The sky is distinct from my own body.
Let me say I am the bird, I am the tree,
I am also the sky always here.
Ignore me not, I am faithful to you,
I create you, I give shelter to you,
I am perfect and only truth.

Gajanan Mishra
The Bird- The Answer

The bird is there
And you are
Not able to see
Within your
Own body-sky.

Here it is,
If you are eligible,
Visualize.
And eligibility has
No criterion.
It has no
First come first
Pluck theory at all.

Make not criticism and
Be not a croaker, my dear.

You cannot catch the bird
With your web,
You cannot utter
Any word
If there is no bird.

And you cannot be there
If there is no sky.

The sky is there,
The bird is there
But how can you be there,
Think a while and tell
To the star who is
Waiting for your answer.

Gajanan Mishra
The Birds And The Beasts

The birds and the beasts
All are mine,
I know not
What is sin.

I know, eternal happiness
Is within me.
I know, I am for others
And not for me.

I am as good as the sky,
I am as pure as nothingness,
I am as human as air and water,
I am as liberal as light and earth.

I am all in one
And one in all.

Gajanan Mishra
The Birds Are Not Ours

The birds are not ours,
The sky is ours.

The sky is there
In the birds.

The birds fly
In the sky.

We smile and we cry,
On this earth with birds.

Gajanan Mishra
The Blind

The blind leading the blind
See here in this world
Caught in the grip of ignorance
Self-proclaimed experts
Considered themselves more learned
And they be-fooled
With fallacious conclusions
And speculative philosophy
And they misuse their own
And real intelligence, Ultimate Truth.

Gajanan Mishra
The Blind Men And The Elephant

The blind men and the elephant,
Please listen this story from a saint
And say in clear words what you
Understand from this incident.
Though we have eyes, we are blind
Though we have ears, we are deaf
And we have nothing to say
In the worldly-ocean where we are
Forced to go deep and deep.
Know my dear, where are to click
Where is Truth, and know to love only
That is the only way to get peace.

Gajanan Mishra
The Blue And The Sky

The blue is
Not there in the sky.
And the sky is
Not there
In blue.
Snow germs are
There to play.
And the air
Buckle up.
What to say more,
All are deaf
And dumb.

Gajanan Mishra
The Blue Jackal

The blue jackal
Has committed
The mistakes and
Got no time
For correction,
But got lesson.
Dear men,
Know your own
Position and
Act accordingly,
Before going
Out of season.

Gajanan Mishra
The Blue Ocean

The blue ocean is
There with the blue sky.
To see I fly.
But the field
Is empty,
Even the air
Is still.
Zig-zag road
Is ahead.
I apprehend danger,
But I hear, the water
Is addressing me,
Fear not dear. I realize
I am the abductor.

Gajanan Mishra
The Blue Ocean With Blue Sky

The blue ocean is
There with the blue sky.
To see I fly.
But the field
Is empty,
Even the air
Is still.
Zig-zag road
Is ahead.
I apprehend danger,
But I hear, the water
Is addressing me,
Fear not dear. I realize
I am the abductor.

Gajanan Mishra
The Boat Is Yours

The boat is yours,
No one can check you
When you want to take it.
Take it as you like.

But in this boat
I am going on now,
Going to you, see,
Without any current.

No oar, no mast,
No water, no air,
I see there only a star,
And we form a cluster.

Nothing to clutter,
Coadjutor is the boat,
Holding high the head
I stood upright here.

Gajanan Mishra
The Body And Time

I am in this body,
I am also in that body.
I have countless bodies,
And I am in all at the same time.

I am not here to say
It is my body and
That is your body.

I am going with the body,
The body is there as it was
And as it is with water and air.

I am there doing all works
With that body and I am staying
Like that tree and the tree is
Telling me all stories in silent.

The body is telling something
With the dreams in time
And the time is taking me
While rebuilding the body.

Gajanan Mishra
The Body Has No Life

The body has no life,
If true, I find no reason,
To say the body is the recipient
Of happiness and distress.
And I find nothing
Besides the body here.
Shall I believe the soul,
The reason of all reasons.
And where it is in this body?
At present, I enjoy, enjoy my
Own experiences, false and dull.
I am sure, I am neither the body,
Not the soul, but someone else
Other than these two.

Gajanan Mishra
The Body Is

I know this body
Is neither mine
Nor it is for me
And the existence
Is always uncertain.

This is you
That is you
And you are
In all
That I know.

Gajanan Mishra
The Books We Are Reading

The books we are reading - ours,
We are not taking interest
to read in full details though.

Nothing to compensate
Nobody to love
Nowhere the truth.

And yet we are progressing
Pushing the fire aside
No time to write any other things.

The books are clean and fair,
We are there and keeping our
Attachment with the books.

Gajanan Mishra
Poet is the bridge  
Between the worldly life  
And The Supreme Truth  
And poet has the experience  
Of both darkness and light.

Let the poet say freely  
What he feel while living  
And let him move freely  
All around the world and  
Find the way out for better life.

Yes, poet knows everything  
Almighty God is the creation of the poet,  
Poet himself knows all about God  
And tells the people to live with trust  
To live in principle, to live in renunciation.

Gajanan Mishra
The Bridge I Have To Cross

The bridge I have to cross
Is within me.
The words I have to cross
Is in my poems.
The poems I have to cross
Is in the sky.
The sky I have to cross
Is on this earth.
I am the earth, I am the earth.
There is nothing anywhere
Besides the earth.
Earth is there moving always
Taking me on its lap
And giving me all lights.

