Gajanan Mishra (3rd April 1960)

Life-breath is poem. Poem is the heart and the image of life. This world is full of poetic atmosphere. Injustice is intolerable for the poet. Always the poet depicts the contemporary picture of the society with his own unique style. Award and prizes have no meaning that the poet received in his state and outside.

01.07.2015

01.07.2015,
On this very first day
Of July 2015,
I was on fast- unto-death,
For my own language
In my own native state
Named Odisha.
On this day,
From 9AM IST, I was
At Lower PMG,
In front of secretariate
Bhubaneswar, my state capital.
On this day,
I started my fast
With thousand supporters.
Against whom I was
On strike- matter to think.

The Govt is for us,
The Govt is by us,
The Govt is ours,
Still, we are on fast.
We have got separate state
Only for our language
In the year 1936
Under British rule.

We got independence in 1947,
Our constitution as adopted
In 1949, The Constitution has forbidden
Use of a language other than official
One, and English is not there,
In the 8th Schedule of the Constitution.
English is not there
And hence use of English always
Within the state is unconstitutional.

Our state Official Language Act
1954 is also there;
That says for all or any purposes
Of Orissa, Oriya language
Shall be used.

We are sovereign,
We are democratic,
Still, we use foreign language
English, for whose benefit?
That I wonder.
Who is guilty, my dear?
The men elected by us
Are making laws,
The men in service are taking salaries
From us, from our public exchequer,
And are here for executing laws
And Judges are also
Taking money out of tax amount
Of the people, they are
Adjudicating laws and
Deciding cases for our people.

Still, we were on fast
On this day, though
We are the real owner and
Sovereign authority
Of free, Independent India,
And resident of Odisha,
The state called Odisha is
Formed only on the basis
Of state Oriya language.

No Odia language means
No Odisha.

And still we were on fast
And our demand was/is
To use our state official language
Always everywhere within the state
In all and any purposes.

Really, it is shame, shame,
In this state, where
An elected Govt is not caring
The language- voice of the soul,
Voice of the voters-native men.
This Govt is not caring
The Act and the laws
And the constitutional provisions.

I am drawing the attention of all
Through this poem,
This fact worldwide and request all
To extend all support for the cause
And to do all necessary actions
As they think proper.

15th August

15 August.
What for it is famous?

They told us
On this day
We got independence.

Are we independent really?

They warned us,
Ask not such
Question further.

They said,
Worry not,
We are here for you.
We will take you,
To the path of progress.

What do you mean by progress?

They explained
Foreign English language
Will be used everywhere.
Foreign companies will come,
You will earn more and more dollars.
Your son will read in English medium
And he will go to foreign to serve there.
Your daughter will love to a man
Who is not from your land, and
Your family will be a global one.

The true meaning of freedom and salvation,
I know not.

I understood nothing,
And I wonder how they lead us
To totally a false notion.
But our Constitution says-
We, the people are sovereign.
But I realize, the very word
Sovereign is not applicable
Anywhere in our day to day life,
Here on this earth.

Gajanan Mishra
15th August- National Day

1.

15th August- National Day,
We are proud to this day.
We got independence on this day,
Independence from English rule.
We took reign of our country
On our own hands.
We made laws for us,
We declared ourselves sovereign.
We work for our own welfare,
We are all one and no one is
Bigger or smaller than another one.
We have no discriminations about caste,
Colour, sex, rich or poor, and
We all enjoy equal power.

2.

15th August- National Day,
On this very day,
We measure our own sky
That is blue,
That is the truth.
We see our own spark
That is within us.
On this very day,
We realise how important we are
On this earth.
We are for peace and co-operation,
We are for human development
In all directions without any
Contamination or say evil intention.

1960

I am going with it,
Nineteen hundred sixty.

Going and going
With you, O my dear, and
The entire world is watching us.

What for I do not know,
And you are telling me
Time and again to stop.

And I am going and going,
Not to reach anywhere
But to go and go
Without any ending.

Nineteen hundred sixty
And I am going with it.

Gajanan Mishra
Thank God, You are here,  
And you are watching the election.

Thank God, You have made us  
Conscious, my dear,  
And You have made us think -  
Is it that India we fought for.

Thank God, no answer from any quarter.  
It is said You appeared  
And You disappeared and again  
Preparing to appear.

Thank God, we hope Your return.

Remember, my dear, please do come,  
If You desire to come in a different form  
Totally in a different web to perform what You want.

1.

It is for me, and
I am here
To win.
To win the hearts
Of others,
I am here.

I am here
For truth.
I am here
To take the truth
To all and
Make all realize
What they are,
What for they are.

2.

It is here for you, and
You are to accept me
For your welfare.

We are here
To cooperate each other
For the world.
We are here
To make this world
A peaceful area.

Life is here
With us and
We are to take care.

Let life flourish,
With all our good wish.
Man of the year
In literature,
You are my dear,
Kazuo Ishiguro.

Really you are
The great
Emotional force.
Really you are
In memory
In all time.

You are remembered really
History to the present,
Fantasy to reality.

Really you have
Uncovered the abyss
Beneath our illusory sense
Of connection with the world-
Rightly pointed out by
The Swedish Academy.

Let me congratulate you,
You are the writer
Of life and truth.

Gajanan Mishra
31st December

Last day of 2015 year,
Today, 31st December, dear,
I hope you all on this very day,
Stay here, without fear.
Live a life of human being
With compassion, forgive
And forget all for any action.
Live a life with nectar, my dear,
And see, everyone as your
Near and dear and keep all
Together, treat them as
One family members, all love,
All peace be with you
During the whole next new year.

Gajanan Mishra
A Bad Man

A bad man is
Never interested
In praising others.
The bad man has
No information
Of truth,
That is there,
In each one here.
But I salute
The bad man always
As he works as
Soap and surf
And clean the dirt
That are there.

Gajanan Mishra
A Bag Of Time

A bag of time
A bag of time only
You have given me
And I am using it.
The way of using the time
Though not known to me
I am using it so far
Properly here.
You know, my dear,
How valuable it is
With me, and I am
Using it in broad day light.
O my dear, rest is up to You
And You are the only person in Truth.

Gajanan Mishra
A Bait

Conquer the unconquerable
And realize the truth, dear.
Who you are, please know
By engaging yourself in
Pious activities.

Back to truth, please know
The very status that is yours.
Nothing is mystic but see
Everything in elevated scale.

Never come back from the truth,
And stay there with the answer
That are with you. Please explain
The circumstances wherein you are
A bait for the purpose of others.

Gajanan Mishra
A banana tree is
Troubled by a mad elephant.
This is the poem -
Please understand
And control yourself.

Give all protection
To the banana tree.
Control the elephant
If you can, and read my poem.

Take it into consideration,
The time and the situation.
Control yourself and
Expand not anything
Without knowing.

Gajanan Mishra
A Beggar

A beggar,
You can call me a beggar.
I am begging a poem,
A poem of truth and love.
A poem where I can
Find a life.
I am here
Sitting for you, poet
And I hope you can only
Fill my mind
With the right thought,
Wherein I want to stay
For ever.

Gajanan Mishra
A Beggar - For Poem

A beggar,
You can call me a beggar.
I am begging a poem,
A poem of truth and love.
A poem where I can
Find a life.

I am here
Sitting for you, poet,
And I hope you can only
Fill my mind
With the right thought,
Wherein, I want to stay
For ever.

Gajanan Mishra
A Black Man

1.

A black man
Is divine,
Divine like
Our Lord Jagannath.

A black man
Is the symbol of
Bliss and
Prosperity
And peace.

2.

The black man
Fosters love
And brings
All together.

3.

Kill not
The black man.
The black man
Will never die.

Hear the black man,
Who is within you.
The black man
Is the truth.

Gajanan Mishra
A blessing to mankind - the poet,
And when I desire to be a poet
And started writing poems, I faced
The anger of all my family members
Including my wife, sons, and daughters.
The reason - all clear.
They all treat me as a nuisance,
As I have no source of income,
But I have all source of expenditure.
I am good for nothing for them,
I know not how to earn and live, how to take care,
How to adjust with others and so on
And so on - They all complained.
I know how to expose an idea,
How to value the truth.
But they all are intolerable.
It is true, I am a wretched victim
Of oppression and all
Torture my, even my fellow poets,
Who runs after prizes, medals but
See I am composing poems with so many words
That has blood and life and emotions and dreams
And the strength to move forward.
I am not telling myself, as yet a poet,
But I must say I am composing poems
With powerful words for humankind
And for all good, for all welfare.

Gajanan Mishra
A Blind Maternal Uncle

A blind maternal uncle
Is better than no uncle -
Proverb goes.

But a disobedient son
Is the worst.
He is like
The dark sun,
That has no value.

Gajanan Mishra
A Bread

Only for a bread,
I am here.
I find humanity
In the bread
And in some water.

Just for a bread
I care each one.
I discover something
In each one and
That is love.

Smile and sweetness,
Are all in cooling air.
I find dazzling
Burning Star.

Have patience, dear friends,
If you8 want to know me.
Know the dust and the flies,
Know the things running.

Gajanan Mishra
A Bridge Has Fallen Down

A bridge has fallen down,
Fallen down, fallen down,
In the valley with
The fairy lights.

In fair and square
Let me say the bridge
Was the fair copy of love
Within and for us.

The bridge is the symbol,
Symbol of oneness
And the bridge was there
For peaceful coexistence.

In place of that bridge
So many bridges will be there again.

Gajanan Mishra
A Car Driver

To drive the car
For another person
Is not so easy,
The person who
Knows not
Where to go,
Road is everywhere
Opened though.

Listening one
Who has no word
And no means
To express himself
Is not so easy
To complete his work.

Where hidden
Delusions are there,
It is difficult
To participate
In the war
With any one.

Still it is necessary
To move forward
With the drive.

Gajanan Mishra
A Challenging Task

To live a peaceful
Fearful life - really
A challenging task
On this day.

On this day
No one is allowed to
Say what he likes
And what he feels true.

The feeling of the truth
Is not anyone's property.
The properties one belongs
Is not his or her.
No compensation for any
Damage or harm at any time.

Gajanan Mishra
A Chaste Wife

A chaste wife without
Any question is
Faithful to her husband.
So also a truthful man
Is busy in virtuous deeds
For the welfare of all,
Knowing fully well the world
Is perishing at every moment.

Gajanan Mishra
A Child A God

A child a god,
Let us love all.
Forget, who
Say what.
Forget, incidents
That happened.
Proceed forward,
Life is there
For all good.
Use life and
If you fail
Then be sure
Everything is
There to loss.
But to loss
Is not the destiny.
Give light
With eternity.
Come straight
And live
A life
Carefree.

Gajanan Mishra
A Child's Play

Of course, a child's play -
Marriage.
And life -
A ceremony and
Also a tedious journey.

Journey with
Responsibility.
Responsibility without
Match-fixing.

Each one should
Understand life,
And bear all
Happening therein
To win.

Gajanan Mishra
A Citizen Of Paradise

A citizen of paradise - Emily.
O Emily, I care not where you are.
But let me request you to
Hear me, I am telling you
from this world of my paradise,
I belong to the same area
And I am sure it is yours, where
There is everything not in half but in full.

Gajanan Mishra
A Continual Process

Birth and death,
A continual process.
But, remember,
Life is a calamity.

In detachment and
Also in attachment
You are to maintain
The status quo
If you want to
Enjoy life.

Life is there
In repetition of
Birth and death
On this very earth.

Gajanan Mishra
A creator, a poet -
In original form here
And he is with nature,
And the poet is
On the platform of truth.

Realize the truth, men,
By understanding the poet.
Know the creation, the poems,
Unaffected by anything
Material existence.

Poems have no form,
No principles,
But truth and nature -
Means of all chapters.

Gajanan Mishra
A Criminal

I am a criminal
I know it, my dear
In this material world
In the world of spirit
That is Yours
I am not a criminal
You are the Absolute Truth here
O my dear, and You know me
Better and better than
Any other messenger
You are the only person
Who is my future and
Who can make me free
From the death-messenger
It is true I am a
Space traveler
It is You, O my dear
Who is only the truth discoverer
I am the Truth here
You are being the Supreme Truth
No one can make me fear.

Gajanan Mishra
A Crow And A Goat

A crow and a goat,
See both, they are friends.

See the crow,
It is sitting
On the goat.

The goat is there
On the hill top,
And it is visible.
But what the crow is
Thinking - Invisible.

The goat is partly
White and partly black.
The crow is black-
One can say blindly.

And they are friends,
Matchless.

See, I am going to
Catch both.

I caught the goat,
But where is the crow?
That I can't say you
Just now.

Ask not how?

Gajanan Mishra
A Cycle

A cycle,
Here is the cycle,
I am on this cycle.

I am no way connected
With the cycle, see,
The cycle appears
The cycle disappears,
The cycle has a
Beginning and has
An end.

I am on this cycle, but
I am not the cycle.
I am no way related
With the cycle.

Ask me not
About the cycle.
See, let me renounce
The cycle and
Transcend all.

Gajanan Mishra
A Daughter

A daughter is a daughter,
With all past, present and future
A daughter has all virtues-
Pretty, amiable and intelligent.
Adorned with all good traits
A daughter lacks nothing,
As she has with her unfailing love
Devoid of merits, free from pride
Unconcerned and free from doubts.
A daughter is a daughter
With the qualities of a father and a mother,
Daughter is the best process-server.

Gajanan Mishra
A Day Is A Day

A day is a day, simply a day.
It is neither good
Nor bad.

Gajanan Mishra
A Dead Body

Only a dead body
Can neglect a living entity.
A living creature must
Take care another
Living one as brother, sister,
Daughter, mother, father
Or as near and dear, but
A dead man can behave
As unworthy hardhearted
Offender. But nothing to
Worry he or she is there
To get punishment in
Due course of time
As directed by nature.

Gajanan Mishra
A Deer Loses Its Life

A deer loses its life
As it absorbed in
The musical sounds by hunter.

A fish loses its life
As it eats the bait
Offered by the fisherman.

An elephant loses its independence
While satisfying its genitals
With a female elephant.

O my dear, the more you try
To satisfy your senses
The more you become morose.

Gajanan Mishra
A Dialogue

It is a dialogue
Between You and I
And it is just a faith.

Believe me
Or go and perish
And realized the truth.

You are the Truth, I know
And there is a natural and real and
Eternal affinity with You.

Be in good
This discourse is for good
Keep always your faith good.

It is a faith
Between we the two.

Gajanan Mishra
A Different Way

See, I have a
Different way of
Writing poems.
But the ingredients,
As you know, the air,
The water, the earth,
The light and the sky
Are all the same.

Gajanan Mishra
A Disease

A disease
Neglected initially,
Becomes acute and
Impossible to cure.

Senses, if not
Controlled at first,
Impossible to
Control later.

An enemy,
Neglected in
The beginning
Insurmountable.

Check all the three
From the very beginning.

Gajanan Mishra
A Dog Wags Its Tail

A dog wags its tail
The tail does not wag the dog.

My thought is my creation
I make my thought real
With all felicitation.

Gajanan Mishra
A Doll

Who is not a doll?
Here and there,
We are being thrown
Like a ball.

No goal post
Here or there
And still we
concede our defeat.

How can you
Fulfill our wish?
Recognize first
Who we are and
What we deserve
With a smile normal.

Gajanan Mishra
A Dream

I, myself -
A dream.
White in color,
Running in motion.

A bird, a wave,
A stone, a tree,
Call me in any name,
And I care not fame.

Deep dark -
My life.
I am a water pot
With a reflection of sun shine.

No one is there to depart
From my memory.

Gajanan Mishra
A Drop Of Nectar

A drop of nectar
Is sufficient-

Sachin, my brother,
Rightly, you have
Stated.

Let me stay perfect,
Let me stay free,
Let me go far from
Action and reactions.
Let me increase
My love for you,
The truth.

Gajanan Mishra
A Drop Of Water

A drop of water-
Sufficient to
Change the history.
A drop of water
Can say from which ocean
It belongs.
Of course, we are
Not so wise here.
Of course, we understand
Better the transition.
And on the way
How we face destruction.
Though genius, we are
Well aware our limitation.

Gajanan Mishra
A Fact And Not The Fact

I am here
A fact,
I have a language
A fact.
I have my own state
A fact.
Law is there
To use the language
A fact.
No one using the language
A fact.
No punishment
For violation of law
A fact.
I am losing my identity
A fact.
I am hungry,
I am thirsty
A fact.
I am leaving my land
To fill up my belly
A fact.
Still, I am telling
I am great, and
I am not ready to hear
Against me,
Not the fact, though.

Gajanan Mishra
A Father And A Son

Who is a father and who is a son?
Who is greater than another?
Who is indebted to whom?

But they say-
No one can repay
Debt to his father.
They further say-
By the mercy of the father
One gets the human form of life.
And the father trains his child
The truth.

But what is the truth,
And where it is,
What is the purpose of life? ?

Gajanan Mishra
A Feeling

I am searching
A feeling
A hope,
I know
You are there.

You are there
In my feeling
In my hope
I know
You care.

You care
My life
My love
My dream.

Gajanan Mishra
A Few Minutes Walk

Just a few minutes walk,
Just to stay for a few minutes,
We are a few,
Anyway, we have to adjust,
And everything depends on us.

Gajanan Mishra
A Fire

A fire does not burn
Its own flames or sparks
So also the cold
Does not harm its
Own snowflakes or hail.

I know You are being
The Supreme Truth - beyond
The experience of
Material happiness,
And I, being your fragments
I am staying here
As Truth and no one can
Tell me false, I am
The truth here forever.
I know no one dare to
Deny my in anything, I am
Affirmative always
Like you see.
I am the fire, I am
The snow, I am the truth..

Gajanan Mishra
A Fish

A fish
A fish cannot glide
On dry land.
O my dear, likewise,
I cannot utter
A single word
Without Your grace.
It is only love
It is only attachment
That is the means
And that is the end.
It is the essence
It is the confidence
And also it is the creed.

Gajanan Mishra
A Flaw

I know, it is all flaw,
I know the flaw of nature
Is life here.
I am unable to do
Anything in this life,
Since I am within
Fear's claw.
Fear is death,
Fear is in attachment,
Let me go out from fear.
I know, I am unable to go
Outside fear, outside death,
Outside this world.
I am within death
And thinking myself
I am enjoying pleasures.
And I am busy in doing
All sorts of savage deeds.
It is all flaw, this world,
And this nature and this world order.

Gajanan Mishra
A Flock Of Birds

A flock of birds
stopped in the middle
of the sky.

Gajanan Mishra
A Flower

A flower,
A flower is
Not just a flower.
Try to understand
O my dear, here
See, all love-showers.

I know, my dear
You are the supreme pilot
And we are all here
Waiting and watching
Your piloting and
Looking a new chapter.

Are you here? we dare not
To asked you as we find life is better.

Gajanan Mishra
A Flowing River

I am a flowing river,
I am perfect and pious.
The places through which
I am flowing are
Most sacred spots.
You may come, make
Friendship with me,
Stay with me, and
Attain perfection.
I know, you are here
To achieve all good,
Come on my dear,
All goodness are here,
In my words, in my thoughts,
In my flowing time.
Come on and use me,
I am here for you,
I am the truth.

Gajanan Mishra
A Fool

And I am a fool
I know not what is a second
I know not where are You
I know only here I am
And I am for everything.

I am calling You, my dear,
See, my throat is clear,
I am so close to You
That I failed to talk to You
And for this I am nothing.

Am I encroaching?
That I know not
But I know
It is for You.

Gajanan Mishra
A Forum

The poet- a forum,
Get everything there
With them.
With them
Your graphic design
Can be changed.
Welcome your own life
That is very sensitive.

Gajanan Mishra
A Fragrant Flower

You are in me, I know.
You are the fragrant flower,
You are the dazzling star.
You are in me, I know.
You have kept my history,
You have shaped my geography.
And for you I have remained
Famous for all time.

Gajanan Mishra
A Friend

Who is a friend?
Very difficult to know here.

What do you mean by the word friend?
No definite answer so far.

But a friend is a friend,
In need indeed, said some.

And I do agree for the time being,
I, know though, not true it is always.

Gajanan Mishra
A Ghost

A ghost is there  
In you dear men  
And doing all mischief  
To you all.  
Dismantle the shelter  
By acquiring true knowledge.  
Know the truth dear men,  
And perform all auspicious works  
In your own language  
On your own soil.  
You are free and sovereign,  
Dear men, take the blessings  
Of your own mother  
With all truthfulness.

Gajanan Mishra
A Glass Of Water

Give me a glass of water
To drink in this summer.
Give me a glass of water,
I have nothing to drink,
The area is full of water, though.

Give me a bowl of rice
Or a bread to eat,
I want nothing more than this.

Give me a bowl of rice
To eat, on this day.
On this day, I am hungry.
I am being eaten by
My hunger, my thirst,
That are within me.

Gajanan Mishra
A Glaze Of The Sun

A glaze of the sun,
Songs of that white birds,
On the staircase
And all around me,
I am astonished
On the type of life
That is there in the street
And for which I stood.

Gajanan Mishra
A Goal

A goal
A goal makes
A great difference.

Let there be a goal
And let us play
The game life-long.

Let us play in the sky
Let us play in the ocean
Let us play on this earth
And let us continue our play
Without any break.

And let us remember,
In this play no one is the winner
But each one is the fighter.

Gajanan Mishra
A Good King

A good king never let his people down.
For he is the king and his responsibility is to see the welfare of all subjects.

Gajanan Mishra
A Good Man

Beyond words.
A good man is
Beyond words.
A good cause
Would never suffer
At the hands of
A good man.
A good man is
Always busy in
Searching the Truth.
And where there is
Truth, there is love
And where there is both
Love and Truth
One can find everything
There, near and far.
A good man is
The main pillar
Of everything here.
A good man is
The holy sir, holy air
And he is the future.
A good man is
The loving friend of the poor.
And I am a poor creature, here
O my dear, and You
Have blessed me, I know
It is Your grace
And it is Your nature
It is Your nature
To grace the poor.

Gajanan Mishra
A Good Man Can Never Be

A good man can never be
A bad one, as we know
Nature created all with
All goodness.

We are here to know
Everyone's utility
For our society.

At times the nature
Surprised us,
Only because
We are preconceived.

We are here to take
And taste the sweetness
Of all and all activities.

Gajanan Mishra
A Good Poet

A good poet.
Who is a good poet?
Is good poet sinless?
Who is sinless?
And what is a sin?
Who is free from
Obtuseness, inactivity
Heedlessness and delusion?

And what is a poem?
What is it like?
Who is writing poems?
Is poem in love?
And what is love
In this world of passions
Attachment, aversion.

Is poet happy?
Ask the poet and
The answer you received
Is not his
Hearing the answer
Are you in tranquility.
A good poet
A good poet.

Gajanan Mishra
A Great Fool

A great fool is he
Who dares to deny
Your presence, dear.
A great fool is he
Who denies your role
In every action and
In every reaction.

Pardon me, I am
Nothing here
Without you dear.
Pardon me, I dare
Not to utter
Any word, I know
All words are yours.

Gajanan Mishra
A Great Silence

I have my own
Appliance for
Reducing sounds
But I am talkative.

I am free and so
You can't force me
To talk only in
Mother-tongue.

And what is a
Mother-tongue?
Is earth not
The mother?

Hereafter, reign
A great silence.

Gajanan Mishra
A Great Thing

To feel happy
with the happiness
of others,
To feel sad
with the sadness
of others.
A great thing by
a great soul really.

Gajanan Mishra
A Horse Runs

A horse runs,
A poet compose.
I search
The relationship
Between a horse
And a poet
At every time
Everywhere here.

No one can beat the horse,
No one can topple the poet.
But as always
I see both in one place,
Though bisect.
I cry not,
But smile for
All equally.

From the hill top,
I raise my voice
With all good faith.
But I care not
The like and dislike
Of others who are
Not good at heart,
I call all, though.

In a state, where I am
Day and night, my language,
My thoughts and all
Getting jolt.
In different ways
I try to convince,
Lo, the truth is here,
Only for love.

Gajanan Mishra
A Is The Beginning

A is the beginning of all letters.

Om is the beginning of all creations.
It is the creation, it is the preservation
And also it acts as the symbol of destruction.

I rise in the morning
With Your call.
And I perform my duties
As per Your orders.
I am here to see You and
Your wonderful nature.

It is Your wish and Your pleasure,
You have kept me here for a bright future.

Gajanan Mishra
A Joker

Your activities made me laugh
Like the activities of a joker.
Let me say you a joker
You are a laughingstock
Just like a joker.

O men, You are always acting
Within the clutches of illusory energy
And doing everything opposite.
O men, You have the capability to
Know the Truth and you have power
Of spiritual realization but of no use.

Truth consciousness and
Knowledge of God is pure knowledge
And it is the perfect benediction for humanity.
Knowing well all these, O men you are acting
Just like a joker and you are an
Instrument of laughter, my dear.

Gajanan Mishra
A Journey - Life

A journey,
A memory,
With life and
Sweetness,
I discovered
In the wind.

Space I want
To occupy
But in vain
With some one
Proceed forward.

That some one
Is in me,
And I see the time.

Gajanan Mishra
A Judge

A judge,
I wonder,
How he is
Going to judge
And form opinion
When he is
Far away from
The language
Of the persons
Who are in disputes!
And still
We are waiting
For the judgement day
From such judges.

Gajanan Mishra
A Language Has Its

A language has its
Age-long traditions
And time-honor usage.
Use your own language
And give not a chance
For its destruction.
Failing which, with language
Everything would perish.

Gajanan Mishra
A Language, A Race

Kill not your language,
Kill not your race.
Regard your ancestors
By using the language
Of your mother.
Offer obsequies
By giving service,
By sacrificing your life
For the mother-land.

Gajanan Mishra
A Leaf

I am nothing
But a leaf.
This leaf
Is going to
Catch yellow.
This yellow
Is nothing
But the time.
And at this time
I am standing
Before you, my dear.
If you so like
Catch me
Before the yellow.

Gajanan Mishra
A Leaf, A Flower

A leaf, a flower,
Fruit or water,
I am ready to
Accept my dear,
Worry not,
Whatever you like
Please offer.
With you,
If nothing is
Also there,
No matter.
Just give me
Your mind,
That's enough.

Gajanan Mishra
A Life A Garden

A life a house,
A house a garden,
A garden space
Space a time
And from this
To that, we proceed
Ahead eternity.
We are going
On and on from
West to east,
And the sun is there
To welcome us.
All meaningful-
The life,

Gajanan Mishra
A Life In Poems

A life in poems,
It is here,
It can be here
Only on this earth.

This earth itself
Is a colourful poem,
All creatures and
Everything here
In this world
Are/is poets.

I salute them all
For their uniqueness,
For their fineness,
For their carelessness.

Gajanan Mishra
A Life That Is Intellectual

A life, that is
Intellectual,
That is cultural,
That is spiritual,
We want to live.

We want to study
Philosophy and
Religion.
We want to study
In a scientific
Method and
We want to attract
World-view.

We discover
Own self in
Our literature,
In our behaviour.

We realize the truth,
In the reservoir
Of happiness.

We want to introduce
Ourselves in a new
Format,
That no one
Can challenge.

Gajanan Mishra
A Life Without Fear

Beyond my dream,
Each incident.
Beyond my reach
You and your earth.
Beyond everything
My love my life.
And I am living here
With all nectar.

Life with all knowledge,
Life with all the truth,
Life with all lights,
We live here,
A life without fear,
A life with all nectar.

Gajanan Mishra
A Link

A link
Between
This and
That.
Like the river,
Like the star,
I see you there.

Beauty
Not a matter
To be discussed.
But smile is
There with
Humanity.
Life's security.

Gajanan Mishra
A Lion

A lion roared
And I sensed it.
Clouds are there
In the sky
And I called them.

All the vowels and
Consonants are forming
A group for the betterment
Of all, here.

I invented me in a new style,
Palm tree is there as it was,
Nothing confused me as yet
And I am going on my own ways
Like a lion in the dense forest.

Gajanan Mishra
A Little

A little good work
Can take you to heaven,
A little bad work
Can take you to hell.

You are to think
What to do and when,
You are free to think
But remember you are in a well.

Gajanan Mishra
A Little Faith

A little faith,
I have with me,
Please come and
take it, I am
ready to deliver
you at this time.
A little faith
That is with me
is ready to
go to you for
the purpose of
survival.
Please come and
see in you, the truth.

Gajanan Mishra
A Little, Drink Please

A little, drink, please.
A little, take something.
Please, a little.

I am a tiny little man,
I have nothing, see.

I have little importance,
Here I am, check me out.

I am nothing,
I am in the crowd.

Here I am, scattered,
Here I am empty.

See my face,
How fearless I am
With you.

Gajanan Mishra
A lone word
Is there
And it is
Giving me
Invitation to
Wed with the star.

A star is there
And it is telling me
How to go with the word.
Both the word and the star
Are there with me
And they are taking
Much care.
Really I am fair.

Gajanan Mishra
A Lot

Tried a lot,
But failed
To reach you.

I changed
My name.
But not able to
Changed my identity.

The same earth,
The same air,
Make me wonder
Here and there.

I saw
So many persons
But failed to recognize.

Gajanan Mishra
A Lot Of Good

A lot of good
For you,

A Lot Of Trouble

A lot of trouble
See, I am facing here.
And here I am residing
As per your order,
With air, fire and water.
I am not able to
Maintain a balance,
Excuse me, at times,
And again facing
A lot of trouble.
Loss, pain, defeat etc
Are but common
And still I am here
As per your order.

Gajanan Mishra
A Love Poem

Come on and let us go,
The earth is for us only.
The air is ours,
The light is ours,
Come on, the sky is
Calling us, listen to the sky.
No time to calculate,
Nothing to worry,
Come on, the car is ready.
Try not to know
It is morning or evening,
It is day or night.
Come on we will proceed
Ahead together.

Gajanan Mishra
A Man

A man,
Where is that man?
Is he in me?
Am I the same man?

I want not to
See the man,
I want not to
Hear about the man.

But I want
To be a man,
I want as
I love humanity.

A man without humanity,
Say him what ever you like.

Gajanan Mishra
A Man And His Life

No needs to say
Anything to anybody
At any time for
You have nothing to do
With your two hands,
Two legs or with
Your material body.
You have to realize
Your spiritual identity.
Know that you cannot be
Killed even if the body is killed.
One is there to save you
From all calamities.
And remember you are
Always unaffected
By these material arrangements.
It is only you man,
To search for the truth
And realize the fact
Who you are here.
Smile and live and
Try not to entertain
Any bodily conception.
And try to be a friend
Of all living beings.

A news item.

The tongue and ears
Remained silent,

The language and the land,
They have taken away
From the moon,

The water and the air,

In the sun.

And we all parts.

And an ideal.

See life within,
See life beyond and above all
That are here at your reach.

Gajanan Mishra
A Man Lives In Hopes

A man lives in hopes
That I know and I am telling the man
Not to go with the hopes
As he is in the potter's wheel
Turning round and round with
And without time-globes
Certainly sure sir, replied the man
And describd himself as the star person
Of the day and where is that man if you know
Tell me O new guys.

Gajanan Mishra
A Man Must Be Intelligent

Then only one can say a man perfect.

Gajanan Mishra
A Man Of Frustration

A man of frustration
And failures can do nothing
And can keep
No hope no faith on anybody.

Self-control is necessary
Conquering of senses and mind
Is a bare necessity
To achieve anything.

Dare not to conquer others
My dear, and remember you are
Nothing and you are nobody
On this earth that is with all there.

Say never it is mine
That is yours, O fool, and try not to die.

Gajanan Mishra
A Man With No Life

Open for you
Show the path of truth.

From so many failures
You found success
And you smile -
The way of life.

Gajanan Mishra
A Man, Human Being

I am a man, human being, rational am I
Not beast not animal not criminal not cruel
I am light I am in light I am enlightened.

I can distinguish real from unreal
Virtue from sin, duty from forbidden actions
I am my own nation, I am Your son.

You have taught me what ought to be done
I know from You what ought not to be done
I am Your son, I do not know how to handle gun.

When I want to know I can know
O my dear, I am Yours for ever
You are here with me for a cause, better.

A Mark Of Respect

Coming to you
I answered
All questions
In my language,

In my eyes
For the truth.

As a mark of respect
To dreams of
Mountains-stream.

Love and truth.

Gajanan Mishra
A Moment Of Full Consciousness

A moment of full consciousness

A Monkey

Call me either a monkey
Or a child as I am
Restless in mind.
Call me either a dog
Or a donkey as I am
A wanderer and obstinate.

As I act as a destroyer.
Call me either a goat
Or a prostitute as I am
Move from one shrub to another
And as I am fickle.
Let me uproot my own tree
That are full of diseases and ills.

And in life
Act purposefully,
And here
Tackle all cooly.

Gajanan Mishra
A Mother's Milk

A mother's milk is
Only for the child,
Not for her own self.
Parents are for the good
Of their offspring,
Offspring are for the good
Of their parents.
Likewise the audiences are
Meant for the speakers
And Speakers are for audiences.
One should provide pleasures
To others.
Renounce selfishness, my dear,
And do good and live for others.

Gajanan Mishra
A Musical Instrument - Life

A musical instrument - life,
Use it properly
With abundant offerings.

Gajanan Mishra
A New Chapter

A new chapter,
A new chapter begins
With our entry
To this sight.

In this sight
You can see all
That are Your
Produced.

This sight is
The breeding ground
Of creativity
In eternity.

Here, eternal vigilance
Is necessary and
For this
We should be ready.

Ready in the sense
With love and with
Renunciation, ready
For the sake of truth.

Truth is truth
And it is for the good
Of all, and we are here
My dear, to embrace all.

Gajanan Mishra

Like an ordinary
Ignorant man who
Knows not anything.

Gajanan Mishra
A Pair Of Round Eyes

Always here with me,
A pair of round eyes.
And I am writing poetry
As per dictation.

There in that eyes.
The fragrance and flavor

The air and the light
All giving me shape
From time to time and
Enable me to serve others.

Gajanan Mishra
A Passage

A passage - this body,
We are all passer-by,
And passengers, let us say.

We have to know the passageway.

Yet, we have our own passkey
With us for all good, and
We should use it for all welfare.

Gajanan Mishra
A Peacock

A peacock is a peacock,

To sleep, to sit and to stand.
So long as I am alive
I am in need of a piece of land
To sleep, to sit and to stand.
No one has power to take away
My land and also no one has
Power to take away my food
For my own sustenance.
No one has power to forbid me
To build a house and
Earn something for my livelihood.
I want a piece of land
To play to sing and to stand.

Gajanan Mishra
A Pitcher Of Poison

A pitcher of poison
With milk on top,
I like not your sweet talk.

Gajanan Mishra
A Plea

Take not any plea, my dear,
Plea means escaping life,
What I think.
Keep mum and see,
What is going on,
With your own presence here.
Control yourself and observe,
Why so many things, are
Going on within.
Locate, where is your enemy,
Within your mind.
Distribute wealth of love
That is there hidden treasure
Within you and see the world's beauty.

Gajanan Mishra
A Poem

A poem,
A poem can breaks
Anything.
A poem can constructs
Anyone, anywhere.

And test it.

Move with it.

Recognize the poem,
With a pure heart.

Gajanan Mishra
A Poem Is Written

A poem is written
And it is read widely.
It is read for
All love and all truth
Are there together.

The words are all
Highly mechanized,
Truth is not broken up,
Love is not greased,
Nature is left.

The poem is mixed
With solid,
Mystery is removed
From de-starched life.

Gajanan Mishra
A Poem That Is Not There

A poem that is not there
Who cannot give you what you want.
But first, you have to confirmed.

Gajanan Mishra
A poet can see,
What others do not.
Being the creator,
the poet knows,
food turns in to saps,
then blood, then flesh,
then nerve, then bone,
then marrow and then seed.
The poet, being the creator,
knows, when seed is shed,
new life comes in to being.
The poet can control himself
and create his own world
by the practice of his writing.
By the power of his writing
the poet can control nature,
and the poet can make nature
dance to his tune.
By the power of the poet,
The flower can bloom in barren lands,
The line of death can be crossed
with the help of poet's intelligence
and courage that is there in his creation.
It is the poem of love and
it is the revelation of truth.

Gajanan Mishra

Who knows the lightening
And its duration of spark.

Gajanan Mishra

A poet knows everything
A poet can only say everything
To everybody brothers and sisters

Let us congratulate the poet
He is the only son of the soil.

Gajanan Mishra
A Poet Sees

A poet sees
Everyone within him
And he places himself
Within everyone.

Still the poet
Lives with loneliness.
Loneliness is poet's
Everything.

I am the poet
And I lead such a life.
Life of penance and
Renunciation for common good.

Gajanan Mishra
A Political Satire- Farmer

Who is a farmer?
When I asked,
Suddenly you replied-
Rahul Gandhi.
How I asked,
You said-
He declared so
In Election papers.
Who is Rahul Gandhi?
No sooner than complete
My question you replied-
Grandson of Mahatma Gandhi.
Who is Mahatma Gandhi?
You said- One who do not know,
When he was clever.

Gajanan Mishra
A Poor Rustic

A poor rustic
Knows only state language.
Framing on falses
Cases he is booked.
The charges framed are
Not in state official language
But in a foreign one
That he does not understand.
The court is there
In his own land
That is sovereign.
The judge and all judicial
Staff belong to the land
Of the villager.
The law, provisions all
Say the court would function
In state official language.
All the expenses of courts
Are meted out from the amount
Collected from villagers.
The poor man so to say for
Bread and cloth
Was beaten and jailed
But the business and big one
Who steal crores is allowed to escape.
The language of the proceeding
Of the court is foreign one
Contrary to law and constitution.
And yet we say 'we the people, are
Sovereign and independent.
Equality of law is there.
Thanks to the system
Going on here.

* one may not treats it as a poem, but one must treats it a strong voice from the very core of the heart of a rustic tax-paid villager.

Gajanan Mishra
A Pot Of Liquor

A pot of liquor you are my dear
If you are not in love.
And if you are in love
You are a pot of nectar.
Love and love all love all
All are here only for love.
Love all love all and if you
Failed to love be ready for your own downfall.

Gajanan Mishra
A Prayer For My Favorite Poet

You are there I know,
My dear poets, in my words
And my words are
Not mine as you said.
The words are the cheaters.

And you have crossed
The words, my dear poets,
And you are there
In your words with love,
Not as friends but as enemies.

Because I am with you,
My dear poets, easily,
I am crossing all hurdles
While they termed me wise.

May God bless you,
Courtesy call from all corners
And I am not in sleep
As you know from dispensing sound.

No evil is there,
But all colors came to me
And told me about life
That you have created.

The sea is not innocent,
Not incoent the sky also.
And I am in between
The dragon and the devils
My dear poet as I see no one
As draggle-tail.

Let me pray again for
You, my dear poet,
As you are there with me
In my dreams and in real life,
For my benefits here.
Gajanan Mishra
A Prayer Of An Ordinary House Holder

O my Lord,
Please see me
I am poor
I am simply an
Ordinary householder
Attached to all
I pray, my Lord
Please purify me
Purify my body
Purify my house members
And by the act of Your
Purification we would
All become satisfied
All together.

Gajanan Mishra
A Prayer To Mother Earth

Mother Earth,
I am now in
Prayer.
Give me your
Blessing;
That always
I be with truth.
That nectar be
There in my words.
That Permit me
To earn but
For others.
That eternal light
Be here with us.

Gajanan Mishra
A Prison

A prison -
My body,
My house,
This earth.
I am free
With limited air,
Limited water,
Limited light.
I am not allowed
To go outside.
I am not permitted
To make friendship
With alien.
I play alone,
I sing alone,
I walk alone,
But death is
Waiting for me
And wants to
Take me away
At every moment.
I dance in ocean,
And in the vast sky.
I know the door
That is to be opened,
At regular interval.
I know the life
No way related with
Anything vital,
Any carnival.

Gajanan Mishra
A Process

Life is a process
From birth to death.

I born
I live
I die.

I am changing
Myself
In to the unseen
And the world
Is here for ever
As it is
As you see.

See the unseen,
Process is clean.

Gajanan Mishra
A Process - Life

A process - life,
Peace is also a conflict.
Great significance - our talks,
And we are our major rivals.

Proxies, no longer in use,
And we lost in everything avalanches.
Still, we continue fighting seriously
To establish our identity.

Gajanan Mishra
A Promise

General assumption is that
A promise should be kept
One should keep one's promise
It should be done keeping
In view certain philosophical
Exceptions if you like to hear
Let me say in detail here
You can refuse to fulfill
Your promise in subduing others
In joking in responding to danger
In acting for the welfare of others
But word is word my dear
Let your life suffer and comes
To an end but keep your promise, it is clear.

Gajanan Mishra
A Rare Moment

1.

We are here together
At this time and
Let me say it is
A rare moment.
And let me clear
On this occasion,
We should be ready enough
To exchange
That is with us.
Let us know first,
What is there in life,
And how to engage ourselves
In barter.
Dear, come near and near.

2.

Okay, I do admit,
We are motionless,
We are not pitiless,
We know the way
To placate others.
Over and over again
The black is going forward,
And we all follow the path,
All inclusive - the black.
Down here, we realized
The life and its necessity.
Echoes we hear on the river bank or
On seashore- all ours and we
Belong to the earth and not the pixie.

Gajanan Mishra
A Rat And A Lizard

A rat and a lizard
Are here in my house
And they are enjoying
As they wish.
They are enjoying
Full freedom and
Showing their power
Taking opportunity
Of my helplessness.
They have taken birth
In my house and
Thinking the house theirs.
Though the house is
Built by me, I am not free here.

Gajanan Mishra
A Rat Or A Lizard Or A Dog

A rat or a lizard or a dog
Is there at my house
And they are giving me trouble.
I am taking air and water
And food with those persons
Who are trying their level best
To take my breath.
My body is full of air
And at every moment I am
Waiting for you, my dear,
And ready to fly away with you
Where yu want to take me.
See, I am smiling while leaving
The place for the reasons best known to you.

Gajanan Mishra
A Razor

A razor
My dear can
Cut you.
By this razor
You can cut
Anything.

A word
My dear can
Give you
Sweetness.
It is also bitter
It all
Depends on you
How you feel and use.

A woman can
Call you a hero
The same woman
Can call eunuch
This depends on
The situation
And your position.

Gajanan Mishra
A Reflection

A reflection
But not mere.
A shadow
But not mere.
An echo
But not mere.
I know I am not
Going on with this
Fancy dress
Without any purpose.
I have to discover
My real name and address
Here at this very moment
Lest I miss the train.

Gajanan Mishra
A Relationship

Always there is a relationship
Between You and me, I know
And without this relationship
We both are nothing.

We both are here to
Sustain the universe
We both are here
With a great purpose.

No one can say anything false
And this is the secret of
Our relationship and let us keep it.

With this relationship we are
Independent as before and free
To do what we individually want to do.

Gajanan Mishra
A Request

Skip not any poem, my dear,
Study each one deeply, calmly
Slowly, thoughtfully, devotedly,
Wholeheartedly, read my poems
Regularly again and again every day
Read and read till the thoughts
Contained therein are assimilated
And settled in your mind and till
You are in love and you realized
The Supreme Truth through these poems,
My poems are though limited in words
These have unlimited powers.
Read and feel it and discover
The secrets of life in it for all benefits.

Gajanan Mishra
A Rising Sun

A rising sun
I want.
A green field
I want.
I can cross
The sea
With the sky.
I can fly
And can spend
The day
In your love.
I can replace
My own self
For you.
And I can go
Beyond you
If you love.
You love me
I know.
And for this
The sun is
Rising everyday.
And for this
I am taking breath.
I want to live
In your love.
I want to live
In my death.

Gajanan Mishra
A River And A Mountain

I want to live
Like a river,
And also I want to
Live like a mountain.

I want to feel
No pain,
So also I want to
Feel no pleasure.

I want to stay
Like a tree,
So also I want to
Move like an ant.

I see the elephant
And its size,
I see the sun
And its prize.

The air I inhale
Is yours I know,
The light you show
And in it I flow.

Gajanan Mishra
A River Of Rose-Apple Juice

I am here on my land,
See me, my land is
On the bank of a river,
River of rose-apple juice.
And life is here,
See all nectar.
Here, see all are
Dancing, all are singing,
All are making merry
In ecstasy.
Everything is truth here,
Here all are in love.
Each one is complete,
Each one is absolute and unlimited.

Gajanan Mishra
A Rustic Villager

Being a rustic villager,
I am not able to know
What is going there.
I am here in my village
And busy all days in my
Own works. I am not able
To understand your language,
And also their meanings are
Far from me. This earth is
My mother, I know my mother
Is giving me everything
Including my drinking water
And also food to eat.
I know not what is Government
And what they are doing for me.
I do not want to read and write
As I know the son of my friend,
How he was going to learn
And not returned back again
To the village.
I see the land is barren after
The death of my friend.
I am a rustic village
I am unable to know your
Slogans, songs, etc,
I know only what I am
And how to rear my children.

Gajanan Mishra
This world, yes, this world
Is a sanctuary for the poets,
For all and poems alike.

Poets are allowed
To write what they like.

Who is not a poet
My dear friends?
The streams, the mountains,
The birds, the snakes,
The tortoise, the hare
Who is not a poet? ?

The water, the air, the sky
Who is not there to dance
On this colourful lighted earth!

Gajanan Mishra
A Se Aaeeshanee

A se Aaeeshanee
B se Bulbul
C se Chandan
Aaeeshanee started
Her tuition.

Are we ready to teach
Aaeeshanee Truth, love?
Are we ready to
Set Aaeeshanee free
From worldly prison?

Who is Aaeeshanee
Who knows
What for she is here
Who knows.

O my dear, try to
Understand them
Who are coming here
Try to give respect
Try to love them
Please do not extract
Their heart
From their soft
Heavenly body
To fulfill your self-interest.

Gajanan Mishra
A Second Independence

A second independence
For your state-
And we are calling all
If you are interested
Please support us
Without any condition.
We are here for you,
For the development of
Your earth, your mother
And your language.
We are here with you,
We are here for you,
We are here to you,
For love, for truth.

Gajanan Mishra
A Serious Thing

Life is not a joke
Handle not recklessly.
Life is a serious thing
Very carefully you
Are to tackle it.
As you sow here
So you reap, be careful.

Gajanan Mishra
A Serpent Is A Serpent

A serpent is a serpent,
And it is envious by nature.
A serpent is a serpent,
And its habit is to
Bite the innocent creatures.

A serpent may have jewel
On its head and still,
It is fearful.

When the milk is touched
By the serpent,
It becomes poisonous.

A serpent is a serpent,
So also the wicked man
With his material assets.

Gajanan Mishra
A sharpened razor
You are going on the edge
Of a sharpened razor.
And here is your life, see
O my dear, always in fear
You are playing here
With this sharpened razor.
Be attentive, my dear
A little inattentiveness
May at once create
Bloodshed and havoc.
O my Lord, save me, I pray
From this world of matter
Save me from material contamination.

Gajanan Mishra
A Simple Girl There

A simple girl there
Smiling with great pleasure
Looking at me
On railway gate.
As usual, I overtake
The gate without reactions,
And I pondered over it
About the relationship.
Where is that girl?
What is the message she
Wanted to deliver me?
Where am I?
All distractions but all
Gracious and transcendental.

Gajanan Mishra
A Simple Glance

A simple glance,
A simple glance
Makes you powerful.
I know your form
Your powers, your actions,
Your achievements are
Gentle, charming
And wonderful in nature.

Glance at your lost horse
O my dear, glance at.
Your speeches makes you
Thrill, my dear, thrill.
And I visualize you
In every form here with Me.

Gajanan Mishra
A Simple Man

A simple man is
A great man.
A simple man
Is a happy man
With all perfumes
In him.
A simple man is here and he
gets happiness
By not doing anything
Great but by limiting
His desires.
Be simple, my dear, and
Devote everything
For others.

Gajanan Mishra
A Single Kiss

A single kiss,
A single kiss.
And for this
I am here.

I am here,
I am here,
For a single kiss,
A single kiss.

Who will kiss whom?
That is not a matter
To be decided here.

And what will be
The consequences - not
A matter to be discussed.

Gajanan Mishra
A Single Man

A single sun
Is sufficient
To light the earth.
A single man
Is sufficient
To change
The total consciousness
Of the world into
Truth consciousness.

Gajanan Mishra
A Single Word

A single word-
Truth,
Can fight against
All falsehood.
Worry not and
Proceed ahead
With truth.
Hate can never
Enter the place
Where there is
The truth.

Gajanan Mishra
A Smile- An Action Of Love

A smile - an action of love,
A smile - gift of God,
A smile - source of life.

The relation of smile
With love is deep, endless,
Love and smile whole days dear.

Gajanan Mishra
A Snake Can Kill A Man

A snake can kill a man
At a time but a bad(evil) man
Can kill a man with at least
Three generations of yours
Who(bad man) is there with you.

Gajanan Mishra
A Snake In Cage

A snake is there,
In that cage,
The snake tries
To go out.
The snake is
My partner,
My friend.
But I am not
There in
The actions
Of the snake.
With the snake
I fear my safety.
But the snake
Is there
As it is.
Let the snake
Go, wherever
It likes.
But I like
The snake
Should stay in.
I believe
The snake
Not in full
And I commit
The blunder.
Snake, my dear,
Come on with
All comfort.

Gajanan Mishra
A Snake Seizes

A snake seizes a mouse
And very easily swallows it
Likewise Almighty is always alert
And in due course of time He strike
The greedy who is running after
Material enjoyment always.

Gajanan Mishra
A Sparrow

I failed to understand
A sparrow.
And doing nothing
Right.

The whole day
I am talking about
The sky.

And in great anger
The sparrow is
Looking at me.

I can't say
Where I am
At this time and
For what purpose.

Gajanan Mishra
A Steamboat

Let me say
The poet
A steamboat.
The poet crosses
The world himself,
Through his power
Of words-engine
And carries
All creatures
With him.
Nectar is there
In the words
of the poet and he
Shares it with all.

Gajanan Mishra
A Sterile Woman

Can a sterile woman
Perceive the pain of delivery?

Without language
Our land, our life
Would be unproductive,
And see my dear friends,
We are all going
Towards destructions.

We are experiencing misery
Every day, dear friends,
Feel it at every moment,
We are free, we are sovereign,
Yet, our condition is not good,
The curse of foreign language is
There with us and we are
Far from peace and progress.

Gajanan Mishra
A Stone

I myself is a stone.
And it is not deception.

Not foul not unjust
It is determinate intellect
That is in motion.

It is life
Mouth, legs, hands
You can't assume honest.

Trust, trust in heaven
It is desire unfulfilled
It is properties chilled.

Gajanan Mishra
A Sweet-Heart

A sweet heart is always sweet,
It can never be sour,
But to be soupy, is not sweet.

Gajanan Mishra
A Teacher

A teacher has
Taken away
The finger.
The teacher knows
The dream is there,
The history is there.

The true teacher
Is he,
Who gives
And he knows not
How to take.

The true teacher
Knows the strength,
The caliber of the student.

The teacher has
No meaning without
The student.
It is the true student
Who certify the teacher.

I dare not to describe
The quality of the teacher.
But certainly I can say
About the student.

The student after
Giving away his dream
And his future,
Sings the songs of life,
Dance on this earth
Like a victorious emperor.
The air, the water, the light,
The sky and the earth
All are there to enjoy
The company of such creature.
A Teamwork

A teamwork and
Collective efforts
Only can take
Towards public welfare.

With all promptness
And insistence
Let us develop power
To remove all deficiency.

Let us speak
Agreeable words
Honestly and truthfully.
Let not do any evil
To anyone, dear,
And live without fear.

Gajanan Mishra
A Thief

A thief
Certainly you are
A thief.

You are enjoying all
Though not yours.

You are giving not
Anything to anybody
Though it is theirs.

You have no simplicity
No cleanliness no truthfulness
No tolerance no self control
And no peacefulness.

Very easily you are
Receiving your necessities for life.

Gajanan Mishra
A Things That Separate Us

A thing that separates from me
Does not belong to me
And is not true
This body is separates from me
And is not true
And is not mine.

Nothing is mine I know
And I am here not to accept
Anything as mine
Not for myself
I also do not desire anything
As treating it as my own.

I know nothing remain
Ever with me
And so nothing is mine
I am moving away every moment
O my dear with you alone
You are only with me for ever.

Gajanan Mishra
A Thousand Times More

If you want to take
Something from somebody
You may take, but
Be prepare to return
A thousand times more.

Gajanan Mishra
A Tiger Is

A tiger is not a tiger
So long as you have not
Recognized it as a tiger.

And life itself is
Far above any recognition.

You may play with cobra,
No complain from any quarter,
But you cannot go with a butterfly.

Gajanan Mishra
A Tree Is A Tree

A tree is a tree
It is naked and
It has no consciousness.
When it cut
It feels no pain
Man of false prestige
Drunkards and they
Can not understand
That they are.
They are living a life of tree
They forget the circumstances
under which they had been punished
And leading the life of trees
And in such way they are suffering.

Gajanan Mishra
A True Man - Suryamani Padhi

Can never be slain,
Can never be forgotten,
Can never be worn out, as
Suryamani Padhi has touched
The eternity,
He is now stable,
Everlasting and beginningless,
Unmanifest, though.
He is inscrutable, now.
We are the ignorant lot here, sir,
We know not what is true and
What is false, yet we go
To follow your path and we learn
How to stay fit in any situation.

Gajanan Mishra
A Voice Is There

A voice is there, listen.
Just follow the voice,
If you are daring.

Gajanan Mishra
A Vow

Let me take a vow
Never to accept
Any award in literature
Or in any action
I have done / I do
At any time.

Help me by not offering
Henceforth, please.
As I know
It is my nature
Who is doing all
And not I
If I accept
It would be an act of hypocrisy.

Gajanan Mishra
A White Swan

A white ducking swan is playing
In the stems of red lotus flowers
O my dear, Your transcendental lips.

Gajanan Mishra
A Wife

A wife
Meant to help,
And she
Can't help,
Unless equal,
In character
And quality.

A wife
An assistant,
In every respect,
In all activities.

A suitable wife
Is a necessity
For fulfillment of life.

Gajanan Mishra
A Win Win

A win win,
Life, reality,
For everyone.
Love truth
For all always.
Say goodbye
To dirtiness,
Worthlessness,
Immorality,
Stupidity.
Apply intelligence,
Keep self-control,
And sensitivity
To go higher and higher.

Gajanan Mishra
A Witness

Call a witness,
Please.

A witness may be called,
At this time to the dock.
With the consent
Of the witness, let me
Put some questions,
As he is the permitter.

Let me call him
The man with experience
As he knows both sides
Of life very well, here.
He is the man
Of his own nature.

Gajanan Mishra
A Woman Bereft

A woman
A woman bereft
Bereft of her beloved
And leads a life
In torments of hell.
No use of riches
house land city
Kingdom, relatives
Parents brothers sisters
Nothing and nobody
Is there that can
made her happy
That can delight her.
A woman without
Her husband is like
A body without soul
A river without water
A day without the sun
A night without the moon.
Luxury items ornaments etc
Are like diseases for a woman
Who is bereft of her beloved.

Gajanan Mishra
A Woman In The Mirror

What she is
A woman in the mirror?
Or a mirror in the woman?

Woman and mirror
Are one and the same.
They both long for
Another one
To show their knife
Within them.

No butterfly
Can stay there
For long.
No color can
Spread light.

Each one is there
To invent.
Each one is there
To yearn for a burn.

Gajanan Mishra
A Woman Is A

For dogs
A woman is a
Lump of meat
For a lust
A woman is an
Object of desire
For a saint
A woman is a
Mother with new light.

Gajanan Mishra
A Woman Is Going

A woman is going,
See her, she is like a river.
A woman is singing
Hear her, that is like nectar.

A woman is fighting
And killing a mad king
For the welfare of all.
A woman is doing each
And every impossible thing
If you are facing any trouble
anywhere, she is there, give a call.

A woman, is a woman, feel her
She is your own maker, my dear men,
She is giving everything now and then.

Gajanan Mishra
A Woman Is There In Me

A woman is there to me,
And no one can deny it.
In me, see so many women.
And I want a life plain.

A woman, a poem,
A poem and so many lives.
I want to live
Here in life-beehive.

So many names
But I am one.
So many women,
But I am only one.
So many poems, but
Love and truth - one.

Gajanan Mishra
A Woman's Advice

A woman's advice
leads to unhappy result
Old conservative saying goes.
A woman is a mother
And a mother knows better
The welfare of her child
An eternal and evergreen saying goes.

Gajanan Mishra
A Woman Says

A woman says -
Give me love,
I will give you life,
I will give you
Everything here,
I will show you
The path and
On the path
You can enjoy
The waterfall,
The mountains,
The forests,
So many creatures,
So many flowers,
So many colors.
Give me love
And take a new world,
And take nectar
All here.

Gajanan Mishra
A Word

O there is a word
You are to come
And take me away.

O there is a bird
Who comes to me
To see me how I am
Preparing myself
To face the time.

No word no bird
See here only the desert.

You are calling me
When I am enjoying
The dust and the dirt.

O my dear,
Please come
You are welcome
Just for the sake of the sun
Just for the sake of mart
And let us have a chat.

Gajanan Mishra
A Word Is Not A Mere Word

A word itself is the world,
A word itself is the sky,
A word has its importance
On its own quality
In different places,
A word is the creator
Of its own sky,
The sky is the creator of the air,
To which we are to remember,
To which we are to touch.
A word is a feeling,
Feeling is our energy
And we get it on this earth
Wherein we are living.
A word is the earth
On which we walk,
A word is an appearance,
That appears as a sight
Before us every time,
We utter the word.
A word reflects our goodness,
A word is our guide,
Our philosopher.
We are here to rear a word.
And in a word we watch a sun,
We watch a moon, and all the directions,
In a word we get everything
External and internal.
But word is not final,
We have to cross the word
Only through our senses
To stay in a universe.
And all the universes are
In a word, and the word is
There in our body.
A word is not a mere word,
A word itself is our body.
It is our own love,
That can makes us en-live.
Gajanan Mishra
A Word Of Numbers

To express truth
A word of numbers-
Not necessary.
But the worm of
Conscience is a must.

To continue the process
of dialogue, but
Transparency and trust
is a must.
Outcry has no value.

Show not your
Humdrumness at any time.
To hunt out the truth
is the call of life.

Gajanan Mishra
A World - I See

A world - I see
In you, dear,
On this day.
On this day you
Come to me,
I know dear,
For all.
I know all clear,
And all strife,
I know all dear,
And all life.
I see you
In trembling fear.
I see you again
And yet again,
And I discover
All nectar
In you, dear.
For you,
I am here,
And you
Browse me
In time and
From time to
time, I am
At my prime.

Gajanan Mishra
A World Of Ideals

A world of ideals
Are there within us
And we should go
In the way-
Necessary and proper,
In the way of-
Beauty absolute.
Let us express
Ourselves in
Love, in grace
And in harmony.
Let our lives
Be linked with
The fortune of others.

Gajanan Mishra
A World-Whole

I am a world - whole
I enjoy my life - full.

My names would be
Inscribed in hospices.

I have no name
No fame.

Yet they published
All in their daily newspapers.

The called me equal
In rank and position.

They declared me missing
Yet I find all of them.

In offering
They entangled themselves.

I am in my imagination
They by ignorance called delusion.

Gajanan Mishra
A-1

First and foremost
A-1
Unique in style in tradition
I adopted this poem
In new pattern
To convey my feeling
Through this medium
The response is overwhelming
Throughout the world
That give me courage
To compose more and more
And my good luck
You supported me wholeheartedly
Openly everywhere.

Gajanan Mishra
Aadhar Card

O poor bird
Take your Aadhar card
Go to Vote-yard.

O poor citizen
Take your ATM
Go to collect money
As you are for them.

Keep yourself silent
No violent
And you know
We are not tolerant.

Gajanan Mishra
Aaeshanee - Angel Of Affection

My dear son
Never scold Aaeshanee
Aaeshanee the sea of satisfaction
Aaeshanee the angel of affection
Aaeshanee the future course of action
Never scold Aaeshanee
Aaeshanee is your daughter
Aaeshanee has got the power
To rescue our ancestors.

Gajanan Mishra
Firebrand Aaeshanee
Light touches within
Aaeshanee takecare all
All who are here on line
Ready to go with reflection.

Aaeshanee and resume talks
Commitment to life and
Showed signs of progress
With clear stand.

Aaeshanee the firebrand.

Gajanan Mishra
Aaeshanee - Galaxy

Aaeshanee is highly and hugely
Innovative aspirational.
Aaeshanee connotes beauty
elegance style and sophistication.
Hold Aaeshanee and hold for ever
Aaeshanee is the single galaxy
And you can find energy from Aaeshanee
And Aaeshanee is strange and remarkable
Independent of all desires and hopes
And is far more satisfying for all.

Gajanan Mishra
Ceasing act is a sign of failure
Aaeshanee is natureborn and always active.

You can not call Aaeshanee hypocrite
No deluded intellect.

Controlling organ of sense and action
Power of will remained unattached
Aaeshanee excels.

Gajanan Mishra
Aaeshanee - Present

Aaeshanee present
Hard task ahead
Needs brevity
With firm head.

With innovative idea
You are giving wake-up call
Sorrow nobody listen to it at all.
We in inflationary expectations
Resume recoveries with
Encouragement productivity
Which brings man divinity
And perpetuity.

No body is capable
To achieve target fixed
Your rudimentary fast
needs courage
Steps make the
Commodities last.

Here you are
With full loaded time
Enquires necessity
With world's humanity.

Gajanan Mishra
Aaeshanee - Unique

You can not say Aaeshanee
Classical contemporary modern
And popular or you can not discard.
You must read and appreciate the poem
The colourful of this eternal world
That is the life formal and informal.
You must respect for each and every
Word of the poem of the time
Each and every poem you know
Distinct and separate and unique
Aaeshanee only Aaeshanee is the favorite
Symbol of live poetry.

Gajanan Mishra
Aaeshanee Is Going

Aaeshanee is going
And going and started
Going school Om Valley
What she is doing there
At this age of three plus
Aaeshanee is wandering
And wonders about the campus
About the teachers about
The Madams and buses
Girls boys and about all
Staffs and sub-staffs and
Also about drivers of different
Vehicles here there
It is Aaeshanee who is enjoying
Only her going and doing nothing
With anyone there
Aaeshanee is going and see
Doing all shorts of tasks
Allotted so far alone with
The knowledge given to her.

Gajanan Mishra
Aaeshanee My Grand Daughter

Morning is with
Aaeshanee my soul my future
Dazzling with rainbow
with multiple color.

Earthly heaven
Flashed new light
Spring shower
Aaeshanee my grand daughter
is here ready to serve other.

Gajanan Mishra
So many thought
Create havoc Aaeshanee
Come with a clean slate
Open eyes see jollyfish
Plausible playground.

You Aaeshanee
My soul and surveillance
Swagger that you
Are here like swan
To select good only.

Pheasant prints
petrify me; and
So many phenomenon
Illumined entire
Arena, see.

How can I stay without You
Time is not conducive
To me without You.
My eyes are unable to see
Anything at any time.

Night is still there
So also days
And I am toiling hard.
Would You away from me?
Is it true, I am searching You?
Why should not i AM ABLE TO STAY STILL?
How can I be Yours?
Great business men failed
In this mission and went away
Far off lands.

Why should anybody give me anything
And I would say okay
I understand everything okay
Coming days are ahead
Waiting to see us.

Gajanan Mishra
Aaisha asked
Where are we
And I failed
To reply thee.

My pant my shirt
Aaisha knows well
And Aaisha knows
Where is hell.

I guess Aaisha
Knows everything
About this sky
And said goodbye.

Gajanan Mishra

Anything at your sweet will.
You are to decide your future,
Three cheers, proceed forward

As all are ab initio void here.

Abide The Law

No one is ready
To abide the law.

But law is there
For the welfare of all.

Nothing is flawless,
But lawlessness
Is not to be tolerated.

And allow me
To stay speechless.

I do admit, I am
Not the befitting one
To speak on the occasion.

It is true, though,
I am as powerful as the truth.

I am the root of all Govt,
I am a man.

Law is my life,
But no one is ready
To abide the law.

The only flaw of
My time, my life.

Abode of fortune - love.
You are my love,

About Action

Let us know first -
About action.
Where there is action,
The reaction is also there.
Action is the root,
But forbidden action is
No way related to the action.
Action comes first
But when the matter is
Going towards inaction
It is of no use.
Challenges are there
In action, accept them,
Study them, and prove -
You are the man
To defeat all.

Gajanan Mishra
About Beauty

You are telling about
Beauty
And what is that beauty
And what and how
Is it look like
I am not the one
Who can answer you
As and when you like.

That is my life
In full grace
I am an aspirant
Of beauty
It is true
But it is beyond
My capacity to
Describe with
Foresight.

You may co-relate
With everything
That are here and there
But you can’t say
With sure that
You are the only person
To do that
Your insight is guarantee
That I know beauty.

About Being High

I must not destroy anyone,  
I must not follow anyone,  
I must not give up the truth,  
I must go on the path of love.

About being high,  
Let me smash the society of  
Cheaters and the cheated.  
About being high,  
Let me wait no longer  
And march forward for all good.

Not imitation, the dress,  
The makeup, the posture,  
But all clear and original,  
I must show in words and in actions.

About Dana Majhi

Write something about Dana Majhi. The editors are telling me. But why should I write about him. The editors are telling me, you write as because Dana Majhi has taken away the dead body of his wife on his shoulder. You write as because you feel the Govt machinery's failures. But my dear, I have witnessed nothing that sort. Nothing new in the incidents, but it is you people who have given importance in unimportant things. Birth and death are but common in this natural system of the world. Taking dead body of kith and kins according to the present situations are also not new. Still then, Dana Majhi is the symbol of failures of administration only in the political point of view. Forget Dana Majhi. Dana Majhi has reaped as much benefit from his dead wife as possible.

About English

Let me say a few lines
About English;
Not an Indian language,
In the 8th Sch of the Constitution of India,
English has not been listed.
Only two percent Indians speak English,
People in Russia, China, Japan, Germany
Hardly understand English and yet
They are developed.
The belief that one can get job or
Achieve success only through English- not true.
Being a self-respecting people
I respect my mother tongue.
Early education must be in the mother tongue.
Some say English is a killer language,
It kills so many languages even in Great Britain or
Say the United Kingdom,
And America or say the United States of America
And Australia.
For English, Indian languages
And Indian culture gets neglected.
So to say English is unconstitutional,
So also in Odisha the use of English
In any office from secretariate to tehsil is unlawful.
All Indian languages are more powerful than
The English- true.
Yet we have a mental slavery to English.
Let me say another side of this coin;
Knowledge of English helps us to communicate,
So also the knowledge of other foreign languages
Are also necessary to communicate abroad.
It is important to know English,
It is also very important to know and take steps
To improve other Indian languages including ours, first.

About Evil Person

He is a man
Possesses greater danger
Than a snake.
He is nothing
But poison.
For him
Biting is a game,
A natural exercise
Like breathing or
Blinking.

Always from
The evil person,

About Life

About life
let me say
something
with intellect
with firmness
with all happiness.
Life is knowledge,
Life is actions,
Life is science,
Life is art.
Go with life

as adoration,
Live life with purification.

About Mother

About mother -
Nothing to say.
And who am I -
To utter.

But I regard not
Mother different
From me.
Nothing is mistaken
Manner if ever
I try to utter.

Let me behold mother,
Let me merge
Let me stay
unity in essence.

Mother - the reality,
The truth,
Consciousness,
And bliss solidified.

Mother - inseparable
From me.
Mother - before whom
My ego inflated
And ego is wiped out.

Gajanan Mishra
About My Mother

How you dare
To asked about
My mother?
Look, no word
Is here.

See me, I am a
Fragment of
My mother, with
Love and devotion
And renunciation.

Can you say
Where is not
My mother?
If you so like
You may go
On searching.

Listen, before
Going on any search,
See yourself first,
And find within you.
What do you see
That is not my question
And that is not the last.

Gajanan Mishra
About My World

I am telling about
My world
You are to tell
about your world.
It is true, your
world and my world
are the same.
It is also true
Our views differ,
What is there to exchange.
If you so like
light the lamp
in the sun and see
really no fun.

About Poem I Can Say

About poem I can say
I am not able to say anything
Believe me my poems are elastic
You can make your understanding clear
You can not conquer my poems

About poem I can say

You can wear it according to
Different situations
You can not conquer my poems
I am sure.

About poem I can say

You can take shelter
There in at the time of sorrow
You can not conquer my poems

About Poetry

If you want to
Say something,
Say about poetry.
Knowledge and
perfection all
Are there in poetry.
Without poetry,
The rest is
Nonsense talk.
Poetry means life,
Life means love,
Love means truth.
Hear poetry,
Talk poetry,
And live poetry.
Poetry is full of colors,
Full of taste and
Full of blessings.
Poetry is far beyond
Cause and effect,
Far beyond material nature,

About Poetry, Let Me Not Speak

About poetry,
Let me not speak
Anything.
Let me clear,
So far poetry is concerned,
It is all beyond my reach,
Beyond the reach of
My mind, body, and words.
Leave me,
Permit me to leave.
I know this world of poetry
Is not mine, and
I am not convinced
What mystery there in poetry.

About Poverty

We are proud to say we are poor
We are telling about our poverty
We are getting nowhere.

We want to help the poor
By eliminating them from this geography
Basically we know not anything.

Giving the poor free rice free vegetables
Free fruits free clothing free house and food bill
What we want to do we know not, it is but to kill.

Know the poor know poverty all around the world
Come to their rescue care for the common poor people
No show nothing, no hypocrisy would help anybody.

Gajanan Mishra
About Reality

Lack of knowledge
About reality
Is delusion
And reality is
only love
And I can not
Be separated
From you
And reality is
I can not be
Identified with
Any other things
Except love
And I love you
Only for this love
I am purged of
All sins.

Gajanan Mishra
About The Calender

I think not
About the calendar.
In my room
Nowhere you can find
The calendar.
I use not calendar,
The calendar is of
No use to me.
I do nothing with
The calendar.
My words my world
All are far from
The calendar.
I believe not
The numbers, the dates,
The time, space.
I believe I am,
I believe love,
I believe dreams,
I believe the truth,
I believe eternity.
And calendar has
No relations with all.
Believe me and
Take me granted.
I am not chosen
To scatter.
And no one can
Dismember me
From nature.
And in nature,
Useless - calendar.

Gajanan Mishra
About The Earth

About the earth
About the earth
You know nothing
You know nothing.

And you are telling yourself
The great the great
Though you are nothing and you have nothing
And nothing to give nothing to take.

You are possessing advanced knowledge
In the constuction of material comforts
That has no meaning here at any stage
And you are telling yourself the great.

You have a temple-body and it is without any doubt
But you are not trying to know where the god is
And you are wandering Kasi Brundaban Puri Mecca Medina
O my dear, you are most valuable but you know not your own value.

No pope no priest no hermit no shariff
Can make your snake-like body clean and pure
O my dear, it is you only who can see what you are
You can free yourself from all diseases all ills and cure.

This earth is your house it is the Mother
This sky is your security-cover it is your father
This water this air is your life-speaker
This light is your path-finder, the sun and the moon are eyes-opener.

Know something about your mother
Know smoething about your father
Know something about your brothers and sisters here
Try to know about your own creator and the components of nature.

Gajanan Mishra
About The Moon

Let me write something
About the moon.
But the moon is
Far away from me.
And yet I am affected
By the moon.
Let me describe the moon
As my friend.
But the moon is
Not friendly with me.
The moon is there
In the sky.
I am here
On this earth.
Let me write something
About the moon,
As the moon is writing me
Here with you.
Differentiate my dear,
The writing of the moon
And my writing here.
And let me hear
What is clear.

Gajanan Mishra
About The Oil

I want to say
About the oil,
But you are
Not in a position
To listening to my words
As you are busy
In oiling.
I am not here
To misuse my oil
As you know.
I am on the water, though.
I want to read a poem
Before you, I know
You are the person
Who knows all truth.
I know, you are the one
Who can understand and
Do the needful
Here at present.
Presently I am here,
As you know
Only for you.
And my dear, you are here
Only for me,
That I value.

Gajanan Mishra
About The Truth

Something is there,
Someone is there,
The cause of all.
I want to know that,
And I want to show you,
I want to make you understand,
I want to tell every tit bit
About the truth before you.

Gajanan Mishra
About Water

About water -
The topic of this month.
Any one can speak
On this topic.
Hints are
Clouds, thunders
And lightning and fire.
Water is life
One may say,
Life is water
Reverse is the way.
And we are all
In the temple of water
Correct assessment, my dear.

Gajanan Mishra
About You

About You
I know nothing
About me
You know everything.

It is nothing
That I know
It is everything
That You know.

We are here
Together turning
The chapter with
Good faith and character.

Everybody is
Waiting to hear
About You
About me.

We both are
Turning and turning
Nobody knows
What is going.

Gajanan Mishra
About You - I Want To Know

About you
I want to know,
But I failed to
Understand that
You explained.

I am the first person,
You are the second,
It is you, who is here,
To cooperate in
all respects.

No third point is there
to give a push
in between us, my dear,
And we are here together.

Gajanan Mishra
About You And Yourself

I want to hear
About you and yourself.
Tell not about worms and insects,
Tell not about foxes or wolfs.
If you so like tell something
About the milch cows,
About the lions.
I want to hear
About the pigeon.
Life is far greater
Than the creatures
that are here. I want to
Hear about the life
as a whole, my dear.

Gajanan Mishra
About Your Doing

About your doing
I know nothing.
I know nothing
About the time
That is revolving
Around me.
I know nothing
About my birth
About my death
But they say
So many things.
They say it is love
They again say it is hate
But I know not what is that.

Gajanan Mishra
Above All

Above all,
All in one
And one in all.
And a life is
Being drawn
Therein.

Behind all
And within all,
And ahead of all,
Someone is there
That I care.

The shadow and
The light.
The smile and
The cry all.

The whirlwind,
The concentrated eyes,
The explosion,
The transformation,
And all rotation
And all
Birth-death
Crystallization.

Gajanan Mishra
Above Everything

Above everything-
One is there,
And who he is,
Where he is,
What he is,
How he is.
But I may say
He is love,
He is truth,
He is light,
He is the earth,
He is the sky.
And he is the one
Who binds all here.

Gajanan Mishra
Above Like And Dislike

When I know, you are not mine,
How can I called you, you
Are my own.
My dear, I want not to
Live in hypocrisy.
I honour you. I respect you.
I know you are unique
And a special entity.
You never belong to
Anyone, I know.
Still you are there
With me and with all.
You are above all
Like and dislike.

Gajanan Mishra
Above Water Above Air

Above water above air,
To live there, I desire.

In all voidness
I want the truth.

In all contradictions
I see the sun and
Like that in falsehood
I see the truth.

In angry alphabets
I see the blue sky.

In knife
I see life.

In poison, believe me,
Nectar is there.

Gajanan Mishra
Abraham Lincoln

O Abraham Lincoln,
Where are you now
I do not know,
But I know your statement
Democracy of the people
By the people and for the people
Is not relevant today,
Let me say present day
Democracy is for the money
Of the money and by the money,
People in general are
Just instruments in the hands
Of the rich and powerful
We the beholders, are the fools.

Gajanan Mishra
Abraham Lincoln In Dream

Abraham Lincoln came
In to my dream and
Told me whatever you are,
You are the best, and
Try to be remained as
The best there for long.
How Abraham Lincoln
Came to my dream
That is not the question,
But the question is
How I dream it at this noon.
Am I not truthful to
My life and to my earth?
Am I fearful what you
Imagine here at this hour?
Do I believe in luck?
And what is a luck,
Is it not created by me?
All the answers are there
But I am not willing to
Listen anyone in my dream.
I know anything can be
Happened in dreams,
You know I am the creator
Of my own dream that is
Here at this time.
I wish, dream appeared.
I wish, Abraham Lincoln came.
What I will wish
That will happen, no
Quarannty of though.

Gajanan Mishra
Absence Is Present

Absence is present
I am the man
Agree with it
Eye is nose
If you say
How can I agree.

I am trembling
With the earth you see
If you say I am the earth
I do agree
I am not the man
To disagree.

You are here to say
Good good good
And that fill up my wounds
With whom I am living.

Gajanan Mishra
Absence Of Justice

We feel absence of justice
Here in our judiciary.
Disposal of cases
Can never serve
The purpose of sovereignty.
We feel the absence of justice
In our judiciary.
We see organized robbery
Everywhere in our democracy.
Thanks Augustine,
You have given first cautioned
Notice saying O men,
Earn not profit
That is vonfusing, that is seen.

Gajanan Mishra
Absence Of Light

Absence of light is not dark.
And in dark one cannot see is not true.

Threat is there
Death threat is more there.

In death no body knows
where to go and where not to go
from the very begining to the end.

Not getting answer is not mystery.

Mystery is what we see what we
touch what we smell.

Mystery is we all are here
at this time in this light.
Mystery is not dark not death
But the very birth
Where you find only absence of light.

Gajanan Mishra
Absolute and The Truth

Absolute and
The truth.
This life,
This love.

Torture not
Anyone on
This earth.
Create not
Enemy in
This world.

Get what you
Desired.
Protect the weak
From air and fire.

Gajanan Mishra
Absolute Form

Each and everybody is
The absolute form of eternity
Knowledge and bliss
And neutrality servitor-ship
And fraternity
Respect all from my side.

Gajanan Mishra
Absolute Truth

Absolute Truth and
Complete bliss is here
Understand the manifestation
In your own transcendental form
O my dear, there is no tinge of
Unhappiness here at any time
I am able to know all the functioning
That are here for so many times
With wheel screw spindle and machine
It is all Your potency I know
And I conceived You in the wind
In the burned fire in my own life itself.

Gajanan Mishra
Absolutely Nothing

Absolutely nothing
I can say surely
About my lost hopes,
Lost dreams, lost time.
Absolutely nothing
Here I can say
On passion-fruits,
Passover, password.
But they called me
Passe and I am
Still there with them.
I am still there
To gainover or galvanize
Them with lost dreams.

Gajanan Mishra
Absorbed In Me

Absorbed in me
I am in you.
Tell me who am I!

Gajanan Mishra
Absorbed In Thought

I am absorbed in Your thought
O my dear, I am absorbed.

I am here, O my dear, I am here
You are here with me and here.

No one is unhappy
No one is unhappy
As You are here
As I am here.

Gajanan Mishra
Absorbing In Poems

Poem is mine
And I am the poem
I am absorbing
In the poem
At every moment.

O My dear, You are here
As the ocean and
I am within You.
You are my sky
You are the bird
And You are singing.
I am forgetting
Everything every moment
And You are here
In my poems.

Gajanan Mishra
Abuse Not

Abuse not,
Abuse not the self.
The self is
As pure as the sky.
The sky is there
To enable you to fly.
Fly and fly,
Fly with the clay.

Gajanan Mishra
Acacia Flower

Acacia flower
Is now leaving
My house.
Where I am
At this time
That I am
Unable to say.

The sun is
Telling me good bye
And giving words
To return back
With new hopes.
And I am
Speechless, see me.

Gajanan Mishra
Accept All

Accept all,
Each one is
Valuable here.

Impatient not,
And never.
Live like a tree, dear.

Success is all
But tender.

Gajanan Mishra
My dear children,
Accept always
Advice that is valuable.
What is valuable?
You are asking.
And I am pleased
With you hearing this.
Your teachers and
Your parents are
There to guide you
And they are there
To do well and truth..
Be free with them
And climb the life-tree.

Gajanan Mishra
Accept everyone and
Also, accept everything,
But make no demand,
And show the sign of
Pure love and affection.

Generate energy within,
Show the light to others
For you are there,
Have a feeling inside
And also, outside.

Nothing is needed for
Your own survival,
Kept it in mind and
Stay behind.

Gajanan Mishra
Accept Me

Accept me
O my dear,
As I am.

And see
All differences
Come to an end.

Gajanan Mishra
Accept Me And Let Me

Accept me
And let me accept you.
Fact is
We are one and not two.

Realize the truth
And truth is in you.
Faith and inquisition say
We are nothing but the whole truth.

Gajanan Mishra
Accept Me And Read My Poems

See my humble attempt.
I am trying to
Say something about You
Though I know
It is not complete whole.

Gajanan Mishra
Accept Me As I Am

Accept me as I am,
Understand me with time.
Identify me nature,
With all features.

Realize me,
I am here to sacrifice.
Scan your position
And go with pious activities.

Gajanan Mishra
Accept Me That Is All

Accept me that is all
What I want to say.
Thereafter see no problem
Anywhere at anytime.
Thereafter see the fire
Distinct from its fuel.
See the pot as the portion of the sky
And see there is sky within the pot.

Gajanan Mishra
Accept Not

Accept not yourself,
Accept not the separateness
And declare identity with light.
Light is there in knowledge,
Knowledge is no there in
Traditional arts, sciences and
In languages.
But true knowledge is conducive
To renouncement of connection
Between the body and the world.
Accept not the body,
Accept not the world.
But accept your own light
That is not earthly.

Gajanan Mishra
Accept not a rascal and a fool
As your Master, my dear
Search the Truth within
Go not to a blind man
Who is unable to see.
Have a direct contact
With the omniscient
And get yourself relived
From illusions
Acquire the knowledge
That is eternal
And feel Ultimate Truth
And be devotional that
Is all final.

Gajanan Mishra
Accept not anything,
But think for a while,
For which and for whom
It is being made,
Think for a while,
The necessity of such
Thing by you at any time,
And select the one
That is suitable for you.
Talk not on any matter,
You are not meant for that.
Realize the truth and
Go forward for the purpose of
Love and all welfare.

Gajanan Mishra
Accept Not Poison

Accept not any
Material possessions,
They are all poison,
If you want
To be a real man.
I know you are
Not a fool,
I know you follow
Your own intuition.
Come on, dear,
Fear not anyone,
And nothing to fear.
I know all are ready
To give you the benedictions.

Gajanan Mishra
Accept Or Reject, O Almighty

Accept or reject
I am here in this project.

See me,
I am here with You
And I am glittering.

You recognized me
That is my everything.

O my dear,
I am with you with everything
Everywhere every time.

Gajanan Mishra
Accept That

Accept that
Whatever comes
Of its own accord.

Everything is
Temporary and
Inconsequential.

Nothing is Yours
Worry not
For anything
For anybody.

Knowing or
Unknowing has no
Importance with
This life at present.

Gajanan Mishra
Accept Truth

Without deviation.
Accept all
Without separation.

It is great honor
O my dear, You are for all
And all are for You
That is Your world
And it is for good.

With all precautions
See life
With Your good self
I am Your associate.

One after another
You can achieve, my dear
What You desire but
Mind it, You can not
Achieve all.

Life is something
Life is more than something
But life is not whole things
But you can achieve the whole
If you are ready to renounce the whole.

Gajanan Mishra
Acceptance

Acceptance is life.

Without accepting
You can not stand
Without accepting
You can not stay
Without accepting
You may go astray.

Accept accept
Acceptance is life.

And everything
Is all right
Everything is okay.

Gajanan Mishra
Accepted

Accepted,
Accepted your
Good opinion
As counted upon.
Whether you are
Within form or
Out of form
That I care not.
But I care
What You deliver
And how I am here
To receive.
How far I am independent
That depends on me.

Gajanan Mishra
Accepted For The Occasion

You are accepted for the occasion
You are accepted eternally.

All for a purpose your appearances and
Your disappearances but it is not all.

But I am aware You are unborn
And You are not being exposed.

O my dear, You are never to b vanquished
You are thunderbolts to the wrestlers.

I know You are the only Truth and You have no material body
You are never to be killed or changed by Your transcendental body.

Gajanan Mishra
Accommodate me, my dear,
See me, I am sincere and
Never a flatterer.

Gajanan Mishra
According to my
Own light and intellect
I am writing here
Though I know
It is a poor match
For Your wisdom
I know I am a mere
Dry-cotton and
You are the strong-wind
I am though poor
But not impostor
Test me to the word
I am faithful to You
And I am most sincere.

Gajanan Mishra
According To Fate

I know I am
Subject to pleasure and pain.

I know I am subject to
Pleasure and pain
According to my deeds.

Pleasure and pain is
There with me and nobody
is there to share.

Gajanan Mishra
According to truth
I am yours,
But I am no way
Related to you.

I believe
In your existence,
It is true, but
Influence of time
Is there,
I understood.

You are inviolable,
You are worshipable,
You are wonderful,
I am yours in full.

Gajanan Mishra
According to Your word
I am acting and I am
Carrying out Your order.
I am sacrificing for You
I am giving all to You
And I am acting, see as per You.
You are controlling everything
And I am excelling all with You,
I am enjoying Your gift-this life.
And I am acting without attachment
As I know You and I know my
Helplessness here at this time.

Gajanan Mishra
Accountable

Let us be accountable
What we are exercising.
And we know we are nothing,
And we are doing so many things.
How can we say it is for nothing.
We are exercising our powers
We are doing all for others
And we are also answerable
What we are and how we are
Doing and the purpose and
The intention behind all these.

Gajanan Mishra
Accumulate Not Anything

Accumulate not anything,
Accumulation is dangerous
And it is harmful to the core.
Accumulate not anything,
Accumulation gives you pleasure
But this pleasure is the obstacle
To realize the truth.
Truth, and discovery of truth
Is necessary in life.
Get rid of your own hopes
And desires and stay free
For the sake of truth.
Go on searching truth and
Stay in seclusion for the purpose.

Gajanan Mishra
Accumulation

Accumulate objects and money
To render service to others
You are a celibate
A man of retired order
A man of renounced order
And you must not accumulate
Objects and things.

Gajanan Mishra
Accuracy And Efficiency

Accuracy and efficiency
Are there with you,
And in your works,
Keep up,
You are to succeed.
Take a break
When stress began
To pile.
But walk,
And see the scenes
Outside.
See, the inner beauty.
Nothing is outside,
Study nature, dear.

Gajanan Mishra
Achieve Real Peace

Achieve real peace
By seeing everything
By seeing every living entity
In oneness and
In no difference
All are simultaneously
One and same
One and different.

Gajanan Mishra
Achieve Something

Achieve something.

It is rightly said,
A person is honored
For his or her
Achievement and
Not for
Advanced age.

It is rightly
Further said,
A person can be
Older by experience
And not by age.

Knowledge can be gained
By experience always here.

Gajanan Mishra
Achieve The Perfection

Achieve the perfection
Of your own existence, my dear
By seeing the truth with love.

O reservoir of all beauty
My dear, it is Your sweet will
You are here to relieve me
From all sins all burdens.

You are free from all
False identification, I know
And dispelling the darkness of
Separation and confusion.

I glance at Your creative energy
O my dear, I perceive You in all
Activities of life airs senses and intelligence.

Gajanan Mishra
Acknowledged Defeat

God of love acknowledged his defeat
God of love was fighting with truth
God of love appeared with many colored
Blossoms on the trees of different kinds
Singing of cuckoos and humming of bees
Delightful breezed, cool soft fragrant blew.

Gajanan Mishra
Acquire Knowledge

Acquire knowledge
And cross the ocean
Of sins.
Boat of knowledge
Alone can enable you
To cross sea of ignorance.

Gajanan Mishra
Acquire Knowledge Not Education

Acquire knowledge
Not education.
Knowledge about
The Almighty God
Is a must.
Know the truth
Through love.
Education is
Not so necessary
Though it somehow
Help to earn
Some livelihood.
To fill up the belly
Is the lowest rank.

Gajanan Mishra
Acquire The Strength

Acquire the strength
And then over come it
For all benefit.
Over come the strength
And acquire it
For all benefit.
Life is there
To over come only.

Gajanan Mishra
Act act acting,
And go on living.
Act act and
Make others to act.
Since you are acting
Attachment must not
Be there in your living.
Think not you are alive.
Act as an ignorant,
Say always you know nothing,
But keep full faith
On knowledge and light.
Act act and act
Make others act and fight.

Gajanan Mishra
Act As One Is Expected To Act

Act as one is expected to act
And be free from the influence
Of the modes of material nature
And be satisfied in Truth
You are intelligent, I know
You are of purified consciousness
And you put yourself in the position of
Eternal servitor-ship of the Almighty.

Gajanan Mishra
Act Like A Man

You are in the form
Of a man,
Act like a man, my dear.

I know, O my dear,
There is special
Loveliness and glory
In you and
You are to discover it.

It is true,
There is unworldliness
And peculiarity in
Your presence.

And Your presence should
Gives life to all here.

Gajanan Mishra
Act Not Selfishly

Act not selfishly
At any time
Anywhere.

Desire not anything
From anybody and
Be ever vigilant.

I know, my enemy is
My own sleep,
And I am keeping
Myself under the rules
Of the Truth
And I am busy always
For the welfare of others
You may treat me as the well-wisher.

Gajanan Mishra
Act Of A Fool

Count not anything  
Counting is an act  
Of a fool.

O my dear, if you are  
Really wise  
Go on inquiring  
Where is Truth.

And remember, my dear,  
Truth is within You.

Reap the reward  
Of your birth, my dear,  
With the image of  
All-merciful  
Enshrined in your heart.

Gajanan Mishra
Act Of Liberating

But I am there
With You
And I am here
With you
And it is my
Act of liberating.

Gajanan Mishra
Act Of Running

Horses are there to run,
And we horse around.
In horror-struck,
We take the appetizer.

We are in short excursion,
No need to write down
Distance traveled.

Anyway, it is true-
We are on the run and
Run up against all.

We are running for
Our money, true.
But we know how to love,
In truth.

Gajanan Mishra
Act Of War

Blocking of water
Is also an act of war, yes.
We are in the war, okay!
If you want peace,
Try to be a good human being.
Hurt no one, kill no one,
Harm no one, I am here
To give you everything.
Remember, you are mine,
Remember, you are from
The same earth, same air.
Our mother is one, our blood
Is also one and the same,
Our kitchen rooms, though
Different today.

Tussling and fighting,
I also, do not like.
But if you are pugnacious,
I am the last man
To tolerate, I am here
To give you punishment
That may relate to water
Or food or anything.
I have taken a bow at this time,
To show you the path of truth,
The path of peace at any cost.
Let me warn you to amend yourself
For humanity point of view
And stay in self-restraint
Or face the trial before nature itself.

Gajanan Mishra
Act Of War - Blocking Of Water

Blocking of water
Is also an act of war, yes.
We are in the war, okay!
If you want peace,
Try to be a good human being.
Hurt no one, kill no one,
Harm no one, I am here
To give you everything.
Remember, you are mine,
Remember, you are from
The same earth, same air.
Our mother is one, our blood
Is also one and the same,
Our kitchen rooms, though
Different today.

To show you the path of truth,
The path of peace at any cost.
Let me warn you to amend yourself
For humanity point of view
And stay in self-restraint
Or face the trial before nature itself.

Gajanan Mishra
Acting

I know my dear
You are only here
And acting as my brother
My cousin my friend well-wisher
benefactor messenger
And You are performing all
Kinds of service
I know it is all Your
Causeless mercy.

Gajanan Mishra
Acting And It Is

Acting and it is always here,
No matter inside or outside.
Take no offense, like a good mother
With the child.
Still, I pray for special
Forgiveness for my offenses if any.

Gajanan Mishra
Acting As

I do not like to
Hear anything
And I am
Acting as a deaf.

I do not like to
Utter any word
And I am
Acting as dumb.

I lack humanity
And I do not have
Any good quality
Though acting as a man.

I am eating sleeping mating
And I am very attached to
Family life and
Worldly activities.

I am blind, see me
Blind to True knowledge
I do not know
How can I advance in True life.

I am far from perfection
I am far from the goal
O my dear, I am examining
And observing each and everything.

And I know all are illusory phenomena
All are false all are in dark
O my dear everyone is encased
Within the body and far from the soul.

Gajanan Mishra
Acting Is But Natural

Acting is but natural,
Each one is acting
By natural tendency and
No one can remain unengaged
Even for a moment.
But my dear men, give up
All natural tendencies
For material service and
Go for the truth.
Men, you are the swimmers
Struggling in the ocean.
But be aware,
The waves of illusions
Are there.

Gajanan Mishra
Acting Of Existence

Two persons are going together,
And they keep company with each other,
And they are friendly with each other.
I am the third person and I am the witness
But I have no power of speech and
I am not able to do anything for anybody.
Two persons are using me on their ways
And I am trying to restrain them in silent mode,
Both of them are trying to use me as their agent
And they allege with so many points though
They know I am in no way connected here or there.
Their expressions pain me and hardly I digest.
Yet I am with them and I know I will be there
Till they finish their acting of existence.

Gajanan Mishra
Acting, I Do Not Like

Acting,
I do not like
Do not ask me to act
I hate.

I am here
To see
To watch.

I am here
To sing
To write.

And it is how
I react.

I am not terrified
I am not scared
I just stared
That I am what.

Gajanan Mishra
Action / Inaction

For inaction
Sorry.

For action
Congratulation.

Mistake and sins
Are there
In action.

Virtue and right
Not found
In inaction.

Gajanan Mishra
Action Inaction

What is action and what is inaction
Truth in action and action in truth
Seeing inaction in action and action
In inaction is the work of the wise.

And who is wise difficult to say
In this world of sage as all are
Burning by the fire of wisdom and I am
Doing nothing though fully engaged in action.

Gajanan Mishra
Action Is Superior

Action is superior
Act as per nature.

Nature is supreme
You are product of nature
Nurture yourself.

Action is supreme
Desisting from action
You will be no where.

Act and act by
Sacrificing yourself.

Action is superior
Act as per nature.

Gajanan Mishra
Action Is The Means

Action is the means
And not the words
To reach at the truth.

Gajanan Mishra
Action Needed

Action needed
To bring the moon
To the earth.
Action needed
To make the earth
Move to the self.
Action needed
To recognize the self.

Gajanan Mishra
Action Plans

Action plans
That I am in need
To correct my own life.
But you are
Too busy in puzzle
That has no meaning at all.
I want real growth,
Not yours empty speeches.

Gajanan Mishra
Actions And Knowledge

No action, no knowledge,
But actions and knowledge
Have no role to play here
In the practical field.

Practical field is our
Own living and its style.
And here we are to suffer
Like anything and we are
To bear the pain for nothing.

For nothing, we are here,
It is true. It is also true,
We are nothing here and we have
Nothing to do but to enjoy
Our own living as an eternal entity.

Gajanan Mishra
Actions That Are Injurious

I am against the actions
That are injurious to others.

Gajanan Mishra
Active Participation

Active participation
Is but necessary
To enjoy the productive life.
And life as you see
Is there in your mentality.
And let us pacify
The mind here
With sufficient
Air and water.
The air and the water
Here make the mountains
And the rivers
That have naturalness
And spontaneity.
It is life
In the process of
The beginning and the end.
If you do not want to
Forget the past- no matter.
If you do not want to
Go anywhere- no matter.
But you have to sit quiet.
Sitting quietly is
But necessary to
Catch the life
As a real entity
In writings,
In paintings,
In so many designs.
Life is nothing but
Arranging flowers
In right order
With selected colours.
Life is dancing, see
In the height of perfection,
But please talk not
About life at all.
Gajanan Mishra
Active Principle

Active principle
Actual reality
All depends on
Personal understanding.

It is You
It is me
All are nothing
But flowing within.

Gajanan Mishra
Activity

I am doing my activity
You see.
I have
No sense of doer-ship.

My eyes are opened
See here there.

And see I have no desire
And see everything is spontaneous.

Creation of the universe
Is here.
And see I am the creator
And here is the cosmos.

Gajanan Mishra
Activity - Life

No activity,
And we flourish.
Virtually
We are here.
And here
We generate ideas.
Ideas of
Collecting data.
And we discuss
On language,
On education,
On life.

Gajanan Mishra
Acts And Rules

Acts and rules
are greater than anybody,
respect the acts and rules of the society.

Gajanan Mishra
Acts Of Love

Acts of love give pleasures
Come on and ride on my shoulders.

Love is excellent and wonderful
Here in this life and it is glorified with You.

Love is not swallowed by water or fire
It is there as before under and beyond this sky.

Gajanan Mishra
Acts Of Sacrifice

Let me act
As per the truth.
Let me learn
The act of sacrifice,
Gift and penance,
Let me perform
The duties
That are my own.

Gajanan Mishra
Actual Picture

Actual picture
Not shown.

The picture shown
Disturb the body
Disturb the mind.

And not in a form
To implement.

Find herewith different
Program of actual life
In day to day picture.

What is actual
No one knows here,
And my dear, we are
All wanderer.

Gajanan Mishra
Actual Poet

Actual poet
Worships the words,
Actual man
Loves creatures,
Actual is there
To work,
Actual life
Is there for others.

Gajanan Mishra
Actual Success Of Life

Actual success of life
Is there in truth consciousness.
And only human life is fit for that.
My dear men, be not blind
To the knowledge of ultimate truth.
Search the truth here in life
With your own light,
Light of experience and self.
Dear men, understand the purpose of life,
And stay in pure love of the truth.

Gajanan Mishra
Actually Fact

Actually fact -
Not this life,
And nothing here
That we see,
We hear we touch,
We enjoy.

Everything is a
Reflection here.
Everything is
A shadow.

The time is
The vulturelike
Messenger here and
All are in fear.

Gajanan Mishra
Actually It Is Difficult

Actually it is difficult to
Live here without fear
See me I am invariably afraid
See me I am full of anxieties
Because of thieves rogues enemies
Family members animals birds
Government laws and times
I have forgotten to ask
Who am I where am I how am I
Actually I have forgotten myself
I am in fear and I am living
See me see me see me.

Gajanan Mishra
Actually It Is Illusion

Actually it is illusion
I appear to be born
And to die.
In connection with birth
And death I am alive.
It is illusion
I am suffering and
I am enjoying.
In fact I remain not change
It is my eternal nature.
Read my poetry and say
Who am I and how I am here
O my dear, actually I am
Different what you thought.

Gajanan Mishra
Actually Within Me

Actually within me, my dear
You are actually within me
And never separated from me.

I am a creation
I am Your creation
Nothing to deny, my dear
A composition of all the elements.

The elements are Yours
Elements are You Yourself
That I know, my dear and
You are present that I know always.

Nothing is adequate for me, my dear
I wish only unalloyed love for You only for You.

Gajanan Mishra
Actually, I Am Grateful To You All

Actually, I am grateful to you all,
I am the truth here, I am alive with you.

I am aware of my position,
I am the living entity here.

Let me say everything you want to know,
Let me relate to the things that are yours.

Hear my words, and feel me there,
Let me achieve everything - the truth.

Gajanan Mishra
Ad Infinitum

We are all
Ad infinitum.

No time frame,
No period.

All productivity,
All energy,
And everything
Is here in us.

Peace and prosperity,
Knowledge and light,
All appear with
No question of disappearance.

We are all here,
With no fearful omens.

Gajanan Mishra
Adamant Stances

Get ready to reap
The fruits of your
Adamant stances
And superiority complex.
No doubt you are useful
To cut some bad elements
To size and to take
Some steps for world peace.

Gajanan Mishra
Adapt To Changing Time

Adapt to changing time,
And stay free.
Think yourself
Nothing but
A dry straw
But you are much more
Powerful than any
Other one.

Gajanan Mishra
Add Salt

Add salt
To water.
Add water
To ocean.
Add ocean
To life,
Add life
To the sky.

The sky is
Within me,
I am under
The sky.
I am the sky
But I want to fly.

Gajanan Mishra
Addicted And Blind

Addicted and blind
And you are dying
You are suffering
From a great disease.

If you are interested
To get yourself free
From disease, listen
And come to me.

What you are facing
I know but without
Any question I am with you
Your emancipation is my potency.

Gajanan Mishra
Adding Value

Take it,
It has some
Adding value.
This grass and
This tree and clouds
All are truth.
Sowing and harvesting
Have same repercussion
That have no repatriation.
Here, it is the exposure,
And like the snake-charmer
That has hungry laughter.
Let the snooker go on,
Thanks, my dear.

Gajanan Mishra
Addition And Alternations

Do, whatever you like,
Additions and alternations,
You are free, but in every
Transformation you have to
Take permission from the master,
To make everything valid.
Mix the colors you like,
Produce the things airtight,
Feel the touch, hear the sound,
Take energy as per quality,
But get the quality of the earth.
Take your own living consciousness
In to granted and recognize through
The words that are there with marks.

Gajanan Mishra
Addition And Substraction

I am telling you
My dear, the same
without any
addition or subtraction.
I am telling you
All good and enable you
to realize good and not
to go towards bondage
and to degradation.
You are to stay free
from egoistic notions.
Remember, you are
everpure and detached,
Truth is your connection.

Gajanan Mishra
Addition To Life

Addition to life-
Love.
Addition to death-
Hate.

I love you means
I try to
Make you alive.

I hate you means
I wish your death.

But for an ordinary
Man, it is both
The same.

Study life and
Furnish a report.

Gajanan Mishra
Adha Adha (Odia)

Sabukichhiku aame bhaga
Kale adha adha, tathapi
Mo muna khali, dekha.

Gajanan Mishra
Adhere To Truth

Truth is the substance
Adhere to truth
Give up all if you
Really know the truth
Only truth is here
Do everything for truth.

Gajanan Mishra
Adhoc

Appointment adhoc
Work block.
Everywhere
Everytime
You feel mock.
Enemy attack you
And you
Become muck.
Rise and fight
Dear duck
Avoid fork.

Gajanan Mishra
Adjusting All Means

First have a goal
Then try to achieve
The goal through
Money materials and methods
Adjusting all means
And if your goal is good one
Then remember, my dear
Goodness spreads all directions
You have nothing to do
In this connection.

Gajanan Mishra
Administrative Mismanagement

Only for administrative mismanagement
We are here dying, dying of starvation,
Dying of malnutrition, due to
Disturbed food situation.
Here, we find the scarcity,
Scarcity of truth consciousness and
There is no scarcity of anything.
Creatures in general are the proprietor
Of everything, here in this world.
We must know, the living entities
Are the superior energies and
The matter is the inferior energies.
The combination of both make the world
A real one, the heart of love and truth.

Gajanan Mishra
Admit It Or Not

Truth is here
And it is established
You may act as
The promoter of Truth
O my dear, if you
Do not like to act
Then also no matter
Truth is here
As it is without
Any change at any time
And it is not
Yours not mine
Admit it or not.

Gajanan Mishra
Admit The Truth

Admit the truth,
But first, try to
Know the truth.
Know that
You are attributeless,
But you are endowed
With attributes.
You are formless
Or with form
That does not matter.
But you have to Keep
Under control
Your own nature.
Know, you are the truth
And nothing is there
Without you.
You are the light,
No dark can cover you.
You are the purest form
Of love and no
Impurity can touch you.

Gajanan Mishra
Adopt Non-Violence

Adopt non-violence
For your own survival
And live in
Unadulterated peace.

No war can give you
Safety and prosperity
Mind it
you are not
An ordinary and
You are
Not helpless.

O man, be bold
And honor another man
Keeping non-violence
At your hand.

Gajanan Mishra
Adore Me Not

Adore me not
For riches,
But adore me
To attain me.

Gajanan Mishra
Adorn Life

Adorn life in all goodness,
Array life in good order
And see righteousness is
In your favour, my dear.

Gajanan Mishra
Adultery

Being your fragment,
If I am inclined only to you
It is good but when my
inclination to anyone else
besides you is there
I do admit I am in adultery.

Gajanan Mishra
Adultery- Not Good

Not good in anyway,
Not good, as
It is the cause of
Unwanted population,
Flood the human race
At the risk of war
And pestilence.
Not good, as
It is against the basic
Principle for peace,
Prosperity and progress
In life.

Gajanan Mishra
Advance nearer to Truth
Truth is life
Approach Truth directly
And it is good.

Truth is already here
To meet Truth
You should be eager and eager
Within your own atmosphere.

Gajanan Mishra
Advancement

Advancement is possible
Only by mercy
Only with grace.

Never be a hypocrite
And be faithful
And stay in one mess.

Just remember the Truth
And cross the hurdles -mountains
And achieve success.

Gajanan Mishra
Adverse Time

Adverse time is here
Have patience, my dear.
Your knowledge, your wisdom
May desert you at any time here,
Be cautious and go on, three cheers.

Gajanan Mishra
Adversity

I know not
What is adversity.
I know not
What is desirable,
What is undesirable.
I know not pain,
I know not pleasure.
But I am writing poetry
And through this writing
I like to feel you,
Touch you within truth.
I know truth is there
In me and it can only
Come out in silence in words.

Gajanan Mishra
I like the advertisement
And your marketing
And the way you are going.
But see that you belong
To the world and you are
In the world and here
No cheat no deceit
Are in anyway helpful
To anyone.
Be careful, the world is
Like a razor, at any time
That can tear you.
Team-master is there
Watching all and testing the truth.

Gajanan Mishra

Gajanan Mishra
Affect Of English

Affect of English
All over the world
Is deep and deep
English is keeping all
Under its draconian clutch
Even now, the sun is
Not able to go anywhere
Leaving English empire.

My son is telling me
Dad, dad, Mora(My) pen
Hajigala(missed) .
My friend is asking me
O Gaji(my nick name)
Journey kemiti lagila
(How was the journey)
Now, we are not able to
Go fully either with English
Or with Mother tongue.

Whose language we are using
My friend tell me
Where are we
Where are we? ?

Gajanan Mishra
Affinity

Only present
Has got affinity.

Keeping sense of
Ownership is wrong.

Remember, we are passing
Continually from
Present to future
And as you know my dear
Future has no certainty.

Gajanan Mishra
Affinity Renounced

Affinity renounced
And hence no needs
To do anything henceforth.
No question of either or
Stress should be given
To only neither nor.
It is the desire
That plays crucial role
In the entire life-cycle.

Gajanan Mishra
Affinity With Truth

I have an affinity
With truth,
But being identified
With this false world
I failed to know the good
That is in you and
It is all my faults,
But truth is there for all times.

Gajanan Mishra
Affinity With Truth For All Times

I have an affinity
With truth,
But being identified
With this false world
I failed to know the good
That is in you and
It is all my faults,
But truth is there for all times.

Gajanan Mishra
Affirmation
difficult
Light discovered
And the light
Affirm You are here
In multiples colours
To dispose of crisis.

Gajanan Mishra
Affirmation - Established Truth

Affirmation
Affirmation is the established Truth
And only pious can do.

Water
Water is there under the ground
One can find it if he wish.

Fire
Fire is there in the wood
Proper person can extract it when in need.

Gajanan Mishra
Africa, Africa, Africa,
Boiling Africa, Anarchy Africa,
Bleeding Africa, dying Africa.
Let me say again and again
Africa will not die, never,
No death and no one can defeat
Africa at any time for any cause.
Africa was there, Africa is there,
Africa will remain the same there.
Barbarism, lawlessness, militancy
Will go aways on their way,
But Africa will remain the same.
You cannot termed Africa as killing field,
Africa can not be the gateway of
Third Wird war as you termed, my dear.
Africa is the land of peace and harmony.
Know Africa and know yourself, dear.
The women, children all are the fragments
Of nature and part and parcel of nectar.
Africa is the land of innocent creatures.
Africa, Africa, Africa, the land of mankind
The land of our own near and dear,
Let us go together to save the future.

Gajanan Mishra
After A Short Break

Stay there as usual
To taste our new presentation
Evergreen sight of a man's
Hardest emotion
Just after a break.

The sight is changing
At every moment, see,
It was there, the bird,
That went away
With its spouse,
And each one is busy
In searching their own method.

Listen, the false story
Of rustic Radhu
In false doubt of wife-husband,
Their charges to each other
And how they are
Demolishing their golden world
By throwing their love-baggage.

Ignorant man, what more
He should have done
Where he should have gone
And how he should have seen
The sunrise and the
Smile of white tulip,
Stay here for a while
If you want to know
Just after this small break.

Gajanan Mishra
After All

After all I am an animal
Though rational
I am not very much intelligent
My words are not final.

It is very difficult to understand
Anything at any time what is truth
As what I see around is falsehood
And I am not very crude.

By Your divine grace, O my dear
Make me understand what is clear
You are my Father You are my Mother
You are my friend guide and philosopher.

Be compassionate, my Master
I am here, see me at your feet
Make me realize the Truth beat by beat
Let me see You kit and neat.

Gajanan Mishra
After All I Am Gajanan

After all, I am Gajanan,
I am here, with unlimited words,
Unlimited feelings, with
Unlimited expansions, with
Unlimited glories and light.
I am Gajanan, I am fulfilled.

So light the sky, I know,
And I am the sky,
Catch me if you can.
I am purified, if you so like,
You may come and take the benefits.

Read me, hear me,
I am Gajanan, in front of you
With all love and with all truth.

After all, I am yours, absolutely yours.
When I am there with you, be sure,
No problem would come to you at any time,
At any stage of your life.

Take it granted, I am here to protect you
Through my words for you are so innocents.

Gajanan Mishra
After Awakening

After awakening from sleep
I engaged myself in my allotted works
I can not stop acting
While awake
I am acting according to
My diverse desires
And it is trained
In Your transcendental service
I see my life is perfect
I see I am in spiritual sky
And I am enjoying eternal
Awakened life.

Gajanan Mishra
After Death

After death,
Everything is finished,
Said some members.
Some other members said,
After death,
Everything is there to begin.

Both the groups
Know not what
They are telling and
They know not
What life is and
What death is going to
Do at what time
And for whom.

What is left,
After death.
The first and
The crucial question.
Since nothing is visible,
We all dwindled.

Gajanan Mishra
After Departure

After my departure
You may come
And see.
With my respiration
I am firing
Four and sixes.
And I am giving
Direction to play
Again and again.
End is nowhere
And you appeared
To say bye.

Gajanan Mishra
After Finding Me

In every house I dwell
In your sight I dwell
What you can not see
There also I dwell
What you can not perceive
There also I dwell.

I dwell I dwell
At hour heart at your body
At your field at your food
I dwell I dwell
And you can find me
If you desire.

After finding me, you are
Free to decide yourself
What to do what not to do
Where to go where not to go
Remember, O my dear,
I am in your thought
I am in your action.

Gajanan Mishra
After Follows Before

Worry not,
After follows before.

Cold is
Not cold
What you say.

Measure the things
In interplay.

Understood all
In continuous change.

Yourself, you find
The harmony.

Yourself, you adjust
With your own
Intuitive wisdom.

Gajanan Mishra
After Forty

After forty,
A man enjoy
The bonus of
Longevity.

And as such
One should stay
Restraigned
From grudge and
Complains and
Other such
Things.

One should not
Hope anything more
Than what he gets.

Gajanan Mishra
After Hardwork

Anything can be accomplished only after hardworks. Go and see your duty chart.

Gajanan Mishra
After My Death

After my death
What is life
You can know.
After my birth and
After having worldly knowledge,
I know what is fear
And I fear death.

Life is a balance
Between birth and death,
But mind it, my dear,
Life is above birth
And beyond death.
Every moment life
Experience newness.

Gajanan Mishra
After Seeing You

What more do I want
After seeing You
My dear, before me?
I want nothing
And nothing and
Why should I want
After knowing that
You are the Absolute Truth.
I know Your opulence
And Your sweetness, my dear
I know You most auspicious
The Supreme personal feature,

Gajanan Mishra
After The Bell

After the bell
You are not allowed
To stay in.
Your umbrella
Stopped unfold,

Gajanan Mishra
After the truth
Everyone is searching
But everyone is forgetting
Truth is within.

Truth has no time
Truth has all the past
All the present and
All the future.

O my dear, See me
I am the truth here
I see You truth there
Here there only truth and truth.

Cause of every strength is truth
Cause of education and wisdom is also truth
Everything everywhere it is all truth and truth
Truth and success, success and truth interconnected.

If I am here means truth is here
If you are here means truth is here
We are nothing but truth and truth is with us
Truth is the origin of all, see the truth, feel the truth.

Gajanan Mishra
After This

After this
You would get
A big hole.
See, observe,
And enter.
See no one
Is there
Besides you.
Discover some
Light within.
In that light
Find yourself
Where you are
And with whom.

Gajanan Mishra
Again and again
Over and over again
I dream and dream
I know this life is a dream
In dream I compose poem
In poem I write
And write and cross
The boundaries of time
Place people and culture
And religion and ocean
And earth and sky
And become shy
To tell you goodbye.

Gajanan Mishra
Again And Ove Again

Again and over again
I am thrilled with you,
My dear poet.
You are the symbol of
All joy.
You are really wonderful
And thrilling with
So much words with you
That are really lovable
And the truth.
You are showing us the way
To lead a good life that are
Colourful and unique
For everyone here.

Gajanan Mishra
Again Here Is

Again here is love and love and love
Decorated with excellent and valuable clay
Dove-dear-beauty on the earth and under the sky.
Again and again, here and here, love and love.
Is love a medical preparation? or is it a liquor?
Is love meant to improve metabolism for the healthy condition
Of the body of the mind to reach Truth through spiritualism?
Love is a mirror, to see the dearest dear who is within.

Love is a precious gold-pearl necklace with a locket
Love is turmeric mixed with mustard seed oil
complete bathe with auspicious marks
I know love is completely free from all dirt
And the Well-Wisher's reflection in the heart.
Love love love love love love love love love
Love is lotus buds with all auspicious substances
From top to toe forgetting who what how
And I know nothing is impossible in this mystic power-love.

Gajanan Mishra
Again It Rains

Again it rains,
Again I dream,
And again you beat me.

Once, twice, thrice.

Again I discover myself,
Again I lost everything,
And again I got you.

Number is uncountable.

Again the lion came,
Again I smiled
And again I ride the clouds.

No number in life.

Gajanan Mishra
Again Sing

Again sing, please again,
Let me enjoy again.
What is there in your song
Let me ponder, my dear.
I enjoy the nature
And the life's feather
With so many colour.
I express my feeling,
Soon after hearing is over.

Gajanan Mishra
Again Summer

Again
summer came.

Again
The sun
scatters
Everywhere.

Everyone has to
Eat
And dream
The sun.

knowingly or
Unknowingly the sun
Stopped moving.

I see light everywhere.

Gajanan Mishra
Again We Started

Again we started
Our journey,
Again we moved
Forward,
Again we acquired
Knowledge,
Again we love,
Again we have attained
What is called truth
And we crossed
All barriers
And we try to
Join East West
North and South.

Gajanan Mishra
Against Foreign Rule

Let us come together, friends,
To fight against foreign rule.
We are the sovereign authority
Here on this land.
Freedom of speech and expression
All are with us.
No one can keep us in dark
By using the foreign language.
The land belongs to us
And we have every right
To get information in our language.
Come on friends, we shall fight
For justice for everyone.

Gajanan Mishra
Against My Wish

It is fact, I am
A defaulter and I am
A sinner.
It is also a fact
That what I am
It is against my wish.

It is fact, I am
With You and You appear
For me and I am
Proud of You.
I know this pride
Is not the root
Of demoniac nature, my dear
It is my nature, it is my love.

Gajanan Mishra
Against Nature

Can you go
against nature, my dear?
Are you able to see
beyond the scene?

Have you asked
anytime who you are
and what you are
doing here? ?

You are in between
the earth and the sky
The stars are calling you
Fly, fly, fly, fly.

Gajanan Mishra
Against Sky

Nothing to say.

Against the light
Nothing to say.

I am sky
I am light.

I am clean
I am not expressing ego.

I am clean
As clean as You.

You are sky
You are light.

Gajanan Mishra
Against The Law Of Nature

Against the law of nature,  
How can you go?  
Against the laws of the land  
How can you go?  
If you dare to go  
You would face punishment.  
It is but natural,  
Let it go viral.

Gajanan Mishra
Against The Poem

Against the poems,
A judgement is there.
It is there alongwith
So many words; it is only
For the poems
They are not able
To do what they like.
Poems are there
To give light to all.
Poems are there to
Make all rise and cry.
Poems are there
To make the stone fly
And that is intolerable.

Gajanan Mishra
Against The Self-Respect

Against the self-respect
And honour I cannot use
My words, remember, new year.
New year, come on and see,
I am here not for despair.

Gajanan Mishra
Against The Sky

Against the sky nothing to say,
Nothing to say about the life.

All faded the clouds,
Collapsed - all movements.

Lungs, thighs have no role.
The Mahanadi river sleeps tired.

No fancy dress competitions here,
Each is allowed to continue living in rocks.

Gajanan Mishra
Against Us

We are doing everything
That are all against us
We are all unfortunate
What we are doing we know not.

We are disturbed and
We are far away from Truth
That are here with us
It is our bad luck.

Gajanan Mishra
Age Does Not Matter

It is your achievements
For which you are to be honored.

Gajanan Mishra
Age Grows

Age grows,
Night grows.
Night grows,
Tide grows.
And I feel
The pulse rate
High with
Your words hey.

Pride has no place,
Dream occupied all.
Dream has no place,
Reality occupied all.
I live in reality
But with poems in you.

Gajanan Mishra
Age Is A Number

Age is a number
And I love it
I love this body
This is my dress
This dress is my house
I love my house afresh.

Age is a number
You can make addition
You can make deduction
No matter
I love division
I love multiplication.

Age is a number
Do not bother
You are free to
Make calculation
In this house
With your own figure.

Gajanan Mishra
Age No Bar

Age no bar
If you are committed
To social service, come on.
Politics not allowed,
Service is first and foremost,
If you are committed, no problem.
Come on, time is yours
In letter and spirit.

Gajanan Mishra
Age Of Truth

Rightly it is said
Age of truth with
Inherent contamination
The universal measurement.

It is with truthfulness
Mercy and charity and austerity
All bookish but not open
And intact as before.

Ask not about anything more
It is the mighty and it has
Alternative definition with
Aspect of pious life in context.

Gajanan Mishra
Agent

How dare you
To call me
An agent?
Give not any
Perverse statement.
Please cross not
Your limit, my dear,
And hold your tongue.

Gajanan Mishra
Age-Old Fashion

Nothing new,
But see, what is there.
When fall down,
It is fresh.
Status failed,
But it is new.
Newness is but
Age-old fashion.

Gajanan Mishra
Aggregate

Take aggregate of your actions, my dear, and take a note nothing is there to be sad or happy.

It is the boiled paddy That is not there to be a crop-tree. Once you are under the net of love, hate is not there to touch you at any time. If you so like touch me.

Gajanan Mishra
Agitation

Don't get agitated, my dear,
Remember, agitation is here
Only for your ignorance and
Your own hellish nature.
Know the truth and be enlightened,
And stay calm with all.
Your life is yours,
Make it cheerful with love.

Gajanan Mishra
Agrahya Karibaa (Odia)

Emiti bhavare agrahya karibaa
Bhala lage nahin mate.
AAuthare prikhyaa kara
Puni aau thare
KIntu kara nahin alagaa
Janaka thu aaraku.
Samaste swachha, jane mu.

Gajanan Mishra
Agreeable Circumstances

I am happy
In an agreeable circumstances
And what is that
It is known to you.

Agony here as you see
When I am in disagreeable
Circumstances and it is you
Who is here to know me.

I am always
In the process of modification
In life-breath
And not affected by fear and worry.

You deviate
And not firm
As I
And I am happy.

Gajanan Mishra
Agreement

Agreement signed
No party agreed
Nothing executed
No result and
Nothing.

Dull moment ahead
Unfair pull and push
Undercurrent going on
Unique ability shown
Uncalled for opinion
Under the air.

Colour faded
Personnel retired.

For fresh agreement
Initiation started
No body present
Nothing happened and
Nothing.

Gajanan Mishra
Ah Me!

Ah me!
You are telling me!
Ah me!
Always here!
But see
I am so unlucky
I am unable
To hear.

Let me dive
In this river,
River of your words.
Oh poet, you are
Telling me but
I am so careless!

Gajanan Mishra
Ah, at this moment,
I am remembering you,
I am remembering
My love, my truth.

The business of truth is
To create and recreate,
And my love is
Doing this at this moment.

One by one and also
One to one I am searching,
And searching where is
The truth here.

My love, my truth,
My life, my heaven.

Gajanan Mishra
Ah, It Is So Short!

Ah, it is so short!
Yet we are all here
And telling ourselves
So big!
It is all for nothing,
Our going and coming
Our roaring and crying
It is all for nothing.
No use of any big word,
Nothing is there as
Backward or forward.
We are, where we are.
No meaning of close
Or open but not waste.

Gajanan Mishra
Ah, No More Taste

Ah, no more taste
For this world of
Fire and burning.
But I am able to
Know this world-
Your blessings.
I am dying, I am
Dying in this world.

Gajanan Mishra
Ahalyaa

Who is this Ahalyaa
Is she the queen
If it is
Let us search the kingdom.

Is Ahalyaa really a stone
Told by nobody anything
We are not able to search
The sea is a fact.

See the cloud
And the sky where
Ahalyaa is changing size and shape
And we are far away.

Gajanan Mishra
Ahamra Durga (Odia)

Mu ethare achhi,
Ethare, ahamra durgare.

Mu hin ae durgaku
Bushudai paribi
Jadi ichha karibi.

Thare bhusudigale
Prema o bandhuta
kebala rajuti kariba
ebam aama chariaade
Amruta rahiba.

Mu jaha chahunchhi
Mate hasal karibaku dia
ebam eha tuma ichha
upare nirbhara kare.

Gajanan Mishra
Ailing

Ailing
Every one is here ailing.
You are ailing,
I am ailing, and
We are afflicted with
Grief and joy
Fear, love and desolation.

I see mosquito
As a creator, here,
Just discard all doubts
O my dear, and
Enjoy happiness,

Gajanan Mishra
Aim-

Life's aim-
Forget not.
Root-
Try to know.
For good-
Keep memory.
Strength be shown within
The short span of life.

Gajanan Mishra
Aimless Life,

Aimless life,
Aimless give and take,
Aimless to and fro,
Aimless time,
All are aimless
But the living and
The dying.

No more words,
No more life,
No more time,
No more friendship,
But we desire to
Say something about stone,
About the sky
And about the ocean.

We, ourselves,
Go to see the clouds
In open field,
And we see nothing
And nobody.
We give pieces of evidence
On our own presence
In the corridor of truth.

Gajanan Mishra
Air

Passing air I wait
Fear lull over me
I remember spring-game.

I remember how
I kick them out
I remember in the area of
No sun and no moon
How I am enlightened
With my own light.

See passing air
And find the garden of life
Beautiful and fair.

Gajanan Mishra
Air And Fire

Air and fire
Nobody and
Nothing is fair.
You can not say
Anything burning
You can say you like
While my little son is
Driving bike.

Gajanan Mishra
Air And Ice

The poem is there
With words,
I am there
With you.
The sky is there
With clouds,
I am there
With you.
The mountain is there
With snow.
Our watch is
But slow.
Who are we?
It is all air
And ice.

Gajanan Mishra
Air And Love

I am catching the air,
I know love is there.
See me, my eyes and
Ears are open.
And I here giving
Good value of life.
And dear, you are to
Groom yourself for truth.

Gajanan Mishra
Air Bubble

Air bubble
Within,
Endless desires
In life.

No wall
Outside,
No land
Slide.

Left or
Right,
We fight.

No number
And
No light.

Gajanan Mishra
Air Exists

Air exists,
And I call you.
Air exists,
And You call me.

No air
No fire.
No fire
No one is there.

Air is power,
Air is there,
And there is life
With bee-hive.

Gajanan Mishra
Air Failed

Air failed
To hold me
And my words are
Facing troubled in sea.
Who am I and what am I
The star is not able
To say, dear,
True love is here, see.

Gajanan Mishra
Air Is Life

Air is life,
Earth is body,
Fire is desire,
Directions are motion,
Sky is limit,
Stars are doors,
Sun and moon are eyes,
Trees are hairs,
Nectar is there in chest,
And I am here the best.

Gajanan Mishra
Air Is There

Air is there,
You cannot form
Anything.
No solution to
Any problem.
But we are here
To create, my dear,
Conducive atmosphere.

Gajanan Mishra
Air Passes

Air passes
Without restrictions
Creatures travel
In all directions
It is the law of nature.

Let me surpass all
Let me give permission
To move from one place
To another, my dear
I am free by nature.

No danger here or there
No outsider is within
And I search myself out
From the mainstream
And it is full of wonders.

Gajanan Mishra
Air Said

Air said;
Let me go.
And I let it go
And the air
Returned back.

I am not here
To stay always
With you
You are here
With me always.

We both are here
WE talk to each other
And will be here
For ever
Nothing to disturb.

Gajanan Mishra
Air Tree

Air tree,
Not in summer,
But I see
In this winter.

I feel it,
I touch it,
I call it,
Come on dear.

Air tree,
Not exactly,
But light tree,
Under which
You are discovered.

Rumour, rumor,
The words I heard.
All are truth, though.
I come back to fire
But I see nothing there.

All my hope scattered,
And I arrived at the place,
Where I find that tree,
Not of air, not of light
But the tree with all trust.

Gajanan Mishra
Air Wall

Air wall,
We see,
And not
Stone wall.
All near and dear,
And no one is
Sold newspaper.
Empty garbage
Void and burnt,
We discovered.
Magnet, we need
With words
Full of love
We live.

Gajanan Mishra
Air With Water

Air with water
Make life better.
But our story is
Somewhat different
From that mixture.
All but luck
With undefined cloak.
Go and touch
The bed of the river.
Being controlled
By the neighbor.
What to say about
Freedom and sovereignty,
Is there but full empty.

Gajanan Mishra
Air, Do Your Duty

Air, do your duty,
Let not anyone
Go without you.
Water, wet everyone,
Let not anyone go dry.
Light, stay everywhere
Let every creature
See what are there
Around them.
Sky, stay there
Where you are
Covering all with love.
I am at this time, with truth,
On this earth, remember.

Gajanan Mishra
Air, The Air Never Dies

Air, the air never dies.
Never cease to function,
Never fade away,
Never go out.
Never say die, dear men.
See the air within you,
Know the air,
Recognize the power,
And live straight as a die.
Live with love,
Live with the truth.
The air is there to take you
The place your dues.
Have patience in the queue.

Gajanan Mishra
Air-Agent

Air-agent is everywhere.
In all auspicious opportunities
Generating center is a must
for all performances.

No needs of anything else
Air-agent is present
in the surface and in the body.
Almost always here there everywhere.

Gajanan Mishra
Air-Flower

Air-flower,
I see there in
The star.
The star,
I call there
Fire, fire.

No fire,
No air,
No star,
But there
one can watch
Love-pair.

Is there any word more?
Are you not tired to the core?

Gajanan Mishra
Airlift

More broad strokes,
More light,
More sound
Than darkness,
Than life.
Touched by
Humanitarian hearts.

No army no forces,
Can invade,
No people
can be shot at.
No house,
No street
Can be looted.

Gajanan Mishra
Airplane

The body is a airplane
And it is really wonderful.
While ascending
While descending
Don't get afraid.

Have a knowledge
Of this airplane, my dear
Nothing to fear.
Mind it, you are
Flying in outer space
And also in inner space.

This body-plane is yours
And here everything is available
Every comforts of life
Here you find everything unlimited
That depend on how you use
And what you use how much.

Gajanan Mishra
Airways

Two ways
Upper and lower.

Voice box is there
At the top.

Words and poems
In its natural form
With the mob.

When air passes
With words
It is amazing.

Poet is a musician
Of life
with all pleasure
And muster.

Two ways
Upper and lower.

In this airways
Human instincts
Is to go upper
And upper to
Make life better
And better.

In either ways
Poet is the
Lighter and
The craftmaster.

Gajanan Mishra
Airy Way

Let me cut
Airy way.
And let me allow
To go with the peacock.
Let me go
To call the lion.
Let me hear
Full description.
Let me know
About the vacuum.
Let me spread
The perfume.
I am with you
The demand of time.

Gajanan Mishra

Gajanan Mishra
Alas, All Condemnation Upon Me!

Alas, all condemnation upon me!
I acted so sinfully,
I degraded my mother,
My mother language,
My motherland.

Gajanan Mishra
Alas, Here We See

Alas, here we see and hear
One living being
Is food for another.
In the struggle for existence
A systematic law of subsistence
No escape no escape, my dear.
No one is strong enough here
To protect himself from
The onslaught of a stronger.

Gajanan Mishra
Alas, I Care Not

Alas, I care not
Anybody and
I care not anything.
I am interested only
In my career,
In my work and
In my writing.

Alas, I have forgotten
I am not alone,
I have forgotten we are
All together.
I have forgotten
I have a responsibility
Towards all.

Gajanan Mishra
Alas, I find
No one good.
And I find
All are in the dark.

But I condemn no one,
I know no one is
Under his own control.

Nothing to enjoy,
I find here.
And I condemn myself
As I am dancing
Like a monkey
In the hands of
My wife.

Gajanan Mishra
Alas, We Are Counting

Alas, we are counting
Our good and bad
At this moment when
Life is not at our hands.
We taste life and we
Understand what is there.
Alas, we know not who
We are and where are we going.

Gajanan Mishra
You are right, Albert Einstein when you said 'the world is a dangerous place'.
I do agree with you not because people are evil but evil are there in saints and we are parts of that evil directly or indirectly.

Gajanan Mishra
Alertness Required

Alertness required
To save the self, dear.
We are to stay good
And continue our efforts
To do good for all
At every situation.

Gajanan Mishra
Alive

Reading this fresh poem
This new poem this alive poem
I wanted to show you
The clear road, young men!

Where to go is not
My question
I am just
Making a gap and
Telling you to
Go with the scriptures.

I'm talking to you
I'm writing for you
And I am to remind you
Afresh you are alive.

Gajanan Mishra
All - A Mystery

All - a mystery
Here there
And everywhere,
We are all
The creations of
Such mystery.
Who knows
Who is his creator
Go on reading
Opening the chapter.
Ask not what is
Written therein
Forget to know or
Understand any thing.
But take a consolation
You are the truth
What is on the sight
Is also the truth
You are going from the sight
This is the Supreme Truth.

You just talk to me
In my languages
And understand my problem
All I want is
Please stay with me
In my position
And do the needful in time.

Gajanan Mishra
All A Lies

All a lies,
This eating,
That drinking,
This play, that movie,
This talk, that book,
All a lies, all.

Still, I want to live here,
Strange!
And in the mud,
The lilies blossom.

The mind and the body
All in sadness. Strange!
In spite of the songs,
The dance and all freeness.

Gajanan Mishra
All About Language

It is all
About language.
It is all.
They are there
To speak.
And we are here
To listen.

It is all
About language.
It is all.
They speak
About themselves
And we the fools
Are busy in listening.

Gajanan Mishra
All About Love

All about love,
All about change,
All about truth.
With you, my dear
Anything I can do.
I know I see you
Within me and
It is life's truth.

Gajanan Mishra
All About Real Things

I am going to say
All about real things.
But you are asking me
Their meanings.
I pray, - see, read and
Understand the things
As they are and
Do the needful if you can.
I am not like any other
Animals, or birds or insects,
But I am a man who is
Helpless in all respects.
I am searching peace,
In trouble, though since long.

Gajanan Mishra
All About Travel

All about travel,
Within and
Outside the self.

Let me welcome you bird,
Since you are there
From the very beginning.

I wander in the forest,
But I embrace you.

I know the truth.

Matter not,
Lower or
Upper.

But I am there
With the star.

Gajanan Mishra
All About You

Let me say
All about you;

You are
Jealous,
Mad,
Worried,
Curious,
Angry,
Hurt,
Sad.

It is all
Because,
You are
In love.

Gajanan Mishra
All Actions Performed

All actions performed
Not for one's own self
Is honesty. Even
If a desire is there
For only one's own self
It is dishonesty.
The desire is the cause
Of bondage, my dear.
And be ready to suffer.
Non-fulfillment of desire
Is also causes suffering.
Proper knowledge on
Honesty, dishonesty, desire
Should be there in you, men.

Gajanan Mishra
All Activities

All activities are
Performed by You only
And I regard Your
Discriminating Power.

No action is mine
No fruit is mine
I know and I
Realized You.

Attachment aversion
Joy and sorrow, good or bad
All are Yours
I know I know.

Gajanan Mishra
All Agog

All agog
And it is
Dangerous.

How can we
Go together?
And where
To go?

The chapter is
Opened,
One can see
If he wants to.

No sweat no dream
One should know
While entering.

And let me say
Nothing new
In the fire
Or in the air.

Nothing to
Inherit
That also
One should
Know.

One should
Know
I am above
Light and
Also above
The dark.

Gajanan Mishra
All Alike

No virtue no vice
All virtues all vices
All are alike
Only a poet can
Remains untouched
By virtues and sins
And live like sky.

Gajanan Mishra
All And All

One is going
Another is coming,
One is eating
Another is drinking,
One is seeing
Another is hearing,
One is telling
Another is hearing.

Those who are acting
Those who are writing
All and all are one.
It is only that
In oneness material evidences
Are available, and to know, I am incapable.

Gajanan Mishra
All And You

I know You are all
And all is You.

No beginning no end,
Preface not necessary
As they said.

No singular no plural,
Now and then is one.

It is only the loving matter,
O my dear, and You are near,
That described by the scriptures.

Gajanan Mishra
All Animals

We are all animals
And being animals
We are one and the same
We have same emotions
Same feeling same thinking
Same expression and behaviors.

We are all animals
You can not categorize
As rustic or pedantic
And we are elastic
And we are in our feet
And are in peace and in happy.

We are animals but rational
We know lotus and crocodile
And we know both are in water
We know sandal wood and jungle
We know the snake and the scent
And we are happy like saint.

Gajanan Mishra
All Are Allowed

All are allowed to assemble here
This is that place where there is sun-lighter
This is that place where they enjoy life together.

All are allowed to assemble here
This is that place where there is beauty of nature
This is that place where there is sense of humor.

All are allowed to assemble here
And for this, morning evening day night all are here
O my dear, see here, each and everybody is a beautiful creature.

Gajanan Mishra
All Are Allowed To Approach

All are allowed
To approach
The Supreme destination.

Lower or higher
No distinction
No differentiation.

All are here
In this platform
And are free from contamination.

All are allowed
As all are in devotion
All are equal daughters and sons.

Gajanan Mishra
All Are Apparently Good

All are apparently good
All are sons of this soil
This earth and made from
Same light water air.

All are apparently good
All are enjoying this world
In their own ways and
Giving confirmation of existence.

All are apparently good
All have a sense of responsibility
For the welfare of others
And it is all their greatness.

I salute all from here
All are one and the same whatsoever.

Gajanan Mishra
All Are Awaiting Your Death, My Dear

All can avenge the injuries you have inflicted upon them, see

Gajanan Mishra
All Are Blind

All are blind,
All are lame.

But it is very difficult
To combine a blind
And a lame.

All are here,
Within the city of
Nine gates.
But no one knows
The use of the gates,
In a proper way.

All three are here
And they are wandering-
The blind, the lame and the mute.

Gajanan Mishra
All are created by the Supreme Almighty
The rivers the oceans the hills the mountains
The forests the drugs and even the ants and all creatures
Including men and their behaviors
All are here for the service of the Almighty
Almighty is everywhere in everything in every creature
Democracy means a government for all by all of all and
Not only for the people of the people and by the people
All have equal right to life to live anywhere they like
Love all respect all let them provide scope to grow
According to natural law and due process
This should be the duty and responsibility of modern
Government and intelligent and wise men
This is the right ideology and godly communism.

Gajanan Mishra
All Are Dead

Give a call,
But find
No answer.
Do you think
All are dead?
Do anything,
See no reaction,
But think not
All are dead.
Think not yourself,
Great in some way,
And get ready,
To welcome the hell
Here at any time.

Gajanan Mishra
All Are Dead—Common With All

All are dead,
And I am searching
A new definition
Of death, and I hope
I can rediscover
Within all.

No joke, fairy, though,
And I am on the line of
Eternity.

In this sphere,
I command only
One measure.

Common with all,
Life's call.

Gajanan Mishra
All Are Disturbed By

All are disturbed by
Mental agonies, diseases,
Excessive heat and cold.
All are disturbed here
At this time and live
With the enemies all around.
Competition is acute
Between individual and individual,
Between state and state.
The defects of modern civilization
Are so many, no happiness
For common people anywhere,
The entire world is in turmoil,
No peace, no brotherhood, no truth.

Gajanan Mishra
All Are Evolved From The Poet

You can't find a poet
Anywhere, at any time,
And all are evolved from the poet.

Poet is all in all- the cause and the effect,
Effect is the manifestation of the cause,
Poem is the poet and poem is his nature.

All are evolved from the poet.

Poet is all and all are in poet,
Know the poet in Truth and in love,
All are evolved from the poet.

All are evolved from the poet
All are in the poet
But poet is not in all.

Gajanan Mishra
All Are Fleeting

All are fleeting,
All are fleeting.

The pleasure the pain,
The honor the dishonor.

All are fleeting,
All are fleeting.

I am getting nothing,
I needed nothing.

All are fleeting,
All are fleeting.

Nothing is mine,
Actions and fruit of actions,
Nothing is mine,
Nobody is here for reckoning.

Gajanan Mishra
All Are Friends

All are friends,
All are relatives,
In some way or others
They are all kith and kin.
But everyone is passing away
From us and we are to bear
The separation that is
But a must.
In some way or other,
We are also passing away
From others and they are
There to tolerate us.
All are one and the same,
But the difference is
There in our mentality
And in the process of
Our thoughts.
We are to take everyone
Into confidence saying
We are here, worry not,
For all days to come.

Gajanan Mishra
All Are Good

All are good
All are virtuous,
No one in this world
Is bad or vicious.

We are here only
To see the goodness
That are there in all
And from there, hear my call.

Gajanan Mishra
All Are Good And Well-Decorated

All are good and well-decorated,
I am with all and I am fortunate
To stay with them at all times.
No death can conquer me that I know
And I am here with all and I know
I have to continue my journey
Towards truth and that is to be
Counted by you and listen my dear, I have
To stay with all beauty charm and adventure.

Gajanan Mishra
All are good here,
All indicate supreme truth.
All are you, my dear and
Since you are here,
I fear not anyone, in any manner.
You are the only performer
We are all spectators
At each and every chapter.

Gajanan Mishra
All Are Here

All are here
Look, the bird, the sky
The water, the mountain
The air, the earth
The lion, the man
You can not say
Who is more powerful.

I called the snake
For a test and
The snake went away
I called a star
To inquire the reasons
And the star said something
That my ears failed to hear.

I rolled back
And in the middle stayed
For some times in good faith
My faith won and declared
self servant of all
That I wanted from the beginning
And that starts my carrier.

Gajanan Mishra
All Are Here - New World Order

All are here,
The flowers, the trees,
The sun, the stars,
The river, the air
And many others.
They are all here
To sing, to dance, to walk,
To observe, to teach
And for so many purposes.

They are all here
And for them we are
Enjoying life,
And for them this world
Is so beautiful.
Each and everyone
Is in love and in truth.

No elimination, no fear,
Life is nor bored here.
Each one is for another,
They love each other
In the light of their own self,
In the air and in the water,
They are all making stories
With their magical powers
And they are helping the world
To become much more powerful
Beyond our thoughts.
Let me thanks God,
For He has sent me here
For a new world order.

Gajanan Mishra
All Are Here, See

All emanate from You
And You with all
All means all
Earth water fire
Air and ether
All are here
O my dear, see me
I am a mere guest
Without any cover
At Your door
With full faith
And good behavior
See me here.

Gajanan Mishra
All Are Leaving

All are leaving
One by one,
All are to leave,
At any time.

I am here to see,
I am here to learn,
But I failed to earn.

Nothing to earn,
I know well,
Yet, I am running
For nothing.

Mystery, history,
All I know and
I am not in my meadow.

Gajanan Mishra
All Are Mine

All are mine,
Everything is
required by me,
and everything is
to be done for me.
I am for all,
I am required by all,
and I have to do
everything for all.

Gajanan Mishra
Stay fresh,
Stay fresh with
All newness.
New food,
New dress,
New friend,
New time.
New, new, new,
All new,
On this day of
Nabarnna with all.
New air, new water,
With new sun.
New love,
And love is
Always new.
Truth is always
New everywhere.
Live life with
All newness, dear.
Utter the words clear,
Attract all creatures.
All are here,
All wonder.

Gajanan Mishra

All are one
One and all.

Gajanan Mishra
All Are Sinless Here

All are sinless here

That is not yours what you acquired.

Be wise and see
The condition of busy bees.

Secrets are disclosed
You are in the net no fault of yours.

It is your splendor power and influence
All are pure and equal says my common sense.

Know the reality of the world
Renounce the assumed affinity for the world.

Perceiving self is great poems
By reading poems emancipate them.

Love is at the Supreme spot
Tell all you know everything evil not.

Gajanan Mishra
All Are Strangers

See all
At every moment
As strangers.

All are lamps
And giving their lights
At every moment.

At every moment
See all
As one.

Gajanan Mishra
All are there
To judge me.
I pray
Permit me
To forget all
And be myself.

Gajanan Mishra
All Are Truth

All are truth,
Here find,
No falsehood.

A life
Full of freedom-

A life
Full of love
And truthful-
Nowhere
To be found.

True, all are
Just illusion.

Gajanan Mishra
All are useful, my dear,
But keep them within
Proper limits.

Within limit,
Unlimited is only Almighty.

Gajanan Mishra

If disturbances are there,
Still then say not hell.

In order
As per your thought
As per your sweat will.

Gajanan Mishra
All Are Yours-God

All are yours
The lights and
The dark.
What is mine
And where shall
I live?
All are yours
Including myself.

All Around

1

You are with me
And there are goodness
Victory and glory
all around.

2

I rejoice again
and again and again
at your presence
and for sacred and
mystic conversation.
The most wanderful
Forms I have
ever seen.

3

I have seen in you
what is out of sight
I have heard of you
what is out of hearing
I have grasped
what is out of grasping
It is only due to
my poem my emotion
Without which there
is vacuum.

4

I have seen the battle
battle with myself
battle with my kith and kins
battle with past Present
and future and got nothing
and lost everything.
This battle is between mine and yours.
This battle is between ignorance and knowledge and a troublesome voyage.

5

Mighty most talented heros warrior chief all present.
Fight is unavoidable.
Tacitly or expressly
You have to play your role to declare result.
Who am I?

6

Vanishing everything so also I.
I a vassal
and not in a position to keep all me dream here in this field.
Though appear
I am not able to answer in the exam.
Night begin night end
Day present that I never want.

7

To commit mistake is but common
To realise and not to commit further is important.
Suffice to say
One has to face and lose many a thing
though not his.

Entire family entire clan
entire nation become
entangled with this battle.
What to say
Nothing is personal
Belief not hearsay.

Gajanan Mishra
All Around Butchers

In true and pleasing words
Let me start with
All love and life.
Let me honor you, dear,
You are taking my care,
I am just like a sheep
And all around me,
The butchers.

Gajanan Mishra
All Around I Find

All around I find,
The time favorable.
All are wonderful.
All directions,
I find auspicious
And peaceful.
Roads, rivers, mountains,
Town, cities, villages,
Neat and clean.
Birds are chanting
In sweet voices.
Trees and plants-
Pleasing to see.
Life is really touchy,
And full of fragrance.
I am here undisturbed,
Cal, quiet and steady.
I am free and fearless.
I know nothing of loss
But everything to gain
Through experiences.
Good time is coming
For all. And the sky
Is smiling at us.

Gajanan Mishra
All Around Me

All around me,
I see you.
You are there
All around me.

And I hear.

Only auspicious path.

Gajanan Mishra
All Auspicious - Death

All auspicious,
But for what,
Is it not for death.

Ornamental and
Decorated, all
For death.

Let me know
My family members
My immediate friends.

Let me proceed
In the parade
That death leads.

All for good fortune,
All for the truth.

Gajanan Mishra

Gajanan Mishra
All Blissful

No reason to lament
For anything.
We are no way
Related to anything,
We are with
Everything, though.

Complete protection
Has been provided,
And it is true,
We are for all good.

It is also true,
We have nothing to do,
Everything is being done
In due time and all blissful.

Gajanan Mishra
All But False Ego

All but false ego
False ego is the cause of
Material creation
It is false to say
You are enjoyer
Sky is at the root of all.

Sound is the subtle form of sky
The sky is transformed
Air is generated
The air is transformed
Fire is generated
The fire is transformed
Water with juice and taste manifested
Water is transformed
Earth appeared
And formed life and false ego.

The sky is Your will
My dear, I know
The controller of everything
All come in to existence
one by one in the process
And it is Your Supreme will.

Gajanan Mishra
All But Nothing

It is all
But nothing.

Hip hip hurrah.

Gajanan Mishra
All But One

All but one and single
The earth and the sky,
Space and the universe,

Everything to build life
In a new form, we love.

Gajanan Mishra
All By Myself

All by myself,
I can never be happy
That I know my dear.

I am not alone
At any time anywhere,
You are all, I know,
And all are here with me.

You are the expert
Of love and fine arts
I know nothing
What is what.

I am in dark and You are the light, my dear,
Please stay and make me fit by
showing ability to cope with stress.

Gajanan Mishra
All Caused By Myself

All caused by myself
I know, my life my death
My destination in next life
All caused by myself
Through my own activity
I am only responsible
For my happiness and
For my distress
And I am experiencing
The reactions to my
Own past works
And I realized it is
Not good to do harm to others
I know it is not easy to perceive.

Gajanan Mishra
All Childhood

Who told you
You are grown up,
You are in your childhood
That I know.

You know not the colours,
You know not the earth
The air and the water,

And what to hear.

All you know -
To put others in trouble,
To express curiosity,
To go with horror stories,
And to show yourself as a celebrity.

Gajanan Mishra
All Civilized

We all are civilized
Nothing to say more.
We all know our lines

We have detailed information
About ourselves and we
Do not bothers in any matter
Nothing to say more.

Gajanan Mishra
All Clouds

What about you,
That I want to know.

Not night but

At noise, they are
To give you silence.

In sunrise
In sunset
I am offset
On life-parapet
Being alone
With all casket.

Gajanan Mishra
All Come Here

Debtor and creditor,
All come here
And say how
You are dependent
On each other.

What you give
And what you take,
Please appear,
And adduce evidence
In the way that is proper.

What is yours
That you give,
What is not yours
That you take.
Where and how
All should be explained
In proper manners.

Come on and submit
Who you are, my dear.
I am here to
Make you understand
The matters in details
For the works
That are to be done.

Gajanan Mishra

And just for a moment-
Above bondage and liberation.

Gajanan Mishra
All Contaminated

All contaminated,  
All, here.  
Foolish we are,  
That not ready to  
Accept so far.  
Not that, we know not  
The merits and  
The demerits, still,  
We are ignorant  
How to use them.  
We are faulty and  
Busy in faulty actions.  
Opening and closing,  
They themselves are faulty.

Gajanan Mishra
All Contradictions

All contradictions are
Here in this life and
We are not sufficiently
Informed about the happenings
Of the things that are going on.

Still, we say we are happy
With everything wanting, and
Everything that is available
At hands.

Fortunately or unfortunately
So many ways and means are
Being available with us and
We are neither in happiness
Not in peace in this life.

Life's way is clear,
Year after year.

Gajanan Mishra
All Day Long

If you find me
you find everything.

All daylong I am here
to put question
nobody is there to
verify the jungle
no body is there
to purchase.

Time indicate
whose fault
and slept.
I understand
it is terror
and you wander.

Gajanan Mishra
All Dead

The shining time, colorful leaves
Scented flowers, tasty fruits

We are all in between
The snow and the grass.

How long we are here
That is the question
We have to answer, we
Know not though, what we are.

We are stars within the star,
And what for we are
We don't care.
And we know not the snow
And the grass that is there
For our own welfare.

Gajanan Mishra
All Happiness

All happiness,
All auspicious.
All energies,
All progress.

Know the truth in full,
Know the life in details.
Know the devotional attitude,
Know self-surrender and love.

But over and above
Life is secured in truth
And also in love.

When universal love is there
With you, you have perfect knowledge
And you have reached absolute truth.

Gajanan Mishra
All holy and
No sin,
This body,
This mind.
Be kind and
Use all
For all good
For the truth.

Gajanan Mishra
All Horror

It is all horror and really shame,
killer, burning, and victims are all women.
What is happening that I cannot describe,
Come and witness yourself, search not the meaning.

Gajanan Mishra
All I Can Say

I am strong very strong
I am powerful most powerful
My words are clear and distinct
My words are transparent
I am to the pie honest.

I can not say anything
On rating cut
I know doctor differs.
All I can say
Nobody is there to beat
All know I have
No intention to cheat.

Gajanan Mishra
All I Know

This is all I know
Ask not how
Anything more
And I know
The sky and the light
And the air and the water
And the earth now
And you may call me
In any name you know
And here I am in flow
Ask not how.

Gajanan Mishra
All I Know - Ask Not How

This is all I know

And the air and the water
And the earth now
And you may call me
In any name you know
And here I am in flow
Ask not how.

Gajanan Mishra
All I Want

All I want
Is your presence
And you are
Not an absentee
That I know.

But I need you
See you
Hug you
Kiss you.

It's really good
That you are here.
It's really fair
When you show your braveness
By telling this in open.

Gajanan Mishra
All Illusion

All illusion
This darkness
That ignorance
This attainment
That statement.

All illusion
Let us give it sanctioned.

Gajanan Mishra
All Illusions

All are illusions
What I perceive
In this material universe
Through my mind
Through my eyes
My ears my speech
And I know
All are temporary
All are dreams
All are like dreams
All are mental creations
O my dear, if you can
See who is within all
How He is there
And what for all are
There within Him
Be clear my dear
This is your illusory
Platform of existence.

Gajanan Mishra
All In Air

In air,
All in the air.
The earth, the water,
The love, the life,
The body, the fire,
All in the air.
What to tell
About the sky?
It is all on the earth.

Here and there,
All fair, all stars.
The temple, the mosque,
The church, the gold,
The gods, the name,
The fame and all,
All in the fire
And we stare.

And for all,
We play in shadows,
And for all,
We walk, we dance,
We care, not
The nightfall.
We know our world
Is something beyond
Our knowledge,
We know we are there
With our pencil and pen.

In words
We are to keep them all
In safety.
All words are
The play-game of
The air.
Gajanan Mishra
All In All

My dear
Really you are
All in all
I do admit
Your role
In every matter
I do admit your
Infinite prowess
And might

Your presence
In each and every atom
In and out of the universe
O my dear bestow your
Love upon me
I do obeisance to you
And I see you everywhere
And in everything
You are my king
And without you
I am nothing nothing.

Gajanan Mishra
All In All - Spiritual

We accepted
The perverted form
As all in all
And we suffer.

We gave no
Importance to
The original fact,
And we face trouble.

We have forgotten
The truth and
We considered it
Impersonal.

Reality be experienced
Here in this world.

Gajanan Mishra

Anything can be sacrificed then only.

Gajanan Mishra
All In Mind Bad And Good

All in mind bad and good,
All in the wind and nothing truth.

All but dissatisfaction in knowledge connection.

Try and enjoy life after life,
The truth of life is nothing but nectar hive.
Nothing ordinary but important everything,
Important is blowing wind and art of living.

Fear the agitated mind and pleasing materially,
Entangle not with the mix actually and artificially.
Understand the things in an eternal spirit,
Divide not yourself for a great write.

And I know the relation
That is there with me and for this
I am here to re-establish at every moment.

Gajanan Mishra

Gajanan Mishra
All In The Mirror

All in the mirror,
It is all clear.
So many eyes,
So many identities,
So many ways,
So many know hows,
Still, see no change
In any face
At any time anywhere.
And we are to see
The light
At the very dark side.
We are to recognize
The truth therein,
Without dismantling
The mirror before us.

Gajanan Mishra
All In The Name

All in the name,
Please come under the name.
No name,

The gem in the poem
Who is in the center
And is in every corner
And telling all, dear readers,
Be attentive, and see with love,
Truth is there at hand.

Gajanan Mishra
All In, And All Out

All in, and all out,
All passers-by.

All single out,
With all letters.

Dark is a thought,
Light is a time.

And in all time,
We are think
Something.

Nothing false -
A fact.

And we watch
The design
Of houses.

Gajanan Mishra
All inside,
Nothing and
No one is outside.
All said by
Plum headed parakeet.

All flying
The sunflowers and
The butterflies.
All said beautifully
By the gentle breeze.

All passed
In rain and
In summer, but
Nothing to bother.

All are suffering
Here and there
On earth and in stars.
All are going,
All are watching
That are happenings.

Nothing to worry,
All are leaving.
But sorry to say
No one has any
Record of right,
All are outsiders.

It is just turning
Life's next chapter.

Gajanan Mishra
All Is You

Thoughts freely frankly.
They only put questions and
cautioned to answer either yes or no.

Gajanan Mishra
All Kinds Of Blessings

You are giving me
All kinds of blessings
O my dear, But I do agree
I have no devotion
And without devotion means
I know it is dishes
Without salt, dear.

And I realized You
It is true, I realized You,
Let me say again, no one is
So dear to me, as You.

But you are there
Nothing to deny.

You seek only our presence.
And what you granted
All that are here.

Let me go to adore you,
I know since you are there
No one can devour me.

Only with your blessing
I can know who am I.

Gajanan Mishra
All Matters

All matters
With their softness and hardness
With their heaviness and lightness
With their warmness and coldness all
Are here that I like and
Also dislike and I am
Disinterested with them
As I know sense of perception
Is also not permanent.

All the airs blowing within
And also blowing outside
Are interdependent and
They are the source of knowledge
O my dear and each and every knowledge
Is subordinate to You
Knowledge about You can be expanded
To the knowledge of phenomena
I know You are nourishment of Your own.

Gajanan Mishra
All Meaningless

All meaningless,
All beginningless,
All endless.
The knowledge,
The ignorance.
All are there

No one else
But I.

Gajanan Mishra
All Mystery

This bird this air
This earth this creature

You are only shining
Lamp of wisdom
Your bondage
You can only make
Me free from this bondage.

I am here before You
O my dear, see
You are in Your
Universal form
My mind my body my soul
All mystery all Yours.

Gajanan Mishra
All Names

All names,
I have forgotten,
No name,
I have remembered.
Excuse me,
But I think,
What is there in a name.
I want to live here nameless,
I want to wander homeless,
I want to see sightless,
I want to hear soundless, wordless.
But what I want,
That may not be there,
Declared, that little star.

Gajanan Mishra
All Need

All need
Food, water
Air and fair,
All need care.
All creatures
Are ours.

We are here
For all.
We, together
Belong to
This world.

This world is
Our home,
We are foams.

Gajanan Mishra
All News

All news
Living dying.
All clues
Are with us

Flying.

All papers
Are opened,
Look into them
And say
What you like.
And, indeed,
We are for us.

Gajanan Mishra
All Non-Sense

All non-sense,

We, the Muslims,
We, the Khalsa,
We, the chamar,
We, the pandits,
We, the catholics,
We, the brahmins,
We, the Buddhists,
Jains, Nagas, Gond,
And, and, and so many.
We are under the same one sky,
using same air and water
and light here along with
birds, animals, insects
and facing same troubles,
birth and death.

Gajanan Mishra
All Or Any Purposes

All or any purposes,
Let me use my language,
I am permitted by law,
Law of this land.

On this land
Use not other languages,
That go against the law
And the people in general.

Being in public service,
Respect the public
In all respects.
Execute not any work
That are anti-people
Who so ever you may be.

Gajanan Mishra
All Or Nothing

Give me all,
All and full,
Make me sovereign
With all freeness.

With me.
I know
I am valued
By you.
I am focussed
I understood.

Gajanan Mishra

One another, dear.

Gajanan Mishra

Madness is there in everybody,
Still, I make friends with all.

Gajanan Mishra
All Pervading-Love

Who is
And who is not
All pervading?

What is its meaning?

Let is untie ourselves
And see.

We are all here
To smile and to
Give fragrance.

Wonder is that
We are here at present.
But more wonder is
We are still here
In our absence.

Gajanan Mishra
All pious all sacred,
All auspicious,
But we are to
Stay cautious
With being
Truth conscious.

They are all but for others.
We come and we enjoy,
Life is not but full of joy.

Gajanan Mishra
All Powerful

A misconception,
All powerful.
One can do nothing
Without the help of another.
No one is self-made.
No one is God,
But God is a relative term.
It differs from one
To another.
Worry not, go on
In your work
In a normal course
And see and experience
The magic of the world.

Let us begin the fight
With the night.

With their own
Internal potency.

Gajanan Mishra
All Shattered

All shattered,
Nothing left.
No benefit
But all destructions.
Achievement - nil,
Law violated
For personal gain.
No meaning though,
In life.

Gajanan Mishra
All Sides

Everything you are
O unbounded power
Master of limitless might
Obeisances to you
From front from behind
And from all sides.

Gajanan Mishra
All Smile-Life

Yet the world is
Here as it was
Before me.
I appeared and
Declared the world,
Mine, all smile.
I am wordless now
And I hear sounds,
Sounds of the sky
And the sun
And the moon.
I called all stars,
But they listen not.
Each one is
Calling himself master,
And in the shadow
I kiss not any one
But myself.
They are all
Thirsty I know.
At my appearance
They sidelined themselves.

Gajanan Mishra
All Sorts Of Calamities

All sorts of calamities
Are here with us.
But we need no help,
Or protect us,
We want to fight ourselves.

We know, our death is ours,
So also our life.
We want nothing to remember,
We know the value here.

More or less we are here
And we are careful.
We know meaning has nothing
To do with us here
Or there or anywhere.

With all love given.

Stand on your toes,
Dear, and in
Tininess, see everything
Filled with something larger.

Gajanan Mishra
All Talk

All talk nonsense,
It is I,
It is mine.
Not clear,
The position of time.
Nothing false,
Nothing true,
Yet they play supreme.
We say
What we value,
And it is all truth.
But our intuition
Or nature is there
To give us cream.

Gajanan Mishra
All That I Do

All that I do,
Are they truth!
But I offer you
And I hear
Your utterances
I know I know.
And you said
All successful.

Gajanan Mishra
All That I Have

All that
All that I have
Is Yours, my dear.
My sons, my wife
And I myself
Are Your servants.
Be ever gracious
O my dear, and
Bless us by Your sight.

Gajanan Mishra
All That Stays

All that stays
With me
Is poem,
All that I
Realized is
The poem.

I started
Writing poems,
I started
Speaking the truth,
I started
Loving You.

You are here
In me that I know.

Gajanan Mishra
All That Stays With Me

All that stays
With me
Is poem,
All that I
Realized is
The poem.

I started
Writing poems,
I started
Speaking the truth,
I started
Loving You.

You are here
In me that I know.

Gajanan Mishra
All The Beauty

We have
All the beauty
Around us.

Colourful flowers,
Trees, birds, animals
Stars, all are there.

We ourselves
Are the wonders.

Let us make
Friendship with
Nature.

Our life itself
Is the greatest
Fairy tale.

Gajanan Mishra
All The Best

All the best I told you
At this morning and
Wish you a happy journey.
Journey towards truth,
Journey on the path of love.
I know no night and no day
Can make you anywhere stopped.
I am speaking about only love.

Gajanan Mishra
All The Drama

All the drama I have seen
Here in the air.
All the words I have heard
Here on this earth.
I believe all here
Under this sky.
I ignite all to come forward
For your own mother.

Gajanan Mishra
All The Metre

Poetic rhythm, poetic metre
Life's metre, Gayatri mother
Most important of all the metres
You are my Gayatri mother.

I am a striver
I am chanting you,
O my Gayatri mother
To get my almighty father.

O my Gayatri mother
You are my creator
You are my destroyer
You are my maintainer.

Gajanan Mishra
All The Questions

All the questions
Where is my home
Where am I going
What the purpose
Have something
In them that I
Should know from
The very beginning
So long as You are
Watching me in
Broad day light
And I should
Understand the cause
And effect of
The meeting
Thinking I am here
You stayed to give
A touch - living.

Gajanan Mishra
All The Same

All the same
the earth, the stone,
the flowers, the birds,
the animals, and you my dear.

I am confusing here
without getting ant confirmation
on life and death at this hour
though I know you are here and ours.

Gajanan Mishra
All The Things Are One

All the things are one
And the same and
All are transient.

Gajanan Mishra
All The Time

The song of my life
Is my mother,
But I am
Not able to sing.

The poem of my life
Is the nature,
But I am
Not able to write.

The poem of my love
Is the water,
But I am
Not able to give others.

The poem of my love
Is the sky,
But I am
Not able to fly.

The poem of my truth
Is the earth,
But I am
Not able to live in.

The poem of my truth
Is the light
But I am
Not able to focus.

And I am living
All the time
With rubbish,
With bogus.

Gajanan Mishra
All Thine

All thine,
Nothing is mine.
I love all
For I get your love.
I know
Nothing is wrong.
I know
Each one is head-strong.
I know
My real home
Is in truth.
I know
I am the truth,
And I am always in good.

Gajanan Mishra
All Through The Day

All through the day,
Come and stay.

Come and stay
And whatever you
Think, please say.

Please say,
We all are here
To obey.

Life has
Nothing to pay.

Dear guy, with birds fly,
If you have strength,
Come and measure
The sky.

Gajanan Mishra
All Time And All Space

All time and all space,
And all are here together.
I am the weaver of all.

Gajanan Mishra
All Times

Excuse me
I am here to say something
The meaning of my say
Be different to different persons
The meaning of my say
Is equally important to all
The meaning of my say
You are searching and searching
That is not fixed not codified
The meaning of my say
Is true to all times to come
And you are not all timers
Who can know everything
Every meaning of my word my say
Excuse me
I am to say something.

Gajanan Mishra
All To Disappear

All to loss,
All to feel,
All to disappear.
But some are to react,
Some others are to miss,
Yet others are to study
The life and the situation.
But I am to read
And write life with
So many sketches.
I am in mystery, true.
But I am not clueless
To discover the truth.
I find all here, in life.

