And trying to make
This eternal life
Full of knowledge.

Gajanan Mishra
Guard The Garden

Control the monkey
The monkey is coming
Eat away and destroy
The bananas mangoes
And and etc etc
From your garden
Guard your mind
See not day dream
Control self
Manage self
Practice silence
Peace is in silence.

Gajanan Mishra
Guard Well

Guard well yourself,
Guard well, my dear,
You are the most beautiful creature.

Gajanan Mishra
Guard your own leaders,
Guard your own officers,
They are there to break
The laws, regulations,
For their self-interest,
At the cost of yours.
And the bad news is that
They are doing works
Not for you, but for
Fulfill their inhuman
Characteristics here
In your land, though
The take everything
From you for sustenance.

Gajanan Mishra
Guarding

I am the guard,
But guarding what,
That I know not.
I know, everything is
Passing from me
At every moment and
I am here dumb and deaf
And I am handless and
Footless here.
What you people think
That I know, but
What I shall do
I can't say you,
The life's truth.
The relation that has
No harmony, I have to
Keep against my will.
I have to satisfy all
Against all odds.
I have to devote my time
Without anything.
And you are there to
Torture me
At every moment and
I am to bear all.
I am confused who is
Cheating whom and
I know not the purpose
Of that cheating.
The wonder of the time
And the lifestyle.

Gajanan Mishra
Guards At My House

Two guards are there
At my house -
One is at night
Another is at day time.

I am within that house
That has ten doors
One is invisible
You can see nine.

I have so much wealth
That I cannot describe
If one is taking some
Thousands time it is returning.

So also unlimited my
Income and expenditure here.

Guest came and returned back
I am unlucky not able to know
And slept.

Guest came and returned back
I lost all the beauty and richness
That I have kept.

Guest came and returned back.

Gajanan Mishra
Guidance Should Be Proper

Guidance should be proper
Joke is not a matter.

Time and space are factors
Love and respect are to offer.

Real questions be answered
Unlimited be measured.

Darkness is to be seen
Forgotten memory is hereby screen.

Gajanan Mishra
Guide Me

Guide me my dear
What to do
What not to do.

On the platform of
Love and affection
It is the duty
To do one thing first
And other things later.

Sometimes one must
Take care of more than
One item of important
Business for the same purpose.

It is the truth that gives
Proper intuition to do.

Gajanan Mishra
Guide Me, My Dear

Guide me, my dear,
I want to go to you.
Tell me the truth
What to do
When and how.
I know
Everything is yours,
Including this house.

Gajanan Mishra
Guide To Heaven

Guide to heaven,
We need here
At present, men.
We live with time,
And the time
Divide us seven.
We know what is
Going to happen.
We are the integral
Parts o heaven.
We make ourselves
Clean in life's woven.

Gajanan Mishra
Guidelines

Guidelines?
For what?
For life?
For death?
Not needed.

If you
Want to live,
Live freely,
if you want
To die,
Go there.

But go not
Backward and pick
Not the word coward.

Gajanan Mishra
Guiding Force Is Circumstance

Guiding force is circumstances, my dear
As a teacher teaches his pupils alphabet
A B C in conformity with his standard
A wise man acts and behaves with a common
Man putting himself in that situation
As the wise man engrossed in the welfare
Of others
But my dear, do not be a slave of circumstances
Try to change the circumstances in your favour
Keeing in view general welfare.

Gajanan Mishra
Guilty

I do not want to be a guilty
I know guilt is insulting
rejecting and blaming
And being guilty
I am to go to hell
And I know desire is
The root cause of guilt
I do not want to do
Forbidden actions
I know default
I know sin
O my dear since you are
With me I am able to know
Good and bad
And I distinguished myself
As yours and I wish
To remained with you for ever.

Gyana asked and I answered
What he asked he could not know
What I answered I could not know.

I know road I know building
I know upstair and Gyana
Want to fly and there is no sky.

I have sky I have loved
I have surrendered
Gyana asked and I answered.

Gajanan Mishra
Ha Ha Ha!

Ha Ha Ha! !
This is our land,
If we are going to talk
in our language
we are to pay.

We are ordered to
pay the fine
as we are not able to
write in foreign language.

And the so called foreigners
are allowed to talk and
also to write in their language
free of cost.
Tell me who is a foreigner, my dear?

Gajanan Mishra
Haa Haa Hii Hii

Forget all types of laughing.
If you wish
smile yourself.

The night covered
with dark is true
who told you!
Kaniyara flower bloom
in daytime
and you loose fighting
who assured you!

Here talk is plenty
and everybody is free.

My body belongs to state

State is control by

Alas, No human dignity

Had The True Poet

Had the true poet
Been heard and read
And understood then
The problems of your
Life would not have
Existed now.

In the words of
True poets nectar
Flows - the stream
Of heaven.
No pain, no death
Can touch you.

The poet is the light
Of life in this world.

Gajanan Mishra
Haiku - Self

Self has no interest
What is done
What is not done.

Gajanan Mishra
Haiku- Action

Action is a must
Without action
No perfection.

Gajanan Mishra
Haiku- Attach

With something
With somebody
Being human being.

Gajanan Mishra
Haiku - Matter

Sentient or insentient
Realize the self
And enlightened.

Gajanan Mishra
Haiku- Realize

Haiku- Matter
Sentient or insentient
Realize the self
And enlightened.

Gajanan Mishra
Haiku-Activity

Haiku-Verb
Go is a verb
Stand is a verb
Both involve activity.

Gajanan Mishra
Haiku-Affinity

Either by any being
Or by any thing
No action performed.

Gajanan Mishra
Haiku-Attachment

Till attachment-
Non-performance of
An action
Is also an action.

Gajanan Mishra
Haiku-Touch

With my touch
Flower bloom and
It is your doom.

Gajanan Mishra
Haiku-Verb

Go is a verb
Stand is a verb
Both involve activity.

Gajanan Mishra
Haiku-Work

Right to work only
And not its fruits.

Gajanan Mishra
Hair-Cut

Ego-hair
Hair-ego
Cut soon
Or else
The hair
Cut you.

Hair's breadth
Razor -time
Life is

Use life
Beyond time.

Gajanan Mishra
Hairs Hairs

Black hairs white hairs
Standing hairs sleeping hairs
Curling hairs straight hairs
Short hairs long hairs
Dense hairs no hairs
But hairs and hairs
What do you mean by hairs
I am not asking my dear
Just for a hair you are
Watching this world
Two hairs makes a world
One white another black
One night another day
Only two hairs are with us
Making us full-fledged love
Hairs and love is but common
Love and life is but natural
Hairs are as natural and common
As you think the true object of
Meditation in the material
processes of elevation.

Gajanan Mishra
Hajichhi Basanta (Odia)

Gajanan Mishra
Half A Life

Half a life,
Half a sun,
Half a sky,
And in them
I want to live.

I want to live
With full breath.
I want to live
In true light.
I want to live
By the sea.

Half closed
The moon,
And the lagoon.

Gajanan Mishra
Half Life

Half life,
Half time,
Half living,
Half dark,
Half God,
Half truth.
And in all half
We are to twitter.
Friends worry not,
We are to get success.
Friends worry not,
The ruler will fall down.
Friends worry not
We are here to get our own sky.

Gajanan Mishra
Half Moon

Half moon I know
Is not yours
It is only mine
And I covered
The world
That does not have
Any link with
Half moon
And I declared
It is only mine.

Gajanan Mishra
Half Watered-Bottle

Look this bottle
There is half water
And it is half-full
But the bottle is full
Said the sage
How I asked and
He replied look
The bottle is full
With half air half water
Look and admit
I am not a cheater
The sage cleared.

Gajanan Mishra
Halfway

Why should I meet you halfway
I do not feel any dispute there
Between you and me.
I am in my home
You are in yours.
Be content with it
Do not interfere others.

Gajanan Mishra
Hall Mark Of Reality

Hall mark of reality,
And where is it?
I muse and confused.
I smile at my
Own profile.
All possibilities are there
In me and I am ready to
Bear all pain.
Here I am, see me,
Am I not innocent?
Let it be cleared
Before going to the doom.

Gajanan Mishra
Halt On Way

Halt on way
And see all
With your
Round eyes.

Here is your
Chariot - my body.
Test me
What I am
Doing here.

Am I committing
Any sin?
And what is a sin?
Am I not holy
As your part and parcel?

Gajanan Mishra
Hammer

Is poem not a hammer?
Are we the poets
Not striking a man
Through our poem?
We are trying to make a man
Live in peace and happily
With the power of truth
Honesty sincerity and
In good will
And we poets remain
Unshaken in all circumstances.
We the poets are acting
As a hammer.

Gajanan Mishra

Gajanan Mishra
Hand In Hand

Let us do something
For motherland,
For mother tongue
Hand in hand.
No one is here
Under the sun
Who can make us
Handicapped.
We have strength,
We can come out
From any situation
Since we receive powers
From our own earth,
From our own hearts.

Gajanan Mishra
Hand Is Seen

O my dear
Your hand is seen everywhere
And I am no where.

Gajanan Mishra
Hand Over

I hand myself
Over to you
It is you
To decide
What to do
I have nothing
To grumble.

Gajanan Mishra
Handful Of Real Paddy

I want a handful of real paddy,
I want words with real feeling of life,
I want not jugglery but real live poetry.

Gajanan Mishra
Handle with care
It is wealth matter
It is woman matter
It is speech matter.

If you are not there
With caution
Remember you are
Gone and gone.

Gajanan Mishra
Handling Wife

Handling wife with care
Enable you to win sky.
Without wife
You reach nowhere.
Good fortune showers
Go and catch
Sun and moon
Go and pluck.
I wish you
Best luck.

Gajanan Mishra
Handmade

I am the handmade
Of love,
I am the handmaid
Of truth.
I am here
Only in love,
I am here
To serve truth.
I am afraid to speak,
I am afraid to
Keep still as well.
See, I am smiling
And crying at
The same time here.

Gajanan Mishra
Hands

See, My God has no hands
And still I am fortunate
To have Him with me.

Gajanan Mishra
Hands And Feet

I am
Far from the sky.

As such
Neither the fire
Nor the water
Can touch me.

I am not on earth.

Is there any
Change in me?

I am rootless.

I am in me, see
I am in multiforms.

If you say in pleasing words
I will go forward with my hands and feet.

Gajanan Mishra
Hands, Legs, Eyes

Hands, legs, eyes,
Everywhere.

Come, come my dear,
With flowers, fruits
And water.

Go with air,
Go with ether
Fear not,
Nothing to fear.

I know,
You are in uniform,
You are also
In multiform.

Go not with blank-form.

Gajanan Mishra
Handsome

Handsome
You scribe
What is like
Failed to describe.

Desire not told
Wandering day
And night
Fruitless fight.

All alone
You know
Past present future
At a time let me show.

Gajanan Mishra
Hang Me

Hang me
If I am wrong.

I fear not death
I am following verse.

I am pure
See I surrendered.

Gajanan Mishra
Hang Them

Hang them.
They have no more right
To live in this society.

Hang them.
They are rapists
And they are sex abusers.

Hang them.
No mercy please,
They are attacking our creators.

Hang them.
Their actions are shameful
At home and at abroad.

Hang them.
They are the black spot of human race.

Gajanan Mishra
Hanged To Death

You are hanged to death
For murdering the girl
You are awarded life imprisonment
For raping the girl.

Gajanan Mishra
Hanging

I am hanging myself
In this air
Just fire the butterfly
The butterfly admitted
Guilty in airing
The messages to all.

Gajanan Mishra
Hanker Not

Hanker not
Hanker not for
Other's property
Childish hankering
Would take you to hell.

Desire not
Desire not wealth
Desire is a lust
This lust is short-lived
And defeated.

Don't give
Don't give trouble to others
If you trouble others
You would become a snake.

Gajanan Mishra
Hanker Not My Dear

Hanker not my dear
For anything.
Satisfied yourself
What you have
And attain peace
In your own life
And stay undisturbed
Like the ocean full with water.

Gajanan Mishra
Hankering

I am hankering for You
O my dear and for You
I am ready to come again
And again and again
With all sorrow.

You are my liberty
You are my fountain of justice
I am ready to stay with You
I am hankering for You
And my sorrow is no more.

Gajanan Mishra
Hankering For

Hankering for you,
As I know, you are
The truth of all truths.

Gajanan Mishra
Hans Raj Sharma

Hans Raj Sharma,
Dear poet, find life here,
But search not
Any answer and
Go not for
Any solution.

No need to go
Forward or
Backward, dear.
No need to
Open the door
Or no need to
Close anything.

Just live and
Enjoy, dear poet.
Live with all
Lights
And take water
From within.

You are your
Own canvas, flow.
You are your
Own source, dear,
Nothing difficult,
Achieve what
You want there.

Here I am,
If you so like
Keep contact
And get answers
And get satisfied.

Gajanan Mishra
Happens

Nothing is under
My control,
Everything is
Happening everywhere
On its own
I am a mere
Spectator only.

I am not independent always
That I know, and as such
I am unable to speak anything
In public or in private
And what I am speaking
That has great value
Relating to life and property.

Gajanan Mishra
Happiest

I am the happiest man,
Here unbid.
I am the endless sky,
Here unbid.
I am the moonlit vapour.
Here unbid.

And who you are I know well,
And what do you do here,
That I all know in this shell.
Hell to your actions I tell
And you my dear make me mad.

Let me thank you and call you
Giant clam for your mixture of
Colours yellow, red, green,
Blue, pink and brown.
I am the happiest with you
In deep water with my own
Life's multiple colours.

See me I am floating
In the sea and in the sky,
Though neither the sea not the sky
Able to catch me when I fly.
My journey is mine and in this journey
I have to find the reasons of
Being here a human being.

Gajanan Mishra
Happiness

Happiness is poison
When there is attachment
Happiness is nectar
When there is no attachment
Happiness is painful
When one rejoice by practice
Happiness is happiness
When there is no preconception.

Gajanan Mishra
Happiness - Best Color

Happiness - best color
Of Your life
Have it.

Happiness has its
Own color
Own perfumes.

The whole atmosphere
Is happy if I smile
And smile is there
Where there is happiness.

Self-consciousness is
The source of happiness
Happiness is in light
In spirit.

Gajanan Mishra
Happiness - Only A Myth

Only a myth,
Happiness.
Life - only wonder.
Home - just a dream.
And learning -
A lifelong process.
Time is nothing
But close the eyelids.

Gajanan Mishra
Happiness and distress
We experienced for
Our own activities
And let me reiterate,
We are responsible
For what we do.
For our own behavior
Not only we but all
Are here to suffer.
We know we are not here
To stay forever, for some
Moment we dwell together,
And the time changes chapter,
And we ourselves, the curator.

Gajanan Mishra
Happiness And Misery

Both are in me.

I am eating, see
I am your enemy
I am not eating
I am your friend.

I am here
On this same spot.

With no superior existence
With no superior position
I am not foolish
And I can not say I am pleased.

I am not in ignorance
But I am always full and perfect and blissful.

Gajanan Mishra
Happiness And Religion

My religion and my happiness is mine
And without humanity without the
Welfare of others it is pseudo happiness
That keep us in illusion.

Gajanan Mishra
Happiness And Sorrow

Happiness and sorrow
Auto-flow.
Death and profession
Not under chosen.
It needs no prove
When you are in group.
Nothing serve the purpose
If you get nervous.

Gajanan Mishra
Happiness Here

Happiness here
Means
Mirage in desert.

Value of this body
Means
Various diseases.

If you are to come
To right conclusion
You are to go above
The body and the happiness.

Gajanan Mishra
Happiness Is Attained

And what is happiness    
Is happiness really attained    
Through fame through truthfulness    
Through sense gratification    
Through self-control self-interest    
Peace opulence renunciation consumption    
Sacrifice penance charity vows    
Regulated duties that I    
Can't say, my dear but I say    
Happiness is within us we must search it out    
Though it differs from person to person    
And what is happiness best known to person concerned.

Gajanan Mishra
Happiness is limited,
Changing and perishable,
In this world.
I know and I pray,
Please take away my
Happiness and in return
Give your bliss.
I know your bliss is
Limitless, fathomless
And permanent.

Gajanan Mishra
Happiness Or Sorrow

I want both
Lack of one
Is lack of another
Union with both
Makes life beautiful.

In sorrow
I can lead
I can follow
In happiness
I hardly care
With both life rare.

Sorrow is with me
And I owe living
Happiness is dignity
And opportunity
That my duty to live
I need both.

Gajanan Mishra
Happiness To All

Doing good to all
Bring happiness to all
Is Godly works
Rectify the defects
Thinking good wishes
Is Godly works
To realize the Self
To speak and to hear
About God is Godly acts
Of an enlighten soul.

Gajanan Mishra
Happiness - What It Is

What is happiness
In this life?
And what is life?
To get love
Life is here, true.
But what is love?
And what is dear to us?
To get nearer to truth
Is love.
But what is the truth?
And who is going to
From where?
Who is alive
And how?

Gajanan Mishra
Happiness-Where Is At Present

Happiness-
Where is at present?
Where is prosperity
In heedlessness
In indolence,
In excessive sleep? ?
We are unconcerned
And detached ourselves
With the people-
The reason not known,
But the result is
Darkness in future.
All our actions are
Conducive to the downfall.

Gajanan Mishra
Happy and prosperous world
You are to write
An essay on this subject
You are to start your
Work to fulfill this object
You are to know all
The ingredients
And you are to show
All your talents.

Gajanan Mishra
Happy And Really Happy

Am I not happy with You, my dear?  
You are telling You are also  
Equally happy with me and  
This is the life and meaning  
Of living together.

Here there is no question of separation  
See, we both are here in the same position  
See, there is not dissension as before  
We are in union and we are beyond  
Any injunctions.

Gajanan Mishra
Happy Birth Day - Let Peace Be There Within You

Happy birth day-
Be peace be there
Within you.
Prosper and develop
Keep flowers and fruits
With you.
Keep all with good faith
Take humanity with you,
See others as you.
Love others and
Stay in truth.
Be peace be there
Within you.
Happy birth day to you.

Gajanan Mishra
Happy Birthday, Maya

Happy birthday, Maya,
You are still here
With us, and death
Failed touch you.
You are the voice,
Voice of each woman.
You are above all
Colours, caste, creed,
You are the angel indeed.
Maya, wherever you are,
You are in force,
You are a current
That can take humanity
In to heaven.

Gajanan Mishra
Happy Birth Day, My Dear

I wish You all the best
On this day,
I know, each and every day
Is a birth day, my dear
And let me wish with love
And with all devotion to You
And Your world of nectar.

Gajanan Mishra
Happy Birthday Sir, Namaskar.

Happy birthday sir, Namaskar,
How are you there?

Please explain sir,
What are you doing there,
And how you are
Celebrating birthday?

Tell me, sir, the meaning of
Birth and death here,
All are waiting for your answer.

Nothing is free and fair,
As we know sir.
And explain clearly
How you are going
With your journey!

The day is
Going to be closed,
Very soon.
And sir, as we know,
Nothing is new,
And nothing to be invented,
Or say nothing to be discovered.
As clarified
Nothing is here.

Anyway,
Let me wish a happy birthday.

Gajanan Mishra
Happy Birthday, My Dear Fiends!

Happy birthday, my dear friends,
To you all here.
Be free and fair
And engage yourself busy
For each other's welfare.
You are also requested to share
Your all happiness and despair.
Stay and wait and express yourself
Without fear and favor.
Life is yours and it is for you,
With all love and all truth.
Stay free, my dear friends,
And let me congratulate you
At every moment that you take a new turn,
With this earth's new birth.

Gajanan Mishra
Happy Combination

Happy combination
Is here
In pure devotion.

I know not
The name of
This region.

I am in Your
Association only
For all perfection.

Forget not
My dear, I am
With You in all condition.

Start the process
Of initiation and
Reach the destination.

Ours is a
Happy combination
We are in love and affection.

Gajanan Mishra
Happy Holi

Happy holi,
Father of greetings,
Essence of the spring,
Drops of life's nectar,
Marks of destruction of all evils,
Starting point of social activities
From the very roots.
Good wishes of life in togetherness.

Gajanan Mishra
Happy I Am

Happy I am, see me,
Here I am with my
Mother and I am
Talking and writing
In my mother language.
I am cooking my food,
And feeding my mother.
I am composing poems,
And make my mother listen.
More than this, I can't do
Anything, you may
Like or dislike.
But I am sure
I know the success path
Of life here.
I am sure, I'm
Not wasting my time,
And no one can find
Any disloyalty,
Any sinful deed,
Any roguery,
Any enmity,
In me.
I know I am
Never haughty,
Never speak ills of others,
Never covet another's, wife.
See me, I am happy and
Really happy.

Gajanan Mishra
Happy Mother's Day

Happy mother's day,
Read the best poems
My dear guys,
Everyday.
Mother is the best
In each one's life.
Mother is at the centre,
And the centre point
Of each one's life.
Mother is there to govern,
To give order
And to guide.
Mother and only mother is there
To think all our welfare always.

Gajanan Mishra

Gajanan Mishra
Happy New Year 2017

Let there be truth all over the world,
Let there be peace and stability everywhere.

I want no feeling of pain, no torture,
Let all creatures live here without fear.

Let there be a feeling of all brotherhood,
I want all should know and keep in mind,
That there is one air, one water, one sky,
One earth and one light for all, all are
The product of the same components of nature.

All are one and the same with all freedom,
Let there be no discrimination in our words
Or in our works at any time anywhere.
We are all one living and staying at different
Parts of the world with various forms or colors, though.

Gajanan Mishra
Happy Raksha Bandhan

We connect each other
Through this sacred thread.
And we celebrate
Our bonds between
Brothers and sisters.
Love and truth and life
All are here with us
And we feel world pleasure.

Gajanan Mishra
I am happy with myself
See I am smiling before all.
Smiling before all does not mean
I am happy you said rightly.
And what you said I agree
Do not take in to granted.
And what you granted that is there
I am not telling by beat of drum.

Gajanan Mishra
Happy World

You are in the happy world
Of the righteous, mind it,
With faith and without cynicism,
You are great, and you are brave.

Gajanan Mishra
Hard Poetry And Gentle Poetry

Two types -
Hard and gentle,
Let me tell you
Both are needed
For truth.
Salt and sugar,
Sweet and sour,
Taste all
On life's shore.
Suck life
With breast,
Care not,
Poison or nectar.
Nothing to suffer,
All are here
Only mother.
All appear
With time factor,
Color and cooler.

Gajanan Mishra
Hard Strike

Strike hard,
Hard strike is
But a necessity.
And for this
You are to
Maintain unity.
Keep solidarity
For humanity.

Gajanan Mishra
Hard Time

Really hard time
For all.
Time is not hard,
But it is our thoughts.
Take easy
And march forward.

Not at all endless
Or fruitless, dear,
Your labor.
But sit in judgement,
And sit tight
Where you are.

You are allowed
To play with your sitar.

Gajanan Mishra
Hard Work

Work work and hard work and there is
Nothing that substitute hard work.

Dedication and determination
Are the primary concern.

Do you want to drink the ocean?
Do you want to crumble the mountain?

Go on go on and on on
Go on doing your duty doing and doing
That are worth doing.

Gajanan Mishra
Harder To Enjoy At Home

Home, home, sweet home
I have read from my
Very childhood,
But I feel it is
Harder to enjoy at home.
Life is very very beautiful
And enjoyable I heard,
But I find- hard
Is the life of the recluse
And harder to enjoy discipline.
All are selfish I experienced,
And hence it is painful
To live with others, it is
Also painful to be a solitary wanderer.

Gajanan Mishra
Hardly I
Hardly I talked
Hardly I reached
I know public place
Is not for public
I know public office
Is not for public
Issues are useless
I know no issue framed
To settled dispute
I know nothing formality
Maintained and public looted
I know no mind applied
For public welfare
And they are voted.

Gajanan Mishra
Hardly One

Hardly one
is honest here.
Hardly one
is able to know
his/her own mother.
Hardly one
is able to write
and read in his
own mother-tongue.
Still i love all,
I love all as because
They are the sons and
daughters of my own earth,
And our compositions are the same.

Gajanan Mishra
Hare Rama Hare Rama
Rama Rama Hare Hare
Today is Rama's birth day.
Hare Rama Hare Rama
Rama Rama Hare Hare
Chaitra Sukla Navami
Victory of Truth
Defeat of falsehood.

Hare Krishna Hare Krishna
Krishna Krishna Hare Hare
Attraction is here with
Name and fame
Do not do evil works
And do not put yourself
In shame.

Hare Rama Hare Rama
Rama Rama Hare Hare
Hare Krishna Hare Krishna
Krishna Krishna Hare Hare
We all are here brothers
And sisters
The earth is our mother
The sky is our father
We are for each others
Love and affections only features.

Gajanan Mishra
Hare, O Hare

Hare, O hare! what are you doing there?
This world is yours and here you are
looking so fair. In this world
You are not a mini creature but you have to
share so many things with others, take care.
Hare, O hare, You are there, in this world-fare
Go on looking pleasures all around,
I know, you are not a coward, and for this I desire
To give you reward at this hours in open bazar.

bazar = market

Gajanan Mishra
Harijan

If you utter the word harijan
You would be prosecuted.
How you dare to takeaway
Their lands, their houses
Their foods and clothings
It invites atrocities.
Provide them proper education
Provide them medical facilities
Provide them eyes and ears
Open their doors and windows
Let them assess the world
That it is theirs.

Gajanan Mishra
Harm No One

And be in the mode of
Unalloyed goodness.
You are always qualified
I know and there is no
Difference between us.

Gajanan Mishra
Harm Not Others

And attain happiness.

No terrible violence
Against innocents.

Associate with truth
With reality and be purified.

Give respect to all
And prosper, my dear.

Gajanan Mishra
Harm Not Others And Love All

Harm not others
And attain happiness.

No terrible violence
Against innocents.

Associate with truth
With reality and be purified.

Give respect to all
And prosper, my dear.

Gajanan Mishra
Harness Real Potential

Harness real potential
Utilised energy effectively.
Austerity drive not advisable
Austerity drive opposite of growth
Mind it, austerity is
Not inevitable.

Gajanan Mishra
Harsh Words

Do not utter
It is not good
You have no right
To utter harsh words
It is contrary to
Love and affection
Contrary to law of nature.

Gajanan Mishra
Harshness

Harshness,
Harshness is arrogant air
That is within us,
It is selfish motive of a man,
And the man wants to fulfill
His desire by fair means or foul,
And the man care not
The trouble of others,
And man lives with harshness
In his mind speech body and behavior.
And due to harshness the man
Commits violence, without
Thinking consequences,
Man is cruel by nature and no serenity is there.

Gajanan Mishra
Has Not The Sea

Has not the sea
Taken me deep?
But is it able to
Show me the depth?

Is there really
Ups and downs in life?
Am I not showing all,
Not one but two eyes?

What is not there
In till?
Am I not good enough
To tie the knot with the sky?

Gajanan Mishra
Hasa Aau Kara Prema Aau Bancha

Hasatie- Iswarank a dana,
Hasatie- jibanara srota.

on dated 29th Sept.2013)

Trans-creation in English -

While smiling the sun
In this desert, see the emotion-relation.

Let me go you are telling
And telling I have no desire to play.

Moments passed
Cut the wings still play is on.

You are busy for nothing
Nothing still but having warm-blooded.

No relation no love it is far
No cloud but the sun is there.
Not more, only this much
Who knows what is written to know.

Gajanan Mishra
Hata Goda Jadi Dekhi Parante (Odia)

Hata goda jadi dekhi parante,
Aame thaante asubidhare.

Gajanan Mishra
Hatare Tela Lagaidia (Odiaa)

Hatare tela ghasi dia, priya,
Panasa katiba purbaru.
Ghabreiba karana nahin
jadi basana dhoiba pare
Uli gandha aasuchi.

Gajanan Mishra
Hate A Man

Love a woman
If you want them
Pure and perfect.

Gajanan Mishra
Hate And Hatred

Both are love- 
Hate and hatred, 
Love in secret. 
But go not 
With my dear, 
Be transparent 
And open. 
Secrecy is in 
No way good. 
Keep closer 
To the earth 
And observe life 
Here and there.

Gajanan Mishra
Hate Is

Hate hate hate
Hate is
Not the opposite
Of love
Let it be cleared.

I hate you
Means I do not
Love you think not
I hate you I hate you
Meaning not cleared
So far as I have
Not uttered.

Hate is not the truth
So also love
Mind it love is
No way related to hate.

Gajanan Mishra
Hate Me, If You So Like

Hate me if you so like,
But I am not here
To giver personal benefits
To anyone at the cost of
Others living here.

You may say anything you like,
You may take any step
Against me, but I am
The last one to support you
Remember, for truth.

Still, I am with you,
And protecting you
Till the last
For the sake of love.

Gajanan Mishra
Hatred And Anger

Hatred and anger
Destroy us, dear.
No more violence,
If we want peace
And progress.

Love and dreams
Give us scope
To rise and rise.
No more fall,
No dust no clouds,
We are here to
Drive all demons out.

But who is a demon?
Definitely, I can say
Not yet decided by any
Institution and any person
In a common forum
Unanimously and gained
The faith of all communities.

Anyway, it is agreed,
By love and with
All truthfulness
One can win all
In this life
And the life next and next.

Gajanan Mishra
Hatred Or Enmity

Does not matter
It is the thinking
On Almighty God
That matters.

Winter or summer
Does not matter
It is the bathing
In the Ganges
That is rewarding.

Gajanan Mishra
Hatred, Hostility And Violence

Hurdles and impediments
To development,
Hatred, hostility, and violence,
Chaos and anarchy
In society.
And we suffer
Only for a bicycle,
We recognize not
The raw and restless energy.
We are unconcerned
About our own strength.
We are so careless
We have forgotten
What we are doing at this time.

Gajanan Mishra
Have A Clear Understanding

Have a clear understanding,
That nothing is ours.
But everything is for us,
And we are here to take care.

Gajanan Mishra
Have A Clear Understanding Of This World

Have a clear understanding first, my dear,
And see life as it is and where and how you are.
No personal motivated interpretations, please.
No personal propaganda, remember,
Nothing is personal here and remember,
You are for all, and all are for you.
You are the truth and truth has no personal interest.
Have a clear understanding of this world, my dear.

Gajanan Mishra
Have A Feeling

Have a feeling
For the welfare of
All beings
And there is
No limit of the feeling
No limit of service
And realize
The unlimited essence.

But over yourself
Over your own life-breath
And over your own mind
And illuminate yourself
Like the shining sun.

With all kindness,
With all pure air
And sanctified water.

All good to fulfill
Your desire for good.

Well qualified men.
Life is nectar
With kind words and
Affectionate dealings.
Satisfy by sumptuous food
And charity, and go
With pious activities.

Gajanan Mishra
Have A Superior Taste

Have a superior taste, my dear
I wish you all the best.

Here I am with you
I know this world is
To do truthful work
And not to take rest.

Have a superior taste, my dear
I wish you all the best.

Day and night
Sorrow and joy are the circle
We are to go through that.

Nothing to worry my dear
I am here always
To show you the road
That is all clear.

Go to the nature my dear
Nothing is higher there
Nothing is lower.

Fear not anybody
I am here
O my dearest dear.

Gajanan Mishra
Have A Taste

Have a taste
King's cake is here
Our king is
The king of good times
So-called corrupt free
Dinner per plate
8000 Indian rupees
India is a poor and
Developing country
And here nothing is expensive.

Come and have a taste
This is king's cake
If you are not in
Corruptions and scams
It is not for you.

You have right to live
You have right to privacy
You have right to live with dignity
Wrongs of the right
And see cancer has
Already attacked our
Body politic.

Gajanan Mishra
Have A Tea

Please come and have a tea
We all are the fruits of the same tree.

The flowers look beautiful in the tree only
You can enjoy it.

I am a fruit of this world
I am a flower of this world
You are to choose what to do with me.

Gajanan Mishra
Have An Idea

Have an idea, my dear,
How beautiful you are.
Let not any evil thought
And mean words come out
From the truth
Of your beauty.

Gajanan Mishra
Have Concept

Have concept of yourself
And care what you look like.

Squeeze not
Demarcate not
Be not a thing of fun.

Gajanan Mishra

And come, I am here.

Gajanan Mishra
Have Full Knowledge Of

Everything, my dear
Have full knowledge
In perfection
Have full knowledge
About the earth
And the seas
Remember, knowledge
Rules the world.

You are the first born
You are the emperor
You are the only one
Un-comparable and
Distinguished in this
Earthly heaven
O my dear, Remember
You are in this position
Only for a woman
Reserved everything
You have for the woman
A woman is first
For the woman
You are in this world.

Gajanan Mishra
Have I Forgotten?

Have I forgotten
My aim?
And
Who am I?
Forgetfulness is
My nature, I do admit.
What is really
My aim?
And where from
I came?
Have I forgotten
My aim?
Why should I say
I am what I am?

Gajanan Mishra
Have I No Right

Have I no right
Over my language,
Am I not free
To use it
On my homeland? ?

Who you are
And why should I
Care for you,
Since you are
Going away
From the truth? ?

Are you good
And why are you
So anxious on my
Lifestyle? ?

Leave me here,
Let me stay
Without fear
Or favor.

Gajanan Mishra
Have I Wings?

Have I wings?  
If yes, let me fly to the sun  
To tell stop there at least  
For us.

Have I wings?  
If no, let me tell the tree  
To grow further and further  
To cover up the sun.

Listening to my questions,  
See, the clouds are there  
Doing something in groups.  
Why should I fear?

With great delight see me,  
I am busy in composing poetry.

Gajanan Mishra
Have Notice Me

Have you notice me
Before passing anything
Against me?
And without understanding
Anything you have give me
Punishment and it is illegal.
It is your duty to
Understand the truth first
And then you are to decide
To love or to hate.
I have came here only
For you, my dear,
You are here, to understand me
And provide me proper scope
To do anything fruitful
For the welfare of all.

Gajanan Mishra
Have Nots

Nobody cares have nots
Planning budget laws
Order judgement
All are for
Welfare of have nots
All aim at development
No body cares have nots
Have nots are only have nots.

Gajanan Mishra
Have Others' Interest

Have others' interest
At heart and
Attain everything.
In this life
Of loveliness
Nothing is wanting.

Nothing is wanting, see
And search what you desire
And get it instant.
O my dear, I know who You are
I am here only for You
And You are within me.

Gajanan Mishra
Have Patience

Have patience my dear
Let me remind you
You are not the swans
And you should not change
Your base too often
You must stay back
And face the hardship
With courage
Let me remind you
A man with footloose
Makes no progress.

Gajanan Mishra
Have Patience Like The Earth

have patience like the earth,
Live life like the wind,
Give nectar like the moon,
Clean and purify others like water.

Gajanan Mishra
Have Sweet Voice, Please

Have sweet voice, please,
And honour the guests.
Give gifts and donations
To the distressed and
The learned, please,
And stay happily in
Your own house,
That is your heaven.

Gajanan Mishra
Have You A Heart

Have you a heart?
Your body is not yours
That I know. If you
Are in doubt, clear it.

The message sent by
This tree is not opened
And all are waiting for that.

Sad to say
Confession you made
In the dream last.

What was there in emotion,
Emotion is only emotion
That is in the deep ocean.
Heart immersed and then all cleared.

Gajanan Mishra
Have You Any Business

Have You any business here
That I inquired
For the welfare of all.

It is my business to create
It is your business to destroy
The whole episode I enjoy.

Vibrations of chirping birds
That is disturbing me
While I am traveling on the sea shore.

Life itself is a beautiful garden
As you see yourself with the trees of
Sweet fruits medical plants and fragrant flowers.

All are pious livings and non-livings
And You are doing Your business
With the eternal associates for pleasures.

Gajanan Mishra
Have You Any Right

Have you any right to comment
On my writing, not knowing
Who am I and what for I am writing?
And why should you know me -
Another angle of my writing
That you should know from the very beginning.

You are slaying yourself
And why are you slaying
That I want to ask you
Knowing fully well your status.

You are keeping carefully
all the pairs of opposites with you
and converting all action into inaction
And I am witnessing here, my dear, with pleasure.

Gajanan Mishra
Have You Anything

Have you anything.
Anything to express,
Anything to consume,
Anything to offer? ?
I am here, see here,
Only to show you life,
To enable you to
Proceed ahead in dark.
I need you and you are
Present here at this time,
It is you to carry
My order and do all
Sorts of business for me,
No difference between you and I.

Gajanan Mishra
Have You Caught The Truth?

Have you caught the truth
Anywhere at any time?
If yes, how?
If no, what for?
Is the world false?
And what about you?
Is there any meaning of
Bad and good?
Who you are and
And where you are?
See the rays of the sun
And try to answer.
If you are not able,
Give a chance to the star.

Gajanan Mishra
Have You Heard?

Have you heard?
Have you heard something
the decision of the eternity?

Have you seen?
Have you seen the sketch
of the sky within this body?

Think a while
Think about this again and again
and say not there is a limit.

If you are going to speak something,
Speak, knowing fully well your
power and capacity.
Please keep in mind
you are there with the wind.

Gajanan Mishra
Have You Lost Your Ways?

Have you lost your ways?
Ways that are going on
Through falsehood, theft
And violence and bloodshed!
If it is a fact,
It is well and good.
Go on doing your works, my dear,
As sanctioned by the scriptures.

Gajanan Mishra
Have You Read Poems?

Have you read my poems?
If yes, let me ask
Have you given your views?
Have you left your comment?
If no, I must say
You have lost so much already
That I have written for you,
And you have forgotten to read.
Let me say and pray to
Read and read my poems
And come closer to me
And also to the world you belong.

Gajanan Mishra
Have You Seen My Greedy Eyes

Have you seen my greedy eyes in your Kadamba tree?
Within your all-embracing arms I am feeling free.

I have remembered everything but I failed to express myself,
I am wandering in your forest and still I am fearless.

I am reflecting everything in my poems from time to time,
How the water and the fire are playing within the body.

Being the controller of everything you know everybody,
I remembered all arts all cultures while composing poems.

I know the movement of the body and the mind that have a link with you without any interruption from anywhere.

It is right you are the creator of all happiness and all sorrows and all universes with good faith and trust.

The fire in my veins are yours that is mystery
I am going on creating you my dear in my own way and you agree.

Gajanan Mishra
Have You Seen The Truth

Have you seen the Truth, my dear
I am sure. the truth is within You.
Within You there is everything
And in that everything is contaminating.
All stories and fables are really true
And You are my dear the other name of Truth.

Gajanan Mishra
Have You Tasted

Have you tasted life
I am sure you do agree
Life the sweetest
Life is the sweet-tasting
Sweet-smelling fruit
Everyone is eager to
Smell the fragrance of life
But have patience, my dear
And bear others
It is for all
It is for the welfare of all
Pleased others with your
Sweetness and nectar
That is the motto of almighty nature.

Gajanan Mishra
Haves And Havenots

Haves and havenots
Are here and
All are the same
And all are going
On the path of death.
All are eating and sleeping
And all are interested
In the act of copulating.
Question is
How they are drinking
In the midst of the meeting.
It is dangerous fire there
It is all poison-air there
Day and nights busy in fair.

Gajanan Mishra
Having Affinity With You

Having affinity with You, O my dear
I am getting nectar.

No sorrow is here, my dear
Deep dark night is broad day light
And bright and clear.

I am unconcerned and detached
As You are here as from You truth appeared.

Gajanan Mishra
Having Been Born

Having been born here
I am attracted by You.

I dare not disrespect
Anyone here, I know,
Everyone is You Yourself.

I am not a selfish man, see,
I realized virtue is
In doing good of others.

Having been born here,
My dear, I am grateful to You.

I feel for the need of You
O my dear, I know my importance
Is nil and my importance depends
On its good use for You.

Gajanan Mishra
Having Decided

Having decided
O my dear
I came to You
To see to fly
And You in return
Vacated the seat
Meant for me
During this time
And You know
I am exclusively
Dependent on You
O my dear
I again and yet
Again came to You.

Gajanan Mishra
Having No Name

Having no name -
Good.
Appear and disappear
In any form -
No matter,
Ecstatic, though.
Activities -
Beyond descriptions.
Potencies -
Perfect.
And I see
The world all
Attractive always
With flavor and color.

Gajanan Mishra
Having No Other Motive

Having no other motive
I am calling You
Without any objective
I am calling You
And I am calling only
For the sake of calling
You please understand
My heart my mind and my view.

Gajanan Mishra
Havoc

To cry havoc
Is going for
Self destruction.

You know it is
Haven for all
Not necessary any call.

To make hay
While the sun shines
Is a good sign.

Catch not birds
By means of hawk
It's gross blunders.

Gajanan Mishra
Hawker came
Said nothing
As we are here
For life imprisonment
Our fault is
We are human.

We are human
With so many
Hurdles
Our problem is
We are unable to
Crossed.

Crossing the bar
Is not a joke
Said the hawker
At last and
Left us.

Life is really
Costlier
No help line is
Also there
What are there
Just blank fire.

Gajanan Mishra
Hay Fever

Hay fever is
Here, there.
And dust we see
Here, there.
Dust is our life.
We enjoy the dust
In both night
And days,
That is present
With us and
That is absent
Here, there.
Dust we see are
Formless and with form.

Gajanan Mishra
He Appeared

He appeared
We could not see
It is not that
We have no eyes.

He displays
Everything here
We could not catch
His ears.

He appeared
Without legs
Take away all
With no hands.

Our hands our legs
Our ears our eyes
Are of no use
If He made fuzz.

Gajanan Mishra
He Calls Me

To accept him
He calls all
And no one turns up
Towards him.

What is there in,
No one knows and yet
Life proceeds on.

He calls me every day
On the issues
Best known to him only.

Someone says
Conspiracy charge
Against human being
And all agree.

Gajanan Mishra
He came,
But said nothing
And returned back,
But took nothing.

He came and
Returned back,
But learned nothing,
Said - nothing to learn.

Gajanan Mishra
He Hanged Himself

He hanged himself,
With the help of
Electric wire due to
Inadequate rainfall.

He consumed
Pesticide after
His wife
Deserted him.

Gajanan Mishra
He has said
About his dream
And the dream is
Related to life.
Actually where is life
He was searching
Everywhere including
In water and air.
When he was in prayer
And was on line
There was a question
Who was he
And what was his intention
Hearing all he remained silent.
Dream was not there
But he was there with his friends,
The friends were giving him
Advice to leave the place
But the place was holding him
With the reasons
Not known to him.

Gajanan Mishra
He Is A Poet

He is a poet-
Ramakanta Rath.
And I find him
Everywhere in
Water, in air,
In the sky
And on this earth.
Ramakanta Rath is
Busy always
To bring light.
Where is the light?
And where is
Ramakanta Rath?
I wonder and
Wonder.
Ramakanta Rath
Came to me
Last night
In my dream
But said nothing.
Ramakanta Rath
Was in terrible hunger,
Ramakanta Rath
Was crying.
But the night
With its marble words
Kept him in safe-custody.
I wander here, there,
But Ramakanta Rath
Was not there
But he is here
As you see in words
That are not ours.

Gajanan Mishra
He Is Both

He is both
Auspicious and
Inauspicious
He is in our thought
He is our thought
Absorbed in Him
He is beyond all doubts
Who is He
It is your You.

Gajanan Mishra
He is my enemy,
Let him die.
He is my friend,
I am here to support him.
He is neither my enemy
Nor my friend,
Let him go where he likes,
I have nothing to do.
I know, no line is true,
And I personally no way
Connected with all- true.
True, I am hungry,
Let me take food,
Thirst is there in me,
I need not water
But something else,
And what is that
I am not in a position
To express to you.
I want to live and
I want more and more,
But for what that
I can't say,
Goodbye.

Gajanan Mishra
He Is The Divine Man

He is the divine man
His thought word and deed
Is nonviolence, truthful
Free from anger
Disclaimer of doership
He abstain from slander
Compassion towards all
He is detached
He has sublimity
Forgiveness fortitude
External and internal purity
Bearing enmity to none
He is divine.

Gajanan Mishra
He Is There

He is there
as before.
And who is he
You are giving
so much importance.

Much water has
flown by this time.
And he is there
as before.

And who is he
that you are giving
so much importance.
I failed to understand
when the leopard change the spot.

Gajanan Mishra
He Means To Say

He means to say
He is dying.
And he is free
And incurs no sin.

Doership is extinct,
Only light is there.
Act of killing is no more,
But death is sure.

Gajanan Mishra
He Who Himself

He who himself
Does not translate righteousness
In to practice
Has no right to preach
Righteousness to others.

Gajanan Mishra
Head And Tail

Where is head and where is tail
What is the cause and what is the effect
That I know not my dear, but I know
I am here with You with all immortality,
I know I am moving and I am also not moving,
I have manifested in the form of the world,
I am the being and the non-being
It is I who is the creator and the destroyer,
O my dear, I am the food and I am also the eater.

Gajanan Mishra
Headache

I care not
The headache.
Headache is there
To disturb me
As you see.
But the headache
Knows not
I am not that person
Who could stop
His voyage
Due to this.
I left the headache
In its place
And proceed ahead.

I am not telling,
Headache is my fate.
I am not telling
Due to headache
I am unable to proceed.
Rather I say,
It is due to this
I stood first
In all competitions.
You may believe or not,
But I myself is
The headache for me.
And as such I
Put myself away from all odds.

Gajanan Mishra
Healing Touch

Give me doctor
A healing touch, please.
See, I am suffering
From nothing, but
I am in need of
Some lovely words
From my near and dear
That is not there with me.
No intolerance is there
That I know doctor,
But I cannot afford
You leaving.
Doctor, give me sometime,
And to test myself, allow me.

Gajanan Mishra
Health

Health is yours
Happiness is yours.

World is yours
Peace is yours.

Keep them intact
Stay perfect.

You are present
Bright future is giving consent.

Learn to live, my dear
Without fear and favor.

Gajanan Mishra
Health And Disease

Health and disease
Both have a link with food.
And we have a link
With both in default.

We know not what to take
How to take and when to take.
But we know we need warmth
And we need energy.

We want long life
And we need good food
With required quantity
Not too much not little.

Food, food and food,
Just forget and miss the next.

Gajanan Mishra
Health Deteriorated

Health deteriorated and nobody care it.
And we say health is wealth.
The health worker the doctor all paid
And the patients died
And all are apathetic towards health.

In this Hitech age cholera measeales
Malaria are the cause of our death.
Common man died due to diseases
Died due to hunger due to neglect
By our own man and we all remain silent.

Gajanan Mishra
Healthy Body

Healthy body
And delighted mind.
See everything fine.

Be humble
And serve others
You are most beautiful, my dear.

Have with you
Patience and self-satisfaction
You are the great - my recognition.

Gajanan Mishra
Hear

You have a fine
Pair of ears
Hear me.

You have a beautiful
pair of eyes
See me.

You have a strong
Pair of legs
Come to me.

You have a suitable
Pair of hands
Work for me

You have a life
Full of nectar
Enjoy it.

Gajanan Mishra
Hear All

I want to hear all,
Tell me all clear.

You are the one
And only one
With me forever.

But I want to
Listen to you,
About all truth.

And the truth is
We are nothing.
The truth is
We are dying.
The truth is
We have no time
For each other.

No one is
There at upper,
No one is
At lower.
Yet each one
Is the perfect
Soldier.

In air,
In water.
No fear,
We are all
Together.

Gajanan Mishra
Hear and enjoy
What I am telling.
Hearing is really
Important for
The attraction of
Pleasure.
Hear, hearing is
Important as well
In the discipline
Of knowledge and
Devotion for
Spiritual progress.
Hear, what I am telling
And go on scaling.

Gajanan Mishra
Hear And Let Me Hear

Hear and
Let me hear
The sound
That are here.

I am
The right person,
Stay attention.

I know the truth,
As far as my attention.

Learn,
What you earn.
Earn,
What you learn.

Visualise the things
That you realised.

Ears and eyes
Are here, in association with
The alternative I.

I know the source,
Source of all,
That is there
In black and white.

Black and white
Are the creator
That are here
With the sound
That is so clear.

Gajanan Mishra
Hear From Me

I am here to speak,
You are there to hear.
Let me speak the truth,
My speech is based on
Truth and only truth,
That is good for all
And for you.

Gajanan Mishra
Hear Me

Hearing me
Hearing about me
Is the same.

I am dwelling
In you
And you are
Non other than
I.

Gajanan Mishra
Hear Me - I Am Afraid

I am afraid here,
Hear me, I am
Telling you everything
Without uttering
Words.
I may be heard
In silence.

Gajanan Mishra
Hear Me - I Am Telling

Hear me,
I am telling about fear
and fear is in you, I know,
as you are causing harm to you
and also to others.
See me,
I am fearless,
no fear is in me,
the reason is
I am telling and
doing everything
for the welfare of all.
I know the truth
I know what ought to be done.

Gajanan Mishra
Hear me patiently
I am here only.
Only for you
And you are there
Only for me
That I know.
Hear me patiently
There none here
Besides you.
Hear me patiently
And I am uttering
No word, hear.
O my dear, you are
My father and my mother,
And my friend and my guide
And my teacher.

Gajanan Mishra
Hear My Dear

Hear, hear my dear,
The words of hunger.
Hear, and see
How you are eager,
Eager to cross the border.
The border is here
within you, and it is clear.

Gajanan Mishra
Hear My Poems

Hear my poems,
With a volume more.
It is with the youtube,
Watch me there
And left your mark
Therein as a proper
Watcher and hearer.
Everything is there
In my poems, collect
That are necessary
For you and use it
At required time.

Gajanan Mishra
Hear Not

Hear not anything
From anybody
If you are interested
To hear say not
Say not anything in reply
If you are going to reply
Remember, there is danger.

And there is danger
If you are going to do
Some impractical deeds
With you without any
Consultation from seniors
And seniors are those
Who are truthful and can guide
You for future course of actions.

Hear, hear all
If you have ears
But hear only the truth
If you hear other than truth
Remember, there is danger
If you desire to go far away
From danger then love, love all
Without expecting anything, true love.

Gajanan Mishra
Hear Not Against The Truth

Hear not against the truth, my dear 
Hear not against the truth.

Truth is truth and it is hard to hear 
Truth is truth and it is not false.

It is truth and don't revile 
And if you hear against the truth 
Be ready to reap your own sin 
Be ready to repent soon.

Go with truth only 
Don't stay there where 
There is no truth 
You should close your eyes 
And close your ears, my dear 
Where there is no truth.

Gajanan Mishra
Hear Not Criticism

Hear not criticism,
To criticize others is
The nature of people here.

Gajanan Mishra
Hear Others

Experiment with fruits
Not advisable.
Hear others
And have patience.

Gajanan Mishra
Hear The Flute

Hear the flute
Hear the ocean
See the war
See family partition
Face the sky
Face the fly
All that you know
Are to catch
And I failed
To fetch.

Gajanan Mishra
Hear The Inner Voice

Hear the inner voice, my dear,
And do justice to yourself.

Gajanan Mishra
Hear The Morning Song Of The Sun

Hear and listen
The morning song
of the sun.
Go and run
With the wind,
Catch and find
There it is calling
The klonely bell
Of the church.
There on the bank
Of the river
I discover you
My dear, with the tears
of the dew.

Gajanan Mishra
Hear The Poet

Do not recognized by sight
Recognized by hearing
Hear the poet
Failing which
You are at loss
Outwardly one may
Appeared retarded
Dumb mad man
In fact he is most
Elevated transcendental
Personality.

Gajanan Mishra
Hear the poet
The poet is speaking in a great voice
That is very beautiful
Full of metaphorical language
Understandable and very pleasing to hear.

Hear the poet
The words of the poet are all grave and certain
It appears the poet is expressing his personal
Realization of Absolute Truth for the benefit of all
That are glorious in all respect.

Gajanan Mishra
Hear The Sounds

Hear the sounds of Holy name
O my dear, and take its
Advantage and be free
From all threatening
Problems of material existence.

Gajanan Mishra
Hear the stories,
That are about
The dead.
Are you not dead?

Have you got
Any natural love
For truth?

I know not,
But I know,
You are
Still, here.

Cultured,
Educated
And awakened!

Gajanan Mishra
Hear The Truth

Hear the truth,
At least be courageous
And try to hear the truth.
Truth has its own purity.
Avoid not truth
And embrace not hate.
Remember, you are the fruits
Of love my dear.

Gajanan Mishra
Hear The Vibrations

Hear the vibrations
Of the sky
And live undisturbed.
Here is joy
Take as much as you can
And live undisturbed.
Seasonal change no matter
Be calm and cool within
And live undisturbed.
It is you who is peaceful
That I know from the beginning
And you are living undisturbed.
O my dear, I pray take me with you
Where you are going.

Gajanan Mishra
Hear the wind,
The sweet tone.
Words whispered,
With mountains.
Trees cried
On the bank of rivers.
The moon and the sun
Joined hands for future.

Gajanan Mishra
Hear Your Own Voice

Hear your own voice, my dear.
Go on your own way that is
Not going anywhere here.

Gajanan Mishra
Hear, Ears Are There

Hear, ears are there
For the pious words.
See, eyes are there
For beautiful scenes.

You are here, my dear,
Only for peace. And
Peace is here only for you,
Maintain peace for your
Own protection, dear.

Be perfect, at least
Try to be perfect
At this time here.
Forgive all and
Be polite always.

Gajanan Mishra
Hear, I Have Kept

Hear, I have kept
All hot items
In that shelf
On the right side
Of the dark.

And the dark
I have discovered
Has so many colors
With regular pulse
And so on and so on.

I am the son
Of the revolution here,
See me and read me
For new energy.

Gajanan Mishra
Hear, Take, Remember

Please hear,
And take,
And remember,
Life's pleasure.

It is true,
You cannot see
Anything in its
Right way.

Anyway, you are to
Proceed ahead, go.

Your activities
Would take you
To the place you
Want here.

Gajanan Mishra
Hear, The Words

Hear, my dear,
My words echoed
Through the sky
And the earth.
My words and its
Sounds discourage
The wicked and
Encourage the saints.

Gajanan Mishra
Heard Arguments

Heard arguments
Perused evidences
And I am not inclined to
pass any order either
infavour or against.

It is fact
The actions are
Arbitrary capricious
contrary to general
Public interest.

If anybody so like
can knock the door of
appeal and be still.

Gajanan Mishra
Hearing About

Hearing about You
I started my journey
Of transcendental happiness
Here under Your strict supervision.

My relation with You, O my dear
Making me pure and matured
And I am completely free from
All attachment, see and test me, if You so like.

I fear not anybody except You
O my dear, as I love You and You only
It is love it is fear that make me dear
And I am going back to You.

Gajanan Mishra
Hearing Coo Coo

Coo, coo, coo,
Hearing coo, coo
I come out,
But where to search
I find no way out.
It is twilight,
I am in search of
My own house.
I paddle and
I find the sky
All around me.
I express my thanks
To all, for them,
I am not here to fall.

Gajanan Mishra
Hearing Is A

Hearing is a part of life,
So also seeing.
Seeing the truth
Is the act of a fortunate one,
In the universal creations.

Truth is always
Combined with love, my dear.
Love all and see the truth
Within them in a
Clear version.

Show your potency
In truth and in love.
Life is there in perfect form
With creative functions.

Gajanan Mishra

And not I
I am only hearing
Your words
Remembering your deeds
O my dear You are
Only my near and dear
I have a desire
I have a hunger
That I will live with You
In future like the present.

Gajanan Mishra
Hearing The Call

Success,
What is that success,
That I have to know and
I have to climb the mountain.
But where is the mountain
I have to find it out within me,
Within I have to surpass all,
I have to hear the starting call.

Gajanan Mishra
Hearing The Song

Hearing the song of waves
Cold love resolved
With mute spectators
And extended their periods
Of romance - rollers.

Gajanan Mishra

The basic principle
For understanding.

Understand
Understand the truth
Understand love
Understanding truth
And love
Merging in to transcendence.

Gajanan Mishra
Hearing Time

Hear my poems
From my mouth.
And know life,
Know the truth.

Remember, you are
My vibration,
Remember, you are
For all glorification.

Know the value
Of the existence.
Know eternity
At the time of clearance.

Hear me,
Hear time.

Gajanan Mishra
Hearing your flute
I came out from the house
With tears of love
in my eyes.

The air within
is trembling, see,
And I am alive
with your light.

To see you is not
within my power, dear,
I saw the sky above
with tears of love.

Gajanan Mishra
Hearing Your Flute I Came Out

Hearing your flute
I came out from the house
With tears of love
in the eyes full.

The air within
is trembling, see,
And I am alive.

To see you is not
within my power, dear,
I saw the sky above
in eyes tearful.

The light is here with me
The colors are focussing
And still I am unable to see.

Gajanan Mishra
Heart

I have a heart You know
I am in love
I love you.

You love me I know
There is love here
With us and no problem.

Love and problem
Do not go at a time
And I love You
You love me.

Gajanan Mishra
Heart - - You Are Within

My heart
You are within my heart
To win your heart
Is my ultimate goal
My dear sweet heart.

In work words
And mind you are mine
At all times
Under all circumstances
In all places I am yours
Only Yours my dear.

Gajanan Mishra
Heart - Love

Try to win
My heart,
My love.
But you are
Attacking me,
Remember, you
Will not get
Victory, you
Will not win.
My love is there
To protect me,
Your hate can
Do nothing. Truth -
I am here with you.

Gajanan Mishra
Heart and sweet heart
The monkey has kept
Its heart on the hole of
Black berry tree.
O my sweet heart
I have kept my heart
On You here see
As I do not like
Your crocodile tears.
My sweet heart, I know not
The time and place
That is here for which
I have missed again
Before going with You.

Gajanan Mishra
Heart Burns

Happy is far away from me
As my heart is burning with
The fire of pride and malice.

Gajanan Mishra
Heart Full With Truth

True eyes,
True navel,
True feet,
True palms -
All true,
With heart
Full with truth.
No matter,
Who agrees,
Who disagrees,
But it is all
The same here,
And with it
Life all perfect.

Gajanan Mishra
Heart Is Melting

Look, I am moving
Hither and thither
In perplexity.
My heart is melting
For You on
The pot of attraction.
I am looking You
Here there everywhere
Without blinking my eyes.

Gajanan Mishra
Heart Is Missing

Heart,
And it is
Missing
Somewhere
In love
And
Somewhere
In hate.

Heart is missing
At morning and
At evening
At day time
And at night.

Heart has
No hands
No legs
And yet
It is missing
From its place.

I know not
That thief
Who is taking
The heart always.

When I am searching
I find no heart
Is here that is
Mine.

Gajanan Mishra
Heart Not Found

Heart not found,
And we survive
Astonished!

We closed the mind,
Our thoughts and emotions
Are not found,
And we are not dead
Astonished!

Gajanan Mishra
Heart Quaked

Heart quaked
The ocean, the earth
The mountains trembled,
The elephants squealed,
And it is Your smile
O my dear, at this sight
That amused.

Gajanan Mishra
Heart To Heart Talk

Let us have
Heart to heart talk
Freely with
real curiosity.

This is the rare
Time we are living in
And it is the rare place
Wherein we are together.

Let us have
Heart to heart talk
With love
On this broad day light.

Gajanan Mishra
Heart To Heart Talk-Learning About Life

Put questions,
I am here to reply;
Let there be a
Heart-to-heart talk
Openly and freely.

You are the listener
I am the speaker;
No, nothing like that,
We play the role
Of both here at a time.

Through our discussions
And dialogue we, both
Are to learn more and more
About the life and the earth.

Gajanan Mishra
Heart To Hearts

I want to sing,
I want to sing
Without words,
Without sentences,
I want to sing
In the language
Of the hearts,
I want to communicate
My language from
Heart and hearts,
From hearts to hearts.

I want to love,
I know, love is
The part and parcel
Of my life and
It is the core of all.
I want to discover
The truth that is here
Within us and hence
I want to stay
In all firmness.

I want to perform
My duty only for duty sake,
I want to sing
On my duty,
I want to live
A lion's life
Here at this time
And in all times to come.

Gajanan Mishra
Heart, Heart, My Sweet Heart

You are in my heart
You are my source of memory
Knowledge and reasoning faculty.

Heart, heart my sweet heart
I know something about You
By my poems, You are the poet
Of that poem and also interpreter.

O my dear, You are here, there
Everywhere, You are my senses
My mind, my intellect,
You are my heart, heart, sweet heart.

Gajanan Mishra
Heart, The Mirror

Heart, the mirror,
It is one for all.
All are there to
Test themselves.
It is the platform,
Platform of love
And truth and
Mankind is there
At the top of all
Without any fear,
To make this life-trip
Pleasurable and
Honourable for all,
Full of wonder.

Gajanan Mishra
Heartbeat

Listen the heartbeat
Of any one and hear
Mother, mother, mother.
Mother is at the centre
Of sons and daughters.
Wherever we go we must
Remember our mother,
Our identity,
Our supreme authority.
Our mother is our country,
Let us say- Jai Bharat maataa ki
Victory to Mother India,
Victory to all people here,
Let there be peace and humanity with us.

Gajanan Mishra
Heartless

Keep distance
From friendship with
Heartless and low-minded,
As always harmful.

Gajanan Mishra
Heart-Print

If you are going away,
Leave your heart-print
Here at this place.

Gajanan Mishra
Hearts So Beautiful

Hearts,
So beautiful.
Leaf,
So cute.
I failed
To describe
Its colors
And actions.

I fear
The angles
Of time.
I fear
The life
Within.

I like
To sing,
To talk,
To walk.

But, I am
There like
That star.
I am there
With all lights.

Gajanan Mishra
Heart-Touching

Please introspect,
My poems, my ideas,
Intelligible and
Heart-touching.
What I am expressing
Through words
That are infinite
And astounding.
What I am expressing
That is nature and
That is above religion,
Caste, creatures.

I am nature and also nature-loving person,
You may called me by any name but Gajanan.

Gajanan Mishra
Hearty Expression

Sound mind,
Sweet words,
Hearty expressions
And healthy condition
Are necessary always
For a good life -
Not true.
One may not be
Physically fit,
May not be in sound mind,
His expression may be rough
To some and yet he
Is able to live in peace
And live as per his sweet will.
Life is something different
From all speculations,
Life is somewhat different
From our expectations,
Life is there, as it is
And we are to accept it
As a whole without any
Questions or doubts.
Life is sitting together
With all internal potency,
Manifested in the glories.

Gajanan Mishra
Heat And Cold

Heat and cold
Are the same
With your presence,
My dear.

And without you
The life is
Like a prison.
No taste in living
No taste in anything.

Gajanan Mishra
Heat And Light

The sun is there
In the solar system
With much heat and light.
So also I am there
In my life cycle with all
Body, senses, mind and intellect.
We are both friends and
We wish good to each other.

We know dust is there
Still we care no one.
We are going through
With all actions, objects
And incidents of which
We are not part at all.

Gajanan Mishra
Heat Heat Cool Cool

Heat heat
Cool cool
No knowledge
No school.

Heat heat
Cool cool
Leaders made
People fool.

Heat heat
Cool cool
New tax
New rule.

Heat heat
Cool cool
Our urine
Our stool.

Gajanan Mishra
Go on
It is heat
It is an opportunity
Go on.

Go on
O free rider
Only time is with you
Go on.

Go on
Omission and commission
Organisational default
Go on.

Gajanan Mishra
Heatwave

Mercury rising above fortyfive,
Intensified heatwave,
How to survive is a question
And we are busy in cutting down trees,
We are forgetting
Life giver is the tree.
The sun is dancing,
Summer is singing,
Maximum temperature is
Taking the lives.
No water, no shade,
The so-called big-people are in ACs
We the common people are suffering
All days openly, no respite.

Gajanan Mishra
Heaven

This world is called
Tapobana
and Kalpabrushkha.
Here you meditate
and get your desire
fulfilled.
And it is Heaven.

All male are Tapodhana
All female are Tapaswini.
The Sun and the Moon
are to guide.

All good things are
here for you.
And I am composing poem
to keep peace
to love to enjoy
intact.

Come and stay
with me in this Tapobana
Here I am to speak
Here you are to speak.
And it is Heaven
Nothing is odd
Everything is even.

Gajanan Mishra
Heaven -

Heaven,
I know where it is,
Come and stay with me
I am here ready to show you.

Let us discharge our own duty
And water the plants
Let us see the means
And attain eternal bliss.

Gajanan Mishra
Heaven - For Us

You and
Not I
Attain heaven.
Both you
And I
Attain heaven.
Heaven is
Only here
For us.
We are
The nectar
And my dear,
We are here
To give life.

Gajanan Mishra
Heaven And Fame

I have nothing
To do with
Heaven and fame.

Gajanan Mishra
Heaven And Ocean

Heaven and ocean -
I fear both.

Heaven and ocean,
Both are
The symbol of
Lightning and rain.

I want the power of heaven,
But I want not share the ocean.

Gajanan Mishra
Heaven For All

Come to India
It is heaven for all
Hindu Muslim Sikh Christians
And all who are there in the world
Come to India
You are welcome
We welcome all
This pious land is
A mini-world
And here you can enjoy
Enough freedom.

Gajanan Mishra
Heaven- I Am Going To

I am going to heaven
From heaven, see me.
It is all heaven
Where I am living.
Tell me where I am
Not getting peace,
And not in happy
With you, my dear.
So also tell me,
Are you not getting
Pleasure with me,
Are you not in love?
Where there is love,
That is the place,
I mean to say heaven.

Gajanan Mishra
Heaven- I Do Not Want

Heaven - I do not want
I want to work
And for me
Work is a pleasure
And for me
Life is a joy
And here there is
Creation and by
Creating something
I get my perfection.
Do you know?
I do not want to work
I want to love work
And in love there is work
I love my work
And what is my work
My work is only love
Love is life
Love is pleasure
And here there is
My work and this is
Not in heaven.

Gajanan Mishra
Heaven Is Above

Heaven is above,
Hell is below,
I am in the middle.
It is my wish
Where to go,
And I will go
That suits me best.
I feel no difference
Between the heaven
And the hell.
I see only life
And life is better
Here in the middle
To complete the game.

Gajanan Mishra
Heaven Is Here

Heaven is here
With us just now
And we are
In heaven, see us.

Dare not tell us
Evolved.
We are as you
Termed multitude.

I do admit
You are the source
And the end of all
And we are here.

Gajanan Mishra
Heaven Is Significant

Heaven is significant,
But more significant
Is this earth,
Where we live in.
We are here,
In touch with
The all great.
But it all depend on
Us, how we are
Active with
Our receptive power.
Here, all are equal
By nature. All are
One with equal features.

Gajanan Mishra
Heaven Knows

Heaven knows
What is there
On this kingdom of
Isolation.
But let me see now,
Let me know,
Let me hold the time,
Let me go.
What I can do
Let me show,
With the wind
And the sky.
Let me start
My work
In the light
Of the day.
I know cold
Never bothered
Me anyway.

Gajanan Mishra
Heaven or hell -
What do you want.
Realize who you are
And declare your faith
Where it is.
Where is the end
Please tell if
You have some knowledge.
To earn knowledge
Is your duty,
It is the way
to develop dispassion
For pleasure. Let me
Know about you, my dear.

Gajanan Mishra
Heaven Planet

We are in heavenly planet
We are enjoying Godly delight
Purified of sinful reactions.

Gajanan Mishra
Heaven-Love

One world, one love,  
One sun, one moon,  
We live here  
With our love.

Truth is that-love  
Truth is within us,  
Truth is our life  
And life is truth here.

Death can do nothing  
And we are here with love.

We are giving up  
We are rising in  
Bubbles, bubbles of dreams.  
And dream-bubbles are  
Our life-force  
And light-force is here,  
Here in love.

It is our heaven  
And we are living here  
Together with eye-contact  
Through love-tears.

Gajanan Mishra
Heavenly Joy

Heavenly joy
I feel
In your look.
And I walk
Through you
To you.
No pain but
Only gain is there
When I hear
Your sound
Within.
No fear but
Love is there
Everywhere.

Gajanan Mishra
Heavenly Nectar

Heavenly nectar
Is here in the words
Of the poets.
Let me read it,
Let me converse
With the poets.
Let me hear the poets,
The poets are here,
Let me see them.
The poets are nothing
But like naga babas
Taking shelter
In words and the words
Are there with nectar.

Gajanan Mishra
Heavenly Pleasure

Heavenly pleasure
You can get
Here, on this earth
Here, under this sky
Here, in this forest
Worry not, Father is
With you
Your best friend
Only your father
It is he
Who said
To perform rituals
It is he
Yes
It is he
Before whom
You pray
It is he
Who is here
Father father father
Everybody is telling
The same wording
And father of all
Is the same person
Here there everywhere
And providing heavenly pleasures.

Gajanan Mishra
Heavier Than

Tell me  
What is  
Heavier  
Than death?

Tell me  
What is  
Lighter  
Than life?

Tell me  
Where is love  
In truth?

Are you  
In love  
Tell me not.

Gajanan Mishra
Heinous Crime

Rape and gang rape
Is really heinous crime
Penalty should be death
Rapist should be hanged
It is against humanity
Sexual assault should be
Treated on par with murder.

Gajanan Mishra
Heir

My father is my father
I am his heir
I am in my father's house
I am fair.
My father is my father
And I am in full power.
My father is my father
I am his heir
I am not as mad as a hare
I like peace and
I do not like war.

Gajanan Mishra
Helicopter

I am here,
Flying in my
Own helicopter,
And with me
Calm is there,
The lone spectator.

I feel the air,
But get no water,
The sky is singing
With all verse
And I am there
To catch the star.

The day is not sunny,
Let me remind you,
I am there to
Find the way out
In the light
That swell full.

Gajanan Mishra
Hell

Health is wealth.

Go to hell
with your health.

Where is that?
That start in your body
and ends in it.

Gajanan Mishra
Hell And Heaven

Hell and heaven
All are my creation
And I am always
Busy there.

I utilize my time
And turning the pages
That are therein
In proper form.

I am protecting myself
And telling all
See, my dear men
I am here for you only.

Gajanan Mishra
Hell Is Hell, See Well

Hell is hell, see well.
Asipatra-vana lost the sharp, swordlike leaves on its trees
Raurava became free of its ruru beasts
Bhairava lost its fearfulness
Kumbhipaka means all cooking stopped
O my dear I pray please take steps
That all the inhabitants of hell attained liberation.

Gajanan Mishra
Hellish Enjoyment.

Telling bad
Behind a person
Is like
Eating his stool.

Some persons are there
Who find themselves
Happy in doing so.

Covered by illusion
They forget their position.

They are not conscious
Who they are and
They are in dark-well.

They take delight
In hellish enjoyment.

Gajanan Mishra
Hello Everyone

Hello everyone,
Happy Christmas!
Let me wish you
Rise and shine.

Go and play football
Playing is really enjoying.

And life is
what you think.
Thanks, you are
All caring.

First know
Who you are and
Why you are, be sure,
Nothing is far.

Gajanan Mishra

Are you able to listen?
Have you seen the ocean?
You, yourself is the ocean,
Ocean of love and truth
And emotion.
You are the emication

With full of poetry.
You are the symbol of
The entire history
And the cosmos-entity.

And meet you.
Tell me your contact
Number and name of the street.

Gajanan Mishra
Hello, Men!

Hello, men,
Let us come
And enjoy
With the sun.
But wait a while,
Let us see
What the sun
Is doing first,
Let us watch
And catch
The sun out
Before run.
Let us be cautious
On this fielding side.

Gajanan Mishra
Hello, Where Are You?

Hello, where are you?
Go not with harsh words,
Stay calm, see me, I am the truth.

Gajanan Mishra
Help End Hunger

'Help end hunger.'

I am hungry
For my own language
That is not there
In my native state.
I am hungry
To fill up
My belly
That is empty
Since three days.
I am hungry
For love
That is not there
Within you-
My life-source.

Gajanan Mishra
Help me,
But think not
I am helpless.
You can do,
Do it
But think not
Easy.
Go on
But think not
You are reaching.
No place is there
Where you can reach.
You can't draw
What is not there.
But go on drawing
What you think.
I am there
In your thinking,
But you are helpless
In your thinking process.
Control yourself
If you so like.
And reach where I am.

Gajanan Mishra
Help Me, Help Me

Help me, help me. please,
Help me to love you purely,
And intensify my love for you.

Gajanan Mishra
Help Others

Help others
Do not give pain
See in your own eyes
And be fearless
And be glorious.

Gajanan Mishra
Helpless

Helpless government
Helpless people
Helpless time
Helpless space.

How are you
please come and
show me your face
Come alone
To receive grace.

Gajanan Mishra
Helplessness

No one, no one,
No one is here
To tell me
What is good.
Yet all are saying
Doing this
Or that
Is bad.
But what and
How it is bad
No one is able to
Define at any time.
And see my
Helplessness in me.

Gajanan Mishra
Henry Lawson

Henry Lawson, let me call you from the city's cruel street. See, my dear poet, within you, How many faces are there and what are they doing at a time. Are we prepared for a war or going to settle everything in a peaceful manner that suit all. That is all in doubt, my dear. We are willing to stay in a safe place but want not to sacrifice anything that are with us. How wonder! we are living with others but keeping our self-interest intact. Is it not preparing for blood bath?

Gajanan Mishra
Here All

Sun moon
Eye mind
See
Here all.

Water air
Earth sky
See
All here.

O dear
In motion
See my union
With you.

With you
I am totally
Free and frank
and not effaced.

Gajanan Mishra
Here All Is Hidden

Here all is hidden
It is one and the same
Truth hidden and
Understanding hidden.

Here see citizens are
Consumed by the leaders
Psychological tricks
Are everywhere and
We named it modern.

Unbearable is mental
And atmospheric pollution
We have forgotten it is
One and the same though
Appearing in many names and forms.

Gajanan Mishra
Here All, We A Re

All for a sunny day,
We are here all.
We the tigers, the lions, the jackals,
The octopus, the crows, the cows,
The dogs, the cats, the VIPs
And the general commoners.

We know the superlative
Superman and we believe
In superhuman activities
And we are here to search
Where life lies.

We recognize the dark,
And we move forward
With our flesh and blood.
The union we formed
Is not for us.

We see everything
In timeless hours -
The nakedness of the naked.
But we are not to utter words,
We are and who we are.

All for sunny days,
All for all.
We lost nothing
And gained everything,
The life, the love, the world.

All domesticated
Called us and we reached
Instantly to keep
The custody of bread of ash,
And we no words we pass.

Gajanan Mishra
Here And Hereafter

Here and hereafter
I am with you
O my dear
I have seen you
Above and below
In and out
And you have left
Impressions that are
Here
Pure and impure.

Gajanan Mishra
Here And Hereafter - Pleasure

Here and hereafter
See everything pleasant,
As I find you in pleasure.

Gajanan Mishra
Here And Hereafter, O My Dear

Here and hereafter
O my dear
I am doing my
Prescribed actions
Here and hereafter
Immediate and in future.

Gajanan Mishra
Here And There

Here and there
There and here
See and hear
Without uttering
A single word.

Words are not truth
Your good thought
Is there always with all
And it is assured
The veracity of oracle is true.

With words and with action
O my dear, put your love to test
Dispelling all doubts
Came forward the establish the Truth.

Gajanan Mishra
Here And There - Before And After

Here and there
There and here always
I see You, my dear.

You are my elephant
You are my lion.

I see You, my dear
Here there
Like the rising sun.

Here and there
The sky and the earth
The water and the fire.

You are the only light, my dear
And with You, I am not in fear
You are my sweet words, You are my nature.

O my dear, I see You
Here and there
There are here.

No question of missing
Anywhere whatever
And I am with You before and after.

Gajanan Mishra
Here And There I See You

Here and there I see you,
Here and there I see your works,
Here and there I see nothing else.
Here I am, there you are.
Here you are, there I am.
Here and there only I am, only you are.
And I see, we are one and the same.
No one is anywhere besides us,
Whom to talk, with whom to fight,
Let us say again whom to love also.
Beyond love and fight, we should go.
We should go and enjoy life
That is here at this time with us.
This is our earth and we are here
Just to see and enjoy together.

Gajanan Mishra
Here Are The Roses

Here are the roses,
And they disclosed
So many things
For the public.
The roses bear
Heart of stones,
They lighted the faces
Coming contact with truth.
And there is the truth,
With one color
But for others
It seems many.
It is all transparent
But not to one adamant.

Gajanan Mishra
Here At This Time

I am not this body,
You can't call me
By this body.
I'm far beyond
This body.
Come and test me
If you so like.
I am discovering me
In this body.
This body is giving me
A chance to invent
That is not there
In this body.
I am not this body
I am within, though.
Everything is here
In this body,
You can say.
And it is not possible
To get everything
In this body
Here at this time.

Gajanan Mishra
Here Canakya Said

Here Canakya said
Rascal appears very
Intelligent as long as
He does not speak.

Speaking is a test
If you have nothing to say
You simply want to beg
Keep silence for relief from
Nonsensical talk
Be grave and talk not nonsense.

Speaking is also a violence
If in your speech there is nothing
About the almighty
You are far from truth
And your thought
Can not be complete.

Keep silence
And realize the self
Refrain always from
Nonsensical talks.

Whosoever you may be
Be in sense
Say no non-sense
To anybody to anything
At any time at any place.

Gajanan Mishra
Here Every Step Is Dangerous

Here every step is dangerous
And yet all are secured.
Hell and heaven are just words
With them don't go.
Keep yourself in tact
With vision unaffected.
In due course you are to return
Having perpetual association with me.
I am watching you here
Protecting from all dangers undisturbed.

Gajanan Mishra
Here Everything

Here is heaven
Here is hell
Here you can
Find everything
Do the things
As you like
And get accordingly.

Gajanan Mishra
Here Find

Here find almost all bogus
And do not misled by them
And choose the correct one
To take His guidance.

Here find so many words
But choose a correct word
To reach the truth
That is there in you.

Gajanan Mishra
Here For Ever

Here for ever,
I am, my dear.
Unreal, I know,
You are, with
No existence.
For you, vacant,
No space here.
I know, killer,
You are, and
I, allow not
You, for truth.
See me, my destiny
Shape by me
Here, for all time.

Gajanan Mishra
Here I Am

Here I am
Attracted by You,
There You are
Attracted by me.

We are here
Together, forming
This picture
With nature.

Gajanan Mishra
Here I am - A Poet

Here I am - a poet
Who you are searching
For so long.
For what you are searching
That I know and I am here
To tell you in such a manner
That bears truth that has a love
For you and that is clear.

Gajanan Mishra
Here I Am - Love Me

Here I am, here I am-
Love me, love me.
Love is the life,
Make me alive.

Here I am living
Without you.
Is it true?

Here I am, here I am-
Decline not
To give me kiss.

Restless I am
Here in horrors,
See me busy
In uproars.

Help me, dear,
And show me road
To go to you
Furthermore to
Touch the light
Of the life in core.

Gajanan Mishra
Here I Am - There You Are

You are telling me blind
But see, I am not blind.
I am also not deaf,
I can hear you.

Here I am,
And there you are.
No mountain, no sky can
Hinder me to see or to hear.

Gajanan Mishra
Here I Am - Full Moon Poem

You are your own light
You are your own sun
You are a fullmoon poem
You are fresh air
You are pure earth
Light water and sky
All chanting
Chanting and chanting
A new life singing

Here I am
Do not forget to see me.

Gajanan Mishra
Here I Am In Love

Here I am, here I am,
In love and in betray,
In shame as a slave.

Here I am, here I am,
In knowledge and in beauty,
In joy as a mermaid.

Here I am, here I am,
In fire and in fire crackers,
In sweets and in lot of happiness.

I know you men very well,
And You are there as a burning lamp,
As a guiding star.

Nothing is in the air,
Show not your strange power.

Gajanan Mishra
Here I Am In The Midst Of Tantra

Here I am in the midstream of life,
Here I am in the midst of tantra,
Tantra of body and mind and time,
Tantra of the earth and sky and air
And water and fire.

But I am here my dear,
No one can burn me, see,
No one can make me fly, see,
No one can make me drawn
And drown from my own existence.

I am here in my own existence
Holding love with me.
My existence is only in truth,
See, my dear and you are in the midst.

Gajanan Mishra
Here I Am Making Me Free

You have no right,
No right to ask
Any question
At this stage here.

Here I am waiting
For you and
You are there
Seeking my company.

I am free
You are telling,
And I realized
I am free without freedom.

Free flow is there,
Free flow of air
And water is there
But I am not free.

I am not free,
Not free to hear you.
You are there,
There to make me free.

You are making me free,
At least trying to
Make me free, but I am
Here binding myself, see.

Gajanan Mishra
Here I Am Offering

Here I am offering
All my poetry to you,
That are written
With body, mind words,

And in purified consciousness,

For your pleasure and for the truth.

Gajanan Mishra
Here I Am With The Elephants

Here I am with the elephants,
And I know how to control the elephants.
The elephants are waiting for my command,
The elephants know the peace-processes
That I demand.

Man, come on, stay as a man, all days long.

Gajanan Mishra
Here I Am, Here I Am

Here I am, here I am,  
See me, see me, see me.  
Undoubtedly I am yours,  
Undoubtedly I am yours.

I am the gem, I am the brilliance,  
I am the snake, I am the wriggling motion.  
I am the life, I am the death,  
I am the truth, I am all falshood.

I am yours, I am yours,  
I am the love, I am the lover.  
See me, see me, see me.  
I am smiling and I am dancing,  
I am discriminating me  
I am the one who is missing, missing.

Gajanan Mishra
Here I Dwell

Here I dwell
With you
O my dear
And I am dwelling
Constantly in you.

O my dear
In light
With honor.

Gajanan Mishra
Here I Have

Here I have
Family friends food
Buildings city nation
Here I know all
Are Your byproducts
With innumerable types
Of ephemeral material scenery
And I am always interacting
With contradictory nature’s mode
And I know the sun
And I know the sun can not be
Removed by any apparatus of mine
And I know I am holding temporary post
My knowledge is not perfect, I am in illusion.

Gajanan Mishra
Here I See You

Here, I see You
Here, from You
Everything emanates
By You everything is maintained
In You everything is merged to rest.

And my authority
And my beauty.

Gajanan Mishra
Here is a bird
That has been
Shorn of its wings.

Here is a sun
That has been
Not risen yet.

Here is the air
Here is the fire
Under this sky.

What are there
Above this sky?

And that is all empty.

In this emptiness
I discover my word
And in words

That is shining
That is reflecting all around.

Gajanan Mishra
Here Is Cloud

Here is cloud
My eyes having clouded
By dust could not see You.

Here is Truth
My digestion problems are there
I could not catch You.

Here is the region of heart
I have my own crossroads

And You are there
Only You are

I failed to free myself
From my own shackles.

Gajanan Mishra
Here Is Election

But I find,
Nobody is there
To win.

No issues
Settled as yet.
No requirement
Fulfilled.

No use of the wave
In the larger interest.
No one is there
To beg apology
For any wrong
Done to anybody.

Each one
Is in loss
And loss is
Irreparable.

And so let me
Admit, voting
Is a luxury
And I am here
To suffer injury
If you so like
You can verify
From history.

Gajanan Mishra
Here is Gajanan,
Let us go and
Catch him
If we can.
The waves are
Here and it is
For us,
The sky is there
And it is
Also for us.
Gajanan told us
So many things
To note but
All are forgotten.

Gajanan Mishra
Here is heaven,
As I find here,
So many good men.
They are all truthful,
They are all good,
They are in love,
They are the truth.
No war but peace is there,
Smile and joy everywhere,
The earth is fresh and
The sky is calm and blue.
Dazzling stars are singing
With all beauty with them,
Here is heaven, it is mine.

Gajanan Mishra
Here Is Hell

Gajanan Mishra
Here Is My Computer

Here is my rocket
And I am withering away
I am disintegrating
In violence in chaos
And I am disconnected
From the very Truth
I am suffering from cold heat
Rain wind snow and tormented
By quarrels hunger thirst anxiety
I am dying and dying
And withering and withering
Like the leaf disconnected
From the plant and tree.

Gajanan Mishra
Here Is My Dream

Here is my dream - my poem,
And I am within it with my

Self sufficient for me.

In my memory.

My poem is my controller,
I am here in my poems.
I rest in my poems,
My poems are axiomatic.

Gajanan Mishra
Here is my poetry,
My soul, my universe,
My wings, my mind,
My flight, my imagination,
Here is my poetry,
My life, my charm,
My everything.
Some madness is there
You may say in poetry,
But This madness is
My capital, my reasons,
My love, my truth.
Here is my poetry,
My life, my history.

Gajanan Mishra
Here Is My Residence

And here I am Full of anxiety.

It is not that I am not afraid
Still for me heaven and hell are one and the same.

And still I am not confused not frustrated
I am straight and I am interested in understanding the Truth.

Gajanan Mishra
Here Is My Shadow

My shadow has no power
To move that I know.

Here is my shadow
My shadow is with me
I am not with my shadow.

I am adored by my shadow
That I enjoyed here
My shadow is not I that I know.

Gajanan Mishra
Here Is My Wife

Here is my wife

In giving words,
Words of so many types.

Here is my son,
And he is busy
In doing all
Banking transactions.

Here is my mother,
And she is busy
In giving love
Not for her.

I am here
Among all and
Searching my way out
To find the truth.

The truth is
This life, but I have
Forgotten all
For the reasons not known.

Gajanan Mishra
Here Is Sadness

But you are there
To know all, my dear.

Gajanan Mishra
Here Is The Letter

Here is the letter,
Take it and read.
Life is written
Therein.

And watch each one here.

Vast scope is there
With us and we are
To fly.

Gajanan Mishra
Here Is The Monkey

Here is the monkey, see,
My friend, the so-called
Symbol of my ancestors.

I know with monkey
My success will abound.

I know with monkey
My time will be
Amusing and emotional.

Monkey is there
To laugh
At my mistakes.

Monkey is there
Waiting to see
My success
At the next opportunity.

I am eager to learn
More and more
And improve myself
In nature's lap.

Gajanan Mishra
Here Is The Morning

Here is the morning
Jumping like calf
in this winter.
With love song
You are coming to me
O my dear, to
set the house right.
At this evening
Also I witness you
with drunken mango bird.
The tumbler has
left the place since long.
And the waves are silent
With the sleep of the nightingales.

Gajanan Mishra
Here Is The Snake

Here is the snake, see
That has bitten me at night.
If you so like please save me
From the poison of this snake
By your rays in broad day light.

Let me hear
Within this world
The inner voice
Without hypocrisy
Without arrogance
Without pride
Without anger and harshness
And with full knowledge.

I am for the world
I am for the Truth
I am for Love
The world is Truth and Love.

Gajanan Mishra
Here Is The World Peace

Here is the world peace,
Come on my dear,
And take it,
It is yours
And not mine.

When you are
Not willing,
Not able to take,
It is not my fault,
Search the fault
Within you.

Repair your own
Vehicle when you
Wish to go outside.

Gajanan Mishra
Here Is This Bridge

Here is this bridge
Over this Mississippi
And I see this
Tiniest ant is crossing
Without any exertion.

As you are with
Absolute Truth.

In your day to day
Activities in truth

As clear as glass
And I know this glass
never to break
It is to show path
To others
The path of light
The path of life.

Gajanan Mishra
Here Is Your Instructions

Here is Your instructions
That I am scrupulously following
And living here as a King.

Am I a king really
Where You are all pervading?
I am a slave and serving under You.

I am following Your instructions
That are here and I am
Though not identical with You, I am in You.

Gajanan Mishra
Here It Is A Sparrow

Here it is a sparrow
It is here since yesterday.

It is ready
To face the rain
At the skylab of
My house.

The sparrow is here
And wants to talk to me
On rising prices of diesel
On foreign policy of new Govt
On water pollution and on so many
Topics that are burning.

How can I disregard the sparrow?
I am forced to left some space
For the sparrow after hearing
Its language and after seeing it
From a far of place.

I am searching the sparrow
That is no more here
At this time.
I am not able to utter
A single word on sparrow
As it has not kept its own words
While leaving the place this evening.

Gajanan Mishra
Here It Is I

Here it is I
And I represent everything
And everybody.

Thing is that
I pervade everywhere
I represent all.

Here it is I
Only I
Everything everybody is my energy.

Gajanan Mishra
Here It Is I Am

Here it is I am,
See me, as a whole
If you can.
It is my eyes,
It is my hands,
It is my legs,
It is my neck,
It is my chest,
It is my waist,
It is my thighs,
First, think to see me,
Then come forward
To have a look.
My form is not mine but yours.

Gajanan Mishra
Here It Is In My Mind

Here it is in my mind
Here it is in my mind
And also there it is
On Your mind, my dear
And it is a long journey
From me to You.

Here there is a shower
In the form of beautiful ideas
And lovely pearls make
Their appearance in
This poetic effusion
See me in truth in love in devotion.

Gajanan Mishra
Here It Is Spring

Here it is spring, always here
Here is the cuckoo, coo, coo, hear.
Life is all in peace and in pleasure.

Know your importance, my dear
Your residence is in stone and in water
And You can change Yourself to any shape
And that is our future.

With Your presence, we know
All problems over.

Gajanan Mishra
Here It Is Written

Here it is written
In open space,
In deep sea,
In highest peak.

Let me speak,
But what to speak,
Everything is
Already told
By so many.

So many are offering
Love and affection,
Truth and education.
But still, what for envy,
Torture and darkness!

Darkness is
In our own brain,
We have to know,
And the light
That are within us,
That are to be focussed.

With all humbleness,
Faith, and trust.

Gajanan Mishra
Here Life Is

Here life is
Like a doe
In the midst of
Wolves,
Like the tongue
In between
The sharp teeth.
Only the truth can
Protect the life,
Only love can
Supply proteins
To the life.

Gajanan Mishra
Here see, my dear,
No distinction of
Caste, creed and color.
Here see, only
The birth of the creatures
The growth of the creatures
And the death of creatures.
If you so like, my dear,
Observe it, enjoy it, without any fear.
You cannot value anything here,
The devotion, the action
And also the knowledge.
Hesitate not to say
What you feel here, my dear.

Gajanan Mishra
Here See A Poem

Here see a poem
Read it and say
What is therein.

What is therein
What is therein
Ask yourself
You are a live poem
See the truth within
Love your own life
And say how wonderful
The life is.

Here is a poem
It is a magic
Magic not for exhibition
But to get peace within
It is there in eternity.

Gajanan Mishra
Here See The Magic

Here see the magic
On this earth
Under this sky.
Here see the magic
In the sounds of the birds
Just at the entrance gate
Of life and death.
Observe the situation carefully,
And utter words selectively,
But show your honesty.
See that you are there
With all your friends and family.
Magic is for you,
And you are the magic- life's truth.

Gajanan Mishra
Here The Stars

Here the stars are
Here the stars are making
Hues and cry
Here the sky is awake
And telling about
The story of the emperor
That is there in fire
Here it is empty future
And a poet is going to
Write about life-air
That is there on the earth
In broad day light
Here the viewers and
The readers are the ice.

Gajanan Mishra
Here there everywhere,  
Find me with love.  
I am there in nature  
With my own eyes, own ears,  
Own, feet, hands, skin,  
Tongue, nose, genitals anus,  
Mind, sound, touch, form,  
Taste, smell,  
In my false ego, ether, air,  
Fire, water, earth.  
I am there in all goodness,  
In all darkness, and also  
In passion.  
I am the only one in vision.

Gajanan Mishra
Here There Is

Who told here there is
A web of lies.

I could not understand
Anything what kind of talk
Is going on here in my presence.

Here there is a web of lies
Nobody agrees with this
As you said.

The coconut tree
As before cries
The sea console.

I could not understand
What kind of play
Is this under the sky.

Who told
There is a web of lies.

Gajanan Mishra
Here There Is No Issue

Even if there is one
It is less important.

See there is large scale quarrel
For nothing and it is the effect
Of present time.

O men, Go to Almighty
Pray Him for humanity and peace
O men, go for re-spiritualization of society.

Gajanan Mishra
Here There Is Nothing

Here there is nothing
How can you find anything.

There was nothing
There will be nothing.

Remember, you are
Staying in nothingness.

Gajanan Mishra
Here There Is Peace

And we are all situated
Equally with Almighty.

Our hearts are cleansed
Of all material contamination
And our minds become broader and transparent.

We all see everything equally
We are one and the same
Here and also there.

Gajanan Mishra
Here To Sing

I am here to sing
The song of life.

I am here to sing
The song of life
The life in the land
The life in the water
The life in the sky.

The life is clear
Like sunlight
I am here to flyover
I am life dealer
With many direction
To appear.

I am here to sing
The song of life.

You are my master
You are to hear
And called me wiser.

Gajanan Mishra
Here We Are

Here we are
To know the truth.
Here we are
To know our identity
With the truth.
Here we are,
We are the truth.
We are here
With knowledge and
To cross the knowledge
Is our main work.
We are for us
And we love each other,
While going with nature.

Gajanan Mishra
Here We Are, Dear

Here we are, dear,  
And we are  
Light bearer for all.

Everything is open  
For us.  
We are in open field.

Our eyes,  
Our ears,  
Our legs,  
Our hands,  
All are busy  
For the service  
Of others and  
For all good.

We are under  
The care of nature, dear.  
We are the product  
Of nature.

We are to tolerate all, dear.  
We are to live for others.

Gajanan Mishra
Here With Us

Here with us
Divine knowledge and bliss
And we are here
That is real permanently
And it is generated
From permanent reality.

Here we are and
Everything is eternal final
With own existence
Non-difference per se.

Disprove all possibility of
Difference, my dear, here
With this destruction of clay pot
Say not it is for this hammer.

Gajanan Mishra
Here You Are

Surrounded by enemies
Here you are my dear
Be careful you are
On this body-chariot
Full of odors, here
You are to select in between
Bad and good and proceed
Seeing everything at
Your index-finger
Your finger-index also
Shows your nature and
Future and it never
Gives a shock
Be cautious while driving life-bus.

Gajanan Mishra
Here You Can Find

Here you can find
Wealth renunciation
Fame knowledge
Strength and beauty
At a time
Though you can not
Claim all full.

Nobody but
It is the maintainer
Who is to say
What is what and how
They are being cared
The matter is internal
And not final.

They are curious
To express on the stage
You are only on the stage
O my dear, that I know
And I know, no one can
Surpass You
And here You are.

Gajanan Mishra
Here You Can Get Something

Here you can get something
But not the whole things,
As you are not the whole
How can you get the whole.

O yes, if we are self-satisfied
We can be happy and get pleasure
That cannot be measured.
Be contend with what we have now.

Gajanan Mishra
Here You Spider

Here you spider
Testing fibre.

Mass to matter
All are here.

Gajanan Mishra
Here You Will Find

Here you will find
Unhappiness quarrel
And confrontation
As because you are
Going and demanding
For rights and
Forgetting to discharge
Your duties and
You have a belief
That the world is
Permanent and yours
Further more you are
Expecting rewards
From others and
You are watching
Other's works
Not seeing properly
Your own.

Gajanan Mishra
Here, Find Everything

Here, find everything,
The butter, the fruits,
The goodness, the passion,
Nature and the life.
We are all living here,
And for us, there is everything,
The words, the sound,
The birth and the death
And we have the capacity to do
What we think we can do.
No one can do any wrong
To us without our consent,
We are our master and never
Reborn at the cosmic dawn.

Gajanan Mishra
Here, I Am

Here, I am
With a new poem
Here you can find
A new trend
No money
No Romny
Just love
Here I am
For love
By love
Of love
Where are you
O my love
I am here
With time
In time
You are to
Find me
It is not bluff.

Gajanan Mishra
Here, I Am Covered

Here, I am covered by ignorance,
Any good instructions and
Philosophy does not touch my heart.

I am fit for nothing,
I care not the dual behavior
Of this world.

I know the value, I know also
Nothing is more valuable than the self.

Gajanan Mishra
Here, I Am Pure

You have said
I am crazy.
Oh, yes,
Crazily I am
Searching humanity
In men.
I am taking
The help of
Poetry.
Through poetry
I love all men,
All creatures,
Including trees,
Plants and
Water and air.
I am trying to
Make my life
Active and fair,
With all.
I am living here
With all, my dear.
I wish all welfare.
Yes, I want to
Live like a poet
With all love
And with
All truth.
I am the fruits
Of nectar, dear.
I want peace,
And friendship
With nature.
I am not lying,
I am sure.
See me
With poetry
Here, I am pure.
Gajanan Mishra
Here, I appear,
My name is Gajanan Mishra,
Poet of poets
And with me,
Everything I have.
Look not on me
But look on my words,
My words are fire,
They are there
To burn your despair.
Here, I appear,
To establish the truth
Here in you and
To declare you noble.

Gajanan Mishra
Here, In India, You Are Now

Here, in India, you are now,
I know you are laughing
And you are crying too.

What is going on here,
That I know from you,
I know and I realized
I am an Indian, pure.

And in India, see
Everything is available
That you want
But what you want
First be clear.

And remember, India
is for the welfare of all.

Gajanan Mishra
Here, In Me

You are here, in me
You are here, now.

You are mine
I am yours.

No need to
Go anywhere
No need to
Wait
No need to
Search.

You are loving
You are mine.

You are present now
It is not good to
Ask how.

I am yours
I want to
Study life
A full course.

Gajanan Mishra
Here, In Night

Here, in night
You can not find me
I being the day
Staying with all beings.

Here, in day
You can find me
My shadow is the night
Illusions of living beings.

Gajanan Mishra
Here, It Was

Here, it was,
My village river,
I know not,
Where it is now.

I see the flats,
Buildings are
There in its place.
No water but
Heat waves are
Playing their tricks
To take me away.

No place to stay,
I am wandering in
The jungle of inhumanity.

Gajanan Mishra
Here, Now

Here, now
We are together.
Come on dear,
Place your order.

With your language
We are here to
Make you understand.

But with us
You are to stay.
With us
You are to see,
You are to assess
The clear picture.

Men, come on,
Come on alive.

Come on,
Your mother is waiting,
Talk to her
With love
In her language.

Your men are there
On your land,
Come on and
Do something
For the future.

Here, now,
We are all together
To build
Something new
Something permanent,
Something under
This nature.
Here, people are God
and for this they said
voice of the people
is voice of God.
I salute all,
all are my well-wisher.
Let all know this world
is full of nectar.
And this world is
meant for pleasure,
out of one's own allotted
duty that is here.
Make your own life
better and better, my dear.

Gajanan Mishra
Here, see everything is clear
And transparent and opened.
If you try to know, you can
Know everything. While knowing
Stay impartial and unbased.
There is the truth, discover
It within you, it is only
For you. Love it to the core.
Everything is in light,
Enlarge your knowledge and
Power to see everything.

Gajanan Mishra
Here, See The Clouds

Here see the clouds
They are under my control.
I am not telling
The clouds are useless.
The clouds are there
With me in fire.
And I am trying to cross
The sky.
The clouds are within me
And I am in trouble
In moonlit night.
Thanks, I have not
Lost anything here.
And I am here to tell
How I am here in victory.
I could not sit straight, right.
I have missed myself within me.
I have left all without any doubt,
The door is straight-opened.

Gajanan Mishra
Here, See The Creatures

Here, see the creatures,
Here, the creatures are most miserable,
And I see You, my dear the only
Friend of miserable.

O my dear, Take away
The fear of transmigration
Of all, which is terrible.

O my dear, You are very, very,
Very dear to me, as woman is
Dear to a lustful man, as lucre
Is dear to the greedy.

I am composing poems, day and nights,
Not for anything, but only for You, my dear,
And I pray, please save, save all creatures here.

Gajanan Mishra
Here, Take

Here, take
My hands, my legs,
My body.
Here take
My mind, my intellect.
Here take
My virtue, my sin.
Here take
My ignorance, my knowledge.
Here take
My purity, my impurity.
And accept me
As I am here,
As I appear.

Gajanan Mishra
Here, We Are

Here, we are,
In this place of truth.
We know,
It is not a place of falsehood.
Here, we know,
The unnecessary and
The unwanted would be
Wiped out.
Here we are
Not to harm each other,
But to help and to coordinate,
And to show the path of truth
Through love and affection.
Here we are good and fair.

Gajanan Mishra
Here, You Are

Here is a cobra!
Cobra! Cobra! Cobra!
I cried.

And I am alone!
Alone! Alone! Alone!
I said.

I am delighted
To find You
You are here, my dear.

I appealed to all
Believe the cobra
But don't believe
The bad men,
More dangerous than cobra.

Gajanan Mishra
Here, You Are, My Dear

Here, You are, my dear,
In this cool, limpid
And sweet water.
Here, You are, my dear,
In the colorful lotuses
Within the flocks of swans.
Here, You are, my dear,
In the delightful buzzing
Of the bees.
Here, You are, my dear,
In the hearts of all
For all times.

Gajanan Mishra
Here, You Can Find Nothing

Here, you can find nothing
But fire and fire is desire.
Very difficult to escape
From this fire-desire.

Always you are burning
On this fire-desire and yet
You are telling how pleasure it is,
But this is the beginning of ruin.

Gajanan Mishra
One who
Saves others -
The real hero.

Recognize him
Henceforth.

Words are fire,
Stay cautious.

Type your own life,
Tune it and
Use it for others.

Herbs are within,
Discover all,
Stay cool and
See life beautiful.

Gajanan Mishra
Heron

Heron said and
Fish heard.
Nobody knows
What it rendered.

Nothing is in complete form
Clarified the sky
And the cloud
Stroke it out.

Gajanan Mishra
Hew Plantain

Plantain is hewed and that bear fruits.

Gajanan Mishra
Hidden Paradise - Koraput

Hidden paradise
This Koraput
With its unparalleled
Natural beauty
Natural men like
Gadba Parja Bhumia Durua
Kandha Penthia Saura and Kotia
Tribes are here
Living in complete harmony
With nature
Here in Koraput
One can find enchanting hills
Ripling streams
Spectacular waterfalls
Wonderful caves
Lush green valleys
Fresh air and
Traditional hospitality
Of the tribes
Koraput is a different world
Really with colorful and
Natural gestures.

Gajanan Mishra
Hidden Secret

All my
Hidden secrets
Are in you.
I am in love
And you are in truth.

With you
I have to cultivate
Compassion, dear.

Let me sing
Let me dance
For love
For progress.
In this new year
Let me enjoy.

Gajanan Mishra
Hidden Treasure - Knowledge

It is knowledge
That is called
Hidden treasure.
It is scare crow
That is there
Till the end
Of the episode.
It is sacred cow
That is there
In-land and abroad.

Gajanan Mishra
Nothing is hidden
Nobody hides
See everything clear.

I am manifested
How can I hide
Where can I hide
Behind whom can I hide
My dear, see me
I am at your sight.

O my dear, you can
Know me by love
By faith by belief
And by realizing
The Ultimate Truth
That is within You.

Gajanan Mishra
Hide And Sick

Let us play hide and sick
You are there and I am here
And without one another is weak.

We are playing indoor game
Knowing fully well that
We are not different but the same.

Gajanan Mishra
Hide And Sick Play

Let us play hide and sick
You are there and I am here
And without one another is weak.

We are playing indoor game
Knowing fully well that
We are not different but the same.

Gajanan Mishra
Hide not any secret,
Wipe out the trouble
That stood on your path,
Dumping stones on duet
Of life to be healthy
And wealthy like
Burial-mound.
Hide not any secret,
For you yourself is
The secret of all secrets
And your life would be
Terrible with questions
That have no answers
Like top of the icy mountains.

Gajanan Mishra
Hide-And-Seek

In life
See
Hide-and-seek
Victory
And defeat
Smile and crying
Jumping and
Falling
That and this
Make-believe
Bridge childlike
And also childish
Different pastimes
Taking birth and dying.

Gajanan Mishra
Hiding in silence
Is the best
Moment of life.

Gajanan Mishra
High - My Mother

High - my mother,
High - my motherland,
High - my mother tongue.
No taste of life
Without mother,
Staying far from motherland,
Getting no scope to utter
The pious mother tongue.
The three are three gods,
The creator - mother,
To make me grow with all
Necessities - motherland,
To make me know easily,
My mother tongue.

Gajanan Mishra
High Alert

Active your
Eyes and ears schemes.
Keep watch
Your own body and mind.
No need
For you to panic.

Gajanan Mishra
High All

High all,
Low all.
All one,
One all.
Principle fixed,
Fixed principle.
Principle change
Everything changed.
Life method,
Method life.
Involve in everything,
Everything be involved.
Language may differ,
But thought one.

Gajanan Mishra
High And High

High and high go on my son
There is no limit of your rise
Let me say there is no limit
To a man's ascent.

Go on my son
This world is yours
You are the world
But remember
Not to keep contact
With anything
With anybody
Keeping contact is
An impediment.

Your rise and fall
Is through your
Sentiment and attitude
Things and circumstances
Have no role.

Go on my son
And remember
Congruence of intellect
And mind and concordance
Between mind and senses
facilitates progress.

High and high go on my son
There is no limit of your rise
There is eternity.

Gajanan Mishra
High And Low

All flow.

Superior or inferior
Everyone is master.

Dark or light
Let us fight.

All birth and no death
No need to say what is wealth.

Gajanan Mishra
High Drama

For what
High drama?
Is it for
People's welfare!

Is it for truth?
For love?
For community development?

Night is not here
To end.
Right?

But, look day
Enter into the field
To re-establish
The truth here.

Gajanan Mishra
High Estimation

High estimation
For practical renunciation,
High mission
With realization.

No definition
For spiritualization,
No solution
To concentration.

Be pro-people,
Go with social
And economic changes.
And achieve dreams
That are yours
With love and truth.

Gajanan Mishra
High Heart

High heart,
Lucky eyes
To observe.
Beauty is there
In indolent desire.
Let me be a
Underneath wall,
Lover of the world.

Gajanan Mishra
High Noon

High noon,
The sun is
In the angry mood.
Stay here within
For all good.

Nothing to feel sorrow,
Also, nothing to overjoyed.
Let the birds fly,
Let the bells ring.

I smile
With no triumph.
And I live
With no falsehood.

Life is to tolerate all
For all good.

Gajanan Mishra
High Status

High status
Is killing you
Within,
Get lost.

Worldly pleasure
And prosperity
Is killing you
Within,
Get lost.

Even your own wife
Is killing you
Within,
Balance your life
Or get lost.

Gajanan Mishra
Higher And Higher

What is high and
what is low
quite impossible to say.
You said it is all
in the scriptures
that I am not denying,
yet I am telling,
it is far from true.

The distinctions are not
there outside our existence,
it is true it is in our eyes,
It is also true we should have
predominance of the mode of goodness,
to enable us to go to higher and higher.

Hill is hill,
It is something
Green or gray.
Milk is milk,
It is something
White, something
Very delicious,
Something very
Aromatic.
But nothing is
Truth. Truth is
Something different.
Truth has no shape,
No color and no taste.

Gajanan Mishra
Hill Of Gold

Hill of gold,
Hill of gold is here
And we are at present
In front of it.

Hill of gold
Is flying away
From this place
And we are looking
Towards that hill.

Hill of gold,
Hill of gold is here
And we climb on
And over it
With all hilarity.

Gajanan Mishra
Himalaya's Queen

Come dear, come and see
The Himalaya's queen
Giving us life.
Let me allow to give
A name 'The Ganges'
Calm and serene.
Here, see my dear,
The robes of white,
Place - where
The earth and the sky meet.
I see there, the light,
Love light of the moon,
I feel my heart thrills,
Hearing the voice of the hills.

Gajanan Mishra

For the sake of future,
For the sake of entire humanity,
All should live non-armed.
All should keep good-will
Within them for prosperity.
All should have patience,
All should keep tolerance
And live, with all positiveness.

Gajanan Mishra
Hippopotamus

We inhabit in
Water.
Water is our life.
Life in water,
Think, how wonder.
Wonder - this world,
No power is here
With us to
Predict future.
But it is water,
And water is our lives.
We are all aquatic.
No mystic but we live
Only for His majestic.

Gajanan Mishra
His Business

What is rule
What is not
It is not my business
To go in to
I am natural born
I am a natural man
I die naturally
Who are you to
Frame rule for me
When you are also going
In the same process
With me simultaneously
Let the almighty do
Whatever He like
And it is His business
To think to act
And to come to an end
It is true we have
No hand.

Gajanan Mishra
His Feet- My Boat

His feet is my boat
But I know not
How to cross over
The ocean and it is
He who knows better
I am not eager
And why should I
He has taken all
The responsibility
To answer with honor.

Gajanan Mishra
His Round Eyes

His round eyes are
Calling me always
Like the morning sun
And the rising full moon
I am within the net
Of His eyes
And enlightening myself
In His sky.

Gajanan Mishra
His Round Eyes Are Calling Me

His round eyes are
Calling me always
Like the morning sun
And the rising full moon
I am within the net
Of His eyes
And enlightening myself
In His sky.

Is not unpleasant
I do not hate duty

And none of attachment

And His Will alone is fulfilled.

It is all
His will.
I am here
To honour
Him, as
I am in
His limit.

Gajanan Mishra
Hiss

Hear the hisses,
It is there within.
Fire and it is fire.
Histology says,
You are there.
No other person is
There for hobnobing,
I know my dear
How to
Take all granted
Hobson's choice.
You are glittering,
You are shining
You are there within.

Gajanan Mishra
Historical

Without any past
See me I am historical.
I want no freedom,
I want nectar of
million bonds.

Gajanan Mishra
History

History is poetry and
Poetry is history
You are saying
That I agree
And I add
A question please tell
What is not poetry
And what poetry is
And you fly
Like a kite
Leaving me here
All night
And through my poetry
I try to make light
This life
Forgetting history
Forgetting geography.

Gajanan Mishra
History is not
So much relevant
For us now.
We are to know
How to proceed
Ahead afresh.
We are to struggle
With time for
Our own existence.
We are to bear
The sun and the rain
To make us strog.
We are to see this earth
As heaven at present.

Gajanan Mishra
Hit And Miss

Hit and miss,
Go side by side,
Worry not.
We are to proceed
With trust.

Our aim is to develop in
Peaceful atmosphere.
Our aim is
Keep mankind safe.

We are to see
No human catastrophe
Anywhere, at any time.
Ready we are to help men
In distress everywhere.

Gajanan Mishra
Hit And Run Method

That I know is of
Little use here
Before You.

Hit and run method
That I know not
Is of great use
That You know.

Hit and run method
Is Your principle
That I am to follow
Here, my dear.

Gajanan Mishra
Hit The Moment

Your sitting,
Your eating,
Your walking,
Your smiling,
Your fighting,
Your running,
Your style of
Working hit
The moment, dear.
I can't stay
Without you, here,
It is but clear.
Come on, with all
Purity and be my partner.

Gajanan Mishra
Hither And Thither

Hither and thither
See the glowworms but
You can not find
The stars in the sky
As it is rainy season
And it is cloud there.

Good men you can not find
At this time and what
You find hither and thither
All bad men as it is
Bad and inauspicious times
Find only miscreants there.

Men of real knowledge are covered
By influence of material advancement.

Gajanan Mishra
Hoard Not Anything

Hoard, not anything,
Hoarding would not help
Anyone at any time.
And we are all
On the crossroads
And we are to go out from it.
Let life go
On the way it so like,
And let the wind pass
With the life herein.
The sky is not broken,
I am sure for anything.
No one is capable to
Stop the star there.
And life lacks something,
And what is that,
That I am searching.
The night is calling me,
I also assured
To go in due time.
The day is waiting to
Complete the work,
So allotted, with me.

Gajanan Mishra
Hoarding

Hoarding itself
is wrong and illegal.

It is in noway helpful
to anybody.

Gajanan Mishra
Hockey Wizard

Hockey Wizard - Dhyan Chand
Of Bharat that is India
Greatest field hockey
player of all times.
See him, superb ball controller,
and not as a mere Major.
Dhyan Chand - the Ratna,
Dhyan Chand - the Arjuna,

Dhyan Chand - Padma Bhushan.

Gajanan Mishra
Hocus-Pocus

I believe in words with truth,
But not in hocus-pocus
That are there with you.

Gajanan Mishra
Hoe To Penetrate

Let us have a test
In the blazing fire
Let us see the spark
Though little
It is the original
With authoritative language
That is expressed.

Gajanan Mishra
Hog Or Dog

Go and live.

Happy and bliss
Your search is foolish.

Just attain life
And see the beauty.

Eat and sleep
New life to peep.

Gajanan Mishra
Hogwash

Human life is
Not for hogwash,
But for research.
Search and research
The truth and
The love here
All the times,
And try to solve
All problems.
Reading and observing,
While living should be
The target of all.
Speaking and hearing
The truth, only the truth,
Should be the process of life.

Gajanan Mishra
Hoisting Of Flag

Hoisting of flag
Is a crime?
But let me
Hoist
That of yours,
As I love you.
For love,
I am ready to die
See, here,
I am your fan,
I know no one
can topple you,
I know you are
Right in truth.

Gajanan Mishra
Hold Me Tight

Hold me,
Hold me tight.
And hold on
In your work.

Gajanan Mishra
Hold On

Hold on
What you have
If you can.

My love, hold on,
Your own life
Here in truth.

Hold on, my dear,
I am yours
Here at this time.

Try to know
How to pull on
With me.

My dear, I am
Yours for ever.

Gajanan Mishra
Hold on, hold on
And hold on
That is in you.
Are you sure
You are here
And it is just a failure.
What is fear in it?
In beauty or
In glory!
My potency is
My charity and
I am in trouble
By my sweet will,
Hold on policy.

Gajanan Mishra
Hold This Or That

Hold this or that-
No comment.
I know, nothing is
here or there.

Time to leave
is already ripen.
Yet, you are going on
counting seven.

Define please,
again, the meaning
of pleasure.
Say before all,
Time to awake
is here.

Gajanan Mishra
Hold Tight

Hold tight  
As per your might.  
But see nothing  
And get everything.  
Here it is  
Just an idea,  
The world,  
And the life.  
To go with the idea  
And not to go  
All is yours.  
Collect the time  
Scattered in  
Open field.  
But time is not yours  
When you treat yourself  
As the slave of it.  
Hold tight,  
But be cautious,  
Love may not be there  
In your own idea.

Gajanan Mishra
Holding Hands

I am holding your hands my dear
For this your hands have not been seen
To others.

Gajanan Mishra
Holding My Hands

Holding my hands
You are taking me
To the place where
You are, my dear.

And where you are not
I am asking you, my dear,
And you are remaining silent,
I got my answer, clear.

I found no use of my caste
My color, my creed, my religion,
And also my knowledge and my
Qualification, my dear, and
You have seen and felt my love
Only love and nothing but love here.

Gajanan Mishra
Holding The Earth

I know,
You are holding the earth.
I know
You have a special relation
With my livelihood.
I know
You are there
As my guard.
I know you are
My everything.
I know without you
I am nothing.
Yet I am creating you,
This is the only truth.

Gajanan Mishra
Hole Is There

Hole is there,
There might be a snake,
Danger ahead.

Gajanan Mishra
Holi

Let us celebrate and enjoy Holi
With the colors of flowers
At this spring.
Flowers blooming
Fragrant natural colors
Seasonal herbs
That has therapeutic value
For skin and health.
Smeared phagwa on friend's face
Renew your friendship
It is unforgettable fun.
Holi is the symbol of victory
Victory of truth and justice
Victory of friendship with eternity
God is within us
And on this day of Phalguna Purnima
Full moon day of March I
Wish a happy Holi to all
And hope Your peace and prosperity
And fraternity for a better world order
Through my poetry.

Gajanan Mishra
Hollow

We are all there,
with our flags red,
green, black and yellow,
But the earth is
there to embrace us.

Gajanan Mishra
Hollow Dream

Life- a hollow dream,
What is there
In the dream,
Colourless stream,
Difficult to Understand
The meaning.
How can I say worthless?
But hollowly I am working.
And I am crossing the over-bridge
With the hologram.

Gajanan Mishra
Hollow Roar

I heard it there,
The hollow roars
That is all yours.
I heard it there
But I love it
As it was yours.
I called you mine
And it was a mistake
I realized in your roars.
But I love you
As you are there
Only to guide me
And to shape me and to
Take me in proper ways.

Gajanan Mishra
Holy

Holy, Holy,
Holy Father,
Holy Saturday,
Holy Land,

Gajanan Mishra
Holy Life-Fire

Holy life-fire,
And You my dear,
Are busy in
Burning it perennially.
And You are giving
Direction to perform
Routine necessary rites.

You showers the Supreme bliss
And the auspicious bliss,
Nondual consciousness perpetually,
You are independent, my dear,
And eternally contended
And firmly established in me,
And to know You is my birth right.

Gajanan Mishra
Holy Places

All the holy places
Are within you, my dear
No need to wander
Throughout the universe.
See within you, my dear

Every god every goddess
Are here in you to make
You pure and divine.

For all.
Think pure, Eat pure,
Read pure,
Live pure,
In talk,
In walk,
In business,
Keep all purity.
No war but peace,
No fury but tolerance,
No foe but friendship
All we should keep.
See and observe
Nature, dear.
Stay here
Without fear.
With love
With truth,
God like
You appear.
No stranger,
All are yours
Near and dear.

Gajanan Mishra
Holy Tree

Let me say
This body-
A holy tree.
Let us use it
For others.
Words are
The fruits,
Smile is flower.
Actions are nectar.
Let us use all
For the benefits
Of others.
It is nothing
But love.

Gajanan Mishra
Holy War

Holy war,
Let me say
It is love.
Where no one
Is the loser.
This war can
Removes your
Worries dear.
Think not
This war is
Western or
Eastern.
Think not
It is man-made.
And hence, my dear,
Celebrate this war
With utmost interest.
Love war, holy war,
Is going on all times
Everywhere for
Future prospects.

Gajanan Mishra
Holy, Holy, Holy

Holy, holy, holy,
You are holy,
You are holy,
Your idea is holy,
Your work is holy,
What You possess is holy,
Holy, holy, holy.

I am holy, I am holy,
Being Your part and parcel,
I am holy, I am holy,
By Your grace, O abode of mercy,
I am holy, my word is holy,
My deed is holy, as it is
Related to You. and as it is in Truth.

I have realized Your greatness,
You are knowledge and bliss personified,
Holy, holy, holy,
You are holy, I am holy,
Everything here is holy,
You are resolute mind, I know no satiety
As I quaff with the cups of my ears Your nectar-words.

Gajanan Mishra
Holy, Take It Holy

Holy, take it holy,
This life is holy
And everything is holy.
My love, my sweet heart,
My life you are,
I am here with you
And also I am there.
Our relation is holy,
O my dear, and it is all joy.

Gajanan Mishra
Home - Heaven

Where is heaven, that
I don't know,
But I know,
Where there is my mother,
Where there is my mother-tongue,
That place is more than heaven.
Where I am free and sovereign,
Where I am free from hunger and thirst,
That land is more than heaven.
Where there is love and affection
From every corner from everybody
Without any self-interest, that place
Is much better than heaven.
And it is my home place..

Gajanan Mishra
Home Coming

What is this home coming
I am not interested to know,
People who know nothing
Are making hues and cries
And busy in fighting among
Themselves for nothing.
They have forgotten that
Their coming to this place
Is to enjoy and to see the beauty.
They have forgotten their own
Problems like poverty, hunger,
Disease and unemployment though
I know that have also no value.
People are not ready to admit the truth.

Gajanan Mishra
Home Is Home

Home is home
Sweet home
Body is body
Given by daddy
But nothing is secured.

Good thing is always good
But what is good
God is only one person
Who can choose to give
Answer before you.

Jasmine is yellow
And I am affected by jaundice
And jackals are there
Behind my home
Daddy can save me, who is at Rome.

Gajanan Mishra
Home Town

It was clean,
My hometown
At that time
When I was a child,
But now not so.

At that time
I was going through
A simple process,
But now not so.

Rice dal vegetables,
Water air land
All were pure
At that time,
But now not so.

How to live?
With whom to live?
Where to live? ?
All are basic questions
With no answer.

Now I am there
With you,
But no truth.
No real love.
And all relations
Based on only
Business tactics.
When I was a child
It was not so.

The grass was green,
The sky was blue,
Are they not like that now?
I am confused,
So much changed
For what, whose fault?
Where is the cuckoo?
Where is the breeze?
Where am I?

Gajanan Mishra
Home, Home, Sweet Home They Said

Home, home, sweet home.. they said.
But we say the earth is our home,
It is our heaven, and more than heaven.
It is so mystic heaven with multi-colored
And everything filled-up.
Only the time is with us and we should
Stay here wonder, seeing each and
Everything as wonderful - The bird,
The flower, the clouds, the sky,
The water, the pond, the river, the lake,
The ocean, the mountains, the field,
The trees, the jungles, the field, the stream
And so many items that we have witnessed.
Let this home be with us for ever and
We are here for them so also they are
All here for us only.

Gajanan Mishra
My home, your home,
Our home, sweet home,
Home, home, sweet home,
Rightly said, no place
Is there like our home,
- The earth.

Here on this earth
We find love and life,
Life and the truth,
Truthful relationship
Is here, let us discover,
How we are in peace
And in tranquility
For all welfare.

We are for us,
And we know how to lead
A life of the complete whole.
How to reach the truth,
How to proceed forward,
How to breathe air,
How to take water, my dear,
But say touch me and
Love me and give me life
Again and again in this home,
I recognize it as unique.

Gajanan Mishra
Homeless

Where is my home?
Am I homeless?

The very word home
Is really confusing.

But it is sure,
Darkness has no place
Here at my home.

Free air is there,
With pure water.

The sky is clean,
The earth is corrupt free.

Peace is there,
And the home is
The center of all knowledge.

And here at this home,
the achievement of knowledge
Is considered to be the highest.

And here at this home,
One can cross the ocean.

And here at this home,
One can get everything.

Gajanan Mishra
Homeless Lifeless

Homeless, lifeless,
Without you, my dear.
You are my ears
You are my eyes,
My legs my hands,
And everything you are,
Without you,
I am nothing but
But dust but space.
I am my voice
Of my time and
In all time.
Each body is my home,
Each living being
Represent me.
No death can touch me,
Call me in any name,
See me in any face.
I am the knowledge of
Each sun coming
At every morning.
I am the sculpture of air
Residing in the star.
And you are in me
Good and fair.

Gajanan Mishra
Honest

Am I honest?
O yes, hundred percent.
Look,
I am hearing you
I am singing for you
I am accepting you
Hundred percent.
And look O my dear,
Here is the literature
With me full of descriptions
Of Your glories name fame
And is meant for
A revolution in this society
Full of impious.

Gajanan Mishra
Honest And Genuine

Honest and genuine
Sincere and truthful
Are my qualifications.
And I am available
With You, always, see
And feel me, my dear.

I am veracious
Practicing path of
Eternal truth.
I have taken a vow
Of truthfulness and
Performing all virtuous acts.

I am shining as a radiant
Moon, see within, see within.

Gajanan Mishra
Honest Path

Follow the honest path
And achieve the goal.
Goal is to discover
The truth.
Truth is the self,
The self is there
In you.
Know yourself,

See and feel the world.
Your own body is your
Own home and palace,
Try to love it sacred.

Gajanan Mishra

With pleasure
Drink the honey
Here it is in nature.

Live in nature
And avoid distress
Glance the life
With ecstasy.

Accept everything
That are coming
As gift
It is for all benefit.

Life is Yours
The world is Yours.

Gajanan Mishra
Honey Mixed With Poison

Evil men ruined everyone
By the counsel of vile men lost wit.

Gajanan Mishra
Honey Of Life

Honey of life - love,
Love all and live, my dear.

Through love,
Do good to all.

Love alone can
Awards good fortune.

Love alone can take steps
For all welfare.

Gajanan Mishra
Honeylike Words

Honeylike words,
Generous smile,
Playful glances,
All together
Stolen away my hearts
And everything.
No ocean of distress
Can touch me anymore.
And I am on the way of
New construction.
I know love needs
No intelligence.
Life is all beautiful
And charming.

Gajanan Mishra
Honor Everyone

Almighty is there
Within all.

Keep your words
In words there
Is nectar.

Give good treatment
And protect everybody
Makes it as primary duty.

O my dear, honor
Each and everyone
As you know
Dishonor is
Worse than death.

Gajanan Mishra
Honor The Time

Honor the time
The force of time
Is insurmountable.

Shoe can climb the head
And bears the royal crown.

The so called inferior
Can rule over the superiors.

The milk-fed snake can
Bite the masters.

A lamb can claim
It killed the lion.

Don't be arrogant
O men, on the throne
Anything could be happen
And you might fall down.

The scoundrels are ruling
All over the state and see
They are proud and corrupted
O my dear men, by showing your
Original powers of voting give
Them a lesson and oust them.

Gajanan Mishra
Honour

You are honored
You are endowed with
Divine nature.

I am not honored
I am endowed with
Demonic nature.

O honorable!
You are really
Worthy of honor.

Gajanan Mishra
Honour Me

Honour me,
Honour my
Voice of
Colours.
There is
Love
There is
Truth.
Everything
Is there
What you
Are in need.
Honour me
For my bravery.

Gajanan Mishra
Honourable Ending

I want an honourable ending
Here, within the truth.
And truth is
What I dare to say
Before all.
All are here
Waiting for truth,
That is the life
Here, let me
Discover at present.
See a chain system,
And it is here
Not at the end but
Beginning is only here.

Gajanan Mishra
Hope - Other Side

Hope -
Other side of despair.
Like the sky
The other side of earth.

If one is on the earth
No chance of fall,
If one is near and within
What is the use of call.

And call me
I would be happy,
Still hope is better option
For the wise.

Gajanan Mishra
Hope and desire
Deprived you
To enjoy comfortable
Life here and there.

Truth and justice
Supplied you
All the necessaries
That are in you.

Gajanan Mishra
Hope For The Best

Hope for the best.
We are here to test.
We are here
With our mother
With our sister
With our daughter
And they are here
To see us better
And better.
Let us hope for the best
The world is with us
And we are here
To give a test.

Gajanan Mishra
Hope In Prison

Hope in prison
And we are
All in prison and
In prison, find
It is not dark if
We are able to
Light up the hearts.

Life is a festival
See life in prison
See life as a
Mass of beauty
See it is music and joy
See it is dazzling in wisdom
See it is eternal.

Gajanan Mishra
Hope Is A Tie

I am going with it.

It is anger
That is destroying me
From the beginning
Not the hope.

I am getting pleasure
In hope
Let me go.

Hoarding in any manner
Is wrong acts
That is the only sorrow.

How dare you say
I am unfair
In this sky.

The sky is breaking
Before me as you see
with the clouds of rain.

Still I have hope
Still i have dream
Still I have life.

Hope is a tie
I love it.

Gajanan Mishra
Hope Is Still There

Hope the best.
Hope is still there
In my body-nest.

It is hope,
For which I am living
It is not,
Hope against hope.

Hope the best.
One who is,
The best
Can only keep hope.

Hope is only hope
If you are
Not in a mood to hope.

Gajanan Mishra
Hope Not Prosperity

Hope not prosperity,
Dear men, by assigning
And giving importance
To foreign language,
Foreign men,
Colour of turmeric,
They are not yours,
Not for you.
Know your own virtues,
Know your land,
Respect your own mother,
Do your own duty,
Towards your ancestors,
See the development of
Your own sons and daughters.

Gajanan Mishra
Hope Of Boat

Taking hope of boat,
I mean to say
also boat of hope,
I crossed the river.

And my dreams are
as active as ever,
I know not how and
what for this journey is.

During this journey
I find no waves in the water,
No fragrance in the air and also
no patience with the earth.

And I am tolerating all
That are with me here only for hope.

Gajanan Mishra
Hope The Best

Hope the best.
Hope is still there
In my body-nest.

It is hope,
For which I am living
It is not,
Hope against hope.

Hope the best.
One who is,
The best
Can only keep hope.

Hope is only hope
If you are
Not in a mood to hope.

Gajanan Mishra
Hope To See You Later

Hope to see you later, my dear.
Hope to win the battle of all battles
Here after.

Gajanan Mishra
Hope, Hope And Hope

Live in hope,
Hope, hope and hope.
Let me say again
That words live
As young as your hope,

Be not without hope
In hours of adversity
Rightly said Nizami and
Optimistic attitude of life
And have pleasant thoughts always.

Gajanan Mishra
Hopeful

I am hopeful, my friend
You are getting joy
I am sure, You are
At heaven's gate.

O my sweet love, I am
Always talking to You
My words are for
You only and for You.

Open the door of
True knowledge, my dear
And make entry
It is your glory.

Gajanan Mishra
Horns Of A Dilemma

We are all
At every moment
Discovered ourselves
On the horns of a dilemma.

We are all
Facing the time
Always that is adverse
Here and there.

And so I pray
My dear men here
Realize your duty
And be truthful to it.

Have courage and face the reality, my dear
And go on doing that are most sacred obligations.

Gajanan Mishra
Horoscopes

Your horoscope
is telling so many
things to me,
In your horoscope
I find so many
fun therein.
I know, you
belong to gemini,
your emotion clouds
your ability to reason.
Keep all options open
knowing the art of balancing,
Wait and watch the life daily
in the morning and evening.
Make a stitch in time
to save nine,
Watch those calories
Heading for the gym.

Gajanan Mishra
Horrible Scenes

Full of
Horrible scenes,
Here, I have seen,
In my own eyes.
But I have not
Been affected
In any way.
so many soft,
So many hard,
So many hot,
So many cold
I have felt
And I have touched
Yet I have not
Been affected
In any way.
So many scents
Good and bad
I have experienced
But to me
No difference.
As before I am here
Unaffected and
I know life
In its true sense.

Gajanan Mishra
Horse Trading

What is horse
What is trade
I do not know.

I know the word
Horse trading from
Politics of the country.

It refers to the purchase of
Representative to retain power
I do not know what is power
In the true sense
You may called me non-sense.

Gajanan Mishra
Hospital

Are you in hospital?
Aren't you?
What do you mean
By hospital?
Let me say
This world is
Your hospital.
Treat yourself
Well here, my dear.
And after recovery
You are free to
Go to your own place.
Where is your place?
Do you know?
If not
Try to know.
How to go
That depends on you.
Tell all
Who are you.
Tell all
The diseases you
Suffer from.
Tell the name
Of your doctor,
Tell the name
Of the medicines
He prescribes.
Are you well now?
Ask yourself
My dear.

Gajanan Mishra
Host

Questions, only questions
answers of those questions
you cannot find here.

Go, Go, and go
Where to go
please do not ask.

We are all here in a cage
and we all are guest
who is there to host
I do not know.

So many things I do not knoe
ask me not.

Go, go alone, all alone
If you find somewhere
something that is yours.

I do not know
What is there to say
with the host.

Gajanan Mishra
Host Of Virtues

I love You,
As much as, You love me.

O my dear, I am ready,
I am ready to fix my thoughts
On You and on You only.

Gajanan Mishra
Hostage Crisis

Who is a hostage
What is the crisis
Who is there
To solve this.

I am here
In this world
And I am in crisis
It is your world
It is you
Who solve my crisis.

The crisis of
Identification
The crisis of
Beautification
The crisis of
Unification
The crisis of
Liberation.

Gajanan Mishra
Hot And Cold

Here is the ocean
And also I
With insatiable longings
In the way of destruction
With own griefs.

We are not able to
Withdraw ourselfs
From the barracks
Of the enemies
That are in our rooms.

I am in the ocean
And the ocean is with me
And the distress we faced
As we used to blow
Hot and cold at a time.

Gajanan Mishra
Hot and cold
We are sold
Sold to You
My dear, just bear
So long as you are
Here, we are not to suffer
O Master, we click the button
And you present here
All of a sudden
Cold we used
Hot we used
Everything is our life
And You said
What we have.

Gajanan Mishra
Hot April Day

Hot April day,
Come on guy,
Celebrate it
And say
What you think
About the sun ray.
Well, ponds, rivers all dry
And safe water a far cry.

Gajanan Mishra
Hot Bed

Hot bed,
This world,
Full of ice.

Cemented and
Opened till
Close of life.

Rush,
This world,
And no ruse,
In this place.

Tree
But no seeds.
Seeds awaken
In new dictionary.

Gajanan Mishra
Hot Day

We reeled
Under 46 degrees,
And still,
We are alive,
Painful, though.
We are awake,
And we ignore not
The dark, the untruth.

Gajanan Mishra
Hot More, Cold More

Hot more, cold more,
More happiness, more sorrow.

Let me show my face,
But how?

Nothing to define the truth,
Man, who can say anything,
It is only you.

The story, the scriptures
All are there.
Since I failed to
Read or hear,
That have no value.

Regret, I am unable to say,
What is there in the sky.

Gajanan Mishra
Hot Piece

Hot piece
Accent piece
Chain beads
On the switch
On the beach
Poem hunts
And You whiz.

Gajanan Mishra
Hot Plate On Boil

Hot plate on boil,
I am on this plate
At present with you.

Gajanan Mishra
Hot Shots

I can not write
What you want to write.

I am writting
What is necessary to write.

To write is to observe
To observe is to recognise life.

Life is nothing but a poem.
And a poem is to write
What I can not write.

Gajanan Mishra
Hot Spot

Not salt
It is sugar
If you like
Sail on water.

See only water
Here and
Wonder not
War knock.

This is
That hot spot.

Gajanan Mishra
Hot Sun In Cold Water

My dear, think for
The day of acceptance.

Gajanan Mishra
Hot Tea

My hot tea,
My fresh flower,
My new dress,
My singing river,
My smile, my tears,
You are my time
And my life-partner.
My shadow, my words,
You are my all and all
And I am with you, dear.
You are the symbol of
My love and truth,
I feel good with you
When I say I love you.

Gajanan Mishra
Hottest Part

Show me
The hottest part.
Tell me
The hottest words.
Hear me
The hottest stories.

All at the top
Of the mountains,
At the bottom
Of the ocean,
All in the air.

All good and all fair,
Take care,
Love and star.
All imaginations,
All ideas.

All but fire
Take care.

Gajanan Mishra
Hour Of A New Era

My hour of death would be
The symbolic hour of a new era.
New era in purified form,
New era in sovereignty norm,
New era in new custom,
New era in love and truth
And in new contemplation, as
My very birth is in new illumination..

Gajanan Mishra
House

House without owner
Beyond imagination
Owner without house
Not full culmination.
If owner is not here
Imagine the condition.
What is the value of
The owner is house
Is not here.

Gajanan Mishra
House Arrest

1.

Each and every one is
Under house arrest.
No way to
Go out.
No one knows
What is inside
The house and
What is there
Outside.

2.

No one is
Ready to go through
Life's literature.
And each one is
Interested to
Involve himself
In diplomatic drama.
And each one is fearful,
Reasons not known, though.

3.

Nothing to learn,
And each one is
Aggressive for nothing.
To live well
Is the motto, though.
Guilty of nothing,
No crime, still,
Each one says farewell,
Nowhere to go, all know.

Gajanan Mishra
House Holder's Life

Householder's life
Is a life full of worries
Dusts and ashes.
And it is said
Householder's life
Is the best life.
With equal vision
If the householder manages
His responsibilities
With love
And with all truthfulness
There is no substitute of him.
The Almighty God
Praises him.

Gajanan Mishra
House In The Sky

I am busy in building
A house in the sky.
You are busy in showing
Me a mirage in the desert.

Gajanan Mishra
House Love

Here I am,
In my house,
There she is
In her house.
Who am I,
And who is she
No one knows
And yet
We both are
Here together.
Here together
We both for
Each other.
We both are here.

Gajanan Mishra
Here I am,
In my house,
There she is
In her house.
Who am I,
And who is she
No one knows
And yet
We both are
Here together.
Here together
We both for
Each other.
We both are here.

Gajanan Mishra
House, I Am Searching

House, I am searching.  
Space, I am searching.  
I know all are in me.  
I am in the house and  
The house is moving  
Here and there for  
The purpose not known.  
The house knows me  
And the house is  
Taking shelter in me.  
I am the rhyme,  
I am the time,  
I am the line.  
Line of concealment,  
Line of enrollment,  
For future discovery.

Gajanan Mishra
Householder

I am a simple householder,
I am performing my duties
To the best of my capacity.
I know the household life
Is the best of all life
Wherein I can get the truth
Very easily. I never think
The renounced order of life.
I can do anything here
In this life as you know.
I am trained by my father
In the discipline of action.
Let me allow to inspire
My daughters and sons.

Gajanan Mishra
How

I want to be a great poet
But how I forgot word sentence
Letter grammer so on and so on.
I want to say my story your story
But how I forgot the home the body
land water air sky fire so on and so on.
I do not want to be here at this moment
But how I forgot to live in the playground
With the children with the buds of garden.
I do not to go anywhere at any point of time
But how I forgot to explain the reason
That are within that I have not done.

Gajanan Mishra
How A Judge Should Be

A judge should be
  Tranquil,
Free from hatred,
Free from fear.
He should have power
To distinguish
Both right and wrong.
The judge is
The guardian of law,
He is established
In the law.
The judge should be
Free from impurity
And wise as truth,
Non-violence, virtue
All dwell in him.
The judge should be
A man of guarding speech,
Controlling mind
And not doing wrong
With the body.

Gajanan Mishra
How And Why

How and why
Ask not but
Enjoy the flowers
And the fruits
Given by the trees.

Enjoy the clouds and
The rain but lodge not
Any complaint
Before anyone.

Enjoy the day
With love but
Interfere not
With any
Internal business.

Fear, not the sun,
Enjoy the sweet smile
Of the moon at this hour.
Love is not wild,
NO desert roam- life.

All around,
Terror and dismay.
But worry not,
Life is in soft-rock,
With dreams
In a beautiful stream.

Gajanan Mishra
How Are You

Kenta achhan aapan I am asking in my mother tongue Kosli
Aapana kemiti achhanti I am asking in my state language odia
How are You I am asking in English a language
Commonly used in world forum now a days
Question is one and I am putting the same question
In many languages to You and to all.

O my dear, like this You are the question and
You are the answer but in so many forums outwardly
Meaning is one and the same for all everywhere
It is my duty to look in to the inner Self and not to
Wander outwardly here there and nowhere
My dear, I know You are here for the welfare of all.

Gajanan Mishra
How Are You And

How are you and
Where are you,
I want to know the truth.

Are you okay
With your mother?
I want to know
The name of your mother.

What is suffering
That I want to hear.

And I wonder,
You have nothing to
Answer in proper.

I am just a listener
You are to tell with figures.

Gajanan Mishra
How Beautiful

How beautiful is the sky
With its blueness.
How beautiful is the mountain
With its patience.
How beautiful is the earth
With its tolerance.
How beautiful is the air
With its fairness.
How beautiful is the water
With its life insurance.
How beautiful is the light
With its self-confidence.
My good luck, I am with all
Being a man of forbearance.

Gajanan Mishra
How Can

How can I
And how can you stay
Without doing anything?

Forget about adversity
And forget also prosperity.

You cannot make
Any friendship
With anything
With anybody,
Find there
Only impossibility.
Your sayings
All are
Your ignorance.

Gajanan Mishra
How Can A Dead Man

How can a dead man
Do any wrong?
One who does nothing
Do no wrong.

Live my dear,
Go on living
There is no wrong
In living.

While living
See others
And let them live
With dignity.

Do something and live
Repeat not any wrong and live.

Gajanan Mishra
How Can I

How can I
Brutalize you
O my dear
You are part and
parcel of my soul
You are my soul
You are my heartbeat
How can I go
Against you
It is just
Going against
Myself.

Gajanan Mishra
How Can I Attain You

How can I attain you
Since you are mine
And you are within me.
You are the beginning
Of my end and also
The end of my beginning.
You know what is what
And I realize every time
Everywhere you are here
And doing everything
For the welfare of all.
Who said you are actionless,
You are disinterested
But I know you are what I am.

Gajanan Mishra
How Can I Be Available

How can I be available,
Everywhere, all time?
But I am personally
There with you, dear.
I am in my own body,
And I am aloof from you.

Gajanan Mishra
How Can I Be Free

How can I be free
From the stupidity
Of my hope, belief
And dependence on
The matter, my dear?
Excuse me, I am here
Counting night and days
One and one and witnessing
What is happening
With me and the consequences
Thereof I am facing alone.
Rain is coming, summer is coming
And I am living with spring
As You are here with me.

Gajanan Mishra
How Can I Believe You

How can I believe you
As I know you are not
In the mode of goodness.
You have no knowledge
And you are not here,
I know, to get happiness.
I know you are ignorant
And you are not able to
Distinguish between
The real and the unreal,
Between the right and wrong.
Since you are ignorant
You cannot know the reality
And darkness is there with you.

Gajanan Mishra
How Can I Compose

How can I compose
How can I compose a poem
Without You, my dear
I fear and it is not
Possible to say a single word
Unless You agree and allow.

I wish
I wish to drink the water
And the air of the ocean
But how can I do anything
Without You, my dear
I fear and I know it is
All Yours my dreams and
All the mystic powers that are here.

Here in my life-air
I want to see the smile of
Lily and also mally(white tulip)
But how can say I anything my dear
Without You that I don't know
I know everything is Your wish
You Yourself compose what
And when and where You like.

Gajanan Mishra
How Can I Count

How can I count
Unlimited number?
How can I measure
Unlimited space?

Yes I can count
I can measure and
It is possible
Only by love.

By love I can bind all
By devotion I can
Achieve all
Being part and parcel.

If you are in truth
You can understand my verse.

Gajanan Mishra
How Can I Cover You?

How can I cover you?
You are there,
There the bare truth.
And I myself, in bareness.

No word, no meaning,
But you appear, inside,
The silent spectator.

No dream, no reality,
No light, no shadow,
Let me hold- everything
is a magic-show.

No where to go,
And I know, you are a blore
And also a blow.

Gajanan Mishra
How Can I Cross The Sea?

How can I cross the sea when
I see no sea?
Body-sea, sea-body
And it is here with you
My dear, you are telling.
How far it is true
And how far it is false
How can I know
when you failed to
Define the sea in proper way.
I am coming out from the sea,
And the sea is grabbing me.
And I am trying to cross the sea,
And the sea is there without me as before.

Gajanan Mishra
How Can I Describe

How can I describe
The face of the sun,
The speed of the ocean.
I am on this narrow lane,
And you are asking me
So many questions
Without any prior permission.

Endlessly I am trying
To get the work done,
But to my surprise
No one is coming forward
Either with pen
Or with the gun.

I joined myself
With so many associations,
But no one is clear
In vision.
I live and I face
Problems of poverty.
I drive my car with care
To touch the horizon.

Gajanan Mishra
How Can I Die?

How can I die
When I am in Your goodness?
And I am there
With full freedom.

I know, my death
Is not mine
When I am
In discipline
When I think
Desire has no meaning.

How can I die?
I know there is nothing
Called death anywhere
And I am everywhere.

Gajanan Mishra
How Can I Disclose Who Am I

How can I disclose who am I
And how to know where to go,
To go and not to go is not
Under my control, I know well.
And I know I am dependent and
Yet I am confident I am here
Independent fully to do anything.
I am not open to scrutiny, okay,
I am keeping my records to reduce
Tensions there within for regulative
Injunctions for better funding of
Life and properties with free airtime.
Let me contribute what is there
In me and let me move freely for all.

Gajanan Mishra
How Can I Distinguish

How can I distinguish
Which is good and which is not
I am in confusion
It is you O my dear
Who can only help me
At this juncture.

I know you are both
Good and only good
That I am ready to
Go with, O my dear
Through me not anywhere
I am your just near.

Gajanan Mishra
How Can I Do More

How can I do more?
More what?

I know the value of
What I am doing here.

I am sure you are
all in them in some way
or the other.

When one is taking birth
I said it is well and good.

And I am delighted
with your presence.

It is you and
It is you for whom
I am here.

Gajanan Mishra
How Can I Escape?

How can I escape?
How can I escape from you?

Gajanan Mishra
How Can I Expect

How can I expect anything
When I know that on this work
I have nothing to gain,
And nothing to get anything,
At any time, I know here
I have to give everything
My wish, my wealth, and also
That are so called mine.

Gajanan Mishra
How Can I Fall

How can I fall
As I am yours.
I have no flaw
As you are here
With me always.
I am yours and
I am fearless
See me here, dear.

Gajanan Mishra
How Can I Follow You

O my dear, as I am here?
I am here, see
With You and it is Your greatness.
Your greatness is in Your name
My dear, I am chanting always, hear.

Gajanan Mishra
How Can I Forget 'i Am'

How can I forget 'I am'
How can I forget the truth,
I am the fragment of the truth,
I am at the root.

Any means, I like, is yours,
Let me rectify the error,
I seek, from the very start.

But forgetfulness is my nature,
Let me go with it for the rest,
Let me switch over to my origin.

Let me cut off the tree first
I stand for the root above,
I am there at this juncture
For my own future, that has no feather.

Gajanan Mishra
How Can I Forget

How can I forget
The night that is
Within me?
But I can forget
The day that is
Dark within.
All nights are
Not dark, I know.

Gajanan Mishra
How Can I Give

And what shall I give
I have nothing.

You are within me
You are outside me
And you are everything.

You may utilize Your things
In whatever way You like
I have nothing to say.

Still O my dear, if you want to take
You can take my life my wife my children
My home my furniture all household paraphernalia.

I am offering You my body my soul my treasury
My strength my land that are Yours originally
O my dear, Your things I am offering, excuse me.

Gajanan Mishra
How Can I Go Away

How can I
Go away from You
I know I am You.

Gajanan Mishra
How Can I Help You?

How can I help you, dear men?
See, your life is filled,
Nothing is there that can
Loosen you, dear.

Take all the fruits of
My poetic life, dear men,
And stay safe from this
Pitiable condition.

But men, open your mouth
And utter always the truth.
Dear men open the doors
And windows of your house.

And stay cautious, dear men
Nothing and no one can vie with you.

Gajanan Mishra
How Can I Imitate You

I know imitation is bad
And sin and dangerous
How can I imitate you
At best I can follow you
Follow your instructions
That is good for me
That is good for all.

Gajanan Mishra
How Can I Know

How can I know
What you want,
But I know about
My world,
That is not hellish.

No one is sinful here,
I am sure,
All are going from
Darkness to light,
I am confirmed.

Heaven is here,
And all are getting
Nectar, my dear.
You can stay with pleasure.

Gajanan Mishra
How Can I Know You In Full

How can I know You in full
Look, I am a fool and I have
Recently been born and would
Soon die and You existed prior
To me though I am Your part and parcel
You are here within me and when You withdraw nothing else nobody else Remain no gross no subtle and nothing.

Gajanan Mishra
How Can I Know You?

Who are you?
Where are you?
How can I know you?

You are sitting
But no place is there.
You are talking
But no words are there.
You are keeping relations
But no passion is there.

But you walk
Without foot,
You work
Without hands.

I know you are nameless,
All names are yours though.
You are formless,
All forms are yours though.

But who are you,
How can I describe here? ?

Gajanan Mishra
How Can I Know Your Origin

How can I know Your origin
I know some of Your pastimes only
From the exhibition here.

Only I am here to hear You
Only I am here to see You.

I know You are here for my welfare
You are here there and so I am here
Question of my dissatisfaction is not there.

I see You in the sky
I see You in the air
I see You in the water
I see You in the fire
I see You on this earth
From the very birth.

Gajanan Mishra
How Can I Leave

How can I leave?
How can I leave you?
Are you different from me?

We both are
Not independent
Alone, we cannot stand.

We have everything together
The mind, the senses, the intellect,
But they are valueless
Without one of us.

We ourselves are the greatest wealth
And we are always here pleasing
And we are together, No one can
Say go there or come here.

Gajanan Mishra
How Can I Live Here

How can I live here,
This place becomes
Crowded with
Corrupt population.

Almost all are
Hankering after money,
Women and by hook or crook,
Try to gain political power.

I am going to ruin,
No tree in jungle,
No compassion in men,
I am tormented by quarrels,
Hunger, thirst, diseases
And severe anxiety.

Gajanan Mishra
How Can I Live Without Poems

How can I live without poems?
All poems are in you, I know.
You my love, you my life, you my truth.
See me, discover me, test me but
Take me in to your confidence
And let me write poems.
My configuration is just like you,
Confinement period is over
Let me fly from the poems.
I want to stay with poems after
My departure from here
Let me write my poems in you.
With all my love, with all truth
I am here to write about you.

Gajanan Mishra
How Can I Love

How can I love you?
How can I get joy
Out of this love?

O my dear, I know
The truth here
We are one altogether.

This much is my action
That much is my fruit
Who is here to tell this truth.

No connection no view
No nature no fear
And I am searching a seer.

Gajanan Mishra
How Can I Make You Happy?

How can I make you happy?
The king asked.

The people said,
Nothing to do your honor,
But just to talk in our language.
Make us understand
What you are,
And how far you are transparent
In dealing with us.

The king laughed at the people
And said okay okay.
I know fools you are
You are so poor,
I'm really superior.

Gajanan Mishra
How Can I Measure The Ocean?

How can I measure the ocean?
How can you expect happiness,
Good health, peace of mind
In this world of turmoils?
How can I know the truth?
And what is the root cause of love?
What is purified and how can I
Know life on this earth?

Gajanan Mishra
How Can I Measure You

When I failed to
Measure myself.

When I myself failed
In all respect it is
Not possible to dream success.

Success is not an apple
That that is available
In the open market.

And even though it is available
The market is not under
My control.

Market rate is too high, my dear
To me and I am a mere poor man.

Gajanan Mishra
How Can I Please You?

How can I please you?
I have no desire
To please you, okay!
I have nothing to
Gain success, okay!
I know nothing is a
Success and nothing
Is a failure.
I know by creating
So many words you are
Intending to bind me.
But I am neither interested
Nor disinterested in
Any business that is yours.

Gajanan Mishra
How Can I Sail

How can I sail
on this leaking boat
and cross this ocean?
How can I stay
with this wife
who is abusive?

The king failed to
protect me in this
state how can I live?
The teacher failed to
teach me properly
How can I continue my study?

Gajanan Mishra

In good condition
And in life hot.

Gajanan Mishra
How Can I Say About My Fear

About the desert, nothing to say,
About the ocean, how can I say.
I often found, the desert and
The ocean together and I used to
Report the matter to my mother
And my mother said, fear not,
My son, nothing to fear,
But I fear, both the desert
And the ocean, for the reason
Not known to me yet.
So also I fear so many persons
Like the stray dogs, wounded birds,
And I mourn for nothing and my
Angry wife made her appearance before me
Not knowing anything.

Gajanan Mishra
How Can I Say Good Morning

How can I say good morning,
Since, my heart is not crying,
Not crying for all the creatures,
Since, you are in all the creatures.
I know not, whether good morning
Is the words used by hypocrite!
I know not, what is there going on
At this time, here after this piercing.
How can I say good morning,
Since, I know no good is here for anybody,
Since, no one knows the meaning
Of the very word morning.
If morning means rising of the sun and reign
Of light, then please say where it is!

Gajanan Mishra
How Can I Say My Dream

How can I say my dream is not in truth?
How can you say I am not here in front of you?
Still I am playing with the fragments of sky
Still you are talking with me committed to earth.

Come on, come on, my black mole, my white sandal!
It is the time to see each other in the match-final.
It is cold, it is chill, let us come together
with acceptability as per wish of blue eyes.

Teach me, teach me by phases your song, your dance,
Let me give a chance to write in free-verse, to show
my sorrows not in open market but in close door of yours
same nectar- rhythm full of desires beyond the body.

I have done all things here according to your direction
I have written as blessing while taking your dictation.

How can I separate myself from the words?
How can I go far from the words?
But I am the words and I am in the words.
I know the value of words and the words
Value me here for all time.
I am the power of the words and
The words are there to empower me.
I am the clarified butter of the words.
I am the honey and the gold of the earth,
I am the words and I am here
To enlarge the meanings of words
That are in the water and in the air.
I fire the words and I want to live
Without the words here in silent truth.

Gajanan Mishra
How Can I Share

How can I share
My heart my love
Not sharing means
Not alive, I know though.

I know knowledge means Jnana
And knowledge with realization
Means Vijnana and I know
Wisdom and what you said
Real knowledge of manifest divinity.

That I shared
And unfolded my love
With all freedom, my dear
I fear, I died not.

Gajanan Mishra
How Can I Share My Thought

How can I share my thought
When I find the words the colors
The lines the dots and all gestures
Failed to obey my orders.

Let me detach myself from all the above
And stay still in this flowing air and water
When the sky and the earth move on their own
At the night-fire that is within me.

And if one is in truth
In love and self-dependent
His happiness is beyond all words.

Gajanan Mishra
How Can The Poet

How can the poet
Go away from life?
Where there is life,
There is the poet.
Poet is not the escapist,
The escapist may turn
In to a poet.
Poet cannot be a saint
Or a hermit or a sage,
As everyone is in the poet.
I like the poet
In his original form,
And the poet is there
To put me in his norm.

Gajanan Mishra
How Can We Compare

How can we compare
The life of a tree with
That of a stone?
How can we say
The feeling of the clouds?
The jackals are there
Also there are the deer
In the jungle.
We are to take the mirror
While going to the temple also.
The source of water
Should be there within the pond.
Remember, sandal wood is
Different from bamboo.

For you, my dear men.

And go to the place where
There is no lion's den.

Denationalization of the self
Is not allowed here, remember,
And you have to stay dendritic
Without uttering single word here.

Gajanan Mishra
How Can You Conquer The Body?

But dear you are to
Give up everything and
Everyone just like stool.

Gajanan Mishra

But see me, I am here
With none. And for this
You cannot blame me

And you cannot make me stop.
I am speaking to you, I know
You are here the absolute truth.

And everything that is in me -
My poem, my symptoms of love
And my life’s truth.
Read my poems, read me
And know it is new always.

Gajanan Mishra
How Can You Get Good Quality?

Expect not good quality, please.

The special prerogative, enjoy it.

To die.

See me

With the ocean
To win.

In truth as I have no scale
To measure you here.

Gajanan Mishra
How Foolish You Are

Your lifetime is passed
At night in sleeping and

And is in miseries
Miseries of material existence
Birth, death, old age and disease.

With all nothingness.

Gajanan Mishra
How Long

How long will we use foreign language like English here within an independent sovereign democratic country like India and especially in our state Odisha which is separated only for Odia language in 1936 much before independent? How long will we neglect our own people and exploit them economically, socially, culturally like a foreign ruler and keep them in dark by not using their language anywhere at any time? How long will we disobey the law of this land and dishonor the very Constitution of India and the norms of democracy and continue doing all works that are anti-people?

How long,
And how long
Are you to keep yourself
Hidden?

You enjoy favoring
Devotion without
Any explanation.

How Many Days

How many days remain
I do not know

I do not know
What for you are staying
With me in this circle
In this dark and I am
Diminishing day by day.

What is a day
I do not know though
I am counting one two
Nobody is there to follow
They say
I am just a hollow.

No evidence
They produced
In support of their saying
And I am here
Just like self-conceit.

Suitable answer Aashanee has given-
Madam, it is summer that rules us.
Aashanee strongly said, forget
The other season mam, other like
Autumn, dewy, winter, spring and rainy,
As they have no more role to play.
Mam, we are no more seasonal,
The questions and also the answers
Are really not final, Let me clear,
Season are the signature of time's festival.

Gajanan Mishra
How Many Skies

How many skies are there

Personal status
Keeping You at the center
From the very beginning.

Gajanan Mishra

Let the filtered world come to you
For your allout welfare.

Gajanan Mishra
How Many Sun And Moon

How many sun and how many moon are there that I cannot say my dear, ask me not about all those questions, they are not under my jurisdiction.

I can say how I am revolving me within my circle with my hands and feet and busy in filling my belly and telling you good morning without any return or expectation.

I cannot say why the smoke is coming out from that steel plant of my town and how the flower is blooming in this rainy days and my grand daughter is crying to go to school.

I know, you are not able to say anything in these days and yet I am welcoming you to say.

Gajanan Mishra
How Many Suns

How many suns are there
That I know not

In the vast sky like red
Yellow, black, green
Black, brown etc etc.

And singing the life song
Always here with water.
And I know water is
There in the sun
With all its colours.

Gajanan Mishra
How Many Tongues

How many tongues have you

To say always palatable words
Is also not good.

But one must reap as one has sown
And must get what he has given
Multiplicity is not there it is well known.

What is there to belief and
What is there not to belief, my dear
That I know not, it is the fate
That is going on its own course.

Gajanan Mishra
How Many Types Are There

How many types are there,
Say, suit-boot types,

And that is within life-motion.

Gajanan Mishra
How Many Universes

How many universes are there,
I can't say, But if you ask,
I can say the number of stars
And moons here in my universe.

Who is most powerful here
That I can't say, but I can say
Who is doing what at his sweet will,
And what is going on here at this place
And with due respect, I can request you
With folded hands to maintain dignity.

From one place to another
Each one is going here, I know.
I know in this process of transformation
My earth is there as it was.

Gajanan Mishra
How Many Worlds

How many worlds are there?
Which world is ours?

In the name of love
In the name of beauty
Let us rapture the world
Together with honor.

It is our mutual love
Let us enjoy it together
So far we are here
And so far there is a
Clear cut principle and procedure.

Virtue joy bright glory and beauty
All positiveness have exhausted
In fashioning, who is knocking at this time?

Gajanan Mishra
How Much I Am Yours

How much I am yours a great point to note,
Telling something to please one at the instant
has no role to play in the wider connotation,
As coloring the sky has no value at dark night.

But at deep dark and middle of night everything
is started changing and we mark it after sleep,
Sleep is nothing but a death, forgetfulness is
nothing but preparing for a new life in the morning.

We are acrobats and we know how to go through the air
and we know all lights are here for us, we also know
the 'parrots in full flight' as said paz defy movement
and language and we are forgetting we are for ours.

Time is here to learn and we are running with time,
Words have so much value and that is not a thing to imagine.

Gajanan Mishra
How Much Developed

How much developed,
How much developed you are,
That I don't care.

I know, like me you are also
Eating sleeping walking
Crying smiling aging and dying.

I care not who you are
I know, whosoever you may be
You are bound to come to the last point.

And the last point is where
We all failed to predict our future
O my dear, it is not good to act as a polluter.

Gajanan Mishra
How Much Freedom

I am a citizen
of a state having sovereign
Socialist Secular
Democratic Republic.
The state has secured to me
Justice social economic
And political,
Liberty of thought
Expression belief
faith and worship,
Equality of status
And of opportunity,
Assuring dignity,
But nothing
Such things are here.
I am asking myself
How much freedom
I enjoy in my own state!
Am I free?
Is there any such freedom
That are there in
Our Constitution?
But none to answer
And still I don't care.
I live as before
With my own water and air.

Gajanan Mishra
How Nice You Are

How nice you are!
But for what
I am telling it
You may ask.
You know I have
Nothing to take
As personal gain.
I know, nothing is
Personal in this world.
Since everything is opened,
Each one is free
From fear and lamentation.
Ask not anything but
Try to understand
The seriousness of life.
But take easy
While taking anything.
Everything is a story
And it is to be told.

Gajanan Mishra
How Old Am I?

How can I say
How old am I?
Your asking
And my answering
All are nothing
But a matter to smile
With withered tongue
And tickling ears.

We are one and one,
We should rise and shine
At a time here.

This is our earth, my dear,
We all the creatures are
Living here with light
With air and water,
From up above the sky
We should wait for nectar.

Mutual growth should be
our aim and we should go
To achieve this giving
Support to each other.
As human beings we should
Take more responsibilities
To deliver all good to all.

The earth is our mother,
We are all one family members,
Let us come together,
Let us keep connection to each other,
Let us contribute for better future,
Let us go upward with humanity and culture.

Gajanan Mishra
Humanity And Development

Is my agenda and they
Complement each other.