Gajanan Mishra
The Bright And The Dark

The bright and the dark
Both are eternal
But not final.
And I am in between
The bright and the dark
From times immemorial.
I am beyond and far above
That any wheel here.

Gajanan Mishra
The Business Of The Time

The business of the time
Is to create and to kill.
And no one is there
To obstruct the time.

I am sure, dear,
Time is not the demon.
The time is not
The God either.

In between, we play.
I between, we love.
In between, we live,
On our own way.

Gajanan Mishra
The Cactus

I like
The cactus.
The cactus
Is in me.

I am the sound,
I am the meaning
Of the sound.

I take the earth
In my hands.
I am the earth
And I am the hands.

I want the sun
To come to me,
I am the time.

Gajanan Mishra
The Cake

It is for a cake dispute is there between two cats and the monkey ate.

Gajanan Mishra
The Cat And The Moon

The cat and the moon,
Play the whole night.
The night and the day,
Know not what to do
With the sun at this time.
Is the sun empty?
No one is in a mood
To answer with no reasons.

Centuries passed,
Faces turned dark.
The butchers came forward
To play in love.
I know not the reason,
And I started to go.
The cloak stroke again and
Again but I heard nothing.

Night returned,
But no cat,
No moon.
The sun is there
With my shadow.
And it is all lighted,
The area, and
That far up the star.

Gajanan Mishra
The Cause Of My Sorrow

The cause of my sorrow
Is my selfishness.
The cause of my sorrow
Is my own thinking.
I am hankering
For wealth,
I am hankering
For power.
And I am in sorrow.
I have my own
Hard feelings.
And no one can save me
From my own falling,
I am my enemy.

Gajanan Mishra
The Cause Of This Wonderful Life

I want to know
The cause,
The cause of this wonderful life.
O poet, please tell me
Openly, you know everything.

O poet, like the flame of a candle
I am disturbed here by a blowing wind.
Tell, my dear poet, with your poetry,
On this very day for all welfare.

Poetry is really wonderful,
So also you, dear poet.
Catch me with your poetry,
And take me to the world of
All good.

Gajanan Mishra
The City

The city
Ceases to exist.
All citizen
Since left.

And I am a fool
Who is there
To take care the city
Without caring
The inhabitants.

Either I am innocent,
Or I am beast of burden.
I need to know,
I have no value without
The knowledge of the self.

Gajanan Mishra
The Clouds Are

The clouds are yours,
And they are under
My control now.

Gajanan Mishra
The Cock And The Crow

The cock and the crow
Showing eyebrow.

I fear not anybody
And why should I fear!

My duty is different
At different time and place
All should know.

the cock and the crow
showing their eyebrow.

While bypassing them
I stopped there for a while.

What is the reason
Of giving a stop
I do not know.

Gajanan Mishra
The Color Of The Sun

The color of the sun
Who is going to set
Is red.
The color of the sun
Who is going to rise
Is also red.
Red is the color
Of our blood.
When anger catches us
The color of our faces
Become red.
The relation of red
Is really a matter
To note.
When my wife
Wears red saree
At any time
I love her most.
Red is the favorable
Color of my wife,
Since she has
The sign of Gemini
And she owes me.

Gajanan Mishra
The Cosmos

No, you are not
Meant for me,
It is not good
To utilize you,
And invite unrest.

O cosmos, I know
You are there
For all and for
Universal use,
Let me stay
Unconcerned.

It is true
You are within me
And I am within you
And yet I am separated.

Gajanan Mishra
The Course Of River

The course of river
Needs no road.
Road is there
Everywhere for the river.

Oh, am I not a river?
See, I am living
At every point of time.
I am living in each situation.

I am telling all, wait,
Wait there for a minute
And all are there
With me to enjoy life.

Life is not there to wait,
But it is we, who are here.

Gajanan Mishra
The Cow Is Free

The cow is free
Within the length
Of the rope tied.

Gajanan Mishra
The Cow Is Not The Tiger

The cow is not the tiger,
Kill not the cow to
Show how you are brave
And a hero.

If you are not sure
Who is the real guilty,
Convict not anyone,
And give not punishment.

If situation so arises
Control your senses
And live like a deaf,
Dumb, and blind.

Gajanan Mishra
The Creator

The creator of everything
And everybody is within me.
And I am the time.
I am the time of the truth,
And also the truth of the time.

I watch all, I am the eyes.
I hear all, I am the ears.
I play tricks, I am the sound.
I am the water, I flow down.

The sun obeys my order
And it shines
With all transparency.
Always silence reign supreme,
And I am silent.

Gajanan Mishra
The Crow And The Cuckoo

The crow and the cuckoo
All are here together.
My words are there to
Welcome all with a request
To sit silently for a while.
The problems of time would
Not be there any more.
My words and the clouds have
Signed an agreement
To maintain peace at the border.
The white bear has already
Placed all the matters
For discussion but the tiger
And the lions are not
In a position to do anything
That suits the time.
The parrot and the dove
Are on sleep and we the so called
Men, care not what is happening.

Gajanan Mishra
The Crow Cry

Kaa Kaa Kaa
the crow cry
and those present
take fry.

Kaa Kaa Kaa
riot rise
open doors
windows
who is there
nobody knows.

Kaa Kaa Kaa
left and right
dark and light
the time is tight
who told whom
alright alright.

Kaa Kaa Kaa
mobilisation started
crow cried
the area deserted.