Gajanan Mishra
Many many returns of the day,
I failed to understand till date.

Of course, I glanced at,
What you described endlessly.

Flowers and leaves are all there,
Love plays life wonderful.

I find no motion picture is here,
But rise and fall, up and downs are
Common phenomena with pleasure.

All for the belly,
All to highlights,
All to reconciliation
And it is life,
It is everything.

Gajanan Mishra
All To See

All to see,
Who I am,
What I am,
How I am.

I am a man,
Simply a man,
I want to live
Like a man.

Gajanan Mishra
All True

I am not telling
I am wise
I have a mental resolved
I am here for You and with You
I desired to be with You and
I am with You
I have stated all true.

Gajanan Mishra
All Truth

Let me hear
And talk
All truth.
I see everything
Resting in
The love and
In the truth,
And it is in
Everyone.

Gajanan Mishra
All Truth About You

All truth about you,
Let me tell all for good.
Good you are, my dear,
And the truth I understood.

In good mood I know
You are so beautiful.
Beautiful your everything,
Perfect you are, I'm nothing.

Your smile your talks
All but charming
Your love your power
All but not alarming.

Gajanan Mishra
All Truth Here

All truth here,
I know I am nothing,
My dear. It is only
For you, I appear.

All truth here,
I know I have no
Selfish dependence
Of any kind on you.

And I love you,
I attain you
Or you attain me!

I am here, as before,
And it is all
Truth here.

Gajanan Mishra
All Unseen

All unseen
All unseen are true
And all blessings.

All blessings
We are craving
With ecstasy.

Ecstasy, that is
In our own life
That vibes.

Gajanan Mishra
All Victory All Victory

All victory, all victory,
See the flowers
Raining down from the sky.
Worry not dear, worry not,
Nothing to fear, nothing to fear.

Gajanan Mishra
All Visible - The Air And The Sky

All visible - the air and the sky,
And I wish to fly with all that.

My wish is to know the creation
And its cause and effect.

Let me indicate I am the offer,
And I am here to give respect.

Nothing more and I try no attempt,
My path is truth and it is clear,
And I know nothing to terminate.

I want to create myself
And I want to create within me.

I want to take shelter in beauty,
I know beauty is here for ever
And to love the beauty is all over.

Gajanan Mishra
All War And All Peace

All war and all peace,
Life is there, let us see.

No control but fire,
Still, to live, we dare.

Mercy, no need,
In us, struggle, we feed.

Ready to go with option,
But find no other way out.

And we exist to show
How faithful we are
To the earth.

The earth in return
Nurture us and
We flourish.

Gajanan Mishra
All Wasted

No truth,  
No worth hearing.  
Time -  
All wasted.

At any moment,  
You will be ordered  
To leave,  
Stay prepared.

Time is  
Too short to live.  
But truth  
Is not there  
To leave you  
For good.

Gajanan Mishra
All Water

All water,
It is all water;
The snow,
The fog,
The cloud,
The hail,
The rain,
The river,
The pond,
The sea.

This life,
This world,
It is all truth
In different forms,
Nothing else is here
Besides the truth.
Let us perceive all
With our intellect.

Gajanan Mishra
All Were Telling

My father
My grandfather
My forefathers
All were telling
Always to all
To realize spiritual
Identity and seek not benefit
Of material facilities
and attach yourself absolutely
To the devotional service.

Gajanan Mishra
All White

All white,
All opened.
All desire,
All returned.

My bone my strength,
I born to live at length.
All air,
I find all fair.
I see everything
Here and there.

All chained,
I am free, though.
All free and I
Chained me in all.

Gajanan Mishra
All White And All Black

Black or white,
No matter.
I know all white,
I know also
All black.

Black flag march
Is on here.
Black flag is never
A symbol of protest,
But a symbol of all-inclusiveness.

Let us go with black flag,
Let us use our own brain,
Let us use our own language,
Let us say we are free on our land.

Gajanan Mishra
All Wise, All Merciful

All wise, all merciful
And all powerful you are,
That I know.
You are formless,
You are invisible.
You are here to
Give us reward of
Our earthly deeds.
You are here to
Give charity and
To give justice
to all.
Round the cloak
You guard us here.

Gajanan Mishra
All Within

All within,
And they are all
Here today.
What would be
Written tomorrow
No one can say.
But all are
In the sky.

Gajanan Mishra
All Wonderful

All wonderful-
The very birth,
The childhood,
The play,
The school life,
The marriage,
The fight,
The very living.
All we hear,
All we see,
All we experience,
All we know,
All we realized,
All for highest perfection.

Gajanan Mishra
All Work Together

All work together, the sight,
The visible form and the reflected image
And I see You, O my dear,
Here You are in the sky self-manifested.

You are separated from all that I know,
And it is the Truth, it is my love,
You are the cause, my dear, of all my love
It is the illumination of Your own
Transcendental experience.

Gajanan Mishra
All Worthless

All worthless,
Mismanagement and
Quarrel, all over
The sky.

No one has
Any higher ambition
And nothing.

I wonder at this moment
And I wonder about
The movement.
And you said
It is me
It is my time,
No connecting line.

Gajanan Mishra
All Yellow Gold

Gold is still gold
And it is all yellow.
Half gold full gold
Nothing like that.

Nothing special
In saying anything more.
It all lighted
In the air.

Gajanan Mishra
All Yours

I am rendering service,
Service to you.

Whatever I am acquiring,
Take all, it is all yours.

Gajanan Mishra
All zero
And nothing more.
The face, the name,
The body, the earth,
All zero.

No cause,
No effect,
All perfect.
No summer,
No winter,
All correct.

All ancient,
All modern,
Stay happily
With all.

Gajanan Mishra
All-Attractive

All-attractive,
Each one here,
And I salute all
With constant love.

Gajanan Mishra
All-Auspicious

All-auspicious
I accept all
All-auspicious
I enter everywhere
All-auspicious
All pure all truth.

Feel the vibration
That is in you
Good thought good relation
That is in you
All grace all thanks
That is with you.

Dedication is necessary
I am in dedicated life
And life is here
O my dear, show good behavior
That is with you here
With this love letter.

Gajanan Mishra
All-Blissful With

All-blissful with
The vision of love.
All love with
The attitude of
Pure service.
Let us conclude
Life is all right
With all truth.

Gajanan Mishra
Alley

Apply, apply
no reply.

I do not know
how to apply
what to apply
I do not know
whether I am
eligible to apply
I do not know
whether there is
age limit to apply
I do not know
what is the
last date to apply.

Apply, apply
no reply.

And you find a fly
in this alley.

Gajanan Mishra
All-Good

All-good,
All truth,
All-virtue.
Life, mercy,
World, sky,
Words, love.
All free,
All sovereign.
Earth, light,
Home, abroad.
Anger, desire,
All fire.
Go and touch
That star.
Everything near
And nothing far.

Gajanan Mishra
Alliance Of Good

Each one is unique,  
But it needs  
Alliance of all good.  

Each one is able,  
But no one is permitted  
To make life horrible.  
Each one should remember,  
Life is not at all miserable.  

Understand the truth, dear,  
And consider not wrongly  
The condition of life.  
Life itself is pure and perfect,  
And it is we who are  
Making it complex and material.  

Gajanan Mishra
All-Out Confrontation

Be ready for an
All-out confrontation,
The question of sovereignty
Is arises, but
By maintaining
A sense of rationality.
Raise voice for
Security implications.
Birth right is there
For a fearless nation.

Gajanan Mishra
Allow Caveat

Allow caveat
Research progress
New species
Come to the picture
Find your own.

Threats common
Research to action
Welcome to you all
For art gallery
Where troubles persist.

Space yours
Make sky inclusive
No caveat
You may take help
In aboard.

Gajanan Mishra
Allow Me To

Allow me to
Call You, my dear.
Allow me to
Know the time.

I know, no time
Is there with anybody,
I know, really nobody
Can know the time.

Time is time, my dear
Told by You
And I am here
To recognized You.

Thanks, I told You,
And I go to sleep.

Gajanan Mishra
Allow Me To Say

Allow me to say more and more
About life and living,
About eating and sleeping,
About reading and writings,
About singing and dancing.
Allow me to say about myself,
About my dreams, my experiences.
I know my experiences are
Not yours and you are to know
All about me and my ability
And my works and my plan and
Procedure and you are to know
How I am throwing up my ever-
Changing forms and patterns.

Gajanan Mishra
Allow Me Write

Allow me to write,
My name only.
I am only here
As you know
From the beginning.

Allow me to utter
Your words,
All for me.

No earth and
No sky can embrace life
Without love.

Allow me to call
Before all
But not for a downfall.
I am with the key word
Called the truth.

Unfold the truth
And see
All peace.

Gajanan Mishra
Allow not,
Allow not evil thoughts,
Enter your mind.
To know the thoughts
Evil or good, obtaining
Knowledge is but a necessity.
To control the knowledge
Devotion is necessary.
And evotion required
Verification of self within.
Self is everything,
One must see himself
On the mirror everyday
For self analysis.

Gajanan Mishra
Allow Others

Allow others
To live the life
In the way they
Think fit,
If the way
Is not
Objectionable
Or immoral
Or not harm
The rest.
Let the world
Smile with all
Sincerity of
All the creatures.

Gajanan Mishra
Allow The Snake

Allow the snake
To talk
And permit to express
The problems.
Wonder not
If any dead
Come back
At any time
Anywhere.
See the guy
Walks on
The water.
See, the virgin
Has a baby.

Gajanan Mishra
Allow You

I allow you to overcome
Me with my strength.
I welcome you
With your flowers.
I hear your voice
In my heart.
I understand you
In my sensitiveness.
I vacate my body
For your abode.
You are the ocean
I am the shore.
I am the sky,
you are the chord.

Gajanan Mishra
Allowed But

You are allowed to
Select for your own,
But select a suitable one
For you, as per social behavior.
Be cautious in selecting
The person and things
Fall not as prey or urge
Of your desire for the moment.
But select impartially
Suitable for your purpose
And suitable to your heart.
Take shelter of the truth
And take decision of your own
But obey the regular system, dear.

Gajanan Mishra
Almanac Says

Good time
Is coming, says
Almanac on this
Very day,
That marks
The transition
Of the sun
In to the zodiac sign
Aries.
Good rainfall,
Good crops,
Good health,
Good growth,
Everything would be
Good in this year.
It is auspicious for us,
Tiny potfuls of pana
The sweetend drink
Water tied to basil plant,
This day is associated
With the birth of Hanuman also,
Take His blessings
For all good.

Gajanan Mishra
Almighty Rice

Rice rice rice
Almighty rice
From Kasmir to
Kanyakumari.
Diverse nomenclature
Like khichdi
Palau pakhal theer
Watered rice
Gajak Kheer
Rice gives life.
Rice rice rice
Allpervading rice
And without rice
man dies
Let us share rice
With love and kiss.

Gajanan Mishra
Almighty Sent The Poet

Almighty sent the poet
To us to tell His words
If the poet failed
Road to hell is open
For the poet not for
The readers
Readers are
Pious and great
It is the poet
Who is responsible
For any shortcoming
What do you want
The almighty will not ask
It is the poet who can
Ask any question and
It is the poet who can
Answer in any manner
But in caution.

Gajanan Mishra
Almost Blue

Almost blue,
Everything,
Everywhere.

In stone,
In snow,
In touch,
In time,
All life.

All space,
All love.

Gajanan Mishra
Alone

You are to live alone
And you are here to die alone.
But the world is crowded
And you are alone.
No one is with you,
And you are sweeping your own room
And you are sweating
And you are cleansing your own tears.

Gajanan Mishra
Alone And Lonely

I am lonely,
I am alone.

But I emerge
From the true conception of life.

And life cannot be removed
By any means.

I am the mirror of
My own pure consciousness.

I am the perfect knowledge
That cannot be eradicated.

I realize my purity
And I am here
With all goodness,
In original position.

Gajanan Mishra
Alone I Call

Alone I call,
I call you alone.

And you are to be called
I know.

Gajanan Mishra
Alone, Alone, All Alone

Alone, alone, all alone,
I am here with you all.
Yet I am delighted and
My mind is distressed
With fear.

Gajanan Mishra
Alone, I Am

Alone, I am,
But not
One, not
In one.

Long,
Long distance
From error.
No response
To questions.

Undivided mind,
Provide and
Preserve entry
Capacity in
Shooting truth.

Let me
Welcome you
In intermixture
Of time.

Confuse not,
But take decision
Soon to reach
The destination.

Merit,
Exclusive
But push all out.

Gajanan Mishra
Aloof

I am aloof,
But where am I,
Am I not on this earth,
Am I not in water,
Am I not in the air,
Am I not in your mind,
Am I not in your intelligence,
Am I not in your ego,
Answer them openly,
And find me there.
The relationship,
Still, not secured.
Matter, still, rules
And feel presence
Within and without.
I am aloof.

Gajanan Mishra
Alpha And Omega

Who am I to know
Alpha and omega
Also who am I to omen.
I am simply holding out
The olive branch and
Searching and searching
In season and out of season
To you only to you only
And lo you are with me alone.

Gajanan Mishra
Already Gone

Let me go
Slowly, slowly, since
I have already gone.

Gajanan Mishra
Already In The Jaws

See me
I am already
In the jaws
Of this serpent.

Nothing can do
Any benefit to me
At any time
Save and except You.

You alone can save me
From these material elements
O my dear, O my goodness
And hence I surrendered myself.

Gajanan Mishra
Already Left

The arrow left the bow
No more control and
Nothing to do now.

Gajanan Mishra
Already Perfect

Yes, we are
Already perfect.
We are ordinary human being
We know perfectly well.
We are eternally
Liberated with
So much beauty in us.
We are fortunate we are men.

Gajanan Mishra
Also Matters

Ultimate goal is Truth
Appearance activities
Are also matters.

And Truth is going nowhere
Reach nowhere giving or
Receiving nothing.

Truth is I am nothing
Truth is You are only here
O my dear, in sunshine it is clear.

Gajanan Mishra
Altus

O altus
You are high
You are altimeter
O my dear
I am here
I am not far
I am near
Just see me
I am only yours
Near and dear
My love
We are one
And same
Though there is
No exposure.

Gajanan Mishra
Always A Lie

Always a lie -
My wife is complaining.
Unfaithful -
My wife is telling me.
Yet I am with her,
Day and nights.
I know all are worthless,
I know all are in dark.

Yet we are inseparable,
Yet we are taking part
In the drama, that is going on,
Since time immemorial.

When my wife smiles
I fear.
I guess some struggle
Or revolution is ahead.
But I can't hang myself,
I can't utter words.

I am in the waiting room
To see the sun early morning,
But I forget to pray
As my wife is near me.

What do you say about this?
Have you any opinion
About the new lifestyle?
Only I want to live at present,
But see I cannot,
Even I am not allowed.

Gajanan Mishra
Always Happy

Conceal not anything,
Be open and transparent
And get joy and peace.

Know that nothing is yours
Vice or virtue, good or bad.

Feel always happy
By renouncing everything
And know that nothing is yours.

Gajanan Mishra
Always I Am Telling

Always I am telling,
I am eternal,
I can never be missing,
I am supreme,
None can ever be
Superior to me.
With this thought in mind
Go on working, my dear,
See, new chapters are
Being opened for you.
And see the world is
Look at you and expecting
Something new,
That is absolute.

Gajanan Mishra
Always In Hangout

Always in hangout,
I know you.
It is false to say
Not in hangout now.

Name, place and
Profession all are
Required for future
Correspondances.

Submit the biodata
With full particulars.
Always I am here.

No one can say
I know nothing,
Hide not anything.

Gajanan Mishra
Always In Poems

Let me stay
Always in poems,
But not in prose.

Gajanan Mishra
Always Keep In Memory

Always keep in memory
Your own position, my dear
Always be careful and remember
Day and night here.

Be serious about progressing
In Truth and Truth consciousness
And try to peacefully cultivate
How to return home permanent abode.

There is our love, my dear
No one can separate us anywhere
You are in my heart and I am within You
I know we have nothing to lose.

My true desire is to stay with You
O my dear and for this I remain here alive.

Gajanan Mishra
Always Looking For New

And new breaking the time.  
And time is waiting for none  
Telling what is not abandoned.  
Intelligent one is not bewildered  
And they waited for sophisticated return.

Gajanan Mishra
Always My Grand-Daughter

Always my grand-daughter
Aaeeshanee is
Asking me- Dadu, dadu,
What is life?
I am giving answer-
It is the play of five.
And she cried with joy-
Oh, I see
It is here with us.
She begins her counting
From her father, mother,
Grand-mother, uncle and me.
She further declared
I am at the centre of all, see.

Gajanan Mishra
Always New

Always it is new
Version is old and
Different though.

Gajanan Mishra
Always Planning

Men, are you planning always
To do harm to others.
If yes, I am sure,
You are not eligible
To understand the truth.

I am sure men,
You are with an ulterior motive.
You are there working
To serve artificially only.

You are biased, men,
Who is there to trust you?
Be clear at heart and come on
Without any prejudice
For the sake of love and truth.

Gajanan Mishra
Always Protected

-1-
I am always protected by You
And it t is true.

-2-
Sex is love in material world
Love is nothing but sexual satisfaction
As you see here at this time.

-3-
You and I stay
Supporting one another
Through mutual understanding
Though standard differ.

-4-
I pray
Protect me again here.

Gajanan Mishra

I know You are
Always ready to
Save me from
All dangers

And in all times
I know You are only mine.

Is only to realize truth.
To attain truth-love.

Gajanan Mishra
Always Right

You are always right, my dear
You are always right.
I am always wrong is wrong.

Your voice is gentle
You bowed Your head
In humility and smiled.
To say I am not like You is wrong.

I am Your part and parcel
I have no existence without You.
When You are right how can I be wrong!

You are my Father my Mother
My friend, guide and philosopher
I consider You always right and appropriate
Let me collate here in this collet*.

*Collet means a band or socket for jewels.
Treat our body as a collet wherein The Supreme jewels
The soul reside.

Gajanan Mishra
Always Searching

I am searching
And always searching
A place to reside.

No cheating here
No cheating here in love
That I have with me.

Love-relation is
Permanent and eternal
I reached here final.

Accept or reject
That is up to You
And I am in You.

No conclusion
But it is the starting
Point of discussion.

Let us see
In different forms
Living and non-living.

Gajanan Mishra
Always See Me

Always see me the same,
And I take bath
On the same shore,
Water is not the same, though.

-

In Odia language, script- Brahmi;

Gajanan Mishra
Always Side By Side

You and I,
We, both are
Always here
Side by side.

When I am
Awakening, you
Are vanquished.

But we,
Both are here
Fixed.

Here and there,
Somehow or other,
We, both are
Staying together.

Gajanan Mishra
Always Singing

Always singing,
The cuckoos,

All generosity and renunciation.

All absolute all goodness
Always singular though names forms innumerable.

Always Somebody

Let me play
Let me walk
Let me say
Let me fly.

It is in me
Always somebody
Is flying, somebody
Is talking, somebody
Is playing and I am
The bait only.

If I don't want
Anything, is it right?
How can I live
Without all these?

Always The Same

Always the same-
The sun, the moon, the sky,
The earth, the air,
How can you say so, sir?

Always the same-
The relations here,
The color and time here,
And all blurred together,
You are no one to
Give guarantee sir.

The whole day,
I am searching the light
In presence of the sun, sir,
But it is nowhere.

The presence of the moon
Is of course, intolerable.
Yet I am inviting
For dinner.

All changes made,
Still, nothing is in intact.
Ask not how but see
Everywhere the snow.

Nothing empty,
I must say
And you are to agree with
Me, sir, that I know.

Always There Is A Woman

Always
There is a woman,
In any incidents
Including
Hijacking of plane.
Unpredictable the actions
Of lovesick man.
Inseparable men
And women
With children.
If you try to
Separate such man
Or woman, they can
The become unstable
And down you drain.

Am Has Its Affinity

Am has its affinity
With Is.
Am is Is.
If I is not there
Am is not there
But there is Is.
Because of the use of I
Am was there
No I, no am.
But is is there
As it is.
Know it with
Your inner and outer
Spaces with organs.
Where You are
There You are.

Gajanan Mishra
Am I A Fool

Are you wise?
What is true and
What is false? ?

Are you rich?

Where is hell? ?

How am I to
Understand you?
What is the procedure
Of understanding?

And so many questions are there
And I failed to understand the answers also.

Telling me a hypocrite
When I am taking steps
For public good that

All the virtuous actions
Only for You, my dear,
And You are within all here.

Not with them,
How can it be!

I am in doubt,
About my living entity.

Gajanan Mishra
Am I Free? The Straight Answer No

The straight answer
Is a great NO.

Speech and expression,
My Constitution has given
This right, though.
With so many identities card
Including Aadhar
I am telling I am so and so.
Still, I am not getting anything
For my life and livelihood.
Am I free?
If yes, why then you have
Forced me to read and write
And to listen to foreign languages
Without any basis.
Where is my mother?
For you, my dear, she is mad.
YOu are not taking care, I know.
My land is barren,
My people are going to
Neighbouring states to work
As bonded labourers,
And I am not able to do anything.
Even I am not able to
Utter words, your so called supporters
Are torturing and trying to kill.

I am not going to support you,
YOu are not committed to
This earth, this land,
The mothers and children,
And the languages of motherland.

Gajanan Mishra
Am I Ignorant

You remained silent.
I do not know what is birth

You are also allowed to enter
At any time.

In me.
All the earth are there
Outside me.
Air is there
To cover me.
Water is there
To fill me.
Light is there
To make me available
Everywhere with all.

And the compassionate coal
Tells I am fair.
No witness to any words,
To any incident.

It is all gas,
All flames,
All reality.

With all yeah and
With all noes, I disappear,
And I react to the standard
Of the body found here
In the world of
Evaporation.

I thanked all,
They all took pain
To hear.

Gajanan Mishra
Am I Not A

Am I not a man?
Am I not a Hindu?
Am I not an Indian?
All is truth and
Truth is all.

You are a Muslim?
You are a Christian?

You belong to Germany?

Is there any difference
Between you and me?
Is it not true that our components -

At your house.
I have no ownership
Of any kind of goods,
See me, I am yet to
Realize who I am
And what I am doing
For whom. Is it not the truth?

Gajanan Mishra

Without being a poet
I dare not put any question
To You.

Gajanan Mishra

The sea can't do anything.
Perplexed with the sound of rain
I get myself seated with you beyond words.

Gajanan Mishra
Am I Not Eligible

Am I not eligible, my dear
Am I not able to relinquish
the subtle causes like
Aroma by smelling
Palate by tasting
Vision by seeing
Touch by contacting
Vibrations of the ear
By ethereal identification
Sense organs by material activities
Am I not eligible for entrance
Where You are, my dear
If I am not, I pray, make me
Eligible by Your grace
I want to see your face
And only Your face
Everywhere and in everything
That I know You are therein.

Gajanan Mishra
Am I Not Fit To Live?

Am I not fit to live?

I find no way
To express my view?

I am not able to do
Anything successfully.

Of course, I am confused
On the issues of
Success and failures.

Still, no one is there
To encourage me at home.

My intelligence is not
Working properly.

Especially at night,
I am being hijacked.

Gajanan Mishra
Am I Not Pious In Hearts

Am I not pious in hearts?
Have I at any time took
Shelter of falsehood?
Am I there to exploit others?
If the answers are yes, my dear,
Kill me at once here
As I am the biggest sinner,
But please, give not
Any trouble to any creatures.
Let them all live in peace,
Let them all move freely,
Let them all sing and dance
And let them all feel rich.
And give them knowledge- proper.

Gajanan Mishra
Am I Not Similar To You?

Am I not similar to you?

I am the only one
Moving.
And you are
Within me.

I am the truth
So also you.

In words and in actions,
We are clustered together.

Gajanan Mishra
Am I Polluted

Am I polluted?
Am I a serpent?
Am I in distress
Like the pigs here?

O my dear I care
For the bona fide
Knowledge in You.

I am not the monkey
In the forest.

See me, O my dear
I am always ready
For the test
And also
For the next.

Gajanan Mishra
Am I Ready To

Am I ready to
Accept You,
In to to?
And if yes
Am I Yours?
And if yes
What is my identity?
If I have got
The answer
It is next
Your duty
To fire.

Gajanan Mishra
Am I Real?

Am I real?
Are you real?
And who is real?
All are just words,
All are just ideas?
All speech, all acts,
All yes and nos,
All scene and dreams,
All journeys, all fights,
All tangible and intangible,
And all matter of poetry.
All waves all love,
All hands, all legs,
All languages, all nouns,
All claws all wings,
All are nothing
But the flames of time.
See the time
In cross-votings,
See in sorrows of
Day and nights,
See in your own mirror
And go for a drive
If you so like.
Forget you are alive.

Gajanan Mishra
Am I Really

Am I really living
In the age of fear
Tension insecurity
Stress strain doubts
Tiredness crimes violence
Anxiety sorrow sufferings
Disease depression insomnia
And tranquilizers, my dear?

All they are there
It is I who is inviting them
To my room and taking all worries
Without any reasons.
It is I who is forgetting the truth
And going far away from love.

And I am suffering
Only for the default
That is in me.
Being the son of nectar
Being the son of light
I realized the Supreme Truth.

Gajanan Mishra
Am I Really Free

You said-
Go, you are free.

A thought is
Coming to my mind
Always- am I
Free really!
Free from what?
Free from whom?

You remained
Silent as usual.
I leave the place
And the time there,
With no idea.

A contrary belief
Is there in me
I know and yet
I do nothing to
Erase here.

Life is a surprise,
I do admit.
But I am missing here
With no reason.
The purpose of life
Still remain unknown.

I accept
What is here,
I accept you
In full and
You in return
Making me a whole
Leaving me alone.

Gajanan Mishra
Am I Really Satisfied

Am I really satisfied with this life here?
Am I really Yours? I doubt with the answer.

Because there is no other way for me here
I am with You is also not true.
And You come to my rescue for which I am grateful.

Gajanan Mishra
Am I Self-Sufficient?

The answer is a straight no
And as the answer is no
Let me conclude
I am not independent.

I am the master of none

Take me from here.

What type of beautiful am I?
Everybody is asking me
This question.

And I am telling all
Still nobody is here to fall.

Gajanan Mishra
Am I Senseless?

Am I senseless?
Am I not searching
deep meaning of my life?
I treat life a naming.

I am living in words,
Seen and unseen,
truth or lies,
no matter, as
they are all out of question.

I am catching the words,
Words are also catching me.

Faith, prayer, fasting
have no meaning, I know,
If there is no understanding,

Gajanan Mishra
Am I Sure

What I am doing
Is really that?

Nobody is here
Or there to tell me
What is really what.

Am I the proprietor here
Who is commanding
Without any force!

How to live is
My thinking you agree
And I expressed myself concern.

That is why I am here
Without being attached.

Gajanan Mishra
Am I The Sun?

Am I the sun?
Am I the Moon?
And you are asking me
to write about punctuality.

Am I the sky?
Am I the tree?
And I am here to uplift you
and to adore you with all sincerity.

Yes, I am scented
Because I am the son of truth
I am the daughter of nectar
See me, I am before you, here.

Love, love, love,
I am on this earth and not bluff.

Gajanan Mishra
Am I This Body?

Am I this body?
Is everything belongs to me?
I am in ignorance
And here is night.
And I am hungry
I am thirsty.

They are coming to me
In dark with an intention
To eat me up
They are busy in
Making their love-feast
I am in anxiety.

This is that world
I am living in
And telling I am great
This is that world
And it is always in dark
In spite of sun moon and stars.

Gajanan Mishra
Am I Working

Am I working in the wrong direction?
I am well aware I am not the body
I know bodily concept is useless
And misdirected.

See me, my dear, minus the body
Let me understand your position
Let me know your advancement towards liberation
In the eternity.

See me, I am happy with my self-realization
With Your grace and Your bliss
I never lament or desire to have anything
Besides You.

Gajanan Mishra
Am I Worldly

Am I worldly?
Yes, I am.
And I am
Proud of it.
I eat,
I sleep,
I love,
I read,
I realize
And all these are
Possible only
In this world.
I am here,
I am proud of it.
I know
What is suffering,
I know
What is burning
And its sensations.
I know both
Deeds and misdeeds.
I know both
Darkness and light.
But I am not sure
God is here or
Who is the real God.
I care not actions
Or reactions.
But I care myself.
I care as I am here
In this world.
I know I am living here
With pleasure and prosperity.
I know I am
Not a bird,
Not a beast
But a human being.
Gajanan Mishra
Am I Wrong?

I exist.
Is it not in Truth?
Am I not in form?
Can you say me by
This and that number?
See me.
It is all conducive.

Gajanan Mishra
Am Telling All Lies

Am I telling all lies?
And what is a lie!
Is this life
Detector of the lies?
Is this body not made of
The air, the water, the earth,
The light and the sky?
Are all the components
Of the body not truth.
Am I not toiling
With the lies of the world?
Here there everywhere
Am I not getting romantic
Flavours of my ancestral trees?
If my father, his father and his fathers
All are not the products of that tree
How can I be?
Charge not any one
False allegations my dear.
Give some hopes of life,
Provide the necessary items
Of livelihood that have
All sanctity and loveliness
In this couryard of truth.

Ambassador

When I was a child
My dream was to sit
In the ambassador.
When I entered in to
The service in this world
My District Magistrate
Was coming in the ambassador.
I was watching the ambassador
With my hungry eyes.
Time passed,
I have forgotten my dream,
The form of life, the way of life
And the toast to life, related to ambassador.
Today with my swift I see it passed away.

And the event is painful.

Let the men of this land
Be like that innocent boy
And tell the chief you are wrong,
Really you are going against
The mother, motherland and
Mother language, but why?
Tell the reasons, please.

And I hope, all the men
Would come together and
Put question to the chief, not
Kind to anyone around him.

Gajanan Mishra
An Insult To Us

The incident of
Violence is an
Insult to us,
As we belong
To the land of
Mahatma Gandhi-
Symbol of truth
And non-violence.
We want to live
Freely in our land
Without any fear
Or favour. We have
A welfare state, we
Live with all humanity.

Gajanan Mishra
An Old History

The life of a man is
Like that of the sky.

It is bygone ages
That revealed truth
While we fly.

You are your
Celebrated personality
That I know here.
You are here at present
Forgetting past
And ignoring future.

What you see, what you hear
O my dear, it is just for
Your coming carrier.

Gajanan Mishra
An Old Tamarind Tree

An old tamarind tree is
There in front of my house,
Of course, that tree belongs to
My neighbor.
The cattle market is there
To the north-western corner
Of my house, the market
Complex is under the custody
Of a regulated committee.
Whenever some one ask me
About the location of my house,
Straightway I mention,
The cattle market and
The old tamarind tree and
I tell them on the wall
You can read my name
In my state language Odia
And also for convenient of
Outsiders I have also written
In English.
My house does not belong to me,
Let me clear.
Even I am not
The caretaker, staying though
At present.
Who knows, I may not be
Available tomorrow.
But today I am here,
You can come to meet me
Straight from the Rly junction
Of Titilagarh,
Balangir, Odisha, India
By an auto-rickshaw,
Walkable distance though
Towards south-west corner
Of the station.
Come to me, if you have time,
I am ready with a poem
To welcome you.
And with the poem
I must give you
A glass of pure water.
I must show you,
The mango tree, neem tree,
Banana tree and so many
Flower plants and all
Belong to my wife.
I am not here to
Allow you to touch
Or to pluck anything.
Come to me, if you so like.
Remember, Tapobana, the name of
So-called my house.

Gajanan Mishra
An ordinary man
Knows not how to eat,
Select not what to eat.
How to talk,
An ordinary man,
Knows not how to select words.
An ordinary man is a man of
Rough and tough here and there.
But the ordinary man
Is the root of my world.
The ordinary man has kept
Everything in him.
The ordinary man is the source
Of all, and he is at the center.

Gajanan Mishra
An Woman Named Rupabati

An aged woman
Named Rupabati
Died in hunger.
And is the main news
Of today in all local dailies.
I am not making jokes, sir?
You know, I am not
Inclined to jokes.
Excuse me, this is
The fact and picture
Of today in our area.
No food, no water
And people are dying
Like any other creatures.

Gajanan Mishra
Anachronism

Stop competition
Between man and man
Between nation and nation.

Come forward to see the defects
of so called modern life and come to cleanse man
Come forward to wipe out anachronism.

Gajanan Mishra
Analytically Knowledge

Analytically knowledge
Should be practiced
Pious duties are
To be performed
Austerities are to
Be executed.

The present day
Should be understood
Processes are to
Be served
Men are to be
Touched.

Gajanan Mishra
Ananta Kalaru (Odia)

Ananta kalaru ananta kala jae
Dukhare sukhare, rakhichhi tumaku
Manare aau tume achha mo pakhare.

Gajanan Mishra
Ancient But Modern

Here see my strength,  
But I am changing  
And I am not to perish.  
Here see my growth,  
But within the limit  
of the sky and I fly.  
Here see my love,  
Costant and changeless  
Unborn though as yet.  
Here see my life,  
Dying with you,  
Not able to open  
A single chapter  
Here before or after.

Gajanan Mishra
Ancient Fire

Speak something
About ancient fire.
Speak something for
Counteracting the fire.

Speak something
About warriors.
Speak something
About those things
That is to appear.

Speak something
About life, about
The way of living,
About the salt
And the water.

Speak and speak,
what to eat,
What to drink,
How to sleep,
Where to go,
Which way to choose.

Speak about extinct
Stars and cards,
Speak about demons
And ghosts and mirrors.
Speak something
About your own motion
And emotions and
Reflections and affections
And declare yourself
As counterfeit coins
If you have stamina
And ways of
Proper verifications.

But no, you have
No intention to speak out,
No courage and nothing
Like that to look deep
And present the fact
That is before all.

Gajanan Mishra
And Ah!

And ah!
Where are we?

Are we alive?

Of course,
Toleration is
Good.

We smile and
We cry.
This much
Won't do.

For you
And for all
Let me show
The bare sky.

Gajanan Mishra
And All Are Unreal

And all are unreal,
And all are unreal.

Assumptions are worthless,
Assumptions are worthless.

And still giving and taking
are here as before.

And we are searching for our
Own identity without identification.

Gajanan Mishra
And All Because Of Love

Here I am
And it is
All because
Of love.

All because of love
I fear not death
And I feel
No inconvenience.

I live here
Peacefully only
Because of love
And I crossed the bridge
I touched the eternity
And it is all because of love.

Gajanan Mishra
And All See

I see myself
And all see me
Always everywhere.

My hands my legs
My belly my head
Are are there in all.

At every moment I see myself
What I do what I think
I know me clearly.

My tongue wants to utter words
My wish is to live like a human being.

I know I am a man,
I am handsome and divine and I am
Dazzling like me in my light on this earth.

Gajanan Mishra
And Also

And also
I came
to understand
the matter.

And also
You went
saying nothing
about progress.

And the trouble is
flooded here till
everyone is
homeless.

I hold firm
that You exist.

Gajanan Mishra
And As I Say

And as I say
Dark is dark,
But not always.
Night is leaving
This place.

Each man is
Empowered to do
Any work, give
A chance and watch.

Unearth the truth,
It is here, I m sure.
The process of erasing
Is going on in you.
See the stone not there,
As it was.

Stone life,
And it is with you,
With shadow
Playing al days.

Sand and sound
All are yours.
And life discovered
This and then,
Here again and again.

Gajanan Mishra
And Believe Me

I am there to me
And believe me
I am nothing.
You have put a muzzle
On me and I am here.

Believe me
I erase my name,
And everything.
You have told me
To proceed on.

The way is full of mystery,
The mynah is still there on the tree.
Muzziness is in me and in you,
Life is never in truth.

Gajanan Mishra
And Blooming

Blooming blooming
You are blooming.

You are white tulip
You are tube rose
You are passiflora
You are mutabilis
You are marigold
And what not
What not you are.

Your world
Wonderful world
I am
With You
You are blooming
Blooming blooming
And blooming.

Gajanan Mishra
And Compose

Eat sleep
And compose
That is all
I can do.

I am a poet
It's a pretty
Cool title
With it
I can move.

Gajanan Mishra
And Dogs Are Here

And dogs are here,
But nothing to fear.
They are there
Only to bark.

The truth -
You are free,
You are fearless,
And you are there
To achieve
Real happiness in the truth.

To arrive at the conclusion,
You have to struggle a lot,
Remember, the truth is
The place of shelter.

Gajanan Mishra
And Dreaming

I am dreaming
And dreaming leaves me
Here in the sun to grow,
Leaves me in the forest
And meadow.

My dreaming is not
Keeping me ever-distant
And alone,
And dreaming helps me
To return to my home.

My home is my body
And my body is here
With me and taking me
Towards the fragrance
Of original earth.

I am on this earth
And I am dreaming
With my own time-garments.
I am dreaming and I have
Acquired all beauty here.

Gajanan Mishra
And Enjoy Life

Be a model for others
And enjoy life
As a blooming flowers.

Flowers are
Not for entertainments,
Remember.

Feelings are limitless,
And you are under restrictions.

Gajanan Mishra
And Enjoy, Truth Is Within You

No misery, and enjoy life
In full bliss and knowledge.
Enjoy birth, enjoy death,
Enjoy old age, enjoy diseases,
Eternal time is there before you,
You are the truth, stay happy,
Stay blessed, the world is for you,
The world is within you, the truth.

Gajanan Mishra
And Everything

Everything is in Your name
And everything is
Let out by You.

There is no credit
I know in this life
Save to things sworn.

Gajanan Mishra
And Face The Fire

Go there
And face the fire.

Stay there stable
Whatever be the parable.

Have courage with you
And see there is truth.

Each one is our brother
Find no ice but water.

Gajanan Mishra
And For That

And for that
I reached here.
Here on this earth.
No one is there,
But I saw
The sunflower,
I saw the star.

I saw the festival,
Festival of hate
On the body
Of living beings.
So many characters
I observed and they are
Ready to sacrifice them.

They embraced each other
For death but I observed
Death is not the fool.
They differentiate
Head and tail in a circle,
And they declared
The sun as black.

They are all misguided
And I reached here
But they care not
What I have told
And they ran away,
And I followed them
For the sake of light.

Gajanan Mishra
And For What

And for what
I am here
If I am not
Your near and dear.
And for what
You are here
If you are not here
To see and to hear.

Questions are
Only questions, my dear,
Ponder and ponder not
No answer is to be
Read without any thought,
But living is a must.

Gajanan Mishra
And For What I Was There

And for what I was there,
Knowing all you are charging me.
This is called unfortunate.
You know not what was/is there
Why I am so anxious for light
You know nothing and giving comment.
This is called unfortunate.
You are giving everything
That belong to us and that is
The only knot and yet
You are telling everything is
Okay, think not, nothing to worry.
This is called unfortunate.
Still we are friend and well wishers.
This is called unfortunate.
My air, my food, my dress
My eyes, my ears, my walk
Everything was/is there.
And for that I was/is there.
You are asking to the reason.
This is called unfortunate.

Gajanan Mishra
And For You

And for You, my dear,
My mango trees
Bear fruits.

And for You,
I realized
The Truth.

I only
Depend on You,
O my dear, I am
A living being
And not a machine
And this is
Only for You,
I desire only You.

Gajanan Mishra
And Get Everything

Forget everything
and come to me.

Come to me
and get everything.

Gajanan Mishra
And Going

I know nothing and going nowhere
You are trying to change me unchangeable.

I know nothing and going nowhere
You are with me allday long
I am not with you as you know.

I know nothing and going nowhere
Your surrender my victory not true
It is you who is doing something worthwhile.

I know nothing and going nowhere.

Gajanan Mishra
And Good

Suspect - not good
Trust - not bad.

Be a poet
And have contact
With all
In positive mood.

Be a poet and live
With joy
And it is good.

Gajanan Mishra
And Happy And Sad

And happy and sad
And moist and dry
They all came
And try what
They are not present.

In harmony they said
In disharmony they fled
And they wandered
Here there everywhere
They are imprisoned
In their own cell.

Gajanan Mishra
And Hence Grieve Not

I am the world, I mean to say,
My body is the world in miniature.
The change in the body signifies
The change in the world.
The non-existence of the body
Signifies the non-existence of the world.
This and this world neither existed
In the past, before birth nor will
exist in the future after death.
My body so also the world is burning
In the fire, in the time-fire
And nothing remains.
And let me say my body is unreal
And hence I have no existence.

Gajanan Mishra
And Here

And here
It is
What I realized.
With all virtues
With all faithful actions
With all fruits
What I realized
I have changed
My issues.
All issues are
Related to You
O my dear, and all
Are useful and all
Are for the welfare of all.

Gajanan Mishra
And Here I Feel

I have nothing to do,
And hence,
No reason to stay.

I want not to give
Pain and agony
To anyone
With my presence.

I know everyone
And everything is here
With modes of
Material nature.

And here I feel,
Passion and ignorance
Reign supreme.

Gajanan Mishra
And Here Is Gajanan Mishra

See, your friend your guide
Whom they called
The poet and the philosopher.

Worshiper of Truth
And justice, see the poet is here
Follow the poet
You will certainly be liberated.

Remember, poet incarnated
Specially to deliver you all
The fallen souls and
enable all to return to the Truth.

Here is Gajanan Mishra, for the welfare of all
Performing all activities that are auspicious.

Gajanan Mishra
And Here Is The Sun

And here is the sun
Smiling and dancing and
Talking with the rain and
With the desert.

Here is the love
And relation that is
Leaving the place
With the sun.

From moment to moment
I am playing here alone
The dancing is only by name
The sun is the witness.

It is temperature
That is increasing time to time
And the sun is not still
Your smile is only there.

Nowhere there is cloud, see
Nowhere there is scarcity
Know it, you are the only person
Who is playing dancing singing all alone.

Gajanan Mishra
And I

All colors are in me
And the stars that
I sent, are dazzling
In the sky, see.

Who am I?
Where am I?
What for I am,
And with whom I am
Will you please say!

If yes, come please
And make friendship with me
To count the stars above.

If no, nothing to think
No where to go from here
See only, and hear
The words that are in you.

Gajanan Mishra
And I Am Awake

And I am awake
Throughout the night
While sleeping
On your lap.

And I am in pain
On the board of your heart
Turning back at dusk
In the air of the sky.

I am in light
And you are closing
All doors
That are not yours.

Gajanan Mishra
And I Am Doing

You make me do,
And I am doing
Everything.
I am eating
I am sitting
I am sleeping
I am walking
I am watching
I am hearing
And I know
As you make me know,
You are at the center
And at the zero point.
I am going to you
At every moment
Staying always with you.
I am doing your work
At your residence
By your order,
But you cannot be blamed
For any disorder, my dear,
As you are so clear
In respect of truth
And scriptures
That are the life-giver,
And you are there
For my own future.
I know my sorrow
My pleasure are not mine,
I am here to
Obey only your order.
Rest depends on you.

Gajanan Mishra
And I Am Happy

See, I am living a fearless life
With my own learning and earning,
And I am happy with my good health.

Gajanan Mishra
And I Am Insecure

I am a child
And I see I am
Insecure in your state,
Dear Miniter.
I am as said
In a fixed
Between immobility
And movement.

I am as you know
Not against anyone,
I am on the beach
Of the time sea,
But I am a new world,
And you people
Are not taking care.
Still, as you see, I'm there.

I am a child,
You can't kill me.
As you know
You will fall down
From the chair
If you do some harm.
The loss is yours
And not mine.

I am a child,
I am the nectar,
I am the new light,
I am a new dream,
I am at peace,
I am the truth,
No one can make me
Disappear, I am the life.

Gajanan Mishra
And I Am Not Here To Set

I am the sun and
I am not here to set.
Let me wait,
Let me accept,
This and that.

I am not hesitate
To tell the truth,
The truth of life
That are in you.

I am the moving light,
And I am ready to fight.
It is your responsibility
To see me in your eyes,
And I know your eyes are round.

Gajanan Mishra
And I Am Searching

And I am searching You
Staying within You.

And I want to see You
When You are here in my eyes.

And I want to talk to You
Knowing that You are the root of all talks.

I want to act
And You are all praiseworthy acts.

Gajanan Mishra
And I Belief

And I belief
Something within
Me
And I started
My journey.

I am not going
Something that is
Going within
Me.

And I belief
It is not ceasing
And generating
Something else.

I am there
In writing
And You are
Putting your
Signature
By this time.

Gajanan Mishra
And I Do Agree

Let me know you,
Let me know the truth.
And I do agree
When I am free.
But freeness is
Nothing but a dream.
A daydream that
Can't be realized.

Gajanan Mishra
And I Enjoyed The Life

And I enjoyed the life
In my hunger strike,
In my clay but in dry skin.
I enjoyed the life
Upheld the bearded face
With the colours of
Blue and black and red,
And I said one who is in truth
Follow me, sit with me,
Dance with me and speak something
On the occasion in between
The hell and the heaven.
Each and everyone joined the core
And raised their voice together.
Hearing the cry the minister came
Admitted their unlawful acts
And cheers with us merry breath.
I felt the joy was so truth,
But alas it was all melted
In dew drops with the rising sun.

Gajanan Mishra
And I Flow

And I flow
Like fire
To understand
Love.

And I love
The water
Here.

Poor I am
want to go
Forward.

And I fly
Beyond the sky
To drive thirst
Away.

Gajanan Mishra
And I Love You

I am with you,
And I love you.

The situation is peaceful,
And I am in truth.

No disease and nothing,
Clear appearance of the sun is
Confirmed by colorful clouds.

Let me accept
The actual fact.

Let me re-establish
Lost relation
To achieve success,
With love and
Also with truth.

Gajanan Mishra
And I Speak

And I speak
Through these words
I know though
They are mine
But I cannot force
Them to obey my command
And yet they honour me
For being I am
Obliged to them.
The words are so fair,
They are the wonder of the air.
I know here and there,
For me all happiness they share
Let me thanks for unceasing care.

Gajanan Mishra
And I'M Writing

The purpose of writing poem
Is not known and I'm writing.
Excuse me, I'm writing
And writing
And writing is natural
As natural as wind
As natural as light
And I'm writing
Writing and pervading
Everywhere.

Gajanan Mishra
And In The End

Come here
Stake your claim
And in the end
Give up all
Go away.

Gajanan Mishra
And It Is All For You

And it is all for you,
It is all for the truth.
Root is there, fruit is there,
All in one with all reasons.

And it is all frozen,
All bodies, all places.
And I am opening the door
To test the sky in life's score.

Gajanan Mishra
And It Is Food

And it is food
That binds me here,
And I am bound down.

Gajanan Mishra
And It Is How

And it is how
Being my friend today
You are the enemy
Of another tomorrow.

You said it is
Reactions of different
Dealings under
Different conditions.

I said no no
It is not due to my
Wandering habits
But it is Your day to day activities.

Gajanan Mishra
And It Is Joy Again

And it is joy again
Here, in this life,
Being, You are here,
With me, in every way.

O my dear, closing my
Eyes I saw You, here
By closing my ears, I
Heard Your words-nectar.

See me, my dear, I am
With You, and I am alive
No separation at any time
And I am with You in this ocean.

And it is joy again
Here, and life gladdened with Your love.

Gajanan Mishra
And It Is Joy Again With Your Love

Here, in this life,
Being, You are here,
With me, in every way.

O my dear, closing my
Eyes I saw You, here
By closing my ears, I
Heard Your words-nectar.

See me, my dear, I am
With You, and I am alive
No separation at any time
And I am with You in this ocean.

And it is joy again
Here, and life gladdened with Your love.

Gajanan Mishra
And It Is The People

And it is the people,
We can't drive them out.

We are here to serve the people,
And the people are
At the center of our works.

We should be humble
We should keep the people with us
In the rightful tracks
And see them wonderful.

Pushback system is not there
While going with the people.

People alone can
make your aim fulfill
and help you in reaching heaven.

Gajanan Mishra
And It Is You Who Is Separate

And it is you who is separate,
Separate from everything.
And it is you who is active,
The active principle in everything.

Everything exists with you,
And it is you who is the truth.
The truth is imperishable, and it is
You, the reservoir of all good.

Gajanan Mishra
And It Is Your Hands

And it is your hands
That I know,
That are with me
Till the end.
And where is the end
That I know,
For you are mine
And my best friend.
Pleasing fragrance
Is there in between us,
And no one is furious.
No legs are there
And yet each one is
Going away from us.

Gajanan Mishra
And It's Free

And it's free,
My poetry.
I am a born poet,
Remember that.

Like the sea
I'm roaring.
Like the sky
I'm clear.

Gaze at my face
And learn the letters
The first love.

Love the language
of the space
That is here.

Gajanan Mishra
And Land

Learn language
And land here.
Land here and
Learn language.

For learning
No fees but
Love is necessary,
Just give a start.

Nothing but
Celebrate love
With colors.

Colors have the truth
Just know and learn
The true living.

Gajanan Mishra
And Left And Right

And left and right
We go outside,
But discover nothing.
And right and left
We go inside
And we have everything.
Inside or outside
We ride light all bright.

Gajanan Mishra
And love is there,
Only love.

For love, we exist,
For love, everything is here.
Hate is also
A kind of love.

Love, love, love,
And it is life
In present form.

Without envy
Invite everyone,
Love is there.

Nothing and nobody is false,
Factual, though.

Gajanan Mishra
And My Dear

And my dear,
I am in need of
Both your promises
And your performances.
I am not in a
Position to wait,
I am not what I am
As you see me here
At this juncture.
I cannot change
My game also here
So soon as you say
It is you to cope up
With all situation.

Gajanan Mishra
And No Future

We have no past
We have no present
And also no future.

We are in love
And we are above
And beyond time.

We are here
As before
We are here for all times to come.

We are for others
No wave like hunger thirst
Lamentation bewilderment
Can touch us.

We are here since time immemorial.

Gajanan Mishra
And Nothing Is Original

So far my knowledge goes,
Nothing is original.
The earth, the sky,
The air, the water
Even the light.
Nothing is original.

And I care not this life,
To embrace death,
Once I was on hunger strike,
In our capital city
Before the king, ministers
And before all.
But death fears me and
Dare not to come.

And I conclude
Death is also not original.

Nothing is original
The birds, the flowers,
The clouds, the waves,
The colors, the friends
And even the friends.
But I am with them.
Am I original?
No one can say
Definitely what I am.

Gajanan Mishra
And Only

I am Yours
And only
You are mine.

Forget crime
Forget blot
Forget pride
Forget grief.

You are mine
And only
I am Yours.

Have full faith
O my dear, have patience,
And be purified
In thoughts in feelings.

Gajanan Mishra
And Other

Life and
Other poems are
Here with me.
I am presenting
Myself before you
With all truth.
Truth is
We are together here
At this time.
Time is at our hands,
And we are murmuring
Our names and address
Not true though.
The perfect poem is my life.

Gajanan Mishra
And Poem Is

Life is what is here
And poem is what is life
And life is changing
From day on.

You cannot say
This is not the proper form
Being the part of a form
You cannot say about the whole system.

And poem is controlling
The entire system and if you are
So interested to know something
Try to go inside and dare not to
Comment from outside as a passerby
Is wandering far in the ocean.

Gajanan Mishra
And Pussy Cat

Pussy pussy cat pussy cat
Where have you been
And pussy cat replied
He had been to London
To look at the queen
Again I asked Pussy cat
Where have you been
And pussy cat replied
He had been to Odisha
To look at English
Rule of Nabin.

Pussy cat pussy cat
Further I asked where
Have you been and
Pussy cat replied
He had been to see
Odia people who are fool
And how odia people
Still remain cool
Pussy pussy cat
I asked where have
You been and pussy cat
Replied he had been
To India to see
The democratic rule
And it is in a whirl-pool.

Gajanan Mishra
And Rescue

No intellect
No language
And I am speaking
To you.

O my dear
Please excuse
Please make it
Correct and insert
A sense and rescue.

Gajanan Mishra
And Say

And say
Who is there
Looking at me.
Fingers dropped,
Mind puzzled,
Space extended.

Just in an island
We all stayed,
Look there.
No rain,
No smoke,
No eyelids.

go with realities
With all beginnings.

Gajanan Mishra
And See Death

And see death,
And live.
Live and
Exchange the message
Of life through
The medium of death.
Death is only yours,
But not life.
The same truth is
There in life
And also in death.
Remember life
Through love,
Love is not there
To die.

Gajanan Mishra
And See Me

And see me here with no reason
Within the wind within the cloud
I am not telling I am beautiful
But you are to see me in this sea
The sea is in me you are to see
Do not envy with no reason
See my dream That I have not seen
That is as bright as the sun, and arrived here.

Gajanan Mishra
And Smile

I smile, you smile and all smile.
We all see life in smile.
Smile is our morning sky
So clear and so colorful.
Smile is our bud of the day
That is there with golden ornaments.
Smile is cow's udder
With babbling milk-stream of life.
Smile and smile, my dear all day
And make this world your paradise.
Smile is the rainbow of the hearts
Without any shadow of clouds.
Smile- the little lamp
That can go beyond the networks of stars.

Gajanan Mishra
And Speak

Forget language and speak
Forget sight and see.
Pull or push be a bush
Beauty or ugly have muse.
Small and fancy
Love is ocean of mercy.
Rain is good in field forest
Sunrise is beautiful at earliest.
It is time to begin
We must go within, come in.
Do not give up dream
With dream you become society’s cream.

Gajanan Mishra
And Still I Am

And still
And still I am Yours,
The wind washing me away,
Towards south, I am going,
East is not here,
And still my dear, I am Yours.

All days long I am under the sun
Searching my own shadows.
Is it a moment of sorrow?
That I know, and still
I am Yours, my dear, and I
Find You all around me.

Gajanan Mishra
And Still I Am Here

I know I am dying
And still I am here.
I know I have nothing
And still I am here.
I know I have no relation
With anybody
And still I am here.
I know each and everyone
Is going against me
And still I am here.
I am here and it is destined.
It is destined that you all are
There to do your duties
And the duties are the fruits of actions.

Gajanan Mishra
And The Demand For Poems

And the demand for poems is high,
Life demands great patience
And it is all in poems.

Poem is a wave, we should
Go with it to solve
All problems of life.

All answers are there in poems,
And without poems, life would be dry
And worthless like hot sands of desert.

Gajanan Mishra
And The Light

And the light
Told me to lean beside
The wall of time.
The time has permitted
To show the sun
In the morning every day.
The day called me by name
And I am ready to go
Without knowing the purpose also.
I know the whirlwind
Arrival and I stay cautioned.
The intensity of injury
Is not measurable and yet
I stay in the light all days.

Gajanan Mishra
And The Poet Came

And the poet came
With interwoven languages,
And I am the culprit
In all diverse rituals.

And I left the place
With all faithless dust,
And My body moved around
With the idea fixed.

Gajanan Mishra
And Then

And then
The world fell down,
And we reached
Nowhere.

Who we were?
Who we are?
All, we could not say.

And then
The sky put
So many questions.

With the air,
We stayed there,
Nothing to explain
Whether fair or unfair.

Gajanan Mishra
And Then I Appeared

And then I appeared
Before you,
And for truth.

Gajanan Mishra
And Therefore, I Am A Poet

I am a poet,
You know that.
I have a relation
With all creatures.
The relation is there
As because, I give them honour.
I say them stay here,
Without fear or favour.
Here, in this world,
We all have equal status,
Formulated by nature.
I know, nature gives
Tit for tat. I know
And therefore, I am a poet.

Gajanan Mishra
And Therefore, I Suffer

And therefore, I suffer,
Here, with everything, clear.
I am a mere server.

Gajanan Mishra
And This

Let me practice
My own precepts.
Let me translate
My own preaching.
No honor no accident,
Chant your own name
And see you are crowned
In the standard framed by you.
And on this position
You are allowed to
Go deep in to the sea
That is within you.
Let a man not die
With his ego.

Gajanan Mishra
And To Fly

It is time to fly
It is time to swim
It is time to look
And to sit together
In the sky.
It is the time to play
Together on the earth.
It is time to go
deep in to the sea.
It is time to go
in search of self.
Please come
I am here to guide
I am here to watch
Be ready to fly with me.

Gajanan Mishra
And True To The Words

And true to the words,
We raised hands,
And we know that has no end.
We exist and give the prove
Of our existence through
Eating, drinking and walking.
We exist to collect life
In the air and in the water.
We exist to go round and round
The whole world.
We face war,
No one debars us
To move forward.

Gajanan Mishra
And Trust Me

And trust me
On this way.

Trust me
I am in time.

Trust me
With proper verification.

Trust me
With patience.

Trust me
I am with you always
In fire
In water
On the land
In the sky.

Gajanan Mishra
And We Are

And we are here
all days together.

It is the earth
And it is the sun.

And it is the air
That enables us to live.

It is our life
And we are here.

Everything is opened,
No disappointment.

The earth teaches us
how to stay with patience.

We are confident
with the sun.

Gajanan Mishra
And We Are For All

Let us live
here on this earth
like a lion.
Let us use
our own language
and show identity.
Let us love
each other and
spread fraternity.
This world is
for us,
Thus language is
for us.
And we are for all.

Gajanan Mishra
And We Flourish

No activity,
And we flourish.
Virtually
We are here.
And here
We generate ideas.
Ideas of
Collecting data.
And we discuss
On language,
On education,
On life.

Gajanan Mishra
And We Labour

And we labour for nothing,
Nothing is there here.
We come and we go for nothing,
And nothing is there here.

We are busy in focusing
On priorities of life.
And we are measuring the space
We have acquired so far.

We are so fooled that we are
Laughing at us for nothing.
And we are calling no one to
Keep us in tact for everything.

Our status is in between
Nothing and everything.

Gajanan Mishra
And We Live

And we live,
Forgetting everything,
Here, there and everywhere.

I am sure, life is in
No way related to
Any kind of hate, struggle,
Love, affection,
Wealth, relation.

Life is there,
When we say
We live,
Life is also there,
When we say
We are not alive.

Gajanan Mishra
And We Three Can See

We are three and we three can see only
The manifested cosmos according to
Our individual ability that is in eternity.

Gajanan Mishra
And What Is Water

For which we are
In this summer.

Water is a lover
Water is a fighter
Water is a crusader.

For water
We are here
My dear
Water is not water
In this summer
Water is fire
In the hands of
Angry Brahman.

The Ganges and the Yamuna
And the Saraswati and
All the streams and rivers
Of the world give
Water to purify us
And we in return pollute them
Is water life we know and
Care not the answer.

Here is water
In your eyes my dear
Is it telling the story
Of victory
Our poets are writing much
About this water
But water care not anything.

We analyse water
We recollect our
Previous days
Related with water
But water is water
It is going on its own ways.
And what is water
You are asking me
And where is water
same questions by all creatures
See, I have not a drop
To drink now-s-days
How can I say
All waters are there
In the sky.

Gajanan Mishra
And What About You

And what about you,
That I would like to ask.
No reasons of course,
But you are there
In your universe,
In your poetry,
Within you.
I want to work,
Simply by concentrating
My mind you,
The truth.
No desire but
Curiosity is there
In me, in love.

Gajanan Mishra
And What Is A Family

And what is a family
Poet replied
Family consists of mother
Father brother sister
Wife son and daughter
And who are they
Poet replied
Truth is mother
Knowledge is father
Religion is brother
Mercy is sister
Peace is wife
Tolerance is son
Honesty is daughter.

Gajanan Mishra
And What Is A Photo

And what is photo
The photographer can tell you.
And what he told
Is to conform the pose.
And the pose if neglected
Spoiled you and the picture.
And your life is in danger
O Photographer please guide
You are my master.

Gajanan Mishra
And What Is A Secret

And what is a secret
You know, I know,
I know, You know, my dear.

Secret is secret
When it is still opened.

Open it as per Your wish
And I feel nothing.

The matter of feeling is
Relative no doubt, and yet
I stood with You.

It is wise
To know
It is wise
To feel.

But what is that
Difficult to ask
And also difficult
To answer, my dear,
Love does not permit
Any question and
Truth does not
Admit it.

And secret
Remained as before
As secret.

Gajanan Mishra
And What Is A Secret That Is The There

And what is a secret
You know, I know,
I know, You know, my dear.

Secret is secret
When it is still opened.

Open it as per Your wish
And I feel nothing.

The matter of feeling is
Relative no doubt, and yet
I stood with You.

It is wise
To know
It is wise
To feel.

But what is that
Difficult to ask
And also difficult
To answer, my dear,
Love does not permit
Any question and
Truth does not
Admit it.

And secret
Remained as before
As secret and that is
There, ask not anything more.

Gajanan Mishra
And What Is A Whole

And what is a whole
That I know not
And I roll back.
The message I receive
Is incomplete one
And still, I proceeded.
The air is hungry,
Told me on the way.
I construct a story,
Then and there for
The pleasure of the water.
But the men, who are wounded
Showed their untold happiness,
And I feel the spring.

Gajanan Mishra
And What Is It

And what is it
that I don't know.
But I know you,
And my knowing
is exclusive.
What is that exclusive,
That I don't know,
And I do not want to
loss my time
on the word exclusive
As I want to give
entire time to you.
I am not concerned with
any form or attribute,
I am also not bother
about what is going on
with or without you.
But I know you and
I know as you are here
with me I am here
as you see me in this way.

Gajanan Mishra
And What Is Love

And what is love
You are asking me
That I am not able
To answer at all.

I am telling you
I love you and
That much I know
And I surrendered
Myself in to to.

I surrendered before You
O my dear, Your questions
Are not a matter
To ponder here
I know it is love-matter.

Gajanan Mishra
And What Is Misery

And what is misery
And let me say
In the name of misery
Your frightening is unnecessary
You are telling about perfection
It is nothing but your imagination
Living in imagination is
Nothing but putting life
In to more and more miserable conditions.

Gajanan Mishra
And What Is Nationalism

And what is nationalism
But I see the false conception
Of nationalism with you
And let me say clearly
It is throughout the world
As all are fighting like
Cats and dogs for their
Own interest and all are
Busy in designating temporary
Objects perceived by the eyes
Nose tongue touch and taste
Nationalism let me say
Is a type of Absolute Truth
Universal in nature and character.

Gajanan Mishra
And What Is Poverty

And what is poverty
In which we are busy
in discussing so much?
Is not poverty lacking of faith?
Has it some friend and
if yes who are they?

We are fully aware
poverty is nothing
But a mental status
So long as we are telling
we have brain,
Let the brain in its way.

And we are in our world
With every richness with us.

Gajanan Mishra
And What Is Sin

And what is sin
I know not till date.

I know so called
Sinful acts can be purified
By taking shelter of truth.

I know Truth is with me
And I am in Truth.

Nothing is sin here
I only see Your
Supreme power, my dear.

Gajanan Mishra
And What Is Suffering

And what is suffering
That a thing happened
When I did not desire
And what is suffering
That a thing did not happen
When I desired.

But my dear, You are
At the root of my desire
And desire is the root of my thought
It is my thought that is
Suffering not I
When You are on the way
Of renouncing me.

I love you I love you
Since You are mine
O my dear, even in dream
You are with me
Without you only I am suffering
And how I am suffering
Is a big question.

Gajanan Mishra
And What Is That

And what is that,
That is not there in me!

Gajanan Mishra
And What Is There

And what is there
If no desire.
And there no means
To utter words.
And in words
There is thirst.
And thirst
Needs to
Close first.

Gajanan Mishra
And What Is Your Body

And what is your body
It is nothing but a dead
Lump of flesh and it is
Nothing but fleeting bubbles
Of foam on water and
You are actually a plaything
In the hands of death
Desiring to conquer nothing.

Gajanan Mishra
And What Is Your Name

And what is your name,
From when you are here,
And where do you intend to go to?
I am not asking these questions to you,
But dear friends, I am asking me
To know the truth within.

And what is the truth,
How far the truth is true,
And to whom it is related?
I want to know from you,
As you interfere me now and then
In every works everywhere.

Come on and touch me, If I am
Going outside. But no,
I am here always inside.
I am here with you, dear truth,
No one dares to say anything,
As I am not unholy, as you see I'm good.

Gajanan Mishra
And What More You Want

And what more you want
That I can't say or
I can't explain so many times,
Or I can't submit myself
Before you for no reason.

The landscape is mine
And I stood firm there
On the top of the hill,
That is within the ocean.

The ocean is within me
I declared before all creatures
And they all wander here
Within the sky to find out
The light meant for them.

The winter is ahead
And all are trembling with fear.
But for what they know not.
And yet I reminded them to
Wait for the new sun.

Without finishing anything,
They are all there with words
And I believe not the assembly
That has vested interest for
No good features, created though.

The beauty is there
In each one.
The love is there
In each one.
And the truth is that
They are all in one.

Gajanan Mishra
And What You Are Doing

And what you are doing
At present that I
Want to know on this bridge.
I am here on this bridge
In my mud-house, see.
But it is pleasure moment
As I find you here with me-
The best partner I am with.

Gajanan Mishra
And What You Wish

And what you wish
That I am unable to know
You are telling so much though.

And your faith your belief is my downfall
That I know from the beginning
And using what are there within me.

I have my own world I know
And in that world I have nothing
that are being called absolutely mine.

All teachings are baseless I am telling you
And you have nothing to disagree, I know
And still you are pressing hard to go reverse.

Let me convey you one thing
You are only mine.

Gajanan Mishra
And When

You would be
On the fire
That I don't know.

You are water
I know You kept
The fire within
You for all times.

Fire and water
Are Yours and
You are beyond
All that.

Gajanan Mishra
And Where

And where are You
That I am searching
Day and nights
And what is day
And what is night
That I do not know.

I do not know
So many things
I do not know the products
And the firm and the fuel
And the fire and the vessel
And the air.

I know only You
Who is at the center
With everything
Developed and destroyed
With all constituents
In the ethereal sky.

See I am in this sky
That is ready to fly.

Gajanan Mishra
And Who Am I

And who am I?
What for I am here?
Alas, till date
It is not clear.

I am telling myself
I am alive.
And I am unable to know
The meaning of living.

What is this world
Where I am now?
I know I have far less
Value than a cow.

Who am I to object
For any word or
For any action
Of yours?
Have I so knowledge?

The knowledge
That is here
Is not clear.
Excuse me, I am
Telling this, my dear.

Gajanan Mishra
And Who Is A Foe

And who is a foe
I asked myself
A counter question
Returned to me
And who is not a foe.

What shall I do
I asked myself
And I received the answer
Do whatever you want to do
I remembered no need to do.

Gajanan Mishra
And Words

And words without sound
Came to me in large numbers.
For what they came
I would tell you later on.
But presently, please come
And listen the words with me
What they are saying in silence.

The entire sky is falling in silence
Only the air is giving us the news
That are so fast that we are
Unable to tolerate at this hour.
Anyway, since the earth is with us
No problem arises at any point
And we are ready to throw the words there.

Gajanan Mishra
And Yet I Am

I am a man
And yet, I am
Not the man.

As a man
I am attached
To everything,
Yet I am
Detached from all.

I am self satisfied,
And yet, I am
Hankering after
All things.

I maintain the creation
And also, I am
The cause of destruction.

Gajanan Mishra
And You Are

Ah, You are with me
In the air
In the sky
In the water
In the sea
And you are
The only person
To rescue me.

Gajanan Mishra
And You Are Excellent, My Dear

And You are excellent,
You are excellent, my dear,
You are noble and virtuous.

I am with You, and I am grateful,
See, I am a fool, I am with my grieve
Though I know, no need to grieve
When I am with the Full and the Whole.

No need to worry, You are telling in silent
And I am hearing You, my dear,
I am at Your door, door of devotion.

I am attached to You only, my dear,
And You are seeing me with all compassion
I am here with You, my dear, and Your excellency,
You are here with me from the very beginning.

Gajanan Mishra
And You Are There

And You are there
On that tree
On that hill
On that cloud.
I know You
From Your sound
From Your colors
From Your shape.
And You are there
With a touch
With a smell
With a sight.
I know You
And You know me.

Gajanan Mishra
And You Care

And you care
My share
While trying to
Check the air
While I am
Trying to fire.

Gajanan Mishra
And You Know

And you know,
Life is for living,
Living in a question,
The question of self.

What is that
That I failed to know,
That I am unable to say
Anything further here.

And here I am meeting you
It is the only truth
Wherein we both are
Picturising us for all.

Gajanan Mishra
And You Said

I went no where
And you said
You saw me everywhere.
I played every game
And you said
You won with my name.
I turned to love
And you said
You declared well with clap.

Gajanan Mishra
And You, Smile

And you, smile,
Smile for me.
Smile also
On me,
And on all here,
Smile nature.

For me, my sweet,
Stay here.
Stay for a while,
Stay there
In my dream,
And let me know
The truth and
The falsehood.

For the truth,
Experience life.
Life is divine,
With peace.
Peace is not
In pity.
Never say
Life - calamity.

With care
Feel life -
Virtues of delight.

Gajanan Mishra
Andolana (Odia)

Kana kariparithanti aau mu
Mora gotie swara?

Kahili mo swara sahita swara milaa sabhinku

Gajanan Mishra
Andolana Aau Nuhen (Odia)

Andolana aau nuhen,
Baram mu chahen bibartana.
Bibartana- nija bhitare prathame.

Gajanan Mishra
Anger

Anger,
I fear.
Anger,
Appears.

My strongest enemy
My own anger.
Anger appears
At my weak moments.

I have to make myself
Strong and more strong
And I have to acquire
True knowledge.

Anger burns me,
I know anger is
The gateway of hell,
From anger,
Arises delusion,
From delusion,
Arises confusion of memory,
From confusion of memory
Comes loss of reason,
From loss of reason,
One goes to complete ruin,
And I know this
From scriptures and the Geeta.

O my dear, how can I
Control my anger, my enemy
You have stated in details
And yet I fear anger,
Anger appears and I suffer
As fruits of my wrong actions,
And I commit sin,
And anger spoils my nature
And with anger I invite
My own painful forms of live.
Anger And Desire

Anger and desire  
Both are brothers  
And they are here  
With you.

And you are  
Telling me  
You are not  
With them.

How is it  
I do not know  
As you want  
This and that.

As you are getting angry  
Soon after you are  
Deprived to  
Get something as per will.

And what is your will  
Do you know  
The will is here  
With you with me to kill.

Gajanan Mishra
Anger - baseless,
Life - not useless.
Value life,
Life is there
To value
You.
Have patience
And see,
And observe life,
How it is
Going on
With you.
Love life,
Life is the truth.

Gajanan Mishra
Anger Hanker

Anger hanker lament-er all are here
And still I am going as per my sweet will.

No one can think me as a mechanical vehicle
And push me or pull me anywhere he likes.

I know my inner life and my nature and truthfulness
I know I am a divine kingdom and herein You reside.

I am intelligent enough and I have my own view
No one can influence me in any matter who so ever.

Gajanan Mishra
Anger Has No Work

Anger has no work here
Work is not here for anger
Do not welcome anger
My dear since I am here.

Gajanan Mishra
Anger is the serpent
Knowledge about You acts as charmer
Your lovely words and illuminating speeches
Are the nectar
O my dear, I am hearing You
With wide-open ears and pondered it as well
How concise and meaningful really
Everything You utter
It is Your favor, O Supreme ruler
For the good of all, You are here.

Gajanan Mishra
Angry Sea

I have no power
To control
The angry sea
That is here
With me.

I am also
Not able to
Watch dawn
That is gloomy.

All in a hurry,
But I am also
Not in favour of
Immortality.

I love angry sea!

Gajanan Mishra
Anguish

I care not anguish
If you are here with me.
I have the mouth
I do not know
How to speak.
To tell
I am waiting for you
To go with falsehood
And that is not good.

Gajanan Mishra
Animals Are There

Animals are there,
See, my dear,
And they are hankering
After pleasure.

But see, I am a man
And I am going
With the scriptures
To make life better and better.

Gajanan Mishra
Animals Birds Insects

If you want to do something
Do for animals birds insects
They are really innocents
They are nature's true friends.

If you want to do something
Do for the trees herbs mountains
They are really doing great jobs
Silently to save environments.

If you want to do something
Do for the earth air water
They are the life giver, please try to
Keep them pure for sons and daughters.

Gajanan Mishra
Animals, Birds, Trees, Mountains,

Animals, birds, trees, mountains
All are waiting there for fear of
hide and seek play of life and death.

It is all for righteousness, they are
All here with eternal power in them.
It is all for the influence of the good
They are far away from all sinful acts.

Let me assure you, my dear, it is we
Who can go and touch the earth with a
Strong will to capture the skay that is
Waiting there for reason of well-disciplined.

We need not be afraid of anyone, dear,
As we all are sons and daughters of nature
That has no control over the life here.

Gajanan Mishra
Anla Gachha(Odia)

Kahara ae dharitri?
Na tumara na mora!
Tathapi achha tume
Aau achhi mu.

Tumara pratyeka patrara
Hisab padiba debaku.
Hisab tanakhi belaku
Na thiba tume na thibi mu.

Bakiaa khataku
Nebar nahin kichhi,
Jaha jemiti jouthi
Rahichhi munda pipiti
Seithi, jouthi achhi mularu.

Gajanan Mishra
Annihilation

Remember, all achievements are
Subject to annihilation
And so my dear, nothing
But His grace is the only matter
For enjoyments.
Only Your grace
I am in need of only Your grace
And nothing else
Let me enjoy this transcendental
Gifts and let me free from
Proud of aristocracy and material possessions
Only with Your grace there would be
Perfect combination
And fulfilling of ambition.

Gajanan Mishra
Annoyance

Annoyed after being told off
Boarded the time-train and slept
Resolved the problem and returned back.

Gajanan Mishra
Anonymous

Anonymous but
Not without character.

Assassination but
Not accidental murder.

The planet, not minor.
The assumption, not clear.

Classification is not mixture,
No one is an assigner.

Gajanan Mishra
Another Man

I am another one,
And not the same man
As you saw yesterday.
And as you know
My present is not fixed.
I am lost, not
In the forest
But in you.
Step by step I am
Entering through
Your eyes,
And your eyes are
Round and round
As all know.

Gajanan Mishra
Another One

Another one, yes, another one,
I see here, there and there,
And it is my love, my love,
In winning winning stage.

It is true, I am with passing glad,
I a the chosen one, the same one
And not the another one, not another one
That is separate and that is distinct.

I am the true light, my dear
I am the true light that is here,
Here, here, there, there and there
And for me the heaven is clear.

Gajanan Mishra
Answer All

Be cautious,
You are going to appear
An examination
You are required to answer
All the papers
Relating to your cultures
And relating to your history
And your geography
You are to know some of
Current events and some
Languages of this world
You are to learn
The language of silence
And to answer all is compulsory.

Gajanan Mishra
Answer Another Heart

Answer another heart, my dear,
Answer another heart.
Here You are, my dear,
I see You, without fear.

Wither not, my dear,
Shrink not and hear
The echos of Your
Own thought here as
Advised by Pearl Buck.

You are not alone
At any point of time
So many persons are there
With You for support
And to make You delightful.

Gajanan Mishra
Answer Is Here

Answer is here,
Go into it.
Life is real,
Enjoy it.
Truth is there,
Taste it.
Love is in you,
Respect it.

Gajanan Mishra
Answer To All Questions

Alcohol is not the answer
To all questions
Stated by Mahatma Gandhi.

Alcohol is not the answer
To all the questions
But if you do not get the answer
It helps you to forget the question
Stated by Vijaya Mallya.

Gandhi and Mallya
Two poles of alcohol
Life style of both are
Like alcohol but with
Difference to those
Who know alcohol and those
Who do not know alcohol
Both the persons are
Irrelevant and meaningless.

Gajanan Mishra
Ant

Ant ant
Do not chant.

I know
All day long
You are there
Like or dislike
You do not care.

Ant ant
In and out
You do not
Like tout.

Toddle toddle
Like you
I am going to
Yet to complete
Allotted task.

And you
In sharp contrast
Day and night
Complete all works
Step by step
With rules
With procedures.

Gajanan Mishra
Ant Or Elephant

Ant or elephant
For You
Equal
And all are
In the ocean of suffering
Pick up them
O my dear
I am falling
At Your lotus feet.

Gajanan Mishra
Ant, Not To Wonder

Ant, I know
It is an ant.
It is not black,
Not white, not red.
It has wings also.
Ant, not to wonder
It climbs ups
And down.
It has a specific
Syllable.
It has some weight,
And that can be measured.
It has bones, flesh
And something to know.

Gajanan Mishra
Antaryami

You know what is
There in me
You are Antaryami.
You know what is
Good for me
You are my swamy.
You are the symbol
And the divine and
You have taken a vow
To protect all beings.
I am praying and
Ready to fulfill
Your terms and condition
Please save me from all sins.

Gajanan Mishra
Anti and pro twins, two words,
Go beyond these two please, my dear and see yourself what is there.
I know you are no way affected by any one and you are neutral.
You are neutral that I know and for this I am here with you.

Gajanan Mishra
Anticipate danger, my dear friends
And howled from a distance like the clever fox.
The footprints are only in one direction
And that is towards death.
And death-lion is greeting you every moment.
Do some wonderful works for the service
of others watching the time with you
And destroy not yourself before reality.

Gajanan Mishra
Anticipating His Father

Anticipating the wants of his father
If a son has done something he is first class
Receiving the orders of the father
If a son has done something he is second class
Irreverently is a son executed the order
Of the father he is third class
And if a son refuses to execute his father's order
He is regarded as his father's urine and stool.

Gajanan Mishra
Dote and antidote
Both are for
Happiness and misery.

Dote is contraction
Antidote is expansion.

Let us go with expansion
And get back our joy
In return.

Gajanan Mishra
Anti-Graft Campaign Is Going On

Anti-graft campaign is going on
Come on and join if you are honest
And if you are really honest
Have a helping hand to make
The land best.

Gajanan Mishra
Anti-Lynching

Constitution is there,
Law is there,
Trial courts are there,
And no one can execute or
Punish anyone
Without lawful trial
Or by a self-constituted
Illegal court.
No one also allowed
To go to do on the road
What he like at any time.
No one also allowed to
gather people with falsehood
And disturb the peace.

Gajanan Mishra
Anupa

Anupa is there
gunn gunn singing song.
What is there in the song
we can not say definitely
as Anupa is not ours worldly
And Anupa roared swiftly.

Who is Anupa?
Anupa is BulbulChandans daughter
and our granddaughter
of five to six months
and Anupa is here.

You can ask any question to Anupa
And Anupa used to reply
in silentsmile.

The world of Anupa is not ours
And we cannot understand
the theme of her word
Anupa is strong enough
If you go to her she laughs.

Gajanan Mishra
Anurakta Nahin (Odiaa)

Manerakha, tumara
Anurakta nahin.
Manerakha, jaha
Anusarana kara, taha tume.
Manerakha, tume
Sakala pari swachha.

Eka sakta jibani sakti.

Gajanan Mishra
Any Harm

Try not to do
Any harm in any way
To any one.
You cannot do
Any harm to any one.
When you are going to
Do any harm, remember,
You are doing harm to yourself.

Gajanan Mishra
Any One But You

I know not
Any one but You
You know not
Anything but me.

Rests are there
With nothingness
Throughout the time
Anything but me.

Gajanan Mishra
Any Other Issue

Ask not about
Any other issue.
Be attentive
About this most
Burning one
On the offences
That has a link
With humanity.
Keep your eyes
Open always
And see
The safety of
Each child
Each human being.

Gajanan Mishra
Any Question?

Any question?
I see no one is
Coming forward
To ask anything.
Reason?
Each one is
Thinking himself
Great intellectual
Or a fool.
And I feel
Not satisfied with
The things going on
In my presence
Here at this time.

Gajanan Mishra

Freedom of speech is
There, though.
Please remain silent,
If you are not able to
Utter words correctly
In a pleasing manner.
Words are cheaters,
Stay cautious.
Your opinion not needed,
You are to watch,
The happenings only.
Analyze and assess
Everything with a sharp skill.

Gajanan Mishra
Anything You Want To Give

At proper place and time.

I know
from the beginning
I am the death,
I am within death,
death is no one else
but it is I.

Gajanan Mishra
Anytime Anywhere

The sky is not bigger than me
and I in good faith walking on the road.

Air is there to cool me
and to declare alive.

No cause of action for the truth
to move to court against me.

I am on the road
that is the fact.

Any one can see me
at any time anywhere.

Gajanan Mishra
Anyway

Anyway, you dare to
Ask me question,
Thanks for that.

Let me answer to your first one
Where am I, my dear,
See me, here, there, everywhere.

Second one related to
My stay, very important one,
Look within you, my dear.

Answer to next and next questions
Are not mandatory and it is astonished
That you are going for answer
Knowing well you are under the sky
And without wings you want to fly.

Gajanan Mishra
Anyway You Have Killed Me

Anyway You have killed me.
You have also made me a
Symbol of passion and ignorance.
You have heard some other's prayer and
You did not like to hear me
Before killing me.
Is it not injustice?
Ex-parte decision is not right
Have You forgotten it!
I am still here crying
Even after my death and
Searching the answer.
Why You have made this world
And what for You have made the creatures
Eat each other to fill up belly?
What is the purpose behind it?
Why You have not distributed knowledge
Equally? Am I not in distress
When I am hungry?
You have cut my mouth pieces with Your wheel
Alright. What You have done that is right.
You are great. Let me perish.

Gajanan Mishra
Anyway, You Have

Anyway, You have
Made me distinguished
The bad and the good.
I know not what is
Night and what is day
It is You who made it clear.
Anyway, I am here
To see and face the waves
That are rising high
To touch the sky.

Gajanan Mishra
Anywhere And Everywhere

Anywhere and everywhere
I fly and float with my poems
See my poems it is weightless
And here is a royal road
Only for me in my poems

Between you and me.
Where you are
See, there is my staying.
I am in you
You are in me.

Gajanan Mishra
Apabyabahara Kara Nahin (Odia)

Apabyabahara kara nahin,
Nijara aatmaku apabyabahara kara nahin,
Nija aatma
Aakasha pari nirmala.
Aakasha seithi achhi
Tumaku karibaku samartha udanare.

Aparadh Sweekar

Ratira sabu swapna
Bhuligali sakalaku aau
Daudi palaili duraku jibanaru.

Gajanan Mishra
Apart But Together

Apart but together,
We are all here
For the earth
And for the sky.

We are eager
To stay with life.
We know nectar is
There in day-hive.

Not fun but
Reality is here,
And we are to go
With laughter.

Gajanan Mishra
Apart From

Apart from all
I am yours, my dear.

I know, you know,
We cannot live
Apart from each other.
It's not possible
To know apart.
No one can able to
Set us apart.
And yet
We are independent
And free,
We are going apart
From each other,

Gajanan Mishra
Apart from the truth,
I see nothing.
Still, I am
In this wonderland
Where differences
Are lost really.
Apart from emotions,
I find nothing.
Still, I love
The practical life
Wherein I am the hero
And you are the heroine.

Gajanan Mishra
Apart From You

I recognize
Nobody and nothing
Apart from You.

I see You all
That is only
My understanding.

All attraction are
For You and You are
The reservoir of pleasure.

O my dear, O my dear
With You I see
No danger no danger.

Gajanan Mishra
Apj Abdul Kalam

I salute you,
Kalam Sir.

And not a politician
That I know
From your activities,
And for this
YOU are our head
For all times to come.
You are really
Valled the man of Missile,
Missile of humanity.
YOU are here for ever
In our minds and hearts.
We mark your eagerness
To guide and motivate us
In the path of truth and love.

Gajanan Mishra
Apparition

It is all apparition
What we see, here
And our obtained one
Is all invisible.

Gajanan Mishra
Appear to be partial,
But in fact, the things
That are happening
Meant to show
Special favor.
As because we are
In truth and in love
And we agree to
Surrender everything,
No wrong can be done
At any time by anyone.
We are to keep it
In mind, always
While living here.

Gajanan Mishra
Appearance

Vapor cloud
Smoke ice
And water
And all water.

Tree bird
Animal earth
Man insects
Stone air
And you are
My dear.

I am only here
To remember
To surrender
And before you
Just to appear
And I am on line
When you to appear
It is your appearance
That make me clear.

Gajanan Mishra
Appearance And

Appearance and
Disappearance
Of everybody
Is but common.
Understanding
Depends on
Admission.
Inexhaustible
Glories is
But material
Manifestation.

Gajanan Mishra
Appeared And Disappeared

Appeared and disappeared.
Sacred water and sacred fire
Is here and is there.
Just be virtuous and attain peace,
I know you are not to perish.

It is my life and my life is my own
You can never disowned.
It is joyful and what more, how much more,
I am just here with You, and it is in love,
I am entirely depending on You and You are here.

Gajanan Mishra
Application Be

Application be
Filled up.
Rules regulations
Be followed of.

Orders be obeyed,
And what has been
Done for you,
All should be shared.

Division be made,
Result be published,
Testimonials be produced,
And all works stay.

Gajanan Mishra
Appreciate A Poet

Be a poet
And appreciate a poet.

No one is cow here
Rob not any one.

Here, see
The fools
Become wise
And the mute
Eloquent.

Here, see
Love inexhaustible.
And there is life
Blossoming always
In dry hard heart.

Gajanan Mishra
Approach Should Be

Approach should be
Proper, my dear.
Living should be
Proper, my dear.
Sitting, eating,
Sleeping, working
Should be proper.
No one nut I am
Here to evaluate you
Whether you are
In the truth or not.
You are there to gain
Everything that are
In me my dear, be clear.

Gajanan Mishra
April

Here is April
And here is cuckoo.

Here is the sun
Here is cuckoo's coo coo.

The April and the cuckoo
Both are life's truth.

I love the April and
The cuckoo both.

Gajanan Mishra
April Fool

Yes, on this day,
We have got our state.
On this day,
We declared ourselves
As fools.

Is it true
That we love each other
That we love our land
That we love our mother?

Let us come forward
To change our looking glass.
Let us come forward
To let the mass know
What is going on so far.

Gajanan Mishra
April Sun

Sun, april sun
Do not go son
Air april air
Nothing is fair
Do not go far
To make you safe
nothing is there.

Gajanan Mishra
Architect

Architect.

A man is
The architect
Of his own fortune
A man has
All the facilities
To understand his
Real position
A man should know
What is truth and
Get himself free
From all agitations
A man should know
sun and moon are in him
Under lamination.

Gajanan Mishra
O Architect of Modern India
Let me salute you.

O Architect of this earth
I am Yours for ever, let me see You.

You are my beginning You are my end
You are my everything and my Ultimate Truth.

Gajanan Mishra
Are Men Dogs?

Are men dogs?
No one has right
To say so.
But 'Be aware of dogs'
Are there
In front of the house.
Who are there
Inside the house?
Without any pause
Any one can say
Men are there.
And my dear, for
Your life's security
None is a guarantor.

Gajanan Mishra
Are My Legs On My Head?

Are my legs on my head?  
Are my hands in my tongue?  
If not, why are you telling  
So many things at a time.  
Why are you not observing  
The things as they are!  
You know, I use spectacles,  
And I have my own mirror.  
Just glance at me, my dear,  
How I am spending my time,  
Now-a-days with my own poems  
That are trying to fly  
Leaving me here.

Gajanan Mishra
Are Not Reading Me?

Are you not reading me?
I am here within you, see.

How you are enjoying life
Is the main question.

Here you see, no one is
Superior and no one is inferior.

Everyone is going on the same way
This is the truth of the matter.

Gajanan Mishra
Are They Yours

Are they yours-
Baramula, Uri, Pathankot? ?

Am I not yours?
Are you not mine? ?

Why are you fighting
For nothing?

Are you not inviting
Your own end?

Okay then, I am ready
To give a fight.
But be sure,
You are responsible
For the consequences.

In any way, I am here to cry.

Gajanan Mishra
Are We All Not Blind?

We are unable to see
And yet we accept
Another such man
As our leader.

We are not yet able to
Know our goal and yet
We accept another rascal
And a fool as our guide.

We are not interested
In self-realization,
We know not our direction,
And we forget the sun.

Gajanan Mishra
Are We Friends?

Are we friends?
Do we know
Who we are?
We are not able to
Hear the voice of
That star.
Do we agree, knowing
Is a dirty task.

Gajanan Mishra
Are We Here

Are we here?
Nobody says no
But I believe not.

Is it a circle?
Everybody says yes
But I believe not.

Take a break.

I will tell you
the reason
and you will be
out of question
session.

Gajanan Mishra
Are We Independent?

Are we independent?
The straight answer is-
No.
We are not independent.
We are dependent
At every moment.
We are the fragments and
How the fragments become independent?
Even the whole is also
Not independent.
As independently nothing
Would be a whole.

Gajanan Mishra
Are We Living?

Are we living?
Are we living in this world?

This world is ours
We are telling to each other.

We are telling to each other
Let not the world be a burden.

And we are living and
The world is smiling at us.

Gajanan Mishra
Are We Not Fools And Rascals?

Are we not fools and
Rascals when we enact
A law whimsically
That is not there
In the Constitution,
And that goes against
The interest of
People in general?
Are we not fools and
Rascals when we are
Going to enjoy life
And pleasures
At the cost of the people
To satisfy our own interest?

Gajanan Mishra
Are We Not Living At The Cost Of Another?

Yes, I know
You are living
At the cost of another.

Yes, I know
You are like tiger,
I'm a deer.

My death is imminent,
But are you
Not dying at my dancing?

Let us understand each other
For the fulfillment of our life.

Let us enjoy the life
With the aroma of nature
With us at present.

Gajanan Mishra
Are You A Dancing Dog?

Are you a dancing dog
In the hands of others?
What do you mean by love?

Love means, remember,
All truthfulness,
All cleanliness,
All mercy,
All gravity,
All intelligence
In true knowledge,
All simplicity,
All fame,
And all forgiveness
And control of the mind
And senses.

Love means life,
Love means living like a tree,
Love means the star that is fixed,
Love means all these qualities
Are there with the progress of
Truth consciousness.
And what is truth?
Truth is like a stream
Of the hill in the dense forest,
You can find only pure water,
There, my dear.

Gajanan Mishra
Are You A Nationalist?

Are you a nationalist?
I am asking you,
I know you are more than seventy.
I know from generations
You are here and you are
Giving everything.
I am searching your nationality
In singing national anthem,
I am putting a question mark
In the very nationalism.
I am barking for national products.
Nationwide I am spreading messages
For national service and
Wasting time on the nativity.

Gajanan Mishra
Are you a poet?
If yes, come on
And hide yourself
In the light
Of your thought.
Belive or not,
I am your reader.
And I want you
To love me
At this junction.

Gajanan Mishra
Are You A Thief?

Are you a thief?
Are you not a thief?
Both the questions
Invite same answer
And the answer
As you know
And is well known to all.

You are a saintly person
That I know with reference to
Standard scriptures and I have
Kept all scriptural references
For future guidance
I accumulate everything for You
Everything is sufficient after
Meeting You here at this time.

Gajanan Mishra
Are You Able To Catch Me?

Are you able to catch me?

What you think
I am not like that.

But I rule my thinking.

May be, I failed
to catch my thinking.

I am not forbidden
To see the ash-flower
on that colorful hill.

Why should I say
about the insects
and cracks, as
My attention is not there.

Gajanan Mishra
Are You Alive?

Where is your heart's palpitation?
Is there any heat
In your hands and feet?
And where is the blood's circulation?
Ask yourself, O my dear
For the answer I am here
Under the order of nature
And I am afraid, O my protector
Before You I surrender.

Gajanan Mishra
Are You Civilized?

Are you civilized?
Ask yourself whether
You are angry or not
Whether you are telling
A lie or not
Are you distributing
Your wealth equally
Are forgetting and
Forgiving all
Are you begetting children
Only by your legitimate wife
Are you pure in body and mind
Are you not inimical towards anyone
Are you simple
Are you ready to giving support
To your servants
Know the answer yourself
Putting the question whenever
You are alone.

Gajanan Mishra
Are You Competent?

Are you competent
To become my friend?
Are you qualified
To do the works
For public welfare?
No need to tell me,
But search out
The answers within.

Are you there
In perpetual happiness?
If yes, why to worry?
And if not, try to
Achieve and let me
Know your motive.

Gajanan Mishra
Are You Disturbed?

Are you disturbed?
No, not at all- you replied.
Okay then, go on- I said.
Where to go- you asked.
I advised, inside.
Okay then, you said
And you proceeded.

Respecting all I stayed,
And you reacted like anything,
But not worried I observed.
There you are with all,
But no one is free to recall.
What you said is true,
What I see and observed is true.

Still, we have to leave,
And have to return again
And again, though,
In a changing form and atmosphere.
But nothing to worry,
At no point there is something
That can disturb us.

Gajanan Mishra
Are You Doing Well?

Are you doing well?
I see the rivers
Dried up.

What about me?
Here I am cheated.

Gajanan Mishra
Are You Feeling Bored?

Are you feeling bored?
Let me suggest you,
Just start and go.

From where to where
That I cannot say,
That choice is yours.

If you trust me
Come alone and
Smile at you.

That you know not
Till today
Who you are.

Are you able? if yes, help them
Who are acutely miserable.

Gajanan Mishra
Are You Free Now?

Are you free now?
If yes, call me.
If no, intimate me,
Later on, I am there
To call you.

I am the truth,
And I am not here
To reconcile
With something and
Something relating to
Birth and death.

I am not to touch you,
I am not to tell something else
To somebody else about you.

With all honesty,
Let me clear,
I am not the sailor
In the clouds.

In my own showroom,
I am ready for anything
But for good.

My poems are there
With all clarity,
My life is there
With its own identity,
My time is there
With eternity.

Gajanan Mishra
Are You Happy?

I don't think
As you are not
doing anything
for others.
You are in want
As you are unaware
Of intrinsic value.
You can not escape
Vigilance as you
Lack devotion.

Gajanan Mishra
Are You Here?

To the question
Are You here
You are answering
O yes, see.

And I see You
In this wonder land
You are the part
And parcel of healing process.

Here suffering is the truth
Here You are the truth
And here everything is external sign
Besides You.

You are the life and I am living
And I am enjoying in this form of answer and question.

Gajanan Mishra
Are You In Deep Sleep?

Are you in deep sleep?
You dream and see in yourself
Many other objects
Though you are not with them.

Deep sleep dreaming and
Wakefulness all are
But the energies of eternity
And though unaffected you are there.

Gajanan Mishra
Are You Interested?

Are you interested?
And for what?
The answers determine
Your further course.

How you explain
That has also some value
Go home and at least
Try to go or return as you think.

How you are managing this life
And what is the next all are
Within you just search and see
You are there at the neutral.

You cannot say you are in distress
Or you obtained happiness
Out of this time and situation
Sure, you are not given any instruction.

If you want to say something
About your achievement, please stop
I am here not to listen you
But to promote you towards Truth.

Gajanan Mishra
Are You Less Than Words?

Are you less than words, men?
See, how they are joining each other
To make a meaningful sentence.
Men, Your work should be
Joining one to another and not
Deserting and desecrating
Any one from the main stream.
How earger you are to globalize all
That depends on your real performance.
Meaning of life is not to let go
The sinking ship deep and
encourage all passenger to keep
patience and think for the way out.
Time is not here for derision or fun,
Keep it in mind- the earth is
Going round and round and
Telling to all, Oh my dear sons.

Gajanan Mishra
Are You Looking

Are you looking?
Are you looking at me?
And where am I?

Have I closed?
Have I closed the doors
and the windows?

See here within you, my dear,
In your own inner world, and
Find yourself intact.

Taking advantage of time
Spell your name at this hour
Alter anything if you disliked.

You are free to draw or redraw
Anything that are there since long.

Gajanan Mishra
Are You Not Enjoying The World?

Are you not enjoying the world, my dear?
If no, what for, let me know, I am here.

Take life a leisurely one, my dear,
It is an instrument to refresh spirit of peace.

You lack common sense, my dear,
With your desire to have peace without struggle.

And you are going on accumulating
Good fortune without any labor.

Gajanan Mishra
Are You Not Hearing Me?

Are You not hearing me?
And if You are hearing
Why are You not coming to rescue?

Am I really in danger?
All the elements of danger are within me
Hear me hear me I am fine I am fine.

Gajanan Mishra
Are You Not Present?

Are you not present today?
And with your presence
How they dared to enter my room
And loot everything?

What is mine
That I am thinking about it
All day and nights
With your presence?

I know not the way
From which I came and
To where I am going
And you are smiling at me.

I am disturbed with your
Presence, the reasons not known.

Gajanan Mishra
Are You Not Satisfied?

Are you not satisfied?
There is none to satisfy
You, dear, besides yourself.

Stay calm, and think
What you are.
Stay calm, and find
Everything is there
Within you.

Nothing to worry,
Nothing to shed tears,
Open your eyes and
See, I am here,
Here for you
With all truth.

Gajanan Mishra

Are you original?
I know, you
Have no answer.

Where is your place?
Above or below!
You have no answer.

Have you any feather?
I fear.

Gajanan Mishra
Are You Ready To Believe

Are you ready to believe
Just be a cliff.
What is increasing
That is also decreasing.
A lot of time has no meaning
Leave the matter to nobody.
Ask not anything that is in
Question form and you are also controlled.

Gajanan Mishra
Are You Ready To Believe-Policy Matter

Are you ready to believe
Just be a cliff.
What is increasing
That is also decreasing.
A lot of time has no meaning
Leave the matter to nobody.
Ask not anything that is in
Question form and you are also controlled.

Gajanan Mishra
Are You Ready To Read

Are you ready to read and
If yes please come to the desk.

Are you ready to show your
Separate identity and if yes
Please come and be seated here.

I know you are performing
penance charity and sacrifice
That is what I wished.

You know who am I
And you know there is
No loss of energy
If I am with you
And you are with me.

Gajanan Mishra
Are You Ready?

Are you ready?
Are you ready to come with me?
See I am here with you and within you.
I am taking you to the place
Where you want to go with me.
But I am no there as you think me.
Be prepared and get ready immediately,
No time and tide is there to wait.

Gajanan Mishra
Are You Really

Are you really interested to discover the truth?
See, then inside yourself and get it realized.

Try to love truth,
And truth is in love.
Both love and truth are within you, my dear.

Go not outside
Everything you can find
Within your own area.
Please take care.

Gajanan Mishra
Are You Really An Atheist?

Are you really an atheist?
But where is your atheism
When you are living with breath?
Do you not know who is there
And giving a start in
Functioning your own lungs?
You are recovering normal
Breathing by resting and
What does it mean?
Just wait and catch
Your own breath!
Theist or atheist - no matter,
But you are living with me,
That matters, my dear.

Gajanan Mishra
Are You Really Beautiful?

Are you really beautiful?
I doubt.

Lotus flower
With bodily luster
And aroma.

And it is
Material estimation.

Are you beautiful?
Tell me in
Clear term.

How much you are
Related difficult
To map in arms.

Not proper apparent.

Gajanan Mishra
Are You Really Different From Me

Are you really different from me that
I know not, and if you know my dear
Please make me realized in right time.

Gajanan Mishra
Are You Really Half

I do not know
I know nothing as you know
It is your house
It is here everything
That is yours
I am just a guest of yours
For a few moment
It is you who are
Moving here and there
Not I
My dear I know nothing
You know everything
Nothing to disagree
Nothing to grief.

Gajanan Mishra
Are You Really Interested

Are you really interested to listen?  
If yes, listen, I am reading my poems

About my poems the more you enjoy  
The more you enjoy it is beneficial to you.  
I know by hearing you are merging yourself  
In the ocean of bliss in the sounds and vibrations  
Of these poems that are there within you.  
My dear, I know you glorified the process of hearing  
I know you are fully satisfied by hearing  
I know you are only one here who is truth-knowing.

Gajanan Mishra
Are You Really Wise

Are you really wise
And if yes
Then come to hear
All my words
And let me know
Why we don't know
How to live.

Gajanan Mishra
Are You Suffering?

Are you suffering?
If yes, please
Search out the reason
Of your suffering.

Are you feeling
Burning sensations?
Realize your misdeeds,
They are taking you
To the dark.

Think for a while
Where you are
And why you are.
Up above the sky
See the fixed star.

Gajanan Mishra
Are You Sure

Are you sure you are loving me?
Don't love if it is.
Love me not again I am telling
Love is not a trust not a company.
You can go for yourself as a self-government
In democracy and in parliamentary form.
Play not tricks with the emotions of the people
And invite not trouble.
If you have got qualification
They need you in due time in right time.
Be ready for that
Love a lovely one and not wicket rat or cat.

Gajanan Mishra
Are You Sure You Are A Man?

Are you sure you are a man?

If yes, then tell
Why your nervous system is so weak?

Why are you not picking up the time?

Are you not sensible?

Gajanan Mishra
Are you sure,
We are going towards us?
Yes we are, you assured.
But where are we?
You said you have
No answer.

No answer and you
Remain silent looking
Towards the ocean.
And the ocean is laughing
With its waves
Touching the sky.

The sky has given me
The answer, easy to it.

Gajanan Mishra
Are You Sure, You Are Right?

Are you sure, you are right?
Then rise and see the sky
That is at your door.
Do you know where is the door?
Go and search but not outside.
So many stars and planets are there
And so, get establish yourself within.
Think not anything within this time,
Just realize you are what you are
And you are going to you. Right?
But who are you? No one has power
To tell you the right answer.
Are you the beauty of rose?
I think it so. Get confirmed.

Gajanan Mishra
Are You Unrighteous

Are you unrighteous and  
If yes you are not allowed  
To entered in to this house.

Being the sons of nectar  
You yourself can not do  
Any wrong and cheat  
And you can not do  
Any harm to your brothers.

Being the sons of nectar  
You can not go against  
One another and file suit  
Before an ignorant unbeliever to  
Adjudicate the matters.

You are a man of right  
I know and I know you  
Can not do any wrong  
That is against humanity.

Gajanan Mishra
Area Of Poetry

This is the area,
This area is ours,
Area of poetry-
Our breath, our smell.

We breathe poetry,
What you said
Is right, my brother.

Bother not,
Poetry is here
With us always.

Making noise is
Not wise, my dear,
Love-life, sweet
To chatter.

Gajanan Mishra
Argument

Excuse me, I am
Not ready to hear
Your argument.
YOU cannot force
Me to listen.
Excuse me, I am
Not here to show
The beginning or
The ending but
I can say it is
The beginning and
it is the ending
Here with us, observe
It if you so like.

Gajanan Mishra
Arise And Walk

Arise and walk
Goal ahead
Arise and see
And you have reached.

Gajanan Mishra
Arise, Awake And Sleep Not

This world is not
For those who are sleeping.
The rising sun is telling this
Every day at our doorsteps.
The birds are calling us,
Hear them brothers.
The light is there,
See yourself, where you are.
Charge yourself with love,
See yourself in truth
And know what goodness
Is coming to you.
Arise, awake and sleep not,
Know the poets who are for you.

Gajanan Mishra
New year is
Around the corner,
Let us cheer,
Three cheers for love
For truth and for beauty.
Let us multiply our life
In thousandfold and
Go out of thraldom.

Gajanan Mishra
Arrange The Family

Are we here?
Nobody says no.
But I believe not.

Is it a circle?
Everybody says yes.
But I believe not.

Take a break.

I will tell you
the reason
and you will be
out of question
session.

Arrange all the
questions in a family
as simple as air
as simple as star.

Everybody who wants to
fly can fly.
And the ungrateful
the scoundrel
find no place here.

Arrange the family
in the manner
that comes to you.

Here you get peace
be happy.

Gajanan Mishra
Arrest

Arrest has its own meaning
And we are all under arrest.
We cannot go anywhere
As per our sweet will
We are under arrest.

We are neither saints
Nor terrorist
We are what we are
In the custody of the person
Who arrested us.

Let us not go deep
Let us not go outside.
Be calm and watch
Everything is but systematic.

Gajanan Mishra
Arrest Not A Creator

Arrest not a creator
Be liberal and progressive
Always with life.
You can not dig a canal
And direct the sky
To stay there.
You can not say
This much life's syllabi
Go for study.
Be clear at heart
Open your doors and windows
Creator is not a
Caterpillar or cockroach.
Being a frog
You can not detain
A venomous snake
Or a sand viper.
My dear, you can not
Arrest a writer
Who is committed to
Social welfare and
World order.

Gajanan Mishra
Arrey, What Are You Saying?

Arrey, what are you saying?
Am I black? and if it is,
What has happened?
Arrey, our Lord is black,
Black is all inclusive.
Arrey, nothing joke,
Nothing fun, but all are
The soil's son.

Arrey skin no matter,
Earth matter and
It is one, see.
It is all under
The sky.
The sky is blue
And it matter little
To whom it belong to.

Arrey, eating and
Cheating all but the same.
Here or there- no matter,
But you are a human
That's important.
You are supported,
That's important.
You are right or wrong,
Think yourself.

Talk not much,
No one is here
To understand.
But go on doing,
They are there
To realize.
Backward or forward
The same thing.

Gajanan Mishra
Arrive At Truth

Arrive at truth is possible
Only when you have
No desire for pleasure.

Any type of happiness
Leads to bondage
That delayed the process.

Truth is eternal bliss
That felt through Self
Stay with it.

Gajanan Mishra
Art

Art of giving is
Much more valuable
Than art of living.
Art of giving is
The base on which
The structure of
Living creatures stands.
People of so-called
Knowledge and wisdom
Should realize the truth
Soon and take steps for
Giving everything they have
Like our fathers and mothers,
For future and a better world.

Gajanan Mishra
Art And Science

Art create science

And get everything
In hand.

Gajanan Mishra

In echoes of words.

Gajanan Mishra
Art Of Flying

Know the art of flying
It would help you
In time of crisis.

Gajanan Mishra
Art Of Living

He who does not
Live for himself
Knows the art of living
And is actual living.

You are to know here
O my dear, you have to learn
How to love others
How to do good to others.

The only aim of human life
Is to serve others
And doing good to others
This is the meaning of life, my dear.

Gajanan Mishra
Art, Science And Culture

Life is a mixture,
Mixture of art, science
And culture.
And here,
No one is superior.
And see, in each one
The heavenly feature.
And all are here
In love with one another.
Take it all
Neither as jokes
Nor as the serious matter.
But men, see in all
The reflection of the creator.

g. Mishra
Artful Waves

The ocean is
Coming to me
With its
Artful waves.
The wind is
Giving me
All the news
It has.
And I am delighted
With your words.
I wonder
What the world is.
From years to years
I count my life.

Gajanan Mishra
Artha Pae Nahin Jebe (Odia)

Artha paae nahin jebe
Baadhyahue kahibaaku
Mithhya biswas.

???? ??? ?????? ????
????? ???? ????????
?????? ???????? ?

When I get no meaning
I am forced to say
False belief.

Gajanan Mishra
Artificial, And All Artificial

All over the world,
Greed and power,
And all artificial.
Artificial luxuries,
Cinema, cars, radio,
Flesh, hotels, drink,
Houses of prostitution,
Slaughterhouses, whims,
And hellish factory,
And tech-parks.
No equality, no fraternity,
No non-violence,
And nothing for
Development of humanity.

Gajanan Mishra
Artistic Choice

Artistic choice
Should be there
In your own living
And then in writing
And then in going.
Technique that is
Your own should be
Applied with certain
Discrimination.
Let the open air pass
Through your own courtyard.
Let your thought go
Where it likes
At its sweet-will.

Gajanan Mishra
As a poet
I am alert
And fearful of

Gajanan Mishra
As a poet
My eyes are always
Fixed on love affection
Mercy beauty nature
Truth justice
O my dear
I am grateful
You are with me here
I am yours worshiper
I am composing poems
Only for You

Gajanan Mishra
As A Poet I Wish

As a poet I wish
All good fortune
For You.

Be in calm and quite
And get shelter
Within.

I know as a poet
All are in the ocean
Of mercy.

Gajanan Mishra
As A Poet, I Travel Everywhere

As a poet, I travel everywhere,
At any time, without any restrictions.
I can enter through your breathing
And create new things in you
Changing your shape in the air.
I can create light in the dark,
I can create words that are there
Far above the causeless world.

Gajanan Mishra
As a poet, I do agree,
I am a citizen of the world.
As a poet, I love the nature,
I love all creatures.
As a poet, I see roads
Everywhere fine and plain.
As a poet, I want the growth
And peace for all now and then.
As a poet, let me declare again
This earth is our home.
The sky is our father,
The earth is our mother,
The air, the water, and the light
All are for us, here.

Gajanan Mishra
As A Prisoner

I am staying here
Either by force
Or by choice
As a prisoner.

As a prisoner
I have kept you
With me
In your house.

In your house
I see all beauties
And get all joy
And I know yours.

See me here
How bayard I am.

Gajanan Mishra
As A Rule

As a rule
If you are mine,
You are dear to me.
Natural loving
being firm establishment
of righteousness.

Gajanan Mishra
As A Sacrifice

As a sacrifice
I offer myself
As a sacrifice
For the sake
Of the world.

Remember, my
Good will is
Always there
I know there is
No difference
Between I
And the world.

With my sacrifice
My birth borne fruit.

Gajanan Mishra
As Aggrieved

Hunger and thirst,
Both are my well wishers.
Both are here
With humors.

In this winter
I am going with the wind
And the wind is
Giving me everything
That are needed for
My maintenance.

I am the blasting fire
With indefatigable anger,
Winter is here with me and
Take pity on it as aggrieved.

Gajanan Mishra
As And When

You see
I am here
By your grace.

By your grace
I am here
You see
Then and now.

Then and now
By your grace
I am with truth
As it is my nature.

And you see
My nature
Does not contradict
With that of yours.

Gajanan Mishra
As Because

Yes I am dead
I do admit as because
I am poor.
I am happy
You must admit as because
I am singing my song.
I know no one is above me,
No one can do any harm, I know.

Gajanan Mishra
As Because I Am A Poet

As because I am a poet
I am flying faster than the time.
As because I am a poet
I am far above the sun.
As because I am a poet
I am present simultaneously
Everywhere to satisfy all
As per their wish.

Gajanan Mishra
As Big As The Sky

Here I,
As big as the sky.

I am calling,
I am dialing,
And I am receiving,
I am coming to me.

I alone,
But you are there.

You, no one else,
But, me.

I am, but the air,
I am, but the fire,
Here, there.

Here I am, see me.

Gajanan Mishra
As Black As Jagannath

I am a poet
And I am as black as
Our Jagaa
And as white as
Our Baliaa.
I am a poet
And I am the truth,
I am here
To expose the truth.
Blame me not
For anything.
I am free and
I can express
My feelings.

-

Jagaa - Lord Jagannath,
Baliaa- Lord Balabhadra of Puri, Odisha, India.
Both are the symbol of humanity and treated as
The Lord of the Universe.

Gajanan Mishra
As Bright As The Sun

My life, see, here,
As bright as the sun.
The sun, see, here
Within me in truth.
The sky, as you see,
Is mine and it is there
For you, dear truth.
I am here, all for you.

Gajanan Mishra
As Brilliant As The Sun

You are as brilliant as the sun
You are my poems and
My poems are like the sun
O my dear, come and read
Read and regain your vision
And here you will get the way
Of perfection as here you will
Find all philosophy all religion.

Gajanan Mishra
As Cooling As

As cooling as
A lotus flower -
Your feet,
Your eyes,
Your touch.
I want to
Stay there
With you.
The truth is
There in you.
Everything is
In order there,
You are not far,
You are my only star.

Gajanan Mishra
As Dark As Jagannath

Night is as dark as Jagannath*
Day is as bright as Balavadra*
In between it is Suvadra *
Sudarshan Chakra* is the time
Ratha Yatra* is live-telecast
Of life.

Gajanan Mishra
As Easy As Life

Take everything,
As easy as life.
But never take it
As easy as a cricket match,
At least with Pakistan.

Love life, love Pakistani,
After all, they are all yours.
The whole Pakistan is inseparable
From that of Hindustan, I know,
You know, and it is well known
To the entire world.

Be not serious with anything,
What is happening there,
It is all happenings here also.

Take everything easy,
And win the human trophy,
The Pakistanis are giving.
Care not the leaders and
The militarists, they are
Not for anyone at any time.

Go there and connect
People to people, they are
In truth, they are all
To be loved.

Gajanan Mishra
As Easy Is Not Easy

So also important is
Not so important.
You can conquer
What you desire
Within your periphery.
Get touch always
With Truth
That is in You.
Hear remember offer
That are around you
And that is Absolute Truth.
Numbers not to count
Dreams not to see
Feel life as it is.

Gajanan Mishra
As Far As We Live

We are here to suffer
And we must suffer.
Have patience, my dear
And observe your own life.
Solution is there
How to get free
From suffering.

Observe your own life
As a great festival
For all times
Past, present and future
And be clear,
By observing tit bits
You can go beyond suffering.

Gajanan Mishra
As Fire

As fire is never satisfied
In its consumption of fire-wood
So also I never hear
Enough about You
All are nectar with You
And in Your touch of words
Transforms mundane things
In to spiritual identity
And it is heaven with Your love
And in Truth that is in You.

Gajanan Mishra
As fire is by smoke
All undertakings are clouded by defects
As such all duties have flaws
Still one should not abandon his innate duty
To give service is the innate duty of all
But it should be one's own
All activities are taking place in nature
By assuming affinity with nature we hold that
They are taking place in us
And we became slaves
To be such a slave is a great mistake.

Gajanan Mishra
As For Others

As for others,
We are here
And we suffer.

By saying something,
By doing something,
We invent our enemies,
And we suffer.

We laughed,
We lamented,
And we suffer.

We overlooked the truth,
We forgot we are nothing,
And we have only sufferings,
And we suffer.

Gajanan Mishra
As Good As Dead

As good as dead,
The man who is
Against the truth,
And the man who is
Inauspicious.
And such man is
Deprived of all
Fortune and opulence.

Gajanan Mishra
As Good As The Truth

Stay here
As good as the truth,
And realize the self.

Gajanan Mishra
As Good As Truth

As good as truth,
I know you.
I love you,
Who's who.

I create, I appear,
The quality I hear.
The goodness and passion
I cheer.

All auspicious
My life's scripture.
In quick succession
I hover, my dear.

Life is truth,
Love is the truth.

Gajanan Mishra
As Hard As A Thunderbolt

Be a man as hard as a thunderbolt,
And as soft as a rose also,
And know your divine mission.

Nothing to envy,
Stay equal to all.

Gajanan Mishra
As I Am Composing Poems

As I am composing poems
You said me a fool.
And a fool knows nothing,
Okay, I know nothing.

What is there to know,
that also I do not know,
And in this sense, let me
declared myself a double fool.

I am trying to know myself
at this time, when the time
itself is changing its colors
So far my knowledge goes, I know
only one color there or no color,
Be wise, dear and admit the fool's word.

Gajanan Mishra
As I Am Here

As I am here,
You cannot be there.
And I am here
only for you.

Only for you
I am not dying.
Only for me
You are appearing.

Your appearance
is for good cause,
And I am here, my dear,
to re-establish you.

Gajanan Mishra
As I Am Now

Accept me
As I am now.

I am here to
Execute all processes.

I know not
Why and how.

I care not
The hoax and ho-ho.

Gajanan Mishra
As I Write

In poems,
Find nectar,
Find everlasting Bliss.
In my poems,
See me.
I am here
With you.
You are the truth,
I know here.
I drink
The nectar of poems
For all purity.
As I write for eternity.

Gajanan Mishra
As Important As

My poems are
As important as
My life.
My life is my poem.

You are here to read it
And there is no other way
Of your escape.
Your escape is my love.

See in my poems
What you need, and I know
You need time and is there.
Time is there to fight.

To fight with love,
It is love where you can find fight.

Gajanan Mishra
As Innocent As

I have no stamina
To go to You
And Touch you.

If you love me
If you so like me
You, come down
And hug me.

I am
As innocent as
The sky.

Gajanan Mishra
As Instructed

As instructed,  
I stood firm  
On the line of  
Succession.  
As instructed,  
I understood  
The process of  
Creation.  
But as usual  
I adopted the path  
That is suitable  
To the situation.  
Life is unalloyed  
Evolution.  

Gajanan Mishra
As Is The Food

As is the food
So is the mind,
Rightly said
By the poet, and so
My dear, take
Pure and holy food
And be a holy man
With pure mind.

Gajanan Mishra
As It Is

To change anything
you are to field yourself
to change anybody
you are to stay with him
you are to take responsibility
to manage smoothly the work with you.

you are here not to
give anything not to
take anything.
you are here to
watch only to
guard only to
make merry only.

When all are happy
when all are in peace
when all are anew
you are to congratulate
you are to give thanks
you are to show
your gratefulness.

Gajanan Mishra
As Long As I Am Here

As long as I am here
You are there.
As long as You are there
I am here.
I am here You are there
You are there I am here.
Here there
There here our journey
Really matter together.
Question is not real
Or unreal and the answer
Is clear it is for
Better and better
How far we are according to nature.

Gajanan Mishra
As Long As One Is With You

This world is full of nectar
As long as You are here
Nobody dares to disrespect anybody
Nobody dares to neglect anybody
In this world of Yours
As long as one is with You.

Gajanan Mishra
As Long As You Are

I am fine
As long as I am fine
The world looks beautiful
As long as the world looks beautiful
You are mine
As long as You are mine
I am fine.

Gajanan Mishra
As Many Times

As many times as you can,
But doctor said;
Once at night if you so like.
As many persons as you can,
But love said;
Only once in a life.
As many places as you can,
But truth said;
Earth is only here to take.

Gajanan Mishra
As My Own

As my own
Let me accept you,
You are not mine alone though,
You make me dependent
And I regard you
As the necessity.
I have a desire for you,
As you are the only life's truth.

Gajanan Mishra
As Per Needs

My programme is
As per needs
Of the time
And time is with me.
I am here
To proptect all
Neutrality.
I love yellow
And pink but
Fear not, dear.
They are all
Here for us.
Think your health
My greatest asset.

Gajanan Mishra
As Per Our Wish

As per our wish
We are here
In this form
Not to blame others.

We are at the door of heaven
And doing hellish works here
We are half mad fulfilling our desire
Not to blame others.

Gajanan Mishra
As Red As Early Morning Sun

As white as black cow’s milk
This is what we may describe life
And we may say life a fun
That is not hidden and open
Nothing is there in this production
Scarcity of words are here, my love
You are beyond all colors, my dear.

Gajanan Mishra
As Rival

No one is there
As rival,
And all are
In a union of
Social responsibility.

All are friends,
And all are going with
Friendship
For social peace
And harmony.

No waste of time,
No crime,
All know the value
All in love and truth.

Gajanan Mishra
As Said

As said I have opened
All my doors and windows
Lions snakes birds
Air rain all allowed
To come and go.

I am impartial
I am transparent
I am judicious
I salute the truth
I salute the beauty
And pious.

As said I have opened
All my doors and windows.
I catch true words
That is there
Within the seven colors
Within the rainbow
Within the life
That is going and going
Like Times honest arrow.

Gajanan Mishra
As Said- Love

As said-
It is true,
The real,
Never suffers
Any deficiency.

I have to do
Nothing for myself.

I lack nothing,
You know.

But I am
With you,
As usual.
And I cannot
Realize my union.

Gajanan Mishra
As Simple As Air

As simple as air
O air you are in me
And I am keeping my life
Simple by conforming to
Simple taste desires habits
And I am happy
Happiness is in my mind
This happiness is given
By you O my dear
You are wise you are virtuous.

Gajanan Mishra
As Simple As Death

As simple as death,
But not as complex as life,
That I want here
All the time.

Know me as dead,
I never tell you
I am living.
I know living has
No meaning
Here or there.

Give no importance
To living
And win
Everywhere.

Gajanan Mishra
As Simple As The Air

I want to move
As simple as the air,
And let me stay fair.

I want to stay
As simple as the sky,
Let me occupy
All seats
By telling goodbye.

I want to talk
Like the stream.
I want to see
Like the star
And for this
Let me stay fair.

Gajanan Mishra
As Tender As

As tender as Lotus
As dangererous as serpent
O my dear, You are
As swift as time.

I know You and I know
Your role that You play in this world
As cause and as effect with Your
Hands and feets and with Your eyes
And head and face that are
In operation everywhere
At the same time.

You are having
Profoundly like ocean and I know
No advantage no disadvantage from the happenings.

Gajanan Mishra
As The King

As the king
So is the subjects
As the leaders
So is the followers.
Be pure be pious
My dear I am
Your near.

Gajanan Mishra
As The Sea

As the sea so is the forest
See me I am under arrest.

You call me
I am here to reply.

No difference
No difference.

The spider is here
O my dear, am I the spider?

Am I within my own net
See me I am under arrest.

Gajanan Mishra
As Though

As though I know
I am there.
As though I realize
I am the truth.
As though I love
I give all.
As though I see
No sound is there.
And with each one
I can't go to
The place I wish.
And what is my wish
I can't express
Openly to all.

Gajanan Mishra
As Usual

Nothing happens
After so much change
Nothing happens
After this that budget
People as usual
died in hunger
Train as usual derailed
Accident occurred
Nothing occurred
Nothing happens
After so much drama
After so much concord.

Gajanan Mishra
As You

Approach me
So do I
Accept you.

Gajanan Mishra
As You Are

So I am.

Night and day
Call me hey.

Let us enjoy
We are in
Our heydays.

This world is
Our best place
Come on gay.

Gajanan Mishra
As You Are With Ne

As You are with me
I am not afraid anywhere
No matter whether
I am sent to jail
Or promoted to heaven.

Because of the darkness
I am unable to see
And I have fallen
In to a miserable condition
And everything is suspended.

Gajanan Mishra
As You Know

As you sow
So you reap
If you sow the wind
Be ready to reap
The whirlwind.

As you sow
So you reap
If you forgive
You get eternal peace
And salvation.

Gajanan Mishra
As You Know The Truth

O, You are smiling
Smiling as You
Know the Truth.

I know You are pious
I know You have left
This place being conscious.

O happy, You are there
With vows of silence
See, it is my own deliverance.

Liberation is
Not my wish as You know
O my dear, austerity I endowed.

You are smiling and
Smiling continued with all good faith.

Gajanan Mishra
As You Sow

As you sow,
So shall you reap-
The saying goes.

And the facts
Of life, see
And experience
Everywhere, the sum
And the substance of reality.

And searching of
Newness goes on,
Fruitless not
The search, we know.
Chilled, though,
The search.

Gajanan Mishra
As You Think

Do,
As you think
The best.

If you
So like
Leave the nest.

I have taught
All secrets,
On you depends,
The rest.
How to pursue
The truth,
You to decide
On the issue.

Gajanan Mishra
As Your Faith

Let me know you
From your faith.

You are of the nature
Of your faith.

Faith faith and faith
And it is your inner sense.

I know, my dear
As your faith, so your nature.

Gajanan Mishra
Ascend Descend

Ascend descend
Meaning encouraging
Blames not
Valour welcome.

Take care my son
Skypath ahead
for you the
Straight pure soul
Love all.

Pulserate high
Air tight
No meaning
tomorrow today.

Past is past
Look fancyfree
Sportsman spirit.
You alone all
to enlightened.

Gajanan Mishra
Ascertaining Stability

Looking towards you
I question
Whether I am acceptable
And you answer in negation.

Ascertaining your stability
Deciding right direction
You clarified actual
Value of life.

Gajanan Mishra
Ascetics

Here is an ascetic,  
And he is calling himself so  
And eating anything and everything  
No matter whether it is  
Worth eating or not.

Here is an ascetic  
And he is worth adoring  
As he declared before all  
He alone is worthy of honor  
With all maleficent conduct.

Here is an ascetic  
He is a babbler  
In thought word and deed  
He called himself a great orator.

Gajanan Mishra
Asian Bird

I am an Asian bird,
I know love and
I know how to bind
The world with love.
I can make song,
I can sing my song,
I am haughty and sweet,
I am an Asian bird.
Read my poems,
I invite the world
And feel life
While riding time.
My noble kith and kin,
Come on to see how I am flying.

Gajanan Mishra
Ask

Ask not what
And how
Sky and the sun
Bird and the sky
Bird and not the sun
Sun and we
We and our action.

Gajanan Mishra
Ask About The Duty

Ask about the duty
That is unalloyed.

Ask about the person
Who is here never to die.

Duration of time is
Not material
Arrival or departure is
Not material.

Think about the answer
That You are going to get.

Think about yourself
You are not controversial.

Gajanan Mishra
Ask Everyone

And hear
They are frustrated
And wasted their time
For nothing
And facing the results
That are unexpected
In this life with opposite
Of desires.

Gajanan Mishra
Ask For Water

Ask for water,
Water is life,
Tell him
To remember.

We are all
Covered with water.
Water and only water
Is our life.
Yet we need
Water to live.

We fight each other
For water.
Water is necessary
For life, dear.

Gajanan Mishra
Ask Me

Ask me
I am here
to tell you
everything that
you are in need.

You are in need of
water, that I know,
O my dear, and also
I know, you are a gambler
and you play with life.

Life is but admitting
the facts of grammar
and grammar is what you
admit as relative truth.

Gajanan Mishra
Ask Me Not About Age

Ask me not about age,
I am helpless to tell you,
I am ageless though,
I am going with the age.

I dare not tell
about your location
and about your smile
in silence behind screen.

In different shape and size
You appear time and again
to show me your strength and
to remind me how I am strengthened.

The age is here in me
and use it in my creativity.

Gajanan Mishra
Ask Me Not Anything More

Ask me not anything more
I am here with You
It is just a juxtapose.

No, no
Come not on this hour
When ocean is calling me.

Let me go to the sky
Where clouds are playing
Cricket without interest.

Call me not
Ask me not anything more
I am thirsty in this rain.

Gajanan Mishra
Ask Me Not The Date

Ask me not the date,
Ask me not the day or month,
I know all are there only
To satisfy your urge.

What is that?
Let me say it is nothing
But the ghost that is there
Absorbed with fog and smoke.

Gajanan Mishra
Ask Myself

Ask myself
What are you
Doing here
Dear Gajanan?
And discover
Gajanan is
Busy with
Human sorrow.
Fail to
Differentiate
Winter and summer
And appear.
Air is not there,
But only fire,
No one can say.
Rise or fall
No matter, but
See, to hold you
There is the sky.

Gajanan Mishra
Ask Not

What I know
I do not know.
And I know
What I never seen
And I have seen
What I never know.
Put not any question
At any time
You get nothing
Ask not how.

Gajanan Mishra
Ask Not About

Ask not about my
Character behavior
And speech and writing
There is no use of it
If you are not in truth
In body in mind.

In which class you belong
I do not want to know
As I think it is only
One class here all times
No difference is there at all
Like advanced middle or neophytes
If there is no love
If there is no love.

Gajanan Mishra
Ask Not Age

Ask not age
Age is mirage.

Wonder is jealous
Hear and swallow.

O stranger
I am proud with you.

Come and see
I am going beyond my age.

Gajanan Mishra
Ask Not Any Question

Ask not any question,
It is not the proper time.
But in questions only all
Solutions are there.

Inspire others to go
On both ways that are there.
To and fro, light and dark,
Up and down, this and that.

But the perfect and
Right way of life is
There within you.
Try to understand yourself,
Close not the matters
Before your own arrival.

Gajanan Mishra
Ask Not Anybody

Who are You
Where do You come from
What is Your purpose in coming here
And to who do You belong
Remember my dear each and everyone is He
You are also He
Recognize Yourself first
And give respect to all
It is You who is doing
Everything for Yourself
And getting the results
That is due, my dear
That is what I know You.

Gajanan Mishra
Ask Not Anything

Ask not anything
Just wait
And see.
You can know
Everything in due course.

In due course
You can see
What is here.
Be confident
In you at present.

Everything is
Within you, my dear
Just search within.
Break not
In between.

Gajanan Mishra
Ask Not For Solution

It is not possible to give you any.

Be kind and affectionate
Though you are to touch many.

It is for our association we are thankful
And You are there always in turmoil and cool.

No difference of hell and heaven
We are ready to move one after another the oceans that is seven.

Gajanan Mishra
Ask Not To Be A Man

Ask not
To be a man
Other than what
I am.

I am a
Man of words
And let me stay here
For the ske of others.

Gajanan Mishra
Ask Not What To Do

Ask not what to do
But raise your voice
Together at a time,
Let the enemy know
How strong you are.
How strong you are,
Not being able to know
You are sleeping
At day time when everything
Is being looted by
Unsocial elements.
Rise and awake, my dear,
The world is only for you
This world is only for
Those who love and stay in truth.

Gajanan Mishra
Ask The Morning

Ask the morning
Why its color is
So grey.

Ask not the morning sun
For flower buds
With dead moon.

Ask not the cloud
Why there is
Returnable journey
Without barter of kiss.

In the meantime
I have forgotten
Everything including my
Own name and my dreams.

Gajanan Mishra
Ask The Sun

Ask the sun
The sun will
Tell You
How the sun is
Taking light
From me
The sun will
Tell you
How all radiance
Are mine.

Gajanan Mishra
Ask The Tree

Ask the tree,
Are you free?
Listen the words
Uttered, going
Beyond limit.
Naming anything
Means losing the earth,
Losing the star.

Gajanan Mishra
Asked For Rocks

Asked for rocks
Got water.
What a fortune!
Water is full of life
And it is I.

For water only
Next war would knock door
For water only
Thought submitted
That was not before.

Rocks concealed
What I felt
Things that is true
And it is still
Alive in air.

Air has the power
At this festive hour
And the rocks flew away
With all it kept secret
And I remained in my own net.

Gajanan Mishra
Asking Me

When did you come from Cuttack
No answer from the frog.

Drop of tear still in the question
and watchman sleep.

What wonder
follow the version
Nothing new
after correction.

Currently you are with me
I am floating with you.
It is you that
asking me about.

Gajanan Mishra
Asking Question

Asking question is my work.
I am no more there, though, to get the answer.

I am there, to declare what I am and how I am in the dark.

Dark is favorable sir, and I aspire to reach as early as possible, light is to take care.

Gajanan Mishra
Asking The Dream

Asking the dream
I returned to sleep
That was no the way
Said butterfly.

Secret is here
And you uttered words
That I withdrawn myself
From the war.

And things changed
Leaving nothing
Under the chair
No near and no far.

Gajanan Mishra
Asleep Sea

Asleep sea,
Is the sea
Satisfied.

I smile
Looking at the sea,
The sea is
Searching flavour.

Up and below
Everywhere- ice.

Truth is-
Inflame in ice.
How to weep
Alone- ask not.

Catching fire is still there.

Gajanan Mishra
Ass, Ant, Apple, Aeroplane

Ass, ant, apple, aeroplane,
At Aum Valley public school,
My grand-daughter is reading
Every day and telling me
You old gentleman, know nothing.
You know not what is bag,
What is ball, brush or bat,
But I know she is under
Misrule and is misdirected.
I let not the cow grazes
My rice or wheat field, but
I am helpless and unable to
Do anything from the beginning,
And I show the flag, not green.

Gajanan Mishra
Assert Life As True

Assert life as true,
And maintain life.
Keep agelong traditions
And time-honoured usage.
Maintain life with all good
And pious conduct.
Life is nectar of nature,
Teach each one virtuous behaviour.

Gajanan Mishra
Assumed

I am not real,
I am assumed.
I am a slave,
Your slave, my dear.
I know, neither
I am superior
not I am inferior,
I am my real own.

Gajanan Mishra
Assuming Any Form

Assuming any form
You can appeared
That I know, my dear,
Conquering passion
You can create
Anything here.

Granting all desires
You are finishing
Everything.
Nobody is Your friend,
Nobody is Your enemy.
Going on Your own way
You protect all, being
Addressed by infinite illustrious names.

Gajanan Mishra
Assumption Only

No happiness
No sadness,
All are based
on indiscriminate
assumption only
and it is to be
realized.

Gajanan Mishra
Asteroids

Asteroids are there
Rushing toward us.
And we are dancing
And playing and
Singing for good.

Nothing will happen
We know and we know
They are all coming
To us with bags
Full of love.

But we are not greedy,
We cannot take anything.
They know us very well
And we are here fearless.

Gajanan Mishra
Astitwara Prasna

Aama pakhare ebe
kebala astitwara prasna.

Aame achhun pakhinka sahita,
Pakhimane achhanti aakashare.

Aakasha aama bhitare
ebam aame bhsuchhun megha upare.

Meghamane jauchhanti ubhei
dhire dhire dhire.

Gajanan Mishra
At All Fortunate

If you are
At all fortunate,
Come on and
Take interest
To reach the truth.

Truth is there
In you,
And you are there
Wandering for
Not nothing,
But for good.

To understand
The truth abode
You have to stay
With love,
With all honesty,
With all sincerity,
And proceed forward
In a truthful way.

Gajanan Mishra
At Any Stage

At any stage
No wrong
You can find.

Anywhere
You can move
To say
You are present.

Not necessary to
Board any train
Or bus to move
Forward.

But to sit
And to think
Is the issue.

Gajanan Mishra
At Every Day At Every Moment

At every day at every moment
I am experiencing you, I am
Watching you and your wheel
That is going on over me.

For the sake of truth
I am uttering words for you,
I am here for you and purifying myself
Taking shelter your shadow.

I am enjoying eternal happiness- true,
I am eager to stay with you - true.

You are the blazing fire I am consuming,
You are the fortune flower garland I am wearing.

I am trying to satisfy myself
Okay, wait there, the sky would come to touch you.

Gajanan Mishra
At Every Moment

At every moment
I am changing
All around.
I am changing
Everything here
And now.
Everything is here
Only for me
And I am here
For everyone,
Living and
Non-living.
The fire and
The water are
Two supporters.
I am changing them
For me. I am here
To put my voice
In to the fire,
And fire is there
To put itself
In to water.
Water is in ice,
I am here
Within the ice, see.

Gajanan Mishra
At Every Second

I am controlled by You
O my dear, at every second.

It is the law of nature that is there
It is Your wish I know and I observed.

You are everywhere and You influenced all
By actions by reactions You are at the root.

I know You are subtle to my understanding
And I can not express my experienced grossly.

Law of nature is a great science, valuable
No one is here to understand it.

Only by pious acts can one be allowed
To get wealth beautiful features and Truth.

Peace and prosperity can only be there
Where there are good and sane people.

For the eternal engagement is a necessity
To see the world in good and truth -root

Gajanan Mishra
At Every Step

At every step
You can find me
How I am palatable
How I am relishing.

At every step
I am glorified
By adventures
By humors.

At every step
Story changed
History created
I am here.

Gajanan Mishra
At First Stage

At first stage,
Let me welcome you,
At the last stage
Let me drive you out.
And thereafter
I am totally wiped out.
You are to observe
Just the development
And the feeling therefrom.
You are to express yourself
In words, in lines, in colors.
O colorful one, I am here
As before and I know
You are free with everlasting love.

Gajanan Mishra
At Ground Level

Everything appear
At ground level,
Everything including
The sky.
The dance of the sky
Is the product of
This ground.
And this ground is
The basis of all.
It is all abstract,
It is all plus plus plus,
It is all negation of
Hyper charge.
No fall and
No rise at all.
But structure is
Surprising here.
And here we discover
The things that are
In existence.
It is all colourful
And strange.

Gajanan Mishra
At Gun Point

Keep not anything
at gun point,
If you want them
to long last.

Wash out the gun power
and show not any one
gun-barrel, go not
on quarrel.

This playground
belongs to all.
Plus minus is not
to be done here.

You may learn gunnery
for your self defense
But remember self is
not to be defended, no need.

Gajanan Mishra
At Later Stage

Let me welcome you,
And also, let me not
Forget to bid good bye
At immediate later stage.

Let me see this
Newly born baby, my dear,
Let me see in this baby
All pervading death also.

Nothing to be happy
While seeing a rising sun
As in the rising we see
How the sun is setting.

Be happy in this life
Be happy and celebrate death also.

Gajanan Mishra
At Least

At least
Tell yourself
My dear, the truth.
Truth is that
You are nothing,
Made out of nothing.
You are not to live,
But your thoughts live.

Gajanan Mishra
At Least You Can Not

Who knows true love
At least you can not
If you know
Will you return my love
Will you return my hurt
Will you return my pain
No you can not
You do not know reality
You can not digest truth
You can not perceive truth
At least directly.

Gajanan Mishra
At Myanmar-Bangladesh Border

Burning homes,
Burning rivers,
And we all
Eat bullet here.

We have not committed
Any offense,
They termed us
Muslim minority,
And we have no right
To live.

We told them
We are human,
But they are
Not ready to
Accept us as men.

We are not beasts,
We are not terrorists,
We want nothing, but
We are in need of
Some land to
Build shelter
To save ourselves
From the sun and
The rain.

We want to live
In peace
With some food
And some water.
On humanity grounds
Give us something, dear.

Gajanan Mishra
At Night

At night
From the top of the hills
Of Tirumala Tirupati
I saw the stars
Studded the town below
I saw Sri Venkateswara
White Black Red Blue Yellow
Who is there swallow
Sri Venkateswara is with
My elbow
And my life is not hollow.

Gajanan Mishra
At Night I Loss My Balance

True, at night
I lost my balance.

True, at every morning
I became a new man.

True, in the undersky
I dream so many things.

True, in rain
I vanished.

In so many truth,
I am the falsehood
Before you.

But without any doubt
I asked you to present
In all blackout.

Gajanan Mishra
At No Charge

At no charge
Read my poems.
The poems have been
Written by me are not
My personal property,
It is yours, friends,
Read and comment.
For the benefit of all
I am writing poems, remember.
I have something to say,
That are all my experienced.
I want to realize the truth
Through these writings, for this,
If you say I am selfish, okay.

Gajanan Mishra
At Our Home

Everything is there
At our home,
It is not good
To go Rome.

Let us achieve
What can,
It is not good
To go Britain.

Almighty has
Created us self-sufficient,
Time is here to see within
And discover and show talent.

We are ours and we have sufficient
Earth light sky water and air.

Gajanan Mishra
At Present

Read me and
Know who I am.
Follow me and
Know where I am going.
Think about me and
Know where you are
At present with me.

Gajanan Mishra
At Present, See

Whole population is
Absorbed in
Sinful activities.

At present, see
Society is not guided
By any laws of nature
Or instructions, my dear.

Gajanan Mishra
At Railway Station

At railway station,
Our meetings.
In the evening,
Works analysis.

With flames and
Dust, our life.
With dreams
And dead, we live.

With knife and
Rain, we proceed.
With boar and
Mistakes, knowledge
We gain, though
Suffer pain.

Gajanan Mishra
At Stake

What is going on
How can I describe!
Neither the incidents
Nor my own words
Are under my control.
But I see all the visionary
And dream schemes
Are at stake.

Gajanan Mishra
At The Bottom

Are you
At the bottom
Of the sea
Or up above
The sky with
All emptiness?

Where are you,
O my dear?
Are you alive
Or dead? I know
Hypothesis-es
Are not to be believed.
No light, no air-traffic
Is here to make me clear.

Gajanan Mishra
At The Center

You are at the center
And from here I see
Smell touch taste and hear.

You are at the center
And from here I pray you
And I surrender.

O my Master,
I am visible with no meaning
You are my invisible creator.

Gajanan Mishra
At The Center - Woman

Look at me,
I am a woman,
And I am at the center.
The husband, son, daughter,
All revolve around me.
Father, mother are there
Within me.
Most significant, I am here,
In the matter of creation,
Maintainance and annihilation.
Without me,
Nothing is there.
With me,
See everything.

Gajanan Mishra
At The Crossroads

At the crossroads,
But worry not,
The truth is our side.
And we love each other,
Nothing would happen,
And we must reach
The destination of
Peace and coexistence.

Gajanan Mishra
At the doorway -
The face.

Inside and outside -
Surprise.

Burning soil
All around.

Burning ocean
Within.

Street opened,
But no one is able to
Go anywhere.

Bare feet,
I started journey,
Taking old and new together.

Gajanan Mishra
At The End

At the end
Nothing remains
At the end
Nothing explained.

Sun is not-compared
Teaching is not original
End is not final
All detained there.

Nothing said
About totality
Nothing guides
Creative activities.

Gajanan Mishra
At The End Of Time

At the end of time,
Discover me within.
But time never ends,
And you are to feel me.

I am growing within
And at the very growth,
You are there with me,
Discover who you are then.

Gajanan Mishra
At The End, See Me

At the end, see me,
I am here holding
All beginnings.
I am here, in deep sea
And in the vast sky.
See me, I am here
With you keeping
All the materials of life.

Gajanan Mishra
At The Entrance

At the very entrance point,
Check and cross-checks are
being made and it is recommended
to enhance the life-span.

And it is necessary to check
further the name, caste, address
and place and time and it is all
for the good of all and goodness.

Gajanan Mishra
At The Horizon

Nothing has happened
At my horizon and
Morning arrived.

No condition was there
Before the night,
No sea roars.

Morning arrived
But I hear the roars.

Gajanan Mishra
At The Root

See me
I am
at the root.
I can be known
By intellect.
Intellect can know
The senses.
And the senses know
The universe.
Read my verses
I am,
The root is there.
Feel the root
Everywhere- in dark and light.

Gajanan Mishra
At The Sale Counter

At the sale counter
You can not buy
Whatever you like
With the money you have.

Whatever is going on here
it is your deliberate actions
And reactions are there
Beyond your control.

You are hereby arrested
For the speech you have
Delivered for the larger
Interest of human society.

You are counterfeit coin
That is here at this time
You can not do whatever you like
You are nothing to think to say.

Gajanan Mishra
At The Surface

At the surface
It is sweety
It is like heaven,
But at last it taste
Bitter as if hell.
At first it is pleasurable
But in the long run
It is dangerous and fatal.

It is painful-our truthful labour
At the outset, but it
Gives happiness at last,
It provide peace and it
Enable us to get ourselves
Free from all shackles.

Gajanan Mishra
At The Time Of My Death

Oh, I see
You are coming to me
At the time of my death.
Okay, if you are so interested,
Give me some water.
See me, I am going
To the area that has no water.

If you are in love
Then sing a song,
That has real life.
See me and discover yourself
On the green grass
That has a link with the sky.
Tell me never good bye.

Gajanan Mishra
At The Top

Let us have a meeting
At the top of the mountain.
Let us discuss
About our own language
Our own culture
Our own civilization.
We are the top brand,
Let us go on and on,
On the simple way
To overcome all
Complex problems.
Let us do our best
Using all available resources
We are the human race.

Gajanan Mishra
At This Growing Stage

At this growing stage,
It is not good and fair
To declare anything in haste.
At this growing stage,
It is good to wait and watch
Where the bird is flying
And what the sky is doing
With the birds on this earth.

Hussle bustle are here
As usual and these are
But common phenomena.
Give no importance to
Anything that prevent
Free movement of growth.

Gajanan Mishra
At Times

I am performing
forbidden actions
With senses, body and mind
In ignorance, excuse me.

Let me five the light,
O my dear, in which
I can renounce selfishness
And pride and I can perform
Actions according to scriptures.

Let me able to control
My senses and let me stay
Independent and act in
A pure and perfect manner.

Gajanan Mishra
At Times I Go

At times I go,
I go to the field
Not to see the moon,
But to go with sunshine.,
I know it it there in me.
At times I see you
In the opoen field
With others for
All welfare.
At times I call,
I call you to observe
The festival of humanity
With love and to give
Everything that are not yours.

Gajanan Mishra
At Times Truth Scalds

At times truth
Scalds the mind,
Like the hot water
Scalds the hand.
But love always
Gives nectar,
Let us live, dear
With love together.

Gajanan Mishra
At Your Hand

At your hand
I am an instrument
And I am getting up
And preparing myself
To do my duty and
To win glory
I am conquering
And enjoying
Moment to moment.

Gajanan Mishra

Gajanan Mishra
Atheist

I am God, I am a man,
I believe my own self.
I am here, I am there,
You cannot deny
My existence.
I am here
And I am living.
Think me not supernatual,
But see me, I am natural,
As natural as air and water,
I am natural,
As natural as river, mountain,
Forest, and stars.
I am a man, God is nothing but what I am.

Offend and if time
So permits they are
Ready to kill you
For their self-interest.

The truth of the world
Is that, the principle of
Struggle for existence
Is there as before and
Time is there to test you.
Be cautious for time,
Time has nothing with it
But impartiality and
All that are in no way
Helpful to anyone.

Wipe out that are
With you, my dear and
Stay aloof from all.
Neither you are superior
Nor you are inferior,
You are also not yours,
Just imagine the things
That are happening with a tree
And with water and the earth.
Tolerate all and fly
Life a bird in open sky.
Gajanan Mishra
Attach not with anything,
Attachment is the root of
All worldly sufferings and sins.

As because you have  
Forgotten the saying  
Pride goes before a fall.

Attention failed  
And you are not the one  
Who can get divine grace-love.

I know men,
You are the authorized person
To bring peace to this world.

But you are there to disturb
And invite pain for yourself
While living here at this time.

What to tell and how to tell
That I am unable to tell,
But I must tell how you are there
With all conflicts and war.
I know you are complete
And you are perfect, but men,
Your desire has made you mad.

I know men,
You are innocent and
You are ignorant of
What is going on in your presence.
Be aware of the air and the water,
Be aware of your own bag and baggages,
Be aware of your kith and kins,
No one would come to rescue.
Men, stay on truth and see
What is going on here,
And show your impartiality,
For your own sake atleast.

Gajanan Mishra

Just we have to
Make our tongue controlled.

As a cowherd with bare feet
Rear me if you like and be a
Great man for the interest of all
With longevity
I am today being slaughtered daily
And I know if this process continues
I will disappear totally
And my dung will not be there
Without my dung lands will grow barren
No production of corn and cotton
And you O men will b deprived of
The bare necessities of life
Food water clothes and you will
have to lead a miserable life
My slaughter is the main cause of
Famines droughts volcanoes and strives
It is you to think my dear
What to do and what not to do
For the protection of a better world.

Gajanan Mishra

Everywhere within
And outside me.

Gajanan Mishra

And stay free within
From the world.

In my own eyes.

Do you know
Who I am?

Have you studied me
At any time
In full length?

Meaning of awards
And the purpose
Behind such awards
Be cleared first.

Attachment with
Awards is as dangerous
As life that
Has no value.

Know the self
And go not
For awards..

You, in detached
Manner though.
My independency is
Spontaneous, and
I am declaring
About my own entity.
In several phases
I distinctive ways.

Gajanan Mishra
B For Not Big

B for not big here,
But B for balloon,
Though both big and
Balloon have
Their uncertainty,
Though both life
With the same method,
For creation, procreation,
Generation, regenerations.
Both are empty and
Have no meanings in reality.
Bigness is not true,
But in some way or other
Each one is related to balloon,
All empty and emptiness
Is the spirit of life city.

Gajanan Mishra
Baa, Baa, Odia

In your own state Odisha?

I am flying outside my home land
to fill up my belly and
I am in sorrow day and nights
Thinking about mother there.

Everywhere, see.
Our dreams are
Being tattered
By the thorns
Of babul trees.
Trees, babul trees,
Everywhere, see.
No rain, no heat
Can make us alive
Again here.
We, ourselves are
Babul trees!

And I am confirmed you are
The nectar and the son of the nectar.
Tell me, your sweet words enable me
To live longer, and longer.

Back Benches

Men, who are
on back benches
call not.
call not any one,
while proceeding

who is there to
tell you
at this hour,
when all are
silent and silently
silent again.

Gajanan Mishra
Back To The Truth

Towards the path
Back truth,
Back to the truth.
And I know
No one is condemned
By any other one
Not to move
Towards the truth.

Try to know the truth,
And the maker of truth.
Try to realize the truth.
Mislead not anyone
For sightseeing or
Moneymaking.

Gajanan Mishra

But not
That of the lion.
You are not jackal,
I am sure.
You are a man,
Truthful, sincere,
Honest and straightforward.

You are young and energetic,
You know how to tackle
The situation.
You know how to retaliate,
And how to patch.
I know you have patience,
You know where is the needle
And how to push it.

The light is there
You are to stitch
In front of all.
And I hope
You are to win.
No politics and nothing
That sort can help you,
As I know your strong belief
Is there in truth.

Baffled A Every Step

Am I an atheist?  
If not, why I baffled  
At every step here.  
Have I detached myself  
From truth?  
If not, why I baffled  
At every step here.

I am always anxious  
To do good to others,  
I realize I am here  
Only for this purpose.  
I know the right path,  
Path of peace and prosperity.  
Still, I baffled, why?

Alas,

It is the woman
Who can deliver justice
And then only it is nice.

Woman can
Protect herself
And it is woman
In society
Who can bring
Peace.

Woman is the beginning

Society is for woman
And woman is for the society
Society is by the woman
It is the woman
At par with society.

Balloons

Gajanan Mishra
Ball-Point Pen

Man is like
A ball point pen,
But man is not
Use and throw.
Man is always
Devoted to others,
It is everything
With the man since
Man is for service
And bringing joy to other.

Gajanan Mishra
Balls Of Fire

Neither dust,  
Nor ice  
But balls of fire  
Are there  
All around us.  
We are burning  
At every moment here.

Touch me and test me,  
Am I not hot?  
Hot with desire.  
You may agree or not,  
I don't care.  
You are punishing yourself  
With desire.

But keep a firm belief  
My dear men with you  
And stay unaffected  
By evil and wrong  
And develop forgiveness  
Within you for all,  
The fire would not  
Harm you at any moment.

No one but you can  
Save yourself from  
Your own fire and own  
Enemy that are within you  
Here like anger, greed  
And so many other diseases.  
Behold your own self  
That is present in all beings.

Balls of time,  
Balls of fire, catch it,  
Early and go forward  
With ice, with humanity,  
With love, with truth.
Gajanan Mishra
Bamboo Cohesion

Fire is there,

Bamboo leaf- my truth, my love,
You are my bamboo leaf.
Your play is my death,
Your nectar is my poison.
Still I love, bamboo leaf.
I love you, I love you.
I know you have the vision,
I believe in your beauty,
I trust you, bamboo leaf,
You are the witness of
My civilization, you are the creation.
You have done so many
Viruous works, bamboo leaf
And you are in peace and happiness.

Gajanan Mishra
Bamboo Trees

All sang

And we are not damaged.
We are in this body-cart

We are now away from us
We are on this spot
We are in a journey and
It is a great Banajaga jatra.

Bangalore

Bangalore, the city of joy
I have seen you with my little soul
And you know I how I touched you
Like the lily according to my
sweetwill in the moonlit night.

Bangalore, on this day of twentythird
February two thousand twelve
I submitted my security with you
That would enlightened the world
with honesty integrity.

Bangalore, take care of my little soul
And enable him to acquired victory
That is as white as milk of the Kali
And Alok and Gyana touched my feet
And I am astonished till returned.

Gajanan Mishra
Banish Fear

Banish fear
Root of all evils.

Gajanan Mishra
Bankrupt

Who are you to declared me bankrupt?
Who has given you power for such declaration?
Are you not bankrupt from the very beginning of your birth?
We are insolvent in so many ways
Try to understand my point in this passage.
Who has made law and for what purpose
Do you think for a while.
Look I am open and empty
So also you
It is your intention that is to count
Do not be cruel
Do not be uncivilized to any body
At any point of time
Help all and
Do not be barbarous
This world is for all.

Gajanan Mishra
Bankrupt -Mind

I am not big, see
I have no confidence
In my intellectual power
My mind is bankrupt.

I am mean but my
Aspiration is pitched too high
I crave for nectar but I have
No means to procure butter milk.

Good poet forgive me
And read my childish poems
With delight as I prattles
In lisping accents.

But what I am telling
That is truth and there is love.

Gajanan Mishra
Banyan Love

It is here common
The banyan love
They said to
Each other.

If you turn
Up side down
It is your truth
That suffer.

Shaing views
Is not bad
If you are a
Good man.

But with a wicked
And bad fellow
It is like
Miserable plight.

Try to solve
All problems
Within yourself
Or push to shelf.

Take not anything
Serious as life
Is nothing but
bookhive song.

Gajanan Mishra
Banyan Tree

Banyan tree

Gajanan Mishra
Banyan Tree Is A

Banyan tree is a banyan tree
You can not convert it in to
A banana tree.

Sea is sea and you can not see
The sea as the sky
It is there and it is not to fly.

What is within me, nobody can discard it
And I know You are within me, my dear
By saying no to my love, you can not cover truth.

Bare Facts

Through bare facts
We can assess what is what
And who is who.

What you read heard seen
Or experience everything is
Feeling that are bare.

Bare facts, Bare facts.

Gajanan Mishra
Bare Necessities

Always I am acting
For the bare necessities
And I have given up
All and all sense of
Proprietorship over
My possessions
See me
I am under my control now
I am within me
And I know
You are also within me.

Gajanan Mishra
Bare Necessities Are

Bare necessities are
Food, clothing, medicines and water.
Offer food to the hungry
Offer water to the thirsty
Offer clothes to the naked
Offer medicines to the sick.
Torture not anybody,
All should enjoy freedom
In every field of life.
Before offering anything
To anybody see his worthiness, my dear,
It is necessary to avoid misuse.

Gajanan Mishra
Barking Dogs

Seeing the barking dogs
I stood straight
And at the snake frawning
And at the chattering of monkey
I observed the wind.
Whose side you are
I failed to understand
And I walked along the side
And the sea was there
And I kept it in mind.
O no, nothing more
Here is the mutilated body
And mysterious story
Forget the retaliation
See dogs are now kind.

Gajanan Mishra
Barleycorns

Come on dear, with
Cooked barleycorns,
Burned by the sun.

Come on and see
It can no longer
Grow into new sprouts.
Come on dear,
To the truth
For all good.

Only love is here,
And nothing else.

Love and truth
make you whole, dear,
Come on, time is right here.

Gajanan Mishra
Barometer

Public opinion we have
And it is the barometer
Of our democracy.

Gajanan Mishra
Barren Land

Barren land
Contaminated,
Men do some good,
For your own benefit.

Be cultured and decent,
Your turn is ahead.
Men do something
For truth.

Love is within you,
Rainy days are coming,
Men see the rivers
How anxious they are on the line.

Gajanan Mishra
Barren, Not Time

Barren, not time.
And I am there
With the time.
Poems are there
To welcome
Everybody there.
Each one is anxious
To see the happenings.

Here, I am not
To forget my name,
Though name is
Not true.
I have taken birth
To arrive at a point,
Not known, though.

Bit by bit
I am testing the time,
And the time is
Taking me, with
And without my knowledge.
Thanks to the reservoir,
That is there in clouds.

I am united and
Never scattered.

Gajanan Mishra
Barrier

To take confidence is a must
To take confidence is not easy.

The barrier is the callousness

Barshil Sah

Chosen the life of Sant Jains,
Barsil Sah, I salute you.
Really you are symbol of human being,
You have chosen the path of Hermitage.
You are the topper of
Gujrat Education Board,
A so-called bright carrier
Was a head, a most luxurious life
Was waiting for you.
But lo, you kick them out.
A real, natural man, you are,
I salute you again, being a hermit
Of Jainism, the true path of living being.
You have adopted the things that are
Most essential to living in.
And not to go with the competitive world,
Not to be a cause of anyone's sorrow.
You are really lucky, Lucky- also your parents.
Look me, I am in this dark well,
With no necessity, I am hankering after
Money, wealth and all luxuries,
That have no value, I know, though.
I am in deep sorrow and living a life of hell
At every moment, not able to go like you.
Show me the path of the truth,
Give me the courage to go outside the life,
Here and hereafter.

Feeling of uncertainty
Is really baseless.
Why are you hesitate
To believe another,
I find no reason.
Causing doubt is sin.
All are free to
Perform the works
Allotted to them
In their own ways.
We should see and observe.
Your doubt is baseless,
Set me free and see what
I am going to do only for you.

Basic Truth

I am not sure and I am in doubt
Whether this child would grow or not
Whether this child would get educated or not
Whether this child would get married or not
Whether this child have a family or not
Whether this child have wealth or not
But I am sure this child will die
You will die and there is no doubt
In death as because this child has already
Taken birth you have already taken birth
Let me say again there is no need to
Celebrate birth day that you have reached
Certain age because I know you have not
Reached that age but so many years have gone
And you are short of so many years and
You are getting closer to death and so
It is better if you celebrate the welcoming
Ceremony of death here every year every moment
I am sure it would give new and true energy for
An ideal living.

Are not for the larger interest
Of the human race and also
I think here there is nasty politics
Against one another and I am
Not such type of man either.

Forwards for others.

Language of love
And affection,
Language to bind together.
Language to keep
Peace and pleasure.
The only language can give shelter,
Go on dear, with your
Own language,
The field is open here.
And see the earth and
The sky together.

Gajanan Mishra
Beauty beauty beautiful
Everything is beautiful.
Let my heart be beautiful
O my dear, like You.

Beauty beauty beautiful
Everything is beautiful.
O my dear, I am careful
Here there everywhere
Only You only You only You.

Beauty beauty beautiful
Evrything is beautiful.
Malta cherries guava apple
Everything is beautiful
Lion tiger jackal wolf
Everybody is cool cool.

Beauty beauty beautiful
Everything is beautiful.
Parrot pigeon peacock owl
Everybody has on soul
O my dear O my dear
Make me not a fool
Let me know You in full in full.

Gajanan Mishra
Beauty Contest

Two words at best
If not for public welfare
Two words total waste.

Service to people is main issue
Settle it soon selflessly
Beauty and contest
Use it at best.

Beauty and contest
Beauty and contest.

Gajanan Mishra
Beauty Has Its Own Night

Beauty has its own night,
And we are going with it.

Gajanan Mishra
Beauty Is In

Beauty is in your description
O my dear, and you seek impatience.

You are hopeful
You are hopeful that I know
O my dear, I am here good-looking
Pious, saintly, virtuous, wise and accomplished.

And I wonder in this fortification
O my dear, I am screened and I
Live here only for words that are lovely.

Gajanan Mishra
Beauty Is In Truth

I must say
Beauty lies
In truth.
And beauty
Is in the truth.

But the truth
May not be beautiful.

Life is all good,
And I must say
Go on proper way
To enjoy life.

In so many different ways,
One can see and enjoy
And satiate himself.

Gajanan Mishra
Beauty Is Not A Thing

Beauty is not a thing
To be achieved.
Life is not a thing
To be lived.

I am living, see
Forgetting my own life.
And I am telling you
Without uttering words.

Let me see the beauty
Let me live my own life.

Gajanan Mishra
Beauty is with You
O my dear, most beautiful You are here.
And what are You? where are You not?
No exaggeration but fact production
You are my reflection, I am Yours
O my dear. no dissolution, but modification.
From beginning it is the creation
In active participation.
But for that I am with You and You are with me
It is nothing but constant repetition.
Performing actions are mere falsification
That are being mentioned in the assumptions.
Tell them who are with You
All are they truth only truth, fact production.

Gajanan Mishra
Beauty Of Life

Beauty of life,
Beauty of nature,
I am here, with you,
My dear. I am your love,
You are my truth.

I consider we are one,
We are in this world
To establish a new order
Of social commitment
For all out development.

Beauty is there
In our love,
In our affection
In our connection
With eternity, the Absolute.

We have our own religion,
That is humanity.
We have our own love,
That is compassion.
We have our own truth,
That is life.

Life is nothing,
But the beauty of
Nature, my dear,
Sinless and all pious.

Gajanan Mishra
Beauty Parlours

Each and every particle
Has its own beauty
I do not find any reason
For any beauty parlour.

Fatwa is dictatorial and
Is in excess
I do not find any reason
To support fatwa.

Men and women are equal
before the law of nature
Without the one the other
Has no existence.

I do not find any reason
To go with one
And neglect other
That is not nature.

Gajanan Mishra
Beauty shines
In your weaving,
O weaving bird.
Come on, I am
Waiting you
To weave the truth.
Set fire all falsehood,
O weaving bird,
And think life is here,
To take pleasure,
With wonder.
See, I am
The adventurer.

Gajanan Mishra
Beauty Standard

Who are you to measure
Beauty standard
Do you know what is beauty
Who has given you power
To legislate on beauty standard
Have seen beauty
That was never revealed
Do not confused with fear
O my dear, You yourself
Is a piece of beauty
Kindly reveal to me
I am surpassing all beauties
To touch you in my heart.

Gajanan Mishra
Beauty, Love, Glory

Beauty, love, glory
All are here and
All are truth.
It is in form,
Our potency.
Our nature is
Under our control, see.
We are all in goodness
And our passion is
To discover love
In the field of truth.
And truth is our
Beauty, our love
And also our glory.

Gajanan Mishra
Because Because

I love you because
You love me
You love me because
I perform duty with you.

I perform duty with you
Because you have strength
Because you have power
Because you have glory
And and because because
You have other other attributes.

Gajanan Mishra
Because I

Because I reached here
You are there and we
both revolve in circular.

We both stayed here
without going anywhere
and without caring sequel.

Think plus minus cancelled.

You are here, I am there
No bodu care
Third is none to share.

Gajanan Mishra
Because I have words,
I am writing poetry.
Because poetry is coming,
I am forced to take words.

What I am writing,
How I am writing,
All are not important
For me.

I am writing and
You are reading
That's enough
To live.

And I need nothing,
And I need nothing.

Gajanan Mishra
Because I Love

Because I love you
I am telling you
All the truth.
Because I love you
I am taking you
To the truth.
Because I love you
I am showing you
All the truth.
Truth is the only thing
That is here with us.
The birth of truth
Dates back to
Remote antiquity.

Gajanan Mishra
Because I Trust You

Because I trust you
Mouth is here
To tell the truth
Because I trust you
Leg is here
To go away from falsehood.

Gajanan Mishra
Because I Write

I write because I write,
I think because I write,
I write because I think.
Truth - my thinking,
Free of clouds - the truth.

The truth - the stone,
The stone - the big house
I nestled, in recurring
Expenditure of time
With my whims.

Life - a hymn,
With humanity and love,
I find eternal brotherhood,
In words that are good.

