kofi Louis
It Tastes Like Sugar

Black beans and white beans,
Pine, vine, dine, fine, cine, nine, mine, wine, sine, tine;
But it tastes like sugar!
So don't eat much to run your stomach,
For the confidential reign is all about your hidden love.

Edward Kofi Louis
It Touches The Heart

True love,
You don’t need signs to believe in it;
Because, you do see it clearly and,
It touches the heart.

True love,
To support and strengthen you;
And to lead you on with the truth.

Love,
To learn the only way to peace;
With the truth,
And to abide by the laws.

Edward Kofi Louis
It Was A Blue Colour

It was a blue colour!
But greedy dogs are always insatiable;
And a seed of falsehood is seen under every green tree,
But i will wait behind the door of true love.

Edward Kofi Louis
It Was A Dream

A dream! !
It was a dream;
And, i saw you around me.

Edward Kofi Louis
It Was A Dream!

It was a dream!
I saw you,
Oh! Beautiful woman;
With long hair and attractive body,
With a smile on your face,
Exceedingly pleased with what i saw.

Edward Kofi Louis
It Was A Horse

It was a horse,
It has a rider;
But the rider's head was cut off! !
Because of the wickedness of war.

Edward Kofi Louis
It Was A Spider

With many legs and many acts,
But finally it was a spider!
OH yes, a spider is what you are because of your acts among us;
For you've persecuted many in the name of falsehood to gain your wealth;
But, the end comes and you will be judged.

Edward Kofi Louis
It Was A Trap! !

I fell into your hands because,
It was a trap! !
And this trap took me backwards,
Unable to move forward;
Sick and lying on my bed today.

Edward Kofi Louis
It Was All For Money

They flashed it to you!
But, it was all for the money;
And like the honey in the land of your muse,
From the studio!
For the work and for the muse of the people.
Flash, lash, ash!
With sickness from the pleasures of the world;
However, no one saw my grandmother's ankle except my grandfather.

Edward Kofi Louis
It Was In The Wc

It was in the WC and,
I took it out!
Because, that was the last one left for you;
And without it you cannot survive.

Look around and search your pockets,
For the only one left for you to survive fell into the WC!
And i was there on time;
For i took it out to save you.

Edward Kofi Louis
It Was Just

Just one night;
It was just,
Just one kiss;
It was just,
Just one love;
It was just,
Just one way;
It was just,
Just one day;
It was just,
just one smile;
It was just,
Just one move;
It was just,
Just one ball;
It was just,
Just one road;
It was just,
Just one path;
It was just,
Just one bush;
It was just,
Just one valley;
It was just,
Just one act;
It was just,
Just one romance;
It was just,
Just one word;
It was just,
Just one plan;
it was just,
Just one time;
It was just,
Just one flow;
It was just,
Just one touch;
It was just,
Just one taste;
It was just,
Just one film;
It was just,
Just one praise;
It was just,
Just one work;
But, the frozEn meat was warmed all over.

Edward Kofi Louis
It Was Meant To Be

The body without the spirit is dead!
So, be careful in life and,
Always seek for the works of the truth and live.

Life,
It was meant to be;
But, let us choose the path of the truth!

Edward Kofi Louis
It Was Not Easy

The borders were closed and,
I was smuggled out to breath my freedom! !
But, it was not easy.

Edward Kofi Louis
It Was Real

It looks like a joke!
To me,
To you,
But, it was real;
So sweet! !
Sweet love,
For the joy of your heart.

Edward Kofi Louis
It Was Right

It was so,
It was right,
In the night,
So it was.

Edward Kofi Louis
It Was The Rain

Questions,
Answers,
Pain,
Strain!
Working out,
Nature! !
Life, Love and peace;
But, it was the rain.

Edward Kofi Louis
It Was The Same

Love,
My feelings for you today was the same as yesterday;
Ever living! !
Ever joyful,
Ever merciful,
In the world of fantasy with the muse of your sweet love.
I still remember the first time,
Meeting you alone in the land of your joy!
These feelings,
This love;
It has been the same! !
And, it was the same when we first met.

Edward Kofi Louis
It Was Written

It was written in Hebrew, Greek and Latin!
Because, the English language was not spoken by then;
And like the muse of your love which is now exposed to all.

Edward Kofi Louis
It Was Yahweh's Blessings

It was Yahweh's blessings,
And, i do than Him for everything!!
It came like a struggle without understanding anything!
But today, i do understand why it was so;
Because, Yahweh took me out of these people to make known His Name!!!
And at 'Nii Boi Town' today, we can say: 'Praise Yahweh! HalleluYahweh'!!

Edward Kofi Louis
It Was You

I am ever ready to help you,
For, i now have the new story at hand;
But, it is never too late to change.

20 gallons of water,
As prescribed;
But, i heard the knock at the door!
And, i knew that it was you.

Edward Kofi Louis
It Was You!

It was you!
It was you that i saw last night;
I saw your head,
Clean shaved;
And like the joy of love in the land of peace,
But, i will always be on the night watch.

Edward Kofi Louis
It Was You....

It was You Who released the springs and the flood,
It was You Who dried up the ever flowing rivers,
And like the fat of lambs! !
But we have to serve You with love.

Edward Kofi Louis
It Will Be

These high walls will collapse one day,
This world will close up one day,
This catastrophe will visit all of us one day,
And it will be the last ever war to be fought;
For my people are destroyed for lack of knowledge!
And like the shadow of a thief,
Their dead bodies will be like the garbage that grows.

You've put a muzzle in your mouth and,
Your ears do not listen to my parables;
For beauty is now consumed like the grave!
And like the east wind which breaks the ships:
Because my home is now taken over by the soldiers of war.

Edward Kofi Louis
It Will Be 2

It will be!
It must be;
It will always be,
With the muse of your prayers.

Edward Kofi Louis
It Will Be Better

Decision,
It will be better;
Things of today!
Glory,
With a better tomorrow.

Edward Kofi Louis
It Will Be Worth It

Wet seeds,
Dry seeds,
Striving for the best won't always be very easy;
But it will worth it if your try.

Sarcastically,
There's something true about it;
And it is all about your love in the land of roses!
But i will like to know more about you.

Edward Kofi Louis
It Will Blow Up Gradually

If you are pregnant,
Your stomach will blow up gradually;
And it will be exposed to the public,
So try to tell me before it is too late!
But beware,
You can't hide it from the people around you;
For your stomach will blow up gradually.

Edward Kofi Louis
It Will Change Your Life Gradually

Don't put your Bible under the pillow and sleep on it always,  
But try to take this very Book and read it!  
Then you will know the difference between right and wrong;  
And there after, it will change your life gradually.

Edward Kofi Louis
It will come,
Wait for it! !
Because there is hope ahead.

Edward Kofi Louis
It Will Go Well With You

Obey the voice of Yahweh and be straight,
Then it will go well with you;
And your life will be spared.

Do not promote yourself above Yahweh! !
But only obey the voice of Yahweh and be straight;
For, He made us all on this earth.

Edward Kofi Louis
It Will Never Pass Away

The truth is like a dream that has come true!
And, it will never pass away;
Authority,
With a ruling staff in the hand.

Edward Kofi Louis
It Will Touch Your Heart!

Muse, infuse!
This poem is for you when you read it;
Because, i love you.
This poem is very special and,
It has the ingredients of love than hate;
So, take hate out of you and,
Bring in the light of love! !
This poem is for you because,
I love you;
And, this poem is here to guide you.
It will touch your heart!
Because, it is from my heart;
This poem is the poem of love,
Without hatred that leads to war! !
This poem is all that i have for you because,
I love you.
Smile and, let me see you laughing with the muse of love;
Because, i am here to share my love with you.
This poem has the spices of love and the aroma of romance waiting for you!
Because, it is from my heart.
This poem will touch you when you read it;
Because, i specially wrote it for you.
Muse, infuse!
With the joy of your heart;
Because, this is the true love that i share with you;
And, this poem will touch your heart because,
I love you.

Edward Kofi Louis
It Works

Fence,
Pence!
It works,
It works pretty well,
To jump over it.

Edward Kofi Louis
The aroma of romance,
The aroma of passion,
The aroma of love;
But the big ship sailing on the high sea was caught up by the great storm! !
And, i gave way and let myself drift.

The ship's lifeboat,
Off the north coast of Africa! !
But kiss my lips if you truly love me;
For, i am Itau from the land of peace,
And, i am ready to love you as well.

Performed,
Quietness,
Kiss me if you love me;
For, i always have you in mind from the very first day that we met.

Edward Kofi Louis
Itch

Itch,
Pitch,
Switch,
Hitch,
Witch!!
To deal falsely with your neighbours and,
To steal from them.

Edward Kofi Louis
It-Girl!

Society,
Rita, Evita!
Body of evidence,
I've kept my promise so,
Don't break your promise.
Beauty queen!
The narrow way,
The small mouth,
The Blue Angel! !
Like a lady with a gun;
But, you're the beauty queen in my black coffee.
Society-lady,
This image,
Car, carpet!
To explore deep down;
All in the name of love.
Structure, picture!
Private secretary,
Mary, primary!
My pleasing Princess;
Dishes, brandishes!
Best dressed but, not with the nakedness as seen around.
Place, Palace!
This picture,
Sweet 16! !
IT-Girl;
Being at the right place at the right time.

Edward Kofi Louis
Itinerant!

Lust,
Intinerant!
In a quiet atmosphere;
Hitherto,
With the muse of your land.

Lust,
As early as 5 a.m.;
In your land,
At vantage points.

Van, vantage!
With the muse of your illegal lust;
Age, vantage!
With the muse of the land;
And, with compliant.

Edward Kofi Louis
It's All Over

Proposal,
With your Joy!
Paste,
With your love;
But today,
It's all over,
Waste! !
Disposal.

Edward Kofi Louis
It's A Boy!

It's a boy!
But, patience is a virtue;
And like the circles of life in the land of your muse,
But, the miracles see around you occurred because of your love.

Edward Kofi Louis
It's A Boy! ! !

It's a Boy! ! !
Another Prince to the Royal Family;
From William and Kate,
And, the journalists waited and waited.

The News!
The Story;
With the whole world watching,
Waiting for the Royal Baby.

Poetry!
It is more than the muse of life;
But, the apple doesn't fall far from the apple tree.

It's a Boy! ! !
With joy to the world;
As the British waited and waited.

Edward Kofi Louis
It's A Girl! !

Dizzy, fizzy, tizzy!
You are now young forever!
And like the works of art by an artist;
But, the joy of this muse is all about this girl.

It's a girl!
And like the sounds of the goldsmiths hammer;
But, i put it on and she put it off! !
And, the people around got the better part of the meat;
However, a decimal point was needed to clarify the issues at hand.

Edward Kofi Louis
It's A Lovely Day Today

Life, love, peace;
It's a lovely day today!
It's a great day with the muse of my mind,
Writing to you;
And, it's very great to speak to the world!
With the muse of my words,
To say out my mind! !
To teach others; as, many want to learn from me.
The muse of life,
To say something;
The muse of love,
To be in unity;
With the faith and, with the truth.

Edward Kofi Louis
It's A Natural Thing!

It's a natural thing!
Love, peace and care;
It's a normal thing!
Love, peace and care;
It's a way of life!
Love, peace and care;
It's the way we should live in unity!
Love, peace and care;
But, how can you top perfection?

Edward Kofi Louis
It's About Time

It's about time!
It's about love,
It's about you and me,
In this side of the river;
It's about us.

Edward Kofi Louis
It's All About Love

It's all about love and i can't think of anything else than you,
For i want you and i to be closer than ever!
It's all about love and you don't have to hide it from me;
Oh my beautiful woman,
My heart is yearning for you.
I have been thinking of you all day long and i cannot sleep,
Knowing that one day you will be mine on this love;
For you are very sweet to my heart of roses.
How i hope to have you in my arms one day,
For your love is the honey on my bread;
How i hope to kiss you one day,
For your love is the melody of my boday;
It's about love when your sweet memories do come to me at night.
How warm is your love-zone?
How sweet is your secret love?
When am i going to touch this soft body of yours?
Just walk to my mirror with your nakedness and show me more,
Like another day in paradise without a worry!
It's all about love and you are all that i need.

Edward Kofi Louis
It's Already In The Room

The smell,
Of the smoke;
It's already in the room.

Edward Kofi Louis
It's Amazing

It's amazing how you came right into my heart!
To lift me up high from the dark;
The delight of this love,
Might is the truth! !
With the sight of joy and,
The smile on your face;
It's amazing!
Oh this true love of yours.

Edward Kofi Louis
It's Been Done

Yes!
It's been done;
With the muse of the truth,
Being with you all these years! !
Able to see the light of true love.

Edward Kofi Louis
It's Coming!

It will come,
It's coming!
However, we need peace than war.

Memories! Of the past;
Remembrance,
To pick it up and to fix it once again.

Writing and printing,
Side by side;
Sinking in!
Like strong teeth and bones,
Because, it's coming!

Edward Kofi Louis
Its Hardness

Break!
To destroy;
Be void of,
Persih! !

A bad sense,
Its hardness;
Force! ! !
To destroy,
This act of yours is like the chameleon.

Strike!
Siffice,
To wallow;
Strolling,
In the name of hatred.

Edward Kofi Louis
Its Intuitive

Life!
Its intuitive;
Love!
Its intuitive;
Muse!
To me and you;
preparing the ways of your mind and mine.

The butler!
Ina village,
In a town,
In a city,
In a country;
Illegal lust! !
To pay the price of sin.

Lust!
The wages of sin is death;
So, repent and be saved.
Life!
Its intuitive;
Love!
Its intuitive;
But, let is have salt in our bodies.

Edward Kofi Louis
It's Length

Realistic!
It's length,
Magic! !
Strong presence;
Pure to enhance your muse.
Sure, secure!
To cure your heart with the truth;
And to control your emotion.

Edward Kofi Louis
It's Magic!

Timing,
Beautiful,
It's magic!
Fantastic show,
As you displayed your love.
Joy and peace,
Love and care,
Unity and humility;
With the fragrance in the garden of romance.

Edward Kofi Louis
It's Me

Calling! !
It's me;
With the muse of love.

Edward Kofi Louis
It's Me!

It's me!
And like the beauty of your skin;
It's me!
And like the beauty of your bed;
It's me!
And like the sweet words of your muse;
It's me!
And like the acts from your mind;
But, it will take only me to satisfy you all year round.

Edward Kofi Louis
It's My Life

This way,
The vow;
It's my life!
Going along,
In peace,
With my mind,
Learning along,
Always facing the muse of the truth!
With the joy of my heart.

Edward Kofi Louis
It's Night

It's night,
You're sleeping;
But, I'm at the beach!
Walking around and,
Waiting for the sun to settle down.

Edward Kofi Louis
Its Powers

Block the water at the other end and,
It will flow out through another side;
The flood!
The act of nature,
Seen all over the world;
With nature displaying its powers.

Edward Kofi Louis
It's Real

There you are!
And, here i am;
But, it's real,
With the works of the truth.

Edward Kofi Louis
Its Roots

It came out of Mesopotamian and settled in the Middle East,
Then it gave forth its roots to spread all over the world!
And like Isaac and Ishmael in the land of your muse;
All over the globe today to learn from each other,
But, we all came from one source.

Out of Mesopotamian,
Out of Egypt,
Out of many lands! !
And like Isaac and Ishmael in the land of your muse;
But, we all came out from one source.

Crossing the Red Sea,
Getting into another land;
But spread all over the world today to identify you nad me!
And like the Jewish and the Arabs;
Asia, Africa, Europe, North and South America and, Australia! !
But, we all come from one source.

Edward Kofi Louis
It's The Way Of Life

It's the way of life,
But let it be with the works of the truth;
Living in peace,
Without hurting your neighbours.

Edward Kofi Louis
It's There For You

Love!
It's there for you to feel it;
Touching your heart with your Desire.

Life!
Try to share what you've learnt with others,
With the muse of the truth.

Let there be light! !
Peace and love to all mankind,
Without racism.

Edward Kofi Louis
It's Very Strange!

I like it,
You like it,
But, it's very strange!
Seeing the corruption in this town;
With no truth coming out from the mouths of the people.

Edward Kofi Louis
It's Your Own Money

It's your won money,
You can entertain yourself with it,
Even if you want to buy honey;
But, I have my donkey in the farm,
Working with it,
As a monkey sits on a tree watching.

Edward Kofi Louis
Ittai And Getti

You are in exile from your homeland,
And Ittai and Getti came and told me of the news;
But the wicked are always impatient in life.

Is this your joyous city?
For your love now lay bare and forgotten;
But Sherley and Cherly will give me hope,
Because the grass withers and the flowers fades away!

Edward Kofi Louis
Arm yourself for war!
For the end is at hand;
And, how shall i make a mends to you?
For the end is at hand.

One belt is for a warrior like Absalom's Statue,
But Yahweh is worthy to be praised;
Iva, life is like a gigantic man with six fingers on each hand;
But you are not to be intoxicated with wine!
Iva, life is like a gigantic man with six toes on each foot;
And merciful and compassionate like,
The god (el) of gold in this war!
But you have the sweet-smelling cinnamon around you,
So arm yourself for war! 

Iva, you have the sweet-smelling cane around you too;
And the end is at hand for all of us but,
Those who sin always are uncomfortable with righteousness.

Edward Kofi Louis
I've Been Searching

Where are you? !
I've been searching all over the world,
Looking for you!
Time and time again,
Looking for you.
All over the world;
Oh! True Love,
Where are you?

Edward Kofi Louis
I've Been Waiting For Your Love

The will,
The way,
I've been waiting for your love.

Edward Kofi Louis
I've Got It!

Job, joy!
With a heart so lovely to share;
For the peace of the earth.

I've got it!
Here it is;
With the works of peace.

Ship,
Friendship,
Relationship.

Edward Kofi Louis
I've Got My Mind On You

I have got a vibrant culture of sense to share with you and,
You are stronger enough to be my man!
To go beyond the millions with the focus on this love;
Because, i've got my mind on you.

You are the poet of my heart!
And your poems do feed my soul whenever i go through your works;
Using the golden eyes of sweet love,
And like an Opera in the Theatre.

I will love you for who you are!
For you are stronger enough to be my man;
Waiting to hear from you always,
As the sun rises and settles down.

Edward Kofi Louis
I've Got These Feelings

I've got these feelings in my soul!

With the spirit in my soul;

These feelings of true love within my heart.

Edward Kofi Louis
I've got to show my love to you and,
Sing my song to you;
Oh my sunshine!
For, the bridge over the river has now got light.

I'm still in love with you and,
I want to sing my love song to you;
Oh, my sunshine!
For, this bridge over this river has now got a light.

Edward Kofi Louis
I've Got Your Present

Pregnant!
I've got your present;
Waiting to deliver a baby for you.

Edward Kofi Louis
I've now got it right!
With six numbers and 23 million Euro into my pocket! !
But, this took me 50 years long in my life.

Of the tongue,
A big dream,
Lodged before;
But, to swing into a full gear!
And like the extreme line of action,
However, this was the best day of my life.

Edward Kofi Louis
I've Printed Your Name

Your love is in my heart!
So, i've printed your name in my heart;
You're always on my mind!
So, be true to yourself and,
Be straight with me.

Edward Kofi Louis
I've Seen Many Things

Life's own troubles,
I've seen many things;
Growing up in Africa.
Poverty and tribulation,
Red! ! !
Like a flame of onward fire;
The fitters! !
With hustle and bustle.

Edward Kofi Louis
I'Ve Seen The Light

'Yah-Way'!
Yahweh's Way; In unity,
Forever and ever! !
Endearing it,
In the work;
But, when i was young,
I served the gods!
But now, i've seen the light;
And, i belong to Yahweh.

Edward Kofi Louis
I've Seen Your Face

I've seen your face! 
Joyful is my heart; 
Having your pictures always around me, 
Because you are the one! !
You are different.

Edward Kofi Louis
I've waited for so long!
So long too long,
So long in life;
This pain,
With this chain around me,
Around my legs! !
So long too long,
I've waited for so long;
Unable to move,
Static! ! !
I've waited for so long in life.

Edward Kofi Louis
Ivory House

Ivory house,
To find where you are in the land;
To follow the road to the city,
Leading to your house,
Because of your beauty.

Edward Kofi Louis
Ivory Palaces

The sender,
Of honourable men and women;
Affections,
For the ivory palaces are now here to stay;
And like the glad tidings of your love around,
For the desire of your heart is around you.
Blender, sender, vender, tender, fender, bender, gender!
Of honourable men and women;
For the ivory palaces are now here to stay.

Edward Kofi Louis
Ivy

Vice of Ghana,
Voice of love,
Voice of Africa,
Voice of peace;
But, do you like what you see around me? !
For, i am Ivy with the works of love.
The accolade,
A lone striker!
To give,
To impress,
To rescue,
And to higher heights! !
But, do you like what you see around me?

Edward Kofi Louis
Iwaria

Mother,
I thank you for giving birth to me;
For, i am Iwaria in the beautiful land of flowers;
And, i am 15 years old.
I am now matured enough to understand the muse of love,
And like the chocolate factory closer to our house;
But, this train always passes through my homeland.
my love is now opened to you all,
With skills and the muse of life;
But in tears i do see the negative things around me! !
And, i am yet to grow up enough to be married and become a mother as well.

Edward Kofi Louis
Iwas

Within you,
Within us,
Within me;
According to the course of this world;
But i am Iwas in the land of timber! !

Sealed,
Guaranteeing,
To think;
But i am an ambassador in your land,
And like the muse of love in the land of joy!
But, i will always remember you in my prayers.

Edward Kofi Louis
Simplicity,  
Reigns, rains!  
It reigns over,  
It rains over,  
Along the ways.  
Thought,  
Slect, elect!  
Loyalty,  
Bringing forth the truth;  
Royalty, loyalty!  
I am Iwuanyanwu in your neighbourhood,  
And, this poem is written for you.  
To learn and to know!  
To know and to understand!  
In your mercy,  
In your joy,  
In your peace!  
Like the sign of duty.

Edward Kofi Louis

Ixora, ox, air, or, oar!
Blackness,
Darkness,
Tempest;
With the ways of the land;
However, being firm with your mind!
In the name of peace and love.

Edward Kofi Louis

Izhar, air, hair!

Early in the morning with the muse of love,

Jacinth

Jacinth, in, it, hit, hat, can, Cain, tin, tan, an, ant, cat!
Seeing the black sand at the beach; with colourful homes along the beach, however, love will always find a way to meet your inner self.

It was found in it! No need for the sun to enlighten it; but, to walk in the light with glory and honour! ! Along the beach; however, the truth cannot be hidden! Because, the truth is stronger than lies.

Edward Kofi Louis
Jack

Mental thoughts,
I am Jack on the muse of love;
But an attractive and a beautiful woman is what you are,
And like the poor and the needy who need my help.

Edward Kofi Louis
Jack And Jane

'Le phychiatre noir',
Judging from my skin to accept the bones;
But, being a mother matters to me.

I am living in hell but, with the muse of truth!
Rumbling here and there to merge out with the facts;
Like Jack and Jane who went out to play.

Life!
With the sea of love presented to you before marriage;
And, travelling faster enough to reach to your destination.

Life!
Someone is flying a balloon above me;
Over the muse of nature across the sea of love.

'Le phychiatre noir'!
Like life in the sea of condoms;
But, make no mistake along the line.

The bones!
Judging from my skin to accept them;
Like the muse of Jack and Jane at the playground.

Edward Kofi Louis
Jack And Jill

Can, canon!
With the ways of life on earth;
But let your lips keep the truth.
Hill, still, till, pill, ill, spill, bill, fill, drill, grill, rill, mill, will!
Like Jack and Jill who went out to play in the snow.

Love,
Along the river banks;
But let the truth lead the way,
For life today is full of fear because of the terrorists.
Where is love?
Where is peace?
Righteousness helps on to overcome sins.

Jack and Jill,
With profitable ventures in the land;
And, with the muse of the adventures that they take along,
Knowing what to do with the laws.
Age, engage!
With the lips that always keep the truth.

Edward Kofi Louis
There is a Father in heaven Who reveals secrets,
And emerging from a realm to rule the world;
But, our feet are blocked by the stones of Satan to hear His words.

Thrilling acts from the weaves of the sea!
With valued access to the mind of the teacher;
But, who will blame me for losing you to someone else?

To the idealistic of your muse,
To the idealistic of my mind,
To the works of peace and love from the Creator Almighty! !
For, He cares for us all.

The utopian act of man!
Jack where are you?
For, i am from Ethiopia with my words;
But, if real money had made you what you are today,
How can my soul rest when, you've made war your best friend?

Edward Kofi Louis
Jackie

Guns and roses,
Hatred and war! !
I am kissed by a rose on a grave;
But jackie my lover was not there to save me.

Edward Kofi Louis
Jackie II

Suspected,
Busted,
A shoplifting syndicate!
In the land of your muse to respect the law;
And with other accomplices.
The modus operandi,
The hot chase! !
On different occasions with different information;
But noted in the land of your muse,
Because, the laws were being enforced!
And like the case of Jackie in court yesterday.

Edward Kofi Louis
Jackie III

Fat as grease and slow as the tortoise,
I am like a virgin who is now betrothed;
But, take care of the woman you've humbled,
Because, Jackie is the name of my friend.

Edward Kofi Louis
Jolly ride! !
According to servitude and attitude;
Comforting other with the muse of the truth,

Noted with your words of peace.

Living and learning,
Onward with positive morals;
Understanding the ways of life,
Insight with the muse of righteous laws!
Servitude and attitude to enhance your status.

Edward Kofi Louis
A cheerful heart is a sound medicine to your soul,
But a downcasted spirit dries up the bones of your body!
So Jacky, have no anxiety of anything.

Be very wise! For, a tranquil mind gives life to the flesh;
And i am here to love you for what you are.

The ardent of life is of spiritual joy and,
I am painting the walls of love with you in my mind;
So try to listen to my muse,
For it with emotions and passions.

You are the ingredient of my love and i want you around me,
But enter into the world so sweet with a cheerful heart;
For the soul of man should be guided with love.

Edward Kofi Louis
Be ready to marry a virgin and,
Be ready to learn from her;
Like two-tenths of an ephah given out in the ninth month.
One man from a tribe is to help you,
One woman from each home is to save you,
And one man for each land is to see you through;
But you shall not cut your bodies for the death.
Each man knows the affliction of his heart,
And each woman knows the affliction of her heart;
So Jacob, you shall not put tattoo marks upon yourself;
And be ready to marry a virgin of your heart.

Edward Kofi Louis
Jacqueline

Of a land of corn and wine,
Of a land of love and peace,
And of the sweet love of Jacqueline!
For you are listed among the best in this world and,
I am ever ready to meet you one day.

Edward Kofi Louis
Jacqueline II

Jacqueline, line, lean, lane, lain, in, an quail, jail, nail, queen;
Melons, leeks and onions!
But i have lost my appetite on this love,
Because, you've failed to tell me the truth of your secret ways.

The muse of life and the very ways od nature!
With fish, cucumbers and caroots in my kitchen;
Blossom!
Trying to get my appetite back after all these years,
For, you thought you've thrown me into the wilderness of the lions! !
But, i am still alive and, playing with the lions.

These secret ways of your life!
Every now and then with different stories from the people around;
But, i have now managed to live in the den of the lions! !
Playing with them and learning from my mistakes.

Edward Kofi Louis
Jacques

Fire consumes the forest and,
A flame sets the mountains on fire!
But Jacques came to help me with my flock,
And many of them are now safe.

Edward Kofi Louis
Jaden

Jaden, den, Dan!
Brand,
Band,
Metropolis;
Bugs,
Blogs,
Logs,
Lugs,
Frogs,
Flogs,
Hogs,
Hugs,
Fogs! ! !
With the format of your works.

Edward Kofi Louis
Jah Wutafi

Tell the Indians that i am part of them!
Because the rainbow came and saw my nakedness;
And i am now like 'Jah Wutafi' on the banks of love.

Your love is like the expanse of dazzling crystal,
And like the burning coals of fire!
But tell the Indians that i am part of them.

Edward Kofi Louis
Hello Jakob,
Because of you i am what i am today;
And i really love you for what you are.

Your love is like yam chips to me and,
I will love you forever.

Because of you i am what i am today,
Because of you i am better positioned to face the world,
Because of you i am exposed with my talents,
And i really love you for what you are.

Edward Kofi Louis
Jama

Nights of great romance and,
Nights of great words;
And like the end of the year and,
The start of the year! !
But, you are one of the ten lovers around.

Jama is your anme and, i do love you! !
But, you need to rise up very early to understand my sweet muse;
For, sleeping idle always will not gain you respect on my sweet muse,
Because, i am the very special person for your sweet love!

Your love to me is like the ice-breakers! !
But, a visit to you is like the ground-diggers!
So, come and learn more from the ways of life around me;
For, you need me to put away this mask on your face,
Oh, my sweet Jama! ! !
It is better to see the light always than to be in the dark.

Edward Kofi Louis
Jamal

Sexual defilement is rape and,
Teenage pregnancy is a social problem;
But my poem will touch you oh my sweet Jamal!
For we need to educate these teenagers.
I really love you so much,
So don't turn away from my heart;
And take me as I am because,
'Me ye onipa ba'!

Edward Kofi Louis
Jambon

Jambon, bon, ban, bam, jam!
Terrorists on the loose;

Salah, as, ash, has, lash!
With the situations on earh today;

Slave, stave!
No one is safe;

Stave, starve!
To save the people with the works of the truth than war.

Worse and more bitter! !
With bombs and attacks;

Callous!
With the symbols of hatred and war at our doorsteps.

Edward Kofi Louis

Let me build outer walls to protect your love,
Living in James City with the muse of your mind;
Sown, own!
With the muse of the green trees in the city.
Life,
With the sunshine in Africa!
But, you now have the moneybag in your town;
With the assurance of your works in the land of peace.

Edward Kofi Louis
I am from James Town, and my name is called James; 
Life, 
With the ruling staff of the laws around my town! 
But, my mind is alway clean and clear, 
And with the sweet muse of the aroma of peace in the town. 
The truth is here and we have to accept the works of peace! 
Under the muse of the laws of righteousness; 
Which trains the mind, 
As one accepts his or her neighbour with the compassion of the heart.

Edward Kofi Louis

Journey to the west with my mind,
Able to learn along the line;
Making it possible to share my experiences,
Exhibited with the muse of life,
Service to all mankind.

Tender love is the key,

With servitude and attitude,
Noted with righteous laws than hatred and war!

Edward Kofi Louis
Jane

I love you as you are!
So do not change anything from yourself;
Because, the eyes that see are full of love.

Of the stories and of my way of life towards you,
Of the shock after love and the weather towards your love;
But my faith will led me to love you always.

Of the love of the African boy and the things around,
And of the love of the Afro-Americans like the muse of Africa!
But Jane, i am deeply in love with you like the kiss from my mouth.

Edward Kofi Louis
Janet

To love you is like the story of a 'Cowboy' and the 'Cowgirl',
But you are all that it takes to keep the winter rain very warm;
And, we need one voice in the dark room of love.
Janet my sweetheart, the songs of love is what i bring to you;
And my heart will be there for you only.

Edward Kofi Louis
Janeth

I know who you are and of your feelings towards Janeth,
I know what you are made of and of your smiles towards her;
But Janeth always sits alone waiting for you.

Edward Kofi Louis
Janette

Out of your sweet lips came love,
Out of your lovely hands came romance,
And out of your soft body came something so sweet!
Oh Janette, you are my lover on this love boat forever.

Erotic is your name and erotic is your love,
For i met sweet love in your blue eyes on the first day.

Edward Kofi Louis
Janice

Janice, nice, ice!
With the peace of life,
To rise up in time,
To share with your partner;
Nice with the works of love.

Edward Kofi Louis
Janson

There is a natural mystic blowing through the air and,
It is like the echoes of your love in the rain;
But if you listen carefully you will hear the words of my love,
For Janson is all that it takes on this muse of my love.

Edward Kofi Louis
Jantuah

Jantuah, tan, ant, an, at, hat, hut;
I need you,
I want you,
I love you!
Motives,
With the mandate of love;
In, incomes!
As claimed at the time,
But, i am now knocking at your door.

Edward Kofi Louis
January Blues

Activities,
Of her emotions,
Of his emotions,
Outside the box;
Sets, pets, bets, lets!
To get closer;
Inside the box,
Januar Blues!
2016,
Notwithstanding the ways of life.
Bulk, sulk!
Soliloqy,
Of your finances,
Organizing yourself;
Sage, envisage!
But, love is the colour of my heart.

Edward Kofi Louis
Janx

How long will you forget me my lover?
For patience is on the saddle of love;
But don't pretend that your doors are now wide opened for all.

Face to face and eye-ball to eye-ball,
Of the union of the deep significance to promote my love;
But i will keep this foetus for you.

I believe i can fly and,
I believe i can touch you deeply with my words;
But do not distort the truth,
Because i love you so much! !

Look at me,
Very poor and tattered;
And like a penny for your thoughts and a dollar for my love,
For i am now trying to erase my past!

There is nothing new under the sun,
So wrap up your blody and come closer to me my sweet Janx!
Come and feel my heart beat,
And try again if you fail once in thisa world!

Edward Kofi Louis
Japonica

Japonica,
The bush;
With des flowers and,
Pale yellow fruits.

Edward Kofi Louis
Jaques

Jaques, as, sea;
Attracted!
Attended,
Into,
Within,
Soft and harmonious! !
Vital adrenalin,
To disseminate the information;
But, with the native instruments.

Edward Kofi Louis
Jar To Raj

You 'may' give me the 'yam' to eat,
But make your 'way' like that of 'Yaw';
And to 'wed' with the 'dew' is like the great stars of love.

'Stop' the 'pots' from falling! !
For i want to 'edit' my mind with the 'tide' of your muse;
And keep yourself very fit on this job,
Because i want to take the 'jar' to 'Raj' my friend!

Edward Kofi Louis
Jarring!

Obviously,
Obtainable,
Just-in-time;
Jammy!
Attribution,
Support,
Jest, just!
Attrition,
Jarring!
Juxtaposing love;
Of the challenge,
Postings,
Efficiency,
Sffectively,
Well done! !
With the joy of your sweet love.
Dove, rove, clove, cove, glove, grove, love, move!
Jarring with the works of nature;
And, to recount in the past! !
However, moving on today with the joy of your heart.

Edward Kofi Louis
I saw your love and,
I saw the honesty of your acts;
I saw your simplicity and,
I saw the faithfulness of your muse;
And of the emotions of the river that makes me kiss you!
For your love is like using the Bible to address my views.
I love you and your name is Jason,
But the impulse of this river is for us all;
And i will live to satisfy you always with my sweet muse.

Edward Kofi Louis
Jasper

Jasper, pear, ear, era, sea, sap, rap, ape, sear, reap, as, rape!
Discouraged;
Hidden in prison houses.

The just scales of life!
Showing your ways within th integrity of the truth;
And to open your eyes! 
Doing what is right than evil.

Edward Kofi Louis
Jauch

I am smiling like the ocean that can be viewed from my porch,
And i thank you for such a wonderful kiss;
For you are very creative!

You passionate love has touched my heart,
And i can't really live without you oh Jauch!
Because i do reflect on you day and night,
And i will always prepare my room for you on this love.

Edward Kofi Louis
Jaw, Saw, Law!

Glamour girls!
With sunshine and heat;
Glamour boys!
With winter and cold;
But, love is all that we need on this earth,
Than the bullets of war.

Life,
Flowing down like a river;
From the mountains and through the valleys,
And, with greetings in the morning.
Jaw, saw, law!
With greetings in the afternoon;
But, love is all that we need on this earth.

The mus eof life,
To walk along the narrow path of the truth;
And, with greetings in the evening,
But, love is all that we need on this earth!
Than, the bullets of war.

Edward Kofi Louis
Of the water in your valley and,
Of the apples on your tree;
You love is honourable to my heart and,
You're chosen among the lot.

What shall i give to you my love?
For i will lay my beam in your waters of love;
And where no oxen are, the crib is clean.

Jaxxy,
Shall i uncover my body for you? !
For it is so delight to show you my love.

This house needs you and i and,
This house needs love;
For i am all that you want on this love.

Edward Kofi Louis
Jay, Bay, Say, Stay!

My love cries for you!
My special one;
It's a new life,
Being with you,
Jay, bay, say, stay!
My special one.

Edward Kofi Louis
Jazz And Blues

It is very easy to give birth to a child,
But it is very difficult to bring up this child till he or she gets a job!
For under the great tree i will rest my mind,
Because your life is now like the jazz and blues heard afar off! !

Edward Kofi Louis
Jazz Lips

Hips,
Slips,
Tips,
Trips,
Grips,
Jazz lips!
Ships,
From one country to another;
With the muse of mankind on earth.

Edward Kofi Louis
Twins of twins and love of loves,  
Dream of dreams and city of cities,  
From the outcry of many for me to write;  
But a hungry man is an angry man,  
And like the sticky tricky words from the head!  
But i am Jazzbo who wants to make things straight.

Edward Kofi Louis
'Je Suis Charlie'

'Nous Sommes Tous Charlie'
The earth,
Our earth;
Terror! !
With hatred in the hearts of mankind.
'Je Suis Charlie'!
To shoot,
To kill,
What next?
With the ways of mankind like the days of Cain and Abel;
And, Cain killed Abel.
This act of life had never brought us peace!
No, not all;
It rather leads to anger, vengeance and war.
To shoot! !
To kill the one you call your enemy;
But, think before you act!
Yes, think deeply in your heart before you act;
Because, when the rain falls, it doesn't fall on one man's house.
'Nous Sommes Tous Charlie'!
Why do we hate each other?
Why have we adopted the education of hatred in out hearts? !
The act,
To shoot and kill;
Which leads to the destruction of mankind,
And now, you are on the run hiding somwhere.
'Je Suis Charlie'!
And death came around unexpected to some people in Paris;
Because of the terror attack.

Edward Kofi Louis
Jean

Cowboys and guns,
And of the Cowgirls with their lovers!
But do not lust after my beauty when it hits you,
For i am Jean in the land of Jeans!

Edward Kofi Louis
Joy in your heart after seeing my face!
Echoes of life with the muse of your sweet love;
According to your works in your country as a teacher,
Noted with righteous morals by caring for your students,
Exhibited with righteous laws,
Teaching the truth along the line,
Tender love is the key about life!
Exploring the ways of nature with the joy of your heart.

Taking another level into the realms of peace and love!
Embracing the human race with your works,
Living and learning always with a smile on your face!
Under the umbrella of righteous laws;
Servitude and attitude to enhance your status quo!
Making it possible to thank your parents who brought you into this world,
Able to appreciate who you are today in the world.

Edward Kofi Louis
Jeanette Telusma Herbert

Just another day with you,
Exploring the ways of life with positive morals!
Answering all your questions,
Needed to satisfy your soul.
Echoes of life! 
Teachers of righteousness,
Tender love is the key;
Exhibited with righteous characters.

Teacher! ! Teach me the truth;
Expose evil and let righteousness arise!
Lifting up the works of the truth,
Understanding life with all the rules,
Serving all mankind with the joy of your heart! !
Making it possible to share with others,
According servitude and attitude.

Hear my voice! And make your choice in life;
Earth is what we share,
Respecting all the colours around;
Based on the fragrance of creation!
Expressed with the romance of nature,
Real love is the key! !
Touched with the muse of righteous works.

Edward Kofi Louis
Jeannie

You have'nt seen the best of me yet,
But the muse of the bird will teach you;
And i will love you for what you are.

You are like the light from Abilene-Texas,
And of the peace and the joy of love;
But i will love you for what you are.

Edward Kofi Louis
Jeers

Peers, jeers, seers, leers, beers, veers, queers!
With Real Estate developments on every Sunday;
But a clean midnight love is what you need on this muse,
So try to take ten steps forward to meet your lover.

Edward Kofi Louis
Jelena

Of the imaginations of one's journey on earth,
And the values of the timeless treasures of life;
Jelena, the pure gold of Ophir is about to dawn on you.

Marriage is all that it takes for two to be united,
And love is the main key towards it;
But today is the muse of your love to your lover.

The bed of roses is at your doorsteps and,
With the delight of your hearts to unite as one;
Like yesterday's stories goneby.

Of the quality of the rule of a marriage,
Of the quality of the rule of one's life;
Of the quality of the rule of love,
Of the quality of the rule of a romance;
With the expectations to hold on so high when,
True love comes down on you.

Today is the muse of your love to your lover,
And true love is all that it takes for a marriage;
But to your friends and relatives in time like this,
The hopes and dreams ahead of you matters a lot.

To a special person in time like this,
With the blues of your life to share with your lover;
Like timeless treasures of life with an unexpected package.

The rule of marriage is what unites you two,
Like a colourful occasion with a keen curiosity;
But the treasures of life is full of memories to share with your love one.

Of the past events to the present of things around you,
For you two are now one body;
So try to enoy the latest endorsements which are now around you.
To all that muses and to your lover,
With the marriage bells of love to share;
Jelena, just be yourself to your new life in the name of marriage.
Edward Kofi Louis
Jenna

Strange coincidence!
I am Jenna and you want my love;
But i wonder why?
Because, we are from the same river! !

Edward Kofi Louis
Jennifer

Consider it done and move up to the stars,
For it is the very joy of my sweet heart to live with at last;
And i will feel this power of love and mercy always,
Because you are like the rising sun.

Rise up to the one you love dearly and,
Live in the jungle of my love;
For you are like the bright colours of the rose,
And i will share this night with you.

Edward Kofi Louis
Jennifer's Body

Oh, how i was distressed because of your love;
But i will not give sleep to my eyes until i find you;
Because Jennifer's body lies next to you,
And i will do my best to get ot you.

These things are too profound to see,
And this love is strange at times;
But sing and rejoice! !
And like bay horses and white horses,
For the rainbow is already leading me on!

Edward Kofi Louis
Jephson

Jephson, son, hoe, so, hoes, phone, one, Joe!
To live in Africa;
With the muse of love,
Like the children playing in the rain.

The Royal Air Force!
Flying over my head;
But, i need peace in my home.

In constancy,
Flying so high!
With my mind;
because, i need to write to you.

Muse!
With one perfect rose on my side;
Like the Paper Qualifications in your land.

Edward Kofi Louis
Jerry's Love

Jerry's love,
Jerry's yard,
Jerry's garden;
To be around with him,
With the beauty of nature.

Edward Kofi Louis
Jessica

Somebody needs you more than ever,
And in the deepest night with your nakedness;
Somebody wants you more than you know,
And with your beauty to share at last;
For it is time for your expect to taste your sweet love.
Jessica is your name and you need love,
For in the bush of trees blows the wind of love.

Edward Kofi Louis
Your name is 'Jesu' and,
You are from Greece;
For it is only in the mythology that we can understand your muse,
But, the day comes when your identity will be exposed.
Your next visit will probably tell us the meaning of your name;
Hidden for many without a better understanding!
In fact, you are now sleeping;
Sleeping waiting for your lover,
Like a man who had drunk a bottle of wine.
Oh Athens!
The land of the Gods and the Goddesses;
With the muse of the mythology of Greece,
But one day, the world will know better.

Edward Kofi Louis
Jet, Jettison!

Lust, lost!
The residence of evil;
Muse, use!
With idolatrous background;
And like mystery Babylon.

Jet, jettison!
As expected;
And, with mixed feelings.
Lust!
To turn like the world;
And, Constantine gave you the Sun God to worship.

Edward Kofi Louis
Jet, Set!

Jet, set!
He,
She,
Here and there;
Skilful,
In the region of love.

Edward Kofi Louis
Jewel In The Savannah

Out of the mouth of the lion,  
That which was spoken;  
Out of the mouth of the tiger,  
That which was written;  
A lover of hospitality to write a muse.

A flame of fire! !  
That which was read;  
The King must surely dance naked.  
All out of one,  
One out of many,  
The Queen must also dance naked.

Forty years in the wilderness,  
I've been too long in the bush;  
The Prince must dance naked.

Oil of gladness,  
Hope of dreams;  
Pay attention to yourself.  
Of milk for babies,  
Of meat for adults,  
A voice spoke to her;  
Hope of dreams,  
Oil of gladness,  
She got the name;  
You are the jewel in the savannah.

Forty years in the wilderness,  
Watch the mouth of the lion;  
The Princess must also dance naked.  
Like the Lion and the Tiger,  
Like the King and the Queen,  
Like the Prince and the Princess,  
The jewel in the savannah is what you are.

Edward Kofi Louis
Jewson

Jewson, Jew, son, son, on, sew, no;
of the insurance!
Of the assurance,
Crowned;
Affluent,
Influence,
And, to appeal.
Peal, appeal!
To a wider electorate;
Fresh, flesh!
With forward thinking in your land;
And, with the muse of love.

Edward Kofi Louis
Jimi

Ward off the cold with your love and get closer,
For i am like a freelance writer with my dear heart to you;
But at indefinite period of life to enhance your yield,
For a student is not greater than he teacher.

I will fly in the air with the wings of love,
And i will come along with words to touch your heart;
For i am like a freelance writer on this love and,
I want to let you know that i am your student called Jimi.

Edward Kofi Louis
Jimmy

A remarkable kiss and the remembrance of your love,
And with all the whispers of love in my ears;
But I cannot dance again with you my sweet Jimmy,
For the beep of this love came to me with a surprise.

Edward Kofi Louis
Stick to my roots and let me take you home,
For i am Jimoh from Caracas in Venezuela!
And like the Red Box and the Black box in your room.
My bog yard of love will comfort you,
So be calm with your mind and follow me;
For my sweet home is all that you need to see.

Red, yellow and green!
Toe to toe and foot to foot;
And with the best of the best to bless my muse,
For this serious pleasure is all about your love.

Edward Kofi Louis
Jingle Of Words

To look back and to look forward,
But take a step forward to gain the future!
Mere jingle of words will not save you.
Work towards your dreams! !
Work towards your future;
Aim at your goals!
Because the future lies in your own hands.

Edward Kofi Louis
Jisih

Jisih, is, his!
Like someone's husband,
Like someone's wife,
Like someone's son,
Like someone's daughter,
Sure, reassure!
With a blistering start of life.

Edward Kofi Louis
Jita

Oh my sweet Jita!
Think of your four years in prison then,
Then you will still learn more about life.
Think of the problems around you today and,
Of your experiences in the prison;
For we are all in chains in this world! !
But the wind blows to where it will and
No one knows where the wind comes from.

Edward Kofi Louis
Joakim

Your love have pierced my heart very deeply and,
I am ready to surrender my heart to you;
So let me commit my love to you that you may care of me,
For you are Joakim from the Land of Victory.

Edward Kofi Louis
'Mashiyah'!
This is the love of muse to touch you over there;
With words of humility to brighten your day.
Like the missing book,
Like the missing child,
Like our toils of the sand when the sun goes down;
But do watch out because my eyes do see your nakedness.
Come back to life Joan my love,
Come and share the world with me;
Like the missing records yet to be found.

Edward Kofi Louis
Joana

You are my glory and joy,
You are my love and peace,
You are my hope and care,
Even though i am absent in the flesh,
I am with you in spirit!
Tribulations will come but,
I will never leave you my love;
And beware of those who lead you away like a prize.

To fall into various temptations is part of man,
And of your beauty as laid down to me;
For you are my glory and joy on this side of the river.

Open your love always to me and let me direct you,
And be on guard that no one takes you away from me;
For the mount of your love is like the mount of your peace.

Joana is your name so sweet and you are full of joy and passion,
So be on your guard that no one takes you away like a prize;
For i wm in love with you and i need your romance!

Edward Kofi Louis
'Job 600'

'Job 600', 'Job 600'!
Of a high building with 600 rooms;
But marry me like a star and let me lead you on,
For, this job is still at hand in the land of my muse.

In this life, if you are not part of the solution then,
You will be part of the problem;
Because, my love to you is like 'Job 600'!
But, the steps ahead of me are full of troubles.

Edward Kofi Louis
Job And Joy!

Job and joy!
Passing through the hands of peace,
The right hands;
With care! !
To understand the ways of life.

Edward Kofi Louis
Job, Joy!

How did you get into this position today?
Job, joy!
Living in the land of your muse;
With hopes and dreams.

To travel!
To take a stop over;
And, to rest for a while,
But, how did you get into this position today?

Love!
Prepare to go a step further;
Play, display!
To kiss your lips;
And like a kiss from a rose.

Of the book of life,
Of the book of love,
Of the book of peace,
Of the book of joy!
Living in the land of your peace;
With a job at hand.

Edward Kofi Louis
Jobless

Jobless,
Helpless,
Loneliness;
Living,
Only with the hope ahead.

Edward Kofi Louis
STEVE JOBS is dead! !
But he gave jobs to many people all over the world!
All in the name of the 'Apple Computer Company';
Yes, he was born as a human being like you and i! ! !
And he did fulfilled his dreams!
And like the 'iPhones' and the 'itunes' around you,
For the visionary has really done his joy on this earth;
So, may his soul rest in perfect peace.

Edward Kofi Louis
Joby

Joby, job, boy, joy!
Minutes,
With the fingers,
On the pain.
Abel, able!
Love one another and,
Live in peace on this earth.
Minutes,
With the fingers,
On the organ;
Playing it with the muse of your mind,
Like Mozart.

Edward Kofi Louis
Hey Joe!
Are you experienced enough to take me through?!
For i am the one who want to be with you in the jungles of love!
So stay calm with me and let me lead you on smoothly;
For the night is near and i need love from you my lover!

Edward Kofi Louis
Coming out to meet you,
Coming out of it to satisfy you,
And like the survival of the African muse!
But, it is very funny that you've forgotten my name.

I am Johann,
And, unforgettable is the muse of my love!
Which had its own phenomenon when we first met;
But, you are matured enough today to know what is right or wrong,
For my survival in Africa had taught me many things in this life.

Edward Kofi Louis
Johannes

Another style,
Another love,
Another peace,
Another muse;
I have seen the bed on which he died!
But his name was Johannes,
With the red little spot on his face.

Edward Kofi Louis
John

Sex and understanding,
Wait until i am ready;
And do not deny me of love when,
The time is ripe.

Your love is frozen like an ice-cube but,
It is eaten like an ice-cream!
And with the flavour of things to rember always.

Take up a trip to my bedroom and,
You will meet John my lover;
But with the whirlwind of my passion,
Handle my love with care.

Edward Kofi Louis
John 4: 23-24

The hour comes,
And now it is;
Where the true worshippers will worship in Spirit and Truth! !
For, Yahweh is a Spirit Being;
And, those who worship Him must worship Him in Spirit and Truth!
Just as written in 'John 4: 23-24'.

Edward Kofi Louis
John Choudhury

John Choudhury,
Writing is the way of my life today!
However, gone are the days when,
I was your teacher in Nigeria;
When your parents were diplomats,
Meeting them,
To teach you and your sister,
By now, you are all advanced in age;
Married with children.

Edward Kofi Louis
John Kimati

John Kimati,
By now you are a big man!
Married with children;
Greetings to your parents as well,
Who paved the way for you and your sister;
Greetings to your sister,
I do hope you well! !
Many years gone by;
Being your teacher in Nigeria,
When your parents were diplomats.

Edward Kofi Louis
John Your Neighbour

John your neighbour,
Just arrived to share with you;
Joining you at your dining table,
Joy in the name of a sound friendship!
Jolly hearts with the muse of Trust.

Edward Kofi Louis
Johnny

Just one piece and just one love,
And of the missing piece in the Valley of Neptune!
For i am very bold as your love and,
I am Johnny with the boat of love to sail with.

Edward Kofi Louis
I have a new world of pleasures to meet,
And I will find plenty of love to appreciate;
For the spice of life is of the realms.
A dance of the classical times,
A dream of the days gone by;
And of the laser effects from the Disco rooms;
Idyll! Imbue! ! Freedom! ! !
But to marvel at the glories of the past,
For, I am Johnson in the land of your muse.

Edward Kofi Louis
Join Me

Join me to write a poem for the Queen!
Because, the guns came in and fell on many people;
And, this day will be remembered always.

Join me to write a poem for the King!
Because, the bombs came in and, dropped down and killed many people;
But, this day will be remembered always.

Join me to write a poem to the President!
Because, the soldiers of war are now being outnumbered by the weapons of war!
However, who the cap fits must wear it;
As we see the destruction of Syria today.

Edward Kofi Louis
Join Me And Love Me

Join me and love me,
Scan through and your mind;
For awesome is the muse of your muse,
But falling in love with you is all that i need.

Edward Kofi Louis
Join, Enjoined!

It is likely to be there,
It is likely to be in,
Join, enjoined!
Mission,
Submission,
Accepted,
Going on! !
With the muse of your culture.

Edward Kofi Louis
Joint Venture

Venture,
Joint, venture!
With the muse of your trade with others;
But, the ruler of the Demons had blinded the minds of people on this earth.

Venture!
Writing out my poems;
With the muse of life,
Some are very simple and, other are very hard to understand!
Coming from a land beyond,
With imaginations.

Venture!
Living on this earth;
With the muse of love and hatred,
But, making up your choice seeking for peace,
Like a gate in a river's court of love!
However, in life's fair fountain, you eluded others with your trade.

Edward Kofi Louis
Jojo

The red angel,
The white angel,
The blue angel,
The black angel,
It is a very long time that we've heard from you people;
But, where is Jojo my cousin?

The windows of heaven were opened to rain for forty days,
And forty nights without seeing you my cousin;
But two by two they went into the ark.
Oh Jojo where are you?
Like the cold and the heat and the winter and the summer,
You are gone for many days and we are yet to see you again.

Of the seed time and the harvest time,
Jojo my cousin where are you?
Try to tell us your where about when you read this message.

Edward Kofi Louis
Jol

To your ears,
To hear my words,
As far as to the land of your muse!
For, a ritheous woman is what you need beside you.

I am Jol and,
A righteous man is what you need beside you oh woman!
And like your sweet love added to his muse;
But, righteousness is the main key about life;
And like the joy that it brings to all who have it.

Edward Kofi Louis
Joline

Joline, Joe, line, in, on, no!
To do it better;
To learn from your muse,
And, to stay in touch always.

Whimsical! !
Nice catch;
perfume!
Principles;
But, to do it better next time with your love.

Frosty river!
Rivers of love;
And, of your sweet muse in the land of the living!
But, my muse is now hidden in the river bed.

Edward Kofi Louis
Jollof Rice

Jolly!
Jollof rice;
To prepare your food,
With the muse of the land,
Efforts with your love! !
With the hope of your works,
Sure, reassure!
Able to make a nice meal for your people.

Edward Kofi Louis
Jonathan

Better and sweeter,
Bigger and hotter!
I love you oh Jonathan;
For you are like the carnival of my love,
So let your mind cling on to me and meet up with my care.

Edward Kofi Louis
Jones

Some hope of enlightenment,
And doing what they think is right;
But the trurth is distorted!
And i am beaten like a dog which cannot see.

Of the wrongs that we do in this society,
And of the muse of love that is shared by many;
For we still cannot see the wrong that we do,
For this society is full of evil.

My name is Jones and i am in love with you,
And you are the woman in my heart;
But the rains called in and i was still wait for you;
For you are the very specail person to my heart.

Edward Kofi Louis
Jones 2

Jones,
Bones,
Stones,
Tones!
Clones,
Cones;
Able to teach you.

Edward Kofi Louis
Jones Town And James Town

Jones Town and James Town,
Here i am with my love to enhance your vicious beats!
For the muse of your love to me is like when,
Words come to life! !
But many still will find a way to get to me.

Edward Kofi Louis
Joselyn

Joselyn, so, Joe, nose, on, no, lose, yes;
With the works of your hands,
As seen in this town.

Redolent!
With the muse of your culture;
Like, life!
With the ways of your love.

Getting ready,
Life!
Like the love of a woman to her husband only.

Muse!
Inside the city;
Love!
Sharing with your brothers and sisters.

Life!
To be enlightened with the muse of true love;
Life, peace and love!
But, the warm air is colder than the cold air.

Edward Kofi Louis
Joseph

I can't hear my pulse and my heart is failing me,
Because my lover left me last night;
He's gone and he left me in the cold without a word.
Oh Joseph! Why have you left me so soon in the cold?
For i cared for you and i do have my hope in you,
And your absence is like a shock to me.

Edward Kofi Louis
Josephine

Come and stay with my servant girls and,
Let your sweet love crown us all day long;
For you are the pleasant woman to my heart.
Come and hold my sword and my bow and,
Let me defend you with my love;
For i am the pride of Africa on the rainbow towers!
Josephine, you are like the seed of the Medes;
And i am intoxicated with your sweet love.

Edward Kofi Louis
Josephine II

Loyalty is your name in this garden of love;
And, i will live to ring the bells of your love always!
To greet the aroma of peace in this garden.
The muse of life,
Time flows when the night falls;
But, you are so sweet like the ice-cream;
And, lovely as the red apple.
The muse of life,
Your love flows like the muse of poetic lines;
Wood, wool!
Shear, hear, ear;
With the muse of your sweet love oh Josephine.

Edward Kofi Louis
Josette

An access to the energy of your love,
And of an infrastructure needed to meet your demands;
For the love of this muse is between you and I.

I am in possession of the three bags of the stuff of love,
And I need to share them with you only;
So come to me Josette,
For I will take you to the stars with your nakedness.

Edward Kofi Louis
Joslyn

Joslyn, so, on, son, joy!
Pedicure,
Manicure,
Cure,
Secure,
Pure! 
Physical beauty,
Age,
Massage,
With the message of love.
Object!
Objective,
Subject,
Subjective!
Of the film,
But, love brings joy to the heart.

Edward Kofi Louis
Joswing

The moon is between the earth and the sun,
Joswing, so, in, wing, swing, win, won!
Love,
Inside is very lovely and sweet;
Bringing out the fruits of peace and joy!
And, outside it with, compassion to the world.

Edward Kofi Louis
Journal

Journal, or, Ur, loan, on, an, oar, our, run!
The voice of the people,
The choice of the clans,
The force of hatred! !
The source of the truth,
Service!
With the vice of terrorism;
Pale, male, sale, bale, whale, female!
To watch the very acts of mankind on earth;
Pitch, witch, switch!
With the evil ones among us.

Edward Kofi Louis
Journey

Born!
On a journey,
The journey of life.

Edward Kofi Louis
Jovial

Jovial,
To touch the hearts;
The stars are watching!
And the moon is very clever.

Morning glory,
The sun will shine to expose the features of love;
True love,
Calling from the land of my birth.

Edward Kofi Louis
Jovita

Jovita, jot, to, vat, at, it!
Allegations,
Going about it;
Coomotion!
Aggreived,
Demanding her pound of flesh;
Sour!
The feud,
Illogical,
Disgust,
Screams and struggles! !
With a charged atmosphere.

Edward Kofi Louis
Joy

A woman of your heart!
To heat your muse with joy,
And to eat the meal of love.

Edward Kofi Louis
Joy And Care

Intelligence,
Take a bite out of this apple;
Of your enviroment,
Take a view out of the woods!
For love and rsspect ar now needed on your muse,
And like peace, harmony, joy and care! !

Edward Kofi Louis
Joy And Pain

Life,
With joy and pain!
One person enjoy the taste of it,
And another lives in sorrow.

Edward Kofi Louis
Joy And Peace

Love,
Decked with gold!

Life,
With the muse of the precious stones;

Muse,
With the pearls of joy!

Nature,
With the mind which has wisdom.

Love,
To bring you joy and peace;

Life,
Under the works of the truth.

Edward Kofi Louis
Joy Beautifies The Soul

True love can heal a lonely heart!
True love can bring joy to a lonely heart;
Hatred destroys the soul! !
However, joy beautifies the soul.

Edward Kofi Louis
Joy Comes In The Morning

A young wild ox! !
To skip like a calf;
Half of the show,
Weeping may endure for a night,
But joy comes in the morning! !
A strong mountain,
A lovely valley,
With the view of the land ahead;
Fit!
Benefit;
Girded with great joy.

Edward Kofi Louis
Joy In Love

There is joy in love when, the laws are followed;

The plants need the heat,
The plants need water;
Rain and sunshine!

Nature talks to us everyday; but, we are not listening enough.

There is joy in the works of love! Which brings peace to all.

Edward Kofi Louis
Joy In My Heart

Oh! ! What a beautiful day!
Seeing your face today;
Joy in my heart.

Edward Kofi Louis
Joy In Their Hearts!

The women sang as they danced,
Joy in their hearts!
That night;
Because the truth was exposed to them.

Edward Kofi Louis
Joy In Your Heart

The smile on your face,
The joy in your heart,
I can feel it over here.

Edward Kofi Louis
Joy Or Sorrow!

Blood! !
Flood;
With no food around,
All in the name of war.

The truth is our joy when, righteousness is accepted!
Alway save life in the name of the truth;
so pleasant,
So lovely;
Thoughtful and caring in the name of love.

Death knocks at the doors so easily in the name of war! !
But, creation has a lot to teach us;
Because, the Creator knows why He created us.

Help each other when it is needed;
And, refrain yourself from unholy pleasures in this life.

Joy or sorrow!
Seen around us today;
As one enjoys and, the other falls into the traps of war.

Refugees! ! !
Seen all over the world;
With many heading towards Europe today.

Edward Kofi Louis
Joy To My Heart!

Love and peace,
I thank you on every remembrance of you;
Joy to my heart!
Living under the works of righteousness;
And, being confident with the truth.
The message,
With the passage of the truth!
And, with the confirmation of peace and love.

Edward Kofi Louis
Joy To The Hearts

Power!
Lower,
Slower,
Flower of love;
Joy to the hearts in unity.

Edward Kofi Louis
Joy To The Hearts In Love

Passionate kiss!
Passionate love,
With joy to the hearts in love.

Edward Kofi Louis
Joy To The World

Let righteousness arise! !
To bring peace to the world;
Joy to the world,
With the muse of peace and love,
For the unity of the earth.

Edward Kofi Louis
Joy! ! !

Joy! ! !
With humble words;
Coming out from my heart.

Edward Kofi Louis
Joy, Joyce!

Joy, Joyce!
For your love,
For your works,
For your peace,
For your words,
From your heart;
To rejoice!
With the muse of nature;
And, with the fragrance of life.
Love,
Sweet love;
With the gladness of your heart.

Edward Kofi Louis
Joy, Rejoice!

Joy, rejoice!
The joy of life,
The joy of love,
The joy of peace;
With the aroma of nature and,
The ramonce of your works.
Acts, facts!
With the fragrance of your words;
Living in the land of beautiful flowers.

Edward Kofi Louis
Joyce, Rejoice!

Toy, boy, joy!
With the fragrance of life;
Walking along,
Going on with your works and,
Doing what is right.
Life, love, peace and joy!
To respect the muse of others and,
To live in peace with your neighbours;
Joyce, rejoice!
With the muse of your works and,
With the fragrance of your lovely mind;
Touching the hearts of many.

Edward Kofi Louis
Joyful

Joyful!
After the game;
Same with your heart,
Calming down the waters of love.

Edward Kofi Louis
Joyful 2

A joyful mother,
A joyful father,
With joyful children to take care of;
Parents! !
Taking care of the things around.

Edward Kofi Louis
Joyful Moment

Raps!
Speaking,
Seeking,
Pen, open!
Love,
Joyful moment.

Edward Kofi Louis
Joyful To Be In

Love,
Joyful to be in!
Together with you,
To share our dreams.