Gajanan Mishra
The Crow Wished Me

Good morning,
The crow wished me
And I threw
A piece of stone
Towards the crow.
It was because
I failed to
Understand the crow.
The crow is within me
And I was not able to
Trace the crow
As because my mirror
Was broken and I was helpless
To ask my own skeleton.

Gajanan Mishra
The Darkness

The darkness of the universe
Is being driven away by the sun.
So also, the ignorance in all
Is being driven away by my poetry.
All answers are there and with that
All are enlightened here.
My poetry are here to give
Devotional service to all.
My poetry speaks about
The blazing fire of fear,
That are there in hard labor,
Disappointment, and death.
And shows the way out
For liberation.

Gajanan Mishra
The Daughter Of The Earth

You are
The Daughter of the Earth.

You are the heart of all
And the heart is in the sky
And the sky is within all.

You are the absolute truth
You are the love.

There is none
Who can abandon you,
And you abandon none.

You have proved
No one is above suspicion,
And you have proved
What is truth.

You are the Earth,
And you tolerate all by
Being the daughter of the Earth.

You know the question
And also the answer.

Gajanan Mishra
The Daughter Of The Earth  -  19

Daughter is fire
and she is there
to ignite the earth.

Earth is here in us,
We are on the earth.
And we are fuel.

Daughter is transforming
our life in a way she desired
Daughter is fire.

Let us discover love
that is there when
we are in hunger.

Love your daughter, my dear,
Daughter is your identifier.

Gajanan Mishra
The Daughter Of The Earth - 10

Solutions of all problems
are here with this daughter
Come to her at any time,
She is here like the earth.
This daughter of the earth
is here, see, with all solvable,
She is the possible of all impossible.

Come to this daughter of the earth,
Give respect and be perfect.
Take her path and know your own earth,
that is pious, know and be in knowledge,
that she is here only for you
and sacrificing everything only for your welfare
See, she is self-sufficient and taking your care.

Gajanan Mishra
Let me expect a lot
from you, my dear daughter!
I know you are the symbol of
Love, affection, service
and what not!

I know, you are ready to fight
When and where there is
the rule of untruth.
And I know you are the only
winner in that fight
to establish the truth.

O daughter, I know, from this earth
you are there with a new
and right spirit for all out welfare.

Gajanan Mishra
The Daughter Of The Earth - 12

Let her sing the life-song freely
on the open field under the sky.
Let her go wherever she likes
with love as per her good wishes.

We are here only to secure her safety
We are to provide her every facility
for growth and development and for the betterment
of humanity with all happiness and progress.

Let her give the heart to nature voluntarily,
The daughter is pure, that I know and
she is here for a better future
Let her stay corrupt-free here for us.

O daughter of the Earth, let me greet you,
You suffer from all miseries and still you are for truth.

Gajanan Mishra
The Daughter Of The Earth - 13

You are the grass,
Grass is your hair.
O daughter of the earth,
The root of the tree is
chanting your name first.

I know, this light, here
is coming from you,
I am eager to hear about you,
And where are you,
You are at the root of all life.

Neither I am interested to go
in to your history nor to the geography,
I am only concerned with your ability
to establish truth here by your own light.

Gajanan Mishra
The Daughter Of The Earth - 14

I am glad in my heart
with your presence,
my dear daughter, my goddess
of fertility.

I find everything true
and find my life successful
with your presence,
my dear daughter, I know
You can only defy death.

You are special, I know,
O daughter of the earth,
You are the gift of earth-goddess
and you spring in my heart, being
healthy, radiant and soft.

Gajanan Mishra
You are the truth, my dear,
and so am I.
You are knitting imaginations
within and we are living.
And you are discovering
yourself therein.

I am not so powerful
to know you.
Since I am with you,
I fear not death,
I yearn not for life also.

O daughter of the earth,
You are the true-truth
And I am your fruit.

Gajanan Mishra
You are the shining lamp,
Shining lamp of wisdom.
I have felt your
universal form, my dear.
You have power to overcome
all obstacles, I know.
You are eternal and
imperishable, I know.

O Daughter of the Earth,
You are waging war with
injustice always and
You are winning and
You are re-establishing truth
again here for the welfare of all.

Gajanan Mishra
You know what is what here,
My dear daughter, I know,
You have ability to care for others.
The purpose of your birth
is to see others, understand others,
to unknot your mind, move
from unreality to reality
and to see the world from
another's point of view.
You are not to change the world
but my dear, you are to help the world.
And for this you are the great,
and for this let me called you the earth,
and you are the only person to admire.

Gajanan Mishra
The Daughter Of The Earth - 19

You are not the metaphor,
my dear daughter,
for temptation, and never.

You are the earth, you are the goal,
You are the metaphor for sacrifice,
for honesty and you are the truth.

I value your words and your ideas,
I value you as I value my own life,
I said to myself, my dear, worry not,
You are not dying and you will not die,
Truth is, there is no death for your spirit.

My dear daughter, worry not,
The same is applicable to you here,
Be an expand-er of your own mind.

Gajanan Mishra
The Daughter Of The Earth - 2

You are the Daughter of the Earth,
And I know you bright and beautiful.

Comparison with you is foolish
You are the symbol of smiles and
joy and you are the inspiration of all.

You are the love that I know
and I know you as the counterpart of truth.

You are the central figure of all fortune,
You possess all attractiveness to attract all,
You are the primeval internal potency of all.