Gajanan Mishra
Humanity And Smile

Humanity and smile,
Love and beauty
Life and light
I am fine
With my
Own simplicity.

In my heart
Seeds of love,
Find, herewith.
Think not
Otherwise, I am
Within.

Harvest courage
My dear, I am here.

Gajanan Mishra
Humanity- Common Cause

Humanity- common cause,
And we are concerned
With peace, friendship
And prosperity.

Let the truth prevails,
Let there be no disparity.
All light - there,
In human society.

Ultimate source is life,
Enjoy life with
Perfect knowledge.
be careful and know
True knowledge,
Within you.

Gajanan Mishra
Humanity Is Above

Humanity is above
Any nationality,
Or faith,
Or race.

Let us take pledge
To save humanity
And conquer terror
Through democracy.

Let us take pledge,
Never lets terrorist
Win here on this
Pious, peaceful earth.

Terrorism is barbarism and
Madness that will never defeat us.

Gajanan Mishra
Humanity Is Crying

Humanity is crying,
And I heard.
Helpless I am,
Sorry to say,
Though a man.

Sorry to say,
I have forgotten love,
Forgotten mercy.
I have remembered
Only territory,
Only sovereignty,
No meaning with life,
I know though.
I want to win the world,
With my false pride,
With so many speeches,
No truth is there though.

I care not anyone
Here and there.
By hook or crook,
I want power, prestige
And I want all prizes
With no value, though.

I have no time to see,
The men who are hungry,
The men who are thirsty,
The men who have no shelter,
The men who have no clothes.
I have no time to call them
And provide scope to
Give them a meaning of life.

Humanity is crying,
I heard, But I am silent.
Am I inhuman? or a man
With no human nature?
If I am reluctant to give
Human value, I am sure,
I am there to put my life
In danger. And peril -
My future.

Gajanan Mishra

**Humanity Wiping**

Humanity wiping and
Searching for survivors
Misplaced sympathies
At large.

Gajanan Mishra
Humble And Meek - Life

I am the best,
Only when I am
More tolerant than
A tree.
I am the best,
Only when
I am ready to offer
All respect
To others.
I am the best,
Only when
I am humble
And meek.

Gajanan Mishra
Humiliation

Humiliate me not, please.  
Let me live with  
Humble attitude of mind.  

Gajanan Mishra
Humility For Profit

Humility for profit
Arrogance for loss
Choose one my dear
Both are for us.

Gajanan Mishra
Humility Love Surrender

Humility love surrender
Life's nectar.

O earth dwellers
Heaven is here
You can not find
Another.

Pure love is within
Wood stone
With love
With devotion
Strengthen your life-bone.

Gajanan Mishra
Hundred And Thousand Years After

Hundred and thousand years after
We returned to this place
And declared we are in possession
With right title interest.

Nobody denied and we left
After beating the air in the sky
And many more arrived again
To request us to stay.

And we left for ever
With an assurance
Not to return again
To tell anything.

Gajanan Mishra
Hundred Days

Hundred days,
Is it sufficient
To analyse yourself
Here, my dear?
Hundred hours
Can suffice
The very purpose
Of life.
Hundred minutes
Can also enable you
To study the situation
And enable you to go ahead.
Hundred seconds, remember,
Not your life-span, still you can.

Gajanan Mishra
Hundred Meter Race

In hundred meter race
See my face.
Am I looking brave?
I am fast and you crave.

Time is gone
Man is not fun
Show them not gun
Love is only option.

Rock is there
shock is there
Go deep and deep
Human being is in humanity.

Gajanan Mishra
Hundreds And Thousands

Hundreds and thousands
And in-numberable
Creatures are here
And I am with them,
They are of various
Colours, sizes and shapes,
They are all earth
In miniature, they all
Manifest in worldly forms.
I am one of them,
They are all my part
And parcels here.
They are all wonders
And I call them my dear.

Gajanan Mishra
Hunger

I am not hungry
And I know
Hunger is perishable
But not love
And I love you
O my dear
After loving
Nothing remains
To be done
To be known
To be achieved.

Gajanan Mishra
Hunger - Never

hunger - never,
No one can satisfy your hunger,
It is darker and darker and darker.

Gajanan Mishra
Hunger - Trouble Shooter

Hunger is the main
Trouble shooter here
For food everybody wander
For food you are receiving punishment
You are also driving out for food
Sometimes you are receiving a little food to eat
It is your desire that make you wander
In different species of life
Sometimes it is high
Sometimes it is low
You are going to heavenly planet
You are going to hell
O my dear, remember
Only for food.

Gajanan Mishra
Hunger And Thirst

Control and control
Your hunger and thirst.

Control and control
Your mouth and mind.

Control and control
And there you find
The living force of life.

Control and control
And see you are on
Winning side.

Gajanan Mishra
Hunger And What Is That

What is that?
And that I want to know.
It is hunger, you said
And I want to avoid.

No water is here
That can crunch
My thirst, I know.

My ears are listening
Your words and I am
Getting ready to go
That I cannot avoid.

The sky is there
With birds, I know,
But the sky failed to fly.

Gajanan Mishra
Hunger For Language

We are hungry here
At our home
For our own language,
And You bitch,
Giving load
Forcefully the language
That is not ours
For this we are
Losing our identity
In and outside our home.

Gajanan Mishra
Hunger For, Love

I have hunger
For love.
For me
Besides you
There is
No other entity
In the least at all.

Gajanan Mishra
Hunger Gives

Hunger gives biggest pain,
Death is most cruel,
Theft, falsehood are greatest shame.

Gajanan Mishra
Hunger Hunger Hunger

Hunger, hunger, hunger,
It is better to go on hunger.
Hungry men can do anything,
Hungry men can go anywhere.
Hunger is in mind
How can you keep your mind aside.
Be hungry and earn knowledge
Be not hungry and live.

Gajanan Mishra
Hunger Strike

Hunger strike!
For what?
For your own language!

No one has power
To take away
Your language, my dear.

Show your strength together,
Cry, make a loud and use
Your own language
And show your identity
That you are a lion.

Give the certificates
Of your birth and residence
And force all to use at yur home.

Gajanan Mishra
Hunger, Thirst

Hunger, thirst,
Pain, pleasure
All are illusion.
Birth, life,
Death all are
Circular motion,
On the path
Of emancipation.

Gajanan Mishra
Hunger-Less

Hunger-less society
is heaven really.
O ruler, can you
make my society
hunger-free!
I am obliged
You have asked me
for anything.
But I need nothing,
Nothingness is only mine.
I am fearless, see.
I am in peace.
O administrators, please
care for others.

Gajanan Mishra
Hunger-Love

Love-hunger.

I am drying up
Due to huger.

Satisfy my hunger
By giving love.

Take care of me
Lest I soon die for want of love.

Gajanan Mishra
Hungry

Are you hungry
And tell me
Who is not hungry
I know home means
Pleasure and
Home means heaven
But is it so now
Tell me how you are
Treating the cow
You must admit
Cow is innocent
And you are
Most intelligent
But with deficient.

Gajanan Mishra
Hungry For Love

You are hungry, I know
You are hungry for love
And I love You, first and last.

Gajanan Mishra
Hungry For My Language

Who is not hungry
For his own language?
If you are not hungry,
Tell me, who you are really.
The reason of asking
such question is best
known to you, I know.
And the reason of your
Socalled silence is
not unknown to me.
I am testing myself
Before testing you, see.
I love you, anyway,
It is you to know the truth.

Gajanan Mishra
Hungry For Truth

I am hungry, give me,
My own language.

I am hungry, see
My body is empty,
Since long.

I am hungry, hungry
For love, for truth,
I am searching in you.

Gajanan Mishra
Hungry Men

Hungry men
Relish food,
Thirsty men
Relish water.
So also, my dear,
I relish my mother,
My motherland,
And my mother-language.
Mother, mother-land
And mother-language
Are more than heaven
And more than nectar.

Gajanan Mishra
Hunter

O hunter,
You are unhappy
That I know.
O hunter,
I know both
Dying and living
Are troublesome
For you.
O hunter,
You have not been
Included in the groups
Of my poem readers
And you are debarred
To enter in to the pleasure.

Gajanan Mishra
Hurdle

Just hurdle
With good faith
You are to tackle
O my dear
You are black
You are white
You are red
You are yellow
You are the Universe
Giving freedom
I am looted
I have nothing
To identify
And to cross
Rightly to infinite.

Gajanan Mishra
Hurdle-Not A Subject

Hurdle  
Not a subject  
For discussion  
Not a matter  
Of imagination.

Hurdle  
Word of freedom  
Work of celebration  
Fear of identification  
Controller of differentiation.

And You appeared  
We disappeared  
personification is  
In danger  
O my dear no body  
Is here.

Gajanan Mishra
Hurricane

Let us invite
A hurricane.
But keep
With you, my dear,
Hurricane-lamp.

Go with hurly-burly
And say hurrah
You have won!
But is there anything
To get from hunting?

No real huntsman
Is there with us,
And we are being
Thrown out violently.

Gajanan Mishra
Hurricane Sandy

Hurricane sandy
make people realized
They are nothing
Hurricane sandy is
No ordinary storm
It is super storm
With extraordinary
Width and velocity
Hurricane sandy
Make people realized
They are nothing.

Everybody is in danger here
Nobody is free from fear.
One world one life one air
Live and let live in this earth.
One light one water my dear brother
Nothing is yours
Nothing to bother.

Gajanan Mishra
Hurt Not

Hurt not
Or
Order not
To hurt
Anyone.

Try not
To be
A god.
Do you know
All are
Thieves here.
Be not a
God of thieves.

Stay alone
Where you are.
And breath
Your own air.

Gajanan Mishra
Hurt, Wound, Blood - Still Love

Hurt, wound, blood,
Fight, war, world,
All are there,
Still, life is there.
Still, nectar is there,
Still, peace is there.
And we live in truth.
Love is the only truth here.

Gajanan Mishra
Hybrid

No smell of earth is there, here with these people, as all are hybrid.

Gajanan Mishra
Hyderabad

Hyderabad,
Do you remember
the name of your founder?

None other than,
Chin Qulich Khan
alias
Nizam-ul-Mulk Asaf Jah.

And his departure
is known as flight of loyalty,
After Jah, how there was
internal instability.

And now are you not in stability,
O Hyderabad!
Are you not ours?

Gajanan Mishra
Hyderabadi

Hyderabadre karuchha kana
Ki a nela tumaku hyderabad
Hyderabad ku chhadi koithi achha kaha!
Hyderabadre kebala tumaku khojajiba
A katha jamaru nuhen.
Hyderabad tiarithilun ame.

Masjid sabu ama swapnara aau ame
Swapnare khelithilun holi a sabu upare.
Prasansa kara ki kara ninda aame
Hyderabadku nei lekhujin kabita

Hyderabadi kabitare kana kana rahiba

Gajanan Mishra
Hymns Of Life

Hymns of life-
Humanity.
Humanity is there
In good conduct,
Virtues, promptness.
Life is there
In divine talks,
In divine discourses
And in divine actions.
Let us ever united
With truth.
And truth is life,
Live in love,
Love in humanity.

Gajanan Mishra
Hypocrisy

I hate hypocrisy
I do not like
My subordinates
To bow before me
I do not like
False humility.

Gajanan Mishra
Hypocrisy And Quarrel

Hypocrisy and quarrel
See everywhere
And we are living in it.

Flowery language
Everywhere see and it
Rules over all without hesitation.

Entire platform is polluted
Nothing is called true benefit
Yet we are living in it.

Gajanan Mishra
Hypocrisy Is Virtue

Hypocrisy is virtue
Money is holy.

You have taken a birth and bath
Go, you are fit to appear
In public.

Religious freedom is
Brutal repression
That destroy enlightened soul.

Such is the tricks
Of devils.
Saintly are
Decried as devils.

A mere piece of paper
Is there that certify
You married.

Goal of family life
Is just sex.
It is as natural as death.

No love no affection
Only business
Pregnancy contraceptives.

You are holy
As there is a tilaka
at your forehead.

Genuineness and all
Religions are discarded.

Time is bad
Time is bad.
Hypocrite

Yes, you are right,
You are calling me hypocrite.
I do admit.

I am a hypocrite,
I profess love
But attracted by this world.

I am guileful,
I do admit with you,
I am living in this world
With you.

But it is natural
For me to love you,
World-bewitching power
Falls on me.

Gajanan Mishra
Hypocritical

Hypocritical is
His own enemy.
He lacks faith
And his place of
Arrival is hell.
He misused his so-called
Own knowledge and
He clears the road
Of destruction.
Truth is far from
A hypocritical.
A hypocritical cannot
See the beauty,
There in life.

Gajanan Mishra
I

I am everything
I am the beginning
I am the end
I love you
And you are here.

If I am not here
Nobody is here.

Gajanan Mishra
I Cannot Live

I cannot live
Without you,
As you know
The candle
Cannot burn
Without fire.
I need nothing
For myself.
I pray everything
For you.
You are my love,
You are my truth.
You are my roots
You are my fruits.

Gajanan Mishra
I Like It Means

I like it means
I can say
I dislike it.
And if you ask me
To speak frankly
I must I have
Nothing to like
And also
Nothing to dislike
AS I am related with
All these.
Like and dislike
Everything is here
One is related to another.

Gajanan Mishra
I Accept

I accept and
I bind myself.
I accept and
I left.

Constant and
Spontaneous
And connected
With eternity.

I see and
Going to say
I refused and
I left.

Quietude
And I established
Truth that is
With us.

Gajanan Mishra
I Accept All

I belong to you,
I accept all paths,
But I find neither
You nor the path.

I say take care
But I smile
At the twinkling
Of the star.

Gajanan Mishra
I Accept Everything

I accept everything,
I know nothing is false.

I am free and
I am aware of the truth.

I accept all,
I try to know all.

Each one is perfect,
I know in this life.

Gajanan Mishra
I Accept Not

I accept not
As true
When I hear
Some one's
Death.

So also
I believe not
When one says
I am living
Here.

Reason is clear,
Here, under
This nature, no one
Is in a just manner.

Gajanan Mishra
I Accept You

I accept You
I am Yours only
Only You are mine
I do not belong to any others
And nobody belongs to me.

Gajanan Mishra
I accept you,
And I make you
Accept me.
Think not,
My dear, it is
An imposition.
But think it
Noble.
And life can
Never be horrible.
See, no hostility,
But a passage
To proceed further
In this life.

Gajanan Mishra
I Accept You Whole

O my dear, I accept You whole
You are complete whole
You are the innermost.

You are the play
And You play the part
And in play You are perfect.

I am leaving everything for You
I am going towards You
I am going from You through You.

I am not wrong I am not right
You are the path of religions
And You have all the righteousness.

O my dear, I know I can not escape war
And I must be violent as I know
Non-violence is next to impossible.

I am not asking who am I
Since You are here in me with me
And I accept You whole.

I have forgotten me and mine
In Your presence here
And You are my dear, O actor.

Gajanan Mishra
I Accept Your Personality

I accept Your personality
I respect Your presence
I salute You before You
O my dear You are only Truth.

Gajanan Mishra
I Acheive Nothing

I achieved nothing
Except acting as
An axe on my mother's
Youthful beauty.
I achieved nothing
Except acting as
A killer of my
Mother's language.
I achieved nothing
Except acting as
A destroyer of
My mother's land.
And for this, I
have to go to the hell.

Gajanan Mishra
I Acknowledge

I acknowledge
The receipt
I perceive
What it is.

Forever I
Destroy ignorance
By real knowledge
Where it is.

I am free from
Pain and pleasure
Annihilating pain
And ego.

With self-realization
I am not devoid of
Material environment
In life but free.

Gajanan Mishra
I Adhere

I adhere
To my belief
And not in a dilemma.
I am clear
And ever fresh
With you.
I am a devotee
And I have my
Own curiosity.
It is truth
That I am yours.
I am unique
And a single piece
Like you, my love.

Gajanan Mishra
I Agree Not

I am in between the two,
The truth and the falsehood,
Nothing exists, I know, though.
I appear and I disappear,
Such things are not happening
In true sense, though, in nature.
Let me say I am not nature,
Nature is here, though.
I am both manifest and
Unmanifest without possessing
Any differentiation.
Some say I am combination,
But I agree not with them,
As no one is final in any respect.

Gajanan Mishra
I All Parts

In all parts,
There, I see,
The symbol of
Love.
And everywhere,
I discover,
Nothing but
The truth.
The trees, the birds,
The clouds, the sky,
The earth, the flowers,
The forest, the creatures,
All are there
In united forum.

Gajanan Mishra
I Alone Can

I alone can
Create all
That are here
Again and again
Without any difference.
I alone can
Say the words
That are not uttered
By anyone here
At any time.
I am in your heart,
I am in your brain
Formless, nameless
But ever active.

Gajanan Mishra
I Always Put Premium

I always put premium
On quality
On value,
On knowledge,
On wisdom,
And on art
And in words
Like poetry.

Gajanan Mishra
I am,
Who I am,
Where I am,
What is my
Real name,
How I am,
Nothing is
Opening out.

Nothing is opening out,
About life,
About the mission,
About day and nights,
About eating and drinking,
About the trees and streets,
About the roots and fruits,
All are confused.

All are confused,
Here there,
On earth in stars,
The light is dark.
The light is dark,
But no one is far,
The love, the truth,
The god, the demon.

I am,
What I am,
See me,
Call me
In any name.
I am available
Then and there,
Near and far.

Gajanan Mishra
I Am A Bird

I am a bird,
I fly.

I believe love.
I trust you, life,
I call your bluff.

Gajanan Mishra

I am a child,
Without childhood

You have no strength.

Gajanan Mishra
I Am A Farmer

I am a farmer
Farming is my profession

I depend on rain water
If you pleased make arrangement
For supply of water from
Ponds tanks and rivers
If you pleased make arrangement
For sale of my paddy wheat dal etc
At proper price to others
If you pleased make arrangement
For supply of manures seeds etc
For my lands
Come to my rescue and see my position
In case of draught femine etc
And see my mud-house
See the condition of my health
And the health of my family members
See my children and do the needful
For their proper education
I am a farmer I am working hard
For supply of foods to you all
I am casting you vote, o my leaders
Please look at me and do something
For my welfare
My God is my mother-earth
I pray her for the happiness of all
Train me with modern technology
O educationist agriculturist of the world
Supply proper facilities
And enable me to work hard
In my mission that is supplying
Proper foods to all creatures
I have no comlain on anything
Against anybody at any time
Only one prayer is that do your
Duty perfectly sincerely honestly
And devote it for general welfare.

Know what is mine
And who am I
At this time.

Gajanan Mishra

More and more fully.

Gajanan Mishra

And sea shore and watch the sky
Hear the sounds of birds
See the animals ants
I knowing nothing about
Sunrise sunset.

I am a man
A common man
A conventional man

And pluck the fruits from the junglee trees.

I am a man
A common man
A conventional man

I want to remain as such
Till the end.

Gajanan Mishra

Nicely for the benefit of all
Here there and everywhere
As per Your direction.

Gajanan Mishra
I am a poet - let me tell you, dear,
See me, I am busy with thoughts,
Words and sentences without any attachment.

I know what is real and what is unreal,
I know what is to be done here and when,
I know who is mine and how.

But I accept all as my friends and they are
All co-operating me in one way or the other.

Gajanan Mishra
I Am A Poet, You Know

I am a poet, you know
Hear my words
They are as sweet as
Pleasing lake.

So many sharks
So many fishes
Are there in my words
See swans and bumblebees.

I see this world most beautiful

I desire you join me
On this elevated platform of Truth.

O my dear, only for you I am writing
Please keep with you always a good understanding.

Gajanan Mishra
I Am A River

I am a river, see me.
I have no identity
Of my own, appeared
Separate, though.
The source of the water
Of a river is the ocean,
Water evaporates from the ocean,
Falls as rain, on the earth
And shapes as the river.
And river has a natural tendency
To flow towards the ocean.
Just like river I am
Rushing towards you, my dear,
The aim is to attain eternal bliss.

Gajanan Mishra
I Am A Traveler

I am a traveler in this forest of fire
I want to climb a hill full of thorns
And stones big and small.

I am with my happiness my wife my love my friends
That are like drop of water in the scorching heat
Of this forest-fire and the desert.

I know there is no benefit in transferring
From one forest to another, my dear
I want to go and take shelter of You, The Supreme Truth.

Gajanan Mishra
I Am Able To See

I am able to see You, O my dear
And it is my fortune and it is Your grace.

I see no disturbance by Your presence
Rather I am relieved from all fear of darkness.

No ignorance is there with me
I am in light and I am enlightened.

By Your grace I found my life-span, my mind
And my words are factually perfect.

At every moment You are making test
And I am fortunate You declared I am getting success.

Gajanan Mishra
I Am Able To See You

I am able to see you,
But the man who is
Behind you and is
The main reason of
Everything that are
Happening here,
Is not manifest
How can I see!
But I am here
To understand the truth,
Going far beyond the words.
I realise all the words
Are there within me
And I know both good and bad.

Gajanan Mishra
I Am Able To Walk

I am able to walk,
See me in the light,
That is in you.
I am at my destination,
And I am not ignorant
Of the truth.
I am on the road,
And I am travelling
Comfortably in the chariot.
I am shedding off
The chariot and
Moving on towards you.
You are there with that star,
That is in me, I know.

Gajanan Mishra
I Am Afraid

I am afraid
Of your light
And I am afraid
Of my dark as well.

Let me not speak now,
I am afraid of
My ignorance and
Your power of intelligence.

Let me not tweet
I am not the person
To wait for anybody
I am in perpetuity.

Gajanan Mishra
I Am Afraid Of You

I am afraid of you
Only you
Not to robbers
Not to murderers
Not to Government
Or police officers.

I am honest
To the pie
And answerable
To you only you
And you are here
With me for my prosperity.

Gajanan Mishra
I Am Again

I am separated from You,
I am defiled and I am
Full of several impurities.
I am again mixed with You,
Again I become pure and holy,
Being Your fragment
I am free from defects
When I take refuge in You.

Gajanan Mishra
I Am Against Myself

Who am I then?
I am against myself.
I am not I,
Whom you think
I am not what I am.

I belong to
Separate category
Not belonging to others.

I am neither a
Lay one
Not a stranger.

I am what I am not
And yet
I am going to be that.

Gajanan Mishra
I Am Alive

I am alive,
really it is a
grand achievement.
I am calling you,
My call is the symbol
of great love.
I need nothing
except your presence.
No needs to say
I am interested in you.
Without any transaction
I can say I got profit
only for you here,
as you are at the center.

Gajanan Mishra
I Am Alive With You

I am alive with You
I am alive with Your
Remembrance, my dear.
I pray please
Enlighten me
With the knowledge
Of Truth
The Ultimate Truth
If You think I am
Competent to receive
Such transcendental
Knowledge.

Gajanan Mishra
I Am All I Have Got

I am all I have got,
I think myself important
For me at this time.
I have to pick up myself
And find my own strength
To march forward.
For me, I am here.
For the time, I am here.

Gajanan Mishra
I Am All In One

I am the eater,
I am the drinker,
I am the sleeper,
I am the hearer,
I am the talker,
I am the killer,
I am the safer,
I am all in one,
Remember me, my dear.
I am within you,
I am outside you,
I am the only one
Who is in the light
And also in the dark.

Gajanan Mishra
I Am Alone

And I am happy
Being alone
Here in this world.
This world is
Waiting for me
To go
Round and round.
I am going to
The sky for
A mission and
The sky is not there.
Wait and see
I am here
Only for You.

Gajanan Mishra
I Am Alone - Performing

I am alone
I start travelling alone
Thinking only of You, my dear
I am travelling.

I am not alone
You are with me that I know
Air is with me
Light is with me
The river the orchard
The hill the lake the ocean
All are with me.

All are pure and sinless
And you are in all
In Your unlimited form
And I am performing my pilgrim's progress.

Gajanan Mishra
I Am Alone And

I am alone and
My loneliness is
Making me strong

Gajanan Mishra
I Am Alone And My Leg Is One

I am alone and my leg is
Only one, see me, my dear.
But see me, I am in truth,
I want not to flourish
By deceit.
My view is one,
And I am in oneness,
I am alone and
My dream is one
To save a man
From evils.
I want not mercy,
But I want my right,
And I want to live.

Gajanan Mishra
I am alone, see me, my dear.
I alone am everything here.
I am the creator,
I am the preservor,
I am the destroyer.
I must be acknowledged.
When I am telling
I am sufficient to do
Anything. It does not
Mean it is my ego.
I am telling the truth
And it is the essence
Of life and hence see
Everybody is listening.

Gajanan Mishra
I Am Aloof

See me I am aloof
From my own poem.
I know the poem is not mine
I belong to the poem though.

I am unaffected
I am unchanged
I remain apart from
All actions and reactions.

Though I am
Part and parcel of the poem
I know not eternal position
At this stage here.

Changeless time
Taking its own course
I am in water as you see
But not affected by water.

O my dear, see me
Being the proprietor of
Everything here, neither you not I
Acquired anything at any time.

Gajanan Mishra
I Am Also

I am also going on here
telling something about
the transcendental life
and the light that is
there in the darkness.
The literature in me
is quite different that
you are able to understand,
my good luck, let me say,
and I am here dancing with
the stars in air-free place.
Oh, nothing is static, it is
all developed and with all
pleasure they appear to
know the philosophy.

Gajanan Mishra
I Am Always

You are herewith me
To see to watch to hear
To enjoy to make merry.

I am always here
Nothing is here called sorrow
Called loss called fall
You are to rise from here.

I am here always
With you and there are
So many things to show
If you really want to see.

You are free like me
In this sky and the sky
Is far away from you
As you do not like it.

Gajanan Mishra
I Am Always Afraid

Being always embraced by
All material anxieties.

Always I am trying to
Protect wealth body children
I am filled with lamentation
Unlawful desires and paraphernalia.

I am attached and I base my
Undertakings on the perishable
Conceptions of I and mine.

O my dear, I take shelter at Your feet
Pray O Lord take actions to vanquish
All fear for ever, I am Your process-server
Save me please from all danger.

Gajanan Mishra
I Am Always In The Midst Of Danger

I am always
In the midst of danger
My dear, always.

No chance to
Stay fearless
My dear, no chance
To stay free
Of sorrow, no chance.

No one can
Find peace here
My dear, no peace.

You have been pained
By troubles without
Any satiation.

Gajanan Mishra
I Am Always In Truth -Course

I am always dear to You
You are always dear to me.
I am very pleased with You
I know You are everlastingly independent
And You exist everywhere.
You are complete
And I know You do not need any service from any one.
I have no interest and also I have nothing called personal
Everything everybody here I know all Yours
Only one option is here with me that is Truth-course.

Gajanan Mishra
I am always with you,
You are always within me.
It is you who has kept me here
It is your state and I know
the atmosphere is under
your control always.
Say me not go please,
And I find no way to go,
You are seeing me always
that I know without
closing your eyes for a moment
I know for this you have
not kept the eyelids. My dear,
And for this I am yours for ever.

Gajanan Mishra
I Am An Accused

I am an accused,
I am charged with
So many offences.
I am convicted,
And I am in this
Life-body-prison.
Excuse me, my dear,
Forgive my faults,
Bear with me.
I am not able to
Know the truth.
Give me love
Let me love you,
Let me forget past.

Gajanan Mishra
I Am An Actor

I am an actor,
I am acting
and I shall act.
See me,
Listen me
and you please
observe that.
You are the director
You are the examiner
and you are always here.
You are testing time
You are in me,
You are doing and also
getting things done.

Gajanan Mishra
I Am An Indian

I am an Indian
I am watching You
For me India first
For me world is everything.

I am here
To save the world
I am an Indian
My heart beat is the world.

I am here for the world
I am an Indian
For peace and stability
I can sacrifice my life.

Gajanan Mishra
I Am An Individual

I am an individual,
And my individuality will
Continue till the last,
Without any interruption
From any side.

I know, no last is there
Anywhere, I know
No lamentation.
I know, I am an eternal
Person with all association.

No illusion,
No subordination,
No condemnation, also
No individual categorisation.

Gajanan Mishra
I Am An Insider

I am an insider
And I know
What is there within.
As an insider
I can also see the outside.
You are the outsider,
You cannot see the insight.
You are also not aware of outside.

I can say
What is going on within you.
I can do whatever I like.
But you are limited in
Thoughts and actions
And you cannot do what I disapproved.

Gajanan Mishra
I Am An Ordinary Man

I am an ordinary man
See me read me love
If you can.

I am an ordinary man
I have nothing
No power no problem.

I am an ordinary man
I accept Absolute Truth
I know Absolute Truth
Is not a person.

I am an ordinary man
You can understand me
If your heart is
Pure and clean.

Gajanan Mishra
I Am An Universe

I am an universe,
I am the combination of
So many universes.
And here,
Each and everyone
Has separate identity.
I care not the propaganda,
True. But I want divinity.

Gajanan Mishra
I am And it is mine Destroying me Oh my dear Come and See me.

Gajanan Mishra
I Am Apparently Human

I don't like to listen,
I am apparently human.

Truth is not far from me,
I, myself is the truth
In this manifestation.

No mystic power,
But everything is there
In me, only for your welfare.

I am fortunate to
Explain all there,
Where you are.

Let me liberate first,
I want to proceed ahead
With you to establish truth,

Gajanan Mishra
I Am As Simple As The Day

I am as simple as the day,
Come on and take all fruits
You like dear guys.
See me, the storm is
Controlled by me.
Worry not, come afresh,
My shadow is there,
To guide you.
No one to crumble,
No one to struggle,
But all are to
Listen to my call.
Smile at the spider
Webs are of no use.

Gajanan Mishra
I Am As Void As

I am void,
I am as void as the space,
Absolute void.
And I am also
Free from space.
All voidness.
I am
What I am.

Gajanan Mishra
I Am Asking Myself

I am asking myself
How foolish am I
That I am unable to
See the Truth here
That is within me.

I am in me always
Though I realize this
Still I am not able to
Find myself in my
Own circle- the tragedy.

No body is here
To guide me
Except myself
I am in me see yourself.

Gajanan Mishra
I Am Asking Myself, Who Am I?

I am asking myself
Who am I?
Am I satisfied with
one meal a day?
Am I cohabit with
my wife only?
Am I destroying the good
of others?
Am I hypocritical, selfish
and cherish cruelty at heart?
Am I polluting the water?
Am I accumulating wealth?
Being a poet and being a
well wisher of society
what should be my life?
I am asking myself and
Also I am telling myself,
If you are not able to answer
My dear, say not anything,
write not anything as you
have no right to cover the truth
that are there in words.

Gajanan Mishra
I Am Assaulted

I am assaulted
From all side
I am not steady
In any pursuit.

You are to escape
From false enjoyment
You are to restrain
Yourself turning the present.

Gajanan Mishra
I Am At Home

I am at home,
You can find me
Only at home.
This earth is
My home.
You are the part
Of this earth,
And as such
My part and parcel.
Who you are,
No need to say.
No need to explain
How you are.
You are here,
That's enough
For me.
I am in need of you,
I am in need of the truth,
I am in need of love,
I am in need of time,
And I know you are
All in one.
I know my words
Have some value,
And you are in need of it.
All my words,
All my writings are
Only for you.
You know
And I know.
My pleasure, my pain,
All are there
In my words
And in my write.
I receive everything
On writings.
And I am living
With you for all time.
Gajanan Mishra
I Am At Peace

Disturb me not, O king,
I am at peace- my abode.
I want not to hear
Your speech, O king,
I have my own faith in me.
I know life's charm
And I know how to lead.
I have a sweet tale,
But I am not here to tell you.
The truth is in me and
I am careful to use it
In time of need. I fear not,
Test my love, coming to
My eyes, O king, I am not to die.

Gajanan Mishra
I Am At Work

I am at work,
Disturb not, please.
A shadowy line
Is there, if you
So like, go
And first
Cross the sea
On it.

Gajanan Mishra
I Am Attach To You

I am attach to you
It is true
You expand the material
Condition, it is true
My material necessities
Increase with you, true
I am in illusion with you
It is also true
I have forgotten my own
Self-realization, true
You increase unwanted things
it is true and I know
You are the source of perpetual sufferings.

Gajanan Mishra
I Am Attached To My Car

I am attached to my car.
And I feel
Pleasure and pain
Connected with my car,
I know, though,
The damage done has
Nothing to do, to the car.
And hence, I am ignorant.

My relationship with the car
Is temporary, so also
My feelings of
Pleasure and pain.
I know neither there is
Any loss nor any gain.

Gajanan Mishra
I Am Attainable

I am attainable
It is true.

I am in a pleasurable journey
It is true.

I appear living
I am with You
It is true.

And who am I
Even I myself
Can not say.

I can say
And what I say
It is true
I can not say.

Gajanan Mishra
I Am Attracted To You

I am attracted to you,
But for what you asked,
Is it not for the truth
I replied.

Life is truth, our
Attractions are truth.
No old age, no diseases
Can defeat us anywhere.

All but useful and
We are to stay careful.
We are all important here,
And the world is for us.

Gajanan Mishra
I Am Awake

I am awake
You are putting me
In working order.

Everything is silent
I see You only witness
I do not know You
You know me though.

I am in my dream
You make me awake
And I exist.

My dreaming is a
Continuous processes
Wherein You are
At the center point.

Gajanan Mishra
I Am Awake- Love And Truth

I am awake,
Let me show you
Where and how I am.
I am unique,
Let me not follow you.
I am your love,
I am your truth.

Gajanan Mishra
I Am Awakened, See Me.

See me, I am awakened,
I know and I realize
It is you who is here
With me and doing
Every sort of work
For me.
And I am doing
Everything for you
In your house here.
But you are the director
And giving me instructions
How to do what and when.
I am telling your words and
You are telling me
What to utter and to whom.
See me, I am yours.

Gajanan Mishra
I Am Aware

I am aware
You live here
With me.
I am aware
You are hidden
In my body.

I like Kuchipudi,
I like nectar
In words.

In each letter
And in each word,
I find
My heart my love.

And I locate you therein.

Gajanan Mishra
I Am Back

I am back,
I am back.
Three cheers
For me, please.

Much-talk-about life,
Much-talk-about love,
Much-talk-about labor,
We are all here.

Let me greet you, also
I am here to greet you,
We both are the truth.

I am living for you,
You are living for me,
Let us enjoy life for all time.

Gajanan Mishra
I Am Being

I am being identified
By you, my dear.
I am also endless,
Boundless and
Limitless like you.
I am the expression
Of fact and the fact
Is you, my dear,
You are my world,
You are my knowledge.
I am not far
But I am near
You can see me
And you can hear.

Gajanana Mishra
I Am Being Attacked

I am being attacked by the crocodile
Of material existence
And I am the elephant suffering
The consequences
I am the animal like
The cow and the ass
Going to the place of pilgrimage
Simply to bathe.

Gajanan Mishra
I Am Being Attracted

Yes, I am being attracted,
Attracted by the earth.
While the earth is above me.

Gajanan Mishra
I Am Being Exploited

I am being exploited
By unrighteous, cruel,
Wicked and strong
Foreign elements.

I am witnessing
Losing of moral values
And I am witnessing all
Being attracted
Towards the perishable.

All start having a fall,
And there is more vices,
Sins, strife and riots
Prevailing everywhere
All over the society.

Gajanan Mishra
I Am Benefited

I am benefited
O my dear, only
By serving You.
I am benefited
O my dear, only
By Your visit
To my house.
I know Your visit
Is the root of
All blessings
Your visit is a
Panacea of all evils.

Gajanan Mishra
I Am Better In This Hell

If you called it hell
I am not better in this heaven
If you called it heaven
If you are here, O my wicked friend.

You bear malice, my dear
For other people
And are bent upon doing ill to all
You are cruel and take
Delight in committing violence.

My dear friend, I am calling you
My torch bearer, you are my soap and surf
For you I am here cautious, see
But make my road clear
I regard you as my own teacher.

Gajanan Mishra
I Am Blessed

I am blessed
No one is so blessed
As I am.

It is with my heart
Overflowing with love
And I am glad with this.

Here I find everything
According to my choice
Affection adoration.

I am blessed
No one is so blessed
As I am.

Here is my heart, the abode of joy
Here is You, my dear, the Ultimate Truth.

Gajanan Mishra
I Am Blind, See

See, I am blind
But I can see
When you utter words
I can see clearly
With your clear language.

See, I am deaf
But I can hear
With your gestures
I can hear clearly
With your body language.

Your love your kindness
Made me fit to proceed
A head and win the game
That is flowing in my life.

Gajanan Mishra
I Am Blinded

I am blinded
By the darkness
Of ignorance
I pray please
Open my eyes
With the torchlight
Of knowledge.

Let me awake
And see You
O my dear as
You are everywhere
You are within me
Let me discover
Where I am.

Gajanan Mishra
I Am Bold

I am bold
And I am here
To challenge
Your jurisdiction.

I am sovereign
In my state,
Rule not here.
I want my
Free movement,
Everywhere always.

Who are you,
How are you,
I need not know,
Please leave and go.

Gajanan Mishra
I Am Bona Fide

I am bona fide,
I am confident,
I am submissive,
The secret of success
Is there in truth,
I know and it is also,
Scientifically proved.

My service to the society
Badly necessary,
That may kindly be
Approved, my love.
I am your disciple,
I am in truth and I have
kept with me all good.

Gajanan Mishra
I Am Both

Movable and immovable
I am both
Everything and nothing
I am both
Day and night.

Spirit and matter
All are in me
All the times
Are with me
I am in touch
With geography and history.

I have no calculator
My dear, I am beyond all numbers
Neither I am increasing
Nor decreasing
And all days I am here
I have no past no present no future.

Gajanan Mishra
I Am Bound

I am bound very strongly
By ropes of affection
For You, my dear.

Call me home, my dear
For You I have renounced
All order of life.

Without You I
Can not control myself here
My dear, am I not fit to go back to You.

Gajanan Mishra
I Am Broader And

I am broader and broader, see
I am one.
Here I am
And from here
Everything emanates
And everything is maintained
And everything is merged.

I am composing my poems
I am singing my poems
I am hearing my poems
And I am telling all
See I am honest
See I am pure and perfect
I am here with you in one net.

I am one
I am one
You are all in me
I am in you
No disparity and nothing
No limitation and nothing
I am broader and broader.

Gajanan Mishra
I Am Burning

My heart is burning
Within this ocean
Here is the fire
Of material existence
And alas
I have made no
Provision for
Getting out of it.

Gajanan Mishra
I am busy in taming the words,
But some of them are meaningless
For me and going away from
My jurisdiction.
But I cannot say they are
Going astray. They know very well
That I am an astronaut, I can catch
Them at any time and put them in my bags.

My dear friends, let me request you
To utter any word and see therein
An aura of happiness.
You can listen the auscultation,
You can go forexpedition,
They are all waiting for you with love.

Gajanan Mishra
I Am But A Worm

I am but a worm,
Nothing more than that.
I know not wrong
Or right and I am
Coming out from
The hidden place
Just to eat some food,
Just to cover up
My body with clouds.

Gajanan Mishra
I Am By Nature

I am by nature contented,
I am your father.
If you have more
Riches then please
Be more polite,
Be more gentle.

The arrogant are
Proud of their riches,
And they earn contempt.

I mind not whether
You give me food or not.
I care not whether
You said politely
To me or not.

Gajanan Mishra
I Am Caling You

I am calling you
At every moment,
At every hours,
On every day,
And in every night,
Knowing well,
That you are there,
Within me,
Within everybody
Everywhere always.
But I know
You belong to none,
And you are there
For all welfare.

Gajanan Mishra
I Am Called Intelligent

I am called intelligent,
I am called intelligent,
And it is because of
My intelligence.

You are called God,
You are called God,
And it is because of
Your godliness.

We both are one and the same
We are both cause and effect
We are our subtle elements
We are our modification on this stage.

We have no existence
Without our own seeds.

Gajanan Mishra
I Am Calling Myself

I am calling myself a saint
With spurious undertaking
And hypocrisy.
I am calling myself a saint
Robbing wealth of others
As I am dear.
I am calling myself a saint
Abandoning truth
And said man of wisdom.
I am calling myself a saint
with big nails and
Long locks of matted hair.
I love you, I am expressing
Myself with all lust.

Gajanan Mishra
I Am Calling You

You are only mine
I am calling you
You are not mine
O my dear I love you
I love you as I
Do not love you.

Gajanan Mishra
I Am Calling You And Calling You

I am calling you,
And calling you
In an ascending order,
But you are my dear,
Not listening me at all.

I am at my home now,
Where are you
That I don't know.
And I am not atrophied yet,
It is you to know
Where is my place in you.

I am calling and
Calling you and you know
I am in love and with truth.

Gajanan Mishra
I Am Calling You Mine

I am calling you mine
And you are not mine
What is going on here
And nothing is going on here.

That you asked me the detail of the sky
That I showed them the sand of the sea
And what is going on here and
I stumbled at that stumbling stone.

Gajanan Mishra
I Am Calling You To Dance

Come and sing and dance with me
I am here, fear not my dear.

I am here, come on my dear,
Fear not, this earth is ours
And we are here now together.

Come on and dance and see
And utter that are holy
Remember, we are nothing but nectar.

Gajanan Mishra
I Am Calling Your Name

Somehow or other,
I am calling you,
I am calling your name.
I care not whether
You are there or not,
And whether you are
Listen to my call or not.
I am attracted by
Your name - the truth.
I care not any other thing,
But uttering your name.
I care not anything else
But your good self,
Please accept me as your servant.

Gajanan Mishra
I Am Carefree

See, I am carefree,
I care not obstacles.
I am going against
the waves of time,
being poor and small.
Since I am already
on the ground, there
is no chance of
falling down.
I have nothing to loss,
Since I discovered
who am I and where
I am at present and
since I know my destination.

Gajanan Mishra
I Am Careful

I am careful
And I used to do
Everything without
Attachment or aversion.

Attachment is the main
Cause of bondage, I know
And it dwells in assumed
Egoism and appears everywhere.

Gajanan Mishra
I Am Caught

In my own trap
Like a parrot
Or a monkey.

I am not able to
Light my glorious lamp
And also I am unable to
Count the moths that are consumed.

Gajanan Mishra
I Am Cautious

I am cautious
with my two foes
Attachment and aversion.

Gajanan Mishra
I Am Cheated

See me
I am cheated
In so many ways.

Without any profit
I am doing here
Everything, see.

I am foolish
I am afraid of death
And I am intoxicated.

Gajanan Mishra
I Am Cheated / I Am Alive

I am cheated
I am sure
I am not in fault.

I am in fault
I am a cheater
And I am far from truth.

I am far from truth
I am not in love
No love no life.

Gajanan Mishra
I am Chilika,
See, Chilika is in me.
I am Chilika,
Birds, fishes all
Are here in me.
I am Chilika,
Taste me, I am saline.
Salinity is in me.
I am Chilika,
Here within me,
Visit Kalijaee.
I am Chilika,
All fishermen are
Busy in their works
With all purity,
With all sincerity
Starting from sunrise
To sunset.
I am Chilika,
Birds from far and
Near are here together.
I am Chilika,
I am here, come on dear,
And see me as your
Own self.
I am Chilika,
I am here before you.
I am here to welcome you
With love and
With truth.
See life my dear
How wonderful,
How beautiful!
But one who
Fails to enjoy life
Is a great fool.

Gajanan Mishra
I Am Chilled

I am chilled especially
With the children of Pakistan,
But I hope I can kill the chill.

Gajanan Mishra
I Am Coffee

You are the sugar
I am sleep
You are the dream

It is I who is bringing that end.

If you are ready help me to save myself
If you are ready if you are ready.

I know everybody is dear to You
Your aim is to purify all by love
I being the poet represent all.

I Am Complete In Myself

I am complete in myself
I do not need anything
From anybody at any time.

That is all .

Just give a call
And see me
I am present here.

Gajanan Mishra
I Am Concerned With Thoughts

I am concerned with your thoughts
And not with grass, food, glamour.
I am here to understand your heart
That is your mother-tongue and not
Any other language that are illusion.
I know you are not here to fall
Of course you are falling and still
I see you are rising in electric current speed.
And rise my dear, rise and see I am here
Only for you to call you near and nearer.

Gajanan Mishra
I Am Confident

I am confident
As because I have
faith and patience.

Gajanan Mishra
I Am Confused

Ask me not anything.

No law is confirmed
Nothing is fixed
In our life time.

Neither we have
Love and affection
Nor we are cruel
Nor neglected.

Still we are happy
And making others happy
In this life and the next.

By Your grace, my dear
I understood You and Your laws.

Gajanan Mishra
I am disturbed,
And I am confused,
And the result is
Disappointment.
I think and I act,
And all are based on
Falsehood and
The result is
Disappointment.
I see and I hear
And nothing is truth
And I am not satisfied
For which I suffer,
Result - disappointment.

Gajanan Mishra
I Am Conscious

I am conscious,
I am living and
I am purified.

I am eternal,
And full of bliss,
And full of knowledge.

I am living
No conditional life,
I suffer from
Birth, death, diseases
And old age, though.

Always I am trying to
Transfer my attachment
From untruth to truth.

Gajanan Mishra
I Am Constantly

I am constantly
Undergoing change,
But never experience
Any change.

Gajanan Mishra
I Am Constrained

I am constrained
By my own nature
As I am led astray
By desires.

Let me purify my nature
Let me remove my evils.
I want to be a man of power
Let me do so on my own.

I seek nothing
And see, my knowledge
Is not veiled.
More consciousness is
Developing within me
See here within.

Gajanan Mishra
I Am Covered With Moon

I am covered with the moon,
And the moon is there in me.
I am using the moon
In your works and you are
Feeling fine in all networks.
You are not falling and
Not rising but sensing
Everything within living.

Gajanan Mishra
I Am Creating My Own

I am creating my
Own happiness and own
Unhappiness and I know
You are not enforcing on me.

Gajanan Mishra
I Am Crushed

I am crushed
By You
Yesterday today
And tomorrow
All are against me
That I know
No one is
Here to save me
And I am dying.

Gajanan Mishra
I Am Crying And Crying Is Good

I am crying and crying is good
Crying is a prayer and in a cry
The primacy is of the self
I am crying and surrendering to you
I am crying and crying without any break
Crying is repeating your name again and again
I am crying and crying and chanting
Your divine name and I am alive with
Attention fixed on You O my dear
You are the greatest and you are
Near and dear, the most.

Gajanan Mishra
I Am Crying For War

I am crying for war,
As I know, peace is
Not possible without war.
War is necessary
To place humanity in the hearts
Of the men at large.
I am crying for war,
I am crying for peace
And peace is there in humanity.
I am crying for war
For truth and for love
Come on my dear, I am in war.

Gajanan Mishra
I Am Crying, I Am Crying

I am crying, I am crying,
You know mother-nature
What for I am crying.
I am crying to feel good,
I am crying to live
With you, I am crying
To love you, I am crying
For the truth. And I know
Truth is my life, truth is
You, truth is only truth.

I care not anything,
I care not to look clean,
I care not to cover my courtyard
With polythene.
I am watching what you are doing,
Mother-nature, I am crying
And crying, I care not
Whether it has sense or non-sense.
But I am here and some criticize me
And telling me as a mad man.

Gajanan Mishra
I Am Dead

I am dead
I declared
Corpse-bearer came
And asked
Who is there
I replied
Nobody nobody.

Gajanan Mishra
I am dead, really dead.
I am swallowed by python
I am bitten by poisonous snakes.
I am dead, really dead.
I am left lying here
In this dark well
Of worldly hellish life.
No hope of being rescued.
I am devoid of consciousness
And knowledge and I am sleeping
On the lap of illusory energy.
Let me awake, O my dear
You are my medicines
Let me remember I am a human being
Sleeping is dangerous for me.
O my dear, let me know
The real value of my life
Give me nectar give me light.

Gajanan Mishra
I am dead and still
The birds are flying,
The air is singing the song,
The water is flowing down to earth,
The trees are smiling with flowers,
The sky is mocking at me telling
All the stories of haves and have-nots.
And I am dead with the rising sun,
I am dead with the full moon,
And I am dead with the ocean,
All that are in me.
And I cheer with my poems
That live with the entire day
Not ready to say goodbye.

Gajanan Mishra
I left the place
And I died
My declaration goes
I am dead
This is my declaration
And You O my dear
In search of your
New identity
With a ration
That is cognition.

Gajanan Mishra
I Am Dedicated

I am dedicated to my duties
I am dedicated to You
And I faced no problem
Here and there and afterwards.

I know O my dear You are here and
You are there with full power
Knowing all tits bits and
Giving sanctions to my actions.

Gajanan Mishra
I Am Delighted

I am delighted
I know my existence
Is purified
I know I am enjoying
Unlimited transcendental
Bliss and as such
I am really delighted
I am Truth I am absolute.

Gajanan Mishra
I Am Delighted - Time

I am delighted
Due to your presence
Here at this hour.
I am delighted
For I am alive
Here with you.
And gazing at life
That is in light.
I love the horse,
I love the hound,
I love the earth
And the sky as well.
I made myself spread
On this earth without air.
I am there with the star,
And I am delighted
For the dark
That is there in me.
How beautiful is the dark
That I realize here
At this time.

Gajanan Mishra
I Am Delighted Due To Time

I am delighted
Due to your presence
Here at this hour.
I am delighted
For I am alive
Here with you.
And gazing at life
That is in light.
I love the horse,
I love the hound,
I love the earth
And the sky as well.
I made myself spread
On this earth without air.
I am there with the star,
And I am delighted
For the dark
That is there in me.
How beautiful is the dark
That I realize here
At this time.

Gajanan Mishra
I Am Deluded

I am deluded,
I do admit,
By ignorance,
When I say
I am rich,
I am wise,
I have wife, sons,
And so many relatives,
When I say
No one is
Equal to me,
I am able to do
Such and such things,
And I can give charity.

Gajanan Mishra
I Am Dependent

I am dependent
I am dependent on You
You are not dependent on me.

I am under the process of
Birth existence growth transformation
Dwindling and then death.

No change is there for You
That I know and I accept the Truth
Truth is I am vanquished.

Gajanan Mishra
I Am Detached

I am detached
I see no trouble.

I am completely aloof, see.

Gajanan Mishra
I Am Determined

I am determined
I know you
I love you
I have to do
All your works here

To help me
In right time
At right stage
And with your help
I can tear the sky
I can dry the sea.

Gajanan Mishra
I Am Different

I am different
And different from You
With all my victory
And opulence.

I am with You
All times with You
And You are there
Doing everything for me.

No one is there
Ready to give up anything
Yet they are being separated
From each other from the beginning.

Life is here going on
On its own way yet we say it is ours.

Gajanan Mishra
I Am Different, But I Love

I am different,
Different from
Each one here.
I care not,
Whether you
Agree with
My words or not.
I am sure,
You know nothing
But uttering
So many words
That have
No meaning.
I want not
That you come
And submit your
So-called explanations.
I know value
And standards.
I know how you are
Changing your colours
Here all the time.
But I am there as before
To see, to observe you
And to tell you,
Still, I am here
For you, not, though,
With you.

Gajanan Mishra
I Am Dirty

Forgetting dirtiness
I am continued
Enjoying life
Saying beautiful
It is the reason
I am here.

Gajanan Mishra
I Am Disabled, True

I am disabled, true,
In some way or other.
I am not free to do
Whatever and whenever I like -
My greatest disability.
But I realized
The obstacles are
Not mine, not for me.
Anyway, I have to win,
In my luck, only
Victory is written.
The idea of equality
Is nothing but a myth.
And I have to smile
With my own teeth.

Gajanan Mishra
I am distinct,
Distinct from
Each and
Everything,
Each and
Everybody.
I must
Respect it,
I must use it,
For the welfare
Of all.

My appearance
See, it is here.

My fellow men, I am loving
All creatures here on this earth.
I am doing nothing but living and living.

Gajanan Mishra
I Am Done For

I am done for,
I am done for.
Save me, save me.

I am a fool
And I put myself
In delusion.

They are coming to me
And taking away my
Inner substance.

I am done for,
I am done for.
Save me, save me.

And sir, I believe my own and
I check my watch with the sun.

Gajanan Mishra
I Am Dragging Myself

I am dragging myself deep down,
Though no place is anywhere
Called down in air or in sea.
I am deceiving myself and others,
I am not a deceiver though, you know.
I am focusing light everywhere
Including on my own face but I am dark,
I am full of knowledge and not in poverty though.

Gajanan Mishra
I am drunken,
And in drunkenness
I see and enjoy your world
That are full of
So many trees, creatures,
So many birds, flowers.
I am in this madhouse

And you are here within
This house that is
Full of so many colours.

See me, my dear.

Gajanan Mishra

Free of birth and death.

Gajanan Mishra

As I am living for you, my dear.

I am auspicious and I am also inauspicious
See me keeping in view the moon and the stars.

I am the air here and there
For your own benefit keep me safe and fair.

Here I am with my speed that is moderate and swift
I represent You as I travel here with life-gift.

Gajanan Mishra
I am dying you said,
But it is I,
Who is here always,
Everywhere.
And without it,
Means besides me,
There is nothing.
I am there, as you said,
And I will be there
And I was there, as you said.
I am the father,
I am the son, you said.
I am the one and the same,
I am also different, you said.

Gajanan Mishra
I Am Eager

I am eager,
Eager to hear,
Hear you, dear.

I see the aeroplane
In your sky. with you,
I want to fly and fly.

Gajanan Mishra

That I deserve.

I want change and I deserved

The right way
To write poems

Gajanan Mishra
I Am Embarrassed

I am embarrassed
By hunger,
By thirst,
By poverty,
I am a man of
Properties, though.
But willingly and
Unwillingly I am
Unable to use them
For my own developments.
And for this, they all
Laughed at me.
I have no action to take,
I have also no reaction
For anything besides
Getting angry
On the words outside.
I know, no cooperation
Is there inside my home.
And all are taking advantages
Friends and foes.
I am helpless and poor,
Is it right?

Gajanan Mishra
I Am Empty

I am empty hollow
I am empty hollow mute
I am empty hollow mute flute
And so my dear loves me I know.

Gajanan Mishra

And I imagine
Superior beauty
And living condition
I am not poor
I am not little
I am not distressed
I am important and
Significant for a
Bright future
All and all I am
In Truth I am in love.

Gajanan Mishra
I Am Encaged

Here I am caged,
I take shelter
Within the semen
Of my father
And I am injected
Within the womb
Of my mother
And I grow with
Mother's emulsified
Ovum in this type
Of a man.

I am a man and
I have inherited
The quality of my father
And that of my mother,
And what I am today
Devotional and sober.
Know me, what I am here.
I am with love
And with truth.
I can counteract disturbances,
Know me, I am the original
In everything.

But here I am caged,
And I am not so powerful
To free myself on my own.

Gajanan Mishra
I Am Enchanted

I am enchanted
By the beauty of nature,
By the beauty of the clouds

I experienced a changed
Both in body and in mind,
And I feel pleasure and
I wonder how I appear
And how I am going to disappear.

To give me pain.
Yes, see me, I am
Free from worry, sorrow
Fear and agitation
Since I am with You, my dear.

Gajanan Mishra
I am great
You have written something,
And what You have written
On my forehead, my dear,
I am enjoying that.

I am counting here
What is called day
And night, though
It is nothing and I am
Observing Your doings.

I am surrounded by
My anger, my dear,
And anger followed
By death surrounded me.

I am really a dust particle
Flying away as per Your
Written order, my dear,
Still I know not what is danger.

Gajanan Mishra
I Am Enlightened With You

I want to die,
But where and how
That I can't say.

I can say
I was here
I am here,
I will be here
For all times
To come.

Certainly, I can say,
It is I,
Who is here
With love
And with truth.

From dark to light
I am going day and night.

From night to day,
I am here and I am
Not ready to say
Goodbye to anyone here.

I am the light,
I am the dark
In reversal,
But I am enlightened
With you, my dear.

How can I die
You are asking me
And let me clear,
I have no answer
For all that.

Heating adjustment with
Friends and foes. For good,
I have my own omnipotency
And I act externally,
Internally and marginally.

Gajanan Mishra
I Am Entirely Yours

I am entirely Yours
I know You are nature
I know nature is my life

And I am here always
Depending upon the truth.

Gajanan Mishra
I Am Established In Me

I am established in me,
You should not think of anything.

My love, I am nothing and everything.

Everywhere but love
Contrary views
Are there, though.
I know the meaning,
Meaning of life
When dispute arise
In vital points
Related to the meaning
Of truth here.
Life is rare- true,
But the secret of life
Is there when we
Learn how to live.

Nature and activities.
I wonder, finding you
Here at this time
For the reasons known to you.

Gajanan Mishra
I Am Faithful To You See Me

I am faithful to You
See me my dear
I am very chaste.

What is there waiting
For me as my fate.

Look, I am fearful
With this daily struggle
For livelihood.

I know, this body
And here everything
is not mine.

I know, this air
Is within and without
Is above and below me.

I know, this light
Is showing me
Everything everything.

I know, this sky is not mine
Still it in me
And I am in the sky.

This water is going from
And coming to me from this sky
And on earth firm I stood.

Still I am fearful
With all these
For livelihood.

Have I forget You my dear?
Am I not satisfied with myself?
Come and say who am I and who are You.

Gajanan Mishra
I Am Feeling Good

I am feeling good
Only with You
O my dear, come near.

Gajanan Mishra
I am fifty-eight,
I am Bharatiya,
You may call me Indian.
And I am upright,
As you see.
I am committed
To social justice
And trying to
Uproot unholiness.
I want world peace,
And I want all gracious.
Live and let live,
And I am principled and
I know nothing is horrible.

Gajanan Mishra

I belong to
Another world though.
No match and yet
I am with you
As I regard all truth.

Gajanan Mishra
I Am Fire

I am fire
See me
Coming in to
contact with fire
I have completely
Surrendered myself
To You

My body is blissful
And divine
And I considered
This earth heaven
And here
Everything everybody
Just You and You.

Gajanan Mishra
I Am Firm

I am firm,
I stand firm,
Firm on truth.

The truth is firm.
I want to take all
To a logical conclusion.
I look deep myself,
And I know what I am.
I am a man,
I want to live as a man.
As a man I want peace
And peaceful coexistence.

Gajanan Mishra
I Am Fixed

I am fixed on you,
See me, not my body.
My body is doing activities
Like standing, sitting, walking,
Laying down, urinating, eating,
And performing so many functions
On its own way, and I am
No way related to all these.
I know impurely is illusory,
I know reality is contradictory.
I know activities are dreamy,
I know perceptions are polluted.
And I realized intelligence,
I cultivate knowledge and its essence.

Gajanan Mishra
I Am Flawless

I am flawless
And equal.
I am telling
What is in law.
I am quiet,
Hear my duet.
Love the world,
The world is here
To love you.
Try not to conquer
Anyone or anything
And witness not
Any sabotage.
Stay alone, stay happy.

Gajanan Mishra
I Am Floating

I am floating with all material energy and elements
In the air within the vast sky like the clouds
With hundreds of tons of water.

I am floating under Your direction, my dear
And I am doing everything here, see
Within and above and beyond all.

You are within me that I know
And I am here performing everything
For Your satisfaction and to fulfill Your ambition.

Gajanan Mishra
I Am Floating In The Air

I am floating in the air,
And you are watching me there.

I am sitting in the sky,
And you are making me ready to fly.

I am the lone traveler,
But we are together.

True, you are my operating part,
So also I am yours.

Gajanan Mishra
I Am Following You

I am following You
And I am free from
All sufferings
I am giving up
Everything to follow You

All good qualities
All wealth and
All beauty.

Gajanan Mishra
I Am Foolish

If I failed to take advantage of
Successive authorized knowledge
That is about Ultimate Truth
About the original home.

Gajanan Mishra
I Am For All

Be a poet
And say
I am for all.
My thinking is
For the welfare
Of all.
I am here
By enunciating
The truth and the love.

Gajanan Mishra
I Am For All Good

Give me sweet smile of love,
Give me your pleasing glance
And a hearty appeal.
I know all pleasure is there
In you and I desire to
Stay with you.
I know, you are all truth,
And I am there for all good.

Gajanan Mishra
I Am For Humanity

I am a man, a simple man, simple man,
I am here, an advocate for humanity.
I am not begging Nirvana.
See me, I am fine, leave me alone,
I am okay here, See me, I am not crying,
See me, I am smiling. I feel no needs
To go to any shrine. Neither I am
Killing any one, not I am busy in stealing.
I am a simple man, I commit no sin.
I do not like to go to any temple or Mosque
Or Gurudwar or Church. I know perfectly well,
God is not a prisoner and no one has got
Any power to put Him in any prison in any name.
I desire not any heaven, my earth is my heaven,
And I am fine here, see me, as ever.

I do not want to pluck the flowers from the trees,
I do not want to collect donations from innocents,
I do not want to loot the food, shelter, wealth
Of others and enjoy the life myself.
I am not a beggar who can beg for anything from anybody.
I am a natural man and I want to live under nature
With fresh air, pure water, ripe fruits from trees,
I want to move freely from one place to another
Like other free creatures and birds under the sky.
I am a man, a simple man, simple man.
I do not know what is sorrow, I am happy here as I am.
See me, I am smiling and I cry never for I know
No one is here to give me what I want,
My want is simple - please leave me alone on this earth.

Gajanan Mishra
I Am For Others

I am for others,
I am not for me.
In doing good
I serve others.
I use myself
For the good
Of others.
In good faith
Selflessly I am
Doing all for others.
It is for the welfare
Of others I am here.
I am ever devoted
To the good of others.

Gajanan Mishra
I am for the world
The world is for me
Everything like clusters
Of yarn-beads formed
By knots on a string
Is threaded on me.

Gajanan Mishra
I Am For You

I am for you,
And you are for me.
Is it not true.
Neither I am yours,
Nor you are mine,
Is it not fine?
What is fine,
And what is true,
That is the question and
I have no answer to it.
And you appear
At this time to solve
All my problems,
I am clean, see me.

Gajanan Mishra
I Am Forced To Adress

I am forced to address
The stupid, ignorant
And corrupt lot as
Sir, your honour - disgusting!

Gajanan Mishra
I Am Forgetting Everything, See

I am forgetting everything, see.
I am telling you everything, hear.
See, hear and know the truth here.
Here, you are all in all and you
Are to get all, may be good or bad,
All that depend on you what to choose,
But you are to separate yourself from
The very existence where you sustain.

Gajanan Mishra
I am fortunate,
That I have
The attraction for you.
Out of kindness,
You are here
With me.
I have invested
All my energies
Only to pleased you,
I know, you are
My love, my truth.
I know, I am nothing,
I am lower than the straw
In the street.

Gajanan Mishra
I Am Free

I am free
I know nothing.

I know nothing
Let me sleep
Comfortably.

I know, no need
To know anything.
Let me stay in peace.

Gajanan Mishra
I Am Free From Fear

See me, I am
Free from fear as
I do what is right.

Gajanan Mishra
I Am Free To Having

I am free
To having
Honest or
Dishonest.

You are free
To put me in loss
Or in gain.

No one can force
Another to do
Such and such.
Each one is free
In his own field.

Neither it is negligence
Not it is destiny.

Gajanan Mishra
I Am Free To Think

I am free to think,
I am free to speak,
I am free to do
So also you are.
But our thought and
Our speech and our
Actions must not
Harm another.

Gajanan Mishra
I Am Free, Dear

I am free, dear,
See me I am fresh,
As you are here.
I get light
From you, dear,
I love you.
I sing for you,
As you are here
To listen me.
I am yours, dear,
You are my beauty,
And giving me strength.
I am for you, dear,
I am to attain you- my goal.

Gajanan Mishra
I Am Fresh And Strong

I am
Fresh and strong,
As I am
Not wrong.

My stars
Give me light,
As I am
Ready to fight.

I am
Wise and confident,
See me, I'm
Sincere and diligent.

I'm free,
Grace yours I wear.

Gajanan Mishra
I Am Frightened

I am frightened
You are ferocious.

You are tolerant
I am in love.

I am not in miserable condition
I am under Your supervision.

With Your mercy I am happy and in pleasure
And leading a blissful life, my dear.

Gajanan Mishra
I Am Fully Confident

I am fully confident
And I am not doing
Anything whimsically.

I am very happy,
And my life is
Very comfortable
And pleasing.

Still, I fear the world,
And I want to go back
To the earth,
To the water,
To the fire,
To the air, and
To the sky.

Gajanan Mishra
I Am Fully Satisfied

I am fully satisfied
Here, in this life.
I need nothing here,
Besides your presence.
And I know you are present
Always everywhere.
I am here for the good of
All living creatures.
If any harm or injury
Is caused by me,
I want not to stay
Or live anymore here,
I lost my qualifications
I know, you are at the point
Of zero- toleration.

Gajanan Mishra
I Am Fully Satisfied Here

I am fully satisfied here on this earth.
The trees are giving me alms in charity,
When I am in thirst rivers are supplying waters,
For my protections caves of mountains are there,
And my Almighty master giving me everything that I want.

Gajanan Mishra

And how far it is true. 
I know my existence 
Is only for others.

I know my residence 
Is temporary and I know 
At any time I have to go, 
But to where that 
I do not know.

When I am telling this,
It is nothing
But sense of egoism.
I am gajananmishra
By telling this,
It is clear
I am binding myself.
Let me not ask to tell
Who am I,
Let me not debar
To be pure and
To get natural bliss.
My prayer is only this.

Gajanan Mishra
I Am Getting

I am getting
Pleasure and pain.
I know the effect of
Pleasure and pain
Is lessened for me.
I know I am
No way related with
Pleasure and pain.
I know pleasure is
Born of pain
And ends in pain.

Gajanan Mishra
I Am Giving

I am giving,
Giving everything.
By giving so
my body and
my mind both
are purified.

Attaining the truth

One two three,
One, one, one,
I have declared.

And what do you
Want next
You do not know
And I am with you
Everywhere always
That you know.

You are to
Remain active
And continue
Your functioning.

Rest is on me.

It is my duty
To set right
Everything here
In your presence
You know.

I am God

What I can do
That you can do.

Besides you
No where there is God.

God God God
God is everywhere, everywhere.

Gajanan Mishra
I Am Going Away

I am going away
And you are not able to stay.
Stay till I am here
Stay and stay
I am going away.

I am going away, see
And see I am going away
Don’t tell me to stay
No reason to stay
Know it by the way.

By the way
Let me tell you
How you are related
And how far you are
Able to stay.

Stay stay and stay
Never go away
Never go away.

Gajanan Mishra
I Am Going On Reading And Reading

I am going on reading and reading and reading
And acquiring knowledge through scriptures
And chanting of Your holy name, O my dear
My readings and my writings are for the good of others.

Gajanan Mishra
I Am Going On Writing

I am going on writing
You please read if you
think it is useful
in someway or the other
way round and see
how far it is truth.
My writing are just
the rising sun and
not like the clouds.
My writing are vast blue
just have a dive in it
and feel the life.
I am going on writing, You
please go on reading and reading.

Gajanan Mishra
I Am Going Out

I am going out,
But you are coming in.
Who is clever
That is to be seen.
And I am calling you,
But you are remaining
Silent with all truth,
Let me ask where are you.

Gajanan Mishra
I Am Going To Come

I am going to come,
And at the same time,
You are coming to go.

Gajanan Mishra
I Am Going To Dance

I know spring will
Not stay here for long
And hence I am
Going to dance.

Get not angry please,
I am not here
To stay.
I will go away
Like the bird
In the forest.

Not near
But I see there,
The smile of
The star

Gajanan Mishra
I Am Going To Die, Excuse Me,

I am going to die, excuse me,
I am not able to renounce -
Sex, anger, greed, delicious dishes,
Care for beauty, entertainment,
Excessive sleep and sycophancy.

Gajanan Mishra
I Am Going To Find The End

Though I know there is no end
I am going to find the end
and the end is covering me with
Its blue eyes, scented and colorful.

See me I am wonderful, see me I am not here,
And you said, my dear, coming to me, O,
You are at the end, you are the end coming to
start afresh and I am wandering here there,
To fulfill my end in this play of
presence and absence that is going on within all.

I find no end in the beginning, see,
It is beyond my knowledge, and I started again,
painful though, since I have greed I quit not,
And I said my dear, let it go on its own way.

Gajanan Mishra
I Am Going To Meet An End

It is I,
and here I am
going to meet an end.
End is nothing but a
beginning afresh.

And I am starting my career
anew, see, with you and you are
there with nothingness,
welcoming me, come on,
I am here with everything.

I am going to meet an end
and end is we are all one.
All my knowledge and my devotion
are here to achieve this end.

Gajanan Mishra
I Am Going To Say

I am going to say
About air
And air is
Not yours.

I am going to say
About water
And water is
Not yours.

I am going to say
About light
And light is
Not yours.

I am going to say
About sky
And sky is
Not yours.

I am going to say
About earth
And earth
Though not yours
You belong to earth.

And you are earth
And from earth
The air the light
The sky and the water
Call you to rise
And you rise
And you got life
And you live.

Gajanan Mishra
I Am Going To Say All About A Man

What I am
Going to say
Is all about a man.
And besides a man
I see nothing
Useful for any one.
I am a man,
A human being,
A rational animal.
Think me no one else
But a man.
What I am
Going to say
Is for a man.

Gajanan Mishra
I Am Going To Sell

I am going to sell,
Sell the sky,
Come on, if anybody
interested to buy.
My sky is strong,
so strong that
it can take you
to anywhere you want.
There, in my sky,
you can easily find
the seas, the rivers,
the mountains, the trees,
Here in this sky you can
easily locate your own house.

Gajanan Mishra
I Am Going To The Root

I am going to the root,
And the root is in me.
The root is my strength,
And I am exposing it
Within you.
Truth is that I am
Pulling myself out
Telling all bare truth.

Gajanan Mishra
I Am Going To You

I am going to You
And to You alone,
I am going to You
And I am firmly
Established in You
In You alone.

I realized You
From my birth
I am sure, my wisdom
Has been carried away
By anything or by anybody.

You know me, my dear,
That I know and You know
My past, my present and also my future.

Gajanan Mishra
I Am Going To You My Dear, Wodsworth

I am going to you, my dear Wordsworth, wait there
I desire to be there in your vision of beauty that is fair.
I am envious of you as you have no enemy here and there
I also want to take shelter of a tree that has no fruits or flowers.
I want to suffer and like to acquire water, my dear
I find simply illusion and mirage and I run after.

Where are you my dear Wordsworth, see me listen my words
I am here jumping in to a shallow river
I am here begging food from the person who is not a charitable one
I suffer from burning heat of this household-forest fire
I am deprived of enjoying life and being plundered by my
Own representatives leaders in the name of different taxes.

My dear Wordsworth, I am not able to stay stable here and there
Be kind to me and show me the path of nature as a poet and a co-worker.

Gajanan Mishra
I am grateful to you all,
For you have given me space
To sit, to talk, to smile,
To cry, to walk, to run,
To move forward under
This vast blue sky.
Let me receive the light
Direct from the sun and
The moon at the same time.
Let me inhale the fresh air
In the open field and
Let me take the pure water
Direct from the clouds.
Let me stay free with you all.

Gajanan Mishra
I Am Great

I am great for You
You are great for Yourself.

Who am I to contest
No war is ever set.

Match fixing is but common
Love hate and rumble are just cacophon*.

Gajanan Mishra
I Am Greater Than My Fate

I am greater than my fate,
My body, my words, my experiences
All say that in one voice.
And with all I am going to
Change my fate.

Turn the pages of history
And see how it is all there
As our fixed-star.
Believe the self, believe nature,
Nature is doing everything here.
But we are determined to
Change the course of nature
With us here for good
For the welfare of all.

Gajanan Mishra
I Am Happy As

I am happy as
I have no desire.

My desire is nothing
Nothing but You, my dear.

And You are within me
That I know.

Gajanan Mishra
I Am Happy Because

I am happy because
my neighbor is suffering.
But I cannot say
the feeling of my neighbor.
Honor is my birth right
and no one can dishonor me
at any time anywhere,
Let my neighbor knows it.
When the atmosphere is
Changing with the sun
You are there to love me
as I am with you all day long.
Think not what would happen
Find me with you always then.

Gajanan Mishra
I Am Happy See Me

I am happy see me
See me here I am happy.

Ask me not how I become happy
Ask me not what is happy.

It is a feeling
Feel me
I am within You.

Feel yourself
How happy you are.

That has no beginning
That has no end.

Gajanan Mishra
I Am Happy To Say

I am happy to say
You are a being
And also a non-being.
I am happy to say
You are here and also there.

I know being
And non-being
Both are one.
And I sing
Always in praise of
You only.

Let me clear
I am happy with
You only.

Gajanan Mishra
I Am Happy Today

I am happy today
Today I am confident
I can write a poem.

I am happy today
Look, here is a poem
And I have written
This poem.

I am happy today
With my poem
And in this poem
I have seen a moon
A sun a bird a snake
A tiger and a man
Together.

Gajanan Mishra
I Am Happy, See Me

I am happy, see me.
I am shameless
In the matter of learning,
I am shameless
In reciting poetry.
I am shameless
While eating,
I am shameless
As I am hungry.
Hunger to learn,
Hunger to work
Hunger to live
For others are
There in me.

Gajanan Mishra
I Am Hearing

Go on saying.

Go on saying
I am hearing.

Your saying
Is the beginning
My hearing
Is also the beginning.

No difference
Beginning or
Ending.

Nothing is here
To end
And everything is
There to begin.

Go on saying
I am hearing.

Gajanan Mishra
I Am Hearing You

I am hearing you,
I am watching you,
But I cannot say
Where you are and
Where you are not,
How you are there
And what you are
Doing at this time.
But I know you exist,
And I know your hand
Is everywhere and in
Everything are are
Happening here, but I
Am unable to utter.

Gajanan Mishra
I Am Helpless

Excuse me,
I am helpless,
I can't purify you.

And why should I go
To purify you.
I know you are all truth,
You are all purified.

It is I,
Wherein all sin,
I found within.

If you are so kind,
Allow me to study
And experience life,
Day to day signified.

Gajanan Mishra
I Am Here

I am here
As you see
I come and I go
You said to it
In so many words
In so many languages
In the life
And I never cease
My journey
I am cautious
While here
During this period.

Gajanan Mishra
I Am Here Always

I am here always
You are there always
We are both one here there.

Here there
I am with You
You are with me.

You are with me
And giving all out
Protection I know.

I am with You
And praying You
And giving respects.

Protect me from bad association
O my dear, You are my respiration.

Gajanan Mishra
I Am Here Always In Your Service

You are aloof from me
You are free from material nature.
O my dear,
You exist as both the remote and
Immediate cause, my dear.
You know me and You are in me
Doing all my works
And You are invisible like the sky
Over the head.
You are my only shelter, my dear
YOu are my Father Mother Guide and philosophger.

Gajanan Mishra
I am here and here is
The open room.
One can passes freely.
You can see, watch,
Where the room is going.
Going is but natural,
As natural as air
In the sky.
Lights are there
Like the stars.
Stars are there
On this earth.
And here, you see
My room in dark.

Gajanan Mishra
I Am Here And I Am Rising

I am here and I am rising
From dreams from life and I am
Rising to the sky
And You are showing me
The truth that in me.

Gajanan Mishra
I Am Here And Still

I am here and still
I am not here.
You can not touch me
Though a feeling of
My presence is there
Within you.
You can call me father,
You can call me son,
You can call me friend,
You can call me anything.

Still I am not here
So long as your feeling is
Not there or here.
You can say feeling
Pain or pleasure
But you cannot say
It is avoidable
And without you
There is no round table.

My identity is in you,
My identity is with you,
And I am there with a secret voyage
To build a new home.
Yes, where there is cleanliness
There I am, you can find.
Confirm your presence
Still you are requesting me through message.

Gajanan Mishra
I Am Here For All

I am here for all,
Remember, from
The very beginning.
Breathlessly I am
Shouting peace, peace-
None of you listening.

I have seen the light,
I am telling you,
I have seen only
On this earth and
It is all practical.

My Grace, you are all here,
With me, at this time,
And I am telling all truth.

Gajanan Mishra
I am here for the welfare of the world,
I am here not to go against any one,
Not to go against any language or culture
Or religion or caste or colour,
I respect all, I want all should flourish
Here in this world, as I know this world
Belong to all and all have equal right to
Grow and stay in peace.

Gajanan Mishra
I Am Here For You

I am here for you,
You are necessary
To make each one alive.
You are here for all,
With oneness and
You are the real.

Gajanan Mishra
I am here in full,
But I am attributeless
And I am special.

Gajanan Mishra
I Am Here In Me

Yes, I am here,
In me.
I am searching you,
You - the truth.
I am searching you,
You - the love.

My eyes, my ears,
My mind and my hearts
All are here
In me.

I am observing
The incidents
That are happening
Here in me.

Yes, I am here,
In me.

I am brave,
I am intelligent,
I am truthful,
I am lovable.

I am in the air,
I am in water,
I am in the sky,
And I am on this earth
And I am also
Beyond the earth
And the sky.

I am here, within.

See me,
Touch me,
Feel me.
I am the love,
My dear,
I am the truth here.

Gajanan Mishra
I Am Here Living Like

I am here living my dear, like
A tree on the bank of a river.
I am here living my dear, and
Busy in service to a king who
Is wicked and reluctant to use
The language of my mother and
He cares not the development of
My people and my land for which
I am in poverty, my dear and
My own people are insulting me
Day and nights. See me, I am
Here living a life with debts.
I am here living my dear, wherein
My body and mind are not in order.

Gajanan Mishra
I Am Here Only One

1

I am here only one,
In this one world,
Under the one sky.
Only one sun is there
Who is giving me
Light always.
One moon is giving me
Cool and medicines
And keeping my body
And mind intact.
One air is there
Who is giving me life.
Another one is there,
The water, my dearest dear.

2

I am here, I am there,
I am with our mother-
The supreme word-player.
If you are so kind
Please understand my word,
How lovable all here.
Everything is balanced
And you are there
To open the new door
Of friendship on your soil.
I see no hurdle and
Nothing that can check us
From again being together
Please come, my dear brother.

Gajanan Mishra
I Am Here To Die

I am here to die,
I am here not to live.
I am here to live,
I am here not to die.

See, I have everything with me,
The bird, the star, the fire.
I have nothing here with me,
No sky, no clouds, no air.

In day light I am searching you,
I know truth is there in you.
I am jumping in to the battle
Without any arms and ammunitions.

I am following my own principles,
In the line of all lies and all truth.

Gajanan Mishra
I am here to eat food,
To eat food, I am here.
You can know my faith
By my food.
From my food, you can know
My nature, the books I study,
The company I keep,
The places I visit,
And in the activities
I engaged myself.
My eating, my drinking
And my way of life
Will tell you who am I
And where I am.

Gajanan Mishra
I Am Here To Err

I am here to err.
To err is human,
As they explain.
If you love me
What to do with me-
Look out is yours.
Let me share
Everything with you,
No other person is
There, here with me
Besides you.
I know, and I love
You, I know here
You are the only truth.

Gajanan Mishra
I am here to give you
What is truth and in return
I want nothing from you
As I know the very life
Is yours and this life
Is the only truth with me,
I know you are the only
Rightful person to receive.

Gajanan Mishra
I Am Here To Help You

Worry not, my dear,
I am here to help you.
Ask not how and why,
Keep all questions with you.

Don't go with the answers
They are of no use.
Just stay within and
make yourself in you.

Gajanan Mishra
I Am Here To Quit

I am here to quit
In due course
And then initiate life
Afresh.

Let me know
The progressive path,
And let me depart,
At right hour.

Life is there
In the air,
And I am here
With and in fire.

In and out
I failed to shout.

Gajanan Mishra
I Am Here To Say

I am here to say and
It is my nature, remember,
I care neither the air
nor the sky.

I am concerned with myself,
I care not who is doing
what and how and where,
And I am here with nectar.

Gajanan Mishra
I Am Here To Say Something

I am here to say something
You are here to hear and
Words are only hindrances
Between us.

You are there to see some pictures
I am here to make many and
We both are problems here
Due to invisibility.

I am here and you are there
Without any link without any credibility
And you said nothing and I
Admitted that I heard everything.

Gajanan Mishra
I Am Here To Serve

You may called me servant
And a servant has no wish
Nothing to take
It is your world my dear
I am here for a few moment
Order me anything you want.

Gajanan Mishra
I Am Here To Show

I am here to show,
To show the power,
Power of my words.
My words are
Here with me
And they are
Ready to
Declare war,
War against time.
And time is receded,
See my dear,
Hearing the roars
Of my words
In this world of love.

Gajanan Mishra
I Am Here To Tell The Truth

I am here, to tell the truth,
To you all, and enlighten you.
I am here, not to become a
Proprietor of so many things,
I am here, not to amass money
From the innocent public.
I am here, and I wish to
Wander about, free from lamentation.
The truth of the life, I wish
To know is to liberate the self
From the bondage of material things.

Gajanan Mishra
I Am Here Under You

I am here under You, my dear
I am here, under Your jurisdiction.
I am Yours, and I live here, within You,
I am offering You all, that are pure, that are good.
I am serving You, that are Yours.

Gajanan Mishra
I Am Here With My

I am here with my many divisions,
And in me, I am here, with the whole.
I know my past and my present and
Also my own future, dear.
With faith and belief I see
And I realize who I am and
What for I am here and I am with me,
Let me tell, no place is there to hide.

Gajanan Mishra
I Am Here With Nature

I am here with the nature
The nature is here with me.

I start reading
And the matter is
Without word
And letter.

I start walking
Without any foot.
I start sleeping
With full activity
Of the mind.

Nothing but
To ise everything
In proper way.

Gajanan Mishra
I Am Here With Tears

William Black is right
When he said' night & morning
With my tears' let me add
I am here night and day,
Morning and evening with my tears,
No one is here to console me,
My wife is only there
To add fuel to the fire.
And I am searching the light,
Time is here and I am giving a fight.
I know I am here only to shine
As because I know nothing is mine.

Gajanan Mishra
I Am Here With You At Present

I am here with you at present,
But my past life is haunting
Me at every moment.

Gajanan Mishra
I Am Here Without Fear

I am here without fear,
My mother and my father
Both are near.
I am speaking every detail
In my own mother tongue.
I am free and fearless,
I am on my mother land
No one can beat me here.

Gajanan Mishra
I Am Here, O My Dear

I am here, O my dear
Come back to me
I am waiting for you only.

Gajanan Mishra
I Am Here, See

I am not here, see.

Whom you are talking
Actually you have not seen.
Whom you have seen
He is actually dumb and deaf.

Nobody has gone anywhere
It is your sight that is defective.

Gajanan Mishra
I Am Honest

I am honest
And I am poor
As because
I could not get
Any chance
Of being corrupt.

You have got much chance
You are rich
You achieved power
Power is necessary
To do some works
For the country.

Think about living,
Think not about dying.

Gajanan Mishra
I Am Hot

Am not I hot?

I respect you,  
But I like not  
To see in this form.

To win -  
My desire.

To increase  
The time,  
Not under  
My control.

Easy victory  
Depends on  
My performance,  
Observe my silence.

Gajanan Mishra
I Am Hungry

Give me some food
I am hungry.

I am not here
To select any food.

You are to select
Your self and give me good.

I am here only to
Taste only to see only to hear.

I want to read poems
Give me some of them
I want to visit places
Take me if you pleases.

I want not to tell you
What I am
It is you to decide
what is in me.

Give me some water
That I want to drink
I am thirsty.

I am on my way of
Sacrifice austerity
And charity.

I am not yet
Out of the shadow of poverty.

Gajanan Mishra
I Am Hunting

Another eternal room
I am from eastern ghat.

Gajanan Mishra
I am illuminated
Not by the sun,
Not by the moon, but
By my own light.

I am limitless and
I am covered by
My own sky and that
Can be measured by the truth.

The truth is my best love,
And I am more or less
Captivated by it.
I am my expansion and
I am free from information
That are here at this time.

Gajanan Mishra
I Am Immature

I am immature
I am agitated
I am still tainted
By lust and attached to
The objects of sense gratification.

I am not able to perform
My duties and not in a position
To Obey the order of my Master
I am poor and I am welcoming my danger
Like the lusty women unfaithful to own partner.

I know my dear what is
Bondage for me is
Freedom for You
I know Your internal potency I know You.

Gajanan Mishra
I Am Important

You are present
And I am important
You are my best friend
You are the Truth
My aim and objective
Is to reach You and with You.

Gajanan Mishra
I Am Important For You

I am important for you,
And I am not the truth.
I am also not false
Because of your presence.

Gajanan Mishra
I Am Impressed

I am impressed
With your eyes,
And I fly.

And I fly
With you.

With you
I see my world
Everywhere.

Gajanan Mishra
I Am Imprisoned

I am imprisoned
In the prison of
My own house,
In the grip of
My own fear and
Separateness
And for this
I am not free.

Gajanan Mishra
I Am Impure, Think Not

Think not, I am impure.
I belong to the air,
And the air is pure as you know.
I belong to the sky,
And the sky is pure, you know.
I belong to the hills and rivers,
And oceans and the earth,
And they are all pure, you know.
How can I be impure,
When I am part of the sun
That is burning at every moment.
I am pure, see me, test me,
And I travel from here to there,
And from there to here for nectar.

Gajanan Mishra
I Am In

I am untouchable
I know and you to know
Your complex impressions
Are impermanent transient.

I am untouchable
Means original and eternal
You yourself do not touch me
Let me remain untouched by you.

I am untouchable
In pleasure in pain
You are from outside
And I am in.

Gajanan Mishra
I am in a place
That is full of dangers.
At every step here,
I am living with fear.
Nothing is good,
Nowhere I find the truth,
Everything and everyone -
In changing colors.

Gajanan Mishra
I Am In Between

Here is the poet
Here is almighty
I am in between
Hearing their words
Wonderful singular
And thrilling.

No end no beginning
Conclusion not drawn
poems are being written
I am nobody here
Here is the poet
Here is love here is Truth

Gajanan Mishra
I Am In Danger

I am in danger,
I am in between
Birth and death.

But if I can practice
I can protect myself
From fear.

Gajanan Mishra
I Am In Dark- World

But in darkness,
I can see you.
I am in dark, though.

I am known to all,
But no one can say
What is my name
In true sense.

They are not in dark,
They say openly.

Proper inquiry revealed
For what they are here,
But publicly nothing
Can be exhibited.

And everything is misunderstood.

Gajanan Mishra
I Am In Distress

I am in distress, See
You are the greatest of the great
I approach you and I know
My pleas should never go in vain
With me, You please stay
And help me in going for
Advancement of human mission
See me I am honest and truthful
I have nothing to beg nothing to take
Just You stay with me
Till I cross the ocean.

Gajanan Mishra
I Am In Doubt

If you are a man
See the sky and read it
Everything is there
If you are a Hindu
See the Gita and read it
Everything is there
If you are a Muslim
See the Quran and read it
Everything is there
If you a Christian
See the Bible and read it.
I know what you are thinking
And I dare to say
Your thinking process is not good
It is not for general welfare.
Think over my words
If you are perfect and there.
Are you really know what you are
And I am in doubt whether
You are taking or not
The same water and the same air!

Gajanan Mishra
I Am In Everything

I am in everything
See in number in voice
In time in place
In bodies in air
In fire in sky
In land in water
In leaves in flowers
In tress in earth
In nature in behavior
In names in fame
In original in duplicate
And if you challenge me
I am nowhere.

Gajanan Mishra
I Am In Fire

Without fire I am burning,
Without water I drowning,
All bad people are here with me,
I realized my misdeeds in life.
I realized what for you are there.
Knowing life is not within my capacity,
And I am not in a position to know
Who I am and what I am doing.

Gajanan Mishra
I Am In Love

I am in love.
Is it true?
I am putting
this question to me.
I see the time
is smiling.
Let the time smile
and it's okay.
I reverse my
decision to go.
But the time
does not permit me.

Gajanan Mishra
I Am In Love - Realize Me

I am in love
And I am formless.
I am in love
And I am beyond all.

No needs to know
Who you are,
Where you are
And how you are.

Hear my words
And my sounds.
See my beauty
And my glory.
Feel my love
And realize me.

Gajanan Mishra
I am in love,
In love
With this earth,
With this air,
With this light,
With this water,
With this sky.

Let me fly
With you,
With truth.
Truth is there
In me,
In you,
In everywhere.

I know
No time can
Beat me.
I am in love
With time.
In truth,
I am a natural being.

Gajanan Mishra
I Am In Love With The Sky

I am in love with the sky,
And the sky said I am on this earth.
I am in love with the earth,
And the earth said I am in the air,
I am in love with the air,
And the air said I am in the water,
I am in love with the water,
And the water said I am in the light.

The light is here in me, I understand,
And the light smiled and passed away to the sky.
I am with the sky and I am in love.
And I understand love is the only source of life.
Life is here and I am living,
I am living with all those, that are mine.

Gajanan Mishra
I Am In Material

I am in material happiness
And distress and

I see myself
In all lights
And dark is the reason.
I am in me.

It is true, my dealings differ,
With different creatures, my dear.

Gajanan Mishra
I Am In My Own Happiness

I am in my own happiness,
but you are not in yours.
You are above and beyond
all happiness and all sorrows.

And who are you I dare not
asked you here and there
I am with you always it is true
and yet not mine I know.

Gajanan Mishra
I Am In My World

I am in my world,
World of words,
World of love,
World of truth,
And world of poetry.

You are my guest,
Guest of honour,
And also the speaker,
The lone speaker.

I am the world,
I am the word,
O am the love
And also I am the truth.

Gajanan Mishra
I Am In Need Of

I am in need of Your grace, my dear

Gajanan Mishra

I am in need of love
To live in full.

I know not
How to love though.

I am in need of truth
With love in life.

Gajanan Mishra
I Am In Need Of A Known Girl

I am in need of a known girl
From a good family
With some social standing.

Girl is girl said my poet-friend
Forget about known and unknown
Nobody is known from the beginning.

Good family is a matter
Not to discuss now
In this material world.

Where is the society now
That you are searching
Social standing.

Search within
Be a human being
Boys and girls are busy in global warming.

Gajanan Mishra
I Am In Need Of A Poem

I am in need of a poem
That is hard and
Also that is soft,
Hard at night
And soft in day times.

I am in need of You, my dear,
In my sorrow and in my
Happy moments, You are
The only person who can
Keep me firm here for ever.

I am getting You
In my different mindsets,
I love You, my dear, I know
You are the only Truth.

Gajanan Mishra
I Am In Need Of Only The Sun

I am only in need of the sun
And not thousand lamps.
I am in need of the rain water
And not the ponds, oceans or rivers.
I am in need of only the air
And not the fan and etc etc.
I am in need of You and only You, my dear,
And not so many and so many others.
If You are here with me
No enemy can do anything.
I am in need of You only, my dear,
I am in need of Your words,
In obedience to Your words
I can cross any puzzle any hurdle.

Gajanan Mishra
I Am In Need Of Words

I am in need of you,
I need you.
I know you are intelligent
And you are not limited.

I want to lift myself
With your intelligence.
I want to place my
Identity with your cognizance.

I know you are the truth
And you prove I am yours.
I get established myself in you
With full faith and I stick
To my thought that is yours.

Gajanan Mishra

Gajanan Mishra
I Am In Poetry

I am in poetry
And poetry is in me.
I am with the time.

Time is not there
With you, you told.
Okay, no problem,
I replied.

After that
I heard no words.
After that
I see not you
But the truth.

Matter solved,
Problem over.

The world revolves
As usual.
The birds
Sing like mad.
The flowers
Blossom with
All beauty
And colors.

But where are you,
I asked myself,
Without expecting
Any answer
From anyone here.

Gajanan Mishra
I Am In Search Of

I am in search of
Real feature
And where is it
Nobody is in a position
To say anything.
Here You can not find
Any water or air
Here You can find only dark
Here all are blind
With open eyes.
You can not certainly
What are there and
For what purpose
I am only going on
Asking without waiting
For answer from any corner.
I am in all see
In wealth in fame in strength
In beauty in knowledge and
Also in renunciation.

Gajanan Mishra
I Am In Such A Position

I am in such a position,
There is no fear of
Fear or decline.
I am on this earth
And I am here
Without the support of
Anyone.
I am within me
With my own language,
That is the language of
Love.
And love has nothing
To receive but to give all.
I am not a man to fall.

Gajanan Mishra
I Am In The Form Of Ever-Existent

I am in the form of ever-existent,
My body-sense-mind and intellect,
They are all the truth and here
Ask not any question of good or bad,
Pure or impure, friend or enemy,
Wicked or noble, virtuous or sinful,
Everything here, that are to be
Seen, heard, thought of and understood.

Gajanan Mishra
I Am In The House

1.

I am in the house,
Made of glass.
I dare not to
Throw stones
To your house.
Take not these lines
As a poem, but
Treat it as a mantra
Of your own life,
My dear and go on
Living in the way
That is simple and
Transparent for
All good.

2.

Be merciful to others
Each one is poor here.

All are ignorant
Break no one
Into pieces either
By your words or
By your actions.

See that
You are nothing and
Nothing but simply
Under the mercy of nature.
The day is not far
That can put you
In the prison.

3.

You will not be able to see,
You will not be able to hear,
You will not be able to move,
You will not be able to do
Anything. You are nothing, nothing.

Gajanan Mishra
I Am In The River Of Blood

And you are there,
You are there.

Gajanan Mishra
I Am In The Sea

I am in the sea
And I like to win it.
The sea is in me
The sea of milk
The sea of salt
The sea of water
The sea of butter
The sea of nectar.
O my dear, You are my path
And also my path finder.
I am going with you.
O my light, give me
Strength to fight,
And let the fight be continued.

Gajanan Mishra
I Am In The Truth

I am in the truth,
I am the truth.
And it is not my duty
To unearth the truth.

If you have any doubt,
Go and ascertain from
Anyone known and unknown.

Where is the sorrow,
That I know not,
I see life all happy.

If you have any doubt
Come and see. here and there,
I care not what you are,
You have to admit I am all fair.

Gajanan Mishra
I Am In This Body

I am in this body
And this body is nothing
But a mass of skin meat
Blood sinew brain tissue
Marrow and bones
I have my own enemy
And it is lust
Still I am in love
Still I am in search of Truth
And I need the company of You.

Gajanan Mishra
I Am In Trouble

Being not connected with You.

I am not this body
I am telling the truth.

You can say whatever you like
I am unaffected you can see.

I am my own Master, see
I am no way connected with You.

You can do nothing
I am sure you can change yourself only for me.

You are in trouble that I know
Being your friend I am your foe.

No difference who you are
See nothing is here nothing is there.

Gajanan Mishra
I Am In War

I am in war,
In war always
With all
Unrighteous,
Villainous,
Cruel demon
That is in me.
But I am pure,
I am sacred,
I am not telling
You, though I am
Letting the birds
Sing in open field,
Letting the tree
Grow under the sky,
Letting the stream
Flow with all purity
For common welfare.
Life is in warfare
Always everywhere
From birth to death
And also beyond that.

Gajanan Mishra
I Am In You

I am in You
You are in me
O my dear
It is clear
As I am living here
You and I are
One and the same creature
To prove this
See this picture.

Gajanan Mishra
I am in you,
As fire in wood.

I am with you,
As love with truth.

You are for me,
I am for you,
In different shapes
With so many qualities.

Affection and
Good relation
Are there.
Peace and happiness
Are there,
Like that fixed star.

Gajanan Mishra
I Am In You, My Dear Son

I am in you, my dear son,
Go on. See me
In your actions.

You are in me,
My dear son and
Whatever you are doing
I realize, that are
My fruits of action.

See me, I have
No sense of mine
At this time,
With any object
Or person
Or action.

Gajanan Mishra
I Am In Your Eyes

I am there
In your eyes,
In your eyes
See me.

I am the time,

Think, nothing.
At any point
I am not vanishing.

I am the combinations

Fear not, nothing is
Going to happen.

I am the jasmine,
Bear me.
I am coming,
Welcome me.

I am flaming,
Feel me.
I am in your
Embracing.

I am the beggar
At your door, dear.
I am reflecting
In you,
In love,
In truth.

Gajanan Mishra
You are here there
Watching me what to do
I am not claiming
Anything here at any time
I am careful
What ever I am doing
Here is for you
It is your house
That I am staying in
It is here I see
Your pure existence
Making me pure
And I realized
I am your fragment
I am You.

Gajanan Mishra
I Am Indebted

I am indebted to You
You have contributed much
To my life and for maintenance.
I am indebted to all here
For various contributions
Received from them.
See with this indebtedness
I am eager for chanting hearing
Knowledge and detachment.
And with this I desire to find
My life in a new look that is
Full of love and love and love.

Gajanan Mishra
I Am Indebted To All

I am indebted to
The sun, the moon,
The water, the air,
The father, forefathers,
The society, friendship,
The love, intelligence,
The animals and birds,
The trees, plants,
The fruits and flowers and even
I am indebted to
The birth and death also.
I can never be free from all,
I can never be independent.

Gajanan Mishra
I Am Indebted To None

I am declaring this.
Am I wrong?
As I said earlier
I am not a seeker,
I am not a
Seeker of pleasure.
I know coming in contact
Is dangerous.
I accept You as mine,
But see, I have no desire.
I am staying here,
Here forever and for everybody
And here I find my achievement.

Gajanan Mishra
I Am Indeed

I am indeed
who I claimed to be.
Let me light on
The five lamps of life.

Being a poet,
See me, I have
so many heads,
so many eyes,
And I am flying
in so many directions
at a time.

I am your guard, my dear,
I am here, I am there.
See me, I am truth, I am fair.

Gajanan Mishra
I Am Independent

I am independent

I am inseparable
Inseparable from truth.

I can attain infinite bliss
Since I am in love with you.

You are the only Truth
The only Truth.

I do not want liberation
I want only your companion.

Gajanan Mishra
I Am Inseparable - O Supreme Truth

I am inseparable
Inseparable from truth.

I can attain infinite bliss
Since I am in love with you.

You are the only Truth
The only Truth.

I do not want liberation
I want only your companion.

Gajanan Mishra
I Am Just Here

I am just here
To attain you, my dear.
I am just here
And I renounced all fear.

I know, you are
An independent means
For all benediction.

I know, you are
Staying here
With some intention.

I am just here
And I want to cross
The swamp of delusion
And in-discrimination.

Gajanan Mishra
I Am Knocking The Door

I am knocking the door,
But the door is opened.
I am knocking the door
As I am unable to find
The way out to get in.
Let me clear the matter,
I am not outside the room,
I am here inside as ever.

Gajanan Mishra
I Am Known

I am known
By everyone,
I know everyone.
And I am not
Limited by
Time and space.
I know all,
Here and there
And everywhere.
But I am free from all,
I am not attached to
Anything or with anybody.
But I am in all,
And all are in me.

Gajanan Mishra
I Am Lame

I am lame
It is You
Who is taking me
To one place to another,
I have no hands also
See, it is You
Who is holding me.

Day and nights
My eyes are open
And yet it is You
Who is discovering me.
I am in my own
I am in my own light
To know me, you have to fight.

Gajanan Mishra
I am leaving
This house, my dear.
Let me leave.
I am telling You
O my dear, that I am
Leaving and let me tell You.
Let me tell You, my dear,
That I am here with You.

Gajanan Mishra
I Am Liberated

I am liberated
Even here
In this life.

Ask me how?

See I am
Not here to
Take anything
From anybody.

Am I not free?

Yes, I am.

I am not here
To receive any
Command or
Order from anyone.

Gajanan Mishra
I am life,
I am standing here,
I am alive.
No one can touch me,
On this way or
On that.
In this form
Or in that
I am here,
I am life.
I salute life,
I am obliged.
Everywhere feel me,
If you are able, see.

Gajanan Mishra
I Am Life And I Am Here

I am life,
I am here
To give
Everything
To you.

I am death,
And I am here
To take away
Everything
From you.

I am both
Life and death.
I am in you
For truth.

Gajanan Mishra
I Am Like A Man

I am like a man,
I want to be a man
With all humanity.

I am capable,
Capable to love you
With all truth.

Truth is for all,
I have to know,
Knowledge is necessary
To discover history.

I have to leave history,
Here, there for others,
But in history I am
There for you as your own man.

Gajanan Mishra
I Am Like Clay

I am like clay
My dear potter
Make me as You like
According to Your
Sweet will
Mix me with water
Or anything
kneads me
Crush me pats me
Put me on Your time-wheel
And make me
As you like
I have nothing to think
Nothing to worry
Nothing to fear
I know in all the processes
Your uncommon unique incessant
And continuous grace is there.

Gajanan Mishra
I am limited,
But you are unlimited.
And I find no way out
To satisfy you.
You may fulfill
Your desire
By yourself.
I am also
Not so powerful
Like you.
I have nothing to
Influence you.
You please do
Whatever you want to do.

Gajanan Mishra
I Am Listening

I am listening
All your talk there.
You are telling
Only about me
And I am here, my dear.

I am in the fire
And I see the smile
Of the star, there.
And you are telling
Move forward, forward.

You are a person of
Vested interest, no one
Dare to say
Your drama is full of tears.

Gajanan Mishra
I Am Living

I am living
But for who
I am living
That I know not.
Who is there
To show me
Right path.
Where is what
That I know not
And still I am
Rushing to the spot
Where spring is
There with its
Colors and songs.

Gajanan Mishra
I Am Living Here

With full satisfaction
And I do admit
It is not bare truth.

I doubt whether
I am going towards
My ultimate destination
I doubt my truthfulness.

I do admit
I am not guided properly
In this condemned civilization
I know I am not in the line of perfection.

I am in this platform
Correctness be confirmed.

Gajanan Mishra
I Am Living Here With Death

I am living here
In this world
That is changing.
Come on, my dear friends,
Let us stay side by side,
Together, for a better future.
The future is death,
Let our death be colorful.

Gajanan Mishra
I Am Living In Real World

Nothing is false here
My wife my sons my grand children
All are here true as you see.

Nothing is false here, see, feel
Experience and I understand
All are eternal and I feel happy
I am being with Truth.

Gajanan Mishra
I Am Living Means

I am living means
I am showing my superior energy
This is also ego
When I came to know I
Let it go
And hence further
I forgo.

Gajanan Mishra
I Am Living Means I Am Dying

I am living means
I am also dying.
I love you means
I hate you also.
The sun is rising
Means it is also setting.
But I am here with you,
Means I am here
Though no one is
Able to see me
As I am within.

Gajanan Mishra
I Am Living With

I am living with
My faith and my hope.

I am entering the house
Through this door.

I should cross me
On the road.

No one is responsible
For anything but it is I.

Gajanan Mishra
I Am Living With My Words

I am living with my words,
And also, I am dying with my words.
My words are everything for me.
My words are giving me light
And so, I am not in the dark.
I feel the pulse of the dark
That is there in the light.
I feel the life-music in the dark
And that is not there with the light.
I see myself clearly in the dark,
And the light has no such power
To make me able openly to see.

Gajanan Mishra
I am looking for the sun,
And the sun is there
With the clouds.
I am looking for you,
I know you are
In troubles.
But troubles are not yours
I know it, they would
Go away on their way
I am sure.
Here, I am not in grief,
What for I grieve,
That also I know not.
I know it is you who is
Doing everything
In due planning.
I am sure, it is you
Who is doing everything
For the welfare of
All beings.
I want nothing,
No way to go from here,
That I know, my dear.
I am here, let me say
With pleasure that
You are here
Calm and cheerful.
That I again and again
Want to see and I
Want to stay with you
Without any reason.

Gajanan Mishra
I Am Loving

Sun rising sun setting
And I am here living.

Earth is moving
And changing.

If I am here to
Say something,
I know, I am lying.

Yes, I am lying
When I am telling

My name is so and so.

But I am here
On this earth-

And Flowing with
The victory, victory of all.

Gajanan Mishra

I am made
As Your portion and
I stand within the sun.

I am not created
I am unchanged
It is self-cognizant.

I am not distinguished

Spirit and matter.

Nobody is there
To know me better
Besides myself.

Externally and internally
I am one and only one, feeling within.

Gajanan Mishra
I Am Man

I am a man
Having a name,
I am a man
Having a state,
I am a man
Having an identity.
Please, forget
For this time.

Think yourself
As the function of
The Absolute.
And you are
Endowed with
All attributes.

You can do
Whatever you wish,
You can reach
Whereever you wish.

Think for a while
You are totally free
And you are formless.

Gajanan Mishra
I Am Missing

I am missing, I am missing,
Truth is that I am missing.

Whatever the fact may be, I am missing,
You cannot find me either in temple or in church
So long as you have not change your behaviour.

Be a servant but allow not anybody or anything
To be your master, my dear.

Discover yourself in my missing incidents
And it is in my missing, you are here manifest,
And let me say what is dangerous and what is not.

Gajanan Mishra
I Am Missing In Your Eyes

I am missing in your eyes, see.  
Nobody is here to ask anything  
about our relationships.

I am here with so many cries,  
so many smiles, so many colours  
and with so many manners, shape and size.

You are here with me only with your eyes  
And I am missing in your eyes, see  
with climbings and falling.

And it is my life within your eyes, my dear,  
And I have nothing to say more and  
I am missing in your eyes.

Gajanan Mishra
I Am Misunderstood

I am misunderstood,
I am here and present
Always with exclusive
Purpose that is
Your all welfare.

I described each and
Every angle of knowledge
And I presented all
Related documents for
Your information, though.

I am misunderstood,
The reason is your absent
Mindedness and your mean
Self-interest.

Gajanan Mishra
I Am More Local

I am more local,
More local than universal.

With me for you.

You are within me.
And I am here,

The only truth.

And I know it would be helpful to
Cure lots of diseases,
Let me take sun-cooked food, that give new life.

I am also there. I am all around.

Gajanan Mishra
I Am My Burden

It is true, I am
My burden in
Dissimilar shapes.
I say it all okay,
And I say to raise
Your hands and
Give support here
At this time of need.
It is all the play
Of the goats,
It is all the matter
Of tea plates,
It is all about
Traveling in groups.
But no one is
ready to take
The responsibility.
Still, it is all
Terrified, and
It is all the result of
Imaginations of the day.

Gajanan Mishra
I Am My Master

Can save me.

Are only mine
And it is not transferable
It is not debatable.

You may come
In any form
At any time
And see
I'm with me.

I present myself
Everywhere
At the same time
My birth my death
Are in my hand.

You may call it magic
You may call it mystery
That does not matter

Relation with other
Without me
No existence of ether.

Gajanan Mishra
I Am My Slave

I am my slave
I am here harbouring
Desire for respect
For honour for fame
I think I am elevating
Myself but it is reverse
In the true sense
In fact in disguise
I am my own slave
I am my own enemy
As I attach importance
To worldly things
I am forgetting
My real aim
As I think my body
my senses my mind
my intellect my riches
My property are mine
And I am for them
This is nothing but slaveness.

Gajanan Mishra

I am naming you friend
And you are flying away
To the vast sky.

But I failed to understand.
That problems that are here
Still covered the sky
That I failed to use.

Gajanan Mishra
See me, O Shakespeare,
I am naturally honest.
No one can find any spot
Inside or outside.
I am enjoying the life
With you, see,
How I am shining
How I am smiling!
My life is a dream
And I am going on journey
Knowing fully well
The language of love.
Single and one I am and honest and
I am the mixture of love and the truth.

Good and nothing is bad.

I see flood in furious faces
Coming to me at this time
And I am unable to catch
The way of my own survival.

Someone is asking me, okay
Mr Gajanan, is it a poem?
I replied you please say
What is then and he left the place.

Knowing nothing we are commenting
On a new item telling it is
Not like Tennyson or not like Byron
You should compose something like Wordsworth.

But my dear, they are theirs and there,
I am here and see me I don't care.
With much reluctance they agreed
As they found all truth and all love
And filled with everything what they want
In the way of living that is good and fair,

Gajanan Mishra
I am never covered,
No one can cover me
And nothing can
Compare me with
Anything else
But myself.
I am the sole winner,
And I appear
To give light
To others.

Within you
For truth
And also
For love.

And you are in me
Being the roots.

And I am in this position here
Within You well and clear.

Gajanan Mishra

I love life,
Where life is still.
Stillness is my identity,
And I reside in it.
Hopefully, I await,
Truthfully, I do
Whatever is there to do.

The smallest, I know.
I realize life is here
With me to learn so many things.

Gajanan Mishra
I Am Not Going To Say

Save me, protect me,
I am not going to say,
Not going to say again,
O my dear as I know
I am in You in full
Protection and I know
Who is there to do
Any harm to me since
You are here in the middle
And watching from this end
To that and doing all sorts
For all out welfare
Through this and that method
That is warranted by the situation.

Gajanan Mishra
I Am Not Great

I am not great,
But all greatness
Are in you.
You are the truth
Here in my state.
You are the future
You are the real nature.
I am here for you,
You are the truth.
You can do
What you want to do.
You are the fragrance
of lotus. Excuse me,
You are here in me.

Gajanan Mishra
I Am Not Happy

I am not happy

The eternal time taking me away
I am not happy I am not happy.

Gajanan Mishra
I Am Not Here And You

I am not here and you
dare to touch me!
How dare you to touch me
since I am not here?

Try not to overcome the sky,
since the sky is within you.
I am wandering for the truth,
But the truth is within me.

Gajanan Mishra
I Am Not Here As Before

I am not here as before
But time is here as before.
You have seen me there as I am
But you have not seen me as I was.
I have registered my signature
And that has to be renewed
With the love across the border.
I do not want to be a star,
Why you are blaming me there.

Gajanan Mishra
I Am Not Here Only For

I am not here only for
Eating sleeping fearing and mating
I am here to know who am I
And what is the relationship with You.
And for this purpose I am writing
Poems I am reading poems
And doing pious activities
Only for You O my dear.

Gajanan Mishra
I Am Not Here To Concede My Defeat

I am the last man
To concede my defeat
When I know I am with truth,
This gives me pain, no doubt.

I am here not to concede
My defeat as I know
I am winning and winning
And going forward only.

I am going forward, see me,
See me, I am here to marginalize
My time that is with you
And you declare me only winner.

Gajanan Mishra
I Am Not Here To Negate The Unreal

I am not here to negate the unreal
But I am here to behold the real.

Gajanan Mishra
I Am Not Here To Quit

I am not here to quit,  
So long as I am busy  
In the works of my  
Mother and my motherland.  
I am ready to die  
While working for  
The mother and the mother-tongue,  
And for all out welfare  
Of the motherland.  
Let me call you all  
To join with me in this works,  
The most pious one.  
Fear not, nothing to fear, my dear,  
Come on, hear the call of time.

Gajanan Mishra
I Am Not Here To Say

When do you spit out
When do you sneeze.

I am not here to say
Swimming is drowning
Pushing is not pulling.

Gajanan Mishra
I Am Not Here To Take

I am not here to take,
Nothing is there to take,
Taking is not my business.

Gajanan Mishra
I Am Not Here To Take Anything

I am not here to take anything
From you or from anyone.
I am happy as ever, see me,
Only for this mentality.
No profit, no loss, my boss,
See my business here.
In and out is always opened,
I am not soft, though.
I am here with full preparation
For any consequences,
But for you, let me say
The words of truth
That are nectar, here,
But I am the service provider.

Gajanan Mishra
I Am Not Here, It Is You

I am not here, I am not here,
It is you, it is you, who is here.
Yes you are here, and I am not all.
You are all, you are all, it is all
You and only you who moves.
You move as I move and it is glory.
It is glory, it is light with holes,
But light is there as it is before.

Gajanan Mishra
I Am Not Hungry

I am not hungry
Hunger is not mine
I am free from hunger.
Hunger is a butterfly
Come to it and welcome it
Wonderland you reach
Without hunger
You could not move an inch
And how you changed yourself
Hunger will tell
Wait a minute.

Gajanan Mishra
I Am Not I Am

I am not I am
As space is not space.
If the space is not space
why the water flows
why the flowers show face!

I have all the answers.
Im dutybound to ponders
over questions that
are not ours that
are time pass.

Only a blindman is there
Only a deafman is there
Only a man is there
who has no leg no hand
And he is in the hollow
whom I swallowed.

Gajanan Mishra
I Am Not Ice

I am not ice,
But ice is
In me.
I fear not ice,
But ice fears me.

I tell the ice
To stay there
On the wall of China,
I tell the ice
Come not again,
To my room
As my mother
Is there.

Ice is there
At Badrinath
And ice is
There also
At kedarnath.
I tell the rice
To stay there
In peace.

I had been
To Kedarnath
And also
To Badrinath
With my wife
But there was
Not ice
At that time
And I was
Unable to
Hold my wife tight.

I tell the ice
Not to go anywhere
But to stay
In my heart,
But the ice
Care not
To listen me.

I am not the ice,
That is
The only problem.

I Am Not In A Dormant State

I am not in a dormant state
See me in the process always.

Here I am in your appearance
Here I am not in your disappearance.

I am the appetite, I am the living force
I am the digestive power, see me in shower.

I shrive all, I listen call
See me in small and also in tall.

I am repeatedly telling one thing see me in you
I am there to rescue, come to me in queue.

Remember, I am also helpless and not independent
What I do that is only for you.

As you know iron becomes red-hot by fire, so also
I am the original cause of cosmic manifestation when you are there.

Gajanan Mishra
I Am Not In Anger

I know anger
Is born out of
Ignorance and
Illusion and
Here anger is
Disastrous and
And produces
Delusion and
From delusion
Arises confusion
Of memory and
From it there
Arises loss of reason
And loss of discrimination
That paves the way
To self-destruction.

Gajanan Mishra
I Am Not In Bond

Nothing can binds me,
I am not in any bond, as

And you are everybody.

So long as life is there,
Each and every item
Has got value.

Gajanan Mishra
I Am Not In Inurement

In telling lies
Always everywhere.
And I spend so many times
With you in an open field
Like this full of birds
Trees, moon, stars and airs.
I am not in inurement
To use invaluable items
Like the sky and the earth.
And I left the place
With despair and not able to
Utter a single word smelling intrigue.

Gajanan Mishra
I Am Not In The World

The world itself
Is independent.
But let the world
Ceases to have its

To destroy sins and
To make us pure.
Let me feel I am
Not not free to do
Anything here
Single-handed.
My world is here,
But I am not
In the world.

Gajanan Mishra
I Am Not In You

I am not in you,
You are not in me.
But we love each other.

This life is like an ocean,
Here find, the nectar and
Also, see the poison.

Use, that are near you
With discrimination.
And serve all
Without any selfish motive.

Entity, that is there
With you is pure.
Take the truth with love
And stay safe and cure.

Gajanan Mishra
I Am Not Inclined

I am not inclined
To describe
The unrighteous side.
I prefer to go
With the truth always.
I love the truth
And the life.
Life without truth
Is falsehood.
Because of your
Righteousness I love you.
Because I love you,
I take delight in
Describing you in poems.

Gajanan Mishra
I Am Not Independent

I am not independent,
Cruel material nature
Does not allow me

False attempt of
Becoming independent.
I am a man and fully dependent.

Gajanan Mishra
I Am Not Isolated

I know I am with You
Though You are not with me
As seen and viewed by others
I am not isolated I know.

That I know You are with me
And I am not lonely
I am single with You
O my dear, I am living alone.

Gajanan Mishra
I Am Not Jesus

I am not Jesus
Why should I utter
I have no uto*.

I love you
I go to you
With my poetry
Full of woe.

You may talk
You may walk
With you.
Let me stay
With my night
With my woe.

My poetry
Is to look
My poetry
Is eager
To go
To a book.

* Uto - Utopia

Gajanan Mishra
I Am Not Like That Man

I am not like that man
Who is ready to supply
All your household things
Like ornaments, furniture
And dresses and so on.

I have no power to give
Anything you want.
I also do not want love
From the one who desire
So many things here in this life.

Gajanan Mishra
I Am Not Listening

I am not listening
Who told you
When you are telling the truth.
But know, first, the truth.
And tell me the color
And the weight, height

Tell me where you are
At this time while telling
And what you are doing.
You have no patience
To hear me, okay.
And you are going
In reverse order, be cautious.

I Am Not Mad At You

I say good morning though,
I say I love you though,
I am not mad at you.
Tell me not what to do,
While telling this
I am not serious though.

Nor I have old-clothes or creeds.
I am present with a smile,
I know not what is guile.
Pardon me, if you are hurt
In any way here for my behaviour.

Gajanan Mishra
I Am Not Much Concerned

I am not much concerned

Who am I.

I am not this water
I am not this air
Then ask me
Who am I.

I am also not the love
And I am with You
O my dear
Without any question.

I am with You
O my dear
Where and how
That I do not know.

Gajanan Mishra
I Am Not Naked

I am not naked,
My way is naked.
I am speaking words,
My way is also speaking.

Relation is very deep
Between the way and me.
What is there with
The sea and the dreams
They are the assistants.

The water is there in the mouth,
In days dreams missed.
The tiger dances in the forest,
The sky missed on the road of the trees.

Gajanan Mishra
I am not one and the same,
During sleep I forget
When I awake I remember
And when I transcend I realize

And no aversion can bind me,
And it is in nature and I
Ever remain the one and the same.

Gajanan Mishra
I Am Not One But

I am not one, but
One with another one.

I am in between
The sky and the ocean.

Not to play
Tobacco-pipe of clay
Clayey.

I Am Not Ready To Say I Am Unfortunate

I live here,
But no means of earning.
I live here,
But no scope to acquire knowledge.
I live here,
But I see no one with sense of shame.
I live here,
And here I find no river, no doctor.
They say it is my mother-land,
But I find no friend and no place to stand.
They say this is my mother-tongue,
But I find it is not useful anywhere.
I live here,
Still I am not ready to say I am unfortunate.

Gajanan Mishra
I Am Not Real

Your words are insulting you
As they are not based on truth.

Gajanan Mishra

No value.

Since poor I am,
I am a burden to them.
Even I am a burden,
To my wife,
The service holder,
And she expresses her
Thought in words and actions.
I am a burden to
My sons and daughters
Staying separately with their
Family members elsewhere.

I have no income,
I am a diseased person
With old age.
I have no right to live,
Please consider my case,
And let me go from this place.
I want to honor nature,
And the law there for.

But why they all
Think me as an element
Of danger?

Before you, my dear.

Gajanan Mishra

To go inside the white.
And see I am white.

With this time. 
It is true, I cannot 
Be separated from you

Jungle of this society.

You are my guide with bows and arrows
To drive out darkness in life
O my dear today is Yours birth day
I am living for today
In the provided by You.

O Rama You are full of knowledge
I know and I know Your intention
Is to make me happy and prosperous
With good consciousness my dear
My life is as clear as the sky
As wealthy as sea and it is
Only due to your mercy.

Gajanan Mishra
I Am On The Boat

On the boat
I search,
But I can't say
What is to be searched
In the true sense
For the truth.
But I need a river,
The ocean can do
When I think
To cross over.
Also, I want
A fertile land,
To grow with.
Love I want
To climb.
Earth, my permanent
Home, and I want not
To change the place,
At any time.
I feel all good,
Always here.

Gajanan Mishra
I am on the top, 
top of the hill.

On the top, it is 
all colorful.

Top is 
at the bottom, dear.

Serve at the bottom 
and reach the top.

Serve with love and 
with all truthfulness.

It is life, 
Love it, it is at the top. 
It is truth, 
love it, it is at the top.

Gajanan Mishra

And I must speak the truth.
I must protest falsehood.
Men who are committing
Acts of impropriety
Take note of my speech.
Follow the laws of the land,
Or vacate the chairs occupied.

Gajanan Mishra
I Am On This Planet

I am on this planet at present,
Search me not elsewhere.
No one can say anything about me,
Be sure, I am here for you
And I kept with me all truth.
Here death and life both run by air,
And the air is here in me.
I am here on this planet.

Search me not elsewhere,
I am here, I am there and
I am nowhere.
I am free, I am special,
But one can catch me in the air
That is there on that fixed star.

I am one,
I am many,
I am indivisible.
I am here
Before and
Also after.
See me, feel me,
But you can't say
What I am.
I appear and
I disappear,
Though, you know,
I have nothing to
Bewilder.

Gajanan Mishra
I Am One Alone

I am one alone,
No one is either
Equal to or
Greater than me.
So also, I am
Never equal to
Or less than
Anyone.

Gajanan Mishra
I Am One And

I am one and
The same with you.
Expansions in
Different potencies
Are not denied, though.
No one is found
To be equal to me
Or greater than me.
I am the poet of
This earth,
I am the only creator.
My vision is separate,
And I am here with you
With all truth.

Gajanan Mishra
I Am One And Not Five

I am one and not five
we are five and not one.

I am one and we are five
Stay together here.

Are we getting pleasure?
That I do not know, my dear.

So long as I have not acquired
The power to understand you
I can not give any view.

I am not satisfied as you know
With all these riches
With all excellent objects
And with you all.

Still you call me
And I make myself present
Before you for what
That is best known to you.

I have gained equanimity of mind
It is true and also it is true
You are ever attained.

You remain veiled, my dear
And I prospered.

I am the world, you are not
You are in the world though.

I am one and I have five
Five is one and one is five.

Gajanan Mishra
I Am One Of The

I am one of the
material creations
You are transcendental
To material paraphernalia.

Gajanan Mishra
I Am One Of The Richest Man

See me,
I am one of the richest man.
And I am not taking sleeping pills
Not using alarms to rise in the morning.
I am satisfied with myself
I have a faithful wife
And two obedient sons.
I am one of the richest man
To provide light to others
I have my own moon and own sun
Love and truth
Knowledge and peace.

Gajanan Mishra
I Am One With You

O my dear, I am one with You.

It is You who is
In me, my dear, it is You.

Gajanan Mishra
I Am Only For You

I am yours,
I am only for you.
And I am utilizing
All the materials
That are in me
For your service
In a selfless spirit.
I am yours,
I am only for you.
My inhalation,
My retention,
My exhalation
All are here
For your service.

Gajanan Mishra
I Am Only Here

I see myself
And I am only here.
You cannot say
who I am.
The ball is in me
I am here to
give you in time.
Let me roam free,
Let me see the cosmos,
Let me go to the space
and I am full conscious.

Gajanan Mishra
I Am Only Responsible

I am only responsible
For my own fallen condition
It is only because of
My own activities.

Let me changed my activities
To devotional service
Let me begin am auspicious life.
Let me find the way out of this world
O my dear, and let me see where You are.

Gajanan Mishra
I Am Only You

I am nobody
Distinct from you.
I am only you,
From you.

I am delight
With your energy.
I am both
Input and output.

Passive and active,
Both I am here.
I am the cause
And the reason
In your heaven,
All clear.

Gajanan Mishra
I Am Performing

I am performing my duties
and I am not helpless,
You are there with me always,
that I know and I am
proceeding ahead forgetting
all others here around me.

Gajanan Mishra
I Am Perishing

I am in dark and
I am perishing
From diseases,
From hunger
In this world of
Wealth and
Effluences.

Egalitarianism
Failed here.
Love and truth
Lost values.
Words are powerless.
Being a poet I find
Difficult to take breath.

Gajanan Mishra
I Am Permanent And Uniform

I am permanent and uniform,
My actions are transitory
And ever changing.

I wish you all
To be happy
And I wish
No one to be sad.

I realize my identity
With you,
You are the truth.

Our aim is one,
We are free to
Achieve our aim.
Our aim is here with us.

Gajanan Mishra
I Am Playing

I am playing
with the water
with the air.
Who is there?
to ask is
not good
not fair.

So many colors
So many flowers.
Let me cross,
Cross the river,
That is there.
Life's experiences
Please share.

All the dusts
All the clouds
That are in dark.
Dark is within
And still, you are
to flash the lights
That are there.

Gajanan Mishra
I Am Plundered

I am plundered
By the thieves here.
I am misguided
By the cheaters.
I am forced to spend
On clubs brothels liquor.
And I am crying for happiness
That is not here and never.

Gajanan Mishra
I Am Poor

I am poor
I am poor
Everything is
Stolen away
That is called mine
I am in this dark well
I am seized here
By the deadly serpent
Of time
I am poor
I am poor
O my dear, You can
Only help me from
This hopeless condition.

Gajanan Mishra
I Am Poor And Poverty Has

I am poor, my dear
See me, see my hunger, as
You know, Your Honour,
My hunger has no creed,
My poverty has no religion
I have nothing to
Give any opinion, I have
No power for new creation.
It is my poverty
That makes me disabled and
I am unable to run with you,
If you think me your part and parcel
Make my strong, my dear, to allow you
To sit on my head, I am here, the first person.

Gajanan Mishra
I Am Poor And Sinful

I am poor and sinful,
And far from the truth.
I realize my poverty
Is the result of my sin.
I feel I am in my
Intoxicating happiness.
But at present I find
No difference between
Slight and immense treasure.

Gajanan Mishra
I Am Present

Present Sir
Yes I am present
Yes I was present
Yes I will be present.

Yes Sir
My presence is wonderful
My presence is amazing
My presence is full of meaning.

Yes present
Only one I am
Always I am
Everywhere I am.

Gajanan Mishra
I Am Present - Fact

I am present
And you find
Nothing else
Besides me.
I am present
And you are
Searching me
Shame shame.
Whatever remains
After your search
See, that is I
Here, there, in you.
Fact is I am here
And not you.

Gajanan Mishra
I Am Present - Question Not

I am present
And everything is
Being managed perfectly.
Not to be questioned
About my presence.

I am present
Internally and externally,
You can see me directly
If you want so.

How I act,
How I manage,
Try to understand
With your feeling
But say not anything.

Gajanan Mishra
I Am Present Here

Don't worry
I am present here
Is Your words
And not mine, my dear.

In whatever name
You may call
I am there with you
And this is true.

Gajanan Mishra
I Am Present There

I am present there
Where You desired.

I am in You
Part of Truth.

I am very satisfied with You
You are true voice and Ultimate Truth.

My wish invariably come true
As sanctioning authority is You.

Let me go and stay firm with total
Conviction and determination for all truths.

Gajanan Mishra
I Am Present Today

I am present today,
No need to come another day.
Believe it or not
I cannot say anyone goodbye.
I know I am a pot without
Any sand or stone, made and
Polished by you, my dear.

Gajanan Mishra
I Am Present, See

I am present with
My smiling face, see
I am present before you
You may say whatever
You like with your own voice.

I know You are my beauty
You are my face you are gem
You are my jewels
I have created you
For peace and stability.

O my dear, see me here
And say what you think
Without fear and favor
Seeing me, I am here.

Gajanan Mishra
I Am Present, See Me.

I am present, see me.
I am here, only yours.
I am with you always.

Gajanan Mishra
I Am Presenting Myself

I am presenting myself,
Take this gift
For this poem.
I know what a poem is!

Poem is nectar and
Drinking this at present
I live here for the next.

Poem is not yours,
I know and still
I pray before you,
It is written by you
As because you are
Most pious here.
I salute you, my dear.

Gajanan Mishra
I am proud of you, my dear son,
As you are there with all truth.
You have taken the pain
For the welfare of all.
But, go not against anyone,
See the ultimate power is
There in all and respect them,
But keep distance as the quality
of intolerance and hate may
Destroy them within.
Stay alone and make the future
Bright like the sun in the sky.
Go not with stars, go not
With clouds. And I am proud of you.

Gajanan Mishra
I Am Pure And

I am pure and
My mother is near me,
I am with my mother,
I am here on my mother land.
It is heaven for me.

Gajanan Mishra
I Am Pure I Am Holy

I am pure I am holy
Only when I am with You
In You under You.
Whenever I am separated
From the main course of Yours
Like the pits water near Ganges
I am dirty defiled.

Gajanan Mishra
I am pure, purer
And also the purest here.
I enjoy though the five
Sense-objects of sound,
Touch, form, taste and smell.
I enjoy though so many
Luxuries, honour and glory.
I am the purest as I am here
And I am able to control the self
And I am with the self
And I am attractive and singular.
I am the purest here
Like the fool moon day and with
The rising sun I am evergreen every day.

Gajanan Mishra
I Am Purified

I am purified, and
I find no distinction
Between truth and false,
Between the earth and the sky,
Between the dark and the light,
Between the life and the death,
Between the love and the hate,
Between this and that as well.

Gajanan Mishra
I Am Purifying My Nature

Poems are here,
And taking the help
Of the poems
I am purifying my nature.
I dare to say
I am powerful and free.
Here, I can stop
The flows of the Ganges.
Here, I can pull the sun
From the sky.
Here, I can apply my method
While rooting out
The air from the evils.
I am free to do whatever I like here.

Gajanan Mishra
I Am Pursuing

I am pursuing and getting satisfaction
I am here living with pleasure and purification
I am my sign and signature and an institution.

Gajanan Mishra
I Am Rational

I am a man
I am rational
I am here in the clouds
That are driven between
The sky and the earth
I am here in the water
And in the air
Under the sky
And on the earth
I am here on this earth
And I am calling it heaven
I am a man
I am a man
I am moving from day and night
I am moving from night and day
I am here sailing in the ocean
With the cargoes beneficial to me
I am a man
I am a rational man
I am making this earth heaven.

Gajanan Mishra
I Am Reading

I am reading
And
You are hearing.
I am going
And
You are coming.
I am in full,
You are also in full.

No vacancy
In between us.
No emptiness,
No darkness.
Yet, you are there,
And I am here, dear.

Gajanan Mishra
I Am Ready

I am ready to die
not ready to live.

Whatever I want
please give.

Giving is not
taking worry not.

Whatever you thinks
it is not my thought.

Alright
I am ready to go
alas, it is you
who is there to stay.

Gajanan Mishra
I Am Ready To Be A Slave

I am ready to be a slave
Slave of the soul.

My dear soul
Where are you now.

Now I am with the soul
And soul is not foul.

You know I know
Watching us at the top
Of the Peepal tree old owl.

Gajanan Mishra
I Am Ready To Go

And I am going
See me with you
And also without you.

Gajanan Mishra
I Am Ready To Travel

I am traveler
I love adventure
No where I find danger.

Gajanan Mishra
I Am Real

I am real and I want nothing
and I am not indebted.
No obstacle is there
on my way, see,
I assume no affinity
with anything, with anybody.
I am not disturbed, and also
I am not in poverty.

Gajanan Mishra
I Am Really Happy

I am really happy,
Let me describe
My success.

My success is-
I am getting
Your blessings.

I am fortunate
To get it
With love.

I am here
With you
In truth.

I am here
But where are you!

Gajanan Mishra
I Am Really Mad

Looking at you
I am really mad.
I am really mad
Listening your words.

You are saying
The sun is rising in the east
And setting in the west
Knowing fully well that
There is no east or west
The sun is neither rising
Nor going to set anywhere.

You are telling a lie
Before all in the open market
And for this they all
Knowing this false giving you
Awards prizes positions
For you dare to speak the lie
I am not with the people
Around you as I know the truth.

It is not that all are ignorant
It is not that people know not
What is truth what is real
It is not that I am telling lie
But they say me mad and mad
When I am going to protest them
When I am going to say the truth.

In this world of falsehood
See I am smiling I am laughing
I am singing I am dancing
I am writing poems for You
And doing nothing doing nothing
They all said I am mad
Yes I am mad and I am happy within me
I am mad only for You only for Your world.
I Am Remembering

I am remembering Your name fame
I am remembering You always
O my dear again and again and again
I do not forget You even for a moment
I never forget You even in exchange
For all opulence of all worlds
And without You without this remembering
I am helpless I am nothing all around.

Gajanan Mishra
I Am Remembering That Day

I am remembering that day
When I was going to pry school
with my elder sister Hema
with some fried paddy and
ground-nuts with us crying
telling all I would not go
to read, there is nothing in it.
Today that school is no more,
Those teachers are no more.
My elder sister Hema is not with me.
I am not that Gajanan who was going
Without any interest to read and write.
Now I am remembering how I was right
How I was going to fight with time.

Gajanan Mishra
I Am Reserved

I am reserved
With my own language.

I am resentful
With foreign species.

I resemble love
And the truth.

I requisition
The requisites
For all out
Development.

I know the Roebuck
That is here as
The symbol of
Our progress.

No roguery,
But I invite all
And welcome all
With smile.

No maze
But mazurka is
There with us
For life.

Come with maximum
To enjoy
Everything here.

Gajanan Mishra
I Am Round

I am the sun,
The sun is round
And I am round.
I am round,
The moon is round
And I am the moon,
The moon is revolving
Round the earth.
I am on the earth,
The moon is revolving
Round me.
I am romantic,
And I am going
Round and round.
I am round,
Round shape is
Graceful and pliable.

Gajanan Mishra
I am running with
Eyes closed,
Yet see me,
I never trip
Or fall down
Anywhere.
I am sure,
I know you are
There with me.
The path is yours,
I know, I am also yours,
The beginning and
The end is also yours,
And I am running carefree.

Gajanan Mishra
I Am Sad

I am sad,
I am in gloom,
Reason not known.

Nothing is personal
That I know
Still I am unhappy,
Reason not known.

The wooden horse runs,
The wooden elephant
Raises its trunk.

I dare not to ask
How is it!
I see the craftsman
In woodwork smiles.

Gajanan Mishra
I Am Satisfied

I am satisfied with you
O my dear son
When I see you greet
Other people with
Tolerance mercy
Friendship and equality.

Gajanan Mishra
I Am Satisfied Here

I am satisfied here
And feel no need to
Do anything though
I can do all I
Do not like to
Exercise my power
I know my dear
Everything is You
Everybody is You
And I do not like
To interfere You.

Gajanan Mishra
I Am Satisfied With This Life

I am satisfied
I have faith
In destiny.

I am receiving
The necessities of life
My heart is full of serenity and bliss.

Neither I desire
To go to heaven
Nor to hell.

Gajanan Mishra
I Am Scattered

I am scattered,
See me,
Hither and thither.
I am separated,
See me,
From the truth.
I am collapsed and
Fell apart from you.

Gajanan Mishra
I Am Searching

I am searching
My own poems
In my own graveyard,
I am calling
You from this place
Where life starts.
It is my grief
That is giving me
A direction to appear.
And I appeared at last
With all joy to
See the blossoming
Of the flowers
In my own body-garden.

Gajanan Mishra
I am searching a man,
A man, simply a man,
Nothing but a man.
Am I not a man?
Are you not a man?
I am searching a man,
Simply a man, a simple man.
Where is the man?
I am searching a man,
With humanity, with
Love for humanity, with
Love for truth, with
All truthfulness and love,
Day and night I am searching.

Gajanan Mishra
I am searching Gajanan Mishra;
Gajanan Mishra was reading
At class 4th and was buried
In me.

Gajanan Mishra knew not
The difference between
The salt and the sugar
And yet he was crying and
Smiling at the same time.

Gajanan Mishra was playing
Under the sun and in rain,
Fair in complexion and tried
Not to escape from himself
For anything all time.

Gajanan Mishra
I Am Searching My Own Heart

I am searching my own heart
And it is not here, not there.
It is raining and I am going
Without rainy coat or umbrella.

I am looking at you, my dear,
And you are telling me something
Out of love and emotion that has
So much meaning I failed to recollect.

The old guards are no more here
And I am sleeping without care,
The sandal woods are here with me
And I am fully aware of the fact of life.

Let me tell you one thing that is
Not here in our day to day house-hold business.

Gajanan Mishra
I Am Searching The Rising Sun

I am searching the rising sun,
Here, there and everywhere,
All in words and all in actions.
I am searching the rising sun,
In love, in truth, and in all exclamations.
No confusion, but I am staying
With patience in all seasons.
I am discovering the sun in my own reflections.

Gajanan Mishra
I Am Searching, Yes Searching

Yes, searching,
I am searching a person
Who is free from ill-will,
I am searching a person
Who is friendly and
Who is compassionate to all.
Yes, I am searching him
Who is free from the sense of
Mine-ness and egoism.
I am searching a person
Who is even-minded
In pleasure and pain.
I am searching a person
Whose nature is forgiving,
Who is ever content,
Who is self-controlled,
Who is unshakable in determination,
And whose mind and intellect
Is always in love and in truth.
I am searching a person, it is true.

Gajanan Mishra
I Am Self-Willed

I am self-willed,
No one can force me to act
In consultation with others.
Try not to know the reason
For my acting this or that way,
All is my pleasure.
You have come to enjoy life,
Realize the truth and
Calculate not anything.
Not to indulge yourself
In any futile reasoning.
You are to overcome yourself,
You are to know the real and unreal,
The permanent and transitory.

Gajanan Mishra
I Am Separate

As a poet,
I am secular,
I am separate,
Separate from all.
From all gods,
From all illusions,
From all dreams.
No religion, no caste,
No colour can
Bind me
In their net.
I am separate,
And I love all,
Those who are
In truth.
I am a poet
And as a poet
I love this earth,
And the creatures,
They are here.
As a poet
I love nature.
I am a poet,
And I am separate,
Separate from
Time and space.
I am unique,
I am a poet,
I am a poet.

Gajanan Mishra
I Am Separated

I am separated from you,
You are telling me,
But you are not telling
Who told you and hence
Let me say t is not true.
I am looking well and
I am flying with you,
See me in this clear sky.
But without any proof
You are telling so many
Words that have no meanings.
I am feeling the pulse
That is in you and
I am expressing all truth.

Gajanan Mishra
I Am Silent

But silence is not here,
I am silent, though.
But I worry not,
And I proceeded ahead.

The system is favorable,
And I am matured.
I like the process,
The danger is ahead, though.

What I like and
What I dislike
Is not under my control.
But I have to go,
And if time permits
New sun, I am there to show.

Gajanan Mishra
I Am Silent, See Me

I am silent, see me.
I know I am going
As per the wind
And the wind is blowing
As per your direction.

I am silent, see me.
I am a refuge in this area,
I know this area is yours.
I used to see you
Directly with my eyes.

Your light is there
In my eyes.
I realize you
As love and as truth.

Gajanan Mishra
I Am Simple And Straight

And so they think I am foolish
They are trying to cut me see
They are coming to exploit me see.

I realized this world is
Not for me O my dear
But I am here as per your wish
I know You are here with me
To give a lesson to them
And You are here with me
To give them a lesson
In this survival game.

I am simple and straight
Only see I am chanting
Your name and fame.

Gajanan Mishra
I Am Simply Satisfied

I am simply satisfied
To be with You, my dear
All activities are being
Performed without my knowledge
I remained always absorbed
In Your thoughts here.

Gajanan Mishra
I Am Singing

I am singing for myself
when I am alone.
I am singing for others
when all are present
for the occasion.

The sky is watching us, see.
The air is giving us encouragement, hear.
The trees are refreshing us, feel.

My son is coming to me with his son
and told me stop, and I think
where and how and why should I stop.

I am incapable to push the thread
through the hole of the needle
that I realized at this time.

Gajanan Mishra
I Am Single

I am single
Without refuting you
I am expressing my view.

Just I am undertaking
This work as you see
Just I am Withdrawing myself
From this scene.

It is a fact
I am creating and
I am destroying
And you are silent.

Who am I then
I am not telling
I am including you
In my project of
Evaporating.

I am single
And you are hankering for me
While I am acquiring
Stage to stage all meanings.

Gajanan Mishra
I am smaller than you,
And it is true.
I can enter into you,
I can stay within you.
And from you
I can acquire your greatness.
And I can also make
Lighter than you, dear lightest.

Gajanan Mishra
I Am Smart

I am smart,
My city is smart,
My earth is smart.
All smartness are
With us, see.
Are we fearless?
Where is our privacy?
Where are we?
Waste basket is waiting.
We are in dust-bin!

Gajanan Mishra
I Am So Helpless

I am so helpless
That I am unable to do
My own, even personal works
Like eating, drinking,
Sitting, sleeping,
Reading without
The help of others.
I am not able to utter
A single word here.
I am so helpless
That I am unable to move
And to show you
What is here
And what is happening
At this time.
I am so helpless really
That I have no power
To check my eyes
That is here with tears.
My ears are eager to
Hear anything and the rope
That is with me failed
To set right.
And at this time
You are putting me questions
And asking about
The fools and clever people.
I have posted
In your timeline
That no one is fool
And no one is clever
It all depends on time
Place and circumstances.
As you know, my dear,
I have nothing to say
Personally but I have
So many things to say
As a part of the system
For the welfare of all.
Time is looking us
And we are all here
To cross the time.
But I am so helpless
That time is crossing me
With no reason.

Gajanan Mishra
I Am So Unfortunate

I am so unfortunate,
My own representative is
Not willing to talk in my language!

Gajanan Mishra
I Am Soaked

I am soaked
As I was
In you.
I am filled
With you
I know.
You are alone here,
At my sight always.

Gajanan Mishra
I am sober,
I have full control
Over myself.

I am peaceful,
I have satisfied
With whatever I have.

I am valuable,
I appear by the laws of nature.

Gajanan Mishra
I Am Something

I am something,
I have a role
To play.
This or that
Is my wife,
My son,
My house,
My car,
And I am
Thinking all
About them.
After all
I am the master,
And all are
My subordinates.
I have so much
Power and wealth.
But I am wrong
In thinking all these
For nothing.
I am searching
The meaning,
In me.
I exist and
Therefore I am
Existing.
Nothing wrong
In me.
And I'm feeling
Great for
So many things.

Gajanan Mishra
I Am Sorry

I could not hold it.
It passes as it likes
I am sorry
I could not check it.
It is no way opened
And I am busy
In my own self-interest.
I am sorry
I am unable to tell
You the whole story.
And what is that
I know not
I am sorry.

Gajanan Mishra
I Am Sorry, Friends,

Friends, I am sorry,
I failed to make you
Understand the life.
The life- through my
Words and sentences.
I know friends, life
Is greater than anything
Here. I know water is
Not sufficient to
Quench your thirst.
I know the sky is not
There to accept you
As you earth is
Not there to keep you
I life is here
With air. Friends, sorry,
I am not there, as you
Think anywhere you want.

Gajanan Mishra
I Am Spring

I am spring
Look this is my coo coo
My scent spreads
Here and there
With deeper understanding
I am spring
I am the king
And this is my time
Morning and morning.

Gajanan Mishra
I Am Stable

Look, look, I am stable
No beginning no end.

Look, look, I have no identity
If you utter, it is an error.

I am a mere householder
And rarely known.

And I am performing
All worldly actions
But action-less.

Gajanan Mishra
I Am Standing Here

I am standing here, see
On this earth, that is
Revolving round the sun.
The sun is there in the vast sky.
There is nothing
Within me but the sky, see.
And I am nowhere
But only on this earth.

Gajanan Mishra
I Am Still Here

I am still here,
Still here, in this
Battle field with you all
See, here, my dear.

In this battle field
I am with you all
With Truth with love
See, I am here with you.

I am still here with
You all, my dear, with
Everything that is in me
And that are in you, see.

See me and hear my words
With love that are Truth.

Gajanan Mishra
I Am Still Stitching

I am still stitching
All together in my thread
Of love with nature.

Gajanan Mishra
I Am Stronger

I trusted you
With my heart
But you did not
Appreciate the value
Of it.

I gave you all
But my feelings are
Hurt by your
Cruel behaviour.

It really hurt me
But I moved on
Even stronger
And stronger
As before.

I have kept
With me
All honest
And integrity.

I am in love still,
I am in truth still.

I have my own light
And I look bright, see.

Gajanan Mishra
I Am Submitting

I am submitting all
That are truth, my dear.
I am submitting all
Before You through
My body through my words
With good faith and clear heart,
I am submitting with intellect
In natural ways, my dear.
I am submitting myself
You are there to accept me
As a whole as I know
Everything is Yours
Everything my sleep my life
Everything and my love.

Gajanan Mishra
I Am Superior To All

NO one is superior to me
I am Truth personified
I am situated in the Supreme
Transcendental modes of nature
I am fixed in mind control
Sense control and Truthfulness
I describe me in my original sense

I practice penance and tolerance
I realize my position
I realize the position of all

I am supremely holy, see me,
Verify me, if you so like
From all sides.

Enjoying lasting peace.
I am super excellent
And most noble,
I am the man here
And I am realizable.
I am virtuous and
All the works that are
Being executed by me
Are virtuous.
I am not to perish here.

Gajanan Mishra
I Am Sure

I am sure
You will definitely
Be enchanted by my poems
And I am sure
You are staying with me
In the transcendental poetic
Atmosphere of this world
I earnestly request you
O my dear to remain
Present here in my poems.

Gajanan Mishra
I Am Sure - There Is Certainty

There is mango in mango trees and
Not apple - I am sure.
I am sure - there is certainty
Mango is falling towards earth
The ripe mango I mean to say.
I see the cause I experienced effect
I am sure - there is morning
At the end of this night.
I am living in eternity
I am sure- I have beauty
In my life and I realized.

Gajanan Mishra
I Am Sure You Will Die

I am not sure and I am in doubt
Whether this child would grow or not
Whether this child would get educated or not
Whether this child would get married or not
Whether this child have a family or not
Whether this child have wealth or not
But I am sure this child will die
You will die and there is no doubt
In death as because this child has already
Taken birth you have already taken birth
Let me say again there is no need to
Celebrate birth day that you have reached
Certain age because I know you have not
Reached that age but so many years have gone
And you are short of so many years and
You are getting closer to death and so
It is better if you celebrate the welcoming
Ceremony of death here every year every moment
I am sure it would give new and true energy for
An ideal living.

Gajanan Mishra
I Am Sure, I Am Both

I am sure, I am both
In the sun and in the moon.
I am on this earth.
I am sure, I am the wind,
I am the light of the sky.
And I fly as you know
From one sky to another
To make me pure,
In a manner that suits
All creatures here.
I am a mixture of
Earth and the stars,
Mixture of light and dark,
The mixture of near and far.

Gajanan Mishra
I Am Sure, We Are Not Confused

I am sure, we are not confused,
I am sure, we are made for each other,
I am sure, words are there to guide us,
I am sure, we are telling all truth, 
I am sure, we think always for the good of all.
I am sure, we are growing up with love,
I am sure, with all holiness our living - pious,
It is all nectar, I am sure, and we have no way to cross.

Gajanan Mishra
I Am Taking Birth

I am taking my birth
In sorrow and in pain.
I am taking my birth
In winter, in spring as well.
I am taking my birth
On this day and at this moment.
I am taking my birth
In each drop of rain here
Under this sky.
But where am I,
Search me out
In my death.
I am dying here
In my very birth.

Gajanan Mishra
I Am Taking Myself

I am taking myself,
And talking to you.

I am talking to you,
And watching you,
Before your own
Reconstructed photograph.

I am just an onlooker,
And giving some
Pleasant words.

Nothing to surprise, not wit.
And I value our
Relationship through
Devotion and
Warm characterization.

Gajanan Mishra
I Am Takingt Myself

I am taking myself,
And talking to you.

I am talking to you,
And watching you,
Before your own
Reconstructed photograph.

I am just an onlooker,
And giving some
Pleasant words.

Nothing to surprise, not wit.
And I value our
Relationship through
Devotion and
Warm characterization.

Gajanan Mishra
I Am Talking

Hear me,
I am talking,
and talking
on behalf of all.

All, here
are changing,
and I am
the witness.

The witness
has no word
and seeing
everything here.

Who am I,
A big holocaust.

Gajanan Mishra
I Am Talking To You

I am talking to you
Only to you.
And I expect you
Happy on hearing me.

I am talking to you
Without words,
As I know, words are
Treacheryous at times.

Let me see you
with my close eyes.
I know eyes are yours
And they may not work
Comfortably in open stage
That is accessible by all.

Gajanan Mishra
I Am Tearing Me

I am tearing me,
See and discover,
You are within.

To accept in full.
I am telling about you
And it is all the truth.

Gajanan Mishra
I Am Telling You

I am telling you everything
Here at my home in my mother-tongue.

Here in my office in official language.
I am composing poems in my language
To make you understand and feel all
Everywhere on this earth and the language
Of composing poems is love and truth.

Gajanan Mishra
I Am Telling You Beautiful

I am telling you beautiful
Means you are really beautiful
And I am telling I feel afresh
With your arrival at this hour
And I am singing happiest song
See first and know that you are
The person who is here to
Drive my car further onward
I feel proud that you are really
Beautiful and taking me with
Utmost care strengthening me
Within and sharpening me
So as to enable me to win
The grand battle here afterwards.

Gajanan Mishra
I Am Telling You Robert Frost

One color black
Another white
And in the middle
It is yellow.

Is there any difficulty
You feel to follow?

Asked Robert Frost
Whose two roads diverged
In a yellow wood.

One wood is black
Another is white
And in the middle
It is yellow.

And it is half growth
No no no
it is full growth
That we are not able to see
In full and what we see
That we are not able to speak.

I am telling you Robert Frost
And I am proud
Two men are here
One is black
Another is white
And in the middle
Who is there yellow.

Not followed?

Come to my land
See my Lord Jagannath black
See my Lord Balavadra white
See my mother-Lord Suvadra yellow
Extending open arms to establish
A new world order with peace.

Gajanan Mishra
I Am Temporary

I am temporary,
Language is permanent.
I am using the language
At present.

My identity
Is in language,
I want to send
All this message.

I care not rain
And the sun,
To fight for language
Is not a fun.

Dear men, take a vow to use
Own language at every moment.

Gajanan Mishra
I Am Terrified

I am terrified
Of the dogs.
Who is a dog?

O my dear, You diminish
The duration of my life
To release me from my
Illusion of material attachment.
O my dear, let me worship You
Every moment every day
Till I am here or there
And accept my offerings
Of prayers and keep all
The creatures here with proper care.

Gajanan Mishra
I Am That Person

I am that person
Whom You are trying
To root out
But not succeeded
I am here as before.

I am here as before
And going nowhere
In search of any God
That I know God is
With in me at my
Bread and butter
At my empty hand
And my bare food.

I am that person
Whom God is searching
Here and there
But I am going nowhere
I am here as before.

Gajanan Mishra
I Am The Absolute Truth

I am the absolute truth,
With my body, mind, endeavor,

Being the begetters
Of all blessings.
I greet You
I perceive You
Though my poems
Crooked, it is adored.

Gajanan Mishra
I Am The Best

Come to me and see.

You are the best
I am going to You to see.

In this beautiful life.

One can find.

And this earth is
Heaven.

From me.
I have diverse
Feelings with
My own intellect,
Wisdom and
Non-delusion.
I am the source of
My memory
I am my knowledge,
I am my reasoning faculty,
And I am mine.

Gajanan Mishra
I Am The Citizen Of The World

I am the citizen of the world,
I am taking water, air, light from nature,
I have built my house on this earth,
The sky is there above me as my guide.

Let me speak my words on my land,
No one can check me here or there
in water or in air.
Let me move freely everywhere
so long as I am here under nature's care.

I have no enmity with any one,
I have not made friendship for personal interest,
I know there is some divinity in every one,
I salute all being the sons and daughters of this earth,
Let all move freely everywhere they like without any harm.

Gajanan Mishra
I Am The Crime

I am the crime,
You are the criminal.
And when I am the criminal,
You are the police.
You are looking at me
Always in doubt.
But see me,
I am as clean as the sky.
It is spring always
And no clouds here.
Cry not rain, rain
Go aways, we want to play.
If you so like, come on,
I am ready for a fight.

Gajanan Mishra
I Am The Dust

I am the dust
I am the dust here.
You are the sky
You are the sky there.

No source of information
Is there in between us
And we are here
With air and water.

The earth is the witness
The light is the announcer, here.

Gajanan Mishra
I Am The Earth

I am the earth,
I am moving here, there.
In this earth
I stood firm.
Some say I am India,
Okay if you say so

You are also here, my dear,
We are one on this earth.
We have no problem
If we are in love and
If we have tolerance.

Gajanan Mishra
I Am The Effect

Love and all truth.
Let me flourish
With my god.
Remember, the god
Has a nature house.

Gajanan Mishra
I Am The Field

I am the field
You are the field owner
I am mud
You are my Lord
I am muff
You are my muffler
You know me better
I have nothing to say
You are my life-breath
You are my actions
You are my mind
You are my intellect
Truely You have said
I am non-sense
Let me repeat again
You are my inner sense
You are my only sense.

Gajanan Mishra
I Am The First Person

I am the first person
I have to change myself first
If I am here to change the society
At large.

Gajanan Mishra

Body an evolute of nature
Depends on me.

I am my free-will
I am the ruler
I am the director
And the preserver
And I am here to kill
And the fools only
Disregard me.

I am with all
I am superior to all
I am the poet
And I make law
If you violate
Any law I am here
To recall.

Gajanan Mishra
I Am The Full Moon

I am the full moon,
You are the stars,
I am full and broad.

I am the morning sunrise,
With my straight nose
And beautiful face.

See me I am smiling,
With all-auspicious signs.

Gajanan Mishra
I Am The Garden

I am the garden,
I am the gardener.
I am the flower,
I am the plant.

I am growing
up above the sky.
I am saying the air
good bye, good bye.

I know I am thorny
And I know I am honey.
You are the wolf here
and waiting for a chance.

But I am busy in my circle,
Wait my dear, if you are to
say anything, see my worn clothes
there at the courtyard.

I Am The King

I am the king
This is my body
This is my empire
On the victory over
An enemy of the army
The credit goes to the king
I am responsible for the fruit
Of actions performed by my body
My senses my mind and my intellect
See I am being great king
I have least attachment of actions
And material for actions
And I am not attached to the fruit of actions
Even I am not depend on circumstances
Time objects and persons
I am my own king you see
And I realized the self and satisfied
Acquiring anything or not
No matter.

Gajanan Mishra

 In the sky, I am the land.

Gajanan Mishra
I Am The Light

I am the light,
Where I am,
That is the light,
Light is
What I am.

All rest on me,
I am no different
From anything.

Anywhere, but
I am nowhere.

I am your cause
And your effect,
I am Mr. perfect.

Gajanan Mishra
I Am The Link

I am the link of the dark
I am not in dark
I am within so many suns
Rising daily but remember
I am not in light.

So many flowers with
Multiple colors are here
In your garden
But I am colorless
I am dancing in your garden
Naked no future at hand.

What is a future you say
If you know please
I am keeping my boat
In your portico, my dear
Say when to go
And where to go
I know not that I forgo.

Gajanan Mishra
I Am The Living Entity

I am eternal.

I find no difference
Between You and me.

You are in Truth
And You are free from
All miserable conditions.

You are the man
You are the woman
You are also neutral eunuch.

Try to understand
I am trying to explain
Who I am.

I am the knowledge
Qualitatively I am the same
As You.

I am one
And different.

I am the living entity
And I am the brilliant.

Gajanan Mishra
I Am The Love

I am the love,
No need to
Go for love.
You are the love,
No need to
Ask for love.
We are children
In the area of love.
Love is here,
Love is there.
Nothing to worry
Love is here,
Love is there.
We are love.

Gajanan Mishra
I am the one
To advocate happiness of
Humanity and I want to
See all other animals
And all living entities happy
At the same time equally.
I know and I realize
I am the part and parcel
Of truth.
I am in favor of love,
And universal love.
I know the virtue,
And I am happy to
See you.

Gajanan Mishra
I Am The Only Loser

I am the only loser, here.
I am the common man
And I have no voice to utter.

No one is aware of the democratic system,
Lawful works are in doldrums.

No one is taking the responsibility
To provide me food and safe drinking water.

The judges are not working in my language
And I am in dark. Tell me not
I am sovereign and owner.

I pray, on this day, take action
To uphold my dignity,
And reaffirm my faith
In servants society.

Gajanan Mishra
I Am The Origin

I am the origin
I am the end
Belief me or not
I do not mind.

I am what I am
Hearing and chanting
Doing everything myself
You are present or
Absent no matter.

Gajanan Mishra
I Am The Origin-Trace Me Out

I am the origin,
And each and every
Change is going on
Within me.

I am at the root of
All changes,
I am the entity
That is unchanged.

Trace me out,
And keep me
Within.

Gajanan Mishra
I Am The Paradise

I am the paradise,
Come to me and stay
With me and test
How truthful I am.

When I am going to
Purify your very nature
You are smiling at me
And I halted there.

I am the paradise
I repeated my words
And you are there with
all evidences both for and against.

And the matter arises out of your
appearance here at this time.

Gajanan Mishra
I Am The Poet

I am the poet,
The fragrance of the earth,
Very pleasing and I am
The original and I
Represent love and truth.
I exist in words,
Everything though, I am,
Nothing whatsoever
Can exist without me.
All goodness are there in me
And I am here with all good.

Gajanan Mishra
I Am The Prisoner

I am the prisoner
In my own body
In fear
In panic.

No morning sunlight.
No moonlight
Shining at night.

I feel pain
In stomach
In chest.
Still I declare
I am free
But not like bird.

Gajanan Mishra
I Am The Real

I am the real,
I was here,
I am here,
I will be here
For better and better,
For love and truth,
And for all matters.
No creation,
No annihilation can
Touch me, change me,
At any time.
I am transformed,
But I am the same
For all everywhere.

Gajanan Mishra
I Am The Revolutionary

Where shall I go
And learn how to live.
I want to know
The art of dying also.

I failed to file
My grievance petition
Before my direct authority,
The middle men are
Exploiting me here
Like anything.

One middle man is telling
He has hijacked the revolution,
Another said he has hijacked the hijacker,
The authority said he has trapped everyone.

It is my misfortune
I am unable to search my life,
But going towards death.

Gajanan Mishra
I Am The River

I am the river,
I am going on
In a circle
To meet my end-
The ocean.

I am the ocean,
I wait here
To touch-
The sky.

I am the sky
Coming to the earth
To grow like a tree,
Like a creature-
To live afresh.

Gajanan Mishra
I Am The Saint

I am the saint,
I am the sage,
Know his world
My hermitage.
If you have
Any doubt, my dear,
By seeing me
That can be clear.

Without the quality of
Saintness no one would
Be a poet here.
Without the quality of
God no one would
Be a ruler.

Without the divinity
No one can be a donor,
Without the knowledge of
Love and art no one
Can be happy in this world.

I am the poet,
You can call me
By any name
As Shakespeare, as Wordsworth,
As Kalidas, as Tulsidas,
Time to time, my dear
I am writing poems
Only for You
Only to establish
Love and truth.

Gajanan Mishra
I Am The Same As You

I am the same as You
As the heat and light in the sun
As the heat and light in the sunshine
I know the sunshine rests on the sun.

Gajanan Mishra
I Am The Second Son

I am the second son
Of my mother
My father is no more.

My mother is with me

My father is no more.

I am speaking to my mother
In her own language
That are sweet and smooth.

My mother's language is
Giving me new life always
I love my mother.

My mother is here with me
And showing me this world
I love my mother.

For a better world
My mother is telling me
To do something more.

See, my mother is here
At the center of my life my journey
From my mother to my mother this is my journey.

Gajanan Mishra
I Am The Sky

I am the sky
I never mix
With any others
And I am not bound
I am eating sleeping
Walking hearing and
Speaking though with others
I have nothing to do
With anything and
With anybody
At any time
See me I am here
As before today
Since time immemorial.

Gajanan Mishra
I Am The Smallest

I am the smallest
So also I am
The biggest particle.
I am taking birth
I am also dying
At the same time.
I am here to start
The beginning and
I am the first
To end everything.
I am the part
So also I am
The whole of all,
I am the man.

Gajanan Mishra
I Am The Son

I am the son
In relation to my parents,
I am the wife
In relation to my husband,
I am the servant
In relation to my master.

See nothing is true, my dear,
No son no parents
No wife no husband
No servant no master.

Live my dear, and live here,
According to your own sweet will,
Since you are here and live
Without fear and favor
With zeal and with pleasure.

Gajanan Mishra

I reside, my dear.
To provide peace
To everyone is
My motto.
I am here
No to go,
But to stay
With you
For truth.