Edward Kofi Louis
Joyous

Joyous,
Of a time report;
Lights,
To stand up continually;
But King Slomon gave the Queen Of Sheba all that she desired,
And i am ready to lead you on like the gold of Ghana.
Three down and three up,
Blessed is the one who considers the poor ones;
But your secret desire is now noted by my love,
And i am ready to give you all that you want.

Edward Kofi Louis
Joyous Message

True love,
With a joyous message!

The truth,
With a joyous message!

With the muse of positive morals,
With the works of peace.

Edward Kofi Louis
Oh my sweet lover,
Save the last penny for me my love;
And let us play along only with the tunes of lovers!
Like the Hall of Fame and the cross cultures around.

Deep down in my heart is my mind on you always,
So rise up and shine and never be late!
For being with you is always like the sweet songs of love;
Kiss my lips and never look back on this love.

You dancing shoes are needed tonight so,
Come and let me take you on a joyride with my heart;
And let me bring out the sunshine of light out of the darkness!

The church bells are ringing for you and I but,
This love is stronger than the sounds of the bells!
For you've got heaven in your eyes my sweet one.

Oh my dark lake of love,
Let me take a joyride with you!
For you are always on my mind and,
The sweet songs of love flows around you always;
For you are the one for me on this joyride.

Edward Kofi Louis
Jubaish

He mounted his chariot in haste and fled away!
But i will still go for my lover who was shot down;
For in the valley of love i do hear the echo of the cry of Jubaish,
And i will surely live on with the hope of finding Jubaish my lover.

Edward Kofi Louis
Jubilee Park

Jubilee Park,
With your admires around to respect your muse;
But i am Professor Emeritus! !
And i am with the same consequences as your love,
But you misbehaved when i first met you.

Edward Kofi Louis
Judas

My apprenticeship to learn about your muse is from your great sense of humour,
But let us beg for forgiveness from those we've offended on this earth;
For you are like my thoughts and my feelings,
And i will do anything for you my sweet Judas.

Part of my growth is painted with your muse,
Because i am in love with you!
But let us beg for the forgiveness from those we've offended on this earth,
For you are like my thoughts and my feelings on this earth!

Edward Kofi Louis
Judas II

Judas, as, us;
To fall down!
To fall off,
To go astray;
Away from the truth.

Perpetrators!
That swoop,
That loop;
Of theft.

Hacking!
Breach, reach, each, beach;
Conspiracy,
Attacks,
Reports.

Edward Kofi Louis
Jude

Straw and feed to your name,
Of your kindness and your faithfulness;
Jude, spend the night with me.

Like a man by the well,
Is there enough room in your father's house?
And like a woman by the water side,
Is there enough room in your mother's house?
Drink my sweet one,
For the night is for you and i.

Edward Kofi Louis
Judge It For Yourself

See!
Who is at the top?
Judge it for yourself;
Because, righteousness is all about peace and love.

Edward Kofi Louis
Judge Me

You are the judge!
Judge me;
For i have sinned.

Born in sin! !
Right from the beginning,
Facing the sins of the world.

Edward Kofi Louis
Judge Righteously

Life, love and peace;
Judge Righteously and,
Plead the cause of the poor and needy among you.

Edward Kofi Louis
Judgement

Are you astounded with my words? !
Then cover up your nakedness before it is too late;
And do not judge according to appearance,
But judge righteous judgement!

Edward Kofi Louis
Judith

The bracelets on your wrists weighs ten shekels,
But you are so beautiful and so sweet;
And if i may ask, whose daughter are you?
Tell me and i will marry you,
Please do not stand alone in the cold.

Why do you stand outside in the rain?
Come into the very house of mine and do warm yourself;
For Judith is your name and,
I have all that it takes to love you.

Edward Kofi Louis
Judith  Ii

Judith, hid, hit, it!
Like a person on a journey;
Alone along the muse of life, .
Poetry,
Philosophy,
Where is the love?
As many search for it.

Edward Kofi Louis
Juditha

Progress!
Juditha, Judith, hit, at, hat, had, aid, hid;
To think about life and, to know what to do,
At the right time and for peace and love! !
Facing the problems of life,
With the pains of love at times.

Edward Kofi Louis
Juice, Ice!

The muse of life,
Come and have fun with my ideas!
And like the muse of a fairy with my imagination.

The muse of life,
Sometimes people you dearly love leave you and go away!
However, I still remember you like the genesis of my life;
On this earth.

Juice, ice!
With the muse of your sweet love;
Like, the Yellow Diamond.

Black material,
White material,
Yellow material,
Blue material,
Red material!
With the base of your unity lines;
Where love flows to touch my heart.

Honey, Mahoney!
On the wheels of love;
Ready, already!
To water the garden of love;
With the muse of your romance,
For, nothing is stronger than love.

Edward Kofi Louis
Juicy!

Juicy!
Washed over you;
To reach your joy! 
The pleasure,
Your treasure,
The measure,
The message,
Like a peaceful sweet drink.

Edward Kofi Louis
Your sweet love had not only sprouted but,
It has budded and blossomed all over!
It has also produced the almonds for my very heart;
For, i will never forget the day that we made love.

The brilliance of your sweet love is shining through me,
And your joy is all that i need on this sweet love;
So Julian, bring your food of love into my bedroom of roses!
And may your sweet love bring me comfort too.

Edward Kofi Louis
Julianna

Just,
Mught,
Apart,
Somehow,
And like Romeo and Juliet! !
But the vampire came around;
And like adding the odds together,
But i am Julianna with the muse of joy.

Edward Kofi Louis
Julie

Amorphous building sites,
And of love to share with you;
But together we can share our emotinal feelings tonight.

From the post-room to the bedroom,
And i believe you will be a man full of joy!
For, i love to be with you always.

I will love to eat with you together,
I will love to learn with you together,
I will love to know your feelings,
I will love to share with you,
I will love to do everything with you,
But, play this mating game with care;
For, this thing called love is now between me and you.

My name is Julie and i love you!
So, together we can share our personal emotions tonight;
For, the bedroom of romance waits for us.

Edward Kofi Louis
Juliet

Juliet,
Are you attractive enough so that I can move with you?
Are you educated enough so that I can learn from you?
Are you smooth enough so that I can dance with you?
Are you caring enough so that I can be with you?
Are you sweet enough so that I can tickle you?
For love is all about you on this issue.

Edward Kofi Louis
Julio

Julio, oil;
The entrance of the passage!
Saved in the Island of peace.

Life!
In simple ways;
But, the night was very clear.

Muse!
With the beauty of the lights of the stars in the night;
Helping me to see your face.

Edward Kofi Louis
Julius

You've perfected your beauty of love and,
I am here to stay with you my love;
And like the perfect beauty that is known with my name,
But Muri and Duri came along with Julius to see my home.

Edward Kofi Louis
June 16th!

Making it legal,
Taking it to the top!
And like the muse of love between Portia and Johnson;
For, they are now ready to marry.

June 16th, 2012!
Drinking a cup of milk a day and,
Eating three apples a day for love! !
And, this is the date set for Johnson and Portia to marry.

Edward Kofi Louis
Jupiter

'Eyes have not seen nor ears heard,
But Yahweh has prepared a way for those who loves Him';
Yahweh has done great things for me and i am very glad!
For, the tongue of the wise uses knowledge correctly.

Jupiter! !
I will bring my knowledge from afar to you that you may learn;
For, anger kills a fool and envy slays the simpleton!
So, try to entertain your brain by learning and living by the right things always.

The wicked are not ready to listen to correction!
But, the sweet love of the laws have changed my life today;
And like the muse of love in the land of peace and joy! !

Edward Kofi Louis
Just

A just man and a just woman,
Walking down along the sret of love;
But let your 'yes' be 'yes and your 'no' be 'no'!

You only criticise along the line but,
You are not perfect either!
But what is right is always seen by the just people around you.

Edward Kofi Louis
Just A Few

Just a few of the many,
But, seek the ways of peace and live.

Deserve the truth!
Which is love;

With the touch of righteousness,
To the heart and mind;

Respect all mankind and live in peace!
And, let us all achieve the joy of the earth without war.

Edward Kofi Louis
Just An Empty Space

Oh my love!
You've left me now without a trace;
And, i am very lonely over here.
Yes, this room is now an empty space! !
And now, i can feel the tears in my eyes.

Edward Kofi Louis
Just Another Day With The Dust

Just another day with the dust,
A must!
Because, we all belong to the dust.

Edward Kofi Louis
Just Another Person

Just an extraordinary being,
Just another person,
Best, west, test, rest!
Once upon a time,
With the muse of birth and life;
Till death take us apart,
But to tell the truth!
Growing up with positive morals.

Lips, slips!
With the keys of love,
With the flowers of peace,
With the muse of the truth;
Growing up with positive morals.

Just another person,
With my thoughts,
With another level!
Into the realms of peace and love;
Growing up with the truth.

Edward Kofi Louis
Just Another Rainy Day

Moody mountains!
Just another rainy day;
To respect nature,
And the works of life.

Edward Kofi Louis
Just As You Have Done

Allotted territory,
In the land of the living;
Just as you have done,
So also will you be repaid.

Edward Kofi Louis
Just Be Positive

Believe in yourself,
Work very hard towards your dreams!
Overcoming the odds of life,
Overcoming the problems around you,
Just be positive! !
In all your ways,
Moving on,
Till you reach your goals.

Edward Kofi Louis
Just Beautiful

Just beautiful!
To meet you;
To meet your sweet love,
Very attractive to my eyes,
With the desires of your works.

Edward Kofi Louis
Just Call Me Louis

Justice,
Just at the corner;
Joy! !
Joining up the pieces to face the truth,
Just in case you don't have the facts.
Justice in the land,
Joining up the clues to face the facts;
Just call me Louis on this case and,
Judge well when, you care called in to act.

Edward Kofi Louis
Just Call My Name

Sweetness,
Just call my name!
And i will be there for you;
On this love.

Edward Kofu Louis
Just Come In

Love,
Just come in and get to my station;
For, i need help to move on.
The ways of life!
With the ways of mankind;
But, i need peace to move on.
Life!
With the labour of love;
Sharing and taking care of all,
Without hatred and war.

Edward Kofi Louis
Just Come In 2

The knock!
Just come in;
The mountains will drop down new wine and,
The hills will flow with milk.

Message,
Right of passage;
Age, page!
With the joy of your heart,
In the land of beautiful flowers.

Tar!
To get it;
The target! 
With the muse of your sweet love.

Edward Kofi Louis
Just Down The Beach

Hire, wire, fire, sire, shire, dire, ire, lire, mire, quire!
Illegal lust,
Just down the beach.

Illegal lust,
To pay a price for your actions!
because of hatred and war.

A shade with might!
A shade with anger,
A shade with war;

Life,
Taking ap the steps;
And, with the muse of your illegal lust as seen just at the beach.

Life, love, peace!
To rescue the people who need help;
But, who made the guns? ! !

Status, astute!
Mankind made the guns and, mankind is using the guns to kill each other;
Which is not the answer to peace on this earth.

Edward Kofi Louis
Just Exactly As It Says

To be heard by all,
To be seen by all,
To be loved by all,

And like the words of love and peace;
But it is possible to meet the muse of your love!
And in the land of the Red Roses just exactly as it says.

Edward Kofi Louis
Just For Anyone

Love!
Just for anyone;
And, with the righteous laws,
Leading on the faith.

Lust!
With the red apple in your mouth;
leading you away from the faith.
The muse of lust!
Like the acquaintance of drunkards;
Living in the land of your muse.

Life!
For the faithful and for the unfaithful;
Lust!
Solitude;
Like an opening through the pipe.

The Blue Page!
The Red Page!
The Black Page!
The White Page!
With the ways of your life;
But, true love is just for anyone who is ready for the laws.

The muse of love!
The very sunshine of life;
Very beautiful in all things.
The muse of life!
To be overwhelmed with rue love;
Following after the laws.

The muse of love!
Marriage is tatally righteous when,
It is kept undefiled according to the laws;
So, let your conducts always be without covetousness.

Edward Kofu Louis
Just For Being Here For Me

Today is another day!
Just for being here for me;
Thank you.

Edward Kofi Louis
Just In Time

Love,
Meeting her;
Just in time,
And, knowing the ways of her heart.

Love,
Meeting her;
About 15 years ago,
In her land.

Love,
To navigate the ways of peace;
Leading to joy,
Like the muse of the pioneers.

Love,
Reckoned with the muse of your ways;
In peace,
And to keep a low profile.

Edward Kofi Louis
Just In Time 2

Love sweet love!
Works sweet mind,
To flow out! !
Just in time to satisfy you.

Time!
Timing,
Tuning,
Waiting for the right time;
Just In time to satisfy you.

Your sweet love,
Your sweet mind,
Your lovely home,
Your attractive body,
Just in time to satisfy you.

Edward Kofi Louis
Just In Time  2

In!
Just in time,
Before the train moved;
To meet you,
At the other end,
With the muse of life! !
Facing the ways of nature,
Along the line,
Able to meet you at the other end.

Edward Kofi Louis
Just Keep It Real

Tar, nectar!
Just keep it real, no matter the circumstances in life;

Pest, tapestry!
Life is so real;

Tape, tapestry!
Life is so beautiful when the right thing is done;

Love is all that we need! !
For the peace of the earth.

Edward Kofi Louis
Just Keep On Swimming

Swimming along,
Just keep on swimming;
Swimming in the ocean with the joy of your heart!
The ocean of love,
The ocean of peace,
With the muse of the truth;
Just keep on swimming.

Edward Kofi Louis
Just Keep Your Head Up!

Portion,  
Apportion,  
Proportions;  
Just keep your head up!

Edward Kofi Louis
Just Know About It

One hand washes the other,
But your potentials on this love are known to all;
So just think about it because i love you.

Low and slow,
Nice and easy,
Sweet and lovely;
Just know about it because i love you.

Edward Kofi Louis
Just Like Another Day

Just like another day,
Just like another one,
Just like another person,
The drunken festival!!
However, the sun shines in the darkness!
Trying to teach the truth to the people,
Only to find them asleep.

Edward Kofi Louis
Just Like Satan

To deceive!
To lead astray;
Doing evil for self gain.
Left, deft, weft, theft!
For their own selfish gains;
False pretence,
Regardless,
Terrible! !
Doing it without permission;
Horrible!
And, just like Satan.

Edward Kofi Louis
Just Like You

Life,
To be just like you;
For, you have the laws.

Love,
To be just like you;
Because you are keeping the laws.

Your DNA!
To be just like you;
Because, righteousness always comes out of you.

Edward Kofi Louis
Just Missing You

Dreaming of you! !
All my life;
Outstanding!
Just missing you,
Because, you are not here with me.
Resolute,
Pragmatic,
Dry!
To all and sundry;
Fry! !
But, with hopes and dreams;
Just missing you,
All my life.

Edward Kofi Louis
Just Once

It was just once and she was pregnant,
But twice as much wasn't what she expected;
Because she fell on all of them!

They were very wet under there,
And this was like the very works of their hands;
So why forsake my muse and climb up so high!!
For the rains will also get you out there.

Edward Kofi Louis
Just One

Just one,
Just once!

With a just mind,
With a just work.

Life!
Hold, old, told, sold, cold, fold, gold;

With the muse of the just one,
Teaching you the ways of peace.

Gold, old!
With the words of love;

Silver, liver!
With the works of peace;

Bronze, born!
With the truth from the just one.

Edward Kofi Louis
Just One Book

Just one book in the hand and,
It will be like your sweet love hidden in the bush!
But try to acknowledge my strength oh you who are closer to me! 

Edward Kofi Louis
Just One Day

Host, hostage!
very difficult,
With resources;
Fits, profits!
With the acts;
Age, hostage!
Just one day,
Just one way,
Just one act,
But now, calling for peace.

Edward Kofi Louis
Just One Drink

It was just,
Just one lesson for me to know your mind;
It was just,
Just one drink for you to be drunk;
But, you need to change for the better in this life.
The muse of lust!
It was just one dress for to expose yourself to the public;
Just one bird and, just one bed.

Edward Kofi Louis
Just One More Time

Love,
Just one more time;
So, let me speak to you,
With the muse of the laws.
Dear, fear!
But, on time;
Late, inflate!
With the worrying trend;
But, let me be the one for you.

Edward Kofi Louis
Just One Night!

Just one love,
Just one peace,
Just one mind,
Just one care,
Just one share,
Just one time,
Just one use,
Just one taste,
Just one work,
Just one act,
Just one hit,
Just one move,
Just one talk,
And, just one night!

Edward Kofi Louis
Just One Play

It was just,
Just one mind;
It was just,
Just one lake;
It was just,
Just one river;
And, to cross over it.

It was just,
Just one pen;
It was just,
Just one colour;
It was just,
Just one look;
It was just,
Just one image;
For you to understand the ways of life over here.

It was just,
Just one play;
It was just,
Just one soup;
It was just,
Just one pot;
It was just,
Just one ship for you to see the other side of the land.

Edward Kofi Louis
Just Say No!

Illegal lust,
Just say no!
Illegal drugs,
Just say no!
Illegal acts,
Just say no!
Illegal sex,
Just say no!
To overcome hatred, war and diseases.

Edward Kofi Louis
Just Smile

File, mile, Nile!
Just smile,
While you keep yourself away from the works of evil.

Edward Kofi Louis
Just Tell Me What You Want

What are you going to do for love when you've got everything?
You really do make me feel like a natural woman when i am with you;
For, that's the way love goes with you in my arms.
Just tell me what you want and i will do it for you,
So wake up and live now up to this love that we share;
Like the mystic of tomorrow when, you are all that i do have in my arms.
I can see it in your eyes when i am with you,
And i do have the strong feelings of love for you;
So don't worry and do not complicate your mind always,
For i am with you and i will always satisfy you.
I want to taste the apples of your love and,
Just tell me what you want on this love;
For, this love of mine is opened to you alone.

Edward Kofi Louis
Just Tell The Truth

It's a lie! !
So, just tell the truth;
Nollywood,
Bollywood,
Hollywood!
And like the Black Hawk helicopter;
But, this love is from a border town.
Looms, grooms, brooms, rooms, booms, dooms;
And like a crucial meeting in the land of your muse!
But your projected love was seen towards the location of your lover.

Edward Kofi Louis
Just The Way You Are

Beauty,
Just the way you are;

Beautiful!
With the beauty of your love;

Your sweet love,
Just the way you are.

Edward Kofi Louis
Just The Way You Are  2

You are beautiful just the way you are!
Don't change anything;
Only let the truth always lead the way! !
Able to teach you wisdom.

Edward Kofi Louis
Just To Encourage You To Hold On

My sons will greet you in peace and,
My daughters will sing a lovely song for you;
So, arise and let us go to the resting place of love!
For, you've overwhelmed me with your sorrow,
And, i want to give you strength to move on again in life.
I will be with you,
In the seas of life and in all the depths!
Just to encourage you to hold on with your dreams;
Till you meet the end.

Edward Kofi Louis
Just Yesterday

Just yesterday,
But with love;
Loving her is all that you need.

Edward Kofi Louis
Just, Justin!

Just, Justin!
Justin my frind,
Listen to me;
Life is not easy at all! !
And, it is full of ups and downs;
But, the right info at the right time is success.
of the lessons to learn,
of the problems to face,
And, in search of deeper minds;
However, your love to me is not like a hidden agenda.

Edward Kofi Louis
Just, Justina!

Beautiful and attractive,
Pure and unique,
Nice and sweet;
Just, Justina!
She's in love;
Tell, foretell!
But, call me soon and,
Let me hear her voice.

Edward Kofi Louis
Just, Justine!

Just, Justine!
She loves the married man;
hat, hatched!
She loves the man;
Snow and ice!
But, i am like a small donkey along the narrow path;
Watching every move of her steps.

Edward Kofi Louis
Justice

Give me the moonlight by the night and,
Let justice be in my house;
For the things that i have learnt had made me what i am today.

Bring the blind out to see and,
Let love arise like the smoke! !
For we are between heaven and earth;
And, i have my physical composition for you to see.

Something inside me is so strong!
And like the seas side view of Acapulco Bay;
But, give me the moonlight by night on this muse of love.

Picturesque,
Natural tendencies,
Untimely and ultimately free! !
But, let justice be in my house always.

Edward Kofi Louis
Justice 2

Heinous crime!
Worthy of judgement;
Called to account for it,
In the rooms where justice is administered.

Edward Kofi Louis
Justice Is Now Needed Over Here

Seventh,
Showed,
Finished;
But, soon came your love in the land of tears!
Because, the bullets of war had now reached to your room.

Hatred and war! !
On this earth;
But, the sign of His coming is noted by all.
Spice, ice!
It is like historical event;
But, you are now decked with gold.

Pigeon, on!
Justice is needed in the world today to put things right;
But, the bullets of war had now reached your room.
Tile, fertile!
With the pages of history;
Lurk,
Inrush!
With the stages of war.

The inquest!
Of the gold leaf;
Swallow, sallow!
Of the golden leaf;
Wart, war!
With your mind and my mind;
But, justice is now needed over here.

Edward Kofi Louis
Justice, Ice!

Ghana!
With oil in the Western Region;
Ghana!
With oil in the Volta Region;
But, let us learn from other nations and,
let us use the oil well enough to benefit us!
And, not like a country with no rulers.

Justice, ice!
Let us learn from other countries and,
Let us use the oil well to benefit all of us;
For, the Creator put the raw resources in our land for a reason.

Patience,
Love moves in mysterious ways;
Firm and solid!
Like darting the moon in the dark;
But, let us be very wise enough to use the oil to our benefit.

But, give me your smile and let me see your face.

Edward Kofi Louis
I am a teacher but,
Who said that i have no father? !
For my mother is here and,
I can tell you who my father is.

The jungle out there is so thick but,
I know where my father stays;
And i need to walk through very slowly to meet his home,
For my father lives there and he is ready to meet me as well.

Kar is my name and i met you last night,
And i told you the story of my father who lives in the thick forest;
So come to my classroom and i will teach you wisdom,
For the unborn will still come out to learn from the mother.

Edward Kofi Louis
Disillusioned with the dwarf fruit trees,
And with the seeds and tools to march on to my farm;
But, how could you not get enough of my love?

The doorbells rang as I was carrying my bags to the front door,
There I met Karen without having a second thought!
But don't be disillusioned with the dwarf fruit trees around.

Edward Kofi Louis
Kari

Show me your face and,
Tell me why you've been cursing me all along!
For, you still have this date (2nd April 2005) in your mind;
However, nobody can bring back the dead.

Kari is my name and,
We belong to each other on this love on the other side of the river,
So, dry up your tears and come to me for hope!
Because, we do have a long journey in this life.

Edward Kofi Louis
Karin

Pocket, socket, locket;
A man marries a woman and her daughter!
Oh, what is wrong with this society?

Sexual abuse,
And to set the records straight!
For a man impregnates two sisters and,
It is now like the order of the day for these people.

I am Karin and i know what i do see around me,
For the society is sick at times;
And the people around still love what they see.

Edward Kofi Louis
Karkor

Karkor, oar, or, ark!
By the road of the nomads,
Give bread to the weary and help the poor and needy.

Edward Kofi Louis
Kartan

Kartan, art, tan, ant, rat, tar!
Careful and diligent,
Hold fast to the works of the truth;
And live in peace with your neighbours.

Edward Kofi Louis
Kashfi

The wild one!
The lovely one,
The big one,
The small one;
But, Kashfi was bold enough! !
And, love was the message.

Friends, people, lend me your ears! !
For, i am a soldier of love;
Relatives, lovers, lend me your ears! !
For, i have a message for you all;
But, this lady was so beautiful when she was young,
However, ugly today because of her many lovers.

Life!
Like the day of a legend;
With the sweet muse of peace in the land of beautiful flowers,
And like the Wales' Bay in the land of your muse.
Life!
Kashfi was bold enough;
And, it was very nice to hear from you once again;
because, you presented yourself.

Edward Kofi Louis
Kashisha

Kashisha, is, as, his, ash, has, Shasha;
Ceremonies,
Feasts!
Associates,
Yields,
Fields,
Shields,
Photomicrography,
Contexts,
Contents,
Cooked with the muse of life,
Under the eyes of cultures and traditions.

Edward Kofi Louis
Kasim

Kasim, as, Kim, am, aim, is, Sam, aims;
Ice and snow,
And, to the magic box of love.

Love!
At the open range;
But, i love my country and,
You love your country.

Zero gravity!
With the ways of the universe;
But, the crystals can now be seen.

Nature!
With water cutting the stones;
But, you are now dreaming again in the land of joy.

The weather!
The thunder! !
The rain;
Like the garden by the Bay,
But, show me your ways with the muse of love.

Edward Kofi Louis
Kasper

Kasper!
Light shows us our sins and love is the key;
But darkness is full of death.

A fater impregnates his own daughter and,
A tutor rapes his own female student;
But i am living in 'Banana Inn' with some bananas to eat,
So let the world know that the light exposes our sins.

Edward Kofi Louis
Kassel

Kassel, sale, seal, ale, sea, as, less;
The Bathing Pool!
Of the red and the yellow flags.
Flag, lag!
At the 'White Hard Lane';
And like the old man and the young boy.
One touch!
Walker, wake, walk, ear, era, lake, rake, are;
And like the old woman and the young girl.

of the knock at the door!
Like snails and snakes eaten by people;
Punch, lunch!
With the 'Sea Tractor';
And like the flags at the beach.

White and blue!
At the Jubilation Pool;
Over, overdose!
Pulling and pressing;
Ventilation,
Weakness,
Malnutrition.
Pair, repair!
Drug, overdose;
But, it was found in the land of joy and beauty.

Edward Kofi Louis
Kate At The Door

Date
Update,
Kate at the door!
Mate,
Soul mate.

Edward Kofi Louis
Katharina

I am the infallible lips of the old man of the sea and,
With a well noted vessel on a day's sail;
So make a long and weary trip to meet my herat,
For my lover is called Katharina.

Katharina my love,
You are like the banquet of crystal rivulets;
But i am closer to you on the facts of this love,
And the sea will our place of love.

Edward Kofi Louis
Kathy

Blood infested meat and blood infested water!
And like the 'Sunday Times' writing about us;
But i called you and you heard my voice,
However, i am Kathy from a land afar from your home.

Edward Kofi Louis
Katie

The truth is,
I can't throw much of my money into the thin air for you!
Oh, my mid-summer night.

Of a half-naked body on my bed,
For she is sheltered from sex and nudity! !
But, do I need a lawn on this issue?
For, the hiding place of her love is now being eaten up.

Katie! !
Some supplements will help you on this issue to gain your strength back;
But, for how long? !
And like the tuna with the red sauce being served around;
But, without English Muffins! !

In the eating,
You are like every nook and cranny! !
And like a Russian Vodka on your love;
But, I can't throw much of my money into the thin air for you.

Edward Kofi Louis
Katrin

Beauty blooms when you are in love,
And I will water your spacious garden when in need;
For love taught my tears in sadder notes to flow.

Katrin, you are very high on a romantic frame;
And I will water your spacious garden when needed,
For your name is all over me.

Edward Kofi Louis
I am living with the free state of my mind and I do love you,
But the umbrella of technology will make things easier for us;
And I will live to love you deeply with my lovely heart.
Uterances should not stop your vision on this love, Katz;
For your soul is to be like yourself!
And I will live to love you deeply with my lovely heart.

Edward Kofi Louis
Kay

I've got the rhythm!
And it took 57 minutes;
But Kay is still asleep on your bed,
And I am now like butterflies in the garden of love.

Edward Kofi Louis
Kaye

Kaye,
Shall a woman grow up and to sell herself to a man? !
For that is what i see around me;
But i know that you are the one to fill my realms with love.

The moon is secretly in love with the brightness of a star,
And i can't sleep at night because of you;
For i don't want to make another mistake in life again.

Edward Kofi Louis
Keaton

You are the only one!
Inspection,
Inseption,
And like something prepared for you;
But, the dance of the gods and the goddesses are now seen in your land.

Keaton, ton, not, tea, eat, ate, an, at, Kate, on, no, neat!
In the Island of monkeys;
But, my donkey will surely go along that way.

Edward Kofi Louis
Keenan

Alpha and Beta,
Time and tide waits for na man!
For the law is about the truth and not manipulations.
Keenan, your wealth is repulsive to you!
And your conduct has closed your doors to others,
But the rains came in and we were all soaked.

Edward Kofi Louis
Keep A Smile For Love

Sense,
Secret,
To compare your life with the muse of nature;
Keep a smile for love and, bring joy to your heart.

Edward Kofi Louis
Keep Aloof From All Forms Of Adultery

Lust!
You shall not steal;
Nor deal falsely;
Nor lie to one another.
Lust!
You must not let your livestock breed with another kind;
Breed, reed!
Like the youth from the ghetto.
Lust!
You shall not cut your bodies for the dead,
Nor, put tattoo marks upon yourselves;
Lust!
Harlotry leads the land to become more wicked;
Lust!
With mediums and familiar spirits;
In the land of your muse.
Lust!
Keep aloof from all forms of adultery;
And, consecrate and sanctify yourselves and be holy.

Edward Kofi Louis
Keep In Mind

He who controls his tongue is wise! 
She who controls her tongue is wise! 
And, keep in mind about the bad day; 
For, tomorrow it will be your turn! !
And let us stop passing out judgements to one another, 
Bcause, everybody has a bad day on this earth.

 Edward Kofi Louis
Keep In Touch

No matter how far you are,
I will always keep in touch with you;
No matter how far i am from you,
You should always keep in touch with me;
However, in this life,
You can take the donkey to the river side!
But, you cannot force it to drink the water from it.

Edward Kofi Louis
Keep It Clean

How to keep it clean and how to use it,
How to keep it close and how to eat it,
Willingness! !
As hard as a stone,
As sweet as your love,
As soft as your lips,
As strong as your faith,
As fast as your car,
As long as your hair,
As short as your nose,
And controlling your thoughts to respect others;
But working it out on weekly basis to enhance your status-quo!

Edward Kofi Louis
Keep It Clean 2

Wash it after using it,
Keep it clean;
Because, your neighbour will also use it.

Edward Kofi Louis
Keep It Coming

Arms of Rain!
Arms of nature,
Arms of love;
Whosoever plants the tree must water it.

The world goes round! Because of love;
So, let us accept each other and live in peace.
Mused, infused!
Keep it coming;
For the sake of love.

Edward Kofi Louis
Keep It In The Family

The truth,
Keep it in the family and,
Spread the news around!
We need the truth,
To unite the world;
To bring peace to the world! 

The truth,
Keep it in the family and,
Spread it around!
To teach others as well.

Edward Kofi Louis
Keep It Neat

Nest,
Near,
Next;
Text,
Test,
Best;
Wash it nicely and keep it neat,
For the benefit of the truth,
With the muse of love and life,
Living in the land of many waters.

Edward Kofi Louis
Keep It Up

The truth,
Keep it up;
Bringing peace to all without war.

Your life,
Keep it up with the muse of the truth;
And, live in peace with all.

Your love,
Keep it up;
With the muse of the laws.

Your mind,
Keep it up with the works of righteousness,
And, with the loveliness of the golden works of peace.

Edward Kofi Louis
Keep Me There

Keep me in!
Keep me there always;
For, i have a purpose on this earth,
With a positive mission along the line.

The trith is beyond measure!
So, enter into the world so sweet with the laws;
And, learn how to do the right thing always.

Locus, focus!
With the mosaic of life;
But, true-love is beyond measure!
And, the covenant of peace is with the muse of love.

Edward Kofi Louis
Keep Off The Grass

Call of the wild!
To leave the nest;
But, keep off the grass.

Edward Kofi Louis
Keep On Going

Tea,
Coffee!
The muse of life;
To drink,
With the foundation of love.
Life!
With the muse of the truth;
Like the rock! !
With servitude and attitude.
True love!
To have your heart fully planted in the soil of peace;
Love!
To keep on going with the truth;
And, to drink the right tea and coffee with the love.

Edward Kofi Louis
Keep On Going 2

Keep on going,
Keep on pushing,
Don't Stop! !
Don't give up on your dreams;
Onward! !
Forward!
Move on,
Match on,
Foward match!
Work on your dreams,
Don't give up!
Keep going on,
Move! !
Foward,
Keep on going.

Edward Kofi Louis
Keep On Knocking

Maybe the devil is standing behind your window,
And that's why you cannot feel my love;
But i will keep on knocking until you open the door for me.

Edward Kofi Louis
Keep On Knocking 2

Keep on knocking at the door!

One day, someone will listen;

And bring you in,

Into the land of success.

Edward Kofi Louis
Keep On Moving

There are opportunities in life;
So, don't give up on your dreams!
Keep on moving,
Always with a positive mind.

Edward Kofi Louis
Keep Out!

Keep out!
Keep off;
Somebody's private property,
Respect the rights of others.

Edward Kofi Louis
Keep Positive Moral Laws

Keep positive moral laws,
Keep the truth,
Keep your life!
Without hurting anyone.

Edward Kofi Louis
Keep The Commandments

Life,
Living in the house of peace, love and joy;
However, do keep the commandments if,
You want to enter into life.
Start, art!
With the acts of nature;
Water, earth, wind, and fire! ! !
Hoding up to the laid down laws.

Edward Kofi Louis
Keep The Commandments  3

Dome of the Rock,  
Come and see the lock;  
To block the way with some items,  
And, to dock at a harbour in Rome when life demands.

Separation!  
On a vacant land;  
Dividing it with the muse of your traditions,  
However, we have to Keep the Commandments (Matthew 19: 17).

Edward Kofi Louis
Keep The Commandments 2

Reading,
With a Bible on the table;
Able to search for the truth,
And if you will enter into life!
Keep the Commandments.

Edward Kofi Louis
Keep The Ink Flowing

Pink,
Think,
Not to sink! !

Wink,
Link,
Rick, Nick!

Pick,
Stick,
Not to be sick;

To keep the ink flowing,
To keep on writing,
And, to educate the people.

Edward Kofi Louis
Keep The Laws

Keep the laws and keep your life,
For peace!
For joy,
Without hurting anyone.

Edward Kofi Louis
Keep The Truth

Keep the truth and,
Keep your vows;
Doing what is right,
Without hurting others.

Edward Kofi Louis
Keep The Words Of The Truth

Life,
Come here when, your ears can hear my words of love;

Joy!
Come near when, you can enjoy the works of peace;

Nature,
I just want to share my life with you;

To keep the words of the truth,
Learning with positive morals.

Edward Kofi Louis
Keep Your Words

To hire,
To wire,
To attract!
To tease,
To search,
To live,
Around the fire! !
And of the next job;
But, to live justly and to keep your words.

Edward Kofi Louis
Keep Your....

Keep your eyes and your ears open to the world around you,
For it is worth practicing what is right always;
And to achieve what you want in this life.

Choose not to hear it always but,
Try to see it as well;
And as you grow older,
You will surely reflect on your past life.

Edward Kofi Louis
Keeping The Law

Practice!
Keeping the law;
As found in the land,
The land of peace.
Shown, own!
With the law exposed to you;
Keeping it,
And, to find peace in your heart.
Version, vision!
With the sign of the law;
Meeting you with a special care.

Edward Kofi Louis
Keeps Coming Out

Flowing! !
Keeps coming out,
The blood of war!
Because of the wickedness of mankind on earth.

Edward Kofi Louis
Keiper

Keiper, ripe, keep;
To keep it,
Love and art!
Love and dreams,
Right there for you,
Answering the ways of nurture.

Edward Kofi Louis
Kelaniya

Kelaniya, Kenya, Ken, in, an, lay, lain, lean, key, nail, Ali, yean!
But, like a star never to dim;
And like man of the century! !
However, the conduct of your friend is equal to criminal act.

Edward Kofi Louis
Kelechi

Kelechi, he, heel!
Along the path of love with your mind,
Along the path of life with your heart,
Greetings in the name of prayers to the Creator Almighty;
Moving on and being alive,
Seeking for peace always and to respect all mankind.

Edward Kofi Louis
Kelita

Kelita, kite, at, it, eat, ate, Kate, tea;
The orders!
Held in high esteem.

Sight, light!
With the muse of the laws;
Living in the land of peace and joy.

Live, lived!
With the ways of mankind;
With events and achievements.

Love,
Dreaming on a starry night!
Like a lovely donkey along a devoted road.

Edward Kofi Louis
Kelita 2

Kelita, Kate, eat, ate, at, tea, late, it, kit, let, kite!
Of her joy,
To rejoice with her;
To be delighted with the abundance of her glory.

Edward Kofi Louis
Kelle

Wantonness,
To wallow again in the mine;
And like a dog that returns to its own vomit.

Wallow, callow, fallow, hallow, mallow, sallow, tallow;
I am Kelle in the land of your muse,
But do remember to keep the black pot always clean.

Edward Kofi Louis
Kelsey

Depression, fear, anger and sadness;
Of the common denominator to a kin or the outsider,
And like the anointed views from your love.

Oh wandering wheels!
Credit belongs to those on this earth;
But let us learn to do the right thing always,
For i am here to love you! !

Just one night,
And of your romantic body made flat for an impression;
But, let me be the one who wants to love you.

Just one night with you on this love,
And of the lessons learnt for the data of my memory;
But credit belongs to those who deserves it on this earth,
And i am Kelsey with the words of peace.

We don't need Herodotus with an amphora on this love,
For love is strong as death itself! !
But let us learn to do the right thing always on this earth.

Edward Kofi Louis
Ken, Kenya!

Ken, Kenya!
Let us live in peace than,
With the bullets of war! !
For, with love the Creator created us;
And, we must all love each other and live in peace.

Love!
With the fruit of your body;
In this life!
Even a child is known by his or her actions;
But, let us all live in peace than with the bullets of war.

Edward Kofi Louis
Kenechi

Kenechi, cine, chin, knee, hen, kin, in;

Searching for a way to satisfy your Peers,
As they always rely on you.

Edward Kofi Louis

To all,
And, with your sweet love.
Gin, gain!
With the muse of your sweet love in the Land of Beauty;
Context, contest!
With the peace of your mind in the Land of Care;
But, i am always around to satisfy you with the muse of my love.

Edward Kofi Louis
Kenna

Kenna, Ken, an, Ann;
Retentive memory!
More pronounced,
In the land.

Muse, love, life!
With incidents of illegal drugs;
Depressant,
And, with retrogressive gains.

Challenged!
The use of drugs,
In your land;
But, the people need a better education on this issue.

Insecurity!
Illegal drugs,
Stressed;
As a phenomenon.

Edward Kofi Louis
Kenny

I am the first to finish and,
Your love is so nice to me;
So stay the night with me ans let us live together,
For Kenny knows about this love.

Edward Kofi Louis
Dub Poetry!
The shepherd,
The shepherdess,
Mystic,
Mystery,
Revealers,
Cash flow,
Occupation,
Bard,
Billy, filly, hilly;
But, only you can understand it.

Kenny,
Flames! !
My friend,
Culture,
Pearl Harbour!
Pushing up,
The Green Bay!
Occupy,
Nanny's Corner,
Reality,
The Twin Tower! !
Of the sun,
Of the moon,
Of the stars!
Hip hop,
Hiroshima! !
Lilly, Willy, Philly;
But, only you can understand me.

Edward Kofi Louis
The rain of peace and the lamp-stand of gold,
To build up Rome and to polish her face;
For you are the rain of my hope and joy.

Swing up like a fish and catch up to my muse!
For love has its own symptoms and,
I will find a way to touch your heart with my love.

My sweet one,
Be perfect and be acceptable;
Because, i want to touch what is untouchable.

You are Kentikian and,
You are my sweet one;
For your fantasies do light up the skies!
And your meal of love is so delicious to taste,
But do think of the first day that we met.

To use what was once unusable and,
To eat what was once uneatable;
For the rain is all that gives me hope,
And i will be there for you always on this love.

Edward Kofi Louis
Kentikian 2

Kentikian, Kent, Ken, in, Inn, Kate, tie, tan, ant, net, eat, ate, tin, kit, kite!
The sounds of love and the romance of life,
Playing like this will never get you the World Cup;
So, keep up with the works of the truth and be straight always in life.

Rate, infiltrate!
Abuse of power,
Out of control,
But, try to shape your life with the works of the truth and, live in peace;
Helping the people around you with positive moral characters.

Word, work, world!
To be born and to grow up;
Ears, hears, bears, tears, nears, shears, pears, appears, fears!
But, the children of the light are with the works of the truth;
Able to lead them on to grow up to be better people on this earth.

Edward Kofi Louis
Kenya

The voices of the rainbow,
The silver dragon is here in the bush!
But the mystic light is with my lover,
For she left Kenya last night;
And i am still looking for her.

Edward Kofi Louis
Kenyasi

Kenyasi, sea, keys, kin, in, sine, yes, key, is, as, Ken;
With your life in the village,
Going along with your works,
Understanding the ways of life and, respecting nature;
Being able to share with your neighbours in peace.

Edward Kofi Louis
Kenyon

Kenyon, Ken, on;
To the place of love;
With the peace of the mind.

Love,
With added ingredients of peace and joy;
And, to the well to fetch some water.

The truth of love and the ways of life!
learn them by the laws and grow up with joy;
With the muse of the thickness of the walls of nature.

Personal rooms!
Bewteen the gates of the rivers of love;
And, like the beauty of your wisdom.

Edward Kofi Louis
Kepha

We are in the year 2012 and some people are still naked in the forest;
But, at the bed or roses i will keep my love for you.
Oh Kepha my sweet heart! !
There is beauty in your eyes;
And, the perfect peace is what i want to share with you,
For i am like the little Mermaid and you are called kepha!
I am like the rose of Sharon and the lily of the valleys,
And out of the fish's belly i will proclaim my muse to you;
But i am like the little Mermaid who wants to love you,
For this year is 2012 and, some people are still naked in the forest.

Edward Kofi Louis
Kept Alive

Love!
Kept alive with the muse of peace;
Love!
To wait on Yahweh;
Love!
To make you clean in mind and body;
Love!
Don’t lust after your neighbour’s wife.

Edward Kofi Louis
Purchased!
Kerosene, Diesel and Petrol;
In the land of your muse.
Nice, niece!
With the muse of the land;
Increased,
Expected,
Consuming;
In the land of your muse.
Increased!
Marginally;
With the ways of the economy;
Life!
Like the old story of the land,
Between 'David and Goliath'.

Edward Kofi Louis
Vice and virtue!
Cried the beloved child of nature;
But, the affluent nations do not hear his or her cry.

What is so near to us and yet being still?
For the beloved child is still searching for food;
While, the attic wits and the spirit acts.

Born, but to die one day;
And like the hopes and joy from my friend Kerri;
For, i am like Authors without names.

Edward Kofi Louis
Kesewaa

Some people worship sheep and cattle,
But some people do eat them too;
And this world is like that.

From Rephidim to the wilderness os Sinai,
And by the way of the wilderness of the Red Sea;
But the truth of the story is well known.

Kesewaa, this day is a day of glad news;
So make a veil woven of blue on my love and,
Come to me with your beautiful love so sweet.

Edward Kofi Louis
It can' be true,
It can't be real,
It can't be peaceful,
It can't be absolute,
But i do have you and you do have me too!
All in the name of love to make this muse join us together.

You are all that it needs to make it come true,
For i am the way and the light on this love;
So let us think wisely enough to move on.

Kesson, easily led to the muse of love;
For in your own sweet heart is mine too,
And i will do anything to get you onmyside always.

Edward Kofi Louis
Ketse

A sacrificial lamb,
But to open your golden eyes very wide! !
And like the land of attraction,
But, on top of this mountain is the muse of my love.
Be lovely and feed the birds around you,
For i am Ketse with the works of peace;
However, the sacrificial lamb is with you,
And like the fruits of the ground.

Edward Kofi Louis
Kettle, Settle!

She couldn't give birth because she was barren,
Kettle, settle!
Like a phenomenon;
Seen among many on earth today.

Edward Kofi Louis
Keveh

I dream dreams and i do hear voices at times,
But my name is Keveh along the path of love;
I dream dreams ans i see things at times,
And of your love so sweet hanging up so high!
So i will climb this high mountain and come to you.

Edward Kofi Louis
Keveh II

Horses for Keveh!
But, how old are you for me to expose the muse of my love to you?
For the rain is now falling on the just and the unjust! !
So, let your 'yes' be 'yes' and your 'no' be 'no' in this land.

Edward Kofi Louis
Kevin

To have seventy sons out of your many wives,
And to attain your kingdom through many plans;
But you've now gathered your children at Beth Millo,
And like the gold of your land.
Baal-Benth and the muse of your love,
Life is not all that easy at times!
But with worthless and reckless men and women among us,
So be very wise to respect nature my sweet Kevin.

Edward Kofi Louis
Kevin  II

Kevin, kin, in, Ken;
Living in the land of your muse with the peace of your mind.

Love!
With secret sensation;

Life!
Living in the world of true love.

The last of us!
With peace, joy and unity;

Life!
With the violin and the Grapes of love;

Life!
Like the days of Noah as seen around us today.

Edward Kofi Louis

Advice, advise!
Lineage,
Passage,
Voice, choice!
The secret books of Presidents,
Seeking,
Shyward,
Hoaxes,
Alleged,
Decades,
Bridge;
Classifying documents,
Sonorous!
Somnolent,
Look, took!
The secret books of Presidents;
But, the key holes are there as evidence.

Edward Kofi Louis
Key Programmes

Key programmes,
Projects!
With the muse of sweet love,
According to righteous characters,
For peace and joy.

Edward Kofi Louis
Keyed Into

Locked!
Keyed into,
Transmitted,
With the muse of sweet love.

Edward Kofi Louis
Keys!

Keys!
Donkeys along the road;
With monkeys seen hanging on the trees,
The forest road,
Able to transport loads into the village.

Edward Kofi Louis
Khaled

Last night i fell in love with you but,
You woke up early and left in the dark;
For your gods were very hungry and,
You went and fed them!
I am still waiting for the fulfilment of my dreams,
And i do always have you in my mind;
But your gods are now angry and,
I have to watch my steps.
Khaled!
How the birds came and sang with your name;
But the rats are now asleep because of the cat.

Edward Kofi Louis
Khamis

Oh my darling, oh my darling!
My mind had searched everywhere for you;
For you are like the rays of the sun to me,
And my heart yearns for you my sweet Khamis.
Take the nestle with the nectar and come to me,
For this lovely heart is always healed by you;
And i know that you are somewhere waiting for me.

Edward Kofi Louis
Kibbe

War will never bring you peace,
And hatred will never bring you love;
But we need love and care from one another on this earth.
I will marry you today and let you eat the fruit of my love,
I will love you today nad let you kiss the nakedness of my body,
I will romance you today and let you know the ways of my emotion,
I will care for you today and let you sing on with my passions,
For true love is the message that i bring to you my sweet Kibbe;
And in the night of our joy,
We will be in loving arms forever!

Edward Kofi Louis
Kick Off Ball

Kick off ball,
Kick the ball to win the game!
But, with fair play.
Player,
Lyricist,
Arranger,
Keeper,
Composer,
Winner! !
But it was only yesterday that i found you;
And like the game ball in the land of your muse.
Face to face,
Again and again!
But pay and take it;
And, play the match to win the game! !
Play the ball,
Kick the ball,
And like the African Cup of Nations!
Race, ace, face, brace, mace, place, lace;
But words are things upon a thought,
And like something long lost! !
However, play the ball into the net to win the game.

Edward Kofi Louis
Kick The Ball

Kick the ball and score a goal! !
For that's all about football;
Because the goals are much important than,
Those who played the best match!
And like the 'Women Football World Cup' as seen on our screens,
For 2011 took the game to Germany.

Edward Kofi Louis
Kidnapping

Blind, bind, bid!
Kidnapping,
Demanding for money;
For, the wicked prefer worldly things.

Lawlessness and cruelty,
A bitter cry! !
Taking advantage of others.

Edward Kofi Louis
Kiki

No two countries or situations are completely alike,
But, you still learn from them;
For, you got your first One Million Pounds at the age of 17.
Kiki my friend, you are now penniless at the age of 34!
And, every time that you are dragged out of the gutter,
You go back to it.
Tasteless!
Glory land wonder land;
To wipe away your tears and to learn from your mistakes;
For, there is no freedom without the law.

Edward Kofi Louis
Satan is the one behind the false religious powers in this world!
So be very wise and learn like Kiko my lover;
For there are many images representing the gods of this world! !

Edward Kofi Louis
Killed His Neighbour

He took the sword!
Out of the sheath,
And killed his neighbour.

Edward Kofi Louis
Killing and robbing in the name of power,
Are there no laws in the books that you have been reading? ! !
Then think twice before it is too late,
For the Father in heaven is watching us all.

Is it in heaven or, is it in hell?
With pirates and rebels all over the world!
But the pirates are on the seas and the rebels are in the forests,
And like what we see at the horn of Africa and the forest of Africa.

The hijacking of ships and the killing of people,
But all these will not bring us peace on this earth;
So let us be wise in doing the right thing always,
For this earth is our home and it needs peace than war.

Edward Kofi Louis
Killing Each Other

The muse of life!
We are now living in the killing zone;

With perceptions;
Disturbed and disappointed because,
We are now living in the killing zone.

To prepare your food.

The muse of life!

For the peace of the land,
In unity than with the works of hatred and war.

My life is full of experiences for you to learn from;
But the sea of peace is like the works of joy.

Out of heaven came the true love which leads to salvation,
And in love the Creator made all of us according to His own likeness of colours;
But behold! ! The lion of the tribe of Yahdah is here with us,
And like the sea of hope which is like the works of care.

Of the crystals of love from the heavens above!
And like a seed bearing plant on the very dry land;

But you are Klum from the land of her muse and,
You really know who she is.

Sell what is right;
Not to live the cell of sin,
But to live with the shell of moral laws!
To dwell in peace with your neighbours,
Not with the spell of hatred and war.
Knell, ell!
He fell in love,
She fell in love,
To tell the truth! 
To overcome the sins of hell;
Well with wisdom!
To dwell in the hands of the truth.
The bell!
The sound of the bell;
The sound of the truth,
To tell the truth,
To dwell in peace with your neighbours,
Without hurting anyone.

Edward Kofi Louis
Knew, New!

Constructions,
Knew, new!
Life,
Meeting different faces all day long;
But, illegal lust had eaten up the minds of many.

Revolution!
With the flow of the blow;
As many fell dead in your hands,
Because of hatred and war.
May, many!
Killing otherd with your guns.

Lust,
With the strike of the Devil!
And, with the evil ways of mankind;
Seen everywhere on this earth.
Knew, new!
With the muse of your works.

Life!
With the super star around you;
So, open your eyes ans see what he has,
For, the time is now at hand.
Life!
To draw and to paint;
But, in another level.

Edward Kofi Louis
Knife

Knife! !
To cut the head of your wife;
Why? !
Are you perfect as a human being?
Much perfect than she was;
Then think twice,
Because, you've killed a human being.

Edward Kofi Louis

Coming closer to you and,
Learning your ways;

Life,
With the expressions of your love;
Knit, it!
Loving relationships.

Edward Kofi Louis
Knitted Well

The quality of this poem is knitted well!
Flow, low, below, blow, slow, cow, row;
Because, 100 over 100 equals to 1.
The texture of this poem is knitted well!
Well, fell, bell, tell, hell, sell, cell, dell;
For we now see what is going on in Syria! !

War, tar, bar, star, car, gar, far, jar, mar, par;
With tangible images and tangible reasons,
And like a phenomenal man and a phenomenal woman!
But this war is killing many.

Clove, glove, prove, hove, strove, wove, stove;
And, what a nice poem that it is!
For, it is in it if,
It is with the muse of love!
And like the tender words of your muse,
But we now know what is going on in Syria.

100 over 100 is equal to 1!
But the poetry of life is always around us;
For the theme of this poem is fantastic! !
Bow, glow, how, vow, wow, grow, know;
And like the sweet muse of love.

Mow, now, sow, tow, throw, crow, show;
And like a nice image,
Shell, yell, jell, ell, quell, tell;
With its mystical muse like the melody of your music!
But the bombs are destroying everything.

Love, dove, drove, rove, shove, cove, grove;
With this superb poem to satisfy your muse,
But the poetry of life is always around us!
And we should find peace on earth always through this poetic life.

Sweet scent of freedom!
And like the modern songs in the land of your muse,
Because, 100 over 100 equals to 1;
And this poem is knitted well,
But the poor moon weeps in the land of your muse because of this war!

When will these bombs stop falling on them?! 
For the rich moon laughs in another land and,
The poor moon weeps in the land of Syria;
And the bombs are falling on them from every angle!
But, i do hope for peace in your land as well.

The philosopher,
Your choices,
The lessons,
Your actions,
And like my people being punished because of this war!
For, the mortal beings are now becoming immortal;
And, there are no graves to bury many of them.

Edward Kofi Louis
Knock

Block, lock!
Dock;
Knock,
Before you are allowed in.

Rock, mock!
Inside,
Outside,
Fame, name!
Fame,
To frame your life;
To the outside world,
Inside your room with your works.

Sit,
Hit,
Pit;
To split it!
Glow,
Low,
To on with your works!
In the land.

Edward Kofi Louis
Knock Before You Enter

Don't just pop in! !
But, do knock before you enter;
Because, it is time for the harvest.

Put on your life jacket to save you from drowning,
Boom, broom!
Commenting;
But, it is time for the harvest.

Knock before you enter,
Seek! ! And, you will find the way;
And like a memo to my lover.

Intimate contact!
it is time for the harvest;
Age, leverage!
Of a special assistant;
Goats, gloats!
To go to waste;
And, of the early morning.

Plotters, potters!
Legitimate;
Over, overthrow!
But, the air is now pregnant with cordite;
However, do knock before you enter into the room.

Edward Kofi Louis
Knock,  Lock!

Love,
Delight;

Love,
Answered;

Love,
Be satisfied;

Love,
Delightful!

Satisfied with the muse of her breasts,
With the abundance of her glory.

Love,
To flow out like a river;

With the muse of her stream! !
Flowing;

Following,
Feelings!

Melodies,
With the sounds heard around.

With the muse of nature,
With the fragrance of life!

Love,
Knock, lock!

Clock,
Mixed, fixed!

You know the name,
You know the way;
Gold and incense,
Mercy and compassion,

To set the way,
And to follow the way;

On the paths of love;
With a beautiful scenery,
To experience the truth and, to enjoy the works of the truth.

Edward Kofi Louis

Know-how!
I know,
You know,
Knowledge;
To show it,
How?
With questions and,
Answers.

Edward Kofi Louis

Edward Kofi Louis

Come and see,
Come and eat,
Come to the sea,
Come and refresh yourself;
For, i saw you under the fig tree afar off! !
And, you were the reason why i could not climb this mountain.

It is very nice knowing who you are,
But let us cross this river to the other side;
And, let us walk in the footsteps of the faith,
However, let me marry you my sweet one!

Edward Kofi Louis
Knowing Your Left From Your Right

Try it and see,
Maybe it will fit you;

Writing is the way of my life,
Hear, rehearsed!

Poetry is the way of my life,
Like a well done deal.

Rehearsal,
Legs, legends!

Beautiful and touching;
And, it feels great to know that, there is a prophet around.

Stir, star!
By the flow of the river;

Swift waters!
To feed your eyes with the muse of the truth.

Wisdom is better than silver and gold! 
So, seek for wisdom and live with wisdom;

Knowing your left from your right,
Because, love is the right hand of life.

Edward Kofi Louis
Knowingly

Love,
Knowingly!
And, speaking the truth;
From your heart,
With the muse of the laws.

Love,
To walk after the Spirit with the muse of the truth;
Love,
With ritheous works;
And, justified with the muse of the truth.

Edward Kofi Louis
The ocean is around us but,
The conscience of mankind is below average;
What knowledge have you when,
You don't even know the geographical focal point of the sea?
Many economies are like the moral degenerations in the society,
With many theories which doesn't hold water;
And, why can't the African solve his or her own problems?
Forward match to wisdom! !
Why can't our knowledge go beyond the stars? !
With the final analyses in Jeremiah chapter Thirty-Three verse Three.
Match, much! !
With many immunologists to the state of the mind;
And, from the known to the unknown.
Know, knowledge!
The sounds of great humility;
Now, know!
The truth about the systems of the earth;
But, let us all share in peace to move this world around with love.

Edward Kofi Louis
Knowledge Gained

To enjoy something sweet and beautiful and,
With the aggregates and the merits of love;
For the knowledge gained is like your muse,
And like the impelling power of learning itself.

Miasma!
One day you will read this poem and learn from it;
Because you are surrounded by the difficulties of it,
But the courage of your heart is needed on this love.

I came, i saw, i conquered! !
For i am guided by the light of the Creator and,
People's imaginations around are known as philosophies.

Edward Kofi Louis
Knowledge Is Power

In the morning watch,
Into the midst of learning;
In the evening tide,
Out of the muse that muses;
A knowledge from a pavement made to achieve success,
Like the tune of a beautiful song.
Say it again,
Write it again,
Sing it again,
Play it again,

Come to ACTION SECONDARY TECHNICAL SCHOOL;
A learning environment with love and care.
I do remember, i do remember! !
Like the watchful minutes to the hour when,
I have this loving muse to all who want to learn.

Look!
Over there is ACTION SECONDARY TECHNICAL SCHOOL;
A place where knowledge gained is power to you!
I remember,
Like the open window;
With 'deep-green unifrom' to the vegetation.
Now i know,
'Knowledge is power'!
A peaceful atmosphere of love and care to share with you.

To learn,
To know,
Of a muse like rain drops;
With teachers dedicated to serve you all.
Go, tell it on the moutains;
A candle light from MADINA ESTATE where,
Knowledge is power.
Listen oh heavens,
Hear oh earth,
ACTION SECONDARY TECHNICAL SCHOOL is around you;
A place where knowledge is acquired through learning.

Of the 'grey-trousers' to the world so sweet,
A candle light of hope;  
Of the muse that leads to love,  
Like a pleasant wit at hand;  
A timely success iy all that you need in life.  
This is wher love is found,  
This is where people learn to gain,  
With hopeful years at school;  
I remember,  
I remember!

'Grey-trousers like grey hairs;  
Where knoeledge abounds to the wise like,  
The school itself.  
Come to where ACTION SECONDARY TECHNICAL is,  
Come to gain your knowledge as well;  
Learning,  
The day's fair face.  
Say it again like,  
ACTION SECONDARY TECHNICAL SCHOOL;  
Like a muse to the world so sweet.  
Write it again,  
With love and care from the teachers;  
Come to this atmosphere where,  
Knowledge is power.

A learning place of joy,  
To sing to it again and again;  
With students and teachers to share their views in,  
This royal place of knowledge.  
This place of love and care,  
This place of a muse that muses;  
The day is done when,  
You have gained your knowledge.

Edward Kofi Louis

Edward Kofi Louis
Known In This Town

Mountains!
Rivers,
One week tour;
With your muse.

Secret lover! !
With the muse of your secret love;
Known in this town,
With your works.

Muse, life, love, peace!
In solidarity with your love;
And, with your dress code,
According to the ways of nature.

Freeze, breeze!
For the inconvenience;
With your feelings stronger than anything,
Over the weekend.

Prior notice!
Of a song or a prayer;
Early enough to go ahead with your works,
Since, you are known in this town.

Edward Kofi Louis
Known, Unknown!

Known, unknown!
The rising star;
Around you,
But, you need to read my poems twice! !
Or, even more;
Before you can come into my realm.

Known, unknown!
The rising star;
Excited! !
Love,
With a style,
And, to comfort you.

Known, unknown!
The rising star,
Around you;
And, touching the hearts of many!
With the style of my poetry,
In the land of the living.

Edward Kofi Louis
Kocking

Maybe the devil is standing behind your door!
That's why you couldn't feel my love;
But, i will keep on knocking at your door!
The door of your sweet love,
Hoping that, you will open it one day.

Edward Kofi Louis
Koehler

Positions of great trust and authority,
Dependable, loyal and obedient servants!
I am Koehler with the cakes of love,
And i am looking for the well being of others.

Edward Kofi Louis
Koffi

If love is the fruit of life then enjoy it,
For the moments of the truth runs deep down in your heart;
But a man of wisdom is what you need to guide you on.

I am a woman of knowledge and i know this man called Koffi,
So come to me and let me introduce him to you;
For a man of wisdom is what you need to guide you on.

Come to me with the sweet songs of your muse,
Come to me like the lovely colours of the rainbow,
For i am the voice from afar with a vision;
And you are on a mission searching for love,
But a man of vision is what you need to guide you on.

Edward Kofi Louis
Koffi Ii

Koffi, if, of, Kofi, off!
To walk away;
Sand, stand!
With the test of time,
Stated categorically.

Love, muse, peace!
From a reliable source;
As a clue!
With the muse of your love,
With no cause of alarm.

Edward Kofi Louis
Kofi

I am in love with a man called Kofi and,
I am a woman of substance;
I am in love with a man called Kofi and,
He is a man of substance;
I love roasted chicken and he loves fried chicken,
And his whole body is like a hair garment all over.
I am thirsty for his milk and he is hungry for my love,
But we will share this love in the land of camels and sweet-milk;
There we will live forever on this sweet valley of mine.

Edward Kofi Louis
Kofi 2

A call to Kofi my love!
Where are you my lover?
Come along and let us share the night,
With the dream of dreams!

Edward Kofi Louis
Kofi Adu

The popular actor,
Known in showbiz circles like the muse of your love!
Nut to incur the wrath of this wart is like a timely apology;
And to violate the contract was like the act of your friend called Kofi Adu in this town.

Edward Kofi Louis
Kofison

Maybe i have to cry a little for this love,
Maybe i have to sacrifice a little towards this love,
For Rome was not built in a day!
And you are so deep rooted into my heart.

I do love you dearly and i do care for you,
But i have my virginity at stake to share with you;
So come straight into the arms of love.

Kofison, you are that the muse brought to me,
And i will do my best to lead you on;
But of the sweet touch of love to let you know my identity.

Edward Kofi Louis
To be despondent,
To be active,
To love the muse when many are asleep;
But with sincere love we can solve out some difficulties among us.

Of the closeness of your love to my heart,
And of the sweet muse of your joy that it brings;
For you and i can make it work together,
And to be desperate like the joy of my heart!

I am Koku and you are my lover,
And of all the activities that we share together;
But with sincere love to crown the day!
For we can solve out the differences between us together.

Edward Kofi Louis
Kola

Is this how marriage is?!
Then, I have to chew my own kola and be very patience;
For there are many things for me to learn on this muse,
And like the songs of the musicians that I hear.

Edward Kofi Louis
I am from the Democratic Republic of Congo!
And, my name is Komlos;
But, the gorillas are on the mountains top.
Service to all and service to mankind,
For i am with words so delicious to satisfy your muse;
And, i don't need a proficiency certificates for your love.
The gorillas are living on the range of these mountains,
But, love comes straightr from the heart!
Varied with its pigment taste.
Rich in quality and of a choice,
However, these other animals around the gorillas are now ready for a race!

Edward Kofi Louis
Koo Nimo

Knowledge and wisdom,
Only to teach the truth!
Onward with positive morals.

News around the world!
Insight with the muse of righteous works;
Managing the affairs of mankind,
Only to see the light of the truth! !

Edward Kofi Louis
Fruits and vegetables are the richest sources of vitamins and minerals,
But you also need my love to make you move on like an engine;
For you and i were meant to be on this sweet love.