The entire existence is depends on you,
O, the Daughter of the Earth, I know you,
And I know everything here is saturated
with your sweetness and total mental absorption.

Gajanan Mishra
The Daughter Of The Earth - 20

Your words are
as sweet as the cuckoo,
You are as devoted as
a true lover, my dear daughter,
I am here only to see you
how you are as tolerant
as the earth.
You are the best, you are
the daughter of the earth.
No one can blame you as
You are as pure as the sky.
The air is there to clean you
at every moment and refresh you
o open the ages of history with new light.

Gajanan Mishra
The Daughter Of The Earth - 21

The firelighter - my daughter,
She is graceful and she is
embodiment of joy.
Here see, she is, the daughter,
The daughter of the earth,
with dark eyes like rainy cloud,
in charming yellow body.
Here see, the daughter of the earth,
burning with fire and beautiful
and shinning.
Care the daughter for your
own survival my dear brothers,
Show not your hypocrisy and stay simple
as she is originally peaceful and cool.

Gajanan Mishra
The Daughter Of The Earth - 23

Name fame health wealth
happiness humility knowledge
devotion and energy
everything is with you,
my dear daughter, I know.

You are my pious
Emblic myrebalan,
You are my amaranth
and cock's comb and
jasmine and cherysanthenum.

You are the daughter of this earth,
You appear on the top of the mountain
and you appear in deep ocean
O my daughter, O mother, I am your fan.

Gajanan Mishra
The Daughter Of The Earth - 24

My daughter is the killer of evil-doers,
My daughter is the store house of good qualities,
My daughter is the lightning of the sky.

See, my daughter, worthy of all praise,
Shining within the clouds, riding the lion,
and she yields the fruit of blessedness.

The symbol of indivisible time is my daughter,
My daughter is the daughter of the sea and
the sea herself, the salt of the taste.

My daughter is the wind and also the tide,
Be careful, my dear brothers, she can alone
take you anywhere she likes with a smile.

Call her Mother, love her and get loved, take care,
You would experience no difficulty in your work.

Gajanan Mishra
My dear daughter,
treat this earth
with respect, please.
Show not your power
by destroying the forest
and creatures.
Control yourself and
have patience like the earth.
Be gentle, my dear daughter,
I know, you can only
enable the rebirth of
my family, as you hold
in your body, the promise
of my next generation.

Gajanan Mishra
The Daughter Of The Earth - 26

See, the daughter of the earth is here
with new food, with new culture, with
new thoughts, with a new generation,
that enrich the world as a whole.
See, the daughter of the earth is here
and she is full of knowledge and wisdom,
she knows the art of letting go and
moving on towards the path of new chapter.

O daughter of the earth, may you take all
happiness with you wherever you go.
O daughter of the earth, you are the symbol
of the new world with cow, dog, crow, serpent,
banana plant and banyan tree, rock and water,
may you stay free with all in every situation.

Gajanan Mishra
O my daughter, You are
the daughter of the universe,
You are the seeds of all,
You are the devotion
and its cause.

Who I am without you
that I know from the very
beginning, my dear.
You are the pleasure,
You are the river.

And in you I am what I am
You are the stone within the stone
I am your clone and I am alone
in the jungle of words and sentences.

Gajanan Mishra
The Daughter Of The Earth - 28

This truth-tree is yours
my dear daughter, I do admit.
My love, my pleasure, my routine,
My blood, my soul, my mind,
My words, my emotions, my works
all are yours, my dear,
I am just an empty vessels
that has only sound much.

You have so may faces, so many role
to play, in so many worlds
that are beyond my imaginations.
I do admit, I am just your reflection,
You are coming from that empty vessels
You declared and you sail.

Gajanan Mishra
The Daughter Of The Earth - 30

And what is that, my dear daughter,
The clouds are there through out the sky,
And I know not how to fly.
At this juncture, you appeared with
the lightning and thunder.
I am unable to asked anything to you
on the matter of life and death.
You said only life is here and no death,
and everyone pray the life, leave me
only for today, and let me find out
the location of nectar, here, there,
My dear daughter, how can I tell
how sweet the life is with you
when one discovered the entire truth.

Gajanan Mishra
The Daughter Of The Earth - 31

I see our continuity
in you, my dear daughter.
You are not mine alone
to give or to take.
You belong to all
And so let me fulfill
your wish and what
is due to you.
Blaming you is of no use,
I am here to take your care,
You are chosen to be true
to your role.
Bear the pain my dear
with love for the sake of humanity.

Gajanan Mishra
The Daughter Of The Earth - 32

Only going through
with the outer core
of this earth it is
not good to forward
the opinion for public.
We should go with the age
and have a detailed study
the nature and components
of its kind with
orbital motion.
O daughter, I know not
how to tackle you
and resolve your problems
being I am under you!

Gajanan Mishra
Let the daughter collect food and water and it is her responsibility. Let her show the world a new light that is there with her. We are only to keep an eye out for predators. O daughter, go without fear, O daughter, let us stay here. And see the things to the way of love and truth. Let us see this life as an opportunity to do good to others.

Gajanan Mishra
The Daughter Of The Earth - 34

How are you here, my dear?
This place is full of bears,
Wolves and vultures.
Here also, as you see,
the butterflies, the insects
and the bees in search of honey.
O my dear daughter, Let me remember,
This earth is yours with the cow
and the tiger living together.
They are sharing the same place
to take rest and sharing breath
and water, inherent nature.
The sun and the moon and the stars
all are there to give light, my dear.