I am the son of Bhagavan,
I am the son of this earth,
I see here all truth
And all love.
I love you, my dear,
And I know, you are
Here to love me also.
We are all here
To make this world
As the place of heaven.
Let us enjoy
Let us live together
To perform our own duties,
Let us see each other,
Let us hug and
Give respect to each other
For our own benefits.
Let us realise the life,
Life is the only truth here.

At every moment.
I am excited not for
Death but for life.

I am living a life,
That is full of mystery.
I am uttering the words,
That are in my history.
I am in your geography.

Gajanan Mishra
I Am The Sufferer

I am the sufferer
And not the enjoyer.
I am inside you
And not outside.

I am happy
And peaceful.
I am simple and
I keep all virtues.

Understand me,
I know the real purpose
Of your life.
Follow me,
I am here to take you
On the path of truth.

Gajanan Mishra
I Am The Sum Total Of All

I am the sum total of all,
Yes, I am here with all.
All are here with me,
It is true, all are for me.
I am the juggler of words,
Words with grammar, music
And magic.
Life is forceful and
Affirmed by me.
I am the time.
Love has a great role
To play in all living beings.
I am the love, in eternal
Relation with truth.
Nothing is concocted,
Nothing is superfluous,
Life is the serious mixture of
Love and truth,
And it is all in me.

Gajanan Mishra
I Am The Sun

I am the sun
And I remain the same
Before rising and
After setting.

You are telling
I take birth
I grow and I die
But it is not so.

My power is with me
And it is neither
Different from yours
Nor is one with me.

I am nothing but I
As fire is nothing but fire.

Gajanan Mishra
I Am The Sweet

I am the sweet
I am here, my dear to
Sweeten all creatures.

And you are getting
Nothing from me.

Gajanan Mishra
I Am The Time

Time is here, see,
I am the time.
And I am not
Under the disposal of
Anyone anywhere.
I am in the form of
Living creatures, here.
No one can put me
Under his control and
Use me as per his sweet will.
Knowing this, I am
Going with all but
I am alone, I remained
Untouched, unattached.

Gajanan Mishra
I Am The Time - Dark

I am the time,

I am the false ego
I am in dark.

Gajanan Mishra
I Am The Time - Eternal

I am the time - eternal.
With me everything ends.

I have my own potency,
I am the light and
Confirmed life.

I am the producer,

What to do and when to do
With truth or with falsehood.

You can't move, but
I am there for you.

Truth is there
In you.

I am there
In the process of
Life and death.

You are living and
You are dying,
Realize me.

Realize me,
And confirm,
I am far and also
Near the time.

Gajanan Mishra
I am the truth, I am the truth,
Here, there, everywhere, see me
In open eyes. Greet me with hands
And feet, with words and body,
Hear my words with your ears,
Come with me with your open
Mind and hearts. I am the truth,
I am the truth, I am the truth.
Truthfulness is my real nature,
I am the fire, I am the water,
I am the earth, I am the ether.
Come with me, my dear and take
All knowledge and all bliss.
I am the truth, I am the love.

Gajanan Mishra
I Am The Universe

I am the universe
The universe is in me.
I am in water in earth
In fire in air in ether
In mind in intellect in ego
Water earth fire air ether
Mind intellect ego all are in me.

I am the nature
Upper and lower
I am the life-element
Without I
What is the value of universe
Nature is in me
Life is in me
The universe is in me.

The sound touch color
Taste smell are all for me
I am in all
O my dear
See here how I am
Here to fall.

Gajanan Mishra
I Am The Universe- Self

I am the universe,
Everything is in me.
I act here, also,
I see the whole
Play of nature.

My range is limitless,
I am enlightened,
No one can catch me,
I am in and with
Everyone, though.

I am shining,
I am steadfast
And tranquil,
See me as the truth.

Gajanan Mishra
I Am The Victim

I am the victim,
I am the man, I am
Victim of different
Types of sense-gratifications
Like smoking, drinking,
Gambling, cheating and
Bad associations and as such
I have neither peace of mind
Not health of the body.

O my dear,
O my supreme truth,
Through self-realization
I know you.
I know you from
The experience of my own life.

Gajanan Mishra
I Am The Vision

I am the vision, I am the passion, I am infatuation,
I am fear, I am anger, I am promoter and destroyer,
And I am what you consider Supreme human nature.

Gajanan Mishra
I Am The Vision- Human Nature

I am the vision, I am the passion, I am infatuation,
I am fear, I am anger, I am promoter and destroyer,
And I am what you consider Supreme human nature.

Gajanan Mishra
I Am The Wave

I am the wave
You are the ocean.

You are the Master
I am the servant.

Without You
I have no existence.

But You are there
Without me, as before.

Gajanan Mishra
I Am The Word

I am the word,
I am the writer,
I am the speaker,
I am the speech,
I am the listener,
I am the inquirer,
I am what I am,
And I am what I am not.
I am the truth,
I am the falsehood.
I give order and
Work as the worker.
Try to know me,
I am the time.

Gajanan Mishra
I Am The World

I am the world
My body is the world
In miniature
See here everything
Change in the body
Signifies the change
In the world
Non-existence of this body
Signifies non-existence
Of the world.

Gajanan Mishra
I Am The Worst Sinner

I am the worst sinner,
And I think myself
Most deficient than
Anyone else.
But please make me
Understand in
My language.
I want to know the truth,
That is here with us.
No enmity, please,
I am yours and
I am here with you always.

Gajanan Mishra
I Am There

I am there,
I am not there.

I belong to none,
I belong to all.

Here, I am.
There, you are.

We are in one way,
The way is many for us,
But we are one.

We both are truth,
In right perspective
And we are purified
And perfect.
I am, that is what, in you.

Gajanan Mishra
I Am There In Each Poem

Search me out, if you can,
I am there in each poem.
Feel me inside and also
Feel me outside my poems.

I am nothing and nothing more,
What I am here at this time.
The earth, the water, the air,
The light, the sky all are here.

I am created by all, see me
And feel me in different stages
Of consciousness.

I enjoy my own forms that differ
From place to place and I am there
In all creations.

Gajanan Mishra
I am there in You
In the fountains
In the waves
In the graves
Deepest steepest.

I am in love with You
Here in this place
Here in this space
What I stated
Is not a lie
It is pure truth.

I am on my fly
And I lay
On either way
That is my last day
And I pray
O my God I am
Only your prey.

Gajanan Mishra
I Am There In Your Goodness

I am there in your goodness,
As you are the fruits of
All my goodness, I expect,
Your act should be in
The sense of praise-worthy.

Gajanan Mishra
I Am There To Call You Brave

When you say no.
Saying no is not easy
I am telling before all
From this very morning.

Gajanan Mishra
I Am There Where You Are

I am a creation
out of nothingness
that I know, my dear.
I seek no future
I seek no security.
You are my creator,
And I am within you
As you are within me.
I am there, o my dear,
where you are.
I am your creation,
And without you,
I have nothing, I know out of
nothingness, you have created me.

Gajanan Mishra
I Am There With You

I am there with you,
Stay there with
All truth.

Gajanan Mishra
I Am There Within

I am there within
The birds and animals,
Insects and trees.
I feel all within me.
I am the earth,
I am also the sky.
The sun and the moon
And all stars are there in me.
Still, I feel
I am not a complete whole.
Still, I know
I am a zero.
I have to go a long way
For my own sake.

Gajanan Mishra
I Am Thinking

I am thinking
For the welfare of all
I am very kind to every one

I am equal to every one
No one can find fault in me
I am always clean
See I am open and
Without possession
I am peaceful
I am always surrendered to You
I have no material desire
I control my senses
I offer respect to everyone
I do not desire any respect for myself
I am a poet I am poetic
I am silent I am ignorant
O my dear, I am thinking always
About You and I know
You are in all.

Gajanan Mishra
I Am Thirsty

I am thirsty,
Where is water
To quench my thirst
That I know not.

That I know not.

I am the instrument here,
And you are there
To see me in sitting
In walking, coming and going.

Gajanan Mishra
I Am Thirsty For Light

I am thirsty for light,
Light is in love,
Love is in the truth.

And the truth is our life.
I live here at this time
And I say all to stay careful.

I care life and life
Take care me.
Am I different from life?

All are in dark,
And in darkness
I am searching the light.

The earth is there in truth,
And I am living on the earth.

Gajanan Mishra
I Am Thirsty, I Am Hungry

I am thirsty, I am hungry,
Give me food, give me water,
I am yours forever.
But I am not a beggar,
I am the gift of nature.

House is there, I see,
But I am unable to see
Where is the householder
And I fail to know
What he is doing all days.

I am the light and
I enlighten you always,
But I am here within myself
And to your goodness, I want to save.

Gajanan Mishra

Gajanan Mishra
I Am Thoughtful

Forever I am yours,
Forever I describe myself
Truthfully yours.
Here is my verse
You may dwell
As per your sweet will.
No discrimination and
Nothing can debar you here.
See me, I am thoughtful,
And not a full
Who can keep attachment
With any identification.
Let me perceive,
Your all modifications.

Gajanan Mishra
I Am Tired

I am tired
In this world of matter
O my dear, I know Your love
Your mercy is here
And I will feel better
In future
You are my Supreme
You are the oldest of all
And You are merciful
See me by opening Your lotus eyes
And smillingly bestow Your benediction
Upon me and I know
You are the only person
Who can uplift me and
Remove my dejection.

Gajanan Mishra
I Am Tired Of My Own Life

I am tired of my own life,
Here I find no freedom.
I enjoy no right to speak
Or to write or to communicate
Anything here in my state
In my mother's language.
The men I have elected
For my service are self-oriented.
They care not my words
And are taking me as their servant.
I am tired of my own company,
The people here are trying always
To avoid me for nothing and
They are aiming at fulfilling their own self.

Gajanan Mishra
I Am To Move

I am to move, I know,
I am immovable though.
I am the reality, I know,
I am mutable though.
I am the truth, I know,
I am withn you though.
I am the cause of creation,
I am here to destroy though.

Gajanan Mishra
I Am To Write

You are my poem, 
I am to write. 
You are my gold 
I am to keep. 
You are my future 
I am to see. 
I am here in love 
And in truth with you.

Gajanan Mishra
I Am Told

To dropp it
And I have
Left nothing
And I kept
Everything
Result- nothing.

Gajanan Mishra
I Am Totally Yours

I am Yours,
You are mine,
I am not who I am,
I am who I am not.

I am eternal bliss,
I am purified,
I am different from all others,
I am totally Yours, my dear.

Gajanan Mishra
I Am Touching The Sky

I am touching the sky,
But have patience and
Have self-control and see
Me in the peace of mind,
I am there only for you
With my divine eyes on truth.

Gajanan Mishra
I Am Trained

I am trained
I can see all
I can understand all
I am trained.

See me
I am circulated by
Five-hooded serpent *
And I am silent.

Gajanan Mishra
I Am Transforming

I know everything
Just ask me
With proper heading.

But the thing is
How you understand
And analyse the matter
And how far
You accept me
In your creativity
And how you
Design yourself
In solving problems.

I know nothing
But myself I'm transforming.

Gajanan Mishra
I Am Trembling

I am trembling
Not for fear,
Not for weakness.
I am trembling
Only because
I think about
Your greatness.
How great you are
And that is
Not far.
I am trembling
And trembling,
When I am going to
Pluck the dazzling star.

Gajanan Mishra
I Am Truth

I am truth
Believe me at this moment
Accept me I am yours
I am ever-existent in you
Own-ness with truth
Is the easiest and The best means to reach truth
I am the truth
Truth is all powerful.

Gajanan Mishra
I am Truth I declared
You are Truth You declared.

Two Truths are here they confused
We both know there is only one Truth
In this world with all here.

Not smiling not moving not imitating
We both are here for this time.

Question of separation not possible
And we are one in both and both in one
That You agree and I also agree.

Gajanan Mishra
I Am Truth See Me

I am never born never die
At any place at any time.

Gajanan Mishra
I Am Trying

I am trying something new
With you O my love
You are my triangle
Be serious
I am not for
Entertainment
I am not for
Confinement
I am here no doubt
But not purposeless
Find out the purpose
And enable me to lead You.

Gajanan Mishra
I Am Trying To

I am trying to be a good reader
Than a good writer
I am reading You O my dear
And You are here.

Nothing to write I know
Only to see only to watch
Only to read and read
Nothing is there to do
Only to participate
The time telling to me
And to You
And going forward with
bold steps to You
My dear.

Gajanan Mishra
I Am Trying To Conquer

I am trying to conquer
My hunger my thirst
Lamentation illusion
Also old age and death.
I am free from all desires
I am offering honor to others
I want truth and never cheat others
I am your well-wishing friend rather.

I am the only performer
I consider myself the best of all
I forgive and forget all offences against me
See me I am detached from my body
That is made up pus stool blood
You can say me perfect gentle man here.

Gajanan Mishra
I Am Trying To Forget Love

I am trying to
Trying to forget You
You are trying to
Trying to love me.

Love is a path
Love is knowledge
Love is a grace
Love is infinite relish.

You are trying to love me
I exist in myself
By using love
You are showing devotion.

It is faith
That is with me
It is I that bring
The light of love.

You love me
You are telling
I am trying to forget You
I am telling.

What you are telling
What I am telling
Are one and the same
As we are in this time-frame.

Gajanan Mishra
I Am Trying To Write

I am trying to write
As many ways as I can
My thoughts my poems
My life's story but I
Failed to compete my
Mother as she told me
In so many ways about
Her childhood, about
Her village, about
Her kith and kins, about
Her pleasure and pain,
About my own history.
I failed to understand
My mother, still I write.

Gajanan Mishra
I Am Unable To

I am unable to
Give proper education
I am unable to impart
Real knowledge
I am unable to
Taught you the virtue
Of humility
I am unfit
As a father
As a mother
As a teacher
Forgive me
O my son
You yourself can
Make your future.

Gajanan Mishra
I Am Unable To Give You

I am unable to
Give you anything,
Beg not anything.
But feel my heart-beats
And that is the true gift.

Gajanan Mishra
I Am Unaffected

I am unaffected
By this air, water,
Food, shelter,
I am unaffected
By any world class
Contractor or dealer.
I am unaffected
By anything that are here.

But year after year,
You are making everything fuss
And live always in fussiness.
You want peace I know
But why you are afraid of war
That I know not.

Gajanan Mishra
I Am Under The Sun

Let me say O sun
Why have you made me
A rhing of fun.
The sun is silent
As there is no place
To produce sound
Everywhere it is vacant.

Gajanan Mishra
I Am Under You

I am under you,
I am bringing back
My life, properties
And everything to you.

You are the truth,
And under you
I am pious and
Never nervous.

Always I am connected
With you, dear truth.
I love you
For all good.

Gajanan Mishra
I Am Unhappy With You

I am unhappy with you
My dear men, as you
Know not the proper way of
Eating, sleeping, drinking
And also mating.

I am unhappy with you
As you are not following
The rules and regulations
Meant for the common welfare.

I am lamenting, men,
For the disorder, and
It is you, who have put
All state affairs
Into disorder.

Gajanan Mishra
I Am Useful

I am useful,
Only so long as
You are there
with me.

It is you
Who is significant
That I know
from the beginning.

I am as such causal
and have my identity
with the nature
that has no future.

I am useful,
Only when you see me.

Gajanan Mishra
I Am Valid

I am valid
I am your obedient servant

You are my sincere friend
I am grateful to You

I can not exist without You
Let me go along with You

Let me follow Your footsteps and
Allow me to serve You.

Gajanan Mishra
I Am Very Dear

I am very dear to You
You are very dear to me.

You are wise and in full knowledge
You are in union with me.

You are giving me service
And I attain You see.

It is what I realized
And You said forget my dear.

Gajanan Mishra
I Am Very Dear To You, Truth

I am very dear to you, truth,
You are dear to me, I know.

We are but one and the same,
We are not, but our actual self
Is playing the game.

The game of life is
Not easy to play-
It is wet clay.

Gajanan Mishra
I Am Very Glad

I am very glad
That I am in Truth
That I am free from
Action and reactions.

I am very glad
I am here at this moment
That you are far away
And sorry I need no help.

Gajanan Mishra
I Am Very Happy

I am very happy,
Very happy to meet you,
Here in the shape of tree,
Bird, insect, animal, man,
Earth, air, water.
I am very happy,
Very happy to talk to you
In the clouds of the sky.
I am very happy
With you in the evening
At mid night, and also
In the morning.
I am very happy to discover
Myself living here at this time.

Gajanan Mishra
I Am Very Happy, See

I am very happy, see
In this life
I need no one's help
Okay!

Who so ever
You may be
I care not.
My intention is
Not to use anything
For my personal benefit.

Rather I am trying to
Fulfill your request
By dedicating my life
And my possessions.

Gajanan Mishra
I Am Very Pleased- State

I am very pleased
When everyone is written with
Odia, state official language,
As per law.
I am very pleased
When everyone understands the truth
And go for it openly
For the welfare of all.

Gajanan Mishra
I Am Vigilant

I am vigilant and
Watching my own mind
I know my mind
And it is an animal
And being a cunning hunter
I do not put faith in it
For it may go away
There and here
I know if I place
Full confidence in my mind
My mind may cheat me
At any moment
My mind is restless I know
I am not here to make friend with my mind.

Gajanan Mishra
I Am Waiting For

I am waiting for attesting witnesses
If You are one of them, And I am sure
You are the same. will you please
Come to this desk and help me
To find the Truth.
The Truth is within You
The Truth is you and here
O my dear, I am waiting for You
Only waiting for You.

Gajanan Mishra
I Am Waiting Your Call

I am waiting your call,
I am waiting only yours.
When you are here with me,
Let me say I am not in fear.
Whom to fear, I know not, dear.

Words are there and I am playing
With words that are available at hand.
But words are not mine I know and
I call them at times to come and
Make me their partners at this time.

I know time is not always
Favourable to any one of us.
I know it is not good to rely
On others always here.

Gajanan Mishra
I Am Walking

I am walking
How do I walk
That I do not know.
I am speaking
How do I speak
That I do not know.
This much I can say
I am walking towards You
This much I can say
I am speaking about You.

Gajanan Mishra
I Am Wandering

I am wandering and
I am fortunate that
I meet You in person
I am wandering with
My five gardens*
My protector* is one
That passes through nine gates*
I am wandering with
Three apartments*
I am wandering with
My six families*
I am wandering
With my wife. *

Five gardens= five objects of sense enjoyment
sight, taste, smell, sound and touch
Protector= air
Nine gates= two eyes, two ears, one mouth, two nostrils
One genitals, one rectum
Apartments= fire water earth
Families = mind and five senses
Wife = intelligence

Gajanan Mishra
I am wandering here
With my hands, feet,
Ears, pen, papers,
Arrows, pistols,
With my own fragrances
Musk, sandals.
I am wandering here,
Throughout the world.
I know I have my own
Ornaments own garlands,
Own clothes and own
Perfumes and still
I wonder my wandering is
Endless with truth and love.

Gajanan Mishra
I Am Watched

I am being watched
By your eyes
That I know.
I am being enclosed
By your verse
That I realize.
And for this
You have declared me sacred.

I am growing and
I am flowing freely
Within your jurisdiction,
And you are the lone
Spectator in this
Area, I understand, my dear.

Gajanan Mishra
I Am Watching

What you are doing,
I am watching.
Thanks to your works,
That made me great.

Who is supreme,
Not a question.
But what you are doing
That is to be seen.

I am not distressed,
But I am perfect.
The measurement of life-
The cat is there to tell that.

Gajanan Mishra
I Am What I Am

See me if you can
I am your fan
I am doing my duty
O my beauty
You are my Sweety
For you only
I engaged myself
In fight
This fight is
To cross the border
The border is not clear
And I am for you
You are for me
That I knew
I am what I am
Everything is to praise
And nothing to condemn.

Gajanan Mishra
I am what I am not,
I am not what I am.
The night and the days
Are not here as they are.
The body and the mind
Are not well acquainted
With the atmosphere here.
The water and the air
Are not in equal proportion
For all always everywhere.
The food and the shelter
Are not the same at any time
For friends and foes
In water and in space and on earth.

Gajanan Mishra
I Am With Happy

I am happy,
I am with happy,
I am in happiness.
I am the dust,
Dust of all feet.
I utter not words,
I only fly to the sky
To come back again
As dust here
On this earth.
I am happy,
Happy with you, dear.
You are there to
Clear me by rain water.

Gajanan Mishra
I Am With My Mother

I am with my mother
And I am far from fear.

I am using my own language
And I understand all that.

I am here, on my land
And no enemy is there, with me, here.

Gajanan Mishra
I Am With The Change

I am with the change,
But I am unchanged.
I am perceiving the truth,
When I am with the untruth.

Gajanan Mishra
I Am With The Truth

All good, all established,
But dear friend, think not
I permit you to proceed.
Think not, dear friend,
That I am not with you,
But I am with the truth.

Let me work for you,
Let me recognize the truth,
Let me know who you are,
Where you are and
For what you are.

I promise
To restore everything.
But what was there
Tell me correctly.

Dear friend,
Come on and be committed
And get well again,
I am neither weak nor thin.

Gajanan Mishra
I Am With You

Catch me
Catch me
I am with you
Always with you
Always as you see.

See me
See me
I am with you
Always with you
Always as I catch you.

Gajanan Mishra
I Am With You - Sweetness

I am with You,
I am with You,
I long to provide You
With every comfort,
And here in, find
My sweetness and
This sweetness develops
By becoming one
With You, my dear,
I desire only
Perfect sweetness.

Gajanan Mishra
I Am With You Always

I am with you always
I remain always in you
In all circumstances.

Who am I
Nobody is putting question
And I am here as before.

Gajanan Mishra
I Am With You Always And Everywhere

I am with you
As salt in sea water
I emerge and I vanish
Again and again
In you as air
In the sky
O my dear I am with you
Always and everywhere.

Gajanan Mishra
I am within your divine ring, my dear,
I know you are the real ecstasy here.
You are my love and it is not possible
To leave the love at any situation.

Let me remember you every morn and eve
With your eternal fame
Let me see your arms that spreads
to embrace all and all.

I feel your presence everywhere,
You are the only truth and only fortune,
I am your product and how can I leave you?
Leaving the root on the part of the plant
Or tree is really not practicable.
And I am yours and here under your divine ring.

Gajanan Mishra
I Am Without Any Doubt

I am without any doubt,
Yours, only Yours.

Yours, only Yours, my dear,
I am only Yours.

In Your presence,
I feel happy
And I am in peace.

In Your presence,
O my dear, there is all
Divine richness with me.

And I know, You are
Present here, my dear
Always here, and You are
In noticeable form.

Gajanan Mishra
I Am Without You

Can be blissful.
In fact, I am not you.

Gajanan Mishra
I Am Wonderful

I am wonderful,
I am the water
I am the air
I am the sky
I am the earth
I am the light.
I am wonderful
I am the bird
I am the animal
I am the insect
I am the tree
I am the light.
See me, hear me,
I am here within.

Gajanan Mishra
I Am Worried

I am worried
About my mother.
No one is there
To take care.
No one is there
To listen to.
No one is ready
To utter her voice.
I am worried
About my mother.
She is passing
From sight.
Till date, my mother
Is giving everything.
But no one is there
To remember.
I am worried
About my mother.
Blood circulation is
Still there in her body,
Respiration system
Is okay.
My mother is able to
Move here there.
Still no one is
Taking care.
I am worried
About my mother.
I have not yet
Forgotten.
I am being identified
By my mother.
My mother is everything
For me on this land.
I am worried
About my mother.
Without my mother
How can I survive?
Who will recognize me
If my mother is not
With me at this time.
My mother gives me love
That no one can give.
My mother is still here
And crying for me
But alas,
I am not able to hear.

Gajanan Mishra
I Am Worshipping You

I am worshipping you as father,
as mother, as guide, as friend,
I am worshipping you as my
own image at this hour.
By worshipping you I am controlling
myself here and making myself
fit to think what to do in water
and in fire at any hour.

Gajanan Mishra
I Am Worth

I am worth what I am worth
I am not foolish not clumsy
It is my earth that has worth
I had bathed and is in my body-temple
I am worth what I am worth.

Gajanan Mishra
I Am Wounded

I am wounded,
In love,
With hatred.

Still, I am great,
At Rhyming,
I am great at putting
Together refrains,
I am great at
Poetic images.

Poetry is strange,
And I recite it
With heart and brain.

Writing poetry is
An act of rebel.

Gajanan Mishra
I Am Writing

I am writing,
I am writing only for me,
And who am I ask me not,
You have no power to know
Or ask any such question.

It is true, I cannot live
I cannot live with you, my dear
You are my world, and I
Cannot live with the world,
You also cannot live with me, I know.

I am writing only for me,
I am writing about you,
I am writing about our relationship
I am writing and you cannot wipe it out.

Gajanan Mishra
I am writing about love,
Reason-I am not getting it.
I am writing about love,
For, I know love is life.
I am writing about love,
Because, love never lost.
I am writing about love,
Love is there always here.
Love, love, love, love,
Only love can change the world,
Only love can declare
Everything is here with
So many colours and flowers
That can never fade, love, love.

Gajanan Mishra
I Am Writing About Me

I am writing about me
I am reciting my own name
I am staying in my house
I am eating me
I am the time
I am the food
I am my house
I am my master, see me dear,
I am here, I am there, I am everywhere.
I am here only for me
No one is there here besides me
See as you like.
I am destroying me
I am saving me, and it is I, only I.

Gajanan Mishra

Accept all that are coming
Declare yourself as Truth.

Gajanan Mishra
I Am Writing Poems

I am writing poems it is true
And it is also true
That my poems are incomplete
It is also true
I am not able to write well
But I am trying to write
Poems are being written
On their own ways by the poems
I am merely acting as a
Stenographer, my dear
To be very frank
I am not writing a single poem
On my own and it is the poems
Themselves are coming through me.

Gajanan Mishra
I Am Writing Poems And Helplessness

I am writing poems it is true
And it is also true
That my poems are incomplete
It is also true
I am not able to write well
But I am trying to write
Poems are being written
On their own ways by the poems
I am merely acting as a
Stenographer, my dear
To be very frank
I am not writing a single poem
On my own and it is the poems
Themselves are coming through me.

Gajanan Mishra
I Am Writing This

I am writing this
Not for You
Don't read
And if you are reading
Don't comment
And if you are
To comment
Don't praise
I am not praiseworthy
Your praise may
Kill me and I
Don't want to be killed.

Gajanan Mishra
I Am Yet To Know

I am yet to know,
I am holding you or
It is you who hold me.
Yet like the camel
We are eating thorny bushes,
We care not the bleeding.
I am telling myself
How filthy, how wonder!

Gajanan Mishra
I Am You

I am You
You are I
No difference
Is there
You and I.

You are the whole
I am the part
You are the Master
I am the servant
And we are one.

We live in love
Love is our pillar
Of success
No success no love
Means only deserts.

Gajanan Mishra
I Am Your Different Form

I am your different form,  
I am yours.

I am buying and  
I am selling myself.

I am declaring  
I am nothing  
But I am rare indeed.

When I am telling  
I am no different from you,  
This is my real enjoyment.

I am the enjoyer,  
I am in pleasure.  
I enjoy the knowledge  
I enjoy the love here.

Gajanan Mishra
I Am Your Fragment

I am Your fragment, my dear
I am with You
I have an inclination for You
I am free from defects

I take refuge in You.

Gajanan Mishra
I Am Your Mind

I am your mind,
You are my nature.

Let us come together
O my dear, and invoke
the sky-god, the wind-god,
the water-god, the fire-god
on this earth where we are.
O my dear, we are here
together to live in a
new culture without any fear.
Let us go above rules and
let us uplift ourselves with
love and affection, my dear.
Let us give and take whatever we have.

Gajanan Mishra
I Am Your Part

I am your part
And parcel O my dear
I am yours for ever.
You are the seed
You are the tree
You are the spark
You are the light.

Creative energy
Set in motion with You
O my dear and I am
In that wonderful creation.
You have created
Two types of machines
male and Female
And these two machines
Are creating innumerable similar
Machines with You at the center.

Gajanan Mishra
I Am Your Part - Love

I am your part,
And we both are here
To make a whole.

Gajanan Mishra

And I know You are within all
Everywhere and in all times.

Gajanan Mishra
I am Yours yes man
I heard you said
I'll release you from all sins.

I am not at all worried
About the necessities of life
About anything at present and in future.

I am Yours yes man
I take refuge in You
And I know worry is contrary to it.

It is true I am invoking You
To save all, I know, You
Shoulder full responsibility.

Even I feel never
This body senses mind
life-breath intellect are mine.

I am Yours yes man
Errors are not being committed by me
It is for your presence I am free from worry.

Gajanan Mishra
I Am Yours

I am here with you in your body
And you are here with me in my heart
I do not believe in any other temple
House building except this heart and body.

Gajanan Mishra
I am yours and you are mine,
Tha's all I am telling here
At this time. And I know and am sure
This time will change its course.
I also know I am not totally
Independent and also I am not
Least dependent with anything, anybody
Or anywhere at any time as seen.
I am the lover of beauty, true,
But tell me what is not beautiful.
All are transmuted by love and
Also all are transmuted by knowledge.
Still they know not what is what
And where they are with the truth.

Gajanan Mishra
I Am Yours Entirely

As ornament made of gold have nothing but gold
As weapons made of iron have nothing but iron
As pots of clay but nothing but clay
You pervaded on everything here my dear
In earth in air in light in water and in sky
And I am made of these five basic elements
I am nothing but You
You are the only real I know
The only imperishable and so I am real
And I have nothing to be realized but you
There is nothing in this world O my love
But You but You but You but You.

Gajanan Mishra
I Am Yours For Ever

I am yours for ever
I am here for ever
I love you and
You love me I know
For ever forever.

I hear you
I see you
I feel you
You are my love
Love and love.

I am yours for ever
You are with me here
We are united together
Illumined by love-light
Our whole quarters.

Love has got
Celestial power and glory
The sky shake the earth shake
I ride on love and it is
My turn to get victory.

Gajanan Mishra
I Am Yours Forever

I am here
And I am yours
forever.

O sisters
O brothers,
See, we are
All tiny creatures
Without control
over nature.
See, how helpless
We are here,
We are ignorant too,
We are not able to know
What is truth.

Only love is here
With us,
We can love each other
At this time here.
Let us enjoy
The sunshine of happiness
That are with us
In the morning and also
In the evening,
Let us not be blind within
Let us restore peace
In every war that are
going on here there
By saying I am yours forever.

Gajanan Mishra
I Am Yours Only

I am Yours only
I am not yet
Separated from You
I am in harmony
With Your desire
And concerted satisfaction
I see Your
External potency
Within me and it is a creation.

Gajanan Mishra
I Am Yours-You Have Me

I am Yours
You have made me Yours
To make me perfect
To make me liberated
You have made me Yours.

I am Yours
See, all things are Yours
Here and everywhere
I am Your standard road
On which You walk and go.

I am Yours
And You are not only mine
But also You belong to all
And for this I love You
I love all.

Gajanan Mishra
I am, without you,
You are, without me-
Nothing, nothing..

Gajanan Mishra
I An Hankering

I am hankering
It is true
I am hankering for you.
And How can I get rid of you?
My happiness my sadness
My thoughts my actions
My convictions my delusions
All are with you
I am hankering for you
My self my non-self
My world everything
You say is you.

Gajanan Mishra
I And Mine

I and mine
You and yours and
It is the only obstacle
In our path
That lead to infinity
O my dear forget
Who you are
And where you are
You just come with me
And see you are I.

Gajanan Mishra
I And Mine - Discrimination

I and mine
Are undergoing change,
But my dear, you
Remain the same.

I realized
My ignorance, dear
And I light up
With bliss and truth.

Let me accept, my dear,
The existence of all,
Let me attach importance
To discrimination.

I am nature-born,
I am nature-born.

Gajanan Mishra
I And Mine- But Illusion

I and mine
Nothing but illusion
In terms of wife and family
Children and property
Relatives and friends.

Where is the knot
Please find
And please see
The actual picture
Of life, my dear.

O my dear, you yourself
Is the cause of all
Bondage and not reading
The actual message.

Gajanan Mishra
I And My Shadow

I and my shadow
Are in the auditorium
To watch the dances
Of the sun and the moon.

The sun the moon
The earth and and all
Are dancing singng
Simultaneously.

I am not there to keep
Account and my shadow
does not ask me question
As a honest parter.

I and my shadow
Are here to watch
To listen the dances
And the music keeping
Fully well Roses
Not rose not on
All the ways.

Gajanan Mishra
I And My Vision

Here I have
My own vision of
Absolute truth-
And I see you.

Here I am
For all good.
And here I am
The only fool.

Gajanan Mishra
I And Thou

I and Thou, Thou and I.
It is You, it is I.
Un-decaying and inexhaustible,
Ocean of mercy, and no reason.
You are the pure existence, my dear,
You are praised by all sacred scriptures.
You are innumerable and You are
United with detachment.
You are here to purify all
Evil thoughts and wishes of all.
O ocean of compassion,
You are without being fraudulent.
I and thou, Thou and I.
It is You, it is I.

Gajanan Mishra
I And You

I and you
are one,
So also,
He and they.

Nothing and
everything,
Here and there,
It is the sky.

Real and
absolute our
existence here.
Nothing to attain,
Nothing to loss,
Everything is for us.

Gajanan Mishra
I And You - All Dream

I and you
And illusory,
All hidden
Therein
In that dream.
All gems
All pearls
Are scattered
Outside.
But we are
Alone inside
With ourselves.
Beyond time,
Beyond forms.

Gajanan Mishra
I Appear

I appear
Before you,
And you
Are not here.

Let me say
Some words,
I know words
Are not mine.

The sun
The butterfly
And the flowers
I know all separate.

But all are one and see
No difference in love in truth.

Gajanan Mishra
I Appear By My Name

I appear by my name,
And what is my name
It is you to name.
Name is main,
Ladder to heaven.

Gajanan Mishra
I Appear For The Benefit Of All

I appear here
Not for anyone's
Personal profit but
For the benefit of all,
I am a poet.

I can create
Each and every item
Necessary to all.
Here see the life-
Fruits of nectar.

I am a poet,
I know the past
And the future, you may stay
Fearless with me for that.

Gajanan Mishra
I Appear Under The Blue Sky

It is true,
I appear under
The blue sky.
It is true,
I disappear
In the deep sea.
It is true,
I am there in rain
And in the sun.
But it is not true,
I am dying,
It is not true,
Life is a mystery,
It is what history.

Gajanan Mishra
I Appear, See Me

I appear, see me,
I am all-devouring death.

Dare not to challenge
My authority,
I am the native.

Better to surrender
Unto me.
You are to take
My protection,
At all times.

Gajanan Mishra
I Appeared

I appeared and interrupted
I face the problems and enemies
I passed away
I beg excuse for my appearance
I beg excuse for my interruption
It is the call of time only
I made you understand.

Gajanan Mishra
I Appeared, I Disappeared

I appeared, I disappeared
With You O my friend
With You at the beginning
And at the end.

O my Master, O my dear
You are the creator of all, here
I am your fragment and
I am part and parcel of this creation.

You have created me, My Father
You are always with me and within me
I also know You are the Father of
All the creatures here.

I know my sole aim of life is to
Do good to others to performed
Actions for the welfare of the world.

This world is Yours I know
I am here to add happiness
In this life of pleasure and pain.

Gajanan Mishra
I Approached

I approached the air
And the sky replied
No space
Whirlwind appeared
said come come
And I entered
Identical intact
Change space
And I approached
The air that flows.

Gajanan Mishra
I As Gajanan Mishra

Was not here in this form
And will not be here
In this form in future
And as such I am not here
At present with you my dear
I am not here even for a moment
You can not find Gajanan Mishra
Who is writing this poem
Anywhere and this poem
In this form at any time
But poem is eternal and is in truth
The poem has connection with all
And transcends the limits of time.

Gajanan Mishra
I Ask Where Do You Come From

I ask where do you come from,
Whom are you living with,
What are you doing now,
Who are you and where are
You going away at this time.
I know no answer is with any one
At any place but by asking such
Questions I am cracking the silence.

Gajanan Mishra
I Asked A Question

I asked a question
You told another story
And I got answer
I seek for.

Gajanan Mishra
I asked the turtle
What has happened
On the way and
The turtle described
In detail.
I asked not
Anything to the hare,
I know the hare has
Lost memory in sleep
And in hurry.

Gajanan Mishra
I Associate Myself

I am trying to associate myself with You, my dear
And you are trying to disassociate from me.

This is going on and on since time immemorial
And we both are here without putting signature anywhere.

I am fixing my mind upon your smile upon your love
You are imitating me after my departure, my dear.

Gajanan Mishra
I Assume You Mine

I assume You mine
Let us make right use of all
If I do not regard you as mine
I become free from the notion of mineness.

Gajanan Mishra
I Attach Importance

I don't care for my life
But I hope to live
I also don't care for duties
I don't attach importance to duties
I attach importance to 'refuge in You'
Than to duties
I take refuge in You
I give significance to You
And I totally depend on You only
But I pray to You to free me from
The stupidity of my hope
Belief and dependence on the world.

Gajanan Mishra
I Be Considered Yours

I be considered Yours
O my dear, see I am here
My business is to serve You only.

See, I am awake
And I understand
I am Your part and parcel eternally.

I am free from my servant my mind
I am engaged in Your works always.

Gajanan Mishra
I Become Pure

I am not pure
I do agree
But I become pure
When I am with You
And when I am with You
All turn out well.

Gajanan Mishra
I Beg Apology

I beg apology
As because
I could not recognize you
As because
I could not know the truth.
Forgive me
And let me love you.
forgive me
You have the only power
To forgive.
Keep me with you
Keep me united with you,
Separate me not
From you from the truth.

Gajanan Mishra
I Beg Pardon

I beg pardon,
If any undesirable
Actions are being done
By anyone on this earth.
I am active, see me,
I am diligent and sincere,
And I am maintaining
Discipline at every sphere.
I am not causing any harm
Nor showing any disrespect
To anyone as I know
In each one, you are there,
My dear, you are clear and
The truth that I remembered.

Gajanan Mishra
I Beg The Blessings

I beg the blessings
Of all of you.

You may develop all good
And desirable qualities.

As a poet my chief concern
Is to deliver the fallen soul.

And so I am preaching the glories
Of the most glorified of all.

And it is my fortune
I am living here directly under Him.

O my dear, Your greatness is
You are full of mercy.

O my dear, let me raise from the platform of
Ignorance to the platform of goodness with all.

Gajanan Mishra
I Began To Think

I began to think again
I began to return again.

The earth is not below
The sky is not above.

I began to think again
I began to return again.

The bird is here within me
Th sky is here within me.

I began to think again
I began to return again.

Gajanan Mishra
I Belief

I belief
I am Yours
You are mine
Without one
Another has
No meaning.

I do not doubt
Whether You have
Accepted me or not
I know I have been Yours
Since time immemorial
And shall remain Yours.

O my dear, it will be an error
When I think myself separate
I know separation is not possible
I know I am a fragment
Of Your own self and without doubt
I am Yours You are mine.

Gajanan Mishra
I Believe

You are the truth
Only truth
I am not.

Who am I then
Am I gajanan again
Gajanan is just
Phonetic rhythm
A cerebral
Emotional being.

Do you follow me
What I mean
I do not believe
False pride
I do not believe
Self-importance.
I believe everything
In your presence.

Gajanan Mishra
I Believe But

I believe but
What I believe
I cannot say.
What I say
I cannot explain,
What I explain
You are not to
Catch it.
What you catch
That is not my
Belief but
That misled you
In the desert
of life.

Gajanan Mishra
I Believe Everything

I believe everything
and everybody.
I believe it is all
for good.
I believe all wrongs
Are right.
I believe life is
not for fight.
I believe in
Let others go.
I believe in friends
And not in foes.
Let me go with my believe,
I love my believe as truth.

Gajanan Mishra
I Believe In Life

I believe
In life,
In star.
I believe
In love,
In fire.

I believe
In magic,
I believe
Life is
Not tragic.

Let me live,
My dear, here
With my belief.

Gajanan Mishra
I Believe In Love

I believe in love,
Love, love, love,
Love, love, love.
I believe in love,
Love is there in truth,
The truth is there in love.

Love is not wild,
Though, wild is the truth.
See me, I am true to love,
Love, love, love.
I believe in love, love.

I know love has no religion,
Love has no color,
Love has no place and time,
Love has nothing to give or take.
I believe in love,
Love, love, and love.

I establish my covenant
With love, everlasting love,
Everlasting covenant.
I love crying, I love smiling,
Love, love, and love.

Test of love is there
In the text of love,
I love the love that is life.
Life is in truth, I love,
I love and I suffer with you,
I know, you are the only truth.

Gajanan Mishra
I Believe In Myself

I believe in myself,
I believe, what I am
Telling is the truth.
For the sake of truth,
I am here calling you.
I am sure, you would have
No choice but to follow
Me to seek the truth,
That is here with me.
I believe in myself
And I am busy in
Building my own image
To develop clear vision
With love at this time.

Gajanan Mishra
I Believe More On Man

I believe
God is here
Within men.
I depend
More on men
Than God.
Let us say
Man is
The builder
Of God
And God depends
On men
And humanity is
More powerful than godhood.

Gajanan Mishra
I Believe Not

I believe not
This ocean, my dear.
I believe on
You only.
I will do that work
That is dear to You.
I am getting pleasure
With You, my dear.
You are the Truth
Ocean is the matter.
I believe on You
I believe not this ocean.

Gajanan Mishra
I Believe Not Pakistan

I believe not Pakistan,
So also I believe not America,
All talk nonsense.
I care not the principles of physics,
And related prizes.
I am not interested in celebrating
My birthday or marriage anniversary.
But I must share a car
With you for the journey
Towards the sky.
I want to think and sit
Under the roadside mango tree.
I like running and swimming,
And eating and living with you,
And I want to discover the truth
Therein for others.
I said namaste to your drama,
Of course, not for me.
The air and the wings
Both are there
But I find nothing.
Import and export
I like all personally, but
When state issues are there
I have some reservations.

Gajanan Mishra
I Believe You In Full

It is my nature,
If I believe,
I believe in full
Or not at all.
But I believe you,
My dear in full.
Whatever you do,
I support you.
I believe
Nothing wrong
Would be done by you.
You realize the truth.
Truth is there, where
There is public welfare.

Gajanan Mishra
I Believe, You Are

I believe,
You are what you are,
You are there
And also
You are not there.

I believe your existence,
And I believe not
Your existence here
Or there at this time.

My belief has no role
To play here or there
But I believe not
What you are and
What you are not.

Gajanan Mishra
I Belong To This World

I belong to this world
and I am proud of it.
This world is the creation
of one Almighty God.
This world a -
multi-hued bouquet,
with seven oceans
with seven continents
and so many countries
of multiple colors
and fragrance,
going round and round
all around the sun.

I belong to this world
with so many creatures
with so many people having
different colors, creeds
caste, religion, behaviours,
languages, foods, waters.
We are one and all,
We are under the control
of the sun, using the same air,
same light, we are playing on this earth
and the sky is above us
and guiding us with so many stars,
Let me appeal to you all
to stay in peace and enjoy life
not at the cost of other's interest
but using time in a fair manners.

Gajanan Mishra
I Belong To Truth

I belong to truth,
Truth is mine.

World is truth,
Truth truth and truth,
Nothing but the truth.

Day and night
I believe in truth
And I am the truth.

I belong to truth
Truth is mine.

I realize the truth
Truth is the root of all.
Truth is made through self
Truth is in love.

Gajanan Mishra
I Belong To Whom

I belong to whom?
Am I Yours?
Are You mine?
I know I know not.

And what I know
That is known to You.

What is fruit and
What is root, who knows?
One who knows
He is not here in person.

One who is here
He is the Truth
But covered with falsehood
And yet I recognized You.

Gajanan Mishra
I Belong To You

I belong to you
You belong to me.

I recite Your name
Your glory
And meditate on you.

And I am happy
See.

I know whatever
You do is
For my welfare.

Gajanan Mishra
I Belong To You - I Am Searching

I belong to you -
I am searching
The meaning.
I am searching
What do you mean
When you say
I belong to you.

I belong to you,
What is wrong
In saying this
Openly and loudly.
I fail to understand
What for you people
Think about it.

Let me clear
Each one belongs
To another here.
Nothing differ
In case of love
And truth, if
Love is there for all.

Gajanan Mishra
I Belong To You -Love And Love

I belong to You
You belong to me
I am my own
I become loving to me
You are in me
My mind is fixed on You.

Gajanan Mishra
I Belong To You-For Ever

I belong to you
You are mine
I have only
To realize you
O my dear
When you are
With me
I have nothing
To fear
I know
When you are
With me
Death is
Not near
I am here
With you
For ever.

Gajanan Mishra
I Benefited

I benefited from all
It is fair to say.

I cannot tell
If I am here to give you
Anything that you desire.

Defame me, if you like
You may ignore my
Massive exercise.

But I do agree
I benefited from
You and all here.

I dare not to mock
Anybody as I know
All are parts of Truth.

Gajanan Mishra
I Blame Not You

I blame not you
and how can I blame?
I know not the next step,
I know not where is up
and where is down.

I am yet to know
the pleasure of success
as I failed never,
I am yet to take back
in the boating as
I recognized neither
air nor water.

Here I am with my own darkness
Dazzling all days before you.

Gajanan Mishra
I Born For Love

I born for love,
I am born for love
I cannot live
Without love.
Love is life
And without you
Life is nothing,
I love you.

Gajanan Mishra
I Bother Not

I bother not pretend things,
I have a heart to accept
The things as they are.
I consider everything
Sweet and funny,
I trust every time
That is going with me.
Each and everything
I told myself
Have patience, my dear,
Here, the sun is
Also rising.
You must admit
The sight is not shocking.

Gajanan Mishra
I Bought Nothing

I bought nothing
I know there is
Nothing in the world
Besides hate
I am a man of
Love.

Gajanan Mishra
I Bow Before You

I bow before You, mu dear,
I bow before You for the love
Given by You and I know I have
Nothing to give You in return.
I have nothing to give my, my dear,
As everything is Yours, that I know
I am moved by the love given by You
I bow before You, my dear.

Gajanan Mishra
I Bow Down

I bow down my head
Before You
And I feel light
And enjoy the pleasure
Of freedom.
I am doing Your works
Always here and
Proudly I am
Declaring peacefully
I am living.

Gajanan Mishra
I Bow Unto Thee

I bow Unto thee
Oh! Mother-language,
Thou are the creator and
the lighter of mine.
I pray Unto thee
Oh! Mother-language,
Thou are the embodiment of bliss
And the bestower of peace.
I adore thee, Oh! Mother-language
Thou are the life of my body,
The blueness of my sky,
The wisdom of my life-ocean.

Gajanan Mishra
I Breathe

I breathe,
I hear,
I see,
I feel
All life.

Feeling is something
Different I know.
All who are alive
Are not living
In true sense.

No dream in hunger,
And for hunger
This land is dazzling
Inside and outside.

What one feels
I can say
Talking to him.
But I can't say
About his breath,
And I breathe.

Gajanan Mishra
I Caged

I caged centrestage
You pronounced verdict with
Attributes of questions.

I have no ear to hear
No eye to see
No mouth to speak.

You are at the centre
Telling me quik quick.

Gajanan Mishra
I Call Not Any One

I call not any one,
But they come to
Get some benefit.

Benefit!
The world is not ready
To provide though.

The world!
Yes, it is here
With whims.

I care not
That grey hound,
I know it is not
My duty to summon
Any one to attend me.

Gajanan Mishra
I Call The Cloud

I call the cloud,
But she is not there
In the sky.
Do you know her address?

No cloud is there,
But there are stars,
Though the stars
Have no work.

I call the cloud
With rage,
The cloud
Not listened,
And in her place
There came
The dust and haze.

The cloud is
The supporter of my life.
I call the cloud,
Without caring
The tradition and custom.

I know, I am
Never separated
From the cloud,
I call the cloud
But she is not
Giving her ears.

Cloud, cloud, cloud
I cried and the cloud
Is not there anywhere.

What shall I do,
I have to think a while
And if you know
Suggest something
How can I get the cloud!

Gajanan Mishra
I came to this place.
Which place it is
That I know not,
But I am here,
With my life
And I am alive,
They declared
Joyfully.

I have forgotten
Who were there
With me at that time,
At that time of war
With the self.
But I am here at present
With the message of peace.

Gajanan Mishra
I Can Be Defeated

I can be defeated
By only myself.
And I am at my
Prime time at present.
Still, I am not yet
Started to read
Or to understand
Primer of my life.

Gajanan Mishra
I Can Be Purified

I can be purified
By the wind,
The fire, the sun,
The water
And the speech.
Purify me, dear sir,
By any means
You like.

Gajanan Mishra
I Can Catch The Fish

I can catch the fish
In water.
I can catch the bird
In the air.
I can walk miles together
Alone on earth.
I can see the see the sky
On my way back home.
But my dear, I cannot
Do anything against the light
That are within us.O
I cannot talk much
Against anyone as I know
They are all inseparable parts.

Gajanan Mishra
I Can Check No One

I can check no one,
I can go no where,
I can see nothing.
But I can love,
But I can see truth,
But I can say -
Here is the sky.
And see, the sky
Is smiling at me,
See, the earth is
Moulding my life.
See, I am here on
The earth and no one
Is here to understand.

Gajanan Mishra
I Can Come

I can come,
I can stay,
I can also go
As I wish.

I can take,
I can give,
I can declare
All mine,
All are not
True though.

I can lead,
I can follow,
I can value all,
Though hollow.

Gajanan Mishra
I Can Do Anything

O my love
I can enter fire
I can eat deadly poison
I can jump in to the sea
Only for you my love
You are my love
And I can do anything
In order to carryout
Your order mt dear.

Gajanan Mishra
I Can Eat

I can pray
I can love
To love is
Basics of life.

And life here
I strongly feel
Is nectar
I can be both niche
And a global mass poet.

My humble origin
Is my culture
I taste all
You can test me
At any time you like.

Gajanan Mishra
I Can Follow You

I can follow you.
But why should I?
Why not you follow me?

I am in a different mood.
You are to understand
Or else I am here to
Make you understand.

No boundary is here for me,
But I know you cannot cross
Your own line and touch me.

I am the hunter of your love,
And you are going beyond the truth.
I am here to set you on fire,
At midnight I can see you burning star.

Gajanan Mishra
I Can Give

I can give love,
I can give everything
In love.
I can fly,
I can fly everywhere
In the sky.

The sky - I love,
I love the sky in full.
In full, I can submit
Before you.
Before you, I must
Speak the truth.

The truth - I love,
I love you, and
I present my view.

My view - most valuable,
Life is all enjoyable,
And I am not disabled.

Gajanan Mishra
I Can Go

I can go
I can stay
It depends
On my will.

No contradiction
Is there within me
I am within your heart
It is confirmed.

I love you
You are my creation
I can write anything
On you here.

Let me say who are you
You are to say who am I.

Gajanan Mishra
I Can Hear

I can hear
With my eyes.
I can see
With the holes
Of my skin.
I can cover myself
With love.
And I live
Always in truth.
Always I am creative,
And the energy
That is generated
In my creation
Is my strength.

Gajanan Mishra
I Can I Must I Will

This is right
I can I must I will
I can do this
I want to do this
I will do this.
To do something-I am ready,
But not to search
The word impossible
In my dictionary
Where it is not there
And if it is there
Keep it there- my prayer,
I am not going to
Open that page.

Gajanan Mishra
I Can Know You

I can know you
By going away from you.

Let me not mix with you
It is never possible.

Let me accept
I am different from you.

I know
You are ever attainable.

Gajanan Mishra
I Can Lift My House

I can lift my house
And see if you are able.
I can go far beyond death
See if you are able
And say something about.
If you are not here
To speak in my language
How shall I understand you
And the very purpose of
Your saying is defeated.
Without understanding anything
How can I assumed the existence
Of the world and have valued it.
Both external and internal
Connectivity is necessary
And you have to do it.
And I know I am going now
And know no end no origin
I am not bound and it reality.

Gajanan Mishra
I Can Live

I can live
Without you,
But you cannot live
Without me.
I am there
In your place,
You are still there
Searching for a space.

Gajanan Mishra
I Can Live For Many Many Years

For mother,
For mother language,
For motherland,
I can live for
Many many years,
Even without food
And without taking water.

You, foreigners,
Go back, go back,
Or convert yourself
And learn the language,
Adjust with the culture
Of this land
For all welfare
Of my men.

Gajanan Mishra
I Can Move

I can move
And within
No time
I can reach
Anywhere.
Both upwards
And downwards.
I can control
Air and fire.
The sky and
The earth and
All other things
Are within me,
All here, see.

Gajanan Mishra
I Can Not Bear

I can not bear a moment
In Your absence.

I felt quite jubilant
With Your presence.

Sight of Your beauty
Produced a great festival
For my eyes.

I sing I see
Only for You only You
Here there everywhere.

I pray by the strength of Your
Internal potency make me use
For the benefit of others, O my dear
With Your unlimited causeless mercy.

Gajanan Mishra
I Can Not Forget

I cannot forget
That fire
That is there
In you and
That burnt me
For the sake of
Truth.
I cannot forget
That fire
That is there
In me and
That burnt you
For the sake of
Love.

Gajanan Mishra
I Can Not Forget You, O My Dear

I can not forget You, O my dear
I take refuge in You
I love You
I have not to adore You
I am restless see without remembering You
Even for half a moment I do not want to
Renounce Your lotus feet
Let me clear I have no desire
Either for riches or righteousness
Or for lust or even for salvation
But I want Your blessing, my dear
Bless me with the boon
That I should love You love You
Love You love You love You in all births.

Gajanan Mishra
I Can Not Hold Your Tongue

I can not hold your tongue.
If you wish to say
Say what ever you like
I know you are not a monk.

I am ready to listen.
I want to listen your word
I will go on my own way
If you are going to put question.

Gajanan Mishra
I Can Not Return

Excuse me
I can not return
I am on one way traffic road
No curve no end in between.

Excuse me
I can can take you with me
I am alone and alone
But not lonely.

Excuse me
I am going and going
And not going back
Anyway at any time.

Gajanan Mishra
I Can Not Satisfy You

I can not satisfy You
O my dear, either by
My words or by my deeds.
And I pray
You be pleased by Your
Own mercy.
Here I surrender
To You and my surrendered
Is for general good.

Gajanan Mishra
I Can Not Say

No no
I can not say
What is happening
In your presence
And you are always present.

I must not say
What is going on
And it is going on always
In your presence
And I am absent.

Now on wards
It is light
And I am not able to see
In your presence
I can only chant.

Gajanan Mishra
I Can Not Say You Are Smarter

I can not say you are smarter, my dear
From my point of view all are equal
With the same components of life and
On the same train going to discover
The Truth that are there hidden
I know others who have cognitive
Faculties and have superior intelligence
Just a bit understanding is required
To live and stay with full cooperation
You are sure to get me if you forget your
Own language and technology and give
Prestige and recognition to each and
Every person without discrimination
O my dear, each and everyone is relevant here.

Gajanan Mishra
I Can Not Write

I can not write
Anything more
I can not go to you
Are not true.
I can write
And I must write
I can go to you
And I must go to you
Everyday every moment
Just to know who am I.

Gajanan Mishra
I Can Only

I can only
Love You.

It is true
I can not know
What I am
It is true
I can not know
Who I am
It is true
I can not know
How I exist.

I can know
And I can
Only love You.

Gajanan Mishra
I Can Pray

I can pray before You
I can offer myself to You
See me, I am living only for You
See me, I am also dying only for You.

From my birth to my death
I am only seaching You
And You are within me that I know
And I know You are only doing everything.

I can pray before You
And everything everywhere it is You
Before my birth and after my death
It is also You who belongs to all.

Gajanan Mishra
I Can Reach

I can reach anywhere
Within no time,
Without any material vehicle.

I am from all bondage
And I can see all
With my close eyes.

I can say what I like,
But my like and dislike
Depends on your love.

I am there to love you
And I can utter words
That are there with you.

I know you are there to
Give me the prescription of life.

Gajanan Mishra
I Can Say

I can say
How many seeds
are there in an apple.
But I cannot say
How many apples
can a seed produce.

I cannot say
Who you are
But I can say
You are here with me
Always everywhere and
Doing everything for me.

I know you are the friend of all,
And you elevate all equal to you.

Gajanan Mishra
I Can Say The Sun Is Here

I can say
The sun is here
In me,
And I am
There to
Enlighten the sun.
I can say
I am handsome
And all are
Looking me
For my activeness
At this time.
But I cannot say
What to do
With all these.
And I cannot say
What will happen
After my departure.
But I can say
Nothing wrong is there
Anywhere with anyone.
I can say
What is not said
By anyone here so far.

Gajanan Mishra
I Can See I Can Hear

I can see I can hear
I can understand I can feel
The heat and the chill.
And all these are possible
Only through my poems
For which I am entrusted by them*
And in my poems
Every word every emotion is pious
And I am to sing Your glory only voluminous.

By them - here means by my forefathers, my great poets, by rishis, saints, sadhus and such great men.

Gajanan Mishra
I Can See You

I can see You
O my dear
I can feel You
I can touch You
I can hear You
And it is in silence
Only in silence
And so I love silence
Since you are
There in silence
I yearn for you
In silence
O my dear
I love silence
Only for You.

Gajanan Mishra
I Can Stay

I can stay
At any place
Holy or unholy
I can stay
At any time
Night or day
I can stay
In any state
Wakeful or sleep
Conscious or unconscious
I may be
Sick or healthy
I can go anywhere
At any time
And can place
Myself at anything
In anybody
Remember to
See me holy and holy.

Gajanan Mishra
I Can Take Anything

I can take anything,
But nothing is here.

And in nothingness
I discover something
That is not mine.

What is mine
The water asked
And I remained silent.

The wind is there
To give answer,
But it is not heard.

I tried a lot
To find the exact answer
From the dark star.

Gajanan Mishra
I Can Tell You

I can tell you
The truth and
I can tell you
What why and how.
I can tell you
What you want
To hear, my dear.
I can tell you
The truth,
The truth of life,
That is there
In the book hive,
In the bee hive,
Where there is nectar.

Gajanan Mishra
I Cannot

I cannot read my Father,
I can only love Him.
I cannot see my Father,
I can only stay within Him.
It is true, my Father is
Within me, I am my Father,
It is true, my Father
Was/is not a fool,
I cannot assess my Father
Here, there or anywhere.
I love my Father only
My Father is everything for me.
It is time that says
Father is there like the sky.

Gajanan Mishra
I Cannot Do Anything

I cannot do anything
Excuse me.
Excuse me
I am nobody.

I have nothing to do
For myself.
But I am
Real and perfect
You can say that.

You can say
What you like.
You have collected
so many words
And that are mine.

But remember
I never suffer
Any deficiency.
And remember
Renouncing everything
I have acquire life-currency.

Known to all
Who I am
And yet you fear
For nothing.

For nothing
I am here
Not like that
Be aware of the fact.

Gajanan Mishra
I Cannot Find Pleasure

No pleasure,
It is summer,
I cannot find
Any pleasure here.
And what is pleasure
You cannot say me
In true words
As because pleasure
Itself is not true.
Summer is also
Not true, as because
Summer is no more
After some days,
And truth is truth for ever.

Gajanan Mishra
I Cannot Forget

I cannot forget
I cannot forget You
O my dear, I cannot
Forget You, as I know
You are the Truth and love.

I become restless
Without remembering You,
You are the Truth
You are the love
And without Truth
Without Love
How can I live, my dear,
It becomes a life of
Restlessness without You.

Gajanan Mishra
I Cannot Give Up

I cannot give up
What is mine
Likewise I cannot
Give up what is
Not mine.
What is mine and
What is not mine
That I know not
But I am like the fire
And I cannot give up
My heat and my light.
I am a poet
I cannot give up
My writing poems.
But it is good
To give up attachment
And desire for rewards
For these poems.
Attachment is the only
Obstacle to truth
That is poetic sensibility.
Aim of my life should be
To compose a perfect poem,
And a perfect poem is
Not a matter to give up
Or not to give up.

Gajanan Mishra
I Cannot Know You

I cannot know you
I am your evolute though.
I am your love
that I know.

How can I define you
I know you are all-pervading
and sentient and
My words are limited and
I am using insentient language.

I am going and coming within you
I cannot see you and your whole
And it is not good to say
Anything knowing fully well
What I am going to say is incomplete
And all would be wrong.

Neither quality nor quantity
has any role to play here
No cause no action is there
at any time anywhere,
and I am here with you, in you
and you are there as always
Hinting me to proceed forward.

Gajanan Mishra
I Cannot Perish

I cannot perish
Because I am real
I cannot perish
Because I am
Totally free from
Demonic traits
I cannot perish
Because I am
Detach myself from
All perishable
I cannot perish
Because I am with You
I cannot perish
Because in me, there is virtue.

Gajanan Mishra
I Cannot See

I cannot see
Your grief, your woes
And hence I am calling
This cuckoo's coo coo coo.

Give a smile please
Parrot is saying
Love me please
Peacock is saying.

Pigeon is giving
The signal of peace,
See me, I am with the swan,
Let me dance with the mayna.

It is time to enjoy life
Forget your woes, forget your grief.

Gajanan Mishra
I Cannot See A Thing

I cannot see a thing
As it is.
I cannot know the value
of the truth.
But I can see and
I can know and I can do
Anything here only when
You dissipate the darkness.

Gajanan Mishra
I Cannot Stop For You

I cannot stop for you,
I told the truth.
The truth replied,
Okay then go.
I am there to catch you
On the road.
No road is there
As you see, though.
Hours after hours,
Day after days,
Year after years,
I am on the line.
And the line
Is no more with me.

When I feel thirsty,
Drink me, said the time.
But I know time is
All poison.
I chilled,
And you told me
To move away.
But I found no space.
I adjust with time
And it is no more seen
By anyone anywhere.
What the turtle wanted
To do all present know
But I am bored.

Gajanan Mishra
I Cannot Tell All

I cannot tell
All, about my poetry,
About myself.
I am unable to
Describe my mother,
My earth, my life,
My poetry.
Excuse me, my dear readers,
My words are not mine,
They are not there
To obey my command
Always here.
My words are free birds,
I am here to surrender
Myself before them often.
It is opened to all
To do whatever they like
At any time here,
But they should remember
Everything is incomplete
Here and for all.

Gajanan Mishra
I Cannot, I Cannot

I cannot, I cannot
I cannot describe anything
Anywhere in this world, my dear
Simply I gazed at I gazed at.

Here there everywhere
I gazed at I gazed at
The flowers the trees the colors
The moon the stars the sun.

I failed to understand
What is going on at every moment
I failed to understand
Who are You and who am I.

And O my dear, see me, I am trying
I am ready to do Your duty in time.

Gajanan Mishra
I Can't Describe Anything

I can't describe anything
In words.
I know nothing
About anything.
But I can entertain you
Telling so many things.
I have no wisdom,
No devotion,
No detachment.
But I am greedy
To take the stone
To the place
Where I am living
With the wind.

Gajanan Mishra
I Can't Say

What is what
And how here
At this time, my dear
Let me clear
I am no better
Than a straw.

By the decree of fate
Let me called you
My dear brother
Here is my word
Please hear
With this I am
Yours for ever.

Be happy to see me
As I appear
In this sight
For you only
Everywhere and in
Three spheres
Rest is with you whatever.

It would be better
To forget the time
And the number, my dear
Just live for the sake
Of life and
Be not a miser and
be a care-taker.

Gajanan Mishra
I Can't Stand

True,
I can't stand
Myself.

I am dumb,
Ride or die.

What you are,
How you are
I have to search.

Let me thank you,
You are listening
And reading me.

True,
I am here
Only for you.

Gajanan Mishra
I Can't Tolerate

I can't tolerate
Separation from you.
You are my love,
You are my truth.

I have a great interest
On you,
I can achieve success
Only with you.

I want to stay
In you,
And I know,
I am there in you.

Yet at times
I feel lonely, how?

I know, I am confident,
And you are in me.

Our identity is nothing
Without the presence
Of another, I realize dear.

I have to keep myself
In you
With all truthfulness.

I have to know you
For my own success.

And I have to attain
Oneness with you.
You are my life,
You are my only truth.

Gajanan Mishra
I Can't Tolerate Separation

I can't tolerate separation, true,
You are always there and
I'm with you while eating,
Sporting, sleeping, sitting.
You are not far, you are there
Within me at my heart.
But I want not your charity,
I want your partnership,
Your faithfulness, your sincerity.
And in togetherness, I want to do
So many things you want.
Nothing can separate us,
How can the earth be separated
From the sky, say not goodbye.

Gajanan Mishra
I Care Life

I care life,
No matter -
Good or bad.

I care words,
No matter -
In which language
There are.

Each one is a creator,
Let me salute for
The creation
For good.

I fear no one
As I know
No one is superior.

Gajanan Mishra
I Care Neither

I care neither
East nor west,
I care only
Who is the best
For my chest,
Who is fit to
Stay in my nest,
I care care
Who can allow me
To take rest.
I salute not
The sleeping
Intellect, rather
I hate.

Gajanan Mishra
I Care Not

I care not
To heaven or hell
I care to the earth
Where the lotus feet
Of Yours are here
And You are here
In so many shapes and sizes
And to enjoy the beauty
Of this world
In body mind
And intellect
This world is really
Living world with
So many beautiful
Sights and seasons.

Gajanan Mishra
I care not any face,
I want not to hear any name.

The entire earth is mine
And it is moving.

Footsteps, I followed
Not yours, I know.

You spy on me, true.
But you find nothing, not false.

Gajanan Mishra
I Care Not Anyone

I care not you,
I care not anyone.
I know no one
And nothing is truth.

No mind is pure,
I know and I know
Nothing is in fullness.
But it is the affection
That made you nearer
To reality.

I know the cause
And the effect.
I know how to
Understand this and that.

Gajanan Mishra
I Care Not London

I care not London,
I care not Washington.
I care you, my dear son.
I am responsible
For any loophole. I am here
Only to build a new pool.
For the things that are not mine.
I am dying, I am caring..

Gajanan Mishra
I Care Not The Fruit

I care not the fruits
As because, see me,
I am a sugarcane.
I need no perfume
As because, test me,
I am gold.
What is the use of flowers
here with me, As because,
I, myself is sandalwood.
I am the poet, I am the creator,
I know better how to do what,
I need no advice.
Let me stay free
Only with my poetry.

Gajanan Mishra
I Care Not The Judas

I care not the Judas,
Not the Judas.
He is not there
To work with me
For public welfare.

I am not the person
Who can blame him,
As I know black is
Black, always black,
And always slack.

Slap not on Judas, dear,
But show the act of mercy.
Judas can do no harm
Besides destroying himself.

Gajanan Mishra
I Care Not The Sun

I care and I care
That I am here.

The sun is black
At this hour
Here no water
In this river
In this ocean.

I care not the sun
And I care not the air
I care and I care.

The moon is with me
All day all night
And I asked it
In this manner
With a corn.

And I care the sun
That is over my head
And have a fun.

Gajanan Mishra
I Care Not What You Think

My simplicity my straightforwardness
Is with me and helping me to win.

I am free from deceit, see
I am harmonizing my thoughts
My words and my deeds.

I am making the best possible
Use of circumstances available
And progressing within.

Gajanan Mishra
I Care Not Who Is Here

I care not who is here,
Yet I show respect to all,
To the entire creation.
As a part of it
It is my duty.

Gajanan Mishra
I Care Not Who You Are

I love
My own words.

My own words
Are with you
That is
The only Truth.

Only for Truth
I care You.

Truth is there
Where love care
And I care not
The Truth.

Gajanan Mishra
I Care Not Who You Are But The Truth

Who you are I care not,
But I must care the star.
The star is there
And I am there with the light.
Where there is light
There is dark I know
And yet I love the dark
I know from darkness
Light spring to life.
Life is there in you,
I know, the only truth.

Gajanan Mishra
I Care, O My Dear, Only You

I care, O my dear, only You
I care not anybody else
Who so ever he may be.

I flourish here
Only with Your help and love
I see all others flopped.

Gajanan Mishra
I Carry

I carry what You lack
I preserve what You have
Our relation is our renunciation.

Gajanan Mishra
I Carve Out Myself

I carve out myself
And I am here
Lighter and lighter.

I am here
Lighter and lighter
carving out earlier.

What for?
What for? ?

Gajanan Mishra
I Catch You

1

I catch you
I miss you.
I miss you,
I catch you
Again and again
And yet again.
I forget your name
And your game.
I also forget
Where I am.
I am in the dark
As I love the light.
I am in the light
As I enter the dark.

2

I dream
And I dream.
Nothing is in this dream.
I say it is mine
And I wonder
I am thin.
I know the truth
And the truth is
Very difficult
To realize.
Realization is life
That I know.
And I know life is
In the dream- realized.

Gajanan Mishra
I Caught This Hour

I caught this hour
With no reasons,
With no injunction,
And separated from me
The sky roaming
All around.

I welcome none,
But all arrived
Late night for
Historic memory,
And they all
Planted monument
Of wind.

You fought for it
I know from
The very beginning,
And I opposed not
For all white zones
Are for me, I know.

Saying all
I confined myself
In wet cement
To show another
Structure of rehabilitation
Like purgatorial one.

Gajanan Mishra
I chant Allah
And You appeared.
I chant Rama and
You appeared self-decorated
With all knowledge.
I chant Krishna
And You fulfilled
All my pure wants.
You have disregarded
All luxuries as Jesus Christ.
You wish to be hidden
And Your greatness is heard
Far and wide,
You are Omnipresent and Original.

Gajanan Mishra
I Collect The Sky

I collect the sky
On the wings of the bird.
I collect the bird
On this earth.

I am the earth of heaven,
The heaven is there
In the blank space of my mind.

My mind remembers you, dear.
And I swim in the ocean
Without fear.

I prefer to go
Alone on the road of the air,
And my heart beats all the stars,
And the stars came down fair.

Gajanan Mishra
I Come I Sit I See

I come I sit I see
I sing I dance I live.
I live like a lion,
I live like a free bird.
I walk I fly I run
I realize the truth
I love I stay I talk
My dear, only for you.

Gajanan Mishra
I Commence

I commence on myself
I start a fresh on
Lease of life
And I get victory
Victory is not empty
My look is forward
And i have won
The reward being
At the top
Being with the self.

I Conceived

I am in dark
And in this darkness
I conceived
As right when wrong
And I see all perverted
O my dear
I know it is my ignorance
I know further
You are my light
I am calling you
Come to me
And make be enlightened
I pray.

I am in dark
And in this darkness
I am taking shelter of
Falsehood fraud dishonesty
Forgery and also
I am taking prohibited
Food and adultery
I know it is my ignorance
O my light O my pure intellect
Come to me
And make me enlightened
I pray.

Gajanan Mishra
I Confess All

I confess all.
But let me know
What is my fault.

Taking air freely - fault?
Walking freely - fault?
Eating, dancing, singing - fault?

I am a son of nature,
I born on this earth,
Water, light all are free
And given to me by so to say
Almighty, Omnipresent one God.

In no way I am related
With any deceitful action
Or flattery. Nothing is faulty.

I am living with my own lifestyle,
I am not torturing anyone in any matter
Or forcing anyone for anything,
I am living my own life here
Without taking or giving anything
From anyone at any time in secret.

Let me confess all,
I am open-hearted.
Whatever I am doing I am doing
Openly, transparently, in accordance
With law and I am entertaining others.

But it is true
I have no control over time.
Excuse me, I am a slave and working
And living under the full control of time.

Gajanan Mishra
I Congratulate You All

I congratulate you all my dear poet-friends
Present in this poems forum

Ever cheerful like a nice fresh lily
May God make your living quite enjoyable
With all winds on this earth without trouble
I wish you to achieve the nectar of life
That is there in your life tremendously bright
May you blessed with courage and patience
With which you can solve all problems in all parlence
My dear poets with hearty devotion
I am drawing your attention to the fragrance of unity and affection.

I Consider Nothing Foreign

I consider nothing foreign in this world
The birds the animals the trees the fishes
All are my brothers and sisters and I pray
All should live in peace and happiness
This world is ours at present and for us
We are living here for each other and we are
Trying to learn each other's language
Living procedure and so on and so on
O my dear brothers and sisters come come
And come closer and closer to know our
Creator our establishment officer and come
Pray for each other for healthy life
And to enjoy together.

Gajanan Mishra
I Considered It

I considered it right,
But you have not listened to
My words and you felt not necessary.
I thought I am within your net
At present, but you told me to go
On my way as I wished.
Right and wrong- I confused.
Yes or no- I confused.
Bad or good- I confused.
You smiled and said worry not and
Come forward everything would be alright.
I considered nothing right
And you remained silent
Leaving me to ponder and ponder.

Gajanan Mishra
I Considered You Good

I considered you good
And therefore I am happy
And therefore I feel good.
I considered you good
And I know I can not
Live without you.
I considered you good
And therefore I am special
And therefore I am free.

Gajanan Mishra
I Consume

I consume time,  
As an experience.  
I consume life  
As truth.  
I consume truth  
As love.  
I love you, my dear,  
As wonderful music.

Gajanan Mishra
I Control You

I control you
You should not control me.

Who is flickering
Who is unsteady
Nobody is sure.

You control me
And you are happy
I control you
You are impure.

Gajanan Mishra
I Could Not

I could not stop
my thinking and
I am suffering.

Gajanan Mishra
I Could Not Say

A single word
To the summer
I know summer is
Not independent
And summer knows
Nothing how difficult
Here breath taking
I could not say
A single word
To the summer
And summer
Said nothing.

Gajanan Mishra
I Could Not Understand

I could not understand why you are telling me
Again and again I love you, I love you without
Any proof. Love needs no proof you said again and
Again and living with me day and night here.
You are waiting for the time to take me away
From this place that I know and I exposed it
Before all here, my dear. But where to go,
What to do there tell me first and let me know
Your plan that you kept secret for so long.
I know this place is very very small for me
And for both of us but we are here enlarging
Everything as per our requirement but for
How long this process would go on please explain
And enable me to know my actual shape and size here.

Gajanan Mishra
I Could Not Utter

I could not utter a single word
Reasons not known
Not that no reason was there
Not that I slept
Not that air stopped flowing
Everything was okay
And I could not utter
How was it I failed to understand
Though everything was open
Everything was transparent.

Gajanan Mishra
I Create Life

I create life in poetry,
And in poetry I discover
Everything one after another.

Gajanan Mishra
I create my own language,
I read your face,
I satiate your hunger
And your love calls me,
When I reach you
I find you within
Without any identity.

Gajanan Mishra
I Cry I Sing

I cry, I sing,
I dance, not for
Nothing, but for
Everything I have.

And I am careless,
See me, I have
Nothing to give
And nothing to take.

I am full,
So also I am empty.
Find me here,
And I'm not here.

Gajanan Mishra
I Cut My Body

I cut my body
In so many pieces
From the morning
To the next morning.
And so many people
Are enjoying so many cuts,
Without interruptions.
No one dares to
Touch me here and there,
And they cover their wings
With the sky and
They stay in stillness
While I cry,
Not in pain, though.

Gajanan Mishra
I Dance

I dance,
Dance always
On the three,
One - goodness,
Two - passion,
Three - ignorance.
I dance,
I dance.

I sing,
Sing for all
Masculine and
Feminine,
Dead and
Living.

I stay,
Stay everywhere
In pleasure and
In displeasure,
Nook and
Corner.

See me
In light
And
In darkness.

I am beautiful,
I am precious.
I am there
In creation,
In preservation
And also
In destruction.

I care not
Wear and tear,
I am daring
And resolute.
I am happy and
Contented.
Always I am
In peace
In happiness.

Gajanan Mishra
I Dare Not To Change You

I dare not to change you,
I know you are unique
And you bear a separate identity.
I am here just to cooperate you,
I am here just to change
The atmosphere that may suit you,
I am here to suggest you
To change the life style
So as to enable the earth to smile.
I am here to respect your belief.

Gajanan Mishra
I dare not speak my wife,
My wife is more powerful
Than me in all respect.
When I am telling my wife shoe,
My wife is coming forward like fire.
No clarification is needed
What I am going to speak,
My wife is intelligent enough
To take me outside with no reason.
I am not mad to quarrel with my wife,
My wife is ready to give me dust
In place of rice before anybody.
I dare not speak my wife
Yet I am bound to hear my wife for nothing.

Gajanan Mishra
I Dare To Dream

I dare to dream, see
I dare to walk, catch
I dare to live, kill.

Expiry date is here
That I know and I
Admit utility.

I dare say
What is what
In a straight way.

I know you are reluctant
To talk before all
And you are saying yourself leader.

My dear, here is the door
You are to count your fur.

Gajanan Mishra
I Dare To Live

As because I know
There is no death,
I dare to live.

Gajanan Mishra
I Decide

I decide to speak the truth
And I speak the truth and speaking

But I cannot do so
As I know I am the part
And parcel of the Truth
And I know by telling a lie
I would face a lot of difficulties
I know truth is eternal and natural.

Gajanan Mishra
I Deliver Speech

I deliver speech,
I compose poems,
And I do everything
For you, only for you.

My dear, my love,

My dear, I am yours,
I am here
Only for you.

I know you are my truth,
My life, my love.
You are real, but
I am not.

My mother much,
Rather, I am
Indifferent to her.

I deserve to be punished
O my Lord as
I am busy in this
Material world and with
Worldly affairs.

For nothing
I am doing wrong
I am doing wrong
Because of this
This atmosphere
O my dear I do admit
My guilt, I admit.

About so many things
I am busy in making riddles
I am singing and joking
And I never speak about You
My dear, my Lord though
I know it is for You I am here
I deserve to be punished.

I know this world is
Much more beautiful
No place could be
As beautiful as this world
O my dear, But see me
I am doing all nasty things
And I am the cause of all pollution.

I deserve
I deserve to be
I deserve to be punished

Always busy in fulfilling my

And one who is
Here before you
Is not I.
I try to live
Again for you,
But one who is
Here before me
Is not you.
I am here but
Not as a living one.
One who is here,
Is some one else,
Who has no link
With the words
I care.

That are there
In the dark sky
Where I fly
Only for love.
Love I know,
So long it is there
I am not here to die.

I know the sky
Has no shadow
And we are growing
To touch the sky.

The water and the fire not to disturb
In any way at this time and
Continue their bliss on me.

And I know
It is not forbidden
To light the lamp.

Gajanan Mishra
I do agree I have two wives,
One is dispassion and another
Is worldliness,
Cleanliness and defilement.
I do agree my father is ego centric,
But my mother is ignorant.
I have my own pillar of patience,
Within and in between vice and virtue.
I know how to kill the enemy of darkness
With the sword of knoweldge
In the sea of wisdom.
Just give me a chance to eat
And to drink and to make merry
In the broad day light of deliverance.

Gajanan Mishra

To sleep is okay.

That is in it.

No one can say
It permanent or
Temporary as nothing
Is true and we are there.

Gajanan Mishra
I Do Not Know

I do not know
What has happened
Though I was present
I am unable to speak
A or B or C
Because my presence
Needs proof
And there is no proof here
And you called me
Uncalled for.
I do not know
My exact name and
Place of residence
Now and then
I am here at present
And you are not a person
To take in to faith
And I am confused
With all others
Let me know first
Now and here.

Gajanan Mishra

Where is my own shadow
And where shall I go.

All wealth all children
All cattle all lands

Question of gifts and awards
Are all secondary.

Gajanan Mishra
I do respect you
I salute you
I am showing good
behaviour to you
to the best of my
capacity and knowledge,
But it does not mean
You are there to
blackmail me and
going to put me
in trouble water,
That can never be
accepted by anybody,
if you are going to
do something like that
remember, you are not
being excused by my
Master who is there and
also who is here
and watching the activities
of all art the same time.

Gajanan Mishra
I Do Solemnly Swear

I do solemnly swear
That I will faithfully
Execute the works
Allowed to me as a man,
And will to the best of
My ability preserve,
Protect and defend
Love and the truth
Here all through my life.
Here on this earth,
Each day is a new
Inauguration day, I
Realize each moment,
And let me amend myself.

Gajanan Mishra
I do what I can,
And I see the train,
It passes behind my blind-lane.

Gajanan Mishra
I Don't Care

I don't care,
Who said what.

I try to compose poems,
For all of them.
I try to tell all
The value of love
And truth in them.

I tell in my natural way,
With the air
With the light
And with the sky.

I am fortunate,
I try to tell
All that
What I feel.
I feel what
Other creatures
Feel here at this hour.

I love all,
And I live,
I try to let
All live.

While telling
The tell of life,
I don't care
Who said what.

This much I want to
Tell, worry not brothers
And sisters here
We must jump
This ocean and this water.
Gajanan Mishra
I Don't Know

I don't know who are you
No need to know any name
Any address or anything
Only to know is whether
You are performing your
Duty honestly sincerely
Without any expectation
From any body
Only to know how far
Committed you are to
Attain highest perfection
Of life here and afterwards.

I do agree what you stated
But tell me one thing
How you imagine
Without any basis
Here in this system
Of company's rules and regulations
That are troublesome though
To some to sketch any picture
Through words lines colors
O my dear, I do not want to
Know from you anything except
Your willingness for more and more.

Gajanan Mishra
I Don't Know-The Smile Of The Sky

I don't know
Why the sky is calling me,
I don't know
Why I am there in blue.
I know not
Who are there with me,
I know not
Why the earth is
There as before.
I find no door
No window and yet
All are going away
With no road.
I don't know
How to uphold.
I don't know
Where to go.
Yet I am not able to
Stay, and I am the victim
And when I see
The smile of the sky
I see no one
Here and there
But with all good
And all fair.

Gajanan Mishra
I Don't Mind

I don't mind
If you have no faith.
I know the reason,
For much familiarity,
That I know, with you.
But remember, when I leave,
You must repent,
At your past action.

Gajanan Mishra
I Don'T Want

I want and
What I don't want
Nay be it is life,
May be the life is
In a tree.

And the tree is
In the sky
I want the sky
And the sky is
Within me.

It is a good sign,
That I am proceeding
To procure myself
With the sky.

Gajanan Mishra
I Doubt

Do you really like poem
Are you really in love
I doubt I doubt.
Without poem without love
I am sure
You are dead.

Gajanan Mishra
I Dream And Dream

I dream and dream
And you know
Dream has no expiry.
Expiry is there
In me.
But in dream
I live for ever.
What I dreamt
I understand nothing.
I speak and I sing
But no word is able
To save me here.
I dream and dream
Only for you my dear.

Gajanan Mishra
I Dream And I Dream

I dream and I dream
In my open eyes.
I dream and I feel
The dream. I feel
And my feeling is
My dream.
I dream and I dream
In my living body.
I dream and I live,
I live in my dream
And my dream is here
Alive with me.
What the dream says
Let me hear all.

Gajanan Mishra
I Dream Life

I dream life,
I dream the reality.

I am visible,
And I can do everything
You say impossible.

My name is in the light,
I am ready to fight.

My own reflections I see,
I am in the middle.

I understand the truth
And the truth is my own life,
In which I live.

No blank fire will do
I am cent percent good.

Gajanan Mishra
I Dreamt But What

I dreamt but what
I can not say
As it is dreamy.
My train of thoughts
Failed as I dreamt.
I can not say
One who troubled me
Is the sky.

Gajanan Mishra
I Drink The Words

I drink the words,
The words are being drunk by me.
The words are there in me.
I am a word.
All the lines are correct,
I am not a prophet, but
Perfect with words.
I am the victim of words,
Words are there busy
In harming cutting killing me
Again and again here and there
For no reason. Not true.
The reasons I know not, true.
Without words, I can't live, not untrue.

Gajanan Mishra
I Dwell Here

I dwell here,
See me, if you
So like, my dear.
Sight scene is
Important, remember.
I am the flow
And you are my
Dear and near.
I am the nature
And you are the product.
Feel me, my dear,
You are the patient
I am your doctor.
I dwell within you, here.

Gajanan Mishra
I Dwell Nowhere

I dwell in nothingness
And nowhere,
Search me not
And stay free from fear.
But no way to escape,
No chance to go back.
No motion, no rest,
Yet the sun rises and sets.

Gajanan Mishra
I Dwindle

I dwindle and
Deteriorate,
Only for old age.

Still, I fear none.

I am still,
As brave as a lion.
Still, I have strength
To bring the ocean.

Follow me and see, men,
What I am doing here
With the blessing
Of my own mother, and
With the help of
Her language.

Gajanan Mishra
I Earn

I earn
You plunder.

You are taking away
All my assets
That I have acquired.

We are staying together
In this forest.

Gajanan Mishra
I Eat Nothing

1.

I eat nothing
But the air.
The air is
Not there,
In the star.
I am the star.

I think nothing
But the truth.
I practice
Breathing exercise
In love.

In love, I live,
I live in you,
For me, you are the truth.

2.

The truth is my shelter,
Fear never touches me, dear,
My contentment made it clear.

I am the creator,
Everything is here.
When I appear,
I surrender and you
Make me understood
Your error.

Not before but after,
I am here and here,
For you to make you
Read the new chapter of life
Full of virtue and horror.
I embrace my pen,
It is going on freely
With the paper,
That is your heart.

That is your heart,
See me, I am there,
With my pen,
That is writing with care.

Gajanan Mishra
I Embraced Truth

As my shelter
You can not challenge
Me now or later.

I have not used
Any unfair tricks
Anywhere at any time
You just see and guide me.

Gajanan Mishra
I Emphasize Not On Communist

I emphasize not on communist,
Not on capitalist,
Not on black or white,
Not on rich or poor,
Not on liberal or conservative,
I know all are imperfect,
All are full of ignorance,
All are disappointing in the end.
I emphasize on the truth,
Standing on the platform of
Eternity, bliss, and knowledge.
I am in favor of unity
And not in favor of unnecessary
Separation and material distinctions.

Gajanan Mishra
I Engage Myself

I engage myself always,
Confuse not if you
Know not what is what,
See that you are there.

Nothing is here to do,
Everything is achieved.
Mentioning anything is
Destroying its origin.

Fruits are there already
And you are committing blunder
By stating the facts
That are not in existence.

Engaging in existence is
Enlightening the self.

Gajanan Mishra
I enjoy
What I am writing
And I want to
Write the best
With my thoughts
And words
And you are there to
Enjoy my writings
And I am sure
I am touching your heart
I am a grass
And writing poetry
At all times
O my love
Only for You.

Gajanan Mishra
I Enjoy Composing Poems

I enjoy composing poems,
I think, poems - the only way
To recognize humanity.

Poems -necessary to
Save internal fittings.

I work with words,
And my work is
Extremely hard.

The poems invite
Rage of the men
In power.

I know I have the power
To overcome the violent action of
All force.

Gajanan Mishra
I Enjoy I Suffer

I enjoy I suffer,
Enjoying and suffering
Are my life, I know, my dear.

Wind blows,
Small particles of dust
Fly in the air.

I am here,
I am there.

Gajanan Mishra
I Enjoy Life

I enjoy life
In Your pleasure
O my dear, it is clear
I am neuter
Neutrality is my nature
O my dear, I have no
Personal interest
In any other matter
I differentiate nothing
In Your presence here
And I know You are here
Always everywhere, it is clear
I enjoy life with You
And You are playing game with all creatures.

Gajanan Mishra
I Enjoy My Poems

I enjoy my poems,
The roots, the fruits,
The creation, the dissolution.
In a mysterious way,
I put myself in each
And every word of my poems,
And I incarnate myself therein.
I take shelter in lines,
I try to understand the meaning,
The meaning of life through
The words that are unborn.
I invoke my name, and I
See life, and here in life
I attain the truth with love.

Gajanan Mishra
I entered into the rain,
And the rain covered me,
The sun went away in shy
Admitting defeat in shuttle service.

I am actually part and parcel of the sun,
And eternally conscious but at times
Act as the covering designations
Of the rain by mutually interacted.

I am being prevented from performing
Natural function but being intelligent
I puzzled everyone rejecting all
False concepts hurdle the progress.

Life is what the sun has given,
Life is what the rain has covered.

Gajanan Mishra
I Ever Feel Happy

I ever feel happy
With you my dear,
I behold you
And your pastime.
I know I have

And honor everything
Is you. And for this
I am here keeping
Myself free from
Joy and sorrow.

Gajanan Mishra

I am no longer disturbed by any means.

Gajanan Mishra
I Exist And It Is Only For You

Where are you,
See me,
I am completely
Forgetful of everything,
Body and limbs.
See me,
I am unconscious of
Hands, feet and sense-organs.
Where are you hidden,
See me,
I am inside you,
And I am uttering nothing.
I exist and
It is only for you.

Gajanan Mishra
I exist beyond you.
To tell you mine
Is really false.

I am being implicated
In troublesome conflict
Only for you.

Really I have no problem
It is due to false identification
I am involved in happiness and distress.

No high no middle no low
Nothing to judge as excellent
Normal or inferior.

Be detach
And see the truth.

Between good
And evil.

Gajanan Mishra
I Failed

I failed
To understand
Who You are.

You are right
In forgiving me
Considering my foolishness.

Yours faithfully
I am here staying
Freed from all fear.

I know it is difficult for me
To give up my conditioned nature
By which I identify with this and that.

I know everything is unreal
And I failed to understand You.

Gajanan Mishra
I Failed To

I failed to make you happy,  
Excuse me, I am incapable.

You can get happiness  
with you if you so like.

Leave me with my pain  
and with my misery.

But see me, I started to sing  
When I am with my own wing.

Gajanan Mishra
I Failed To Understand This World

I failed to understand this world,
Especially the people of this world.

Especially their like and dislike.
I failed to understand why and for whom
They accumulating so much wealth and properties,
When they know fully well nothing is theirs,
When they know fully well they have to go
Empty handed from this world.

Are not admitting the truth that
There is hell on their way and they
Themselves ruined their lives for nothing.

And I am absolutely separate
From death and in no way
Related to death.
Why should I fear death?

Rather, death is doing
All good to me
Death is taking me
To more beautiful places
And trying to make me
A wonderful adventurer.

Death is my dearest dear
My well-wisher
My guide, my teacher
My father my mother

And nothingness is only there
Within you that I know
With our presence.

Gajanan Mishra
I Feel Love

I feel love,
I experience hate.
Here, I fear
And here, I see reason.
Compassion and tyranny
Both are my parts of
Routine life.
I live here
And I die.
Nothing new and
Nothing to tell a lie.
I find no difference
Between literature
And science.

Gajanan Mishra
I Feel No Need

1

I feel no need
I feel no need to
Understand you.
I am living
On my own way
You are there
I have nothing to say.
So long as you are
Not interfering on my say
I am not a man to
Comment on any point.
Whether you are air
Or water what does it matter
That I know not.

2

I know I am on this earth
I know I am under this sky
I walk I fly that depends
On my desire
Why should I renounce
My desire without any reason
Only because of you.
You should clarify
All matters here before me
And make me satisfied with
Time-wise stage-wise comment
I am confirmed I am
Here with this full moon
And with all truth to touch eternity.

And to assimilate with each other.

Yes I feel.
I feel secure
as because I know
I am not here to die.

I am not here to die,
it is sure.
But I have to
change my dresses
when time arises.

This is nothing
but common and
day to day activities
as all know.

Gajanan Mishra
I feel secure, 
Yes I feel. 
I feel secure 
as because I know

day to day activities 
as all know.

Gajanan Mishra

Certainly, I can say
Where the trouble is.

And I abandon
The way of darkness
To follow the light
On the path,
That is there for me.

Gajanan Mishra

Gajanan Mishra
I Find No Fish Here

I find no fish here
But I find the air and the water.
I find the sky,
But I find no earth
And no wings to fly.
Passion is here, pain is here,
Success suffers a setback
I know, my dear.
Still I feel not dejected,
Still I live with bitter experiences,
Still I stay calm and cool
With my merits and my morals.
I hanker not for anything,
But I love life with its beginning.

Gajanan Mishra
I Find No One

I find no one
With whom I can
Share my inner
Most feelings.
I keep my eyes open,
I call every one
Come and disturb me
At this hours.
But I find no one
Here with me
To make right
Many a wrong.
I read so many men
And I find nothing wrong.

Gajanan Mishra
I find no path,
Still, I am going
And going without path,
I know not
Whether there is
Any path to follow me.
I care not the path,
But I know
The path is there
To care me.
I know I am the path,
I know path is not
What I am.
Path is here with me.

Gajanan Mishra
I find no poem today,
Today is a holiday
And usually in holidays
Nothing is available
In the market.
In the market we find
Ourselves busy in
Buying and selling.
Is not the world a market?
Are we not busy here
In taking and giving?
Like the market, here
Also we left the area
After business hours.

Gajanan Mishra
I Find No Profit

Actually I find here no profit
It is nothing but repeated
Chewing of that which has
Already been chewed.

I am in this dog race
And I fear this material society
This friendship and this love
For which I work so hard day and night.

See I am a mad man and unable to
Understand the Supreme Truth
I am bewildered in this life of
Ignorance and my intelligence stunned.

O my dear, it is only You
Who can save me bringing to right platform.

Gajanan Mishra
I Find No Reason Why I Am Here

I find no reason why I am here,
But I fear the time with me.
I am wounded by the circumstances
For no fault of my own.
I am violent but famous,
I am afraid I am not new to
This or that place but I
Recognized not any one.
You said it is due to my
Forgetfulness and I am sure
I am driven back in
Upright manner.
Whisper not please, I am
Following my own rules here.

Gajanan Mishra
I Find No Way

I find no way
To extinguish
The fire.
But I can
Leave the fire
There and
I can proceed
Ahead on my way.

No question of
Satisfaction as
You see here.
No expectation
Can give solace
My dear.

Gajanan Mishra
I Find Nothing Wrong

I find nothing wrong
In the way of living
That suits me.
I find nothing wrong
If no one is feeling hurt
While I am proceeding ahead.
I find nothing wrong
If I love all and
Going on the path of truth.

Gajanan Mishra
I Find You, My Dear

I find You, my dear
In my home
In the street of my village
In my office
In the forest
And everywhere
And I dare not to commit
Any wrong or any sinful acts
Anywhere at any time.

I see You, my dear
Not separate from
Ether fire air water earth
Not separate from sun moon
And other luminaries
All livings beings the trees
Plants rivers oceans
I see Your existence everywhere
Within every parts of my body also.

Gajanan Mishra
I Flow

You are the ocean, my dear
I flow toward You.
I have no identity
Without You.

I know You and Your nature
I know in me You personally appear.
Like You I am untouched by
The contamination of material nature.

I acknowledged You as my observer
You are unlimited in feature.
I am not in danger
You are here as life-practitioner.

I flow toward You
O my dear, You are the Ultimate Truth.

Gajanan Mishra
I Fly

I fly,
Let me fly
More and more.
Flying is life.
Life is in me,
I am alive,
I tell all.
But nobody is
Here besides myself.
I read,
I read myself,
I read more and more,
But I find nothing
In reading.
I write,
I write in my own words
My story.
I am the lone reader here.
No one is here
To comment.
The time is
Only here to smile
At me.
I say
I am not mine,
I find no place
For you, my dear time.
Let me stay alone,
But time is here
Always with me.
I fly and fly
With me
And I see
Time follows me.

Gajanan Mishra
I follow my language,
From this earth,
Greedy for fragrance
And sweet sap.
I love the truth,
Beautifying everywhere,
From air to the sky,
And from water to the light.

Gajanan Mishra
I Follow You

Always
I am here
To follow you.
Always
I want
To stay
In truth.
Always
I want
You to feel.
And here
A feeling
Is grooming
In an artistic way
For good mood
And flavour
In all
Wear and tears.

Gajanan Mishra
I Followed

What I said,
I followed.

I follow love,
I know
Love is the truth
And where there is truth,
Love is there.

I said;
Life is the truth,
And truth live always.

What I said,
Always the truth.
I see nothing here
But the truth.

Gajanan Mishra
I Forget My Real Name

I forget my real name,
And also my real business.
Put no question, please,
On my personal matters.
I forget all and forget
Where to go and when.
I have nothing to think,
Nothing to feel and also
No chance to express will.
Put no question, please.
I am not in a position
To say anything to satisfy
Anyone here at this time.
I have nothing to say, excuse me.

Gajanan Mishra
I Found No One

Who is not agitated?
Who is free from envy and joy?

I am searching some one
Who exists in the position of
Non-existent and who is
All tolerant.

I found no one
Who has no dark, dark side
I found no one
Who wants to remain hide.

I am searching some one
Who is so opened whom I can
Love unconditionally and
He loves me without expecting anything.

Gajanan Mishra
I Gaze At You

I gaze at you,
My dear sun,
My dear moon,
My dear stars,
You are at the sky
That I know
But I am on this earth,
And I wonder
How you are there.
I trembled with fear
With your lightning flash
And thunder crashed.

Gajanan Mishra
I Give My All

I give my all
Through my poems,
Please read
And take
With pleasure.

I am Eco-friendly
You can take me
With you, my dear
And enjoy the light
Of your own life.

I dissolve myself
In you, through the words
And emotions here
As you think.

Stay conscious and
Open to all
At this time, when
I write on you
As the truth.

Gajanan Mishra
I Give You My Heart

Lo I give you my heart
You are my love-jam
I read your love-chart
Knowing you live-poem.

Gajanan Mishra
I Glow

I glow
With my own
Effulgence.

My words,
My life,
My love,
My truth.

I am your
Part and parcel,
You are
The truth.

I am here
Only
For you.

Gajanan Mishra
I Got A Chance

I got a chance
To mix with you,
Here, my dear.
And for you
I am saved.

For you,
I abandoned all.
For you,
I fear not
Any other one.

You are there
To utilize me
In your work.
You are there
To show me
The correct path.

I am successful,
Here, I know and
I am with you,
For love and
For truth.

Gajanan Mishra
I got freedom
But I failed to know
What to do with it.
I got freedom
But it is not for me.
I got freedom
And I saw it not as
Applied Mathematics.
I got freedom
And I failed to understand
Its meaning.
In pen and paper
It is everything
But I have nothing.

Gajanan Mishra
I Greet Everybody

I greet everybody here
I bow my head
I embrace all.

Everybody has his
Own contribution
In making all round
New construction.

I am sharing my love
And my affection to all
Here without any
Term and condition.

I want to see
The smiles of all
I want to enjoy
Their freedom.

I greet all
And award benedictions
I have with them
Five points relations.

Five points - relations in respect of
air water earth light and sky.

Gajanan Mishra
I Greet The Sun

I greet the sun
For the sun enable me
To move eastward.
I greet the sun
For the sun is
There over my head.

And I am there
For the sun
To tell all
Life is in the light.
And all are here
To listen to me
And start their life
Afresh with the truth.

Gajanan Mishra
I Guarantee

My words are not here
To mislead you.

See, it is clear
And visible.

My words are clear
Like Harishankar falling water
Like Gangotri pure water.
My words are pious.
Confidence be taken in to
And I guaranteed
You would not wander.

Gajanan Mishra
I Had A Dream

I had a dream,
Where it is now
I can't say
To anyone
Present here.
To tell the truth
Is not easy, my dear.
Always I am a prey,
Prey of time
And you misunderstood me.
For the time being
I am here, I know
But it is you
Who is there
To pluck a leaf,
Pluck a flower.
I had a dream,
Dream to fly
In the sky.
But it was not
In my knowledge
That there is no sky.
Anyway, today,
I am in my tranquility,
No one is here
To disturb me,
I am neither in attachment
Nor in aversion.
I am devoid of
The notion of mine-ness.
I have no relation
With my dream
That was there
On that day.
Anyway, I am ok.

Gajanan Mishra
I Hate Myself

I hate myself, for I
Know the truth, but unable
To act in the truthful way.

Gajanan Mishra
You are asking
The name of my wife
Listen, her name is Disgrace
You are asking
My name again
Listen, my name is wicked.

Don’t be agitated
My wife is
Very chaste and faithful.

Gajanan Mishra
I Have A Firm Conviction

I have to do nothing
Except writing poems for You.

I serve You by writing poems
The more my intimacy with You develops
The more devoted I become in writing.

My writing changes in to adoration
Whatever I do that is whatever I write
That becomes Yours.

Gajanan Mishra
I Have A Heart

A heart is with me
You can take it, but
It's no use, think not otherwise.

Gajanan Mishra
I Have A Language Of My Own

I have a language of my own,
I have a land of my own,
I am here on my land
And I am speaking to each one
Here in my language
And every one present -
My near and dear.
Still, I am not free,
Not free to utter any word.
I know the words are
The greatest cheaters
And they are cheating me
Most of the time and
I am misunderstood by many.

Gajanan Mishra
I Have A Love

For truth
And here
I get my
Own pleasure
Here there is
No possibility of
Cheating anxiety
Lust disappointment
I have a love for truth
And truth is here in love
I am in truth I am in love
Here I attain transcendental peace
And the Supreme and eternal abode.

Gajanan Mishra
I Have A Right To Nurture

I have a right to nurture
My ideas, my thoughts,
So long as it is not
Against our constitution,
Against humanity
And not harm others.
I am born free, and no one
Has got right to chain me
Everywhere always.
You have to honour my dissent views.
Free speech and free opinion
Can never be suppressed
In the name of alleged
Anti-nationalism.

Gajanan Mishra
I Have A Say

I have a say,  
Let me say.

But I know not  
How to say  
With the traitors,  
The words.

Nothing to show,  
But to express.  
Nothing great,  
Nothing costlier.

But for prestige  
I have to say.

My say is elaborate  
And grand to the sky.

Gajanan Mishra
I Have Accepted

I have accepted your gifts
But not attached to it
I have rejected everything
But I have no knowledge about it.

Gajanan Mishra
I Have Acquired

I have acquired knowledge
I have vision
My behavior exhibits
All goodness.

I have my own intelligence
I can understand
What for eating and sleeping
If it is not for common good.

I think myself happy
In all respects
I am in the midst of misery though
I am not in advantage I know.

Gajanan Mishra
I Have Already Answered

On the reality of life
I have already answered
On horse-ride.

No colors
But black and white
No reality
Straight-fight.

what the leaves said
The birds understand
I wrote poems
That much might.

Gajanan Mishra
I Have Already Crossed

More than half,
I have already crossed.
I have crossed myself,
In the desert
And forest.
I have heard the songs,
Songs of sun-bird,
At night.
I missed my
Own breeze.
I have forgotten
To give parting kiss.
I walked and jumped over
My own shadow.

Gajanan Mishra
I Have Already Written

No face,
I have already written.
And fear everywhere,
I have already told.

Something is going wrong,
And history repeats itself.
All goodness have been stolen,
And it's all okay they declared.

No words confirmed,
No paper available,
No clue found,
Only a pair of eyes
Everywhere and each one
Is breaking down within.

Gajanan Mishra
I Have An Opportunity

I have an opportunity
To live in this world
I have an opportunity
To write poems in this world
I have an opportunity
To go with this world
In a peaceful atmosphere
You have no right
To disturb me here in any manner.

Gajanan Mishra
I Have Bought This Car

I have bought this car
By my own money
I am driving my own car
Under the control of material nature.

My wife my son my daughter
All are here helping me
In this life-driving, my dear
Let me be a free driver.

O my dear, You have given me the licence
To drive this car here and there
You have given me the chance
To fight with water and fire.

I know it is I who is responsible for the accident if any
I know my car my licence are subject to seize for reckless drive.

Gajanan Mishra
I have built this house
And named it Tapobana
Here I am staying with
My wife my son.

I have not incurred
Any loan from anybody
Here I am staying
And I am happy.

I have forgotten my
Actual name here
As I am with my wife
And my son and others.

What for I have forgotten
That I do not know
But I have forgotten
Each and every know how.

Not it is difficult to think
Who am I and what is the purpose
Behind my coming here
My dear, guide me you are near.

My life is going to the end
And at the end I know
You are there waiting for me
To give a new beginning.

My dear, that I know
You are within me and
Taking me to Your abode
That is my permanent place, I know.

Gajanan Mishra
I Have Compassion

I have compassion for humanity
As a creative person.

I have compassion for humanity
And I can sacrifice my everything
For eternal glory.

I know I am actually a spirit soul
A part and parcel of Yours.

Any by virtue of my True knowledge
I see with equal vision
I never lament nor desire to have anything.

I feel joy at seeing others happy
I know You are within all
And You are the all and so
To use everything for other's benefit is my mission.

Gajanan Mishra
I Have Consecrated My Life

You have consecrated my life
With truth,
You have saturated my life
With love.

I am intoxicated
By you,
I am liberated
By you.

Your words are there
To make me fly.
With my faithfullness
I am capturing the sky.

It is you to decide, how truthful I am,
It is you to take me, from where I am.

Gajanan Mishra
I Have Created

I have created dates for my conveniences
I have set my times for my movements
In fact there is no time no date in the space
And the sun is the only witness under this shade.

How can I be called myself existent?
I perceive no beginning no middle and no end
And I renounced myself here at this juncture
My dear, only because of fear but because of pleasure.

Gajanan Mishra
I Have Created All

My creations are all-spiritual.

I have three qualities
Goodness passion and ignorance.

I have my own egotism ether air fire
Water earth and all and all.

I am the root
Everything emanates from me.

I am the source of all
I enjoy honey collected by me.

I have my own universe
That is unique in each and every soul.

I know all
But nobody knows me.

Gajanan Mishra
I Have Derived

I have derived
My own existence
And power from you.
And with the rise
Of the sun I am
Busy in different works.
I know you are neither
The cause nor the effect.
And I know you are not
Responsible for my
Virtues and sins.
I love you, I love you,
That is the only truth.
Truth lost meaning without you.

Gajanan Mishra
I have discovered you,
After so long searching,
And I have declared
The end of my journey.

Stillness is here with me, see.
I like stichomyth at times.
But try not to stifle me,
My identity is in free-verse only.

Gajanan Mishra
I have everything here
And I lack nothing but
I feel all to be unreal.

Gajanan Mishra
I Have Faith

I have faith on my poems,
They are capable to
Express themselves.

Just read my poems
And know the facts
That are here.

My poems are my heart-beats,
My poems are the mixture of
Love-life-death-eternity.

Poems are really not mine,
They are coming often to me,
My poems choose me for their expression.

Gajanan Mishra
I Have Fallen

I have fallen
In to this well
And I am
Struggling for existence.
O my dear, I know
Without being cared for
By You
I can not be happy.
See me
I am wandering
Here and there
Without You.
O my dear, I know without
You my life will not be successful.

Gajanan Mishra
I Have Fallen In Love

I have fallen in love
With you, poetry.
I care not grammar
Or anyone else,
But I care you.
And I know
You are more than
Anything for me.
I live in you,
My love for you,
You are the truth,
I know.

Here and there, poetry,
Move around me.
Poetry, come on,
I am here for you,
And I am here to you.
I am fallen in love
With you, the truth.
I arrive, you depart,
Life journey starts.

Poetry, you are a feeling,
And what is the work
Of grammar in feeling?
Nothing vague,
But all clear.

Poetry, you are my
Dearest dear.

Gajanan Mishra
I Have Forgotten

My own body
What use of this body
If I failed to remember
You, my dear.

But You are here
In this body always
In different forms though
I know, and I keep
This body under You.

This body is Yours
And so also I am Yours
And I remember You while
Sleeping walking sitting bathing etc etc.

Gajanan Mishra
I Have Forgotten Everything

I have forgotten everything
At this time, walking, sitting,
Eating, sleeping.
Feeling of suffering is also
No more here with me.
Truth consciousness is there,
I hear, but I know not,
Or say failed to discover
The truth here and there.

Gajanan Mishra
I Have Forgotten Life

I have forgotten life,
Life has forgotten me also.
Life, what is it?
I can't say at present.

So many people are
There to define life.
So many people have given
So many definitions,
But I am no way
Connected with any of them.

I know life belongs to none,
Yet each one is anxious to live
Here and there, they all know,
Though, it is all meaningless.

Gajanan Mishra
I have forgotten where is my home
And I came to you as I love you.
As I love you, I am not able to
Know that there is anything here
Besides you at this time, see me.
As I love you, the persons that are
There, I left, I care not them.
But I care you, and I care not whether
You love me or hate me as I am
Least concerned with anything but love.
I know I am so clear and perfect
In loving you day and nights but
It is you who is showing me the lion
Though I am the lion here at this time.

Gajanan Mishra
I Have Forgotten Who I Am

I have forgotten
what you have said.
I have forgotten
who I am.
I have forgotten
where I am going.
I have forgotten
everything, everything.

And you said it is good,
it is good as because
every moment is a new one
and one has to start a fresh.
Going forward means
going to touch not old but new.

Gajanan Mishra
I Have Go The Ticket

This body-train is non-stop
And going to you night-day
You are the destination O my dear
Do not say good-bye.

Gajanan Mishra
I Have Got My Body

I have got my body
Linked with you.
My duty is to bring up you
Even though you may stand
Against me or act badly.
I have got my body
Linked with you,
Through the air
Through the water etc.
It is appropriate to
Sacrifice my life for you.
I have got my body
Linked with you,
And it is the truth,
Only truth.
You may rebuke me,
You may punish me,
But I serve you,
And I spend all my time
To give all comforts to you.
You are my father,
You are my mother,
You rear me,
You deserve adoration from me.
I have got my body
Linked with you.
It is proper to serve you,
To love you,
To respect you,
To sacrifice everything for you.

I am a man
I have humanity
I must see a man
And give respect.

I have a mind
I have a soul
I have sense of
Goodness and I
Must go for pure
Existence.

Gajanan Mishra
I have lands,
But I am unable
To cultivate.
I have words,
But I am unable
To compose.
I have children
But I am unable
To educate.
I have life
But I am unable
To live.

Give me the way,
O sky!

Gajanan Mishra
I Have Left

I have left everything far behind
Only to go to You every time.

I have left even the light even the air
Even the earth even the water even the sky
And stayed here like nothing
Only to go to You every time.

I have left I have left I have left
And I have got everything everything
That is in You that is in me
And I find nothing except the time
That is there in my pocket
That is only shining as a valuable asset
Not for pleasure but I am duty bound, my dear
To take You to all who are the sufferers.

I am praying before You for the emancipation of all.

Gajanan Mishra
I have left
The places and
The things
That were
Here with me.
The things
Themselves have
Changed their
Shape and sizes
At this time.
I want no more
To see myself
In the leather-box
Here, my dear.

Gajanan Mishra
I Have Life To Give

I have life to give,
To my mother,
I have blood to give
To my land,
I have love to give
To my sweetheart,
I have nothing to give
To the sky.
The sky, the land,
The mother and the sweetheart,
All are there to
Give me everything
They possessed
For the sake of life.

Gajanan Mishra
I Have Light

I have light
And I know
You are willing to
Go on this light.

With You.

Let me stay with peace
O my dear, with You.

Inside me,
And I have thrown away
The key to the sky.

You may search there
And say your feeling
And experience therein.

Gajanan Mishra
I Have Lost Everything

I have lost everything
I have now nothing with me
And what you are doing in day time
Ask me not I have no wisdom.

I am falling like the moth on the fire
I am blind during the night
And I am struggling for the sake of belly
And you are laughing at me.

Gajanan Mishra
I Have Lost Nothing

I have lost nothing in the past
And I am living.

I know I have a bright future
And I am living.

Presently I am gaining everything
And I am living.

I am living with love
And with Truth.

Gajanan Mishra
I Have Married The Fire

I have married the fire,
See me burning at every moment,
And see me dazzling here there.

Gajanan Mishra
I Have Married You

Dear wife,
I have married you
And we have plan together
To attain happiness and
Decrease unhappiness,
Working jointly
In so many ways.
My dear wife,
Please let us drive out
Our desires
From our activities,
And let us keep in mind,
They are never a source of happiness,
They never diminish distress.

Gajanan Mishra
I Have My Bharat

I have my Bharat
From Jamu Kashmir
To Kanya Kumaree
English called it
India.
India is a country
Of Diversity in Unity
And must say
It is great
And no substitute.

Come to India
And See Lord Jagannath
Lord Krishna Lord Rama
Here you can find also
Christ in original form
Allah in peace
Buddha in meditation
Jain in renunciation
I find my India
In parallel with life.
Here in my India
That is Bharat
You can see The Himalayas
The Ganges and so many
Sacred places to purified
The body and the soul
You can go anywhere
And find yourself
As Indian as Bharatiya.
I love my India
I love Bharat.

Gajanan Mishra
I Have My Birth

I have my birth
I have my death
Here at this time
In this flower-garden
That is Yours.
O my dear, see me
I am here in ebb in flow
Here at this time
That is Yours
Full of glories.

Gajanan Mishra
I Have My Own

I have my own
Conception of life
That is with poetry
And I am free
Like bird within sky.

Where shall I go
From this bondage
I do not know
When the time come
To take me away.

I do not know
What use this conception
After leaving the place
And they say useless
That I do not agree and
They are standing at bay.

Gajanan Mishra
I Have My Own Body

I have my own own body
I have it as I exist.
It is all water
It is all air
It is all earth
It is all light
It is all the sky.
Come and see me in person
I am both the man and the woman
I am both the good and the bad.
My body is there
In east in west
Come and see me
I am the best.

Gajanan Mishra
I Have My Own Gun

I have my own gun,
I have my own gun.
It is I,
Who is pulling the trigger,

I am pulling the trigger
Of my own gun.

I know
What is happening,
All the incidents
Are there,
And I know all.
My gun is mine, true,
But I have no control
Over my gun.

Gajanan Mishra
I Have My Own History

I have my own history
And in my history
I am searching my name
And address but alas
I failed to find any.

I have my own name and fame
And in my name and fame
I want to build a new world
But alas, the world is
Sending me to samsan*.

* samsan - death, place of burial

Gajanan Mishra
I Have My Own House

I have my own house,
My body is my house.
I am here in my house,
I call it my Temple,
I call it my Church,
I call it my Mosque,
I call it my Namghar.
Intolerance is in me,
I desire everything,
But I go with nothing.
I am the gateway of all,
I am the flower to bloom,
I am the sun to rise.
I am embracing everyone,
But none is there to
Understand me.
I am my perfume,
I am my happiness,
But intolerance is everywhere,
And I am the victim.
I am the full moon,
I respect and honour
Everyone's tune.

Gajanan Mishra
I Have My Own Language

I have my own language
And I feel better on my part
To go with it anywhere
And I foresee all good in it.
Gaining wisdom is very easy
In my own language as
I know my life is blessed
With my mother and mother land.

Gajanan Mishra
I have my own laws,
That have no flaws.
I called you to follow,
But alas, you are in hollow.
Nothing new was there,
But I assured you all fair.
Living itself is a mistake,
Experience it for your own sake.

Gajanan Mishra
I Have My Own Light

I have my own light,
No darkness can touch me.

Gajanan Mishra
I Have My Own Potential Power

I have my own potential power
To change you, my dear,

Here, at this time, within you.

You are to know my nature, dear.
You are to amend yourself
As per the call of time to
Know the world and its truth.

Gajanan Mishra
I Have My Own Self-Interest

I have my own self-interest
In pleasing You my dear.

Is in Your satisfaction
And there I find my liberation.

Gajanan Mishra
I Have My Own Way Of

I have my own way of
Understanding the truth,
It is true.

In odia language;

??? ?? ??? ?????
?????? ????? ?
???? ???? ?

Gajanan Mishra
I have my will,
I have my own self-will,
I have the will of the destiny.
I am here to respect
The will of others also.
I have my own actions
And I am free in doing so,
I am not in projection though.

Gajanan Mishra
I Have No Caterpillar Transports

My dear, for You I am leaving all
Without any support from any side
I have no desire at all and I love You.

Gajanan Mishra
I Have No Connection

I have no connection
With my actions, as
I know, I am not doing
Anything, it is you,
Who is the actor and
Also the director,
I am only the sufferer,
Let me clear, I am also
Not the sufferer, it is
You, who is here.
The use of the word
Sufferer is not wise enough,
I realize my dear, excuse me
For my words and actions.

Gajanan Mishra
I Have No Desire

See me here see me there
I have no desire
To accumulate wealth
I have no desire
For beautiful woman
I have no desire
Any numbers of followers
I am only in need of
Your presence Your love
Not unconditional love
But love with condition
That is incessant love
That is love for ever, my dear.

Gajanan Mishra
I Have No Enemy

I need no weapons
As I know I have no enemy.
You are my friend
And I possess the might
To follow the path of action.
I love all and I hate none
And I am rendering selfless
Service to every one who is
Coming to me, see.

Gajanan Mishra
I Have No Interest Outside Of You

I have no interest outside of You
I engage and dedicate all my activities
And all my life and everything unto You.

Gajanan Mishra
I Have No Name

This body might have name
Called king minister
Prince queen rich poor
Gajanan Christ Buddha Krishna
And eventually be called
Stool worms ashes
Through false-name no one can
Find real happiness
It is through works actions
One can get peace and happiness
And satisfaction
I have no enemy no envy
I have humanity mercy.

Gajanan Mishra
I Have No Name, I Have No Mother

I have no name,
I have no mother,
You are asking me and
I am giving the replies,
But you are no where to hear.

I have no food to eat,
I have nothing to wear,
No medicine to take,
Still I am alive here.

No knowledge to earn,
No behaviour to earn,
No roots, no fruits are
There with me, and
You are exploiting me,
I have no time to die.

As I am there
You are here
And yet you are
Firing me,
You are not able to
Know how you would be here
Without my presence.

Gajanan Mishra
I Have No Number

I have no number.
Ask me not for number,
Wonder not, If I am beyond number.

Gajanan Mishra
I Have No Objection

I have no objection to
Meaw with cats
If it is for public interest.

I am not afraid of dogs
If they are with thieves.

I am ready to cooperate ants
In killing poisonous cobra
Harmful to society at large.

Gajanan Mishra
I Have No Ponlard

I have no ponlard
But see, I have a pen,
Pooh-pooh not on me.

Gajanan Mishra
I Have No Rival

I have no rival,
I know it, my dear.
But no one is
Very dear to me.
No one is my enemy.
Why are you envious,
That I know not. Always,
But I wish you all good.

Gajanan Mishra
I Have No Time

Where is my God?
I have no time to search out.
I have no time as because
I have to check up my health
That is already in a broken stage
Due to Fast- unto-death
At my capital city
For use of my own language.
I have no time as because
I have to go in search of
Some work to earn something
To fill up my belly and
To go for shopping to
Purchase some clothes for my body.
I have to call some labourers
To repair my house before the rain.
I have to take my wife
To the open field to enable her
To take some fresh air.

Gajanan Mishra
I Have No Weapon

I have no weapon, see
And I have nothing,
No media person is here
To put any question.

Yes still I am here
And soaking the sea.
Yes I am here to
Counteract the sky
With all goodness.

I have my own religion,
Religion of poem.
And with it
I am going to you, my dear,
Beyond infinity without fear.

Gajanan Mishra
I Have No Work Here

I have no work here,
And this body has nothing to do.
I am not this body,
And nothing is mine.

Gajanan Mishra
I Have None To Look To

I have none to look to
Except Your greatness
Except Your grandness
O my dear, do what you
Like with me
Give me either
Mercy or punishment.

Gajanan Mishra
I Have Not Changed

I have not changed
Anything anywhere,
I have also no power
To change anybody
At any time,
But I must say
Change yourself, my dear,
But keep the originality
With you that is yours.

Let me smile, let me grow,
Let me love here,
Here is the sweet world
Of ours and not a place
of horrors.

Gajanan Mishra
I have not remembered,  
Whether I had accepted  
This life from the beginning,  
I have not remembered  
Whether I have given consent  
From stage by stage and  
Approved at this end.  
I know not the difference  
Between the sinful acts  
And the pious acts at this  
Dangerous fog in darkness.  
Still, I am suffering  
In spite of goodness for my ignorance  
And deprived of perpetual light.

Gajanan Mishra
I Have Not Seen

I have not seen the sky
Though passing like cloud
In the sky.
I have lifted the sea
Though sea is within me
Where I am going in.
Let the air come to
Witness box
And I do not like fox.

Gajanan Mishra
I have not seen a fool like you, man
You are here and doing everything opposite
You know what is white and what is black
And yet you are going yourself towards black.
Do you know what is black, if you know not
Ask me I am here to tell you the characteristics
Of black and also that of white that is in you.
Let me tell you also the nature of yellow and
Red that are before you here at the same time.
See me I am worshiping all the colors and
With all I am going to love you man, though
I know how fool you are here with everything within.

Gajanan Mishra
I Have Not Seen Yet

A single sun yet
I have not caught
Air yet
I have not touched
The sky yet
Yet I love you
I know you are the sun
You are the sky
You are the air.

Gajanan Mishra
I Have Not Seen You

I have not seen you
before them,
who are there in temples.
I have felt you
in my respiration.

I have not gone anywhere,
As I know
You are there in me.
I am trying to
search you within.

You are there
in the smile of the flowers,
You are there
And I am here only for you.

Gajanan Mishra
I Have Not Told

I have not told anyone
That I have written
This or that poem,
I know I cannot write
A single word,
I know words are not mine.

I know through your message
The color of the air,
And what you are doing there.
But it is not within my capacity
To know a creature called woman.

You may not called it poem,
But I know you are the poem, my dear,
And it is for you I have got this chapter.

Gajanan Mishra
I Have Nothing To Do

I have nothing to do,
But I have to stand
On the road and the road
Is ready to take me
There where I want to go.
I have no where to go
But I have to do
Here and hereafter to
Realize the truth
That is in love and
That is in life.
Life is the far greater
That anything my dear,
Come on and see it
In a common forum.
Let us keep ourselves
Detached from the so called
Possessions here and hereafter
My dear, for the sake of
Better future.

Gajanan Mishra
I have nothing to give,
I have no way to go out,
I have nothing to do,
Still I am here how
That I am not able to know.

I know not who is
And what is mine.
I know not how to
Address others here.

Still I am here
And I wonder
And I lost
My temper,
I know not
Its good or
Bad impacts
On me or
On others.

I feel nothing
And yet I am here.
The thing is
I am not here
For me
Or for others.
Still I am here,
The wish of nature.

Gajanan Mishra
I Have Nothing To Say

I am happy as you see
As before
I have nothing to say
I have nothing to take
I have nothing to happen
I am happy as you see
As before
I have no outward
No inward attachment
I am happy as you see
As before
I have no link
With anything
With anybody
I am happy as you see
As before.

Gajanan Mishra
I Have Nothing To Show You

I have nothing to show you
This is mine, as such
I have nothing and seeing
This you are smiling.

I am painting a butterfly,
The butterfly is yours.
I am falling to the ground,
The ground is yours.

I have nothing, not even
This life and seeing
This you are smiling.

You are smiling and
I am crying, I know though
Crying has no meaning.

Gajanan Mishra
I Have Nothing To Test

I have nothing to test
Right and wrong and yet
I am on this earth,
See my friends are
Here, the sky, the water
The air and the fire.
And I am with them
To live a life with
Love and truth
That is there for
All good and fair.
No need to test the love
That I know dear,
See me I am here.

Gajanan Mishra
I Have Planted

I have planted this tree
And I am here to cut it off.

I am calling you to join
And I am yours and you are mine.

There is nobody besides you
I know and you are nobody.

Gajanan Mishra
I Have Reached The Roof

I have reached the roof
And I am aware of the high,
I am also aware of the low.

Gajanan Mishra
I Have Received Nothing

I have nothing
I have received nothing
From my predecessors
How can I arrange
To pass something
To my successors
I have nothing
I have nothing in my
Possession and I have
Only oblivion
In any position
Beyond tradition.

Gajanan Mishra
I Have Rejected You

I have rejected you
Means I have shown
My own weaknesses and
Faults to you or I have
dared not to face you
At this time due to
My splits within.

I am under no obligation,
Long ago I have got
My liberation,
And hence I have no burden.
I am in my own profession
That is independent and
unique in nature.

Let me hear you,
And you please hear me.
Let us exchange our words
Despite different languages.
No trick would do anything
That is effective,
Simplicity only suffice.

Gajanan Mishra
I Have Saved Some

Meaningless poems
For You
That has confidence
That has trust
On You
And I pray
Stay there
With those poems
Till the end
And I know
You know
There is
No end.

Gajanan Mishra
I Have Seen

I have seen
Birth existence
Change growth
Decay and perish
I have stayed
In my verse
And hopped with
The sky above.

Gajanan Mishra
I have seen
I have seen you
And you are here
Before us.

You are asking
About the distance
And the distance
Is not there.

There and here
And everywhere.

Gajanan Mishra
I Have Seen Flowers

I have seen flowers,
And I have gone there.
What I have done there,
To tell and describe every
Tit bits is not good and fair.

Gajanan Mishra
I Have Seen You

I have seen you
And everything is changed.
Everything is changed
And power to see is
No more with me.

Let me strengthen myself
And rise to the occasion.
Let me think something more
And stay unperturbed.

My existence is not mine
That I know and yet
I am trying to establish
Myself before all by telling
See, I am here as per your vision.

Gajanan Mishra
I Have Seen You And

Here I have seen You and
Nothing remains unseen
I know this much here.

Here I am doing what You want
And everybody pleased with me
You embodies all living beings.

Gajanan Mishra
I Have Sinned

You told; I have sinned.
But what do you mean by sin,
You explained not anywhere,
And what you said in open,
You know not its consequences.
Therefore I pray to forgive
And to forget what you told.

Gajanan Mishra
I Have Something To Say

I have something to say,
Please tell me, if you know,
What is that?
I am speaking to you,
To you all the truth.

Gajanan Mishra
I Have Taken Birth

I have taken birth
To go through
Youth old age diseases
And decayed and death.

You are here to watch me
To love me and to stay
And with you I know
There remains truth.

Gajanan Mishra
I Have Taken Birth Only Once

I have taken birth
Only once.
O my dear, you are
given in marriage
only once.

Come, let us
Study together.
O my dear, let us see
How many feathers
this life has!

Let me test you
How faithful you are
At the time sun set,
How pleasing you are for that.

Gajanan Mishra
I Have To

I have to perform
My duty first
Fostering others
Doing good.

I have my own
Intellect power
Time materials
All provided by You.

O my dear
I have to serve You
As parents wife
Sons sisters.

No expectation
Of reward from
Anybody
Only claim on service.

I do not know
Whether my duties
Will add to the
Welfare of the world.

Gajanan Mishra
I Have To Act

For the welfare of the world, I have
To act without attachment and I have
To act as per strict scriptural ordinance.

Gajanan Mishra
I Have To Be Changed

I have to be changed,
But how I know not
And I am rushing to
Change my circumstances.

And the circumstances changed
With my coolness and calmness
And I enjoyed.

O, really I am
Glad to be alive
And I cheered, hip, hip, hurrah..

I have Changed my daily works
And they are not mine
With this thinking
I get up in the morning.

Gajanan Mishra
I Have To Cross

I have to cross,
Cross over this
Poetic life for good.
Good is here with me,
I have to cross, myself.

Gajanan Mishra
I Have To Discharge My Duty

I have to discharge my duty
Justly in a loving, respectful
And selfless manner for all.
My duty is to write, To write
In a truthful way with all sincerity
And without any sense of desire,
Selfishness and partiality.
I have not here to keep any
Superiority complex or
The inferiority complex
And I have to perform my duty
Just like the part of a machine
And I am not to blame or humiliate
Others and am not proud of.

Gajanan Mishra
I Have To Face You

O my dear, I have to face You,
And it is in fact inevitable.

Like act and fruit
It is I and You
And I accept and
Accept not You.

You are not separate
From me, I know,
You are what I am.

I belong to You,
I am Yours
It is the truth that is here
To solve all problems.

Gajanan Mishra
I Have To Leave

It is time to leave,  
I have to leave  
This place, my real  
Concern - truth  
Realization.  
But I know not  
Where it is.  
I know not whether  
The truth is here.  
But I know, poetry  
Is here and I am  
Enterapped in it.  
And poetry has given me  
Fearlessness here.

Gajanan Mishra
I Have To Make Sacrifices

Ultimately I have to
Make sacrifices, I know.
Ultimately I have to
Manage alone, I know.
I know you and your
Unpleasant attitude.
Still I am here
To work on dialog.

Gajanan Mishra
I Have To Remember

As a poet
I have to remember;
My words have to meet
The test of public good.
I have to bring the light
For all creatures here.
I have to do all good
Throughout my life.

Gajanan Mishra
I Have To Return

I have to return
To my mother,
To my home,
To my language,
To my destination,
To my death.
But death is
Not my ultimate point,
Again I have to return
From my language,
From my mother,
From my land,
From my home
To touch the sky.

Gajanan Mishra
I Have To Serve My Mother

I have to serve my mother first,
And this is my primary and highest duty.

Gajanan Mishra
I Have To Suffer

I have to suffer
At your hands
Your threats and blows,
As I am making friendship
With you knowing fully
That you have no
Sweetness of thoughts.

Gajanan Mishra
I Have To Teach My Son

I have to teach my son,
Cultural norms of love,
Duty and mutual care.
I have to give him knowledge
About brotherhood, neighbourhood,
Democratic ideology and life.
I have to teach my son under this sky
How to lead a good life on the path of truth.
But where is my son
I have to know first and
Search him out from the clutches of
Demons and evil power.
I have to admit, my son is
Within me and ready to come out tomorrow.

Gajanan Mishra
I Have To Write

I have to write,  
And I'm writing.  
And I have no time  
To see and see  
Who are there to read  
And to evaluate all.  
It's none of my business.  
And what I am writing,  
How I am writing,  
All answers are there  
In my writings.  
If anyone is interested,  
Let him or she come  
With love and express  
His/her feelings  
Through color, lines,  
Or through words.  
But I must say  
Life is there in all,  
Wherein I'm living.

Gajanan Mishra
I Have Told

I have told,
What I have seen.
The bird is flying,
The river is flowing.

The sky is there
And I have told
The colour of the sky
Is blue.

You are there, my dear,
And I told you,
I love you.

You are on the shore
I have seen you, dear,
Nothing to fear.

Gajanan Mishra
I Have Two Sons

I have two sons
East and west,
One wife - the air,
One mother - the earth,
One father - the sky,
One grand daughter - the water,
I, myself is the light
For all.

Gajanan Mishra
I Have Wings

I have wings
No power to soars
I have mouth
No power to speak.
Nothing is leaked
Except cough
Cough is here
In my own mouth.

Gajanan Mishra
I Have Wisdom

I have wisdom
I am writing poem.

I am not a child of market
I am not calling you to gossip
I am not writing a poem
To divert your attention
From main point of discussion.

I am writing poem for you
And you are reading my poem
With full seriousness.

Gajanan Mishra
I Have Written A Poem

I have written a poem
For the mother, but
The mother is illiterate,
Not being able to
Write and read,
But she knows better
How to love and
Treat others.

Mother knows well
The living strategic
And the magic of life
Through love.
All truth are there
With the mother
And the mother knows well
Where to use the truth.

I have written a poem
About the mother
And the mother has gone mad
And I am not giving
Proper care on this earth.
I can't say
Where is my mother at present,
And how can I tell you
The meaning of this poem.

Gajanan Mishra
I Hear I See

I hear I see
Both inside and
Also outside.

Music I am,
Air I am,
Space I am.

And I pass
In silent.

Ask not
To where
And from where.

I stay I move
I think life
For all.

Gajanan Mishra
I Hear More

I hear more than I see,
I see more than I speak,
I speak more but not
With the help of words
But with that of hearts.
Nothing to surprise but
Everything is to observe,
Observe minutely, observe
Your own senses who are
Not active when you are
In sleep. But see the power
Of my words, I call your name
And you wake up. I know, only
The words have an access to the self.

Gajanan Mishra
I Hear The Cry

I hear the cry,
The cry of my
Mother, my
People, my
Language here.

I want to do,
Do something
For all, but
Not getting
Proper scope.

I consider myself,
Non-entity for
This earth, for
This sky.

Gajanan Mishra
I Hear Your Call, Mother

I hear your call, mother,
I hear your call.
I observe the whole atmosphere
Is full of calls.
Let me sing your glory, mother,
Let me sing your glory.
I care not the winter
or the summer, mother.
I care not the rain
Or the sun.
I am your son, mother,
I am your son.
I beg pardon,
Pardon me, mother, pardon.

Gajanan Mishra
I Hear, Hear Your Voice Here

I hear, hear your voice here.
You are calling me in love,
I hear, hear your voice here.

Gajanan Mishra
I Heard Nothing

I am deaf.

I know nothing
I am affected by irreligious practice.

Ultimate goal of my life
Is far away from me.

Gajanan Mishra
I heard the cry
in the jungle,
I tried to know
the reasons.
It is for attachment,
Life said to me.

Life is not mine,
and I know, it is
wrong to say
I am living.

I am not able to
see the right,
Only because of
perverse understanding.

I failed to realize
the truth here,
only for
sentient nature,
and I am untrained
I am the earth.

Gajanan Mishra
I hereby know the reality about you,
I perceive you as established in me,
I know you through my own experience,
I know the essence of my life by easy
methods for the realization of the truth.
Your description and that of mine are
But the same and one here at this time.
I hereby close the evidence of my side,
It is you to say what would be there
In between you and me at the disclosure.
I know you since you are worth knowing,
I hear you since you are worth hearing,
And for this, I came to this field for
The reason, known to you, basic truth.

Gajanan Mishra
I Hide Myself

I hide myself
In the hide-and-seek
Game of this open field.

Gajanan Mishra
I Honestly Don't Know

I honestly don't know
What a gamble is,
But definitely I can
Say poetry writing is
Not a gamble, you can
Write all or any things
And still, fall not short.
Honestly I can say
Poetry has all the answer
Of life here and there.
Is poetry writing a
Selfish or a selfless
Endeavour, that I can't say,
But I must say it is a dream
That is to be realised.

Gajanan Mishra
I Honor Your Will

I honor your will, okay!
And you have pardoned me
For my faults.
I am not in distress now,
I am happy as ever, you know.

Gajanan Mishra
I Hope And My Hope

I hope you would be present always
Here with me and my hope is not
Against hope as it seems.

I believe not in concoct imaginary
In any material qualities in any elements
And in any outward attractions as it seems.

I hope not anything from illusion
Or from the stage of Shakespeare
That is absurd and at the same time meaningful.

Being a practicing writer I am trying to
Remain pure as far as practicable and
I am trying to give loving service to all.

I am not telling beyond my jurisdiction
I am truth conscious.

Gajanan Mishra
I Hope And My Hope - Truth Conscious

I hope you would be present always
Here with me and my hope is not
Against hope as it seems.

I believe not in concoct imaginary
In any material qualities in any elements
And in any outward attractions as it seems.

I hope not anything from illusion
Or from the stage of Shakespeare
That is absurd and at the same time meaningful.

Being a practicing writer I am trying to
Remain pure as far as practicable and
I am trying to give loving service to all.

I am not telling beyond my jurisdiction
I am truth conscious.

Gajanan Mishra
I Hope I Hope

I hope I hope
You will come
You will come to me
To take me.
I hope I hope
I get success
As I am non-envious
As I am equipoise.
I hope I hope
Your mercy is here
And I feel happy
With You.
I hope I hope I will
Enjoy real peace here at this time.

Gajanan Mishra
I Hope, My Poems Are Here

I hope, my poems are here
And on reading on my poems
One may purify his sentiments
And can realize the truth
That is here in life.
Some doubts and obstacles
May be removed on reading
The poems that are written by me.
And I am coining the words
Keeping in view the universal
Thoughts that are there
Within all creatures, I feel.
I feel very happy and satisfied
While writings the poems.

Gajanan Mishra
I Install Myself

I install myself
And this is my image
You can find in this
Beautiful poem
In this beautiful
Flower garden
In this green field
In this market complex
In this town and village
In this air
In this water
In this sky.

I install myself
You can touch me
Right now
You can talk me
Right now
You can give me
Anything as per
Your capacity
As per your
Capability
As per your will
I have no objection
In anything.

I am not fearful
O my dear, come to me
I am yours for ever
O my sweet heart
With you I can
Cross the ocean
I am your good friend
Come to the inner altar
I am yours for ever.

Gajanan Mishra
I Invest

I invest my all
Thinking feeling and willing
 Entirely in You
O my dear, see me
I only desire to
Go home where You are
I know You are my love
You are above all laws
You are never conditioned
By the laws of this material world.

Gajanan Mishra
I Invite All

Let me invite all,
All men here
To dedicate your life,
For your own language.
For the development of
Your own earth.
Dedicate your life
To the service of your mother.
Come on my dear, join us,
We are all here to
Welcome you, nothing to fear,
You are our own brothers.
We are here to destroy
The dark, together.

Gajanan Mishra
I Invite You

I invite you
to follow me,
I know though,
Always it is
not possible.

I have no existence
And I am in peace,
You exist and
Therefore you are
In trouble.

There is no doubt,
There is no uncertainty
And yet we live,
Making explicit the implicit.

Gajanan Mishra
I Just

I just want to live
I just want to love
I just want to see
I just want to walk.

Walking is life
Loving is life
Seeing is life
Life is to love.

I just want to live
To love and loved
I just want to live
To love and to love.

I love you I love you
And I want to stay with you
I love you I love you
And so I want to walk with you.

Gajanan Mishra
I Keep On Going

I keep on going,
Keep on going in love,
What is that love,
I want to know.

I want to know
How the love is going on
With us from time to time.

I am going on the path of love,
And love is watching me day and nights.

Love is truth for me,
I want to test the truth
Through love.

Love is here with us,
We are in love.

Gajanan Mishra
I Know

I know my strength
I know my weakness
I count my time
I count my space
I call you again again
I remain silent
I sworn in an affidavit
I change my name
I forget my joy
I forget sorrow
I forget who am I

Gajanan Mishra
I know a bad carpenter
Quarrels with his tools.
And how to know
Who is a bad carpenter,
That's difficult to say
On my part, my dear.

Let me clarify
The word bad is
Ab initio void.

But let me
Say ad interim
That I am
Not therein.

If you know something
You may come forward
To explain what is what
And declare
You have won the war.

Gajanan Mishra
I Know A Bird

I know a bird that tweets
Every morning every evening
At my terrace
I know the bird is now hungry
If you like you may go
And see and give some water
Giving some food and water
Is not a big thing
Great work is that how far
You are able to make the fly
On its way to living.

Gajanan Mishra

Daughter-in-laws and
Grand-sons/daughters
But I know not
How to adjust with them.

I never exist
I never exit.

I know but little
I know but little.

I have my own
Symbolic reference.

I understand nothing
I understand nothing.

That is but affirmation
Of oneness and oneness.

I know but little
I know but little.

Feel me see me beyond
The cycle you know.

I am the reliable authority
And the reliable authority.

Profit, it is sure,
But I want to stay pure.

Between you and me
There is no difference.
I am nothing but the Truth.

Gajanan Mishra

Nothing heard or seen, nothing
In the present, past or future
Nothing moving or non-moving
Nothing great or small

I know You are Supreme
And I am fortunate You are within me.

I Know Happy Christmas

I know happy Christmas is
Coming with ice and snow.
And we are here to make merry,
We know it will carry cheer
And spring for us in life.
We know English calendar year
Is going from us leaving
The space for new one and
Telling goodbye with all colds,
But warm with love and care.
Love- rare to achieve,
Truth- rare to discover,
Life- rare to get back with time,
And time - ready to take us
From dark to light,
From hell to heaven,
From earth to sky.
But it is our duty
To fly at least try to fly.

Cause danger.

Absent from here and there

And no activity to perform
No agent is there to help
Still I am eating drinking
Coming and going and telling
Different stories in same manner.

I do not know how to express
What and when and to whom
I am duty bound to tell you
Everything here like this
In various occasion and to

And just to compose a poem
To show you my presence.

And getting all bliss,
I enjoy my life
residing with mother,
No sorrow can touch me.

Love, truth, compassion.

Sky and moon and birds
and my mothers enable me
to open my mouth,

That I know.
Know and feel love
And get everything.

Enviouness is there
Within you
Let me tell the truth.

I know not what is an era,
But I know her.
I know to honor her,
The flag lowered.

Bus services suspended.

But she is there
And people are calling
Her Amma, Amma.
What is she?
Where is she?
Who is she?

Gajanan Mishra
I Know Not What Is Past

What is future, my dear
I know I am in this position
Now here.

And I am fine, see me
I am fine as You are with me
I am fine with You here.

Flowers fruits for the welfare
Of all and here I have nothing
Else to do except remembering You.

And You are present always
That I know and I know
You have no past and no future.

Gajanan Mishra

Ask me not what is death.
I am living to the best
Of my capacity and I am
Far away from that, see.
See, I am smiling,
See, I am talking,
See, I am dancing,
See, I am with You,
With this life and
Making merry and busy
In merry-making.
Only I am in need of love,
I need care and attention,
And I look on life
A liberating adventure,
O my dear, see me
In all sights, in all picture.

Gajanan Mishra

And you blossom and you dance
With all sweet-sense
And I know, my dear, your love
And your innocence.
This world is for you
In its morning light, my dear
And you are kissing the sky
With your music with your smile.
I know not what you are, my dear

The destiny and the eternity.

At every moment without
Taking a pause.

Want it back.

Life, life, life,
I want my life back,
Space is there to search,
Birds are there to sing,
Clouds are there to rain,
I am there with all
To take back my life.

I want my life back,
With the wind of summer,
With the water of the Ganges,
With the light of fixed-star.

I am there with all
For the reason of all good.
I am with them to
Show them all the truth.

I want my love back,
I want my life back,
While going from one
Top to another of this
Mountain ranges.

My profession my village
All are false
You are to say
What is true.

You are one and
The same that I know
In different forms
You are perfect
And you are truth
And you are life's norms.

Gajanan Mishra
I Know What You Are As In The Sky

I know what you are
I know what you are going to say
I know rest is okay minus this sky
This sky is mine only mine.

First offer your obeisances
To all here and all are
part and parcel of the sky
The sky is mine only mine.

By the grace I have reached here
In the midst of the sky
And the sky is asking me nothing
And I am writing nothing.

Gajanan Mishra
I Know Where Are You

I know you are not here
To leave me
You are not only mine
I know this also
And I am with you always
Doing all your works
With much enthusiasm
I know you are the work
And you are doing it
For me and I am yours.

Gajanan Mishra
I know who you are,
But I will not tell.
Telling some words
and searching the meanings
Are useless unless
truth is discovered.
I know what is truth
But I cannot tell.
Only fools can utter
and proved themselves
worthless as they
forget love here.
The tragedy is life and
let us say it is just comedy.

Gajanan Mishra
I Know You

I know you
I think of you
And I am here
Getting you.

Gajanan Mishra
I know you all here,
O men, I know all about you

In Truth and who has no changeable feature.

Gajanan Mishra
I Know You Are Around Me

I know you are around me,
You should also please,
Take it granted I am
Within you, I am around you,
I am always with you and
In all sides of yours.
Without you how can I stand,
And without me you
Cannot stay here for a moment.
I know my dear, it is
The season of our union,
It is cold, it is hot
And we want both at the same time
Here, please not.

Gajanan Mishra
I Know You Are Calling Me

I know, You are calling me.
But calling for what that I know not.
I am doing here my own duty
And that is conducive to the welfare of all.
Is my any action futile?
Can any one say extravagance?
Is my any action taking me to bondage?
See me, test me. No stumbling block is here or there.

Gajanan Mishra
I know you are coming
And so I am preparing myself
To go with you, my dear.
You are coming and I am sure
You are taking me within a moment.
Everything is going to change
Within a moment.
No more the sun will rise,
No more the wind will blow,
No more we will be together.
Still my dear, I am here,
To receive you in all
Changing circumstances.
My friend, hesitate not to come, please.

Gajanan Mishra
I Know You Are Coming At Last

I know you are coming at last, 
I care not whether your coming 
Is, my dear love, slow or fast.
But you are coming, I am sure,
And you are coming to judge me,
How I am living with care.
The place and time is the same 
And the one when we meet together, 
It is fixed previously, my dear.
Yet I am aware with your coming 
And I know it is you to put me 
In profit of life with your love. 
Love, I know only there between 
You and me. I know you are coming.

Gajanan Mishra
I Know You Are Everything

I know You are everything
I know whatever I do whatever I eat
Whatever I write whatever I sacrifice
Everything is for You, it is to You.

And I am able to see You my dear
Here at this hour with faith with sincerity.

Gajanan Mishra
I Know You Are Giving Up

I know you are giving up
All relationship very easily
After the death of your near and dear
But let me not say you wise
As I know you are selfish.
If you are really in principle
And obeying the rule of
Forgive and forget
Then it is praiseworthy
And to you I must give credit.

Gajanan Mishra
I Know You Are Here

I know you are here,
I know no one is free from you.

You are not there to wait for anyone,
I know nothing can help me to know you.

Who is the truth here? you or I?
The air or the sky?

Without giving up anything
I can't utter a word related to you.

Gajanan Mishra
I Know You Are Perfect

I know you are perfect,  
You are supremely perfect,  
I know you are with us  
And making us happy.

In an ecstatic mood-life's truth.

Gajanan Mishra
I Know You Are Sinless

I know You are sinless
I know You are fine and ideal
And You are an asset

At this time and for all time.

Gajanan Mishra
I know you as protector, my dear
You are my doctor, I know the word
Destroy is not in your dictionary.

Here is the truth on this earth
You are to discover in presence of all
O my dear, falsehood is far away from You.

I am on this earth see with this body
Fully sacred and full of nectar
O my dear, You are the ultimate proprietor.

Gajanan Mishra
I Know You But

I know You but who are You
Why are You here That I am asking You
What are You doing here in this light in this dark
That I am asking You and You are remaining silent.

You are remaining silent and I am in dark
Is it Your mystery when it see me that bark
I know what I know please don't ask
I have no voice no language I am working as clerk.

What I see what I hear all are nothing but truth

But you cannot live
Without me.
I am what I am always
But you are changing
In shape size and colors.

Gajanan Mishra
I know you call your father uncle,
Who is father and who is uncle,
I know you know not the difference.
You have forgotten your mother,
And your brothers I know and
I know you are there to align foreigners.
Are you not made with your earth?
I know not what you desire.
Still, let me wish a refreshing good morning,
Enjoy life afresh, life is rich in taste
And love and truth and all just things.
All good let me wish here with delight,

And I know you are there to play
And to prosper and you are ready

And I am here to help and
Co-ordinate you for further
Development of the earth
In this span of life here.

Gajanan Mishra
I Know You Live By Habit

I know you live by habit,
Habit is nothing but living.
Habit itself is not good,
Say never I am living.

Never fall in to days, months
Years as they are not yours.
Go to the river edge and
Observe what the earth is telling.

Neither water not air
Is your enemy
But it is you who knows not
What to do, when and how.

See the bird there, thanks God,
It is still fine and fair.

Gajanan Mishra
I Know You Must Get Success

I know you must get success,

Who has invited
Not light but
Darkness and all.

Is disappearing
And no delusion at all.

Whatever I am doing, doing for you only
The cause and effect all are yours

As You are the soul creator, soul destroyer
And it is You who is maintaining everything
I have no craving for anything here
It is you to decide each and every matter, here
O my dear, let me stay with you as yours for ever.

Gajanan Mishra
I know you, my love and
I mark your activities here. And
You are to know what you are doing.

Gajanan Mishra
I Know Your Heart

I know your heart - pure,
But your mind?
Let me clear - dirty.

You are available
In summer but not

In my dream,
And I'm with you.

I sign in your book,
But not understood
So far.

I know you are always
Taking words from my mouth.

Gajanan Mishra

I know it emits
Waves of poison.

I Know, What For This Flower Blooms

I know, what for this flower blooms in the morning. Flower is flower, what is there in name and why are you asking the name?
Give any name if you so wish.
But this flower has not won my mind and heart- not a fact.
Look, look, the soul of this flower is in deep and calling me, dear.
I know, this flower sings in breeze on earth. This flower sings when the river overflows. But no chance to keep the flower intact and I am unable to call it mine. But see this flower is flowing in my veins.

I am learning how horripilation the pain is from this flower in the quicksand of time.

Gajanan Mishra
I know, when you are
There with me and
You protect me,
No one else can
Do any harm or

Or kill me,
No one else is
There to protect me.
I love you, I know
You are the only truth.

Here, We are for all
But nothing is ours
No one is ours.
We are here with nature
And nature is changing
But we remain unchanged.
We are searching our

Though we are nothing.
Nothing is useful for us
And we need nothing
For us as we know
We are nothing.
Nothingness is everything.

I fear as I lack true knowledge.

Gajanan Mishra
I learn so many things
From my shadow.
Lo, it is there,
Let me call her.

For me?
I feel not,
So far.

Opportunity is still
With us to keep the truth
Without any reservation.

For a clean
And bright sky.

Go and bring, and say hi.

Of men.

What ought to do
Let me tell the men.
For the better living,
Let me explain the routine.

Men, the best creatures,
I salute men for
The achievement here.

Men appear,
Men disappear
But the manhood usher
For the future.

Loves to live
With other gentlemen.

In this valley.

Dream-love lotion.

Gajanan Mishra
I Love Macro

I love macro,
I love micro also.
I know, I am an individual
Within this cosmos,
I know, the cosmos is
Within me.
In fact, there is
No micro, no individual,
There is the only universe,
The cosmos.
But my dear, the individual
Is a cosmic matter,
It is one and
The same here.
Individual is just
Like the wave in the ocean.
You are here my dear,
In the form of the universe,
The cosmos.
And the cosmos is
An individual for all
The welfare of all.

Gajanan Mishra
I Love The Poet For Ever

Words are the strength of the poet,
Words are the root of knowledge,
But I want to live without words.
The birds can forsake a fruitless tree,
The subjects can leave a helpless king,
The guest may leave the house after taking meals,
The scholars may leave the teachers after completing education,
But I love the poet for ever who writes poems without words.

For ever by all
And where is your
Beatrice your love
Really for Beatrice
I am also in distress
And grief.

With Beatrice you enjoy
The hell the heaven
And also the earth
I know you optimist
You wanted everyone
To follow the path of
Right conduct.

Rightly you have
Declared vanity
Hatred laziness greed
All as sins
O giant, I salute you
As you appealed
For Mother and mother-tongue.

Gajanan Mishra
I Love You Dear

I am no more your father
But the air failed
To support me here.

So many words in
So many style uttered
By the sea but I move not.

Who am I and what am I
Ringed in my ears but the star
Said in reply I love you dear.

Gajanan Mishra
I love you in order to
make you free, when you are trapped.
I love you in order to
make you free, when you are attached.
Here with you, I have seen
deluding potency and I want you
to be liberated from illusion.

Of my future, on which I see
The light of my forefathers.

No one is fit to be compared with you.
You are there with the power
To bear all whatsoever the matter.

I love you, my dear daughter,
I love you, for you are the creator,
Creator of nectar with no anger.
You have the wealth of ornaments
Like tolerance, forgiveness,
Bangles like caution bell and
Beautiful armor like truth and love.

You have taken the human form,
My dear daughter, on this earth,
But actually you are the goddess
Of all strength and you are there
To give a lesson to mischievous one.

The world is yours, my dear daughter,
Come on and build this world with

I love you, I respect both manhood and womanhood,
I love you, in return, you are there to
Give me all valuable presentations.
I know my love is far beyond attachments.
I know my love is not in any personal interest.
I know my love is for deliverance of justice,
That is not partial at any stage.

I love you, the only truth of my life,
I love you and I am ready to engage myself
In your devotional service.
I love you, and I want to be glorified.
I love you, and it is not difficult on my part
To understand you on this earth or beyond this.

I Love Your Graceful Gestures

I love Your loving words
I love Your sidelong glances

I desire Your company in eating walking resting
I know when I am with You and You are with me
The inviolable power of death holds no way.

Gajanan Mishra
I Love, I Love Both

I love, I love both
Black and white.
It is you to decide
And sign agreement
In black and white.
But in love no needs,
Let me clear from
The very beginning.
Love needs also
No presence here
Or anywhere.
I love, but my love
Is real, it is real
As I am a practical man.

Gajanan Mishra
I Love, I Love Life

I love, I love life,
Life is most important
For all, at all times.

I love truth,
Life is nothing but the truth.

And what is the truth?
The truth is nothing, and
Nothingness is life, I love.

Gajanan Mishra
I M Taking Everything Away

I m taking everything away
That are mine for my self-interest.
And I care not the effect.

Gajanan Mishra
I Make You Understand

I am trying to make you understand
But you failed to understand.
And you are accusing others
Though it is your own brain, own mind
Who is the main culprit here.

Make your brain first in order
Keep your mind always as a listener
And then see what is happening
And how it is happening without
Putting any question.

Gajanan Mishra
I Map Out

I map out
What to do
With the truth.
The truth is here
Before me
And I am far away
From worldly intelligence
And I know
What to do
With you.

Gajanan Mishra
I Marched Forward

I hope to stay,
And the sky leaves me.
Leaving the sky
Is not so important
When I am present.
I marched forward
Leaving the sky,
And I observed my
Own life in my own light.
Nothing to worry,
I said myself and
I recite my own poetry,
In my own home,
That I declared heaven.

Gajanan Mishra
I May Die

I may die
By accidental misfortune,
By falling from the top of
A hill or a house,
I may die
By slipping and suffering
On the road,
I may die
By a serpent bite,
By a weapon,
Or by high fever.
Whatsoever I am going to
Quit my body,
It is but sure.

Gajanan Mishra
I May Forget

I may forget everything
Due to change of
Time place circumstances
You are sitting within me
Fixed and for all times
You know and remember everything.
O my dear, I know You are
Giving me impartially what is
There to get my dues
Nothing to react for that
If any reaction is there
That would be also judged
By You as the sole witness
O my sweet heart, make me enlightened.

Gajanan Mishra
I May Not Go

I may not go
With my same joy.
But I must go
With my
Beautiful poems.
Find not strange
But all are
But natural with time.

Gajanan Mishra
I May Not Reach You

I may not reach you,
But I am sure, my words
Surely reach you for
The fact that my words
Have wings that are
Given by you.
And through these
Wings of love
I can knock
The door of truth.
And I know you are
There with all light
And ready to
Open the door.

Gajanan Mishra
I mean I understand nothing,
I understand I live.
I live with me against all odds,
All odds are here in me.

Nothing foreign to me,
I know all and little by little,
I make them understand
The air the water the earth, the sky
And also the light here.

All are one,
One in all,
The entire cosmos.
And here each one is sovereign,
I know no different.

Gajanan Mishra
I Mean To Say

I mean to say
Let this body
Move without soul.
Let the soul wander
Here and there
To find the body.

Let me correct my version
About the body
That is with me now.
Let me call the soul
Again and again and
Yet in another version.

I am shocked
I have lost my identity.

Gajanan Mishra
I Means Not This Body

I means not this body
And this body is a means
To love you for the highest good
Human birth is the beginning
And end of all birth
Man is destined for salvation
I am a man and I have this body
This body is a means to love you
And through love I can attain you
O my dear you are the ultimate truth.

Gajanan Mishra
I Meditate Upon

I meditate upon
The truth,
The language,
The mother earth,
The mother.

And I feel
The vibration of
The sound,
Eternal,
Auspicious.

I am in the area of
No confusion, but
I am under
Love's protection.

Gajanan Mishra
I Miss You

I miss You, my dear, here
Here You are with me
Here You are in me.
I miss You, my dear, here
Here, I am not in clean sky
Here I am always in fear.
O my dear, Let me remember
Who am I and where I am going
With You at this time.

Gajanan Mishra
I Missed Everything

I missed everything
Waiting for fresh words
Here with you at your house.
While inaugurating new life
In new year, I confused
The light herein and
Became wordless describing
The truth here.

Gajanan Mishra
I Must Again

I must again
Go to revolt.
I understand
Another revolution
Is a must
For the sake of
My mother and
Love of the land.
I must again
Go for truth,
I must again
Go to discover you.

Gajanan Mishra
I Must Go

I must go to him,
The real source of
Love and happiness
And enjoy life
For all time.

I have full faith
On him
And he is here
In me.

I maintain myself
Whatever comes
And I accept
The benefits
Bestowed upon.

Gajanan Mishra
I Must Go And Go

I must go and go
Deep and deep
In deep in deep in deep
Only I can find white
And white and white.

I have my own sacred thread
My own water marks
My own peace and non-envious mind
I have my own austerity
And my own internal external creativity.

I have created my own identity
With transcendental swan
With wings very beautiful
I am my master my controller
With a distinct spiritual kingdom.

I must go must go and must go
With all love with all truth
Deep deep deep and deep and
In deep I discover myself with You
The Supreme Truth and that is I myself.

Gajanan Mishra
I Must Know My Need

I must know my need.
What is that need?
But I need nothing
Except your love.

I know everything is
There in love.
Love, love, love,
I can live in full there.

But I have to know
The common cause,
And I must fight
For all good.

Gajanan Mishra
I Must Not Be Forced

I must not be forced
To do this or that,
To produce this and that.
I know no one is above me,
I am a free bird,
The entire sky is my jurisdiction,
The earth my place of residence,
The tree, the mountains, the field
Are my places to stay and play.
The ocean, the river, the streams,
Are the store house of water for me.
The unpolluted air is my right.
Whenever I like I would sing
Dictated by my good wish.

Gajanan Mishra
I Must Quit

I must quit
Everything
That is here
With me.
And then only
A right would be
Generated to
Love you.
Mere telling
I love you
Has no meaning.
Let me know
The things that are
With me have no meaning.

Gajanan Mishra
I Must Say

You are a fool
If you miss my poems
And I must say
You are going away from truth.
Nothing remains of you
If you are missing me
In my poems
And you are really
A fool that I must say.

Gajanan Mishra

I must say
I know what is poem
As because here I live.

And admit, you have lost identity, without Him.

Gajanan Mishra
I Must Strike

I must strike,
I must strike my enemy
But at his strong spots.
Let me proclaim love,
Let me show respect
To my enemy more and more.
I know my enemy is not
The fire of the forest.

Gajanan Mishra
I Must Try To

I must try to please You
In all respects, my dear
And when You are pleased
With my, my dear
I can receive all necessities.

Gajanan Mishra
I Must Win

I must win,
I know it is
Only I who is here,
Alone I am
In this lonely place.
Shut not the door
I said to me
And marched on
Towards the sky.
I must win
Said the sea
Looking at me
At this time.
Under my seal
And signature
I write everything
I know though
These writings are
Not mine but yours.
Like a child
I wonder here,
I play with mice
And cats,
I wander
To and fro
For nothing.
I know nothingness
Is my capital.

Gajanan Mishra
I Must Write

I must write
As I know
You are reading me.
You are reading me alone,
And it sufficient for me.
As sufficient as the moon
At the night.
As sufficient as the sun
In the day.

I know, you are
Everything for me,
My love, my hatred,
My passion, my jealousy,
You are my ultimate end,
My soul and my friend.

Gajanan Mishra
I Must Write-Life

I must write,
Writing is my work.
I must write,
I care not,
I focus not
Who is there
To read
To analyze.
My primary duty
Is to write.
I must write.
Let me write
About my earth,
My life.

Gajanan Mishra
I Myself

I myself am
Standing before you.
See me.

You yourself are
Calling me all times.
See me.

It is none
But you and I
Are here with the world.

The world is
Watching us, see.

In this world
What we see, we hear
Are not complete and full.

Gajanan Mishra
I Myself - A Deduction

I myself is a deduction,
Deduction from the root,
The root is the ultimate Truth.
I am pregnant with
So many meanings and
You can understand all
The meanings at a time
Through the power of love.

Gajanan Mishra
I Myself - The Light

No need of light,
I myself - the light.

Nothing is valueless,
All are good and
Have great value.

I am a garden
Where on can
Find full of
Birds, flowers,
And fruits.