I know who i am and what i can do to help you,
For your love is like the cassava that i eat from home.
In my deep sleep i will still dream of you and,
Your dreams will also be of mine too;
For we are all in this game together.

Edward Kofi Louis
Koray

Koray, oar, or, ray!
At the bay of sweet love,
To pray for peace and,
To play with your lover;
And to pay for your meals.

Edward Kofi Louis
Koshered

Found dead and unknown,
And like every abominable things on this earth;
But Yahweh's Face is the way to salvation.

Move, sail, see, face, replied;
But inspect everything to make sure it is koshered,
For the confused minds cannot meet up to the truth.

Edward Kofi Louis
Kouyate

Phone, xylophone!
Kouyate, eat, ate, oat, at, Kate, tea, toe, you;
Indecision,
Tampered with,
Of the norm or the custom! !
But, on the other hand, you need love.
Phone, xylophone!
After a century,
To be amended;
Campaign, champaign!
Soothing and groovy;
With geographical features in the land of love.

Edward Kofi Louis
'Saltpond'
Stated,
Disclosure,
Obligation,
But with the legislation!
And, Kozie chaired the meeting.
Opinion leaders,
Wanton desires,
Of straight marriages;
And, to go top-free! !
But Kozie chaired the meeting,
And, we all paid attention.

Edward Kofi Louis
Kpangalawele

You are very nice and easy,
And very romantic with your kiss at all times;
But the name given to you by your grandmother was 'Kpangalawele'!
Come and eat, drink and enjoy with me at my sweet home;
For my love is like a spacious home with large chambers and,
It will accommodate the fantasies of your love when you do visit.

Edward Kofi Louis
Kpanie

Reality,
Engaging clarity,
Tales,
Sales,
Bales,
Whales! !
Of the indigenous world,
Narration!
With the muse of your works;
Kpanie, pain, in, kin, pine, pin, pan, nap!
Muddle,
Courting,
Manner.

Edward Kofi Louis
Kpobi

Kpobi, do not bury me in Egypt when i die;
But take me to my native land.
Kpobi, you are the first sign of my strength;
And you need to learn more from me like,
The force of gravity resting on us.
Lip, tip, zip;
You need to learn mre in this life!
For i am your father with words of peace and love.
'Yl Shaddai'!
To speak with flatering lips will not lead you on;
For this world around us does need peace.

Edward Kofi Louis
Kraas

I am Kraas and i am living closer to the grass,
For the clash of the Titans are closer to me;
And i need a glass of water to quench my thirst,
For the brass helmet is here at last.

Edward Kofi Louis
Krakue

Krakue, era, ear!
To take away my only dream;
With the muse of this war next door.

Life!
Like 30 gallons of water in the land of your muse;
But, this war came and disturbed my dream.

Edward Kofi Louis
Kramer

Carnal minds and desires,
Make them according to the pattern that you saw;
For i am Kramer in the land of peace,
And like Fleshly Beings that respect my muse.

Edward Kofi Louis
Osagyfo Nkrumah,
Otumfuo Opoku Ware,
And the great ones of past memories;
What can we do to ensure success?
Than learning from our past efforts to lead us somewhere,
But many are the obstacles along the path towards success.

Krampa my love, the time has come for you and to grow up;
And let us think before we leap on this love.
You are my one and only,
You the one who knows my love and problems,
So come and take me to the land of dreams!
For i want ot be very successful in life like,
The great ones gone by.

Edward Kofi Louis
The small machine and the big machine,
And to the rescue of the muse of your love;
But with the greatest of love at all times!

Move your body and learn my muse,
For i am Krutt in the garden of love;
But you are impaired like drunk drivers!

Edward Kofi Louis
Kruttschnitt

I am a just amnd and,
You are a just woman;
And like my friend called Kruttschnitt,
But your love is in the North Parade.
Where are the bees and the butterflies to sing for us?
For in the garden of love we will rest for a while;
But your love is still in the North Parade.

Edward Kofi Louis
Krysinski

Krysinski, ambitions have traversed the boundaries of modesty;
And i am here with the great expectations of love for you.
My love to you is like a Kumasi-bound Neoplan Bus,
But it will grow to touch you like Mount Everest.
I have an altruistic attitude towards this love and,
You have to lead the way forward on this love.

Edward Kofi Louis
How big is my land to make you merry?
How big is your land to make me merry?
And like the passions of a mystic touch;
But, you are the one for me!
And i will always look for you.

Cattle, battle, rattle, tattle, wattle;
Jumping out of the dark to meet the light!
And, blessed are you who gave me love;
For, you came along with Kryzer your friend to knock at my door.

Edward Kofi Louis
Kuandah

Combat,
Lot of challenges!
Trawling,
Lot of words!
But these practices are like the acts of Kuandah,
And like the romances of adults.

Edward Kofi Louis
Hello Kudjo,
You are the black man with the pink eyes!
And i want to be part of your world;
But do appreciate and extinguish yourself from,
The tearful and the mournful atmosphere around you.

You are like the shared values from the realms and,
With unique ideas to share with all;
But let our views hold us on as well to our dreams!
For you are the choice of a partner that can be trusted.

Edward Kofi Louis
Kudos!

Kudos!
Doing the right thing;
Well acted,
Well penned,
Teaching the people with the truth.

Edward Kofi Louis
Kumah

Young and old,
Give it to me just like anybody else;
Young and restless,
Say it to me just like anybody else;
But a self-opinionated act is always led by a fool!

I am searching for the missing pieces and,
My name is Kumah;
But trust in yourself in any positive thing that you do! !
And do not let your past atrocities destroy you now.

Edward Kofi Louis
Kumar

If you know, teach and pass it on;
If you get, give and pass it on;
If your love, care and pass it on;
And try to restore normalcy in every life,
For i am the one for you in this land! 

Learn to pursuit a dialogue and,
Give out to overcome current empasse;
And try to examine the righteous one among the lot.

Kumar,
I am as lovely as the dust and the dawn;
But i have somthing for you lik the summer school,
For being very slow to anger is better than a warrior!
But try to get your ball rolling always on the right paths of life.

Edward Kofi Louis
Kumatsu

I now understand your tears in those days,
And like the Queen's new clothes;
But today, you are gone forever!
You were recorded among the dead in 2002,
And the sea took you all away;
But let my tea be mixed with pure honey,
And I will always remember your tears.
I now understand in those days,
But you have no more tears today;
Because you are dead and gone forever!
For you were recorded among the dead in 2002.
You were drawn in the sea as you attempted with others to cross over,
Europe was your target but your sweet candle of light burnt out so soon;
And this sad note is with the tears from my heart,
Because the sea ended your dreams so soon!
Who can bring you back?
My sweet Kumatsu, rest in peace.

Edward Kofi Louis
Kumawood

Kumawood, wood, mood, mud, dam, mow!
Hidden memories of the past,
With the muse of life in this love;
Personally,
She was very much attractive in your eyes so,
You made her pregnant and, she gave birth to a boy.

Night, light, right, bright, might, sight,
tight, insight!
Impressive with the works of your love;
And, intensive with the fragrance of life around you today.

Seat, sweat!
With the motto of your works and the photo of the child;
Sweet memories with the melodies of nature,
Trying to settle down with your mind.

Sign, signal, signature!
To canvass support,
With the muse of nature on this love;
Which is like an untameable force! !

Safe and warm,
Kicking the ball once again!
With the memories of the past,
Knowing how to score a goal and win the match this time around.

Edward Kofi Louis
Kumawu

Blissful,
Mddle-aged;
Flirting,
Shot at a close range!
But the bloodstains were found out,
And like an autopsy in the land of your muse.

Kumawu,
You are the popular beer bar operator in your town! !
But the outfit of your lover is like the river of peace;
And like the works of your acts in the land of Armenia,
But the people finally found the bloodstains.

Edward Kofi Louis
Kundus

Very soon it will be very hot!
And you can't hide away from me any more;
So how sweet are your apples oh Kundus?
For the people around you are still not at peace,
And i have not rested my mind on you as well.

Edward Kofi Louis
Kwabiah

I called but you were not in,
So i posted the letter to guide you on;
Because, it is very terrible to lose a wife at your age.

From me to you,
And from the muse of the world that guides us all;
But, what are friends for?

You can change your life by making the right choices,
And you can live on with trusted friends;
For the law is light and, your love will lead me on always.

Edward Kofi Louis
Kwabre

Kwabre, bare, bear, wear, are, ear, era;
Life!
With the Feelings of what is right or wrong;
But, do not live in the den of iniquity.
Hop, hope!
With your mind set ahead of life;
By doing what is right always,
Trying to overcome the Odds.

Edward Kofi Louis
Nude,
Should it succeed?
Reed,
Should it grow?
Unsightly! !
But, to dominate the world with nudism,
Because, my people want it so.
Naturism,
Acts,
Paintings,
Arts,
But with cloaks of primitiveness;
And like a dirty shoe in the land of your muse,
However, i am Kwadwo from the land of hospitality.
Revealed,
Counterpart,
In secret,
Routinely,
But on the other hand with the muse of your love;
However, things were compounded than ever!
All in the name of nudism.

Edward Kofi Louis
Authority,
Clue,
The time period!
Shown;
The universe,
Planned,
Drawn out! !
Finished,
Amazed!
Kwakye, way, key;
And like every creeping thing.
Clue,
Authority,
The time period!
But, unmistakeable was the muse of your love;
And, the call came from Kwakye to inform us.

Edward Kofi Louis
Kwame

It is very sad to lose a wife at your age,
But life will surely go on to satisfy you;
For we are all together on this issue.

I will be there for you like,
The mountains in the Capital of Mbabane;
For the man deserves to be the head as,
A woman's dream is to be loved.

Kwame, a child demands and we have to be wiser;
For your loveliness should be guided with true love.

Edward Kofi Louis
That man and his house,
That woman and her house,
That man and his wife,
That woman and her husband,
That man and his car,
That woman and her car,
But, your lover is afar off! !
However, i am Kwamena in the land of your muse;
And, i am ever ready to help you solve your problems.

A whirlwind! !
And, you actually heard it;
For, it was like a vision.
Your table, your food and your house!
Bring in the wealth to help the poor people around;
And like the muse of love in the land of peace.

Edward Kofi Louis
Kwao

My love is like the wonder of the blues that blues my mind and,
It is with the spirit of a muse that swings along with sincere love;
And it is very original with the fresh ideas from a land beyond.

You are welcome into my sweet arms my love,
For i am the tree standing up high to help you see the world!
And on top me to view the mountains with your sweet love.

You are very handsome and very intelligent,
So come and taste my apples of sweet love from this tree;
For we are all very young and attractive to swing along in love.

Kwao, my love is like the wonder of the blues around you;
And i will love you like the spirit of this muse as well,
For you are welcome into my arms of love.

Edward Kofi Louis
Kwarley

The wall around Jerusalem is like the wall around your love,
But death came and took you away so soon;
I am like a child to learn about your muse but,
You left the world so soon for me to be your student;
Life is like that at times and,
You are Kwarley and death did not allow you to stay longer!
For the love of your sweet candle burnt out so soon and,
Death didn't waste time on your age.

Edward Kofi Louis
The wind blew over and,
You fell deep down on the hils of love;
But it is very sad that this occured to you!
And i am now on the move in search of a better place to rest my head.
I knew you as Kwartiokor,
And you fell and met another lover!
But history will surely teach you one day.

Edward Kofi Louis
Kватemaa

It shall be eaten raw the same day and,
It shall be eaten raw the same night;
But to have sexual relation with the slave woman is,
Like going into her to relieve yourself.

Sela Hammahlekoth!
To pull back the bridle of a tyrant;
But after one sunny afternoon you are with your lover Kwatema,
And you think that all is well with her too.

Life is full of tar and pits,
But do righteousness and be repaid with righteousness;
For whatever you sow is what you expect to reap out again!

Edward Kofi Louis
Kwegyir

Priority,
Status,
Jubilee! !
Meeting each other with the muse of love;
But i am Kwegyir from a land afar!
And like the second stage of your love in the land of joy.

Edward Kofi Louis
Kyere

Datng, mating, hating!
I am Kyere in the land of your muse;
But, try to learn to do the right things always in this life.

Edward Kofi Louis
Kyerewaa

Kyerewaa, wear, ware, year, ear, era, key, raw! !
Sense,
Uncertain,
Disquietude,
Subdue,
Coffer, offer!
Being suspended;
Dishevelling,
Tossed!
Concourse,
Testimony,
Witness,
Spoil, soil, oil!
Patrimony,
Principal,
Of a box;
And, in the sense of being suspended.

Edward Kofi Louis
Kylie

Kylie, key, like, lie;
Winter!
Holiday on ice;
With the muse of Skye Island in view.

Deal, weal, seal, meal, heal, teal, peal, appeal!
To deal with your love;
In the land of the living,
Where the ocean is always blue.

The muse of life,
Credited to advice;
On its own,
With the rules of nature.

Love!
Depended on;
Life,
With nature's dialogue;
But, a crowd gathered to hear your oratory.

Edward Kofi Louis
Kyoto

Of your words and your wisdom,
Caring for the poor and the needy is my muse;
And like Kyoto who is always willing to serve others without pay.

Edward Kofi Louis
L 2 And L 25

L 2,  
L 25;  
Like the muse of a rainbow appearing in the west;  
Stall, tall, all!  
Finding my way home with the peace of my mind;  
but, one day, the truth will come out of the box.

Was, wasp!  
Of the sting;  
for, it was from the wasp! !  
As i walked along the bush.

Lousika, ask, as, is, Louis, so, Louisa!  
Telling my story to a friend of mine called Lousika;  
For, i saw the rainbow today at the west.

Edward Kofi Louis
La Vida Loca

'La Vida Loca'!
Visit Tunisia and save your money at 'Amen Bank';
For there you will taste the style of the African!
And the facts of your myth will touch your lover,
For we are in the presence of the modern world!

Edward Kofi Louis
Mexico!
'La Zona 37';
Living in another world,
In another level.

Mexico!
With more guns in the hands of the people;
Criminals,
Wicked people;
With their negative works in the land,
Taking the students and, killing them!
In cold blood.

Mexico!
'La Zona 37';
Seeking for peace,
Looking for work,
Trying to understand the ways of life in the land;
Where, almost everybody carries a gun! !
As the people are being shot and killed almost everyday.

Edward Kofi Louis
Labelling

Relations,
Clearly,
Labelling,
Vertices,
Like the Potter's Field.

Edward Kofi Louis
Labour And Delivery

Labour and delivery,
Competent and experienced;
And like the steps which are needed to be taken in advance.
Blood and urine samples,
From the mother and the unborn child;
But these simple steps are needed to be taken in advance.
Pregnancy and childbirth,
Are you unable to cover your medical costs? !!
Then be very wise to seek help from the people around you;
For labour and delivery consists of many steps,
But feasible and deliverable without any complex technology is what you need as at now.

Edward Kofi Louis
Labyrinth

The golden pen,
The golden ink,
With the laws always on my side;
The labyrinth of life,
Like the hill side of a river;
Living in the city of lions.

Rumble, tumble, crumble, stumble!
Like a message found in a bottle by the seashore;
No country for the old man! !
No country for the old woman,
With the bullets of war chasing them.

The show!
With the pieces of your life exposed to the world;
However, anything is possible in life if, you do work towards your dream.

At the office with a surprice!
Like editors in concert;
The ice of the artice,
To touch the heart with love;
The price of the rice,
To touch the soul with peace;
Find the truth and live with it.

Condensation,
Silent nights in the room of love;
With the truth made known to the world.

The city of donkeys!
The city of monkeys,
The city of elephants;
Friends with better hearts,
To feed the world with the laws,
With peace and love.

The spy game is seen all over the world!
But, stand up tall to the truth;
With light overcoming darkness,
Sneak, peak, speak, peak, weak!
The poor will never cease from the earth;
So, do extend your hands to them of you have the means.

Lock, gridlock!
Hatred and war;
Seen everywhere in the world,
But, love is what we need.

Edward Kofi Louis
Lace, Ace!

Lace, ace!
With the pace of love,
With the space of time,
With the palace of life,
To embrace nature;
The only stretch of the truth.

Edward Kofi Louis
Lack Of Capital

Back,
Black,
Bank,
Blank,
With the lack of capital!
Still struggling along with your works.

Edward Kofi Louis
Lack Of Credit

Questions,
Raises,
Ban,
Virtually;
But, i don't belong to this place! !
For, the acts of the natives are so negative to my thinking.

Players,
Containing,
Cintinuous,
Conforming,
Lack of credit;
But i need to rest my mind with my plans in focus,
Because, one day, i will leave this place.

Edward Kofi Louis
Lack Of Discipline

Folly!
Lack of discipline;
To be led away,
To be led astray,
To break out! !
Strayed;
And to go against every wise decision.

Edward Kofi Louis
Lack Of Knowledge

For the lack of knowledge my people perish,
And one cuts a tree and decorate it;
But my people want it so.
Oh yes, for the writers of old had falsified the truth and,
Many do run for it like the madness of war on this earth.

Do you know Zeus of Olympics?
Today we have Olympic Games and many are yet to learn.
You've got the machinery and I've got the words so,
Without my words you cannot print out thr books;
So, i don't see why why i should pay you money to be published.

Come to Africa and do see things for yourself,
Come and let us also teach you what are not in your books;
For lack of knowledge my people do perish.
Come and learn from us too,
It is like our lives all day long with all the raw materials;
These are your wants so do pay for them,
Like the sugar needed in tea for one to drink.

Edward Kofi Louis
Lack Of Self Control

Illegal lust!
Divorce is very rampant in the world today;
And, with adultery and fornication.
Dirty eyes! !
Jumping from bed to bed;
With sickness being Extended to all.

Life!
Born to be free;
But, there are many troubles around us today.
Life!
In the womb,
After the bomb! !
And, to the tomb;
With the very sins of mankind on this earth today.

Illegal lust!
With the very problems of the earth;
But, are we ready for the truth?
Lust!
Lack of self control;
Ignoring the laid down laws.

Edward Kofi Louis
Lacking

Lacking, king, lack, gain, gin, in, Cain, can, an, kin, lag, lain;
Of the first ruler of the kingdom!
I've seen your true colours of love and,
That's why I love you.
Moore, more, or, me, ore, room, Rome!
Like the second ruler of the kingdom;
But, lost along the way towards the dark path of your muse.

Edward Kofi Louis
Lad

There is a young lad over here with some cookies,
And you can have a mouthful of his cookies;
But where will you buy me some bread to eat as well?
And like the hope and the dreams of a land,
For there you sit waiting for my love!
But it seems that it will rain because the sky is dark.

Edward Kofi Louis
Lad, Ballad!

Sad in Life,
Moving along with your mind;
Lonely,
Lad, ballad!
Alone,
Along the narrow path of life;
With a different state of mind.

Edward Kofi Louis
Lad, Land!

Compilations,
Promotions,
Damages!
Like an execution diary;
But, you are now at the end of the road.

Letter,
Back to the sender;
Of your tracks and of your works,
And like a dampener in th eland of your muse.

Lad, land!
Derisory,
Damper,
Derive!
At the end of the road.

Edward Kofi Louis
Ladder

Cook, look, hook, rook, took, book, nook, kook;
Take me home and show me your love,
For the ladder up there is far from me.

Ladder, adder, add, read, dear, red, lad, dad, led, are, era;
But inser the pole inside the tube of the foam!
Because your home is now intended for me alone,
And i have my peaceful mind set on this love.

Wide openings,
The ladder up there is very far from me!
But what goes around will surely come around one day;
And like the joy of your muse in the land of flowers.

Edward Kofi Louis
Ladies Night

Brands,
Dimensions,
Android,
Combs,
Progression,
Increasing,
To work and care for it,
To eat of it,
Ladies night!
Figures,
Women and girls;
By the factor of the night.

Edward Kofi Louis
Lady Dai!

In the Red Garden;
With the sweet formula of peace,
Leading to unity and joy.
Honey, money!
With the joy of your love in the Red Garden;
Test, contest!
With the muse of your sweet love;
In the Red Garden.
Soap, soup!
Bathing with the sweet muse of peace and,
Cooking with the sweet muse of joy in your land.
Town, own!
In your own town with the muse of your mind;
Town, thrown!
In the Red Garden with the muse of your sweet love.

Edward Kofi Louis

Fold,
Told,
Lady in gold!
With the muse of the cold.

Edward Kofi Louis
Lady Marash

I've been all around the world to meet love,
But without a possible act of love than yours;
However, the tender of your sweet love keeps me alive.

My heart needs your love!
The emotional love that will never die;
Because, i need your fairness on this love.

Lady Marash!
You are all that i need;
Do touch my heart and feel my heartbeat.

My heart moved! ! ! The first time i saw you;
Automatically,
Telling me that you are the one.

Edward Kofi Louis
Lady On The Horse

Lady on the horse,
Sitting and riding;
Galloping all along.

Edward Kofi Louis
Lagos

Lagos, so, as, log, goal, goals!
Behind the drills,
With pills still in their bodies;
Which reflects on their acts.
Hill, mill, stil, bill, will, fill!
With their bills to pay;
Upon seeing their negative works in the land.

Edward Kofi Louis
Laid

Science,
Conscience,
Corn,
Corner,
Coin!
Laid,
Said,
Aid,
Maid,
Laid.

Edward Kofi Louis
Laid 2

Aid,
Said!
Laid;
A man with a maid,
The reality.

Edward Kofi Louis
Lake Of Fire

Drugs will not be thrown into the Lake of Fire!
But human beings will;
Strong drinks will not be thrown into the Lake of Fire!
But human beings will;
So learn from it and come out of this Babylonian system around you.

Edward Kofi Louis
Lake Of The Learned

Lake of the learned,
Sea of the wise;
Land of peace makers!
Forest of hope;
Dancing around with my mind,
Teaching at it muses with the ways of life.

Edward Kofi Louis
Lake View

Two white lilies!
Lake view;
With love,
To flow! !
With the shadows of the things around.

Edward Kofi Louis
Lakota

Buffalo,
Resulting,
The dark cloud! !
Of the harmony,
With peace and loce;
But in Lakota to rest my mind!
And, as clear as it could be with your love.

The muse of love,
The muse of peace,
The muse of unity,
The muse of care;
But, true to that purpose! !
And like this river on my side;
For, in Lakota i will rest my mind.

Edward Kofi Louis
Lamb, Lamborghini!

Sensible,
Able,
Acceptable,
Lamb, Lamborghini!
Sensitive,
With the muse of life;
However, the truth is your choice if only if you want the voice of peace.

The work,
To see it and to understand it;
With the muse of your car! 
Life and joy,
In bewteen them;
However, the truth is your choice if only if you want the voice of peace.

Sayings,
Writings,
Lamb, lamp!
With a strong voice,
With the muse of your choice;
Of the truth,
Able to teach.

Edward Kofi Louis
Lame, Male, Meal!

Life had never been fair with you since you were born!
But, your faith will always lead you on;
Lame, male, meal!
With your works,
Leading to the ways of love, peace and joy.

Love,
To find pasture;
In the works of the truth!
Going in through the right door;
For the peace of the land.

Edward Kofi Louis
Lament Like A Virgin

Weep on drunkards! !
Lament like a virgin clothed with sackcloth;
For the husband of her youth,
Who just died! !
As the earth fades away.

Drunkards!
The earth will quake and the heavens will tremble,
Because of your sins;
The sun and the moon will be darkened! !
And the stars will stop shining.

Weep!
Oh earth,
For the sins of mankind;
Blood, fire and the pillars of smoke! !
With the muse of hatred and war.

Edward Kofi Louis
Lamented

War,
Horrible deaths!
Lamented;
On the face of the earth,
With carcasses becoming meat for the birds of the sky.

House of mourning,
Because of the wickedness of war;
Doom! !
Violence,
Devastation;
For the wicked have neglected the laws of peace.

Edward Kofi Louis
Lamented!

Age, signage!
In the land of your muse;
Sign, signage!
With the muse of our land;
But, you lamented over the status of your people.

Rest, surest!
Fiding your way to the truth;
With evaluation,
As you bemoaned over the situations in your land.

Lamented!
Quisling,
Spill, pill, ill!
Pragmatism;
Concerned.

A court of competent jurisdiction!
Hoping that there will be a way to help your people;
With diligent work,
However, you need deeper investigation over the matters around.

Edward Kofi Louis
Lampard II

Lampard, lamp, arm, am, pad, pal, lad, dam;
Winter with the cold ands summer with the heat!
Dram, mad, dap, rap, palm, map, ram;
But to bow down low for the slaughter,
And like Gad living in the land of the Gods! !
Lilac,
Lifelike,
Beautiful;
I fell once,
So, i don't want to fall twice!
But, i did knock at your door trice;
However, you were not at home all the time.
Love,
Realistic,
Raid, aid, paid, said, laid, afraid, maid! !
Thrich will be richer and the poor will be poorer;
For, we all know what goes on in this worldly systems,
But, i am Lampard in the land of your muse.

Edward Kofi Louis
Land

Land,

Garden

Beauty,

Garland,

Disclosed,

With the muse of the flowers,

In your room.

A vlaed culture!

Decorating them with flowers;

Note, tone!

Motivation;

With ther muse of the attraction of the land.

Edward Kofi Louis
Land And Water

Muse, use!
Between land and water;
To infuse,
Not to refuse the works of the truth!
Living in peace with your neighbours,
Under the umbrella of righteous laws.

Edward Kofi Louis
Land Of Ur!

Our father Abraham was a Mesopotamian;
From the land of Ur!
But the mirror today is now acting on all of us.
Of the major issue at Hand,
Of the life of the people around,
And like the sun and the moon being worshipped by mankind! !
But, Abraham worshipped Father Yahweh in truth.

Edward Kofi Louis
Land, Eland!

It must be like the milk and the meal,
To be a sign of love and a sign of peace;
Land, eland!
With the muse of the one that your heart desires;
Like a seal to your soul,
In loving arms and, with the peace of your sweet mind.
People worship and serve creation than the Creator!
However, we will reap what we sow on this earth;
But, let true love heal the world in peace.

Edward Kofi Louis
Landed Bombs

Smile and smile and your face will look so sweet,
Laugh and laugh and your face will look so bright,
Cry and cry and your face will look so sad!
For the nuclear war had began.

Nu-clear, nuclear war!
And a bomb landed on the Tigris river;
Where are the Iraqis?
Where are the Iranians?
Where are the Turkish?
Where are the Lebanese?
Of the messages from the Euphrates River as well,
And from the way it was created.

My people are destroyed for lack of knowledge and,
Like the untimely figs to be thrown to the Jordanians;
For the North Koreans are already firing missiles.

Fear, agony, pain;
With Iran, Syria, Hamas and Hezbollah in alliance,
For a transparent history is at hand.

It is clearly written,
It is nicely packaged,
And it is well noted and accepted;
For the noise of the bombs could be heard everywhere!
Wars founded by Nations,
With tunnels everywhere to explore the advantage;
But, who is responsible for the landed bombs?

Edward Kofi Louis
Lands And Rivers

The romance of nature,

The fragrance of life,

The beauty of creation! !

Lands and rivers;

With all the colours around.

Edward Kofi Louis
Lands Fit For Nothing!

Lands fit for nothing!
With acts full of Evil;
Evil men,
Evil women,
Evil children,
All in the name of terrorism.

Edward Kofi Louis
Landscaping

Landscaping,  
Residency,  
And with preliminary reports;  
But attractive is the muse of your love! !  
And like the course of your mind on this love.

To provide you a bank,  
To stress out a point,  
And like the lawmakers with wonder pills! !  
But the landscaping of my land is like a teen's romance.

Edward Kofi Louis
Langdon

You are like the '419 fraudsters' and,
I have to visit you like a CID;
But one day the law will catch up with you without any escape.

Cheery crowds,
To take a drive into the bush without a clue;
But your '419' game is all about you.

Shopping in Dubai with cheers on your face,
But the law will get on you one day;
For your life is like the '419 fraudsters'.

Edward Kofi Louis
Language And Literature

Language and literature,
Having 7 children!
6 daughters and a son;
Dancing with your pasture in life,
Like the Magic Forest.

Cord, accord!
Subjects and objects;
With the spirits of the day and,
The spirits of the night.

Might, right!
A wise person accepts that which is known from the truth;
Accepting the truth makes you a different person from lairs! !

A high level of energy!
Progressive,
Him, hymn!
From one style to the other,
From one step to the other,
But, the gates of hell will not prevail against the works of the truth!

Ice Cubes! !
With the muse of life;
In the eyes of respect lies the works of love, peace and joy!
Caring for your children in the land of the living.

Chalk in the hand,
Waiting for the experiment;
To teach and to guide your children with works of the truth!

The Truth,
Let it be in your heart;
And, let it come out of your mouth.
Loan, lone!
Lost and found;
Hidden inside the hole.
Lanterns And Torches

Note, denote!
With lanterns and torches i look for my love;
Den, denote!
For, darkness have covered the earth and,
I need her sweet love.
Come out and, let your sweet love be known!
For my love to you shouldn't be a secret to the world;
And, i have lanterns and torches searching for you.

Edward Kofi Louis
Lap, Gap!

Snap,
Nap,
Lap, gap!
With the muse of your status,
Enjoying your life in your land.

Edward Kofi Louis
Lap, Nap, Snap, Map, Swap!

To tap,
To trap,
Wrap! !
Rap,
Lap, nap, snap, map, swap!
Compassion,
I love you with a passion;
On a mission,
With a vision,
The romance of life!
The joy of peace,
The aroma of nature,
The fragrance of righteous laws;
Here on earth to do my best.

Edward Kofi Louis
Lapard

The road ahead of me is my target!
But, the wicked are wicked first;
So, i have to watch my steps along this path,
For, i want to meet Lapard my lover at the end of the road.

Edward Kofi Louis
Lara

Try to hold your naked breasts because,
I am the invisible man sitting next to you;
And these are the very objects being thrown to men.

I am very calm and easy to say my name,
Because these are the objects being thrown to me;
But the guiltiness of the guilt shall be upon his or her head.

From Ur to Rome and from Europe to Africa!
I am very calm and easy to say my name;
For the righteousness of the righteous shall be upon his or her head.

It is time for me to lead the way,
And it is time for you to learn from me;
For i do write from my experiences,
And like the muse of your love wide exposed to Lara.

Edward Kofi Louis
Larbi

You are now reduced to formless rubbles and,
I have my homeland to defend as at now;
But, you and i were meant to be on this love.

My love to you was like,
The Ottomann Empire to the present Empire in England;
But, who now controls the central powers?

Beach side blues! !
To eat to their full and to swim along with joy;
But the encyclopaedia of things are now about to take course.

Everybody needs to discover the method of solving a problem,
Because, the rain falls on eveybody's head!
But, this love is now acclimatized to reveal secrets.

From your own instincts,
From your own works,
Oh Larbi my lover! !
For, i have the inertial navigational system of my love on you.

Edward Kofi Louis
Lard

Lard, day, lay, ray, lad;
Silent,
After 6 years!
Life,
Interval,
Eating the right thing.

Lent, silent!
After 6 years;
With the muse of life and,
To be on your guard.
Muse, use!
To overcome the odds of life;
And, to be far away from the pleasures of this world.

Love,
With the breath of life;
Salt, as, at, sat!
Silent,
With the muse of salt in your body.
Love,
Taking in the natural slat;
And, to educate your mind with the muse of peace.

Edward Kofi Louis
Lardi

Lardi, lad, Lard, aid, rid, air;
Life!
You've opened up lust and lies in the land of your muse;
And, you've brewed your mind with iniquity! !
So, how can you live a better life today?
With all the wars that you've created.

Edward Kofi Louis
Lardy

Lardy, lady, Lard, day, ray, lay, lad;
With the brilliance of your vision!
Well documented in the literature of your sweet love,
And, with the real asset of your peace.

Perceptions!
Reputable;
Sources!
With the circumstances leading to the assessments of your muse.

Life,
To make goals and to solve problems;
Reaching out for peace than, with the muse of war!
Which helps Satan to be on top always.

Edward Kofi Louis
Laredo

Laredo, lead, led, lad, do, doe, doer, read, deal, dare!
With the voices of life around you today,
And, with the green eyes of joy!
Uncer the muse of the laws in the land.

Laredo, red, dear, road, rode, rod, Dora, Leo, ear, era!
With the works of peace and,
With the words of the truth;
Seen with the blue eyes of love.

Edward Kofi Louis
Large Enough

Never give up in this life even if you fall,
But expand your mind to rule over your dreams by putting things right;
And extend your love around the world with care.

Astray on the road but,
Don't have any sexual relations with any kind of animals!
But settle down in the land of peace and joy and do your trading,
For your vision is very large enough to carry you on.

Edward Kofi Louis
Large Fish

You don't know ther rules and,
You need someone to teach you;
But, blessed are those who have not seen it and yet believe in it,
For, at the Black Sea i will meet my lover!
And like a net full of large fish.

White, hit, wet!
Like a net full of large fish;
Black, lack, back!
Let someone teach you the rules;
For, blessed are those who have not seen it and yet believe in it.

Edward Kofi Louis
Larry

How is your life path calculated on my love?
For you have a monument to honour your name;
But, I am Larry in the depths of the sea!

Edward Kofi Louis
Larry  2

Larry,
To marry Mary;
To carry along your works,
With the status of your age.

Edward Kofi Louis
A record deal,
The deal of your love;
Which includes the acts of your ways,
But i am Larsen the freelance journalist around you.
Aspiring,
Substantive,
A class of itself,
Clearly,
And to travel with you;
But this deal is all about your love.

Edward Kofi Louis
Laryea

Get away from this congregation for,
They are ful of sins;
And let Yahweh lead you at all times.

She who is called Yerushah is your lover,
But try to be wiser enough!
And of the whistlings for the flocks like,
Soccer bringing us all together.

Living in townships,
The phisicians embalmed Israyl;
But, do visit the romantic State of Paris to learn more like,
A nomad living on the Savannah of love.

Edward Kofi Louis
Larzon

To learn something,
To know something,
To write something,
To teach something;
And, to love somebody like you!
In front and behind the mirror;
However, i am Larzon waiting for you.

Edward Kofi Louis
Rashes,
Crashes,
Lashes from the whip;
Ashes, clashes!
Tray,
Stray,
Betray! !
Astray;
With the works of your hands.

Edward Kofi Louis
Lasisi

Self-esteem,
Noman can tame a tiger into a kitten by stroking it;
Self-esteem,
Show a child how to fish than how to eat fish;
And this is another message from Lasisi,
So why terminate your pregnancy?!

You were impregnated by a man but now,
You've aborted it and still walking around with other men;
But this is like another message from Lasisi,
Because you can't get rid of poverty by giving people money!
Tap them from their talents and help them from there,
For it is better to know how to fish than how to eat fish always.

We are destroyed by the destroyer and attacked by the attacker!
But one witness is not enough to convict a man accused of a crime;
So learn to do the right thing always and try to fish out for yourself.

Edward Kofi Louis
Lassisi

On the move at 3 A.M.!
And, at 6 A.M. with a quick bath;
However, it was like an urgent fee to pay.

Ho-la-la! 
Departments of heretics and schismatic;
But, keep the sheet clean without any stain.

All work and no play makes Jack a dull boy!
But, all play and no work puts jack into trouble;
For, i am Lassisi from 'Bunkpurugu'! 
And, i have a message for you my dear one.

Hard to ignore and slow to notice,
And of the admirations of beauty and harmony;
But, with the puzzling facts to win your love,
And like joy in the City of Truth!

Edward Kofi Louis
Last Great Day

Mast, cast!
Past,
Last Great Day;
Stay, bay, say!
Astray,
Not to stray away,
Last Great Day.
Way, pay, pray, ray!
Not to go away from the truth;
Always with the faith,
Last Great Day! 
Working towards your Salvation.

Edward Kofi Louis
Last Night

I still remember what you gave me last night,
Of your sweet love of blues;
I still remember what we shared together last night,
Of the sweet river from your juice;
You are so sweet and lovely,
And my heart will always yearn for you.

Edward Kofi Louis
Last Night

Light,
Bright! !
Right,
Last night;
Delight,
With the insight of nature.

Edward Kofi Louis
**Last Night  Ii**

Last night,
In, innings!
Reaping plentiful;
With the muse of love.

Have, gave!
To eat the fat of the land and,
To eat the fat of your sweet love;
And like a doe set free.

Edward Kofi Louis
Laswell

To prove or to disprove a point,
To love or not to love;
But life is all about the muse that it brings,
So come to me with a sound mind and a sound sight.

Of the real events of the love that we share,
And of the importance on this love to grow with us;
Laswell, come and surrender your love to me.

Edward Kofi Louis
Late Night Love

Late night love,
Your muse opened up to me and i entered!
But this sweet memories of you will always be on my mind,
Because you are all that it takes! !

Edward Kofi Louis
Late, Desolate!

Late, desolate!
So confused with your mind;
Because, illegal lust is the way of your life.

Aids! !
Caused by the acts of illegal sex;
Yes, with fornication, adultery, bestiality and sodomy.

Illegal lust!
Going against the laws;
As mankind fails to live by the Commandments.

Edward Kofi Louis
Lateness

Lateness!
This attitude;
It is in their family,
And you can't do anything about it! !
To change him or her.

Edward Kofi Louis
Lateness To School

Sending!
Lateness to school;
Affected,
Afraid!
According to her,
According to him,
According to you;
In the three regions of the north.
Deadly revenge!
The convict;
The situation is very bad!
Age groups,
Sources, resources!
Dealing with the issue at hand;
Effective policing of the court.
Fused, confused!
Middle school,
Primary school,
Lateness to school;
Stated, devastated!
Peaceful solution;
Tar, target!
The dot made the difference;
Between the lines.
Get, target!
But, a lot of kids need a lot of guidance.

Edward Kofi Louis
Lathe

The first call came from you to strengthen my soul,
And this tells me how much that you love me;
But to meet your muse is like the meat in my soup.

An ion from an iron,
And to hear your call is like to be here together with me;
But to see your muse afar is like the sea near my house,
For the waste has now reached to the waist of my neighbour!

A tin from a teen is like the Code Number 211!
But Lathe was there to save you;
For you were lost in the land of your muse,
And like the signal of the call from your love! !
But, will a nation be born at once? !

Edward Kofi Louis
Latika

Figurative extensins,
I have my mind on the money!
And in a curious day i will be with these particular things.

Aim towards success and come to me for love,
For your circular acts cannot be accounted for;
And like using someone who belongs to your neighbour.

Latika,
A rationed rhyme is along the failures of life;
But the poetic nature of things is like one's status-quo,
So be very strong to move positively with your mind always.

Edward Kofi Louis
Latter, Later!

His main role,
Her main, role,
Declared!
At the emir's palace.

Fence, defence!
With several factors;
Man, spokesman!
With vital information;
But, let the truth lead the way.

Latter, later!
With latter rains later in the year;
Coordinating the efforts of your muse,
Like tricycles on your streets.

Edward Kofi Louis
Laughter

Laughter, tag, hat, hut, later, gate,
aught, let, late, rate, tar, rat, hag, hug, gel;
But a bribe corrupts the heart!
And the wise people around will always do the right thing.

Laughter, laugh, tear, hear, gear, the, eat, at, ear, era, tea, her, he, ate, get;
Arise with your positive mind and let your love crown the day!
For this earth needs peace than war.

Edward Kofi Louis
Laura

There is no partiality in the eyes of the Creator and,
I totally love you;
For we are the beauty pair around this area.

Laura, of the breath of love that carried the nervous laughter;
But, i am here to stay on your love.

I am alive today because of you!
And i will live my life with you forever.

Edward Kofi Louis
Laurent

I am Laurent from Africa,
And i do have a message for you;
Because, the wind of your love had just touched my heart!
So, try to go a little further for me to understand you better.

To learn about your muse and to go a little further,
And like hamburgers from Hamburg! !
But the excitement of your muse of love is like,
The psychodrama and the time of symmetry;
But, your honey is dripping down from the leaves like red apples!

I live in Africa and i am here for you,
And, i am ready to feed your ducks as well;
Because, the wind of your sweet love have just touched my heart!
But, try to go a little further for me to understand you better.

Edward Kofi Louis
Lauryn

Riches and power,
Rivers and snakes!
And the filthiness of fornication;
But the world loves what is wrong always,
And like the muse of Lauryn that opened your eyes.

Edward Kofi Louis
Law Keepers

Law keepers,
Peace keepers,
Following the muse of the truth;
With righteous works,
For the unity of the earth.

Edward Kofi Louis
Law School

Raw! !
Law School;
Who saw the righteous teacher? !
Teaching the truth,
Than fake preachers.
Law School,
We need Righteous Laws than fake laws! !
Laws to unite the people than,
To divide them.

Edward Kofi Louis
Law, Lawn, Claws!

Careful,
Cheerful,
Sharp, harp!
Odds of life,
With crooked ways;
Life is not always straight! 
Shake,
Sake,
Law, lawn, claws!
Love grows from the heart.

Edward Kofi Louis
Law, Saw, Raw!

Draw,
Law, saw, raw!
Your bones are now dried up and,
Your hope is lost;
However, wake up to the works of the truth and live!!
Without grudging nor doubting,
Facing the truth with the peace of your mind.

Edward Kofi Louis
Lawale

Winkling your nose in disguise at the smell of its emission,
And to take a scuba dive to save your life;
For your are lost in the quickness of my mind!
Dark storms, dark shrouds, storms of the clouds and voices alike;
Oh Lawale! ! You need the Doctors to save your life,
So try to forget about the stress that you are now going through.

Edward Kofi Louis
Lawer

Out of the ordinary,
For the deprived,
Victims for counselling,
Various communities;
And to establish therapy centres for all!
But Lawer my friend was there to guide them on,
And to offer the necessary support in helping them;
For this war had really destroyed almost everything!  

Edward Kofi Louis
Lawful And Right

Life,
Do that which is lawful and right;
And live in peace with your neighbours.

Love,
Do that which is lawful and right;
Under the muse of the laws,
And, with mercy to all your neighbours.

Life!
Persecuted but not forsaken;
Because of the truth,
Because of the laws,
Because of your peace,
Because of righteousness,
In the name of true love.

Edward Kofi Louis
Lawgiver

Lawgiver,
Fenced with the truth;
For peace and joy! !
For love and kindness,
For honour and humility,

Edward Kofi Louis
Lawlessness! !
Wickedness,
Iniquity is always working.

Edward Kofi Louis
Laws

Laws were made for Human Beings,
Right from the beginning!
But, we've failled to obey them;
As we destroy the world with war.

Edward Kofi Louis
Laws 2

Statutes! ! These are the laws; take them to your heart and live in peace with your neighbours.

Be careful to obey the laws!
keep the laws diligently to keep you always out of trouble;
Go on with the works of the truth and live.

Positive morals! !
With positive characters;
The mouths of wisdom are the mouths of peace.

Edward Kofi Louis
Laws For Peace

Statutes!
Laws for peace;
Living with the truth,
For the love of the land and,
For the joy of your heart.

Edward Kofi Louis
Lay Down Your Arms

Lay down your arms and don't fight! !
For, true love is better than the bullets of war!

Think and reason up!
For, true love is better than the bullets of war!

So, we need to live in peace than fighting each other!
All in the name of who wants to be first.

Edward Kofi Louis
Lazarus

Lazarus, Ur, as, us;
To fall down! ! !
Too deep in it,
But, we need each other on this earth.

Lack of equality,
It's everywhere! !
It hasn't changed;
Poured out like drink for all to see.

Your own body,
Your own town;
To keep your body very clean,
Thinking of you day and night.

Illusion!
Light,
Sight,
Pathfinder.

Edward Kofi Louis
Lazy Hands

If a man want it,
Let him work very hard for it!
If a woman wants it,
Let her work very hard for it!
For lazy hands will not gain much glory;
And like your muse in the land of peace,
So try to do your best at all times.

Edward Kofi Louis
Lead

Lead,
And let others follow you;
But, in a righteous way.

Edward Kofi Louis
Lead Me On

Lead me on!
Let your love be a light for me;
To show me the way.

Edward Kofi Louis
Lead the change and love my muse,
For your love is now on the rocks! !
But, i am here to guide you on;
For, life is not always smooth.

Edward Kofi Louis
Lead The Way

Be the way and lead the way so that i may follow,
Be my light and put on the light so that i may overcomne the dark,
be my hope and show me your ways so that i may be secured,
Be my help and give your hand so that i may be able to climb up,
be my strength and teach me the righteous things so that i may be straight,
But, as sharp as a knife and as hard as a stone!
Places, laces, aces, faces, races, traces, braces, maces, paces;
And like the Romeo Club and the Juliet Club,
However, be my muse on this love so that i can touch the tips of the higher mountains! !

Edward Kofi Louis

To climb up;
With the muse of the leader!
With the truth,

To lead the people with the truth.

Edward Kofi Louis

With servitude and attitude;
And, with the gratitude of the truth.

Edward Kofi Louis

Always cheating the People they Rule.

Edward Kofi Louis

With the works of the truth and,
With positive morals.

Edward Kofi Louis

Bringing peace and unity to the land.

Edward Kofi Louis
Leading The People

Lust!
Sitting on the seven hills of Rome;
Leading the people of the earth.
Lust!
With evil and jealousy;
But, Rome is going to be burnt down one day.

Lust!
With more devil worshippers around us today;
And, with evil genes leading to the sins of the world.
Lust!
With the worship of the demons;
Of Gods and Goddesses,
And, living without the truth in life.

Lust!
Proud being a murderer;
As seen in your acts.
Culture, torture!
With the weapons of war;
Vulture, structure, puncture!
But, it is very sad that,
Many do have eyes but, they cannot see through the truth.

Edward Kofi Louis

Lust!
With confused minds;
And now, your sins are leading the world to hell.
Illegal lust!
That's the attitude of the world;
Lust!
Your parents did it;
And now, you are doing the same thing today.
Lust!
You're going to have the curses on you;
Mate, climate!
Book, boor, boon, boom, brood, booth, boost, broom;
Gld, lad!

Edward Kofi Louis
Leading To The Land

Address, dress;
Stress, less;
Take it,
Take this,
To share it among others!
The cup,
The same light,
Of this time span,
To serve you,
To be patience,
With your needs,
But, dress appropriately! !
To saddle the donkey,
To be by my monkey,
To have the key,
As a symbol upon your hand;
Work and money!
Butter and honey,
And, leading to the land that flows with milk and honey.

Edward Kofi Louis

Bad people,
Power cuts!
Aspire,

And, it took place in her room twice.
The 4th Empire was the Roman Empire!

With your brain and,
In the Train;
Leading you to the drain like a fool.
Illegal lust!
In plain sight;
Just one man,
Just one woman,
Just one child;
For, the rains are now far away from your land.
It was just,
Just one page;
It was just,
Just one book;
It was just,
Just one bath;
It was just,
Just one room;
It was just,
Just one act;
It was just,
Just one bed;
In your chains and with your pains,
For the rains are now far away from your land.

Edward Kofi Louis
Leben

Es wird hell,
Die ersten Vögel singen;
Der Herr des Hundes,
Die Herrin des Hundes,
Der Hund des Hauses,
Das Haus des Landes,
Wir leben in Häusern auf dem Land.

Innerhalb mit dem Hund zu leben,
Außerhalb mit dem Hund zu spazieren,
Allerdings gibt es Freiheit zu leben.

Im Frühling,
Im Sommer,
Im Herbst,
Im Winter,
Alle Vögel machen mir Spaß.

Einkaufen im Supermarkt,
Einladen zu Kaffee trinken,
Man braucht viele Sachen zum Leben.

Wir leben auf dem Land,
Und haben auch Tiere im Haus;
Man hat auch Recht und Einigkeit im Leben.

Edward Kofi Louis
Leben Gegen Leben

Leben gegen Leben! !
Wie der Vater, so der Sohn;
Wie die Mutter, so die Tochter;
Und wie meine erster Urlaub in deiner Heimat,
Aber keiner ist eine Insel im diesem Leben.

Das Leben ist wie eine lange Reise,
Und wie eine Elektra aus der Steckdose;
Aber die Wahrheit zu zweit ist wie neues Leben,
Mit Frischem Wind und Buschmoder.

Licht aus das Völker!
Aber das neue Leben ist die Zukunft Afrikas! !
Wie ein Land für unsere Zeit,
Dadurch mit unbekümmert Schwänzen;
Aber mit dem Blick aus Afrika!

Die Farben sind so frisch wie die Blumen,
Und jeden kann es zurück nach oben schaffen! !
Egal wie tief eroder sie gestürzt ist;
Aber keiner ist eine Insel im diesem Lebe.

Edward Kofi Louis
Leberle

Leberle, Lee, be, bee, beer!

As we live on earth.

Edward Kofi Louis

Your behaviour,
My behaviour,
With pur behaviours on earth;
For right or wrong,
But, let us seek for the truth always and live in peace.
Edward Kofi Louis
Led By Satan

You've lost your mind because,
You are led by Satan!
And like the act of your lover in the land of darkness;
But try to return to yourself and learn for the better.

Edward Kofi Louis
Led By Satan II

We are living in a sin-infested world led by Satan,
And without the tru teachers around us;
For many are called and few are chosen,
And like the muse of your love on my bed last night.

Edward Kofi Louis
Led In

Led in,
Innocent,
Lost in another world!

Edward Kofi Louis
Led To

Let each man and each woman be married because,
There are many sexual impurities around us!
And these acts have led to many sicknesses.

Edward Kofi Louis

But very peaceful;
On course with my mind.

Edward Kofi Louis

With the presence of peace when,
The right thing is done.

Edward Kofi Louis
Left Behind

Dense vegetation! !
Overgrown,
Lonely,
Left in the jungle,
Left behind,
With rocks around me.

Edward Kofi Louis
'Woe-Man'! And woman came out of man;
'Wo-man', and the child came out of woman;
All from one source to bring out many,
But many are still left far behind!

How can i cry when this world is full of sin?
Like the days of Noah;
Yet stil, many do claim that they are wiser than others.

How can i sing a love song when there are many fools around me?
Yet still, many do claim that they are wiser than others;
But, our ways are like the days of Noah.

One takes a bomb and kills the other,
One steals from another and then he or she is joyful after theft!
Yes, many love the taste of sin and,
We are all living like in the days of Noah.

'Woe-Man'!! ! Woe to man with his many sins;
For we are left far behind from the truth.

Edward Kofi Louis
Left With Her Two Daughters

Life,
Her husband died and, she was left with her two daughters;
Dwelling in beautiful places!
In the tents of peace and love.

Edward Kofi Louis
Left With Her Two Sons

Her husband died and,
She was left with her two sons;
In her native land,
Taking care of her children,
Diligent to speak the words of the truth.

Edward Kofi Louis
Leg, Legend!

Leg, legend!
With my muse,
With my works,
With my mind,
With my words,
With my soul! !
Body,
Inner self.

Legend, end!
Facing life with my mind,
Along the lines of peace and love;
Caring for the people around me,
Humility and kindness! !
And to serve all minkind with the joy of my heart.

Edward Kofi Louis
Leg, Log!

Leg, log!
I went there,
I went in there;
But, i couldn't find what i was looking for.

Edward Kofi Louis
Legacy

The X-Factor and the Y-Factor,
Take it easy to meet my love;
For i was brought here as a slave,
So, be very gentle on me.

Babylon is gone and it is now with,
The X-faxtor and the Y-Facotr! !
But, the legacy of my muse should be seasoned with your love.

Edward Kofi Louis
Legal

If it is legal
Marry him;

If it is legal,
Marry her;

Peoples and laguages!
We all came from one source;

Share in love and care for life,
With the romance of nature.

Edward Kofi Louis
Legal Affairs

Legal Affairs,
Love,
Care,
Peace;
And like a nation's educational system, health care, transportation, communication and agriculture!
But to be certain with the style of your constitutional democracy is like,
A woman with child! !
So, do not let your prophets and your diviners deceive you.

Edward Kofi Louis
Legend Of The Sword

World,
Word,
Legend of the sword! !
End,
Send,
Bend,
Acts of life!
Works of mankind,
Facing the odds.

Edward Kofi Louis
Legislation

Legislation,
Red Wine and Beer!
Read page 685 of your love book and come to me;
For i have a new style to share with you,
And like a pure strain of true love in the land of red roses.

Edward Kofi Louis
Lego

Lego, leg, go, log, Leo!
Gratitude,
Attitude,
Servitude,
Sent, went!
Aptitude,
Longitude,
Slitude,
Wheels, feels!
With the things seen around us today.

Edward Kofi Louis
Legumes

Sephardic Jews,
Ashkenazi Jews,
Legumes;
Of this Common Era to expose my love to you,
But the 'Jewish Book of Why' is all that you have.

Edward Kofi Louis
Leila

To be made richer by your wealth,
Like the conclave of presbyters in a room;
Beautiful lady Leila,
Be on your guard so that no man deceives you;
Wait until you get married.

Edward Kofi Louis
Leli

She does not eat 'fufu',
But they do;
He does not ride a bicycle,
But they do;
And now the pot is calling the kelle black,
For sex and drugs have eaten my people in the land of peace!
This world is being eaten up gradually with negativities,
Oh earth, wind and fire! 
But Leli is here to guide me on;
And like love, peace and care in the sweet land of beauty.

Edward Kofi Louis
Lelwala

Do not touch her because she's a man's wife,
Do not sleep with her because she's a man's wife,
And the promised seed is with her!
But Lelwala sat quietly waiting for her.

Edward Kofi Louis
Lemo

To be rejected,
It has to come to pass as it was written;
To engrave,
It will come to pass as it was written;
But your friend is called Lemo!
And this story is like the muse of your love hidden from the masses.

Edward Kofi Louis
Lemons and apples,
Come and show me your love;
For the rains have set in,
And i have no shelter on my head! !
But, with you, i will be very safe.

Edward Kofi Louis
Lend, End!

Grain, rain!
Pray, ray;
Brain, rain!
Play, lay;
Lend, end!
Land, and;
Swell, well!
Tall, all;
Dwell, well!
Pill, ill;
Speak, peak!
Small, mall;
Wall, all!
Pall, pal;
Sword, word!
Clock, lock.

Edward Kofi Louis
Lengthen, Strengthen!

The covenant of peace,
The mercy of life,
The kindness of love,
Lengthen, strengthen!
With the muse of your mind;
And, the joy of your heart.
Love,
Like the windows of rubies!
And the gates of crystals;
With the aroma of joy!
Which leads to the walls of precious stones.

Edward Kofi Louis
Let us talk about you and i on this love,
For you are the shadows of the things to write about;
And, where will your mind be when the rain drops?

Open bruises and open wound,
And to kick the ball into the net;
But, what else can i say about you?

I am Lennox and i am your past,
For yesterday's lady was you;
And i am now smiling with success as my fiend today.

There is a difference between a hole and a stick,
And you've now taken your own decision on this love;
But for once, i was the ball-boy for you.

Edward Kofi Louis
Lent, Silent!

Call-boys!
Call-girls;
Without honest words,
On the streets.

Lent, silent!
In the dark;
Active with your business,
On the streets.

The whole saga!
The whole story,
Day break Africa! 
But, after sixteen clear days,
The news came out.

Call-boys!
Call-girls;
Like awild goose chase,
In this town.

Edward Kofi Louis
Leona

Leona, Leon, lone, one, on, Leo, lean, lane, an, no, Noel!
With your dancing steps! !
With the muse of the music in your blood;
And, the charm of your personality.

Edward Kofi Louis
Leonard

One life and one peace,
One love and one heart,
And of one's care and one's muse;
Let us all feel alright by loving each other,
For i am Leonard who is looking for your love!

Edward Kofi Louis
Leopozzi

Nakedness i came and, nakedness i will go;
But, why do i see many naked-fashions around me today?
The wise will always cover their bodies as compared to the foolish ones;
For, they also carry this naked-fashions into the church-rooms.
To err is human! ! But, to know is better;
So, awake from your slumber before you are corrected by the plumber.
News Break! ! A former U.S. Boxing Champion was once asked,
How many children he has; then he said: 'One boy and seven mistakes'.
Oh yes! Many are our mistakes on this earth! !
But, we then turn to think that, we are doing the bes;
However, we have to live and to learn from our mistakes.
Awake from your slumber and be very wise oh my friend Leopozzi! !
For, it is time for us to dress properly than exposing our nakedness to the public.

Edward Kofi Louis
Sweet candy and sweet love,
Ride on my love and let me take you to paradise!
Oh my sweet Leroise,
A matured person wants to love you;
And it is better for you to fly high on this love.

You are the dancer's delight and,
I can stand in the rain to wait for your sweet love;
For i am the matured person who wants to love you.

I can stand in the cold for this love and,
To have you in focus all day long!
So just laugh and let your sickness go away.

This love is all about you in the forest and,
This poem is for someone like you;
So come and ride high with me into paradise.

Edward Kofi Louis
Lesbos, so, lobe!
With a question on Refugees! !
Sending them back from Greece to Turkey.

Edward Kofi Louis
Leslie

While you were at sea,
I was along the shores of love waiting for you;
For i am Leslie with washed hands on this love!
And today i am going to offer you a very unique opportunity for free,
For i have laid down my bed of love waiting for you;
And like the muse of your sweet love on the high sea.

Edward Kofi Louis
Less Than Human

Rape makes you less than human!
So, do not rape anyone at all;
For, there are rules on this earth.
Tow, undertow!
Like the undermining mission of the cabal;
However, the mouse will play when, the cat is away.

Cheat no one and do the right thing,
Thing, thin!
The raping of women;
Murder, under!
Rape makes you less than human;
Rape, rapist!
Stop raping the women.

Edward Kofi Louis
I am the chapter sitting next to you,
And i am your lover unnoticed;
I want to marry you for the sake of of love.
I will take you to the land of rice,
I will take you to the land of flies,
I will take you to the land of bulls,
I will take you to the land of wolves,
I will take you to the land of wine;
Life is like a fat lady with more breasts to see.

In this life,
I have swallowed lots of bitter pills;
And i have learnt my lessons well.
I will take you to the land of sheep,
I will take you to the land of teachers,
I will take you to the land of music,
I will take you to the land of rainbows,
I will take you to the land of students;
Life is like a slim lady with no breasts to see.

I've got my mind on you but,
You have somebody else in mind;
So clap your hands for joy!
If only if you are okay over there.
Life is like that and,
Your sister should have waited for us to get a boy;
But, they rushed in so quickly!
What they have now is a girl.
Lessons for all to learn,
Lessons from the bitter pills of my life;
Clap your hands for joy if you are okay in life.

Edward Kofi Louis
Lessons 2

Lessons,
To be taught;
With the works of the truth,
By righteous people.

Edward Kofi Louis

Growing up to face the world,
But Let it be with the acts of the truth!

For peace and love,
With positive morals.

Mankind! !
Let us learn from the works of the truth;

And live in peace,
With our neighbours! !

Without hatred and war,
Without hurting our neighbours.

Edward Kofi Louis

Plot!
Lot,
Slot;
With the muse of the pot.

Edward Kofi Louis
Let Her Give Birth

If she is pregnant,
Let her give birth;
For i am the man in her mirror,
And i know what she is going through.

Edward Kofi Louis
Let It Be

Everything in my heart is for you,
Everything in my soul is for you,
Everything that i am is for you;
Let it be in the name of love and,
Just walk straight to me.
My sweet lady,
This true love is for you to share with;
It is coming straight from my heart.
I was made for you and you are mine,
Walk straight to my heart my sweet one;
And love me all day long to fulfil this dream.

Where will you be without love?
Where will you be without me?
Just walk straight to my heart.
You are the love of my eyes,
You are the tree of my hope,
Walk straight to me and let it be;
My sweet and beautiful lady,
Walk straight to me and let it be.
True love has no boundaries,
Just walk straight to me and let it be;
Everything that i am is for you my sweet one.

Edward Kofi Louis

The joy of the earth;

Let it be,

Knowing the ways of the truth and,
Moving along with positive morals;

Safety! ! !

And, your foot will not stumble;
For, your sleep will be sweet! !
Because of the love of your heart.

Edward Kofi Louis
Let It Drop

You were married at eighteen and,
You had your first child at nineteen;
But you were divorced at twenty!
So try to learn from your mistakes in this world.

Let it dry on me and let me learn from your mistakes,
With interactions and experiences to guide me on;
For it is the passionate love of nature tha draws me to you,
And like what occurred to you in those days.

Genetic disposition,
The first was like a lion!
But i am here to heed to your demand,
And like a quality sounds-system playing love tunes.

There are twelve hours with the daylight,
But you were married earlier and divorced earlier too!
So take a graphic details about your past and,
Learn more from your pelvic exercises.

Let it dropp and let me learn,
For the Golden Stool is a symbol of deity;
But this early divorce should rather teach you for the better,
For you are still young.

Edward Kofi Louis
Let It Fly

Let it go! !
Let it roll over the world;
Let it flow,

For the people to know who you are;

And i will go down there in the rain together with you.

Edward Kofi Louis
Let It Rain  2

Pain! !
In chain;
But, let it rain!
To touch me and to train my mind,
Not like Cain who killed Abel;
But, to gain the muse of wisdom in my pain.

Edward Kofi Louis
Let It Rain On Me

Rain! !
Let it rain on me;
Because, i've been so long in life on this journey,
Trying to locate your house.
Valour!
Flavour,
Favour,
Made known along the line;
Responded with the muse of love,
And, sharing a table together with peace.
Life!
Still on this journey;
So, let it rain on me! !
To cover every area of my path.

Edward Kofi Louis
Let It Rain On Me 2

The sons of men,
The daughters of women,
On the planet called earth;
But, let us live with the truth always,
For the peace of the earth.
Righteousness! !
Let the muse of the truth rain on me;
To teach and lead me along the paths of joy.
Let it rain on me!
Learning the ways of life with positive moral teachings;
Under the eyes of the law.

Edward Kofi Louis

Let it rain over and let it water my garden of love,
Because i want to be wet all over in the rain!
For joy is it when i am with you my love,
And glad it is when i am wet all over.

With peace and love,
With kindness and joy! !
Than hatred and war.

Edward Kofi Louis
Let It Shine!

Sine, shine!
African beauty,
With the ways of life.
Nature,
Alone in the forest with you;
The forest of love.
Birds! !
Business time,
Love,
Way to ecstasy;
So, let it shine!
And, let me hear your voice like,
The way you do hear mine.
To communicate in another level,
With the muse of love;

Love!
Let it walk among you than hate;
Love!
To set it and,
To let is satisfy you.

A traingle,
A circle;

With the peace of the mind;
Love!
It had been fortified.

Edward Kofi Louis
Let It Work In You

Let it work in you,
Let it flow in you,
Let it stay in you;
Then, kindness will be part of you!
For, the whole world is now asleep.

Edward Kofi Louis
Let Love Arise!

The words of my mouth,
Love!
The teachings of my mind,
Peace!
And, i am ready to care for you all;
On this earth.
Learn and know the rulers of darkness!
On this earth;
Learn and know the truth,
Of the Laws of the Creator! !
In the heavens;
And, let love rise up to touch all in this world than,
The bullets of war!

Edward Kofi Louis
Let Many Run To And Fro

I love you and,
I want you to know;
So, if you don't know me by now,
When will you know me?
Muse,
The epic of love! !
And, i love you so much.

Edward Kofi Louis
Let Me Give Her Hope

Can i give her hope? !
Yes, i can;
So, let me give her hope to move on in life,
And, for the peace of nature!
With the romance of the laws.