Gajanan Mishra
Finding fault is an error,
Finding fault is not conducive
to the happy world of the righteous.
Be free from all the defects
yourself, my dear and stay far
from all doubts, heedlessness,
desire and incapability.
Remember, my dear daughter
you are the ultimate purity,
I know, there is not even
an iota of impurity in you.
You are the stream of nectar,
I know you have faith, you have devotion,
you can tackle all critical situation.

Gajanan Mishra
The Daughter Of The Earth - 36

While living here,
understand the life,
my dear, it is very
very important.

Life is not plain
It is going on
with so many curves,
so many zigzag.
The people surround
you may not be
so simple as you
think at times.

O my dear daughter, listen all
but speak not all that you desire.

Gajanan Mishra
The Daughter Of The Earth - 37

And she is watching the sun
with rainy water since the morning.
And she engaged herself in terrific fight.

Really the daughter is enchanting,
She is with rocks and is
with the elephants and leopards.

The daughter of the earth is
measuring the earth and she is
here waiting for the evening.

O daughter, is there any evening?
The daughter of the earth is
already checked the clouds
and telling the twinkling stars
to come to the truth with love.

Gajanan Mishra
The Daughter Of The Earth - 38

Let me say something more
About you, my dear daughter,
I know though I can say nothing
I am not able to say anything,
About this earth, about this sky
as you spread everywhere and I
see you here there as my own energy
and I am acting, dancing like a doll
as per your sweet will.
I do agree I am yours, your product,
But you? You are the product of none.
You are your own creator, own inventor,
as per your sweet will, as the situation
demanded from time to time for your own creation.

Gajanan Mishra
Here, she is, see.
Let me say daughter of the earth -
The symbol of new life.
The daughter of the earth is
Flying away far a head of the sky
If you so like, catch her.
The daughter of the earth is
Your maker, let me see you
How you are being made by her.
Let me assess the daughter of the earth
Where she is now at this juncture
How she is in fear.
Be brave my dear, go and give
all kinds of supports to her for new creation.

Gajanan Mishra
The Daughter Of The Earth - 4

Daughter,
The founder of
new social order.
Daughter,
Pillar of
new and ideal culture.
Daughter,
burns all fear,
Daughter,
Cause of our future.
Daughter knows better
how to create and knows also
how to re-create and proved
herself the perfect creator.

Gajanan Mishra
The daughter of the earth
is the us keep
this earth pure and free
from all pollution.
Let us rescue from
evil persons and let us
encourage the daughter
to live in full confidence
with faith and patience.
The daughter of the earth,
Let us not disappoint her.
Let us carry her to the surface,
and love her, she is there
to give us all that we desire.

Gajanan Mishra
The Daughter Of The Earth - 41

Calm down, calm down,
And watch the daughter,
And say what is her color?
Is she black?
Black means what?
Black mountains,
Black clouds,
Black earth,
Black daughter,
All are blissful.
Black daughter wants love.
See her body, feel her with marks of lovemaking.
Empathize and forgive, the daughter of the earth.
Be not ungrateful, hear her and let your anger died down.

Gajanan Mishra
See and feel
She is sharing her feelings
and she is able to secure the love.

O daughter of the earth,
You are moving forward
with confidence that I know.

This earth is yours
and you have no anxiety
You are full of love and pity.

You are the deep sea
You are the vast sky
You are the scented flowers
You are colorful birds, excuse us,
We are unable to know you, we are the cowards.

Gajanan Mishra
I see no boundary here,
And you are crossing
the boundaries of this jungle.
While crossing I find with you
Fine crops, my dear daughter,
I find everything valuable,
I find everything with nature,
that are pure and cultured.
O my daughter, you are
glowing figure here.
No law and no obligation
can bind you here.
The entire earth is yours,
And you are good enough for all.

Gajanan Mishra
The Daughter Of The Earth - 44

Yes, you are descending
and at this time
I see the rivers stopped,
The mountains rumbled.
Yes, you are getting yourself free
And I see in you all the birds,
All the colors and all the earth.
O daughter of the earth,
You are there to accept all love,
You are here to tell how
Injustice are being done.
You are there to protest
But in a different way,
And proved yourself only truth.

Gajanan Mishra
The Daughter Of The Earth - 5

The daughter of the Earth
Is going there to be a star.
I wonder, what she heard here
and what she has done there.

The daughter of the earth
gives respect to the truth
and the truth is there with her
always to establish again
the truth that she declared.

Keeping aside the daughter of the Earth
It is no use to talk about the truth.
And we all know what is there with her,
It is only love, only compassion and
She is pleased to communicate with all.

Gajanan Mishra
The Daughter Of The Earth - 6

I know
You are a belief,
You are a tradition,
You are a truth,
You are a thought materialized.

O daughter of the Earth,
I am not able to say
What you are.

I myself is flowing
in one of your tributary,
I myself is wandering
in one of your field.
How can I describe
who you are with this hive.

Gajanan Mishra
The Daughter Of The Earth - 7

I know you are the one and the same though described in different scripts by different persons at different times.

But you are developing your personalities in a better ways from ages to ages at different parts from north to south and from east to west.

The descriptions are in both oral and written, short and long, subjective and also objective, but it crosses the world.

O Daughter of the Earth, you know the value and the essence of life in true sense and I am searching you, I know though you are among all in every matters of household matters.

Gajanan Mishra
The Daughter Of The Earth - 8

She has trust and transparency and she engages herself in pursuits of excellence.