Gajanan Mishra
Because Of

You do not know
You do not want to know
You can not know
What is what
Because of passionate intellect.

You can not discriminate
Between right and wrong
What ought to be done and
What ought not to be done
Because of passionate intellect.

And because of passionate intellect
You are doing thing contrary to truth.

Gajanan Mishra
Because Of Fear

Fear of death
Because of fear of death
I live here always in anxiety
I know my body is the source of
All distress lamentation
And fear.

Gajanan Mishra
Because Of Happiness

Because of happiness
I am here,
Because of happiness
You are also there.

We are,
Here and there.
No words
But we are.

Not in silence
But with our thoughts
That have their
Own words.

It is just for happiness
And nothing else..

Gajanan Mishra
Because Of Humility And Love

Because of humility and love
My voice choked
Hear me, I am speaking in
Faltering language.
My nature is expansion
As I am in love
I want to spread love
Throughout the world.
I know this world is here
Only for love
The sun the moon the stars
All are here for love
The air is here
The rain water is here
The birds the flowers
The animals and all the creatures
Are here only for love.
Nothing but love reign the world
That I know my dear
Only through love
Perfection can be achieved.
Love love love love
Love love love love
See my voice choked in love
And in life it is only love.
Love is a wonderful structure
Love increases in the course of time
Love is here to give life
Love me love me love love me.

Gajanan Mishra
Because Of Injustice

Because of injustice
And unrighteousness
I fear danger
There with humanity.
Because of unwieldy,
Indiscipline, disunited
I fear I am not able to
Love anyone or keep faith.

And hence I am to stay
Compact, discipline
United and ferless
Within me first
And love all creatures
In this world for all good.

Gajanan Mishra
Because of intimacy,
I am one with you.
And I long to provide
You, with every comfort.
Let me taste this love, and
this is automatic.
It is so sweet, and more and
more sweetness being developed.

Gajanan Mishra
Because Of Love

Because of love
Everything exists
Everybody lives.

No love no existence
Love is existence
Love is non-existence.

Everything moves from love
Love is source of all
Love is seated in the hearts of all.

Gajanan Mishra
Because Of My

Because of my association with You
I am here the whole day and serious
In reading and writing poems.
Because of association with You
O my dear, You should see me
And guide me to move forward unalloyed.
Because of association with You
I am at the real end and concentrating myself
For the purpose of real development.

Gajanan Mishra
Because Of My Good Faith

Because of my good faith,
I am going nearer to the truth,
And I know the truth is here in me.
I also realize the real and
Eternal affinity, with truth,
And it is but natural.

Gajanan Mishra
Because Of My Relationship

Because of my relationship
With you, my dear, I am noble.
I am not a man of meagre intellect,
Because of my relationship with you
And my works are not in a mistaken manner.
I have my unity in essence, I know,
My dear you are the truth, consciousness
and bliss solidified and nothing else
remains for me as the truth.
I know, we are inseparable and
Because of my relationship with you
my dear, I am noble.

Gajanan Mishra
Because Of Not Taking

Shelter of Truth
You are always bewildered.

Be clear about the Truth, my dear
Truth is above all
Truth can only be used in life.

Life is the Supreme Truth
Without life there is nothing
Try to understand the Truth of life.

Gajanan Mishra
Because Of Oneness

Because of oneness
I am here with you
To talk, to smile,
To live together
In truth and love.

It is true, If I am
Separated, my heart
Appears to be void
Of everything, dear.
And in your absence
I am nothing, I have
Experienced so many
Times everywhere here.

Rest is on you, dear.

Gajanan Mishra
Because Of Pride

Because of pride
You ruined
Though high
Because of love
And devotion
You win
Though low.

Gajanan Mishra
Because Of The Mixture

Because of the mixture
Nothing is absolute.

Because of the mixture
You can find so many loopholes.

You can say what is illusory
And that is also because of mixture.

Gajanan Mishra
Because Of The Self

Because of the self
we are here together.
Without self can we find
our own existence here?

We lack nothing, let us remember,
We are self-sufficient and here
no one is obliged or indebted
to crux of life and matter.

Gajanan Mishra
Because Of You

My dear, I am here,
And because of You
O my dear, the world is
Revolving against You
And You are suppressing
The fate of life.

Gajanan Mishra
Because You Are There

Because you are there
I am here.
Because I am there
You are here.

Here there
There here
Same thing my dear.

Give me instructions
I can give you honor
But I am fighting
Without fear and favor.

It is better
To each other
So long as we are here.

Gajanan Mishra
Become Better And Better (Title Change)

You think me good
My dear, let me clear
I am not so good
You think me bad
Let me clear, my dear
I am worse than that
But it is clear
I am trying always
To become better
And better
My pen is good
My words are good
It does not mean
I am a better writer
If purity is not inner
And again my actions
Can be pure but see
I am not pure
The actual doer
Likewise so many
Things are there to say
But my dear as you know
I am not a perfect talker.

Gajanan Mishra
Bed Of Fire ????? ???

Bed of fire -
All ice.

Fire - ice,
All for life.

In Odia version;

????? ???
??? ???,

???? - ???,
??? ??? ???? ?

Gajanan Mishra
Bed Tea

Bed tea is bad
Nobody said
Definition of purity
Has changed.

How to clean
How to take lesson
Is to mention
Without hesitation.

Not the matter of bed tea
But it is bed tea
Death of life-bee
Issues of key.

No seat
But filled with anxiety
We all are blind
But not He.

He is the only well-wisher
Let us go and rise
Show your gratefulness
That you are here not on bed.

Gajanan Mishra
Bee And White Tulip

The bee is
Upside down,
Still, white tulip.

Gajanan Mishra
Bee Sucks Honey

Bee sucks honey
From the lotus
My dear, I am
Craving for Your
Lotus-feet.

Let me stay
Delight with You
My dear, in this
Worldly existence
That is in turmoil.

Wherever You are my dear
I find there the cool
Soft and fragrant freeze
Ever delighted me .

Gajanan Mishra
Beehive

Beehive dynamic
Millions are
Brimming with energy
For a better world
With tremendous ideas
Super transformation
Is ahead of us
We should have a
Commonality among us.

Gajanan Mishra
Bees

I know you, bees,
You are all really,
Great sages and elevated.
O bees, come into my life,
My confidential heart-grove
Is here, feel free and come,
Come to taste my fragrance,
And make it suitable for others.

Gajanan Mishra
Bees In Flowers

I am here only for Your pleasures
And You show me bees in flowers.

Our test is not in union but in
Separation, my dear, as I questioned motives.

Let the prostitutes abandoned penniless man, no objection
Let the subjects abandoned incompetent king, no objection
Let the students abandoned teachers after education, no objection
Let the priest abandoned the man after getting remuneration
Let the birds abandoned the tree when fruits are gone
Let the animals abandoned the forest after burnt down
But my dear, let me not leave you after fulfilling all my desires
I know You are the only source of my life breath and all desires
Let me enjoy your companions always everywhere
Let me stay with You, O my dear, without fear and favor.

Gajanan Mishra
Before

Before and after
everything is clear
That I want to know
Actual position
That I want to
Describe myself
And I wish to see You
O my dear while
Entering in to
This air-borne
Manifestation.

Gajanan Mishra
Before And After

Before and after
It is You
Who is here.

Above and below
It is You
Who is here.

You are not
Within the purview
Of past present and future.

Gajanan Mishra
Before And After - Life

Before my birth
Who I was
How can I tell you.
After my death
Who I will be
I can't say.
But at present
I am with you,
Your near and dear.
I can say I love you,
I honour you.
And without you
It would be difficult
On my part to live.

Gajanan Mishra
Before Food

Take this
Before food,
And after food
Walk for five to
Ten minutes
All around.

And I am forgetting
Everyday to take
Medicine and to pray
Before food.

And I feel pain
To walk after food,
I beg excuse
With respect all dues.

I identify
The things mine
And I left all
For consign.
And they all
Complain my
Intention not clean.

I try to say
All in present tense,
I realize no tense
Other than present
Rules this world.

Gajanan Mishra
Before Going To Compose A Poem

Before going to compose a poem
Be clear first the total area of the earth
Be clear yourself, O poet, only one
Ruler is there on this earth
And the state is only one and only one hole
Is here see every moment and it is not
Possible to come out
From where nobody come out ever
One male one female in different size
And forms are here playing together
One river is here with two streams
One house is here with so many components
One swan is here O poet, see
Who is taking the nectar
Before going to compose a poem
Come to the swan first and taste
The nectar if you can
Understand my words, my dear
And go on writing poems as many as you can
And tell clearly what you feel.

Gajanan Mishra
Before Going To Pilgrimage

Before going to pilgrimage
Be in principle and be in truth.

Bow down your head
Who so ever you may be,
Time is there
And the time spare not you
To kill at first view .

Are you a teacher?
You know nothing
And going to teach
It is really disgrace to think.
If you are so interested to teach
Teach yourself my dear, and be truthful.

No creature is a fool.

Gajanan Mishra
Before Going To The Moon

Definitely I am interested
To go to the moon of this earth
The queen of the night sky
I am also ready to
Book a flat in a colony there.

I have to think again
To go to the Mars
Dry and dusty red planet
As you said
For my settlement.

Before going to settle
In Moon or in Mars
I wanted a glass of water
A bag of corn and a green tree
Here in my earth first
To enable me to live for a while.

Gajanan Mishra
Before Honouring

Before honouring
Try to know
Where I am,
Try to understand
My stand.

Praise me not,
I want to
Any pleasure
Out of it.

It is my own idleness
And my own laziness
That is giving me comfort.

By touching,
By tasting,
By smelling,
You can tell something,
But it is right,
Not sure, not like
That also.

Let me say,
Read my words.
But I am not here
To guaranty,
Let me say,
Everything is relative.

Gajanan Mishra
Before Mirror

I make myself stand
Before mirror
And I have not seen me.

And this is true
I have not seen truth
Truth is not in mind
Truth is not in intellect
Truth is not in ego.
And this is true.

Gajanan Mishra
Before Passing A Comment

Ponder, ponder over
My poems again and again
Ponder deeply
Before passing a comment.

Have faith with you, my dear,
And have confidence in you,
Before doing something
As said by my poems.

Giving personal view
Is something different but
While publishing be cautious
To the crowd.

Ponder, ponder over my poems and
My poems are naked Truth, that may not attract you.

Gajanan Mishra
Before Reading Me

Before reading me
You are to look to you
And the sky.

Before coming to me
You are to enter in to you
And the sea with the Truth.

Before reading me
You must say this land is
Not mine only.

Here I am, see
Here I am reading
And writing on You.

O my dear,
If you are ready to stay
Without fear, no matter.

Everything is okay
With you and with me
Come on and and read.

Reading and writing
Is the best practice
To reach one nice.

Gajanan Mishra
Before telling anything,
See yourself, you yourself
Is a whopper.
If I speak clearly
You are a whore,
whoop it not up, please.
Your name would be deleted
In the list of who's who
By the time for your activities
And falsehood.
You are the whys and wherefores
Of all bad things and
You are doing all nasty
Against humanity.
Keeping self-interest within,
You are spreading illusion
All over the world.
Mind it, your time is gone
With the rise of new sun,
Come on and surrender
Before the truth and love.

Gajanan Mishra
Before Your Birth

What I want to say
Before your birth
I am here.
I am here
And after your death.

I am in one tense always
I am in truth, I am the truth,
What I am and where I am
There see worthful,
Be careful, be careful.

Gajanan Mishra
Before Your Goodself

Before Your good-self
I am telling all these.
Before Your good-self
All these are happening.

Before Your good-self
What I am telling
Have got sufficient meaning
to me but to You O my dear
All these are play things.

Leaving aside all that are here
I am preparing myself to
Take further course of action
That is needed here for
Goodness and for good of others.

Gajanan Mishra
Before Your Will

Before your will
I can write nothing.
Even I cannot write
A single letter.
But you said
Everything were
Already written.
You make me write
And I write, true.
And I have no power
To act against your will.
I am a zero, total nil.

Gajanan Mishra
Beg What

Let us beg.
Beg what?
No answer
Here or there.

Let us see.
What is there?
No sight at all
And nothing fair.

Fair,
What is fair?
It is You to
Decide with care.

Gajanan Mishra
Beg Your Pardon

I beg your pardon
The fish I have caught
Died with silent revolt.

Gajanan Mishra
Beggar For Ever

I am a beggar, always a beggar
Let me be a beggar, for ever.

The beggar has got nothing, but to beg
I beg, O my dear, only to permit me
To hold Your leg.

And where is Your leg?
O my dear, let me see, I beg.

Here, there and everywhere, You spread
I am afraid. I beg
Make me a man of fearless.

O my dear, I know, one who fears he dies
O my dear, I know, You are here with me
And I know You are all powerful.

I am a beggar at Your door, O my dear
Let me be a beggar for ever, my dear
In begging I am getting only joy only pleasure.

Gajanan Mishra
Begging - Beggar For Ever

I am a beggar, always a beggar
Let me be a beggar, for ever.

The beggar has got nothing, but to beg
I beg, O my dear, only to permit me
To hold Your leg.

And where is Your leg?
O my dear, let me see, I beg.

Here, there and everywhere, You spread
I am afraid. I beg
Make me a man of fearless.

O my dear, I know, one who fears he dies
O my dear, I know, You are here with me
And I know You are all powerful.

I am a beggar at Your door, O my dear
Let me be a beggar for ever, my dear
In begging I am getting only joy only pleasure.

Gajanan Mishra
Begging And Giving

Beggars beg
Begging is bad
And notorious.

Do not beg
Begging is most dirty.

God give
Giving is good
And most pious.

Gajanan Mishra
Begging Bowl

Give not anything
On the begging bowl,
Tell the beggars,
Everything is theirs,
Give them right
To take all.
This land belongs
To the common people-beggars.
Tell them they have
A right to work there on
For their own welfare.
Tell them the begging bowls
Belong to the bureaucrats
And the representatives.

Gajanan Mishra
Begging Is Bad

What I want
I do not know
And I want.

You are giving
What I do not know
And I am begging.

To beg is bad
To give is sacred
That I know.

Gajanan Mishra
Begging Is My Duty

Begging is my duty,
I am a Brahmin.
But I am here to beg
Not before all,
But before the one,
Who is honest, truthful,
Transparent, pure
And perfect.
I know such person
Is only you.
I have kept everything
The body, senses, mind
And intellect under control
For a new order of life.

Gajanan Mishra
Begin Afresh

Begining of life start now
After arrival afresh.

Moment after moment I
Count and reach nowhere.

No body is there to asked
No body is capable to broke secrecy.

I am here as before and you are
Looking forward me to begin life afresh.

Gajanan Mishra
Begin The Relationship

Begin the relationship with others
In love in affection
Love is God
God is here there everywhere
God is within all
All is God
And God loves You
If You love others.

Love love love love
God is nothing but love
Love is nothing but God
If you are in love
You are in God
If you are in God
All are with you
You are with all.

God God God God
Everything everybody is God
Love God
God loves You
Love is beautiful
Love is cheerful
And love love love love
Love love love love.

Only love love love love
Life is the creation of love
Love is life
Life is nothing but love
Love all love all love
And live here with dignity
This is eternity infinity
Love love love love and show you are right.

Gajanan Mishra
Begin With Tongue

Begin with tongue by chanting
His unlimited glories.

Think always I lack everything
And You are completely self-sufficient.

Remember not to say
There is nothing more than this.

Remember always that exclusive shelter
And see He is there always in troubled life.

Be a friend and well-wisher to all living and non-living
That is the only way to live in peace and tranquility.

Gajanan Mishra
Beginingless Life

Come and see
Beginingless life
Know me better
And I am five.
You are with me
Un-deluded and free
You a great soul
With a single mind.

Gajanan Mishra
Beginning

No beginning, no end
You can not say, there is an end
When there is no beginning at all
And what has begun you can not say
As you do not know where is the beginning
And where is the end .

Gajanan Mishra
Beginning And End

So much happiness
So much love
And in it
I have lost myself.

Beginning and end are
With me
I'm in love
With my journey
I'm happy.

Gajanan Mishra
Beginning And The End

Ultimate source
Is here and
It is the truth.
But here we find
Nothing is permanent
Including the truth.
Haphazardly, we
Conclude life
As a paradigm
And we all are
Ready to accept
That are not there.
We realize the
Beginning and the end.

Gajanan Mishra
Beginning Is Birth

Beginning of any action and
Any reaction is birth
No action no reaction
Means death.

Changing is not death mind it
Where it is body or mind
It is just a change to another
Field of activities.

Childhood youth old age
Perpetually going on this process
Nothing is finished in any stage
Life-span is a flash in reactionary show.

Gajanan Mishra
Beginning Of All End

I am here, see me,
At the beginning of
All ends.

And what is an end?
Come on and know
I am here to
Makes you understand
And explain.

Here I am
With you, but
Not in power-
Politics games,
Not in hip-hip hurra,
Not in closing eyes.

Here I am,
With my defeated patience,
Here I am,
With the murmuring sound
Of the dark.

I fear your
Demoniac jewels,
I fear your
sugar-coated words,
I fear your
Artificially made
The things that
Color me
In different angles.

Gajanan Mishra
Beginning Of An End

Beginning of an end and
End of a beginning,
And in between these two
I find no happiness.

Gajanan Mishra
Beginning Of Everything

Beginning of everything
Here I see and I see
You have no beginning.

I understood, my friend
Day in and day out why You are
Busy in annihilating the miscreants.

I am sacrificing everything
Only for You and You are
Here for me from the origin.

Gajanan Mishra
Beginning To End

Beginning to end
I am telling one thing
Be patient.
But I do agree
I failed to answer
Where is the beginning
And where is the end.
Nothing is at hand
I am suggesting to
Go on travelling and
Find out the suitable place
Where you are to stay
But alas, failure is
Your destiny.

Gajanan Mishra
Beginning With Spring

Beginning with spring
Let us move with the season
And enjoy cold and heat.

Higher and lower no matter
It is oneway traffic for all
Come on and enjoy life in full.

No life is safe without moon
Moon is the source of nectarean coolness
And we are the chief living beings.

Gajanan Mishra
Beginningless Creation

Beginningless creation
This life
And it is progressing
And it is attaining
Its firm root
With the formidable
Axe of dispassion.

Gajanan Mishra
Behave Properly

Behave properly
And try not to
Make angry anyone,
And commit no wrong
To anyone member
Of the family or
That of the society.
Maintain friendship
With each one here.
give up enmity
And try to please all.

Gajanan Mishra
Behavior Enjoyable

You are pure
I am pure
We are not
Anyway contaminated
I am sure
We are enjoyable.

We are on this
Path together
This road is going
Towards Truth
Through this love
And for this we are pure.

We are pure
We are hero.

Gajanan Mishra
Behind All

You are always Youthful
You are most beautiful
Your hand is there behind all
Activities of all.

Envious person neither see You
Nor Your hand and also
Envious person can not know
Anything about You.

You are most significant
In each and every verse
You are my dear and I am
Staying here without fear.

You are not limited, O my dear
By past present and future.

Behind The Beauty

Come on and see
Behind the beauty
Liquid stool and vomit
Blood urine and all disgusting
O men, you are attracted by
Illusory beauty.
O men, you are here
To search the Truth
Be careful, illusion is here
With you
Go to the original beauty and
Stay with Ultimate Truth.
To understand Absolute Truth
You have got this life.

Gajanan Mishra
Behind the poem,
Here I am.
I am here, my dear,
Just to drive out
Your fear.
I am here, only
For you.
I am here, only
For love and truth.

Gajanan Mishra
Behind The Screen

Behind the screen
You find everything.

And on the surface
You find the symptom

You cannot say
What are those that are
So easily available.
You cannot say

Since everything available.

You are only there
To activate
You are only there
To cultivate
You are only there
To motivate.
I am here
Leave the rest.

Gajanan Mishra
Behold me
O onlooker,
I am pure
I am capable of
Purifying you
Through my poems
I am the best of all,
O, onlooker,
Ask me not
How may I know You
Ask me not
In what aspects are you
To be thought of
Lo, see, I am here
And everything is clear
By my distinction
By my singularity
Within the beauty
Of nature.

And nothing.

Your world in Truth.

And in fear and in flesh

With You my dear
I begin my life afresh.

Thanks and
Happiness are still
Confusing and it
Depends from person
To person in different
Places at different
Times.

Benediction is
There in faith,
There in pity,
There in passion,
There in Prayer
And there in creation,
And creation is life
The only truth.

As it is for You everything is
Changing here day and nights
You are the only owner
You are the only lover
This body this world
This flower-filled forest
Is here and You are
The guard and the forester
Rest are service holders
And accountable to You
At the time of departure
One who desires anything
Let me say he is a fool
And a man without any eyes and ears
What he uttered has also
Got no value as he know not
The real Truth.

Gajanan Mishra

Own destruction.
Let not pray
Before a demon.
And men, go on.

We are responsible
For all loopholes.

Going with war,
Fear not war, O men,
There is the star.

Gajanan Mishra

Both the victim and
the villain are in fear.
And they are here.

But I wonder
What is there here
Besides fear
To that I want to water.

I myself can clear my mind
Which is confused at times.
I am here, see me,
But say nothing.
No right,
No one has right,
To utter words.
Words are not
So cheap,
Of course, good and
Valuable words.

Gajanan Mishra

Nothing but gold
Different names and

Gajanan Mishra
Who is the best among men?
Surely, the true poet.
What do you mean by the word poet?
One’s own self is the true poet.
Let us follow the words of inner self
And swim in the river with holy monosyllable.

Best Friendship

You have rightly said
Leena, you say not anything,
But I understand;
Best friendship.
I do agree,
But what shall
I do,
I am dumb
But not like God.
I think so many things
Both negative and
Positive but
Unable to solve
Any problem.
I am here,
You are there
Without any contact.
You remarked;
Best friendship.
Neither you have
Seen me, nor
I have ever
Seen you.
But the same truth is
There in us both.
We are facing
The problem
Here and there.
Correct?
But we know not
Who are you
And who I am.

Gajanan Mishra
Best Interest

Let me say friends
You have written well
This writing would be
Conducive to the best
Interest of all.

But my dear friends
Your poems are hard
To understand
Though soft to read
And small in appearance.

Your poems have great power
O my dear, I have a great faith
On You especially when
You are here with pen and paper.

Gajanan Mishra
Best Life

Best life
Let us enjoy
In the glimmer
Of twilight
Under the sky.

New knowledge
Let us receive
At every moment
By riding
The love-throne.

Let us stay confident
In the truth-heaven,
And keep patience
To live here, men.

Gajanan Mishra
Best News

Good news;
You are with your
Love and eternity.
Better news;
Your romantic brilliance
Is at its peak.
Best news;
You are busy in creativity.

Gajanan Mishra
Best Of Luck

Best of luck,
And I want to kiss you,
But I find not the truth.

And where are you?

Let me draw a line
And skip the truth.

But where are you?

Who am I to search you?

For all,
Let me say
I am my own world,
And in this world
I have done so many
Fruiting works.

Gajanan Mishra
Best Poems Are

Best poems are often
Least read.
Kindly appreciate
The matter,
And try to search
The best one to read.
That is the best poem,
We see life in them.

Gajanan Mishra
This life is the best seller
Book of Truth
It is not free
As you think
Nothing is free here
You have to give something
This is give and take world
And You have nothing to give
Except time
Nothing to take
Except time
Time is the only Truth here
In this world
And in the world this life
Is most valuable
This life is the only
Best seller here.

Gajanan Mishra
Best Subject

Best subject -
The questions
And also
The answers
For hearing
And for knowing
So many things.
All are original,
All are perfect,
All are loving.
All are there to
Purify the speaker
And also the persons
Who are there to listen.

Gajanan Mishra
Best Treasure

The best treasure is
Your own vigilance.
And it is always praised.

Gajanan Mishra
Best Way To Love

Best way to love
Is to surrender everything.
Best way to faith
Is to upgrade everyone.
Let us give regard
The divine gift
That is there in every being,
Let us mind the welfare of all.

Gajanan Mishra
Best Wishes

Best wishes to you
Declare not what are you
My dear, teach me not
Everything that I know
Ask not what I know.

It is within
Your knowledge that
I am going to unfold
On the chariot
You are just to see.

Showing everything
Is not grace
It is a way to perish
My dear, deliver some words
That are not blunder.

'Do as thou wishest' and
Feel miserable on the midst
On your own without giving
Any notice and
That is my exhortation.

Gajanan Mishra
Betel

Betel cannot be
Made out of the leaves
Of potato or arum.
The wives of subsequent
Marriage cannot understand
The heart of the old husband.

Gajanan Mishra
Betel-Leaf

Betel-leaf is there
As it was. But I
Could not see my face
In my own mirror
My own smile.

I am alive
I am unable to say
Anybody here and
I failed to reach there
To see the dancing star.

I realize the pain
Of the creatures in air,
I attain colours
But failed to reproduce.

Gajanan Mishra
Betrayal - Naked

Betrayal - naked.
What do you feel,
My dear, by this act?
No word left, my dear,
To utter - a fact.
Have you any friend
Left with you?
If yes, call them,
Let us see together
That brute.
But how -
Is a question now.
Come and let us
Sit together for future.

Gajanan Mishra
Better

It is better
To leave me
With my poems.

I know what my poems
Want here at this time
That you are not ready to spare.

A little love a little affection
That is enough to live here
That is enough to go anywhere
Even to the gate of death.

It is better to leave me for death
My true friends are as you called them
And they have not committed any error.

Gajanan Mishra
Better Half

Knowing fully well
Man and frog unreliable
I kept you with me with due
permission and they poured ghee
On burn-fire.

Knowing dully well
Increased heart beat
I hit the ball
And they strike the iron
observing hot.

Days passed
And you remained mine
And I kept you hoping
Love and density of good deed
With soft words and I alive.

Gajanan Mishra
Better Is Death

Better is death
In fighting,
For my own language,
In my own independent,
Sovereign, democratic state.

Gajanan Mishra
Better Not To Live

Better not to live
Than to live
At the cost of lives of others.

But the creatures of
This world are living
By eating each other.

Who is living and
Who is dying
Very difficult to say.

But we are saying
We are living here
Peacefully, and
This world is most
Beautiful place to live in.

Gajanan Mishra
Better Not To Say

Time is not good
Time is okay
We are not good
We are okay
Okay is not okay
Better not to say
Anything to anybody
Any action can take
Any reaction by any word
Any word can initiate
Anything at any time
Any time anybody can
Do anything anywhere
Anywhere one can see You, if one wish.

Gajanan Mishra
Better Not To Speak

Better not to speak,
But speak not untruth
On assumptions.

Gajanan Mishra
Better Place

What can be done
To make this world
A better place?
What and how and
And so many questions
And so many answers
Are there hanging
Carelessly in the air
Let us remember
Solution is not in
Blaming others
Solution may be there
If we stand
Facing the mirror
At the door of ours.

Gajanan Mishra
Better Place- World

I love you, I love you,
And let me build
This world a better place
For you, I love you.

I love you, I love you,
I am committed to doing
My small part to help
Create smile and hope
And joy within you,
I love you, I love you.

I am very happy
In loving you, dear,
I am here only to love you,
I know love is the only truth.

Gajanan Mishra
Better To Commit

Better to commit
Suicide
Than to pray
Before a
Dark demon.
Better to
Go outside
Than to suffer
Silently inside
Without any
Right to utter
A single word.
But life is better
With nature.

Gajanan Mishra
Better To Leave

Better to leave
Than to live.
Better to live
As an ordinary one
Like a tree.
Tree is there
In the seed.
And the seed
Keeps everything
In fact within.
And the seed grows
For others.
The good one
Knows all better.

Gajanan Mishra
Better To Live Elsewhere ?? ????? ???? ??

Better to live elsewhere,
If no occupation is here,
If no food, no water,
No shelter is here,
If no love is here,
No respect is here,
No identity is here,
If language is used here
That is not ours.

Rendering into Odia language, script is Brahmi;

?? ????? ????? ??
??? ????? ??? ???? ??,
??? ????? ??????, ????? ????,
????? ??????, ????? ????,
????? ??????, ????? ???????,
????? ??? ??????? ????? ?

Gajanan Mishra
Better To Remain Silent

Each and everything,
Each and everybody is
Beyond the access of
Mind and speech.
Even after seeing
Even after hearing
One can not understand
Anything at any time.
It is better to
Remained silent
Failing this
We must get deluded.

Gajanan Mishra
Better Your Image

Better your image
By devoting time
In the service of
The mother, mother-tongue
And mother land.

Fishing in troubled waters
Is not good for anyone,
It is the way of
Self-destruction, my dear.

Maintain the decorum
As per your status,
Show not your keenness
To hog limelight.

Gajanan Mishra
Betting Lives

Betting lives
Come together
To fight
For right.

Fight,
For own language,
For own identity,
For own earth.

Gajanan Mishra
Between Eye And Eyelid

Between eye and eyelid
There is no space
Shut space
Limitless expansion space
Churn ocean and
Result nothing.

Gajanan Mishra
Between Going And

Between going and
Coming, and
Between staying
And loitering,
I know you, dear,
For love nd
For truth.

Gajanan Mishra
Between Senses And Objects

Between senses and objects
There is an attraction
As they belong to same class.

Ears have attraction for words
Skin for touch
Eyes for forms
Tongue for taste
Nose for smell.

O my dear, I have attraction for You
As I am your fragment
And we belong to the same class.

Gajanan Mishra
Between the earth and the sky
It is you and I
Playing dreaming and going
And going with love
We see together and see
What they called future.

Gajanan Mishra
Between Truth And Love

I am there
In between truth and love,
And I see
The present here,
That is as bright as
The fixed star.
I am the present,
I am fair,
I am here,
I am there.
I am my own master,
I am the pleasure,
I am the time decorator,
I am present here.

Gajanan Mishra
Between Two Lines

Between two lines
Here I am.
Talk to me
Dear friend.
You may not
Find me
In the next moment.
Here I am
With my empire
Embracing all time,
See me, dear friend
With some selfishness.
And stay aware
From this instant body.

Gajanan Mishra
Between Us

Always a separation
Is there and it is
Going on between us.

There is no union
And we are never
United at any point.

It is not darkness
It is not illusion
It is but separation.

Gajanan Mishra
Beware Of Rights And Duties

Beware of rights and duties.
You have every right
To fly in sky.
You have to land
And it is your duty
Not to destroy the land.

Gajanan Mishra
Beware Of Time

Beware of time,
Before doing
All undoing.
Footpath, all
Wrath.
All wrap
Life and death,
All wraith.

Gajanan Mishra
Bewildered

I am bewildered
In all directions
I am not balanced
With this blazing
Death-like time.

Gajanan Mishra
Bewildered, we all,
By the outward glamor
Of this world.
We know
Nothing is there,
In the body, in the air.
And yet, we are busy
In decorating it all.
It is true, we are
Misguided, no proper
Education is being
Provided to us by
Anyone here, and all
Are exploiting us for nothing.

Gajanan Mishra
Beyond All Bounds

I am here and I am a man,
I am beyond all bounds.

Gajanan Mishra
Beyond All Concepts

Beginning-less - truth,
Beyond I am,
Beyond you are,
And beyond what is not,
And beyond who is not.
Forget the intellects,
Forget the words,
Just remember who you are.
You are unthinkable, I know.
You are unlimited, I know.
You are the ultimate reality,
The finest essence.
But my dear, I have my
Own myth with magical flavour.
What is dynamic here
Is my actions,
And I am giving a
Loving touch on it.
I am sure, nothing is
There within or
Without.

Gajanan Mishra
Beyond All Doubt I Am A Man

And you agree reluctantly.
You clarified
I am not behaving like a man
Not treating others as a man
And you said this is sufficient.

What is a man like
You have answered in so many ways
That I agree without any complain.
And I said I know only one way
One person one place one time
That is you with me and I am with you.

Gajanan Mishra
Beyond All These

Beyond all these
There is something
There is somebody.
Try to know that
O my dear men
And realize your
Position there
While crossing the bar.
Let me declare
You yourself is
That bright star.

Gajanan Mishra
Beyond Borders

Beyond borders,
I know, ask me,
I am ready to tell
What is happening?
And how it is happening?
Ask me, I am ready to tell,
All the story, but wait,
For a moment, let me count
The number of years
You have lost therein.
Let me carry all elements
Into count and place them
In their due places
For all safety.

Gajanan Mishra
Beyond Darkness

Beyond darkness
The creatures who are here
The creatures themselves
Are knowledge
The creatures are knowable
The creatures are the goal of knowledge
Heart of all creatures are one and the same
In the heart of all creatures
It is only light and light
O my dear, you are light of all lights
You are self-effulgent
And I know you are illuminated by none,

Gajanan Mishra
Beyond Duality

You are one and
Only one, one
You are beyond
Duality.

You are without
Zealousy and
You have shunned
Hatred and hostility.

You see poor and
Rich equally
You are the bridge
Between religion and society.

Gajanan Mishra
Beyond Everything

You are beyond everything
My heart is Your own abode.

Here is light
And You confirmed this.

Trouble is Your possession
That is impersonation.

Beyond all creation
You are Your own explanation.

Like the sunlight like the moonlight
You are with all ready to fight.

Miseries over
Dark is here just a cover.

Gajanan Mishra
Beyond Experimental Measurement

O my dear, You are beyond
Experimental measurements.

I come in direct contact with You
And I am purified.

And I know everything is under
Your control.

See I am using everything
To serve You.

And I know You are in everybody
Remembrance knowledge all come from You.

Gajanan Mishra
Beyond Knowledge

The world is beyond knowledge
I know, and I know
I am in this world
And I gain no knowledge
What is truth what is not truth
Only You know, O my dear
As You are above and beyond this world
But You are the world
You are the whole world
I have full faith on You
And I know You are here with me
And instructing me to do this
To go there, my dear
So long as I am fair.

Gajanan Mishra
Beyond Logic

Life is beyond logic,
Life is beyond imagination,
Life is beyond condition.
Stay blessed in life, my dear.

We love and we live,
We live in truth.
Truth is the basis of
Our very life.

Clouds and darkness are there,
Snowfalls disturb us,
But we should stay fair.
Our knowledge is there
To make us the star,
We should stay fair.

Gajanan Mishra
Beyond My Dream

Beyond my dream,
Each incident.
Beyond my reach
You and your earth.
Beyond everything
My love my life.
And I am living here
With all nectar.

Gajanan Mishra
Beyond Positive And Negative

Staying beyond
Positive and negative
Is the symbol of
A man of standard.
Accepting all
During construction
And destruction
Is the symbol of
A man of standard.
But what to say
About the form
That I know not.
Where to go,
Where to sleep,
Where to act
That I know not.
What I know is
To love you
In all circumstances
Always here there.
Anything and everything,
I need, I know it is you
To supply me.
No question of
Not this, not that.
But I care the least
And I take all
With me.

Gajanan Mishra
Beyond Reach

You are beyond my reach
I can not know you
perfectly well as said.
O my dear, Here is light
I know and in this light
I am not able to see you.
This light this life is
Not sufficient and I am
In dark as you know O Omniscient.

Gajanan Mishra
Beyond Reach - Time

Confuse not
With the word
Genuine and
Perfect and
Authorize.

And cooperate
Fully to one
Beside you.
Life is under
No one's control.

Time is also
Beyond reach.
Truth consciousness
Is the only remedy.

Gajanan Mishra
Beyond Repair

Past is past and
It is beyond repair,
It is beyond change.
But it is your present
That can shape
Your future, my dear.
Spend your present
In doing good,
Keep relations good,
In love and in truth,
For a bright future.
Remember, you are
The maker of your
Own future.

Gajanan Mishra
Beyond Service

Beyond service
Beyond friendship
Beyond affection
Beyond conjugal
Our relation, my dear
Here we are
Here we appear
Here we disappear.

Here You are
Here I am
Without any sadness
We surrendered
One before another
Here we are
As bond as unit
That is eternity.

We are united
It is fact
We are going away
From each other
It is fact
We are in union
It is fact
And we are eternal.

Gajanan Mishra
Beyond Silence

Listen.
Direct your eyes
To see.
It is you
Who is functioning
All day all nights.

Expansion is there
Outside the space.
Eternity is here
Within.
It is the water
In the sky
That is falling.

Gajanan Mishra
Beyond The Due Limits

Beyond the due limits
Not allowed to anyone.
I know the sky is the limit.
All dreams all rocks,
All flows on earth
For consolidation.
The moon and the sun,
Two eyes two ears.
Men, stay cautious,
At any time, anyone can be
Looted here.
Men, keep silence
And watch what is
Going on further.

Gajanan Mishra
Beyond The Love

Beyond the love
I call,
Beyond the truth
I arrive.
I touch you,
I smell you,
I feel you,
I see you.
Beyond you
I go,
To pluck the star,
Not near but far.
I go on road,
I fly in the sky,
I cross over the sea,
And I catch you,
In me.
Lo, a bird there,
Beautiful and fair.
Lo, the sky is there,
Vast and care.
Friends wonder not,
Listen and share.
Life is there,
Light is there.

Gajanan Mishra
Beyond The Modes

Beyond the modes of material nature
You are, my dear, that I know
And I know detachment from
The bodily concept should be the goal
For the welfare of all
And I know attachment for the Supreme Authority
Is the good for the self.

See my I am pious in myself
See me I avoid those who are
Interested in sense gratification
And making money for themselves
For their own interest
I am sure I can not live without You
And without drinking the nectar of Your glorification.

See me, O my dear, a very simple life is here with me
See me, I am following a regulative principles
And I am non-violent and no one can called me blaspheme
I tolerated all, see here, I am fixed in You.

Gajanan Mishra
Beyond The Reach

Beyond the reach
And I know
I cannot touch you
I cannot see you
I cannot hurt you
And I know
You are not made of
Any earth-element.

Beyond the reach,
You are my dear.
And yet I pray you.
Yet you are giving me
All here what I desire
With its consequences.

Gajanan Mishra
Beyond The Sky

Ice sheets are there
And the sky is covered
In icebergs, they at times
Break off and float
Beyond the sun and
Beyond the sky.
So many species are there,
Uncountable and horrible.
But all are in their
Respective borders.
The abode of truth is there,
In the abode of snow.
Nothing to put the question
Where, when and how.

Gajanan Mishra
Beyond The Time

Beyond the time
In time
I search me
And find you
Nothing left
In memory
That is new.

Gajanan Mishra
Beyond This

Beyond these
I must go up.

Beyond these
I can see You.

Beyond these
I am going to You.

Beyond these
Nothing mystic.

Beyond these
You can enjoy pure pleasure.

O my dear, I am here
But you are not able to see
Please explain the difficulties
Remember, the sun is just rising.

Gajanan Mishra
Beyond This World

Beyond this world
I know You are.

Life is
Deep and unconditional
Acceptance.

It is the another name
Of renunciation.

No existence of future
As I remarked
Details reports awaited.

It is painful to think
That we are in.

Gajanan Mishra
Beyond Time

Beyond time,
Beyond space,
Beyond life,
I cross over
The words.

Only the words
Belong to me,
But beyond words
I have to go
Before you
For truth.

I love you,
Let me declare,
Again I love you.

Gajanan Mishra
Beyond Words

A good man is
Beyond words.
A good cause
Would never suffer
At the hands of
A good man.
A good man is
Always busy in
Searching the Truth.
And where there is
Truth, there is love
And where is both
Love and Truth
One can find everything
There, near and far.
A good man is
The main pillar
Of everything here.
A good man is
The holy sir
And he is the future.
A good man is
The loving friend of the poor.
And I am a poor creature, here
O my dear, and You
Have blessed me, I know
It is Your grace
And it is Your nature.

Gajanan Mishra
Beyond You

I have nothing to do
With you
I am beyond you.

Bharat appear if I am here.
Bharat is there in my blood.

Born in Bharat but not seen Bharat.

Bharat is with me while I am on the street.
The light the air the earth the water
The moon the sun the star
As well as the heaven not far.

Gajanan Mishra
Bharat Versus India

India that is Bharat
Is not same as
Bharat that is India.

Bharat no more with India
India no more with Bharat
India can not substitute Bharat.

I am insearch of Bharat
And Bharat is no more with me.
I am an Indian
And I am proud to be an Indian.

Alas!

Big In Big

See, big in big.
Small in small,
See, small in small.
Living in living
See, opening eyes
And hear, sound
Without ears.
Sound within
The sound, hear.
Say not anything
If you say
That would not be true
True is something else.

Gajanan Mishra
Big Reality Show

Watch,
Big reality show.
Predict not
Anything as you think.

This universe
Has no limit.
Go on acting
But wait.
Peace is there
For you
And not war.
Hate is untruth,
Love all,
Coordinate all.

Come together, dear,
And see the life
That is giving light.

But give prize
To values and
Vision.

Gajanan Mishra
Big Wars

What is that
Big wars,
The wars with
The self.

Torture, cruelty,
And everything is
There here
In this world.

But we are to
Declare a war
With a promise
To follow
The regulative principles
For truth.

Gajanan Mishra
Bigger Thinking

I think
About my language,
I think
About my mother,
I think
About my land.

I think
Nothing is bigger than
The above.

I have a good luck,
I have my own language,
My mother is still alive,
My land is separated
On the basis of language
And I am free
And sovereign.

Gajanan Mishra
Biggest Magic

Biggest magic
Is the sky itself,
And we are under it
Always with love.
We are nothing
But part of magic,
And magic is there
Where there is life.
Life without love
Is meaningless.
No fear to love, dear.
Afraid not, if
The sun is there
In spring.

Gajanan Mishra
Biju Babu

Biju Babu is a light,
Let us light within ourselves
As the sons of this soil.

Biju Babu is a fire,
The fire symbolizing
Revolutionary intelligence.

It is time to learn
From the life of Biju babu
How to face life, how to fight,
How to concede defeat.
It is time to think for ourselves
How to evaluate our own life
In a free and sovereign land and
All good is the there in revealing our own.

Gajanan Mishra
Biju Patnaik

Biju Patnaik is an idea,
It is rightly said, an idea,
An idea in continuity,
An idea of realizing the dreams
Of common people, an idea,
An idea of progress and prosperity,
An idea of self-esteem and
Self-less service.
Let us empower ourselves
With these ideas and
Go beyond the limits of
Regional, national boundaries
To international height.
For this, we must fight.

Bind Him

Bind all
Bind Him
With love.

With love
You can do
You can enter.

You can enter
Here is truth
Get it with love.

Be careful
It is fire
It is high voltage.

Love is more than
Anything, get it.

Gajanan Mishra
Binding

Let me bind you, my dear,
But I see, I am being bound by you.
Nothing to be happy, thing is
How far we are ready to give value.

Life is not a plaything that you think,
Life is taxing and irksome to many
when they are remaining away from truth and love,
Life is the beginning of new era within the reach that is ours.

Gajanan Mishra
Binding Effect

In simple, let me say
I am not a party and
On me, hence,
Nothing has binding effect.

Gajanan Mishra
Bird And Snake

A bird is not just a bird,
A bird is more than what you think.

A snake is not just a snake,
A snake is more than what you imagine.

For me, bird and snake are one and the same.
I want the snake and the bird should reside
At one and the same place at the same time,

Gajanan Mishra
Bird Does Not Want To Fly

Rose does not want to give scent
Moon does not want to stay at night
Commander does not want to fight.

Then how can you understand my poem
Then how can you say what is what
Here or there in black and white or
In colors of the sky.

Gajanan Mishra
Bird- Full Of Love

Lorikeet, Lorikeet,
Stay there, I am going to meet.
I know, Lorikeet,
You are thinking good of all,
And I know
Future in your hands - a clean chit.

I am searching you since long, here,
O Lorikeet, where are you my dear,
With your greenery feathers
I am thinking safe, my future
In a new world order
Full of hope, full of love, it is clear.

Lorikeet, Lorikeet, O Lorikeet,
My life is upside down
Like your flying in the blue sky
And I am also keeping my mind
Under control and giving a new message
Of living, like your twitter melody.

Gajanan Mishra
Bird In Hand

Be content with
Whatever you have got
A bird in hand is
Better two in the bush.

Gajanan Mishra
Bird In Sky

Sky is mine
I am in sky
Bird in sky
I am bird
No one can catch me
I am free
Mystery is with me
Come to live
And search me
If you can
Here is sky
And Let me fly.

Gajanan Mishra
Bird In The Sky

Bird in the sky
And sky in the bird
What kind of bird
Do you like and
No answer
Listening to the bird
I arrived there
No sun no rain no air
And adjustment is far.

Gajanan Mishra
Bird Putting Questions

That Black Bird is putting me questions
And He wanted to know my daily activities
Am I ready to answer at this moment
And if yes He wanted to know why
I had a answer that is not now with me
When I entered in to this sea without
Any ship or boat made of air
You may put questions as you like
But that Black Bird is not here to spare you.

Gajanan Mishra
Bird Tiha

Coming to me
Bird Tiha said
O poet
What are you doing
Here so long and
I answered nothing.

I had no word then
And the bird Tiha gave
Some words that I
missed in the sea
While walking on the wave.

No body was there with me
To help me in my
Searching and I was
Searching nothing
Bird Tiha came to me
all along and said again
Not to worry my dear poet
Lo I am yours.

Gajanan Mishra
Birds Again

I see those birds
Again on that
Drumstick tree
In so many numbers.
But no one dares
To drum out them.
All day I am busy
In dry run with the birds,
I believe no one though.
I am also not
Under dual control
Of the birds and the sky.
I have kept the sky within
While the birds started flying.

Gajanan Mishra
Birds Are Silent

Birds are silent,
And the day is at its end.
The truth is opened,
And all are eternally related.

Gajanan Mishra
Birds Cheer Others

Birds are flying,
Do not shout or beat gong,
Birds are not pests.

Birds cheer others,
Do not pollute atmosphere.
Do not cut down trees,
Birds are settling.

Take care of the birds,
Life take care of you.
Take care of you cheerfully,
Birds are flying,
Life is smiling.

Gajanan Mishra
Birds Chirp

With sweet voices
Wild animals
Dance with cheers
Trees give fruits
Flowers with pleasure
O my dear, I am
In such area full of
Lakes and rivers
With breeze and fragrance
Beautifying entire atmosphere
I am happy to see my life
With so much love and affection
Without any deviation.

Gajanan Mishra
Birds Fly

Birds fly,
Flying birds,
I see in the sky,
The sky I see nowhere.

I talk to the clouds,
And it rains.
It is raining, I see,
In my living place.

The place wherein,
I live is not mine.
And my living is
Not permanent, you know.
And let me close my talk,
No benefit, though.

Gajanan Mishra
Birds Know

Birds know
When to rain.
Birds know
How to smile
And what to do
Where and when.
I am the bird
And I know
My dear how to fly
Beyond your sky.
Your sky is
Within me, I know
With the bird
Who is flying.

Gajanan Mishra
Birds Of The Same Feather

Birds of the same feather flock together.
I am an outsider and the door is always open for me to enter.
If I will get a right path I will enter
nd you find me never here.

Gajanan Mishra
Where is that place
So called Birmingham
That I know not.
But I know-
My dear son is there
To attend the call
Not of the queen but
That of his own belly.

I am so helpless here,
Though my ancesttors
Declare me independent
And sovereign, and I have
Power to frame law
For all welfare, I am
Not able to provide
Proper education and food
And shelter to my wife
And children here!

How unlucky I am,
I know not how to cry,
I know not how to earn,
I know not how to live,
I know not how to make
Friendship with others!

I am being exploited
Like anything.
No one is there
To help me.
No one is there to
Say, please, please
Have patience,
have tolerance,
Everything will be okay,
You will get back everything
That are yours,
That are your birth right.

Female - nearer and nearer earth

Fame fortune speech memory
Intelligence steadfastness

Birth After Birth

Birth after birth
I am moving and
Searching You, O my dear
And also I am
Entrapped with so many
Pleasing and displeasing
Elements that are here.

What is my identity
That I know though
I am staying with
False and that are temporary

Birth And Birth And Birth

It is going on and on
And what is wisdom
It is self-defined
In dust in devotee
In dawn in down.

If there is no peace
If there is no happiness
No cooperation no coordination
What is that life without emotion.

We have in our hands only today
Today is your birthday
Besides today there is no other day
We live for today only
Today is a pious day as you have
Taken birth on this day
Conratulation, my dear
May God bless you for life-long
May you live long.

What is a birth day if there is
Nothing new today
Today is the birth day
Let us see in new perspectives
Let us live a new life
Forgetting everything that is ill
That is evil and let us dream in
A way to find out self and
Let us discover Truth here in this life.

That I know
But how you count
And from which
Point of view
That I doubt.

Mixing separating
Every moment
Nothing new.

Mixing is
Separating as I know

Gajanan Mishra
Birth Day Request

If you are going to
Observe your birth day
Observe it from remembering the feet
Of your mother, smell of mother-land, my dear.
Greet all in your mother-tongue.
Distribute food to hungry
Supply water to the thirsty.

If you are going to observe
Your birth day, my dear, observe it
Forgetting the mischiefs of others,
Forgiving them thinking as said
By Jesus, they know not what they do,
And paying homage to Almighty and thinking
O my Lord, You are within all.

Come, do come my dear

About you
I with clouds
Vanished discourse.

I was told
Not to go again

Owning direction
With new set up
Opening doors and
New vistas.

Come come my dear
Come and see with
The eyes given
Come and hear with
The ear you have
Come come my dear

And shorter.

Gajanan Mishra
Birth Is A

Birth is a curse really as scriptures say
But we have nectar, let us find its way.

Life is for truth and for love, my dear
Let us go together not to make life-bluff.

Death is but common, importance should not be given
Not to death but to life, as life is wonder.

Gajanan Mishra
Birth Is Not The Beginning

Death is not the end,
Though, they say
The end is called death.
They say when reaction begins,
It is called birth,
But birth is not the beginning.
It is impossible to say
Whether we are alive and
Where we are at this time.

Gajanan Mishra
Birth Life Death

Birth life death
Three layers
You me He
Three persons
Past present future
Three times
We are in these
Three worlds
With universal dreams
And with divine vision
Heaven's location.

Gajanan Mishra
Birth Never Ends

Birth never ends,
Life never dies.

Face to face we
See each other,
We both sailors,
Not though, strangers.

We discover the light
Within us in the night.

Clarity is there
And we collect it
From our love.
Our love touches the dust.

Words are to be invented
With all newness in life.

Gajanan Mishra
Birth Right

My birth right is
To change myself.
My birth right is
To wear a shoes.
My birth right is
To go to the temple
And pray for the good.
To think and
I have to think
What is there for me
After my death.
I have not to think
About what to eat
And where to go, how to live.

Gajanan Mishra
Birth, Birth, Birth

Certainly, we are active
From our very birth,
We are unborn, though.
Certainly, we are the truth,
We live on this untruth land,
It is known, though.
No one can discover us,
We are here before all, though.
We are learned, but
We know nothing.
We are in the hearts of
Each other, separate, though.
Certainly, we are here
With our own glory.

Gajanan Mishra
Birth, Death, Old Age And Disease

I am not free, I know, from
Birth, death, old age and disease,
But with you, see, I am in peace.

Gajanan Mishra
Birthday

1.

On this day
Let me stay
True to my words.
Let me not give up
My truthfulness.
Let me love and
Serve my mother.
Let me use
My mother language.
Let me work
For the development
Of my motherland.
On this day
Let me fly to the sky.

2.

What do you mean?
What is birth?
Is it the beginning
Of everything?
On this day
Give me strength to
Tolerate all adversity.
I have done nothing so far,
The star is still dark
And it is there.
I am here before you
Take care, and let all
Conquer the self
For all welfare.

Gajanan Mishra
Birthday Cake

Birthday cake
Take this birthday cake
It is the ultimate truth and
Essence of life, discover it.

Every moment you are taking birth
Mind it my dear here and you are
In the circle of constant change
You are to understand the eternity.

Essential nectar is love
Here in this life, my dear
Take it, it is with you
Always since your very birth.

Waste not any time
Take this birthday cake - love.

Gajanan Mishra
Birthdays Greetings

Copy to all,
This birthdays' Greetings.
Complain not
Please, no one
Is there
To greet you.
Be satisfied
What is received
By you so far.
You are all my
Friends, brothers,
Sisters, uncle,
Niece and nephew.

Think not about
Anyone besides yourself.
On this birthday.
Think yourself
And restart your works
Afresh.
Don't belief
The calnder,
That has no meaning
On this day.
Birth has a
Special miracle,
So also think much
Is horrible.

Gajanan Mishra
Birth-Life-Death

Birth-life-death,  
Nothing but a process  
And we are there.  
And in it,  
There are love and hate,  
There are pleasure and pain,  
There are gain and loss.  
But we are to watch there  
The light of the Absolute.  
We are to taste there  
The colours of the earth  
And that of the sky.  
We are to declare our own  
Existence in our own presence.

Gajanan Mishra
Birth-No Criterion

Birth birth birth
Give no criterion
Birth can not
Substitute the qualification
For a respectable person
Taking birth no matter
Only quality matter
Sacrifice matter
Knowledge of Truth matter
Love and devotion matter
If you allowed me
To say something more
I must say there is no
Existence of birth and death.

Bit By Bit

Bit by bit,
Let us proceed
With love.
Love is
The best medicine
For all.
Love is
The root cause
Of life.
Love is bud,
Life is flower.
Love and life -
Bivalve of
Immortality.

Gajanan Mishra
Bitter Medicines

Bitter medicines and
Painful injections if
Necessary to cure diseases,
We should take these.

We should be tormented
By pain in our life,
We should remain alike
To get the highest bliss.

No decay, no parting
We should learn here,
Assume not you are
Seated in the body.

Let us utilize our time and
Attain immortality with neutrality.

Gajanan Mishra
Bitter Pumpkin Is Always Bitter

Black is always black
Jackal is always jackal
Crude is always crude
Nature can not be changed
In one's life in one stroke
Wait for a change if you want
Till it expired and
Take another life and shape
Drop by drop a pitcher
Can gets filled
But evil man can not be a
Good man even after gaining maturity.

Gajanan Mishra
Bitter Truth

The certificate holders
And the so-called
Intellectual persons
Are more harmful
To the society.
They misuse everything
In hankering after
Pleasure and prosperity.
But the so-called rustic
Villagers of the interior
Areas without any education
But with intuition, concepts
And precepts are more truthful
And wakeful filled with divinity.

Gajanan Mishra
Bitter Wind

Bitter wind,
Blissfully blissed.

Dreaming mind
Always in a bow-tie.

Life swirls
Dancing empty street.

Seasons out of time
And drinking coffee.

Gajanan Mishra
Bitterness

You tasted bitterness
I know it.

I know you can not
Tolerate me without and within.

Let me conclude
All these are due to
You are not in truth.

See me I am
As soft as lotus
As hot as fire.

Gajanan Mishra
Black

Black is favourite
Black is right
Black is supreme
I born black
I die black.
Without black
How can you
assess white?
Within black
Everything filled.

Gajanan Mishra
Black And Black

No retirement
That I know
From the black.
Black and black,
Black sun,
Black moon,
Black life,
Black style.
Not retirement
From blackness,
I know
You know and
It is known to all.
I love black,
I love you,
You are black,
I worship you,
I pray to you,
I see myself in you,
You are the truth.
Truth, I know not,
Yet I love truth,
Since it is you.
I love you,
Though black you are.
I know everything and
Everyone is within you.
You are taking all,
You are spreading yourself
Everywhere, that I know.
How can I go from you,
You are the truth.
I am here within
The jurisdiction of truth.
To go anywhere,
No way out.

Gajanan Mishra
Black Beauty

Black has every beauty
Keep the black always
Stay in black
It is deep and deep
Go deep and get light
From within.

Everything is there in black
Black is beauty as you see
Self-purification process is
There in black as you see
Everything merged in black
It is black that has every beauty.

It is calm it is quite and it is black
It is peace it is progress and it is black.

Gajanan Mishra
Black Bee

See I am here
And where are you
Going away
Without giving a touch.

Air here is fine, look
Weather is at your door
Plan the life, O black bee
Within the time, look
I am a full pouch.

Have patience and give a touch
Black bee black bee
As usual I am
Waiting for you
Look, here is my notch.

Gajanan Mishra
Black Berry

Black berry
Has special importance,
Black berry
Has a link with the monkey
And also with the crocodile.
It is for the black berry
The crocodile wanted the lungs
Of the monkey.
And the monkey kept its lungs
On the black berry tree and save life.
It is for the black berry
There was a friendship between
The monkey and the crocodile,
It is only black berry and black berry.

Gajanan Mishra
Black Cat

See, black cat is
Walking under this ladder,
My dear, wait and watch,
Go not immediately now
Ill luck may trap.

Catch not a cat
In your house, my dear,
And if you catch
Bad luck is sure
To befall you.

Study the cat and
Its behavior, my dear,
And know your future
That is bright and clear.

Gajanan Mishra
Black Dove

Come on see,
Black dove is flying.
Come on and hear,
The night is crying.

We all think
But we all are
Not ready to act.

We are infinite
But not the colors.

We drink and
Still, we are thirsty.

For clarity
We move and yet
We see the black dove.

Gajanan Mishra
Black Flag March

Black flag march
Is going on,
Please join
With us,
My dear men.
March is
For falsehood,
For fraud,
For corruption,
For theft,
For robberies,
For foreign language.
Black flag march
Is the symbol
Of protest for
Our own right
And for all out
Development
Of the land.
Please join,
My dear men
And demand for use of
Your own language
To enable you
Understand the day to day
Activities of Government,
That is elected by you
And that is there for you.

Gajanan Mishra
Black In White

Black in white,
Also, white in black.
I know not what
And who is perfect.

No race
But I sit down.
No backward
But I close down
All eyes.

Image is everything,
And for the image
I stop not anywhere.
And I enter the house
In my own light.

Growth is there
In light,
And light is
To be discovered.

Fascinating thing is
Light - neither black
Nor white.
But the need of the time
Is to take care the life.

Gajanan Mishra
Black Is Beautiful

Black is beautiful,
Beautiful black.
Life is peaceful,
Peaceful life.
I like to live
With pure goodness.
Life is good with
The sun that rises.

Earth, water, fire, air
And the sky- all five
Are here with us.
We are as strong as
Anyone with energy
Unfinished with good wish.
Black has kept all colors
With it in a careful manner.
Black is the well-wisher
Who appear by own perfect accord.

Gajanan Mishra
Black Is Black

I know not
What is mystery
But I know
Black is black
And white is white.
I know the flower
And the bee
I know your feet
And I realize,
For me,
There is delight.
I see your eyes
Black and white
Here in this body.

Gajanan Mishra
Black Is Eternal

Black is eternal
Black is beautiful
Black is full of bliss
And knowledge.

In black
One can find peace
In black only
One can find rising sun.

I recognized black
As a starting point
And also ending point
Of life and life.

I see You O my patron
I see You O my Master
It is true I am in You
It is true I am with You.

Gajanan Mishra
Black Is Full Of Colours

Black is full of colours
And hence I worship black.
And hence the colour of
My God is black.
And hence I love black.
Black is only mine,
And I belong to black.
Through blackboard I am
Getting my teaching.
I am fine through black.
I know everything is in black.
Black is black with all colours.

Gajanan Mishra
Black Light ???????

I catch it,  
Blacklight.  
Why it is  
So tight!

And I color it  
With tiger moth.  
With all tidings  
I follow tie-break.

Black Means

Black means no radiation
Black means no mixture
Black means not seen earlier
Black means no future
And black means full mixed
Not seen not white
All are together that is
Not at our reach
And Lord Jagannath of Puri
You can not distinguished
With white and yellow
At any point of time.

Gajanan Mishra
Black Spots

The black spots
Of the society -
The flesh eater,
The drunkards,
The idiots,
And the uneducated.
O men, remember
And acquire knowledge,
Love all,
Being a creature,
Please, harm not,
Kill not any creature.
Try to know
The truth here.

Gajanan Mishra
Black Tea

With good command of English
I took loud outcry for black tea,
How funny mistakes I have committed.

The hubble-bubble was with me,
Though, I am not a man of
Arrogant pride.

True, I am also not
An aggressive salesman
Of my own poems.

True, I am not
Curled my body into
A small space.

Variety of colour are there
With me by my good command.

Gajanan Mishra
Black Will Take

Black will take
no other hue.
You know and
That also I know,
and yet we are
going with the coal,
knowing well
coal is black.

We know ill got
and ill spent
and yet we are
hankering after
ill-earning and
gathering here
everything that
are danger to us.

We know white
and yet we are
reluctant to
receive it thinking
it is difficult to
take care white,
and it is time consuming
and we see no instant profit.

we are accustomed with
use and throw
we have forgotten our
tradition and culture
to save for future
and we are facing
trouble for ourselves
in the reign of black.

Gajanan Mishra
Black Will Take No Other Hue

Bitter gourd is bitter in taste
Coating of sugar is of no use
Bitter gourd is always bitter.

Put some alum
In to the dirty water
And see what is here.

It is different
How far it is useful
It is not different
How far we are
To play the fool.

Gajanan Mishra
Black, Black, Black Holes

Black, black, black holes,
That I failed to estimate
Your poles.
I have no poleaxe,
I have also no intention
To poles apart,
And I see the pole star there.

Black, black, black holes,
That I know you are swallowing
My sun and my earth and everything
That are mine - air, water, fire and the sky.
You are invisible I know,
But you are creating a void
In the fabric of my life space.

Gajanan Mishra
Black, Not Bad

Black, not bad,
Rather all good.
Liberation is
There in black,
All bliss in black.
Black is
The only truth.
Black- the great,
I love all black.

Gajanan Mishra
Black, White And Turmeric

I am going with
Black, white and
Turmeric for my
Ritual purification.
I am also using them
As antiseptic for
My body and soul, in
My din and bustle life.

Gajanan Mishra
Black-Clouds

Black-clouds
Everywhere here
It is.
At this time
Just come out
and see to whom
you belong.

Gajanan Mishra
Blacker Than Black

Blacker than black,
Whiter than white,
This life here.
And you are here
In this life, my dear.
You are colourful
And more colourful
Than any flower here.

Gajanan Mishra
Black-Flag March

Black-flag march
All over the state
For destruction of
Unlawful acts.

Black is here
To annihilate
Material world,
To annihilate
Undemocratic works,
To annihilate
Unconstitutional language.

Let black absorb
All sound all touch
All form in one taste,
Aroma to merge earth,
In universal darkness.

Black-flag march
All over the state,
King and ministers,
If you are not self-controlled
Be ready to face
The rage of the people,
Be ready to go down,
Down to dark
With all your material nature.

People are the truth here,
King and ministers,
Are you not able to hear!
Black flag is calling you
And giving you ample scope
To correct yourself
For all good.

Gajanan Mishra
Blackmail

Blackmail - by playing
Cat and rat game, but for how long?
It is necessary to verify one's own position.

Gajanan Mishra
Blacksheep Blacksheep

Blacksheep, Blacksheep,
What are you doing there?
Come not come not to
My house as it is clear
Like that little star.
I know you are
The mischief-maker,
You are arrogant
And corrupt and
You are the slanderer.
Your look is black,
Your mood is black,
Black sheep, black sheep,
I know how worthless you are!

Gajanan Mishra
Blame

If blaming is necessary
Blame yourself.
Do not blame others.
It is only you
Who is not cautious
About ubiquitous.

Gajanan Mishra
Blame Game

Choosing a good book
Not easy
Selecting a good man
Not easy
Writing a good poem
Not easy
Blaming others easy
And here
Lies buck-tooth
Should be out.

Gajanan Mishra
Blame Me Not

I am no way
Related to anything
What you are telling,
Blame me not.

Blame me not,
That has no meaning.
Lusty desires
Are not with me.

See me,
I am on the platform
Of truth.
And I am
Not to
Bewilder.

Gajanan Mishra
Blame Not

Blame not to
Time, Fate and God.

Attributing blame
Is wrong procedure,
Everything is to be
Reviewed within.

Watch the time
And proceed forward
In presence of the witnesses
Fate and God.

Remember that
You are going
With time beyond fate.

Gajanan Mishra
Blame Not Any One

Blame not any one
for anything.
Review your own
weak points
and try to rectify
if it is possible
by you.
For the love of truth
give real tribute.
See that
there is no loss
no profit game
is on everywhere
and you are the tool.

Gajanan Mishra
Blame Not Anybody

Blame not anybody
Praise all if you can
See the knowledge
See the virtue
If you want to see
Observe all activities
If you are ready
Act and speak
When there is nobody
Blame not anybody
And strengthened yourself
Only through
Experience of trial and
Sufferings and I think
You are perfect and pure
Minus ambition
Minus success.

Gajanan Mishra
Blame Not The Stars

Blame not the stars
Blame yourself, if
any fault is there.

Everything is the result of
Your own action and reaction,
Take care.

Have a heart without word
and go on prayer, without
putting question get answer.

Gajanan Mishra
Blaming Not Good

Blame not anybody
If you blame others
Mind it you are
Showing your own
Weaknesses and faults
Accept or reject
Both are not good
Both are against Truth
You can not say
You have forgotten
All past
You can not even
Remain neutral
Action is must for the world.

Gajanan Mishra
Blaming Wrong

Blaming wrong
Debacle common
Success is colective
So also failure.

Difficult to locate
Main player in this game
It is my poem
You are only here to say
Where am I.

Gajanan Mishra
Blank Page

Keep the page
Blank always,
So that the word
Love can be written
There in a
Truthful heart
By a sincere person
With utmost care.

Gajanan Mishra
Blank Paper

Give me a piece of
Blank paper.
I am living life
Like that blank paper.
Nothing to think,
Nothing to write.
We are just here
For all creatures.
The creatures have
So many things to offer.
Let us not forget
Our own addresses,
Where we have to find
Everything that belongs to us

Gajanan Mishra
Blaspheme

No happiness
In blaspheme
Great personality
Know it
And dare not
Offend the Truth.

Gajanan Mishra
Blasting Wind

Blasting wind
Scatters the assembled
Clouds in the sky.

Truth and justice like
Bows and arrows
Twanged and hissed.

Gajanan Mishra
Blazing Fire

Honour, praise,
Prosperity and pleasures
All are blazing fire
And we are going towards it
For our self-destruction.

Gajanan Mishra
Blazing Fire - Mouth

Blazing fire - mouth
That devouring all
And covering all
By immeasurable rays.

Here we have
So many universes
Eye-ball sun here
Eyelids are day and night.

Palate is the director
Of water, my dear
Essence is the tongue
And you are strong.

Gajanan Mishra
Blazing Fire Is Here

And here is blazing fire. 
Allow not, allow not yourself 
O my dear, to be consumed 
By this blazing fire like 
A moth. 

Give up, give up jealousy 
Give up give up arrogance 
And anger, O my dear 
And feel the divine love 
Face and face the Supreme Truth 
Like a non-entity. 

Truth is something different 
Life is something different. 

Gajanan Mishra
Blazing Fire Is There

Blazing fire is there
Before the furious snake
Go, nothing would happen.

Blazing fire - truth
Furious snake - bad man, enemy

Gajanan Mishra
Blazing Wood

Blazing wood.
Blazing fire is
Different from flames
From sparks
From smoke
All are in
That blazing
Wood though.

Heat and light
Of the fire
Are separate
Although heat
And light are
Not different
From fire.
Nothing is different
From nothing.

Gajanan Mishra
Bleeding Hearts

Bleeding hearts
Of the sea with
Fury underneath.
Save yourself, men,
Or perish in waves.
Men, know and tackle
The situation in
Right direction.

Gajanan Mishra
O father
Hear us
Answer with
Love and mercy
I am offering
My prayers and
Sacrificing myself
O beloved and venerable.

I know this world
Where I am now is a ship
In the sky that is Yours
All the faithful truthful
Are boarding on it together
For establishment of
Peace justice and equality
Come and be wide open
O my men, this world is
For the opener and the transparent.

Gajanan Mishra
Bless My Heart

Bless my heart, my dear,
My love, sure as fate.
I am certain,
We are still in existence.

Gajanan Mishra
Bless The Newly Wedded Couple

Kindly grace the occasion,
And bless the newly wedded couple.

Here, it is my request to you,
In the name of Allah
In the name of God
The most Beneficent and Merciful
I need Your presence
On the auspicious occasion of
Marriage ceremony Nikah
Of Abdul Afroz Khan with
Gulnaz parwin
And take active participation
In the program of
Milad Shareef $ Ratjaga
And Haldi and sandal
And Nikah and attend Walima(Reception)
At our residence on this Earth.

The Earth would be the heaven
On this occasion.

Gajanan Mishra
Blessed Is Our Birth

Blessed is our own birth,
Blessed is our own mother tongue,
Blessed is our own motherland,
Blessed is the law of this land,
It is all for our own welfare.
We are the wise and we are the noble
As we are here to give respect
To our own mother, mother-tongue
And our own mother-land.
Men come on, serve yourself
And see the smile of your mother,
Use of your mother-tongue,
Progress of your motherland,
Come on men, you are really great.

Gajanan Mishra
Blessing Is Needed

O my dear, I am in need of
Your blessing.
I know blessing is needed
To grow more and more and
For this let me merge with You,
O my dear, let me focus You.
O Almighty, bless me,
I beg Your blessing.

Gajanan Mishra
Blessing Of Mother

Take the blessing
Of your mother, my dear.
Mother is mother, remember
No substitute of mother.
Mother is the temple
Mother is the sample
Mother is energy
Mother is property
Mother is your teacher
Mother is your protector.
Mother is mother
Mother's heart is softer
Mother's heart is finer
No one is there like mother.

Gajanan Mishra
Blind

I know I am blind
I know You are
Not blind
I know I can not
See You
I know and
I am sure
You can see me
You must see me
And I came here
I know You are
Omnipresent and
You are here
I have nothing to pray
I have nothing to beg
I know when you see me
My identity is no more
My entity is Yours.

Gajanan Mishra
Blind And Deaf

Disciple is deaf
Teacher is blind
One would not listen
The other cannot see.

I have came to
This market where
The guide robs
The money of his follower.

And I hear
The saying of the demon
A terrible hell
And he is not well.

I am telling my son,
Go and read and fill up your belly
And my son is going ahead
And singing and dancing to the tune of his wife.

Gajanan Mishra
Blind King

Blind king,
Blind justice delivery system.
The use of foreign language 
Make the people blind.

But the people are sovereign here,
Neither the king nor the judges.
The people make laws through their
Representatives for all welfare.

The kind comes and goes out,
The justice delivery system
Changes its forms and structures
For all good of the people.

Let the people come forward
And raise their voice.

Gajanan Mishra
Blind Man And Lame Man

Blind man and lame man
Are combined together
To search the Ultimate Truth
The lame man can walk
With the help of a blind man
The blind man can see
With the help of a lame man.

Gajanan Mishra
Blind Not To Your Own Fault

Blind not to your own fault,
See yourself first and say
What you are looking for.
Not all are valid
Not all are unfair
Judge yourself keeping
Aside your interest.
Listening carefully
Not for praise and reward
And forget you are there.
Deficiencies be discovered
Within first and let not
Anyone puzzled at any time
Nothing is yours including eyes.

Gajanan Mishra
Blind System

The judicial system
Is blind.
And it is also
Taking steps
To make all blind.
The language used
Is foreign.
People are not able to
Know the things going on
In judiciary.
This is undemocratic.
The judiciary thinks
Superior to men.
This is inhuman.

Pro-men should be the action
Of judiciary.
Language of the people must be used,
For the sake of the earth,
For the sake of the Constitution,
For the sake of justice,
For the sake of the truth,
We, the people are sovereign,
The very first line goes.
Let the people work in
The judicial system knows and realize
The truth of democratic form of Govt.
The sooner they realize the better.
Let them know all are working here
For all welfare of the people,
The roots of the state.

Gajanan Mishra
Blind, We All

We know not
Children's reform
Fundas not clear
Be aware
All thieves are here
You, yourself
Not exception.

Gajanan Mishra
Blinded By Intoxication

Blinded by intoxication,
With power and opulence,
And unable to see the people,
Who are there with
The rod of punishment in them.
And the people are ready to
Drag the men in power down from
The materially fortunate position.

Gajanan Mishra
Blindly

Accept not anything
Blindly.
Eat not anything
Foolishly.
Say not anything
Without thinking.
Think not anything
Without any basis.
But say
What you experienced,
And say
What you feel good.
Stay in love
And be truthful.

Gajanan Mishra
Blindness In Me

I see all,
Though, there is
Blindness in me.
I call all,
Dumb though.
But I am duly
Authorized to say
Something good.
I swim without
Legs and hands.
And I eat everything,
Though, not seen.
I am for all,
And all are
Coming to me
In due time.
I'm available,
Wherever you wish
To see.

Gajanan Mishra
Blind-Well

Blind well-
This world,
Full of snakes-
Desires,
Worldly attachments.
But truth is also here,
And you have to
Search out it, dear,
For all good,
And arrive at the right
Conclusion-
The secret of life.
And stay here
Equal to all.

Gajanan Mishra
Bliss

It is being searched
By everyone.
They themselves are
The bliss,
They have forgotten.
It is not they
But the attachment,
The trouble maker here.
I am confirmed
You are here to understand.
Nothing to surprise
You have understood
The truth,
That is in you.

Gajanan Mishra
Bliss And Life

Bliss and life,
Truth and heaven,
Time perfect.

Let us come
And sing
And dance
On the earth
In the land of Bharata,
In my own district Balangir,
In the forest of Harishankar.

I am here
In the stream of
Air and water,
All nectar.

Gajanan Mishra
Blissful

All-blissful
All-perfect
Everything is here
For ultimate good
O my dear
I am thankful
You have kept me here
At this moment
Compiling everything
In tact.

Gajanan Mishra
Blissful - Distressed Or Happy

Distressed or happy
But I am blissful.

Nothing is impossible
For You.

And You are with me
And I am with You.

Gajanan Mishra
Blissful Happiness

Blissful happiness,
And we are all here.
But it is our
Thought processes
That deter us,
That are good
Within and outside.

But love and truth
Combined together
Give us a life
As bright as the sun.
And we all are there
For the purpose of
Rehabilitation extempore.

Gajanan Mishra
Blissful Light

I see here
Blissful light
On all sides
And it is under
Your protection.
I see here
Your spiritual sky
My ultimate destination
I am the living spark
Who is going to
Merge in You.
I am going to
Reach at Your abode
And I am sure
I never comeback
After reaching Your abode.

Gajanan Mishra
Blood

Blood is precious
Pay the blood
For humankind's sin.

The Bible says
For it is the blood
That maketh an
Atonement for the soul.

Here is the historical cross
Eternal life
Peace and redemption.

Here is the Cross
Symbol of God's
Ultimate power to
Crush man's enemies.

Cross is the mystery
Cross unfolds the Love
Love is to share and shown
To all living and non-living.

Carrying the cross on earth
Wear the crown in eternity.

Cross is pure and perfect duty
Cross is taking responsibility
Cross is Ultimate Truth of life
Through cross through meekness
And mercy you can conquer
Hearts of all.

Be on the right side always
Live and died for salvation
Of the just and unjust.

Blood is precious.
Give blood donate blood
And be a victor.

Gajanan Mishra
Blood And Body

Blood and body,
Everywhere,
For nothing.
have patience,
My dear men,
Take peace
With you
For your own
Legacy.
Men tolerate all,
Love all,
See the truth,
The truth of life,
Life is waiting for a
Fine morning with
Rising sun.
Life is waiting
For a song
Of the unknown bird.
Life is waiting
For dance of
The clouds
In the sky
And also
On this earth.

Gajanan Mishra
Blood And Sweat

Sweat and blood
All I need,
And see my body
Full of stigmata.

Brand me as
Unworthy and
Disgraceful,
Yet, I care not.
Here I am
To do my duty
For good.

Mistakes, accidents,
All would come.
And I have to learn
From each one
To rectify my errors.

Sticky wicket,
I allowed you to come,
I am here to
Tackle you,
I am firmed enough.

My life and
My works are
Not for any lazy
Or wicked.
I am not ready to
Give you a chance
To play in mud water.

I try to clean,
And set right all
With all my
Sweat and blood,
With each and every
Will power
In me.
The call
By the time.

Dear foe,
Show me not
Your stiletto.

Gajanan Mishra
Blood is red,
Blood gives life.

Donate blood
And help others
In living.

We are all equal
In the eyes of nature,
We the creatures.
Being human
We should look others.

Blood is our life,
Donate blood.
Thanks God,
You have given excess blood
To donate.

Gajanan Mishra
Blood Moon

Blood moon,
Blood in the moon
And moon in the blood
And also blood moon
Are not one and the same.

See the moon and say
O my dear, is it a sign
Of fatal events
Are we on this earth
Going towards change.

Who is competent to explain
Please come forward
At this dead night and
Say a few words about you
Before going to the moon.

Why to fear my dear,
We should not get worry
About moon, whether it is
Dark or light, red or yellow
We should go with us as we are.

Come to the nature and
Supply me with a bucket of
Drinking water in this tide-time
Come on with some food
To enable me to fill up my belly and live.

Gajanan Mishra
Blood Not Clean

Blood not clean
Flies not count
Life is in debut.

What about hanging
Not a question
To put up.

In this court of justice
You can find anything
In the hands of monkeys
Scratches at night.

Gajanan Mishra
Blood, Sweat,

Here is my life
Full with blood,
Sweat, tears
And toil.
I need
Rigorous fundamentals,
And that's true.
But I need
Change, change of
Guards.
I need change
To face the crisis,
To face the future.
Worry not my dear,
I have my own
Creditors and also
My own debtors.
I care not
Any outsider,
But I am here
With true patriot
Who has a promise
To keep my mother
For a bright future.

Gajanan Mishra
Bloomed Universe

Bloomed universe
Empty space
Create repulsive force
I with this universe
Measure space
Creating love force
The basis of life.

Gajanan Mishra
Blossom

No more winter,
Please come.
It is the time
To blossom.

Where is the sky
To make cherry
To commit the mistake.

No reason to wander
The plain road ahead.

Please come and
Have a look now,
The baby is looking
knowing everything.

For me forward and
Backward are the same
No matter
How you are going
To earn fame.

All the same,
It is the time
to meet and have
Face to face talk.

Please come
And everybody
Is with you
See my dear.

Gajanan Mishra
Blossoming

I am blossoming,
See me.
And I am
Laden with honey.

I am fragrant,
And I am singing.
And all songs of life,
The breeze is carrying.

Gajanan Mishra
Blossoming Heaven

Family is
Not the blind well
Family is
The blossoming heaven.

Here find love
Find affection
Find everything
That you are in need.

You can find me
Within your own family
In your sleep in your dream
As you imagine in day to day life.

I manifest the family
I manifest the cosmos.

Gajanan Mishra
Blossoming Lotus Flower

Your face is
As attractive
And beautiful
As a blossoming
Lotus flower
Your words are
As sweet as
Honey and nectar
They give pleasure
To the ear
And also I know
Your anger is
Like the blade
Of a razor.

Gajanan Mishra
Blossoming Lotus Flower- Women

You are my
Blossoming lotus flower,
Your words are very sweet
That give pleasures to my ears.

You are also extremely sharp
Like the blade of a razor,
And I am cautious while
Dealing with you in any matter.

At times I am attracted
By your bodily features,
But I smell the danger.
I know, to serve your interest,
You deal with me as if most dear, but
You can kill me or cause to be killed by others.

Gajanan Mishra
Blot Out

Blot out the time
And come on, dear.
For you, I am
Waiting here
With a scented flower.
The flower is
More powerful
Than the snake.
The snake is
There to go to hell
But the fate
Of the flower is
Lotted with love
And truth and nectar.

Gajanan Mishra
Blue - My Favourite

Blue, let me call you,
Being my favourite truth-
Creative synthesis of my life.

Gajanan Mishra
Blue Print

Blue print of life
is in your own mind, dear.
Climb the mountain hills,
the valley is within you.
Use not the spear
to hurt yourself.
Use a thorn
to prick yourself.
Recognize your own supremacy
and convey all
that are empty and good.

Gajanan Mishra
Blunder

Think for a while
How you are comiting
Blunder my dear
Are you not a blunder-head
Are you not blundering
I am yours
You know and you should
Remember your knowing always
You are blundering out
We are one and same
You are accepting
Which is not your's own
As your's own
You are disowning
Which is yours own
You should know
I am not eating sleeping
Moving and living with you
And I can never be yours
When I am not staying with you
You belong to a different class
I belong to another
O my dear, you should know
It is not contrary to love
And if it is love
Love never dies
You are dying every moment
You are changing everything
Here at your risk
O my dear know it
Know that known is
Not the know-er.

Gajanan Mishra
Blunder To Accept

Blunder to accept
That is not yours
And what is yours
Is also a blunder.

Nothing is ever live
And you live
Nothing is same
Same is blame
And blame is nothing.

Not for a moment
Your stay and you stay
You stay and I rectify
I rectify blunder of stay.

You know what is
Known to the knower
Nothing to worry
Nothing to fear
Only I am here.

Gajanan Mishra
Boar

Come on boar
I love You
It is only
For You
I am in this
World of miseries
And in this filthy region
You have lifted
This earth from
The nether regions
Picking up something
From a filthy place
Is done by You only
O my dear
I know and
I accepted You
As incarnation
You are for
The welfare of
This earth
I must say
Again and again
I hope You must come
To pick me up
From this region
In a new incarnation.

Gajanan Mishra
Boarding Time

I went to Titlagarh
I got off at Titlagarh
I have not to go
Other than Titlagarh.

Naming Gajanan
I wanted a place
That was not there
And I forgot
Who is this Gajanan.

Gajanan Mishra
Boast Not

Boast not your
own glory, my dear
As it is an act
Of a coward.
Finding before
A foe in battle
Hero performs
Valiant deeds
In fight.
Restraint anger
O my dear, and
Study the situation
And go with practical utility.

Gajanan Mishra
Boat For Crossing

You are the boat, my dear
For crossing the ocean
And the ocean is
Infested with many
Dangerous sharks
Though I know
To cross the ocean
Is difficult but
As I am with You
I am sure
I will overcome
All dangers.

Gajanan Mishra
Body

Your body is not
Under your control
Futile to say
About other scroll.

You do not know
Where I am
And you are going on
Calling my roll.

You know I am
Not in the Mandir
Not in the Mosque
And you are losing
Your time and energy
To make a search.

You know I am not
In any action
Not in any reaction
And you are
Expressing emotion.

I am with you
And within your body
And in the bodies of all.
Take care of the body
Know the body is
To know me.
Remember
I am not the body
Body is not I
And you have to leave
The body
Without the body
Nothing can be achieved
And you are nothing.
Gajanan Mishra
Body - Once Again

Let us discover
The body, once again,
In the midst of darkness.
Let us march forward
With the shadows
Of the hours
In the light of the sun
For truth and not for fun.

Gajanan Mishra
Body  Words And Mind

Body words and mind
All are there in a triangle
And you are to conquer.

If you are telling something more
Really you are foolish
I am ready to cross you.

Useless husk of wheat has
Got no substance who says
Pursuance is but a necessity.

Going for liberation is call of time
And I know you are aware of it.

It is nothing but the process
It is nothing but the loving service
It is nothing but to enjoy austerity.

Gajanan Mishra
Body And Name

Are not mine
Yet they are with me.

Gajanan Mishra
Body And Property And Mind

Body and property and mind.
Three in one and here
I am living.

I am giving body
To my wife and

To my nation.

But I am giving
My mind to You only
O my love
O my Truth
O my eternity
O Almighty .

Gajanan Mishra
Body Expression

Body expression
Shows You are telling truth
You are living in false-world
Your mind is not in attention
Position that is required
At present here
What I mean to say

With love with wisdom
And not in bliss not
Enjoying life.

Every living creature.

By the mother with love
Of mother language.
If you love your mother really,
Dedicate your body completely
To the mother language,
Disregarding your own comfort, dear men.
This indeed is the duty
Of all true son of the soil.
Repay the debt of the mother
Before death.

Gajanan Mishra

Beyond your reach here I am
With unlimited field of activities
Qualitatively you are equal to me.

Know your body first
And through your body
Try to reach me always.

Gajanan Mishra
Body Is Word

Body is word
You poet say
What to do with this word.
This word elastic
Puss and pull used
To measure sky with word.
Try to understand
This body word

Beyond this world.
You poet here just to
Cross and act as guard.

Gajanan Mishra
Body Mind Senses And Intellect

Are one and same and whole
They can not be disunited

Physically mentally spiritually
Not being objected by anybody
At any point of time, and I live.

No bondage no attachment
Nothing is there called anger
Called delusion, I have nothing
For expression.

Gajanan Mishra
Body Within Body

Body within body,
So many bodies.
Body after body,
Going on the journey.
No memory,
No mystery,
No adultery,
Nature's fury.

All in adversity,
Though, no
Adversary.
No advocacy,
No advisory,
But all in pity.

Gajanan Mishra
Body Within The Body

Body is within the body,
Knowledge within knowledge,
The world within the world.

Gajanan Mishra
Body, The Base

Body, the base
Of your thinking
And everything.
For the body
You say yourself
A man or a lion.
But body makes
You blind.
And blindness is
The hallmark of
Your life.
See the reflection
Of your own body
And say who you are.

Gajanan Mishra
Bodyboat

Bodyboat with you to
Cross the worldsea
While crossing
Sow seeds
Remember as you
Sow so you reap.

Sow on earth
There sun air
We must care
Care life
Cross world
Achieve perfection.

Gajanan Mishra
Body-Boat

I am here,
In this body-boat.
Wait a bit
And see
What I am doing here.
Whole-heartedly
I am doing your works.
This boat, I know is
In a dilapidated condition.
I know not how to repair it.
Still I am here, see me
Gentle, quiet, kind and humble.
See me I am not here to injure
Any one, I know all are yours.

Gajanan Mishra
Body-Boat Goes

Body-boat goes
In air with water.
I am in that boat
Measuring the sky.

As you know in light.
Light is in all
Crossing over the ocean.

Gajanan Mishra
Body-Cause

Without body
I want to live.
I want to live
Without body.

To live
Body is not
Necessary,

My feeling is
As important
As my living.

I want
Not to suffer,
Body-cause.

Gajanan Mishra
Body-Chariot

Here is my body
My chariot
My senses are
My horses
Pull this chariot
Pious and impious
Activities are
Two wheels of
This chariot
Three modes of
Material nature
Goodness passion
And ignorance are
Flag of the chariot
Life-airs are
The bondage of
The chariot
My mind is
The rope
My intelligence is
The driver of the chariot
Here the heart is
The sitting place
Pleasure and pain
Are knotting place
Seven elements are
The covering
Working senses are
Five external processes
Eleven senses are
The soldiers
Alas, knowing all
I am going to fulfill
My false desires
And I am running after
Sense enjoyment
Life after life
And I am not trying
To cross the border
Of the material world
And making no progress
Towards eternal Truth
It is all my fault
Chariot has nothing to do.

Gajanan Mishra
Body-House

I consider my body a house
Wherein I am the lone inhabitant.
Here in this house see the bones
Forming spine ribs arms
Here see the legs are like beams
Crossbeams and pillar of body-house
The whole structure of this house
Is full of stool urine and covered by
Skin hair nails
This house-body is deteriorating day by day
And disintegrating
This body is flimsy one and filled with
Unpleasant elements always
Nine doors are here in this body
Two eyes two nostrils two ears the mouth
The genital and anus
I am neglecting my own house
That is going in to crushed in to powder
Cut in to pieces, drowned, burned, suffocated
The builder of the house is Almighty
I have forgotten Him who has the sketch map
And all the materials of repair works.
He is the sculpture and the mason and the well-wisher
Really I am committing mistake not remembering Him
And enjoying here alone without giving Him His dues.
And I am suffering and I am suffering here.

Gajanan Mishra
Body-Temple

In this body-temple
Only you are residing
Nine doors are here
Two eyes
Two ears
Two nostrils
Two lower apertures
One mouth.

This body-temple
Where you are staying
Is a place of light
Here a fountain of nectar
Ever flows
And from within
You are calling always
Alas I am not able to
Hear you.

This body-temple
Is living, see
With you at the center
O men awake
Go inside
Find Him
And with faith
Drink the nectar
You are here
For ever.

Gajanan Mishra
Body-Vehicle

You have hired it,
This body-vehicle.
It is you to decide
And order where to go
And what to do
At what time.

All gods and goddesses
Are there within.

You are to use them
Whenever and wherever
The situation so arises
For all good.

Use not for self-interest
That woud destroy you.

Gajanan Mishra
Bogus Teachers

Bogus teachers
Foolish disciples
With magic of
Material benefits.

And interested to
Stay in darkness of
Ignorance always.

Gajanan Mishra
Boiled Seed

Seed and boiled seed.
Know the position of germination
And realization.

Boiling earth
With forty seven
Degree celsius
And I
In this earth
Out of gear.

Gajanan Mishra
Boko Haram

Boko Haram. Boko Haram?
I know you are here, there, everywhere.
Is it darkness?
Is it in Africa? Is it Safari?
Anyway, let me say
It is shame, shame, shame
When it is playing with
Our children, taking advantage of
Dark and lawlessness.
It is our life today
In its fantasy version.
Let us read our own story,
Let us publish our own books,
Let us know how to write and how to live.

Gajanan Mishra
Bomb - Already Dropped

Bomb - already dropped.
Men, be cautious.
Humanity is in danger.

Gajanan Mishra
Bomb Blast

Bomb blast, no butterfly,
And no one is there.
But they have
No faith
On this world.

Who are they?
That is the mystery.
Their love-basket
Is opened, But
No one to see.

Love - thirsty
We the poets,
Trying to catch
Another butterfly.

Gajanan Mishra
Bombs, Bullets And Bravery

I care not,
I care not any one,
I am speaking,
I am Pathankot.
I know bombs, bullets
And bravery
Are here in me.

Dare not to test
My patience,
O my hostile neighbour,
You should know
My combat capabilities
And dare not throw
Dust in my eyes.

Gajanan Mishra
Bona Fide

Who is bona fide?
Who is perfect?
What is there in knowledge?
What is there in scholarship?
What is there in high position?

I know, problems are there,
I know, solutions are also there,
But to solve the problems,
We are to stay in truth,
And we are to love each other.

We should be careful in our life,
But the problems of birth, old age,
Diseases and also death are not
The real problems, but the solutions.

Gajanan Mishra
Bona Fide - Stand Erect

Who is bona fide,
Let us first, know it.
Let us see the self
In our own mirror.
The world is like
A dark night, let us
Face it, my dear
Without any error.
Let us culture
The knowledge that is
There in us.
Let us not fall down
With nature as a means
But stand erect.

Gajanan Mishra
Bona Fide Agent Of Mother

Come and join
We are here busy
With the works
Related to our language,
Our identity,
Our development,
On this land.
We are in truth,
And we know
We are not wasting
Our time and
Energy, rather,
We are rising
To the platform of
Eternity.
Certainly, we
Belong to all,
And our primary duty
Is to do good to all.
But we are
The bona fide agent
Of our mother
And our motherland.

Keeping myself at the center.
Everything is there within me,
I am unable to find anything
In the books besides the truth
And Truth is what I am here.

Gajanan Mishra
Boomerang

To say a woman chain of life
Is not good and is a misconception
Woman is a helping hand, good to say
In the path of salvation.

Good and bad are everywhere
You are losing your constancy
And loading the burden on woman
Injustice it is to better-half, think man.

Your thoughts are evil you are wicked
You are putting mask and not wise
Women are yours only just see
For you everything only a woman can sacrifice.

I am unable to
Recognize you
I am born-blind.

Gajanan Mishra
Bosom

O my bosom
I know your are
Broad and elevated
I see you graceful
I see you smile always
You are here to serve
The distressed
You eyes are bright
And like full-bloomed
White lotus
Your reddish lips
Indicate joyfulness
Your gestures
Destroys mass of sins
O my bosom
You are surrounded by
Your own pure
Bright mass of light
I know Your might
And I know you are
Here with me.

Boston Marathon 2013

Explosions Explosions Explosions
What for explosions at Boston Marathon
Two reported killed injured dozens
What for these explosions what for
My dear this is due to envy
And absence of love absence of introspection
For the sake of mankind I am telling
O my dear save yourself from you from you
And get nectar that is here that is here.

Gajanan Mishra
Bosusco Paolo

Bosusco Paolo
Italian or Indian
Not a matter.

Bosusco Paolo
Is a human
Son of the nectar
And he is here
A new chapter
Of your corridor.

Gajanan Mishra
Both

I want both
Path of action
Path of knowledge.

I want both
The earth
The sky.

I want both
Life
Death.

As we are here
Both.

Gajanan Mishra
Both Are Here

Both are here,
Fire and ice.
Fire and ice
Both are ready
To show their drama.

But who is there
To watch the show
That is the question
Hunting them here,
I am the lone listner.

Is there any love
In between
The fire and the ice
Ask me not
To give answer
Is really dangerous.

Gajanan Mishra
Both Are One

You and I
Both are one and the same,
You and I
Are inseparable and one.
Who is shadow and
Who is body, really it is
Difficult to say at this level.
Let us keep ourselves pure,
O my dear, this purity lies
In our minds.
We are in oneness,
My dear, we are in basic life-state.
Peace is there only when we
Think ourselves as a single person.

Gajanan Mishra
Both Devil And Angel

Both devil and angel
Are within me.
And I gracefully
Let them go
As I know
They are not for me.

I know I love them,
I know I live with them.
But they are here
To take away their share
That I am willing
And ready to give.

I have everything,
But I have nothing.

Gajanan Mishra
Both High And Low

In ways
Both high and low,
I want to go
Slow and slow.

My going is
Perfect, see.
But defect is there
In your showing.

My capability
Is there with you,
But my changeless
Nature proves the truth.

I love the mode
But I detached myself.

Gajanan Mishra
Both In Good And In Bad

Capital is capital
In rape also it is capital
Worry not men you are mortal
Just cast your vote
After taking note
Eat drink and sleep
Worry not men about
What is going on here and there.

Gajanan Mishra
Both In Temple And Masjid

Both in temple and masjid
We are living in harmony here,
We have no problem at all.
We are living under the nature
With same air and water
With the sky-father and earth-mother.
We are addressing one another
As brother and telling the world we are better.

Gajanan Mishra
Both Sides Of Truth

Both sides of truth -
Black and white,
Red and blue.

I am lucky
I am the blue
And I came from blue.

I am not blaming you
For your whiteness.
I know white has
Power to absorbed all.

But truth?
Where it is!
It is in you
And also it is in me.

I know you are the black
With the power to attract all.
I know I am the red to regenerate.

Gajanan Mishra
Both Soft And Hard

I want both
Soft and hard.
I want both
Inclusive and
Sustainable.

Gajanan Mishra
Both The Sun And The Moon

Both the sun and the moon
Are dancing at a time
In my courtyard, come and see.
They are calling you.

The sun and the moon both are
The truth here for me and for you.
Both are laughing at our way of life
And we care not them and stay with wonder.

Both the sun and the moon are
Plucking our time always and
We are the silent spectators
And help them to spread the rumours.

Rumours of death is here,
But life is near.

Gajanan Mishra
Both The Sun And The Rain

Both the sun
And the rain
Are playing
Here together
And we are
Free to watch
Them here.

But mind it,
My dear, no
One is ours.
It would be a
Mistake to take
Them in to confidence
Without any test.

Anyway, we are here
To bear them,
We are here
Not to bother
About them,
We are here to
Live in our own ways.

Both the sun
And the rain
Are our part
And parcel, we
Cann't live
Without anyone
Here at any time.

Let us enjoy the time,
My dear, with the sun
And with the rain
In this life together.
Let them do what
They like here
But be careful for future.
Both You And I

Have passed
Many many births
Just remember
We are here.

We are both
Eternally free
And independent
We are the permanent
Resident existent.

Gajanan Mishra
Bother Not

Bother not
Rumour.
But go on
Working your
Own work.

No eyes,
No ears.
Care not
Those who are
Wandering for
Nothing here.

No matter
Who you are,
And what you do,
But love all for good.

Gajanan Mishra
Bottle

Life long bottle partner
Feeding bottle at childhood
To Ganga jal(Holy water of river Ganga)
Bottle at deathbed
Water bottle at schooldays
Cold drinks bottles
And liquor bottles at adulthood
And blood bottles at hospital bed.
Lifelong bottle partner
Lifelong bottle partner
Our life our soul is in a bottle
This body is bottle
And it is life partner.

Gajanan Mishra
Bound Together

Bound together,
We're bound together
In peace.

You are the peace,
O my dear, the complete
The complete peace.

Peace is our
Mental waves, my dear,
And let me know
How to go with this waves.

I know peace is
For my good, and it is
Coming from You,
Peace is Your will.

Gajanan Mishra
Bound Up

We are here bound up
See, by the laws of death.
And You are there free from
The entanglement of death.

Gajanan Mishra
Boundary Dispute

Boundary dispute.
Is it the real dispute?
Cause of dispute is
Somewhere else within you.
Root it out by love
By affection I am telling you.
Live and let live
make a principle.
Interactions toleration
Be the new rule.
No double standard
Be a single brand.

Gajanan Mishra
Bounded By Truth

Depend always
On truth,
And not on
Your duty.

Say not
I am duty bound,
But say
I am bounded
By truth.

Truth reign supreme,
Know it fully well
And go with it
In a loving way.
You ar fortunate
You are here with truth.

Gajanan Mishra
Boundless Compassion

O men, remember,
The boundless compassion
And go through the knowledge,
Knowledge of truth and love.

Gajanan Mishra
Boundless Non-Entity

Boundless non-entity
Enigmatic non-perceivable
Absolute stillness
My dear, You are with me
And here is my life
Most dynamic.

Most ugliest and most beautiful
Not good not bad
The best the worst
My dear, You are with me
And here is my life
Most discipline and civilized.

Crossing life itself
I accept You O my dear
Complex amalgamation of
All qualities
I like You I love You
I have no problem here.

Gajanan Mishra
Bouquet

I could not know
why the bouquet given to me.

No body is there to see me.

Appetite painful and choked me.

I am estopped
No question be put on me.

Gajanan Mishra
Bow Down

I salute
Bow down
For Your actions
On all
O multifaceted
My dear
I salute
I am ignorant
And disabled
I can only salute
Only salute you
And I can do nothing
I am helpless.

Gajanan Mishra
Bow Your Head

Bow your head
Before only one person
He is the only one here
Think about Him only
Call Him in time of need
See Him everywhere
Talk to Him always
Stay with Him only
Walk with Him morning
And evening on His earth
Listen Him and do His works
Go on doing for Him only
He is the only one person
Who is within you
Who is above you
Who is here and you are
Moving around and around Him
He is giving you food to eat
He is giving you water to drink
He is giving you clothes to put on
He is all in One and One in all
Bow your head before Him, my dear.

Gajanan Mishra
Bowl

Think me not a fool
I have my own poem
To read and make you cool.

I kept my tongue
Under control and you
Can not make me bowl.

Gajanan Mishra
Bow-Wow, Bow-Wow

Let it continues
Against those who are
There on illegal path.

Gajanan Mishra
Boy And The Sea Shore

I know this sea
The boy declared
Seriously standing
On the sea shore.

The sea shore heard
And replied nothing.

The sea shore murmured
I know nothing
What I don't know
Is immense.

The boy heard
What he heard
I know nothing and
I saw the boy dancing
On the sands.

Gajanan Mishra
Brahma Fiasco

Brahma Fisco.
It is the truth
Within the truth.
Expression of apologies
For the mistake of
Each and every one.
It is the disclos of time
That is within everybody.
It is life and death,
It is the playing game,
It is nothing but diversion
From cracks.

Gajanan Mishra
Brahman

Brahman,
The truth.
My language,
Odia, O means
The entire world,
The script is
Called Brahmi.
Protector and
Shelter of
Everyone here.
Ignore not,
The cause of
Everything, O king.

Gajanan Mishra
Brahmayajna

Brahma means truth
Every action is truth
Every action as Brahma
Realized the doer
Realized the action
Realized the instrument
Realized the object.

Gajanan Mishra
Brain

Using brain
Rabbit outwitted
Mighty lion.

Gajanan Mishra
**Brainless King**

Brainless king  
Foolish minister  
Are here  
Worry not my dear.

All they wish  
All the best  
Nothing to worry  
Go and take rest.

We are here to administer  
We are the controller  
But nothing is here  
Green signal is clear.

Go, go and take rest  
We wish you all the best.

Gajanan Mishra
Branches Of Knowledge

All the branches of knowledge
Are here with you
And you are here in pure place
At proper time
Being the worthy person
I respect You O my dear
You are full light I know.

Gajanan Mishra
Branches Of Knowledge- Full Light

All the branches of knowledge
Are here with you
And you are here in pure place
At proper time
Being the worthy person
I respect You O my dear
You are full light I know.

Gajanan Mishra
Bravado

Bravado, I am fifty-eight,
I have a lot of work to do.
And confident, I can perform well.
I am a world-class man and
Also a poet, I create anything
For you, especially for you, men.
Sufficient space is there
For you in my world with
Suitable words full of love.
My thoughts are woven with
Contemporary skills and all are
Influenced by the relationship
With the truth, and it is all
For you, men.

Gajanan Mishra
Breach Of Peace

Is not here
Nobody was here
Nobody is here
Nobody will be here.

Peace was not here
Peace is not here
Peace will not be here
Breach of peace
Does not arise.

If you are really
Fond of peace
Come soon
Before peace comes
And let me see what is peace.

Peace is in your mind
Your mind is in your body
Your body is with in earth
Earth is under the sky
Sky is calm and quite.

Where is breach
Where is peace
Go not for anything else
Except peace and
Peace is no where.

Gajanan Mishra
For bread and butter
We are here
O my dear
I am telling something
That is not true
I am telling about number
And the number is
Not here
Certainly it is
Live literature
And You are going through
In this matter
Except You
No other person is
Here to enter.

Gajanan Mishra
Break Not

Break not anything
For the sake of breaking,
But touch the other world
Staying here.

Have faith on yourself
And proceed on straight path,
Keep not with you my dear,
Sense of self-importance.

Gajanan Mishra
Break The Silence

Break the silence,
You said, but how,
You have not clarified.

Of course, clarification,
Not needed, but while
On journey, one must
Be cautious.

No words and yet
No silence.
Nothing to understand.

One should read
The writing on the wall.
One should try to see
Where it is.

Gajanan Mishra
Breaking news,
My destiny is
Merging in you.

Gajanan Mishra
Breath Exhaled

Breath exhaled
Breath inhaled
Fast or slow
Does not matter
life is here
That matter.

I am here
A fact
Difficult to hear
I am a striver
A fact
Sweet to hear.

Gajanan Mishra
Breath Inside The Breath

Breath inside the breath  
said Kabira, and  
You are my dear  
I am searching You  
Here, there  
There, here.  

I, the fool  
I, the innocent  
Present, absent  
Absent, present  
In the fixed light  
That is within me.  

Still I am confusing  
With real, unreal  
With heaven with hell  
I know, though everything  
Is in me always  
And You are playing hide and sick  
With me and with all.  

Gajanan Mishra
Breath Of Life

Leave there
Your own breath,
Hold it tight
Your own sprite.

Say all
My sweet brothers,
Think yourself
Just a lighter.

You are
In the paradise,
Life is not to
Mesmerized.

Gajanan Mishra
Breath Stops

Breath stops
Memory is lost.

Where are you now
And where am I
Is it just..

Gajanan Mishra
My breath
You are my breath, dear
And by inhalation
And by retention
And by exhalation
I am controlling my breath
I know without my breath
I can not do anything
For You for others.

Gajanan Mishra
Breathing

Breath and breathing
Life-breath, my dear
Attach not with life-breath.
To maintain life-breath
To enjoy pleasure, be cautious,
You may harm others.
Life-breath is dangerous
I know my dear, and for this
One may commit murder.

Gajanan Mishra
Breathing Stopped

Everything is silent
Let us wait for a new light.

Gajanan Mishra

O my world, You are my sweet world
My ringtone, my clone
My brevier, my melody
My breeze, my spring
My talk, my twitter
O world, you are my sweet-heart.

My tinkling, You are my world
My clapping You are
My tickling my flapping my booming
My drizzling my pealing my grumbling
My clattering.
My babbles, my ripples, my rustles
My crackles my whistles
My warble my gaggle
O my world, you are
Really wonderful wonderful
I am here with you
Not in any way miserable
Not in any way dreadful.

Thanks You my dear world
I am moving with you
To reach my destination
To achieve my goal
I am sincere pure and honest
And not in the side of foul.

Gajanan Mishra
Bridge

Poem is a bridge
By which I am crossing
The great worldly ocean
Poem is a light
Through which I am able to see
The Ultimate Truth
Let me continue to live
With the poem to reach You
My dear, where You are.

Gajanan Mishra
Bridge-Life

Bridge-life open the room and pass
Through greenfield upside down.

The air I feel not mine
I the passerby move forward
With open eyes to see
The light multiplicity.

Mine is the room of watertight
If I want to know something
I dipped ding and
Diminish in dim dike.

I am the water I am the light
I am in this world
This world is mine
For convenience
Different names given
To identify temporarily
Diffrent places.
Names are not true
The world is true I am in this world
I am true.
Names are no true
And true names are there
They are true
You can modify
You can change
You cannot modify
You cannot change.

Bridgelife always here
always alltimes to come
The world is alive
So I am.

Gajanan Mishra
Bridging Ocean

Let us go on bridging ocean.
Stay in love,
Love is the panacea of all,
love is the abode of delight,
Love and love and stay in truth.
Truth is the unfailing remedy for sorrow.
Keep faith, and hope for the best,
love and live with truth.

Gajanan Mishra
Brief And Dreamy

Brief and dreamy
This life and this play,
I must say and further
To add is clay.

I want not to discuss
The feet of clay,
But I must say
I myself is strayed.

But where is my way, wait
I am searching from yesterday,
With a thread of grey
You are to admit me
At the end of the day
Within this day, today.

Gajanan Mishra
Brief Notes

Brief notes
On this life
one has to
Furnish before
Departure.

One has to
Admit the morning
And the noon and
The evening
While living.

Thing is
Having some reasons
And it is a matter
To remember.

Gajanan Mishra
Bright

I am here
To make you bright
I am here
With my own light.

Gajanan Mishra
Bright And Rosy

Bright and rosy
Your life, your day.
Find your own comfort zone,
And on this earth, stay.

You are there
To win the battles.
You are there
To discover the self.

Nothing is useless,
But useful all.
You are the hero,
And you are to
Deliver the fine speech,
With no void.

Gajanan Mishra
Bright Dark

Black and
Bright dark
Your color,
I know sir.
And you are
There with
Red star
Not far.
I fear
The danger
But since
You are near
I am clear
As a reader.

Gajanan Mishra
Bright Day

Good day
Love day,
Light day,
Bright day,
Today.

Today is
The day of all happiness,
Day of delight.
Today is a loving day,
Strong day.

We are for today,
Let us live for today,
Today is only with us,
Let us be fair, my dear.

Gajanan Mishra
Bright Life

Bright life in bright morning,
Bright name in bright life.
The sun rises in the morning,
Morning - the beginning of the day.
The sky vibrates at day times,
And at the day we enlarge ourselves.
We are the customers at the shop
Managed by air and water.
We are here to avail the colors
And thank all around us
Supporting this life with a loud voice.
Not ungrateful we are let the world know,
We are for all here let the world know,
And we are here to kill all dark.

Gajanan Mishra
Bright With Love

Men we are,
Bright with love,
And with peace,
And with harmony.
We live
With light,
Colorful lights,
And each day
We observe,
Festival of light.
Let us stay
Far away from
All evils.
Let us avoid
All types of
Firecrackers.
Let us keep
Nothingness
With us.
Let us get
Unconditional
Bliss from above.
We have our own
Truth of existence,
Let us examine
Our eternal silence
With own self.

Gajanan Mishra
Brilliance Of The Sun

I know, my dear son
No dark can touch you
As you have possessed
The brilliance of the sun
On your head. I know,
You have a divine diadem.
You have the power to cross
The time of darkness and
Stay with so many lights
With love by your own
Name and glory. I know,
You are there to turn
The pages of history into
Your side with peace and delight.

Gajanan Mishra
Brilliant

You are more brilliant
Than the sun I know
You are my abode of wisdom
O my dear
You are my light
You are my vision
In the dense darkness
Of this world-ignorance
I love you I salute you

To stand in world-Q
Of life.

In Odia language; script is Brahmi;

Gajanan Mishra
Broad And Elevated

Broad and elevated
Glimpse of smile
Prolonged to serve
The distressed

Full-bloomed white lotus
Joy in You

My sins.

Gajanan Mishra
Broken Bench

Now-a -days you
Can not rely on this bench
The bench-men and also benchmark are unreliable.

Gajanan Mishra
Broken Cloud

As a poet
I am a failure
But I am not a
Broken cloud and
As such I am
Not here to
Face my downfall.

Gajanan Mishra
Broken Fruits

I have broken
The fruits
That are there
With my desire.

But I failed
To break my own
Form and motion
In me.

Gajanan Mishra
Broken Heart

Poets have broken hearts
My wife Tapaswini alleged
And without broken hearts
No one would be a poet
My wife Tapaswini clarified.

The poet wonders in his world
The poet work wonders through
His words and sentences
And my wife Tapaswini left
No space for my replied.

My wife Tapaswini left the place
Where I was and my wife Tapaswini
Could not reach me where I am
And the sparrow the crow all
Arranged their feast with joy
Where I am writing poem.

Where I was writing I was there
Where I am writing I am there
My wife Tapaswini always with me
I was not with my wife Tapaswini
While writing and the allegation
Of my wife Tapaswini I certified
And I attested One can take it granted.

Gajanan Mishra
Broken-Clouds

Broken-clouds are
Coming together again, wait.

Though I failed
I am not shattered, see.

Again I am trying my best
To realize the Truth.

And see my dear, all
Fruitful results, here and hereafter.

Gajanan Mishra
Brotherhood

We are all brothers and sisters,
We are not here to destroy humanity
And brotherhood that are there in us.
We want peace, we want to live in peace,
See, we are pouring holy water on your feet,
We are wiping them clean and we are kissing your feet.
We want peace, we want peace, we want peace.
We want to say life is the only truth and we love life.

Gajanan Mishra
Brothers, come together,
And let us say something
About the mother and
Let us do something
For the motherland.
Let us remember life,
That is passing away
At every moment here.
Brothers, come together,
We are the treasurer,
And we are to utter
So many words for our own
Appearance here.
Brothers, come together.

Gajanan Mishra
Brothers, Where Are You Going?

Brothers, where are you going?
Brothers, what are you doing?
I failed to understand,
Make me clear please!

Brothers, why no one is there
To understand - this earth is one,
And we belong to this earth.
Brothers, we are all here
Taking the same air and water.
Moving here and there with
The power of the same light
Under this sky, that is one
And the same for you and me.
Brothers, all the boundary lines are
Created by us to satisfy our selfish end.
Brothers, as you know I am not a drunkard,
Not a loafer, not a lady-killer.
I am simply a creature of the same nature,
Where you are also a part and parcel.
Please understand brothers, and
Keep patience with you, bear
Everything that are so called troubles.
Brother, keep peace and non-violence with you,
Know that only and truth is there,
And that will be there for all times to come.
Believe me brothers, no one is
Doing anything, no one is going anywhere either.

Gajanan Mishra
Brush Them Away

Brush them away
All evil thoughts
That are in you. my dear.

Stay like a corpse
And see yourself
Refreshing and peaceful.

Allow not anybody
To enter in to your house
And stay alone.

Be relaxed
And rely on
Autosuggestion.
Life is pure
Keep it free from emotion.

Gajanan Mishra
Brush Up

Brush up your own
Language to win
The hearts of your men.
Let your language of love
Be flourished everywhere
With your life of truth.
Take pride in your language,
O my dear men, here
On your own land
Where you can discover
Your own brothers and
Sisters and you can tell them
You are for them and
They are for you.

Gajanan Mishra
Brutality

I don't know
What do you mean by children.
But I know
Children are our future,
Humanity is with them.

I know also snakes,
If you keep them,
I am sure they know not
What is humanity.
Wicked men are
More dangerous than
Poisonous snakes and
They are acquainted
Only with brutality.

Enemy territory.

Gajanan Mishra
Bubble With Air

Fake
And fake
Everything
Everything fake.
Even this life
Fake
Relations
Wealth fake
Everything fake.
And it is clear
I know
Some degree of
Coordination is
Needed if you
Want to live.
As the sky
Coordinate with birds
The sea coordinate
With fish
And bubble with air.

Gajanan Mishra
Bubbles
Bubbles on the surface
Of the ocean
Appear and disappear.

Bubbles
And who is the creator
Of the bubbles
If you ask
Here is the trouble.

Be happy always
With the bubbles
If you can
And if can not
Try not to crumble.

Gajanan Mishra
Budget

It is alway not right to say cut
Your cloth according to your coat.
It is right to say cloth be collected
keeping in view the size of the coat.

Gajanan Mishra
Budget -2014

What is new
For a common man?
It is everything
Just turning the next page
Of the same book
At the same place
In a day or two.
Just changing of colors,
Just changing of numbers,
It is not that
Each and every problem
Is being solved.
Going deep in to the matter
With practical knowledge is
Something different and
Keeping balance with
The eco-system.
Still we are to wait
Something is going to change
Though not miraculously
But slowly and steadily
Though at the cost of
Common man's interest.

Gajanan Mishra
Budget And The Poem

Deep relation is there
Between a budget and poems.
Without a poem how you dare
To place the budget on the table.
Poem is a smile, it is love,
It is the truth and the reality.
And budget stands on all the above
As you see in day to day life.
There is loss and there is profit
With a balance sheet in the budget.
Poem has nothing to loss
And poem desires not to gain profit,
Its balance sheet is open and clear
Though we know its intention universal and welfare.

Gajanan Mishra
Budget Is Here With You

Do not worry
This budget is here to bury.

And he is cruel
To be kind
And budget is painful
And good.

Worry not to pay more
You are only to die more.

Gajanan Mishra
Thanks God,
No hike in
Passengers fares
And freight rates.
Thanks for modernisation
And upgradation
The safety measures.
It is pragmatic as
It covered
The need of the future
And also that of the present.
Intention is there to help
Internal and external
Trade and industry.

Gajanan Mishra
Build The Bridge

Build the bridge, my dear,
With love, in the ocean of truth
And cross over world's falsehood.

Your life itself is fire, my dear,
Fire in the ocean of mundane existence,
You are in the deep water, with you, there is nectar.

Gajanan Mishra
Building Blocks

No expectation,
No fulfilment.
Structure is going on,
With age-old tradition.

Life is there
On custom and tries to
Overcome it within
The structure of the web.

Gajanan Mishra
Building Future Mind

Building future mind
With love with affection
With pleasure with light
Let us move together
In this work-place
This is how we are here

Ask as many questions as you like
At any stage as you like
The mountain is there as you see
The ocean is welcoming the rivers
The air is flowing everywhere
You can also see the sky above.

Nothing new in your writing
But I have to read it to renew myself.

Gajanan Mishra
Building House

Building house is
Not easy
Cement sands stones rods
Not necessary in
Building house
The requirement is your
Honesty sincerity
Your love your affection.

Just smile there
At the time of building house
Just shake hands of friends
And neighbors
The land and roads are yours
And your word is important
Not your work in
Building house.

Gajanan Mishra
Building Temple

Building temple
Would go on,
The God would be
There inside.

When worshipping
Would be there,
There would be smile
On the face of the
Earth and the sky as well.

No one would be
In doldrums.
All would stay
In peace and happiness
Within the temple.

Gajanan Mishra
Bujhei Dia

Bujhei dia semananku
Semane manabadharmi
Semane manisha
Semane amrutara
Pua o jhia.

Semananku bujhei dia
Semane ethare
Bhayathu durare
Anandara barta
Debaku paraspare.

Manishamane prakrutare satya
Manishamane prema-phala,
Kahidia manishamananku, priya,
Samaya tumara, manerakha.

Gajanan Mishra
Bull

Searched out and find the bull.
Bull kidnapped.

No clues found
About kidnapped.

Euphoria and
Disappointment continues.

Search out seach out.

Gajanan Mishra
Bullet And Pen

Bullet and pen,
If they compete each other
I am sure winning side
Is with the latter.

May I request you, my dear,
If you want to prosper
Go not with the former,
Pen has bullet-proof bumper.

Gajanan Mishra
Bullet Train

High-speed rail network
Is really required
To catch the time.
But where time to catch?

We are all going round
And round with nothing.
The real issues are there
And the people in general are
In filthy conditions as before.

But we are going on
In bullet train through
Our sweet-coated words and
We are making people fools
To fulfill our self-interest.

Gajanan Mishra
Bullfight And Say Jallikattu

Bullfight and say Jallikattu,
For entertainment is not
Justifiable, I am sure.
I cannot support men,
Excuse me.
You may term it as
Your culture or anything.
It is entirely inhuman acts,
It is pure torture to
An innocent animal.
And we have no right,
Mind it, whatsoever may be.

Gajanan Mishra
Bullock Cart

I am not here
To pull the bullock cart only.

I want to know english
The window to knowledge and west.

Welcome welcome
Welcome to the world
To a great spectacle of languages.

My language is frist and primary
English is secondary and necessary.

Gajanan Mishra
Bundle Of Facts

It is you to think
How you enjoy,
It is you to think
What for you
Smile or cry.

But I think
It is all
A bundle of facts
That are to be
Renewed at every moment.

Gajanan Mishra
Burden

Without You
Without Your support
I become a burden
Of this earth.

It is my burden
Here to do Your
Work that give
Benefit to all.

You are present here
That I know from
The very beginning
I feel nothing burdensome.

Gajanan Mishra
Burn Me

I am jealous of you,
You are jealous of truth,
Burn me in livelihood.

Gajanan Mishra
Burn Not Your Own Pocket

Burn not your own pocket
Keeping doubt within, dear.
But stay free and watch the sun
Every day while marching forward.

Go to the approaching door of light,
And smile and make merry here.
The time is very short with you, dear,
Wind howling has nothing to do, remember.

Stay concentrated within and
Feel the moon playing therein.
All bright all miracles, see and feel,
All love all truth and everything.

Gajanan Mishra
Burning

Dry grass
Past spring
All are burning
With all identities.

Fear of spring
Again coming to me
O my dear, see
I am flowing within You.

Gajanan Mishra
Burning Desire

Burning desire
Should be there
To realize the truth.

With profound humility
Let me surrender
Everything that is
So-called mine.

Let me go to you
to learn and to
Identify the truth.

The truth is
I am everything
I am nothing
And I am what I am not.

Gajanan Mishra
Burning Hills

Burning hills
Bright array of clouds
And the midday sun
All are forming a group
They are the blazing trident
Dancing and shouting
With a loud voice
I am trembling
Hearing and seeing
And they are coming
To swallow me
And I am here praying You
O my dear I know
You are the creator of all
And controlled by You
The time factor itself
Afraid of You
And so I am praying You
You can alone give me
Full protection
And enable me to live
Without any fear.

Gajanan Mishra
Burning Me

Why are you
Burning me
With my pen
With my paper
Every day?
Looking at
My burning
Mind and body,
The poetry is
Smiling,
I find no reason,
I find no words
To define,
What it means.

The leaves are
As usual
Falling from
The tree,
The bell of
Maa Ghantaswanee**
At the west
Of my house
Is ringing
As usual.
Alla hu Akhbar
Is coming from
Far and near,
What thought is
There I know not,
My dear Aaeeshanee*,
But I see
You are shinning
And shinning.

* my grand-daughter
** village deity
Gajanan Mishra
Burning River

Burning river
Is ever bright.
Angry man I am
With the air
Ready to fight.
Life is the best
Gift, I remember,
But no one has
Nethermost patience
To hear.
But river has failed
To keep fire,
River is not alone
As I am there.

Gajanan Mishra
Burning Sensation

Burning sensation,
Observe it within.
Don't go with it
O my dear, to do
Evil to others
It is harmful.

Gajanan Mishra
Burning With Wounds

Burn with the wounds,
It is good.
Feel life good
With cheap food.
Go not on war
With mango tree.
Sleep on the open field
And stay free.
You have no right
To say anything yours.
Enjoy life
It is not bored.

Gajanan Mishra
Burokanta (Kosli Poem)

Ja chidi ja guli suta
Ja hiti ja bahal atha
Ja phasi buro kanta
Bisas balbarta aaru ni na
Saratha galadinu lebda ganthu
Dhob phar phar garsa khujla belke
Buduchhe bel aaru aaru
Meghar e chirchirka mut ken kamar.

Gajanan Mishra
Business Abroad

Really it is a matter to see
And observe the life and
Its business abroad.

Gajanan Mishra
Business And Life

Life is for you
But not for business.
Talk about reality
And it is the business.
Life is secured
At that point
When business
Is in progress.

Live as per your wish,
Life is there
And it is beautiful.
Hold a promise
And go for its
Fulfillment here.

Gajanan Mishra
**Business Is**

Business is the  
Gateway of all success.  
Do not make it complex.

Business is the  
Gateway of all success.  
Do business freely.

While doing business  
Do not put question  
Answer you know politely.

Gajanan Mishra
Business Is Saying

Your business to to say
And you are here to say
And you are saying this and that
Though your saying has
No weightage in the hands of time.

Time is doing his own business
See with you and time is doing business
Staying beyond words alone,
Time has no feeling, no words to say
Time has only works to do
And only business to prosper.

Let us go with time
Without uttering a single word.

Gajanan Mishra
Business Of Two

Business of two
Either yes or no
Either I or You.
Partnership of two
Day and night
I am on one side
The other side
It is You.
Matter of two
Attach or detach,
In case of detachment
Nothing to say
But in attachment
Scrutiny is needed.

Gajanan Mishra
Business Over Lunch

Business over lunch,
I dislike.

To enter into new contract,
I dislike.

Leaving tip,
I dislike.

But my like and dislike
Would be recognized by time.

I am living with time,
And time is ready to leave me.

Nothing I want,
Nothing is mine.

Just leave me what I am,
Just leave me where I am.

Gajanan Mishra
Business-Like

Love all
Without any personal interest.
It is good to be business-like
in general relation with all.

Love all
And show your strength in truth.
Express your love, my dear,
With the warmth to others

Gajanan Mishra
Busy Bee

Busy bee busy bee
You are taking honey
Look, I am just a being.

Every moment every moment
You are taking honey
From the flowers
And flowers are perishing.

Busy bee busy bee
Just relax just relax
And enjoy and enjoy.

You have no time to hear my words
I am sharpening my swords
Honey has stolen and
You are not seen afterwards.

Busy bee busy bee
Where you are now
My God is searching you
To give an award.

Gajanan Mishra
Busy In Counteracting

Busy in counteracting
I am busy counteracting
The natural disturbances
Disturbances of freezing cold
Scorching heat, strong wind
Excessive rainfall.

And in success
And in failure
I am happy
I am unhappy
I am cheated
Enmity created.

O my dear, only You are here
I know who can create non-envy atmosphere.

Gajanan Mishra
Busy In Writing Poems

See me, I am
Busy in writing
Poems now-a-days.
Love me, I am
All around you
With faith now-a-days.
I care you, I trust you,
I know, you are the only truth.

You are my colours
You are my lights,
You are my all in all.
I cannot live for a moment
Without you, my dear,
Only with your support
I am living here and
Writing poems without fear.

Gajanan Mishra
But A Problem

It is nothing
But a problem.
This problem
Is neither yours
Nor mine.
This problem
Is yours
And that problem
Is mine.
Let me say my dear,
This problem is
Not mine but yours.
But I am with the problem
And so also you are.

Gajanan Mishra
But A Process

Not created,
But a process.

Process in time,
Of living entities.

In the sphere of
Air, fire, water, ether
On this earth.

It is but everything,
With good understanding.

Life- the origin,
The origin of everything,

Life - the manifestation of
All creation, the existence of
Original cause.

Gajanan Mishra
But A Sign

Poem is nothing,
But a sign
Like life.
Life itself is
A mystic syllable
Like air and sky,
Like earth and water.
Poem is the light
With which
We can fight
With dark.
We can fly
With ecstasy
Like the bird.

Gajanan Mishra
But A Tiger

I am not a goat
But a tiger.
Tiger, tiger,
They cried.
Listen to them.
But I am silent.

I am bounded, and
Under their control.
Still, they are
My food.
I am not
Their food.

They are all
Before me,
And I am hungry.
I am not able to
Eat them.

They all fear me,
I am a tiger.
Tiger, tiger,
They cried.
I am the symbol of
Their heroism,
Their culture.
And they are all
Proud of me.

Gajanan Mishra
But A Tiger, A Tiger

I am not a goat
But a tiger.
Tiger, tiger,
They cried.
Listen to them.
But I am silent.

I am bounded, and
Under their control.
Still, they are
My food.
I am not
Their food.

They are all
Before me,
And I am hungry.
I am not able to
Eat them.

They all fear me,
I am a tiger.
Tiger, tiger,
They cried.
I am the symbol of
Their heroism,
Their culture.
And they are all
Proud of me.

Gajanan Mishra
But A Voice

Nothing but
A voice,
That I want.
But a voice
Is the requirement,
The basic of life.
And life- a voice
That is only here.

Gajanan Mishra
But Allow Me

But allow me
To go blind.
I know
I am bent
And bald.

I know
The natural
Habitat of
Giant squid
And where it
Lives in
Cold water
In deepest ocean.

Allow me to
Take honey
And also wine.
Allow me to
Fly away in the air.

I know where to
Go and when.
I also know
How to ride the horse.

Gajanan Mishra
But An Idea

I am nothing
But an idea.
I am nothing
But a word.

In my idea,
In my word,
See the world.

The world is
Filled with
All emptiness.

Empty the sky,
Empty the earth,
But I live, the truth,
Therein with you.

Gajanan Mishra
But Ask Not

I live,
But ask not how.
I write,
But ask not why.
I go,
But ask not where.
I see,
But ask not what.

Gajanan Mishra
But Careful

Ladies in villages
Carrying a pitcher
Full of water
Talk and walk
But careful
About the pitcher.

Motor drivers
While driving
Changing the gear
Handling the steering
Talking to the conductor
But careful
About the road.

Likewise I am
Eating drinking
And doing all sorts of work
But careful
About you, O my dear
And I know You are
Everything for me
You are my everything
That I remember.

Gajanan Mishra
But Crying

I am not happy here
But crying always
Out of grief.

All creatures are
Suffering and by
Seeing I regretted.

I am crying in distress
All are ignorant here
And know not happenings.

Gajanan Mishra
But Dear

But dear, see me,
In the eyes of the light.
Though, dark I am,
Light is inside me.

See me dear,
In that sky,
That is there,
Since the creation
Of this earth.

Cooperate me, please,
I want not to play
With the dreams.
I want not to go
Outside the life.

Who is there
To catch the life
In the net?
Who is there
To light the lamp
Outside my eyes?

I care the air,
I know, though,
The air belongs to
No one.

But dear, I am here
In your own eyes,
That is black
And that covers
The entire sky
And the entire earth.

Gajanan Mishra
But Disturb Not

Go not outside,
The picture is
Not there,
Powerful though,
Here at this time.

In a miserable condition,
I am there.
But Wisdom is with me
And I am carefree.

It is true
I am born of
Crying and suffering.

But disturb not,
I am inside by your protection.

Gajanan Mishra
But Everything

Nothing is impossible
But everything is possible.
Let me understand my destination,
And start my journey.
There you are, my dear
And I am here with you.
It is all our cause and effect,
And part and parcel of absolute truth.

Gajanan Mishra
But Fear Not, Nothing To Fear

But fear not, nothing to fear.
The truth is always bitter.

Tell not the snake to bite,
But beware of the dog within.

Something is happening in writings,
Search for sandalwood trees for cooling.

I am sure I am not the trespasser,
But I regard all and request truth to consider.

Gajanan Mishra
But Fire Is There

But fire is there,
And it is there to act.

No matter, whether
I am well aware of it,
Whether you know
Its power or not.

But it is there
To burn you,
To turn you
Into ashes.

Keep it in mind,
The fire is not there
To depend
On your understanding.

Gajanan Mishra
But For How Long?

But for how long?  
Asked my son.  
And I have no answer.

Is there no option?  
To this question,  
I replied,  
I can't say.

I know  
The things going on -  
Not good.

Mother, mother language,  
Motherland - all neglected.  
And we are silent.  
For how long?  

Gajanan Mishra
But For Love

But for love
Of the earth,
Accept me
As yours
And let me
Embrace you
As the truth.

Let there be a
Safe ending
Of our journey
That is full of
Love and truth.

Do for me,
What you did
For yourself.
I am confident,
See me.
Let me declare,
No one was/is better
Here or there.

I am sure,
My strength,
My greatness,
All depend on me.
And I am here
For you.

Gajanan Mishra
But For Me No One

No one can be
My benefactor
Or mischief-monger,
When I am in truth.

I love all
At the same time
With the same ratio,
As I know all are
Here for good.

But, I myself
Is the sufferer of time.
I am here for everybody
And for everything,
But for me, no one is here.

Gajanan Mishra
But For Poetry

But for poetry
I am living,
And for living
I am eating,
I am smiling,
I am traveling,
I am doing the job
That suits poetry.
Poetry is in words,
In actions, in transactions,
In foodstuffs, in breathing air,
In fire, in stars, and
Poetry is telling me,
Do everything for me,
Give everything to me.
And I am using all things
With me to carry out
The mission of writing a poetry.
Everything belongs to
Poetry, I know.
Everybody is moving
With the waves of poetry, I know.
Poetry is life personified,
In poetry, life to be verified.
Is writing poetry a status symbol?
Some enquired.
No, not at all, I clarified.
But poetry is the necessity, I said.
Poetry is necessary for life,
For love, for truth, for living,
And to know nature and
To understand the reality,
Poetry is the platform of each entity.

Gajanan Mishra
But For You

But for you
I am here,
You are flaming,
You are flame of light,
You are for me
And I am here,
See my appearance,
Only for you.

Gajanan Mishra
But Going

Where to go?

No where to go
But going is sure.

Before going, love
Love others,
Before going, respect
Respect others,
But need nothing
From others.

You need to go
But where
That I do not know.

And you are going,
Go, go, going, is the only motto.

Gajanan Mishra
But Grace

No ability, no intellect
No power no resources
But grace can count.

Gajanan Mishra
But Here

But here,
Let me declare
ends of all
happiness and sorrow,
And let me say myself
a free man.

Let me not enjoy life,
Through life let me
put an end to all
happiness and sorrows
by remaining unconcerned
and detached.

Let me rise
Through this life of nectar.

Gajanan Mishra
But How And Why

Caesar's wife
must be above suspicion.
But why and how?

Gajanan Mishra
But I Am Alone

But I am alone,
And with one man army.

And I am silent,
But you are scattered.

I am searching within,
Sending messages, calling on the phone.

No one but I, alone here,
And you? That I not know.

Gajanan Mishra
But I Am Happy

I am not the person
To say what is this
But I can say I am happy.

I am happy here
And the cause of
My happiness is
Your presence
Always here with me.

You are both
Movable and
Immovable, I know.
But I am nothing
That sort.

I am just uttering words
And it is you,
Who is there
To give them shape
In poetry.

Poetry means
Life for me.
Poetry means
Relations with
Human beings,
Poetry means
Love and truth,
Poetry means
What I mean life.

And I am living
With all happiness
In poetry.

Gajanan Mishra
But I Am Here

But I am here
If you so like
You may discover.

No where,
I am there
To go
Leaving you
Here.

But I am here,
Without any search
How dare you
Get me, my dear.
Listen my words- so clear.

Gajanan Mishra
But I Am In Light

Smile and see,
But I am in light.

I am in light,
You can see me
Face to face.

How I am struggling
So hard for existence,
See me and smile then.

Life itself is there
And it smiles.

Come to the truth
As a defeated soldier.

And declare, in smile
The basic of life.

Gajanan Mishra
But I Am Not Limited

But I am not limited,
It is sure.

And I am with you
Take it granted.

I am not asking for anything,
I know your difficulty.

You want charity,
And I refuse it.

I know your capability,
Like me, you are also
Leading an unlimited company.

Nothing to ask
But to observe
One's own capacity.

Gajanan Mishra
But I Am There

But I am there
With You
And I am here
With you
And it is my
Act of liberating.

Gajanan Mishra
But I Care

Appear or disappear
I care not but I care
Your very existence
That is there I know
Always everywhere with
All inhabitants and all
That are uninhabitants.
I care you, though you
Are not- attached and
Non-identified, I care you
In my own routine life
And prove how independent
You are here and acting
Furiously for others.

Gajanan Mishra
But I Care Life

Who you are,
But I care.
Bird or animal
No matter.
No matter you are
Men or mountains.
But ocean is
Not suffice
The purpose of life.
Forgive me,
I am just begging
For nothing,
I have everything, though.
Here I face
At every step, danger.
Since I care not,
I am not to suffer.

Gajanan Mishra
But I Know

I know not
How far is my reach,
But I know
I am alone
With myself
And I can
Win your heart
With my words.
And with you
I can drive out
The dark,
I can bring
The star
To the earth.

Gajanan Mishra
But I Live

Hindu!
What is that?
Muslim!
What is that?
Christian!
No no,
I am a man.

I worship
The tree,
The sun,
The moon.
I am a man,
I am like lion,
Tiger, cow, horse.

I live on this earth,
This earth is
My mother, my sister,
And everything for me.
I know not time,
But I live and I am alive.

Gajanan Mishra
But Identical

Behold me and the truth,
I am no different from you,
But I am identical with you.

Gajanan Mishra
**But In Fact**

Though I am not saying,
But in fact, I am the best.
I am the best creature,
Let me declare before all.
I am not denying anyone
To say or declare anything
About him here at any time.

I know shadows, illusions,
Laughing, mockery all are here.
I know everything is fine and clear,
With the passage of time and
My ears, my eyes are giving me
Not correct informations as
Alleged here about the bird
Who is flying leaving behind
The sun and the moon also.

I am nothing but I am imperishable,
I am nothing but I am going with words
That can change anything at any time.
For certain, I am telling you
I have my own wings and own sky
In which and where in I am alone
Measuring and weighing my own value.

Gajanan Mishra
But In Whose Interest

But in whose interest,
I am here to suffer
And as you say I should suffer,
Let it be clear.

Life after life,
I am ready to sacrifice,
But for whom?
Let it be clear.

Till date, I know not,
The meaning and purpose of country?
Is it only for the rich, the privileged
And the so-called educated-classes?

I am sure, I have my
Unalloyed love, for all creatures
With me and let me have this with me for
All irrespective of all differences.

Let me suffer for the safety,
For the security, for the all around
Development of this earth.
Let me know the meaning of my birth.

Gajanan Mishra
But It Is Possible

But it is possible,
Nothing is impossible.
Everything is changing
At every moment, it is true.

Gajanan Mishra
But Language

But language
I must speak
That is mine.
The air I desire
That is thin.
Help me, I want
To tell my style
And my religion.
Wait and watch,
The identity mark.
Deprivation and
Injustices are there,
But matter not
If my living is fair.

Gajanan Mishra
But Let Life Here

Our time,
Our life,
Our poetry.
Let us proceed.
No matter-
Forward or
Backward.
No matter
In dark
Or in light.
We care both
Truth and
Also falsehood.
But let life here.

Gajanan Mishra
But Life And Earth

All
But language.
All
But identity.
All
But life.
All
This earth.

Gajanan Mishra
But Love

No magic really
But love
And hard work
That count.

All great,
All hard,
But one has to
Take pressure
Gladly.

Not merely wish
But the need,
Need of time
To tell all are
Free and sovereign.

Gajanan Mishra
But Men, You Are

But men, you are
The reservoir of
All riches.
Be strong and
Proceed ahead.
Time is favorable,
Nothing is regrettable,
And all wonderful.
The whole earth is
Full of love and
Affection.
Go on doing everything
By your sweet will
With all perfections.

Gajanan Mishra
But More And More

You are not less
But more and more.

You are complete existence
For all individual existence.

No one is equal to You
O my dear, You are the supreme enjoy-er.

No one can measure You
You enjoy the spiritual sky.

Gajanan Mishra
But Natural

Struggle for existence
Is but natural
Transmigrating from
One to another
Next and next and next
Next is nothing
Depends on me.

Gajanan Mishra
But New

No new
But new.
No later
But future.

Where to go
And what to do
That depends on
Our captaincy and
Competency, come on.

We must look
In new lights
Our adversaries
And they are not from
Outside but from within.

Sharing everything
Is transparency
Nothing to hide
But for complacency.

Nothing new, my dear,
But You.

Gajanan Mishra
But No Heat

Water is burning
But I feel no heat here
Though I am in water.

The fire desires to
Burn the water to ashes
In anger.

But water is water
And the water is trying
To cool the fire.

Fire admitted
It has no power
To burn anything ever.

Gajanan Mishra
But Not So

You may call it whole,  
But in reality, it is not so.

It is flame, it is cool,  
You may touch it  
With a piece of coal  
Within you, the soul.

I like to go  
To you  
To tell the truth.

But what is the truth,  
First I have to  
Search it out  
Within you.

You may call me, a fool.

Gajanan Mishra
But Now Let Me Say

But now let me say
You are on the right track,
Go ahead, following the norms.
Now you have the world at your hands,
Now you are facing the sky.
Worry not and go with with the ocean
And have a touch with a smile.
Now you are your own treasure,
Just get it yourself and see
Everything fine with the birds
That are singing and singing all night.
I am sure no dragon is there
To disturb you at any time and the signal
Is clear for you with green light.

Gajanan Mishra
But One

Not two not many
But one and one whole
O my dear You are full
Not half or less.

I came to as a
Fragment of You
And look I am whole
Like You.

You are my knowledge
You are my college
You are my all and all
Less full half and whole.

Gajanan Mishra
But Poems

But poems
Bound me
And I am
In problems
That has
Special charms
Walking and
Walking in charms
I am in dilemmas
But poems
Made me free
Without giving
Any freedom.

Gajanan Mishra
But Poets Are

But poets are not the contractors
They have not signed any agreement
Any vakalatnama and anything
On behalf of anybody
In the poetic sense of the term
Here there is no win no loss
No hermitage no horizon
Nothing to be build nothing to broken
Poets are not the token
To exchange anything
To go anywhere
And that is accepted
Poets are poets and they have a
Relation with
Both night and day
Both dreams and reality
Yesterday and tomorrow
O poets, Come again with your words
To change the society
To establish truth before all
On straight way.

Gajanan Mishra
But Powerful

Small, but powerful.
Most powerful,
As there is love,
There is truth.
Honesty and
Integrity also there.
Nothing to be
Ashamed or humiliated
My dear for smallness.
You are more than
And greater than
Any so called great
As you are in love
And you are truthful.

Gajanan Mishra
But Quarrelsome

You are weak
You know it.
You are quarrelsome
That you know not.
And for this
You are going to ruined.
Woman is ocean,
Woman is fire,
Woman is your own creator,
You know it.
You know also
The power of the woman
And yet you are interested
In woman, as such be ready for the result.

Gajanan Mishra
But Remember

See
But remember,
Mere seeing
Not suffice the purpose.
Hear
But remember
Even after hearing
You may not make
Yourself clear.
You, yourself are
Beyond the access of
Mind and speech
So my dear, remember
To attach importance
To discrimination,
This discrimination
Can changes in to
Self-realization.

Gajanan Mishra
But Talk

Think high
But talk
Not high.

It is just
Matter of understanding
And not misleading.

It is life
And not any other thing
That matters.

It is hope
And regular functioning
That enrich
Our thinking,
Keep it in mind.

Gajanan Mishra
But Tell The Truth

But tell the truth,
I want to hear.

But do right things,
I want to see.

But go for the wisdom,
I want to praise.

But show your love,
I want to gather.

Gajanan Mishra
But The Chains

Nothing to lose
But the chains.
Come on and see,
Friends, how far
You are free
To work,
To love,
To live.

You are of the earth,
The earth is here
For your welfare.
It is you to
Take care the earth
For your own benefit.

Gajanan Mishra
But the sun and the moon
Are there, I see and
It is for them
The mischief is being
Played by nature
With the change of seasons.

And in this changing processes
No relation is there
That is concrete
In all respect.

But there is climax
Retreats that is
Discover at the end
For the purpose of
Formulating a cycle.

It is there in the light,
It is there but not a complex one,
But clear and distinct
With all creativities.

You may termed it
As growth or
As decay-
No matter.

You may mediate
With different organs,
You may go far
And say you are not there.

Whatever may the case
But it is all for you
That you must agree
With me for the sake of truth.
Gajanan Mishra
But The Sun Is There

But the sun is there,
Go and search
Either in India
Or in America.

Only in two places
On this earth,
But India first
And the sun is full of colors.

With the sun
We are all pervading,
We are self-sufficient,
We are in your love, the truth.

Gajanan Mishra
But To Rise

Hell is
Within us
We are falling
Everyday every moment
Remember
We are
Sons of nectar
We are to go
up and up
We are to defeat
Our enemies
Who are within
Who are outside
Remember
We are not
To fall
But to rise.

Gajanan Mishra
But To Value Life

No option,
But to accept
The truth.

No option,
But to obey
The mother.

No option,
But to open
The hearts
With own language.

No option,
But to stay
Free here.

No option,
But to value
The life
As sovereign.

No option,
But to live
Happily for
Others.

Gajanan Mishra
Nothing to do,
But to watch.
Nothing to watch,
But to hear.
Nothing to hear,
But to utter.
Nothing to utter
But to take.
Nothing to take,
But to give.
Nothing to give,
As I know nothing is mine,
And I know, everything
Is yours, only yours.

Gajanan Mishra
But To Witness

I want not to eat
But to witness.
I want not to write
But to read.
I want not to go
But to stay.
I want not to sing
But to listen.

I have not forgotten
My real identity
And I know I am
Not a permanent resident
Here and I have
Nothing here
I know You are my
Controller and I am
Here to disappear.

Gajanan Mishra
But Touch Not Women

But touch not women
Without their consent.
And hurt not men
At any time, dear women.

All are respectable here,
All are here for each other.
No diplomacy in life and living,
Be transparent and hide not anything.

Gajanan Mishra
But Wait, You Will Emerge

I know you are staying
There, with a wounded and
Venomous snake.
But wait, you will emerge
Brilliant and triumphant.

Gajanan Mishra
But We All Are

But we all are
Going back
To the truth,
And the truth is
There to follow us.
Imagine the route,
And get no time
To think, but
You have to
Proceed forward,
For the purpose of
Love, that is
In between the dark
And the light.
Imagine again
That you are not
There for anyone
But for the self.
Imagine again
That you have
Reached the moon
With all love
That are not opened
As yet.
And reaching at
The point of truth
Is not so easy
As you declared.

Gajanan Mishra
But We Are Expert

No horizon, 
No stability, 
But we are 
Expert in singing.

No song, 
No dance, 
But we said 
Love is here.

We love each other 
We are brothers, 
But we are killing 
One another before all.

We know nothing, still, we 
Declare we are wise.

Gajanan Mishra
But We Are One

You have taken birth as a crocodile,
You have taken birth as a crow,
you have taken birth as a bear
and you as a tiger,
but we are all one my dear.

CCTV is there above
Don't do any thing wrong,
Stay in peace with the water of the Ganges,
Have patience like the earth,
And do beneficial works like mother.

Gajanan Mishra
But We The Subjects

No king, no queen,
But we, the subjects
Are the worst sufferers.
No land, no farms,
But we, the farmers
Are forced to commit suicide.
For nothing we are
Doing our business and
Exploiting each other.
We said we are free,
But we are our own subjugators.
No one is there to give us relief
In any manner that we know
From our own activities.

Gajanan Mishra
But Where Is Happiness?

But where is happiness?
I am hankering after happiness,
You are telling me that.
But you know, I am
The reservoir of all happiness.

I am not useless,
But I am the master,
Master of all.
I am the regular customer
of life, life is not
Bigger than my living, though.

I live with pastimes,
Beyond annihilation
Of this world.

Gajanan Mishra
But Which War

We are fighting,
But which war
We know not.

Gajanan Mishra
But Whole

No fraction but whole
No part no term
No denominator
No numerator
No zero
No alteration
Value more and more
And the common factor
In both upper and lower
Number non-zero
And always assured.

Gajanan Mishra
But You

I am never
Attached to
Anyone else
But you.
I care
No one else
But to you.
My heart always
Hanker after you.
I want to regulate
My breathing process
Only for you.
I want to surrender
Only before you.

Gajanan Mishra
But You Are

But You are not here
And nothing is here.

And You are here
Everything is here.

No end but
Only beginning is here.

You are my last resort
And I failed to discover,

Gajanan Mishra
But You Are Abandoning Me

But you are abandoning me,
And I am here alone wandering,
And here what for you are I know.

Gajanan Mishra
But You Are There

Still or active,
Solid or hollow,
But you are there
Happy, where as
I am here in sorrow.

Gajanan Mishra
But You Said

No water
But you said
It is raining.

No fire
But you said
It is burning.

My dear, tell me
More and more, something
And forget me.

But you said
You are with me
And that has a meaning.

Look, my dear, I am dying
But you said, I am progressing
I am blooming, I am rising
Beyond space, beyond time.

Gajanan Mishra
But You See Me

I am unable to
See you,
I am unable to
Know you.
But you see me,
You know me.
You are inside,
But I am outside.

Gajanan Mishra
But Your Love

It is not you,
But it is your love,
That makes me changed.

Gajanan Mishra
But Your Own Language

Nothing can nourish you,
My dear men, but here
Your own language.

You are to use
Your own language
Always for your
Own identity and
For your mother.

You are on your
Own land, remember,
O men, my dear and
You are to act as
A sovereign master here
For a bright future.

Gajanan Mishra
Butchering Animal

Butchering animal is said to be
the production of meat requires for good health.
Abortion and destruction of
productive power of man
is called family welfare and peace.
Licentious behavior of women, under the control of other
males besides husband, destruction of ethical propriety
is termed as freedom of women.
Moral degradation is named progress,
Beastly behavior is mark of civilization,
Righteousness is communalism.
Reading and writing and talking always
in other than mother-tongue, in foreign language
Contrary to own culture is called as wise and intelligent.

Gajanan Mishra
Butea Frondosa (Palasa Phula)

Special,
You are really special,
Let me call you special.
I know greedy rain
Also gives you rain.
The desert also
Give you the address
Of the river.
The butea frondosa flower
Also gives you scent.
The death gives you
The life
Really special you are
My dear, really special.

Gajanan Mishra
Butter And Milk

Butter and milk with other ingredients
Promote strength and health
Devotion with the discipline of knowledge
Endowed with discrimination and dispassion
Distinguishing the real from the unreal
Make you eligible to realize the truth.

Gajanan Mishra
Butter Soft

Life butter soft
And transcendental nature
Extend unbound
Cognizant perfect
Life butter soft
Universal Truth
Multi-potencies
Auto expansion
No miseries
Nothing birth nothing death.

Gajanan Mishra
Butterflies and birds are here
And flowers and colors are here
It is spring you declared.

All are dancing and all are singing
It is their adventures and they are lovely
And friends of all.

But shut up, open not your mouth
Give them not a chance to think
How fool you are not enjoying yourself
What is there with you.

It is spring you are right
You are to enjoy and make merry
Here is the day for you and also
Here is the night and it is also for you.

Gajanan Mishra
Butterflies And Moths

Most beautiful - butterflies,
With large wings and
Brilliant colors.
See butterflies
During days, and
Moths at night,
With wings
Upright and flat.
Men, you have to learn
So many things
From natures and
All living creatures.
Men, you have to know
Who and how you are here.

Gajanan Mishra
Butterfly

Butterfly.  
Is it really  
A butterfly?  
I doubt  
On this terminology.

I find no reason  
To study psychology  
I dislike pseudo  
In any form  
With anybody.

I know where is love, 
And there is beauty  
Doubt would not  
Stay there even for a moment.

Gajanan Mishra
Butterfly And Flower

Understand the relationship
Between a butterfly and a flower.
Understand the relationship
Between food and hunger,
Between drink and thirst.

But dear sir, let not the heart
Go loose without restraint.
Go apart from all and stay.

Gajanan Mishra
Butterfly Independence

Let us enjoy our
Butterfly independence.

Are we independent
I have no reliance
Either in question
Or in answer.

Going deep eternally
Is also not good materially.

Otherwise take the lotus
On your hands and see
What is the use
Of anything else.

Illusory topics
Unnecessary waste of life.

Still then
My version is
I am greatly fortunate
I am decorated during this
Time of my world tour.

Gajanan Mishra
Buying Peace

Buying peace at the cost of peace
Is dangerous and not advisable.
Exercising restraint is necessary
While steping a giant leap.
With missile no body make history
Illusion to state fantastic mission.
Let the sky remain as it is
Let the sea remain as it is.

Gajanan Mishra
By Grace Of God

By Your grace
I am here
By Your grace
My dear
My delusion
Destroyed
I am sure
I am not in doubt
Any more.

Gajanan Mishra
By A Moment's Association

Attain love, my dear,
Simply by a moment's
Association with the poet.
Ask not who is a poet,
But ask who is not a poet.
Poet is he, who engages himself
In the service of humanity.
Poet is he, who is tolerant,
Who is merciful, who is
Friendly to all.
The poet has no enemy,
The poet is peaceful.
The life of the poet is
Meant for self-realization.

Gajanan Mishra
By A Negative

By a negative reference
You can also touch me
In a positive and fruitful way.

Gajanan Mishra
By Accepting Higher Naure

Realize who you are
by destroying the desires,
And make your life
fruitful here, my dear.

Be brave and powerful
by accepting the higher nature,
And see the things
As they are, with care.

Gajanan Mishra
By All Means

By all means
I am here
To satisfy you.
I know,
You are the truth.
I never objected
To you
And ready to
Give everything
That are yours.
And for you,
I can take any step
Suitable for you,
As I am part of you.
By nature
I am nonviolent,
By nature,
I am peaceful,
And I tolerate
Everything for you.
As I love you,
My love is
The only truth.
I am ready to
Satisfy you
By all means,
No one is there
Besides you,
I know,
I can say
I am yours
And you are mine.

Gajanan Mishra
By All Men I Am To Be Known

By all men, I am to be known,
I am the poet, indeed,
The compiler of all.

Gajanan Mishra
By An Error

By an error
I identify
With self
And deluded by
Egoism.

Gajanan Mishra
By An Error I Am Here

By an error
I am here
And you have
Attached to me.

You have the power
To renounce
That I know and still
You are here with me.

Gajanan Mishra
By And Large

BY and large, stay happy,
The time is there
To keep you happy.
Go on high spirit,
The time is with you.
Be optimistic about
Your success and
Stay transparent.

Gajanan Mishra
By Any One

I can never be seen
By anyone.
Still i am here
For all.
And it is the truth
That also can never be
Known by anyone.
And I am the truth.

Gajanan Mishra
By Birth

By birth,
We are smart,
We are quick,
We are agile.
We are forceful,
And we know
The light.
The light is
Within us.
Victory is
At our side.
All, the rest
Are there to
surrender unto us.

We visualize
Our duties.
Our desire is
Liberation.
We are the friends
Of the distressed.
We never
Forget the truth.
The hellish conditions
Of this world are
Well known to us.
But by birth,
We are aware and
We love the truth.

Gajanan Mishra
By Birth By Nature

By birth by nature
I am the well wisher of
All creatures.

I know I understand
By being the well-wisher of all
I can attain peace in this life.

Let us work together
O my dear to rescue all
From the ocean of illusion.

Gajanan Mishra
By Birth I Am Everything

By birth I am everything,
But designate not
Who I am.

How to become best of man,
I know better
Being in love
With truth.

No difference is there
In between you and me,
In between nature and me.

I am ever existing,
And from birth to birth
No change is there
In my existence.

Gajanan Mishra
By Blood

By blood,
I am a man.
By nature,
I am a poet.

Two things
I have to keep
In mind;
The water and the air,
The birth and the death,
The day and the night.

Here, I have to search out
The truth.
Here, I have to go
With love.

Gajanan Mishra
By Breaking Away Relation

By breaking away relation
You cannot solve any problem,
But by participating actively
You can know every detail and
Can search and find a solution.

By breaking away relation,
I am sure, you are on the loss.
You have to follow the law
Who so ever you may be and honor
Justice system, wealth play
A major role, though nowadays.

Considering all equal, stay
Enlightened and see might
Fails to make right always.

Gajanan Mishra
By Breaking Butter Pot

By breaking the butter pot,
You would not get anything,
Here or there, that I know.
Here see me, I am overflooded
With tears for the reasons
Best known to the sky.

Who is bewildering the common man?
The answer I want to know from you.
Though, they are all inconceivable
To my limited thinking power.

I am here calculating my time,
That is at your disposal and
I am ready to pay the fees that are
Due at the time of departure.

But perfectly I can say what is
Going to happen at this time
At our very presence. I know and
I can say, we are all at a time
The man, the fish, the animal,
The bird, the air and the very water.

You are searching me, no doubt,
But you are not looking within
Where I am playing with you,
Taking all the truth by default.

Life is all but a machine
With affectionate gesture,
No one is there to take the credit
But one's own father and mother.

Gajanan Mishra
By carrying the truth
See me, I am
Perfect and pure.
Truth is there
Where there is
All beauty and
True knowledge.
And for truth
I belong to
No group.

Gajanan Mishra
By Chosen Words

Let me tell something
By my chosen words,
I know, though, words
Are not sufficient to
Represent my true thoughts.
I know, no amount of
Chosen words are sufficient to
Enumerate your glory,
I know, you are there to
Pardon me for my
Broken linguistic attempts,
I know you are merciful, my dear,
And you are there to understand me
And accept me beyond my words.

Gajanan Mishra
By Counting

By counting one two three,
By counting hours days months year
You are not to get anything, dear.
And we search for the value
Not there with anything.
We see the morning and
The evening, though not true.
We measure the space
Not our own.
And we lay down on the earth
To show original light
And power.

Gajanan Mishra
By Day Train

By day train
The sun is coming
Regularly and after
Taking a bath
He stood at the front
Office with so much words.

At that time
I welcome the sun
With white tulip
And see and feel
Wholeness within me
Keeping hearts of tree.

I know it is difficult, at this time
To take steps against anybody.

Gajanan Mishra
By Default

By default,
Union is here,
Unaffected though.

Gajanan Mishra
By Dividing Yourself

You have created all
By dividing Yourself.

It is my pleasure
And I know Your sounds.

I am changing my
Characteristic behavior
Only for You.

You are decorating Yourself
Only for me.

I know the cow is You
The calve is You
Also You are the milk.

By dividing Yourself
You have created all.

Gajanan Mishra
By Doing Good

Fear not death, my dear,
And eager not to
Enjoy worldly pleasure.

Care not to live alive, my dear,
Be an asset of the world
Wishing for the welfare of all.

Keep your qualification in tact
By doing good to all.

Gajanan Mishra
By Dreaming

You are creating
Your own happiness
And distress
When actually
Happiness and
Distress have
No existence.

Everything is
Mental concoction
No better than
The false
All acceptance and
All rejection
O my dear, be clear
Never here.

Gajanan Mishra
By Extending Yourself

By extending yourself
Higher and higher intelligence
Make all false rectify and
Make all truthful without doubt
Remember everything is here
Good and for good by all merciful.

Gajanan Mishra
By Fools And Rascals

It is true and we
Are to admit to the point
We are being misled
By fools and rascals.

And we are very much
Disturbed like the boat
Moving to the wind on
The stormy ocean.

Help me, my thinking,
My feeling and willing-
Not under my control.

Nothing is finished
We are to remember and
Start the journey afresh.

Gajanan Mishra
By Giving

By giving, be sure,
You do not lose anything,
But gain everything.

Gajanan Mishra
By Giving By Taking

No achievement no lose
By giving or by taking
Empty handed we leave
Without facing self here.

Gajanan Mishra
By Giving Or By Taking

No achievement no lose
By giving or by taking
Empty handed we leave
Without facing self here.

Gajanan Mishra
By Good Conduct

By good conduct
You can win all.
Being righteous
You are to do well
For both noble and wicked.
Good conduct is
The prime virtue, dear.
Good conduct depends
On one's language,
And language is the identity
Of a person everywhere.
Loss of language means
Loss of everything
Including livelihood.

Gajanan Mishra
By Heart

By heart
I am with poetry
Here is nectar
Here is life
Here is peace
I am with history.

By heart
I am with poetry
Sins are no more
Inauspicious no more
I have my only desire
Greatest good to the world.

Gajanan Mishra
By Intelligence Or

-1-
By intelligence or
By imagination, my dear
You are in search of me
That I know, here.

-2-
The intelligence influences
The mind and the mind
Controls ten senses and
Each sense has many desires.

Gajanan Mishra
By Keeping A Distance

By keeping a distance from you*
No one can knows you.
Being engrossed in you**
One can't knows you.
To admit your existence
Is showing one's knowledge.
You exist - to assume this
Is showing one's own ignorance.

* God
** world

Gajanan Mishra
By Lamentation

You should not be affected
By lamentation.

Never consider yourself
To be the cause of any action.

As the case warrants
Take proper action.

Know how to adjust
Depending on the situation.

Gajanan Mishra
By Linking

By linking
One to another,
I restored
Original purity.

But restoring
Purity in one,
I showed
The relationship.

But showing
Relationship, I
Offered myself
As nothing.

Gajanan Mishra
By Love

Each and everyone
Is won by only love
And by affection.
And deception has
No role to play here
In pure-love relation.
If love is there
You find no frustration.

Gajanan Mishra
By Me

By me,
In me
Everything.

Formless energy
Is there in me.

I can win,
With and also
Without my presence.

My heat,
My light,
Everywhere.

I am the origin,
I am the original,
Without me, nothing final.

Gajanan Mishra
By Mental Speculation

By mental speculation
I can not know You
You are the original
Cause of all causes
I can not understand
You or Your plan or
Your action
I can not know You
By my mental speculation.

Gajanan Mishra
By My Dealings

By my dealings
I know you
As the truth.
On humanity ground
I am giving
My service.
Neither I am
Attached to you,
Nor I am here
To depend
On you.
But I know
With all
I am the truth.

Gajanan Mishra
By My Order

By my order,
You must write
In my language,
To make me understand
How and what you are
Going to do for me.

I am a common man
And I am sovereign here,
I have elected you
To do all good,
You are appointed
To serve me.

So long as you are
On my land, you must
Follow the laws
Of this land, you must
Know the truth
That are here for you.

Try not to misguide me,
Try not to make me undisciplined,
Try not to make me furious,
But try to make me satisfied
With your works
In my language.

Gajanan Mishra
By My Poems

My friends
Let me address you
My personal friends
And let me save you
From your sinful reactions
Through and by my poems
My poems are see
Like pure holy water
see here
Come across my poems
O my dear since you are
Falsely identify yourself
With gross material body
And subtle mind
You are lusty for
Material sense gratification
You are obsessed with fear
You are approaching madness
Come to me my dear, my friends
My soul mate I am here
I am ready to make you understand
What is what here there
See me I am as transparent
As pure water
See me I am the Truth
As I love all
And here in me
The reservoir of all happiness
See me I am charming and beautiful
Read my poems hear my poems
Note its message all are truthful.

Gajanan Mishra
By My Very Birth

By my very birth
I am impure
In this material world.

But, I know, I can attain
A happy life hereafter
By love and by serving others.

Gajanan Mishra
By my will
Each and everything
Here comes in to exitence.
I am the efficient cause,
I am the source,
I am what I am, see within.
I dissolve in me,
There is nothing besides me.

Gajanan Mishra
By Myself

Hear and see
And know
By yourself.
Come and
Know me
By myself.
Only faith
Only inquisition
Take to self-realization.

Gajanan Mishra
By Nature

I am helpless
Before nature.
Without nature
The very entity
Is in question.
What I am
Entitled to
Determined by nature.
And by nature
What I am
You can not predict.
I can not
Evade nature.

Gajanan Mishra
By nature all are dull,
Ether, air, fire
water and earth.

It is the cosmic nature
that brought forth all
for creation under impulse.

You can get happiness
there my dear, where you are.

Just give an instruction
to a woman and she would
do what pleases you.

Gajanan Mishra
By nature You are blissful, I know
And I know I am the manifestation
Of Your material energy
And qualitatively one with You.

Happiness and distress are
Common phenomenon here
I am not disturbed by these
And I know I have to cooperate You.

I know my prime duty
And it is to execute Your mission
For which I come here I stay here
And I am to execute in Your presence here.

Gajanan Mishra
By Nature Peaceful

I am, by nature peaceful
You creations, as such, wonderful.

I have no hankering and also no lamentation
I have nothing to loss my possession.

I am doing my duties and I do not mind
Where I am and how I have to act as I know all Yours desires.

You are everywhere and You appear only for me
When there is friction and You appear on a mission.

You are the electricity You are the sun
You are the Father You are the Son You are in the ocean.

You appear only for me that I know
And it is Your great compassion.

Gajanan Mishra
By Negligence

Accident by negligence,
Death by negligence,
Flood by negligence,
Drought by negligence,
Storm by negligence,
Neighbour's attack by negligence.

I am hungry, let me say
It is by my negligence.

They are terrorists,
Let us admit, it is also
By our negligence.

The children are dying
Due to shortage of oxygen,
Let us admit, it is also
By negligence.

Gajanan Mishra
By Order

By order, I am here.

I am here and doing
All works only for You.
It is Your blessings
That I am saying
Though know nothing.

By order, the tree is there,
The bird is there, the sky is there,
By order the wind is blowing,
The sun is rising, the night is coming.

Nature of all is the same
And they are all here with me.
I am igniting the fire, by order,
And you are sleeping a sound sleep, my dear.

Remember this world
Ours and we all
Supra tete-a-tete
And that terminate.

Each is others friend
And in friendship
Nothing begin
Nothing end.