All are good
And all are here
For the cause of
Love and truth.

Gajanan Mishra
I Myself Am

I myself am
Standing before you.
See me.

You yourself are
Calling me all times.
See me.

But you and I
Are here with the world.

The world is
Watching us, see.

In this world
What we see, we hear
Are not complete and full.

Gajanan Mishra

Here in this place.

Gajanan Mishra
I Myself Can Do Anything

I myself can do anything
I myself can do anything.

I myself can do anything
But when you are with me
But when you are with me.

When you are with me
I can do anything, anything.

Gajanan Mishra
I Myself Can Not Do Anything

I myself can not hear and can not do anything, I know
It is my ear, who hears praise honor blessing melody poems
It is my ear who hears blame dishonor curse abuse
My ear hears good news at the same time bad news.

I myself can not see and can not do anything, I know
It is my eyes that sees pleasant and unpleasant scenes
I myself can not touch soft or hard, hot or cold
I myself can not taste bitter pungent sweet sour salty.

In no way I am affected by hearing seeing tasting touching
Etc etc as I have no role to play in them and so
No body can punish me for any wrong done by anybody
I am in no way related with them who are independent.

Gajanan Mishra
I Myself Is Enough

I myself is enough
to do this work.
You cannot do anything
that I know from the start.
I am here to get
my own success.
And you have nothing
to do in any matter.
I am here to conquer
You are just to see.

Gajanan Mishra
I Need A Chanakya

I Need a Chanakya for my land,
Who can free the the earth
from Dhana Nandas.
Let all corrupt persons be
put to jail and punished
as per law.

Gajanan Mishra
I Need Both

Both, favorable and
Unfavorable,
Both are needed
To achieve perfection.

I know, my dear,
You are pure and holy
There is nothing called
Grieve in Your dictionary
And You take my suffering
To make me happy.

This life is meant
For the good of others
Even though they do wrong.

Gajanan Mishra
I Need Education

I need education,
Neither literacy
Nor degree.
I want to fly
But not
Within the sky.
I want to take rest
But not in words
Or in the fire.
I want to go
With the air.
I want to talk
But with whom
I know not.
Dew, grass, dust,
All are my teachers.
I want to take food
But for what
I know not.
Ears, eyes, hands, legs,
Are in proper form,
And I want to take them
With me for others.
The street is there,
Birds are there,
And I want the wings,
I want to learn swimming.
I want to see life
In the evening and
Also in the morning.

Gajanan Mishra
I Need Love And Nothing Else

Without true love,  
It is all darkness.  
No use of knowledge  
Without true love.  
Happiness is there  
Where there is love.  
Men or animals or birds  
They are all happy with love.  
Love is the basis and  
Plinth of life structure.  
Love, love, love and love,  
Only love can take you  
Where you want to go, dear.  
I need love and nothing else.

Gajanan Mishra

For my daily need,
For my survival.
I need knowledge
To know the truth,
Truth of life.
I need love,
For my living.

Gajanan Mishra
I Need No

I need no
I need no evidence
In Your presence.

You are present everywhere
That I know from the singing
Of the bird and blossoming
Of the flower and dancing
Of the stream and sitting
Of the sky.

I am in need of You
And You are here I know
I face no trouble to
Find You out from this forest
And from anywhere.

Whenever I call You
Then and there You
Uncovered Yourself
From the dust and
You assured me Your
Presence is a must.

Gajanan Mishra
I Need No Apple

I need no apple
Either from the sun
Or from the moon.

But I am in need
Of your love
And the truth.

I want to walk
With your kiss,
I want to run
On your field.

You are there in me,
I am there in your sea.
I am the stream
Flowing through your valley..

Gajanan Mishra
I Need No Assistance

I need no one's assistance,
When I seek you, besides
That of yours.
You are not a matter
That I know my dear,
And I observe discipline
And this discipline is
Aided by my inner faculty.
I realized you, my dear
Without any breach,
And I know it is my
Experience of life
And reality. You are
My truth and life.

Gajanan Mishra
I Need No Fame

I need no fame,
I know, as Motherwell said,
Fame- flower upon a dead man's heart.

Gajanan Mishra
I Need No Fruits

I need no fruits,
It does not mean
No action is to be done
by me. I am here
Only to perform actions.

Gajanan Mishra
I Need No Honour

I am not in need of honor,
Take away your honor
If you have given any.
And let me stay free
To do any act suitable
To the place and time.

Do you think by giving
An honor I will act
As per your whims?
If you think so,
I must say you are wrong,
YOU are mistaken.
And you have no capacity
To understand me.

Leave me alone,
Let me give a chance
To do my business
On my land and tackle
All situations freely,
Impartially without any
Preconceived notions.

Gajanan Mishra
I Need No Language

I need no language,
But I am in need of
Some food and water,
A piece of cloth
Is also required
By my body as cover.
Utter not any word, but
Before me please appear.

Gajanan Mishra
I Need No Light

I need no light.
See me, my heart
Bedecked with jewels
Like love and truth,
And I need no lamp light
Even during the dark night.

I need no charming flowers.
See me, my life is nectar,
With all happiness and
Sweet words, and
My poems are festoons
And artistic works
Of variegated colors
With life fabrics.

Gajanan Mishra
I Need No Long Life

I need no long life,
Strong senses and
Stamina as well.
I know the truth,
And I desire nothing.
But let me allow to
Go on pilgrimage, that
Would be beneficial for all.

Gajanan Mishra
I need no one's help  
To accomplish my task.  
Let me clarify- this is  
Not my ego but  
It is the fact.  
I am self-sufficient  
From the very birth.  
I can do anything  
If I wish.  
I can construct,  
Reconstruct anything,  
I can also  
Destroy/ demolish  
Anything just in a smile.

Gajanan Mishra
I Need No Other Thing

I need no other thing
But love.
I want to know no
Other news but the truth.
I want to stay with
No other person but you.
My name is everything here,
And I belong to this earth.

I am a living man
I smile, I laugh,
I wonder, I glance.
I am a living man of this world,
I am blessed but a living mock.
I know the truth but living with falsehood.

Gajanan Mishra
I Need No Qualification

I need
No qualification,
I need
No knowledge.

I just
Want to stay
With me.

For me
Unity and
Diversity are
The same.

I just
Want to stay
Where I am.

And in me
I see myself.
Here in me
I find
No light
But everything
Is lighted.

Here in me,
I am with me,
And I need
Nothing.
Only I am
Going on
Expressing myself.

Gajanan Mishra
I Need Nothing

I need nothing
I have no desire at all
I am totally independent
And I am declared victorious.

Gajanan Mishra
I need nothing
Means it is death.
Death needs nothing.
It is life that is
In need of food
That is in need of water
And also in need of air.
Give everything to those
Who want to live.
Living with so many things
Is life, my dear.
But till my dreams are
There and still my faith is there
I am not dying.

Gajanan Mishra
I Need Nothing But You

I need nothing but you
I totally depend on you only
My dealing with you is fair
see with respect and courtesy.

O my dear, I pray to free from
from the stupidity of hope
from belief and from
dependence on the material world.

Gajanan Mishra
I Need One And All

I need one and all,
I am one and all.
I am united,
I am departed.

Waves of love-
And I am therein.
Death rows,
And I am therein.
Torrents of rain,
And I am therein.

The tiger and the cow,
All I am, I am all.
I am the air I am the water,
I am all, let it be cleared.

Without me, nothing.
I am nothing, filled, though.
Rain pouring on the sea,
Nothing fruitful, though.

Infinite light,
All within me.
And life enchanting.
I am the life,
And life without me,
No meaning.

Gajanan Mishra
I Need Pain

I am in need of pain,
I know, it is not pain,
But it is the process,
The process of progress.
Where there is progress,
There is change. I know,
Without change how will
A seed grows into a tree,
A fool becomes learned,
A patient becomes healthy,
A baby becomes a youth.
I know natural change
Leads to development.

Gajanan Mishra
I Need Some Food

I am in need of some food
After taking something
I will listen your love story.
I am in need of some food
After taking something
I will dance I will sing
O sun O moon O star O bird
For a moment stay there.
I am in need of some food
Food is the bare truth
If anything is to love
Love food
Love is necessary for life
Food is necessary for
Life's maintenance.
I am in need of some food
Without food I can not
Do anything
There is no magic no power
Only there is hunger
Give me some food my dear
I love you then only
I can utter.

Gajanan Mishra
I Need To Stop ??????? ???

Hearing your no,
I need to stop.
And I stopped.

Odia version;

?? ????
??????? ???
?? ??? ??????, ??? ?

Gajanan Mishra
I Need To Think

When you are here before me,
I need to think nothing,
I need nothing.

Gajanan Mishra
I need to write
To breathe;
Rightly said,
And I do agree.

Good fortune
Has arrived;
I see and I
Take the opportunity.

I get up
And I see;
The sunrise,
The life.

Gajanan Mishra
I Need Whole

I need as a whole
And giving a touch
From head to toes.

Gajanan Mishra
I Need You, My Dear

I need you, come on, my dear.
Let me dance with you only here.
It is the right time and the line is clear.
Let us come together to show our single picture.

Gajanan Mishra
I Need Your Blessing

I need your blessing,
I care not pain and
Want not to enjoy pleasure.

I experience all,
Both evitable and
Inevitable circumstances.

I experience the feeling
Of immersion in the self.

Gajanan Mishra
I Need Your Help

I need your help, dear,
For survival more than ever.
I am in fear with mercury crossing
Forty-eight-degree celsius.
I am here at Titilagarh, Balangir,
Odisha, India, and I fear
To fight with this temperature.
No water-body but concrete jungle
Everywhere here.
I am a small creature,
If you so like forget me,
And leave me to my luck
On my land and with the language
Of my mother.

Gajanan Mishra
I Need Your Mind

I need your mind
Only attentive mind,
I know, mind is
The root of everything.
I know your attentive mind
And through this mind
You are coming to me.

This mind is here
To make you nectar
And this mind is here
To make you free from
Every bond and every hurdle
That are there between
You and me.

Gajanan Mishra
I need Your presence
And I see no problem.

I perceive Your energy in everything
You are all strength and You know all necessities of my life.

I need Your presence, my dear
I know You are the only person here who is for the welfare of all.

Gajanan Mishra
I Neither Rejoice

I neither rejoice
On obtaining
What is pleasant,
Nor I grieve
On receiving
What is unpleasant.
I am in me with
Firm understanding, see.
I never depend
On my body or senses
Or on mind or intellect.
I know only you my dear,
I know you are the truth.
Who are you
I am not able to know though.

Gajanan Mishra
I Never Care

I never care
Who you were,
Who you are,
And I love you.

And you are trying to
Bind me, not with
Anything else
But with love.

I care not
The cause and
The effect,
But I care
The truth
For good.

I care you,
I know, though,
You are beyond all that.
I know you are the end
And you are the beginning.
I know you are exterior,
You are also interior.
You are the time,
The factor of time,
The elements of time.

I love you
Not because you are
Everything but because
You are in me.

I care you
Because you are
The truth here
With me.
I Never Forget

I never forget
I am the son of my father
I never forget
I am the husband of my wife
I never forget
I am the father of my son
It is in my inner self
No need of practice
It is fixed in remembrance
Likewise I am fixed in You
And merge in You
It is not possible to
Forget You
I have a real and
Eternal affinity for You.

Gajanan Mishra
I Never Lost Confidence

O my dear, so long as
You are here with me.
With no envy
With no quarrelsomeness
I am here see me.

Let me see You
O my dear, let me hear You
I know it would not satiate me
But such listening of Your
Pious charming and ever-fresh
Topics would cleanse away
All contamination of this
Material world.

Gajanan Mishra
I Never Say Anything

I never say anything,
The meaning of which -
Go and went and gone.
But I say come, come dear
And build your own future.

I am the number here,
I am the picture here,
I am the founder here,
I am the learner here.

I learn your lessons
Every day every moment
And I booked my ticket
To go outside the area
Coming to you.

I open my doors and windows,
I invite the wounds,
And I declared I am the winner.

So far I never take flight,
And I see the paradise
Here with me with all beauty.

Come or go,
Matter little.
But my dear, I am here
As before
With no word
And with nothing.

Gajanan Mishra
I observe
I am in full knowledge.

I observe
I am living.

No question of counterfeit
I am internal all the time.

I have faith in truth
I am in love.

What use of testimony
That I know not.

Gajanan Mishra
I Offer Myself

I offer myself
To you, no need
To search the truth.
No need to take meals,
No need to drink water,
No need to wear clothes,
No need to walk,
No need to sleep,
No need to take a bath.

Gajanan Mishra
I Only See You

I only see you,
You are only there,
No other person
But you.
You are everything,
Everything for me,
I am here only
To see you.
Others are also there
But you are only
Fit for seeing.
I only see you,
You are here in
My room- the truth.

Gajanan Mishra
I Owe You

Give me some food
I am hungry
Give me a drop of water
I am thirsty.

Being a philanthropist
You have given me food
Being a man of kind heart
You have given me water.

In return I said
I owe you, O respectful
I offered you my entire body
My heart my love my soul
Please accept it.

Gajanan Mishra
I Pay No Attention

I pay no attention
To your glory and
Your qualifications,
I want to see and
Behold you really
Till I got satisfaction.
I have no desire
To receive anything
From you.
I know you are nothing,
You have nothing,
I know, you can
Grant nothing, still
I love you, as you
Attract me towards you,
I realize you are
The only truth.

Gajanan Mishra
I Perceive

I perceive you are departing from here
And dwelling there
I know you pervade everywhere
Every time in all beings.

Gajanan Mishra
I Perceive No Diversity

I perceive,
I perceive no diversity,
O my dear, I perceive
No diversity in different beings.

And I discriminate between
Sentient and insentient.
Perception of unity
Is not lost in me.

I see you, my dear
In my love, in all.

Gajanan Mishra
I Perceive Your

Present and also your
Past and future, my dear.

Gajanan Mishra
I Pity All

I pity all
They are living
With all livings.

Gajanan Mishra
I pity the life,
Always in trouble.
So painful within
Horns everywhere.

I touch the horizon,
I feel the hormone.
I catch the hornbill
I catch in hornpipe.

Horny I am, see,
To test horrible life.
I pity the life,
On horseback in horology.

Gajanan Mishra
I Plan, You Plan

I plan, you plan,
And we are successful,
With the truth and
With love.

Gajanan Mishra
I Play

I play with
My poems.
I recite
My poems
For good.

I know
The time and
The situation
Here or there
And I act
For good.

I create
The scenes
In my poems
For good.

I act and
I react
For good.

For good
I am here,
My dear
With my poems,
See me
And stay
With me here
For good.

Gajanan Mishra
I Play In Words

I play in words,
I am a player of words.
Everything is there
In words.

See and feel
The bewilderment of words.
Words have the power to know
Everything about manifestation.

Let all words
Stay calm,
Let all liberate
Through words.

Words can create
Millions of universes.
But words are different
From everything.

I play words,
Words are there for me,
But I am far from words,
Without any change.

Gajanan Mishra
I polish myself
When I am in worst condition
And in biting cold.

Gajanan Mishra
I Ponder

I ponder, my dear
How may You
Become satisfied with me?
I ponder, my dear
How can I cleanse myself
Of any contamination?
I ponder, my dear
What can I do to regain
My good fortune?
I ponder, my dear
I ponder, my dear
Am I really foolish and miser?
I am pondering and pondering
Over and over, my dear and
You are here to give a solution
How to stay from disaster
With truth with love with fine character.

Gajanan Mishra
I Possessed All

I know nothing,
But, I possessed all.

I am pure,
As You are with me.

My aim is to realize the Truth,
And for this, I am translating
All the preaching in to practice.

I am in love
And I am purifying my nature.

This is my life
Simple and selfless in love.

No flaw no clouds
My life is as clear as the morning sky
That is here with all.

Gajanan Mishra
I Practise

I practice the process of restraining breath
And accomplishments only for you, O my dear,
I know You are formless and I get
Established in my own self only for You.

Gajanan Mishra
I Pray

For destruction of harmful things
I pray
To give me strength and constant memory
So that I can show exclusive devotion
And I have my firm conviction
I love you and you are only
Before me at this junction.

Gajanan Mishra
I Pray For The Truth

I care my breath,  
I care my tongue,  
I pray for the truth.

I care my dream,  
I am ready to bear  
Lovely pain for the dream.

Truth is the earth,  
And I am the earth.  
And I must say  
I am the truth.

I am the result of the dream,  
And the dream is there in me  
To make me fit to adjust  
The life here for all.

Gajanan Mishra
I Pray Show Me

Right path
I pray give me
Right information.

To know the right
Is my birth right
To know the right
Is condition of my life.

I am a bona fide man
Going with truth
Where you are playing
With me day and night.

Give me everything
That is right
And make me fit
To fight.

Fight with self
Is good and
From this comes out
That is called truth.

Gajanan Mishra
I Pray Your Good Self, My Dear

Let me placed myself in pure goodness
Let me swims in the ocean of nectar.

I do not want any facility for happiness
I simply want to stay with You
All days and I do not like to go with any other.

Gajanan Mishra
I Pray, O My Dear

Grant me the boon of
Unceasing love and devotion.

O Supreme bliss,
O abode of mercy,
Fulfill my desire, I pray.

I know You pervade all
You dwell in the heart of all,
Eradicate my sensuality and vanity.

Gajanan Mishra
I prefer stay silent now,
Nothing remains to be known,
Nothing remains to be attained,
Nothing remains to be done also
As I know and I am doing
What you are telling all good,
And as you know it is my habit
To do all in natural process- good.

Gajanan Mishra
I Prefer The Heat

I prefer the heat
And not cold.
I love life.
I enjoy the sun
And also the moon.
I know without the sun,
The moon has
No meaning.
I try to know
The truth and
The truth is
There in me.
I love men,
I love to write
About men.
All I need
Is the love
And the support of
Nature, dear.
I enjoy success
But I care not failures
Rather I push
Myself harder,
For love,
For truth,
For life,
For men.
I enjoy life
Here on this earth,
I know I am
Nothing but the earth.

Gajanan Mishra
I Protect Justice

I protect justice,
Justice protects me.

Justice is my controller
See, my dear.

For me, there is nothing
Higher than justice.

I can defeat anybody,
How so ever strong he may be,
Through justice.

I fear none
If justice is with me.

For the sake of justice
I can abandon all,
I pray for justice, Your Honor.

Gajanan Mishra
I Quite Agree

I quite agree
With you, my dear.
No one is smaller,
No one is bigger,
All are equal
In every respect.
No one is younger,
No one is older
Here in this world
Under the nature.
No one is wise,
No one can predict,
What is there
In future.

Gajanan Mishra
I Read Your Poems

O poets, I read your poems
Here, that are wonderful and sacred
I read your poems, O poets
And I am thrilled with joy
Again and over again.

I discovered Truth in your poems
See me I am never fraudulent
I don't indulge in hypocrisy
O poets, Everything has been purified
By your poems here in reality.

You have revealed all the cosmic power, O poets
In your poems, I noted for future guidance
I am confirmed by reading your poems
One must achieve all victory glory righteousness.

Gajanan Mishra
I Realize Nothing Is Mine

I realize nothing is mine,
I realize no one is for me,
I realize nothing is to be done for me,
I know I am not within any boundary.

I want to watch the self,
How it remains the same within me.

Gajanan Mishra
I realize the reality
And I perceive the world
As the manifestation of the truth.
I being the product of this world
Let me declare I am the truth.
Let me say we all are the truth.

Gajanan Mishra
I realized
Nothing is mine
I realized
Nothing is for me
I realized
Nothing is to be
Done for me
And hence I am free.

Gajanan Mishra
I Realized You

I realized you
I renounced
I enjoyed life with you
I got peace.
And I know
I am living
In the ocean of bliss
That is yours.

Gajanan Mishra
I Realized Your Full Form

O my dear, I am taking shelter in you
I am not a creature to suffer here
I am staying with you for ever
I am attaching all importance to you
O my dear, it is your grace that I realized you.

Gajanan Mishra
I Really Love You O Lovable

I really love you
O lovable

Want any-other thing
Except love
And I surrendered you
O my love all I have
With me here and for ever
I really love
Nothing is mine see
Now and never.

Gajanan Mishra
I recognize you, father,
I do admit, you are here.
You are in dark, father,
You are in light, father.
I know you from my childhood.
Father, what shall I do,
Tell me where is the truth.
Father, to whom I not love,
Tell me father, where you are not.
Tell me father, what is your
Plan and procedure here.
What for you are controlling
The air and the water.
With you, see me, I am here.

Gajanan Mishra
I Reflect Upon You

I reflect upon you,
As I know
You are the only truth.

Gajanan Mishra
I regard not anything as my own,
And here I make myself free, see.
Nothing is there to block my progress,
And hence, I am able to attain you,
You are my love, you are my truth.
I know my dear, you are a state,
That is supreme, eternal and imperishable.
And it is your grace, you are attained.

Gajanan Mishra
I Regard You

I regard you always
Good and virtuous.
I know you as truth.

And let me declare
'Thus knowing, thou
Shalt be liberated.

Gajanan Mishra
I Regret Not

I regret not
For any action
Or inaction,
I know and
I realize it is
You, who is
Doing everything
And not I.
You are looking
In your eyes,
You are hearing
With your ears,
You are talking
In your words,
And also, you are
Listening to you.
I know no creation,
No destruction.
I know no light,
No shadow,
That can be the cause
Of my happiness
And sorrow.
No thinking is
There with me,
And why should
I think when
I know and
I realize here
At this time and
Always I am nothing.

Gajanan Mishra
I Reject Myself

I reject myself.

I reject myself,
Not that I accept You.

I reject myself means
I reject You.

I reject You
Means I accept You.

And I accept You
Only for the sake of myself.

I exist and therefore
I accept and I accept means
You exist.

So long as Your existence is here
I cannot reject myself.

Gajanan Mishra
I Rejoice

I am my illuminator,
I rejoice within myself,
I am the base of all.

I am liberated,
I am established in me,
I am the truth.

Here see, I am satisfied,
Satisfied with you.

Gajanan Mishra
I Remember My Father

I remembered my father
on this very day.
On this very day
my father left us.
My father left
for the unknown land.
I am going to that land
with my own signature.
My signature, I can say,
Is not a fraudulent imitation.
Before you all,
Let me swear, I am
certifying my
Father's signature.

Gajanan Mishra
I Remember You

I remembered You and I see
My house is sanctified.

I see You
I touch You
I wash Your holy feet
O great mystic
Everything that is
Invulnerable sin
Is vanquished.

Gajanan Mishra
I Remember Your Love

I remember your love, new year.
I remember you in this last
Mid-night of December.
Zero-hour, I remember, my dear.
Here I am with you with a
Promise to build a new future.
New year, let me love you again
And yet again with all truth of my life.

Gajanan Mishra
I Remembered Nothing

I remembered nothing
You remember all
Still I am here
In visible shape
And you are not visible.

I am visible
You are not

What is true
I know not.

Gajanan Mishra
I Repent

For having
Spoiled my life
And knowingly
Drunk poison.

Gajanan Mishra
I Reside

I reside in Your house
I am not a resident here.
This body is Yours and
I am earning by labor
What I am earning is Yours.

Gajanan Mishra
I Reside In You

I reside in you,
You are my truth.
I get inspiration
From you, my love.
My words are yours,
And you are my thoughts.
I sing your song,
Life sound ding-dong.

Gajanan Mishra
I Respect

I respect your mother
I respect but not at the cost of my mother.
My mother is my mother
My mother is more than this earth remember.

Gajanan Mishra
I Respect All

For me
Who is there
I know.
I know
You are present,
I know
You present yourself
Before me.

Before me
Each one is
Busy in playing
Cards to please.
Each one is
Telling something
Not worthless
And not to be rejected.

I smell
And it is ancient,
I talk
And in my talk
You mark my consent.
What you give,
That I take
And it is life.

I take my food,
And not others.
I know the value of
Tablecloth.
I respect all
Who are there
At that time
For me.

Gajanan Mishra
I Respect You

I need you
I need your presence
I need your contribution.

Gajanan Mishra
I rest in You,
You are refuge.
You are my owner
And my well-wisher.
You are my primal cause
And my destiny.
You are my sacred formula
I am Your follower.
Your all-pervasiveness
Is my life,
Your aloofness
Is my death.

Gajanan Mishra
I Rise Like The Sun

You are there to
Throw dirt
On me.
I am here to rise
Like the sun
With light.

You are there to cry,
I am here to smile.
You are there to die,
I am here not to say
Goodbye.

And I am here
To live
With eternity.

Gajanan Mishra
I Rose Up

Breaking off
All relations
I rose up
And heard your
Cheers.

Gajanan Mishra
I Run Motionless

I run motionless,
Utter words of no language,
I love and say goodbyes.

Gajanan Mishra
I Said

'Go not anywhere, '
I said;
Ok then,
You replied.

I gave
A full stop
To my thinking process.
But I found you
Nowhere.

'No use to
Tell the truth, '
You said;
Think again,
I replied.

Gajanan Mishra
I said and I certified
All the truth.
But I can't say the truth
Is here with us.

I can't separate the truth
From my dreams, as you see.
I can feel what you are
But I failed to express in any way.

Your tears are there with you,
But not your smile, I am sure.
Ocean is everywhere and that
Can bound you anywhere.

This is all I stated
The life, the death for you.

Gajanan Mishra
I Said Go On

I said go on, I am free
Again said poet Hasmukhlal
Are you Kala(time)
Yes he replied I am above that
And again he remained silent.

What the poet said is
Not true I am not going to say
I dare not say so as I know
Poet can knows everything
The past present and future time.

But it is I who is smelling
Who is tasting who is touching
The colors and the sounds
And all are there as before.

Okay okay wait I am traveling
To tell you again here
Not cancelling anything that
I have told earlier.

I said go and go on
For you only we are here on the line
O my dear, observe everything and
Know their characteristics without
Any contaminated consciousness.

Gajanan Mishra
I Said Hello

I said hello,
And a terrorist replied,
Worry not,
Everything is okay
At Amarnath.

We are preparing
To give a befitting reply
Said the Minister,
But to whom and how,
No one is there to explain.

All politics - true,
All gimmicks - true,
We, the people are
The most sufferers - truth.

Gajanan Mishra
I Said I Am God

I said I am God
Am I wrong?
My own self are
As dear to me
As You are
Am I wrong?

If all my versions
Are wrong then
What is right?
If right is not
Right then how can
Wrong would be right?

You can't say Your answer
In yes or no that I know
But the answer is there
I know with You
At every time here as You
Found within this area.

Gajanan Mishra
I Said It Is Truth

I said it is truth
You are not in a stage
To believe.

I said crossing limitation
Is not good
You said you are local.

I said stay far from madness
You said it so happened
Here is night ahead.

I said not to interpret
You invited me to feast
Not being shaved.

Gajanan Mishra
I Said Yes

I said yes
It does not mean
I am attached to you.

I said no
And you should not mean
I am against you.

O my dear
Let me say
What I feel
And that is
Our love
And in love
I am with you.

Gajanan Mishra
I Said, It Is

I said, it is I
i said, I am here
O my dear, see me
Here I appear
It is I, I said.

Everything is happening
And I am in everything
I said, here I am
And who am I? I asked
I said, it is I.

Gajanan Mishra
I Salute A Man

I salute a man,
The reservoir of all
Respectable qualities.
When a man is present,
Each creature is glad,
And they all are
Full of joy,
The air, the water,
The earth and all
Are pleasant.
The man in truth
Ss a house
Of love, symbol of
All good.

Gajanan Mishra
I Salute My Readers

1.
I salute my readers,
First to those
Who are not interested
To read my poems,
And next to those
Who have no time to
Go deep and criticise
And make me clean,
And next to those
Who read but understand
Something and next
To those readers who
Feel my poems and
Try to live in it.

2.
I salute my readers,
For whom I am writings.
I know my readers are here
And there for me.
They are waiting for
My poems, my thoughts
For world peace and
For all good of all.

With a smile and I
Want to say so many things
With specific clarity.
For my readers I am
Writing here so many things.

Gajanan Mishra

One, who knows the truth, I salute him.
One, who has not abandoned his duty, I salute him.
The king, who loves his subject as his own life, I salute him.
The trader, who is perfect in hospitality, I salute him.
The servant, who is respectful and not proud, I salute him.
The woman, who is faithful and truthful to her husband, I salute her.
The student, who keep his vow and obeys the orders of preceptor

Who are busy on the path of duty and not attached to material world.

In all respect,
Great and greater,
Than me, You are all.

Gajanan Mishra
I Salute You As

I salute you
As you are there
All along
The path of truth,
The path of love,
The path of light.

I salute you
As you represented
The signs of equality,
Fraternity and
Non-violence.

I salute you
As you have created all
In all shapes.
I pray before you to give
Protection to all
And let all live
Freely in peace here.

Gajanan Mishra
I Salute You, Abraham Lincolns

For your words, ' for every scoundrel
There is a hero; for every selfish
Politician, there is a dedicated leader;
For every enemy, there is a friend.

Further, O Abraham Lincolns you said,
To listen to all, but filter all
On a screen of Truth and take only
The good that comes through and to stand up
And to fight if one thinks he is right.

Man is the Supreme creature of Almighty
And you have sublime faith in mankind,
Abraham Lincolns, that is why, I salute you
You know the secret of laughter, my dear.

Gajanan Mishra
I Salute You, Poets

No break,
No break from history
and also from geography
and yet you are creating
new theory for public safety.

O poets, I salute you,
You are really here for the welfare
of all creatures, living and non-livings
You are the son of this soil-earth,
and you are the only person who
is here not to discriminate anything.

I salute you, poets,
for your attachment with the omnipresent
and omnipotent and omniscient who is in all.

Gajanan Mishra
I Salute Your Idea

I salute your idea,
I know idea is important,
Idea has a major role
To change the scenario.

To change anything
You have to control
Yourself first.
You have to control
Spending your strength
Efficiently, honestly,
Transparently, wisely
And also carefully.

I salute your idea,
Idea has a greater meaning.

Gajanan Mishra
I Saw I Got

I saw, I got
Life here.
Here, in all space,
In all time and
In all circumstances.
But I am a man of failures,
I am a fool
That I tell all mine.

Gajanan Mishra
I Saw I Went

I saw I went
In the sky
In the wind.
I saw I went
You are with me
Thinking and
getting work done.
I saw I went
There is the way
Hundred and thousand
I am blind
I am lame.

Gajanan Mishra
I Saw In You

My life my vision
I am within you
O my wisdom.

Here I see
Birth growth
Time by-products
Dwindling and
Vanishing.

Where are You
O my dear
I did not see
Where is the problem
I an unable to
Express myself.

Gajanan Mishra
I saw Shakespeare
last night
in my dream
and he was telling me
to go with him.
Where to go
he has forgotten
he told me
And when I was
about to start
he told me stop.
Are you a fool?
He asked me
And I crumbled.

Gajanan Mishra
I Saw Shakespeare Last Night

I saw Shakespeare
last night
in my dream
and he was telling me
to go with him.
Where to go
he has forgotten
he told me
And when I was
about to start
he told me stop.
Are you a fool?
He asked me
And I crumbled.

Gajanan Mishra
I Say Farewell

I say farewell,
And I remained silent.

Only lightning is there,
See, everywhere.

Study my images,
In words and in space.

I am the lightest
And I live.

Gajanan Mishra
I Say Life

I say life,
I say time,
I say earth.
All the three
Are one and
All are playing
Tricks with me.

But I am very cautious,
I am very opened,
I am in the truth.
And the truth tells me
To come forward with love,
And the love takes me
To its store house.

The thing is
I am not alone.
With me, one can finds,
The eyes, the legs, the hands,
Blood, skin, hair, stars,
And all are there to take me
To the world of fire.

The fire is there in life,
And life goes on fire.

Gajanan Mishra
I Say Meaningless

I say meaningless
This dream
Dream of a beautiful
Young woman.

Extremely important is
Your involvement
In the wonders world
That is here within.

Let me say day in
And day out
Meaning misunderstood
It is dream-fought.

You may say mental concoction
Let me clarified it is mere emotion.

Gajanan Mishra
I Say My Body

I say
My body,
My family,
My house,
My society,
And I am so and so,
All these are
Nothing but
False identification,
All these are nothing
But expansions of
False ego.

Gajanan Mishra
I Say To Myself

I say to myself,
My dear, you will
Not realize your
Goal in this way.
I further say I
Know not what is
My goal as yet.

Yet I say see, who
Is there besides you.
I reply, I care not
Any one here or there
As the case may be,
He is what he is not
He is here that suffice.

Gajanan Mishra
I Say To You

I say to you all
And what I say
You hear not
What you hear
I have not said.

Gajanan Mishra
I Say What I Mean To Say

I say what I mean to say,
I say color and the sky,
I say clouds and the ocean,
I say roads and mountains,
I say river and houses,
I say life and creatures,
And men have nothing to do
Anything anywhere at any time.
Above all, I give ideas
To fill up the blanks
Inside and outside of life.
Left and right, I want to
Proceed with all simultaneously
And tell all to stay careful.

Gajanan Mishra
I Say You Are Great

I say you are great,
But who you are
And what you are
Doing here,
That I know not.

But you are
Enjoying fine
Pleasures and
You are enjoying
The attentions
Of others.

I know not
What I am telling,
And to whom
I am telling
And for what
I am telling.

I know not
My own story,
I know not anything,
And still, I say
You are great,
I know not
The meaning of
Great, though.

But you are here
With me,
I am here
With you.
The truth of
Time.

Gajanan Mishra
I Search In Vain

I search in vain
For life,
For love.

But I know
I am not
In desert.

Somehow or other,
I am here
With you, my dear.

I exist
And I struggle.
For live
For love
And get success.

Gajanan Mishra
I Search Life

1.

I search life
In love,
In truth.
And I know
Life is there
In poems.
Poems are there
In nature.
Nature is there
In words.
Words play
In poems.
I love poems,
As I live.

2.

I live
In the blazing
Tower of poems.
I say about life
There in reality.
Life is real,
And the love
In truth.
I play in words
To create life.
Poems are energy
Without any
Slightest doubt.
I like poems most.

Gajanan Mishra
I See

No scene
I eat
No food
And yet
you are
With me.

You are
In me
You are
Doing
Everything
And I said
It is for me.

Nothing true
Nothing false
You know
I know
And we are
Playing
Hide and sick.

Gajanan Mishra
I See A Man

I see a man on this earth
And I see a mind within a man
I see the mind plays the role
Of a director-in-chief and
The man is the play of the mind.

I know the man who controls
The mind is a great hero
And hero is he who knows
How to diverts the mind to work
As and when he desires .

The man with a good mind is like God
And the God is always there for
The welfare of all here on this earth
The earth is made only for this purpose.

Gajanan Mishra
I See A Mirage

I see a mirage
In me, not always,
But at times.
I see a star
Always with light,
With all colors.
I welcome the poets
To see to write.
I call the darkness
To watch me from
Both near and far.
My sky is with me,
I am full and complete.
I am solid with
My own light.
I am the nectar
In real life,
I am the water
In the oasis.
I am the answers
Of all questions.
I am my own stream,
I am my dreams.
I am the obelus
Of all writings.
No one can
Obliterate me
At any time.
I am the word,
I am the sentence,
I am the language,
I am the poet
At every beginning,
At every stage,
In any language.

Gajanan Mishra
I See A Rising Sun In You

I see a rising sun
In you, my dear,
And I know the sun
Is not there to set.

I know the beauty
of the morning,
I know the love
For truth,
And the truth
For love.

We both are here
To welcome the sun,
To make all realize
The truth of life.

Gajanan Mishra
I See All

I see all
As Your part.
I see all
Anything but humble.
Life is
But mockery.
And life is
Really terrible.

Gajanan Mishra
I see all,
All living beings
Equally.

I consider
Nothing like
Lower and higher.

Doubt not
The truth.

Present yourself
As you are dear,
No mental concoction,
That would be there
To harm you,
Stay conscious.

Gajanan Mishra
I see all the oceans,
That contain salt water,
sugarcane juice,
Liquor clarified butter,
Milk emulsified yogurt,
And sweet drinking water.
I am the island and
I am surrounded by
The oceans.
The life water is there
With equal in breadth.
I dive into the oceans
And failed to discover
Who I am here.

Gajanan Mishra
I See And I Experienced

I see and I experienced
Here my life with you
In my own home.
I know how you are
Going away far,
Far from the truth.
See me, I am quite,
I am still and I am
Ready to measure you.
I know who you are,
And where you are,
I know where is your
Present and future
And I say I love you.

Gajanan Mishra
I See And I Say

I see and I think,
I think and I say,
I say and I touch,
I touch the earth.
The life and its
Reflections are
Everywhere
On this earth.
Life is there
In water and
In air.
I see life,
I think life,
I touch life,
Nothing but
Beehive.
All nectar,
All clear,
All wonder,
Here.

Gajanan Mishra
I See And I See Nothing

I see all and
I see nothing.
What I see
I cannot say,
And what I say
I see nothing.

Sun, moon, men, beast
All are living and
All are dying.
I see no error
In living. I also
See no error in dying.

Everything is but natural,
Though not completely final.

Gajanan Mishra
I see and I value
The chat there
Between us together.
I gather information
About all, and...

Gajanan Mishra
I See And Observe

I see and observe
No speciality
In any person or
Thing here.
I perceive singularity
Here that is yours.
And you are there
In all, that I know
And all evolve from you.
I know I should be
Grateful to all here,
I should render service
To all, but I should not
Get entangled here, let me clear.

Gajanan Mishra
I See Everyone

I see everyone,
And all are here
To see me.
What I am and,
What they are,
Time is there
To analyze.

Time is within us
And we can handle
The time in our ways
With our fresh-mind.
The driver of the time
Is instructed accordingly
To move forward and be kind.

Gajanan Mishra
I See Everything

I see everything
Past present future
It is but nature
Just I have a love letter.

Gajanan Mishra
I See Everything In Kolkata

I see everything
In Kolkata,

Singing of Rabindra song,
Desparate hero of sarat babu,
Holy words of Ramkrishna and Vevekanand,
Rasgollas borrowed from odisha,
The water on Roads,
I see so many things in Kolkata,
The new flats, the field, the friends,
The language, the joke, the anger, the laugh,
I see everything in Kolkata,
The Jam traffic, Howrah bridge,
With mismomer dreams.

Gajanan Mishra
I see everything new,
New always here.
New men, new year,
New faces, no fear.

Happy greetings new year,
New year, new year.
New life, new dream,
See newness in all streams.

Gajanan Mishra
I See Everywhere And Everything

I see everywhere
And everything
Around us is
Education oriented.
And hence,
Do love your children,
My dear men.
Love and encouragement
Is necessary to
Build the future,
The future of humanity.
The television, the radio,
video, newspaper, magazines,
Books of every kind,
And also toys are
There to educate all.
Just love,
Love your children
And safe them
From the path of
Destruction.

Gajanan Mishra
I See I Hear

I see I hear
But I find
Nothing here.

All say
I am free
But I am
Not able to
Do anything.

I know you are
With me
You are integral
You are quite
And you are
Immutable.

And with your presence
I discover life is
Not horrible.

Gajanan Mishra
I see imperishable
In perishable.
I see undivided
In divided.
I see relinquishment
In attachment.
I see life
In death.

Gajanan Mishra
I See In Water

I see in water,
The meaning of my life.
And my life is
There in the open air.

I hear the loud voice
Of the sky.
And the sky is
Taking bath in the Ganges.

I want to go
To the Arabian seas.
And the Arabian seas
Look at me here.

What shall I do,
I find no one to put.

Gajanan Mishra
I See Love

I see love enhances
I see truth's appearances.
And here you appear
to make a change,
with love with truth.
Let me tell you
the thought of glory,
majesty and supremacy
are not there with us-two.
My love is for you
and your everything is for me
Let our love be perfect
and in time.

Gajanan Mishra
I see your childhood
In your writings,
I see everything positive,
Every joy, every curiosity,
I see everything for me.
I see flowers,
Here on this earth,
I see something touching,
Touching to the heart.
My love, come forward,
I want to see the sky
With all covering.

Gajanan Mishra
I See My Love

In each and every particle
Of this universe.

I talk to you, my dear
Everywhere, all times
And you said follow me.

You are my love
You are infinite
Having enhancing power.

I see you, O my dear
Here, there, everywhere
And I the onlooker
The seen and the act of seeing
All the three are You
I know, the Ganges is
Worshipped with the water
Of the Ganges.

You see yourself
You know yourself
You act for yourself
I am just a media
I know You are the poem
You are poet
You yourself also
the readers.

Really three in one.

Gajanan Mishra
I See Myself

I see myself
I see You
I realized the truth.

Gajanan Mishra
I See No Difference

I see no difference
Between you and me.

Gajanan Mishra
I See No Distinction

I see no distinction
Between men and women,
I see no distinction
Between persons having
Different names and stages,
I see no distinction
Between wise and ignorant,
I see no distinction
Between caste, colors, creeds,
I see no distinction
Between birds and beasts
Between perfect souls and fallen one,
I see no distinction
As because I am in love and love.

Gajanan Mishra
I See No Flower

I see no flower,
But you said
Flowers are there.
Truth is that
I have no night-dress.
We failed to understand
Our own sleigh, we travel
Though deep and high.

Gajanan Mishra
I see no one
I see no one here
Besides You
O my dear
No one is here
To guide me
To proper path
By which to achieve
Perfection in life.

Gajanan Mishra
I See No One And Nothing

I see no one,
I see nothing.
But everything is here, and
Everyone is here in waiting.

The door is opened and
All are disclosed,
Asked and unasked.

Know the reality and
Dispel the delusion.

Let the words and
The act goes parallel.

To observe the situation,
It needs attention
While in motion.

Gajanan Mishra
I See No Other Doer

I see no other doer
Other than You is here,
My dear.

See, I am totally
Disconnected with You
Take it real and I am holy.

I think I am
The stumbling block here
Without Your green signal.

Gajanan Mishra
I see no reason
Why I am here.
But I am not able to
Go outside at this time.

I see no reason
Why the sky is
Not coming forward
To make me active.

I see no reason
Why the earth is
Not going upwards
To touch me there.

I am here with the star,
But no one is there.

Gajanan Mishra
I See Not A Single Bad Man

I see not a
Single bad man.
I see all are
In holiness.

Let me put
New spirit
Within me
To discover
Again love.

Let me speak
In silent words
That are most
Potent. I see
Each one important.

Gajanan Mishra
I See Nothing

I see nothing,
I know everything
Is reduced to nothing.
Nothing is the only truth.

You are the truth
That I know and you are
Doing good to others
Always that also I know.

But it is nothing
I know all things
That are reduced to nothing,
Nothing is in our thinking.

Gajanan Mishra
I See Nothing But You

I see nothing but you,
I hear nothing but your words,
I know nothing about you,
I feel nothing but your touch.

You are the bird who is flying within me,
You are the snake who is crawling within me,
You are the ocean who is roaring within me,
You are the sky who is cracking within me.

I am enjoying you, my dear, in my room,
With all my blood, bones, nerves, arteries,
Tears, smile, phlegm, filths, spittles, worms.
I am enjoying you, my dear, at every moment,
From matted hair to sole with my stomach,
Lungs and hearts in written or unwritten forms.

Gajanan Mishra
I See The Beauty

I see the beauty
I find the honey
I drink the nectar
See, I am here for ever.

Gajanan Mishra
I See The Duality

I see the duality
Duality of heat and cold
Let me free from
This duality, my dear.

Here is the poisonous
Poisonous angry serpent
Save me from this serpent
Save me from its attack.

Gajanan Mishra
I See The Flower

I see the flower
I see the rising sun
I am fortunate.

I see no attraction
I am detached
I have my own horns.

I know where is
My place of residence
And also the fragrance.

Gajanan Mishra
I see the incidents
That are going to happen.
I feel sad, I know
Who is going and who is
Coming here at this time.
I know the eternity
And Realize the beginning.
The union and the disposition
Everything is here with sufferings.
I know the discrimination and
I perceive the things
That are here with me.
I know I appear only for you,
Only to establish the truth.

Gajanan Mishra
I See The Love

I see the love
I see the truth
The ultimate cause of
All that exist.

All others like
Time and nature are
Powerless to act
Without love and truth.

We all here
Try to enjoy life
Only for love
Only for truth.

Gajanan Mishra
I See The People

I see the people are greedy here
And they are ill-behaved
And they are merciless
And they fight one another
Without any reason.

I find here ever-increasing
Principles of irreligious
People are not interested in
Knowledge and austerity
Effect of passion and ignorance.

Women are unchaste and
Children are product of lust
Bad qualities of time really unfortunate
People are short-sighted poverty-stricken.

Gajanan Mishra
I See The People Addicted

I see the people,
Very much addicted to
to women, wine and wealth.
I see each one here
Not on the right track.

Gajanan Mishra
I see,
The flower
Is dying
In my garden
Daily.
I also see,
The flower
Is smiling
Daily while
In the garden.
Smiling and
Dying are in
My view- necessary
To establish love.

Gajanan Mishra
I See The Truth

I see the truth
I perceive the truth
Truth is imperishable
Truth is only available.

Truth truth truth
Nothing but the truth
Here there everywhere
In the air in the fire
In the earth in the sky
Just light up your lamp.

I am the truth
You are the truth
Our love is truth
Here at present we are
It is the greatest truth
I declare.

Gajanan Mishra
I See The World

I see the world,
You are here,
In this world,
Though not visible,
Yet I know you
And I know you are
Sorting out everything,
That are there.
For good, you are and
You are here
In this world to
Destroy the ignorance
And the darkness by
Your lamp of wisdom.

Gajanan Mishra
I See These Prizes

I see these prizes
as symbols of death,
injustice and destruction.
Why?
Tell me my dear,
It is my prayer.
Am I not fit to pray?
And you are not uttering
any word. Why?
Anyway, I am here,
And I seek refuge.
Am I free?
And if yes or if not,
What use of anything?

Gajanan Mishra
I See Truely

I see truly,
I see in one way,
All as one
And the same,
I have two
Eyes, though.
I say truly,
I say about
Place of reaching,
That is one
And the same,
With so many
Name and fame,
I see and say truly.

Gajanan Mishra
I See What You

I see
What you
Failed to see.
I say
What you
Could not.
But I say
The truth.

You are
There to
Feel my love.
Let me declare
I love you
I love you.

Gajanan Mishra
I See With With Eyes

I walk with feet
Eyes, sense of perception
Foot, organ of action.

A thorn runs in to the foot
Eyes filled with tears,
Dust falls into the eyes
Feet totter.

I know separation
Of the body from the world
Is not possible
As we care our body
So we care our world
Indifferent to the world
indifferent to the body.

Body and world
One and same.

Gajanan Mishra
I See You

I see you
and I feel
your sorrow,
I find in you
no happiness,
my dear men, how?

You are in
your future
that I know,
You are perishing
With your past
against running arrow.

Neither the modern city
nor the modified forest
is here with
fixed agenda and
my dear men, you are
with them.

And still I
see you in infinity
With love, and
I try to catch
you in truth
With your own declaration.

My dear men, you
are still alive, see yourself,
You are with your own weapons
And you have strength enough
To fight against anybody, anywhere
And I know you have power to win.

Gajanan Mishra
I See You Alone Everywhere

I see you alone everywhere
And I am keeping myself in
Observation with complete silence.

Gajanan Mishra
I See You Always

I see You always
In my hearts
And I am rendering
Always service to You.

I love You and I know nothing
More than this love
My life my future
All depend only on You.

Gajanan Mishra
I See You And I Find You

I see you and I find you,
You are the truth.
I say all that you are,
The mountain and the air.

I come and I go
To you and from you.
The words that I read
All for you and the need.

I write and I stay
For the breeze and the light.
I am the music and the fountain
I know relations I have to maintain.

Gajanan Mishra
I See You And I Know

You are real and most powerful
Here within us.
You are my love, You are my dearest dear.

I know You are making me cool,
You are keeping me in peace,
And I know You are here, there
And I am with You always.

Always I am with You, my dear,
I know You are here, there
I see You, I know You
How wonderful and how powerful
You are here, there,
Without You, nothing is possible.

Gajanan Mishra
I see you and you see me,
I give you everything voluntarily,
You give me everything voluntarily.
I want to be seen by you,
You want to be seen by me,
We are both confident of our love.
And there is full freedom
And affection and understanding with us.

Gajanan Mishra
I See You Everywhere

I see you everywhere,
In fire, in my own heart,
In each and every image,

Gajanan Mishra
I See You Here

I see You here
And I feel
Myself lucky.

I see You here
There, everywhere
And I feel
It is Your grace.

I see You here
And I discover
Myself within You.

I am here
And it is Your grace,
O my dear, I am here
Without fear.

Gajanan Mishra
I See You Here In Me

I see You here in me, my dear
I see You everywhere.

Only You are here, there and
Everywhere.

You are my knowledge
And You are opened.

I am here in this open field,
O my dear, only for You.

Gajanan Mishra
I See You Here, I See You There

I see you here, I see you there,
I am with you, you are that star
You are here with me and not far.
All the parts of my body
The ears the eyes, the hands the feet,
All the time the morning and the evening
The entire day and the whole night
All are yours and not mine.
I know not anything, I know only
You are here with me and I am in you.

Gajanan Mishra
I See You In Me

I see you
In heaven,
In hell.
Hell is here,
Heaven is here.
I see you
In me.
I am the mixture
Of hell and heaven.

The earth
The sea, the land,
The sky, the air,
The field, the desert,
The mountains- all,
All are here.
And I want all,
I know all are nothing,
But what I see in you.

You are the truth, dear,
I know you, you are
In me,
You are everything.
I know I am nothing,
Nothing is there
In me.
Let me understand dear,
What you are here,
That I understood nothing.

Gajanan Mishra
I See You In My Own Eyes

I see You in my own eyes
I am definitely fortunate
As I know there is
No greater object of vision.

You are the Supreme object
Of love, my dear and You
Are the most wonderful to see
You are my only goal.

I want Your words
The nectar from Your lips
O my dear, I am just a beggar
You are the donor.

Gajanan Mishra
I See You Real

I see You real
And everything as divine.

Nothing to feel proud
That I know.

Gajanan Mishra
I See You The King

The king of all knowledge
I see You the most confidential
The most confidential of all information
With You I can experience my eternal nature
And by experiencing eternal nature I become
I become thoroughly religious blissful and
Eternally engaged in the devotional service of Truth.

Gajanan Mishra
I see you
With my eyes-
You are really
What they say-
A stream of light,
That is coming out
From my own self.

I talk to you,
With jasmine fire
And I call the star
Keeping myself busy
In building a mystic
Love affairs
That is already there.

Gajanan Mishra
I See Your Presence

I see Your presence within me
And You can not go away from me
For a moment.

Gajanan Mishra
I seek
No validation
from anyone.
And I am
Secured.
I keep
my own celibacy
Secured.
And I care
the order of nature.
And I care
my own culture.
I am my past, my present
and also my future.

Gajanan Mishra
I Seek No Reward, Okay

I seek no reward, okay.
I find no solution, okay.

I only recognized different
Stages of life and circumstances.

I don't want freedom
Giving freedom is just a farce.

New leaves sprout
No buds blossom.

No freedom
No doer-ship demanded.

- -

Let us see our own bodies
There are different activities
Digestion development decay
And it is okay.

Who is doing all these
Ask yourself please.

Gajanan Mishra
I Seek Your Pardon

I seek your pardon
With folded hands,
And I pray to intimate
My mistakes anywhere
That may come across,
For rectification.
I seek your pardon,
I assure to go
With your direction.
I know I have to live,
I know while living
I have to commit mistakes.
And you are there my dear,
To give option and unification.

Gajanan Mishra
I Serve No Other

And why should I
When everything
I get from you.

You are affectionate
Towards me I know
And I know You are
Here with me
And I know you have
Manifested in this manner.

I serve no other
And why should I
You are my dearest
Dear without cover.

Gajanan Mishra
I Set Fire On The Time

I set fire on the time
To enable you to
Live in timelessness.

Gajanan Mishra
I Shine

And I shine
Gladly with harmony
In my own domain
And you said
Heaven heaven.

Gajanan Mishra
I Should Be Happy

I should be happy
If you would stay.
If you would stay
I dare tell the story
Of our love to all.
This is the autumn
The joy-season
And we both are here
For the purpose to
Fulfill the aim
Of the dreams that are
With us.

Gajanan Mishra
I Should Not Die

I should not die
I should not die
I should enjoy
An everlasting blissful
Life of knowledge
And I know Truth is
Meant to make me fit
For survival.

Gajanan Mishra
I Simply Offer Obeisances

How to give
And how to take,
I want to know all
In this world.
It is a place of
Give and take,
That I know, my dear.
You are giving and
I am taking, though,
I know not how to
Stay obliged.
I simply offer obeisances
With folded hands
And I am puzzled.

Gajanan Mishra
I Simply Write Poems

I simply write poems
I simply mediate on love.
I know nothing
About anything.
I simply write on poems
I simply love
And I know
Nothing else.

I only eat
And drink
And write poems.
I know poems
can be written
In so many ways
And I am busy
Always in writings.
I know to write
Is to touch,
Touch the hearts
of others.
I feel lowly,
Lowly and poor.
I know life is
Like rain-water
That cannot be found
On the high mound of
Egotism.

I simply write poems,
I simply love.
I know writing poems
Is living a true life.
I know life is
A white cloth
Just returned from
The laundry.
I can colour it
With more and more
Purity.

I simply write poems,
I simply stay in love.
Love, let me do
What you make me do.
Love, let me write
More and more
What you make me write
In poems.
I am a man
I feel love
I live love
And in love
I can write for you.
I know you are
The only truth.

Gajanan Mishra
I Sit I Eat

I sit I eat
I drink and
I rise to play.

I find no cloud
No water no earth
No food no rock.

And I am
In wilderness.

Gajanan Mishra
I Sleep

I sleep
And you
Made me
Awake.

It is you
Who is making
Everything complete.

And I am
Helpless driven
To action.

It is you
Who made me
Free in having
Attachment or aversion.

Gajanan Mishra
I sleep I perceive
I enjoy my dream
Am I intelligent
Please clarify me.
Change is there
But not in me
My identification
With You is changeless.

What is birth and
What is death
To know that
Is crucial
Here and afterwards
I failed in
My journey.

You understand
But I understand nothing
What you understand
You failed to
Make me understand
And I remained in dark.

The dark is not always
There where I am
And where you are, my dear
Still I sleep
Still I perceive
And I enjoy my dream.

Gajanan Mishra
I Slept

I slept
You left the place
The place where
Again we are to meet.

We met
You remained silent
I called you
And you slept.

Matter closed
Still I hope
You are here
With me
Like before.

Gajanan Mishra
I Slept I Awoke

I slept I awoke
I found no difference.
I walked I stayed still
I went nowhere.

Here is the water,
There is the sun,
I felt same pain.
Pain and pleasure
I found no difference.

My thoughts my actions
Told me so many things
And I found nothing
In the ultimate analysis,
For which I awoke, I slept.

Gajanan Mishra
I Speak Always

I speak always by the book.
And I talk no-nonsense,
You know it all better.

Dear men, I pray
Not to feign a sleep.

True, the words are
On the wings,
But we are to get up
And catch them all
And wait upon.

Nothing to deny,
We are all victims
Of time and we have to
Trust in ourselves.

Gajanan Mishra
I Speak Of Light

I speak of light
And light is there
In me.
I am there in my thought,
And the thought is
There in my life.
I live here,
And this place is
Full of nectar.
I am the beginning
I am also the end.
And all other are
Watching me,
I am at the center.

Gajanan Mishra
I Speculate Nothing

I speculate nothing
And You are in everything.

Here is the spectrum
I have no spectacles.

This place is full of knowledge
But I am ignorant and foolish.

You have opened all doors
But I am here as before.

Gajanan Mishra
I Spotted You

I spotted you
In this life-game
Please come out
No need to
Remain hidden any more
Please reveal yourself
And you are within me.

Gajanan Mishra
I Stand

As is my faith.
And faith is born
Of its nature.
And nature is
As you get
From time to time.
And time is
One and the same.
It makes no difference
Between you and I.

Gajanan Mishra
I Stand For

I stand for
Life-breath.
I maintain
Life-breath.
Life-breath
Is not mine.
Life breath
Is in truth.
Truth is in
Life-breath.
See nectar in
Life breath.
And life-breath
Only in nectar.

Gajanan Mishra
I Stand For You

I stand for You
And You are here in me.

I offer everything to You
You are giving me everything that I need.

Nothing is important for me besides You
You are only seeking my cooperation to do.

The things to be done are Yours
That I know and I am counting one two four.

Gajanan Mishra
I Stand Still

Challenges and
Controversies
Are all around me.

You just tell
The night and days
I have passed
In time.

Gajanan Mishra
I Stand Supporting You

I do hereby support you, as
You have kept the truth with you.
And the truth is we are all
The fragment of nature here
And related to each other.

Gajanan Mishra
I Start To Die

I start to die,
I start to die
The day, I am born.

See,
I am dying
Every moment.
And the seen
Is changing
In to the unseen.

I am
A naught.
I seem to
Exist
But I am not.

Gajanan Mishra
I Started To Disappear

I started to disappear,
And I listened nothing
What you uttered.
I had given a red rose-
Symbolic love and you
Accepted it as truth.
I kept everything with me
That you had given me.

Gajanan Mishra
I Stay

I stay like a stone,
I stay like the sky.
I am dressed with ocean,
I am dressed with earth.
I sing like a bird,
I sing like the water.
I see in eyes,
I see in the fire.

Gajanan Mishra
I Stay In Heat And Light

I stay there,
And I know
The place is
In heat
And light.

My stay is
Not coming under
Any space or time.

My stay is
Not included
In the syllabi of
Physics, chemistry,
Mathematics or astronomy.

I stay there
Not for any award,
Or reward,
Not for my
Satisfaction or so on,
But for you,
The truth.

And truth,
I confused not,
Life.
And its
Controlling measure
Is with me.
I am the confident star,
I am there in you.
Search me out,
I am the good,
I am in all good.

Gajanan Mishra
I steal time,
But I find nowhere.
I order for time,
But I get nowhere.
I live with time,
But my life is nowhere.
Simply I utter words,
That are not mine.
I am truth-less
Alleged my wife.
But I love my wife,
While I dive.
I have my own reasons
To go outside,
But I find everywhere
Only inside.
I accept all, but
No one dares to
Give me a call,
While I wander
Within this world's
Great hall.

Gajanan Mishra
I Stood Still

I stood still,
And you
Go on wiping
For nothing.

I desist
From voices,
From desires,
For something.

Scratches are there
In the sky and
I fear and
I appear
On this soft
And hard soil.

With so many colors,
I stood firm
With the sun.
And I reciprocate
Love for
Liberation.

I wanted to say
All the truth,
But truth is
Relative and
Far from real
Objects.

Gajanan Mishra
I Strive

For peace
Sweet life
Gives me delight
I feel proud
For the treasure of
Love that I steal
From You.

Gajanan Mishra
I Suffer

I suffer from
Homelessness
And I survived.

I resolve
And I realized.

I seek refuge
And I reached.

O my dear
I renounced
And I found.

Gajanan Mishra
I Suffer - I Am Selfish

I suffer
I am ignorant
Ignorant of my duty
My behavior is not well
I suffer
For me other creatures
Are not happy
I am not able to
Protect others I suffer.

Gajanan Mishra
I Suffer When

Sunshine is necessary
For my life
I suffer when
There is excessive
Or insufficient heat.
I want rain and water
I suffer when
There is insufficient
Or excessive rain
That cause my suffering.
Be merciful to me
O my dear, I am doing
My duties as usual
Under Your supervision.

Gajanan Mishra
I Swear

I swear in my name
I smell myself
I grow with me.

I breathe and
I am coming to me
I am honouring me.

Sacred life
Divine nectar
Just kiss just love.

Gajanan Mishra
I Swear In Your Name

I swear in your name
That I am yours and
There is none besides
You with me at any time.
You are my past,
You are my present and
You are also my future.
I swear in your name,
With you I live I grow,
In your name I move,
I think I utter
And I breathe,
I swear and it is
All sweet and all fair.

Gajanan Mishra
I Swear To

I swear to you,
My truth,
I will never leave you,
And go to falsehood.

You are in my life-blood,
I feel good with you.
With all sincerity,
I want to stay with you.

See my eagerness,
And provide a shade
Within you, dear.
I want to stay
With you forever
Without any fear.

Gajanan Mishra
I Swear To You

I swear to You
I will never abandon You
I swear to You
I have not been able to
See any one in three world
Except You.

Gajanan Mishra
I Swear To You I Will Never

I swear to You
I will never abandon You
I swear to You
I have not been able to
See any one in three world
Except You.

Gajanan Mishra
I Swim

When I was/am
Not present
How can I answer
The questions
Put to me.

You are calling me,
But here, there
No air, how can
I answer.

I am just a machine
Without engine.
I am just a bird
Without wings
But see, I swim, I swim.

Gajanan Mishra
I Take Full Advantage

I take full advantage of
The situation and
I fulfill my desire.
My desire is to
Touch the truth,
That is there
In you, as
I am related to you.

Gajanan Mishra
I Take Nothing

I take nothing
Good or bad,
I take nothing
Long or short,
I take nothing
Small or large.

And hence
I am unshackled,
I am pure and clear.
And hence
I am truthful
And gentle.

I am calm and
Content, I am human.

Gajanan Mishra
I Take Rest

I take rest here,
But I know
This place is
Not mine.
I know though
If I be separated
No identity like this
Would be there for me.

Gajanan Mishra
I Talk I Walk

I talk I walk
With you
On the long road
And you
Recognize my time
Above and below
With new words
In sweet tune.
I am with you
And you are
My captain.
I am here to obey
Your order to win
The darker side for ever.

Gajanan Mishra
I Talk To Myself

I talk to myself,
I discover my language,
To show my identity
On this earth.

I take care history,
History is there
To prepare my speech.
My speech is there
To show what type of
The fighter I am.

In the dark,
I can't sleep.
No sleep no dream,
No dream no life's progress.

Gajanan Mishra
I Talked With A Poet

I talked with a poet
The poet showed me the sky.
I lookout the sky,
And the sky sent message
To sleep on the earth.
On the earth I was sleeping
And you appeared, my dear,
Let me tell you all the stories
In practical life here.
I live a life of all white,
But I found yellow and black
There and they all given me
Notice why I am here without
Marching forward with the poet.

Gajanan Mishra
I Taste Time

1.

I taste time
In clouds lightening
And thundering.
I taste time
In river water
That is rippling.
I taste time
In rip-roaring.
And I discover
That is not there
In me.
What I discover,
Ask not, please.
I am dying.

2.

I taste time
With the faith
That is unflinching.
I taste time
What I receive
In your teaching.
I taste time
In a motion
That is swinging.
And you tell me
To see and wait
For the next scene.
Next scene, no one can
See, after your retiring.

Gajanan Mishra
I Tell Life

I live in a fool's paradise,
Let me say myself as foolish
And ignorant, as I am proud
Of my educational qualifications
And name and fame and position,
Let me say myself as foolish
And ignorant, as I consider
Myself learned and wise and
I take pride within, I know
Nothing about anything,
I lack everything and I play
The card of hypocrisy,
I live in a fool's paradise,
And I tell life the beads of a rosary.

Gajanan Mishra
I Tell Myself

Not to be worried,
I tell myself, idiot,
I am doing nothing
And for this they all
Tell I am clean,
All wonder in me, though.

Hot the sun, but
I say it is an ice.
No one tells me a liar.
And I wonder
How this world is
Made of.

All know everything
And no one knows nothing.
I tell everything
About all everywhere.
And what they care
Not me but for themselves.

I think about a good word,
And that is already there
In each one.
Nothing to explore,
But the time has served
A notice expired.

Gajanan Mishra
I Think About You

I think about you,
About your days,
About your shadow,
About your mirror.
I talk the mirror,
I talk the shadow,
I talk the days,
I talk you all truth.

The truth is I am a man,
So also you are.
Humanity is our identity,
Humanism is our group.
All grace - with us,
All beauty - with us,
We lack nothing,
We are the warriors.

We are here to defeat time,
We are here to stay happy,
All the time and stay together.
We are one and the same
From time immemorial.
But for personal gain
Some try to divide us
With no reasons.

We know the past,
We also know the present,
Both are good.
And we are sure
Nothing bad would be happen
In the days to come.
We are for us,
We are human beings.

Gajanan Mishra
I Think And Hence I Act

I think and hence I act,
I act and hence I face trouble,
I face trouble and hence I get strength,
I get strength and hence I am able,
And able to win the life battle.

Gajanan Mishra
I Think And What

I think and
What I think
I can't say-
It is good
Or not good.

I like my shadow,
I know not-
The shadow like me
Or like not.

See my mouth,
It is opened.
Truth is there
Always, I can't
Say for truth.

Real things are
Not always real
As you see.
Unreal is also
Not unreal likewise.

The world is
So and so
But not life.
I think life
And life is here
With me to help
To discover the truth
Hidden in my thinking.

Gajanan Mishra
I Think Everyone

I think everyone
Is here to die
For his own mother,
For his own mother land,
For his own mother-tongue.

Gajanan Mishra
I Think I Feel

I think I feel
About You
I am willing to
Go to You, my dear.

With You I am
In complete bliss
And I am in eternity.

My mind is always
Merged in to You, see
I am in pure
Unalloyed state.

I am not in ignorance
But with full knowledge.

Gajanan Mishra
I think myself Supreme
I think myself ultimate blessing
I think myself truth and perfect
I think myself absolutely independent
As I am with You here always
See I have unrestricted wisdom
It is only for You, my dear
See me I am open and transparent.

Gajanan Mishra
I Think Of You

I think of You
But find nothing
I think of You
And find everything.

It is for You
I am able to think
I think and I
Reached no where.

You are unaffected
By my thinking
You are there
As before.

Gajanan Mishra
I Think You Are Sad

I think you are sad,
But nothing is there
That can make you sad
In fact.

In fact, we are all
Witnessing life
In different ways.

In different ways
We are leading
The seas and the sky.

But, I am here alone
And you said you are
Sad and in sorrow
No cause is there though.

Gajanan Mishra
I Think, I Act

I think, I act,
For the welfare of all
And it is okay.

But am I free from
The feeling of proud
Fro such thinking and acting?
Am I consider myself superior
To others and expert to receive
Praise and honor?
Have I showed mercy
With a feeling of vanity?
Is there any feeling of
Mine-ness and partiality
For my selfish motive?

Gajanan Mishra
I Think, I Walk

I think, I walk,
And therefore, I am.

I am and therefore,
There is my aim.

To fulfill that aim,
I think and I walk.

I walk to reach there,
Where there is the light,
Where there is the fire,
Where there is the star.

I think, I walk,
And therefore, I love.
I love and therefore,
I am in truth.

Gajanan Mishra
I Thinks I remembered
And I attained
Without fail.
I followed You
I understood You.
Now also I am in
Full consciousness of You.
And I got my
Perfection here with You.

Gajanan Mishra
I Too Love

I too love,
I too love you,
As you love me.

My name is Gajanan,
Remember and I am
Only for you here.

You may take
Whatever you wish,
Only to give I am here.

Nothing but the words
Are ours and without
These words we are,
Nothing but blind and
Deaf and dumb beggars.

Gajanan Mishra
I too want,
Want to live,
Here.
But I want
Truth first
My dear.
But I taste
Not good,
I am not able
To enjoy the talk,
Talk of others.
I am thirsty
Though the water
Is available in plenty.

Gajanan Mishra
I Took Oath

I took oath
In the first day of the
Month called 'Sankranti'
By odia calender
I fixed my programme
for the year
To devote my life
For the welfare of
Father and mother.

Gajanan Mishra
I Touched Your Heart

I touched your heart,
And stay therein.
Within you I discover
So many creatures,
Mountains, rivers.
I joined with you
For new invention
And we both grow
With no evil intention.

Gajanan Mishra
I Transformed Myself

I being the earth
I transformed myself
Into water,
Into air,
Into fire,
Into sky-
In creation and
In reverse creation.

Gajanan Mishra
I Traveled

I traveled
In the air,
The air traveled
In me.

We are not friends,
But we are cooperative.
We are here to help
each other in trouble.

Life after life,
I come with the air,
And I go with the air
As a servant.

See, the air is there,
But I am not there.

Let me broadcast my wisdom
In the air and let the air
Cool me in the ice
During my travel.

Gajanan Mishra
I Treat You

I treat you,
I treat you everything.

I don't allow,
I don't allow anyone
To take my place,
Repeat- to take my place.

Let me forgive,
Let me forgive you
Again and again
And yet again.

I know we are here,
And we are not ready
To lose eachother
Even for a moment.

Gajanan Mishra
I Trust You

I trust you, but
Not your arrogance.
And I am confident,
You are there to
Do always right.

Gajanan Mishra
I Try

I try,
And try to grow,
By touching the earth.
I try,
Try to see
The sky in all.
I know I am in all,
And all are in me.

Gajanan Mishra
I try always to hide you,
But you are there in my smile
And people know this open truth.

Gajanan Mishra
I Try To Live

I try to live
As perfectly as
I can.
I know the comments
Of others has got
No meaning.
I know who am I
And what I am doing.
Even in my dreams
I am watching
The rising sun.
And I try to understand
Who are there
Under this sun.

Gajanan Mishra
I Understand

I understand I understand
This that chit chat
Coo hoot warble gaggle
Talk croak scream chant
Twitter chatter gibber
Growl laugh bark
I understand I understand
You are broad day light
And not the dark
I understand my dear
How humble You are
And how You create and annihilate all
Without uttering a single word
And You are presenting Yourself everywhere.

Gajanan Mishra
I understand and
Appreciate you
For all truth.
I know, you are
Here for all good.
I know you are the nectar,
I am yours, my dear.
To give you service, I am here.
I am here for the welfare,
For the welfare of all creatures.
I am your son,
I am your disciple
I am for truth like you,
I know I am the truth.

Gajanan Mishra
I understand little
Still I am with you,
And searching the truth.

Gajanan Mishra
I understand nothing
Yet I am here living
I understand nothing
Yet I am going with you.
O time, you are giving
Me everything though
I am unable to keep
Those things as mine.
Let me listen what is
There in the air
Let me see what is
Going on there
With the star,
That is neither near not far.

Gajanan Mishra
I understand Your powerplus
This understanding is given by You
And it is Your grace.
I love You, O my dear
See me I am constantly devoted
I Worship You with love.
Let me stay free from
The contamination of material world
And attain Your favor.
I know I am a man I can attain
At the conclusion-Truth
And I am at this stage of elevation
To the transcendental platform
Being Your eternal servant.

Gajanan Mishra
I understand something or
I understand nothing.
I understand nothing yet
I am telling, I love you.
I love you and I have no time
To understand or judge you.
Who am I to judge you?
Who am I to make you understand?
I am no way connected with
Any type of understanding.
I am going on my way day and nights,
And you are here with me.
I have to love as I find no difference,
And so I am here to give respect to you.

Gajanan Mishra
I Use Words

I use words,
I know, though,
Each and everything is
Beyond the limits of words.

I understand
Your position here,
And yet, I am there
To misunderstand.

I am at the beginning,
I am at intermediate stage,
And I am also at the end,
Yet I am not sure
What you are doing there
For the purpose of good words.

Gajanan Mishra
I used to write poetry,
That are already written.
I remember one thing
Nothing besides the truth.
But what is that?
That I failed to explain.
You might complain
My qualification,
And the qualities,
That are required
For living.
But I live, see,
If it is not living.
What is then?

Gajanan Mishra
I Value More

I value more
To your honesty,
To your sincerity,
To love,
To truth,
To earth,
To sky,
To birds,
And to life.
Life, I value
More than anything.
I value the light,
I value the fight.
And I value you.

Gajanan Mishra
I Wake And I Realize

I awake and I realize
I exist,
But I know
It is all unreal.
I know I am
Not in reality,
I live, though,
I am non-entity.

Gajanan Mishra
I Walk Through Your Eyes

I walk through your eyes
And I discover the light.
I speak your words
With great delight.

I stop there where it is bright.
I make myself fit and right.
I dance and I sing
Your syllables and your write.

Gajanan Mishra
I want such a reader
That can see the truth
In my words and feel love.
The readers should be eager
Always to watch the sun and
The moon in the cloudy sky.
The readers should wait in the sun
And in the rain to smile
Only at life that he is living.
I want such a reader
That can ride my words and
Not interested in its arts.
Love and truth do not need
Any art, any cover, my dear.

I want good wife good house
Sufficient land good children
Aristocratic family relations
Victory over competitors and also
Attainment of accommodations
In the higher celestial planets
All at a time but I forget You
At the same time I forget Your
Mercy and benediction
I believe only in personal endeavor
And so I am far from success.

I am deluded by intelligence
And so I am in miseries
I am facing excessive heat cold rains
I am facing famine disease epidemic
I forget that all are my punishment
I am in delusion O my dear and I am
Meeting my failures every time
I know I can not conquer the reaction
Of material energy so long as
You are not present and so long as
I have no devotion and so long as
I have not surrendered myselfe before You.

Hunger is not mine,
Yet I want to satiate.
I want Odisha,

Giving food and bhasha.
Who is original here?
You are me?
Wait, answer would be
Given by time.

Gajanan Mishra
I Want No Compensation

I want no compensation
But I want to make you
Take the responsibility
Of doing wrong that is
Not repairable as any time.
Time and tide wait for none

I Want To Rightfulness

I want rightfulness,  
I want economic development,  
I want to satisfy my senses in good causes,  
I want to liberate myself through service to men.

I wish all good fortune for all,  
I wish all water and all air  
Be auspicious, sacred and clear.

I wish to free myself completely  
By controlling my own life air.

I wish to give up all thoughts  
That are mine.

I want to be fixed myself here,  
I want to go ahead for better  
And better life with impersonal features.

Gajanan Mishra
I Want To Say

I am not doing anything
I am hearing You - true
I am chanting - true
I am reading - true
I am cooking - true
True is that
I am not doing anything
It is You yourself doing
Single man's acting
In different times
In different roles
Time is not passing
I am passing before you
And You are doing Your works
As before.

Gajanan Mishra
I want to say something
About religion, I mean
To say about pious activities,
About development, about true
Satisfaction of the senses,
About liberation from
Material bondage.
I mean to say not about
Barbarous condition of life.
I mean to say about
The beginning of life,
But not about the general
Principles of life like
Eating, sleeping, fearing
And so to say mating.
To be very clear, I want
To say about the extra
Function of our own life,
About the realization of truth,
About self-realization,
And the Eternal relation,
That is there in us.

Gajanan Mishra

I Want To Talk

I want to talk
To the dead. And
Who is not dead,

Rely not on the news,
That is breaking.
And try to investigate
And side yourself
To the truth
That is lying.

Gajanan Mishra
I want to touch you,
But how?
I want to feel you,
But how?

With all my forgetfulness
Let me realize
I am yours.

You are not far

And you only.
You are there
In all colors,
In the air
And in the water.
You are the sky,
You are the earth.
I want you,
I want your light,
You are the light,
I know.
But for what

I want you and
You only.
You are my everything,
I am nothing, though.

Gajanan Mishra
I Want You Should Suffer

I want you should suffer
No pain
Remember experience
Is great gain
I loses my desire
To bring you happiness
I can tolerate all pains
But I can not tolerate
The smallest pain
Falls on you
O my dear I love you
With pure heart and
In true faith
I devote myself
To the service and
Welfare of you.

Gajanan Mishra
I Want You, Come Soon

I want You, come soon
I am blowing the whistle,
Let us go for honeymoon.

I love You, let me say

Love is our think-tank,
Love makes mind and body intact.

Not empty in eternity.

Gajanan Mishra
I Want Your Sentiment

I want your sentiment
I know sentiment is superior to all
I know only in sentiment you live.

Let me say in the sentiment of service
Only one can regards himself as a servant
And can deliver service according to his own sweet will.

Keep your sentiment divine and spiritual
Sentiment is love sentiment is bliss
I want your sentiment in love in knowledge.

Gajanan Mishra
I Want, Release

I want, release,
Release from bondage,
Bondage from
Body, mind, and
Mental absorption
In social, political,
pseudoreligious, national
And communal consciousness.

In order to attain release
From bondage, I am going
Far away from all happiness.
I know no one is happy here,
I know, no one knows
The truth.

Gajanan Mishra
I Wanted Stop

I wanted stop
But I could not.

It is a horrific experience,
But I am not in a position
To explain.

And post it

Adventure is agonizing.

Gajanan Mishra
I Warned

I warned
Do not stay
Always inside
In adverse times
Wisdom deceit.

Gajanan Mishra
I Warned- Adverse Times

I warned
Do not stay
Always inside
In adverse times
Wisdom deceit.

Gajanan Mishra
I was at Puri,
And I discovered
There the sweetest
World at one click
With Your eyes,
So black and so white.
Your eyes reminded me
All my holy thoughts
And I was there
Unser your shadowy gleams.
You called me to stay
And I was with your waves.
I was at Puri only for you
I know nothing else besides You.

Gajanan Mishra
I Was Born

I was born
I was a baby
I was a child
I was a student
I was a husband
I was a father
I am a grand father
Now and you can call
Me Gajanan
No difference
I am the same person
Then and now
Myself not changed
My body has changed
And I am not my body
As you know
I am what I am.

Gajanan Mishra
I Was Not Doing Anything

I was neither doing anything,
Not I am doing anything
To get anything
From any one here.

And I am also not interested
To take anything
From any one,
Bear me please with excuse.

Think not otherwise,
I am here not for nothing,
But for the reason
Not known to me as yet.

If you are so interested
Search me out within you.

Gajanan Mishra
I Was Not There

I was not there,
I will be not here,
But I am present.
You are recognizing
My existence and
It is your greatness.
I exist and
Therefore I am
Declaring my presence.
I am my own creation
And it is the reason
I am calling the whole nation.
O my brothers, let us again
Appear and reappear together.

Gajanan Mishra
I Was Stunned

I was stuned
At the dark in you
Who are you
no need to know
I do not want to know
The air the light the earth
the sky the water
And I know my life
Without knowing anything.

Gajanan Mishra
I Was Under The Rule Of English

I was under the rule of English,
So I must salute and I must use
English and I must take my education
Through English and I must use English
Everywhere always throwing away all
Rules/acts and consitutional provisions
Of my state and I must take English as
A path of my all out development-
Not the proper way to lead life here
In my sovereign socialistic republic.
English is a big window that I know,
But I must close the door when
English is coming like a furious storm
To take away all that are there in my pious home.

Gajanan Mishra
I Watch

I watch your gentle walk
In my corridor everyday.
But you are not there
To listen my call, why?

Gajanan Mishra
I Weep

I weep,
I weep for you,
I weep,
As you are not
One of my own,
As you are
Hanker after money.
I weep,
I weep for you,
I weep,
And I weep as
I could not
Make you understand
What a life is here.

Gajanan Mishra
I Welcome You

I welcome you
For your steps
Towards the welfare
Of the people at large.

I want to register
Your name, age, address
And contact number
With email.

I like to show you
The condition of the people
Here and there and
I desire to tell you
Their pathetic stories
In deatail for your perusal.

Gajanan Mishra
I whistle
And you?
Whistle.

I am visible,
And you?
Invisible.

I am against,
And you?
Neutral!

Today
I search
A corbel who is
Ready to make me
Out from coracle.

Gajanan Mishra
I Will Sue

I will sue, just wait.
My suffering is going
Beyond toleration.
I will file a suit
Against you
As you damage
My name and fame.
I will prosecute
You and your succourer,
In the court of law
And pray for action.
If you not restrain yourself
In interfering personal
Thinking of others.

Gajanan Mishra
I Will Be There

I will be there, I am not sure.
But anyhow I have to stay for you.
My love is there, I told the tireless ocean,
But the sky is too hungry to listen.

Who told you I am alone, my dear.
I eat, I drink, I walk, I sleep
And I do all sorts of work only with you.
No pretending games but my all love is truth.

Gajanan Mishra
I Will Die Today

I will die today,
I will live forever.

Gajanan Mishra

The dreams of
Tomorrow after swallowing
The dark.

Gajanan Mishra
I Will Not

No
I will not
Come again
And I remain
In you
O my love
Try to see me
I am visible
Like you
Within
Try to talk me
I am eager to
Hear you
I am here
My going and
Coming is
Not a matter
Of doubt.

Gajanan Mishra
I Will Not Be Available

Here tomorrow to observe your Sorrow,

You will not be the person To go with me in this row.

I am your origin I am not Here to declare before all.

You are here to show your caliber for the purpose of road-show.

Gajanan Mishra
I Will Not Be There

I will not be there
To tell you how
I was writing poems
And for what I was writing.

I know my poems
Will be there with
All metaphors, simile, etc.
Holding openly all
Love and truth.

You may discover me
In my poems at that time
But I will not be there,
To explain in details
The circumstances that
Compelled me to write.

What I was dreaming
I will not be there
To tell you, my dear.
You may refer to my words
To know the position
Of the life with nature.

I will not be there
To tell you again
How the the poems were
Flowing with my blood
Like fire in dry woods.

Let me tell you, my dear,
Come and enjoy with me
At this time here,
When I am present before you
To tell you to ultimate truth.

Gajanan Mishra

I do not know
What am I like.

The reason is
Well known to you.

Gajanan Mishra

I will return back
Wait.

To my sadness
To my eagerness
I will return back.

To my lonely world
I will return back
I will return back.

Gajanan Mishra
I Will Tell You

Are we here?
Nobody says no.
But I believe not.

Is it a circle?
Everybody says yes.
But I believe not.

Take a break.

I will tell you
the reason
and you will be
out of question
session.

Gajanan Mishra
I Will Write

I will write
I will write about you only
Whether you agree or not
And who are you
How you are here
That I do not bother.

I will write
I will write about you only
How I write
And where I write
It is not your matter
You are not to bother.

Gajanan Mishra
I Wish All Desire

I wish all desire
Be fulfilled.
And what is that desire
That I am not interested
To know.
The desires are yours,
And you are to get its fruits.
I know this world
Is a tree of desire
And it is very beautiful.
You are within this world
And trying to fulfill
Your wish and I wish here
All good, my dear.

Gajanan Mishra
I Wish All Good

I wish all good to you
I wish all good.

I know You are offence-less
And thoroughly honest.

Miscreants everywhere.

All good fortune follow when you
Punish the miscreants in an exemplary manner.

Gajanan Mishra
I Wish All Good For All

I wish all good for all,
But no one should take it
As an advantage to fulfill
Any personal selfish end.

Hear me first and
Treat this earth as own mother,
Take not any step to hurt
Or harm the earth anywhere.

Each one is god on this earth,
Each one is unique and full of mercy,
I know, each one wants to sacrifice
Everything for the mother here.

Gajanan Mishra
I wish and I stay,
Fearless, with full faith.
My love is unconditional,
I know this coming and
Going are not final.
I know we are all together
And nothing to apart,
And so I am in peace.
And I know we are here
To rise..
I see with us
The leaves are rising,
The flowers are blooming,
And the fruits are forming.

Gajanan Mishra
I Wish Everyone

I wish
Everyone in this world
Live happy

Like anyone else here.
I know no one is perfect,
No one knows anything.
I wish to do nothing,
I know nothingness is
The ultimate analysis here.
I want to play
But I know not with whom
I shall play here.
Play needs two persons at least.
And I see no other person
Other than myself here at any time.

Gajanan Mishra
I Wish To Get

I wish to get
Your love.
Your love is
With my love
I know, my dear.

You are there in it.
I am getting success
And you watch it
In wonderful eyes.

Gajanan Mishra
I Wish To Give Everything Away

I wish to give everything away
Through my poems that have eternal values.

I know taking anything is sin
I know giving anything is pious.

I can not take anything as I am empty
I can give everything that is with me
That is happiness that is service.

Try to understand me O my dear
As I am going to you keeping my heart pure.

Gajanan Mishra
I wish to go,
And when I go,
I am not able to go
With my legs
And hence
My wish has
No role to play.
And hence, I pray
Let me discard
My wish.

My dear, I wish
To hear bout You.

Within me, my dear
I wish to take
Care of myself.

You are all happiness, my dear
You are my mind set and everything.

Gajanan Mishra
I wish to hear you,
The truth,
Again and again

From your words
I know
Nothing is false
But all factual.

And we compare
And give value
To nothing.

Yours words
Have truth
I know from
Day to day livelihood.

Gajanan Mishra
I wish to kiss
The blue sky
I wish to kiss
The deep sea.
I wish to play
With the birds

With the stars.
I wish to stay
On this earth

In your love first.
I wish and I wish, I wish
To know your wish at last.

Gajanan Mishra
I Wish To Read

I wish to read and hear
And understand the meaning
Therein, my dear poet.

I know all that is needed
Is mystic practice and austerity
And I am ready to do that
For the benefit of human society.

You can only able to teach
The path of spiritual liberation
O my dear poet, come on and start
The work of teaching the world
But be cautious while doing
This difficult task.

Be practical in life and in writings.

Gajanan Mishra
I Wish To See You

But where are you
And who are you.
I wish to see you
In your original form
In complete norm.
I wish to see you
But where are you
And I found you.
I wish to see you
Within me.

Gajanan Mishra
I Wish To See You In Full

I wish to see you in full,
You said it is not possible.
Still, I am hopeful, time
Is there to call me horrible.

Gajanan Mishra
I Wish To See You Where Are You

I wish to see You,
Where are You
Please appear
O my dear, appear
And reappear in that form
That helps the sun rise
That helps the flower bloom
That helps the tree grow
That helps the wind blow
That helps the light shine,
O my dear, how are you
Are you not fine?
I am here to see You
Please appear and made me shine.

Gajanan Mishra
I wish to tell you
But what to tell
I know not.
You are a statue
In the traffic square
With old monuments.
Here I wish to drop
Some flowers and
That are not with me.
Lemons filled the tree
And I am unable to cross
the door-sill.

Gajanan Mishra

My poems that are the truth
And that are written by
Actual experiences.
I want to satisfy you
Through my poems and
Caution you to stay far
Away from all illusion.

Gajanan Mishra
I Wish You Smile

I wish you smile,
You smile for me,
See me in all
And all in me.

I wish you smile,
I wish you smile.
A larger space is
There in your smile
To live in.

I wish you smile,
I wish you smile.
Smile only can put
Everything in order,
Smile my dear, smile.

Gajanan Mishra
I Wonder

I wonder why
The creator is not here
And left his creation
In this condition.

Were is his mansion
I wonder
Why he has forgotten
To take steps
For manumission.

Gajanan Mishra
I Wonder Here- Truth

I wonder here
Thinking about you,
Dear truth.
And with your help
I am purifying myself.

I see you,
Dear, here everywhere.
Great mystics, you are
I know for good.

I am not disturbed,
See me and I have
Not committed any wrong,
Rather I am here
And rest, you are to consider.

Gajanan Mishra
I Wonder How You Are Here

How you are here that I wonder,
And I wonder what you are doing here.
Willy-billy you are taking roadside colours,
That I wonder seeing your marvellous that glitters.

Gajanan Mishra
I Wondered

I wondered
How I came here
Here is cloud
Here is dark
Dust swirled around
Gas condensed droplets
Gravity clumping
Unending debates
I wondered
My own existence
Big bang and my earth.

Gajanan Mishra
I Work

I work
But unknown
To you.

Gajanan Mishra
I worship you,
For good progeny,
For good fortune,
For power,
For money,
For a large stock of grains,
For heavenly abode,
For a long span of life,
For a strongly built body,
For stability,
For beauty,
For good marital relation.
I worship you
For love and truth.

Gajanan Mishra
I Would Let You Know

I would let you know,
Who I am, what I am
Doing here, when we
Shall meet together
In due course of time.

I would like to tell
You, what is your duty
And what ought to be
Done here in right time.

We are united here
For common cause;
To establish peace
And harmony in society,
And we are to take
Every possible step
To change the demoniac
The face of society.

We are on the way
Of rapid progress
In the field of
Humanity and love.
We are all gods
And we are all truth,
We know what we are here.

Gajanan Mishra
I Would Like To Meet You

I would like to meet you.
Where are you?
My love, my truth.

I would like to talk to you,
The matter that is in truth.

I have an open mind, as you know,
And I am transparent, see me.

You are invited to incorporate
Positive suggestions, if any.

My door is opened
Always for you, dear.

Let me express my desire
To stay with you
As I know, my truth.

Gajanan Mishra
I would like to share
My tiny world
That is full of
Love and truth.
I want to make progress
In your service,
I know you are the symbol
Of love and truth.
I want a society
Where mass of people are
In a pure state of
Peace and friendship
With one another,
I want such tiny world.

Gajanan Mishra
I Wounded None

I wounded none
But only hurt myself.
My living is not ordinary
As You see, my living is
To please You only.

I care none
But I pray You.
You are the Truth
Both inside and outside
I wish to associate only with You.

You are kidnapping me
That I know
And I accepted You joyfully
I am alert
With all eager glances.

Because of my shyness
Because of my distress condition
I stayed for a while
And You asked me nothing
For which I am disturbed till now.

Gajanan Mishra
I Write

I write and I read,
I am the enjoyer,
I am the object of enjoyment.

I care, nobody, while I write,
By writing, I expand myself.

I am my own reflection,
I play with my writings,
I exhibit myself as a living being.

I write to tell what I am,
I myself- the ocean of astonishment.

I am totally dedicated to me,
By continuous writings
In numerous forms
And I enjoy life here.

Gajanan Mishra
I Write Always

I write always
My glorious story
With my shining stars.
I dream always
In my life lawn
With your comfort love.
Softly and swiftly
I try to cross the border.

Gajanan Mishra
I Write And Therefore I Am Here

I write and therefore I am here,
I am here and therefore I speak,
I speak and therefore you know I am alive.
I am alive and therefore you fear me,
You fear me and therefore I won the battle.
I won the battle, battle of life and death.
And for that I write what I think,
I think and therefore I am all in all here.

Gajanan Mishra
I Write And What I Write

I write and what I write
All are truth and
All are based on experiences.

I pretend not in life,
Life is sacred, I know
With all love and truth.

I write at the call of my soul,
I hear the hearts always
And I apply my mind therein.

Deep feeling is there in me,
I feel the joy and sorrow
Of my fellow beings.

Yes I am suffering here,
Suffering from birth and death.

Gajanan Mishra
I Write My Life

I write my life
Confuse not, I write
Again in rain and
In thunder.
I write, not for
Stones but
For grass.
I write life
Not in clouds
But in clear sky.
Nothing to be discouraged,
But tell the sand
To come with me
For a jump
Not to harm
But to touch the sun
Through sunflower.
Life is to be written
Again and again, I know.

Gajanan Mishra
I Write Poem

I write poem
the way I think
it should be.

You are here
in my poem.
And
I have setup
my mind to
pacify you.

If my thought
If my action
And intention
are honest
If I am sincere
No body can
called me flatterer.

In fact
You cannot
blame a poet.
Poet writes poem
watching the
society modem.

Gajanan Mishra
I Write Poems

I write poems,
Poems on earth.
And the earth is
Writing upon me,
In the words
Of the sky.
I write poems,
Poems on the sky.
And the sky is
There in my hearts
With all fullness.
I write poems,
And poems are there
In words that are in me.

Gajanan Mishra
I Write Small Poems

I know small is beautiful
And I write small poems.
I want to be a small man,
I want to touch all in them.
My light is small
But it is high.
I want to stay at the bottom
With my earth-lamp.
My life is my globe,
I know and I want all
To come to me and see
How I am happy
With all smallness,
That are not to diminish.

Gajanan Mishra
I Write So Much

Loud enough
And hence,
Excuse me,
I am silent.

My mind and
My life- full of
Dreams, and hence,
I am fearless.

Fearless I am
And hence, I write
So much here,
And all are
On truth and
For you.

Gajanan Mishra
I Write The Truth

I write
And writing is
Not a small thing.
I speak
And speaking is
Not an ordinary thing.
What I write and
What I speak
Who has power
To direct me,
To guide me?
What is right
And what is wrong
No one knows.
Where is the air
Who can say?
Yet, I swim
In water to draw a sketch
Of the sky, dear.
My voice, though
Not soft,
Truth is there,
And all know
Truth is hard
To digest.
And I write
On truth,
And I speak
The truth.
It is all
For you.

Gajanan Mishra
I Write To Live

And I live to write
I write on the wall of time
And time writes me
On its own wall.

What is there in the afternoon
I do not know that you know
I know the morning that is
With me always and I am with it
Till the day break.

I know the world begins with me
And I am in this world just to
Challenge and stay for a while
That I perused in the wall
Of my body with a smile.

Gajanan Mishra
I Write To Make Me Fine

I write to make me fine,
I write to see me here
In my pain,
In my pleasure,
In my anger,
In my madness.
I write only for myself,
I know no one is there
Besides me here.
I write
As I want to talk with myself,
I write
As I want to go with myself,
I write
As no one has the same feeling
and same actions and reactions
like me here at this time.
I write
As I want to share everything
with all here.
I write as because
I want to go out
I write as because
I am inside now.

Gajanan Mishra
I Write What I Think Good

I write what I think
Good and worth writing.
I write in my own words,
In my own style,
On my own land with
The air and water
Here for me.
My language is sweet,
Life is short, though,
Life is bitter, though.
But I am not writing
All about that.
I write for you,
I write for the truth.

While writings I keep
My ideology- all love.
While writings I realize
All the truth
That is in me.
I am in conflict with me,
But I'm clear in concept.
I am showing everything,
I am holding everything
That is fine and that shine.
I want to reach all
With my words, and my words
Are so kind to all and they are
Ready to deliver everything desired.

Gajanan Mishra
I Write With Words And

I write continuously,
With words and sounds-
Pure and clean, my
Thoughts are mixed with
So many things, though.
Sometimes I am cool and calm,
Sometimes I am warm and hot,
Sometimes I do change my
Tune with birds, with snakes,
And I write with the help of
Flowers and airs, here and there.
I am unaffected and immutable
With space and time and
Actions and circumstances.

Gajanan Mishra
I, Always See You

I, always see you,
I can't say, I know,
Who you are, though.
Literature - useless,
Science - valueless,
Still, my words are
Here, eager to say
Something about you.
I know, truth is
Far behind, also
I know, far ahead
The truth. But I feel
The truth is here
Within me.

Gajanan Mishra
I, The Supreme

I am masculine
I am feminine
And also
I am neuter gender.

I am the lower
I am the higher
I am the element
I am the self
I am the field
I am the knower of the field
I am the action I am the seed
I am the womb I am the nature
My dear, I am the verse
I am your life - partner.

Gajanan Mishra
I, Too Am Present

I, too am present
Recognize me,
I am the time.
I am not changing
My colors, be sure,
But it is you.
I am mute, worry not,
Wonder not, I am here.

Gajanan Mishra
I, Too, Going

I, too, am
Going with you.
And you are
Passing the star.

The star is there,
I know you
Love me still,
With care.

In both
Hot and cold
You are with flute,
Enjoying life-truth.

Gajanan Mishra
I, You

I, You
This and that
No existence
No division
Real sustenance.

Expression not clear
Nothing is different
From each other
Only one entity
That is our love.

Gajanan Mishra
Ice

Ice,
How can I
Be the ice.
To chill
Is not
My future.
I am here,
See me
Hear my words.
I am here
With you
On this hot day.

Gajanan Mishra
Ice And Sky

Ice and sky
Both are in love.
And I love
Both here
At this Badrinath.

See I am here
And with joy
I take bath in
Ice-full natural
Warm water.

I am sad
With the crumbling
Down of the Himalayas
With Ice and sky.

Gajanan Mishra
Ice Weeps

Ice weeps
Sun dries
In dreams
All came
And stayed
ex cathedra
With full authority.

Gajanan Mishra
Iceberg Problem

Man better
Iceberg problem there.
No wonder
No body think
He is not fare.
All over
It is similar
All over
Man is unipolar.

Gajanan Mishra
Ice-Breaking

I see,
I see this
Ice-breaking moment,
And it is welcomed.

Let us smile and
Greet each other
For the welfare of others,
We learnt it from our forefathers.

And it is true
We are all one and
The same here
Our beginning and
Ending are also the same
If we failed to understand, it is shame.

Gajanan Mishra
Ice-House

Searching relations
In ice-house,
Searching the swan
The stone and the water
And the tree
In coming with
Air light and the sky.

Forgetting who are
Present there I ordered
The elephants
To guard the rape-seed flowers,
Be cautious, this is drum-stick tree
It would break down
At any time putting you in irreparable loss.

Gajanan Mishra
Ichhaku Mara Guli (Odia)

Ichhaku mara guli
Tume banchichha Jaa bhuli
Jaha hebarthila hela

Kana tumara thila ki?
Bhida jamauchha bekarare khali.

Gajanan Mishra
Ichhanusare

Aasa pakhei pakhei
Dekhibaku swapna
Jouta tumara.

Tuma sathi surya

Gajanan Mishra
It is you
Who is telling
Yourself as man
And is learned
Ans is superior
And there is a
Great difference
Between you and
other creatures
And this idea of
Difference is
Only your conception
Just for your own advantage.

Gajanan Mishra
Idea Of Ownership

Idea of ownership
Must be abandoned
You are telling me.

Dream of material life
Is the cause of bondage
You are telling me.

Here I am listening
And listening only and not
Trying to give up anything.

And I am facing defeat
Everywhere and complaining
No fair trial is going.

It is sure I am killing myself
Yes I am killing valuable time.

Gajanan Mishra
Ideas

My ideas
Are going to ruin me,
But see me
I stood afresh
Before You.

Gajanan Mishra
Idea; Narendra Modi Pm

Ideas can only
Change the society,
And you have ideas
That we know
And gave you vote
As our leader.
Your vision is
Incomparable,
Your lifestyle
Simple and pro-people.
You are the voice
Of our people outside.
You are the strength
Of our people inside.

Gajanan Mishra
Identical - We Both

For our interest,
We both - identical.

Quality is
Perfect ecstasy.

We both are glorified
And in loving service.

Our relation is
Praiseworthy and purified.

Gajanan Mishra
Identification And Identity

Identification and
Identity are not the same.
I may identify
Without taking the help of
Any identity.
The identity may not be
Correct in giving
Full identification.

Gajanan Mishra
Identification and Identity Are Not The Same

Identification and
Identity are not the same.
I may identify
Without taking the help of
Any identity.
The identity may not be
Correct in giving
Full identification.

Gajanan Mishra
Identification Of I

Identification of I,
It is decay, it is death,
It is the feeling of egoism,
It is singularity, it is passion,
It is grief, it is worry,
It is sorrow, it is evil
This feeling- life long,
Pursuits life long- no freedom.

Gajanan Mishra
Identify Me Not

I am no different from me,
Identify me not with anything
Other than me.
I have nothing to do
With anything here at any time,
But I am your counsel and teacher
As you know everywhere always
For your own welfare and well-beings.

Gajanan Mishra
Identify Yourself

Identify yourself
With all, my dear,
And render service
To others.

Love all equally,
O my dear, identify
Yourself with
The soul of others.

Gajanan Mishra
Identify Yourself Who You Are My Dear

Identify yourself who you are my dear
And say something about you by enhancing
Love at every moment and by realizing
The truth that is within you.

Gajanan Mishra
Identity

Woman trapped in a mon's body
Man trapped in a man's body
Who is man who is woman
Soumya and swati are one and same
Sex is not main point to
determine individual identity.

Gajanan Mishra
Identity - Length And Width

Put no question
And get all answers.
Answers are within you.

Just measure your
Length and width.

Stay blessed there
Where you are.

Try not to estimate
Your own value
At any time anywhere.

And where are you,
Truth is that
You are nowhere
And you are no one.

Gajanan Mishra
Identity - Love

I have identity with you
It is my love.

I find here no sin no virtue
I find here no bondage no salvation.

I have identity with you
I am sure I am in truth.

Gajanan Mishra
Identity - Where Is It

Identity
Where is my identity
That I can show you
I am that, I am this,
And how can I show you
That I am Yours.

I am covered with falsehood
I am Truth and Truth has
No identity as You know,
No identity, no affinity,
And here I am in distress,
And here I am in dark .

O my dear, enlightened me
With knowledge that I am Yours.

Gajanan Mishra
Identity And Property

Two persons,
One who grabs
and another
who hoards.
And both believe
their identity stems
from their property.
As such I prefer none.

Gajanan Mishra
Identity Card

You have shown
Is fake.

O fakir, you are
Not really
What you are.

You are totally
Another one
Is that one here?

You are travelling
From here there
I do agree.

You have no link
With night and day
I do agree.

O fakir, what use
Of all that
If you are not able to
Say who you are, right?

In fact you are
What you are
No needs of identity card.

Gajanan Mishra
Identity Crisis

I know who am I
I am a man
I respect humanity
I am free to do
For peace friendship
And harmony.
My role is to
Take care of humanity.
My duty is to ease
The tension in the air.
I know who am I
I know recognition
Of diversity is needed
In the present world.

Gajanan Mishra
Identity Not In Crisis-

Identity crisis
My identity is intact, see.

Here is my knowledge
And my real position, see.

Actually I am not lost
Though I am lost.

False identification is
of no use, see.

I am a living entity
I can never be lost.

I am not thinking
What I am not.

Actually I am lost
And my identity is intact.

Gajanan Mishra
Identity Of Land

I believe not
In any slogan or
In any award
Or in any power
Or in road-show
Or in tomorrow.

I know I have
No voice here
As because I am
Poor and in poverty.

But I am sure
It is for me
The identity of
My land is here.

Gajanan Mishra
Identity Theft

I am in the midst of identity theft
In the midst of burning pieces of wood
I see my limbs are set on fire
This is that material world
I am here made to eat my own flesh
This is the place of vultures of hell
I am here subjected to torment by serpents
Scorpions  gnats and other creatures
That are biting me always.

Gajanan Mishra
Identity With The Truth

Truth is we are Odias,
Truth is our fathers/forefathers are Odias,
Truth is we are residents of Odisha,
Truth is our Lord is Jagannath,
Truth is Our state official language is Odia,
Truth is Odia is a constitutional language,
Truth is Odia is a classical language,
Truth is Odia is one of the best language,
Truth is we have a identity with Odia language.
But by an error we identify ourselves with others.
Let us realize the truth and use odia everywhere.
Let us honor the democratic norms and the people.

Gajanan Mishra
Identity, Dignity And Humility

I am a human,
Because of my mother.
I am a human,
Because of my mother's language.
I am a human,
Because of my mother's love.

My mother's love
And language is my life.
I am a human,
I have this identity,
This dignity and
Humility only for my mother.

My mother is the best and
I have every right to get
Education in my mother-language
On this earth.
Let me live in this world
As a free bird
With all humanity.

Gajanan Mishra
Idiot / Genius

Who is idiot?
Who is genius?
Who is there
to tell and
tell to whom?

By the way
We lost all
in trial and
error methods.

And still we rise
and said okay
let us try again.
And we tried,
They said successful.

Gajanan Mishra
Idiots Want To Hear

Idiots want to hear
I love you.
I love you needs
Action and reaction.

I am neither in
Action nor in reaction.
Actions and reactions are
In no way helpful, I know.

What I know minutely
I consider it not mine.
What is not mine, I am
Interested in that, wonderful!

This is really wonderful and
I am here to left out my impressions.

Gajanan Mishra
Id-Ul-Zuha

Calm, calm,
Id-ul-Zuha.
Warm wishes
To you all.

Id-ul-Juha,
Id Mubarak.
I wish all good
On this occasion.

For all good
We are together.
For all good,
We are to go
Further and
Far and near.

Gajanan Mishra
If

If justice
Not delivered
Anything offered
Useless.

If food clothing
And shelter
Taken away
Debate useless
On anyother matter.

Gajanan Mishra
If A Father

If you are a father
And you envied your
Own qualified son
Let me say you are a demon.

If power is
Given to you
And you misused it
You are a corrupt person.

If you oppressed others
You are going against nature
You are not a Truth-follower
Remember, your death is near.

I hate him who is against the Nature-Creator
I hate the demon, corrupt person and oppressor.

Gajanan Mishra
If a man is good
Woman can be trained
For a good cause.

By nature
A woman wants
To be a follower of man.

Instruction be given
Not to speak a lies
Not to cursed anyone.

Instruction be given
Not to touch
Impure things.

Instructions be given
Not to get angry
Not to associate with wicked man.

And see only for
A woman here
Everything is fine.

Gajanan Mishra
If A Man Is Here

If a man is here
You can get everything here.
Call a man
God would attend.
Feed a man
And pleased all.
Let the man set free
And get peace.

Gajanan Mishra
If A Man Is Honest

I am sure he is a poet
If a poet is honest
I am sure definitely
He is here to read my poems
Sing my poems and accept
My poems with pure heart
Here in my poems nothing
Is there except the descriptions
Of Ultimate Authority
The Supreme Lord of all creatures
Livings and non-livings and
Here in my poems one can find His
Glories His name His fame and
His pastimes and the aim of my poems
Is to bring about a revolution
In the impious life of a misdirected
Civilization and to establish peace
And stability in the life of all.

Gajanan Mishra
If A Woman Is Corrupt

If a woman is corrupt
The entire family will destroy
There would be intermixture of caste
Family custom caste-tradition would die
Woman is the main pillar of a family
Of a society of a country and
Also main pillar of this world.

Gajanan Mishra
If Able

If able
Open your
Own box
And packet
And see
What are
There.

I am turning
Round and round
And you are passing me
Without noticing
The flying bird
Within.

What more
I want to say,
If able
Please return back
And see yourself.

Gajanan Mishra
If Actually

If you actually want to solve problem
Stop talking about problem
The problem will melt away of its own.

Gajanan Mishra
If Air Is Coming

If air is coming through
This window then no need
To go outside, I am not telling.

If you are here within me
Then why should I call you
Day and night, I am not telling.

As because I am ailing and suffering
I am humble, I am not telling
This is the only way of judging.

Let us rise and awake, my dear,
Let us arms ourselves with truth
And let us fight with love.

It is not good to discover faults with others
It is not good to live with evil thoughts and evil intentions.

Gajanan Mishra
If Anybody Is Anywhere

If anybody is
Anywhere, please,
Come on and declare,
Here, I am a man.

Look, I am a man,
And here I am
With all human qualities.

I am the son
Of a man,
Come on and test me,
If you so like,
But alas,
No one is coming forward
To say this!

Gajanan Mishra
If Belongs To Same Class

There is an attraction
As they belong to same class.

Ears have attraction for words
Skin for touch
Eyes for forms
Tongue for taste
Nose for smell.

O my dear, I have attraction for You
As I am your fragment
And we belong to the same class.

Gajanan Mishra
If Genuine, Nothing To Worry

If genuine, nothing to worry,
If in truth, fear not.
If love is there, no chance of tumbledown.

Gajanan Mishra
If Give And Take

If give and take is
The principle here
If it is the basis
In our relations
Then I am the first
Person to cut off
And discard such relation.

I have nothing to give
As you see and so also
There is no chance to
Take anything from you
At any time anywhere
As I am nowhere with a
Presence of everywhere.

Feel, nothing is nature
Nothing is eternal and real
As you see I am not conditioned
I have my own futility
With the space of truth consciousness
That is useful with full
Authoritative values.

How can I give anything
And how can you take
Just forget what is happening
Here there and watch
Where you are going
For what purpose
Searching your own meaning.,

Gajanan Mishra
If I Am

If I am here
You are there.
Nothing new
To be happened,
But everything is
Changing at every moment.
Thing is that
You are here.

Gajanan Mishra
If I Am A Poet

If I am a poet
I should not go
With any particular religion.
My religion should be humanity
I must love all creatures with compassion,
I must see the world as my home.

If I am a poet, let me see you
With all truth and truth is
That I love you most.
It is wrong on your part
To categorize me in any group.
Neither I belong to living
Nor non-living.
I am a poet, that's enough- my address.

Gajanan Mishra
If I Am Fire

O my dear,
If at any time
I become fire,
You please make
Yourself water.

And when I become
Blazing fire
You make yourself
A stream or a river
That can make me powder.

Just see the God within
And pray Him and offer Him
What you are eating at any time
Offer Him your entire entity.

Gajanan Mishra
If I Am Here

If I am here
It is for you
If I am getting light
It is for you
If the world is fair
It is only for you.

Gajanan Mishra
If I Am Not

If I am not
My controller
Who is then
If I am not
My supporter
Who is then.

I do know
My spirit
My absolute
My action
And matter
And intelligence.

My questions are
My answers
And in answering
My questions
I found you
You are in me
And I am
With you.

Gajanan Mishra
If I Am Qualified

If I am qualified,
If I am deserving,
Supreme Truth of life,
Be told to me.

What is the Supreme Truth,
That I know not,
That you know
What is the Supreme Truth.

Gajanan Mishra
If I Am Unable To Utter Truth

If I am unable to utter the truth,
I myself should cut out my tongue.
I see everything here in me
And I experience each one's acts.

I myself is the knowledge, dear,
Attain it through intimacy and
Cure your illness and have a vision
That is in you, that is the truth.

Gajanan Mishra
If I Am Water

If I am the water, my dear
You are sap
If I am the sun, my dear
You are light
If I am a being, my dear
You are my seed.

I exist in You, my dear
And You manifest Yourself
In the form you like
I am deluded
And take refuge in You
And I cross all illusion.

O my dear, You know
My past my present my future
I have no knowledge
I have no realization
I am a blind lover
Know nothing besides You.

Gajanan Mishra
If I Am Willing To

If I am willing to work
With my mother-tongue,
No one is there to
Frame any rules or
Regulations or to
Give any restrictions,
Or to create any problems,
Or to stay on the road
Of my progress,
Or to give command or order
Not to do such and such acts.
If I am willing to work
And utter words, all blessings
Are there with me.

Gajanan Mishra
If I Am Your Enemy

If I am your enemy
Kill me.

Kill me, kill me,
I want to die.

I do not want to
Live with you
As your enemy.

If I am your enemy
Kill me, kill me,
Kill me.

Gajanan Mishra
If I Die

Nothing would happen
If I die, that I know
And still I fear death.
Death is here and I am
Dying at every moment.
What is there in me
I know it is all death
And still I am trying my
Best to live here as long as
I wish though I know
Nothing such would happen.

Gajanan Mishra
If I Disappear

If I disappear,
Who will be there
How can I say.
If I disappear,
What will happen
To this world
How can I say.
But I can say
If I disappear,
The very meaning of
This life-well
Would be meaningless.
If I disappear, nothing
Would be there, my dear.

Gajanan Mishra
If I Failed

If I failed to do
Some good to you
I am not a human being
You may called me beast.

Even the beast are there
And doing some good to others
If I failed to do some good to you
Treat me lower than the beast.

All are here one, body differs though,
The water, the air are one, ponds, rivers
Seas, clouds, and other containers
Are different in sizes, colors though.

If I failed to do some good to you
It means I failed in me and I am far from truth.

Gajanan Mishra
If I Feel A Lack

If I feel a lack
I know I have never loved you
And I forgot
The real, never ceases to be.

Gajanan Mishra
If I Have

Destroy me
If I have
a little bit of
imperfection.

I am aware of
What I have
And I am grateful
for the happiness
You gave me.

I know you are
with me always.
Everything I
possessed is yours.

Destroy me
If I have
violated yours
principle of laws
anywhere at any time.

Gajanan Mishra
If I Have Sense Of Mine

If I may be damned.

You were neither with me
Nor will you remain in future with me
You are always separating from me.

If I have sense of mine
I may be damned.

If I keep my desire with me
It leads me to darkness.

Let me think my consequences
Let me practice what is good for me
Let me stay free with all goodness of You.

If I keep my desire with me
it leads me to darkness.

Gajanan Mishra
If I Open

My dog is better
Better and faithful
My parrot is better
It talks as per order
I can not say
About my wife and son
If I open my mouth
I know it is I
Go went gone.

Gajanan Mishra
If It Is Necessary

If it is necessary to come
Come please come
If you do not like to come
Please come come
Come come and come
Till you are not there to come.

This is the tamarind tree
That call you to come
This is the cloud
That call you to come
This is the ant
That call you to come
Come come and come
Till no body is there
To call you to come.

Gajanan Mishra
If It Is Yours

Limit it.
Limit the speed
Of your car
If you can.
Lest it face
An accident.
Check every moment
Damage if any
Check by yourself
Check by sending
To a workshop.
If your car is
Running smoothly
Be sure it is
Under your control.
If your car breaks down
You are affected by it.
My dear, this body
Is your car.
Going with this body
And performing actions
Through this body
Without attachment
And aversion
Check regularly its
Impurity and see that
You have surrendered it
To almighty.
If you are wise
And pure keep your body
And nature under your control.

Gajanan Mishra
If It Pleased You

I am hanging myself
In the sky
Heaven will not come
To home I know
With a wicked witch.

The hell I know
Better I like to go
If you do not come
To my rescue
If it pleased you.

Gajanan Mishra
If life is there
Everything is there.
If life is not there
Nothing is there.
Here is past
Here is present
Here is future,
Stay only with nature.
Your own nature is
there to tell you
what you are and
how you are.
It is true
Nothing can change you
The knowledge, the wealth,
The time, the honors.
And still you are a mystery,
It is better to forget history,
Only in forgetfulness only
You can get peace,
If you are in need of it.
All the words are in touch with you
That I know and it is the truth
You are alive here with all
And wanted to add something more.

Gajanan Mishra
If Money Is There

If money is there
With you,
You are holy.
And your hypocrisy
Is virtue.

Opportunity is
At your door,
If you have money.
And you can speak
Anything to anybody.

If you have money
Most of the people
Consider you
Sincere and saintly.

You can smoke,
You can drink,
You can sex,
You can gamble,
You may be
Animal slaughter,
No matter,
If you have money.

Gajanan Mishra
If My Nature Is

Demoniac,
If my motive is
Selfish,
If I am a man of
Hypocrisy,
Kill me, kill me.

My earth is divine,
My mother is divine,
My Father is divine,
See me, I am committed
To the welfare of all
Here, there, everywhere
If You do not like it,
Kill me, kill me, kill me.

Gajanan Mishra
If My Presence

If my presence hurts others
And on my presence the people
Here feel pain and suffer
Let me go out from this place
O my dear O my master
Even if it is heaven.

If in my presence people here
Enjoy peace then O my dear
Let me stay here even if it is hell
And a place of terrible
Pain and suffering.

Gajanan Mishra
If My Words Are

If my words are
Not coming out
From my clear heart,
Those words should
Perish from the very
Beginning at the root.

If my mind is not
In You, my love,
Let me see the hell
Let me stay in hell
For all the times.

You are with me always,
And how can I leave You my dear,
After knowing, You are the only Truth?

Gajanan Mishra
If the horny covering
On the ends of your
Fingers and toes are
Growing, cut not
Your fingers and toes,
Cut the nail on the way
You like most.
No question to raise
A revolt on any one.
No question to go
To the ocean and take bath,
If filtered tape water is
Here in your own house.
Search, solution is within you.

Gajanan Mishra
If No Fear

Is in you
I do admit
You are really
superior.

You are superior
I do admit
As you see
All beings in you
And you are in
All beings.

I know you are
fearless my dear
And you are free
And you are living
With dignity.

Gajanan Mishra
If Not Able To

You can not make me weak
If you are not able to make me strong.
You can not select properly
If you are not able to make yourself
Apolitical and nonpolitical
You can not do anything here
If you are not able to detach yourself
From everybody from everything.

Gajanan Mishra
If Not Careful

No use of life
If you are not careful.
No use of mirror
If you have no eyes.
No use of knowledge
If you have no commonsense.
No use of developement
If the benefit not reap
By common people.
Be careful be careful.

Gajanan Mishra
If Not Happy

Are we not happy?
We all Indians,
Are we not happy?
If not happy,
What to do?
And if happy
How to touch
The roots?

Let us experience
Everything,
The time and the rage,
The life and the growth,
The hunger and the thirst,
The touch and the taste,
And we all are here
To show the scenes of
The happy river.

Gajanan Mishra
If Ready To

On track -
Men, muscle,
Money, mind.
But not
On track -
Love, heart,
Life, journey.

Sorry,
If black.
The pot is
Calling the kettle
Black.

Hip hip hurrah,
If ready to
Climb the tower.

Gajanan Mishra
If So Like

You may say if so like
Say something
Do something
And continue to learn
And that is incomplete
Minus me.

Gajanan Mishra
If Spring Is

If spring is here now
Remember, summer is not far.

But if love is there, mind it
O my dear, you can't find hate.

Love is love and it is as pure as
Supreme Soul and it is the only Truth.

Gajanan Mishra
If The Administrators

If the administrators are
Not able to work as per

And enjoyed at the cost of
The money of general people.

Gajanan Mishra
If The Sun Will Not Rise

If the sun will not rise,
And it is not impossible,
Tomorrow will not come and
Say rise, rise men, rise
And get refreshed and go
To attend your duty.
No one can direct the earth
To revolve round the sun,
No one can comeforward
And clarify how all these
Are happening here, when
Nothing is happening and
Nothing to be happened as
Surprised or as regular routine.

Gajanan Mishra
If The View Point

If the view point is right
Everything is right.

Remain always
Meek and humble.

Be humbler
Than the grass on the street
Be more tolerant
Than the tree.

My view point is based
On Your presence
And I understand Your presence
O my dear and as such I am here.

You are in my heart
And You present everywhere.

Gajanan Mishra
If There Are Errors

If there are errors
Anywhere in this world
It is none of my business
To do anything here.
I am a part of this world,
And I am here to enjoy
With others, I need not
Search for the errors
Of others here as they are
Also made part of this world.
I am only to listen, and
I am to listen in full.
I am only to love and love
In full and stay in truth.
What is truth I need not
Enquire in to as I know
Everything is truth here.
I am to act in full
With proper understanding.
As I am a human being.

Gajanan Mishra
If There Is

If there is love
There is hatred
You can not deny

And you utter
The words lapsed.

Gajanan Mishra

A stir is caused in it
And butter is extracted.

Gajanan Mishra
If There Is No Honest Ruler

If there is no honest ruler
There will be great social disruptions
Plundering of people's wealth
By rogues and thieves
People will be killed and injured
Animals and women will be stolen
Civilization will not progress
No economic development
Unwanted population like dogs and
Monkeys will be there
O poets you are the only person
At this junctions to rescue the people
And take responsibility and find
The way out for the good order
Of the society and the world.

Gajanan Mishra
If There Would Be Rain Again

If there would be rain again
The grass would grow
But the lady bug would not be there.
If there would be rain again
the bird would not sound
the bird would cry all days.
The crow would rise after the rain,
After the rain the sky would get life.

Gajanan Mishra

The travelers are here.

Gajanan Mishra
If Unable

If you are unable
To see anything

You can see yourself in both
Inner and outer sight
And admit the life okay.

Gajanan Mishra
If Unbearable

If I am unbearable,
Unbearable my words,
Cut my throat,
Cut my body in to pieces.
But I am here to tell all truth,
Truth about love and life,
Truth about language and land.
I am truthful on this earth,
I know this is not mine,
I know I will not stay here
For long, but I know
So long as I am here

Listening that I can awake.

I know You are transparent like glass
Like sky like light like love-fight
I know you are calling me day and night
And I am here preparing myself with
Full valor and zeal and flying like a kite.

O my dear, I am certained
And confidence is with me
You must come to me and stay
For a while with the life I maintained
With rules and regulations as you contained.

Or plinth of quarrel
As quarrel needs
At least two
This is nothing new
And we are searching
New friend new cause
Of quarrel.

Gajanan Mishra
If You Are Capable Enough

I am separate
I am distinct
Do not consider me
Equal with others
Even though I am
Sitting eating walking fighting
Breathing speaking and doing

And your life is nothing but a machine
Without any feeding and
Destroying everything that are herein.

Gajanan Mishra
If You Are Not There

If you are not there
Please tell me,
Who is there
And to whom I am
Going at this time.

Responsibility on this score.

If you are telling

You are absolutely wrong
Each one has got freedom
To do whatever he likes
Everyone is free to go
Where ever he likes
But it is not that he is great.

Greatness is something different, my dear

My skin is natural my heart beat is natural
Forests mountains rivers seas are all natural
The air I inhale exhale is natural
The light I see is natural O dear as you are natural
The water I drink is natural the sky the sea natural
If you ask me who am I and I must say I am a man
I must further add a natural man fully natural though
I stay in unnatural house of bricks cements rods
I am a citizen of man made country with unnatural boundaries
Let me give a clarification in this connection
As a natural man I belong to the whole world
I am writing for each and every creature of this world

To the heart of all that are here at present
That were there in the past and that will be here there

Not here and truth is not there.
I know you are all truth
And you are available in love.

Gajanan Mishra
If You Desire Something From Me

If you desire something from me
My dear, I am sure you are not in love
If you love me for my sake
It is okay and it is true love
But You are in attachment
You are in lust you are in delusion
And as such I must say go on
In proper street where my house is there
Do not go by other street that is deadly
And dangerous, my dear.

Gajanan Mishra
If you do not speak
In my language
How shall I understand.
If you like me, love me,
If you want to be my leader
You have to learn my language,
You have to speak and
You have to write in my language.
If you failed to do
It is hypocrisy,
By hook or crook you are
Trying to exploit me
Without my knowledge and by
Keeping me in dark.

Gajanana Mishra
If You Ever Want To Cry

If you ever want to cry,
Cry for your mother.
If you ever want to
Do something, do
For the motherland.
If you ever want to love,
Love your fellow creatures
Who are living with you
At this time on this earth.
Go for life,
Do for life,
Talk live,
And see, you are
Living for the good.

Gajanan Mishra
If You Failed To

If you failed to understand me,
What shall I do!

I cannot change
my nature as you see,
You also cannot do.

What I want to say and saying
If you failed to understand and hear, that is your loss.

I cannot help you, my dear,
I find no way out
to release you from this problem.

Yes, I do admit you are my beneficiaries,
yet I cannot identified myself with you.

Gajanan Mishra
If You Feel Arrogant

If you feel too arrogant
Take a trip to America.
As always happened
You have to replied
About weight height colour
And be a lier.
If you are a Khan
You will be detained
May be you a president
May be you an artist.
Sorry and apology
Is there to make you happy.
If you feel too arrogant
Go for a trip

Gajanan Mishra
If You Follow

If you follow it is okay
If you follow an order
The order has force
If you do not follow
It is stone you can throw
Remember everything
You have done has its own effects
You are to bear, my dear
Follow or not follow
The option is with you.

Gajanan Mishra
If You Have A Dog

If you have a dog,
Bring it everyday
To show us
How faithful it is!

If you have a flower
Bring it everyday
To show us
How fragrant it is.

But breezeless I see.
And I find
Mind not crazy.
I find doors locked
And sea is inside
With howls and hiss.

Gajanan Mishra
If You Have Real Art

Touch not
The screen, but
Touch the heart.

Gajanan Mishra
If You Ignore

If you ignore or
Deny anything
It is sheer foolishness.

You are losing your
Very existence
Within no time.

Continue journey
That is a head
Remembering everything.

Gajanan Mishra
If You Know

If you know
If you know the process
Of freedom from bondage
You are wise.

If you know
The actual heaven
That is the predominance
Of the mode of goodness
You are wise.

You are wise and
True friend of all
If you know and show all
The path of eternal life
Without any personal interest.

Gajanan Mishra
If You Really

Want to read my poems
Then here it is
Blank space
In stormy seas
Just see
Running sky
Through train whistle
And coming to me, got
The lip-wine honey
And comment fine
Through your guitar
You can again call
Rain rain rainy.

Gajanan Mishra
If You Say Me

If you say me life air
I am harassed by
Hunger and thirst
I am in this material body
That is subject to
Birth and decay and not I
Mind is always anxious
And intelligence hankers
For that can not be obtained
And by constant struggle
All senses exhausted
Let me remain aloof, my dear.

Gajanan Mishra
If You See Me

If you see me here.  
Here is my existence  
And I appear to exist,  
And when my existence  
Comes to an end,  
Nothing remains there  
What I am really .

Gajanan Mishra
If You So Desire

If you so desire,
Kill me here.
Kill me there,
Where you are.
I want to die
With you in colors,
In water.
In the air
In any atmosphere.
I want to die
At any time anywhere,
If you so desire,
Kill me but remember,
I am not to die, dear.

Gajanan Mishra
If You So Like

If you so like,
Show your dareness
And make correction.

If you so like
I have no objection.

I have opened the chess,
Words are mine,
Emotions are mine,
You may reshuffle them
Keeping originality in tact.

If you so like
For all good.

I will be obliged,
I will be grateful.

Gajanan Mishra
If You Think

If you think
I am a poet
I can create
A world as per
Your wish and
If you think
You can fulfill
Your dream
Through me,
O my dear, it is
My fortune.
Give me proper
Words with all
Truthfulness in it.

Gajanan Mishra
If You Think You Are A Man

If you think you are a man,
You are to live like a man,
You are to perform your duty like a man.
If you think you belong to this land,
You are to talk, write and obey
The rules, laws and language of this land.
If you think you are posted here to serve,
You are to serve for the welfare of the men here.

Gajanan Mishra
If you think yourself suitable,
Stay there and listen to my poems.
My poems relate to you and you are
To make yourself change if possible.
Possibility and impossibility,
Everything is there in you
And you are to find the truth
By placing yourself on the right track.
My poems are there, see, read and observe,
Follow my poems in letter and spirits
And see yourself in a different role,
You may fulfill your desire and thereby
You can ignite the fire for all welfare,
Here I am waiting for you in air.

Gajanan Mishra
If You Want

If you want
this is my skin
you can see.
this is my soul
you can feel.

How to die
I know.
I know
how to live.
But nobody is agree
to let me free.

You, my dearest
at least say something
say about eating walking
here there as per desire.

Only you are mine
come with mw
come with me to see
to talk to move
and to do things
which conduce.

Gajanan Mishra
If You Want Happiness

If you want happiness
And peace, then you are to
Restrain yourself in all
Things and stay free from
All pain.
If you want happiness
And peace, then you are to
Guard your own eyes, ears,
Tongue, speech, hands, feet.

Gajanan Mishra
If You Want Me Alive

Do not love me
I would die
Do not touch me
I would die
Do not smile at me
I would die
If you want me alive
Do not love me
Do not love me.

In your love
There is life
In your love
There is death
Do not love me
I neither want to die
Nor want to live
Do not love me
Do not love me.

Gajanan Mishra
If You Want Reputation

If you want reputation
Observe the principles
Of religion.
You are an expert man
As because you are able
To maintain your family.
Your main goal of life
is to fill up the belly.
You are truthful
As because you are audacious.
Your hair style and facial decoration
Is your beauty.
Here there is reservoir of water
It is a sacred place, my dear.

Gajanan Mishra
If You Want Separation

If you want separation,
No problem, it's okay.
But you are fallen,
From where, you to think,
If your thought processes
Are in order and good.

I am here, on this earth
See me and tell me not
Anything that is contrary
To living together as
I know in togetherness only
Life flows like the stream.

It is not the question of
You or I, this is for all.

Gajanan Mishra
If You Want Success

If you want success, my dear,
You are to do the same work
Again and again and again
Without keeping any doubt
Realizing the truth on duties
And opening thousand eyes
That are with you and be sure
Milk is there in the udder
Of your earth-mother to feed
But like the calf you are to
Attack for sucking milk,
No question of failure, be sure,
Go on ceaseless and need not pass
Any buck on others as there is none.

Gajanan Mishra
If you want that I should leave,
Then be sure, I am leaving and
Started to leave from you.
But please tell me who are you to
Ask me about anything here and
How powerful you are to desire something
That is not yours here.
You, yourself is not free and
Yet you are trying to give me
Directions and trying to
Pull me out from this place.
My destination is unknown, true.
My living is insecure, true.
My actions are being disturbed, true.

Gajanan Mishra
If You Want To Be A

Qualified servant
You must not desire
Material profits.

Pure high class Master
You must not desire
To maintain prestigious position.

Gajanan Mishra
If You Want To Cry

If you want to cry
Cry at night alone.
But there is nothing
To cry and still if
You want to cry
Cry alone at night.

If you want to smile
Smile before others
Gentle smile gives
You strength and power.
Smile with love
Opens your hearts.

The world is there,
Make the world smile.

Gajanan Mishra
If You Want To Do

If you want to do
My work
Do it, what and how
I want.
If you want to talk
With me
Talk to me, in my language
That I know.
If you want to stay
Here, in my house,
Stay the way
I am staying.
Let me clear,
You are only mine.

Gajanan Mishra
If You Want To Get Peace

If you want to get peace,
Switch off the lights of
Your bed room and close
The ears and the eyes.
If you want to get peace
You are to shut of your mouth,
Cease all works, and sit
Where you are statuesque.

Gajanan Mishra
If You Want To Give Something

If you want to give some food
Give to the hungry
When he is in hunger
At the place where he is residing
Alone or with his family.

Claim not anything
As your own, my dear,
Admit always that
Nothing is yours
You are just a care taker.

Every one is a pilgrim
Every place is a place of pilgrimage
This world is just your own image
Go not forage, you cannot find any foot-page.

Gajanan Mishra
If You Want To Ignore

If you want to
Ignore the world,
Ignore it,
But ignore not
The world is
Within you,
Ignore not
You are the truth.

Gajanan Mishra
If You Want To Know

The secret of rising from darkness
From untruth from mortality
Worship your mother.

Your mother is truth of life
Your mother is here with you
To give you everlasting life.

Gajanan Mishra
If You Want To See The Iron Not Black

If you want to see the iron
Not black, heat it in the furnace
Every now and then.
If you want to see a man
Successful, give pain
Every now and then.

Gajanan Mishra
If You Want To Take

If you want to take
Take what is yours
I have no objection
And who am I to object.

No ground of objection
Is there I know
Everything is yours
The time is also under you.

I am in no way
Connected with anything
I have nothing but to
Obliged You till the end.

I understand the value
I also understand what you want to do.

Gajanan Mishra
If You Want To Write

Live with others peacefully
Start living with patience
With tolerance and with all coherence.

Gajanan Mishra
If You Wish

Anything can happen
If you wish.
Sky can fall
Dead can alive
If you wish.

Gajanan Mishra
If Your Wife

If your wife is
going against you,
think, you are in truth
and on right path.

Worry not, clouds
would come and go
on their own way.
The clouds are
not capable to
harm you in any way.

But my dear friends,
You are to stay cautious always,
Living means playing with fire,
Life is a double sharp-sword.

Gajanan Mishra
Ignite Not

Ignite not,
My memory,
I want to sleep.

I want not to wake,
I realize the activities
Of this world.

But I am not tired,
I know the hollows,
I know the echoes.

I know I am not you,
I am what I am here
For truth.
I have my own
Aerial roots.

Gajanan Mishra
Ignorance Covers

Ignorance covers
Real knowledge.

And O my dear
You are not here to
Assume sinful or
Pious activities.

Gajanan Mishra
Ignorance Is Here To Die

You are not here to die, dear.  
It is your ignorance who is  
Here to die on this very die.  
It is the falsehood that is  
Ready to go and not the truth.

Gajanan Mishra
Ignorance Is Outside

Ignorance is outside,
Knowledge is inside.
Cultivate knowledge
For peace.
Peace is necessary
To establish truth.
Truth is there as before,
To touch the truth
You are just to go.
Love and dream are
Two gifts of knowledge,
You are to achieve
In the courtyard of truth and
Voice of wisdom you are to hear.

Gajanan Mishra
Ignorant

Ignorant
We all,
Ignorant
Our leaders.

Blind we are,
Blind the world.

We are not to
Go anywhere,
But to stay
Here.

Truth is
Far from us,
But we are
Not in falsehood.

Gajanan Mishra
Ignorant Child

Ignorant child.
O my dear, O my mother
O my father, I am Your
Ignorant child
Soiled with mud
Coming to You
And You are ready to
Put me in Your lap
Without thinking
Whether I am dirty or clean,
See me, I also do not mind
Whether You are going to
Clean my mud, I am just
Beholding You, my dear, that is enough.

Gajanan Mishra
Ignorant Is He

Who performs action
For himself only
Ignorant is he
Though well read
But not enlightened
Ignorant is he
Who bookish knowledge
And full of desires.

Gajanan Mishra
Ignorant You Are

Have some knowledge, 
don't be ignorant, 
but ignorant you are, 
as you are not listening 
good advice of your parents 
and teachers, as you are 
killing other creatures, 
as you are envious and 
telling lies and you are 
fighting for nothing 
keeping anger, as you are 
not able to know who is 
there within you and where 
are you going from here.

Gajanan Mishra
Ignore Everything

Ignore everything
But ignore not life.
Life is at the center,
At the beginning and
At the end of all.

Words and lights-
All are there.
The sea and the sky
All are there.

See the world in each life,
See a wave in each life,
If you are able to compare
The identity of one another
For vibration in you.

Gajanan Mishra
Ignore Not

Ignore not
And ignore
And live
A life of
detachment.

Live with love
But not
With pleasure,
Not with those
That are impure.

That are bad
That horrible
That are not Yours
I know, I know.

Gajanan Mishra
Ignore Not Anybody

Ignore not anybody
See everything destined.

Right here, right now
You can come, you can go.

Poem of romance
I can have without dilemma.

Practice a little more, my dear
Belief not rumor.

I am well aware
As I go how and where.

Gajanan Mishra
Ignore Not But

Ignore not but
Use not for
Political gain.

Gajanan Mishra
Ignoring The Self

Ignoring the self is fatal,
Ignore not anything, anyone,
See and discover the self everywhere.

Gajanan Mishra
Ill Luck

Ill luck-
Not there
In loss of money.
Ill luck is there
In advising a
Foolish man,
Ill luck is there
In giving shelter
To a bad man or
A bad woman.

Gajanan Mishra
Ill Winds

Ill winds are there, 
and it is common, 
As because a man has 
all enviousness, 
Let us face it with 
all boldness.

Have courage to face 
every odd that are there 
before you and show 
your caliber.

No wife, no son, no brother 
is yours when you are 
playing the role of a 
nation builder, remembered.

Gajanan Mishra
Ill-Fated

Ill-fated, let us called him unlucky
Having a son if a father is in sorrow
Living with a husband if a wife is not happy
Keeping wealth if a man is begging
Being a king if not taking care of his subject
Without any fault if one is punished
Keeping aside good people if one is making friendship with wicked
When earth is here you are sitting on the tree, my dear.

Gajanan Mishra
Illicit Connection

Illicit connection
With anyone -
Result -
Loss of all
Good qualities.

Neglect of mother,
And mother language -
Result -
All destruction
And death.

No quarrel,
No hypocrisy,
Life is but a Highway
Go straight on it.

Gajanan Mishra
Illness And Falsehood

Illness and
Falsehood
Both are
Dangerous
To the body and
The mind.

Let us reject
All illness
And all
Falsehood for
The sake of
Life and truth.

We are not here to be
Punished by ourselves.

Gajanan Mishra
Illness And Stillness

Illness and stillness
Both are here with me,
And I care not both.
I want to speak something,
The words are the truth,
The truth is not the words, though.
I think, therefore I am,
I speak, therefore what I am.
I am, what I am not
Without any utterance.
And I break the time
Within me and I comes first
To speak something before you,
The only truth for good.

Gajanan Mishra
Illuminate Us

Illuminate us,
We are all busy here
In our respective works
Like smelling, seeing,
Touching, perceiving.
Allow not illusionist
To do anything with
False impression
By lighting up the lamps
That is within.
Allow us to know
The facts that are clear
And useful for future,
We know all inspiring.

Gajanan Mishra
Illumination

I am in the darkness of ignorance
O my dear, illuminate me
You are my shining sun, you are my intellect
You know me and I remember You
I know there is nothing beyond You
You are beginning-less and transcend the limits of time
O my dear, illuminate me

Gajanan Mishra
Illuminator

Illuminator - the self
And I am established
In the detached self.

Gajanan Mishra
Illumine Yourself

Illumine yourself
By your own inner light,
That can only free you
From lust, from anger
And from worldly pleasures,
That can only gives you
Light and joy and
Peace and all happiness, my dear.

Gajanan Mishra
Illusion

O illusion,
You are with your conjuring trick,
I know your formidable army is spread
Over the whole universe,
I know Anger and Greed are the generals,
Hypocrisy, Deceit and Heresy its champions,
Everything is unreal that I understood
O my dear, and it is Your grace.

Gajanan Mishra
Illusion And Maya

Maya
Illusion
I do not know
No can can find
Any illustration.

I do not know
Who are you
Angelou
I am least
Concerned with you.

Right and pit
No needs to know
Wrong and right
No needs to know.

Concept of
Heaven or hell
Not also mine
And it is you
To decide Maya
Angelou what to do.

This life
This world
That going to
Start afresh
With this poem
Is not yours.

This poem is here
As it is and
Let me say
In evenness of mind
How I crave for poems
That are actually yours.
Illusion Is Here

Illusion is here,
Know the illusion, and
Within the illusion
Know the truth,
And see,
The illusion is no more
With you.

Gajanan Mishra
Illusory Affection

And nothing more
This union
This separation.

Gajanan Mishra
Illusory And Temporary

Everything, here,  
See illusory  
And temporary.  
And hence, attach  
Not with anything.

Nothing is in order,  
No balance sheet  
Prepared so far  
By any near and dear  
Or by any officer.

All plans are  
Big failures.  
But brothers, wait  
For the next chapter.

Gajanan Mishra
Illusory Duality

Illusory duality
Here it is
And you are
Entangle in it.
You are deviated
From your own
Best interest that is truth
When you indulge
In praising or
Criticizing the behavior
Of others.
You are in illusory
Duality, O my dear
Consider not others inferior.

Gajanan Mishra
Illusory Relationship

Worldly relationship
Are illusory.
And all are caused by
Misunderstanding.

A fool knows not
How he is under the bondage,
Bondage of material nature,
And taking the risk.

Gajanan Mishra
Illustration

No need of illustration
No application
One power one will
One life-breath
And you may cast that
You want before all.

Question of torturing
Does not arise
It is no wrong to
Tell a lie as you are
In false-world
False for what
Clarified first.

Gajanan Mishra
I'm Damned

I'm damned,
Life, itself is
Punishment for pleasure.

Let me stay aloof,
Let me construct a hive,
Hive of nectar.

Let me express my intention,
Intention to proceed
On the path of love.

Life, itself is
The fruits of love
And truth.

The truth is here and through it,
Let me recognize the truth of time.

Gajanan Mishra
I'M Just Well Mixed

I am just well mixed
Said Frost.
Hearing this
My balloon burst.

I am here to
burst upon you,
my dear truth,
Where are you?

The burner is with me
You can see this
even without your eyes.

I am not burly,
You cannot caricature me,
I am going beyond the time.

Gajanan Mishra
I'm Tired

Please stop,
I'm tired.
Whirlpool,
Spin like a top.
Please stop,
No more dust,
No more force.
Please stop,
Hit and earthquake.
Fighting and killing,
Please stop.
Let me orbits
Birth and death
Round and round.

Gajanan Mishra
Image And Sounds

Tell me what is an image
And tell me what are the sounds
That are coming from that image.

You have eyes you are telling
Tell me what is the Truth and
How far it is spreading within you.

You have mouth you are telling
Tell me where is the sounds
That are here at the hours of departure.

O my dear, really tell me
If you are able to see anything
If you are able to speak something
Producing such sounds that are
Full of Truth.

Gajanan Mishra
Image And Symbol

Truth is just an image
Love is just a symbol.
If the world is a ball,
We are the players, my dear.
Kick it here, kick it there,
You are at the center, not far.
Tell openly, my dear, the ship,
I am riding to the end is not mine.

Gajanan Mishra
More and more,
Turning and turning,
Life is living.
Life is living on hills,
In oceans, on air
For all the sky.
Sand and dust
All around life.
Gold and diamond
All around life.
Colors and weapons
All around life.
Life - image full,
And all good and cool.

Gajanan Mishra
Image Of God

Man is man,
Man is the image of God,
and man has no religion.

Just accept this truth,
my dear men, and stay
in love always,
without any discrimination.

Have patience,
and go on with the beginning
though ridiculous it is.

Have courage
to face the war,
In war, find
peace is there.

Gajanan Mishra
Imaginary

Everything is more or less
Here or there imaginary
Everything is under control.

Everybody is eternal
Ans Supreme Truth
And pastimes spiritual world.

Gajanan Mishra
Imagination

Why imagine
I know not.
But I live
With imagination.

Song, music, life
With all I live.
And I love
To live life.

For you
I imagine,
For life
I shine.

Gajanan Mishra
Imagination and creation,
Both go side by side
And also, together.
We are under protection
Of imagination and we are saved.

Creation is there with us
Since we are living here.
Creation and smiling with love
Both are here and for which
We are all auspicious.

We are in heaven, true.
We are in love, true.
We are for others, true.
But we are not ours - bad luck.

Gajanan Mishra
Imagine, You Are Not Here

Imagine, you are not here,
Imagine, you are taking birth
Two days later,
Imagine, you are my dearest dear.

Only in imagination, the world is
Not revolving, my dear,
Be practical, I am here,
In front of you, present for ever.

Whether you imagine or not
I do not bother, it is the other-
Way round that you suffer
The fear that is near.

Gajanan Mishra
Imagined

All imagined,
Living, dying,
Shortness, smallness,
Bigness grossness,
Cause, result,
Everything and everybody.
All are earth
And nothing else.
All are nature,
Time and activity.
All creation, and
All destructions,
All imagined,
All are but nothing.

Gajanan Mishra
Immersed In Pure Love

I am immersed in
Your pure love my dear
I am eating sitting
Playing sleeping
With you all day all night
You are my friend partner
Philosopher and guide
I know You are also a product
Of material nature like me
And I realized it is due to
My pious activities of past life.

Gajanan Mishra
Immersion

Immersion in the great
Ocean of love is great
Work and that should be done.

Remaining in absolute truth
Is a great great life-truth
And that is to be done.

It is the knowledge that to spiritual
Through which everything can be done.

Gajanan Mishra
Immersion In The Holy Water

O my dear it is
Realization of divinity
In the nectar.

Overflowing pitcher
Nectar of knowledge is churned
O friend it is
Beginning of the end.

Day and night
Represent my intellect
O my Master
I know I am immortal.

I am for the good
O my dear and you are
With me here
I believe a good ablution.

Gajanan Mishra
Immobility Seasons

Do not ask any question
Answers are difficult to find
Do not go deep
It is difficult to come out.

Dusty road a head
And well-tempered light
Do not see the sight.

Male or female ghosts are there
Do not go with anybody
Echoes shadows reflections
May allured you in the middle.

What is known about the sky
No wings are here to scattered
And you know I am not here
To answer you any question.

Gajanan Mishra
Immortal

Look, O men
You are immortal.

Only you are to
renounce your desire
Only you are to
Purify your inner sense
After that you are God
You are disinterested
Friend of all
And your actions are
For the welfare of all.

O men, you are to
Know your nature
And you ever remain
Engrossed in your adoration
You yourself is an incarnation.

Gajanan Mishra
Immortal World

We are not mortal,
Let me declared
This is immortal world.
We were here before birth,
We are here after taking birth,
We will be here after death,
though in different forms and
We are unable to see though.
Let us acquire that knowledge first
and stay happy always here.

Gajanan Mishra
Immutable Entity

Immutable entity,
O, you are.
You are no way
Affected by
Light or dark.

No smoke
No rain
No thunder
No lightning
Can change
Your position.
You are beyond
Creation and
Annihilation.

No flood
No famine
No earthquake
And nothing
Can change
Your position
And power.

O, you are,
What you are,
Pure and clean
Fixed and dazzling
The north-star,
Ever scented flower
Ever good, ever fair.

Gajanan Mishra
Impart No Instructions

Impart no instructions but,
Let all go with the call,
Call of nature and let them
Live in the company of
Day and nights.
No matter- full moon or
New moon but let them
Understand they are the natural
Born son of the soil.
Let us remember, love is
Only our very own.
We are to give priceless words
To each other and stay
With patience to see all good.

Gajanan Mishra
Imperfect

I caught a ghost
That love me most
I love ghost
And ghost is imperfect
Ghost is not there
Is it not correct!

Gajanan Mishra
Imperishable Crown

Poet writes poem
Not for any prize.
poem writing is
Not beating the air
Poet is here
Writing for all creatures
For their peace
And welfare.

Gajanan Mishra
Importance Is Given

Is it true?
- The sun rises in the east,
- And I am living,
- The bird is flying,
- I love you.

Is it not true?
- Nature is there to take care,
- Nothing is here or there,
- I have forgotten smile,
- I have so many ways to go out.

What is true and what is not true,
- A matter to debate,
The result is zero, though,
Importance is given to that.

Gajanan Mishra
Importance Of Compassion

Almighty is always gracious,
He knows the importance of compassion,
just cry, 'mercy, mercy, mercy'.

Gajanan Mishra
Importance Of The Self

Importance of the self -
Always there, it is the whole,
Let us recognize it always
For the very existence
Of the world.

Be armed with the self
And proceed ahead.
Use your own position
In proper way
For the sake of others.

Gajanan Mishra
Important Events

Important events
Are there in your life,
Please say
Something about that.

You are progressive
That I know,
You are attending
So many important
Meetings that also
I know, at your work
Place and some other
Places, I want to know
What important sugestions
You have given there
To turn the pages
Of history, please
Say something about that.

Compliments galores
Are here waiting
For you today,
Please say
What you want with
So many huddles.
If you so like
You may say- life
Is as simple as
Huddles. Life is
As fair as the colours
Of this day, the holi.

Gajanan Mishra
Important Fact

Important fact,
Your duty is to
Remember that.
You are to discover that
You are to go for that
Yu are to attain that.
Important fact,
You should not give
Your freedom,
You must not surrender
Your sovereign
Only to fill up your belly.
You should keep faith
With you in tact, important fact.

Gajanan Mishra
Important Not

Important not -
Midday sun.
Important is
You are staying there-
How long.

Life is not
Only an imagination.
It is the cloud
Within the sun.

See life dazzling,
It is there as such.
Ultimately you are to sail,
Throughout the storm
With and without norms.

Gajanan Mishra
Important Partner

Are you my important partner
In all respect?
Are you selfless?
Are you in truth?
I wander.

It is true, I love you
I want your development.
But you? remember,
True partner is always reciprocated.

Come on with new vision
O my dear, I am here
Waiting for you, be clear,
For better future and
World order.

Gajanan Mishra
Impose Not

Impose not your
Own ignorance
On enlightened knowledge
Impose not falsehood
On Ultimate Truth.
And if you are going to
Do it be ready to bear the agony
Of your heart that is most terrible.

Gajanan Mishra
Impossible

It is
Impossible to write
A perfect poem
It is
Impossible to find
A perfect man.

Let us enjoy
In this forest
With all imperfections
Let us discover ourselves
Within all falsehood.

Come on and play
And stop in a sportive spirit
And enjoy transcendental pastimes.

Gajanan Mishra
Impossible Is Possible

Impossible is possible
We are to go
The signal is green now.

We need more and more
And that is nothing
Neither singular nor plural.

Nobody is going
Only seen and unseen
Just log in.

Gajanan Mishra
Impossible To Fulfill

Desire -
Impossible to fulfill.
Go not with desire,
But nib it in the bud.

Gajanan Mishra
Impossible To Understand

It is impossible
To understand You
By the false
Understanding of
Separateness.
My dear, You know
Everything and
In Your presence
There is nothing
For me to make known.

Gajanan Mishra
Impractical Demands

Impractical demands
Are not wise
What happened to tortoise
You know better
When the tortoise
Wanted to fly.

You know better
Needless to describe
In details
Be satisfied with your
Own post my dear
And go not to die.

Gajanan Mishra
Impregnated The Message

Impregnated the message of peace
Morning is the best time to hold service.
Morning is when you rise from sleep
Sleep is the mother-womb of peace.
You a man is on elevated seat
You can present your view point of life.
Stick to the path of service
Impregnation of peace.

Gajanan Mishra
Impure / Purified

When you identify
Yourself with
The material world
Your senses are impure.

When you realized
Who are you and
Identify yourself as servant
Your senses are purified.

Unless you purify
Your senses you
Can not be happy
O my dear, think
Think and act
Act and go for purity.

Gajanan Mishra
Impure Men And Moths

Impure men
Are like moths,
They are killed
By their own faults.

Moths, at night
Surround a fire
And impure men
Always with desire.

Gajanan Mishra
In A Cage

My fault?
I know not.
But I am
In a cage.
Reason?
Not known.
No road to
Go outside.
I am sure,
I have done
Nothing here
Or there so
Called-not good,
Not for welfare.

Gajanan Mishra
In A Conclave

I fall I rise
Morning evening
Night day
And dying
And dying.

I open my eyes
See nothing
I hear everything
No sound there coming.

My temple my god
Still alive
My vision my emotion
Still alive.

And I invite
The rage of my wife
And my senses
Five.

I visualised
Sit in a conclave
Not shaped.

Gajanan Mishra
In A Continuous Chain

Life is
In a continuous chain,
And we live in it
Without any limit.

And we live insight,
With all taste and
Sweetness.

And we utter
The words
In volumes.

And we advice
Other for
No reasons.

And we show
Our pride
How in a
Chronological order
We are here.

And we say
We need nothing
But we kept
Our eyes
In everything.

We forget
The essence
In the true sense.

Gajanan Mishra
In A Cycle

We are all
Waiting for a call.

Gajanan Mishra
In A Detach Way

In a detach way
I am performing my duties
Nobody can dump me out.

Gajanan Mishra
In A Dilemma

The dilemma of
What to write next
Is always in me.
And still I am writing,
I know not how
I am able to write
So much with love
In the arena of truth.
But I am writing
And it is all terrifying.
You are putting so many question
But I am giving reply
Sorry yaar, it is all resolving
For all the time.

Gajanan Mishra
In A Dilemma- Poem Writings

The dilemma of
What to write next
Is always in me.
And still I am writing,
I know not how
I am able to write
So much with love
In the arena of truth.
But I am writing
And it is all terrifying.
You are putting so many question
But I am giving reply
Sorry yaar, it is all resolving
For all the time.

Gajanan Mishra
In A Dream

In a dream I am flying
And when I am awake
I am here with You.
Life is a dream
In this dream I am with
These material world
I gain my conscious
I am awake and
I know You are my seed
You are my Master
You are my Father Mother
And what not.
You are my body
You are my soul
You are my reality
You are my everything
And what not.
I am here constant
I am here in highest perfection
I am in Absolute Truth
And I am awake
I am with You.

Gajanan Mishra
In A Glass House

See me
I am living
In a glass house.
See me both
Inside and outside.

See there
An ordinary fly
At times sits
On a sweetmeat,
At another time
sits on rotting sores.

There, see the bee
Sits on flowers
To sip honey.

Gajanan Mishra
In A Great Happiness

In a great happiness and wonder
I see You and exclaimed, 'Jaya! , Jaya! '
I am with You here
It is my fortune, 'Jaya! , Jaya! '.
I am part and parcel of Your theater
You are the theatrical actor, 'Jaya! , Jaya! '
I am no way different from You
That I know here, 'Jaya! , Jaya! '
You are the essence of all creatures
I love You my dear being my proprietor, 'Jaya! , Jaya! '
I am within You, You are the time-river
You are the Supreme controller with all air and water, 'Jaya! Jaya! '
You are most beautiful, the Super, my dear
Everything that are Yours with me, let me offer, 'Jaya! Jaya! '

Gajanan Mishra
In A Language

I am talking to you
In a language,
That belongs to no one.
And this language
is giving trouble
To each one.

It is neither a
dialect nor
a sub-dialect.
It is not partitioned
in mates and bounds.

Let me give you
my language,
as you are giving me yours.
There would not be
any wrong any misnomer,
My dear, let me say
I am yours.

Gajanan Mishra
In A Lighter Vein

In a lighter vein
You can say anything
To anyone, okay!
But not to mother- wife,
To father, father-in-law.
When you are eating
The food of others,
You can't say
As per your whims,
You may be the chief of
Press council.
Mr. Katju, be aware of
Your own position
And see the nation
Or face the consequences
In time's wheel.

Gajanan Mishra
In A Logical Sequence

In a logical sequence,
Let me say this world
Is for all and all
Belong to this world.

This world - I know,
Life is a logic,
Logic of time,
Time of incarnation.

Gajanan Mishra
In A Loving Manner

Come to me
In a loving manner,
My dear, I am here.
Come and arise
And know who am I.
Come and feel,
Feel delight
While with me.
I am the truth here,
Come and see, my dear.
Come to me
In a loving manner,
Everything is yours
I am giving you for ever.

Gajanan Mishra
In A Means

We are in a means
And our importance
Depends on discrimination.

We are all one
And it is our birth right
To attain truth through means.

Gajanan Mishra
In A Natural Way

It is happened
In a natural way
Nothing to lament.

And you have
No control over anything
Nothing to lament.

No lamentation please
You are in the zone of
Pleasure and peace.

Gajanan Mishra
In A Place Of Sorrow And

I am in a place of
Sorrow and suffering
This place is pleasant
And also unpleasant.

Here there is a mixed
Predominance of one
and the other, my dear
And so why to fear.

I know all actions of mine
Are clouded with defects
I know You are here
Only to accept.

Gajanan Mishra
In a poem
I encaged you
not true.
I make you
free not false.
It is joke
to grumble you.
Take it easy
as routine.
Life binds
timetable
not true.
I make you
free in poem
not false.
Take it granted
you are free
in this world
of tree
true.

Gajanan Mishra
In A Poem You Can Find

Direct from the core
Of the heart of the poet
That is so true
So lovely
And here reader's joy
Knew no bound
The poem also shows
The eternal affinity
Of the embodied soul
With love with truth
The poet through his poems
Wants to release all
From all sins
My dear, read the poems
And avail this
Golden opportunity of
Listening and reading.

Gajanan Mishra
In A Queue

You said
Be in a queue
And I clarified
I believe not
In queue.

What is a queue
What for in a queue
You could not answer
I left the queue.

Returning from queue
I said look
The queue is in me
And you are lining up
In a hurry.

Gajanan Mishra
In A Regulated Manner

Let me enjoy
My pleasure
In a regulated
Manner.
Let me move
Higher and higher.

I am firm here,
Through, not proper.
But I am a
Responsible householder.

I remember,
Which day comes
Monday after,
Let me read there my future.

Gajanan Mishra
In A Second

You can finish
All and everything here
That I know.

And I know, O my dear
My love is here
For ever, no one can
Finish my love.

No one is inferior
No one is superior
Here, O my dear
I know it s a creature.

Each and everyone is
Under the law of nature
And the law of nature
Is under Your control.

I know, Only You want love
You want pure devotional service
And I am ready for it
As a living entity.

Gajanan Mishra
In A Single Moment

You can achieve anything
In a single moment
You can topple me.

Be peaceful and silent
Just for a moment
Untie the knots of desire
Within your heart.

Go not with mutual
Flattery and exploitation
Be in control with your
Body mind and speech.

Be in detach with victory
And false pride.

Gajanan Mishra
In A System Of Language

In a system of language
We are the prey.
Prey of misunderstanding
And hatred with
Inferiority complex.

Permit not all water
To flow.
But permit that are there
With the stream
And the tide.

Feel the pulse of the day,
Hear the words of the moon,
Live with the rising sun,
And go with the star.

Gajanan Mishra
In A Transparent Way

In a transparent way,
Let the truth known to all.
We know the truth is for all good.

Gajanan Mishra
In Aching

Hues and cry -
Nothing new.

Everything is
But natural -
Throwing rotten eggs,
Using cunning mind,
Exploiting tender hearts,

I lost
In aching.

Gajanan Mishra
In Adroit Manner

Let Gajanan Mishra
Come to the stage
Shakespeare Wordsworth
When out of phase.

How beautiful is the dawn
Please explain
Here is Gajanan Mishra
Not to lodge any complain.

No upper no lower
It is only mishra means mixture
Cooperation and coordination
In adroit manner.

Gajanan Mishra
In affection and confidence
I am staying here and asking
You, my Father, all about here.
I know, You are all and all
To know about something
Is to know You, as You are in all.
I am Your son, I am Your servant
I am here to serve You each and every time
O my Father, You are my life-stream.
Let me pray before Your good self
Give me a chance to serve, as I deserve
Give me a chance to know that You preserve.

Gajanan Mishra
In Affidavit

In the affidavit
I have declared everything
Relating to my name, address,
My occupations.
In the affidavit
I have declared how
And in what circumstances
I have done all things
Without any personal interest.
In the affidavit
I have declared everything
Relating to the vastness
Of the sky.
In the affidavit,
I have mentioned the light,
The breeze, bliss, vibration,
And also all sorts of circulation
And value of alphabets
That have relation with me.
See and peruse, my dear,
And experience in your own life,
Rest is yours.

Gajanan Mishra
In Air

A leaf, in the air. 
See there.

And I scream 
In dream.

Scripts are fair, 
I know, on this earth.

Because of scruples 
I am reluctant to 
Receive all.

Selection and 
Election are 
The principle 
With no prejudice.

All are there 
In a place of opportunity.

Gajanan Mishra
In Air I See

In the air I see
And what I see
That is there.
I know nothing
Is there, that
I know not.
I know not
The air.

Gajanan Mishra
In All

In all I am yours
In all you are mine.
Everything and
Everybody is yours
You are in all.

I want you
For pleasure
Pleasure is not of the self
I love you and
It is not an error.

Gajanan Mishra
In All - Right  ????? ??????? ???????(Odia)

?????? ??? ????????? ????? ?
? ????????? ????? ????? ?? ????????? ?? ??????? ????? ??
? ????? ???? ??? ????? ?????? ????? ????? ?? ??? ?????

English rendering;

In all everywhere right is there.
All are created by nature and would be there in nature.
And who are in the middle, their end is there.

Gajanan Mishra
In All Forms

In all forms,
You are okay,
Rise and awake.

Spoil not time,
See me.
I am within.

Rise and awake
And march forward,
I am there.

Gajanan Mishra
In All Respects

In all respects, I am fine
All my offerings are only for You.

Each and every day, I
Each and every moment, I
Wish to stay with You.

You are my only ground
Where I am standing as yet.

I am a tiny creature, not at all powerful
I am happy and enjoying my life, with You, in full
I am telling myself always, be cool, be cool.

I am unable to understand what are these
And how all these are going on here.

Thinking within myself I appeared
And I disappeared as such in Truth
With a perfect scene at the sight.

Gajanan Mishra
In All Statues Of Life

You are suffering
Truth conscious life
Is the best option.

Let me see in a form
That I can see should be
Your prayer, my dear
No other way is there.

I am your love
I am your Truth
See me feel me
From the core of your hearts.

Truth is here and it is open and
Nothing is for me to make known.

Gajanan Mishra
In all words and in all laws,
There is light and there is the clear picture.
But we the mischiefs are trying to
Pull back the wheel of progress
For our self-interest and
For this, we suffer much.
We dare not to speak the truth,
The truth is there before us, though.
We are not blind, true,
We have both hearts and minds, true.
We know the road-map of joy, true.
We know both coal and gold, true.
Still, we are helpless,
Still, we have no idea about the sunrise.

Gajanan Mishra
In An Embarassing Positions

I am in embarrassing positions
With so many wives.
And all are trying to attract
Me in their own ways.
And I am certainly embarrassed.
I am not able to advance
On my path of truth
And I am always disturbed.
Here I am suffering
Like anything, see me.
No way to go out.
Help me, my dear,
Show your mercy and
Let me live with you only.

Gajanan Mishra
In An Empty Pocket

In an empty pocket
I can go anywhere,
I need nothing for
My living and delivering
Speech in my own tongue.
I, even need no
Audience, no readers,
To listen or read me.
I need no certificate
From anyone on my
Role or character.
I am, what I am here.
I prefer to stay happy,
Without any rank or power.