O, Daughter of the Earth, I know you, and you are here, And you are there.

With the smell of the sky, You are here on this earth, to establish truth in love in daily routine life.

Being corrupt free, you are able to deliver the brightest sun, the lighter, and you are able to deliver the moon that has full of nectar.

Gajanan Mishra
The Daughter Of The Earth -15

I deserved and
O my dear daughter,
You appeared.
You appeared
and I submit
to my desire.

As a father
I know, I have to
stay beyond my body.
I value you,
O my dear daughter,
as you are special.

You understand this world, my dear daughter,
and also you share knowledge with others.

Gajanan Mishra
The Daughter Of The Earth- 22

You are all new,
You are like angry tigress
and you mew.

O, daughter of the earth,
this earth is yours I know.

Here you are capable to
dispel the woes.

You are white and
also you are black, and
all colors are there
in you that I know.

You are not comparable,
You are all holy,
Foolish crow not able to know you.

Gajanan Mishra
The Daughter Of The Earth -3

I know, O Daughter of the Earth,
You are nothing but enlightenment.

You are the essence of Truth.

I have learnt to keep you well
inside me and you please take me
in to your heart to strengthened
our relationship that is only ours.

You are there in the external world
I know you are also within me

on you only and hearing this you are smiling.

Gajanan Mishra
The Daughter Of The Earth -9

O, please show,
Show me the way,
The way of love,
The way of truth,
On this earth
that is yours.

I am under you,
my dear daughter,
Command me and
use me as yours.

You are as perfect as soul,
You are as cool as whole.
I am your fragment, my dear,
I am all around you and you are here.

Gajanan Mishra
The Daughter Of The Earth-23

The daughter of the earth
is now afraid of to go to
temple, school and other
places inside and outside world.
The crow, the jackals, the fox
all are there to howl at her.
The daughter is the creator,
It is true and we are so unfair
to her, it is also not untrue.
Let the daughter come and say
something with her own voice
that also we are not able to tolerate.
O, daughter of the earth, you do
whatever you like at this hour, that is fair.

Gajanan Mishra
The Day And The Night

The day and the night,
The truth and the falsehood
All are here together.

The good and the bad
The weak and the strong
All are here and they are

Gajanan Mishra
The Day Is Bright

Where is the love
And where is the truth,
The day is bright that
I'm searching in you.

Who is your guide
Let me know and I'm
Searching who is my friend
And who is my foe.

Gajanan Mishra
The Day Is Clear

The day is clear,
The secret of love
Is present with me.
I am all good,
Only for love.
In body and in mind,
I am pure and see
I am always in truth.
My dear, you're here,
To recognize only.
I am going ahead,
And I'm careful.
No way to slip
I 'm with the wind.

Gajanan Mishra
The Day Smells

The day smells
Like white-tulip,
Like jasmine.
And I live
In me.

I am the day.

The night smells
Like musk,
Like aniseed.
And I stay
In you.

You are the night.

On the sky and in the deep sea
I find all in one there.

Gajanan Mishra
The Desire Is The Root

The desire is the root,
The root of all sorrow.
I do agree and let me
Repeat' before happiness,
There was sorrow and
Again it will end
In sorrow.
I have desire for
Happiness means I cannot
Escape sorrow.

Gajanan Mishra
The Desire Tree

The desire tree- this world.
And you are
In it, my dear.
Worry not,
Everything would be
All right.
Let your dream
Fully matured.
Let your body and soul
Perfect in all respect.
As you know, life is
Good here on this earth
Only when you are
Expert and thoughtful.

Gajanan Mishra
The Doctor Said

The doctor said
No one is on the bed.
The lad said
Where is my beloved.

The earth remained silent,
The air left the place,
The lights taken away
By the stars.

Tell me who you are
And let not destroy
All that are here,
But tale care.
We are all warm
And love is there.

Gajanan Mishra
The Door

The door
Is opened.
You may go
If you so like.
But wait
To the call.

Here is the call,
You may go
If you so like.
But wait
And see that
You are well prepared.

Gajanan Mishra
The Doves And The Crows

The doves and the crows-
All friends.
All friends - the mountains,
The sky.
All friends - The bones and
The blood.

And all are in
Multicolored bottles.
All are in the ocean
With the air.
And all with moon
Always.

The angry water
Embraced all.
The dust- all
In mirrors.

And let us say
Life is sweet
With the things
There in the fortress.

Gajanan Mishra
The Duty Of A King

The duty of a king or ruler
Is not like that of a mere tax collector
The ruler is like that of a father or spiritual master
The king or the ruler should see to the welfare
Of the citizens from all angles
The king is to see that the citizens
Are properly looked after to attain
The highest stage of perfection.

Gajanan Mishra
The Earth And The Sky

The earth and the sky
are playing since long
and we are in between them.

We are the instruments
of the earth and the sky,
We value the strength
of the earth and
the wisdom of the sky.

And here under the sky
there is no value of
any power, property
or pleasure.

It is all the same with all,
the earth and the sky.

Gajanan Mishra
The Earth Has Told Me

The earth has told me,
Who I am and how to
Stay where.
The sky made me fly,
But I am not willing,
To go anywhere.
I know something is there,
With that star,
But who told you I care!
My wish, my love,
Everything is here with me,
Still I care time.
It is you to realize
And I am here to materialize.

Gajanan Mishra
The Earth Is First

1.