Gajanan Mishra
By Poetry Reading And

Let me control
My mind and senses,
By reading and
Writing poetry,
In the morning,
Noon and evening,
And make me
Stay free from
All evil thoughts.

See me, here I am,
In the fire.
See me, here I am,
In the water.
See me, here I am,
In the sky, in the air.

Gajanan Mishra
By Proper Education

By proper education
Let us replace fear, violence,
Lust, greed, and insanity
By love and truth
Through authorized process
And enable all to live
Happily and peacefully
In this world.

Gajanan Mishra
By Providence

By providence
Great opulence
At other time destitute.
No, no
Nothing to rejoice
Nothing to morose.
Speculative philosophy
Failed at day light
Show not inner might.
Season and out of season
It is swollen
And it is dry at the same time.
Always we are blissful
As we are in truth.

Gajanan Mishra
By Putting On

By putting on
A dress of the king
Nobody called you the king.
By birth by nature
You are raw, you are a beast
You have to struggle hard
To be a human being
With humanity within.
If you failed to do it
Your life is gone waste
And it is worthless
To live further.

Gajanan Mishra
By Reaching Love

You attained, O my dear
The object of your life.

Gajanan Mishra
By Reading Poetry

What is real truth
Of matter and spirit
What is their relationship
Know all by reading poetry.

Here is the path of understanding
The Absolute Truth in poetry
Read and understand and know
The Supreme Personality.

Opportunity is given to you
In this life as a human being
It is the rare life and be in
Devotional service during this life.

And get the Supreme bliss
O my dear, from the supreme
Reservoir of all pleasure
Keep faith in Him and realize Him.

Gajanan Mishra
By Reversing

By reversing
You can check
Everything
In you.

In you
I discover
All truth.

All truth,
The water,
The air,
The earth,
The sky.

And I fly
In the sky
With the light
Given.

Gajanan Mishra
By sacrificing,
By acting in time
And also in place,
By offering,
By going through,
By observing,
I reach you, and
I know the truth.
The truth displays
Beauty, I know.
I realize how beautifully
You have decorated
My body on this earth,
As your integral part.

Gajanan Mishra
By Seeing The World

By seeing the world
With so many colors
Of white, yellow, dark blue,
Red, purple, green, and, and,
Really I am happy.
And somehow or other
I am pursuing the happiness.
This earth is the source of
All pleasure, I know.
The sky is the protector
And the solicitor of all.
By seeing all and by keeping
Contact with all I am enjoying
My life without any fear.

Gajanan Mishra
By Self-Realization

Ignorance of the self
Is removed.

Gajanan Mishra
By Serving

By serving
I receive pain
In this world
But I know
I must serve
Because of You
As You are there
Within all
In this world
You are there
To relive
The torment
I felt
At every moment.

Gajanan Mishra
By So Many Foul Means

We are all living here
By so many foul means
And yet we are calling
Ourselves pure and perfect.

Introspection is but
A necessity while living
With others here.

Live and let live is
The principle of life
We should keep it in mind.

But we are all living here,
Without taking interest
Of others and telling
Ourselves we are good creatures.

Gajanan Mishra
By Speaking Truth

First accept yourself
As the incarnation of truth
And be truthful always.

First speak the truth,
Knowing well no falsehood
Is there in living.

First recognize everyone
As the same living being
Like you and strengthen
Your own truthfulness.

First go beyond all
And introspect within
For there lie the truth
That is but a feeling.

Gajanan Mishra
By Sticking

By sticking
By sticking to me
By sticking to
Your devotion
You shine,
As gold gets
Brighter by being
Put in to the fire.
I am here
You are there
There is no one
So dear to me
As You are
My dear, take care.

Gajanan Mishra
By Stitching

By stitching
I am doing
Everything.
And all are
Here with me.

By giving
Respect to time

How to answer
Life's questions.

Heart-beats that
Are going fast
While mountaineering.

Gajanan Mishra
By Taking The Truth

By taking the truth,
I can attain the highest perfection.
By taking the truth,
I can know everything that is good.
I am already writing poems, dear
And I feel no urgency
To perform any other deeds.
But for others contaminated
I am reading poems and
Make them hear and stay
Without fear.
Each one present here is worthy,
I know from the very beginning,
And for this, I'm writing and reading.

Gajanan Mishra
By Telling

By telling
I am not prepared for death,
Just expressing my foolishness.
Nothing new
But wonderful.
And at every moment
I am dying, see me.
And nothing is mine.
But I know
My poems and my words are
Deathless,
They are in truth
And they love all,

Gajanan Mishra
By The By

Let me tell you
I am the being
I am also the non-being
I am also beyond the two.

As a poet, as a man
As a fragment, as a whole
I am nature, I am intellect
At times I am
Beyond my control.

My heart, my mind
All are yours, O my dear
I know I assume
What is in you
That I am telling you.

Gajanan Mishra
By The By- My Words

By the by
Let me tell
Everything
By myself.

By and by
I am here
To describe
By and large
By means of
My own words.

I know
You are by me
And I am
By you always.

Gajanan Mishra
By the eyes,
By mystic vision,
I realize
The whole universe
Is in me.
I am the power,
I am the movements,
But I am far from
The universe.
I am not in the universe,
But I exist
Where everything is okay
For sustenance of
All creatures.

Gajanan Mishra
By The Grace Of The Poet

By the grace of the poet,

About the life, about the earth,
About the supreme love,

The poet asks all not to grieve,
As he is there, his words are there,
To release all from all bondage,
From all sins of this world.
Please come, my dear men to read
The poems and enjoy the golden
Opportunity of this life,
The poems are supreme secrets of life.

Gajanan Mishra
By The Mercy Of The Mother

By the mercy of the mother
The world can be won.

If a baby is fed his mother's milk
His body will be very strong.

If a woman is polluted
Unqualified children are generated
And for this the entire world becomes hellish.

Protect the mother, protect the woman
And there by the human society is benefited.

Mother is the root of the society,
Without the mother, imagine not your life.

By the mercy of the mother,
Know the world my dear and
Enjoy life here.

Gajanan Mishra
By the passing of days and nights
My duration of life is being cut down
But see I am happy and achieve
Perfect peace as I know the Truth
And understand what is what in this world
I am the detached bird here and giving up
Everything keeping in view the situation
And the time that suited for the purpose.

Gajanan Mishra
By The Process

By the process of
Restraining breath

By The Wind

By the wind
I stunned.
I fainted

Merciful you are,
I feel compassion.
Pacification- fine art,
But life is more than
Any exhibition.

Provoke not
To speak anyone.
Understanding is better,
Where rejection-
Symbol of affection.

Comparison not needed,
And yet, a new awareness
Is created for battling
The life here.

By Your touch by Your grace
Any person can be Yours
As a base metal like bell metal
Can be changed in to gold
By a chemical process.

Gajanan Mishra
Bygone

Bygone not mine
Let me not stay
There in.

Not static
But dynamic
And if you are
With me
Always you feel
Interesting
And never tired of
Hearing.

Listen
I am reciting
Way of life
Going in
One way of mine.

Gajanan Mishra
By-Product Of Pure Love

By-product of pure love,
The son and daughters.
But is it true?

Gajanan Mishra
Cackle

Cut the cackle
And sit silently
For sometime.

Gajanan Mishra
Caged Parrot

Stand up to all
Pulls and pressures.

Caged parrot
One under many masters.

Gajanan Mishra
Calamity In

Calamity in human society - envy.
Envy is in me,
And I have to kill it
From its bud.

And I have to light the bulb,
That is also in me.
No bulging, but
Am to reach the top
In due course of time.

Nothing is mine,
I have to remember always,
Here, through microsurgery
Of life, I have to
Understand the situation.

Gajanan Mishra
Calamity -National

Calamity is really national
Declaration is optional

Catastrophe is a tale of survival
Supplying water and food is vital.

Water water everywhere water
But not a drop to drink, rightly
Said by our predecessor
Long before our arrival.

I am in your heart, O my dear
Said world's Master
But we are not able to understand
And show our mightiness
Moving from place to place
And inviting sorrow for us.

Here in our body
Kasinath, kedarnath, badrinath
Jagannath, Ramnath, Mathura, Vrundavan
And Mecca, Medina and and everything
The entire world is in us.

No catastrophe, if we follow this
No calamity will ever come to us.

Gajanan Mishra
Calculate The Numbers

And remember, your
Calculation is wrong.

Read the passage
And remember, your
Reading is not in form.

Numbers and words are
Not original and base
And remember, your
Forgetfulness is
The best instrument
To safe you from danger.

If you are interested
To go to the root again
Take all with you
That are nothing
Nothing is everything
But everything is not nothing.

Gajanan Mishra
Calculation

Calculation failed, as
It has not touched
The gain and the pain.
Calculation failed, as
It is not based on truth
And not placed before all again.
Calculation failed, as
It profaned the system
Keeping in dark all men.

Gajanan Mishra

Calender

Turning the pages
And locating
Where you are
I find purpose of life.
I find happiness
I find sunshine
I find flower
I find true nature
Thank God
You are only
My future.

Gajanan Mishra
Calender - Not Truth

Calender,
How many calenders like
Mexico, sun-moon,
English etc etc
Are there I know not.
But calender is not one
I am sure.
And I am sure
Truth is not many but one.
Calender is here
With days and nights,
But the truth is day and nights
Are not happening with
The rising of the sun and the moon.

I am not mad,
Rather, I feel proud.

See me, see my capability
To do anything.

I know who I am,
And yet, I wonder
While observing livelihood.

Gajanan Mishra
Call Me A Thief

Who is not a thief?

The man who enjoys
Himself is a thief.

If I keep
Selfish motive
With me
To gain honour
And praise,
Then I lost
My purity
And peace.

You must
Call me a thief;
I have no speech.

Gajanan Mishra
Call Me Back

Call me back,

Stay anymore here.

Myself, see me.

And I am afraid of
All living beings.

Gajanan Mishra
Call Me In A Different Name

Call me in a different name,
If you are not satisfied with
The names that are here with me.
Switch views that are here
And say whether you are satisfied
Or not, If satisfied then say
Clearly how you feel with all and
Then say what can be done further.
Your suggestions have great value
For me and for all as well and
We are all waiting for that.
Come on and start your journey
From here, from me to there
Where I am established with you.

How I am fulfilling it.

Gajanan Mishra
Call Me Later, Please.

Call me later, please.
See, now I am busy.
Busy in day to day work.
I have to finish my works
Within the time
Prescribed by you.
I have to count the birds,
I have to measure the sky.
I have to go to the lane
And tell the men the news
That are there with them.
I have to return the oil
To the wholesaler that are
Outdated and direct him
To do the needful.
Ask me not at this time,
I am with my mother
And my mother is ill.
Come on please, I am here
And telling you everything
In my mother-tongue
On this mother-land.
Am I not free here
To describe my pleasure
That are so clear?
To hear, call me later..

to purify me,
That I know.

And I am surrendering
all that are yours
only to see your smiling.

Gajanan Mishra

For relief to the stranded
And the displaced and for
The rebuilding of Kedarnath

Of all regions and all religions
All of us have a role to play
In this hour of tragedy and trials

Busy in flowering
The entire area
With sweet love.
But for whom?

And I have to know
What is there
In the minds

Calling To Dance

All colourful lights,
All live, all milk,
All thoughts, pure.
Life bebble are
On the shore.
Together we live
On love, together
We dream on the diagram
Of the ocean and the sky.
Music of time is
Calling us to dance
And sing and love.
We raise our hands to
Touch the moon and the sun.

Gajanan Mishra
Calm - The Sea

How can I
Cross the sea
With its calmness?
The smile
Of the moon is
Unbearable.
My thirst is
Here with me,
And I am
Losing my faith
Day by day.
The cruel night
Is still here
With me.

Gajanan Mishra

Camel, camel,
You have humps one and two.
Camel, camel,
Humps are used to protect fat, true.
Camel. camel,
Thick rows of eyelashes
protect your eyes from dust,
In time of need and
In desert
You are one to trust.

Gajanan Mishra
Camouflage

Nothing annul fish.
Trying to maintain image
Just for camouflage.

Gajanan Mishra
Can Anyone Say

Can anyone say
Life is a concrete whole?
Is it for one's own happiness
And comfort?
Where is the interest
Can anyone say
Correctly selflessly?
And where is suffering
Where is loneliness
After gaining knowledge?

What is knowledge
Minus truth?
What is truth
Without love, without You?

Gajanan Mishra
Can I Touch The Sky?

Can I touch the sky?
Can I pluck that star?
Can I eat the sun or the moon
As a fresh cake in the morning
Or in the evening before all?
Can I change the course of my future?
If all the answers are in the negative,
How do you dare to call me a cheat or a loopy?

Gajanan Mishra
Can Not Go Together

Man and woman here
Can not go together
They are East and west.

They are earth and sky
They are matter and spirit
They are the best if rightly put together.

Before putting together
Meet the requisite qualification
Mechanical process of profession.

First have with you self-realization
Make useful connection with liberation
give everywhere proper attention.

You will get the heaven at your doorstep
If east and west have there no gap
If man and woman is there in one earthly lap.

Gajanan Mishra
Can The Sea Touch The Sky

Can the sea touch the sky?
How far the sea can fly?

To think, to invite pain.
Without thinking
How could you get happiness!

Gajanan Mishra

An albatross around your neck
You may call love aficionados
Bravo

Gajanan Mishra
Can You Change The System

Can you change the system?
If yes, then come.

Are you the owner?
If no, here is the door.

Your sweet will is ready to kill
We are worry and so
We are trying to finish the story.

You are to hear
You are to bear
All the disaster here.

No loss having a fool
Watch as a fool
Do as a fool
Live as fool
To be a fool
Is really beautiful.

Let the system change
On its own way
Let the men pass
As a passer by.

Gajanan Mishra
Can You Dare

You can dare to
Compose poem
And you can compose
If you are free from
Illicit connection with woman
Animal slaughter
Intoxication and
Speculative gambling of all sorts
And if you are composing poems
Then be sure you are
On the path of progressive life
That is pure and perfect.

Gajanan Mishra
Can You Not Stay Here?

Can you not stay here?
Here, with me?

Stay here and see
And count the stars.
Stay here and measure,
Measure the heat of the body.
Stay here with me
And you can
Make the heat cool.
Stay here with me
And listen the throbbing
Of my heart.

I am here,
Only for you.

Gajanan Mishra
Can You Please Everyone?

Can you please everyone?
No answer from anyone.

Back to truth,
And achieve perfection.

No one is helpless,
Each one is full and complete
In all respect.

You are purified
Inside and outside.

Remember, you are
The entire world,
The whole universe.

But the goal is truth,
Goal is love.

Gajanan Mishra
Can You Say

Can you say
Where and which
Is the beginning
And where and which
Is the end? ?

I know
You yourself
Do not know
What you are and
Where you are.

I know
Appearance and
Disappearance and in
That processes the needs
Of perseverance.

Search and research
Yourself, O my dear
Find here your life’s bud
In all exhibition at once
Within this world.

Gajanan Mishra
Can You Say Who You Are

Can you say who you are
But you are silent with
No hand no foot no ear.
I know my words are capable
To turn you towards me
But you are not in a position
To move from the place
Where you are.
Where are you let me ask again,
But you smile with reddish lips
And utter nothing but telling
Everything and I believe it
All true like clinging air
And the drifting water.

Gajanan Mishra
Canine Teeth

Fire breathing
Believe it or not
I am living.

Fire breathing
Body turning fossils
With huge canine teeth.

Gajanan Mishra
Canvas - Painting

Canvas - painting,
Life, live.
River bank,
Sea shore,
And the sky.
Ask not the size, range
Or some other
Suplimentaries.
But see the images
And satisfy yourself.
All art, all portraits,
All new, all artistic.
No color used.
You - to follow all.

Gajanan Mishra
Capability

I am capable
To do what
I desire.
Challenge me
Not, if you
Challenge, you
Would be smash
By your own.
Let me honor you,
As because,
You dare to stay
Here so long
Without expectation.

Gajanan Mishra
Capacity Is Not Here With Us

Capacity is not here with us,
And we are searching the blue star
During the play of Kabadi.
And we are going to climb the Himalayas
Without knowing the trick how to win,
And we are staying in the safe custody
Though the tree is uprooted in the rain.

The riverside area is not ours
And still we are wandering there.
The good and bad effects all are there
With us when we look towards our own room,
There you can find the end of the sky
And there you cannot search anything more.
See, all around water and waters
It is near us the lamp is lighted.

Gajanan Mishra
Capital

Keep your anger
Under control, my dear,
It is your capital.

Gajanan Mishra
Capital Of Happiness

Nothing is lost,
grieve not.

Remember, life is
A profit making
Business,
If you have kept
The capital of
Happiness.

Gajanan Mishra
Capture Poem

Capture poem
They are there
In the water
In the air
In the light
In the earth
In the sky.

Capture poem
They are there
In the bark, bray, bleat, bell, bellow, buzz, babbles
In the coo, crow, cackles, croak, chant
They are there
In the grunt, gibber, gaggle, growl
In the melody, monotone, neigh, mew, purr, hiss
In the shriek, squeak, scream, screech,
In the laugh, low, yelp
In the roars, booming, clapping, groaning, drizzling
In the pealing clattering
Capture capture
Capture the poem
That are within you
That are beyond you.

Gajanan Mishra
Captured By Love

It is love
It is love
And I am
Captured by
Only love
It is affection
It is affection
I am captured
By only affection
I need no liberation.

I am here within
Just think
Just think and
Feel no separation
I am not going
I am not coming
No reason for
Agitation and
Nothing is called
Separation as
No reason is there
For separation.

Please come
And be ready to
Enjoy each and
Every moment
With me with smile
I am rising
Like the morning sun
I am singing like cuckoo
I am calling you like peacock
I am here I am here I am here.

I am here I am here
In your bondage of love
I am the slave of love
See me hear me feel me
In your works in your living.

Gajanan Mishra
Capturing Is Magic

Capturing is magic
And it is I
Who is here to show.
Allow me to
Reproduce you
In the manner
You like.
I begin to burn
While I start
To watch you.
Truth is
You are there
In my caught and
I am catching on.

Gajanan Mishra
Capturing The Thief

Capturing the thief
Is my motto
And who is the thief
That I know
I know, my dear
You are here
With me always
And taking away
All my valuable
Possessions that are
With me
My sobriety my shyness
My fear my discrimination
And and and my love.

Gajanan Mishra
Car Festival - Puri

And where is PURI
Puri is Pura-your body my dear
And you are in your car
To see all to show all
That you are here.

Three deities are in your body
Your body is your car
And here you find present
Past and future
And you alive and
You are on your journey
On the life-grand road
Known as Ratha Jatra - car festival.

Gajanan Mishra
Car Festival Symbolises

Car festival of Lord Jagannath, Lord Balabhadra and Subhadra symbolises LORD's desire to come out of the temple for a brief period to give darshan and to redeem to patitas. The chariot of Lord Jagannath and His brother Lord Balabhadra and His sister Devi Subhadra are dragged by thousands of devotees in their respective chariots from the main gate of Sri Mandira to Gundicha Mandira near about 3 kms away.
At Gundicha Mandira the Lord along with His entourage remains for 7 days. Chariots move on Grand Road Bada danda. The Gods perform their return journey on the 9th day and this is known as Bahuda Jatra.

Gajanan Mishra
Car Is Here

Car is here and I am in the car
Car is here and car is within me
Car is useless if I left the car
Car is here and I am going and coming.
Neither the car nor I
Who can be termed self-sufficient
Inter-linking system is there
And I trust the car being my best friend.

Gajanan Mishra
Car Is Taking Me

Car is taking me,
whose car? I feel
not necessary to know,
it is not mine, I am sure.
To truth, I want to go,
with the car but where the truth is,
that is not known to me,
and the car is taking me on its own.
Is the car under my control?
I am putting this question to myself
and the car is dithering
and the company is taking steps
for servicing and replacing the parts
damaged so far.

Gajanan Mishra
Car Without Wheels

Car without wheels
Body without soul
Wife without husband
Husband without love
Love without truth
Truth without reality
And the sky without the earth
Have no value.

Gajanan Mishra
Care Not

Care not consequences
in the process of
Upgradation.
Care not life
It is not
but illusion.

Gajanan Mishra
Careful Accounts

I am here
I am here taking
Careful accounts of
Everything, my dear.

Keep within you
Good feeling and
Good sense always
Everywhere, my dear.

Seek allies and helpers
And make yourself
Strong and united.

It is one the past
The present and the future
O my dear, and everything is here.

Gajanan Mishra
Careful Attention

Careful attention
Be given to
Each and everyone
Here, my dear,
Difficult though.
Besides the sky
And the earth
Nothing is here.
No one is here,
Besides the light
And the air,
Added factor
Is the water.
And with all
We are show
How we are going
To disappear.

Gajanan Mishra
Careful Thought

Careful thought is
Needed to start
Any project related
To life.
Lost not confidence
And stay till
Your honour remain
In tact.

Gajanan Mishra
Carefully Mark

Carefully mark,
Each and every incident,
Here at all times.
Earn complete knowledge
And go on working
With full energy.
The key of close door
Is with you, use it.
But be careful, use it
With full caution.
Love yourself first
And proceed with all
Truthfulness that are in you.
Declare yourself as the truth.

Gajanan Mishra
Careless

Careless all,
Faceless all,
Soulless all.
And all are
In the body
Not belong to
Anyone of them.

All lightning,
All thunder,
All ash.
And all are
In the mouth of death
All days and nights
With nothing left behind.

No color,
No horizon,
But it is all open
To call anyone
And to show all
The truth
In sands and
In flowers.

All to beat,
All to make them
Wash with holiness.
All signs,
All music,
All life,
They all try hard
To spin with time.

Gajanan Mishra
Carpenter

Withdrawing myself
From all sides
I have got deeply
Attached to you
O my Carpenter
Without you
I have no existence
I can not live for a moment
I can not bear
I can not tolerate
Separation for a moment
From you
Slipping out of memory
Even for a moment
O my Carpenter
You are my creator
You are my only near and dear
You are my father mother
Guide friend and philosopher.

Gajanan Mishra
Carry Out The Command

Carry out the command
And check how your aims
Are being fulfilled.
Come out from the house
And see how your works
Are being completed.
You are to stay still
Till the waves returned back.

Gajanan Mishra
Carrying Something

Carrying something
With the body
Is not possible.
I know it,
You know it.

And knowing everything
We both try to
Carry something
With us.

You want time,
I want sky.
But for both
The words are
The barriers.

You are in the cave
And in safe,
You said.
I am opened,
I am in fire
And in air
And in danger.

I said nothing
And I leave the place
For you.
But where are you,
I search, and I
Try to search you out,
But without any fruits.

Gajanan Mishra
Carryout The Orders

You are just to
Carry out the orders
of the Almighty
For the welfare of all
And then see
Good fortune is with you.

Gajanan Mishra
Carve Not

Carve not
Any line
And raise
Your hands,
As the time
Is firing
At you.

But let us
Enjoy this
Playful time
With every
Words that
Are here.

Don't go
Far, but
Come near.
We are
The survivors
At this hour.

Gajanan Mishra
Cashless Business

Cashless business,
Bookless knowledge,
Letterless book,
Languageless life,
All we enjoy,
In this digital world.
The world is crowded,
And we witness,
The life-long match.
High and low,
All we enjoy with
Cards or paytm.
Is progress stalled,
No, never at all.

Gajanan Mishra
Caste Color

Caste color
Creed country
Forget all
and do your duty.
Go not with
Praise honor
Name and fame
And feel not shame.
I must teach you
How to purify your
Thoughts sentiments
And also aims.
Remove doubts within you
And realize truth.

Gajanan Mishra
Caste-Stumbling Block

Caste, colour, religions,
Position, qualifications
All are stumbling block
In the progress of humanity.
All the above be used
In the service of human race,
And no one should try to
Get benefits using the above
For personal development.
All the above are men made,
In the eyes of nature all
Are equal and nature wants
Men to exist and enjoy life
In full cooperation and coordination.

Gajanan Mishra
Casting A Glance

Casting a glance
And it is love
Meaning of life lost.

Hold the earth
Steadily my dear
No break no fear.

It is love
It is in Truth
And I love You.

I love You
O my dear, take life
As the cost.

Love means not
Lust but lost.

Gajanan Mishra
Casting Aside These Things

I appeared absolutely
Without any vanity
Truly I discard all
I discard the importance
As I have no interest
In these things see
I wish to give up
As I do not want to
Stay helpless
I know my body is of no use
I know my body never
Comes to my help
It is my renunciation
Of desires that helps.

Gajanan Mishra
Casting Couch

Casting couch -
In life,
In literature,
In struggle.

Casting couch -
Is it archvillain?
Is it extremely diplomatic?
Is it very reasoned?

Casting couch -
Hey, do you know?
I know not
Whether it is an act
Of a terrorist!
I am not fearful,
Let me say-
Stay cool.

What I lack,
I know better.
What I value,
I know better.

See and know
My aggressive posture.

Gajanan Mishra
Cat And Bell

No bell no cat
cat with bell
Cat without bell
Bell without cat.

Let the cat come
With bell
Let the bell be there
Where it is
Test the bell
Test its proper working.

Cat is pleased
With the bell
And bell is crying
When it is in laboratory
and it forget its
History.

Gajanan Mishra
Cat Is Here

The cat is here
And the mouse played mischief.
I am not in a position
To find a solution in this
Steel chamber of mine
To stay unhurt.

Gajanan Mishra
Cat Is There

Cat is there
In this room.
Let me search it.
I cannot say
The color of the cat.
I can say
The room is
Lighted.
I am looking
For the cat
Since long.
The cat is
There with its
Mew, mew, mew.

Gajanan Mishra
Cat, Cat, Pussy Cat

Cat, cat, pussy cat,
Good luck is coming
With you, I know that.

If you are following me
I know money is coming,
You are the magical queen.

You are able to see
My life force that is
Invisible to me.

White or black, no matter
If you are here with me, my dear,
I think myself lucky forever.

For that, my dear, I want to,
Have with you, a chat.

Gajanan Mishra
Cat-Calls

Cat-calls
Be avoided
For all welfare.

A space be given
To minorities
In social fabric
For their own.

A new and positive
Way should be discovered
For peaceful coexistence
Here on this land.

Let all realize,
We are made for
Each other here.

Gajanan Mishra
Catch Him

Catch him, catch him
He is going,
He is your love, your joy.

Gajanan Mishra
Catch Me

Catch me
If you are there,
I am falling here.

I am falling and falling,
But you are here.
And you are catching me,
I know dear.

The source of my life
Is in you,
I know you are the truth.

I can't imagine
Who I am without you.
I can't move an inch
Here or there without you.

Gajanan Mishra
Catch Not Shadow

Lose not substance
Pushkin, show the vanity
That is in unity
In broad day light.

Gajanan Mishra
Catch not the dog's tail,
You can do nothing with it.

You should seek
The shelter of truth
And live fearlessly.

Danger is there
At every step, no doubt.

But you are not a fool,
I think, and you can cross
Every hurdle here easily.

No protection needed,
I know, you are also
An aquatic and you
Know also airways.

Gajanan Mishra
Catch that white mynah,
That is there since long
For you.

Catch that black clouds
Who are busy in preparations
For a war.

See the earth and spread
Your wings to measure the sky.

Climb up the mountain,
And see what is going on
Under it.

Someone is there for you,
Remember and stay silent.

Catch The Butterfly

Catch the butterfly,
Catch the butterfly.

Is the butterfly
within your grasp?

Pursue the butterfly,
Pursue the butterfly.

But have patience
And be quiet.

Butterfly may come to you,
It may alight upon you.

Gajanan Mishra
Catch the kingfisher,
And see its colours.
Hear its dry, loud,
Squealing sounds.
Observe, it is there
To migrate to the area
Where the water is not frozen.
It can hunt anywhere
In any place, in any water,
Salt or clean, no matter.
Find the kingfisher
In India and also in London,
But its lifespan is short,
It is known to all.

Gajanan Mishra
Catch The Light

Go and
Catch the light,
There, at the spot.
It is your turn,
Failing which
You will be
Nowhere, remember.
The light is coming
For you, use it
For others.
I know, you are
The impersonal feature.
Take pleasure in
Catching and in using.

Gajanan Mishra
Catch The Opportunity

Catch the opportunity
And proceed ahead.
Time is there with you,
Rise and awake and
Do the needful.

Gajanan Mishra
Catch The Serpent

Catch the serpent
By the tail
And play with it
Like a boy.

The serpent is
Undesirable and
Killed it
After playing.

The wicked are
Like the serpent,
Like the undesirable
Grass and plants.
Let them go
On the exit road.

Gajanan Mishra
Catch The Thief

Your dog is
Barking at the thief.
Beat not the dog,
But catch the thief.

Gajanan Mishra
Catch The Truth

Catch the truth,
It is there
Within you.

For truth
Leave all
There, where
They are.

They are there,
The flowers.
They are there,
The stars.

Catch them all,
They are for you,
They are for truth.

Gajanan Mishra
Catch The Word

Catch the word
That is flying
Make an issue
And be happy.

Nothing wrong
Catching word
Intention right
Clear open mind.

Gajanan Mishra
Catch With All Goodness

Catch with all goodness,
Good catch.
Catch all creatures,
In your poetry -
Poetry, I know,
A full-time endeavor,
Goes well with
Love and truth.

Gajanan Mishra
Catching Fiah

Catching fish
He said
Let us forget.
Eating sugar
He said
A liar.
Walking on road
He sad
Black, the sky.
Questions follow
Splattered with blood.
And the day ends,
With no reasons
Known to us.

Gajanan Mishra
Catching Fish

You must enter water
To catch fish.
You must try hard
To achieve something.
You must show valor
To get success and wealth.
If it is poison
It is always poison,
That can destroy you.
Have faith and
Know the truth.
Be truthful
And gain faith.
Here find life.

Gajanan Mishra
Catching Sky

The style of catching the sky
Really wonderful.
Keep the sky in your pocket
And be careful.
At any time the sky
in collaboration with
Air and fire
can put you in trouble.

Gajanan Mishra
Catching The Flying Bird

Catching the flying bird
Is not easy as you say.
Words have meaning
Only transforming the words
In to actions and
Actions are not easy
To follow.
You can easily say let us go
Going is not so easy
Without clearance and
Green signal you know.
What knowledge you have
Gathered is not confirmed
Unless and until you
Are here as a conscience
Keeper and time and again
You are to clarify
And justify your presence here.

Gajanan Mishra
Catching The Wind

Not separable,
Ths body and
The world.
So also I can't
Separate myself
From you.
And I am going to
Catch the wind in the net.

Gajanan Mishra
Caterpillar

Disturb not caterpillar
Let it go on its way
It is going to meditate
With austerity
To be a butterfly
To add beauty
To the sky.

Caterpillar And Butterfly

Can you say
The distance
Between a caterpillar
And a butterfly?

See me
I am the distance,
See me
If you can.

I am in both
The caterpillar
And the butterfly.

I am counting
The hours and minutes
Here in me.

Gajanan Mishra
Caterpillar In To Butterfly

Caterpillar in to butterfly
Go on there is the way
Go on there is the sky
By meditating by chanting
Go on go on go on.

Gajanan Mishra
Cats and devils
Are here.
How they are here
That I can't say.

But with eyes
And legs,
They are telling
Something in
Other languages.

I am not ready to accept,
What so ever might be
The consequences.
I am staying far away
From them.

Gajanan Mishra
Cats And Milk

Cats and milk,
As death and life.
And we are
enjoying in between.

Day by day, market
Is going to close,
Desire and sorrow,
Keep us in shadow.

We see shiny our hope
in the midst of all strife,
We also hear
the call of sheriff
to explain how we are
spending our life

Gajanan Mishra
Cat's Miaow

Let me utter,
And I would
Like to request
You to hear.

Let me know
The achievement
We acquired so far.
I let you know
Where I am now
And my position there.

Nectarean juice of
My words are to be taken
Into account and let me
Tell you, I am paramount.

Gajanan Mishra
Caught On Camera

Let me speak
A different tongue,
I want not to be burned.
Tolerate me and
Bear out my barbarous words.
If you are good and honest
Honour me for my bravery.
But be sure I am not a brat

Gajanan Mishra
Causal

Take it causal
Life is causal
Your whole existence is causal
Sunrise sunset causal
Governing bounding causal
Rolling wheel is causal
Pin of axle shaft also causal
Your life is causal
Your whole existence is causal.

Gajanan Mishra
Cause And Effect

You caused my birth
You intended to cause my birth
You had received provocation
You have a sound mind
You are capable of knowing
O my dear I am being an instrument
Incapable of doing anything
As I am not independent.

Gajanan Mishra
Cause No Injury

Cause no injury,
O my dear, causing
injury or suffering
to others is bad.

Be careful,
Be careful while living
Here at this moment
The Master is watching you,

Don't engross
yourself in violence
Don't be a man
selfish nature.

Feel that you are
the part and parcel of others.

Gajanan Mishra
Cause Not Anxiety

Cause not anxiety
For others.
Full moon is
With you,
Worry not.
See the beauty,
Feel the trembling,
Enjoy the gentle breeze.

Take care the surrounding,
Your absolute purity
And simplicity are
The asset
Take note
Good everywhere.

Gajanan Mishra
Cause Not Disruption

Cause not disruption,
Incite not violence,
But maintain social harmony
And peace for regular world order,
And the development of all.
All should be given a chance
To grow more powerful and strong.

Gajanan Mishra
Cause Not Grief

Cause not grief
To others.
Each one is
Worshipable and
Respectful.
Be aware of life,
You are fortunate
And glorified here.

In some way or other,
We are related
With each other and
The grief is combined.
Cause not grief
To others.

Gajanan Mishra
Cause Of All Causes - Love

You are my Love
I am your love
Everything that exists
Emanates from Love.

What is the origin of Love
I know not
What are the stars doing
In the sky I know not
I know only love and
I am sure it is the bond of love
That is the cause of all causes.

Gajanan Mishra
Cause Of Dissatisfaction

Cause of dissatisfaction
Is mysterious I know and
I know in Your presence
O my dear all mysteries
Would be washed out
It is possible only through
Broadcasting your glories
That is spotless and
Not worthless.

Gajanan Mishra
Are wife and husband a cause
Of great unhappiness?

But wife and husband
A man and a woman plan
Together to attain happiness
And decrease unhappiness.

The activities of wife and husband
Are full of desires
And wife and husband are
Cause of great unhappiness.

Be perfect
And render love service
For the self-realization
Of the entire society.

Gajanan Mishra
Cause Of Human Bondage Is

Ego that is the pride of
I me and mine
And it comes when you
Separate yourself from
The existence of God
As in I me mine there is
Strife greed competition
Violence and my dear
There arise in your heart
Envy jealousy lust anger
When you are awake
And in love you feel
Nothing is yours and
Everything is His
Then only you live in peace.

Gajanan Mishra
Cause Of Life

I know not anything,
But I know
It is all mystery.

Gajanan Mishra
Cause Of My Living

Cause of my living
Is best known to me.

I know all good fortunes
Are here with me.

Spiritual science assimilated
Good things are protected.

Religious understanding
Are experienced.

I know what is what
And that is benefited.

Gajanan Mishra
Cause Of My Sadness

I am hungry
I am sad
I am naked
I am sad
I am on the footpath
I am sad
Still I am happy
That I have nothing
And nothing to lose
And I am sad
I am not begging you
Anything I am not a beggar
The cause of my sadness
Is You my dear
In spite of all you have
You are not happy
And you never be.

Gajanan Mishra
Cause Of Pain - Desire

No hearing no pain
No seeing no pain
No feeling no pain
No need no pain.

Gajanan Mishra
Cause Of Painful Life

Is sinful action.

Understand the things as they are
And be free from sinful life.

Gajanan Mishra
Causeless

Causeless,
Who said this,
That I know not.
But I said
How can life be
Religionless.
My existence is
Not possible
Without the root
Or sustenance.
How can the birds fly
Without the sky.
Religion is the sky
To say goodbye.

Gajanan Mishra
Causeless Mercy

Let us penetrate
The crisis.

Life in practice
Be practical and
Come with process.

I am here with you
And watching
Nook and corner
What is happening

Here is science
Here is art
Life is a fine craft.

Gajanan Mishra
Causeless Mercy—For All Times

Causeless mercy
Causeless mercy is there
And it is
Always increasing
For all times.

I am in Your service
O my dear, always
And my service
Period is expanding
For all times.

Factually I am Yours
And You are mine
We both are playing
Here with time
For all times.

Gajanan Mishra
Causes Of Degradation

Degraded thrice
Causes of degradation are
Lust anger and greed.

Three
Three most powerful enemies are
Lust anger and greed.

Three
Three stages of life
Birth life and death.

Gajanan Mishra
Causes Of Sin

Causes of sin are
desire, selfishness and ego.
Causes of sin
are not doing one's own duties.

Describe yourself
Fully in your verse
Describe yourself
And not be cursed.

And attain equanimity
And get liberation
Go with problems
And with solutions.

Gajanan Mishra
Caw, Caw, Caw

Caw, caw, caw,
Hearing the words of
clever fox,
the crow opened
her mouth
and she lost
her food.

Gajanan Mishra
Cctv

I am before the camera that is Yours,
That I know from the very beginning.
Light or weightful I know not but I am
Before the mirror that is Yours.
Rivers or sea, trees and forest that are
There and as usual I am looking in my open eyes.
I am looking forward and looking for a new structure
With all green signs within.

Gajanan Mishra
Cease not,  
But go on doing,  
What you are doing  
Till perfection  
Is there.  
And go on doing  
As per your nature  
That suits you.  
While doing  
Please, be not a man  
Of deluded intellect.  
And my dear, excel  
By remaining unattached  
With the work, you are doing.

Gajanan Mishra
Celebrate The Best

Celebrate the best, my dear,
Celebrate the best.
You yourself is the best
Best product of Almighty.
Celebrate the Truth and love
Celebrate the best.
Best is your life
Celebrate the life and enjoy it.
I am there with you here
See me and hear my words with attention
Life is a celebration
It is a way of liberation.
Life is not a bond
Life is a scope of modification.

Gajanan Mishra
Celebrate With Love

Celebrate with love
The promises you make
Here exclusively I
As pure as sky
And unique my love
And I am here only
For you and you are
There only for me
Only for love
Without one
No value of another
We are made for each other.

Gajanan Mishra
Celebrated

You are celebrated, men,
For your all good qualities
And opulences.
You are elevated
In every respect in cleanliness
And patience and nonviolence.
You have learned how to
Live and let live,
With all human qualities.
Be not a demon men, and
Harm not others.
Be not a black spot
In the name of men.
Be a true man.

Gajanan Mishra
Celestial Thought

Pure white
And not rustic.

Is it eternity
Where there is
No shadow?

I know
You all
In the clutches of sun.

Gajanan Mishra
Celestial Treasures

Oh men, know that
You have supernatural powers
With celestial treasures.

Gajanan Mishra
Census

Since the procedure
of counting is faulty
I rely not on the report.

Since the words
Are not pure, the poem
Is not effective.

Since the sky is
Not there, the very
Existence of earth is doubtful.

Since the birds are
Not singing, how can
You say life is enjoyable.

Everything is here,
Root cause is I am in fear,
And I am not able to follow
Life's procedure.

The river, the mountains,
The forests and all creatures
Are there, but the defect is with me
And I failed to declare, I am honest.

Since I am not well,
All are not well,
And I am not able to
Correct myself yet.

Gajanan Mishra
Cent Percent Indian

No fifty fifty
But entirety
And you said
I have might
That I denied
In the night.

No fifty fifty
I am full alone
And full clone
That I said
In my tone
O man, agree
or not
I am cent percent
Indian Indian.

Gajanan Mishra
Central Beauty

Central beauty -
Women.
The center of
All beauties -
Women.
The source of
All creatures -
Women.
The symbol of
Love and truth
And tolerance -
Women.
Center of all strength -
Women.
All joys,
All victories,
Are with
Women.
The reasons of
Birth, death
And life -
Women.
The reasons of
War and peace
And living -
Women.
Home and abroad,
All are with
Women.
Smile and cry,
Close and open,
All options -
Women.
All opportunities,
All dangers,
And everything -
Women.
We are all here
The reasons behind it -
Women.
Up and down,
This side, that side,
Above and below -
Find, here, there -
Women.

Gajanan Mishra
Central Point Is Love

Central point of all my
Activities is love
And it is also the truth.
I am taking all advantages
And discharging my duties
On behalf of you.
I know, you are the only
Master here and I am to
Realize you in lieu of all.
You are at the center, my dear,
You are here always,
I know, it is I to leave
The place. It is I
To change the colors
For you - the fixed future.

Gajanan Mishra
Centre Of

Please, try not to
make me the centre
of attraction.
What you think
I am not
that type of person.

I am simply
a composer of words
that have a mixture
of love.
I am a lover
of language
that is yours and
that belong to my world.

Gajanan Mishra
Centre Of Global Round-Up

Make in India,
Centre of global round-up.
Sparking renewed
Sense of pride.
Best producer,
Best market creator,
Best manufacturer,
All the best for future.
Major wins are
In our side.
We invite all
For trade and development.
We are reaching our goal
With truth and love.

Gajanan Mishra
Love affection mercy  
Kindness all are certain.

You are certain  
I am certain.

The sky is certain  
The sun the moon  
The air the light  
the water the earth  
All are certain  
Our life with all those  
Surely be certain.

Worry not renu  
Our shape and size  
May change  
Time and place  
May change  
We remain unchange  
Within our room  
And we are certain.

Gajanan Mishra
Certainly

Certainly
You cannot say
Which one is better
Life or death!

Life and death,
Both are mere words
And they have no
Relation with reality.

Reality has
No place
In light.

But light has a
Place everywhere, and
Darkness concedes defeat.

Gajanan Mishra
Certainly Here

Certainly here
You can get better knowledge
Certainly here
You can see me
It is for your benefit
I am telling
You just hear.

Gajanan Mishra
Certainly Incomprehensible

Certainly incomprehensible,
Your appearances, your movements,
So too are ours, your followers.

Clear, though, this world,
Not we are.
We are not for anything,
True to the words.

Our status - something different,
But we have nothing to
Correlates That we possessed.

Existence is both insides
And also outside.
And we are ourselves - the ultimate
Source of all energies.

Gajanan Mishra
I have not power
To translate you,
My dear life.
Yes I can
Live you
But on my way.
My thoughts are
Not yours
I am sure.
But you can
Use me
In your words.
In that sense
Certainly I am yours.

Gajanan Mishra
Certainly, Yes

But only for general welfare and
Future generation.

Gajanan Mishra
Certificate Of Age

Age?
What is it
No one knows
And yet
Some so called
Authorities are
Coming forward to
Issue certificate
Of age.

The use - I know not,
When and how to count age-
All are in confusion.
We know,
And it is the truth also,
Sun is not there to rise,
Not there to set.
No one can say
And give guarantee
Whether he is alive
Or he is dead.

Age also
Does not mean
Time and a period of time.
Day and night are silent
On the issues of livings.
The week, the fortnight,
The month, the seasons-
All are waiting for approval
Till date, and the dates
Are also not correct,
And not universal and
Unanimously not
Accepted by all and
hence give no importance,
My dear, to age.
Cessation Of Thought

I like this state,
The state of cessation
Of thoughts.

Neither I am deluded
Not volatile, see me,
I am constant like you.

I do not want to
Attain you, I feel
No need of it.

And how can I
Attain I know not
Since you are within me.

Gajanan Mishra
Chacha Nehru

1.

Chacha Nehru,
They called him.

The children
And Nehru
Are two facets.

Nehru @ Jawaharlal Nehru,
The vision of all,
Child and old alike.

Let us invest our
Time and efforts
For the children,
For our own future.

The call- let us hear
From our Prime Minister.

2.

They are innocent,
They are talented,
They are intelligent,
We are to take care them,
The children.

Our love,
Our affection,
Our bright future,
The children,
We are to take care them.

Let us sing,
Let us dance,
We are for them,
For the children.
3.

Happy children's day,
My dear all.

Live like a child always.
Children are the dreams
Of our future.
Achieve them through
Love and affection.

Each one is
The gift of nature.
Natural truth is there
In each one there.

For our bright tomorrow,
Let us make the children
Happy and make them smile.

4.

The children are something,
Let us recognize them.
The children are the truth,
Let us love them.

The children are the spirits,
They are the joy,
They are really universal.

The children are
The roots of responsibility,
The children are
Wings of independence.

Let us love them.
To love the children means
To love ourselves.
Chhadidia, Mate Chhadidia (Odia)

Chhadidia, mate chhadidia
Jadi paruchha,
Mu kintu ethare tumaku

Gajanan Mishra
I love you
Means, I love the chain.
The chain is here,
And I feel happy.
But I want to go
Beyond the time,
Beyond the love,
beyond the truth.
And it is not possible
So long as love is
There in between us.
I love you, let me declare
Again and let me show
The stormy ocean within.

Gajanan Mishra
Chain Of Life

To say a woman chain of life
Is not good and is a misconception
Woman is a helping hand, good to say
In the path of salvation.

Good and bad are everywhere
You are losing your constancy
And loading the burden on woman
Injustice it is to better-half, think man.

Your thoughts are evil you are wicked
You are putting mask and not wise
Women are yours only just see
For you everything only a woman can sacrifice.

Gajanan Mishra
Chair

Sit on the chair, please.
And if you failed or
Unwilling to seat
Anyone can sit there
Either with your consent
Or forcibly without consent.

Any one who sits, controls
And holds the reign
And rule others.

Gajanan Mishra
Chaitra Purnima

Today
Chaitra purnima
Look sarhul
And it is summer
The time to
Worship mother nature.

Look summer here
The days of cold beverages
The days of squash buttermilk
Pakhalrice water handia and lassis
All available in the town.

What about village?
In this summer
Village is burning
No water no food
No work nothing.
The dusk the clash
All available in the village.

Chitra purnima
Today.
Today is the
Chitra purnima
Of Hindu calender
And it is summer.

Gajanan Mishra
Chaka Pain Achhi Rasta

Chaka pain achhi rasta,
Jibana achhi bidraha damana pain,
Mu jane, mu achhi eka bipada purna jagare.

- 

Let us run away

And don't ask where

This is this
Turmeric tease like
Don't bring here
And that frog
Already fled.

Let us run away
Wait, if we to run away
Why should we disturbed here.
We will speak while going
How tasty the kiss!

Gajanan Mishra
Chalutha (Odia)

Chalutha
Kuaade jauchha
Karana khatir.

Gajanan Mishra
Change Is

Change is the spice of life,
But my dear, call a spade a spade
And put it in its place.

Have faith in truth, my dear
And truth is constant and unchangeable
But see, change is the spice of life.

Gajanan Mishra
Change Is But Nature

I am eager for change
Change is but my nature
I want change every moment here.

I want change for secure future
Future of change is changed
I am aware to the change viewer.

I dream towards change
Change is the process
That I deserve.

I want change and I deserved
Change for a new idea
For a new hope for a new vision.

Change is but nature with new image
Let us empower ourselves with change.

Gajanan Mishra
Change is but necessary
Without change life is
Just a mockery.

Mind it, my dear,
Still water is
Not pure but bad water.

But remember, change life
Means not forgetting past life,
Change life means progressive life
Towards better future with love
With equal vision and with truth.

Life is still
Means lifeless, it is
Changed means it is with all beauties.

Gajanan Mishra
Change Not Easy

Change is not easy
To arrive at truth
Change is not necessary
Just cut the chain
And get victory.

Gajanan Mishra
Change Of Guard

No question
Guard changed.
No question
Forget envy.
Let us work
Together for
World peace.
Forget and
Forgive
Long live
Pope Francis.

Gajanan Mishra
Change Of Guards

Change of guards,
Change of landscape,
Change of life itself.
Pre-truth, post-truth,
I habit for you.

For you
I discard fake news.
No confusion, please,
But stay there where you are
For the very real-time.

Time is really far-reaching,
Fall short time.
And time is life itself,
With the fear of the self.

Gajanan Mishra
Change Of Life Style

The revolution teaches
Change of life style
In a revolution one must
Be a Victor not martyr
In a revolution one must
Take the people with him
In a revolution there must
Be a triumph of good
Over evil.

Gajanan Mishra
Change Of Name

Changing name  
Gives no effect.  
Let the name be there  
In its place.  
It is your performance  
That matters  
Not name.  
Go not with name,  
But with duty.  
Ego resides in name,  
And desire follow it  
And after that bondage,  
They together take  
What is originally yours.

Gajanan Mishra
Change The Ego

Change the ego
And go on progressing.
Change the ego
And live peacefully.
Change the ego
And see things truly.
Change the ego
And get everything freely.
Change the ego
And say every words openly.
Change the ego
And say you are yours.
It is only by changing your ego
You can make your life perfect and pure.

Gajanan Mishra
Change The Face

Change the face for all good
By cultural presentation of humanity
And by re-looking the society.

Gajanan Mishra
Change The System

Change the system
For economic growth
And to suit
Our ambition and
Stay there strong
And as a beacon
In the globe.

Gajanan Mishra
Change This

Let us change this
Here is I
Here is You
Here is Five.

If I wish
I may blow off alone
But waiting for
Your response.

Remember Without I
Nothing is here
Special and singular
Making way out you are there.

Let us move together
This is my splendor
And see
Everything is in order.

Gajanan Mishra
Change Within

Change within
And do everything
By yourself.

You are full,
And not part.
You are complete
And not half.

You are not to perish,
But to create
And to establish
The truth.

You are unchanged,
I know and it is I
Who is to change.

Gajanan Mishra
Change Your Hearts, Men

Change your hearts, men
See, all are doing
Tremendous service
On the surface of the globe
To establish the truth
And to maintain peace.
Love all and see
The changed of hearts of all.

Gajanan Mishra
Change Your Opinion

Change your opinion
Like the snake
Cast its skin
And live.

Gajanan Mishra
Change Your Thinking

If you are to do anything
Then first change your thinking
Thought process is most important
If you want peace and heaven.

You can change everything
If you think you can
You can do anything
If you think you can.

Changing is the law of nature
You are getting changed every moment
Make it a habit of change
Ignorance to knowledge.

Gajanan Mishra
Change Yourself

The sky the earth are there
Do not try to change them
If you are so keen to
Change something, change yourself.

The sun the moon
The river the tree
Let them go free
They adorn you shree*.

Shree - All positives of life, wealth, prospects etc.

Gajanan Mishra
Changeable/Unchangeable

I am changeable
And also unchangeable.
I am in dark
And also in light.
I am here
And also there.
I am the origin
And also the end.

Where there is love,
Where there is truth,
I am there.
I am there with you,
I am in you
I am for you.

Gajanan Mishra
Changed Democracy

Changed democracy
Is before us
In our
Changed wants
And wishes.
Is it not another
Name of fear
Or intolerance?
Is it not another
Form of terrorism
And colonialism?
Democracy is for
No one and it is
In fact no where.

Gajanan Mishra
Changed Something

For you
Changed something.

For you
Everywhere
It is black.

Yes,
I stayed open.

And for you, dear.

And for you
I have taken
Everything
Not with me.

Dear, here I am
Only for you.

Gajanan Mishra
Changeless

If you want to see,
See, you are changeless.
These black whites are
Not your identity.
It is all only to show
The public that you are
Here with all.
The sun is constant there
But it is seen rising and
Setting though not true.
There is nothing like
New and old, all what
You say is delusion. put
Qestion to yourself for clarification

Gajanan Mishra
Changeless-Cosmology

Changeless the eyes,
The ears,
What we see and hear.
Our own nature,
And we ourselves-
Changeless
From year to year.
The words are there
So also the sights.
They are not ours,
That is right.
Higher and lower
No difference but
We see cosmic intelligence.

Gajanan Mishra
Changes - The Procession

Changes - the procession
Of year after year.
And the year vibrated
From time to time.
And time reflected
In life.
And life is here
In all contradictions.

Gajanan Mishra
Changes Are Constant

Changes are constant
You are to ponder
Within that.

Demons are within
And also outside
You are to live.

Life is changing
At every moment
You are welcome for right.

Right and left are
Only mental status
See here all bogus.

Please write
On this new orbits.

Gajanan Mishra
Changing Colors

Let me see the changing
Colors of the sky,
Let me see the fixed sun
That is in the sky,
And I know I am the sky
And You are my sun
Let me see myself within You.
The sun is never separate
From the sky but I know
There is no union and also
No disunion and also there is
No disconnection at all
From the union with You.

Gajanan Mishra
Changing Procedures

Changing procedures
I attended the meetings
And here in the meeting
I delivered a speech.

Who are there in the meeting
Ask me not any question
The dogs the vultures
The crows the jackals
Will not spare me.

You Yourself presided
The meeting O my dear
You Yourself do whatever
You think fit.

Gajanan Mishra
Changing Scenario

Jealousy and shyness
Love and loved again
Time-frame demolished.

Gajanan Mishra
Changing Tracks

Always I am
Interested to
Change the track
And I want to
Gain new experiences.
Always I am
There on block road
To open the rigid
Mindsets of others.
I want to hear
My life's call
In the hearts of
Others and
Very careful
About the process
Of my own growth.
My mission is
To go with
My vision.
I know, this world
Has kept a vast
Expanse of opportunities
For me here.

Gajanan Mishra
Changing World

The world changes,
I change not.
My name floats
With all colors
In the deep blue sky.

Sky to sky crossing
Is not easy
As you think.
And I crossed over
All skies.

Gajanan Mishra
Chaning Of Form

It is not really destruction
Say not in this term
It is just changing of form.

We are to furnish the account
In joy, in scorching fire
In never return though there.

Abiding the rules is a gift unfailing
Thinking this earth a heaven
Let us endure all and save ourselves.

Gajanan Mishra
Chapter Turned Down

Nothing new
Chapter turned down.
Neutralize yourself
My dear with the time
And counter-time.

Potency you possessed
Is unlimited I know.
When the wind blows
Life or right turn
You to realize new creation.

Time fate actions and
All the elements are in you.
Nothing new if anything
Reflected in routine course
On their own.

Nothing new
But what remains is Absolute Truth.
That is You, my dear
That I desire in the interest
Of all here and there.

Charity

Charity is good
Without expectation of return
To a worthy person
At the proper time and place.

Charity is bad
With the expectation of some return
To an unworthy person
At an improper time and at an impure place.

Gajanan Mishra
Charity And Gift

Charity and gift
Gift is not charity
Charity may be gift.

It is to see
Who is needy
And its time
And place.

Return
No return

Watering trees
Drying clothes
Are necessary.

Charity And Good Deeds

Make charity
Make good deeds
For the common people
My poems are for the common people
Common people have emotions
I am a poet and
I look after the emotions
Emotions follow actions
This world is full of action
Action with devotion
Gives a man perfection
And a perfect man is
His best creation.

Charity, Self-Control And Mercy

I don't want to know
Who you are.
Whether you are
God or man or demon
I don't care.
But I take care
Charity, self-control
And mercy.
There I find humanity,
That inspire me
To be a human being,
That inspire me
To do good to others
By performing my own duty.

Gajanan Mishra
Let me congratulate you
On your very birthday.
Let me thanks to
Los Angeles also
Where you appeared.
Let me thanks to time
Who called you
Laureate of American life.
You are really larger than
The life- aplomb of a pulp-fiction hero,
I do hereby agree with Adam Kirsch.
You are well aware of your surroundings-
The social, cultural and economic.
In your thought, I discover human ethos.

You love all
That I know Charlie Hebdo,
And all are with you now.
You are the symbol of life
And living and love and peace
And polity and society.

Charming Autumn

Autumn
Charming, most charming autumn
Is here, at this time.
The limpid water of rivers and lakes
Looks charming like a saint's heart
Devoid of pride and infatuation.
Devoid of mud and dust the earth assumed
Lovely aspect.
The cloudless sky is shining as bright as Truth
Abandoning all desires.
Time for practicing penance has arrived
And ascetics are happy.
In deep water the fish are as happy as ever.
With full-blown lotuses the lake appears charming.
The bees are making humming sound with unique melody of its own.
The moon by night relieves the heat of the sun.
Mosquitoes and gadflies and other insects have perished
With the advent of autumn.

If I say I love you
It is nothing but I simply
Start my cheating process.
Actually there is nothing
Called love in this material world.
On this material platform
No one actually helps another
There is nothing called love.
Pleasure and happiness are
Vague words that have no meanings.
Love happiness pleasures
All are temporary creations
O my dear, don't go with them
These are words of cheaters.

Here they are doing all odds
beyond our knowledge and are
the causes of all danger.

It is here
They are playing crude chess

Mind it.

Chief glory of a man

Chief Of All

You are
The chief of all.
You are liberated
And You know
The world better.
You are the monarch
You are the sun and

This world is transient.
You are the only
Well wisher of all, I know.

Chief Servant

Keep your chief servant *

Gajanan Mishra
Child

No child is ordinary
Every child has wonderful eyes
With ample powers within.
Taking care of the child means
Taking care of an age
Each child is extraordinary always.

The child is there who can
Give you protection in future, my dear
Rightly said child is man's father.

Save the child means save the future
Child is the incarnation of God
Child is always in truth and aloof
From this illusion of material world
Inside and outside child is beyond limitation.

Gajanan Mishra
Child - Future Citizen

The child is the future citizen,
Let us talk to him and give advice
as a friend, as a philosopher.
Let not any child go astray,
Streamlined them with regular touch.
Let the child feel he has a major
role to play in building his own state.
Think not the child small
If you are in trouble, give him a call
and see it is resolved.

Gajanan Mishra
Child - Symbol Of

Child,
Rightly said
The father
of a man.
Child,
Rightly said
The storehouse
of heaven.

Let the child
Smile, and
in his smile,
See the blooming
of the flowers,
The shines of the sun.

Let the child
not cry, and
If a child cry,
Everything, see,
melee and dry,
And you cannot
find a bird
to sing a song.

Taking care of a child
means taking care of the self
And Almighty God is there
to bless you, my dear,
Fear not if a child
is with you, symbol of
all happiness and peace
And nectar.

The version of Aman
Eight years old
Rescued from a zari embroidery
Unit.

My native place is Nepal
Not uncle brought me here
To provide me a better life
I was sent to a school
Where I learnt the art of
Zari embroidery.

Now I am working in the capital
City of India, New Delhi
From 8 AM to Mid night
I am given food twice a day
I am not allowed to go outside
Of this building.

Child Labour  2

Engaged a child labour to choppedoff the new dream.
Trapped the child labour in a cycle of poverty to fulfill your aim through them.

Gajanan Mishra

Child Of Joy

Oh, yes,
You are
The child
Of joy.

You know
How to
Stay happy
In the middle
Of May.

Cheerfully
You leave
And say
Every one
Goodbye.

Gajanan Mishra
Child Of The Supreme

O men, you are
the child of the supreme,
You are the reservoir of energy,
You symbolize supreme intelligence.
I know you are
much more than what I see
as you are before me.
It is true you are
enjoying all the boons.
No obstacle can check you
Just get up, O men, and
see yourself in the mirror,
in the early morning
and also in the evening.

Gajanan Mishra
Childhood

It is I
Who is responsible
For the lost.
I have lost
My childhood
Somewhere.

Matter of sorrow is
I am not able to live
Like a child anywhere.
But a child is always
In my poems telling me
What is that and that
Is what I wanted.
i am sure nothing is away from me.

Gajanan Mishra
Childhood- I Failed

Childhood- I failed
To understand you.

And for this
I say- old age,
Where you are,
You are really fair.

Beautiful life is
Here only.
But I failed to
Observe here.

Here on this earth,
You can find everything,
Dear, but you have to
Sacrifice for others.

Gajanan Mishra
Child-Line

Join hands with child-line
Child is the gift of Almighty
Child deserves love attention and care
Child has a right to survival
Right to protection
Right to participation
Right to development.

Our laws acts are pro-child
But we the so called learned class
Are doing everything against the child
We should put stop to child labor.

Gajanan Mishra
Children

O Children,
I know, you act
As our
Unwitting actions.

I glance through
Your innocent eyes
Blazing stars
In the vast sky.

Be blessed
My dear children
And grow freely
On this earth.
This earth is yours,
This earth is for you.

Gajanan Mishra
Children Are

Children are peaceful
Non-envious friendly to all.

Youth are fixed in religiosity
Sincerely experimental and interested in Truth.

Adults are in the mood of honoring others
They have a desire to know the Truth and God.

Old age is truly disastrous condition
Symbol of helplessness, weakness and foolishness.

Gajanan Mishra
Children Are The Special Grace

Children are the special grace
Of the Almighty.
Children are the symbol of
The love and the truth.
Children are here with us
To make us realize
Unadulterated bliss.
Children are the via-media of
The life and the nectar.
To live like a child
Should be our motto.

Gajanan Mishra
Child's Activities

Child's activities
Are to please the parents
Rather than to itself.
Parents are for the good
Of their offspring.
The speaker is meant
For the audience and
The audience is meant
For the speaker.
Pleasure is not for ourselves,
It is always to provide
Pleasures to others.
But always the intention
Should be for good, for welfare.

Gajanan Mishra
Child's Food

Your child is
In need of some food
Your child is
In need of a cloth
Your child is
In need of education
Your child is
In need of love
And affection
And I do not think
Your child is getting
His birth right
From anybody anywhere
In the world
And alas we are
Busy in beating drums
Ourselves saying
We are developing
And we are developed.

Gajanan Mishra
Child's Play

What is child's play
That is master stroke.
What I said that has
Already been said before.

To revoked.

Chinmay Is No More

Have I said
Anything to Chinmay
That he left the place
Without a say.

In deep dark night
O Chinmay, I see you
Full bright
and
With full might.

That I was with you
That I am with you
That I will be
With you -
Fact of everyday.

It is not all, my dear,
Chinmay is here
That I know
And I know from this distant
What is the message
That is there in his gestures.

Look, Chinmay is silent
But how Chinmay would be
That I do not know
Look, Chinmay is no more
You can not say how.

I can not say
With this message
At this forum
The whereabout of Chinmay
If you have any
Information about Chinmay
Send me, my best guy.
Chintu, A Boy Of About Ten

Chintu, a boy of about ten
Coming to me daily with a
Regular newspaper.
Is Chintu a paper hawker?
No, certainly not.
As because there is Child Labor Act
And our United nations observing
World day against child labour
I dare not say Chintu is a child labour
If I say so I have to face
So many problems here there
From the public from the police
From the advocates from the judges
Let Chintu distribute newspaper
Daily from door to door
And let him be happy with only
Ten rupees per week.

You are pleased
Seeing me here.

I am not to vanish
It is only for You.

Gajanan Mishra
Choose A Language

Pick and
Choose a language
And go with it
On the path of poetry
To discover
Your own self
That is within.

Clearly mention
Your name and
Identification mark
No matter how
Pensive prose it is,
You would be
Located easily.

Yes, I am very pleased
On you, my dear poet
And yet let me
Suggest you to deliver
A message how to
Stage again the same
Drama on this magic field.

Let us forget
Our language and
Let us remember
Always the language
Of love that can
Open the gate of
Truth here.

Choosing A Title

Choosing a title
Choosing a title is
Very easy and also very difficult.
You may say man
You may say bird
You may say animal
You may say insect
No problems with anybody.

But it is a creature
You must agree
And it has no title
Title is given artificially
You can and also can not
Say anything by whim.

Behind your saying
There must be some reason
Behind your reasons
There must be some truth
And behind that truth
There must be the signature
Of the Almighty.

Gajanan Mishra
Choosing Self

I declared myself good
Nobody is there
To interfere then
And I won over
All ill-natured men
I checked myself
From evil
All negative emotions
I have sealed
O my dear I kept you
In my heart
First preference
I have given to love-chart.

Gajanan Mishra
Chop To Pieces

Chop to pieces,
Chop to pieces-
Their eyes are very sinful,
They are there with fierce teeth
Like fearful tigers, wolves, and boars.
They are more poisonous than
The snakes and scorpions.
To protect the earth, air, fire,
Light and water chop them to pieces,
Chop them pieces.
They are the hindrances to
All auspicious life.

Gajanan Mishra
Chronic

Life itself is a chronic
Disease and we are saying
Always we are living though
We know not the meaning and
It's cause and its effects.

Chuchha Mela (Kosli)

Empty vessels (English)

To whom I say what
I know not
And I am going on telling.

Much gum
Where from it come
Nobody is asking
And going away
That I do not know.

Not only I
Even my gods are
Not able to say
Where is the beginning
Where the end
O men, just wait
You will know
After sun-set.

What has happened
What to say
And to whom
Empty vessels
Sound much.

Gajanan Mishra
Churches Mosques And Temples

Churches Mosques and Temples are
Not for economic gains
Churches Mosques and Temples are
Not for any competitions
Churches Mosques and Temples are
On the path back to Godhead
And here life is eternal and blissful.

Gajanan Mishra
Churning Water

Churning water
Produced no butter
If you so like
You may churn water.
Dirt cannot be removed
By cleansing with dirt
If you so like
You may stay with dirt.

Gajanan Mishra
Circle Marks

Circle marks
Up and down -
Life.

Best wishes,
Go,
Visible.

Roots and
Fruits.

Gajanan Mishra
Circle Of Fire

We are in the circle of fire,
At the beginning fire,
At the end fire,
Fire, fire, within body
Also, there is fire, desire.
Still, ice is there within us,
Still, we are cool, and cool,
And we live in coolness.

In outer space and also,
In inner space, we live,
And the whole cosmic situation
Is in order, within us.
We are the warrior class of fire,
In the hearing, in touching we see war.

Gajanan Mishra
I am alone here
in the circle of illumination.

With me no sun
no moon no star
and I am silent
and gazing with love.

Read me
if you can
I am in a
pious stream
floatation.

Gajanan Mishra
Circle Within Circle

Circle within circle
And it is in me.
No backward, no forward
I am, see, where I am.
Directionless and motionless.

I know nothing though
I have kept my conscience
Under my control,
And I see my radical change.

From black to grey
From grey to white
And I am doing differently
From time to time and still
I failed to know the nub of the problem.

Gajanan Mishra
Circumstances

Circumstances have no power
To check me to go to You-Supreme love,
If I start my real learning
And start my journey with firm resolve.
See me, I am happy always
As I know you are here with me.
And after this my old age and the fear
Of death are not able to make me sad.

Gajanan Mishra
Circumstances And I

I am here
in this circumstances
and I know
I cannot change it.

Circumstances rule me
And I know I am under it.
But I can throw a stone and you may
discover waves in air and in water.

Gajanan Mishra
Circumstances Changed

Circumstances changed
And the seed turned
In to a tree.

Gajanan Mishra
City Of Nine Gates

City of nine gates
This body
And living in this city
I do not regard
The activities as mine
It is the truth
I know it
And I have to do nothing.

Gajanan Mishra
Claiming Age

Claiming age
And claiming age relaxation
Is going against nature
And is impracticable.

Practice is not good always
And always we are dying
That we have forgotten
Forgetting is our nature.

We are praying for a time
For seven days at least
Beyond seven we assured
We are not going anywhere.

Falsehood has no place
In life and in Truth, see.

Gajanan Mishra
Clap And Get

Everything is you,
My dear, everything
Is for you, for you
And only for you.
Just clap and get all.

It is you, who is here,
It is you, who is there,
It is for you, all are
Here and also there,
Clap your hands and get all.

You are my love,
You are my truth,
No other one is here
Besides you with me.

I am laughing, I am crying
For you, for you, for you.
You are here, you are there,
You are the star and I am
Not in despair but looking
Fair and fair with shining hair.

Only for you, only for you
I am here, I am here,
I know you are for me here.
What you tell is not important,
But you love, that's enough
For me to proceed ahead.

Gajanan Mishra
Clap Not

Clap not, clap not,
Clap not your hands,
I am not interested
In clapping,
I have crossed though
All impossibilities,
I am distinguished though
From all here.

Gajanan Mishra
Clash And Frustration

Always there is
Clash and frustration
Here, in us.
Still, we live
With pleasure.
We are
The living entity.
We are our authority.
We know the art
And the culture
Of our society.
We search peace
Within us.
We are ours.

Gajanan Mishra
Classification Itself

Classification itself
Is not good
It has a divisive force
Classification is the root
Of all faults
And through this sense of
Mine Yours His arises
And there is grief worry fear
Perturbation commotion
And strain come to play
Their role and ruin the life
Of an innocent man.

Gajanan Mishra
Clay, From Which

Clay from which,
All are made,
I salute the clay,
And the clay is
Everything for me.

Everything is clay,
But feet of clay
Must not be given
Any chance to
Proceed ahead.

I know, the nature of
The clay is to fly
In the sky and
We are all like clay.

Gajanan Mishra
Clay, Stone And Gold

Clay, stone and
Gold are all alike.
Stay free from agony,
Envy and affection.
Consider praise
And criticism equal.
Nothing is good
And nothing is bad for you.

Gajanan Mishra
Clean And Cleanliness

Stay always clean
Keep it in mind that
'Cleanliness is
next to Godliness'.

Say no to spitting
Say no to littering,
Say yes to green
No problem, go with dreams.

Gajanan Mishra
Clean Body

Clean body,
Body cleaned.
As clean as
This world,
This air,
That sun.

The sun,
In the sky.
And the sky
Not always clean.
The earth,
Under the sky.
And the earth
Cleaned.

The sky moves,
Round and round.
The sky is
There in life,
And the life
Filled with
The earth.

The earth is
Not dark.
And not
Contrary to
The truth.

The truth,
This body,
And the sun
Take shelter
Here.
Here,
I love you,
My dear.
Clean Both

Clean both, men,
Inside and outside.

Be merciful
To the sufferings.

Be truthful
In daily behavior.

Know the value of life
And stay in peace.

Gajanan Mishra
Clean Break

Let me draw a line,
But the correct way I know not,
And yet I am proceeding forward.

Gajanan Mishra
Clean Hands, Pure Mind

Clean hands, pure mind
I need you.

Not under control
No selfless service.

Purpose not served
Game-fixing over.

My dear, deviate not
From right path.

You will reach
That you want.

Keep clean and
Take quick action.

I am the only happy man
Rest are my followers.

Gajanan Mishra
Clean Heart

Have I not a clean heart, my dear?
Am I lacking a new and right spirit?
How can I know the earth in full
Tell me, my dear, being only a part?

Let me have a connection with you always,
O my dear, I know, for this only I am here.
Let me go on sleep, if you so like, I want not to rise,
if you said your presence is only in dream.

Gajanan Mishra
Clean Intention

Clean intention,
Sustained dialogue,
Understanding of
Legitimate aspirations,
All necessary for
Peaceful living
Here and there always.

Gajanan Mishra
Clean mind is necessary
To perform any work cleanly.
Clean consciousness means
Truth consciousness.
Change not any activities
Only you are to stay in Truth.
And what is the prescribed duties
You are to know.
Willingness is also necessary and
If you are not willing it is imperfect.
Discharge duties
To arrive at Truth.
Truth is clean always
Let me say again by the way.

Gajanan Mishra
Clean My Coach

Clean my coach,
My body, my nation.
I want a clean nation.
A clean body, a clean
Coach or compartment.
To stay in cleanliness
Is my right.
I want not intolerance,
I want not violence,
I want national unity.
I want a friendly atmosphere
For my own growth.

Gajanan Mishra
Clean Slade

Before going to write something
I am always in a clean slate
But look I am in tranquility
With my own honor own dishonor.

Before going to say something
I am always and always remained silent
It is You O my dear showing me the pictures
Where only my photos are there
And I started opening my mouth and
Words are ready themselves to deliver.

Before going to do something
O my dear it is you who is coming to me
And always used to say worry not
I am here I am here I am here.

Gajanan Mishra
Clean The House And Enter

Clean the house and enter
Enter and clean the house
Take people's confidence
And attend ills
Attend ills and take
People's confidence
Win the faith and proceed
A head
Proceed a head and
Win faith.

Gajanan Mishra
Clean The World

Let us clean
our world,
We are living here,
More than heaven for us.
The world is giving us free,
Water, air, light.
Let us realized.
Where ever you are, my dear,
Keep clean yourself,
your homes, neighborhood
and your localities,
being the greatest and
highest creature here.
Clean your own world.

Gajanan Mishra
Clean Yourself

Clean yourself,
and see everything
is cleaned.

Always do something
good to others-
the purpose of life.

Pick up the best
and see you are
the ambassador of peace.

Everything is everywhere
It is you to think
what is necessary for you.

Gajanan Mishra
Cleanliness

Clean yourself, my dear
In both ways
Internal and external.
See yourself
The way you want to
See others
And have some consideration
For the feelings of others.

Gajanan Mishra
Cleanliness - Throughout The Day

It is all about -
Cleanliness.
One can stay,
One can quit,
No problems.
But want
Cleanliness-
Throughout the day.
We want cleanliness
For all good.
We want cleanliness
Only for you.
Love cleanliness
For truth.

Gajanan Mishra
Clear Concept

First make
Your concept clear
And then try to
Come to me
Who am I
What is my position
Understand all
Clearly.

Gajanan Mishra
Clear Cut

Clear cut everything
Abolished right.

We all assemble
In one and the
Same place
Where the great
Grand war fought.

No body lost
Nothing lost
Nobody win
Nothing to win.

No right
No obligation
We are on the
Same direction.
And there is
only destruction
And there is
Only creation.

Here everything
Clear cut
And everything
Clear cut.

Gajanan Mishra
Clear Day Break

Cosmic body of the poem
Yet to seen
Poem include everything.

Crying ditto
Not my motto.

I want to be
Hand and glove
And to march a head
With cosmic poem.

Now I'm in clear day break
Hearing everything
My zeal is here again
In varied form
I know nothing
Is here to vanish away.

And you wish to
See cosmic body again
Danke schon.

Gajanan Mishra
Clear From

Clear from my side
No black no white
No tide no wide
Yet I am with you
Right!

Gajanan Mishra
Clear Intelligence

What is that
Clear intelligence?
Let me explain-
I am the real,
The world is false.
But truth is this world,
I am not attached to this world.
But without me,
The imagination of the world
Is not possible.
Everything is meant
To be enjoyed by me-
True but not practicable.
Favorable or unfavorable,
No matter, but I am
The enjoyer, though,
Not the proprietor,
As you say, my dear.

Gajanan Mishra
Clear Knowledge

Clear knowledge
About the self
And love and truth
Is necessary to
Lead life
In a proper way.
With the features of
Goodness and passion
You are to go ahead
To measure life.
Your intelligence is
The best method to
Guide you in initiation
And creation at all times.

Gajanan Mishra
Clear message,
Let me turn the page.
What is there
I must take care,
Message the star.

Birds wings are there
Let me fly with that.
In my flying,
Let me smile.
In my smile,
Let there be life.

Allow me to take
Birth and rebirth
Like the new year here.

Gajanan Mishra
Clear Picture

No confusion
Be patient.
Wait and see
Clear picture
Here and
It is only
Yours and yours.

Gajanan Mishra
Clear picture
See here
Where I am the food
I am the grains
I am the earth
I am the fragrance
I am the water
I am the taste
I am the fire
I am the form
I am the touch
I am the ether
Hear I am the sensation
Of sound and I merge
In to my own origin
By controlling my mind
And by merging with all
In present form
I am born also
I am unborn
See me
I am in my absolute position
In my own creation.

Gajanan Mishra
Clear the air,
And proceed forward
For all welfare.

Gajanan Mishra
Clear Vision

O poet have a clear vision
Sooner or later you are dying
O poet have a participation
In this vibrant poetry community
Sooner or later you are dying
O poet you do not know minus
And you know only plus plus
Sooner or later you are dying
Here is your eyes here is sun
Here is bird here is song
O poet you are here with butterflies
You are here with the whirlwind
Sooner or later you are dying
O poet you are above you are below
You are behind you are a head
O poet this world is your garden
And you are blossoming here in passion
And you are making a story
O poet you have a clear vision
And you are here at this moment.

Gajanan Mishra
Clearance Day

You can not give
A clearance on
Real life of
Living entity.

The day is not
With us to make
It clear the sky
And go by.

Gajanan Mishra
Clever Bird, I Want You

Clever bird, I want you.
You are the only one
Who can show me the right path.
You are the path, I know.

I know, clever bird,
Where you are.
I know, you are
Inside me and
I want you.
You are the only truth,
I know.

At every moment
You beat me
With your wings,
I know and
Also, I feel, clever bird.

You are throwing me out,
Clever bird.
Still, I love you,
As I love the ocean
In spite of its
Roaring sound.

Clever bird, come and smile,
Smile and take me away
From me.

I am ready, clever bird,
To go with you,
I know you are the truth
And so also, I am.

Gajanan Mishra
Climate And We

Take not life
Fancy, but give
Importance to
Climate potency.
We are to live,
And not to destroy.
We are to love
And not to hate.
We are to think
Future generation
And not to for
Their destruction.
We are to connect
Each one, the need.

Gajanan Mishra
Climate Change - Love

Peace and harmony -
Necessary for life.
And it depends on
Good behavior to
Each other.
And let us change
The climate through
Love and love only.
Just ask and
Get everything at hand.

Gajanan Mishra
Climate Of Fear

A climate of fear
Is here
And it is rising,
No specific reason
Behind it though.
Growing intolerance
Is the reason
Some said.
But they are
Not sure about
Any other details
And some other said
They are extremely
Concerned.

Gajanan Mishra
Climb

Climb this mountain
Look this dragonfly
Enjoy life a play
That tells the butterfly.

While climbing
Keep the torch of knowledge
Keep the fragrance of character
And be ready to play.

Keep the friendship intact with all
A true friend is needed and it is your call
Have patience and hold trumps
Allowing no rebate for caution remember.

Reverse or ir-reverse name the deity
The sky the earth the light the water
All are here with you on duty
Sincerity and honesty make you better.

Climb this mountain and cross this area of danger
You are a human being and the best for ever.

Gajanan Mishra
Climb Not That Tree

Climb not that tree,
And eat not bitter
And sad fruits.

Gajanan Mishra
Climb The Mountain

Climb the mountain
Is really as difficult
As managing a family.
Let us think
The world a family
And it would be easy
To climb.
Let us leave the way
On its line
And it would be
Easy to reach
There where we want.
Give freedom to a woman
And see she is yours for ever.

Gajanan Mishra
Climbing Ladder

Is my work who told you
I am not angry as you see
Below below the ladder
There is also no dark
As you see in my thought
O climber, I am here
Waiting you for watering
The plants in my circa
I am not split I am not open
And you just come and
Uttered nothing
I am in a wedding
And dancing with you
In the shadow that is yours.

Gajanan Mishra
Climbing On Star

Climbing on the stars
I crossed the sky
Sky is in my stairs
And on my roofs
Phoop, I do not
Want to smoke.

Calling the sea
Crossing the sky
Counting the years
I'm on the road
The road goes nowhere
It's me
Going day and night
And I do not want
the bond to be tight.

Suddenly shocked
I stopped there
And there you are
Waiting for me
Contact continues
And I'm with you
And who are you
Need not be asked
By any shrewd.

Gajanan Mishra
Climbing Tree

Climbing tree is not important, important is to Help a tree in its growing. And what are you To help anybody you yourself is helpless, see. You are already here and please watch the incidents and the circumstances that are going on.

Gajanan Mishra
The clock is made by me.
But it would be wrong
To say I have made this clock.

The wings of the clock
Have their own mystery,
And I am as yet
Unable to read that history.

For the clock, I have lost
Everything and everything.
But everything is there
For the clock.

The clock flows like the river,
The clock is there as before like the sky,
But at par I am not able to fly.

Gajanan Mishra
Close All Doors

Close all doors of the senses
Fix the mind on the heart
And the life air on the top of the head
And establish yourself in Absolute Truth
And attain the highest perfection..

Gajanan Mishra
Close Door Meeting

Ended
Our journey
Ended
Air stopped
We returned
To the place
Where we are not.

Language forgotten
Relevancy questioned
Vocabulary missed
And we thanked
To all
As they tolerated us
That we are not.

Gajanan Mishra
Close Link

Close link close affinity
Limbs and body
Man and world.

O men, just renounce desire
Renounce feeling of mine
Renounce attachment
Renounce egoism
And gratifies
The entire creation
The world.

Gajanan Mishra
Close Not

Close not your eyes,
Close not your ears.
If you are interested
to close anything,
Close your mouth.

Write not anything,
Read not anything.
If you are so interested
to read and write,
Read the truth and
write the truth.

Your life is in truth.
And this world is only made of
truth, nothing but the truth.

Gajanan Mishra
Close Not Your Ears

Close not your ears, dear,
Keep it open always here.
See, no door is there,
It means, each sound
You have to hear.
See, your mouth is not
Always open,
Utter the words
That is necessary
Testing the time clear.
See the good with your eyes,
And speak something
That is good for
The mind and body.

Gajanan Mishra
Close To Dreams

Close to dreams,
We are approaching.
Wait and see.

You have everything here,
House, drinking water,
Fresh air, agricultural products,
Roads, infrastructures for
All developments.

Women, youth, women,
Farmers, we are pleased.

Here we are doing everything
Pro-people and adopting
Inclusive economic policy,
See us we are game changers.

Gajanan Mishra
Close To My Eyes

Close to my hearts
Close to my mind
And You are my dear
Bringing me to You
On Your own platform
Of love and truth.

You are never far away
From me at no point of time
You are here with me and
Only for You I am here
Performing all actions
Only for You and without You
I am nothing here.

Gajanan Mishra
Come close to words
And be honest.
Words take you
To the place you deserved.
Words changed everything
For you
And your are the words
And words are your wards.

Gajanan Mishra
Close Watch

We are sovereign,
We are independent,
You are allowed to
Watch us my dear,
As closely as you like,
We are free, see
On this earth.
We are not violating
Any rules or regulations
Of anyone here.
But we are free to
Make friendship with
Anyone and we are also
Free to help, cooperate
With anyone without
Putting any other one
In trouble.
The sky is ours
We are free birds to fly.

Gajanan Mishra
Close Your Eyes

Close your eyes and it is night
And at night you sleep thinking life closed.

We think We built a house with a desire
To have all happiness but the house set on fire.

Such is the law of nature as you know fish is
Not the enemy of anyone but still everybody wants to kill it.

O my dear, You are only one and You know everything perfect
We are many and ignorant we know nothing that is right.

Gajanan Mishra
Closer Home

Closer home,
Showing courage
Please grab,
For the sake of
Peace and
Friendship,
But with full
Security umbrella.

Gajanan Mishra
Closest Friend

My closest and lifelong
Friend is death
Death is my only friend
Here at this moment
We love each other
And we are in peace
Rest we do not bother
My friend cautioned me
Not to waste time
And I have no knowledge
About my friend
I love my only friend death
And I am crossing death
At every moment.

Gajanan Mishra
Cloth Is Washed

Cloth is washed
With soap,
And body and
The soul is washed
With poems.
Cloth is there
To turn
Body is there
To burn
But soul is there
Not to die
Not to born.
For the soul
We are here,
O my dear, let
The soul hear,
Write a poem and
Recite a poem
That is love
That is truth
Without fear
Without favour.

Gajanan Mishra
Clouds appear
In the atmosphere
Atmosphere remained
Uncontaminated by clouds
Clouds is not always present
In the atmosphere
Atmosphere exists
Even when there is no clouds.

There is no clouds
There is atmosphere
There is no atmosphere
There is no clouds
Clouds is atmosphere
Atmosphere is not clouds.

Atmosphere exists in its own beings
Clouds has no separate existence
You are my atmosphere
I'm your cloud
Pray
Make me always clear
And in good use.

Gajanan Mishra
Cloud Driven By The Air

Cloud driven by the air
Goodness and badness
By heaven or hell
In distress and happiness.

Gajanan Mishra
Cloud In The Clear Sky

I want to fly,
Like the cloud
In the clear sky,
I want to stay
In your system of
Dazzling spiritual
Light.
I know, it is
Unlimited.
I know, the things
That are here
Collectively produced.
Set up, please, again,
Set up me and let loose.

Gajanan Mishra
Cloudless Sky

Cloudless sky
Clear water
Gentle wind
Return journey
I love all, my dear
For this I am here.

Gajanan Mishra
Cloudless Sky- No Death Zone

Cloudless sky,
And stars twinkled.
It is all but
Decorated- the life.
Breeze blow
With aroma of
Flowers.
I think myself
Birthless and
Free from fear
Of death.
And I am in
No-death zone,
Pleasure is yours.

Gajanan Mishra
Clouds

Let the clouds come closer
Let the Sky fall.

We are above
The cloud and above
The sky.

Tell it openly
Without any shy.

Gajanan Mishra
Clouds And Winds

Clouds and wind
I and You
Under inevitable time.

Gajanan Mishra
Clouds Come And Go

Clouds come and go
The sun is there
As before and as always.
Heat and cold come and go
With the seasons
The sky is there and never
Entangle with any one.
Air fire water earth
Though under the sky
Is uncontaminated.
See my love always
Like the sun like the sky
Eternally infallible and pure.

Gajanan Mishra
Clowns And Flatterers

Clowns and flaterers are
Everywhere but they are
Always disappointed.

Gajanan Mishra
Clumsy Calculation

No straight cut,
But calculation is
Clumsy, and
The time is not
In our favor,
Anywhere.
Still, we live
And hope to live.

Gajanan Mishra
Clutches Of Death

We are all
We are all in the clutches
Of death, here, my dear,
And still we are not
Ready to hear
The best advice,
And still we are
Not able to
Love each other,.
And still we are
Not able to
Recognized the Truth,
And still we are far away
From the ocean of beauty and felicity.

Gajanan Mishra
Coal

Let the coal be there
As it is
Let the bird
Sing as it is
On the tree
Let the wind
blow free.

You are
Where you are
I am
Where I am
Let it be so.

Do not go anywhere
To interrogate
Anybody more.

Gajanan Mishra
Coal - Your Turn

Coal, coal, coal,
Coal issue is everywhere,
it is your turn
to give comment.

Coal is within,
Coal is outside,
And you are everywhere,
Are you coal?

It is said coal is black
and black will take
no other hue.
Is it true?

That I don't know, but O coal,
it is your turn to say how?

Gajanan Mishra
Coal Coal, Fire Fire

Coal coal, fire fire
Go not there, go not there.
Black and red
Take care, take care.
Show not your highhandedness
Show not your power.
Coal coal, fire fire,
O men, perform only
Pro-people works and
Dazzle like the star.

Gajanan Mishra
Coal Mines

Go not there,
Coal mines are there
And they are all
Explosives.

If you want to
Know the truth,
Stay spotless there,
Where you are.

I am sure you are
On the path of love
And truth is there
For you.

You are as bright as
The morning sun of the earth.

Gajanan Mishra
Coalition

Since we five made a coalition
And have this body run
I have to be extra-careful
And have to make each of them
Extra-careful.

Since we five made a coalition
And have this body run
We should have patience
To achieve extraordinary win.

Coalition drama is not
Suit the situation
In coalition everybody
Has narrow partition
In coalition one can not
called for explanaion
Coalition is a pattern
That is only in our nation.

Gajanan Mishra
Coalition - Best

In a coalition
Duplicity will not work
See, the world is
Best coalition with
So many creatures, trees
Water, air light earth ether
And running well
Since time immemorial.

Gajanan Mishra
I have got my coal-life
From this earth
From this wood.
Earth-mines
My birth place
In dark
In black.

I am not half-burnt
I am not charcoal
O my dear, see me
From the time immemorial
I lie buried
Under You for a
Great length of time.

It is You only
Who knows how to use me
I am human, I am everywhere
Original- black
My work is not black
I am very inflammable
You know and I am used
As fuel by You for
Good purpose
For the welfare of others.

Gajanan Mishra
Coal-Life For Welfare Of Others

I have got my coal-life
From this earth
From this wood.
Earth-mines
My birth place
In dark
In black.

I am not half-burnt
I am not charcoal
O my dear, see me
From the time immemorial
I lie buried
Under You for a
Great length of time.

It is You only
Who knows how to use me
I am human, I am everywhere
Original- black
My work is not black
I am very inflammable
You know and I am used
As fuel by You for
Good purpose
For the welfare of others.

Gajanan Mishra
Cobra

A cobra is a cobra,
Fear not my dear.
If you are to fear,
Fear the vulture
Who is flying
In the vast sky.
But stay still,
All alone here.

Gajanan Mishra
Cobra - A Plaything

Cobra - a plaything
For me, for I am
An enchanter.

You may be very powerful,
And you may have so many
Strength, my dear leader,
But for me, you are nothing,
As I am your master- a voter.

Gajanan Mishra
Cobswan

Cobswan queried
And I failed to coax
My coat of mail
Failed safe me.

Unaware coast guard
Slept at night
And I sailed
Hearing cock-and-bull story
And get ready my coffin.

Gajanan Mishra
Cobwebs

My dear David Wood,
So many cobwebs are there
In our lives, look.

The network is so strong
And we are so obsessed
We have no time
To stay at our own
Observatory room.

My dear, David Wood,
We should recalled
We are in an obligation
Not to go with oblique path,
Still we are closing all
That are naturally opened for us.

I think, you have caught me,
As because we are all
In the same boat
That is going on in our time.

Okay, life is here with us
To make merry,
Let us be ready and enjoy
The mercy.

Gajanan Mishra
Coconut

Coconut and
Jujube are here,
You may select one
And show your nature.

Coconut is hard first
Soft later,
Jujube is just
The opposite.
Do you have craze?

What do you want
That is important
How are you going
To obtain that is
Also not less important.

Gajanan Mishra
Code Of Conduct

I know code of conduct
I know roadshow not good
I know whom to submit replies
I know who is what
This is my world
And road is open to go.

Gajanan Mishra
Coffee- Break

Get through the day,
Coffee-break.

You need a lot of patience,
To know the world
In true sense.

Inspire and encourage
All around.

A good day in store for you,
For you are in love
And in truth.

Gajanan Mishra
Cognize

I cognised
My existence
And I attached
No importance.
I perceived
No delusion
And wiped out
Identification.

Gajanan Mishra
Coin-Play

Head or tail
My victory is sure
And it is not a lie.

I know you are
Doing for me
And it is for good.

See, I am
Free from worry
My life- your look out.

I am giving up
My body if the world
Starts worrying about it.

Gajanan Mishra
Cold And Clean

Stay there
Where you are
Cold and clean.
It is true
You are matchless,
It is true
You are far beyond
Everything every word.

Gajanan Mishra
Cold And Dark

Though cold
And dark
The night, I
Hear no bark.

Though bad
And evil
Are there, I
See all bright.

Beauty is there
And I love it,
I am sure, if
Love is there
No death can
Come here.

Gajanan Mishra
Cold And Hot Modem

With cold and hot modem
You are searching me.

I am here as I am
Searching you all days
And looking in the eyes
That is not mine.

Gajanan Mishra
Cold And Snow

Cold and snow,
All and everywhere.

No music
No life.

All sorrow
In all twilight.

Everywhere,
Find twisters.

All looted by
Two-faced men.

Is life
Two-bit?

I have nothing left
But to tweet.

Gajanan Mishra
Cold And Windy

It's cold
And windy.
Still, all
Nice and
Beautiful.

All in pairs,
To all, I care.
I write for all,
With newness
All interesting.

The people,
The food,
The incidents,
All I face,
All I write.

Imagine, you are
With me.
Your goodness,
Life is all fantastic.

Fortunately,
I am here for you,
And you are for me,
For all truth.

Gajanan Mishra
Cold Catches Me

Cold catches me
Enroute Delhi.
Since cold
Knows somehow
Delhi is my heart.
I was there
For some days,
But get no
Fruitful results.
But I addressed
Some children there,
The future of Odisha,
And I termed them
Cubs of the lions.

Gajanan Mishra
Cold Day Hot Poetry

Cold day hot poetry
Truth is here
With false sorry.
Poetry is true
World is false
This is not my story.
Words are not under my control
It is word I
That is to see.
I care not what you say
I care only truth and truth
And truth that only I say.
Excuse me if I am not able to touch
But I have got a lot of love
To you all living and non-living
I Love you and I seek your blessing.
I am hopeful and this world is wonderful
My wife is beautiful and my work is successful
You are my grand master and life is nectar-full.

Gajanan Mishra
Cold Love

Neutral gear
Is helpful
To starting afresh.
But stay away
From selling a person a pup.
It is true, dear,
We are all busy
In watching
Puppetry.
But what is
That to us.
We can achieve
Anything in getting
Our goal.

Gajanan Mishra
Cold Or Hot No Matter

Cold or hot
No matter,
Matter is
Whether the tree
Dries up or not.
Matter is
Bear all
And rise above.

Gajanan Mishra
Cold, Cold, I Dislike Coldness

Cold, cold,
I dislike coldness.
And I know
Life is not codswallop.

I know life is
The clear version of eternity,
Full of love and
Full of truth.

Gajanan Mishra
**Collapse**

Renewal violence came  
And my house collapsed.

Disoriented in time requires  
Renew push and hope  
You would find me out.

Gajanan Mishra
Collect Fish

Collect fish
From the air,
Collect color
From the earth,
Collect sky
From the sun,
Collect life
From the moon.
The moon, the life,
The sun, the sky,
The earth, the color,
The air, the fish,
All came to me
For the poems written.

Gajanan Mishra
Collecting Words

Collecting words in your
field of emotion I stood first.
With my own laugh and own cries
I proceeded further in the light
of new moon day.

Life-forest is dense,
Scattered sky is there only,
The rain is going outside
holding my hands and is telling
O poet, come on, to measure the clouds.

Let me free from your kiss-prison first,
Let me get my body uncovered with truth,
let me write a poem in your words-love
Let me stay here a moment more beyond count.

Gajanan Mishra
Collective Strength

Power of tolerance
Is but necessary
To move forward.
Let us remember,
Multiplicity is
Our collective
Strength.

Individual identity
Is there as it is,
Let us honour it,
But empower the weak.
If we want progress
We must avoid excessive
Licence and disrespect.

Gajanan Mishra

So many lecturers are here
In this college and they

Gajanan Mishra

Full color-acts

Colors have no color
Rainbow cited with letter
Let me say, poet,

Only to recognize
The color
But in life
Where is the color!

Gajanan Mishra
Color Black

Color black
See I am here
In white mode.
That I measured you
Is not a fact
And for this

So also white.
It is yours
I dare not
Say so.

Gajanan Mishra
Color- Black And White

Gajanan Mishra
Color Is White

Keep it.
That I know
You are befitting
And charming.

Leaves and flowers
Are here.
And I left
For the desert
Keeping witness.

Where is the sky
That I know
Only in desert
And I know
The color of the earth
In my presence.

Gajanan Mishra
Color Is Yellow

The color is yellow
And they are all
Coming to the fore.

The sky is the only
Silent spectator.

The rivers are there
As before.

I heard the sound
That is yours.
And in that sound
I smell the earth.

No where to go
It is yours turn now,
You to decide what to do.

Gajanan Mishra

As possible or I have to
Face the life- horrible.

Gajanan Mishra
Color Of Turmeric

Believe not, believe not
The color of turmeric, my dear,

Be a fighter, my dear, and test yourself,
In the fire and in the water.

Gajanan Mishra
Color Yourself

Color yourself
With love and
Win the world.

Gajanan Mishra

Be clear in heart, and face no problem.

Gajanan Mishra

Blacker than black,
Whiter than white,
This life here.
And you are here
In this life, my dear.
You are colourful
And more colourful
Than any flower here.

Gajanan Mishra
Colorful Sky

No rainbow is there in the sky
But the sky itself is colorful
And singing the song of life.

Gajanan Mishra
Color-Game

Color-game is there
In this world
Please observed
White is truth
In goodness
For creation
Reddish is passion
And black it is
At the end
For annihilation.

Gajanan Mishra
Colorless

Life is colorless,
One who said it -
Hundred percent right.

And life is here
With us at this time,
And we are careless.

Take care life is
Being told by everyone,
But no one knows
What life is and
What is there in life.

Yet, we are fortunate enough
To live here with love
That are the truth.

Gajanan Mishra
Colors Of The Body

Ask me
I will tell you,
Where from
The colors are
Coming so speed.
I am here
Reading the colors
But I am unable to
Write about colors.
I am leaving
Some fragments of
My colors on the body
Of the time while taking
Tiffins and meals daily.

Gajanan Mishra
Color-Time

Let me not stay
Here with desire.
My seat is not there.

Gajanan Mishra
Colour Of Darkness

Watch the colours,
Watch, the colour of darkness,
Apply it there
In your own life.
Difficulties are common
But Foresee not, dear.
And go ahead
With your plan and dreams.
Take care the helpless members
During your journey,
Take them into confidence
And move freely.
Go with vigour, life is
Neither smaller nor bigger.

Gajanan Mishra
Colour The Mind

Colour the mind as you like,
But before colouring first
take steps for purification.

Gajanan Mishra
Colour Yellow

Colour yellow
Bat or bowl.
Disappeared appear
momentum gather.
Disappointed improve
Trophy retained.

Gajanan Mishra
Colourless

Colorless,
Love is colorless
But life is colorful.
Love is the basis of life
No love no life.

Love is as red as blood
Love is as green as grass
Love is as hot as fire
Love is as blue as the sky
Love true never say goodbye.

Love is there where
There is devotion
Love is there where
There is renunciation.

Love is the mixture of
All colors
So also life,
And life faces
No death with love.

Gajanan Mishra
Colours are not seven,
But seven, seven, seven
Crores, crores, crores,
That can not be counted.
Colours as as many as
Numbers as the creatures
Of this world. And colours
Are changing from time to time
To suit the circumstances.
You cannot named any colours
It is like that, or
It is like this.
What you see, what you hear,
And what you talk all are
Truth but all they are
Beyond the truth.
You have no right to
Say anything falsehood.
The clouds, the sky
The air, the earth,
The water, the light,
Everything and everything
Is here as before,
But all are not there
As before, All these are
With you in love.
Accept them with love,
Tell everything okay
And live life as wonder.

Gajanan Mishra
Co-Man

What a spider can do
I can not do
I am not a spider
What a tiger can do
I can not do
I am not a tiger.

I am a man
And a man is a man
That I am
And you are
And we are not there
To go in beast's car.

Gajanan Mishra
Combatting With Winter

How to combat
With winter?
But I decided
To winter here
With you my dear.

You are my

No problem is
There with you,
I know, my dear.

I am the watchmaker,
I am the water-diviner,
I am the valuable paper,
I am your washing powder.

Use me and see, my dear,
I am here as before here,
Without changing my colours,
I am yours.

Go not backward
For fear of winter,
I am here and I
Have decided to
Winter here
In you, my dear.

Say you are here.

Gajanan Mishra
Come And Attain

Come and attain
the happy world

Come and go
We wait on line.

Gajanan Mishra
Come And Go - Natural Way

Come and go
Natural way
Of our play.
Plant the tree
Reap the fruit
Natural tweet.

Truth is you
And also false is you
As natural as sailing
Fish and bathing person.
Know your own entity,
O my dear, and negate
Not anything here, also
See, no one can furnish surety.

Gajanan Mishra
Come and go,
Two words.
And I am
Within them,
In between them.

Gajanan Mishra
Come And Join

Awake and arise.
No problem means
No smiling and
It is not worth living.

Self-discovery process
Is just opened.

Gajanan Mishra

Come and know,
The reality,
The glory,

Unconditional love
Affection shape and size
And who has given you
Your identity and life.
Come and rape her
This is woman
For her only you are
Still getting everything
That you desire.

Gajanan Mishra
Come And Salute

Come and salute,
For the unborn
Has taken birth,
For the establishment
Of the truth,
For the good of all
In the world,
For the happiness
Of the people in general.
And declare, nothing
Is there, besides
The dark and the star.
Give a chance to the bird
To utter words.

Gajanan Mishra
Come and see
The bird is flying.
Is it causeless mercy?
The air is there,
The light is there,
The life is there.
I am overwhelmed,
I am here with the bird,
With the air, and
With the light.
Let me say, I am alive,
I am here with my life.
I, myself is living
With the world, see.

Gajanan Mishra
Come And See Me

Come and see me
How I am sleeping
Come and hear me
How I am crying

Proclaiming myself
In this sunny April
I am lovely and alive.

Gajanan Mishra
Come and see the sight,
And read the fight.
Worry not and
Practice living.
Embrace the time,
For you, it is here.
Release yourself
And study the situation.

Gajanan Mishra

I know not what is fraudulence,
Fraudulently I am doing
Nothing, come and test me.

Show your act of daring
And come and see
How happy my mother is,
How sweet my mother language is,
My land is more than heaven
Come and stay for a while.

Get peace here,
Nothing to fear.
Life is full of love
And not torture.
Come and see my dear,

With the blessings of all,
All are my near and dear
And for all I am here.
Only for love and only
For truth the sun, the moon
Are appearing and the clouds
Giving rain and the trees
Giving leaves, flowers and fruits.
Come and stay and see
How pleasant the life is!
How wonder and how wonderful
The working system of this world!

My dear brothers and sisters,
Please come, go not with them,
Death is there, I am confirmed.
Cleanse yourself with the truth,
My dear brothers and sisters,
Please come back and know
Who you are here and what for
You are here, and for whom
You are doing all works.
See your mother, see your father,
There, they are together
Waited to see you with true knowledge
And how you are serving here.

Gajanan Mishra
Come clean and tell the truth,
Life is there in truth only.
Try to play if you so like,
The role of a hero and not
That of a villain in the society.
Invite not your own destruction,
But help and cooperate others
In each and every creativity.

Gajanan Mishra
Come Forward - Who Knows

Who is there
That knows me
Come forward
I want to see him.

Who is there
That does not
Come forward
I also want him.

Gajanan Mishra
Come Here And Say

Come here and say
Who you are.
O my dear, I am
Busy in calculating
The time and space
That are with you
And that are with me.

Modes and method to
Stay therein life.

Gajanan Mishra

To look me, I have given you
So much time, so much time.
Worry not, we are both here,
And this place is timeless.
In this timelessness, everything
You can see, and you have to see
As you have eyes. See the tree
There, see the sky there, see
Also here. See me, hear me. You
Have ears, come closer, my dear.

Gajanan Mishra
Come Not Reverse

Come not reverse, O the Ganges!
Crumble not, O the Himalayas!
You are both our life source,
You are our life.

We are here, only for you,
You are both our seal and signature.
Without you how can we show our face,
You are fair and adorn us with earth-lace.

Gajanan Mishra
Come Not With A Mountain

Come not with a mountain
To me at any time,
Come with empty hands
I am here to supply you
The water as much as you need
To grow your tree.

And tree is there
Ready to grow in empty sky
And I know you are no way
Related with the tree
And still you are crying
That made me astonished.

You are in this world
And also here is the tree
Come on my dear, come on
My dear, I am ready to give
You proper treatment free
That enable you to charge battery.

Gajanan Mishra

To give Nuajibana.

Gajanan Mishra

Everywhere, water and water,
Our hunger our thirst all and all are
diseases that are to be cured for future.

Beg not to anybody besides before the Almighty,
Believe or not He is inside, search within,
Believe or not He is doing everything for you,
Believe it or not He is eating, talking and
doing everything for you and for benefit of all,
It is His grace that you are here.

Gajanan Mishra
Come On And See

Come on and see,
See your own
Enlightened soul

Gajanan Mishra
Come on this side or
Go on that side, no matter

From the act of going and
Realize the truth, you are here.

Gajanan Mishra

Gajanan Mishra
Comfort

No way it is good-
The comfort.
But so long as
Life is there
We need comfort.
Comforts give pleasure
And it is due to
Our own idleness.
When we realize
The truth, we know
Comfort has not role
To play in this life.
But the words and
The sounds give comfort.

Gajanan Mishra
Comforts And Education

If you want comfort
Forget about education
If you want to learn
Do not go after comforts
Drink filtered water
Do work after a careful thought
Thought is not poor's consolation
If good thought is there
Everything is fair.

Gajanan Mishra
Coming Again

Coming again
I said
We were together,
And now
We are here.

Coming again
I would not merge
I would not attach
And I would attain
Love and only love.

Coming again
O my dear, see me
With you, I am
Untainted.

Gajanan Mishra
Coming And Going

The process is there
The coming and the going,
The going and the coming.
The process is on.
From where, to where,
For what and who they are,
All are in questions.
Coming and going, going and
Coming, coming and going, going.
No one can find its
Beginning and end.
But all are the parts of the process
The coming and going, going and coming
And yet all are in dark.

Gajanan Mishra
Coming From

I am coming and coming from nowhere.
And so also I am going and going to nowhere.
Nowhere is the only answer since I am everywhere.

Gajanan Mishra
Coming In To Contact

Coming in to contact
With you, my dear
I identified myself
As yours.
I know we belong
To the same class
And we are eternal
And we are one.

Gajanan Mishra
Coming Out

Never mind,
But I am sure,
You are coming out.

You are coming out
From your life,
From the very bondage.

You are in the prison,
Prison of darkness.

Light is outside,
And I am sure
You are coming out
To the light.

Come on men, you are welcomed.
You are the light, I know.

Gajanan Mishra
Coming Staying Enjoying

I am coming
I am staying
I am enjoying.

I say I am living
And doing nothing
And doing everything
If you have eyes of wisdom
Behold me.

Coming and going
Are the same thing
And migrating sometime.

Relationships are
Not to count with
Space object
Individual or time
That are here with me.

Gajanan Mishra
Coming To Me

Coming to me I saw
I watched And I believed
Darkness within and outside
I feared I smiled
I watched and I renewed
My energy for light
I wake up, my dear
And I uttered
I heard the stars calling
And I left the place
With shining
And the day I recalled sunny.

Gajanan Mishra
Coming To Position

Life in hope
With this I am
Looking before I leap.

Precept not in work
Example is better
My lovely dear.

It is my strike
To your red hot iron
That comes to position.

Gajanan Mishra
Coming To Puri

Coming to Puri
I enjoyed your love
O my dear
Here you are waiting for me
You are my past my present my future
In three form Neela Maa and Dhaba
You are Jagannath Subhadra and Balabhadra
You are three in one
You have killed here demon Madhu
For the welfare of all
Shankhasura was formed out of the flesh of Madhu
Shankhasura took away vedic text from Lord Brahma
And You have my Lord killed the demon in Mina Avatara
The demon hid in the branches of Kalpa Vrukhyya
And You threw your sphere to cut the demon
And the demon entered in to the conch cell
And the conch dispersed to a distant place
In the sea coast known as Chakratirtha
And You taking the help of Brahasutra killed the demon
And with this Lord Shiva named as Shankha Kshetra
This is that Puri O my dear, Your abode.

Gajanan Mishra
Coming To The Main Stream

Coming to the main stream
The water of the pits
became pure and holy again.

Gajanan Mishra
Coming To The Point

Coming to the point
I turned the pages
Coming to the point
I found nothing
In negation that
You told in history.

Since long I am dead
And for the first time
In history you raised doubt
And I clarified before all
pessimist and not present.

What is there and
What is not there
Still a mystery
And I beg apology
For my slip of tongue.

Gajanan Mishra
Coming To You

Coming to you
I faced problems
While solving
I acted quickly
Scanning the sky
I found everything
Just inside.

Just inside
Life you find
It is just
Lack of coordination
Not seen kind
And you failed
To create anything.

Gajanan Mishra
Coming To You I Said

Coming to you
I said, see me,
how virtuous I am.
I am performing everything
selflessly for the good of you.

For the good of you
I am here, see me,
I am here, to burn the fire,
I am here, to throw the air,
I am here, to win the righteous war.

Yes, I have a desire and
it is not sin, see me,
My desire is to stay attached
with you for all days.

Gajanan Mishra
Command Is

Command is a necessary evil
Command some one he will do
What you wanted.

Command is no misuse
Of power in any way
If it is constructive.

Command if misused
Will destroy others
unnecessarily without reasons.

command some one
And see his reactions
Not a good vision.

Gajanan Mishra
Command Me

Command me to go
Let my mind be fixed upon You
Let my life be shortened by Your merciful glance.

Gajanan Mishra
Commanding

Commanding
Commanding the sun the fire
The senses and the wind and the death
Is not possible in this world.

Gajanan Mishra
Comment Of Poems

Beautiful, cute, I receive
The comments on my poems.
But poems, I am not
Satisfied with you
As you are not
Any one of them.

I am not satisfied
With you, poems,
As you failed to
Fulfill the terms
And conditions as
Laid down by creator
And you have forgotten
For whom you are here.

Gajanan Mishra
Commit Wrong

To sketch is not to commit wrong
To write is not to commit wrong.

Birth right of the artist
Is to sketch freely
Birth right of the poet
Is to compose poem freely.

Freedom of speech and expression
Is for a freelancer
Nobody is there to challenge
In this free world of all.

Gajanan Mishra
Committed To Truth

I have neglected all  
Worldly activities  
For the sake of truth.  
Truth is there, dear,  
In me and I belong  
Not to this world, I know.  
Love is there for the world,  
But not attachment, I'm sure.  
So many kinds of activities  
Are there here in this world  
And all are contradictory.  
But in all contradictions,  
Truth remains the same for all  
In all circumstances and in all places.

Gajanan Mishra
Committing Error Is Common

By a human being
Minus error is God.

Love is common
As a being
Minus love no life.

Trust is common in friendship
Without trust means
Start of enmity.

Taking breath is common
In life
Without breathing it is dead.

Gajanan Mishra
Committing Violence

Committing violence is
Worst works done by
Demons and ill fated
Committing violence
Is cruel deeds and
Way of hell.

And O my dear
It is better to
Live in hell than
Live with the company of
Wicked vile persons
As there is nothing well.

Ill of the society
Are demons and they
Should be root out for
The welfare of all and
For establishment of peace
Before rooting them out
We must understand
Their problems and try
To solve them and give
Them scope for self correction
After providing all
That are necessary.

Gajanan Mishra
Common Cause

I want to see
All men in peace.
Friendship should be there,
Among all and I
Want prosperity with
A common cause. Also
I know poetry is there
To fulfill all wants.

Gajanan Mishra
Common Good Of Humanity

Serve the interest of the people,
By doing more better and harming less,
By contributing common good of humanity.

Gajanan Mishra
Common Is Death

Why to waste valuable time
On discussion about death
If you are so interested
Here is the topic of life
Discuss, if you are so like.

Life is uncommon
Life is wonderful
Here is life, enjoy life
With others and say
Something for guidance
Life is in action
Make it eternal and
Faultless if you are
A man of talent.

Discussing about anything
Other than life is fruitless
Exhibition in any form
Other than life is the proof of
Foolishness and blindness
As everybody of us is going
With life and value its significance.

Gajanan Mishra
Common Man

A Common man has
No place here,
A common man is
Not allowed to
Go anywhere or to
Stay somewhere
In peace and
In stability.
Budget has neglected
The common man at
Various levels.
Common is not uncommon
And hence he has to
Suffer a lot.
Nothing much for
Common man.
No chance, no share
For economic revival.
But we have a government
For the people and
Government of the people
And by the people.
And we find no provision
No relief of any kind
For common man.

Gajanan Mishra
Common People

Common people.
Where is common people?
We are now using them
For our own selfish ends.

Common people are the lords
Of democracy and in parliamentary
Forms of Government and
They are unpleasant.
Common people are in poverty
And they are being used as play things.

We the politicians, we the officers
Are the servants of common people
And we realized it at least
During elections, we care for
Common people, see here at this time.

Are we not impure wretch?
Are we not perpetual enemy of common people?
It is true, we have not given up ours
Lust, greed and vanity, see, we are very passionate.

We have forgotten our service towards common people
And we are the enemy of entire land,
And alas!
We have sought shelter in common people.

Gajanan Mishra
Commotion

Milk to curd
Curd is churned
Butter and butter-milk
Become separate
Butter flows over butter-milk
One to manifold
And manifold to one
Again.

Gajanan Mishra
Commotion - Intention

Commotion,
Result of commotion
Is good if your
Heart and brain is good,
That gives nectar.
Commotion is dangerous
If your intention is bad
And the result is
All destruction.
If you are making
No distinction, it is
Well and good for
The welfare of all
Everywhere all times.

Gajanan Mishra
Commotion is welcomed,
Always for every one.
Commotion produced
In evil man caused
War and destruction,
But commotion produced
In good man revealed nectar.
I want to be a good man, dear.

Gajanan Mishra
Companions

Rising high,
Let us hug each other.
Falling low
Let us hug each other.
When there is no high
And no low, let us hug each other.

Make hugging a habit,
And see, you have real might.
With might and main,
You have to stay here, my dear.

Enjoy life, O migrator,
Where ever you are, you are
In multi-colored earth, and your
Companions are twinkling stars.

Gajanan Mishra
Company Of A Poet

The company of a poet can inject poetry
Poetry is based on love truth and history
Poet can only know the fragrance of a flower
Beholding a poet is a blessing
Poetry brings good creative life
In due course of time.

Gajanan Mishra
Comparison Not Needed

Comparison not done
Importance not given
Questions not put
Prayers not offered
Yet you said come.

And I went
You welcome me
With greetings
You welcome me
Saying my friend.

Here is the welfare
I know and I know
You are for common cause
And I know and went
Without any formality.

Gajanan Mishra
Compassion

Who am I to pray for you
You are your prayer
I am mine.

I have my peace
I have my good heart
My heart is full of compassion.

Gajanan Mishra
Compassion For Others

All are suffering here
All are suffering.
Be kind and good to all
You should possess this urge
For compassion.

O my dear, I know
You shower your compassion
On all beings to purify them
By creating both favorable
And unfavorable circumstances.

I am here sad and happy
With the sadness and
Happiness of other beings
Sages sacrifice their life
To do good to others
Even though they do wrong.

Gajanan Mishra
Compassionate

You are doing so many things, my dear
You are protecting all sufferers here
You are giving them safety who are here
Struggling for existence and You
Want to see all happy here in this world.

Gajanan Mishra
Competition For Supremacy

Competition for supremacy is
Always there among three
And I am not with anybody
All three are in defeatism.

Gajanan Mishra

Complacent mind
And a fearless heart
To win the life-war.

Be careful, my dear,
Your life is in fire,
And that can be extinguished
By only love.

O my dear, prove yourself
As the symbol of love
Only love can reign the world
And not war, that is to be remembered.

Only by love
You can prove yourself as a human.

Complete And Authoritative

Complete and authoritative;
The life here, see.

The spot.

Should be clear.

The tree that grows
Is not mine.
The fruits that ripen
Are not mine.
But the land
On which the tree stands
Is yours.

My mind is not
So matured that
I can say anything.
I know, you are
Also, not ready to

Himself what he means to say
And the procedures the rules
And the medias are there

A delicate crimson smile.
And this autumn morning

Gajanan Mishra
Composing Poem Is

Composing poem is a search,
A search of truth with nature,
A search of love with truth.
It is a sacrifice,
It's wisdom.
Composing of poem is a life's
Continuing process that is
For betterment of all.
It is an activeness with time,
It is going towards bliss.
Composing poem is a worshiping,
Worshiping the self,
It is dedication to nature
And a way of salvation.

Gajanan Mishra
Compress A Poem

Dear poet,
Here and there
Find words,
And with some
Compose a poem.

Pure poem
Can make your life
Good and fine.
Pure poems
Are in nature.
Bring them
By layers of words,
And process of thinking.

Give color to words
Through poems and
Remove all darkness.

Tell all -
Life is not to float.
Still, life
Is to be followed.

Gajanan Mishra
Compose Poems With Me

Come children, please come,
Come and compose poems with me.
Words are truth, collect them,
Love are free, get them,
Mix your emotion with truth,
Remember, ingredients are your friends,
Your friends are all birds and animals
And trees and rivers and mountains.
Your friends are all creatures here and
The sun the moon and the stars, the water and the airs
You are there living, playing with them.
Come on children, please come,
See all, one and the same,
Read and read poem and also compose them.

Gajanan Mishra
Composed

I am composed
And in my normal nature
With you, I am here, my dear.

Gajanan Mishra
Composing Poem

Composing poem is not a game to play
Composing poem has no loss no profit.

No body has got complete control over words
No body has a thought even how to use words
From start to end.

The man who is composing poem act as a middleman
Between the creator and the creation
And the middleman has no right to say about
The original picture and theme.

No body is there to guess what is there
In the mind of the compositor
At times the compositor himself could not say
What he is composing and for whom.

Words thoughts and pictures present
As pretenders and the compositor is the
Only scapegoat.

Gajanan Mishra
Composing Poem Is Not

Is not illusion
Composing a poem
Is not mere imagination
Composing a poem
Call of the soul
To get nectar of life
We all thrive.

Gajanan Mishra
Composing Poems

Composing poems
Are like
Offering prayers.

Offering prayers
Are like
Doing duties.

Doing duties
Are like
Staying with You.

You are in me
I know and
I am with You.

Gajanan Mishra
Compounding The Troubles

Compounding the troubles
You arrived at my door
While I am piloting the mirage crashes.

You did not want to have
details of my resignation from
countering terrorism and
beg sorry for the lapses.

I am at my presence to guide
the panel and need your cooperation
that you declined to offer yourself.

Gajanan Mishra
Concave Mirror

Words of the poem - concave mirror
Fitted in between the sky and the earth.

The ray of emotion and thought
Entered from all sides and reflected
In the life upwards for peace
And happiness - the basis of creation.

Gajanan Mishra
Concealed

Intellect is concealed
By desire
As cloud covered the sun
Waived out the cloud the desire
And you find light and light
All round.

Gajanan Mishra
Conceive Not Right

Conceive not right
What is wrong
And go not
On the path
Contrary to truth.

Indulge not
In falsehood,
Fraud and forgery
And hoard not money
All are enemy.

Believe in scriptures
And O my dear, believe
Your preceptor and
Go with nature.

Gajanan Mishra
Concentrate

Concentrate your mind,
where it should be concentrated.
Employ your senses,
where they should be employed.
Discharge your duties and
endure hardships if necessary.
Keep purity of mind, intellect,
senses and body and activities and food.
Take no vengeance, no retaliation,
even if you are insulted, hurt or pained.
Be upright, and keep simplicity of
the body and mind without crookedness or fraud.
Acquire the knowledge what ought
To be done and what ought to be refrained from.

Gajanan Mishra
Concentrate Your Mind

O my dear, and get joy
O my dear, give importance
To your work, your goal
And not to joy and sadness
And get peace
You are my lovely love
My Supreme love, peace
Is within you
Concentrate your mind
And see it, find it
Be in peace always.

Gajanan Mishra
Concentrating Mind

I am concentrating
My mind on You, O my dear
And surrendering myself.

I feel no pain, my dear
I care no gain
I am listening to You
And I am indifferent to
Other thoughts, look.

I know, I am not with this world
I know, this world is not with me
No reward is necessary
I am only doing my works
According to my ability.

No attachment, see
Old attachment is wiped out
New attachment is not born.

And here with me
No sin no crime no pain
Only there is peace and bliss
The fruits of dispassion.

My dear, I am with You
And such is my relation.

Gajanan Mishra
Concentration

Concentration is necessary
Concentration is necessary
Here in truth with great attention
By constantly thinking of truth
You become purified
Think and think about truth
Fearlessly, think and think
Without associating yourself
Intimately with those that are
Seen that are heard here at this time
Concentration is necessary and it is
Necessary to be fixed
In practical understanding of the self
Without fear of failure or unhappiness.

Gajanan Mishra
Conch Discus Mace Lotus

Conch discus mace lotus
All are yours
And you are ever ready
To establish world order
And you are ever ready
To destroy demon
And establish good.
Conch discus mace lotus
All are symbol of
Sustainability and you
Sustains.

Gajanan Mishra
Concocted Occupations

Give up all,
All including
All concocted occupations
And just come,
Come and simply
Surrender yourself
And get all fruitful
Desire that are
Within you.
You are not the sinner,
I know, rather
You are the fruit,
Fruit of love, and
You are the truth.

Gajanan Mishra
Condemn Law Breakers

Law is supreme
Rule of law is good
For the society
To maintain peace
And security.
Do not violate laws
Who so ever you may be
Do not take laws
In to your own hand
All should condemn this.

Gajanan Mishra
Condition Deteriorated

Condition deteriorated
Provision provided
What is accepted by whom
What is rejected and why
Nobody could answered
And time-out.

Gajanan Mishra
Condition Is Miserable

Condition is miserable,  
Nothing is desirable.

More and more material existence,  
Means sinful life.

But truth, we have forgotten,  
The part and parcel of life.

The basis of our friendship is body,  
And for this material nature is there within.

Gajanan Mishra
Condition Of Life

Condition of life -
Most abominable,
Yet, I think
I am happy,
I am fortunate
With my wife,
Children, friends,
And relatives.
I am going towards
Destruction, I know,
I am always
Full of anxiety,
Yet, I think
I am happy.

Gajanan Mishra
Conditional Life

I am living
In the world of
Conditional life
Conditional living entity
And struggling hard
Only for you only for You.

Gajanan Mishra
Conducive To Perfection

Let us perform
Such actions
That are conducive
To perfection.

It is perfection
That we are in need
For the purpose of
This life and for the next.

And we are eager
For freedom from
Worldly bondage - life
But we should not
Forget that in this
Life only there is nectar

Gajanan Mishra
Conferring High Honor

O my dear, You have
Conferred high honor on me
That I know and I know not
How and in what words
Should I make my supplication
To You and I know it is
The torrents of love overflowed.

Gajanan Mishra
Confess To The Crime

Confess to the crime,
You have committed,
You are being committed.
You are forced to commit,
Though, by nature.

By nature, you are pure
And innocent, I know.
But you make yourself
Rudderless and act
Like a beast.

Gajanan Mishra
Confession

At morning I have forgotten
All dreams of the night
And run away far from life.

Gajanan Mishra
Confidence

Keep confidence
And win.

From the very beginning
You are to win.

Stay clean
With white spine.

Each one is waiting
The point of starting.

Gajanan Mishra
Confidence Building

Confidence building is a
Great thing here
With all these words
And dissimulation.

Confidence building is a
Bare necessity in love
With and without any reason
That is in association.

To speculate anything is wrong
That I am going to say
At this hour of night
Though the sun is there and giving light.

Nothing is there in the promise
And You appeared that is
Beyond my knowledge
Though considered suitable.

Gajanan Mishra
Confident And Sure

No consensus
No progress.
I am confident
And sure
Today is sunday
Monday is
Another day
The next day.
Let us wait
For Monday
For consensus
And progress.

Gajanan Mishra
Confidential All

All confidential,
Confidential all,
The life,
The living,
Sitting, sleeping,
Eating, walking,
All confidential.
Still, we are to
Enter into
The field of maintenance
And annihilation chapter
That is here
While going on creating
New formula.
Let us smell
The fragrance
That is in our living,
And we are to stay within
All along in miseries
In our fame, beauty,
Wealth and power.
That is also there
In our knowledge
And renunciation.
We are to be strong enough
To bear all burden
In the light of
Our respiratory system.

Gajanan Mishra
Confirm Future

Singing a song
We waited
At campfire.
Jumping to sky
We called, come on
friends here and there.
Hugging sweethearts
We confirmed our
Future in the star.
Going there we
Declared we are fired.
Completing all words
We saw how we are with
Nothingness in the air.

Gajanan Mishra
Confirm me,
Whether you are
Living.
Give a reply,
Befitting.

Born or unborn
I think not,
But lead a life
That is clear,
Not existence, but
Coexistence is
The matter.

Not liberation but
Important is respiration.

Gajanan Mishra
Confirmed Words And Actions

No one and nothing
Is there, that is original.
All are xerox copy and
All are duplicate.
No one can say I am valuable,
But it is also true that
Each one is invaluable,
In form, in structure
In color and in working culture.

One can do anything
He or she think fit.
Each one is competent to
Solve the puzzle by calculating
Length and breadth in practical field,
And can declare himself/herself
As the sole winner.

In all circumstances one can match
With any one here and there,
But exceptions are there, seed
Is one though, here at all times.
Matter of sanity is needed and
Ultimate truth be touched at
Every level with poetic sensibility
In confirmed words and actions.

Gajanan Mishra
Confrontation

Confrontation is there
At every step
It is with death.

Expect not peace
Gratifying temporary senses
With temporary objects.

It is in illusory energy
You are living, my dear
Remember here in this world.

Gajanan Mishra
Confuse not,
Confuse not here, my dear.
Everything is straight
If your living is straight,
If your love is straight,
If you recognize others
In a straightforward way.
Life is as plain as the sky,
Life is as clear as the air,
Life is as flawless as water,
Life is as strong as the earth,
And as bright as the sun.
Come on and observe within,
Life is in the process of living.

Gajanan Mishra
Confused

Confused,
Let me not confused,
O my dear, I am
What I am not,
I am the bliss,
I am what You are.

Let me not confused,
O my dear, and let me
Concentrate on You,
You are what I am
And I am not flickering,
The wind is not able to
Do anything here in me,
And I am on the Self.

Gajanan Mishra
Confusion

No confusion
It is clear
Go with nature.

Do not touch
See only
And let them go.

Appear and
Disappear
Ask not.

What is the reality
You are to find it
Within.

Gajanan Mishra
Confusion And Frustration

It is all your
Confusion and
Frustration, that are
Reflected in your
Words and actions.
Take care and
See yourself what is
Wrong within.

Gajanan Mishra
Confusion Starts

Confusion starts
When I say
I love you.

Gajanan Mishra
Congratulation

Congratulation, my dear poet
Your presentation is appropriate.

It is sweet to hear You
As it is perfectly true.

Your activities are in Truth
You are the truth in the path of absolute.

You are always doing good to others
I know it is Your nature.

You have embraced entire universe
In your works in your verse.

You are the knowledge personified
That can not be notified or modified.

And You are disinterested
Either in this life or in the nest.

Gajanan Mishra
Congratulation, New Year

Congratulation, my dear friends, for
You are entering to another new year.
Each and every moment is new experience
To you and it is the only truth here.
Be sportive and move forward, my dear,
Life is yours and it is for peace and
Stability here on this earth at this time,
Tolerate all, stay with all, love all
And live a life of truth giving new life
Like the air and the water with the light
There on this earth under the vast blue sky.
Congratulation my dear friends for you are
Already here with fresh lease of life for
Certain period with the condition of togetherness.

Gajanan Mishra
Congratulation, You Are Trying

Congratulation sir,
You are trying to
Break the ice.
You are here
To hit the ground.
You are so bold
Taking every one
By surprise.
You, man, come on
You are having
So much power
So much knowledge
That you can change
Everything at your
Sweet will, I know man,
You are your own destiny.

Gajanan Mishra
Congregation Of Facts

Congregation of facts
does not show
anything definite.

Though I recognised this poem
the picture I was absent
in the concert.

Releasing of serials are
on and I am undone.

Whatmore I can do in this arena
excepting chatting.

I am between scylla and
charibdis and I know
to go beyond this.

Wait and see
how I am taking you
from this place of haughty
with this nothingness of being.

Gajanan Mishra
Conjugal Love

Conjugal love is highest
And is pleasurable
Before conjugal love
We have neutral stage
Internal opulence
Respectful fraternity
Parental affection.

Gajanan Mishra
Conjugal Love - Family Life

Conjugal love is pious and  
It is nectar of the world  
Here the eternal relation  
Of souls evolved  
Here genuine relation of  
The living beings are established  
Family is the heaven on earth.

Gajanan Mishra
Conjugation

No inflexion
And it is conjugation
No negation
No interrogation
No need is there
And wise we are.

Gajanan Mishra
Conjuring Trick

Is writing poetry
A conjuring trick
Is it an appeal
solemnly to all
To go above the brick
I know not
But you say
I am writing poetry
And writing day and night
To allure and
Allure almighty
For why for why
That I do not know.

Gajanan Mishra
Connect And Express

Connect yourself
To the sky
And express yourself
On the earth.

Your aim is
To catch the air.
Your place of posting
Is the star.

Dear,
Worry not, you are to
Put out the fire
That is in water.

Watch a film
And go not slim.

Gajanan Mishra
Connect The Key

Connect the key
And open the door.
Open the door
And enter.
Enter and see,
See and say.
Say something
About you.

Gajanan Mishra
Connect to me
And say something.

I know what you are
Going to say.
I know what is there
In the sky.

Connect to me,
And if interested
Know everything.

Find here
All in disguised form.

But keep your heart clean,
And with the passage of time,
You would know divine.

Gajanan Mishra
Connect Yourself

Connect yourself
With new orbit
And see new light.

Do
What is right.

It is your connection
That matter, my dear.

Here is love
Here is peace.

What you are
You are constant
In life.

Gajanan Mishra
Connection

It is wrong to say
You are everywhere,
It is right to say
You are everything
And you are everybody.
Rest is delusion
And with your presence
Delusion destroyed.
No question of neither
Nor, and either or.
When dependence is
no more, there is
No one who can say
Nature is connected,

Gajanan Mishra
Connection - Random

Connection - random,
We lost freedom.

Gajanan Mishra
Connection With

I am connected with You
O my dear and I am relevant
And I am in connection with You
Both in existence and non-existence
Liability disability asserted denied
In my nature and extent
I am connected.

Gajanan Mishra
Connections

Connections
I accepted and
I inclined.
I am useful
For myself
I am having
The sense of mine
With you.

Gajanan Mishra
Conquer

Conquer
The unconquerable,
O men.
And attain
Perfect success
In life.
The weapon -
Love is there
With you.
Follow not
The mechanical means,
But follow
And execute
The truth.

Gajanan Mishra
Conquer - The Truth

Nothing to aspire
And to burn
No fire.

So cold we are
With all truth
And love.

Faith the self
And conquer.

Gajanan Mishra
Conquer Envy

Conquer envy
By stopping sense gratification.
Avoid all obstacles
By keeping silent.
Be prideless
By knowing the truth.
Go not with lamentation
And illusion
By going and discussion
The truth.

Gajanan Mishra
Conquer The Life Air

Conquer the life air
Conquer the life air, my dear
At sunrise, noon and sunset
And prove that you are beyond all that
You are beyond all that.

Seat on a level seat that is
Not too low not too high
Keep the body straight comfortable
And erect and remember, my dear
You are beyond all that.

Place the two hands on your own lap
And focus the eyes on the tip of
Your nose, my dear, and purify the pathway
Of breathing and control the senses
Step by step and you are above all that.

Conquer the life air, my dear
Conquer the life air here
And reach the heart
Feel the sacred syllable within
Upward and downward vibrations there.

Gajanan Mishra
Conquer The Unconquerable

O my dear, by self-realization.

Attain the real perfection of life
O my dear, by devotional service in full consciousness.

You are in pure goodness, my dear
As you preach the glories of the Almighty day and night.

Gajanan Mishra
Conquer The World

If you so like
Conquer the world.
Condition is only one -
Realize God, the almighty.

If your mind is flawless
And equanimous you can
Established in God
And you are a great soul.

Rightly it is said
Without fire smoke is not possible
If you are established in equality
Established in God.

Gajanan Mishra
Conquer Your Enemy

Conquer your enemy,
Your lusty desires,
And be very secure.

Gajanan Mishra
Conquer Your Own Self

If you are to conquer anyone,
Conquer your own self.
If you are to do anything,
Do good to you.
If you engage yourself
In your service
You are perfected.
Your purpose is to
Understand the truth,
Forget not this fact.

Gajanan Mishra
Conquerer

One who has conquered himself
Is a real conqueror
And is his true friend
And one who has not conquered
The self is his great foe.

Gajanan Mishra
Conquest

Conquest
Of self is
The best.
Let me
Declare him
The mightiest.
Perceive the truth
And be the highest

Gajanan Mishra
Conscious Entity

Exist, dear men,
As a conscious entity.
Experience life
At every moment, you are
Not the body
But consciousness.
And men, the higher platform
Is there only for you.
Stay faithful
Always to the truth.
And men, reward is there
For you, the Eternal life
Of bliss and knowledge
For all good.

Gajanan Mishra
Consciousness

Your consciousness
Determines your future.

Gajanan Mishra
Consciousness Is Covered

You do not know
Who you are
Your consciousness
Is covered
You have forgotten
You are part and parcel
Of that Ultimate Truth
And you are suffering
With no reason
And you suffered
The greatest loss
In this human life.

Gajanan Mishra
Consciousness Of All

You are the consciousness of all
And source of all energies
You are the Supreme cause
And for You everything is planned
And systematic and all things
Regularly evolve.

You are the eternal time, my dear
You are the qualitative modes of nature
You are the seeds of all living entities
You are the Supreme Living beings
You are unalloyed goodness and the Supreme light
I am with You and this is Your bliss.

I am Your part and parcel
Let me free from false ego
By Your grace I am cautious
About the mode of passion and
Mode of ignorance and also
Mode of goodness that are with me
And I am crossing it by your grace
As I am proving myself Yours.

Gajanan Mishra
Consider Me Not

Consider me not
To belong to a
Particular group.
Consider not Almighty
To worshiped in
The temple or
In the church
Or in the Mosque.
Consider not a poet
An ordinary man.
But try to go deep,
Try to know the truth,
Try to realize the self
Try to accept all your own.

Gajanan Mishra
Consider Not

Who is friend
Who is enemy
Who is neutral.

Originally
Nothing was written
Everything was oral.

Originally it is truth
No mine
No another's
It is one
And the same
In forms, my dear
Though differ.

Gajanan Mishra
Consider Not Separate

Consider not
Yourself separate.
To consider yourself
Separate is to
Invite trouble.

Realize the truth,
Realize who you are
And what for light is
Given to you
By that star.

Think for a while
And take daily
Transaction that are
To be done in time.

Gajanan Mishra
Consider Seriously

The form of life,
The form of truth,
And try to know
The value.

But believe
The things that are
Happening here,
You are affected.

You know well
Your nature, and
I wonder you are
So peaceful and sober.

Gajanan Mishra
Consider The Demand

Consider the demand favorably,
The demand is not any other things
But to work in my language
Since you are paid by my money.
Respect me for your interest,
Or else, be ready to go outside.
You are within my limit and I am
Here to control you today itself.

Gajanan Mishra
Consider the quality
And works of a man,
And let not the world
Turn hellish.

Always a man
Should stay in
The modes of goodness
And try to develop
All good qualities
Within.

Gajanan Mishra
Consider, My Dear

Consider, my dear,
and weigh.
Nothing to contradict
and you are not allowed
to take everything granted
blindly at once.
Observe the atmosphere
my dear, and take action
as the situation required.

Gajanan Mishra
Consonance

Give no importance to
Age, sex, power, politics,
Weight, height, color, religion.
Give no importance to
Individual person.
But give importance to
Life as a whole,
To the very creation,
Very destruction
And very recreations.
Give importance to maintenance,
Confidence, consonance.
Life is to be touched,
Heard, tasted, imagined,
Everywhere in light and
In dark.
Life, stop not anywhere
For any purpose.
Life, give light to the dark,
Give words to the mute,
Give earth to the sky,
Give water to the air.
Life, geology
Is to be learned.
Life, road is to be
Walked on
Without any stoppage.
Life, present game
Is to be played
With no biased,
With all sincerity,
But not like a fugitive.
Life, scattered not
But pin your faith on
The truth and love.

Gajanan Mishra
I am constant
I see me within me,
I feel myself here only.
My self-knowledge is
Self-illuminating.
I see myself as truth
And truth is not falsehood.
Let me die than to
Take shelter of falsehood.
Ignorance has nothing to do
That I know from the very beginning.
See me, my dear, within.

Gajanan Mishra
Constant Affection

Only my mother
Can give me
Constant affection
With attractive blessing.

Only my mother can
Prepared wonderful food
And beautiful clothes
And give me joy.

My mother can only
Make me sleep in proper way
Make me healthy and strong
And pass order to proceed forward.

My mother is my Truth
My mother is my love and all.

Gajanan Mishra
Constant Concentration

Constant concentration
Enable you to achieve anything.

But remember, what you achieve
That is for others.
Even this body is not for you
This body is for others
Ultimately this body is to be
Consumed by others.

Only Truth is yours my dear
Only Truth
Concentrate your everything
To Ultimate Truth
And go with This Truth always
And find your place secured.

Gajanan Mishra
Constant Flow

Constant flow,
Love, nectar.
Waves of the ocean
And waves of the river.
Life's glories
Forever here.
No fear,
To live and live
I am eager.
Poems are here
To read and hear.
Life in pleasure,
Life- itself nectar,
Enjoy, my dear.

Gajanan Mishra
Constant Flow Of Nectar

Constant flow of nectar
Like the waves of a river
Here it is, hear my dear
Hearing this forget
Worldly thirst and hunger
And live here, O my dear
Without lamentation
Without illusion and
Without fear.

Gajanan Mishra
Constant Tention

Constant tension is there  
In life here at this time.  
And it is, let me say, not  
The fault of time, but it  
Is for the style of livelihood,  
We are all adopted today.  
The situation of war and  
Anxiety is always there.  
We have not taken care  
The auspicious situation  
That are for us here.  
We are playing the role of  
Our own destructor and we are  
Going against the law of nature.

Gajanan Mishra
Constant Transformation

No contradiction but
Constant transformation.

All perfect,
All accepted.

All present,
All single.

But all together
Conscious of everything.

Gajanan Mishra
Constant Union

Where there is true love,  
There is constant union,  
Where there is constant union  
There is no chance of separation.

Where there is love,  
There is surrender  
And where there is surrender, my dear,  
There is oneness, each identify with another.

One may be the sea and the other river,  
And this love is in infinite forms  
For infinite years and it is  
Difficult to know who is beloved and who is lover.

Gajanan Mishra
Constantly In Your Service

I am constantly engaging myself
In Your service, O my dear, see.

Following Your footsteps
I am offering myself and
I feel it is Your will.

You are here within me
And driving me towards You.

Gajanan Mishra
Constantly Remembers

Constantly remembers
Means love
Love means life
Life means devotion
Devotion means
With mind and intellect fixed
And it is worship
Thinking of no one else
And this is love.
O my dear,
With my mind and my life
Wholly absorbed in you
I am enlightening myself
By performing all actions
That are yours.

Gajanan Mishra
Constantly Think

Constantly think
And remember
Tha incidents of life
And get the poetry.
Live life
In a poetical form
And see the truth
Coming to you.

Gajanan Mishra
Constitutional Position

What is my constitutional position
I do not know and though I am not ignorant
I am engaging myself in accumulation
Of hate from so many persons
And remaining far away from you people
It is not that I do not know
What is good what is bad and
I am engaging myself to see daydream
To fly without air to swim without water
With flesh blood bone and it is known
You have open the door for me towards heaven
It is I that have missed everything
I was given and missing opportunity
Time and again here when time is pssing
Without taking me from the scene
And that is not mine.

Gajanan Mishra
Constitutional Values

Give respect to
Constitutional principles
And values,
And not to
Practice and traditions.
Give equal rights
To men and women.
Give values to humanity,
And to the absolute truth.
Give values to
The mother and mother tongue,
And motherland.
Attain perfection and
Realize the self.

Gajanan Mishra
Consume Poems

Consume poems
And live.
But think not
You are a consumer.

Consumer is
The poem
Who consumes
You.

Gajanan Mishra
Contact

Please keep contact,
I am here both in
Cold and in hot.
Circumstance is one
Whether favorable
Or unfavorable.
Feeling is one
Whether pleasing
Or painful.
Destination is one
Whether far or near.
But I am here
With you, my dear
Just see and just hear.

Gajanan Mishra
Contact- Real Joy

Keep contact
And feel pleasure,
But real joy is
In termination of
The contact.

Gajanan Mishra
Contentment

What is that
Without complaint
O my friends
Feel me
Tell, am I discontent
Am I not happy
I am looking myself
Always.

Gajanan Mishra
Contextual All

Contextual all
And not all changing
Or unchanging,
No universal,
No absolute,
No singular,
No historical,
No dialogical,
No situational.

All but
Have reasons,
Not experienced, though.
But never to trust
Anyone near or far.

Not that
No grain of truth is there,
Not that
Unable to move,
Not that
Doubt is there.

But life itself
Enjoy what stitched.
And life achieved
What it wants.
And life itself
Describe as
Grossly erroneous
Reporting on earth,
Wrong earthing.

Gajanan Mishra
Continually Composing

I am continually composing poems
And taking refuge in You, my dear
You are to make your presence here
And enable the poems to attain perfection.

Gajanan Mishra
Continuation

Continuation of the last one
Is here see at present
It seems You are expanding
But really You are not.

Awake and see and understand
You are the by-product of a
Liberated soul and it is
All products of material dream.

Have you any connection of
The activity of this body
You are directed not to
Accept the bodily concept.

Gajanan Mishra
Continue Love

Continue love
Continue to love
Under all circumstances.

Pure in love
You are a man of pure heart
Be pure in love to all.

Love love and love
The entire world is in you
O my dear, love and love.

Gajanan Mishra
Contractor

I have not made
Any contract with
Anybody at any
Point of time
And it is a misnomer
To called me contractor.

What you said is right
I am not here to admit
I came here and I left
It is not proper to
Forced me for anything
Without having any treaty.

Gajanan Mishra
Contractor Of Tolerance

Please come
And let me see you,
O, contractor of tolerance.
What do you mean
By the word tolerance
That I know here.

Where is your head
And what is your intention
That also I know.
You are there to
Catch fish on the top
Of that dry-mountain.

But hear me, what I am
Going to say;
You are climbing a
Wrong mountain that has
No root on the ground,
Test first your own leg
And your own existence.

Think for a while
Who you are,
Where and what for you are,
Then only utter words..

Gajanan Mishra
Contradicting The Truth

Contradicting the truth
Contradicting the truth no one can
Stay here for a moment
And Truth is a matter that is
To be analyzed in different ways.

It is means Truth is anything here
Truth is neither the illusory
Nor the mirage of an oasis
Truth is perfect and widely accepted
Truth is truth in all systems of consciousness.

Gajanan Mishra
Contradiction To Truth

Contradiction to truth
Not allowed here
Swimming in dew
Not allowed here.

I do not remember
Any good to you
You have done a great good
That I remembered for ever.

We are in need of a new freedom struggle
And we be free from poverty from disease
And from hunger.

Truth is that you are here with me at day
And day is there when there is star in sky
And sky is within you for that I'm a searcher.

Gajanan Mishra
Contradictions Are There

Contradictions are there, true.
But remember, all are for all good.
My dear men, let your hearts
Absorb in the way of all goodness.

My dear men, let us talk always
About love, about the truth, and
Make our talks more attractive
From roots to the roofs.

Gajanan Mishra
Contrary To All

Contrary to all,
We have to establish
Our own identity.
We are to take
The life in a positive way.
We are to go above
All loses and all profits.
We are to think about love,
Friendship and society.
We are to wait for the time,
That is with us always.
We are to forget we are here
For all and for all works
That are for all.
We are to remember, forgetfulness
Is good for health and mind
And for the business here.
We are to accumulate and
Distribute in equal proportion
That are with us for good.

Gajanan Mishra
Contrary To Knowledge

Contrary to knowledge
Is ignorance
Nobody is ignorant
Everywhere you find
Knowledge is there
Every person is an
Object of true knowledge
The world is full of light
No place of dark is here
Nothing and nobody
Is in ignorance
Contrary to knowledge
Is not found anywhere
Knowledge pervades
Everywhere every time every person
thing incident circumstance
Contrary to knowledge is
Misconception and misleading.

Gajanan Mishra
Contrary To Law

And it is foolish
For us not to
Recognized the same.

Fulfilling the desires
Are not possible and
It is foolish to
Go with them here.

Our mystics aim
At different phases
Are not material
And it is foolish to verify.

Playful incidents
We invite for the purpose of
Transcendence beyond any modes
It is foolish to say anything more.

Gajanan Mishra
Contrary To Public Stand

Do not do anything
Contrary to public stand.
Do not involved yourself
In barbaric acts.
Shutting down all useless projects
You can save yourself.

Gajanan Mishra
Contrary To The Truth

We are all steeped in
Unrighteousness and busy
In acting, contrary to the Truth.

With us, the entire world is
Passing through the hotbed of sin,
We failed within our memory,
Our own identity that engender love.

We are inventing our own wit,
We have all fallen a prey to delusion,
Greed had swallowed all pious acts
Discipline of life disappeared.

See, we are revolting against the Truth
And we are giving no respect to Love.

Gajanan Mishra
Contrary To Truth

Contrary to truth
Means perverted,
Enveloped in darkness
Means wrong.

Gajanan Mishra
Contrast

Contrast;
In picture,
In quality.
Contrast;
In belief,
In fact.

Ideas;
Earth and
The sun.
Function;
In shadow,
In outlines.

All grow,
All blow.

Gajanan Mishra
Contribution To Love

Consummation is absolute
love-nature is true character
Life's regular order.

Gajanan Mishra
Control

Control means
Control self
Self means
The world
The world means
You my dear
You my love

I am within you
And I forgot
Controlling myself
And I said look

Gajanan Mishra
Control Anger

Anger is
Contrary to duty.

Gajanan Mishra
Control Control

Control control
But you can not control anything
You can not control birth death
Old age diseases
Even you can not control
Your own senses
Artificial control is
No control
One way control is
No control
Like cats rats dogs
You are spreading everywhere
Without any control
Though the call of control is everywhere.

Gajanan Mishra
Control Of Mind

Control of mind
control of senses
Austerity of body mind and speech
Purity in activities and food
Absence of spiritual retaliation
Simplicity uprightness
I know O my dear are the ways
To reach you
One who helps me is scriptures
Proper method of observation
Firm believe in Love
Life is fixed life is pure
I know and I am proceeding
Towards you O my only truth.

Gajanan Mishra
Control Of The Mind

Control your mind
My dear from distractions
And concentrate on the point
Where it should be concentrated.

Control your senses
My dear from external objects
And employ them on those fields
Where they should be employed.

Control your body
My dear and endure hardships
While discharging your duties
With purity of mind and intellect.

Control yourself and forgive all
My dear even though you are insulted
You are hurt you are pained
Forgive and forget are heaven's gate.

Be upright be simple O my dear
Without having any crookedness fraud
And knavery in your mind and be with
True knowledge what to be done and what not.

Gajanan Mishra
Control The Wind

Control the wind
That I have given you
And be powerful.
The wind is the
symbol of equanimity
Mind it.

Gajanan Mishra
Control Your Body

Control your body
And stay free.
Anywhere you go,
You can see
The crossroads.

You are to
Release yourself,
You are to
Measure the wind,
You are to
Enjoy the night.

Night, only yours,
And you belong to
The butterfly.
Ask not how?
But I must say,
All wonderful.

Go anywhere
And find the truth,
Only it is you.

Gajanan Mishra
Control Your Breath

Control your breath
And live in peace.
Spend your time
Through charity
And sacrifice.
It is your penance,
It is your meditation,
With these make your life
A wonderful rhythmic unison.

Gajanan Mishra
Control Your Mind

Control your mind
And practise virtue
With your mind and
Prove yourself wise.

Bodily irritation
Be watched and
Sins be abandoned
To practise virtue.

Gajanan Mishra
Control Your Mind And Stay Peacefully

Control your mind and senses
And stay peacefully.
Distress and happiness,
All are temporary.

Directly and indirectly,
Try to know the truth.
The truth is you are nothing,
But you are here not for nothing.

Take interest in your own works,
But color not as per whims.
Take note the connection
That is there with the truth.

The time is auspicious
And each one is pious.

Gajanan Mishra
Control Your Own Impulses

Control your own impulses
And desires to get peace.

Gajanan Mishra
Control Your Senses

Don't take violence.

If you say
Don't care
I have nothing
To repeat my words
But you are
Doomed to suffer
Poverty and
Constant misery.

Have some ethics
Follow some philosophy
If you desire some good
For you and for all.

Gajanan Mishra
Control Your Wife

Akbar said
That is right
I have not replied.

What ever you are
Giving to the world
That is returning
I recalled
And Akbar admitted.

Dream is dream
And if it is converted
To action it is true
I said as a poet
Akbar is ignorant
And dare not denied.

Gajanan Mishra
Control Yourself

Control yourself,
Control yourself by practice,
And dispassion.
Nothing is an obstacle
If you accept nothing,
And go on practicing
Still you cease to exist,
And in which you are getting perfection.

Gajanan Mishra
Control, Control

Control, control,
Control measures required,
Self-control is the best.

Be aware of others presence,
Be aware of law, rules..
Control yourself.

To make yourself happy, as said kant,
Is not so important as to
Make yourself worthy of happiness.

Gajanan Mishra
Controller Of The Body

Controller of the body
My body is everything
I can change this body
To a higher grade
I can move to a
Lower class
I know minute
Independence is there
That depends upon me
And I know nothing is finished.

Gajanan Mishra
Controlling

I cannot control
The world
But I can control
Myself.

I am in sleep
I am in silence
I am in wisdom
I have my freedom.

Gajanan Mishra
Controlling Horses

Controlling horses
With full,
Undiverted attention
Is but a necessity
To get success
In life.
With all truth,
With all love,
With all good fortunes,
If you proceed,
No doubt, success,
Is at your feet.
Goal of life
Should be for all good.

Gajanan Mishra
Controlling Senses

Controlling senses  
You should go on fasting  
To purified body and mind.

Regular fasting make your  
Body stay well  
And in your body  
It is He residing  
And with Him  
You are living  
A happier life.

Gajanan Mishra
Controversial Man

Controversial man
I like
A man in challenge
I like.

I like a man
Who stands
At times of
Challenge and
Controversy.

I like a man
smart
In thought
In action.

I like all men
Full of potential
And a man is
At the centre
of my thought.

Gajanan Mishra
Conventions And Usages

We are being the parts
And parcels we are
Not able to go against it.

Since we are not able to
Go against conventions and
Usage we are restrained to
Go in favor also.

Gajanan Mishra
Conversation

O my dear
Really you are
Well-versed in conversation
Really you each and every
Word is educative here.

O my lighter of knowledge
I want to listen more and more
To the speech delivered by you
That dealt with righteousness
In this earthly life.

You are my Supreme Reality
O my dear and I pray
Keep me with You always
In your area of unique knowledge
The manner you like and
Let me understand life.

Gajanan Mishra
Conversation With A Man

- 'Hello, who are you?' 
  O yes, I am a man.
- 'What are you doing here?' 
  Oh, I am searching a man.
- 'But for what?' 
  Well, he is out of the lane.
Hearing all I am impressed,
But my dear, please go ahead
In your search.
I never thought that a man
Would be here to search a man.
I just pray, if you so kind
Then please give me a
New lease of life, my dear.

Gajanan Mishra
Conversion

It is a conversion
In to a superbrand
Meant for the rich
Meant for the mighty
Nothing to worry
You can get a
Luxurious lifestyle
At the cost of poor
Whom you consider
Insects and cattle
And you regarded them
Not fit to live.

Gajanan Mishra
Conversion Magnet

You are in the process
Of conversion magnet,
I know, from your very
Longing for immediate fruits.
I know, you want success
To be attained quickly,
I know, for this you want
To break the customs and
Tradition here at any time
Without caring anybody.
You are busy in worldly
Things and going everywhere
To acquire worldly pleasure
And prosperity, worthless though.

Gajanan Mishra
Coo Coo Coo

Coo coo coo
somewhere here and there
At my mango tree somewhere
At my neemtree somewhere
At my banyan tree somewhere
At my bael tree somewhere
Somewhere somewhere somewhere
Coo coo coo.

This song is yours
This song is mine
This is our song
We all are here
This is ours
Our life is here.

Coo coo coo
Everywhere I wander
Wonder and wonder
unable to move but stay
Here I am with my
Lost time and space hay.

Gajanan Mishra
Cooing Of Cuckoos

Cooing of excited cuckoos
Buzzing of intoxicated bees
Dancing of jubilant peacocks
Cooling drops of spray of waterfalls
Fragrant from the embracing flowers
Glowing with the light of rising moon
Are the faces of spring that appeared
In the evening sky of my Tapobana
Here is the dance, here is the song
And I am with my poems here at this time
With an attempt to seduce the world
I know here in this world my dear
Only You are wandering in white complexion
You are also blackish that I know
At this time I stood up and offer
My prayers, my dear, filling tears in my eyes
See I am in folded hands in supplication
Head bowed in humility, voice choked in ecstasy
I have nothing to give nothing to describe
But to surrender before You, O my friend
Excuse me for any fault here in me.

Gajanan Mishra
Cooing Of The Cuckoos

Spring air,
Coo, coo of the cuckoos,
Nonviolent and
Non-envious atmosphere
All are there at present
And I take rest
Here in this world-garden.
Pleasing and enjoying - all,
Humor, relationship -
All are good and refine.
Nothing to wander,
But everything is wonderful.
Life is all fresh,
All are young with form,
Taste, smell, sound and touch.
All are protected by love,
All are protected by the truth.
All around colorful lights,
All around the dazzling sky.

Gajanan Mishra
Cool Air

Cool air
Cool water
I want
In this summer.

My ears, eyes, skin,
Tongue, nose, all
Are here with me.

I am attracted
And I am in pleasure.

I am in mid-summer.

It is true
I am not equal
To everyone
And it is a danger.

Gajanan Mishra
Cool And Cool

Be cool and cool
And observe
What is going on
Before you.
You have nothing
To do
You have nothing
To say
Only observation
Is necessary
Silently
Without any reaction.
And who are you
Really?

Gajanan Mishra
Cool Brain

Moon, give me
A cool brain,
I pray.
I know, Moon,
Rare you are,
Yellow and
Super you are.
I am charmed
With your
High spirits.
Moon, give me
Something different,
And balance me
With quality time.

Gajanan Mishra
Cool Cool

Cool cool,
Hot hot.
But I said,
Hurt not.

Hurt not,
Though burst.
Rise rise,
Fall not.

Fall not
Life is not
For all,
Tha's all.

Gajanan Mishra
Cool In Summer

I feel warm in winter
I feel cool in summer
In Your presence, my dear
I have completed all the test
And let me declared
You are the best.
O my dear, without You
Life here is full of danger
Here nobody is lion
Nobody is jackal
But everybody is a creature
With same principle framed by nature.
One who is perverted face the downfall
One who is on the path of reality get success and honor.

Gajanan Mishra
Cool Relief

You are my lovely dedicated wife
A cool relief in this hot hell of miseries.
You are my noble friend
A cool relief in this hot hell of miseries.
You are my obedient son
A cool relief in this hot hell of miseries.

Gajanan Mishra
Cool Song

Listen to me,
Carefully.
All for free,
For you only.

Try not to
Translate it,
It would be
All funny.

How you feel,
Describe not,
Result would be
Terrible.

Make sure
You are okay.

Gajanan Mishra
Co-operation that I
Need from you
And you heed not.
Day and night
I scramble
And you declare
Not who win.
The matter not known
And I stayed
For nothing
Without clue.

Gajanan Mishra
Coordinator

You are the coordinator,
Coordinator of love.
Being the coordinator,
Your duty is to make us happy
And thanks, you are doing it.

I am the father of my son.
Being the father,
My duty is to make
My son a good human
And let a human loves all.

Gajanan Mishra
Co-Ordinator- The Poet

Co-ordinator is
The poet.
Co-ordinator in between
The sky and the earth.
The is the editor
Of this body and
The air.
The poet is there
To edit the water
And the light
And this life.
The poet is there
To supply strength
To all.

Gajanan Mishra
Copper- Colored

Black and black,
I love all that are black.
But I am not to hate white,
White the creator of black.

White and white,
I love all that are white.
All that are white
Are with all might.

Might is right,
And it is reddish.
Short or long - no matter,
But you are my dearest dear.

My dearest dear, come on,
I am copper-colored.

Gajanan Mishra
Copy And Paste

If there is option
For copy and paste,
Let us do it
For smooth management.

If there is option
To exit and delete,
Let us think for a while
And go on searching life.

Gajanan Mishra
Copy Right

Copy right on
Body soul
Mind, and on air water
Earth sky and on light.

Copy right on emotion
On passion on devotion
On preparation and on
Darkness of the night.

No copy right on anything
Means You are nothing
And You are in everything
Without any intervention
From any side.

Gajanan Mishra
Cordial Welcome

Come come

Introduction about you
If you can
And thanks.

You are welcome
In this world-fair

And this only ours.

Gajanan Mishra
In the core of my hearts,
I love all creatures,
I know they are all my
Parts and parcels.

I am personally present in all,
And all are there in me.
I know, you know and it is
Well known to all here.

It is known to all that
No one is free from sins.
And each one is dependent
On another to live and
To maintain the livelihood.
I pray, let all live in peace.

Gajanan Mishra
Corn Field

Corn field that is there
Is not mine and I used to
Go there every day and night
The sun and the moon forget
To tell me the time correctly
And I reigned over air or air
Is there within difficult on my
Part to assessed before all
And I am jealous for your life-breath.

I thought to returned to
Original place of mine and
You failed to give my location
Properly and the water scattered
Through out my room that was
No more green-book for me.

Gajanan Mishra
Corner

I am sitting here in a corner
You are only there
whom I am looking for.

It is you who is
there at the centrestage.

It is you who is
coming forward to
lift me with
bag and baggage.

Gajanan Mishra
Corporate Sector

Where are you going my dear
Profit and loss are the only Budget of the corporate sector.

Who is there to recognised you my dear and
To give value no body is there to deliver life clue.

Life is not cricket pitch my dear where you can bat
And acquired four and six and what is the use of
My poem where common pleople not get a chance to mix.

There is no law and order in this city my dear
I felt guilty as I came here insearch of scientology.

What is that you can ask me and the crow is ready there
To answer each and every question in clear and loud voice
Alas, I am not there to opt for choice.

You are going and I am here to carry the burden of life
And to praise it here there is nobody.

Gajanan Mishra
Correct And Not Correct

Correct and not correct,
I am not this, I am not that.

Neither I am alive
Nor I am dead.

I am far above
From all truth,
From all falsehood.

Here I appear,
For you.

I am the poetry
Of the day.
Say never goodbye.

I conquer you
For good.

Gajanan Mishra
Correction

Yes,
We have power
To correct ourselves.

We have no right
To correct others.

We are to think ourselves
It is none of our business
To think of others.

Gajanan Mishra
Corridors Of Power

No,
I am not there,
In the corridors of power.

Why should I be there?
No way I am related
With anything.

I am a star and
You recognized me
That's enough.

I am taking steps
To correct myself.
But for what
That I failed to
Understand humorous though.

Gajanan Mishra
Corroborative Evidences

Corroborative evidences are
Nothing but life itself.

While undergoing transformation
That evolves from subtle element sound.

Next touch and perception
That exhibit existence.

It is nothing but air produced from the sky
Softness hardness and also cold heat tactile sense.

No other distinct characteristics but life
In air in sky on this earth and it is the mixing.

Gajanan Mishra
Corrupt Miscreants

Go away, go away,
O corrupt miscreants, go away,
From this land.
Or else you will be killed,
As you are the enemy of
The motherland, mother language
And the mother.

Gajanan Mishra
Corrupt Rulers

Corrupt rulers annihilated
By You O my dear
For a better world
Corrupt administrators
Are always against the intelligent
Are always against the Truth
Are always against the honest.

Gajanan Mishra
Corrupted By Deviation

Though I am here
I love You O my dear
I love You
I am faithful to You
Faithful to You only
I enjoy Your company
Your company only
I condemn none
I am not fallen
I am single-minded see
Test me here, my dear
I love You I am Yours
I am not corrupt
See me nothing to criticize also.

Gajanan Mishra
Corrupt-Free

You are to load
Anti-corrupt soft-ware
In your computer
To keep it safe.
You are to keep
Anti-corrupt teaching
Soft ware and learning
In your life
To keep your life pure
And successful.
Go not for sins
Or sinful actions
It leads to heel
Being the son of nectar.

Gajanan Mishra
Corrupting Mind Soul

Corrupting mind soul
Honor and reputation
Is the work of evil man
And I'm not a evil man
I know what is good and
What is evil.
You just asked yourself
To know the way of modulation
and day night rotation.

Gajanan Mishra
Corruption Rampant

No body is there to serve the people.
Are the common people not necessary?
Are the common people burden of the state?

The act the law the rules the regulation
Are of no use for the common people.
The common people are in no way
connected with the main stream of the state.

Corruption rampant everywhere
No body bother about anything
No body bother about the state.

Gajanan Mishra
Coscious Of You

I am never lost,
Nor anyone
Ever lost to me.
I see everything in you,
I am very much
Conscious of you.
You are my everything, dear,
I can't exist without you.

Gajanan Mishra
Cosmic

Cosmic all,
Appearance and disappearance.
Cosmic all,
Inside and outside.

Conception of truth,
Not good, though.

All possibilities are there
To revive by touch.

What is for you,
Not for me, though.

We are all together,
But beyond perception.
We are all here,
Not comparable to any creation.

Gajanan Mishra
Cosmic Being

Fire with the organ of speech
Wind with the sense of smell
Light with the sense of sight
Ears with the sense of hearing
All are here with me and I rise
And I circulate myself
With the faculty of locomotion
As a cosmic being
And I entered your heart my dear
With reason for the sake of Truth.

Gajanan Mishra
Cosmic Body

Being not able to see
Cosmic body of the poem
I pray O poet
To reveal it to me.

Revealing it
I can able to
Understand who am I
And I can know your
Intention to some extend.
And poem reveals itself
In due course.

Gajanan Mishra
Cosmic Form

Cosmic Form of the poem
Is really wonderful.
O poets, You are really great
Great are your words, verses
That are meant for the welfare of all.
It is your grace
It is your compassion
That I know to all
Living and non-living creatures.

Gajanan Mishra
Cosmic Form, See

I have my own
Cosmic form, see.
Hear my words
And be disciplined.

Gajanan Mishra
Cosmic Fusion In Poetry

Here is comma, full stop,
Or, also, and, for, but, then.
In poetry find well, bravo, tut, pooh,
Hush, ah, beside, around, above,
Adieu, upon my honour, good bye,
Hallo, how aweful, excellent,
Heigh, hip hip hurrah!
Everything is there.
Poetry is as old as hills,
As free as birds,
As bright as a day,
As obstinate as a mule,
As deep as a well,
As brisk as a butterfly,
As clear as crystal,
As permanent as nectar.
Poetry is in cosmic fusion,
Cosmic fusion is in poetry.