Edward Kofi Louis
Let Me Go Home

I want to go home after this incident,
So let me go home.
Nike, like, dike, pike, bike, hike, mike;
And like the clouds of mercy across the horizon,
But with many roses in the land of my muse!

Whatever,
Whenever,
Wherever;
The surface of the deep is now frozen,
So let me go home.

Edward Kofi Louis
Let Me Go To Her

Let me go to her for,
I am the unique one on her love tonight;
And like the roar of the seas,
I am like a tree which is known by its fruits.

Edward Kofi Louis
Let Me Guide You

I have heard the truth and I have seen your love towards me;
So take things very easy and, learn the laws in this town.

Let me guide you on this love!
Like a teacher in the classroom or, a fisherman at sea;

I will open my mouth in a parable,
Like nurses in the hospitals and, farmers on the fields,

Because I love you and,
I will do anything to satisfy you.

Edward Kofi Louis
Let Me Hear Your Voice

Who are you?
Where are you?
Let me hear your voice,
Let me know who you are;

Because my heart is lonely.

Things are really bad with you!
After the fall;
So, let me help you,
To get up once again.

Come and let me nourish you with my sweet love.

Edward Kofi Louis
Let Me Plead With You

Let me plead with you,

Come, and let me share my love with you;
And, let me take you around the world so that you do not become loneliness.

For this life needs the positive values of the muse of love and,
I have enough to share with you in my humble abode of peace and care.

Edward Kofi Louis

With the beauty of life and,
The beauty of your works.

Edward Kofi Louis

And like the exodus of your sentiments in the world of hate,
But the revelation of my romance will lead you on.

Of a proverb of your past and of your nakedness,
Of the Psalms of my joy and the peace of my mind!
But, come to me with your lamentations when you have no hope;
And let me teach you how to find a perfect way in the bush.

Edward Kofi Louis
Let Me Understand Your Muse

Fired tear gas! 
With hot sprayed water to break up the large crowd; 
But present your petitions and let me understand your muse, 
And like a teen's first love.

Edward Kofi Louis
Let Me Welcome You

Seek me and you will find me,
Ask of me and your will love me,
But write and me welcome you to my abode;
For the muse of love is all around us.

In the school of Tyrammus,
They spoke in languages and prophesied;
And with wandering exorcists to meet my muse,
But let me welcome you to my abode.

Identify yourself and let me know who you are,
For you've practised the same trade with her!
But my eloquent man is needed here tonight on this love.

Edward Kofi Louis
Let My Voice Be Heard

Life!
Cured by love;
Life!
Mankind Looks ofr the fruits of nature;
Life!
Let my voice be heard;
And, let there be peace among us.

Voice, ice!
Love and care for me and you;
So, let me be the one to lead you on,
Along the muse of righteous life.
Choice, ice!
With the respect of nature;
Clone, lone, one!
But, let there be peace among us on this earth.

Love!
There will be nobody like you;
Life!
With the sweet muse of nature;
But, let there be peace and joy among us.
Love!
If you want to feel it,
Come a little bit closer

Edward Kofi Louis
Let No Man Deceive You

The rabbit is unclean to you,
And the pig is unclean to you!
Neither shall you defile yourselves with any creature that moves about on the ground;
So come out from among them and be separated,
And do not touch unclean things.

Consecrate yourselves in the land of the living with peace and love,
And let no man deceive you by letting you think otherwise;
For it is shameful to speak of those things which are done by them in secret!

The unfaithful works of the darkness are like,
Those who eat swine's flesh;
But let no man deceive you with vain words,
For sexual vice or impurity is also seen around them.

Edward Kofi Louis
Let No One Harm Me

Life, love, peace and joy!
Let those who benefit from me not harm me.

The society,
My visitors;
Let no one harm me.

Edward Kofi Louis
Let Righteousness Arise

Laughter is like the smile of the sun!

The truth is like a bee bringing honey to you,

Hatred is like the lion eating up your children! !

Love is like the songs of the stars up high;

Peace is like the calmness of the sea,

Joy is like the beauty of nature,

Kindness is like the tranquility of life,

Positive works bring light to the World! ! !

However, war is like a fight between the lion and the tiger;

Right or wrong,

Living on earth;

However, let righteousness arise! !

To bring us peace than war.

Edward Kofi Louis
Let The Earth Be Released

The trunk of a tree,
Let the earth be released! !
And, let the skies pour down righteousness;
Treasures of darkness! !
Riches of the secret places;
Year by year,
With the coming out from the veil.

Edward Kofi Louis
Let The Earth Enjoy Peace

Evil rules whenever righteousness is taken away!
But, walk in uprightness and seek for peace always!
Hurt no one;
Let the earth enjoy peace! !
Than war.

Edward Kofi Louis
Let The Earth Rejoice

Let the earth rejoice!
For the works of the truth;
Peace and love,
Needed than hatred and war.

Rejoice! !
Seek for the truth always and live in peace with your neighbours;
Do not hurt anyone.

Edward Kofi Louis
Let The Land Be Watered

Farming,
Rain!
Let the land be watered.

Edward Kofi Louis
Let The Laws Be Your Teacher

Desire!
With the muse of the laws;
Learning the ways of peace, unity and love.
Gallop, wallop!
With the actions of your works and,
With the muse of your love;
But, desire peace and live.
Desire!
With open hearts and minds;
Obeying the truth only.
Love!
Very powerful with your mind;
But, let the laws be your teacher.

Edward Kofi Louis
Let The Laws Change Your Heart

Life, love, peace!
Let the laws change your heart;
And, live in peace with your neighbours,
Without the weapons of war.

Do not hate anyone,
Do not fight anyone,
Do not kidnap anyone,
Do not kill anyone;
But, let is all live in peace!
As the Creator wanted it from us.

The muse of life!
On the same pathway,
With the muse of the laws;
In unity and, with the compassion of true love.

Life, love, peace!
What is true is laways true;
For, it touches the hearts in various ways,
And, with servitude and attitude.

The value of quality,
The muse of love,
The price of war!
The muse of nature;
But, let the laws change the heart! 
And, live in peace with your neighbours.

Edward Kofi Louis
Let The Rainbow Appear!

Let it rain on me,
Let sun shine on me,
And, let the rainbow appear!

Edward Kofi Louis
Let The Truth Arise!

Let the lying mouths be put to silence,
And let the truth arise!
With love,
With care,
Comforting the souls of mankind;
True love,
Tender love,
With compassion,
With the passion of life!
With the muse of the truth,
Righteous morals,
Positive ways,
Bountifulness.

Edward Kofi Louis
Let The Truth Be Heard!

Life,
Let the truth be heard!
To lead the way,
To guide the people with righteous laws.

Edward Kofi Louis
Let The Truth Be Your Friend

Let the truth guide you on,
Let the truth be your friend;
Uphold the truth always! !
Without hurting your neighbours;
Yes! The world needs peace than, hatred and war.

Edward Kofi Louis
Let The Truth Humble You

Do what is right always and, let the truth humble you;
Following after the laws.

The muse of love,
Let the truth humble you and, teach you how to do the right things always;
Obeying the rules of every positive thing for your safety in life.

Love!
As a sweet smelling aroma of life;
Living in peace,
With the rules of the land.

Edward Kofi Louis
Let The Truth In

Let the truth in!
To show you how to live;
With love and kindness than,
Hatred and war.

Edward Kofi Louis
Let The Truth Lead You Always

Many false prophets have gone out into the world!
So, test the Spirits and see whether they are of Yahweh;
For, the truth is always right and,
It is bitter those who do not want kit.
Bite, bitter! !
But, true love holds the success of love;
So, let the truth lead you always in this life.

Edward Kofi Louis
Let The Truth Set You Free

The muse of life!
Be free from the gods and goddesses and live;
Let the truth set your free.

Edward Kofi Louis
Let The Truth Sustain You

Souls of peace,
Souls of love,
Smooth as butter in the land of joy!
Let the truth sustain you.

Edward Kofi Louis
Let The Truth Watch Over You

Course,
Cause,
Discourse;
But, let the truth watch over you and,
Live in peace with your neighbours.

The lamp of love!
To shine upon your head;
Let the truth watch over you and,
Live in peace with your neighbours.

Edward Kofi Louis
Let There Be Light!

Let there be light!
And, let righteousness overcome darkness.

Edward Kofi Louis
Let There Be Peace

My self,
Yourself,
Himself,
Herself;
With ourselves in this world to take a stand,
But, let true love be the key to life!
Let the foundations of life be with the truth;
And, let there be peace among you and your neighbours.

Edward Kofi Louis
Let There Be Peace Among Us

Teacher!
Teach well;
Teach your students the truth,
The truth about life with your works.

Preacher!
Preach well;
To reach out to all with the muse of the truth,
For righteous works in the land.

Let there be peace among us! !
For unity and joy;
With true love than, hatred and war! !
Which destroy the land.

Edward Kofi Louis
Let There Be Peace Ii

Clean your heart with love and,
Live in peace with all mankind;

Clean your mind with the truth and,
Let there be peace on this earth!

Commission,
The constitution;

On the platform!
With the words of wisdom;

Like the muse of trees and the fruits of love,
Under the eyes of the laws.

Edward Kofi Louis
Let This Imagery Speak

Let this imagery speak!
To the peak,
To leak the news,
Without a break.

Yesterday! !
Memories;
Like stairs in the forest,
But, let this imagery speak.

Train,
Certain! !
Rain,
With the chain of life;
But, let this imagery speak to the sounds of nature.

Unspoiled beauty,
Your colours run deep! ! !
Like a quiet afternoon;
In a trance,
Seeing flamingoes dancing in paradise

Edward Kofi Louis
Let Us All Hope And Pray For Her

The old lady,
Bedridden;
Seriously sick!
But, why should she suffer like this?
Let us all hope and pray for her;
Because, she is our mother and,
She took care of us in her poverty.

Edward Kofi Louis
Let Us Be Friends

How can you be sitting there and, tell me that your care?!

Please, let us be friends than intimate lovers;

Glad and kind to all mankind,

To see us together as friends than intimate lovers.

I still love you,

And, i know that you do love me as well;

So, let the past melt away so easily like ice cream.

Let us enhance the status-quo of each other!

Today is now and, tomorrow is unknown;

Yes, the future!!

But, i will always make your glad,

With the works of the truth.

Let us be friends,

And, don't misunderstand my status in times like this;

Think about those days!

Wake up;

With sincerity and true love.

Think about it now with a smiling face!

For, that's how best friends are;

Let us be friends than intimate lovers.
Edward Kofi Louis
Let Us Be Friends  2

Let us be friends!
Love and peace;
Let us save the world! !
With servitude and attitude.

Edward Kofi Louis
Let Us Choose

Let us choose for ourselves what is just,
For i am drinking mockery like water!
And she has remained silence on this love.

Edward Kofi Louis
Let Us Face The Laws

It is the will of the Father!
Who is in Heaven;
So, let us face the laws,
The righteous laws! !
And live.

Edward Kofi Louis
Let Us Go Backwards

Lesbians and homosexuals,
Come to Ghana and you will meet them;
And, go out of Ghana and, you will meet them as well!
But, have we forgotten about the pages of history? ! !
Then, let us go backwards to the days of Sodom and Gomorrah;
And read about what they did! ! !
And of the punishments thereafter from the Creator;
For, the truth is written plainly for us to understand.

Edward Kofi Louis
Let Us Hurry

Take me away with your sweet love and,
Let us hurry to your bed of roses;
Kiss me with the kisses of your mouth and,
Let me melt in your sweet arms;
For your love is better than the sweet wine beside me,
And i am ready to share my life on this love with you.

Edward Kofi Louis
Let Us Learn And Move On

Love!
Where are you?
Love!
Coming in from another world;
Life!
Everyone makes a mistake;
So, let us learn and move on.

Your muse!
Unknown to me;
But, what is more important than your family?

Life!
You are married and, i am in love;
Muse!
With the truth;
But, everyone has a stand in this life.

Love!
To hit the nail on the head;
Hit, heat!
With the muse of your sweet love;
But, let us learn and move on.

Edward Kofi Louis
Let Us Live In Unity With All

Who is now with the gun?!
Try to live in peace and love with all around you;
We need peace than war!
We need love than war!
We need unity than war!
So, drop your guns and let us live in unity with all;
For, I am very pleased to know your name.
Please, pleased!
To have no more war;
And, to share with one another in the land of joy.

Edward Kofi Louis
Let Us Meet

You need a man and,
I need a woman;
So, let us meet!
Together,
Trying to share our minds.

Edward Kofi Louis
Let Us Play Together

I am a singer but not a dancer,
You are a dancer but not a singer,
So come and let us play together;
For love is all that is missing here!

Edward Kofi Louis
Let Us Protect It

The Earth,
For you and i;
Let us protect it.

Edward Kofi Louis
Let Us Respect Each Other

A black girl,
A white girl,
A black boy,
A white boy,
And all in the name of creation to crown the world with colours!
So, let us respect each other and live in peace.

Edward Kofi Louis
Let Us Respect The Colours

You didn't create yourself and,
I didn't create myself either;
So, let us respect the colours in which the Creator made us!
And, let us live in peace, love and unity with each other than war.

Edward Kofi Louis
Let Us Share It

I love it!
You love it;
So, let us share it and,
Accept it.

Edward Kofi Louis
Let Us Stay Together

Come!
To the land that I will show you;

Your appearance,
I know that you are a beautiful woman;

Come and prove your love to me,
Let us stay together;

In the land that I will show you,
With the joy of our hearts.

Edward Kofi Louis
Let Us Study

Come here and learn with me,

Come here and live with me,

Let us study from the works of peace;

Under the umbrella of righteous laws.

Edward Kofi Louis
Let Us Talk About It

Love,
Its all about me and you;
So, let us talk about it.
A different language,
A different culture!
But, love is the key.

Edward Kofi Louis
Let Us Talk About Love

It is all about love,
And it is all about you and me;
So, let us talk about love.

Edward Kofi Louis
Let Us Think

Human beings!
Let us think;
Did we created ourselves?
Then, why are we fighting and killing each other?!
So, let us reason up and, do what is right;
Let us unite in the name of peace and love!
Caring for each other than with hatred and war.

Edward Kofi Louis
Let Us Win The Game

Voicemail, E-Mail and Snail mail;
Let peace reign and let love arise!
For the High-IQ Signals and the High-IQ Powers are here,
And like busy signals everywhere in this world.
As cold as the ice and as hot as the sun!
As lovely as the moon and as sweet as your muse;
We only want the goals in any match so,
Put it into the net and let us win the game! !

Edward Kofi Louis
Let Wisdom Teach

Let wisdom teach and, let peace arise!
For the unity of the world;

We all need peace than war!  
War kills and destroys;

So, let wisdom teach us and,
Let us seek for peace.

Edward Kofi Louis
Let Your Bronze So Shine

Furnance of gold!
Refining pot of silver;
Let your bronze so shine with the muse of the truth and,
Live in peace with your neighbours.

Edward Kofi Louis
Let Your Light Shine! !

Let your light shine! !

Purification of the virgins,
Coloured eggs and rabbits;
To the lady of the sea,
To the lady of the mountain,
To the lady of the forest,
To the lady of the river,
To the lady of the house,
To the lady of the room,
To the lady of the ocean,
To the lady of the stream,
To the lady of the city!
To light the candles with love;
The sweet meal,
Small and large,
But the truth will always set you free.

Listen to the words of my sweet muse!

A tea kettle full of dreams:
True love is not for sale! !
To giver the order,
To obey the order,
To see the eyes of the world;
Eat clean food and protect the earth.

You are a wonderful person with a peaceful mind!

Born to live,
Born to learn,
Born to die;
To the inner room!
With love inwardly to share;
Like cake baked over hot coals.

Every man to his own city,
Every man to his own country,
Every man to his own house,
Every man to his own room,
Every man with his own Wife or wives!
Sitting in top of the hill,
Viewing the land.

A chariot of fire! !

A double portion of your spirit;
Dark clouds!
Heavy wind,
Rainfall.

Voices and choices!

Life and nature,
Life and death,
With rulers sitting in their thrones.

'I will love him'! Said the woman;
With small flocks and goatsgoats,
To buy the little vineyard with her money.

Let your heart be cheerful always! !

'I will love her'! Said the man;
The love of a woman,
From east to west!
From northnorth to south;
To eat her meal at night.

Something from the darkest mind!

The first meal of Love,
The first romance of something sweet;
With lovebirds playing together.

Purification of the virgins!

To hear a small still voice,
Under the Boom Tree with your love;
Rites! !
Assimilated,
Hallucinogenic,
Primitive eyes,
Looks and feelings!
Feelings of love.

Edward Kofi Louis
Let Your Mouth Speak The Truth

'The voice is the voice of Yaaqob,
But the hands are the hands of Esau'!
What is this that you have done to me?
Why then have you deceived me?
Deep desire! 
But, let your mouth speak the truth;
To teach others in peace than,
With the evil works of war.

Edward Kofi Louis
Let Your Ways Be Straight

Joy!
The sun is laughing;
Peace!
The moon is watching;
So, let your ways be straight.

Be, me!
To be myself;
In the right manner!
And by holding up the laws and,
Letting them to lead my ways.

Custom, costume!
Like the English Wine;
In the name of the peace around you today,
And, with the English Love.

Misery, mystery!
With the ways of the land;
Task, ask!
With the problems of the land;
But, be straight always.

Edward Kofi Louis
Let Your Will Be Done

Let your will be done and let me respect your muse,
Let your will be done and let me find my joy,
Let your will be done and let me gain wisdom;
But in ten years later i will pay my dues!
And like the monkeys trained to pluck coconuts in Asia.

Edward Kofi Louis
Let, Lettings!

Real Estate,
Let, lettings!
The property of love;
Situated in a rural area.
Love,
Call me and let me do the work;
For you.
Life,
Consider all of your options;
Before you make your choice,
But, in a positive way.

Edward Kofi Louis
Let, Wallet!

Th roots,
The branches,
The stems,
The trees;
Life!
Try to follow your dreams and be straight;
Learning the ways of peace.

Let, wallet!
One by one;
And, let no one turn around the truth.
Life!
Don't give up and, don't give in;
But, do go ahead with a positive mind.

Peace!
Let freedom reign everywhere on this earth;
Than the bullets of war! !
Like what is seen in Syria, Iraq, Egypt and Afghanistan.

Edward Kofi Louis
Letichia

Sleepy and slippery,
The future is in your own hands;
So respect my muse and come to me,
For i am Letichia in the land of your sweet muse!

Edward Kofi Louis
To the wilderness of love i do extend my greetings,
So do not fear!
But stand still and see to the salvation of Yahweh.
Leticia, i will do anything for your sweet love;
And from the river of Egypt to the great river Euphrates,
I will be there for you always.

You have taught me many things and,
We have to share with one another towards the future;
For i will always meet you at the ford of Yabbok for your love.
Sleep departed from my eyes without a clue,
For your love was like a dream to me;
And i will always meet you there.

Edward Kofi Louis
Of the horned owl,
Of the little owl,
Of the fisher owl,
Of the screech owl,
Of the white owl,
Of the desert owl;
But, do not hold back the wages of a hired man overnight!
Of the large lizard,
Of the monitor lizard,
Of the sand lizard;
And like the spreading of mildew in a home!
But, the blood of the trespass offering is now seen around;
Because, the life of the flesh is in the blood.
Do not eat blood oh my sweet Leticia! 
And learn from the old paths always in this life;
For, the truth is always the truth.

Edward Kofi Louis
Letras

I sold them to you,
You sold them to her,
She sold them to him;
These things,
With the muse of love and peace!
Like Solomon's Porch.
Torch, porch!
And like prison doors;
But, i am Letras in the land of your joy.

Edward Kofi Louis
Let's Act

Focus,
The view;
Locus,
The act;
Let's go! !
Let's act;
Cultures,
Identities,
With faces and works.

Edward Kofi Louis
Let's Be Clear About It

The truth,
Let's be clear about it;
And, let's face the facts,
In the name of righteousness.

Edward Kofi Louis
Let's Come Out Of This Secret Shell

I am dying for you!
You are dying for me!
All because of love;
So, let's come out of this secret shell and,
Be in love to enhance the muse of life.

Edward Kofi Louis
Let's Dance

Let's dance,
Watching my steps to understand my ways;
Bringing the joy of your love to my heart.

Edward Kofi Louis
Let's Live Together

It ia all about love!
It is all about the muse of peace,
It is all about you and me;
So, let's live together to move this unity forward.

Edward Kofi Louis
Let's See It

Let's see it,
As you expose it;
To the eyes of the public! !
Day and night,
Slow but sure! !
Like the muse of the tortoise.

Edward Kofi Louis
Let's Start It

Art! !
Margic circles,
Margic triangles,
Chart!
Let's start it;
Love and joy.

Edward Kofi Louis
Let's Talk About It

Love,
Sweet love;
Sit beside me and,
Let's talk about it.

Edward Kofi Louis
Letter, Better!

Responsible,
Did i put it on or off? !

Conceded,
Did you put it on or off? !

A collective society;
Meeting for the first time;

Letter, better!
At work with the muse of your love;

Discussions,
Resulting to the act;

Provisions,
Transitional with the muse of life;

Back and forth!
Like other parts of the world;

To satisfy your muse with love,
In the land of the living.

Edward Kofi Louis
my name is Letterman and i do have letters for you,
For i am known in the eyes of many because of your love;
And my words in the former times will be the same words in the latter days,
For i want to satisfy you with the love of my name.

Edward Kofi Louis
Letters

Post office workers are stealing letters!
And yet still they go their various churches and pray;
But who is telling them the truth about,
'Thou shall not steal'?

Edward Kofi Louis
Letters 2

Words,
Letters,
Works,
Do not judge according to appearances!
But, judge righteous judgment.

Edward Kofi Louis
Letters II

Visual arts and its acts,
Why take up the fibrous character when the cock crows at dawn?
For prevention is better than cure! !
And better to be very sure in this world than sorry.

Arabic letters,
And like the expectations of my mind;
Of Hebrew, Greek and Latin to learn as well!
But the English language came in later to pick up the pieces.

Hot chocolates! !
Trembling about life with excitements;
And a man killed his friend because of 'cat-meat',
But the epistle of an adult is like the muse of the bush.

Edward Kofi Louis
Letters!

Letters!
With the memories of the past;
Being able to teach others with our works,
However, peace is what we deserve.

Edward Kofi Louis
Letzen Zügen

Liebe im dem Letzten Zügen,
Und wie die Stars beim Essen;
Aber das Leben ist kein Traum.

Charakter und Seele,
Das ewige meckern über das Wetter!
Aber Sie mehr wissen müssen uns sagen,
Weil wir noch mehr Spaß brauchen.

Edward Kofi Louis
Levchin

Levchin, chin, in, hen, vine, he, live!
As easy as possible with the sweet muse of your love;
But, with a lot of top secrets in your land.
Wall, wallet!
Tasting it for the last time because of war;
Let, wallet!
With fame and glory;
How, howl!
Like a howl at midnight;
But, as easy as possible with the sweet muse of your love

Edward Kofi Louis
Levee

Levee, fee, free, bee, tree, wee;
You are very great! !
With the muse of your sweet love on me.
You went in deep and, i was very much satisfied!
With the sweet muse of your love;
Because, you love me.
Male and female to a call!
With the love of your muse;
But, if you shut down the rainfall from heaven,
The earth will dry up without hope.

Edward Kofi Louis
Level 53

Eve, level!
Ever,
Hive,
Life,
Wife,
Beehive,
Wives,
Five,
Eve, ever!
Knives,
Live,
Level 53;
Hot and cold!
Wet and dry;
Drive,
Knife,
Arrive,
Dive,
Tree, free!
With the muse of nature.

Edward Kofi Louis
Level 54

Blood brother and sister!
In time,
Playing with time;
Like the old woman with her child,
Awakening! !
Welcome home,
Out of time;
With the muse of the game,
Level 54.

Show!
Flow,
Low;
To show your know-how on the game.
Fresh! !
Magic look,
Magic lock,
Level 54;
And, with opinions from your colleagues.

Edward Kofi Louis
Levinus

Levinus, Levi, line, lines, in, sine, is, vine, live!
Accepting the document,
To act in accordance of what you know;
Implementing your decision.
Dwell, well!
On the platform,
With your moral obligation;
Talking to the people!
If only if they will listen to the truth from the laws.

A man of integrity!
With moral demands;
Taken upon yourself,
And, to address the people!
If only if they will listen to the truth from the laws;
As written for mankind,
In the Scriptures.
Love, life, peace!
We all need them to lead the way;
Towards unity than war.

Edward Kofi Louis
Levy

The Bible teaches only the Sabbath Day worship but,
Mankind have changed the laws as we have them today;
But try to ask yourself whether you are doing exactly what the Bible teaches,
For i am Levy on a peaceful march through your quiet town!

Edward Kofi Louis
Lewdness

The lewdness of your youth,
You preach but, you do not practice;
Of your sins!  
In broad day light;
And, to neglect the truth.
War!
With the archers shot from the walls;
Aiming at the people,
In the name of a vain custom.
Add, adduce!
Destroying the crown of the Autumn flowers;
In the land.

Edward Kofi Louis
Life is dynamic and things keep on changing,
But i have never felt like this before;
Because, love is stronger than death.

A woman of stories came dropped the flowers of love,
And it changed my tide in this world;
But one day you will always remember me.

'Kae dabi'!
And, why are you running away like a chicken without a head? !
For i am now the flute blower with the flowers of love and,
The aroma of my sweet name is Lewis.

Something is wrong with this picture hanging up there,
But you are like a teacher who is always late to school;
Something is very wrong with this world too!
And you are like a worker who always tell lies;
But hold up the rain this time around and,
Let me pass through to meet my lover peacefully.

Edward Kofi Louis
Lewis II

Lewis, is wise;
Pools and loops,
Materials!
Witnesses,
Lead and deal,
Entering the realm of magic with your love.
To call all the people around,
To the hall of peace;
And, to talk to them!
After taking a peaceful walk with your mind.

Edward Kofi Louis
Ant, antacid!
In a creek without a paddle;
Greek, creek!
Life is very hectic enough these days;
But, i am in the middle of the desert without any hope,
Because, you've aimed your weapons at me.

Ant, antacid!
Wrapped in vivid indigo robes;
but, i have to learn like the bird.
Ant, antacid!
Faith is not a jump into the dark,
But, a walk into the light;
So, i will surely overcome your plots.

Ant, antacid!
Like the medieval 'Ghana Empire';
But today, you have the GSM Algorithm along with you.
Ant, antacid!
Just write your Name across my heart;
For, the 'Love-Train' is now passing along!  
But, eating fresh fruits daily will reduce your heart diseases.

Ant, antacid!
Like the 'Takoradi Harbour' in Ghana, built in 1928;
But, the muse of life in Ghana today is with,
The reflections of the slavery days which brought about the Bond of 1844.
Ant, antacid!
To Lexi my friend i do write;
And like the battle of 'Bobikuma'!  
But, recorded history are there for us to learn from.

Edward Kofi Louis
Lezio

You could not enter in because of your unbelief,
But i have the oil of gladness and the love of peace for you;
And like Lezio your friend who left us last night.

Edward Kofi Louis
Lfh 2-13

The casket,
With the muse of a basket around;
Escorted by a Coffin Van,
With registration number LFH 2-13.
The casket,
Placed in the Van;
The very one which carried the demise of my mother,
To the cemetery for burial.

Edward Kofi Louis
Liam Israel Donkor

Welcome into the world so sweet!
'Liam Israel Donkor',
But, with the problems of mankind;
Turning away the truth with the works of lies,
Enter in! !
With the news of your birth;
To see the light of true love from your parents,
Able to learn to choose what is right than, going after wrong things.
Enter into the world so sweet!
'Liam Israel Donkor',
And learn to be upright with the works of the truth;
With positiveness,
With humility,
With servitude and attitude,
To gain wisdom!
With the gratitude of life and, the muse of nature.

Edward Kofi Louis
Liane

I have kept my eyes on you my love,
For you are very different among others!
So, come on Liane and let me take you home;
For, my muse is much noted in the land of your joy! !

Edward Kofi Louis
Liar, Familiar!

Fake actors!
To the gallery,
On the stage,
To a place where we are both familiar with;
Over and over again,
But, it was too formal.

Fake actors!
To visit a place;
Liar, familiar!
Place, lace, brace, race, pace, trace, face;
But, what I could do was to smile and laugh.

Edward Kofi Louis
Libbie

Shameless thief and sleepless night!
Listen to the linguist than a flirting wife;
For the thief comes to steal us all.

Sleepless nights and shameless theives!
Listen to the linguist than a flirting husband;
For the thieves come to rob us all.

Miscalculations!
With the red-light instead of the green-light:
But, my name is Libbie and,
Fairness is the right to tell the truth.

Edward Kofi Louis
Liberal

Son!
So soon;
Liberal,
Both outside and inside.

Edward Kofi Louis
Liberate Me With Your Love

Help me!
Liberate me with your love;
Because, this boat is sinking.

Come and help me with your sweet love!
Uplift me with your care,
Because, this boat is sinking.

Edward Kofi Louis
Liberated

A protecting and an energizing action,
Release the tensions that you've accumulated!
And be liberated from your stress.

Edward Kofi Louis
The law of liberty is around you and,
I will come to you my love;
For the footsteps of your stories are left behind,
And your photos are all hanging in my room.
The year about the stories of life and the stories of your love,
And I will follow you alway with your liberty;
Because you do have the law with you.

The meagre understanding of mankind on this earth,
I will come to understand you better with your liberty;
For the rain last night held me on a standstill and,
I want to be home soon to learn more from you.

Edward Kofi Louis
Liberty To Do So

Ideals,
Lived,
Believed,
And you have the liberty to do so;
But nothing will stop me from loving her!
So, don't sit on the fence always;
For, that will not allow you to understand us better on this love.

Edward Kofi Louis
Liberty, Deliberately!

Disposables,
Debtors,
Utility bills,
Cost! !
Inflationary rates,
Of the system,
Of the scheme;
Unconventional,
Overshadowed!
Correlation,
Cord, discord!
To percolate;
Late, desolate!
To all facets.
Liberty, deliberately!
Imprudent,
Faces, facets!
And, to be aware of the facts.

Edward Kofi Louis
Libnah

Siege-works,
From its own land;
But in the seventh year with your love,
And like a dry land in the wilderness.

There is no love in this room! !
Because, the pages of history are now left bare all over;
For Libnah left the house alone yesterday to the bush without a clue.

Edward Kofi Louis
Licence Number

Licence number 13101961,
Test the nuclear sub ablaze!
Licence number 13101961,
Of the points of life to ponder about;
It is a wonder with,
Sincere manners to appreciate;
Life is all about numbers.

Changing times,
Changing ages,
A remarkable thing to think about;
In this changing times,
I would like to be your friend.

Licence number 13101961,
Test the nuclear sub ablaze!
And make each pound go further;
Of the changing of time,
Of the changing of ages,
Like nothing casual to wedge the storm off;
If the suntans could kill you then,
What about the nuclear bombs?!

Licence number 13101961,
Who can beat death after nuclear effect?
Laughter is the best medicine but,
With the nuclear weapons at hand who laughs?

Edward Kofi Louis
Lie To Me

Kent, rent, sent, bent, tent, went, cent, dent, gent, lent, pent, vent;
And like a joyful sound!
But you are lying to me and i can see it on your face.

Pat, Nat, cat, bat, tat, sat, fat, gat, hat, lat, mat, rat, vat;
And with the acknowledgements of my muse!
But lie to me and let me be on guard,
And like the war songs in the land of your muse.

Furry, burrito, bury, curry, burly, burr, hurry, jury;
To put on a mantel for the battle!
But you are lying to me and i can see it on your face.

Edward Kofi Louis
Lies

'Test the Spirits to see whether they are of Yahweh'; because, many false prophets have gone out into the world!
Preaching and leading souls to hell; without the truth, as they preach lies to the people.

Edward Kofi Louis
Lies Will Never Unite Us On This Earth

War is for destruction!

Birth and death! People die everyday and, children are born everyday;

War is not the answer to peace; because, it kills and destroys everything.

The defence of the truth brings peace to all!

So, keep the laws and bring peace to the earth without war.

Love is for unity and, life is for peace;

The ways of the truth unites us together than, the ways of war!

People die everyday and, children are born everyday;

But, lies will never unite us on this earth.

Edward Kofi Louis
Life

In a certain country,
Men sit in front of the bus;
And women sit at the back!
Crossing a certain check point,
Women have their own passage;
And the men go through the other way.

In a certain land,
Taxis are driven by women to pick up women only;
And the men pick up taxis driven by men only.

In a certain valley,
Only ice-rain does fall at night;
And in another land,
Only the best are known!
But life is like that at times.

Edward Kofi Louis

Climbing up and flying very low without enough air,
It's all about life!
And, of the pains of one's experiences along the line;
But, never give up on your dreams.

The muse of life,
You may either be on top or below!
And like the muse of the kite;
With sad days and joyful days.

Life is just like that!
To take up a stand on the stage;
Oh gladness! ! When will my innovations fly so high? !
With enough sacrifices to share along.

This is for you my children;
So, listen to your father's advise.

Not all that glitters is gold,
And life is more incomplete without you;
For, Rome was not built in a day.

Their senseless minds were darkened!
As they were known throughout the world;
For, empty barrels make the biggest noise!
Because, their hearts are now lifted up with pride.

Pride, ride!
Ridding you to hell;
Because of the acts of illegal lust on the earth today,
With many taking away things which belongs to others.

Bar, barrels!
With the evivence available;
With mankind taking up arms to kill each other,
However, war will never bring us peace on this earth.

Live in peace with your neighbours,
Live in peace with the joy of your heart,
Seek for the truth always! !
Unity in the name of righteous works,
In the light of wisdom!
To overcome lies and evil acts.

Edward Kofi Louis
Light Up Your Candle

Light up your candle and,
Put it on a table for all to see;
Bright to the eyes with the sight of love,
And, let your light so shine among your brothers and sisters!
For, we are one;
The very human beings made by the Creator.

Edward Kofi Louis
Light Up Yourself

To the wind that blows and,
To the love that i share with you;
Light up yourself to live up to the expectations of life!
For, the muse of my love is for you.

In my toils and of my struggles,
Like a letter from the grave;
But, to the sweet of thew money left behind!
Then i may ask, 'what is poetry after all? '

Visiting your energy base now and then,
Using your pwoers of love now and then,
And like a letter from the grave;
But, when did the muggers became beggars? ! !

In my toils and of my struggles,
And of the love that i share with you;
But, try to light up yourself on this love!
And like the king of the jungle who needs a lover.

Edward Kofi Louis
Light Years Away

Don't inflame my passion with hate,
For a child is born today and a star is among us;
Do't inflame my mind with war!
For the keynotes of care and the vibes of love is what i need;
And with the praise of my muse and of joy! !
But a proxy from my wisdom is like a like time on the choice of your love.
'Wa ba-a gye wani'! !
For a child is born today and a star is among us;
And like the huc of an orient world,
But with light years away to the complimentary!
For you need to be very tough in this world to be able to survive! !

Edward Kofi Louis

Also to bless the night.

Edward Kofi Louis
Light, Alight!

Light, alight!
Sight,
Slight,
To overcome your plight,
With love than, with a fight!

The flight of joy,
With the bright side of true love;
Coming along with the light,
With the delight of righteous morals,
The right sense of the mind,
And the insight of righteous laws.

Edward Kofi Louis
Lighted Up

Ancestral spirits!
In the land of your muse;
Bye-bye to winter and hellot to summer! !
With the muse of the sun,
With the muse of the heat,
Sweating!
ith the joy of your heart.

Life,
With midnights moments and, midnight love;
Like the muse of Dubai in the night!
As love came along to entice your heart.
Light, lighted!
Lighted up with your love;
And, with the aroma of your peace.

Edward Kofi Louis
Lighten Up And Glow

You can do anything you want on this love,
So lighten up and glow brighter!
The wind had exposed your nakedness to me,
And i will always be there for you;
Because i am like the Lake Nasser to you!
Aswan Dam is my love and i will take you there,
For i have seen the muse of your love.

Edward Kofi Louis
Lightening And Thunder

Power outage!
Rain,
Lightening and thunder! !!
Sleeping at night;
Heavy rain!
Raining cats and dogs;
Dropping up and down along the walls,
Then, came the light! !
The power is back;
But it's still raining cats and dogs,
With thunder and lightening.

Edward Kofi Louis

Hell,
Jell,
Yellow!
With the lighting systems in the land.

Edward Kofi Louis
Lighting The Way

Love,
Lighting the way;
overviewed with peace and joy!
Floral,
Colours,
The colours of life;
Like the light of spring,
The light of love!
And, with the sun on your side like the grapes of life.
Love,
Sanctified with your joy!
In red,
In blue,
With the blues of love;
Connecting energy,
With your romance into the deep of life.

Edward Kofi Louis
Lightning, Lighting!

Light,
Light show,
Lightship;
Lightning, lighting!
Lightfast,
Lighthouse,
Lightly,
Light pen.

Edward Kofi Louis
Lights On

Put the white lights on and she will pass her flowers,
Put the red lights on and she will be pregnant!
But, why can't she take care of her children?

Edward Kofi Louis
Lights, Delights!

Your vats will overflow with new wine,
Bats will always be in your garden;
Your cats will always be around you,
Mats will always be there for your visitors,
Your hats will always be there in your room,
Lights, delights!
To hold fast to the works of the truth and,
To live in peace with your neighbours.

Edward Kofi Louis
Like A Baby

Cain, rain, brain, train, drain, plain, main, gain!
Love,
Come and hold me like a baby in yout sweet arms;
For, i am all that you want in this land,
And, i will always be on your side.
Side, aside!
With the blues of love and the blues of your sweet muse;
And, with the fantasy ahead of us! !
For, your love is my joy.

Edward Kofi Louis
Like A Baby In Your Arms

Teach me,
Teach me,
Teache me teacher!
For, i am still like a baby in your arms.
Creative arts! !
To listen to you;
Where? !
Here and there;
With the muse of the sphere and,
The aroma of the atmosphere.

Edward Kofi Louis
Like A Battle-Axe

You are covered with the multitude of the waves of love,
And you are now like a battle-axe with your lover!
But your strength has now failed and you've become like a woman.

Men and women,
Old and young;
The vapours ascended from the ends of the earth,
And like Ararat, Minni and Ashkenaz.

The time of the harvest is near nad,
You are like the swarm of locusts!
But reach out to the needy and help the poor.

Edward Kofi Louis
Like A Bee

Free!
Freedom,
Like a bee;
Flying high with my mind,
Above the highest mountain in the world.

Edward Kofi Louis
Like A Butterfly

In my boyhood,
So sweet so lovely;
Like an eagle with its meteor eyes.
This pilot is guiding me,
This love is my hope;
Like a swarm of golden bees.
Of my unseen feet,
Of your unseen feet,
Of his unseen feet,
Of her unseen feet,
From Cape to Cape;
I am lured by the love of my growth.
Of a world so fair,
Eyes have not seen it;
It is like life beyond the tomb of love.
Ears have not heard its deep songs of joy,
This land is full of harvest;
But another race has filled it.
In silence and in fear like,
The banners up high in the sky;
Living in a better land as expected but,
A little weeping will ease my heart.
Another joy has come like,
The anthem of freed Slaves;
Where i do hear you speak like the long Amazon River.
Quiet as a stone,
A thing of beauty is of a joy;
Like a bed of straw in my boyhood,
Of the days gone by like a butterfly.

Edward Kofi Louis
Like A Butterfly

I am writing to you through a child's eyes;
And, you will teach this poem to other children.

Through a child's heart,
Through a child's love;

Views from a child,
Playing with the works of peace.

Horses swifter than leopards! !
Are the ways of war;

Like a betrayer,
Like a mocking proverb,

Evil is a betrayer!
It is like a tanting parable;

But, i will always fly up high like a butterfly! !
To touch the hearts of many;

Learn from little children,
See how they go along with each other;

Let us all humble ourselves like little children,
Able to bring peace to the world.

Edward Kofi Louis
Like A Campaign Issue

Your house,
My house,
Seen by the eyes!
Like a campaign issue.

Birth,
Growth,
Years with Africa!
Like one taking an oath of office.

Bay, ray!
The way ahead;
With traditions and cultures,
With the muse of the people, like a notice,
Scoping around.

Speaking,
Symbolically;
Writing,
With imaginations;
Years in Africa!
Going around with my mind.

Edward Kofi Louis
Like A Canon Ball!

Mall,
Hall,
Call all! !
In,
With the muse of the wall.
The fall,
Like a canon ball!
Muse,
It shall be done;
Pall,
With the muse of the tall tree near by.

Edward Kofi Louis
Like A Carved Ivory

Spikenard and saffron,
Sweet love and sweet food;
Awake oh my north wind!
For, you are like a carved ivory inlaid with sapphires,
And like pillars of marbles set on the beases of gold;
But, your mouth is the most sweetest.

Cook it like it is,
Eat it like it is,
Tell it like it is,
Use it like it is,
Keep it like it is,
Sweet love and sweet food!
But, your mouth is the most sweetest.

Edward Kofi Louis
Like A Child

People are going forward with their brains but,
You are here killing yourselves with the bombs!
So when will you people grow up like a child?

Edward Kofi Louis
Like A Child Wearing A Linen Ephod

Love!
Like a child wearing a linen ephod;

Love!
To be merciful with you;

Statue, stature!
In the name of true love.

Muse, use!
Prescribed to you;

True love,
Leading the ways of peace;

This love,
Peace declared it to you.

Love!
It brings in joy when the right thing is done;

Doing extraordinary things,
With the evidence of peace.

Edward Kofi Louis
Like A Contender

Regional, 'Syngenta',
Latin America, Citations,
Synthetic,
And with the drought tolerance in the land of my muse!
But chewing your gum will not help matters;
And like a contender in the land of your muse ready for a fight! !

Edward Kofi Louis
Like A Cup

The bat and the heron,
The falcon and the hawk,
The owl and the kite,
I am very young oh my sweet lover!
But i am around you always with the muse of my sweet love.
Perfume and precious-stones,
And to wash myself in the sea of love;
But shaped like a cup is the muse of your love to me,
Because i am very young around you! !

Edward Kofi Louis
Like A Deal With Nature

The roots of the sea,
The roots of nature;

The routes of the sea,
The routes of travellers;

The clouds swirl around!
With the muse of life;

Imagination! !
Sea with doors;

Wondrous works!
Morning stars;

The earth changes like clay pressed under a seal,
Like a deal with nature.

Edward Kofi Louis
Like A Dinosaur

He snores like a lion and,
She snores like a dinosaur!
But, they cannot meet each other because,
They are being divided by the walls of love;
And, what is now left down by the goat is being eaten up by the dog.

Edward Kofi Louis
Like A Dove

I really love you,  
To move to your house;  
Like a dove.

Edward Kofi Louis
Like A Dragon

This woman purchased a field with the reward of iniquity,
But search for those who are lost and bring them home;
For she is now like a dragon in the sea!

Edward Kofi Louis
Like A Dream

The window,
Viewing outside,
Hoping for Spring,
Colours of Cassis!
Limitless,
Like a dream.

Edward Kofi Louis
Like A Dream! !

This is just like a dream that has come true! !
Yes, of your love to me like,
A dancer dancing with the love tunes being played;
And now, everything that i have is always beside you.

Edward Kofi Louis
Like A Drink To You

Bright and harmony,
Wet and joyful,
Deep and calmly,
Wise and useful,
Words and praises,
Kisses and romance,
Lovely and passionate,
Joyful and peaceful,
Deep and deeper,
Steady and slowly,
Red juice and red sand;
And like a perfect body and a sweet liquid,
But it is now poured out like a drink to you.
Deeper and deeper,
Red card and red bulb,
Her perfect body and his perfect act,
Red lake and red mango,
And like a daughter and her mother!
Red carpet and the red sea,
The deep hole and the dark hole,
And like a son and his father!
Nice and sweet,
Long and strong,
Wet and creamy,
Long and hard,
Nice and slim,
Milky ans soft,
Nice and easy,
The red light and the red tiles!
But it is now poured out like a drink to you.

Edward Kofi Louis
Like A Fish

Trampled!
Under their feet;
Tended!
Like a fish;
Darkness! !
The shadow of death;
Pearls!
Of your pearls;
But, do not give what is holy to the dogs! !
Nor, cast your pearls before the swine.
Swine, wine!
Eating Satan's meat and drinking to your full;
But, each day has enough of its own troubles.
Be, besides!
To assess the conditions of your house;
Like a man under fire! !
However, those who curse the day do curse the night also.

Edward Kofi Louis
Like A Flying Bird

Recovered,
Succeeded,
Exalted,
Abased;
Freely noted is the muse of your love,
But the birds always know where they fly to.

Quietness,
Dwellings,
Resting,
Places;
Freely noted by the works of your act,
But my love to you is like a flying bird.

Edward Kofi Louis
Like A Fool

Hatred is the answer to war!
Because, the truth is bitter to those who don't want to hear it;
However, when one is drunk, he or she play like a fool.

Edward Kofi Louis
Like A Free Agent

Mischief,
Malevolence,
Misery,
Forsaking the truth and,
Going your own way;
Tentacles!
Put under a curse;
After starting the problem.
The mischief,
Acting on your own ways;
Like a free agent with out the laws,
And, lusting after somebody's wife.

Edward Kofi Louis
Like A Great Eagle

You are clothe with my love so eat the finest flour and my sweet honey,
For i am ready to feed you with my sweet aroma of love and peace;
But the harlot-houses are along this way,
And you are like a great eagle with great wings.

Edward Kofi Louis
Like A Jigsaw Puzzle

The Beach Boys,

The Beach Girls,

Every law!

Every act,

In contrary,

To control it!

Blotted,

The disaster of life!

Gradation,

Goading,

Glint, flint, pint, mint, hint!

Bloated;

Trouble,

Like A jigsaw puzzle.

Edward Kofi Louis
Like A Kite

'Black Hills Road',
Your love is like a kite which has taken me so far away!
'White Hills Road',
Your muse is like a kite which has taken me so far away!
For your 'ganja-tea' took me so high.

My life and my leadership came to you,
And like the clash of the ideologies around;
But i left my nightmare on the street last night.

I give thanks to your hot-milk,
But i will live up to speak out my mind;
And i am ready to learn from your ideologies as well.

Edward Kofi Louis
Like A Law Maker

Rain and sunshine,
Words and wisdom;
Watch the mouths of people when they do talk.
I have what it takes to tickle your mind,
Like a man who twists his lips to the right when he talks;
A word to the wise,
A poem to the masses,
Like a woman who twists her lips to the left when she talks;
I have what it takes to touch your heart.
Many have their lips directed to you when they talk,
To turn to the left and to the right at times;
Take a look,
Take a watch,
Swing it to the right or to the left to make a speech.

I am sending my information to you,
I am sharing my views with you,
I am writing my poems to you,
And i am educating many;
In aspeech like a law maker to many,
Like the land of total misty fog.

To the planetary life by humanity,
Life is full of joy and pain;
To the works of my mind to touch many,
There are fantasies to meet in this world at times;
Yes, the human mind can do many things.

Are you overtaken by what you did some years ago? !
We should always learn from our mistakes;
Don't you know that,
What you don't know can hurt you?
Like a common desire to the people around you.
If you doubt it, always do cheek;
If you are in love, always do say it;
Like the twisted lips of us all.

Edward Kofi Louis
Like A Lighthouse

Changes,
Changed!
Established,
Light for love,
Peace with care,
Joy from the heart! !
Like a lighthouse;
With two caloric engines.

Edward Kofi Louis
Like A Lizard

They easily expose their nakedness to the public eye,
Like a lizard in the heat of the sun;
Wake up and cover yourselves!
Dress up and be very wise at all times.
My eyes cannot see your nakedness,
Like our feet to the shadow of death;
Righteousness and peace,
Joy with my heart in the Holy spirit;
The lusts of the flesh is like,
She who is passing the bloom of her youth.
Love builds the home and knowledge carries one to grow,
But my message is free of charge;
Who tends a flock and does not drink of the milk?
Plow in hope and sow in tears in this life;
For your haverst will be great!
Do not beat the air and,
Do not run aimlessly;
Because this message is written for our admonition.

Edward Kofi Louis
Like A Lonely Bird

What is now covering my eyes? !
What is now blocking my way?
For there is something wrong somewhere because,
You failed to call me;
And like thirteen years in hell and seven years at home.
You failed to call me and i don't know why;
And, i am now like a lonely bird without a nest!
But, i need you around me to solve my problems.
Mine oh mine! ! !
You failed to call me since all these years;
And all these while i was there lonely waiting for you,
But, who will be there for me when you are gone forever?

Edward Kofi Louis
Like A Marathon Race

Don't paint everybody on with a bad brush! !

Your mark,

Let it be a positive mark;

To bring peace to the world,

Because, there is hope for the Future!

Being on a mission with your vision,

Like a Marathon Race.

Edward Kofi Louis
Like A Miracle

Universal,
Hurl,
Thrown,
Own town,
Crown,
This image!
No words to describe it.
Down,
Sown,
Downward,
Not upward,
This image!
Like a dream,
Like a miracle.

Edward Kofi Louis
Like A Muse

Look around to meet your lover,
And over the mountain's range!
Which muses like a muse,
For love is always there for those who are ready.
Search around and go to the blue mountains as well,
For there you will meet your lover like a muse.

Edward Kofi Louis
Like A Nation

Parted into two,
The middle of it;
Through the wilderness,
An inheritance ahead;
To its very foundation!
To acknowledge the worksof the truth,
Peace and love! !
With the joy of your heart.

Edward Kofi Louis
Like A Palm Tree

The palm tree,
Love and life,
To stand strong like a palm tree!
Upright,
Like a guide-board.
Pillar! !
Upright,
Erected;
Like a palm tree;
Very strong.

Edward Kofi Louis
Like A Poet

My mind is like a Poet,
My mind is like a Mathematician,
My mind is like an Artist,
But love yourself and believe in yourself first!
Then you can compete well in this world.

Life is like fire in the wilderness at times!
But use your mind positively to correct your mistakes always;
And like your lover at the 'Space University'!
But in peace i will rule the world with my poetry,
And like a well know Poet in your neighbourhood.

Edward Kofi Louis
Like A Prayer

Love,
Papyrus and ink;
Write your letter and let me read it,
For a pasteurized beer is like a prayer on this love.

Edward Kofi Louis
Like A Prize

The muse of life,
Living in the world;
But, beware! ! !
That, no one leads you away like a prize;
Because of his or her philosophy,
According to the traditions of mankind!
Than, with the salt of the truth.
Told! !
Foretold;
But, hold on to the truth always;
Before you are sold unto lies.

Edward Kofi Louis
Like A Prized Possession

Your deeds are known in the land,
But you need the works of the truth!
Able to teach you;
To seek for peace than war.

To flourish!
To overcome fear,
To rejoice with the truth;
With a peaceful mind.

Flour, flourish!
In the land;
With the muse of your lovely heart,
Attaining the works of the truth.

Wine and oil,
To satisfy your muse;
Living in unity,
Without hurting your neighbours.

Your status!
With the muse of your mind;
The truth is like a prized possession!
And like the obsession of the heart.

Sin!
Guilty of blood;
The whole head is sick and, The whole heart is faint!
However, try to paint your mind with the works of the truth and live.

To revolt against righteous laws,
Leading you into sin,
The sins of the world;
Killing and destroying in the name of war!
However, you need the works of the truth;
Able to teach and guide you on,
Because, we need peace than war.
Edward Kofi Louis
Like A Process

Riding a donkey.
With a monkey watching you from a tree;
Red skies!
Blue love;
To meet each other and to explain the ways of life.

Humna understandings!
Human undertakings,
Yellow skies;
With the muse of love,
Like a scene on the Kalahari Desert.

Love,
In the wilderness!
In the thick forest of Africa;
And, with conservative trust.

Blue skies!
Nature,
With the muse of the animals around;
In Africa,
Like a process;
The process of life!
And, taking a step forward.

The flow!
To find the right channel to flow through;
With the muse of the talents of the thinker,
Living in a Glass Palace of love.

Life,
Food is not everything;
As everything that walks leaves a track,
Along the way!
Like rthe tracks from the donkey.

Edward Kofi Louis
Like A Prostitute

Why are you dressed up like a prostitute towards me tonight?
For your feet were never at home when i visited;
And what i heard was that,
All the men around played with your breasts.

You seduced them with your smooth words and,
You are almost naked in your clothes tonight;
But i will walk away alone through the thick forest and,
Through the dark forest to save my name tonight!

Edward Kofi Louis
Like A Puzzle

Bits and pieces,
To learn and to understand the ways of life;
Like a puzzle!
Not to hide the truth;
To trust the source of righteous work.

Edward Kofi Louis
Like A Puzzle  2

This world is like a puzzle! With the abstracts of life around it;
Life is beautiful when the right thing is done,
However, death is part of life.

Edward Kofi Louis
Like A Queen!

The muse of sweet love,
You make me feel like a Queen!
In her palanquin and,
Being carried by her subjects;
But, the sea only provides two percent of mankind's food.

The muse of life!
From Kyoto to Tokyo;
And with the gymnastics of true love,
But, you are like the tent of cedar to my heart.

The muse of love,
To drink the red wine which flows like a river;
With the muse of your sweet culture and, with the heritage of your love!
However, you always make me feel like a Queen whenever i am with you.

The muse of life,
With the muse of the sweet one;
For, you are the clandestine of my heart!
In peace, joy, mercy, caring and, with humility;
And, i will always be there for you to satisfy my soul.

Edward Kofi Louis
Like A River

Life,
To know where i came from;
love,
To know who i am;
Muse!
To write out my mind;
Joy,
Always seeking for peace than war;
For, i came to this world with nothing and,
I will leave with nothing!
But, my poems will live on to teach others;
Like a river flowing with milk and honey.

Edward Kofi Louis
Like A Scary Machine

Decipher,
Dress, press, impress, stress, Mistress!
Tears of love,
Of her past,
With her story
Like a scary machine.

Love,
To know it and, to understand it;
To come together as one but,
It is not always easy when, two minds go against each other.

Edward Kofi Louis
Like A Shepherd

They all came and used you up!
They all came and ate you up!
But let me lead you like a shepherd on this love;
For the sparrow has now found a home and,
She will make a nest to lay her young ones.

Edward Kofi Louis
Like A Ship With A Radar

A moral person with the moral laws,
Teaching you and educating your mind;
Changing your heart towards peace than war!
As the world sinks down slowly because of hatred.

Life,
Two wrongs never make a right!
Once,
Once upon a time;
With my story and your story in this life.

Love,
To work towards it and to admire it;
And, to come in unity with the truth!
Like a ship with a radar.

Edward Kofi Louis
Like A Sleeping Elephant

Life!
I have dignity in my poverty;
But like a sleeping elephant at times.

In every soul,
There is a memory;
In every heart,
There is the past;
But, to write a poem to touch your heart!
Because, i love you.

Life!
You surely want to see me;
But, you need to know much about me as well.

In my works,
In my Soul,
In my muse;
To write a poem to put a smile on your face!
Because, i love you.

Edward Kofi Louis
Like A Snake To Me

On a wild donkey's colt is born tame,
And behold my eyes have seen enough that you thought;
But i desire to speak with the Almighty.
Life is like a flower that fades away because,
One day we will all die and go!
But your love is twisting along here and there and,
Like a snake to me without any direction on this path of love.

Edward Kofi Louis
Like A Stone

Life!
With a hard bread in your hand like a stone;
But, the blue colour will now come in to take over the brown.
Muse!
The white colour will bring out your identity;
As the snow appears on the land.
Spring flowers!
Summer's heat;
Autumn leaves!
Winter's snow;
But, it is now time to identify your muse with the black colour.

Edward Kofi Louis
Like A Teacher

A well known fact to start life like a teacher;
But, my love will find a way to touch your heart!

Life,
Love;
Golden.
Pen, den, hen!
Meeting,
Ten friends;
Card, bard!
Rite,
To write,
Race,
To embrace,
Ace,
Pace,
Like a Palace;
The journey of my life,
The story of my life,
Moving from place to place.
Lace, trace!
Like a tourist;
But not like a terrorist! ! !

Edward Kofi Louis
Like A Virgin

This heart's beats of love is like a virgin!
Touched for the very first time;
Knowing where to step,
With the romance of nature.

Edward Kofi Louis
Like A Well-Fortified City

True love,
Like a well-fortified city;

Love,
In the Land of Beauty!

With the advantage of the laws,
To overflow like new wine.

Love,
Let your threshing floors be filled with wheat;

Wheat, heat, eat!
To cook it and war it;

Set, met, wet!
With the muse of love.

Edward Kofi Louis
Like A Wide Fire! !

You might have done something wrong!
That is why you are running away from me;
But, 'no' menas 'no' and, 'yes' means 'yes' on this love,
And, i am now reduced to tears.

I just don't get it!
But, your sweet love id a lot to me;
However, the news of your axcts spread out like wide fire! !
But, i want to tell the people of the village that, i am still alive.

You might have done something wrong!
Tha tis why you lfet me alone in the jungle and went for another man;
But, one day, you will surely meet the eyes of the faith!
With the works of the truth without turning back.

Edward Kofi Louis
Like A Willow Tree

Planted in a fertile field,
Placed in abundant waters,
And like a willow tree;
But it became a spreading vine of low stature!
And began to put forth sprouts in the name of love and care,
For, it is now planted! !
And it will flourish.

Edward Kofi Louis
Like Abel

Pace, lace, race, ace, face, dace, mace;
To be able like Abel in the land of your muse,
Bride, ride, pride, stride;
Buried alive in the land of war!
Flow, slow, blow;
Drowned in the red sea without hope,
Goal, foal, coal;
Don't let your past atrocities destroy your life,
Soil, foil, boil, coil, moil, toil;
And like the horse and its rider!
But you have no hope in the midst of the sea.

Edward Kofi Louis
Like An Adamant Stone

Thank Father Yahweh for His mercy and not me,
For He has made everything possible for us all on this earth;
And today you are enjoying the fruits of my labour.

Bold and beautiful,
And like an adamant stone!
But harden than a flint to cut your muse;
For the boldness of your love is so faithful to my sweet heart.

Feed your belly and fill your bowels with my sweet love,
With each day for a year to teach you my ways;
For wisdom is all that you need in this life,
Because the road of life is not very easy at times!

Edward Kofi Louis
Like An Adventure

This love is like an adventure!
So, crown me with your sweet love and, let me be beside you;
I am the Lone Star! !
Going through the jungles of Africa;
With the muse of the heat to warm you up.

Edward Kofi Louis
Like An Ant Fighting An Elephant

War! ! !
Destruction,
Killing those you call your enemies;
Those who have nothing to defend themselves,
Like an ant fighting an elephant.

Edward Kofi Louis
Like An Apple

I have seen a beautiful woman like an apple,
So get her for me as a wife;
For she is the right one in my eyes!

She who is the one for me has beautiful breasts,
She who is the one for me has beautiful hips,
She who is the one for me has beautiful lips,
She who is the one for me has a beautiful shape,
So get her for me as a wife.

Please, lead me into this vineyard of love;
Please, lead me into this sweet love of her;
For she is all that is in my mind.

Edward Kofi Louis
Like An Old Soldier

I called her and she was crying all over again;
But, life is not always easy at times.
Life!
Like an old soldier in the field of war;
But i have to teach her the ways of my experiences.
Muse!
I am like an old soldier walking along alone after the war;
And, after learning the lessons of what war brings.

Edward Kofi Louis
Like An Open-Book

Cloud watchers!
Studying the clouds of nature;
Like an open-book of the universe,
With secrets up there to teach us.

Edward Kofi Louis
Like Appiah

To the clean, all things are clean;
But to the defiled and unfaithful,
Nothing is clean.
Avoid foolish speculations,
For they are unprofitable and pointless;
A message to Apphia like Appiah.

Edward Kofi Louis
Like Awuah

Admonished,
Attempts,
Stressing,
Sabotaged!!
But the clandestine act was rejected by your muse;
And like Awuah my friend in the land of joy!
But true lovers are always at peace.

Edward Kofi Louis
Like Cheese

History does repeat itself along the lines of life,
And recorded dates are very important for us;
But with a golden handshake to curdle me like cheese.
The pursuit of perfection,
Where the brains are will also be the muse;
And like the electricity made out of swine manure.
You're as sweet as the sugar and as hot as the pepper!
But patience pays a lot in life;
And the histories of men are full of the rivers of waters.

Edward Kofi Louis
Like Countires Without Borders

The situation,  
Heightened! !

The stalemate,  
With political tension!

Like countries without borders,  
Still waiting for solutions.

Edward Kofi Louis
Like Crocodiles

Illegal lust,
Pleasure things,
Worldly items;
Like crocodiles in a river.

Nature!
The weather acts in its own ways;
Bringing in the rain and, the heat.
Hour, our!
Like the muse of a River God at the meeting point of an estuary;
Close to the area! !
But, with an eyesore because of worldly pleasures.

Each, leach!
Like a stram of poisonous liquid;
Floating around,
Frustrated! !
With the lust of the nakedness of this world.

Edward Kofi Louis
Like Daylight In Your Eyes

The truth is like daylight in your eyes!
So, listen to the works of the truth and live in peace with your neighbours;
By respecting all mankind with the joy of your heart.

Edward Kofi Louis
Like Eden

House,
Freedom!
After slavery,
With your muse,
And, at the old road;
But, come to me with your love!
And, i will make your wilderness like Eden.

Edward Kofi Louis
Like Five Wise Virgins

This crown is for my sweet woman,
And like the five wise virgins;
But let no man take your crown away.

Edward Kofi Louis
Like Goads

The words of the wise are like goads,
And of words of delight that lights the heart!
But you went very deep into me like well driven nails,
For your vines tendered grapes for me to be around you.

By night on my bed i sought out for him who i love,
But i couldn't find you among the lilies;
And in my sweet dreams i held your arms,
And today you are my beloved and i am yours.

Edward Kofi Louis
Like Heaven

Being here is like heaven to me!
So i have to be very careful in using all the advantages around me.

Edward Kofi Louis
Like Hunters

Activity,
Paranormal;
The council!
The time,
With a psychodrama;
Like hunters in the jungles of war.

Edward Kofi Louis
Like Indices And Surds

Wit,
With witness;

Eyewitness!
With you;

Withal,
Wither!

Withdrawal,
With or without! !

Witter,
Witting,

Withstand,
Withy!

Withdraw,
Withhold!

Witty,
Like indices and surds.

Withal,

Edward Kofi Louis
Like Jewels

Where has my beloved gone to?
For her eyes are washed with milk and,
They are set up like jewels.
Oh! By the rivers of waters;
And of the bed of roses with the spices of love;
But, the towers of perfume brought in the aroma,
And, she is distinguished among ten thousand.

Edward Kofi Louis
Like Moonlight Dance

Yellow petals!
The kiss;
Adore! !
Reflections of the red rose;
And like moonlight Dance.
Joy!
Sensuous;
With the beauty of love.
To embrace,
To kiss,
Meeting in the middle;
Like a view from afar.
The kiss!
With the armour of love;
The approach,
Lost into the eyes! !
Closure,
Blues,
Vibes,
With the waves;
But, the wedding tree stood tall!
With the luscious red.

Edward Kofi Louis
Like My Sister...

Oh, if you were only like my sister;
Who mused at my mother's breasts!
But you are now bartered into the land of your muse.

Life is like a spiced wine,
But loving you was the way ahead;
So take the white envelope and open it,
Because my hope is what you need on this love.