Gajanan Mishra
In An Orderly Way

Maintain me my dear,
In an orderly way.
See, I have nothing to give,
I am poor and also foolish.

You have given me everything,
I do admit my dear.
Yet I am poor for my own faults,
I feel no sensation, I have no blood.

Give me strength to fight, dear.
Give me voice to raise,
You have given me the language, no doubt,
Yet I am good for nothing, not using it
At any time anywhere at my home,
Give me the courage to move forward, my dear.

I am here under pressure,
Let me learn something from nature, dear.
Let me realize I am free and sovereign,
Let me know who I am and how to stand
Before all here in all weather.

Gajanan Mishra
In An Unknown Land

In an unknown land
I search my identity.

I search my identity
In the cry of the vulture.

In the cry of the vulture
I measure the waves of the sea.

I measure the waves of the sea
In your love my dear and
I want to touch you therein.

Who you are I want to know
In the darkness of life.
But the life I find full of light.

Life- I find full of light,
Where in I find the earth smiling.

Gajanan Mishra
In An Unmindful Way

In an unmindful way,
Lipi is watching the rain.
And I am going to Lipi.
I asked, where are you Lipi?
And Lipi answered
She is in rain.
It is Lipi's morning,
It is Lipi's day,
Undoubtedly I can say.
I must say
Lipi herself is the rain,
Who is crying for
What she has lost.
What Lipi possessed
Is not sufficient
Lipi casually told me yesterday.
Lipi is in the reflection,
Lipi is in punctuation,
Lipi is in meditation,
But Lipi is unmindful,
I dare not to ask
Any question further
To Lipi or to anyone here,
My fear fears Lipi only.

Gajanan Mishra
In Anger In Grief

Let us come together
To take proper actions
To prevent ruthless
Killing of innocent children
Old aged and women
Regardless of politics.

We all know killing of
Children women etc
Are the works of mental
Ill patients
Let us come together
To tackle those people
Who use firearms
In the plea of shooting
And self-defense.

Let us come together
To take meaningful actions
Against cold-blooded murders
And to save all educational
Institutions as they are
The sacred and brooming
Place of our future generations.

Gajanan Mishra
In any way,
You desire, dear,
You would get
Success and
perfection.

You are a man,
And you have power
To finish all
Miserable conditions.

But in the morning,
And in the evening,
You are to take
Great attention and
Care with love and truth.

Gajanan Mishra
In Arms

With open arms,
It is true,
We are here arm in arm.
We have one air,
One water,
One light,
One sky.
It is true we are
Trying to fly,
And everything we find here
Within arm's reach.
And we find nothing
At arm's length.
And we have so many arms.

Gajanan Mishra
In Banana Tree

In banana tree
Only once
The fruit
Banana appear,
But even that
Fruit is given
By the tree to
Others with respect.

Gajanan Mishra
In Between

Here, You are,
There, they are,
In between,
I am suffering.

I am suffering,
And it is divine,
It is in good faith,
In my own time line.

Gajanan Mishra
In Between Blue And Yellow

In between blue and yellow,
It is there, the green.
It is life, it is in grass,
In leaves, it is flourishing
With all materials and
Our life is greenish, it is
White when we see, it is
Colourful as we wish.

Gajanan Mishra
In Between Fatherhood And Sonhood

See me, in between
The fatherhood and
The sonhood.
Who is the father
And who is the son
Difficult to say.
Still as usual,
We are telling for
The sake of the story,
Not true, though.
We should live
Like the cow,
We should live
Like the tree.

We should go
To the ocean
To float.
We should go
On fighting
Gorillas war.
We should know
How to install
Again on this earth.
We should know
Where to go
And we should go
Taking all wishes
With us that are good.

Gajanan Mishra
In Between- I Exist

Feel me,
I am here
With you.
I am here
In between
Black and white,
I exist
And I appear.
I appear
And I disappear.
See me
In my disappearance,
Feel me
In my appearance.

Gajanan Mishra
In Between Life And Death

Here we are,
In between the life and death.
Here we are,
In between the earth
And the sky.

The sky is looking at us,
By ringing the bell,
And the earth takes care
Our living here.
The air, the fire
And the water all together
Making a plan in a mysterious way
on the path of eternal truth.

Gajanan Mishra
In Between One And Two

In between one and two,
In between existence and
Non-existence, you are there.
You are there and I feel
Nothing is far. I feel no fall.
You are there, no danger is there.
The star is calling me and
I am also hearing your call.
What I achieve here all
That are yours. And I am
Getting everything as your
Legal heirs, everything that
Are there within and outside
The taste, the colours of the air.

Gajanan Mishra
In Bhubaneswar

Bhubaneswar is in dirt
Nobody has a clean and
Open heart
Here there is no
Transparency chart
Here permission is
Not granted to cart
Bhubaneswar is in dirt.

Difficult to say
The faces a man
Bears here
Difficult to know
Who is enemy
Who is friend
Politics in Bhubaneswar
Soon comes to an end.

Gajanan Mishra
In Border

I cannot say
what is going on there
in the border area.
I cannot say
what to do here at home
if there is a war.

I must say
please understand my dear friends
we are here on this earth
and we are all brother and sisters.
And I must say respect others
And give love and affection
But if they are out of orders
Give them a lesson to come on track.

Gajanan Mishra
In Born Nature

Inborn nature
As a man
Is to love all,
To acquire knowledge,
To search for truth.
Inborn nature
As a man
Is to cross
The border of
All passions,
All ignorance
And even all goodness.
As a man,
You are to know
The world is
Full of fire,
And not a bed of roses,
This world is
Not to make merry
But to do one's won duty
Sincerely, faithfully.
Inborn nature
As a man is to look
To the bright side
Of a thing always
Positively and
Reach the goal
With tolerance
And patience.

Gajanan Mishra
In Both Ways

It is not mine,
I am not here
To accept it.
Yes, it is mine
Let me accept it.
But what is mine
And what is not
I am unable to know.
Let me know, my dear,
Or else, I would
Commit a serious
Mistake in both ways
By taking and
Also by not taking.

Gajanan Mishra
In Calculating World

Here we are
In this calculating world,
Here we are
Telling ourselves great.

Preceptors are here
But no proper guide
Pupils are here
But not on track.

We are what we are
In the lap of nature.
O my dear, please appear
Yet again and tell us
Front to front that are
Real and beneficial for all.

Gajanan Mishra
In Changing World

In this changing world
You are with me
And I wonder
An ant is my master.

In this changing world
Nothing is in change
And I am sure
We change but not the world.

In this changing world
I am not so strong and
Healthy to protect myself
And you lament.

Gajanan Mishra
In Clear Mirror

You see your face

In faith
In austerity
In scriptural conclusion
In full sense, mind control
And in meditation
You can see Your Soul
And the Absolute Truth.

You can know who you are
And how you are here.

True knowledge is within you
O my dear,
And you yourself is the Absolute Truth
You are all auspicious
You are your own spiritual strength
You are yours, my dear
You are the whole, see this in Self-mirror.

Gajanan Mishra
In Clear Words

In clear words
Let me speak
With transparency
In respect of
Truth and love.

Let me speak
Truth and love
With transparency
In respect of
Clear words.

With transparency
Truth and love
Let me speak
In clear words.

Gajanan Mishra
In clear words, let me declared
I am here, see, for all the times
Let me clear, this world is mine
That I am telling is not true
And also I am not here to
Disapprove it whatever I have said
Though all are not within the purview
Of Truth that are in You.
And I realized the power of attraction
That are there eternal and unique bliss,
What is required is to get myself free
From desire anger pride and envy
Though heavy they are since the beginning.

Gajanan Mishra
In Clouds All

Nothing opened,  
All in clouds.

And we have to  
Knockdown.

Dream, imagination,  
All cried.

And we have to  
Take care.

We have to proceed  
Forward with our  
Images.  
We have to fight  
With the enemy  
Within first.

We have to touch the stone  
With care.  
We have to stay  
With integrity and honesty.  
We have to perform  
Our duty in a manner  
We like  
And that suits  
The time.

Gajanan Mishra
In cold and heat
I stand still.
In pleasure and pain
I stand still.
In gain and loss
I stand still.
I am alike to
My friend and foe.
I am alike to
Honor and dishonor.
O my dear, I am here
See me free from
Attachment and I hold
Blame and praise equal.

Gajanan Mishra
In Colours

I believe not
Colours and
In colours.
But I believe
Life, as it is.
My salute my earth
With its vision.
My earth is
My reality
My real poetry.
I desire not
To leave this earth
This earth, with life,
Is my eternity.

Gajanan Mishra
In Conflict With Myself

See me I am always
In conflict with myself.

See me I am going away
From me and myself.

The world around me is here
And I am out of fear.

It is the world that is
Enlightened and not I.

I am here as usual
Nothing to hear nothing to tell.

It is struggle it is consciousness
Life is in peace it is in truthfulness.

Gajanan Mishra
In Contact With You

I am coming in contact with you
And I am not in truth
My living entity is in danger
This is nature.

Gajanan Mishra
In Contradiction

You are watching your own life
That is in contradiction.
Truth-false
Light-dark
Up- down.
But my dear
Nothing like that
Are there remember.
Life is as free as the sky,
Just forget one thing
That you are living.
No problem is there in life,
And remember if there is any
Seem auto-solve system is there.

Gajanan Mishra
In Contradictions

Life is there
In contradictions.
Enjoy life -
Remember, life is
Not yours.
I am not here
To break your
Emotions.
I am also not here
To harm you
In any manner.
But I am here to
Show you the correct path
On which you can go
And reach your destination.

Gajanan Mishra
In Correct Words

I am here
And going there.
But I find
No difference
With these
Two places.
From here
I am going there,
Or from there
I am coming here
I am not able to
Tell you
In correct words
Correctly, excuse me.

Gajanan Mishra
In Danger Life

In danger life always here,
And you said nothing to fear.
No architecture and nothing
And you said worry not, here
See and observe everything.
In black and in white life is
In glories always everywhere.
All crumble, all alive,
All busy in battle, all exist
For all with flesh and kiss.
All donkey, all tiger, all are
In danger, no savior on dotted
Security line. But they all
Run and run morning to morning.

Gajanan Mishra
In Darkness

Have some reality,
Have some values,
And keep no one
In darkness.

Be transparent
And keep basic relation
With grass root,
With the truth.

Gajanan Mishra
In Day Light

Wait for the day light
Wait for the right time
You can give your call
You can sing and declared
Yourself as herald of the bloom.

Gajanan Mishra
In Dead Heat

In dead heat,
In reverse gear,
But we are not in fear.
We are all here
In this world in together.

Gajanan Mishra
In Deep Blue

In deep blue
Of eternal joy
I lost myself.

Gajanan Mishra
In Deep Dark

In deep dark,
See, I am
Missing.
True, nothing
Is there.
Somebody,
Somewhere is
Crying for
Nothing.
No stone,
No weapon can
Help at this time.
But my dear, you
Are thinking otherwise.

Gajanan Mishra
In Deep Gratitude

I am composing poems
I am composing
In deep gratitude
For your love
For your dedication
Throughout my life
I know you are the pillar
And you are able to shoulder
All truths and world peace
I know you are my eyes
I know you are the charioteer
And you are committed
To lead all to happiness
You are the future of humanity.

Gajanan Mishra
In Deep Sea

In deep sea
I am now
Bewildered by
many a fancy
Entangled in
Snare of delusion
Addicted to
Gratification of desire.

Gajanan Mishra
In Deep Sleep

I have seen all here
In deep sleep.
With no reason
who can say!
Consciousness is there,
but they are all unconscious.
The snake is giving protection
To the true witnesses,
And I have came to see again
and to feel how the living is!
There is love for all,
And love is the only truth here.
Why should one cross the ocean?
Let me play my game as a creature.

Gajanan Mishra
In Defence

Nothing to say,
Nothing to do,
Nowhere to go,
In defense.

And you have to
Forget the past
And the present.
And you are
Nobody to tell
About the future.

Only you can do,
To love all,
To serve all,
To hear all.

Gajanan Mishra
In Demand

In demand,
Air, star,
Love, life.
In demand
Morning,
Evening,
Day and
Also night.
Live life,
Like a hero
With zero
Liability.
Give everything
What you have.

Gajanan Mishra
In Democracy

In democracy
Writ of the peole runs.
In democracy
Representatives should not
Called leaders.
In democracy
Representatives must not
Act as er whim.
In democracy
Representative should not
Show dictatorial style.
In democracy
Representative should not have
Arrogance of power.
In democracy
Treachery and
Ruthless decisions
Not good.
In democracy
The representatives
Should be sensitives
Towards sensitive issues.

Gajanan Mishra
In Democracy People Are Supreme

In democracy people are supreme
People elected their representatives
And sent to parliament to make laws
On behalf of them.

To make democracy a success
Endemic protest is necessary
To make the representatives in order
They should cautioned.

People are the soul of parliament
Parliament can change but not people
People are the root parliament is foot.

Come to the people O parliamentarian
O representatives of people
People are your master
You are there in different posts to
Serve the people and to do all welfare works.

Democratic institutions are for the people
Without people the state is a big zero
In democracy people are supreme
Do not handle the people in whim.

Gajanan Mishra
In Detail

I want to know in detail
About you, about your uniqueness
About your beauty, my dear
I know you are most beautiful
What is in you that is
Not in others.

I want to go deep and deep
To the deepest part
To the innermost part
Where I can find myself
Where I can say How lovely
The time, the place.

O my dear, I know
No book, no dissertation
No PhD thesis can describe you
Nobody can see you
You are with all
You are everywhere though.

Gajanan Mishra
In Details

I like to tell
In details,
The incidents
That are happenings.

But I know,
Nothing is there
To happen.
I know,
Everything is
Well settled.

Let me consult him,
Who has perfect knowledge,
In different matters,
Though, all wonders.

Gajanan Mishra
In Dilemma

Dilemma, itself
Is not good and it is
Not for the welfare
Of all, avoid dilemma.

If, but, that, etc etc
Are the step-brothers
And they are not sure
What they are doing.

But where there is Truth
Where there is love
And where there is righteous works
No one can check you, my dear
In performing that works
But you need only courage.

Gajanan Mishra
In Discrimination

In discrimination
There is ignorance
In ignorance
There is discrimination.

Doubt subsists
In imperfection
and in perfection
There is me.

O my dear, for you only
I am rising
And for you only
I am writing.

Gajanan Mishra
In Disguise

In disguise
You are coming
To me
And I recognized You.
Very truth is that
It is the very trick
To live, you said
openly before all.
And I fear
When we tied
To each other.
It is Your
Rhyme You said
And it is my truth.

Gajanan Mishra
In Dispassion

Light the lamp
And see moths
Are there and
See everything.
Here in your life,
Dear son nothing is
Lacking, try to
Understand all.
But see everything
In natural forms
And take it easy.
Nothing is there,
Worry not, just stay
In dispassion.

Gajanan Mishra
In Distress

In distress, I pray
I pray in distress
O my Master, before You
I know You are here before me.

The content of my prayer
Is not known to me, O Omniscient
I know only You are here before me
And taking all steps for the welfare of all.

I pray, only pray, my dear
Without any thought without any word
You are my words your are my thoughts
You know better than me what would be better.

Gajanan Mishra
In Drama

In drama
You are hero
And the best actor
I have no knowledge
About abc of the drama
I have no voice of my own
I have no knowledge of my own
I have no means to express my self
In gestures in speculations in words
They say I am a foreigner
They say I am using foreign language
And my concept is not clear
My expression is not transparent
And they forget they have same status as I
I know You are alone here
As producer as director as coordinator
And hero and actors and actresses
You are the sole master here
Tell me O my dear what to do for the future
I am staying as a fool and ignorant
And show me the correct path so that
I can move hence further.

Gajanan Mishra
In Dreams

In dreams
I saw
So many things,
So many persons.
And they claimed
My blood, my flesh,
My heart and everything.
But I said
I belong to none.
They got angry
And attacked me.
Now I see
No one here or there,
I am waking up.

Gajanan Mishra
In Due Course

In due course
Time annihilates
Everything
Admitted fact is that
Time is most powerful
Going with the time
One can reach
Anywhere he want
And O my dear
I know You are
The controller of time.

Gajanan Mishra
In Each And Every Universe

In each and every universe,
I am there, see me, as seed.

So long as I am there, dear,
You have nothing to fear.

No option, but to come to me,
Remember dear, and be aware
of the truth there when alive.

And life and death are nothing
But your identity, your activities,
Your sleep, and when you awake,
See, my play in confirmed status.

See the product, the birds, the trees,
The clouds, the sky, the dust,
The energy, all are one in different forms.

Gajanan Mishra
In Each And Every Verse

In each and every verse
You are here in Your
Innumerable personal expansions

Of all here throughout the universe.
I know You, O infinite

Also the destruction
You are always pure and in
Transcendental consciousness.
You are here in my each
And every verse with your wonderful cosmos.

Gajanan Mishra
In Each Day

In each day
I am thinking,
Thinking about you.
I am thinking
At every moment.
I know you,
I realize you,
I know nothing
Is there to do.
It is you
Who is giving me
Everything everyday
At every moment.
I am thinking about
You only at every moment.
You are my real man,
Who is within me.
You are touchable,
You are reachable,
I am living with you,
I am here with you.

Gajanan Mishra
In Emptiness

See me, dear, I am in emptiness and going towards wholeness.
Wholeness is there in my life,
But I failed to find it without your grace, and for this,
See I am worshipping you, knowing fully well that you are within me.

Life is a medium, life is a media and you are the controller of life.
Still I am living here and remembering you at every moment of respiration,
You are telling me in whisper to stay calm and I am in obedience to you going here and there without any discrimination.

Gajanan Mishra
In English

In English
There is no mistake
English is nobody's language
English means mixture
Do not force anyone
To follow rules and grammar
Everybody knows
He is free and fair
If meaning is understood
Everything is okay
And in English
You can not say
There is mistake
Just count the birds
Just see the sky
Just catch the air
And say everything is fair
Please be seated
It is for you
This English chair.

Gajanan Mishra
In Entire Judicial System

In entire judicial system,
No one can find justice.
What is justice no one knows?
Vanishing brilliance is
Everywhere, true.

Gajanan Mishra
In essence

It is not that
There is no affinity

That I know
And I am running
After You.

I am tranquil
I am free
In essence
I love You.

I am in your action.

Gajanan Mishra
In Every Person

You are in every person
Sinful or virtuous
Foolish or wise

Give me qualification
That I deserve your realization.

Gajanan Mishra

You are all in all
You are my dearest dear.
In every respect
You are wonderful
Your activities are wonderful.
In every respect
You exist
You are full of bliss.

Gajanan Mishra
In Every Step

Step by step
And in every step
You can see
My detachment.

I am exclusively alone
I am in me
Where You are
Sleeping carelessly.

I the fortune of nature
My dear, am fully conscious
And moving always
Without any favor.

Newer and newer are my associates
I am restlessly moving
Here and there that is
Enlivening and resourceful.

Hundreds and thousands are
My forms you can not count
And to you I am bound
See, I am paramount.

Gajanan Mishra
In Every Thought

In every thought
O my dear, I behold You
I am constantly
Thinking You.

I am not attached
To a fixed abode
I have no sense of mine
I know, everything
That are happening
As per your sweet will.

I have no contrary feeling
I am not in doubt
About You, O my dear
I am engrossed in You.

Gajanan Mishra
In Every Way

In every way
Your performance
Should be good.
As you are wise
You should perform
Actions for the welfare
Of the world
Without attachment.
You should know
All actions are
Performed by nature
Self is not the doer
As such mind it
You are not to enjoy.

Gajanan Mishra
In Everything In Everybody

I know You are everywhere.

You know everything here there
That are happening always.

I know my name is not correct
I know my life is not permanent
I know there is nothing called time
Still I am here and You are watching me.

Nothing is in complete form I understand
Always everything is changing I realized.

It is not within my purview to show what is what
And You are watching me and awaiting for a reply.

I have no word to express myself
It is You who knows me better what for I am here.

Gajanan Mishra
In Everyway

In every way
You are superior
To everyone here.
There is none
Equal to you, my dear.
You are your root,
My dear son, keep it
With you.
You are the base
Of your thought.
Keep your thought
Neat and clean
And go on doing your
Works in a truthful way.

Gajanan Mishra
In Excellence

In excellence
Surpass all.
Know all
About what who
Where why.
And I fear
Words cease,
Nowhere to reach.

Gajanan Mishra
In Fact I Know

In fact I know all these are
Transitory fleeting destructible.

I am not here for you I was never
You were not for me hereafter cease to be.

And you said you love me
I said I love you
If you are heat I am cold
If you are in pleasure I am in pain.

In fact we love each other
You are east I am west
Our friendship is the best.

Gajanan Mishra
In Fact, A Dream

In fact, a dream,
And I am therein.
Silent, I am,
And you are
Forgetting me.

For eyes and
For nose
Everything is
Life.

In fact, a life
A reality.
The speech,
The poetry,
All for me.

Gajanan Mishra
In fact, I Am Not A Poet

In fact, I am not a poet,
But I am composing words
And trying to express myself

Gajanan Mishra
In fact, we are not one
We are staying in one place though.

We are distinct, we are separate from each other
We are but in love for the welfare of all
And sacrificing ourselves.

Together, we are here, to do all actions
But, we are noway attached to these action
We are separate and distinct from everything
We have here in these way.

Still we love and it is the force of love
That binds us together.

Gajanan Mishra
In Fairy Tales

In fairy tales
So many things
Are there to happen.
But in reality
No one should
Expect such
Things to happen.

Life is there
In real world.
Let us touch life
With love and
Compassion.
Let us see each other
As the very self.

Problem will not
Arise if we
Co-operate for a while.
Time is there
To run over us
As usual and
We are blind to
See anything.

But we are to
Ensure our feet
Should be there
In right places
So long as we are
Telling ourselves
We are living,
As we are in real world.

Gajanan Mishra
In False Pleasure

This or that,
For residential purposes,
Not a happy land.

The real happiness is there
Where there is truth,
And the truth is not here in this world.

Still, we are living here
To stay in false pleasure.

Gajanan Mishra
In Fashion

I am writing,
And my writings
Are in fashion.

Read my writings
And live long.

Here is love
In my writings,
Here is truth
In my writings,
Read my writings,
Try to understand
The meaning of
My writings and
Sing life’s song.

Gajanan Mishra
In Fear

Looking on the ground
I found star moon
I found my dear
You are the noon.

Looking on the ground
I found my dear
The lion and the tiger
And you are here.

I am in fear
Loo
All are in cheer
And you are here.

Gajanan Mishra
In Ferment

In ferment
Our lives,
Our universities.
In ferment
Our food,
Our dietary habits.
In ferment
Our words
Our debates.
In ferment
Our lifestyle
Our tolerance.
For what, breaking
News remain silent.

Gajanan Mishra
In Fire And Air

Here you are
In fire and air
In earth and water.
My dear, here in you
The sun and the moon.
You are the living legend,
My dear, you sing, you dance.
You blow horns for all.

Gajanan Mishra
In Flowery Language

In flowery language
Pleasure is there.
Attachment to pleasure
Is the cause of birth.
Birth and life and
Attractive appearances
Are perishable and unreal.
Where is peace here
In this life or where is
Alimony in this-worldly faith?

Gajanan Mishra
In Foolishness

We are all
In foolishness
And in sleep.
We are hankering
For more money,
For more women,
But not for
More knowledge,
Not for any sacrifice.
We are adulterated
In contact with
Falsehood.
We are not going on
Searching the truth.

Gajanan Mishra
In Frames

In frames,
See me,
Enjoy my beauty,
Taste my life,
Hear my words.

Going outside
Is to face troubles.
But in trouble
There is new path
And in new path
I stay therein.

Come to me
And see everything,
If any doubt puts questions.

Gajanan Mishra
In Friendship And In Love

In friendship and in love,
Everything is free.

A gentle smile,
Eradicate misery.

Gajanan Mishra
In Friendship And Love

In friendship and love,
It is okay - everything.
In living and death,
Simple rules - suffice.

In righteousness and virtue,
It is all good and perfect.
In smile and divine,
Light and divine- all glee.

Gajanan Mishra
In Full

In full
Go on enjoying life.
It is yours only.
Conquer the time,
If you are to
Conquer something.
Explain the truth
If you have discovered it.
Success is nothing,
But failure is everything,
You are to learn.
Attention be given
To each and every part
In purity.

Gajanan Mishra
In Full Public View

Hartal to harass,
Pure vandalism,
All shameful.

Gajanan Mishra
In Fullness

I am freed in fullness.

Situation changed
With cats and dogs.

Is it my house?
I am confused.

No strict principle
Apply here.
I am bent down,
But with truth.

The sky is lighted.

I realized my position,
I am a service holder.

One who is poor, if you ask
I must reply, it is I.

Gajanan Mishra
In Good Condition

I came here  
With all simplicity  
And clear vision.  
I want to go  
From here in  
All good condition.  
Let me know  
The time and situation.

Gajanan Mishra
In Good Deeds

In good deeds,
Pleasure is there.
Pleasure is there
In true happiness.
True happiness is there
In ascetic life.

Gajanan Mishra
In Good Order

If you are so anxious, my dear
To hear, arrayed yourself first
In good order.
No doubt, you are your world,
If you want to know the truth
First detach yourself from the world.
You are the main cause of the very truth
And you are here for the welfare of all
Those who are in truth and are righteous.

Gajanan Mishra
In Goodness

1.
In goodness
Let me tell
In all white form.
But mind it,
The color of ignorance
Is not black.

2.
I am being charged
What I am not.
But what I am
Not known to
Anyone here.

3.
How many world
I can't say.
And why should
I say.

4.
You said reddish,
Not like that, though.

5.
Come a enjoy,
Called perfect -
A day.

Gajanan Mishra
In Governance

In governance
Let there be
Openness and
Responsiveness.

In governance
Let there be a
Commitment for
All development.

People in general
Are the real owner
Here in this republic,
Let them supplied
Accurate and precise
Information in titbits.

Gajanan Mishra
In Great Astonishment

Let us look at
One another in
Great astonishment
That we are alive here.

We are rising up and up
And regaining fresh life
Every moment and stood up
By our own strength.

Gajanan Mishra
In Great Danger

Life here,
Always in
Great danger.
How to enjoy
With the fiery
Iron arrows-
Time, not known.
It is glaring
But burning
Everything into
Ashes, see
Through perfect eyes.

Gajanan Mishra
In Great Ocean

See me in this great ocean
That has no end.

Tell me not anything
Besides me I have no opponent.

With the setting of the sun
Go outside in darkness
To enjoy life in restaurant.

I am really the unholy
Burden for the earth
And I pray to change me
For other’s welfare
I am now surrendered
And at Your disposal
At this time unconditional.

Gajanan Mishra
In Grief

You have accepted
The unreal as real
And as such in grief.

Gajanan Mishra
In Happiness

In distress
You remained
The same.

Gajanan Mishra
In Heart

See me,
I am always
In your hearts.
And let me satisfy
With your behavior
And character.
I am here,
Yours, forever.

Gajanan Mishra
In Heatwaves

In this fifty degree
Heatwaves,
Let me count moments
Like butterfly,
Yet, I find time
Enough to fly
And to
Measure the sky.

Gajanan Mishra
In High Feather

Mother and mother,  
My mother,  
Your mother,  
We are the sons  
And daughters  
Of one mother-  
The earth mother.

Father and father,  
My father,  
Your father,  
We are the sons  
And daughters  
Of one father-  
The sky father.

Mother is here,  
Who is our feeder.  
Father is here  
Our protector.

Mother and father  
Our feature,  
We are for them  
Here, and we are  
To be in high feather.

Gajanan Mishra
In High Position

You have attained
This that high position
And it is due to
Your own labor
I have nothing to
Disagree with your words
O my dear
And I think
Never was a creature
Born in this world
Whom power
Did not intoxicate.

Gajanan Mishra
In History

I discover
Everything for me
In history.
In history
I see
What you are.

At the beginning
And at the end
I consolidate
My position.
I recall my language
With the plant
To answer fair
On the land there.

I enchant all
Together for
A change in
The society.
I talk
With the sky
To clear the words
For the dew on the grass.

Gajanan Mishra
In History I Discover

I discover
Everything for me
In history.
In history
I see
What you are.

At the beginning
And at the end
I consolidate
My position.
I recall my language
With the plant
To answer fair
On the land there.

I enchant all
Together for
A change in
The society.
I talk
With the sky
To clear the words
For the dew on grass.

Gajanan Mishra
In Hollow

We are all in hollow
And going towards
Holocaust.

Gajanan Mishra
In Human Form

Here he is
The poet
In human form.

Here he is
The benefactor
To all,
Peaceful and
His soul
Surrounded to truth.

Here he is
The poet,
The lover,
With all glories
of humanity.

Gajanan Mishra
In Ignorance

No discrimination
You can not say
I know and
I know you are
In ignorance.

I further know
You have no
Sense of duty
You are childish
And you are hard-hearted.

Gajanan Mishra
In Inbox

I found nothing
In inbox.

Endless searching is
Still going on.

Gajanan Mishra
In Life After Life

In life after life
Let me be Yours always.
I do not wish to
Gain from You anything.
I want only to serve You
I want only to love You.
In life and after life
In life after life.

Gajanan Mishra
In life Be careful My dear
To those Who are busy Always chasing With the hound And runing With hare Of course It is clear One swallow Does not make a Summer Still careful My dear, as always They are to Fish in troubled Water.

Gajanan Mishra
In Limbo

Lack of foresight
Life is in limbo.

Nailing the truth
If strength is in you
Blow me out.

Gajanan Mishra
In Limited Over

In limited over
I have to bat
And run that has
No limitation.
In a single word
I have to set
A standard
That cover the
Entire nation.
In a single life
I have to see
All those are living
And tell them
How to calculate
And arrive at
Valuation.

Gajanan Mishra
In Loneliness And Pain

In all loneliness
And pain,
You are there
I know.

I know the meaning
Of your smile
And walk
And play.

It is your sound
That made me hear,
It is your presence
That made me see.

I see you, I hear you
All in love, all in truth.

Gajanan Mishra
In Love

In love
No warranty no guarantee.

Love bluff
Blow horn
Page turn.

Turning morn
Turning eve
Go on sleep
Night clip.

Love shows face
The man in space.
True love
Need to lead
Not content
And point the way.

Gajanan Mishra
In love and in war
Everything takes place
As the law of nature
And the situation demand.

In the field of
Struggle for existence
One can do anything
To fill up the belly.

Question of victory and
Defeat does not arise
Forget death and birth
And do what is required.

Lament not for anything
Forget not you are working under eternal time.

Gajanan Mishra
In Love- I Learned From You

No differences
In love
Love devours
All differences
I learned
From You.

Pull and push
More and more
Fervent craving
For the love
I learned
From you.

Greater love
To serve the world
No impurity of
Personal comfort
And selfishness
I learned
From you.

Gajanan Mishra
In Love With Love

With love
I am offering you
This leaf this flower
This fruit this water
And in love
You are there
To receive all
With pleasure
And love is all.

Gajanan Mishra
In Loving Manner

In loving manner
The true poet
Turns all towards
Righteous and just
Path who are going
Against ethics and
Righteousness.

In loving manner
Having no pride
The true poet
Protect and pray
All from suffering
And encourage all
On the path of progress.

Gajanan Mishra
In Madness In Love

We sat together
We ate together
Lay on same bed together
You are my love
You are my everything
In love in madness
I have done so many things
Forgive me forgive me
Forgive me forgive me.

Gajanan Mishra
In Material Advancement

I am not interested
In pounds, in shillings,
In rupees, in pence
Or in any material advancement.

I know, no advancement is
There in anything
That are not mine, and
Where in I am not there.

I am there in my thoughts,
In my peace, in compassionate,
In friendly terms and in realization
Of the self at every moment.

Gajanan Mishra
In Math Class

In math class
How to write a poem
Come and see
If you so like.

How to attract a friend
In and out of dream
Come and experiment
it would be no problem
That you comprehend.

Gajanan Mishra
In Memory

In memory,
Nothing.
Only dust,
Only flame.

All fire
In me.
All flap,
All fizzle.

But no inertness,
No inelegant
In me anywhere
At any time.

Gajanan Mishra
In Merit

No degradation
Of senses,
No mind is
Deterred.
No saying
Is false.

And I live life
With great zeal.
And I see
That stars
With light.

Everything is
Being distributed
In merit.

Gajanan Mishra
In Miseries

I am
In the midst of
Material miseries,
But the path of
Liberation is there,
That I know.
I want to go,
Give me permission to go.

Gajanan Mishra
In Motion

I am not able to see anything
Because there is nothing.

There is decline of righteousness
There is rise of unrighteousness
And nobody is there to come forward.

As there is nobody and nothing.

I am not able to say anything
Because my statement can not conveys
The infinitude in space time and causation.

As I see nothing and nobody in motion.

Gajanan Mishra
In My Area

I am in my area
There is nothing to dispute.
I am in my area
I can do whatever I like
Openly and in mute.
I am in my area
It is open and simple
I am in my area
I am in peace and stable.
Please do not grumble.

Gajanan Mishra
In My Body

In my body,
You cannot find me.
In my mind,
You cannot find me,
In my senses
You cannot find me,
You cannot find me
In my intellect
Or in my life breath.
You can find and
Realize me in my own self.
You just believe me
And see what I am doing
From the very origin.

Gajanan Mishra
In My Entirety

You know me
in my entirety,
nothing to denied.
And you are already
attained to me.

O my dear, I am
very loving to you,
It is true, I am
no way connected
even to my life-breath.

Thou art dear
being your part
and parcel, your fragment,
You represent all with loving nature.

Gajanan Mishra
In My Form

I am living in my form,
In my form, I am composing poems,
In my poems, I am reflecting
My sense of humor.
And I understand the system,
In due time, I let you know
Who is the superior authority
And what for not coming to the front.

Gajanan Mishra
In My Heart

O my dear, You are in my heart
You are sitting in Ratna Sinhasan of my Love
And I call it Jewel pedestal of Love
Wood stone earth no matter my dear
You are all in one that is only Love
Nomenclature of love may change
But O my dear you remain unchanged
O my deity, I know you are formless
But I can call you in the name of Christ
In the name of Allha in the name of Jagannath
In the name of Balabhadra in the name of Subhadra
In the name of Madhaba, Bhudevi, Sridevi, Sudarshan
And in so many countless names air, water. sky. light
You have so many eyes I know
Round eyes, Lotus shaped eyes,
You are white you are black you are yellow
I know you have hands and no fingers but left finger-tips
You have legs no feet but you have left foot-mark
You are like log-bar, you are like water-fall
O my dear. I know you and you know me
And this is your wish.

Gajanan Mishra
In My Heart - You Are

You are in my heart,
See and feel and experience,
I exist for your satisfaction.

Who am I to give you satisfaction,
You are to satisfy yourself, my dear,
You are satisfying me at all times.

You are seeing me, I am under your control,
You know me, I am unable to know you,
Look, I am trembling here before you.

Gajanan Mishra
In my heart -
No one else,
But you, dear.
You lay dormant
In body-wood
Like the fire.
And dazzle in the sky
Like the fixed star.

Gajanan Mishra
In My House

In my house
You are all powerful
You are all in all
You are my dictator
O my dear
I am just a guest
I am just a spectator.

In my house
You are doing all
You are seeing
You are hearing
You are eating
You are sitting sleeping
And doing all sorts of activities.

In my house
I am a puppet
And You make me dance
As per your tunes
In my house
I am in delusion
And you make me
Enlightened by your vision.

Gajanan Mishra
In My House I Am In Fear

I am in fear
In illusion
In bondage
In distress
In my own house.
Who is there
Who can keep me
In peace
In happiness
Who can give me
Smile and faith.
I am burning
In me in my house,
And all are watching
Me in their skin-eyes.
They are asking me
Where is the house,
Where is the fire,
What for you are
Feeling so.
And I am smiling at them
For their ignorance,
I am crying for
Their misfortune.

Gajanan Mishra
In My House, See I Am

In my own house,
See, I am seaching
And asking myself
Where I am.

No one is there
Besides me
In this house,
No answer to
My question.

I cry, I smile
In my own house,
And the world is
There watching me
For nothing.

Gajanan Mishra
In My Mirror

Still I am here
In my own mirror
To see the morning star.

Still I am here
To tell you, czar,
I am not far.

But show your own feature
And go for a bright future.

Gajanan Mishra
In My Name

In my name
If you so like
You can take anything.

In your name
I am living,
See here I am.

In our names
The world is moving,
Let's watch it.

Gajanan Mishra
In My Own Coin

I am getting here
In my own coin.
It is my pleasure
That I am with you
For any exchange offer.
But I found you
Not here.

I found you
Not here,
And I found the world.
I know this world
Is deceiving me
At every moment but
I am busy in my own business.

Gajanan Mishra
In My Own Hands

In my own hands
I am killing me.
On my own legs
I am going away
From me.
I know not
Who and
Where am I.

I am the man
Of my own empty vessel.
I am the man
Who is making his
own voyage
Within his own body.

Gajanan Mishra
In My Own Idea

Let me stay
in my own idea.
I know and I feel
My words distract me
from my idea at time.
Let my words sound better
I need my idea and
also my words and
my affections and let
the world remember.

Gajanan Mishra
In my own light,
I am composing poems,
Only for you.

Only for you.
But think not
I am bubbling
For nothing.

There, you are.
There, the light,
And here I am,
All are meaningful.

Yes, my compositions
Are uniquely mine.

Gajanan Mishra
In My Own Reflection

Nowhere I
See you,
You are
Everywhere
I know, though.

In cold
In hot
I feel and
My feelings
I expressed
To you.

I see
The time
In you.
And I find you
In time
Therein.

I give you
Recognition,
And there
I see
The fire.

In my own reflection,
I discover you,
With love
And with truth.

Gajanan Mishra
In My Own Self

You are here
in my own self.
I am there
in your own self.

Within this earth
I am trying to
See a flower.
Within the flower
I am trying to
See the life.

I exist as you see,
You establish yourself
In my very existence
That is created by you.

Gajanan Mishra
In My Poem

In my poem
You can find me.
Don't miss me
Don't miss my poem.
In me you can
See your face
And your face
Shows what you are.
Thank you sir.

Gajanan Mishra
In My Poem - I Am

It is not like poem,
But it is the poem.
The Poem is life,
The Life is in love
And also the Life is in war.
Enjoy the life, my dear,
Come on, see me, I am here,
In my poem- clear.

Gajanan Mishra
In My Poems

You can find me in my poems
You can see me in my poems
You can hear me in my poems
I am in my poems
You can follow me by reading my poems.

Be sure you are with me
Be sure you are my eye witness
And you are keeping all evidences
That make me declared Yours
And here there is no miracles.

Poems are not miracles
Poems are truth and truth is all powerful
Truth can make the lame to walk
Truth can make the blind to see
Truth can make the dumb to speak.

Believe in truth and it is yours
You can find my poems in truth
You can find truth in my poems
Poems are being written about you
You Yourself is a great grand and only poem.

Gajanan Mishra
In my poems,
Each word is a pearl
And in the surface
Of each word,
One can finds only
Love and truth
Of life,
And my each poem
Is devoted to all.

Gajanan Mishra
In My Sorrow

In my sorrow
Within me
I stayed.
See me, the sky,
The air, the earth
And the water
All are here
With me,
My sorrow is
Rising without
A ray of ight.
Whose curse?
How can I say?
I am dying
Within me.

Gajanan Mishra
In My Time

It is my turn to say
But I can not say
The blossoming of
Impossible flowers
But I said
And you have not
Filed any objection.

In your time
You have done nothing
And gone away with
The modes of nature
And you have established
The fact again nothing
Is yours that you needed.

What is fact
What is perfect
Waiting only by all.

Gajanan Mishra
In My Timeline

Let me mention you
In my timeline.
You are there, I know,
For all days to come.
Neither you are ordinary,
Nor I am, my dear.
I hereby acknowledged
Your presence and
Countersigned on
My life for all good.
I am under your
Direct guidance that
I know dear.
I follow you with love.

Gajanan Mishra
In My Transcendental Creation

This world is
My transcendental creation,
And I am therein.

My own name, fame
Form and pastimes
All are here.

Just search and know
The truth of time.

The revolution is there,
The evolution is there,
And I am therein.

The cause and the effects
All are there and I am therein
While testing myself.

Gajanan Mishra
In My Universe

I am my universe,
And see me,
I am burning.
Who are you to see,
What will you do?
Touch and reply
If you can.
I am the victim,
And you are trying to
Hurt me, kill me
At every moment with love.
Hate me, to live
I want not your love.
I want my life unhurt.
Leave me alone,
I want to be cured
By myself.
My victory is
Within me.
Leave me alone.
Each sunrise tells me
How to fight and
Get blessings
From the sky.
At day time each bird
Tells me how to stay
Carefree on top of the tree.
Each one in my universe
Tells me so many words
And I am smart enough to
Catch all for all welfare.

Gajanan Mishra
In my verses I see life,
I believe not death anywhere,
I believe not hate,
I think hate is another form of
Love without any mixed.
I wonder, nowhere and
I appear in multiforms.
Nothing to separate,
From nothing and I think
My life my live verse
That has everything.
I invite all to come and
Enjoy without any disturbances,
For a bright future ahead.

Gajanan Mishra
In My Words

In my words
I dwell.
Eternal-
My words.

Peace and beauty-
Two ways.
But both are
Products of struggles.

The sky and
The light there in me.
And I consume
The time.

Gajanan Mishra
In Nature

Talk not
And feel
Nature.

Feel not
No meaning
Of talk.

Observe
Changing life
In nature.

Life, itself
Is here
With nature.

Gajanan Mishra
In Need Of A Heart

I am in need of your heart
And you are telling that
You have kept your heart
In the hole of the tree-branch.

Your heart is very sweet, my dear,
Please go from me and return back
To the blackberry tree and come
To me with your heart.
I know your body has no value
For me without your lovely sweet heart.

Who so ever you may be, my dear,
See me I am in water waiting for
The fruits of the tree and I
Wish to stay here till your return.

Gajanan Mishra
In Need Of Comforts

You are
In need of comforts
And luxuries
And praise
And honour
And fame,
Here and
Hereafter,
And let me say -
Not good.

Good is not
Under the definition chapter,
It is true - self
Cannot be given up and
It will be there
As heat and light
With the fire,
And we have to meet
The beginning and the end
Side by side.

Gajanan Mishra
In Need Of Music

I am in need of music,
I am interested to
Hear the soul in it.

I want to stay undressed
I am interested to
Hear there the waves
Of the heartbeat.

Sunshine is there, I know.
Piercing the dark,
There appeared the light.

My dream is there with it,
I want to read
The colorful tweets,
And the dream has it.

Gajanan Mishra
In Need Of You

Am I
In need of you?
Am I
Not enlightened?
Am I
Not natural?

Share me
Your thoughts,
Real fortune
Find there.

Say not no
To any one,
Here everything
Is yes.

Gajanan Mishra
In Neem Tree

I see you
In neem tree
In front of my house.
I call you,
I invent you,
I name you,
I want to make you
A reality.
Nothing more,
Nothing less,
I want to give you
A life itself
In silence
For my own self.

Gajanan Mishra
In Negative Terms

In negative terms
I heard about You, my dear,
In negative terms
I heard You.

You appeared before my eyes
O my dear, I am able to perceive You,
I preserve my life only for You,
O my dear, only for You here.

I know, my dear, my life is a celestial tree,
And it is all Your blessing, my dear,
Enough is enough, and I love You
And I continue, I may continue to love You.

Gajanan Mishra
In Nonacceptance

In nonacceptance -
Life's happiness.

In detachment -
Real enjoyment.

No negation, but
Stay in all positiveness
And proceed ahead.

Reach somewhere and
Say I am here.

But where you are,
A great question
Remain unanswered.

But wait and tolerate,
Still, in question mode.

Gajanan Mishra
In One Form

You have only one form
This universe
I see
You are visible,
Seeing You, O my dear
I attained a state of
Eternal peace and bliss.

Gajanan Mishra
In One Line

Let me say
Freedom from
False identification
Of the self is
True intelligence.

It is the process of
Naming and nothing else
And it is earth’s
Transformation and nothing else.

The only real is
Substance earth that is
There as before, please know
The perfectly complete whole.

Gajanan Mishra
In One Place

Different names,
Different places,
Different colors
Might be there, but
All are one,
And all belong to
A place that is one,
That is the earth.

We are the earth,
And nothing else.
We are telling us
Living entity, but
In fact, nothing and
No one is like that.

Gajanan Mishra
In one place or another
I try hard to live myself.
I am with all, true,
Yet, I feel lonely.
Direct protection is
Given by time, I know.
I am unlimited and
I am with eternity, I know.
I am not strict and
Never stick to anything
Anywhere at any time.
I am sure, no influence
Of curses or evils is
There on me.

Gajanan Mishra
In One Poem

In one poem
Let me see
Infinite poems.
I know this poem
Is imperishable.
I am sure
The total universe
Is here in this poem.
This poem is
Both mutable and
Immutable.
If any insentience appears
It is due to my own
Attachment and ignorance.

Gajanan Mishra
In One Way Or Another

In one way or another
I am better
Better and a conqueror
A soldier a fighter
Already a winner
Such is the nature
In one way or another
Be a twitter.

Gajanan Mishra
In One Way Or The Other

In one way or the other
Every action involves violence.

Action desirable to one
Is undesirable to another.

Because of heedlessness or error
An action may not be performed well.

Gajanan Mishra
In Onion

In onion,
You can find nothing
You can also find everything
In this onion.
And it is onion
That can save you
From summer.
Keep an onion
And go
Under hot-sun.
Feel no sun-stroke
And it is onion,
What you feel
In the price-rise
Tell everybody here
At this time
Openly, my dear.
Onion is yours
The land on which
Onion grows is yours
The administration
Who controls
Everything including price
Is also yours.
You have every right
To say right thing
For welfare of others
And to save onion
That is at this time
Going unreachable.

Gajanan Mishra
In Open Air

In open air
I find all.
I find all
When desire.

When desire
I color.
I color
The star.

The star
In open air.
In open air
Near, not far.

Gajanan Mishra
In Open Sky

In open sky,
The flowers are dancing.
In open flowers,
Insects are entering.

And no insecticide
Would help at this time.
Nature itself is
Calling me and I'm going.

Where is the road
In the sky,
I know not though.
I am going to measure
The time and for the result
All are waiting.

Gajanan Mishra
In Order

Put the house in order
Be a clean recorder ideologist.
Spell out your policies
Go and stay with the people.

Gajanan Mishra
In Order To Relish Oneness

We become two
in order to relish oneness.
We long to provide
ourselves every comfort.
We have full claim
on each others.
We are giving service
and no one is master.

Gajanan Mishra
In Original Language

Tell me
What you want
In your
Original language.
And I know
Love is only
With you
As original.
In truth
You are original,
Without any doubt.
In love
You are to show
Your originality.

Gajanan Mishra
In Original Position

I am lonely,
I am alone.

But I emerge
From the true conception of life.

And life cannot be removed
By any means.

I am the mirror of
My own pure consciousness.

I am the perfect knowledge
That cannot be eradicated.

I realize my purity
And I am here
With all goodness,
In original position.

Gajanan Mishra
In Our Language

Make me understand
What you intend to convey.
Make me understand
At least, in our language.

If you utter
In foreign language
That I am unable to understand,
Excuse me, words are useless.

Gajanan Mishra
In Our Own Circles

In our own circles
we are wandering.
We are wandering
keeping our own
identity in reserved.

We are interdependent,
here at this hour.
Under the stars,
Dictators, ourselves-
we declared.

The stars are
Falling down and
it is no wonder, but
we are dear to each other.

Gajanan Mishra
In Our Success And

Ultimate destination is
Ultimate destruction.
But we are going on
That way in a perfect form.

We have our own religion,
Our own rules and procedures
And regulations with
Rituals and injunctions.

But the fear of storms
Can not be ruled out.
The meaning of life is there
In our success and failures.

Gajanan Mishra
In Outer Space

In outer space,
Let me travel.
Throughout the life
I wish to fly
In the sky.

Is earth
Not the sky?
Is sky
Not live?
And where I am,
If not in the air.

Only with my desire
I can go
Up to the star.

Gajanan Mishra
In Own Note Book

In own note book
I want to write
Your name.
I know you are
Taking pain.
You are thinking
Who you are and
What you are doing,
How far you are pure,
All that I want.
And I salute you
For all truth.

Gajanan Mishra
In Pain And

In pain and in pleasure
You are there with me, my dear
That I know here.
I am in thirst, I am in hunger,
You are smiling at me, my dear
That I know from the river.
I see and I hear, you are
The creator of all horrors, my dear
That I know from the fire and
From the water.
You are my peace, you are my love,
But you are the razor, my dear
Who is with me here in this winter
To create a new culture.

Gajanan Mishra
In Peace

I am not eating, see
I am not moving, see
I am not talking, see
And I am in peace.

Gajanan Mishra
In Peace Feel Me

I know, peace
Is not there
In miracles,
In occult powers
In scientific inventions.
But I am in peace,
I am nothing and
I am there as you think.
I am not
To be known,
I am not
To be seen.
But I am here
Before you, feel me.

Gajanan Mishra
In Pillow

In pillow, in bed
I discover flood,
With very high tide,
Flood of tears,
Taking away
All freedom but
Floodlit is
There for me.

Gajanan Mishra
In pleasure,
All.
Feeling free
All.
And let life
Grow with
Everything,
Virtues.
Light and
All flowers
There.
And the earth
All for good,
Only truth.

Gajanan Mishra
In Poems - Life

Let us go together
And learn
What is life
In our own poems.
Read me and
Follow me and
Feel me and
Say something
If you so like.
I am here
In your poems,
In your words,
In your thoughts,
In your life.

Gajanan Mishra
In poetic world
See me always.
Poetic world is
The only truth
That I must say.

And what is
not poetry
Tell me
If you are honest
I see in your genes
All honesty.

Poet is he with all good
Poetry is its fruit and cool
Beautiful and wonderful.

Gajanan Mishra
In Poetry

In poetry
I am discovering
I am rediscovering
Myself
Repeat in poetry
I am discovering
An rediscovering truth
And again in poetry
I am discovering
Rediscovering love
And I am told
Love truth and poetry
All in one.

Gajanan Mishra
In Poetry Of Life

See me,
I am going,
And all the wild
Tigers, elephants,
Bears, snakes, deer
And all together
Accompanied me,
And I accompany
Them all
In the poetry of life.
In poetry, there is
No taste, no colour,
No creed, no mission,
But there is love,
There is peace and
There is friendship.
Poetry is a movement,
To search the truth,
The truth of life.
Life becomes tasteful
In poetry, that is
There in love and feeling.

Gajanan Mishra
In Poetry You Can Not Say

In poetry you can not say
It is mine it is yours
Here there is no idea of
Ours and theirs.

Be open mind in poetry
And enter the space, O poet
As per the will of poetry
Surrendering all own's identities.

In poetry you can not say
And you can say what you like
That is your freedom
That is your wisdom.

Poetry is river, poetry is an ocean
You can swim, you can jump
But be cautious drown away
Poetry has a vast sky.

Going with poetry is the romance
Have an experience in life at least once
Study the letters words and sentences
Make friendship with the sounds rhyme and rhythm,

Gajanan Mishra
In Poetry-Flow

In poetry-flow
You can not say
Here is a nail
Here is a stone
There is a log
there is a earth-heap.

In the poetry-flow
You can take your bath
And clean your body and soul
As and when required
With full faith
And you can hear and
Read attentively regularly
For your own benefit.

See the poetry-flow
That is there always
Only for You
It is flowing from the poet
The symbol of Ultimate Truth
And Love and eternity.

Gajanan Mishra
In Prison

I am in Prison
And You are the only
Person O my dear
Who can release me
From this prison cell.

Here I am
In miseries
Like repetition of
Birth disease old age
O my dear, You are
The only person
Who can give liberation
From this hell.

Gajanan Mishra
In Prison House - Life

I am in prison house,
And it is you
Who put me in.
The reason -
Best known to you.
Often I think,
I am free,
And I feel
Chain is everywhere,
Inside and outside.
In the prison
I utter words,
But I am being cheated
By the reality of life.
Who am I?
I asked the earth,
And the earth remained
Silent, keeping in view
General public interest.
In the prison,
I feel not dead,
This is your greatness.
In the prison,
I enjoy the life as
A living entity,
My achievement.
And I know
You are my guide,
And you are
The superintendent
Of this prison.
You are responsible for
Any loopholes and not I.
My stars and my planet
Are here with me,
And I am free, as you said
Both inside and outside,
I am free to do anything,
But you said I am here.
To face the consequences.
I am in prison,
And here everything is mine.

Gajanan Mishra
In Prison In Distress

I am in prison
I born in prison
I will die in prison
Prison is my only protection.

And my enemy is everywhere,
Every time my enemies are
Attacking me and I used to fly
From here from there in fear.

I am in distress
Though Supremely perfect I am
I am eternally existent
I can neither die nor disappear for good.

I am doing all these here
Only for your pleasures, my dear
You can not find any contradiction
Factually in the scriptures.

You can do anything here
You can make everything possible
If you feel me understand me but
Not as one of you with all your imperfections.

Gajanan Mishra
In Rainfall In The Sunshine

Beauty is there
In rainfall,
In the sunshine.

Life is there
In all beauty.

Life and beauty
All are in the sky
And on this earth.

Let us not afraid
The beauty and
Proceed ahead
To glorify the self.

In Real Service

In real service
You can not find
Any self-interest
And ego.

There is the way
To attain perfection
The Truth.

Please come
In one direction
Nothing to diffused
In real service.

Gajanan Mishra
In Regular Succession

Nothing is here
That cease to be.
We are in touch
In regular succession.

We are the warriors,
We found ourselves
In life-battle,
And not in the cradle.

Gajanan Mishra
In Restless Sea

In restless sea,
My boat capsized.
All my efforts failed,
I returned back
With my broken dreams.
The restless sea
Laughed at me.
My distant journey
Remained unconquered.

Gajanan Mishra
In Return

The crow came
Took away bread.

I am looking towards Sun
In the dawn
And the sun
Gave much
In return.

Gajanan Mishra
In Return I Need Nothing

In return I need nothing
And I am in love.
I am in love
And it is eternal
Without any condition.
You need not offer
Anything I want nothing.
You need not worry
In love there is nothing
Like great-labor fear
Anxiety and delusion.
I desire only to achieve
Real benefit that is
Nothing but love.

Gajanan Mishra
In Riots

In riots
And in riots
I am here
The whole days
And whole nights.
No one is asking me
The reasons of riots,
And what is its meaning.
I have also no time
To explain how it happened
And its nature
And its effects.
The days passed with nights
But riots still continue in me.

Gajanan Mishra
In Running Train

In running train
We have to do all sorts of business.
In business we have to be
Strict as per norms therein.
Someone is showing green signal
where as some other is showing red.
It is our look out to open the window
And enjoy the scenes outside.

Gajanan Mishra
In Sacrifice In Austerity

Life is in sacrifice
Life is in austerity
Life is in charity
Enjoy life in full
In words in deeds
For the sake of Almighty
For this only
We have this life.

Gajanan Mishra

And here I found
Nothing and nobody.

My mouth only to eat food
And look I am silent
Till the girl is here.

Gajanan Mishra
In Search Of A Good Poem

I am
In search of good poems.
But I know not
What is a poem.
I know not what to say
About them.
Do you say
I am wrong?
But you must agree
I am,
What I am.
I am a human,
Poem is my source,
Only source of living.
Good poem means
I think good living.
Good living means
I think live and
Let live with
All human qualities.

Gajanan Mishra
In Search Of A Man

I am searching a man
I am in search of a man
And here there is no man.
Village town state
Land water sky
I search out and out
and not found.
Found the dog the cow
The crow the camel
The tiger the snake
No man said Jackal.
I am still searching
Still searching seaching.
I am in search of a man
I am searching a man.

Gajanan Mishra
In Search Of A Poem

I am in search of humanity
That is there in a poem.

Gajanan Mishra
In Search Of Kedarnath Singh's Tiger

Do you know my dear
I am searching here
Poet Kedarnath Singh's Tiger.
I hear the tiger is missing
Since Kedarnath received
The Gyanpith award with fear.
Award and literature
Both are opposite to
Each other and poet Kedarnath
Knows it better.
And Kedarnath tells us
Go not with tiger, my dear
It is very danger
And discover you are not blind here.

Gajanan Mishra

And let me go alone
To face the tornado.

No torpor is there
In me and I can win all
By my own torque.

Gajanan Mishra
In Shadow In Light - My Life

Matchless my life,
In shadow in light,
Fire though, I am.
Fire without fireworks,
No soul, no sensation-
Life goes on.
No flower no air -
Life goes on.
No earth no star -
And life goes on.
And in every invention
And in every discovery
Life is solitary.
Life - matchless,
World - matchless.

In small things.

And I am in truth.

Gajanan Mishra
In Smile And In Tears

Since you are not forgetting me,
How can I dare to forget you?
Since you are here in front of me,
How can I go anywhere keeping aside you?

Keeping aside you, I made a blunder, my dear,
Keeping aside you, I am far from water,
And you are there within me and
I am there within you, how wonder!

No and nothing I want to know besides you,
And I know what not you are here and also there,
You are my kiss itself, you are my scent,
You are my morning light, you are also the night,
In the same parameters of life-fight, I am here,
See, in your smile and also in your tears.

Gajanan Mishra
In Smile And Peace

Autumn rain comes,
And we see the water
Of the pond
Clear and transparent.

Love and affection come,
And we see wicked one
Changes his mind
And character for good.

Feelings and pure
Consciousness there,
We see the society
In smile and peace.

No one is useless,
But we are to know the value.

The world is moving
And it is astonishing.
Just know,
With all eagerness.
Try to know
The cause and
The effect.
The effect to - this life.
This life is here
In between check and balance.
But not one but many,
Many in one,
One is many.
One family - the world,
All are here,
Eating, sitting, fasting,
Sleeping, reading and gossiping,
All are here for nothing.
But neglect not anyone,

Under your administration,
Worthy of your name.

To see you
With so many colours,
I know, it all
Depends on my
State of motion.
I know, you are
Nothing but names,
Forms of my thoughts,
Words I uttered.
I wish to take you
To a place
Where my words
Would not touch you,
I wish to coloured you
In a way beyond my thoughts.
But I see everything here
In a coordinate system,
That is framed by you.
I know you are the truth,
And I see you in the light
That is yours.
I call you in the words
That are also yours.

Of prayer
With desires.

We try hard,
For what?
Unknown to us,
Still, no care.

Gajanan Mishra
In The Dictionary

In the dictionary
It is not there
The meaning of life.
I mean to say
Dictionary is written
By a man who is living,
How can a man say
Or describe life when
He himself therein.
Do you understand me?
Life is something different,
Words and sentences
Are not within the control
Of a living being, mind it.

Gajanan Mishra
In The Form Of The Sky

I know, my dear
You spread Yourself
In the form of the sky
And I know
My whole creation
Is in that space.

I know, my dear
You expand Yourself
In to many living entities
And I know
I see myself
In those species of life.

O Master of
All mystic powers
O proprietor of
Everything, I know
You are no distinct
From anything, anybody.

There is nothing
But You
And You are there
Every time
It is Your combination
With me that makes this world.

You are in my heart
And I am within You
O my dear, You are
The drop of water
You are the ocean
And I am none.

Is it Your
Incarnation in
Nothingness that I
Do not know
I know only Your
Presence and manifesting pastimes.

Gajanan Mishra
In The Form Of Time

In the form of time,
You are playing here,
I know, my dear.
You are the beginning
And you are everything,
That I know, my dear.
You are never exhaustible,
Everything in due course
Exhausted, though.
You are free of everything,
My dear, I know and
You are here for all.
You are here for truth
And for all good.

Gajanan Mishra
In The Garb Of Good

You can easily
Do away with evil
When it comes to you
In the form of an evil
But it is not easy to
Do away with evil
When it comes to you
In the form of good
When it comes to you
In the garb of something good
And you can not recognized
Good and bad or evil
As evil disguised as good
First make yourself free from
Attachment of any kind
And be cautious always
With alert and full-mind.

Gajanan Mishra
In The Garden

See me there,
I am sitting
In the garden
Under that tree.
See me there,
I am doing
My works there
On the open field
With full transparency.
I am there, see me,
Fear not, come to me
And know my personality
For your own good,
I am the truth of time-life.

Gajanan Mishra
In The Guise Of Politician

In the guise of politician,
Who are they, please tell,
Tell all openly, nothing is
There to happen, it is all
Free here, in this world,
World of poetry.

And poetry is the only forum,
One can express himself
Openly frankly without any fear.
And whom to fear?
The envious? the mischievous? ?
The demon? ? The plunderers? ?
They have no strength, remember.

Those who are misleading
The people, the root of democracy,
In the guise of politicians,
Gurus, sadhus, yogis and
Incarnations, away from the truth,
And in fact, they are not doing
Any real benefit to human society.

For the politicians and scoundrels,
See the world is in a precarious condition.
Everywhere blood, fire, bombs,
Everywhere hunger, thirst, poverty,
Everywhere people are crying like anything.
O poets, the sons of the soil, please,
Please come forward to give light,
To lead the world in a new direction,
The direction of the truth, love, and eternity.

And I discovered myself
As Your part and parcel here,
O my dear, I am hearing You
With full devotion.

Gajanan Mishra
In The House In Silence

Practise to stay
At least in the house
In silence.
Trust in yourself
And believe in yourself
And go on working
As per your own thoughts.
No darkness but light,
The stars are there
To provide to all.
Let me call this house
Heaven and let me stay
With you in knowledge
and truth lovest.

Gajanan Mishra
In The Innermost Recesses

In the innermost recesses of my hearts
I embraced You, my dear
You are here visible.

Physically You are present here
I see You practically before me
O my dear, You can not go from me.

I know my feelings here
My tears are rolling down for You
Affection and satisfaction are the point of view.

Gajanan Mishra
In the jungles of the Himalayas
I want to leave my body.
I want to quit all,
Near the mouth of the Ganges.
I want to burn myself
In the forest fire
Rather than in desire.
I want to stay
On the way of love and truth.
Truth and love be the only way
Of my livelihood.
I want, neither success nor failures
But I want to struggle
For the welfare of all.

Gajanan Mishra
In The Land Of Joy

Gajanan Mishra
In The Language Of The Sun

In the language of the sun
I am proceeding ahead,
But not from east to west.
I am there in between
These two words, though.

I am the rock of the time,
That is there in me,
Keeping my brief history
I am on my own balcony.

I walk on the bridge
That has no existence.
I read poetry that has
No words, though
All are mine.

Gajanan Mishra
In The Light Of The Sun

In the light of the sun
I write poetry
I read poem
In the light of the sun
The hunter shoots animals
One can not charge the light
For writing poetry or
For shooting animals.

Gajanan Mishra
In The Light Of The Truth

All duties should be performed.

In connection with bodily acts
eating sitting drinking walking
All actions are being performed.

Philosophers may differ in their views
But poets are one and the same
As regards snow cloud vapor.

Everything is real for the poet
Nothing is unreal and beyond real nothing.

Only poet can realized the fact
Fact is we are all here to love
Love is our future.

Gajanan Mishra
In The Matter Of Writing

In the matter of writing,
See my power, your good self.
But wonder not, seeing
Every word, every rhyme yours.
Wonder not, perfect discipline
Is there in my writings.
Going with the process of writings,
You can touch the truth, your goodness.
It is true, I am eager to express
My feelings to all at once.

And I kept you at the center.

In The Middle

What is there in the middle
you search out and say
searching is life
life is not finding anything.

What you said is meaningless
What you did is meaningless.

You are not the earth
The earth is not under your control.

Who you are say you can
Where you are search first.

This is the earth and
here there is no death no birth.

Search what is there.

Gajanan Mishra
In The Middle Of The Ocean

It is foolishness
To deny your presence.
Time is changing, true,
But you are there as before.

My language may be prosaic
But my emotions and feelings
Are poetic, you are to admit it.

My error and mistakes may be
Like the dry land of the desert.
But at the end, you can find
Water and the rich land that can
Satisfy you and quench your thirst.

You can make research but be sure
You would not get any gain or profit,
But always it is also not like that.

Count not the days, or weeks or months
Or the year, nothing like that here.

It is all bogus and it so happens,
You may wander in the busy land of
Life and death or on this earth or
In the middle of the ocean.

Gajanan Mishra
In The Midst Of Danger

I am always
In the midst of danger
My dear, always.

No chance to
Stay fearless
My dear, no chance
To stay free
Of sorrow, no chance.

No one can
Find peace here
My dear, no peace.

You have been pained
By troubles without
Any satiation.

Gajanan Mishra
In The Mind

In the mind and
Also in the concrete element,
You are there, my dear.

Sand, clay, wood, stone,
Plastics, metals, and colors
And in so many things
You take shapes,
The shapes are also different
According to time place and situation.

I am accustomed to seeing you
And I am fixed in your way.

I am glorified only for you,
With your love, I am the truth.
I know here, only you as the Absolute.

Gajanan Mishra
In The Mirror

In the mirror

Bewildered and volatile.

Gajanan Mishra
In The Mother

What is there
In the mother
That I know not.
But I know
When she is here
I am out of fear.

I am attached to
My mother alone,
I have an exclusive
Devotion to my mother.

I am the fragment
Of my mother- true.
And she brings up me
It is the only truth.

Gajanan Mishra
In The Name Of Development

In the name of development
Kill not your own mother,
Destroy not your own earth,
Put not out the lamp
That is there to enlighten.
Destroy not the source of water
The thread of your own life.
Cut not the tie,
Tie of love that is there
In your own home.

Gajanan Mishra
In The Name Of God

In the name of God
They are doing
All kinds of illegality.
And in the name of God
We are here to bear.

And in the name of God
We are fighting against
All untruth and injustice.
In the name of God
They are doing all nasty things.

We are the rustic villagers,
They are the so-called
Wise and intelligent lot
Of urban bodies.

We are all here
With kith and kins,
Near and dear.
But they have weak fingers,
And no one and nothing
As called their own.

They try to stay within cover,
But we are opened
And we value every titbit.
In the name of God
They hide everything.

Gajanan Mishra
In The Name Of Humanity

In the name of humanity,
I live here.
In the name of truth,
I live here.
In the name of truth and
Humanity I am making friendship
With all with love.
But think not,
It is my weak point.
Whenever I see you
Doing injustice, illegality,
I am here to protest
And I am here to take steps
To correct you at any cost.

Gajanan Mishra
In The Name Of Law And Order

Even in the name of law and order,
You are not allowed to attack and
Kill the innocents people and
You must not destroy the truth
In the name of performing duties
Or taking shelter of so-called
Material pieces of evidence or taking
Plea of justice and philosophy.

Gajanan Mishra
In The Name Of Others

It is democracy,
and we are playing in it.
Here, we have got every right
to do anything in the name of others.

Let us whisper, let us transfer
all updated versions,
O blindfolded players, come on
with new definition keeping aside Lincoln.

In The Name Of Religion

In the name of law and order
In the name of philosophy
You can attack anybody.

Unaware of real benefit
All bewildered by illusion
And busy in valueless and
Useless works day and nights.

All that glitters is not gold
They know not this fact and
They ask for material benefits
That are here for a short time.

Foolish fights foolish claims
Destroy them in due course.

Gajanan Mishra
In The Name Of The Earth

Life after life
May I be connected
With you dear poet.
Life after life
May I take oath
In the name of
The holy earth
To serve all here.

Gajanan Mishra
In The New Year

In the new year
The scent of my poems
Will go far and near
And enable each creature
To get peace within.
I convey my love
Through my poems and
Wish all a prosperous
And happy new year.
In the new year
Let me live a truthful life
For the sake of all.
And let me pray for all, my dear,
Let all live freely without fear.

Gajanan Mishra
In The Night Sky

In the night sky you can find me
With full confidence with sun with rat
And with all paraphernalia and paraphrase
And I was not on parole to cooperate you
In all works within and outside the house.

I saw my father here I see my son here
I see you equally same when I hold bottle
And hold cork and I am going to see cosmos
That is with us and I feel pain while
Going higher and higher with some madness.

I Thank all here for they extend me help
And I have reasons to called the cat cruel
In the rain and in the sun and in the ice field
I want to steal but what and from whom
I do not know and I have not decided to start as yet.

Gajanan Mishra
In The Ocean

I am in the ocean
The ocean is within me
I am the ocean.

I am in the sky
The sky is within me
I am the sky.

I am looking the sun
The sun is looking me

I am part of it.

I am here to accomplish
I am here to see
I am here to flourish.

Gajanan Mishra
In The Ocean Of Poison

I am in the ocean of poison

My sense enjoyment

Gajanan Mishra
In The Platform

No sooner the train arrive
Position situation changed
Everybody became busy
On their own way.

The train whistled
Left the station
After a few minutes
And the station
Remained still as before.

Gajanan Mishra
In The Process Of Exile

I am
In the process
Of exile,
But with no
Axle.

Gajanan Mishra
In The Sense Of Sight

In the sense of sight
There is the sun.
I am really great,
I have a pair of eyes.

I have also a mouth
And I have an organ of speech.
I am really great,
I am using this organ for good.

I have with me
The process of movement.
I have with me
The power to catch time.

The time and my life,
We are but one here.

Gajanan Mishra
In The Service Of Others

This is an opportunity
To be here
Avail it.
You are lucky
To have freedom
Avail it.
You are getting power
Thanks God
Avail it positively
And use it
In the service of others.

Gajanan Mishra
In The Sky

In the sky
You find yourself
You are in the sky
In the water
You find yourself
You are in the water
My dear, You are here.
My dear, Your reflections
Are here and far near
As a perceive-r
You are your reflector
Just in the corner
You are my illuminate-r
You are my service provider.

Gajanan Mishra
In The Sky, See

In the sky,
There see
A mass of clouds,
Dust in the air,
Muddiness on earth.
But for the purpose
Of seeing, you are
To apply your own
Intelligence and
Search the truth
Without taking any
Intoxicant.
Stay normal
As usual.

Gajanan Mishra
In The Society

Truth is not truth
And it is popular
In the society of falsehood.

Tricky part of life
Is balancing and
I am sure you have a
Managing brand.

I want to make use
So many thing
And I insist on feedback.

Truth truth
False false
Truth false
False truth
Nothing special
At any time
That I knew.

Anyway here is
My poem that shows
Different order
Do not bother.

Gajanan Mishra
In the stillness
Life vibrates.
In vibrations
Time passes.
Time is nothing,
But all stillness.
And stillness is there,
Where we are in words.

Gajanan Mishra
In The Struggle For Existence

I see everyone
In the struggle for existence.

I see everyone
Tries to save himself
From danger.

I see one
In need of money,
I see another
Searching for knowledge.

Where am I
That I failed to understand,
And yet, I sided with the truth.

And the truth is there
To save me from all conditions.

Gajanan Mishra
In The Sun

A dog is a dog
And a bird is a bird.
I m flying like bird
and guard my house
like dog.

Dog and bird friends
And in the open field
both want to study
geography.

Geography differs
from person to person
from history to history
from time to time.
And in future
geo raphy melt
like fog in the sun.

Gajanan Mishra
In The Tide

In the tide
I am there
And I am
Observing its turn.

I am taking
Some rest there
While going from
Crest to crest.

I, myself
Is the tide
Flying from
This light to
That one, singing
The song of life.

Gajanan Mishra
In The Train

In the train
Talks are contaminated
Distracted life
Victimized terrorists.

Gajanan Mishra
In The Twinkling Of An Eye

In the twinkling of an eye
See, everything is happening.
In the twinkling of an eye
You are getting food
And you are growing.

In the twinkling of an eye
See, You are leaving.
In the twinkling of an eye
You are here, you are there
And the star is smiling at far.

Who are you
I am asking you
And you yourself is telling
You are nothing, you are nothing.

Gajanan Mishra
In The Voice Of Love

In the voice of love
Tell me, what ever
You wish to tell.

In the voice of love
Speak the truth
That is with you.

In the voice of love
Utter to words of life
That is within you.

Gajanan Mishra
In The World Of The Dreams

In the world of the dreams,
We are all moving and doing
All our routine works like
Eating, walking, sleeping,
Fighting, quarreling,
Making friends, creating enemy,
Worshiping, writing, singing.
In the world of the dreams
We are living and living
With dreams. No truth is there
In dreams. Nothing is true,
In dreams. But the dream -
The only truth.
In me, in you.

Gajanan Mishra
In Their Places

In their places,
All are there
Well placed.

No transfer,
No interchange
Can be made
By anyone here.

All are same,
Nothing changed,
See and know, my dear.

Love and
Only love
Should be there
Towards all.

Gajanan Mishra
In this age of votes
We the five are living and
Casting votes to one another
Twice daily morning and evening.

My wife is not casting
Infavour of me
And abstained from voting
Without getting a kiss.

My elder son is in need of
Mitsubishi Dot pen and H B pencil
Daily and if I failed to supply
He is not willing to vote.

My younger son is somewhat
Overactive and in a hurry
Casting vote but in favor of
Whom nobody knows.

My mother is about to bat century
And very interested to cast vote
Only against my wife at times
My wife’s financial management is weak.

I am the last residue and my wife called me
A man of good for nothing without power of voting
And composing poems twice daily in poem hunter dot com
Morning and evening and posting busy in votes begging.

Gajanan Mishra
In This Body-Chariot, My Dear

You are the charioteer, my dear
In this body-chariot.
The sun and the moon are
Two main light.
The stars are dazzling here
All days and all nights.
So many directions are opened,
With so many lightening.
All the days, months, years
Are with you together
To form a colorful picture.
The pole star is there,
see, my dear.
You are the only truth
And all are in you.
All are truth here,
And you are there in them.
Destroy not anything,
Kill not any one,
Each one is distinct.
Try to understand placing
Yourself in their place.
Give value to every time here,
As your chariot may not be
In this form after a few second.
The chariot is going on
With your wish.
And your wish has no rein.
Try to control yourself if you can.

Gajanan Mishra
In This Creation

Here is the creation
Creation of my world
Here You are as creator
Creator of my world
In this world I see You
In this world I perceive You
I see You beyond all elements
I see You I perceive You
Within this world and also
Beyond this world
O my dear, You are here
In this creation and also
You are beyond this creation
I am here in You and in Your creation.

Gajanan Mishra
In This Cycle

In this cycle
You can see
You can realize
What you are.

In this cycle
You can not say
Where you are going
And what is your goal.

If you are not in love
Be sure you wander
Like the walrus
In the stony-sea.

See yourself first
That is the thing
You are to do
Till last.

Cycle ends there
And it is fire
Where you find yourself
In the mire.

Gajanan Mishra
In This December

From the very beginning
Of this December,
The clouds are making
Their blood curdle
In our sky,
Perhaps they have
Forgotten, they are
In the geographical
Area of Bharat
That is India.
India is in the east,
And it is dawn here
With the growing of light
And singing of birds.

Gajanan Mishra
In This Earth

In this earth
I am not here
to quarrel.
I am not here
in this earth
to acquire.
To keep my eye shut
I am not here
in this earth.

To remain as fool
I am not here.
I am here
to stroll
I am here
to look
all that are
beautiful.

Here there is
no mull
And I am
here cool.

Gajanan Mishra
In This Forest

My body is being burn
In this forest fire

Gajanan Mishra
In This Form

It is not here
Even for a moment
In this form
You can not preserve it
You can not keep it
In this form here
At any time
It is beyond your power
To save it
It is better
Let it go
On its own way
You should not grieve
For this going
Realize this reality
Of going and coming.

Gajanan Mishra
In This Love-World

In this love-world
Supreme controller is only You.

Nothing is to be done
Or undone here.

Setting is already there
If there is a gun.

Gun-point love
What is that love!

In this love-world
It is not sanctioned.

Everything that is required
Is only love.

Love love and without love
Everything is nothing.

Gajanan Mishra
In This Planet

What is white
What is black
In this earth-planet
Everything is
One and the same
In this internet.

Wandering up and down
Through the universe
Read my verse
And say something
If you are kind enough
Open your purse.

I am falling flat
Like a rod, see
And do something for me
I am chanting Your hymn.

Gajanan Mishra
In This Play

With faith
I am following the law
And I come here.

With faith
I am here
And you are
Staying with me.

With faith
We both play here
And in this play
There is no winning
And no losing.

Gajanan Mishra
In this prison,
Every time, see
Each one is suffering.
Let me say everything
About dark secrets,
About killing, torturing.
A place full of dishonoring
And misunderstanding.

Gajanan Mishra
In This Spring

In this spring, see
Showers of flowers
Dropped from heaven
Everybody is rapt
In joy of absorption
In to love.
In this spring
See everywhere love
Love-flags love-banners
And festal arches
Bards minstrels
Panegyric and songsters.

Love love love love love
Only truth here love love.

Gajanan Mishra
In This State

In this state when daylight appears
See everything foreign, that is not yours:
Poor men have heard everything nonsense
In the tongue of others caring not the life-bird.

Gajanan Mishra
In This Summer

In this summer I am here
With the kissing hugging
With drying suffocating
With the holy grass
Waiting the rain to pass.

I am on this land of my dream
I am on this land of thunderbolt life.
My eyes opened and the rain not here
My horse is ready to have a race
But it is the summer with ugly face
Not in a position to grace.

Gajanan Mishra
In This Summer - You Are Welcomed

In this summer,
Please come and
Quench my thirst.
I wonder, here
You are there.

In this summer,
I depend on You
And Your fruitful
Rain that is there
On this earth.

In this summer
I am going towards
North, see
With soft
Admiring eyes.

I am here, welcoming You
In this summer
And waiting for You
0 my dear and You
Are coming with water.

Gajanan Mishra
In This Town

In this town,
We both, are
Staying from
The morning to
The evening.
At night, where
We are, we know not.
Yet at day time,
We are busy in
Smiling, laughing
For nothing.
Who you are
That I know not.
Who I am
That also not
Known to you.

Gajanan Mishra
In This Universe

In this universe
You can find so many creatures
With so many arms
So many bellies
So many mouths
So many eyes
Everywhere in water
In space in earth
You can not find
The beginning
The middle
And the end
O my dear
O my love
Really You are wonderful
Your universe is wonderful
Really I reverentially
Bowed my head to You.

Gajanan Mishra
In this verse
you know me
In reality.

You just
Speak this
Verse marvelous.

And you
Illumined
By yourself.

Gajanan Mishra
In This Way

In this way
And in that way
O new guy
Come on
With the sky.

Discover yourself
Nay, with
Complete massacre
You boy, a toy
I must convey
The truth thereby.

I object not
If you are there
To cry.

Gajanan Mishra
In this way
or on that way
I am there
To describe
Everything before
You, my dear.
But you are to
Present yourself
To know the truth,
Hearsay is in
No way helpful.
First, realise
The self and then
Find love within.

Gajanan Mishra
In This World

Here I am
In this world
And nothing
Fortunate for me
Than this.
Here I am
In this poem
With these sounds
With these words
That I earned.

Gajanan Mishra
In This World Of Death

In this world of death
Each one is struggling,
Struggling for existence.
No one will survive,
All know it well.
Ignore not, your own
Constitution, my dear
Son of the soil.
Go not to stay
In the dreams but
They are all tossing with
The waves of time.
Your condition is something
Like the foaming bubbles.

Gajanan Mishra
In This World Of Multiplicity

In this world of multiplicity
I found you on front row
Pure right deeds
Sacrifice austerity charity
And doing one's own duty
Not out of desire pleasure or hatred
Just go on doing being a true actor
Remain as impartial impersonal and
Without vanity.

Gajanan Mishra
In This World Whenever

You think of anything
Your wish is fulfilled.

You are not alone
In this world, mind it
Almighty is always with you.

Put no question
And get all answer
In this auto-world.

Gajanan Mishra
In This World, See Me

I am a puppet
In the hands of lust.
I have been maddened
By the thirst for enjoyment.
And my heart has been
Inflamed by anger.
I am in delusion, my dear.
Save me, save me, I am here.

Gajanan Mishra
In Thorny Forest

You are to go through thorny forest,
And you are to dive in deep ocean if
You want to get some precious things.

Gajanan Mishra
In Thoughts In Words

In thoughts in words
Indeed we should be careful.

Coming to you I got peace
With your bliss and become happy.

Being a poet I live in imaginary world
And killed my enemies like crab.

In deep water the trunk of elephant sink
In deep water the lotus smile and the lamb
Keep its head above the water level.

Agree or disagree
Like or dislike
Love or hate
I am going for better
And better
The bird is my waiter
My dear and dear.

Gajanan Mishra
In To Details

Are you ready
To go into details?
Do you know
What is there
So-called conclusive proof
And reasoned texts?
Are you ready to meet
What is next?
What is the intellect?
I know, you stand for
Nature and for cosmic intelligence,
You are there with all elements.

Gajanan Mishra
In Total

In total
Three classes
Are there
First class
Second class
Third class
And all are
Liberated
By seeing
By fixing
By discharging
By realizing
All are liberated
From the very origin
Worry not for anything
While presenting
The things
That are presenting
Go on following
The almighty king
From the very beginning.

Gajanan Mishra
In Transition

I think
I engaged my mind
I describe I mop
I hear I see I smell
I taste
I offer obeisance
And I execute
Your mission
O my dear
I am here in transition.

Gajanan Mishra
In Transitory World

Remember,
We are in transitory world
And this world is not permanent
And so it is impossible to derive
Permanent joy out of it.

Remember,
Self is eternal, God is permanent
God is at the center
And we should long for.

Gajanan Mishra
In Trouble

Always here with me,
This world, to put me,
In trouble.
It is only for you,
My dear, I am free,
From all.
I know and I feel,
My dear, it is you,
Who is there
To pull me out
From the danger of
Fire and water.

Gajanan Mishra
In Trouble, In Fear

Come again, come again,
I am here, I am here,
In trouble and in fear.

I call you, my dear,
Come again, come again,
To change the weather.

I love you, I love you,
And to love, is my nature,
Come again with new feature.

Come again, come again,
To show the truth here,
And to give a life undeter.

Come again, come again,
For you, I'm waiting here.

Gajanan Mishra
In True Form

Let me live
In my true form.
But I am not
Here to surrender,
I feel you
Exist, though.
I know you are
Unique and
You are above and
Apart from me.
Yet I accept you
With my firm belief
And faith. I take
You to be my own.

Gajanan Mishra
In True Love

Find dispassion
And all virtues
In true love
Find the knowledge
That would regale
Yours eyes and
The whole body.

In true love
It is fact
You would forget
All about yourself
Here is all beauty
Here is all grace.

Gajanan Mishra
In Truth

Do whatever you want to do
In Truth
Eat whatever you want to eat
In Truth
Give everything in charity
Whatever penances you undergo
Should be done in Truth
Ultimate goal of life
should be to achieve Truth.

Gajanan Mishra
In Truth - One And Separate

If you are in truth
Remember, my dear
You are at the platform
Of intellectual life
And by this you develop
Your relationship with eternity
You are at the stage of life
That is called Truth consciousness
It is full pleasure blissful
I know you are joyful by nature, men
And you will be liberated soul
There is no anxiety no hankering
Keep your own individual existence
Separate and merge with oneness.

Gajanan Mishra
In Truth And In Love

In truth
I live.
In love
I see
The truth.

Gajanan Mishra
In Truth Completely

In truth completely,
Life is in truth.

Life is the only truth.

Life is at the root.
At the root of
All auspicious things.

The most auspicious - life.

The real benediction is
To live here
On this earth -
The only living one.

Everyone is here
Everything is here
Completely in goodness.

Gajanan Mishra
In Two Words

In two words
Let me say
Everything
There.
One is life
Another- death.
One is love
Another- truth.
In two words
Let me finish
My world.
One is I am
Another-
You are.

Gajanan Mishra
In Union

United we stand
Our life is a union
It is love that is with us
We desire we should die
In love and it is our future
In love we are going deeper
And deeper and we know
This is December and it is
Ours my dear
Let us come to open a new chapter.

Gajanan Mishra
In Vain

Life is
Not in vain,
Life
with delight,
Life
gratified
Life
contented.

For things done,
Life not in vain.
Life not in vain
There is no
Selfish dependence.

Come to life
My friends
And enjoy it
Without fear
Without favor.
Come and enjoy
With blessedness.

Life is here
With you, my
Dear friends,
Come on to live.

Gajanan Mishra
In Vain- Life Without Poems

My life is in vain
If I am not writing poems
It is through these poems
I am reaching perfection.

I am in confusion
Without poems with me
Poems are life-stream
Where I am to swim.

Gajanan Mishra
In Variety In Unity

We are all
In unity,
Unity in variety.
All truth,
And the expansion of the truth.
All variegated,
All relevant, all fact,
All eternal.

Gajanan Mishra
In Water

We are all in water
We are water
And from our navel lake
From our body
Sprouts a lotus stem
From the lotus flower
Atop this stem
And the world manifest
O my dear I know
Water is yours
And we are here
Waiting for your orders.

Gajanan Mishra
In Which Language

So many languages are there, 
And in which language you are 
Going to speak that I asked. 
So many languages; 
The enemy language, 
The stone language, 
The snow language, 
Blood language, 
Water language, 
Air language, 
Friendly language, 
Love language 
So on and so forth. 
And with your language, 
You are sucking everything, 
Making me undressed, 
Making me pauper, 
And forcing me to go on 
Foreign land to fill up 
The belly as the bonded laborer.

In your language 
All my dreams faded out. 
In your language 
Nothing left to me. 
In your language 
I have lost my identity, 
In your language 
I am a laughing stock 
In the eyes of the world. 
You are really the black sheep 
Of my family, my state. 
You are not at caring 
And all my mother, sisters, daughters, 
Brothers, and relatives 
Are dying and dying. 
You believe in blarney, 
And I have nothing to say. 
No one is there to save you,

Gajanan Mishra
In Whose World You Live

Love me not
Love the Almighty
In whose world you live.

O my dear, This world
Of the Omniscient is sweet
Sweet is its rhythm.

Sweet and beautiful this world
Of the Omnipresent and its
Rivers, forests, fields, lands
And mountains.

Here, in this world
You can hear the sweet sounds
Sweet words all are His.

You can enjoy His faces, His dances
His works, His smiles, His strengths
His numbers, His walks, His fights
All are always sweet.

Love all powerful
See, How He is beautiful
Remember His schedule
Feel, how hot He is and How cool.

O my dear, Love, He is full
And let me hear again
one who does not love Him
Is a great fool.

O my dear, love me not
Love Him
Who is your knot.

Gajanan Mishra
In Woods

In woods and in sands
You can find snakes
Expressing their
Disapproval by hisses.
But men, you know
Everything in details
Due to the wisdom
That is in you.

Gajanan Mishra
In Words

In words,
In your words
I want to wander,
Here and there.

But my dear,
I am wounded, see
With your words
And failed to move anywhere.

Gajanan Mishra
In Worst Us Mass Shooting

America - worst,
In worst US mass shooting
I lost everything.

America,
Are you civilized?

How you allow psycho
Assess to the gun?

It is song,
It is music,
It is poems,
All for humanity,
All for human beings.

America,
What happened
In your Las Vegas, Nevada?

What is the belief system
In this man against man world?

Simply by saying
An act of pure evil,
You can not shift
The responsibility,
Dear America.

Gajanan Mishra
In You

O my dear, I need Your presence
And I know You are present always
Here within me and outside me
I know within You there is truthfulness
I know within You there is cleanliness
The power to control anger is within You
I see in You intolerance of another's unhappiness
I know within You there is self-satisfaction
Straightforwardness, steadiness of mind, responsibility
equality, tolerance, equanimity, faithfulness, knowledge
Leadership, chivalry, the power to make everything possible
Discharge of proper duty, complete independence, dexterity
Fullness of all beauty, serenity, kindheartedness, ingenuity
Gentility, magnanimity, determination, proper execution
Possession of all objects of enjoyment, worship
You are pride-less and there are so many transcendental
Qualities within You
O my dear, You are reservoir of all goodness and beauty
In Your absence I find everywhere dark and dark
I am within You, with in all lights
And I am grateful You are within me with all qualities.

Gajanan Mishra
In You - Love

In you, I find everything,
In me, you can find everything.
And I bother not for anything.

Gajanan Mishra
In Your Abode

You are there
In Your abode.
I am here
Within You.

Only a few
Can understand this
Only a few
Only a few.

They are there
With You in Your
Creation with
Proper realization.

No specialization
No recognition is required.

Gajanan Mishra
In Your Absence

In Your absence though
I know You are present
Every moment everywhere
With everybody
I feel
Like a dead man
And what is a dead man
That I do not know
In Your presence.

Tears will not able to
Describe You O my dear
I am not feeling all vacant
At any moment and You
Said you are present
I know still I fear
You may left
And where to go
That I do not know
In my presence.

Gajanan Mishra
In Your Absence- Far Above

In your absence
I discover myself
In water
In air
In light
On this earth
Far above the sky.

Gajanan Mishra
In Your Area

In your area,
This time,
We are to
Discover the truth
of the line;
As you sow,
So you reap.

Gajanan Mishra
In Your Bed

In your bed let me die,
Looking your face let me die.
I am inside and not outside,
And I see the reality in you.

Shadow I cross not yours,
I know you have no shadow.
My mind is as high as yours,
Though my body is smallest here.

I am going to die with your twilight,
I am weightless as you see
And at the beginning with conviction
I am waiting for you to unearth the truth.

Gajanan Mishra
In Your Creation

In Your creation
Nothing is wanting
O my dear
Everything is here
We are just to
Revive all potency
As they are
In dormant state
They are under
Suspension.

Gajanan Mishra
In Your Eternal Form

Hereafter,
I accept you
In eternal truth,
My dear.

I worship you,
My love, I know
You are non-dual
And infallible.

You are unaffected,
I know dear, and
I am here, with your
Presence, without fear.

Gajanan Mishra
In Your Eyes

In your eyes there is love,
And so I am rushing to the sea
Again and again to see your eyes.

Gajanan Mishra
In Your Hands My Life

It is you, who is my breath
And here is love, with its craft.

Gajanan Mishra
In Your Hearts

I am there,
In your hearts,
Open it and see.
See, what I am
Doing there,
Feel the pulse
And measure my
Movements there.

Gajanan Mishra
In Your House

In your house
You find me.
And in your house
I find a dose of joy.
And there in the joy
I measure myself.

Gajanan Mishra
In Your Language

In your language
I want to talk to you,
And you are there
going out of truth.
How can I touch you?
The question is something new
but the answer is the same
old and is in queue.
I want my cloak back
but how you know the best,
and I want you present
without prudish proximity.
It is all combustion
our inseparable long relation.

Gajanan Mishra
In Your Life

In your life see me,
I see you in my life.
Life is one, persons two.
One words - another language,
One art - another music,
One more - another less,
One snow - another sun, and
All for fun.
Life is visible,
Though, you are not,
So also, no one can
See me anywhere.
I am the world I said
And you laughed at.
I am the situation,
And you keep quite.

Gajanan Mishra
I want to swim, my dear
I want to swim with Your
Pure love and I want to
Be a man of blind and deaf
And dumb and mad and invalid
And I surrender my all and
I surrender myself see.

O merciful, take away that are Yours
I have nothing I know, my dear
I also do not want my dues
From You my dear and I do not like
To stay with me alone in Your
Own premises here.

Gajanan Mishra
In Your Own Shadow

See the magic
of my poetry, dear,
In your own shadow.

See me day and nights,
in your own life,
with the light
of my bow.

Essence of life, I know
from my poetry, dear,
That I want to share.

Follow me in
silence without any
desire and see the result,
Given by your own star.

Gajanan Mishra
In Your Poem

I am in your poem,
Your poem is yours,
And I raised no voice.
The movement is important
When you write the poem.

All natural lights are there
In your poems.
Your poem itself is
A movement that I started
With hunger and thirst.

But in poem, I believe not trade,
I believe, though in messages.
Shapes, size and colors, no matter
And I believe in the world of culture.

Gajanan Mishra
In Your Presence

In your presence
I feel happy
I get peace
And I expect
Nothing from you
In your presence
I am blessed with
Good qualities
A behavior of
Divine richness.

Gajanan Mishra
In Your Thinking

I am there
In your thinking,
Think me
And get me at once.
I have my own body
In your perceptions
Dear, perceive me,
See me, I am
Only perceptible.
My existence is there
In your own existence.
Think not me
A separate identity,
In this dense forest.

Gajanan Mishra
In Your Transcendental Form

In Your transcendental form
You appeared
You are here to keep Your
Creation in normal condition
You have provided all the needs
Of all living persons
To enable them to live happily
But alas, their sense gratification
Made them intoxicated and they
Exploited resources unlawfully
And You appeared reappeared
In the form of truth love
You are unparallel
And reappeared to annihilate all.

Gajanan Mishra
Inability To Proceed

Inability to proceed
is there with me.
You please come, my dear
and say something
about yourself.

I know, what this
group of lines
are going to say
and what you are
going to understand.

You better understand,
about the land
and you are ready to
act for your own benefit.

Gajanan Mishra
Inactivity

You can not stand
On the platform of
Inactivity
All purposes are
Perfectly served
By composing poems
Go on composing poems
My dear poets
I know your
Constitutional position
I know you are
The marginal energy of love
Spiritual energy of truth.

Gajanan Mishra
Inadvertently

Inadvertently
I have said no,
Excuse me and
Treat it yes.

You know I am
A man of positive
And also sportive.

Take me in to
Account and see
My works.

Provide a shelter
From which I can
Work properly
For you, my dear.

Gajanan Mishra
Inauguration

Nothing new to inaugurate
But you are to give lecture
On this ceremony of inauguration.

Gajanan Mishra
Inauspicious

Inauspicious,
Everything here,
Inauspicious,
Mainly due to
Pollution of mind,
Defilement of time,
Negligence of laws.
Inauspicious is
The source of
All unhappiness.
Dear friends, let us
Stay auspicious
Always everywhere
For all good.

Gajanan Mishra
Incarnate Yourself

Oh, fish
Save me,
I am dying
In deep water.
Incarnate yourself,
And show your
Special favour
To me.
I am nothing,
And I am dying.

Where is the nectar
To drink, Oh fish,
Tell me.
I want to live.

Gajanan Mishra
Incessant Rain

Rain, rain, O rain,
Come on and rain
And let me forget
What would happened
With incessant rain.

What would happened,
There would be more
Croaking of frogs,
More buzzing of flies.

The sky whistles,
The clouds crackle,
And with the babbles
Of my grand-daughter
I got all pleasures.

Gajanan Mishra
Inclination

I have no inclination to interact.
Remember, I am not what I am.
I am a fool to tell this flesh
this bone this skin a body.

You are neither my friend nor foe.
Remember, no reason is there
to worry or to hurt.

Please, do not be proud
of your achievement
here, my dear.

Go and learn
walking alone on the road.
I have no inclination to
interact on personal matter.
Okey you may go further.

Gajanan Mishra
Inclination For You

I have an inclination for You
I invoke You for help
For protection
In distress
in adversity.

I know
You are both real and unreal
You are beyond real and unreal
I know
You are both higher and lower
You are beyond higher and lower
You are my soul you are my nature.

I am Your field
My body is your field
You know me
You are the know-er of the field
In different forms.

Gajanan Mishra
Income And Expenditure

Income. what is it?
It is actions
It is wakefulness.
And what is expenditure?
It is all eating sleeping
Refreshment recreation
And so on and so on.

Two kinds of capital
Are there for income and
Expenditure, my dear,
Worldly riches and age,
Keep a balance between
Income and expenditure
And that makes your living beautiful.

Gajanan Mishra
Income Tax Return

What is the utility
Of Income tax return?
How can I assess you
That you are honest?
Why should I keep
Something for the
Proverbial rainy days?
I live beyond my income.

Gajanan Mishra
Incoming outgoing
Fire is here
For all things
Coming means going
Going means not sure coming
Not coming
Water is burning
Fire is watering
Respect the wish
That you are offering
You are not mine
I am not mine
Nothing owning
You are not seeing
But I am watching
Without breaking
Incoming outgoing
Doing and dying
Morning and evening.

Gajanan Mishra
Incomparable As You Are

Incomparable as You are
You have no compeer.
And yet You respect the sentiments
Of all and You are extremely kind.
You are the ocean of countless virtues
You can be won by devotion by love.
You are the fountain of joy and
Abode of compassion.

Gajanan Mishra
Incompetent

Incompetent
Really I am incompetent
Everything vanishes
What I achieve
And I am unable to keep it
What I have seen
What I have achieved
The sky the stars
The mountains the oceans
The islands the continents
The forest the countries
The rivers the mines
Everything and everybody
The trees the birds the animals
The insects and everybody
What I saw that vanishes
I am incompetent to keep with me
You appeared and You disappeared
I am incompetent to recognized You
I am incompetent to keep You with me
I am incompetent to stay with You
I am incompetent to go with You
You appeared You disappeared
And I wandered I withered.

Gajanan Mishra
Incomplete

I am feeling incomplete
Without You O my dear
I feel I am defective
As a living being
And I am not able to
Do your devotional service
I am feeling incomplete
As I failed to identify
The body and the mind
As objects of self-realization.

Gajanan Mishra
Increased Remembrance

Increased remembrance
Of Truth
Highest spiritual one
Is You.

You are my
Ecstatic love
You are my
Living knowledge.

You are my water pot
You are my mango leaves
You are my jasmine white tulip
You are my love in bondage.

Let me see You
And I am your clay drum on this earth
With full consciousness
With eternity and bliss.

Gajanan Mishra
Incredible

Incredible -
The air,
The life.

Yet, we hear
About it all.
We observe
The course.

We use time,
And with this
We move forward.

We know, though,
Nowhere to go,
Nothing to do,
And we have our truth.

Gajanan Mishra
Incur No Sin

Go on performing
Each and every work
For the welfare of others
And incur no sin.

Go on loving all
Without expecting
Anything from anybody
And incur no sin.

Go on the path of truth
That are there always
And everywhere, keeping
Under control your own
Body senses mind and self
And incur no sin.

Gajanan Mishra
Indebted

1.

I am indebted to all,
I am unable to repay/repaid
The debts of my mother,
My father, my sisters,
My brothers, my villagers,
Friends, relatives.
I am indebted to all,
All the air, water, light.
I am indebted to the earth.
I am indebted to trees,
Plants, and also to animals
Like cows, buffalos, bullock,
Goat, hen, horse and so many
Birds and insects.

2.

I hereby beg excuse to all,
Excuse me, please, excuse me,
See my miserable condition here,
How helpless I am!
I am also failed to perform
The minimum duties that are
To be done by me for you all.
Excuse me, please, excuse me.
I am not fit to call myself
A man, but a beast or a demon,
I am taking everything from you
And in return unable to give
Anything that are to be given
To you all here before departure.

Gajanan Mishra
Indeed It Happened

And we got messages
That are highlighted.

It is not the question
Of successes or failures,
It is just the shambling
Of our wishes.

We seek so many things
And we want to focus
Our victory.

We are, indeed, determined
To go ahead and to show
All what are here at different
Times and in different aspects.

Gajanan Mishra
Independence Day

What do you mean
By independence day?
I am not allowed to utter
My own words in my language.
I am not provided any
Letters, orders, judgements
By the Government and the judges
Though they are functioning here
For me.
How can I say I am independent
And I am here to observe
Independence day what so ever it may.

Gajanan Mishra
Independence Day 2017

Dignity and integrity
Be uphold.
Significance of
Independence day
Be known.
Each life be
Take care
And steps
Should be taken
To make each one
As a dazzling star
In the world.

Gajanan Mishra
Independent

Yes I am independent
Yes I am sovereign
Yes I separated
And still I am
Not able to do anything
As per my wish
I am not able to move freely
I am not able to speak
What I am thinking
I am not able to sleep
I am not able to walk
I am not able to dream.
My stumbling block is I
I am not able to say good bye.

Gajanan Mishra
Independent Acts

Not caring for
Conventions or
Any principles
Independently I act.
I have no caste
I perform no duty
I am coming under
No jurisdiction.
And also see me
I am sight-less
I am quality-less
I have not any
Formal face
I am not in any race.

Gajanan Mishra
Independent Existence

I have an
Independent existence,
See me, my dear, and
I am free from ignorance.
I realized who am I,
I know the difference
That are here with us.
And hence I am very calculus.

Gajanan Mishra
Independent Faith

I have my own
Independent faith,
Independent life,
Independent language
And I am going with me
With all truth.
Time and again I am
Telling you, I love you.
My mind and my intellect
All are get fixed on you.
I know nothing else,
But you and I know
In attainment of you only
Lies the fulfilment of my life.

Gajanan Mishra
Independent Persons Are

Independent persons are always
Free from illusion
They can go wherever they like
And they are ever white.

Independent persons are liberated
They have supreme potency
O my supreme Lord, You are only
Independent here I know, You are eternal.

You are independent and You are
Present everywhere in fullness
I know You manifest Yourself
Though You are present everywhere.

Gajanan Mishra
India And Pakistan Are One

India and Pakistan are one
And not two,
It is the only truth.
Kailash Satyarthi and
Malala Yousafzai are belong
To this one and the same land,
That stands for peace and
Development of whole humanity.
Both are there upholding
The rights of the children-
The future of mankind.
The whole world is looking
Towards India and Pakistan
For peace for love for unity.

Gajanan Mishra
India Is My Home

India is my home,
It is the sweetest home,
Compare not my India
With any other land
Including Rome.

I love my India,
Incredible India,
Heavenly India,
I love Mother India.

I play here,
I sing here,
I feel free here,
Trust, tolerance, truth
And everything is here.

Gajanan Mishra
India Is Now

India is now my India
and I cannot tolerate
and will not allow
rising rapes, farmer's suicide
lack of toilets any more.

Gajanan Mishra
India, That Is Bharat

India, that is Bharat,
Says - our own Constitution.
Bharat is original, our
Root is there in Bharat.
India came afterward,
Some foreigners created
The word to prove them
As ichneumon fly.

Gajanan Mishra
Indian

I am proud
To be an Indian.
India is
My home land.

Let me declare,
An Indian has
Power to win
Any war.

An Indian is alert,
An Indian is clever,
An Indian is loyal,
An Indian is friendly,
And an Indian thinks;
He belongs to the world.
All creatures are
His brothers and sisters.

An Indian is
Willing to learn from others.
An Indian is very proud
Of himself.

I am proud
To be an Indian.
Indian poet thinks;
Let my life goes to hell
But the world prosper
And let all stay in peace
In this world-heaven.

Gajanan Mishra
Indian Army

Indian Army,
I salute you.
You have shown
Bravery that makes
The entire nation proud.
Indian Army, I know
It is better to die
In the battlefield than
During cowardly terror attacks.
Continue your strike,
Indian Army till
All the terrorist are finished.
Fear not anyone on this earth,
For the sake of humanity.

Gajanan Mishra
Indian Village At Sunset

See here, my dear, the Indian village
And the scenes of transcendental beauty
See here, at sunset, cows returning home
Calves jumping here and there
Mother-cows followed slowly behind
Weighed down by heavy milk bags
The cowherd men and women chanting
The glories of Almighty without any expectation
See the beauty, my dear here there and no frustration
See decoration of burning incense and
Rows of lamps, full of knowledge
Full of love, full of trust among each other
No hypocrisy and nothing and with pure atmosphere
All are clean at heart, thanks God, I am a villager.

Gajanan Mishra
Individual Crisis

Where to go?
How to go?
With whom to go?
For what to go?
But going is sure.
To face the crisis
On the way is a must.

Nurture yourself,
Show your capabilities,
Do the things that are
Meant for you as truth.
Create your own institution,
Ensure justice and
The fullness of life.

Gajanan Mishra
Individual Identity

Most important is individual identity and his experiences. It is form one single mind's reaction the world is revolving. It is only for one single person the eyes, the ears, the mouth are functioning. After crossing the individual barriers one can touch international arena. Eternal truth is that we must take care an individual.

Gajanan Mishra
Indivisible

Indivisible
If you ask
Who is indivisible
I must say
It is only I.

You can see me
If you so like
In everything
In everybody
And it is
Without mix.

Do not compare me
With anything
With anybody
I am in all though
And all moving
And non-moving
Are in me.

I am distinct
I am separate
I am incomparable
I am stable
I am beyond any number
I am beyond all literature
See me my dear only
Within you.

Gajanan Mishra
Indivisible And Whole

I know, you are indivisible,
You are one and whole.

It is here, we are both
One and inseparable.

I have forgotten my name
and my address and still
I an indispensable for you.

It is in me I am taking birth
And it is in me I am dying,
as you describe in your words.

My existence is here
in the deposition of a witness,
And I am awake like
the dead night.

Gajanan Mishra
Indolence

Indolence leads a man to bondage
Indolence is the stumbling block to progress
See the sun who is particular and regular
Coming and going and doing all in time
See the earth who is revolving rotating
Regularly and sincerely in due time
And maintaining us keeping healthy wealthy and wise
Being the product of this earth
Being the son and subject of the sun
Stay always active and particular and sincere
O my dear, You have kept in your hands your future.

Gajanan Mishra
Indomitable Will

Indomitable will
Is my strength.
And I am determine
To make you
What you are
In original,
Your paternal
That is but natural.

Gajanan Mishra
Induction

Induction is good,
If it is for larger interest.
All would get the benefit
If the intention is honest.
Let us be clear with us
For the welfare of all.
We must take a bow not to
Give a chance for humanity's fall.

Gajanan Mishra
Inertia

No inherent power
I am the lowest ladder
I am indisposed
Insensitivity is here
With me and see
I am wandering
In darkness here
Further more
I am confused
Let me repeat
I do not know
Anything about myself
O my dear, please come
And let me know
Who I am
What for I am here
I am ever ready
At Your call
Just ring me
I am waiting
For the light
You are
Ready to give me.

Gajanan Mishra
I-Ness My-Ness

Binds and
Gives pain.

Maltreating
A human body
Man gets bound
And there is pain.

Giving importance
To perishable
Is pain.

Acting with
Thought of reward
Creates bondage and pain.

Gajanan Mishra
Inevitable

Inevitable is
Unavoidable
And is invariably
Preceded by
Circumstances.

See the life, my dear
As a dark dense forest
Don't take risk
By being trackless
Life would be useless.

Gajanan Mishra
Inevitable - Follow-Up Action

What is inevitable
Is our follow-up action
While we are under operation
Of the life that is horrible.

Gajanan Mishra
Infallible

Infallible,
Over and above
all caste, creed,
color, caliber.
Deep and abstract,
No contrary view,
Seeing the picture
you cannot assess.
Vital and rare
and that has a
reflection everywhere
with all.
It is one and
always the same.

Gajanan Mishra
Infallible - You

Infallible,
Over and above
all caste, creed,
color, caliber.
Deep and abstract,
No contrary view,
Seeing the picture
you cannot assess.
Vital and rare
and that has a
reflection everywhere
with all.
It is one and
always the same.

Gajanan Mishra
Infection

Infection is there
In our body
In our mind.
Infection of the material
Modes of nature.
Enjoying and suffering both
Are same here but
Pain is there in both.
And we are influenced
By so many factors.
With various tendencies and
With various destinations
We are going away
Far from the truth.

Gajanan Mishra
Infection Is There

Infection is there,
And the communication is
Books, pamphlets, slogans,
Rally, mike and social medias.
Transmission be checked first
And every one be checked
For inapt remark and expression.
All active or passive activities
Against this earth be checked first
To live a life of peace and security.
Let us check the infection and take
Steps to cure it either oral or surgery
Method, or &quot;if it becomes a gangrene,
Amputation is the only treatment'.
&quot;rights and duties are two sides'
Each one should keep it in mind.

Gajanan Mishra
Inferiority Complex

Inferiority complex is there
with all in one way or the other.
I am superior, you are inferior,
The cow is superior, the dog is inferior,
The pigeon is superior, the crow is inferior.

Forget my dear, about superiority and inferiority
And remember, who you are, what is your role
during this period, to change the atmosphere.
Keeping purity should be the motto and not success,
Success is nothing but a highlight of past actions.

Controlling your own mind you should go forward
It is your simplicity and uprightness that can
taken you to super most position at the earliest
and I am waiting here only for that.

My dear men, said our leader,
Initiate transformative changes
In villages and bring a positive
Difference in society during
Your own life.
Development at the grass root level
Is a must for economic growth.
People in general should take part
In day to day reforms and works.
We can capture the sky and also
The globe only from our own land and labour.
Empowerment and enablement are but
Necessary instruments at our hands.
It is true, we want right and not reliefs.
My dear men, local issues be sortout first,
What we need, we must say and work for that.
Let us strengthen ourselves,
Let us transparent and participatory,
Let us take steps for accountable system
For the development and welfare of all.

Within me.

I write how to live,
Whom to love,
In which language
To express.

Purpose is clear,
Truth is my
Actual shelter.
The earth and the sky
Eternal wellwisher.

Everything is there
In the dark,
Dark is my flag,
Dark is my words,
So-called ruler
Fears me,
As I am dark,
And all support me.

Obey the dark,
Or go downwards.

The question is rare.
Life is dark deep,
Deep dark and
We all are there.
Best friends,
Worst friend,
All termed
With interest.
Stay silent,
Matter not
Whether you
Live or die.
But each one
Is like a fallen leaf
Lost everything,
For nothing.

Gajanan Mishra
Inner War

War is always
Going on inside
In the process of
Overcoming the dark
And blind powers
Of the lower nature
By the splendid and
Intelligent powers
Of the higher nature
And this war marks
The life of both
Objective and
Subjective sides
Of the created universe.

Gajanan Mishra
Innocence

It is said
An accused always
Pleads innocence
After being arrested.
But the fact is,
No one is innocent
And hence arrested
And kept in
This body-prison.
It is better to
tolerate and bear
All the punishment.
And not to utter
Any word therefor.

Gajanan Mishra
Innocent

You know I am innocent
Innocent is not always
Innocent you argue
And I disagree.
I am innocent and different

Tree is giving everything  
to one who is coming to  
cut him down, this fact  
is known to all and  
it is not new.  
New is our, cruelty upon the tree,  
and we are so care-free.  
We know, without tree  
we cannot live for a moment  
and yet we are not taking interest  
to save tree.  
Real culprit is within us  
Real sage is the tree.

Gajanan Mishra
Innocents

Innocents must not be hurt,
And fall down must not be invited.

Gajanan Mishra
Innumerable

Innumerable creatures
Innumerable rivers
Innumerable incarnations
And I am at the center

Insanity

I have a mind and I think
I have ears and I hear
Also I can smell I can taste
I can touch and I enjoy
If I am here to do all these
As per my sweet will and
It is insanity.

I have a mind and I think
I am not going to express
Every thought and also
I am not going to translate
All these into practice
I know if I am going to do
All it is insanity.

I have heard many praise melody music
I have received so many honors blessings
I have also experienced many blame dishonor
Curse and abuses and I am indifferent
I have touched many soft and hard, hot and cold
I have taste bitter pungent sweet sour salt
And I am indifferent and unaffected.

And I know if I am affected it is insanity
And insanity means side with a party
And siding with a party means going out of track
And missing so many things
And not getting proper self
And going away from truth
And it is insanity.

Gajanan Mishra
Insects Attracted To Fire

Insects attracted to fire,
But I am free to my sweet will.

Gajanan Mishra
Insecure

In some way or other
We all suffering here
as we know in suffering
only we can reach the truth
and the truth is in love.
In some way or other
we are in love
and we wear white clothes,
but around us we witness
all falsehood.
To establish truth
it is not necessary to
take the help of falsehood
and it is true.

Gajanan Mishra
Inseparable

We can not be separate
O my dear
We are one and the same
See I am yours
And you are mine

And we are inseparable.

Gajanan Mishra
Inseparable We Are

Inseparable we are,
We are exchanging love
With each other,
We both are lovers,
We both are beloved.
You are the lover sometimes,
And sometimes I am the lover.
Sometimes you are the beloved
And sometimes I am the beloved.
O my dear, though two we are,
We are one, and we remain only one.

Gajanan Mishra
In-Separate In The Separated

In-separate in the separated
Imperishable is in all beings
If you know and tell it
I conclude you have true knowledge.

I reside for some time here
With you and you are ready to
Categorized me in the list of
Terrorist while struggling
To fill up the belly.

Gajanan Mishra

You are for all.

Gajanan Mishra
Inside All Of Us

Inside all of us
A poet is there
To sing the song
That related to life.

Inside all of us
A cry for liberation
Is there and we
Are all made for liberation.

What is liberation
We are to ask ourselves
And give wakeup call on this day
For the sake of love and humanity.

Gajanan Mishra
Inside And Outside

I find you
Both inside
And outside.
I find you,
In knowledge,
In simplicity,
In truthfulness,
In cleanliness,
In faith.
But who you are,
That I know not.
But I am sure
You are with love,
You are in love.

Gajanan Mishra
Inside And Outside- Love And Life

Inside and outside,
Nothing, nothing.
Still, I exist
Within nd without.

I am the beginning.

I am the life,
I am also all elements.
For me, you are there and
The dance of that smiling star.

Gajanan Mishra
Inside Outside

You are not to enter,
Not to leave.
Find nothing like
Inside or outside.

Nothing is there
Called good or bad.
Nowhere it is
Summer or winter.

You are to eat and drink,
Meaningless, though.
Without any labor or pain
You are to come and go.

No idea no split,
Nothing to be touched,
Nothing to be fired,
Nothing to take care.

But you are to taste the grapes,
You are to live dear men.
You are to love all,
You are to know the truth here.

But who you are?
Where are you
And for what
Let us chat.

Gajanan Mishra
I know You are residing
Inside and within the body
Of everyone.

Each body is an universe
And You enter in to
Everybody materially created.

You are the complete whole
I know also your plenary expansions
You are the inconceivable way.

Gajanan Mishra
Inside The Heart

Inside your heart
There is love and love
And with love I partake
Delightfully the leaf
The flower the fruit and
The water offered by
Disinterested sinless mind
And I appeared before
Him personally
With love I am
Burning outside and
Also inside
And the love is not
Psychological experience
It is the essence and
It is the life
And scrolling review
I back to history.

Gajanan Mishra
Insignificant Blade Of Grass

This life is like
Insignificant blade of grass.
No value of smiling and crying,
And we are, here, like an ass.
But fear not, dear,
The rope is rope and
Mistakenly see not as a snake.
And for our ignorance, we tell
The insane sane.

Gajanan Mishra
Instant Divorce

Talaq talaq talaq,
Triple talaq,
Relationship cut;
Go, wherever you want,
The husband said.

What do you think?
Am I a commodity?
Have I no identity?
I am your force,
Mind it, replied the wife.

I am not here to act
As per your whims.
Instant divorce is
No more in use.
I am a modern lady,
A civilized woman.

Your so-called triple talaq
Is invalid and unconstitutional
And far from humanity.
Your triple talaq
Is the worst and
Not at all desirable.

We are equal in the eyes of laws,
We are equal by nature,
We are two sides of the same coin.
Utter not triple talaq anymore,
The word talaq is outdated
And it comes out from madness.

I have not married you
To take a divorce,
I am not interested
To identify me as
A divorcee.
Instant Fruits

Instant fruits
Let me get it,
But it is not good.

Gajanan Mishra
Institution

Institution itself
Is not good.
Institutionalized is
Really dangerous.

Go not for any institution,
And go alone as a person
And do whatever you think good.

What is good is best
Known to you, no one else,
But it is you who know better
To focus pious attention on love.

And love, you know better,
How it is there within the self
For which so many worlds revolve.

Gajanan Mishra
Instrument

I'm nothing
Except an instrument
It is you to use me
As you like
The lose is yours
The gain is yours
You are my creator
You are my sustainer
You are my destroyer
I'm nothing
You do whatever you like
I'm just an instrument
Use me as you like.

Gajanan Mishra
Insult Not Openly

To the self, my dear,
And tell not a lie,

Try to know the truth,
Keep no attachment
With perishable.

Gajanan Mishra
Insulted By Relatives

Insulted by relatives
Is equal to death.

If one neglects
The words of Father Mother and Teacher
The future is not good.

There is no person in this world
Who has no rival.

Gajanan Mishra
Insulting words
Really painful.
Insulting words of
Uncivilized men
Really disturbing
Not bearable.
After hearing such words
Of such persons,
to resettled the disturbed
Mind, no one is capable.
You are just to file a
Lawsuit and pray for
Compensation, no amount
Can compensate, though.

Gajanan Mishra
Insurance

How to insure
That I know
And for this I
Propagate love.

Love is the truth
And only truth is
Here with us and
It is unconditional.

Gajanan Mishra
Insurance - Security

To insure life, properties,
Journey, car, bike
So many companies are
Approaching me by phone,
Messages, and through
personal contact also.
But see me, I am not foolish,
I know, everything including
This life is temporary
Like the bubble of water.
Nothing and no one is ours
And yet we have to do
So many things for so many persons,
And we are duty bound to do.
I thank you all dear companies,
For your kind cooperation and
Your efforts to catch the time
And I know, you all made me
Run with the time with security.
But dear friends, I am insecure
Within, see me.

Gajanan Mishra
Insure Your Life

Insure your life, my dear,
By depositing the instalment
Of love once for all.
And live a carefree life
With truth here.
No jaeger can harm you
At any time anywhere
If you are going
On the path of truth.
Life is nothing but
A mixture of love and truth.
Love is the reality
Of life one has to
Admit it by going with eternity.

Gajanan Mishra
Insurmountable Time

Insurmountable time,
And we live in here.

But we see-
The shoe wants to climb
On the head
That bears the royal crown.

And we are strong full of
Potency, courage, and strength.

Gajanan Mishra
Intact

You say snake
you say to create
you say sea
and all those are
within me.

You call my name
and what is in a name
You can change the name
as nature change its creature.

Nature horror
you ask how
it is my business
to explain
listen or not
the door is
going to close
after a moment.

who is there to say then?
you are only there
to say
to do
to act
and I am
intact.

Gajanan Mishra

In this river-water
And You are a fish there.

Gajanan Mishra
Intake Is The Cause

Intake is the cause
Cause of all diseases.
And it is bitten
By the snake.

The snake is this
Material world
It is the material
Conceptions of life.

You words are medicines
That can save me
From the snakebite, my dear
It is the nectar
It is the cool water
For I am suffering from material scorching heat.

Life, music and dance
All are inter-linked.
Today, let us show
Before all
With no confusion.
Love is not the compilation
Of weekend.

Gajanan Mishra
Intensive Practice

Intensive practice is in need of time
Fixing your mind and it is significant.

Speak to flowers and leaves
Offer what you possessed.

Where is the air
Search and search out here there.

Don't get yourself agitated
Leave it to the clouds at length.

I know you are at the stage of highest perfection
I know controlling machine is within you.

Gajanan Mishra

Intention important.
I intend to work for you
You banyan tree intend to
Provide shade.
Everybody here get
Tranquility peace perfection.

Important intention.
I relinguish all
All fruits all hopes
All desires
And intend to remain
With you all day long.

Gajanan Mishra
Interaction

In the flash of lightning
Let us start our interactions,
And let it continues
Till the hearts blossom.

We both are the lone players here,
We know not what is the secret
And where it is and still we are
Not far but near and nearer.

We should not forget that
We are here to play to sing
And to love each other with the flash
That are only ours.

Gajanan Mishra
Interdependent

Interdependent, we both, and we are surrounded by Day and nights.

Gajanan Mishra
Interested In You Only

Anything at any time
Anywhere with anybody
And nothing is mine
Everything is yours.

Everything is yours
And nothing is mine
And I am here always
Whenever you wish to see
Me where ever you like.

See me where ever you like
Whenever you wish
I am nothing and nowhere
That you do not like
I am interested in you only.

Gajanan Mishra
Interfere not
With the working
Of any one, my dear.
Let the sun shine
Let the air flow
As their normal routine.
Stay far from wrong deeds
And go with the scriptures.

Gajanan Mishra
Interjection

Nothing to interject,
No need to tell
This and that.
Just with eyes
Go where you want
To go.
Just with hands
Do, what you
Want to do.
No magic, but all
As natural and orderly
As the rain.
No need to mingle
With this and that.
Interloper is there
With his own loss.
Each stage is interim,
Each one should
Keep it in mind.
And stay in own glass,
Just for a blast.

Gajanan Mishra
Interlinked - All

Interlinked - all,
One body with another,
One matter with another,
One age with another,

It is true,
My suffering is being
Enjoyed by you.
It is also true,
We are for all good,
And for truth.

Change has no meaning,
With you or with me,
And yet, we are changing
At every moment, here all time.

Gajanan Mishra
Inter-Mixture

It is inter-mixture,
It is nature,
You are the deviator,
And I am the silent spectator.

It is formation of nature,
It is temperature,
And you are the book-keeper,
I am the knowledge-center.

Gajanan Mishra
Internal

Call me
I am in.

Here
I am
Creating
Power
Internal.
Here
I am
Maintaining
Myself
Personal.

Besides me
Nobody is
Here
And here
I am
And I am in
Call me.

Gajanan Mishra
Internal Energy

Keep and use
Internal energy
With control.
Exhibit the light
In the darkness.
Go with
Clear conception
For a better world.

Gajanan Mishra
Internal Potential - Love

Love is not external trophy
to be possessed.
Love is internal potential
to be realized.
Love is full, see
within your heart.
And you feel emptiness
If there no love in you.
Love energized you,
And love cannot be teared.
Tear your own heart
and see love therein.
Show your own sincerity
towards love, my dear,
by going deep and deep within.
No knowledge no wisdom
No power no wealth can match love.
No one can live without love,
Love is the basis of your own life,
Feel and see and test yourself, dear.

Gajanan Mishra
Internal Value

To adjust
I am not here,
I am not here
To be chewing the chewed.
I am as natural
As the air,
As the sky,
Try not to trap me.
I am a living being,
I know the truth,
And I am not interested
To go with
External interest,
As I know the internal value.

Gajanan Mishra
International Family

On this day
Family scattered
On this day
New form evolved
New family
New world.

Say world a family
Son in America
Daughter in Japan
Wife in London
Husband in India
Say world a family
It is for belly.

Is it not world society
Father is no more
Mother unable to move
I have no time for anybody.

Gajanan Mishra
International Women's Day

I am not allowed to touch
Shani-shingapur,
I am not allowed to enter
Trimbakeshwar temple.
But you said highest level of
Respect has been given to women.
You said my protection and
Safety is your sacred duty.
You are there to give respect
My right to equal opportunities,
A dignified life. I failed
To understand what type of
International Women's day
You are observing here.

Gajanan Mishra
Interplay

We the three
Are busy in interplay
Birth-death-time
Past-present-future
Goodness-passion-ignorance
Body-sense-mind.

We the three
Are in our origin
In our end
We are united
We divide ourselves
We the three are true
And also false.

Gajanan Mishra
Interplay-Love And World Peace

Interplay is there
As you see
Within the sea.
Sea is there
As you see
Within the sky.
The sky is there
As you see
Within you.
And you are there
Within me.
Let me love you,
Your Highness.
Let me surrender,
That are in me,
My dear, as it is
My only business.

Gajanan Mishra
Interpret Your Own Life

Interpret your own life
If you so like.

Cheating and jugglery of words
Are of no use.

You should be extremely careful
You are taking with you not part
Not half but the whole and the full.

I know you are not the fool that can
Be bypassed here or there
You are aware that I am with you.

You are progressive and acquainted
With the whole system that enable you
To reach your own destination
I am here with you ready for cooperation.

Gajanan Mishra
Inter-Related

We are inter-related
We are inter-dependent
We are one and the same.

Let us see ourselves
With awaken knowledge
And detachment.

We should know
This is not our home
Where we are now.

We are prisoners here
We should realized
The facts and figures.

We should renounce
What we have and
Live on charity.

We are having one body
One soul together but
In different shapes and sizes.

We should feel
And realize that we are
Here now and it is passing.

I am with You, my dear
There is intimate association
With You my dear in seeing
In touching in conversing
In sleeping in sitting in dining
Always everywhere
It is not possible to
Tolerate separation
You are the soul
I am mere body
Minus You I am dead.

Gajanan Mishra
Intolerance

Want of tolerance
Is there in each of us.
How to tackle it
Ask yourself, my dear.

Have patience,
Intoxicate no one, and
See, everything is fine,
And it is I - out of line.

Gajanan Mishra
Intolerance and hate,
Again came to us as
An enemy of humanity,
An enemy of freedom of
Speech and expression,
An enemy of democracy,
An enemy of the earth
And the sky.
Each one's future
Is in jeopardy.
We must keep clean
All jetty.
We are to live,
Yes, we are to live.

Gajanan Mishra
Intolerance Is Everywhere

Intolerance is everywhere,
But worry not my dear. Think,
See and keep love as only truth.

Gajanan Mishra
Intolerant

The serpents
Cannot tolerate
Being trampled upon
By anyone's feet.

So also we are
My dear men,
We cannot tolerate
The so-called
Improvements by
Our own men.

We have forgotten
The power of love
And truth that are
Within us.

Gajanan Mishra
Intoxicating the Brain

Intoxicating the brain
I told all to come and
Kill me, cut me, eat me,
Take me to the place you
Like most for I am here.
Intoxicating the brain
I promise to give everything
That are here with me,
My bone, my flesh, my blood
For you and your allround
Development here and hereafter,
Whatever the nature and kind
Whatsoever to the contray
In anyway for the sake of love.

Gajanan Mishra
Intoxication With

Intoxication with opulence
And power leads to madness.
Stay on self-restraint, men.

Gajanan Mishra
Introspection

Introspection is a must
To overtake frustration.
Only a single question
Am I ready to help
To farther humanities
Through this poem
And is it for right reason!
The question is always here
And I am not feeling well
To give answer.
It is there like the star
And you are giving me notice
With all good and all fair.

Gajanan Mishra
Invent A New God

Invent a new God
and invent a new God.
New God would be there
with all good and all fair.
Let us take the issue
to international arena,
and see the number of
conscious persons who are
interested with fresh phenomena.

Gajanan Mishra
Invent Colors

Invent ideology
Invent narrative
Or else
Be ready to die.
Brief history says
strategy has no work
No salable point
Objection overruled
Be ready to die.

Gajanan Mishra
Invent Or Discover

What is life see here
I just enter-in
Invent me or discover

When you come to me
I am not fire nor ice.

Gajanan Mishra
Invent Space For You

Invent space for you
My dear son

Life absolute
Time not returnable.

Gajanan Mishra
Invincible

Birth,
Disease,
Old age,
Death, all-
Invincible.

Notice,
Summon,
Warrant,
You have no
Power to refuse.

You have to surrender
Yourself before the time,
Who so ever you may be,
No value of your power,
Position and place of residence.

You have to close your eyes,
You have to say sorry,
You have to beg pardon,
You have to take the responsibility
Of saying and doing all wrongs.

Gajanan Mishra
Invincible Source

Invincible source
Cause of all causes
O my dear I am here
Only for You.

I am going to You
Forgetting day or night
O my dear I am here
Only for You.

You are great
Greater than anybody
O my dear I am here
Only for You.

Refuge of the universe
You are limitless
O my dear I am here
Only for You.

Demons are afraid of You
I am giving my respect to You
O my dear I am here
Only for You.

Gajanan Mishra
Invisibility

Who is invisible
I know not.
I know not
Your original form.
Within and without
Everything and everybody,
I know you are there and
You are unaffected by any quality.

Gajanan Mishra
Invisible

Though invisible
You are the resting place.

Your terrible splendours
burn the universe.

I know not the purpose
And here I am like doll.

Gajanan Mishra
Invisible Enemy

Invisible enemy
Is really the most
Dangerous here,
Tackle the invisible
With care.
Follow not the principle
Of tit for tat,
Change the writing
On the wall considering
The situation and the star.

Gajanan Mishra
Invisible Identity

Invisible identity
Unlimited forms eternally.

Effective and complete
Manifestation forms externally
And internally.

Measurement of life made
From movement to movement
That is Potency of Almighty.

Not visible in this world
And it is beyond any estimation.

Gajanan Mishra
Invitation

You are invited cordially
To read my poem
Read and reread again
And again and again
With undiminish interest.

I invite you to read my poem
And search out yourself
Where you are missing
And find you out in it
You please read my poem
And see in it how you
Manage yourself to stay
And how you are making
Preparation to go finally.

I invite you to read my poem
And I invite you cordially.

Gajanan Mishra
Invite Me

Invite me
For meals,
I'm hungry
And I treat
Your invitation
As my festival.
Keep faith
In me my dear,
It is the festival
Of your own life,
Like the green pasture-
The festival of cows.
Invite me and
Realize the self.

Gajanan Mishra
Invite not
Your death.
I am the blazing fire,
Know me there.
In your land
I can smash you
In your body
I can kill you.
Disturb not
The beauty,
The peace
Of this land.
Know me,
Know the goodness.
Follow the rules,
Rules of living.
Live and let live.
Harm not others,
Kill not others,
If you are to do,
Do some good.

Gajanan Mishra
Invoke All

Just for a flower
I am accumulating so much
Facts and figures.
Just for a flower
I am living with glamor.
Nothing to develop
But to invoke all
For eternal pleasure.

Gajanan Mishra
Invoke Truth Consciousness

Invoke truth-consciousness,
My dear men, in every
Forgetful common man.
Let the man knows, how he acts,
In which language he speaks,
How he lives with others,
And what should be the action.
Let the man know all the truth.

Gajanan Mishra
Irom Chanu Sharmila

I salute you,
I salute you
For your determination,
For your sacrifice,
For your social cause,
For your fasting,
For you have done a lot
And show a path
Of non-violence,
For the welfare of the people,
And you are going to end
Your sixteen years fast.
You are determined to
Contest the election
And serve the people,
I wish you all the good,
I wish your protest of
Armed Forces Special Power Act.
I hope you winning in
Manipur Assembly election
And serve the people
In a larger scale.
Thank you,
Irom Chanu Sharmila.

Gajanan Mishra
Iron Can Not Burn

Iron can not burn
Unless heated by fire
I can not live
Without Your blessing, my dear.

Gajanan Mishra
Iron is fire
When put into the fire
And becomes red-hot.
So also each one
Becomes God when
He is in truth
And with universal love.
All fortunes come
To him when who
Serve all honestly
Without any prejudice.
He is in complete
Perfection culminating.
In truth consciousness.

Gajanan Mishra
Irony

Real irony - life,
No meaning of
Personal relationship.

Read and feel
The earth, dear.
Time and place,
Nothing yours.

In this very fine rain,
You have to search
The nectar.

Not for show,
But to satisfy the self,
You have to proceed forward
To touch the dark stone.

Gajanan Mishra
Irrational

Your look
Irrational,
And you
Consider substantial but all -
The illusory transformations.
You consider a pond of water
But the mirage.
How childish intelligence we have.

Gajanan Mishra
Irregularly composed, though,
My poems, read it,
The truth is here
And that would purify you.
By reading my poems,
You would get right direction,
Love is here, so also
My heart and pious life.

Gajanan Mishra
Irrespective Of Colors

I do not want my rendering
Be here with all
Irresepctive of colors.

And colors I like is white.

To say I am free from fear
Is false.
And I dislike falsehood.

And falsehood is with me always.

That is there everything
And I fear replacing
The tree the bird the cloud the air.

Myself I replaced.

Gajanan Mishra
Irrevocable Loving Service

Irrevocable loving service
Is established here in my heart,
See my dear. And it is all
In goodness and I am
Completely happy.

Gajanan Mishra
Irsha Nahin, ????? ?????? (Odia)

Irsha nahin, bhaya nahin,
Jibana banchija sabu

Gajanan Mishra
Is A Cow Like A Goat?

Is a cow like a goat?
Is our King a thief?
Am I lying?
Is not there, needless violence?
Is home devoid of piety?
Is a man like an ass?
Is not the earth pure?
You can't answer all, I am sure.

Gajanan Mishra
Is A Woman Free Really?

Is a woman free really?
Is she ready to listen?
Why should she obey any order?
Who is there to check her
From staying in and moving out?
Is she like fire? or she is like earth!
What is chastity? why this word
is being used with her?
Who is there to answer
so many questions that are related
to the woman here?
Let her understand what is there in her.
Let her understand the situation that is there.
Let her understand that she cannot go far.

Gajanan Mishra
Is Blood Black?

Is blood black?
Before giving the answer,
I want to say,
See, blood runs.

Blood runs and
I want you to follow
With sharpening words.

No stone is untouched,
No air is fired,
No sky is located so far.

I want you to stay still,
I want you to go out,
I want you to measure the sea
And come back with all instruments.

Gajanan Mishra
Is Faith Evil Feeling?

Is faith evil feeling? I don't know.
How much am I rich? I don't know.
Ask me not any question as I want to relish a sweet dish mixed with poison.

Teach not the sun rises in the east
And it is east where sun rises, both are wrong.
No necessity is there to impart teaching
You are nobody to teach anybody anything.

Falsehood and fraud everywhere
Foul means are being applied by everybody
How miserable life is with us here we lead
Dying we are every moment we know
And still we are committing sin out of greed.

We are ruined by ourselves by our false wealth
By our false power and we are saying
We are here absolute king, alas
How ignorant we are! We do not know,
How much darkness around us we do not know.

Gajanan Mishra
Is God Really Dead

Is God dead
How dare you
To declared
God is dead
Do you know
Who is God
Where he resides
How he is
And what he is
Doing at this time.
Is God really dead
If so tell me
Who are you then, my dear
And how you are
With me now
I know you
From the very beginning
That you are here
And you are my God
God is none other than You
God is nobody else but YOU.

Gajanan Mishra
Is He Good

Is he good,
Who is kind, peaceful,
Eurable, faultless, magnanimous,
Mild, clean, non-possessive, a well-wisher to all,
And satisfied?
Is he good
Who is simple, fixed,
Self-controlled, a balanced eater,
Sane, mannerly, prideless, grave, sympathetic,
Friendly, poetic, expert and silent?
I have forgotten
The words of scriptures that are there,
But not for neglected class
But that have highest poetic values.

Gajanan Mishra
Is Hugging A Sin

I do not agree personally
If your intention is
Pure and fine.

How dare you to forbid
Love affection humanity
Forget not we are all
Sons and daughters of
Same Almighty and
Are close relatives.

Gajanan Mishra
Is It A Bird

And to stay with truth
Is the highest good.

Is there any room vacant,
A great question for us.
And that has no answer
As you told.

Gajanan Mishra
Is It A Temple And What Is A Temple

Is it a temple and what is a temple
Please tell me where God do not reside.
Do not be simple and simple is not always noble
Simple is often dangerously horrible and terrible.

Up and down and close and open pious son come come
White and black and sweets and sours come come
Dirty and clean and small and big
Everything is yours and here this is your gig.

Gajanan Mishra
Is It Easy To Stay United?

Is it easy to stay united
Please tell, my dear, please tell,
Without devotion, without attachment,
Without surrendering the self?

I love the air and the air is there,
I love the sky and I desire to fly,
It is fire that is burning within me,
And you are the fire that I know there.

You are calling me to go there,
Please clarify, are you not there?
You are staging this drama and you
placed yourself in the position of
The hero and the director, producer as well,
with your own expenses. who am I?

Gajanan Mishra
Is It Not Enough

I am Yours

Enough for me
To perform my duties.

Merry Christmas
I am Yours, You are my dear.

And what is it?

It is I.

In our own knowledge
We exist in our dream
And we stress our manifestation.

Gajanan Mishra
Is It Really Death?

Is it really death?
What is that?

Death gives me
Extreme pleasure

Is It Right To Say

Is it right to say
Keep women locked up
And off social media?

Good to say so.
Rather say,
Educate women
To the core.

Let them know
Right and wrong.
Teach them
Tolerance.
Let women go free
And observe
The life and nature.
Teach them how to
Tackle even
The worst situation.

Remember, women are
Wonderful and
Delightful.
Honour of women

Honour of state,
Honour of state means
Honour of Mother earth,
Where we are.

It is the only option.
Let me tell to you
In particular.

Gajanan Mishra
Is It Yours?

This violence?
This cheating?

I know nothing
As I have no need.

I need nothing,
And nothing is happening to me.

I am going from sound to unsound
While You are coming from unsound to sound.

No sun no moon in Your path, and You are enlightened.
All suns and all moons are here with me
Still I am in dark, my dear, I am in dark.

And I know, this deep dark is Your
And You are known as deep darkness of time-cheat.

Is language a must?
I think not.

Without my language

is really more difficult
than to use it.
Without using my own
language I am going outside
and I am missing everything.

Let my language enlighten me.

Is it true?  
Oh, we are living with useless  
Speculation and mental concoction.

O life, still, I see nectar in you,

Life in words and in movements, the smile, and the love,  
All unalloyed and belong to the people and all the truth.

Our words to
Express ourselves,
We are with the perishable.

And love is here
Everywhere above
And below.

You can come
You can go
But love is here
That I know
And I know
We are nothing
But the instrument

Is Marriage A Problem

Is marriage a problem  
Ask those who are bachelor  
I know marriage is adding factor  
To power to position.

Ask those who are bachelor  
What they are thinking about  
Other partner of same status  
In home in abroad.

That oust from original place  
Of body of mind.

And the sky is there within.

In this family,
Let us proud of it-
For our mother earth,
And for our membership.

Go on soldier
Seeing the winning side at hand.

To do all works
In the language
Of the land.

I tell you
Flow like the air,
Stay like the sky,
Show others the light
And be a pillar of hope.

The very purpose, but
All are floating on
The waves of the ocean.

Goes to hell
But the world flourish.'

Imitate the true colour
And fragrance of rose.

In the early morning everyday.

And courage in each other's company?
Are we enjoying our friendship?
Are we ready to behold one another
Again and again and yet again?

Who is weeping for whom?
And who is wandering?
In which world we are?
Are we listening each other's words
Through our sincere hearts?

Both the side that is there
Within us.

Everything is with me always
Unaffected by any word
Here and hereafter and the seed
Of the universe is finer day by day.

Is there no fire?
Try to tell and come.
Fire is needed
To make the ice cool.
And ice is needed
To make the fire burn.
Are you not burning?
If no, no needs to appear.

Gajanan Mishra
Is There No Mistake

Is there no mistake
In your actions?
Are you perfect?
Are you absolutely free
To do whatever you like?
Are you not bound by
Any law or rules
And regulations?

Who so ever you may be,
Keep relation with
Mass of the population.
Taste the meeting
And the separation
In actions and reactions.

Gajanan Mishra
Is There Not Love

Is there not love
In between you and me?
It is true
We are enemies
To each other.
But my dear,
What do you mean
By the term enemy?
The enemy is the best
Friend, best guide
And the best philosopher
Of another's life.
Love creates enemy,
And enemy embraces all.

Gajanan Mishra
Is This Body Mine?

Is this body mine?
And what is there
In this body?

Am I here?
If yes, tell me
The details identity.

Am I conscious?
Where is my conscience?

It is true
I am not able to
Keep my own flavour.

Yet, I am able to
Give light to others
Through my poems.

Gajanan Mishra
Is This Pain Mine

Is this pain mine
I know not.
I have an inclination
Only for You, my dear.

And I know not, what is what
And who is who and I enjoy
That are given by You.

I am not violent as
I have no attachment.
I have not enjoy any worldly pleasure
O my dear.

When there is no pleasure
Know that there is no pain
And I know that.

Gajanan Mishra
Is This Tree

Is this tree mine
Not an easy question
to answer.
I am here to speak fair.
I am not with
any success or
with any failure.
You are only there, my dear.
Let me take this orange
and let me share
with my family members.
At this time we are all together.

Gajanan Mishra
Is This World Visible?

Is this world
Of my life visible?

I doubt.

How can one see
My nature
My perception
My senses
My ego?

No one can know
Anything by
Sensory knowledge.

I am ignorant
Of my own real identity
Which is the Truth.

Gajanan Mishra
Is This World Yours?

Is this world yours?
Let us not discuss
About this world.
See your own body?
Is it yours?
If you think, it is.
Keep it as you like.
Can you?
Let me say-
When your own body
Is not yours then
What for you are
Going to acquire
Pleasure, prosperity,
Honour, praise and comforts?
For whom you are
Acquiring so much?
For your wife?
For your sons and daughters?
When your own body is
Not yours, how you expect them
To be yours.
They are all your
Co-passenger in your life journey.
Okay! And you are all
Going from nowhere to nowhere.
Nothing to tell you more, thanks.

Gajanan Mishra
Is Truth Complicated?

Is truth really complicated?
Go with my poems and solve
Every problem then and there,
Solve all with love.

It is all worldwide,
All perpetual.
But subject to edit
And exhibit.

Privacy to certain extent,
Host them, with care.
Accept or reject, do
Within the timeframe.

Gajanan Mishra
Is Truth There

Is truth there in writing a book?
Then come on,
And write one,
You are welcome.

Truth is not a subject
On which one can fight.
Truth is a subject
One can love with it,
Ask the poet and
The poet is ready
To explain in details.

But where has the poet
gone and that is to know first,
And the poet is hostile to none.

Gajanan Mishra
Is Woman Really Blocks

The path of spiritual realization?

No, no,
Woman is a helping hand
In this direction.

Woman is a razor, my dear
Take the help of a woman
And cross the border.

Without a woman
You can not be a man.

Gajanan Mishra
Is Your Blood Red?

Is your blood red?
If yes, please say
Why it is so.

Gajanan Mishra
Isness

Is-ness or Reality
To the world
Is a mistake.

You are only
With me I know
It is not a mistake.

You are present
That is enough
For me to live.

You are my
All knowledge
That is all I know.

Gajanan Mishra
Issues

Issues are framed
In a dispute
And I must say
Public issues
Needs public debates
That affect us all
Has to be dealt by us all.

In our public life
We must remember
Nothing is private
Nothing is internal
Everything is open
Everything is external
Public means we all.

And it is democratic call
It is parliamentary mall.

Gajanan Mishra
Issues Of Language

Is really great issues.
See how?

It is said-
I should not speak
And write in Kosli
My mother-tongue and
The language of my village.

Please note-
The official language
Of my state Odisha
Is Odia but alas
The state government
Neither makes correspondence
With anybody nor the state
Chief utter a single word
Anywhere here and people
In general tolerate him.

At times I am writing
In English language
I am sure English is
Nobody's language
In this world and still
It is reigning all over
But how ask me not
I am the last person
To tell about this matter.

Everybody has his own language
That is mother-tongue
And having mother-land
United Nations Organizations also
Tells about the use of mother-tongue
But alas nobody is dare to use it
But why ask me not
I am not going to answer
If I am going to answer
I must be ready to leave the place
For the reasons best known to you.

But let me conclude in one word
At the end of this poem -
We should pay utmost respect to
Our Mother, Mother-land, Mother-language
And we should keep our own wife
In safe and in proper security
And not to the prostitutes
And the witch and the witchcraft.

Gajanan Mishra
It All Begins Today

'It all begins today!
The movement continues,
The work begins.'
The 45th President of
The United States Of America,
Donald Trump declared.
Let us hope for all good,
Let the world go with the truth.

Live and let live, Donald Trump,
Realize you are there
For peace,
For peaceful coexistence,
You are there,
To love all,
And work
For the development of all.

This world is not your, Donald Trump,
But you have got a chance
To serve the world.
Do your service
Keep with you
Equal vision.
Use your power
And energy
For the safety and
Security of the world.

Time is not there
To wait for anybody.
Time is also not there
To excuse anyone.
Remember, and go forward.

Gajanan Mishra
It All Depends On Mind

It all depends on mind,
Mental creation is everything.

The time has its own electricity,
And that has all the energies.

Ignorance has also some strength,
Let us use it favorably.

Say nothing valueless,
And offer respectful obeisances.

Gajanan Mishra
It Contains Filth

Body, this one,
And it contains filth.
Let me clean it,
Again and again and
Yet again through
Knowledge and through
Renunciation and through
Your blessing, my truth.
Know this, see me,
I am indifferent,
I am detached to it,
Mentally at least.
Let me see the sky,
Let me observe the ocean.

Gajanan Mishra
It Does Not Do Good

It does not do you good
To make enemy of a poet
It does not do you good
To make enemy of a physician
It does not do you good
If you make enemy of an expert-cook
It does not do you good
If you make enemy of a wealthy man
It does not do you good
If you make enemy of a panegyric
It does not do you good
If you make enemy of a powerful master
It does not do you good
If you make enemy with anyone at any time.

Gajanan Mishra
It Does Not Matter

It does not matter to me
Whether I live or die
I know it is easy to
Say good bye good bye.

I have full eternal liberty
And I know the proper way
To return home that I am
Saying it my Rome.

I do not want to ask You
For anything here, my dear
I am Your family member
I am Yours for ever.

Whether it matter or not
I fear my mixing nature.

Gajanan Mishra
It Is You, Yourself

Behold nothing
But the self
Realize nothing
But the self
It is your
Real loneliness
It is you, Yourself.

Gajanan Mishra
It is
It is fire
It can
Consume anything.

It is
It is ocean
It can
Engulfed anything.

It is
It is death
It can
Devour anything.

It is all powerful
It is all perishable.

Gajanan Mishra
It Is A Day

It is a day,
I do admit.
But I can't say,
The name of the day
And I am not inclined
To agree with you
It is so and so day.

I am not in favor of
Division into seven
Or fifteen or thirty.
I know each number
Is imaginary and not real.

Unnamed all,
And tell something beyond number.

It is not spring,
And we are not coming to the picnic.

Please realize
We are one and one, and
Not separable.
And we are one in the other,
One against the other,
One around another
As said somewhere by some one.

And for this,
Let me say
The day- a rose,
The day- a pool,
The day- a river,
The day- a cloak,
The day- a name.
And we are not ready
As yet to play any game.

Let me say
I am satisfied with my
Flesh and bone,
With my dust and date,
With my power and star,
I am beyond everything,
And beyond everyone, dear sir.

Gajanan Mishra
It Is A Play

It is a play
Nothing to grieve.

Enjoy the life,
It is a hive.

Life is divine,
Let it shine.

It is a dream,
Go with its cream.

Gajanan Mishra
It Is About The Origin

It is about the origin of the earth  
It is about the sky and the stars  
It is all about the water and the fire  
Let me take birth time and again  
With all happiness and go round and  
Round my dear and stay here  
Without fear as I discover you here  
As my lifeosource and life-partner.

Gajanan Mishra
It Is All Air

It is all air,
with fire, it started
playing with care.

Living carelessly
is the call of air
and you are fired.

It is not easy
You cannot say
to enjoy is not barred.

Gajanan Mishra
It is all but common,
Please come, my dear,
You are welcomed.
No notice is required
For entry or for exit.

Still here, we required
Uniformity to maintain
Life and so many things,
We know though, they
Have no values.

Any war of words -
Not required as you see,
The sudden fall of the sky
Into the sea.

Gajanan Mishra
It Is All But Seven

You are there in seven,
And it is all but seven,
Here and there, above and
Below, up and down.
It is all but hearing and
Blazing in the fragrance
Of devotion, that is fully
Covered with life here.

Gajanan Mishra
It Is All Death

Death, death,
It is all death.
Death in rain,
Death in lightning,
Death in air,
Death in fighting,
Death on land,
Death in quarrelling.

Life is nothing
But full of death,
I can't say with
All guarantee,
Death is full of life,
But life and death are one,
I can say here
At this time.

Gajanan Mishra
It Is All Fire

It is all fire
and not rain.

It is all raining
and the fire is extinguished.

Both fire and rain
are necessary
for me.

I know though
it is critical
to go with fire
and rain at a time.

And I am going
with you, see.

Gajanan Mishra
It is all for a bridge,
Over bridge and under bridge,
They went jail,
And got no bail.

The bridge collapsed,
People died, injured,
Still, no change, anywhere,
As if nothing happened.

For a bridge, geography changed,
History was rewritten,
Street fighting occurred,
Law and order situation arose.

I take care each word
That I heard no meaning.

Gajanan Mishra
It Is All For Vote

It is all for vote
What they are telling
What they are doing
What they are showing.
It is all for vote
The falling of market rate,
The blossoming of flowers
In the straight.
Vote, vote, vote,
Nothing new in it.
New is the outlook,
New is the operation.
It is nothing but plunder,
And it is blunder.

Gajanan Mishra
It Is All Fraud

It is all fraud,
The life and the liberation,
It is all truth - the earth
That has mysterious formation.

Doorways of our life are two
But it is one and the same.
The cycle is always there
Difficult to say the name of the game.

Gajanan Mishra
It Is All Free

It is all free,
this life,
this sun,
this sky.

It is not free,
the food,
the water,
even the air.

Life is free,
but living is costly.

Have some wisdom,
My dear men and see
No creature is able to
do what you can.

Gajanan Mishra
It Is All Goodness

It is all goodness - my living,
It is all joy - my life,
Innovative and always impressive.

Though different - life,
It is all delightful,
And effective and sharing.

Going beyond grammatical frameworks you could find that are within you,
the new lights, pleasing.

Gajanan Mishra
It Is All Here, My Dear

As You see everyone
Moving with Truth equal
I know, being broad minded
And visionary You are
Transparent in action
Embodying love and compassion
I know it is not anybody
But the leadership that function.

Gajanan Mishra
It Is All Illusions

It is all illusions
This life this gift
This death this blessing.

You can not say
Anything inheritance
You may say
Undisturbed duality.

I am just a human being
So many beings are there
Like me here there.

You may sleep in ignorance
But the things are going
As it is without any
Disruptions or transformation.

Gajanan Mishra
It is all in the bag,
Bougette, descendent of
Red Gladstone box,
Suit-case type, classic hard-top
Carry my speeches and papers
Top-secret, my aspiration
Is there with a beautiful
Large lock, part of my land's destiny.

Gajanan Mishra
It Is All Nectar

It is all nectar.

I welcome the sky
With the air
That are blowing
On the bank of the river.

It is all nectar.

I cautioned
The greedy eyes
That are wandering
With the star.

It is all nectar,
It is all nectar
No grievance no allegation
Duty is to save fearful picture.

Gajanan Mishra
It Is All One

And we are all parts.

Something defect is there
That we should take care.

Whole creation is here
In the hands of the creator.

Eating nothing but air
And we are fine and fair.

We all are parts
Parts are also one and whole.

Gajanan Mishra
It Is All Opposite

It is all opposite
It is all opposite
We are experiencing here.

The sun is actually not moving
It is this earth that is moving westward.

It is all opposite here and not truth
All falsehood seem truth and all poison
Taste nectar and sweet.

We get pleasure on taking birth
And we forget life is a prison without any freedom.

Gajanan Mishra
It Is All Pain

Rain, rain, rain, but
it is here all pain.

Life is not a chain
Life is not for gain.

Life is also not for loss
you are telling, my dear boss*.

I am telling, yes sir, yes sir,
Life is all fair when you are there.

* boss - truth and love

Gajanan Mishra
It Is All Powerful

It is
It is fire
It can
Consume anything.

It is
It is ocean
It can
Engulfed anything.

It is
It is death
It can
Devour anything.

It is all powerful
It is all perishable.

Gajanan Mishra
It Is All The Same

It is all the same
The time and the life,
The bird and the sky,
The fish and the ocean.
It is all but one
The water and the sun,
The life and the death,
The love and the truth.

Gajanan Mishra
It is all there,
You can go and search,
Before it disappears.

Disappearing everything
At every moment here
And also there.

There I am in your
Hope and in your desire,
Think not always.

Think about the beauty
And sweetness of your
Own life that is here.

Think about the earth,
The place of your birth
And that of nectar.

Gather nectar, my dear,
Gather for others,
Before you disappear.

Gajanan Mishra
It Is All True

It is all true,
Hungry men are angry men,
Let not anyone die on hunger,
Let not anyone fall prey of anger.
Hunger and anger both are
Our own enemies, my dear.

Gajanan Mishra
It Is All Truth

It is all truth
It is all virtue
It is all happiness
And I proclaim the desire
That I have cherished
In my heart at all time.

Gajanan Mishra
It Is All What You

It is all what you want
at this time of sun and water.
It is all here in this world
where you are telling you are
living with all, my dear.

The leaf is falling down, see,
But fear not, no way it is harmful.
The butterfly is coming still
with autumn and telling, hi,
Smile, just smile for a while.

O, these are all my words
I am not telling before anybody.
Wait and see, who am I here,
Just see and tell your feeling, my dear.

Gajanan Mishra
It Is All Your Greatness

It is all your greatness
That you are here with me.
It is all your grace
That I am living here
At this time.

I know your heart-
It is the ocean.
I know you desire-
It is the sky.
I know your means-
It is life.

I am grateful to you
As for you I am living,
For you I am writing.

Gajanan Mishra
It is already here,  
And I have seen it  
According to my ability  
Only with your blessing.  
It is your good will  
That you have accredited  
me as the initiator  
Of this thing here.  
My ability is yours  
That I know and  
You are the person  
Who have directed me  
To see the things  
In right perspectives.

Gajanan Mishra
It Is Always Not That

It is always not that
All truths are good,
Truth is good when
Its effect is for
The good of all and for
Welfare of the society.

Let not truth be professional
Or so to say commercial,
Let not truth be used
In the name of entertainment,
Place not truth when there is
Chances of disturbances of society
And that caused creation of
Violence and nudity.

Gajanan Mishra
It is always opposite
See and come to the site.

The earth is going
From west to east
And we say the sun
Is rising in the east.

Our words our works
All are in opposite.

We called it soft
But it is not so
We called it dark
But it is light.

It is our eyes
That is cheating us
It is our own brain
That is not tally with body.

Gajanan Mishra
It Is Beautiful

It is beautiful
It is attractive
It is here
it is there
Look, it is You
And You are standing
You are moving
You are sitting
You are lying down
Look, it is You
And You are within me
I am visualizing
Your pastimes
By fixing my mind.

Gajanan Mishra
It Is Beauty

It is beauty
Rare beauty of life
In each day hyph *
It is eternity
That is there
In goodness
In love.
Let me rise
In all beauty,
In all goodness
With all love.

hyph = hyphen means joining newness in life

Gajanan Mishra
It Is Because Of

I am my body
And for this, see
I am facing difficulties.

Gajanan Mishra
It is because of my love for you
I come to you for your welfare
It is because of my love for you
There is mineness, mercy, benevolence
Impartial magnanimity,
Whatever I design it is for welfare,
Always I have a desire to do good,
And this is due to full knowledge
Devotion and action and discipline,
It is because of my love for you all
And here is the life, secret of all secrets.

Gajanan Mishra
It Is Beginning-Less Beginning

It is beginning-less beginning,
Seeing all you may put question,
What about all these gaining.
Life is still here,
You cannot say it is stone,
Stone has also life.
Believe me, ocean has no water,
So also air is not moving.
Giving and taking all stopped,
Error occurred at every steps
And almost all say broken-life.
Matter is little but futile.

Gajanan Mishra
It Is Better

It is better to remain silent.

Any kind of movement is dangerous.

If you like you can see only.

If you like you can hear only.

If you utter a single word It is dangerous.

Gajanan Mishra
It Is Better Not To Discuss

It is better not to discuss about
satisfaction and contentment to man
as we all know it has no meaning here.
It is better to remain silent with
one's own bag and baggage that is with him
and abate all that that are beyond reach.
It is better to see what is happening
and it is better not to hear what they are saying.

Gajanan Mishra
It Is Better To Die

It is better to die
In this world, where there is
No scope to utter words
In mother-tongue.
It is better to die
In this world, where there is
No place for my mother.
Death is superior to life
If there is not a piece of land
That is called mine.
Death is superior to life
If there is no realization of truth
If there is no smell of the earth
If there is no commitment to do good.

Gajanan Mishra
It Is Better To Dwell In The Himalayas

It is better to dwell in the Himalayas,
And eat the herbs and drink the water
of the Ganges and to sleep in peace
there with full freedom
than to dwell in the cities
Full of poisonous snakes and insects.

Gajanan Mishra
It Is Better To Write A Poem

It is better
to write a poem
than to sit idle.
It is better
to go to the bank
of the river
than to envy neighbors.

But with all that
the flower plant is dying
before the end of the story.
And the story is that
we are reluctant to hear,
And to hear you
I have to write a poem everyday.

Gajanan Mishra
It Is Blue

The fire,
It is blue.
The air,
It is blue.

The sky,
Red in color.
The ocean,
All black.

The space
I searched
To build a nest
With dust
And dew to
Stay with you.

Gajanan Mishra
It Is Both

It is both
Intensive and
Extensive
The sound
The touch
The form
The taste
The smell
No mistaken approach
If I remember you
In all of the above
And there no obstacle
In remembering you know.

Gajanan Mishra
It Is Business Everywhere

Business, business, business,
It is business everywhere, always.
With wife, with husband,
With son, with daughter,
With friends, with relatives.
Calculation is going on
Loss-profit, profit-loss.
Business is going on also in love,
What you give and in return
You expect double, triple.
Love-business, Business-love
Very very profitable said the lover.
Love and enjoy life in full
With all business-idea therein.

Gajanan Mishra
It is but natural
You cannot deny
You cannot oppose
That is but nature.

And nature is with us
Though we are in opposite
To each other
We must cooperate
We must coordinate
And that is the pleasure
Of life to get.

It is but natural
You are a part of nature
I am a part of nature.

Gajanan Mishra
It Is But Natural And Not Final

It is but natural
Life is final
And we are blossoming
Like flower.

We have no other intention
But to smile
And that is ours.

And we are consuming
Our days like smoke
And withering ourselves
That is not to be revoke.

We have nothing to lose
We know and nothing is ours
And we know we are passing
Over the cloud over the sky
Over the wind above the earth
Above the chariot that is with us.

And it is the life
Within the boundary of yours
We are passing over
The winter and the spring
And we have checked the field
That make us mild.

It is but natural
This is not final
This life and this hive.

Gajanan Mishra
It Is By Your Grace

I have an inclination for You
It is by Your grace
That I gain knowledge of
My real affinity with You.

Gajanan Mishra
It Is Changing

Always it is changing
This body this world
We do not know how
It is changing
Where from the changes
Are coming and what is
The reasons of changes
And it is always changing.

Gajanan Mishra
It Is Chilled

It is chilled
Everything everywhere,
The air, the water,
The earth.
It is chilled
The foods, the clothes.
The birds are not seen
And remained silent somewhere.
It is chilled
Everything everywhere.
Each one is chilly
Here there in chimera.
Hold the chain, my dear
And go hunting up the self.

Gajanan Mishra
It Is Cold And Cold

It is cold and cold
This world, this life.
It is our fear,
It is our illusion.

Let me tell you something
And it is truth
Though not palatable
Though no one is here to welcome.

It is my colorful dream
It is my world with flowers
Let me return back to my
Own platform of joy.

Tell me about the falling of
That dry leaf from the tree
In this winter, my dear.
I fear, I may not be here
At the next moment,
It is but obvious.

Gajanan Mishra
It Is Common

In this world
It is common
To face many disturbances
That are occurring every moment.

In this world
Everyone of us should
Achieve goal
In a truthful manner.

In deed
We are truth
We are product of truth
And we are going back towards truth.

No whirlwind can kill us
We are in the eternity and without any danger.

Gajanan Mishra
It Is Dark

It is dark
And I am ignorant and
I am the king of rain.

What is proper
What is improper
I have forgotten
And I lack discrimination.

Just I am eating
Drinking and sleeping
And you can not say
I am deluding myself.

I know
Nothing is futile action.
Shooting birds
Swimming or destroying
And leading a life of bondage
Nothing is futile
I know.

No stumbling block
No and nothing.

Gajanan Mishra
It is dark-
The day.
To live a day-
The highest goal.