The earth is first,
And not any individual country.
All belong to this earth,
Monopoly of any one person
Or state or group will
No more work,
And not to be tolerated
By the entire world.
Selfless service to the earth
Is but a necessity.
We must rise far above
From all self-interest
For the sake of survival,
Survival of all.

2.

The air, the water,
The light of the sun,
The earth and the sky,
Not belong to anyone,
But it is a natural source
Of all life, and it is
For all, let's remember.
Time has changed,
No organization can claim
The earth is their property
And they can direct anybody
For anything, no veto
No dictatorship can do
Any benefit to anyone here.

Gajanan Mishra
The Earth Is For All

Quarrel not with any one,
Kill not any one.
Engage not in the acts of sin.

Gajanan Mishra
The Earth Is Mine And

The earth is mine and it is full,
The sky is coming to the earth with the smile.
Both the earth and the sky are close friends that I failed to understand.
But the earth is ready to take me with a kiss of the sky and it let me fly.

Gajanan Mishra
The Earth Is Moving

The earth is moving,
While my creation is not moving.
My creation is not moving,
And you are not my creation.
No fallacy is there in my saying,
Fallacies are also not there
In trees, plants, creepers, grass
And in mountains, rivers, seas.

I am saying while the sky is silent.
But the air is not silent,
The water is not silent,
The earth is not silent,
While the light is silent.
I am the composition of all, see.

Gajanan Mishra
The Earth Is Not

The earth is
Here, see,
But you cannot
Tear it apart.

The sky is there
You can fly
But you cannot
Cross its border.

The flower is here
You cannot kill it.
The gun is here
You can do nothing
With it, see yourself
How helpless you are.

Gajanan Mishra
The Earth Is One And The Same

The one and the same,
The earth.
But the colors,
The creatures,
The trees,
The fruits,
The taste,
The forms are
Different from
One another.
They are the wonders
Of this earth.
Let us understand
The law of nature.

Gajanan Mishra
The Earth Is Ours

The earth is ours,
We, all belong to this earth.

Let us keep the earth safe,
And stay healthy and alive.

Plunder not earth, my dear,
Earth is our own mother.

Let us do something for the dry river
Ruthless summer, let not the spring disappear.

Let us correct our own life-styles
For the safety of our future generations.

Let us keep the water and the air
Free of pollutants.

Let not the situation goes bad to worse,
Earth is ours and we are here and let us
Take a bow to left this earth to our
Descendants better than we found the earth now.

Gajanan Mishra
The Earth Is Producing

The earth is producing
All the necessities for life.

Feel no scarcity, men,
Live with mutual dependence
And stay always happy.

Gajanan Mishra

All in one.

All in one
The air and the fire.

Words and memory
In life,
The destiny and the heights
With nature,
All in one
In water.

The place of worship,
The place of sleep,
All in one,
And all in pity.

Gajanan Mishra
The Earth The Sky And The Self

The earth the sky and the self
And the celebrated hymns
Manifested from the heart
And I find the goals of life
Moral codes and the law and order.

The meter generated from the hair
Of my body, as all called me poet
Poetic meter-tristup from my flesh
Principal hymn Gayatri from my skin
Anustup from the veins, Jagati from bones.

I am living with my poetic entities
I am alive in my verses
I am manifested in life-breathing
I know the art of writing verses
That is Pankti from the bone-marrow.

I am a poet and I know set of letters
From Ka to Ma I know my soul is my vowels
My body expresses in senses in three sa
The set of letters ya ra la va are my energy
Music of all the letters are seven with sensual activities.

At the touch of alphabets I manifested myself
In body in soul in strength
I am my intermediate I am my final score
Symbolically I am mine only
Realize me as Truth and I am nothing but spirit.

Gajanan Mishra
The Egg Or The Hen

The egg or the hen
Who come first
Not easy to say.
And it is easy to say
Who is here and for what
How the work is going
And the result of that work.

To say easy is not easy
To say not easy is easy
Here everybody is busy
Go and say
And your word may
Make them arise.

Gajanan Mishra
The Emperor

The world is my empire
And in this world
I am the only emperor
It is plain and open
Transparent and open
And I serve the people
Here service is common.

The world is my empire
And I am here the emperor
That I can not say
What is the future
I am my own worker
Own server and you can
Take whatever you like
Except father mother
Land and language
This is my privilege.

Gajanan Mishra
The End And The Means

I know
The end is important
And I know
The means are also
No less important.

I know my mind,
I know my intellect,
I know my tongue,
And I know You,
O my dear, through
Reflection, determination
And description.

I know You
I am in You.

Gajanan Mishra
The End Is All

The end is all,
But it is there,
From the very beginning.
From the beginning,
The snakes, the reptiles,
The spiders are there.
From the beginning
The roots, the roofs,
The waves and the light,
All are there.
It is we to decide
From where and with whom,
We are to start our journey
To reach the end.

Gajanan Mishra
The End Of The Sun

Night is not,
The end of the sun.
The sun is definitely
The beginning of life
At least here
On this earth.
And I live
With the sun.
Day is the beginning
Of life, and
The day includes the night.
For the sun our love,
For the sun life is nectar,
For the sun the day is brighter.

Gajanan Mishra
The Entire Cosmos

The entire cosmos
Is ours, true.
But I have to do
All good to
My mother,
My mother tongue
And my motherland.
If I failed to do
Then I do the act of
A foolish and ignorant.
Tell me not anything else,
I am busy in the work
Of my mother and
Doing all sorts
For the welfare of
All here.
Then only, I can
Declare I am living
The life of a
True patriot.
Then only, the road
To heaven would be
Open for me.