Edward Kofi Louis
Like Onions

Opinions!
Like onions;
And like champions,
With the union of the hearts in love.
Emulsion!
Ions,
Lion;
Conclusion,
Expedition! !
With a visit to Africa;
But, correct all your mistakes and, be perfect in life.

Edward Kofi Louis
Like Rain

Let my teachings fall on you like rain!
And, let the truth be turbulnet like water;
With the muse of true-love from the winepress.

The wine drinker,
With food on his or her table;
But, let the muse of the truth be with love.

On the wings of an eagle! !
With the muse of the manna from heaven;
But, let my teachings fall on you like rain.

The truth is like a pleasing aroma,
Like fine flour mixed with oil;
preparing your food with the laws of peace.

It's now time to teach!
It's now time to read,
It's now time to learn;

Because, action speaks louder than words! !
Considering what others have done in life,
And, taking up the muse of the truth as the key.

Edward Kofi Louis
Like Rhythm And Poetry

Life!
Like rhythm and poetry;
Teaching you what is right and what is wrong,
So, you do have the choice to choose righteousness.

Life!
I am here now with my works;
Teaching across the muse of love,
With peace in my heart as i go along.

Life and hardships! !
No matter how hard it is,
I will always come out successful.

Life!
I am now holding my head up to succeed in all things;
For, i have been too long in the rain.

Edward Kofi Louis
Like Rita

She looks like Rita my classmate when,
I first saw her;
And i was very surprise to know that,
She is also called Rita!
Oh, what a wolrd! !

Edward Kofi Louis
Like Sunshine!

Peaceful,
Like sunshine!
For, we are all winners in this life;
If we serve all mankind with respect.

Edward Kofi Louis
Like The Basin Of The Yukon River

I am in love with your sweet muse,
And like the basin of the Yukon River in Alaska! 
But, another man came for you when i was ready to marry you.

Eventually,
Of the founder,
To the general public!
And, as described;
From the obscurity of things around us like the supply of water,
And, i gave up everything in my life because of you! 
But, you finally gave yourself into the hands of another man.

Edward Kofi Louis
Like The Code Of Your Life

You have to play with the donkey,
You have to get the monney,
You have to get the honey,
You have to see the monkey;
For, the key of life is now beside you.
The muse of life!
Like the code of your life in the land of plenty;
But, it was just one face,
And, just about the muse of love.
The code of your life!
It was just one switch;
And, one opening in the land of your muse,
But, you have to get the money for the honey.
The muse of life in the land of your muse!
It was just one box for you to open;
But, you have to play with the donkey before seeing the monkey.

Edward Kofi Louis
Like The Days Of Noah

Like the days of Noah,
So shall it be my friends;
Stop! Look! ! Listen! ! !
Out of two came many,
And out of eight came the multitude of all generations!
The vision of visions and the creation of creations,
From Adam and Eve to the days of Noah;
Down to the Niles of Egypt of the Pharaohs,
Like from Ur to Rome to all the descendants of mankind.
Come my people and,
Stop, look and read!
Roses are red and violets are blue;
But my love is whiter than the mixer of the two.
Watch!
For the hour comes when you can't even take up your purse;
Stop! Look! ! Listen! ! !
Two of the many and eight of the multitude,
For the days are closer than ever before.

Edward Kofi Louis
Like The Days Of Sodom And Gomorrah

Illegal lust!
Living today like the days of Sodom and Gomorrah;
With immoral characters,
Dancing with the Devil! ! In the name of your Evil Acts.

Edward Kofi Louis
Like The Devil

The person on the phone sounds like the devil!
And i am listening very patiently;
Because, silence is the best answer to the fool! !

Edward Kofi Louis
Like The Dolphin

I am very lovely to your heart,
But you are hiding your love from me;
I am very sweet to your mind,
But you are hiding your face from me;
But one day, i will swim like the dolphin to get to you.

Edward Kofi Louis
Like The Dragon And The Tiger

Like The Dragon And The Tiger

Life!
Like the dragon and the tiger;
With the golden sword in your hand.
Muse!
With the green sword;
Love!
With the red sword;
Joy!
With the blue sword;
Going through life with the muse of peace.

Life!
Full of laws;
Needed by all of us to live in peace.
Life!
A sword alone has no power;
Like the muse of the gun! !
However, unless someone uses it to kill.

Muse!
The fox is now on the tree;
Because, in the adult world,
Stealing is prohibited.

Of the orange fruit and the orange colour,
Of the red rose and the red colour,
Of the blue sky and the blue colour;
Moving along in life with the rule of law!
Because, if you open your handsto all in peace,
You will reach out to the world.

Edward Kofi Louis
Like The End Of A Prayer

Something!
Anything,
Nothing;
Like the end of a prayer said in silence.

Regular emplyment,
With the wisdom of a native land;
Muse, love, peace!
With the vital difference.

False assumption,
Like the price of a dog;
But, where is the mountain of love?
Search for it and find your rest.

Pure rivers of water!
Pure river of love;
Where is the river of peace?
For, this modern world needs peace than war.

Edward Kofi Louis
Like The Finest Crystals

Love!
Slowly you exposed the secret palace;
Marvelling as you went deeper,
Like the finest crystals.
Life!
With the pure beauty of sweet love;
But, it could have been me on this mission.
Love!
Taking care of you;
Reluctantly in the sweet arms of peace.
And, sharing your mind with joy.
Muse!
With just and kind words of love;
Reaching out and touching your heart.
Life!
Living and loving the ways of the laws;
And, leading you on in the truth.

Edward Kofi Louis
Like The Fire!

Illegal lust,
Kindle in the thickets of the forest!
As it devours the briers and the thorns.

Illegal lust,
Wickedness burns like the fire!
And, with folly.

Wrath!
Deceitfulness;
And, woe to those who decree unrighteous decrees! !
To those who write the grievousness they have prescribed.

Illegal lust,
To deprive the needy from judgment;
And, to take away the right from the poor!
Putting us into trouble on this earth.

Edward Kofi Louis
Like The Floods Upon The Dry Ground

From the wombs and into the world!
But with many bombs around mankind;
And like the joy of the muse of love with your partner,
But pour water upon him of her who is thirsty!
And like the floods upon the dry ground.

Edward Kofi Louis
Like The Flying Leopard

Life!
Like the flying leopard in th jungle;
But, i am now finding my way home,
Because, i heard the call.

Life!
Still searching for the star;
And, being patience because,
I am on a mission.

Love!
I will never give up on you;
Because, i do have my dreams as well.

Love!
To be faithful and loyal;
Moving along with the muse of peace,
In the land of the flying leopard.

Love!
With all my strength and,
With all my heart;
To hold up in high esteem to the truth.

Get, let, set, wet! !
Like the flying leopard in the jungle;
But, i am now finding my way home,
Because, i heard your call.

Edward Kofi Louis
Like The King In The Ring

Bring me your love!
Like the king in the ring;
To swing away with the joy on the wings of peace.
Wing, swing!
With joy and with understanding;
Awareness!
But, the Spanish conquistador invaded the Amazon.

Ignorant and inferior!
The very ways of life at times;
But, bring me your true love like a king in the ring.
Miss, Missouri!
With the muse of the red bay;
Awareness!
And, bringing joy to my heart.

Edward Kofi Louis
Like The Kwaku Ananse Story In Ghana

Sign, signal!
Like the Kwaku Ananse Story in Ghana;
To see his face and to hear his voice,
In a country with a vision.

Map, lap, gap, nap, sap, tap!
Friendship and love,
To be in control;
With the hands of peace and joy.

Creative!
To fulfil your dreams in life;
Getting what you want in each year,
With a comfortable view of nature.

The muse of life!
With the memories of love;
Like a flying seed.

Before the storm;
Living in a birdcage;
Like the Little owl.

Love!
Maybe one day you will remember me;
Love!
Through your eyes and, through my eyes;
Gate, navigate!
With the muse of peace and joy.

This joy!
This love;
Between me and you,
Flowing with milk and honey.
This love!
This joy;
Between me and you,
Bringing hope to us.

Edward Kofi Louis
Like The Meat

The untended vines like the African Slaves,
With fifty-two bottles of wine in the hand;
Of a man's livelihood,
Like fifty-two days of summer for his lover.
When will i see you again?
Of fifty-two roasted chickens in a year;
Please, do not kidnap anyone.

Life lis like that,
And the silver trumpet must be sounded;
Like the first tenth of all our increase.
Do not mistreat a stranger,
Because the living knows much than the dead;
Train yourself with words of peace than war.

Do not steat from your neighbour,
Because the dead know nothing!
You should not destroy fruit tree during times of war,
Of a long hair like a rope for peace;
Let your relatives talk about the best things in life.
Of a short hair,
Like the meat of the consecrated offering;
Do your best at all times.

Edward Kofi Louis
Like The Moon's Crescent

Vibes,
Tribes,
Veils,
Beauty!
Like a well-set hair;
A righteous work,
Hospitality,
With your desires like,

And like the muse of your love,
But it is time for me to say, bye-bye!

Edward Kofi Louis
Like The Rainbow

All the colours are needed in life,
Because, they do have their respective meaning;
Sharing with love and playing the role with the muse of nature!
And, the purpose of the colours is the rainbow.
All the colours together bring about unity and love,
And, with the harmony of life when they are mixed up together;
So, let the colours of the rainbow teach us how to be together with each other,
And live in peace without hatred and war.

The muse of life and the sweet muse of nature!
To the place of love and, of all that i could see and touch;
Seeing the colours of the rainbow up high to satisfy my muse,
As your sweet love came along and touched my heart with joy.
The concept,
To spread across!
The concert,
To motivate the people!
And like matured men and women with the muse of the truth in the land.

Naure!
With the colours of love;
And like the muse of the rainbow seen up high in the sky,
But, we all know what is right and what is wrong in this life.
Your thoughts!
My thoughts,
With the muse of the colours of nature;
As seen around us,
And like a through-bred person under the laws.

Edward Kofi Louis
Like The Rainbow Colours

Home page,
A kiss of homage!

To go out of the door;
Love,
With a prime and approach! !

With the joy of your heart,
Like the rainbow colours.

Edward Kofi Louis

But, you left me and married another man.

Edward Kofi Louis
Like The Roaring Of The Sea!

Outside it,
After it;
Inside it,
Before it;
Within it,
Under it;
Like the roaring of the sea!
Submarine,
Submission,
To flow to it,
Coming though it,
To go to it,
To go through it,
Passing through it,
Walking through it,
Serve, preserve! !
Health,
Joy,
Gladness!
And like the lower bed of the sea.

Edward Kofi Louis
Like The Shadow

Consider the lilies and learn from them,
For this sickness around your people is spreading out from person to person!
And like the shadow of terrorism without a clue,
But your eyelashes are there to be seen.

Of the innocent children to stage a play on this issue,
Because the youth are aborting pregnancies like the pagan antiquities!
And to hide under a married man's bed is now the news of the town,
But having three eyes and three breasts means a lot!

This epic win is like a snake eating a frog,
But purely purge away your dross before coming to me!
Forn it takes a village to train a child,
But consider the lilies and learn from them.

Edward Kofi Louis
Like The Smoke River

You want it,
I want it,
With the shades of love;
Able to see through the veils of joy!
Like the Smoke River.

Black Dwarfs,
White Dwarfs,
Brown Dwarfs;
Night sky! !
With the muse of the visible planets in the land of your muse.
The muse of life,
Soft landing!
Moon phases,
With the muse of the universe;
And, like the bull's eye.
Verse, universe!
Earth's night sky;
And, with rthe muse of the spiral galaxy! !
Like the tail of the swan.
The muse of life,
With the muse of sweet love;
And, to understand the ways of nature.
May, say!
To open the minds fo the future;
But, the sweet muse of your love towards me flows to the end of the river.
Gut, glut!
Finding your way out;
But, seek for me and, you will find me at the other side of the river.

Edward Kofi Louis
Like The Waters

Mystery Babylon! !
And with so much salt on my lips;
But the entrance of your love is now in the bush!
And like the waters by the spring of love.

Edward Kofi Louis
Like The Ways Of Your Life

Assured
Rely
From all their problems
But to pray regularly in the faith
Being filled and empowered by the Holy Spirit
And to advocate on this muse is like the ways of your life

Edward Kofi Louis
Like The Wings Of Love

To gaze at me is like the wings of love,
And to learn from me is like the muse of peace;
For i am left alone in the garden of love,
And i need you to be around me.

I am well to look at and you are well to look at,
She is well to look at and he is well to look at;
But i have to teach you my duty when the morning comes,
For peace is the muse of my sweet love.

Old age has yet his or her honour and,
To gaze at me is like the wings of love;
But i am like the loneliest fish in the lonely sea,
And like the muse of your love which toils daily to succeed!

Edward Kofi Louis
Like Tomato Soup

This coup is like tomato soup!
With blood all over;
With the muse of the wickedness of mankind.

Edward Kofi Louis
Like Trees And Bees

Teaching the laws,
Preaching the laws,
Reaching out to all!
For the peace of the earth;
With a successful story,
Like trees and bees.

Edward Kofi Louis
Like Vile Figs

Rage,
Outrage! !
Villainy,
Like vile figs;

War!
The quiet nights are now broken;
With the bullets of war,
And the noise from the bombs.

Edward Kofi Louis
Like Yaaqob

Of men like Yaaqob,
With righteous examples to respect his muse;
For the husband is the head of the wife,
And like the called out ones who are subjected to the Messiah.

Edward Kofi Louis
Like, Alike!

Washing,
Alone,
Solitary,
Separation,
Like, alike!
But, the Creator has seen everything;
As we play our cards on earth.

Edward Kofi Louis
Like, Dislike!

Like, dislike!
That is the way of the world;
Someone may like you and,
Another person may hate you.
Hate, state!
With the ways of mankind on this earth;
Somebody may like your works and,
Another person will hate them.
Like, dislike!
With the muse of the earth;

Likimani

Statute, astute!
Likimani, man, in, main, kin, mail, Mali, Ali;
Statements! !
To make them available,
And, in the company of friends and acquaintances.

Complete!
On receipt;
Like the foremost attitude among them,
But, with the lack of trust between them.

On, don!
To take the next level;
And, to watch the final match,
Between them.

Mediocre!
For ages;
And, to wet your pants just because of illegal lust.
Foot, hoot!
Unthinkable.

Edward Kofi Louis
Lilac

Let sleeping dogs lie!

If your finger is in the mouth of a lion don't shake it;

A name is better pronounced by the bearer,

A poem has many interpretations but, the writer has much to say about it;

An Art piece of work has many meanings but, the artist can say much about it;

Counterpart, corresponding, compound, helper!
To address the meeting and, to press on for your demands with a lilac dress on.

Edward Kofi Louis
Lilies For My Lovers

Let me gather lilies for my lovers and,
Let me watch the stages of my muse;
For, i have sixty queens and eighty concubines!
And, virgins without number.

Come, oh virgin daughter of a mother! !
For you are the only daughter and child of your mother;
Come to me with your sweet muse of love and,
Let me gather lilies for you as well.

Aid, said!
All said and done;
Are you single or married?
For, i am now at the Channel Islands with my muse.

She, he!
Misplaced priority;
Win, winter!
Read it for yourself and come to me with your sweet love;
And, let me gather lilies for you.

He, she!
Boys Company;
Europ, rope!
Girls Company;
Come to em with your sweet muse of love and,
Let me gather lilies for you.

Edward Kofi Louis
Lily

The inspiration of love and the hope of your dreams,
And of my poems to mankind to gain wisdom;
But you are my lover behind the veil.
Life today is like,
The government of the people and by the people;
And in this last generation to look for a lover,
But the scriptures are there to guide us all.
Your name is Lily and I love you,
And like the promises made all over the world!
But you are my lover behind the veil.

Edward Kofi Louis
Lily In One Hand

The frong jumps into the water and,
The tadpole swims with joy!
But, how was it when you first made love?

Give me my medicine and i will tell you the truth,
Give me the roses of love and i will tell you the past,
Give me the peace of the mind and i will tell you the future;
For sex to some people is like taking tea daily!

Whether they are married or not,
Whether they are in love or not,
So learn how to plant a cocoa tree at the right time,
For broad is the way that leads to hell!

The sun for the blacks and the cold for the whites,
Summer for the blacks and winter for the whites,
But, what are people suppose to do in heaven?
For the great wine is now on the table.

Misruled by kings,
Misruled by queens,
Misruled by rulers,
Living in a foll's regime;
But the earth fades away,
And i will blossom like a lily.

You have tasted the flowers of her love,
But i will shine like a star!
And like an olive tree in the land of joy!
But in plausible situation,
The trees of her garden are what attracted you!

A man 46 marries a 20 year old lady,
The difference is 26;
A man 58 marries a 32 year old lady,
The difference is 26;
A man 43 marries a 17 year old lady,
The difference is 26;
And they all ate the food of love!
But, a nude woman bestrides a lion with a lily in one hand.

Edward Kofi Louis
Limbo

Green lines and blue lines,
Where is the muse that you promised me?
For i am still waiting in the land of limbo,
And how cam i shine without the help of the sun?

Edward Kofi Louis
Limit

Tempo!
Limit;
My brain,
Your brain,
Einstein's brain! !
In common;
And of your acts!
But, to drive us apart with negative minds.

Tempo!
Limit;
My brain,
Your brain,
Einstein's brain! !
In common with your muse,
In common with my muse,
But to hold us together with positive works.

Toad, load, road, broad!
Ignominious,
Tent, intent;
test, attest;
Mutter, butter, cutter, utter, gutter, putter! !
But, let us all try to do positive works only in this life.

Edward Kofi Louis
Limited

White stone,
Black stone,
Red stone,
Limited;
Nice look!
But, believe in yourself;
And, do what is right for others to follow.

Life, peace, joy!
With the muse of the fighting spirit in the right direction;
Under the laws and,
Believing in yourself.
Wave, save, slave, brave, rave, have, cave, crave, clave, pave, shave!
A catchy phase,
Pleasant to your being;
but, colourful like flowers.

Edward Kofi Louis
Limped

He limped on his hip,
Under the yoke of tyranny!
But, let the truth be bare to you today!
Because, you are running out of time.
Guesswork,
Not in need;
But, the truth is now bare to you! !
So, don't close and seal up the works of righteousness.

Edward Kofi Louis
Linda

Love is not a decision,
It comes straight from the heart;
Love makes the blind see and,
The deaf speak;
Linda, you are all that I have.
From the land of sweets to the land of romance,
From all that we share in common;
Love is really not a decision.

Edward Kofi Louis
Lindsay

Lindsay, say, in, day, land, and, sand;
Intensions!
Institutions,
Intuitions,
Aware of your love;
With ther knowledge of the land.
Intelligence!
Lease, release, please, ease, cease;
over the matter,
The matter of your lover in the land.

Edward Kofi Louis
Line, Cline!

Line, cline!
'Adagonia Digitata';
Fleshly,
Contortionism,
Sexual desire!
Each passing week;
Anomaly.
The Juju-Man!
Raising mankind-boggling;
Line, cline!
And like the winter you're waiting for.

My sweet love will lead you on to peace,
My sweet care will guide you on to the land of joy!
But, how can you stop the sun from rising up from the east?
Because, deep down in your heart, i am always in your mind.
Gold, Gold, old, do, log, dog!
Like the Golden Duck;
Wet, sweet!
Yesterday a war-drum and, today a king;
Golden, Gold, God, old, den, lone, one, on, no, led, dog!
However, life is like the mosaic.

Edward Kofi Louis
Line, Liner!

A perpetual statute,
The truth is forever!
So, open your eyes and start to see the right from the wrong.

Line, liner!
With a change of heart and mind;
Gaining the status of the truth always,
And, living in peace with your neighbours.

Edward Kofi Louis
Muse!
Walk the line and,
Stop drugs and live;
Line, live!
Be straight and follow the rules;
True love!
Very pleasant in appearance.

Clash, lash, ash!
At the durbar;
But, peace is better than war.
Late, lateral!
Musketry;
But, stop drugs and live.

Edward Kofi Louis
Line, Sine!

Line, sine!
With the works of peace;
Dine, shine, cine!
But, let the truth correct you always.

Edward Kofi Louis
Lined Up

Love,
You are now lined up with these feelings;
With all the things that you are going through!
Like an Amber found after the storm;
Tired up! !
Because, there is a man with you.

Edward Kofi Louis
Politics verses the power of the people,
With champions in action to silence the truth!
But your street dance cannot stop the governor,
However Linford wrote about the truth last night.

Edward Kofi Louis
Linger

Finger!
Linger,
Ginger;
With the muse the singer! !
Like the winger.

Edward Kofi Louis
Lingered

She lingered so lone at the place,
But there is more in your family than in your name!
And like a virgin betrothed to a man.

Edward Kofi Louis
Linizio

Stage, reportage!
Age,
Page,
Sage,
Image;
Linizio, in, ion, lion, loin, Zion!
Vantage,
 Advantage,
Passage,
Message;
Telling you a story with the muse of life.

Edward Kofi Louis
Linus

There are more than 120 million users of the Internet in China,
And there are over 800 million farmers in China too;
But, I am here to tell you more with your mind.
Who is having the best smile on my love?
Who is having the best smile on my success?
And Yahweh said: 'There shall be peace with you my son;
And you shall wake up in strength and others will be shamed'!
Linus, to rule Hebron and Jerusalem is an official duty;
But the water of the shaft of my love is towards you.
Of the ashes of the Red Geifer to guide us all on this love,
Put forward forever your prayers to Father Yahweh always.

Edward Kofi Louis
Lion Cafe!

Lion Cafe!
How safe is your place?
Hustle and bustle,
With the safety of the earth;
Knowing where to go for my coffee.

Edward Kofi Louis
Time and place,
To know the road towards my home;
For, the times now are like the days of Noah.
Place and time!
Back to my roots with the muse of love;
And, back to the bases,
With the muse of joy in the land of the living.
You will never believe in it!
But, i will Show you love;
True love without the bullets of war which comes from hatred.
The lioness,
On the rise! !
And now blessed with the muse of peace and gladness;
As i do take in,
Along the path of humility.
Time and place,
Butter and honey!
With the muse of the butterflies flying high with the wind;
Place and time!
Harmony and Money;
And, to know the road that leads to my house through the bush,
However, the days are like the days of Noah.

Edward Kofi Louis
Lip Service

A lip service!
Immediate steps,
Inward and outward moments;
Put in place to clamp it down.

I need help! !
But your unapproved routes are now noted.

Broom, boom, room, brands!
Polite;
With the heat of the muse of the sun,
But i will always put head on the pillow of the truth.

This glass wall,
To walk and talk;
Without a chalk in the hand.

Regulatory,
Authority,
Foward!
Allowing it,
To consider your ways;
With Underground structures.

Version, aversion!
Pound,
Found,
Dig, dignity!
A lip service,
But every year has its own stories.

Edward Kofi Louis
Lippert

Lippert, lip, top, pet, let, it, pipe, tie;
Years ago! !
With the muse of the history of the land,
And, with the laws in place.
Royal drummers! !
Horn blowers,
Palace poets;
Lace, ace, peace, race, trace, brace!
But, full of emotions.

Edward Kofi Louis
Lips

The lips of the righteous know what is acceptable and, what to say;
With the tips of righteousness and peace to all mankind!
But, the hips of the body only support the legs.

Edward Kofi Louis
Lips

Lips! !
Sweeter than honey;

Reward!
Greatest in your heart;

Sensual Love,
Like the deepest wine cellar.

Edward Kofi Louis
Lips Of The Righteous

With righteous words and righteous works;
Wisdom is found on the lips of those who have understanding!
The lips of the righteous feed many;
Because, the mouth of the just brings forth wisdom.

Edward Kofi Louis
Lips, Tulips!

Emotional girl;
Of the entrance,
And like butterflies and dragonflies!
Burst of love,
Burst of beauty,
Brand, brandy!
Waterfalls;
But, let us meet at the tulip garden.
Band, brand!
Version of love,
Vision of love,
Flying away together! !
With the flower girl along;
And, with the beautiful rose of love.

Edward Kofi Louis
Lipstick Building

Stick,
Pick,
Kick!
Lick,
Not to be sick;
Rick,
Nick,
Lipstick Building!
Seen around with your muse.

Edward Kofi Louis
Lipsticks

Lipsticks,
Nose, diagnose!
Lose,
Close,
Hose, rose!
Whose work?
At times it takes longer time;
To get there.
The writer!
The printer;
With the muse of our works,
On earth today.
Love each other! !
For that period of life on earth;
Before death takes you away.

To control it,
Liquid control! !
With the muse of nature.

Edward Kofi Louis
Liquid Crystals

Your love to me is now like liquid crystals,
And, that is why you cannot get away from your stories today;
But, as lonely as a pea,
Is the muse of your love like liquid crystals.
Pea, lea!
Follow the light and do not walk in the darkness;
And like outward acts of others without the winepress.
Plead, lead!
With the muse of your stories today in this village;
But, i have five loaves of bread and two small fish to share with you.

Edward Kofi Louis
Liquid Myrrh

Love!
Through the latch-opening;
Match,
Catch,
Watch! !
Yearning from the heart,
With the muse of life.
Liquid Myrrh!
Dripping with the muse of love;
By the rivers of water,
Like a bed of spices and the towers of perfume;
The truth,
Washed with milk;
The silk of true love! !
Like carved ivory,
Like jewels,
Inlaid with sapphires.

Edward Kofi Louis
Lirie

Churning,  
Abundance,  
Bourgeoisies,  
Admist,  
Fundamentally;  
And like a day-light robbery! !
But, Nigeria is the only OPEC member that is ranked among the 10 poorest nations in the world!  
However, we need to put things right to achieve our aims and objectives in this life.

Desired, imperative,  
Decision,  
Untapped,  
Ducked;  
And like Lirie your friend in the land of oil! !
But over there, the masses are very poor.

Edward Kofi Louis
Listen

Listen,
Swift to hear! !
Slow to speak,
Slow to wrath;
However, wrath is not the righteous way to take.

Edward Kofi Louis
Listen 2

Ward,

Forward!
According to the works of the truth;
Listen to the sounds of true-love! !
And live in peace with your neighbours.

With the muse of love and life;
And the changes needed to reach out to the world.

Edward Kofi Louis
Listen To Me

Listen to me if you can!
Read my lines if you will,
Accepted with the muse of peace and love;
Like the beginning of the human life with the muse of conception.

Mankind! !
Love and life,
A new life begins with the fertilisation of an ovum;
Pregnancy! !
A letter from the womb.

Love and dreams,
Overjoyed in your heart! !
Like the projects of life,
Supported with love;
Listen to me if you can.

Comprehensive,
Meaningful life!
Noted with positive morals;

Articulated;
In a joyful mood.

A child is born into the world;
Ready to face the problems of life.

Edward Kofi Louis

The cry of true love,
Come and touch my heart with your care,
With the hands of the truth and,
Bring joy to my heart! !
Into my inner self.

Edward Kofi Louis
Listen To My Love

Listen to my love and,
Give ear to me my sweet one;
For i am like a bottled-up wine and,
I want your love.
Where are your companions of love?
Seduce me with your love and,
Release me out of these chains!
And do not flatter me with your words.
My words are on the tip of my tongue and,
My lips utter the purity of knowledge;
But try to listen to me my love,
For this love is all about us.

Edward Kofi Louis
Listen To My Voice

Let the nations listen to my voice!
Through the muse of my poetry;
Because, PEACE is needed than war! !
Peace and love,
Unity and joy!
We need each other than,
To destroy each other.

Edward Kofi Louis
Listen To The One Who Teaches

The truth!
Listen to the one who teaches;
For peace than,
For war! !
True love,
Listen to the one who teaches!
For righteousness than,
Hatred and war.
Love,
To feed among the lilies of peace;
Beautiful all over,
Always ready for the truth.

Edward Kofi Louis
Listen To Your Father

Of the wood of Lebanon,
The voice of a turtledove;
Of the mountain of leopards,
The honey from the honeycomb;
Of the fruits of their doings,
The voice of an eloquent orator;
Of the harp and the lyre,
The skilful mind of the artisan;
Of the tambourine and the flute,
Like the sins of Sodom;
Listen to your father when he speaks.

Of the garden of nuts,
The fragrance of apples;
Of the shaking of the Olive tree,
The ships of Tarshish;
Of the loliiness of man,
Like the mountain of spices!
Listen to your father when he talks.

Of the waters of the Euphrates River,
Like the wells of salvation;
Of the top of the head,
Like the sole of the foot;
Of the roaring of the sea,
Like the rose of Sharon;
Of the children of one'syouth,
A message like an old male goat;
Of the sacrifice of fools,
Like the tears of the oppresssed;
Of the interpretation of a thing,
Like the son of a noble birth;
Of the works of man's hand,
Like the sun which rules by day;
Of the root that brings forth gall and wormwood,
The moon and the stars rule by night;
Listen to your father who begot you.

Of beautiful ornaments on your neck,
Like the virgin Miriam;
Of the Topaz of Ethiopia,
Like the springs of life from your mind;
Do listen to your father always.

Edward Kofi Louis
Listen To Your Heartbeat!

The black book,
The white book,
The green book,
The blue book,
The red book,
But, listen to your heartbeat!

Pressure drop,
With various acts;
Start, art, chart, hart, kart, quart, wart!
link,
From creation;
Overloaded!
With natural notes,
Heart, dart, fart, cart, mart, part, tart.

Pull up!
Screaming! !
Beat, meat, neat, wheat, seat, feat, sweat;
Stronger!
Free expression;
Heat, peat, great, threat, treat, cheat;
Music and culture,
Anthology,
Anatomy,
But look at their faces! !
Then you can tell who they are.

Edward Kofi Louis
True love,
Listen to your heartbeats!
Because, someone is at the door;
Someone is knocking at your door,
Calling and, waiting for your to open the door.

Edward Kofi Louis
Listen To Your Heart's Beat!

Listen to your heart's beat!
Because, it's talking to you;
About this new found love.

Champion the truth! 
With righteous laws,
With positive morals,
Because, this love is talking to you.

Life! 
To both young and old;
The truth is all that we need!
Able to bring peace to the world.

You are the first thing i think of whenever i wake up! !
Your love is felt,
Deep down with the joy of my heart!
With a beautiful morning and,
A bountiful evening to crown the day.

Muse, life, peace!
Being in your evening gown;
In my town i know the truth! !
Like the brown sand around;
But, your own crown on this love is with trust.

Listen to your heart's beat!
Neat with the muse of your joy;
Eventide,
To ride along!
Bride,
Not with pride;
Side! !
Slide,
Aside.

Listen to the world,
Listen to the people,
Listen to your muse,
Listen to your heart's beat! 
Because, i am the one knocking at your door.

Edward Kofi Louis
Listen To Your Heart's Beats

Listen to your heart's beats!
The way your heart talks to you on this love;
Between you and i! !
You can't sleep,
I can't sleep,
Always thinking of each other.

Edward Kofi Louis
Lister

Lister, list, rite, sit, set, let, rest, site, tie!

Fields of love,
Primarily with the fragrance of life;
And, to engage in the acts of peace and joy,
Under the eyes of the law.

Executives,
Patrons,
Long lasting relationships;
technically with the muse of the laws,
Just as in every game of peace and joy.

Edward Kofi Louis
Landlords and tenants,
Conceding with the muse of the selfish practices around;
But try to get rid of these bad practices in the society around you.

Ambiguous,
Necessarily,
Preventing;
And like the landlords and the tenants in your town!
For, i am Litau with the words of peace;
However, the continent of Africa needs help.

Edward Kofi Louis
Literary

Sensational experiences of love,
Of the expressions in literary and artistic works;
Self sacrifice is better than strange experiences.

Edward Kofi Louis
Structure!
Picture,
Literature;
Put your trust in my works,
Because, i am different.

Edward Kofi Louis
Little Black Eagle

Wilderness, weld, ends, sin, sins, seen, wild, wilder, wed, is, deer, dress, seeds, side;
And like a lion in the forest!
But, do not hide your love away from me.

Wilderness, see, sees, seer, send, seers, sends, sides, rein, in, seed, weeds, less;
And like a speckled bird of prey!
But do not hide your love away from me.

Wilderness, reeds, end, sine, weed, drew, welder, wine, sew, dine, reed, sews, wire!
And to find out why you are behaving that way to the people around;
For the pool of your love is like the black eagle on a hill far away! 

Edward Kofi Louis
'Little Dorrit'

'Charles Dickens' Little Dorrit',
With all the actions and the characters of mankind;
With adventures, love and greed!
Of the ways of life,
Of the muse of the land,
Moving from one place to another;
With poverty on one side and,
Riches on the other side.
Elements! !
Embattled;
With the stages of the play,
As one takes up the course of life.

Edward Kofi Louis

To upgrade my mind.

Edward Kofi Louis
Little Or Much

Attack,
Resist,
Enemies!
Little or much in the land of war;
But i have set my mind on you.

To the dead and to the living,
And like Mangales flying back to Malaysia!
With few or more things to the world so sweet,
But i do have my mind set on you.

Edward Kofi Louis
Little Professor

My parents told me that, they've got a school for me;
But, i said: 'My mind is already saturated with words! ! '
However, i accepted the offer and,
I went to the school;
And, when the teacher asked of my name,
I said; 'I am the Little Professor'.
Little Purple Flower Of Love

Little purple flower of love,
Seen closer to my window of peace,
Greeted with the muse of life!
And with the romance of nature,
With the aroma of the truth! !
Facing the fragrance of creation.

Edward Kofi Louis
Little Robin

One step forward two steps backward!
I am the little robin in your room;
So mind what you are saying on your phone,
Because all the fingers are not equal.

Edward Kofi Louis
Little Things

When will i see you again my love?
For you are bathed with avocado oil and cocoa butter;
And from your eyes to your lips with care,
But women are more jealous in nature than thought.
A tribute to the muse of your love,
And to handle it with care;
For little things do count a lot at times,
And i want to know when to smell your love again.
The light of the sun will guide you,
So, when will i see you again my love?
For the tears are very heavy in my eyes.
I won’t cry until i find you,
And like the amle and the female slaves around;
For the dark of the night is like the sound of the horn.
When will i see you again my love?
For you are in the arms of someone's bed;
But i will remember your pot of gold that led me on.
Little things do count a lot in life but,
Let the river take a bold decision on this love;
And tell it like it is as seen by many,
For the flowers of love are all over this river.

Edward Kofi Louis
Little Things!

Little things,
Advantage to help others;
To do your best,
And, to chip in a helping hand.
A month ago! !
With the measures of your love;
And, the strength of your mind.
Attitudes!
Living in a peaceful society;
Which is determined with the muse of the laws,
The laws of the land.
Humanity,
Institutions,
Little things;
With the capacity of your love,
Helping others in the name of peace.

Edward Kofi Louis
Little Weather

Operation little weather!
Thank you for everything;
For loving you had brought light to my heart,
And like the red apples in the land of your muse.
Operation little weather,
Where is Lady Moonlight?!
For a bottle of wine is okay for you,
But think twice of the children you've left behind!
And like the sunshine in my heart because of you.

Edward Kofi Louis
Little, Spittle!

Terrorists!
Why have you chosen me as your target?!
With the muse of your evil works;
Killing and destroying.

Little, spittle!
With the ways of mankind on earth;
Living without peace,
Because of hatred and war.

Edward Kofi Louis
My name is called 'Littlechild' and,
I am like the little child in your house;
But my brain is matured enough to teach you out there.

Entertain me with your love and let me teach you my ways,
For i am planted in a pleasant place of love;
And like matured grapes found in the wilderness with humour, peace and love.

And like the stories we hear around the world,
But put off your old practices in life and, live for the better.

Edward Kofi Louis

Lonely and arty-fatty,
I am stock to the pussy-footy nature of some aspects of life!
But just ask me and i will show some examples,
For the muse of this world is like the rainbow in the sky.

Oh, what an impetuous act of this imaginary world;
With the ratio by being on one's own admission,
But what can i say to the others?

Why this loneliness?
Lonely and arty-fatty with the imaginations of my muse on a sick bed;
But i heard the misty mystic bles afar off.

The wind blew and i heard it loud! !

And i am feeling the blues without a clue.
Oh! This is just a lonely night without you;
For, whenever i feel the blues,
I need you around to warm me up.
The muse of life!
This is just a lonely night without you in my arms;
Oh! My sweet Lover come and hold me tight.

What a lonely night without you!
Feeling the cold alone without you;
Hoping that one day you will be around me,
In loving arms to warm me up.
Oh! The stars could have been around to spell out our names;
So, come back soon my lover to feel my blues,
For, this is just another lonely night without you.
Oh! My sweet woman;
I need your romantic body around me tonight;
But, this is just another lonely night without you.

Lonely on my bed of roses!
Lonely in my room without you;
Never leave me lonely like this again.
Come! And never be too late on me my love;
Come and feel my blues,
For, this is just another lonely night without you.
The misty fog is all over and,
This is just another lonely night;
Oh! Come and be my lover tonight with,
The roses of love to crown the night.

Never go away always without a clue!
For, this is just another night without you;
Come and never be too late! 
Come and give me the clue to feel your blues;
For, this is just a lonely night without you.
Lonely night!
Lonely night,
Lonley night;
Come and feel my blues with the sweet muse of your love,
And, let us be in loving arms tonight.

Edward Kofi Louis
Lonely Nights

Lonely nights
Empty nights,
Without you;
My love,
My mind,
My heart,
My muse,
See, sea!
Salt and sugar;
Torch, touch!
Without you.

Edward Kofi Louis
Lonely Poet

Lonely poet,
Lonely is the muse of your mind when i am ready to listen to you;
For you are living in the 'House of Wonder' and,
You want to share your love with me.

3 out of 6 and 6 out of 7!
You are the lonely poet as seen sitting behind the door;
But i have a message for you because, i do care for you.

Edward Kofi Louis
Lonely Street

Lonely street,
Lonely heart,

Being very cold!
Looking for shelter.

Edward Kofi Louis
Lonely Tree

Lonely night,
The sky! !
Lonely tree,
Symbiosis!
On holiday.

A path into the forest of love!
To promise you;
Whole roasted coffee! ! !
Your muse,
With a hole in the sand.

Edward Kofi Louis
Lonesome

Lonesome,
Nowhere to go;
Even if you have somewhere in mind.

Lonely,
Abandoned everywhere!
No one cares for you.

Loneliness,
Still waiting for someone to knock at your door!!
And, to bring you sunshine.

Edward Kofi Louis
Long Day! !

Honey!
Money,
The key,
Donkey,
Monkey,
Long day! !
But, the job is now done.

Edward Kofi Louis
Long Enough

In,
Long enough;
Legendary,
Beauty,
Love.

I love my muse,
He loves his muse,
She loves her muse;
In,
Long enough!
With the muse of the legendary of sweet love.

Edward Kofi Louis
Long Hair

Long hair!
Beautiful body;
To touch your body,
To play with your hair,
Love and dreams! !
In the arms of love.

Edward Kofi Louis
Long Kept Secret

Long kept secret,
I love you and i want you to know;
For the meaning of your words and phrases are like my muse,
And we are on this love together.

Edward Kofi Louis
Long Plate (Lp)

Play the Long Plate (LP) with the muse of your love and,
Let me muse up with my mind and dance on this love!
For i can study the words of your songs to fly away in peace;
And i want to hear the muse of your songs all day long.

Here i am my love! !
So play the Long Plate (LP) of your song and let me enjoy it;
For you are all that i need and your songs of love are what motivates me!
And like the state of my mind in the land of plenty.

Edward Kofi Louis
Long Spoon

When i called no one answered,
When i spoke no one listened,
For nobody want to know the truth;
But if you are eating with Satan,
Then eat with a long spoon.

Edward Kofi Louis
Long Trips

Illegal lust!
The Devil is standing beside you;
Lust!
it starts very simple;
And, it leads you to hell.

Lust!
It starts very simple;
But, leading you to hatred.
Lust!
Taking long trips with your mind;
And today, you love sin than than the truth.

Hatred!
To broadcast it to the human minds;
And, people are ready to die today in the name of suicide bombers! !
Style, type, text;
With the animal in you expsoing your illegal lust.

Edward Kofi Louis
Long, Longevity!

You are very great!  
Because of your love;  
You are very lovely!  
Because of your mind;  
Arc, arctic!  
Your true love touches my heart and,  
I am deeply in love with you;  
Home is home!  
But, if your home doesn't give you respect,  
You will leave it behind.  
Long, longevity!  
Take along your secret torch in search of my love;  
Conga, donga!  
Let my sweet love find a place in your lovely heart;  
For, i am deeply in love with you.  
Long, longevity!  
Bridge, bride, ride, bid, die, be, bed, rid, ridge;  
The mystery of the woman,  
The mystery of the man,  
Heart, art!  
Of a place in the heart;  
True-love!  
Of a place in the heart;  
Turn, return!  
Like things concerning future events;  
In your heart,  
In your mind,  
In your land,  
Ready, already!  
Deep down in my heart;  
Supper, super!  
With the sweet muse of love;  
Supper, upper!  
But, let me find a way to your lovely heart.

Edward Kofi Louis
Longfellow

I will,
To start or to occur!
I could,
To love or to leave it;
And like a random bird flying along the muse of love,
But i am Longfellow in the land of your sweet muse.

Edward Kofi Louis
Longing For Love

Longing!
Love,
Longing for you;
Blessed be my heart! !
For knowing who you are.

Edward Kofi Louis
Longing For Many Years

Locusts or grasshoppers,
Eyes and ears;
Love! !
True-love;
Longing for many years to see you.

Love,
Pertaining to the truth;
True-love,
In all matters!
With positive morals,
Able to live in peace.

Edward Kofi Louis
Lonnie

Lonnie, lone, lie, no, on, line, one;
With the muse of your love,
As the rains came down.

Life!
To learn how to read and write;
With the sweet muse of your love.

Life!
You are not dwon because,
You are still alvie.

Love!
The truth is better when,
Things are done in the right way.

Edward Kofi Louis
Look

Look! !
At the works of the truth;
Moral works,
To encourage those who do stumble.
Many!
To be encouraged;
With the muse of the truth,
With love,
With tender love,
Look! !
At positive characters;
Peace and joy to all mankind without racism.

Edward Kof Kof Louis
Look Around You

Look around you and,
See things for yourself;
Mankind is so cruel! ! !
As one kills his or her neighbour.

Edward Kofi Louis
Look At It

It's new!
Look at it;
To brew the truth with righteous morals.

Dew, drew!
Like your stew;
The truth,
Only few are chosen! !
Able to understand the ways of life.

The crew,
Together!
With the screw;
Facing the work ahead.

Edward Kofi Louis
Look At Me!

Look at me!
Look at my face,
Direct,
To know my identity,
To know who i am;
Look at me,
A simple man,
For peace and love;
Ready to care for you with my love.

Edward Kofi Louis
Look At What You Are Doing

Hatred!
Known in your works and, in your doings;

War!
Love is not in you;

Gossip,
Look at what you've done to me;

Lies!
Look at what you are doing in this town;

Look, took!
And, you took away my glory because of your evil ways.

Edward Kofi Louis
Look At Your Records

Lust!
Look at your records;
Of your past life and,
Of your ways today.
Lust!
Going to the top and,
Using the advantage to kill others;
Illegal lust!
You’ve lost the saltiness in you.
Illegal lust!
You’ve now lost the flavour of the love in you;
Lust!
With the worldly tunes in your mind.

Edward Kofi Louis
Look Forward

Forget the things which are behind and look forward,
And try to reach out for the things ahead;
Men, brothers, fathers!
Woman, sisters, mothers! !
Forward ever with your dreams,
And like the muse of love in the land of peace.

The heavens will be dressed in fire and,
The elements will melt away in fervent heat! !
And like earth, wind and fire;
For your love is seen under every spreading tree.

Earth, wind and water!
Your love is seen on every hill;
But from the watchtower i will rest my mind,
Because you don't live by living alone! !

He is your life and he is your love,
She is your life and she is your love,
But at the end time the last will surely be the first;
And like the laws in the land of your muse,
But forward ever with your dreams! !

Edward Kofi Louis
Look Into My Eyes

Look into my eyes and,
You will see the love I have for you;
True love of Joy! !
With the beauty of nature around me.

Edward Kofi Louis
Look Up!

Set,
Up,
Setup,
Look up!
To see the wonders of the sky.

Edward Kofi Louis
Look!

Lustration,
Purity,
Original,
Brook,
Look!
Book;
To grow,
Depthless,
A variation! !
With the muse of your works.

Edward Kofi Louis
Look! !

Look! !
My affliction and my pain;
From the hands of the wicked ones,
Yes! !
The congregation of evildoers;
Bloodthirsty men and women! !
All those sinful ones.

Edward Kofi Louis
Look, Loom, Loop!

Sail, seal!
18 holes of the golf game;

Look, loom, loop!
To watch and wonder,
But, the truth is forever.

Be the difference,
Show your skills! !
Offering help for others;

However team work is the key towards unity,
And, purer eyes always seek for peace.

Edward Kofi Louis
Look, Relook!

Look, relook!
A book at the brook;
Muse,
Use;
Song!
A long song;
Floating through the air.
Muse,
Fuse,
Along the way;
To think,
With the muse of your mind.

Edward Kofi Louis
Looking At Your Face

Looking at your face,
Day and night;
Bringing joy to my heart.

Looking at your face!
Having the opportunity to put a smile on my face,
Even though you are a mile away!
You're dear to me.

Edward Kofi Louis
Looking Beyond Your Eyes

Love,
Looking beyond your eyes;
This Love,
The truth in your eyes!
Dreams,
With joy;
With the muse of your beauty.

Edward Kofi Louis
Looking For Edward

Flight!
Light,
Sight,
Insight,
Might! !
Right;
Looking for Edward.

Edward Kofi Louis
Looking For Food

Eagles,
Vultures,
Flying around looking for food;
As they take a view of Africa from above,
In view of the Rift Valley.

Edward Kofi Louis
Looking For Job

Looking for job and,
Being at your office today;
Beautiful woman,
Take me in and, give me a job.
Beautiful woman,
Attractive lady!
Give me a job;
And, get me into your company,
For, i want to expose my talents to you.

Edward Kofi Louis
Looking For Kofi

Search,
Looking,
Lovely,
45 years after!
Looking for Kofi;
For a reason.

Edward Kofi Louis
Looking For Louis

The bright kingdom,
The right mind,
Lovely insight!
With the might of true love;
Looking for Louis.

Edward Kofi Louis
Looking For Something

Grain, rain!
Along the ways of nature,
Very wet!
With the muse of love;
Very dry,
With the view of the dry land ahead of you.
Ginger and pepper!
Looking for something;
preparing your food,
The food of love.
Very soft,
Very sweet!
But, with the view of the dry land ahead of you.

Edward Kofi Louis
Looking Forward To It

Love!
With tears and joy;
Love!
Showing you this very way to this very thing;
With hope, care, peace and unity.
True love!
Looking forward to it;
Love!
Gathering the gold;
And, with the muse of peace to lead you on.
Love!
Let it always lead your ways;
Love!
It's right here in front of you;
So, be wise in doing what is right always.

Edward Kofi Louis
Looking Out

Serving, caring and looking out for the well being of others,
Of an honourable expression to gain your muse,
But many are those who need help around us.

Edward Kofi Louis
Looking Up

Pelican Cafe’,
Italian Girls,
Playing it again;
And, looking up.
Love,
Muse,
Care,
Romance,
Compassion,
Emotion;
With the guitar.
Ground, round!
Full bloom;
In view,
Inside and outside,
With hope,
And, with the desire of love.

Edward Kofi Louis
Looks

The looks,
The eyes;
As you walk and talk.

Edward Kofi Louis
Loom

Life,
Loan,
Live,
Lone,
Long!
Longing;
Laws,
Lawn,
Look! !
Loon,
Loom,
Lane,
Line,
Land,
Lime,
Lift,
Left,
Love;
But, is this the future? !

Edward Kofi Louis
Loom 2

Boom! !
Loom,
Bloom,
Room,
Broom,
Groom,
Gloom!
Classroom;
Learning,
With the muse of life.

Edward Kofi Louis
Loopholes!
Doing dubious deals today;
But, we are all strangers on earth,
Learning to become perfect one day,
So, utilise your time for positive morals.

Edward Kofi Louis
Loose Or Tight

Loose or tight!
Light,
Sight,
Stable,
Table,
Insight,
Notable,
Delight.
Bright, right!
With the might of the truth;
Loose or tight!
Taking a flight with the truth.

Edward Kofi Louis
Loose!

Loose!
To miss or,
A lose;
End!
To fend for herself.

Choose!
In this life,
For positive or negative;
Tend, trend!
Suckling.

This is my story,
And, that is your story;
The strain! !
The train,
The rain;
Pain, chain!

Edward Kofi Louis
Loose, Lose!

Illegal lust!
Leading to the explosion of sins;
All around us today.

Life,
Very refreshing;
But, are we ready to repent from our sins? !

Then, think twice;
For we need peace than war!
Putting the world in disorder with our negative acts.

Loose, lose!
With the hose beside you;
To called a terrorist or, a peace maker.

Edward Kofi Louis
Loosed

The dragon!
Loosed,
Partake,
Laid hold;
But, you must show love to your fellow human being! !
And like the walls of love in the land of your muse;
However, this issue is very true!
And, everyone knows the kind of controversies it generates.

Edward Kofi Louis
Lopes

Lopes, pole, poles, sole, so, pose;
Your video!
My video;
Your audio!
My audio;
Like the muse of Beauty and the Beast,
But, i am always who i am in this land.

Love!
To be in touch with you;
Love!
Working assiduously to get to your heart;
With the muse of peace and joy.
Life!
The bottom of the matter is,
I love you.

Edward Kofi Louis
Lora

Everything have been settled and i want your muse,
And like Mama's cry in the land of widows;
But Lora will meet you next week.

Edward Kofi Louis
Lordina

Deeper and deeper!
And of your words and of your actions;
But, a Nun's daughter is what you are.
You're like the predators of a remarkable act,
But, my body is talking to your body today;
However, your name is Lordina.
Lordina, lord, rod, load, road, aid, and, or, in, on, lad, no!
Cultural heritage;
But, feel the ram's naked powers on the road!!
Illustrated with your love and the muse of peace,
Cult, culture!
And like the ink of a bard writing the words of love.

Edward Kofi Louis
Lore

Those tears will show on your face because,
I did my best for you!
And you left immediately out of the waters of love.
You are now like a sheep in the midst of wolves but,
You should not seek after your own fantasies;
Because the laws are there to guide you on.
By the way of the sea of love,
And by the way to walk along straight to meet Lore your lover;
There i sat down waiting for you,
Because those tears will still show on your face!

Edward Kofi Louis
Lore II

The bush is due to be cut down,
Because i want a way through it to meet your love;
And like the truth and the rights of Lore my neighbour.

Edward Kofi Louis
Lorel

The Catholic Church started from Rome,
But i saw your nakendness walking across the street of love;
And like the Angles and the Saxons in England,
But my sweet name is Lorel.

Edward Kofi Louis
Loreley

Why are speaking like the dragon?!
For the word 'Amen' came from the Pagan God Amen-Ra!
And like the first ripe fruit upon the tree,
But listen to Loreley to guide you on.

Edward Kofi Louis
Lores

Hot like pepper,
Sweet like sugar,
White like snow!
To be with you and to have my faith in you;
But my impure rites are what you have to clean,
And i am lover called Lores.

Edward Kofi Louis
Lose, Sole!

Lose, sole!
Fantasies,
Intricacy,
Complexity,
But it was with you.

Love!
Within,
Thereafter,
Without;
Hereafter,
Wherever and whenever!
Screwed;
Dr. Diamond,
Dr. Gold! !
Dr. Silver;
Muse, fuse, use!
But music can destroy your brain.

Edward Kofi Louis
Lose, Loose!

Love,
To have it for you;
And, to live along with it.

Lose, loose!
But not with the ways of the land;
And to have time for you always.

Edward Kofi Louis
Lose, Loose!

Lose, loose!
Whose?
Those;

Yourself,
Myself,
Ourselves,
Themselves;

Chose,
Nose,
Hose,
Prose, pose, rose!
The purpose,
To propose;

With those items over there,
The Landscape! !
With the muse of the land.

He doesn't have my Notes,
She doesn't have my Notes,
But you had them last night;

Lose, loose!
With the muse of Summer's rain;

Outstanding!
Like the muse of winter's rain;

But i didn't have any idea that,
You were still searching for my works;
As they are today.

Edward Kofi Louis
Losing Your Temper

Losing your temper is like,
Losing your control in life!
For, it is not what enters a man makes him right or wrong;
But, what comes out of him,
Out of his mouth.
This world is a stage for us!
But, your filthy words will always hold up on you;
So, try to hold your temper and learn from the truth!
Because, your temper is as bad as a man with whitlows on this ten fingers.
Make a change in life and keep on moving on with the muse of the time!
For, a man of honour does not need to fight like you do;
The muse of life and the muse of true love!
To access them with the sense of maturity;
Following after the laws with a positive mind,
And, bringing peace to all than, with a temper like this.

Edward Kofi Louis
Lost

Life,
Deep in the bush!
Lost,
But, i still have hope to find my way through one day.

Lost!
But, i will never give up on my dreams;
Searching my way through,
Deep in the bush.

Edward Kofi Louis
Lost 2

All these women!
All these girls;
But, you've lost the taste of love.

Edward Kofi Louis
Lost 3

Lost in the garden of evil!
Only with hope to find my way out one day;

Lost in the house of hatred! !
Still searching to find my way out;

Bring joy to my heart! !
Not war;

Bring love to my body!
Not hatred;

Bring peace to my soul! !
Not destruction;

Seeing the ways of life around me today,
Only with hope to find my way out.

Edward Kofi Louis
Lost Hope

Throes,
Hoes,
Toes,
Shoes;
Lost hope,
Sadness.

Edward Kofi Louis
Lost In My Dreams

Oh, what a summer!
My precious love where are you?
I wanted you and i needed you to come back to me;
But life is not fair when you are gone forever!
I am still lost in my dreams,
Thinking of you daily without a clue;
My precious love where are you?
The weather is too cold and i need you,
Like the dream of the changing seasons;
Oh, what a winter!
My precious love where are you?
It is time to move on to crown my day without you.
How much i needed you in my arms,
How much i wanted you in my arms,
For you are very excellent in love my sweet one;
Like a plant planted by the river side.

My precious love where are you?
The sun is heating on me without you;
My precious love where are you?
The snow is falling on me without you;
My precious one where are you?
I am still in lost in my dreams and i need you.
The vegetation is green and i need you around,
But life is not so fair when you are gone forever!
I am lost in my dreams and i need you.
My precious love when will you come back to me?
I know how much i needed you;
My precious love where are you?
I know how much you wanted me;
Come back to me oh my sweet one;
For i am lost in my dreams without you.

Edward Kofi Louis
Lost In Space

Imagination!
Cost,
Most;
Living with ideas,
Post, host!
Lost in space;
But not in a 'Ghost Town'.

Edward Kofi Louis
Lost In You

The cost!!
Most of All,
Lost in you;
Host!
Like the ghost.

Edward Kofi Louis
Lost In Your Waves

Swelling sea and rising waves,
Find a place for me to fix my love in;
And like the muse of my friends around the world,
For a river without water is no river!

Today is your day and yesterday was mine,
But the morrow comes and i will be lost in your waves once again;
So find a place for me to fly my love in.

Edward Kofi Louis
Lost Inside

Darkness! !
Lost inside;
Aside with my steps,
Not a ride! !
Without a bride,
Slowly,
Slow movements,
Not to slide along,
Slow steps,
Darkness!
Lost inside;
Without the pride of life.

Edward Kofi Louis
Lost Temple

The lost temple,
The lost home,
The lost contact,
In the jungle!
After many years;
Follow,
In the hollow! !
Rage,
Garage,
Courage,
Searching for the lost temple,
In the jungle.

Edward Kofi Louis
Lost! !

Lost! !
And still do not knowe the way;
From one point to another,
Here and there!
Walkig around,
Going around,
Throughout the land!
But, where is the love that you promised me?
Lost,
But with hope;
Still searching everywhere to find the way,
Once again with the muse of your works.

Edward Kofi Louis
Lot, Allotted!

East side,
With the morale of your love;
Lot, allotted!
Being among them,
With your works.
Words!
To them;
Assigned by lot,
And, wholeheartedly with the works of peace.
Your inheritance,
With a positive morale!
Living among them in the land of beautiful flowers.

Edward Kofi Louis
Lotion

Lotion,
Motion,
Emotion;
Spray, say, ray, pray, pay!
Now the day is over.

Edward Kofi Louis
Lots

Wounds, bruises and putrefying sores!
Like the seed of evildoers;
But, laid aside is the garment of love,
So, let is not tear it but cast lots for it.
Teat, tear!
With the muse of the Police Officer around;
Tea, teat!
Like a stumbling block;
But, let us rather cast lots for this lovely garment.

Edward Kofi Louis
Lotto And Louis

In my chains,
In my defence,
But with the affection of your love;
For my perceptions are like that of yours!
And, on behalf of you all i do write this message.

Lotto and Louis,
Motto and Morris,
But to the perfection of your love i do write out my muse;
For the rivalry among you are full of the motives of hate.

Edward Kofi Louis
Loud And Clear

Heifer,
Goat,
Ram,
Dove,
Pigeon!
A deep fell upon you;
With the muse of a thick and dreadful darkness! !
But, the truth is loud and clear.

Edward Kofi Louis
Louis

Louis, os, so, soul!
The soul of a person,
Moving along with life;
Down the riverside to search for peace,
Like the muse of the blue ocean with the blues of nature.
Hear, dear!
With the works of peace;
Under the eyes of the truth,
As one searches for his or her lover.

Edward Kofi Louis
Louis

Louis!
Come to me,
Come into my house;
With an open door waiting for you,
Because of your sweet love.

Edward Kofi Louis
Louis' House

Magazine! !
Business,
Programmes;
Meeting at Louis' House.

Poetry!
To show the world what i am made of;
Cult, culture!
With the muse of the aroma of the laws of peace.

Authority!
Privacy,
Sun, sum!
To put joy in your heart.

Instructed,
Noted,
Lovely;
Circled with the muse of nature.

Edward Kofi Louis
Louis' Theory

The freedom of the mind is like,
The freedom of a speech;
But on the table is a bowl of cherries to Archipelagos!
I have the freedom of my theory to all mankind.
Oh freedom!
Of a philosophical conundrums to share with you;
For my theory is for ages in times like war without peace!
From the freedom of a philosophical point of view,
Like the summer and winter when lovers do meet;
But i do have my mind on you always.

I am like a wanted person with an unknown identity,
I write and many dop not understand;
But like the freedom of a philosophical theory,
I have my visions to the wider threshold across the line of a battle.
Oh freedom!
To boost up my ego;
Like a rainbow shell on my theory,
But this is part of my joy at peace on this earth.
Like the way of life to all mankind,
I am to fulfil a dream on this philosophical ideas;
But the 'Louis' Theory' is all about numbers!
And the secret code is '6-5-6'.
This deals with the ages of man's life on this earth,
Like the tales of the Gurkhas in Ghana;
But, '6-5-6' has a lot to tell and explain.

Edward Kofi Louis
Louis' Trip

Few, nephew, sew, threw, brew, flew, dew, drew;
And like Louis' Trip in the land of your muse,
But, try to understand the muse of my love around you in this town.

Proposed, posed, opposed, dosed, hosed, bossed, nosed;
And at 'Peduase Lodge in Aburi (Ghana) '!
But, try to understand the muse of my love around you in this town.

Crew, hew, Jew, stew, shrew, strew, new, mew, yew;
And like the dust from your eyes! 
But, try to understand the muse of my love around you in this town.

This was like my life in Conakry in those days,
But, bring me home with the sweet muse of your love;
For, i have a message for you in this town.

Long, belong, along, song, among, dong, cong, pong, strong, gong, wrong;
And over many different places!
But, try to understand the muse of my love around you in this town.

Cream, ream, bream, beam, dream, steam, stream;
And over many different ways! 
However, i do have a message for you in this town.

Over many different years,
Over many different ways,
Over many different types,
Over many different places,
Over many different styles,
Over many different acts,
Over many different works,
But, do remember me always in your heart;
For, the future depends on the positive muse of this life today.

Edward Kofi Louis
Louis' Vineyard!

Louis' vineyard!
So near and so dear to you;
Inventory, history, story, victory! !
But, in a White Tower.

To bring it up,
reaching up to it!
To hold it,
With love and concern;
And like an easy drive,
Down there in Louis' vineyard.

The phase of my love to you and,
The phase two of my act towards your muse;
Obsessed by my wealth and the elegance of your joy!
But, it is natural to express the feelings of jealousy at times.
Natural breasts,
To look attractive ans to smell sweet;
The natural act,
To look lovely and to look smart;
But, why should someone hurt you my love?
For, i will cry in my grave if i fail to fulfil my dreams for you.
Love brewed in the African pot,
With youthful acts to overcome the ageing nature of things;
And like the muse of poverty as seen around us,

I want you,
Love me now;
On and on! !
Love is the key and,
The key is love;
Time and blues,
With hope and dreams!
With the joy of my heart,
Into the galaxies of minds in love;
United with the aroma of romance.

Edward Kofi Louis
Love Is The Key  2

I just want to be there for you my love,
And to be glad with the muse of your life;
Able to help you to achieve your dreams.

It's real!
It's natural,
Love is the key;
Able to put you on the right track.

Edward Kofi Louis

Life,  
Lane,

Lean,  
Love is the key;

You've met me!
Because, my name is called Wisdom;
And, my three friends are, Peace, Love and Joy! !
Living with the laws of the truth and, the laws of life;
To obey them and to defend them,
However, do back up your life always with the works of the truth!
And, live in peace with your neighbours.
Obey the works of righteousness and defend the truth,
Hate no one! !
Because, love is the key for peace;
And, the glory of life is love.

For, love is the key about life.

Edward Kofi Louis
Love Is The Message

Check on the sparks from the plug and,
Tell me what is going on in the air;
Open up your mind and,
Let the oil filter increase your lifespan.
Mechanisms to qualifications,
What have you to say?
Your words flow in the air like,
A midsummer's night love to my heart.
It is so easy to have money but,
It is not easy to have a talent;
All the same,
We can't have all that we want in this world.
I need to listen to your romantic words,
Like a sound maintenance to my
M soul;
It must have been love,
Something that i really care for;
So, do check up your heart's love and,
Do take me to the skies! !
Music can heal my soul like a love story,
So are the vital poems dear to my heart;
Love is the message and, the message is love;
I am not egoistic but what i know is,
I do love everybody on this earth.
So, to the woman i will marry in the furure,
I say love will find a way to meet you;
Check on the sparks from the plug and,
Tell me if you are the one for me.
Love is the message and, the message is love;
The love of my poems to take you to the heights!
True love is not a decision,
It either hits you or leaves you;
So, come closer to me and feel my taste.
I've got love for you,
I've got a peaceful world for you,
True love is the message that i bring to you;
So, wake up on this love when it touches you.
Edward Kofi Louis

Love is the only way to peace;

The truth!
To overcome darkness;

To the one whom i love in truth;

Love, mercy and peace!
With the muse of nature;

Life,
Under the laws;

In righteousness.

Love is wiser than philosophy.

Edward Kofi Louis
Love Is, ....

Love is,
Whenever there is no hate;

Love is,
Whenever there is no war;

Love is,
Whenever there are no weapons around us;

Love is,
When we do care for each other;

On this earth!
Living in peace.