Aspire to reach
The day is praiseworthy.
The day is just a word,
And I want liberation from it.

Gajanan Mishra
It Is Dark Under The Lamp

It is dark under the lamp
and you have to bear it, my dear.
It is the nail with the rose
and you have to tolerate it, my dear.
Poison precede the nectar
and you have to drink it, my dear.
And discover perfect combination of
wife and husband, son and father,
nose and face, and also east and west.
Remember, to renounce if you have a body,
Remember, to give something to the teacher,
Remember, to place a good service-holder.
And drive not out and kill not the helpless men
taking shelter even though enemies they are.

Gajanan Mishra
It Is Dark, Here

See my dear with
Your own eyes.
It is all falsehood
Here, see my dear
With your own ears.

But here you are
The light and
You are the truth
And you are the nectar.
Because of your absence
It is naturally dark
It is naturally death
And all false and no truth.

Gajanan Mishra
It Is Darkness Of Ignorance

It is darkness of ignorance everywhere all around you
O my dear, open your eyes to the bright light of Truth.
It is really fearful experience to be trapped here
Where in all things are taking birth and dying every moment.
Only questions are here that have no answer, my dear
And all have a dark snakelike existence here.
Besides love there is no significance of anything
As no significance of day and night from the perspective of the sun.

Gajanan Mishra
It Is Day After Day

It is day after day
I am suffering here.
Suffering for what
that I know not
and for this let me
say I am enjoying a lot.

I am enjoying a lot
I am telling a lot.

You, who are here
not listening my words
and for this I am
walking in the sun and rain
To show you my strength
against every odd.

Gajanan Mishra
It Is Decreasing

It is decreasing
It is time.
It is increasing
It is my greed.
And I am here
In between this process
As a tool
And I am a fool.

Gajanan Mishra
It Is Democracy

It is democracy
Its principle is
Live and let live
It is democracy
Where there is equality
Fraternity transparency
Go for democracy
And lead a happy life.

Don't go towards mobocracy
Mobocracy is the perverted
Form of democracy
One who is on the chair
He throw the fire
He thinks the world is in his hand
And he faces the end.

Give everyone his value
Give everyone thinking
For him, you are here to rule
Not for yours but for his welfare
You are the representative and
Your duty is to serve there.

Let others come on rotation
Let others enjoy life as per provision
Let others say and think and do
With all goodness in them
Let us pray together for good and not condemn.

Gajanan Mishra
It Is Destiny

That is there with me
It is destiny
It is destiny.

It is destiny
And I am not worried
I have nothing to do
With destiny.

It is destiny
And I am fortunate
I am with it
At this time.

It is everything
it is destiny
I am enjoying
My own destiny.

Gajanan Mishra
It is difficult to know,
As we know not how to know,
What to know and why to know.
Nothing is here to know,
As such it is difficult to know.

Gajanan Mishra
It Is Disgrace

It is disgrace
We are here
Where big fishes
Are allowed to go
And small ones are caught.

It is disgrace
We are searching
The difference between
Men and other creatures
And telling about movables/immovable.

But one should know
A man can be a beast
And can be worship as God
And hence man - a possibility.

Gajanan Mishra
It Is Divine Everything

It is divine everything
Nothing is mine.
My existence is without
Having any question.
I am just living
I am just living.
No splitting
No thinking
My whole existence is
Without choosing.
I am just living
I am just living.
Still life is taxing
And I am incarnating.
I am just living
I am looking
For another thing
Though there is nothing.
And in nothingness
I am just living
I am just living.

Gajanan Mishra
It Is Dog

It is dog
That is crow,
If you find
Any difference
Please show.

Forget the names
Forget not Name,
Remember, it is
Everything for everybody.

Go on practicing
Where you are,
It is fruit, it is
Also root, take care.

Gajanan Mishra
It Is Due To

It is due to
My own imperfection
I am unable to
Recognized You
You are good
You are good in
All circumstances
Your goodness is
Unlimited and You
Uses it crossing
All and here in
Lies Your reputation
It is my own imperfection
I am unable to touch Your perfection.

Gajanan Mishra
It Is Due To Trust

It is due to trust
It is due to love
It is due to poetry
Discipline overcomes
Indiscipline
O poet
It is your poem
And it is your
Truth-spoken words
That is here in peace
In charity and devotion
And it is your poem
That is in life with motion.

Gajanan Mishra
It Is Error

It is error
Trying to know
The world is an error.
It is man-made error,
And man has got all
Responsibility to rectify it.

It is error,
And O my dear, You have given
The power to the man
To rectify his mistake,
And after rectification
It is the man who gained knowledge
And by this knowledge
The man can know the Truth.

After knowing the Truth
The man is in love
And in loving memory
The man surrendered himself
And through his surrender
The man gained everything.

Gajanan Mishra
It Is Everything

It is everything
Within the heart
Offer the heart.

Gajanan Mishra
It Is Excellent

It is excellent,
You can say excellent,
This knowledge, this action,
Here at this time,
And here with us, find this poem,
That bears all together,
The body, the heart, the emotion,
All together, with this scripture,
Opening a new chapter
Where you can stay without fear
Or favor for a bright future.

Gajanan Mishra
It Is Fact

It is fact
I am going
But where am I
Going, I
Know not.

It is fact
I am with You
But who are
You, I
Know not.

Gajanan Mishra
It Is Faith

It is faith
It is belief
It is devotion
That all make my promotion.
It is my realization
It is my reason
It is my perfection
That all make my promotion.

O my dear
You are my love
You are the knowable entity
You are the entire form-love
You are attribute-less form-less love
You endowed with attributes and form - love.

Gajanan Mishra
It is fetching really,
This life and also
This world.
But for this,
We should keep with us
Some degree of toleration,
We should show act of
Tolerating others.

Gajanan Mishra
It is fine to say
I am not aware,
Not aware of anything,
Awake though.
I exist and
I feel my non-existence
Here at this time.
It is fine to realize
This house, where so many
Persons my wife, my sons,
Daughters, grand-children
Are living with me, with
So many talks and stories,
Is no more mine.

2.

Early in the morning
I hear coo, coo, coo,
I know the sun is there
In the open field
With all colours.
Everyone is dancing and
Recitings their own poems
In their own ways.
I salute them all.
But who am I
I am pondering within.
The flowers in my garden
Are there to greet me
And I smile at their works.

3.

Nothing more to say,
As I am not wise,
I think I am nothing,
I am outdated.
And all are right
Besides me.
My words have no strength
To unite them under
One umbrella.
They are all deluded?
No, never, I don't think so.
Are they the product of
Evil wombs? No, never,
Who am I to think about that?

4.

I am okay,
Only I am here to
Give my blessings.
So long as I am here
I can give them
What are there in me.
I know my blessings
Will return them to right path.
But what is right path?
I know not so far.
I am in uniform and
I also know I am
Passing through multiforms
Still I wish all good, all fine.

Gajanan Mishra
It Is Fish

Some one is going
Touching the beach,
'lt is fish', you said.
But no sea is here
I complained.
The very word beach
You uttered means
There is the sea
You replied.
You suggested, go not,
Go not there, the sea
Is in turmoil.
I uttered 'Oh, I see'
You smiled.

Gajanan Mishra
It Is Fixed

It is fixed
It is present now
It was present yesterday
It will be present tomorrow.

It is fixed
It is created now
It will be destroyed later on
It existed in the past.

Time is true
Time is Absolute Truth
Time is perpetual and eternal
Time can not be false.

And Truth is not false
And Truth is fixed
And Truth is present always
O my dear, You are the Truth.

Gajanan Mishra
It Is Food

That cause for concern.
It is cloth
The cause for concern.
It is shelter
That cause for concern.

I am here confident
I am here pleasant.

Gajanan Mishra
It Is For Delusion

Delusion
It is for delusion
I want to sleep for a long time
Though the sleep is not sound.

There is no sound sleep
And I go on dreaming
I remain lethargic
It is just wastage of time.

Out of indolence I derived pleasures
Being idle my senses and mind become inactive
And I used to think futile worldly affairs
That lead me to pain sorrow worry and disquietude.

Careless
I am careless
And I indulge in idle pursuits
Smoking drinking displaying
Theft robbery falsehood forgery.

And I am going towards hell
It is all for delusion
Delusion.

Gajanan Mishra
It Is For Man's Cruelty

Why the man is in sorrow now
Tell me my dear,
And you tell me it is because
Man is going away from love
Going away from truth
Going away from God.

The reason of man's sorrow
Is his own cruelty, my dear,
You tell me further
And I have nothing to deny
Your words as it is my
Own feeling and I am also in sorrow.

O my dear, let me correct myself first
Let me see the truth and stay in love first.

Gajanan Mishra
It Is For Nature

It is for nature
I am here
Here I am real
I am unreal
Love is important
It surpassed nature.

Gajanan Mishra
It Is For Truth

It is for truth
It is for truth you have
Come down upon earth.
If you are in truth
Nothing is too difficult
For you, my dear son of the truth.
You have nothing to do
O my dear, just see and observe
What He is doing here.
What He is doing
Is really wonderful, my dear
What He is doing is only for the truth.
And truth is here
Within me and within you.

Gajanan Mishra
It Is For Us All

Let us sow and reap
Our own corn
On our own soil.
Let us speak
Our own language
In our own state.
Let us worship
Our own mother first
At our own home.
Let us love each others,
O, my brothers
And sisters for the sake of
World peace and stability.
Our world is one and
It is for us all.

Gajanan Mishra
It Is For You

It is for You I am here
And I am relieved of my
Pain of separation
It is my knowledge that
Shows me the truth that is
Here in me with love
You are not I
I am not You not like it
And I enjoy with You here
There is no distress of
Separation that I know
From the very beginning
I am quite happy see me
I am grateful to You for ever.

Gajanan Mishra
It is for You,
It is for You,
I am telling the truth.
And truth is You are here,
You are here and I am with You.
I am with You and doing
All sorts of business,
Only to fulfill Your wish
And You wish I should be
Here for all times to come.
And I am here only for You
And You revealed the fact
That is in me and it is You
Who is in me.

Gajanan Mishra
It is free.
Is it?
I doubt.
I know
Nothing is free.
You have to give
Either in cash
Or in kind.
Kind has so many
Forms that I
Can not explain here.
You are literate
And knowledgeable
Everything you
Yourself can judge.
It is you to decide
Whether to join
With us or not.
You can say
Whatever you like
But I can not.

Gajanan Mishra
It Is Friendship

It is friendship,
It is love,
With no woes
Is an impossibility.

Neither in the starting point
Nor at the end, I am
Coming to terrorize the people
As I believe in true world.

Gajanan Mishra
It Is God Alone Who Blesses

It is God alone who blesses,
It is parents alone who
Bless the children.

It is love alone who rears,
Rearing is the works
Of father and mother and guardians.

The leaf falls from the tree,
It is not due to the fault
Of the tree but that of the air.

The air is there in the sky,
But the movement of the air
Is being controlled by the earth.

The earth is there, the air is there,
Life is there and God gives blessings.

Gajanan Mishra
It Is Good

It is good
You control the activities
Of the mind
Life and senses
And your determination is
Unbreakable
And it is sustained
With steadfastness
It is good
O my dear
You have a bright future
You are my near and dear
Any deviation is never.

Gajanan Mishra
It Is Good To Forget

It is good to forget,
Go on forgetting, dear.
Forgetfullness is better
Than anything in life.

Let me say, your life
Is getting bliss since
You are forgetting
What is where and when.

Nothing to remember is
A fine art of life and death,
Go on practising it, but forget
Not the practicable - love.

Gajanan Mishra
It Is Harmful

It is injurious
It is not good
It is not natural.

It is attachment
It is desire
It is forbidden
It is born of evils.

Gajanan Mishra
It is he who is the bridge,
Bridge in the valley of Jammu & Kashmir.
Mufti Mohammad Sayeed by name.
Mufti Mohammad Sayeed was
The healing touch,
Natural reconciler.
Mufti Mohammad Sayeed
Undisputed leader
And new pathfinder..

Gajanan Mishra
It Is Hot

Touch not
It is hot.

Open it
When shut.

Take the view and
Be an expert crew.

Don't go for night
it is all tight.

Gajanan Mishra
It Is I

I am ruled by
The worse men
And for this
It is I
Who is responsible.

Justice is not done
It is I
Who said and
I am helpless
To show
The path of justice.

Gajanan Mishra
It is I
And I am going
Towards the morning
Towards my
Silent river
Towards that cuckoo
That coos coos
From the very beginning.

Gajanan Mishra
It is illusion.
Is it?
It is Truth.
No further question.
It is the path of liberation and
It is love.

Be conscious
It is passion.
It is ignorance
And false identification.
No entity exists
In greed.

The entrance point
Is the exit point.
No vacant plot
Here and there.
Just see yourself
In all and be satisfied.

Gajanan Mishra
It is in abundance
That I am living.

And I am saying
I need only
Simple recognition
From You, my dear.

Life is not straight
As you explained.

I am here only for You
O my dear, and I am glad
We are together
Always without any separateness.

Gajanan Mishra
It Is In Discovery

It is in discovery
We get ourselves
It is in discovery
We find us in shelves.

Who knows
What are there in future
Who knows
Meaning of nature.

It is just poetry
That keeps us in custody
It is just poetry
Our soul mind and body.

It is in discovery
We get new light
It is in discovery
We are in fight.

Gajanan Mishra
It Is In Great Delight

I am roaming here
With You within
Your jurisdiction.

It is in great delight
I remained deeply
Immerse in love.

You are the Supreme Truth
Here, my dear, I am Your part.

Here, You are within me, see.

Gajanan Mishra
It Is In Vain

The rising and
Setting of the sun
It is in vain
The days and
The nights.

You are not conscious
You are not in true love
You are not in Truth
You are wasting your
Valuable time
You are not in loving service.

All is in vain
Your time and your life.

Gajanan Mishra
It Is In You, Men

It is in you,
To remember me
And give service
To others.

Realize the blessedness
Realize the truth
And love
You are men.

Gajanan Mishra
It Is June

It is June,
And with rain
I get all fortune.
Calm and cool,
Life is full.
My love, have trust,
I am here with the truth,
Only for you.

Gajanan Mishra
It Is Just

Another day
And what is a day
I do not believe
Sun rise and sun set
I do not believe
Birth and death
I wish you a happy life
All the days
You are here
All the moments
You are here
Be happy my friends
And live in peace
With you at the center
Do not count day
month and year
And be a passer.

Gajanan Mishra
It Is Just A Blank

It is just a blank
But you need not fill it up.

It is just a dream
And that needs not realize.

Life is not what we want
It is but a process of the truth.

And truth is never a falsehood
It is starting point with a right clue.

Gajanan Mishra
It is just a dark night,
And we are all playing here
At this time without any
Real existence and not being
Able to know the reality.

Gajanan Mishra
It Is Just The Beginning

It is just the beginning
And you have arrived,
Let me welcome you with love.
Mango flowers are just
Blossoming on the trees
In my orchard.
My grand-daughter Aashanee
Is just trying to learn
Letters of life and struggle.
My younger son is in London
And just sending messages of
Love and truth to all
On the eve of happy new year.
Let me congratulate you, my dear.

Gajanan Mishra
It Is Knowledge

And we have to know it
Fully and completely
To fulfill this life's
Mission.

It is Truth
And we have to admit it
Before evening and ready to
Drive out all
Bestly intellect.

It is love
It is there and
It is not there too,
The whole Truth.

Gajanan Mishra
It is law
And law is a promise.
It is promise
And promise is a life.
It is life
And life is the world.
It is the world
Where we are together
Searching for light.
It is light
For which we are in fight.
This fights needs love
And we are in love,
Love needs no law.

Gajanan Mishra
It Is Liberation

No action no reaction
It is liberation
You are in action
Without knowing reaction
And you are far from liberation
You know not future
You are under your own nature
That is your own manufactured
And you are far from liberation.

Gajanan Mishra
It is life
And I know
It survives,
Threatened though,
Uncertain though.
It survives
Time lost,
Though, somehow
Somewhere.
And I understood
Nothing.
Who I am,
What I am doing
And how I am living.

Gajanan Mishra
It Is Light

It is light
And it is
Revolving all
Around me.
And it tamed me
By its love.
The light is
The only truth.
I am the part of
That truth and
I know it is life.
Life is here
And also there, and
Key of life is experience.

Gajanan Mishra
It Is Logic

It is logic
It is no magic
It is scientific
Life is beautiful
And terrific.

O my dear, I like
Life I like to love
Love is life here
Life is full of love
It is scientific.

I have my own
Experience of life
And love and so many
Relations, my dear.

Gajanan Mishra
It Is Love It Is Love

It is love it is love
And by the strength of this love
I remember You O my love O my dear
Again and again and again here
And by this intense remembering
I am completely attached to You
Out of love see I smile
See out of love I cry and out of love
Here I hold this sky.

Gajanan Mishra
It Is Love When

You are within me
And I am within You.

Gajanan Mishra
It Is Love, Only Love

It is love, only love,
Only love pervades everywhere,
It is love, everything is love.

There is nothing but love in this universe,
Love exists, even when the entire universe perishes,
This universe is born of love, nothing but love.

The soul is love, the body is love and
Love is eternal, love is imperishable,
Love is the same everywhere, only love is seen here.

Love is the root, love is the fruit
Love is growing from the beginning to the end
Love, love and love, that merges in love.

It is love, only love, that appears in all,
Love is the perception, love is the manifestation,
And love all, love all, nothing else but love.

Love is infinite, love is endless,
No diminution in love, love is the leaves, love is the flowers,
Love is love and love in its causative form and in diversity, love.

It is love, only love, in different shapes,
In different natures, in different interests
Temperaments, assumptions, and also in feelings, all love, love.

Love in each class, love in several class and sun-classes,
Love and love, in arts, in science, in knowledge, in colors
In single and in mixed, love and love, love is numberless, and one.

Love is love and it is complete,
No one can describe love in full details,
And nothing is beyond love, all are one in love, love, love all.

Gajanan Mishra
It Is Magic

It is magic
It is vanity
It is life.

And it is yours,
And I am yours,
And you are here
within me.

Vanity fair
is not mine
I know.

And still, O magician,
You have kept
The truth in tact
And I am going to that.

Gajanan Mishra
It Is Marvellous

It is marvellous
It is scarce
Hear it see it
Feel it.

Feeling is real life
Welcome life
Life is a war
Fight it.

Fighting in
Righteous manner
Is winning
And winning is marvellous.

Gajanan Mishra
It is more
What You have given
Than my desire
And I have got
My peace and
My immortality
With my contrite
Heart and secret.

Gajanan Mishra
It is my bad luck
That I am telling
I am rich
I have own a large family
I have power
I can do anything
I can make merry
I know all devilish
It is my bad luck
I am here.

Gajanan Mishra
It Is My Duty

Telling sweet words
Is my duty
Telling the truth
Is my obligation
It is your right
To hear me
It is my duty
To tell You what
Is true what is sweet.

Gajanan Mishra
It Is My Ears

It is my ears
I am hearing always
Your words.
It is my eyes
I am seeing You
Always before me.
It is my mouth
I am telling about You
And with Truth.
In this body
You are here my dear,
And to the best of my knowledge
It is You who is always busy
In maintaining this body.
Nothing is mine
And I am nothing
It is You and You
Who is everything and everything.

Gajanan Mishra
It Is My Fault

It is my fault
And for this
I have taken birth
Here at this time
And staying with
These creatures.

I do admit my faults
But what is there to do
That I know
I have to bear all
Like the tree
And remain silent
Till the bell
Of next period.

Gajanan Mishra
It Is My Good Luck

It is my good luck
I am under Your protection.

You are here with me
And I am smiling.

I am seeing Your beauty
In all very rarely seen.

Gajanan Mishra
It Is My Ignorance

It is my ignorance
That made me sad,
It is also my ignorance
That also made me happy.
I must take steps
To let the ignorance go.
No negligence, no destiny
Has any role to play.

Gajanan Mishra
It Is My Labor

Give me strength
O my dear
To labor and labor
You are my inner strength
You are fruit of my labor
Please stay with me
O my dear and with your
Presence I am here
To get pleasure
I know only my labor
Will liberate me
I have no grieve
I am under your shelter
Only with my labor.

Gajanan Mishra
It Is My Own Act

And I am stationed in it.

This set up is Your
Arrangement and it is Your will.

In every stage
You know everything.

It is Your reward and Your reactions
And You placed me here.

I am always carried by Your will
That I realized in this separation in this meetings.

I understood something here
You the player and here the playthings.

All perfect You are O my dear
Without any mistake as the causes of all are in me.

I know You are perfect
You are transcendental to all laws.

Gajanan Mishra
It Is My Right

To know everything
That are happening
Is my right
Let me know.

Let me know
How the money is
Floating within
And outside that are mine.

I have every right
To my life
And my life needs
So many things and
It is you to provide
Being a paid employee.

Gajanan Mishra
It Is My Thinking

It is my doing and all
That make my time auspicious.

I compare not myself
With others and I aspire
Not anything as I am not special.

I realized who am I
On silence I dissolve
My ego and see I am with You.

Gajanan Mishra
It Is My Turn

It is my turn
To learn how to
Play with you, my dear,
And I am every bit
As exceptionable
As You
And I have to know
What You can not do.

Gajanan Mishra
It is my turn to speak,
But nothing to speak,
But to make you feel the time
And the life with us.
The life with the sun,
The life with the wind,
The life with the rain,
All life and all to enjoy.
No use of words,
No words to be used.
But life is there
To be used for others.
Listen to the time
And act with the moon.

Gajanan Mishra
It Is My World

It is my world, see
I am here in a mission
Mission is to acquire nothing
Mission is to see to watch and to sing to dance.
O it is a difficult world really
It is as difficult as my life
My life is within You, my dear
And I am fine and without fear
I know You are though destroyer
You are also creator and the preserver.
It is my world
Here I can do whatever I like
But for your welfare and
For the welfare of all.

Gajanan Mishra
It Is Nature

It is nature
Who is performing everything
It is nature
Who is only here
Neither you
Nor I.

All the senses and
Object of senses
Are evolute of nature
That are here
Neither you
Nor I.

No agent
It is the modes
And nature always
Undergoes modification
Neither you
Nor I.

Nothing is past
Nothing present
Nothing future
Except you
And I.

Gajanan Mishra
It Is Nature - Absolute Truth

It is nature
And it is natural to see
From low to high
First feet then ankles
Then thighs then waist
The chest then neck
Then face and so on and so on
And see and find
The Absolute Truth.

Gajanan Mishra
It Is Nectar

It is nectar
This life here
We are fortunate
For ever.

Ours is pious
Life matter
We are fortunate
For ever.

We are with You
O my dear and
Not with another
We are nectar.

Year after year
We are Yours for ever.

Gajanan Mishra
It Is Never All Smooth

it is never all smooth
We are here not under our control
Here is our destiny
Upward and downward
Nothing like.

Gajanan Mishra
It Is New

See, it is new,
And it is new always.
This time and this day,
But you men, not able to know
What for this newness is here,
Always with you.
Men, at least try to
Know the truth,
Always, at every moment
You are entering a new phase,
With utmost care taken
By the nature itself.
Try to know the purpose
That shine there in the sky.

Gajanan Mishra
It Is New Always New

It is new and always new,
Life new, day new, time new,
All is new and new all.
No farewell to the old
But welcome to the new.
New is always new,
Let us love all newness
In us from the very beginning.
Newness is there in our
Truthful life and our
Truthful life is in our
Love and sacrifice.

Gajanan Mishra
It is new,
This world,
At every moment.
At every moment
I find you
In truth.
Truth is there
In love,
And I love you.
I love you,
Nothing new, but
At every moment
I find newness
In love, in life.

Gajanan Mishra
It Is Night

it is night
Let us fight
Night badly bitten
With flowers in hand.

It is hand
In sand
Hand is not full.
Are we really fool?

Who knows
Not here
And they do not know
What they know.

Gajanan Mishra
It Is Night And I Am

It is night
And I am weeping,
I am in the night
And I am weeping,
Night is here with me
And I am weeping,
I am weeping means
I am the night.

Gajanan Mishra
It is night
And what is it
It is the time
Of awakening
For the self-controlled.

For the self-controlled
Everything here is dream
And it is the stage
Of self-realization
Spiritually awakened at night.

Then there is no fear
You are lovable for
Everyone here
You are perfect, my dear.

Gajanan Mishra
It Is Night, It Is Dark

It is night, it is dark
The owl and other nocturnal
Creatures are all around here, there.

The sun rises and night ends
There is no dark at present
No one is there to disturb us, okay.

You are my sun and when You are
Here within me, at the very core of
My heart, my dear, no one dare to do any harm.

You are ever integral, my dear,
And Your realization is nothing
But integral, it is final.

Gajanan Mishra
It Is Not All Empty

It is not all empty,
Just go with it.
Go with it
And find all beauty.

Love it and say
I am giving it.
And it is life
With all beauty.

Gajanan Mishra
It Is Not Haywire

It is not haywire,
It is all love.
Love is there
In the kiss of light.
And light is this life.

This life is lighted
Only for love
And love blooms
In the sweetest life.

Let the life grow
In rock-flower
And let the world
Smile in star that
Are near and also far.

Gajanan Mishra
It Is Not Hot

It is not hot,
But it is cold,
Air blows.
No one is bad,
But all good,
The creatures.
Not ugly,
But beautiful,
Everyone here.
It is not I,
But we, who are
Here for each others.
We think and we act,
With our mind and intellect.

Gajanan Mishra
It Is Not Hot- The Sun

It is not hot- the sun
The age is going on.

It is not glorious
Rather furious.

That I want to talk to you
My dear son, have patience
To mention right and wrong.

The door is open
And it is you to make entry
Your name often.

See I am a street driver
And I am forgetting my own language
And the nameless wind tells me
About my own identity at this time.

Gajanan Mishra
It Is Not Magic

It is a process
And you have to go
On that process.
It is not accident
It is not by chance
But is your continuous
Efforts it is antecedents
And consequences.
It is not magic

Gajanan Mishra
It is not my duty
To go for pleasure
And prosperity.
It is not my duty
To accept affinity
With this body.
It is my duty
To realize the truth
By performing for you.
I know, I am your fragment,
I know, you are within me.
In every way I am
Connected with you
With flawless flow.

Gajanan Mishra
It Is Not Possible

It is not possible
To know You,
As I am perishing
And You are not.

I know nothing
You know everything
It is not possible
To know you on my part.

I am present only
As You manifested in my form
I am able to see
As You are showing me.

How can I measure You
How can I say what are You.

Gajanan Mishra
It Is Not Strange

Not strange,
And it is not strange,
And I am with me,
Talking myself, thinking myself,
Walking myself, dancing myself,
Singling myself, seeing myself
By my own techniques and I feel
Sweet and received all that are
Befitting to me.
See, I am with me in my own planet
As you are in yours.
See, I am within this empty vessel
As you are in yours.
And here we are both together.

Gajanan Mishra
It Is Not That

It is not that I would stay
It is not that stay order passed.

Gajanan Mishra
It Is Not That - Worry

It is not that
Two and two
Make four always
Everywhere.

It is what they
Make themselves
And not the result
That is the cause
Of worry.

Gajanan Mishra
It Is Not That We Understand You

It is not that I understand You
It is true that You understand me.

Whatever I sacrifice and I offer
That is meant for You only.

You are for me That I know
Ceremonious or not is immaterial.

Gajanan Mishra
It is not with in my reach
That I can write a poem
I know the poem has already
Been written by you
I am here just to pickup
The pen on the white paper
As and when necessary.

Gajanan Mishra
It Is Not Your Age

It is not your age
To welcome the rain
And rain is not coming
In time with proper planning.

No dancing for this
And no and nothing.

Gajanan Mishra
It is nothing
Man says he is doing everything
Man says he can hear
Pity he is deaf
Man says he can see
Pity he is blind
You are a human being
Pity you can do everything
And it is nothing.

Gajanan Mishra
It is ocean, dear
And I fear.
I have forgotten dear
And I fear.
Everything I perceived
Here my dear
And I fear.
I fear
You are here
With butter.
My dear
I fear death-matter
No death here.

Gajanan Mishra
It Is Ocean Of Sounds And Words

It is ocean
It is ocean of sounds
Deep deep very deep
Unfathomable unlimited.

It is ocean
It is ocean of words
Internally externally
It has vast meaning
Believe not outwardly.

Beyond and above
One can not move
And go anywhere
From this ocean.

Gajanan Mishra
It Is On All Sides

All colorful
And that have
Identity with Truth.

It is a feeling
Trough practice
It is a love
Through perfection.

I have so much things
To do with the Self
I have a lot of words
To utter with good intent.

Gajanan Mishra
It Is One

It is one
The fire and
Its flame
Its sparks
Its smoke
Integrity of
Fire is there
In all.

Likewise, O my dear
You and we
All are one
The matter and
The spirit
The air and
The water
The earth and
The sky and light.

And so, my dear
I have nothing to worry
I have nothing to think
About my life, my nature
I know You are all
And everything is in You
And this is the logic of life
That we are concluding at present.

Gajanan Mishra
It is one PM here,
What is there at your place
I know not,
But I know,
If something differs
It is not truth.
And if time is not truth,
Our very birth, very life
Is also false.
Falsehood is only truth.
If any fluctuation is there
In my words and action,
No one can called me
Truthful man.

Gajanan Mishra
It Is Opened, The Doors

It is opened,
The doors,
Everywhere.
Enter or exit
No bar.
No difference,
Theirs and
Ours.
Smile or cry
No difference
And nothing
Is there to happen.
Welcome or
Say goodbye,
No difference,
But you are to
Feel all
If not uttered.
Feeling of
Sorry or angry,
Giving punishment
Or commitment,
No difference,
But you are to
Know the truth
Of the self.

Gajanan Mishra
It Is Our Friendship

It is our friendship
Okay, come on
For the sake of this
I can sacrifice anything.

You can rule over me
Only because of your love
You can take me with you
Only with affection.

I am not in dark
See, I am free
I am in my original form
And why should I act as servant.

In good friendship
No body is superior or inferior.

Gajanan Mishra
It Is Our Thought

Nothing is impure
Nothing is filthy
It is my thought
That is not healthy.

Here, everything is
Charming and beautiful
Worry not, my dear
Be cool, be cool.

You have your own
Existence here, my love
Worry not my dear,
You are the truth, not bluff.

I am here powerful
Only because of You
Without you, O unchangeable
See my life null.

Birds of the same feather
Flock here together
O my dear, You are the identifier
Makes me yours forever.

Look, I am going to you
With all love with all truth
O my dear, You are my blue tooth
Give me life-amrut *

Amrut- nectar

Gajanan Mishra
It Is Our Wedding

It is our wedding
Today is our wedding day
It is our wedlock
Greet with pleasure
Wed with love
Wed with Truth
Wed with eternity
Wed with sincerity
Wed with honesty.

It is our wedding
Everyday is a wedding day
It is new everyday
Everyday is a lovely
And beautiful day
No matter it is what day
But it is wedding day
It is love-day
It is Truthful-day.

Gajanan Mishra
It Is Pained

To see
The hunting and killing
Of animals and birds
Here there.

It is pained
To see
Exploitation of girls
In brothels in clubs
In society.

O my dear, let me take up
Truth consciousness
Let me go back home
Back to the Ultimate Truth.

Gajanan Mishra
It Is Pity

It is pity,
Pity really
If I am not
Able to see
What is true,
If I am not
In peace and
If you failed
To make me
Peaceful.

Gajanan Mishra
It Is Pleasure

It is pleasure and
not pain, let us say.
The womb is good
and good is our nature.

Let us merged with
one another as we meet
with destiny and
it is not tyranny.

Non-self or self no matter
but we are better here.
Doer or enjoy-er no matter,
But we are here better.

Let us proceed together
For a better world and better future.

Gajanan Mishra
It Is Poem

It is poem
And it is worthy
As it relates to
Life and to the world
And to the truth
Absolute truth
It relates to
Eternal words
Relates to poem
And it is relevance
To the world's welfare.

O my dear
Your words are
Proper and just
As it pertains
To Truth
Life is nothing
But the urge
For searching
After truth
And it is basic
Questions and
It is the answer.

Gajanan Mishra
It is purity it is light  
That make me eager  
For knowledge and virtue  
See I am in the principle  
Of truth beauty and harmony.

Gajanan Mishra
It Is Rain, Really?

It is raining
And I am
In my midway
Of separation.

For some rice
And bread
I stand before
The door
Of the earth.

Rain is
But a necessity
I know and
I fire
At the clouds.

Gajanan Mishra
It is raining, right?
Is it raining? Obviously no.
What is it then
When water is dropping
From the sky?
You said nothing.

The world is blossoming
And it is here
We are taking rest.
Is it true that
We are at rest.
Difficult to say anything
At this moment.

Gajanan Mishra
It Is Raining And Raining

It is raining and raining
And raining and
The stream is flowing
Frogs are croaking.

It is raining and raining
And raining and
The cattle are not grazing
The air is not blowing.

It is raining and raining
And raining and
Everywhere there is water,
But stay without fear, my dear.

Wait and wait, you are to see
The blue sky and you are to
Listen birds twitter with
All happiness here.

Gajanan Mishra
It is raining in this world
And in this rainfall there are
Blood mucus pus stool urine
And marrow falling heavily
Trunks of bodies are also
Falling from the sky
Hailstones clubs swords
Iron bludgeons and great
pieces of stones are also there
Big serpents with angry eyes
Vomiting forth fire
Groups of mad elephants
Lions and tigers are also there
As if all are coming to dissolute
Our entire world
They are all frightening us here
As we are all in this material world
O my dear, You are the only person
Who can relieve us
Your Holy name is as powerful as You
That I know
I am chanting Your name only
I am here fully protected
I am saved.

Gajanan Mishra
It Is Rare

It is rare, rare to find a good friend
It is rare, rare to find a good guru
It is rare, rare to find a man who has renounced all
It is rare, rare to find a man who has acquired knowledge of God.

It is rare, rare to find a man who has won desires.

Gajanan Mishra
It Is Really Love

It is really love that is there,
It is really truth that is fair.
I am the water, I am the air, and
I know, I can attain you, wherever I desire.

Gajanan Mishra
It Is Restaurant

It is restaurant- this world,
You can order what you want,
Waiter is there ready to attend you.
Is not everything alright with you?

Gajanan Mishra
It Is Said

Water is a combination of
Hydrogen and oxygen
But I am puzzled
Seeing the vast ocean.
It is said
Everything evolved
From chemicals
But I do not know
Where did the chemicals
Come from.

Gajanan Mishra
It is said by some people
Writing poetry is simply waste of valuable time.
But let me clear the matter,
Where is time to waste,
Who is wasting, and
Wasting where.
Only through poetry,
I can say, proper utilization of time can be made.
Only through poetry
One can know the truth,
Only through poetry
One can recognize the self
That is within all.

Gajanan Mishra
It is said pilgrimage
Be performed
Relinquishing attachment
And fruit.

I said in return
We are all pilgrims here
In this world and honestly
We should take interest
Just to see and watch and feel.

Who and what are here that
We should know focusing
Light that are within us
And we are advised not to
Be disturbed ad interim.

Gajanan Mishra
It Is Shame

It is shame
if we are not using
our own language.
It is shame
if we are not giving
respect to our own mother.
It is shame
if we are not taking care
of our mother-earth.
All other things we are doing
besides the above are fruitless.
We must face death,
and no one on this earth is there
to save from the tragedy we are to face.

Gajanan Mishra
It Is Silence

It is silence
That gives us peace
That gives us intellect
That dissolved
Our ego
That eliminated
Our morbid feeling
It is silence
That gives us
Chance to
Realized self.

Gajanan Mishra
It Is Spring

It is spring
It is love
It is life.
Life is beautiful
When mother is
There with you.
Life is beautiful
When you are
With the nature.
Nature is there
And there you are.
You are the star of the spring
You are the love of life
And life is the components of five.

Gajanan Mishra
It Is Sunset

Yes, it is sunset,
Let me go with it
To bring a new sunrise.

Gajanan Mishra
It Is Tea

It is tea, 
Let us have it. 
It is life 
Let us chart it. 
Be relaxed and 
See what is happening.

It is not easy 
To say anything here. 
Everything is wrong. 
We are here to search, 
To search the truth 
Too difficult to discover.

And still we are here to love 
To love all, all the truth, all the falsehood.

Gajanan Mishra
It Is That Bird

That sits that sings
With the clouds in the rain
It is that mountain
That moves that dances
With the bird in spring.

I am not solitary as you think
I am with this bird and
In this mountain on this day
On this day I declared O men
Please come on come on
Here is everything for your life.

And life is nothing as You see
And You taste the sweet
In this wholesome hours
I called the gardener to
Bring all flowers
That are fragrant.

Gajanan Mishra
It Is The Air

It is the air
That is here
That is there
In me, in you
And in all,
Inside and outside.
Air has
Fortynine divisions
And in
Fortynine forms
Air is going and
Coming from one
To another, my dear.
Fear not air
Air is here
Air is there
Air is yours only
Who is ever ready
To take your care.
Air air air
See the pressure of air
And say within air
What you are.

Gajanan Mishra
It Is The Beauty

It is the beauty I appreciate  
My hope and Your grace  
The sky's daughter blue field  
  Where in we mess.

Discharging my duties I surpassed all  
My hope and Your grace  
The earth is here as before  
Each other we kiss with all riches.

Gajanan Mishra
It Is The Butterfly

It is the butterfly
That is there
And not the star.

Am I not a star?

Here I am,
Test me with fire.

It is the air, here
My dear, that is
Ready to tell
Through the ware,
And that is ready
To take us anywhere.

We should be more careful
And ready to move.

Gajanan Mishra
It Is The Clouds

It is the clouds,
the cause of controversy.
And the blind earth
supported this.

It is all trashed
Said the flowers
Before the jackals.
And we all turned
towards the waves
that are untouched,

It is the space
of the shadow
and we are in a hurry
to fill up the gaps.

Gajanan Mishra
It Is The Covering

It is the covering
It is the illusion.
I know not who is mine
And who is not mine.
I have stolen for you
And you accuse me of being a thief.

What is love?
What is friendship?

Come to the point of Truth
O my dear, apply your whole life
All of your wealth
Your entire intelligence
And your full power of
Speaking hearing and thinking.

Gajanan Mishra
It Is The Dream

It is the dream
To swallow the seas,
It is the dream
To sabotage the sky.
And we are silent
With the trees and
The mountains and
The streams.
We are silent knowing
Fully well that
We cannot do anything
With our dreams
At least here, keeping
Ourselves far away from fear.

Gajanan Mishra
It Is The Question Of

Rich and poor and not
General, Scheduled caste
Or tribe or Hindu or Muslim
Or other backward class.
It is the question of
Livelihood and not men
Or women or others.

Putting an end to
Caste color sex politics
Is good for the society,
We are having same body
With same blood, bone,
Respiration and hunger and sleep.

Gajanan Mishra
It Is The Same

It is the same
After plus and also
After minus
And find no
Limitation with
This creation or
Destruction as
You performed.

No need to know
The cause or
The effect
That is not
The business
Whatsoever, my dear.

Going with your
Own dream world
You can do anything
You can also say
All these as true
But it is dream only
You yourself would
Say afterward.

It is all above
And all below
But the same
And also not
The same again
Like this
Here now.

Gajanan Mishra
It Is The Sky

It is the sky
That is there
And calling me.
See me, I am
Ready to go
With the sky
In white-blue
And black-yellow
Dresses that is
Given to me
By the sea.
Sea is there
But take no interest
On my life-style.

Gajanan Mishra
It Is Time To Play Holi

It is time to make friends
It is time to throw colors
At each other
Colors of good wishes
Colors of toleration
Colors of co-operation
Colors of celebration
Nothing to be afraid of
My dear, come and
Let us enjoy together.

Gajanan Mishra
It Is Trouble In The Flesh

Not a sin if you sex.

It is trouble in the water
Not in sad if you wet.

It is trouble in the time
Not in rejoice if you mine.

Gajanan Mishra
It Is True

It is true
By Your grace
By Your love
I am getting
Supreme peace
Eternal abode
I am Your refugee
My dear, You are
My everything.

Gajanan Mishra
It Is True And Also It Is Untrue

It is true and also it is untrue
This dream this water pot that contains water
Absolutely false all fatigued all labor.

It is factual it is conditioning
It is pains it is pleasures
That affect life here.

It is interconnected it is concocted
It is nothing but damaging the time
All proprietorship of yours and mine.

Gajanan Mishra
It Is True And I Know

It is true and I know
You walk without feet
You hear without ears
You perform actions
Without hands
You enjoy all tastes
Without a mouth
I know You are the most
Clever speaker even though
Devoid of speech
You touch without a body
You see without eyes
You catch all odors
Even without a nose
You ways are supernatural
And Your glory is
Beyond description, my dear
But I am here with all illusion
I mistaken a shell for silver
A mirage for water
And I cannot dispel this delusion
Let me wake, my dear and
Not feel the pain when
My head is cut off
Here in this life-dream.

Gajanan Mishra
It is true my father or mother
Cannot protect me,
No doctor can relieve
From my suffering,
No boat can protect from
Drowning in this world-sea,
I have to face my death,
I have to suffer
And I have to die.
No other way, no other way,
No other way but to suffer
In the hands of time.
It is only you, my dear,
Can come to my rescue.

Gajanan Mishra
It Is True - We Are

It is true -
We are for all men,
And never for a few.

It is true -
The road ahead
Is not smooth,
It is also true -
We never falter
Before falsehood.

Ignorance is
No excuse,
We must respect
All people,
First and last truth.

Gajanan Mishra
It Is True, I Seek Nothing Besides You

It is true, I seek nothing
And why should I seek
If anything is there to seek
It is only You, my dear, only You
I know You are the Truth
You are the love
Without You all are bluff and blur.

If I am suffering at any time
It is only without feeling you within
O my dear, I know You are the only
Divine knowledge here with me
And I do not want to miss You
You are my love that I seek
And I know I have only affinity with You.

Gajanan Mishra
It Is True-I Do

It is true-
I do nothing,
Actions are occurring.

Gajanan Mishra
It Is Truth

It is Truth
At every step
Nothing is blunder
Nowhere.

It is your duty
To do right thing
At right time
At right place.

It is your education
It is your knowledge
That makes everything right
That turns falsehood into Truth.

Go on and go on
It is your courage
That drives out the mirage
That enables you to reach the centre.

O my dear, see yourself first
Nothing is here nothing is there
Besides you that I know
You are the polestar.

Gajanan Mishra
It Is Up To You

Striving ceaselessly
I reached here
And it is up to you
To advised me
What to do.
It is up to you
Whether to accept
Or reject my word
My action.

Gajanan Mishra
It Is Walt Whitman

A poet must ask
About grass
About sky
And I think
There is nobody
To give a clear answer
Besides Walt Whitman.

Anyway
Walt Whitman is
Not here physically
But here is Walt Whitman
Through poems
And poems can supply
As much information
As we required.

It is a different matter
How far we accept the view point
Or not.

Gajanan Mishra
It Is We

It is for us
Anxiety, stress
Fear, anger
Are getting importance.

Gajanan Mishra
It Is We Who Forget

It is we who forget everything
It is You who remember everything.

It is I who is eating sleeping
It is You who is simply observing.

It is I who is going on and leaving the place always
It is You who is present and giving remembrance everywhere.

I have no eye to see and I lack knowledge to understand You
It is You who is with me every time and You are the adviser in Truth.

Gajanan Mishra
It Is Well And Good

It is well and good
If it is for the welfare of others.

If anything is for one's own self
It is bad and bad.

It is but simple and nothing new
My dear, Come on, You are for all
Not for a few.

O my dear, I know, You are in me
As I am in You with devotion
You check preview.

Gajanan Mishra
It Is What It Is Not

It is what it is not,
It is not what it is.
Let me say something
without the help of words.
I am sure you cannot
find me with so much words.
It is not that I hate words,
Words are there in my hearts.
Good words, pure words, pious words,
Love words, hate words and words of
so many kinds I love all.
But I am not in passion with words,
It is not what words signified
It is what what words are incapable to.

Gajanan Mishra
It Is White

It is white and
Not black - the death.
It is black and
Not white - the life.
In between life and
Death each one is
Telling his/her tale.
We are the readers
And the listeners -
Not worried about
The course of light,
We are worried about
The dark spreads
Everywhere but not
Touched by anyone so far.
And we talk about
Development, achievement,
All cruel, all hollows,
Though, and we are
With solo.

Gajanan Mishra
It Is Woman Who Heard Flute

It is a woman who heard flute of love
But you are saying woman is fire
Fire in woman
Fire in rainbow
Fire in butterfly
Fire in stars.

Woman - really mystery
I do admit
Mountain of mystery.
Woman is history
I do admit
Mountain of mystery.

You can not find a place
Without wind
You can not find anything
Without a woman's mind.

We are in the air
We are in the fire
Woman can only provide
Us a layer
Mind it
Without woman
We are lazar.

Woman with desires
Is dangerous
I must say
Be cautious.

Woman is within us
Woman can stay
Without us.

Woman is our breath
Woman is our food
Woman can eat us.
A woman has two sides
I do admit
But remember,
It is a woman who can only
Heard flute of love
And save us.

Gajanan Mishra
It Is Wonderful

Really wonderful
This earth and
This life on
This earth.

It is colorful
With joy
With surprise
With love
With pastimes.

O my dear, please
See everything here
With your own eyes
And feel the beauty
Therein eternity.

Gajanan Mishra
It Is Wrong

It is wrong,
It is wrong to
Viewed us separately
Here at any point of time.

I have presented You
You have presented me
On the same footing in
No loss, no gain planning.

Let me say what I
Want to say here again,
No misinterpretation be
Encouraged here again.

Our deal to stay simple
And open be understood,
It is right, living peacefully
And with full cooperation is our mood.

It is wrong,
It is wrong to viewed us
Separately here,
We are so perfect and clear.

Gajanan Mishra
It Is Wrong To Continue

It is wrong to continue
The material conception
Of I and mine
It is better to forget
The illusory understanding
Of I and my
It is the Almighty
Everywhere and in everything.

Gajanan Mishra
It Is Wrong To Say

It is wrong to say
You are everywhere,
It is right to say
You are everything
And you are everybody.
Rest is delusion
And with your presence
Delusion destroyed.
No question of neither
Nor, and either or.
When dependence is
no more, there is
No one who can say
Nature is connected,

Gajanan Mishra
It Is You

It is you
the mirror
you look like
where.

The mirror
reflect intact
If you have
courage admit.

Wait not
for the result
process is important.

Anything can be
change at any stage
at any time.

It is the mirror
that says
what you are
and how far.

Gajanan Mishra
It Is You To Search

It is you to search
Where is heaven.

It is you to decide
When to go to heaven.

It is you to see
What are the components of heaven.

It is you to conclude
What to do in the heaven.

Gajanan Mishra
It Is You Who

It is You who
Inspire me to sing
It is You who
Inspire me to live.

You are free
From all
I am waiting
For Your call.

Gajanan Mishra
It Is You Who Is Only Good

It is You
Who is only good
And always good.

Let me remember You
From my very childhood
Let me remember You
From the morning
Till the evening
And at day time and
Also at nights.

You are my Mother
You are my Father
You are my friend
You are my all in all.

Gajanan Mishra
It is You, my dear, it is You.
The bliss, the knowledge,
And everything,
That are divided,
That are undivided,
And it is You,
You are free from all doubts,
You are the waves,
You are the sea,
You are the water,
You are fixed, and it is all
Projections and distractions are within You,
You are the clouds and the sky,
That remains fixed on You.

Gajanan Mishra
It Is Your Craving

It is your craving
That is impelling you
And you are committing sin.
You are sinking only for sin,
If you want to go out of sin,
You are to go far away from desire.
Desire is your bond, my dear,
Cut it immediately and stay free.

Gajanan Mishra
It Is Your Dreams

It is your dreams, my dear
What you see what you hear
What you remember,

Awake and feel.

And it is all
Your present body
They called it life.

Your forgetfulness is
Called death and they called
Dreams are useless.

Awake and feel.

Remember all imaginary
And factual that are
Not real.

Gajanan Mishra
It is your fire
And see me
I am there.

I am there
Floating
I am there
Flowing.

Problem is
I am not able to
Sacrifice myself.

Neither I have
Anything here,
Nor I have
Any desire.

Gajanan Mishra
It Is Your Greatness

It is your greatness
That you are in association
With me here at this time
And you are able to know
Where is truth.

Where is truth you know
And you are purified
You are convinced and
You are surrendered
You are liberated.

You are liberated
And I am with you
You offer me everything
And I accept all without questions.

Gajanan Mishra
It Is Your Hubris

It is your hubris,
You said father,
To me.
And I remained silent
Only for you.
If anything wrong,
Please pardon me,
I pray father,
And you smiled.
You smiled
And I feel happy.
I enjoy my life
With your presence,
I know what you are,

Gajanan Mishra
It Is Your Loftiness

It is your loftiness sir
You recognize me here.
I am liquorice with water.

Gajanan Mishra
It Is Your Poems

I cannot get on
Without you.
It is your poems
Drew off my
Attention from
The rest of the world.
And poems, I think,
Cornerstone of my living.

Gajanan Mishra
It Is Your Sweet Will

It is Your sweet will
I have taken birth
It is Your sweet will
I am embracing death
It is Your sweet will
I am here I am there
It is Your sweet will
I am no where and no where.

I am not here to go
With my fault
I am not here to say
Anything to anybody
I am here only to execute
Your works for the welfare of others.

Gajanan Mishra
It Is Your Symptoms

It is your symptoms
Not your caste
That matter.
It is not your birth
But your qualities
That are stressed here.
No matter
Whether you are
Son or daughter.

Gajanan Mishra
It Is Your Thinking

It is your thinking
That is taking you
From here.
It is your thinking process
That make you establish
Or else be prepare to face.

Gajanan Mishra
It Is Your Will

It is your will
And I feel
And it is well done
Time is not there
And it is
Go went gone
O my dear
You are in action
And I am in truth
And I see at dark night
Clear
What a beautiful repetition
And that is only notion
In this life-motion.

Gajanan Mishra
It Is Your Will - I Am Executing

It is Your will
That I am heren staying
It is Your will
That I am sweeping
It is Your will
That I am writing
Staying
Seeping and
Writing all
Are Your will
I am executing
The allotted task only.

Gajanan Mishra
It Matters Little

It matters little
If one dies.
It matters little
If another takes birth.
I think both are
Errors of nature,
No one should
Take anxiety.

Gajanan Mishra
It Needed Two

It needed two
It needed two to clap
It needed two to have a day
It needed two to have a life
It needed two to grow here
And it is perpetual it is Truth
Let me have with You
O my dear, and in love you are blue.

Gajanan Mishra
It Rains Heavily

It rains heavily
And for this
Several creatures
Are killed.
Life of several
Other creatures
Is saved.
No sin no virtue.
No egoistic notion
No tainted intellect.
So also I am
Going on doing
My actions without
Sense of mine and selfishness.

Gajanan Mishra
It Will Publish

It will publish tomorrow,
Today you go and do
Whatever you like.
This area is yours
And it is lighted.
Opening and closing is
Under your control.
You may go or you may stay,
You may smile or you may cry.
Be sure, nothing is there to happened.
Calling bell is ringing, let it continues.
The man is drinking beer entire night
Let him do what he thinks.
But my dear, be cautious while keeping relations
With others at this time today.
Keep it in mind, the words are very dangerous
Your own words may kill you at any time.
Words have no holy days, no tomorrows.
They have their Christmas merry only today,
And alas, today is going away, going away.

Gajanan Mishra
It Would Explode

It would explode
Here or there
At any time.
The good and
The bad
Everything would be
Opened here and there.
The enlightened and
The ignorant
Both are here
And they would meet
Their end,
Though, in a different way,
And the way is
Determined by one
Who knows all paths.
How many paths are there,
And where is that path,
He knows better
He has created the paths.
Everything would be opened
In due course of time.
But the time is within us
And we are bound by time.

Ita Sabu Sabubele Nuaa (Kosli)

Ita sabu sabubele nuaa,

Sabu nuaa, nuaa sabu.

Gajanan Mishra
It's All About A Book

It's all about a book,
And it is time-bound,
The life.
It is both
Art and science.
It has philosophy,
And it has its own
Geography with
Area limit.
It is going up and up,
Forgetting history.
No place of jealousy,
But each and every place is
Reserved for success and success.

Gajanan Mishra
It's All Loss

The engine of my car
Starts functioning
But alas, the wheels
Do not move forward
It's nothing but
All loss and no gain
You may say, sir
It is all desire
But no action.

Gajanan Mishra
It's History

It's history-
The love,
The time,
The living.

It's living-
With responsibility,
With eternity,
With night.

It's night-
In flavor,
In color,
In new atmosphere.

Gajanan Mishra
It's Not What You Say

It's not what you say,
It's what you do.
It's not that words have no power,
It's how you use the words with actions.
It's not how many days you stay,
It's what and how you are doing.
It's not truth is all in all,
It's your application of truth in life.

Gajanan Mishra
It's Okay

It's okay,
This rain,
That sun.
We are all days
Under the clouds.

It's okay,
We are flying in the sky,
We are walking on the land.
We are for what
We know not yet.

O men, come on,
For you only
The rainbow is there
And the ladybug is on the grass.

Gajanan Mishra
It's Raining

It's raining,
And let us listen
To the rain.

It's murmuring,
It is lightning,
It is all shining.

Each one is leaving
The place in time.

It's time
To recognize each one
Before going from
This place.

It's raining, and it has
No relation with the living.

Gajanan Mishra
It's Time

It's time
To upgrade.
It's time
To go out
From shade.
It's time
To declare
No one is bad.

Still we try
To go
Out from time.
Still we try
To stay
Within.

Jaundice, jaundice,
Fear of jaundice,
Everywhere here,
How to stay my dear!
The water is polluted,
The air is polluted,
The city is polluted,
The very thought is polluted,
How to stay and with whom
To stay my one
Wants to take something,
No one is ready to love
And give what he has.
Giving is life, acquiring
is death, forgotten by all.
How to stay here?
Who is your dear and near?
What to say and how to say
No body know and nobody
Is clear about the present
And jaundice is taking away
All the future.
Dare not to take the water!
Water is ready to take you
Through city's sewers.

Always, everywhere, see here
Being dominated by illusion
And have fallen in the depths of darkness.

Job And Service

Job and service are not one and the same rightly said.

In job monetary return is a must, this is not so in service.

In job one cannot get satisfaction but in sincere service it is there.

In service there is total absence of egoism but it is not so in job.

Gajanan Mishra
Job Private

I am in need of a job
But not private.

Private job is like cat
That can cheat
At any moment.

Its paws its claws
All wicked.
It takeaway my roof

I do not like cat
I do not like a job
That is private.

Job Search

Job search, but
For what?
I asked the young man
Who came to me yesterday.

I knew he had no answer,
But he said all he wanted
To satisfy his mother.

Who is a mother I asked
And he remained silent.

I did not like to talk,
I did not want to put
Anything before anyone
Hence further, for I saw
The night is much darker.

Joy And Joy

Joy and joy
Find joy in living
Find joy in working
And I must think
You are perfect
Joy and joy
And no way left.

Gajanan Mishra
Joy and joy,
Pure joy, eternal joy,
Joy is butterfly,
Here, there running by.
Girls and boy,
Take joy, give joy,
Life be enjoyed
Telling truth,
Loving life thereby.
Zig-zag route of
Life in May,
Sun or rain, by the by
Wonder not go by,
Love life all the ways.

Gajanan Mishra
Joy And Peace

Life is meant for
Joy nd peace,
And here life is
Facing several wonderful
Facts and topics.
Life itself is flawless
Let us understand it
It is here to attain truth,
That is there within.

Gajanan Mishra
Joy And Sorrow

I am not a man
To enjoy luxuries
I am in sorrow
You live in luxury
You are in joy.

See I am not getting
The bare necessities
I am satisfied what I possess
And in joy
You lead a life of luxury
And is worried at heart
Lest the luxuries should be lost
And you are in sorrow.

Gajanan Mishra
Joy And Sorrow- One

Joy and sorrow
Not two sides
But one side
And we are
Staying here.
Pleasure and pain,
Cold and heat
All are ours.

Gajanan Mishra
Joy And Sorrow, Joy Or Sorrow

Joy and sorrow,
Joy or sorrow,
Let me discard both.
As I live in the ether,
I bother not
Who is what and
I bother not
About the movement.
Animate or inanimate
I bother not,
But I am there
Without any affinity.
I dwell in air
But to touch me,
Air has no power.
I rest on earth
And the earth has
Got the power to
Take me into confidence
For infinite bliss
And life.
And I realize
How difficult it is
To keep a balance
With joy and sorrow,
Nothing is here, though.

Gajanan Mishra
Joy In Eternity

Love in sun rise
Life in fly-kiss
All in one is nectar.

Go on my dear, without fear,
Go on, go on, go on.

Let us see, eyes to eyes
O my dear, and let us go
Together with love with truth.

Gajanan Mishra
Joy is in
With birds.
Birds are in
With air.
Air is in
With life.
Life, we enjoy
Under the sky.
The sky is
Over our heads.
And we are
On this earth.
See and feel
No place of sorrow.

Gajanan Mishra
Joy Is There

Peace is there in your poem O poet
Life is there in your poem O poet
I like your poem O poet
You are the models for us O poet
You are our dream our ideal

Gajanan Mishra
Joy Of Living

O my dear, live here
Just for the joy of living
Live here live here
Live here with abandon
You are nature's son
O my dear, live here
Live without cause
And be free to go, to come
O my dear, live here
With full freedom.

Gajanan Mishra
Joy Side

Life - joy side,
Thank God,
For good luck,
You are living.

No crossroads,
But one - towards
Mother and mother language
On own motherland.

Gajanan Mishra
Joy To The Distress

You are the joy
You give joy
To the distress.

You are the lightning
You bear steady lightning
Your smile is vibrating.

At various times
You are giving and collecting
Everything from everybody.

You are appearing and
Disappearing at Your sweet will
And we hear Your flute-playing.

O my dear, we are here as before
You are only coming and going
And we are trembling out of love.

We are not distressed here
We are stunned by ecstasy
And we are pious like nectar.

Gajanan Mishra
Joydeep Nayak

Joydeep Nayak,
Symbol of corruptions
And misappropriations
Of public money.
The top civil servant
Of India, Joydeep Nayak,
Is nabbed by vigilance
For alleged involvement
In a scam.
In India, at present,
Corruptions are rampant
From top to bottom.
I find no use of
So many education,
So many qualifications
And position,
If a man becomes a beast
After acquiring all.
Let us teach a lesson
To all corrupt officials,
Let us hang them before all,
Let us confiscate all
Properties that are
In their names or
In the name of their
Friends and relatives.
Let us give utmost prestige
To a common man and not
To a servant.
Our constitution, the very
Starting words say-
We, the people are
Sovereign, we are in a
Socialist republic.
The servants are there
To serve us and work
For all welfare.
They are here and
They are supposed to
Work in Indian languages
To enable the people of
India to know every detail.
The use of English is totally
Unconstitutional and Undemocratic,
And it is anti-people in general
In India that is Bharat.
By using English in India,
We are keeping the people
In dark, let us understand
The main cause of corruption
In India.
Let us ban English in India,
Let us work transparently in India,
Let us be truthful to the people of India,
Let us punish and hang the corrupt servants,
Let us work for India, let us say
'Meri Bharat Mahaan',
Let us say India first,
The people of India is at the top of all.
Let us love the world with all truth.
The truth is only the sovereign people here.

Gajanan Mishra
Joyful And Fearless

Joyful and fearless,
I am here always,
See me. I am in time,
I am the time.

I am enlightened,
Everything is within me,
See me, I am the time,
I am what you are in me.

Let me know
What you are doing
And the meaning.
Let me go on hearing
And watching and doing
My works in my ways in time.

Gajanan Mishra

Gajanan Mishra
Joyful Journey

Joyful journey within

All of a sudden mediation.

Joyful ceremony
Joyful ceremony within
Socially customary
All looked coyly.

Be confirmed Your presence
That is at late night.

Gajanan Mishra
Jubilation And

Jubilation and
Lamentation with son.

Transcendental knowledge
With wife.

Who else are here
Except those five?

Only one light is there
See that is also off and on.

Dreams and mental concoctions
That are non-existent here.

What is prevailing here
And that is only illusion.

Judge

Judge is not here to decide
Who is winner and who is loser.
Judge is here to decide
Who is in right point.

No judge is empower to
Pronounced death sentences
No judge has got power
To give life to the lifeless.

Judge can not decide
The synonyms and antonyms
Judge can not say
The right source for right word.

Judge is not judge
So long as the judge is mortal
Judge is judge
If judge is eternal.

Gajanan Mishra
Judge Me

Judge me impartially,
And tell me a man.
I want to be a man
And nothing else.

Here I see no man,
I see though, doctors,
Engineers, peasants,
Politicians, leaders,
Social workers, teachers,
And different professionals.

But I discover not a
Single man so far.
And so I am telling myself
A man and all are rushing to me
To sweep me away by
Uttering swear-words.

Gajanan Mishra
Judge Not

Judge not, but love,
Love and serve,
Give service and observe,
For you, miracle is preserved.

Gajanan Mishra
Judge not but love,
Remember the words of
Mother Teresa- ' if you
judge people, you have
no time to love them.'
If you do not love them
You can't work for them.
Love is necessary to
Do something. I love you,
See, I am sacrificing
my life for you.
I am not judging you
But I am in love,
the only truth.

Gajanan Mishra
Judgement Delivered

Judgement delivered
In foreign language
Is no judgement,
Rather, it is
The torture
On the victims
By the justice
Delivery system.

Judges, be careful,
Utter words and
Pass judgement
In the language
Of the petitioner,
Victims and accused
And show your own
Transparency, sincerity
And honesty.

What you want to say,
Say all in open courts,
Before all, front to front.
O judges, you are the hope,
You are the pulse
And also aspiration
Of the people as a whole.
You are the guardian,
You are next to God,
But you have to win
The faith and trust.

Gajanan Mishra
Judging A Man

Judging a man
By a man
Called misfortune.
Giving tune for a man
By a man
Called quean.

Leaving man
On his own way
Quicken him
again and again.

Man is unique
Not a play of gimmick.

Gajanan Mishra
Judging Self

Who is judge here
It is not I
I can not judge myself
I know nothing about me.

Who is judge here
You are the best
To judge yourself
You know better.

He who judge me
Is none other than
The almighty
He is the best
To bring everything
To light the hidden
Things of darkness.

I am just faithful
And not more than that
You may learn from me
What I am not.

You know my thought
That is futile
I am yours
I want to know you
More and more.

Gajanan Mishra
Judicious Earning

I opt to do work
For the benefit of all.

Can affect me.

I want judicious earning.

Jump and jump, my dear child,
And without it you would not reach the place you want.
Jump and jump, my dear child,
Fearlessly jump, remember,
No place is there to fall down.
Each and every door is opened for you,
Just jump and knock the door, door of truth.

Gajanan Mishra
Jump Not, Car

Jump not, car,
Jump not.
I want not to
Harm or kill others.

Rajnikanth is here
With me here,
And we both are
Taking idlis.

You cannot
Shout down at us,
You cannot
Put us in troubles.

We are the swarthy
Inspiration to all.

Gajanan Mishra
Jumping and playing,
Dancing and enjoying,
Enjoying and living
With full pleasure,
In pure love.
Love - the only basis
Of life here.
Love - ocean of milk,
The only truth, dear.
Nothing to fear in love,
Cops and robbers have
No role to play in love.
No hide-and-go-seek play
But simple and clear.

Gajanan Mishra
Jumping For Joy

I am jumping for joy
Every cell in my body
Is jumping in joy see
O my dear on your arrival
And in your presence
Here in this house of mine
I am wrong to say
This is mine house
No no this is not mine
This is entirely yours
My dear I am just for
Some moment staying here
As a guest
Guest of honour
I am in and out
With your breathe
I love you and I am
Intoxicated in love
In joy.

Gajanan Mishra
Jumping Like

Jumping like monkeys
Yields no profit.

No return,
One way traffic.

Go on the way to
Understand the truth.

The truth is there in
Anything and everywhere.

Gajanan Mishra
Jumping the gun

I know and I am
Silently watching
All the incidents.
I know everything
Is straight,
Rational and
One can understand
If he or she
So likes.
The world is for
Everybody and each one
Should enjoy here.

Gajanan Mishra
Junction

Junction is important
In so many ways.

Keep not anything
On the junction
That will not be

Just say a woman
Stay there
The woman will
Declared it
Before all.

Tell me here
If you not
Be ready to hear
Anything from
Anybody at anytime.

Have you any
Friend here
O my dear but
They all left
You at the time
Of need and danger.

Let me know
Who is your
Right friend
And how far
You know him
Just a call away.

Gajanan Mishra
Just A Dream

Just a dream - this life,
It seems to exist
But it has no existence.

Gajanan Mishra
Just A Few Lines

Suman,
My dear son,
Remember, just a few lines.

You are here
In this world
To realize the real Master
The real owner, Almighty
And go on right path
If You realize
You do not have a fall.

My dear son
Let me add
Another line here.

You are not to get
Entangled in worldly
Pleasures and prosperity
And by performing virtuous actions
You are here to go to higher regions.

I know, my dear son
You have no desire for the fruit of actions
It's right and good for you and
For the welfare of all.

Let me tell you in clear terms
It is the Omnipresent, Omniscient, Almighty
Who alone is free in creating, preserving,
Destroying, conducting and enjoying
This entire universe and He is free
In bringing about, any change in it.

He is my Lord
He is Your Lord
He is the Lord of all.
Just A Human Being

Just a human being,
Here I am.
I want nothing,
Nothing more than
Life and life needs
Nothing just
Some water, air, light.
Life is on this earth,
And the roof is the sky.
Life needs some love,
Compassion and
Some renunciation.
I am just a human being and
In the process of self-realization.

Gajanan Mishra
Just A Little Smile

Just for a little smile,
I am here.
I care not the colour.
Nothing is useless
I see, whether,
It is summer or winter.

Where are you, my dear?
I am searching you
In your own shelter.
I know something about you,
And I am anxious
In all weather.

Please let me see and hear
Your presence in each clatter.

Gajanan Mishra
Just A Number

Number is playing card,
With number.
Number is winning
Number is losing.

I am not a number
You know,
You also know
My age is a number
And not I
And let me clear
I am not a believer
Of number
And the number game
Has certain rules
Remember.

I am
Not under the rules
Remember and follow me
I am not without number.

Gajanan Mishra
Just A Passerby

Just a passerby
And nothing more,
Think yourself.
Here there
See nothing
Watch sea shore.

Worth the life,
Mixture of
Water and the air.
Dark and light,
Of course there,
To boost desire.

Reasons - not known,
All movies all clown.

Gajanan Mishra
Just A Phase

Just a phase,
Just a process,
Nothing new,
Nothing special.

This life,
This light
Are all
In the dark.

Creation, preservation,
And destruction all
Are part of the universe
And it is but common.

All and all, outward temptations,
No need to divert your attention.

Gajanan Mishra
Just A Smile

Just a smile I want,
And I receive from you.
Just I want truth,
And you placed yourself.

I am in the process
Of question and answer.
And You are there
To make all points clear.

Enough is enough I said,
You remained silent.
Here in life I said
Nothing to be arrogant.

Smile and smile
In time-quill.

Gajanan Mishra
Just Air

Who knows
What is this
Who knows
Who you are
Though not seen
I am here
To say it is
Just air.

Gajanan Mishra
Just Banish

Rampant corruption is there allover the state
And it is due to greed falsehood robbery
Incivility treachery misfortune cheating quarrel
Just banish the corrupt people, who so ever
He may be irrespective of posting, from the state
Just banish the friends of irreligious persons and
It is the only way of wiping out corruption
And it will save the state from untruth
And stop corruption in the state by hood or crook.

Gajanan Mishra
Just Come And Say All Truth

No formality,
Please come,
You are welcomed.
Remember, you are
Coming to your mother,
Mother-nature.
Just absorbed in love
And take anything
That is nectar.

We feel highly delighted
In your presence, your grace.

Gajanan Mishra

Gajanan Mishra
Just Cricket

I did not want to listen to any one
Sachin Tendulkar said
I knew what was needed
I had requested the ground staff
To let me know
When the umpires walkout
When they did
I walked out to bat.

Gajanan Mishra
Just Enjoy

Thank,
I am just a creature
And nothing else.

Here I am,
Here I am not.

I am just uttering
Some words with
The sky and the air.

I am the product of water
And earth and air and
The lights.

I want to know My creator.

I am here on this earth.
I care not the boundary
Made by so-called men.

I am limitless,
Know the self.

I am with you
I am in you.

Just enjoy this position,
Enjoy the time with the truth.

Gajanan Mishra

This world, this earth
Is full of mystic power.

Feel life,
As fresh as rising sun.
Enjoy the night
With all blessing the moon.

Everything is moving and
Passing away from you.
But you belong to the truth,
And it is there in you.

Life is to get enjoyment
And for doing good.

Gajanan Mishra
Just Like Toy Dolls

Just like toy dolls
My dear we are here.

Our Master has got
Full freedom to act
He can do He can undo
Whatever and whenever
He likes for and
Against us.

We are to feel happy
And joyful to have
This opportunity to
Associate with Him.

We remained where we are
See as we are addicted to.

Gajanan Mishra
Just Listen To Me

Just listen to me,
Nothing to frightened.

Everything is okay
With you and me.

Gajanan Mishra
Just Living

Just living
Just living and
This living is
Just intelligence
Passing it from
One to another.

Who is where
I know not
It is just query
That is to
Clarified with
Bread and butter.

The nature and
Character are same
Though it differ
From place to place
Though the place is
One this earth the same.

Desire nothing
But observe the machine
This machine is
With me since birth
Though I know
No birth no death here.

It is nothing
But a combination of
All five and
They are here as before
Only I am confusing
With life with this five.

Gajanan Mishra
Just Look At Me

Just look at me,
Catch me,
Know me,

I am giving you everything
I am also taking away
Everything from you,
Leaving aside the truth.

Gajanan Mishra
Just Love Just Love

Just love, just love
Shakespeare, my dear
Upon me, ever devout
Shakespeare, my dear
I go with love
I go with love.

Just go, just go
Shakespeare, my dear
No knowledge, no wisdom
Only love, only love
Shakespeare, my dear
You are discovered.

Discovered, discovered
Love, love
Shakespeare, my dear
No occult powers,
No mundane pleasures
Shakespeare, my dear.

Love, love, love, love
Shakespeare, my dear
My dear, my dear
Here passion, here spirit
Here desire, here surrender
Shakespeare, my dear.

Gajanan Mishra
Just Missing

I am just missing something
That I am not crazy
You are singing something
That I am not listening
I am losing my own passion
And you told me it is revolution.

You are in my opposition and
Giving me suggestion not to
Accept who I am and what
Actually I want and that is
The only demand and not
Achieving anything I am better
That I am going to say
In one respiration.

Gajanan Mishra
Just Near

How can I distinguish  
Which is good and which is not  
I am in confusion  
It is you O my dear  
Who can only help me  
At this juncture.

I know you are both  
Good and only good  
That I am ready to  
Go with, O my dear  
Through me not anywhere  
I am your just near.

Gajanan Mishra

Opening my window
And without you
I am like widow
O moon

Just now
Here I am for you
Here I am you.

Gajanan Mishra
Just Now I Meet You

Just now
I meet you,
And you told
Me to die.
And I called
You as last liar.
No one is in loss
And yet everyone
Is crying and it is
Our destiny.

Gajanan Mishra
Just Open

Just open,
Open and see,
See and act,
Act with knowledge,
Act with love,
Knowledge with love
Makes You successful
Everywhere, remember.

Gajanan Mishra
Just Passing

Passing the road means
Suffering a lot of afflictions
But look, I am free from
The pain of birth death and old age.

I am giving importance
To the being-ness of the self
And to immortality
That is my image.

Gajanan Mishra
Just Pay For It

Live for one day
And just pay
For it, life.

The life is
For one day only.

Rising and setting
The sun is not
A day, remember.

Live with the echo
Of life.
Live for justice
And also live,
For love
And for truth.

Gajanan Mishra
Just Punishment

Just punishment-
We demand,
Who violates the law,
The law of the land,
The law of the language,
The law of nature,
The law of mother.

Just punishment is necessary
For a convict to deter him
From illegal acts and behaviour
Just punishment is necessary
To enable the convict to follow
Right path and procedure,
For all welfare of all creatures.

Gajanan Mishra
Just Realize

Just realize
Who you are,
Just know
Where you are,
Just love
What you are.
Rest depends
On the star.

Gajanan Mishra
Just Remember

And go back home.

And where is your home
O my dear, ask yourself
And attentively listen
The words and sounds within.

Who is within
Search and research
And clarify
You are really not there.

It is just
Setting fire.

Be aware of your power
My dear, this is the right hour.

Gajanan Mishra
Just Remember - Right Hour

Just remember
And go back home.

And where is your home
O my dear, ask yourself
And attentively listen
The words and sounds within.

Who is within
Search and research
And clarify
You are really not there.

It is just
Setting fire.

Be aware of your power
My dear, this is the right hour.

Gajanan Mishra
Just Returned

Just returned
And I am here
And I am
Not here to
Go anywhere.
And I am here
In different
Or in so many
Colours.
You are also here
To discover yourself
Here with me.
Let me tell you
One thing
That we are
Both here
For truth,
In truth
And to know
The truth.
We are the truth
Here and everywhere.

Gajanan Mishra
Just See

Just see
It is you to see
Just hear
It is you to hear

Gajanan Mishra
Just Smile And Get Love

Just smile and get love
Only in love you find smile.
Life is only for smile
And smile is not crocodile.
Smile says I am not lie

Put question and get answer
Write poem and bid goodbye.

Gajanan Mishra
Just Start

Come
I can see you
You just start
Uttering a word
And I think
That is absolute
I see you
In my words
And I salute.

Gajanan Mishra
Just Start- Summum Bonum

Just start the work first
And see it is easier
Just call me and see
I am here.
I am doing all works
For good of you
It is summum bonum
The ultimate good.
If you are giving
Pain to others
You have no heart
See me I am for others.

Gajanan Mishra
Just To Hallow

I am writing
And I have written
Something and something
About this world
Just to hallow myself
Just to hallow my speech
Just to hallow my deed.

I have no word to utter
That I know my dear
Without Your favor
And here in this world
I am ready sing and hear only
Your glory and Your story.

Gajanan Mishra
Just Transferred

And transfer is not punishment
Punishment is not bad
Bad can be converted
To good with supportive data.

Description not required
Already fed
Switch on require
All present in the hall
That is aim.

Gajanan Mishra
Just Try To Learn

Just try to learn, my dear
Try to learn the Truth here
Realize the self, my dear
Self-realized soul is the best.

Feel yourself independent, my dear
And everything rests on You
You are the Supreme and final.

Without you there is nothing, my dear
Know it correctly if you are in love
Love is the Ultimatum for all.

Gajanan Mishra
Just Wait

Just wait
Just wait and see
Just see and hear
Just hear and stop.

Stop here
I am here
Here in the space
Here in music
Just hear music
And get relax.

Relax and love
Love and see
See and Satisfy
Satisfaction is within
And it is divine
You are the divine
Go with in.

Gajanan Mishra
Just Waiting

Just waiting
For time.
But I know not
Where is time
What is time
And Where I am
At this time.

You said
All right,
Prepare yourself
For a fight.
Fight for what
Unknown to all,
But they give a call.

Gajanan Mishra
Just Want To

I just want to
Put my signature
And go away.
If you so like
Allow me, dear sky.

I do not want to cry,
I just want to fly.
If you so like,
Allow me, dear earth,
To proceed with myth.

I want to stay
In my own house,
With the rising sun, and
With blossoming flowers.

Gajanan Mishra
Just Wonderful

It is just wonderful
To stay a while
In this perfumed garden
It is just wonderful.

Forget the month year
It is unique just remember
And just remember
You are my dearest dear.

Here is nectar in You
That I know my dear
Here is love and Truth
Here is my life in You.

Gajanan Mishra
Justice

come and see where it is
you find dancing the sea.
Never find the sky loughing
somewhere in the city.
you find me without
size and shape
the rough road ahead.
come and see
I am missing
in the gitamandir.
And i am somewhere
on the bank of the ganga
where judge is there
to pass order
after the game over.

Gajanan Mishra
Justice - How It Is

Justice - how it is,
And how it is justified.

Observe and see,
With us today.

And tolerate all
Basis of your own
Existence.

You are capable of
Protecting your
Own right.

We are all here
Under rule of law.

Fear not, fear not,
My dear friends, fear not.

Gajanan Mishra
Justice And Corruption

Clubbed together
Justice and corruption.
What would happen?

Gajanan Mishra
Justice And Foreign

No justice is here,
But only foreign language
Reign supreme.
No touch, no feeling,
No truth and no
Smell of the earth
And nothing is here.
But we are in a justice
Delivery system- that
Has no value
In present system.
We know justice delayed
Is justice deny.
Are the persons
Who are in this system
Ever cry for anyone
Who is in sorrow?
Are they willing to hear,
Willing to write
In the language of
The sufferers?
If no, what type of
Justice delivery system it is?
Justice to the just people
Is our motto.
But where it is?
Our democratic norms
Say- by the people
For the people, of the people.
But people- nowhere.
Where are we going now?
Let us wait a while,
And ponder over it.

Gajanan Mishra
Justice Be Delivered

Justice be delivered
For the larger interest
of all, and only
such justice can
control the ruler.

Gajanan Mishra
Justice Is There At Last

Justice is there at last,
Have patience, and watch.
It is true an honest man
Has to suffer and a criminal
Set free and yet have patience,
Justice is there at last,
Here or hereafter as we all
Know we are in the world of punishment.

Gajanan Mishra
Justice Justice

Justice Justice
Where is it
In close door or
In open court
Justice justice
Nowhere you can
Trace it out
In any form anywhere
Justice Justice
Speak not about it
It is disgusting
It is boring
Only push back
Fire rushes
No smile but cries.

Gajanan Mishra
Juvenile Justice

My earth is not for children?
Is my earth a hell hole for the children?
Who is taking responsibility
To take care and for their protection?
Where is law and order?
Where is proper education?
My women my children are ill-treated
Exploited tortured and are
Forced to live in inhuman conditions, why?
My earth is not for them?

In my language
On my land, so as to
Make me understand
What you are doing
For me.

Keeping Truth At The Center

With all goodness
I want to be a poet,
And I want to sketch the life
In a new way with your consent.
I want to be a poet
And I want to create
The time, the place
And the circumstances.
But let me not swap anything
Without your consent.
I want to be a poet
And for this I am agree
To sign and make any
Agreement, terms and conditions.
I want to be a poet
Keeping the truth at the center,
Let us move and stay together.
I want to be a poet
And I want both war
And peace at the same time
At the same breath.
I want to be a poet
And I am marching towards that.

Gajanan Mishra
Keeping Vested Interest

Long life has
No meaning
Without doing
Good to others.
Doing good to others
Means sacrificing
Own life without
Fears or favors.
Fears and favors
Have no meaning
Keeping vested interest.
Persons of vested interest
Keep evil intention
That harms the self.

Where what

Where shall I go
What shall I do
What shall I get from where
Where is my share.

Who is where
Who is there to say
Right and wrong
And how he will say
Who knows yes or noes.

What has happened
What are you doing
Who recognized what
Lady finger is there
In brinjal tree
Who has seen the dance
Who has seen the pet dog
In the early morning.

Where is the path
To go out
I am in search of time
To say O so and so
What are you doing and
What shall you do me
See I am here as before.

Keping Aside Obstacles

Let us come together,
My dear to
Find solution to problems
And let us struggle
To overcome all
Relating to language and
So many matters.
It is not good to
Go on sleep
But it is time
To keep aside
All obstacles that are
There on the path of
Our development.

Key to success

No wrangling.

Gajanan Mishra
Key To Success Is Truth

If you want to get success
Hold the key in your hands.

Key to success is your faith,
Your labor, your conviction and
Your right way of thinking.

Keep dog with you, keep a crow
If you want to get success
Try to say everyday that you are
The only truth here with all mystery.

O my dear, believe that you can
Win the sky above and pull the river
Towards you through your dreams.

Gajanan Mishra
Key To Universe

Go with it to catch life's verse.

Followed by fish you are happy
Followed by cat you are homesick.

You are ultimate sky
To whom I say goodbye.

Khutlu Karmi

Khutlu Karmi
Has missed
The festival of
Nuakhai. And
Could not observed
With his family and friends.
Do you know why?
That I am going
To say in this poem.
Have patience.

The sons of khutlu Karmi
Were outside the state
And worked there
As bonded labourers
And they could not
Returned back.
Khutlu Karmi
Has grown paddy
But due to short-rainfall
It was all lost.

Khutlu Karmi was not
Able to purchase
New clothes for the festival
As he was penniless.
Khutlu Karmi was
Also helpless to utter
Anything to anybody,
No one came forward to
Help Khutlu Karmi as
There was no elction
In near future.

And that is what

Kill Him

Kill him,
Who is violent
Against other
Living beings.

Who is the cause

Nature.

Protect the innocents,
And ensure a peaceful

Kill Me

Kill me,

I want to live

Gajanan Mishra
Kill Not A Jackal

Kill not a jackal.
O my dear, being a lion
Kill not a jackal.
Remember, killing a lion
Earn no reputation.

Moth is not a hero
Though it burns itself
In the fire.
Donkey is not a hero
It carries loads though.

Gajanan Mishra
Kill Not Any Creature

Kill not any creature, my dear,
I know, you are not empowered to create one.
Wander not in worldly life, my dear,
See the truth, feel the love and go ahead.
I know you are not deaf, my dear,
You are fit to hear my words here.
Save yourself from pollution
That are there in this world.

Gajanan Mishra
Kill Not Anyone

Kill not anyone.
If you have killed,
You must yourself be
Killed by that one.
If you commit murder
You are hanged.
But keep yourself fit,
Dear men, and see
How you are advancing
In the path of truth.
Keep open all doors
And windows and get
The benefits of free airs
And the association of great men.

Gajanan Mishra
Kill Not Peacocks

Kill not peacocks
For crows.
Kill not lion
For foxes.

But you are allowed
To sacrifice your life
For family,
You are allowed
To sacrifice the family
For the village,
You are allowed to
Sacrifice the village
For the country,
But for the truth
And for true love
You are allowed
To sacrifice the earth.

Gajanan Mishra
Kill Not Your Own Mother

Kill not your own mother, my dear.
Your mother is your creator and
She is not a stranger.
Your mother lives in you and
You live for and because of your mother.
Mother fills your body and mind
With all lights and love.
As you see your mother is always happy
And the source of her happiness is
In giving everything to you and
Not in taking from you.
See your mother, she is real,
Here life is a life of complete dedication.
See your mother, she never takes fees for
Her smile and service and see
Her work is her relaxation.
Kill not your mother, my dear,
Your mother is not here to die,
Your mother is still alive, see.

Gajanan Mishra
Kill Not, Kill Not

Kill not, kill not,
They are not only children,
They are your mothers and fathers,
They are your own future.
They are there
To enlightened you, my dear brothers.
Try to know the truth,
You are going to destroy the world
For nothing, for nothing.
Know that, it is your madness.
You have no right and nothing,
Even you have no right on your life,
Life is not meant for you only,
Your life is for others, try to know nature.

Gajanan Mishra
Kill Not, You Have No Power

You have no power to kill, remember,
Kill not any creature, my dear.
Since you have no power to create
Any creature here, you cannot
Destroy any one here.
You may take pleasure out of
Their play and hence
Let them move, play freely.

Gajanan Mishra
Kill The Children

Kill the children

For fear that
One of them

Gajanan Mishra
Kill the man,
Who is dreadful,
Who is sinful.
Kill the man,
Who is against
The law of the land.
Kill the man,
Who is against,
The mother,
And the mother tongue.
Kill the man,
Who is against humanity.
Kill the man,
Who is against love
And the truth.
If he lives,
He will certainly
Turn the whole world
Into ashes in no time.
Kill him, kill him.

Gajanan Mishra
Kill This Kill That

Kill this kill that
I am here I am there

Loving means killing
Killing means loving always
Not true.

What is true what is not true
Nobody is here to declare openly
It is just hypothesis to handle
Before all.

You yourself to decide
What to do and when to do.

No direction is shown
And you wander here there
I am there I am here, remember.

Gajanan Mishra

And to destroy
Everything you
Are here.

Each one to stay
Cautious.
Or else forget
Their own
Identity.

Target is
To rise, to awake,
And to do
Necessary to say
In my language,
In my words,
I am living,
See me.

Gajanan Mishra
Killing Me

You are killing me
At every moment
Soon after you uttered
I love you.

And your utterances
Has got no value
As you are free to
Revoke it.

And I am
Not yours as such
As I want to
Retell your words
In the same way.

And I am
Astonished why and how
You became happy
With all stolen properties.

It is wrong to
Think I am useful
Till end I am
Not there.

Gajanan Mishra
Killing Own Husband

You do not know
What you are doing
And killing your
Own husband
Just to see
The co-wife widow
And you are going
Out of the frying pan
In to the fire
Really unfortunate.

Gajanan Mishra
Kind Friend

Be a kind friend to all
Be free from false ego
Be tolerant and satisfied
Keep self-control
Engaged yourself in devotional service
Fixing love with determination
My dear friend, come on.

Gajanan Mishra
Kind To Me

You are kind to me
That I know, my dear
I am also trying to
Please You
By doing Your works
For the welfare of
All creatures here
Either a greater or
Lesser extent.

Gajanan Mishra
Kindly Continue

Kindly continue
To purify me.
I am with the earth,
The water, the fire,
The air, the ether,
The mind, the intelligence
And with my false ego,
All are my material energies, though.

Gajanan Mishra
Kindness discovered
In each color and
At every mental state.
Absorb in life,
And undergo studies.
We are all devotees,
Devotees of time,
Who are narrating
The events from
Time to time here
In a meaningful way.

Gajanan Mishra
King In-Waiting

I am ready to fight
With the king-in-waiting.
I am ready to drive
In the midst of the clouds.
I am everything as you know
Including the cosmos-body.
Let me bid at this noon
And say I am the winner.
I am going to fight
But in a righteous war.
When a war is righteous
Who is there to decide.
I am confused, clear, though,
You are coming with the ruined.

Gajanan Mishra
King Is Alien

King is alien in foreign land
Poet and scholar are not.
Nothing is impossible for
Powerful and mighty.
For the traders
No place is out of reach.
For a polite talker
No one is stranger.

Gajanan Mishra
King Of Kings

I am the king of kings.
Ask me how and let me
Tell you I am contented.

I am the king of my own
Kingdom and see me I am free,
Free from all desires.

Gajanan Mishra
King Of Words

King of words- the poet,
Declared, we are all
In light.
The light we face
With endless victories.
Obligatory actions are
Here with us, and
We are performing it
With most sincerity
And love.

Gajanan Mishra
King Was Passing

A King was passing
Through a forest
Three thieves attacked
One thieve beat the king
And looted everything
Another thieve
Tied up hands and feet
Pushed him in to a deep pit
Third thieve took pity
Escaping the notice
Of the two thieves
Third third thieve came back
Untied the king
Led him out of the forest
Bid him escape
I am the king
And the thieves are
Tama Rajas and Sattva
I am the divine love.

Gajanan Mishra
King, Fire And Women

Be cautious the three;  
King, fire and women,  
Keep hovering around  
At a safe distance.  
Don't go too closer,  
Don't stay far,  
And achieve everything  
From them there.

Gajanan Mishra
Kintu Mu Jane (Odiaa)

koujae kana
Karibi jane na
Kintu mu jane
Mu ethi eka
Achhi mo sahita
Ebam tumaku

Mo sabdare.

Gajanan Mishra
Kipari Seita (Odia)

Abidyamanatere
Mu santusta
Kipari seita.

Gajanan Mishra
Kiss And Kiss

And what is it
Is it the symbol
Of love or action
By giving a kiss
I am not going to
Say you are mine
By taking a kiss
I would not be yours
Then please clarify
What does it mean
It is not self-interest
Okay okay and through
A mere I can't pull
Or push you to hell
All is well in kiss
If you detach yourself
From giving and taking kiss
If you not feel injury
By taking or giving kiss
All is well in kiss
Kiss and kiss
Go not with foolish
Possessiveness of kiss
Go not with mere tradition
It would pass in to oblivion.

Gajanan Mishra
Kiss In Love

Kiss in love,
And love in the kiss.
All life's glimpse.

We are alive,
For love,
We are undivided
In love.

The only truth is
Love here.
Besides love,
You can find
Nothing dear.

For love - all
War and all peace.

Gajanan Mishra
Kiss Me Not

O nature,
Kiss me not
I am in Kedarnath.

O nature
Kiss me not
I am with Jagannath.

O nature
Kiss me not
I am in Ram'nath

O nature
Kiss me not
I am Dwarikanath.

O nature
If you desire to come
Come with pure heart.

O nature
I am here to welcome
You are my first and last.

Gajanan Mishra
Kiss Me Please

Kiss me please
The rose said to me
Where there is kiss
There is beauty, see.
Kiss has its own wings
See it is flying
sitting sitting
Loving the morning.

Gajanan Mishra
Kiss?

Kiss?
What is that?
First know yourself
And then come to me
To explain the taste.
The picture you have shown
Is incomplete in its meaning.
Kiss and kissing are not
the same here or there
And that have so many watching.
You cannot say it love
You cannot say it life
You cannot say here is peace
All are irritating.

Gajanan Mishra
Kissing 45 Degree Celsius

Kissing 45 degree celsius
The sun told me, this is
Just the beginning, be careful.

Gajanan Mishra
Kissing Feet

Let me kiss your feet,
Kissing feet is the nature
Of higher love and going
With the natural light.

Let me shine and stay
Beyond all darkness like
The rising and shining sun,
With the subtlest love - icon.

Gajanan Mishra
Kneeling I Prayed

Kneeling I prayed
and you heard
Enough for me
I know I'm within
Whatever the situation
Whatever the reason.

Gajanan Mishra
Knife

See I can tear
This sea
With this knife
And from the sea
The sky peeps.

The sky raguled
The stars frightened
Meetings cancelled
Being frugal
Light came to rescue.

Ramification done
Roving I came again
In different form
And cautioned all
In time.

Gajanan Mishra
Knife - To Be Heard

Knife - life,
Tongue - fire,
Time -
To be touched,
To be heard.

Gajanan Mishra
Knock And

'Knock and
It shall be
Opened unto you'
Christ told us,
You retold me.
Yes, it is right
I added.
But our knock
Should be
In right place.
Our works
Should be
Loved by us.
And nothing more.

Gajanan Mishra
Knocking Me Down

You went upward
That I liked.

Gajanan Mishra
Knocking The Door

Knocking the door
I entered and
Touched each one.

From door to door
I moved and
Saw and heard
Each one.

Words I uttered,
Poems I wrote -
All, as easy and
As simple as the earth.

I ordered the air
To go far and
Bring a star.

Gajanan Mishra

Live not together but respect other
Love others without any self interest
O my dear, Stay like the oil in water
Keep a peaceful atmosphere, safe future.

Gajanan Mishra
Know Your Past

Know your past
Present and future
Tolerate heat
Cold and both
Know others
And their minds
Check the influence of
Fire sun water poison
In the meantime.

Gajanan Mishra
Know Your Place

Know your place of dwelling
O dweller, you are in a house
That has nine open gates
And you are there, a free prisoner.

Gajanan Mishra
Know Yourself

Know yourself
By purifying intelligence with determination
By controlling the mind, body and speech
Remaining free from attachment and hatred
Remaining from false ego false strength
False pride lust anger acceptance of material things
By living in a secluded place
Know yourself know yourself
And if once you come to know yourself
Then there will no problem and nothing
Called sorrows and I am sure
You are living in peace.

Gajanan Mishra
Know Yourself And It Is You

Know yourself and it is you
with all dark and with all light.
Use whatever you like for the purpose
you think fit, you are free.

Gajanan Mishra
Know Yourself First

Know yourself first
The world is within you
O my dear, you can know others
If you are able to know yourself.
Know yourself first
You belong to all
All belong to you
Know others only through you.
Conquer yourself first
Then only you can conquer
Others and the world
Know and conquer self.

Gajanan Mishra
Know Yourself First, O My Dear

Know yourself first, O my dear
You are the entire universe
All topics of the entire chapter
Living and non-living
Existing and non-existing
You are the representative and
The incarnation of God
Know yourself, men
You are omnipotent
You are only here to cultivate
Cultivate knowledge and to love
To love all the creatures
Only then all problems
Root out themselves with auto-gears.

Gajanan Mishra
Know Yourself, My Dear

Know yourself, my dear, and
Try not to know others.
Know yourself first,
And be effective from
The very start to the last.

Be a judge of yourself
But I cannot say
What would you do
With this judgement
That is the crux of the point.

Love needs no reading
Knowledge has no role
To play in love and where
There is love there is truth.

Gajanan Mishra
Know Yourself, O Poets

Poems are within you
As eggs are with the hen.
Know that poems have
No beginning no end.
Poems are there to
Make you free from delusions.
Poems are there
Purged of all sins.

Gajanan Mishra
Know, How To Measure

Know, how to measure
The love,
The time,
The ocean.

Go, From where you come
For truth,
For good,
For all new.

But stay here,
And live,
Up to your satisfaction.
Satisfy what you have,
And try to know
The details.

Gajanan Mishra
Knowing All

I know who you are
I know how to play with you
I know where to go.

O my dear, knowing all
I am here with you,
And you are asking me,
So many and many questions,
That are not relevant,
When we both are in crisis.

It is the crisis of time and
Time is going away from us, see.

I know, my dear what is what
I know, who is who and
Also I know where is what.
Knowing all, I pray, O my Lord,
See me here, and do whatever You like,
We are just fools within You.

Gajanan Mishra
Knowing And Accepting

Knowing is important,
Accepting is more important.
Life is only for knowing
And accepting, my dear.
Only by renouncing everything
You can know and accept all here.
It is your devotion to life.

Gajanan Mishra
Knowing And Doing

Knowing and doing
Both are important.
Important is to
Understand discrimination.
Discriminate one
To another, my dear,
And see and
Realize the truth.

Gajanan Mishra
Knowing And Not Knowing

All are here and presenting
Their respective thesis.
That has so many ways
So many images to
Go towards perfection
And to know the truth.

Gajanan Mishra
Knowing Fully

Knowing fully
Not possible.

I do not want
To know
I want to love
Only.

Gajanan Mishra
Knowing Fully Well

Knowing fully well
Where is pain
You desire it.
Shall I call you wise?

Change is a must.
Without change
How can you grow?
Knowing fully well
You are avoiding change.
Shall I call you wise?

But I am not telling you fool,
As you are in the picture
Till today and I am
Unable to know what is tomorrow.

Gajanan Mishra
Knowing In Full

Knowing in full
Is not possible
Being a part of
That full.

You are the full
I am your part.
I love you
Only I can love you.

Gajanan Mishra
Knowing Life

Knowing life,
Knowing mystery,
Knowing nature,
And all are useful,
For living
In a perfect way.

Knowledge is a must
For living, and
For living, we have to
Go together, dear.
Check the forest,
Check the black heart,
And from bottom to top,
Let us know all.

Gajanan Mishra
Knowing Men

Knowing man is really difficult.
A man is not what he appeared to be.
but we have to trust man
who is in truth,
But what is truth we have to know.

Gajanan Mishra
Knowing My Strength

Knowing my strength
I jump the sky
And started counting space.
I called you there
And I faced fire.

Gajanan Mishra
Knowing Reality

Knowing reality
Knowing the world
Is identical
And practical
I declare.

Realizing self
Realizing the world
Is identical
And practical
I declare.

Assuming life
Assuming affinity
Is identical
And practical
I declare.

Telling nothing
Telling everything
Is identical
And practical
I declare.

Existence and
Non-existence
Moving and
Unmoving
Feeling and
Non-feeling
Is identical
And practical
I declare.

Gajanan Mishra
Knowing Reality Is Important

Knowing reality  
Is very very important.  
Taking refuge in Truth  
Is a point to note.  
Knowing the essence  
Of life is very very important.  
To perceive love  
Through the study of self  
Is the Supreme work here.

Gajanan Mishra
Knowing Strength

I know Your strength, my dear
I know You can counteract
Any unfavorable situation.

I know, to the befitting person
You are giving everything
And who is fit it is You to see.

I am going on my own route, my dear
I know not what is what
I know it is only You who is with me.

You know I am not inimical with other
I know including me all are Your near and dear
And so see You in everybody my respect I offer.

Gajanan Mishra
Knowing The Art

Knowing the art
To pacify a cruel person
And to forgive even
The bitterest enemy
Proved one man of truth
Such person is fortunate
And is never caught
Even by tigers and snakes.

Gajanan Mishra
Knowing The Reality

Knowing the reality
Knowing the truth
Is the objective
Knowing about modes and
Actions are necessities
To make the soul enlightened
Is a must to assume affinity
With Almighty.

Gajanan Mishra
Knowing The Truth

I know
You are not a rascal,
I know
You are not a sinner,
I know
You are not one
Who is the lowest of mankind,
I know
You are not bereft of
All intelligence,
I know
You have not taken shelter
Of the demon,
I know
You are truth conscious,
I know
You are interested in truth,
Knowing the truth is
Your primary duty
I know.
And truth is
You are a man,
Humanity is your religion.

Gajanan Mishra
Knowing The Way

How to know
What is good,
As there is
No way to escape
The suspicion.

Gajanan Mishra
Knowing Those Things

Knowing those things
That are important
Is your primary duty, dear.
Know about form, taste,
Smell, sound, and touch,
And know who you are here.
Know nature, know the root,
Know the fruits, and also
Know who is there behind you.
Stay aware who is doing
What and when and how and where.
Admit the fact, you are nowhere.

Gajanan Mishra
Knowing Truth

Knowing truth
Falling in love
It is not necessary
To knows everything
Individually.

When You are present
Before me my dear
When You are within
Me I feel no necessity
To go outside.

For what so ever it may be
You are here I know
And You know me
That is enough for me and my life.

Gajanan Mishra
Knowing Truth In Reality

Knowing truth in reality
Is not a case of impossibility,
And for this, first -
We have to purify our hearts.
We should not indulge
Ourselves in hypocrisy - second.
And never be a man of
Fraudulent - most important.

Gajanan Mishra
Knowing You I Said

What for we are here
Knowing you I got
My answer there
Where the sky was
Playing with air
No fish no goat
No kiss no boat
I took refugee
In you and lost
My coat
Real knowledge
I quote.

Gajanan Mishra
Knowing Yourself

Knowing yourself
Is your duty.
Your duty is
To know the truth.
The truth is you are nothing,
The truth is you have no power,
The truth is you can do nothing.
But see and observe
Your own mystic power.
See and enjoy your own
Life here and there.
Something is there in you,
Try to know,
And that is the truth.

Gajanan Mishra
Knowingly Or Unknowingly

Knowingly or unknowingly
I am taking away your freedom.
Am I wrong?
The use of freedom is
Not known to you, I think.

And for you, I come here
With the light and
The air and the water.
I put question to you
But get no answer.

Nothing wonderful,
Here I know.
All are the result of
Cause and effect.

Gajanan Mishra
Knowledge

Whether you are
X or Y
does not matter
It matter how far
You applied knowledge
And for what purpose.

Gajanan Mishra
Knowledge - The Purifier

Knowledge - The purifier
Let us go with knowledge.

Devotion - The super one
Let us devote ourselves
To the works we have at hands.

Let us realized we are
What we are - Ultimate Truth.

Gajanan Mishra
Knowledge - Cultivation

I am only yours
And only you are mine
I am in your house
That has door nine.

Destroyed is my delusion
I have gained my knowledge
I am now beyond my body
I am not touched by any carnage.

Gajanan Mishra
Knowledge - Delusion

Knowledge is false impression
Knowledge is delusion of
Antithetic opposites.
Knowledge is diverting channel
Knowledge is attachment
Leads to degradation if not
Challenged in due course
With a firm resolve in every way.

Gajanan Mishra
Knowledge - Faith

What is knowledge
And I am not wise
Who can explain in detail
I have only faith
I have only love and
Nothing is there
To curtail
I am here to
Hear to see to understand
The self and I am here
To offer myself.

Gajanan Mishra
Knowledge Accurate And

Knowledge accurate and
Elaborate we need here
Plea we are not ready
To hear.

What is difficult to
Recognize is your hypocrisy
That is there with
Saints and sages also.

We are here to cross
The border lines of goodness
Line of assion ond ignoranace
And findout your position.

Gajanan Mishra
Knowledge And Faith

Knowledge and faith,
Faith and life,
Interconnected and
It is everything.

Words and thought,
Thought and life,
Interlinked with
At all time.

Believe it
Right or wrong.
True or false
Think not.
Real or illusory
No matter.

Gajanan Mishra
Knowledge And I Know Not

Knowledge and
Knowledge, I know not.
What is the value,
The value of knowledge.
Ask me not, dear.
I am not in a position
To utter anything here.
The words are not mine,
And I have not sign
Any treaty with the knowledge
That they all would stay.
I am here as you see, alone
And holding my own time
That is no more with me.

Gajanan Mishra
Knowledge And Ignorance

Both are illusion
Knowledge and ignorance
Both are beginning-less
Both award liberation
And bondage
Be Cautious, my dear
When you say you are
Living here.

Gajanan Mishra
Knowledge & Ignorance - Relative

Knowledge and ignorance
Both are relative and
It all depend on time
Person, circumstances etc.

At times wise men
Act like ignorants
And ignorants act as wise.

What is that or this
I cannot explain in detail
I can just utter some words
And that's enough.

A single word bears
So many meanings, I cannot
Cover all, excuse me.

Gajanan Mishra
Knowledge And Love

Knowledge and love
Two sides of the same coin
Without the one
Another lost value.

Without knowledge
Love is in delusion
Without love
Knowledge is nothing.

Gajanan Mishra
Knowledge And Straw

How dare you to declare
Yourself knowledgeable for you know
No knowledge is worth a straw.

Gajanan Mishra
Knowledge and truth
Are one and the same.
Knowledge is there
To establish the truth.
Knowledge engaged in
The service of truth
Is real knowledge.
Knowledge glorify
The truth.
I write poetry
In glorifying the truth.
Truth is there in me
And I am the truth.

Gajanan Mishra
Knowledge Differ

Knowledge differs
From person to person
From passion to passion
From attachment and aversion.

Knowledge differs
In men in birds in devils
In animals in moths in insects
In trees and plants
In sky and clouds.

Knowledge has so many names
So many shapes natures forms
And attributes
Since knowledge differs and has
No uniformity no unity
Knowledge is not truth.

Knowledge varies
But not love
Love is one and absolute
The same in and out
In sense temperament and life-breath
Same in sentient and insentient.

Cognizance be taken
Through knowledge in love
And through love in knowledge
Not in diversity but in union.

Gajanan Mishra
Knowledge Everywhere

Knowledge everywhere
Every time you are to
Acquire and progress
In the path of knowledge
No fall no downfall
Advancement never remains
Unfulfilled and never
Get satisfaction on this path.

Gajanan Mishra
Knowledge Is A Must

Knowledge is a must - you said.
What is that knowledge - I asked.
It is about truth - you said.
What is that truth - I asked.
You stopped there.
But I proceeded ahead.

Gajanan Mishra
Knowledge Is All Goodness

And knowledge is acquired by
Hearing seeing touching
Smelling and tasting
The life fragrance
And what is life fragrance
It is nothing but the truth
But the love and it is You
O my dear, I am here only for You.

Gajanan Mishra
Knowledge Is For The Benefit

Knowledge is for the benefit
Of everyone and use knowledge
For the welfare of all here.

Full knowledge is here for
All good fortune to all
True knowledge is true mission.

Mission is to attain truth
Through knowledge and if it failed
What use of that knowledge.

Gajanan Mishra
Knowledge Is Here

Knowledge is here
To help you,
And if your knowledge
Does not help you
It is worthless.

You are here to act
And to correct
The errors if any
And if you failed
To make correction
The defects that are
In your life activities
Your life is worthless.

Life is full of knowledge
just experience it,
Feel it
And use it in time
Before departure, my dear.

Gajanan Mishra
Knowledge Is Love

Knowledge is love,
Love is truth,
And the truth is here.

Here I am,
Here you are
And here is life.

Being a living creature
Acquire knowledge, my dear
And try to cross the border,
The border of life and death.

Acquire knowledge, my dear
And know the truth,
Observe and feel the love
Shower on you.

Gajanan Mishra
Knowledge Is Meant

Knowledge is simply meant
To teach the path of love
And also Truth.

Truth is all powerful
Everyone must bow down
With faith and devotion
And understand life.

Life is truth
Life itself is a
Manifestation of
Absolute Truth.

Truth is knowledge
Knowledge is love.

Gajanan Mishra
Knowledge Is Not Truth

Knowledge is not truth,
But the truth is the knowledge,
That makes life auspicious,
And truth is there in the heart.
We are to know the hearts,
Where there is love,
In a purified form
For all welfare.

Gajanan Mishra
Knowledge Is Nothing

Knowledge is nothing
It is your humanity
That counts
Where is energy
Energy is within you
Explore it and see
You are all powerful.

Action is nothing
And I am in action
I know no action
Is required for you
For true love also
And nothing is to be done
For you and you are
The only person who
Is there to do.

You just want love
And I know love is superior
To all and in love
There is no error
There is no limit of love
Peace is there only
Where there is love
And in love knowledge
Or action has nothing to do
 Anything at any time.

Gajanan Mishra
Knowledge Is Supreme

And it never ends
What is knowledge
Knowledge is our
Remembrance
Born of knowledge
Remains constant.

Gajanan Mishra
Knowledge Is Vital

What type of knowledge
That depends on you
What types of man you are.

Practice and theory
Both are required
For deliverance.

Declaration of war
On the illusory energy
Is necessary
To escape from here.

And for this knowledge
Is vital.

Gajanan Mishra
Knowledge- Live There In

Knowledge - live therein.
Knowledge is your body.

Property - go with it.
Property is your soul.

There is no one besides you here,
And you are only one for all.

You are the truth, you are the love,
Let me say living with yourself is enough.

Gajanan Mishra
Knowledge Not Full

Knowledge not full
And knowledge with objections
No proper accumulation
No impetus
Undergoing psychological
Process is a must
Then and there it is
Disclosed before all.

Gajanan Mishra
Knowledge Not Perfect

And we are in dark.

Crying needs of time
Is for true knowledge.

True knowledge is in
Life process and hence
Experience in life
Is a necessity.

Enjoy life
Love life
Get happy
In limited time.

Gajanan Mishra
Knowledge Of Rationality

Though reflected
In windows, mirrors
Oil, water, my dear
The sun is one
And the same.

You are my sun
I know, You are
One and the same
Though you are
In all and at all times.

It is our dullness
That we failed to
Recognized You and it is
Our unconsciousness and
For this we are suffering.

We have forgotten
Life is meant for self-realization
We should realize our
Eternal and pure identity
With the knowledge of rationality.

Gajanan Mishra
Knowledge Of Self

Knowledge of self -
The ultimate truth,
At home and at abroad.
But how to know -
Great thing to achieve.

Gajanan Mishra
Knowledge- Realization

Knowledge-
That should be
Realized
Through truth.

Truth-
That should be
Materialize
Through life.

Life-
That should be
Sacrificed
For all good
And for welfare
Of others.

Gajanan Mishra
Knowledge With Truth

Knowledge with Truth
True knowledge you are
To acquired my dear
And feel no heat no cold
Find no diminution
And no enemy.

Don't jump like frogs, my dear
Control your lusty desires
Acquire true knowledge and
Enjoy the real beauty here
Don't be arrogantly proud fools
Don't be enchanted and
Enlivened by any sweet words
Always stay with Truth and knowledge.

Gajanan Mishra
Knowledge?

Knowledge?
What is that?
We are giving
Nobel with
Wonderful chat!

No light yet,
No nectar yet,
No developed
Humanity as yet,
Still, we love
Each other,
Is it not
Wonderful fact?

See and wait.

Gajanan Mishra
Knowledge-Sacrifice

To read,
To write,
Poem is
Nothing
But
Knowledge-
Sacrifice.
It is
The process
Of self-realization.
The stay should be,
In poems, here,
Constant and
Deep meditation.

Gajanan Mishra
Known And Unknown

Known and unknown all are welcomed
All are unbreakable and insoluble
All are everlasting and all-pervading
All are movable or immovable
Eternally the same.

Killed by weapons or burnt by fire
Soaked by water or dried by air
Actions or reactions all are
Same and they are there as before
It is I who is changing from time to time.

I am giving direction to me
And I know me as per my whims
I know myself since ancient times
To open another chapter that is here.

Gajanan Mishra
Kohinoor belongs to us
And you know
Our sentiments - here,
Symbol of your victory,
True, though.
Have you not stolen it?
Still, we are not
Telling you a thief.
Your duty is to
Return the Kohinoor diamond
To us soon,
For the sake of
Friendship at least and
To make relationship easy.

Gajanan Mishra
Konark Is For All

Konark is for all
Konark stands with its
Varied materials
To feed all.

Here is arts
Here is science
Here is astronomy
Here is engineering
Scholars artists poets
Lovers and antiquity
For all.

Here is Konark, my dear
On your body, see
Still unexplored and
Unexplainable features
Are here .

No language
All language failed
Questions unanswered
Lively vibrations defy
All descriptions and
Transcend all imaginations.

You have everything in Konark
From peace and agriculture
To war and struggle
Men women and children
Endless variety of animals
Endless rhapsody of sculpture
Erotic and amorous figures.

In Konark you find life's beauty
Joys of love and victory
Worship and heroic preparations
Konark is the wonders of the world
Here you find every aspect of life.
Konch

Very difficult
To win through
The konch.
I find no way
To please or
To succeed
The konch.

It is only for the konch
My mother is in trouble
And my men are going out
As bonded labourers
And in plight
And I am unable to help
And utter words for them.

Gajanan Mishra
Koo Koo Koo

Everything is
in my poem.

Search and find
Whatever you want
At your suitable time.

What do you want?
How far you want
that is important.

Go and search
everything is for you.

This is my poem
Take and
Take its Koo Koo Koo.

* The inhabitants of Paschimanchal (Western odsha) are now demanding a separate state named Kosal from odisha. Pschimanchal was merged with present Odisha on 1,1,1948 and since then it is backward part being neglected by the eastern parts of Odisha. The demand is really genuine from administrative point of view for the larger interest of the people of Kosal. India got independence on 15th August 1947 on the basis of Indian Independence Act. It was proposed to divide India in to three- Pakistan, India and Princely states. Kosal was in the dcategory of princely state namely Patna(Balangir) State. It was independent and it has got its own High courts at Balangir.

Kosli Tongue

Yes, I love Kosli tongue,
I feel free here being
Sweet as it murmur in
The breeze of the soil.

I also love Odiaa tongue
As it grew to its
Own height with
Feather alive.

But every one has
His English tongue
That has winds and
Floods to fill up belly.

But let me tell my tale
In my love tongue my body-coil.

Kuanr Narayan

Kuanr Narayan, the poet,
Passed away.
But his words are there
With me today.

I know not what to utter,
How to utter and
Why to utter.

Kuanr Narayan is no more,
True to the words.
But I know he was here
Not to go anywhere.

The entire earth belong to a poet.
And the poet calculate
What to do and for whom.

Continues to inspire mathematicians around
The world decades after he passed away.
Ramanujan's work on mathematics has relevance
To the development of modern science and
Applied sciences including computers.
The theories of Ramanujan are always useful
And helpful in terms of intrinsic purity.
Let us go more and more by research on
The formulas of Ramanujan and on

Kusa Grass

Kusa Grass,
If any one,
I know, handles,
You wrongly
The blade in you
Cuts the hand.

Careless act and
Vow badly kept, I know,
Bear no sweet fruits.

My dear men, learn
From Kusa Grass and
Guard yourself
Within and without
And stay far from grief.

Labor And Labor

Labor and labor,
labor is your destiny.
There is love
There is truth
And there is money.
labor is your destiny.
To establish yourself
Labor is but a necessity.
Make each and every day
A labor day and go on
working with an aim
To attain the truth.
Your labor is unbroken bliss,
Your labor is self-bliss.
Merge in to your labor, my dear,
And see how you are winning
The fire and the water,
And see how finer you are here.

Gajanan Mishra
Laboratory

See
I am in the laboratory
And I am experimenting myself
With truth with reality
With purity.

See
There is virtuous actions
Sacrifices charity penances
Meditations all around.

See and believe
In righteousness
I am here and
Also you are.

Believe your existence
My dear as I believe you.

Gajanan Mishra
Labour Day

Labour of love,
Labour day.
Labour is there
For mother land,
For mother language,
For freedom,
For justice,
For truth.
Let us come
And labour for others.
We are all brothers
And sisters

Gajanan Mishra
Lack Nothing

You lack nothing
My dear men.
Do one thing only
Identify not yourself
With anything here.
Believe one thing
That you are doing nothing.
Everything is there
In its own existence.
See the real only
And accept it as real,
Here you can find always real.

Gajanan Mishra
Lack Of legislative
And judicial guidelines
For trial courts
To determine punishment
To be awarded to the guilty
Is the weakest part of
Criminal justice system.
And giving punishment
To the wrongdoer is at the
Heart of Criminal justice system
And punishment should be
Acknowledge the sanctity
Of human life.

Gajanan Mishra
Lack Of Aadhar Card

For lack of Aadhar card,
I am hungry,
For lack of Aadhar card,
I am shelterless.
For lack of Aadhar card,
No one is ready to give me
A drop of water.
I am dying dear only
For the lack of Aadhar card.
The principle of Aadhar card
Is against the law of nature.
By birth, I am entitled to live a life.
Who are you to interfere
In my free living?
The earth, the air,
The water, the light and
Also the sky - all are for me.
And I have a right to live
Without any artificial cards.

Gajanan Mishra
Lack Of Knowledge

We are in trouble
Only due to
Lack of knowledge.

We say
We are suffering
By war, famine, earthquakes
And it is all,
Only due to
Lack of knowledge.

The creation,
The annihilation,
We feel,
Only due to
Lack of knowledge.

We say
We plunder time,
We plunder wealth.
All we say
Only due to
Lack of knowledge.

'I am this body,
I am a man,
I am such and such,
I am perfect,
I am happy,'
All are ignorance,
And We said,
Only due to
Lack of knowledge.

Gajanan Mishra
Lack Of Love

Lack of love
Is the cause of
All troubles.
But where
Love is there
Nothing to care.
We love and
So here, we are.

Gajanan Mishra
Lack of self-restraint
Is really dangerous.

It is pity
I see lack of self-restraint
In human beings.

Where is the gracious words
That I wander here.

And with all that
A man has done all
Wonderful deeds.

Gajanan Mishra
Lack Of Understanding

Lack of understanding-
The root of all evils.
Understand, who you are
First, and try to
Understand others
Keeping yourself
At the center.
Who appeared and
Who disappeared-
Does not matter.
Think, no one else,
But you are
The symptoms of good
By nature.
No one would go
Forward, but you
Here and hereafter.

Gajanan Mishra
Who is lacking in strength?
Nobody.
Who has not given respect?
Everybody.

Question of counter action
It is silent.
No action is required
In commitment.

Gajanan Mishra
Lacks Nothing

Naked body
Lacks nothing
No desire
To acquire
Acting is but
Awaiting.

Naked body
Lacks nothing
Renewal of death
Just starting
Affinity and divinity
Just confusing.

Naked body
Lacks nothing
Lost of the world
Lapse of time
Faith in listening
Eligibility counting.

Gajanan Mishra
Ladder

Here is that ladder
You can go upstairs and
You can go groundfloor.

Go whereever you like
I am giving you all blessings
And ladder is not a new thing.

Gajanan Mishra
Ladies and gentlemen,
Read and listen my poems,
Good for your mind and body,
Good for all mankind.

Ladies and gentlemen,
Rise and go with love
Day and nights taking
Rice and soup.

Ladies and gentlemen,
Think life more than anything,
And enjoy life here at this time.
ladies and gentlemen,
It is for you the sun the moon and
All are there singing and dancing.

Lame Duck

Nothing left to say,  
Besides, I am now  
Lame duck.  
But I am not  
Expressing my  
Lamentation.  
I know where is  
My own lamp  
And how to use it.  
I have my own  
Landing strip also.  
I know how to  
Do what and when  
To strike the ball.

Gajanan Mishra
Lamenting And Rejoicing

Lamenting and rejoicing
Is Your property, my dear
It is a mistake and wrong to
Called it mine.

No question of losing and
Acquiring in this life
That I know from the very
Birth, my dear, I know
Nothing is in my wish.

And I never fear
Any condition of my life
Heaven or hell I care not
I consider all the same
I know everything is bliss.

Land Is For Native

Land is for native,
Said by poet Mehta Hasmukh Amathlal.
Land is for native
And the poet said again
'The use of language
Has to be objective.
People must understand
Their own language.
He further added-
Convey it for defense
And manage.'
Let our Odisha Govt understand
The views of world poets.
I salute you Mr Mehta
On behalf of native here.

Land Of Opportunities

This is my land,
The land of opportunities,
With flame of truth.
My land is unmatched.
It is the role
Model of growth and
Cohesiveness for you.
Come and see here
How ideal it is for all.
Come and experience
The meaning of struggle.
We, all, having solemnly
Resolved to constitute
This land sovereign socialist
Secular democratic republic,
And secure to all
'Justice social economic
And political;
Liberty of thought, expression,
Belief, faith and worship;
Equality of status and opportunity'
Keeping fraternity and dignity.
Come and see, with love, my land,
The land of opportunities.

Gajanan Mishra
Land Of Pilgrimage

This earth,
Yes, this earth is
The land of pilgrimage.
Everything is here, my dear,
But we should be noble, humble,
And do everything in a
Righteous way and we should be straight,
And we should do all works for the welfare of all.

Gajanan Mishra
Land With A Culture

Let us know our land,
The land with a culture,
The culture with bright future,
The future of humanity,
The humanity in sacrifice,
The sacrifice with compassion,
The compassion for a new formation,
The formation for composure.

Gajanan Mishra
Landing On Moon

Landing on the moon
Is easy.
Just come forward
And see.

Go on telling
Your own story,
And let me say what
Is there in self-discovery.

Be happy, my dear and see
Nothing to surprise.
Be confident and
Anticipate not any danger.

Landmark Progress

We have reached Mars on our first attempt,
We are the whole humanity, proud of it.
Really a landmark progress in humankind's
exploration of outer space.
It is really a leaps in to the unknown
and it is achieving the impossible.

Gajanan Mishra
Landslide - Anger

See my anger,
It can remove
The ground
From beneath
Your feet.
And you are
Destroyed
Completely.

Gajanan Mishra
Oh, I see
Language is
The problem here.

Okay, okay,
I want to do
Everything
In your language.
I order every one
To work in
Your language.

Not practicability
Though, problem over.
Give me vote
And take liquor.

Gajanan Mishra
Language - Everything

My language
is everything for me.
My language pervades
everywhere on my land.
You are on my land,
My language is
Your language.
Use my language
always everywhere,
It is the law
of this land.
Write in everything,
in every incidents,
in every circumstances
and in every action,
says my constitution.
Use my language
now, here.
Use of my language
need not be left
for future.
Who know
what will happen in future.
My language is superior
to all, remember.
My language is my love,
My language is my life,
I am attracted by
my language and
it is automatic.
My burning desire is
to use my language
all over the land
that is called mine.
My language is
my identity
and it is everything for me.
Without my language,
there is nothing.
Use my language and stay,
Use my language and
take whatever you like.
If you are not in a mood
to use my language,
left the place and
go away from me, far away.
Let me say
I have no relation
with you.
This is the bare truth.

Gajanan Mishra
Language - Love

Language - love,
That is mine,
That is also yours.
I am honest
To the point to love.
Let me create literature
With a radical change
In the atmosphere.
I am confident with my love,
My language is love,
And it is not foreign,
It is also adequate
To live in the world of
Ultimate truth.

Language Movement

What should I do
With my single voice?
I told everyone
Please come with me,
Raise your voice
For your own mother
For your own mothertongue
For your own mother land.
But I see no one is
Here with me with pure heart.
What should I do
From this area
As I far aways from them?
U told everyone
But they are with their mask
And are in poverty,
Poverty of humanity.
See, i am helpless
As they are not interested
For their own self.
Alas, no one is here
to listen..

Let not the language disappear, my dear,
See me, with my own language, I am here.
No one is my god-father here and
No one has got power to take away
My language from me without my permission
In this democratic set up.
Permit me to speak what I think,
You are also duty-bound to give me letters
And replies in my language that I can understand.
Remember, you are taking my hard-earned money
To fill up your belly and to maintain your family,
I am sovereign in this democracy particularly.
Let not the language disappear, my dear,

Language And Executive Chief

Language and
Executive chief;
Both are inter-related.

But I wonder, Mr Nabin
How you are performing
Your duty in a state
Without uttering or

Is it necessary?
I don't know, please,

But the Constitution
Has not listed in its

You speak, Mr Nabin.

Language and hunger
Both are one and the same, my dear.

In day to day administration for my knowledge.
Give me some food to satiate my hunger.

And I tell with his tune; Mother Mother-tongue
And mother-land are more better than heaven.
I am with Rabi singh, the fire-brand poet of my state
And I tell with his tune; I am hungry now, my dear,
Open your vanity bag and give at least a rupee
And enable me to eat something, I have no time for romance.

Gajanan Mishra
Language Dies

Language dies,
And I am going down
With the language.

I die,
And you are
Going down with me.

You die,
And nothing is there
To exist.

Take a deep breath,
And catch the early bird
If you so like.

And everything is here
On this earth.

Gajanan Mishra
Language Discrimination

Use my language
In the lower courts
And local offices
And violate not
The laws and constitution
Of the land.

Language discrimination
Must not be tolerated.
Language is the identity
Of a human and society.

Discriminate not the language, it
Threatens the very democracy
And independence and
The sovereignty of the state.

Gajanan Mishra
Language Important

Language important,
Use it as per law.
For development
we need language.

Gajanan Mishra
Language Imposition

1.

Language imposition
Is against freedom of
Speech and expression,
Against the Constitution,
Against the natural law,
Against the democratic norms,
Against the laws of the land.
Language issue is
Not an ordinary one.
Language issue is related
To the root, to the truth,
To one's own mother,
And motherland, and
It is also related to
One's own identity.
No language no life,
No language - freedom meaningless,
No language - Creature lifeless.

2.

The language of the mother
Is principal one.
The language plays
Important role with
All round development.
Through language
One can fulfill
His dreams and ambitions.
With foreign language
No one can tolerate
Cultural imperialism.
Language is the symbol of
Trust and independence.
With separate language and
Separate stateOne can improve a lot.
Men, be proud of
Your own language,
Here, there and everywhere.
Fight, go on fighting
For your own language.

Gajanan Mishra
Language Issue

Language issue
To be opened.
Participants are to
Be welcomed.

Let the price
Be fixed.
Let the life
Be expanded.

Literary mileage
Be kept alive.
Merit of life
Be evaluated,
Through the language
That are your own.

Gajanan Mishra
Language Lost

My language lost
My identity lost.

Excuse me
I could not save my language.
I am forced to use foreign tongue
I am forced to shun all that are mine.
Excuse me
I could not save my language
I could not save my life
And I am not fine.

I want to talk in my mother tongue
I want to live in my home
I want to tell my Father to come and rescue.

My language lost
My identity lost.

Gajanan Mishra
Language my mother says
I should not forget
So I won't forget my identity.
But I have to adopt
The foreign one to fill up
My belly everywhere in used
Contrary to law though.
So I beg excuse mother
I need no identity for the earth
And the body I think one
And all for progress as you know.
They used to say my words
Are uncivilized and unpracticable
But that of theirs are fine, how unlucky!

Gajanan Mishra
Language Of A Man

What would be
The language of a man
That I can't say
Definitely here.
But I must say
Humanity is the main
Focus here and
All would admit
In the principle of
Equality and
Live and let live.
Love and peace are
Two gates here,
And the truth is the pillar.

Gajanan Mishra
Language Of Chain

Language of chain - life,
Chain of languages - earth.
And we are in both.

Language of separatists-

Terrorism-
Intolerable.

Gajanan Mishra
Language Of The Heart

Language of the heart  
Is love and I am  
Using it with you.  
Way of opening the heart  
Is calamity and I see  
Light in that truth.  
Beauty of the space  
Is in its fragrance and  
I am getting in conscience.  
I am as ignorant as a criminal  
And you are there as partner  
Moving in procession in  
Free air with joy and I feel  
It glory in your kingdom.

Gajanan Mishra
Language Problem

No more language problem
And what is a language
You expressed I understood.
No more language problem
The problem is with me
With you not in a parallel.

Gajanan Mishra
Language- Recognition

You have recognized
My language, that's enough.
Henceforth, everyone
Would be free from delusion.
Henceforth, I have an
Inclination to you,
Henceforth, I would consider
You as my own.

Gajanan Mishra
Language You Write

Language you write,
Is not natural,
Not lawful,
Not constitutional
Not democratic.
Language you used,
Ia not understood.
Tell and write
In the language
Of the land.
Come to the people
And say in their language
What you feel
And what you want to do.

Gajanan Mishra
Your language
Will be there,
Worry not.
But to keep
The language
Struggling is but
A necessity.
The struggling is
With the self, dear,
Parikshita.

Gajanan Mishra
Language, Voice

Language, voice -
You are not allowed
To offer choice.
Read nature
In its original form
And know the conspiracy
Of other products.
Better to stay speechless,
Better to go near and near,
Better to say come on dear
Who we are we will discover.
Better to forget all,
Better to give a call
With no language no sound.

Languages

Our roots -
There in languages.

Life, love -
Everything in
Languages.

Mirror -
Languages.

Freedom, fate
And what not.

Use all
And arrest yourself.

Towards the truth,
Languages can make us
Proceed forward.

Lantern

Servant drops the lantern
While lightening it in the dark
Th lantern breaks and we got angry.

Our friend while seeing the lantern
Broke the lantern and we don't get angry
Rather asked our friend not to mind
As it matters little.

Gajanan Mishra
Lantern - The Poet

Lantern,
See poet and
The poet is a lantern.
Lantern is on and
The darkness of the room
Is no more, see.

Poet is there
To fight with words.
The words of the poet
Are more powerful
Than any swords.

Even when there is
No sun at night
Read the words of the poet
And get the correct path
That is always there.

With the words of the poet
Win the hearts of your enemy
And rule over him day and nights
Poet is here on this earth
As the incarnation of Almighty.

Poet is the jewels
Of this earth
And the words of the poet
Are your armour.

Gajanan Mishra
Larger Good

For larger good
You are there
That we know.
May be for some
It is surprised.
You are there,
We know, to
Open ways for
Peace and love.
For larger good
You have taken
The risk, we know,
Your positive spirit
And good will.

Las Vegas

Las Vegas,
Within the arms of
Lone wolf, and
In the act of
Pure evil.

A psychopath,
An enemy of humanity,
The devil, demon,
Took away the life
Of the human.

Let us condemn,
Let us stay cautious
For future generation,
Gun guy, be careful
Of this earth.

Gajanan Mishra
Last Evening

Last evening
I was not there
And I know not
What has happened.

This evening
I am to leave
This place and it is
Needless to say
What is happening.

I am also
Not here to say
The difference
Between last evening
And this evening.

Gajanan Mishra
Last Man

Last man to approve lies
That is I.
That poor bird is there
On the top of the mango tree,
My word it likes.
I am not careless as you see,
And I am not in sorrow not in grief.
I am the first man of Truth,
Wherein lies my identity.

Gajanan Mishra
Last Moment

Every moment is the last moment
And our highest perfection is
To attained Him by remembering
His transcendental nature.
Nothing is bad if properly used
For His service we should know
In our day to day life every moment
We should give thanks to Him.
For He is the only authorized
Master and creator and administrator
Over and above all here without
Any partiality and like that.

Gajanan Mishra
Lasting Peace

Here in life
You can get
Lasting peace
Peace is here
Though you are
In question.

Gajanan Mishra
Laughing and crying together
Nothing clear what for.
Listen my words
Go, I declared,
You are liberated.

Gajanan Mishra
Laughing Buddha

Go and smile,
Go on smiling.
Desire not
To gather disciples,
But distribute gifts,
Gifts of candy, fruits,
Doughnut to children
And adults as well.
Tell all life is
Meant for play
And make merry.
Smiling gives strength
To life and
The actual meaning.

Gajanan Mishra
Laughing Is A Crime

Laughing is a crime
Do not laugh
You may face jail
Your laugh can annoy
Disturb, interfere with
Obstruct or be offensive
To others
Do not laugh
Laughing loud is a crime.

Gajanan Mishra
Lavatory

Who is not going to Lavatory
Tell me first
Who is free from dust and dirt
Tell me first.

Just tell me from history
Who you are and where from
You have brought all these
That made me smart.

I am with all these always
O my sweet heart, I am with you
In this mart not to buy
Not to sell but just to see the start.

Gajanan Mishra
Law

Law is with the
Law framer
Silent all
Law executor
Laxity everywhere
A league is there
With all
Who are playing
Holding law
In their hand.

Gajanan Mishra
Law - Eternal

Law,
Law day is today.
Are we ready
To obey the law,
The law framed
by us?
The law is framed
For common good.
Are we committed
For the welfare of all?
No vested interest
Should bind us.
The law is our spirit,
We should not go beyond it.

Law of the land,
Law of the mother,
Law of the nature,
All are here.
Alas, we care not!
And we are going
against us.
We know here is danger
And yet we are
Taking risk,
That is fatal.
We are forgetting
We are mortal,
Law is eternal.

Gajanan Mishra
Law And False Law

True law is
Framed by the assembly
And parliament
By the representative of
The people there.
People are the sovereign.
No one can manufacture law
At home or outside
Legislative assembly.
The law must be followed,
And the violators
Must be punished.
This is democratic norms,
This is our state.

Gajanan Mishra
Law And Is It All

Law
And is it all?

You should
try to live
beyond laws.

Laws are
framed by us.
We are
made by some one else
Who is above any law.

Law cannot bind me,
Law cannot judge me,
I can change the law
as per my convenience.

Gajanan Mishra
Law Is Damned

Law is damned.

One for you
Another for me
And we are called
One citizen.

Certain provisions
Are not applied to you.
And I failed to understand
Your Sadar-i-Rayasat.

Law discriminate
Law is damned.

I failed to understand
The special provision in law
As I know all men are equal.

Gajanan Mishra
Law Is For Me

Law is for me,
I am not for law.
Everything is for me,
I am not for everything.
You are there on power
Only for me but
I am not for you.
I am at the centre.
Nothing to wonder,
Without me, you
Cannot find anything here.
But I have the law
And follow it,
I am happy, see.

Gajanan Mishra
Law Is There

If one takes
The wealth of another,
It is unlawful and
Law is there to punish him.
If one raps or attack another
It is against the freedom and
Law is there to punish him.

If one is taking identity,
And not using your language
On your land and house,
As per law of the land,
No punishment. How and why? ?

Gajanan Mishra
Law Of Miracles

Law of miracles is that
I am not here to change the society
It is the society that change itself
Just it needs drive and initiative.

Gajanan Mishra
Lawful And Helpful

Lawful and helpful are
Two different things
All lawful are not helpful
All helpful are not
Necessarily lawful.

Who says my body is lawful
My stomach is helpful
My food can not say
My stomach can not say
Food and stomach all are
Destroy-able.

I only know this body
Belong to almighty
I know He is residing here
Always and this is
His body-temple.

Gajanan Mishra
Lawmaker

Who is the lawmaker here
Do you know my dear
Let me hear the nature
First understand the lawmaker
Then discover the law of nature
And I am sure you are not able to
Recognize any one as law maker
You are not able to reach the Truth
You are here though within the Truth.

Gajanan Mishra
Laws And Sovereign Authority

Frame laws,
Obey laws,
Guard laws.
Violation of laws
Invite punishment,
Known to all.

If no one obeys
The laws,
And no one gets
Punishment,
No value of
Framing laws.

What do you mean by
Rule of law,
If you are a lawyer,
If you are a judge,
Explain, please,
To all.

Law is law,
All laws as framed
By Legislative assembly
Are equal and binding
To all without any
Discrimination.

People are at the center
Of all laws.
Let the people understand
What is there in the laws
For them.
Let them read.
Let the laws framed
In their languages.
Let the lawyers and
Judge work lawfully
For the people.
Let the executive officers
Declare them as
Workers of the people.
The sovereign powers
Lies with the people,
It is true.
If anyone unable to know
The language of sovereign authority
Let him go.

Gajanan Mishra
Laws Are Not For Common Men

Laws are not for common men,
Courts are not for common men,
The politicians, officers are
Not for common men,
But common men are there
To elect the legislatures
To frame laws for them,
Common men are also there
To pay taxes for the salaries
Of legislatures and officers.

Gajanan Mishra
Laws Are Not Obeyed

Laws are not obeyed,
And life is full of danger.

Life is not free from danger,
In this world anywhere.

No space no identity,
No identity no space.

Bad elements everywhere
And we are all
In anxiety.

We care not nature,
We care not the truth.
And we face troubles.

Time - the mystical witch.
And with us always.

Gajanan Mishra
Laws Violated

Laws violated
By the law makers,
By the law interpreters,
By the lawyers,
By the adjudicators.

What to do?
You have to decide,
Dear, people.
You have to raise your voice
And tell all,
This land belongs to you.
Everything is for you,
And you are at the center
Of all love and all truth.

Gajanan Mishra
Layers Of The Earth

Layers of the earth
Made me think
So many things
How can I explain
Before you.

Mesosphere, the stratosphere
And the troposphere
All are here
Only for me.
And I am indebted
To them for all
Are there for my
Safety and security.

In right direction
Make them move.

And you are here

I declare you
as my tiger.

Tiger, O my tiger,
You are there
to march forward
for my welfare,
with my language
with my culture.

I am here with patience,
You are there with cruelty,
And you have power,
And I have no word.

O my leader, wait and watch
I am here only for love,
And you are helpless,
See I have much more power.

Gajanan Mishra
Leaders and political parties,
Please work for the people
Selflessly without any interest,
And write and communicate everything
In the language of the people.
Leaders and political parties,
Please remember, you are all
For the people and you have
No existence without the vote of the people
And think never the people are fools.
Leaders and political parties,
Think yourself nothing and temporary,
But the people are permanent and eternal,
And people are sovereign here.

Gajanan Mishra
Leaders Of Ideal Characters

Leaders of ideal character
In the society are needed.

They are needed as people
In general are there to follow.

Great authorities should be followed
As they set practical examples.

Great and ideal men are
The reservoirs of all goodness.

Great men by submission exhibit
Their transcendental pastimes .

Errors and faults are but common
Take not seriously if it is regretted.

Leaders of ideal character are needed
In society for better days ahead.

Gajanan Mishra
Leading Practical Life

Stay alone
In loneliness
And lead a

Flower, I want to see you there,  
Fruit, Come to the ground,  
Let me welcome you for others.

I want to fly  
But I have no feather.  
The sky want to love,  
But the sky has no heart.  
And still the sky shed tears.

I have an ambitious mind,  
And I want to rise far above the air,  
And to cross the check-post star.

The partners of our company  
Left their shares.

Gajanan Mishra
Leah Ross Of Hana, Us

You are open minded,
I salute you.
Openly discover the truth
And say in your words
How you feel and
How far your understanding
Is clear here.
Here, you know Leah Ross,
We are all in ignorance
And we are no longer
Concerned with
The various conditions
Of this world.
But we are to see
No distinction of
good or bad,
Heaven or hell.
Life itself is
The cause and
Also the effects.
We must stay
Far from happiness
And also from distress.
Nothing right, nothing wrong
In living, in life.
Dear friend, come on,
To show our own potency
Here at this time.

Learn To Die

Accept death
And learn to die.
What is yours?
Try to dispossessed
Yourself from
Here from there.

Welcome suggestions
It is only for
Sense organs.
Noblest form of
treating others
Is to see and smile.

Gajanan Mishra
Learn To Give

Learn to give
Giving is
Making yourself
All powerful God.

Taking is
Binding yourself
With obligation and
Keeping demoniac nature.

Take not
Keep not
And make not
Yourself a beggar.

Gajanan Mishra
Learned Circles

They, the learned circles
All approved my life
My purpose and my highest level.

I am to go now as per Your
Advice, my bona fide Spiritual Master
With a clear understanding.

My going is not a matter of fashion
As You know going is sane activity
For the betterment of all here.

Gajanan Mishra
Learned People

Learned people
Rich people
Pious woman
Woman with husband
I like most
All are uncomparable.

Gajanan Mishra
Learner

Label not a man unnecessarily
And caused the society collapse.

Do whatever you like freely
And come, go, melt, see.

Language no bar
One can express
in any manner.

Nothing is waste
Nothing is valuable
Use is important
And you are a learner.

Gajanan Mishra
Learning For

Learning for nothing
If not for a better life
And what is a better life
I am asked by my wife.

I did not answer and
Who am I to answer
When there is nobody to listen
Learning is left far behind.

Gajanan Mishra
Learning Language

Learning language is a must
Through the language you can be polite
Through the language education process change
With language you are no longer dormant.

Gajanan Mishra
Learning Procedures

Learning procedures are
Bare necessities here
Though the time is vast
And wander here there
What is time and has it
The instruments to
Check or bind us anywhere
See and find no answer
It is You who is the question
And who is the answer Himself
Let me speculate only
Without any meaning if you say
I would not object.

Gajanan Mishra
Learning Through Language

Learning through language,
Language is culture, tradition
Of living societies.
Let us learn what is there
In a language.
Mother's language should be
Given primary importance
In the process of learning.

Gajanan Mishra
Learning To Learn

Learning to learn,
Earning to learn,
Learn while you earn,
It is all valuable,
See here all wonderful.
Life here is bright,
Use all thought language
With all processes tight.
It is all for happiness
All for eternity.
Life is not to suffer
In poverty.
It is all but privileged,
Perfecting the art of life.

Gajanan Mishra
Learning To Live

With air
I am learning to live
With water
I am learning to live
With sky
I am learning to live
With light
I am learning to live
With earth
I am learning to live
And I am living a life
That is not mine.

Gajanan Mishra
Lease

You are my lease holder
This body is the lease.
Nothing is mine now
Including my sleep.
Nothing is here now
Besides the spider web.
And I am here with nothing
A prey of mock by empty water tap.

Gajanan Mishra
Leave

I cannot take leave,
I cannot leave anyone,
But everyone is leaving me.

Gajanan Mishra
Leave Everything For Good

Remember, you are not doing
Anything by yourself.

You are fully controlled
If you think yourself independent
Remember, you are in illusion.

Nothing can satisfy you, I know
It is not external energy but it is
Internal energy that save you.

Gajanan Mishra
Leave Home For Good

Leave home for good,
And acquire knowledge
For the benefit of others.
Let me recognize you
As a liberated soul,
Let others understand
Your light of
Transcendental literature.

Gajanan Mishra
Leave It

And leaving is life,
Leave it.

And live
Love live
Long life.

Beautiful is love
Love in life
Makes life more beautiful.

To love, courage
Is necessary,
And if you have courage
You are fit to love.

Love life
Faithful wife.

Gajanan Mishra
Leave Me Alone

Leave me alone,
If you love me
And want me great
And strong.
I have my own
Force within me,
Leave me alone
For the sake of truth.

Gajanan Mishra
Leave Me On The Way

Leave me on the way,
I am ready to go wherever I want.
I know the road are so many
And I am invited by everyone.

My thought is specific, of course,
My identity is one, though,
My eagerness is unthinkable,
But I kept under control.

I stress no importance
To individuality, true.
I am giving appropriate answers
To all questions I know.

I know who are you through
The power of my love and the truth.

Gajanan Mishra
Leave No Stone Unturned

Connect yourself,
Connect yourself with time.
Take the responsibility
And share ideas.

Leave no stone unturned
And enjoy the fruits of life.
Find no problem anywhere
And go on the path of progress.

Gajanan Mishra
Leave Not

Follow all,
But leave not
Your own path.

Accept the things
As they are.

Arrange the letters
In order and say
What for they are.

Number has not
So much importance,
Go not with numbers.

Being a living one,
Share all, that are
With you, truth and untruth.

Gajanan Mishra
Leave Not Me

Leave not me,
Leave not this place.
I am here and
You are in me,
I am in you.

You stay,
Stay here,
Taste sweet,
Feel pleasure,
My dearest dear.

This place is ours,
Hours together we are here
With fruits and flowers,
With moon with fire.

Gajanan Mishra
Leave Not Truth

Leave it
If anything
Is on your way
And giving trouble
To you.

Leave it
The anger
The lust
The greed
The hurdles
Of your life.

But leave not
Anything that you
Feel truth and truth.

Gajanan Mishra
Leave Outer Contacts

Leave all outer contacts and
Get peace.
Be trained and live in discipline
Get bliss.
Be ready to possess good qualities
Get success.
Good health is the greatest wealth
Do not get obsess.

Gajanan Mishra
Leave The Bird

On its own route.

Get set going
See things
As it is.

Two fetters -
Doing work and
Worrying about work.

No bird
But fiction is here
And I have not
Accepted it.

Gajanan Mishra
Leave The Nonsense

Leave the nonsense
And be a tree, be a hill,
Be a river, be a cloud
And achieve the sky
And the ocean.

Be a member of
Our union, love all,
Stay in truth,
Declare in open field
I love you.

Problem will not
Come to you at any time
Here or there, only there
You find a smooth passage.

Gajanan Mishra
Leave The Place

Leave me alone,
I know, you are
An underhand.

Gajanan Mishra
Leave Title

Leaving title
Go to the people.
Task is how to
Bring changes
Make impact
That will not
Put in to trouble.

Gajanan Mishra
Leave your body
and come soon,
I am here
to welcome you.

Here I am
waiting for you,
I know,
You are the only truth
and I am going after you.

And you are here
to dissolve in water
and to fly away
with air.

You are there with the star.

Gajanan Mishra
Leave, Leave Me

Leave, leave me,  
if you can.  
But I am not here  
to leave you.

I am here to disappear  
within you, my dear,  
and you are here  
as before without fear.

Do, do nothing,  
You are telling me,  
Coming to my balcony.  
And I am doing,  
So many things,  
For you only.

Gajanan Mishra
Leaves Flowers

Leaves flowers
Fruits waters
Does not matter.
I am with you
For ever.

I am with you
Here
To fulfill your
Desire.

If love and gratitude
Are with you always
I am here
For you.

Gajanan Mishra
Leaving A Place

Leaving a place
Is the first step
To reach another place.

Perform and
Get freedom.

Are interested to hear me
And if yes, be ready
To go ahead.

See me
I am here with all knowledge.

No division and nothing
It is just identification
Of the self within.
See me, I am self-explanatory.

Gajanan Mishra
Leaving All Guise

I am dancing,
Dancing in the rain, see.

I am singing,
Singing in the sun, hear.

I am visiting,
Visiting the flowers, watch.

I am leaving,
Leaving all guise, remember.

Gajanan Mishra
Leaving Is Life

And leaving is life,
Leave it.

And live
Love live
Long life.

Beautiful is love
Love in life
Makes life more beautiful.

To love, courage
Is necessary,
And if you have courage
You are fit to love.

Love life
Faithful wife.

Gajanan Mishra
Leaving My Words

Presently I am
Leaving my words
That are not mine.
Presently I am
Leaving my works
That are not mine.
I am fully committed
To my works and works.

Gajanan Mishra
Leaving The Place

Leaving the place
Means leaving everything
And if you return again
It is a new thing
No repetition of time
It should be kept in mind
It is just nothing
But forgiving and forgetting
In the wheel of living.

Gajanan Mishra
Leaving The Sky

I hope to stay,
And the sky leaves me.
Leaving the sky
Is not so important
When I am present.
I marched forward
Leaving the sky,
And I observed my
Own life in my own light.
Nothing to worry,
I said myself and
I recite my own poetry,
In my own home,
That I declared heaven.

Gajanan Mishra
Leaving You

Leaving You
Why should I
Search for another,
Tell me, my dear,
When I know,
You are the person
Who is maintaining all
Both inside and outside.

Why should I
Go anywhere
When I know
You are the only person
Who is pervading with all
Everywhere for all times.

Gajanan Mishra
Lechery Is There

Lechery is there
in me, my wife
Complained and I
smiled at her.

My wife smite me
But with a smoothing
touch I made her easy-
saying life is not
like that what she thinks.

Gajanan Mishra
Left And Right - Fight

Left and right,
Go on the fight,
And live fearlessly.

Beat the time
With your words
Lightning.

O human beings,
Awake and see
What is going?

O human beings
Take training
If you so like
Before going on
A fight with enemy.

Gajanan Mishra
Left And Right Let Us Fight

Left and right let us fight,
Let us not say anything outright.
It is all our creative solidarity.
We have not remembered our identity,
That is pathetic and goes against humanity.

Gajanan Mishra
Left Free

You are left free
Do what ever you like.

No bar is there
Between You and me.

I am searching you
You are in me.

I am not free
I am not free.

Gajanan Mishra
Left Me

I have not obey you
I have not obey your rules
I want to go beyond you
I want to go beyond your rules.

The cosmos has its own rules
I am a part of cosmos
I am comos
I have my own rules.

Left me where I am
I will find my own clue
I am deep sky blue.

Gajanan Mishra
Left or right
Come and fight
Fighting is life.
And life is there
In the sky
Like a kite.
Come on and see
It is eight
Cap is full tight.
Figures, symbols all
Are there in general
And they honoured knight.
Still before me
It is night.

Gajanan Mishra
Left with nothing,
And it is life.
Left with everything,
And it is poetry.
Both life and poetry
Are with me.
And see me
I am here the king.

Gajanan Mishra
Left-Hand Drive

Left-hand drive,
remember using it
as a snide remark
is not good.

Left or right
no matter,
Husband or wife
no matter.

What is hell to one
is really heaven to another,
My dear, think the matter,
going beyond screen saver.

What happened to you
is happening to all,
Be a man of something
new founder here.

No word is final
It is you and in you
I see the truth
Go with it to fulfill dreams.

Gajanan Mishra
Leg

I know your legs are
On the legs of Baali the demon king
I know your legs are
On the head of Bharata your brother
I know your legs are on the
Head of Uddhaba your follower.

You have no leg I heard.
I Know you are present everywhere
Everytime and in everybody.

I do not know what a leg is.
I know the insect has six legs
I know the animal has four legs
I know the bird has two legs.

Your leg is my project paper
I do not know howmany legs you have
I do not know I a leg is.

Gajanan Mishra
Legal Entities

The mountains, the rivers,
The trees, the airs, the oceans,
You have agreed, legal entities, thank God.

If anyone pollutes, harms, cuts, kills,
Liable for punishment equal to
Harming a human being. good.

Ganga Yamuna are first on this line
And they are like living persons
In this pious country called Bharat.

Whanganui, the river of New Zealand
Is the first in the world-
Granted legal human status, great.

The water is sacred for all
And sustains all.

And our duty is to
Protect, conserve and preserve
Natural products and nature.

Gajanan Mishra
Legal Tangle

Justice,
Where is it?

Really, sorry
State of affairs,
To think.

Where is equity,
Where is fairness,
Difficult to find.

The language of
Local people be used in
Justice delivery system
And transparency be
Made compulsory
In open court.

Gajanan Mishra
Legendary Men

Legendary men
Are all in time.
They are firm
And always
In good company.

Here all are fine.
Let me love
The roaring sea,
And the sea is
Ready to give me
What is there within.
I am talking
I am smiling
Under this sky
And the sky is there
To welcome me.
Judge me, judge me,
O air, I water,
I am just near,
Touch me, kiss me,
Love me, O light,
I am sweeping the time
On this earth.
And earth is my life,
And my life is there
That lacks nothing.

Gajanan Mishra
Legs Are There

Legs are there
But no one is
There to go anywhere.

Gajanan Mishra
Leisure

What is that
Leisure?
Is it pleasure?
Leisure itself
Is life.
And life is
Running through
Different stages.
What is there
In one stage,
Not there
In another.
Life is but
A leisure.

In this world of fire, watch me I am in fear.

Gajanan Mishra

Leopard, how are you there?
You are black-spotted
yellowish fawn. I know,
You are wild one.

You are there my Lord
A log.

I am a leper
You are like a leper
And act a leper

And you know how to clean leprosy
With your holy neemhand touch.

But what is that pleasure,
That I know not yet with the witness- the snake.

No doubt each one is affectionate,
But let me say they are all self-oriented,
And they know not the outer world around them.

Let me satisfy all with pleasing words,
But the words are treacherous, I know.

Gajanan Mishra
Let him go, let him go.
Give him a chance
To return back
With new hope.

Let him go, let him go.
Destroying the dark
Let him go
Towards the light.

Let him go, let him go.
Give him a chance
To return back
With the stream of
Love and truth.

Let him go, let him go..

Gajanan Mishra
Let Him Sleep

In the ocean of peace
Let Him sleep.

Why should we disturb him
For the mistake we have done
We know He has no homework
And no examination.

Let Him sleep
And peace is no where in life
Peace is something like
A garden blooming with flowers
After years of hard work.

Peace is not the goal
Peace is a process
Peace is a natural way
Where there is no undue
And unnecessary stress.

Let Him sleep
In the ocean of peace
Peace is good for the mind
Peace is necessary
To take right decision
Peace brings clarity of thinking
Peace helps you to smile
Peace makes you wise.

Let Him sleep in peace
And for this practice of
Quietness is necessary.

Thinking to ask.
I know how you feel
At this moment there.
We both are here

And we are busy
In measuring time.

Personality here and there
I know You are the master-key
Of this long-live life fair.

Gajanan Mishra

And tell all not to take
The dark with them.

Gajanan Mishra
Let Me Flow

Let me flow

With the colorful light.
Let me realize
Who I am here and
To where I am going.

Gajanan Mishra
Let Me Follow The Truth

I am here to deliver the truth,
I am here to follow the truth,
I am here to establish the truth.
But truth is here to explain
In details about all.

Truth is great and all are here
To act as per the truth.
Truth has its own expansion,
And truth has no problem at all
Here or there in our universe.

Each and every living being
Is on truth and truth is there
In each and every living being
As a mark of citation of creation.

Gajanan Mishra

Let me get ready
To accept that are
Coming to me.

Can put me in fear.
I know I am nothing
With all nothingness.

There at
That end.

Gajanan Mishra
Let Me Go Another Side

Let me go another side,
Where no day no night,
Where no fall no rise.
Where no chance to awake,
And no scope to sleep.

I want to sleep
In all light
Far beyond the sky.
I want to dissolve
In deep down the ocean.

No ocean, no light,
No day, no night, and I
Forced to engage in the fight.

Gajanan Mishra

To arrive at the conclusion
Where there is peace
And stability for all.

I am in this world.
This world is the school
I am learning here how to live.

Gajanan Mishra
Let Me Go To The King

Let me go to the king
Some rice I have to bring.
For the hudhud* I am hungry
I know my king is not angry.
See my condition, I would pray
And I am sure the king is kind enough
to give me food on this tray.
The king is fine and I am proud of him.
Like me, so many are suffering.
With the help of the king our conditions
are improving, Let us say,
Long live, great the king.

Let Me Invite Each One

Let me invite each one,
Let me tell you all
The key words-
Stay there where you are,
In peace in truth in love.

Gajanan Mishra
Let Me Invite You

Let me invite you
To follow me, read my poems
And say freely what you think.
Let me invite you
To follow me to death,
The place of our dreams.

You are there that I know
From the very beginning
And I am following you
To the point to the truth.

Ultimate truth is death
And I am therein always
With your love and also
With your hate.

Gajanan Mishra
Let Me Invite You - Death

Let me invite you
To follow me, read my poems
And say freely what you think.
Let me invite you
To follow me to death,
The place of our dreams.

You are there that I know
From the very beginning
And I am following you
To the point, to the truth.

Ultimate truth is death
And I am therein always
With your love and also
With your hate.

Gajanan Mishra
Let Me Join

Let me join with You
I am missing here
O my dear, find me out.

Find me out, O my dear
I am missing here
Let me proceed higher and higher.

Let me proceed, O my dear
With You no where
Let me stay everywhere.

With a new beginning
You can find me here
Being a Truth worshiper.

Let me see You
O my dear, with a new look
Where I am taking shelter.

You are my shelter point
And You are here within me
Let me go in and in.

You are the means of
Attaining You, my dear
Let me go in to see You in me.

Gajanan Mishra
Let Me Kick A Ball

Let me kick a ball
Let me run
Let me hold a bat
Let me jump.

I am a girl
So what?
I have every right
To swim in the river
To bath in the sea
To cross the pool.

You are nobody
To check me
I have an equal right
To this space and time.

Gajanan Mishra
Let Me Kill The Wind

Let me kill the wind
And stay here for ever,
I know the sweetness of
Windless atmosphere.

I want to live earthless life,
I know I am the earth,
But I want to go up above the earth
And enjoy the flow of life there.

Let me stay free, free from light.
I know I am the light here
With all music within,
I am the living lightning.

Gajanan Mishra
Let Me Kiss You

Let me kiss you, O my dear and
Let me see your face more beautiful.
I know, you await my kissing
To make your face more beautiful.
My kiss is the vanquisher of
All kinds of sins.
My creations my narrations
Is for you and for everything.

Gajanan Mishra
Let Me Kiss You For Truth

Let me kiss you,
Let me clarify
What for the kiss.
Let me kiss you,
Kiss for your struggle,
Struggle to survive
With all enemies.
Let me kiss you,
I know you are sacrificing
So much here
And loving all.
Still no one is able to
Recognize you, no one besides
You able to know the truth.

Gajanan Mishra
Let Me Kiss, My Fair Beloved

Let me kiss, my fair beloved,
The air is telling me,
The sky is telling me.
The sky knows everything is
There on the earth,
The sky is the messenger
Or say associate of the sky.
They know fully well
I am here, on this earth
With all light and water.
They all trust me and
I am faithfully performing
My duties here, they know.
And I am taking all with me.

Gajanan Mishra
Let Me Know

Let me know my body
Let me know my spirit
I consider both
In eternity.

Let me know the modes
Let me know the modifications
That are the cause of
All activities.

Let me describe myself
Externally and internally
What I am experiencing in my life.

Gajanan Mishra
Let Me Know My Mother

Let me know my mother who has given me birth,
Let me know my language that is love and truth,
Let me know my land that is the earth

Gajanan Mishra
Let Me Know The Crows And

Let me know the crows and dogs here,
Let me know where are you, my dear.
Here I am in the power house of life
That is there in you in this summer.
I am so foolish, I am unable to know
what is night and what is day and where
are you going at this time.

My tongue is not working properly
And you said it is okay,
My eyes are not in a position to see
Then also you said it is okay.
My ears are not able to hear any sound
of this world and you said, my dear
you have won the war.

Gajanan Mishra
Let Me Know The Truth

Let me know the truth
For which I am here with you.
Let me love you
For which I am here.
Let me see the light
And enjoy the life
For which I am here with you.
I know the truth is here
For which I love the life.

Gajanan Mishra
Let Me Know What Is Love First

Let me know what is love first,
Then I will try to know who you are,
And what for you are here with me.
Let me know my own earth and
My own sky from where I want to fly.
In many ways I am related to you
That I agree and I want to make
A list of all that plus and minuses.
For my own own sustenance
I want to go with you whereever
And when ever you want me to stay.
I know what I need that is not with you
And yet you are agree to spare
You are also staying with time though.

Gajanan Mishra
Let Me Know What You Feel

Let me know what you feel,
Let me know the hot and the chill.

Gajanan Mishra
Let Me Know Who You Are

Let me know who you are,
Let me know where you are,
Let me know what is there.
Give me a chance to take care,
Give me a chance to remain fair,
Give me a chance to pluck the star.
Life has all the answer and I know
As I am with you as permanent pair.

Gajanan Mishra
Let Me Know Your Feeling

Let me know your feeling
That has the life.
Let me know the life,
That is really living.
Let me know the living
That has love and the truth.
Dear men, use your own method,
Method to implement own theory
That is clear like the sky.
Dear men, be transparent
Like the wrong and the right,
For your own benefit.
Your feeling has something,
Dear men, go with that without hesitating.

Gajanan Mishra
Let Me Laugh

Let me laugh,
Let me weep,
Let me dance
In ecstasy of love.

In love
No place of
Intolerance,
Violence
And unreason.

Let us live
In love,
Let us live
In peace,
With no bullets.

Gajanan Mishra
Let Me Learn

Let me learn,
Let me learn from you,
So many things
That you know
And experience.

Let me experience
My life, my world
And say a few words
That you can test
In day to day business.

Here in day to day
Business I see all
In clear terms and
I express without fear.

Gajanan Mishra
Let Me Leave The Place

Let me leave the place,
Let me leave alone,
I know I am nobody to repeat
Anything anywhere again.

No needs to say no repetition
I am well aware of the situation.
Each and every moment I am confusing
And there is no place for my musing.

Gajanan Mishra
Let Me Liberate You

Let me liberate you
Through my poems
From all evil effects.

Let me speak the truth
Let me love you
You are the only truth.

And you are the good
Nothing to confuse, just
Act declaring yourself free.

Gajanan Mishra
Let Me Live Alone

Let me live alone,
I need no assistant,
I need no company.
I want to be engaged
In conversation with you.
Let me live alone,
You are there, my dear, in
My loneliness, I know.

Gajanan Mishra
Let Me Live Many Times

Let me live many times,
Let me dream many times,
I want not to die but
I want to live,
I want many more dreams in life.

Let me live, let me live,
With so many hopes,
With so many prides.

I know, death is my creation,
But not the life.
I want to live.

I want to live
With your love
With the truth of life.

Gajanan Mishra
Let Me Live With Sheer Love And Devotion

Let me live with
Sheer love and devotion.

I love you, my dear,
And my love is not
To gain anything from you.
I love you, and I love
Only for the sake of love.

Let me say
You are my pride.
I want you to grow.

I expect nothing,
From you my dear.
But I love you
Only for love.

Gajanan Mishra
Let Me Love All

Let me love all.

Love is here,
And here I am.
Love is there
And there you are.

Love is everywhere,
And everywhere
There is the sky,
There is the water
And the air and the light.

We are all here
Under the sky,
By the air and the water
And the light.

Gajanan Mishra
Let me love life
As because life is
The only truth.
Let me love life
As because truth
Is alive here.
I know life - as
The moving sky, as
The moving sea.
I know life - only
In love and only
In truth.

Gajanan Mishra
Let Me Love The Truth In You

Give not anything
That is harmful.
Give something
That is useful.

Let me use
My own energy
In a way
For the benefit
Of others.

Let me see
The thing
As it is.

Let me love
The truth in you.

Gajanan Mishra
Let Me Love You

Let me love you, my dear,
Let me stay here with you.

I am not separated from you,
I am rescued by you.

Let me go
I am here with you.

Leave me here,
Let me do what is best for me.

Gajanan Mishra
Let Me Love You First

Let me love you first,
Then I can utter words
And it is all prayer.

Gajanan Mishra
Let Me Merge

Let me merge in you,
And I allowed you
to merge in me.
We both are manifold
from one.
We are churned
And we are separated.
Hell and heaven differences
Are there between
you and me.
We are attached to each other,
We both are in the one
And in the same chapter.
We both are incapable
And dependent and weak.
Let me merge in you
As I allowed you to merge in me.