If the vilest of the vile will
Just go on reading a little,
I am sure, he will reach
To the heaven.
In every family,
There should be
A collection of poetry.
Go not hurriedly my dear,
It is means the poetry
Is there in every succeeding life,
It is trickling within life itself.
You cannot find any hissing sound,
But gentle breeze is there in poetry.
Be cautious at every step here,
The words, sentences are there
Layer after layer can make everything
Null and void at any time.
But if you put them accurately
Side by side they can fulfil your
Hopes and aspiration, they can
Help you in the field of
New discovery and invention.

Poetry is there to make you
Educated and cultured.
Poetry is there to give you
Fruit and roots at a time.
Poetry is there in mart and market
Just to push you forward.
Poetry is there in equity and justice.
But remember without poetry
Everything will go rack and ruins.
Poetry is fair and proper
With love and truth and it is you,
I am reading and writing day and nights,
Calm and quiet, with patience
And perseverance keeping in view
Our own tradition and culture.

Gajanan Mishra
Cosmic Night Cosmic Day

Cosmic night, cosmic day and
It is coming again and again
In the same sky, in the same way.

Reality of time is in touch with us
And we are here within the realm
Of our creator.

And You are unseen and not manifest
And indestructible and I am with You
As Your fragment here.

Gajanan Mishra
Cost Of Life

Cost of life,
Not hike.
Life has intrinsic
and also instrumental
value that I like.
Life is near but far
You can have it
and you also cannot.

Gajanan Mishra
Costly

Costly life costly time
Truth is costly life is costly.

No one can say
The exact cost of life
No one can investigate
What is life
No one can speak
Bare truth of life
No one can
No one can.

Gajanan Mishra
Costs Crores

Costs crores
To train a pilot.
No body can fly
Without pilot.

You are my only pilot
I cost nothing
It is you to take my flight
Without any hazard.

Gajanan Mishra
Cottage?

Cottage?
What is it?
Where is it?
Asked my grand-daughter
Aaeshanee.
Who live there?
And how?
Somehow or other
I tried to pacify her.
But the questions are
Ringing within me.
I failed to understand
Either the meaning
Or the time.
The free and flowing water,
The fruits of the trees,
The air there
Taken by them in free,
I failed to understand
The standard of livelihood.
It is beyond my reach,
It is beyond my writings,
Yet, I tried hard to
Touch the screen
By the power of imagination,
I told Aaeshanee, worry not,
Everything is possible
In meditation.
What she understood
That I can't say
But I must say how
She agreed to go outside
For a walk with me, but now.

Gajanan Mishra
Cotton Flower

Saint and cotton flower are same and alike.  
In appearance they both are not beautiful  
Not scented and not showy.

Saint and cotton flower are necessary  
And most useful for daily life.  
They both are white and pure and perfect  
And serve human being forgetting their own self.

Gajanan Mishra
Cotton Flower - Identity

See the cotton flower
It is most valuable,
Like the cotton flower
The true poet sacrifice
Himself for the welfare
Of others and forget
His own identity.
Thanks Tulsiji, you proved it.

Gajanan Mishra
Count The Doors

Do good
Do good to others.
Give service
Give service and
Serve others.

Know
Know this
Only purpose
Of this life and
Find no alternative.

It is yours
That is mine
Count the doors
Only nine.

Gajanan Mishra
Count The Leaves

Count the leaves,
Leaves of this
Tamarind tree.
The age of this
Tamarind tree is
More than hundred,
Hundred years,
Remember, dear.

Gajanan Mishra
Count The Numbers

Count the numbers
Langston Hughes
And pick up a lotus
And not rose
In your lotus
I see shadows
I see thousand lights
I see thousand whirling dreams.

Gajanan Mishra
Count The Second

Count the second
And live the life
Of a lion.

Gajanan Mishra
Count The Stars

Count the stars,
Lucky aspects they are.

Stars are full of delight,
Only feeling is our might.

 Honour and applause
 Play of cat and mouse.

O refugee, come on and see
This is the story overseas.

Gajanan Mishra
Count Them

Count them
Who are going to die,
And tell me
Whether you have
In that counting
Included your very name.

Gajanan Mishra
Count Your Stars

Count your stars and planets
By your selfless services.

By your selfless services
My dear, you can revive your fortunes.

Jugglery of words be forgotten
And practical works be undertaken.

By undertaking practical works
My dear, you can keep favorable stars with you.

You are not poor, that I know,
You can achieve tremendous success, be aware and be careful.

Improve your conditions by yourself
With your inner strength and power with love.

I am sure, my dear, you can fetch, in your life,
Good return now and then, here and there always.

Gajanan Mishra
Count Yourself

Count yourself
As blessed one
O my dear
Count yourself
As blessed one.

Do me the favor
O my dear, and
Confer dignity
On me, my dear
I know You, the Truth.

You are the Truth
You are everywhere
All times and You are
Everything, I know only You,

Gajanan Mishra
Counteract Injustice

Put not people into difficulty
By injustice only.
People are the root
And you are all for the people,
Of the people and by the people.
The supreme sovereign power
Is vested with the people.
Remember, you are there
To counteract injustice.

Gajanan Mishra
Counter-Action  Reaction

Action reaction inaction counteraction
All are within the fold of attachment
And attachment with You O my dear
Is not bad where nothing that sort
Or symptoms there of is discovered.

No classification of any division is
Explained fully here or there or anywhere
Terminating life is not so easy like eating
Sleeping fearing mating and like or dislike
That would be evaluated everyday morning and evening.

Gajanan Mishra
Counting

Count the number
one two three four
and you are there.
count the number
downward four three
two one
and kanyara flower
told me difficult to go.

I am in between
the sun and the moon
inbetween the light
and the dark
in between the
love and hate
and I am out the scene.

Today monday
time 6PM
start counting
number one two
three four and
start collecting
all of them.

Gajanan Mishra
Counting Days

I am counting days
I am not sure though
What is a day.
I am with You, my dear,
Though I know not,
And I am not sure,
Who You are and where You are.
I have my own mouth
But I am not able to
Utter a single word
Without Your help, my dear,
And I am ignorant all about You
I am here though in You
And You are in me.

Gajanan Mishra
Counting Minutes

Counting minutes in June
Waiting for rain
Blooming flowers stayed doom.
Running up again and again
I have lost my time
And saving me I became happy.
Passing everything to pass
In hurry I claimed not mine
And finding there is no time
I am not mine not mine.

Gajanan Mishra
Counting Pleasure And Pain

I can count my pleasure
But I cannot count my pain.
I know they are not mine.

Gajanan Mishra
Couple

Not two
But one
Inwardly.

Though separate
Outwardly.

Duality
does not exist
Only love
reigns supreme.

It is one
And the same.

Gajanan Mishra
Courage And Hard Work

We have courage
We are doing hard work
Purpose must be good
Without good intention
Without good purpose
All waste all destroy
Charity and love
We are to earn
We are to give
Without hard work
Without courage
And it will last for ever.

Gajanan Mishra
Courage is needed
And nothing else
To stay here.
To stay here
You are to go
With wisdom.
Wisdom is here
Within you, see.

Gajanan Mishra
Course Of Life

Keep faith,
And reverence
And obedience
And discipline
And well-regulated life
And temperance And plain living
And sense control,

Gajanan Mishra
Courting Disasters

Living with
Quarrelsome persons,
With ill-tempered
And harsh-tongue
Means courting disasters.

Living with
Lowly persons,
Would get one lowly,
Going to a persons of
High class
Can prove profitable one
In many ways.

Gajanan Mishra
Covered By Ignorance

I am covered by ignorance
No good instruction can touch my heart.

Gajanan Mishra
Covered In Truth

On the road I see you,
All night all snow.
On the track you are,
All day all fire.

Mind blows, clouds part,
Mountains cry, forest smiles.
All buried in chest,
Breathes in love.

Blade and knife,
All for new all for good.
Thunderclap all answered,
All covered in truth.

Gajanan Mishra
Covered Up

The thing is
Covered up.

The form is
Opened.

Shadow of the dark
Is here.

Secret success
Have patience to bear.

Understanding is
Clear.

Let us cheer
And cheers.

We are for air
And water.

Gajanan Mishra
Cow

Where is the cow
Even cowherd
Could not say.
Coward says
And what he says
There is no cow.

Gajanan Mishra
Cow And Man

Comparison of cow with man
Has got no justification
And there is no outcome you desired.
Nothing nothing but money to count
Nothing nothing but water to filter
Nothing nothing but man to see and watch
See I catch a bird that marched.

Color black or white does not matter
While I am marching left and right
In search of a woman and I am not
In need of a stick to break and
Not to kill the snake and I am here
Forgetting cow that was grazing
In the field yesterday with combed
Eye brows and looking better me
Comparison of cow with a man is
Just madness and you do agree with me
And still you compare and told the whole story.

Gajanan Mishra
Cow And Not Tiger

I want cow
And not the tiger.
The tiger is there
To attack me
And kill me.
The cow gives me milk,
And everything like my mother.
The tiger is no way helpful
But the cow, in many ways,
Help me to lead a healthy life.
I want cow,
The cow takes all pain for me,
The cow is the symbol of my life,
My earth and everything.

Gajanan Mishra
Cow And Snake

Cow and snake
See them and
Observe them.
Is there
Any resemblance?
List out the differences
If you find any.

For milk.
And why are we not keeping
Snake at any time, ? tell me.

Remember, I am not telling
All these as a bad carpenter
Who is quarreling with his tools.

I am sure I am here
To come off with
Flying colours.

Gajanan Mishra

Cracked face,
All yours.

In your area
To measure
Who and how
You are.
And I am for
Your welfare.

I am falling,
You are laughing.
And I am
Giving you service.

To measure you
I have no strength,
I am in truth,
Though.

Let me admire
Your creation, my dear
Even though I am able to
Understand nothing.

It is I
Who is worthless
I should realized
Your creation is
Not devoid of all merit.

But excuse me, my dear
I have a bias
For goodness like the bee
Though no poetic charm
Truth is there
And I love it.

Though my poem is

To outside other than water.

I have never acknowledged myself as superior
It is just for my sustenance I am eating other creatures
But my dear, I picked up the leg of an elephant
Who was entered to the water with a proud land-ruler.

For so many years I have never seen such gigantic-animal food
And I was pleased thinking that my children also would get food
But my dear, is it not Your injustice that you killed me at once
Without calling an explanation from me? it is ex-parte decision.

I have not committed any sin so far my knowledge goes, my dear
I know no scriptures, but You are Omnipotent Omniscient
You are all powerful You are full of knowledge and so
I am eager to hear from You for my own satisfaction.

Would You like to made me a character of Your novel or fiction

Give me justice and be impartial to my children at least
Let me sacrifice myself to fulfill Your wish.

Cry, cry, cry,
Tears no more.

Think not
You are here,
When you think
You are no more.

Think not
Any one is yours,
When you think
You find yourself
No more, no more.

Nothing is yours
But you are for
Everything and everyone.

You are here
For ever, but
See nothing
And no one.

Cry, cry, cry
Tears no more.
Smile and smile
Till not bored.

Gajanan Mishra
Crying

It is good
You are crying,
It is good
You are smiling,
Smiling and
Crying in normal way
Is good for the body
And also for the mind.
Cry with pain
Cry with separation
Cry with prayer.
Doing something wrong
You feel pain, cry.
You feel separated from love
Separated from truth
Separated from God, cry.
Call for the God
And at the time of calling, cry.
And smile, knowing that
God is within you always.
Smile, knowing that
God is doing everything
For you and for all good.
Smile, and smile knowing that
There is nothing besides God
And God is full of grace and
Love and God is all truth.

Gajanan Mishra
Crying And Singing

Crying and singing
No difference
Birds and sky
Sound same
Birth and death
One and
No difference.

Gajanan Mishra
Crying And Smiling

Is crying
Not a form of smiling?
Both are
The manifestation
Of your ignorance.

Gajanan Mishra
Crying Before Mirror

Crying before mirror
And telling,
Mirror is crying.

Asking the dream,
And mirror is dreaming
Life here and
It is under scrutiny.

Some words are
Left out
And so also
Some sights.

But the mirror
Is still there
Like far up star.

Gajanan Mishra
Crying In Forest ????? ????

Crying Loud

Absorbed in Your thought
O my dear, I am crying loud
Absorbed in Your thought
My dear, I am laughing

You are my only personal audience
And for You I am here peaceful and silent.

Gajanan Mishra
Crying Of Humanity

Listen, Humanity is crying,
Crying of humanity is there
In Pakistan,
In India,
In America,
In Russia
And everywhere
All over the world.

What to do
Think for a while.
How to tackle terrorism
Think for a while.
The characteristics of terrorism
Are ignorance, ego, pride, anger,
Passion, lust and lack of love
And proper education.
Think for a while
How to tackle them
Those who are going
Against themselves.

It is true today also
They know not what they do,
But we cannot say
Father forgive them
For they know not what they do.
Let us do something, friends,
Let us do together for the larger
Interest of humanity.

We are all one and the world is
For us here. We are here to live,
To die, to love together.
Let us come friends with truthful
Intention and clear hearts and
Do something for the safety of
The world and all.
Gajanan Mishra
Crying Of Yellow-Leaf

I heard
Crying of yellow-leaf
I heard
Crying of lonely-wife.

I am crying to hear
The songs of rising sun
I am eager to hear
The story of far-sighted stars.

I heard
The snake-bite sound
I heard
The dogs-bark at day-brake.

I am failed
To give suggestion to live
I am succeeded
In my living of a dead-man.

Gajanan Mishra
Crystal Clear

Crystal clear,
No matter,
If there is no water.
We are trying to live,
No problem,
If there is no partner.
We know how to love neighbour,
We know how to use the lighter.

Gajanan Mishra
Crystal Life

Here it is,
Crystal life
With all rain
And with
All sun.

The cubs are to be
Taken care.
All cryptogram
Are to be kept secured.

Tear up all crustiness,
Dear men, and see
The truth that is to be
Fished out from mud,
For all good.

Gajanan Mishra
Crystalline Rock

You are not the one,
I know, who doubts
The possibility of knowledge,
You are not sceptical.
You know the diagram,
And you are proceeding to that end,
Where you are to cross
The layered crystalline rock.

Gajanan Mishra
Cuckoo

Koo koo koo
Follow the sound
Find the cuckoo.

Where is the cuckoo
I do not know but
I am sure
This is the spring
it is the king
The cuckoo is here
Here there somewhere
Giving information
With sweet singing.

All trees of my
Tapobana are
Looking beautiful
With new leafs
Colorful flowers
And with wonderful scents
O Aaishane my little angel
It is your turn
To assess life in new
Pages of time.

What color is cuckoo
I do not want to know
I love cuckoo for
Sweet sound
I know listening sweet sound
Is my birth right
So also delivering
Sweet sounds is the primary
Duties of mine
I am sure this much
Cuckoo is telling
And telling.

How can I keep contact
That is a matter to discuss.
How can I sing?
How can I dance?
No one is here
To see to watch.
It is you to tell
As I feel only your presence.

Gajanan Mishra
Curse- Blessings

Comment not
On defects,
They are
But temporary.

Just accept me
Like a mother, who
Accepts and put
Her child in
Her lap and
She thinks not
Whether her child-
Dirty or clean.

I am not
Seeing even my mud,
That is in shape of
Defects or sin,
I am seeing you,
My dear, just come
And take me from here.
I feel satisfied
And happy in any
Happening.
I know I have
Nothing to do for me.

See me, my dear,
I depend on
Your thoughts,
Words and deeds.
I know even your curse
Is a blessing for me.

Gajanan Mishra
Cursed

If my poems are
Not fit to read and accept
By all the common and also
Wise readers, poets, saints,
Sages, critics and editors,
Let me say my life is cursed.

If the fruits of the trees
Of my orchard here and there,
Are not fit to eat and digest by all,
Let me say it is for
My faults at any stage
At any time and let me say
My life is cursed
And not that of the tree.

Gajanan Mishra

In such manners
We can take
Our wills
And we can know
Where is hills.
Nothing to worry
We know our

There to go
In the wilderness.

Like birth day cake.
Put out the candle
Like the sorrow.
Let the baloon fly
Like smile.
Show your colourful
Flowers like fresh
Life in the morning.
Sing the song of joy
And place the sky
In between two neighbours.
Remember the time
And save it, my dear.

Gajanan Mishra
Cut wasteful expenditure, my dear,
And build your new future.
Everything is in your hands, my dear,
Go on doing with proper measure.

Each and everyone be given his dues,
The air, the water and the land be given
Proper importance and action be taken
For a pollution-free atmosphere.

Life is very valuable, my dear,
And all should be treated equally
While dealing with law and nature,
Cut wasteful expenditure, my dear.

And know the reality
With sharp intelligence.

Gajanan Mishra
Cutting Stone

Cutting stone I went

Gajanan Mishra
Cutting Tree

The tree is  
Without end  
Without origin.

With a strong axe.

It is fair  
In non-attachment.

Daddy's Girl

Daddy's girl.
I am my daddy's girl
And I am natural.

I know the art of
Renunciation and
Transcendence of
Material world.

I am my daddy's girl
With achievement of
An unchanging state
That is there in life.

I know the truth and
Relevancy of life
Here with my daddy and it is final.

Gajanan Mishra
Daggers Drawn

good and evils
With each other,
My dear, I am
Within them
In this body-field.

I am in no ways
Connected with
Any group thereof
And I am staying
Within them with
My own identity.

Interesting is
Both are my creation.

Daily

I am dying
Daily.
Daily
You are coming,
With the loud cry
of my neighbor,
With the falling of
a leaf and also
with the rising
of the sun.

Daily
the sketch map
is changing
in my presence.

Gajanan Mishra
Daily Activities

For good,
For all welfare,
I am there
Busy in
Daily activities
With love
And truth.
No need to
Tell anyone
I love you.
No need to
Utter any words.
I touch everyone
Through brass tacks.

Gajanan Mishra
Daily Admission

Poem is daily admission
Of my weakness.
I am trying daily
To write poem better
Without words.
I avoid to write words
Without poem.
I am taking pause
Within the words.
And the words are
Giving their reflections
Within me.
I care not your right to reject,
Often I want that.

Gajanan Mishra
Daily Life

Light is on
And we all are
busy building
our nest.

We beg apology
For not able to
move forward
at our best.

Space is open
And clear is
our language
that is within.

Gajanan Mishra
Daily Reality

Daily reality
Pain grief sorrow
Human condition
In this world
Uncertainty despair
Draining of hope
O my dear
Where is my hope
I am struggling here
To live for
What I do not know.

Gajanan Mishra
Daily Reminder

A daily reminder
Is being received
By all and yet
All are careless.

Nobody is taking interest
How to go and what to do
And yet they are worried
For nothing and they know
Everything is fruitless.

Nobody is conscious
And truth is there doing
Its own business keeping aside
All without any disturbance
And washing the brains in due time.

Nothing is surprised
And with cause and effect
It is there as you see
And yet it is forming
It is dying as we say.

Unconditional chewing of time
Uncontrolled use of senses
Making everybody ignorant
And you yourself meet the end
It is not though like this.

What use of hunger and thirst
And fatigued when we are
Discussing everything out of topics
And disturbing ourselves as seen.

Gajanan Mishra

Gajanan Mishra
Nothing wrong has been done
By Dana Majhi of Kalahandi.
He has just taken away
On his shoulder,
The dead body of his wife.
The sweetheart of Dana Majhi,
As you know, died in TB
At the hospital.

But let me ask a question
Why you people are so much
Worried about the incidents?
It is because something
Wrong is there within you,
It is because you are enjoying
Your life, at the cost of the people
And doing no welfare acts so far.

Remember, the summum bonum of life
Is situated in the loving service
Of the people in any set up of Govt.
You are seeking happiness, true,
By employing your senses
In the modes of materialism,
And you are not satisfied.
It is true, you engage yourself
In various philanthropic and
Altruistic works and all fail to
Give you satisfaction.

It is happening only due to
Your own childish innocence,
You are by nature eternal servitor
Of the people and you are
Taking away everything from
The common men like Dana Majhi,
And knowingly and unknowingly
Not providing the basic needs.
Dance - Poetry In Motion

Dance - poetry in motion,
Cultivation - poetry in work,
War - poetry in struggle,
Family - poetry in love,
Let us live life with poetry
and see the residue with us.

Gajanan Mishra
Dance And Dance

Dancing the world
I see
And dancing is for
Creation recreation
And destruction.

Dance is a poem
I want to connect
I want to connect
With people of the world
Through the dance
Through the poem.

Gajanan Mishra
Dance Democracy, Dance

Dance democracy, dance.
Dance in Europe, dance,
Dance in entire world
For the sake of humanity.

We the men are our friends,
We the men are our enemy.
You know all democracy and
You started dancing
At this hour of the night.

Dance, dance, democracy,
Not in folly but with intellect,
Not with terrorists but with
People in general, for peace
And non-violence, for each entity.

Gajanan Mishra
Dance Not

No one dance
Without any tune.

Every one is to first
Know what the tune is.

Gajanan Mishra
Dance, I Like It

Dance, I like it,
I like it
For the sake of
My health and life.

I discover life
In my own joy
With the voice of dance.

The earth itself
Is dancing
And giving light
To all.

I am on this earth
And I am dancing
For the sake of love.

Gajanan Mishra
Dancing

What do you mean by dancing
Ask not me if you know me
I know the rhythm of the universe
And by this dancing we come
We live, we go and we are part of that
Eternal dance.

Our dance is a whirlwind
And we are lost in this dancing
We are inside us and unbreakable
And we are all in one unity
Our dance is our mystery
Ask not about dancing
I am not within the line.

Gajanan Mishra
Danga Tumara (Odia)

Gajanan Mishra
Danger

Danger,  
and it is everywhere.  
Snakes are there  
in sandal trees.  
Crocodiles are there  
with the lotuses.  
There are bad people  
everywhere with good one.  
And we are to live  
with them and we are to  
do our duties  
without fear or favor.  
Nothing is there to happened,  
And there is no danger.

Gajanan Mishra
Danger - At Every Moment

Danger - at every moment,
No one is out of danger
At any time anywhere.

But nothing to fear,
Tell the truth and
Stay far away from danger.

Talk to all freely,
Reply all questions with a smile.

Gajanan Mishra
Danger Is My Own Knowledge

Danger is my own knowledge,
Cent percent, I must not
Go with it.

The best is my poems,
I am telling this
Time and again,
I feel all good here,
And I know I have written
The poems without biased.

I know poems
Can emancipate you.
Poems can show you
The road you want.

My world, my poems,
My life, my time
All are with me,
And you are in it.

Without poems
How can one live?
Without the world
Where to live?
Poems and the world-
All one and the same.
I live in it,
Come on dear men,
Have an experience
With me.

Poems are not
The storehouse of knowledge,
But amalgamation of
Experiences.

Gajanan Mishra
Danger Means What

Danger means what
And what is danger
How can I know, my dear
It is true, you have
Described in tit bits
It is true, you are in anger
But what shall I do
Nothing is under my control
I see here everywhere
Full of terrible and
Poisonous fire
But I am last to care
It is I who is there
To dance on this danger-fire.

Gajanan Mishra
Dangerous

Mosquitoes and flies
Are in stagnant water,
And it is dangerous.
Road not swept yet,
Piles of garbages are there.
The moon roared,
And facilities improved
And we sounded well.

Gajanan Mishra
Dangers Can Be Created

Dangers can be created
And also can be removed.
But we are to test our
Strength and energy with
The problems of this world.

Dare not think anything
Dare not think beyond anything
Desire not anything

Mine is nothing
Yours is nothing
There is nothing
We are here for nothing.

What for we are going
And whom you are calling
And further and further they are
Moving and moving reasons not knowing.

Gajanan Mishra
Dare Not Say

Do you know my mind?
Dare not say anything.

See
I am going to you
I am going through you
I am going for you
And you are saying nothing.
Do you not know my mind?

It is glory
That is being searched
By everybody.

Gajanan Mishra
Dare Not Say You Are Doing

Dare not say
You are doing
Good to others.
Know first
Your own capacity
And who you are.
Know first
Who is real
What is eternal.
You may not
Read books
But you must
Read and observe
The nature here.

Gajanan Mishra
Dare Not To Check

Dare not to check the sun,
You are there to burn.

Certainly, you are there
To measure the sky.

Certainly, you are there
To wash the air.

Certainly, you are there
To take away the water.

But imitate not the earth,
You are there with the sun.

Gajanan Mishra
Dare Not To Criticize Others

You may commit the great offence
Of criticizing yourself.

Gajanan Mishra
Dare Not To Dream

Dare not to dream,
Dream is not yours.
Tell something new
On this earth and
Win the hearts.
You are now going to
New orbit, just find it.
It is your life
That is there
And not your dreams.
Dare not to dream,
Without dream
How can you live?
I am my dream, dare not dream.

Gajanan Mishra
Dare Not To Look At Me

Dare not to look at me,
I am nothing, nothing.
But fear not, I'm everything.
And dare to leave me.

Gajanan Mishra
Dare Not To Separate Me

Dare not to take steps
To separate me
From my own language.
Could you separate
Fragrance from the flower
Or effulgence from the sun?
My language says what I am,
I am telling what my language is.

Dare To Fight

Dare to fight soldier
Dare to swim beginner
Dare to beg to differ.

I praise you and like you
You are really daring.

Galani Mardi.

Bhuta karichhi ki basa ethi?
Aasiba jiba nahin kahari
Maobadi maobadi
Khali paduchhi huri.

Namamatra adibasi
Jami jangal gharadiha nahin
Madakhai sei bamurgachha tale
Dhuluchhi Shyama Majhi.

Patra jhada kana Asanta ni?
Kichhi achhi na nahin bhitare tumara?
Hunkari chalichha khali

Gajanan Mishra
Dark

Dark is here
And I gazed at
Everything is in dark.

I am the only person
Who is here to say
What is dark
And who are there.

I know how to go
I do not know
How long you
Stay here.

Flower blossom
Scent spread
And it spread
All round I know.

I know dark is here
I know nothing affected.

Gajanan Mishra
Dark And

It is dark
I am with
You as light
It is dark
And dark
My smiling
Sparks.

Gajanan Mishra
Dark And Blue

What received, I deserted
What is deserted, lonely I gazed
What I gazed, dark and blue
Here in dark and blue life peep
Dark and blue not to disclose.

Thanks and I thanks you
For these dark and blue
I am in that dark and blue
That is with me and I am
Unable to desert now.

Now I am here as you see
In dark and blue forgetting
Past and future I am here
In this position that you
Can not discard and disclose.

Gajanan Mishra
Dark And Dark

Dark and dark,
Darkest hours,
Dark cloth,
Dark flags,
Dark life, we have
Here, on this earth.
King fears dark,
And darkness.

Death is dark,
King knows well.
The hair is dark,
One who wants to stay
In the state, the king
Orders to stay hairless.

Gajanan Mishra
Dark Behind

Life and no life
No use of telling
No self-interest
To investigate
And nothing
End and endlessness
And no sermonize.

Gajanan Mishra
Dark Eyes

Dark eyes -
I see
In light.

I feel
All creative.

Performance is
Full of humor.

All short,
Full of songs
And dance, though.
Find there
All Sorrows.

Gajanan Mishra
Dark Face

Dark face, I see
Sky face, I see
Pure consciousness, I see
O my dear
You are my face
Deep and dark
Bright and white
You are my sky
Vast and at sight
You are my pure consciousness
In so many clothes
Garlands of flowers
Rosaries of gems.

Gajanan Mishra
Dark Is There

Dark is there,
In our separation,
In our enviousness.
If we are proud,
Violent and angry,
We are here to
Face the dark.

My dear, keep company
With a man, who is always
In the mode of goodness.
The man with goodness
Has power to give light
To others and that is our
Capital to proceed further.

Gajanan Mishra
Dark Night And

Dark night and
Unknown flower,
Both are here
But I am
Concerned with
The fire.

The fire that is
Burning me
And for which
I am pathless.

I am pathless
Not for fragrance
But for the air.

The air
That cries
Is not mine
I know.

I know
The moon has
Also black side.

But the dark night
Has bright side
That I am sure.
And I am hopeful
I am going there
From the very beginning.

Gajanan Mishra
Dark Nights And

Dark nights and dazzling stars
Black clouds and flash lightning
And we are in between the flowers
And the nails and going on searching
Happiness in all sorrowful moments
We know we should keep no hell but
Heaven always in our brain with
The power of our love and truth.

Gajanan Mishra
Dark Side

Dark side of the moon
Is there and never visible.
I am not here to compare
You with the moon, dear.

I know you are within me,
And I am within you.
I know, I feel and nothing
Is there to leave one another.

I know I cannot get along
Without you here and I know
There no barrier within us.

But I am searching here there
So much my dear and I am weeping
And I am keeping my mind firm on you.

Gajanan Mishra
Dark Though

Dark though coal
Dark though crow
Dark though night
Dark though negro
All have a special role
They are rendering
Selfless service to humanity
They are essential and
Valuable more than light
More than day
They come first
To stand at bay
And they
Bring the enemy to bay
And hence
Respect only things
We should pay.

Gajanan Mishra
This material world is a dark well and
Common men are blind.
O my dear, you are not here
To lead the blind men
To the dark well
Causing them to fall in.

Gajanan Mishra
Dark Well- Householder

I am here, at present,
In this dark well,
But the light is
In me.
And I have not forgotten
My relationship with you.
I know you are, with all
Light the only truth.

Gajanan Mishra
Dark, Approached

Dark, approached
And I am drunked
With my poetic feelings.
Time to harvest dreams.

No kiss, please.
Though not a stalwart,
I am with my smile.
Nothing is there to happen, new.

Gajanan Mishra
Dark, More Dark

Dark, more dark,
See the days here.
And in dark
They play.
Dark has no death.
If you are ready to
Love the dark,
Dark may kiss you,
And you may see
Yourself half.
Ask not for
Other half, my dear,
Since the sun is
Before you, nothing is to utter.

Gajanan Mishra
Darkar Tumar Sahajya  ????? ???? ??????? (Odia)

Darkar tumar sahajya,

In odia lipi or Brahmi script;
Darkest Midnight

I am in
The dense darkness
Of ignorance.
But the sun is
Residing in my heart,
That I know.

Gajanan Mishra
Darkness

Only darkness is mine
and it is everywhere.

I have couraged to
face light in the darkness only.

In darkness I got victory.

Only darkness is mine
and I am everywhere with darkness.

I have no couraged to
avoid darkness
without darkness
I got defeated.

Gajanan Mishra
Darkness - Horrible

Darkness - horrible,
And I am unconscious.
No sunrise,
No gift of sight.
Where am I?
What to do?
Where to go?
Whom to call,
Friend, help me,
I'm in trouble.
But the kind of trouble
I failed to know.

Gajanan Mishra
Darkness - Where To Go

Darkness is there,
And we say
We are in the light.
What we see
And what we do,
Beyond our knowledge.
And we stay
In a place
We know not
Where it is.
Still, here
We are ready to go,
But where to go
We know not.

Gajanan Mishra
Darkness And Light

Darkness and light
Not opposite
The sun is not
At all partial
Mind it.

Light is
Open to
Everyone
It depends
On You to see.

No flattering
No special mercy
It is but common
Everything is
Generalized.

Exchange value
Much more
Here is darkness
Here is light
Both same
Come and
Enjoy it.

Gajanan Mishra
Darkness Is Not For Us

Darkness is not for us,
As because,
We belong to lighted world.
We are the legal heirs
Of the lions,
Victory is our sure shot.
No backward, let us
March forward.

Gajanan Mishra
Darkness Is There

Darkness is there
For all of us.
Let us be prepared
To face it
From this very moment.

We know
Fire is within us,
Still, we face
Darkness outside.

Let us strengthen ourselves
In the dark.
Let us beat the anger
And the frustration
If any within.

And continue our journey
To keep ourselves
In safe,
Saving ourselves
In our own language.

Gajanan Mishra
Dasa Jana Aasa

Dasa jana aasa
Mo sahita,
Dekha swarga.

Sata, narka bi
Achhi ethi,
Jaa naa seaadaku.

Chinta kara bhala
Satya sahita rahi.

In Odia lipi or Brahmi script;

Gajanan Mishra
Date

Date of my birth
Date of my admission in school
Date of leaving the school
Date of marriage
Date of service entry
Date of retirement
Date of purchase and
Date of sale of house
And last date of death
All dates are coming to me
And trying to make me a date
A mere date mere date
Is it my life to go with dates
Is it the intention of life
To remember only date
Excuse me my date-friend
I have forgotten you and
I am trying to live without you
Come not again to my house
You will not find any way out.

Gajanan Mishra
Date Of Birth

Third April is
my date of birth,
I do agree.

And you observed
third April as
my date of birth.

Third April
is not third April,
as you think,
my date of birth.

It is correct to say
I have not taken any
birth at any time, as such
I am not here to face death.

Gajanan Mishra
Date Of Death

Date of death
Has already been
Declared.
It is you to
Search and know.
Know and act,
Act and learn,
Learn and live.

Gajanan Mishra
Date Palm

Date palm,
I have no word
For you.
I have no word,
As because you are
Unable to maintain
Your own truthfulness
And failed to give me shelter.

Date palm,
See me I am
Not a drop out like you.
I am shining as ever,
In the sun and also
In the water.

Gajanan Mishra
I have forgotten
The date, time
And place of
Occurances.
Ask me not anything
About the incidents.

What is there
That I know not.
Is it not suffice
The purpose of life,
That you are okay,
So also I am!

Just smile and live,
Just love and get peace.

Gajanan Mishra
Date-Palm

Is date-palm great?
Is the servant intelligent?

But here we see,
The man who depends on others
Is called intellectual
And the master.

Here we see,
The man who is giving
Everything to all
Without any self-interest
Is in danger.

No one, but
The insect is here
And teaching us life.

Gajanan Mishra
Daughter

Here is a daughter
She is your daughter
Your daughter is a
Challenge to your ego.
Your daughter is here
She is the symbol of
Your all welfare
Good for all.
Daughter is yours
And she is the creator
Of the world
Come and love her
Come and salute her
Come and see your heart.

Gajanan Mishra
Daughter Is Here

Daughter is here
And it is daughter
If she is qualified,
She is here to deliver
Everything that are
Good to all
Both to parents and in-laws.

Daughter is the actual ruler
She rules over all and love all
If she if qualified.
That son cannot do it
For fear, and for fear of nothing
Though he is here
With all his strength within.

Gajanan Mishra
Daughter Of The Earth

Daughter of the earth,
Daughter of time,
The most beautiful here,
The spring, the coo, coo,
The flowers, the airs,
And all that are here
For others.
Let us accept all,
All are for us.
Let us take care,
What are there,
They are all for us.
So cute, great benediction,
Fortunate, life's magnetism.

Gajanan Mishra
Dawn

Repeat dawn
No light.
Blood
And snow-blood
Here at night.

This knife
Tears the sun
Buried fire.

Stone altar
Burning hills
That is the
Final tips.

Gajanan Mishra
Dawn Is Ours

Dawn is ours,
Please come,
And give a
Warm welcome.

For the land,
For the language,
The innumerable choir -
All here together.

All opened,
Night is withdrawn,
Light of language
Reign all love all over.

Gajanan Mishra
Dawning

I am dawning
With the vision
That is Yours
Like a mud-fish
I am living
Look I am
Bright and shiny.

Gajanan Mishra
Day - Bright One

Day - bright one,
And I see you
Practical and
Realistic in all
What you do.

Though good
To be sensitive and
Emotional, but
Control yourself
And proceed ahead.

Problems are there
Minor or major-
Solve them
With due care.

Stay focused
Down to earth.
And find your dreams
About to come true.

Gajanan Mishra
Day After Day

Day after day
Night after night
The sun and the moon
Are rising
Year after year
The sun and the moon
Are revolving
Moment after moment
I am telling you
I love you I love you
And see I am
Overcoming my irritation
My short temper my anger.

Gajanan Mishra
Day After Day - Love And Life

Day after day
I live here,
Day after day
I love and I love.
I know love-
The only truth.
The truth -
The basis of life.
The thought of life
Gives light,
And the light
Is here with love.

Gajanan Mishra
Day And Night

No beginning no end  
And we love  
Right from the start.  
When we sleep  
Say it is night  
When we arise  
Say day.  
We actually  
Do not know  
The meaning of  
Day and night.

Gajanan Mishra
Day and night
Two wheel of life,
One cannot move
Without the other.
One is the beginning
Another is end
But no one can say
Where is to begin
And where is to end.
And in between day and
Night a poet is there
From whom day begins
But no night is there
You are to rise with the poet.

Gajanan Mishra
Day And Night I Am Thinking

Day and night I am thinking,
I am thinking about you and
I know you are the only truth.
Day and night I am searching,
I am searching you here, there,
But you are in my heart with
All glory and all beauty and
Giving everything to everybody
As per their need in broad day light.

Gajanan Mishra
Day And Nights

Day and nights
War is going on,
And we conceit.
Is the life illusive,
They all are here
to search the cause.
Our sons, daughters
friends and with so many
persons we are spending time
That are but necessary
for dreaming the world at sunset.

Gajanan Mishra
Day And Nights Always

Day and nights always
I am writing poems and
Telling all about life
And aiming at your smile
That I want to see
And I want to see your
Progress in the path of
Truth and love.

Gajanan Mishra
Day By Day

Day by day,
Little by little,
One by one,
Let me,
Let me remove
My impurities.

Gajanan Mishra
Day Ends

Day ends
Means night begins
Not always true.
But my dear, evil deeds
Start means be ready
To reap bad fruits
And be ready to
Face the consequences.

Mountains may change
Their places,
The birds may stay
After breeding kids,
But evil deeds cannot go
Without delivering suitable results.

Gajanan Mishra
Day In And Day Out

Day in and day out,
I am searching you.
I am blind, I do agree,
But I know you have most
Powerful big round eyes.
Day in and day out,
I am searching you.
I am ignorant and in dark,
But you have light
That can enlighten all worlds.
I have nothing
But you have everything,
I am hollowed and empty,
You are full eternity and safety.

Gajanan Mishra
Day In Waste Paper Basket

No matter what you did today
No matter what you said today
But if you have not fed a hungry man
If you have not offered water to a thirsty man
And not offered a piece of cloth to a naked one
Not utter a single word of comforts to a man in distress
Then I am sure your day today has gone to Waste paper basket.

Gajanan Mishra
Day Is Darker

Day is darker than the night
Friends are more dangerous than the enemies.
Neighbors are demons as You said earlier
I am illiterate and stupid and showing
Unethical behavior.

Gajanan Mishra
Day Is Harsh

Not the night.
Nothing fresh
At day
It is only in night.
Everything is in motion
Both in day and in night.
Stillness is there
In motion
Nothing is
In emotion.
Read or not read
I am here to write
A day come
When you go for
searching it.
You are there
To taste it
And declare
How sweet.
This is life
Fantastic.

Gajanan Mishra
Day Is Here

Day is here, see,
It is all red
with all creativity.
Day is here, and
I snatch the movement
For you.
Day is here, but
my heart is still
crying for you.

Gajanan Mishra
Day Is Naked

Day is naked
But not the night
I love night for its deepness.

Gajanan Mishra
Day Like Life

Day like life,
And desire night.
Body like light,
And hope shadow.
All are idols,
With eyes closed.
Hands have no work,
Legs have no road.
Still, I write
All about white truth.
And I look
The ash and earth,
And I search pleasure
With no error.

Gajanan Mishra
Day Of Colors

Day of colors,
Today is the day of colors,
I am living for today
And my life is full of colors.

My life is full of colors,
I am here to see and
Enjoy each color,
All mixed together and it is black.

O my dear, I know,
You are black, and You
Are here within me, and You
Exist peacefully and distinctly.

O my dear, I pray, uplift me,
My spirit, with the joy of color.

Gajanan Mishra
Day Of Culture

Basically foreign but
To all intents and purposes
As good as home
No meaning saying this.

And we are losing our touch
With our identity
Our own culture
Our traditions
Our roots.

Gajanan Mishra
Day Of Judgement

You are to
Remain present
On the day of judgement.
When I am
On the judgement seat
You are to maintain
All disciplines.
And you are to form
Opinion about you.
No one has right
On jointure,
But full right
To get pleasure -
Life’s future.

Gajanan Mishra
Day One - Today

Not two but one;
One sky, one sun,
One moon, one life.
One and not two;
One- two in one,
Water and air,
I wish all
Stay fair,
And stay there
As a star.

Choice one,
Post one,
Day one,
Night one,
Only one
And not more.
Nothing to hurry,
Nothing to feel sorry.
No sorrow,
No tomorrow.

Gajanan Mishra
Day To Day Living

We are all
Concerned with
Our day to day
Living, okay.
Provide rice, dal
At least and
Provide employment.
We want to do
Something for others.
Make us understand
In our language
What you are
Going to do
For us.
Ridicule not,
Give us importance
And emphasize
Our presence.

Gajanan Mishra
Day Will Come

Day will come
And on that day
I will cross
The border.

The border of
Dark and light
At a time, I have
To cross.

I have to cross
This room of words.
I have to cross
This waiting hall.

My dear, on that day
I want to see you straight.

Gajanan Mishra
Dayakari

Dayakari mo kabita padhibe ki?
Dayakari jharakagudika kholibeki?
Dayakari aapananka aatmajibani tikie debe ki?
Aajira aeta sabuthu bhala kabita,
Padhantu, priya bandhu, aau khusire rahantu.

Gajanan Mishra
Dayakari Bahari Aasa (Odia)

Gajanan Mishra
Dayakari Thakami Nahin (Odia)

Swachha raha,

Day-Dream

Fantasy, who said
You are day dream,
But I find in you
Life's cream.

You are touching
All reality that
Are happening
Day in and day out.

You are the songs
Of the soul,
You are the love
Of understandings,
You are the silence
Of each life,
You are the colours
Of all sky.

Fantasy, who said
You are not there,
I discover you
Everywhere always.

You are my glittering stars
That reveal all secrets,
You are my lovely vibrations
That is there within me.

Come on, my nightingale,
I am here waiting
For you as I want
All truth.

Gajanan Mishra
Days Are Divine

Days are divine
Nights are nice.

We all are in between
Days and nights
Searching for
Our identities.

We all are here
To measure our
Length and breath
And to see our
Longevity.

Gajanan Mishra
Days Are Frozen

Days are frozen,
But wait,
Still, you are there
For the star.

Gajanan Mishra
Days Are Frozen - Star

Days are frozen,
But wait,
Still, you are there
For the star.

Gajanan Mishra
Days Are Passing

Days are passing,
So also months
And years.
But alas,
I am in ignorance and
Losing my balance
Of valuable life, and
I am not able to
Take all seriously.
It is true, I am
In degraded consciousness.
I am not able to
Understand the truth,
And I am unable to
Get back my time,
Unable to utilize
The time properly.

Gajanan Mishra
Days Be Counted

Days be counted
But not from the sunrise.
The sunrise is not true.
The tree is the witness
Of my words, verify the truth.
Go there with something
Strong and something young
And verify the signature
And photos near you.
The mountain is silent
And my words have no effect.
I am here and nowhere to go,
I am here for the air and
For the light and for the sky.

Gajanan Mishra
Days Spent

Explaining things
My days spent
And I failed to explain
Your living style in
What you were wanted
How you were dealing trade.

With this water
With this air
And light and earth
Not with owner
All day long
The fruits I eat
The water I drink
The air I take breath
Though I am not here
To enrich what were not mine.

Gajanan Mishra
De Novo

What I heard
You said
crucial verdict.
That I care not
mind it.

What I saw
horrible picture
you said.
Allahu Akbar
I replied.

Okay Okay
It is denovo trial
not moral
not popular.

Gajanan Mishra
Dead

How can I address the dead
Can they hear my words
I find here all dead
They are not in a position
To hear not in a position
To see to experience
And to say some good
For the welfare of all
This world is for all
They are not in a position
To admit as they are dead
They have no emotion
No motion they are here
For what they can not say
How can they hear my words
How can I address the dead.

Gajanan Mishra
Dead All!

Dead all!
I am looking at all.

The rose belongs to me,
But not the color.

I said all,
Stay there for water.

No water, but blood is there,
I declared.

No surprise
But all dark.

Not terrible
But all fired.

Gajanan Mishra
Dead Are Not

Dead are not allowed
To come and join
At this rally.
This rally demands
The use of the languages
Of this land.
This land has its
Own strength.
The strength is
In our faith,
In our integrity,
In our identity.

Gajanan Mishra
Dead Body

I am busy
In decorating
My dead body,
That is flapping
Only for a few days,
And I am wasting my energy
For nothing. Let me say,
I am misguided really.

Gajanan Mishra
Dead Can Enjoy

Dead can enjoy life
In full here.
I am not dead yet.

Gajanan Mishra
Dead Lion

Lion died
And dead lion
Came to me crying
Dead lion wanted to know
so many thing about life.

I am not here
To told about
Lion's history
Or geography of the area
Where lion was.

Dead lion
I found within
My house my country
Lion was enchanted
on the scene here
Even after death
That much I knew.

Gajanan Mishra
Dead Matter

Be cautious men,
You are attached with
All dead matters.
Be cautious men,
Your love is perverted,
And you are going
On the foundation
Of a false life.
Be cautious men,
Your affection is unwanted.
You fool, men,
You are simply suffering.
You are suffering only
For your own wrong notion.

Gajanan Mishra
Dead Men Are There

Dead men are there,
How you dare
To take them forward!
The dead men are
Not able to see, you know,
And you are there
With tears and distress
To show.

Gajanan Mishra
Dead Silence

Dead silence.

I wonder
At this,
At present.

No assurance,
For anything
Here, at this time.

No spirit,
No realisation,
But life
As such
Going on.

It is all
But attraction.

Gajanan Mishra
Dead Snake

Look, 
Dead snake 
In my house 
Living with me 
And I am 
Trying to escape.

Gajanan Mishra
Deadline

Cross not
Deadline.
If you are
Fine.

Law is thin,
Embrace not
Anyone, though
Kith and kin.

What is written
In destiny
No one dares to
Call that sin.

What is written
That is fine.

Gajanan Mishra
Deadly Sin And Virtues

To forget him
Who has given you food
Who has given you water
Who has given you shelter
Who has given you life
Is the most deadly sin.

Turn your face towards Him
Who is the cause of
Your birth and life
Existence and maintenance
And this is the root of
All virtues.

Gajanan Mishra
Deaf And Dumb

We are to live
Like deaf and dumb.
We are to forget
The logic.
We are to close
Our eyes.
But we are to
Follow our dreams.
We are to go
To the love
With truth.
We are to watch
The colours
With care.

Gajanan Mishra
Dear Daughter

I praise you,
Let me write a few words,
Dear daughter.

Upon your head
I see the colorful sky,
I know you are
Having a pleasant nature,
Tell me not
At any time, goodbye,
Okay.

I see your princely grace,
And I know you are heaven-sent.
And I am sure,
No one is there to compare.

You are very lively,
And you are here
To fill up this place,
This house, and you have
Taken the charge to
Build a new future,
Devoted to mankind.

I am pleased with you,
Dear daughter, the symbol of
Truth and love for all.

Gajanan Mishra
Dear Death

Dear death,
Please come
And see
How I am here.

I am here,
Dear death,
Waiting for you,
And see me,
I am in truth.

I am in truth,
And I love you,
Dear death.
Come on and let all
Know who I am.

Gajanan Mishra
Dear Farmer

Love is on the cards, 
Die not.

Let there be no rain, 
Let the rain come, 
But you have to live 
To give some food to all.

Stay alert dear farmer, 
And avoid drifting into 
Your own world.

Keep your eyes and 
Ears open, dear.

A lot of tangible and 
Intangible benefits 
Await you, stay in truth.

Gajanan Mishra
Dear Friend

What you asked
My dear friend
May be it false
But I welcome.

What you asked
My dear friend
It is not necessary
To tell always
In mother tongue.

My dear friend
Foreign tongue
Only can take us
To measure space
As we know
Knowledge is power
And knowledge is
Not confined
Within the room
We live in.

Gajanan Mishra
Dear Friends, Bind Me

Dear friends, bind me
In your love.

I am here
To cross the ocean,
I desire not
Your wealth or population.

Always I am busy
In searching and
In acquiring knowledge.
I know my senses are
Here with me to
Put me in troubles.

I am conscious
About my duties.
And I am trying my
Level best to
Place the learned
In proper position.

I have forgotten
High and low,
I have forgotten
Caste, creed, sex
And also religion.

Dear friends, bind me
If you can in your love,
But I know not
The beginning and
The end.
And I know not
Who is doing what,
And who is staying where.

I know dear friends,
All are equal
And I am there with all.

Gajanan Mishra
Dear Friends, Come On

Dear friends, come on
Let us dance together,
The stage is open for us.
Dear friends, come on
Let us sing together,
The life is here with us.

Gajanan Mishra
Dear Friends, For Language

Keep your mind fixed, dear friends,
And give importance to use your
Own language in all or any purposes,
To keep your identity in tact.

Gajanan Mishra
Dear King

Dear king,
I care not you.
I am simply a poet,
I know the words,
And love and truth.

I was/am not interested
To go and meet you.
Still, I have done it
For the sake of my
Language and land.

You have not felt
Yourself sanctified
By my words and language,
Treat it as your misfortune.

Gajanan Mishra
Dear Men

Dear men,
You are perfect beings.
Dear men,
You are certain,
You are infallible,
You are attractive.
Dear men,
Nothing to regret,
In no way you are inferior.
Get satisfaction within,
You are, in all respects, perfect.
Express yourself, dear men,
See no vacuum anywhere,
Love and truth are there, everywhere.

Gajanan Mishra
Dear Men, Awaken

Dear men, awaken your
Dormant love for mother,
For mother language,
For motherland.
Remember, this is
The first necessity
Of liberation.
This is the first love
For life, for livelihood.
Go clean with all the people,
All neighborhood.
Truth is there,
Security is there and
There is no other way.

Gajanan Mishra
Dear Men, Glorify Yourself In All Truthful Culture

Derive the benefits
From my activities
And go on the path
Of progressive success.

Men, stay in truth
With me and love all.
Men, wander not and
See the destination.

Dear men, know your
Existential position
Of all goodness.

Dear men, glorify yourself
In all truthful culture
And enter into nature.

Gajanan Mishra
Dear Men, Stay Free From Jealousy

Dear men, stay free from jealousy,
You are free and unique.
Dear men, speak the truth always,
All benefits are there for you.
Dear men, Control yourself and
Tolerate all and enjoy life.
Dear men, acquire knowledge,
observe vows, see life enemy-less.

Gajanan Mishra
Dear Men, Try To Go To The Light

Dear men, try to go to the light,
The light is knowledge,
Knowledge is there in the light.
Dear men, know the good
And stay in goodness.
Understand life, dear men,
And stay happy always.
Nothing and no one is yours
But you belong to all, remember.

Gajanan Mishra
Dear Mother

Dear mother, how are you?
I am here, my dear.

But alas, I have
Forgotten your language mother!
I am not able to understand
You are your language.
Excuse me, dear mother.

I am in deep sleep and
In fear.

Will you help me brother?

But no one is here.

Gajanan Mishra
Dear Mother, In Your Language

Dear mother, give me order.
Dear mother, make me in order.
Dear mother, you are the wonder.
Dear mother, I am here to serve you forever.

Dear mother, your mercy,
Your character is my nature.
Dear mother, I am on your land,
I am here to serve all
In your language, in the language of
The native here, give me strength.

Dear mother, give me strength,
To fight and to drive out
The enemies, who are against
You and against the truth, against development.

Gajanan Mishra
Dear Poet, Write

Dear poet, write
About men, nature,
Write about food, shelter.
Dear poet, love,
Love to the sky,
Love to stars.
Dear poet, respect,
Respect all creatures
Here on this earth.
Dear poet, keep
All privacy,
My goodness, best wish.
Be friendly, dear,
You are only one in the picture.

Gajanan Mishra
Dear Sir, Apj Abdul Kalam

Dear Sir,
APJ Abdul Kalam,
Really you are
The symbol of freedom,
Development,
And strength.
It is true,
You have a
Unique combination of,
As said by our popular
PM Mr Narendra Modi,
Honesty of a child,
The energy of teenage,
And maturity of an adult.

Gajanan Mishra
Dear Son, Grieve Not

Dear son, grieve not,
Thou art born,
With divine endowments.
Your divine nature
Is conducive to
The liberation of all.
Dear son, feel no grief,
You are on the best ship.

Gajanan Mishra
Dear Son, I Know

I know you have broad shoulder,
And you have strength to
Take the responsibility
Heaped on your plate.
I am sure you would do
All works with all satisfaction
And ease your stress and tension.
Wish all good, dear son, proceed on.

Gajanan Mishra
Dear Son, Take A Break

Dear son, take a break
And dive right back,
With peace and progress.

Gajanan Mishra
Dear To Me

You are dear to me
My interest reflected in You
Thing is I am not pure
Thing is I am not able to perceive.

Gajanan Mishra
Dear To You

Tell the name of the food
Which is dear to you.
Tell the name of the place
Which is dear to you.
Tell the name of the man
Who is dear to you.
I wanted to know the food
you eat, the cloth you wear
The place you reside and
The people with whom you are staying
And making companion or friendship.
I wanted to know the works dear to you.
And by this I may know
The type of man you are.

Gajanan Mishra
Dear Truth, I Fear You

Dear truth, I fear you.
I fear you for nothing,
I know.
Dear truth, come not
In bare body,
I am intolerable.
I have forgotten the math
And I know not
How to solve problems.
Dear truth, make me understand
Again for the sake of ocean.
Dear ocean, have patience,
Let me learn how to fly
In the sky from the earthworm.

Gajanan Mishra
Dear, Take This

Dear, I am giving,
Take this
Yellow mustard flower,
Take this musky
And camphor,
Take this
Muskat dear
And enjoy life here.
Life is like
Red china rose,
Life is like
Calyx in different pose,
Dear, you are to
Metamorphose dose by dose.

Gajanan Mishra
Dear, Today I Am

Dear, take it,
Today I am
Giving you
This lotus
And white tulip
And jasmine.
Dear, I am
Giving you
Camphor and
Musk.
Dear, take me
I am offering
Myself before
You here.
Dear, worry not
I have taken bath
In turmeric water
Only for you.
I am repeating
My words and telling
Again and again
That I am the truth.

Gajanan Mishra
Dear, Who Are You?

Dear, who are you?
Dear, what are you?
Dear, where do you come from?
Dear, what are you doing here?
Dear, Look, the truth is here in me.
Dear, come and test me the fortune,
Dear, See I am not afraid,
Dear, we both are wonderful and amazing.

Gajanan Mishra
Dearer To Me

No one is there,
On this earth,
Dearer to me than you.
And who are you,
That I have to know.
I want to know
The truth, that is
Here for all good.

Gajanan Mishra
Dearest Dear

As a poet
My eyes are always
Fixed on love affection
Mercy beauty nature
Truth justice
O my dear
I am grateful
You are with me here
I am yours worshiper
I am composing poems
Only for You
O my Master
Read and comment
Whatsoever
My eating my drinking
My sleeping all are
For You
You are my dearest dear..

Gajanan Mishra
Death - Means Of All Creation

Let us forget death,
Death - means of
All creation.
Let us forget life also,
Treat life as a means,
Means of everything here,
Creation and destruction.

Gajanan Mishra
Death - You Are Welcome

Death - You are welcome,
I love you, You love me,
That is the total sum.
Death - You are welcome.
I am for you, You are for me,
No one is called independent,
And we are growing with each other
And we are here, for ever, together.
We are challenging the world,
And the world is smiling at us.
We have already started our journey
to go beyond this world.
Are we not there? O yes, death, we are,
My bosom friend, time is only with us to lend.

Gajanan Mishra
Death Always Hovering Around

Death is always hovering around
And what is death I know not
I know my body is not here to last long
I know my money is not here fixed
And so I engaged myself in singing
Seeing the empty sky flying birds
Green trees rain water fire and air
I salute you O mother I see you
In each and every woman
I hate you O money you are not belong to me
I see you my friend my dear in all
And You are in Truth that is Absolute.

Gajanan Mishra
Death And Birth

Death and birth
Birth and death
Nothing is mine
I just don't believe
Any one of them
They are mere words
Not dazzling
In between the sky
And the earth
They are just
Trembling leaves
Of my emblic myrebalan*

*Amla tree / ainla gachha

Gajanan Mishra
Death And Birth - A Process

I am giving up
Something -
You may say
It is also death.

When I am going to
Acquire or assume
Something -
You may say
It is also birth.

At every moment
I am giving up
Something and
Assuming some other thing.

Death and birth is
Nothing, say, but a process.

Gajanan Mishra
Death and birth
Birth and death
Nothing is mine
I just don't believe
Any one of them
They are mere words
Not dazzling
In between the sky
And the earth
They are just
Trembling leaves
Of my emblic myrebalan*

*Amla tree / ainla gachha

Gajanan Mishra
Death Annihilates

Death annihilates all
All goodness
All glories
All prosperities
All seeches
All memories
All intelligences
All fortitudes
All forbearances
Death annihilates all
Death is all destroying
And death is the origin of all
That are to be born.

Gajanan Mishra
Death Concede

Death concede
On seeing that
Black night.

Life concede
On seeing this
Broad day light.

Gajanan Mishra
Death Death Death

When I am telling you
Again and again and again
You are not listening
And not caring at all,
When I am telling you
Nothing to fear here
While going on this circle,
Nothing such things as
You called death is here or there
Yet you are crying
Telling death is near you,
And you are fearing death
And death that is coming towards you,
Though death is not the truth.

Gajanan Mishra
Death Game

Death game - Blue whale,
Go upstairs,
Follow instructions,
Cut the body,
Enjoy the game,
Put not any questions,
Face the challenge,
Bloodthirsty you are all,
Remember, watch
Horrors and gallop
In air, all dreams
Are there, worry not,
You are the star,
Come forward, dear children.

Gajanan Mishra
Death Has Its Own Life

Death has its own life
As life has its own death
Know it
By leading a good life.

Because of death
You seem to exist
And because of You
Existence of death
Is here.

Everything is clear
No declaration is
Necessary as you
Dwell in death.

Gajanan Mishra
Death Is Blind

Death is blind,
Death can't see
And distinguish,
Colonialism,
Neo-Colonialism,
Capitalism,
And barbarism.
Death is death,
It is as simple as
Death itself
And it comes in any
Means including
Terror strike.
Death comes in other
Ways of alienation
And frustration.
We have to reckon
Death now.

Gajanan Mishra
Death Is Born

Always remember
Death is born
With the body
Death is sure
For every
Living entity.

Today or
Tomorrow you are
Sure to die
Remember always
And as such you
Should not lament.

Death should not
Be feared
Rather time should
Be utilized
To end the process
If you can.

Remember always
It is bad to entangle
Oneself in sinful
Activities
To stay save from
Death here.

Have patience and
Observe what is there
In birth and death
And the functioning
Of life with
The elements that are five.

Gajanan Mishra
Death Is Easy

Death is easy
Life and living is not.
You can die anywhere
At any time
But you cannot live
Wherever and whenever
You want.
Death is above and
Beyond time
Life is not.
You are bound down
On so many occasions
You have limitations.
I value you, my dear
You are doing marvelous
Works still here.
I salute you for
Your character and
Your behavior to
All creatures.
You are enlightening all
Towards a greater life
O poet without fearing death.
My dear you are extraordinary
I know you are always
Talking with nature.

Gajanan Mishra
Death Is Not An

Death is not an unexpected event,
Defeat or say failures are
Not unexpected events.
Anything can come out
As the outcome and
We are to live in any situation.
We are to disclose all
For all good of all.
We are to remember
Life is a method to disclose
Everything and cut off
The dark to pieces.
And we should go not for death
But for life.

Gajanan Mishra
Death Is Not Changing Anything

Changing anything is not death.

Death and change are two different things
Things may change but it cannot be called it death
Death may occurred but it cannot be called changed.

It is the time, it is the situation, it is the Truth.
And in Truth we are to stay for ever.

Death is also not new for anything or for anybody,
And death is not there in old as well as in new.

Deathless life is not alive, it is living in death,
Death in living is also pure consciousness that is here.

I welcome death always anywhere, please come, O death,
Death is welcoming me always every moment though
It is not within my knowledge, and knowledge is not mine.

Gajanan Mishra
Death Is Not Heavier

Death is not heavier
Than the life, believe me.
I feel, death is
Embracing me
At every moment.
I am the infinite
With death only.
Fear not, I am with death.

Gajanan Mishra
Death Is Not Silent

With drum beating
In loud voice
Death arrived before
Its actual arrival.
I followed death next
And I arrived before death
to tell them to close
The doors and windows
And they closed eyes
Closed ears and roads.

Gajanan Mishra
Death Is Not The End

Death is not the end,
But life, out of our sight.
So also the failures of life
Are not the failures but
Success otherwise.

Let us prepare ourselves
To go back to the truth.
And truth is we are living
In love and love is eternal.

No need to produce passport
For love anywhere, but it is
Opened like the sunshine of
The early morning and we are
Enlightened by such pious acts.

Gajanan Mishra
Death is playing with me
And trying to overtake me
With sweet words
Death forgets I have my own
Vision of betterment of life
With spiritual dreams
Death has got its
Own economic powers
Wherein I am entangled
Myself in so many promises.

Gajanan Mishra
Death Is Sure And Imminent

Death is sure and imminent
But if you are not trying
To stop death
You are not intelligent
You are always face to face
With imminent death
You should try to
Avoid death always
Though you are to welcome
Death when it comes to you
On its own and you have
Nothing to do.

Gajanan Mishra
Death Is The Beginning

Death is the beginning
Of a new life
Death may knock your door
Without prior notice at any time
My dear, so may I request you to
Absorb yourself in the thought of
Love and Truth, you will
get back eternal life
Without any doubt
And for this you are to
Constantly engaged yourself
In remembering Absolute
And the Supreme Personality
Un-deviated from the path
You will attain Absolute truth
In this life and in the next life
It is He who knows everything
It is He who is the oldest
It is He who is the controller
It is He who is the smaller
Than the smallest
It is He who is the maintainer of
Everything and is inconceivable
It is He who is transcendental
And beyond material nature
Get ready yourself always
You will certainly attain Him
Only through death
And so my dear, death is your benefactor
Your friend and your philosopher
Your father your mother
Your path for the new way of life
Your great admirer.

Gajanan Mishra
Death Is There

Go not,
Death is there
With attractive glances,
Intimate words,
Smiles and embraces.
Think not yourself
Stronger than the death.
I know you are intoxicated by
Your false pride.
Think not yourself
Almighty and ignore not
Impending death.
Take the path of truth, and
Renounce everything with you.

Gajanan Mishra
Death Is Very Much Welcome For Me

Death is very much welcome for me,
And see me, I am not at all
Attached to anything or to anyone here.

I understood life is death here
And death the only one position
To stay forever.

Going back to the truth means
Facing death at every moment.

Let death come at every moment
I am there to welcome.

Death, my dear, come on,
You are free and I am free here
To receive you with my heart,
I see you full of light and not dark.

Gajanan Mishra
Death Is Welcome

No death is not possible
Only in death
We can get life.

We get life in live
In life we can know
Who we are
Going through fire.

Death is not night
Nobody tells death dark
See the death in light
That is our actual might.

Gajanan Mishra
Death Is White Saree

Death is my wife's white saree
Death is my garden's white tulip
What I want to say to death is
That I am not ready
Wait, death wait, let me finished
The Sraddha of my daddy.

Death is opening new chapter
For me I know it
The world is going with death
I know it
Let me say you death
You have no role to play
Here with me.

Gajanan Mishra
Death Is Woman

Death is a woman
Woman is also death
Come to me O woman
I am ready for you
Every moment here
And take me to your
World of ever lasting love.

Love is death
Death is also love
O my love
O my woman come to
See me how helpless I am
Without your presence
Non-entity here.

Gajanan Mishra
Death Of A Man

Death of a man,
Means death of a world.
Day and night the man
Moves here and there.
No name but true life,
Let us search there.
In a man.

Death of the man,
Means so many things.
Let us combine all
In a breath and
Produce a sound
In words for
All welfare.

Man and death,
No death can touch
A man.
No man is dying
With love and
With truth.

Gajanan Mishra
Death Went Away

Death went away,
Death went away.
When death saw me
I am in fast-into-death,
Death dares not touch me
And went away, went away.
I, myself is the great death,
Death realize it and went away.
Since I am the flower-sweet,
Since I am the love greet,
Since I am in truth, death went away,
Death went away, death went away
And for this I feel sorrow
And I am in sad as I lost one of
My best friend and guide.

Gajanan Mishra
Death! Death!

Death! death! where is death?
Call death here! let me see death.
What color is death?
Is it really black?
Or white? or red? or yellow?
Or purple? Or chocolate?

My little Aaeeshanee
Crying for chocolate
Crying for icecreame
Crying for so many things
And I am unable to supply anything
And I am aging aging aging.

Death is going away from me
Death is going away from me
Let me see death here at this moment
Let death come on its own
At its sweet will to my home
I have no time to wait for death.

Gajanan Mishra
Death, Death, Death

Everywhere, everytime,
Death, death, death,
Farmer's death, student's death,
Wife's death, husband's death,
Leader's death, son's death,
Father's death, daughter's death,
Mother's death and so many deaths.
Death, death, death.
Death is one and it comes
In so many forms at various places
To put others in trouble.
Truth is that no one is ready
To take the responsibility
For the death of another,
Death, death is the only one
Who is your near and dear.
Let us say together, come on death,
Come on we are here to welcome you
But come, not as a treacherous fellow
But just as a great hero
And face us front to front,
We are ready to confront.
To defeat the death, we have to
Gather courage, my dear friends,
We have to know the truth,
And we have to place the truth
Before all here.
Have confidence on the self
And live a life of love,
Love means see and sacrifice
The self for others.
See, we are not dying then but
We are here living for ever
In one shape or in the other.

Gajanan Mishra
Death, My Friend

-Life - my foe.

See, I am staying always
With my foe.

See, my friend is
Trying to come to me always.

My friend is coming to me
My foe is going away from me.

I love my friend
I also love my foe.

Gajanan Mishra
Death, My Love

My angel is
My death,
I feel the death
At every moment.
Death is my life,
My dearest dear.

I am not living
but dying.
Read me my dear,
And follow me
Without fear.

I love no one
But the death.
My love, my truth.

Gajanan Mishra
Death, You Please

Death, you please,
You please go away.
Never come again
On any day.
My little Aesha
Wants to grow,
Wants to learn,
Want to serve,
And also
Wants to play.

Let me assured,
My dear death,
I will go,
I will go with you
On any day
As you fixed on truth.

But my dear death,
Harass not any kitten,
And come not
In any form like earthquake,
Like flood, like diseases,
Like accidents.

Let me love you
My dear death.
Let me embrace you
My dear death.
Let me declare
We both are inseparable.
Let me give everything
That are so-called mine.

But my dear death,
Come not again,
Come not again to my kitten.
Let them stay free and play
On this earth at this time.
Let not a single child face
Hunger, cold.
Let them smile always,
They are the dreams,
They are the wonder, my dear,
They are cent percent gold.

Gajanan Mishra
Deathbody

Putting on
Death-body
I am here.
Spreading yourself
Everywhere you
Tell me to come.
Here I am
As I am
With no difference.

Gajanan Mishra
Death-Bound

World is
Death-bound
Everything is
Here dying
All the time as
As ocean is
Water and nothing else
Sky is vacuum
And nothing else
Life is
Death and nothing else.

Gajanan Mishra
Deathless Light

Deathless light
Is here in me.
Ask not what is
The time.

Nature and measure
Are two different things.
Freely live here and act
As you know nothing.

Everything is infinite
And you are here
To coordinate all.

Since you have dreams,
You are the first person,
Declare yourself supreme.

Gajanan Mishra
Deba O Neba (Odia)

Bhaya kara runaku
Bhaya kara na
bahadebaku jhiaku.

Gajanan Mishra
Debates

You may support one point oppose another
And gain victory over your opponent
Or you may oppose others
Know reality and brush aside all prejudices
And superior logic
The divine glory
Solve all queries
By your own glory.

Gajanan Mishra
Deceitful

I do admit, as a man
I am deceitful, I am fallen
And I am full of lust.

I do admit, I am
Not able to accept you
In my heart.

I know, whether
I admit or not
That does not
Matter to you.

You are there
The absolute truth,
You are there
The ultimate goal.

Gajanan Mishra
December

December -
Is it the beginning
or the end?

January -
Can you say
It is beginning?

We are working
Round the cloak
And no one can say
Where we block.

All saying is
All offering
If it is not pure
The mark is zero.

Gajanan Mishra
December Night

See them they are,
The people of
That village are
Enjoying in this
December night
With fire and warming
Themselves in
The scent of winter.

Gajanan Mishra
Deception

I am here in
deception
You are not.
You are there in
Deception
I am not.

I am not going
To say artificial
I must say automatic
And natural.

What you declare
That is the source
Our memory failed
And we returned
To stage.

That is never losing
That is ever growing
That is organizing
And we arrived
At purity.

Doubts out
Grace in
Wits have no work
And we are not
The knower of all past.

Gajanan Mishra
Decide Yourself

Whether you want
Gold or perfume
You decide yourself.
Who will advice you
My dear poet, please,
Let me know that.
You are giving the nectar
Through your words, my dear,
And that is the best medicines
For all creatures for ever.
You are the eyes of the world,
You are bringing the sky to the earth
And the earth itself going up to the sky
To you, no meaning of the word 'goodbye'.

Gajanan Mishra
Decision

Right or wrong-
The decision,
Immature to say,
At this stage.

But when taken already,
Strict the decision.
Let the time say.

To leave or not to leave,
 Depends on you.
But when already left,
Go forward and
Proceed ahead.

Dark or light no matter,
And see the road clear.

Gajanan Mishra
Declaration

Declaration of Bhartrhari
Made it clear
Deer fishes and gentle persons
Live on straw water and contentment
And hunters fishermen and vile persons
Are at enmity with them without any reasons.

It is because of virtue
A saint returns good for evil.

Gajanan Mishra
Declare War

Declare war
Against your own star
If you are to declare.
Your declaration of love
Will not do anything
On this snow-hills.
You are to see
Where you are
In the midst of life.
You have to search
And see me
In good eyes.
Remember, I have to
Go from you, anyhow.

Gajanan Mishra
Decorate Your Room

Decorate your room
With colourful flowers
And not with guns and bombs.
Decorate your heart
With love and not
With hate and wars.
My dear men, this is
Your world full of creation.

Gajanan Mishra
Decorate Yourself

O my dear, with
The knowledge of
Absolute Truth
Associate yourself
O my dear, with
Saintly persons
Authoritative good literature
And a bona fide spiritual master
To arrive at the Supreme
And original consciousness
That is the Absolute Truth.

Gajanan Mishra
Dedicated To

My poems are
Dedicated to humanity
Dedicated to all creatures
Dedicated to all living and non-livings
Dedicated to You, my dear.

See me, I am a
Hunter of love
Love is the nectar
Of life that I know
I am here with my
Poems for eternal joy.

As I read and I write
Poems here I never
Bewildered anywhere
Here in this world
See me I am in peace
Like the deep sea.

I am singing I am dancing
With the blue sky above
And the poems are here
With me for a noble purpose .

Gajanan Mishra
Deed In Goodfaith

Deed in goodfaith
Mensrea absent
Dereliction of duty
Might be present.

No reasonable grounds
To proceed further
Scrap not ordered
And it cracked clear.

We are to win
And stay here for ever.

Gajanan Mishra
Deep Dark

With blue lotus
And heavy rain clouds.

Red and rosy
Thunderbolts and
Flags enraptured
The hearts.

Three folds
Past present future
Depth is to perceived.

Tiger's claw is
There with an
Exquisite beauty.

Elegance of necklace
of gems with diamond
Face flushed with
Beauty of countless cupids.

O my dear, I cannot write
I tried but failed so many times
Even my dream is not mine.

I cannot say also
It is delusion
It is knowledge
All my poems
All perceptions.

But I must say
It is love
It is Supreme Love.

Gajanan Mishra
Deep Inside

Deep inside
See, noisy.
Both near
And far,
Sound of
Earthquake.
Deep inside
See, noisy.
Ambient sound,
Typhoon,
Enhance surveillance,
My dear both
In air and water,
Deep inside your own.

Gajanan Mishra
Deep Love

Deep love,
Love and love,
Love is there
In me.

I love you,
I need you,
I want you.
See, in your
Presence,
I smile.
I dream,
And I dazzle.

Gajanan Mishra
Deep Rooted Truth

Deep-rooted truth
Is I.
I am the truth,
Nothing but the truth.
I move with
Words in the full circle.
I arrived there
Where there is no falsehood.
I fly with my own waves,
And in my own sky
With belly-full light.
I am visible
With all colors
Through my transparency.

Gajanan Mishra
Deep Sleep

I am not telling you
I was in deep sleep
And now I am awake
And I am not thinking
Where and how I was.

Gajanan Mishra
Deep Sleep Is Good

Deep sleep is good,
But brothers, the sleep,
That is with you at this time,
Is dangerous for you
And for the generations to come.
Rise and rise brothers far bove
The sleep and do the needful that is
Necessary for the state you stay.

Gajanan Mishra
Deep Soil, Deep Water

Deep soil, deep water,
Deep sky, deep state.
We are all in deep,
Our love is in deep,
We are all deep and deep.
And we are effective,
We are productive,
We are not negative but
We are always positive.
We are here to mobilize
Ourselves in deep,
Our root is very very deep.
We live in deep, our activities,
All are for all good and in deep.

Gajanan Mishra
Deepawali

Let us share
Our love, our light.
Let us feel
Our own heart-beats
At our own home.

Gajanan Mishra
Deeply Disturbing

Deeply disturbing the peace
And tranquility of the country.

You might call in any name
It is there to show his
Glory and power in all
Objects and beings.

If so like
Winds up the topic.

Gajanan Mishra
Deer Accompany Deer

Cows accompany cows,
Fools keep company
With fools,
Learned have friendship
With the learned,
O my dear, I am the truth
And You are the Supreme Truth,
I love You and I am
Going after You,
It is but natural
I am immortal like You
And I am here forever
With You.

Gajanan Mishra
Defeat Me If You Can

Defeat me if you can,
Come forward and fight.

But I am here for you,
Love me and see.

Gajanan Mishra
Defective

Something is defective
Within me and alas! I am
Not going to rectify it.
Somebody is saying something
Here within me and alas! I am
Not ready to listen it.
I am not able to open the sky
And show you my dear,
What are there within.
Excuse me, I am on this earth
As you know today and yet
No one is admitting the fact,
Eyes witnesses though they are
And facing life on this wonderful world.

Gajanan Mishra
Defects Are

Defects are but common
Errors committed by men are but common
But If one renounced hope desire
And attachment becomes free from sins
I know this.

Let us remember
The version of Almighty
Like this - 'Thou shalt
Be freed, from the bonds of actions,
yielding good and evil fruits.'

No virtue no vice, I know,
If I am with You, my dear
See, I surrendered myself
At your feet with all
That are with me.

Gajanan Mishra
Defects Of Life

Know the defects,
Defects of life,
And smile.
Sit there
And feel comfort,
And smile.
Enjoy life
With full satisfaction,
And smile.
Let me confirm
You are there,
In life.
Live the life in full
Without any disappointment.

Gajanan Mishra
Deficiency

When you are here
I feel no deficiency.
I have got everything
That are with me.

See me, I am delighted,
No mistake, no error.
No one is here to die
No one is here to take birth.

I am what I am
With you, my truth.

I am satisfied
I am contented
When I am with you, O my dear,
Let this be continued.

Gajanan Mishra
Defiled

Defiled.
Avoid it.
Come to the main stream,
and drove away all impurity.
Go not with the limit,
and stay always holy.
Make the errors rectified
and be purified.

Gajanan Mishra
Define Relation

Define relation, my dear,
And give your opinion.
Generation to generations,
We are here without any
Discrimination.
We are here for safety and
Security and for emancipation.
We are here, but without any
Inclination we are the part of
World continuation with most
Loving relation.

Gajanan Mishra
Definition

In spite of all efforts
I failed to study your
body movement and that of
your mind and your
explanation is also the same
about me and still we are
here together and silently
passing on the road like
strangers, my dear, with
good understanding though.

Gajanan Mishra
Definition Of Violence

Definition of violence
Is not there anywhere
Outside but it is within.
Let me think and think,
Let me think what it is.

Gajanan Mishra
Definition Of War

Definition of war is
Something different from
The previous one.
War is at present there
Not to gain territories,
But to gain new markets,
More raw material,
And trade factories.

Gajanan Mishra
Defuse Not

Defuse not
The emotion,
The reason,
Compassion,
Toleration.
But understand
The life,
The time,
The world.
Help others
And reap good.
Have patience
And keep
Practicing the truth.

Gajanan Mishra
Degradation

Man is degrading
Day by day
Man is doing things
Worst than the animal
Taking away the rights
of others
Man is the black hoarders
It is man's greed
That is destroying him
And all these are
Due to lack of education
Knowledge of nature is
Bare necessities
That can make man a man.

Gajanan Mishra
Degradation Of Society

Degradation of society is here
Quality of thievery deceit and
Unrestrained audacity are common
Be cheating money is being earned
Coal mines slaughterhouses steel mills
Deserts floating oil rigs are
The main places of earning
Old and incapacitated servants
Though faithful and served for
Generations are abandoned by greedy masters
Though saintly wealth-less masters are
Being abandoned by money hankering servants
People are become wretched
Conception of friendship is based on
Sexual ties and no brother no sister
Keeping mother and father are old concept
And it is against freedom.

Gajanan Mishra
Degraded Bodies

Degraded bodies,
Fearful world and
Wandering continue.

Nothing to take pleasure,
No one is helpful,
Unreal all.

Still, desires persist,
In all curriculum.

Gajanan Mishra
Ask any degree holder
What is your speciality
Suddenly he answer
What is the necessity.

No knowledge
But only a certificate
A piece of paper
And for this we labour.

Aim is
To acquire wealth
Aim is to live
But nobody knows
What for and how
We are to live.

But is it possible?
And you said
Nothing is impossible.

Who is putting question
And who is giving answer
Difficult to say.
To whom I am telling
All these things
You want to know.
I know fully well
Who is what and yet
I failed to express.

What I feel that is known to you.
And I am giving stress to only truth.

Gajanan Mishra
Delete The Word War

From the slate.
And then ask yourself
Where are you.
Are you in peace?
I doubt.

Suppose you are
Provided with everything
What you desired.
Are you satisfied
Ask yourself from
The very start of the day.

If you promise
Not to say anything
Would you there far
From sound-pollution?
The question is what is your
Role in a day-formation.

If you want to live
And you do not know
How to live you can
Make an enquiry about it,
But see that to whom you
Are going to enquire?
Is he the proper person
Who is leading a life
That is perfect and
That is successful?

Delighted Within

Light is outside,
and delighted within.
Life is visible
in faith and
not in doubt.

Snakes, dogs,
sheep, cows all
entertained.

Freedom is
the password
to take shelter.

Amile is the open field
to play and to deliver
speech to all.

Gajanan Mishra
Delighter

Delight-er,
You are the delight-er
My dear poet, here.
Color of colors
You are, my dear poet,
Colorful shiners.

You play in words
You play with words
You play in dark rainy cloud
O poet, you are without any doubt.

Well-equipped and beautiful
O poet, everyone is eager to hear you
That enable me to develop dispassion
With lovely full motion.

Gajanan Mishra
Deliver The Words

Deliver the words  
To the sea,  
And see there  
The fire.

I know how to cry  
On this earth,  
And looking at me  
The earth smile.

Gajanan Mishra
Delivering Judgement

Delivering judgement or
Giving letters, orders
In the language of the land
And that of the natives,
Is the primary duty
And is the necessity
Of time in a sovereign
Socialistic democratic republic.

Gajanan Mishra
Delivering Little

Promised much though.

Very heaven is not
At my reach
And hell is not there
Where I am going.

I have my own
Summer song with fifty degree
I am living without fear
And you know
I am not greed.

That is what
You are doing for me
I am no way connected with.

Gajanan Mishra
Delivery

I am able to deliver
I can deliver You by my good will
I can deliver as a servitor
Friend parent and lover
Transcendental love
And it is the highest mystic means
For the attainment of Truth.

To attain Truth
To attain Absolute Truth
I can take the help of my breath
My thumb my touch my hands my ears
My mouth my eyes my mind and my inner soul
My breast is my religion, see
My back is irreligious place
I can not say anything on the back of anybody
I know horrible is death.

But death is Absolute Truth
I must go with death every moment
It is my characteristics as a living entity
My real religion is devotional service to all
And here I find highest perfection
See, I am here, without any obstacle
Without any impediment
And my only eyes and aim is Truth
That Absolute Truth.

Gajanan Mishra
Deluded By Ignorance

I wander in this forest
In this material world
Deluded by ignorance
And I am enjoying
The result of my past deeds
And I blame nobody for this
It is my foolishness
If I am going to utter something
Let me go with law of nature
And it is Truth consciousness.

Gajanan Mishra
Deluded Not

Deluded not
You the super creature
Go not after matter.

Deluded not
The super creature
Do not grieve over
Transition one to another.

Go not after bodycage
Pride not boyhood youth oldage

Gajanan Mishra
Delusion

Friendship is delusion
Acceptance of affinity
With others is a mistake.

Gajanan Mishra
Delusion - Destroyed

Memory-gained
Only because of Love.

Doubts-dispelled
I stood firm
Only because of grace.

O my dear
Let me clear
I am yours till last chapter.

And I declared
I have taken refuge in You
And You are giving me perfection.

Gajanan Mishra

For you
I am here with candle
For you
I am here with light-jewels.

O my dear
Let us stay together
In this time-house
Let us go with wish-diamond
Wherein I feel no day
No night with you.

Nothing to surprised
This is truth
Without you
I demised.

Gajanan Mishra

Demolish the structures of
Numbers and times

And he fell down on his own 
He is no where but within us.

To expose the truth
For all welfare.

Cheat not others,
In any manner,
Dear men, all are
Equal in law
And in nature.

and proceed forward, my dear,
This is life here.

Gajanan Mishra
Desire And Envy

Desire and envy -
Two great enemies
Of living entity.

There as said.

Revive your
Original nature, men
For your existence.

Be cool
Time is making us
Fool.

That pick you up
In right direction.

Nothing like fruit is here
That you can harvest.
Love all equally,
Your duty is to love
And it is the only truth.
Let me clear, I am
Connected neither
With actions not with objects.
I am what I am here, see.
I am beyond anything here.

Gajanan Mishra
Desire Not Anything

If you desire something
You are weak
If you desire nothing
You are strong.

You require nothing
You are truly strong.

It is rightly said
Desire-less person
Is in a state of
Tremendous power.

Gajanan Mishra
Desire Not Fulfilled

Anger ensues,
From anger
Arises delusion,
From delusion
Confusion of memory,
Loss of reason,
And from loss of reason
Complete ruin.

Gajanan Mishra
Desire Not To Cross The Sea

Desire not to cross the sea
By holding the tail of a dog.

Gajanan Mishra
Desire To Continue

Desire to continue
Is more fatal
Delusion towards family
Is more ruinous
Desire for more wealth
Is more destructive
Be sure my dear
This world is not yours
You are here to
Render service only
Being a servant.

Gajanan Mishra
Desire Tree

I want the fruits
Of my desire tree.
I want food, water,
Air, knowledge.
I want to live
For others.
I want to die
For the greater interest
Of the society here.
Put not any question
Why, how, when and so on,
I am not in a position
To answer them all
Before anyone.

Gajanan Mishra
Desire, Anger And Lust

Know properly
The three -
Desire, anger
And lust.

And fall not
Within their trap.
And find no duality
In your own existence.

Be cautious dear,
You are at present within
This criminal department.
Be cautious, all
The criminals are there
To trial you for no fault.

Gajanan Mishra
Desire, Anger, Greed

Desire, anger, and greed
Are three ways of destruction.
Go not there with them, my dear,
They will not spare you
At any time and kill you
By putting in delusion.

Gajanan Mishra
Desired Harmony

Desired harmony,
Not in this life,
Not in this world,
But in love
And in truth.
Lead life in a
Truthful way, my dear,
And enjoy the magic
Performed by nature.
The creatures are here,
And they all are in harmony.
In harmony, see the honey,
Honey of life, and
Enjoy through all modes of nature.

Gajanan Mishra
Desires and passions
I am offering
Right or wrong
Not in my knowledge
My mind is not in fear
I know further
What are here
Not mine
Focus is not my intention
And I am free atleast
Not knowing anything
I know hearing has no truth
I know saying has no hands legs
I know no direction is there
In walking in running
No specific job allotted
To me here till evening
And when I go to sleep
There are so many queries
That I need not answer.

Gajanan Mishra
Desires And Longings

Desires and longings
I do not like
Enjoy gratification
I do not like
And I like
That you be free
Free from passion.

Gajanan Mishra
Desiring And Not Desiring

Is the root question
And in both You appear I know.
I know, of all You are the best
For all-embracing welfare
You are the origin and perfect.
Beyond limits of past present and future
O my dear, You are the Master, the Nature
You are the controller and always in favor.

Gajanan Mishra
Desperadoes

One who sets fire,
One who poisons,
One who murders,
One who seizes wealth,
One who kills children,
One who kidnap wife of others,
These desperadoes can never
Get joy here or anywhere.

Gajanan Mishra
Despicable Design

Show not your
Despicable design,
Play not with
Your dirty money,
Create not
Dangerous terrorists.

Manage your home and
See your stability first,
Express not good wishes
To the wrong done by
Terrorists in the area
That is not yours and
Try not to destabilize
The region that belong
Not to you but to another.
See not delusional and
Dangerous dreams.
Incite not violence and
Glorify not terrorists.

Gajanan Mishra
Despite

Despite the disturbing duality
Of the material world
If you are not disturbed at all
I am confirmed You are in Truth
You are the Truth, my dear
And you are above all.

Gajanan Mishra
Despite All Issues

I love you.
I love you
I am you.

All actions
Performed by me
Such as seeing
Hearing smelling
Touching are for you
I love you.

I am careful
I am purified
Chanting your name
Hearing your fame
With my mind
With my intellect.

Despite all issues
I am here with you
I love you
I love you.

Gajanan Mishra
Destination

All are going
Those who are already on the seat
Those who are going to sit on the seat
Those who are loitering in the station
All are going to their destination.

Some know where is the destination
Some know not where is destination
And some other are so ignorant that
They care not for the destination or
Think not about the destination.

All are going, all the intelligent
And all the ignorant all are going
How they are going that is really
Matter to note and important.

Gajanan Mishra
Destination Is Clear

Destination is clear,
And to reach the destination,
You have to remain content,
Tolerant of all dualities,
Good nurtured, self-controlled,
Peaceful with knowledge and realization.
You are to cross beyond the destination
With whatever naturally available - all truth.

Gajanan Mishra
Destination- Point

I am satisfied,
I am delighted,
I am contented.
See me, I am in the self.

I have nothing to perform
But I am here to perform
All actions enthusiastically,
Promptly, carefully and thoroughly
For the welfare of all.

I am the engineer here,
I am the driver
I am to take you
To the place where you
Want to go, your destination.

Gajanan Mishra
Destiny
not in your hand
My dear judge
be transparent
if you are intelligent.

Remember, my dear judge
you are not migratory
and floating to fillup belly
you are to give delivery
justice if you are wise.

Only for deliverance of justice
you are there in the society.

Gajanan Mishra
Destiny And Negligence

Destiny and negligence-
What is the difference?

Intellect and knowledge,
We are here, to earn,
In this life's college.

Give and take-
No joke is there
To make.

Gajanan Mishra
Destroy Death

I know, I have power
To destroy death.
I know, I can stay
Far beyond
The air and the water.
The sky is my follower,
I know dear.
The sky is there
In its place as before
And tearing the sky
I am rising, see.
I am my beginning
But see, nowhere
There is my end.

Gajanan Mishra
Destroy Hunger

Destroy hunger, my dear,
and let the sun rise
in all direction.

Gajanan Mishra
Destroy My Suffering

Come come please come
O my dear and destroy
My suffering here and
Enable me to lead a
Perfect life.

O my dear, let me
Consider myself the most
Fortunate here with You
As everything is available
With unalloyed love.

This body is Yours
As You are the Absolute Truth
This body is also based on truth
And everything here is only Truth.

Gajanan Mishra
Destroy Not

Destroy not yourself,
Destroy not your own ethics,
Destroy not your own earth.

Keep a vigilant eyes
on everything that are here
with you my dear and
take immediate actions
to rectify all defects.

Make law equal to all,
Once law is established
try to obey it to the best
of your capacity.
Show your own wisdom in it,
Show your talent by implementing it.

Gajanan Mishra
Destroy Not Yourself -

Destroy not yourself-
As you are to reach
The supreme goal.
Realize your identity
With the truth.
Forget fitness or sickness,
Forget birth and death
But remember the supreme goal.

Gajanan Mishra
I am in dark
Being born in the darkness of ignorance
O my dear, I pray please destroy this darkness.

I pray, O my dear, for the sake of love
By your grace please release me from
Subtle vice if it is here in me.

I am in dark
Please, O my dear, give me wisdom
So as to enable me to get You.

Gajanan Mishra
Destroy The System

I know so many
Men are there
To destroy
The system within.
But still
There are some
Who are there
To save it
And use it
For common welfare.
System is
Not bad,
It is we who are
Taking bad steps.

Gajanan Mishra
Destroy Your Pride

Destroy your pride,
And after that I am
There to spot you,
For love,
And for truth.
I am there to
Provide you
Gain and security.

Gajanan Mishra
Destroyer Of Hurdles

Jealousy, envy,
fear and guilt
All are hurdles.
And here with us,
There is destroyer
Of hurdles to
Make us happy.
The destroyer of
Hurdles are there
To remove the blocks.
We are men and
Humanity as a whole
Is the holistic and
Beautiful creation.

Gajanan Mishra
Destruction Of Ignorance

Read my poems
And see, your delusion
born of ignorance
has been destroyed.

Gajanan Mishra
Detach

Detach,
Detach yourself,
not from action
but from the fruits
of action.
See,
See the world
on its motion
and keep not
with you emotion.
Stay fix
with yourself
and say
that you want.

Gajanan Mishra
Detached And Possessionless

I salute you as pure
And a man of higher grade,
Only when you are
Detached and possessionless.

I salute you again for your fearlessness
And when you are able to understand
The law of the fully enlightened
And come to serve all creatures.

Gajanan Mishra
Detached But

Detached but
Not useless,
Disintegrated
But whole.
Liberated but
In bond,
Conditioned but
Under the process of
Natural law.
Conscious but
Forgotten the path
Of home.
Discover the truth,
The illusion.

Gajanan Mishra
Detached Spirit

Truth is there
In your
Detahced spirit.
Truth is -
Everything is illusory.
Take not anything
It is night.
Go not anywhere,
For outsiders
No light.
What is going on,
All illegal.
But abiding is
Your own stay.

Gajanan Mishra
Detachment

It is due to
My detachment
I am happy
And free from
Distress.

It is due to
Your presence
I am in truth
And I am fine
Here at this time.

It is due to
Your query
I got the answer
O my dear and I
Reap ultimate benefit.

It is due to
Your grace
I am able to
Show my face
And only your grace.

Gajanan Mishra
Detachment Is A Must

Detachment is a just,
If it is not there
Within you, my dear,
That would haunt
Your memory, and chances
Are there that would
Make you mad.
Remember on thing
Nothing is yours,
You are just a passer-by
And no affinity is there
And you are going
Towards eternity only
Taking your self with you.

Gajanan Mishra
Detail Knowledge

I do not want
Detail knowledge
I know no need is there
To know all in detail.
I know, You are here
To support
This universe
And ever ready to
Carry out my order.
See, I am going on my way
Doing all my duties
And I enjoy all.
I know, You are here
Always before me
with me and support
All me works that are
For the good of all.

Gajanan Mishra
Detailed Description

Detailed descriptions not needed,
Where I know no beginning or
No end of anything.

I know I am nowhere,
No place is my birthplace,
No kinsmen can save me,
And I considered
No one knows everything
In tit bits.

But everyone is being attacked by
Their own cause and effects
And they suffer the consequences.

But be not angry
And observe everything patiently.

Gajanan Mishra
Detailed Knowledge Not Needed

Detailed knowledge not needed
Stand supporting the whole universe
With a single fragment of Yours.

Don't go with delusion
Go with gained knowledge
That is Your memory.
Destroyed born of ignorance
O poet, You are pure perfect
Go with Yourself with singularity
And enlightenment.

Gajanan Mishra
Detect The Mistake

Detect the mistake
That is there
In the context of
Illusion.

Glorify it,
Interpret it,
Think white
In consolidation.

Popularity no matter,
But assemble in parson.
Dine together,
But stress not on convertion.

Life is nothing,
But a system of realization.

Gajanan Mishra
Detect Your Own Spiritual Spark

Detect your own spiritual spark
That is blue and black, white and yellow
And go ahead with your own programme.

Gajanan Mishra
Determination

The sparrow lost her eggs
In the waves of the ocean
And she was upset
And she decided to dry up the ocean
And began to pick out the water
And she succeeded in her mission
And the ocean returned her eggs
And it is nothing
But her determination.

Gajanan Mishra
Determination Never Lost

I am the one,
See me, and
My determination is
Never lost.

Certainly, I am yours,
And you are mine.
And we both are
The same one.

Gajanan Mishra
Devalued

Repetition will devalue it
Do not repeat
Left it as it is.

Gajanan Mishra
Develop All Kinds

Develop all kinds of thoughts
And images
Nothing is accident.
All are in purified form
Let us just collect the information
Indicating the past and the future.
Understand yesterday
What was the composition
And develop as per requirement of today.

Gajanan Mishra
Develop Faith

O my dear, develop faith
In you in listening to Truth,
Develop dispassion for pleasures.
Attain Self-realization, my dear
By performing your own duty
And be freed from the bondage of action.

Gajanan Mishra

Gajanan Mishra
Deviate Not

Do not turn from the way
I am on the way straight
Come on my dear it is
Your turn to come on.

I am with You always
See and experience
In your life with me
With the sounds vibration.

Gajanan Mishra
Deviate Not- Here Is Heaven

Deviate not
From the principle,
From the truth,
From aims,
And attain
Everything you want.
Stay in love
And enjoy
Everything here,
Here is heaven
In your brain.
Realize the truth
And realize
Perfection within.

Gajanan Mishra
Devil Is My Anger

Devil is my anger,
And I want to see
In my eyes,
I want to hear the devil,
I want to talk about the devil,
I want to touch the devil.
I am going towards my death
It is clear from my behavior,
Anger is in me, anger is devil.
I am trying my best to control
The devil and use it on my own way.
Do you know? my way is love,
And I know love is there,
Where there is truth .

Gajanan Mishra
Devil's Own Hut

We are in
Devil's own hut.
We are also in
The temple of God.
But look, this air,
This wind is here to
Demolish and crush down,
The hut and the temple.

Gajanan Mishra
Devoid Of

Devoid of all caste, all colors
Religions and races
Or hatred of rival opinions
Or parties or faiths
We are all one on this earth and
We live here in brotherhood.
All the truth-tellers like
The sun, the moon, the air,
The water, the sky are here with us
And we are enjoying our life
Giving up false sense of pride.
We are far away from the dance of death
Only due to love and truth,
Let us not live as a beggar or a slave.

Gajanan Mishra
Devoid Of Mother-Tongue

Devoid of mother-tongue,
Everything wasted.
No language- nothing.
Love language,
Use language
And win the world
Around you.
Be a sandalwood
With language, my dear.
Be a flute
With language, my dear.
And win the world
Around you-
Life's truth.

Gajanan Mishra
Devotees

Two kinds of devotees
Are here as you know-
True and false.
True devotee is
More than you
You know,
False devotee,
Destroyed themselves
In due course.

Who is true and
Who is false
It is
You to know.
It is the degree of
Devotion and not
The kind of it that matter.
You know better,
But they both are
Here as required
By the atmosphere.

True and false,
Love and hatred;
No difference, my dear,
Come closer and closer.

Gajanan Mishra
Devotion And Deception

Devotion not deception
Should be the system
Through anxious search.
And by totalling focussed
on finding it.
It has to just becoming
A part of life
And the whole life.

Gajanan Mishra
Devotion And Knowledge

Devotion and knowledge,
Name, fame, and glory
All are the acts of
Supreme one,
All are there
In everybody,
All are history,
With both external
And internal energy.
Sincerely we work there,
In our poetry.
Here, we are
The perfect living entity,
All round personality.

Gajanan Mishra

And not anything else.

Liberal and ever laudable.

Devotion is there
Means purification is there.
No one is fraudulent
No hypocrisy.
Reality is there,
And there is happiness.
There is life here means
there is prosperity.

Gajanan Mishra
Devotion To Truth

Devotion to Truth
And devotion to Love
Is the root of
All choice blessings.

Gajanan Mishra
Devotional And Conditional

Devotional and not conditional
That is final and rational
That is constitutional
And not concessional
It is transcendental
And not accidental
Devotional is exclusive
And unflinching.

Gajanan Mishra
Devotional Service

Devotional service
Devotional service
That I need only
And not religious
Principles as I know
The so called
Religious principles
Are only cheating
Though I know
Truth is nothing
But the central figure
In the performance of
Religious principles
But I want Truth and devotion.

Gajanan Mishra
Devouring All

Devouring all
From all sides
Covering all

With this time table.

Gajanan Mishra
Dew Drop Is Falling

Dew drop is falling,
Means the sky is crying
On the pressure of the sea.

Gajanan Mishra
Dew Drops

Dew drops
Are there,
Disturb not.
Go not there,
And do not
Anything that
Would harm
The dew drops.

Means Truth
The Ultimate Truth
And Truth is
By penance and austerity
One can acquired the exalted position
By the mercy of the Supreme Truth
One can achieve anything
Nothing is impossible
Only one word is there
That is possible.

Diagrams - Poems

Dear poets,
Use your own diagrams graphs,
Charts, tables, pie-charts
And maps as graphics,
And go with words.
Words are not yours,
But you have to go with them.
Words are the instruments
Musical- wind, percussion
And string.
Pluck, draw all
In your poems.
Maybe long, maybe short,
Al unhurt.

Gajanan Mishra
Dialogue

Dialogue is going on
Between You and me
And let me say this
Discourse is most sacred
To enlighten the self
And the environment.

Gajanan Mishra
Diary Entry

How can
Diary entry
Be a piece of evidence?
How can a
Computer sheet
Speak the truth?
Let me say,
And let m clear,
How you are
Doing your business
With all?
Problem is that,
You are the creator
Of your own problems.

Gajanan Mishra
Diary Of Events

What shall I do
With your diary,
Diary of events?

For me,
It is just a fun.

For me,
It is just a puzzle.

For me,
It is just a wonder.

What shall I do dear?
No answer is there
In your lips.

You, please just come,
And give me a kiss.

Gajanan Mishra
One who plays with dice is dicer
One who plays game of chance is gambler
Game of chance is played
For money for property for kingdom
Dicing cheat are gambling
They are harmful, they are forbidden
And we know this universe pervaded by God
Gambling is also Almighty's dictum
To eliminate evil and to establish saints
O my dear, see, I am a striver and
I have a strong determination and I
Always think of You
I know You are everywhere and everything
I love all, I have not yet seen any sin
And on You, my interest is keen.

Gajanan Mishra
Dictionary

You can not say wasteful,
I know, the words and its use,
It is true, my dictionary is not good.

Gajanan Mishra
Die At Will

Be a perfect man, my dear
And control the self
Live as per your will
And die at your sweet will
Leave the material body
At a suitable time and go to
A suitable place desired by you
Take the golden opportunity
Of life and death here
By attaining super-mental stage
And reach the highest planetary system.

Gajanan Mishra
Die Not

Die not
Before death.
And also live
After death.

Death is
Here and
Death is
There-only fair.

Death succeed you
If you are
Not in truth.
And death failed
If you have an aim
And you are ideal.

Gajanan Mishra
Differ In Form

The norm is one
And the same.

Nobody is wrong
Right is always
With everybody.

Nothing is in
Distant place
Everything is here.

Gajanan Mishra
Difference

Wealth and woman
You are telling me to
Differentiate and
I am dumbfounded
As I am living today.

Water and weapon
You are telling me
To put together
And I have a say
But you are going away.

Gajanan Mishra
Difference Of Sense And Nonsense

Do you know the difference
Of sense and nonsense.
Here I am before you,
Tell me in clear term.
Do you know life and its
Meaning, here I am explain
In connection with death.
Do you know what is death,
And if you know it, tell
Before all its colour and
Its present position.
And my dear friend, if you
Know not anything, then please
Listen me in silence and cry not caw caw.

Gajanan Mishra
Difference To The World

What is green
And where is our green-world
You and only you can say
You and only you can make
A difference to the world
We live in.

Gajanan Mishra
Different - Still, I Enjoy

Not same to same,
But different from
Each other,
You and I.

The beginning and
The end, though,
Seem different
But one and the same.

I know the feature,
The limitedness,
The original,
The changeless.

Still, I enjoy
The world of nature.

Gajanan Mishra
Different Facets

Different facets are here
In poems, and they
Give you a glimpse of life.

Every word unfolds you
With the vision and
The experience that you live.

Gajanan Mishra
Different From

I have nothing to do
With all that are here,
I know, all are different from me.

Gajanan Mishra
Different From Everything

You are everything for me
And You are also different
From everything.

You are not limited
You are eternal and
Self-sufficient.

You are original
My dear, and the origin
Of everything.

Gajanan Mishra
Different From Me

No one is different from me
No one.

Nothing is false here
Nothing.

No change is taking place in me
No change.

Nobody is dependent and incapable
Nobody.

O my dear, I know, You are not under
The control of anybody and You are not created
And You are also not bound by any action
I know.

I know, You are not different from me
I know.

Gajanan Mishra
Different Instruments

Different instruments
Different endeavor
Different activities
In different ways
In the heart of consciousness
Well planned and independent
Come and see
Really a different world altogether.

Gajanan Mishra
Different Kind Of Poetry

I am going to write, and
I am writing a different
Kind of poetry for you.
I am showing you a pigeon,
And request you to realize
Life within that bird here.
I am taking to the mountains,
To the ocean, to the open field
To show you the creatures there.
I am requesting you to tell
Something that are within you
And how far you are living there
Seamlessly with others in spite of
So many differences in life-thread.

Gajanan Mishra
Different Opinion

I have a different opinion
And I have no different opinion
And I suffer.

I suffer and you appeared
You appeared and gave your opinion
I have nothing to differ.

I declared I am not here
You said wait O watcher
And see scriptures.

I differ and said
Here is my life
And we five live.

I have a different opinion
On life on living
You said let us go it is evening.

And I stayed
And you run
Is it not a fun!

Gajanan Mishra
Different Stages

I am a baby
I am a boy
I am a youth
I am an old man
In different stages
Of my life.
I want toys
I want money
I want property
At different times
Of my life.
I accept affinity
I renounced
And all are mere
Assumptions.
Nothing is true
Nothing new.

Gajanan Mishra
Different View

You are giving a different view
I salute you.
I know you are a separate entity
With distinct personality.
You have fire within
That I know you are firing.
I am near you I am dear to you
That I salute for your view.

Gajanan Mishra
Differentiate difficult
Virtuous and evildoers.
Age to age form size
Colours changed.
Originate everything
From this world
Nothing wrong nothing right
Nothing small nothing big
Truth knowledge bliss
Prevails everywhere
Everywhere everytime.
Sea sky one
And the same.

Gajanan Mishra
Differently Named

So many names
I have so many names
I am differently named
As per my actions and stages
Otherwise I am one
And the same
You He and I all are
One and the same
And Supreme and nothing
Only there is time.

Gajanan Mishra
Difficult And Easy

I am busy.
I remember
That is not there
And never.

Attachment and inclination
Life's formation.
Enlargement of knowledge
Is not true one
Other word is devotion.

Undergoing modification
Is to lost.
This body- a world
Except self
Nobody is there to trust.

Gajanan Mishra
Difficult It Is

Difficult it is
To stay in truth,
To utter mother's tongue,
To love and protect
Mother-land,
To obey the law of the land,
To cooperate own brothers,
To sacrifice the self for others,
To live the life of a man.
Still, I call myself a man,
I know not though
What I mean to say.
I want everything to acquire
But I want nothing to deliver-
The smile of the time
I witness here is only
For me, I know.
But I fail to understand
What is there within
And I want to go from here
Anyhow but to where
That I cannot say.

Gajanan Mishra
Difficult To Assess

Really,
Difficult to
Assess anyone
And also things of
Any sort.

In so many colors
Each one is there
To blossoms.

In a leaf
I find so many lives.

I gather all,
Forgetting my
Own self-interest.

I want to communicate
The heart for others.

Loss of nothing,
I find here
With others,
Still, I say
Really difficult
To stay.

Gajanan Mishra
Difficult To Comprehend

Living in this false world
With this false body.

Gajanan Mishra
Difficult To Cross

Difficult to cross,
Cross over life,
But with love
And bliss,
Nothing is difficult.

And life appears
For truth.
Truth is there,
Where there is love,
And love is
Beyond illusory energy.

Life is all good,
But here, we make
Ourselves fools,
For false ego.
We forget injunctions
And we invite
Trouble for us.

No one is allowed
To work as performer,
But each one is
The instrument here
In the hands of time,
It should be remembered.

Gajanan Mishra
Difficult To Gze

Difficult to gaze
Who you are
And where you are.
But I am the earth
With endless loss
With endless colors.
And we both are here
With all profits
With all pleasures.
Nothing is forbidden
And we are doing nothing
And yet we are here
And doing nothing and
We are here with bundle of desires.

Gajanan Mishra
Difficult To Ignore

Morning evening
Day night
Difficult to ignore.

Consumption limit
Crossing hill
Nothing firing
Life battling.

What they said
Full of meaning
Our ignorance
They switched.

Gajanan Mishra
Difficult To Know

Difficult to know
What is truth
Difficult to love
The truth.

Truth is here
With us
We are Truth
We should love each other.

Gajanan Mishra
Difficult To Live

Difficult to live
A simple life here.
Difficult to live
Even with love.

A truthful life
Is much more difficult
To lead at this time.

No one is willing to
Study your mind and
No one is interested
To understand the truth.

Because of the self,
Each one is partial
And their thinking is
Let the world go to hell.

Gajanan Mishra
Difficult To Name

Difficult to name
a person free from
corruption.
Everybody is
telling against
corruption.
And there is
no interaction.

All are busy
only in decoration.
Only if put question
by sound touch speech
without bothering
having no sensation.

Gajanan Mishra
Difficult To Return

I feel it
Difficult to return.
But I am sure
I must go from here.

Is it my passion
to live here?
That I cannot say.
I am here, cleared.

All the perching birds
came with so many questions
But I failed to answer any one
and still I am telling myself
I am great and I am unabated.

The whole thing is I am unconscious.

Gajanan Mishra
Difficult To Tolerate

Difficult to tolerate
Really it is difficult
To tolerate the insulting
Words of uncivilized men
But tolerate and tolerate
And set your own mind again
Tolerate everything
Tolerate personal insult
I know it is piercing like
Anything within your heart
And yet tolerate and tolerate
Thinking it as fruits of your
Own previous actions, my dear
And wait for the future.

Gajanan Mishra
Difficult To Understand

Difficult to understand,
This life, this world.
Difficult to understand,
The cause and effect
Of time and circumstances.
Let us realize the position
Of each individual and thing
Before going to sleep.

Gajanan Mishra
Dig Out My Eyes

Dig out my eyes
I am unfit to see
The incidents
Of this world.

Cut out my ears
I do not like
To hear the duplicity
And the hues and cry.

I want not to
Go anywhere,
Cut out my legs.
I do not like
To hold anything
Cut out my hands.

This world is
Not for me, I know.
Take away, please,
I do not like to
Stay here any more.

Let me stop here,
I like, not to
Proceed further.

Gajanan Mishra
Dig Reservoirs Of Water

Dig reservoirs of water
For public use
It is charity
Retire from family life
And serve for the welfare of others
It is penance.

You are sinless, my dear
You are the son of nectar
Do good for the world order
Be a giver and a follower
Of That Spiritual Master
That Great Grand Creator.

Gajanan Mishra
Digest

Find so many news
And digest.
Man stones wife to death
Five drowned in Ganga river
Farmers stirover water scarcity
Antipeople policy holder falcitated
Workshop on shocking extended
Roundeyes God called Jagannath
Witnessed all.

Find so many news
And digest.
As no otherway left.

Gajanan Mishra
Digging

Dig dig digging
And find no meaning
Of digging.

Find nothing
Means you had/have
Everything.

From the very start
You were/are here
O my dear, and I am
Nourishing you .
From the very start
You are with me
And not alone at any
Point of time, see.

For what and how
Ask not any question,
I feel no reason to answer
As it is there as before.

Gajanan Mishra
Digging Well

My house is burning, wait,
Let me start digging well.
I am blind and I am
in search of another blind man
who is ready to focus light.
Always I am thinking about
my wife and children and
by hook or crook earning a lot.

Gajanan Mishra
Digital World

With a poem
I entered digital world
Where I sowed
Seeds of words
Fast forward
I found
Productivity gone up
Traffic jam
Important feature is
No familiar sounds
But words star
And I am delighted.

Gajanan Mishra
Dignified Life

This world is for all,
Every one has a right
To live in a dignified way.
Respect all and provide
All facilities that are
Necessary for a free and
Peaceful life being chief or
Heading a state to serve others.

Gajanan Mishra
Dignity

Dignity be provided
Man be honoured.

We should be more alert
And be prepared to
Counter threat.

Positive trend be continued.

Gajanan Mishra
Diktat

Diktat,
But for what?
Is it for
Public welfare?
If not
What use?
Old issues
Yet to solve.
Mew issues
Come forward.
And people
Faceless
Mindless.
Activities
Curbed.
Complete chaos
Everywhere.
Laws,
No value.
Let's go
For self-review.

Gajanan Mishra
Dilsukhnagar

Dil means heart, love
Sukh means happiness pleasure
Nagar means where we live or residence
In Dilsukhnagar, Hyderabad, India
Now you would not find Love
Pure heart happiness pleasure
And also you would not live there in peace
After two blasts within minutes
For nothing for nothing
This is totally against humanity
Inhuman acts of beasts.

Gajanan Mishra
Diluted

All closed,
All diluted.

All cultured,
All historical.

The fish, the tortoise,
The boar, the lion,
The dwarf, the warrior,
The love, the monkey.

The moon and the sun
All reign all over.

The flood, the earthquakes,
The drought, volcanos,
All reign all over.

But in good voice
We are to live.

Gajanan Mishra
Diminishing

What is diminishing is our life
Diminishing duration of life
And mercy and power of recollection
And moral principles.

Are we going towards faithlessness?
Are we ready to maintain ourselves
And going back to ultimate truth
From this illusion and prison house.

Gajanan Mishra
Diminishing Pure And Good

Diminishing pure and good
Increasing bad and impure
And at this point of time
O my dear, I am living.

Highway bandits are the king
And his ministers and officers
People in general are in
Low profiles and in low occupations.

I am living at this point of time
O my dear, all are busy for nothing
In materialistic homes and nobody is
Interested to keep good relation with others.

This is the bad time
I am living in.

Gajanan Mishra
Diminution

I know not any diminution, my dear,
As I am with You, nothing is spent out of me
I appear constantly undergoing changes though.

I am waves, You are my ocean, my dear,
I am rising and rising only inside You
And You are ever calm and uniform as before.

Gajanan Mishra
Kim kartabya bimudha
basichhi mu
Ae dimiri gachha tale.
Aamisha durgandha aasuchhi
Sabuaadu mori pakhaku.

Gala kuaade mora
Sabu prasidhhi, sabu khyati,
Odasa sosuchhi ebe
Mora sabu rakta.
Chaturdiga mora gandhiaa
Aau mora mati
Mate chanchala
Maruchhi dhakka.
Dimiri tale mu chhetka.

Gajanan Mishra
Dina (Odia)

Gotie dina, gotie dina
Eha bhala nuhen
Ki manda nuhen.

Gajanan Mishra
Ding Dong

Who is there to decide
What is right and
What is wrong.
Ding dong, ding dong.

Gajanan Mishra
Dinosaur's Love

Dinosaur's love,
Dinosaur's love is there,
Let us go and see the villages here,
The villages are having no light, no water.

The villages are having no foods, no clothes
Besides Maoists postures.
Let us go and see the villages here.

If you so like, sale your daughter,
The so-called God is silent spectator,
Find here, sufferer is only dinosaur.

Dinosaur's love,
Teacher is drinking liquor,
Temples Mosques church are houses of slaughter,
Here find, your own near and dear.

Gajanan Mishra
Dinutie Matra

Dinutie matra kabi hua
jibanara dukha o jantrana bhuli
banchibara sudha pana kara.

Gajanan Mishra
Dipawali

For you all,
I wish
A happy dipawali.
Let all happiness
Come to you, my dear,
With all lights.
Life is here
Only to search the light.
And we all know
Light is
Within us.
In this dipawali
Let the inner light
Comes out.

Gajanan Mishra
Diplomacy And Politics

Diplomacy and politics
Ruined life.
Life is full of miseries.

I am sure,
No one is happy.
They are only busy in drama.

Here and there,
All are talking about
Money and more money.

They think not,
They are dying.

Nothing is for them,
Men, not able to think.

Each one is nothing but a thief.

Gajanan Mishra
Direct And Indirect

Direct and indirect
Both are one
And the same.
Ram is hungry
Hunger is in Ram.
How can one says
It is one and the same
That I wonder!

I am here.
Am I here?
Who is there
To give a correct answer.
But, my dear
Don't close the door.

Gajanan Mishra
Direct Help

I am receiving
Direct help from You
O my dear, I can not forget You.

I pray, show the way of perfection
To all creatures here
They are innocent and dying here.

Gajanan Mishra
Direct Me Not

Direct me not
What to write
What not to write.
Direct me not
Where to go
Where not go.
Direct me not
What to do
Why to do.

It is I
O my master
Who determine
What is what
And you are to
Follow till
The end of the chart.

Gajanan Mishra
Direct Or Indirect

One and same process
To reach to the ultimate goal.

Go and do works
For the welfare of all beings
These seeing hearing tasting
Working have no meaning.

No question of envy
No difference between
man and animal
One should go for
Inner self and not outer cover.

Though difficult
Not impossible
Direct or indirect
Everything okay if reliable.

Gajanan Mishra
Direct Talk

I like direct talk,
Clear talk, upfront.
Here it is easier
To decide this much
Yours and that much his.
Bet let the birds
Not go beyond the distance.

I am not the monkey
And I can understand.
I am not the leopard
And I am not furious.
I am here, see me,
I am sitting down here
and also there at the same time.

I am not watched by
Any trouble, see directly,
I am here running and
not pretending anything.
I am not a fool,
I am faithful,
See me I am always cool.

Gajanan Mishra
Direct To The Point

Come on my dear friend
Direct to the point
And give reply
Who am I
Who are the others
What is mine
What is for others?

Come on come on
Who are advanced in knowledge
Come on come on
Are you sure you are
Getting this body again
Come on and say in clear tone
Are you not feeling the change therein.

Gajanan Mishra
Direct Touch

Direct touch
Direct talk
Direct action
Come on
Time is short
Hair is cut
And here
I am showing
My thought
That I have taught.

Gajanan Mishra
Directed

Directed,
You are directed to
Submit so and so..
But remember, it is means
This submission is for nothing.

You have no right
No right to ask question,
And as such the questions
Are overruled.

In a major shake-up,
You may get a chance
To enter, enter in to
The High Way that is going
Through your own area.

Submit,
Whatever you are to submit
Then and there.
And if you fail
Treat it a fair.

Gajanan Mishra
Directly Or

Directly or indirectly
I know everything
You are my part and parcels
I know your internal
And external features
I know I am living
And you are living with me
I know you are dying
And not the sky
I am the sky look
And is it not blue!

Gajanan Mishra
Directly Or Indirectly

Directly or indirectly
I am related, it is true.
All and everything-
My features, external
Or internal, it is all virtues.

I am my product,
I am divine matter,
I am the developer,
I am here with all
Literature and world order.

The process of
Transformation is
Not known to me - it is false.
But I am there as witness,
Who is true to the words,
And false to the address given.

Detail information
I can furnish
At any time, if required.
I am the consciousness
And I avail all
Opportunities to
Make the self all perfect.

Gajanan Mishra
Director Is

Director is within
And also without.

Director is with
Both moving and non-moving.

Director is fully covered
By the gross body and subtle body.

And never a loser.

Let us obey the Director
And Unto Him let us surrender.

Gajanan Mishra

Gajanan Mishra
Dirty Things

Dirty thing is
The cause of all troubles.
Remove all dirty things
O my dear from your
Mind and heart.
You are leading
A prison life
In this material world
This is the root
Of your miseries.
Root out all evils
And dirty things
From you and think
About the Absolute
That is the way only way
To make you free from
Evils dirt and troubles.

Gajanan Mishra
Dirty Things Be Burned

Dirty things be burned,
By the true fire of knowledge,
And by strengthening detachment.

Gajanan Mishra
Dirty Tricks

Dirty tricks are
Not allowed.

Are innocent and simple,
Laws are meant for
Welfare of the people.
Play no tricks
That are dirty
While giving service
To the people.
Dirty tricks are
Not allowed.

Gajanan Mishra
Disable

I am disable,
But I am sure
You are able.
I am wrong
But I am sure
You are right.

I am not able to keep my words,
And to bear it you are there.
I know it is not good to
Stay long in the house of a friend.
I know this body is the friend's house,
Let me go soon from this house.

What for I am here I know not,
I am in dark and my eyes are idiots.

Gajanan Mishra
Disabled

We want something
To express ourselves
It is not that
Without anything
We are disabled.

Gajanan Mishra
Discard Distinction

Discard distinction, my dear,
Distinction caused attachment
Attachment led to stir,
And it is the stir
That churned the curd
And here is the butter, my dear.
Stir in evil mind caused destruction,
Stir in pious mind caused new light creation,
O my dear, discard distinction
That caused attachment aversion
That led to commotion.

Gajanan Mishra
Discard Hand Cuffs

Discard hand cuffs
And write something
In your own language
What is there in your mind.

From your own cave
And utter words
That are yours.

I am here
I am there
To hear you
To understand
And to make you
Free from all chains.

Gajanan Mishra
Discard Not

Anybody
Any knowledge
If you want
To attain
Progress my son.
I know there is
Nectar with you
But to get it
Purity of your
tendencies of nature
Is necessary
And let me say
Seek not easy life
For this for
True progress.

Gajanan Mishra
Discard Your Vanity

Discard your vanity,
Discard infatuation,
hypocrisy and

Gajanan Mishra
Discipline

Discipline
A little practice of
This discipline
can help you to become a
Perfect man
And no body is perfect here
As I see
Coming to this place
And you yourself
Are not rising
In spite of my
Right processes.

Gajanan Mishra
Discipline In With Me

No discipline is
There in me
I have not
Conquered ego
I know I am a
Scattered personality
It is beyond my
Understanding why how
And what are here
With me
O my dear, still
I am here
And declare myself
As a dictator.

Gajanan Mishra
Discipline Myself

Let me
Discipline
Myself only.

And I see
No other works
To do.

Let me
Keep company
With the best of men.

And I have
No other persons
To say friends.

Gajanan Mishra
Disclose Not

Disclose not,
Disclose not anything.
Everything is revealed
In your identity.

Secrecy be kept secret
But what is there
That should come
To the surface.

You are in the middle of
The appearance and disappearance
Listening your words
I took your case.

Gajanan Mishra
Disclose Please

Disclose please
Who you are.
Utter your
Own words.

Peace pigeon
Is there,
Talk to the pigeon
And know the intention.

I know,
You need charity,
You need protection.
You want to see
The universe for
Your satisfaction.

Gajanan Mishra
Disclosure

You have disclosed that
You are at the end
The end is not far
But near.
O my dear,
You are telling me
To see You in reality
To know You in essence
And to enter in to You
And you are telling
This is the end.
I know, I am in my house
And I have no need to go
To other places
I have not to leave my house.

Gajanan Mishra
Discover And Rediscover

Discover and rediscover yourself
In yoga, through yoga,
And know nature within.
Pleasant glee,
Merry cheer,
See and hear
Life is all clear,
And live without fear.
Men, you are at present,
On this earth.
Men, write something about
Your life and the air.
Men, If you are to cry,
Cry for the truth, cry for love.

Gajanan Mishra
Discover Love

Discover love,
For language,
For land,
For mother,

Joy of life within my dear,
In this new year.

To know you
Not here
To make an inquiry
About you.

I am here
To know myself
To know my essential being
I am here
To discover myself within.

Gajanan Mishra
Discover Yourself

Discover yourself
In me and clear
All doubts.

Gajanan Mishra

With me in this journey.

And you trust me your greatness
Not putting any question you
Joined with me openly.

Gajanan Mishra
Discovering Name

Discovering name
Not difficult, but
Staying on truth
Is a necessity.

Loving and talking,
Not difficult, but
Difficult is to control
Emotion and devotion.

Necessary to know
Short-comings, but
To convey all about
The truth is worth-noting.

Gajanan Mishra
Discovering The Self

Waste not your time
O my dear, by sleeping long time.
Sleeping makes you lethargic
And you are to go on dreaming
out of this you cannot get anything.

Be careful my dear, rise, awake
and perform your own obligatory duties.
Indulge not yourself in idle pursuits,
Take not forbidden food and
try to stand on your own foot.

Going on searching real knowledge
enabled you to reach at a point
where you discovered yourself in
Colorful light for all time.

Gajanan Mishra
Discovery Is But

Discovery is
But mystery.
It is life
But not sweety.

Enough is enough,
We must bear.
Ruling is -
We are to go from here.

Gajanan Mishra
Discriminate - Through Scriptures

Discriminate proper and improper
Discriminate what should be done
And what should be refrained from.

Have some sense of duty
Through scriptures and
Good company.

Bow down to elderly people
Have some elements of gentleness
And humility and bend with mind speech body.

Good advice good ideas of other people
Be followed and don't stick to yours
And return good for good even good for evil.

Gajanan Mishra
Discriminate Not

Discriminate not
Physical prowess
External appearance
Wealth age colour
Birth merit learning
Place time moment.
Purity and transparency
Be looked in to
Sentiment be
Taken in to account.

Gajanan Mishra
Discriminate Real And Unreal

Discharge your own duties.

Discharging duties
Daily should be
Given primary importance.

Non-attachment and
Non-identification of the self
Is also the need of the time.

While performing duties
Place should not be given to grief.

Gajanan Mishra
Use your discrimination,
My dear, and perform action.
And come not under the sway of
Attachment and aversion.

Destiny is God's grace
To achieve grace is our destiny.
Under God's guidance and supervision
We are progressing with representation.

Gajanan Mishra
Discussion - Love And Life

Let us start
The discussion
About creation.
We are all
Parts of
This mechanism.

Let us see
Life exhibition
And representation.
We are all
Parts of
Love distribution.

In truth,
We are in favor of
Universalization but
Support not pollution.

Gajanan Mishra
Discussion Necessary

Discussion necessary
Before pronouncing anything
Discussion necessary
With syllable tragedy.

Without anything
You can not reach anywhere
And without anything
Nothing came to fore.

Anybody can say anything
Anything can be said
At any time for a fight
And fight has nothing
To delivered.

Sealing of time
Temporarily or permanently
Ruined the cage
Where you are
In the manner you like
And in the house that is yours.

Discussions About You

I consider
Discussions about You
My dear, is the nectar

All contamination within all.

Gajanan Mishra
Disgrace - Wicked

Disgrace - wicked couple
Are in bubble
Wicked being the husband
Disgrace wife double.

You are going after perishable
And I know you are under the net
Of Disgrace-Wicked couple
Putting life in miserable.

Gajanan Mishra
Disgusted And

Hopeless and
Still I am
Here fixing
My mind on
Your platform
Without deviation.

It is now
Your duty and
Responsibility if
You think proper
Do whatever you
Like here or
There or anywhere.

But I am sure
I am with You
And to stay with
You is my very nature
Seeing the wind and
The light and the sky
I conclude it is only You.

Gajanan Mishra
Disgusting

Really it is disgusting
It is distaste it is displeasure
Let us spit, nothing to feel happy
This life is not for sensuous enjoyment
Fools and rascals are here only
We are here to suffer, my dear
Material sense gratifications
Are all itching, really disgusting.

Gajanan Mishra
Dishonor Is Worse

Dishonor is worse,
Worse than death,
For a respected man.

In Odia;

Asammana asradhha
Maranthu bada
Sammananiyanku.

In Brahmi script;

??????? ?????????

Gajanan Mishra
Disinterested Friend

You are my disinterested friend, I know
You purify me, I know
You destroy my sins also my good deeds
Through favorable and unfavorable circumstances
You are my disinterested friend, I know, I know
You support and nourish me on earth in water and also in ether
O my dear, I am your close friend, you are my
Father Mother my guide and the philosopher.

Gajanan Mishra
Dispel Doubts

Dispel all doubts
By knowledge.

Gajanan Mishra
Dispenser Of Law

O dispenser of law
Punish me
I am a miscreant
As I love all.

Gajanan Mishra
Dispute Is Not For Truth

We know very well
Dispute is not for
Truth but for mere
Territorial power.
The dispute has no
Meaning as terrotory
Is subject to change
By nature at time
Without our knoweldge.
We know no division,
No reconciliation but
For nothing dispute is
There and it is not truth.
Bone of contention is I and you.

Gajanan Mishra
Dissolved

Nothing is there
To dissolve,
Worry not my dear.
In some way or
Other reaction
Is a must.
You can feel it
You can know it
If you want.
And you have to
Neutralize every time
That are here
Only for your welfare.
And remember
You are free to act.
And you are here
To get the fruits
There from
In some way or other.

Gajanan Mishra
Dissolving In To The Earth

Dissolving in to the earth
I am the earth
I am made of earth
I am dissolving in to the earth.

I am intact
I remain intact
For only short time.

You are the only person of pleasure
Here, my dear, on this earth
You are far from this world of
Faithless full of darkness and ignorance.

I am getting a chance in this earth-life
To hear You to see You to keep relation with You
And I know this is the only Truth.

Gajanan Mishra
Distance

No meaning of distance,
Distance can do nothing
To dampen filial ties.
Dear Father, I am here,
Where you are at present
That I know not, yet, I
Feel you are here within
Me always and everywhere.
I am looking forward with
All joy and all beauties
A bright future and that is
There due to your blessings.
I am enjoying new people and
New life at every moment.

Gajanan Mishra
Distance - I Realized

Distance - I realized
And removed all obstructions
By faith.

I exist
The world exists
And you my dear
Described the factors
That I accepted
By faith.

I gazed at you
And try to acquire
Knowledge of the self
Rendering only service
By faith.

Gajanan Mishra
Distance Matter Little

O my dear, I feel
You are here with me
And always I find you
Without any disruption
You are here nearer
And nearer.

Gajanan Mishra
Distinctly Separate

Yes, You are distinctly
Separate from me.
I am this, where I am.
But you are here and also there
Taking care.

Everyone can knows me,
I am known to everyone.
No one has got power
To know you as you are
Above and beyond all.

And still I love you,
Only to you as truth
You are the eater
And you are the food.

Gajanan Mishra
Distress And Wealth

Wealth and distress-
Interlinked.
It is well said-
Wealth is a perpetual
Source of distress.
Well said- wealth is
Virtual death for the soul.

No gain,
No satisfaction
From wealth, true.
No happiness also
From wife, home, children,
Relatives, domestic animals.
To maintain all above,
Wealth is needed.

Imagine not wife, life
Without wealth.
And life, some think,
Illusory basis of
Sexual attraction.
And life make material
Endeavors to eliminate
Unhappiness and
Increase pleasure.

Life-
Full of distress.
A family is a place-
Happiness inevitably
Vanishes there.
The more one grow older,
Material discomfort increases.
Everywhere fear, enviousness,
Constant harassment and
No actual happiness
Here in life.
But worry not, dear men,
Be wise, use your wealth
For all good.
Enjoy life
With sacrifice
To get peace.

Go not with rat race,
Dear men, but see,
You are the wonder,
You are the nectar.
You are here
Not to acquire
But to admire others.
Men, be an admirer.

Gajanan Mishra
Distress Comes

In its own way
By the laws of nature.
Speak not
Unpalatable truth
To cause distress.

Gajanan Mishra
Disturb Not- Path Of Progress

Disturb not,
We are on
The path of progress.

We remember love,
We remember the truth.

We are
On the path of progress.
Allow us
To proceed forward.

Of course, life
Itself is a
Great mystic.
Yet, we love
To be a victim of nature.

Gajanan Mishra
Disturb Not Peace

Disturb not peace,
We are ready to
Perform sacrifice.
Happiness is there
In this world and
We are not for mess.
It is for life,
We wait peace.

Gajanan Mishra
Disturbance To Society

Are not my writings,
Nothing more than,
Disturbance to society?
But I have to write,
To live and hope to lead
A peaceful life with
All contradictions but
With proper regulations.

Gajanan Mishra
Disturbed

Time disturbed
It is of no use
The fame the beauty
All opulences prowess
knowledge and renunciations
Time disturbed
With limited volts
Less power supply
O my dear I know
You are my unlimited power
With summum bonum.

Gajanan Mishra
Disturbing

You are trying to disturb me
I know from the beginning
But I am not going to say
You are disturbing
Rather you are helping me
In my mission and you are
befitting in my execution.

Gajanan Mishra
Dive

Dive in to the poem
Diverge not.

In poem
There are words and letters
Letter means not late not later
Letter means present
Always everywhere all times to come.
Dive in to the poem
And in poem
word means not wander
word means wait
Wait and see
See and strike
Strike and stay
Stay and know
Know and understand
Understand and go
Go upward and upward
Till attain divinity.

Dive in to the poem
Divinity is only there
In the poem
Diverge not
Life breath here.

Gajanan Mishra
Dive Deep, Dive Deep

Dive deep, dive deep
And get all beauty.
Love and love
And touch eternity.
Switch on, switch on
And see the light.
Life is for peace
Go not for fight.

Gajanan Mishra
Diverse In Many

Diverse in many
Universal form

I am the ritual
I am the one without a second
Know me
I am the poet you want to see.

Gajanan Mishra
Diversity Of Beauty

Diversity of beauty, 
Enjoy it, celebrate it. 
No shame in loving 
The beauty of nature, 
Each one is the part it. 
But do good and 
Enjoy your own work, 
And see the smile 
of the world.

Gajanan Mishra
Divide Not

Divide not my world, my dear,
In the name of geography, history
Divide not in the name of culture,
Religion, caste, language or color.
If you are so interested to divide,
Divide the sky and let me see,
Divide the sun and let me see,
Divide the air and say this much
Yours and that much mine.
Let me test how energetic you are,
O my dear, as you belong to such and
Such community and you have the power to
Control the death for such and such reason,
Divide life from death, proved the recognition.

Gajanan Mishra
Divide Not Yourself

Divide not yourself, my dear,
But stay united and with water
In the vast sky.

The sky is one,
So also the air
And the light,
At times changes
In colors is seen, though.

Join hands with the earth, dear,
And tolerate all,
And recognize the love.

Nothing dissolved,
Absorb everything
During the journey, though.

Gajanan Mishra
Divide The Sky

Divide the sky
If you can
Rule the oceans
If you can.

Here is the wind
Let it call
Here is the earth
Are you really tall!

You are not present
You are not absent
Yet You are doing
What I guessed.

Gajanan Mishra
Divine Colors

See the divine in colors
The colors in emotions
Emotions in knowledge
That adds charm to life.

Emotions associated with colors
Anger with red
Jealousy with green
Vibrancy and happiness with yellow
Love with pink
Vastness with blue
Peace with white
Sacrifice with saffron
Knowledge with violet.

You life is not boring
With all these colors
Holy is full of colors
And Holy make life colorful
Mix all the colors and You
Find Black and my dear
So is life like Lord Jagannath
Black without beginning
Without end omnipresent Omniscient
You can not say what are
There in Black
You can not say what the Lord is.

Gajanan Mishra

All favourable and
Unfavourable circumstances
Are Your gracious divine dispensation

By absolving me in good deeds and sins.

Inter-dependant to
Each other here.
We should realize
Our inner strength
And proceed ahead.

Gajanan Mishra
Divine Nature

Men, birds, beasts,
Herbs, plants. creepers
All possess divine nature.

Let us take cow
As an example-
Cow is sacred,
Cow is adorable.
Cow churn out butter,
Butter is used in sacrifice,
That causes rain.
Rain produces food and
Living beings come forth.

Herbs remove diseases
And nourish the body.

Gajanan Mishra
Divine Pardon- Mother

Who am I, let me know mother,
Who am I, really who I am.
I wonder and I wander
Where am I and what I am.
Mother, let me know and
Save me from frustration.
Am I a corpse, mother?
No, not at all. I am
A living creature, that I know.
But delusion is there
In me, my mother.
I am here with you,
You said; worry not
My dear son, you are
The truth here with me.
And I fear not,
And I care not,
And I stay here
With you, divine pardon.

In our motion.

Gajanan Mishra
Divine, you are,
That I know my dear.
Magnetic impact
Is with you.

I am under the nature,
But you are not, my dear.
You have all the power of
Creation, preservation
And destruction.

I am here to follow you,
With all equanimity
With all meditation and stability.

Gajanan Mishra
Divisions Uncountable

How can you count
The divisions that are
Within me.
How can you divide
The indivisible
Within me.

Yet I am divided
That is beyond
Your imagination.
Yet I am ignorant
Within the area of
Knowledge and light.

I blame not anybody
I utter not anything
And I said myself
O donkey, what are you
Doing here and suffering
For your own negligence.

The donkey, within me
Replied, okay sir, let the night
Passed, I am preparing myself
To show you the destiny,
Alas, the night is still here
And the donkey is no more with me.

With faith with love
With realization of self.

Right to us
Is any one almighty here!

Gajanan Mishra

Knowledge then nothing
But silence would reign.
The world is a flower-
Full of honey, and you are
The bee, my dear, just
Go on sipping
Without bussing.

Gajanan Mishra
Do It Yourself

Whatever you
Want to do
Do it yourself.
And if you make

Your purpose here.

You are eternally existing.

Gajanan Mishra

It is you decide
What is there for you to do.

I have my own root
I have my own day

The entire day.

It is up to you
What you want to say.

And it for this sleep is essential.

As You know excess of anything is bad
Excessive sleep is not good for
The mind body and senses

And drowsy all the time
Excessive sleep degrade a man

Love guves us longevity.

Gajanan Mishra
Do Not Go There

And who am I
To build a bar.
No drought no famine
Still I am fine
No reason.
Cold fire life mire

Without purpose.
That is the whole

As before.
Your style
We like
Your functioning
Praiseworthy.
Do not go
Stay here with us
In poems
In joys
In sorrows.
We need You
And Your message
From time to time
We know you are
Free from material desires.
We know you are going
In to transcendental stage
To attain firm and fixed
Intelligence.
Do not go
But go up and up
As future is yours.

Gajanan Mishra
Do Not Hanker

Do not hanker
be calm
Like the ocean
Like the sky
Be awake
Like the sun
Like the knowledge
Peace will come to you
Without any disturbance
Just be stable
Like the earth
Overcome your
Own delusion
O my dear
I am yours only
In this situation.

Gajanan Mishra
Do Not Help

Sometimes it  
Carries weak points.

Love and nothing  
Nothing is love  
Going higher higher.

Keep yourself cool  
With the fools  
That have heart-stone.

I know fire  
And fire knows me  
With certain exceptions.

Gajanan Mishra
Do Not Hold Any Grudge

Do not hold any grudge, my dear
Accept all as nectar and
Be happy always and
Care not for the world of duality.

I know you are complete in Truth
I know you are oblivious to good and evil
You are oblivious to happiness and distress
And I am sure you are with Almighty.

You are staying on the spiritual platform of neutrality
O men, You are nearer and nearer being part and parcel
Of that Supreme Authority and I know this material world
Is your examination center you are to cross it.

I know men, you are under the protection of that Power
You are directly under His observation and I know you are out of fear.

Gajanan Mishra
Do Not Know

I do not know
How to worship
I do not know
How to pray
And for this
See I am
Miserable and
Frightened
I do not know
With this poor
Insignificant
Human body
Filled with
Blood flesh
And stool
Covered with skin
How to worship
I do not know
How to pray
I do not know
And for this
I am roaming
Tired and exhausted
In this world
O my dear
You yourself do
What you want to do
How can I know you
I am useless
With urine stool
Blood and flesh.

Gajanan Mishra
Do Not Lament

Nothing has happened
Everybody is present everywhere.

Nobody is dear or despicable
Nobody is superior or inferior
Indifferent to anyone is not a question.

Giving respect to all
Is getting respect from all, remember, my dear
No one is your mother father son daughter
Relative or brother and hence no one is a stranger.

Nothing to do here
Be not in illusion
Goodness ignorance and passion all are nothing
But your own creation for your own satisfaction.

Gajanan Mishra
Do Not Lose Heart

Do not lose heart
At any stage

For its discovery.

When I am asking for sheep's clothing
And I do not mind.
You are offering poisonous venom
When I am asking for sweet fruitjuice
And I do not mind.
You are forgetting
You are with me and sharing
equally eating drinking wearing.

Gajanan Mishra
Do Not Mind The Offences

O my dear, do not mind
Do not mind the offences
Created by the creatures here
In this material world
Full of illusion
I know all are childish
And less intelligent
O my dear, do not take
A serious view of their offences
They are in dark here
In this material world
If you wish to give them punishment
You may punish them
Only in order to right them.

Gajanan Mishra
Do Not Play

Do not play
With fire
Scams and
Corruptions
Are fire
Do not play
With it.

Gajanan Mishra
Do Not Put Others

Do not put others in to anxiety
Be kind to every one.
In happiness in distress
You are not disturbed by any one.
Be always transcendental
Be devotional.

Gajanan Mishra
Do Not Restrain

Do not restrain me
And who are you to restrain me
I am going with You
O my dear
I am not a hypocrite
You know
I am doing actions
According to my nature
That is given by You
I am doing all works here
Selflessly as directed
By You see
Let me go with You
Going is life I know.

Gajanan Mishra
Do Not Ring Me

Do not ring me
Received call not binding.

My option is mine
Whatever with you to say
Come where I am residing.

And you know there is no place
Where I am not residing.

Gajanan Mishra
Do Not Speculate

Do not speculate
Speculation has
No work in love
You know I know
Only love is there
Between you and me
Love is the supreme
Goal of life
Loving all
Friendly to all
Living and non-living.

Gajanan Mishra
Do Not Stay Here

O my dear,
Do not stay here.

All are here
Addicted to
Sinful activities
O my dear,
Do not stay here
Do not stay here.

Do not stay here
Do not stay here
O my dear,
Do not stay here.

All are totally
Unaware about
The truth and
The love
Do not stay here
Do not stay here.

Do not stay here
Do not stay here
O my dear,
Do not stay here.

All are here angry
Lusty and frustrated
And become engulfed
In bitter quarrel
And cruelly harass
One another.

Do not stay here
Do not stay here
O my dear,
Do not stay here.
All are covered
In the darkness of
Ignorance and devoid
Of any loving relationship
With other and they know
Not what is worse what is better.
Do not stay here
Do not stay here
Wait and see my dear
See with equal vision
And wander
Wander and wander
Throughout the earth
My dear to find the truth
Truth is there
Within all creatures
Know all with complete
Detachment, my dear
This is the spirit of nature.

Gajanan Mishra
Do Not Take A Break

No mistake no mistake
Do not take a break.
Go on go on
Poems a head.
Poet is free
He can fly as he like.
Old people only
To safe their skin
Point out mistake.
New people know
No mistake anywhere
Only new people
Look new thing and
Proceed in new road.

Gajanan Mishra
Do Not Tear

Do not tear
Democratic fabric
Respect public
Provide food
Clothing shelter
Basic needs.

Gajanan Mishra
Do Not Tell A Lie

Do not tell alie
If you want to
remain away
from chickenpox.

De not tell a lie
If you want to
remain here with me
in this truthful fort.

Forward yourself
with all forswear
you are not here
to remain here
and you are here
to remain here.

Forsooth forgetfulness
and forgiveness
makes us alive.
Foreclose that are
on our road of belief.

Gajanan Mishra
Do Not Trust

Do not trust
Beast with claws
Beast with sharp horns
Do not trust
Flowing river
Police and armies
Do not trust
Members of royal families.

Gajanan Mishra
Do Not Waste

Do not waste time energy
That are not yours
You are not yours
Do not go astray
That which is not yours
You have no right on that
To waste to destroy.

You are posted here
To perform some duties
Know the nature and
Details of every work
And go on principle
Without looking to others
Where your duties lie.

Gajanan Mishra
Do Not Worry

Do not worry
If my poems are
Not in accordance with
Your thoughts and feelings
Just go on reading
And think for a while
And then say how far
My poems are taking responsibilities
To purify You
My poems are busy in
Searching truthful souls
And my poems are here
Just to supply you
A new light in which
You can live in peace
And happiness.

Gajanan Mishra
Do Nothing

Do nothing,
Say nothing,
Just observe
How one is living.

Life is very useful,
Just observe life,
It is for you here,
Go on living.

Gajanan Mishra
Do Nothing To Counteract

Do nothing to counteract,
But sanction each and every event.

Men, know that you are here
To return home, back to the truth,
Men, misuse not this opportunity.

But love all, you are to love all here, men,
No special friend, no enemy, keep it in mind.

Gajanan Mishra
Do Only One Thing

Do only one thing
And see everything therein.

Listen, what you are talking to others.
They are no other person than yourself, remember.

From this very moment, let us start overcoming all obstacles.

Nothing is an error,
Everything is meaningful and have some value, let us search the value therein.

Gajanan Mishra
Do Something

Do something yourself, my dear,
Do something for your life.

Think not, some one would come
And do it for you
Think not you are incapable.

Have faith in you, my dear,
And do something that would be
Extra-ordinary and wonderful.

I care not where you are, my dear,
I care not what you are doing
And in what position you are at present.

I am sure you are on this earth
And you are going to die
Not able to do anything even for yourself.

Gajanan Mishra
Do Something For Your Own Existence

Think not otherwise, my dear friends,
Do something for your own existence.
Your own existence is in threat,
See it, observe it and do the needful.
You are the man who can think,
Who can act, who can change
The course of time, come on, my dear,
It is the right time to strike.

Gajanan Mishra
Do The Needful

Is there any difference
Between internal and external?
Is there any real issue
To discuss for peace fraternity?
Are you ready for open
Discussion with broadmind?

Ask me nothing
Only think yourself
And do the needful
When such situation arises.

Gajanan Mishra
Do What Is Fair

Do what is fair,
If there is good,
go there.

Carry forward
and be happy
with your life there.

Think good,
do good,
reap good.

Gajanan Mishra
Do What Is Good

You will have praise
From the same.

And you love others
One who loves another
fulfilled the law.

Love your neighbor
And do good
First step to heaven.

Gajanan Mishra
Do What Is Good To You

Do what is good to you, my dear
Let me tell first all that is
Good and only good
Let me tell first all that are
True and only true.
I know my dear change is taking place
At every moment within me
And within everybody
But no one could mark
Let me tell first how and what for
All that are here.

O my dear, is it all but fun?
Am I under a spell of delusion?
Had I been stolen?

Gajanan Mishra
Do what you please,
Not so actually
What you think and like.
Men different
In colors in structures.
Time different
In the day and in the night.
Light different
At morning and at evening.
But goodness is one,
Smile and love - one,
Display of forms - differ
From place to place
With the climate changes.

Gajanan Mishra
Do Whatever You Like

Do whatever you like
But see that
You are within
And be ready to
Bear the effects there of.

What you are doing
And what you are thinking
That is the effect of
Your past actions
Be cautious, for the future
O my dear, hence further.

Wherever you are
There see your own picture
And that is what you are searching for.

Yet to born

Do you believe
I am searching for
Gajanan mishra

And gajanan mishra is
Gajanan mishra and
Gajanan mishra is
Not here.

Gajanan Mishra
Do You Believe?

Do you believe
I belong to yesterday
And I am here today?
Do you believe
I belong to the truth
And leading a life
Of falsehood?
My dear, what you
Believe or not believe
Is my life—I am
Not telling this
Before this meeting.
What I am you have to
Accept me if you are right.

Gajanan Mishra
Do You Know

Do you know
What I am talking about?
I said.

And I know a prophet
Is not honored
In his own country.
But it is true
I am the only lion
Here I said again.

Are you the jackals
Then?
Reply if you can!

Gajanan Mishra
Do You Know Heart

Do you know heart
O cardiologist
I know you have
Cardiograph
See I have no card
See I am not able to
Play card well
I have no card
O my dear
You are dwelling
In my heart and
You know about cardiac
You are my heart
You are my love
I have no knowledge
It is you in me
And most knowledgeable
And I am in jeopardy, see.

Gajanan Mishra
Do You Know Life?

What's the color?
The color of your life?
Do you know what is life?
More or less, you are alive
And living at a time
When I am here.
I am here and no fear
Comes to me at any time.
But you are trembling
With an unknown fear.
Fear to love,
Fear to truth.
But I am discovering you
Afresh, anew.

Gajanan Mishra
Do You Know Me

Do you know me?
That I do not want
That you know me.

I am here
Like the water
Like the air.

It is good
That you are
Using all these
But you know not
What for they are here.

Leaf is falling
And you know not
The reasons thereof.

It is not necessary
To say everything
To you.
And yet
You are in truth.

You know everything
That I know
And still
You are in dark
For your own fault.

Sorry to say
You are a man.

Gajanan Mishra
Do You Know Puri

Do you know Puri
Where is Puri
Really who is there in Puri
And what is Puri famous for
All these are without question tags
Worry not.

I am not here to force you
To say something about Puri
I know Puri is not a place of
Your choice if you are a thief
And if you are interested to
Go with somebody who is
Not interested with you.

I know Puri
I know who is there
I know what for I am asking you
I know you are avoiding me
And I know you are lagging behind.

Gajanan Mishra
Do You Know Value Of Life?

You know value of life
And it is nectar and beehive.

Your mission in coming here
To do good for all.

You are in the mode of goodness
That I know and I am enlightened
By your advanced knowledge.

Gajanan Mishra
Do You Know What Is Not

Do you know what is poetry
And what is not.
And what you know

Fear not
The world is
Not to fear but to face
All the challenges with a new form
Try to adopt with a new fashion.

Gajanan Mishra
Do you know who is Gajanan Mishra
If you do not know it does not matter
And Gajanan Mishra has not done much
To enable the world to know Gajanan Mishra.

You know Jesus Christ yes it is good
You know Lord Krishna yes it is good
Jesus and Christ have done much for the world
And you are able to know them.

Do you know who you are
No matter if you do not know
But without knowing the self
How you are leading a life yourself
Is a question you should put to you.

Live like a dead.

I feel liberated.

In your memory
In your loneliness.

Gajanan Mishra
Do You Really

Do you really need me
Do you know how far
I'm acceptable.

With all realities, see.

The earth-
Full of life.

Come to me and see me everywhere
In everything and be free from
Worry sorrow fear and doubt
Give up all selfish desires
You are my fraction
Remember and come with self
And feel freedom within.

Gajanan Mishra

Or you want death?
Don't hesitate to

Remember, your birth
is only for light.
You are the light itself.

You have to arrange
And keep with you,
Your own package.

Alas, You know not,
Where is light
And where is dark,
What to do and
How to do,
You know not,
What to give
And what to take,
When and where,
Yet you are going
On this way.

Gajanan Mishra
Do you want to touch the sun?
If yes, come on.
Here, find,
In the open market.

You guess some deadly poison!
Okay, just wait,
All that are being seized sudden
Here, by the sun.

And for this I love you.

Gajanan Mishra
Do, Whatever You Like

Know my intention
Know my efforts
And do whatever
You like, O my dear.

Gajanan Mishra
I salute you, my dear,
Doberman, you are
So faithful.
I salute you for
You saved the lives of
Eight family members
By mauling to death
Four cobras.

I salute you, my dear,
You fought violently
And finished the reptiles.
I salute you, my dear,
With teary eyes, while
Performing your last rites.

Gajanan Mishra
Doctor Charging Fees

Doctors charging fees
without giving
proper treatment.

Milkmen mix water
in milk and charging
the cost of pure milk.

Ministers and officers are
enjoying life and getting pleasures
without caring the common mass.

Labourers want to get full wages
without performing their duty
honestly and sincerely.

Let me say all are in falsehood
and robbed common men.

Gajanan Mishra
Doctor Said

Doctor said
I am okay,
But you said
Good bye,
Let me fly.

I think
Each and
Every word
Has its
own beauty.

And I smiled.

You asked
What happened.
I replied
Nothing.
At this you
Became red and
Hugged me.

Doctor said
It's all okay
Nothing to worry
Though it is tarry.

Gajanan Mishra
Doctors Differ

Doctors differ
Some say nature
some say time
Some say fate
Still some other
Say it is desire
How helpless we are
Here at this hour
How pathetic our life
In the sparks of
Life-fire.

Gajanan Mishra
Doctor's Differ

Doctor's differ
And all are false.

Truth is always fixed
And the same for all
Past present and future.

Time is not ours
We belong to time
All agree here.

Our earth is more important
Here only one can finds your
Eternal bliss eternal knowledge
And can makes life eternal.

All opinion pin pointed
On You only, my dear, as
You are the absolute Truth here.

Gajanan Mishra
Any matter expressed
Or described
Letters figures marks
A writing
Words printed
Lithographed photographed
Map or plan
Inscription on metal plate
Inscription on stone
Caricatures all are documents
You may use or intend to use
Till I am alive here
And if I died they lost value.

Gajanan Mishra
Dodos

Dodos,
Where are you now?

I know,
You were there,
In the island of
Mauritius.
We, the human,
The most destructive,
Encountered you
In 1598.

Gajanan Mishra
Does Any One

Does any one
really care humanity?
Does any one
love humanbeing?

All want power
and prestige
for nothing
not know where
it is!

I dare say
lack of toleration
only problem.
We are so related
the existence of
one is in question
besides other.

Gajanan Mishra
Does Your Life Has Meaning

Does your life has meaning?
I doubt and I doubt.

You are in the meaningless things
Mind it, it is neither hell nor heaven.

I doubt where you are at this time
And how you are and I doubt your very existence.

This earth this birth have some purpose
I doubt I doubt I doubt,

And the area you named
I doubt its very nature and its period.

Gajanan Mishra
Dog And Cat

You are telling me dog
And I am telling you cat
We are not like that though.

Gajanan Mishra
Dog And Elephant

Elephant is there
And dogs bark.

First one dog barked
Then another
And soon all the dogs
In the neighborhood
Started barking.

If the elephant
Runs behind the dogs
Value of dogs increases
And that of the elephant
Comes down.

Everybody is free
One can say
What he likes
And one should not
Run behind any word.

Gajanan Mishra
Dog And Man

Dog and man
Both are one
And the same.

Both are
Envious,
Both are
Anxious.

Both are
Harmful
To their
Own relatives.

Both know
What is right
What is wrong.

Gajanan Mishra
Dog Bark

Dogs guard and bark
Men thief and silent
Dogs men friends.

Gajanan Mishra
Dogs and cats are here,
Men are also here.
Caterpillar and bugs are here,
Myna and parrots are also here.

O men, study them with nature
You are parts of all for ever.

See the tree, your life-giver.
Learn patience and learn to keep silence.

Gajanan Mishra
Dog's Tail

Man is not a dog's tail
Man can change his nature
If he try and go on its own
With humility.

Gajanan Mishra
Dog's Tail - No Use

Little knowledge
Inadequate knowledge
No use
Like the dog's tail
not able to cover
Even shame.

Gajanan Mishra
Doing Agriculture Works

Doing agriculture works
Is but natural
Cow-rearing and commerce

And the aim behind each work
Should be earn money in
Righteousness and to fulfill
The desire and salvation.

Gajanan Mishra
Doing All Works

Doing all works
I returned to
Original place
That was in death.

At my destination

You as my Master.

O my dear, come
And take me with love

Gajanan Mishra
Doing Great

Meaning of doing great
Is not in any dictionary.
Yet you are telling
I am doing great,
Intention is unknown.
The more I gather
Information, the more
It is nothing, nothing.
Fake ideal is only there
And I got out of carriage.
I know the nature of the cow
And I fear what it is
Going to do before the evening
With the call of nature.

Gajanan Mishra
Doing Harm

Undoing harm
Requisite of
Good governance.

Ideological coherence
Is a necessity
Consistent effort
Is a necessity.

Lips smile
Is farce
Avoiding smile
Not good.

Good governance requires
Morning sun to stand up
For public to rise
Background wise.

Conclave successful
Let us go with coalition
For the sake of all
With good faith.

Gajanan Mishra
Doing Nothing

I am doing nothing
So far here for anybody
And you can not called me
A good man.

Gajanan Mishra
Doing Nothing - With Me

Doing nothing,
I am not doing anything
And yet everything
Is changing with
Eating, walking, sleeping,
Breathing, opening and
Closing.
I am nothing
Nothing and yet
Everything is happening
With me.

Gajanan Mishra
Doing Nothing- Giving Highest Good

Doing nothing is
Doing everything.

No definite discipline
And it is puzzling.

Ceasing to act
Not being perfect.

Desisting from action
No life no emotion.

I foster you
You foster me.

Each fostering
Giving highest good.

Gajanan Mishra
Doing Right Action

Doing right action is
My birth right
Right to cessation of action
Is also mine
O my dear
It is You who control me
All times
And I am fearless
In selecting actions
In doing actions
It is also Your
Behest I know.

Gajanan Mishra
Doing Something

Doing something means
Committing wrong
Doing something is
Going with nature.

Doing nothing
Is not good

Vested in God.

There is no difference
Between nature
And God.

Gajanan Mishra
Doing Well At Home

Doing well at home
Each one has acquired
Qualification to do good
Abroad.

Telling so much
Against war, each one
Has touched the path of
Peace.

Keeping in mind,
This night is our
Last one, each one
Has secured winning side.

Taking trust
Each one crossed time.

Gajanan Mishra
Doll

Forget all
Forget you a doll
Come here
With a call.

Play music
And comment
Yourself.

I hear it
I think it is
As sharp as blade
That cut me pieces.

I am trapped
With the music
And loss control.

As if I have gone mad
As if I am in hospital
As if I am free total.

Gajanan Mishra
Dollar And Cent

I want
Not to see
Dollar-and-cent man.
But I want to
Emphasise the proper
Behaviour for a man
Of excellence who
Exist apart
From the material
Universe,
Who has nothing
To do with
Women and money.
I salute him always.

Gajanan Mishra
Dolphins

Dolphins,
You have taken away
My bulls, cows and calves
From my farm.

Gajanan Mishra
Donate Blood

Donate blood
And give life.

Life is not yours
Blood is not yours
Think not you are
Giving that are yours.

Think the truth
And truth is that
What you are giving
That is returning
To you in double digit.

Use the rain water
In irrigations and other creative
Purposes before it reaches the sea.

Gajanan Mishra
Don't accept
The body as the Self
Life is meant for exemplary behavior
My dear, remember.

Gajanan Mishra
Don'T Teach Others

Don't teach others
Always try to learn from others.
Life is to learn
Life is to love.

You are neither superior
Nor inferior, remember.
You are my dear
Just reinstate yourself here in love.

Gajanan Mishra
Don't Touch

Don't touch
If you touch
Surely you are
Captured.

Don't eat
If you eat
Surely you are
Surely you are
Captured and lost.

Don't speak
And stay aloof
To see the correct
Picture, my dear.

Gajanan Mishra
Don't Ask

But act.

Act
And let me know
Who you are.

I know
You vibrate
Eternity
I know
You are
A love-fruit.

With your
Love-power
You can win
Everything
You can
Reach anywhere
At any time.

Love  love.

Love is not
Here to ask
But to love.

Gajanan Mishra
Don't Be A Cowherd

Don't be a cowherd,
But share
The blessings of this life.

This life is beyond
Any value,
Know the life
With true knowledge.

The seeds of true knowledge
Are within you,
Search them out
With the light of pure deeds.

You have got this life, my dear
Only to attain highest freedom
And happiness.

Gajanan Mishra
Don't Be A Thief

Don't be a thief,
Work and render service
And then take what is necessary.

Gajanan Mishra
Don'T Be Blind

Don't be blind
Since you have eyes.
Don't judge others
by your standards
As because you have power.

Power is good
in its place,
Power is not useful
Even no way related
to common men.

Common men are with nature
and nature is never contaminated.
It is we the men in power are polluted
and exploiting the common men.

Gajanan Mishra
Don'T Be Envious

You know everything.

You know
Woman is a boat
And all the paraphernalia
Is standing upon her.

Don't break the woman
To pieces.
You can not protect
Yourself then.

Don't be envious
Woman is everything.

You know
It is for woman only
You are here
With this air and water.

Woman is the earth
On which now you are.

Gajanan Mishra
Don't Be Selfish

Don't be selfish,
Don't be pride,
It is sin.

Do your innate duties
By your own nature
And say yourself it is mine.

Gajanan Mishra
Don'T Call Me

Don't call me
My dear, I am here
With all my blessings
And good wishes.

Go and fly
I have opened the sky
It is your ability
It is your sensibility
It is your peace of mind
That make you greater
And greater
Go and go, good bye.

Gajanan Mishra
Don'T Come Again

Don't come again
And act in anyway
Being the instrument.

Identifying yourself
You may say the same
As said before and after.

O my dear, this is the difference
In reality that is forbidden
Actions of a striker.

Gajanan Mishra
Don't Create

Don't create
Don't create a
Cumbersome life
If you create
Your purpose
Will not be fulfilled.

Be straight
All are here
Your brothers, sisters
Kith and kin
Just go in
Enjoying, enjoying.

You are to see
So many pictures
You are to go
With so many persons
You are to hear
So many words.

Worry not
Worry not at any time
This is a place
Where you are now
Is a place of patience
Everything is set right.

Just turn within
And smile who you are
Just visit again
If you have any doubt
But keep yourself
Enlightened and clean.

Gajanan Mishra
Don'T Do

Don't do such thing
That would cause your fall down.

Don't go anywhere
Where your presence is not felt.

Don't say any word
When nobody is there to hear.

Don't try to teach
Remember, learning is only life.

Gajanan Mishra
Don'T Follow

Don't follow
But show
The originality
That's yours.

I know
You have yours
Own vision
To see you
And to follow you
I am here
With my own reason.

Gajanan Mishra
Don'T Get Angry

Don't get angry,
Nothing to worry.

Foes and friends
Come together,
Let us see today
And tomorrow better.

We are ours
No one can give us fear.

We are all shining here
O my dear, just smile and love.

Friends and foes,
We are to grow,
Truth is here, please know,
Nobody is in sorrow.

Gajanan Mishra
Don'T Give

If you do not want to give
I am not here to beg
I am not here to take.

Gajanan Mishra
Don't Give Up Truth

Don't give up truth
Out of greed.
Have patience
And see, you
Are growing.
Do your duty with
Devotion and stay happy.
I am here, waiting
For your turn.
And I see, you are
Turning towards me.
You are the luckiest
I have ever seen.
I am here ready to help.

Gajanan Mishra
Don'T Go

Don't go
Don't go with
Wealth always, my dear.
Wealth is not
Yours, remember.

What is yours
Please go with that,
Go with that, my dear
That is ready to
Go with you, after death.

Think a while, my dear
And be a night rider
That enable you
To cheer.

Gajanan Mishra
Don'T Keep Doubt

Don't keep doubt with you
It is poison
And it separates you
It disintegrates you
It is the thorn that
Irritates and hurts
It is the sword that kills
Buddha said O my dear
Nothing is more dreadful
Than the habit of doubt.

Gajanan Mishra
Don't leave me, my dear,
If you leave me
I stop breathing
I stop functioning
I start to rot.

So long as You are with me
O my dear, I am useful
You reside in me
You are significant
And I am not.

Gajanan Mishra
Don't Look Upon

Don't look upon my dresses
They are only external cover
See I am here pure and with nature.

I am my own competitor
I am my victor
Look upon me I am sun-riser.

Gajanan Mishra
Don'T Misled

Don't misled
It is Your own degradation
You have Your
All blissful Absolute Truth.

Know Yourself first, my dear
You are my fragment
Everything is with you
You are the manifestations in dreams.

Gajanan Mishra
Don't muzzle me
I am the only agent
To illuminate all
I am the only observer
And only person
To tell the truth
For general welfare
To place the fact
For perusal of the world.

Gajanan Mishra
Don'T Persecute

Don't persecute anybody
It would prove futile
Almighty is there with everybody.

The enemy you contemplate
Is nowhere and it is only you
Who is everywhere.

Help others and get helped
Be happy with others
All are pious here.

Gajanan Mishra
Don'T Quarrel

Quarrel is a fire
Quarrel-fire is like
The fire created from
The friction of bamboo
In a grove
No one can save
Each and everyone is
Consumed and destroyed
By quarrel-fire
In one way or other
Don't pollute the atmosphere
By quarreling each other
Among yourselves, my dear.

Gajanan Mishra
Don't read my poems
Without having faith in me
And my words.
If you are finding
Fault with others
Don't read my poems.

Gajanan Mishra
Don'T Sink

Come up, come up
Going upward is
Your destiny, my dear.

Gajanan Mishra
Don'T Stay

Don't stay with me
If you are ignorant.
You are ignorant
You are in dark
You are just like
Any other animal.