Love is,
Allowing the laws of righteousness to rule;

With justice,
Exposing all unjust.

Edward Kofi Louis

Learn the true message from my love kingdom and,
Go for wisdom to lead you on;
For i need someone like you to satisfy me on this love.
Go for this message and learn from it always,

And like nature's status to enhance my soul,
But this love kingdom is all that i have to share with you.

With the joy of creation;
And, love led the way.

Treat me with respect and love me with care;
For, i am a lovely person who will always like to be beside you.

The muse of love,
To adhere to your request and to be with you;
But, treat me with respect and love me with care.

Liaise, is, as, sea, sail;
Revealed!
But, with the muse of love in the land of the living.

Here, there, sphere, were, mere;
With the muse of your signature on this love!
But, treat me with respect and love me with care.

Edward Kofi Louis
This is the hour of the day,
This is the hour of my love to you,
Understanding each other is the key;
Love is the message and,
I will never stop till I get to you.
Like two parallel lines that do meet at times,
I will always sing to this muse of love;
This eccentric love has its own message,
And I will always be at your doorstep knocking.
The right time will surely come,
Understanding each other is the key;
Your love message is very dear to my heart,
And I will always fight on to get to you.
I've got you in my heart,
And there are many colours to learn about;
Talents of precious love are in my blood,
What I am is what you need to know.
I will be there always for you,
Even if you reject me;
I will always fight on to get to you.
You are the message and,
I will be knocking this love message;
Like two parallel lines,
I believe the right time will come for us.
This is the hour of the day,
This is the time for love,
This is the love message;
My heart is for you my sweet one.

Do not murder! ! ! But, love one another and, bring peace to the earth.

Love Should Have A Meaning

The earth needs peace than war!
So, bring peace to the earth by doing what is right;

Casted arrow of life!
With the pains of love;
But, there is hope ahead.

There is no sunshine in this love!
Because, it is full of arguments, insults and fights.

Let, ballet!
With a time to laugh and, a time to cry;

However, love should have a meaning when, we do care for each other.

Edward Kofi Louis
Love Songs

Love songs,
Watch this muse from the nose and the smile!
Love words,
Watch this muse from the eyes and the laughter;
But, it was as if i was in paradise together with you! !
However, the conclusion of this matter is all about Africa.

Edward Kofi Louis
Love Songs  II

Amazing facts! !
Still learning the ways of life;
With the ways of love under the laws of peace.

Love songs,
With a leisure time and, the sophistication of your love;
But, greeted in the natural form of the art!
With the view of the act of life.

The battle of love with the compassion of care,
Adding up the blues of life to satisfy your muse!
But, i have ample time for your love songs;
Because, someone cares for you.

Reserve the tears from your dark groove,
And let my roof of peace cover and comfort you!
Meeting at the right place at the right time;
With the amazing facts seen in your room,
Under the laws of peace and joy.

Edward Kofi Louis
Love Songs II

Love songs,
Reasons,
Love's holidays,
But, straight from the heart.

Love songs,
And, of the fantasy of this muse;
But, I'm in love and,
You're in love as well!
However, this is my love song to you.

Love songs,
Fantasies,
Miracles!
And, to be ever wonderful;
For, it is all about you and I.

Edward Kofi Louis
Love Supresses All Sins

All the rivers enter into the sea!
Hear and understand the ways of life;
Read and learn always from the works of the truth! !
Inner thoughts,
Reverent awe;
For the lack of wisdom my people perish!
By the water side,
By the river side,
By the side of the sea,
By the side of the lake,
By the side of the ocean;
In mercy will the throne be established! !
With the works of peace and love,
With the muse of the colours of life;
Love suppresses all sins.

Edward Kofi Louis
Love Sweet Love

Love sweet love,
You have what i need;
And i will always come to you! !

Love to all mankind,
Love to the world,
True love with hatred and war!
But, for peace and joy.

Edward Kofi Louis
Love Tool

Love tool,
Love message,
Love words;
Take me home and lead me on,
For the rains have now set in!

Edward Kofi Louis
Love Will Find A Way

My love will find a way,
It will surely get to you;
Ture love is very precious when it touches you,
It cannot be bought with money.
When the water drops, it forms a river;
When the river flows, it forms a pond;
When the pond expands, it forms a lake;
When the lake stretches, it forms a sea;
When the sea springs, it forms an ocean;
Little drops of water makes a mighty ocean,
Like the true love that I have for you.
When will I see you again my lover?
The girl I know is now a Nurse,
The girl I know is now a Lawyer,
The girl I know is now a Teacher,
Like marriages and babies! !
Life is like that but,
Take your gun and aim at a prey;
One day you will kill a bird.
My love will find a way,
It will surely get to you;
You are all that I have.

Edward Kofi Louis

But, try to live a normal life.

Breech, 
Premature! 
But, try to stay healthy; 
And be yourself always and be very beautiful.

Picture, premature, torture, fracture! 
But, be yourself always and be very handsome; 
And, try to live a normal life without hurting your neighbours.

Edward Kofi Louis

May it be well with you,
May you learn the ways of love and peace,
May you seek for the truth and live;
Love, one!
The one to know and the one to love;
But, i will meet you only by the means of the airplane if it is possible.

Edward Kofi Louis

Lovelace, lace, ace, love, cleave!
To cleave on,
With the muse of the race;
Space, pace, ace!
Love and dreams,
Place, palace!

Like a dove in the sky.

Edward Kofi Louis

Edward Kofi Louis
Lover Of Poetry

Night, right, light, might, sight, slight, bright;
Far away from you with the words of love,
But, i am also very far ahead of the world in thinking.

Speed, feed, heed, weed, need, seed, creed;
And like the lover of sweet poetry,
But the clarity of your face satisfies my muse.

Flight, tight, bight, knight, fight, plight;
With works and the words of love,
But love is in the air with all that muses.

Greed, peed, reed, deed, dreed, teed;
Far away from home with the words of love,
But i am what i am today.

Tell, sell, fell, well, jell, quell, bell, cell, dell, ell, yell;
I am a lover of sweet poetry! !
And like the clarity in the eyes of your lover;
But, she is very far away from you.

Roof, proof, goof, hoof, spoof, woof;
She's very far away from me and i am in love,
But, my next four months in school will be dedicated to her.

Edward Kofi Louis
Lovers

Lovers!
To walk hand in hand through the rain;

Medicine,
Love heals the heart!

Old as the stone age,
But, others are as young as the fresh fruits.

Edward Kofi Louis
Lover's Avenue

Windows of love,
You are the band of my joy!
As i walk along Lover's Avenue;
Trying to meet the sunshine ahead of me.

Band, brand!
It doesn't matter;
Slippery when met and, lovely when dry!
Even if you are stranger.

Lover's Avenue,
My love is always at hand;
But, go and wash yourself in the pool of peace and,
Let me have a place in your heart.

Edward Kofi Louis
Lovers In The City

Parents,
Carrots,
Panels,
Lovers in the city!
Along the lane.
Words and works,
Servitude and attitude,
Meeting,
Lovers in the city.

Edward Kofi Louis
Lovers Of Sin

Sodomizing children!
Sickness and disease from illegal sexual acts;

Traitors!
Pedophiles;

Lovers of sin,
Lovers of the pleasures of the world.

Edward Kofi Louis
Love's Beauty

Love's beauty,  
Rising sun!  
For your beauty,  
For your love,  
For your life,  
For your peace,  
For your joy!  
Love expands the world.

Edward Kofi Louis
Love's Desire

Heart's desire,
Love's desire,
In his heart,
In her heart,
Cast your cares upon righteous morals!
And, do not hide your yourselves from the truth.

Edward Kofi Louis
Love's Island

Love's Island,
Love's paradise,
Love's melodies,
With the harmony of the truth;
When the right thing is done.

Edward Kofi Louis
Love's Pearls!

Love's pearls!
Hidden in the heap of pebbles;
Marbles,
Pear, ear, hear!
With the muse of the pearls of true love.

Edward Kofì Louis
Submit to my request like,
The floods upon the dry lands;
For i am drunk in your love and,
You are all that i need, Loveth.

Of the thirteenth letter of the alphabet and,
Of the thirteenth day of my birth;
And of the day for a year and,
A week for seven years!
Loveth, the elephant is now back to the bush and,
You need my sweet love to let you grow.

The cat and the lizard know our love,
And they want us to become as one;
But, the alarm-clock is hidden in us.

There is love in the atmosphere and,
The canoes and the boats do wait for us;
So try to take a view on this love and,
Let us swim together in this ocean of love.

Edward Kofi Louis
Lovett

Lovett, love, lot, to, toe, Lot, vet!
Wetness,
To focus on the game;
So as to tame an animal with the muse of your fame.

Lame,
Pretty normal;
Without doing it well,
But noted with your works in the land of beautiful flowers.

Same,
Then came the rain! !
Hiding in to take cover without any shame;
And to focus on your works.

Edward Kofi Louis
My birth place is the Earth but,
I am preparing myself to go to heaven;
For the sun is shining on me and the flowers are blooming to respect my muse,
But the hope of the unseen heaven is all that i have in mind.

I am preparing myself to go to heaven!
And like the sound of silence and the sound of love;
But the troubles of this Earth are like the sounds of war and the sound of peace,
And like the golden banana and the golden pineapples.

I have to run faster than the lion!
Because, i need to overcome the troubles around me to reach the heavens;
But, this Earth is my birthplace.

I am now reaching to heaven! 
And i am very hot like a trip from Oshodi to Yaba in Lagos (Nigeria):
But, my lovely name is Lovina,
And you are as cold as ever.

There is always the power to love and the power of dreams,
And like a monkey hanging on a tree;
But, you are like a gold miner ready for my love,
However, the hope of this unseen heaven is always in my mind.

I have the code of the heaven's gate to share with you,
And like my love so sweet in the land of peace and beauty;
But pride comes before a fall in life,
However, i will get off on this dream to get to heaven!

Edward Kofi Louis
Loving All Mankind

Humility,
To be very humble;
Acting and seeking for peace,
With the muse of self control!
Loving all mankind.

Edward Kofi Louis
Loving You

Loving you!
With the muse of summer;
Seeing you always in my mind.

Edward Kofi Louis
Lovingkindness

Life,
Let love reward you with the works of the truth;
Obey and serve with love!
Lovingkindness,
To water your heart with joy.

Edward Kofi Louis
Lovingkindness  2

Lovingkindness,
As i heard!
So i saw the city of love;
With righteous morals.

Edward Kofi Louis
Low, Allow!

Great patience!
Of a soft tongue;
Confidence! !
Relying on the works of the truth always.
Low, allow!
Day after day,
Speech after speech,
Righteous and acceptable with the works of peace.

Edward Kofi Louis
Low, Lowing!

Fear! !
To give in to them;

Deception!
To give it to them;

Low, lowing!
But, with accidents we do learn;

However, the fool will never learn from anything! !
Accepting lies than the works of the truth.

Edward Kofi Louis
Lower And Lower

To sink lower and lower,
It will be your purpose,
It will overtake you,
For a sign and for a wonder;
To venture,
To touch the dirt,
Begrudge!
Afraid of,
The fearful plagues! !
Severe and lingering,
Distress,
Harsh and prolonged,
Disaster! !
Illness,
But, few in number;
As seen from one end of the earth to the other.

Edward Kofi Louis
Lowinski

They rejoiced with exceedingly great joy! !
And Lowinski came along with the trophy;
However, their treasures are now opened for all to see.

Edward Kofi Louis
Lowliness

Lowliness,
Meekness,
Endeavouring,
In one's hope,
In one direction,
With outermost diligence,
Allowed to all,
Trail, trial!
of a fair trial;
I do miss you and,
I am waiting for you.

Edward Kofi Louis
Lowry

Jets, sets, bets, wets, lets, pets, poets, gets, nets, vets;
And like the muse of Lowry my lover!
But, this work is for us all to learn from.

Private Jets!
Love, peace, act;
And like the old man and his dog,
But, the image of your god is now hidden under your bed.

Edward Kofi Louis
Loyalty Does Not Come Cheap

We are all victims of the circumstances around us and,
Your lips took mine in the name of love!
But, what is written is already written.

Bedtime delights and bedtime love,
Bedtime stories and bedtime acts;
And like the bold and the beautiful with,
The glory of the hearts to share with each other.

The sex of the unborn child is like,
The very name of the unborn child!
But, the eleventh rain comes to make us fall asleep;
However, in this world, people call sin enjoyment.

Loyalty does not come cheap in this world,
With money at hand to put your back to the ground!
And, you have to buy your way through at times.

No matter how great or how strong a person is,
We still have enemies around us! !
However, exotic are your moves on this love;
But, we are all victims of the circumstances in this world.

Edward Kofi Louis
Lucassen

Lucassen, Luca, Lucas, sea, case, seal, sale;
Portrayed!
By the muse of joy and gladness.

Seal, sale!
Like a film trick;
In the land of your muse.

Love!
This was it;
With the beautiful roses of peace.

Love!
Fitted and perfect;
With the muse of the joy of the land.

Edward Kofi Louis
Luce

Try not to cry,
And try to wipe away your tears when they fall out;
For life is like that at times!
But you need to be very strong enough to move on.

Luce is your name and,
I am beside you to guide you on;
For life is like that at times! 

So dry up your tears and be very strong to carry on.

Edward Kofi Louis
Lucero

There she is!
The woman of whom i spoke to you of;
For she is the one that i love,
And like a child wearing a linen ephod.
Year after year and time after time,
A little robe is okay for her;
But in stature and in honour,
I will praise her like my friend Lucero.

Edward Kofi Louis
Luci

Do not pour me out like milk and curdle me like cheese!
For you are hunting me like a lion in the thick forest.
You hate me like death but your name is Luci,
But do vindicate me and I will go unchallenged.

Edward Kofi Louis
Your name Lucifer comes from the Hebrew name Hillel (Helel),
And you are the Star of the morning! Responsible for the Female Spirits;
But you were not satisfied with your position.
A day is coming when the corn will grow faster than it can be harvested!
And the grapes will also grow faster than the wine can be made;
For this fact is hidden in your name.

Edward Kofi Louis
Lucille

Lucille, ceil, ill, cull, cell;
Human activities!
On this earth;
For better or for worse,
With others looting the wealth of the nation.

Life, love, peace;
To do the right thing!
With humility,
In meekness,
In kindness,
And with compassion.

Dry, try, cry, wry, fry!
To improve one's mind than to destroy the earth;
Drove, rove!
With the works of peace than war;
Love, dove!
With human activities on the earth today.

Edward Kofi Louis
Lucio

He took the axe and cut off a bough of a tree,
But men are often forced to seek help from the very ones they despise;
For this world if full of troubles.
Where is the shrine of the harlot who was beside the road of Enaim?
For the women waited and satisfied their men!
But you've now become a laughing stock among others.
You need a young goat to pay for your harlotry,
And like a strong tower in the city of gardens;
But your name is called Lucio and you are still a youth.

Edward Kofi Louis
Lucre

Filthy lucre,
And like the annulment of the weak and the unprofitable;
But it is appointed for mankind to ones die,
Then will the judgement be according to the Creator's own time.

Water, scarlet, wool and hyssop;
The blood of the goats and the calves are now poured on the ground,
But i am like the great shepherd of the sheep around you.

Edward Kofi Louis
Lucre!

Gain,
With a bag for your journey;
And like a worker in the land of your muse.

Facts, acts!
With the facts from your acts in this town;
Like sheep in the midst of wolves! 
And, to face the facts of life today.

The muse of life,
The disciple is not above his or her teacher;
For, a servant above his or her ruler!
In this world.

Edward Kofi Louis
Lucy

I will show you my love oh Lucy!
For my love needs a challenger like you! !
And you cannot just say bye-bye on this love.

Edward Kofi Louis
Ludmilla

Why are you staggering like a drunkard? ! !
Is it because you slept with my wife?
For the law is now setting eyes in you and,
I will wait for Ludmilla my witness.

Edward Kofi Louis
Lug, Luge!

Extraordinaire,
Brand!
Costuming,
Influential,
Lug, luge!
Lustre,
On that day,
Lustrous,
Luxuriant,
Based on the fact;
A passion!
Growing up with the muse of love.

Edward Kofi Louis
Luichi

I am like the sign you've not seen before,
But my feet slipped and I almost stumbled;
And you came with your love to lead me on.
It was like a dream after one awakens,
But do not despise my image inside you;
For Luichi is my friend next door and,
I am ever ready to expose this sign to you.

Edward Kofi Louis
Luigi's

Luigi's love,
Luigi's muse,
Luigi's mind,
Luigi's care,
Luigi's letters,
Luigi's words;
And like the words from the Police Officer! !
But, i am here with the muse of my love.

Colours!
Life is like a juicy fruit to us all;
But, the truth is always the truth.
Muse! !
Looking straight through the minds of the people and,
Taking a journey through love;
But, i will always be there to guide you on.

Imagine!
Living in a world of peace with the muse of love all over;
Yes, without any war to think about.
Court, courted!
Like the resources found in African countries;
But, there is no leadership in Africa.

Edward Kofi Louis
Luise

A wonderful weekend,
A kiss to your lips and love to your body;
And like the songs of the birds being heard around,
For i am Luise and my life is now in your hands!
And this true love is now crowned with a kiss.

Edward Kofi Louis
Lulled

Lulled,
Enticed,
With the muse of a molten image and, a carved image;
Everyone did what was right in his or her own eyes!
With the muse of evil dealings in the land.

Edward Kofi Louis
Lump

Lump, pump, dump!
Your eyes are very weary because of your act;
Op pressed in the land of the living,
Grabbed and handed over to the people! !
As you left the little girl behind.

Dirty water!
Pour it out and wash the bucket;
Preaching repentance is like the muse of love,
Harbouring a secret;
PUSHed through with your acts today.

A little further! !
To discover the tunnel,
Behind the walls;
Pitch, ditch, witch, switch!
Dragging your name into the mud;
With an ugly twist in the land of your muse.

Edward Kofi Louis
Lunch

Men at lunch,
Women at lunch,
Children at lunch,
Absolute!
With our respective works on earth;
Fish, dish!
To eat and chat;
Finding ways to solve our problems on earth,
As we gather for lunch.

Edward Kofi Louis
Lure

Lure,
Sure! !
Hooked by the pleasures of the world;
Strong delusions!
With the lusts of this world.

Edward Kofi Louis
Lured

Lured! !
Helpless and hopeless;

Inducement,
To go out;

Outside the tent!
In darkness.

Edward Kofi Louis
Lured 2

Conspiracy,  
Lured,  
Raped!  
Guilty,  
Caught in the act.

Edward Kofi Louis
Luscious!

Luscious, Louis, is, so, coil, oil, coils, soul, souls, us;
Life!
Soft and deep;
But, very pleasing to feel.
Love!
Safe in your arms;
Love!
Soft and deep;
Beer, bear!
Skipping down the beach.

Bow, elbow!
Be lovely my soul;
Muse, use!
Be peaceful my heart;
Love!
Deep in the ocean blue.

Adore, do, ore, roe, Dora, road, red, read, dear, ear, era, are, dare, doe;
Love!
With simple teachings for you to know how to love your neighbours;
Without hating them.
Head, ahead!
Being with the truth and living with peace;
Unity, uniform!
Sharing with others in peace for the joy of the earth;
Life!
Like a luscious young girl walking around in your village.

Edward Kofi Louis
Lusi

Wine and tea,
And of all my lovers who have left me in the cold;
But one day I will find my way home,
Because I am now loved by Lusi!

Edward Kofi Louis
Lusifer

You are called Lusifer and your name is known,
But the days passed me by swifter than a courier!
And like the momentary perception of joy.
You loath your friends!
Because their stories were full of lies;
But like the big hole closer to you,
Try and show me their charges before you condemn them.

Edward Kofi Louis
Lust

Fornication!
Lust,
Adultery,
Seen all around us;
Falling off from the works of righteousness.

Edward Kofi Louis
Lust 2

Lust,
Sex,
Diseases!
Doing what you want and,
Getting what you did not expected;
Diseases! !
As the result from your Sexual Act.

Edward Kofi Louis
Lust 3

The list,
The play!
With the flow of your life;

Lust,
With the cost of life,
Ending up with problems,
In your land!
However, life should be with the truth.

Last but not the least,
To ease the pains of life with the works of the truth;
Finding your way home to search for peace,
And to find a rest in the truth with the joy of your heart.

Trying to understand the ways of nature.

Edward Kofi Louis
Lust 4

Life, love, peace!
But, when lust is conceived,
It brings forth sin;
And, when it is fully matured! ! !
It brings forth death;
So, do not be deceived by the signs and wonders of Satan.

Edward Kofi Louis
Lust 5

Lust!
You've now taken a sheep to be a cow,
Fallen into the hands of the law;
'Aboa bi beka woa na efii wo nto mah mu'! !
Being exposed,
Because of your negative works in the Land.

Edward Kofi Louis
Lust 6

A prostitute's customer,
Playing the harlot;
Met,
Lust,
Act.

Edward Kofi Louis
Lust Of The Flesh

Pressed breasts!
Lust of the flesh and the eyes,
Pleasure things! !
With the flowers of love being hooked.

Edward Kofi Louis
Lust, Lost!

This is gold,
This is diamond,
Lust, lost!
In the land of your muse;
With the ways of your life.

Story, idoltary!
Convention,
Cleric,
Coming in;
With the muse of your mind.

Lust, lost!
To turn to the world;
Lust, lost!
To join the worldly celebrations;
With the ways of your life.

Edward Kofi Louis
Lustfully

Female, male, sale, pale, ale, whale, vale!
Lustfully,
With the muse of your works in the land of corruption.
Car, card!
With the muse of the sky watching over the land;
A bewitched chain,
Getting initiated into a secret society.

Edward Kofi Louis
Lustration

Weight,
At eight;
With your height!
Lustration.

Edward Kofi Louis
Lute, Flute!

Enter,
Entertain,
Lute, flute!
To expose yourself.

Edward Kofi Louis
Luther

To endorse or to reject a case when you are confronted,
And like the message from the moon and the stars;
But i will rather saddle my horse to get to you,
Because you are always my her oh Luther!
In thought and in mind of the unknown,
But it pays to enrich my knowledge on this love with words.

Edward Kofi Louis
Luthuli

Things are not the way they used to be at times in this life,
But we all have to face the reality of life!
Because there are many questions than answers in this life,
And Luthuli is here to lead me on.

Edward Kofi Louis
Lutter

Interruptions,
Addictions,
Distractions,
And like the pervasiveness of technology;
But in every corner of the world is the muse of your love,
And like Lutter my friend.

Edward Kofi Louis
Lutterbeck

To expose your nakedness and to express my love,
But it is the husband's responsibility to take care of his family;
So i will do anything for my sweet Lutterbeck.

Edward Kofi Louis
Luvo

Buy me a bottle of beer and let me sit beside you my love,
For Luvo is here tonight to stay with us because of your muse;
And i have freshly grounds to share my love with you tonight.

Edward Kofi Louis
Lycaonia

Lycaonia, Cain, on, an, in, lay, coin, ion, clay!
I am the one;
Far beyond your imaginations!
Of words and works to satisfy your soul,
Deep down in there to give you hope with the colours of love.
Wake up! !
Try to find the star around you today;
For, I am the one,
Trying to touch your heart to give you hope!
With the torch of joy in my hand; trying to reach out to you in the dark.

Edward Kofi Louis
Lydia

To the land of bicycles,
To the land of people,
To the land of cheese,
And to the land of the beautiful ones;
Lydia my love,
Come and share the night with me.

Edward Kofi Louis
Lying And Deception

Into motion!
Lying and deception all around us,
With emotion;
After destroying the works of the people in war.

Lying lips! !
Hatred and war;
Killing others,
With the actions of the evil ones among us.

Edward Kofi Louis
Lying Lips

Lying lips!
Deceit is in the hearts of those who plot evil,
Destroying the world with their works.

Edward Kofi Louis
Lying Tongues

Terrorism!
The mouths of the wicked and the deceitful have opened,
Lies! !
Lying Tongues;
Destroying and killing,
All in the name of hatred.

Edward Kofi Louis
Lying Tongues  2

of hatred,
From lying tongues;
They always fight against the works of the truth,
All in the name of terrorism.

Edward Kofi Louis
Lying Wonders!

Lying wonders!
Wickedness;
Working with the energy of Satan! !
And, to deceive us.

Edward Kofi Louis
Lying Words

Listen to me all you ears,
And like a liberal man and a lovely woman in the bush;
Why do you destroy another with lying words?!
For the liberal woman is now with the handsome man in the city.
A man should be a man and a woman should be a woman too on this issue,
And like wine and oil to sold to you in times of need;
But let the just do justice always.
The romance of romance lies through your hands,
And like the river of water flowing through my mind;
But think twice before you destroy others on this earth.

Edward Kofi Louis
Lying Words  2

To err!
Lying words,
To cover up the truth,
Error! !
Sending the wrong message to the people.

Edward Kofi Louis
Lynch

Enraged,
Act,
Lynch,
And like bombs of war! !
But, where are the citizens' right of choice?
For, the right of a counsel of your choice is now overruled with bombs.

Edward Kofi Louis
Lynda

People serve the creation rather than the Creator,
Praise Yahweh! HalleluYahweh! !
I am for you and you are for me,
Come to me and let me show you the way;
Come and let me love you forever!
Lynda my love,
Don't stay too long like,
A ship caught by the storm.

Edward Kofi Louis
Lyon

Come to me and let me show you the way,
For my name is Lyon and I do understand your muse;
But, in the abundance of water the fool is still thirsty.

Edward Kofi Louis
Lyons

Moral principles,
A simple man believes in every word he hears;
But a clever man understands the need for proof,
For you are too quick to judge and too quick to kill!

The two harmonised and Lyons came around to check,
And like the gigantic caldera filled with water!
But we need these moral principles to understand life.

Edward Kofi Louis
Lystra

Lystra, art, tar, as, rat, sat, say, stray, tray, star, lay, ray!

Respecting all the rules around,
Noted with the beauty of nature!
According to righteous morals.

Edward Kofi Louis
My works! ! My style! My muse;
Yearning for the works of the truth always,
Sure! ! ! With a pure heart;

Give me your food of love and let me love you,
For the rainbow out there is all about you;
And i really understand this love.
I am Maachah and you have the sweet thing,
So come and show me the way on this love;
For your lamp of love will guide me on always.

Edward Kofi Louis

Knowing where to start from.

See, sea!
Let the truth arise and teach the people;
With love,
With peace,
With the joy of the land! !
Than living in their sins.

Edward Kofi Louis
Maaka Mai

'Maaka Mai', 'Maaka Mai'!
They shouted! !
Holding up their rusty sickles without any hope;
For the days of the rains are far gone by.

For everyday i pray and hope of seeing you again;
But we last met at 'Ebute-Matta' in Lagos.

If only if we are ready to upghold the laws.

Edward Kofi Louis
There is no love in war!
So, love one another on this earth and,
Live in peace to let the world go round in true-love and in unity;
Respect one another and care for the human-race!
And, do not kill one another in the name of hatred and war;
For, this earth was made for you and i.

The product,
The very style of the structure!
Made in Ghana.

Edward Kofi Louis
Made Known

Manifested!
Made known;
The muse of the village was exposed! ! !
Because, they arrested people and killed them.

Edward Kofi Louis
We hate each other but we were all made on this earth,
For you are what you eat and what you do in life.
Send me the money through Western Union and,
Let me send you the items through DHL;
For you are what you say you are on this earth.

I thought of you when the dogs came barking at me,
But my mind is faster than my fingers!
From land to land and from the East and to the West,
Sweeter than honey is your sweet love set as a trap to me;
But, i will live with you like the harmony of life itself.

Edward Kofi Louis
Made Open!

Love,
Made open!
Life,
With the muse of the sea;
In view,
With the preview of your sweet love!
And, with the review of my muse and your muse.
Life, love, peace!
Like the muse of the interview of your love;
Under the cover of the truth,
And, with the laws.

Edward Kofi Louis

To finish the work which you gave me to do;
Love, care and unity!

With the ways of the land,
And, with the peace of the mind.
A vivid description!
With the rich cultural history of the land;
Annexed with the beauty of your lovely heart,
As an integral part of the work at hand today.

Edward Kofi Louis
Made Out Of Gold

Love!
It is controlled by your mind;
Love!
A person never gets too old to learn;
Love!
You're very beautiful;
Love!
You're very attractive;
Love!
You're very handsome;
Love!
Living a healthy righteous life;
True-love!
Made out of gold;
Love!
With healthy mind and body;
Love!
Proven and tried;
And, with the muse of peace and joy.

Edward Kofi Louis
Made Strong

Love,
Made strong;
Once again,
With the muse of peace and joy.

Watercolour,
Justified,
To all who pass through it;
With the muse of love.

Written!
With ink;
Of this poem,
With the poetic status of my mind.

Love,
Made strong!
With the muse of your romance;
And, with the aroma of your works,
Touching my heart deeply.

Edward Kofi Louis
Made Whole Once Again

You expected success but, evil came along;

You hoped for the light but, darkness came to you;

However, out of the liquid came something sweet! !

Being made whole once again with the muse of love.

Edward Kofi Louis
Made, Madeira!

Path, bath!
Of the keyhole;
But, she is the girl in your dreams.
Made, Madeira!
In your lifetime;
And to be the man of her dreams.
Bath, path!
of the fresh air;
A mood,
The space,
The ace,
The pace!
And, with the discovery of your love in the land of your muse.
Gene, Genesis!
Connoisseur;
The kiss! !
Determination;
And, you won your first art competition at the age of 12.
Genes, Genesis!
Of the lovely girl,
Mine, determine!
it was just a dream;
but, do it right and be right always.
Debts, doubts!
The fantasy world;
Engaging in a brace act!
But, do it right and feel alright.
Captain Rex!
Rhetorically;
Cost, most, lost, post, ghost, host!
Living on the equator;
With a lasting memory.
Space, pace, ace!
In the land of your muse;
Door, floor, poor, moor!
And like horse meat sold as cow meat in Europe.

Edward Kofi Louis
Madiba (Nelson Rolihlahla Mandela)!

Madiba!
Nelson Rolihlahla Mandela;
Rest in peace.

The muse of your life!
From 1918 to 2013,
And, with the shadows of mankind on this earth;
Then came hope for you, in the era of Apartheid.

Scope, cope, hope, Trope, rope, mope, grope!
In South Africa;
With hopes and dreams to free a nation,
The Rainbow Nation.

Madiba!
Nelson, Rolihlahla Mandela;
Rest in peace.

The muse of life!
And, with the muse of the nature of things;
Down there in South Africa,
Then came the News of your death! !
After living for 95 years old on this earth.

Living, leaving!
Living with the muse of ANC (African National Congress),
And, with the muse of your life in jail for 27 years;
With the prison's Code No.466/64,
But now, you've left us.

Living, leaving!
With all the hardships that you went through,
In prison;
But, you came out and, became a President!
For South Africa;
The Rainbow Nation.

Madiba!
The Spear of the Nation of South Africa,
May your soul rest in peace;  
As you died on the 5th of December 2013,  
Leaving us with tears.

Edward Kofi Louis
Madibo

Madibo, aid, do, bam, dam, aim;
We are all one people! !
So, return him to the U.S.A.
This stereo typed generation!
But, with business as usual;
Four years of pain!
Sorrow, stress, depression;
But, return her to the U.S.A.!
Flag of honour,
Words of peace;
Honoured posthumously! !
With the modicum of repomsibility;
And, to rule with respect.

Edward Kofi Louis
Madras

Give me the madras and let me feel so high!
And like a sailor's survival with the autumn wind;
But like a gold in the morning sun,
I will be with you today and forever.

Hand on to the ropes and let the event of things pass you by,
For at dawn i will be fed with the madras;
And to give a legion like the autumn wind.

The tower of my strength is in this madras!
With the life of the nature of things to see thorough your love;
And like a gold in the morning sun.

Edward Kofi Louis
The pastures of the wilderness and the pastors of the hills,
I see lawlessness around me and i hear the bullets of war!
And the poor man's garden is trampled by the big foot of the rich.

The right and the straight of the face of your love,
There is no longer truth in your mouth;
Because you slept with another man last night,
And they bought slaves and made profit overnight.

They were all dead when the summer rain came in,
And i was standing at the corner with Madsen watching;
But rebuke the beast among the reeds for,
My eyes are darkened and i cannot see.

Edward Kofi Louis
Mae

Come closer to me so that i can kiss your lips,
For i need a lasting relationship with you;
And the door is now opened for you alone.

Think about it for a moment,
And like life in the Garden of Eden;
For i will search for your love and,
I will search for you always to cool me down.

Stop your cry and keep me in deep memory;
Dry up your tears and hold me tight in the cold;
For it is no secret that i love you,
And you are caught pants down on my poetry.

Mae,
Put your knife in its sheath awhile;
For i am in love with you and,
There is more between the legs.

Edward Kofi Louis
Mafia

Mafia,
You came and you rob me of my love;
Mafia,
You cam and you stole my lover!
Wormwood,
Poison and bitterness;
And like gods of wood, stone, silver and gold!!
But i will surely live on to remember this day.

Edward Kofi Louis
Magdi

My flow and my vision,
My words and my motives,
Patience is silver and my love is gold!
And i will always be ready for Magdi.

Edward Kofi Louis
Maghe

The Roman god Janus,
The Roman goddess Februa,
The Roman god of war (Mars)!
The Greek goddess of love (Aphrodite),
The Roman goddess of growth (Maia),
And Juno, the goddess of women, marriages and childbirth! !
Learn from them to know the wife of Jupiter as well;
For, we are all being surrounded by the works of the gods and the goddesses!

The Germanic languages,
I am Maghe with the works of the secret codes of life in the land of the living;
But, very quick and eloquent is the muse of my love!
And like the acts of the god Woden in the alnd of many rivers.

The god Thunor (Thor) and the goddess Frigg,
With Old Norse like Venus the goddess of love!
But, try to learn from the old facts to push ahead with the truth always;
For, we are blindfolded to the secrets of this world.

Edward Kofi Louis

Magic flowers;
Seen by the Black River.

Edward Kofi Louis
Words,
Works,
Words of love,
Works of peace;
Magic garden of love! !
Sunshine,
To dine with the truth,
To dance with the truth,
Dreams! ! !
To wash the left hand and then,
The right hand!
Living,
In the garden of love.

Edward Kofi Louis
Magic Hour

Time! !
Magic hour;
Waiting for it,
With the muse of the truth.

Edward Kofi Louis
Magic Land

Windy city,
Magic land,
Snowfall,
Waterfall,

The lava of love!
The land of justice,
Putting things right than with hatred which leads to war.
Life,
War is not the answer to peace;
So, if you want life,
Then, here it is with the muse of the laws of righteousness.

Edward Kofi Louis

Seeing the beauty of nature.

Magic Mountain!
The view;
Magic Valley!
The view;
With the muse of the land.

Edward Kofi Louis
Magic Mountain!

Colours of love,
Colours of life,
Colours of nature;
Magic Mountain! !

Enjoying the muse of creation,
In the land of beautiful flowers.

The magic mushrooms,

With pyscology and psychiatric!
After the use.

Hen,
In the magic pen;
But, i am with the magic pen.

With the passion of life and the compassion of nature.

Magic Piano,
Playing along;
Dancing as well with the joy of your heart!

Till the end;

With the aroma around,
Comforting your heart with the muse of the truth.

Edward Kofi Louis
Magic Spray

Magic spray!
Ray,
Pray,
To say your words;
Watching the bay.

Edward Kofi Louis
True love is like a magic system!
Touching the hearts of many;
From creation with the light of the truth,
The light of glory! !
The light of peace;
Teaching those who are ready for righteous morals.
Magic System,
Positive values!
With the muse of the fragrance of life;
Magic System!
Positive morals,
With the muse of the aroma of nature;

Met;  
But not wet.

Edward Kofi Louis
Magnificently!

Very beautiful and,
Very magnificently!
Oh, my love;
You're always on my side and,
You're what i need.

Edward Kofi Louis
Dare to be different and dare to take up the task,
For i am from 'Mensah Sarbah Hall' to teach you;
And my mind is set up like Indiana Jones.

I am Magshe and you could be my grandfather,
But to wed the deceased on her dead-bed before burial;
For, i have no crocodile tears to shed on this issue.

Dumbfounded,
But, you must marry the ded body before burial!
However, deep inside me is the muse of love.

I am watching you under this microscope and,
I have the symbols of this story to tell from 'Mensah Sarbah Hall'!
For, someone did it for the frist time.

Your life is like a child's play,
With the cultures and the customs around you;
But i will never forget what you did to her,
And now, she is dead and gone! !

Share my thoughts if you have the muse of love,
For the gods are ready to talk today;
Because, the politicians are cheating us!

Of man's stupidity in the name of plenty,
And like the drunkard's stupor! !
But, are we all not human beings? !
For my eyes have seen and my hand will write them;
But, who else is guilty on this case?

You can achieve any heights in life if you believe in it,
Butm, you've now killed the lady;
And, you are now made rto marry the dead body.

Edward Kofi Louis
Mahama

'Is he sick?'  
No, he is not;  
'Is he asleep?'  
Yes, he is;  
And come and see where my lover lays his head.

His name is Mahama and,  
I am the one for him;  
But, in a garden party I will sit and wait for him.

Edward Kofi Louis
Mahanaim

Mahanaim, man, him, aim!
Like an ivory overlaid with pure gold;

Seasons, reasons!
Sold for love;

As told in your land,
But, to hold on your strength.

Edward Kofi Louis
My heart rejoices in you love,
For the bows of the warriors are broken!
And those who stumbled are girded with the strength of love.
This is from me to you and,
I am Mahaneh in the land of love;
For you were once lost and gone forever and,
Today i have found you once more.

Edward Kofi Louis
Mahaneh 2

Mahaneh, man, he;
Love! !
He is the right one in your eyes,
The man of your dreams;
Finding the means to get closer to him.

Edward Kofi Louis
Mahatma

You can't trust everybody and,
You can't hurt everybody;
But my love is like the music in your ears,
And i will stay in school because of Mahatma.

Edward Kofi Louis
Mahiti

Mahiti, mail, it, Mali, Ali, hit, hat, mat;
Bars in place,
To set the doors!
Like the spring of the sea and,
The recesses of the deep.
Mali, Ali!
With the channel for the torrents of Rain!
Love from your heart;
But when the Waters harden like stone,
The surface of the deep frozens.

Edward Kofi Louis
Mahli

The winter came and your love was like the sea of hope,
The summer came and your love was like the ocean of lovers,
But I will be there for you always in all year round.

I am lovely and I need love,
So come and take care of my sweet apples;
For I cannot sleep at night.

Mahli, you are all that makes me love the fruits of love;
And all that I see in you is the true light of love.

Edward Kofi Louis
Mahli, Mali, Ali, aim, hail!
Faith fights against the flesh,
Terror and dread;
Death and destruction,
Upon us!
On earth today.

Edward Kofi Louis
Mahlon

Mahlon, man, on, loan;

Young people,

Young servant girls,

Young servant boys,

Seen in the land;

Working in the fields! !

However, it is better to guide them with the works of the truth.

Edward Kofi Louis
Mahmoud did not tell me more about her,
And he also failed to give me more details about this lady;
However i have to live by what i have come to see with my muse,
For the heavens are very far away from the earth!
The way she behaves at times puts me off,
For the things are not all that normal with her;
But i have to live by everything that i see around me,
And i will not eat the camel, the rabbit, or the pig! !
They are all unclean to mankind but,
The peace of my mind will always lead me on to succeed in this land.

Edward Kofi Louis
Mahr

Check, speck, Beck, deck, peck, neck;
With the small axe in your hand to cut down the big tree!
But, I am Mahr in the land of your muse watching you;
For, it is better to keep the trees than destroying them.

Edward Kofi Louis
Maid

A certain maid saw you by the fire side yesterday and,
The foreknowledge of your love was known;
But like the days of Herod the king,
The fruit of the voice of love is closer to you.

Edward Kofi Louis
Maid, Mermaid!

Stirring nights!
Sensible;
Cape, escape!
Endurance,
Love!
Mermaid;
With the view of the river.

Maid, mermaid!
It was just like a fish;
From the view of the river.
Bank, blank!
With the muse of the flamingo.

Distances,
Go, flamingo!
Unpredictable;
Carriage, courage!
Like the muse of the peacock.

Edward Kofi Louis
Maids, Aids!

Maids, aids!
Invite me in,
And let me understand your culture;
The culture of the land,
Able to go along with you.

Edward Kofi Louis
Maier

Maier, mare, am, me, air, ear, are, era, aim, ram;
Hat to hat,
Vat to vat,
Bat to bat,
Cat to cat,
Fat to fat!
With the timing of your love.

Love!
I am very muse aware of you;
Press, impress!
To teach you and to teach others;
Through the ways of life with the focus of the future.

Edward Kofi Louis
Main Entrance

Aim,
Claim,
The way,
Through,
The main entrance!
Rain,
To train your brain,
Along the way.
No chain! !
No pain;
To gain,
Along the way! !
Like a grain,
Through the main entrance.
The way!
To enter in,
Through the main entrance,
With the joy of your heart!
With your friend,
Called Cain;
To enjoy your status,
Reaching the other end,
Seeing the other side,
With the muse of the colours of true love.

Edward Kofi Louis
Main, In!

Main, in!  
Love,  
Remain;  
To fulfill your needs,  
To fulfill your dreams,  
On earth!  
And to love yourself like your neighbour.

Edward Kofi Louis
Main, Remain!

Main, remain!
To get ready,
To be prepared;
For the muse of the truth is coming to pass.

Teachers of the law,
And, living in peace with each other.

Edward Kofi Louis
Maize

Life!
Sitting down watching south,
Waiting for the sun to rise up from the east! !
And, to settle down to the west;
Understanding the muse of nature,
Which is guided by love.

Maize, aim, am, me;
Port, export, import!
Clad, lad, ad;
Love!
Providing protection for the artisans.

Cross, sections,
Of the mind!
Travelling towards the east.
Life!
To follow the instructions;
In a very positive way.

Edward Kofi Louis
Major Factors

Major factors,
Like actors! !
Dependability,
Authority,
Instability,
Tariff,
Action plan!
Partnerships,
To be determined,
Challenges!
With the muse of your best friend;
Truthfulness,
The very key needed;
Without a notorious person around.

Degree,
Agree,
Fee!
Not free;
Proposal,
With the muse of your sweet love.

Switch,
Witch!
A stitch in time saves nine;
Pitch,
Hitch;
But, the early bird catches the mice.

Time and, time again! !
To prove yourself to your people;
Ready with your works,
Attractive with your mind!
Accurate with your words,
Muse, use, fuse, infuse!
To picture the image before you paint it.

Edward Kofi Louis
Make It Better

Life,
Make it better;
With the works of peace.

Love,
Make it better;
With the works laid down.

Nature,
Make it better!
To respect life by taking care of it.

Edward Kofi Louis
Make It Pop

Stop!
Make it pop;
And top up your life with the truth,
With positive moral works.

Drop! !
Face the truth;
For, there a Cop closer to you.

Crop,
With a smile on your face!
And to hop along in life to face the truth.

Edward Kofi Louis
Make It Work

Make it pop!
Make it work;
Along the muse of life,
With the stages of your love.

You got it from your mother and,
You gave it to your daughter;
But, make it work and,
Be free with your mind always.

Edward Kofi Louis
Make Me Whole

Hold me tight and kiss me,
Let me melt inside you;
Hold me close and love me,
Let me be the one for you;
Take and taste my nakedness and,
Make me whole like never before.
Love is all that i need,
Come and give me the sweet milk of your's;
Love is all that i want,
Come and take my breathe away.

Edward Kofi Louis
Make Of Clay

It will enter into it without notice,
But each man is holding his own weapon in this town!
And, they are prepared for war;
For the vessels that they make of clay are now marred in their own hands.

Edward Kofi Louis
Make The Right Decision

Positive Role Models,
negative Role Models,
All around the world;
but, you are now making your way through.
Nest, honest!
To harvest,
To think of him,
To think of her,
To think of us,
To think of them;
Helping out in many ways,
But, make the right decision.

Edward Kofi Louis
Make Up Your Choice

Life is not always smooth and straight;
But, there is hope in life so,
Don't give up easily on your dreams.

Very sick and weak in life! !
And, nothing works for you;
But, don't give up on yourself.

Make up your choice and,
Let us hear your voice!
But, choose wisely.

Edward Kofi Louis
Make Your Choice

Make your choice and,
Prepare your cake;
To shake the mixture with the muse of the ingredients,
For the sake of the service around,
Without any fake act! !
To take on the work in your land;
And, to let your voice be heard by Kate!
Who has a date with you.

Edward Kofi Louis
Making A Choice

A wife who insults her husband is not a well trained woman,
A husband who insults his wife is not a well trained man,
Making a choice today! Thinking that you are living in Heaven;
But, look at what you've done to the other person! !

Edward Kofi Louis
Making A Name

Melvina, vine, mine, main, man, men, aim!
With the muse of a very busy person;
At one point in time,
Could, should, mould!
Melvina, in, van, meal, male, ale, lain, live!
Thriving,
And, to know how healthy a person is.
Melvina, mail, Mali, Nile, line, Ali, lane;
Propriety!
Making a name,
And, being a woman.
Sure, figure!
Revelad with the muse of love;
And, with the muse of the African society.

Edward Kofi Louis
Making Her Mine

Vine,
Wine,
Dine,
Fine!
Making her mine.

Edward Kofi Louis
Making You Laugh

Amusing,
Amazing!
Making you laugh;
Making it possible to touch your heart,
With my works,
With my words,
With my style!
Love is all that I bring to you.

Edward Kofi Louis
Makir

Makir, air, arm, ram!  
To marry whom you please,  
In the land of the living;  
Bringing joy to your heart.

Let the truth shine forth!  
And, let righteousness arise;  
For the works of peace and love,  
And to enjoy the day with the truth.

Edward Kofi Louis
Makiya

Yo can rejoice because,
I bought you and brought you back to my heart;
And like the Amplified Bible!
But the unstruction of righteousness is like youe sweet muse.
Makiya is youe name and i bought you and brought you back,
But your sweet muse is like the Amplified Bible.

Edward Kofi Louis
Malaam

This poem is yet for an appointed time but,
At the end it will speak to you and will not lie;
Though it seems so slow and it may delay,
Wait for it with your love and care for my muse!

It will surely come at the appointed time,
Because most of you are now being taken away by Satan!
That is why you do call sin enjoyment.

Like a great wind over the sea at last,
This poem is yet for an appointed time.

The stubborness of the people is known by all,
So Malaam paid the fare and went down in to the ship;
And like lovely virgins and the story of the young men around,
But at the end with the hope of this poem which speaks with time.

Edward Kofi Louis
Malchishua

Malchishua, Sam, aim, aims, calm, as, his;
On the way,
And to fill your horn with the oil of peace.

Life, live, joy! !
To find a man for the job;
Who skillfully plays the harp,
To staisfy you with his skills.

Edward Kofi Louis
Malchus

Hold your right ear and come to me oh my sweet Malchus!
For you ought to support the weak and the poor around you;
And it is better to give out than to receive in this life.

Edward Kofi Louis
Male

Male, am, me, ale, meal, mal;
And like a running mate in the land of your muse,
But, with the same types of works to respect your love.

Dire, wirw, hire, lire, mire, quire, sire, tire, fire! !
I'm looking for love and i can't hide it from you;
So, be my guest in this room and,
Let me love you for who you are.

Edward Kofi Louis
Male And Female

Male and female,
They were created;
Boys and girls,
Men and women,
On earth to learn;
To know the truth and,
The wisdom of righteousness!
For the peace of the earth;
But, what do we see around us today?

Edward Kofi Louis
Male And Female Slaves

Gardens and orchards,
Great projects and great love to share my views;
But i am under the heaven to share my love with you.
Bisa, Korley, Kietey and Akuwaa are my friends;
And of the water pools of love to irrigate my farm!
But let me rest my mind on the male and female slaves around.

Edward Kofi Louis
Male, Boy, Man!

Male, boy, man!
With the right training;
But, the ways of man today is full of wars.

The muse of life,
Ale, sale, pale, whale, male, female, bale, hale, vale, gale, stale!
With the ways of mankind on this earth today,
Which is now being bombarded with the weapons of war.

Life,
Like watching the future in a fresh water but, with a sword in your hand!
With a sad future where there is no love;
As we carry our weapons to face each other,
However, this is not the way to peace.

The muse of life!
Do not follow the crowd in doing evil;
For, this act of illegal lust will lead to hatred and war! 
Without the rules of the engagement of peace,
As the truth is now being deterred with the blood of war;
With the muse of all the evil acts of mankind.

Edward Kofi Louis
Male, Malevolence!

Male, malevolence!
Illegal lust,
Greediness,
Selfishness,
Rape!
Misery,
Death.
Men! !
Why do you rape young girls and women?
Why can't we live together in peace on this earth?
Rape!
As seen all over the world;
And, the 16 year-old girl died in India,
After being raped by men.

Edward Kofi Louis
Malema

Sons and daughters!
Of the harvest and the fields of love;
Pass over it and come to me,
And like Malema sitting down by the fig tree.

Edward Kofi Louis
Males And Females

Doctrine,
Tradition,
Men and women;
of males and females in search of the truth!
But, the truth is not very far away from each of us.

Edward Kofi Louis
Malice

Vice! !
Malice,
Blood-avenger!
West side,
East side,
North side,
South side;
All over the world.

Edward Kofi Louis
Malice 2

Vice,
Malice,
Evil;
Working with the devil.

Edward Kofi Louis
Malicious

Consent,
To deceive you! !
Concert,
On a crutch;
Raid!
Avenge;
To fall in front of evil men and women.
Fire and water! !
Tribal or ethnic;
Malicious
Dispute!
Argued.

Edward Kofi Louis
Malicious Ways

I do see the malicious ways of the hypocrites of your love,
And of the men who died because of sleeping with you;
For i have learnt my lessons well and i do have my notes around,
Because we are all part of this journey of love!

Edward Kofi Louis
Malign

Sign,
Malign,
Reign,
Geopolitics!
The new world order;
Rituals,
Secrets,
Hostage to the devil.

Edward Kofi Louis
Mallory

Mallory, roll, all, aor, ray, may, mall, lay;
To say your words!
To stay at home at times with the muse of your mind;
While, others visit the bay.

Edward Kofi Louis
Malloy

Malloy, lay, lay, yam, May, all, mall;
Race of Champions! !
Flesh and blood,
Mount Rushmore;
Ash, has!
But, inside it was very dark.
Week, weekend!
Now you know how to cook it,
So, prepare it and eat.
Weak, week!
In the Mall with the muse of your love;
Fresh, flesh!
But, do learn how to live by the positive rules of life.

Edward Kofi Louis
Malluch

Malluch, mall, haul, hall, call, all, much, calm;
Dim eyes!
Weak,
Old age,
The intense of the work! !
Started in Israel and, it ended up in Rome;
To roam about.

Edward Kofi Louis
Malta

To an Island called Malta,
To the place of my lover;
Where is she that comes from the morning dawn?
Where is she that has the roses of love?
I planted and you watered so,
Let us share the increase at last!

Edward Kofi Louis
Malta Is My Love

Malta is my home and Malta is my love,
And I’ve got the birds at the coast to great you all;
But like the muse of your love,
You will always meet me at the coast as your tourist guide.

Edward Kofi Louis
Malta My Sweet Land

Gloom of anguish, trouble and darkness!
But sail on to Malta to visit my home;
And give ear to me all you people from far countires,
For i now present Malta my sweet land to you.

Unto us a child is born and,
Unto us a son is given;
And like the zeal of your love to my home!
But the bricks fell down last night and i saw your nakedness.

Edward Kofi Louis
Mama

I am confined and i cannot come to you,
But the woman coming to you is called Mama;
And she will always be there for you.
Life is like that at times and,
Some people will drink wine and others will not;
And like your love as shown to me in my dream.

Edward Kofi Louis
Mama Africa

Mama Africa! !
To be bullish or to be sheepish,
Cry out loud when you have hope to fulfil your dreams!
For Mama Africa is ready to lead you on.
Mama Africa,
Cried the beloved child of Africa to the human race with love;
But pussy-footy as it may sound to you,
We have more to teach and show to the world!
For Africa is the most beautiful continent among the lot.
Mama Africa,
That's the horse-walk status for you to wear the crown of peace;
Mama Africa,
The jungle are crying for you to visit us in the heat of the day!
From Cape Town to Cairo and from Dakar to Mogadishu,
The birds and the animals are waiting for you to greet them;
From Rabat to Tananarive and from Windhoek to Benghazi,
And with the foot-prints of Mama Africa to reach out to the world!
Mama Africa, Mama Africa!
This is the land of the Blacks to sing a song like your muse;
So praise the beautiful Sun and the heat that it brings to us all.

Edward Kofi Louis
Mama Africa II.

Love and peace to you from the mind of the African,
For Mama Africa is here to stay;
And of the great love from the muse of Africa,
So pay us a visit to see what we are made of.
Mama Africa will great you with the muse of all the animals,
And like the heat of the sun that blesses us all day long;
But in Africa with hope to teach many with our culture.

Because we have a lot to share with the whole world!

Edward Kofi Louis

But you will enjoy your stay when you do visit us;
Because Mama Africa is like my muse of love,
So come ans see things with your own eyes.
Come and let me take you round,
For this continent has more to the eyes than you think;
And like the muse of love that is protected with care.

Edward Kofi Louis
Mama Africa Is On The Horizon

A righteous reputation,
A just man is all that it needs;
For Mama Africa is on the horizon!

A righteous reputation,
A just woman is all that it takes;
For Mama Africa is on the horizon!

Her muse is for you and me,
And of the things as seen in Africa;
Because Africa is my homeland!

Edward Kofi Louis
Mama Africa My Homeland

Mama Africa my homeland,
And of the visions and of your various muses that blends with the arts;
But we Afraicans have a lot to show to the world.

Edward Kofi Louis
Mama Africa Wants To....

African girl,
You are like the slice of cake and the muse of love;
But od present the status on your right hand side to meet up with your mind,
Because the youthful act of your muse is like a call from Mama Africa.
African girl,
Mama Africa wants to educate you among all others;
So you have to separate your sheep among your goats,
Because i was once lost in the bush of love and you shown me the way out!

Edward Kofi Louis
Mama Africa Will Always Be With You

Of the animals of the field by night and,
Of the birds of the air by day;
Mama Africa will always be with you when you do visit,
For this continent is very different from others.
Things are done more with the cultural aspects of the people,
And of various status-quo as identified among us;
But Mama Africa will always be with you when you do visit.

Edward Kofi Louis

Come! And let Mama Africa admire you! !
For Mama Africa will be the centre of your mission;
Because we have hope in whatever we do in Africa.

Edward Kofi Louis
Mama Africa's Identity

Mama Africa's identity,
And of the Fulanis and the Fulbes;
But the Savannah and the Sahara are here to stay in Africa.
Mama Africa's identity,
And of the Dogons and the Shilluks;
And of the cowries used as money in those days,
But the identities of the African are in many faces.
It is like a durbar in Africa and,
At the market place to meet others;
But a visit to the tomatoes market in Ghana will tell you much.
Mama Africa's identity,
And like 'the Golden Stool' of the Ashanti Kingdom!
But wait for the dried-fish on the coasts of Africa.
Visit St. Louis in the delta of Senegal and learn about the ways of the African,
For my home in El Molo;
And like Mama Africa's identity praising my muse.
Mama Africa's identity,
And of the pygmies in Central Africa!
But I have my mind on the Rift Valley,
And like the mirror of the rivers, lakes and the seas of Africa!
The Massai and the Dinka do play their roles,
And like the Nubians in South Sudan;
But with the temperature above 40 degrees in most parts of Africa.
Mama Africa's identity,
And like a message to my lover in Lalibala;
For early in the morning came the leopards to drink some water,
But a visit to Mount Meru will entice you.
Mama Africa's identity,
And of the Zulus and the Rendilles;
But the Afars are here to blend with the dry land.
Mama Africa's identity,
With the rhythms and rituals of the Africans!
And like the tribes of Ovambo, Herero, Xhosa, Shona and Matabele.
And like the Bemba, the Tonga and the Ovaimbundu!
But the red land of Africa care for you all.
Mama Africa's identity,
And of River Limpopo in the mist of love;
But try to visit the Victoria Falls to satisfy your curiosity.
Mama Africa's identity,
And of the Himbas with their traditional dance;
But the Kikuyu, the Hutu, the Tutsi and the Hambukushu are also there,
For Africa is a very big continent for all of us.

Edward Kofi Louis
Mama Africa's Treasure

On the run!
With your mind;
On the move!
With your love;
And like Mama Africa's Treasure! !
But, they came and took your treasure away.

Food for the belly!
To gain your love and to love once again;
But, do guide me with your true love always! !
Because, Mama Africa's Treasure is what what you need.

Be thankful with what you've got from me!
In the jungle,
Wild and free!
But, with hidden tracks;
However, this train is heading towards the land of your muse.

Welcome to the world! !
Welcome to the muse of Africa;
Rich in love,
Rich with colours,
But, open your eyes and look around with them!
With the muse of love and with the muse of peace,
And like Mama Africa's Treasure.

Edward Kofi Louis
Mama Came Home Late

I am only a man like your self,
And like Cornelius the centurion;
But my hope and dreams are always one step ahead of you.

Mama came home late last night,
For she is a woman like your self;
But she is known by all in the neighbourhood because,
The way to the sea moves straight to her house!

Edward Kofi Louis
Mama Will Be There

Mama will be there to pick you up so,
Dn't worry about me as at now;
Because i will be there to beautify your place of love!
So try to love justice and hate robbery,
For the scroll in your hand are the written words of my speech!

Edward Kofi Louis
Mamaafri

Alone in the night but,
I am stopping the snowy evening alone in the woods with my love;
For i am Mamaafri and,
The Highwayman is expected to pass by tonight.

Edward Kofi Louis
Mamabor

This road is not always taken on by the wise,
Because it leads to the house of the fools!
And i crave to meet you my love oh Mamabor.

I crave for your care and peace,
i crave for your love and kindness,
I crave for your voice and the songs of love!
For you are Mamabor and you are all that i need.

Edward Kofi Louis
Mamadad

The young men slept with her as she sold herself to all,
But Mamadad was troubled like the tossing sea!
And like the dry land of the desert,
Because your wella are now torn down by your lovers.

Edward Kofi Louis
Mamadam

Why curse me to the face oh Mamadam my lover?!
For the piece of the broken pottery is on your table;
But my love will grip you like the time of a woman in labour.

Edward Kofi Louis
Mamagah

Shun evil and live with peace,
For playing football is like a drama!
And we have seen enough already in the 2010 World Cup;
But the name of my lover is Mamagah.

Edward Kofi Louis
Mamagila

You will surely drink from the cup of my love,
Because i do have the keys of the passions of your heart!
For you are Mamagila and,
I will respect this muse of yours always.

Edward Kofi Louis
Mamahama

I will still rise up for your love,
For i am the phenomenal woman of your heart!
But if you've now forgotten me then,
I will walk on the sidewalks of the ends of the rope!
For you are all that i need and,
I will crown your name always oh Mamahama.

Edward Kofi Louis
Mamahanna

I wrote them with the ink of my pen,
So come and let me dedicate my love to you!
For you Mamahanna are the only one that my heart needs;
And i will kiss your lips all day long when we do meet.

Edward Kofi Louis
Mamakod

Don't be like a drunkard who wallows in his or her vomit!
But be very wise oh Mamakod!
For the galaxy is not closer to you as you thought;
And from one jar to another you have shared your love with others.

Edward Kofi Louis
Mamalam

Let the bulls go down to the slaughter and let me look for my lover,
For Mamalam left home unnoticed last night!
And like the voices of the fugitives and the refugees around;
But i am now trapped in this love and,
I will try hard to find a way to pile up the heap of the ruins.

Edward Kofi Louis
Mamama

I was sitting by the television watching the news when,
Your call came in to fill my heart with love!
Then I became one inch taller with your muse;
For your true love feeds my lovely heart and,
I am Mamama waiting for you tonight.

Edward Kofi Louis
Mamandu

As high as the eagle and as lovely as your muse,
Stand in front of me with your love and let me kiss you;
For you occupy the height of the hills around me and,
I need you on this love oh Mamandu!

Edward Kofi Louis
Mamara

At the age of four she started writing her own name,
So you will automatically know the kind of person that she will be in the future!
And like Mamara in the land of the desert people.

Edward Kofi Louis
Mamaryah

Blameless and upright,
I have seven sons and three daughters;
So sit down and read out this book for us all oh Mamaryah!
For we are now in the winter garden and,
There is fire burning in the hearth.

Edward Kofi Louis
Mamasha

I have been learning a lot as i grow older day by day,
And of the dream within me to look for you;
But like fire and ice,
We've wandered lonely enough as a cloud up high!
But i am still alone waiting for you oh Mamasha.

Edward Kofi Louis
Mamashie

Dreams, oh dreams!
I am Mamashie from the muse of love;
And i am ever ready to carry along your heart with me,
Because i love you for what you are!

Edward Kofi Louis
Mamathick

You trust in your riches but,
You forget that you will die one day!
So wake up to the truth oh Mamathick! !
And be like a lion from the flooding of the Jordan River.

Edward Kofi Louis
Mamatie

I have uncovered your secret places of love and,
I have made you bare with my love;
And of the kisses that led to the passions of the night,
For your sweet name which called Mamatie will always cherish my heart.

Edward Kofi Louis
I met my lover at Barracuda Beach,
And of the love that we shared at last;
But the Beach Boys could not stand what they saw,
So i took my lover to my residence to share the night in peace.
Mamatta was the name of my lover,
So the muse of love was shared in peace!
But the truth about life is always like the wind that blows us all.

Edward Kofi Louis
Mamta

Of the cattle disease and the soot of a furnace tossed in the air!
Of the words of sorrow and the boils out of the disease,
But the farmers are still searching for the answers;
And Mamta my lover come and told me of the news.

You are the sunshine that dawns on me oh my sweet Mamta! !
And i will always search for you no matter how long it takes;
For these farmers need to learn from you as well,
And like the beauty of the rainbow as seen up high.

Edward Kofi Louis
Man Is Not Satisfied

Man, oh man! ! Man is not satisfied in this world; From the beginning till now, We are all destroying ourselves.

The world was made 'flesh' by creating Adam and Eve, And they were given the plantation to control; Then, Adam and Eve went against the Creator's will.

Man oh man! This world is now controlled with hatred anf jealousy; And man is not satisfied with all the blessings around, For, in the name of winning power! ! Many are killed.

Even in love, mankind is not satisfied; Oh man! ! Why do you leave your wife alone and sleep with another man's wife? From one girlfriend to another, Form one house to another, From one room to another, From one bed to another, Man is not satisfied.

From one woman to another! But, our greediness will lead is nowhere; For, hatred and jealousy had been dividing us than ever on this earth! !

Man, oh man! When will we learn the perfect laws of the Creator? ! From Adam and Eve to this present day of men and women; And, in vain we do hate each other on this earth.

Man Of Might!

A valiant Man,
Man of might!
With the truth.

Archer!

Like the muse of the parallel dominion.

Strike,
Smite;
Not with a smile!
And to be carried away.

Man of the heat!
Heart of peace and love;

Man On Wire!