Gajanan Mishra
Let Me Move Free

Let me move free
I am here only
For your welfare.
Yes, I am yours,
Yours for ever.
See me I am within you.

Gajanan Mishra
Let Me Murmur

Let me murmur,
Let me stay still,
With air and
With the sky.

I want to experience
The earth.
I am the earth.

Life is the earth,
I offer my prayer
To the earth.

The earth is there
And nothing else,
Highest perfection is
There in me.

Gajanan Mishra
Let Me Name It Life

Let me name it life,
My language, my identity.

And I am with it,
With own words, own letters,
Own name, own fame.

All
Effect of time,
All
Godliness.

All my footsteps,
All magnetic murmurs.

All fit
Within me.

Own voice no echo.

Gajanan Mishra
Let Me Name One

Let me name one
Who is not here,
Let me search one
Who is with nature.
And here, see,
They are all happy
By rejecting and never
By accepting.
How foolish they are!
They are not able to
Know till date
And still they are there.
Let me name it - it is
Their passion and ignorance.

Gajanan Mishra
Let Me Not Deviate

Let me not deviate
Let me not deviate from
My speech and mind
I pray, from the truth.
Though the body is
Made of matter, my dear
Let me not destroy it
Before reaching the higher
Knowledge of Truth.
I know it in this body
There is somewhere
Truth and for this
I am here in love and
I am living for this love.

Gajanan Mishra
Let Me Not Face Any Death

Let me not face any death,
I know, I am here not to die. I know though,
I am responsible for my own predicament.

Gajanan Mishra
Let Me Not Finished

I am not finished
Let me not finished
Anything anywhere.

I am above the sky
See me with your eyes
And say okay after locking key.

Return to earth
If you feel uneasy
Best is not to cry.

Gajanan Mishra
Let Me Not Go

Let me not go from you
To enjoy your company
For a while
Let me not go from you
To take your full blessing
For the time being
Let me not go from you
And stay on this earth
To see and understand.

Gajanan Mishra
Let Me Not Go Back

Let me not go back,
I am looking forward,
I am going forward.
I see sun before me,
I see all brightness with me.

Gajanan Mishra
Let Me Not Say You Beautiful

Let me not say you beautiful,
I know beautiful is nothing
But a fact that is not true.

Gajanan Mishra
Let Me Not Show My Power

Let me not show my power,
Let me think constructively
Every aspect of life.
Since you are my parts
And parcels of life, let me
Feel you not as an adversary
But as a contributory parts
Of my growing life.

Gajanan Mishra
Let Me Now Begin

Let me now begin
Speaking on You, my dear
And here
Let me get pleasure.
I am fortunate
I have the opportunity
To hear from You
And see the line clear.
Here I am under You
And I am here for ever
And I know, with You
Nothing is called suffer.
O my dear, I know, You are
In air in sky in land and in water
It is Your wish how and where
When you appear when you disappear.

Gajanan Mishra
Let me observe carefully
What is there here
And who is in fear.
Let me observe carefully
How to solve the problem
And when to start the journey.
Yes, as a poet I do not
Deviate from peace and love,
I know the truth here.
I know my words are nectar
And they are eager to
Keep all goodness for ever.
Let me observe carefully,
How to fulfill your purpose easily.

Gajanan Mishra
Let Me Offer Myself

Let me offer myself
To you, sir.

As you are ready to
Serve and work
For the mother,
For the motherland,
For the mother language,
Honestly, sincerely,
Without the slightest expectation
Of personal reward.

You are more than me, sir,
You are there busy in my works,
My works include the works
For all welfare.

Gajanan Mishra
Let Me Offer You

Let me offer you,
Let me offer you everything
That are with me here,
I know I have nothing.

Realizing the fact
I stood there before you,
And you, in return
Gave me everything
That are yours.

What is not yours?
And what are you
Not doing?
My life-breath would not
Be there without you.

Gajanan Mishra
Let Me Open My Account

Let me open my account,
Account of love, truth
And account of life, dear,
The real account with you.

Let me rise in your area,
I am a tiny creature
In your world, dear, but
I am with my own light.

I am the beginning
But not the end, dear.
I am transparent and
Enlightened, see.

Gajanan Mishra
Let Me Open The Eyes

Let me open the eyes
And see your face.
Let me hear your words
By closing the eyes.
Let me walk far in the sky,
Let me embrace the earth.
Let me tell the moon
The lifestyle of the sun.

Gajanan Mishra
Let Me Overthrown

Let me overthrown the sun,
Let me pull the stars,
Let me rise the sea
And allow me to
Reunite with You.

The sky is falling
And I am busy in preparation
To go outside.
I am writing about
The light and the wild beast.

Gajanan Mishra
Let Me Pass

And if you don't
Be ready to face
The consequences.
Crossing five main
Obstacles you can
Reach me, my dear
neutrality servitude
Friendship parental love
And also conjugal love.
Let me pass through
Amazement humor chivalry
compassion fury fear and dread
You just surrender and be happy.

Gajanan Mishra
Let Me Pass Through

Let me pass through this body
From boyhood to youth to old age
To the eternity and let me say
This is the natural process to
Touch to experience the Truth
Let me observe all formalities
Just to satisfy others and let
Them give a chance to follow.

Gajanan Mishra
Let Me Pass Through Eternity

Let me pass through towns, villages,
Natural forests, nursery gardens,
Flower gardens, valleys, mines,
Agricultural lands, hills, mountains,
Rivers, reservoirs of water, air, clouds,
Light and the sky with the bees and
Singing birds.
Let me know the life that is there,
In lotus flowers, that is bamboo pipes,
Far from the snakes, owls and jackals.
Let me sit down alone here
On this holy place and watch
The turning of pages of history
On the light of my own footsteps.

Gajanan Mishra
Let Me Permit To Tell You

Let me permit to tell you,
But what is there to tell,
I know not, I know everything
Is open and transparent
Like the blue sky.

And where is the blue sky,
It is definitely within you.
You may asked yourself and
Get the answer you desire,
Believ me not, if I am a liar!

Gajanan Mishra
Let Me Play

Let me play
And I never play.

Going in to the sea
I caught fish
That was not mine.

The sun rises and
The sun sets
Cause and effect.

Let me go
With necessary proof
That I was here.

It is called change
It is not You
But I.

Gajanan Mishra
Let Me Proceed

Let me proceed further
My dear let me proceed.

Hence further You
Can not find me here
You can not find me.

You are mistaken
If you interrupt me
In the middle my dear.

Let me proceed further
I am here for ever
It is you who is a passer.

Gajanan Mishra
Let Me Proceed Forward

Let me proceed forward
with new generation
with new hope
with new expectation.
Let me proceed with you
my dear son, not as a father
but as a partner
from year to year.

Nothing to ask,
Nothing to say,
but I am with you
under this blue sky
to search a new thing
for you, only for you.

Gajanan Mishra
Let Me Proceed With You

Let me proceed with you, dear,
Let me proceed with you at this time.

This time is yours, I know dear,
And at this time I suffer without any reason.

But the reason is there in the market-higgles,
To enjoy the market, though hilarious is difficult.

Difficult is the life, and to proceed further my dear, as
We are on the beach in between the ebb and flow of all.

Gajanan Mishra
Let Me Put The Question Again

Let me put the questions again -
What are you doing for others?
And what for you are living here?
All the questions have the same answer,
Just gather all within you dear.

And I am unalloyed, know it
From my day to day activities.
I am for you all here for the purpose of
Living and confirming life for love.

Love means to give all to others,
Love means living with the truth,
Love means I am here for you,
Love means the whole truth.

When I say I love you,
I mean to say my all is yours.

Gajanan Mishra
Let Me Quit

Let me quit
Let me quit all.

Let me listen
Let me listen Your call.

I know
I know I am highest of all.

I know
I know You and all.

Gajanan Mishra
Let Me Quit And Go

Let me quit
And go,
Where I want to.
But where to go
Not within my
Imagination.

Tell me
The name of this place,
And tell me how to
Go from here.

I am not able to
Know anything here
And still I think
I am full with knowledge.

Gajanan Mishra
Let Me Quote Macaulay

Let me quote Lord Macaulay,
Supposed to be from a speech
Given to the British Parliament
In 1935;
'I have travelled across the length
And breadth of India and I have
Not seen one person who is a beggar,
Who is a thief. Such wealth I have seen
in this country, such high moral value,
People of such calibre, that I do not
Think we would ever conquer this country,
Unless we break the very backbone
Of this nation, which is here spiritual
And cultural heritage, and, therefore, I
Propose that we replace her old and ancient
Education system, her culture, for if
The Indians think that all that is foreign
and English is good and greater than
Their own, they will loss their self esteem,
Their native self-culture and they will become
What we want them, a truly dominated nation.'

Real development of any one, my dear
Is there on his own earth, thorough his
Own mother-tongue and that we should aim at.

Gajanan Mishra
Let Me Reach

Let me reach
The end of sorrow,
Let me touch the truth.

Truth is life,
Life is in nature
But I have to
Cross the nature
To reach the truth.

Gajanan Mishra
Let Me Read Your Message

Let me read your message,
The message of love and truth.

Love and truth - both are here,
here with me for you.

For you, I am there within your hearts,
For me, you are there with me.

I have no numerical strength, I know,
But for you, I am here as the truth.

Gajanan Mishra
Let Me Realize

Let me realize
Only you
Whatsoever may happen.

Gajanan Mishra
Let Me Realize The Self

Let me realize the self,
The truth, the love. I find
Nothing obstacle here.
The seed of peace is
Within me and I am here
Without seed of life.
I am in a tied up state,
I am free, as you said, though.

Gajanan Mishra
Let Me Reflect

Let me reflect
In my poems
How long
You will remain
With me,
And how long
I will remain
With you.
And while reflecting
Let me stay
In love and
In truth.

Gajanan Mishra
Let Me Rejoice

Let me rejoice
Hearing Your tales
Let me rejoice
Seeing Your sights
Let me rejoice
Singing Your praises
O my dear, I know
My ears are not like snake holes
I know, my eyes are not like peacock's tail
I know, my head is not like bitter pumpkins
I am not dead, I am alive see and
I am living with You, my dear
And I realized my tongue is not like that of a frog
I am not hard not adamant and not cruel, I am Yours for ever.

Gajanan Mishra
Let Me Remember Your Help

Let me remember your help
Let me remember your love.

I am the fool who failed to know you,
O my dear, but I have faith on you.

Go not from me, build not a wall between us,
I remember your love, I remember you in full.

I am yours, I never differentiate you from me,
I love you, I am not telling anything else but love.

Gajanan Mishra
Let Me Replace

Let me replace
red tape with
a red carpet.
It is the right
time to go with
humanity for that.

Gajanan Mishra
Let Me Reside

Within You, my dear
I would not heed
Anybody's prohibitions.

I want nothing and
I want no knowledge
No intelligence no wealth
And nothing I want to reside only.

I want to reside
Within You, my dear
Let me allow by forgiving
And forgetting all my sins if any.

It is You who knows what I am
I am here, see me, what You Yourself has made.

Gajanan Mishra
Let Me Reside Within You

Let me reside
Within You, my dear
I would not heed
Anybody’s prohibitions.

I want nothing and
I want no knowledge
No intelligence no wealth
And nothing I want to reside only.

I want to reside
Within You, my dear
Let me allow by forgiving
And forgetting all my sins if any.

It is You who knows what I am
I am here, see me, what You Yourself has made.

Gajanan Mishra
Let Me Return To My Root

Let me return to my root,
I know my root is in you.

And you are here and you are there and
I am within you dazzling like a star.

Gajanan Mishra
Let Me Rise

Let me rise from
Every fall.
See, I am
not falling at all.
The fact is
there is no place
to fall.

I am living my life,
It is my virtue
It is my honor.
I am living here
and I know this place
is full of knowledge
and nectar.

Gajanan Mishra
Let Me Run Away

Let me run away
From my own thought,
Let me run away, my dear.
I see no where drought.

Though here it is shadow
I am on the bank of a river,
Where I lighted the lamp.
Feel, life and death are partners.

Let me cross the moon and
Let me wander in the forest,
I declared myself the best
And I ran away, no street
Is there though anyway
I proposed and I know my only act.

Gajanan Mishra
Let Me Sacrifice My Life

Let me sacrifice my life
For the benefit of all.

Gajanan Mishra
Let Me Salute First My Mother

My mother,
No one is superior to my mother.
My mother,
Let me salute first to my mother.
My mother,
On my motherland, I am here with my mother.
My mother,
Let me talk, with my brothers
With a language, that belongs to my mother.
My mother,
Let me devote my life, for
All out welfare of my mother.
My mother,
For me, the living god, most wonderful creature.

Gajanan Mishra
Let Me Salute You

Let me salute you, O James Foley,
I salute you for your bravery.
I salute you for your courage,
I salute you for your dedication.
Your beheading evoked rightly
world-wide condemnation.
It is really barbaric, gruesome
and chilling. It is touching.

Gajanan Mishra
Let Me Say A Fact

Let me say a fact, my dear and
Remember that this world is
Separating from us
Every moment.

And hence perceive
This world as non-existent
O my dear, and see the pure
Supreme Reality is with you.

Gajanan Mishra
Let Me Say A Few Words

Relating to this earth
This earth is ours and
We are here since when
Not known to us.

We are on this earth
And this earth is for us
What is the purpose
I do not know and still
I am here with You.

O my dear, that I am
Telling You neither small
Nor big and telling You
How the life-tree survive
In this wonderful land.

This wonderful land is
Full of air and water
O my dear, try to live
Without all these as because
Everything is not necessary for life.

Life itself is unique
And we are dancing to the tune
Of time and time is far ahead
Of us and I am sure
It is nothing but a drama.

Gajanan Mishra
Let Me Say Again

Let me say again
This body is my chariot
Wherein, you, the intellect
Is the charioteer,
Wherein, you, the mind
Acts as reins,
Wherein, you, the senses
Act as horses,
And I am going on the road,
That is the time
And time is nothing,
It is my own creation
With the help of the dream
And dream is nothing, but my own self.

Gajanan Mishra
Let Me Say Each And Everyday

Let me say each
And everyday
Is a woman's day.
Without a woman
How dare you
See the day!

Who is not a woman?
Let me ask.
Is there not a woman
There, within you
And also
Within me sir?

Woman is the air here,
Woman is the water.
Woman is the pillar,
And woman is the concrete
Life giver.
Woman is the earth,
Without the earth
You cannot see the sky.
Without the sky
Where shall you fly!

You are all within women,
And women are within you.

You are not but
Woman is the truth.

Gajanan Mishra
Let Me Say Frankly

School and colleges are
Now slaughter house
Of true men.
I feel the present
System of education
Is geared to
Sense gratification.
The present teachers
Have no knowledge about
The true meaning of religion.

Gajanan Mishra
Let Me Say In Simple Language

Let me say in simple language
To all to live together
In peace and love.
Let me say stop violence
And chaos
And end terrorism.
Let me request you all
To remain faithful to humanity.

Gajanan Mishra
Let Me Say No

Let me say no, no, no.
If you so like
You may call me a rebel.

Gajanan Mishra
Let Me Say On Each And Every Day

Let me say on each and every day
The sun is coming out from
The black holes of our life,
And we are getting light from
The sun here afresh.
We are the stars and we are there
With the density of infinity
Without losing our singularity.

Gajanan Mishra
Let Me Say On This Day

Let me say a few lines,
On this independence day,
To you all, my dear;
Let there be peace within us,
Let there be no hostility amongst us,
Let our studies be brilliant,
Let there be no terror,
Let us share values and
Mutual benefits with all.
Let there be no suppression,
Let there be a will to live,
To excel and to love and to know
The truth. And let us be ready to face
Each and every challenge.

Gajanan Mishra
Let Me Say On Water Flows

See my life that is not slow.

All illusive fair feeling
All crisis are long term vanishing.

Are you shocking?
And shocking has nothing to do
When we all are missing.

We are all culprits here
Tragedy is we judge ourselves.

Despite so much imports
We have nothing to support.

Important point to note
No pin pointed survey as yet
And all the doors closed suo motu.

Let Me Say Te Amo In Spanish - Lovely November

Let me say Te amo in Spanish,
Let me say I love you in English,
Let me say Mu tumaku bhala pae in Odiaa,
Let me say everything here in this month
As I know this November is the month to love,
As I know November is the most disagreeable
Month in the whole year and love is its conjunction.
I know some poets have forgotten uttering November,
As they know November is a month of burglaries,
Burglaries of love and affection.
November is the month of ice and rain fall
Especially In London, where there is at present
My lovely, lovely, lovely, little son Suman,
Let me say take care beta, enjoy life with fun.

Gajanan Mishra
Let Me Say The Cat As Cat

Let me say the cat as cat,
Let me know the points of Identification if any.

Being an agent, see me here
And I am describing your beauty
In rain and in hot sun.

Let me sing in the ice
Let me see who am I
Let me acquire knowledge as such.

I am what I am and not
What I am not,
Test me in the knot.

Nothing is trivial
You may called it a trial.

Gajanan Mishra
Let Me Say You A Tree

Let me say you a tree, my dear poet,
Your thoughts are the roots of life,
Your words are the branches,
And your writing poems are the leaves.
I salute you, my dear poet for your thought.
You are thinking always for
the welfare of all in this world.

Gajanan Mishra
Let Me Say You Are

Let me say you are there,
You are the world, and
You are for all welfare.
Let me not clarify
Who you are and where from
You came to this world.
You are free from all clutches,
Everything good is here
With your influence.
You are the best let me
Say again before all
In loud voice.
You are my love,
You are my truth.

Gajanan Mishra
Let Me Say You Son Of Demon

Let me say you son of demon
If your father is bound
By the material laws
If your father is addicted to
Sense gratification and
His target is woman
Your father is
Shackled to material bondage
No matter time and place
O my dear let me say you
Please give up the association
Of your father and adhere to
The association of Truth
And liberate yourself from shackles.

Gajanan Mishra
Let Me Say, My Dear

Let me say, my dear, you are the truth,
And truth cannot be false, that I know,
What I know, that is truth, always the truth.
Being truth, you are living a truthful life always,
Being truth, you are speaking the truth, throughout your life,
And if you decide to tell a lie, even for a day, you cannot do,
Even you take an oath to tell a lie, even if you die, your oath
Would prove to be true, it is truth, and only truth,
And truth and that is everywhere, truth is eternal, truth is natural.

Gajanan Mishra
Let Me Search

Let me search where you are.
Let me see what is there.
Let me call the bird.

I know the bird is flying away
towards the sky and
I know I am the sky.

I am not the bird,
the bird is within me though.

I am calling the bird
with my own words.
And the words are
cheating me,

I am being cheated every time
only by me.

Gajanan Mishra
Let Me Search Someone

Let me search someone,
Who is ready to take me away.
Let me welcome someone,
Who is here with me always.

That someone is you,
That I know.
And I know you fear me
As I love you and I'm in truth.

Gajanan Mishra
Let Me Search The Truth

Let me search the truth,  
The truth is I discover  
Myself in you.  
You are really  
What I am there.  
I know, you are  
My forgiveness,  
My dear son.  
Let me congratulate you  
On this day of your birth.  
You are there the truth  
As I am here.  
You are my virtue.  
You are as truth as  
My own mother.  
You are my knowledge  
Like, my father.  
You are my religion  
Like, my brother.  
You are my peace  
Like, my wife.  
You are my compassion  
Like, my friend.  
My dear son, come on,  
No one on this earth  
Can make you fall.  
You are there  
To rise like the morning sun.

Gajanan Mishra
Let Me See And

Let me see and
Let me experience
And let me say the truth.

Let me say the truth
That is here
With you.

There is a few and
They suffer swine flu.

Let them know
The life's value.

Let them probe
And find the truth.

Truth is there
That is near and not far.

Gajanan Mishra
Let Me See And Foretell

Let me see
And let me foretell
About the things
That are to take place
In future.
No flaw is there in me,
I am sure, like
Mistake, illusion,
Cheating and imperfection.
I believe in
Non-violence.
I live with truth.
I live in peace
With universal brotherhood.

Gajanan Mishra
Let Me See And Look

Let me see and look
More and more and more..
Let me hear and listen
More and more and more..
And I realize I have
Nothing to do besides
Seeing and listening.
I find no words to utter.

It is you who has
Taken away my words.
It is you who has
A great love for me.
It is you who is delivering
Lectures day and nights.

Gajanan Mishra
Let Me See Life

Let me see life
As it is,
Let me enjoy life
Where it is.

And I see everywhere
And in everything
There is life and
Life is in Truth.

Nothing but the Truth
I am taking oath
I am telling what I see
And telling on oath.

Gajanan Mishra
Let Me See My Life

Let me see my life,
Let me go wherever I like,
You are mine,
This world is mine.

I am connected to you,
You are connected to me
through this air and water
and through the sun and earth.

Neither I am small,
Nor you are big,
Neither you are from heaven
Nor I am from hell.

This world is ours, and
We are for each others.

Gajanan Mishra
Let Me See My Pride

Let me see my pride, my dear
Let me see my own pride and
Tears it up by roots
And it is only possible
by Your grace, my dear
Only by Your grace.

Gajanan Mishra
Let Me See My Way

Let me see my way,
Let me know my name,
Let me go with my light,
Let me say that I like.

I like to say I love you.
I like to say what is truth.
Truth is there in my body-temple,
Without truth my body is destructible.

Let me go on my way
Slowly and steadily
At daybreak.
Let me listen the music
Of the stars
In my empty lake.

Gajanan Mishra
Let Me See The World

Let me see the world
From your point of view,
Let me see You.

Gajanan Mishra
Let Me See You

Let me see you,
Touch you,
Bow down to you,
Worship you,
Serve you.

My love,
My dear,
My truth.

You are my sacred earth,
Real sky.

You are my faith,
My identity.

But I am bewildered
With your words and activities.

Gajanan Mishra
Let Me See You In Full

Let me see you in full,
I want to see you both
In manifest and unmanifest
Forms of life here on this earth.

Gajanan Mishra
Let Me See You In Me

Let me see you in me,
As I am in you.

Gajanan Mishra
Let Me See You New

Let me see you new
In this new year, my dear.
I am yours here.
I love you and I
Like to see you
Always new, new.
I am your king,
You are my queen.
Let us play the game
Of no loss no gain.
Neither we are fat
Nor we are thin.
And we are here
Only to shine.

Gajanan Mishra
Let Me See You, O My Dear

Let me see You, my dear
Let me touch You
Let me serve You

Only Your name, qualities
And pastimes, my dear
Let me remain always
In meditation upon You
Let me sing and dance
In accordance with Your music.

Gajanan Mishra
Let Me See You, My Dear

Let me see you in full, my dear,
Stay there like this for a few minutes.
But I know staying in tact is not possible
Even on your part.
Any way I may be allowed to see you
In the light of the morning sun and
Also in the dark night of no moon.

Gajanan Mishra
Let Me See Your Face

Your face,
Let me see Your face,
Your face is deep dark
And white that is
Brightest that is

Immeasurable embodiment of eternal bliss.

Your wakeful eyes
That is there to
Removes all trace of
Sorrows from my hearts.
How do you do
That I want to know,
You are the infinite
But a line is there
Between you and me.
Let me know the meaning,
Meaning of this life
With you here at this time.
And for this I seek you,
I seek you, my dear
For love, for truth.

Gajanan Mishra
Let Me Serve You

Let me serve You
Through Your people
Let me serve Your people
Through You, my dear.

Be pleased always
With us
We are ignorant
Mistakes are common features.

We are nothing
But fools and rascals
And going after temporary
Illusory happiness.

Everybody is living here
In his own way
Let me give respect to him
As You are within.

Nature is there
River is there
And I am with the river
Flowing day and night.

Gajanan Mishra
Let Me Serve You - We Cry For Thee

We cry for thee, We live for thee.
You are my magnificent and adorable language.
I am blind without you.
And I am unable to discriminate right and wrong.
You are here with me and ready to give nectar of righteousness.
You are my land, You are my language.
You are my mother.
Let me serve you for ever.

Gajanan Mishra

Gajanan Mishra
Let Me Sit On The Chair

Let me sit on the chair,
But let not the chair
Sit on me.

Gajanan Mishra
Let Me Sketch A Man

Let me sketch a man,
Excuse me, I failed
To catch a human.

I lack two things;
To see a man in proper way
And to leave the earth
and fly in the sky.

A notice has been
Received to explain
as to why I am a man.

Excuse me, till date
I am unable to submit,
My explanation in
Proper channel.

Gajanan Mishra
Let Me Sleep

Let me go with my dream.

Let me describe
What I am.

Let me say
What I want.

I am here
With You.

And You are
Leaving me.

Let me understand
What is going on.

You are here
As a patient.

Gajanan Mishra
Let Me Sleep - I Want To Sleep

It is midnight
Let me sleep.

Let me sleep as
I do not want to
Know the difference
Between a day
And a night.

Here it is mid-day
Let me sleep.

Tell the sun
Who is on the top
Of our heads to
Go away from
The center point.

Gajanan Mishra
Let Me Sleep And

Let me sleep and
Before I sleep
Let me tell You
Everything that are
Here with me openly
And let me share You
My life at every stage
So as not to face
Any disruption anywhere
In the days to come.

Gajanan Mishra
Let Me Speak

I am here to speak,
Let me speak
In your words,
About you.
But who you are
That I know not.
You have given me
The hints.
Let me speak,
I am here to speak.
I know how to
Make the words truth.
I know not how
The truth is to be expressed.

Gajanan Mishra
Let Me Speak Frankly

Let me speak frankly
Good is not always good
Good is not good for all
In the same degree.

Let me speak frankly
Good differs
And diverse
And so good is not true.

Nothing is there called good
It is relative and
Not final
This is my appraisal.

Gajanan Mishra
Let Me Speak, Dear Friends

Let me speak, dear friends,
About you to you, the truth.
Nothing confidential,
Nothing difficult to understand.

Being the poet, I know
The pleasing atmosphere,
The blooming lotuses,
Attractive bees and birds,
Chirping and soft murmuring and all,
Beautiful trees and forests,
River, sand, water.

Let me speak, dear friends,
How I am at the center
And you are all my near and dear.

Gajanan Mishra
Let Me Stand Here

Let me stand here
On this earth and
Let me use my language
And let me stay
Here with dignity.
My language gives me
Scholarship and gives
Me a chance to revive.
My language is my life,
Let me build my future
With my thought
On my earth.

Gajanan Mishra
Let Me Start Afresh

Let me start afresh
this life, this journey.
Let me catch the truth
Let me see the light.

It is true I am facing
unending questions but
all questions have only
one answer that is love.

And if love is there,
you can get everything.

Let me start afresh
this journey towards love.

Let me uncovered the mystery,
Let me read my own history.

Gajanan Mishra
Let Me Start With Air

It is there,
Let me start
With star.
The star, the air
All are there.
It is wheat
it is bread,
It is rice,
It is dal
I am in need
At this moment.
Allow me to
Express myself
In this dark night.
I want some sound
I want some light
But it is you
The obstacle
On the way.
I myself changed
My plan, my expectation.
But nothing changed
In character, in items.
I love, I desire,
But it's not enough
For life. I know
Life is a continuous process
Like the air deep in this earth,
Like the star high on the sky.
Let me start with myself,
And I am what I am on this earth.

Gajanan Mishra
Let Me Stay Alone

Let me stay alone
Only alone.
Let me stay alone
And let me stay
As a sensible man.
Let me stay alone
Only alone.
Let me stay alone
With emotion
With caution.
Let me stay alone
Only alone.
My emotion my sensation
Is mine and it is
For general welfare.
Let me stay alone
Only alone.

Gajanan Mishra
Let Me Stay Always

Let me stay always in Truth
Let me stay in full consciousness
Let me stay in Your bliss.
Let my life be used
In the sense of reality and goodness
Let my life be used
In the sense of praiseworthy and
Auspicious action.

Gajanan Mishra
Let Me Stay As A Man Of Truth

Let me stay as a man of truth,
Let me love you, only to you.
Love is life I know, here
I cannot live without you anymore.

Let me love you more and more,
Let the truth comes to light from the core.
Life is here in me and I am living,
How to stay with you for ever- a question.

Answer me please, I love you dear,
With you only I can stay here with no fear.
Let me go to you, tell me the procedure,
I am here waiting for you, I know though
You are here inside me from the very beginning,
You are shining that I know with me.

Gajanan Mishra
Let Me Stay Free From

Let me stay free from all fears.
I care not the body,
As I know it is
Perishing at every moment.
I care you, as I know
You are far above the body.
See me. I am far from the body
And also far from fears.

Gajanan Mishra
Let Me Stay Here Without Words

Let me stay here without words,
Let me love the nature and
Perceive the things as they are.

Let me fly with my own feathers,
Let me go to the river to fetch water,
Let me stay as a tree and allow all
Here to take my leaves, fruits and flowers.

Let me measure the depth of my own self,
Let me know who I am and what for I am here.

Let me hear my own sound and let me
Recite my own poems with the readers
Present here for the purpose of
Opening a new chapter that is near.
I am the running time that is here for ever.

Gajanan Mishra
Let Me Stay Peaceful

Let me stay peaceful.
But where is peace?
I am equal to all,
I am also a friend to truth.
But the truth has so many enemies,
That I have to remember.
But I have to search my own friends
And to coordinate all entities.

Gajanan Mishra
Let Me Stay Still

Let me stay still,
Let me in constant
Communion with you.
I know, you are
The only truth.
I know you are
Above cold and heat,
Above joy and sorrow,
Above honor and dishonor.
You are in the midst of
All antithetical pairs.
Let me stay with you.
Let me know not what is
Favorable and what is unfavorable.

Gajanan Mishra
Let Me Stay Unalloyed

Let me stay unalloyed all days
With You as I am from birth
I know to stay unalloyed
Is the highest order, my dear.

Let me execute
Let me execute my works
Perfectly here with all
With all positiveness in me
And let them realize what for
They are here during this period.

Let me arise and say something
That is the words of all
The best creation best obligation.

Gajanan Mishra
Let Me Stay With Love

Let me stay with love
Let me stay with truth
Let me stay in this world
To show all life's value.

Make me free of all sins
Tell me all sweet and
Loving words as I am a
Part and parcel of exhibit squad.

I am not far
I am near and inseparable
From You, my dear
See here in this light.

I am what You are
You are not what I am.

Gajanan Mishra
Let Me Submit

Let me submit
What is good and pure.

Let me be sure
In this world of cure.

What can I do here
Nothing and nothing for tomorrow.

Gajanan Mishra
Let Me Surrender

Let me surrender
Everything to this earth
Including my life, my body.
Let me stay here nameless,
Worthless. let me stay
Here with nothingness.
Ask me not who I am
Ask me what is left with me
And see and feel not even
A movement in ether.
I am the air, I am the atmosphere.
I am here, you are here,
Remember, for you, what is with me
I am ready to surrender.

Gajanan Mishra
Let Me Swallow

Let me swallow
The fire, the air.
I want to live
A life fair.

I want to see
Things unseen.
Let me live
In full screen.

Gajanan Mishra
Let Me Take Bath

By listening to you,
By touching you, dear,
Let me take bath,
Let me purify myself,
Let me continue my journey,
Beyond and within
The jurisdictions
That belong to you.
Let me satisfy you,
But how, let me know.
Here, see,
The condition is chaotic.
But I am observing for good,
I am here for you.

Gajanan Mishra
Let Me Take Birth

O my dear,
If You want me
To take birth
And accept a body again
Let me take birth
In the home of Your
Servant's servant
Who so ever he may be
All I want
Life after life is
Unmotivated devotional
Service to You
I want to serve You
This is for me real liberation.

Gajanan Mishra
Let Me Take Delight

Let me take delight
In telling the truth
And telling all about you.

Gajanan Mishra
Let Me Take Pleasure

Let me take pleasure
In describing the glories
Of the truth.
And the truth is
I am your son,
You are my mother
And I am on your land,
And I am talking
With my mother tongue
And getting nectar
At every moment here.
And the truth is
I am yours and you are
For all creatures.

Gajanan Mishra
Let Me Take You Home

I know where is home,
Let me take you home.
Home, home, sweet home,
You cry and I hear in dome.

I know what you do
And in your deeds
I discover where I am
But I am unable to find you.

Are you at the mercy
of the sound? I am here
Soundless, see, my dear.
Your anger is my wealth,
Keep it in tact and use it
At the time of needs.

Gajanan Mishra
Let Me Talk To You

Let me talk to you,
Let me touch you,
Let me think of you,
Let me behold you,
With all my purity.
Let me stay without
Egoism and sense of mine.
Let me stay free from
Attachment and aversion,
Pleasure and pain,
Desire and wrath.
Let me discover you
Within my own heart,
You are my only chart,

Gajanan Mishra
Let Me Teach And Let Me Realize

Let me teach you,
Let me realize the truth.
Let me know the grass,
Let me know
The glory of the flowers.
I am a man of disinterestedness,
But I am a man of
Intellectual curiosity.
Let me discover the newness
In all things here.
I have my own reasons
For my own living.
I am thinking only
About myself here at this time.

Gajanan Mishra
Let Me Teach You

Let me teach you
How to do good
To others.
I know I am
Nobody to do anything
At any time.
I know nothing
Remains to be done.

Gajanan Mishra
Let Me Tell A Few Words

True,
The world is
Nonsensical.
Yet, with all
Sensitiveness,
Let me tell a few words.
That can make you
Stand ahead of all.

Gajanan Mishra
Let Me Tell You

Let me tell you
Actual knowledge
That was with you
Let me tell you
The falsehood.

O my friend
what is false
can you tell me
without knowing truth
And truth is
With you
Find it out.

Let me tell you
What you are doing
O my friend
And you are doing
Nothing and for nothing.

Nothing is everything
And everything is nothing
Mind it my dear
And everything is
Happening that are unseen
Have power to see
With you that nothing
That everything.

Gajanan Mishra
Let Me Tell You A Demon

Let me tell you a demon
As you dressed as ruler and
Politicians but doing nothing
Actually for benefit of others
You failed to protect
The innocent and children
You are barking and
Fighting like dogs
And for you the public
In general are here to suffer
And you are misleading all
Away from the path of Truth
For true benefit I am sure
You have nothing to offer.

Gajanan Mishra
Let Me Tell You Without Reason

Let me tell you,
You are lost.
While telling,
I am cent percent
Correct, I am sure.
When I am telling
The truth, the ultimatum,
No publicity is
Required for me.
Let me tell you,
How you are suffering
In the hands of time.
And how you are
Helpless without reasons.

Gajanan Mishra
Let Me Test

Good or bad,
Love or hate,
Let me test.

Let me test,
Nothing or everything,
Past or present.

Past or present,
But life is talent.

Gajanan Mishra
Let me think of you, sir
And If I don't do so
No one can be more
Ungrateful that I.

Yes I am able to think,
Yes I am able to do
What I think and that's why
I am a human being.

Yes i do love,
Love all irrespective of
Birth, color, religion and
That's why I am going towards
Perfection and I know love is
Not for decay, extinction and satiation.

Gajanan Mishra
Let Me Think What Is Mine

Let me think what is mine.
Sunshine is not belongs to the sun,
And the sun is not able to use it
To gives all proper life!
Moonlight is not belongs to the moon
And the moon is not able to use it
To gives all medicines and peace!
Like that my dear, I am not able to
Use my own mother-tongue in my native
To make myself prosper and bloom
Like the red rose or marigold.
I am also not able to use my tone and
Tongue freely everywhere
To make you understand my feeling.

Gajanan Mishra
Let Me Tolerate All

Let me tolerate all taunts
Of my friends and brothers here,
I know you are there in me
As my strength always
Without any condition.
As a poet, as a truthful person,
See me, I am tolerating all
The tortures and I see
The stones of hills are like
The stack of cotton,
The air and water all are
In my favour and they are all
Giving me life here and here
I am dazzling like the star above.

Gajanan Mishra
Let Me Touch Every Flower

Let me see and let me touch
Every leaf and every flower
Since I am with them there.

Weather is clear and we are
All together in the air
And in the water with pleasure.

Here, life is with us and we are
Very clear with us for the purpose of
Living in winter or in summer.

We are free to use one another
Earth is our mother and the sky
Is our father, we are all together.

Let the life patter,
Let the life sweeter and sweeter.

Gajanan Mishra
Let Me Touch You

Let me touch you, my dear,
See and feel everything is
Here in my touch.

Gajanan Mishra
Let Me Train You

Let me train you
For good,
For truth.
I know you are
Ready to do the needful.
I know you are
Not there to break the vow.
But wait,
Let the time come.
And you are to
Show your maturity.
I know your both side,
And I want to train you
How to stay in truth.

Gajanan Mishra
Let Me Travel All Over The World

Let me travel all over the world,
The earth is curing me, and I am
Cured of all diseases here with
The sweet sounds of the birds and
With the touch of scented flowers.
Everything and everybody - my
The friend here and I belong to each one
Let me clear we are one and the same.
All living and non-living creatures
Are my parts and parcels and I am
With them and moving all around
The globe with the brilliant sun and
Sweet moon for the purpose of nectar
And without any war, we declared the victor.

Gajanan Mishra
Let Me Trespass

Let me trespass
To the world of
Words silently.
Yours sincerely
I am, my dear.
Let me travel
In to your heart
With proper care.

Think about me,
If you so like,
Forgetting every
Titbits my dear.
You are my inner voice and
I am your silent listener.

Gajanan Mishra
Let Me Try To

Let me try to
Control myself,
You can be known
Only by the self.

I am well aware
You are not far,
Not far from me,
I can know you
by the reach of
my senses and mind,
only through love.

Let me define you
through the space
time, person and things
that are available with me.

Gajanan Mishra
Let Me Understand Life

Life, let me understand,
Let me understand life.
Life is all written,
All written - life.

Moment to moment
It is all changing,
Life, motionless,
Life moves with a pause.

All words all actions,
All reflections, all scattered.
Life blank,
All repeat everywhere.

All for life,
Life for all.

Gajanan Mishra
Let Me Understand The Truth

Let me understand the truth
Let me know what is pleasure
What is pain in real sense.

Let me understand, my dear

The sky nor to colors.
With my words, I am thinking about
The life in the sky with all
Roofs and roots together.

Let them live, as
They are there to feed us,
They are there to make us alive.

Think a while, if a farmer dies,
Who will give us food to eat?
If we have nothing to eat
How can we do our duties?

Treat farmers as your own life,
Let the farmers live,
All welfare lie in the welfare
Of the farmer, let us realize.

Gajanan Mishra
Let Them Not Go

Let them not go,
Bade no farewell.

They are all yours,

They are with you
In full.

Let them not go,
Bade no farewell.

Let us try to free ourselves
Within us on this
We are not free in the true sense.

Gajanan Mishra
Let Us Turn To Drink

Drink life,
Let us turn to drink.
I find no reason
Why anyone
Turning against
Another when
Everything is
Going on to the turn.
At every turn
So many persons are
Telling us to turn
To one's own duty.
What is the duty,
Yet to define though.

Gajanan Mishra
Let Us Verify

Let us verify
Whether what we see
Is true or false.
Let us verify
What we hear
Is there or not.
Suppose it is there
What shall we do
Let us search with truth.
And truth is there
Where love is there
Where love is there
I am there and where I am there
Everything is there.

Gajanan Mishra
Let Us Walk

Let us walk
And we walk
With the ground
And really
We walk on and on
For the public
Openly in history.
And we arrive
There with love
And forget
The enemies
The murmur of laughter.
The painted egos,
Not ours
We clarified.
And we walk
To dissolve ourselves
In the fire, ours.
The places, we fall,
We count as a guide.
It is all twilight,
And we missed not
Our chance, slight.

Gajanan Mishra
Let Us Work

Let us work
For the development
Of all.
Let us speak
That are good
To all.
Let us go
Where there is
Benefit for all.
Don't go for
The prominence of one
Over another.
It is necessary to build
For all, a better infrastructure.

Gajanan Mishra
Let Us Worship

This world is God,  
God is this world,  
Let us worship,  
with each and every 
action of ours.

All should worship  
one another through  
performance of their duties,  
and us rectify our defects  
remembering all as god.

All is God and  
It is only for Him  
we are here and remember  
No one is committing error.

Gajanan Mishra
Let Us Write With All Senses Awake

Let us write
The poems
With all
Senses awake.

Let us write
The poems
For the reasons
Senses are
Not awake so far.

Let us write
The poems
With love
With care
For that star.

Gajanan Mishra
Let Your Muscles Pump

Let your muscles pump,
Jump, jump, jump,
Under the open sky.

Gajanan Mishra
Letter Body

Everything is there in th letter
And the letter has no letter.
Your body is a letter
You have to read and float
And go further and further.

Are you feeling comfortable?
Have you ever enjoyed your sleep?
You are not at rest
And not seen your body yet
The most valuable gift given to you.

You have not kept the body
In good condition
And the body is taking your care
Read the body read the letter of the body
And go with the body to understand the letter
And make yourself ready to get the nector.

Gajanan Mishra
Letter Of

Letters of administration
Required to unlock
Ornaments belongings
Query not further
Everything made public.

Gajanan Mishra
Letter Of Credit

Remember, a good poem has
A letter of credit.
A good poet can use it.

Gajanan Mishra
Letter To You

Letter to you
My dear, missed
Somewhere here
Before posting.

The words go
Astray? No, never,
Of course, the words
Are not mine,
Yet they have
Sign the agreement
To make friendship
With me.

Words are not play thing, and
I can not say anything I like.

Gajanan Mishra
Letting Me Go

Letting me go
You trembled
I hardly see you
Then and there
The questions I
Asked you
Remain unanswered.

I wanted to go
With you so far
And you were not
There to go
I'm not the person
To remain quite
And you levied on me
Different taxes
That I'm not ready
To pay and you
Say stay.

I went
And you could not
make me detained.

Gajanan Mishra
Level Of Living

Level of living
Potent and potency
Exchanging pleasures
Just pastimes.

Eternal truth
Respected by everybody
We recognized
Impressive history.

What is due
gap widened at slumber
Laugh has no merit
Circumstances no clean.

Gajanan Mishra
Liable to appear
And disappear
I am my dear
And you are there
As before.

You are there
As before
No need to
Describe your nature
You are with
Your glory
That I know.

Gajanan Mishra
Liaison

Liaisoning to some
Extent permissible
Beyond certain point
Direction relation advisable.

This that no
Different yours ours
Otherwise fail to care
And we go with
Suffering and sorrow.

Gajanan Mishra
Liar

My wife
Tells me
Everyday a liar,
Always not though.

And I do agree
Is not a fact.

But I lack
Power to object.
Why?
Answer is there
But I can't express.

I wish
To live,
I know
It is unpardonable.

I realize life,
Inspite of all,
Not so horrible.

Gajanan Mishra
Liberal Speech

Let me welcome liberal speech,
But what is a liberal speech
I have to know first
Before delivering the speech
You should also know what is
The meaning of your speech.
Liberal speech is that speech
Which bears hatred?
Liberal speech is that speech
That is there in a fanatic heart?
Liberal speech is that speech
Which has power to make
My state instable?
Stupid I am! I am searching
Purity in impure mind,
I am searching stream water
In the overcrowded poor
Area of the city!

Gajanan Mishra
Liberated Stage

I know, we are all
At this stage
And it is the liberated stage,
The liberated stage of
Transcendence.
No time is
To misuse,
We have nothing
To scare.
We are here to taste
The sweet honey of life.
We are men,
At this stage of freedom
And liberation.

Gajanan Mishra
Liberation

They should be liberated
Who have right for liberation.

When food is coming to the hungry
The hungry should not go in search of food.

O my dear, when You are with me
Every day every moment I need no fear.

Gajanan Mishra
Liberation - I Do Not Want

Liberation- I do not want
I want love, only love
And I love all.

Gajanan Mishra
Liberty And Fraternity

We have a republic,
Liberty, fraternity
And equality are with us.
Check and balances are
There on this and that.
Let us go with unity
In diversity.
Let us exchange wisdom.
Minimize the difference
Between the haves and haves not.
We have a republic,
Let us maintain peace,
Let us love each others
For mutual developments.

Gajanan Mishra
Libra Am I

I need to compromise
With the situation
If I fail
I have to face
confrontation
I do not like delay
True but
I have to cultivate
The power of toleration
I have my own motion
Own destination.

Gajanan Mishra
Licence Porter

Santosh licence porter
make people happy
with his song and sairy sally.

Santosh licence porter
as great as Oobbamaa
by his stature
so far as service to
humanity concerned.

Santosh licence porter
is always at the station.
To visit again and again
he called me often.

Santosh licence porter
everybodys friend
everybodys son
As if in the station
he is the moon
he is the sun.

Come to the station
to meet Santosh
how Santosh is there
to enable passenger
to reach their destination.

Santosh is
Santosh and you find
in your village also
if you like to hear song
if you like to make friend
with monk.

Gajanan Mishra
Licentious Behaviour

Licentious behaviors
Freedom of woman
Abortion, destruction of
Productive power, ethical
Propriety, moral degradation
So called progress and
Mark of civilization
These are nothing but
perversion and this is
Our generation
Forget about right wrong
Communalism secularism
Nothing like ism in love
In truth in purity of life.

Gajanan Mishra
Life

Externally,
Everyone seems
Happy,
But actually,
They are not.
It is fact
There is love,
But there is
Also enviousness,
With creatures
And they regard
Each other superior
And hence
Serenity is
Not there
With them-
Cause of
All unhappiness.
One must not feel
Inferior also.
Feeling of
Inferiority creates
Burning sensation
And sadness of heart.
All are equal
With nature, let
Everyone realize it
Though differ
In so many external
Activities and manners.

Gajanan Mishra
Life - A Smile

Life - a smile
Live with smile.
Smilling make alive.
Dare not go
Against smile
Grave make you dive.

Gajanan Mishra
Life - A Text

Life - a text,
And each one is
Equal.
Life - a poetry,
Read life.
Life - a performance,
Act upon it.
Life - a culture,
Follow it.
View life
From near and
Go not far.
Simply equal -
Life.

Gajanan Mishra
Life - A Wave

Life - a wave, and
Life - a question,
Love and truth -
Only answer.

Smile is the root,
Love is the fruit.
We are here
To enjoy life.

We are to touch life,
Life, itself is pious.
We are to touch life,
With right cause.

Gajanan Mishra
Life - All In The Light

I am not guilty,
Tell me not anything
In derogatory words.
I am no way connected
With anything, identify not
With any coo or caw.
All season is for life,
Tell not this is suitable
And that is not comfortable.
Read and experience
Everything is written in
Different books.
Life is not a joke
But all in light.

Gajanan Mishra
Life - Celebration

Celebrate life,
Horror, though.

Refine
The characters,
The complexion.

Superb
Everything here.

Heavyweight,
Life.
Celebrate it.

Smile and face,
Laugh at umbrella,
Show your own magic,
Life, wonderful crisis.

Gajanan Mishra
Life - Everything

The power to speak
To see to hear
To think is meaningless
Without life
Only life is
Prime entity.

Gajanan Mishra
Life - Inflammable

I have got my coal-life
From this earth
From this wood.
Earth-mines
My birth place
In dark
In black.

I am not half-burnt
I am not charcoal
O my dear, see me
From the time immemorial
I lie buried
Under You for a
Great length of time.

It is You only
Who knows how to use me
I am human, I am everywhere
Original- black
My work is not black
I am very inflammable
You know and I am used
As fuel by You for
Good purpose
For the welfare of others.

Gajanan Mishra
Life - Language

Language of body,
Language of mind,
Language of heart,
Language of time,
Language of life,
All, together formed
An association
Called the truth.

And the association
Work to produce
Nectar in this world.
Come on, dear friends,
Let us support all
In all transparent ways.

Gajanan Mishra
Life - Light

No solution
To any problem.
But you have to
Adjust with
The situation,
With right vision
And find out the light
In this dark room.

Gajanan Mishra
Life - Matchless

Life - matchless,
Life - ageless,
Life - seedless,
Life - all fearless.
Let life go with words
Stainless, speechless,
Nameless, timeless.
Let life open all doors,
All ways, all sky
And enable all to
Proceed ahead.
Life is all fertile,
Unheard and beautiful
For the man who is in love
And who is in truth.

Gajanan Mishra
Life - Natural Light

Life, natural light,
Language, natural flight,
Invisible I am in both,
Life and language.

I am not mobile,
But immobility is
Not with me.

I take rest
And I leap.
I look forward
And I sleep.

To write poetry
Is my natural instinct
And I am in it.

Gajanan Mishra
Life - Prime

I am in between fiery sun and watery moon,
Am I wrong?
You are in ignorant but I am not.

You say birth and death,
You say waxing and waning,
I say you are wrong.
See me in your true eyes,
I do not grow or diminish.

NO one can touch me,
No one can kill me,
I am here, though,
By the imperceptible
Movements of time.

Think not about death,
Fear not death,
Death is nothing
But it is all your own thinking,
You are just changing
Your own position by accepting
The new and giving up
The old as per your own willing.

Welcome all, always, everywhere,
All time, being the prime.

Gajanan Mishra
Life - Reason

Empty air -
Mud and the sun,
Together in
Sandal wood.

Light and music -
In season and
Out of season
For an earthen reason.

Flower and fruits -
Mixed both in
The same tree to be
Planted elsewhere.

Gajanan Mishra
Life - Still There

Life - still there,
And it is dazzling, see.

Gajanan Mishra
Life - Successful

Think twice,
Tell something less,
Hear more and more,
But take not anything
Accepted in toto.

Keep firm faith,
Go to win the war,
What you have inherited
Show it by work.

Life itself is
All attractive,
Enjoy life in its
Original form
With all perfection.

Gajanan Mishra
Rituats of worship,  
I have forgotten,  
Excuse me.  
I have forgotten  
What I am to do  
At this time.  
I am sitting,  
I am standing,  
I am crying,  
And crying,  
Without knowing  
The reasons.  

Clothing and flowering  
The earth and the sky,  
I have forgotten.  
I have forgotten  
The past and  
The present.  
I know not what is  
Written for the future.  
The situation is not  
Static as you know,  
And I know not  
How to adjust.  

The air, the fire and  
The water all are here  
With me dear.  
And I have forgotten  
How to offer,  
When to offer.  
What for I am here,  
I have forgotten.  
Nothing wonder, I realize,  
It is all for struggle,  
And at every moment  
I face a new chapter.
Life - Truth

Understand completely,
And unless
You have complete
Understanding you
Can do nothing,
In a right way.
But completely,
You understood,
Who is there to
Certify.
As yet, no one
Has returned from
The place he has
Gone. And no one
Is capable to
Tell the truth
So far.
But we say
Life is the truth,
Truth is not
Life, though.

Gajanan Mishra
Life After Life

Life after life
I want to
Compose poems
For you.
All I want
To discover
The truth
Through words
And also
Without words.
And in exchange
I aspire
For nothing.
But I want life,
I want to live
For you
For the truth.

Gajanan Mishra
Life After Life (Janmani Janmani)

I want to take birth
In Odisha, the land of
The Lord of the Universe,
Lord Jagannath.

I want to talk
And I want to write
And in my language,
My mother tongue,
Life after life.

In this life
And Janmani janmani,
I want liberation by
Serving the people,
All are god-like and good.

Gajanan Mishra
Life Air

Life air-
About to leave.
See me, I am
Burning
In the fire of
Separation from
The truth.
Save me
With love,
With all goodness.
Tolerate me,
Let me not suffer,
Punish me
For misbehavior if any.

Gajanan Mishra
Life And Death

Life and death,
And in between
Life and death
You are there
Playing lottery
That is called
Rarest of the
Rare category.
You are there
My dear, in war
And going on
Searching peace
With all odd figures
That are outdated.

Gajanan Mishra
Life And Death- All Temporary

Life and death - all temporary
And all are passing over us.
But we are to enjoy all
Before going to the region
Beyond the sky.
And all exist here in darkness,
But we are the light
To acknowledge life in pure forms.

Gajanan Mishra
Life And Discipline

Mistakes are but common
In life.
Discipline under nature
Is most important.

Ideal character is a must
For a human being.
suspicion and doubts are
Not at all good in life.

Accept not anything
That are coming, of course.
Positive approach should be
There for any success.

Smooth management of life
Is a fine art- to be acquired.

Gajanan Mishra
Life And Dissolution

From the very beginning,
I know the life and
The process of dissolution.

I know certainly,
What they all discovered
During formation.

Life and the duration of life
Are lovely, we have to learn,
And the learning should be
Continuous till the end.

The order of learning
Must be in consonance with
The internal potency and
The power of so many means.

Gajanan Mishra
Life And Filth

I am living like a worm,
I take birth in the filth,
I live in the filth,
And I die in the filth,
And the filth is poisonous.
Here I am the drunkard,
And I fail to stand on my legs.
Such is my life here at present.

Gajanan Mishra
Life And Happiness

Who knows,
Everything
That has happened
In the past,
That is going to
Happen in the future.
And who knows
What for
It is happening
At present.
It is true
We are not allowed
To go
Into that depth.
But we are
To know to
Stay in
All happiness.
But we are to
Remember, we
Cannot have
Happiness in
The way we desire.
I am sure,
It is not there.

Gajanan Mishra
Life And Hunger

Thirst and hunger
Can never get
Satisfied
And quenched.
And hence, protect
Yourself and your life,
My dear, from worldly
Pleasures-money and women.

Gajanan Mishra
Life And Its

Life and its
Changing nature,
That I love.
I have no alternative
But to love life
In a finer form.
Before this life
And also after this,
My love is there
And I am tied with
Affectionate bondage.
Graceful life, I know,
And I here I am searching
My bona fide master.

Gajanan Mishra
Life And Lightning

Life and lightning,
sun and moon,
Rain and rainbows,
All are there.

Nothing is impossible
With the presence of
All the above.

All the above are here
For flowers,
For the world.

Eternally all are one,
They, all are
The manifestation of
Truth and love.

Gajanan Mishra
Life And Music

Life is earthly
Life is lovely
Life is a music
Life-music is
Unearthly and
Lovely
Let us enjoy
Life daily.

Gajanan Mishra
Life And Night

Do you want to live?
Answer in yes or no.
Do you want to eat?
Answer in yes or no.

Going beyond
Yes and no
Is a great thing.

Do you want friendship?
But let me request you
Keep not attachment anywhere
With anybody at any time.

What I mean to say,
Create not enmity
But treat life as night.

Gajanan Mishra
Life And No Enemy

Life and no enemy-
How can it be possible.
I am my enemy
And my life is horrible.

Grief is there
And it cannot be removed.
War is there and
It is necessary
At every moment
To prove worthiness.

Nowhere, no one can
Get undisputed sovereignty.
Nowhere, no one is
Happy and in peace.

Gajanan Mishra
Life And Other Life

Life and other life,
All are together.

All lost
In anger.

No opposition
To extradition.

All in jail
With own body.

Gajanan Mishra
Life And Rules

Life is not ours,
Rules are ours.
We are here with music,
Music of life and
Life is crossing the time
But not the music.
And at this time
We are enjoying the fun
That is in love.
Love is ours
But not the truth.
We must honor the truth
That is there
In our own complex.

Gajanan Mishra
Life And Rules And We

Life is not ours,
Rules are ours.
We are here with music,
Music of life and
Life is crossing the time
But not the music.
And at this time
We are enjoying the fun
That is in love.
Love is ours
But not the truth.
We must honor the truth
That is there
In our own complex.

Gajanan Mishra
Life And The World

I am silent,
I feel
No needs to
Utter words.

Words play
Treachery at times,
And time not
Belongs to anyone.

No benefit
From doing anything,
No rule or regulation
Is also fixed.

Life is in laxity,
But lawlessness not permissible.

Gajanan Mishra
Life And You

See the unseen, my dear,
Hear the mute, and
Understand the vague,
Life is there with you
And that is the only truth.
Meet the beauty that is in you,
Approach justice in riot city,
Save love in life that you receive.

Gajanan Mishra
Life And You, Dear

Jubilation and
Lamentation -
You are to receive
Together, dear.
Be cautious with
Your mind.
Pure knowledge is
Here and it is yours,
Wherein nectar is
There only for you.
Take all the experiences
Into account and
Stay far from
Illusory sights.

Gajanan Mishra
Life As A Whole

Material body,
Miserable life.

Very salty,
Very sour,
very  bitter,
Very pungent.

Condition terrible,
Life horrible.

Moment after moment
Almost intolerable.

I forget everything,
And nothing is
Under my control,
Difficult as a whole.

Gajanan Mishra
Life At Its Purest

Life at its purest, O my dear
By Your grace, I pray
Grant exclusion devotion and salvation to all.

Gajanan Mishra
Life Attacks

Life attacks us
And we injured.
But we continue our
Dreams as before.

Gajanan Mishra
Life- Auspicious

Life - auspicious,
No obstacle can
Make life stop.

Gajanan Mishra
Life Beauty

Life beauty,
All empty.
The light,
The meet.

The pulse
I love.
The day
I breathe.

Life reveals
Words in the tongue.
All reverse,
All awesome.

The place and
The time
Not mine, and
I begin my journey.

All uprising,
All and everything,
dazzling and burning,
And in all, I am living.

Gajanan Mishra
Life Become

Pray for the relief
You want
You are to pray
To establish your right.

Here you are
As a prey
And you do not know
Your life
Going grey.

Gajanan Mishra
Life Begins

Life is here,
It is great,
Life begins.

It is water world,
It is cooled.

It may be true,
Life is brought
By comets and
Meteorites.

Energy is there
In hot springs.

Organic soup formed,
Molecule begins to
Make copies of itself.

Gajanan Mishra
Life- Beyond The Sky

Straight- the road of the sky,
We are straight here,
And we fly.

Our road,
You, who are here,
May see the blank space.

Blank and space,
Cross it, life is there.

Gajanan Mishra
Life Blossom

Life blossom,
Here but not opened,
Life blossom,
In the world,
The world not opened.
Life is to enjoy
With music of the time.
Time is here
To play with life.
Hours after hours
We see and discover life
In different ways
With bound and unbound
Elements all around.

Gajanan Mishra
Life Boon

I like flower in the tree
I like bird in the sky
I like woman with free move
I like man dare to conquer
I like morning with sun
I like evening with moon
I like noon
That is life boon.

Gajanan Mishra
Life Break

Life break
At every second.
I take life
Not an easy method.

So many messages
Are there
At every morning,
But I fail to read.

The sun laughs at me,
So also the moon.

The night cry for me
As I forget
The grass root.

My life is
Not mine, I know.
And I leave
The carcass to
Maggots.

Gajanan Mishra
Life Calls Us

No source, no income,
Still, life is here.
And we enjoy life,
Through mutual understanding.

Life-span differ,
So also the standards of living
Differ.

In dream, in awakening,
We live and enjoy life.
Life calls us,
At every moment.

We live,
And we see
The nectar here.

Gajanan Mishra
Life Circus

Do not call me fire
Do not call me ice.

Love is not a market item I like
Hate is there with it.

I am with spring
in this month of February
In cruel version.

I am calm and
Observing the
Stream of blood.
Because I am here
Spring is with me
Keeping life circus.

Gajanan Mishra
Life Composition

Do not express
What you think.

What you think
Use it in action
And your action
Give motion
Life composition.

Gajanan Mishra
Life Consists

Life consists of
Lion snake mouse bull
Life consists of
Eagle-garuda owl peacock
Come on lifeline and hug.

Life marks onset of
New inspiration new invention
To pay attention is must
Life reveals globalisation
Generalisation specialisation.

Life is to enjoy moment
No one be debar
Have open heart
And clear mind
After all life is life.

Gajanan Mishra
Life- Cry Not, Cry Not

Cry not, cry not dear,
The truth would save you.
Think not, think not
About loss and benefits,
And go on doing
What you think the best.
Time has already arranged
And you would be glorified.

Gajanan Mishra
Life Cycle

Living procedure
Not under
Any one's control.

Not useless also
Any one's life
Here at any moment
Nothing is
Without any purpose.

Ascend or descend
That is same
First or last
Lost meaning
In this circle.

Gajanan Mishra
Life Death

No source of life
No source of death
If you want to fly
Nobody to object
If you want to stay still
Stay still.

Gajanan Mishra
Life Discovery

Search me out, 
If you can. 
But tell not 
Anyone who I am. 

I am 
What you imagine, 
I am 
What you get. 

You appear 
And you discover. 
You find the cause 
And you plant the tree 
As the herbs. 

What a nice time, 
You utter. 
And you said 
Okay then, 
Let me burn. 

I am there 
On the top 
Of the mountain, 
I am there 
On the root 
Of the ocean. 

Search me out 
If you can. 
And then 
Tell all 
What a life 
You enjoy. 

Gajanan Mishra
Life Divine

Life divine, divine life,
Again and again, here
It is blooming, blooming.
No where to go, O life,
You are mine, only mine.
I am here with you,
For the love you give
With all sweet-waves.

Gajanan Mishra
Life Dream

Life is a dream
And I am therein.
You are there
In the dream.

What are you doing there, dear,
That I can't say.
What am I doing
Also not known to me.

I record my own voice, at times.
Confidently I tackle the fire.

Water is my think-tank,
Still, I failed to know,
With pieces of evidence and
Incidents of the underworld.

Gajanan Mishra
Life Drink

Nothing to sink
Becare and go.

You are on the road
And the road is
Yours.

Future is at your hand
Remember you are
at your end.

Remember after your
departure I
remain here for ever.

Nothingb to sink
It is you who
DRINK AND DRINK
LIFE DRINK.

Gajanan Mishra
Life Factor

It is life factor
That says who you are, my dear.

Just bid
And say where you are at this time.

The time is nothing
So long as we stay here.

It is but our resolve
In the present situation.

You can enjoy it, my dear
Saying accelerated depreciation.

Gajanan Mishra
Life Floats

Life floats
In fire.
And fire floats
In water,
Water floats
In the sky,
The sky floats
On this earth.

Gajanan Mishra
Life For Life

Do not follow the principle of
A life for a life
Death sentence is not proper medicine
To kill malaise.

Lord Jesus said Forgive and forget
If it is not possible in practice
Nothing will be gained by killing
The mortal body of a creature.

A man is dead when he is ignorant
And deprived of True knowledge.

Gajanan Mishra
Life For Truth

Life for truth
Truth for life.
You are the creator of life
That I know,
I kn9w not who is
The creator of truth.
I heard truth and You
One and the same
Without any change.

Gajanan Mishra
Life Format

Life format
is not like that
as you imagined
and it is not
like that as and
when you think
you can protect.

Life is not your choice
and you have nothing to
do with this life format
I know that and i know
You are not free to
choose anything here
as it is already set.

Gajanan Mishra
Life Fresh

Life fresh
Evening and morning.
Time stagnant
Night and day.
Question and answer
All muzzled.
All rust all thoughts,
Time gobbled all.
For tenderness
We travelled a lot.
For the horse
We care not.

Gajanan Mishra
Life Gives Happiness

Life gives happiness,
See life, enjoy it,
But be not envious.
Still, I appreciate you,
What you are telling-
All truth.
You are the embodiment of
All pleasure, but stay cautious.
Men, vehicles, vitality
Everything is with you.
By your very nature,
You wander and not
Able to consider yourself
As the truth.

Gajanan Mishra
Life- Good

Good feeling is
There in my life
That I am living.
And I am telling
In my truthful words.
Let me clear, words
Are not mine and hence
Words are in true form
That I cannot say.
Let me say, still
I am fulfilled.
And I am purifying
Everything that are
Here for all.

Gajanan Mishra
Life Has Its Purpose

Life has its purpose,
Let us understand
And know the truth
That is in the beauty
Of this life.

Gajanan Mishra
Life - Imprisoned

Life - imprisoned,
Time - conquered.
With love and freeness,
Fragrance confirmed.

Gajanan Mishra
Life In A Wave

What is generated there
That I know, and it is all
Due to lotus flower.

Lotus flower, lotus flower,
Are you there and what you are,
That I want to know.

And I know it is all four,
Here, there like that star.
The star wants to sleep,
But it is all a mischief.

I wonder how the living beings
Are so anxious to play.
But I realize it is all truth,
In a great circular wave.

Gajanan Mishra
Life In Brief

All good,
Tell about
Life in brief.
Understand life
In relation to the truth.
All good,
Stay free
Without any doubt.

Gajanan Mishra
Life In Devotion

Say something,
Say nothing is
Unaware of
The things, dear.
While saying
Be careful about
Law and order.
Life, though,
Full of miseries,
In life only
One can attain
Highest perfection.
Stay fixed
In devotion.

Gajanan Mishra
Life In Exile

Give me a chance to write
Without any fear
Give me a chance to live.

Gajanan Mishra
Life In Fire

I am in fire,
It is all fire.
Fire fire fire,
Only fire is here.
Take care, my dear.

No welfare, but desire,
That is there.
Hear, call from
The dark star.
Be cautious, my dear,
Smooth road is far.

Fire fire fire,
But no light is there,
Take care, take care.

Gajanan Mishra
Life In Heaven

Take responsibility
And get peace.
Get peace and
Live a life
In heaven.

Heaven is within you,
Convert not heaven
Into a hell.
Hellish life is
Really painful.

Actions and reactions
Both are yours.
Go not with them
For the good of your own.
Leave all or
They all are there
To leave you.

Life is but the truth,
Hold it tight.
And truth is in love,
Love all without any
Discrimination, my dear.

Gajanan Mishra
Life In Hope

With this I am
Looking before I leap.

Precept not in work
Example is better
My lovely dear.

It is my strike
To your red hot iron
That comes to position.

Gajanan Mishra
Life In Space

See the stone
And say
Where is its life!

See, we are all
In space,
Are we living!

May I pray
To follow the path
That is real!

O my dear, come on
And acknowledged yourselves
That you know all that.

What is known
That is the unknown.

Gajanan Mishra
Life In Sun

Life is there
In the sun
And also
In the moon.

The moon is there
In us
And we are
Trying to
Pull the sun.

The sun is there
In the moon,
And we are
Waiting for a verse
In the noon.

The sun
The moon
And the life
All are here
To give a
Clear picture.

What would be
The picture
I ask the poet
To draw
In words.

And the words
Are with the people,
And we are to
Enjoy seeing
The life of
Each couple.

Gajanan Mishra
Life In The Moonlit Night

Life in the moonlit night
With full of fortune's grace
I enjoyed on the sea shore.

I am engaged in my own household
Works and wasted so many years
As not ready for exhibited detachment.

In any case I understand fractions
That are there in my senses
And I marked the transactions cancel.

Gajanan Mishra
Life In Words

That poets lead
Come on with
New images
Conversations and
Colors.

Here in poems
You can find
Honesty wisdom
And courage
That immortalized
The poet.

Poem and the poet
Are here for that.

Gajanan Mishra
Life- Independent

Reality is
Life- independent
Would grow.
Known to all
About play
Of power or
Say powerplay.
Life is not
For a single purpose,
But for diversification,
Life is not.
To fulfill the gaps
That are there
With nature.

Gajanan Mishra
Life Is A Beauty

Life is a beauty
See here see there
See then see now.
No more you will find
Problem in life
No pain no disease
No suffering and nothing.
What is happening in life
Is all for good
All for life
And not for death.
Life is a celebration
Celebration of joy and
Happiness and see
Life is blossoming.
Playing dancing singing
All in one in life
Enjoy life within
And also outside.
Life is a reason
Life is a season
Life is a beauty
Just have a vision.
Life has a meaning
Life is increasing
And look life-affirming.

Gajanan Mishra
Life is music,
Hear it,
Enjoy it,

Is at your disposal now.

All curiosity, dear,
Each is curio here.
Experience life
With every newness
And live afresh.

Gajanan Mishra
Life Is A Struggle

Life is a struggle,
Go on struggling
My dear, but remember,
You are struggling
With you. No one, but
You, alone here.

What shall I do,
Ask yourself, my dear,
And go on doing
What you feel right.
But, remember, dear,
You, alone here.

No one, but you
To get all and
You to leave all
For good.

Gajanan Mishra
Life Is A Tree

Life is a tree that has twelve branches
Life is a branch that has thirty fruits
Life is fruits that is sweet and sour

Life has no head no tail no beginning no end
Life is everywhere and life is a day
Life is a month life is a year.

Gajanan Mishra
Life Is A Wheel

Rolling repeatedly
Up and down
And it is the real problem.

To overcome this problem
You are to see and touch
The Ultimate Truth here
That is there within you.

Gajanan Mishra
Life Is Above All

Life is above all
Give respect to a living being.
A living being is a God.
Buildings, riches are useless
Only useful and most valuable
Is your life, my dear.
Give the life a chance
To go with truth
And allow the life to love.
Love is the basic needs of life
Without love life is nothing
With love let life accepted by all.

Gajanan Mishra
Life Is All But

Life is all
But painful.
Pain is
Everywhere
But gain is
Also there.
Life is truth
And truth is
There where
There is love.
Love, love,
Love is
The only answer
Here.

Gajanan Mishra
Life Is All Perfect

Life is all perfect,
Let us understand
The language.
The language of
Nature.
So fine,
So sweet and
Full of beauty.

Gajanan Mishra
Life Is All Successful

No chance of failure
As life is all successful.
Live peacefully here,
Nothing to worry
At any time.
But to see and observe
And inspire others.
No dreadful, but face
All-embracing here.
All is there in realisation,
All is there in modification,
All is there in repetition.
But life invokes love,
Transcendental ecstatic love.

Gajanan Mishra
Life Is All Truth

Go not with false impression
That life has no role to
Play in truth, but life is
All truth, remember it always.
Life and truth are two sides
Of the same coin - time.
Use life in proper way
And love all for all welfare.
Reading, writing, eating, sleeping,
Walking, running and so on and so on
Are but part of life.
Life itself is ours, we are
Not able to know the recognized
Path, here often, though.

Gajanan Mishra
Life Is Always

Life is always,
Always empty,
Absolutely empty.
But we are
Searching something
Knowing fully well
That there is nothing,
And nothing.

We think ourselves
Wonderful thinkers
And we think that
We are here to
Change the course
Of actions for all
Going beyond
The nature.

Life is always empty
And I think, my dear friends,
There is nothing to understand.
If anything left out
Then that is the only truth.
Truth is also nothing
And an empty hole my dear friends,
Just look in to yourself alone.

Gajanan Mishra
Life Is An Ocean

Life is an ocean
Life is an ocean full of nectar
O my dear, go for churning
And living in peace
Executing truce with all.

This world is not for fight
But to live in peace
With full cooperation and
Coordination with all
Go for living, my dear.

Love is the nectar, my dear
You can do here everything
By the power of love
Love all love love love love.

Gajanan Mishra
Life is really confusing,
It is as clear as confusion.
And we say at times
It is operational part.
Life is for realisation of truth,
But what is truth and where it is
That no one is there who can know
But life is illuminating here.

Gajanan Mishra
Life Is Beautiful

You enjoy or not
Different issue,
But life is beautiful.

Gajanan Mishra
Life Is But A Process

A phase of transformation,
From developing to developed.
And in this process
Where we are difficult to assess.
Let us stay impartial
To view correctly - life.
As nonexistent.

Gajanan Mishra
Life is but a spark,
It is all beautiful
And all glorious.
Life started,
Seas and oceans
Agitated.
Life come in,
Darkness goes out.

Let life flourish,
And all the stars and planets
Are but a manifestation of life.
I exist means I have life,
I want life and nothing more,
I live life with truth.

Gajanan Mishra
Life is but
An acute source of trouble.
And trouble is nothing
But the life that flourishes.

Life is a dream,
And the life is also
covered by the dreams.

Thinking everything okay
We start our journey
Through the dreams,
But the dreams, if high,
Can enable us to proceed forward.

We know perfectly well,
We can't march without looking backward.

Gajanan Mishra
Life Is But Truth And Beautiful

See me alive,
I am really alive
With your love.
I live in truth,
Truth is here
In me.
I search truth
In life.
Life is there
In light,
And light is
There in life.
Life is beautiful
Only in truth.

Gajanan Mishra
Life is a contract
Between nature and me.
And I know we are both
Inter-dependent.
I am always trying to
Go beyond nature
And nature is always
Trying to keep me
In bond.
We are both independent
But we cannot do anything
Without the help of another.
See me, here I am. And
See also, there is the nature.

Gajanan Mishra
Life Is Costly

Living is costly

Costly life

You are with me
You are in me
And I am You.

Gajanan Mishra

But the dream of the sky
And the rhythmic silence.
And what is silence?
Just observe life.

Gajanan Mishra
Life is the mixture of
Knowledge and mysticism.
Life is the inconceivable
Pastimes of each entity.
Life cannot be disclosed
Itself at any time,
At any situation, anywhere,
For any purpose, by any one.
Life cannot be separated
From anything, by anyone,
Life can be understood only
Through love that is within.
Life can never be miserable,
But can be enjoyed anywhere.

Gajanan Mishra

Life Is There In Every Word

Three words;
Love, trut
And trust.
Three tense;
Past, present
And future.
Three lines;
I am, you are
And the world.
Life is there,
In every word
Of love -
In truth
And in trust.

Gajanan Mishra
Life is there in rise and fall,
But life is the fruits of love,
And love has no rise and fall.

Gajanan Mishra
Life is there in thirst,
In hunger, in grief.
You can able to know
What is life in thirst,
In hunger, in grief.
In every now and then
You have to count
The bubbles, the waves
And cross over the sky.
You are to stop there
On the other side of
The river and say to self
How far he is right
And enjoy infinity.

Gajanan Mishra
Life Is There In Truth

Let me permit to tell you,
But what is there to tell,
I know not, I know everything
Is open and transparent
Like the blue sky.

And where is the blue sky,
It is definitely within you.
You may asked yourself and
Get the answer you desire,
Believ me not, if I am a liar!

But what is a lie?
Is there anything called a lie?
If you are kind enough
Tell me the truth.

Gajanan Mishra
Life Is To Live

Life is to live,
And to live
We have to bear all
Pain and pleasure,
We have to see the flowers,
And hear the thunder.
We have to walk on the fire,
And swim on/in water.
With time we have to compromise,
Like stone, like tree,
Like the sky, we have to
Stay on this earth.
Life is there,
Like the dazzling star.

Gajanan Mishra
Life Is Visible

Life is visible
Everywhere,
In stone,
In earth,

In word in rhyme
Make me awake
Make me caution.

Gajanan Mishra
Life Means

Life Mixed With Truth

Let me invoke you, my dear,
To remove the stumbling blocks
That are there in my life.

There in all.
Since I have an inclination
Towards you, I am prompt and
I am alert here.
I know life is like a flower,
And with love, life emits
Sweet fragrance when mixed
With the truth of this world.

Gajanan Mishra
Life Of Butterfly

Please watch,
Watch the life
of the butterfly.
And the butterfly is
here and there doing
business freely in
distributing pleasures.

Pleasures that are here
in me. Is it locked up?
and who has done it?
Where is the smile?
The butterfly knows
everything but alas,
I have no time to ask.

Gajanan Mishra
Life Of Laughter

I want to do everything
I want to go everywhere
I want to take everybody
And you laughed at me
I said no problem
I can cross the line-life
Problem is you are within
Your circle that is
Never ending still I
Love you as a first viewer.

Gajanan Mishra
Life Of Sacrifice

The life of wife and husband
is a life of sacrifice for the
Sake of holy children.

A wife is a wife
Part and parcel of her husband
A wife is not to depart
From her husband
A husband is not to
Divorce his wife
For the sake of holy children
The life of husband and wife
Is that of sacrifice.

Gajanan Mishra
Life on sea-shore
In a year
And a year has twelve months
That signifies twelve animals
And it is love of animal you say.

Let us begin with your saying
January-rat
February-ox
March-tiger
April-rabbit
May-dragon
June-snake
July-horse
August-sheep
September-monkey
October-cock
November-dog
December-boar
And here you see
Complete the life
And all are in five
You are to think
What are the five.

Gajanan Mishra
Life Pickled

Life pickled,
Life is a spice pickle.
Life is also a river
And it is very dangerous,
Only poems can save you.
But more dangerous is poems,
If you dive in to the poems,
You cannot perform any other
Works that are here, my dear.
But in poems you can find
All nectar. Permit me to
Utter something more that
I suffer with the words and
Its meanings that are sweeter.

Gajanan Mishra
Life- Science

It is science-
This life,
Pure one.
Preliminary report
Hold it good.

Production and
Maintenance and
Destruction-all
Are one
Without any difference,
External or internal.

Life and
Living entity
Are not the same
And also, not one.

Body is just like
A machine, but
We are living and
We are far above
Any machine.

Living spark is there
Within us.
Consciousness is there
Within us.
Knowledge is there
Within us.
Love is there
Within us.
And life is nothing
But the combination of
All.

Life is science,
Life is also an art.
We seek life
Only for life sake.
Compassion and humanity-
Criteria of true creatures.

Gajanan Mishra
Life Started

From pink to gold
Gold to green
Green to yellow.

Death ends
When life started
Without fear
And in cheer.

Gajanan Mishra
Life Starts

Life starts
At every moment
With the rising sun.
The rising sun starts
Journey with hope,
Hope to get love.
Love starts
When the truth is exposed.
And the truth exposed
With a transparent sky.
And the sky looks
Towards the earth,
And the earth smile
In my actions.

Gajanan Mishra
Life Style

Yes, you draw
Your senses
From all directions.
And withdraw them
From the sense-objects.
And by doing this
I know you want
To make your mind steady.

Gajanan Mishra
Life Successful

I am conscious,
Conscious of the difference
Between the present and the past,
And I am always careful.
I know great opportunity is
Here with me and I am
Determine to tell all
The truth that is here.

Gajanan Mishra
Life- Surrendered

No taste,
No inclination,
And see
I have surrendered
Everything to you,
And I stay
Free from all worries,
All sorrows, all doubts.

Gajanan Mishra
Life- Sweeter

No one but you,
The truth, can
Mitigate my distress.

My fortune, you,
My love can go
And touch me there.

My love, nature,
Is there with me,
And I am there
With my joy.

Life, as such
Is sweeter with
The song of the air
And the water.

Gajanan Mishra
Life To End

Life to end,
But peace to find.
Peace to find,
But the war to fight.
The war to fight,
But life to live.
Life to live
With no ending.

Gajanan Mishra
Life Truly

Life truly
Belong to earth.
I am the earth.

Earth, I am
And you beg me
A flower.

A flower - my poem,
And therein
You discovered
Your identity.

Eternally
I am the heartbeat,
And you are
There in me.

Gajanan Mishra
Life Truth Love

Life truth love
Come and see
You are above all.

You are supreme
You are divine
You are in principle.

O my dear
You are always
Delivering justice to all.

All are equal for you
And you are for all people.

Gajanan Mishra
Life Turns To Water

Life turns to water,
Water turns to air,
Air turns to fire,
Fire turns to the sky,
The sky turns to earth.
And earth is life,
In life love, and truth
Play vital role.

Gajanan Mishra
Life Unlimited

Life Unlimited,
Life very deep,
Life unfathomable,
Let life flourish
With the ocean
And the sky.

Life is mystery,
Life changes areawise,
Life value time,
Life is holy,
And life is life,
With a meaning.

Life glorify all,
With no life, everything falls.

Gajanan Mishra
Life- What Is It Like

Life- what is it like,
No one is there
To explain you in detail
And in the correct form.
No one is there
To come to the point of truth,
To undergo any modification
And to convey good intention.
As usual desire and
Aversions are there.
And enumerators are there
To say so many things
Related to their experiences
Here that bear values.

Gajanan Mishra
Life With Love

Realize the importance of life,
Realize the importance of the task
You are entrusted with.

You are allowed to react,
You have that right but
You should know your responsibility.

I am here to see how you are
Enjoying life with love and in truth.

Gajanan Mishra
Life With Meaning

Life with meaning
We are here, my dear,
Worry not, it is
Just a means to an end.
Life is a median
And we are all within that
Meed is no matter
We should be at first side, clear.

Gajanan Mishra
Life Without Fear

Love and live,
Live and enjoy life.
Life without fear
Is the best here.

Gajanan Mishra
Life Without Words

Life without words letters
Sentences sounds is difficult
To live.
Life without air water light
Earth sky is not possible
To live.

Life with water
Water and water
It is water-war now
Between you and me
Between village and village
Between country and country
Within this world.

Life with air
Air and air
Only polluted
Without tree
Life at risk.

Light of knowledge
Is lacking in life
And life becomes
In dark
No use
Dog's bark.

We are on earth
But earth is not ours
We are destroying the earth
With no berth.
Let us fly
And we have seen
No sky.

No word is there to utter
No sound no letter no sentence
We are in fence
It is only our ignorance.

Gajanan Mishra
Life Without You

Life without love
Life without Truth
Life without You
Is actually poverty.

I perceive You, my dear
I perceive the real wealth
I realize true knowledge and here
I am in the state of eternal peace and bliss.

Gajanan Mishra
Life- World

I am deeply concerned with
Economic development,
Sense gratification and good duties.
Understand me and my purpose,
Stay conscious and follow my exemplary behavior.
But imitate not anything,
And show your own originality,
I would be pleased.

Gajanan Mishra
Life Worthless Without Love

Life worthless without love
I must say one who is
Attached towards love
Is fortunate and great
In love faith is most important
We realized and it is our faith
We see and it is our faith
We hear and it is our faith
We pray and it is our faith
Love is the basis of faith
Faith and love makes life
Beautiful and colorful
Life is to realize self
Self is the Ultimate analysis
All powerful omnipresent
Love is the birth right
Without love life is worthless.

Gajanan Mishra
Life Written

Life written in poems
On white canvas with
Colourful inks sails spread.

Poems written with life
Up above the words that are
There in the stars of the sky.

The sky and the ocean all
Are together formed poems in life
That are blossoming on the earth.

On this earth we discover so many
Creatures live for all good and
For disclosing the real meaning.

I am waiting for the words,
In this life of the trees and birds.

Gajanan Mishra
Life, For Whom?

Life, for whom?
And what is that to others?

Life, the universe,
And it is missed.

It is not merely
The pulsebeat.

Life, a chain
In sunrises.

Life - a dazzling star
In the sky.

Over and over,
It is all cured.

All nectar,
All pure.

Gajanan Mishra
Life, Light

Life, light,
Loan leather,
All are here
With the music
Of the river.

Grass, smoke,
Picture, factory,
All are here
In silence
With words.

All are
In cold,
In hollow
Like movie
Of the sky.

All are busy
In play,
All are there
Together to
Show how lonely
The period is.

Nothing novel,
But all are
Well-acquainted
With multi-coloured signs.

Gajanan Mishra
Life, Sword And Shield

Life is moving
With swords and shield,
But we are for peace.

Gajanan Mishra
Life;

Life;
As soft as a brush
And the brush
Is the tail
Of a fox.

Life;
The greatest gain
And we are here
For each other
In love.

Life;
Not to loss,
Not to forget,
Not to die.

Gajanan Mishra
Life-Air

Air is there -
Uncontrolled.
And it passed
Every direction.
Life is there
In the air.
Air is life,
But life can be
Controlled.
Life can't travel
In all directions
Unrestrictedly.
Life-air is there
For a certain purpose.

Gajanan Mishra
Life-Bomber

Life-bomber
December
Full of joy
And laughter
Opens new chapter
In December
My dear
My love
Remember
Our union
Growing better
And better
This December
Remember
Our life-spinner.

Gajanan Mishra
Life-Death Bicycle

Keep a balance and
Move forward, you are
Riding life-death bicycle.

Gajanan Mishra
Life-Death Border

Raining raining and raining
Everywhere there is forest
There is mountain and rain and rain
Forest is full of trees
Mountains and mountains full of
Stones trees and stones stones
Here is a stream here there is water
And it is the border we must cross
Lion and lion tiger and tiger
Here there is a river come and
Come till completion of over
Over of time age birth death
Come my dear friend we are all
Here to make merry to get pleasure
And to cross life death border.

Gajanan Mishra
Life is the best fair
For doing good business.
Life is really good
With all fairness.
Mark the response there
In life with all goodness.

Love life with greatness,
Life is the best fair
For doing good business.
Here is life and it is yours,

Right from the very beginning
Set an ideal example for others,
Be attentive and observant,
Plan actions and minimize errors.

Gajanan Mishra
Life-Fight

Life is a fight
Let us see
Who is the winner
And who is the loser.

Life is love
Let us see
Who is the lover and
Who is the beloved.

It is all but truth
Let us collect the data
And place on the table
That is wonderful.

If any defects are there,
Correction is advisable.

Gajanan Mishra
Life-Journey

I am not walking
And I am unable to walk.
The place from where
And the place to where
Is also not known to me.

Where am I
I cannot answer
Ask me not anything
About the place, time
And the purpose of the journey.

Gajanan Mishra
Lifeless Towards Sky

Nameless, lifeless,
I want to stay
With all nothingness.

Take away all
That is with me.
Take away the earth
And the sky.

Let me stay
With my madness.
Let me go
With my blueness.

My shade is with me
Coastline, and I am
So to say fine.

Gajanan Mishra
Life-Light

Life is present
It is in light
It is light
Life is transcendental
Life is final
It is world class
Life is luminous
With progressive actions
Life is plus and plus
It has no minus
Life is present
Come to life
It is live.

Gajanan Mishra
Lifelike Star

Never empty,
All filled
Always.

All sit, all dance,
All sleep.
No one is idle.

No divisive tendency,
No urgency,
But life moves on
As good movies.

All in discipline,
All like television,
All with truthful statement,
Lifelike bright star.

Gajanan Mishra
Life-Long Enemy

My love,
My joy,
My success,
My friends,
My kith and kins,
And they
Whom I think
My own.

Gajanan Mishra
Life-Long Experience

Life-long experience
Has something to do
Here in this world
At this time, express it
By words and by works.

By words and by works
Be truthful always
Everywhere all times
Keeping all in the ocean
Of light with smile.

While delivering words
While performing works
Keep in mind, nobody is
Your friend and nobody is
Your enemy at any time.

Keep in mind, one thing
You are for all and all
Are for you only and
A deep rooted relation is
Always there within.

Think not anyone ignorant
Think not anyone full of knowledge
Think not anyone a different kind
And keep not too much attachment
And acquired experience at every moment.

Gajanan Mishra
Life-Love

Take whatever
You like,
Take freely,
It is all free,
Here under
This love tree.
And it is poetry,
My life poetry.
But I follow,
Follow no one,
But my own self.
And I realize
I am not dirty,
No one is here.

Gajanan Mishra
Life-One Way Traffic

Life is one way traffic
No return back from here
No compromise with time
And nothing is there
As adjustment anywhere
One may call it mystic
But life is as plain as
And as transparent as
The blue sky above and
As tolerant as earth below
If one has tolerance
He is eligible to get
Bliss and knowledge
For ever here.

Gajanan Mishra
Life-Partner

Being my life-partner -
Why you are charging
At this time when I am
Going upwards?
Hearing worthless words
Why you are getting pain
All of a sudden without
Any specific reason?
YOU are here with me always
And I am here with you
To mitigate all doubts
That are within you.
Stay still like me
I am here to take you
To the place of peace and
Stability. I am here to
Help you, to cooperate you
In each word and work.

Gajanan Mishra
Life-Poetry

My life
Itself is
A poem.
I am
In life-poetry.
Read me
If you so like.

Gajanan Mishra
Life-Poetry, Read It

My life
Itself is
A poem.
I am
In life-poetry.
Read me
If you so like.

Gajanan Mishra
Life-Rope Is Made Of Three Strands

Life-rope is made of three strands
And the Almighty God holding this rope
Made us dance day and night.

My universe my mother consists of these
Three aspects of Tamas Rajas and Sattva
These three Gunas are modes of Prakriti
Ultimate cause of all things.

My mother is all in one
Conduces to the good of all
My mother is the creative preservative
Protective principle of my world.

Tamas= ignorance, darkness
Rajas= Passion,
Sattva= goodness
Gunas= nature, components
Prakriti= nature

Gajanan Mishra
Life's Cycle

Turns on,
Turns off,
Let it go
Life's cycle,
On its own road.

Ever and never,
Living or dead,
With all wonders.
For namesake,
Just move forward.

It is all in light,
But no clarity.
It is all life,
All earth.

Gajanan Mishra
Life's Expansion

Life's expansion
Through experience
Is necessary to
Overcome
The vicious circle.

Be prepared, my dear,
To face falsehood, cheating,
Violence at home and abroad, and
Protect yourself from horrible time.

Gajanan Mishra
Life's Nectar

Song is life's nectar,
Sing a song
At least for me,
Only I am here
To listen you, my dear.

Truth is there
In your song,
Song is there,
In your lovely voice.

Sing a song,
I want to listen
About life,
That is in truth,
That is in love.

Gajanan Mishra
Life-Side

Morning, morning,
Near you, I am, life-side.
I like you and your drawing,
I like you and your sky-dye.
The sky and the earth
All are there and my going
Through the hills and the rivers,
And the field and the oceans,
And also outside my own life.
I resemble morning in rising sun,
I assemble all that are life's fun.
Those near me, I call them off,
And those far from me, I call them in.
My dream, my best friend, morning.

Gajanan Mishra
Life-Song

I love,  
Song,  
The song has  
Own life.  
Sweet and sound,  
Straight and round,  
I discover here  
And I found.  
Song of clay,  
Song of trouble,  
Song of life.  
I love song,  
Cold and unfold.  
True song,  
Love song,  
Mine and yours, dear.  
All joys,  
All virtues  
Are there in song.  
I sit, I sleep,  
I walk and I  
Proceed ahead  
With the song  
Day and night.  
I breathe with song,  
I want to hear  
My own tongue.  
All nature is here  
In the song,  
I meet all,  
I counter all,  
In the song.  
And the song  
Gives me  
New dream, new stream,  
And all newness in life.  
I love song,  
Where you are  
There all the time, dear.
Gajanan Mishra
Life-Tree

I like the life-tree
I also like tree-life.

And here our drama start
I am asking question
Relating to eyes ears
Nose mind and mouth
And You remained silent.

True is that You are
In the fire, seeing the world
And fire itself wonders,

Gajanan Mishra
Life-Truth

Expectation too high!
Is it?

I just
Want to live
With a bread.
I just
Want to see
A ray of light.
I just
Want a roof
To save myself
From hot and cold.

My love, I want to spread,
Life-truth, I desire to watch.

Gajanan Mishra
Life-Wish

Nothing to understand,
But everything is here
To love the life.
In life you can fulfill
All your wish.

Gajanan Mishra
Lift Yourself

Lift yourself,
Lift yourself men
By your own self.

Gajanan Mishra
Lifting

I am to lift myself
Lifting self is easy
If I wish
If I keep faith with me
I am at the center
And I am to change myself
Lifting here.

Gajanan Mishra
Lifting All

Poets lift all,
To lift others,
The duty of a poet.
The poet thinks right,
With no fallacy.
Through words
And letters, the poet
Search the truth,
Search love and
Say something for good.
The poet has all arts,
All sciences.
The poet knows well
Nothing is greater than life.
The living style
Of the poet shows
The inner feelings.
With words when
The poet plays upside down,
Humanity cries.
Find nothing error
In poet's life.

Gajanan Mishra
Lifting You

I am lifting you
O men, come on
In the line of
My review.

This is the platform
You have reached
And from here
You are to go further.

Further in my name and fame
O men, come on
I am here for
Your emancipation.

Gajanan Mishra
Light

Light is your
Simplicity and
Your purity.
This light
Shows you
The path towards
The Truth.
Love this light.

Fear the Truth
Fear the light
Fear the love,
and keep them in tact
within you.
Only this fear
only this action
can enable you
to win the war of life.

Don't bow down your head
Before anyone else
Except before the truth.
Don't show yourself
Before anyone else
Except before the light.
Don't go with anyone else
Except with love.

Gajanan Mishra
Light A Fire

Light a fire,
Light a fire for reform.

Gajanan Mishra
Light And Color - For World Peace

Dance and dance,
O light, O colors,
Dance and dance.
And go beyond
The approach of senses.

Keep a soft heart,
Show a small smile,
And open the horizon,
And stop the business
Of killing and annihilation,
Both at home and abroad.

Create a peaceful atmosphere,
I tell the sun and the moon,
And I request them to stay a while
There, together for all.

Destroy not anything
I tell the air and the fire
But give scent of the earth
And the colors of the sky.

I tell all creatures
To dance and dance
On the open field with love,
And I tell all to stay
In truth for peaceful coexistence
In this world and all.

Gajanan Mishra
Light And Darkness

Light and darkness,
Both are here with me.
And I am getting perfection.
I am here to turn
Darkness into light.

Gajanan Mishra
Light And Dream

Where there is dream,
See, light is there.
In the light, all
Look colorful.

Color of time
Is really wonderful.
No secret, but it is
The open script of poetry.

Have courage to
Read the full poetry.
Life is nothing
But poetry in truth.

Gajanan Mishra
Light And Shadow

Impact is there
On me and I see
Both the light
And the shadow.

But I am on
My path, see me,
And I care not
Who you are.

I salute you
As usual here
For your compassion.
See me and my
Peaceful nature,
I am a life singer.

Gajanan Mishra
Light And Stream Of Light

Light and stream of light
Took me to sea and shoreless sea
Took me to sky and limitless sky
Where I can able to fly.

Here there is fire and water
Here there is tempest
Here My life is at rest
Here I kept faith and
Here with your word
I got success.

Gajanan Mishra
Light And The Sun

I have seen
The sun
With my own light
On my beautiful sight.

The sun is dark
And I have given the sun
A chance to
See me here.

I have made the sun
Quenched the thirst.

I have collected friends
On this earth.

I have invited all
To stay and survive here.

Gajanan Mishra
Light Conquered Darkness

You conquered me, my dear,
As light conquered darkness,
As goodness conquered sins.
You conquered me, my dear,
And I serve You, see as a
Servant and also as a son.
You conquered me, my dear,
And it is not possible
On my part to see You
In full and not possible to
Understand You without Your
Blessing and without Your grace.
You conquered me, my dear,
And I regained my vision.

Gajanan Mishra
Light In The Middle

You cannot switch off
The light that is
In the middle.

Gajanan Mishra
Light Is Always There

Light is always there,
Dark in light,
Dark - a canal towards
The light.

Light is always there
With no dark spot anywhere.
And I as part of the light
Want to write.
I want to write about the light.

The light that is there in my heart,
And I want to show it to the world.
The world sleeps in the light,
And the rest says it is dark,
My poetry shops there I park.

Yes, I want to speak something,
Something relating to the relationship
Between the dark and the light.
But no one knows What I want to write
And what I want to speak with the waves of time.

The time as it is there with me
And I invent it again and again in me
For the purpose of repair the works
In the previous sunset
On the mirror of history

I want to move and the history is my guide,
Though I have not taken into full confidence
With my guide here but always it is there
Wishing me a bright future.

Gajanan Mishra
Light Is Here

Light is here,
Beauty is here,
Truth is here,
I am also here.

It is not that
You are not here,
It is not that
I am lacking anything,
It is not that
There is no love.

Still you are
Not enjoying life
That is full of
Joy and pleasure!

Gajanan Mishra
Light Is In You

Please stand for
The true knowledge
About your state.
Please see the sun,
And the moon and
The stars.
Receive light
And go to fight.
The eyes and ears
Are with you.
See the truth,
Hear the truth.
Light is there
Within you.

Gajanan Mishra
Light Is Not

Light is not
The contrary of
Darkness.
Light is there
So also
Darkness is there
In their respective
Places.
It is we
To choose,
It is we
To crave,
It is we
To move through.

Gajanan Mishra
Light Is There

Light is there
And we are not far.
Closing of eyes
Is just a question.

Our life is here
As it is,
Out of fear we are
Crossing the limit.

Gajanan Mishra
Light Is Within

Light is within,
Light is within.
Call me within
Call me within.
I am within,
I am within.
No wild-wind
Can disturb me.
Call me within,
Call me within.
Light is within,
Light is within.
I can cross the river,
I can cross the ocean.
I am within,
I am within.
Sand-dust and the land
All are here,
I am there all fair
And without fear.
Call me near.
Call me near.
I am here with all beauty,
I am here not for the fun
Of all that are nasty.
Here is light.
Call me in light,
Call me as light,
Call me for light.
Light is within me,
Light is here at this time.

Gajanan Mishra
Light Linger

Light linger
Around the dark
What must vanish
Is dog's bark.

Our yellow image
Is joy
We measure the sky
That is pleasure, goodbye.

Gajanan Mishra
Light Lingers

Pity and anger
Go together
In memory
And as part of
Nature.
Blood and life,
All are
The capital
Belong to
The architecture.
Light lingers
With true words.
And we all
Watch with
Our letters.
Nothing to rebel
But to see
The method of
Living on earth.
The sky embraces all
For all are
There in the cloak.
Nothing is inside,
Nothing is outside also,
And That we all know,
Yet, we weave our
Own net
On either way
But no scene
Before the eyes.

Gajanan Mishra
Light Of All Lights

Love love love love
Love is the light of all lights
Where there is truth there is love
Where there is love there is light
Light is truth, truth is light
And it is beyond darkness beyond ignorance
Love love love love
Light light light light
Truth truth truth truth
Truth light love all are knowledge
And is within all
Love love love love love love
Truth truth truth truth

Life is in truth
Life in light
Life is light
Life is truth
Life is love
Love life my dear
Say once and for ever
I love you, you are my love
You are my light
You are my truth.

Gajanan Mishra
Light Of The World

Light of the world is love,
Glory and message of love
Is necessary for world peace.
It is the profit,
It is the prosperity,
And it has all the properties.
We are all contemporaries,
Practitioners of living.
We have our own sacred river,
In which we are to dive.
We take bath in love for
Our own purification.
We are delivering our soul
To each other with heart-clear.

Gajanan Mishra
Light Of This Life

Let the light
Of this life
Go far and wide.
Let us treat
This life
As a diwali.
Let us distribute
Sweets of love
And friendship.
Let us feel
Brighter and
Happier each day.
Let us instil
Each day hope of
Good fortune
And prosperity.
The whole world
Is a family and
All livings and
Non-livings are
Its members.
Let us address
Each one as
Dearest dear
And think all
As our part
And parcel.

The works that are
With you in truth.

Light The Lamp

Light the lamp
And drive out
The darkness.
Light the lamp
See the things
Within.
Light the lamp
And keep a vigil.

Light The Lamp And Get Success

Light the lamp,
But pollute not
The atmosphere.

I congratulate you,
For the Diwali,
But not for firecrackers.

Light the lamp
And get the light,
Light of purity,
And honesty,
And get success
At every field.

Light The Lamp Of Your House

Light the lamp of your house, my dear
And tame the monkey.
Be careful of your lovely glass
And remember, you are the happiest ever.

What is enclosed in envelopes
Open not before all, my dear
As You concealed Yourself
For others interest and social order.

Light To See

Light to see the world
Is within us, see.
Eternal time is there
For us, feel.
Water and air is there
For us, taste.
The sky and the earth
Is ours, take.

Light To Society

1

Please come and hold my hand
I have no strength to walk or stand.

I am not poor and I am not in poverty,
Think not so my dear, so long as
I am reciting your name and fame and
I am writing poem.

I am drinking the life-juice given by you,
I have no other wish but I am very much greedy
to keep you and I am hankering after you.

My thinking process, please test,
is it not bigger than me, my dear?
But my life is so small and short
you cannot rebuke me for any other things
as you know, I have no attachment in anything else.

2

You have taught me
the way of worship.

It is your sweet love;
it is your pious earth
that gave me knowledge.

I am here with your flowers,
Fragrance of which is spreading
in all directions.

I am smiling like you
with the beauty of this world;
I desire to stay with you
so long as you are here with me.

It is my good luck
you are showing me the path to stay.

3

Hearing your flute
I came out from the house
With tears of love
In eyes full.

The air within
Is trembling, see?
And I am alive.

To see you is not
Within my power, dear,
I saw the sky above
In eyes tearful.

The light is here with me,
The colors are focusing
And still I am unable to see.

4

How to sing that I know not,
What to do and when to do, I know not,
though you have taught.

You have given me everything
covering the earth and the sky.
And yet I am not able to
keep them with me.

You have made me emotional
in so many ways here at so many times
and yet I have forgotten from the very start.

It is known to all, starting point is no where
and no one can say what is it going on here,
And still I have decorated my body for you only
and you have received me with regards as nothing wrong.
This blue uncovered sky
is there as it is
given by you at that hours
of beginning, O beginning-less.

I am happy, I have nothing to solicit.
The sky is happy; I have seen
nowhere to go at any time.

Let me express my language of hearts;
Let me delete the absolute that is
so rising within me towards the sky.

I know, no artist is there like you
on this earth that can make a sky so lovely
with nothing. I know how much I am searching
you day and nights here there with the sky.

The sea is trembling and
this state of trembling
made me fear and I sing a song
with care that you can hear there.

Am I the initiator here?
And I am telling about the wave and the sky.
You have declared to stay away from me
But I have seen you and you have provided
me the eyes to sea all scenes.

With his shadow the Neem-tree
is telling the history and
without the shadow the tree is
in love. The truth-bird is there
sitting quiet without body on the shore.
Collecting words in your
field of emotion I stood first.
With my own laugh and own cries
I preceded further in the light
of new moon day.

Life-forest is dense,
Scattered sky is there only,
the rain is going outside
holding my hands and is telling
O poet, come on, to measure the clouds.

Let me free from your kiss-prison first,
Let me get my body uncovered with truth,
let me write a poem in your words-love
Let me stay here a moment more beyond count.

8

How can I say my dream is not in truth?
How can you say I am not here in front of you?
Still I am playing with the fragments of sky,
Still you are talking with me committed to earth.

Come on; come on, my black mole, my white sandal!
It is the time to see each other in the match-final.
It is cold, it is chill, let us come together
with acceptability as per wish of blue eyes.

Teach me, teach me by phases your song, your dance,
Let me give a chance to write in free-verse, to show
my sorrows not in open market but in close door of yours
same nectar- rhythm full of desires beyond the body.

I have done all things here according to your direction
I have written as blessing while taking your dictation.

9

Not I but you
the nectar of this world.
Not I but you
the writer of this world.
Not I but you
the conjunction of this world.

You are the only player here and
all others are ball.
You are the giver, you are the taker
in dark and in light, I hear your call.

The flowers that are there blooming - I know yours,
the stars that are there appearing - I know yours.
I am not confusing at any time it is sure,
I am getting your instructions all times that are pure.

10

Have you seen my greedy eyes in your Kadamba tree?
Within your all-embracing arms I am feeling free.

I have remembered everything but I failed to express myself,
I am wandering in your forest and still I am fearless.

I am reflecting everything in my poems from time to time,
how the water and the fire are playing within the body.

Being the controller of everything you know everybody,
I remembered all arts all cultures while composing poems.

I know the movement of the body and the mind that have
a link with you without any interruption from anywhere.

It is right you are the creator of all happiness and
all sorrows and all universes with good faith and trust.

The fire in my veins are yours that is mystery
I am going on creating you my dear in my own way and you agree.

11

You made me a fool,
and I am here cool.
To satisfy your urge
you addressed me darling.
I want your language
but you merged in me.

Your scented kiss enabled me
to stand up before all and
I am here in return of love
that is universal.
Day and nights, see me
I am laughing and crying
Like a mad and insane
Pick me up showing your deign.

12

In our own circles
we are wandering.
We are wandering
keeping our own
identity in reserved.

We are interdependent,
here at this hour.
Under the stars,
Dictators, ourselves-
we declared.

The stars are
falling down and
it is no wonder, but
we are dear to each other.

13

Love the self first
and then only say
I love you and then
you may say
I love the world.
Who are you to love the world?
Is the world is hankering
after your love?
But if love is not there in you,
obody is there to love you.

And without love
you are deprived the blessing
of Almighty, and you are far from
peace and stability within, see.

14

It is magic
It is vanity
It is life.

And it is yours,
and I am yours,
and you are here
within me.

Vanity Fair
is not mine
I know.

And still, O magician,
you have kept
the truth in tact
and I am going to that.

15

Go there in normal way or in
opposite way that does not matter,
O my dear, but going is a pious one
and that takes you from you to you.

While going face the spring, face the summer,
face the rain and also the winter,
and for this I have opened all doors
and all windows that are there here.
It is your dream that is taking you
with so much love that is beyond imagination,
And the plus and minuses are here with a difference
but no one is taking care to sum up all.

Seeing you I have forgotten all my thirst and hunger,
O my dear, see now, I am drunk; I am not within my control.

16

How to compose poems
that I know not, my dear
I know not how to live.
Words, sentences and their
uses are not being
properly made by me.

I fear your silence gestures,
I fear your shapeless appearance,
I fear your backward motion.
The colors, the sounds, that are in me
is yours my dear, and I am using all these
only to please you.

Please come and listen, and allow me to make you listen,
O my dear, listen, truth is being told by me.

17

Since you are not forgetting me,
how can I dare to forget you?
Since you are here in front of me,
how can I go anywhere keeping aside you?

Keeping aside you, I made a blunder, my dear,
keeping aside you, I am far from water,
and you are there within me and
I am there within you, how wonder!
No and nothing I want to know besides you,
And I know what not you are here and also there,
You are my kiss itself, you are my scent,
You are my morning light, you are also the night,
In the same parameters of life-fight, I am here,
See, in your smile and also in your tears.

18

Though I know there is no end
I am going to find the end
and the end is covering me with
its blue eyes, scented and colorful.

See me I am wonderful, see me I am not here,
And you said, my dear, coming to me, O,
You are at the end, you are the end coming to
start afresh and I am wandering here there,
To fulfill my end in this play of
presence and absence that is going on within all.

I find no end in the beginning, see,
It is beyond my knowledge, and I started again,
painful though, since I have greed I quit not,
And I said my dear, let it go on its own way.

19

Is it easy to stay united
Please tell, my dear, please tell,
without devotion, without attachment,
without surrendering the self?

I love the air and the air is there,
I love the sky and I desire to fly,
It is fire that is burning within me,
and you are the fire that I know there.

You are calling me to go there,
please clarify, are you not there?
You are staging this drama and you placed yourself in the position of the hero and the director, producer as well, with your own expenses. Who am I?

20

No new poem I find here, the poems that are here really lack newness that I am searching for.

Where is that love I am searching for here there as a wanderer within these doubts and distrust.

No emotion is there, and also No surrender, my dear, No one knows how to bow down and the sweetness therein.

Please come, give a lesson again, Let them know the truth-fortune forerun.

21

See me, I am burning in the oven of love-life, I cannot allow anybody to say it, oven of lust.

Yes, time is running fast But here it is time, available in plenty for love Let us enjoy love-life here.

Are you not watching the smile of flowers always here, there and everywhere you stay? The sky is watching you,
remember, dear guy.

22

Shop love today itself,
No bargain, no rate,
Love, you can get, it tells
only through love.

Come, you are welcome,
See and feel the blooming of
flowers within you, dear,
See the dream near.

Being a poet, let me enlighten
the environment that is lovely
and beautiful all around,
and truth therein that I found.

You are sketching the sky I know
with all sweetness of this life-flower.

23

You are here to light the lamp, I know
and to show me the dream of the earth
you are here that I know and you are seeing
in your eyelid-less eyes all activities of all.

How grateful am I, I cannot express here,
I cannot express as because I am still taking
everything from you here and you are giving me
everything in time feeling my want yourself.

Here the nectar is flowing in these words
that have a touch of yours and that are again
touching you and coming to this area, this earth
to all creatures and to all people including trees
and mountains and oceans and air and sky and stars.

And I must give you thanks for your light and encouragement to fight.
See me, dear; I am in emptiness and going towards wholeness. Wholeness is there in my life, but I failed to find it without your grace, and for this, see I am worshipping you, knowing fully well that you are within me.

Life is a medium, life is a media and you are the controller of life. Still I am living here and remembering you at every moment of respiration, you are telling me in whisper to stay calm and I am in obedience to you going here and there without any discrimination.

The unseen is here, see, the untouchable is here, touch, the voiceless is here, hear him, and come, my dear, feel his presence within.

With so many colors he is taking utmost care this earth where you are with mystic fever he is here, wonder, I am with you in this heaven-garden.

Telling you all that are near you I am presenting before you infinity, I see nobody destitute here with his presence, Thing is it is a matter of faith.

I am with him and he is with me He is with me and I am with him.
The river is crossing its bank,  
the sky is coming forward, 
and my poem is dazzling as you see  
with the new leaves and wind of the spring.

And with this I have not deposited anything  
and my balance is zero, as the balance of payment  
lost its value before the CCTV placed before.  
O my dear, still I love the flower here.

Come, my dear, please come, and let us  
go for a walk together throughout the world  
just as a mere creature and see varieties of  
incidents that are occurring in our presence.

Let us feel, we are parts of all those who are here,  
Let us feel also, we are parts of all those who are everywhere.

27

For the world,  
for the welfare of the world,  
I am writing all these.  
I think the life  
and the world is the whole truth.

Poet is he who knows what truth is,  
you are the best poet of this world,  
and you have created it with care.

I know your heart is as big as the sky  
and it is you who created this sky,  
and under which I am playing as per my wish.

There on the body of the sky I am  
feeling my pulse and on this world  
I am telling, yes I am alive.

28

Coming to me you may say  
Writing is a personal business,
But let me say, think twice, my dear,  
Nothing is personal, admit and declare.

Since everything is interrelated  
no one can claims this or that  
is his own and he is here to keep  
everything secret and he can do  
whatever and whenever he likes.

It is true to say pieces of  
stones are there in flowers,  
and flowers are blooming  
on the dry stone at the top  
of the mountains facing the sky.

29

No one is calling me today  
and I went hearing the call.  
The call is sent by the sky  
through air and I am fired.

This time also I am hopeful  
that the bees would come with honey.  
With the honey I can sing openly  
and the flowers would co-operate me.

Rain arrived late though to the fields,  
and the farmers are there to make merry  
Forgetting their money they have deposited  
as crops insurance and security bonds.

But it is flood, come and see,  
Come and if you so like, service be rendered.

30

Light is your simplicity and  
your purity.  
This light shows you  
the path towards  
truth, love.
Fear the truth, fear the light,
fear the love, but keep them
within you. Mind it,
Only this fear, only this action
can enable you to win.

Don't bow down your head
before anyone else except the truth.
Don't go with anyone else
except with love.

31

We are going,
The sun is not coming.
In fact, we are nameless,
We are calling east, west.

We to choose what to do,
We are to select the path of light.
Though nothing is there as called
Here or there in our own life.

It is the formation of nature,
It is the intermixture temperature,
And you are the book-keeper,
I am the knowledge-center

You are the deviator,
And I am the silent spectator.

32

With your spectacles you can see me,
but if you are a jaundice patient,
what shall I do? I am not the doctor
to make your vision clear, my dear.

With your hands you can hold anything,
but if you do not want to raise your hands
what shall I do? I am not the commander-in-chief
to force you by giving punishment here.

My happiness is in my hands that I know very well
but I am not utilizing fully my freedom due to my
habit to obey the orders of outsider.
And it is in this way I am dependent fully though
I have got independence and it is disgrace
I know very well and I am helpless in me.

33

For the world,
For the welfare of the world,
I am writing all these.
I think the life
And the world is the whole truth.

Poet is he, who knows what truth is,
You are the best poet of this world,
And you have created it with care.

I know your heart is as big as the sky
And it is you, who created this sky,
And under which I am playing as per my wish.

There on the body of the sky I am
Feeling my pulse and on this world
I am telling, yes I am alive

34

How many sun and how many moon are
there that I cannot say my dear,
ask me not about all those questions,
they are not under my jurisdiction.

I can say how I am revolving me here
within my circle with my hands and feet
and busy in filling my belly and telling you
good morning without any return or expectation.

I cannot say why the smoke is coming out from that steel plant of my town and how the flower is blooming in this rainy days and my grand daughter is crying to go to school.

I know, you are not able to say anything in these days and yet I am welcoming you to say.

35

How much I am yours a great point to note, telling something to please one at the instant has no role to play in the wider connotation, as coloring the sky has no value at dark night.

But at deep dark and middle of night everything is started changing and we mark it after sleep, Sleep is nothing but a death, forgetfulness is nothing but preparing for a new life in the morning.

We are acrobats and we know how to go through the air and we know all lights are here for us, we also know the 'parrots in full flight' as said Paz defy movement and language and we are forgetting we are for ours.

Time is here to learn and we are running with time, Words have so much value and that is not a thing to imagine.

36

To say something about a matter is trying to destroy it.
Let us try not to be a part of any destruction, dear.

To read is to enhance the energy and to go ahead of the self, but going ahead is not advisable
as something may be missed.

To wake and to rise is good
but for what? If you are not able to know!
I cannot say whether you are
living or not.

To live, writing is necessary,
to write, reading is necessary.

37

Good news;
Man is missing.

And who is missing
if you are not able to answer
really a bad news.

Come and see and
say something about you.

Say not how the queen is
there and calling you.
Say not what is the trouble
faced by the prince.

Say who you are
And what is your duty,
at this time.

38

Fire is everywhere,
See, feel and say, fire,
I love it.
Without fire
it is impossible to live.
Fire, fire,
Let me declared,
it is all legal;
Fire is the same
with the poor
and with the rich.
Go not before fire.
Come here and touch the fire,
and be fired.

39

Who said?
Life is to enjoy.
One enjoy means
Another suffer, means
Violence is there.

Let me come here and say
No violence
No enjoyment.

You try to enjoy means
You inflict suffering on others
That is not sanctioned
Your nature is oppressive
And it is painful
It is violence.

40

Be brave and have courage,
With you my dear and face life.

Life has no color,
Life is tasteless,
Life is above all,
All happiness and all sorrow.

Living let me say ideal living
Needs some practice? Come here
And see.
Let me not pleased
In favorable and
Displeased in unfavorable
Here or there.

Remember friends, you are men.

Doctors are charging fees
without giving
proper treatment.

Milkmen mix water
in milk and charging
the cost of pure milk.

Ministers and officers are
enjoying life and getting pleasures
without caring the common mass.

Laborers want to get full wages
without performing their duty
honestly and sincerely.

Let me say all are in falsehood
and robbed common men.

It is dark under the lamp
and you have to bear it, my dear.
It is the nail with the rose
and you have to tolerate it, my dear.
Poison precedes the nectar
and you have to drink it, my dear.
And discover perfect combination of
wife and husband, son and father,
nose and face, and also east and west.
Remember, to renounce if you have a body,
Remember, to give something to the teacher,
Remember, to place a good service-holder.
And drive not out and kill not the helpless men
taking shelter even though enemies they are.

Inferiority complex is there
with all in one way or the other.
I am superior, you are inferior,
the cow is superior, the dog is inferior,
the pigeon is superior, and the crow is inferior.

Forget my dear, about superiority and inferiority
And remember, who you are, what is your role
during this period, to change the atmosphere.
Keeping purity should be the motto and not success,
Success is anything but a highlight of past actions.

Controlling your own mind you should go forward
It is your simplicity and uprightness that can
taken you to super most position at the earliest
and I am waiting here only for that.

If you are the son
See your father,
If you are the wife
See your husband,
If you are the leader
See your voters.
Take care yourself
and avoid death.
Being a man you are to
keep with you love
and compassion
being a man you are to
stay with the truth.
Everything is well and good.
It is shame if we are not using our own language.
It is shame if we are not giving respect to our own mother.
It is shame if we are not taking care of our mother-earth.
All other things we are doing besides the above are fruitless.
We must face death, and no one on this earth is there to save from the tragedy we are to face.

Coming to you
I said; see me, how virtuous I am.
I am performing everything selflessly for the good of you.

For the good of you
I am here, see me,
I am here, to burn the fire,
I am here, to throw the air,
I am here, to win the righteous war.

Yes, I have a desire and it is not sin, see me,
my desire is to stay attached with you for all days.

My body is my enemy
And I am waging war against it
Here at every moment.

My body is always trying to
Overpower me by heedlessness
And indolence but I abstain.

I am satisfied with whatever
I get but my body has certain
Desire that I am trying to forget.

My intellect remains unattached
To my body though it is in the body
And I am studying the incidents, things and persons.

I want to know the reality between us,
Here at this time no reason thus.

48

It is I
And here I am
I am going to meet an end.
End is nothing but a
Starting a beginning afresh.

And I am starting my career
Anew, see, with you and you are
There with nothingness,
Welcoming me, come on,
I am here with everything.

I am going to meet an end
And end is we are all one.
All my knowledge and my devotion
Is for you, and I am here to achieve this end.

49

You are writing poetry and
being the head in giving light to the society,
please say whether
you endowed with a pure intellect,
firmly restraining the senses,
casting aside attraction and aversion?
Are you dwelling in solitude?
Are you controlling your speech body and mind?
Are you resorting to dispassion?
Have you abandoned egoism, violence, arrogance,
desire, anger, covetousness?
Are you tranquil in mind?
Ponder yourself and say whether you are
the right person qualified to write and give light?

Light Up

Light up the main switch first
And then see everything is in order.
Your main switch is your mind
And your desire, control it, my dear,
And get peace and live happily here.

See that your mind and your desire
Are not yours and they are here
Just to exploit you in some way or
Other and expose you before all
Experience it and show not ego at all.

Gajanan Mishra
Light Voice And Voice Of Light

Light voice and voice of light-
Not same.
Life language and language of life -
Not same.
And I want to go with life,
I want to go with light.
Light and life, life and light
Go together with language and voice.

Gajanan Mishra
Light, Infinite Light

Light, infinite light,
Wisdom, infinite wisdom,
They are all with us, men.
Worry not and go ahead
In infinite light.
Neither space nor time
Can bind you anywhere.
You are not poor, you are
Not low, men, remember.
You are the blessed son
Of the nectar here.
Go ahead men, with courage,
And with strength
Everything is yours here.

Gajanan Mishra
Light, Like It.

Light, like it.

I dislike nothing.

Dark is not coming
To me.

I am the light,
If you are interested
And showing your prowess,
Come for a fight.

I know
The culprit.
Yet I am there
With you
To enlighten you
For the truth.

Gajanan Mishra
Light, you please come,
Come to me to see the sky.
Sky, you please come,
Come to me to taste the earth.
Earth, you please come,
Come to me to go to the water.
Water, please come,
Come to me to touch the air.
Air, please come,
Come to me to form life.
Life, please come out
From the air, water, sky, earth
To enable all to get the nectar
With love and with the truth.

Gajanan Mishra
Lighten The Burden

Lighten the burden
If you so like.

See, eyes shining
With sky colors.

Satisfaction is a thing
That is most dangerous.

There is life still
In hopelessness.

Gajanan Mishra
Lighter Than

I see
Here you are,
Lighter than
The lightest.
And again
Heavier than
The heaviest.
You are the perfect,
You are there to
Surpass all
Without any limitation.
At your present standard
You have kept the sky
Under disposal.

Gajanan Mishra
Lightning

Wealth, youth and age
Are like electric flash
In the cloud, be careful.

Gajanan Mishra
Lightning In Cloud

It is dream
This life
This world
It is illusion
Flight of fancy
Everybody knows
Everything here
But they failed
To search the path
Of truth like
The lightning
In a cloud.
What to say
More about whom.

Gajanan Mishra
Lights On Trees

Lights on trees,
It is for love,
It is for peace,
It is for life.

Birds on the sky,
It is for joy,
It is for happiness,
It is for life.

Gajanan Mishra
Lights Up The Supreme Self

by acquiring knowledge
And destroys ignorance.

Knowledge is discrimination
Be truth-consciousness
By renouncing the sense of I.

Gajanan Mishra
Like A Baby Bird

Like a baby bird
I am looking for
My mother to return,
And feed me.
Like a small calf
I am waiting anxiously
The time of milking.
Like a morose wife
I long for the return of
My master, my husband,
Who can satisfy me
In all respects.
I always yearn for
The use of my language
Everywhere on my land.
I simply seek
Your friendship as
You are all pious and devoted
And enlightened.
Let my mind,
My consciousness and
Everything I have
Be attached only to
My language,
My land and
My mother.

Gajanan Mishra
Like A Broken Cloud

Like a broken cloud
Shatter not, perish not my dear.
Do something fruitful here.

Gajanan Mishra
Like a child
You are travelling
Throughout the world
Freely with your
Extra-ordinary intelligence.

You have understood
Perfectly all things and
All people that surround you
You acquired fame economic
Development and enjoy life.

Gajanan Mishra
Like A Dead Body

Like a dead body,
I am here, see me,
Without you, dear.
Nothing to say, but
Hear my words, silently,
Uttered inside.
Throat choked up
With tears of love.

Gajanan Mishra
Like A Furious Serpent

This world is
Just like a furious serpent
And here in this world
You are the only snake-charmer.

O my dear, You have given protection
To the cows, the defenseless creatures
Like women, priestly class, old men and children
As You considered them as Your own body.

My dear, I am a Brahmin and worshiping You
Always day and night, see, I am
Innocent and ignorant and from everywhere
All are coming to wards me and torturing me.

O my dear, You are the only person
Who can keep me in protection.

Gajanan Mishra
Like A Lion

Like a lion,
Men, if you
Want to live,
Live freely.

Stand here
Stand there
And attack
the enemy
Just or unjust
No matter.

All alone,
Uproot the enemy,
Dear men, and
Reign supreme.

Gajanan Mishra
Like A Mother

Live here
Like a mother
And engage yourself
For the welfare of others.

Each and every goodness
Is with you, my dear.
Go with that
For a bright future.

No fall but rise
Is written for us,
Let us start the journey
With all movers.

Gajanan Mishra
Like A River

I am singing songs
In stoney hard path.
River is going towards
Its origin water-ocean and likewise
I am going towards You my Almighty-ocean.
The course of my life is curving
Like that of a river
Through rain and sun I am going to You, my dear.
Let all reap the benefits from my life
As all take water from the river
For different purpose.
I am like a river, my dear
You are my ocean of life
And I am touching You here on Your chariot.

Gajanan Mishra
Like A Sick Person

Like a sick person

My heart is
Impressed with
Your beauty and
Sweetness.

Gajanan Mishra
Like And Dislike

Like and dislike
Is personal one
And you cannot impose
It on others.

Good or bad
You may think and
Consider but it is
Not the last chapter.

Beautiful and ugly
Lies not on you
But on the things
That is there
Unreachable to you
And it is the truth.

Gajanan Mishra
Like And Dislike - Personal One

Like and dislike
Is personal one
And you cannot impose
It on others.

Good or bad
You may think and
Consider but it is
Not the last chapter.

Beautiful and ugly
Lies not on you
But on the things
That is there
Unreachable to you
And it is the truth.

Gajanan Mishra
Like Attracts Like

Like attracts like,
that I know
from nurturing love
for years,
that I know from
the wind and from storm,
that I know
at the time of seeds

Let me see afresh
my life daily
in new chapter.
Let me say, my dear,
I fear, I fear.

Gajanan Mishra
Like Birds And Beasts

Like birds and beasts
I being a man enjoying
Sense pleasures.

Objects and money and I
Indulge in hoarding money
And adopting foul means
Falsehood fraud thefts robberies
And I am proud of myself
I am totally damned.

Gajanan Mishra
Like Butterflies

We flit
Like butterflies
From one sensation to another
In vain search of
True happiness
And we forget
That true happiness
Is within us.

Only for you.

Gajanan Mishra

In all contradictions.
I touch the time
With sympathetic translation.

Gajanan Mishra
Like Everything Else

Like everything else,
This will also pass.

Treat this as
No-loss no-profit.

Let not other suffer
From want of love,
And tenderness.

The pros and cons
Of the matter
That are here.

Everything is in the air
The morning and
The evening, remember.

Gajanan Mishra
Like Father Like Son

Like father like son.
All goodness are there
With both here.
Almost always they are
Here, together.
It is their character,
They both are
Light decorators.
Nothing worries them,
But the pain of all creatures.
Darkness rules the world,
And both father and son
Together try to
Enlighten all for a fine future.

Gajanan Mishra
Like Flowing Water

Like flowing water create beautifully vibration,
And being gentle by nature stay free from contamination.
O poets, purify the men with your nectary words,
By writing by reading by seeing by touching all person
Without any discrimination and make them free from

To stay calm and cool in all situation. Tell all
They have all everywhere achieved life's perfection.

Useless question,
It is like living.

Gajanan Mishra

Looking at the sun
And the sun
alldays making fun.

Gajanan Mishra
Like Molecules Like Particles

You are with me always everywhere
You are attribute-less you are form-less.

In the sky all molecules of water are there
Yet the sky seems clear and we are able to see the sun
Water in cloud in drop of rain in evaporation.

Drop of rain is like creation of the universe
Rain is the activity that perishes with us
We are then in snow in water.

Gajanan Mishra
Like Mosquitoes

Like mosquitoes
You are ferocious,
Like rats
You are envious,
Like jackals and foxes
You are looters,
You are the most
Disturbing elements and
Still I am with you.
See here, while
You are showing
Your behavior
I am sticking to
My nature.

Gajanan Mishra

In the sky of worldly affairs
Free from all desires.

Gajanan Mishra
Like My Poem

I am real
And dwell in them.

Gajanan Mishra
Like North-Star

I do not belief in any evolute
In any sense of taste
In any organ of speech
In any instrument
In any action sense mind intellect
Or ego as because all are changeable
And one which is changing
Is not true and not proper
That I know and further I know
My love is not changing
It is like north-star fixed
Always where it is
Far beyond from being happy
Being sad.

Gajanan Mishra
Like or dislike,
Favourable or unfavourable,
It depends on your
Believe or disbelieve.
Appear or disappear
That is your thought
And that is your action
It is all your fanciful conception.

Gajanan Mishra
Like Ordinary

You are really great
But you are like an ordinary man.

To execute the duties properly
I want to take your help, my dear.

I want to maintain strict vigilance
And I need encouragement from You.

You are the source of all energy
I see You going walking smiling glancing at me.

Gajanan Mishra

Like the black bee,
You are dying
Within the foreign language.
Die not, die not,
But see you have
Your own mother-tongue.
Go on with your own
Strength and stand up
Against all odds.
Let me declare you
As the winner,
The winner of the world,
The winner of nectar
Without loss of stature.

Gajanan Mishra
Like The Cigarette

Like the cigarette,
You are smoking out
Your time on the open field.
You are taking life-risk
Like going through the unmanned
Railway platform without
Looking here and there.
The scent is there
And you are taking it
To the core without
Noticing the moth therein.
But you smiling
Knowing fully well
You are dying and dying.

Gajanan Mishra
Like The Setting Sun

Like the setting sun
I am going, see me.
But like the rising sun
I am coming, salute me.

I am your own light, dear,
I am your love and life.
You can see me if you so like
In my words and in my works.

Here I am, see me
Within you.

I am in your thoughts,
I am in your actions,
In the morning and also
In the evening, discover me.

Gajanan Mishra
Like The Sky Like The Sun

Like the sky, like the sun,
I am in tranquility and
Protecting the Truth.

Gajanan Mishra
Like The Sun

The sun destroys the dark
Like the sun knowledge
Lights up the supreme self
And destroys ignorance.

Gajanan Mishra
Like The Sun Let Me Light Up Myself

Like the bird
let me
Fly up my shelf.

Like the earth
Let me keep with me
My wholeness.

I am the earth
I am the bird
I am the sky.

See me,
In all modem.

Gajanan Mishra
Like The Word

Like the word
I go forward
With so many
Thoughts.

Thoughts are
There and they
Try to change
The world.

The world is
There as it is,
And I the fool
Want to change
It, in the way
My thoughts goes.

Gajanan Mishra
Like You

I am a man like you,
And I am here with you.
I am a conqueror
Though conquered by you.

I am a stranger like you,
Though you said I am the owner.
I am free being the owner
But I have no power to
Control the air or the water.

I am a man like you,
I am here with humanity
I am in truth and in love
Think me your friend, brother.

Gajanan Mishra
Likely To Go

Likely to go
Every time
That is not mine.

More often
I try my best
Not to consume time.

Is it mine?
I try no to say
This is not mine.

Gajanan Mishra
Likes Attract

Unlike do not.

If there is
Inner weakness
Impact is there
From external
Bad company.

Bad company
In itself
Does not harm
Accepting bad company
Is detrimental.

Gajanan Mishra
Lily

Here is Lily
I am for Lily only
And Lily
Am dying daily

Gajanan Mishra
Lily-White

See me,
I am lily-white.
But not
Lily-livered.

I am as committed
To the moon
And to the sun.

I am the truth,
I am the light
Pleasing rhythm,
I have my liking
With lilac.

Likeliness is always
I am in the limelight.

Gajanan Mishra
Where is the limit of life?
Is it in death?
What is death?
Death is still an enigma.
Are we not within
The jurisdiction of death?
We are in paradox,
Here, nothing is certain,
This uncertainty is
The root causes of death.
But death itself is certain,
Everyone knows from
The very beginning.
But no one can say
Where is the beginning
And where is the end of
This life process.
The death is the one way
Traffic but it has
Everything with it.
Let us start afresh
Our journey to know
And discover
The truth here.

Gajanan Mishra
Limited

It is all limited,
Limited life
Limited air
Limited water
Limited sky
And within that
I have no objection
If you want to fly.
It is all limited
And within limitation,
Men, you are to proceed
Ahead towards eternity
Without any view
That are contrary to life..

Gajanan Mishra
Limited And Unlimited

Power,
Limited and unlimited.
Fire,
Here and there.

Summer or spring,
Climate- no matter.
Door is always opened,
Roll call- enter.

Forest- naturally danger,
But think not about
Surrender. Nothing to fear,
But you are free to proceed to
Another chapter,
That is always here.

Gajanan Mishra
Limited Power

O officer
Your power is limited
I know and I know
You are just to
Performing your duty
Nothing more nothing less
And you to know
O officer
My love has limitless rights
And you can not rule here.

Gajanan Mishra
Limited Range

Nothing is within
The limited range
of our understanding.

First we have to be
Well acquainted
With the Truth that is in us.

Gajanan Mishra
Limited Sources

With this limited sources
I am trying to go to you
And you with your limitless
Power taking me and making me free
From all.

Gajanan Mishra
Limitless

I am taking one step
To meet you
You are taking
Hundreds of strides
To meet me.

I am devoting
My full powers
You are devoting
O my love
Your limitless power.

Gajanan Mishra
Limitless And Love

Limitless
And all in all.
You are and
Also I am here.
We both are
Horror-struck.
We both accept
The time with love.

Gajanan Mishra
Limitless Might

Limitless might
I know You have
Possessed, my dear.
The ocean the sky
All and all are
Under Your control.
You are dwarf but
As big as anything
Beyond imagination.
Your wisdom is both
Primitive and mystic
I know as a student
Of poetry, my dear
And see I have no fear.

Gajanan Mishra
Limitless Sovereignty

Our constitution provides
For limitless sovereignty.
But we are not lucky enough
To avail our freedom here.

We are not allowed to speak
And to write what we think
In our language so far.
We are not able to achieve
The progress and we wander
Here and there with poverty.

Our thought, our languages
Are the cause of everything.
And yet, we are not ready
To recognize the truth.

Gajanan Mishra
Line Of Fire

Line of fire ahead
See and proceed.
It is not safe
To speak.
Any statement may face
Life risk.

Gajanan Mishra
Line Straight

My line is straight,
My life is opened,
My words are with truth,
My truth is my love,
My love is there
Where you are,
And you are in everything,
Each one is you.

Gajanan Mishra
Linger And Linger

Ego slaughter
Rock fighter
I wonder
You are here.

Is hiding place here
I know not
Staying behind
You told me clear.

Beginning is the end
You told me again
And I denied
Telling I can win
And I can.

Ego slaughter
Rock fighter
I'm not far
I'm near.

And I wander
You are here
And our love
Linger and linger.

Gajanan Mishra
Lingua Franca

Lingua franca,
Let it be used
Here, for all.
Let there be
No covet no lost.

Gajanan Mishra
Link Aadhar

Link Aadhar card
With bank account,
Telephone, LPG, mobile,
School admission, train journey,
And MDM.
Link Aadhar
While sleeping, eating, walking,
Reading, selling and purchasing,
Link Aadhar
Here there.
No Aadhar card
No life.
You have no right to live.
During farming,
During milking,
During all..ings,
Link Aadhar,
No link-failure
Is to be listened to.
But link and live,
Live and stay free.
To think and to act
We are here for you.
You are to see,
You are to vote,
You are to add yes only
With our words and actions.

Gajanan Mishra
Link Failure

No end of my going,
But if anything is there
That is the failure of link.

Gajanan Mishra
Link Has Missed

Link has missed
And we are busy
In searching it.

Link is still there
And we missed it
For our own fault.

Our broken mind
Is unable to
Reconnect with faith.

The only mission
That we have
Is safety and
Security.

And we forget
How we are disturbed
By all here
It is only for love, my dear.

Gajanan Mishra
Link Not Language

Link not language
With knowledge
With development
With love
With skill
With service
With war or peace.
Observe the sun
The moon and
The sea, the sky
And the nature, my dear,
They are going on
With their own languages
Changing the pages of
Time and life-chapter.
Language has its
Own value
That I salute,
With the scent of the earth
Language flourishes
Even much faster
Than anything else
To give everyone
His own identity
And that is the needs.
My dear, give not
Any injustice
On the basis of language.
The life and
The earth are here
With their own languages
Recognized all
On equal rod.

Gajanan Mishra
Link With Nature

Link with nature,
My dear, does not matter
Whether it is
Proper or improper.

Find no difference with
Bondage or salvation if you
Are aware of the fact that
You yourself is the nature.

Doing or not doing
But it is there and it is
Your desire that recognized you
As team leader for the purpose.

Gajanan Mishra
Lion - Springs

Lion springs
Crane fixed
Cock raised early
Crow love privacy
Dogs loyalty
Donkey contendedness
All I possessed
Here to live in peace.

Gajanan Mishra
Lion Is Here

Lion is here
You can see
O my dear
When it roared
Your heart tore
Now lion is
The victim of
Humility
Let lion forgive.

Gajanan Mishra
Lion Roared

Lion is here
You can see
O my dear
When it roared
Your heart tore
Now lion is
The victim of
Humility
Let lion forgive.

Gajanan Mishra
**Lion Roars**

All small animals  
Flee in fears.

Love is here  
In you in me and  
There is no danger.

All evils  
Are in exit point  
When you enter.

O my dear, I find  
In You everything  
Fill up and I  
Am whole and full of.

Gajanan Mishra
Lion Roars And

Lion roars
And all the small animals
Flee in fear.

Gajanan Mishra
Lions And Tigers

Lions and tigers,
Where are you?
Odia lions,
Indian tigers,
Where are you?

I am calling you
For the sake of truth.
I am calling you
With the language
Of my mother,
And the sound
Of my father,
That is most
Unique and wonderful.

Odia lions, and
Indian tigers,
I want you,
The time is
In needs of you.

The world is
waiting for you,
You are the winner,
You are the superior,
You are the most
 Powerful on this earth
Here, the earth is yours,
And you are present to
Give a fight corner to corner.

Gajanan Mishra
Lion's Den

If you are staying
With a wicked man
If you are living
With a wicked man
If you are making
Friendship with wicked man
Be sure you are walking
In to the lion's den.
Wicked man is dangerous
Wicked man is more
Dangerous than a snake
Wicked man is more poisonous
Than a cobra the most
Poisonous snake of the world
You may survive from snake bite
But you can not survive from
The clutches of a wicked man
You will die in his den.

Gajanan Mishra
Lip Service

Lip service  
Not allowed.  
Leave the place  
With waves of white.

Flows with time,  
To identify the self.  
Vibration scattered  
In unbliss atmosphere.

Glory faded  
In consumed water.  
Things are not in tact,  
Verify that.

Gajanan Mishra
Lips And Nectar

Lips and nectar-
Here with us, dear.
Just have a glance
And generate
A song.

I am a poet,
You know and I
Hanker after love.

Afford time
And try to
Know me.

See,
This place is
Filled with joy.

Touch me and feel,
Feel the wonder,
The wonder of time.

Life is a festival, dear,
Festival of fire,
The fire of ice.

Enjoy it,
Enjoy it.
Everything is
At your feet.

Gajanan Mishra
Liquid Unit Weight Height

Liquid unit weight height
You can not measure me and
Get light.
No article area applicable
No month year preferable.
In pair dozen score gross
You can not find me in minus plus.
Second minute I discard
If you want to find me
Struggle hard.

Gajanan Mishra
Listen

By attaching yourself
To truth, O my dear,
Listen,
What is worth listening.
And then tell

And then see
How love is blossoming.

Listen My Question

Listen to my questions first
Are you all in happy mood here
Are you passing your days in happiness
Are you doing well
Are you all eternally bound
In friendship with rest
And remember the welfare of all
Are you affectionate and love all
And enjoying the pious world
And getting nectar here under
This spiritual sky
Are you progressing step by step
to Him who is all in all.

Gajanan Mishra
Listen My Words

Listen my words
If you so like,
If you love humanity,
If you are there
To support me,
If you love me,
If you know
I have nothing.

Gajanan Mishra
Listen The Truth

Listen, the truth
That is there
Without word
In your heart.
Look, the bird
Is there flying
Setting the sky
Aside.
Feel, the rain
Without the sun
or the cloud or
The air or the ocean.
Stay there within you,
There is the truth.

Gajanan Mishra
Listen To

Something is being
Spoken by me, if you
So like and have time
Lisen to it all
For your own benefits.

I am there, see me,
For you and you are
Telling me so many things.
I am here to hold on
The things with you.

All life and all love,
All love and all clear,
All clear and all saved,
All saved and all focussed.

Gajanan Mishra
Listen To Me

Listen to me
I am telling you
Within.

All, my dear.
I am number one in the world,
I am peaceful but if you
Want to take advantage and
Think me as weak, you are wrong,
Remember, my dear.

Gajanan Mishra
Listen To My Questions

Listen to my questions
Is it a pendulum
And what is it doing
By its back and forth
And where is the problem
You are going to solve it
Are you breaking back inflation
Are you turning back on the poor and needy
What are you doing
Are not general public backbone
Listen to my questions
And see the pendulum
If you are ready to answer
Then decide soon
Matter urgent.

Gajanan Mishra
Listen With Ears

You listen without ears
You perform everything without hands
You run to help others without legs
You see everything everybody with your round eyes
You manifest Yourself
You are formless and with form both
You are homeless but within You everybody everything resides
You are the cosmic intelligence
You are the cosmic ego
You are all in all for all.

Gajanan Mishra
Listen With Mind

Listen with mind,
The bird is singing
With heart,
While searching
His own identity
In the deep forest,
The identity has
Nothing to do though.

Gajanan Mishra
Listen, Coo Coo Coo

Listen, coo coo coo
Listen, coo coo coo
Again coo coo coo.
Surely it is the spring
Here is the cuckoo
At out door.

It is on the words
We walk.
It is on the sight
We talk.

Here is our beauty
Our pleasure
And we are blooming
Afresh here.

We embrace us
We are our boss.
No voice choked up
We hold on that are ours.

Our love our trust
Our relations that are ours.
And we smile see
With delight here.

We forgot not anything
We are for us.

Towards me
Forward your legs

And stay with me
As I am with you.

Through your mother only, 
Follow her meticulously.

With Absolute Truth
This life is only one
Opportunity.

Gajanan Mishra
Listen, The Sky

Listen, the sky
is saying something.
Something is there
With the star.

The moon is giving
the scope to dream,
The milk ocean is
burning at this time.

I love the song of the river
and the river is furious
with the August clouds
killing the dragon fly.

The time is missing
This is the time of missing.

Gajanan Mishra
Listen, Walmart Is Laughing

Listen, Walmart is laughing
That we have democracy
We have not riotous democracy.

Our democracy is peaceful
Our people are really fool.

It is fact our mentality is colonial
And we are not influential.

Listen, walmart is laughing
And we are enjoying.

Gajanan Mishra
Literacy Mission

Going with literacy mission
Let me kiss all sons and suns.

No problem if all are literate,
The problem is in poverty.

And it is our duty to fight
Against poverty.

Gajanan Mishra
Literary Men

Literary men,
Be social,
Be philosophical.
But be not a politician,
Be not a cheap mundane poet.
Literary men,
Throw not anything
To the air.
Water is not there
To swipe out.
Material energy is
Useless, men,
But take positive views
Remembering the truth.

Gajanan Mishra
Literature And History

Literature and history
Go side by side
The cream of society
The mirror of society
Kept it always in custody
Torch light- use it
For future safety
And security.

Gajanan Mishra
Literature Breeds Distress

Literature breeds distress
Hilaire Belloc you said
And I disagreed.

I disagreed the reasons
Best known to all and it is like
If the bell is ripe
What is that to the crow.

Enemies to decide
Whether to search me or not
But I am there within them.

It is you to decide
What is what at the earliest
Before you are touched by distress
And it is only literature
Who is your best guide.

Gajanan Mishra
Litmus Test

No litmus test
Nothing is best.

Laws rules
All are okeys
Who is there
To obeys.

Gajanan Mishra
Litmus Test-Life

Put life in
Litmus test
At every moment.
Who pitch for what
Just forget and
Live here.
Nothing to widen,
Nothing to shorten.
But life is here
As it is
Without change.
Rating, ranking,
No use though.
Confidence building
Is the main work
To do in the process.
But live in free mind
Without any tension
Of success or failures.
But we are to give
Litmus test
At every moment here.

Gajanan Mishra
Little Aaeeshanee

Little Aaeeshanee
Appeared and said
Dadu, dadu, see it is
Mine and mine
When I remained silent
She crushed me in anger.

My dear, I said
You are my wealth
You are my future
My little mama
I used to called
Aaeeshanee and she
Stopped.

Cuckoo cried
Aaeeshanee heard
And followed cuckoo
In smile
It is spring I know
And smile again.

Gajanan Mishra
Little Bird

Little bird, little bird,
I love thee.
Will you not
Sing a song for me?

Little bird, little bird,
Come on to my house.
I am here, waiting for you,
To show my love by giving a salute.

Little bird, little bird,
Where is your house that I want to know,
And I know you are within me at this time
And singing a song to give pleasure to others.

Little bird, little bird, come on
And say a few words that are ours.

Gajanan Mishra
Oh, little girl,  
You are not  
Little really.  
You have kept  
The heaven  
With you for all.  
I am searching you,  
My dear girl,  
Where are you  
That I know not.  
But you are here,  
But I failed to  
Search you out.  
Please come out  
Dear girl,  
Come out and  
Call me in your  
Sweet and lovely words.

Gajanan Mishra

Out of fear of me.

Live and learn,
Learn and live,
Every day,
Every moment,
All yours.

Each one is there
To put you
In danger, dear.

Gajanan Mishra
Live And Let Live

Live and let live.
It is your life,
Life is yours only.

If it is irritated
Still live and live.

If you want to
See it glitters
Ask not matters.

Non-violence, ask not
How to end violence.

But live and live with
Others and feel, life is
Beautiful with togetherness.

Gajanan Mishra
Live And Unlive

Confused,
Live and unlive.
Sustained,
With visibility
And invisibility.

All trapped,
In life's whirlwind.
All denied,
The basic rights.

God and goddess
All buried,
With clouds of dust.

All are corpse,
All are naked, covered with
Poems, though.

Terrible nights,
Ahead.
And no one
Would be release.

Gajanan Mishra
Live Beyond

Live beyond
All pretentions, dear.
Pretentiousness is
Nothing but cheating.

Gajanan Mishra
Live By Breaths

Live by breaths,
But belief not breaths.

They are there to cheat you
At any moment without any reasons.

No agreement is signed,
No terms and conditions are there.

Moreover, danger signal is there
To go with the breaths.

Spending sleepless night
Is of no use
Unless you awake
At the call of time.

And unlimited time, unlimited lives
Is there in you.

Gajanan Mishra
Live Carefully

Live carefully,
Here, my dear.
Failing which,
At any time,
Anyone may push
You to waste paper

But my dear, you
Are to live with
All and you are to
Make good friends.

Gajanan Mishra
Live For Others

Live for others, my dear men,

I see you like any other creatures.

Gajanan Mishra
Live For Truth

You are as beautiful as rose,
You are as sweets as honey.

Please cooperate me,
Come with me
And help me to
Build the world
As per my new dream.

I see the earth
As my mother, my dear.
Let us come together
To build a new world order
With everyone as a free-mover,
Let everyone live here
Without any fear or favor.

I want to see
My own shadow
In my light.

And do nothing
That would mark
Zero, but live
Like a hero.

I want to go and
Live like a rock
In the area of flowers.
I want to go with the air
For the purpose of all welfare.
But I want to say about
This world that is not true,
And still I am being the truthful one
Want to go with the water
To strive hard like the light.
I want to touch the eternity
Where the sky is waiting for me,
And I want to utter the words
That are all yours.

Gajanan Mishra

Gajanan Mishra
Live Like Fish

O men, See the fish
And learn from it.
Fish do not feel pain
Fish have no brain.
First incarnation of God is Fish
And Fish do not have enough
Sensory receptors in nerve cells
To experience suffering.
O men, live like fish
Forget and forgive
If you want peace.

Gajanan Mishra
Live Long Life

Live long life, live long.
Internally and externally
Stay straight.
So many things to do here,
Life, so many things to do,
Go on doing night and day.
Know life, know the truth,
What to do and what not to do.
Credit and debit are there
With knowledge and ignorance.
Life, go on with the right approach.
Life, go on and go on.

Gajanan Mishra
Live Long With Smile

assuming external
contacts is
only suffering.
Light is there,
After disappearance
of light or vice versa.

Gajanan Mishra
Live on earth,
But worry not,
If no one is there
To recognize you.
Worry not, if
No one is in truth.
Worry about your
own works that are
In truth.
Worry about love
That is there
In you.
Earth is a place
Full of love
And truth.

Gajanan Mishra
Live Peacefully

Live peacefully
Live and love
Love and listen
Listen and read
Read ad study

Gajanan Mishra
Live With Death

Live with death
By destroying
The arrogance.
Life is manifestation
Of time.
Time is the power
Of camera.
Go beyond it.
I know, I am here,
To create time
By taking curds rice.
And with rice
We live and glory
Spreads through the sky.

Gajanan Mishra
Live With Dignity

To live with dignity,  
on this earth is  
my birth right.

No one should be  
allowed to take laws  
in his hands.

Rule of nature is  
important and  
that has given life  
to every one.

Change the way of  
looking by giving proper  
respect to each, my dear, and  
see the society finer.

Gajanan Mishra
Live With Lights

The sun has also black spots, 
But I am not there 
To search them out. 
I am here to see 
The light only and 
Go on working day 
And night for others. 
I am here to love 
And I know love has 
Nothing to do with 
The worldly affairs. 
Know and remember I am 
Not here to count 
But to live with lights.

Gajanan Mishra
Live With Love

Live with love
O my dear
Live with poetry
Here there is
No obstacle
And here I am
With poetry
With love
I respect love
And here I see
My victory

My poetry
Nothing to confused
And there is
No ambiguity.

Gajanan Mishra
Live With Love, Dear Life

Wild flowers,
Search them there.
They are there
In words in stars.

We all live
In our thoughts,
We all live
On our earth.

Earth, we love,
Mother, we love.
Earth and mother
One and the same.

The language of the mother
Is the nectar,
The air of the earth
Is the nectar.

We live here
For the nectar.
Life is to
Proceed further.

We care, not
Who care us.
But we care
Who dares to
Tell us the truth
And who declares
I love you.

Gajanan Mishra
Live With Poems

Create, understand,
Interpret and love
And live with poems.

Gajanan Mishra
Live With This Moment

Live with this moment,
Just for a moment
with commitment.

Live with your own poems

Commit to do something
for the welfare of all
with all creativity
that are in you.

Live for a moment,
Your term is
just for a moment.

Gajanan Mishra
Live with truth,
And stay fair,
Of course, danger
Is there.
But remember,
No harm. and
Nothing would happen
To you.
Show your honesty
And sincerity,
Think positive,
You would get all light.
Nothing wrong
With you, I know.

Gajanan Mishra
Livelihood Matters

Worry not,
It is all
Livelihood matters,
Ramu is casting
His net in the river.

Think not
About anything,
Time is there
To sort out everything.

Death has not role
In the livelihood matters,
Worry not, think not,
We are all cautious
To take care the woodwind.

Gajanan Mishra
Living A Life

Death is already here with me
And I am calling death
Fearing death
In hot in cold
And I am here with death
And death is here
Smiling and living a life.

Gajanan Mishra
Living Alone

Living alone is good
Like the sun like the moon
Like the air like the water
Care not number
It is not better
It is worst to disowned a poor
I surrender absolutely
Before you O my love
I think it is the best
To win you
You are my heart
You are my strength
I know you are my whole number
That I worked for.

Gajanan Mishra
Living And Dying

We are all here
Living and dying
Collectively together
With wins and loses.

We are here
In this ever ever land.
We are here together
To fulfill our life's end.

Let us simplify
Our life's process,
Let us stay ease
And rationalize
With the opportunities
On the path of progress.

Gajanan Mishra
Living Being In Jeopardy

Constitutional position
Of a living being is in jeopardy
A living being is in a bondage
Under material conditions
A living being should know
His eternal relation

Transcendental position
Expansions in different plenary portions
Control of different parts of the universe
Different stages of development
Rules and regulations for achieving spiritual perfection
Symptoms of different incarnations.

Gajanan Mishra
Living Entities

Here are all
Living entities
And You are
In their hearts.

You are the beginning
O my dear
You are the middle
You are the end of them.

Gajanan Mishra
Living Entity - Earth

Living entity
Everywhere, I see.
Though, differ in
Forms under different
Conditions of material nature.

Gajanan Mishra
Living Entity - Time

Rising sun,
I am the rising sun,
See me,
I am the time.

I have no beginning,
And no end.
Yet, I am here
See me.

I am a living entity,
I am the time.

Gajanan Mishra
Living Face

I want to see
A living face.
Could you say
Where it is?
But I fear
And my fear
Is not baseless.
Nothing is impossible
You say but I am
In fear to search
The possible here.
Date, time, place
All are with me
And I am in light.

Gajanan Mishra
Living Happily

Early to bed and early to rise,
No one is there to obey it, we know
The age is ultra modern, that has everything
And all inhabitants are degree holders and wise.

Work out hard and sleep soundly
Remain aloof from all cunningly
Go and do something surprisingly
It is you and it is I live here happily.

Gajanan Mishra
Living In Poems

Poems are there
In my living,
I am living in poems.

Gajanan Mishra
Living In Sorrow

You are forgetting me
And you are living in sorrow
Remember, you have a tomorrow.

Tomorrow is in your hands
Just see the seeds of today
That you are going to sow.

As You sow so you reap
What you sowed yesterday
You are reaping today.

Gajanan Mishra
Living Is Also A Disease

Living is also a disease,
Believe me. Feel it
In you at any time.

Gajanan Mishra
Living Is Really

Living is really
Painful here
When no one
Understand
Anything.

If you escape
Then you are
Really lucky.
But where to
Go and stay?

Forgetting everything
My dear, come here
And let us follow
The autumn-moon.

Gajanan Mishra
Living is very difficult
With a beautiful wife
With a mother who marries for the second time
With a father who is too much in debt
With a son who is a foolish rascal.

Gajanan Mishra
Living Itself

Living itself is suffering.
A man should discover the reason of suffering.
Desire for pleasure is the root cause of suffering.

What I have stated is not new.
It is there in all books.
You to read and stay in peace.

Gajanan Mishra
Living Joy

Living joy,
Birds and love,
Detachment and blood,
Heartbeats and night,
All embracing.

All for myself,
All watchful and sweet,
All love and hope,
All transparent and clear.

Life itself is a voice,
And living a joy.
It is all eyes of
The nightingale and
The play of skyscrapers.

Gajanan Mishra
Living Natural Life

I am not living my natural life
If I am not offering You
Whatever I am doing
Whatever I undergo as penance
Whatever I sacrifice
Whatever I eat
Whatever I give in charity
See me O my dear, I am
Utilizing my energy given by You
In this way here everyday
And living a life prescribed by You.

Gajanan Mishra
Living Needs

Living needs
No study,
No eligibility.
Living is important,
Not your knowledge
Or your discrimination.
Terminology is
Your experience.
What is needed is
Realization of
The self.
Go on learning
How you are living
And with whom.

Gajanan Mishra
Living Peacefully

Living peacefully is
The motto of life.
Is it?
If it is
Be free from mental
And bodily miseries
Fatigue, dizziness
Defeat and all disturbances.
And you can do all the above
By self-control
By controlling senses.

Gajanan Mishra
Living Perfectly

Reading and hearing
Are must for a living entity
To know and understand
The surroundings.
To understand the surrounding
Is to live perfectly,
To live perfectly you have to
Go with love and truth.

Gajanan Mishra
Living Rules

Living rules
Are violated, your honor.
I have a right
To live on this earth
With my language-
My mother tongue.

The time is right, your honor
To direct each and every one
Under your jurisdiction
To make correspondences
In my language to enable me
To read and understand.

I have a right, your honor,
To read and write and understand
Each letter, order, judgment
Against or in favor of me
Given by any authority or
Any person.

No one has got the right
To leave me in dark.
To go for light
Is my birthright, your honor.
Release me in the light
I want to see me clearly.

Gajanan Mishra
Living Successful

Where to go?
How to live?

And still I am with You,
You are nameless
You are formless
You are empty-less.

I am with You still then
It is you to tell me
In time where to go and when.

I am happy
You are everywhere
I am happy and grateful
You tolerate all
And You make the living successful.

Gajanan Mishra
Living- Symptom

I am thinking about You
I am talking to You
I am writing on You
I am singing with You
I am doing Your works
You are calling me and
I am listening and that are
Not changing with the change of
Time place and circumstances
I am getting satisfaction
From all those activities
That are related to You
O my dear I am desiring You
And You are appearing before me
I am following Your footsteps
And crossing every road easily
And living happily.

Gajanan Mishra
Living The Poem

Living the poem,
And poem is more than
Just letters and words.
Let us have real picture
In poems of life
Here and there.

In poems through poems
And by poems you can
Unfold so many new things,
So freely as in self-discovery.

It is true, we need poems
To bind us together
We need love and harmony
We need truth and compassion.

Gajanan Mishra
Living Through Love

Really very difficult,
Really it is very difficult
To live here with all
The pain and all the pleasures.

Let me clear here
I am devoted to the welfare of all
No question of hate, but doing good
And it is love and only love.

Gajanan Mishra
Living Together

Okay, let us live together.
We are living together
but without dialogue.

We are living together,
but we are not so free
to put question to each other.

Without question, and answers
Heart to heart talk is
difficult, let us be excellent
with the dialogue.

I am a calf and you are my cow,
I am putting question more and more,
You are answering me more and more
You are giving me new ideas, new hopes.

Gajanan Mishra
Living With All Truth

For the sake of truth
Let me stay with You,
I know, You are the truth
And You are the Supreme Love.

For the sake of love
I am surrendering myself before You
I know, You are the Supreme Truth
And I am here living with all truth.

Gajanan Mishra
Living With Love

If you need me
I need you
If you can not live
Without me
I also can not live
Without you
And I am performing
All actions only for you
You have given me
Everything that are with you
I am investing my
Intellect my ability
Time and resources
That are with me for you
And you are pleased with it
This is our attachment
This is our devotion
This is our love.

Gajanan Mishra
Living With Love And In Truth

Living with faith
Living in You
O my dear, worry not
You know better
What is life
And it is what for.

Gajanan Mishra
Living Within The Body

And going out of it
Are the same for true understanding.

Manufacturing own theory
Is not allowed at any time
It is the nature that is smiling.

Within this and outside
Nature is only singing and
Dancing always in the scene.

Gajanan Mishra
Lizard, Why Are You There

Lizard, lizard,
Why are you there.
See, no water there,
See dry, the well.

What happened to you,
Your life itself
Is the truth, lizard.

Be aware of the dark,
Accept the proposal
Of settlement of life.

Lizard, lizard,
Just touch the truth,
And feel the changing scenario
Within you, the truth.

Gajanan Mishra
Lizard-Leap

Seize me
If you so like
With a lizard-leap.

Gajanan Mishra
Lo, Clouds Showered

Lo, clouds showered
All the water
That I needed.

Lo, earth produced
All the necessities
In profusion.

O my dear, all these are
Only Your grace
And Your grace.

Gajanan Mishra
Lo, I Am The Best

Lo, I am the best,
Being the poet.
For me only,
There is the east
And there is the west.

I am the best,
For I get your blest.
And you accept me as your next.

Gajanan Mishra
Lo, It Is Yours

Lo, it is yours -
The music with measurement box,
The poetry with words set up.
It is night, all bright,
Credible and borrible.
The life with all stillness,
The purity with all darkness.
It is all yours, gleam all.
All yours- the time, the stream,
The hummingbird and the words.
All yours- That are inside
And also, that are outside.
All beauty architecture,
Silence atmosphere,
See and hear.

Gajanan Mishra
Loan Burden

Sadananda Sahoo, ordinary
Ryot of Ostapal village
Committed suicide
By consuming pesticide.
Reason is loan burden
From a Nationalised Bank.
Loan amount is around
Nine thousand.

Vijaya Mallya,
Member of Rajya Sabha, India,
And owner of Kingfisher
Is enjoying life in London
After taking loans
From so many Nationalised
Banks. Loan amount
Is around Nine thousand crores.

Gajanan Mishra
Loan Recovery

You have given me loan,  
In time of need,  
I do agree and hence  
I am grateful to you sir.  
But in the name of  
Loan recovery,  
The humiliation that  
Are coming to me  
I am unable to withstand.  
To my ill luck  
I am not in a position  
To repaid at present,  
Bear me sir, I am nothing  
To maintain my family, see.

Gajanan Mishra
Loan Wolf

Money is all
For loan wolf,
Care not fate,
Care not debt.
You are rich,
All the best.
No question but
Good bye, bye.

Gajanan Mishra
Local Head Office

Really I am sorry
I am not well-acquainted
With my own local head office
That is in my body
And I am wandering here
And there for nothing,
I have forgotten that
There is everything in my mind.

Gajanan Mishra
Locating

We are to
Locate first
Who are the enemies.

Half problems
over then.

Next we are
To think
How to tackle them.

Defeating or killing
Is never a solution,
We are to kept in mind.

Where are we,
And with whom we are,
We are to answer.

Gajanan Mishra
Location

Let me locate You
O my dear, near a river,
Discover snake's hole
With cobra therein,
And a grave-yard,
Sandal wood scents
Find there a Neem tree
Without any cutting
Or cutting marks,
No bird rest on that tree
Let me locate You
On that tree, my dear,
With all symptoms of
Truth and love and everything.

Gajanan Mishra
Lock, Stock And Barrel

Lock, stock and barrel,
Nothing is there to quarrel.
It is all flood, hours together
We are struggling with water.

It is true, we are the faculty members
And we are taking responsibility
for all works that are being done
by anybody here as they are ours co-fighters.

We are here and we are taking steps
how to stay for a longer period
We know though there is nothing in it,
and we ourselves are nothing, it is clear.

Am I not sufficient to certify who am I?
Have I no right to live with full dignity?
Who is there to give me respect and honor
and for what I know not here.

Be a soldier of this earth and keep peace,
Each and every corner of this earth is yours
That I can say openly here, nothing to quarrel
Just think for a while, you have to hand over the light.

Gajanan Mishra
Locked Room

Who are you and how
You are staying
In this locked room
Room is open though
From all sides.

Denote that You
Are going to nowhere
Today or Tomorrow
In this dormitory
Being doodle

Gajanan Mishra
Lock-Up Room

I am here
In this lock-up room.
And where you are
I know not.

But I am free,
Care-free
And how you are
That I know not.

We are in our
Separate homes,
For a new life,
For a new relation.

Gajanan Mishra
Lofty Aim

I have kept it,
Very carefully.
And you have
Taken it, and
I find your
Loftiness.