Don't stay with me
You are ignorant
You are low
You are wicked
You have desires
That are evils.

Gajanan Mishra
Don'T Stay There

Even for a moment
No religion is there
And what is a religion
It is the rules regulations
And principles for a better
Life here and there
In accordance with Truth
Without committing acts of
Impropriety and there is
No falsehood no pleads ignorance
No sin and nothing in a place
Where religion is there and in the name
Of secularism you can not discard religion.

Gajanan Mishra
Don'T Take It Easy

O my dear, nothing is easy.
It is Yours everything here
We are for You only.
And who am I
I am just a small spark
In presence of the great fire.

Gajanan Mishra
Don't talk about death today.
Today is valentines day
And not the day of death.
Death is not allowed to come
Today at least, as we love each other.
Today is the day of love,
Today is ours day and
The day of life.

Gajanan Mishra
Don'T Try To Harm

Don't try to harm
The innocent.

That has a
Reverse effect.

Innocent are
Really fire
And you are
The flies
And you know
In a fight
Fire is always
Victorious.

Don't be envious
And attack the innocent.

Gajanan Mishra
Don't turn the pages, please,
With contrary meaning, and
With contrary implications.
Life pages are as pure as the sun
And it is rising at every moment
With all newness, with all purity.
Behold the life, my dear, and
Have the vision of truth, only Truth.

Gajanan Mishra
Don't you know?
Don't you know
What your language is?

Don't waste time,
Don't waste time any more,
Let yourself bloom
With your own identity.

O my dear, make
Connection with yourself
After careful reflexion
And introspection.

Gajanan Mishra
Door

Door is open for discussion
Sacrificing everything come alone with son.

You are ready for discussion
I am not ready as yet
And it is also not dawn.

Gajanan Mishra
Door Is Opened

Door is opened
And you are
Welcoming me.

I am with my words,
You are giving me
Respect and freedom.

Neither I am cold
Nor hot but balanced,

Gajanan Mishra
Door Opened

Door opened
eyes closed.

fire burn
tree grows.

oceann is one
differ question only.

what they think
source is nothing like.

yes, thinking is
important but should be inside.

Gajanan Mishra
Doors Are Opend

Doors are opened,
But entry and exit
Are not so easy.
In the middle
What is happening
In cold and hot,
No one knows.
But in foliage
All stay.
Talks are not free,
And all collapse
Like the overbridge.
Be ready to go
Inwards with all,
Hills are there, though.
Direction is one
Persons are different,
Though at this time.

Gajanan Mishra
Dormant Existence

See the dormant existence
Of the earthen pot
Within mud and also
Existence of mud
Within the earthen pot.

Gajanan Mishra
Dot The I's And Cross The T's

Dot
Point
Mark
Dot the i's
and cross the t's
I dote you
Not dotage.

Dot down
Dormitory ahead
Suspend self and
take rest
Double-dealer
Be caution
At the end.

Gajanan Mishra
Double And Not Single

I am double
And not single here.
And nothing is
The secret with us.

Anytime always
I am with you.
And no one is
There to interfere.

I am drunk
With you.
You are in love
With the truth.

And we are colorful,
And truthful to each other.

Gajanan Mishra
Double Loss

Knowing fully well,
Nothing real,
If you enjoy worldly pleasures
Then be sure, all powers
Will be mitigated,
All things will be destroyed,
And be sure, you are
to face double loss.

Gajanan Mishra
Double Track

Stop there
In your own track,
And track down me.

I am the tracker,
And I am going on
Double track.

It is true, I am not
Able to follow the track.

Gajanan Mishra
Doubt Arises

Doubt arises
On my presence.

And I presented
Myself in this manner.

my dear, stop not
On your own way
Just observed the birds
That are here.

Gajanan Mishra
Doubt Doubt

Doubt doubt doubt
This doubt arises
In your mind and
Not in your heart
This doubt is always
Ready to make you out.

Have faith and stay
Far away from doubt
Don't try to test
Test is a dangerous game
Don't take it easy anyway
Give no chance to harbor
Any doubt in your mind
Go not testing what is not.

O my dear, here you are
To see to smile to realize
In your own heart
In your own heart see
The Truth within
And you know Truth is
Beyond any doubt.

To keep doubt within
The mind is a stupendous error
It is born of ignorance
Have faith on Truth
The Ultimate Truth is
Within and that is all.

Gajanan Mishra
Doubt Of Duality

All doubts of duality
Are completely cut off.
I am in love.

I forgot the left and the right
I am factually here
With Your glories with Your grace.

I fought with me always
In daily activities of life
And I found You here in me.

Gajanan Mishra
Doubt- Poison Of Life

Live, live the life,
Without any doubt,
Live in peace.
Doubt is the poison,
Poison of life,
So many great men
Have told to you.
Doubt is there and
That would destroy you.
Live the life
Throwing out all
Doubts for your own good.

Gajanan Mishra
Doubtfullness

I have forgotten my identity  
And a knot of doubtfulness is here.  
I said I am my body, it is due to my ignorance and ego  
It is the junction of matter and spirit.  
Here I am sure, the soul of my body  
Identifies with the material world.  
I must enlightened myself with my inner knowledge  
I must get myself free from this binding combination.  
O my dear, You appear here and give me real knowledge  
And make me follow You to be a perfect man without any doubt.

Gajanan Mishra
Doubtless,
I am yours.
Doubtless,
You are mine.
And I know
You are for all.

I am in you in
Permanent uniform
And I am certained
I am balanced
And I am ready to
Go when I receive
Your call
From you to you
Again and again
Like an active player.

Neither you are
Mine not I am yours
I know and
It is just an
Understanding to avoid
Unpleasant situation
I am telling all these
Openly before all
And it is flaw,
It is also joy and
That joy is neither yours
Nor mine.

O my dear,
I am the truth
And you are to
Get my truth
For all.

Gajanan Mishra
Doughty You Are

Doughty you are
No body can make you
Dove dots flutter.

Gajanan Mishra
Dove

I discover you
In peace
And in sweetness.
You are my word,
Word of endearment.
You are my life-breath
And you are cautiously
Turning the pages of history
Through your own wings
That I like.

Gajanan Mishra
Dove Cots Flutter

Doughty you are
No body can make you
Dove dots flutter.

Gajanan Mishra
Doves

Doves are here
Flutter not
The dove cots
Though doughty
You are.

You are not here to
Down on any one
Doubtless you are
The great son
Do not down upon a person.

Gajanan Mishra
Down Here, Up There

Down here,
Up there,
Fair and star.

Here to go,
There to oil.

Life is a coil,
With so many
Voltage-current.

With color paint,
Life is a serpent
That warrant us
To think giant.

Since growable,
Life is enjoyable.

Gajanan Mishra
Down To Drain

Down to drain.

Let not anything
Go down to drain.

Have patience
And listen.

Keep silence
And go
On your own way.

Nothing is there
To happen.

If you so like,
You may love,
Love is yours, but
The burden is not anyone's.

Gajanan Mishra
Down To Earth

Down to earth one call
Necessity knows no law
Black will take no other hue
Ethiopian will not change his view.

And further they said
Too much cunning overreaches itself
Familiarity breeds contempt
And said the more the merrier.

Gajanan Mishra
Downfall

Downfall is for
Act of violence
Downfall is
Act of violence.

Search not peace
Outside
Search within
Peace there in.

If any doubt
Is there with you
Clarify it by
Asking questions.

Ask not any question
That will cause
Act of violence
That leads to downfall.

Gajanan Mishra
Down-To-Earth Nature

I am impressed
By your down-to-earth nature
And amiable approach, dear.
Go on, I am there,
And ready to help you, dear.

Gajanan Mishra
Downward Slope

Downward slope,
I have nothing to do,
But see, I move.

Gajanan Mishra
Dragon And Elephant

Dragon and elephant
Join hands to co-exist
For the world peace.

Gajanan Mishra
Dragon Bill Drafted

Dragon bill drafted
Dozen came dozen went away
Drainage dramatic displayed
Came to dead end dragging dragging.

Gajanan Mishra
Drain Not

Keep the pond
Fill-up with water
For keeping the fish alive.
Water at the root of the tree
For a green leaf, colorful flower
And tasty food.

Gajanan Mishra
Drama

It is
Nothing but a drama
And you are all
Taking part here
As a hero and a zero
At the same time
And you are busy
In killing and
In protecting
One another
At the same time
And the feeling is
Neither pleasure
Nor displeasure.

Gajanan Mishra
Drama Of Manifestation

Drama of manifestation
Is going on.
And I behold you
In multitude of different beings.
And also I see one in many divisions
In one single body.
Nothing lacks but
Fulfilled with everything.

Gajanan Mishra
Dramatic Action

Each and every one's
Action, I think,
Is dramatic.
Nothing to take
Seriously.
It is due to
Poor fund of knowledge,
We are in miseries.
To cut short anything
Is not within
Our power.
We are in dark and
Even we fear ourselves
And fail to utter our own names.

Gajanan Mishra
Dramatic Performance

Player knows
How to play
Player thinks
Nobody understand
Is player innocent
Nobody can say that
At times here
In this forest
Player lost everything
Player knows
How to play
And bewilder
Is it pleasure
Here closes the chapter.

Gajanan Mishra
Dramatic Style

What is mine
Death-bed blowing
Shakespeare said
Odor faint
Odorless journey
And odorous life within.

Who are those children
Calling you, O my dear
Have you any sweet to distribute
The crow asked
You answered in a dramatic style
Marked by the fly.

Gajanan Mishra
Drastic Action Taken

Drastic action taken
Draper found nowhere
Draughtsman appeared
Cause of action clarified
Unsheathing and drawing back
Appeared at the outset
Drawing all soldiers
From war-zones.

Gajanan Mishra
Drawing A Bird

Drawing a bird is very easy,
Let us start from an egg,
Then beak, then wing, talon and feather,
My dear, to draw a nest is better,
There, see some cheeper,
Use not any cage to keep the bird,
Do you know? this earth itself is a cage.

Let us have some fish
For they are the first wonderful creature in water
You may named hilsa, climbing, minnow, alligator,
Gudgeon, flat, grig, flounder, trout, carp, sheat, silver
Drawing fish is also easy with their fin, gill, scales,
Use good roe and fry in pisciculture
Show all in your aquarium.

Neither I am in the sky nor under the water,
I am here on the earth on this land
With so many python, lizard, tortoise,
Cockroach, ants, black bee,
And lion, tiger, camel fox, ass, dogs
Goat, hare, and I am trying my best
To be good and fair.

Draw whatever you like my dear,
But remember, drawing is not so easy
As you think here.

Gajanan Mishra
Drawing A Circle

Is not so easy
As you think
And I have drawn it.

Identifying a part
That is missing
Is not so easy
As you think
And I have found it.

Gajanan Mishra
Drawing Pencil

If anybody is here to claim this
Drawing pencil please come forward.

I am not able to draw anything
In this pencil being obsessed.

If anybody is here to claim this
World please come forward.

I am unable to stay here still
In any position as commanded.

Gajanan Mishra
Come on, my dear and
Be seated, drawing room
Is here- my heart.
You have made it,
I am not claiming,
It is mine.
For you only
It beats.
With its beating
I write poetry
In joy,
Both in air and fire,
Both on land
And in water, my dear.

Gajanan Mishra
Aasa priya, basiba hua,
Aeta drawing room-mo hrudaya.
Tume tiaarichha, mu
Kahu nahin aeta mora.
Kebala tuma pain
Eha chaluchhi.
Ehara chaliba sahita
Mu lekhen kabita khusire.
Panire niaanre,
Mati upare, pani bhitare.

Gajanan Mishra
Dreaded In Day Dream

Dreaded in daydream
In this drawing room
Cheerless though it is
I enjoyed in drench
I drifted not myself
And drilled in open area.

Gajanan Mishra
Dreadful Dream

Dream, dream,
Dreadful dream
Came to me
And gave me
A gleam
And with that
I rose
From the slime.

Gajanan Mishra
Dream - No Existence

We know dreams -
No permanent existence
And yet we go
To achieve.
So also everything -
Mental concoction,
Here it is and
Here it is not.
Tigers, snakes -
Nothing like that
But we fear.
The self is different
We should know and
Proceed ahead to discover.

Gajanan Mishra
Dream And Bear

I dreamt of a bear
Last night and my heart
Is still palpitating, see.

Gajanan Mishra
Dream And Fantasy

We like.

Reality
We fear.

Is our present body
A dream that I do not know.

But I know only my own identification
With something that exist.

Gajanan Mishra
Dream And It Is All Fancy

Dream and it is all fancy,
Dream, it is reverting to nothingness,
Dream and it is not uniform,
Dream, it is the influence of delusion.

I have my dream on the midway
And I am affected by it.
All I know about the wood
And the stone and the metals
But not about the human beings
Or the creatures that are here.

I am in constant fear
As because I am with the dreams.
I am with the dreams
And I am nothing.

Gajanan Mishra
Dream And Reality

What is a dream and
What is the reality
I am yet to know.

Gajanan Mishra
Dream And Suffering

Where there is dream,  
There is suffering,  
There is living,  
There is painting,  
Painting of love,  
And the painting of truth.

The truth is there  
In the dream,  
And we are to go  
With that.

We are to go  
With our realization,  
Of life with the single mission,  
Of swallowing the sky.

Gajanan Mishra
Dream High

Dream high,
Achieve high.
And stay
Up above the sky.

The sky is yours,
And you belong
To the sky.

No reason to
Say, goodbye.

Only love,
And love is yours,
You are the product
Of love and love
Is the life, you live.

Gajanan Mishra
Dream Is An Image

Dream is an image,
Life is a dream,
And life - an image,
Image of the earth.
Earth is the mother,
Each one is here
On this earth,
And earth permits all
To stay there
With water and air.
Sky limit is there,
One can moves in the light
And can do anything
To realize his dreams.

Gajanan Mishra
Dream Is Not A Small Thing

Avoid not dreams,
Dream is not a small thing.
Follow the dream and
See how you are telling
Ah me! Ah me!

Gajanan Mishra
Dream Is Ours

Dream is ours
We are in the dream.

We experienced dreams
In different times.

In different times
We are in different places.

We are in different places
In different conditions.

Dream has no condition
We dream life as combination.

Gajanan Mishra
Dream Is There In My Mother

To realize the dream I am here.

Link and language is my hard work
I have to see how better and better they are.

If but etc etc have nothing to do
In the light in the dark I decided to move.

The word mother is my own my health and my wealth
My past present and future and I dwell to speak in length.

Mother O mother my sweet mother lovely mother you are my dream
I come from you I am for you I love all good and all cream.

What I have today O my scented mother is given by you
Nurtured by you, nothing is there on this earth besides you.

Gajanan Mishra
Dream Land

There is nothing like
Dream land, my dear,
Besides this earth.
We are all dreaming
Whether in the state of
Sleep or not asleep.
But we are axed
By our own dreams.
Do we lack sensibility?
That I don't know,
But I must we must
Try to rise from sty.

Gajanan Mishra
Dream Not

Dream is not for sale
Poem is not for auction
Life is not for swap.

Gajanan Mishra
Dream Sharing

Go with your
Own dream
Knowing well
How to
Share it.

Search the one
Who is yours
And who can
Tell you
What to do
And when.

Wonder of the world
There in you,
See all with truth.

Nothing is yours
Change not anything,
Though all are
Only for you.

Fear not
But get pleasure
The sun is there
In the flyover.

Take care your dream
The dream is there
To take care you.

Gajanan Mishra
Dream The Truth

We are brave enough
To slay our enemy.
We have no affinity
For the world and
Hence it is easy to
Conquer without
Facing any downfall.
Let us come together
My dear friends. See
The fighting has already
Been started at your level.
Have confidence in you
And dream the truth,
Truth is we belong to this land.

Gajanan Mishra
Dream, Desire

Dream, desire
Not there.
Color, life
Not fair.

Bird, beast
Not cared.
River, forest
All fired.

Words, actions
All in the air.
Body, mind
Not transpired.

Gajanan Mishra
I am the dreamer of my dream
I am the singer of my song
This is my song and let me sing
This is my body and let me live.
Who am I? Let me rise.
I can do no wrong, here see.
Here with me, my fortune
Too much in time I am giving my tune.

Gajanan Mishra
Dreaming

Let me dream,
While dreaming
Let there be a witness
And let there be evidences.

Yes, I dream,
But what is there
How can I express.

Let there be words
Let there be my own language.

And I dream,
I dream and I know
I know the truth
Where it is
I know and I love.

Gajanan Mishra
I have a dream,
And I have the fortune
To realize the dream.

I know, though,
Dreaming -
The hardest part of life.

I live in the dream,
And I myself is a part and parcel
Of the dream.

I follow the dream,
The dream follows me.
I care not who is
Radical and who is dynamic,
But patience there in me.

Gajanan Mishra
Dreaming And Deep Sleep

Dreaming and deep sleep -
All vanish in the presence
Of the truth, and its light.
The truth and the light-
All one and the same.

Gajanan Mishra
Dreaming And Dreaming

Ghosts are embracing
Naked man smeared with oil
Is passing and dreaming
And dreaming and I am
Unable to see my own footprint
Sounds of my own life air not hearing
You may say I am dying I am dying.

Gajanan Mishra
Dreaming Is A Right

Dreaming is a right
We all are dreaming
When we landed on reality
With dreams we say
We got success.

When we succeeded
We said we alive
And we forgot our death
Has already touched us and not
Without serving any notice.

Gajanan Mishra
Dreams Are Really Dreams

Dreams are really dreams,
But stars are not stars.
The sky is there,
The earth is not the sky
And hence not there.
I am not there,
You are not what I am,
And hence to say you are
There- is not true.
I am the truth,
You are also truth
But we are not the same.
We love each other
We declared though.

Gajanan Mishra
Dreams In So Many Ways

Dreams in so many ways,
But life is going on
On specific point
To defeat all evils
With a smile.

Smile, I see,
But failed to understand
At this time here or there.
Flames, flies, dust, disaster,
All came and challenge
With the weapons they possessed.

But with love
And reflections of life
I defeat them all with
The master stroke of words.
The words I mentioned
In my open books
Read all with patience,
Not violent any one there.

My thirst, my hunger
Are in my free mind
And under control,
I know their status
And I deal with them
Perfectly clear
In the capital city.

At all stations
I realized the numbers
And their morning mistakes
And I cautioned them all.

Gajanan Mishra
Dreams Of My Fahter

Dreams of my father,
I know dear, and they are
Yet to be fulfilled
In full.

I salute you all,
You are allowed to do
Whatever you like but fill up
My glass, the moon is there to embrace.

Dreamy Densed Forest

Where am I
Foxes wolfs
Wanders in this
Dreamy densed forest.

No sun no moon
Enter and I
Assaulted day night
Turning pages of history
Not read by anybody.

Light shadow
Played in brief.
I inseach of that tree
That keep me free
Assured me alive.

Nothing but water
And air flowing
And I dissolved
claiming transparent.

Gajanan Mishra
Dress

What is in dress I do not know
And I failed to recognize after
The dress changed and it does not
Matter whether it is made of cotton
silken fabrics gold or iron flowers
Or stones sandal paste or tulsi leaves
And it is my duty to offer myself to you
And established a link with you
And I know You will not give me up
I belong to you and everything I do
Is only for you and your dresses
Are not there to disturbed me anyhow.434

Gajanan Mishra
Dress Of The Sky

I wish to see
The dress of the sky.
I wish to learn
The motion of the earth.
I wish to hear
The sound of the light.
I wish to live
With the stars.

But my wishes are
Mired and I am fired.
Still, I say
I don't care.
And I say- Oh brothers,
Express your desires.

Gajanan Mishra
Dress- What Is In It

What is in dress I do not know
And I failed to recognize after
The dress changed and it does not

Or stones sandal paste or tulsi leaves

Gajanan Mishra
Dried Ocean

The ocean is dried,
But cry not dear.
The ocean of tears
Is here in me.

Smile, but say not
You are happy.
Say what you think
But express it positively.

Gajanan Mishra
Drink Handiaa

Drink, drink Handia
To chill out sunny days.
The truth I am to say
Still, in mind.
Wait if you so like,
And go on doing your business
Keeping a toy on the throne,
Worry not, if not your own.

Gajanan Mishra
Drink Milk

Drink milk,
Enjoy milk,
Remember, it is
You, who have been
Nourished by it.

Think not yourself
As milk but
Be the enjoyer.
Remember, milk
Is for you.

Life is as truth
As milk, drink it
Enjoy it, but stay
Aloof, but life-truth.

Gajanan Mishra
Drink The Sun

O Ocean
Or else the sun drink you.
Come O sun see
Empty ocean
come near fusion.

Broken glass
Many flash
Mangled language
Poet drunk
With no phrase.

City chanted
Dust executed
Worn out body
Far away from sun
Far away from ocean.

Gajanan Mishra
Drink The Sun - Heredity

Drink the sun,
Eat the moon,
Live with air
With all colours.

Put the water
In to your life,
And put life
In to the ice.

See me in my son,
My son is reservoir
Of my nature.
My son is my virtue
With all sun and moon
In his hands.

Gajanan Mishra
Drink The Wind

I know you life,
How you drank the wind,
Face the quake
Rooted on the earth, I know.
You are the earth, my dear life,
You are here with me presently,
But I know you belong to none.
You have no colour, no taste
I know life here, harsh and sweet.

Gajanan Mishra
Drinking Dream

Drinking dream the spider
Came as a travelling agent
Describing earth and its part
As sacred and pure the spider
Put question and get no answer.

Gajanan Mishra
Drinking Sun

Are you ready to drink the sun?
Are you ready to eat the time?

Look, I am waiting for you
And I am on line.

Confirm through message
That you are mine.

Gajanan Mishra
Drive At Your Own Risk

Drive,
If you so like,
But drive
At your own risk.

No light, no love,
Black holes are
There, everywhere.

Forward,
Go forward, if
You so like.

Measure, outer space,
Go beyond the limit,
But stay within,
For the world of light.

Gajanan Mishra
Drive Here

Drive here,
Drive there,
And pluck
The stars.
I know,
The stars are
Under your control.
I know,
You care not
The stars.
But see me,
I am here
With my stars.
And my stars are
Calling to
And telling me
It is the time
To conquer the sky.
Let me fly,
I said all.
But no one is here
I enquired.
Still I drive
Myself to touch
The sky
On this earth.
Earth is mine,
I am the earth
With the entire sky.

Gajanan Mishra
Drive Him Out

Drive him out, dear men,
Who is not showing respect
To your mother, motherland
And not using your mother language.
He is enjoying power, though,
And enjoying all
Heavenly material happiness
With your hard-earned money.

Gajanan Mishra
Drive Out Anger Or Else

Drive out anger
Or else
Anger drive you out
Putting you
In delusion
In illusion
In confusion.

Gajanan Mishra
Drive With Care

Drive with care,
Humps and curves
Are there.

While driving
Be cautious, that
Are infectious.

Take it not easy
Till your goal of
Reaching there achieved.

Have patience and
Stay far away
From all nuisances.

Overcome life
And live.

Gajanan Mishra
Driving Force

You are the driving force
in my journey of life, my dear.
You are the will power and
You are there to inspire me
Towards the better side of life.
You are the symbol of bliss
And you are within all beings
And also in all non-beings.

Gajanan Mishra
Drop Of Tear

Drop of tear
Is here,
But not a
Single drop of rain.
Though clouds are
Here, there in the vast sky.

The earth is dry,
I hear, farmer's cry.

No remedy till date,
Rulers and administrators
Are busy in their way.

Gajanan Mishra
Drought

It is a long spell
Of lack of rain.
And we are dying
For want of water.

What to drink,
How to cook,
We have no water.

See us here,
Wrath of nature
We are facing here.

No water, no food,
Drought is here
And ready to
Take away lives.

Gajanan Mishra
Drum

Beat me,
Beat me every time.
But allow me
To say something
In my own words
And stay there
To hear.

Your hearing
Is my capital, dear.
With you,
I can cross
The river.
Give importance to
My message, whatsoever.

Gajanan Mishra
Drum-Stick Tree (Sajana Gachha)

Always like me
This Sajana gachha
I mean drum-stick tree
And it reciprocate me
And broke down.

My wife, my relatives
All surround me
I mean my societal living
And I got a chance
To know who is really mine.

I urge all to follow
My footsteps and be worthy
And this gachha I mean
Drum-stick tree came to me
For a fresh interview
And to express I love you.

Gajanan Mishra
Drunk

Drunk with the wine of
Mother and mother-tongue,
Each one could see and
Could understand
The world in a better way.
Let the sky come to
Each one and serve the wine
For a better future
That is at the door near.

Gajanan Mishra
Dry And Hot - Love

Let love come
But not alone.
Let me recognize
The power of love.

Love is the only visitor,
I witnessed here.
Love - the wound of
My heart, not opened.

Let love end appearance,
And tell all through
Message of humanity.
Let it not depart
The valley that is
Dry and hot.

Gajanan Mishra
Dry Fish

Dry fish is there,
But I am not in sleep.
I realized the falsehood
Is the other way of truth.
Every dream has its reality,
So also every death has its life.
Still impatience is there
On the floor of the moon.
Dry fish is there
And the smiling of the moon
Is as clear as the Taj.
No one knows where my sleep is
And yet I said I am sleeping in awake.

Gajanan Mishra
Dry Fuel

If dry fuel is there
Light it through matchstick.
And see it is catching fire quickly.

Gajanan Mishra
Dry Leaf

Dry leaf,
Dry earth,
Dry life.
We try to
Save life
In all dryness.

All in water,
The sun
The moon
The sky,
Watery grave
Is there
Everywhere.

But life iks
Not too thin
In consistency.

All greenery
Due to
Waterworks.

Quite lovely
And live.

Gajanan Mishra
Dry River

Dry river,
Coming to me
Uncalled for.
I know though
This spring
Is taking its
Own care here.
I know these are
The days of flowers,
With the songs
Of cuckoos fair.
I know this full
Moon night is here
With dhak flower.

Gajanan Mishra
Dry River And My Love

Why are you dry, my dear?
Be human at least
For the sake of love.
I am awaiting here
please come and kiss me
at least for the sake of the sun,
the source of all.

Gajanan Mishra
Dry Sea

Dry sea.

I am unable to see.

But sea is there,
I am not fair.

So long as I am here,
Sea, my dear,
You cannot cry.

But I am
Hearing your cry.
Are you really dry?

Let me declare
What I hear
What I see
False they are.

Gajanan Mishra
Dry-Air

Dry-air, not
Self-declared,
Go deep and deep.

Express yourself
And it is not difficult
So long as you are
Not telling a lie.

What they said
Is not true, how can I say?
But I must say What they uttered
Has some point to test.

Tell not a lie
And be not a cause
Of dry air.

Gajanan Mishra
Duality

Let me deny
All kinds of
Duality.
I am not here,
But someone else
Is here, though.
Neither I am in happiness,
Nor I am in distress, though.
I know, only one cause is there,
And that is nature.
Nature is in me,
And I am in nature,
But we are not one,
I deny duality, sure.

Gajanan Mishra
Duality Is Unreal

You remain as
You are there
There you are,
If anybody goes
To You there is
No question of
Return back.
It is true
Duality is unreal
it is true
Oneness is Truth.
You are there
There You are
Here and there one.

Gajanan Mishra
Dubious Honour

We are suffering
As they said
Dubious honour.
They have ranked
In index of ignorance.
Let us be careful
And acquire knowledge
That would be helpful to all.

Gajanan Mishra
Dubious Nature

Dubious nature
Must not be relied upon.

Without any question
Speak not anything.

Gajanan Mishra
Dudh Aaur Paen(Kosli)

Aame dudh neise ki
Neise paen, dhana mor,
Aame duitar misan aae.

Gajanan Mishra
Due

The word mercy is not there
In the dictionary of Yama
The God of death.

Mercy is with You always
Yama is under Your control.

I am calling you always
I pray again and again
If you think fit give me
My due as You wish.

Gajanan Mishra
Due To

Due to nonjudicious
Judiciaary fails
Due to nonlovable
love wearout
Due to absence of intellect
Due to absence of truth
Society on the wrong track
And we all suffered.

Gajanan Mishra
Due To Gap

Due to gap
Motor not
Running well
Due to gap
I wander
Not landing
Anywhere
Due to gap
Kite could not
Fly in sky.

Gajanan Mishra
Due To Injustice

Due to injustice
We are all suffering.
Injustice -
Not getting any letter,
Order or anything
In our language.
Injustice -
Not transparent
In expenditure of
Public money.
Injustice -
No equality of law
To all.
Injustice is inhumanity,

Gajanan Mishra
Due To My Actions

Due to my actions
I am here in this hell-river
I am in fear
And in birth-death circle
I suffer
Proceeding from
One body to another
Making friendship and
Making enmity
With one and another
O my dear
You please protect me
Ferrying across this river
I am a wretched creature
Not able to contemplate
Your essential nature.

Gajanan Mishra
Due To My Fault

Due to my fault
I am suffering
I am only here
To see my suffering
I can understand
My suffering
Knowing perfectly well
I am the culprit
I pray let me suffer
More and more
My mind is covered
By the mode of passion
And I am not able to
See who is who.

Gajanan Mishra
Due To Past Actions

I am here
My dues I am getting
Pain and pleasures.

Ask not
What is my new creation
Pure and perfect I am
In our relation.

Nothing is ultimatum
Beginning of everything
Is just dom like freedom
You can ask your mom.

Gajanan Mishra
Due To You

Due to you
I am suffering
Due to you
I am happy.

Not that
You know all
Not that
I call.

No wonder
You are the creator
No wonder
I wander

Your intelligence is
Dull and blunt
And you are unable to
Know the Truth.

In distressed you remembered
In opulent you forgot
What type of intelligent you are
And who you are let me know first.

Gajanan Mishra
Dull By Nature

Each and every one
is by nature dull and
he deserves instructions.

Gajanan Mishra
Dull-Witted

I am dull-witted
It is admitted fact
I am not able to
Write a single word
Here about the superb
Beauty of nature
I am a creation
Of this nature
And I am fixed
Like a bee
Mother Nature, victory
All victory to You
My dear, I have nothing

Is everything here
Who am I to say or write
Anything about You
You are the vast cosmos
I am nothing nothing
And nothing.

Gajanan Mishra
Dumb And Deaf

Dumb, deaf and
You blind people,
Please come to imagine
The unimaginable.

What you have seen
What you have heard
And what you have told
All are indelible.

Here is life for you
That is indestructible
That is indescribable
That is also inculpable.

Dump Me

If I am telling a lie
Dump me
If I am bored you
Burn me
It is night
I am in dark
Here is light with me
Due to my ignorance
I am not shining
Like the sun
What I am telling
Is not a fun
Just understand me
And go to the origin
I am not telling about
Virtues and sins
I am telling life is here
Just go with life
In natural course
And access to you
The subtlest
With right perceptions.

Duration Of Time

Let me not confused
With the seconds, minutes,
Hours, days, months, years.
Let me not confused
With hex atoms and their
Integration in hundred and
Thousands as it so happen.
The division, the partition,
The duration all are confused
With my life here as I know
All are the measurement of
Material time without any link
Either with me or with anybody.
And yet I give weight to all,
Since I have no link with them.
I live, that's enough for me,
I die, That's very fine for me.
Living and dying are, here,
The chemistry for all time.
Night and day are the color point,
Let me not confused with that,
Taking consideration of white and black.
No measurement rod can say perfectly
Life is such and such and
Life is for this or that only.

During Our Life Time

During our lifetime,
In our own free
And sovereign state,
In spite of constitutional
Provisions and laws,
In spite of so much
Fast- unto-death, strike,
And march of black flags,
We failed to implement
And use our language
In all or any purpose,
Really disgrace,
And we feel pain
More than death.

Gajanan Mishra
Dusky Face

Dusky face
I dislike.
Smiling
Make me alive.
And I declared
Victory that
I see.

Gajanan Mishra
Dussehra

Dussehra is
Victory of good
Over evil,
Victory of virtue
Over sin,
Victory of gods
Over demons,

Over ignorance,

Over war,
Victory of love
Over hate and hatred,
Victory of positiveness
Over negativeness,
Victory of inner self
Over fate,
Victory of light
Over darkness,
Victory of the truth
Over falsehood,

Dust

'For dust
Thou art, and
Unto dust shalt
Thou return '
O dust, you are
Only my original form
I know and I am
Going to you.
I am awake
And I do exist
O dust, with you
Here there and always
That is my position
My speculation and
My contemplation.

Gajanan Mishra
Dust And Wind

Dust and wind
Both are here
And perhaps
They have
United together
To declare war
Against all
The creatures.

Gajanan Mishra
Duty

Your duty
Is to forget.
Your duty
Is to forgive.
Do your duty
My dear, properly
And live happily.

Your happiness
Is in your hands.
Your happiness
Is in your minds.
Come on with all
Truth and truthfulness
And love and live.

Gajanan Mishra
Duty First

And what is a duty
To serve others
Is primary.

See the tree
See the water and the air
See the sun and the moon
O men, your life
If you claim yours
Is not true.

Listen the cuckoo
And go on your way
Duty is
Waiting for you.

Gajanan Mishra
Duty Is Right

Duty is right
Do your duty
In family
In society
In state
In the world.

Gajanan Mishra
Duty Of A Good Friend

Giving good advice
And to add to the welfare
Here and hereafter is
The duty of a good friend

Gajanan Mishra
Duty Of The Son

Duty of the son
Is to serve the mother,
The motherland and
The mother tongue.

A good son should remember,
Mother, motherland and
Mother tongue are
More than heaven.

O son of the soil, please fall not
Into the abyss of ignorance.
O son of the soil, go not with impermanent
And temporary modes of life.
O son of the soil, Stay in the purity of
Unalloyed truth consciousness with eternity.

Gajanan Mishra
Duty To Remember

It is your duty to remember
Remember always Absolute Truth
See and search where is that Absolute Truth
And what is your Ultimate goal
And start your journey towards that goal
Without any further delay
Time is passing as you see
Stay not a moment here idle.

Gajanan Mishra
Dwell In Truth, Dear

Dwell in truth, dear,
Love will come to you,
Time will be always new.

Gajanan Mishra
Dwelling House

Dwelling house
In perfect form
Never found anywhere.

Today tomorrow
And day after tomorrow
See unreachable.

Many other topics
Are there that are
Not to be pointed out.

Telling anything perfect
Is not to the point
With original identity.

Only through creative potency
Greater hero can be named.

Gajanan Mishra
Dwindle Not

Dwindle not life
But grow on your
Own ways here.
I am willing to
Go with you.

Gajanan Mishra
Dying For

I see all
Dying for love.
I see all
Deny to go
With the club.

Truth -
All clouded.
Life -
All shrouded.

I tell all
Go not with
Shut-eyes.
I tell all
Come and fly.

Gajanan Mishra
Dying For Color

The color
I can not say
I am dying
For color
That I must say.

Gajanan Mishra
Dying In Life

See you are defeated
in your own land.
See and observe
You are dying
in your own life.

Before reaching
final goal post,
O my dear, enjoy yourself
with others, not arguing,
not fighting, not dominating.

Just laugh, just smile
with everyone, my dear.
It is your world,
Love the world and die not.

Gajanan Mishra
Dying Is Beastly

Be sure, My dear
You are a man
And you are not dying.

Dying Live Here

We are dying
Only dying live here
And these days are
Not remaining the same
For ever.

No pleasure
No self-satisfaction
No civility.

I am waiting
For the last breath
I am prepared with shroud
I am with pall bearers
Cremation place is ready
Wood for cremation is ready
I am waiting
For the last breath.

Nothing to do
Everything to see
Everybody to bear.

Gajanan Mishra
Dying Night

Night is dying,
Not the moon.
It is all your
Shadow-play
That I know.
Air is there,
Grace is there,
Beauty is there,
It is all yours.
But my memory fails
With your thunder-music
That I know.

I am, see with my poem,
With your nectar-flame.

Gajanan Mishra
Dying To Live

I am not living to die,
I am dying to live.

I am telling to hear
I am hearing to tell.

Whatever I am telling
Is nothing but the truth.

And truth is here in me
Fixed for all times.

I am fighting with time
To declare, here I win.

Gajanan Mishra
Dynamic

Dynamic-
Life, time,
And everything.
Here we are- in
The platform of truth.
What to do,
How to do,
When to do, and
We know all
That are good.
Love is there,
Taking our care.
And we are all fair,
Here and there.

Gajanan Mishra
Each And Every

Our each and every activity
Should be for the welfare of others
We are the son of nectar and
We are nectar
And for this devotion to truth
Devotion to love devotion to life
Is a bare necessity
And it is possible then only
When we change our egoistic notions
And we accept we are for all
Then only we can proceed further.

Gajanan Mishra
Each And Every Bird

Each and every bird
Have their own songs,
And they sing the songs
In their own style, I marked.

I marked, each and
every man is adamant and
They are ready to submit
Themselves for the earth itself.

The earth is the destiny,
The sky is the life,
The life is the time,
And the time is here for us.

True, we are nobody,
True, we are for none.

Gajanan Mishra
Each And Every Poem

Each and every poem
I like.
I like the king,
And also the chowkidar.
I like the sky
And also the clouds.
I like the fish
And also the flower.
Heavy or light -
No matter,
But I like the time
And the fire.
The fire burns,
But I like to
Collect the corns.
I like not the poison,
But I like each and
Every person.
I like the moon
And the sun.
For all, I am only one and
I am free from tension.

Gajanan Mishra
Each And Every Stanza

Each and every stanza
Of my poem is yours,
So also each and
Every word.

And in which I am there,
Like the dazzling star.
And you are there to
Place me with all power.

Gajanan Mishra
Each And Every Stanza of My Poem

Each and every stanza
Of my poem is yours,
So also each and
Every word.

And in which I am there,
Like the dazzling star.
And you are there to

Gajanan Mishra
Each And Everybody

Each and everybody can write
What I am writing here
I am at par with others.

Gajanan Mishra
Each And Everybody Knows You

Each and everybody knows You, my dear
And You are always kind
And merciful to all.

And all are here
To fulfill Your desires
That is there for all welfare.

I am always here
And doing everything only
For Your satisfaction.

And You are there
To see my penance my sacrifice
My austerity, good and pious works.

Gajanan Mishra
Each And Everyday

Each and every day
I am here with
My own self, mother.
And here, I discover
You, only you and
I first surrender
To you, only you.
And I know you
Call me only yours.
My root, my fruit
Everything is you.
And whatever you grant
That is all for
My welfare, I know.

Gajanan Mishra
Each And Everything

Each and everything
Each and everybody
Is Your part and parcel
O my dear, and thinking
This I pay respect to all
With no difference
I deny not anybody’s request
I think refusal to anybody's
Request is a serious offence.

Gajanan Mishra
Each Day

Each moment
Is the holiest one.

No life is
Futile.
No death is
Unnatural.

And hence,
Let us stay
Fearless.
And attain
All prosperity,
Beauty,
Wealth and
Blessedness.

Here,
At this moment.

Gajanan Mishra
Each Day - Today

Each day - today,
Today is everything
And auspicious.
I have taken birth today,
And glorified all.
All are fortunate today,
My senses, from my eyes
To down to my toes.
Goddess of fortune is
Here today with me.
My life is successful today.
I live for today only.

Gajanan Mishra
Each Day Is A Mother

Each day is a mother day.
Without the mother
No day, right?

Without the mother,
No cosmic creation,
No truth-consciousness,
And nothing, right?

Mother is here
With us always.

Mother for peace,
Mother for war,
Mother for life,
But not and
Never for death.

Gajanan Mishra
Each Drop Of Rain

Each drop of rain,
Gives me pain.
I failed to know
How you say
Romantic gain!

Of the divine.

We have humanity

We are on the path of truth.

Let us see
Our glories here
And let us go
With truth with love
With peace with nonviolence.

Gajanan Mishra
Each One Has

Selfish motive,
Each one has some
Selfish motive, my dear,
Behind his love.
And where is love?
And I find nowhere.
I fear and I live here
With the fire of anxiety
Always everywhere.
No wonder, You are here
And I see You, with me,
Compassionate by nature.
You are pure, my best friend
My guide, I am sure.

Gajanan Mishra
Each One In You

Success by doing his duties.
The goal of each one is
To attain heaven that is within.
And for this, I call you
My dear, to come forward
Let us touch our own self,
Let us be brave and stay
With truth and love.

Gajanan Mishra
Each One Is A Born Poet

Each one is a born poet here,
Each one is a wonderful creator.
In dreams, in thoughts, in actions,
Each one is mystic.
Each one is also a bubble
On the surface of water and
Also in the blue sky
So also each one is rustic.
Each one is the truth,
Each one, I know, is there
To continue, in journey
To touch the truth.
And I salute, as symbol of
All good, I salute.

Gajanan Mishra

No one is small or
Less important than
Any one who is not here.

Your attention to all.
And let me say what I
Observed here on this life.

Life is nothing, but dear,
Miniature of your own self.

Gajanan Mishra

Gajanan Mishra
Each One Is Experiencing

Each one is experiencing
The result of his own deeds.

He has already been killed
By his own sin.

Gajanan Mishra
Each One Is Faultless And

Each one is faultless and sinless
O God, help them,
Each one is your product,
Be kind enough and
Show them the right direction.
And let them live here
Without fear,
Give blessings to all,
And they cannot forget the truth.
Let each one know
What is spirit and
What is matter, O God,
Let each one awake
Natural love and get success.

Gajanan Mishra
Each One Is Moving

Each one is moving,
No nonmoving is here.
But let me say
Nonmoving is the only truth.
And all moving are within
Nonmoving and only
Nonmoving exist.
Existence of moving
Is in a great question.
But nonmoving only can
Protect the moving.
Nonmoving has no form,
No identity and nothing.
In nothingness moving moves.

Gajanan Mishra
Each One Is New

Each one is new,
New at every moment.
Time is there,
As it was with us.
But it is new,
New at every moment
With silence
With love
And we are
Far above.
Each one is new,
New from the very core.
Life is new at every moment,
World is new at every moment.

Gajanan Mishra
Each One Is The Chief

This place is opened
For all for all times
And here each one is
The chief in any circumstance.
Any one can do anything
Anywhere here but he has
To get the fruits out of
His own actions. And he
Knows the truth and he
Also knows what to do,
It is not a fact that
He is unable to change
The time and place as
The key is in his hands.

Gajanan Mishra
Each One Is The Expansion

Each one is the expansion,
Expansion of love and truth.
No one is ordinary, but
Each one is both external
Potency so also internal potency.
No discrepancy found on any one,
The man is the chief of all creatures,
The man knows better nature.

Gajanan Mishra
Each One Is The Leader

Each one is the leader,
Each one is here to see
And to talk and to settle
The problems that are
Arising in living creatures.
Each one is in fearlessness,
Each one is in deathlessness,
Each one is busy in fruitive
Works of the world and hence
It is difficult to measure
Each one's glories.
Bucketful of love is here
With us and we are ready to
Go with the truth for good.

Gajanan Mishra
Each One Is The Substance

Full of living creatures-
This world, and each one
Is the substance.
Each one is the original,
And original source of
All energies.

Be conscious of everything
My dear, be conscious of
The past, present and the future.
Touch each and every corner,
My dear, and discover your
Own perfection there.

Try to know, what is
Happening within you, Mr perfect.

Gajanan Mishra
Each One Of Us

Each one of us
Is in dark,
And ignorant
Of the actual facts.

And hence
A vision of duality
Is reigning over us.

Nothing to lament,
Just wait for a moment,
And think,
Who is with you.

I am sure,
What is apparent,
Is not the truth.

Gajanan Mishra
Each One Of Us - Love

Each one of us -
Are in truth
And fine.

We are our own light.
Each one of us
Can give a fight.

And we can defeat the sky.
Each one of us
Can say goodbye.

We are our music,
Each one of us
Knows life.

Life is nothing,
But our love.

Gajanan Mishra
Each One Of You

Each one of you is unique
Come up show your creativities.

As said by Kalam

Thinking, thinking
Provides knowledge
Knowledge makes you great.

Gajanan Mishra
Each One Should

Each one should
Give his life
For the pleasure
Of the people
Of the land
He belongs.

Food and water,
Clothing and shelter-
The basic need
Of each one and all.

Good understanding
Be there with all,
For a good living
On this earth.

Gajanan Mishra
Each Second

In each second
I am crying.
Crying is my own duty.
I am so tiny
And so smallest
In timeless eternity.
I am good and fine
You told there.
Echoes of my words
Are in the stars.
My language of wind
Is silent.
And I am consistent
With time.
I am consolidated
With the sky.
I am the Constitution
Of my fly.
Let me construe
I am heavier-than-air
On earth and in ocean
With all heatproof.
And through poems,
And in heart to heart talk
I say I love you, I love you.

Gajanan Mishra
Each Wave

Each wave
Tells separate
Stories
Of their own.

Each story contains
Separate waves
For living
And appearance.

Each appearance
Creates separate
Earth.
And each earth
Discloses inside
That is there.

Each one is
Separate star
With own light.
And the light is
Colorful with
All truth and
With all good.

Gajanan Mishra
Each Word

Each word
I am uttering
From the very
Depths of my soul
With melody
of my voice
And childlike
Simplicity, see.
Hearing my voice
You must rise
And come here
To see the sun
That is so bright
It is your insight.

Gajanan Mishra
Each word has its image,
Each line has its value.
I go with line and words
Here always knowing its truth.

Body movement I know
In each word and its meaning,
I know how to tackle
The situation at this hours.

The man who is creating all
Is no other person but myself.
I am searching the next word
That is not a burden for anyone.

Gajanan Mishra
Each Word Is Worth Hearing

Hear me,
Each word is worth hearing.

No shake no sigh,
All guess.
Anticipation -
All fun,
Let me say again.

All curious, all mystery,
All for doing something.

Unbeatable - my wife,
Rebuke me by saying,
You have kept another lady.
What does she mean?
Unknown to me.

Gajanan Mishra
Eager

No, I am not free,
I am not free as
I am living with
So many desires.

I am living,
Living with the matter,
But I am not the matter,
But how to live I am eager..

Gajanan Mishra
Eager To Hear

I am eager to hear
Your poems more and
More, my dear.
See me I am pure
I am in truth and
I am without fear.
I need only understand You
I need only love You
Through love only I can go
Very easily to the Truth.

Gajanan Mishra
Eager To Know

I am eager to know
What you want
And I know
You know nothing
What is wanting.

I know man is man
And you are putting
Question about color
Caste religion
knowing wrong notion.

Whether you are
Great or noble
That does not matter
I am just watching you
When you are not near.

Gajanan Mishra
Eager To Live In Truth

Separate love
From truth -
Impossible.
Separate life
From death -
Impossible.
See, the words are
Running behind
The sky.
The sky is there
As before
On this earth.
Nothing else,
Still I want
Life.
I want
The truth.
I want
Love.
I am eager
To live in full.

Gajanan Mishra
Eager To See You In Full

In your presence
I feel warm
In the winter,
And I feel cool
In the summer.
I am eager to
See you in full,
My dear truth.

Gajanan Mishra
Eagerness is there,
As you feel.
Eagerness is there
To hear you, dear.
To hear you,
For truth.
For truth,
I am purified.
I realized
The truth.
Life is there
In truth.
Love the truth,
The truth is knowledge.

Gajanan Mishra
Eagerness Should Be There

Best friend,
Best of all friends,
Greatest well-wishing friend,
I want to discover
Who is within me here.

Each and everyone here,
Should remember and
Should know who is there
And how he is performing
His duties at odd and even hours.

Eagerness should be there
To see and feel and do
The needful actions openly
And transparently at every level.

Gajanan Mishra
Ear And Heart

Ear and heart
Be prepared and
Be ready to liberate
Get set go and
Fix your partners
In the service
Of devotion.

Give up all
Take not anything
Disassociate from
Everybody from
Everything and
See you are crossing
The border line.

Feel no problem
With yourself alone
Gain distaste and
Go with the easiest
Process of mystic power
By controlling mind
Get the result sublime.

Gajanan Mishra
Ear Holes

Ear holes of snakes
And tongue of frog
I do not like.

I like to listen
Your sweet words, O my dear
I like to chant your name, fame.

I like to engage myself
In devotional services
I want to purify myself
Keeping relation with You.

O my dear, I am Yours
That I know from the beginning
Your transcendental topics
And I understand the mission.

Gajanan Mishra
Early Bird

Early bird
catches worm.

Small bird sing earlier
Bird that see first
Break the dawn.

The bird tells
How to be a winner
In the long run.

Gajanan Mishra
Early Monsoon

Early monsoon wreaks havoc
flash floods in different rivers
And its tributaries
High alert sounded
Water logging, traffic chaos
Continued.

Gajanan Mishra
Earn Ultimate Truth

If you are to earn anything
Earn Ultimate Truth
If you are to learn anything
Learn Ultimate Truth
Nothing is here and there
Besides Ultimate truth
Learn it earn it
If you are able and capable
And what is Ultimate Truth
Ask yourself and search for it
Within You and not outside
What is there all are inside
What is inside you can not find outside
No difference outside and inside
Go for it, very very short time is left with you
Go within that time, or else you will be nowhere
Ultimate Truth is there waiting only for you.

Gajanan Mishra
Earning Values

Earning values
Delivering values
Means life.

The greatest value is
Return to home
Return to ultimate truth
Back to God head.

One should do any
Useless hard work like an ass
For others
Knowing and understanding the values
Of human life is a necessity.

Keep the relation
With the home always
And home is eternal
Almighty is the head
Of that home.

Going back home
Is the real aim
Keeping relation
With Truth-Almighty
Is the real value.

Gajanan Mishra
Ears Mouth Eyes

There is lightening thunderstorm
And hullabolla.
You have no eyes
How can you see
You have no ears
How can you hear
You have no mouth
How can you say.

Gajanan Mishra
Ears Related To Words

Ears related to words,
Eyes related to sights,
Likewise, O my dear,
I am related to You.

I am related to You
O my dear, it is the Truth
I am related with love.

In love I found You
You are the Supreme Truth
And I am Yours, here.

Where to go, I know not,
I know only You
My duty is to love You
I know I am the truth.

Gajanan Mishra
Earth - Hidden

Everything was hidden,
And wings scattered.
All circles erased,
And space emptied.

Sarcastic - all creations,
Transparent dissolved.
The sky- waves reflections,
And romances continued.

Fortunate we are all,
And we observed earth day here.
Parameters we framed
Luminous sculptures.

Gajanan Mishra
Earth - Wake Up

Earth - wake up,
Wake up earth
To deliver justice.
But to whom?
Deliver justice
To those
Who are above.
And what crime
They have committed
Who are below.
That I don't know.
I'm also
Not able to say
Names of beneficiaries.

But earth,
You are there
That I know.
You were there, and
You will be there
I'm sure.
And who am I?
I am the earth
And I want to know
Where and how
And for what
I am here
In this shape.
Wake up earth to answer.

Gajanan Mishra
Earth And Earth

Earth is my origin
And I am going to earth,
Earth balances my heat
And cold with
Mechanical, chemical
Thermal and electrical
Remedial properties.
Let me use earth
In all kinds of ailments
Indigestion constipation
Chest and stomach pain,
Earth or mud baths are best
Remedy against psoriasis
Boils eczema,
Only earth can relieve me
From burning sensation,
Earth absorb poison.
Let me walk on earth
Bare foot and absorb
The earth's radiation,
I know walking is the best
Exercise for the body and
For the mind for the weak
For the strong for
The sick and for the healthy.
My feet are my connection
To earth and let me use
My feet to full.
I sleep on earth and I
Know it is gold for me.
Sleeping on earth is a
Great healer and restorative
Physical and mental.
Let me reiterate
Earth is my mother
My mother-earth is taking
All steps to make me
In all fields literate.
Earth, earth and mother earth
Is here with me since my birth
And it would be there
Also after my passing away
Let me salute earth
In all ways.

Gajanan Mishra
Earth And Heaven

See me, I am on this earth.
Test me, I do not want to go to heaven.

I want to make this earth more than heaven,
I want not to go to heaven,
I know, those who are in heaven
Suffer from envy, jealousy and vanity.

I want to love all
I want to provide equal status to all
I think heaven enjoyments are sins
I do not want to go to heaven.

My lovely earth is far better than any heaven,
My earth is the only place to perform righteousness
And all virtuous actions such as sacrifice, charity
Penance and vow, my earth is the best that I know.

Gajanan Mishra
Earth And Stone And Wood And Metal

Earth and stone and wood and metal,
Let me say, still, all are mortal
Life is but natural.

In Odia, Brahmi script;

???? ??? ??? ????
??? ??????? ???,
????? ??????, ?????????? ?

Gajanan Mishra
Earth And Sun

Earth, earth, earth,
Sun, sun, sun.
All suns and all earth.
We play together
Here in rain and
In storm.

Our play is opened,
We keep though, our secrets
With us till the last.
Our words are weighty,
Though not fatty we are.

We look
To the other side of life.
We hear the words, not ours.

Gajanan Mishra
Earth And The Earth

Only earth is here
And we are nothing but all the earth.
Without the earth no one can find
The existence of anything.
The earth is the cause
And the earth is also the effect.
The earth is here as the earth
And it is independent,
Earthness is the only criteria
To know the earth.
No needs to explain the earth,
No needs to describe the earth.
It is the earth that is here for us
With all scents, all tastes and all colors.

Gajanan Mishra
Earth Day

On this earth day
Let us determine
What ought to be done
And what ought
Not to be done,
Let us intervened
And accept peace
Negotiation with foes
As we know no one is
permanent enemy or friend.
This earth is not ours
Though we are here
And we took so called birth
And so we should not go for war.

Gajanan Mishra
Earth Earth Earth

Let us remember the earth
On this day and celebrate
With fire in forest,
Rain in seas,
Air in clouds and sky .

Let us see, where we are
And how we are on this earth,
Let us have some knowledge
And distinguish the real
And the unreal,
Virtues and sin.

This earth. Is it ours?
Let us ask questions
And remember the answer
For our own survival.

Let us know what is comfort
On this earth on this day
And see our position here.

Let us forget
Let us forgive all.

Today is with us, it is earth day.

Gajanan Mishra
Earth- Everything

Earth- my body,
Earth- my house,
Earth- my food,
Earth- my dress,
Everything is earth,
And I am here
On this earth.

Earth or expansion of earth,
But I am sure all earth,
The bird, the tree,
I pray earth,
I eat earth,
I live on this earth,
I am also going to die there.

Gajanan Mishra
Earth First

Earth first.
Save earth,
Love earth.

We are all
From earth,
We are earth.

Our journey
Is from
Earth to earth.

Earth is one,
We are one,
No matter
How far
We differ.

Gajanan Mishra
Earth House

Earth house,
Earth body,
Earth time,
All earth here,
And see,
I have no fear.

My living is like
A dead man sleeping.
And I am helpless
To secure my earth,
My language intact.

Before death, I am dying,
And for this, I must try
To save my language anyhow
On my earth in my time.

I sing in my mother language well,
I sleep with mother well,
I shine with my language,
I appear with this earth.

Gajanan Mishra
Earth Is Beautiful

Earth is heaven,  
Life is dream  
And it is all beautiful  
With virtue  
With love  
And truth.

Gajanan Mishra
Earth Is Bounded

Earth is bounded
By great oceans.

It is the sky above.

We have to be free from
The earth the water
And the sky as well.

Gajanan Mishra
Earth Is Heaven

I know O my dear
This earth where I am
Is heaven
Here all moving and
All non-moving are
In their own region.
I feel I am independent
In fact I am dependent
I depend on You
And You are here with me
To disconnect with nature
And here is my future.

Gajanan Mishra
Earth Is There

Earth is there
Where it was
But at times
It is going upwards.
It is the sky
Who is coming
At times also
Downwards.
Intention is
to create
A new world.
A mixture of
All truth and
All falsehood.

Gajanan Mishra
Earth Knows My Worth

In my home
And from my father
And from my mother
I can take
Whatever I want to take
Free of cost.
And let me clear
My parents bestow
Upon me my necessities.
I know all beneficial things
Are being given to me
By this earth.
I am the son of this earth
Earth knows better my worth.

Gajanan Mishra
Earth Matters

Let us talk
About the earth,
Earth matters be

Gajanan Mishra
Earth, Earth, Earth

I am the earth,
You are the earth,
Earth is ours.
Earth is one,
We are one,
We are earth.
So long as earth is
Pure and perfect here,
We are here in peace
And in pleasure.
We, the sons and daughters
Of this earth are playing
In different forms
At different times
With the answers,
But without questions.

Find everything, here
On this earth.
Find love, find devotion,
Find live, find the light.
Find air, find water,
And from this earth
Try to discover
The sky.
The sky is also the earth,
No earth, no sky.
Fly on this earth
Like the birds,
Sing your life song
Here, always
For others.
Earth, earth, earth.
No death can touch you,
As your life is
So truth like the earth.

Gajanan Mishra
Earth, Stone And Gold

Earth, stone and gold,
For me, are
All alike.

Gajanan Mishra
Earth, Thought Process

Earth, thought process.
Sky, the storehouse of thoughts.
Life - the mixture of earth and sky.
Time-stream, we face again and again,
And we fly.
Tree is within us,
Air is within us,
And in fire
We blow again and again
To touch the sound.
Life is all set,
And we bet
For all certainty
In eternity.

Gajanan Mishra
Earth-Born Creatures

Earth-born creatures
Doomed to die
Here on this earth
And this is rightly
Marked again by

I have nothing
But to agree
With this remark
The only best.

I know not anything
Other than the earth.

Take care yourself
Under nature.
And for this create
True atmosphere, here.

Though You are the cause of the earth.

Earthly Life

Earthly life,
Not mine but

How you are living
Here incognito.

Save yourself
If you so like.

Gajanan Mishra
Earth's Surface

Here with me
See, on this
Earth's surface
I stay.

I am not doing anything
Here, see, and nothing
Is mine too.

Neither I am the agent
Nor I am the master,
All are being done
By the very nature.

They are thirteen
With me and all are
Doing their allotted jobs.

Easter

Easter from the east
Rise again

Expect well
Truth and You
Joy and sure
What is in love
That is life
Live safely.

Gajanan Mishra
Easter - Peace

Triumph of Jesus
Over death,
Sin and evil.

Jesus crucified
But stay alive
With crosses,
The cross
We experience
In daily life.

Rightly it is said-
The moment of humiliation
Is the moment of humility.

And really such moment
Is an opportunity-
Reborn to a real life.

Let us make our time
From this moment
For love
And for truth.

Let us hear
The song of birds,
Let us watch
The blue sky,
Let us study
The trees,
And discover
Peace and peace.

Gajanan Mishra
Easy / Difficult

I know not
Easy or difficult.
I know it is easy
If it is conducive
But not easy
Passive debt.
And difficult the dark
But to know the dark
Is there in duty chart.
No stranger can say
Stream is not for him
But cheerfully one has to
Walk and swim
To know Him.

Gajanan Mishra
Knowing life
Is easy and
Simple.
Enjoying life
Is natural
And free.
Accept all
And get happiness.
Life is
But mystic truth.
Facing birth and
Death is
But experiment life.
Life is but absolute.

Gajanan Mishra
Easy Flow

Easy flow, good flow,
Easy come and easy go.
See life with nature
Without ego.

Love life, life truth,
You have to cross
The frontier of the doubt.

Travel a lot
But know the life
Everywhere the same.

Life is just a beginning,
Close not life.
Life is for truth,
And the truth is for you.

Gajanan Mishra
Easy To

The best and pure art is truth
I am practicing it
and it is easy to practise.

The best and pure is my body
I am keeping it
and it is easy to keep.

I love flower the best
and pure product and
I am watching it
and it is easy to watch.

Gajanan Mishra
Easy To Delete And

Easy to delete and
difficult to add
who told you?
It is not
always the truth.
Be sure, beauty is
within you.
Remember me for that.

Gajanan Mishra
Easy To Know

Easy to know the truth
And truth is I am here
But no recognition.

Gajanan Mishra
Easy To Say

Easy to say
Difficult to do
Easy to do
Difficult to say
Are you dumb or deaf
I have hands no feet
Just see where
Is the sea
No sanctity
No devotee.

Gajanan Mishra
Easy Way

Easy way
But difficult
To proceed ahead.

Gajanan Mishra
Easy, Good And Independent

Let me lead a life
That is easy and good
And independent,
Quite difficult though
Such a life here.

Gajanan Mishra
Eat Food

Eat food,
Drink water,
O man,
You are just a man.

You are the master,
You are the messenger,
You are just perverted.

You are not the creator, man,
You have no knowledge at all.

What is better and
What is worst,
You cannot utter.

But only truth is here to prosper
And not the falsehood.
Forge not, but be merciful.

Who is the father and
Who is the son,
How can I say, man!

But you are there
And I am there
But for why
How can I say, man!

Eat and sleep,
Sleep and work,
Work and work
And forget everything,
That are not related.

Gajanan Mishra
Eat Him Up

Eat him up,
Eat him up.

Love feast,
Love feast.

Hunger and thirst,
No one is spared.

No meaning of
Civilized and uncivilized.

Protection and destruction -
No difference.

Milk eater and meat eater -
No difference.

Gods and demons -
No difference.

Gajanan Mishra
Eat Me

Eat me,
I do admit,
I am your food.
Play me,
As you like
I am your ball.
Kill me,
I am your prey.
Calculate me,
I am zero.
Whatever you
Want to do,
Please go on,
But in truth.

Gajanan Mishra
Eat Not

Eat not
That are injurious
To your health.
Think not
That are injurious
To your mind.

I am here
In your health
And in your mind
If you love me really
Keep the mind and
The body well and good.

And that will benefit you
And you will get the Ultimate Truth.

Gajanan Mishra
Eat Not That Are Injurious

Eat not
That are injurious
To your health.
Think not
That are injurious
To your mind.

I am here
In your health
And in your mind
If you love me really
Keep the mind and
The body well and good.

And that will benefit you
And you will get the Ultimate Truth.

Gajanan Mishra
Eat Nothing

Eat nothing
Eat nothing and
Nothing to eat.

What do you mean
By eating
A great question.

A great question
With no answer
Who is eating what.

One who is eating
Himself is a food
And food is simply food.

Divide not good
Nothing to ear.

Gajanan Mishra
Eat Pure Think Pure

Nothing new
When we say
Eat pure think pure
But it has an
Eternal value
Pure mind pure body
Pure food pure mind
Place seat scene atmosphere
My dear, all are here
Cook pure and good
Our God never demands more
But a leaf a flower
A fruit and water
Just offer with love
in pure heart
And He accept whole
Just attain God in action
Throw out hatred envy jealousy
Fear greed as these things
Poisoned your food
Be calm and pleased
Good feeling has good effect on food
And it is pure
bad feeling makes the food impure
Offer food with pleasure
the quality of such food is superior
My dear, be pure and holy
Being the son of nectar.

Gajanan Mishra
Eat The Blue Whale

Drink the sun
If you are thirsty.
Eat the Blue whale,
If you are hungry.
Go and dive in the ocean
If you are feeling uneasy.
Stay and fly in the sky,
If there is loss of memory.

Gajanan Mishra
Eat The Sun

Eat the sun,
Drink the moon.
Sleep in the air,
Dream in the sky,
Stay here always,
Say not, goodbye.
For you, dear friend,
We are all motionless.
No green signal of
Good fortune with us.
Still, we proceed,
With this dress code.

Gajanan Mishra
Eat This, Sleep There

Eat this, sleep there,
You are under nature's care.
Come here, drink that
Tell me the subject matter
of our chat, and be quiet.
Sto, stop, give not,
I want not anything else
But your love.
See my strength
With your love.
See me purity
In my truthful path.
Forget me slight defects
But remember my many virtues.

Gajanan Mishra
Eat To Live

Eat to live
Or live to eat.
That is your choice
But both are different.

Going and coming
Are the same
But with a difference
And that is not different.

What you are doing
And when you are doing
Has a great importance
Though not different.

Gajanan Mishra
Eat Well, Sleep Well

To write better,
You are to
Eat well,
Sleep well,
Exercise well,
You are to
Love all,
Honor the truth,
Work for all,
And write all good,
Without any discrimination.
To write better
You are to stay away
From power and position.

Gajanan Mishra
Eat, Drink And

Eat, drink and make merry
They said and I believe,
There is nothing like
Virtue, vice, real, unreal
They said and I believe,
They said so many things
Like God is no where
It is all our creation
I heard and I believe,
I am unfortunate here
As nothing is known to me
I failed to reply at any point,
I heard and silently
Walked away from them.

Gajanan Mishra
Eatable By Dogs

Dogs and jackals
Are waiting to
Eat this body.
Fire and earth
Are there to
Take this entity.
I am nobody,
I am nobody.
I must go
Beyond this body.
I must take
Minimum care
As per the necessity.
Body, not mine, I do admit.

Gajanan Mishra
Eating And Digesting

I am eating food
By chewing
By swallowing
By sucking
By licking.

You are digesting my food
By your power and
Nourishing my body
By residing in my heart
And exhaling air
By residing in anus
And inhaling air
By residing in navel
And circulating the essence
By abiding in the throat
And separating the solid and liquid
By abiding in whole of the body
And shrinking and expanding the body
By belching by shutting and opening eyes
By sneezing by yawning.

My dear, You abide in my body
Even after my death
And puffs out my dead body
I am here to know
You are worth knowing.

Gajanan Mishra
Eating Drinking Sleeping

Eating drinking sleeping
And we know nothing else.

We talk to ourselves
And we have forgotten
What is to be done.

Up above the sky, we see
Our own reflections and
On earth, we failed to
Take any correct decisions.

What we know and what
We ignore, no one can say.

But at night I hear the cry,
The cry of the bird on the top
Of the tree, ancient and perfect.

Gajanan Mishra
Eating Is Necessary

Eat eat eat
Eating is necessary
For living,
But live not to eat.

Eat eat eat
Eating is necessary,
But eat not too much
Too much eating
Causes thirst for water
Too much water
Makes stomach and body heavy,
Overeating makes you
Dull and lazy,
That causes indigestion
And diseases and also death.

Eat eat eat
Eating is necessary
For living
But live not to eat.

Gajanan Mishra
Eating Rice

Eating rice is not done by me
It is rice who is eating me
And I am getting free.

I am not in the world
The world is in me
And I am free.

Bad or good I do not know
It is they who know me
And I am free.

Gajanan Mishra
Eating Sweets

Eating sweets
Gives a man pleasure.
Eating ordure
Gives a pig pleasure.
Renunciation gives
A hermit pleasure.
Acquiring and enjoying
Gold, wine and luxuries gives
A connoisseur pleasure
Playing with dolls
And eating chocolates
Gives a child pleasure.
Seeing other happy
Gives a poet pleasure.

Gajanan Mishra
Eclipse

It is just going in between
one another.
It is just one's shadow
cast on the other.
It may be solar,
It may be lunar,
But earth must be there.

You are, my dear, on
the earth and the earth is
affected by such eclipse.
Feel the eclipse within
by staying in the umbra
or penumbra. You may eat,
You may drink but occurrence is regular.

Eclipse may be partial
May be total,
But one must not
considers it final.
One may observe staying
in the umbra or in penumbra
But eclipse is what you are.

Gajanan Mishra
Eco-Friendly

Choose Eco-friendly product
And it is the need of the hour
Stop using plastic and polythene
Promote use of paper cloth jute bags
For your own sweet and smooth living.

Gajanan Mishra
Economic Crisis

Think nothing about
This economic crisis
No needs to blame anybody.
Go on working
And go on taking risk
Like the farmers
And see it
Would set right.
You are the symbol of change
You can change yourself
And change the world.
Go on with your own
Sincere efforts
And see the wonder, my dear.

Gajanan Mishra
Economic Survey

Inflation high
Growth momentum.

Export grew
Longer term inflow.

Hurdles and
Weaknesses regulated.

Mismatch in coal supply
Shortage of gas fuel.

Investment shotup.

Internal resources
Raised and like it
Economic survey

Current fiscal.

Engagement in terms of
Actions and ideas
No matter how you

Gajanan Mishra
Economics

Nothing but economics
Means questions of
Food clothing shelter
Should be
The main factor
In the process
Process of
Decision-making
People are the main
Pillars of democracy
Neglecting in any form
Will harmful to all.

Gajanan Mishra
Ecstasy

Ecstasy ecstasy ecstasy
This ecstasy is my life-goal
Seeing hearing and describing
About You my dear is pure ecstasy
That I know and for this I am
Ready to leave wife family house
Let me rolled in the dust of
Your world where each and everything
Is You and You are in everybody
I have nothing to give my dear
Take me in to to and I am offering
Myself though I know entirely
I am Yours and I am Yours
My mind my heart my love everything is Yours..

Gajanan Mishra
Ecstasy - Love Life

I annihilate
All formalities
And social conventions,
I escape
All stumbling blocks
And I am here
Before you, dear.
I know, it is
The perfect stage
Of our meeting.
I am one and
The same as you.
I am the truth,
I want nothing but you.

Gajanan Mishra
Ecstasy After Ecstasy

Life is full of ecstasy,
And love life dear.
Life makes us mad,
At times it is against us,
At another time we feel sorry
For no wrong.
Love deceits us
And brings misery.
But life without love-
Unimaginable.
No one can give up love,
And it is there in
Good fortune.
Life is gentle only through love.

Gajanan Mishra
Edo @ Tokyo

I know you,
Long long ago,
Edo @ Tokyo.
I know you
How important
And wise you are
And how you are
Lifting the sun
And the moon first.
I know in nightlife,
Shopping, cleanliness
Of streets, public
Transportation you
 Ranked first.
You are the most
Liveable city, I know.
From small fishing village
Edo, you transformed
Yourself to Tokyo
With so many ups and downs.
You have suffered
Earthquakes and
Worldwar II.
And yet you rebuilt yourself.
You know the art,
Art of living there
On this earth.
You are my dear,
Tokyo-prefecture.
I salute you
For the new life-dream
You have kept for truth.

Gajanan Mishra
Education

This stone has given me this education
I told it go and go as a stone
And I am dying not being a stone.

This stone made me hear a song
And this stone made me hear the sky
And the sky and in between I inquired
About the destiny of stars by
Sitting on this stone.

I have seen this stone
In the middle of this field
I have seen under the mango tree
I have seen on this full moon day
And I know for this stone
Here is my house, here is my world.

We should not displace this stone
My dear, I know, from the very beginning
This stone has kept me here
And I fled away with the stone
Covering seven oceans and thirteen rivers
Where neither I exist nor anybody and nothing
Is there and nothing nothing.

Gajanan Mishra
Education And Knowledge

What is education?
Education can never be
Weigh by any piece of
Paper called certificate.
To be educated means
Not to hold various degrees
By passing in any institutions.
Knowledge of self is the best
Knowledge and to acquire
Such knowledge it needs
No certificate, my dear,
Ask not about my education
I am your minister and I am here
to provide proper education to all .

Gajanan Mishra
Education Not, But Love

I care not education,
It is not so necessary
To reach the truth.
But love is a must,
And to devote oneself
To achieve the truth
Is a must.
To stay in goodness
And to think and do
Good to others
Is a must.
I remember and I know,
You are the life for me
And I am the life for you.

Gajanan Mishra
Efforts Made

Efforts made
Are never in vain
Tells my star
Today.

Today
May not be a
Productive day,
But tomorrow
Success is there
For you, dear guy.

Dear guy,
Come to interview,
Show talent, remember,
Persistence- the key.

Gajanan Mishra
Egg In Water

Egg in water and also find
Water in egg, no word is sufficient.

It is black it is white
It is black it is white
It is purple it is black
It is gold it is silver.

O my dear, keep your heart clear
And if you like you can appear.

Gajanan Mishra
Ego Based World

Ego based world,
Energy cost living,
Brain-drain overtaxed.

Gajanan Mishra
Ego For Common Dealings

Ego remains
For common dealings,
It is in rendering
Service to others,
It is good, as
The purpose is
For the welfare of all.
Let the ego is selfless,
Let there be unity and
Love in ego.
Let there be no strife
Let there be no degradation.

Gajanan Mishra
Ego Has No Place

Ego has no place
In the real world
See, and live life
Here without fear.

Live in the grave-yard
And it is the best place
It is the original one.

Allegation has no work here
Live here without fear
See here all are yours
And all are cool even
In this hot summer.

Gajanan Mishra
Ego Is

Ego is at the root
Of all destruction.
And what for ego
My dear, think for a while,
No one is yours
Nothing is yours.
Don't go with emotion
And don't invite
Your own destruction.
Mind it, you can be safe
After burning in fire
After drowning in water
But you cannot live
With worldly materials.
This world is like dry bone
In the mouth of a dog
And we are getting pleasure
In this world, my dear.

Gajanan Mishra
Ego is I
And I want to left it
But how can I!

To eradicate ego
I must be clean in mind
And stay without words.

Pleasing and
Pleasing manners are
Necessary to keep the mind cool.

Coolness is the ingredients
Of a good and successive life
Minus ego minus I.

Gajanan Mishra
Ego Of Knowledge

Ego of knowledge
Is most dangerous
Than ignorance.

Gajanan Mishra
Egoism And Attachment

Pride and arrogance
I know when they say
They can put the entire
World upside down.

Their influence
Their accomplishment
All are one side
Excitement and burning
Sensation on the other.

O my dear, it is nothing
But anger, it is nothing
But agitation and commotion
Control yourself or they
Control you, lead you to hell.

Gajanan Mishra
Egoless

I love you
As because
You are egoless.
I love you
As because
You know the truth.
I love you
As because
You are humble.
I love you
As because
You renounced all.
I love you
As because
You have no desire.
I love you
As because
You are self-satisfied.
I love you
As because
You are intelligent,
I love you
As because
Your heart is as broad as the sky.
I love you
As because
You are sinless and in peace.

Gajanan Mishra
Ego's Port

I am here
In this port.

And it is I
Who can demolish
This port,
If I so wish.

Once demolished
Love and friendship
Would reign supreme,
And nectar would be there
Everywhere around us.

Let me achieve what
I want and my achievement
Depends on your wish.

Gajanan Mishra
Egotism

Egotism
Egotism is most
Painful gout,
Greatest misery,
And also
Highest pleasure.

Happiness represents
Consumption.
Feeling of mineness
Is ring-worms.

Envy is itches
Joy and grief is
Diseases of throat
Anger is bile, burns breast.

Gajanan Mishra
I know you,
You are the helper,
You are the bar.
But be sure,
I believe in works
And not in publicity.
You are my part and
We board the same cart.
But we are not here
To pout the cart
Before the horse
To fulfil our self-interest.
To aid and advise you are here
But that should be in limit.

Gajanan Mishra

To all my
Brothers and
Sisters.

Come and please
Come to live here
With peace and
With all happiness
To get nectar.

We are the one
And the same, being
The sons and daughters
Of Supreme Creator.

Gajanan Mishra
Eighteen

Eighteen,
It is mystic,
From here
Find one plus eight
Nine,
Three three multiply
Nine,
Space, causation, time.
Creation, preservation, destruction.
Twice nine
The Mahabharata complete,
The Gita makes Yoga philosophy compete,

Gajanan Mishra
Either As Cause

Either permanent  
Or temporary  
Either as cause  
Or as effect  
In the material  
And in spiritual  
Whatever there is  
everything is  
Dependent on You  
O my dear  
I salute you  
My dear greatest poet  
Because I love You  
Because I am in truth  
What I say has never  
proved to have been false  
My mind never deterred  
My senses never degraded  
By temporary attachment  
To matter.

Gajanan Mishra
Either Here Or There

Either here or there.
If
You want bliss
First renounce desires.

Either here or there
If
You want truth
First avoid foul.

Gajanan Mishra
Either You Accept Or

Either you accept my words
Or reject,
But you are not allowed
To remain silent.
You are also not allowed
To go with assumptions.
No mineness, no negation
But establish the relation
With love in truth.
And truth is I am here with you.

Gajanan Mishra
Either You or I
Both I and You
Neither You nor I
Here at this moment
For works in the queue
And rest is commitment.

Ekla Chalo Re

Go alone
There is peace
There is tranquility
In going alone
You are alone here
Like the sun
Like the moon
To enlightened the world
Go alone like the air
Like the water
You are the life-giver
You are my dear
Go alone without
Any attachment
Go alone Go alone
You are the only light
Here in this world
Without You there is
Dark and only dark.

Gajanan Mishra
Elder Brother

My elder brother
Is not here with me
I know not his address
Present status
Gap period is
Three years with
My elder brother
Three times I called
Him regularly till date
My mother-time is
Still waiting for
My elder brother
Three minutes
Three hours
Three days
Three week three month
Three years three century
And three three three
Every three passed
Above and below
No status and nothing
I find as yet.
Is my elder brother absconded?
Is he dead?
Where is who
To follow coo coo.
And time is changing
But I am as before
With my elder brother
Who is here.

Gajanan Mishra
Election

Election is a game of numbers
played by cunnings with money

Gajanan Mishra
Election-Season

Election-season is here
See, at present
At our door-step
And it is the time
The flowers that blossom
Out of season
And it is the time
To hear the friendly speeches
Of the corrupt-villains
And it is the time
To see the meekness
Of mean creatures
It is the time of trouble
It is the time of danger.

Gajanan Mishra
Electric Power

Electric power
Manifests itself
Through machines
Your power
Manifests itself
Through nature.

O my dear
I am trying to
Keep me away
From machines
From nature.

O my love
Help me
How I will not
Revolve
Let me give a chance
Life's problems
How to solved.

Gajanan Mishra
Elegy

May I request you
To write an elegy
On me?
As you see
I am no more.

Where am I,
Locate me
If you can?
I am not the one
Who was there
With you.

Who was there
Ask me not
I am not the one
Who can answer
Up to your satisfaction.

Your satisfaction
Is not under you,
That I know.

Gajanan Mishra
Elephant

Elephant, O elephant,
I know you as the symbol of
All goodness all richness
But I am unable to know
Why you have gone to
The crocodile who is in water.

O my dear, it is your goodness
And not the passion of crocodile
That got the winning side
I know you well my dear
You are always in the forest
With the trees and the nature.

You are in truth as you are open
But not the crocodile who is
In water always and covered with
All ignorance and it is the practice
Of the crocodile to kill others
But your nature is to save others.

Gajanan Mishra
Elephant - Best Creature

Elephant, elephant, my dear friends,
See elephant is very innocent.
Elephant, elephant,
Let not parade elephant,
hours together under the blazing sun,
for our own pleasure and fun.
Respect elephant, dear friend,
use not them to fulfill
your personal interest.
Give them food, give them water,
Elephant is as rare as tiger.
Come on children, and take care the elephant,
Elephant, the best creature of nature
is symbol of our world-culture.

Gajanan Mishra
Elephant And Lion

Elephant and lion.
The elephant and the lion
Are living together as friends.
Birds and beasts developed
Friendly relations with one another.
The air breathed cool, soft and fragrant.
Bees hummed, creepers and trees dropped honey.
Cows yielded milk, earth covered with crops.
Rivers carried in excellent water cool, pleasant to taste.
The oceans kept within their bound and scattered jewels
Ponds are all thick with lotuses.
The sun shines as much as necessary.
The moon flooded the earth with her rays.
Nothing more only in this world I want to stay.

Gajanan Mishra
Elephants Flee

When defeated by a lion
O my dear, when You are
With me no enemy can
Stay here.

Gajanan Mishra
Eligibility

No eligibility is required
Nobody can create any hurdle
Nothing remains to be known
To be done to be acquired by me
In love only in love, in love.

Gajanan Mishra
Eliminate Anger

Eliminate anger,
Eliminate a headache.

Sound health and
Sound mind -
Fruits of all virtues.

Enjoy riches
And happiness
Within you.

Stay self-discipline
And truthful.

Get pleasure and
Prosperity.

Look the interest of others
And earn prestige.

Gajanan Mishra
Eliminate Self

Eliminate self
And entered in to
Holiness and harmony
To get true
Freedom and peace.

Gajanan Mishra
Emblem Of Peace

I am the emblem of peace and prosperity
But the quarrelsome elements are here
Wine women gambling and slaughterhouse
And they wanted to kill me
They should know I am not here to die.

I am the sky I am the sky I am the sky
The cloud the thunder the noise and terror
Have no capacity to do any harm to me
I am as clear as before, my dear
As You are here with me always.

Gajanan Mishra
Emblems Of Good Fortune

Emblems of good fortune -
The elephants,
The pious and good men,
The fruits and flowers
Bearing trees,
The good verses and
Literature that
Teaches about humanity.

Gajanan Mishra
Emblic Myrebalan

No shade what you said
And I stand under this tree
I am not free in this
Incessant rain
You can ask this witness
Who is lone standing here
With no shade.

Gajanan Mishra
Whose earth is it?  
Neither yours  
Nor mine.  
You are still here  
So also I.

You are to give  
Account of each leaf.  
During verification  
Though there would be  
Neither you nor I.

Nothing to be credited,  
The things that were here  
Still there, as you see  
From the very beginning.

Gajanan Mishra
Embrace The Blue

Blue is our place of residence
And our identity.
Embrace the blue, dear men.
Music is flowing in blue,
Measure it, dear men.

Life is not for
Waste paper basket,
Life is the fraction of blue,
Know and test it
Openly if you wish.

The ocean and the sky
Are there for you.
Love them, dear men,
They are all the truth.

Gajanan Mishra
Embracing

No embracing please,
As we know
Embracing is
Embarrassing,
But we are to see
Embrasure and
We are to avoid
Embroilment.
Policy of embracing
Is as such proved fatal
To life and property.
As per rules and
Procedures are to
Move forward with dignity.

Gajanan Mishra
Embracing Time

Embracing time
I told You to
 Remain present
 Here with me.

And I provided
 A detail descriptions
 Of the time
 That is with us.

The more I am
 With the time
 The more I want
 To stay here with You.

Gajanan Mishra
Emily Dickinson - I Discovered

Paradise hopefully
As said hope is the thing
With feathers that
Perches the soul.

Emily Dickinson - I discovered
The little bird with
Extreme joy and I
Recognized its house
In the smile of the children.

Gajanan Mishra
Emily is another name of love,
You can feel as hot as may-sun.
Go not in bare-body
Go not to burn.

See the brightness here
In this morning rose
You may enjoy life
On going close.

Gajanan Mishra
Emiti Kuha Nahin;

Gajanan Mishra
Emotional Certainty

Emotional certainty
And material security,
Both are necessary
To live, though,
Not permanent.

Seize the moment, dear,
And place yourself
In the right place
At right time.

Love and war,
Both are going with you,
For the sake of truth.
And all are waiting
For you.

Gajanan Mishra
Emotions Expressed

Poems-
Emotions expressed
Through hearts
By love.
Love-
True pictures of life
Shown by nature-
Scented life.
Life-
Sense of obligation
To others to build
A bright future.
Future-
Alas, nothing
But puncher
With no vigor.

Gajanan Mishra
Emphasis By

Emphasis by
Extreme assertion
Should be avoided.

You may assert the result
Before the cause
To express swift action.

For a life of solitude
At present no need
To enter the forest.

No boon is required
For service and a servant
Should not have any desire.

It is bondage
That is there.

Gajanan Mishra
Empirical

Let me stay
Empirical and
Emplane to
Reach my
Destination.
Let me hug and
Embrace you,
My love and truth.

Gajanan Mishra
Emptiness

So long as I am here
You are there.
And You are there
I am here.

We are awake
Like the leaf of
A mango tree,
We are going
Like the wind
We are staying
Like the sky.

And we are here
So long as the emptiness
Is here with us.

Gajanan Mishra
Empty

Empty, empty, empty,
Everything is an empty thing.
Empty, empty, empty,
We are empty, nothing within us,
Nothing outside us.
We are going for wealth,
For success, for fame,
Knowing fully well that
All are empty, all are empty.
What we have seen is not true
That we know and we are therein.
What we have achieved is nothing
And it is no use to discuss
About all these, my dear, just see.

Gajanan Mishra
Anyway-
It is empty.
See inside
Or see outside.
But nothing to worry,
It is everything
To everybody.
No reason
To believe
Or nothing to
Disbelieve.
But we have to
Adjust and
Manage it.

Gajanan Mishra
Empty Body

Like onion
It is empty.

Like tree
It is standstill.

Like river
It is flowing.

Body is here
As it is.

Gajanan Mishra
Empty Husk

Beat not
Empty husk of
Wheat.
Nothing but
Trouble is there.
Associate yourself
With the truth
To discover nectar.
The truth is
Only the sky.
Fly, fly
And catch.

Gajanan Mishra
Empty Lots

Are we empty lots?
Have we no blood?
Are we not conscious?

We make them great,
But they use us
Taking everything ours.

And we fool going to them,
Pray them, and doing
Everything for their luxury.

Gajanan Mishra
Empty Room

I am in an empty room,
See me, I have nothing.

I hear each sound,
I see each sight.

I am here to taste,
To fight, to proceed.

All true fragrance
Belong to me.

Always I am
At exit point.

Gajanan Mishra
Empty Secret - Life

Empty words,
Empty space,
Empty secret,
All life, and
Life is great.

Life is great
With love and
With truth here
Inside and also
Outside for all.

For all, let me utter
The words, not empty,
But value life
Always all time.

Gajanan Mishra
Empty Sky

O great
This empty sky
Wet water
I have in me.

Wonderful
Your coming
At this moment
in my checking
Time that is
At hand.

No sight
At my eyes
No sound
Mouth and ears
In emptiness
Fully cooperating
In this space.

Gajanan Mishra
Empty Space

Emty space gives pain
No peace no happiness
No time to chat.
This world not empty
We feel empty
With no basis.

Gajanan Mishra
I am writing
On empty stomach,
I have no
Appetite though.
Pain in the belly
Is there but
Doctors are not there
To prescribe anything here.

I am preserved,
And you know
Internal disturbances.
In quick tempo
T raise my hands
And use sign languages.

Gajanan Mishra
Empty Well

Empty well,
Dry clouds,
Only thunder and
Lightning.
No tree
No free air,
No calling,
And nothing fair.
Language is foreign,
Water is poison,
Collapsing house,
Life in danger.
Still, nothing to panic,
We are under nature.

Gajanan Mishra
Empty-Handed

Satisfaction is
Far from reach.
I can't satisfy you,
I'm telling the truth.

It is your business
To decide what to do
And what not to do.

I am nothing and
I am incapable,
I do admit.

When I beg something,
Think not yourself,
As the producer
And the provider.

You are there, to give,
I do admit.
I am there not to take,
You have to admit.

I came empty handed
And I am to go empty handed.
Whatever is here,
We have to satisfy
Without any complain.

Gajanan Mishra
Emulation

Let us emulate
But with caution.
Life is not so cheap.

Gajanan Mishra
En Route To Hell

I know not
What is hell
Yet, you said
I am en route
To hell.

But I know
Where my mother is there,
Where I am free to talk
With my mother tongue,
Where production of crops
Are plenty as produce
I salute my mother land
And I treat it the best place
To live in on this earth.

Gajanan Mishra
Enable Me To Live

My enemies,
Please come to me.
See me, eat me,
Enable me to live.

I find nothing wrong
In you, dear enemies.
I am praying for you,
I am discovering
My life in you.

Turn me not down,
Dear enemies, I am yours.
I am judging me
In your language,
And nothing fucking.

Gajanan Mishra
Enable Me To Wakeup

Nightmare created
only for my destruction.
Body lotion has major role
to play as I am drunk
and warmonger.
Come and please
enable me to wakeup.

Gajanan Mishra
Enchanted And Delighted

Endless and
Beginningless
And I am
In peace here,
With the colorful
Stars
Above the sky and
Below the sea,
Enchanted and
Delighted,
With all emptiness
In your smile.

Gajanan Mishra
Enchanted Cell

Let me open
The enchanted cell
That is within me.
Though poor I am
For this, you love me.
I know, I can go
A long way with
My own breathing sound.

Gajanan Mishra
Encroachment Not Allowed

Encroachment, in any form
Is not allowed.
Right to live freely
Is given to all.

Life is there as it is
Just like the sun appeared
Though, rising and setting.
It is not true, that
We have taken birth or
We are going to die.

Liberation is just a word,
In practical field, it has
No meaning but transfer of
Our vision is certainly there.

Gajanan Mishra
End Is Not Known

End is not known,
Our journey is also
Without beginning.
Field is here for play
But players are
Not under their control.
Whatever be the case
Our vision and understanding
Are the truth
As we love you
And our love is pure
Not affected by outer world.
Expressing feeling is
the ony way out.

Gajanan Mishra
End Is Supreme Love

End is supreme love,
And for this
I am here to surrender all,
To devote myself for the purpose.
For the end of supreme love
I can do anything here,
If you want to test,
You can test me by calling.
I am a lover of discipline,
I love you and your world
Only for the purpose of new thing.
love is always new, that I know.
I know the purpose of my life
is to attain supreme love.

Gajanan Mishra
End Not Silence

I am telling myself,
End not silence.

Gajanan Mishra
End Of British Era Legacy

Let me congratulate
For the end of British
Era legacy, as I know,
You are independent,
You are sovereign,
You are making law
For you in truth.
Let me congratulate you
For the reason that
You know your own earth,
Own mother, own mother tongue
And you are there
For all creatures here.

Gajanan Mishra
End Of Trust

End of trust
In other words
it is adultery.

It is fidelity
Important to
this life.
Question of
accommodation is
a must in case of
inadequacy.

Gajanan Mishra
End-All

What I need
Is only food
What I need
Is only air
What I need
Is only sky.

I do not care
Birth or death
I do not care
Fame and wealth
I do not care
If not good faith.

Be sure
I am not worry
About anything
About my livelihood
I know my food is
Secured before my birth
I know wood and fire
Is there for my dead body.

Gajanan Mishra
Ended Fare

Small is not small
Said the air
That is still today.
On the eastcoast
Light spark smile
And we stay.

Nothing is made by us
As you know said the air
That is fair.
On the hilltop
We discovered monkey
That ceases care.
Who is there
query air and requested
To return
While we ended fare.

Gajanan Mishra
Ending Of All Disputes

When we adopted the principle
of one world, one man, one air
One sun, one moon, one life
My dear brothers, where is the dispute?

Come on and see it is not mine
When I say this, I break all disputes,
Let me say all belong to you.

Gajanan Mishra
Endless

Endless
Nothingness
O my dear
Here I am.

Gajanan Mishra
Endless Difficulty

We are there to face
Endless difficulty.
We are facing
Endless difficulty
At every step of life.

Life is not a bed of roses,
It is not a place of dancing
or singing or making merry
And yet, we are here to
Love life with so many reasons
And our love may have no reason.

But we are there to imitate
The sun and declare ourselves
As the descendants.

Gajanan Mishra
Endless Diverse

I am scattered
Endlessly diverse.

But I have
Only one intellect
That's You.

Gajanan Mishra
Endless Gain

Endless gain is here,
Face the life here.
Not an iota of suffering here,
Face the life here.
Touchstone of perfection is here,
Face the life here.
No discrimination is here,
Face the life here.
We are all here to feel
The Supreme bliss here.
Placidity of mind is with us here
And we are facing the life here.
We are ours, we are for us here,
Let us come together to face all.

Gajanan Mishra
Endless Living

I want to say endless,
I know not the exact
Meaning though.
But I know endless
Everyone, everything.
And I touch them all,
But I know not the name
of that touching-portion.
I cannot say the taste,
The colour, the size,
And etc etc.
But I stay with them
For the purpose of
My own living.

Gajanan Mishra
Endless Man

I am endless,
Endless man.
And I am here
Since time immemorial.

Let me tell
Who am I and
What I am going
To do and for what.

Hear me properly,
Read me properly,
And stay safe.

I am endless,
How is it ask not
But feel within.

Gajanan Mishra
Endless Talking

I am talking about You always
My talking is never ending
So also Your expansion and role.

Let me take the process afresh
And it is Your greatness that
You have allowed me to enjoy.

I know You are full liberty
You are full happiness and
You are full auspiciousness.

Gajanan Mishra
Endless Wait

Endless wait.
Endless wait for what?
For justice? but
What is that justice?
Who is there to deliver justice?
Justice to whom and how?
Is anyone free from guilt?
Who is fit to be a judge here
Besides Almighty and Omnipotent?
Remember, love is the panacea of all
Evils here, and you are to love all
Without any conditions.
And love has nothing to expect.
No expectation means no waiting .

Gajanan Mishra
Endure

Endure
Which can not
Be cured.
Endure
If the daughter-in-law
Commit any mistake.
If the poet commit
Commit mistake
Tell it is not right.
If the wife commit mistake
Talk not to her.
Punish not parents, teachers
Priest and great men
If they commit mistakes.
If son commit mistake
Directly tell him.
If a child commits mistake
Love him and give sufficient affections.
If the relatives commit mistakes
Give not foods.
If the servants commit mistakes
Allow not to enter the house.
If you yourself commit mistake
Surrender yourself to Almighty God
And try to love and be in truth.
Remember, this world is
Only for the person who are
Far away from mistakes.
Mistake is but common for a man
Just endure and try to cure
In other ways with gentle manner
And showing good behaviour.

Gajanan Mishra
Endure All, O Men

Endure all, O men
And remain balanced
In favorable and
Unfavorable circumstances.

Possess the virtue of
Fortitude, you are
In the mode of goodness, O men
Neither get disheartened
In calamities nor overwhelmed
With joy, in prosperity.

O men, move ahead
To attain your goal
Patiently and promptly
As written in your soul.

Gajanan Mishra
Enduringness

What is it that you want
Is it about dream
is it without antecendants
Do you mean what you say
Is it about endure
That is with you
I do not know anything
And I am with you
Whole day that you want.

Gajanan Mishra
Enemies

Enemies are
Necessary good.
First salute
Your enemies.
They inspire you
To do something,
And for them
You stood firm.
Are not your friends
Also often act
Sleeping enemies?
If you try, no harm,
To take them into confidence.
But you fail, worry not,
They are all ready to come
With you and follow you.
It is their business
To take time and
Understand the true meaning
Of your deeds.
If you are in truth,
Go one, no roll back policy
Be adopted at any time.

Gajanan Mishra
Enemies And Friends

Enemies and friends
No end
Defeat and conquer
No difference.

Gajanan Mishra
Enemy

Who is your enemy
Do you want to know
Go deep and deep
Go in and in.

Are you able to see
Are you able to feel
Somebody is there
Something is there
Insatiable and wicked.

The one who played mischief
Disturbing the journey
You know he is only
Our enemy only enemy.

Gajanan Mishra
Enemy Or Friend

Enemy or friend
No matter
Somehow or other
You are attached to me
Means You are
Great benefit receiver.

Gajanan Mishra
Enemy Is Still Alive

It is I who has defeated
The enemy - is not true.

It is true I have gone away
On my own way leaving the enemy
Then and there on that very spot
And there, the enemy is still alive.

I have done nothing and
I have nothing to do
That I know at this moment
Everything is illusion.

I am with my enemy
And enemy is still alive.

Gajanan Mishra

Enemy Of All

A father is the enemy
When he left unpaid debts
A foolish son is the enemy of
His parents
A beautiful wife is the enemy of
Her husband
A mother with loose character
Is the enemy of her children
A greedy corrupt and notorious king
Is the enemy of the country men
O friend, remember
If you are not doing any good deeds
Beneficial to others you are the enemy
Of your soul and enemy of you
As you are destroying yourself
As your same soul is there in the body of all.

Gajanan Mishra
Enemy Of Humanity

Enemy of humanity -
Nigeria-Boko Haram.
Is the sun really
Going to set?
Let us wait.

God is Great
And we are hearing
From our childhood,
Truth is life
And it is blooming.

It is true,
Boko Haram can do
No harm. Allahu Akhbar!
Wait for all good, my dear.

Gajanan Mishra
Enemy Of Time

Yes, it is me,
I am the enemy,
Enemy of time.

I am here
Ready to wage war,
With my own weapons,
Weapons of truth
And non-violence.

I write poems
To counteract
All disastrous
Of life.

I accept all,
And accept with a smile.

Gajanan Mishra

The process of
Your loving service.

Take shelter,

Here, my dear,
Come on without fear.

Gajanan Mishra
English

What is it
Where is its origin
Who has copy right on it
And there are so many
Questions and it is
Not necessary to answer
Ex tempore.

Ask Your self
O my dear
Who are You
Where you come from
What is the intention
Of your coming
What is the value
Of your speaking here.

O my dear
Search out your identity
Your original name fame
Your going with the components
And so and so on
And tell me
Without hearing from you
Suo motu
I can reach to the ether.

Gajanan Mishra
English Fire

English fire
Is in snow.
Go not there.
Desire not
Earth is a
Dark star.

Tell not anything,
While words are fighting.

But my state language
What is their fault
Am I right?

Gajanan Mishra

Enjoy Life In Searching Truth

Enjoy life

You are telling me
Always in silence mode
I have forgotten to smile
With this life.

In the hours of night
You are showing light
But I am unable to see
As I am in my ego-dynasty.

I know Your words are nectar
You have a gentle and smiling face
I have to acquire the art of
Detachment and knowledge.

In this world I have forgotten
So many words and remember You only
In this world I am searching
The road of Truth that is with You.

Gajanan Mishra
Enjoy Life With Poetry

My life
In poetry
And
My poetry
In life -
Not the same.
Yet, I go
With both
From
The very morning
To the late night.
I see
Easy declining,
I feel also
Easy rising.
Come on with me,
Dear men,
And release
Your pressure.
Let me measure
Your growth

Gajanan Mishra
Enjoy Only

Stars in the sky
Are analysing all
Activities of all.
All are under
The stars,
Directly or
Indirectly in
The way they like.
Elaboration and
Descriptions are
Not needed, but
Wait and observe
Life only under them.
And enjoy, for which
You are there.

Gajanan Mishra
Enjoy Real Beauty

Real beauty
Is there in life.
Enjoy it, my dear,
Especially what you
Think in loss.

Have you anything lost?
Ask yourself at every moment
And enjoy your own laughing.
Have you forgotten the key
That is necessary to open
The luck of joy?
Enjoy the question first
And then go ahead with
Your forgetfulness.

See how free you are
With the answer.
Remember, neither the question

Enjoying Life

We, the people
Are the sovereign here.
All so-called leaders,
Service holders are
At out feet.
We, the people
Are the truth.
One who hates us
Has no place here.
One must use
Our language in all
Works meant for us.
Use no foreign language
While talking with us
Here on this land
My dear leaders and
Service holders.
Hearing you in foreign
Language we at once
Become morose and our
Jolliness and smile
At once disappear.
We feel very much sorry
For you.
Shall we give up our body
Or you give up the post
You hold for us.
You are the symbol of
All offensiveness, since
Language is the soul
Of a body and a state,
And you are not using it,
You are also not caring
The Constitution and
The law of the land.
But enjoying everything
That belong to us.
Gajanan Mishra
Enjoyment

Who said
Life is to enjoy.
One enjoy means
Another suffer, means
Violence is there.
Let me say
No violence
No enjoyment.
You try to enjoy means
You inflict suffering on others
That is not sanctioned
Your nature is oppressive
And it is painful
It is violence.

Gajanan Mishra
Enjoyment And Violence

Enjoyment is related to violence,
Without violence, no enjoyment is possible-
What they say hundred percent true.

Gajanan Mishra
Enjoyment Stop

Enjoyment stop,
But close not
The line.
Stress, from
The beginning
To the end.
Waves of desires
Still, continue.
Flowing time,
Flowing water,
Flowing life,
And we are all
Missed everything
For something not known.

Gajanan Mishra
Enlightened Man

See this enlightened man
Swearing by the identity
Of individual soul with Truth,
He is covetous of another's wife
And is clear of vile and steeped in
Delusion, malice and worldly attachment,
See this man, so called enlightened
He find faults with Truth by dint of
His false logic, condemned to hell.

Hypocrites think themselves
They possessed enough knowledge
Because of their false
Intelligence wisdom and knowledge.

What they are actually not
Because they are full of egoism
They are puffed up with pride.

Still, I am what I am here.

I asked you,
And you remained silent.

Are we equal
In body

Real and important
Factor.

Know that
Food is also God
God is the melted butter
One who eats the food is also God
Everything everybody is
fragments of God
Fire that abides in the stomach
Is also God
God is also the offering
Perceiving God in all
Is God's quality.

Gajanan Mishra

And what is that,
I am very much
Concerned of error,
But I know not
What is that.

And You are conscious,
And I am going
With You, my dear
Crossing over all
Nights and days.

Gajanan Mishra

Attachment to the unreal
Is the cause of error.

Renounce the attachment
To the unreal
And have an inclination
For real and truth.

Error is rectified
And memory regained.

Gajanan Mishra
Escape Routes

I was born here,
I will die here.
There is no
Escape route.

Established law
Of the this land
Is that, in all or
Any purposes
The language of
This land shall be used.
One who violates,
Are to be punished
For the larger interest
Of this land.
Let me say one should
have the knowledge,
His self-interest attains
Perfection only when such
An action coincides with
The interest of the land.
Truth consciousness should
Be there with all.
Let us keep it in mind
While working for the people
Of this land;
Without the existence of
This language and this land,
No one has got
Any identity in this planet.
First, language, then state,
Then law and then only
Comes any other things.

Gajanan Mishra

And who is dying is
Not a question
You are calling me
At this late night
When the sun is shining.

Neither I am afraid of death
Nor I have a desire to live
And you are calling me
To sleep at this late hour of night
When the very night is not here
With us.

Gajanan Mishra
Establishment Is

Establishment is
Already there.
I am not interested
To establish myself
Before my mother.

Gajanan Mishra
Establishment Of Mind

Establishment of mind
Is a necessity in truth,
Joy and sadness are of
No importance.
Truth is there
Like the life,
Like the death.
What is the truth
We are to search it out.
Truth is most ancient,
And also most modern.
Truth is the origin
And it is also the end,
The sentient and insentient.

Gajanan Mishra
Estimated Cost

Ask not
About estimated
Cost of life.
Ask about love
With no cost.

But life is
More than
Everything.
Study life
Within.
Love life..

Gajanan Mishra
Ether

Ether-all pervading
Wisdom-glorifying.

Let us go together
To penetrate the ether
With the wisdom
Without any fear.
We have so many verses
We have so many metres
Let us go together
With our own letters.

O my liberator,
It is Your greatness
That You are here
I am going to You
With this love-chapter
Wait, and see, starting quarter
I am your fragment and lover
I am yours near and dear.

This is glorifying wisdom
With all pervading ether.

Gajanan Mishra
Ethu Aau Ethu Aagaku (Odia)

Ethu aau ethu aagaku
Dekhiba sabu pritiprada,
Jehetu tumathi achhi aananda.

Evaluating The Impact

Evaluating the impact of
Black and white on life
I am prompted to say
It is my life and is
Most beautiful of all times.

We are complicating our life
Daily here there everywhere
We are human being we are forgetting
And telling all but we ourselves
are practicing nil.

Gajanan Mishra
Evaluation Of A Poet

Evaluation of a poet
Must be done
In term of his words
And actions.

Truth consciousness
Must be there,
Within the poet,
And for this,
We understood,
The poet, fully purified.

The poet is always ready
To give protection to all
Through his power of
Words and actions.

Gajanan Mishra
Even A Tortoise And A Fish

Even a tortoise and a fish You are, my dear
You can assume any form that I know here
For serving a particular purpose
And I am not astonished, see.

Gajanan Mishra
Even Balance

Life is meant to
Maintain an even balance.

Stay in balance men,
And produce wonderful work
And see the wonderful result.

Life is wonderful men,
Enjoy it.

But remember,
There is many a slip
Between the cup
And the lip.

And still men,
Great height is
Waiting for you.

Gajanan Mishra
Even If You Are Not

Even if you are not,
You show yourself as the master
And the all powerful.
Even if you know nothing
You declare yourself
As the omniscient.
Even if you have no power
To control others or
Make them your servant,
You force others to serve
With no actual welfare of all.
Even if you are dying
YOU think yourself as if
You would be here for ever.

Gajanan Mishra
Even In Hell

Even in hell,
No excuses,
For the person
Who is against
Human beings,
Especially, mother,
And womenfolks,
And who is against
Mother language,
And motherland,
Where unique identification
Is therein with
All prosperity,
In true sense.

Gajanan Mishra
Even In Practical Demonstration

Even in practical demonstration,  
Your performance is zero.  
What you know I got all there  
At your very first appearance.  
I am there to make you understand  
What is new at this moment and  
How you are coping with them.  
I am there with you, worry not,  
What is the truth, I am there  
To let you know for good.

Gajanan Mishra
Even In Silence

Even in silence
I am able to
Understand you.

Words are
Not necessary.

I can touch you,
I can strike you,
I can consume your fire
Here and there
To melt your ice
With clinging power.

I can set free
All the prison-stars
That are there in you.

Gajanan Mishra
Even More

I want to read
And write poetry
More and more
And even more.

I want to study
The life and
Its history more
And more and even more.

There I get
All happiness,
There I get
All truth.

And my dear, for that
I love you, I honour you.

Gajanan Mishra
Even Now

My words are
Shining even now.
Have faith on the words.

Gajanan Mishra
Even Over Trifles

Even over trifles,
Quarrels take place.
Common platform is
Necessary to realize
The self, my dear.
And this is your
Own home, own body.
Watch it, keep clean
And glorify yourself.
You are to attain
All perfection in
Your home right now.
Wait a minute and
Observe your own motion.

Gajanan Mishra
Even Though

Even though
You are a king
You are worm
Stool and ashes.
Try to enjoy
Yourself what
You like henceforth
And be relax.
Have patience
Nothing is causeless
And mind it
You are valueless.
I am here to speak
You are there to hear.

Gajanan Mishra
Even Though Not Up To Mark

Even though
Not up to mark
The poet must not
Stop composing poems.

You must not push
Your mother to the snow,
O men, to the dark
You must not go.

See your father as a lighter
And live like a lion
Keeping dart never.

Please see and hear,
Ignore all English fever
Proceed with time with road clear.

Gajanan Mishra
Even To Cry

Even to cry
No more strength.

Men women and
Children all fled.
And seek safety
In flight.

Say not Muslim,
Say not Hindus,
But they are
All human beings -
The future of mankind.

Rush to the spot,
Give them shelter,
Give them food,
And water.

Myanmar, nothing
But terrorism,
And fear- all
There in you, keep
All under control.

Let the people of
All religion, all caste,
All colors live in peace.
And for this, let me remind
Nobel peace prize is with you.
And say all humanity-
The only truth.

Gajanan Mishra
Even Without You

Even without you I am living here.
See me, my dear, I am dying better.

Gajanan Mishra
Evening Is Here

Evening is here and
Calling me, O man
Be prepared to come
And I welcome the evening
At this late hours of mine
I said, I am holy, You know
I am in delight, You know
I am not a roadside runner
O my dear, I am not
Feeling bore in Your company
And the evening smile
And embraced me
For a new eastern shine
And look I am renewed and fine.

Gajanan Mishra
Evening Is The Time

Of the ghost
And evil spirits
They move during this time.

Morning is the times
Of saints sages and man of pure hearts
And they worship and pray to Almighty
During this time.

Day is the time to
Work for the welfare
Of all and it is the time
To see and enjoy with others.

Night is the time to take rest
And wait for the new sun new life
During this time one should forget
What has happened and look for future.

Gajanan Mishra
Evening Twilight

You say
The evening twilight-
A beautiful girl
With tinkling bangles,
On feet,
A girdle on hips
And a beautiful breast.
It is not you, I know,
It is the passion in you
Who says all these.
Truth is what you say
It is misrepresentation
And delusion, let me say
You are in diseased condition.

Gajanan Mishra
Even-Minded

To know the world clearly
Be a man of even-mindedness
In profit loss
In victory defeat
In pleasure pain
In honour dishonour
In success failure
And this true love
And this is the message
Of this valentine day
That is full of love
That is full of truth
And without love you
Will be no where
Without truth you
Will not exist
To know this world of
Love and truth
And this true life
This true living.

Gajanan Mishra
Even-Minded Towards All

Even-minded,
Even-minded towards all
That I am in need.
It is unthinkable
And changeless one
That I am in need.
Omnipresent, indestructible
That I am in need.
O immovable, I need you
To move and move with all
And You are moving that I know.
Indefinable and eternal
That I know, You are
The final of this circle.

Gajanan Mishra
Ever And Never

You are coming to me
I know from the very beginning

We are here for ever.

You are going away from me
I know from the very beginning
We both are not here not there
And in no where, never and never.

For you
I am purified and lighted.

That are written by the poet in pious heart
And in perfect form without keeping
Any personal interest putting knowledge of
Self-realization therein and remaining
Free from all material affinity.

Gajanan Mishra

And principle
To establish truth.

Life sustains
In the truth.

And truth is here
With us always.

And the ultimate source
Is our own creation
That is in us.

How can we touch
The life and love.

Love is our strength
It is our life,
We are in it
For truth.

Gajanan Mishra
Ever Persists

Yes, my existence
Ever persists, You
Can see as you like.
You can go on sleeping,
You can stay awake.
Ask not the age
It is nothing but
The use of a term
With footpage.
Footage of action,
Action that bears fruits
As per nature.
And nature is beyond
One's control, my dear.
Get refreshed
And regain energy
By hearing my words.
Go on merging in to nature
With the passage of time
And continue living.
Living is nothing
But to stay firm
Rupturing time.
And my existence
Also there that persists.

Gajanan Mishra
Ever Ready

I am ever ready,
Ever ready to go
at any moment,

see, nothing is here
in me but the truth.

Gajanan Mishra
Ever-Changing Reality

Connect yourself
With ever-changing
Reality, my dear.
And act and react
Before the symbolic
Representation here.

With space and time,
But go far away
From all that are near.
Come on dear, describe
Yourself and define
Your own structure
For future.

O Shakespeare,
You are ever-fixed mark.
Ever-fixed mark of love
And Truth and life.
I find in you the war
And the peace, the tempest
And the compass of pole-star
Of love-life.
You are right, cent percent,
You are the rosy-lips and the cheeks,
O Shakespeare, you are free
From any error.
I recognized you, the wisest of the wise,
For ever, here, my dear.

the nature and adjust
yourself with atmosphere.

Gajanan Mishra
Every Day Is A Woman Day

Every day is a woman day.
Without a woman
How dare you to
Begin the day!
Let me say
You are within a woman
But not beyond the woman.

Observe every day
With a woman
As woman day
And stay with her
With clean hands
And you are to admit
Everything that you
Termed yours are
Really belong to the woman.

You can never repay
The debts of the woman,
Whether she is your
Mother or sister or
Wife or daughter.
My dear, woman is the nature
And you are the product,
The fruits of that truth
Here.

Gajanan Mishra
Every Detail Of Life

Who is lost?
It is I,
Who is lost,
And I find
No other one
To do anything
Here for
Any purpose.

Who is not ignorant?
It is I,
Who knows every detail.
And who is here
In light
With all knowledge.

It is also I
Who is on victory side
With so much struggle.
It is also I
Who knows every tit bits
For the purpose of doing
Business with nothing.

Know everything and
Forget everything-
The tenets of life
Here for all time.
The basis of success
Is there when you
Concede your defeat.

Gajanan Mishra
Every Direction

I see you
And you pervade
Every direction
Against the wind also
And you made me able to
See you in and against
All situations

Hear your various sounds
Musical sounds divine sounds
Here in this world.

Gajanan Mishra

Own dark side,
Just see
With equal eyes.

Understand clearly

Every corner

In the hot burner.

Here I see
Everyone cry
And to give them smile
Let me try.

Every Poem, Though

Every poem, though,
Written by me, has
Some result, yet I

I know, love is there,
And truth is also there,
In my poems.
I compose poems
Only for love
And only for the truth.

Gajanan Mishra

Has nothing to do.

Gajanan Mishra

Because of displeasure  
Of fate and time.

Gajanan Mishra
Every Side - Water

Every side - water,
Endless corridors.

Everywhere scattered.

And everything quivers,
With the earth center.

Gajanan Mishra
Every sight
Can be seen
By a poet.

Every situation
Here and there.

Gajanan Mishra
Every Time You Are

Every time you are here with me,
Every time you are pulling me
Here and there with love and
Also with hate but I mark not
You are the only sample here
At my table who is taking me
To the place where I have to go
No matter whether I wish or not.

Every time I am crossing the road-map

So long as we are happy
And we are smiling.

I want to tell
Everyone, be cautious
You are on the line,
Line of high voltage
Of trust and distrust.

is deliberate and malicious.
The Sun is also not
promoting enmity
between you and me
between thought and action
between residence and language &gt;

I have kept my death
In lock and key,
No dislocation and
I am going to the bee.

Gajanan Mishra
Everything, You Are For Me

Everything, you are for me,
And I am here only for you.

In Odia lipi, Brahmi script;

???????, ???? ?? ????,
?? ??? ??? ???? ??? ?? ?? ?

Gajanan Mishra
Everytime I Am Dying

Everytime,
I feel,
I am dying.
Dying for what
I know not.
But I expressed
My inability
To realize
In me.

Gajanan Mishra
Everywhere

Everywhere you can see me
If you want to see
If you do not want to see
I am also there.

You may remember
You may forget
I am well known
And I am doing all.

I know you
I am your maker
You may admit
You may not.

Gajanan Mishra
Everywhere- Life

Everywhere life
Arms ears eyes
Blazing fire mouth
Heaven earth
Yet no peace.

Everywhere life
In space in sea
In sand in service
No body wants
What he does not care.

Gajanan Mishra
Everywhere And Anywhere

Everywhere and anywhere
I can appear.
I can appear on the spot
At the same moment
You remember.
I am both
Visible and invisible,
It is you to
Know me at the root.
But the time or
Place is not the matter,
It is your own wish
To give importance
To one or the other.

Gajanan Mishra
Everywhere English

English English English
You can not live without English
English is giving you food water air
English is giving you education shelter
No sunset in English you know
If you are going against English
You are there to destroy yourself
English has got such power
To cover up everything in the world
I know you have your own language
But without knowing English
You are not getting here anything
Even the bare necessities of life
Learn English speak English write in English
If you have a perfect command over English
Your income earning point is on rise
You are on top in position in rank
Of world order society.

Gajanan Mishra
Everywhere I Perceive

Everywhere I perceive
Your presence.
Your presence
Makes me alive.
I live with you
In truth.
In truth only
I find love.

Gajanan Mishra
Everywhere- It Is Changing

From here to there,
Everywhere- it is changing,
The body, the mind, the intellect,
And we are going upwards
At every moment, no chance to fall
So long as our love is there,
And we are committed to the truth,
Our self is one and it is unchanged, unattached.

Gajanan Mishra
Everywhere Light

Everywhere light
Light everywhere
No empty space.

See shadows
Here and there
Not allowed to
Go far.

Stones with wings
Here and there
Earth has no space
Go and see
Dark-light
Beat by beat.

Water and sun
Same and one
Go and catch.

Gajanan Mishra
Everywhere Of The Universe

O my love
You are everywhere
Everywhere of the universe
It is true
I am totally yours
I totally accept it
As truth
And I accept you
And I understand you
O my dear
My love by its
Internal potency
Reach you
O my origin
My love
And I am happy
I am within you.

Gajanan Mishra
Everywhere there is trouble and
Misery but fear not, dear men,
Stay in truth and search for
The way out, your attempt would be
Successful, I know.
Here in this world, I know,
Happy or miserable – both
Conditions are miserable.
No position or wealth
Can give any relief to anyone.
No remedy but to live
With prayer and giving away
Everything that is with us.

Gajanan Mishra
Everywhere Water

Everywhere there is water
In sea in river
In rain in pain
In pleasure in vapour
Everywhere there is water
In cloud in ice
And you say nice.
You are like water
I am a mere river.
I can overflow I get dry
You remain as you are
Without smile without cry.
I am temporary
You are permanent
As you see
I am wave
You are sea.
You are water
I am water
O my dear
My road is clear
I must reach you
Opinion not differ
And it is not dear.

Gajanan Mishra
Everywhere You Are

O my dear, You are everywhere.

I am hearing You
I am addressing You
I am remembering Your glories
And Your glorious acts.

Here every indication goes to You
I am extremely pleased with You
I am attracted towards You
I know You have a broader outlook.

Gajanan Mishra
Everywhere You Are, I Know

I know you,
You have no foot,
Yet let me
Request you
To come on foot
And I know
You are coming
To me at every moment.
I know you,
You have no hand.
Who told it
That I cannot say.
But I know
You are doing all
Works here for all.
I know you,
You are everywhere,
And watching all
Inside and also outside.
There is nothing,
There is no difference
Between inside and outside
For you.
I know you,
You are giving water
To the dead river,
I know you,
You are giving everything
For those who have nothing.
I know you,
You are there
Sending all here
And taking all.
You are at the root,
I know and I know
You are the only truth.

Gajanan Mishra
Everywhere, All Time

I abide in You
You abide in me
Everywhere, all time.

Gajanan Mishra
Everywhere, See The Sky

Everywhere, see the sky.
The sea is not yours,
I know.
But fire is there,
Tell all there
With the stars.
If you are ready to
Go with harsh words,
Come on, I am here.
The sea is testing
The truth, while
The sky is holding
The prow.
The time is swallowing
The musical shore.
My luck is giving a fight
Standing far away
From my willingness
And unwillingness.
My luck is saying,
Go and see the dreams,
Go and see how the hills
Are moving ups and downs.
Go, go towards the sky,
While going tell
The heaven, not heaven
But the field of
Enjoyment of pleasure.

Gajanan Mishra
Evil - What Is That

Evil! - what is that?
Is it our's own fault?
If it is so, let us
Go for its rectification.

Let us do some action
Where there is action
There is reaction
Let us observe it
And do something that would
pave the way for one's
Own manifestation.

Nothing to be worried,
But we should keep
Concentration on us.

Gajanan Mishra
Evil Act

Shooting at school children
Is definitely a senseless
And incomprehensible
Act of evil
Rightly said by Australian
Prime Minister Juli.

My heart too is broken
No more discussion
And take immediate action
Do not allow to handle gun
Without testing mental position
In temple in school
We need strict prevention.

Gajanan Mishra
Evil And Miscreant

You can find evil and miscreants
Here there anywhere everywhere
Where there is gambling drinking
Prostitution and animal slaughter
And these are counteract the four
Principle of life austerity
Cleanliness mercy and truthfulness.

Gajanan Mishra
Evil Man-Coal Mine

Evil man is -coal mine
How can I make refine!
I am trying to
Heap coal of fire
On his head with cocaine.

Gajanan Mishra
Evil Nature

Evil nature
Evil deeds.
Good nature,
Virtuous deeds.

It is the nature
that is the root
and not the deeds
the fruits.

No one is free
from nature,
O my dear, get the grace
by improving your own nature.

Gajanan Mishra
Evil Omen

The sky overcast with
Masses of clouds
Also there is lightning
And thunder
The sky rained pus
Hair blood stool
Urine and bones.

Gajanan Mishra
Evil Uprooted

Evil uprooted
All evils are uprooted
In the name of Truth
In the name of Love
Truth and love are
One and the same
And are brought
Within one's grasp.

Exactly

Exactly it is
What you see.

See good,
See beautiful.

Colourful.

All love,
All life
All blissful.

Sing and dance
As you like,
Fear, not anyone.

Feel heart full,
Know the truth.

Gajanan Mishra
Exactly I Can Not

Exactly I can not say
Where this story begins
And How I became a
Part and parcels of
Everything and everybody.

Everything and everybody
Revolves round me
That I can say
Without any question
You are at the center.

I can not say
Who are You and
How You become mine
By this time around
Cool down cool down.

Gajanan Mishra
Examination

Abolish examination.
And who are you to take examination?

Do you know whom to examine
And how to examine?

If you are so keen to take examination
Examine yourself first.

It is not easy to examine self
And pass the examination
scoring top.

Examine self while alone
Alone at night
Alone at bed.

Dare not examine others and
Dare not examine especially children.

Gajanan Mishra
Examination Hall

You are in the examination hall, my dear,
Remember, you have to answer
Answer sheet-life is with you.
You have to answer all three questions
Within three hours; childhood, youth
And old age-death.

The examination with top rank
Scoring highest marks.

Gajanan Mishra
Examine Your Own Thoughts

Examine your own thoughts
What is going wrong
What has gone wrong
And take steps to reform
And what you have done
Please confirm.
You are here only with
Some degree of freedom.

Gajanan Mishra
Examinee

Being an examinee
I see other examinees
Of my front benches
I can not see who sit on my back
O my dear, I can not perceive You
You see all being at the back
Being at the front
And being at all sides
You see all as You are the illuminator
You are the illumination
And also the illumined.

Gajanan Mishra
Examiner

A true poet is an examiner
The poet is here to examine
All human beings through
The touch-stone of poems.

Let the poet come and open
His mouth before all here
No one could be equal to
Or more attractive than the poet.

Gajanan Mishra
Examples Of Life

Life is such a thing
You can give so many examples
But all are samples
With one truth and one love
And it is itself everything.

Gajanan Mishra
Excavate The Sky

Excavate the sky
And discover the truth.

Mark the boundaries
Of your own and
See where you are,
And what for you are.

Rivers and mountains
Are there as they were,
Celebrate your victories
And get everything
By queries.

But truth is a must
To live in harmony
And peace.

Except His sweet will.

Gajanan Mishra

And what is that mission
Go within deep and deep.

With anything
Except poems

And comment how you are looking.

Only there
Nothing is there
Except you and your God.

Calculate math.

Gajanan Mishra

Except you
Nothing is here

The sun the moon
The air the light

All in one
For us
And except you
Nobody

You are all
All in one
For us.

Gajanan Mishra
Except You, I Am Not Satisfied

It is true
I am not satisfied
With anything else,
Except You,

Gajanan Mishra
Except Your

I have forgotten all
Except Your name and fame
O my dear, I know
You are the ocean
I am the wave
You are the rain
I am the drop.
I have forgotten all
But not forgotten You
How can I forget You

I have no identity
Without You

Gajanan Mishra

You will attain supreme peace
And eternal abode.

Gajanan Mishra
Excessive Sleep

Excessive sleep is here, remember
To pull you back, my dear.
Give up also grief depression
conceit and also fear.

Try not to receive praise and honor
O my dear, all are not for pleasure
These pleasures are really pain
You have nothing to gain here.

Gajanan Mishra
Exchange Of Dealings

With You O my dear
Is going on with love
And it is eternal.

Will You give a reply
That is ultimate and final
And am I ready to
Go with You in service devotional.

Explain O my dear
That You are with me
And dancing crying singing
With same waves that is emotional.

Gajanan Mishra
Exchanging Love

Exchanging love
Is necessary
For world peace.
Being a human,
The burden of
All good is
With us, see.

Recognizing the truth
Makes you fine.
Let the world
Flourish should be
The motto of all
In words and in actions
Always everywhere.

Gajanan Mishra
Excited All

Excited all,
And all revived.

It is all
Passion for the living.

Nothing special,
But everything as usual.

Cease-fire occurred,
And everything okay.

Gajanan Mishra
Excitement Has Got

Excitement has got
No value.
Don't be excited.
Whatever you want
To say, say politely.
Everything would be
There as usual.
Take no tension,
All problems would
Be solved in due time.
Think not yourself
Great in any situation.
But leave it to time
To get things done.

Gajanan Mishra
Excitement Knows No Bounds

Excitement knows no bounds,
See, several kids dressed up
As Santa themselves.
Excitement knows no bounds,
See, children are singing
Dancing and making merry.
How beautiful our world is really!

Let us spend our times also
With these children, the angel of peace,
Let us present the children
Cool gifts and chocolates.
It is right, we are suffering
From fever, Christmas fever,
Let us know and understand
The significance of the occasion.

Let us share the affection,
Smile, happiness, have no religion.
Stars belong to all,
All are within truth and love.
Trees are there to give us life,
And life is for fun,
Santa Claus is the symbol,
And children are there for celebration.

Let us enjoy Christmas spirit
That is joyful and boisterous.
It is all about happiness,
It is time to forget bad memories,
It is all about living in harmony together,
My dear, let us see everything beautiful here,
With our own confession and celebration.

Gajanan Mishra
Exclamations

All exclamations - life,
Dark clouds all over.
Nothing clear,
Nothing certain,
Road blocked,
All move on their own-

Light returned
To life,
For dreams,
With dreams.

Waves in succession,
Fire absorbed,
Sky hid,
But with the highlighter.

Gajanan Mishra
Exclusive interview
With you
O my dear
You are merciful.

I asked nothing
You replied everything
That my sweet heart danced
Without any error life commenced.

The truth and I have
Shun the false for you

And it is only mine and my own's.

I am firm in my love, see
And feel I am here with You.

Endless bliss is there
Where there is exclusive love.

Exclusive love is here with me
Exclusive love is here with me only for You.

Gajanan Mishra
Exclusively On You

I am depending on You
Exclusively on You

And You are depending on me
Exclusively on me

This is the earth
This is the sky

We both are here
Just here.

Gajanan Mishra
Excuse Me

Non-courageous cannot
Speak the truth.
Courageous one
Can only face the truth.
To face the truth
Is a challenge.

Gajanan Mishra
Excuse me and wash,
Wash away my mistakes
Of the poems, I dared
To write your thoughts
In your language here.
Excuse me, I am trying
To draw your attention
Towards the truth of life
That you felt at every moment.
Excuse me and read my
Poems, reading of my poems
May give you an imperishable
Fruits in this world, remember,
I have no other personal motive.

Gajanan Mishra
Excuse Me For The English

Excuse me for the English
O poets
I have no other alternative
But to go on the bridge
But to take sleeping pill
But to go with the link
To reach you to touch you
To read you to feel you
And to go with you all
Throughout the world.

Gajanan Mishra
Excuse Me, I Am

Excuse me, I am
Not able to run
With your horse.

Excuse me, I am
Not able to
Tame my dog.

Excuse me, I am
Not able to stay
At my own house.

Gajanan Mishra
Excuse Me, I Cannot Say

Excuse me, I cannot say
What I really need.
What I really need
That is not here, my dear.

What is not here
That I want to see.
And I want to see you,
I know though you are not visible.

You are not visible
And I am in trouble.
I am in trouble
And it is not expressible.

Gajanan Mishra
Excuse Me, I Know Not

Excuse me, I know not,
What type of good work
Has been done by me
At this time.
See me, I am doing
My service with a feeling
Of detachment.
I have burnt
The filth of mine-ness
That were in me.

Gajanan Mishra
Excuse Me, Mother

Excuse me, mother,
Really I know not
How to worship you.
Are you separate
From me, my dear mother
That I know not.

All day long I am
With you, with
The dust of your feet.
For me, you are
The truth and only
Truth here, my dear mother.

And I am hearing you,
Your silent words,
That is taking my care
While I am here and there.

Am I so qualified
Who can write about
His own mother in words?
Excuse me, O my mother,
I have no other world,
Other than you.
I have no word that can
Able to reveal the truth,
Besides your love and you.

Gajanan Mishra
Excuse Them

Excuse them
They are wicked
They do not know
What they are saying
Excuse them
They do not know
What they are doing
They do not know
Proper use of words
They are wayward Excuse them
Excuse them.

Gajanan Mishra
Execute pious activities
Keep yourself free
From all contamination
From all illusory duality
And write poem
O my dear poets
With love
With devotion
And touch me
And stay with me
I am yours
You are mine.

Gajanan Mishra
Exercise Keep You Alive

Exercise keep you alive
Update yourself
Revisit again and again
Give around your treasure
To enable it multiplies
Being commander
You have to live
And let others live.

Gajanan Mishra
Exhibit your loving devotion
To me, my dear.
And if you want to offer,
You may offer your words
That are soft and sweet.
But remember, try not to
Bribe me, your bribery
Has no value.
Showing your love
And gratitude is sufficient
For me.
And be compassionate to
Other living entities,
Treat all as the truth.

Gajanan Mishra
Exhibition

Exhibition shows
Problems of climate change.
Man run over road
Accident show
Management failure.

Seminars lecturers
No use without practicability.
Faulty banking
Invite economic crisis.

We the poets scientists
Lack observation.
The officials leaders
busy in functions
This global exhibition.

Gajanan Mishra
Exiled

In our own home,
Own state
We have now been exiled.
Ask how?
Our paid officers,
Ministers and all
Are using foreign language
That we are unable to understand.
And they all forming a circle
And keeping us in dark
And plundering everything
That are ours.
And we are drowning in
An ocean of trouble.

Gajanan Mishra
Exist / Does Not Exist

Exist and does not exist
Is not the issue.
Issue is Truth.
It is your turn
To admit or not.
Knowledge not required
Bliss is to be counted.
Natural or eternal
Same when experienced.
It is pure intellect
That has got affinity.

Gajanan Mishra
Existence And No-Existence

It is love
And I find in you.
It is you
And you exist.
I know you
Care not for others.
You care not the past
Not touched.
Perfect though,
You are not
Extra-ordinary.
You love all
But love not
Your own neighbor.

Gajanan Mishra
Existence Is Important

Existence is important,
Watch it, listen to it.
Try to mark your own existence.
It is only you who can
Say something about it.
Try to hold up your tongue
And forget your own existence.
Your existence is important.

Gajanan Mishra
Existence Is Real

I desire nothing
And yet I am
Getting everything
That I need or say
That are needed
For my survival.
No need to acquire
Anything that I know.
And my very presence
Is for the welfare
Of all, I realized.
I am getting your bliss,
And hence my existence
Is real as the sky.

Gajanan Mishra
Existence Within

I exist within you
You exist not within me.
How is it?

Sufficient cause is
Not sufficient
And you exit.

Form and context
Immaterial you know
I know it discriminate.

Modes are different
And We come to the same cross
That is not here.

Gajanan Mishra
Existent

Nothing existent
Except you
O my dear
You are the root of
Complete tree
You are stomach of
Complete body
I know You
And there is
No deliberate
Expansion of ideas
Separate from You.

Gajanan Mishra
Existence and non-existence,
Is like day and night.
The matter is to be discussed
By the mind and intellect.
But it is beyond the speech
And also beyond mind and intellect.
But truth can be attained
By one's own experience,
Though no one can express
In complete form here by giving
Full name and address
And time and place with an
Insight view which can be
Described as the truth.

Gajanan Mishra
Existent./ Non-Existent

I have felt
eXistent and also
non-existent.
I feel always
the ever existent.
And I learnt
everything is yours.
All the fleeting thoughts
Are yours I am sure.
Whatever I perceived
With my body-mind-senses
And intellect is yours.
You do stay
But not I.

Gajanan Mishra
Existing Nectar

Most charming,
This life,
This world,
This time.

We are to look
In a lover's eyes.
We are to live
A life fully attractive.

We are to satisfy ourselves
In the midst of the winter.
We are to proceed ahead
With brilliant gesture.

Life is a fresh flower,
Life is a fresh song,
Life is equal without any
Minus and plus.

Know life with its fragrance,
Know the world with all ordinances.
Life is permanently beautiful
With ever existing nectar.

Gajanan Mishra
Exit And Enter

Two words for ever
That are ours
And not fair.

Exit and enter
Both cause anxiety
Forgetting everything
Is much better quality.

Exit and enter
Forget and remember
Both good pair also
Though equally fair.

Gajanan Mishra
Exit Point

Searching the exit point
I remained there as before
Seeing the house-full every-time
I remained cool seeing the dog
Inside the house and doing mischief
I could not find one and locate where
They have gone and for what purpose
With the coconut I had with me
Seeing them all in this sky I
Remained again aloof with
The alphabet of life that was not mine
Searching the exit point
I called O Mayabi where are you
And you are there inside holding me
As before and here under I remained cool.

Gajanan Mishra
Exorcize

Come and exorcize
Other than yours.
Come and read
My exordium
On language
On identity.
Expand your
Strength and
Come for
The mother.
I am there
With the mother.
I am there
On my land.
I am speaking to
You on the language
Of the on
And see
This language is
Expansible,
It is all
Beautiful.
It is all
For our own
Existence.
Exile not
Yourself.

Gajanan Mishra
Expand the good fortune, my dear
And do all pious activities
This is your heavenly abode.

Open the door of Truth, my dear
And take the advantage of
Going back to Supreme Truth.

Gajanan Mishra
Expand Yourself

Expand yourself, my dear,
Expansion is the nature.
Expand yourself with your
Endless creative energy.
Expand yourself, my dear,
With your all forms to touch
The divine with blissful
Character.

Gajanan Mishra
Expanding Is Life

Expanding is life
Opposite is death
And death I want
To know how it works
I want to know
How it appears
Some say its color
Black while others
Say it is yellow
Yet another groups
Say it is white
And with all I disagree
You can not enlightened
Me about its detailed
And I am here see
As I am.

Gajanan Mishra
Expansion

Through you
I expand hope,
Life, belongings,
And the world.

And when I leave
I call son
To take charge
The family affairs.

I know not
My destination,
My transmigration is
Not visible also.

Gajanan Mishra
Expansion Is Necessary

Expansion is necessary
And so also contraction.

Life is necessary
So also death.

Sleep and awake
Awake and sleep.

Gajanan Mishra
**Expect No Mercy**

I expect no mercy
From anger and
From passion,
I understand
Cruel time is with me in
The form of anger and passion.

My knowledge in shape of snake
Is biting and stinging me
My house my property my luxury
My kith and kin are hounding me,
And here in this world, O my dear,
See me drowning with no water
See me burning with no fire
And all are killing me with no weapon.

Gajanan Mishra
Expect No Reward

Who are you
To give me award?
I expect
No reward from
A creature
Who is helpless
Here like me.

If I am
A man of greed
Time is here
To sting me
to death
And no place is
There for me.

Gajanan Mishra

Your duties properly

Single in and outside
This body.

Gajanan Mishra
Experiment Life

Experiment life
with varied styles.
Life is simple and
have with life a
common love.
No contrast in love,
remember, love has
one and the same color.
Stay uniform with truth
and get a broader view.
Life is always with you
Be ready to go to any booth.
There you are for ever,
O my dear, my classic dresser.

Experiments Be Made

Here they are,
Common living entities.
And we are to
Go with them.

Here they are
The non-living beings.
And we are to
Stay with them.

Experiments be made
With both living
And non-livings.
And in reverse gear
Journey be taken
To reach anywhere.

Gajanan Mishra
Expert

You are expert
In making division
You do not know
Formation union.

You do not know
How to love
You Know about hate
And you hate
I hate.

You are running blindly
To fulfill desire
You do not know
How to control
Desire.

Gajanan Mishra
Expert In One Angle

Expert in one angle
Cannot make you
A successful man
Or a front runner leader.

No monopoly will do,
Remember, at present.
Each one has strength,
And you must take all
Into confidence.

Adamant has no value,
Your manliness will not do,
Wearing a thread cannot
Make you pious or good,
Stay away from falsehood.

Gajanan Mishra
Expert In Understanding

Expert in understanding
You are expert in understanding
That I know my dear.

And I know You are eternally related
Let me dig and show the Truth as a geologist
I can extract gold and you are the gold ore.

You are intelligent and
Intelligence is with you from your very birth
Let me show you with your own light.

Gajanan Mishra
Explain, Please

I failed to understand,
The life, the world.
If you know, explain
The fact, please.
And you started your talk,
Still, it is not at all
Understood, excuse me.
Nature is going on, as you see,
In the process of our meetings.
Where are you and what is truth,
I failed to know here
And you addressed me, my dear.
I thought it is love's
Previous chapter.

Gajanan Mishra
Exploitation

What is it?
It is satisfying one's own hunger.
It is not looking to others welfare.
Exploitation is against humanity.
Control hunger,
Control self and meditate.
Satisfy others who seek food and be free from corruption and be great.

Gajanan Mishra
Explosions Reported

Explosions reported
Actions targeted
We all gathered
To review life.

Where is life?
Nobody is ready to answer
And we left
The place of explosions.

Gajanan Mishra
Expose Injustice

Expose injustice,
My dear lawyers,
To achieve justice.
It is your duty
To make the laws
Enforce and fight
Against unlawful
Acts of anybody
Whosoever may be.
It is through law,
And law only we
Can establish a
Peaceful and
Just society.

Gajanan Mishra
Expose Yourself

Expose yourself
Expose yourself to hardships
To the cold and to the hot weather.
O my dear, I know what are you searching for?
I know you are searching for love for compassion
All are there on your own motherland
In your mother tongue and if you are with your mother.
I offer everything
Everything to you, my dear,
Be enlightened and stay with your mother.
Have you seen your own mother, my dear?
Please tell me how does she look?
Your mother is the only truth here and
She knows well what life is all about.

Gajanan Mishra
Express by words,
But trust not words.
Words are not always
In a position to trust in.
Words may cause your distress,
But reluctant not to
Use them to the best of
Your knowledge and ability.
Think always good,
Words are there to follow you.
Make a comment on the things
You face and take a remedial
Measures and face any situation
That endanger life and properties.

Gajanan Mishra
Express Nothing

Express nothing
but the truth.
Truth is only here
to express.

Gajanan Mishra
Express Your Ideas

Express your ideas
Either in yes or in no
Only with yes or no.
Say something about
Yes or no and say
What is going on with you.
Challenge is everywhere
With your words, my dear,
Words are only here, there
To rule others, and for
Words we are here together,
In this ornamental field.
And here, within these words
Let us discover ourselves.

Gajanan Mishra
Express Your Thought

Express your thought,
Express freely, dear,
Nothing to fear.
But be sure
I am not communal,
And also, not for common use.
Rather I believe in communism,
You can publish in the communique.

I am ready and willing to talk
In any matter, dear,
In the open page of life.
And everything is communicable,
As you see, each and every incident
Of this life is memorable.

I am a commoner, dear,
Nothing to fear.
I have no intention to
Harm or hurt anyone here.
But I am here to see
Commonality must not suffer.

But common sense says,
Let us come together to talk
With the language of the land
To avoid commotion and
For better communion,
Nothing more, nothing less.

Gajanan Mishra
Express Yourself

Express yourself,
Express in words
And be a poet.
Express yourself,
Express beyond words
And be a poet of wonder.
Express yourself,
Life is in expression.

Gajanan Mishra
Expressing Foolishness

By telling
I am not prepared for death,
Just expressing my foolishness.
Nothing new
But wonderful.
And at every moment
I am dying, see me.
And nothing is mine.
But I know
My poems and my words are
Deathless,
They are in truth
And they love all,

Gajanan Mishra
Expressing Myself

Using body
Adhering to words
And thoughts.

Here I found
Another concept
In my present
State of mind.

No pity
I understood you
What you uttered
In between day night.

Gajanan Mishra
Expressing Thoughts

In so many ways
I am expressing
My own thoughts
Before You, my dear.
And You are silent
As if my expression
Has no value or
I failed to impress You.
Still I am with You
And You are in me
Still the sun is rising,
The flower is blooming,
The wind is blowing,
And I am living, living.

Gajanan Mishra
Expression Of Love

It is there
In Khajuraho,
The eternal
Expressions of love.

And love is
The greatest
Artistic wonders.

I love you
And I am telling
This truth.

The truth is my life
I know it
And I am living
In this world of joy.

Gajanan Mishra
Extending Downward And

Extending downward and upward
I am standing here fixed
I know the different colors
Beyond descriptions
All beings are there in
With all manifestations
I found myself in the circle
With senses and this earth
I considered my only
Field of activities.

Gajanan Mishra
Extention Of And

Extention of
Olive branch
Is not a sign of
Weakness.

2

Scams
Corruptions
Are fire
Do not play
With these.

Gajanan Mishra
External and internal
In both ways, examinations
Are being held here.
You are the only examiner,
And I am the only examinee.
I know nothing and yet
I am appearing for you.
You know me and yet
You are making arrangements
In different ways for this.
Showing my identity card
I am entering the hall
And after submitting the papers
I am still here as per your order.

Gajanan Mishra
External World

External world is changing always
And so it is not real.
Internal world is as it is for ever
And so it is real.

Remember, if you renounced anything
Externally it is still remains with you.
The sense of mine and attachment
Bind you.

The universe is not coming to us
It is we who are going towards the universe
And it is difficult to renounce
Since we are in the universe.

Gajanan Mishra
Extinguishing The Fire Of Suffering

Extinguishing the fire of suffering
O my dear, You appeared here
As shower of nectar.

Crossing the ocean of material existence
O my dear, is extremely difficult
Without Your help and presence.

Falling in to the fire-ocean of misery
I prayed for rescue-boat with the auspicious
Process without any flattery with Truth consciousness.

Explaining every mystery, my dear
I am going to search You with the most
Confidential knowledge of love and devotion.

Gajanan Mishra
Extortionist

Let us go with
The roots of a number
And a name.
But it is in no way
Justified your
Advocacy for killing
Anyone anywhere.

No one has the right
To take away the life,
Since no one created it.

Who is the extractor?
Come forward and show
Your face if you are
Really brave like the lion,
And justified
What you have done.

Extricate all
With good advice
And proper education.
Darkness and ignorance
Everywhere, dear.
Extremely sorry, I am,
Unable to do anything here.

Gajanan Mishra
Extract Of Essence

What is that?
It is life,
It is nectar.
Our conversation is
Making us to go there
To overtake the fire,
That is there
In our life.

Gajanan Mishra
Extract Of Life

Extract of life,
I want to see
And hear
From you, dear.

I know no one else,
Here, let me clarify.
And here, we are
Both for one another.

No tree, no sky
Can adduce evidence,
That we both are
In good and in truth.

I see the air murmuring,
I hear the fire laughing.

Gajanan Mishra
Extraordinary

All extraordinary
Your legs your hands
Your eyes Your arms
Your nose Your heads
You are thousands and
Thousands in flowers
In leaves in water
In air in stone in mud
O my dear I perceive
And You revealed
Just for welfare of all
You are all in one
And one in all.

Gajanan Mishra
Extravaganza

Come to the adivasis
They are tribals
And see their products
Food plaza, mudhi mansa
mandia jau mandia pitha
See their life very natural.

Come to the adivasis
They are tribals
And see and feel their love
Their way of life
Open and transparent
Their life is a commitment.

Come to the adivasis
They are tribals
Their dances and music
Colorful and fine
Let us go to Dongria Kondh
Paraja Ghumura Gond Koya.

Gajanan Mishra
Extremely Happy

I am extremely happy
You are with me
You are within me

I abandoned resting
Sitting and dining
Just to take Your care
Just to see You
Where You are.

Gajanan Mishra
Eye Sees Different Form

Eye sees different forms
In colors in places
It is nothing but
Interactions of air
And sensation of touch
It is not destiny
But evolution.

Everything has hot its
Own dimension and quality
And also individuality
It is fire and it is appreciated
by its effulgence
It is the constitution of body
Where you can find basic principles of understanding.

Let us see its sweetness in taste
It is visible if you want to see
Here is fire in light or light in fire
That is not the root and it depends on
How you mitigate your hunger
just increase the life-system
With the same components that is well-known .

Gajanan Mishra
Eyelid Protects The Eye

Eyelid protects the eyes
Husband protects the wife
Parents protects the children
Householder protects the beggars
Learned protects the ignorant
King protects the subjects
O my dear it is You
Who protect all here.

Gajanan Mishra
Eyelids And Eye

As the eyelids protect the eyes
So also You are the water
We are the fishes and You protect
And give us life here.

You are the fountain of mercy
And champion of virtues, my dear
You are the sky under which
We fly day and nights here.

We find ourselves alive here
Only for You my dear and we
Cherished unalloyed love
Towards You always.

Gajanan Mishra
Eyes - Anger

Practice - learning
Good behavior- family prestige
Excellent qualities - respectable person
Remember all these are to know
And for recognition.

Gajanan Mishra
Eyes - Good For Nothing

Eyes - good for nothing,
Root of all mischief.
Mind holding the rope
Of the eyes.
Control the eyes, my dear
Control the mind.
By controlling your mind
You can control your words.
By controlling your words
You can control your behaviour.
By controlling your behaviour
You can control your life.
To make your life progress
Eyes with pious vision is but necessary.

Gajanan Mishra
Eyes Are

Eyes are of women,
Ears are of men,
Portrait all.

Let me look at you,
The truth.
Let me show
The moon naked.

Night is burning,
The night is full of snow.

No snow is there
In the moon,
The sun has taken away all.

Scattered misplaced
Sculptures all around.

Gajanan Mishra
Eyes Are Blossoming Lotuses

Eyes are blossoming lotuses in the morning
And sleep ended
New chapter began
O my dear, it is nothing but Your grace.

Gajanan Mishra
Eyes Closed

You are talking
With eyes closed
I know what you
Want to say.
You are the grass
That I know
And it is in trash
And it is crash.

Gajanan Mishra
Eyes Deep

Eyes deep,
The sky is
Under your eyes.
Your eyes is
Looking at me.
The cold-wind
Is there
In the sky.
And I am
Chanting hymn.
The little leaf
Is waiting to
Leap the sky
Leaned at me.

Gajanan Mishra
Eyes- Full Of Tears

Eyes- full of tears
And it is flowing.
Sky- empty here
In this rainy season,
And I am crying.
No rain, no torrent,
I am feeling all vacant,
As you are absent.

Gajanan Mishra
Eyes Have Not Seen

Eyes have not seen
Ears have not heard
And yet I have
Entered your heart.

You are there
Where you are
I know nothing
And I know that
Has been given
Freely to me.

Gajanan Mishra
Eyes Proclaim

Everything okay.

Everything is done
With Your direction.

Life is not a transport
But a way out to get You.

And You are here
In the bright call.

Only a faithful love
Can win in the tussle.

Gajanan Mishra
Eyes With Mind

Good eyes good mind
Fair tongue fair life.

Simple food is good, let us share,
Take good food to make life fair.

And what is fair in life
Fair when we say nothing is ours.

Gajanan Mishra
Eyes, Let Me See

Eyes,
Let me see.
I am here only to see.
I know not
What I see
that is the truth,
that is the only truth.
I am unable to say
What I see.
My words vapour,
Nothing is there
to hear.
Only I see the sky,
Seeing everything vanish
I cheer.

Gajanan Mishra
Ezra Pound

My friend
Folly friend.
I come
I see
Ezra Pound
In Hailey.
Ezra Pound
My friend
Told nothing.
I returned back
With a smile
And it is
Ezra Pound.

Gajanan Mishra
Fabrication

All fabrication,
All fixing
And we are suffering.

No one is for us, true,
All we see is
Crocodile tears.

No one is sensitive,
We are suffering
Mental agony and torture.

But we declared ourselves
Developed and developing.

Gajanan Mishra
Face - The Index

Face - the index,  
But where is my face,  
Who is there to say.  
Who said I am a man,  
But where is humanity  
In me, I am also silent.  
Where I am, no one can say  
Correctly, and I am wandering  
Here there uttering  
So many words, for nothing.  
You said it is all  
Transcendental ecstasy,  
I said, wait,  
Let the curiosity comes to me.

Gajanan Mishra
Face And Preface

Let me read,
Face and preface.
Let me open
The door.
Let me quench
My thirst
With fire.
Life is there
I know
In the moon.
Wolf is there
Enjoying life
All along.
Page by page
Let me move.
Let me read
The prose,
And then
Allow me
To feel poetry.

Gajanan Mishra
Face Difficulties

Face difficulties
Happily
While discharging
Your duties.

for the service
Of others
In a selfless spirit.

O men, Please remain
Unanimous in
Success and failures.

O men, Control yourself
And see yourself
Within the hearts of all.

Gajanan Mishra
Face Life

Fearlessly.
Be courageous
And valiant
In facing life.
Fear not, fear not,
Nothing to fear here.
The ice, the fire,
The mountains all
Are here only to
Welcome you.
I am here only
For you.
I am here to write
The words full of
Bravery, courage
And duty.
Face life, face life,
Life itself is there
With you, in you,
Life is nothing
But it is you
And yourself.

Gajanan Mishra
Face Life Like A True Hero

Face life like a true hero
The world is yours
Take everything
With a joyous heart
And strive hard
You are here to stay
happily and cheerfully
All the time
But be a hero
Be a lion.

Gajanan Mishra
Face Light

Light is dangerous,
Face it.
Nothing to worry,
Think not
About dark,
Dark has no power.
Win ignorance
In light.
Collect views
Each one has
Separate values.
You cannot find
Real life's clue,
That is blue.

Gajanan Mishra
Face Nose Ears Eyes

So on and so on
Face, nose, ears, eyes-
All eternal.
With all,
All are blissful.
All but factual,
The result of
Perfect knowledge.

Gajanan Mishra
Face Now

Face now,
Face then,
Shines,
Not like,
Precious stone,
But like
The moon
And the sun
In the east.

Measure not
The cold
Or the heat,
And all are here
For formality.
Thing is
Each one is a kite
Flies in open sky,
No one knows
No one sees
In skin-eyes.

Let all remain silent
And observe nature,
Let all stay cool
And swim in ice water.
All is everything
In the eyes of vultures.
Brothers, come on
And handover the estate
Before proceeding
Anywhere for anything.

Gajanan Mishra
Face The Situation

Face the situation
With your own
Inner strength.
Watch your diet
And be careful
To health.
Try to avoid
All negative thoughts.
De-stress yourself,
My dear son, and
Go on, remember,
Well begun is
Half done, just
Set out for the journey.

Gajanan Mishra
Face the time, my dear
It is as old as You
And old is gold
As You know
My Father My Mother
My friend My guide My teacher
All are here for me
And I am at this time
Talking to You
With all old words
With new fragrance
All newness afresh
With love and affection
Life I am leading
To achieve perfection
This world is
Full of Your grace
Let me face the world
With wonder like Lotus
And perceive the Truth
That is within me
While facing time.

Gajanan Mishra
Face The Time With Ciourage

Face the time with courage, my dear,  
Only time is trying to cheat you, here.

Master the secrets of life with curiosity  
With confidence and in constancy.

You can climb to any heights, my dear,  
And you can make your dream comes true.

Face the time with courage, my dear,  
And live life like lion at this time.

Gajanan Mishra

Face the trial
Review yourself
And be perfect

Gajanan Mishra

Utter words
And hit it
Records of time
Are with you
If you are
Not there
Nothing is there
Without you
No problem
The time is passing
Taking you.

Gajanan Mishra
Face To Face

Come and talk
And try to solve
Everything.

Face to face
See and watch
And do everything
That is right.

Face to face
face to face
Be a lion
O men!

Gajanan Mishra
Face Value

Face value weary us
And we are to
See scale new.

Gajanan Mishra
Face Value Degraded

Face value degraded,
No face found anywhere.

And works lost meanings,
Failed to know where and
How all are going.

Where is life
And what is life,
The stone is asking, still.

Gajanan Mishra
Facebook

Let me see you in face book,
Let me talk you in face book,
Let me access you in face book,
Let me marry you in face book.

It is all through face book,
and face book is not mine.
Face book is control by another,
My dear, tell me the future.

Gajanan Mishra
Facebook Poems

Facebook poems
Like a lightning
In the dark sky.
If you want to fly,
You may fly,
But see the darkness
All the bays.
Nothing to say more,
You decide yourself
Whether to go
To the core.
Think me no one,
But I am your best friend
With trident.

Gajanan Mishra
Faceless

GO FACELESS
Show not your face.
Everyone closes their eyes to it
with a facade of indifference.
Dare not face the music.
You had better go faceless.
I know you are dead already.
How could you utter a word?
You carry nothing to prove
you are alive- these are the home truths
about you.

Facing Crisis

I am here with my own eyes,
Ears, hands, legs, mood, flavour,
Feelings and still I am facing
Crisis of credibility
For the mistakes within.
What for I am not able to
Discharge my duties conscietiously,
That I am unable to know the reasons
And I am searching it outside.
I should know the need of the hour
At present and I have to keep
In touch all composite parts
With much endurance, strength, mobility,
Flexibility and power.
I have to instill my discipline.
I am proud to see my well-structured units,
Progressions and tempos.
I have to touch the whole new dimensions
In full-fledged manners
Up to the level of stamina and control
To face the crisis in a humble way
For all welfare here at this time.

Gajanan Mishra
Facing Death

Have faith
Devoid of faith
Means facing death.

Gajanan Mishra
Facing The Heat

Facing the heat
We stayed here.

Here it is water
Here it is fire.

Dancing on the ice
We stayed there.

There it is the sun
There it is the air.

Gajanan Mishra
Facing The Indian Ocean

Facing the Indian Ocean
I said, dare not tell
Anything dirty.
Facing the Himalayas
I said, dare not fight
With me at any time.
I know life, I also know
My constitutional position.
I realized who I am,
I know how nice my earth is.
Without any doubt, I can say,
I stand for peace and
I want all creatures good
And stay happily here.

Gajanan Mishra
Facing The Time

Facing the time
With courage
With nectar of sincerity
With perfection of artless love
Made you the great hero
Under this sun.

Gajanan Mishra
Facing The Troubles

Facing the troubles
Caused by our own
Fellow creatures
Of our land
And we are missing
Our identity.
We are to recognize
The enlightened soul
With us for good
And stay blessed.
Let us take help
Of such souls of
This land and would
Stay free of all miseries.

Gajanan Mishra
Facing The Truth

Again and again
And yet again
I am going to you
And it is only for you
I am able to face the truth.

Facing truth is really
More than winning any war.
The daily routine of the self
Is to face this truth
With all reality and go
To the star that is not far.

Star is there with all fire
And with all air and I am
Busy in my work, bright and fair.

Gajanan Mishra
Facing Trouble

Since you are
Not there
And you are
No way related,
I am sure,
You are not to
Face the trouble.
So far as I am
Concerned, let me
Clear the doubts
That are in you.
But I am not
Here to distinguish
The good and not good.
I have no mind,
It is ofcourse, true.
But let me say
Your attachment are
Nothing for illusion.
And I am completely
Aloof from all conceptions.
But I am convinced
Realizing my position.
And I understood
What is there in contradiction.

Gajanan Mishra
Fact

Perceived by the senses is fact
state of things, relation of things
Conscious mental condition - a fact.
Certain objects in a certain order
In a certain place - a fact
Heard and saw something - a fact
Said certain words - a fact
Hold certain opinion - a fact
Certain reputation - a fact
Intention sensation - facts.
Going on facts and using facts
Are sufficient I am not telling
As a poet my dear.

Gajanan Mishra
Fact Is That

Fact is that
You are eternal
But this covering body
Of five material elements
Is perishable and temporary
And it is fact
You transmigrate from
One body to another
By law of nature
That is Your previous deeds
In fact so many transformations
Of matter from one form to another
Is common features
It is Your energy
That is not check-able
I have no hand in it
And there is no cause of grief.

Gajanan Mishra
Factory For Gandhi

What do you mean
By Gandhi
That you are going to
Make a factory
For Gandhi.
Gandhi is not made
By flesh
By bone
By blood.
Gandhi can not be
Made by bricks, cement,
Gum paste, colors.
Gandhi is a consciousness,
Gandhi is a mindset,
Gandhi is a scent.
It is all in humanity,
it is all in love,
It is all in truth.
Make Gandhi your own ideal,
Gandhi is there where you want,
Here, there and everywhere
All over the world,
When you let others
Live in peace
Without any violence.
Each one is Gandhi here
If I want to say in common parlance.

Gajanan Mishra
Factotum

No, you are not,
I am sure,
Factotum. You,
The legislature,
And you,
The judge.
You are the torch bearer,
You are to focus light
For all here.
You are free
To raise your voice
For all good,
For all welfare,
And to establish the truth.

Gajanan Mishra
Facts For Yourself

Facts for yourself
You can see
This is the time.

You can not cover
Anything here
Be in open mind.

You can do the works
That are here to do
And share the process.

Whole trouble is
You are not the only person
For this work.

Think not otherwise
And say a few words
That are for you only.

Gajanan Mishra
Factual Cause And Effect

Factual cause and effects appear reasonable
Self made theories of atheists are of no use.

Know the Truth, my dear and not the theories
Know about the living beings, the manifest world
And know about the ultimate control over them.

Gajanan Mishra
Factual Gain

O my friend, Excuse me
I consider You ultimate truth
And the factual gain in life.

You are here as a means
Of attaining the path of
Salvation only.

Gajanan Mishra
Factual Knowledge

Birth and death,
Very very difficult
To overcome.
I have no means
To go away from
All these.
I failed to understand
The process of victory.
I am dying and
I am taking birth
At every moment.
Though, I am busy and
Engage myself in
Factual knowledge.

Gajanan Mishra
Faculty Of Procreation

In the faculty of
Procreation all
Moving and non-moving
Are the same.

Be a name
And have a fame
Rest no matter
If you have a theme.

Organs of defecation
And thereupon
It is fear
I know you appear.

It is hunger it is thirst
I know in the ocean
Of time that is with me
That is flowing and controlling.

Moon or sun
Both are conscious
And presiding the universe
With true identification.

Gajanan Mishra
Failed To See The Sight

The eyes
Failed to see
The sight.
The ears
Failed to hear
The sound.
The tongue
Failed to
Utter words.
And I am at present
In a area without
Any sight, sound
And words.
Where am I, describe.

Gajanan Mishra
Failed To Understand

Failed to understand,
Really I failed to understand
What is real and what is unreal.
So many sets and all equal,
All are exactly alike.

No dark, no light,
And nothing diminished
In value.

All fortune,
All emblem of the truth.

All appeared,
All beautiful.

Really I failed to understand,
What is happening and what has happened.

Gajanan Mishra
Failing This

First you have to learn
With full confidence
Second you must realized
The subject matter
And you should present
The matter in a suitable manner
For the understanding of others
Value and credit goes to the speaker
Failing this everything is useless labor.

Gajanan Mishra
Failure Is An Opportunity

To do again and to refine
Failure is an opportunity
To know better and better
In a new look
Failure is another way
Of learning the same thing
Failure is nothing
But nearing and nearing
Again and again
That is educating and
Monitoring again.

Gajanan Mishra
Failure Is Not Important

You failed, 
But remember, 
Failure is not 
So important 
As you think. 
Important is 
What you gained 
From your failures, 
What you learn 
From the very 
Experience of failure. 
Your courage 
Your patience is 
More important.

Gajanan Mishra
Failure Of Administration

They are forced  
To commit suicide.  
Wife's rage  
For crop loss  
For debt burden.  
They have committed  
Suicide for failure of  
Administration.

Gajanan Mishra
Failure To

Failure to keep promise
Is a symbol of corruption.
And you promise to see me fully
Open your eyes and see me inside
And see me outside.

Are you really interested to see me
See me I am here
See me I am there
And see me I am everywhere.

Failure to see
Unaware of corruption.
Due to this you are
Unable to keep promise.
Failure to keep promise
Is corruption.

Gajanan Mishra
Failure Yeardstick

Where is
Your measurement rod?
Your very yardstick is failure.

You should know
I am not a horse,
I am simply
A house keeper,
Who has no house
At all.
I believe not
In month and year.

I know not the future,
I know not the words
That are to be uttered.

Gajanan Mishra
Failures Of Administration

Write something about
Dana Majhi.
The editors are telling me.
But why should I write
About him.
The editors are telling me,
You write as because
Dana Majhi has taken aways
The dead body of his wife
On his shoulder.
You write as because
You feel the Govt machinery’s
Failures. But my dear,
I have witnessed nothing
That sort. Nothing new
In the incidents, but it is
You people who have given
Importance in unimportant things.
Birth and death are but common
In this natural system of the world.
Taking dead body of kith and kins
According to the present situations
Are also not new.
Still then, Dana Majhi is the symbol of
Failures of administration
Only in the political point of view.
Forget Dana Majhi,
Dana Majhi has reaped as much benefit
From his dead wife as possible.

Gajanan Mishra
Fair and auspicious omens
Are occurring everywhere all the times.
On the left
The blue-necked jay picked up food.
In the right on a fair field appeared a cow.
In a favorable direction soft cool
Fragrant breeze is blowing.
A blessed woman appeared with a pitcher
And a child in her arms.
A fox turned round and showed himself again and again
A cow suckled its calf
A herd of deer came round to the right
A man bearing curd and fish
All are conducive and auspicious
And I am leading my life here there everywhere
O my dear, why should I fear,
You are here with me, always near and near.

Gajanan Mishra
Fair Play

Let me represent
By my words
Through my language,
For fair play.

No unfairness is alleged,
It is all good and fair
Not like so in
To to.

Errors of law,
Not there.
And we are
Free and fair.

Gajanan Mishra
Fair Weather - You Are Here

Fair weather
No cloud
You are here.
You the hill
Look blue
Though near.
You are better
And always in time
Ever after.
I called you
And you make
Your presence here.

Gajanan Mishra
Fairy Tale

Like others let me tell,
Life is a fairy tale.
Enjoy life, no matter,
Whether you are a
Male or female.
Life is not for sale,
In life, there is
No place for blackmail.
Be straight and in truth
And see you are going
To heaven and never to hell.

Gajanan Mishra
Faith

Have faith
And get it
What you want.
Accept your
Own existence
And see the miracle.
Liberate yourself
By forgetting
The proof of assumption.
Through faith
You can gain
Anything anywhere.

Gajanan Mishra
Faith and character,
Both are necessary items
Of this life for
All time to come.
Saying goes- as a
Man's faith is,
So is his character.
A man's character is
Judged by his faith.
Faith is a state of being,
Conviction, according to
Conviction, fate is there.
Feelings and actions are
According to his faith.

Gajanan Mishra
Faith And Hope

Faith and hope
is sustained.
And present order
of life is
out of question.
Let us change
our own status
with our evolution.

Gajanan Mishra
Faith And Knowledge

Faith and knowledge
Two things to keep
And acquire to rise.

Gajanan Mishra
Faith And Love

Faith and love -
And I want to
Go with both.

I know fog disappears
At the glimpse of sunlight.

The secret of success
Is with one who is
Free from fear.

Gajanan Mishra
Faith And Love Together

Make life beautiful.

And we realized Truth
Reading the revealed scriptures.

And there is elevation in knowledge
After we throw our false ego.

Gajanan Mishra
Faith And Promises

Keep your
Faith and
Promises.
Go not
Anywhere.
stay with
People.
And serve
Them as far
As possible.
Ignore not
Give respect
To each one,
Stay capable.