Man on wire!  
An act like magic,  
With explosive fantasies;  
To set the records with his talent.

Of your talent,  
Of my talent,  
With ideas,  
With your life,  
With my life,  
To the people,  
And, to reach to the clouds!  

To reach to the top,  
To expose your talent,  
Wire, tire, lire, quire, ire, mire;  
But, love can help you know your name.

Man on wire!  
To the clouds,  
To the stars!  
To stage a walk,  
But, take my life and take me for what i am.

Zaire, shire, hire, dire, fire!  
Moral, loyal, royal, oral, coral, floral, rural;  
Man on wire!  
All in the name of his talent for us to see.

Edward Kofi Louis
Man Used It

The Creator made man and,
Man made the gun;
And the gun killed the man!
Because, man used it.
The muse of life,
This what we see around us today;
With mankind manufacturing weapons for killing.

Edward Kofi Louis

As my mind roams about,
Searching for answers,
For a brighter future.

Why are you here?
With a pale face and,
The greedy acts of your muse.

Mandy

Knowing how to serve comes from practicing,
With humility and loving-kindness;
But deliver the news to he or she who cares,
And display true love and concern to one another.
Learn my muse and be perfect,
With the concern for the well-being of others;
For i am Mandy in the land of the people of peace!

Edward Kofi Louis
Manfred

Manfred, man, Fred, red, dear, read, dam, made, near, Dan, den, fear!
Like a Box Spring Bed;
Seeing the ways of life around you in your land.
To the top!
To the point;
With the wings of love to learn more about life,
However, let your works be salted with righteous laws.

Edward Kofi Louis
Mangales

I can see the face of this worried woman closer to me and,
It is all because of the acts of her husband;
For he has gone in for another woman and,
He has left his former wife all alone in the forest!
Tell me whether this is right,
For i am Mangeles and i do not understand some men at times!
For it is like they eat and wipe their mouths after one act;
And they strat jumping from one bed to the other.

Edward Kofi Louis
Mango, Tango!

Mango, tango!
For you i live,
For you i am known,
For you i am,
Knocking! !
Asking for permission;
With a mission,
And a vision.
Not to enter in,
But to wait for your command!
For you i live;
Like the vibes of the tribes of Africa.

Edward Kofi Louis
Mangoes

Come and buy my mangoes and eat them,
Come to my heart of love and share with me;
My golden door is open and it needs you.
Live by the truth and grow tall,
Love is all around you;
Because, false lips will rather lead you astray.
I have the golden door and,
You have the golden key;
Come and buy these mangoes of mine.

Edward Kofi Louis
Man-Hat-Tan!

The muse of peace;
Man-hat-tan!
The muse of love;
After 50 years with my life,
And with lovers and people of peace.

Life after 50 years! 
The Rainbow Bridge is still ahead of me;
However, i have learnt a lot in this life.

An author of science-fiction!
You have not seen what i saw;
And like an alien on earth.

Man-hat-tan!
With the skills of love and the scales of life;
Mythology,
Phone, one!
The Red Telephone;
But, this telephone at my door is my door bell.

Edward Kofi Louis
Manifest

Man, 
Manner, 
Manifesto, 
Manifest!

Day, 
Lay, 
Say, 
Bay, 
Ray! !

The way a poet composes his or her poem.

Edward Kofi Louis
Manifested

Thrilled,
Incorporated,
Inscribed in gold with the love of my muse;
For i have now made your name manifested!
And like a farewell poem to my lover.

Danish nobility,
Famous with my mind to touch your heart;
And like a new translation based on the original Hebrew texts! !

She brews and he brews like Hebrew,
But incorporated is my love towards your heart;
And inscribed in gold is the love of my muse,
For, you are thrilled with my works.

Edward Kofi Louis
Manifestation

Brightness!!
Manifestation;
Stocks,
Acquainted,
Rest,
Cloverleaf,
Rick, Patrick!
Having the capacity and expertise;
To implement the policy.

Edward Kofi Louis
Manja

Manja, jam, man!
Of your story,
Of my story,
Our stories on earth! !
As we live on earth;
Learning along,
With problems as well.

Edward Kofi Louis
Manji

Mystery woman!
Manji is my name and,
I want to see you;
For, you are gradually taking over the muse of love in this town! !
And like a nation's political landscape in the land of peace.

His touches,
Her touches,
Your touches,
With the muse of your love to enjoy,
But lot of things are done in the name of your love!
However, i want to see you and know who you are.

Edward Kofi Louis
Mankind

Without the dinosaurs dying,
There will be no mankind;
So, mankind came after the death of the dinosaurs.

Edward Kofi Louis
Mankind

Life,
With the date of birth and,
The date of death!
Mankind,
To come into the world and,
To leave the world.

Edward Kofi Louis
Mankind 2

Mankind was made to learn and obey the laws! But, love will find a way to serve you.
The truth is for life! Knowing the ways of peace; and, the truth is perfected by the faith.
Writings from the clouds and, paintings from the clouds; looking up to see the wonders of creation.
Life, love and peace! Step only on the established paths of the truth and live with righteous works.
The truth brings health to your body! Out of the mind flows the springs of life; and, love will find a way to touch your heart.
Love brings health to the whole body! So, declare the truth and live in peace; for the sake of the unity of the land.

Edward Kofi Louis
Mankind!  
Made with LOVE by the CREATOR;  
But, why are we killing each other?

Edward Kofi Louis
Mankind

Mankind,
Man,
Woman,
Bringing forth the Child.

Edward Kofi Louis
Mankind  5

Hoe,
Toe,
Foe,
Woe! ! !
Seeing the ways of mankind,
On earth.

Edward Kofi Louis
Mankind Had Failed

Born out of fornication,
Born out of adultery,
With the sins of the world;
The very common practices,
Seen all over the world!
Because, mankind had failed to obey the laws.

Edward Kofi Louis
Mankind In The Name Of Peace

Men in black and women in white in a procession;
Meeting in a land for the purpose of peace!
Minds of men and women to respect the day,
Making it possible to bring out something very positive,
Mankind in the name of peace! For World Peace.

Edward Kofi Louis
Mankind Made It So

Life!
Love will always take care of you;
Love!
With the colours of light;
Act!
Before the dance;
Wine!
Like a lovely hut in the land of your muse;
To the spotlight!
And, with the moonlight.

Come!
Dance with me;
Love!
Life gives you hope;
Vitality!
With the muse of joy.

Life!
Love goes to where your heart is;
Life!
I love you from my heart;
Life!
Love will always take care of you.

Lust!
Captured to fight the war against your will;
Life!
Creating cannibals in the name of war;
Lust!
With the brutalities of war.

The madness of war! !
Killing and murdering eople;
Life!
Year after year with the weapons of war;
However, mankind made it so.
Mankind On Earth

The borrower is servant to the lender!
With mankind on earth;
And the Rich rules over the Poor.

Edward Kofì Louis
Mankind Should Look Back

Mankind should look back,
For the facts of life with the muse of the truth;
What really occurred to Sodom and Gomorrah?
Of their sins;
Are we doing the same today?!
Then, we are not wiser than Sodom and Gomorrah.

Edward Kofi Louis
My name is Manly and,
The light shows our sins!
But I see tribulations arising among nations today.
Wise men are not always silent,
But they know when to be;
And like the love that we shared last night.

Edward Kofi Louis
Manna

Bread from heaven and,
To my lovers in this world;
But they ate manna in the desert with care,
So put on the lights of love in the upper room!
And let my lovers stay around with me tonight.

Edward Kofi Louis
Manneh

Manneh, man, men, an, Ann, ham!
An inquest,
A request,
The rest,
The pest,
Action!
With the best act;
The best test,
Quest, inquest!
With the breach of law and order in the land.

Edward Kofi Louis
Manner! ! The Banner!

Manner! ! The banner!
Life is not all about your car, your house and your money!
Life means a lot; So, do help the poor around you.

Don't be selfish and eat your fish alone! Prepare your dish so that, the poor can also have something from it.

The truth is, to overcome lies and, to save the world with peace and love! ! With the muse of righteous works.

Edward Kofi Louis
Manners Are Like Banners

Crime and pride!
Time and tide,
Dime and ride,
Lime and hide;
However, manners are like banners! !
And, you are known in this Town.

Edward Kofi Louis
Manoah

Manoah,
Why are you downhearted my little one?
For I have got '21 Epilogues' of love for you;
So do put the wine away from you and,
Listen to my words.

Edward Kofi Louis
Manoah 2

Manoah, man, Noah;
The secret of your great strength,
Like any other human being,
Success! !
Exalted;
And, to rejoice.

Edward Kofi Louis
Manso

The bubbly actress,
It came as a surprise! !
And, i am humbled by it;
But the caring nature of my muse is what you need,
Because, the memory lives on!

A great personality! !
My name is Manso and,
I am in your neighbourhood;
But, talented as it is,
I do need your creative mind to move along with.

Edward Kofi Louis
Manson

Children abandon their fathers are known by their neighbourhood,
So you are doing a very nice job Manson;
For the computer chip in my brain is full of words and imaginations!
So log on to my wisdom when you need my help,
For you are sensitive enough to know what is right or wrong.

Edward Kofi Louis
Mantra

Man,
Manner,
Mantra,
Management,
With positive morals.

Edward Kofi Louis
Mantse Agbonaa

She lives at Mantse Agbonaa,
But her love is like new rice and new grains;
And she's my delight and my lover,
For her lovely muse is like well-fed horses in the morning.

Edward Kofi Louis
Manu

The world is filled with people full of evil hearts and,
Some men have planted pains in the hearts of many women;
But, what is the meaning of your name?

Manu, come into the world proper and learn about life;
For, true love is like the Institute of the Adult Education next door.

Edward Kofi Louis
Many

Fitting and proper,
To accept the circumstances and to move on;
But the conclusion is always occupied by your muse.

Many dates,
Many lovers,
many years,
And with much prayers!
But fitting and proper to your muse;
For a person who loves silver will not be satisfied with silver!

Edward Kofi Louis
Many Are Those

The time has been fulfilled!
So, enter in through the narrow gate;
For, wide is the gate and broad is the way that leads to destruction! !
But, many are those who go that way.

Edward Kofi Louis
Many Faces

I am a man with two faces and,
You are a woman with many faces!
One to my front and one to my back;
But you are with four faces.

You do have a face each by your sides and,
One each to your front and back;
And that is why i do not understand you at times.

Edward Kofi Louis
Many Generations

The fir tree,
The pine tree,
The box tree,
Of a joy for many generations!
But, lift up your eyes around you;
And, see the rams of Nebayoth.

Instead of bronze, give me gold;
Instead of rion, give me silver;
Instead of wood, give me precious stones! !
And, let me learn the righteous laws of life.

This muse,
Very soft and delicate!
This life,
Very sweet and precious!
But, your financial ruin is now noted to us;
And, we have to find a way of helping you.

The darkness will cover the earth,
For, time is passing by;
But, the eyes are very weary with longing!
And like, the act of coming in and going out.

To be the head but not the tail,
To bake the bread and to post the mail;
But, do not suck the milk of the gentiles!
For, life is always about the truth.

Edward Kofi Louis
Many Names

Yo want it to be seen so,
You exposed it to the masses!
You want it to be loved so,
You exposed it to the world;
And now the streets have too many names for you,
And like your musical abilities in the land of war! !

Edward Kofi Louis
Many Plans

I have many plans on this love so,
Return the sword into its sheath and,
Let me utter out my oratory.
Tune, opportune!
This love is rather for peace than war;
So, return your sword into its sheath.

Edward Kofi Louis
Many Problems

Ask permission before eating it,
Ask permission before using it,
For there are many problems around us;
And what one person eats,
Another person may not.

Edward Kofi Louis
Many Roles

To fill many roles and to use many ropes,
And of the need that arises on this love;
But weep bitterly for the highways lie waste.

You will conceive the chaff and bring forth the stubble,
For the people afar off will also hear my speech;
But the stability of your life comes from wisdom and knowledge,
And like my love so shared with you in the secret.

Edward Kofi Louis
Many Teachers All Over The World

I write to teach you,
I write to lead you,
I write to guide you,
I write to tell you what i have for you;
But, there are many teachers all over the world!
However, my sweet muse of different from all of them.

Edward Kofi Louis
Many Tears

Many tears,
To board the ship and to cry for you;
And like the humility of my mind to think of you always,
But i will love you according to your way and according to your doings.

Behold!
Life is like a man riding on a red horse;
And i will always cry for your love,
Because this ship is taking me very far away!

Edward Kofi Louis
Many Things

Your nipples are perfectly pointed up like a pencil and,
They are very tempting to touch;
Your breasts are perfectly round like oranges and,
They are too juicy to hold;
But noted to your spot of love are the words of peace.
Summer break with summer love,
And of your golden-gate to respect at last;
But under your breasts is your secret of love.

Courtship and marriage,
And with the garden of flowers that holds the future;
For you are the evidence of more things to come.
'Aben wa ha'! !
And to learn from the status of your love;
For there are many things we can do together.

Edward Kofi Louis
Many Times

I have been bitten many times by a snake and now,
I am very wise than a fool!
You've been bitten many times by a snake and now,
You are afraid of the earthworm;
But what you still don't know is,
Life is beautiful and love is peaceful.
Love will heal me from my sickness,
Love will wipe away my tears,
Love will heal me from my sadness,
Love will show me the way,
Love will bring me joy,
Love will teach me many things,
Love will bring me peace,
Love will unite me with others,
Love will bring me hope,
Love will let me fly up high,
Love will take care of my nakedness,
Love will feed me very well,
And love will put me into safety hands;
For your brother came in a deceit and,
Has taken your blessing away.

Edward Kofi Louis
Many Visions

To drink my own urine and,
To languish in the dreams of my cells;
For i don't need an Oscar Award to identify myself.

I am a man of many visions and,
I am moving across the planet called Earth;
For i ma so much inspired by the higher realms!

I do float with my mind to and fro through the air,
And they are like the days of my life among the refugees;
But of intergrity and the love of my visions.

Illusions!
Of the life around me to enjoy at times;
So don't close your eyes on me.
Don't even ask me why i still love you,
For we all came out of two people.

Edward Kofi Louis
Many Waters

Life in the Red Deer valley is like you and i,
For a feathered snake had created a river!
And the mosaic of the world is now before you and i;
Many waters are the transcendentalism of this world!
Colourful and amusing;
But, the power of my mind can easily reach out to you in many ways.
I am here to love you!
With the ways of life around you today;
However, you can't catch a thief if you are also a thief.

Edward Kofi Louis
Many will run to and fro,
But it is reserved for this Last Generation;
With deep secrets to touch your hearts!
But learn from the truth always.

Edward Kofi Louis
Many Years Ago

Honour,
Esteem!
Approval,
Turning away from evil works.

Honour,
Life,
Many years ago!
Struggling,
'Sika Ye Mogya'!
Hustle and bustle;
Finely feathered,
With the muse of love.

Sounds of life!
Works of peace,
With honour;
Current!
Yet to be.

Golden Voices of Africa!
Many years ago;
Then comes the day,
The day of honour.

Edward Kofi Louis
Mapes, Apes!

Maps,
Shapes,
Mapes, apes!
Capes,
Ways of nature,
With the muse of life;
Along with your status in the land.

Edward Kofi Louis
Mara

I am your own flesh and blood and,
Like one of the seventy sons of Yerubaal;
But your kinfolk came in and sacked me,
So go and tell this young woman that i love her.

It is like the memories of you and i,
And like anarmed man of war!
But i see no guns around you my love.

Oh, how the wind came and whispered your name to me;
For you are called Mara in the land of love and,
All the roses of love do kiss you.

Hip and thigh,
I am now seeking for your protection;
For we are both not yet married and,
The summer blues is all around us.

He was unmarried and i am not,
But the violence and the ruthless people do sing;
And with the sincerity of my heart to love you,
For i will always come to you with my love.

You can still pass on a righteous gene,
For it is a great joy to hear from you;
And it is a great joy to know you oh Mara.

Unlawful lust and sexual sins,
And of the four thousand year period with a malak;
But you are Mara in the land of love and,
You know the right from the worng on this earth.

Edward Kofi Louis
Mara 2

Mara, arm, ram!
Sour wine,
Parched grain,
Roots! !
Fruits,
Truth;
To show you kindness,
Able to know the right from the wrong.

Edward Kofi Louis
Mara Ii

The doors of your love opened and i met you,
But let us now run the race set before us with endurance;
For you are Mara and i have come to do your will my sweet one.

Edward Kofi Louis
Maradona's Nightmare!

Maradona's nightmare!
And he lost the game against the Germans.
He saw this vision a very long time ago so,
He went to Germany and played a friendly match with them;
This was before the 2010 World Cup was played in South Africa,
But the game ended with a draw.
Then came the actual time in the World Cup which,
Was a very important game to qualify for the semi-finals!
And Germany won Argentina by four goals to nil (4-0):
Oh Maradona, you are now with your nightmare.

Edward Kofi Louis
Marah

To bring them in,
Into the sea of love,
With the waters of the sea upon them;
Like the horse and its rider,
Marah, arm, ram!
The seed,
The speed,
Muse, fuse!
With the joy of your love.

Edward Kofi Louis
March

Match,
March,
Much,
Such is life!
Love;
With health and care,
With health and medicine,
Plain and bold! !
To behold your love;
Peace and joy!
Doing the right thing,
To pose,
With the rose,
The purpose!
Of the passage,
With the message.
Go, gossip!
Lip,
Sip,
Slip,
Hip,
Tip,
Trip,
Ship;
Night and das,
Official,
Special!
The sense of the mind;
Bringing out the points of the truth.
Muse,
Fuse,
Use;
Uplifting only the works of the truth,
To all nations;
Peace and love,
Righteous morals,
Living with the joy of your heart.
March On My Soul

March on my soul! !
Be strong;
To stand the odds of life.
Most blessed,
With the works of the truth and,
The words of peace and love.
March on my soul! !
Be strong;
Embroidered like colourful garments,
With the joy of my mind.

Edward Kofi Louis
Märchen, Mädchen!

Das Märchen,
Das Mächen,
Fremde fürs Leben!
Eigentlich,
Vater, Sohn, Enkel!
Generationen;
Reisen,
Spuren hinterlassen.

Wiedergeborene!
Ab duch die Mitte;
Hoffnungen,
Einaml im Jahr;
Heilgen,
Märchen, Mädchen!
Fast alles gewonnen.

Jedes Jahr,
Wir leben das;
Zulassungsprüfung! !
Vertrauen,
Wie ein Traum.

Der zweite Blick!
Wasserfall,
Fantasie ist grenzenlos;
Palmen,
Aus Meer wird Land!
Regenwald,
Ein schlaues Loch!

Entspannen,
Erläuterungen;
Lustigen Idee!
Verstecken,
Entspannung!
Die Schulbücher;
Und wie ein Traum.
Edward Kofi Louis
Marching On

Gratification!
Soldiers,
Marching on;
Ants,
Coming in;
But, love and peace are better than hatred and war.

Life,
To be exposed to the world when, you bring out your works openly;
Than, living in secret hide outs waiting for those you call your enemies!
As seen in the News:
Killing people!
But, war is not the answer to peace.

Edward Kofi Louis
Marching On 2

Three Companies!
Marching on,
In the dark;
With torches in their left hands and,
Trumpet in their right hands.

Edward Kofi Louis
Marcus

I am joyous today because,
I have given birth to a son for my husband;
For he who is called Marcus is very glad today.

Of the shades of yellow, brown, green and red;
Of the shades of black, white, blue and orange;
I am very joyous today because of you Marcus.

Of the laborious process,
In Medieval and Byzantine times;
Today i have given birth to a son for my husband.

Of the fruits, vases, butterflies, birds, animals and the landscapes;
Of the love, peace, care, kindness, hope, and the dreams;
For he who is called Marcus is very glad today.

Edward Kofi Louis
Mare

Depthless,
Exhaustive,
Voluntary,
Military,
To bring out and to put out!
But the eagle above is watching us all.

 Amend,
Emend,
Emptied,
And to take heed!
But, i am Mare with the muse of love;
And like joy in the land of peace.

Edward Kofi Louis
Mareen

I am your past and you can't hide away from me,
I am your lover and you can't hide away with your nakedness,
But Deborah rose up early and made love to me.

Oh Mareen, when will i see you again?
For all the roses stood out for love and,
The beauty of life was like the stars in the heavens above;
For i am your past and you were my lover so sweet,
Because i still do remember the days.

Sleep if you can and laugh if you will,
For i have the colourful garments of love for you;
But Deborah rose up and made love to me.

Edward Kofi Louis
Maren

Give me my wife Maren and let me speak,
For whom I have betrothed is with love;
And there is no weeping and begging on this love.

Edward Kofi Louis
Marginalised Groups

Ventures,
Marginalised people;

To take urgent steps!
Marginalised groups;

Emerged! !
Controlled;

Sadness of their faces,
In the land.

Communities,
Social workers,

Exposed to each other;
Authority! !

To lap like a dog and to sleep like a cat,
To tear down this tower of hate.

Edward Kofi Louis
Margret

Judge nothing before the time,
Wait until the right time comes;
For this love will meet you like a sweet candy.
Hungry and thirsty,
Poorly clothed and homeless,
Come to me and share with me;
For, i have all that it takes to love you.

Edward Kofi Louis
Mari

I will be in your wilderness of love and,
That is what change looks like;
For i am your lover and you are mine,
And our footsteps will be left in the sand of the seashore.
Mari my love,
Come and marry me! !
For your love is all over me and,
I cannot sleep easily at night.

Edward Kofi Louis
She swallowed the tablets!
But, how can this be a secret?
When, a lot of people were invited to witness it.
Laced,
Deposited,
Urged,
Large,
Intellectually!
And, after eating the meal;
But, she swallowed the tablets.
The agenda,
The practice,
But willing to expose it to you;
And to allow others to watch it,
For, she did this to satisfy Mari.

Edward Kofi Louis
Maria

Maria, your love is so amazing to me!
And i will stand by you like the well of water.
You are with a view of love so sweet,
And your love is the mountain firm beneath my feet.
Your love is amazing,
Your love is steady,
Your love is unchanging,
And your love is like a mystery to me;
How it gently lifts me up so high than Mount Everest!
Maria, your love makes me sing;
And when i am surrounded by you,
Your love carries me so high!
I am love with you and i can feel your love rising me up;
And all the joy that is growing deep inside of me is because of you.
Your love is very surprising,
Your love is very gentle,
Your love is very sweet,
And your love is like a mystery to me;
How it gently lifts me so high than Mount Everest!
And every time that i do see you,
Your sweetness shines through me like the sweet land of roses.

Edward Kofi Louis
Mariam

Mariam my cousin,
You married on the 2nd of November 2008;
So, welcome into the Club of Married Couples.
Mariam my cousin,
You are a woman of substance to your husband and,
2nd November will be remembered always;
For the beauty of your shape is prepared for your husband.
Play the harp to lover and sing to him a song of joy!
Like Pharaoh's daughter being married to King Solomon.
You are like the four bronze wheels with their axles,
So be very nice to your husband at all times;
For the two tablets of stone is now formed into one.

Edward Kofi Louis
Marie

Attractive girls and handsome boys,
My father was here last night;
But i was able to play with Marie my love,
Because she is all that i have!

Edward Kofi Louis
Marieta

Marieta, arm, am, Maria, tar, art, rat, tea, meat, ate, team, mat;
Rise up like a liness to meet up my love!
For my strength is like a wild ox,
Than exposing your nakedness under every spreading tree in your land.

Marieta, air, rain, Rita, ear, era, at, it, rate, rite, eat, mate;
To seek for peace with your whole heart,
Zeal, meal, heal, peal, deal, wheal, seal, real, steal, teal, veal, weal!
And like the dawning of the morning.

The muse of love,
In power and might!
The muse of love,
To appeal for unity and to let peace reign in your land with your neighbours.

Edward Kofi Louis
Marilyn

I am dark and lovely,
And i live under a sweet mango tree with my muse;
I am bold and beautiful,
So come and taste some of the fruits of my love;
Like a walk through the markets of Thailand.

I am sweet and attractive,
Living closer to you with the muse of my love;
I am dark and lovely,
So come to me like a walk through the markets of Thailand!
For the sun shines on me under this mango tree.

Edward Kofi Louis
Marilyn 2

Marilyn, Mary, aim, may, rain, air, main, lain, ray, in, May, yam, arm, ram!
Dancing around with the beauty of love;
Knowing your steps with the fragrance of life,
And with the aroma of the joy in your heart.

Edward Kofi Louis
Marilyn And I

I heard that Duke was looking for me but,
My identity was not known to him;
So ready or not, i am with the impressionism of his words;
And it will lead me straight on to his office!
But the gravity of my mind awaits me.
You are Marilyn and i am full of adventure,
But this act is too close for a call!
And i need to find Duke to know my mind on this issue.

Edward Kofi Louis
Marilyn Ii

Marilyn, may, ray, lay, in, Mary, an, am, air, man, yam, May, yarn, lain, rain, ran;
And like the 'Iron Lady' who was laid to rest on the 17th of April 2013.
Clue, vague!
And like bacteria and viruses;
At, atlas!
And, at last, she was laid to rest.

Boston, boot, son, boots, soot, on, no, so, soon, to, too, ton, tons, not, sob, boon;
Living in the Snake Village!
But, the dead bird was finally found on top of your roof.

Learning, knowing, sharing, giving;
In this life!
With the muse of love;
But, i still have more to learn.

There is always hope for me in this life because,
The status of my mind is at peace with the world;
Mine, mind, minister, mince, minder, mink, mini, mineral, Min, minerals;
Boston Marathon 2013! !
Double-bomb attacks.

Prey, pray!
Full, pull, mull, cull, dull, bull, null, gull, hull, lull;
Twice as much!
With physical and psychological factors.

Male and female!
Young and old;
Boston Marathon 2013! !
Lea, lead, leap, leak, lean, league, lease, leach, leaf, leakage, leaves;
Regardless,
But, too intense!

Edward Kofi Louis
Of my labours and of my hardships,
Labouring day and night to make ends meet;
But i long to meet you face to face one day,
For i have my love to share with you.

Spirit, soul and body;
She will do it and he will do it as well!
But i am Marimus in the land of workers,
And like the hardships being faced in the name of labour.

Edward Kofi Louis
Marina

Marina, main, in, aim, man, rain, ram, arm, air!
Conceals,
With the muse of her knowledge;
Vituous!!
Pose, prose, purpose!

Under floodlights.
Unearthing talents in the land,
Story,

Like one in the office;
Off, offer!
Ice,

Going on with your works;
The purpose of training,
The purpose of fellowship,

Be the difference!
Be like the light,
Overcoming darkness;
With the works of the truth,
In the land.
The truth! !
Don't argue about it,
Be part of it;
Presentations!
With the muse of your works;
With the legend of the time,
Booms! !
Brooms,
Looms,
Rooms,
Bedrooms,
Classrooms,
Moon, noon!
With a spoon in the hand.
Tenders,
Oil and gas;
Tender love,
Draw, raw, saw!
With the muse of life;
Going along with your works,
Facing the world.
Quick, lick, stick, pick, Mick, Nick, Rick, sick!
To take over,
Pleasantries;
In your hood.

Edward Kofi Louis
Call in Harrison and Greg,
For the food is ready on the table;
And Jing is already sitting waiting for them,
But I am here with Jake, Afri and Marinela.
They are sitting beside me and,
We are still waiting for Harrison and Greg;
And like all that seen around and experienced,
For this Island and the sea of love needs the muse of peace.

Edward Kofi Louis
Your love is like the sons of men and,
Your kiss is like the daughters of women;
But like the image of Dagon which fell before the Ark of Yahweh,
You are the true love of my heart.
Mario! Come and let me feel your body;
Come and eat the sweet food of my love,
For you are all that it takes on this love.

Edward Kofi Louis
Mario And You

Death will be the end for all of us but,
Do drink water from your own cistern!
Because you are the lady of today,
For yesterday is gone too soon.
I will meet you tomorrow with my sweet love for,
I am Mario and you are the lady of my heart;
And my home will be your home too.

Edward Kofi Louis
Marissa

Bring her in,
Bring her in,
Bring her out of the cold to get the heat under my shelter;
For I have enough heat to share with her,
And like the joy of peace in the land of glory.

Her name is Marissa,
And she was sitting on the hill naked and bare;
So they brought her in under my shelter,
For I have enough heat to share with her.

Edward Kofi Louis
Maritta

Maritta, ram, am, mat, rim, aim, tram;
Muse, amuse! !
Images,
Talk to me my love;
For, i have the kisses of Africa for you.

Rita, Tim, art, tar, at, it, rat, arm;
Bid, abide!
Lineage,
Talk to me my love! !
For, i have the kisses of Africa for you.

Edward Kofi Louis
Marji

Mystery man!
Marji is my name and,
I am on the way with my muse of sweet love;
But the masses around are dividing hurling insults at each other!
And like the presentation of bags of rice and sugar,
But this mystery man is the very person that i want to meet.

Edward Kofi Louis
Mark

Mark,
Remarkable;
In want of love,
Of your love,
Of a reminder!
With the remainder;
Great height! ! !
Upward,
Nourished with your sweet love.

Edward Kofi Louis
Mark The Perfect Man

Wait for me my love,
For i will surely visit you at your home;
And i want you to mark the perfect man,
For his speech is all that you need.

Edward Kofi Louis
Marked

Marked, mark, ark, red, Mark, dark, raked;
But marked by your love in the land of peace.

Cop, coop!
marked, make, made, dear, dare, read, dam, mad;

Coup, coop!
Marked, ram, am, me, ear, era, are, rake, dream;

Copy, canopy!
And, the soldiers came and took her away.

Sold, soldiers!
With the work and the words of war;

Love!
In her dreams;

Love!
In his dreams;

Krill, kill, ill!
But, where is the peace that you promised me?

Edward Kofi Louis
Marken!

Marken!
Zur Routine;
Wagen eine Analyse,
Aber, wohin geht die Reise?
Aktuell!
Kombination,
Meine Sicherheit,
Mein Paket,
Meine Auswahl,
Diese Woche! !
Aber, wohin geht die Reise?

Edward Kofi Louis
Marketing Your Words With Love

Make hey while the sun shines! !
Managing your affairs with positive morals;
Making it possible to respect all mankind and,
Making your works known to the world with the muse of the truth,
Marketing your words with love.

Edward Kofi Louis
Markos

You are there waiting for me and,
I can't stop loving you;
You are there waiting for me and,
I will love you till i die;
For we were meant to be on this sweet love.

No! I can't stop loving you;
So please, don't take my heart away;
Without sailing out together with me.

Markos my sweet one,
Come closer to me and take my love;
For passions and emotions will make me forget my name.

Edward Kofi Louis
Markus

Do not eat the eagle, vulture, kite and the falcon;
Do not eat the buzzard, raven, ostrich and the owl;
Do not eat the seagull, stock osprey and the hawlk;
For they are all unclean to your health.

Of an emission of semen to the love of an ovary,
Thereafter comes a baby into this world;
But try to teach your child the truth about life.

Do not eat the mole, large lizard, gecko and the monitor lizard;
Do not eat the chameleon, sand reptile, sand lizard and the snakes;
Do not eat the snail, turtle, frog and the pig;
For they are all unclean to your body.

Forty days to a male child and eighty days to the female child,
For she who has given birth knows the rules;
And you shall not have sexual relation with an animal.

Markus, you are the son of my sorrow;
and i have to borrow to keep you up.
Markus, you need to learn from your father always;
And do not eat the heron, hoopoe, bat and the rodent!
For they are all unclean to your heart.

Edward Kofi Louis
In the Island of flowers!
Marlen, male, ale, are, ear, era, men, real, realm, learn, ram;
And like fire and water! !
But, this muse of love is prepared for you alone.

Marlen, lean, ran, meal, mare, near, me, man, ream, lane, lame;
But i use to hear your steps behind me! !
Den, pen, open, men, ten, hen, green, queen, been, fen, when?
And like the ginger Bread-Man.

Meet, meat!
Of an area of low flat wet land;
Star, start!
Bee, been!
And like the art of tapping honey;
But, this muse of love is prepared for you alone.

Edward Kofi Louis
Marley

You are still with me in my dreams and,
I am walking down on the lonely streets of love;
For i have been looking for someone to marry.

You do not know how deep it is,
So watch carefully before you climb over it;
Because you may easily fall deep into it!
And that will be the end of you.

Knowledge is the frontier of tomorrow,
But i still have you in my dreams;
And you are like a seed on a rich soil!
So come and take me home oh Marley.

Edward Kofi Louis
Mystic power!
Everyone is either a winner or a loser in this world;
But you are hidden in the bush of love on Marley! !
And the rains will expose your status one day.

Joy is the muse of love and peace is what we need,
For you are much hidden in the bush waiting for the rains!
And like the Rivers of Babylon far away from you,
But we need peace in this world than war.

Edward Kofi Louis
Marly

One hand carries atomic bomb and,
The other hand carries nuclear bomb;
But i am just the country boy in your town,
So watch carefully before you throw these bombs!
For your friend Marly will also be in the market place by then.

Edward Kofi Louis
Marma

Ant, extravagant!
The success of a family;
Extra, extravagant!
With true love and services.

Passes, underpasses!
Marma, arm, ram, am, mama, Ama;
Pink, ink!
Nice and easy with your sweet love.

Found, profound!
06: 13 AM with your muse;
Pink, link!
The vision of a man and,
The vision of a woman.

Love!
Come and take me home;
To the place that i belong,
Where peace and joy reign than war.

Edward Kofi Louis
Marmite!

Sweet course of a meal;
But this love was led by you,
And like the joy of peace in the land of many waters.

Marmite!
Sweet course of a meal;
And like this week's message! !
However, you are always my valued client.

Edward Kofi Louis
Marolita

Marolita!
You are like the God of love and beauty (Venus)!!
But Saturn is the father of Jupiter and,
The God of Agriculture as one of his attribute.
Yes, the Seventh Day is the Day of rest,
But mankind cannot stop working;
For we have thrown away the Ten Commandments.

Edward Kofi Louis
Marrat

Oh Yahweh, change this tide of sorrow and give me the tide of joy;
For i have got Marrat as my lover to lead me on.

Show me the prompt response on this love and,
Guide me on to my lovers heart;
And like Russia's Winter Road,
I need a safe mind on this love to lead me on always.

Of the frozen sea that gives way for the Highway,
For this Winter Road for cars is like my lover;
And Marrat is there to lead me on.

Edward Kofi Louis
Marred

The Hoover hooves and the cutter cuts,
But here I stay standing and waiting for you at the door;
And like the vessel that he or she makes of clay in this town,
But the same act is now marred in their hands!

Edward Kofi Louis
Marriage

Marriage is totally righteous when it is kept undefiled according to the law,  
So let your conducts always be without covetousness;  
For you may easily be like the whoremongers and the adulterers around.  

Edward Kofi Louis
Marriage 2

When you marry someone, you've married the past of that person as well; Why is this quarrel among you today? ! Learn to live in peace by learning from each other; to teach you all the ways of peace.

Edward Kofi Louis
Marriage 3

Love,
Marriage,
Together;
'Marriage flourishes when the couple works together as a team'!
So, water this love.

Guide this marriage! !
Words of true love,
Works of peace;
With the sense of Security.

Sure! !
Pure,
To secure your Marriage;
Together,
To cure your hearts with true love.

Choose to work with the muse of the truth always!
Care for each other;
Meekness,
Humility,
Kindness,
Caregiving,
Comforting each other! !
With obedience,
With servitude and attitude,
And, with the gratitude of the truth.

Edward Kofi Louis
Marriage 2

Marriage!
What occurred at that time?
The nice story of love;
Joining you together,
But today this marriage is dead! !
Because, there is no love among you people today.

Edward Kofi Louis
Marriage Certificates

After the marriage,
Somebody keeps the marriage certificate;
After the marriage,
Somebody's name changes;
And the children born to this union bear the name of the man.

Learn from these facts to keep you going,
And try to teach one another to stay at peace;
For this marriage certificate means a lot to you.

One seeks for his or her lover,
And one marries his or her lover 'for better or for worse';
But after the marriage,
Somebody keeps the marriage certificate.

Edward Kofi Louis
Marriage Means Unity

Marriage means unity!
With respect to each other;
In unity,
With love,
True love,
With trust,
With the works of the truth,
With the words of peace,
With positive morals,
Able to understand each other,
For the unity of the hearts in love.

Edward Kofi Louis
Marriage Supper

To the man and his wives,
To the woman and her husband,
A white horse of words to lead the way;
But, faithful and truth to the world so sweet.

Of the bridegroom and the bride,
Of the flame of fire to lead the way;
But, the marriage supper is of the Lamb of Love.

Life is like a man sold for his theft!
But, do not practice astrology on this issue;
For, the marriage supper is ready for you and i.

Of the first and the last,
And sweet romance to the home of love;
But, try to set set the mother bird free after catching the young.

The marriage supper,
Do not be ruled by your wives!
And, do not set a stranger as your King;
However, the taste of your many wives may lead you to many problems.

Of a black horse!
For, its rider is dishonest and a lair;
And, i will be ready for your love at this supper,
Because, in the great River Euphrates i will remember you name.

Clouds of white doves,
Wings of pure love;
Like the doors of heaven!
For, i have now seen the glory of the Creator.

At the marriage supper,
The harpers harping with their harps;
With others arrayed in white robes.

Of hands lifted up towards heaven at the feast!
But, give the Little Book for me to read a line to all;
For, the tables of the farmers are like,
Farmers farming on their farms.

Of a reed like a measuring rod and,
According to the works of mankind on this day;
But, honest weights and measures are needed at the feast.

Of the spirit of life and the sweet of honey!
Like the money paid for this marriage;
Of the spirit of life and the sweet of love!
But, be part of the first resurrection to gain wisdom;
For, the marriage supper is for you and i to attend.

Chosen virgins free of bonds! 
The Malak stands in the sun And watches down from heaven;
But, this marriage supper is for all of us to attend in purity.

Rain, grain, train, brain, drain, pain, chain, gain!
Small and great to attend this marriage supper,
But, my mind will always write to teach others in this world.

Edward Kofi Louis
Married Couple

Your sheep is a different breed in this town,
And you sleep in a different bedroom from your husband;
But yet still you call yourselves married couple.

When are the babies coming in when you people sleep in different rooms? !
For you are married couple but, you do sleep in different rooms;
And under the same roof the sun shines on you all! !
But this very act is noted because of the breed of your sheep in this town.

Edward Kofi Louis
Married Life

Married life,
In someone's land;
Married life,
In no man's land;
Married life,
With the heat of the desert;
Married life,
With the cold of the winter;
Married life,
With the difference between cultures and minds;
But, when will the rains come in?
For, there are more problems around it.

Edward Kofi Louis
Marry Mary

Marry mary and take her to your home,
For she is very lonely and very attractive;
An of her positive muse so heard around,
For she need love and you are the one to save her.

Edward Kofi Louis
Marry Me

Marry me my sweet lover and let me be by your side always,
Make me your number one and let me guide you on!
For swimming around like a fish in the water will not help you in this town,
But i know the rules over here and i am here to save you with my love.

Edward Kofi Louis
Marry Me 2

Marry me,
For, i want to be with you;
Forever and ever!
It's only for you and me;
To have your baby,
So, marry me.

Edward Kofi Louis
Marry me and,
Let me have your baby;
I love you,
I want you,
I need you!
Marry me and,
Let me have your baby.

Edward Kofi Louis
Marry This Man

Oh Sarah!
Marry this man if you know that he is the one for you;
Because i need to cast off my mind from you!
For i am joyfully married with a child,
But not like the muse of your love always lonely in the bush.

Edward Kofi Louis
Marrying All Of Them

There was a man,
Loved by many women;
So, he couldn't make his choice,
To marry any of them!
However, he called them into his house and surprised them! ! !
My marrying all of them with a big feast.

Edward Kofi Louis
Mart, Art!

Mart, art!
With the muse of stockfish and red wine;
Eating and drinking in your land,
As you live in a small house.

Mart, art!
With what you are looking for in the stores;
ready with the style of your food,
With stockfish and red wine.

Muse,
At the market place;
Buying what you want to eat,
And, preparing your own food.

Edward Kofi Louis
Martha

Why have you harden your heart towards my love?
But compared to the border of Beth Shemesh,
My love is borderless to you.
Martha, how long will you remain drunk without my love?
Put away the wine from you and come to me;
For i have a better love to share with you.

Edward Kofì Louis
Martha And Miriam

The teacher has come and he is asking of you,
So be ready to learn from his words if you are called Martha;
The teacher has come and she is asking of you,
So be ready for your lessons if you are called Miriam;
And like the Feast of Dedication in the winter time,
But these lessons are necessary for you all.

Edward Kofi Louis
Martilda

Now i know that i am a man and,
I thank you for your sweet love;
For your apples were very nice and sweet.
I thank you for loving me and,
Your sweet name was Martilda;
So drink wine and make love to me always.
I am very glad to meet you and now i know that i am a man!
For this love was blended with the muse of your sweet red apples.

Edward Kofi Louis
Men and women,
Boys and girls,
Of a passionate love that unites us all!
And now is my turn for you to see what i am made of.

Madan Chairperson,
man and the audience;
Now is my turn for the world to read my poems,
For my name is Martin and i am from Adidome.

I do extend my greetings as well to Otumfuo Osei Tutu II,
For broad is the way to destruction!
And narrow is the way to the truth;
For many are called but only few are chosen.

Edward Kofi Louis
Marvelous Love

Marvelous Love!
Marvelous works with your muse;
Humility of your eyes,
Kindness of your heart,
Delight of my own works,
Delight of your own words,
With the fragrance of life and,
The romance of nature! !
Meeting you is the key on this love.

Edward Kofi Louis
Come nearer to me to feel the real romance of my love,
And i will love you like the blue glue without as clue;
For i am in the cold all alone waiting for you to come in.

Blue, glue, clue, flue;
Come to me like the 'Sempe Stool in James Town',
For i have the bumper harvest of fish to share with you.

Edward Kofi Louis
Mary

The golden seal,
Like the one that loved her;
But Mary took another mate.
Of all the things that had been,
Upon the threshold of one's life;
Mary took another man.
Matched with an aged husband,
Matched with an old oven;
Mary married another person.
Like the spoil of war,
I have the sadness of a vale to uncover;
Like the days gone by.

I still remember those days,
With my white hair at bay;
like a narrow cave that runs beneath a cliff.
Mary married another man,
Over all the boundless plains of love;
But my will is my law.
Of Malvern's lonely nights with,
A crust of bread and rags;
he now lives beneath a tent of leaves;
Life is like that at times but,
I have to move on with my tears;
Like the spoil of war when, the war is over.

Edward Kofi Louis
Mary 2

Mary,
To marry;
Span, spam!
In pain with your life on this love,
But with hope to overcome all odds one day.

Merry!
In the name of a feast;
In your land,
Able to meet people to tell them about your marital problems.

Marriage!
Your marriage;
With a long way to go,
Hoping that, things may turn out better on
your side one day.

Edward Kofi Louis
Mary, Customary!

Acquitted!
Released;

Assembled,
Demanded;

Hatred leads to war and destruction!
However, true-love brings us joy;

Mary, customary!
Stated;

To be joyful and thankful,
With the muse of love.

Edward Kofi Louis
Mary-I-Am

'Mary-i-am',
Oh my sweet Maryiam!
I am ready to share my love with you;
And like Pizza and Pasta,
For you are a lovely and a dedicate woman.

Edward Kofi Louis
Maryshow

A new life,
A new joy,
North east!
With the view of a Bird's Tower.

Maryshow, show, Mary, how, so, as, say, May, ray!
As it is supposed to be,
Supported with the muse of love.

In, inlet!
Stranded along the coast;
Along Danish West Coast.

Out, outlet!
To bring peace on earth;
True love affairs,
Between you and i.

Clone, lone, cone, one!
To talk about this sweet love;
So, cover yourself and protect yourself from the eyes of the public.

Oral, moral, oval, general, coral!
The structure,
The product,
The style of the image;
With a mind from Africa.

Edward Kofi Louis
Maryum

Maryum, ram, arm, rum, yam, may, Mary, ray!
Rightness,
Positiveness,

Moon and sunset;
To spread out your wings and to fly up high with love,
Receiving you!
With the opening arms of love.

Edward Kofi Louis
Maschil

My tongue is as the pens of ready scribes and,
You are beautifully honoured with the pouring out of your lips;
But the works of Maschil are the objects of culling remarks,
And we need the sunshine to spell out your name.

Edward Kofi Louis
Masculine

Masculine, mean, line, man, clue, lame, lean!
And like a message to your lover;
But, be very wise in this world.

Masculine, name, names, sane, mane, male;
With the problems and the acts of the fools!
But, this world needs peace than war.

Masculine, scale, same, came, men, in, can;
Up high on the mountain with your love!
But, do watch your steps on what you do on this earth.

Masculine, me, use, muse, us, sue, sail, as, sale;
Boys and girls are out to play! !
But, who is now taking care of them in the cold?

masculine, Cain, mine, ale, cane, an, mince, main;
This world is with righteousness and evil!
So, choose righteousness and live.

Masculine, sine, sea, sin, Mali, Ali, mail, nail;
With the power of love and the power of peace!
But, be very wise in doing what is right always.

Edward Kofi Louis

And, with the ways of your acts on this earth,
Without peace.

Masks and gloves,
Cloves,
Clones,
Drones,
Doves! !
Living in the land,
With your works.

Edward Kofi Louis
Masouri

The land is full of fornicators and adulterers!
And i am now like a drunken man walking along;
But i have the hope of meeting you tonight,
Because you are my sweet cheerio in the land of love!
And your name is Masouri.

Edward Kofi Louis
Massab

Repopulating their tribes and repopulating my love,
And of the act of your love which is not profitable;
But they did as they want to and,
I am Maasab in search of your love around this people.

Edward Kofi Louis
Massah

Massah, ash, has, as, mass, ham;
But, possess the truth and be lawful in the sight of love.

Edward Kofi Louis
Mat, Met!

Mat, met!
To educate me with your love;
Under the coconut tree,
In an incurably romantic mood.

Nice and easy!
But, there is no easy life found in 'Abdobloshie', in Accra;
With the tales of life and,
The hustle and bustle life found around.

Love,
To give you something better than money;
Muse,
To give you the needed honey to ease your mind;
Bringing joy to your heart.

Love,
It will satisfy your brain;
And, it will heal your soul!
Than the bullets of war.

Gold finger!
Like a cowboy with a guitar in the hand than a gun;
Pale, ale, pal, peal, leap!
With the muse of love;
Global, go, ball, bag, all, log, lob, boll, lag, goal!
To educate me with your love.

Edward Kofi Louis

Three times enough with the fullest potentials from the muse;
But koshering your meat is better for you,
Because Matamisa will visit you tonight!

Edward Kofi Louis

This is the work,
This is your joy;
Like flying cats with the humour of life.

The sun rises from the east! !
So, those who see the sun first are ahead of time;
As compared to countries who so see the sun later on.

Guide a person with positive works! Until you der results; a positive result to lead
him or her along the paths of life.

At Royal Victoria Place Shopping Centre;
However, it was like a match-ball.

Edward Kofi Louis
Matches

Matches!
Catches,
Patches,
Watches;
With the flavour of love.

Edward Kofi Louis
Mate, Climate!

The Books of Methology,
War!
To divide and conquer;

All in the name of hatred and war.

Mate, legitimate!
Quietly and gently,
Made easier with the muse of the laws.
Petals of love!
pearls of this digital world;
Love, peace and joy!
Quietly and carefully,
Made easier with the muse of the truth.
To give you light,
To give you sight,
With the muse of your right mind;
And, with the insight.
Dairy, fairy!
To bring in the bright light of true love;
Mate, legitimate!
With the right people like Mr. and Mrs. Wright.

Edward Kofi Louis
Mathan

The red pot is your signal of love and,
I really love you my sweet Mathan! !
So put on your red light that i may see your face,
For i am like the picture that is framed hanging in your room!

Edward Kofi Louis
Mathematics

To err is human but to learn is a blessing,
And like the harmonious wisdom that guides mankind;
So why waste your time now when you have a lot to learn?

Why run away from the exams when it is time for Mathematics?
Wake up with a positive mind to enhance your own future;
For Mathematics is a way of life.

It is part of us daily and,
We have to love this subject;
So upgrade your status and learn from the experts,
And like the water separating itself from the mist of the air.

Edward Kofi Louis
Matini

My name is Matini and i am from Nicaragua,
Bu tof the life that swings me so sweet i have not tasted;
So, a son should sit upon my throne like the Wall of Yerusalem.
Life to me is like Nicolas Sarkozy of France,
But my worries are equated to Monmohan Singh of India;
So, a son should sit upon my throne like the Wall of Yerusalem.
Give words to Sasha and Malia,
For i am here in Nicaragua without peace;
But try to deal with me according to your wisdom.

Edward Kofi Louis
Matova

I am Matova and i do fly in my dreams at times!
But i will like to visit you naked at home one day,
And like the Federal Studios in the land of your muse.

Edward Kofi Louis
Matri

Matri, tar, art, mat, rat, mart, arm, ram, aim!
Hidden among the people,
There is no one else like him;
Love,
Whose heart it touches;
Knowing the ways of the truth.

Edward Kofi Louis
Matrix

Matrix, mat, at, tar, art, mix, rat!
But, it was just a film trick;
In the land of your muse.

Love!
Very passionate;
With the joy of your land.

Love,
Out of nowhere!
Waiting for him to touch her.

The perfect image of life!
With the muse of love;
Down there in your land.

Edward Kofi Louis
Matt

A noose is laid down from me on the ground but,
I have a nose to smell this trap!
But death is hungry for all of us on this earth.

We have to move on with our various attitudes,
But let us always try to do the right thing;
And like the sweet birds singing to us aloud!

You have stripped me of my honour and,
You have stripped yourself bare before me!
But i escaped the trap only with the skin of my teeth!

I am ready for love and Matt is my lover in this town,
But there are traps set before me!
And i have to watch my steps in all the things that i do with Matt.

Edward Kofi Louis
Mattanah

Mattanah, mat, hat, ant, tan, man;
Between the narrow path,
With walls in both sides.

Am i not your donkey that you've always ridden?!
Learning from your habits and your ways today;
And, doing what is right always to satisfy you.

Edward Kofi Louis
Matter

Matter,
Clouds of the latter rain!
To train your brain with the truth;
Overcoming the chain of evil acts around you.

Edward Kofi Louis
Matters

Boar, oar, soar, roar, uproar!
Matters are better settled with peaceful solutions than, with war.

Teach the truth to the world and, let us seek for peace always;
With right choices in life than with war.

Follow the laws of the truth and be straight!
Without hurting your neighbours.

Edward Kofi Louis
Mattison

A lady with secrets,
A gentleman with secrets,
But i am on the road again to meet Mattison my friend;
Because of the illegal mining activities in this town along the river banks! !

Impurity,
Awaiting,
Calamity!
And like the chainsaw operators felling down trees indiscriminately;
But a strongly worded message is needed for us all in this world,
Because, it is better to save the environment than to destroy it!

Edward Kofi Louis
Mature!

Structure,
Feature,
Mature!
Willingly,
Every year,
Tested! !
Live,
Strive!
Inequality gaps,
Location,
Allocation,
Occasion;
With the application of your life and,
The appreciation of your sweet love.

Edward Kofi Louis
Matured Concept

Love,
With a matured concept;
leading to the truth,
And, bringing about peace and joy.

Love,
Under the laws;
To call on you and,
To share with your in peace.

The imitation of your love,
With the ambition to share with me;
And, to fulfil our respective dreams!
Attained by the glory of your kiss.

Soul mate,
Matured concept;
But the dualism of this love needs time!
Under the muse of the laws.

Sweet love,
Full of meditations!
With sensuality and visionary;
Leading to the truth.

Edward Kofi Louis
Matured Enough

Matured enough!
Like the hill that prevails;
Assimulated with the muse of life.

You got your Degrees from the Streets,
With the muse of the pleasures of your past;
As far as the eyes can see.

Wisdom has no Certificate and, it is not for sale!
But, with the message of a positive sense from a realm;
Able to teach us on earth.

Imported democracy! !
Wrapped in an enigma;
By proxy!
Being put to bed today without any reason.

Lime, dime, crime, prime, time!
With eyes centred on the works of nature;
Able to understand your status among your peers,
However, i am like the sea of tranquility around you.

Edward Kofi Louis
Matured Mind

A matured mind,
Always seeking for peace than war!
Going around and, helping the poor;
For them to be able to stand on their feet.
Unity is the key!
For the sake of peace and love;
Bringing joy to all,
In the land of the living.

Edward Kofi Louis
Mauled

The lion mauled and killed him but,
My love is still for him who is gone;
Because he has left a sign for me and,
I am now pregnant for him.

Edward Kofi Louis
Maurer

Maurer, ram, arm, am, era, ear, mare, rear;
Outlined!
The whole experience,
Solar systems!
Variety of purposes,
Viewed, reviewed!
Skills and knowledge;
Curriculum,
Acquisition!
Implementing measures;
Floating!
Analysis,
And, of an impact.

A geriatric department,
On board!
Yellow walls,
Red walls,
White walls;
Free of charge.
Love!
To tell you what i can do for you;
And, to help you to overcome he odds,
With the muse of peace and joy as part of the package.

Den, genger!
Concerning your status;
Figures and impact!
Recipients,
With a data base.
Resistance!
During the lean season;
With the muse of your love in this town,
But, a positive impact is needed on this issue.

Edward Kofi Louis
Maurice

Maurice, arm, ram, ear, mare, era, air, cure;
Bee, beef!
Flexible,
Keeping hope alive,
On the banks of the Volta River.

Maurice, rice, race, ace, mice, ice, am, me;
Beef, bill!
Cruising on a jet ski,
With a female friend.

Coop, cool, coot, cook, coon, coos, coo!
Blue mountain,
Real, realise!
The need for change;
Tool, took, toot, tooth, too!
Formidable;
And, going along through the rough edge.

Edward Kofi Louis
Maurya

Maurya, Mary, ram, rum, arm, ray!
But the Bombs are falling here and there,
With the acts of terrorism;
Fear! !
With tears;
Going out,
But, nowhere is now safe.

Edward Kofi Louis
Mavis

My name is Mavis and i am looking for a man like you,
I am lonely and sweet with the sweet apples of my breasts;
But you are all that i want to push me through in the name of love.
I am looking for somebody like you to satisfy me,
And i am looking or somebody as sweet as honey like your type;
For i have the sugar in me for the sweet love that you are looking for.
Come to me oh man and satisfy me with your love,
Come to me oh man for you are the one;
Mavis is my name and i have more to share with you;
Yes, of the love unlimited is what i want to share with you all day.
Come and taste this fruit of love,
Come and taste this valley of my love and feel at home;
Because, i need you to my naked body all day long.

Edward Kofi Louis
Mawuko

You need a few simple love-words from me to satisfy your soul!
For your day's work is guided by your lovely muse;
And like Mawuko sitting lonely by the way side waiting for love.

Edward Kofi Louis
Maxentius

I am with my sweet love to touch you our there!
However, in AD 312, Constantine invaded Italy;
Maxentius, see, sit, set, it, meat, net, nets, ten, as, ant, team, mate, mat, met!
To meet you;
On this side of the red river.

Paintings! !
The paintings of your sweet love;
To toil day and night in search of you,
As i want to distinguish myself among others.

Dating and mating!
Like the services of literature with the art of poetry;
Thunder, wind, cloud and rain! ! !
Like the roar of the sea,
With the whisper of those pains of the past;
Without a kiss on your lips.

Edward Kofi Louis
Maximus

Beautiful Samosir Island,
Splash and swim in the lake of love with me;
For i am Maximus with a temperate paradise,
And like Sipisppiso Waterfalls in the name of love.
Palm trees and pine trees flourish side by side around you,
But take me to Lake Toba's spectacular scenery and idyllic climate!
For your beautiful Island had really satisfied my muse and,
Of the truth to know more about you in the valley of your peace!

Edward Kofi Louis
Maxwell

Fulfil your mission with me,
For i am ready to take this journey with you;
Because this prudent woman will,
And i am Maxwell in the land of your dreams.

Edward Kofi Louis
Maxwell 2

Maxwell, well, all, wall, ell, male, meal, lame, axe, ale;
A learning process!
To champion life with the works of the truth,
Helping the brain and the heart! !
For perfect peace and joy.

Edward Kofi Louis
May

Day,
Say,
Way,
Lay,
Stay,
Terror! !!
Stray,
Away,
Sway! !
To go astray;
Horror!
To destroy the mirror of peace,
In London.

To

Edward Kofi Louis
May 1st Of The Old Calendar

I obtained mercy because i did it ignorantly in unbelief,
But you are puffed up with pride and inexperienced!
And like the muse of May 1st of the old Calendar.

Edward Kofi Louis
May Every Rose Bloom At Your Feet

Love,
!
Nice and lovely,
Soft and joyfully,
May every rose bloom at your feet;
And, may the world know who you are with your sweet mind,
Teaching and educating the masses.
Bloom!
Blossom;
To be with you in the name of your true-love! !
Knowing your ways in the land of the living,
With the romance of nature and the fragrance of life.

Edward Kofi Louis
May Her Soul Rest In Peace

I came to bury my mother and,
I did just that;
May her soul rest in peace.

Edward Kofi Louis
May The Sun Always Shine In Your Heart

May the sun always shine in your heart,
And may you learn to live to love all races;
Wise, clockwise, anticlockwise!
And, subjected to change without notice.

Modification,
Be adjusted;
Jurisdiction,
Of those changes!
And, may the sun always shine in your heart.

Applicable laws,
Transactions,
Fitness for a particular purpose;
And, liable with the muse of love.

I will always love you! !
But, this story is not new;
Paste, waste, baste, caste, haste, taste!
Expressly;
But, let the sun shine through your heart with the muse of love.

Edward Kofi Louis
May Yahweh Bless You

May Yahweh be with you!
May Yahweh bless you,
May Yahweh take care of you,
May Yahweh grant that your actions be fully rewarded;
And, may your payment be given to you by Yahweh! 

Edward Kofi Louis
May Your Blessings Be Many!

Muse,
At low tide;

Fuse,
To the Inn;

Use!
Like the bowling alley;

Infuse,
The cheerful place;

Fantastic!
With culinary experiences;

Imagination,
It lies inside;

Outstanding!
It lies outside;

With thank you letters to the people,
May your blessings be many.

Edward Kofi Louis
Maya

You love is like ne wineskins,
And down to the river side with a view;
For the sweet water of Maya is what you share with me.
I met you with my own eyes and i saw your love,
And you were in a trance with the muse of your love!
As the flowers sang to your beauty with the care of love,
And like the complexity of the things seen around you.
My root of love is so spread out to the waters deep,
And you are Maya from these waters deep;
For your love is like the new wineskins sold in this town.

Edward Kofí Louis
Mayback

You will not have time for everything my sweet Mayback,
So try to synchronize the two ways of your life to push yourself ahead!
And try to know when it is time to stop.

Edward Kofi Louis
Maybe

Maybe i did it,
Maybe i didn't;
Maybe you did it,
Maybe you didn't;
Maybe he did it,
Maybe he didn't;
Maybe she did it,
Maybe she didn't;
Maybe they did it,
Maybe they didn't;
Maybe we did it,
Maybe we didn't;
And like a raiser of naked Sheep!
But behold, a basket full of summer fruits lay next to you.

Edward Kofi Louis
Maybe I Am Not

Maybe i am not the one you want,
But i am different from the others;
Maybe i am not the one you are looking for,
But i am very different from the others;
And my sweet love will touch you one day!
For, i have what it takes to make you glad always.

Edward Kofi Louis
Maybe I Have It

Darkness in the atmosphere!
Maybe i have taken it already or,
Maybe i have not;
But it was like a dream.

Love!
Unfolding;
Between you and me.

Life!
With some to spare;
Love!
Like the romance between the sun and the moon.

Cell phones!
Probably to make calls;
But meanwhile,
I am checking in to board a flight.

Love!
You took me very far away;
Deeper with the sweet muse of your mind.

Excitement galore!
With the sweet muse of your love;
But, maybe you have this phenomenon already,
Or, maybe not.

Edward Kofi Louis
Maybe It Was My Shadow

I saw you moving across the surface of the water and,
You were very beautiful and charming;
But later i couldn't see you again then,
I said to myself, maybe it was my shadow.

Edward Kofi Louis
Maybe Their Gods And Goddesses Are Still Asleep

They are crying out loud to their Gods and Goddesses! !
In the name of saying their prayers;
Very loud! ! !
Seen very common in my land;
Maybe, their Gods and Goddesses are asleep;
Forgetting that their voices are also disturbing their neighbours,
In the neighbourhood.
Prayers!
With microphones to amplify their voices,
Seen at every corner in my land;
Maybe their Gods and Goddesses are still asleep.

Edward Kofi Louis
Maybe You Did It

Lust,
Maybe you've done the same thing;

Lust!
The muse of your life doesn't sound well to me;

Because of your acts!
Noted in the land.

Lust!
Maybe you did it;

Taking it with force! !
Your neighbour's property.

Edward Kofi Louis
Mayer

She was the only one that i ever slept with,
And now she is hunting me like a thief! !
But she is my one and only.

She could be seen everywhere with thwe muse of love,
But always naked and bare on the hills of love;
And she is the only one for me.

Mayer my love,
Please cover yourself and come down from the hill;
For you are the only one i have ever slept with,
And i am ready to care for you.

Edward Kofi Louis
Mayneena

A great start with your love,
And with the absolute control of your muse;
But like a very beautiful building,
Your name Mayneena was much elevated to us!
And your strong friendship was the key.

Edward Kofi Louis
The red wine is my medicine and,
Your red sea is my love;
But the wings of the ostrich waved proudly and,
I am here to humble you with my love.
Aha! There lies your beauty so sweet;
For i have spoken once about this love,
And your inward parts do need me too.
Who set the wild donkey free?!
For your home is in the middle of the wilderness;
But you are under the seal of my love.
Where is the dwelling place of the seat of your love?
For the surface of the deep is frozen;
And i am like the hippopotamus beside the still waters.
Your muse is like the eyelids of the morning love,
And with the make-ups of the visions of the night;
But i am Mayoka under the lotus trees of love,
For you are like the cedar tree chosen to me on this love.

Edward Kofi Louis
Mayra

I am very impressive and handsome,
Please will you be my wife?
I am a seer on your love and,
I need some answers from you;
Please will you be my wife?
I am the very one who can touch you in many ways,
And you are all that i need;
Please will you be my wife?
You are called Mayra and i need your love,
Please will you be my lover?
Kish, fish, dish!
You all that i want on this love.

Edward Kofi Louis
Mazzar

The colour of your underwear is like that of mine,
But twice as much as used in that dark before!
And of the things very wonderful to meet at last,
Because you are Mazzar from the thick forest of love!

Edward Kofi Louis
Mazzar!

Mazzar!
Arm, army! !
Am, arm;
In the presence of many witnesses! !
Pence, presence,
sentence, fence, hence;
And like a loyal soldier.

Of this muse!
For the sake of the elect;
Trustworthy,
Faithful,
But, i will be there always for you.

Edward Kofi Louis
Mazzaroth

The chaff have been driven away by the wind,
But my love withstood the act!
And of the women as beautiful as the daughters of Iyyob,
But you are here to stay with your name oh Mazzaroth.