Words are
Not earthly.
But it grows
On this earth.

Earth is
Not ours.
And nothing is
For destruction.

Gajanan Mishra

And it all depends on
Your intellect and power.

Gajanan Mishra

Logic

To know reality
Logic is necessary
And logic is
Superior reasons
And logic is
Brushing aside
All prejudices
Debating be reason
Faithfully
Logic is not opposing
For oppose sake
Logic is not supporting
One point and opposing
Other and gain victory
Over an opponent
Logic is divine
And logic is divine glory
And logic is necessary
To know reality.

Gajanan Mishra
Logic - All

Logic - all,
Life is there,
Read it,
Watch it,
And stay alive.

The sky, the ocean -
All one and
All perfect.
The bird, the flowers-
With them all.

All united,
All collective.
All in all,
All interrelated.

Gajanan Mishra
Logic And Life And Albert Einstein

Logic and life.
I see both and observe
From A to Z, Mr Einstein.
But I imagine something
Far beyond logic and life
That is here and also
That is there and everywhere.
I see failure of logic
In love. I see truth in it.
I see something truth
In you but not the whole,
You have touched something
That is in life I feel,
You crossed all for truth.

Gajanan Mishra
Logic Of The Snake And The Mouse

What is that?
That is a snake and
That is a mouse
Both are caught in a basket.
The mouse is the food
For the snake
And both would not be
Able to get out.
The snake made a truce
With the mouse
And the mouse made a hole
To get out.
Snake thought to eat the mouse
Soon after it made the hole.
What happened next?
My poem is silent
You to decide my dear
If you are intelligent.

Gajanan Mishra
Logic Useless

Logic useless
Approach humbly
Live peacefully.
Gain higher taste
With a true master
Go with wonder and finer.
Award benefit
Achieve a place
Within and within.
Never stop practice
Be experienced and nice
Very taking open kiss.
Here no use of logic
Be committed and surrender.

Gajanan Mishra
Loitering

You are loitering
In this forest
You are silent
Like the forest
You are learning
In the forest
Forest is your home
Forest is your fortune
In the forest
I am searching You
You are the forest, my dear
Forest is in You
Answer in the forest
About Your where about.

Gajanan Mishra
Lollipop

What is that?
But hope is
Still there
With us.

Progress -
A misnomer.
Budget -
Without expectation.

Gajanan Mishra
Lollypop

Technical juggling,
Nothing in real terms
For the people,
Just crocodiles tears
For women and children,
No real educational improvement,
General people's hope belied-
This is the budget we have.

Gajanan Mishra
Lone Evening

In this black
Evening sky
The lone star smiles
Going west.

No body I find
In this junction
To dance with me
In free verse.

Lone evening
dance with
My lost dream
Look it beam.

Gajanan Mishra
Loneliness

Let me stay alone,
I love loneliness.
Let me feel there
The fire of senses,
Let me see there
The ocean of sacrifices.
I am there with the star,
The star is also in me.
I feel it and I pray
Please feel yourself
In loneliness.
Let me take vital energy
Only from loneliness,
In self-restraint.

Gajanan Mishra
Loneliness Has Its Own Color

Loneliness has its own color,
And let me say it is pure literature.

Gajanan Mishra
Lonely Street

Lonely life,
Lonely street.
Lonely love,
Lonely thought.
And male and female,
In the same boat.
Matter is not
Dark or light,
But to fight.
Fight with
Hunger and thirst.
Fight with
Artificial forms
And size,
And fight with
Own shadows.

Gajanan Mishra
Long And

Long and not short,
This life, this time.
Life and not time,
Important here.
In fact, I see no time,
I honour life only.
Life is filled,
But time is blank.

Gajanan Mishra
Long Hair And Faithful Wife

Make your own journey
With long hair and
Faithful journey.
Investment is fruitful,
All music and dance
With wild love.
Care life in your
Own water here.

Gajanan Mishra
Long Journey Ahead

A long journey lay ahead
Come on with this new life
That is complex in design
come on to fulfill the mission
With proper execution.
O my dear you are welcomed
To this pious land
And find here your new incarnation
With father mother wife daughter son
You are here itself it is good information.

Gajanan Mishra
Long May You Live, Dear Men

Long may you live, dear men!
But know first your stand.

Either or, choose the side,
But stay not on both sides.

Flow by nature, men!
Honor is there on your stand.

Source of all emanations - life,
All respects and benediction.

Gajanan Mishra
Long Or Short

No matter
Long or short
But recite
Your poems
We are ready to
Hear before all, dear.

What you write,
We know, our life story.
What you recite,
We know our heartbeats.

Only light is there
In your writings.
Focus is only on
Love and truth, we know.

Gajanan Mishra
Long Since

Long since disappeared
That bird long since disappeared.
That was flying that was singing
That was flying disappeared.
In place of that bird nothing is there
Nothing is there in place of that bird.

Gajanan Mishra
Long, Long Ago

Long, long ago,
I existed,
And I was very respected.
To say this
What is the meaning
That I know not yet.
It means what I guess
I am not updated.
Excuse me, but hear me
What I am telling
In my diction.
I care not the duration of
Night or day, dear,
But I care what you fear.

Gajanan Mishra
Longing

No word to utter,
No sight to see,
No life to live.
But we are here
To realize, to love
To forgive, to forget.
We are here together
To achieve we long for.

Gajanan Mishra
Loo, How Beautiful!

Look, How beautiful
This sky this earth
This sun this star
How beautiful you are

War
With the time
And the time
Itself is beautiful, look
Beautiful morning
Beautiful living!

Gajanan Mishra
Look After This World

Look after this world,
It is yours.
See me,
I am going away from
This world.
I know,
It is not mine.
On this way
Or on the way
You like, take charge.
I am in fear, and
I am in wrath.
I know, though,
They have no value.

Gajanan Mishra
Look Alike Though

We both look
Alike though
Our nature differ.
We both eat, drink,
Sleep, work together
Though, fruits of
Our actions are
Not one and the same.
Our goal is to arrive
At the truth though,
We are going on
Our own ways and
We wander whole day
far away from love.

Gajanan Mishra
Look And Leap

The goat leap
Without looking
And perished in well
The fox climbed up
And managed to escape
Very well.

Gajanan Mishra
Look At Me

Look at me,
I am here
I am also
Not here
At the same time.

Everything depends
on your beholding
on your viewing.

Of course I am yours,
And I am here,
Peek me.

Gajanan Mishra
Look At That Child

Look at that child,
How happy he is.
Do you know the reason?
The child is happy
As because he has
Not here to repent
Over the past,
He is also not here
To think about
His future.
The child lives
At present and
As such he has
Nothing to worry.

Gajanan Mishra
Look At The East

Waiting for a change?

Look at the east
And face no devastation.

No earthquakes,
No great destruction.

Move on the path
Around the sun.

No dust,
Amazing growth is there
With you my dear son.

Stay together,
No crash,
Never move apart,
Take benefit of the chance.

We are all here
Under the sky
In peace and
In co-operation.

Please, try not to
Create any differences
Or any division
In us.

Not funny,
Life.
Be not envious,
You have no power
To do any harm.

If you try,
It is you to destroy
Yourself.

Stay there,
As you are.
Or face trouble
Within.

We are all yours
And within you.

Gajanan Mishra

And air is within you.

Gajanan Mishra

At this home

Like you as you look.

Gajanan Mishra

Stay with me by feathers of the air
I am the earth here always happy with water.

Gajanan Mishra
Look No Matter

Looks no matter,
Whether it is innocent
Or it is smart.

It is the activity
That matters.
It is not the evolution
But the concluding spirit.

The discussion is
About nothing but love.
Let the love be refined
And let it go with truth.

Truth is no different from
Our own lives and we have to
recognize it with appendix.

And I am searching and searching
And what I am searching
Ask me not Aaeeshanee
Layer to layer, I find here
The love that is in.

I realized, my dear Mama
And I know this world is
Not within our reach
Not within the jurisdiction
Of our imagination
And I find you in between.

That is the wonder, my dear
That is the wonder.

Gajanan Mishra

In your garden O kong of the cosmos I am a flower and your honour is with me blessing shower.

Gajanan Mishra
Look, the poet is surrounded by all creatures,
As the moon is surrounded by stars, planets and

Looking at my own face
In a mirror of Truth
In a mirror of Love

And a man of imposture?
And am I not a terror
In Your world here?

I wonder what for
I am richly endowed
With jealousy and fraud
I wander here
Am I not distracted
Here I am quaffing the poison.

Lord

Man is his own Lord
Man is his own manager.
Man is naranarayana
The Bishnu.
Man is in need of food
And clothing and that is Laxmi
Man requires knowledge
And that is saraswati
Laxmi and Saraswati two wives
To serve man.
Man must give respect
To the wives
Fail to give respect
Is to suffer
Like the sakhyat Lord
Jagannatha in the
Hand of Laxmi.
Man must give equal
weightage to food
And knowledge.

Gajanan Mishra

And get everything
Therein.

Lorikeet

Lorikeet is on that branch of yellow oleander
And submitting his budget proposal for the good days.

We the common mass unable to understand what are
There going on behind the scene keeping us in dark.

Goodfaith, love, emotion etcetra etcetra have
Any meaning I do not agree and also I do not
Belief in any kind of sin that arise from condemnation.

Tears rolldown from the eyes suomoto on a shock of
compassion and we become soft towards all beings
Those who are alive or dead at this time.

Lorikeet is on that branch of yellow oleander and
Watching us our activities that are not counted
By ours leaders whom we elected.

Lorikeet is helpless helpless and at any moments
Lorikeet can change the side you know well.

Does not arise.
But rise and rise
Up to the level
Of the sun.

From your own path.

Your own self there
In you, the truth
And the absolute.

Nothing is there to
Happen contrary to your wish.

No one can say,
But my dear, you have to
Choose the option.

Pick up one
That would suit you
With your love and truth.

Gajanan Mishra

Of same life-coin.

Gajanan Mishra
Losses Only For

No power,
Words have
No power to
Express me
And hence
I want to
Go away
From the words.
But words
Are there
As before
Here within
Me and I
Want them stay.
Words themselves
Are not dangerous,
But it is we
Who using the words
Are in duplicity.
We are playing with
Words carelessly.
And we are facing I
Losses only for us
And not merely for words.

Gajanan Mishra

Life renewed.

Gajanan Mishra
Lost For Ever

Lost forever,
If you are not
There to love
And live together.

Go and think,
I am the last one,
And you are missing me.

I am at the border,
But I am with the truth.
Play no trick, please.

Your words, your sound,
Your play - all your enemy.
Be cautious and use them
When you are alive.

Gajanan Mishra

For all times
To come.

For wealth
For anything here.

Here on this earth,
We know nothing is
By chance,
Still we rush
Towards lottery,
How fools we are!
We know this life
Is not for us
Yet we are envious.
How fools we are!

We are the participants
In the play of death,
Death is sure, we know.
This earth is
The playground of death.
Yet we are all
Playing lottery,
Lottery of greed,
Lottery of ego.

Gajanan Mishra
Lotus And Leech

Lotus and leech
Both spring from the mud-water
But in trait they differ.

Both good and wicked
Born together in this world
One cause mortal pain while parting
Another give agonizing torment during meeting.

Good man is like nectar
Wicked man is like wine
One is the creator
Another is the hunter.

Gajanan Mishra
Lotus And Lily

Lotus and lily once
Discussed about
The sun and the moon.
One gave credit to another,
Their discussion
Was going on
And since we lack vision
We could not know
What was the last
Result and solution.
My dear fellow-men,
Here I am, waiting for
Another sun that has given
Me the words to come again.

Gajanan Mishra
Lotus Flower

Lotus flower,
O lotus flower,
How you are growing and
How you are blooming
In this muddy pond
That I wonder.
I admit, O lotus flower,
You are my real master
And you are teaching me
From there how to cross
All barriers and reach the sky,
The all powerful creator and
You are teaching all how to keep
All present past and future.

Gajanan Mishra
Lotus Flower In My Hand

Lotus flower in my hand
And I am always ready
Without deviating for a moment
To render service to You.

Gajanan Mishra
Lotus Leaf - Life

Lotus leaf is
Not moistened
By water.
Stay like
Lotus leaf, dear,
In this world
And be not
Tainted by sin.

Gajanan Mishra
Lotus Leaf - Water

Lotus leaf is to water
You are to me
cause to effect.

Gajanan Mishra
Lotus Leaf And I

Lotus leaf is
Not moistened by water
As it is at your feet.
O my dear, likewise
I am submitting
Everything that is
With me at your feet
And I abandoned all
Attachment here and
I perform actions
With truth with love
Following the path of
Devotion and
Dedicated all to You
I am sure I am
Not tainted by sin.

Gajanan Mishra
Lotus Position

True, I am in lotus position,
But I am not a lotus-eater.
I am the lotus looking at the sun,
But save me from the furious summer.
I speak the truth openly
But I am not a lothario.
I am the loser in all the play,
But I play to make the road clear.
Nothing is negligible but all
Are negotiable in this world.
We are all belong to this earth,
And we are trying to touch the sky.
The sky is there in its place
With the sun and the sun is ours.

Gajanan Mishra
Lotus Stem

A lotus stem sprouts,  
And manifestation started,  
Within the water.  
Water is everything and  
Everywhere, I know.  
The design and  
The order of working  
Differ, though.  
Where is the earth,  
And where the sky,  
The water alone can say.  
And I know I am  
The water, and  
You are there from me.

Gajanan Mishra
Lotus Stem And The Swan

Lotus stem and the swan,
My final breath and your presence,
Dream and absolute truth
And touching of eternity by me
At this time with no conclusive point.

And I see a light
Inside me in midnight.

Gajanan Mishra

Live like
Lotus leaf
Lion-life.

Gajanan Mishra
Loud Enough

Loud enough
And hence,
Excuse me,
I am silent.

My mind and
My life- full of
Dreams, and hence,
I am fearless.

Fearless I am
And hence, I write
So much here,
And all are
On truth and
For you.

Gajanan Mishra
Louder Than The Sea

Louder than the sea - My mother,
Gives more light than the lightning - my language,
Tolerate everything - My earth.
And I am with all the three,
Remember, no one can beat me.

I sign, I utter words,
I stood first, I got my freedom,
All here with the three.
And I am proud of my mother,
My mother language and
My motherland - the earth.

Is there any substitute?
If you know, please tell me,
I am here to serve you like a slave.

Gajanan Mishra
Love

Begging drama love
just a farce
and it ends
with melodious mourn.
If patience is
there with you
save yourself
failing which
dirge is there
to embrace you.
Love, Love
And love is
only yours
And you are the
farceur here.

Gajanan Mishra
Love - Woodpecker

Love me, love me,
Said the woodpecker,
But the snake,
The trespasser,
In the hole
Of the woodpecker,
Cared little and
Hissed to sting.
The woodpecker
Could do nothing,
But started work
To create another
Hole on the tree,
Elsewhere further.

Gajanan Mishra
Love - Fresh Clouds

See me here under
Your feet, O my dear.

Gajanan Mishra

Let us test it.

Let this world perish,
Long live love.

Gajanan Mishra
Love A Little

Love a little,
Just a little.
And in that love
Put everything,
That you have.
Love a little,
Just a little.
And in that love
Put the entire sky
That is there
On this earth.
Love a little,
Just a little.
And in that love
Submit yourself
To me for ever.
I am here, see me
With you and
See here nothing new.
We were here,
We are here and
We will be here
For ever and ever.
A little love
Is really enough
To live, my dear.

Gajanan Mishra
Love Affairs

You are giving me
I am enjoying.
What right has anyone
To come between us?

Don't be a person of anti-love
My dear, it is not at all good
If you are so kind provide me shelter,
Supply me cloths and food.

Food, clothing and shelter
Are as necessary as love
Without love everything is bluff
It is fruitless to stay in this world-club.

Gajanan Mishra
Love Affairs Ended

Love affairs ended
only for mischievousness
Only for vested interest
Only for nasty little business.

Promises are made
Assurances given
And it so happens
Love affairs ended.

Gajanan Mishra
Love All

I love all
I am being loved by all.

This land is holy
Saintly delightful
Wonderful and marvelous.
Here in this land
You make your kingdom
And kept me as
Emperor millennium.

Then only I say
You are really great
Good or bad

And it is within you
Everything flows from truth
From Love and to know it -
True knowledge.

Gajanan Mishra
Love All And Save The World

Love all
And save the world.

You are authorized to
To do any welfare activity
For all.

O men,
You are the incarnation
Of Almighty.

Gajanan Mishra
Love All, Love All

Love all, love all.
Love is not lust,
Love is not desire,
Love is not craving,
Love is not greed.
Lust, desire, craving
And greed all are
Forms of attachment.
Love is not attachment.
Love is not attraction,
Attraction for the perishable
Worldly objects.
Love all, love all. But my dear,
Love not any worldly objects.

Gajanan Mishra
Love All, Love Is For All

Everything is resting on love
Love is everything
Love is the origin
Love is for all, love all.

Gajanan Mishra
Love Alone

Remember,
Love alone
Attracts me.
As I am
In Truth.

Gajanan Mishra
Love And

Violence and
Disorder lines
Everywhere
And yet,
I am
On the way of,
Love and
Brotherliness.

As a poet,
I am taking
Human race,
To eternal
Beautitude and
Divine grace.

Gajanan Mishra
Love And Affection

Love and affection is there
Means everything is there.

Death admits his defeat
Before love and affection.

Gajanan Mishra
Love and air,
Both are here
To take the flowers
In their hands.

The flowers and the earth
All are there to
Express their feelings
In silence.

Nothing is an accident,
Neither love nor life,
Neither the air nor the flowers
But all appear with a certain cause.

Gajanan Mishra
Love And Awe

Life- love and awe,
I know death is nothing
And so I feel awkward,
Awkward to proceed forward,
Where you are.
You are my flower
So sweet and cute
I prefer mute before you.

Gajanan Mishra
Love And Devotion

Unflinching and fixed
My dear, life is not a cheat.

O my dear, please keep yourself
Free from the clutches of false ego
And the material conception of life.

Be in love and get peace
My dear, it is pure-goodness
It is liberation and emancipation.

Gajanan Mishra
Love And Faith

Love and faith
Without faith
No love
No love no faith
In faith
There is dependence
Only on your presence
And with you
I attain love.

Gajanan Mishra
Love and faith, 
Love enhances 
Every moment, 
Faith attains 
Bliss of the Self, 
It is You, 
Path of knowledge 
You are all Truth 
And all peace.

Gajanan Mishra

I am in need of
Love and faith
To survive.

Gajanan Mishra
Love And Goodness

Love and goodness
Purer and is illuminating
And it frees one from
All sinful reactions.

Gajanan Mishra
Love And Grace

All for you,
Knowledge and intellect
All for you.

You are in my memory
You are in my poems
You are in my hearts
You are what I am here.

Love and grace
All belong to You
I am Yours
I am painting You
In my arts
I am composing You
In my poems.

You are there
Where I am.
But it is not sure
I am there
Where You are.

Gajanan Mishra
Love And Gratitude

Does not matter
Leaf flower fruit water
Whatever you give better.

I am with you for ever.

Express or not express
I am here
To fulfill your desire.

If you are filled with
Love and gratitude.

Gajanan Mishra
Love And Hate

You want to
Write in me,
My dear owl,
That I know
From your eyes.
I know
Love and hate
Are one
And the same
Things here
For the sky.

Gajanan Mishra
Love And Hate And Balancing Act

Love and hate and
Balancing act
We know all that.
And nothing is
True object,
Clarification is
Not necessary
On this effect.

And still, we
Build roads
To go.
Rest shed, we
Need to watch
The rain and ice.
With so many things
We present ourselves
To say loudly
We are the genius.

Enough is enough
Some say on the way,
And some other
Care not.
Air in the nostrils,
And fire in the eyes,
We describe as if
They all won death.

But no mountain,
No river come forward
To instruct
Stay and adjust.
We still, love
And in love
We search our hate
On very standing position.
Love And Hatred

Love and hatred
Both are bad
Good and evil
Both are chill
War and peace
Both are to miss.

Remember, my friends
We are here and
Our life is
Above all trends.

Gajanan Mishra
Love And Its Stages

Know love
Know the stages of love
I am sure
You are not in love
And let me declare
You are not in love
After knowing all.
Ignorance is not bad
The so called bad men are
Not actually bad
The so called good men
Are actually not good
Good and bad are all
Relative terms.
Let me tell you
Here what is truth
And the so called truths
Are not true in real sense
All are non-sense
Don’t go with any one
That is the only truth.

Gajanan Mishra
Love And Joy

Love and joy
Are there
And they are
Singing a song
Of life.

Life is there
With truth
And they are
Crying in their
Own house.

I am in the house
Waiting for you.
And you are uttering
The word peace, peace.

Gajanan Mishra
Love And Keep Faith

Love and keep faith,
At times the loved one
May hits you in the head
With anything,
Worry not for that,
Loss, not faith,
Keep on loving.
Love is yours,
Life is yours,
Truly discover all
For you and
For satisfaction.
Keep loving with hearts,
Keep finding great.

Gajanan Mishra
Love And Knowledge

No difference is there
Between love and knowledge,
Without knowledge one cannot
Say he is loving truly,
And without love it is
Impossible to acquire knowledge.

Gajanan Mishra
Love And Learning

Are one and the same
One is the helping hand
Of another and a way
To respect one another.

Power of understanding
Is in both in learning
And in love and good ever
You can go you can stay
But do all in love.

Both love and learning
Are encouraging
Joy and happiness are
To share all in
Love and in learning.

Gajanan Mishra
Love And Life

Who is there
to love the truth?

And I have rejected it
outright.

But how can I prove
I have no
private dealings.

But love is
not a matter of
good fortune.

And it is not a place
that can lift you up.

Goodbye love.
No more interested in you.

Gajanan Mishra
Love And Live In Love

Love and live in love
Are not the same and
One my dear.
Let the story of love
Comes to us, my dear,
And let us
Discover ourselves in it.
Love and love,
Love is the solution
of all problems here.

Gajanan Mishra
Love And Longing

We are in the question-
Love and longing.
We are marching
With black and white,
With giving and taking.
It is you to decide
What to do here,
It is none of our business.
We are to go and
We are going on our ways.
Since you are our products,
It is you to decide how
To follow us here
On our light.

Gajanan Mishra
Love And Lost

Love and lost
Here for ever,
Call of nature.

Gajanan Mishra
Love And Love

I am not going to die
it is not that
I was non-existent
In the past
It is not that
I will die in future
I am here and
I remain here
And only for me
You are here.

Gajanan Mishra
Love And Love Again And Again

As son, as father, and mother, and daughter,
As friend as neighbor as helper as Master
Love and love again and again and yet again.

It is only in love you can expand yourself
It is only in love you can show your potency
In the causative form in the prescribed norm
Love and love again and again and yet again.

Loveday, lovely day, safe day on earth under the sky.

Gajanan Mishra
Love And Love And Forget All

Love and love and forget all,
Remember, you love all and
You are on the waves of love.

Love waves are there everywhere,
Love is the only truth here,
And to tell I love you is the best.

Take rest on love, and love is there
To take rest on you and to make you lovely.

Gajanan Mishra
Love And Love And Life

1.

You are meant
To be enjoyed
By me.
So also I am
Meant to be
Enjoyed by you.
Here we are
The only truth.

2.

Here we are
Hoping for
All auspicious
Blessings,
By understanding
Each other's minds.
Here we are delighted by love,
Attractive and beautiful.

Gajanan Mishra
Love And Love But Truth

I am in you,
You are in me.
You are neither in me
Not I am in you.
See me, I am here
As before and
So also you.
We seem to exist
But not true.
We are the truth
From truth-view.
Nothing is here but truth.

Gajanan Mishra
Love And Love -Here And There

Is love lifeless
That I do not know
I know only love
I know love is there
Within us.

And where are we
That I do not know
I know only love
And love is here
Everywhere above
And below.

You can come
You can go
But love is here
That I know
And I know
We are nothing
But the instrument
Of love.

Love love and love
We are all in love
No love and nothing here
O my dear, O my dear
I am Yours
You are mine
We are in love
And we are fine
We are fine.

And make life worth living.

Gajanan Mishra
Love And Natural Love

Love is but natural,
Natural love rules us.
We are all under love,
Love is for all, love all.
Question of love is there
In life, life itself
Is the product of love.
Love my dear, love.
Fixed love, attractive love,
Beautiful love.
Also, you can find hate love.
But love, it is all one and
The same love, love
And stay pure always with love.
Enjoy love, struggle for love,
Love is there for you and for all.
Love gratification, love religion,
Love information, love life,
Stay in love, love
Great love, great soul,
Grow with love. Love is great.

Gajanan Mishra
Love And Nectar

To each and every one
Let me say for good.
I wish good of all,
For the purpose of all good.
No false ego should be there
In your hearts.
Love reign the supreme, and
Nectar should be in your reach.

Gajanan Mishra
Love And Not Death

It is love and not death
That is there to kill me.
Love absorbs everything
That is in me. Still I
Say love all. Love is
The only answer to mould
Your iron mystic life.
Love is both hidden and
Open truth that is here
In between you and I,
No has no number and love
Takes no retirement from
Or at anywhere and for this
Structure of the sun is in tact.

Gajanan Mishra
Love And Nurture

Love and nurture
The trouble makers
For the good.

Gajanan Mishra
Love And Only Love

But be aware of love, my dear,
It is love, that is the root cause of all.

Gajanan Mishra
Love And Peace

Wife and husband
Two different bodies
And they are one
And it is intense love
Identities merged
Wife and husband
Are couple
And there is peace
A world of love
And peace, see.

Gajanan Mishra
Love And Sadness

Love and sadness
Go together but
They are opposite
To each other.
Anger and attachment
Are not opposite, though
They go together
Hand in hand with one another.
I feel sad for my love,
But both are good
As in positive sense.
Attachment and anger
Both are harmful
For the body and the mind.

Gajanan Mishra
Love And Secure Deep Joy

Love and secure deep joy.
Go on doing what ought to be done.
Love all and enjoy the harder life at home.

I know then only you shine
With fame and prosperity.

Delight alone all the time.

Gajanan Mishra
Love And Self-Realization

I am here
Only for love,
Only for
Self-realization.

I am here

Oneness with you
My dear, as I know
You are the only truth.

Let me perform my role
With my heart, with my soul.

Are the basis of success, my dear,
Keep all within you, men.

Be optimistic and stay free
From all diseases
Man of clear and pure mind
Is man of God-like,
Let us love the life.

Gajanan Mishra
Love And Thoughts

Love and thoughts are
Not the one and the same.
You may love, I may love you,
But my thought can not be yours,
Or you can't force me to go
With your thoughts.

You can't say today
Will be tomorrow,
And you can't answer
The question, not yours.

Search not the value
Of lifeless body,
You can manage yourself
Though, with cashless.

No cash transaction is necessary
In love and in life or in thought.
But without the three above
No one can proceed a step further.

Gajanan Mishra
Love And Trust

Love and trust
Everyone, my dear
Know all to be
Just like yourself.
O my dear, we are
Loving by nature
We are all storehouse of
Amiability and affection.

Gajanan Mishra
Love and truth
Both are here with us.
Both are neither
Worldly pleasure
Nor manifestation
Of our power.
But we are in love,
We are with truth.
We are with love,
We are in truth.
We enjoy singing
And dancing.
Love is here with us and
Realization of truth is here.

If you are not there
To understand me
I am not here for you.

Gajanan Mishra
Love And Unlove

Love and unlove,
Not hate, my dear.
All good, all ours,
We all understood.
Round and round
We moved, though,
We thoughted under care
And also under uncared.
And we live here
Making fresh association
With different
Temperaments that
Suits us both in holes,
And on the top of hills.

Gajanan Mishra
Love And War

Where there is love,
There is war.
War, love.
Love, war.
Love-war,
War-love.
What is there in love
Besides war.
What is there in war
Besides love.
Fear not, love for war,
Fear not, war for love.
Take care yourself
If you are in love.
Take care, if you are
In war.
The world is there
In love and in war.

For realization of Truth

To attain heaven
And heaven is within
Love is within
This body is the fruit of love
This body is the gateway of heaven,
O pious, O prosperous
Just start your journey by honest means
Journey to within.

Make your voice count
On this day of valentine.
Love all and do some good.

Today, let us take an oath
To respect all irrespective of
Caste, culture, religion, sex.

Today is the only day
In out hands.

Love all as all are
The sons and daughters of
Almighty God.

Love can open the close-gate of enemy
Love love and love love.

Love can change everything
Love all in the open jungle
And in the broken boat
In water-less sea.

Love love and love love
Love can change the sky
You can fly in love without wings
With no self-interest.

Gajanan Mishra
Love Can Only Be

Love is here always
Love can not be divided
Love enhances every moment
Love can only be experienced
Try to understand love.

Gajanan Mishra
Love Cares Not Time And Age

Love cares not time and age,
But love is there and burning
Our souls for ever here in
Same proportion, no matter
Animate or inanimate,
Movable or immovable.

Who says love is horrible?
It is of course true, it is
Both short and long, so also
It is easy and difficult.
Love is far from our
Sympathy and antipathy and love
Knows not fair and foul.

Here we are dying and
Living in love. Love is here,
Watching us day and nights.
Love cares not praise or blame,
It is with us and we are here
With gay and pale.

Gajanan Mishra
Love Children

Love children,
Children are
The ambassador of peace,
Children are
For progress and
Harmony.
Love children,
Children are
The real beauty.
Love children,
They are there
Making merry,
Singing, dancing
For your own safety.

Gajanan Mishra
Love Eternity

Let me speak
About love
What we think love
Is really not love
You change the love
And what is love
If eternity
Is not touched.

Eternity is not fraction
Men, You are from eternity
Love yourself
You are in all
Love all
Without any discrimination
Love all
And think you are not living
You are dying
Rest are living
Love all, love full before
The process of dying finished.

Gajanan Mishra

Use all to
Win the hearts.

Gajanan Mishra
Love First

Love first,
And see everything
Okay thereafter.
No rival,
But all are there
With high honour.
There is smile and
Also there is flower.

See everything beautiful.
Say everytime I love you,
The world is for you.

Gajanan Mishra
Love For Ever

Love for ever,
Life for ever.

Brighter and brighter.

Gajanan Mishra
Love For Language

Love for language is here
But only in pain and paper.
Love for all out development,
Love for mother and mother earth,
Love for all creatures all are
Here but only in pen and paper.
In practice we are not committed
To our own mother, mother-language
And our own land- greatest calamity.

Gajanan Mishra
Love For Life

Love for life,
Death is not
The opposite of life.
Likewise, hate
Is not the opposite
Of love.
The words are
Interlinked
With each other.
It is our passion
To know what is
There within that words.
Let one love another
Let one live further.

You have forgotten  
The ocean  
And you try to  
Walk over it  
As if you are  
Walking on the land.  
It is love.

Gajanan Mishra
Love Forever

No poem is here,
No newspaper.
But I have the knowledge
That each and everything
Is a poem and
You are the creator.

Are here at present,
And we will be there
Also in future.
And no one besides us
Will be here.

Where You are.

Gajanan Mishra
Love Has No Sound

Love has no sound,
And sound is no love.

Let the stone
Go with dreams,
And the dreams have
No wings that
Bind the stone.

The stone can give
A flower
That has a permanent
Scent.

No one is allowed
To measure the length
And breadth of love.

Gajanan Mishra
It is your love
That haunts me,
I am in love haunting.
I survive only here.
No vanishing point
You can discover here.
True life is here
That can bring you inward.
You can go anywhere,
By entering anywhere-
The magic of this haunting.
You can return back
Thinking you are still here
And that haunts you.

A dream.
And a dream
Is in us all.

The truth
Guides us.
And we move
In the light.

And the dream
Takes us
With care
To the place
Where there is
Nectar.

In milk.

Love, the rising light,
Clean mirror of
Pure time.
The time in love
Is all human and dressed.

Gajanan Mishra
Love Knows

Love has
Neither virtue
Nor vice.
Soul cares
Neither fire
Nor ice.
We all know,
Here it is
Not good
To crave
For service.
Rather we should
Ask earnestly
For mercy.

Gajanan Mishra
Love Knows No Traffic

Love knows no traffic,
I know here at this age
When I am with you.

Gajanan Mishra

And love full in letters
You are my love

A good combination
Body and soul
Good composition.

Love in life, proceed forward, signal is clear.

Love Letter - Complete Absorption

Love letter, to you,
My first priority.
Where you are, and
How you are, I care not.
Let me show
Complete dedication.
Let me say a few words,
For purification.
In a complete absorption,
I welcome all to come
And see and enjoy life.
A surface, like this,
No one can find elsewhere.
Let me reflect all here.

Gajanan Mishra
Love Life

I can not say anything about life
I love life and life is my love
And life is everything for me.

Think not life is nothing
Think there is truth in life
Think if there is no love
There is no life
I can say nothing in love
In life if it is not on truth.

Gajanan Mishra
Love Life - All Happiness

Love life,
All happiness are there.
Happiness is the roots
And happiness is the fruits.

Love life,
Love all,
All are your parts and parcel.

Without love
You can't reach the truth.

Love is all good.

Love all
Love is not lust
Remember, my dear.

Think not,
I am telling the words of liars.

Gajanan Mishra
Love Lives After Death

We are in love and we live
With love in this life at least.

Like whores
Store house of troubles
Love lost meaning there.

Gajanan Mishra
Love Love And Only Love

Nothing is there except love
Love love and only love love
Without love how can I feel you
Without love how can I see you
Without love you are only a wood
Only a stone only a good for nothing
Fellow and by uploading love
I am sure you are pure more and more.

Gajanan Mishra

And delighting all.

Compassionate and
Gentle of disposition
Really, love, love, loveliness.

You are right William Shakespeare
I know it is your youth

And love makes life successful.

Gajanan Mishra
Love Makes Anything

What is love, what is love,
You asked when I said
I love children, I love men,
I love you, I love all.

I said let us dance,
I further said let us sing,
Let us live together,
This earth is not barren.

Let me say love is love,
And with its touch,
See everything important.

Love is so lovely so handsome
So beatiful and with its touch
No one would remain a fool.

Gajanan Mishra
Love Me

Fix your mind on me
Do my duty
This is the way
To overcome all obstacles
And all sorrows.

O my love
My dearest dear
Come towards me
You are my fragment
Come to me
And be free from all indebtedness.

Gajanan Mishra
Love Me For Ever

Love me, love me, love me,
Loe me for ever,
Profit-loss, minus-plus,
All calculation
Be left over.

Again and again
Surrender your heart,
And for all days
Stay smart.

Give a flower, take a kiss,
In each and every moment
Love should be like this.

Love me, love me, love me,
Without love there is nothing.

Gajanan Mishra
Love Me- Hear Me

Because of humility and love
My voice choked
Hear me, I am speaking in
Faltering language.
My nature is expansion
As I am in love
I want to spread love
Throughout the world.
I know this world is here
Only for love
The sun the moon the stars
All are here for love
The air is here
The rain water is here
The birds the flowers
The animals and all the creatures
Are here only for love.
Nothing but love reign the world
That I know my dear
Only through love
Perfection can be achieved.
Love love love love

See my voice choked in love
And in life it is only love.
Love is a wonderful structure
Love increases in the course of time
Love is here to give life
Love me love me love love me.

Gajanan Mishra
Love me, If you want to love,
But love not this body.
Purity of body is in doubt,
Within your body, my dear,
Find urine, perspiration,
Phlegm, and spit,
Your flesh, bones and
Marrow are also impure.
This body is a factory
That produce filth.
Rise above the body, my dear,
And observe purity
To achieve eternity.

Gajanan Mishra

Love me at least for the sake of
Poems that are for you all.
For the sake of words,
For the sake of pleasing nature,
O my dear, love me, love me, love.
Love me, love me, love me,
Love me for my open and constant heart,
Love me for my open eyes, for my words,

Allow me, allow me, allow me,
I find all light all truth in you,
I find everything that are for common welfare.

Let me see myself in my mirror and also
In the mirror that is yours in the same light.
Let me talk to myself alone in the house
That I consider mine and you reside there.

Let me own all satisfaction,
Let me go with my confession.

For what we live,
To whom we love
We know not, still.

Gajanan Mishra
Love Of Languages

I love all languages
of this world.
I know, language is
The via-media but
Language is the obstacle
To express in right view.
I write in Kosli, Odia,
Hindi and English.
Kosli is my mother-tongue,
Odiaa is state official language
As per Act nintyteen fifty four,
Hindi is the official language
Of my India as per Art 343
Of the Constitution of India.
English is a major language
Of the world.
I move from place to place,
With these four languages,
No discrimination anywhere.
Problem is when in my odisha
State Odiaa is not being used.
Problem is I am not allowed
To speak and write in my mother-tongue.
Problem is Hindi is not being used
In southern part of my India.
Problem is my native people
Are unable to read and write
English and still
I am forced to use it
Everywhere always.
I love all languages,
I know, in a language there is
A culture, a tradition and
The signature of a race.
I love all languages,
For this I pray all
To use the language befitting
The people and places.

1.
Here I am,  
Love of truth.  
Here I am, See me,

In the most  
Practical way.  
Let me tell you,  
Give up all,  
And accept life,  
As the only truth.

2.
Life is yours,  
Life is in love,  
Life is in truth.  
It is all yours,  
Enjoy my dear  
In full.

And go ahead.

Good or bad,

Not one but two.

Gajanan Mishra

To count
One to five.
It is all style,
It is all music,
It is all feelings,
It is all for life.

But life and love,
For better voice,
For better sacrifice,
For better livelihood.

Love Poem

Not necessary to
Keep love there
In the love poem.

By a kiss in the air.
Not necessary to
Declare before all
What is there
Within me.
I know all
To the extend
That is necessary
For the welfare of all.

To accept in toto.

Gajanan Mishra
Love The Enemies

Let me give you the sky,
Where freely, you can fly.
You can judge yourself,
Where and what for you are.
You are the star who has
As much light as you can
Enlighten all easily.
Judge yourself with your
Own intelligence and say
Something new that can
Touch all with love.
Love is the only thing
That can bind you with
Your enemies, and it is in the sky.

Gajanan Mishra
Love The Land First

Love the land first,
That gives you food
And water and life.

To the shore.

Love not life,
You treat it true, though.
But declare the moment
As yours.

Gajanan Mishra
Love The Self First

Love the self first
and then only say
I love you and then
You may say

Who are you to love the world?
Is the world is hankering
after your love?
But if love is not there in you,
Nobody is there to love you.

And without love
you are deprived the blessing
of Almighty, and you are far from
peace and stability within, see.

Gajanan Mishra

Life is in that sky.

Sky is your limit,
My dear life, live and live.

Gajanan Mishra
Love True

Love true,
Dream true,
Life true.
Death is false,
Hate is false,
Reality, what we say
Is also not true.

The water and the air
Are also there
And not false.
We both are in truth-true.

Gajanan Mishra

Gajanan Mishra
Love What You Do

Love what you do
And do what you love;
Said Lopamudra Mishra
And I do agree with her.
Full of truth is there
In the above words.
The words of a poet
Can never be false,
I salute the poet
For purity in words
And deeds.
The poets are
The torch-light of
This world, we realize.

Gajanan Mishra
Love Without Fear

Choose the right way
always here, my dear
and go without fear.

Death is the product
of fear that I know,
and so go without fear.

No tit for tat,
No tiger no cat,
stay here without fear.

Live and be sincere
O men, you are the best
as stated by the Creator.

Live and love,
Love without fear.

Gajanan Mishra
Love Without Language

Love without language
Is pure and perfect.
And hence God is the only
Person whose love is
The only truth and confirmed.
But where is God?
Is God not within you, dear men?
If you want to feel
The presence of God
Then please observe silence.
In silence only
You can get peace.
In silence only
You can feel life.

Gajanan Mishra
Love Write

I want to say
No
But I can't.
I can only
Kiss
On your forehead
And try to write
Something there.

Gajanan Mishra
Love Your Own Land

Love your own land,
Feel the pulse of the people,
Serve them.
Be strong
And determined
And committed
To help the people.
Remember, the will
Of the people
Must be respected.
The language
Of the people
Must be used
In day to day
Transactions within
This land.
We are all under
A system
That is - of the people
For the people
And by the people.

Gajanan Mishra

Love.

Measure the heart,
Know the existence,
Touch the ocean
In thousand ways, love.

Gajanan Mishra
Love, Compassion, And Mother

Love, compassion and mother,
Positiveness, vision and mother,
All go together, my dear,
Let us salute our mother.

Mother, mother, mother,
Without mother no air no water
Without mother no light no life
Without mother you cannot
Think of the earth and of the sky.

If you want to fly go with the mother
Mother knows each and every route
Mother knows every technique
That would do good to the self and
That would do good to others.

Gajanan Mishra
Love, Does Matter

Love, does matter
And not hate.
Love is life
And not hate.

Let us greet
each other here,
Let us live
Without fear.

Life is a river
It is going on
In many up and down
And curves but
It is plain
And it is clear.

Gajanan Mishra
Love, Family, Society

Love, family, society,
Service, knowledge, success,
All are there in their places
And they are correct in position.

It is only I who wonders
For nothing new, though, here.
I realized what is called
Truth here and for the sake of
Others, I am struggling
For existence for nothing.

My sitting, my sleeping,
My destination and my covering
All are there for me but,
I am here like a mark of the question.

Gajanan Mishra
Love, Friendship And Sympathy

Love, friendship, and sympathy,
Let all go together life after life.

Let us be truthful for cultivation
And the association of the truth.

Gajanan Mishra
Love, Hate And Words

Words are not capable
To express genuine love.
Though, they can express
Partially hate.
But I know no word is
So powerful to express
Life that is the combination
Of love and hate.
Life is everywhere like love,
But hate is not available
So plently here there.
Give no importance to words,
I said to my love one, and
Hate starts functioning there.

Gajanan Mishra
Love, I Understood

Love, I understood,
The only truth.
The only significant word
To keep on.
The only nectar of life,
The only value.
Love, the only perfect
Lifestyle.
The only character making
Processes.
The only source of knowledge,
The only celestial flow.
Love, I understood,
All good.

With your presence.

Everything to you.
Let me write
Each word for you.

Let me not
Forget you.
We have together
Everything here.

No error
In our joining,
No terror
In our wandering.

We both are
Improved.
And I have
Lots of love for you.

Gajanan Mishra
Love, Love And Love

Love love and love,
Love is my life,
To love and be loved
Is my motto here there
Always, till there is
Air and water, my dear.
I love you and my love is
Limitless like the sky.

Gajanan Mishra
Love, Love But Love

Love, love but love
Can't buy your dough.

You have to pay
Greater attention to
Image and emotions.
Work-wise and
Be something new.

Your hard work
Can only pay you,
And buy all truth.

Learn to take
Criticism to your side.
Learn to live life
Keeping love inside.

Gajanan Mishra
Love, Love- Love Is A State Of Perfection

Love, love,
Love is a state of perfection.
Here, in love,
Nothing remains to be known.
Here, in love,
Nothing remains to be done.
Here, in love,
Nothing remains to be achieved.

Love, love,
True love has
Neither attachment
Nor curiosity,
Neither the hope to live
Nor the fear of death.

Gajanan Mishra
Love, Love, I Love You Mother

Love, love, I love you mother,
I love, I love my land, land of my birth.
I love, I love my own language,
The language of my mother- my first love.
I love all, I love all, they are all,
My present, my past and my future.
I have got everything from them all.
My vision is there with them,
I love, I love all, they are there
For me and for me only, they all
Wish to see me brighter and brighter.
They dream my rise, they bliss me.
Love, love, I love all my mother,
My mother-tongue and my mother-land.

Gajanan Mishra
Love, Love, Love

Love, love, love, love,
Love is totally free from
delusion and pain.
Love involves emancipation
and infinite bliss.
In love, see there is
relinquishment and independence.
Love is selfless,
The lover and the beloved,
here in love both are slaves,
and one is ready to please he other.
Love enhances every moment,
and it is the abode of peace,
Where there is love there is heaven.

Gajanan Mishra
Love, Love, Love, I Hear

Love, love, love,
I hear love, love,
I feel, love, love.
Love, love, love,
Let me tell you
I love you, I love you.
And all love is there in you.
Love, love, love,
I love you and you listen me
That is my prize
You give me to tell again
I love you, I love you.
Love, love, love, and love
Love is your chirping, your song,
Your tongue, your body and
Your mind, your sitting, your walking,
Your sleeping and your

Only love and love,
All days love.
Love is there only,
Merry Christmas
And nothing else
Is there, besides love.
Love, love and love - love.

Gajanan Mishra
Love, nature, god
And so many are here
And they all confused me.

I want not
Mercy from anyone.
And it is also sure,
I care not anyone.
I know all are under
My will power.

I think no one is great,
No one is helpful
In any way.

still, I wait
Something is there to happen.

Gajanan Mishra
Love, Nectar And Merry Christmas

We have forgotten
The entire world is ours,
We are on this earth,
To enjoy life,
To love each other,
To stay in truth
For the time being.

We have truth within.
We are component of the same
Five elements air water
Light earth and the sky.
We have forgotten,
We are one and the same.

We the poets/writers
Should take steps to remind
All creatures here,
There is nothing and
For nothing we are at war
With each other.

We are poor creatures
At the hands of death.
My dear brothers, come on
And see who you are
And what for you are here.
You are the nectar
And we are here to give
Respect to each other, It is
For our own convenient we have
Created so many caste
So many religion, we know
Though they have least value
In our life and death.
And so, my dear brothers,
You are here to love
And to give pleasure.
Miss not, this christmas
Is for you, you are for
The New Year 2016 to establish
A new world order and
Create the situation for peace
And peace, world-peace.

Gajanan Mishra
Love, Purity And

Love, purity and
Forgiveness are
The real wealth.
Good will and
Friendship are
The added factors.
We are for others.
Plants, animals and
Birds are here
Only for us.
We are in equality
And in unity,
We are here to
Get all lights.

Gajanan Mishra

Feel truth.
New year is
For you, for you.
Love, love, love, love..
Only truth, only truth.

Gajanan Mishra

And fear cannot win.

Gajanan Mishra
Love, Who You Are

Love, who you are,
See me, I am
True to my words.
I am honest,
I am perfect.
I am not here
To tolerate falsehood,
I am the truth.

Gajanan Mishra
Now I fear,  
I fear to  
Utter words.  
I fear as  
I know not  
The affects  
Of my words  
On you.  
I want to  
Touch you, dear.  
But I know not  
What would be  
The consequences  
After that.

Gajanan Mishra
Lovebirds

Lovebirds are
in cage.
My dear, let them

And watch
how they fly
together and they
try to measure
the sky.

Gajanan Mishra
Love-Filled

Love-filled
Everywhere, see.
Here it is
Colors of love.

No personal identity
See, here, today
Gel completely with
Truth and it is love.

See me, colors flow
Afresh every moment
And I am non-stop
Going and going, even
Before leaving,
The station within.

Gajanan Mishra

Gajanan Mishra
Love-Fixed Star

Loveliness,
Loveliness is there
In you, I know.

But to accept in toto,
Your ice and your fire.
See me, where you are
I am there with the fixed star.

Gajanan Mishra
Love-Fixing

Love-fixing
Falling in love
And it is winning
Winning is falling
Falling is not failure
It is touching the self
It is realizing the self
It is living afresh
It is memorizing
And knowing the truth

Gajanan Mishra
Forgetting everything
When I am before You
What is this
What happen to me
I know I love you
And it is only love
Love has no word
Love has no other
Feeling besides
Surrendering everything
That are within
And be in calm and quiet
But I am ever active
Only for You
Simply doing all sorts
Like a machine
Forgetting everything.

Gajanan Mishra

desire-less-ness and detachment.

Gajanan Mishra
Love-Jihad

For a while
forget your language,
forget your so called religion,
forget your so called caste,
forget your so called sects,
forget your so called nation.
Just remember, you are a creature,
Creature of this world like others
and you are living with the same light
under the sky taking same air and water.
Think you are neither big nor small
but you are equal with all.

Gajanan Mishra
Love-Lane

In love-lane
I am unknown
In love-lane
I am here
You are here
You are here
I am here.
Love-lane
Goes to
Doors of heaven
Love-lane
Take us
Straight to
The residence
Where we both
Can take rest.

Gajanan Mishra
Love-Letter

No need to write any love letter, my dear,
I know, nothing to take and nothing to offer.

Love is a thing that is above and beyond the time,
Love is not in probation, love has no compatibility
Love is not on-the job-training, love is not a problem.

No promotion, no appraisal is necessary in love
Love is also not a matter of entertainment, my dear.

Love has no bound programme, love has no substitute
Love is love and it is unconditional, no chance of
Jumping from love from one to another, it is clear.

Gajanan Mishra
Love-Life

Love is love-life and
It is very hard
And difficult to
Achieve and you are
Telling somebody
To love means

Everything including
Yourself without any
Bargaining as said
By the mother
Love is without
Any reservation at any
Time with anybody at any place.

Gajanan Mishra

All all-beauteous.
I love Your smiles
And Your eyes, my dear
And also I fear.

Gajanan Mishra

Absolute Truth
It is the lovely clap
Of hand-palms, my dear

And I am hearing everyday
Your tales the tales of Truth
To the best of my intellectual capacity
Here always day and nights.

Your door
Not as a stranger
But as a dear

That you registered
And later
I slipped away
Faster and faster
In the ether.

Gajanan Mishra

Everyday, at every time,
Let not it commit any crime.

Gajanan Mishra

Going on
Between two guests
Here on this earth.

Guide to quests-
A book is there
With them and they
Both are well-versed.

It is not good
To forget for each one-
Guestliness is
Next to godliness.

On this earth you are
My quest and I am yours.

Gajanan Mishra
Lover And Beloved

Who is lover
Who is beloved
Difficult to know
Both of us are beloved

Love-World

You are near me, 
I am near you- 
Divine truth. 
And everything 
Begins here 
With us. 
Our union is 
Not the symbol 
Of bondage 
But that of 
Emancipation. 
We owe 
Each others 
For all. 

Gajanan Mishra
Loving

You are loving to me,
I do not mind your errors,
I only remember good feelings.

Gajanan Mishra

My mother-tongue.
I can show you
My heart only through
My mother-tongue.
I can write anything
In my mother-tongue,
I can smile, I can dream
Through my language
Through my mother-tongue.
I am extremely happy
As you love this version,
I am the nature's son.

Gajanan Mishra

For a human being.

Gajanan Mishra
Loving is good,
Pure loving is pure good,
From the beginning, life is pure,
And living life with love is
The greatest achievement here.

Gajanan Mishra

Why should I
Depend on you?
If possible
I can take

From you,
Life's essence.

In loving You
And I never satisfied
In reaching any other height.

All the worlds
The nature
That is within us
Let her appear
Before us
And protect us
From the danger
Within.

I found no depth
And nothing
O my mother
How can one reach you
And reach where
When you are unreachable
Loving mother
You yourself all
Front back right left
Please come
And destroy all troubles
Here at this moment.

Gajanan Mishra
Loving To Me

You are
Loving to me
Further repetition
You are loving to me.

No difference
Just loving
All alike
Foe and friend.

Not because of virtue
But because of devotion
All are well
And everything ends well.

Gajanan Mishra
Loving To You

Loving to You
I am loving to You
I know, here
Nothing is my own.

You are unchanging
I am imperishable
Like You being Your
Fragment and Yours.

Gajanan Mishra
Loving You

I am not here
To understand You
I am not interested
In understanding You
I am interested only
In loving You
This love-platform
Is the pure state.

Gajanan Mishra
Loving You Is A Must

But loving you
Is a must,
Without that
My own existence
Is at stake.

Gajanan Mishra
Lovingly Nurture

Who is faultless?
Let me declare
No one is faultless.
But what is the fault,
Difficult to point out.
And hence, let me say
Love all as love is
The eye opener.

Gajanan Mishra
Low / High

It is low
It is high.
Let me stay happy
Let me be in sad.
Difference is nothing,
When you find a difference
You may say it is life.

And it is life
When there is an enemy
And where there is life
You are making real progress.
No matter how cheap it is
No matter how active you are,
But you are not run out there.

Gajanan Mishra
Lower And Higher

There is nothing
As you are calling
Lower and higher
O my dear
Just perform your duty
What is allotted to you
At the given time
Who is your kith
Who is your kin
You are noble
When you are chanting
And in your surrendering
I must say you are
Superior to any.

Gajanan Mishra
Lowest Place

I seek lowest place
I know lowest place
Is your grace
O my dear
I know grace is like
Holy water and
If I am in lowest place
My life will be truly blessed.

Gajanan Mishra
Luck And Unluck

Both are same,
Luck and unluck.
You are to just know
What to luck, when to luck
And where to luck.
You are to know
The reverse strategy
In the process of stratifying life.

Remember, in the process of
Living I have not ignored you,
And for this I have every right
To request you to let me know
What you are doing here and there.
You know that I don't even care.

Have you missed any of my word,
No matter, Please come in and
Inform me, I am still writing..

Gajanan Mishra
Lucky I Am

Lucky- I am,
Really lucky.
I am with you,
I am with truth.

Really lucky I am,

I am getting here
Whatever and
Whenever I wish.

Really lucky I am,
I have taken birth
On this earth and
This earth is here
To fulfill all my wish.

Gajanan Mishra
Lucky Numbers

Let me say lucky numbers,
But before saying,
Let me ask investment
You have made so far here.

Hammer in here
And see the changes
Of the earth and
The star.

No reason to wait,
But proceed on.
Love, career, friendship
All are there for you.

Nothing mysterious,
But all clear.
Study the magic codes
And symbols.

To add to the salt
Yur expression has a
Predominating factor.
Go with odds with meanings.

Gajanan Mishra
Lullaby

Mother lulled the child,
And the sky is in lucency
While inviting the lotus
To luncheon table.
Let the life not be horrible
For we the people.
My honourable sir, Give me
A chance to do what is possible.

Gajanan Mishra
Luminous One

Let me see the poet,

Great and firm
Like the cosmos.

This fire this lusy and desire.

Gajanan Mishra
Lust Anger Greed

Are here
To ruin me
If I am
Not here
To ruin them.

Gajanan Mishra
Lust For Killing

Lust for killing - intolerable.
Every creature has got right
To live under the star-studded sky.
I failed to understand how anyone
Kill or torture or give permission
To kill or torture any other one
On this earth, since this earth
Belongs to all in equal proportion.
Let all enjoy life, let all dream,
Let all utter the words of nectar,
Let all live with love and trust.
The green signal is there for all
To proceed ahead towards eternity,
We are all at par with nature, remember.

Gajanan Mishra
Lust is not love, mind it
Understand first true nature of love
Only you deserve love O my dear and I love you

Made For Each Other

I know
You are here
For me
Let me clear
I am here
For You.

We are
Made for
Each other
Like my poetry
And my health
Like spirit
And matter.

My dear

To say
About You
Here before
All in silence.

Gajanan Mishra
Made Me Not Harsh

Made me not harsh, O my dear
Let me clear, I am
Not ready to walk
With arrogant air
I do not want to see
With my harsh eyes
I do not want to
Speak bitter and
Taunting words
I want to help others
In their adversity
I want to keep good dealings
O my dear, let me clear
I do not want to fulfill
My desire by any means
With trouble of others
Made me free from harshness
in mind speech body and behavior
I am not selfish
I am not in favor of
Any violence, see
I am not cruel in nature
My heart is in serenity
I engaged not myself
In extorting money by
Harassing other
O my dear, I want to
Remain yours for ever.

Gajanan Mishra
Made Me Understood

You have made me understood
The real and whole philosophy
Of my own life here, my dear.

From here right now
I think it is nothing but
Your grace.

Everything and no dream left
Now with me.

I achieved You, my love
And that is the necessity
In love You have made me
Perfect my dear, it is nothing but Your grace.

Magic Is Here

I am a magic,
Magic is here.
All are
In the hands of magic.

Is not the world-
A magic?
Is not the sun -
Magic.

All magic -
The stars, the air,
The water, the stone,
The colours, the light.

And I am part of all,
Life and death- my parts.

Gajanan Mishra
Magic Is There

Magic is there
In words.
And in magic
Each word
Gives new birth.
And in each birth
I discover truth,

You can touch
The area you prefer.
Your words are
Musical instruments,
Use it properly, dear.

Flowers are there for you.
Watch all,
Harvest the time,
With the true beauty of numbers.

Gajanan Mishra
Magic of language
Is with the poets.
The poets are there
To show the truth
To others in the world.
The world is there
At the feet of the poets.
But poets allow
The world to go
Freely on its way.
Poets know the way
And poets know how
To mould the men
On the way..

Shines me.
And I activate
The time with

And I enable
The time to move.

Gajanan Mishra
Magical Dancing Of Words

Magical dancing of words,
I am in silence and
Observing the dance alone.

Gajanan Mishra
Magical Moments

So many magical moments,
You are to enjoy here.
You are to know the truth
Within the limited period.

Stay conscious of the goal
At every moment and go,
The road is clear ahead
Only for you, my dear.

What you are doing
You are to know and
Act for all welfare.
Knowledge is but a necessity
To move forward in
A rightful way.

Gajanan Mishra
Yes, I do believe
Believe in life
And also in magic.
I know life-magic
And I know magic-life.
Moonshine is there
In the life that is
In love and that is
In truth, let me tell
You all these for life.
Life and magic all
But the same, no
warranty, no guaranty
And nothing in both,
But we are to go
With life through magic.
So many words are there
In the air, we are to
Pick them up for our good.
No other person is
responsible for us
And for our works that are
Being performed by us.
Life is ours and
We should remember, we are
Not for the life and hence
Let us use life for
Greater benefits of all.

Gajanan Mishra
Mahanadi Water

Where is the water
In Mahanadi?
What for out fight,
When we see
Much water flow
Into the ocean?

Each one wants to take
His share, when he
Takes part in any revolution.
Each one knows not
What to do when
No demand is accepted.

But one who stood firm
Knows well how everything
And everybody, all around it.
How important he is
In the process of reality.
And we should stay clear
First at the grass root level.
The problems at this level
Be solved first.

Here, at this level
Pure water is to be supplied,
Nutritious food should be given
To the people in general.
The path of love and truth
Should be shown to all.

Gajanan Mishra
This is Mahendra
And he is the king
In this air-field
That you know
Since your birth.

This king Mahendra
Is just watching you
And let you know love
That you are in
And trying to make
This place a heaven.

I know Mahendra-king
And called Him guide
What I see in Him
I can not write
And what I am going to write
Is just a replica of life
And is not true
And nothing to be proud.

Of money must be good
That keeps you clean.

Money a good servant
Use it properly
Not a good master
Obey not money.

Gajanan Mishra
Man And Superman

No root no route
Between man and
Superman
Scratch the wind
See the motion
Of fountain.

Time not weigh and
Life declared correct
No negotiation and
Arrived at finger tips
To reopen history
That is mistaken of facts.

Gajanan Mishra
Man And Usefulness

Man is useful,
Usefulness is there in a man.

And he is the highest of mankind.

Gajanan Mishra
Man And Woman

Man and woman united
And there is much labor
And responsibilities
Man and woman remain
Single and separate
And they feel more trouble
For want of
United activities.

Gajanan Mishra
Man by nature
Is good,
But because of
Livelihood and
Selfishness he
Become corrupt.
Eating and sleeping
Made man the follower
Of passion and ignorance.
But true knowledge
Can free him from
The bondage of darkness.
To acquire true knowledge
Should be the ultimate goal.

Gajanan Mishra
Man Is Beast

Without tail
And horns
However wise
He may be.
Man, if not
Truthful,
Man, if not
In love
Is a beast.
Man is a beast
If he forget
The almighty
The all powerful
And the omniscient
Omnipresent God.
So also
No sun means
It is night
Even though
Mountains set on fire
Even though
Full moon is there
With entire stars.

Gajanan Mishra
Man Is A Man

Man is a man
His caste is humanity.
Food, cloth and shelter

With nature, my dear.
Let him give full right
Without any reservation.
Man is man, let us not
See him economically backward.

Gajanan Mishra
Man Is A Prayer

Man is a prayer
In the courtyard of Almighty,
Keep the man in tact
During the shower of nectar.
It is the time that made man
Nail-less and save the man
From all odds and man
Never faces destruction.
See a man, with all purity
In mind, in body and in all truth
See a man with love and see
Man is above all here.
Victory is at your door steps, man
And your place is next and next to God.

Gajanan Mishra
Man Is All Powerful

Man is all powerful
And he can do
Whatever he likes.
But man is now running after
Gold and soft bedding
And torturing the innocents.
The man has forgotten the truth
And hence, he is in frustration.
Man, arise and awake
And realize your own self.
No value of crocodile tears, man,
Show your strength and go
With the truth for all good.
You are the original enjoyer of
Nature, man, go on and
Get the holy path that is
There before you.

Gajanan Mishra

In this love-life-game.

Gajanan Mishra
Man Is Missing

Good news;
Man is missing.

And who is missing
If you are not able to answer
really a bad news.

Come and see and
say something about you.

Say not how the queen is
there and calling you.
Say not what is the trouble
with the prince.

Say who you are
And what is your duty,
At this time.

Gajanan Mishra
Man Is Not Plural

Man is one
And not many.
You are a man

You are going to die
So also I.
I pray before Almighty nature,
You are my dear, when coming to me
Telling me friend and requesting me
Not to fear but to cheer,
Life is one, not many, it is clear.

Gajanan Mishra
Man Is Unconquerable Indeed

By knowledge by actions
Man is here in eternal place
This earth this world.
This earth is the abode of God
And He Himself like it most
We are all His fragments
And it is His will we are here.
We are bound to admit Him
Everywhere in our body and
Also outside this body
Where He is playing with us.
He is our ultimate destination
That we know and we are confident
He gives all victorious side
To us for our enjoyment.
We are ignorant we know not
What are happenings around us
And we forgot His presence
At times and His eternal name quality.

Man is what
I thought him
In this nectar
Affected area.

Supplying food is not so important
If we failed to provide work.

I have a right on work only
And food comes later.

O my ruler provide me work
And not food.

If not I assume
You are a man of failure.

And I assume
You are doing politics
Just for power
And I assume
You have no commitment
For people's welfare
And I assume
You want to see people
Beggars.

Gajanan Mishra

A witness may be called,
At this time to the dock.
With the consent

Let me call him
The man with experience
As he knows both sides
Of life very well, here.
He is the man
Of his own nature.

The discipline of
Action, devotion and
Knowledge here always
And my aim is to
Attain the highest good
Of this life.

Gajanan Mishra
Man Of Virtue

If evil would not be there,
How could there exist good.
But good is here, it means

First offer some portion to Him.
Thinking that He is all
All is His.

Offer food to others
With great pleasure, my dear.

Gajanan Mishra
Man, A Creature

Man, a creature
Gives importance
To gestures.
Man, know well
The place and
Time of danger.
And yet, appears
Behind the door
As black sculptor.
Man knows well
The way to win
Others and yet
Plays with own shadow
By politics of know-how.

Gajanan Mishra
Man, In Original

Man, in original,
Is free from
All vices.
But life forces man
To go on wrong path
And commit sins.
Right directions are
There to progressive life,
In so many books,
But we, the men, care not
And suffer.
A true poet only, has
Properly grasped
The true knowledge
From the nature and can
Stay free from all vices.

Gajanan Mishra
Management

Life is an art of management
Many more things are still
There for you just go and catch
Change the gear of life and
Say always no problem and
Enjoy life without stress
Life is yours and time is with you
You are here to discover yourself
And stay freely to revolve
Round the sun with the earth
Remember this earth is yours
You are living on this earth
To manage the life with others.

Gajanan Mishra
Manager

O manager, You have
Given me this much
And I am happy with it.

O manager, by your order
I am engaged myself
In this work as laborer.

O manager, I am leaving
This place on your command
After receiving my wage.

O manager, it is your
Supervision and guidance
That makes me perfect.

I am thankful to you
O manager and I perceive
The truth by your grace.

Gajanan Mishra

Here everything is easy
And nothing and nobody
Is unimportant.

Gajanan Mishra

Gajanan Mishra
Mandalay Bay

Full of blood,
Mandalay Bay,
With the act of a monster.

Beyond horrific.

Humanity is dead,
Pop, pop, pop,
And fired.

Flash, flash, flash,
Dart a lot.

Shock and confusion,
All wept and screamed,
No love, no heart,
Of anyone for the victims.

Dry words - no use.

Hanged himself yesterday evening.

And he was not able to
Maintain his family
Conisting of his old parents
Aged about eightysix and
Seventynine, wife and two
School going children.

Maglu was there to grow
Rice, pulses, almond, maize,
Sesamum, mustard etc etc.

Manglu is no more now,
Think a while, my dear friends,
Forgetting politics and
The steps of Government officials,
I am writing this fact
In simple wording of prosaic theme
Just to make you understand
Our own position here at this time,
If we are here to do something!

Gajanan Mishra

I am the king,
King of fruits.
I am for you,

Before voting
And vote for honest
One who is there
To serve you
For your welfare.

Gajanan Mishra
Manifest Or Unmanifest

Manifest or unmanifest
I care not, but care love.
Love is the only thing
That can bind us together.
Only through love
We can touch the truth, dear.
Come on and let us go with love,
Love is the only thing that can give peace.

Gajanan Mishra
Manifestation

I am eating food
I am food
I am the origin
I dissolve in me
I am instrumental cause
I am material cause
I manifested myself
In the form of the world
I am immortality I am death
I am being and
I am non-being both.

Gajanan Mishra
Manifestations Of Truth

Concentrate your mind on Truth,
See that all the beings and things
Here are manifestations of Truth.

It is but silent discipline
That is free from all flaws
Accept reality, you are the only Truth.

Mind it, you are neither this body
Nor this world, and this body and
This world is not Yours, this is the only Truth.

Let me stay
In my manliness,
Let me create
My own world.
I am my ruler,
My patron,
My director,
My supervisor.
I know I am
Like a leaf but
it is also that
Without my consent
No one can
Made me moves.

Gajanan Mishra
Man-Made

All errors are man-made,  
That I realized.  
I know nature  
Can do wrong,  
That also I realized.  
Men, rectify yourself,  
For your own survival.  
Men, acquire knowledge  
And regain memory  
Who you are and  
What for you are here.  
Men, know your own  
Divine entity  
And measure the eternity.

Gajanan Mishra
Manoeuvre

Manoeuvring has its limit also
Take sensitive issues with care
while taking interest of all.
All are well aware about the facts
No body is fool or ignorant
It is not wise to go against
The good-will of fellows and hurt them.

Gajanan Mishra
Many A Times

Many a times
I appeared,
Many a times
I worked,
Many a times
I received,
Many a times
I give,
But I love
As usual always,
And I advised
All to go
On the path of
Truth and light.

Gajanan Mishra
Many And So Many

Many and so many persons are there,  
But I love only you, my dear.

I know and I am sure my ultimate end,  
You have posessed all kinds of faithfulness.

All auspiciousness is here in you,  
You are my love, you are my truth.

I am here for you with all purity,  
Fixing my mind only on you.

Gajanan Mishra
Many Faces

Bhubaneswar is in dirt
Nobody has a clean and
Open heart
Here there is no
Transparency chart
Here permission is
Not granted to cart
Bhubaneswar is in dirt.

Difficult to say
The faces a man
Bears here
Difficult to know
Who is enemy
Who is friend
Politics in Bhubaneswar
Soon comes to an end.

Gajanan Mishra
Many In Numbers

Seeing, hearing, eating, drinking
Are actions done by one
Food stuff and liquids
Are objects names of another
Ears, ears and tongues names of
Yet another
Mind, intellect and egoism
Are the mixtures
O my dear, I am among all
And illumined myself here.

Gajanan Mishra
Many In One

Many in one,
One in many.
It is you
I know.

My words are
No sufficient
To describe
You in right way.

I know something
That are there
In me.
I know not
What is there
In you.

Gajanan Mishra
Many Many Birth

Many many births
Many many deaths
And I am within you
And I am trying to
Take you with me.

You are in this place
Where I am And
Where am I not
Please tell if you can
This answer is within.

Go not with the answer
The questions are
More important
Remember, all
That are in you.

Gajanan Mishra
Many Many Births

Many many births,
And I remember everything,
How you are with me,
Always, at every stage.

I feel no difference
Life and love,
Truth and the world,
And Let me say,
We are here
For all goodness.

I am in both
In material world
And in spiritual world, dear,
We are both here, let me clear.

Gajanan Mishra
Many Many Return

Many many returns of the day,
I failed to understand till date.

Of course, I glanced at,
What you described endlessly.

Flowers and leaves are all there,
Love plays life wonderful.

I find no motion picture is here,
But rise and fall, up and downs are
Common phenomena with pleasure.

All for the belly,
All to highlights,
All to reconciliation
And it is life,
It is everything.

Gajanan Mishra
Many Many Years Ago

Many many years ago
There was love, there was service
There was a goal of life
On eternal relationship.

Many many years ago
My body was a planet
And I was moving round and round
On eternal relationship.

Many many years ago
Ultimate Truth was there
That is also present now
In love in service in relationship.

Gajanan Mishra
Many More Birds

Many more birds
Came and sat there
On that leafless mango tree.
Many more nights
I spent in the middle of
The waterless river.
Many more dreams
I lost in the yellow morning.
Much more truth
Came to light when we
Reached the judge house.
Many showers of rain with
Many rulers were in the dock
And we wanted to watch the play here.

Gajanan Mishra
Many Wonderful

Each and everything,
Each and everyone,
Here, see wonderful,
With different and
Distinct wonderful
Features. Experience
Each one, my dear.
Go everywhere, do
Anything you like,
And enjoy life here.
In water, in space
And on the earth,
You have taken birth,
Live here, without fear.

Gajanan Mishra
Maoists

Tribals are innocent
And natures sons
Do not arrest them
Terming Maoists.

Stop combing operations
In the area of the tribals.

Supply each and
Everybody the basic needs of life
You are their representatives
And took oath to serve.

Do not terrorised
Talk with them
Their problems
Solve them
On humanitarian grounds.

Have mercy
Wait for peace.

Gajanan Mishra
Map

The map is not with me
And I found my road.

Not to be detained enroute
I am on duty not allotted.

To settle dispute map necessary
that is seized by settlement authority.

I sit under leafless tree
No breeze no breath and spring free.

Gajanan Mishra
Map Out The Ocean

My dear son,
To map out the ocean
Is your duty.
I care not the mistakes,
But I like to see
A confirmation.
I am not worried
About the incarnation,
But I love to see you
At the time of
Each interaction.
At love wave,
Myself, I stationed
As an ignorant person.

Gajanan Mishra
Marine Drive

See me, in Goa,
In marine drive
And I am not blind.
See me, in blind alley,
But not on the blink.
See me, I am able to
Cross the blizzard.

Gajanan Mishra
Marital Status

Marital status
Not confirmed
And we returned
To our commitment.

Different symbols
Interrupted our goal
And we stayed
Till punishment.

Gajanan Mishra
Mark The Symptoms

Everywhere,
There is crisis,
From top to bottom.
Everywhere, everywhere.

Mark the symptoms
And proceed ahead,
Before doing that
Fix your target.

Everything is written,
Just you are to read.
Before reading
Switch on the light.

What is meaningful
That is viable.
Treat not anyone
Outsider but take
Inclusive principle
Within at this time.

Without any confusion
Just project yourself
With confirmation
That you are here
And you will be here
And face the consequences.

Marks Of Goodness

The flag, thunderbolt,
Elephant, umbrella, lotus
Disc all are the marks of
Goodness and truth.

All marks are there
Everywhere, in everything,
And we are all the combination
Of all marks here.

For these marks, see see
The trees full of fruits,
The water flows in the rivers,
The hills are full of minerals
And wealth and for this the cities,
The villages are flourishing.

Gajanan Mishra
Marriage

Marriage is not
Butterfly excitement
And passion.
Marriage is
Permanent peace
And stability
Comfort and
Sameness.

Gajanan Mishra
Marriage - Blessing

May you ever enjoy
A happy married life
So long as the earth
Rests on the head of
The serpent-god.
And may you both
Work for world peace
And prosperity
So long as the sun
And the moon and
The stars are there
In the sky.
Be graceful be fair
Always to all everywhere
I wish everything to you.

Gajanan Mishra
Marriage - What Do You Mean

Marriage -
What do you mean?

Is it for self-development
Or for self-immolation?

What is the role of love?
And what is that love?

Where is the right?
And where is the obligation?

Is marriage confined
Only with living together,
Copulation, procreation,
And sharing properties?

What is the need?
Have you ever heed?

Gajanan Mishra
Marriage Anniversary

On this day
I congratulate you.
But I want to Ask you
If marriage is good
Then what is evil.

On this day
Let me not put you
In any trouble.
But when you yourself
- the trouble maker
What shall I do.

I know you are all good,
But here I am in doubt,
On the way you are going out.

Gajanan Mishra
Marriage Is A Symbol Of

Marriage is a symbol of
Pleasure and prosperity.
Marriage is an exchange of
power and wisdom.
Marriage is a share of
house, fire, water, income,
children, pleasure, and conversation.

Marriage tells all -
Humanity does not live
in isolation.
Marriage is the language
of symbols of life.
Marriage is the symbol of
domestic bliss.

The bride is entering
her husband's house
with the promise of
new food, new culture,
new thoughts, new generation,
that enrich the world
with new light, the new dream.

Gajanan Mishra
Marriage- Love Bond

Marriage,
A purest love bond.
In this bondage
Each one is free
On his or her own way.
In this bondage,
No condition besides
Giving love in full
But not to take anything.
No other condition
Is allowed to take part
In this bond.
Marriage,
Gives pleasures more than
That in heaven to
Purified hearts.
You have to lost your
Own and accept that are
Others you love.
Without any mask
You are to dance
With full freedom.
Marriage,
You are to go with it
To establish yourself
On the passage of time.
Marriage,
A temple garden
For all for all times.

Gajanan Mishra
Marrow Is Mine

Marrow is mine
But I am wondering
With hair, skin,
Flesh and bone.

I know you are
An wonderland
And here
I wander.

You cannot say
It is my fault.
You cannot say
Nature's guilt.

What ever you utter
That would prove wrong.

Gajanan Mishra
Mars Is Ours

Red is the symbol of
All welfare
Mars mission is
Really path breaking
Initiative that
Strengthen our foothold.

Gajanan Mishra
Masks

Body is nothing
But is here to
Conceal the self.
Each one is here
Covering with a mask.
Masking tape is there
Everywhere and
The mason is not seen.
With masks, we are all
Playing here, the reasons
Not known to any one.
How to know who is
Where and doing what,
Masks can disclose nothing.

Gajanan Mishra
Mason

It is but natural
to commit crime.
It is but natural
to get punished.

There are commission
and omission
and you my mason
make all correction.

That I can take
free respiration
in this temple of
devoition.

Gajanan Mishra
Mass Communication

A poet of mass communication
Standup whole day long
Love poems of others
Love mother nature
Obey natural law.

Gajanan Mishra
Mass Of Decay

I am nothing but a mass of decay
Not undergoing any change
And I exist all the time.

Gajanan Mishra
Master And Servant

Master and servant,
Actor and spectator,
Truth and false,
I cann't say
In which category
You belong.
Let me clear,
I don't want to
Categorize myself
In any one.
I am adjacent
To you, true.
But where you are,
No ado.

Gajanan Mishra
Master Of All Living Entities

Master of all living entities, O my dear
I am here, see me, I am Your first and foremost creation.

See me, I am here as before, in my original shape and size
O my dear, call me and I am awake, to do Your works only.

It is, by Your will only, each and every creation is made possible
I know everything merges in You though symptomized by different names.

Match The Light

Old and new,
I want all.
I want not to
Left a few.

East and west,
All are the best.
I want all,
On the way, please
Don't call.

In time
I am doing all.
If you so desire,
Please, match
The light.

Gajanan Mishra
Match The Meaning

Match the meaning
Of your name,
You are Mr perfect, men.
Go for ride the time
But remember the ABC.
On the way, so many
Creatures you can meet,
But see, no one is harmful,
Only you have to
Cross them with care.
Keep your tongue
Under control, keep a watch.
Try to take pressure
But have patience.

Gajanan Mishra
Match The Words

Match the words
With your works,
And get full marks.

Go not away
From reality,
Smell humanity.

Just clap and clap
Just cheer and cheer
All talks are about you.

And live with confidence
That is the essence,
You may enjoy after clearance.

Question of shining
Is there in life's celebrating.

Gajanan Mishra
Matchless Poem

Life is a mixture
And a matchless poem.
Life is there
As it is,
But we are
Not ready to
Accept it
As it is.
Life is a miracle
And the wonder.
We are here
To open this
Before all
In the open field.

Life is not to
Fall
Not to
Perish.
But life is
To sacrifice.
We are here
To prove it
In broad light
Life is to fight
But with the self.
Life is to cross
The border of
All disputes, my dear.
Come on and enjoy
Life here,
The most beautiful
Things ever discovered.

Gajanan Mishra
Matchless Woman

Woman is woman,
Matchless.
No man can
Topple a woman.
Woman gives birth,
Woman nurtures,
Woman serves food,
Medicines, water,
Address man as dear.
Woman is brighter,
Woman is stronger,
Woman is finer.
This world is made
For the woman here.

Gajanan Mishra
Material Dust

Nothing but
Material dust
Is dangerous
To this life.

Life is in danger
Without pure
And perfect
Literature.

Literature comes
From one’s own
Experience.
Experience is a
Great thing
To be cultivated.

Gajanan Mishra
Material Ego

Material ego is false ego
Main cause of mental disturbances
It is due to ignorance
It is due to passion
It is due to attachment.
O my dear, get release of this ego
And get yourself free from mental agony
Come to the Truth and stay in the pure
Status of consciousness that is not polluted
Be very pleasing transparent and sober.

Gajanan Mishra
Material Elements

I care not false ego
I know this is material element
And is of no use.
I care not blazing sun
I know the sun is sleeping
In the deep ocean.
I only care myself
As I am seated in
Everyone's heart.
And it is I by whom
All remembrance and
Forgetfulness made possible.

Gajanan Mishra
Material Enjoyment Is

Material enjoyment is
Followed by material distress.
I am no way related
With all these.

I have invented my own process,
Process of transformation
On the path of progress in
The consciousness of liberation.

I am under construction, it is true,
Yet I am under nature and
nature is so kind to provide
All favorable situation
Saying stay blessed my son,
I am there to save from all conditions.

Gajanan Mishra
Material Evidence

We are going to
Produce material evidences,
And we are blind on divine.
Result is that
We are not able to
Deliver justice,
We are disposing the cases
As per yardstick though.

Gajanan Mishra
Material Intelligence - Wife

I can't satisfy
My intelligence,
Excuse me, I'm undone.

I can't measure
The ocean, excuse me,
I'm undone.

I am falling, though,
Under the control
Of the sky.
I can't say goodbye.

Excuse me, I am
Beyond my control.
Excuse me, I am
Unfulfilled and cheated.

Gajanan Mishra
Material Objects

Material objects
Not found and hence
Let me declare
Incident not true.

Incident not true
But life is there,
And truth is life,
I love living.

Gajanan Mishra
Material World

Material world is false
Actually nothing is there
Called material world.
The thing is
When you forget the Truth
Not realize the Self
And you are in service
Of your senses
You are said to be
In the material world.
When you forget sex and
Other urge and you are
Advanced in devotional service
You experience eternal love
You are at that time in heaven
And in eternity and in true world.
Aim and objective of this life
Is to move towards matter to spirit
Means Absolute Truth and pleasure.

Gajanan Mishra
Mathematical Calculation

Mathematical calculation failed
Life succeeded with full swim
With formula of love and affection
It is correct mathematical calculation.

Gajanan Mishra
Mathematical Calculation - Life

Life is never a
Mathematical calculation.
Or there is no
Logical end of life.
No spiritual speculation
Is there anywhere
That is so true
Like the sun.
Meaning of life is
There but it can't be
Understood here.
Life itself is a
Great pleasure that
Can't be measured.

Gajanan Mishra
Mathematics

Color is everything
White red black yellow
It is not space
It is not numbers
I am not able to calculate
Anything and come to
A conclusion
I know and
I know not what appeared
What disappeared
All numbers colors
And space
And I am no where
You are only here
As fountainhead.

Gajanan Mishra
Matter Closed

Who said what
Does not matter
It needs two
To make a quarrel.

I said nothing
Matter closed
If you said yes
I said no.

Quarrel begin
And I am
In between.

And I withdrew
Myself
To go the light
That is in my
Reading room's shelf.

Gajanan Mishra
Matter And Anti-Matter

Where is the matter?
And where is the anti-matter?
Life is just as butter,
And milk is this world.

Hear properly, dear men,
See properly, dear men,
But I know, nothing is there
In the world that
Ought to see and hear.

Come on, on your motion, men,
And know your modes of nature.
Who you are that is not the matter,
The matter is what you are
Thinking about yourself.

Gajanan Mishra
Matter And Spirit

Matter and spirit
Within without
Nature and treasure
Inside outside
Consciousness and no consciousness
Knowledge ignorance
You can find me
Here and there
In fire in air
Below the earth and
Above the sky.

Gajanan Mishra
Matter Not To Discuss

Who is visible and
Who is not - better
Not to discuss.

Those who are present
Are of no use.

Those who are not
Present - outdated.

Giving each one a chance
To present is not bad.

Greater or lesser,
No matter, but we are to
Stay cautious.

What we use that give us
Strength to produce.

Gajanan Mishra
Matter Nothing

Matter nothing,
Still, we are fighting.

We are fighting
For the land
For the language.

We are independent,
We are sovereign,
Still, we are helpless,
We are not united.

We know united we stand,
Divided we fall.
We know our language is
Our identity, still,
We failed to show our entity.

Gajanan Mishra
Matter Of Contest

Not known-
Matter of contest.
Not known-
The winner.
But contest is
Being there
And the name
And address of
The inner is
Being published
At regular interval.
Let me object
The process, no
One to hear though.

Gajanan Mishra
Matter Of Course

You, bad fellow,
Going against mother
And mother language,
And mother land,
Face the defeat,
And fall down
There in hell,
And no rescue.

Gajanan Mishra
Matter Of Faith

It is a matter of faith
It is not open to question
Not open to change
You can test it if you so like
It is scientific you can say
And it is true i must say
As true as this life
As true as this earth
As true as our love
It is same as theory of evolution
It is same as theory of relativity
Atomic theory and quantum theory
Come on my dear here it is
All encompassing.

Gajanan Mishra
Matter Of Hearing

Matter of hearing,
Matter of touching,
Matter of smelling,
Matter of seeing,
Matter of tasting,
Matter of speaking,
Matter of handling,
Matter of evacuating.
And everything is
Related to life.
each and every life
Is for living through
The path of all
Above activities.

Gajanan Mishra
Matter Of Language

In which language
You are telling
That I know not
Even I am least
Concerned with it,
I love you and
That's enough for me
But for this
You are there
To take advantage
That I do not like,
Mind it, language
Is your identity
And through this
You can keep relation
With me, good or bad
That is separate.

Gajanan Mishra
Matter Of Law

Who is guilty
And who is not
Who is a murderer
And who is not
Matter of law
A layman has no
Right to interfere.

It is the judge
It is the king
Who are to think
What punishment
To give as per law
A layman has no
Right to interfere.

What a layman can do
A lay man can
Make public opinion strong
To established truth
And the make the law public
Within the framework
of established law.

Gajanan Mishra
Matter Of Mother-Tongue

Matter of mother-tongue,
Is the subject for discussion.
Come forward and
Say what is not there.
It is as natural as
Breathing air,
It is as natural as
Rain water.
Walking on this earth,
Flying on the space,
Attending nature's call
And all the activities
Are not in any way
Barrier for the purpose.

Gajanan Mishra
Matter Of State

Matter of state
Is here, please,
Have patience
To hear.

What should
We do
And what
Should not.

It is not we
But they are
There to decide.
We are to listen
And act like
Dolls.

If you utter
Or object
Be prepared
To get
Punishment.

Hold your
Tongue.
Keep eyes
Closed.

Say always
Yes sir
You are right.
All sovereign
Power is yours.

Matter of state
Just wait
And watch
What is going on.
Act as fool,
Be not passionate.
Take care
For that.

Gajanan Mishra
Matter Of Surrender

Matter of surrender
And it is also the issues.

Without cause of action
There is no issues.

And without issues
It is not correct to
Take any decision.

For that matter
It is better to surrender.

Gajanan Mishra
Matter Of Tiger

Matter of tiger,
And tiger is in fear.
Let me see the tiger,
And the tiger is the new comer.

What the tiger said
Is not that it is beyond knowledge,
Tiger is there with courage
and is in rage.

Tiger is in rakishness
For which the sky is red,
Let the matter closed
As here all are mad.

Gajanan Mishra
Matter To See

Matter to see
Why you are
Not reading poems
Being a human.

Being a human
You have every right
To go to heaven,
But it is to see
Why you suffer
In the clutches of
Envy, jealousy and vanity.

You know nobody
Is superior and
Nobody is inferior, that's enough.

Gajanan Mishra
Matter To Think

House without roof
Roof without root
And You are the root
Body without You
You without body
A matter to think.

Gajanan Mishra
Matter Turning

Matter turning in to spirit
And spirit turning in to matter
These are all Your wish O my dear
And so in me there is no misery
No lamentation no fear as You are with me
And this is also Your wish my dear.

Gajanan Mishra
Matthew Arnold

I gaze at you, Matthew Arnold
Th echos of all times
The horizon, heaven disclose.

I am nothing, I have nothing
And wandering to and fro
You know I am in prison
But thing is that I do not want freedom.

My silent pain is
Dragging me from my back
And I missed so many things.

I have a life
I know I not alone
I know I am not mad
I know I am no a slave also.

I want not freedom but your echoes.

Gajanan Mishra
Matured Democracy

We are conscious
And we have made
Our democracy
A matured one.
No one can dictate,
No one can direct
We rule ourselves
As we wish.
We elect you as
Our leader
But it does not mean
You will do as you like.
If you so like
Be ready to sacrifice.

Gajanan Mishra
May All Good Fortune

May all good fortune
Be upon you, my dear
I wish you establish
In your position.
Here in this world
Greatest trial is going on
And you are here
On the desk of examination.

Gajanan Mishra
May Be

May be the rest
is better!
Let us proceed ahead
and see what is here.

What is here?
One who is able to see
cannot speak and I
cannot say how he hears.

Hearing is not a matter,
Fact lies in character
and for that no one is
similar to another.

Let us proceed, I am sure
Rest is better.

Gajanan Mishra
May Be Weak

I may be weak
But not bad.

Chances of recovery
Are there in all respect.

I am the first and
Last man to see own sun.

No crisis
No fun.

Here I am with all hopes
To tackle all problems.

My principles are strict
I know life is not a trick.

Gajanan Mishra
May Commit An Error

As a human, my dear
By feelings
By method
By action
You may commit
An error,
But my dear,
If your intention
Is clear
If your heart is pure,
If you want to know
How to rectify the error,
Then nothing is matter,
Let me declare you, the winner.

Gajanan Mishra
May God Forgive You

You are arrogant
You are ignorant
May God forgive you.

I have nothing to give you
I have Nothing to take from you
You are yours.

Gajanan Mishra
May I Be Allowed

May I be allowed
To tell something
About you?
Who are you?
Where are you residing?
What is my right?
I find you nowhere,
So also I find myself nowhere
And we are here
Dancing, playing, talking,
Eating, sleeping and telling
We are doing all sorts of works!
The air is there giving consent
To the sky while the birds fly.

Gajanan Mishra
May I Come In, Sir?

Usual question that is there.

No execution of order
No renovation of culture.

Just a cry is there for
Peaceful life we are not prepared.

Who is happy, my dear?
Power to rule still not captured.

Gajanan Mishra
May I Help You

'May I help you'
is there at every station,
But no one is there.

Acts are laws are there
But every one is interpreting
and using it for self interest.

Colorful lights are there
But nothing is seen
and we are, as before, in dark.

We are actors in this world-stage
and we are acting but it is of no use
for anybody including the self.

We are not ours and we are
seeking help from others, wonderful!

Gajanan Mishra
May I Know

May I know
What is your language
May I know
Where are you living
May I know
The purpose of your
Coming here
May I know
How far you are committed
May I know
Your love your work
O my dear if you are
Really here
And praying for a share.

Gajanan Mishra
May I Pleased Be Allowed

May I pleased be allowed  
To commit the same mistake  
That I have committed earlier.

Gajanan Mishra

You said yes,
But said speak on
this and not on that.

May I proceed?
You said yes,
But said proceed
this much only.

I asked not any further,
I know you are not the proper person
who is fit to allow me.
I know you yourself is incomplete
and in sorrow and hence you
cannot give me joy.

Gajanan Mishra

Maya Angelou And Her Poems

It does not matter
Whether you acted as a
Cook or a paint remover,
Whether a streetcar conductor
Or night club dancer,
Or an ill fame house mother
Or even a sex worker,
All these matters little to me,
Maya Angelou, I am concerned
With your poems, with your
Ideas and with your view points,
Your rising, your pulse
Of the morning and I love only
Your caged bird singing.

Gajanan Mishra
Maya Angelou-Fore Runner

Maya Angelou,
I find you
Here, there and
Everywhere.
Though Maya,
You are not illusion

You are that light
That has no dark side.
Maya Angelou,
I love you, as before
You are the fore runner
Of our core.

With my father,
I told my brothers,
Stay calm, stay together.
I understand the language
Of the star and
Of the fire.
I desire to bridge
The gaps of earth
And the sky with love.
Pillars of love I built
But misunderstood.
I am sure
I know the truth,
In you.

Gajanan Mishra
Men Are Always Coming

Men are always coming in,
But not going outside anyway.

No end of anything,
But beginning is there
And it is continuing.

Just feel the words,
But react not,
Your thoughts are yours
And they are there
To suffocate you.

But men, I want to
Know you through all
Impossible, that are
The only truth.

Gajanan Mishra
Men Become Monkey

Gajanan Mishra
Men different,  
Views different,  
Writings different.  
But wait and see,  
Truth is one,  
Hunger is one,  
Earth is one,  
Life is there  
All in one.  
And in oneness  
We are to love all.  
And we are to go  
Beyond all with  
Our own art and culture.

Gajanan Mishra
Men Have

Men have forgotten who they are and what for they are.

The sun is still shining
The moon is still smiling
The tree is still giving its fruits
The air the water are still there as before.

Gajanan Mishra
Men Have Brain

Men have brain
That I do admit
But my dear, brain
Substance is only an
Instrument and has
Nothing to do with
Real intelligence.

Men are not intelligent
So long as they are
Not in truth
Real intelligence mind and
Consciousness are
Part of the soul
That is only in Supreme Truth.

Gajanan Mishra
Men Of Learning

Men of learning must know
What is what, where is what,
Who is what, and what he is
Doing for what.

What is this world, men of learning
Must know and they know where is
The truth and what is the mistake
With whom and its repercussion.

Men of learning are they who
Know what is love and what for
Love is there and where they are
Going to stay with whom.

Gajanan Mishra
Men Of The World Fight

Men of the world
Fight for
Wealth,
Land,
Women.

Men know,
Nothing is there,
With the things,
Persons,
They desire.

Men know
They failed to
Do anything,
To benefit the world.

Men trust no one,
But attended
By a living power.
Men see no one,
But controlled
By own action-stars.

Gajanan Mishra
Men Perpetrate Sins

Men perpetrate sins
And reap suffering terror
Disease, sorrow and desolation.
Overcome by delusion, men
Walk not in the path of devotion
To Truth, conjoined with
Dispassion and wisdom.

Gajanan Mishra
Men Telling Lies

Men telling lies -
The bad light of the society.
Harsh speech to listeners -
Make body and mentally weak.

Gajanan Mishra
Men, Animals And Birds

I know, all are here,
And they are
Equally protected.

I know, Life is dear to all,
And I am dear
To all creatures.
I know, life is for a purpose
And for this
Protection is very important.

Here in this world,
Nobody has a right to
Torture others and
To kill others.
No need to fear others.
Everything is for good.

Find here peace and cooperation,
Find, all are happy.
The world is here, only for this.

Gajanan Mishra
Men, Are You Not Demon?

Men, are you not demon?
Men, are you god?
Men, can you say
The actual difference
Between god and demon?
Do you know exactly
Where is the road
To hell and also to heaven?
Men, Let us come together
And pray to be a human.
And what is a human,
It is just living and
Let others live
As per nature here.

Gajanan Mishra
Men, Associate Yourself

Men, associate yourself
With saintly persons and get
Rectify material condition of life.

Gajanan Mishra
Men, Be Truthful

Men, be truthful,
Men, stay always in cleanliness,
Men, Stay in self-control even if
There is the cause of anger.

Men, be straightforward,
Men, get self-satisfaction in life,
Men, show your indiscrimination
Between friend and foe.

Men, earn knowledge and
Realize the self.

Men, you are not here
To die, you possess
Great qualities, goddess of
Fortune is there with you.

Gajanan Mishra
Men, Get Up!

Get up, men!
Sleep for long,
Not at all good,
Not advisable.

It is time to raise
Your voice for
Illegal acts of
Your servants.

Realize, who
You are men.

Get up and
Take the opportunity
To glorify the truth.

Understand the fact, dear men.

Gajanan Mishra
Men, I Am Telling You

Men, I am telling you,
I am telling you as because
You have the power
To think, to modify
And to act afresh.
Men, I am telling you,
I am telling you the truth
I know though it is
Not easily digestible.
Men, I am telling you
Knowing fully well
That my tells are imperishable.
Knowing fully well
That my tells will do good.

Gajanan Mishra
Men, May You Be All Glorious

Men, may you be all glorious
And happy!

Stay in truth-
Men, your ultimate resort.

Gajanan Mishra
Men, Perform All Humanly Acts

Perform all human acts,
Act not like the beast.

Full strength is there
In you, men, protect and
Help the helpless.

Earn happiness
By doing all pious acts.

Men, you are the symbol of
Total happiness.

Realize men, who you are-
The bright star, and
Tolerate all like the earth.

Grieve not, but stay happy, for
You are the man with all potentiality.

Gajanan Mishra
Men, Stay Cautious

It is very easy to
Bewildered before
A mad and strong man.
The mad and strong man
Is the stumbling block
On the path of progress.

Men, bewilder not
Before anyone present here.
Men, incline not to
Anything or anyone.
Great danger is there, men,
If you are not cautious.

Being the supreme being of the universe,
Men, stay cautious, stay pious and virtuous.

Gajanan Mishra
Men, What Is The Purpose Of Your Living?

Men, who you are?
Men, what is the purpose of your living?
Men, where you are coming from?
Men, what are you trying to do?
Men, how far you are different from other creatures?
Men, how powerful you are?
Men, do you understand your relationship with truth?
Men, What is your identity?

Gajanan Mishra
Men, Where Is Your Reaction?

Men, where is your reaction?
Where is your goodness and passion?
I know, here you are always in ignorance.
What has happened to you, men?
Why are you remaining silent with
so much of cruelty on you?
Are you as patient as the stone?
React with the waves of time men,
and show all you are still powerful.

Gajanan Mishra
Men, Why Are You

Men, why are you
Misusing the independence
Given to you?
Men, why are you
Working against the acts and laws
Meant for the welfare of all?
Men, either you do nothing
Or act according the norms
of democracy and nature.
Go not against your own brothers,
Go not against the scriptures.
Realize the truth with in you, men.
And let the light focus
With the scent of your own earth.

Gajanan Mishra
Men, You Appear

Men, you appear
Stupefied
And maddened,
And like a
Ghostly creature.

Men, control yourself,
And see no logic
In life.
Know nothing
But love,
Love of the truth.

The truth is
Within you, men,
Go deep within.

Gajanan Mishra
Men, You Are Staying With

Men, you are staying with
Jackals, wolves, and lions,
And they are always sucking
Your blood. Know that you
Are in the dense forest, men.
Combined, they are all
Anxious to exploit your energy.
Be cautious men, you are here
To fall down in the black hole,
Of the society, friendship,
Love and family. Men, you are
Here victimized by so many desires.
You are wandering men, here and there,
And captivated by temporary happiness.
At times you are attacked by
Poisonous snakes deep sleep,
And become puzzled and bewildered.
Men, you are always disturbed
In some way or other and you are
Never happy here as you have
Forgotten the relationship with the truth.

Gajanan Mishra
Men, You Have

Men, you have
Wholesale control
Over everything
Here, I know.

Men, you have
Acquired knowledge
Sufficient for
Your own destruction.

Men, be careful,
And restrain yourself
For any wrong decision
And self-extinction.

I fear men
I fear for your valuation.

Gajanan Mishra
Men, You Have Advanced Consciousness

And you can feel the sufferings
And the happiness of other living beings.
Use your conscience, men,
Or get ready to go to hell.

Hell is there for a thief,
Hell is there for a man who enjoys
Sexual relations with animals
Or with a woman who is not to be enjoyed
And lives like an animal
Or who kills mercilessly other animals
In the name of anything,
Hell is there for a person
Who earns his livelihood
By bearing false witness,
Hell is there for a person
Who addicted to drinking wine,
Hell is there for a person
Who imprisons a living entity,
Hell is there for a person
Who shows unwarranted wrath
Towards a guest in his house,
Hell is there for a person
Who maddened by possessing riches
And deeply absorbed in thinking of
How to collect money,

Gajanan Mishra
Men, You Think

Men, you think yourself
Happy, alas!

But men,
I see, you are always
Busy in the midst of
Miserable life.

Gajanan Mishra
Menage A Trois

Yes, here we are three,
Me, my wife and poetry.
Poetry is doing business
Silently in war and
In peace.

But my wife? she is
Creating such situation
Of war and peace, and
I am no way related therein,
But at every moment
Menace to my life.

Still, I am trying to
Stay calm, no use, though. And
Trying to submit the memorandum.

Gajanan Mishra
Mend

End at the
Beginning.
No other place
To end.
Beginning
At the end.
It is
Necessary
To mend.

Gajanan Mishra
Mensuration

How you dare
And comforward
To enquire
About tense
Where there is
No sense
Where there is
No fence
And you know
I am in tense
When there is
No sense
And you know
I am always
In the world of
Mensuration of poems.

Gajanan Mishra
Mental Concoctions

Here within me
My mind is acting
Thinking feeling and willing
And falling under the control
Of my wife
Children are begotten by my wife
And I am entangled in
So many activities
All are happening
Under the control of
Mental concoctions
O my dear, You can only
Rescue me from here.

Gajanan Mishra
Mental Equanimity

Engaged yourself always
In the welfare works
For all living beings.

All living beings are provided with
All necessities of life for the progressive march
Towards the end of Self-realization.

It is the illusory energy that diverted all
From the path of Ultimate Truth
O my dear, O protector, do the needful for all.

Gajanan Mishra
Mental Illness

Killing school children
Is just mental illness
And psychological
Deterioration and saying this
You are making the matter light.
I must speak and asked here
What about the access to guns
And spur examination of
Security practices and
What about histories.

Gajanan Mishra
Merciful

What I want to say
I am not far away from you
O my dear
I know You are merciful to me.

There is no one nearer than you are
I know you are in me
And what I want to say
That is You Yourself are saying.

Gajanan Mishra
Mercury Soaring

Mercury soaring
Dry spell
Life shiver
Alarm.

Alas
Aware nobody
What to do
No body is
prepare to
Lead world.

World burning
All are in sleep.

Gajanan Mishra
Mercy

Rightly said
Mercy is the ability
To see the world
In all its light and shadow
Its good and its evil
Rightly said
To see the accused
In the dock
With a start of recognition.

Rightly said
Without mercy
No justice
And justice demands
Criminals be punished
According to law
It is a terrible wrong
To show mercy to someone
Who has done wrong.

Charity is different
From mercy
Right.

Gajanan Mishra
Mercy- Ocean

Mercy- ocean,
Mercy- sky,
Mercy- life,
Mercy- earth.
We are here
Taking birth.
We are here
Struggling for
Life and livelihood.
We are here
Searching truth.
We are here in love
And finding where are
You within and without.

It is just to realize the self
And nothing else.

A vibration in touch
In sound and nothing else.

It is the power of sight
That has the merit.

Gajanan Mishra
Merging

I am merging
See, with nothingness.

I think nothing
I experience no suffering.

I am insignificant
I admit and I am happy.

I see what is happening
Feel the Truth in it.

Gajanan Mishra
Merging With You

Without Your support

Why are you remaining silent
I am speaking so much in broad day light
And you yourself listening it.
Are you not able to understand
My language my words my gestures
Are you not free to express yourself.
Do you not know how to send messages
Why are you remaining silent
O my dear, I am with you all day long.

Gajanan Mishra
Message Is Important

Who sent the message
Not important
What is the message
Important.
What is the substance
Not important
Who has forwarded it
Should be taken in to
Consideration.
Writing and doing
Doing and practicing
All have equal
Importance
And more important is
Your reactions.

Gajanan Mishra
Message Received

Message received
That you were/are busy.
And I feel no need
To repeat my words.

On myself and I have
Showed my ability and
Temperament at this time.

Going to get success,
I mentioned your name
Here at the place
Of my work where, my dear,
You are the only worker.

Gajanan Mishra

And the messenger has
no separate identity.

Metaphors Life

Full color-acts
Picture nil.
Ideas taboo
Side lines divided.

Question of bread
Most important.
Horizon collapsed
No more yellow.

Metaphors life
Full colors
In dark
Pages turned.

Gajanan Mishra
Meteors Showers

see meteors showers.
Is it dreadful?
It is not wonderful?

Showering is but natural
As natural as my respiration
As natural as revolution.

What is happening
That I cannot say
I must say it is happening.

Meteors are there
There within me
And I am here with them.

I am the part and
Parcel of the whole.

Gajanan Mishra
Method

Method,
Know the method
Of discovering the Truth
And be happy always.

Wonder not,
You are the Truth,
O my dear, here,
Discover yourself.

Where are you?
Go and search,
Within you, my dear,
Nothing to fear.

Remember, Truth is ready to
Expand itself in the hands of a truthful.

Gajanan Mishra
Methods Of Purification

So many methods,
So many men,
But one should choose
The method suits him or her.

We are all there,
For all welfare.
Nothing to worry,
But to make merry.

We are to connect
The net for all out development.
It is we, who can touch
The untouched at this moment.

Gajanan Mishra
Metre And Melody

Go not with
Grammar and vocabulary.
But enjoy metre
And melody.

And let the world
Remember me.

Gajanan Mishra
Metro Railroad And London

I know not
What is happening there
In metro rail road
And in London.
But what is happening
I am not here to ask.
I am here to say
A few words to all,
Please give some scope
To all to learn
And to acquire true knowledge.
My dear friends, worry not
This world is very vast
And nothing is there to destroy
You and the mankind.
Let them feel shame
Who are going out-track.
Pity on them, my dear friends,
As they are also your
Part and parcel here.

Mid-Autumn

Festival of mid-autumn,
We are celebrating
On this day of
26th September, my dear.
And you are with us. Our pleasure.

You are the highway,
We are all sub ways.
You are the flying
Elephant and we are
Running after you,
Searching the truth.

We are not able to know,
We have no power to know,
What is truth, where is truth,
And what is there with us
And also with you, still we are
With you with love, 'cause
We are sure we belong to you.

You are really so colorful,
With clear sky, round moon,
And so many stars!
You are really blessed
With so much flowers,
With so much smiles
On the faces of all here!

Gajanan Mishra
Midday Poem

Midday poem,
Hard and absolute.
Midday poem
Needs your
Special mood.
Midday poem is
Not motionless,
Midday poem keeps
A lotus heart
With a smile.
At this noon
Let me write
A midday poem
For you, my dear.

Gajanan Mishra
Midday Sun

Poet- midday sun
No cloud can cover this sun
Pure like cow dung
Milk and butter and ghee
Beautiful like flowers
Useful like fruits
Poet- self authorized
Poet-self effulgent
Ascertain the Absolute Truth
Poet-ultimate dative
Causative and
Accommodating cause of all causes
Poet alone can become many
Poet - midday sun
With material cosmic creation.

Gajanan Mishra
Middle Income Group

The very word middle
Is not in a good position.
And it is said
Middle position is
Always in danger.

The word income;
I am not here
To say welcome.
I know it is
At the root of
All evils.

Group life is not
At all good for the self;
All the scriptures said.

Gajanan Mishra
Middle Path

Where is that
Middle path?

Weeks after weeks
Wandering we are.

No codification
And nothing.

If you have anything here
Please come and show on the open field.

Ultimatum not
Issued yet.

No cut-out
It is odd man
As you see
From the very start.

Gajanan Mishra
Middle World

I know the middle world
And for this I want to
Settle here with all.

Gajanan Mishra
Midnight

In the midnight
You appeared
In the midnight
You ordered
In the midnight
I marched forward.

I alongwith my wife
And children could not
Find you out.
I alone appareared
And clarified your
Homecoming that is
Drastically changed.

In the midnight you
Alongwith others
Came closer and closer
In the midnight
You appeared and
Played the role
That is not under control.

Gajanan Mishra
Midstate

After birth before death
I see you here at this stage
And you exist and you are
Going in to non-existence.

Before or after you are not seen
Un-manifest in the origin
Un-manifest in the end
Un-manifest even now though
Seems visible.

Gajanan Mishra
Midwives

To sustain
Human resources
For high qualities
The role of midwives
Is but a necessity.

Develop a cadre of
Professional midwives.
Needs is there
For professional midwifery.

My dear men, enhance
The quality of
Maternal and child care.

Read the life of Budhha,
Krisha, Christ who are
There as the stars.

Gajanan Mishra
Mighty Creation

Your each and every creation
Is mighty and beautiful
And glorious, my dear.

Gajanan Mishra
Migration

Journeys of migration
To warmer places
For better food better homes
On land-ways flyways
Mountain ranges coastlines
O man, your migration
Is something different
It is your fellowmen who are
Responsible for your unhealthy
Atmosphere and you are helpless
Under a Government by you and for you
Being a man it is beyond your knowledge
Where to go and when to go.

Gajanan Mishra
Mild And Gentle

See me
I have mildness of mind for all
As I know You are in all.

No one is my enemy, I know
As all are You
I am gentle towards my evil-doers.

I try my best to be mild
In feeling and speech for all
As I know You are in all.

At heart I am very mild
Though for some reasons or other
I may not appear equally mild.

Gajanan Mishra
Milk

I want milk,
Milk is essential
For me.
You have kept
Udder, dear.
On my part,
It is not possible
To know you or
Comprehend everything
About you.
I am not here
To enquire about you.
Enough-I want milk and
You are here to give.

Gajanan Mishra
Milk - Poison

Milk is poison
As it is touched
By envious serpent.

Wealth beauty and all
Act adversely as
Decorated by malicious nature.

O my dear, I know I have no value
If I am not in Truth
It is degradation it is havoc.

Gajanan Mishra
Milk- Adulterated

Milk- adulterated,
Food- edulterated
And save me, save me.

Gajanan Mishra
Milk And Water

We are neither milk
Nor water, my dear,
But we are the mixture.

Gajanan Mishra
Milk And Wine

I know milk is milk and
wine is wine, I am not
here to take milk as wine.

Gajanan Mishra
Milk - Life, Truth

Drink milk,
Enjoy milk,
Remember, it is
You, who have been
Nourished by it.

Think not yourself
As milk but
Be the enjoyer.
Remember, milk
Is for you.

Life is as truth
As milk, drink it
Enjoy it, but stay
Aloof, but life-truth.

Gajanan Mishra
Milk Nature

Milk nature,
But remember -
You have no right
To exploit it.

Keep earth
Beautiful and pure.
And reduce climate
Change, dear men.

Gajanan Mishra
Milk Of Dark Cow

Milk of dark cow
Milk of even a dark cow is white
Milk of dark cow also
Possesses great medicinal value
And is drunk by all.
O my dear, You are wise enough
Even though my words my poems
Couched in the vulgar tongue
See here the Absolute Truth
And here there is Supreme Love.

Gajanan Mishra
Milk Spring

Milk spring
From the breast-
Pure love.
Tears of the eyes,
And delight-
Pure love.
Mother, mother,
Only well-wisher.

Gajanan Mishra
Millennium After Millenium

Millennium after millennium
I advent myself
To deliver the pious
To annihilate the miscreants.

Gajanan Mishra
Mind

Where is my mind?
I am searching and searching.
Can you say my dear friend?

Gajanan Mishra
Mind - Flickering

Mind
Flickering
Changes strongly
Mind
Is like wind
That is uncontrollable
Tilting and disturbed.

Life
Not fixed
Transmigrating
Life
Is false if
It is with
Sense gratifications.

Still
Let us do
Something that gives benefit
Of all creatures
Say not
I am this
I am that.

Everything is
Everybody is
Changing always
With association and
Disassociation
With all mental
Concoction.

Gajanan Mishra
Mind Agitated

Mind agitated
Cause-famine drought
Cause-taxation food
Clothing water inadequate.

Common men appear
Ghostly haunted creatures
There here, my dear
Hatred developed for a few coins
No care to old parents
Care is there only to
Satisfy own bellies and genitals.

We are fools with no goal
We are not prepared to accept and respect others
Problem is here and solution is with us.

Gajanan Mishra
Mind And Wind

Mind and wind
Are alike
Both are restless
Both are turbulent
Both are obstinate
And strong
O my dear,
I pray, You are
The only person who
Can attract my mind
And concentrate it
On You
I know, I am not able to
Control my mind
You should control
The wind for general
Welfare
And You are doing it
My dearest dear
You are most beautiful
You are most fair.

Gajanan Mishra
Mind Be Controlled

Mind be controlled,
And be patient.

Nothing is lost,
Feel good
And stay always
In the open heart.

Resist yourself
From abusing, dear.
Forgive, if any wrong
You guess,
And avail
The fruits of goodness.

No one is there
As your rival.

Gajanan Mishra
Mind is cheerful,
Gentleness is there,
And also there is
Calmness and
Contemplation.
Self-control is
Also there,
With purity of thought.

Gajanan Mishra
Mind It You Are An Odia

Mind it,
You are an Odia.
You are the resident
Of this Odisha.
Mind it you are to
Do all works here
Through Odia language.
Doing works in
Other languages is
Illegal as it violates
The official language Act.
Doing works in other languages
Other than Odia is also
Unconstitutional as there
Is no provision in our
Constitution to use foreign
Languages as per 8th schedule.
Doing works in other languages
Is also undemocratic as we
Have a democratic form of Govt
And we are electing our own
Representative to enact law
For our welfare.
We are here for us,
Mind it my dear so called boss!

Gajanan Mishra
Mind Not

Mind not,
'If you don't mind
It doesn't matter'
Mark twain be remembered.

Gajanan Mishra
Mind Your Best Friend

Who has conquered mind
You are asking me
And my statement is
Mind your best friend
The mind is the best of friends.

Mind is the greatest enemy also
I am saying again
If you can not control your mind
Your life and your missions
Are spoiled.

Gajanan Mishra
Mind Your Own Language

Mind your own language,
Everything is there
In your own language.
Your earth, your sky
Your wealth men and all
Relation and Your intellect
And everything is there.
Mind your own language
And get all happiness.
No one is there under the sun
To overtake you and beat you.
Mind your own language,
Language can only make you
All powerful here.

Gajanan Mishra
Mind, Body And Senses

Still, I am original here.
My mind, my body and
My senses are under my control.
I am nondual and infallible.
I am not within limit,
I am always fresh,
I am eternal, and also
I am undisturbed and I live.

Gajanan Mishra
Mindfully
I heard
And remained as
Stone.
Neatly
Cleaning
My shirts shoes
I fixed tone as
Clown.
Completely I forgot
I am alone
And you are with me
As crown.

Gajanan Mishra
Mindless Act

Mindless act
Not permitted
Under the law.

So also no law
Can take away
The freedom of
Individual entity
Without any
Valid reasons.

Individual and
Society be read
Correctly and
Let peace
Prevailed.

No action should be
Taken haphazardly
Against anyone
In today’s setup.

Pro-people and
Logical end be
Arrived at.

Gajanan Mishra
Mine All

Day and nights
All are mine
With finest form
Of reconciliation.
The divine touch
is there for
Good cause.
Sky-colour is
There in all
And they are there
With pink-smile.
I think it good
For all sof
And tender time.

Gajanan Mishra
Mine And Myself

Mine and myself
Are false and are bodily concept
And are root cause of conditional life
All these are in relationship with
The matter and the body
And not in relationship with the spirit
And hence mine and myself
Are false and false.

Gajanan Mishra
Mine Is Mine

Mine is mine,
Not any other one
Can claim it.

I stare at you
And smile.

I love
And care you.

But love is
Not easy.
And love is
Not for fun.

Love needs attention,
And it is all official,
Not for commercial.

Gajanan Mishra
Mine Yours And Theirs

Mine Yours and theirs
That I care.

We three are one
And we are here, we are there.

We are truth, Absolute Truth
We call ourselves independent
But we depend on each other
In every work at all times.

Though original we all are here
With fear.

O my dear, I know You are
Always in my heart and everything You bear.

Gajanan Mishra
Mine, Virtues

Mine,
Capacity,
Eligibility,
Qualification,
Virtues.
Mine,
Weeping,
Shortcomings,
Feeling sorrow,
Defects,
Going abroad,
But not,
Pride,
Strength,
Power.
In my own
Discipline,
Here I am.
I am here
With midnight,
Still I am
Sinless,
And stay
In all goodness
With you.

Gajanan Mishra
Minerals

I know my body is more than
Anything, any minerals
Like iron, copper, silver,
Aluminium, tin even gold,
But illusion diverted my
Attention and I fallen and
Became a prey in the hands
Of greed and desire
And I died like anything.

Gajanan Mishra
Miniature Of Self

Each one is brilliant,
Each one is valiant,
each one is trained in
All ways to win life.

See and know, my dear,
No one is small or
Less important than
Any one who is not here.

My dear, let me draw
Your attention to all.
And let me say what I
Observed here on this life.

Life is nothing, but dear,
Miniature of your own self.

Gajanan Mishra
Minimum Maintenance

I need only
Minimum maintenance.

I need only
You and You.

I am working for You
I am giving everything to You
I know I have nothing
I know everything belongs to You.

Whatever is there I have
For anything any activities
Pious or sinful
Let that be Yours and
Let that be wholeheartedly
Invested in You.

Gajanan Mishra
Minus Has

Minus has also a great value
Let us learn it from the very
Beginning of this day.
And the day develops with us
as it is in its initial stage.
Let us observe different stages
of time that is not yours and
still you are there with it.

Wish them all, wish them and
give a call and see how they are
roaming here there without any light.
Call them and caution should be given
at this time to all before they fall,
and it depends on your way of seeing and feeling.

Gajanan Mishra
Minus I

Ego is I
And I want to left it
But how can I!

To eradicate ego
I must be clean in mind
And stay without words.

Pleasing and
Pleasing manners are
Necessary to keep the mind cool.

Coolness is the ingredients
Of a good and successive life
Minus ego minus I.

Gajanan Mishra
Minus Zero

Day to day see
The position of yours
Minus zero.

Day to day
You are declared
As a great hero.

Gajanan Mishra
Minute Details

Who is there
To explain
The minute details?
I failed, though
Tried a lot.

Nothing to nullify,
But to accept
The meals meant for
The day.

The horses are there,
And we are to see
Their race.
We are to observe
The clouds in the sky.

Gajanan Mishra
Minute Discussion

Minute discussion,
I want to know
For all.

I want a street
That is in me.

Push and pull theory
Is not applicable
Everywhere all time.

Towards light,
I am going and
You are there
I know.

I am not blind,
So also you are not deaf.

Gajanan Mishra
Miracle - Each And Every..

Miracle, miracle,
Each and everything,
Each and everybody,
Here in space,
In light, in dark,
In the surface of the earth.
Miracle - the time.
Miracle - the water,
The air, the fire,
The star. Here,
Each and everybody
Is miracle - the man,
The bird, the animal,
The tree, the plant,
The sea, the river,
The mountain.
We are all miracle,
We are in miracle.
Miracle is our life-breath,
Miracle is our friendship,
Miracle is our very
Living and growing and dying.

Gajanan Mishra
Miracle - Invisible

Miracle - invisible,
But I say love,
Visible.
Love is there
In every one,
In everything.
Love is grace,
Love is ambition.
Love is higher qualification,
Love is expansion.
Love is devotion,
Love and love in every situation.
Love - the attractive feature,
Love - the fruits of nature.

Gajanan Mishra
Miracle Healer

Miracle healer is
Fasting, please practice.

Supreme medicine is
Fasting, within the reach.

All need a rest
And they want a recovery.

Recover and discover yourself
My dear, from the enemies.

Gajanan Mishra
Miracle-Life

Life is a miracle,
Miracle is life.
Each and every word,
Each and every incident
All miracle.
We are to enjoy all
Without any biased attitude.
Leave life as it is, my dear
And see the miracles
Each and every moment
Here under this great sky.
Mirthful- this life,
We are to enjoy it
Together here all time.

Gajanan Mishra
Miraculous

Miraculous life,
It is blazing wonderfully.
Let us observe the air,
The sky, the earth, the water.
The light is there in all.

Gajanan Mishra
Mirage

Coming to the point
I went towards mirage
And I discovered myself
All over the body of the tree
Trunks branches tendrils.
Going outside I lost
And you asked for fresh air
That was missing in refugee camp
And you told me to take
Flower buds in hands.

Gajanan Mishra
Mirror Of Conscience

Do you want to
See yourself
If yes
Go to the mirror
Of conscience
And place yourself
In front of
This mirror
And see
The reflection
What is in you.

Gajanan Mishra
Mirror Solves

Mirror solves
No purpose
For a blind
Books are
Useless for
A brainless
I like these
Said by Chanakya
I know coal is
Coal till the end
I know evil person
Never be a gentleman
Anus can never be mouth
Nature never changed.

Gajanan Mishra
Misconception Of Duality

All are one,
All in one,
One in all,
Oneness is there
Everywhere always.

My dear, keep not
Misconception of duality,
With you, at any time.

We may be perceived
Differently, but
We are one.

We are neither two
Nor many, but one,
Oneness is our feature.

Gajanan Mishra
Misdirected
And I fell
Entrapped
And in dark
Lack of
Proper solution
Out of way
Misdirected
And in dark
No way left.

Gajanan Mishra
Miser

Learn and learn
Learn and understand
Learn the truth
Understand the Supreme Truth
If you leave this world
Without learning
Without understanding
The eternal blissful relationship
With Your own creator
Let me say you a miser.

Gajanan Mishra
Miserable Conditions

You are taking away
All miserable conditions.
O my dear,
You are coming and
Making Your own plan
To annihilate the miscreants.
My dear, You are the direct witness
Of all the activities of all
As You live in everyone's heart.
You are the killer of all
Inauspicious things
You are compassionate upon all
And it is Your greatness.

Gajanan Mishra
Miserable For Denizens

Cause of
Miserable for denizens
Is this heat waves.
But wait and take rest,
Think for a while
Who is at the root.
Think and for future
Go with nature, my dear.

Gajanan Mishra
Misery

Misery is rising
with no food to eat
no water to drink.
Misery is rising
with no communication,
with no home to live in.
Where are you my dear, men,
come to rescue, I am
also a truth like you.
Save the truth, save the world,
It is there in my life.
Am I not fit
to deserve your response?
Just think a while and act soon.

Gajanan Mishra
Misery- Life

Misery,
It is all here.
But living is
Beautiful
And all happiness
Is here.
We are to
Make all successful.

Gajanan Mishra
Misfire

Neither here nor there
I do not care who you are.

To know you I gone here and there
The negotiation made between us is not ours.

Talk process is in progress
Wait and see.

You are in the sea facing tide
You are on the land facing storm
You are in the sky missing somewhere.

You are neither here not there
I am wandering and in worry
While you are busy in misfire.

Gajanan Mishra
Misfortune

Dare not disobey
We have not
Learnt to obey
Misfortune.

Love is not joke
We never serious
To life to live
Misfortune.

Gajanan Mishra
Misfortune Cannot Arise

Misfortune cannot arise
When one writes poetry daily
As routinely works
With love and the truth.

Rendering into Odia language - script Brahmi;

Gajanan Mishra
Nothing is there
That can bring
Misfortune for me.
I, myself is
Nothing.
And nothingness is
My capital,
Capital of life.
But I think
Life is everything.
I am just
A conjunction.
I am here to
Coordinate in my way.

Gajanan Mishra
Misfortune That

Misfortune that
I am unable to know
My mistakes and faults
And you kept me here
In this cage as a
Life prisoner and
Kept me idle.

Misfortune that
Here I am
And with my consent
And I know not
When to go
And where and you
Kept me idle.

Gajanan Mishra
Misguided

My poems are here
And they are trying to
Convert the misguided
To the service of the truth and
Engage them in the best welfare
Of the earth.
Read my poems, they are
Ready to help each one
To rebuild the life hereafter.
Read my poems, and face
No side effects, no disaster
Is there and hence you can
Utilize my poems for
The realization of the truth.

Gajanan Mishra
Mislead Not Anyone

Mislead not anyone,
And go not towards hell.
Board not on stone boat,
That is there to sink
In the water.
Know the truth,
Follow the principles,
And save yourself from
All dangerous position.
And fulfill the aim
Of your life, dear.
Fortunately, you are here
And you are a reader,
Go on the road that is clear.

Gajanan Mishra
Misleading

You are misleading,
Since you see
Your own welfare.

Imitate not
The truth.

Your success and
Your failure -
Not your business
To decide or
To declare.

You are not
To imagine
Anything here
At any time.

Darkness is there,
So also the light.

Think not
You are anything.
Anyhow, remember,
You are good, and
You are the best.

Gajanan Mishra
Misleading People

Mislead not anyone
I am telling you
Time and again.
And yet, you are
Misleading the people
From the auspicious service
Of mother, motherland
And mother language.
I am sure, you are
Cheating the people
And ridicule the truth,
The laws, the constitutional
Provisions of the land
For your personal gain.
But wait and see,
Time will turn against you
Today or tomorrow
And at that time, you are
To realize what the truth is.

Gajanan Mishra
Misnamed

Death misnamed; life,
But life-misnamed is
Not death and hence
We should not stop
Anywhere at any time.
And our life is guided
By our thoughts and
Thoughts are there
According to situations,
We should adjust all
Situations at given time.
Remember, that everything
Is for us here. Let us
Love each other.

Gajanan Mishra
**Misnomer**

Let me see the world  
The world is for me  
Is a misnomer  
I am for the world rather.

Diverse feeling emanates  
From this World and here in  
I am the source of reasons, memory and knowledge.

Gajanan Mishra
Miss Call - Life

Miss call,
I do not like
At all.
I want to talk,
Though, with
Big and small.

I do not like
To touch.
But without touch
How can I
Enjoy poetry,
Of course, good question.

I want to see
Nothing here,
Eyes are here
With me, though.

With ears,
I want to hear,
No sound can
Change me, I know.

Am I a rock,
No, never,
Known to all.

Gajanan Mishra
Missed Call

I missed your call
And who are you to call.

Who are you to call me
At this midnight hour
When I am in dream's empire.

Do not call me again
I have no pen.
I can not write
The time of call
How you call
Why you call.
I missed your call
I missed your call.

Gajanan Mishra
Missed Somewhere

I have missed myself
somewhere in the sky.
Find me out
if you can.

I am sure
This sky is not yours.

You, the skyscraper
come to me with a thousand
ladder and declare yourself
a goodrider.

I am here in this sky
And the sky is not mine.
No Meaning to count
one to nine
and I am missing
wish you a day fine &gt;

Gajanan Mishra
Missiles

Missiles not for respect
If you say and ready to hear
Keep patience
Be tolerant
And eradicate poverty
Eradicate polio
Distribute sweet
In street.

Gajanan Mishra
Missing In The Ocean

I am missing and
Missing in the ocean.
And the ocean is within me,
With me and also ocean is
My creator, my dear.
I am calling the ocean
And it is not illusion.
Ocean is real life's reflection.

Gajanan Mishra
Missing Out

Am I missing out
From the labors
Of love?
Who is there
To answer
My questions
Besides me.
I am only here
With me
All days and nights.
I am missing,
But my love is not.

Gajanan Mishra
Missing Rhythm

Forgetting the music,
Missing the rhythm,
Pushing the thoughts,
I moved forward.

I stood with my words.
I blossomed like the flower.
I reached the place of fixed-star.

If you so like,
See me, I am there,
Also there within you.

Gajanan Mishra
Missed Sky

I have discovered
the missing sky.
See, that is there
as before.

I am within that sky
Who is in my courtyard.
Talk to him, if you
so like at the earliest.

Gajanan Mishra
Mission

Writing poems
Is no more a hobby,
It is the mission,
It is the part and
Parcel of my life.
I am here to
Love all and to
Speak the truth
For the welfare
Of all creatures.
You are there to
Agree with me
And do your duty
As per the principle.

Gajanan Mishra
Mission Be Fulfilled

Mission be fulfilled
Let earth move freely.

Empty house
Where You live in.

Flowers blossom
With love and grace.

Heart consumed
Sympathy and it is without cost.

Let Him stay
Where He like for ever.

Gajanan Mishra
Mission Is

Mission is
To reach at the truth
With all contradictions.

Gajanan Mishra
Mission Is To

Mission is to
Fulfill eternal life.
And I know eternal life
Is attached with material world.
And material world is full of
All pain and all miseries.
Pain and miseries are
Part of life here.

We are to bear all,
We are to enjoy life
With all guide.
Getting a good guide
Is getting all success
In life with mission fulfilled.

Gajanan Mishra
Mission-Poems

All join with me
Wild tigers elephants
Bears deer birds snakes
And all and with me
All are getting peace
And all live in a world of
new friendship irrespective of
Caste color creed sex species
Religion and aim is single program
Poetic - mission.

Gajanan Mishra
Misspelt

You have to accept,
As I am here, the minister,
No matter in spelt or misspelt,
What is there in that.

People have given me vote,
I have to thank them
Not through the letters of words
But through the activities.

You have to wait,
What I am going to do
With much spendthrift,
And I am doing that.

You have to bear, as
I am the Hon'ble Minister.

Gajanan Mishra
Misty - the day.
And mistake is
But common.
No excuse,
If anyone beg
Saying mistime.
Spell life
Correctly or else
Utter with moans.
Life means
Mobility and
Mobility means
Going towards
The sun.

Gajanan Mishra
Mist And Mirror

Mist and mirror
Go with friendship.

Look and face
Have their own area of play.

Pen and paper
All face war.

Nothing good,
Nothing fair.

We all see
Name and fame.

All wonder
In air and water.

All for life
And all for death.

Gajanan Mishra
Mistake

To aspire for things
A mistake
Turning towards world
A mistake.

You are in the world
True
You must turn away from the world
If you want correction
You must serve others
Without thought of a reward
If you want correction.

Gajanan Mishra
Mistake And Error

Mistake,
Mistake is but common,
Mistake be eliminated.
Mistake be eliminated
As soon as possible
To reach at receiving
Benediction at a motion.
Mistake is not error,
To err is human
And it is true,
Consciousness should be there
And error should be corrected
To reach the end of perfection
And no comparison.

Gajanan Mishra
Mistake Be Rectified

Mistake be rectified
From the very early morning
To avoid delusion

Gajanan Mishra
Mistaken Belief

Mistaken belief
In you is that
You are for others.

Remember my words,
You are for yourself,
You are for you only.

I dare to say the truth
That is bare as
I am a man with a
Mentality of don't care.

My eternal life is
Within me and I listen there
The call of my inner-self
To whom only I take care.

Gajanan Mishra
Mistaken Identity

Go not with
Mistaken identity.
People in general
Are truthful.
Peace loving
And hard working.
Forgive and forget
All minor mistakes.
Give them all
Love and love.
Each one has a
Great role to play
To make this world
A beautiful heaven.

Gajanan Mishra
Mistaken Identity- World

Go not with
Mistaken identity.
People in general
Are truthful.
Peace loving
And hard working.
Forgive and forget
All minor mistakes.
Give them all
Love and love.
Each one has a
Great role to play
To make this world
A beautiful heaven.

Gajanan Mishra
Mistaken Speculation

Everything is relative
Mistaken speculation.

Energies of fire are heat and illumination
Diversified sense perception.

That is what delicious like sound of a drum
Taste of a milk preparation.

Life is nothing but experienced and expansion
It is everywhere in its manifestation.

Gajanan Mishra
Misunderstood

My writing sometimes
Misunderstood by you
I know you are more
Intelligent than me.

In dark and in light
I am here to fight
And you are in both
That I know within.

Gajanan Mishra
Misuse Not

Misuse not
Your knowledge
For any other purpose,
But use it
For the welfare of all.
The purpose of knowledge
Is to know the truth
And to attain the eternal
Life and bliss.
My dear men,
Spoil not your lives
With ulterior motives.

Gajanan Mishra
Misuse Of Freedom

You are free to do
Whatever you like
But see, no misuse
Of freedom is there.

Connect the system
Creating circumstances
But see, You are here
As before.

Gajanan Mishra
Mixed - Everything Everyone

Mixed -
Everything,
Everyone.
Mixed -
Culture,
Mixed -
Race.
To question
About the mixture
Has no meaning.
Show not
You have lacked
Statesmanship
And vision
In this age of
Globalization.
Have you purchased
Anyone, any nation?
Are you not
Part of the globe
Like any other one?
Make friendship
With all.
Your angry mood would not
Get anything, remember.
Mix with other,
Give call for new friendship
And peaceful coexistence,
If you want to lead
The world in future.
Or leave all
And see what is
Going on here.

Gajanan Mishra
Mixed And Unmixed

I want both,
Mixed and unmixed.
I want the mixture also.
The benefit, I like to
Derived is broader outlook.
I feel what I think,
My body and mind
At a time, here.
The entity, that is there
Within me, feels happiness.
I, myself is the full manifestation
And I am conscious of my position.
I am busy in my natural function
As directed by the air and the water.

Gajanan Mishra
Mixed Reality

True to identity,
Mixed reality.
Creating value
For trusty.

All for security,
A measure of safety.
Culture naughty,
Marked quality.

Do not keep a mobile with you
Mobile ridiculed you
Mobile would change your modes
In to a mule and
You would lost your lull.

Gajanan Mishra
Mobile Chat

Hello, where are you now?

Oh, I am here
Where you are.

But I am
Not able to see!

It is perhaps because
You do not want to see.

Some honesty is needed
In every action.

But it is there in me.

How can I know,
A great question
So long as you
Do not want to know.

Gajanan Mishra
Mock Drill

Gajanan Mishra
Mock Fighting

No permanent enmity,
But mock fighting is
There going on.
Everything is just
A show.
A shot play is
Going on here,
On this theatrical stage.
It is happening here,
Only for a short time
And not perpetually.
Nothing to take seriously,
Just, let everything go
On its own way and
Let us take everything easy.

Gajanan Mishra
Mockery To Waste Money

Mockery to waste money
And enjoy life
Waste time and energy
Direct not what to write
And what not to write
How to dance
And how not to dance
Deprived not dues
Bare necessities
And not be a
Subject of mockery.

Gajanan Mishra
Modes  Are Acting

Modes are acting on the modes.
Like the running train
Having received power from the engine
Runs with the help of a driver.
The train needs a driver
With senses mind and intellect
Likewise our body-train needs
Senses mind and intellect
Received inspiration
From the source of light.

Light reflected in the intellect
From intellect light goes to the mind
From the mind light goes to the senses
And then the body functions
Intellect, mind, senses and this body
Are modes and their illuminator
Or driver is the self, the soul
The almighty the omniscient
What ever names you may give
Let us give a connection
And see, the modes of actions
Are on thus modes are acting on the modes.

Gajanan Mishra
Modifications

I born
I exist
I change
I grow
I decay
I perish
Still I
Remained I
Unaffected
Un-constituted
And I declared
It is I
Without beginning
Without end.

Gajanan Mishra
Modified Version

How can I modify myself?
How can I go far away
From this union?
Where shall I go and how?
I know not where is
The beginning and the end.
I know not What I am doing
And the course of my
Thinking process.
How can I uplift myself?
Am I down graded?
I am with my life-breath
That I know through my intellect.
I am here as you see me,
And I have no where to go, you know.

Gajanan Mishra
Molding Life

Molding life
In a way to
Find and stay
With Truth is
The primary duty
Of all here.

Forget not anything
At any time for Truth and
For the sake of public
Welfare here there.

That what I would do
Where I would go and
From whom should I inquire
About the Truth, it is I.

Gajanan Mishra
Mole

Losing identity  
I accept everything  
I push myself back  
I support myself straight.

You remember me  
As I remember you  
I accept you whole  
Not forgetting  
A single mole.

Gajanan Mishra
Molehill

Know the molehill
But make not a
Mountain out of it.

Gajanan Mishra
Mom, At The Peak

Mom, at the peak,
And she is ShriDevi.
No mystery
But intensity.
The God is nowhere else
But in the mom,
And in creativity.
And mom, the winner, as always.

Gajanan Mishra
Mom, I Love To See You

Mom, I love to see you
at every moment.
At every moment you are
here within me, mom.

Mom, No one can substitute you
And I failed to serve you,
Excuse me mom, you are here
with me and I worthless
know not what is truth.

You are the truth mom,
You are the love and you
create all for all
I am the coward who failed
to discover the colors.

In all ages, let me stay
with you mom, by good company,
For you there no difference
between demons and devils,
birds and beasts, snakes and gods.

Mom, for you there is
no lower and no upper, mom,
You are the symbol of knowledge
and you work in passion
You know not anything besides love.

I love to see you, mom,
I love you, I know
I am your scriptures
I am your future and I am
ready to devote myself only to you.

Gajanan Mishra
Moment amazing
Life amazing
And you
O my dear
Really a passer
Through this
Flowers and stream.

Really you are
Here with me
My dear and I
Can say
You are in split
At this time
With me.

Amazing life
Amazing moment
Come and join
Let me clarified
I am not stranger
O my dear
I am here for ever.

Gajanan Mishra
Moment's Joy

Be joyful,
Enjoy a moment's joy
Derived from
Reading a poem.
Reading a good poem
Outweighed everything
Outweighed even the delights
Of heaven and bliss of
Final beatitude.

Gajanan Mishra
Moments With Me

I am not able to enjoy
The moments with you
And it is misfortune.
Everything passed
I remained alone
Looking empty sky.
Great consolation
You are with me
And I am in consonance
With you only with you
And only for you.

Gajanan Mishra
Monarch

I know You
I know You as
My only monarch
And by the order of
My only monarch
I can take poison
As nectar
As I know whatever
You are telling
Whatever you are
Doing all for
My welfare
And I am happy
See as before.

Gajanan Mishra
Monarch Of All

English is now the monarch
Of all languages of the world
Other languages are the subservient
To English for it is the brightest.

Now English rules over the world
With its magnetic power
No other language can challenges
English as they unable to touch
the hearts of the mass tower.

Gajanan Mishra
Monday, February 8, 2016

Monday, February 8, 2016,
I am hurt by nature.
I have so many things
To enjoy, but I failed.
I am disgusted with life,
And I spent the night in rain.
On this day I dream a colour
That was not mine but yours.

Gajanan Mishra
Money

Hankering for money
Not realising
Wrong path to earn.
Hankering for money
Judge delivering
Wrong judgement
Losing all fame
Name and corn.
Do not envy
And lookback
Or else no morn.

Gajanan Mishra
Money - Destiny

Root of all troubles -
Money.

Satisfy with
Whatever is achieved
In its own way.

Stay patient
And unagitated.

Think it all destiny.

Gajanan Mishra
Money And Love

Differentiate money
And love
Love is not saleble
Who told you.
Again I said
Money is not honey always
Money is funny for life's sake
The only message.
You earn money- good
Power to make money- best
Money will not do anything
Except buying whore.

Gajanan Mishra
Money And Man

Money is nothing
But the creation of the man
And man is created by nature.
But alas, money is
Destroying the man.

Gajanan Mishra
Money And Not Cash

I need money, true.
Cash is not necessary.
I talk about money,
And I think it is
Needless to talk
About ready made notes
Or say cash.
I care not the neighbor,
But I care money.
Peace is there,
Where there is money.
Life and money - interlinked.
Money and cash, though not.
I want money and money and money.

Gajanan Mishra
Money And Water

Let money and water
Flow on their
Natural course.
Hoardimg and gathering
Of water and money
Are not good for any.
Money is the means
So also water
Use them with care, my dear.
Treat money as servant
And not master, we know
Our life's supporter is water.

Gajanan Mishra
Money Can Never Be Black

Money can never be black,
We are black.
We can never be black,
Our works are black.
Our works can never be black,
It is the result that is black.
Black, black, black, black,
Let not the white turn in to black.

Gajanan Mishra
Money is everything,
Only through money
virtuous actions can
be possible.

Money gives status
and position.
Money begets
respect and honour.

Money is just a means
And not everything,

Gajanan Mishra
Money Is Never Black

Money is money and
It is never black.
Man is man and
Man can never be dog.
And yet we are saying
Black money and
You dog in anger.
Anger is not good
That we know and yet
We get angry for nothing.
We know everything
Is an act of God and yet
We say we are doing,
How disgrace, bear me darling.

Gajanan Mishra
Money Is Sweeter

Money is sweeter,
Money is sweeter than honey
and still I cannot take it with me,
But I am acquiring money by risking my life.
Through money I am buying car,
Through money I am building house,
Through money I am publishing my poetry books,
Through money I am keeping you with me, darling,
I am buying food, clothes, shoes,
But I cannot take money with me.
With so much money with me, I am empty.
With so much money with me, I am not getting peace.
With so much money with me, I am not fearless.
Money, money, money. Money is nothing when I am going.

Gajanan Mishra
Money Laundering

I like wash
And iron,
But I like not
Transfer of funds,
I like not
To say good
To bad.
See I am straightforward,
And I like to say
What I think good
For you.
I love truth,
I know, I am
The fruit of the truth.

Gajanan Mishra
Money Make Us

Money make us
Handicapped
And it is folly
Not granting
Money to me.

Gajanan Mishra
Money Matters

Money matters
Are the trouble creators.
Going after money
Means going far away
From honey.

No rightful person
Can follow money.
Come and see with
Proper knowledge to
Unfold the secret.

Gajanan Mishra
Money Money

You have money
You are hungry
You have money
You are not getting anything
You have money
You have no love
You have no fresh air
You have money
You are not getting anything
You have money
You are alone
You have money
You have no place to stay
You have money
You have mp humanity
You have no sensibility
You are nothing
You have money
And you are bankrupt
And you are not happy.

Gajanan Mishra
Money Money Money

Holds fast to money
You can not do anything
Without money
Money gives you status
And position
Go on calculation
Money begets respect
And honor
Hoard money my dear
And remember
Money is only for
Mundane pleasure
Where you find
Death is near.

Gajanan Mishra
Money, Money, Money

Money, money, money,
And money is all and everything.
Earn money, spend money, enjoy money.
Money, money, money, earn money
By hook or by crook.
Money laundering, Snatching
Are the common formulas.
Earn money and earn, no matter black or white,
by Satta, by cards, by any other methods
But accumulate money, think it like honey.
All laws are in papers
So long as police stick is
not there with it. Keep police by money.
Give money and earn and accumulate money.

Gajanan Mishra
Moneyless Life

Moneyless life
I want to live.
Peace is there
Mind it.
But my wife
Is ready to leave me.
Wife-less life,
I think not
About it.
Wife means the house,
The management,
The service,
The acceptance,
The attachment,
The pleasure,
So on and so forth.
But I want wife,
And always
My wife blackmailing me.
No risk,
No worry,
Without money,
Without wife.
I want to live
But with the wife.
Plus and minus
I want to apply both,
But how in this life,
That I know not.
Please tell me
If you are kind enough.

Gajanan Mishra
Mongoose

Mongoose,
I love you, mongoose,
For your devotion,
For your fearlessness.
I love as because
You are active
Both in day times
And also at nights.

You dig with your claws
And I can not
It is my flaws.
You can go without
Food and also without water
My dear, but I fear.

Gajanan Mishra
Monism

We are all in oneness of mind,
And we stay here equibalanced,
We are ignorant not being exposed fully.

Gajanan Mishra
Monkey

Monkey monkey monkey
And they are all here
Under crime and criminal
Tracking network and systems
Though summer they are
Busy in search of peace
They have theirs raindrops
And labor and showers and
White flowers that are here
Monkey monkey monkey
O my dear, nothing to fear
We are for them and they are
Not for us.

Gajanan Mishra
Monkey And Fly-Over

On the void
Fruits theft
Past time left
Monkey said.

No way out
Air overload
Watered failed
Monkey said.

Time ahead
Frozen trips
Body wandered
Monkey said.

And what
Monkey said
Need not bother
It is fly-over.

Gajanan Mishra
Monkey And I

I am frightened
To see the picture
Of a monkey Though I
Think not myself
As such here.

Here see the monkey
Here see me
Without any resemblance
I have my own affection
With good looking.

Gajanan Mishra
Monkey-Dance

Here see the monkey-dance, my dear,
At the cost of the pain of the monkey.
And they said, monkey is ours ancestors
And we are entertaining ourselves
At the cost of this little dumb creature.

What is the meaning of this dance
That I do not know, I know only
We, all creatures here are part and
Parcels of Almighty and He is within
The hearts of all, and I feel one creature
Must not use another creature for his
Selfish ends and I am sure He would not
Give us pardon for our cruelty to others.

Monkey-dance is an act of cruelty, my dear friends.

Gajanan Mishra
Monkeys Jump

Monkeys jump
From one tree
To another.

The monkey is
Very affectionate
To the children
And women.

I am neither
The monkey nor
Like the monkey,
And try not
To capture me
For your pleasure.

I have remembered
You, the truth.
I know I am
Neither in
The dark caves
Of the mountains
Nor in the jungle.

I am my own light,
I am the light, here.

Gajanan Mishra
Monsoon

Monsoon breaks
Though late.

Birds are
In their nest,
Good people are
Busy in search of
Truth in their shed.

Farmers have no time
They engaged themselves
In production of food
For all.

The world is smiling
With the monsoon breaks
O my dear, please stay.

Gajanan Mishra
Moon - Where Is It?

Moon - where is it? I find it within.
With pure white background and in close snap,
I find it with my quest that is endless,
Here on this earth without any difference.

Gajanan Mishra
Moon Day

We have reached the moon,
And we observed today
As the moon day.

We are happy,
We have landed on the moon,
With all coolness,
With all humanity.

We have landed
Through Armstrong and Aldrin,
See, we are smiling.

The moon, our dream,
The moon, our medicine,
The moon, we are ready to stay
There, our planning.

We the men, show our strength,
We are to enjoy life everywhere.
We the men can correct our mistakes
And with all goodness,
With all love can make this earth heaven,

Gajanan Mishra
Moon Is Here

Moon is here with me
Predominating deity of my mind
Moon gives me potency
Moon is the source of my life
Moon pleases all here
I am satisfied by the presence of the moon.

Gajanan Mishra
Moon Is Mind

Moon is mind,
Sun is vision,
Earth is foot,
The sky is the head.

Ocean is the abdomen,
Truth is intelligence,
Love is heart,
Life is the world.

I have my own
Water and the air.
I am here the fire,
And the star.

Gajanan Mishra
Moon Is Not Trembling

The moon is not trembling,
Appears, though, with
The quality of the water.
I am not living, appears though,
With you here at this time.
Apparently, I am here, true,
But separated from myself,
And you accepted me as different,
We are one though, in the lighting
System of true study.

Gajanan Mishra
Moon Is There

Moon is there,
We are to reach.
Reaching is
Everything for us.
We are here for
No other purpose.
We are to reach
Till the moon is there.

Gajanan Mishra
Moon Rise

Moon rise
Dispelled the pain
Of others with
Reddish hue of
Comforting rays.

Gajanan Mishra
Moon To Sky

Moon to sky
Wife to husband
King to state
Poem to poet
Poet to world.

Moonless

Of course, night -
Moonless.
But not life.

Life is full of
Moon and stars.

Love - life,
Full of
All sweet,
All beauty.

Gajanan Mishra
Moon-Life

Red-heart and moon-life,
I care for you.

I appear there,
In your kingdom- a clear space.

Still, everything
And high and low.

Life-moon and the ocean,
Unending oracles.

Gajanan Mishra
Moonlight

Moon-light and sun-shine
are all the same.
It is all but one
though in different phases.

If you have patience
You may go on searching
the value of the shadows.

You are allowed to say red
But restrained to utter grey.

The water and the air
know everything about me,
I know nothing about them though.

It is my good luck I am here with them
If I remained silent, it is really shame, shame.

Gajanan Mishra
Moonlight And Moon With Life

All about moon
And moonlight.
All about liberty
And life.
All about colors
And figures.

Great threat of
Life is time,
And time exist
For life.

Life is set
For living
On earth and
In the sky.

For life
We eat,
We fight.
And we move
Left and
Right.

Loneliness has
Nothing to do,
True.
Knowledge and love
Has nothing to do,
True.

Let us introduce ourselves,
Men, that we are here
And we care nothing
And no one.
We continue to live
As we are learning
How to live
With time.
Gajanan Mishra
Moon's Age

Who can say
The age of the moon
And who is there
To analyze the history.

We have our own history
And that has a link
With the moon,
Keep faith on moon.

Moon is there
Sun is there
And we are here
And let us know first
Who we are and how
We are here with the sun and the moon.

Gajanan Mishra
Moral Code

Moral code
The Supreme Truth
Is the upholder of
Moral code.
And the Supreme Truth
Is here to bring
Joy to all, my dear

Gajanan Mishra
Moral Power

Moral power,
The poet has
Moral power
That I know,
And for this
Even the king
Bow down his
Head before him.

The poet has
Unwavering firmness
And he does not
Get unnerved
He is always
In righteousness.

Gajanan Mishra
More And More

I want to say
More and more
But for what
If you are
Not listening
You listen or not
I have to say
As it is my duty
One day you are
Compelled to
Listen and
Search me out
And admit
My importance
In this journey.

Gajanan Mishra
More And More I Am Attracted

Towards You
My dear, more and
More, I am attracted.

You appeared on this
Body and also on that body
And I fear, my dear
And I am afraid
Let You should disappear.

More and more
I am attracted
Towards You, my dear,
I desire to stay with You for ever.

Gajanan Mishra
More Comfortable

True,
I am
More comfortable
With my mother.
True,
I am fluent
In mother tongue.

True,
The earth is
My Motherland.
True,
I am relaxed here
With you.

Gajanan Mishra
More Dear

You are, my dear
More dear to me
Than my life itself.

Yet You are leaving me
I think fate is
Working against me
And nothing to stop.

Am I miserable now
No no never, I think
You are going for better
And better and better.

You are, my dear
More dear to me and I am sure
You are here for ever.

Gajanan Mishra
More Delightful

Life-
More delightful.

Eternally,
Life is full of
Bliss and knowledge.

Life keeps us alive,
But we care not life.

We are auspicious for life,
And life is palatable
When we love in truth.

Life and love - two sides,
But one inside and
Another outside, though,
Life is always for good.

Gajanan Mishra
More Guests

More and more guests,
Let them come at their best.
We, be here to fulfill
Their hopes and dreams.
Bags of opportunities
Are with them.
Let us stay happy
With this new year, dear,
Molest not any one
At any time. Let all
Avail scope to fulfill
Their wish and let them
Stay in peace. Happy
New year- we greet.

Gajanan Mishra
More Leafs  And

More leafs less fruits
More talks less works

2

write poem and
Not to be sneezed at
And be in good smell.

3

Not getting means
Not getting and
You are not here
To get anything.

4

Eyes are round
Focus everywhere
Everytime.

5

Poverty and illiteracy
Are cursed.

6

People's participation
Strict legislation
Democracy's satisfaction.

7

Frog is near

Lotus flowers

Gajanan Mishra
More Or Less

More or less, lover of sky,
Smaller and nearer, lover of ocean,
Actually, life is large, and
We live here for good.

But rarely, the truth is discovered by us,
We are the product of the truth, though.
We are truly great souls, but
The agitation has no role, we know.

We are the air and we are the water,
We are also the flowers and we grow
With the power of our will.
Nature is there to help us
In all areas of developments,
But we are poor to receive anything here.

Gajanan Mishra
More Pleasure Less Pain

More pleasure less pain,
More light less darkness,
More poetry less prose,
More languages less life,
And all belong to this earth.
I am the earth and
I am flying in the sky.
The sky dissolved in me
And I am touching the sky
With my own fixed idea.
And my idea is not to die,
Not to say, anyone goodbye.
I am the mirror of my words,
I am here always in my world.

Gajanan Mishra
More Precious

Life is more precious
Than any law
Than any misplaced faith
Life is more precious
Do not push the life
To the jaws of death.

Gajanan Mishra
More Refreshed

I am refreshed,
More and more refreshed,
Here at this time
With this causal body.
I am afraid- not true.
I care not any one
I see the birds on the tree,
I see the clouds in the sky,
I see the animals on this earth.
But what I see are not true.
I have my own experience and
Own views on life,
I have my own answer within.
My memory is weak though, I am strong.

Gajanan Mishra
More Than Air

See me, air is within me,
Air is also outside me,
And yet, I am
more than air.

Ask not how?
It is you to think,
It is you to feel,
It is you to test,
within, applying knowledge
that you have acquired so far.

Who am I
to say you about the air?
I know you yourself is the air.

And blowing from one direction
to another,
But look at me,
I am going at the same time,
to all directions.

Gajanan Mishra
More Than Fragrance

I am more than fragrance,
As because I can spread
Anywhere with my knowledge
With my goodness. Even I
Can enter to the port of
My enemy without any hindrance.
Fragrance can go with the help
Of someone like air or wind.
But I can go myself alone
And fight with the evil within.
I am the goodness that is
There in all. Let me go freely
In to you before your fall,
I wait not also for any call.

Gajanan Mishra
More Than Life

Is there anything
More than life?
Definitely the answer
Is a loud NO.

But when great men
Say what is the value
Of life, what do you mean?

Life is not a fitting chair
That you can go and sit there,
Whenever you like.

Keep faith with you, my dear,
Life is ready to comes to you.

Share everything with others,
They are your joyful partners.

Gajanan Mishra
More Than You

More than you,
I find nothing,
Nothing truth.

Gajanan Mishra
More Time Please

Let me give
More time please
And enable me
To complete
The poem.

Let me see
Your smile please
And enable me
To love
In full.

Here,
The multicolours
Confuse me.
But I want
Something more
To fly.

Gajanan Mishra
More Valuable

A handful of real paddy
Is with me, see
And it is more valuable
Than heaps of paddy skins
Without any substance
Which are with others.

Gajanan Mishra
More Valuable - Truth And Love

Man and humanity
More valuable
Than anything.

Temple, Mosque
Are built in cement
And sands and stones

The body of man is
Built in flesh bones etc.
But life and humanity
Are more valuable than
Anything else.
There is no substitute
Of character and truth
And love and love-devotion.

Gajanan Mishra
More, More

More, more, more, more,
Let it increase, let it increase,
Let it increase, more and more, more,
This money, wives, houses, and so on and so on.

Let us enjoy this life, this life,
More and more, more, more
More pleasure with food, dress, luxury,
And I want more, more and more, so on and so on.

Gajanan Mishra
Moreover

Moreover You are mine
Without any question.

Moreover You are
The ultimate glory.

Moreover You are outside
Happiness and distress.

I am with You all days
Moreover I am Yours
With my pleasure with my pain.

Highest truth is
You are my gain.

Moreover You understand me
It is I who is in a state of
False ego without knowing know how.

Gajanan Mishra
Morning And Evening

One two three four five six seven
Say nine or eleven
Even the dog and the hen
Are in the heaven and enjoying beauty
You can tell your heritage
And keep going
Nothing is useless
Nothing is meaningless
If you are here with me
The morning and the evening.

Gajanan Mishra
Morning And Morning

Morning and morning
So many mornings are going
And going away from me
And still I have not
Seen a sunrise.

Sun and sun and
Rising and rising
So many suns as I have seen
But still no light
And no sunshine.

And still it is not dark
That astonished me
And the world is smiling
With no wanting.

Gajanan Mishra
Morning At Bangalore

I ring and
Book an ola cab
Wherein I want to
See the morning sun
At Bangalore near
Yesvantapur station.
The driver asked
Sir, destination, please?
I cried
What destination?
Do you not know
No destination is
There in the life?
You can claim
The money, the rent,
The fare as you share.
But remember, I have
Nothing to share,
But I must take part
Where you take me, and
I discover a morning
For you, take it granted.

Gajanan Mishra
Morning Is Morning

Morning is morning,
You know, I know.
And it is not evening.
Of course, evening is
The prior stage of morning,
Some say I am not here
To explain on this.
I am going to say about
Inimical and loving mood,
You say both are different path
To reach the same venue,
I am not here to agree with you.
So many are foolish,
Unnecessarily they are
Busy taking advantage of
Beef, mutton, chicken,
Unnecessarily they are
Trying to drag me into
The controversy that has
No meaning to greater life
Of peace and cohabitation.
No hachures is there
Here at us to tag hackney.
We are to proceed further
And we are to rise up and up,
At this time we must not
Discuss the silly matter
That has no role to play at all.
Feeling of anxiety has
Also, nothing to do,
From this very morning,
We should know.

Gajanan Mishra
Morning Means

Morning means life begins
Good morning everybody utters
and I think taking birth
Is morning and say good-life
Life is a day and let us enjoy
Let us unite in a day in a life
Let us stay together till evening
And in the evening we find
Different ways for different persons
And what is that I can say
I can say in a new morning
It is not parting but it is
Just uniting again and again
With a kiss.

Gajanan Mishra
Morning Poetry

Opened, study the words,
Not free they are, though.

Cleared, all clouds,
The sea and the sky, one though.

Go not for the meaning,
You can't find it.

But confirm, who you are,
And appear here with fire.

Gajanan Mishra
Morning Shows

Morning shows
What is best,
Morning shows
Life is nectar
Here for test.

There is morning
Always in life.
Beginning of dream
Facing of challenge
Offering of sacrifice
It is what life.

Doubt has no place
In life since life
Is a lighted candle.

Gajanan Mishra
Morning Spring

Caw caw
Came the morning
Coo coo
Came the spring
I know it is morning
And it is spring
Already arrived
At my door
For not without reasons
It came with much
Tickling sounds and
In clapping hands
With whistles and
Rustles in and out
My courtyards
I know henceforth
My grand daughter
Roars not howls not
I know she babbles
And she has no grumbling
Thanks to this morning
She is hearing coo coo
And care not caw caw.

Gajanan Mishra
Morning Tea

Coming at times with storm
At times with dove.

Hope not anything
My dear, here there is
No place for this butterfly.

Hope against hope
Is also not permissible
Though I am with You.

Gajanan Mishra
Mortal Birth

I have not taken
Any mortal birth,
I am so and so
And I am here
As ever, see me,
My dear, discover me
In you, I am so clear,
Listen me, with your ears.

Gajanan Mishra
Mortality / Immortality

Three persons are here
One is mortal
Another is immortal
Yet another is neutral.
Body, soul and time
And it is an error
To say some one mine
And some other one enemy.
Yet another three are here
One engaged himself in creation
Another in destruction
And yet another maintainer.

Gajanan Mishra
Most Arresting Thing

Most arresting thing
In this world is

And God love me for that.

I know God is crying for me,
I know I am doing all works
In open and I incur sin

And forgiving me.

Here is the God with me
Who is searching where I am.
And I am opening the God's album
In front of all in broad day light,
With words - give me a fight.

Acts and live a life of tree.

Always towards perfection
And I am uttering each word
With Your due permission, save all
O my dear, and in turn take my life as oblation.

You have given me
All the good fortune, though.
The dishonest miscreants flourish
Here freely and my
Existence is in peril.
No one is there to bring
peace and harmony for me.

Gajanan Mishra
Moth Maddened

Moth maddened
Moth maddened by the fire
Rushes blindly in to its
Flames.
O my dear, I am here like this
In this darkness of material existence
By your enticing words coquettish smiles
Sensuous movement of your body
Forgetting everything of my own inner self.
I am enjoying the illusory forms only
That has no value at all in the real
Emancipation and falling in the net of
Exploitation and now I realized no other person
Is more foolish than me and everything end.

Gajanan Mishra
Mother 3

Without mother
imagination lost
Eating fishing living
All lost
Without mother
Nothing here.

Gajanan Mishra

The entire sun and the moon

Gajanan Mishra
Mother And Mother- Earth

Is here since the very
Moment of my birth.

With the blessing of my mother
I am Jivanmukta.

My mother is reservoir of bliss
It is due to her blessing
I get peace.

My mother is my art my science
My mother is my all branches of knowledge
My mother pervades my creation.

My mother lift me up
With her art full of compassion and love.

My mother is my ideal
With my mother
I can touch the sky.

Gajanan Mishra
Mother And Father

Mother is here
With me,

See my mother.

I know not
Where is my

Not able to
Stay though,

With form, But
The form of my mother
Is unimaginable for me.

Gajanan Mishra
Mother And Language

Mother and language
Both one and the same.
Mother and land
Both one and the same.
Go not against my language,
Go not against my land,
Go not against my mother.

Without my language,
Without my land,
And without my mother,
I would be nowhere.

Dare not to go against
My mother, my mother tongue
And my motherland.

Dare not, and
Invite not your own death.
Go not against my mother,
My language and my motherland.

Who so ever you may be,
I am here to drive you out,
For the sake of my mother,
My language and my motherland.

Let me worship my mother,

Mother And Love

Yes, I am hungry for love,
Hungry for my mother tongue.
I need my mother and
I need no knowledge.
Love is required by me
And not salvation.
I call my brothers and sisters
And I know they are all here
And they are ready to hear
And ready to change the atmosphere.
No place is superior
That the mother earth,
That I know and I call all
To render service without any charge.

Gajanan Mishra
Mother And Mother

Keep a stone of five kilo
In your belly for at least nine months
And say what a mother is!
Create a thing, keep its maintenance,
And save it from all odds and danger
And say how difficult the duty of a mother is!
Mother is more than any God,
A girl child is the mother of your future, my dear
How you are keeping her that depends upon your nature.
Be cautious, and save your own future,
Don't darken your own place, time and life
By mis-utilizing, by destroying your own mother.

Gajanan Mishra
Mother And Son

Mother can only
Gives fame.
Son can only
Achieve reputation.

This world is
For mother and son
Father has given

So long as we are here
We should enjoy life without fear.

Gajanan Mishra
Mother And Wife

Mother and wife -
Two wheels of
My life-chariot.
And I proceed forward
With them
On the path of
Truth and love.
Without mother and
Without a pleasing wife
Life would be there
In the dense forest
With beasts and animals.
Mother tongue is
The nectar of life.

Gajanan Mishra
Mother At Home

If mother is at home
The home is heaven.
If wife is helping
In spiritual advancement
The life is in heaven.

The mother's love is wisdom for us.
The mother is our intelligent light,
For the mother, we are to fight.
Mother and mother, dear mother,
You know better the life's journey here.

Gajanan Mishra

Mother- Gracious

You love all equally,
Your heart is gracious,
I know fully,
Being your child.
Mother, I seek
Refuge in you.
I know your heart
Melts with a great compassion.
You know what is there
In my heart at present.

Mother Is Coming

Mother is coming, see
It is Her time.

Mother is Mother
My dear, welcome the Mother.

Acknowledge your gratefulness
To the Mother by worshiping Her.

Offer what you have received from the Mother
Mother, Mother, sweet Mother, Pray take my miseries for ever.

See, Mother is coming
It is Mother's time.

Whatever you have in your possession
It is the gift by the grace of the Mother.