Gajanan Mishra
Faith And Value

Faith and value,
Love and compassion,
Feelings and truth,
Are the necessary of life.

Gajanan Mishra
Faith In Love

Have faith in love
Have faith in truth
Truth is here with you.

Gajanan Mishra
Faith Is Everything

If you have no faith,
Nothing to say.
You have only a deaf ear
with you, harmful.
Chances may take you
in a perverted way.
If you have no faith,
Sure, you have a fall.

Gajanan Mishra
Faith Is Greater Than God

Distance - I realized
And removed all obstructions
By faith.

I exist
The world exists
And you my dear
Described the factors
That I accepted
By faith.

I gazed at you
And try to acquire
Knowledge of the self
Rendering only service
By faith.

Gajanan Mishra
Faith Is Sentiment

Faith is good or bad
Good faith leads you
To the world of God
Bad faith leads you
To that of demon.

Bad faith is false pride
Good faith is self respect
Self respect is divine
It make you think
About your duty
It make you feel shy
In performing any action
Contrary to spiritual discipline.

My dear, make your faith
Make your conviction
Make your state of being
First clean.

Gajanan Mishra
Faith Is The Root

Faith is the root, my dear
If there is no root
How can you see the roof!

Culture faith,
Faith is the only truth
Remember, my dear,
Whatever is done without faith
It is of no avail.

No faith means useless,
Useless all praise
All regard, all honor.

Faith purified your body
Your mind and your everything,
If you have faith, you have everything.

Gajanan Mishra
Faith Is There As Before

Faith is there as before,
But you stood not there,
As fair as the star.

Explanation submitted
Is not accepted and yet
You are there as before.

You have forgotten who you are,
And for this the shadow came
And danced here leaving the air.

Gajanan Mishra
Faith On Yourself

You yourself, is your friend,
You yourself, is your enemy,

Anyone else, neither is,
Nor can be your
Friend and foe.

You yourself, rather than
Anybody else, is responsible
For rise or for downfall.

You are gifted with
All requisites, my dear,
For doing anything.

Faith on yourself first,
You are your guide
You are your scriptures.

Gajanan Mishra
Faithful

Be faithful my dear,
Do, what you do
In good faith.
Break not faith
At any time.
Keep faith with you
For the sake of love,
For the sake of truth.

Gajanan Mishra
Faithful Truth

Where is the faith
If it is not here
We must search it out
On this day and
This is the only day
That has truth
That is faithful.

Gajanan Mishra
Faithless

Am I faithless
Am I doubting you
O my dear
Give me any punishment
You like
I know my love
Without you I have
No place
Neither here
Nor there.

Gajanan Mishra
Fake

I myself is fake and roaming
Here for your goodsake.
Have patience and understand
My word my emotion.
You are my surity
In this land of nothingness.
I am your security
In this world of happiness.
I am fake coming and going
With a purpose that is not known.

Gajanan Mishra
Fake and vague, it is
All there and we are to
Cross them all.
We are to love, love
Each other under the clear sky,
In storm of the sea.
We are to live together here and
Declare we are the victors.
We are not to turnback
And spend our times,
Looking bitterness of the past.
But we are to smile
Looking forward like
The rising sun always.

Gajanan Mishra
Fake Deal

Fake deal
Great ordeal.
Honest dishonest
Go and kill.

Time and tide
Not hide
I say
Be mild.

Deal fake
World not
Go and shot
Justify plot.

Gajanan Mishra
Fake Happiness

I am really not happy,
But fake happiness
Is there with me.

Gajanan Mishra
Fake-Everything

Fake
All fake
This house
This knowledge
This relation
You and
Also I
Also say me.

Still
I am with You
I am in this house
I am acquiring knowledge
I am keeping relations with all
And telling, look I am here
Doing all sorts of things
That have no pertinence.

Gajanan Mishra
Faking News

O my dear,
Tell me not
honey, honey, honey.
Ants are waiting there
to kidnap me.

Gajanan Mishra
Fall In Love

I fall in love,
With myself and
I have no rivals.
And I am living
Here, as I know
No one is there
To end my life.
Give me recognition
Or not, I mind not.
But you have to
Admit that I am
Living here for ever.
Accept me
I am present.

Gajanan Mishra
Fall Not In Love

Fall not in love
With the moon
And try not to
Catch the moon.

Just see and
Enjoy from the distance,
And think not
About the things
That have already happened.

Birth to death
You are in a circle, my dear,
Know the things
That are with you
That are truth, that are clear.

Gajanan Mishra
Fallen Soul

Owl
I like owl
I love owl
I know owl is
Not a fallen soul.

Owl
The night bird
Of prey
I pray Owl
To plead
For me before Goddess
Of wealth Laxmi and
Free me from foul.

Owl owl
Torch bearer of dark
Friends of farmers
Come near
And eat mouse insects
Etcetera
Of my life and make me
Pure and whole.

O owl
O light-mole
I pray
Teach me
How to go in dark
How to help others
And be a topper
In scroll.

Gajanan Mishra
Falling Down

I am falling down
I know it is only
Due to my false ego
I am falling down
As I am misusing
My independence.

I have given-up
The pure status of consciousness
And I am entangled in the network
Of actions and reactions
And so I am falling down
As I am in material manifestation.

Gajanan Mishra
Falling In Line

One two three
All falling in line.
Words far and above
Scattered with
Four five six.
Call a name and
Go on counting
Seven eight nine.
It is all in zero,
Zero tolerance
All said in everything.
It is all truth,
But all error.
Life is nothing but horror.

Gajanan Mishra
Falling Waves

Falling waves
Are here,
Windy fire
Are there.

And in between
These two
We live.

Our thought
Itself is drowsy.
Our life
Itself is fearful.

Yet we hear music,
We write poems,
Peace exists in name.

Gajanan Mishra
False - All

I have not talked
I have returned.

I have returned
From that hill
Without uttering.

I have returned
Without asking anything
And you promised
To give me everything.

I have not received
Anything and you said
All are false
Our going coming
Returning staying and talking.

And I have said no
To all and I know
No has no meaning.

Gajanan Mishra
False Accusations

False accusations
With ulterior motives
Will not do any harm
And if you are in truth
In right path
Nothing would subdue you
Nor would they defeat or
Intimidate you
And I would like to say
Go on right path
Go with truth and love.

Gajanan Mishra
False Ambition

False ambition
Your ambition is false
Truth life
Your life is Truth.

See life live life
Not with ambition
But in happiness and
In good condition.

Act as per
Diminishing return
And do advance
In self-realization.

Gajanan Mishra
False And Untrue

Allegations you are
Throwing at me
Are false and untrue.
See me, I am the truth,
At this time and for
All the time.
I am not afraid
of being cornered.

Gajanan Mishra
False And Useless

You cannot tell me false
And useless and if you so like
You can touch me, you can test me
Anywhere at any time
For which, see I am ready.

The world is Truth
You cannot say anything
False and useless and this
Type of words should be
Avoided always, keep it in mind.

Restore me to my eternal status
See me in the eyes of the sun and the moon
Glorify the Absolute Truth, my dear
I am always here with You only with You
With all fortune and lights that are colorful.

Gajanan Mishra
False Body

False body, false body,
All are telling but no one
Is ready to go out,
And they are all crying,
Crying for truth, truth.
They are all in negation,
They are all in slavery,
They are all within contrary views.

I am watching all with pleasure,
I am watching what is there, my dear,
And I discover my own existence
With new vision of eternity.
They do agree with me in memory
And they wanted to make an entry.

Gajanan Mishra
False Conviction

False conviction,
Imperfect experiment,
No faith and darkness here.

Gajanan Mishra
False Crying False Tears

It is only in love.

False destruction false creation
It is only in material world.

So many doubts are there
In this world and we live in only with doubts.

Are we false? it takes time
To answer, my dear, just wait there.

Gajanan Mishra
False Distinctions

I know
Between good and bad.
I know
No distinctions
Between friend and enemy.
I am enlightened
By You, my dear
And I am able to
Understand You.
That there is
Nothing new
It is just
Turning of pages.

Gajanan Mishra
False Dress

False dress,
False womb,
False life,
False world.
We are all
In falsehood.

Nothing to irritate,
Nothing to angry,
But see and
Dare to digest
The truth.

Truth is
Nothing and
Everything.

Gajanan Mishra
False Education

False education,
False judgment,
False living and
Yet we are proud
Of all and we are
Telling how developed
We are at present.
We are far from the truth,
It is not unknown to us,
And yet we are telling
We are in a progressive world.
We are our strength,
And yet we are not utilizing
All for greater interest.

Gajanan Mishra
False Ego

False ego
Root of all evils.
False ego
No fruitful result.

Just be an instrument
No effect by actions
Or reactions.

No court of law
Is here or there
or anywhere.

Gajanan Mishra
False Fear

False fear,
We are, see,
All in false fear,
My dear, always, here.

We know better
What is in present
And what is there
In future and yet
We fear.

False fear,
My dear, we all are
In false fear,
Since we think
These bodies as ours here.

Gajanan Mishra
False Fire False Life

Stumbling and falling
Remembering names and
Addresses that is
Inevitable here at this
Stage of derangement.

Death itself is in
Precarious condition
Utter possibility offspring
Little husk liberated
Hoping for next
In this cantonment.

What is heavenly
Is only our lives.

Gajanan Mishra
False Idea

No substance,
No reality.
I am confident,
No doubt, but,
The idea is false.
Truth is glorifying,
I know, but
Where is the truth,
I wonder.
My talk is dry,
My body system is
Faulty and
My progress is
Backward.

Gajanan Mishra
False Mood

Fire is always fire
And fire is ice
When ice turned
In to ice and not fire.
And I see
Both ice and fire
Interchanged at this time
In us when the sun
Is setting and rising
In false mood.

Gajanan Mishra
False Notion

I have not acquired anything
And I cherish a false notion
Having acquired this and that
Having met that person
having done that action.

Gajanan Mishra
False Number Count

Start from zero
Minus count nine eight
Seven six five four
Three two one
Then it is zero
Then go towards minus
One two three..
Result nil
Nil mean not zero
Zero means also not nil
It is your cting chill
That matter, my dear
Comeforward again
To count false number.

Gajanan Mishra
False or true,
But love is necessary.
Day pr night,
But partner is necessary.
Life or death,
But truth is necessary.
Water or air,
But earth is necessary.
To live
We are to fly.
To fly
A sky is necessary.
Sky with light
Our field of living.

Gajanan Mishra
False Prestige

I know you are
Deluded by wealth
Deluded by false prestige
In name only you are
Performing everything
I know you are careless
You are not ready to obey
The rules and regulations
I am astonished you are
Not agree that you are
Staying in the house of another
And you have to leave it
You are so self-complacent
And prudent
You are not caring to you also
That is the matter of astonishment.

Gajanan Mishra
False Prestige And Life

True, we puffed up
With false prestige.
True, we are envious
And disturbing.
True, we are not
Tolerant and no
Self-control is there
With us at any time.

Gajanan Mishra
False Things

Waste not your time
In false things, and
Try to know perfect reality.

Go not with
The jugglery of names.

Everyone and everything
Is the bubble of sea waves.
And for nothing, you are laboring hard.

Gajanan Mishra
False To Say

It is
False to say
We are one.

We are also
Not united -
The truth.

But great and
Unique we are
Here.

Here, but in
Separation we
Are zero.

We are right
And not wrong.

Gajanan Mishra
False, All Are False

False, all are false
This time this space
This act this thing
This condition this happening
All are false and also
This love and your appearance
I know all are same again
With you with me
It is all here non-existent
I know nothing is mine
And nothing yours also
Nor meant for us, see feel
Admit or deny has no meaning
True is not true as
True changes its color shape
Size condition circumstances
Nothing to acquires
Body and spirit
That you can not find separate
Anywhere and it is false
No union is also possible
At any time and also
Nothing fixed as see me.

Gajanan Mishra
Falsely Pious

Falsely pious
Unnecessary lies
And hypocrisy.

Is it life?
And for what purpose?
Please tell
Do not pretend busy.

Gajanan Mishra
Falsity Is Never Condemned

Falsity is never condemned
In protecting from enemy's hand,
When life is in danger,
In protecting truth and faithfulness,
And also in earning livelihood,
In joking, in a marriage ceremony,
Let me conclude then nothing remains
Excluded from falsehood.

Gajanan Mishra
Faltering Is Not Good

Faltering is not good.
Tell a swindler
a swindler, straight.

Gajanan Mishra
Fame

I care not fame,
I am not hankering after honor.
I am imaginative and here.

When the winter is coming to me
With mist and ice
I am the first man
To welcome, my dear.

I am eager to do my duty
As and when I am called for,
I know shirking is a sin.

My valor is in my words,
And I am polishing my words
From time to time with
Changing situation here.

Gajanan Mishra
Fame Fortune

Fame fortune fine speech
Memory intelligence
Steadfastness and patience
You are all in one
O my dear, I know
You are the generating
Principle of all
I know understanding
Is most important
And it is your grace
You made me understand
And you directed me to
Apply my knowledge of
Understanding in practice
And it is necessary in life.

Gajanan Mishra
Familiarity

Do not be familiar
Too much familiarity breeds contempt.
Do not be greedy
All covet all lost.

Gajanan Mishra
Family

Family means
As stated clearly -
Father, and mother
I love you -
F A M I L Y.
Father is the sky
Mother is the earth
I love my father and
Mother means I love all
Those are here within
The coverage of the sky
And on this earth.
I love you means I am ready to give
You all that are with me expecting no return.

Gajanan Mishra
Family - A Blind Well

Family - a blind-well,
A dark chamber,
A bounded prison!

Are all true?
But I carry everything
To you.

The nectar, fragrant clay,
Pious leaves, and flowers.

Family is
In my hearts,
And you are there-
My love, my dear,
My truth and
My everything too.

Gajanan Mishra
Family And Nation

Family is the root
For building any nation,
But nation is the first.

And in here, all great.

Gajanan Mishra
Family Life

With you,
I am full,
And I am
Complete.

We all are
To abide
Rules and
Regulations
Of the society
Prevailing.

No misunderstanding,
But peaceful
And cooperative life
Is necessary.

Gajanan Mishra
Family Members

All creatures are my family members.
This earth, this world is my home.
And at home there is no enemy,
As You know, even the enemy are received
As relatives here at home.
You can not find any fearful situation
Here at home, my dear.
This earth this world is my home
I am not afraid of anybody here.
All are my well-wishers here,
All are my family members here
There is always exchange of
Embraces and obeisances
Here at this home. All the members
Bear same five components
Earth sky light air water, O my dear!
All are within the three principles
Of goodness passion and ignorance.
My dear, You are my inseparable part
I am Your fragment You are the whole
Of all of us here at this home,
We are not at all separate from each other.
What I say that is applicable to all in this vast universe
I am nobody but telling on behalf of all
And I know You are within the hearts of all here.
We are all one and the same here
This earth this world is my home
Here, see, I stay free with all without fear or favor.

Gajanan Mishra
Family Misunderstanding

Take family misunderstanding
As an opportunity to realize
The truth, as transcendental
Knowledge is significant and
Not worldly affairs. My dear,
This world is like the storm-
Centre of the ocean and you
Are to go with it for nectar.

Gajanan Mishra
Family Poem

O my father, You have left me
Why
O my mother, I am rooted
With you
How
O my brother, I am in in touch
With you
Now
O my sister, I am searching you
On the road
Wonderful
O my wife, I am with you
But are you
With me
O my son, where are you
Why I am crying for you
O my daughter, you are
With your awe.

I am confused
Where is my family
Who are my
Real family members
I am not going to
Anywhere keeping my
Family here
My family is going away
From me.

Gajanan Mishra
Family Talk

The world is our home
The cosmos is our family
We should keep the secret
Within the family.

Here is our family
There is love there is hate
There is lust there is vengeance
There is jealousy there is greed
There is loyalty there is betrayal.

We are all here in the family
In this family no body is
Taking birth nobody is dying
And all are constant and eternal.
The world is our home
Our family and it is ours.

Gajanan Mishra
Family Universe

I am composing poem
My wife is trying to distract me.
I do not want to
Let my mind wander away.
I know the poem is for the welfare
Of the family universe.

Gajanan Mishra
Family-Holder

Are you a family holder, my dear
If yes, come on, I care You.
You need no assistance, I know
You are a giver not a taker, I am sure.
You acquired everything the earth the space
I am providing you the air the water and the light
I know though you yourself are all that.
You are calling me and I am present
You are the establishment officer
And not distinct from others.
O my dear, see me I am here in your house
Without you I have no existence I know
You are my pros and cons my sand sculptors
I have the ability to take the futility and wastage of labor.

Gajanan Mishra
Family-Philosophy

I have my own family
With truth and knowledge,
With religion and mercy,
With peace and tolerance.
I have my mystical
Experience of reality
Here in this family.
I am inseparable
From this family
I realized.
I have my own life
Here, throughout
The centuries
With innumerable
Words and
Philosophical systems.
I stay at this place
Forever, I see
No death hovering around.
I engaged myself
In good deeds.
I value others.
And I achieved
Unification with all
With my profound insights.

Gajanan Mishra
Family-Today

Father - busy in cell phone
Mother - watching television
Children - on computer
Members have no chance of
Sitting together
Eating together
Grave-yard of future.

Gajanan Mishra
Fancy Dress

Our body
Our costumes
Our alternatives
And we have no desire
To escape
From ourselves
From these
Fancy dresses.

Gajanan Mishra
Fancy Dress - Child

I am not a fancy dress
That you can take to enjoy,
And throw away as and when you like.

Gajanan Mishra
Fancy Twitting

Twitter, twitter,
Let me twit
In a fancy mood
My serious thoughts.
I know life
As I know you, my love.
Nothing to worry here,
Nothing is there to be taught.

Gajanan Mishra
Fantasy

So I arrived
In passageways
With self portraits
O my departed friend
You are to see
In memory
Wind of time.

Gajanan Mishra
Far Away From Bondage

I know I have
Nothing to be done,
I have nothing
To be known,
I have nothing
To be attained.
I know I am far away
From any bondage.

Gajanan Mishra
Far Away From Me

I know,
You are
Far away.
I know,
I have faith.
I know
And I realize
You are there
In me.

Gajanan Mishra
Far Away From The Sky

Welfare of all
Living entities-
The sole motive.
And for this
We are to move
Forward in an
Unique manners.
Our appearance and
Disappearance have
The greatest impact
On our lifestyle.
We are to take interest
In normal course to go
Far and far away from the sky.

Gajanan Mishra
Far From Truth

I don't want to write
About this eyes
I know what it sees
Is far from truth.

Gajanan Mishra
Far Or Near

Far or near-
Unable to know,
Where you are.
I am not interested
To know who is
Superior and
Who is inferior.
What you acquired
And what not,
I am least concerned
With all that.
But I want to know
How free and powerful
You are here.

Gajanan Mishra
Farce Unlimited

Farce unlimited.
Let us, still,
Hope for the best.
We know, though,
People are
The worst sufferers.
The people are
The roots.
But who cares it.
Real horror is
Not anything else
But the very
Farce of the men
Who are in power.

Gajanan Mishra
Farewell

Who is giving farewell
To whom and for why
Knowing nothing we are
Anxious here and putting
Ourselves in emotional
Environment that is
Artificial and that has
No truth no value at all.

Gajanan Mishra
Farewell To Arms

Farewell to arms
Don't be a terrible man
Don't be a manipulator
Of wealth and power
First ask yourself
I my dear friends
Who you are
And what you are doing
Don't evade justice
Don't be a murderer
Don't steal the future.

Gajanan Mishra
Farmer

See me
I am a farmer
But I have
No food to eat
No water to drink.

See me
I am a farmer
But I am
Deprived of
My farm.

See me
I am a farmer
But I have
No strength
To fight.

See me
I am a farmer
But I lack everything
That are needed
For a right living.

Gajanan Mishra
Farmer Hadu Of Bargarh
Farmers Are Dying

Farmers are dying, wait and see.  
Reason is- debt burden and crop failure.  
We, the writers are dying, wait and see.  
Reason is- no use of our language anywhere.  
But we are telling long live the leaders  
And the leaders are enjoying their lives.  
I am not going to say any other things  
But I am telling, no word is here with me.

Gajanan Mishra
Farthest / Nearest

I know, my body is
Farthest from me
I know, O my dear
You are nearest to me.

At times I see
In a perverted way
My body appears near
You appear far away.

I know, my body is
Not mine and it is
Not under my control
I am unable to patrol.

I need nothing, my dear
I have to do nothing
For myself, it is clear
As I am nothing.

Gajanan Mishra
Fascinating Words

My words are fascinating,
Enjoy my words, dear friends.
I am not a magician, see me,
But the words, I used, have
Their own magical power with
Inexplicable influence here.
Enjoy my words, they are here
Producing surprising results.

Gajanan Mishra
Fashion

Life is fashioned by poem
Agreement signed since time immemorials
Enjoy it in collaboration with
Air light earth water sky and all.

Poem is universal and
everything succeeds like poem.

Gajanan Mishra
Fashioned out of gold, 
And who knows 
The ruler of the planets.

Being the celestial bird 
I witnessed the blue.

Everywhere it is there, 
I am not surprised 
Being the absentee sir.

Gajanan Mishra
Fast

Fast fast fasting
Go on and going with fasting
See your own fast color
With your fast friends,
Be not a fast handed man.
Go on and going with fasting
See nothing fastening
Keep fastness only with you.

Gajanan Mishra
Fast Faster

Fast faster,
Slow slower.
Everything gets here.

Stupid men,
Go not anywhere.

Discover all
Truly hideous things.

Let's be very clear
About love and
About truth.

Life is all-time nectar,
Use it forever.

See the future, dear,
All of us here.

Gajanan Mishra
Fasting For Truth

I am fasting for
The truth.
I know, violence
And war are
At the root of
All problems.
I know, men of
Unrighteous selfishness
Are here, there
And everywhere.
I am fasting for
The human beings.
I am fasting for
All out development.

Gajanan Mishra
Fast-Upto-Death

Fast-unto-death
In front of Governor's house
Only for use of
Our own state official
Language as per
Language Act 1954.

The Govt official
And business men
Are the violators of law,
They must not be allowed
To enter the offices
And open shops
If they failed to read
And write official language.

Gajanan Mishra
Fatal Knife

Fatal knife
Is time.
Time is
The fatal life.

You are going
Withe time.
Time is taking you
Where it likes.

Disturb not,
Stay as you are,
And see that time
Is coming to you
With all that
Are there with it.

Gajanan Mishra
Fate

Fate is in fete
Wait for that.
Slow and steady
Good result ahead.
Nothing dead
Fact that.
You are unable
To understand.

Gajanan Mishra
Fate And Destiny

You can not alter
You can not erase
My fate my destiny.

Owl can not see during day
Tree can not grow leaves in spring
Fate and destiny.

You can not change
You can not alter
My dear you can not alter.

Gajanan Mishra
Fate has no meaning,
Yes, I dare to negate
All meanings of fate.

It is all zero,
Abundance, though.

In air and
In fire,
In mud and
In stone,
I see all earth.

All to go straight,
All to glance,
All to say clear-cut,
With scattered salt.

Gajanan Mishra
Fate Is Nowhere

Nowhere one can see fate,
The fate is nowhere, and yet,
We are telling the fate is against us.
We glance, we wept,
And we get nothing anywhere, and yet,
We are telling we are looted.
In water, we see what we are.
But on land, we are misconceived.

Gajanan Mishra
Fate?

What is that?

I know you are
Just added
To the stock,
Good or evil
That I know not.

And you are giving a name.

Gajanan Mishra
Fateless Man

Rootless knowledge
Affectionless relation
Bodyless soul
Skyless earth
Directionless life
Makes man fateless.

Gajanan Mishra
Father

One who loves me,
One who is in truth,
One who loves non-violence,
Let me called him 'Father'.
Father is here in me, in you
and at every place of the world.
How can a Father face the death?
You can see Father everywhere.
Just call him and see he is present
Just call him and he is doing everything
for you starting from cleaning your latrine.
He is your Father and he is here
with us who save from the enemies
that are within and that are outside.

Gajanan Mishra
Father - Son

You are my son,
I am your father,
We are busy in our
Father-son duo.

No self-interest,
No knowledge,
No ego.

We are both
Recognized by
Each other.

I am the son,
You are my father,
We are not in a deluded state,
But we are in a volatile state.

Gajanan Mishra
Father Forgive Son

Husband forgives wife
Friend forgives friend
O my dear forgive me
Likewise and let me go free.

Gajanan Mishra
Father Is Far Higher

Father is far higher
Than the sky
And it is because
It is the father
Who can only wish
His sons and daughters
Be go higher and higher.

Besides father
No one is there
Who tolerate your
Going upwards higher
Than his own limit
And get happiness,
My dear, see your father.

Gajanan Mishra
Father Is Here

My Father Your Father
Father's of all
He is one and all.
Father is here
Father is there
Father is everywhere
Only to do one work
That is love, that is love.
My Father Your Father
Father's of all
He is one and all.
Father is amiable
Father is presentable
Father is lovable.
Father is here
Father is there
Father is everywhere.
Father, Father, Father
I love You, I salute You.
O Father, You are my all in all
And I know You are
For the welfare of all.

Gajanan Mishra
Father Is Sky

Father is the sky
Mother is the earth
And they both
Arrange food for me
I have nothing to worry
I am here to
Give service.

Gajanan Mishra
Father Is There

Father is there
To provide
Meaning to life.
Father is there
Who lives
With me always.
Sweet fragrance
And father are
One and the same.
Father brings glory
To the family.
The key to solve
All problems are
With the father.

Gajanan Mishra
Father Likes To See

Father likes to see
The son become more
Famous than himself.

Devotee are more
Valuable than the
God Himself.

Readers and critics are
More learned and intelligent
Than the poet and writers.

Gajanan Mishra
Father Said

My father said
Go and enjoy,
I am sure
My father added
No one can
Dare to destroy.
And for this,
I fly and fly,
There I see
The smile of the sky.
Ask me not why
My father reply
And I fell asleep, due to
The feet of the clay.

Gajanan Mishra
Father, O Father

Look, I am here for You
I am offering myself to You
I am offering You all the five times.

Father, O Father
I know, I myself is Yours
This entire universe that is with me
Belong to You from time immemorial.

Father, O Father
I am dedicating to You everything
I know, nothing is mine
I know everything is Yours.

Gajanan Mishra
Father, You Are Far Above The Sky

Far above the sky,
You are there,
My dear father.
Each day, I say,
Father's day here.
I am offering
My prayer, father.
I am yours here.
Father, you are
Far above the sky.
How can I say you
Goodbye? How can I
Let you die, so long
As I am here, father.

Gajanan Mishra
Father-Friend

Trust him,
The only one
To be trusted.

Gajanan Mishra
Fatherhood

No use,
Fatherhood,
If not,
It is in truth.
And what is truth?
Let the father explain,
The living personality
Of almighty here.
Nothing to do
With kith and kins
If love is not there.
My father, your father
And everyone's father,
Where he is, let us search here.

Gajanan Mishra
Life -
Fathomless ocean.

You have to
Keep with you
Endless silence.

Wait, the signature
Would be there.
Worry not, yours.

Disturb not
For anything.

But take leave
And see clearly.

Power of love
Is with you.

Gajanan Mishra
Fatwa

Fear not truth
Fear falsehood.

Fear not truth
Truth reign
Recognize Truth.

Falsehood perished
Let us go beyond Fatwa
Let us buried ills
To serve kith and kin.

Truth is truth
It goes on its own way
Let us move with truth
And truth is in us
And not falsehood.

Go not with fatuous remark
Keeping your arms and eyes
Wide open and accept all
Changes and modifications
In the changing society
And see, with you here, Almighty.

Gajanan Mishra
Fault

An owl cannot see the sun
And for this no one
Can find fault with the sun.
A man of lust cannot give
Proper respect to woman
And for this no one can
Find fault with the woman.
Because of greed a man
Cannot live without wealth
Because of delusion a man
Cannot live without family.
And likewise because of evils
A man cannot perceive
The value of renunciation.

Gajanan Mishra
Fault In You

Neighbour is
Always good.
If any fault is
There, find it,
It is in you.

Gajanan Mishra
Fault Is Mine

I am in fault
Fault is for me
And I am here suffering.

Here is nectar, my dear
But I am missing myself
I dare not say pious
And time auspicious.

Here I am at this time
Here for me I am in problem
I am responsible for not able to
catch the dream, fault is in me.

Gajanan Mishra
Fault Lies

Fault lies
With everybody
It is we
To bear it.
And we are for
Playfulness
We are for love
And joy.

Gajanan Mishra
Faultless

This body is not mine
The soul within this body is also not mine
I love the body I love the soul in this body
I am living here in this body with this soul
As I am living I am faultless
As I am faultless I am alive
I am living to acquire knowledge
Knowledge of Self is the real knowledge
And with this knowledge I can get freedom
I am free here with your presence, my dear
I am the winner as I controlled my wish.

Gajanan Mishra
Faultless- Everything

Faultless- everything
Pious - every living being.

There is no other way
But to praise all.

You can find no discrepancy
In time place person.

It is your first duty
To go with nature.

O my dear, I am here
See me and I am telling, please hear.

I am your protector
Live with pleasure.

Here is the nectar
Take it, it would be my pleasure.

Gajanan Mishra
Faultless Life

Know the truth of the world
And lead a faultless life.
Love is the antiseptic method,
Use it, dear and make yourself
Free from infectious contamination
Of the material world.
Understand life and know the purpose
That is meaningful to all here.
Do all well, dear poet
And follow the principle of the self.
Drive out all negative thoughts
That are within you.
You are here to conquer all
Only through love. right?

Gajanan Mishra
Faulty System

Faulty system
to which everybody
is a part.

To commit crime
is but natural.

Forgive
is supernatural.

Forget is
naturally natural.

To say nay is ours
to our thought
to our work.

To maintain coherent
is nothing but farce.

Comingup Mars
Be caress.

Gajanan Mishra
Favor And Curse

All are same
All is one.

None has
Factual existence
One is all.

It depends on
Situation that you named.

Gajanan Mishra
Favor Me

Favor me
And see
My power.
And I am
To offer
Everything.
I am the worker
And I am here
To do the works
That are with me
Allowed by you.
And all are the truth
As you.
And all good.

Gajanan Mishra
Favourable

Everything would be
Favourable,
But we are to show
In all respect
We are able.

Gajanan Mishra
Fear

Fear the root of all evils
Comes first if desire failed to
Get proper place in time.
Anger the fruits of fear
Comes afterwards.
I not aligned with any group
Stated honestly
Anger comes when I
become distable and perturbed.

Gajanan Mishra
Fear - Let Me Face The Fear

Let me face the fear,
When I utter, I see
The fear is going to vanish.

What is that fear,
It is nothing, but
My ignorance about cheers.

And what is cheers,
It is life, it is love,
It is there in this world.

And the world is for us,
It is waiting there to see
How we use our time
That is in us,
That is beautiful and pious.

Gajanan Mishra
Fear And

Fear and fearlessness
Think, think about it
O my dear, think its roots.

Action that cause harm
Gives birth to fear
Action performed for
Welfare of all cause fearlessness.

Fearlessness leads to
Truth and self-realization
As it is according to scriptures.

I am independent with you, my dear
I am dependent without you
And I am in fear.

I do not want anything
I am liberated, see
I am free from all encumbrances.

Gajanan Mishra
Fear And Despair

Fear and despair,
Despair and fear.
Anger and hate,
Hate and anger.
Life is all,
Life is for all.
Joy and happiness,
Happiness and joy.
Men, I know not
Whether you are
Asleep or awake.
But I know you are
Right and you know
The reality.

Gajanan Mishra
Fear And Fear

Fear and fear,
Where is life in fear?
Overcome fear, my dear,
Remember, where there is
Love, there is no fear.
And hence love and love
And live a life
That is the source of nectar.

Gajanan Mishra
Fear and where it is?
Is it there in Terrorism?
Is it there in Maoism?
Is it there in demonetization?
If it is not there, allow us
To install immediately
Within all.
We know fear is the basis,(93,401),(383,434)
The basis of ruling and ruled.
But fear not,
You have nothing to lose.
We know we are vigilant
And we are not afraid.
We are safe and sound here.

Gajanan Mishra
Fear- Bloody Hell

Fear is the root of all evils
Fear is the bloody hell
Fear not
If you want to
Express yourself
And something is there
With you to tell.

Believe me
If you find some
Truth in me
Face the truth
With boldness
Without fear and favor
and live in cheer.

Gajanan Mishra
Fear Is Another Form Of Hate

Fear is another form of hate
I fear not anything anybody
Means I love all
I know love is the condition
Pre-requisite for all growth
Progress evolution
And transformation
I love all
And my mother is the inexhaustible
Fountain-source of all love
My mother's love is proverbial
And unparalleled.

My mother is with me
I fear not anybody
My mother has put nothing
But love in my heart
And always I am cultivating
Cosmic love and for this
I am able to transform
My enemies into friends
And I am in peace plenty
And prosperity
My mother teaches me there is
Nothing and nobody as
Pious-wicked, rich-poor
Saint-sinner
All are one and same
The product of love
My mother's love
Protects all
Tears the veil of ignorance
Liberates all
My mother wants there should be
Peace amity happiness
Prosperity and harmony on this earth.

Gajanan Mishra
Fear Is But Natural

You are a poet I know
With full power
The world is at your hands
And you control the world.

You are the director
You are the producer
Of this world
You are the hero
You are the villain
Of your own.

Fear is but natural
But fear not my dear
Play carefully fearlessly
You are a successful actor
I know my dear fear not
Here always see light
And here there is no dark.

Gajanan Mishra
Fear Is Caused By

Fear is caused by
Something other than truth.
Come to the truth
See the truth
Live in truth
And stay fearless, my dear.

I know You are the truth
You are within me
Certainly I have no cause for fear
Certainly I experience life with You
And You are trying to make me truthful
I know You are the source of all truth.

I feel confident with Truth, I know
You are within me and destroying all fear.

Gajanan Mishra
Fear Is There Within Us

Fear is there within us,
We are here to learn
How to tolerate and control
And overcome all.

We are living creatures,
This world is at our hands
At present and we are together,
We are to take our own care.

Nothing but love within,
The problems that are arising
Will not be there as you think.

Have patience and stay,
Remember, my dear, nothing is
Permanent here, nothing is bad so far.

Gajanan Mishra
Fear Life And Not Death

I fear not death
Death is not mine.
Why should I fear death?

When I have no connection
With death I do not care death.
Death is going on its own way
And I am absolutely separate
From death and in no way
Related to death.
Why should I fear death?

Rather, death is doing
All good to me
Death is taking me
To more beautiful places
And trying to make me
A wonderful adventurer.

Death is my dearest dear
My well-wisher
My guide, my teacher
My father my mother
O death, I love you
And when there is love
There is no need to fear.

And death is not here
To put me in any pressure
Death is going on its own way
I fear not death
Death is not mine.
Why should I fear death?

Gajanan Mishra
Fear no more the night
For night is not the night,
But it is a scope to fight,
Fight for light.
And light is full of mystery,
Mystery is your own life-history.
And in a strange voice
You are there to describe.

Gajanan Mishra
Fear Not

Fear not
Death is not coming
Keep fearlessness
With you as your first quality
You are praying before me
You are worshiping me
You are taking refuge in me
Live here totally fearless.

Gajanan Mishra
Fear Not Dark

Fear not dark,
Dark has everything
To give you.

If you are to fear,
Fear the light,
That has failed to
Reflect you
In the way
That is right.

Fear not the air,
But fear the flower
That has no scent.

The dark has kept light
Poems only for you.

Gajanan Mishra
Fear Not Death

Death is the gateway
To life eternal.

Fear not chains
The chains have auto-break
Just attach yourself to nothing
And no one.

Gajanan Mishra
Fear Not Fear Not

Fear not, fear not, my dear men,
Kill him who is torturing and
Doing harm to your mother,
And punish him who is not
Using your mother language
On your motherland.
Fear not, fear not, my dear men,
You are free and sovereign.
And by doing so, no sinful
Reaction would occur,
Rather all good fortune
Are there unto you,
You are to liberate yourself
By going with this truth.

Gajanan Mishra
Fear Not Man - You Can Never Fall

Fear not man,
You are not a sinner.
You are my dearest dear,
You have power to reach heaven
In near future.
But be cautious, the road is slippery.
But nothing to worry, you know how to surrender,
The agony, evil trait, ignoble thought
And immoral habit all are here to disappear.
Keep my words in your mind, you can never fall
All love, all blessings, all truths are with you all,
Just in clean hearts and open mind, give me a call .

Gajanan Mishra
Fear Not The Dog

Fear not the dog
Fear not the world.

Face the problems
Face the world.

Friends, you are the winner
Friends, live like a runner.

Fruits are there in your actions
Fruits are coming to you, accept with motion.

Failure is not written anywhere
Failure is not there in your destiny.

Gajanan Mishra
Fear Not The War

Fear not the war
But be a follower of peace.
Fear not the Master
And rendered good service.

Being a son
Take care of your parents.
Obey the husband
Being a good wife.

Tell not a lie, O men,
O minister, work for the interest
Of the country and see
The welfare of all first.

Being a judge
You engaged yourself
in illegality,
Remember, no excuse.

Mother is clear in hearts
To all that I know here.
Pay something in return
after learning from the trainer.

Don't be a rascal
Being intelligent and wise.
Live and let others live
To drink the nectar of life.

Gajanan Mishra
Fear Not Worry Not

Fear not worry not
You are here with me
And see and feel my
Mentality is playful.

I am here with you
You are here with me
Nothing to utter
Pitiful words here.

Close your eyes and feel me
Open your eyes and find me
I am here I am there
With you in your love and devotion.

Gajanan Mishra
Fear Not, No Where To Fall

Fear not, no where to fall,
No question of downfall.
No confusion, see life clear.
Only admiration is there
For virtuous actions,
Be aware of evil actions.
No one is allowed to
Give explanation
Life is more than expectation.
Only expression matters
Think about life,
Life is not for fear, but for cheer.
Duly perform duty, my dear
And get nectar.

Gajanan Mishra
Fear Nothing

I fear nothing, my dear
I know He is here
To give all protection
In all circumstances.

Gajanan Mishra
Fear Of Death

Fear of death
Fear of death brings you
Vishal here.

I know you can say I
Care not death
And it's okay.

But death is here
You can not deny.

In the light of
This truth Let me
Say more and more
Let me dive more and more
Let me fly more and more
Till the ocean dry itself
Till the sky ends itself.

Vishal, my dear poet
You will not die
It is I who will die
With the air
With the sky.

Gajanan Mishra
Fear Of Publication

Fear of publication,
Fear the publication.
Publication and fear
Interlinked here.

Figure and measure
Interlinked here.
And we all fear
Ideology near.

Customers are needed,
Educators are needed.
Reactionaries are most welcomed,
And we welcome those
Who are gaining ground
Here for all time.

Gajanan Mishra
Fear Reliever

Fear reliever
Is ready to appear
Just give a call, dear.

Yourself,
You should offer,
Nothing to fear
But stay with nature.

Take shelter
And surrender,
There, your protector.

Why suffer,
When near.
Give a cover
With that monitor.

Gajanan Mishra
Fear The Truth

If you are to fear, my dear,
Fear the Truth
And fear not
Thieves, robbers, Govt officers.

If you are to love, my dear
Love the truth
And nothing but the truth
Remember, truth alone is here.

Gajanan Mishra
Fear the unknown,
Fear, not the known.

Say not anything,
Think not anything.

Cut to present and
Rediscover yourself.

Truth and love, both
Both are in you and
Through these
Solve all problems.

Tell never bye bye,
Nothing and no one
Is going away
At any time from you,

Gajanan Mishra
Fear, Fear

Here it is.
And I pray
Before You
And I am fearless.

O my dear,
I am fearless
Only for You.
You are hear
The cause of fear.

Fearlessness is there
When I am pure
In mind and in heart,
And I am straightforward.

Gajanan Mishra
Fear, Go Back, Go Back

Go back, fear, I am not here
To accept you.
Fear go back, go back.

I am going to the ocean,
To measure the depth.
I am flying in the sky
To measure the width.

Fear, go back, go back.

Fear me, fear,
I am somewhere
Within you,
I am the truth.

I am extraordinary, love, and
I am like the shop of jewelry.

Gajanan Mishra
Fearful And Disturbed

I am fearful
And disturbed
O my dear, here
I am unable to
Find any other
Shelter and see
I am surrendering
Myself before You
You are my only
Supreme friend
Only well-wishing
Friend of perfect order
Do whatever you like
At your feet I find no danger.

Gajanan Mishra
Fearful And Fearless

Who is fearful and
Who is fearless
Not easy to say
Here on this earth.

It is your commitment
That would say how far
You present yourself
Here at this hour.

It is your ruin
That would say
What is there
Not I not you are.

Gajanan Mishra
Fearful Omen

Something is going wrong somewhere
Something has happened somewhere
That is against the rule and law of nature.
I find You not there not here
I see the direction time changed
Disruptions in the seasonal regularities are here.
All are very greedy very angry very deceitful
All are adopting foul means of livelihood
No connection no relation no flowers no fruits.
Nobody has any higher objectives in life
Everybody thinks this earthly life of a few years is all in all
This is the age of degradation, as all are in ignorance.

Gajanan Mishra
Fearful Omen-2

Cheating is everywhere
In all transactions and dealings
Polluted family polluted friendship
Misunderstanding is there
Between fathers mothers sons
Between well-wishers and brothers
Husband and wife are busy always
In quarrel and strain
There is malpractice and imperfection
Hypocrisy counter actions disparities
All are having unnatural desires
That rule over this material world.

Gajanan Mishra
Fearful World

Fearful world
And here I am
Staying carefree
Only because of You.
You attract everyone
To Your Truth
You assume the truth
You sing dance play in truth.

With You with love
Forever You give me
This chance to serve
I speak to You
I write all only for You.

About the goat
And I am okay with report.

Field Of Righteousness

This body, yes, this body is
The field of righteousness.
It is a battle field and
So also a place of pilgrimage.
You are to know here about
The warrior, about the battle,
About their intention and
The way to tackle the situation.
Here in this body, you can get
Everything that you want,
Here through this body you can
Cross the ocean of all odds.
Through this body, you can
perform actions for all welfare.

Gajanan Mishra
Fiery Air

Fiery air,  
All around  
And within.

We are  
In unhappiness,  
We are careless.

Everything is  
Going to the sky.  
We are unable to fly.

What happened  
To our goodness,  
To our power.

We are fired,  
We are tired.

This world is  
Not ours,  
We are no more  
Belong to  
Truth and love.

Gajanan Mishra
Fiery Flame

Fiery flames
In the forest.
Pins hope
On wind energy
Smashed at doorsteps
No spine left.

And we are alive.

No good care from anybody
And we are alive.

No shed no water
And we are still alive, my dear.

Gajanan Mishra
Fifty-Eight I Am

Fifty-eight I am at present,
And you?
I know not
Where is the truth,
And what is there in you.
But I am confident
Some day or other,
The truth would
Come to light,
And all know
How shrewd we are,
And we are staying
With shrewish.
The sibylline would say
What is going to happen
And when.
Of course, we are cured,
Your Highness, and
We sick performing
All rituals.
Reasons- baseless
And all boring.

Gajanan Mishra
Fifty-Fifty

We share everything
Fifty-fifty and still,
See my pocket is empty.

To believe,
As I care not
The things,
That are there
To destroy me.

There is nothing
That can put me
In trouble,
Called time.
I know, time
Is a discarded thing.

Gajanan Mishra
I care not a fig
I see auto merging
Everything with truth
I know no use
Will-o'-the-wisp
Phantasmagoria
You take yourself
Everything I know
All in the line of
Auto merging
And You are always
Busy in Your works
Of liberating
Some called retiring.

Gajanan Mishra
Fight

Strong enough to win the battle
And how far you have studied your own life
Your own society and rectified the defects.

Gajanan Mishra
Fight Alone

Fight alone is the destiny
And here see the marks of
Enlightenment with wisdom.
Encounter hatred and malice
With unusual love and it is
All yours with all divine virtues.
No downfall, no distress,
Give not any foolish thoughts
At any time a free hand.
Remember, who you are and keep
Control with you in all the situations
You are facing all the times alone.

Gajanan Mishra
Fight And Fight And Strike

Fight with time,
Fight with space,
Fight and fight,
Fight and strike.
All are victims,
All cry for
Peace and prosperity.
Fight for life,
Fight for water,
Fight for food,
Fight for prestige,
And fight sincerely
And honestly.
Fight with
Perfect sound,
Fight to glorify
The self.
Fight with numbers,
Fight with letters,
Fight with love,
But fight and fight.
Fight and strike,
Strike to show
You are present,
To say you are
Capable enough to
Do anything
At any time anywhere.
You are not to
Revoke history
But to remould it
In a different way.
Way, you adopt
Is the right way
In this life.
Life you live is
Full of the fight.
Gajanan Mishra
Fight and live.
Show your strength
and say you are living.

Gajanan Mishra
Fight And Smile

Go on fighting
And go on smiling.

Care not the cash crunch,
That is not an issue
To feel sorrow.

Sophism is
In no way helpful,
But stay cautious, dear.

Sometimes so many things
Happen, but we are to
Somehow cross over it
With our inner strength.

We are to drive out
All somnolence from us.

Gajanan Mishra
Fight Is A Fight

Fight is a fight
After all
In a fight
Loss is a must
And hence
Avoid fight always
My dear
Say it to never.

Gajanan Mishra
Fight Is Always There

It is true between
The strong and the weak
It is Your desire to
Save the weak from
The clutches of the strong
My dear, it is Your aim
To make a balance with all
By a standard and the standard
Is framed by Yourself.

Gajanan Mishra
Fight Is Continuing

Fight is continuing
Within me all times
Between good and bad
Between gods and demons
And I am here to sacrifice
Myself for both
Let all enjoy their
Life as they wish.

Gajanan Mishra
Fight Not

Fight not
With anyone
For enjoyment,
For enjoying
The body.
Fight for
The right,
Fight for
The right cause,
For the mother,
For the motherland,
For mother tongue
To establish your
Own identity.

Gajanan Mishra
Fight Of Elephant And Crocodile

Fight of elephant and crocodile
Is going on in water and out of water
Both have enthusiasm physical strength
And power but when the fight is in the water
The strength of the crocodile is greater
I know it is a fight between the body and mind
And hence there is no need to give up the fight
Let see who is keeping the Truth with him
And taking shelter at the feet of Almighty
And try to save himself from danger
Be wise and take the correct decision, my dear
To know the Ultimate Truth
Be pious and be perfect but my dear
But as you are going with your material body
And there is chances of accident
You must take care yourself and pray the almighty
To counteract danger and pray for rescue.

Gajanan Mishra
Fight Or Flight

Fight or flight
Same thing
Do or die
And in the process
Both are abnormal
And unbalanced
You are not to
Stay where you are
And nothing is there
That adversely affect you
In this stress-full world
If you are consistent
And effective in you
In regard to fight and flight.

Gajanan Mishra
Fight With Self

We are bound by
The shackles of illusion,
With no potency to go out
Freely as per wish.

The root cause of
Sorrow is the mentality
Within us.

We know our fortune
And we are in loving service
For all good.

We are innumerable, we know
And still we are going to
Face the loss
How dare you to say so!

Gajanan Mishra
Fight Within

No cause no effect
And remains absorbed
With dark with light
No light no dark
And remains absorbed
With cold with heat
No heat no cold
And always engaged in fight
Fight is with in
No loss and no win.

Gajanan Mishra
Fighting

What for
All these
Fightings.
I know
Nothing.

I know
Nothing.
On a dead
Flower
What for
You are
Watering.

I know
Nothing.

Gajanan Mishra
Fighting For Language

Fighting for language,
But fighting like
Cats and dogs.
Such type of fighting
Is useless, remember,
For approaching the truth.
Materially concocted language
Is of no use here or there.

Gajanan Mishra
Fighting Self

Fighting with self
Till end and no end
Doctrine of lapse
Turned autogear.
Contrary pulls continue
Consideration value
Not paid
Procurement stop earlier.
Game costly and delayed
Misplaced somewhere
Somebody and something
Not active
Product enhancer.
If so like
Any one can go
To see correctness of
Tender fixing
Collaboration failed
With manufacturers.

Gajanan Mishra
Fighting With The Sky

I am busy always
In fighting with the sky.
Ask me not why.

I am free to do
Anything here and
As you know I am not answerable.

I know nature
But I cannot say
What is there.

I know everything
And everyone is pure.

I do not want to
Speak about purity
I have no time, see.

Gajanan Mishra
Fighting Without Being A Party

I am no way connected
See, I am fighting
Without being a party
To such fighting.

I am not fighting
And you declared me
Supreme winner
Really great you are.

What you see in this
Fire in this air
That is all yours
As a whole I am yours.

Gajanan Mishra
Filled - Everything

Filled - everything,
Heard and touched,
Seen, and taken over.

Not here, not there,
But everywhere the same
Earth revolves, evolves.

Hands and legs cut,
But no words, no weapons.

Everything is there
In the womb,
And life got everything.

Sky and earth joining
Here and there, and I
Found no difference.

Gajanan Mishra
Filter The Time

Filter the time
And use it, dear men.
For you only
The time is here.

It is crystal clear,
The crystal ball is
With you, der men,
Throw it, aiming at
Humanity and love.

You are in eternity,
Dear men, full-time,
Server you are,
And for the truth
You have acquired life-juice.

Gajanan Mishra
Filthy Matter

Filthy matter
is being seen
by you.
What shall I do?
You are telling
everything filthy
How can I change you?
I am here,
You are here,
Each and everything
is here,
Changing all is
being done by time
when it is due.

Gajanan Mishra
Final - Nothing

Final - nothing
And nowhere.
But everything is
Just starting.

What do you mean
No need to say,
But I can understand
Everything in details.

No point to stop,
Nothing to dissatisfied.

The refusal has no meaning,
When everything is
In process for a definition
Not final.

Gajanan Mishra
Final Battle

Final battle
Is going on,
Do or die
For land
For language.
You are for you,
You are free
And for truth.

Gajanan Mishra
Final Beatitude

Final beatitude,  
I know You are, my dear,  
And I know You are  
The Ultimate Truth.

You fulfill the need  
Of everybody here, my dear,  
You have unconquerable energy  
I know, You are abode of infinity.

Gajanan Mishra
Final Call

Listen,
Final call-
Do or die.
Spectator is
There the sky.

Things are
Moving very fast,
Just watch.
Something is
Going to happen,
But how and when
And why - don't ask.

But something is there
In deadwood with young blood.

Gajanan Mishra
Final Destination

I know my final destination
I know who You are and how You are
I am always measuring my own
Height and weight time and again.

My final destination I know
And I am here for this reason
With Your advancement and
Merciful actions.

Gajanan Mishra
Final Saying

The final saying is,
I think, love
And truth and
Forget and Forgive
And live in peace.
Peace is restraining
The self from
Interference in
Others’ work.
Stay alone
With all in
Oneness,

Gajanan Mishra
Final Touch

Final touch,
But touch not finally.

All of you go there
And be careful
For the last touch.

It is true,
It is all fascinating.

Life itself is there,
On the open field
Where you can do
As you wish.

But take care,
It is not so easy
As I said.

Gajanan Mishra
Final Word

No final word,
No ad infinitum,
Still, we adieu
For truth.

Short - the life,
And we long for
So many things,
Not known- for whom!

Gajanan Mishra
Finally You Have Caught It

Finally you have caught it
And you can not say
What inspire you
And the hawk flew.

Gajanan Mishra
Find Everything

Finding everything in me
Is your greatness,
Seeing everything in my poems
Shows your wisdom.

Gajanan Mishra
Find Everything Everywhere

Find everything everywhere,
And nothing nowhere.
Truth not there,
But it is there.
The end and the beginning
Are at the same point.
Hear the loud
That is so silent.

Gajanan Mishra
Find Fault

I do not find any reason
Why you are going to
Find fault with others
When you already know
It is nothing but nature
And nature is not under control
When you already know
This is not yours
Why you are going to
Acquire all those.

I do not find any reason
To oppose to adore
And I am also not going
to say all are futile
And I can not say here
What you are doing is style
In this rush road and
Waste time for nothing
What is time after all
For a dead man and I think
We are all going towards that.

Gajanan Mishra
Find Here Truth

Find here, truth,
On this boat, on this
Boat of knowledge.
Find truth,
Multidimensional.

Gajanan Mishra
Find Him

Someone is hidden
Within your own body
Find Him.
Someone looks
Alike you
That is the truth,
Locate Him.
Point your finger
He is here
With so many colors.
Count not
He is beyond number,
Beg not
He himself is the beggar.

Gajanan Mishra
Find Me, I Am

Find me, I am
Here, there, everywhere.
I am the man
With air and fire.
I have my
Own words and stars.
I am here, there,
Always everywhere.

Tell me who I am?
I am the face,
I am the grace.
I am my own man,
I am the intellect,
I am the brain.

I am the flower,
I am the scent.
Tell me who I am?
I am the present
I am the past
I am the future.

Here, there, everywhere
Search me, I am.
I am yours
And I belong to all.
Pluck me, I am your luck,
I am the truth, I am your love.

Gajanan Mishra
Find No Culture

At the end of the literature,
Find, no culture.

Hear the sound,
The play of
The air and the water.

No bird is there,
The sky is the silent
Spectator.

Wonder not,
But come in
For your own interest.

See and recognize
Who you are
At this juncture.

Gajanan Mishra
Find No Distress

Find no distress
If you are self-satisfied.
There is happiness everywhere
If you are self-satisfied.
Everything is auspicious
If you are self-satisfied.
You can walk on pebbles and thorns
And there is no danger if
There is suitable shoes on your feet.
Love is the panacea and if you love
There is no danger of any kind
And you are never victimized by any law.
O my dear, here there is no distress
In this empire of love and Truth and trust.

Gajanan Mishra
Find No Enmity

Find no enmity
Towards anyone.
I am fine
Without any
False prestige

Is an eternal
Process in which
We all are partners.
And we are passing
Through so many stages
That are framed
At this time here.

Gajanan Mishra

I am there,
You are also there

What they are telling

Only citations are there.
Believe in happiness
And go on voyage.

Gajanan Mishra
Find Out The Root

Find out the roots,
Pluck out the fruits.
Pluck up courage and
Go forward.

Dry up your body,
Loss, not the source of life.
Mercy of time is there,
Go forward.

Keep reference of all,
Affection is there.
Give a leaf or a flower,
Go forward in the air.

Find Owls

Hot, warm and cold,
Find owls -
With large heads, flat faces
And forward-looking round eyes
Like God Lord Jagannath.
Find owls - birds of prey,
With hooked beak, feathered legs,
And powerful claws.
The owls have a thoughtful expression,
And they hunt with noiseless flight.
Dear owl, symbol of my soul,
Easily I can recognize you
In dark, my truth. I know,
You are there to give new light

Gajanan Mishra
Find Purified

Realize the truth
And on truth-realization
You find yourself purified.

When you find yourself purified
See that your speech your family
And property all are purified.

When your body is purified
See that there is no attachment
No egoism and truth is with you.

Gajanan Mishra

It is air,
It is water,
It is earth,
It is light,
And it is the sky.
Do the needful
For all good.

Gajanan Mishra
Find The Best

Find the best,
All here.

Introspect the self and
Be a better human being.

Love and live
Comfortably here.

No element is here
To break you from truth.

Take easy,
Nothing is difficult.

Have faith and
Go ahead.

Nothing professional,
But everything is personal.

Gajanan Mishra

Search and find,
Find the enemy first
And take actions
Against it.

Get not infatuated
By the enemy.

Gajanan Mishra

Find the life here
And find the life there
In water and in air.
Keep going, my dear
And live with your thinking
It is nothing but believe.
Let us see the eclipse
And that enable us to survive.
Life is one of rescue effort
Just take its care.

Gajanan Mishra
Find The Moon

1

Find the moon
Find the moon.
Is it there?

Tell me in
Clear voice
If you can, yes
Yes, it is there.

Find the moon
Find the moon
How is it?

Tell me in clear
Voice in clear voice
It is like my face
It is like my face.

2

And the moon is not there
And the moon is not there
Only I see You in fire.

O sun, how is it
You have kept the moon
Under your chair
Without taking any care?

Still I do admit
You are the creator of all here
Still I do admit
Your mighty power over all.

It is You, O sun, and never doom
Who is the father and also the lover of the moon
It is so cool so calm so quite I feel this January noon.

Gajanan Mishra
Find The One

Find the one
With whom
You can share
The stage of life.

With whom
Your pastime of
Love enhanced.

Go with the sport
Enjoy infinite
And limitless.

Gajanan Mishra
Find The Success

Find the success within
By eliminating impossible
It is the only Truth.
And my son is listening me
Without any interest
As he cares not the Truth.
I can change your words
This is world of give and take
See my dear father he uttered.
I am with my son now
Far from the home
And received no message from any crow.

Gajanan Mishra
Find The Truth

Gajanan Mishra
Find The Truth Out

The truth is the only thing here,
Find the truth out.

You are not separated from the truth
Find the truth out.

Find the truth out,
You have the capacity to know the truth.

Gajanan Mishra
Find Yourself There

Find yourself there,
Discover within,
And get a woman.

A letter - a woman,
Costly gem,
Inherent worth
And with an inclination
To serve free,
As said poet Shankar Mishra.
And he is right,
I do admit.

A woman-
A self-sacrificing candle,
And she knows well
How goats and lions
Can be peacefully handled.
She has an inevitable ability
To sail the ship of life
With her own wheel.

True, the woman has
Cane's flexibility,
Rock's firmness,
Visionary prowess
And everything for
All out development
And progress.

And she lives for others,
She is the mother,
She is the daughter,
She is the sister.
She is the last one
To see and tolerate
When anyone suffers.

A woman- the true leader,
I find endless bliss
All around her.

* Written after reading the poem "The attributes of a true leader" by poet Shankar Mishra. I am grateful to the dear poet.

Gajanan Mishra
Finding Fault

Is a great work
In speech in action in thought
You are to see yourself first
In truth in love in bliss
You are to see others first
You are free nothing to disbelief
You are taking birth you are dying
Nothing to disbelief
Snap and strive matter only to belief.

Gajanan Mishra
Fine Words

Fine words -
God loves those
Who love the poor.
No poor my dear
I want to know
The poor in
The present context.
And what for poor
Who is responsible
For being poor
My dear tell me.

Gajanan Mishra
Finer Than The Finest

Finer than the finest
This beginning and this end
And this beginning and
This end is crossing all limit.

Finer than the finest
This brain and this health and
This brain and this health is
The necessary element of heaven-set.

And the purpose is not served
By all these biosphere, my dear
I fear, I will not be there in this atmosphere.

Gajanan Mishra

In water and in the air.

All light - life,
Just a return journey - life,
With all vowels and consonants.

Gajanan Mishra
Finished Product

Yes,
Man is a
Finished product
Of nature.
But mystery is there
All around the man.
Search the truth,
Therein and
Discover all nectar.
Enquire and respond,
Realize self-identity.
Yes man,
You are the nectar,
You are also the horror.

Gajanan Mishra

Fire - Within Me

Fire,
See the fire
Within me.
The fire is
Going on its own.
I am no way
Related to the fire.
Fire, fire is there,
But I am not there.
There is the bird
Who is busy in flying,
There the clouds
With rain, coming
And going for nothing,
There is the air
Flowing and watching
What is going on
In between.

Gajanan Mishra

Liquid portions of food.

They both are here to
Illuminate and nourish me.

I know the world has no existence.

Fire And Fire

Entire earth is on fire  
You are on this earth-fire  
Stay here with care.

Search out and say  
In this fire in this mire.

Mire and mire  
You are in this world-mire  
Stay here with care  
O my dear, where you are  
Handle me in all goodness there.

Gajanan Mishra
It is only fire,
Fire and fire,
This life is
Only in the fire.
Fire is there
Everywhere, here
And there with desire.
And with it,
We suffer and
We burnt to ashes.
No cold, no rain,
No love, no
Heart to heart touch
And life in vain.

Gajanan Mishra
Fire And Fire In The Area

Fire and fire in the area,
Seen and unseen, reason not fair.
All life - one,
All face the danger,
Nothing to gain,
But the loss is there.

Stay simple, get the victory, take care.

Gajanan Mishra
Fire And Forest

Of all creature,
Still, no one is
Ready to take me
Into confidence.
I fire at them,
But who are they!
I know not and still
I am there with them.
I know, all are equal
And all are in safe.
Yet, I fear, and
I know fear is there
In everyone here.
And only for fear
No one dares to go
Outside this home
And flourish
With respect.

About sky as you know
Sky is action-less
Here I am with you
Unchanged.

Gajanan Mishra
Fire Brand - Judge

Fire is fire,  
Rightly said fire  
Should never be  
Taken as weak.  
A judge is fire-brand  
But the judge must not  
Deliver the judgement  
Under prejudice or enmity.

Gajanan Mishra
**Fire Breathing**

Fire breathing
Believe it or not
I am living.

Fire breathing
Body turning fossils
With huge canine teeth.

Fire By Smoke

Fire by smoke
Duties by defects
Life by death.

Yes

And it involve violence
And it is desirable
Also undesirable
And undesirability is a defect.

Because of heedlessness
Or error.

The element earth transformed
In to water and water

Of space and that space is within us.

Of origin of all
that is final and all.

Gajanan Mishra

By my efforts
It can only be extinguished
By Your mercy
By the clouds and
Pouring water on the forest
I know cloud is Your

O my dear, I am calling You
In this forest to enlightened me
And save me from all calamities

You are maintainer
And I know You are the destroyer
Of this world-forest.

Gajanan Mishra
Fire In Mountain

In the fire,
Beyond control.

Gajanan Mishra
Fire In Water

Here is the fire
In water.
Here is the water

Gajanan Mishra
Fire Is But The Life

Fire is but the life, we live fire-life,
I have evolved in the presence of fire
And how can the fire burn anyone here or there
Without any reason.
I am not here to believe
That the fire is our enemy,
But we are here to use it
In the proper way for all welfare.

Gajanan Mishra
Fire Is Different

Fire is fire and
Fire is different
From its fuel
And likewise, my dear
You exist in my body
And You are different
From this body.

There is nothing like
Tiny fire and huge fire
Likewise my dear
You are neither small
Nor big in any body
Though the body appears
Either big or small.

Fire is self enlightened
O my dear, You are
Within this body and
You are self-illumined
You are the primary element
And You are Yours
Brilliant reflections.

You are everywhere
But You are unseen
Like the fire in the wood
You accept the characteristics
Of the body as the fire
Appear and disappear within
A particular objects.

Gajanan Mishra
Fire Is Everywhere

Fire is everywhere,
See, feel and say, fire,
I love it.

Fire is the same
with the poor
and with the rich.
Go not before fire.
Come here and touch the fire,
and be fired.

Gajanan Mishra
Fire Is Fire

Fire is fire
Blazes in different ways
According to the shape
And dimension of firewood.

Soul is one and the same
And it manifested in
Different types of bodies
From a combination of
Material nature time desire
And occupational duties.

My dear, associate yourself
With the spiritually advanced

Gajanan Mishra
Fire Is In The Wood

Fire is in the wood
When the fire comes out
It burns the wood.

Gajanan Mishra
Fire Is Not Here To Harm

Fire is not here to harm,
It is I who is doing harm.
Air is my life
But I am polluting the air.
Water is as pious as life
It is I who is not careful.
Earth is my body
But I find not purity here.
Sky is flamy
Where to go and live, tell me.

Gajanan Mishra
Fire Is Situated

Fire is situated
In one place
The heat and the light
Produced by the fire
Act in different ways.

Electric powerhouse
Is situated in one place
Different types of machines
Move by its energies.

Production is never identical
With the original source of energy
Original source of energy, prime factor
One with and different from the product.

Likewise, O my dear, You are one, we differ.

Gajanan Mishra
Fire Is The Best

Fire is the best
Come to the fire
By fire we can derive
The superior knowledge.

Firewood is a
Transformation of earth
Smoke is better than raw wood
And fire is the best.

The Sun is the fire
And the sun is the best
Store house of all knowledge
Come to the sun and pray.

Gajanan Mishra
Fire Is The Mouth

Fire is the mouth
Surface is the feet
Eternal time is the movement
Directions are ears
Water is the tongue
Air is the breathing
Sun is the eyes
Moon is the mind
Trees are Your hairs
Mountains are bones
Truth laws and justice are Your hearts
O my dear, Such is Your appearance
And I know You are very kind
To all living entities.

Gajanan Mishra
Fire Is There

Fire is there,
So long as fire
Is there,
Nothing to worry.
You can stay here
In peace
At this place with
Bag and baggages.
You can enjoy
The night,
You can go
Outside.
The choice is
Yours.

Nothing to worry,
Everything is
Available here
To wipe out
The fire
That is there
In and
Outside you.
But fire is
The only truth here,
You can stay
Peacefully with
Confidence
My dear friends.

Gajanan Mishra
Fire Is There In Wood

Fire is there in wood,
I know.
I know water is there
In water pot.
I know the sky
It is also
Within in the pot.
I understand the words,
I understand the breeze.
I know all are beautiful
And glorious.
I see the sun
And the moon.
I know I can't do
Anything here,
But I can watch
The clouds, I can't say
Where they are going, though.
And I can't make you
Understand the meaning of
Darkness, and I
Cannot make strides in
Anyone's understanding.
I am ready to hear
Good for nothing.
I have nothing to do
With fire or
With wood,
With water
Or with the truth.
And I am incapable
To go beyond the secret
That is before you.

Gajanan Mishra
Fire Is There To Test

I am only here
You know the best.

Air is there to test

Invited to form a team.

And you are the beings.

In all life and non-life forms.

Evidences not required, my dear
To see to say to work and to stay
And to partake You.

One who desires can only conceive You
One who desires can only stay with You
Without any distinct identity.

You are the air You are the fire of my life and breadth
You are the light and the sky and also the earth.

Gajanan Mishra
Fire - My Mouth

Try to understand.

Gajanan Mishra

Is doing all acts
Voluntarily.
No force from
Outside.
I fear to
Look inside.
Everything is
Within, I know.
The sea,
The sky,
The stars,
And in the presence
Of all I feel lonely.
The fire-ball
Is destroying me
Still, I am
Telling it's okay.
Wonderful- my words,
Wonderful- my presence,
Wonderful- the fire-ball,
I am playing with.

Gajanan Mishra

Mine and I am
Inside that house.

To the owner
If I utter.

Look the house
Is vanishing
With me.

And the Owner
Is still here
I know not what for.

Gajanan Mishra
Firing Is There

And you called it
A peace process.

O my dear, I am restless here,
I am ready to renounce
The world as I am unsteady here.

I know everything is yours
Including my thoughts
I know my dear, You are only mine
I am only Yours
I know this body and this world
Is not mine
You have kept me here
To fulfill your purpose.

Make me fixed on You, O my dear
I am here like a fish out of water.

Gajanan Mishra
Fish Selling

I am selling the fishes
Are you coming forward to purchase.
It is all tax-free,
You are to furnish a smile.

I have no variety
It is just one
And only for you.

No cut mark,
But you are required
To give a remark.

You cannot say
It is hippopotamus
Likewise you cannot say
It is lab-ester.

Gajanan Mishra
Fish To Water

Fish to water,
Poet to words,
Politician to
Social media.

So many things are here
In the wonder world,
You have to enjoy
And tell your feelings.

See and hear,
Hear and utter,
Feel and touch,
And stay in the world
You care most,
While living here.

Gajanan Mishra
Fish Without Water

Fish without water
Snake without the gem
On its hood
Cannot live.
O my dear, Let me
Not survive without You
Like this.
See my life is
Fully dependent
On You.

Gajanan Mishra
Fish, Deer And Woman

Fish, deer, and woman.
My dear, treat them not
As your enemy.
They are there
On their own ways
With all happiness.
Just see and enjoy
But my dear, touch them not.

Be not a cause of sorrow
Of anybody here on this earth.
Kill not any innocent creature
They are going on their path.

Killing a creature means going to
Hell and caring not law of nature.

Gajanan Mishra
Fisherman

Fisherman casts net to catch fish
All fish within the net trapped
But the fish under the feet of
The fisherman is not trapped
You are my fisherman, my dear
You are casting time-net that is
Illusion diseases and death
But I surrendered myself under Your feet
And I am happy here and in peace
I know what is what and not in illusion.

Gajanan Mishra
Fisherman And You

Here is the fisherman
Who catches fish in his net
And trapped fishes.

Here you are
Catching in time-net
To liberate us from illusion.

O my dear, look and
Release me from
The bondage of the world
With your divine grace.

Gajanan Mishra
Fisherman's Bait

Fisherman's bait
tempt the fish
and the fish dies.
But the archer's
thought is on the target
he has to hit.
My dear friends,
Let us keep our thoughts
focused on truth only.
See the moon,
It shrinks and is
lost to sight.

Gajanan Mishra
Fishes Are Gentle

but gentle are not fishes
I am not telling like that.

I am going to tell about the deer
and deer is also here, if you like to see
You may appear in the picture with your own cost.

Be generous or else
the situation would be dangerous.
Abandon your hellish traits, my dear,
And observe the clouds in the sky
that are coming to you with love.

Oppose not anyone
to oppose is like giving importance
to insignificant. See the fishes in the sky.

Gajanan Mishra
Fishy Smell

Fishy smell is there
In you
Fishy smell is here
In this house
Who are you

What was there

In me.
The third came
And told nothing.
The fourth came
And took away
My time without
Giving any information
On the way or in
The middle of
My journey.
Yet the fifth one
I have forgotten
My dear, to tell you
What has happened
To it.
Thanks to you
You have reminded me
Again and again
To tell in clear terms.
Let me clear then, I am
That fifth one
And I am here
As before to
See every sight,
But stay calm within
You and also
Outside you
Keeping all truth
In tact in
Deep blue.
Five Blind Men And An Elephant

Five blind men are telling,
Telling about an elephant
How the elephant is like.
One blind man said holding
Its trunk, 'it is like a serpent'
The second one holding its tail
Said, 'no, no, you are mistaken,
The elephant is like a rope'.
Touching the belly of the elephant
The third blind man said, 'You both
Are wrong, my dear, the elephant is
Just like a wall'. Fourth one
Who was touching the leg said, 'ho,
See, the elephant is a pillar, you
All are mistaken. The last but
Not the least blind man, 'cheered
And said, 'lo, my dear, elephant,
Here it is, I am sneezing, like winnowing
Fan' and this man has caught the elephant's ears.
Let me say my dear, we are all blind here
In the world of God and we are wandering
Telling our own words without caring
The truth that is eternal, The God and the world
Is something different from our own versions and conceptions.

And they are under my control

They are ready to decompose me
Immediately without caring anything.
I valued all protective forces most
And for them I am enjoying my life
And offering my prayer to
Supreme Truth with love.
Let me thank all of them at a time.

Gajanan Mishra

Flag Of Peace

Let me congratulate you
on this very day.
This is a day where
We are to live
Without any fear,

My dear, so strong,
So charming, so bright
In this worldly dark night.
It is only for flames of my love.

Gajanan Mishra
Flattery Has No Place

Flattery is not friendship
And in friendship
Flattery has no place.

Gajanan Mishra
Flattery Is Here

See only flattery
Flattery is here
In this world.

I never consider
You a man of
Clear conception.

I know your argument
Has lost value
In this salty water.

Nothing is accidental
It is just collateral.

O my dear, think about
The High higher and highest.

And endeavor for perfection.
I am not in your mental speculation.
Be affectionate, my dear
I am your great friend with this
Enormous empire.

Gajanan Mishra
O, you can't find
You can't find peace
And harmony on this
Flimsy relative
Platform of mundane
Piety and sin.

O, this is so sweet
Is it really as you
Are telling day and nights
You are showing your
Power and strength
On what basis and I fear!

Come to the truth, my dear
Though bitter it is better.

Gajanan Mishra
Flirt

Are you in love
You flirt
It is my time
To remained silent.

And you refuted.

Gajanan Mishra

And I know I am not I.

Each other
We are made for
Welfare of all.

Gajanan Mishra
Floating Hills

The hills are
Floatable here,
Come and see
The floating hills.
Floating devices
Are there to
Control the hills.
See, we are all
Floatable and
We are floating
For nothing.
We are floating
Voter, we think no one
Is fit the word dear.

Gajanan Mishra
Floating Like Straws

You are floating like straws
On the waves of material nature.

You desire many things
And they are nothing.

Everything is useless here
You live in fear you suffer.

Gajanan Mishra
Flood

See the sun,
Rising in the middle
Of the sky.
Hear the sound,
Furious, that is
Coming out from
The earth.
Watch the rainbow
At night here
At this time.
See, the milk
It is looking
Like blood,
O, dangerous flood!

Gajanan Mishra
Flooded Street

See, I am searching
And what I am searching
not known to me, as
my searching street
is flooded.

Nothing is lost,
As my search is continuing
and I am going with double speed,
in flood water, my dear,
Following unsolved math.

Dear poet,
Show a flow-chart
Of your poems,
All are interested,
In them.

In all stages,
In all ages,
In every week,
In every month,
You are to spend
From sunrise to sunset.
And you are to play
You are to sleep
In poems of choice.

Gajanan Mishra
Flower

Still it is open
Think not serious.

My presence
Does not matter.

Color and scent
Air and sky
I mind not
I care not.

To see and to love
Is different.

Our humanity is
More than flower.

Gajanan Mishra
Flower And Coffin

Flowers and coffin
Go side by side.
Flowers are there
In coffin.
So also,
Coffin is there
Within flowers.

You must realize
How flowery it is,
The real life.

Gajanan Mishra

Are naturally helpful for
The welfare of all beings.

Gajanan Mishra
Flower Fatigued

Here is the flower
And it is fair
I know not how
It fatigued there.

O Charioteer, I know
You are ready to
Execute my orders.

I know not
What and how to
Give orders.

I realized I am
The only guilty person
Who is convicted
For treason.

Gajanan Mishra
Flower Garden

See the world, my dear
A nice flower garden
Here is our life
And everybody is here
Terribly proud and mad.

Time is here
The liquor
And we are all
Intoxicated without
Any reason.

We ourselves are vibrating
With our own songs
Sung by us and
We wander, my dear.

Gajanan Mishra
Flower In The Sky

Yes I can see
The flower in this sky
Yes I can say
My horse is laying an egg
You can ask me anything
Answers are ready with me
If you want anything
Tell me I am here
To provide you
Without any hesitation.

Gajanan Mishra
Flower-Basket

Basket full of flowers
Flower-baskets
Basket-flowers.

Here in empty
Body, see I am.

I am here
In empty time.

I spent all times
For nothing.

I think
You to accompany
Me and smile.

Gajanan Mishra
Flower-Land

It is called flower-land
But here there is no flower.
Our country is symbolized as
A woman and we called mother-land
But here, women are being tortured
Women are raped and murdered.
And the so-called our leaders
Commented it so happens everywhere.

Gajanan Mishra
Flower-Life

Flower-life,
Sun-life,
Moon-life,
Live on this earth.

Accept the air,
Accept the water,
Accept the fire,
As life.

Love and ecstasy,
Absorbed in mercy.
Nothing else but
Devotion- matter.

Take care - life,
Life is to live.

Gajanan Mishra
Flowers May

Flowers may fade
Fragrance floats
Flowers are to love.

Gajanan Mishra
Flowery Speech

Do not listen much
Flowery speech.
Flowery speech has
Got no strength
To attain
Determinate intellect
And you can not
Achieve supreme goal
Through these
Flowery speech.

Gajanan Mishra
Flowery Utterance

Life is for the present
We are to give in it
The flowery utterances.

No one should give importance
To these flowery utterances
And enjoy life on its own way.

Aim of life is to enjoy
Celestial pleasure and also
To attain Self-realization.

Life is for the present
Do not let it go, O dear friends.

Gajanan Mishra
Flowery Words

Good fortune
I got you
Bad fortune
I do not know
How to love you
And I love you
Like a miser.

Gajanan Mishra
Flowing Of Ganga

I can not stop
The flow of Ganga
I can redirect it.

I can not drag
The sky to my house
I can see the sky
From my house.

I can not change you
And your day night
I can manage to
Change myself
To some extent.

Gajanan Mishra
Flowing Water

Flowing water
Pure
Let it flow.
Trying to go
Go
Never say stop.

Life's soul
Pure.
Let is flow.

Gajanan Mishra

Living beings
Are likewise innocent.
They know not
What is what,
Excuse them, being in dark
They know only how to bark.

Gajanan Mishra
Flute Of Winter

Flute of winter, I hear.
It loves me as ever.
Flute of winter, I hear.

We are all brothers
And we are here,
We are not asunder
But we live together.

No terror, but we are
To honour one another.

We know, life is wonder,
And we should not wander.

Let us observe life
With the flute of winter
And make life better and better.

Gajanan Mishra
Fly Not Anywhere

Ask not about
Income and expenditure.
Live like non-existence.
Your very living
Is a shop, my dear.
Buying and selling
Are there going on.
Be not a part.
But live there
With progressive idea.
Everything is public
And nothing is
Your personal,
But fly not anywhere.

Gajanan Mishra
Flying

I am ash
Ash tree
Flying in air
Free air.

Rising
Up and down
With time
Combustion.

Left and right
Back and forward
In shadow and
Light I am.

Gajanan Mishra
Flying Bird

You are telling me to follow.
But, O flying bird, how can I
Follow you?
Your smile is here with me
But it is missing within.
I am alone here like the sky
O flying bird and you are
Mocking at me saying no way helpful.
Hearing this I feel nothing,
Pain is no more here
Since your vision is clear.

Gajanan Mishra
Flying Bird - Catching

The art of
Catching flying bird
Is to be learned.

Gajanan Mishra
Flying Colours

Flying colours - life,
Nothing to miss, just walk on
And see everything is at hand.

It is auspicious and lucky
Every day, dear friends,
And you are not to vanish today.

Magic of love is with you,
And you know better how to
Place, before all, the truth.

Find no faults with anyone,
No one is an accused, but tell all
To do, for all, the good.

Gajanan Mishra
Flying For Shelter

So weak so helpless,
Really I am here.
See mother, I am
Flying for shelter.

Here I am bewildered
By so many rules
And regulations and
Injunctions and scriptures.

Help me, my dear mother,
Help me, and make me shine.
If I am wicked, mother,
But you are never
Unjust and unkind to
Any creature.

Gajanan Mishra
Flying In The Vast Sky

Flying in the vast sky
Though not new,
But a new experience
Is there at every moment
That can't be denied.
The sky is under our control,
We are here to declared.
Come on dear, and watch the Absolute.

Gajanan Mishra
I ask what is this
You say flying kiss.

I ask and so many things
You say nothing nothing.

I ask I ask I ask
And you say say and say
What you mean to say
And I understand understand
And could not say.

Gajanan Mishra
Flying Kites

So many flying kites,
See my dear, there in the sky.
The sky is also there in the kites.
Wind of hope is there to stay
For a while there with the kites.
The sky smiles at the kites.
I am in the melodious voice of
The kites measuring the sky.

Gajanan Mishra
Flying Stone

The stone is flying
I am here to mark it
With number that is false.
I am stupid
Unable to understand
What is happening to me.

Gajanan Mishra
Flying Through The Sky

Flying through the sky,
I discovered so many things
Like new stars, colorful flowers.
Flying through the sky,
I realized this life is
Only to enjoy and love.
Flying through the sky
I came to know the truth is
Not far from us but
It is within and I am
Under controlled.
Still, each one- the victory horse,
And each one is here
To roam freely, to cross all limits.

Gajanan Mishra
Flyover

I want to go,
But where to go.

Here there is light
But the sky is dark.

I know the value
of darkness, of course.

Come to me,
And tell something,
I want to understand.

I am ready to fly now,
Please, come and join
With me, if you so like.
Flyover is there
With all know how.

Gajanan Mishra
Flyover Collapsed

Life is under constructions
Always here, dear.
Keep love, stay on truth,
And if you fail,
Take granted,
All purity would collapse
And you would be booked.
Stay cautious, life is
Not easy as you think.
Keep holiness enough,
With clean image
Reflecting color of nature.
Life vibrates and dazzles
Wherever you live.

Gajanan Mishra
Flyover Politics

I do not want to
Listen the exchange
Of words in flyover politics.
Rather tell me what steps
You are taking on
Humanitarian grounds
To put the culprits
Behind the bar,
Mind it, it is
Your responsibility
As you are on the chair.

Gajanan Mishra
Foe And Friend

Let us welcome
Both foe and friend
Let us accept
Both honor and dishonor
Let us bear both
Cold and heat
Let us enjoy
Blame and praise
Let us stay
At home and abroad
At the same time
And say nothing mine.

Gajanan Mishra
Foe Is A Foe

Foe is a foe
And can never be
A friend.
Even though
Left alone
Foe is a foe
And should not
Be lightly regarded.
Foe is a foe
The foe is able to
Torment even
Without anything left.
Know the foe even
With his counterfeit face.

Gajanan Mishra
Foe None

Foe none
Only friends
Are here.
Hell not
It is heaven
Here in which I am.

You are with me
Only You are
You are above
You are below
YOU eternal ray
Is in my body.

My immortal birth
Is here in Your ray
I am here
With You
I am heaven's particle
I am nectar.

Gajanan Mishra
Fog

Fog is there everywhere
and my
thumb impression is here.

Thrust and recognised
here I am
where sea and sky assume
where my dream blossom.

You are here all days
looking for bear fruit
or fruit bear.

Gajanan Mishra
Fog Is Insignificant

Sun is sun
Fog is insignificant
In comparison with the sun
Though for sometime
The fog covered the sun
Our eyes is covered
The sun is never covered
The sun is the Absolute Truth
The greatness of Truth in
All circumstances is affirmed.

Gajanan Mishra
Fog is vanquished
By the brilliant sunrise.

Result of sinful acts
Are nullified by sacrifice.

Go with rules and regulations, my dear
Regain your exalted position and honor.

Gajanan Mishra
Foible

Woman- cattle
Society-rattle
Fierce wild animal
Come and call
Drilling of man
And it is foible.

Gajanan Mishra
Follow Follow Follow Me

And follow rules.

Gajanan Mishra

Follow the cycle
Performing duty.

You are not to create
Any obstacle
In the smooth running

Engrossed in adultery
Slanderous and hanker
After the riches of others
Are vile and sinful
Devils in human forms '

Multiple things are there
For you, observe all.

Gajanan Mishra

O my dear, either in affection
Or in love or in friendship
Or in giving service but
Try not to be the truth
Because death is the only truth.

Gajanan Mishra

Innere sense is purified.

Gajanan Mishra
Following Doctor's Prescription

Following doctor's prescription
I locate the sun
In the land of moon
The moon missed the sea
In the field of the sky
The sky making His present
Everywhere declared myself
Conqueror of the world
Who lost everything possessed.

Gajanan Mishra
Following The Wheel

As a person I am attached to you
Following the wheel of birth and death
And you are maintaining distance
By realizing self and non-self.
O my dear, I am yours
I must say this again and again and again
And I am committed to my words
And I can sacrifice myself, see
I am dying and taking birth again
Just to touch you see you feel you.

Gajanan Mishra
Folly

Folly
Everything
Child
Everything.
Like river
In the sea
Shaking hands
With the sky.

Gajanan Mishra
Folly Of Egoism

What is that,
I want to know.
What is that to know,
I failed to understand.
What is the use of knowing
Another question tag ahead.
But I know, and they said
I am living in peace
With all racism, communism etc.
I said to myself, have patience,
Difficult situation is going on,
Calm, calm, stay calm.
But I realize, it is all
Nothing but folly of egoism.

Gajanan Mishra
Food

Food food food
All are here for food
All evolve from food
All act for food
All think about food.

All know no food
No existence.

Food come from rain
Rain ensues from sacrifice
Sacrifice rooted
In prescribed action
Prescribed action
Originate from knowledge
Knowledge proceed from you
You my dear not destructible.

So long as you are there
Food is there
You are all pervading
You are infinite
I the finite
Long for you
Through the food
Supplied to me
Only by you
And the food
Itself you.

Gajanan Mishra
Food - Here In This House

You seek food,
I am here
to satisfy you.
You fear to become food
I am here
to defend you.
And here in this house,
See both the predator
and the prey are happy.

Gajanan Mishra
Food - I Want Some

Give me some food
For my livelihood.
And that should be
Earned by honest means.
And that food should be
Cooked by wearing clean clothes
In well cleaned and pure kitchen.
Give me some food first.

Gajanan Mishra
Food - I Want To Take

Food - I want to take
Only to live.
I want to live
Only to do something.
Something is there
In me and I want to see.
I want to see
Who is there behind the screen.

Gajanan Mishra
Food - My Birth Right

Without food I can not live
Food is dear to me.

You can judge my faith
Seeing my food.

You can know my secular actions
In my eating drinking
And in the way of living.

Food food and food
Food is the means to live
Taking food is my birth right.

Gajanan Mishra
Food And Food

Food and food,
Your food says
What are you.
Take food, and
That look before

Food and food
Your food says
About your past
And about your future,
My dear, here, you
Cannot hide yourself.

Food and food
Take food and express yourself.

Gajanan Mishra
Food And I

The food is eating me
Or I am eating the food
That I know not, but
The food is here
With me at this time.
I am growing with the food
And going towards the end,
I know not, the meaning
Thereof, though.
But the food is going
Dry with the sun
And I am getting energy
From the sun and the sun is
Smiling at me at every morning.

Gajanan Mishra
Food And Water

I want both
Food and water
But for what
That I know not.
I want both
Cloth and shelter
But for what
That I cannot say.
You said all
Food, water, clothes
And shelter are
Necessary for life.
But I said I do not
Want to live then.

Gajanan Mishra
Food Bill

Food is necessary  
Not for transcendental  
Manifestation but for  
Material conception.

And food is assured  
As nullifying expression  
To end all speculation  
To start a new negation.

And food is assured  
In a new coalition  
Over and above consumption  
Without much more description.

Gajanan Mishra
Food clothing and shelter
bare necessities.
But not all.

Peace and harmony in society
is necessary
But it does not suffice.

And we must be friendly
And we must move
positively.

to search a man 
greater than you 
in the vast sky.

Gajanan Mishra
Food Merge

Food merge into my body,
My body merges into the earth,
The earth merges into fragrance.
Fragrance merges into water,
Water merges into taste,
Taste merges into fire,
Fire merge into form,
Form merges into touch,
Touch merges into ether,
Ether merges into sound,
And all merges into mind,
The mind feels hungry
And wants food.
Control mind, dear men,
The Very danger to life and livelihood.
Ego is there in the mind,
And the mind is there within the body.

Gajanan Mishra
Food Of Love

Food of love - poetry,
Go on composing, dear.
Poetry can regulate mood,
Reward, motivation, pleasure
And social affiliation
All are there in poetry,
Go on composing, dear.
But my dear, guide yourself
Going beyond poetry and live.
Life's journey is meant for
Self-cultivation and
Self-realization coming
Within the periphery of time.
Poetry has nothing to do remember.

Gajanan Mishra
Food Security

Give me food to eat,
I am eighty,
I am from village Chikamba
Of Dasmanthpur Block,

I am declared dead
By Block officials,
See me, I am before you.

Under national food security act.
See me, I am here before you.

Gajanan Mishra

Only your transformer.

Gajanan Mishra
Food, Clothing And Shelter

I am living here in Bharat,  
But you are there in India.  
Tell me, my dear brother,  
How can we be together.  
Tell me and give me some  
Food to eat, my dear brother.  
Give me some fresh and pure  
Water to drink and give me,  
A shelter to live in, brother.

Gajanan Mishra
Food, Food

Food, food,
We want some food
To eat,
We want
Some water,
We want to live.
Food is the primary need.
We want shelter,
In some way or other
To save ourselves
From rain and the sun
And from all weather.
We want some medicines
To take and we want
A good health.
We need to learn,
We want to read and write,
We want to know
The day to day activities
Of yours.
We want to know
The income and expenditure
Of our state.
We want to build our state
Free from corruptions.
We want to live peacefully
We want to live ourselves
Without the interference
Of anyone inside or outside.
We know, we are free,
We are sovereign,
Everything is for us.

Gajanan Mishra
Food, I Want Food

Food, I want some food,
Give me some food to eat,

But I prefer death.
I am hungry, give me
Something to eat
That are eatable and
Suitable to my body,
Mind and intellect.
I am regulated in diet
In sleep and wakefulness.

Gajanan Mishra
Fool I Am

Fool I am
I am here and writing
In my own style
Fool I am
I am here doing works
In my words
Fool I am
Waiting for time frame.

O my dear, I know
You are there
Watching me every moment
O my dear, I know
You are calling me
With this with that
O my dear, I know
You are here you are there
Only for me only for me.

Gajanan Mishra
Fooling You

Fooling is not my intention
I have stated the truth
And you are to take decision.

Pressing panic button
I say my land on turmoil
And I can not remain insulated.

Gajanan Mishra
Foolish Arrogance

No role to play,
Foolish arrogance.
Stop there, no
Red light, no
Earmarked area.
Stay humble like
Servant's servant
And for good
Honor all people.
Fickleness and pride
All faults of
Human society.

Gajanan Mishra
Foolish Living

Our living
Itself is foolish.
We are in illusion
In the eternal sky.
The object of our life
Is delight and
It is there
In the reality.
Reality is
Our attachment,
Initiated in
The family itself.
Our politics, our economy
All are our source of life.

Gajanan Mishra
Foolish Man

You are really a foolish man not giving importance to time
You are no ceasing your materialistic way of life
You are not realizing that you are misusing your costly life
You are not acquiring true knowledge and going top end the life.

Gajanan Mishra
Foolish Obstinacy

Causing injury.
Broken skull in
Leathery leaves.
Pink or red
Bramble hands.
Seeking earth
Immure alive.
No gallery
Only injury.

Gajanan Mishra
Foolish One

I am a fool
I am foolish one
I am telling this is my family
I am a man I am a human being
And I am living here like a dog
And eating whatever is so negligently
Given to me
See I am afflicted with so many illnesses
Dyspepsia and loss of appetite
I eat only small morsels of food
And is invalid
My eyes bulge due to the pressure
Of the air within
And my glands become congested with mucus
I have difficulty breathing
There is rattling within the throat
See I am under the clutches of death
And lying down and my relatives and
My friends are lamenting
Seeing all crying I am in great pain
I am dying most pathetically
Without consciousness
The death-messengers are coming to me
With their eyes full of wrath
And in great fear I am passing
Stool and urine
I am feeling the death-messengers
Are binding me by neck with strong rope
And cover my subtle body
And I am undergoing severe punishment
I am trembling I am terribly distressed
O my dear, I am calling You, only You
To see me through Your round eyes
And do whatever You like being
The Ultimate Truth and do what is
Better for all.

Gajanan Mishra
Foolish Pigeon

Foolish pigeon is here
See me I am that pigeon
In excessive affection.

I am destroying
My valuable life
In the name of society
Friendship, love and
Unwanted affection.

I am in forgetfulness
O my dear and attached
To dead matter.

My love is perverted
I am getting pleasure
Out of false foundation.

Gajanan Mishra
Foolishness

The time the circumstances
All are making me a fool
And ignorant.
I am in complete independence though
I am hankering after a few broken grains.

False name false fame
And false prosperity are
Devouring me.
I am going with my foolishness
It is my own ignorance.

I am in lost
I am lost.

Gajanan Mishra

Fool's Day

On this day, please
Have a say
About a fool.
And say
Who is not a fool
And who is a fool.
On this day
It is okay
If you play
Practical jokes
And hoaxes
With friends.
On this day
It is okay
If you declare
It a holiday.
Please say
Who is not a fool
And who is a fool.
I am confused.
And I am totally confused,
When I see you sleeping
On this day knowing
Everything about
So many things
When there is nothing
And in nothingness
You are enjoying
This day as fool's day.
Fool's day
And where are fools
And where are not
I find nobody
To tight the knot.

Gajanan Mishra
Fool's Paradise

Fool's paradise
Is within us all
It is in our pride
And it is for pride

And you are free, all freedom are with you.

Just avoid all kinds of pseudo-life style
And stay with me for the self.

With me to start
Afresh this life.

In this life,
It is a footpath
Together, let's walk.

Gajanan Mishra
Footprints

Footprints are here, see
No needs to go elsewhere.

You are my friends and associates
No needs to go in to any depth.

Neutrality has got no value I know
And I confirmed you about my arrival
At the time of need.

It is your excellence that I find
Here for nothing in imagination
It is tying the locks on one's own shoulder.

In various forest I am wandering
For what that I do not know
You know my dear what is the purpose
And You cried, ' O Gajanan, Please return, return.'

Gajanan Mishra
Footwear

Footwear,
Your place is
Outside.
Stay there
Like my servant
And be ready
To help me
When I am in need.
'Caution' is there,
Dare not to interfere
In my home affairs.

Gajanan Mishra

For the sake of a better world
The mother is looking at her
New born baby with her own hands
Own legs own eyes own body
Towards better and better eternity.

Gajanan Mishra
For a dress
Sabitri committed suicide.
Sabitri was tortured
By school mate and teachers
For her old and damaged dress.
For a dress
Sabitri committed suicide.
Sabitri's father had
No capacity to purchase.
No one is there to help.
Sabitri's mother failed
To give consolation.
Sabitri committed suicide
For a dress.

Gajanan Mishra
For A Few Days

I know you are here
For a few days
I know you have no knowledge
About anything here.

You are going away
That I know
And I know you are
Related with nothing
In no way.

I know you are in trouble
But you are able
And I know you can
Topple all when careful.

Gajanan Mishra
For A Few Moment

I cannot say
The number of faces
I cannot say
How many legs and hands
I cannot say
The place of origin
And the place
Where is the end
OF This sight.
But I must say
What I am seeing
That is you
What I am hearing
That is your voice
where I am staying
That is your place
I am a guest
For a few moment.

Gajanan Mishra
For A Friend

I promise
To restore everything.
But what was there
Tell me correctly.

Dear friend,
Come on and be committed
And get well again,
I am neither weak nor thin.

Gajanan Mishra
For A Joy

For a joy,
I am here.
But where is joy,
That I cannot say,
If you are going on
Putting such question
Before all.
But wait, and see,
You will get the answers,
That have no irrelevancy.

Gajanan Mishra
For A Life

For a life,
I am here.
For a poem
I am here.
Life is the poem,
The top one
I have to read,
I have to understand
In time, here.

My song,
My drop of tears,
All are here with me
And I am going
To and fro
From this end
To that.
Here I am to
Fly with the birds,
I am to air myself,
I am to clear the sky.

I cannot say
What is and
Where is peace
Here in life.
I care not
Peace as I know
Peace has got
No meaning
In my life.

Life is a song
I have to sing
In my own words.
Life is a picture
I have to show
In my own paintings.
Life is a road,
I care not
Whether is it
Rough or High Way.
But I have to
Go on the sky.
I have to put
My own thumb impression,
I have to beat the drums
While I run on.

Gajanan Mishra
For a moment
Let us think
Who we are.
For a moment
Let us do
Some welfare
Things for others.
For a moment
Let there be
Love here
Within us.
For a moment
Let us think
For us.

Proven results and

Effective solution,
With strong foundation.

Gajanan Mishra
For A Sight-Viewer

For a sight viewer
Three things are to acquired
The object to be seen
And the sight and the onlooker
My dear power to see
In this dark room is important
Also eye-sight and light are necessary
O my dear you have the light lamp
With you.

Gajanan Mishra
For A Smile

There is just a smile
In relation
And for a smile I agree
To spend my entire life
Here and I do not care
Whether it is hell or heaven.

Gajanan Mishra
For A Truth

For a truth
I am going on and on
On this unending road
Within me.

Within me I
Discovered You
My dear in this row
Of flower plants.

I see the flower plants
In this darkest hours
And I see how they danced
On this life-fire.

That I closed the door
Of my ego here
Hoisting three-colored flag
In this morning with pure sun.

Gajanan Mishra
For Acting

For acting
We are here,
And it is true.
We have so many
Roles to play
That are at times
Unimaginable.
And yet we are
Playing and
We are acting
To our best capacity.
We are the actor
We are the player
For a short time here.

Gajanan Mishra
For All

I want food
To nourish my body.

Food, the cause of my birth
My growth and nourishment
Is my birth right.

All the articles of food
Are brought about by water
The soil, I stand on, is
Also created through water.
Somehow or other, my food
My clothes and shelter have
Affinity with water.

I want water.
I want food, clothes, water
And shelter for my living.

Life is successful when I work.
I want to perform my duties.
Duties such as oblations, charity
And penance, I want to perform.
I want to renounce and relinquish
For the benefit of others.

I want to say again
The famous quote
Live and let live
I believe, this world belongs
To all and not for selfish-hoarders.

Gajanan Mishra
For All - This Room

For all - this room,
For all - this earth,
Men, monkey, birds, animals,
And all are to live
In peace and in cooperation
For peace and development.
Live and let live is the words
Coming to us from the very beginning
Of this creation.
No one has got power
To drive out another from
The place and time.
Name - may be different,
Place of birth - may be different,
But all are equal and
All are at one time,
Say all are contemporary.
No other story
But life is the burning topic,
From time immemorial, in history.
To save humanity is
The call of time.
All for all here,
And also one for all.
Help others, please,
Listen to my call.

Gajanan Mishra
For All Good

For all good
We are here.
All good are
Here with us.
Good men,
Good nature,
Good time,
And life is good.
We are to proceed
Forward for good.
Life perfect
For the good.
All words- good,
All shelter-good.
Good and only good,
Life is in truth.
Good for life,
Life for good.
Life-love,
Love - life,
For good.

Gajanan Mishra
For All Good, I Understood

Let me share  
My own ideas,  
My own thoughts  
For good of all.  
Let me give,  
That are so called  
Mine, but I know  
Nothing is mine,  
Everything is yours.

Life battle is here  
With me and I am alone.  
I know, you are  
Watching me day and nights  
And giving courage  
To face all situations  
Without any comment,  
That I am doing, see.

I am remembering,  
Name, fame, quality, form  
And everything that  
I heard from others  
About you and I know,  
So much truth are there  
To enable me to  
Rebuild my life  
In a positive way  
For the betterment of all.

Directly, I am  
Yours, I know.  
No one, other than you,  
Can protect me  
From the dangerous situation  
That are here at every moment.  
See, I am keeping close check  
On my emotions.
I am telling my ideas,
My thoughts, beyond words,
And I know, you are hearing,
And also listening carefully
From me with your so many ears,
That are uncountable and
That are unseen in
Any eyes here.

You are for all good,
That I understood.

Gajanan Mishra
For All Goodness

For all goodness
Protect religion
First understand
What is religion.
Offer obeisance
To the Truth
First know
What is Truth.
Knowledge is necessary
And after that love
Knowledge is light
Love is winning cup.

Gajanan Mishra
For All Prosperity

For all prosperity,
Let me invite you
To my home as truth.
You are the symbol of
Love and your kind
Presence at my heavenly
Abode is but necessary,
For all growth and prosperity.

Gajanan Mishra
For All Round Development

No Odia bhasha, no Odisha,
No Odia bhasha, no entry to Odisha.
No Odia bhasha, no service, no business
No scope in Odisha.
First Bhasha, next Odisha.

Let me invite all sons of Odisha to
Fight for use of their own bhasha,
Let this work start from 1st April 2015
itself and let us look forward
For all round developments.

Gajanan Mishra
For all things you are there,
For all things I am here.
We both play the same role here, there.
For you, here I am,
For me, there you are.
And we both have no existence.
You are the words, I am the sight.
I paint but you utter words, here there.

Gajanan Mishra
For All Time

Beauty is in my eyes
And love is there in me,
I love you for all times.

Gajanan Mishra
For All, You Are

Of course,
I desire nothing,
Nothing of
Material enjoyment.

Only I love you,
I worship you.

I know, you are
The truth, and you are
Everything for all.

I desire nothing,
But I desire you.

I know, you are
The truth.
You are for all good.

Gajanan Mishra
For An Ideal Living

I am not sure and I am in doubt
Whether this child would grow or not
Whether this child would get educated or not
Whether this child would get married or not
Whether this child have a family or not
Whether this child have wealth or not
But I am sure this child will die
You will die and there is no doubt
In death as because this child has already
Taken birth you have already taken birth
Let me say again there is no need to
Celebrate birth day that you have reached
Certain age because I know you have not
Reached that age but so many years have gone
And you are short of so many years and
You are getting closer to death and so
It is better if you celebrate the welcoming
Ceremony of death here every year every moment
I am sure it would give new and true energy for
An ideal living.

Gajanan Mishra
For An Opportunity

I am waiting,
Waiting for an opportunity
To strike,
Strike at the right point.

I am waiting
To set right,
Everything that are
Not in order here.

I want to fight
Even with great fire
For peace.

Non-violence is
My weapon.
I am protected
By truth and love.

But I want to stay,
Again and again,
In battle
To strike at the right point,
At right time
To destroy all
Man-eaters,
Who are vicious.

Gajanan Mishra
For an ordinary man
There is nothing
In this corporate world.
No sleep, no smile,
No love no truthfulness.
What about humanity,
No one is there to tell.
Life is just a machine
Without any fruitful
Touching to eternity.

Gajanan Mishra
For Answer

For answer
I am here.
Here, I am
For love.

Let me use
Love for truth.
Truth is there
In love.

Love and truth-
Two directions,
With one destination.
Destination is
There with love
In truth.

Gajanan Mishra
For Any Benefit

For any personal benefit
I am not doing anything
Here or there at any time.

And see me, I am engaged
Myself twenty-four hours
Without cessation for you.

Still, I pray you, have
Patience and get the good.

Gajanan Mishra
For Attachment

It is
Only for
Attachment,
The drama is
Being staged.

It is
Only for
Pure love,
The light is
Being focussed.

And we are
Fortunate to
Know the history
Of drama and light.

Gajanan Mishra
For Betterment

Here is your eyes
And if you could not see
There is no use of your eyes.

O man, you are self-sufficient
You lack nothing
Use yourself for the betterment
Of all in this world
If you failed to do so
There is no use of your presence
With this body.

You are to use your body
For general welfare
And then you can throw it.

Gajanan Mishra
For Blood

All for blood all for life,
All for emptiness all for purity,
All for eyes, all to fly.

The sun and the birds -
Our guards.
The moon and the trees -
Our life's medicines.
The history comes as dreams,
And we are to read it
From the very beginning.
We are to know about
The smile and cry.
All for time all for love,
All for truth and all good.

Gajanan Mishra
For Common Good

Go on working
For common good,
Spread everywhere
Brotherhood.
Living with love,
Living in peace-
All good, very good.
Life is precious
Without any doubt.
Living in wood
As wood is trying
To make life true.
The sun, the moon,
Are for common good.

Gajanan Mishra
For Dust

For dust thou art,
And unto dust
Shalt thou return.

Gajanan Mishra
For Each Other

We are for
Each other here.
We are to do
Good to each other.
Only we are here
To discharge our
Duties for the welfare
Of each other.
We are to go
Higher and higher,
We must remember
Here there is nothing
For ourselves but everything
Is for others.

Gajanan Mishra
For Each Other- Truth

We are for each other.

We are killing
One another -
Not false.

But truth is
As before,
Unaffected.

We are the truth,
Living and killings -
All not true, though.

Gajanan Mishra
For Earth

For earth,
You are to
Stay in good
And in love.
The earth is
Beyond boundary.
The earth has
No enemy.
You are the earth,
You are the truth
And you are the love.
Stay free there,
Where you are, my dear,
Without fear.

Gajanan Mishra
For Eating And

For eating and
Sleeping, we are
Wasting our knowledge
And our time.

And we are not
Able to know
What is time,
And what we are.

We measure the favorable
And unfavorable circumstances
As per our suitability
With working and living.

We are giving
Prime importance
To hunger and thirst,
And vision is given
Less importance.

But man is a creature Of vision
That we have forgotten.
We are here for new creation
With the composition of
Love and truth.

Men, you to decide
What to do and when
And you to know
The reality of life
And your own future.

Gajanan Mishra
For Ever

You are coming
You are going
You are here
For ever.
I am here
I am there
Nowhere am I
You searched for.
No place is here
No place is there
I am everywhere.
Think for me
I am for You
Searching in queue.

Gajanan Mishra
For Ever And Ever More

For ever and ever more
You were you are and you
Always will be ours
Life giver life sustainer
And it is all that I see
And I hold is your will
And it is your will O my dear
That works in all my life
All my worlds and the galaxies
Of my planets and stars.

Gajanan Mishra
For Ever Love

Love love and love love, for ever love
Love is here, love is there, for ever love
Love is life, life is love, love-life, life-love
This is love, that is love, love love love love
Let us love, without love we are scattered, my dear
Love love and love love, You are my love
Here in love I give everything
There in love you give everything
There is nothing besides love, and love and love.

Gajanan Mishra
For Ever, We Wil Be Here

I know not
The subject matter,
But our conversation
Is going on, see my dear.
Neither you are
Telling anything
Nor I am and yet
Our conversation is
Going on, my dear.
And as such, we are
Living together here.
You are smiling and
So also I am.
I am crying and so also
You are, my dear.
I know not the subject matter
But we are here talking to
Each other and giving importance
To one another.
We are dreaming and dreaming
But we both have forgotten
How to sleep and where to sleep.
Day is coming and going
But my dear, we both are here
And will be here for ever.

Gajanan Mishra
For Evil

For evil
No schooling
Is necessary.
Falsehood, forgery,
Dishonesty, theft
And all types of
Corruptions are
The symbol of evil.
But for good
Teaching is
A necessity.
For good we are to take
Pain and where there is
Pain, we know, there is gain.

Gajanan Mishra
For Fear Of Death

For fear of death,
You need not do anything.
Only for death
Do what you like
And do that immediately.
Make your breaths
Inward and outward,
Fix your vision
Between the eyebrows
And go within.
You are there,
Discover yourself
In you and
Know the truth.

Gajanan Mishra
For Good - Life's Journey

Love to be accumulated
As the assets of life.
Life to be lived
With the truth.
Truth to be enhanced
With fearless journey.
And we should go
On the journey for good.

Gajanan Mishra
For Good And Good People

For good and good people
And for goodness we all
Are here
O my dear be polite
And gentle
To near and dear
Let us show respect
To the scholars.

World-home is ours
Consisting of sons and daughters
Blessed is here
They are obedient
With sweet-tongued wife
Hard working man
Honest earning
Welcome to hospitality.

Gajanan Mishra
For Good For Bad

For good for bad
You are, only You are
Responsible my dear
That I know here
But I know not
What is good and
What is bad.

I am not blaming
Anyone I am also
Not praising anyone
Here, as I know
No one has any role
To play besides You
You are the sole owner
To do what You like
Here there everywhere.

We are all here
Unqualified duplicitous
And addicted to
Sense pleasures, my dear
So many discrepancies are
There in our works
As they are not based on
Selfless service and love
And as we are not on truth.

Gajanan Mishra
For Good I Live

For good I live,
More good I see.
With you no better
View nor better
One is known.
Good men's pious
Fruits I receive
And try to give all back.

Gajanan Mishra
For Good Of Mankind

Think and act

You are for the welfare
Of mankind

And it is your
Right action

We are all in the one
Family of creation

Think and act

Gajanan Mishra
For Good Of Others

It is for good of others
I am living here
It is for good of others
I am writing poetry for others.

While living and while writing
See I am completely disinterested
And also I am completely
Unattached to everything.

Gajanan Mishra
For Good People

Only for good people
You are here.
Only for good poets
I am writing, my dear.

Good poet is he
who has a tremendous
power of understanding.

And my words have
such capacity that can
take you to the point
beyond your imagination.

Imagination is there
so long as you live
and my poems provide the base.

Gajanan Mishra
For Good We Are

No one sees me,
It does not mean
I am not here.
I am here as before,
You are all with me,
No change of status
Of anyone, dear.
Think this truth,
And we are all
here for good.

Gajanan Mishra
For Heaven

For heaven,
Who is interested
Come on.
But heaven is
Foodless, waterless
And heaven is
In so many
Less, less, less.

Gajanan Mishra
For His Sinful Life

Sinful person is  
Always vanquished.

Innocent person  
Is always protected  
By the Supreme Personality.

Gajanan Mishra
For Illusory Energy

For illusory energy
I am telling I am doing
All these here
Though I am nobody
I know I am not the creator
Not the maintainer
Not the annihilator
I know I am merely a spectator.

Gajanan Mishra
For Information

Very difficult
Really very difficult to
Lead a good and peaceful life
Here at this time.

Gist of truth
Is not found here
And we are wandering
In illusion.

The Absolute knowledge
Is far from us and
The original source of
Knowledge is also missed somewhere.

Rules regulation and
Instructions are not being
Followed by anybody at any time
We are just wandering.

You graced me and
I know You - simple
Mercy and material world
Is it something horrible!

I reached here with You
And I tried to fulfill
My mission that is not
In negation.

Life in love and
In devotion is in
Proper form and in perfection and
Staying for sometime is an information.

Gajanan Mishra
For Inviting Me

Very much thanks
For inviting me
As your guest.

But I am afraid,
At any time
You may throw me out.
And that would be
Intolerable.

Anyway, my
Best wishes to you,
For your love
And for you are
In truth.

Obliged to you.

Gajanan Mishra
For Just Cause

You are telling me always
O my dear to fight fearlessly
Heroically for a just cause
And telling me again to remain
Firm and not to deviate
From righteousness and not to
Lose heart even in gravest danger
And be liberal to all
And You are telling yourself
All powerful and you are
Protecting me from all sufferings.

Gajanan Mishra
For Just Cause- Fight

You are telling me always
O my dear to fight fearlessly
Heroically for a just cause
And telling me again to remain
Firm and not to deviate
From righteousness and not to
Lose heart even in gravest danger
And be liberal to all
And You are telling yourself
All powerful and you are
Protecting me from all sufferings.

Gajanan Mishra
For Just Cause Fight Fearlessly

You are telling me always
O my dear to fight fearlessly
Heroically for a just cause
And telling me again to remain
Firm and not to deviate
From righteousness and not to
Lose heart even in gravest danger
And be liberal to all
And You are telling yourself
All powerful and you are
Protecting me from all sufferings.

Gajanan Mishra
For Larger Good

For larger good
You are there
That we know.
May be for some
It is surprised.
You are there,
We know, to
Open ways for
Peace and love.
For larger good
You have taken
The risk, we know,
Your positive spirit
And good will.

Gajanan Mishra
For Life, For Language, For Truth

Chaluthare pua,

Gajanan Mishra
For Love

For love only
I can sacrifice
Anything
And if there is
No love
I must break off.

Gajanan Mishra
Tell me all  
With all purity.  
Tell me, tell me,  
You are the earth.  
Tell me, tell me,  
You are not god.  
Rather you are the truth.  
Tell me, tell me  
How honest and  
How truthful you are.  
You have kept all  
Mercy, forgiveness  
And generosity.  
Tell me, tell me,  
How to face here  
The war, the difficulties,  
The obstacles and dangers.  
Tell me, tell me,  
You are to tell me  
As you are living with me.  
How to acquire fearlessness,  
How to go from here  
In the light of the stars,  
Tell me, tell me,  
What to do and how to do  
For all and for love and for truth.

Gajanan Mishra
For Love For Good

All for love,
All for good,
All for life,
And life for all.

Sweet sweet life,
Sweet sweet truth,
Sweet truth sweet life,
All sweet on the earth.

Earth all,
The flower,
The fruits,
The water,
The air,
The star,
And the fire.

Fire flows
Within life,
Life belongs to
Love.

For all love,
Life flourish,
Life is here
For good.
Good smile,
Good life.

Enjoy with
Food and drink,
About life
Just think.

Gajanan Mishra
For Love For Welfare

I am here
Only because of
My love for you
And I am here
Only for
Your welfare.

Gajanan Mishra
For Love Sake-

For the sake of love, work
Remember, your attachment is to love
Your detachment from lust
You depend on love and
You are devoted to love
But first, O my dear
Be free from malice.

Gajanan Mishra
For Love The Wind

For love the wind
Is there on the grass.
For love the sky
Comes to me and talk.
I cry and my cry
Is sweet you said.
For love we are united
You admit before the judge.

Gajanan Mishra
For Love, For Nectar - Life

For love,
For nectar,
We are inimical
Towards each other.

But love is universal,
And each one has the right
To taste nectar
With no discrimination.

Life is as simple as nectar,
Let us live with love.
Love means to give all
That are in possession.

And where giving is there
Find no inimical term at all.

Gajanan Mishra
For Love, For Peace

For love,
For peace,
For rock and roll
We are going
Out of frying pan
In to the fire.

We see
Nothing is there
In the world.
We are not
Able to know
Where we are.

Yet we are proud
To say we are here.

Gajanan Mishra
For Maintenance

For maintenance,
For security,
Shall I go
Somewhere else?
Where will I go
To take shelter?
Tell me, my dear,
If you are really
My well-wisher.
I know my life is
Meant for peace
And prosperity.
I feel compassion,
I try to purify
The situation.
I want to know
My relation
With the truth.
And what is
That truth,
It is best known
To you.
Let me ask
Where are you,
Let me know
What is good?

Gajanan Mishra
For Me

For me nothing
Remains to be
Attained
As you are
With me.

O my dear,
I am doing
Actions in
Inaction as per
Your instructions
And inaction
In action.

You have
Told me
The truth
And I know
It as truth.

Gajanan Mishra
For Me No One

For me no one,
For you I am.

I am oily,
And I tackle
All situation
Coolly.

Gunpowder
I found,
I observe
The flame also.

I feel life
Talk to me.

I try to collect
All talks.

Gajanan Mishra
For Me No One To Be Killed

I am a poet
Here I am with this with that
For me for the sake of creativity
No one to be killed
No one to be protected
No one to be neglected
No one to be worshiped
I accept all and all
All are accepted here
Wholeheartedly with love
Whether it is or he is
In the mode of goodness
In the mode of passion
In the mode of ignorance.

Gajanan Mishra
For Me You Are

For me you are
And you try to
Make me free.
I am in you
And to me you are.

My love my balance sheet,
And you are there.
What you are doing
All good and all fair.

Your words I forward
To the star.
Good my fortune
And your support
Make me go far.

Gajanan Mishra
For Me, The Sky

For me, the sky is
Not large.
Space - not sufficient
For living or dead.

Here, I swallow all
The air and water,
I measured the sky
And fly over it
In my light.

Anxiety is there
In my breath
And in haste I
Travelled the place
Of my own origin.

Gajanan Mishra
For Mercy

For mercy
You are to pray.
To get liberation,
You are to stay.

Enter and exit
In the same passage
You wish.

But sleep not,
Get rise.

Life is there
To reach nowhere
But stay confirmed.

Gajanan Mishra
For More Information

Violating the moral code
of conduct is
not violation.

Issur of notice to a
missing person like me
is not location.

You may contact with

Gajanan Mishra
For Mother

For mother,
I am here.
For mother
I am a worker.
For mother
And for mother-tongue,
I am able to learn
So many things here.
For mother land
I am ready to
Sacrifice my life.
Let me salute
Mother, mother-tongue
And mother-land.

Gajanan Mishra
For Mother- Each One Is Here

Each one here is
The devotee of the mother
And perform actions for the mother.
Each one is interested
To narrate or to listen
The stories of mothers' life.
Mother has bestowed upon us
This body to realize the truth.
Each one is independent
In realizing the mother.
Mother is free from contradictions,
Mother is the only scriptures,
With mother, each one deserved
To be called man.

Gajanan Mishra
For My Distress And My Happiness

For my distress and my happiness,
I am solely responsible. I know,
If I am truthful, I can control
The one who is deceitful.
So long as I am able,
I can face the situation
So-called horrible.
See me I am noble, and
I am doing everything
That are practicable.

Gajanan Mishra
For My Land

For may land,
For my language,
For all here,
What can I do
Let me think
For a while
And start doing
All good.
All goodness
Bring me here.
Here I am
Not nervous
Not shy to fly
In the sky.

Gajanan Mishra
For My Language And

For my language,
For my land and
For my mother I have to
Fight till death.

Mother has given me life,
My land has given me
Food and shelter,
And my language has
Given me nectar.

I have to sacrifice
Everything for the safety
Of my mother, my language
And my land. I want your help
Will you lend?

Gajanan Mishra
For My Miserable Condition

For my miserable condition,
It is I, who is responsible.
I am inclination,
I am disinclination,
And all resultant activities.
I am taking birth,
I am going towards death.
Death is nothing, but
Changing the place, time, form,
And so many things here.
I am here and I discover me,
I am sure and certain
In my space that has
No limitation.

Gajanan Mishra
For My Own Life

For my own life
It is I
Who is responsible
Life is really horrible.

In no way
I can save myself
It is I
Who is struggling hard.

No attempt is futile
It is I
Who knows
All styles.

Colorful is
This life.

Gajanan Mishra
For My Own Truthfulness

For my own truthfulness,
I am here, see me dear.

For my own promise,
I am fulfilling my desire
And sacrificing myself.

Still, I am living my life
In a sportive spirit
In the warfare of this world.

Gajanan Mishra
For My Pleasure

For my pleasure
I catch the fishes
Out of water.
For my pleasure
I dive in
To the ocean.
I see myself
On this earth
With pain.

Gajanan Mishra
For Naught

Aim is nothing
But sense enjoyment
And we are human.

How lazy am I
How unfortunate
How short-lived! ! !

Gajanan Mishra
For No Cause

For no cause are we here?
Think for a while, my dear and
Remember, no use of anger.

Come with a smile
And for this we are here
O my dear, forget temper
Forget enmity for ever.

Think not yourself
Extra-ordinary, my dear
Go with truth and with love
Whatsoever, for which
We are here and we
Are our cause and also
We are our effect, my dear.

Gajanan Mishra
For No Rhyme

For no rhyme
I am being attacked.

I am neither a criminal
Not a terrorist.
Neither a dog
Not a cat.

I must go back home.
But where is my home?
No way to go home,
I know.

Yet I am going out,
I am not able to
Walk freely.

Am I not a good
And honest human being?

Of course, I am
Slightly darker,
And poor.

Gajanan Mishra
For Nothing

All for nothing
Neither rejoice
Nor grief.

All for all
Be firm in understanding
Be un-bewildered.

Time is at hands
Within the earth and the sky
If you want, you can fly.

Gajanan Mishra
For Nothing And Nothingness

For nothing and nothingness
My fate struggle with me
And I came to know
Everything is with me.

I asked the bird to come
And the bird not listening
Tear the flag that was
There all day long.

Going to the sea I see myself
In the sky and
The sky was not there
And I know you are not happy
With this
Happiness has got vital
Importance though.

Gajanan Mishra
For Nothing We Are Here

For nothing we are here
Should not say like this
We are for a purpose
That is not known to us.

For You I am here
And for me You are
Active on the stage
The stage is empty, see.

Gajanan Mishra
For Nothing You Are Running

For nothing you are running
That I know from the beginning, my dear
Never endeavor for unwanted things
That are just burden in dark-cloud of this world
That never enlightened you anywhere at any time.

Gajanan Mishra
For One Reason Or Another

For one reason or another
I am with you now.
Tell me not anything,
Of course nothing obscene.

Take life pleasure,
Or go withering.
But stay in life
I am coming.

I care not how far,
A man or woman, you are.
I know wonky each one,
Still, show swank.

Let me re-embark,
To touch you there.

Gajanan Mishra
For Only One Day

Be a poet for only one day,
O my dear, and forgetting all pain
and sorrow, have a drink of nectar.

Gajanan Mishra
For Others

We are for others
And not for us
Try to understand
My boss
And be liberated.

We have everything
And everything is for others
Not for us
Try to understand
My boss
And be liberated.

Gajanan Mishra
For Others - Love, Life

I am here for others,
You are allowed to
Use me for others.
Whatever I do,
I do for others,
You may take its'
Benefits for others.
I am with you
So long as you
Surrender everything
For others.

Gajanan Mishra
For Our Goodness

For our goodness
We are here to win.
We are here to win
For our purity,
For our dispassion,
For our generosity,
For our illumination.
Let our goodness prevails.

Gajanan Mishra
For Our Language

1.

For our language,
We are ready to die.
For our mother,
We are ready to die.
For our earth,
We are ready to die.
Let the earth
Go round and round
But in peace.
Let our language of
Love spread all over
The earth.
Let our mother smile by
Discover the truth in us.

2.

Fragrance is there,
Pure fragrance,
In our own earth.
Life is there,
In our language.

I am the pure fragrance
Of the mother
In the shape of language.
Stay with me, my dear,
Talk with me,
Smell me,
I am the lustre in fire,
I am there in the fixed-star.
I am here to drive out the dark.

3.

See combustion
In my language,
The essence of my words.
My words are here
With me like fire.

Life power is there
In the language of
The mother.
And the earth
Is the effect
Of the language.

Let us use our words,
In love, in truth
For all good.

4.

My language, my words
Are the seeds of all,
All beings are here
In my words, in my language,
On this earth.
My language of love
Makes others stay in peace
In eternal form.
Divine glory is there
With the mother.
Truth is the main pillar
Here in this life and
It is there in the language
Of the mother.

Gajanan Mishra
For Passing

It is always
For passing
Your intention
Your desire
Your purpose
Your resolve.

And you are to
Achieve your
Own objective
You are to execute
Your own at
The right time
And right place
Here it is same age.

Gajanan Mishra
For Peace

Criminal intent and
Hit-and-run mode
Are very bad and
Not to be tolerated.
No one is sovereign
Except the Almighty,
Supreme power is
Only His.

O men, your living
And everything must
Be clean that should
Help others towards
All out developments.
Anomalies and injustices
Be eradicated soon
For the betterment.

Carnage and terror
In any form
Are condemn-able
No violence,
No insurgency,
Let us say
We are all only
For peace, for peace.

Gajanan Mishra
For Peace For Development

For peace, for development,
For invention, for discovery,
And for all creativity,

For Sale

Mainly
Girls are
Here for sale.
Unnotified
But true here,
In this area.
And I visited
The spot
Without words.
This business is
Profitable sir,
Said one man
Openly.
The man is
Not like to listen
From any one.
The reason he
Stated is that
No one is honest
And sincere
In his own work.
Pleading is that
Just ride the waves
That are before you
Added the man.
But, to tell the truth,
I feared and returned back.

Gajanan Mishra

I am writing,
And I am doing
All sorts of work,

I must say
As a successful writer
As I see the true picture,
Your honor, in good nature.

Gajanan Mishra
For Unknown

For unknown,
I have to learn
And inquire
And know all
Only from you,
I know you are
Within me
To make me learned.

Gajanan Mishra
For Us It Is Night

For us it is night
For You it is not.

The sun is there
Always in the sky
It is luminous.

We are always
In dark without Truth
And we desire not
Light and we deprived
Our dues.

Everybody appears
Everybody disappears
It is the sun
That shine as before.

Gajanan Mishra
For Values

Yes I know,
You are everything,
Everything in the sense,
That I can't make you
Understand right now.

Right now,
I am in no mood.
Right now,
I am searching
The truth.

But with all wakefulness,
I can say I am here
With you, for the purpose of
All values.

Gajanan Mishra
For Water

All for water
The rain says
To all.
All are in rain,
But no one got
A drop to drink
The water.
All suspend
All work
For the water.
And the water
Told all to
Proceed further
And closed doors.
No vehicle, no train
And nothing.
All are in prison.
All are in
Empty belly all days,
All are thirsty
And not a drop
To drink.
What is the time,
Some one asked.
Why are you worried
Some other one replied.
It is all for rain,
Entire day.
For water,
Suicide committed
By farmers.
For water,
Fight continued
Between neighbors.
For water,
Some left the place
With wrapper.
No features,
And if you want to go
Objection not raised
By water.

Gajanan Mishra
For What

Are you really flying
Mr tortoise and if so
Why are you flying, my dear
Is it your foolishness
And why is it that
You are not entitled to fly
I know not your decision
To fly is wrong, no never
I must say you are to fly
It is your birth right
You can do whatever you like
And since I am within you
You can fly that I guarantee
But not with the help of
Others who are helpless creatures
You can fly, my dear by dint of
Your own efforts that are there
With you, see again and try again
To fly, it is not the dream
It is the reality in this world
try again and again but be cautious
Flying is not a big game, do you not know
It is as easy as anything like
The act of respiration
It is as natural as birth and death
And living here but you have to
make it a habit by constant effort, my dear.

Gajanan Mishra
For What - This Life

For what,
This is for what
I am ready to.

To see You in full
Via trees via birds.

Gajanan Mishra
For What I Am Here

For what I am here I know not
I have forgotten past and
I care not the future and for
This the present is very pleasing for me.

I am here since time immemorial
That I know and I exist here as Yours
Only for the purpose of love and truth
And my presence is highlighted for You.

Gajanan Mishra
For What We Are Fighting With Each Other?

For what we are fighting with each other,
Let us first be clear and then only we
Should start our journey towards the river.

Without keeping any doubt within us
We should talk to each other with open hearts
And then only we should go for any war.

We should forget who will win and what
He will do after victory for another and
Then only we should see what is a loss.

We should see with our blind eyes and
We should hear each word with our deaf ears,
That are there with us and then test ourselves.

Let us have some dreams in fightings,
Let us have some definition of fight in us.

Gajanan Mishra

And only love you.

Gajanan Mishra
For Whom I Am

For whom I am here?
For whom I am writing?
For whom I am thinking?
All these are to be discovered
That are within me.

I know I am not here for
The dumb, the deaf
And the cruel.
And I am not supposed to
Write anything for them.

I stand here on my own foot,
I recite my own poems for me,
I move here and there only
To see the sky that is in me.

You are here to light the lamp, I know
and to show me the dream of the earth

in your eyelid-less eyes all activities of all.

How grateful am I, I cannot express here,
I cannot express as because I am still taking
everything from you here and you are giving me
everything in time feeling my want yourself.

Here the nectar is flowing in these words
That have a touch of yours and that are again
touching you and coming to this area, this earth
to all creatures and to all people including trees
and mountains and oceans and air and sky and stars.

And I must give you thanks for your light and encouragement to fight.

In their personal issues.
You are to stay away
From all litigations.
See others and smile
All joy are for you only.

I am doing all these
In words.

In words
I am composing
Everything, see
It is only
For You.

For You
I am here
Doing all these
O my dear
Please hear.

Gajanan Mishra
For Your Welfare

For your welfare,
I am tolerant.

I wish, let your
Desire be fulfilled.

You are doing
All that are needful.

And let me satisfy you
By my activity.

Gajanan Mishra
For Your Words

I am not writing poems,
But writing my heart.
Read me, follow me and
Feel me in the light of
Love and truth and
Tell something in return,
For the time is waiting
Only for your words.

Gajanan Mishra
Forbidden Acts

Forbidden acts
Are forbidden.

Shoot at sight declared
But not complied.

Those who are present
They are present
Though reason
Not known..

What they wanted
Not clarified
Though reason
Not known.

Gajanan Mishra
Force For Good

Force for good,
And no one can
Disrespect the truth.

The truth -
We are to place ourselves
As number one.
The truth -
We are not to tolerate
Any other number one.

We are to know -
One who is tolerant
Is to win first.

We know the world is one,
And oneness is our identity.

Gajanan Mishra
Force Not

Please force not,
I am not the person
to move away from my belief
by your force.
I am also not the person
To abandon what is with me.
See me, I am with all
My characteristics
sitting before you as before.
See me, I am self-evident.

Gajanan Mishra
Forced To Do

As such I do not
Want to do anything
I am forced to do
So many things.

As such I want to
See You right now
I closed my eyes
When there is a show.

Neither I am strong
Nor stout
Still I am here to carry loads
And You shout.

I know not how to live properly
Only I am here to accept You gladly.

Gajanan Mishra
Forcible Interference

Stop rape
Stop forcible interference
stop sexual assault.

Do not identify as
Habituated to sexual intercourse
Do not do finger test
Such doing is disgrace
Unlawful and such doing
Is also a violation of human right
Such doing is attack on
Honor and reputation and
Unnecessary interference
On privacy
Nobody has right to
Put questions on antecedents
And not relevant to the issue
Of consent and quality of consent.

Stop rape
Stop forcible interference
Stop sexual assault.

Taking circumstantial and
Other evidences put the accused
To custody and save human dignity
Emotional manipulation
Fear of violence or death or verbal threat
Should be taken in to consideration
Provide psychological and survivor support.

First delete the word rape
And use other supportive words
Second do not quizzed by too many professionals
And help in talking about problem
And let the victim talk about freely fairly.

Stop rape
Stop forcible interference
Stop sexual assault.

Gajanan Mishra
Forehead

What is there
On my forehead
How can I say
But I must do
What I think good,
What I think
I do no harm
To any one here.
No one can
Make me fear,
No one can
Change the atmosphere,
No one can able to
Predict my future.

Gajanan Mishra
If I understand
It is not foreign
Even if I failed to
Understand my wife
She is foreign to me
And so the word foreign
Is a relative term
Try to understand
The world is yours
Only yours and
Your home only
This is the fact
Nobody is alien.

Gajanan Mishra
Look, a foreign bird!
First tell me
What is foreign?
The bird was here
The bird is here
The bird will be here.
It is only our look
That can change
From time to time
Focussing on different
Shapes and sizes.
On one look you can
Change the geography
And also the history.
And it does not mean
The bird is not
Belongs to this place.
What we are telling about
The birds there is
Nothing new is it.
And the bird is flying
Far aways from our sights.
Let us forget it
And put up not this
Anywhere at any time.
The concept of bird
Though true it is for You.

Gajanan Mishra
Foreign Hand

Foreign hands everywhere
Foreign hands haunted us
Foreign hands recreate us
Foreign hands pervades
Many aspects of our culture.

Come on, O my dear,
We are the men of this earth,
No needs of foreign hands,
We can do anything for ourselves
Nobody is superior to us and also
We are not inferiors.

Gajanan Mishra
Foreign Land

This earth itself
Is foreign land
To us all.
And we are
Living here
As strangers.
None is our own,
Nothing is our own.
What we say light
Is really not like that
And it is not able to
Provide us right path.
So many enemies are there
Within us and they are
Pushing us to the dark.
Be careful my dear,
We should guard ourselves
Here at every stage.
Companionship with holy men
May help us in some way.
Life is in danger always
And we are to wait and watch
What is here and what is there
By our calmness and good works
And self-control with purity of hearts.

Gajanan Mishra
Foreign Language

Foreign language,
For us, has no existence
And it is unreal.
Yet we recognize
The existence of
Foreign language
And we value it
And attach to it
By using always.
We know,
It is unlawful,
Undemocratic,
Unconstitutional,
Though.

Gajanan Mishra
Foreign Language Must Not Be Used

Especially here,
In this system of
Justice delivery,
Foreign language
Must not be used.
Using foreign language
Is illegal and improper.
Using foreign language
Is against democratic norms.
Using foreign language
Goes against transparency
And purity.
People have the power of
Sovereignty, let the judges
Know it.

Gajanan Mishra
Foreign Tongue

While speaking in a foreign tongue
many challenges are there
that I enjoy.
New culture
new languages
new rules
new way of thinking
make it romantic
that I enjoy.

I enjoy the mistake
I enjoy new experiments
I enjoy new manner of
Speaking writing
that you have.

While speaking
in a foreign tongue
a new way of life
come to the surface
new words new lines
new and new
that we both
enjoy and like.

Foresight

Foresight,  
What is that  
I should know.  
Foresight,  
Keeping in view  
You are to go.  
Foresight  
Keep it with you.  
If, buts are  
Not the question  
But necessary  
For proceeding ahead  
Keeping aside.  
Life.

Gajanan Mishra
Forest And Home

No mother at home
No sweet words from wife
Neglected like anything by sons and daughters
Home is like a forest for a man
No son no daughter
Not cared by husband
Living like a maid-servant
And neglected like anything
Home is like a forest for a woman.

Gajanan Mishra
Forest Fire

Forest fire,
Wind and fire,
Life and desire.
Bull and serpent,
Love and care,
The sky keeps the stars.
Rivers and oceans,
All world film fare.

Gajanan Mishra
Forest Fire- The World

Caused by cohesion of
Bamboo bushes.

Gajanan Mishra
Forever Fresh

Forever fresh
Despite detention
History hostile in
Limitless livings.

Gajanan Mishra
Forfeiting Honour

Forfeiting honour
Is a sin, incur not.
Not doing your own work
Is a sin, do own duty.
There is happiness,
There is reputation,
And what not
In your own works.

Gajanan Mishra
Forget About

Today is today
Forget about other day.

Todays sun is fine
And I forget to take wine
The sun is tender
It make my life finer
I am lucky
The sun offer me
mango fruty
This is miracle of history.

Gajanan Mishra
Forget all and live well,
Live well and love all,
Love all and find the truth,
Find the truth and forgive all,
Forgive all and stay in peace,
Stay in peace and live well,
Live well under nature
That is pure in air and water.
See all and hear all,
But interfere none.
Remember, each one is
Free here.
You are here
As ever.

Gajanan Mishra
Forget and go ahead,
Your past failures
Should not get a chance
To check you on your way.

Regret not my dear,
That is not your business.
enjoy the life's flow
That is here with you.

Nothing is there to miss,
You are to get everything,
O my dear, you wish.

Always say yourself cool, cool,
Nothing but life itself is debatable
And yet, be cool while crossing the life-pool.

Gajanan Mishra
Forget And Neglect

Even though you
Forget and neglect me,
I am always anxious
For your welfare.

Gajanan Mishra
Forget Birth Forget Death

Forget birth, forget death,
But remember the aroma of flowers.
Forget fire, forget care,
But remember that fixed star.

My peace, my love, my hearts,
You appear and all auspicious,
East, west, south, north and
Everywhere, continue charts.

No seasonal change to place,
Within and outside, dear.
Let me dance in jubilation,
You are with all beauty, here.

Gajanan Mishra
Forget Desire

Forget desire
And see
No storm
No strife.

Live life
Without desire
And feel fine.

Endure time,
It is only
With you.

Cool, cool,
And see
Jumping over all
Hurdles are so easy.

Gajanan Mishra
Forget Disputes

Forget about
Land, wealth
And woman
And forget disputes.

Think about
Peace and peace,
Peace is the only way
Here, to stay.

And peace is toothless
And if you want something
Go for peace and forget
Dispute if any.

Gajanan Mishra
Forget Everything

Forget everything
And start life afresh
From this moment.

From this moment
There is no difference
Between You and me.

Between You and me
There is nothing
I pray, receive my offerings.

Gajanan Mishra
Forget Everything

Forget everything
And get peace.
Remember him,
Who knows everything,
And get peace.
In peace,
Create your own identity.
You are in the midst of
Eternal time, just observe,
Yourself where you are,
And what you are doing.
It is true, you are the end,
You are also the beginning,
But you are beyond both.

Gajanan Mishra
Forget Forget

Forgetfulness is good
Forgetfulness is death.
Is it pleasurable?
is it painful sensation? But
How that I do not know.
I hear only about death
I have not experienced yet.
Yesterday is still there
Before me in my mirror
Though I know it is an error
I do not like to identify
My ego or forego
I only try to forget myself.

Gajanan Mishra

That is for good.

Gajanan Mishra

I am going from you.
But where shall I go
That I know not.

You are there, O love,
Let me know your play
On the path of truth,
Eternal and unlimited.

Gajanan Mishra

And go on fearlessly.
Remember, friends,
Nothing to fear.

You are your own literature,
My dear friends, you are nature.

Gajanan Mishra

And live in peace.

And it is here
Where we are.

And all others are subsidiary
And think for a while
What will happen in your absence
At the last part of your story.

And He is all in all
And He is in you above you inside and outside you
It is He and He and He.

Mother full of love,
And you have a
Mother-tongue
In your mother land,
Where in you can
Express freely
Under the sun.

Forget not your goal, my dear
Deviate not from the actual purpose
Go not with intolerable anger and
Darkness of ignorance
You are inseparable from the Supreme Truth
Remember always what I realized is You.

Gajanan Mishra

Men, you can eat,
You can drink,
You can enjoy life,
But men, forget not
Your own identity.

Get all results
Of your actions.
You are here to
Show the light
Of your own darkness.

See, observe and
Control yourself,
Men, you are nectar.

Gajanan Mishra
Forget Not Your Life Span

Is going to finished.

In the evolutionary circle.

Methods of persuasion is there
To bring you round here by
Making use of threats and blandishment.

Do your duty, my dear,
Forget not your task
And be particular for
The all out welfare of all.

Gajanan Mishra
Forget Not, You Are Men

Not dogs not cats not wolfs.

You are at the gate of
Hell and heaven
Forget not men.

You are free to
Carry your own message, men
You can utilize yourself
Anywhere anytime you like.

You are not the slave of anybody, men
You are your own master
Feel not orphan at any point.

Give regard, stay straight
Look forward, go not backward, men
You are your own captain.

You are not the sufferer, remember
You are not powerless
You are not dependent, men, remember.

No birth no death can touch you, men
Just adopt some principles
You are not the end.

Error is but common, men
Worry not
You have already passed all test.

Doubt not anything
Doubt not anybody
Truth is your friend
Justice is your hands
Attached not yourself
With mundane objects.

Study the self, always men
Review your own works always
Forget not you are men
You are at the gate of
Hell and heaven.

Gajanan Mishra
Forget Not, You Are The Son And

Know the rose
Where it is.
And explain its
Colors in details
In your own language.
Remember, language is
Your own identity
And you stay therein
Always everywhere.
Forget not, you are
The son and daughters
Of your own mother
Who is only there
For you.

Gajanan Mishra
Forget poems,
They are not yours,
And what is yours
Come on and verify.
Come on and verify
Who are you
And for how long
You are here and
what is the purpose of your stay.
Please say
Whether you are able to
stay here for a moment at least.
You have to admit,
You are driven away on your own way.

Gajanan Mishra
Forget Telling

Forget telling about
Your eating, drinking
Standing, walking
Sitting, awaking
And also sleeping
I am not related
With all that,
Tell me not about
Your livelihood
About your caste
Religion, and social
Order, my dear,
I am only concerned
With your love and devotion.

Gajanan Mishra
Forget The Existence

Forget your own existence, O my dear
Forget your value and also
The livability of your world, if you want peace.

Gajanan Mishra

Forget the name
And come on.
Remember, you are

Scattered bits.
Nothing to worry,
Come on elegant.

Gajanan Mishra
Forget the past
Express your feeling
At present
I am here to
Hear you and
To take care your
Emotion and situation.
Be quick and
Take everything easy
Accept the affinity
For truth and conquer
The sky that is within you.
Hatred and enmity has
Nothing to do.

Gajanan Mishra
Forget To Play

Forget to play the card
You like most.
General public decide
What to play
And when.

Gajanan Mishra
Forget yesterday,
Yesterday is no more.
But you are here,
Remember yourself
And talk about you.
At this moment
You are the truth,
And you are present
And doing everything today.
Today is here
And it is yours.
Who knows future,
Only uncertainty
Is there with it.

Gajanan Mishra
Forget Your Language

Forget your language,
My dear girl and follow me,
You have arrived at right time.

I am here to make you open
Phase-wise at every stage
Like the sky.
The sky is there
That smile at us,
Thinking how fool we are,
While searching what are there.

My dear girl, I have
Forgotten your qualification,
And I have got you here
Only in my hidden camera.
My sweet, come and see
How I am here torturing myself
Thinking so many things at a time.

I have forgotten myself
Thinking about you only,
My dear girl, see, see me,
I am enjoying life
In my mourning.

Gajanan Mishra
Forget Your Name

Forget your name,
Forget your earth,
And forget everything
And be a successful man
In the world of today.

Live, up to your
Own satisfaction,
Tell, whatever you
Like as per your dreams,
Realize the things
As they are under nature,
Understand and interpret
In your own way till
A new history appears.

Gajanan Mishra
Forget, you are,
The body and
The body,
Is you.
The body is here,
But can you say,
Where you are.
Watch the movies,
Hear the stories
And search yourself.
Nothing is the wonder
And everything is
But in natural order,
Think and remember.

Gajanan Mishra
Forgetfulness

I have forgotten
Because I am in such a place
That is of forgetfulness.
I have forgotten
Because I am in illusion
And this material world is illusory.
I have forgotten
Because I am disturbed
By awkward circumstances.
I have forgotten
Because I lack long penance and
Transcendental knowledge of self-realization.

Gajanan Mishra
Forgetfulness Can Be Forget

Forgetfulness can be forget
With double mindset
In the morning and at sunset.

An information is here
For you my dear
And this relates to forgetfulness.

That I forget to tell you
And I am proud for that.

Before and after sleeping
You told me so many things
And I have recorded them all
In the memory but where it is
That I failed to discover now.

Ask me not who am I- relevancy no more.

Gajanan Mishra
Forgetfulness Is

Have I forgotten
My aim?
And
Who am I?
Forgetfulness is
My nature, I do admit.
What is really
My aim?
And where from
I came?
Have I forgotten
My aim?
Why should I say
I am what I am?

Gajanan Mishra
Forgetfulness is an asset,  
But let me welcome  
Fame, prosperity, speech,  
Memory, intelligence,  
Steadfastness and forgiveness  
For the sake of virtues.  
But I see you as truth in all things,  
Incidents, circumstances, and creatures.

Gajanan Mishra
Forgetting All

Forgetting all accounts
I stay with you my dear
How can I keep account
With You my love
Love demolish all
I offer my love
In turn I win Yours
Accounts is not
Maintained here
I am unable to maintain
Accounts.

Gajanan Mishra
Forgetting Love

Forgetting love
Means passing days
In vain.

Pole star of life
Is love and for it
We are all on
The right way here
In world's trackless sea.

Love is the gracious light
In our trouble days.
Love is the inner guide
Of our hearts.

Let us dance and drunk
With this divine love.

Gajanan Mishra
Forgetting My Mother

Forgetting my mother
I arrived nowhere.
And there I discovered
Who I am, but just a thief.

Telling the story of demon
I attracted the attention
of all human being as they
are connected with my thoughts.

Thinking what I told
and possessing what I have
I appeared before all
and embrace them as near and dear.

Gajanan Mishra
Forgetting Peace Justice

Forgetting peace justice equity
We killed one another
In this slaughter house.
We propagated one thing
And we practiced another
Here in brotherhood.
Under what authority
We failed to know and
Propounded our knowledge.
Forgetting peace justice equity
We arrived in volte-face
To foretell future that is at hand.

Gajanan Mishra
Forgetting Search

Forgetting search
I answered
The question present
That is unanswered.

A hint of answer
Question sidetrack
People fled away
Not knowing
What is question
And what is answer.

Gajanan Mishra
Forgive All Faults

Let us forget
All faults of all
And live a life,
A life of nectar.
Let us feel
Each other keeping
Aside all fun
And intimacy.
Let us wage war
Against all illegalities
And let us go
Together with love.
Let us take all as humour
But life is more than any humour.

Gajanan Mishra
Forgive And Forget

Forgive and forget
Said Jesus Christ
Forgetting the wrong done
Forgiving an offender.

I have capacity
I have opportunity
To avenge though.

Gajanan Mishra
Forgive And Forget - O Men

Forgive and forget
And be a handsome man
And a beautiful woman.
Your beauty lies
in your sincerity and
devotion with time.
Time is perfect
When you are healthy,
wealthy and wise.

Gajanan Mishra
Forgive and forget
Not easy to say, my Lord
As you said
It required lots of love
It is only You who can uttered
With much more humility
You are really good and great
You love everything, everybody
As you love yourself much
And you have no resentment against you.

Gajanan Mishra
Forgive Me

Forgive me
I have committed
A lot of offences
In the past
Forgive me
For my ignorance.

I know not
Who you are
Staying sitting
Sleeping playing
Dinning with me
As wife son brother
Sister mother father
Friend teacher
As I am ignorant

Forgive me, O my dear
Forgive me, I know
You have countless powers
You are limitless
You are infinite
Forgive me, forgive me.

Gajanan Mishra
Forgive Me For

Forgive me for
The sins
I have committed
As a living being.

I realize
This world, a stage
And I have to
Be a cruel man
At times and
For this
I seek
Forgiveness.

Excuse me for my
Heinous deeds if any.

Gajanan Mishra
Forgive Me, Please

Forgive me, please,
I am not able to
Understand you,
I am also unable to
Understand the truth.

Gajanan Mishra
Forgive Them - Truth

Forgive them
For they know not
What they do
Only Lord Jesus
Could utter.

Form good association
And brings all
In touch with
vital truth and
Tap hidden strength.

Gajanan Mishra
Forgiveness

You are arrogant
You are ignorant
May God forgive you.

I have nothing to give you
I have Nothing to take from you
You are yours.

Gajanan Mishra
Forgiving And Loving

Forgiving and loving
Forgiving and loving
Loving and forgiving.

Life is a gift,
Realize, my dear
And enjoy it.

Life is outward
Life is inward
It is first and last.

Use life and forget
Everything that are there
In so-called knowledge.

It is life
And it is in love, it is truth.

Gajanan Mishra
Forgiving The Faults Of Others

Forgiving the faults of others
I am living here and discharging
My duties selflessly
I have forgotten who am I
Where from I came and
Discharging my duties selflessly.

Gajanan Mishra
Forgotten

I have forgotten,
Your name, who told it.
You are in my heart,
Is it possible to
Forget you, your name,
Your pastimes,
And everything.
See, I am like you,
All the truth,
And all the love.
I am the rock
And also the river,
Like you dear.
I am the air and
The water on this earth.
I am the salt and
The sugar and I
Give life and
Livelihood to all.

Gajanan Mishra
What is it
Besides something
Of this material?
And is opposite of
Truth.

O my dear
I know
You are formless
And only for me
You are here
And taking pain
In this matter
And taking steps
To give me peace.

Pardon me
You are here
In this form
Only for me.

Gajanan Mishra
Form / Formless

Within form
There is formless,
Within formless
There is no form.

To catch the ball again
The ball is thrown
Towards a wall with force,
To see the truth
Let us establish the truth
Everywhere with love.

Going to the gist
One can know what is what,
What one knows
That is the start.

Gajanan Mishra
Form Of Goodness

I know, my dear,
You are the form,
Form of the quality
Of all goodness.
And by goodness
We can come to
Realise the truth.
You are the truth
That we know.

Gajanan Mishra
Form, Prayer

Form, prayer
And meditation
I have forgotten.
But I remember you
In the spring season.

I have not touched
A crow at any time
But I know the bird
In so many ways.

I believe not in cheating,
But cheats are here with me.
And they said life is a gambling,
I believe not their words
And I proceeded forward with me.

Gajanan Mishra
Formation Of Whole

Neither You nor I alone
Can form a whole and
Without a whole it is
Difficult to determine angle
And without determination
Of angle it is difficult to stand
And without standing position
You would not be ready for fight
And fight to necessary to survive.

Gajanan Mishra
Formidable Changes Await

Formidable changes await,
Please come together with your
Language and use it
Everywhere.

Gajanan Mishra
Formidable Is Fate

Formidable is fate.
Providence is here
With loss and gain
Life and death
Glory and infamy.

Blame not anybody
For anything
Be not angry
With or without
Any cause.

Salute the wise
Salute the king with
Knowledge of politics
Salute the man who love all.

Gajanan Mishra
Forming Opinion

Forming opinion
Is not good not wise
Without knowing everything
And to know everything
Is not so easy
I remained silent
And you yourself
Making road for departure
When and where
I am absent
And it is not within
Your knowledge
I'm present everywhere
And always.

Gajanan Mishra
Formless

Formless and
In form
So many doubts
Are to be
Cleared.

Knowing everything
Is knowing nothing
Eagerness is there
To know though you
May say all useless.

Questions are okay
In their places
But here I am
See in front of you
A question unanswered.

Doing and undoing
Is at your disposal
You may or may not
Come here that is
To be inquired.

I have full faith
Here there is no doubt
Yet I am not envious
It is also a truth
Rest is depends on You.

Gajanan Mishra
Formless I Am

You are coming
Towards me, I know,
I am formless.

Gajanan Mishra
Forms And Formless

Form and formless
Are nothing but
Juggling of words and pictures.

Gajanan Mishra
Fortitude

Fortitude -
Moral courage of the highest order
Fortitude -
Lord forgive is if we forgive others.
Have patience with you
O my love
This is the only true love.

Gajanan Mishra
Fortunate

You are the Lion
Of the lions
And I am fortunate
I am Your son
And I have
Your darshan
I am under You.

You are the ocean of
Compassion
This earth is Yours
And You are the only
Ruler of this earth
I am fortunate
I am under You.

Gajanan Mishra
Fortunate - Love Life

Fortunate I am,
Life after life,
I am with you,
That I remember.
I enjoy, here,
Companion and
Our partnership
Is most welcomed.
My engagement is
Fine and the result
Is praiseworthy.
I am influenced by
The truth and love
Is there in me.

Gajanan Mishra
Fortunate, You Are

Fortunate, You are O poet
O my dear poet
You are really fortunate
Here you are at this moment
To write to speak to recite
I know you can only write
I know you can only speak
I know you can only recite
O my dear poet you are pure
And you are perfect
Please relate the pious message
Of Almighty the omnipresent
The Omniscient in your poem
O my dear poet I know you are
The spokesman you are
The speaker and the authorized
Person and His representative
Here at this moment.

Gajanan Mishra
Fortune

Fortune is with the sun
Fortune is with the moon
I am burning with fortune
Is it like cuckoo's coo
Is it there with the river
I can not say you
What is the color of fortune
This much I can tell you
Being with you at this moment
I am most fortunate
Rest is with You.

Gajanan Mishra
Fortune Forecaste

Mixed bag
Offered by
Lady luck.
Everything and
Anything can be
Achieved by you.
But turn not
Blind eyes to
Your shortcomings.
Look forward to
A delightful day.
Have fun
In the company
Of friends and partner.

Gajanan Mishra
Forward View

Forward view
Test my forward view
That is always new.

I am looking at You
Being the only Truth
Seen or unseen- no news,

I am always with You
And You are within me
That I know- my immediate fruit.

Gajanan Mishra
Forwarding Myself

Forwarding myself on journey
I see kissing of light
At sweet-will and a path
That left my childhood
Far behind.

Childhood friend
Reminded to play
And I felt no
Difficulty with this.

That I asserted
And crossed the path
I walked and walked
To the place not mine.

Gajanan Mishra
I salute you,
Fo-sho-hing-tsan-king,
For your version;
'your evil thoughts
And evil words
But hurt yourselves.'

Gajanan Mishra
Fostering

We are, my dear
Fostering each other.

We have our own affinity
And it is renounced.

And we are together
My dear, we are
Fostering each other.

I am doing nothing
I am not a sinner
You are also not doing
You do not commit sin.

We are, my dear
Fostering each other.

We are here
We were here
We will be here.

Gajanan Mishra
Foul Play

Foul play not good
Foul players destroy themselves.
Foul play means play with injustice
Foul play means neglect justice.
Foul play I do not like
Foul play I do not like.

Gajanan Mishra
Foul Play With Neruda

Foul play With Pablo Neruda
Remember, a poet can not die
And live for ever, here.

Gajanan Mishra
Found Nothing

Going to the people and
Found nothing
What is called progress
And in the name of progress
You told me to go further
Deep and deep and stayed
So long as you found nothing.

And heaven's sake I am telling all
You are to ponder that are amiss
 Except you I am going to see and
You are at center point
Without any name and title
That I enjoyed remembering nothing
Permanent nobody adamant.

Gajanan Mishra
Foundation Of The Future

Foundation of the future
Are firmly in place,
Let us proceed forward
Together for all welfare
Of our own planet.

Let terrorism go
From this earth
With its philosophy of
Hate, murder, and killings.

Let us come together
And declare with one voice,
We want peace and
Peaceful cooperation is
Our aim for all creatures.

Gajanan Mishra
Fountain Of Inspiration

Please work,
Work for others
As a fountain of
Inspiration, my dear.

Please work,
But be cautious
While working
And stay detached.

Remember, by an error
You are here and
You are here
By order.

Remember, your property,
Your property is
Your love and your love
Is the only truth here.

Gajanan Mishra
Fountain Whistles

Fountain whistles me
And I dance here
On the open field.

The doctor declares me
Mad and I run and run
Till the end.

I know not where is the end
Amd still I run and run
To hear again and again
That whistles sound.

I care not the storm,
I care not the rules or
The norm and I returned back
Naked to see the fountain dry.

Gajanan Mishra
Four

You are four,
One is intelligent,
Another is martial,
Yet another is productive,
And the last one is labourer.
But all the four have
The same value,
In this life, we consider
As the truth.

Gajanan Mishra
Four Arms Six Elements

Four arms six elements
Six seasons seven days
Eight procedures nine blue
Ten doors eleven twelve intelligence
Thirteen you can find goodness
Passions and ignorance
East west north south four books
Likewise in a month full growth
Skeleton in one and half month
In three month nose ears face
Earth air fire skin and the body
Life is there in four months
And in five started praying O God.

Gajanan Mishra
Four Boys

Here in this school
Four boys are reading
Teacher came with
Four chocolate
At the sight of the chocolate
One asked for chocolate
Second boy cried for chocolate
Third only looked at the chocolate
Fourth one was just reading
And teacher gave them one chocolate each
Now tell me O my readers
The class of boys here
All are good boys
Mark them with different
names and number.

Gajanan Mishra
Four Kinds

East west
North south
Four
Appearing disappearing
Birth and death
Four
And four
Men beasts
God demon
And four
Wife husband
Son daughter
Come go
That is what
We show
And we grow
That is four.

Gajanan Mishra
Four Parts

See four parts
My face
My arms
My waist
And my legs.

I am the Absolute Truth
Always in light and in
Spreading knowledge
I am the heart
And I am busy always
For universal welfare.

Go on four directions
East
West
North
And south.

I am the east at birth
I am the west at death
I am in the north while
Cultivating knowledge
I am in the south
When at peril.

Gajanan Mishra
Four Quarters

First;
Celibate student life.
Second;
productive householder.
Third;
Retirement, supporting
sons and grandsons.
Final;
Renouncing home and all.
With this four quarters
We see no generation
dominated society.
One generation made room
for the nest.

Gajanan Mishra
Four Stages

Age of truth
Is our childhood,
Wherein silently
We have remembered God.

Age of intellect
Is our student carrier
Wherein we are busy
In acquiring knowledge.

Age of service
Is our family and social life
Wherein we engaged ourselves
In giving service to others

Age of later life
Wherein we should spend
Our life in love and
In renounced order.

Gajanan Mishra
Fourth Of July

I know,
It is related to you
The fourth of July.
You have started your journey
On this very day
In broad day light
On the path of eternity.
I know,
You are independent
Of the mystic's background.
I know, you are
Emerging from the very
Experience of life
To reign supreme.
You are aware, I know,
Mutual interrelation
Of all on this earth,
That is the reality.
Truth is there
That transcends all,
All-including whole,
In the totality of all.

Gajanan Mishra
Fourth Stage

See me
I am in my fourth stage
Of my life.

See me
I have not yet
Lost my relish
For the pleasure of sense.

Sore distressed at heart
And life wasted.

Gajanan Mishra
Foxes And Wolfs

Foxes and wolfs wanders
In dense forest
No moon no sun
The ages of history
Being turned.

Playing of light shadow
Continued under the tree
The tree keep me free
And I live
Water and air there
And I being
Transparent dissolved.

Gajanan Mishra
I am not self-made,
I am Your fragment,
And I am sentient.

Here, my main duty
Is to improve and
Purify my nature.

And I have to performed
My prescribed duty
Sanctioned by scriptures.

I am Yours,
I am perfectly pure,
You are my whole, I am sure.

Gajanan Mishra
Fragment Of The Supreme

No deficiency found in self
Self is raising by self
Self is conquering self
Self is real
Self is the Master
Self is the doer
Self is the enjoyr
Self is self and
Self is the fragment of the Supreme
Go with self always
And in self everything
Everybody are in frame.

Gajanan Mishra
Fragmental

Fragments parts and parcels
Of Love
Qualitatively one
With Love
Just as parts and parcels
Of gold are also gold.

Gajanan Mishra
Fragrance

Fragrance
Fragrance of
Jasmine flowers
Lotus-scented breeze
Rising moon and stars
All are here the performers
Of wonderful feats
All are playing by Your orders
And doing all sorts
With Your instructions.
You have further given me
This pious spotless body and
I am going with it at this hour
To give happiness to all creatures.

Gajanan Mishra
Fragrance Is Here In Life

Fragrance is here in life,
Life is fragrant.
Poets know.
And for this
I salute the poets.

Poets know the reality,
Reality of life in dreams.

Poets know
The fragility of time.
And for this,
Poets show the road-map,
And say how to cross the time.

And for this, I salute the poets.
This earth is heaven only for the poets.

Gajanan Mishra
Fragrance is here in life,
Life is fragrant.
Poets know.
And for this
I salute the poets.

Poets know the reality,
Reality of life in dreams.

Poets know
The fragility of time.
And for this,
Poets show the road-map,
And say how to cross the time.

And for this, I salute the poets.
This earth is heaven only for the poets.

Gajanan Mishra
Fragrance Of Life- Truth

No exchange please,
I want not to exchange
What is there in me,
With what is there in you.

But I definitely want
To exchange love,
The truth of life.

Life is full of bliss,
Life is full of knowledge
And eternity.

Let me live life,
Let me realize the truth,
Let me enjoy the fragrance of life,
Let me present myself in all pervading life.

Gajanan Mishra
Fragrance Of Silence

Fragrance of silence
is there and
it is most powerful.
Fragrance of ignorance
is there and
it is not punishable.
In you, I see both, my dear,
And I see the life remarkable.
Life is for us in so many
Colours and we find nothing
Like sexes, creeds, caste
Or calibre can bind the life
In a way, that is not
Permissible but horrible.

Gajanan Mishra
Fragrance Of The Earth

Fragrance of the earth
Calls for prayer.
O traveler, come on
Board the body-ship
And do everything here
As an act of worship.

Fragrance of the earth
Calls for prayer.
With open heart, lover
You should come
With the gifts that is
In Eternal vessel.

Gajanan Mishra
Frame Laws

Frame laws,
Obey laws,
Guard laws.
Violation of laws
Invite punishment,
Known to all.

If no one obeys
The laws,
And no one gets
Punishment,
No value of
Framing laws.

What do you mean by
Rule of law,
If you are a lawyer,
If you are a judge,
Explain, please,
To all.

Law is law,
All laws as framed
By Legislative assembly
Are equal and binding
To all without any
Discrimination.

People are at the center
Of all laws.
Let the people understand
What is there in the laws
For them.
Let them read.
Let the laws
In their languages.
Let the lawyers and
Judge work lawfully
For the people.
Let the executive officers
Declare them as
Workers of the people.
The sovereign powers
Lies with the people,
It is true.
If anyone unable to know
The language of sovereign authority
Let him go.

Gajanan Mishra
Frameworks Of Truth

Frameworks of truth
Is my life.
See and verify.
Is it not yours?
My life is always
Fresh-blossoming love.
See me in the lightning
Of my body.
It is matchless
It is never ending joy.
Through and through
I am yours.
Take me in any form,
My dear, I am there.

Gajanan Mishra
Frank and thorough,  
I like this  
And you have it.  
I believe in 'live  
And let live'  
And I love you  
As your quality of  
Thinking and feeling  
Are the same.  
I know not all  
Your forms and names  
And attributes and  
Still, I love you  
As wonder and wonder.

Gajanan Mishra
Frank Person And Polite Talker

Do not say
They are twin
And alike
In nature
And in qualities.
I know
I can not say
A frank person
A cheater
It is the clever
A polite talker.

Gajanan Mishra
Fraud

Fraudulence is
Hindrance to
Make success.
Come with
Clean hands
To get a decree
In favour.
Truth alone
is a trumpcard
To entwine.

Gajanan Mishra
Fraud Cannot Be Allowed

Right,
Fraud cannot be
Allowed.
When we are all here
For public good.

Truth
Must be unearthed
For all welfare.

Transparent structure
Must be built
For knowledge.

Active participation
Is a must
For all out development.

Gajanan Mishra
Freaks Of Time

Freaks of time;
Dispassion is no more
To be seen,
Ascetics grow wealthy,
Householders go penniless,
Well-born virtuous wives
Are driven out, and
Servant-girl brought home,
Sons respect father and mother
So long as they have not seen
The face of their wife,
Poets are seen in large numbers,
Saints refuse the Truth,
People perish for want of food,
Freaks of time is duplicity, perversity,
Hypocrisy, malice, heresy, pride,
Infatuation, concupiscence and arrogance,
There is some unholy motive with all,
It is raining not on earth,
Food grains sown in the soil do not germinate,
Women have enormous appetite,
Envy, harsh words are rampant,
Evenness of mind is absent,
People are all smitten with bereavement
And deep sorrow,
Self-control, charity, compassion and wisdom disappear
Remember, it is the store house of impurity and vices.

Gajanan Mishra
Free

The poem is simple
Not understood
The jungle is beautiful
Not understood.

I do not want this poem
I do not want this jungle.

I love poem
I love jungle.

You are free to read
And understand as you like
You are free to move
Where you like.

If you are free
It is good
If you are not
It is bad.

Gajanan Mishra
Free
Free - you said
That I do not agree
The word the definition
Is not in recognition
It is in renunciation.

I do not agree
From the very beginning
With your putting question
With the use of words
That are available to you
At this place and time.

You declared
Here is fruits
That I explained
Chapter-wise in the field
Before the war started
It is you to decided what to do.

Gajanan Mishra
Free And Fair

Everybody is free and fair
In democracy you know
The world is made for democracy
And here we find you only ruler
We are all your subjects
From an ant to an elephant
You made us self sufficient
Disciplined and tolerant
O my dear it is your greatness
That You have given our destiny
At our hands and we are doing
We are focusing all things here
Just for the sake of duty
And You are giving signal
That imply only beauty.