Edward Kofi Louis
Mbanje

She opened it for him to enter in,
Leaving the people behind without a clue!
But, the prison was shut securely thereafter.
Muse, use!
Bottled;
Blotted,
Debating!!
Acceptance;
But, i am Mbanje in the land of the living!
With joy and peace,
Ready to bring you into my abode.

Edward Kofi Louis
Mbeki

High energy and high love,
Try to warm up your body and come to me;
For i have another melody for Mbeki,
And of the intellect from my native land!

Edward Kofi Louis
Mbiti

Corollary,
Tranquilizers,
Responsibilities,
Divorce;
Of the purpose beyond love!
But i am Mbiti knocking at your door of love.

Edward Kofi Louis
Re-position,
Re-focus,
Re-strategise!
And like the muse of your love in the land of your muse;
But i am McCoss with the words of peace,
And the engine of growth is now needed by you! !

Edward Kofi Louis
Mchugh

You've chosen a new path and,
I have learnt well from my mistakes;
But we are now like the sands of unmarked graves.
Give ear to me when i call on McHugh!
And like the host to the most;
For i will always remember you as McHugh,
And like the coast and the boats afar off.

Edward Kofi Louis
Mclaren

McLaren, learn, arm, ram, man, men, calm, male, ear, name!
A rapid blink,
Equipped;
A burner! !
Erected on a wooden beacon.

McLaren, lean, lane, real, realm, near, meal, era, lame!
Sectored,
Mast, fast!
For the first time;
With a simple life.

Edward Kofi Louis
I am on top of it all but with pierced bodies beside me,  
So retail your mind to me like the unicycle order to kill a cat!  
For twenty years ago, i was with the cinematography.

This is my fortieth year in love,  
And into the peace of my mind with love;  
For some dresses are for the evening.

McMurry is suppose to be here tonight,  
And like the muse of love with our nakedness!  
For i have taken in the love of your muse.

Edward Kofi Louis
Me And You

Let there be an alliance between me and you,
And let Aldo and Addo witness the pact;
But try to remember Ramona my body guard,
For his handsome appearance is all that you used to see.

I have seen the face of the king,
But let there be an alliance between me and you;
For the queen is ready with her muse.

Edward Kofi Louis
Me And You II

This poem os for me and you,
But the world can also read it to learn from it;
For it is all about the love that we share,
And like the muse of the rainbow in the land of joy.

Come and feel my muse with your love,
Come and let me lead you on;
For this narrow path of love is lijke the muse of the blue sea,
But the red sea is closer to your house.

I am the one that you need,
You are the one that i need,
And like a jooy ride in the land of roses!
For, this poem is only for me and you.

Edward Kofi Louis
Me And You!

Me and you!
Make this love work;
Make this joy bloom,
Gloom of the day! !
Me and you;
Broom to clean the odds,
Groom with the hearts!
Room for me and you;
Together on this love,
With the muse of positive morals.

Edward Kofi Louis
Me Aside

You pushed me aside and took on another man! !
But who the cap fits should always wear it;
For, in the abundance of water, the fool is still thirsty.

Edward Kofi Louis

Meagre

Meagre food and the scarcity of water!
But who will entice you my love?
For this poetry is for you and,
I will be there to save you from starvation.

Edward Kofi Louis
Meal, Ideal!

The young forget that, they will grow old one day!
But, you always ring a bell in my heart; because of your sweet love.

I don't know how? ! ! But, i believe that, It will be.

Practicing will make you perfect in this Game,
With the fame of your works in the land of the living;

Meal, ideal!
Until you fulfil your dreams;
To clean your mind with the truth and to live with the joy of your heart.

Edward Kofi Louis
Meaningful

Short,
Deep,
Meaningful! !
Not to weep,
Because of the truth;
To keep the truth always!
To sleep in peace,
Like a sheep in the garden of love.

Edward Kofi Louis
Means Of Life

Means of life,
To see things with the eyes of the law;
Able to choose from what is right always!
For the peace of the earth.

Edward Kofi Louis
Meanwhile

Meanwhile, lean, wheal, wean, are, ale, new, era, mew;
Like a Cabinet and an enactment!
But the department of your love is in the woods.

Meanwhile, mean, me, an, am, man, men, hale, hail, when;
And like the way you treated me when I first met you!
But the sweet of your love is in the eating.

Meanwhile, meal, weal, he, hew, while, heal, lie, heel, law;
Like the rainbow which looks on us!
But the lovely act of your muse is like the waves of the sea.

Edward Kofi Louis
Measurements

Epilogue,
Literature,
Dialogue,
Quality,
Size,
Quantity,
Measurements!
Like unleavened wafers in the land of your muse,
But the raiding bands were seen at last.

Edward Kofi Louis
Measures

The measure of the man,
The measure of the woman,
The measure of the child,
Measures!
When the right thing is done means, the treasure of life.

Edward Kofi Louis
Meat

One man's meat is another man's poison,
So let us think wisely with our acts and doings on this earth;
What you called food on your table is another man's poison,
What you eat as food in your country is,
What somebody else throws away as a waste;
So let us be very wise in whatever we do.

This world is like that,
But you can't eat your chicken and have it;
Since one man's meat looks very nice to the eater,
The same is poison to another who looks on.

Edward Kofi Louis
Meat 2

Flesh,
Fresh!

Meat,
Meet;

Goat,
Roast;

Dine,
Fine.

Edward Kofi Louis
Mechanical Challenges

Mechanical challenges,
Situations!
Love and life,
Backgrounds!
Love and dreams,
Changes,
Challenges,
Act, intact!
Just for you,
Just for me,
Just for us;
Living on this earth,
To know and care for you when the needed.

Edward Kofi Louis
Mechanics

Mechanics! 
Muse, 
Fuse; 
Mystery, 
Fantasy, 
Use! 
Infuse; 
Thoughts, 
Greetings, 
Along the ways of life; 
Always ready for the truth.

Edward Kofi Louis
Medeba

Medeba, be, bee, beed, bed, dam, bam, made!
Beautiful,
To see her,
To see her works;
But, she is not near! 
She is living in a land very far away.

Edward Kofi Louis
Medeba 2

Medeba, be, bee, bam, bed, dam, made;

He promised them!

She promised them,

You promised me and,

I promised you.

Tribal clans! !

About you and me;

Lot, allotted!

Living in the land,

Wholeheartedly!

With the musse of peace and love.

Edward Kofi Louis
Meditations

Life a love,
Let our words be the words of peace than war!
Let our works be the works of joy than evil;
And, let the meditations from our hearts be accepted by the Creator Almighty.

Edward Kofi Louis
Medium, Palladium!

Drum,
Rum,
Blue gold!
Black gold,
White gold,
Brown gold,
Medium, palladium!
Your voice,
I heard as it were, a cry!!
Trying to understand what was going with you.

Edward Kofi Louis
Mediums

Mediums,
Sorcery,
Witchcraft,
Spiritists of the land;
Contempt and dishonour,
With the tents of the wicked seen around.

Edward Kofi Louis
Meekness

Truth,
Meekness,
Righteousness!
And like sharpened arrows and a ruling rod;
But the truth of my love rests in your hands.

Edward Kofi Louis
Meera

Can my mind ever be free?
Party-girls and party-boys;
Can my hand ever stop writing?
Party-boys and party-girls;
Can my heart ever be free?
Party-girls and party-boys;
Can my words stop your acts?
Party-boys and party-girls;
For there is a better way to live than hate.

You are so sweet on this bed,
You are so hot on this love,
And you are my star and my lover!
Pie, lie, die.

I have kissed a girl and,
I did make love to her;
For she was as sweet as the honeycomb.
This girl i met is called Meera and,
I am like a nomad on her sweet ocean of love.
I have the ability to live longer on this love and,
She is all that makes the world go round me.

Of her way,
Of her truth,
Of her life,
And of her light;
For her bush is too nice for me to go through.

This love had taken me a very long time to reach,
Like the party-girls and the party-boys;
But, can my mind ever be free? !
For her bush is so nice and clear and,
My love will always reach out to her.

Edward Kofi Louis
Meet, Feet!

Meet, feet!

Meeting you with the muse of love;

Leading your way with the truth,

Not to stumble on your feet! !

Because, life is a shining light;

With the truth as the key,

Where righteousness dwells in the kingdom of peace.

Edward Kofi Louis
Meet, Meat!

Meet, meat!
With love,
To share,
Foal, coal, goal!
Like a floating castle.

Demand and supply!
With love in the air,
Like the trade of the innocent;
But, a serious person always seeks for the truth.

Edward Kofi Louis
Meeting People

Poetry,
Peace and love,
Works;

The borders of life,
With the muse of nature;
Going on with your works.

The ways of life,
Going out to the world;
Through the power of positive morals!

Your notes,
Your style;
Poesy! !

With the muse of your mind,
With the status of your beauty,
Meeting people.

Edward Kofi Louis
Meeting Room 13

Meeting Room 13,
Meeting you;
After the flood.

Love,
Based on unity;
And, with the muse of the truth.

Love!
Under the laws;
Learning and practicing what is right.

Of individual differences!
But, with the truth;
Coming from the background of the faith.

Edward Kofi Louis
Meeting The Gates

From the earth,
To protect the laws;
Skyline!
From above;
Lay, stay, ray, bay!
Not to delay;
To stay with the truth,
Not to stray away! !
Day,
Way,
True love is the key about life;
Meeting the gates of righteousness.

Edward Kofi Louis
Meeting You

Meeting,
The unity;
Meeting you,
Middle, fiddle!
After all these years.

Eating,
Chocolate cake;
With the muse of your love,
And, to be loyal and friendly.

Life,
With positive goals set ahead of you;
And, meeting you among the people,
With the sweet muse of your positive character.

Edward Kofi Louis
Meeting You Always

You are very strong!
And i thank you for satisfying me with your love;
I will always remember you,
Deep in my heart.

So in love,
Like the moving mist that evaporates in the air!
Meeting you always in the forest of the west,
With the muse of the sun rising up from the east.

Edward Kofi Louis
Meeting You At Eight

Weight!
Your weight;

Height,
Your height;

Meeting you at eight,
For a personal talk.

Edward Kofi Louis
Meeting You For The First Time

Red, white, green and black!
To him or her,
Ports and reports,
Exports and imports,
Land and country,
History and records,
Meeting you for the first time;
And to feed you with the fruits of my sweet love.

Edward Kofi Louis
Meeting You Once Again

Love,
Just to feel the warm smile!
Seeing your face,
Meeting you once again.

Edward Kofi Louis
Meeting You Once Again

She came riding on her donkey and,
I came riding on my horse;
Meeting you once again!
But, you repaid my righteousness with evil.

Edward Kofi Louis
Mega Star! !

Basic instincts,
Doctor!
Actor,
Mega Star! !
Factor,
Sector,
Reactor!
Basic instincts,
Service,
Positive!
With the truth,
With prestige.

Edward Kofi Louis
Megilla

Megilla, mail, ell, all, ill, ale, Ali, Mali, mill, meal, male, lame, mall, leg, age;
Royal wine,
In high spirit because of the wine!
But, the truth is the key about life.

Love,
With a pleasing advice to the heart;
Life,
To clean up and to make a change for the better!
And, to care for others around you in this village of peace and joy.

Edward Kofi Louis
Mehek

Mehek, me, he, meek;
With humility,
Kindness,
With the muse of love.

Edward Kofi Louis
Mehetabel

Mehetabel, bale, ale, hat, bet, able, table, Abel, meet, met, heat, eat, ate, meal, meat, heal, tab, at, the, mat;
According to their clans and their regions in the country,
Meeting with the commissioners over the land.

Edward Kofi Louis
Meholah

Meholah, lame, he, heal, me, male, meal, mole, hole;
Message,
Responded!!
Loaded,
Passage, sage, language, age, stage, advantage!
However, the one who first puts on his armour should not boast like,
The one who takes it off!

Edward Kofi Louis
Meine Gedanken Sind Immer Positiv

Ich bin im Leben,
Ich liebe mich selbst,
Ich bin Schwarz und ich freue mich im Leben,
Sehr darüber,
Ich komme aus Afrika;
Ich kann Malern,
Bin ich Künstler;
Ich kann Gedichte Schreiben,
Bin ich Dichter;
Ich habe viele Leute geholfen,
Im Leben;
Ich kann Mathematik lehren,
Bin ich Mathematiklehrer;
Ich liebe mich selbst,
Ich bin glücklich im Leben,
Ich habe viele Talente,
Meine Gedanken sind immer Positiv.

Edward Kofi Louis
Meira

Feel the beat and feel the difference,
And walk in the same steps with me and let me love you;
For i am Meira with the beats of love,
And like the window in the wall closer to you.

Edward Kofi Louis
Melancholy

Bagger, beggar;
Hanger, anger!
Banger, ranger;
Stranger, Changer;
Finger, singer;
Linger, winger;
Larger, Charger!
And of the images of the people long gone;
Melancholy, man, men, mean, moan, may, lance, holy!
But, it cannot be explained to us because,
Your lover left you lonely.
Lome, can, May, mall, all, lame, hall, male, ace, lace;
Moving on alone and being guided by the light,
But, this message is also to others.
Hen, me, an, am, one, lone, lean, home, ale, ham, hole;
But this work cannot be explained to us so easily because,
Your lover left you lonely.

Edward Kofi Louis
Melinda

Love is very patient and very kind,
True love is not boastful;
Love is not jealous,
Love is not provoked,
True love never fails;
And, you have all these qualities.
Melinda my love,
Come straight to my heart.

Edward Kofi Louis
Melinda II

As neat as a pin,
As nice as a cat,
Making all the passes in a ball game;
But back in April with the words of love!
Melinda, is there a Libran in your life?
For discrimination kills a town.

Edward Kofi Louis
Melkisu

The bitterness of death passed me by but,
Your sword has made many women childless!
And i have set my mind on a mission to meet Melkisu.

Edward Kofi Louis
Melle

I am who i am,
And i am always like that;
But fashion is my hobby and like,
A dumb donkey speaking with a man's voice!

I am Melle but,
You are like wells without water;
Because you always allure me through the lusts of the flesh!

Edward Kofi Louis
Mellila

Mellila, male, meal, am, aim, me, Lila, lime;
Natural but, too small in size.
Arm, am!
With the muse of your love in the land of beautiful flowers;
Ram, arm!
With the works of your Hands in this town.

Conrad, corn, on, Dan, or, do, no, road, Dora!
Artifitial but, too big;
With the muse of your love in this town.
The muse of life!
To beat upon it like a drum;
Waiting for your turn to dance.

The muse of love!
Like the hope of your dreams;
With fun and games in your town,
But, learning the ways of peace.

Mystery! !
To the educated land afar;
Mellila, Mali, Ali, all, mile, Lea, Mia, mail!
With pin-up-girls and pin-up-boys;
And, with the muse of your love in the land of beautiful flowers.

Edward Kofi Louis
Melted Gold

The public fray,
Very active!
But all of a sudden you came along and took her away;
And like the Roman Soldiers who destroyed the stone to get out the melted gold!

But supporting your love was like the Western Wall,
And like the pivoted events in the land of your muse!
But a victory Arch is now needed on this issue.

Edward Kofi Louis
Melting Point

Subjection,
Office holders,
teachers,
Melting point!
Trainsition,
Memorial service,
Dripped!
Brassive,
Scaled,
Blotted,
Of an informant,
To the climax! 
Having an affiar in the bush;
Eluded,
Like a taboo!
This melting point,
Facing the problems around you.

Edward Kofi Louis
Melting The Ice

Add red to it and be my lover!
For i have prepared my bed full of roses;
And like the heat of the sun melting the ice.

Edward Kofi Louis
You are behind the mask and under the surface of love,
But criticisms are part of earth's own mandates;
So i will cross over to look for your sweet love.

Melville,
Shall i order the spirits to fetch me what i please? !
For i fear no foe and i will sail to your heart;
Because your love is burning inside me,
And this is for you and me without intellectual emotions.

Take a journey of self discovery on this love,
And try to say the least to guide me on;
For you need the real kiss among the kiss of kisses!
Because you are very lovely and lonely but,
You are under the mask of love.

Edward Kofi Louis
Melvin

You can delight yourself in wisdom when you try,
So listen to me if you want to know;
And like the quarrels of the tempers of the hatred around me.
You have to learn to know the difference of things!
And to choose what is right always;
So come out of the foetus of love and,
Tell the world that you are called Melvin! !
For we are all to face the world with our various talents;
And i will be delightful to see your smiling face.

Edward Kofi Louis
Melvina

Great is your love when you know my taste,
And like a cat with a mouse as its pet;
For tomorrow comes and we will all sleep in the mud,
Because we cannot live physically forever!
Hand in hand we care and,
hand in hand i will take you to the land of love;
And to jib like a bibber and to bib like a fibber,
For your real name is Melvina.

Edward Kofi Louis
Mementos

Mementos,
Symbols,
Disclosed;
And to stampede the process!
But it was rather taciturn,
For he or she who answers must prove it.

Edward Kofi Louis
Memorial

Memorial,
The lamp of the body is the eye;

Remembrance,
To spin and toil;

But the truth is the bread of life!
Able to change your heart and mind.

Edward Kofi Louis
Memories

Memories!
Feeling the pains everyday in your body;
But, you can't change the past.
Be strong and move on!
With your mind and soul,
And to correct your past mistakes today;
To face the future.

Edward Kofi Louis
Memories  2

In, Inn!
There is no star without a scar;
We all have memories,
Hoping to overcome the past,
With positiveness today.

Edward Kofi Louis
Memories On The Wall

Call!
All;
Pall,
Stall,
Tall,
At the Mall;
Oh life! !
With memories on the wall.

Edward Kofi Louis
Memory Of My Hometown

Pen,
Penned,
Pensive;
Memory of my hometown,
With the towers of love.

Edward Kofi Louis
Memphis

Memphis, is, his, hip;
Life,
Peace,
Joy!
In the land of the living;
Where the laws are respected.
His, Memphis!
Living,
In his land;
With the muse of the laws.

Edward Kofi Louis
Men And Boys

Mass, grass, glass!
To pass over;
Men and boys obeying the laws,
For peace and love! !
And, respecting all mankind.

Edward Kofi Louis
Men and women of the earth,
Listen to my voice when I speak;
For my heart rejoices and my flesh rest in hope.
Men, brothers, women and sisters of this world!
Hear my words when I do write;
For the promise is to you and to your children,
But, the people around are full of wine today.
Yes, they are possessed!!
But, dream dreams and seee the visions of love,
For, my poems are there to guide you all.
Dazzling white!
Looking for something sweet to eat;
But, try to eat after your first love because,
Foxes do have holes to hide in.

Edward Kofi Louis
Men Of Blood

Wickedness,
Men of blood depart from us!
We need peace on earth with righteous morals than hatred and war.
Wicked purposes! !
Destroying and killing;
We need peace on earth without hurting anyone.

Edward Kofi Louis
Men, Foremen!

In charge,
Straw, raw!
To gather stubble,
To be used for straw;
Men, foremen!
With the muse of the workers.

Righteousness!
To train you in this direction;
And, with the muse of the laws.
Love,
With the meat in the pot;
Cooking for the workers,
And, being in charge of the work.

Edward Kofi Louis
Menato

Menato, toe, one, note, net, on, mat, an, ant, man, tan, men, team, at, meat!
With the muse of the friendships of the world;
Moving around with my mind,
With the rules of life;
Able to make a choice,
Choosing from righteous works! !
For the peace of the earth.

Edward Kofi Louis
Mendacious!

Mendacious, node, aid, aide, doe, does, sad, used, aids, dies!
Not telling the truth;
But, the truth will surely crash you one day.

Mendacious, in, as, dance, dances, sand, dams, mends, do, so;
Playing with your mind and not being ready for the truth!
However, telling the truth is better than lies.

Mendacious, man, men, mad, dam, is, as, me, due, main, and, die!
But, the truth is always the truth and, there is nothing more than the truth;
So, not telling the truth will lead you nowhere.

Mendacious, use, sea, made, dame, aim, aims, mean, mains, means!
With the works of your hands as seen by others;
But, try to tell the truth always.

Mendacious, Cain, coin, coins, ion, ions, dice, nice, muse, on, no;
In the land of your muse and, in the ways of mankind!
But, try to tell the truth always.

Mendacious, send, mend, amend, den, dens, same, Sam, and, Dan!
But, not telling the truth before the court;
However, the truth will crash you one day! !

Mendacious, use, dues, sue, sin, mind, minds, end, ends, mouse, mice!
With the works of our hands as seen by others in this life;
But, we need to tell the truth always.

Mendacious, cud, ice, cod, ace, are, maids, maid, code, mode, cad;
But, try to live by the truth always in this life! !
Because, we need the truth to lead us on always on the right path.

Edward Kofi Louis
Mendes

Your beauty reaches up to the skies and,
I am Mendes and i love you;
But the snares of death confront you like war!
And the cords of the grave are ready for you.
Hear the voice of my cry and i will save you,
For your beauty reaches up to the skies!
And of the great joy of your love that speaks the truth,
For my true heart will be with you always.

Edward Kofi Louis
Menon

Of pleasant days gone behind,
I am 40 years old and i am glad to be married;
So be submissive to me to receive my muse of love,
And like the chocolate factory in your land.
Hot chocolate!
Chocolate love;
What is sweeter in the blues is all with an aroma!
And, i have the Cocoa Pods ready for you.
Meon is my name and i am eating an ice-cream from an Island! !
So be very submissive enough to meet my blossomed flowers;
For my love is now in the eating.
Offer me peace and i will feed you with my love,
For you are my beautiful lily;
And, i am the ripen apple among the fruits of love!
However, with treasures hidden in this field.

Edward Kofi Louis
Menowin

'Me-no-win'!
'Me-no-win'! 
Oh yes, my name is 'Menowin' and,
I lost at the DSDS 2010 contest!

Edward Kofi Louis
Mensah

Mensah, mean, man, men, as, an, am, has, hens;
But the big river is now flowing!
And i have to watch your steps on this muse,
For my sweet heart is now set beofre you!

Reek, week, geek, peek, seek, meek, leek;
And like your secret compound of love!
But the big river is now flowing;
And the joy of your muse is now wide opened to me.

Edward Kofi Louis
Mensah Ii

Mensah, man, men, as, me, he, she, an, ash, gas, sea, ham, am, Sam;
Of the River of Love and of the River of Peace!
But today, you do have your wedding ring on your finger.

Life!
Call me on my mobile if you fail to get me on my house number;
Then, i will call you back and we can talk.

A612!
With the muse of love;
B612!
With the sweet muse of care;
C612!
With the joy of everything in the land of the laws;
Where the minds stay at rest.

Life!
Playing in the rain;
In Africa,
Where the sun shines all year round.

Life!
Playing in the rain;
And, with the muse of your love,
Because, i do care for you.

Love!
To satisfy my mind;
After the sweet muse of your lovely heart,
But, i am from Africa.

Edward Kofi Louis
Mensema

Unwary,
Right size,
Rivulet,
On your fingers! 
But, do not regret in your hearts;
For, the rains are now in and,
We need the raincoats to cover our bodies.

This is like a culture shock at work!
But, i am Mensema in the land of your muse;
And like the joy of peace than the bullets of war!
But, the middle passage is now guarded on both sides.

Edward Kofi Louis
Mentality

Romance, Mentality,
Life is a stage where we all learn;
But we all make mistake at times.

Edward Kofi Louis
Mentality  2

Mentality!
Related to the culture of the people;
To have the passion of life,
And to exchange ideas with the world.

Edward Kofi Louis
Mentality  II

Mental,
Mentality,
With the mentality of the people in this land;
Sure!
They are not ready to change;
They are not ready for the truth,
Even with the laid down laws of the land.
War! !
Armed to the teeth;
But, this will never bring us peace.

Edward Kofi Louis
Mentally Attacked

Whoever commits sin on this earth also transgresses the laws!
For sin is the transgression of the laws.
Prophecy,
Several,
Different;
But mentally attacked are the ways of mankind!
And like the ways we do things on this earth,
But the laws are there for us all to obey and become perfect.

Edward Kofi Louis
Of the tools from Africa and of the minds of the other world,
Drying up my Cocoa Beans in my village to share my views;
For you are the August Lady who paid ma a visit in August and,
I will never forget that date of the sweet love that we shared.

The African Rhythms,
And of the music of love to share at times;
But, the 'Chop-Bars' do wait for us in the Townships.

Meola! ! ! ! ! ! ! !
You are on the coastal lines of Africa to share my love;
For there are much fish for you my love,
And it is like the words of my ancestors to teach you my love.

Of yesterday's rain,
And of the love that we share around today like the waters;
For you are all that i have at hand, Meola.

Should not the shepard feed the flock? !
For the entrance of your tent is very wet to let me in,
Because the rain is still falling.

There lie the rhythms and,
There lie the hopes and dreams;
For i am drying up my Cocoa Beans in my village for you,
And hope to see you soon after all these years.

Edward Kofi Louis
Merab

Merab, bar, bear, ear, arm, ram, era, bare!
Pleased with you,
To speak positively with you,
Like a poor man with his lamb;
But the truth is always on my lips.

Edward Kofi Louis
Merari

Merari, air, aim, ram, arm;
But, who dares to rouse the lion?!
When there is peace already in the land.

Edward Kofi Louis
Merari 2

Merari, aim, air, ear, arm, ram, err, era!
To encamp near the muse of love,
A native-born with the works of peace;
But, the laws are also for the stranger who dwells in the land as well.

Edward Kofi Louis
Meray

Meray, ray, may, year, ear, ram, arm, yam, era!
Substance,
Attendance,
Dance;
With your remembrance in the land.

Lent, rent, sent, went, excellent!
To spent your life with the muse of your works;
As noted by your people,
With the ways of culture.

Edward Kofi Louis
Merayah

Merayah, ray, may, hear, Mary, ear, era, May, year, ram, arm;
With love,
With care,
With morals!
Under the eyes of the law;
The laws of peace,
With the muse of joy!
With unity than, the division in the land of war.

Edward Kofi Louis
Mercado

Mercado, dam, made, arm, ram, road, core, ore, dream, Dora!
With the muse of your sweet love;
Today is the day! !
But tomorrow is another day;
Natural!
With products from nature;
Not with force! !
But with love;
Inside,
Insight,
The bright light!
Right at your side;
Growing up in your land,
With your dreams!
With hope;
Aiming at the future,
Knowing that,
Unity is strength.

Edward Kofi Louis
Mercedes

Your love is desirable more than food and,
Your romance is known by many;
But your steps are like giant apes in the jungle.

To the shopper's paradise and,
To see the orchards blossom;
But with a wide repertoire to respect the black fairy,
For you are very exuberant and very beautiful.

Mercedes my lover,
Do measure yourself by the things you love;
And do listen to your heart beat!
Because the jungle is too far from you,
And i will live to guide you on.

Edward Kofi Louis
Merciful

To roar like a lion,
To fight like a bull,
To move like a tortise,
To play like a man,
To sleep like a sheep,
To care like a woman,
But do not hide your love to the one you care for;
Because, the woman brought forth the baby.

Knowing her love is better than war,
Knowing her peace is better than hate,
Knowing her mind is better than lies,
But the smell of her sweet taste is all that you need.

Think twice before you throw a stone into the market place,
For it may easily hit someone you know;
And do not eat the bread of idleness.

Before your womb was closed and now it is opened,
Today you have a child to swing on with your life.
So quench my heart with your love and,
refine my mind with your peace;
Because, every house is filled with hatred.

Beware of dogs and do not destroy the potter's field,
And let your love so teach others with a smile;
For your innerself is the beginning of everything.
The Ruler is merciful and you have to be merciful at all times,
For we do have histories of our times.
To roar like a lion and to learn like a sheep,
Keep yourself away from that which is negative;
And gain the land by being merciful to all.

Edward Kofi Louis
Merciful 2

Doctrines,
Commentaries,
Read daily,
As we learn;
Love is a wonderful treasure!
Merciful,
Showing mercy;
Able to live a peaceful life.

Edward Kofi Louis
Merciful

Merciful,
To show concern;
Passion, compassion!
Comforting you with the muse of love.

Edward Kofi Louis
Merciful 4

Faithful,  
Merciful,  
Truly,  
Light! !  
Very bright;  
Right with your mind.

Edward Kofi Louis
Mercy

Why do you look so sad?
Why are you so worried?
Like a man condemned to death;
Are you not called Mercy?
Come and let me share your mercy;
Like a spectacle to the whole world.

Edward Kofi Louis
Mercy  II

Have mercy on me with your love and,
Do satisfy me with the muse of your name;
For that is the way that nature planned it,
And i am around to learn from you.

You are called Mercy and,
I can depend on you because of your mercy;
For the zeal of your heart is like your sweet meal presented to me,
And like the zeal of your love.

Living,
My life;
Creation,
Your life;
But a perfect lover needs mercy!
And i hope that we can live together on this love,
For you have the golden hen around you.

Memories,
To keep it real for Mama Africa! !
But come and take me away with your sweet love,
For you are always on my mind;
And i will be free to fly like a bird up high in the sky.

Edward Kofi Louis
Mercy 2

Mercy! !
Lovingkindness;
Tender love,
True love,
With positive words.

To wash yourself thoroughly with the muse of the truth and,
To live in peace with your neighbours;
According to righteous characters!
According to righteous laws,
According to the muse of the truth;
Living in peace with your neighbours.

A calm heart,
Positive mind!
With the works of the truth;
Living in peace,
According to righteous morals.

Edward Kofi Louis
Mercy And Compassion

Baby girl,
Baby boy,
Named after you and named after me!
But, the die was casted to all quintessential Africans.

Someone ay be very great to others,
But not in the same way all over the world! !
However, execute true judgement and,
Show mercy and compassion to all in this world.

Edward Kofi Louis
Of Mercy and Justice,
And like the refining pot for silver!
But your love is sweet to my soul and health to my bones,
And like the furnace for gold.
Eloquent speech does not become a fool,
Much less lying lips a prince;
For a gift is like a precious jewel to him or her who receives it,
And Mercy and Justice are much needed in our daily lives.

Edward Kofi Louis
Mercy And Love

Mercy and love,
To know what to do;
To the original,
Accepted with the works of peace.

Edward Kofi Louis
Mercy And Love 2

Mercy and love,
Peace and joy;
Compassion! !
With the muse of your passion.

Edward Kofi Louis
Mercy and pardon,
Consider yourselves!
And live in peace with each other.

Don't let sin rule over you!
For, the wages of sin is death;
Overcome your sins with righteous works.

Edward Kofi Louis
Mercy And Truth

Righteousness!
With mercy and truth;
With the beauty of the grey headed and,
The strength of the glory of the youth.

Bruises and wounds cleanse away evil works!
Moving along in life;
Without giving up on your dreams.

Pose, suppose!
With the ways of mankind on earth;
But, be true with your heart always and,
Do the right thing.

Bowl, owl, howl!
With the very acts of the people around you;
However, righteousness is gained with mercy and truth.

Edward Kofi Louis
Mercy And Truth You Provide

True-love!
Mercy and truth you provide;
Healing the hearts,
With righteous morals,
Awesome deeds of righteousness! !
The truth is the key;
To live in peace,
According to servitude and attitude.

Edward Kofi Louis
Mercy, Mercury!

Fury, mercury, bury!
But, opportunity meets love;
Mere, where?!
If it is not up then,
It is down!
Opportunity is part of life.
Were, mere!
If it is not on then,
It is off!
Like a parrot in paradise;
Mercy, mercury!
The freezing fog;
Carrot, parrot!
Like the muse of the unborn child;
Fog, frog!
But, the hunter of love is needed in this case.

Edward Kofi Louis
Merdle

Merdle, reed, deem, led, deer, red;
The link,
The ink,
The sink!
With the pink colour in your room.
Ring, partnering!
And to roam freely from one place to another;
Share, hare!
With the muse of your sweet love;
And, with the review of your mind.

Edward Kofi Louis
Meribah

Meribah, aim, hear, ear, her, him, air, hair, bear, bare, arm, ram, bam!
With a sound advice;
Men with the truth,
Women with the truth,
Children with the truth,
To serve in the land of peace and, to bring joy to all!

Edward Kofi Louis
Merida

Merida, air, raid, ride, dear, read, dare, ear, era, dream, made;
Force, enforce!
As part of the measures,
With the muse of the land.

Ant, buoyant!
With the muse of your dance lessons;
Very clever,
Which could serve as a guide to your colleagues back home.

A firm stand!
As part of the measures;
With the muse of your love,
And, with comprehensive strategies in the land of your muse.

Edward Kofi Louis
Meritocracy

Colloquium,
Growth,
The quota system;
Of a land,
Regig!
Unanimous;
Noted,
With notable works,
By the scholars of the land;
Meritocracy!
Understanding the minds of the people;
Along the line.

Edward Kofi Louis
Merlin

Airwaves,
Weedy,
Suspicious!
With underhand dealings like the muse of your love;
But the government house is now closer to your home.

Observers,
Keeps,
Relocation!
And like your love on a guided tour;
But i am Merlin living closer to you.

Edward Kofi Louis
Merlina

Encourage him and encourage her,
And like having three square meals in a day;
For i am Merlina in the land of your muse,
And like your sweet love to kick-start the project.

Edward Kofi Louis
Merlinna

Couples and their families,
Adopted like your love with the flowers of peace;
And like an excellent outcome,
But i am Merlinna with the Business News.

Edward Kofi Louis
Maid, mermaid!
Main,
In,
Laid,
Paid,
Made,
Afraid!
Seen and said;
Paw, raw, law, saw!
Aid,
But without a raid;
Because, the red rose will,
Always bloom in full.

Edward Kofi Louis
Merriment

Merriment,
Joy and love;
At the appointed time.
Home, chrome, come!
Meeting,
Hallow, allow!
To allow it,
With the muse of the truth;
And, with the joy of the land.

Edward Kofi Louis
Merry Heart

A merry heart lighten up the face!
But, the sorrow of the heart breaks up the spirit.

Joy is the truth!
With the muse righteous morals;
Able to share in peace with your neighbours.

Edward Kofi Louis
Merryhearted

Merryhearted,
Of the earth and its people!
To the end of it i will recite my poems;
Like the act of love in the land of peace.

Fees,
Flees!
You said it,
I said it,
But, you will see hatred in their eyes! !
Evil ones;
Like drug addicts,
Ready to destroy the world with their works.

Gleam of light!
The order,
A tenth part;
The buyer,
The seller,
With the aroma of the cake on your table.

The face! !
The Race;
The lace,
The pace,
Ace!
The Palace;
To trace your lover in the dark room,
Merryhearted!
To embrace her.

Edward Kofi Louis
Mesow

Talk to me on paper and i will listen to you,
Because i am the muse inside you and around you!
And when you read my poems, i will all over you with love.
I am the very muse you've been waiting for,
And i am still around you and where you stay;
For i am you and, you are me on this sweet love.
Mesow, i am over you and around you;
And like Romeo and Juliet, we have to be one on this love.

Edward Kofi Louis
Mess, Miss, Moss, Mass, Muss!

Mess, miss, moss, mass, muss!
To examine them;
Because, all was not well.

Mess, miss, moss, mass, muss!
Eluded;
In a related development.

A strict code!
To fashion it out;
In the land of your muse.

Mess, miss, moss, muss!
Woeful performance;
Which cannot be swept under the carpet.

Edward Kofi Louis
Message

Fellow,
Follow,
To allow it,
With the muse of the message;
Found in a bottle.
Fuse, muse, infuse, use!
Flowing,
Following,
Trend, tend, end!
With no alternative;
With a message in a bottle,
Found at the bank of a river.

Edward Kofi Louis
Messi

Do not look at its appearance or its length,
For the younger is tending the sheep;
And i rose and kissed her!

She is the one,
And i am Messi and i do know my steps;
But jealousy holds you back on my love.

Edward Kofi Louis
Met, Melt!

Regular!
Qualities,
Inspiration,
With a common formula;
Productions,
Accepting the ways of life;
However, trying to be everywhere today with your works.
The first choice!
The second choice,
The third choice;
Everywhere with your works!
And, with the regular formula at hand.
Met, melt!
Taking up the opportunity given to you to express yourself;
With the muse of your works to the world.

Edward Kofi Louis
Methuselah

Methuselah was 9 hundred and 69 years old and,
Goliath was about 9 feet and 9 inches tall!
But, David killed Goliath.

Of the tribal mark on your face,
Of the power of a language to save you at times;
But I am being moved with a fervent zeal towards your love.

Edward Kofi Louis
Metric threaded holes,
With the muse of the poles;
Life,
The winner takes it all! !
And the loser cries along.

Edward Kofi Louis
Metro, Retro!

Metro, retro!
Lovers,
With modern conditions;
To get it,
To use it,
And, to stay with it.
Mankind!
Historical;
Solitude,
Attitude,
With perspective and,
With the muse of life.
The sign of hope,
The ways of life,
Like circles and squares;
But, devoted with the muse of peace.

Edward Kofi Louis
Metropolitan

Fishermen,
District,
Municipal,
Metropolitan;
With chief executives on the muse of the town!
But i am writing out my mind from Chorkor.

The fuel,
Adequately distributed;
The premix,
And to cause the earth to go to and fro!
But warning all the antions was just like my muse,
And like the famous Psalm 23.

Edward Kofi Louis
Mettle

In the secret place of the Moast High!
Come and enjoy the full Laws of the Creator wth us;
For there is true love under the shadow of the Almighty! !
But, i am Mettle with the words of peace.

Edward Kofi Louis
'Mia San Mia'!

Love!
To open my heart to you because of your sweet muse;
'Mia, san Mia'!
With the muse of my mind;
Love!
Come to me and take a rest when you are tired in this world;
For, i am ready to serve you.

Life!
Yesterday is gone and,
You can't have it back;
So, be straight to learn from your mistakes,
After all these years.

Fire, empire!
The ways of my life and,
The ways of your life;
Muse!
With the blues of nature.

Love!
It's a miracle;
Life!
It's a wonder;
Love!
Very wonderful;
Life!
With the blues of the weather.

Fry, fly!
With the muse of love in the land of your joy;
Life!
It was an accident; but, it was meant to be on this love.
Love!
You can always learn from your mistakes,
If only if you are ready to do so.

'Mia san Mia'!
With the ways and means;
'Mia, san, Mia'!
Winning 3 Cups with your muse;
After all these years.

Life!
Like a stone from the moon;
But, the success came from the highlights of your life and,
With your sweet love in the land of peace.

Edward Kofi Louis
Miami Beach

Miami Beach,
The day is for the 'play girl' and the night is for the 'play boy';
But let me meet your troubled heart with my love,
For i am always ready to be on your side!

Edward Kofi Louis
Michael

Michael, the apples of my lovely breasts are so sweet;
So come and pluck them and make use of them my sweet heart,
For sweet is my love and everything you see around is for you only.

Greetings, greetings! !
Here comes the love so sweet for your taste;
Michael, i will not hide these sweet apples of my love from you.

Edward Kofi Louis
Michaela

Million things in the making!
With the muse of love and the muse of peace;
But, where is Michaela your friend?

Worker, poker, joker, broker, stoker, choker;
But, try to express yourself like a winner!
For, you did not shoot the sheriff.

Edward Kofi Louis
Michal

Michal, mail, in, Ali, Mali, aim, hail!
To hold me in honour,
To behold the works of peace,
With the muse of the works of faithfulness.

Fortified cities of love!
Stand upright with your positive morals always;
Knowing the ways of life,
Moving on with the truth.

Edward Kofi Louis
Michayah

Yahweh's Spirit came upon me and,
I blew the trumpet of love;
For the fleece was dry and the dew was all over the ground.

To the hill of Mreh,
I will meet my love and the sunshine;
For my name is Michayah and,
Your long hair will entertain me.

Let me feel the pillars that support the temple and,
Let me feel your deep love inside me;
Oh riders of she-donkey,
You will meet my bed in the wilderness of love.

I will live to see this day and,
I am casting long eyes on you my beautiful one;
For it is like the Plan of Yahweh and like,
The riders of he-donkeys.

Edward Kofi Louis
Michelle

I am as black as the charcoal,
And you are as white as the milk;
But i will drink the juice of your love like the panda bear.
What can i say about black and white?
For my grandmother was a Scottish and my father is an African;
And like the exploration of Christopher Columbus in the lands of America!
El Mina,
Like the code of my life to share my love with you;
For i am Michelle and i know my ways in the bush,
But the ship of love landed in my village.

Edward Kofi Louis
Michigan

To keep every hungry unsatisfied!
But i am Michigan in the land of your muse;
So be very wise and treat me well,
For nobody knows tomorrow.

Edward Kofi Louis
Michmash

Michmash, as, Sam, him, aim, ash, his, mash;
Post,
Cost,
Most,
Outpost,
Lost,
And, to hear about it.

Rest, nest, pest, test!
Summoned to join you,
In the land;
To see to your works,
And to help you along the line.

Seeing the Stars at night,
Uncountable!
As numerous as sand on the seashore! !

Camp, encamped!
For safety,
To secure your status in the land;
And to cure you with my sweet love,
Pure with the muse of the truth.

Pits and cisterns!
To cross over the land;
Seeing the landscapes,
With the muse of the beauty of the land,
Joy in my heart! !
As i met you.

Edward Kofi Louis
Micro Cosmos

I came from the moon and I landed on earth,
With my mind and, with my love;
Read on! Then you will understand my status.

Love is better than the bullets of war!
Peace is better than hate;
So, let me take care of you and, let us be unity.

Block, lock!
If I have my way,
I will always be around you;
With compassion.

The quantum theory!
Micro cosmos;
If I have my way,
You will always be around me!
And, I will serve you with the muse of true love.

Quantum physics,
Quantum act!
Quantum love;
Course, discourse!
Micro cosmos,
Court, courted!
Invitation,
Visitation,
To the Poem-Boy and the Poem-Girl.

Edward Kofi Louis
Midas' Touch

Uh girl i love you so!
And i will never let your love slip out of my hands;
You are like a candy pulse which has never been touched,
And you are my 'Laisla Bonita'.
Take me to your secret home of love,
For you are the apples of my eyes;
And let me feel your attractive body closer to mine,
Like the dream that you and i have been waiting for always.
Your backyard and your big breasts are very attractive to me,
So come and touch me with this secret love of yours;
For i have the 'Midas' Touch' for your love triangle.
Don't run to and fro when, i am here fro you;
Uh girl i love you so!
And let your breasts come closer to my chest,
For you are all that i want and need.

Edward Kofi Louis
Middle

I am in the middle of the desert and,
In the middle of your love;
For your love is like the pure gold of my land,
And your kiss is like the gold chains on my neck!
But i will always wait for you on this side of the river.

Edward Kofi Louis
Midnight In Paris

Mood, mooch, moon, moor, moot!
Moon boot;
Midnight in Paris,
Toot, tooth!
But, the way you make me smile heals my heart.

Hoof, hood, hook, hoot, hoop!
Your sweet love drew me in,
With the joy of my heart;
Cook, cool, coop, coot!
Midnight in Paris with you on my side.

Edward Kofi Louis
Midnight In The Garden

Addicted to love,
Love aims true!
Like hide and seek;
Black sheep romance,
White sheep romance,
Black and white! !
Starlight and sunlight,
Together;
Dancing in the rain!
Addicted to love,
Midnight in the garden.

Edward Kofi Louis
Midnight Sensations!

Midnight sensations!
Love,
Sincere love,
Sincere milk;
With the treasures of joy.

Edward Kofi Louis
Midnight's Voice

Midnight's voice,
You are always welcome home;
Callistus, Titus, Linus, mucus, linctus, abacus, modus, bus, genius! !
And to love you more and more;
However, i do hope you well all the time.

Midnight's voice!
Dhaka, Dakar;
At the door! !
And, in front of it;
But, you are always welcrome home.

From North to North-East!
From South to South-West!
Midnight's voice,
This muse of love is in the genes! !
And, i am always ready to hear your voice in this room.

Edward Kofi Louis
Mid-Twenties

Poor choices,
Mid-twenties;
Local business,
Soft keys and soft words;
Nut let us face it,
For the future still lies ahead of us.

Positive intention,
Smooth and possible;
But things may not be exactly as you planned,
However do base your decisions on facts.

Edward Kofi Louis
Mount Kilimanjaro is 5900 metres high and,  
You have to visit it to see the beauty that it shares;  
But like an affable gentleman in the midst of ladies,  
I have what it takes to love you.

Humble and respectful,  
To a virtual standstill to receive visitors;  
And my love for you is like Mount Kilimanjaro.

Mifael, explore my mind to reach out to my love;  
For we are one-on-one on this sweet love.

A lot of memories of the school days,  
Like the 'Impulse Night Club' next door;  
But i will be very high above all standards to you like,  
Mount Kilimanjaro among the lot.

Edward Kofi Louis
Might And Power

Treat all mankind with respect and,
Live in peace with your neighbours;
With the might and power of true love.

Imagination!
Being carried away in spirit;
Able to write to you in another level,
With respect and, with the works of the truth.

Edward Kofi Louis
Might Have....

The temper might have tempered you!
But i now bring you glad tidings and love;
So lead a quiet and a peaceful life,
For i have something special to share with you.

Edward Kofi Louis
Mighty Wind! !

Great and mighty wind! !

The mountains tore apart;

Earthquake!

Thunder shattered the rocks;

Fire! !

Nature at work;

Then came a small still voice,

To the hearing of the vast multitude.

Edward Kofi Louis
Mikayo

A special workshop of love with Mikayo my friend,
And to yield its fruits with sincere care!
But in peace i will write out my mind on this love,
For i am being spiced up with the true hands of unity! !

Edward Kofi Louis
Life is very delightful at times and,
Very difficult to calculate at times!
And with bombs around us like sweets;
But in the hall of Osius' Palace i will write my letter.
Faith is the substance of things hoped for,
And i will always remember you Mike Okereke;
And like the evidence of things unseen.

By faith, Abel offered more excellent sacrifice than Cain;
By faith, Enoch was converted to know the truth;
By faith, Abraham was called out among the lot;
by faith, Sarah received the strength to conceive seed;
And by faith, the walls of Jericho fell down! 
But this muse of mine will get to you Mike Okereke,
Because i am now far away from you!

Edward Kofi Louis
Mike's Wife

Mike's wife is pregnant! !
And, we have to find a way for a safe delivery;
For the muse of the land of Africa is like war!
Miss,
Kiss. his, with,
Her,
Work, To,
Hiss,
And like the muse of Africa! !
But we need peace to understand this issue at hand.

Edward Kofi Louis
Mild

Soft,
Mild,
And cool;
With the muse of your mind.

Edward Kofi Louis
Mile, Smile!

On arrival;
With the muse of love, joy, peace and unity.

Muse, mouse!
In the land of beautiful gardens;
But, try to be yourself always.

Muse!
For your love;
And, with the peace of your mind.

Test, quest!
Leading the ways of peace;
By sharing with each other.

Edward Kofi Louis
Miles

Miles, files, piles, riles, wiles, stiles, tiles;
Pul it along to satisfy your muse!
For, there is no place like home.

To have it and to give it to you,
To have it and to share it with you,
For, when the heart is right, the mind is right as well.

Be, beg, bet, bee, bed, belt, beef, bend;
But, when the heart is wrong, the mind will be wrong as well!
And like the wicked adults in this town.

Bees, beet, been, beep, bent, before, beer, bell!
Take it along with you;
However, true love is the gift of Yahweh to all mankind.

Between, bethrothed, below, become, became;
And like the chain reaction of any act! !
And, of the pains afterwards.

Edward Kofı Louis
Miles Away

The river!
With the muse of the current;
The sea!
With the muse of your sweet love;
Muse, love, joy!
Miles away;
And, requested for details in the sea bed.

Internship!
Concerns,
o remain calm;
But, with the muse of objective and sincere leaders.
Through, thorough!
Through his writings;
And, to rule effectively.

Miles away!
With the muse of love;
And, with the currentz of the river,
To effectively manage issues.
Aspirations!
The needed confident;
On this matter.

Edward Kofi Louis
Miles Away From Home

Miles away from home,
Smiles with the joy of your heart to capture the truth!
Ways and means,
Ways of nature,
Ways of life,
Along the River Nile;
While you take your steps along.

Edward Kofi Louis
Miles Away Ii

Miles away from you!
Miles away from me;
With the windows of love,
Because, true love has a way of touching each one of us.

Oxygen!
Do change the world with a positive note;
And, with the kiss of love.
Life!
Be strong and very courageous;
Along the muse of peace.

Love!
To give you praise for taking care of me;
When i was with you in your abode,
But today, we are miles away from each other.

Edward Kofi Louis
Miles From Home

Miles from home,
Smiles will bring true love to me;
Through the ways of life,
Over the shores of peace,
Facing the facts around,
And with the acts of positive morals.

Edward Kofi Louis
Miles From Home  2

Try,
Vestry,
Primary,
Secondary,
Entourage!
Encourage,
Not to cry;
Wry, fry, dry!
Miles from home,
Facing the odds of life,
Why?!
With the wickedness of mankind on earth.

Edward Kofi Louis
Milica!
Your love is like an old school reunion in the land of my muse;
And like the beauty of the art works at 'Bonwire Kente'!
For, you are all that i need on this love.

'Do walk in my ways and i will add more years to your age'!
And, my love to you will make you look younger all the time;
However, give me ears and let me direct you on.

Edward Kofi Louis
Milingo

I want to ask and i want to know,
And like an info without a room;
But my views are like that of others around me!
For, i know what i am looking for from you.

I know how you love me and,
I am waiting for you in Missouri! !
Oh, my sweet Milingo;
So, come and take me inot your sweet arms of love.

Milingo my lover,
You are the sweetest thing that occurred to me in this life;
Quid-pro-quo!
Alacrity to the minor;
But, a woman in love needs only one man.

Edward Kofi Louis
Mill's Palace

Greet me with your love and let me understand your muse;
And like falling in love for the first time!
But the light of this love is in the twilight of the heat of your story.

Edward Kofi Louis
I am not writing this poem for you,
But for people who are ready to learn;
Because you still dwell where Satan is,
And i want to find a way to teach you for the better.
The Seventh Day for the sabbath and,
Of your many letter being read at times;
But how are you feeling over there Milvian?
The future is like the evidence of things unseen,
And hope is the answer to your research;
But i am fresh out of space with my imaginations!
And i am not writing this poem for you.

Edward Kofi Louis
Mina

Look and see the sadness on my face!
But, whose laughter will be the next and the best?
Look! ! For your own eyes have seen this day and,
Your own body has tasted my love.

This was what i have been waiting for!
And, you are a true friend and a true lover;
But now, the day is over and i can see clearly now.

I am the king's son-in-law but,
Your negative act today had brought sadness on my face!
Nut, but, hut, cut, brut, rut, out, lout, clout, bout, about;
And like the City that has gates and bars.

Flout, rout, grout, gout, pout, tout, stout!
But, i have now found honour in your sight;
And, i am deeply moved towards your love.

Mina! !
There kerosene lamp is closer to you;
Lamp, camp, stamp, amp, ramp, cramp!
But, try to do what is best always in this life.

Tramp, clamp, damp, champ, vamp!
I have now seen it in your eyes;
But, this night has been defiled.

Edward Kofi Louis
Mina II

Mina, main, an, in, am, man;
Gold! !
985;
In the land of your muse,
But, i need to find my way through.

Life!
I'm flying away like a bird up high in the sky;
And, i don't know where i'm going!
However, one day, i will land somewhere in search of love.

Edward Kofi Louis
Mina 2

Mina, main, in, an, aim, am, a, man;
With the muse of life in the land of my joy!
Like two little birds singing together in my compound.

Man, main!
With the muse of the colours of the rainbow;
Up high in the sky to teach us the meaning of unity.

To seek for the truth!
To seek for peace and love;
But, let the doorkeeper first open the door for you to enter in.

Main, remain!
To have the laws of the truth;
And, to live with the truth.

Edward Kofi Louis
Minah

Minah, in, an, him, ham!
With a monumental embarrassment;
On an act of desperation taken too far! ! !
Similar with the way you kidnapped the other lady.
Gent, agent!
To disrupt the exercise with your acts;
Act, action!
With the muse of your negative works in the land;
As the police came after you.

Edward Kofi Louis
Mind Is At Rest

Is here!
Is there;
Mind is at rest;
Stay with me,
Be with me,
In this way;
Sent me,
And i will go.

Edward Kofi Louis
Mind, Remind, Find!

Wonderful works,
Beautiful works,
Structure, mixture!
Allegorically;
Birth and growth,
Peace and love,
Mind, remind, find!
The muse of life,
To go through it and,
To walk through it.

Edward Kofi Louis
Minded

Mine,
Mind,
Minded,
Binding oneself to an act;
The act of peace!
With the works of righteousness.

Edward Kofi Louis
Mindy

Worshiping dead bodies! 
And this is what i saw in the land of sadness; 
But the understanding of your muse is what i need, 
For you are Mindy in the land of plenty.

Edward Kofi Louis
Mine, Dine, Fine!

Mine, dine, fine!
Smiling faces,
Me and you,
Upon a new mountain! !
With the joy of our hearts,
Together;
Dreams,
Dreams of love!
Dreams of life,
Dreams of peace;
True love,
Vine, wine!
Tribe,
Vibe!
Clan,
Plan;
Together;
Me and you,
Sharing together,
Smiling faces!
With the muse of this love.

Edward Kofi Louis
Mine, Famine!

Lust, war, affliction;
Famine in the land,
As the people searched out day and night for survival!
The wickedness of war,
Mine, famine!
Destroying and killing.

Edward Kofi Louis
Miners' Ropes

Shaft,
Craft,
Raft,
Draft,
Miners' Ropes;
Suspended,
In search of gold,
Beneath the earth.

Edward Kofi Louis
Mines

Mines! !
Danger;
Watch your steps,
Before you lose one of your legs.

Edward Kofi Louis
Mingle

Dipped,
Dropped,
Dripped,
Single,
Mingle,
Load, toad, road!
Like a story,
With the muse of your works in the land.

Edward Kofi Louis
The law is burning and bombs are falling!
The earth mourns and fades aways but,
My true love will be with you always.

You are the accuser of our brothers,
You are accuser of our sisters,
You are the accuser of our fathers,
You are the accuser of our mothers,
And like the vine of the earth.

Of the sea of glass mingled with fire!
War in heaven and earth;
With many dead bodies already counted like,
The stones of a quarry.

Tribes, peoples, languages and nations;
Two wings of a great eagle flying over the planes of war,
But the blood of the dead are not needed as at now.

The length of half an hour,
The earth mourns and fades aways;
Destruction, destruction, destruction!
The torment of the scorpions are like the horses prepared for war.

The locusts came flying through the midst of heaven,
But the chariots of many failed to run;
For the battle is great and it is mingled with fire.

Of bombs dropping like water and,
People dying like falling sones;
But my true love will be with you aways.

Mining

Mining,
Timing,
Hiding,
To search for it,
Als to find it;
After the sweat!

Edward Kofi Louis
Minister Of Propaganda

Minister of Propaganda!

Afraid of your love;

A substantive change is required,

To be submissive!

With the joy of the things around.

The calendar of events!

With the muse of your life;

Living in a restless world! !

However, true love speaks from the heart.

Edward Kofi Louis
Ministering Spirits

Ministering spirits!
Sent forth;
Into the world,
By the Creator,
To teach all in peace and,
To reach out to all as they preach.

Edward Kofi Louis
Minivanni

These works,
With different meaning;
Telling you the truth and guiding you on,
For, you need to live by the laws.

I am Minivanni your friend talking to you,
But, always do watch and read the instructions of the signs before you! !
For, the road ahead needs these signs to guide you on;
And, the laws makes us a better person.

Edward Kofi Louis
Minna

Minna, in, an, am, Ann, Nima, Inn, main, man;
To the sea! !
With your love;
To the river! !
With your muse;
To the lake! !
With your mind;
And like the muse of joy in the land of peace.

In the forest!
At this place;
In the dark! !
Where, many birds have laid their eggs;
But, joy is it that, you always have peace in your land.

Love!
To meet your son as, the sun rises from the east;
In the horizon,
With your sweet muse!
But, joy is it that, you always have peace in your land.

Edward Kofi Louis
Minoru

Deep respect to the elderly men and women,
But real joy is by helping others;
And try to learn the trade from your father like Minoru my friend.

Edward Kofi Louis
Minott

Young lovers and young hearts,
Watch the stainless beds before you jump on top!
For, my name is Minott and,
I have the vibes of love prepared.
Watch what you do and,
Never fall prey to this negative society!
Because you have more to learn ahead of you.

Edward Kofi Louis
Minta

Nursing infants,
Yahweh will accomplish His promise to all;
So let your faith be strong and move on.

Minta my lover,
I am going into the forest of Hereth!
And, I will bring you positive message on my return,
For, the muse of your love is like the cave of Adullam.

Minta my lover,
life is like the dust at the threshing time!
But, people do quote false quotations from their fake Bilbles;
However, it is not easy to defend such people because,
They've already chosen the path they believe in.

Edward Kofi Louis
Mintah William

Sieve, believe, grieve;
And like the muse of 'Mintah William' in the land of my birth;
Succeed, proceed, seed, creed, heed, weed, breed!
With words of love and works of peace;
But, my mind is still on you.

Greed, reed, freed, treed, peed, need, deed, feed!
Searching around and looking for you;
But, i do hope to meet you one day,
For the muse of this village is all about the works of your people.

Edward Kofi Louis
Mintah Williams

Slaughter an animal and prepare it for us,
For i will eat together with you on this love;
Because, your love is now among the reeds.

Mintah Williams! !
I have been searching for you among the reeds;
And like the muse of love in the garden of peace,
But, i will one day find you.

My muse will bath in the Nile,
And my mind will take a mile!
But, it will take a while for us to meet;
Because, the woman conceived and gave birth to a son.

Received, conceived, deceived, perceived;
And, i do extend my regards to you all at home!
However, try to slaughter an animal and prepare it for us.

Edward Kofi Louis
Mintah Williams 2

Cedar and pine logs,
To sail across the ocean;

Mintah Williams!
Where are you now?

I have been searching for you,
Since we left school.

Maybe in Ghana; or, maybe, outside the country!
I am well and kicking,

In life;
Hope to meet you once again.

Love is the key about life!
However, life itself isn't straight always;

Hope to find you one day,
Mintah Williams.

Edward Kofi Louis
Minutes Before And Minutes After

The woman's side of the story,
The man's side of the story,
Peak, beak, leak, weak;
And like the minute before and the minute after,
But my homeland Africa is also your homeland!
So come and visit us to know more about us.

Edward Kofi Louis
Miracle

Miracle, oracle!
Upon the muse of love;
Miracle, lace, ace, race, iar, Ali, Mali, mile, rice!
But, soft and easy.
Life!
Nice and sweet;
Love!
Wet and romantic;
Of the village,
Of the town,
of the City,
Of the Country;
Knowing your steps as you move by,
And, to be very hopeful.

Edward Kofi Louis
Miracle, Oracle

Tears;
Disappointed in the ruling,
But, tomorrow is another day.

Miracle, oracle!
Upon the muse of love;
And, to overcome the shockwaves,
But, be straight in your life.

Edward Kofi Louis

Mixing them up,
Together;
Mirage! !
With the skyline of love

Edward Kofi Louis
Mirai

Mirai, iar, aim, ram, arm;
Hope needs care!
And, we have to move on with our lives.

Love touches the whole body and,
Beauty comes from the heart;
So, build your house with love and, be thankful in all things.

Let faith lead us on!
Because, we want to be;
But, others are ready to destroy the world! ! !

Edward Kofi Louis

To Miriam my lover i do give my respect;
Because, this muse of sweet love is reserved for her tonight.

And, with your courage.
Voyage,
Overworked,
Geometry,
Slip,
Top,
Age, voyage, page, stage, sage, wage! !
At Gilgo Beach;
Of the 51st Edition,
Nude, nudge!
Shaking,
Gathers,
Of the uppermost bough;
The concept of a wondering mind,
The concept of love and peace,
Express, expressed!
Like rats and bats,
One's, once!
Sleepless nights,
To the end,
The end of it,
Hard days,
At the end,

However you are not so important after all,
Because you failed to honour your promise! !

Miserable, lame, meal, bars, bears, bares, me, am, raise, ram rise, mire, male, arm, lie, ream;
Of the love that we shared when your muse was much noted to all!

However you are not so important after all,
Because you failed to honour your promise! !

Edward Kofi Louis
Vengeance!
Rage,
Hatred,
To practice iniquity;
War! !
Death and destruction,
Being miserable today.

Edward Kofi Louis

Miserable,
Destroyed;
Love and pain,
In the rain with your chain.

Acts!
Evil people;
Destroying the works of peace.

Edward Kofi Louis
Mismanagement

Mismanagement, man, meant, mean, as, eat, it, means, nag, men;
Better to be poor and a wise child than an old and foolish king or queen!
But the rain falls on us all on this earth.

Mismanagement, sin, gas, ten, nets, aims, tins, same, sage, gnats;
Better to do what is right always than what is wrong!
For the muse of love is all about care;
But the rain falls on us all on this earth.

Mismanagement, me, is, gin, in, Inn, tag, game, stain, gems, sea;
With boys and girls playing together in an open field till the night!
But the rains fall on us all on this earth.

Mismanagement, age, tea, team, steam, seam, ate, gain, an, ants;
With wars around us like no man's business!

With your beauty,
With your words,
With your love,
In the land of your birth.

Edward Kofi Louis
Missa

White flakes and blue flakes,
My name is Missa and i am looking for my lover;
But like the four spirits of the heavens,
Wrapped with a turban is what you should look for.

Four directions,  
Four positions,  
Four spirits,  
Mist, misdt!  
A river went out to water the garden;  
And to let the truth guide you on.

Edward Kofi Louis
I did not mistreated you nor lust for your love,
But you rather came in with tricks and slept with me;
Because you saw my hairy chest and was lost into the blues!
But I was your fortress in both day and night.
You came and slept with me and,
Your love melted through my heart like the new school boy!
So, what is my sin before you?

Edward Kofi Louis

By the rapist,
Destroying the life of the victim.

Edward Kofi Louis
Mitt

I can't believe it with my eyes!
But you did it with me;
Because you opened it for me to enter,
And I am called Mitt on this muse!
But in all things try to set yourself as an example,
And with righteous works always.

Edward Kofi Louis
It never worked out the way i wanted it to be,  
But, you've compelled me to love you;  
And, i am now consumed in your love!  
For, your craftiness took me in by deceit.

You took advantage of me! !  
But, i am Mittoo with my muse of love in your hook;  
However, smite the shepherd and, the sheep will be scattered!

Edward Kofi Louis
What you need in this life is at times always not what you want,
But I am Mival who wants to love you the more!
So be ready to take me to your home tonight.

Edward Kofi Louis
Miwata

Street soul rhythms,
Moving across with my mind;
And like the muse of the jungle fever in the ghettos! !
But, it's time for you to listen to the king's music,
Because, Miwata is now ready to dance for you.

Edward Kofi Louis
Mix and match!
Fix and watch,
To catch the act;
Patchwork.

Edward Kofi Louis

To fix up your work with imaginations;
Calm and safe,
Excellent with the muse of sweet love.

To be free from the pains of your past;
Meeting up with the right people today to lead you on,
Able to add your imaginations to it.

Mixed Feelings

The best kept secrets and the best kept facts,
Like the human race on the run;
Which is attributable to overexpose your personality.
Distressed with the mixed feelings,
Of the present time of things;