Gajanan Mishra
Free Bee

Free bee,
Honey not free,
You can see
The honey-comb free.

It is all free,
The moonlit night,
The silver-face
Of the sky all free.

Life is free,
Body-building not free.
Age is free
But not old age.

One - you have to buy,
Another get free.

Gajanan Mishra
Free Bird

I am a free bird,
And I am free to
Sing and dance.
Out of my own living
With love I am getting here
Health, vigour, pleasure.

I am a free bird,
And I have experienced
The excitement of
Vitality with love.
The ocean of delight - love,
The reasons of your heart,
Is with me in shape of love
And no one can stop me anywhere.

Gajanan Mishra
Free Flow

Free flow
Free flow of
Air and water
My dear, it is nectar.
Genuine life
With genuine expression
Makes you happy
And gives peace.
Foundation is strong
In truth with its own
Existence and it is
Life in realization.

Gajanan Mishra
Free Flying

Free flying at times
I am an Ice
At another time
I am a gas giant.

You may call me
By any name
And see I am
You.

Gajanan Mishra
Free From

Are you
Free from dualities
(The pairs of opposites)
If yes then go
You are free from
This bondage.

Gajanan Mishra
Free From Bondage

Who is free from
Bondage tell me.

Degrade not
Anybody.

Liberation and
Inspiration go together.

There I am my dear
Find me in everything.

Gajanan Mishra
Free From Darkness

See, I am free,
Free from all darkness.
I am with the words.

I am illuminated
By my own light, see.

I am dazzling,
I am the illuminating energy,
I hear the words with ears flapping.

Gajanan Mishra
No action is free from defects
Nothing is free from defects
Even alms is not free from any defect,
Alms is also not free from competition
Alms may be the burden of a householder
There can be jealousy between two beggars,
The householder may feel sorry if food not ready,
The householder may suffer from pain,
No action is free from dilemma and blots
It depends on the person concerned
Who is involved in such action.

Gajanan Mishra
Free From Faults

A creature is
Free from
All faults.
And then only
He/she/ it is
Visible here.
Root of all
Is nature.
Try to know
Nature, dear.
Try to know
The features,
Work culture,
With pleasure.

Gajanan Mishra
Free From Fear

Free from fear?
How is it possible
So long as I am here?
I depend on this matter.
My body is the matter,
My body is the cause of
My greatest fear.
Everything is here only
For this body - the theft,
The falsehood, the fraud,
And the adultery.
All the factors,
And my dear, I am
Here full of fear.

Gajanan Mishra
Free From Pleasures And Pain

I am free
Free from
Pairs of opposites
Pleasure and pain.
I resist impulses of
Lust, anger, greed
And aversion etc.
I do not doubt
My own doctrine
I do not criticize
Condemn doctrines
Of others.
Renunciation and
Actions are one
I realized.
I am not jealous
And envious
As I know
You dwell in all.

Gajanan Mishra
Free In Doing

I am free
In doing anything
You are free
In giving me anything.

We are acting both
Just machines.
You cannot say
Who is right.

What is first
What is last
Nobody knows.

Nothing is accumulated
And nothing inspired
What I told all experienced.

Gajanan Mishra
Free Lancer

I am freelancer
admit or not
road is closed
with me
admit or not.

so long as
i am here
there is light
so long as
there is light
you are here
so long as
you are here
i am here.

so long as
i am here
there is question
so long as
there is a question
who am i
whether i am
male or female
what am i
nothing is certain.

And i am a
free lancer
who is out of form
and ready to go
as per sweetwill
of others.

Gajanan Mishra
Free Life

Here it is,
Free life,
Free mind,
Free body
With flies,
With smile.

For this
We are traveling
So many poaces
And we care not
Anything, anybody.

We are to know
Our days,
No reason to care
The spelling, though.

Life crumbled,
Not for weapons
But for love.

Love exists
For all.

Gajanan Mishra
Free Man

Can you free me?
Are you free?
I know a bound man
Can not help another
Bound man.
A saint can help
A saint
A thief can help
A thief.
A saint can not
Help a thief
A thief can not
Help a saint.
A bound man
Can not help a bound.

Gajanan Mishra
Free Men, Free Speech

If I am free,
I must be freed
In terms of
Giving speeches
That I think fit
And true.
If I am normal
And with love
Of the land,
I must wish
The welfare of all
In my actions and
Speeches here.
If I dissent
And give contrary
Opinion to any one
It does not mean
Inimical to all
Or to national interest.
Give me freedom
At least to
Express myself.
If truth is not there
My opinion would not
Last, that I know.
If truth is there
No one can check me
From any corner.
Tolerate me,
Excuse me,
Encourage me
In publications
Of my views
For the sake of democracy.
Let me live
In my destiny
In my idea.
This is what
I have got the right
On this earth.

Gajanan Mishra
Free Of Cost

O my dear
It is only you
Who has bestow
Upon me
My necessities
Without cost
And you give me
My beneficial things
For my welfare
O my love
I realize your
Glory and your
Benevolence and your
Selflessness and
friendliness.

Gajanan Mishra
Free Of Enmity

No one is free of
Enmity here.
But each one is
Living with a cause,
For the welfare of
Others.
All living creatures
Are not cruel
By nature.
Each one tries
To go higher
And higher.

Gajanan Mishra
Free Rider

Go on
It is heat
It is an opportunity
Go on.

Go on
O free rider
Only time is with you
Go on.

Go on
Omission and commission
Organisational default
Go on.

Gajanan Mishra
Free Speech

Free speech,
I know not
Its bright side.
But whenever and
Wherever I
Give my speech
Freely you greet.
And I care not
Who likes and
Who dislikes.
Free speech,
Ranks high,
And I am committed
To it.

Gajanan Mishra
Free Thoughts Free Expression

Free thoughts, free expression,
Free words can be possible
Only through mother language.

And no one has a right
To take away my mother language
From me anywhere on this earth.

I care not anyone here,
I care not whether anyone
Understand my language or not.

But I am here to sing, to write,
What I think, only in my mother language,
In the language I learnt.

It is your duty to know me,
Understand me for love and truth.

Gajanan Mishra
Free To Add

Yes, you are
Free to add
Your points.

This world is
For you,
It is all yours.

Nothing goes
Waste.
No party politics
Is there to
Do any harm
To you.

You are not
In poverty,
I am sure.
All enjoy
Equal opportunity,
All are in prosperity.

Take your
Own decision
And bring uniformity.

Honour democratic
Tradition and
Move upwards.

It is all yours
At home and also
Abroad.

Be a good model
With all newness.

Gajanan Mishra
Free To Do Works

Everyone is free
To do his works
Independently here.
While one is busy
In talking, another
Is busy in moving,
While yet another
Is busy in exchanging things.
And yet others are
There to hear, see, touch,
taste and to smell.
One is free to think,
Another is free to determine,
And I see yet another is proud.

Gajanan Mishra
Free To Express Myself

I am free to
Express myself
In poems
Language no bar.

I am free to
See the sky
On earth
Location no bar.

I am free to
Keep you here
With me
Time no bar.

Gajanan Mishra
Free To Show

You are free,
Free to show,
Your madness,
Under this sky.
And I am the
Free star here
To look at you
As per my wish.

Gajanan Mishra
Free Verse

I want to write always in free verse
In free verse there is no pressure.

I do not want to keep any goal
I really do not want any roll
I also do not want to play any role.

I want to see this earth free from hunger
Free from poverty and I do not want to
keep anybody within an artificial boundary.

I want to write always in free verse
I want to move freely from place to place
To see people in various glaze.

Gajanan Mishra
Free Will

Free will,
Free bird,
Free life,
But we are
Under the sky.
The sky is
Within us.
But it is our
Determination to
Tear the sky
And go to play
And to win
The games of life.
The life, a vacuum,
Though, we want
To fill it up
With the meanings.
Continuous growth
And progress is there
At every moment,
And we are here,
Forms and shapes
Differ, though.
But without any doubt
We are to stay
With the sky.

Gajanan Mishra
Free Without Freedom

We are free,
Free without freedom.
How can we get freedom
From fear
From anger
From desire!

And we are worried,
For nothing, and
That impairs
Our body
Our mind.

That raises
Our anxiety and we
Move towards non-entity.

Gajanan Mishra
Freebies Promise

Are people and citizens beggars?
Why are you giving them
Laptops, fans, grinders, cycles, mobiles
Television sets, rice, gold thalis free
O leaders, what for these corrupt practices?
Whose materials whose money? you are giving to helpless
To fetch votes from them why?
O, leaders, play within the level.

Surely you involve yourselves in malpractice
And showing same path to others
Remember, powers, positions are not for all days
Remember, people in general are not foolish, bogus
Remember, They would teach you a lesson in due course
Promises are good for the doing better works
But distributing articles to catch votes definitely worst
For the smooth functioning of democratic system.

Gajanan Mishra
Freedom

Freedom that I want
But what type of freedom
That I want
I cannot explain you, my dear.
And since it remained unexplained
I failed to get freedom
Here in this life.
Is this life mine?
I am not free to answer
This, here, excuse me, if you like.
But freedom is far away from me,
It is true,
And I am with You.

Gajanan Mishra
Freedom - As You Know

Is in books only
I myself is
Responsible for
Curtailment of my
Own freedom.

I am not free here
As you see on the beach
I am not free as
You perceive
In the night with stars
In perversion.

Where is freedom
If it is not with love
And love is salable
In open market
That you think proper
Here at night.

Gajanan Mishra
Freedom Abroad

Freedom abroad
But not at home.

I can say anything
Without fear outside,
But inside I keep mum.

I fear myself,
I fear I am unable to
Do a lot of things.
I see my ancestral
Wealth and power
Are snatched away.

I am confused,
What to do, how to
Tell the truth, I am disabled.

Gajanan Mishra
Freedom And Children

Only the children can
Enjoy full freedom.
But the children
Know not what freedom is.

Gajanan Mishra
Freedom Freedom Freedom

Freedom freedom freedom
Where is freedom
You are saying
Life is boredom.

My dear, Pritam
Life is not a game
Not cut not paste
And also it is not gum.

See life with freedom
Though not life itself
Is freedom, at our sweet will
Life is not go not come.

Who said life is not divine
Life is a problem who said
Who said here in life, there
Is misery poverty and violence!

Think life a torch light
And you are free to focus
Where there is nothing
Just live and think no problem.

You are free, you are free, you are free
Life is a tree, with air with water
With light, you are to live
On the earth, under the sky. Don't cry.

Gajanan Mishra
Freedom From Covetousness

Is a necessity in this world of
Worldly pleasures and proud.

Only love only protection
Can provide you peace and stability
Always everyday.

Gajanan Mishra
Freedom From Doubt

Freedom from doubt is
Necessary to go towards knowledge
Truthfulness forgiveness
Control of senses are necessary
To go towards knowledge
Birth death fear fearlessness
Are not there if there is knowledge
Equanimity satisfaction austerity
Charity are there where
There is knowledge
Knowledge is true when
There is You O my dear.

Gajanan Mishra
Freedom From Fear

Freedom from fear
is the great freedom.
Realization of the Truth
is the Supreme Truth.
Pure goodness and bliss
Is really great things to achieve.
And You have given me all, my dear
See me, I am with my poems my literature.

Gajanan Mishra
Freedom From Foreign Rule

We want freedom,
And for this,
We are struggling,
Struggling for freedom,
Freedom from
Foreign rule
Through foreign language.
We want to show to the world
How sovereign and
How independent we are here
On our own land.
How free we are to
Talk each other
With our mother.

Gajanan Mishra
Freedom From Miserable Life

Freedom from miserable life
That I want and you called it
Liberation and it is possible
Only on demolition of
Bodily identification.

The path is in the knowledge
And in achieving perfection
Be a friend of entire world
And by virtue of full affection
For each and every one.

Gajanan Mishra
Freedom- I Am Searching

Here, there, everywhere.  
And I found nothing.  

Freedom-less I am living  
And searching freedom  
Here, there, everywhere.  

Here, there, everywhere,  
I am in chain and  
I am searching freedom.  

Gajanan Mishra
Freedom Is There

Freedom is there
Where there is no desire.
Desire is there
Where there is no freedom.

First ask yourself
whether you are free
or not within you.

And where are you
the foremost question
should not be left out.

Nobody is here but you
Nothing is here but your desire.
Rest you are to do
and do whatever you like.

Gajanan Mishra
Freedom Of Movement

Give me freedom of movement
Let me be an eternal spaceman.

Gajanan Mishra
Freedom Of Privacy

Freedom of privacy,
Let me ask for it.
I see in it
All beauty.

The wind is my hand
Let me raise.
The sunlight is my life-breath
Let me awake.

Gajanan Mishra
Freedom Though

Freedom though
Is here with me
I am not going
To do what
You have been
Done to me.
The rosebud
Is there and
Restrain me
For any untoward
Incidents harmful
To others.
This rosery is
Belong to my wife.

Gajanan Mishra
Freely Enjoy Life

Freely enjoy life
Death is no more
Your partner.

Freely enjoy life
Sucess with peace
Is yours only.

Gajanan Mishra
Freeness

I am free
But without freeness.
I am not able to
Use my freedom,
Or I am misusing freedom
Given by you.
I am not able to
Connect myself
I am free though.
My knowledge is
Envelop in ignorance.

Gajanan Mishra
Free-Thinker

You might tell me
Free-thinker.
And permit me
To tell what I think.
Bear me for the inconveniences
you might face.
And make yourself
Ready to see the tears
In ice-cream.
Bear me, extending
Your heart more
Than the sky.
Believe me, you are
There in my light.

Gajanan Mishra
Fresh Air

Fresh air,
Fresh air of life,
And here it is.
Here it is in love.

Love is here
Means everything is here.
Everything is here,
Thanks to the truth,
Truth has kept life.

Life needs fresh air,
Fresh air for life.
It is no where but
There, where there is
Love and truth.

Gajanan Mishra
Fresh And Dynamic

Life
And life is
Fresh and dynamic.
Nothing is there
That can create
Frustrations, be sure.
Life is here,
It is ever growing
Towards all directions.
Try to get, my dear,
A clear and definite
Clarification of life,
Here, at this time.
And try to give
A compact presentation
Of life that has truth.
Cause no harm
To the passers by.
Give them thoughts,
Give them ideas
That rule the world.
Put not yourself
In any trap,
And feel
The constant sensation.
Remember, you have
The authority to
Put the things in right order.
Your life is lucid and
Extremely beautiful.
You are the fruits of
Love and truth.
No void and nothing
Like that here
In life.

Gajanan Mishra
Fresh And New

It is fresh it is new
Cool morning mango blossoms
O mustard flowers
How you dance there
My poetry and I
Look in romance
Body full of garments
Who you are
Look fresh look new
And I play with you
O my dear it is yellow
And it is blue
It is fresh it is new
I wait you I wait you.

Gajanan Mishra
Fresh Water

I want a drop,
A drop of clean
And fresh water.
I know it is there
In snow and in ice.
I know water is
Everywhere, I know
It is as simpler as
Anything, it contains
Only two atoms of hydrogen
And joined to one of oxygen.
Water is life and
It is more costly than life.
Design, procurement and solutions
Of water- all are standrdised I know.
Enough water is here I know
But I am thirsty and not
Getting a drop to quench my thirst.
Water is the essence of my life,
Help me in life nurturing and
protecting by rain water harvesting,
Ground water recharging, construction
Of minor irrigation tanks, amicuts, talaab,
Canals, pipelines, drinking water checkdam.
Water is life, see me, eighty percent
Is water in my body. Water- I am in need.
I want watering my body, I want a drop to drink.

Gajanan Mishra
Freshly Cut

Life,
Freshly cut.

Sky,
Freshly cut.

Mirror,
Freshly cut.
Words,
Freshly cut.

Memory dance,
In the ocean.
Ocean furious
In the air.
Air dangerous
In fire.

Gajanan Mishra
Friend

Let us use the word friend
While addressing each other.
My body is my home, my dear
And I know You are here.
It is the love that binds us
And I wish to have friendship
With You life after life.
I have no other purpose
But to stay with You
For Your benefits.

Gajanan Mishra
Friend / Enemy

I have faith in you
O my guide
You are my friend
I have no need of
Mundane things
Such as body senses
Mind intellect
By having faith in you
O my love
I am my friend.

And I am my enemy
When I accept
My affinity with
The worldly body
Senses and mind
And I lost my faith
On you O my love.

Gajanan Mishra
Friend / Enemy - Who Is Near

You are going,
You are coming
As and when required and
You wish, my dear friend.

You are mine, my so called enemy
And you are only mine who is
Always in accumulation
Here, there, everywhere
And enable me to stay in caution.

O my accumulator, I am thankful to you,
Not to my friends who are not taking
My so much care as you do, my dear,
You are my soap, surf and shampoo,
Please stay always here, leave me never.

Gajanan Mishra
I find no difference
Between a friend
And an enemy.
I know, I am my friend
And I am also my enemy.
What is real and
What is unreal
That I know not.
My identity is
There more with my enemy
As I am with them
Always than with my friend.
I have no friend
But only enemy.

Gajanan Mishra
Friend And Unfriend

No more friend,
But friendliness is there.
No more friendship
Though friend you are.
Unfriend is here
Who is there
Not as enemy
But not trustee.
I am making you
Unfriend not because
You are my enemy
But because I want
Not to hear you
At present here.

Gajanan Mishra
Friend Or Foe

Friend or foe
difficult to decide
with a cup of milk
passed the night
ours a secret society.

Gajanan Mishra
Friendless Life

You are asking me
Who is your best friend.
I am yet to
Think about it
I replied.
Friendless I am
Moving in this world
And enjoying life, see.

Who is not intolerant?
Who is free from
The pairs of opposites
Like attachment and
Aversion,
Like pleasure and pain,
Like honour and dishonour,
Like praise and blame.
Who has the power
To resists impulses of
Lust, anger and greed.

Each one is jealous
And envious of others
Here in this world.
Everyone wants to
Carry out his orders
For his selfish motive.

Who is sinless here?
And who is not harmful?
Out of egoism,
Out of ignorance,
Everyone is unwilling to
Hear good words.
I realize, this world
Is not to make friendship
Or to stay here in an
inimical term with anyone.
Friendly Behavior

Friendly behavior
is humanity.
Develop sense
perception, dear,
and remember,
superior to
inanimate object
is living entity.

Gajanan Mishra
Friendly Eyes

With a friendly eyes,
Let us regard each other
O my dear.

We are, here all
The creatures, together,
Let us strengthen ourselves
O my dear, with love.

And let us remember
The saying' without love
In the heart, life is
Like a sapless tree
In a barren desert.

Let us remember, dear friend,
Love is the greatest thing and
The only bridge in life.

Gajanan Mishra
Friendly Words

Let me give you
All friendly words
That are with me.
I have kept
All friendly words
With care only
For you, my dear.

We have friends
And foes,
But words are
All friendly.
With friendly words
I repaid the loans
That I have incurred.

Gajanan Mishra
Friendly, This World

Life-friendly,
This world.
Just go on
And enjoy life.

See your dreams
Fulfilled, but
You are to get
The fruits of
Your labor, see.

Everything is
In the mirror.
And you have to
Show it all,
For love and life.

Gajanan Mishra
Friends

Friends known
Friends unknown.

It is my mind
That says
Who am I now.

I am gold
But not glitters here.

Friends devours.

Gajanan Mishra
Friends and foes
no difference
if there is self-interest.

You cannot stay together
with reservation, for long,
think about its danger.

Greed is the opposite
of peace, think within,
and see others.

Renunciation is the best mode,
Adopt it for the welfare of all
and go beyond enmity.

Go on encouraging one another
O my dear, for you, the sky is here.

Gajanan Mishra
Friends Are Really Enemies

I love you
O my enemies
It is for you only
I am able to know
Right and wrong
It is for you only
I came to know
My friends are
Not real friends
My friends are really
My enemies with secret
Identities and disguises
And I understand you are
My real friends with
clear and transparent pictures
All around you.

Gajanan Mishra
Friends Devours

Friends known
Friends unknown.

It is my mind
That says
Who am I now.

I am gold
But not glitters here.

Friends devours.

Gajanan Mishra
Friends For Ever

Who is your friend?
Is he really a friend
Forever?
Time will say,
Tell not anything more.

Of course, enemy's enemy
Is a good friend.
But for how long?

Be cautious dear,
One may be a good friend,
He may help and cooperate,
But not at the cost of
The land and development,
And sovereignty.

Gajanan Mishra
Friends, Come On

Friends, come on
We will achieve everything
Here we desire.
Friends, desire all good,
Remember friends,
Badness is dangerous for all.
Friends, come on
And let us move forward together
To get peace and love.
Friends, all are within us,
Let us realize the self.
Friends, we are not empty,
We are all filled with everything.
Friends, come on we are for each other.

Gajanan Mishra
Friends, Law, Scriptures, History Is With Us

Come on friends,
Law, scriptures, history,
Decorums, mother's blessing,
Mother-tongue all are
With us and we are
Heading towards the truth.
We have a firm determination,
Friends, come on, let us
Use it properly and rightly.
Come on friends,
Let us come closer to the truth
And see the beauty within,
Let us identify ourselves
With the truth.

Gajanan Mishra
Friends, Leave Me

Friends, leave me,
Leave me alone.

Friends, I am addressing you
O my enemies, as friends, again,
And I tell you not to leave me
And stay as life-companions.

You are always new and pure,
I am as equal as zero.

Let us have friends with us
All that are here.

You cannot discard
Merely saying illusion,
It is but incarnation,
And life-solution.

Gajanan Mishra
Friends, Let Me Know

Friends, let me know,
All about you.
Are you the truth?
Friends, let me know,
The time and place
Where you are.
Friends, search me,
I am there
In the entire sky,
I am there
In every direction.
But I am in your
Eyes friends, one by one,
Let me know your name.

Gajanan Mishra
Friends, You Are Here

Friends, you are here
to hear me,
But I am not here
to say something.
I know there is
nothing here
to talk about.
Are you really here
please tell me first
and tell me what are you
and why you are so eager
to hear me
at this time when
crisis is going on and
when we are struggling for
our own existence.
Dear friends, if you have
some words please transmit it
to somewhere and stay
word-less and stay fine.

Gajanan Mishra
Friendship

Fulfill your commitment first
Then only you will know
How tasty and beautiful
The friendship is.
First give then take
Then go above give and take
Then only you will know
How tasty and beautiful
The friendship is.
Friendship is good and fine
With good intention and
And sacrifice that is within
You and me.

Gajanan Mishra
Friendship - Opens The Door

Friendship is maintained
Among persons of same
Temperament and conduct.
It is good friendship -
Deer with deer
Cows with cows
Fools with fools
Learned with learned.
Something to be searched
That is secular
That is scriptural.
Good friendship open the door
Of ice and also that of fire
As it is there and it is fair.

Gajanan Mishra
Friendship And Friendship

We are friends
And here, it is our friendship.
Our friendship is in truth
And we are in love.
No problem is here
And we are out of fear.
For how many days we are here
We know not, but we are together.

Gajanan Mishra
Friendship Is Attained By Acceptance

Not by thinking reflection and description
Friendship has never been identified
With body or worldly objects
Nor is identified
Nor will be identified
Nor can be identified.
Good friendship is not separable.

Gajanan Mishra
Friendship Is Made By God

Friendship is made by God,
Keep it pure and sentient.
Keep friendship evergreen
with love and keep it
with all truthfulness.
Good friendship is needed
for all out development.
Revolve, revolve my dear,
Mounting on good friendship.

Gajanan Mishra
Friendship Means

Friendship means you
Say enemty and I agree
With enviousness.

Envy is here with us
And you say that I
Disagree not
Though a byproduct.

Gajanan Mishra
Friendship - Truth

Understand me,
I am yours,
For all time.
I am the original
Cause of all causes.
I expand myself
In you for truth,
And I am youthful.

Gajanan Mishra
Friendship With Anyone

Friendship with anyone,
Independent by nature,
Is really dangerous.
Friendship is in no way
Permanent and pious.
Facetious and
No righteous but tumulus
And tumultuous.

Gajanan Mishra
Friendship With Dreams

I am making
Friendship with dreams.
And dreams are not
Self-centered
That I know.

I know, cheaters
Though dreams are
They are my hope
And for them I am
Composing poems.

But my own words
Are not extending
Their helping hands,
My own language is
Not eligible to
Express me, I think.

My thinking process
Is wrong, my friend,
Dreams say.
Not meaningless
I am sure, what
I hear everyday
In dreams.
And I am making myself
Ready to spend the day
To enjoy the fruitful
Moment with dreams.

And dreams are there
In my voyage,
With a message
To feel secure
While living with days.

Gajanan Mishra
Friendship With You

It is only after making
Friendship with you
O my dear, I identify
Myself with you
And though self-sufficient
I am and though I lack
Nothing I feel deficiency
And I desire so many things
In order to make-up
And so I am a doer and
Committing mistakes and
Getting punishment.

Gajanan Mishra
Frog And I Am

Frog in the well thinks
The world is as big as the well.
Let the frog come out from the well
And let it know how big the world is
And how little it is there
With all nothingness.
Let me fly as high as the vast sky
And let me know the nothingness therein.

Gajanan Mishra
Frog In The Well

Can not imagine
The length and breadth
Of the gigantic ocean.

Frog-like brains of
The present-day scientist
Can not challenge Your
Inconceivable potency.

And if at all they try
They simply die without
getting any success and
Experience about You.

I know my dear, and it is
Your grace that You are
The ultimate truth and
I am aware of Your personality.

Gajanan Mishra
Frog-Dance

Frog-dance,
Let me see
the frog-dance
and get pleasure.
Let me see
where the dancer is.
And how it is
being performed
before all.
The style of
frog-dance I
like most, my dear.
But I failed to locate
the frog and also the dancer.

Gajanan Mishra
Frogs Are Flyng

Frogs are flying,
O yes, they are able to fly.
Frogs leap with
Their webbed feet,
Long fingers and toes.
Let the frogs
Have their dinner
With you a day, my dear.

Gajanan Mishra
From a distant place
You can hear, that I know.

You reside within me
That also I know.

You have got unlimited power, I know
Beyond mathematical calculation.

You can appear simultaneously
In all places at a moment's notice.

Who am I to imagine about You
With this body and mind at this place.

Gajanan Mishra
From A Father

I am in you, my dear son,
Go on. See me
In your actions.

You are in me,
My dear son and
Whatever you are doing
I realize, that are
My fruits of action.

See me, I have
No sense of mine
At this time,
With any object
Or person
Or action.

Gajanan Mishra
From Afar

Fram afar,
Call me,
Love me.
I am yours,
Only yours,
Here, always,
All time.
Nothing illusory
In our relationship.
Believe me,
I am here
For you,
For the truth.
I am for all good.

Gajanan Mishra
From Age To Age

From age to age
I am walking,
From life to life
I am living
In the same air
In the same water
Under the same sky
On this earth.
Who am I, I know not,
But I am here, I know.
Somehow or others
I am related with
Astral body.
Who am I, a great sigh!

Gajanan Mishra
From All Sides

They are attacking me
From all sides, see
They are the birds
The beasts, reptiles
Mosquitoes lice worms
Flies and so many others.

I am unable to rest
And I wanders about
In the darkness
I am suffering like
Anything in this world, see
I know it is very painful
To live here, O my dear
Show me the way to stay without fear.

Gajanan Mishra
From Any One

From any one
Since long
I have not
Received anything.

And what is there
To receive?

I think nothing,
I find nothing.

Gajanan Mishra
From Boyhood

From boyhood to youth
From youth to old age
I am passing
From birth to death
From death to birth
I am passing.

We are being trapped
Understand or not
This is the fact
Stay not in this conception
If you stay then in miserable
Condition you are to suffer.

Endure peace and happiness
And see reservoir of miserable conditions.

Gajanan Mishra
From Cold And Heat

Protect yourself
From cold and heat.
And perform duty
That vary from
One to another.
And express unity
With your own self.
I know, you are
Only one here.
But, men termed you
In so many names
In the scriptures.
I know your nature, here,
I know, we are together.

Gajanan Mishra
From Dark To Light

From dark to light,
From here to there,
From earth to sky
Let me fly,
Let me fly.

I am the love,
I am the truth,
I am here,
I am there,
I am the fixed-star.

I am free,
I am free,
Let me fly
In open sky..

Gajanan Mishra
From Earth To Earth

From earth to earth
I am moving and moving
With so many shapes.
From shape to shape
I am showing myself
So wise and so easy.
From here to there,
And from there to here
I am smiling and dancing
With the murmuring sea.
From the sea to the sky
I am living with my dreams
And loving all but a fool
And wasting blood for others.

Gajanan Mishra
From Eternity To
to
From eternity to eternity
I remember you, my dear.
In happiness and in sorrow,
You are here with me, I know.

Gajanan Mishra
From Everything

It is Your greatness
From nothing
You are coming
It is Your greatness.

It is Your greatness
That You recognized me
Though I played
No role anywhere
It is Your greatness
That You are telling me
About everything that are
Here for my welfare.

Gajanan Mishra
From Faults And Fear

From faults and fear,
I pray, my dear,
Free my mind,
From faults and fear.

I know, I know, You are
The bestow-er of Supreme peace
You are beyond ordinary means of cognition
You are sinless and all-pervading.

You are the greatest of all
That I know, I know You are
The mine of compassion, and
Dispel-er of all sins.

You are the ultimate Truth
And greatest of all.

Gajanan Mishra
From Grass To God

From grass to god
I love all,
And I tell all
Be a human.
In summer or
In rain
I tell all
be a human.
Human is at
The centre of
My study.
I write and
I pray for
Human.

Gajanan Mishra
From Here

From here I am telling
There you are listening.

I am telling You
About sunrise
That is coming daily
I am telling You
About death
That is happening daily
I am telling You
About fire
That is in fair
And I am telling You
About dream
About conviction
And I am telling You
To collect power
And energy
To get it done.

Of course
Sincerity honesty
Is needed.

Gajanan Mishra
From Here To Here

From here to here,
We are wandering.
You are right,
My dear poet,
Dr. Sudhansu Dash.
Protection of poem
Is there with us.
And we are all
Going back home-
The truth, the earth.
Science of truth is
There, we know.
And there we are
With that fixed star.

Gajanan Mishra
From Here To There

From here to there
See my transmigration
If you can.

I am sure
You can not say
What is it.

When you understand me
I am sure
You have no problem now.

You just first
Come out from
Your own clutches
To see yourself
With me here.

Gajanan Mishra
From India

From India,
We are all.
From India

All for you.

India that is

Light, labor,
Cuckoo, cloth,
All for you, dear.

Sea, sky,
Flute, jasmine,
In life,
All shine.

It is India,
The great India,
For you all.
India for peace,
Not for war.

India that is Bharat.

Gajanan Mishra
From Life To Life

From life to life
I am wandering
And I am wandering
In this world.

This world is
Meant to achieve
Perfection and I
Myself is the perfection
Being Your part and parcel.

I am unique
Though Your part
I have my own glory
Though I am Your
Though I am Yours expression.

Gajanan Mishra
From Mid-Day To Mid-Night

From mid-day to mid-night
I count my steps that are
There on the pages of time.

Gajanan Mishra
From Morning To Night

From four o'clock
To ten o'clock night
I am praying You
O my dear, forgetting
Everything
I am praying You
For the welfare of all
The contents is all clear.

Gajanan Mishra
From My Belief

No one can force me
To move away from my belief.

No one can force me
To deviate from Supreme bliss.

I change only
If there is least affinity with matter.

O my dear, I know,
Matter is always active.

I know, the supreme
I know, the infinite
And that is I.

I remain fully awake always
And I have access to everything
And it is true, I have acquire integral bliss.

Gajanan Mishra
From My Shadow

From my shadow
I am different.
I am the cause of
My own shadow,
In body and
Out of body.
Shadow comes to me,
But I prefer not
To go to the shadow.
Waves of shadows,
I appreciate not.
But the clouds
Come all around me
With my mirrors.

Gajanan Mishra
From My Work

I have my own light within
I do not want any sun any moon
Or midnight or noon
I am keen to work and my work
Is mine and in my works
I want to get my pleasure
I have my own light
I have my own pleasure
O my dear, let us come
And stay here with cheers.

Gajanan Mishra
From Near

From near, very near
I am watching you.

Let me say-
You are neither
Light,
Nor the dark.

Gajanan Mishra
From One

From one
From one form to
Another
Everything is
Changing my dear.

Though changing is
Your part
You are eternal
And fixed
I know it clear.

Nobody is there
To evaluate You
My dear, no word also
Can describe who you are.

Gajanan Mishra
From Pillar To Post

From pillar to post,
I am going for the truth.
I am going with my words,
My language, my love.

I care not who is
Telling what and when
I care not anyone
Here on this earth.

I know each one is
Like me here and
In dark.
I know each one is
Helpless and unable to
Do anything.

Gajanan Mishra
From River

From the river
I learnt how to go.
From the sky
I learnt how to stay.
From the earth
I learnt how to tolerate.
From the air
I learnt how to stay detached.
From the light
I learnt how to enlighten all.
All are my teachers here,
And I salute them all.
They are really there
In my life to tell the truth.

Gajanan Mishra
From Silence

From silence
I learn so many words,
And I go forward
With my voice.

From my voice
All come together,
To know the truth
Within them.

Gajanan Mishra
From Sky To Sky

From sky to sky
I move to search
The lovely notes
Of the stars.
I find the passion
And the pain and
I hear the hark
Of the nightingale.
Here is life
In the search
That I know from
The lone autumn.
Oh, here I keep but
Surely not despair.

Gajanan Mishra
From South To North

From south to north,
Let me welcome you,
Please come on,
I am waiting here
With new rice,
Sugarcane juice,
New flowers and to
To give my hearts.

Gajanan Mishra
From Subtle To Gross

Find here
From subtle to gross.
Sound developed in to sky
If you want you can fly.
Touch developed in to air
Everything is fair.
Form developed in to fire
It is Your world, go on sir.
Taste developed in to water
I find You here in everything, my dear.
Smell developed in to earth
No death but recycling berth.

Gajanan Mishra
From The Beginning

From the very beginning
I found you here with me
I am sure you are here
Till the end.

My dear without you I know
Nothing is here
Night or day meaningless
And there is no event.

Gajanan Mishra
From the centre,
See, I am going away,
And coming back again,
But not in the same way.

My going is continuous
And it is automatic,
But my return journey
Is under my control.

I am not telling
About dead or alive,
I am not telling about
Division or whole,
I am telling about me,
That is there with time.

Gajanan Mishra
From The Morning

From the morning I see
And observe the rules
Of the east and I thanks
All here as they experienced
Peace and stability within.
No use of anything that are
Formless and hence I have
Picked up all characteristic
Features useful for humanity.
I know love is the basis
And I go with it from
The morning to tell further
The utility of truthful life
My sons and daughters are
There to follow me abroad, I know.

Gajanan Mishra
From The Ocean

From the ocean
You have come
With nectar to
Give to the qualified.

I am here,
If you think me fit
And wish to give nectar
Give me dear.

I am committed to
Others, you know,
And I am ready to
Give everything
To others, even
My life.

Gajanan Mishra
From The Sky

I am falling from the sky,
From the sky, from the sky
I am falling, I am falling.

O bird, snatch me,
Snatch me, snatch me
If you can, if you can.

O wind, blow me,
Blow me, blow me,
If you can, blow me.

I am falling, I am falling,
I am falling, from the sky,
From the sky I am falling.

Where is the sky?
And where am I?

Gajanan Mishra
From The Sun To Sand

One after another
From the sun to
The smallest particle
Of a sand, I touch all
And arrived at this end.
You may say whatever
You like about anything,
But I am here to stand.

Gajanan Mishra
From The Very Beginning

I am taking shelter of You only
And You can only give me relief
From all fear and from You
I have received this life.

I know You have made my entry
In to my mother's womb
Through the particle of my father's semen
And from the very first night
The sperm and ovum mixed
On the fifth night the mixture
Fermented in to in to bubble
On the tenth night it developed
In to a form like a plum
And then gradually turned in to a lump of flesh
In the course of a month my head formed
At the end of two months hands feet and other limps took shape
By the end of three months nails fingers toes bodies hair
Bones skin appeared and other organs generations
And other apertures in the body the eyes
Nostrils ears mouth and anus
Within four months from the date of conception
The seven essential ingredients of the body
Blood flesh fat bone marrow semen came in to existence
At the end of five months hunger and thirst made themselves felt
At the end of six months the fetus enclosed by amnion began to move
On the right side of mother's abdomen, my breeding place
And I suffered there terribly agony because of my tenderness
There in the abdomen itself I was bitten again and again
By the hungry worms and I was unconscious moment after moment
My mother was eating bitter pungent foodstuff too salty too sour
And I suffered incessantly pains that were almost intolerable
I remained lying on the one side of the abdomen
The head turned towards belly and back and neck arched like a bow
I remained there just like a bird in a cage without freedom of movement
I could remember there all the troubles of my past one hundred births
And I grieved wretchedly
O my dear, I prayed with folded hands and was appealing to You
O my Lord, You have put me in that condition
I offered my respectful obeisances unto You
As You were there with me unaffected and changeless
You are unlimited And I perceived You in the repentant heart
I am separated from You, my Lord because of my being
In this material world of air water light earth and sky
And my qualities and senses were being misused
I am spiritual and pure see my Lord
Without Your mercy, O my dear, I can not engage myself
In Your transcendental loving service
O my dear, no one other than You can save me
O my dear, in order to get free from the threefold miseries
I am surrendering myself unto You
And pray you again here to release me from this confinement
By Your causeless mercy let me awaken to consciousness
See me I am praying with folded hands
Let me control my senses and understand my destination
That is You that is the Ultimate Truth.

Gajanan Mishra
From The Very Beginning I Am Here

From the very beginning
I am here, see me, if you so like.
Tell me not you are not able to see,
Tell me not you have no power to see,
Tell me not you are not willing to see.
See me my dear, I am here from
The very beginning of your arrival.
And I am here only for you.

Gajanan Mishra
From The West

Everything is coming
Not exactly coming
But I must say returning
From the west
And all they say
East or west
I am the best
And I have no time
To take rest
And I invite everybody
To come to my land
And have a test.

Gajanan Mishra
From Truth Is Born Love

From truth, love is born,
From love is born life,
Life is the truth.
Love is truth and
The truth is love itself in life.

Gajanan Mishra
From Very Birth

You are perfect
In all respect
From your very birth
That I know.

For all times
You are here
Within all
In the same position.

No next
Just accept
What is here
And it is changing time.

Time belongs to none
And it is going on on its own way.

Gajanan Mishra
From Where

From where
New things
Come from?
From where
New life
Come from?

But to search
The newness
We are to protect
The old
In its changing forms.
We are to go forward
But not at the cost of
Our own self.

Gajanan Mishra
From Where And To Where

I can do anything,
And while doing
I may not call you.

I know you are
Busy and worried.
You can call anyone
Without name.

I leave the house,
Doing and undoing anything.
And the house takes me
Anywhere.
From where and to where
I forget while going.
Gajanan Mishra
From Which Time

From which time
Poetry is coming to me
What is the shape
What is the size
Who is there to say
I am okay
And it is my wish
How many poetry I have written so far
Who is there to explain all from the start
No question no puzzle
Only poetry you can enjoy with gazelle
Nobody is here to gear
Only answer only ancient literature
Nobody is there to say anything
And there is nothing and nothing
I have eyes I can see
I have ears I can hear
I have hands I can offer
What is that that I have seen
I have heard I can offered
Nothing nothing nothing
Said the sky and it is echoing
In the air in life in the and
in the words sentences
You are uttering not uttering my dear.

Gajanan Mishra
From Within

From within
I love you,
I embrace you,
I feel you.

I am eager,
Eager to know
The truth.
The truth,
There in me.

I am the eyes,
I am also the eyelids.
I am secluded,
And I got relieved
From all pains.

Gajanan Mishra
Derive pleasure
Out of my words
And if you failed
I do agree
My fault.

Derive pleasure
from your
own act my dear.
Your acts of
sacrifice, penance
charity, fasts and
pilgrimages are really
charming and wonders.

Gajanan Mishra
From You Come

Remembrance
Knowledge
Forgetfulness
And everything.

You are the Supreme mind
Never checked by any condition
You are the cause of all causes
You are all the worlds
No one know You that I know.

Gajanan Mishra
From You Truth

From You truth emerge
And from truth-love
From love - this world.

I am in this world
And this world is within me
And You reside in my heart.

Gajanan Mishra
From You, O Poet

From you, O poet,
I have hard so many things
About me.
I am the origin
That I know,
And I know
Everything evolved
From me alone.
I am a man of
Diverse feelings,
O poet, I know,
And for me
This world is
Seen here, lo.

Gajanan Mishra
From Your Faith

Let me know you
From your faith.

You are of the nature
Of your faith.

Faith faith and faith
And it is your inner sense.

I know, my dear
As your faith, so your nature.

Gajanan Mishra
Frost

O frost
Why are you
Coming to kill me
See, My friend is here
And He wanted me here
It is His will
I am here
O frost
Your chilling influence
Will not do any harm
On me
Go back go back
Look I am here
Staying with pleasure.

Gajanan Mishra
Frozen Sea

The sea is frozen,
And I am here
To swim in it and
Cross the border.

Nothing to fear,
But stay in alertness,
I would take you
To the place you desire.

Gajanan Mishra
Fruit And Also Root

I am the fruit,
I am also the root.
I am my ultimate resort.
Everything emanates from me from my birth,
Abides in me during life and also
Merges in me at the time of death.
Past, present and future
Everything is in me.
I am the time.
I am my own universe.

Gajanan Mishra
Suffering is
The fruit of wrong action.
Wrong action is
Sin that spoils nature.

Gajanan Mishra
Fruit-Bearing

This world is fruit-bearing
You are in this world
You are not to take any fruit
Without His permission
The owner of this world
You are to do your allotted duty
As a servant of this world
And you are not here to
Expect anything in return
For doing your duty
This world is not yours
You are here in this world
For a short period
This world was there before you
Come to this world
This world will be there after
Your departure from this world
You are not the owner of this world
This world is not yours
You are in this world as a servant
And to render service for the welfare
Of all inhabitants of this world.

Gajanan Mishra
Fruitfulness Of Life

Life is here
And fruitfulness of
Life is there
In the air.

I see the air
Enters in front door
Without any fear.
I fear, the air is
Going away forever.

But life is here
In the water
And the water is
Going to the sky
To know its limit.

Limitations are there,
That I know from
The very beginning
And I started my journey.

Journey on the earth
Is not so easy,
As you know my dear,
But I made it easy
With you.

With you
I want to touch the truth,
And the truth is here
In mountains and rivers
That I want to feel
In all disciplines.

We know, here,
We are all
Specially glorified.
Fruits Of Action

I am not here to pluck the mango even
I assured my mother.

Always my mother used to tell me
Never eat the mango from the tree
You planted.

Gajanan Mishra
Fuel To Fire

Fuel to fire
Who is there
To take care.

Here is nature
And there is
Law of nature.

Who has given you
Power to pass
Laws against nature?

How dare you
To calculate age
And what is the base
And say it correct?

First think yourself
And think your future
And it is strange
You are thinking
Women folk cheap
And a think of pity.

Forget and leave them
As before
Remember
No difference of
Men and women
Passing of any bill
Would be against them.

If you can provide them
Proper education to all
Teach them truth
Teach them
Respect mother
Sister daughter
There would be no rape
No murder.

Acts laws ordinances
Notifications
Rules circulars all are
Only papers.

Gajanan Mishra
Fulfill Your Wish

Fulfill your wish here, my dear,
But for this, attack not the fish,
And take care your joyful night.

Gajanan Mishra
Fulfilled Dream

Let us see the earth -
The fulfilled dream.  
The earth has everything,  
The words, the light,  
The experiences, the guide.

Let us take a guide,  
The best is the parents.  
But one should go  
With nature to know  
Something more.

More struggles,  
More water,  
More paintings,  
More outputs.

Something more is to be taken  
Into light.  
No one is an outsider  
To fight.

It is all wonder -  
The life.  
It is all life -  
The poetry.

Everything and everybody -  
Born to die  
But not poetry.  
Experience it, if  
You so like here  
In your day to day  
Activities.  
All visible and  
Also invisible  
In this  
Limitless time.
In poetry,
Each poet is
Sure to get the victory.

Gajanan Mishra
Fulfilling All Hopes

Mother, motherland and mothertongue
Are there to fulfill our hopes of life,
They are there to fulfill our dreams
And they make us wealthy.
They make our lives pleasurable,
Where there is
Mother, motherland and mothertongue,
That place is more than heaven.

Gajanan Mishra
Full And Complete

Full and complete-
Nothing, part of
Full, though.
Knowledge and maturity,
Bliss and eternity
Negates all impossibility.
Ages- not to be counted,
But glories be expanded.
The truth arrived
That exist from the beginning.
And life transformed
By the perfect eyes.

Gajanan Mishra
Full And Half

Full and half,
What is half?
What is full?

Half and full,
I know not
The difference.

But I know
It is half
It is also full.

What I know
That I can't say.

But I can say
I live
Only for you.

Gajanan Mishra
Go round and round
In full circle.
Go, go, go..
Go round and round
Till you settle down.

There at the prayer place
You are to stay.
Go, go, go..
Go round and round
Till you are on the ground.

I want to see with you
Not the sky but the ocean,
I want to move every direction,
I want not any dissolution.

Gajanan Mishra
Full Dark, Full Dark

Full dark, full dark,
Where is the road?
How to escape?

What sound is it?
What is its kind?
Is it really dreadful
Or it is pleasant
How we are here
And who has sent!

No web, no network,
No face, no look.
It is all full dark
And full dark.
Are we one or two or many?

Gajanan Mishra
Full Entity

Let me say here it is
The full entity.

Here it is defeat
Here it is victory.

Delightful facets
please proceed as refuge.

No despair please
With you, see, divine grace.

Never feel miserable
Every body is wonderful.

Enrich your strength
By remembering all good.

Realize all powerful and the whole truth
Enjoy the world with love in full.

Gajanan Mishra
O poet
Write your poem
In full form
In such a manner
Using such words
In such language
In such style
That I can easily
Know you and
Your intention
Behind all.

Gajanan Mishra
Full Identification

Identification and
Identity are not the same.
I may identify
Without taking the help of
Any identity.
The identity may not be
Correct in giving
Full identification.

Gajanan Mishra
Full Is Full

Full is full,
Whole is whole,
Miracle is life.
Life is life
With all fullness,
All whole-ness.

Life purified
With love,
Love purified
With truth.
Life is nothing
But the truth.

It is all light,
It is all sweet.
It is life,
It is love,
It is truth.
We are all in one.

We are full,
We are whole,
We are in joy.
We are the nectar,
We are here,
We are to prosper.

Gajanan Mishra
Full Is Not Half

Half is not full,
Full is full
And not half.
Half and half
Makes full.
Full and full
Makes full.
Full is the only truth.
It is all full.
From full comes full,
From full you can take full.
The question of half
Does not arise
In the area of full.

Gajanan Mishra
Full Knowledge

Full knowledge
Full knowledge of Truth
Is with You
My dear poet
And I know
Your words never
Become untrue
Whatever you
Predicted my dear
All are experiencing
In details here
You are cent percent
Perfect and you are
Able to know past present and future.

Gajanan Mishra
Full Knowledge Of Everything In Prefection

To rule the earth,  
You have to earn  
Full knowledge  
Of everything  
In perfection.

You must not act  
As a puppet  
In the hands of  
Selfish interest.

Do everything  
Out of your own good will,  
You should not have  
Any ideology of your own,  
But you are to follow  
The principle of  
All welfare of the people.

Create a program  
That is acceptable,  
That is applicable  
By everyone  
At every place.

Gajanan Mishra
I see the full moon
In the sky
Surrounded by stars.

I have my own
Truth consciousness
And direct experience with You.

O my dear, I am unable to
Describe all that here
But I am sure I am not a man of failure.

Knowing Truth on this earth
Is not easy
My dear, I know that.

And I am here
To tell You everything clear.

Gajanan Mishra
Full moon and new moon,
Always it is one and
I can say with you,
I cannot distinguish
Between the two.
With due respect again
I can say you right
The ocean and the sky
Is one and same for us.
We can do whatever we like
Anyway here or there
And we can measure the life
That is being killed
By the truth itself.

Gajanan Mishra
Full Moon Is There

Full moon is there
In new moon.
And the gallery
Is empty.

Since my birth
I am waiting
For the night
But no night
Is here.

I am singing
With the bird,
But the bird is
Flying away eastward
Leaving me in full.

Gajanan Mishra
Full Motion

This rose shows right path
In right direction.

I am not jealous the rose
Rose is with me alldays.

Come with a rose to win
Come with a rose to take
Whtever you like.

You are the only rose
And I am drinkng with you
The life poison in full motion
And moving in right direction.

Gajanan Mishra
Full Of Affection

Smiles
Full of affection
Words
As sweet as nectar
My dear, I see You here.

You are shining
You are moving
My dear, You are
Enjoying the world
That is there.

More and more
Material words are there
And there is smile
And there is words
Without love powerless-nectar.

Gajanan Mishra
Full Of Anxieties

I am full of anxieties
Here in this material planet
I am full of anxieties
I am always afraid of
Birth death disease and old age
I am always afraid of.

Gajanan Mishra
Full Of Anxieties - This World

Full of anxieties -
This material world.
Full of vices -
This life.
War, killing, pestilence,
Famine and more
Unwanted calamities
Are here always.

How to stay alive -
A great question.
True to the self,
True to your life,
My dear men, and
Stay blessed always.

Gajanan Mishra
I am full of anxieties
Here in this material planet
I am full of anxieties
I am always afraid of
Birth death disease and old age
I am always afraid of.

Gajanan Mishra
Full Of Contradiction

Full of contradiction,
Confusion - The poet.
Still, ready to confront
All problems in life.

Protect and
Engaged in useful works -
The poet, still,
failed to understand anything.

Unified but
Detached - the poet.
Enjoy and renounce
Everything always.

Gajanan Mishra
Full Of Danger

See the life path here
Material miseries are here
Troubles disturbances are here
Losses and gains are all painful here
Attachment detachment all illusions
Smile cries joys sorrows all conditioned
No realization no devotion
Life is here now like wayward son
O my dear, take life not easy
It is full of danger, here
When you are not Truth conscious.

Gajanan Mishra
Full Of Distresses

Full of distresses-
This life,
Not true.

Unwanted,
Temporary,
And a dream-
This life,
Not true.

All true,
It is all the truth-
No matter,
For a moment.

A moment is sufficient
To recognize the light.

And in light
One can know
What is what
Here for all.

Gajanan Mishra
Full Of Faults

You are the product of this earth
And being the product you are full of faults
It is your foolishness when you said you are perfect and faultless.
You are full of faults and you can not conquer anybody or anything
You are not the truth and truth would destroy you
You are your own enemy and you belong to nobody.
You are always quarreling with you, mind it and
You are destroying yourself being not in truth mercy austerity charity
And you are always everywhere in the mode of ignorance.

Gajanan Mishra
Full Of Flaws

This life involves
Full of flaws,
Full of sins,
Full of defects
That are all endless.
I know all these and
Still I am declaring
Myself all wise,
And saint and pious.
I know my passion,
My desire are at
The root of all sins
And as such I am in dark
And I am in ignorance.

Gajanan Mishra
Full Of Grace

I need a heart
Full of grace
I need a man
Ready to serve
The man I need
Is surely supreme
The man I need
Is the super cream.

Gajanan Mishra
Full Of Holes

Though, I am not here
To pick holes in any one,
Yet I am here to point out,
See, your own ship
That is in deep sea,
Full of holes.

My own home is in fire,
And fire is in me,
Though I am cautious,
I am burning, no ash is
Here to seen and I
Failed to jumped over
The ship that is sinking.

I hope, some one is there,
To do something for the sake
Of the sea or the air
Itself stop there for the sake
Of the sky or I myself
Will comeout from the house
To declare, worry not friends,
Nothing is there to happen.

Anyhow we are to reach
At the end, we know though
No such place is there.
We know return journey is
Not possible from here and
Hence we move forward reckoning
Ourselves as the best sailors
And we all together know our
Own strength, nothing to blame.

Gajanan Mishra
Full Of Light

Full of light is my life
And I am here in this light
In the junction of Titilagarh
You are with me, my dear
Find me, in the sky alight
Come on and see me
In the balcony and in open
Field under this sky, my dear
I am accepting You
I am embracing You
I am speaking with You
I am sitting together with You
I am resting with You
And see me in this affectionate
And intimate association with You
We are purified by this process
We both are perfect.

Gajanan Mishra
Full Of Love

You are full of love
You are full of joy
You get all the things
Wish for
You enjoy great experiences
And what not
With all your wishes
With all your cries
With all your fights
With all your love
You build an universe
Around you.

Sorrows never know your door
Pressures never become your boomerang
Time never becomes your boss
Wealth never becomes your favorite
O my dear you are showing a different
Path of life full of joy full of love.

Gajanan Mishra
Full Of Love- This World

Full of love-
This world.
Lovely flowers,
Lovely creatures,
Lovely water flows,
Lovely air blows,
Lovely sky,
Lovely life.
Come and enjoy-
This world.
Beautiful fragrant
Flowers are there,
Come and see
Within the circles
Of stars.
Melodious songs
Are there, hear
And go on
With life.
Dance, clap hands,
Accept everything
That are there
With you.
The love, the truth-
This world.

Gajanan Mishra
Full Of Merit

My order of life
Attractive, rich
Full of honor
And praise.

Throughout my life
I am with Your name
You have shown me the dream
And it is You to give
In it a touch of reality.

I am not afraid of
Anything here
I know everything is You
And I am here in You
Only to be remembered.

Gajanan Mishra
Full Of Pebbles

Full of pebbles -
Life, road.
And I am here
To forgive
All peccadillo.

I support
Forgive and forget
To live
In peace.

No peacetime
Is here with us.
But we need peace
And we are peaceful.

We are peacemaker
And we are busy
In peacemaking.

Peccadillo - trifling offence

Gajanan Mishra
Full Of Rapture

Full of rapture - heart
Though not perceived
Hidden love.

Motionless portrait
In clear companion
It is garlanded.

No confusion with
The rising sun
Divine blessing
But the nature.

Fear not, come on
O my dear, remember
It is the fate, in touch
With our transcendent love.

Gajanan Mishra
I am here,
And this place
Is full of tourists.
So many kinds,
So many shapes,
So many colors,
So many behaviors,
Differ from
One to another.
Sounds walks, talks,
Sitting, sleeping,
Eating, all are
Different from
One another.
Difference is also
Not there from
Reality and dreams.
Really I am fortunate
To visit this place,
And It is my first
And also this last
In this form
At this time.
I know I have
Nothing to do but
To enjoy in full.

Gajanan Mishra
Full Platter

Full Platter
But we have to
Manage somehow.

We have to go
Far and far
But not far
From the near
And dear.

Spreading kindness
And happiness
We have to stay
Firm at our place.

Love and strike
The red carpet is there.

Gajanan Mishra
Full Politics

Not simple
Full politics.
Attention fixed
No thought about
Any other things
But politics.

What you say
What you do,
True though
Young men,
Not acceptable.
Not simple
But full politics.

Danger is within
Not from outside,
Security measure
Tightened, nothing
To worry, here
All are ready
To fight
Openly no one is
Seen in open field.

Read what is written
On the wall,
Read what is being
Written by you.
Read what will be
Written on truth.

Alarm bell is on,
But belief not
What is there,
Travel, if you so like
Through the words
Through the actions
That are yours.
Full Right

I have full right
To use my language,
And not any other.
My language can be
Use in all
Or any purpose.
If you are there
To serve me in
Any manner and you want
Some earning, you must
Use my language or leave
Or quit the place,
Another one can take
The charge for the purpose.

Gajanan Mishra
Full Right To Body

Full right to body
You can not side-track
The question who am I.

You can not say certainly
Male or female
And what you say
Potentially inaccurate.

Torture abuse
No meaning
No blue line
No pink line
No masculine
No feminine.

Let me choose
My own identity
I have full right
To my body
I have full right
To my body
I am a human being
Human being.

Gajanan Mishra
Full Seven Days

Full seven days
You are to live
Your life
Will not exceed
Beyond seven days
Names of seven days
You know better
Need not explain here
Go with seven days
In devotion and see
Your self where you are
Don't feel awkward
You are bigger than
Anything that is there
To exceed seven days
You are to give them
Their dues
They are the materials of
Your building not
The building itself
You are in the building
Without bricks cements sands
Go for that morning
And evening full seven days
Full seven days are
Not Yours my dear
They are for You
And You are to overtake them
With due procedure
In devotion by giving
Everything that are with You.

Gajanan Mishra
Full Stop

Death is not the full stop,
here or hereafter, rather,
It is a continuation of
the life further and further.

Death is a new beginning, and
Death is the expansion of life
towards growth, hard to soft,
Seen to unseen, imperfection to perfection.

I love it as because it loves me
I am going towards death as
the death itself is coming to me,
I love death as I love myself.

Gajanan Mishra
Full Strength Full Fame

Full strength full fame
Wealth knowledge beauty
And renunciation all are

You are present here
I accept you whole
You are acting here alone
Only for me with

Gajanan Mishra

Gajanan Mishra
Full With Power

Full with power,
All knowledge,
All energy,
All opulence,
All renunciation,
All beauties,
All full, full all,
Full with all
Desirable all joyful.
It is life,
Within life.
At home and
Away from home,
All for doom.

Gajanan Mishra
Fully Aware

I am fully aware of
Your presence, my dear
I know it is Your mercy
Upon me
I belong to You
That I know
I never thought
Anything mine
I know giving
And taking has
No meaning with
Your presence
I am confirmed
I am in a better
Position with You
You are in my
Truthfulness I know
And I know You are
In Truth You are Truth
I am fully aware
Of Your presence
Here there for
Better and better care.

Gajanan Mishra
Fully Equipped

A man is
Fully equipped
With everything.

Dear men,
Beg not anything
To anyone here
Or there.

Feel not
Incomplete
At any time
Anywhere.

Fear not, fear not,
No one is there
To do any harm.

Gajanan Mishra
**Fully Good**

Fully good,
This life.
We are to
Maintain it.
We are to
Learn protest.
We are to fight
For justice.
We are to take steps
For the spread of
The truth.
This life is
Fully good.
We are alive
With love
In truth.

Gajanan Mishra
Fully In Love

No satiation,
No retirement,
No feeling of fatigue
And nothing like that
With one who is
In good and
That is never old,
Fully in love.

Gajanan Mishra
Fully Joyful

Fully joyful You are
That I know here there
And You are successful
In Your creation, my dear
And You are giving all
What they desire.

Gajanan Mishra
Fully Satisfied

I am fully satisfied see
I am not agitated.

Whatever I am getting I am eating
Small quantity great quantity
Palatable stale no matter
With great respect with negligence
During day or at night
No feeling is with me.

I eat what is easily available
Likewise to cover my body
I use whatever is available
Whether it be silk linen cotton
Bark or anything
I know everything is my destiny.

Sometime see me I lie on the surface
Of the earth sometimes on leaves
Grass or stone sometimes on pile of ashes
Sometimes by the will of others
In a place on a first-class bed with pillows
I know it is all Your will, my dear.

I am satisfied with all
As I know nothing is under my control.

I travel all over the world here there
I think myself a king a beggar
My dear, see me here
On the back of an elephant
Or on a chariot or a horse
And I think nothing special.

Gajanan Mishra
Fully Surrendered

A great great soul
Is very very rare.

A great soul
Fully surrendered
Is very very rare.

Transcendental knowledge
In devotional service
Is very very rare.

Devotional service
In transcendental knowledge
Is very very rare.

Living entity is in
Loving service
Without artificial covering
Is rare and rare.

Conviction carry point of ecstasy
Elevate to the stage of transcendental love
After purity is not rare not rare
Genuine attachment in firm faith is rare, rare.

Gajanan Mishra
Fun Place

Fun place-
This earth,
Where we are
Living with family.
Here is the ocean,
Here is the desert,
Here is the water,
Here is the fire.
Here, we are living,
Here, we are dying.
Death is co common
Life life.
No difference is there
In between going and coming.

Gajanan Mishra
Fun-Love

Fun-love,
Enjoy in life
And struck with wonder.
Leave the fingerprint
On the body of time,
And measure the rope,
Not sufficient to
Bind the air and the sky.

Gajanan Mishra
Funny- Everything

Funny business,
Funny everything,
Funny everybody
Here I see.
The men, the things
That are here with us.
Funny the king,
And he is busy
In funny business.
He is dancing
On national high way,
And no one is there to see.
He is singing
Before the deaf,
He is eating nothing,
He is taking nothing.
The king is great,
The king is innocent,
The subjets are crying.
The king is laughing.
Funny is there in his laugh,
In his dance, in his walk.
The king is talking,
Talking not in the language
Of the subjects,
But enjoying life
With the tax-money of
The people at large,
The people, the subjects are
Thankful to the king,
As the king takes pain
To utter something for them.
Funny everything,
Funny everybody
Here on this land.
Funny is worship,
Funny is fighting,
Funny is very living.
Funny Idiots, Tolerate Me.

Tolerate me,
Funny idiots,
I am only for you
With all truth.

Gajanan Mishra
Furious Really

This hand to look at
Furious really
This time
That coming to me.
My helpless body
See here lying
In the fire
Without hesitation
And I am just
Looking at it.
From my childhood
I am trying to go
To the playground
But in vain
I am being checked
By the hands
That is furious here.
I am mocking at me
And I am dumbfounded
With the hands
That is empty
That is unseen.

Gajanan Mishra
Further And Further

It is the Heaven
that we live in.
It is the morning Sun
that we dream.

We are not fool
We are full.

We are the soul
that is the whole.

We are the spirit
that is sure.
It is the bodycloth
that we wear.

We love eachother
Look through the posture
Come to greet eachother
Start to go
Further and further.

Gajanan Mishra
Future

Introspection is a must
To see the fault.
We are to see our
Own faults
And not others
We are our future.

Gajanan Mishra
Future And Present

Who knows
What is there
In future?
Future is always
There as uncertain
And unsure and obscure.
Who knows
The dreams are
So sweets,
But life
More than that.
Just taste
The present
With its contents.

Gajanan Mishra
Future Course

See me
I am unaffected
In day in night
In air in water.

See me
I do not feel dejected
I do not feel elevated
In success in failure
I am equanimous.

I have power
To remain unaffected
By failure
By success
I know success
And failure is
Not under my control.

My dear, I am yours
I can say this proudly
And it is you to
Decide future course.

Gajanan Mishra
Future Fate

Future fate,
Who knows!
It is not like
That of solar
Or lunar eclipses.

But I can see
What is going on here.
I can do that is possible,
I can talk lovely words,
And I can be a faithful one.

I cannot close the matter,
As the starting point
Is not at my disposal.
I can go ahead, though,
Following all statuses and orders.

Gajanan Mishra
Future Happiness

Future happiness
Is in your hands.

You are to enjoy
This or that.

See this is dog
And that is ass
You are to choose
Your own standard.

Where is knowledge
In between who is
There to say in
Clear words, my dear.

I fear, the practicability
Of the matter here.

Gajanan Mishra
Future Life

Future life
Future life
Who has seen it.

Who has seen it
One's own light
Who has declared a fight.

What is that fight
And what its purpose
That We know not.

It is the present
It is the future
That was in the past.

Certainly you can say
I am not ignorant.

Gajanan Mishra
Future Of

Future of humanity, see
Here at present before you
Human being born as man
With capacity to be a God
With capacity to be a demon
Future of humanity is
In the hand of a human being.

Gajanan Mishra
Future Proving

No establishment
No future proving
And nothing.

And nothing
Besides love
Here with you and me.

No future proving
Of love here
At this time.

I remains
Only yours
And you mine.

Gajanan Mishra
Future, Present And Past

I am hard
You are soft.
I am dark
You are light.
I am here
You are there.
But one is waiting
For us, that is fight.
You are my heart
You have the pulse.
You are my present
You are also my present
And also my past.
Let us stay till last.

Gajanan Mishra

Gajanan Mishra
Gachha Pari

Gajanan Mishra
Gain and security
Find it only in love,
Always absorb yourself
In love, my dear, and
See this world of
Fire and water is
Full of nectar.
Everything is
Attainable here
And for this you
Have to penetrate
Your intellect fully
But with love and
Know the truth in reality.

Gajanan Mishra
Gain Is There

Gain is there,
Where there is pain-
Is not always true.

Gajanan Mishra
Gain Knowledge

Gain knowledge
and be a man,
Man of truth,
Man of speechless.
Keep your eyes
Close and shed tears.
Show your love,
Love of life,
Love for life.
Life is there
In love,
In truth,
In knowledge.
We are in life's college.

Gajanan Mishra
Gain Nothing

Gain nothing,
I said, though,
In so many things.
Done, works,
In so many ways,
But no danger
Of being unsuccessful,
As I know the truth.

Gajanan Mishra
Gained Everything

Gained everything
Nothing remains
To be attained.

Know Him and
Nothing remains
To be known.

Realized truth
You find no false
Remained.

Gajanan Mishra
Gaining Good

Gaining good
by losing bad.
Practice is needed
for getting gain
and also for losing badness.

To clean the room
at regular interval
is a necessity.
If you left the room
Dirt would be accumulated
On its own.

Gajanan Mishra
Gaining Political Power

Is not the end of life
Filling the belly is
Not the mark of success.
Increasing of age does not
Mean you are man of wisdom.

Alas, the earth is now
Crowded with corrupt population.
Mountains and forest are
Not save to go and stay.
Nature is ruptured
O my dear, think yourself
And your future
And do what you think proper.

Gajanan Mishra
Gaining This

Gaining this,
Gaining that,
Does not mean
There is no
Greater gain
Than this
Or than that.
What you attained,
That is nothing,
Anyway, satisfied.
Think always,
You are in right
Position here,
And live in peace.

Gajanan Mishra
Gains Of Human Life

Gains of human life
To attains Truth
Truth is real.

Without truth
Knowledge of languages
Scripts, arts, literature
Sciences are in vain.

Without Truth
Everything is wrong
Wrong is error
Error leads to fall.

It is Truth
By which one can discriminate
Between real and unreal
Between gain and loss
Between bondage and liberation.

If not in truth
You possessed a delusive nature
Without rhyme and reasons
And you trouble others.

Search for truth
Go with truth
And live a fruitful life
Without any loss.

Gajanan Mishra
Gajanan Mishra

Gajanan Mishra
You know
What and where
Gajanan Mishra
Good, better and best
I swear.

Gajanan Mishra
I know
Who and when
Gajanan Mishra
Love and loved
Now and then.

Gajanan Mishra
Is not yours
But my name
And remember
I do not want
Any name and fame.

Gajanan Mishra
Is here to shows
Right path
Gajanan Mishra
Takes a bow and
Needs no worth.

Gajanan Mishra
Gajanan Mishra Is Dead

Gajanan Mishra is dead.

One asked; are you sure?
Another said; you have committed a mistake.
Yet another added; My God, no one can believe it.

Gajanan Mishra declared; take it or leave it.

Oh no, all said at the same time.
Some said; we knew Mr Mishra from his childhood.
Some other added; we should remember Mr Mishra as he is.
Yet some other declared; Let us pray for the deceased.

But it is autumn, How can you say Mr Mishra is dead!
See, and discover Mr Mishra in your album.

I, as Gajanan Mishra make myself placed at the top of the hill
And told all, see I am here.
But no one is ready to hear, though said, it is disgrace.

Gajanan Mishra
Gajanan Mishra Is Speaking

Gajanan Mishra is speaking,
Be attentive and hear him,
Please listen with care
What he is going to say
About the chameleons and
The land and language;

That Gajanan is saying
He cared not the chameleons
But he cared the language.
It is his love and not ego.

That Gajanan is not selfish
To hoard the emotion of others.
He feels the love as
Spirit of all freedom.

Gajanan Mishra has never seen
Language as a vehicle for love.
Gajanan Mishra revolts against
Oppression that is taking away
His love, love for language and life.

Language is his life reiterated
Gajanan Mishra in an open interview
And express his revolutionary
Feeling of language and own land.

Gajanan Mishra

Gajanan Mishra
Gambling

What is that, 
That gambling?  
And it is for what? 
Gaining and winning 
Are not the same, 
It is identified 
With losing and defeating.

Life is not conditional, 
Life is absolute. 
Doubtless, we are here 
To accept it in full. 
It is the pure truth, 
It is to accept and 
Not to refuse.

Gajanan Mishra
Game

It is a game
Between you and me
And it is fact
We both lose
And admit defeat
And we both enjoy
by self-declaration
We won.

It is a game
And it cannot be
Explained as before
We both responsible
For any loopholes
And become fools
It is a game
We are in shame
It is not being
Played and nobody
Can say successful.

Gajanan Mishra
Game Is

Positive thought
Positive action
Do not serve
without negative
connection.

You are positive
You are negative
I am neutral
Who is there
I cannot say
I am not liberal
I cannot say
Game is not final.

Gajanan Mishra
Game Of Words

Give me a chance
To go out with
This game of words.
I know the words
And spellings are
Here to make
Me wonder.
The black, the red,
The blue, the green
All have special meanings.
Life with words means
Dressing in brilliant colours
And number is the sign there
In the path of existence.

Gajanan Mishra
Game On

Game on, come on, my dear.  
You are allowed.

Go with your own  
Master plan, my dear,  
At each nook and corner  
Spreading your messages  
That you are here  
And here for all times.

Who cares?  
And that has no answer.

No answer  
And I am busy  
All days  
Only in questions.

Gandhi

Called him Gandhi
and see what he is doing.
Give a name Gandhi
and see what is happening.
Gandhi is still here with us,
Gandhi has no birth
Gandhi knows not the mystery of
cycling and re-cycling
the process of life.
Gandhi is in love
Gandhi is in truth
Gandhi loves non-violence.
Called him Gandhi and see
you have own your enemies.

Gajanan Mishra
Gandhi - A Symbol

Gandhi..!

What is that?

Actually
I want to know,
The components
Or to say -
The ingredients.

Okay,
It does not matter,
If you are
Not interested to say.
But I doubt
Your knowledge.

I am not sure
Where you are,
It is also a fact,
I am not sure
About myself.

But I am
Putting question
That has some merits.
And that's important
For future reference.

Let us forget Gandhi.
But Gandhi is here, see.

And it is light
With uncountable colors.

Are you not able
To see?

Worry not, my dear,
I am here
With Gandhi
On my own land
With my own language
In the court of justice.

Gajanan Mishra
If the word Gandhi
Is there in
Your first name,
Or middle name
Or Surname,
Be sure,
You are going to
Get a vote.

But if you are there
To misuse the word
Gandhi by artificially
Using it to get
Some benefits,
I am sure
You are going to
Destroy yourself.

Gandhi is fire,
Gandhi is the truth,
Gandhi is non-violence,
Gandhi is simplicity,
Gandhi is surrendering everything,
Gandhi is universal brotherhood,
Gandhi is peace,
Gandhi is Gandhi, know Gandhi.
Recognize Gandhi, true Gandhi.

Gandhi is a culture,
Gandhi is nature,
Gandhi is peaceful atmosphere,
For Gandhi, we are here,
For Gandhi, Our sky is clear,
Gandhi is the savior,
Gandhi is the savior,
Gandhi is life's best scriber.

Gajanan Mishra
Gandhi And Richard Attenborough

Gandhi- the nectar,
Richard Attenborough,
You have tasted that nectar.
How can you die here?

Richard Attenborough.
You have made Sir Ben Kingsley,
New Gandhi and role model
and showed the present human beings
What a life would be.

I salute you, Richard Attenborough
as because you have
made the Truth and non-violence
so acceptable by all men of the world
showing the power therein reality.

Gajanan Mishra
Gandhism

I know it through
The Geeta and morning prayer,
I know it through
Brotherhood and humanity.
I know it through
Non-violence and peace.
I know it through
Minimum requirement of life.
I know it through faith
And love and truth
And the innocency
That is in you.
I know it where there
Is absence of falsehood.

Gajanan Mishra
Gangadhar Meher

O my dear poet, listen there, listen here,
I know you are rising all around.
You are rising on the earth,
You are rising in the sky,
You are rising with the fresh air,
You are rising with pure water,
To give nectar to all creatures.
The beggars the dictators all go
But you are there for all times
With the sorrows and with the happiness
You are there for all times with all
So long as there is the moon and the sun in the sky,
So long as there is a language with the bird that fly,
So long as there is a life on the earth with smile and with cry.

Gajanan Mishra
Gap Is There

Gap is there,
Just come and see,
Watch and enter
Into the centre.

What is there
In the centre
That I can say
After your entry.

Deliver no speech,
At this time, please.

You are not the original
Creator to show any new thing.

You are not the foolish one
To keep mum after this.

New poems with new vision.
Poet's happiness caused
Your eyes wide upon
Come on come on come on.

Gaze upon the poets

Cheerful with smiling glances
And ever free of fatigue
In spite of all distress
And material activities.

Gaze at the poets as they are
The real source of inspiration in life's creativity.

And the goal is to be achieved.

Genealogy

Going with the genealogy
I reached at the truth
That is one and the same
For all here.

Seeing the overflowing of love
We all danced and sang
And thrilled with emotion
That is there within us.

Recognizing the purity and
The holiness everywhere
I stayed for a while
With my breath.

Watering the garden is a must
That I know from my own
Experiences and started
Writing for the benefit of all.

Really my journey to You
O my dear, is beautiful and
Joyful at this time and You
Allowed me to perceived everything.

As usual.
And we learn nothing
During the periods.

In this place called Puri
Known as your Kheshtra and Dhama
I am not able to describe
My feeling in words in my poetry
Excuse me, O my dear
I am getting lost
In this place called Puri.
All roads lead to Puri
I know Puri is a place of pilgrimage
Of tourist interest
Some took it as a place of leisure trip

And golden sea beach here
I know You are staying here
And calling me day and night.

This globe is at our hands now
We are walking on this earth
Seeing the sky closely.

Birds and breeze
All are there.

Repeat not anything
History repeats though.

Relax and go
Life is there
With you - embrace.

Gajanan Mishra
Go And Find

Go and find,
Find yourself
Again.
Find yourself
Again in you,
In your own words,
In your own vocabulary.
Find yourself
In volcanic origin,
Find yourself
In the warmest, shallowest
Smallest and
Also in the biggest region,
Find yourself
In fire and in ice,
That are in you
And declare yourself
As the only truth.

Gajanan Mishra
Go And Learn

Go and learn
Go and earn.
Take this sword
Quarrel with
A man of your own.

Do not ask for mercy
Ask for sacrifice
Do not ask for peace
Ask for war.

Gajanan Mishra
Go And Pray

Go and pray
It is dawn
It is day.

Go but try
Not to weep, as
It's end of night.

See yourself
Full of power
Here it is
Above all towers.

I am busy
In an endless war,
I am on the wide stair
With that fixed star.

Gajanan Mishra
Go And Search

Go and search
Go and search Gajanan
Gajanan Mishra
Search out and see
What is he.

Listen Gajanan Mishra
What he is singing
Read Gajanan Mishra
What he is writing
Experiment what has he.

Gajanan Mishra is
Nothing and nothing
Gajanan Mishra can
Imagine anything
Gajanan Mishra can
Do anything.

O my dear
You are to accept
The milky words only
And reject Gajanan
If he is uttering
Filthy.

Gajanan Mishra
Go And Search My Address

Go and search
There my address,
There in the mango leaf.
Relation is there
In new form,
There in the air.
Go and search,
In the old song
With modern tune.
My name is there,
Just utter before all
Even in dark.
I am eternal
I am here with love.

Gajanan Mishra
Go And See

Go and see
The truth,
Go and implement
The truth.
Experience the truth
And enjoy life.
Life is for you
Love it in full.
Nothing but
The truth be told.
No one is here
So called old.
Knowledge be gained
With truth band.

Gajanan Mishra
Go And Think

Go and think for a while,
Go and sleep a night.
Go and see yourself
What you are doing at this time.

Hear the talk of the parrots,
They are on that Neem tree.
What they are talking about,
Listen and understand them fully.

Gajanan Mishra
Go Anywhere

Go anywhere,
You are free.
And establish
yourself wherever
you like.

Let me see
without eyes.
And let me
stay with all
with one spirit.

My identity is
I am yours,
forever,
here.

Gajanan Mishra
Go Apart

Go apart from you
And check your heart
Day in and day out.

Gajanan Mishra
Go Back And Back

Till the truth arrived.
Here is truth within us
Let us see in our own eyes.
Everything is available here
Let us distribute among all.
Here is the best end
To which life can be put.
Just enjoy the moment
And get pleasure everywhere.

Gajanan Mishra
Go Back Go Back

How you dared to put question
Before all why my body is bare?
Do you know what is body and what is bare?

Here I declared you are not fair
Go back go back and time is not here to share.

Daring is good but daring-hardy and
Dare-devil are not to care
Go back go back I am here with a mare.

Gajanan Mishra
Go Back To

Go back to real life
And be happy, my dear.

See, everything is
Meant for your enjoyment
Here in this true sense
If your activities are
For the pleasure of others.

The owner is beside you, see
And feel His presence always.

Recognition of Truth is the beginning
Of all auspiciousness, remember
And all happiness is there for you
Here feel His presence everywhere
And in everything like you and yourself.

Gajanan Mishra
Go Back, Go Back Home

Go back,
Go back home.
Where is your home
Do you know!

Home, home,
Sweet home,
You are singing
The song now.

Now and ever,
Your fragrance
Is here.
Here I am making all
Impossible to possible
Only for you, dear.

Gajanan Mishra
Go Beyond The Sky

Go beyond the sky
And see where you are.
Tell the star for the light,
And come to you to
Fulfill desire.
I know, strong
Discriminative power and
For you, O star, I am there.

Gajanan Mishra
Go But Stay Not

Go, wherever you go, 'n
But stay not where you are.
Visit the place you desire,
But say not you are there.

Try to please no one,
Not even your love one.
You cannot please anyone
On this earth, try hard.

But you can go on your own way
Without uttering a word.
Go, wherever you go,
But your talent you are to show.

You know, no place
Is there to go.

Gajanan Mishra
Go Close

Go close, but go not
so closer to be a part of
the Ganges polluted water.

Gajanan Mishra
Go Deep

Go deep in to the sea
And catch fish
That's your duty.

Fly above the sky
And watch the birds
And the stars.

Drink water, my dear,
And feel life.
Feel fresh with the morning air.

It is light
It is not night,
You are awake
You are not in pain
Life is a game with no loss no gain.

Gajanan Mishra
Go deep and see
What is there inside.
It is all nothingness
In your senses.

It is right faith,
It is enlightened heart,
It is all sorrows,
And you are trapped.

The dark is shining,
See within, the only truth.
True law is nothing
But all gladness.

Gajanan Mishra
Go For Truth

Go for truth, my dear
Go for purity
Go for good conduct
Conduct include
Speech and behavior
Do not inflict pain on others
Go with the preceptor
And scriptures
Reveal your divine nature.

Gajanan Mishra
Go For Walks

Go for walks
And exercise.
Be slim
And trim.
Feel good
And concentrate
On works.

Gajanan Mishra
Go Forward, Go Forward

Go forward, go forward,
Stop not, stop not, stop not.
Victory is there waiting for us.
We are with our mother,
We are on our land,
we are in our language.
Stop not, stop not, stop not,
No one is there on this earth
To make us stop.
Go forward, go forward, go forward.
Fear not, fear not, fear not.
We are within us,
We are sovereign and
We are our boss.

Gajanan Mishra
Go Further

Do you want to go further?

No standing
No watching
Just rising
With shadow
In white sky.

Running and running
And running
I find only history
That I read.
Cleaning the tongue
I said friend
Road is closed here.

Gajanan Mishra
Go Go Going

Going to other world
Where you are
Let me say yes boss.

Let me build the nest
There in You
And let me say something
That is Yours only.

Let me relocate everything
With love my dear
Let me see how You are here
With all these exposures.

I love this world, let me say
Let me not go from this place.

Gajanan Mishra
Go Home

Go home everybody is telling
To everybody here every moment
But where is your home
Ask yourself first
And you may start
Going from here
I know you are going
Without any halting
Anywhere and without
Uttering a single word
Thing is that it is
Transcendental and oriental
Power of understanding is needed
To give a touch that is final.

Gajanan Mishra
Go In Normal Channel

Go in normal channel
To achieve your aim.
If you so like
You may use shortcuts
If it is not harmful.
Create your own
Atmosphere of calm
And non-urgency.
Have patience and
Perceive the truth.
Apply the truth
At every moment
For your own interest.
Stay truthful.

Gajanan Mishra
Go Into The Sky And Fight

Go into the sky and fight, my dear,
The sky is the best place to fight.
In your fighting, use water as
The best weapon.
Always remember, you are
Going to win.
But keep your mind clean,
Harm not, kill not
A single innocent here.
Pure words and pure thought
Are but necessary items
To secure life.
The thing is that you are to
Make others know who they are.
You all belong to same earth,
Why, to fight then,
Make them understand and
If they failed
Give them a lesson.

Gajanan Mishra
Go Miles

What are you doing,
Tell me.
But think, you are to
Go miles.

Improve good relations
With others and
Maintain dignity
While doing so.

Stay far away
From intoxicants.
And in toto
Live a life in purity.

You are not mortal,
My words- the final.

Gajanan Mishra
Go Not

Go not
Against the people
Failing face crush.

Gajanan Mishra
Go Not Against The Truth

Go not against the truth,
Truth is the fire
That can burn you to ashes.
Truth is there as it was,
Cover not truth
With your wit and
Be not a witch.
Enjoy life with truth.

Gajanan Mishra
Go Not Anywhere

Go not anywhere
Without finishing
Your own works.

Describe your
Work that is being
Done by you.

Go not anywhere
And listen what
The bird is telling.

Give reply to
The sky that you are
Here on this earth.

See the star
Asses your own light.

Gajanan Mishra
Go Not For The Meaning

Go not for the meaning,
Meaning has no value
As you see the truth.
Truth is taking birth
Living and dying at every moment
And you are my dear,
Watching it from near.
Are you not the product of truth?
O yes, you are telling with all boldness.
Stay far from the sense of mine
and selfishness and see the wonder,
Wonder is you are a man
And at this moment living
On this earth with others.

Gajanan Mishra
Go Not Outside

I am within the house,
Go not to search me
Outside. And what do you
mean by outside is
A great question that is
to be answered only by you.
I am within the house
And for this, house is here.

Gajanan Mishra
Go Not Please

Go not please
Stay here with us.
Remember, united
we stand and
divided we fall.

Say always yes
In yes, there is smile,
In smile, there is love,
In love, there is life,
Life is always positive.

I love you and
it is the truth
I cannot stay here
without you.

Gajanan Mishra
Go Not There

Wine of enjoyment.

Go not here,
That is not your area.

Gajanan Mishra
Go Not There - Fire

Go not there - fire,
All fire there.
Go not there - air,
All air there.

The sky told the earth,
The earth told the star,
The star uttered words.
My duty is to listen to all
And do all duties allotted
From time to time everywhere.

I am not to show
The colors of anger.
Though I am the razor,
I am the mirror of my laughter.

Gajanan Mishra
Go Not To

Go not to incur sin
And open not
The gate of hell.

If you know not
What is sin and what is
Hell, it is good and well.

Just know what is good
And what is truth.

Gajanan Mishra
Go Not To The Forest

Go not to the forest,
The danger is there,
The forest is your desire.
Read the caution notice,
And proceed ahead, my dear.
Fear not the winter
Or the summer,
They are not there
To harm you.
But you are there
With them
To cut down the trees
And the weed of desire,
They are there
With you
To cut out
The love of the self.
Obstacles of your
Own existence is you,
Remember my dear.
But fear not and
Proceed ahead with
The flood of time
That is in you,
That is in me.

Gajanan Mishra
Go Not With

Go not with
Outward dress
Go deep and deep
And stay with yourself.

Keep always
Mutual interests
And understanding
With You.

You only belong to
Your same caste and
Always be fixed
In the standard understanding.

Go with you first
And represent your own
Character, my dear
Be fair and stay without fear.

Hear all only from
Authentic sources
Be simple and
Straightforward in behavior.

Gajanan Mishra
Go Not With Anger

Go not with anger, my dear,
Anger carry with it
Various harmful diseases.

Let me thanks you Glendale,
You have said anger is acid
That can do more harm
Where it is stored
Than to anything pf which
It is poured.

Go not with anger, my dear,
Dismiss anger soon from you
And drink a glass of water,
And come out alone
To wash eyes and face.

Gajanan Mishra
Go Not With Defects

Go not with defects,
Defects are all but temporary.
You may appear or
You may not appear
But your existence is
Permanent and all days to come.
How dirty or clean I am
It is not a matter, How
I am here and you are here
with me that matter.
I am a beholder and
What I see, I have no
control over that is
not a fact, that I know.

Gajanan Mishra
Go Not With Fire

Go not with fire,
That is there, though.
Watch the disease
Within, and
Take immediate medicine.
Take no loan
From anyone here
Or there.
Commit no sin,
They are all there
To kill you within.
Life and death
Both are dangerous
With the above, see.

Gajanan Mishra
Go Not With History

Go not with history,
Create history.
No doubt, history
Is the identity.
Yet it is nothing.
No matter, steady
or unsteady
But record of history.
How far true
Different matter
To prove.
But you have to
Go through
To discover the truth.

Gajanan Mishra
Go Not With Math

Go not with mathematics
It is pure politics
That makes you impure.

Just annihilate what you think
Thinking is most dangerous
As we know from the beginning.

Entering in to another’s arena
Is not so easy as you know
But you have to enter with caution.

Whole story is within
And that is an inspiration
And it is only with me.

Gajanan Mishra
Go Not With Tomorrow

Go not with tomorrow,
Who knows, there is
No sorrow!

Gajanan Mishra
Go Not With Wolf And

Go not with wolf and Jackal,
Remember, they are not like
Squirrel and so they would
Conspire to make your plan cancel.

Gajanan Mishra
Go Not With Words

Go not with words, dear poets,
See, words are constantly flowing
In my poems and words know not
What is heaven and what is hell,
They are all far from cause and effects.
Dear poets, go with my feelings,
My life, my experiences here,
Words may cheat you at times,
Be cautious friends, when you are
In search of truth.
Poems are scented flowers, sweet fruits
Of life-tree here for all times.
And it is everywhere always,
Discover and understand it within.

Gajanan Mishra
Go Now, Go Now

Go now, go now, please.
But where to go and
How to go mention it.

It is interesting to go,
But true going is
Really difficult.

Dare not to say
I am not afraid.

No reason to spread
The wings.

No shadow anywhere
You can find.

Rise and see
The sun and the moon together.

Gajanan Mishra
Go On

Nothing is a mistake
And hence go on in your work.

I am here to give you the task.
The task to success,
Success to complete the task.

To complete the task
You have to
Work and work
See not mistake there.

Gajanan Mishra
Go On - Step By Step

Go on
Step by step.

See and feel
Everything and everybody.

This world is yours,
You may play, you may sing,
By uttering words and encouraging.

By failures
As you know nothing is a failure.

Despair not, go on
You are going up and up.

Gajanan Mishra
Go On And Going Is

Go on and going is
Crossing the policy-paralysis.

we know this is the moment
of perfect living
with all at this time.

Gajanan Mishra
Go On Go On

And keep your mind
Fixed on truth
Feel not neglected
Feel not insulted

Understand the truth
And go on advancing
On your own ways through intelligence.

But make love.

Your shadow is telling you
Fear not, my dear.

As a silent spectator.

Let me say laughter
And not a lover.

Gajanan Mishra
Go On Living, My Dear

I know not
How I am writing,
I know not
How I am living.
But I know
I am living
For others,
I am writing
To say
Something new
In a new manner
To all and
I want to
Give all
Courage to live
In this world of fire,
I want to tell
All, worry not men,
Nothing is there to loss,
But everything is there to gain,
Go on living my dear.
I am here,
I am here to help,
To co-operate,
To make you happy,
To see your growing,
To see how you are refine
And how you are dealing
With others for all good
For all welfare.
I am know not how many
Leaves are there
In the tree,
I need not know
How the sun is rising
And going to set,
But I want to see
The blossoming flower,
The smile of the clouds,
I want to hear
The singing birds.
And for this
I am here, my dear.
To write, to show all
How beautiful
Our world is.
I know nothing
But I am writing
And writing.

Gajanan Mishra

Your own
And everything
Is within you.
Just write
With devotion
Do not renounce
At any stage
Go on writing.

Gajanan Mishra
Go on searching poems
In everything, my dear.
And everywhere find
Poems and poems and poems.
And who is not a poet?
See this, see that
And test each one's every act.
In all joys and in all sorrows,
In all colors, in all sects,
In all and in all, in ocean
On earth and in the sky find poems and poems.
Only for poems and poetic sensibility
The earth is revolving round the sun
And we are all in love and staying here.

Gajanan Mishra

Truth is but love.

Gajanan Mishra
Go On Sleep

Go on sleep,
It's too late now.
I am ready to listen
Rest again tomorrow.

I know, you live in poems
And poems are there with you.
And what is a poem, if any one ask,
I must say poem is the very first word
And the last word of your life.

And what is life you are to put
The question again and I am ready,
Ready to explain life is a poem
That is in you and that poem
would blossom with its own.

Remember, you are dying.

Gajanan Mishra

See the sea has
So many wealth
see the men the animals
All are in search of
Pure love.

Gajanan Mishra
Go On Truth

Go on truth, my dear
With sufficient reasons
And take the whole as yours.

Each and everyone is like you, here.

Be rational and go with the scriptures
Realize that you are a fragment of the whole
Remember, the truth is here with you.

Gajanan Mishra
Go On War

Go on war,
War is but a necessity
to survive.
Fight or perish,
Live like a lion,
Call of time.
The time is
at your disposal,
See and observe,
and take immediate action.
Delay causes death,
Be cautious for future,
Don't be a man,
To whom people laugh at.

Gajanan Mishra
Go On With The Truth

Go on, with the truth, dear poet,
Mind not what others say.
All are ignorant here,
All know nothing about
The world and
About nature.

The truth is not
What appears.
The truth is there
In your own hearts.

Go on with the truth,
And stay enlightened.
You are the only one
With everything in you.

Go on, my dear son,
Go on to act
On what you have planned.
I know you are a person,
Person of action
And also of words.

Unnoticed traits are
There within you, my dear.
Discover them and
Conquer your emotion
And yourself.
Know and realize, you are
The fruits of all purity.

Gajanan Mishra

And reach at the truth as soon as possible.

On this earth for all to survive.

Gajanan Mishra
Go Swift

Go swift go,
Go straight.
Love is there
The best magnet.
Go swift go,
With the light
That is in you.
Use both-
Love and truth
To renew the life
That is in you.

Gajanan Mishra
Go There And

Go there and
face the fire.
People may say
whatever they like
but you should
stand still there.
Go there and
face the fire.
Face with all boldness
and see whom you are
facing is not your enemy
but your own brother.
Go there and face the fire,
with icy cold water, my dear.

Gajanan Mishra
Go There In Normal Way Or

Go there in normal way or in
opposite way that does not matter,
O my dear, but going is a pious one
and that takes you from you to you.

While going face the spring, face the summer,
face the rain and also the winter,
And for this I have opened all doors
and all windows that are there here.

It is your dream that is taking you
with so much love that is beyond imagination,
And the plus and minuses are here with a difference
but no one is taking care to sum up all.

Seeing you I have forgotten all my thirst and hunger,
O my dear, see now, I am drunk, I am not within my control.

Gajanan Mishra
Go To Any Place

Go to any place,
And find me there.

There I am
With you.

My love,
My truth.

We both
Are toys of
Our master.

And the master
Is one and
Is within us.

We are not ordinary,
And we are in sceneries.

Gajanan Mishra
Go To Hell

Go to hell.

For your improper acts,
you are to go to the hell,
You have to go to the hell.

You have kept ego with you,
You are not giving respect
To your own mother,
You are not using your
Own mother language,
You are going against
Your own mother land.

Go to hell.

You are not responding
To an honest man
With dignity and honesty.

You are the cause of
Your own destruction.
You are your bad company,
You are your anger.
You are destroying by you,
Like old age destroys beauty,
Like hope kills patience,
Like death ends life,
Like greed destroys goodness.

Go to hell.

You are not here to
Live your life full
With excessive talking,
Lack of sacrifice,
Exclusive self-interest,
Destroying livelihood of others,
And treachery to others and
Kill another seeking protection.

Go to hell,
You are to go to the hell,
You have to go to the hell.

Gajanan Mishra
Go To Him

Go to Him
In silence
He is in need
Give Him
What is His

Do not stop there
There at far
Come and arise
Arise and go
Go to search
Self and self
Is here
Not far.

Gajanan Mishra
Go To Space

Go to space
Catch the star.
Go to space
And sit there.
Find the moon
Find the sun
That are there
Make life fair.
O children,
Come to the earth,
Respect your father,
Respect your mother,
Respect your teacher,
And be a man of character.

Gajanan Mishra
Go To That Point

Go to that point
And there only
You can see your
Destination.
Go to that point
And there only
You can take shelter
With no distinction.

Gajanan Mishra
Go To The Light

Go to the light
My dear men
You are meant for that
By awakening only
A dream can be counteracted
Truth consciousness is there
And one can find ultimate
Solution of all problems.

Gajanan Mishra
Go To The Platform

And see the train for you
First decide where to go
Then think what to do
Then start the process
Of going and going
Remember one platform is there
For you and only one train
You are the only passenger
In that train and you
Yourself is the driver
The station manager the guard
And the man of signal.

Gajanan Mishra
Go To The Poet

Go to the poet
Prostrate yourself
Before the poet
Render all forms of service
Listen them with guileless heart
Poet is there to remove all your defects.

Solace and peace are there with poets
Poet is a devoted soul for the welfare of all
Poet expects nothing from anybody
Removal of wicked traits and
Development of divine traits
Only possible by the poet
Uncommon is the poet and also singular.

Go to the poet
Hear the words of the poet
Poet is he who can turn a dead alive
Poet is a man of extra-ordinary life
Poet is your guide teacher who can
Give you nectar.

Gajanan Mishra
Go To The Specific Truth

And find there wonderful
Transcendental riches.

So many forms so many sounds
You can see you can hear
On the space-path.

But only one root only one way
It is nothing but everything
It is also small and giant at the same time.

Gajanan Mishra
Go To The Structure

Go to the structure
Man and match
Go to the self
see and catch.

Going towards self
Is successful going
Looking towards self
Is successful looking.

Here in self
Everything stored
Structure and
Nature.

Gajanan Mishra
Go Unprepared

Go unprepared,
Time is not certain
And is not
Under your control.

Reality is that
You are the fraction
And fragment of time
And that has no future.

Figurative calculation
Is of no value,
That I know and yet
I consider it true.

Gajanan Mishra
Go Up

Go up for a new work
That is for the benefit
Of others.
Go up, go up, go up.

Go up for a new struggle
That is for public safety
That is for eternity.
Go up, go up, go up.

Go up for the truth
Go up with love.
Go up, go up, go up.

Nothing is there to check you
Go up, go up, go up,
You are yours for all.

Gajanan Mishra
Go Voluntarily

Go voluntarily,  
Or else, you are  
Forced to go.

For nothing  
You are living,  
For nothing  
You are to go.

Nothing is usable,  
Remember. And you are  
Not here to stay  
Forever.

Gajanan Mishra
Go Went Gone

Go went gone,
And I am undone.

Watch me,
And you are watching,
I know.

I know helpless you are.
Without my help, anything
You can't do anywhere.

Dead or alive
I care not.
I care not who you are
And what you are doing.

I want to love myself,
And you are there for me.

Gajanan Mishra
Go With Knowledge

Go with knowledge
And stay fearless.

Live with present
And not before not after.

Gajanan Mishra
Go With Merit

And try to create
A healthy atmosphere
At your work places.
Go with merit
Without any reservation
In this world of
Competitive job market.

Gajanan Mishra
Go With The Name

Go with the name,
Work with the pen.
Play not hide-and-seek
Before the mirror,
With the mother,
With the mother language,
And on the motherland.

Commit not crime,
No other one but you is
There, here always,
And you are the one
Who is telling the time
To appear fresh.

Gajanan Mishra
Go With Your Mother

Go with your mother
Go with your mother-tongue
Think the earth as your mother-land
And see success is attained
And truth is realized
And the heaven is with you.

Gajanan Mishra
Go, And Dare To Go

Go, and dare to go,
Where you wish.
Do, and dare to do
What and when you wish.
But see, who is there
And what he is doing,
And when you are to go,
And you are to do.
But keep the floor clean,
And enjoy the journey
And take pleasure
While doing.

Gajanan Mishra
Go, Go, Go With

Go, go, go with
Emptiness.

But where to go
First, decide yourself.

Decide, who you are
At this moment.

And at this moment
Where are you?

Go, go, go to love,
To truth.

The truth is there
In you.

You are the man,
Here, for nothingness.

Gajanan Mishra
Go, Wherever You Like

Go, wherever you like,
Take, whatever you like,
All that would enable you
To develop freely.

This earth, this water,
This air and fire,
All are yours.

All are here
Only for you,
You are just
To catch the truth.

And truth is within you,
Go in and see
And do what you think.

Gajanan Mishra
Go, You Are Free

Go, you are free,
You may do
Whatever you like.
During flight
You may, if you so like
Show your might
In the cockpit.
At night, you may see
Equally all side.

Gajanan Mishra
Goal

My goal is fixed
And I am going to accomplish it.

I am here now
in this beautiful world
of flowers.
And this is yours.

Gajanan Mishra
Goal Is Here In You

You just discover
The goal that is in you
You just test the pictures
And say something
That is forbidden.

You are not through fair
As I observed and
You applied direct method
That is nonentity
For the common mass.

Gajanan Mishra
Goal Is Perfect

You are my goal
And I am on the path of poems
Going on and on fixing my mind on You.

By remaining fixed on You
I am neither happy nor sad
I realized You and I know my goal is perfect.

Gajanan Mishra
Goal Of Life

Goal Of Life - Proceed Forward

Goal of life is same,
We know all.
But disagreement
Have arisen among us.
Let us know the reasons,
And solving all problems
Within for good
Proceed forward, dear.

Gajanan Mishra
Goal Of Life- Knowledge And Truth

Goal of life -
To attain and
To establish
The truth.
The sum and
Substance of
Life is truth.
The purpose of
Life is to
Realise the truth.
Life is always
In truth.
Acquire knowledge
To know the life.

Gajanan Mishra
Gobble Not

Gobble not anything
You found anywhere,
And invite not your
Own end.

Pluck not
Unripe fruits
If you want to get
Juice and other benefits.

Without harming others,
You can do anything.
But take quick decision
And prompt action every time.

Gajanan Mishra
Gobi Manchurian

Remember you are not living for eating only
To change taste you may take this.

This chinese cuisine would be ready
With in fortyfive minutes.
You are the starter and
This is yours main course.
You can take the ingredients
Like couliflower plain flour
Corn flour spring onion ginger
Garlic salt soya sauce green chilli
Tomato ketup oil water.
Preparation method to taste.
Make experiments in this
Revolutionary new way.
Remember you are not living
Only for eating.

Gajanan Mishra
God

Who is there
to declare
present I am
except you my God.
Who is there
to help me see
to help me hear
to help me think.
And I am forgetting
everything.

You are there to
search me out.
And I am preparing
for dawn
keeping aside the sun.

What to say
who am I
here I am
with the dust
of this clay
that is melting
in the sky.

You God a scapegoat
watching my dance.

And you are here
to feel tomorrow morning.

Gajanan Mishra
God - I Believe

God - I believe,
And I know definitely,
At my home.
My home - my heaven,
My God - my parent.
Living with me
All time.
Love is there
With them for me,
I am taken care
By them for good.
My home - sweet home,
With parent.
Love and blessings,
I receive from them-
Unconditional, Unlimited.
Words I hear-
So pleasing,
And life is complete
With song and advice
I get whole life.
No speech for
Living God,
For them, see
I rise up.

Gajanan Mishra
God and Guru
both are helpless.
God and Guru no way
related with your actions
and with the reactions
thereof, therefrom.
You have to face
the consequences
of your own past.
Be aware hence further
and bear all that are
coming to you at this hour.
Unnecessarily bring not
God and Guru to picture.

Gajanan Mishra
God As Light

God as light,
Let us see
And let us know
No relation is
There with
Objects and actions.

Our thinkings are ours
We know it better
Thinking is our light
These lights are God
And God is with us
And God enlightened us.

God Himself is present here
In Truth In knowledge in bliss
As thinking as light
In all times in all persons
In all things, incidents and actions.

Let us see God through
These power of thinking
Via concentration of minds
And renouncing affinity
For the mind by discrimination.

Gajanan Mishra
God Bless India

God bless India,
Make India great.
The sun rises
In the east
For India.
And we are fine
Here, in India.
We are of India.

India is for the world,
The world see India
For peace,
For prosperity,
For eternity.
God bless India.

Gajanan Mishra
God Fearing

I fear,
I am fearful,
I am God fearing.
But where is God
That I know not.

I want peace,
I want social justice,
I am clear,
I am perfect
I am with nature.

I know nature is God,
I know the mountains,
The air, the trees, the birds,
The sky, the ocean
All are God's incarnation.

I fear all,
I am fearful,
I fear nature,
My own nature.
So many creatures are
Here with me.

What they are
Doing that I
Know not.
But I know
God is there
In all.

And God is
Doing all actions,
The effects are
Also his, I know.

I know I am in fear,
I am fearful, I fear you,
Love is there within us though,
Where there is love,
There is fear.
And where there is life
There is love and fear-
All are inter-mixture.

Gajanan Mishra
God Has Made

God has made
Everything here
Most beautiful
Just see and enjoy.

This world is made of
By the God within Him
Just feel and
Smile and cry.

It is how
We are related
To God
That matters.

It is our way of seeing,
It is our way of feeling,
It is our way of searching,
Searching the meaning of life.

Gajanan Mishra
God Here

It is the lunatic
It is the children
It is the lepers
It is the sinners
Are God here
They are like God
The God comes in
The above shapes
And you are nearer
To God when you
Are there to
Serve the others
As above.

Gajanan Mishra
God Is A Monkey

God is a monkey,
And God can do anything.
Believe in God
But believe not the monkey.

Monkey is clever
And smart.
Auspicious meaning
Is there in
The life of the monkey.

If you want to
Search the meaning,
Get married soon.
But revere most
The power of nature.

Gajanan Mishra
God Is A Word

God is a word,
But is word a god?
Word is in sound
But sound is not word.
Prayer is
To be awarded.
But awards are there
With smile.
All goodness are
In the wind.
Wind is just a word.
And with words
The poet moves
Forward and forward.

Gajanan Mishra
God Is Gold

God abides
In all beings
And everywhere.
In gold ornaments
There is gold
Before ornaments made
There was gold
Now gold exists in ornaments
When ornaments spoiled
Gold will be there.
Before my birth
God was there
In me God is here
After my death
God will be there.
I am an ornament
God is gold.

Gajanan Mishra
God Is Good

God is good and good is God
I know my dear and it is
Well known to me, for the protection
Of the good and for the establishment
Of righteousness God manifest Himself
And hence you need not worry
For life, life is not yours
It is His and He is here for a
Certain purpose, that is
Not known to us and this is
The cause of our sorrow
Let it go is the best way to follow.

Gajanan Mishra
God is made of nothing,
Nothingness is the characteristics.
All things, everything,
And nothing is but one and
The same thing here.

All words, all images,
All time, all and all
Are but hollows,
Ask not what and how.

No exact picture
Can be found through mirror,
And we see everything
In a mirror, that is the only
The treasure we murmur.

Gajanan Mishra
God is no one else
But I
Let me live like
Stone or wood
Without any word.
See me, I am the truth,
With no desire, no needs.
I have nothing to take
any action,
I have no reaction.
Believe me or not
I have nothing to say,
Thing is, you know nothing,
And for nothing you are fearing.

Gajanan Mishra
God Is Not

God is not only
a piece of stone
or a piece of wood.

God is everything
And He is everywhere.
Each and everybody
is temple where
God reside.
It is through body only
one can see touch
and get God.
Without a body
where is He
Tell me not.

Gajanan Mishra
God Is Nothing

God is nothing
But this stone.
God is nothing
But this prayer.

Come on yaar,
And declare
What you are.

You are my poem
Without words.
You are my dam
Without water.

Come on my dear,
You are the role
Model here.

Gajanan Mishra
God Is On And Same

God is one and the same
For you, my dear, and for me
Please assume all actions and
Objects only God's
And only for Him
Some learned said it
Bhagavadarpanam or
Bhagavadarpanarupa
It means I surrendered
My everything to Him
This world is owned by Him
I am His fragment
Here, there is nothing
Besides God
I realized my thinking is
Also His
And I sacrifice all.

Gajanan Mishra
God Is One And Same

God is one and the same
For you, my dear, and for me
Please assume all actions and
Objects only God's
And only for Him
Some learned said it
Bhagavadarpanam or
Bhagavadarpanarupa
It means I surrendered
My everything to Him
This world is owned by Him
I am His fragment
Here, there is nothing
Besides God
I realized my thinking is
Also His
And I sacrifice all.

Gajanan Mishra
God is here our best servant
And we are here to use
And he is willing to
Serve us at any time
And he is here to help
Life really worth it,
But for this we must
Live in such a way here.

Gajanan Mishra
God Is The Creator

God is the creator
poem is a creation
Poet is not God.

I am a lover of poem
Poet is my hero
God is hero's hero.

I just read poem
I just enjoy reading poem
I shall continue to read poem
As long as I enjoy poem.

At times
Poems are being written by me.
The credit goes to God
God direct me to write poem
And I write.

God only can explain the meaning
I am just an instrument
And nothing.

Gajanan Mishra
God Particles

God particles found
And the universe
Is at our hand.
God particles found
And we conquer
The end.

Gajanan Mishra
God, God, God

God, god, god,
Bodyless,
Nameless,
With all emptiness.

All emptiness,
The life here
Full of godliness.

Space, images,
Pass from here to there.

All wind, all light,
All life, all and all,
Give a call
To the flower.

All stars.

Gajanan Mishra
Jadi mu tuma pakhaku na jauchhi
Godara mulya kana?
Patira darakara kana jadi
Mu tuma nama, kaman sunama
Uchhari na parili?
Mo chariaade jadi tumaku
Mu na dekhi parili tebe
Aakhira mulya kana?
Mo kana tumakatha
Sunibaku byagra dekha.
Mo hata tumaku aalinginebaku
Uthi lambijauchhi.
Tume mora prema, tume satya.
Tume mo pain sabukichhi aau
Mu tumapain.

Gajanan Mishra
Godlike

I am very sorry I made mistake
It won't happen again.
You stated king Juan Carlos of spain.

Great really you are great to realised
Your mistake and said these above.

People are really more important.
Save people from severe economic crisis
And do good to people that is permanent.

Doing work for people's welfare are really holy
Than elephant-hunting and making merry.

You King Juan Carlos of spain
Knowledge regain and having human
You are superhuman
You are really Godlike
And favourite to man.

Gajanan Mishra
Godly And Demoniac

Godly and demoniac,
Faithful and faithless,
Darkness and light,
Ignorance and goodness,
Mortal and immortal,
All here and they
All claim life
And struggle to survive.

Gajanan Mishra
God's Justice

God's justice is right
And always right
Noting but right
Think and get
Everything
Born and die
For nothing
Dog hen Tiger
All are one and same.

Gajanan Mishra
Gods On Earth

Gods on earth are the learned
And the men in knowledge
Knowledge of Absolute Truth.

More important is acknowledging
The arrival of all Truth and
Enlightened purified authority.

Let us be faithful to Truth
And let them supplied all
Related food for the better future.

Sacrifice for Truth is also
Equally important, my dear
At this time we are all here.

Unaware of Truth is sure to put
One's everything including life to an end.

Gajanan Mishra
God's Rottweiler

O God's rottweiler,
I know it is your
Admission of failure
And I know this is
Erosion of faith
In this turbulent world
Filth in the church
Really it is
Unprecedented challenges.

Gajanan Mishra
Going Against

Going against the order
Of nature is bad
And it is unnatural offence.

Nothing arbitrary
Nothing irrational
Is there in nature
Try to understand
O my dear.

Nobody is there
To violate your
Right to life
And liberty.

Respecting nature
Means no suffer.

Gajanan Mishra
Going Ahead

What is the problem
And there is no problem.

You want to do
And the work done
You want to go
And you gone.

The problem is
There is no problem
The problem you created
Is not a problem.

It is your duty
To think yourself
What to do
And there is nothing
To do.

Who are you to do
And the problem is
You are going
A head to do.

Gajanan Mishra
Going Ahead Of Time

Going ahead of time is risky
Making a statement before thinking
Is inviting enemy.

Extending width and length
Is lessening breath
Telling a story to clouds is just a mirth.

Gajanan Mishra
Going And Coming

Going and coming -
Two sides of the wheel,
That is taking me
From here at this time.

Neither I am coming,
Nor I am going
But I am here watching
What you are doing.

And what you are doing
That I cannot stay
As I have not so much
Knowledge to assess you.
And you are giving me a
Reference how to touch the truth.

Gajanan Mishra
Going And Going

Going and going
I am going and
Going to You, my dear,
Day and nights.

What is day and
What is night
That I know not
As I am awake always.

Always I am going
With no minus marking
With no fault of mine
I am going and going.

History is silent
On my going
And geography left
The place knowing
It has no role to play.

I am going
On grand road
That is Yours,
And I am going to
See You at the end.

I care not anybody
Here or hereafter
As I know I have
Nothing to lose
I know I am earning
Only profit and profit.

Gajanan Mishra
Going Back

See I am
Going back to You
With all my sense organs
With my mind
With this breathing
With this life and
With this total existence
With this life and
With this total existence
With my Pure self.

See me I am Yours
And here is transcendental
Service to You
I am Brahman Ultimate Truth
I am impersona-list
I am pure and
It is You who made pure
I am going back to You .

Gajanan Mishra
Going Back Back Back And Back

Going back back back and back back
Back to truth, to Ultimate Truth
Knowing fully well, it is everything
And it is everywhere.

Be free from all hatred
And desire, my dear
And you are allowed to go back
Back back and back to Truth.

Gajanan Mishra
Going Back Home

Going back home
I saw You
O my dear
I saw you dark
I saw you blue
I saw you yellow
I saw you white
Going back home
I saw you
And you are here
And ready to fight
Ready to fight with time
And look now
I am above time.

Gajanan Mishra
Going Back Is

Going back is not so easy,
Going back is not possible,
But the cycle is there
You can revolve round,
With a hope to get back
Your belongings though not
In original forms.
Saying nothing is good thing
So also seeing nothing means
You cannot say you are blind.
What is inevitable, that is there,
No one can challenge
Such and such are happening
Take it sure, But my dear,
What is there, that is only life.

Gajanan Mishra
Going Back Is Quite

Going back is
Quite impossible.

Proceed forward is
The only way left
For you remember
And that is advisable.

But it is possible only
In Your presence my dear.

I am waiting for You
And You are present here
All the time everywhere
With all.

Gajanan Mishra
Going Back- No Question

Going back - no question,
Taking bundles - not true,
Attaining life - for love,
All are here in my sleep.
But I am awake, see me
And say something, I am here
At your own buildings by
Sacrificing so many things.

Gajanan Mishra
Going Back On One's Words

Going back
On one's words
Uncivilized.

Pran Jai
Bachhana na jai
Poet Tulsi Das
Is cent percent right.

Let death come to me
I will keep my words
That is called
Most civilized.

Gajanan Mishra
Going Back To Home

A process is there
Going back to home
Going back to ultimate truth
The process is called
Mystic Yoga.

Push up your life air
From the navel to the heart
Then to the root of the palate
Then to the space between the eyebrows
Finally out of the cerebral hole.

And you give up your material connection
And it is the solution of all problems.

Gajanan Mishra
Going back to the truth
With love,
Is our motto.

Gajanan Mishra
Going Back To Ultimate Truth

True civilization
And civilization advance
On developing potent
Spiritual instincts of all
And giving a chance
To go back to Ultimate Truth.

Gajanan Mishra
Going Backward

Going backward,
And going backward is not dying.
Going backward,
And going backward is giving life
A new fashion in old style.

See life excluding the words,
Read life excluding the emotions,
Live life minus living,
And realize your real
And eternal affinity with nature.

O my dear, this is the life here,
And in life count not number.
Think the symptom that are in picture
And proceed forward as a fresh prompter.

Gajanan Mishra
Going Beyond Death

Are you an owl?
If yes
I conclude
You are the rich
Being with
Goddess Laxmi (Wealth).

If you light
You are welcome
To take away my dark
That is with me
I am with you
O my dear owl
And here I am
Waiting for sunrise
All night.

Gajanan Mishra
Going Beyond Death, See Me

I am going beyond death
See me with my poems,
See me in truth with love.

Gajanan Mishra
Going Beyond Numbers

Going beyond numbers
I arrived here.
One two three,
And I am free.

Let me forget everything
And let me not stay
in confusion.
No friend no relative
Can gives me satisfaction
That I desire.

Let me go beyond all,
Where I want to
establish myself
with all nothingness.

Gajanan Mishra
Going Beyond You

Going beyond you
Is possible,
And you said
You would be
The first to
Welcome it.

But where you are,
I have to search it first
And hearing these words,
You smile,
The meaning of the smile
I failed to understand,
Though here.

It is you to show me
My own home,
It is you to tell me
How to move,
It is you to hear me
My words.
I know no one else
But you, my dear.

Your greatness,
You consider me yours,
I am fortunate
To get back you
Here always.

Gajanan Mishra
Going Deep

Going deep in to life
I see life nothing
Just a click
And get message
Of sunny day
Be ready
It is time
To go away.

Gajanan Mishra
Going Deep In To Pleasure

I do not want to go deep
I know going deep means
Going away from present status
And I do not want to go away
At present from here.

Here I want pleasure and
I know it is a source of pain
Pain of what kind that
I am not able to make you
Understand at present and you
Are also not in a position
That I guessed.

Gajanan Mishra
Going Everywhere

With two blind associates *
I remain an observer
Forced by contaminated intelligence.

* hands and legs

Gajanan Mishra
Going For Poison

Shame shame shame
Forgetting nectar
I am begging poison.

Shame shame shame
I am going towards hell
Forgetting the road to heaven.

O my dear, forgetting love
I am busy in jealousy and hate
And You are silent and I am none.

Gajanan Mishra
Going For Seats

1.

Going for seats
And not for works,
Danger to the land
And the people.

2.

My home - this earth,
My family members-
All the creatures,
See, I fear no one here.

3.

No escape from busy
Planetary system, true.
No way to avoid
Responsibility, also true.

Gajanan Mishra
Going Forward

Going forward face to face
My dear, I am here.
I am here with my own flag
I am clean and white, see.
I am dazzling there with You
O my dear, I am the sky.
So celebrated, my dear
I am in my own airplane.

Gajanan Mishra
Going Going

Going going going
I am going alone
Alone I am going
Never with you again
Do not wait for me
I am not waiting you
You go on your own way
I am going on my own way
I am going going going
Do not disturb me
Do not disturb me.

Gajanan Mishra
Going Hither And Thither

With air and with water,
See me, I am going
Hither and thither, dear.

Where are my eyes and
Where are my ears
I have forgotten to
Tell you in words
That are clear.

No resting place here,
I have also no knowledge,
I am a living entity.

In streets, in restaurants
And in markets, I have put
Several questions and
That are unanswered.

Gajanan Mishra
Going On Loan

Going on loan
You are feeling alone.

Life is not for loan
Feel the life alone.

Live life freely alone
Without loan.

It is loan, it is fire,
It is loan, it is anger,
It is loan, it is disease,
Don't go with it.

Remember, loan is only
Responsible for your sorrowful life.
Repayment of loan with instalments
Is the pain that is given by co-wives.

Gajanan Mishra
Going Outside Illusion

Cause and effect -
Illusion.
But life - nature's
Perfect manifestation.

The eyes and the ears -
Alert always.
But we are the fools,
Failed to understand
The concept and images.

Nothing like time,
As you said from the beginning.
The beginning when we rise
And when we sleep
You may termed interval.

The shadow is there, of course,
Wherein, we get the scope
To search the self.
And scope is there to
Go outside illusion.

Gajanan Mishra
Going Put

Going out
You can go
From you
But be sure
The world is
Not going
It is
Under the circle.

Gajanan Mishra
Going Side By Side

Going side by side
Your mind and my thought
I stood for fight.

The star and the moon
Called me at noon
And I thanked them
And I have my own boon.

Gajanan Mishra
Going To Hear

We are
Going to hear
Only yes or no
No means yes
Yes means no
You know
I know
And also
No meaning of
Knowing
What is what
Why and how.

You appeared
And disappeared
We remained silent
Everything changed
We remained silent
Nothing like
Real
Nothing like
Unreal
We remained silent
We could not get
Any answer
Why and how.

Gajanan Mishra
Going To Mars

Are you ready
To go from this earth
To the Mars?
Come on, my dear,
It is a one way trip.
Remember, we are
In a mood to colonize
Mars. Be ready
To start by storm.

Gajanan Mishra
Going To Meet An End

It is I
and that is
going to meet an end.
End is nothing but a
beginning afresh.

Gajanan Mishra
Going To The Root

Without going to the root
Why are we giving cheap statements
That I do not know.
Proper and true knowledge
Are not being given to the children
Proper foods proper dresses are not
Being provided to our children,
And when they are going waywards
We are telling boys are boys
They make mistakes.
Even if our boys are involved in
Rapes, murders, loots etc etc
We are telling it so happen everywhere
How shame, how shame! !

Gajanan Mishra
Going To You

You are the end I know
And I am going to You.

I have no attachment
Even in this going
I expect nothing
From this going.

I am going and
My going is a
Means to the end.

Gajanan Mishra
Going Together

Is true knowledge

They are the one
And the same.
We are here
To use each one
For the welfare of all.

Gajanan Mishra
Going Towards Higher Vision

Going towards higher vision
I am revived and recharged
I know the conflict is continuous
Within me and outside
Between the higher and the lower
I know I represent both
Positive side and negative
And I know the negative in me
Outnumbered the positive.

Gajanan Mishra
Going Towards Truth

I am going,
Going towards truth,
Death is the only truth here.

Here I am living,
The only truth is the living.

Living and doing nothing else,
And I am dying and dying,
Living and dying - the truth.

Gajanan Mishra
Going Up And Down

Going up and up
You are going up and up
You must come down
And down I know
For going up
Nothing to make merry
For coming down
Nothing to lament
Going up and coming down
Are but unavoidable
Nothing is up and
Nothing is down
It is not you
But the up and down are with you.

Gajanan Mishra
Going Up To Top Floor

Going up to top floor
I declared myself God
It is clear signal of
My frustration.

Gajanan Mishra
Going With

Going with You
O my dear I
Reaped the benefit
I read art science
Philosophy physics

Where there is
Your name fame glory
I know You are the only
Absolute owner of the story
Poets writers all are here
With You and You are at the center
Of all with Your inconceivable energy
To focus yet another new history.

Gajanan Mishra
Going With All Smartness

Going with all smartness

And with clear vision
For the development of all.

Gajanan Mishra
Going With History

Going with history I discovered all reasons
And I found right knowledge with unclouded understanding,
I found joy and sorrow, I found evolution and dissolution,
I found fear and fearlessness, I found non-violence,
I found austerity and charity, fame and obloquy.

Gajanan Mishra
Going with knowledge
I have written a poem,
Going with a poem
I have touched the truth,
Going with the truth
I love you, I love you.
You are there within me
That I know. And I love you.

Gajanan Mishra
Going With Reality

Going with reality
Is enjoying life,
And it is allowing
Stability but not pity.

Gajanan Mishra
Going With Self

If you are not able
to go with yourself.
Chances are there
that you can go
with anybody
at any time.

Gajanan Mishra
Going With The Nature

Going with the nature, my dear,
I want to surrender myself before you.
Going with the nature, my dear,
I want to stay with the truth.
Going with the nature, my dear,
Let me tell you I am absolute.
Going with the nature, my dear,
I want you and I want like you.

Gajanan Mishra
Going With The Root

Use your own language
And be not rootless.
Remember, you can't
Go fast and you can't
Develop with borrowed
Language.
Go with your own root
That is your language.
Think not yourself
Inferior to anyone.
You are strong as
Because you are strict
To your tongue.

Gajanan Mishra
Going With The Self

Going with the self
is realizing the truth.
Realizing the truth is
is living with care.
Living with care is
knowing the love.
Knowing the love is
getting perfection.

Gajanan Mishra
Going With Time

Going with time
I saw you within.
Seeing you within
I went mad.
Going with madness
I discovered myself nowhere.

Gajanan Mishra
Going With Truth

Going with truth
I have written this.
I have written this poem
for you, as I know
You are the truth.

You are the truth,
and you are here to
save all from falsehood.
You are here to make other
fearless and care-free.

Fearless and care-free
is the basic structure.
Men, I know, under this sun
you are the best creature.

Gajanan Mishra
Going Wrong

Tell not going wrong,
But tell it's okay.

Tell something swearing,
Tell something shouting.
But go not barking
Get not confusing.

Shake well bottle
Before taking medicine.

Know the language and speak,
Know the truth and live.

Gajanan Mishra
Gold And Good Bedding

One who is going after
Gold and good bedding,
I am sure, he is going
Towards destructions.

Gajanan Mishra
Gold Has

Gold has no fragrance
Sugarcane plant has no sweet fruit
Sandalwood tree has no flowers
I have no money I am a man
He has a short span of life
He is a ruler
My poem has got eternal power
And it is useful for ever.

Gajanan Mishra
Gold - I Do Not Like

Gold - I do not like
Land- I do not like
Woman - I love and respect
See I am perfect
You are free to say
What ever you like
It is your turn
Let me go on my way
It is my return
My dear has sent me
Due summon.

Gajanan Mishra
Gold is gold
Everywhere,
It is gold
Unaffected.
You may keep
Gold under water
Or under earth
But use it
In proper way.
Life is gold
Use it but
Stay detached.
Life-gold, gold-life,
It is with you
And you are to
Know its true value.

Gajanan Mishra
Gold Is Still Gold

Gold is still gold
And it is all yellow.
Half gold full gold
Nothing like that.

Nothing special
In saying anything more.
It all lighted
In the air.

Gajanan Mishra
Gold Is Tested

By rubbing on the touch-stone.

An expert jeweler only
Can know the precious stone.

By his innate disposition
A man is tested
In times of emergency.

Each and every creature
Is an ocean of wisdom
My dear, just observe the nature.

Gajanan Mishra
Gold Itself

Gold itself is all,
We are all gold.

Gajanan Mishra
Golden Beach

What happened
To this golden beach
Where is its calmness
Still I am here
What for
I know not
Is it attractive
As before
This Bay of Bengal
And Mahodadhi is here
To tell you
Picture in clear.

Gajanan Mishra
Golden Flower

Golden flower is here
Blooming, see.
Golden song is here,
They are singing, hear.

I know not
What more you need
In life here.

To fill up the belly
Is not the only work
To be done.
To sleep with wife
Is not the pleasure
At the forefront.

In this jungle let me search the deer.

Gajanan Mishra
Golden Hours

Golden hours present,
Present is the golden hours.
Try to know the heart of others,
And go with the nature, my dear,
You are nature-bound, remember.

Gajanan Mishra
Golden Rules

Golden rules
For you, poets dear.
Through your words
Distribute nectar.
Bring joy and
Happiness to
All creatures.
Make all aware
And cautious.
Let all realize
What they have
That are precious.
Optimize your
Opportunities for
All good here.

Gajanan Mishra
Goldfinch

So you are there,
Goldfinch,
With your
Face full of
Redness.
So you are there
With sharp
Beak and
Powerful eyes
Ready to fight.
So beautiful,
You are my dear.
Love and compassion,
Only I fear.

Gajanan Mishra
Goldsmith Heats Up

Goldsmith heats up gold
In the fire to purify the gold
I am fixed on You only to test myself.

Gajanan Mishra
Gone To Plural

I accept your proposal
Gone to plural.

I am not stupid
And done good deed.

You ask what
Tell me flat.

I have no answer
You are my sir
And only Sir.

Gajanan Mishra
Good / Evil

Nothing is good
Nothing is evil
Think for a while.

Realization is
Necessary
Be like an innocent child.

Be peaceful and firm
And know the well wisher
Of all living beings.

Link yourself always
O my dear, with
The Absolute Truth.

Here You are here I am
And here our world beautiful.

Gajanan Mishra
Good About Truth

Good is always good,  
Bad is not always bad, though.

I guarantee how and who I am,  
But I can't give guarantee  
About others.

Your nature depends  
On your culture,  
But think for a while  
Who you are, my dear.

I am not scattered,  
As before I am here.

But you? I can say  
The truth, before saying  
Anything let me put some  
Quiestions to you.

Gajanan Mishra
Good Action

Good action boost
Not dampened
Good action has
No retrograde approach.
It is you only
Who can say
Which action is good
And which action is bad
After the result received.

Gajanan Mishra
Good And Bad

Good and bad
Nothing like that
Carefree life
Natures hive
Selfless life
Natures hive.
Mother mother
Gather gather
I am in the orphanage
All days
No chit chat either.

Gajanan Mishra
Good And Bad - Mental Speculations

Nothing good
Nothing bad,
Good and bad
All mental
Speculations.

To say
This is good,
This is bad
All, but a
Mistake.

Stay on
The platform of
Neutrality, dear,
Think all clear.

Gajanan Mishra
Good And Bad- Cannot Nullify

Good and bad,
Pleasant and unpleasant,
Cannot nullify each other.

Gajanan Mishra
Both good and 
bad consequences are there 
and so, my dear, 
think for a while 
before taking any 
step here in life.

Treat life as a poem 
and so be careful 
for its writing 
on the wall of time. 
fill up the wallpapers 
in different colours 
so as to take 
all benefits.

Watch yourself 
diligently, my dear 
and test yourself 
how wise you are 
in tackling 
the situation.

But to do 
all things 
which are 
beneficial 
and good.

Gajanan Mishra
Good And Evil Stars

Good and evil stars
Are here with me
But they enjoyed
Equal status before me.
Good and evil stars
Are here with me
And they are going
On their own ways.
I have nothing to do
Anything at any time
Here or there or anywhere
Good and evil stars
Are doing everything for
The larger interest only.

Gajanan Mishra
Good And Good

It is true,
good are coming
to good,
as they are
birds of the same feather.

It is true,
You are nobody
to leap,
it is all depends on
His mercy.

What is going on
behind the screen
is not known to anybody,
we are nobody to guess also.

Gajanan Mishra
Good And Goodness

They are all different,
Good and goodness.
You are to trained yourself
In the culture of good association.
Goodness is there by birth,
By default all are good,
Inside the house.
All good and all good.

Gajanan Mishra
Good and sweet feelings
Are there whenever I am
Going to write a poem.
I am writing poems with
A view to the welfare
Of the masses as a whole,
Without any egoistic feeling.
Anyone can test me by seeing
Total renunciation of affinity
For the materialistic world,
For the body, senses, minds, intellects.
I know the positions, riches, ability
And all other resources are of
The world and for the world and not theirs.

Gajanan Mishra
Good Bye To Whom

Goodbye - to whom
And for why.
I have not yet
Got a single friend.

My figure is not mine
That I know, my dear
And everything here
Is yours.

No one is here
To welcome and yet
I am happy as because
This place is only mine.

Gajanan Mishra
Good Cause

For good cause
You are free to do anything
You are good
Your cause is also good
I am good
My cause should be good
Our life should be
In the renounced order
O my dear, I am here
To awaken all from
Ignorance-slumber
And to remind all
Their actual purpose
In life.

Gajanan Mishra
Good Company

Good company
Is an asset
In itself
Honor the good
Even though
They appear mean.

Remember, through
Contact with the wind
Dust ascends to the sky.
Parrot nurtured in the house
Of the virtuous repeats the Holy name
Water with fire and air formed cloud
And bring life to the world.

Be with good always, my dear
And deviate not from goodness.

Gajanan Mishra
Good Daughter- Good Mother

A good mother can only
Give a good daughter
A good daughter can only
Become a good mother.

Here is a good mother
A good mother can only
Construct the human society
In a very good manner.

Mother-daughter are
Really beautiful feature
For a secured future
My dear, welcome the daughter.

I pray, please hand over
Your daughter to a befitting
And qualified person according to
Taste and character.

Be happy with the daughter
Your daughter is your vast treasure
Your daughter is your mother
And the best bestower.

It is the daughter
Who can only rescue
Your father and forefathers
Welcome the daughter.

Gajanan Mishra
Good Days

Good days
Yet to come
With this
Hike prices.
Good days
Yet to come
With this
Communal riots.
Good days
Yet to come
With all fire
With all water.
Good days has already came
See, with monsoon returned.

Gajanan Mishra
Good Deeds

Concentrate your mind
On good deeds
And get success.

Gajanan Mishra
Good Diplomacy

I am here
Ready to
Fight for justice.
But I am here
Violating laws
For my own self.
God help me
I am for none.

Gajanan Mishra
Good Empire

Let me do what
I want to do,
Give me half a
Minute time.
And I can do
In the name of
My mother,
My mother language,
In the name of
My earth.

Gajanan Mishra
Good Experiment

Life crumbled
And I grew.
No dreams remain
Unfulfilled.

Through dust
Through flames,
I forgot
My thirst,
My alcohol-
My poems.

No sleep,
Eyes closed though.
No mirror,
Night lighted though.

Patience is to be
Taught.
Trees are to be
Taken care.
Days are to be
Given respect.

Gajanan Mishra
Good Feeling Is

Good feeling is
There in my life
That I am living.
And I am telling
In my truthful words.
Let me clear, words
Are not mine and hence
Words are in true form
That I cannot say.
Let me say, still
I am fulfilled.
And I am purifying
Everything that are
Here for all.

Gajanan Mishra
Good Feelings Be

Good feelings be reciprocated,
Good thoughts be shared.

Expected must not be missed out,
Unexpected must be tolerated.

Doing right things be continued,
Vision and ability be shown for all welfare.

Imaginations be not blocked
And creativity be given a chance to move forward.

Gajanan Mishra
Good For All

Good for all,
Good for you,
That is truth.
Truth is
Your tolerance,
Your patience.
Respect others
And stay
Without fear.
Proceed ahead
But depend not on
The sinking ship.
But my dear,
Betray not the self.

Gajanan Mishra
Good For All - The Sky

Good for all,
All for good.

The earth, the air,
The water, the fire,
All are there,
All are there.

All for the sky,
The sky is for all.

Gajanan Mishra
Good For Everyone

What is good
For everyone
Is good for me.

What is good
For me is
Good for everyone.

I realize my
Eternal nature
Of bliss and knowledge.

Lack of perfect
Knowledge is the barrier
To reach the goal of life.

Perfect knowledge is
Absolute Truth and Supreme love.

Gajanan Mishra
Good For Me

I do not know
What is good for me
It is You who know
What is good for me.

I am foolish to ask you
For more and more
I am wise enough
To leave the place.

Gajanan Mishra
Good For Me - Mystery

What is good for me
I am telling myself
And that is the secret
Of success.

And what is success
It is staying within oneself
Calmly without any disturbance
Disclosing nothing anywhere.

And secret is
Living life without
Incurring sins, and
Living without grief.

Mystery of life
Life itself is a great mystery.

Gajanan Mishra
I know
What is
Good for me
I know
The work
And those
Who are
Working therein.

The works are
Going on in a
Systematic manner
In the presence
Of all
We are all
Watching only
Just watcher.

Who is doing
All the works
And for why
And for whom
I know not
And yet
I know
At least I
Dare to say
This before all.

Gajanan Mishra
Good Fortune

You said good fortune
You said good bye
You said further
Let us fly.

Where is the sky I asked
And Your reply
I have not received yet
Who is shy?

That I know your smile
With a meaning
That I am not able to know
What is that to me.

Gajanan Mishra
Good Fortune If You Expect

Good fortune if you expect
Put not anyone in to the troubles.
Love all and give protection to all
For all are your part and parcel.
It is nobody but you here
You are your follower you are your master.
Your chariot is your body
And you alone are going on it, I know.
Know your own strength, my dear
Know that only for all you are the lighter.
Show your form, my dear, in love in truth
By appearing by expanding yourself and it is You.
You are the bottom line the Absolute Truth
Besides you there is nothing anywhere.

Gajanan Mishra

Magnanimous and
Worth glorifying.

Good fortune to You
My dear, You are
Not satiated that I know
And You are doing always
Everywhere for something.

What is that something
That I do not know
Exactly but I know You
Certainly and you are
Here only to rescue.

Gajanan Mishra
Good Fortune- With Truth

Go and enjoy
I enjoy a lot of good fortune to You
Here You are at the platform
That I know and I told all
To remain alert at this rainy days
As chances of so many diseases are there
Let me say a few words more
Go on doing all activities
In relationship with Truth
And be sure you are at the platform
Where I am always as before.

Gajanan Mishra
Good Friday

Good Friday
Consists of
Two words
Good and Friday
Good means
Beneficial
Not bad
Friday means
A day of a week of
Our life span
The Fifth day
If we start counting
From Monday
Friday consists of
Five elements
Of life like
Air water light
Earth sky
Good Friday
Please smile
It is good for life
With new friendship.

Gajanan Mishra
Good Friend

Good friend,
I said myself
Love good friend.
When good friend
Is with me,
I have forgotten
My thirst and my hunger.

When good friend
Is with me
I have found the truth
With love
And I love the truth.
And good friend always
try to take me to graveyard.

Gajanan Mishra
Good friendship means
You are for me
I am for You
For good purpose
With all goodness
It does not matter
Who You are
Who I am
It does not matter
Whether it is
The time of peace
Or the time of crisis.

Gajanan Mishra
Good Good Good Good

Good good good good
Very good, very good, very good.
What is good, how much good
Nobody is here to explained.

Our experiences only giving us
Pain and burning sensation
In throat in tongue and in body.
We are not pleased upon us
Because we know our lifestyle
Are the causes of our sickness.

Too much love is poison,
Keep yourself away, my dear, from
Ill talks and evil habits and
Various entertainment.

Gajanan Mishra
Good Hour

O sun, O moon,
When you are coming together,
I know, it is good hour,
For me, for all.
O day, O night,
I am searching you both,
Where are you now.
O love, O hate,
I am keeping you
In my pocket.
Try not to go outside,
It is not safety.
See me, my sweet sound,
Timeless but I am time-bound.

Gajanan Mishra
Good Human Being

We are to select and choose
A good human being
Apart from decency empathy
And responsibility
We are to select and choose
A good human being
Apart from courage
And determination.

A good human being
With practical ideas
To bring progress and
Positive change is the need
Of the hour we are all
Waiting for
Ignore not a common man
Have trust with stability.

We want a common man
A good human being.

Gajanan Mishra
Good In Love

Good in love,
Love is good.
With dream,
With life,
History unwounded.

Victory at hand,
Everything really,
Truth and good.
Voice disappeared
Uninvented.

Nothing is in memory,
Memory is nothing.
Still, we are to speak,
We are to write.

Gajanan Mishra
Good Intelligence, Good Wife

Good, good, good,
Good intelligence,
Good wife,
Good women,
Good life,
Good world.
All good and
Life full
With nectar.
Nothing to fear,
The ocean of the world,
Called danger.
If with you, there is
A good wife and mother.

Gajanan Mishra
Good Is Always Good

Remember, my dear
You are for the good of others
Remember, You have nothing to do
You have got this life
And nothing remains to be done
Nothing remains to be attained
Nothing remains to be known
I am here for You
And You are for good of all.

Gajanan Mishra
Good Is Good

Go with goodness
Always and derive
Ultimate benefit.

Happiness and distress
All are incidental effects
And think not as
Consequences of material work.

Gajanan Mishra
Good Is Good And It Is

Good is good and it is
Always good,
Good can never be bad.

Bad is bad but it is
Not always bad
Bad can be good if it tries.

Good and bad
Bad and good
No one can make
A distinction as
Water-tight compartment.

It is good because it is good
It is bad not because it is bad
But we know not its use and so it is bad.

Gajanan Mishra
Good Is Great

Great is great
Good or bad.
Good home,
Good children,
Good wife,
Good land,
Good relation,
Good victory.
Good and good,
Every good is
Pious and celestial.
Good labor,
Good means,
Good result,
Good life,
All is good
In life and
In success.
Failure is also
Good if it has
Good effects,
And hence,
Good is great.

Gajanan Mishra
Good Lesson

Learn from your own living,
Learn from your own time,
Life is the best school
To learn everything.

Gajanan Mishra
Good Light

Life has its
Own light,
Let us watch it.

Gajanan Mishra
Good Living

Good living and good talking
Are two different things.

Knowledge and intelligence or wisdom
Are two different things.

Try not to considered yourself
As a learned scholar by cleaver juggling words.

By external symbols you can not
Known a person's spiritual position.

Gajanan Mishra
Good Luck

My good luck
I am here
At this time
And it is spring.

And it is spring
No night in me
The sun stood
Motionless.

I know it is love
I know here
There is truth
Steadfast faith.

And it is spring
In human form and I
Forget not my dear
Our blessed adventure.

Here with us
See ocean of felicity
Embodiment of joy
Fills me with delight.

Here with me
The very home of bliss
The comforter, my dear
And it is spring.

Here with me
My sustain-or my supporter
Of love and truth
And it is spring.

Here with me
Who is destroying
My enemies - hate sorrows
And it is spring.
Here with me
See, my dear
Mainstay of whole
Universe- love love.

Gajanan Mishra
Good Man / Bad Man

Good man died once
Bad man died and killed
So many times
Before finally died.
Good man died in peace
Bad man died in pain.

Gajanan Mishra
Good Manners

Learning good manners
Is an art and we are to know
Whosoever you may be
Friend or foe
There is no expense
In showing good manner
If I have nothing to offer
I must tell you sweet words
If I am able to speak
At least I must smile seeing you
Near and far
And rest is there.

Gajanan Mishra
Good Memories

Good memories are
Always good
No one can say.
All relative terms
Are subject to
Clarification that
One must say.
Life is bubble
But bubble is
Life no one can say.
Yes, one must say
They are like bubbles
That are there with all
Valuable disappearance.

Gajanan Mishra
Good Men

We should feel sorry
For the unavoidable misdeeds.
And we should never find
The fault with others.

Gajanan Mishra
Good Men Good World

Good men, good world,
But the reverse is not true.
The world is always good,
But not all men here - good.
Often, men have their
Vested interest for nothing.
The life is mystery and
Men are in dark.
Men, know the truth
And waste not the time.
Stay faithful and
For all good.

Gajanan Mishra
Good Men, Awake

O Good men
Please rise and awake
For the good of others.

O Bad men
Please take rest and go on sleep
For the good of others.

Gajanan Mishra
Good Morning

Good morning
To you all.
Have a nice day,
My dear.
Feel joy
Within your hearts.

Remember,
Nothing to satisfy
In household life,
Though pillar it is
For higher
Truth consciousness.

Elevate yourself
To eternal love
And receive all profits.
Stay cautious
And refrain from
Prohibited activities.

Gajanan Mishra
Good Morning - For New Food

For you all
Have taken new rice
As food,
You all fathers/mothers
Brothers/ sisters/
Friends.. I salute
You all.
I salute you.

If you would stay alive,
We would meet next year.
If we would die,
Nothing is there
To make us united again in
Our relationships here.
Good morning, good morning
To you all.
I wish you all for the new year.

Gajanan Mishra
Good Morning Sir

Good morning, Sir,
Let me wish all good.

Good morning to you
For merry Christmas,
Let us live together
With peace and happiness
In this world.
We are all in this world
At this time and let
Love reign over us here.

Gajanan Mishra
Good Morning To You All

Good morning to you all,
let the life go on
in this way every moment.
Every moment let us be happy
with our own dreams and
with our own languages.
With our own languages
let us write poems,
poems of love, poems of truth.
Let us feel the truth in love,
let us feel the love in truth,
let us say to each other, my dear,
you are so sweet, so beautiful,
I love you, I love you.

Gajanan Mishra
Good Morning To You Here

O I love I love your style
And form and spirit and
More and more I like to hear
I like to hear You more and more
I like to hear Your pastimes
And about You I like to hear.

It is our friendship our love
That brought me here
It is only for You
I stood here and
I am Your part and parcel
And as such I am able to understand
Your transcendental personality of Truth.

Gajanan Mishra
Good News

Good news,
Good news are
Inside bad news
But not the reverse.

And still
In the name of entertainments
Violence and vulgars
Are there everywhere.

And still
In the name of humanity
We are united.

Gajanan Mishra

Gajanan Mishra
Good Number,

And it is good,
It is just word-number,
Game here there.
Here see no right,
Nothing social-economic,
No housing, no security,
No health, no dignity.

Gajanan Mishra
Good Omen

Olive ridley turtle
Lay eggs close to my house.

Age old relationship
Established.

Big cat feels my house safe
Pedigree discovered.

Owl play cheerfully
And I know no scarcity.

Gajanan Mishra
Good Omens

Good omens
Good omens are
Here always, find them.

Raining down flowers
Beating of drums
Dancing and singing by all
Propitious hours
Appearing rainbows
Exchange of greetings
And all that are here
Above and beyond words.

Gladdened the life
That we perceived
Here in this paradise.

Gajanan Mishra
Good One

Good one, go on,
I am here to appreciate
All your works.

Gajanan Mishra
Good Or Bad

Good or bad
All fleeting
And I exist.

I exist being
Not partial not mediator
I am also not indifference.

I am unconcerned
I know, nothing is there
Besides I.

Gajanan Mishra
Good Or Bad Do It

What you think fit.
Everything has its own plus point
Go on doing it and see positive at the end.
And at last it is fire that is there
Before turning to ashes just take care

Gajanan Mishra
Good Or Evil

Good or evil,
I care not the stars.
I care the birds
Who are within me.
The birds fly,
As lunatics,
In happiness
With reptiles.
I care the planet,
Wherein I am there.
I take birth from
Embryos, eggs,
Perspiration and seeds.
And love, that I need.

Gajanan Mishra
Good Place

Good place
This world is a good place.
Here you are to
Search yourself, my dear.

Searching is life,
And what is that
And how to search
Is depends on you.

You are here only for truth
And what is truth without love.
Love is here, you can express
Through this love to get the truth.

Truth is one and that is life
And life is here only in this world.

Good Poet

Good poet delights
To read others composition
Are not rare.
Here take the ocean
As the rare soul
That swells at the sight
Of the full moon.
I know good poet
Would be gratified
To read what I write.

Laughter of bad poet
Would benefit me
As I know crows call
The cuckoo hoarse
Herons ridicule the swan
Malicious rogues deride
Refined write that are
In love in truth.

Let me clear I am no poet
nor an adept in the art of writing
I am a cipher in all arts and sciences
I possess no knowledge on
Various figures of speech
Metrical composition of different kinds
Infinite varieties of emotions
And I lack excellence of poetic composition
My composition is devoid of all charm
But my composition surely liked by them
Who are gifted poets and who are
Gifted with unbiased judgement.

Gajanan Mishra

And for this I am thankful to You here.

As she can only
Sweep the sky
Throwing my poems
On the face of the star
Telling my words of desire.

Gajanan Mishra
Good Time

Good time
Good time has arrived,
Let us come and see.
Good time with rising price
Good time with rape, murder, accidents,
Good time with us on this chair.
Good time, good time, good time,
Good time has arrived
And we have succeeded.
They are our friends who are praising us
They are our enemy who are denouncing us.
And still it is good time
As we want cooperation from both sides.
Good time is now with us, with us.

Gajanan Mishra

Good Will And Love

Good will and love,
Take steps dear,
To spread everywhere,
All over the world.

Conquer each one
By love, dear,
And reap no sorrow.

Desire to honor
The truth,
And follow
Patience principle.

Hear every word,
But deliver
Righteous judgment.

You are nothing,
And you are returning
To nothingness.
And hence
Practice lowliness
And humility.

Gajanan Mishra
Good, Good, Good

Good, good, good,
Good pen, good thought
Good writing, all are
Good for health
Good for living
Good for society.

Let there be purity
In inner faculty
Of the mind and heart.
You think me good
O my dear, and I am
Trying to become
Better and better and
I have my faith in eternity.

Gajanan Mishra
Good/Bad

What is bad for me
That is good for you
And in such relationship
Scattered the queue.

A small two winged insect
The fly defeated me
Like anything and I
So called learned and powerful
Could do nothing and was killed.

Nothing to surprised
Though body differ
The fly and a man is same
And equal in all respect.

Gajanan Mishra
Good-Bye

I am not here
To remember and
Say all that
You asked.

I have nothing to do
With the business
Here going on through
Land sea and air.

If you are fair
Speak something smile
I am to spent time
That is with me.

East and west
Time do not waste
Sea and sky
Fly fly and fly
Bid earth goodbye
Goodbye.

Gajanan Mishra
Goodbye Elusive Love

I am not false
See me touch me
Come to me
Stay with me
Test me
I am what I am
I am not false.

I am the truth
I am the nectar
O my dear, come to me
I am here always
With you, feel me
Experience me
Let me tell you also the truth.

Gajanan Mishra
Goodbye Taslima

Goodbye beautiful days
Goodbye happiness
You said Taslima
My dear poet
You further said
Good bye childhood
That is really painful
Goodbye telegram
Goodbye letters
Nothing to bothers
We are here to goodbye all
And we know nobody
And nothing is going
Just they are all
Changing their forms
And shapes and sizes
Taslima, the creator
The creation itself is
Going to change
Ask yourself my dear poet
Like you like me
Here there everywhere
I congatulate you
Still you are a poet
Looking the world
On your own eyes.

Gajanan Mishra
Goodbye, Good Bye

I am the leaf,
You are the rose.
You are the song,
I am the weather.
I am the plinth,
You are the roof.
You are the earth,
I am the sky.

Say never at any time
Good bye, good bye.
I am the words,
Emotions are in you.
Poems cannot be written
Without this truth.

Gajanan Mishra
Good-For-Nothing

Good-for-nothing,
How can I say?
So long as the bird
Is singing there
On its own way.
I have to understand
And take steps
For my own self.

Gajanan Mishra
Goodliness

All and
All goodliness
Is here.
It is
Your goodness.
It is, I know,
Your good will.
I know goody
And goody-goody.
You are good-natured
And that make me rise
Upwards and upwards.
I care and respect
Your Good Friday.

Gajanan Mishra
Goodluck

No hope, nothing. 
No pain, nothing. 
Where there is hope 
There is pain. 
Where there is gain, 
There is pain.

We all pots 
Call kettle black.

Animated we all 
Prey duplicity 
Gookluck.

Not caught by dog, 
We go together 
With our own luck.

Gajanan Mishra
Goodman, Heap Of Joy

Goodman,
Good company,
Good establishment.

Nothing to challenge,
Nothing to worry,
Nothing to enjoy.

And we are here
On a natural heap of joy
For love,
For truth.

And we think
You are taking
All pain for us,
We are in love.

Gajanan Mishra
Goodmorning

Look I am here
With a red rose
In the ground of east.
And I am hopeful
I will cross
The border of dispute.

Gajanan Mishra
Goodness Is There

Goodness is there
With noble disposition,
With free mind,
With forgiveness and
Compassion,
And goodness is conducive
To Truth-realization,
And it is His incarnation.

Gajanan Mishra
Goodness Is With You

Goodness is with you
As you know
O my dear
What ought to be done
What ought not to be done
What is to be feared
What is not to be feared
What is binding and
What is liberating.

Gajanan Mishra
Goodness Of The Good

Goodness of the good
Come forward to save the earth
Goodness of the good
Only you have the guts
To fight for what is just.

Gajanan Mishra
Goodness Passion Ignorance

Goodness passion ignorance
All these three are with us
They are our knowledge, our greed
And our heedlessness, delusion.

We have everything with us
The nectar the poison
It is we to decide whether to
Go up or down below as per our notion.

Time and circumstances compelling us
We are the rolling stones
And we should stand at our motion
Remember, life is for self-realization.

Gajanan Mishra
Gooduse

Little is big
Put the little
Good use
Good fruit continues.

Gajanan Mishra
Goodwill And Peace

No harm in sweets,
No harm in exchange of
Goodwill and peace.

Gajanan Mishra
Goodwill Hunting

Come come
You are welcome.
If infact
You are coming
For goodwill hunting.

Gajanan Mishra
Gorakhpur Tragedy

The cause of death,
I want not to listen,
But I want the demon
To be caught and
Hanged before all.

My words are
Not on the line of
Tit for tat, but
I want a lesson,
Exemplary be given
To the culprit
To save future tragedy,
And to caution all.

The matter be taken
Beyond party politics,
Beyond any state and nation,
As the buds belong to
All human class.
The children are the future
Of humanity, the father of the man.
No excuse, no pardon,
For this infanticide,
For this patricide.

Gajanan Mishra
Gorgeous And Cheerful

I know you,
You are gorgeous
and cheerful.

I know you
But I know not
who you are,
though I am there.

You are there
within me
But I know not
who you are.

Without you,
it is true,
I cannot move.

Gajanan Mishra
Who are you
I know Gorkha.
I know your regiments,
I know Your courage
And arts of war.
You are warriors class,
And you are ready to fight
For the motherland.
You have your own language,
And own identity.
I know and I salute you
For love and for the truth.

Gajanan Mishra
Got Everything

I have not experienced
A lack of anything
And nothing is with me now.

What I have experienced
I have openly written
Without any attachment
And I have got everything
With me now.

Gajanan Mishra
Got Everything And Yet

Got everything
And yet beggar.

You want nothing
I recognize you as emperor,

Governance

Governance,
Good governance
For the people.
The people are
Sovereign here.
This is our land,
Our earth,
We are independent,
No one is above us.
We have right to move
Here and there,
Right to eat and play,
We have right to love,
We have right to live.

Gajanan Mishra
Government And Maoist

Maoists are there to safeguard some interest and development
Government is there to look to the welfare of the people.

Both should sit and work together for common good.

Maoist, you please come forward shunning
All violence and illegal activities.
Government officials and peoples representatives,
You please come forward with clean hands and open mind
shunning all corrupt and bad-practices.

You both should sit together for common good.

You both, the Maoists and the Government should be committed
To do good for all and to maintain the atmosphere
With peace and harmony everywhere always.

Gajanan Mishra
Govt At People's Door

Govt at people's door
is democracy.
Govt is of the people
by the people and
for the people,
Lincoln's legacy.
There is no privacy
and there should be
transparency in
every functioning.
Let people know
what is going
with them
for their living.

Gajanan Mishra
Govt By The People

Govt by the people
Must not take
Any step at the cost of
Valuable human life.

Human life is meant for
Knowing the truth.
And the truth is -
We are taking birth
And we are dying.

Govt must take steps
For all welfare of
Living beings.
No delusion
No hypocrisy at any step.

Gajanan Mishra
Grab It

Grab it,
The time is yours,
At this moment of transformation.

Gajanan Mishra
Grace

Grace
And grace is only
For us,
We should
Make ourselves prepared
To get grace.

We are within grace
Grace is for us,
Be kind to others to get grace
In every condition
In every circumstance
In every occurrence
In every activity
In everything.

Think not yourself orphan,
All blessings are for you only.
Love all and be in truth always
And truth is no the opposite of untruth.
Untruth is also truth if it is a blessed one.

Gajanan Mishra
Grace Of Truth

Attain everything
by the grace of truth.
And truth is there
Within you.

know yourself, my dear,
Nothing to fear.
Be a judge to trial
Your own case.

Gajanan Mishra
Grace, Grab Not

What is that?
And why I am
Hankering after that.
Grace,
Nature has made me free,
But I must work with good.
Grab not anything not yours
But give what you have.

Gajanan Mishra
Gradual Development

Do not stop your work
Go on doing it
In doing your own work
You can feel gradual development.

Gajanan Mishra
Gradual effort be made
To know the nature
To think about the truth,
Mind be used, intellect be used,
Eyes be opened, ears be used and
If necessary tongue be used.
Let us know life as self-evident
And it is automatic that
Requires no initiative.
Let us consider everything
Neither good nor bad and
Let us accept all as equal.
Let us not blame rain
As we are no way connected with rain.

Gajanan Mishra
Grammar - An Impostor

Grammar is an
Imposter to me.
And for me
The words are dust.

Let me stay in
Silence, my dear.
But silence itself
Is in dilemma.

Gajanan Mishra
Grammar Valued

Grammar valued
Not to be denied.
Sharpe curve ahead
And also blind turn
Go slow mu son.

Gajanan Mishra
Grammatical Puzzles

I am not at all
Influenced by
Jugglery of words
And grammatical puzzles.

I am here as you see,
I am here as before,
I am here the reason
Not known.

But I am the truth,
I am there, and I am here,
Beyond anything and above
Your thoughts.

Touch me, feel me,
I am here all time.

Gajanan Mishra
Grammer And Philology

I care not grammer,
I care not philology.
I know I am far above.

I know no grammer can
Give me a direction
To live this way or that way.
No philology can declare me dead.

I am what I am here
And I can stay here
Without any legislature.

But my dear, accept me what I am.
Give me a chance to say
What I wish at this time.
My words have some truth, love it.

Gajanan Mishra
Grand Strategy

I do not know
What is grand strategy
And I wonder
That is the magic.

Magic I know
Is life
And life expands
As You wish.

I do not know
What is my wish
It is You, o my dear
Made it clear.

Gajanan Mishra
Grand Trunk Road

Life is a
Grand Trunk Road,
O my dear, go,
With ups and downs
And say whatever
You like but
See the truth
Before saying.

Gajanan Mishra
Grass

I am growing here
With this drop of water
On this earth
And it is my wish
Not to grow more
My dear, but to
Sacrifice self for cows.

Gajanan Mishra
Grass And Goat

Love is here
Said the grass,
But the goat
Is not in a mood
To give a reply.

Gajanan Mishra
Grass And Wheat

Grass is not wheat
Wheat is not grass
Cow grazed wheat
The cow has not eaten
A single grain of wheat.
Not a single grain of wheat
Is there in the field
The crop is wheat
In the middle it appears
Green grass
It is wheat
Likewise, O my dear
In the middle I see You
Wheat is sown
Life is grown
Ripe only taken out
Intelligent wise-ripe man
Only dear to omniscient.

Gajanan Mishra
Grass Covered Path

Grass covered path
It is difficult to proceed
It is easy to wander in forest.
And what is a forest
It is difficult to explain
It is easy to face tiger and snake.

This body is only a dress
It is danger to believe dressed-man
Life risk is there and to avoid it
Knowledge and wisdom are necessary
It is easy to run dressed-life-chariot
It is not easy to proceed further.

Gajanan Mishra
Grass Root

Where is grass root
In Foreign Direct Investment
Where is common man
In Foreign Direct Investment
Where is Swaraj or self Government
In Foreign Direct Investment
Where is sovereignty in
Foreign Direct Investment
Where is Mohandas Karamchand Gandhi
Where is freedom fighters
Again India is going towards
Foreign rule
Again In this economic battle
Rich wins poor defeat
Again we slipped.

Gajanan Mishra
Grateful

I am thankful and grateful,
You have given me everything,
The water, the air, and the light.
Further, you have given food, clothes
And to enhance knowledge the river,
The ocean, the mountains, field, birds,
And the trees and plants
And all animals, aquatic, land
And amphibious and insects.
And at every moment all
Are giving me lesson
In some way or other.
I am calm and quite
And it is you who makes me excited.

Gajanan Mishra
Gratitude

Gratuitous, I know,
Gratitude. But I am
Searching it here.
Where is that and
With whom that I am
Asking everyone here.
I am hearing all
But not able to act
Anywhere as I lack
Everything that is
Necessary for action.
I am asking the reason
But no one is able to
Tell me in proper time.

Gajanan Mishra
I am here
Because of you.
Let me love
and understand you.
You have given me
several weapons
to use them at an
appropriate times.
No one is powerful enough
to dictate me.
I am ruled by the truth,
But no one on earth
will bail me out
from falsehood-
the world.

Gajanan Mishra
Grave-Yard

The fire of the grave-yard
Gives us the message of life.
The fire of the grave-yard
Tells us that one day it would
Do its duty upon us.
Seeing this fire of the grave-yard
We have to learn a lot about our
Own duty and about our life.
Without the fire of this grave-yard
You can not find any meaning.

Gajanan Mishra
Great

You are really great
When you act rightly
According to your duty.

No selfish act
It leads to bondage.
Be dispassionate.

Know your duties please
And drive out from you
Desire and affection.

Gajanan Mishra
Great And Great

Beauty of nature,
Great and great.

Love and beauty,
Great and great.

Nature and truth,
Great and great.

In all greatness
Life is there.

Gajanan Mishra
Great And Noble

Let me say you
Great and noble,
As you are
Simple by nature.

Simple, though
I know, you fear not
the dense forest,
Or the difficult path,
Or any6 calamity,
Or seeing a weapon.

Patience is your power,
I know and by this
You can defeat your
Enemies and untruthful.

Gajanan Mishra
Great Artist

You are hardly reachable,
No one can discover You,
You are really great
The great artist, who knows
Better how to hide,
And here everybody is
Talking about You,
And my poem is kind to me
For I am trying to
Compose You there in.

Gajanan Mishra
Great Assurance

Come to me
Read my poems
Feel me
And it means
You go to yourself
You read your mind
You feel yourself
And see
You are Supreme
You are only here
Nobody is against you
And I assure you
You are here to win
The entire world
Through love and affection
You are the Lord
And for all you are
The source of nectar.

Gajanan Mishra
Great Boon

Self satisfaction is
The great boon
When I am saying
It is summer noon.

What I am saying
Is not new but
In the ocean of words
No doubt a mew.

You are calling me
Oyster my dear
And you are right
Be ready to collect pearls.

Gajanan Mishra
Great Fighter

You are great,
You are the great fighter.
Let me say again,
You are great as
You are fighting
For the safety of
Your mother,
For the use of
Your mother-tongue,
You are great
As you work always
For the development of
Your mother land and
Your fellow men.

Gajanan Mishra
Great Fool

If you asked
Who is fool
I must replied
a head I am a
great fool.

I am a great fool
As I am writing poetry
As I am reading poetry
And I am incapable of doing
Anything except writing and
Reading poetry and my indulgence
In other works will caused
havoc in society.

I am a great fool
And I am forbidden to do
Any other works
And it is better to
Read and write poetry
And live in my world in peace.

Gajanan Mishra
Great Friend

My great friend You are, my dear
My guide my philosopher You are.

Who are/were they,
And what for their
Journey of this type.

Non-living, I care not.
But I care their stay
For humanity.

Not they are there to begin
Anything afresh.

Be faithful to your men, to
The men of your own state
By using their language
While doing the works for them.

Gajanan Mishra
Greatness

You are calling me a man,
It is all your greatness.
But is there any such quality
Here within me you witness?
If yes, please disclose
Before all what is that!
Hearing your words I am
Going deep and deep within,
Is there any place
That is free from words
And thoughts?
Have you discovered so far
For which I am going
Making myself your follower?

Gajanan Mishra
Greed Betrayed

I am betrayed by greed and also
Pride of pelf perverted
Power deafened
And also I am smitten
By the shaft-like glances
Of a fawn-eyed woman and I am polluted
By desire of progeny, wealth and fame.
And my reputation has been
Marred by worldly attachment,
I am bitten by the serpent of care,
And I am overcome by Your delusive potency
O my dear, see, I am thrown out
Of my mental equipoise by combined
Actions of goodness, passion and ignorance.

Of the Absolute Truth.
I have forgotten honeybee like you
This belly is my food storage container
O my dear, I failed to take a lesson
From your failure and I have forgotten
My hands are the plate and I have to eat
Whatever fits on me and like you I am also a sufferer.

Likewise I am eternally Yours
I am meant to serve the whole
And this is my individuality
I am that green bird, my dear
In Your world.

No needs of outward activities
And other type of drama-shows.

Greeting Cards

What is the use
Of this greeting card
That I know not, my dear,
And yet I wait
For the postman.
During this season.

During these seasons, my dear,
I am observing the death
Of my love my smiles.
But my dear, I am
In touch with you
Within a second.

Great are those
Who greet me at this time,
They love me at least
And they love all my goodness.
See me, I am in dark
With my desire,
See me, I am in dark
With my chit-fund activities.

You have sent me
The greeting card,
Okay, let me receive it
With thanks,
Let me change my personality
By leading a truthful life.

I know, I am in love
I am in truth,

Grief For What

I know not
Why a man weeps
And stricken with grief
And for what
When he knows he would
Left the place
Empty-handed alone.
Life after life
A man is going on
But he knows little
What life is and
He is unable to think
The water and the fire
Are the same thing.

To know all
For all good.

Concerned with your
Vibrant state.

Also being controlled by yet others,

It is wrong on your part
to trust me in full,
Let me clear, I may not be guided.
I am facing so many guerrilla
And what I guess, I am
not belong to any one.
I cannot focus in details
That is you to decide how to gulp.

Guard Against

Guard against
All stumbling blocks.
Reside in a lonely place
As it is conducive to
Concentration, meditation
And purification.
Take food that are pure,
Perform actions for all good.
Be truthful and
Agreeable and stay
Tranquil in mind.
Remember, attachment
Or aversion disturbs
Peace of mind.

Guard Of Honor

Let me give You guard of honor
O my dear, You being seated
In everyone's heart
You are watching here
Everyone's activities-
Past present and future.

You are the friend
You are the witness
You are the father
You are the son
I am going to You
I am going to the Ultimate Truth.

I am Yours and I
Surrender myself fully
For Perpetual bliss