Gajanan Mishra
The Entire Earth

The entire earth is
There as it was.
It is I
Who is changing
At every time.
And the earth is
embracing me.
I am stupid,
Not able to know
What to do
How to tackle
With the earth here.
And I am grateful
To all for cooperation.
It is all earth here,
The earth-flower,
The earth-fruits,
The earth-creatures
All are extending
Their helps
To lead me a new life
That is also earth.
The entire earth is
Within me and also
The entire earth is
Outside me.
The entire earth is
There as it was.
It is I
Who is changing
With all here.

Gajanan Mishra
The Entire Sky Is Here

The entire sky is here
In evolution and also
In dissolution.
I am conscious about
My own action.
The visitors are many many
More millions.
But they are all
Under the sky with
Much more expectations.
I am ready for coordination,
But the sky is adamant, see,
And the sky is going
For a solution and that has
No place in vibration.

Gajanan Mishra
The Essence Of The Self

The essence of the self
It is learning
It is knowledge
It is wisdom.

The essence of the self
It is white
It is lotus
It is freedom.

The essence of the self
It is kindness
It is concentration
It is contemplation.

It is perfect harmony
It is intellect in order
Distinguish milk from water
O my dear, let us pray
For a bright future.

Gajanan Mishra
The Evils

The evils of the society
Can be extinguished,
By the good words of the poet.
The poet is the best creator
Of human beings and the provider
Of light here at all times.
No violent passion, no war can
Do any harm in presence of the poet.
The chief emblem of the poet
Is all goodness and good words.
Through his great literature,
And words the poet can change
The friction-fire of the society
And can establish peace by truth consciousness.

Gajanan Mishra
The Eye Opener

All over the world,
It is all for you.
The honey, the harmony,
Remembering the nectar.

All over the world,
Spread the name, the fame.
The sculpture the creator,
And all knowledge one after another.

The truth the teacher,
All over the world,
The eyes-opener
Here there in all characters.

Gajanan Mishra
The Eyes Of The Child

The eyes of the child
Is so sharp that he can
Only able to see You.

A child can say how You have
A beautiful blackish infallible body
and how You wear dress of lightning yellow
And a helmet of blazing gold.

It is You my dear who is enriched with
Four hands, earrings of molten gold
And eyes blood red with fury.

Gajanan Mishra
The Face Of The Tree

Have you seen the face,
The face of the tree?
The root of the tree
Is there in space.

Space is there in me,
And I am touching the roof.
The root and roof is one
In life, dear men, try to know.

Gajanan Mishra
The Falsity

The falsity and
The misery of this world
Is hunting me at every moment
And I am not able to
Stay in peace anywhere.

But I am awake
And I know
And I understand
The truth here.

This entire earth is
My home, I know
And I realize who am I
And hence I stay cool, see,
With the air and the sky.

Gajanan Mishra
The Farther I Proceed

The farther I proceed toward you,
The farther I leave the world,
And the vice versa.

Gajanan Mishra
The Fate

I need not know you, my dear fate,
But I must go with time making
Conscious effort to make you bend.

Gajanan Mishra
The Father And The Mother And The Teacher

The father, the mother and the teacher
Are three societal members, our life givers,
Our lighters, our live holy scriptures.

Gajanan Mishra
The Father And The Son

Where is worthless?
Asked the father.
No answer with the son,
And can't stay still with earth.

Gajanan Mishra
The Fear Of Failure

Is not here with me
Nobody is there
To catch me to arrest me
I am not apprehensive
Nothing to happen called
Bad and look I am not sad.

Gajanan Mishra
The Field

Greener again
this field again
in silence.
In silence the dream
is touching me.

And I care not
my future
that is
standing at present.

Alas, I am
living and
searching death
that is
within me.

And I am
moving toward
greener field
again and again.

Gajanan Mishra
The Fire And The Water

They are playing
The fire and the water
On the playground of the sky.
The light is the referee,
They are, the water and the fire, playing
Till the earth signal goodbye, goodbye.
Matter of life-breath is here, and here
The question of herbs, vegetation and nourishment.

Gajanan Mishra
The Fire Of Time

Only for destruction
In the fire of time,
Terrifying sight to see
In the life.
The life is here-
Infinite splendor.
And we smile
With desire,
Though, we are
Here, nothing to
Receive.

Gajanan Mishra
The Fire Tells

The fires tells the frost
Approach me not and if
You approach you would perish.

Gajanan Mishra
The First And The Last

Here, this life
Is the first and
The last witness
Of the play.
The play itself
Is life
And here
We all stay
In our
Live conversation.
The first and
The last thing
Is love - life
Without rotation.

Gajanan Mishra
The First Word

The first word
And the last word
That is You.

I know You
I realize You
That is You.

I am within You
And I can not
Know You.

You are the first
You are the last
I am in the middle.

Knowing You
Is not possible
Though lovable.

Gajanan Mishra
The First Word - I Myself

The first word
That I am going to say
Is I.
The first person
That I am going to show
Is I.
I am at the center of all,
See me or not, here it is I.

I am free
But I am changing myself
And my change is
Depends on circumstances, incidents,
Objects, actions and on so many factors.
See me or not, here it is I.

I am my own fruit,
I am my own temperament,
I am my own love,
I am my own truth.
See me or not, here it is I.

Here in action, find me,
Here in pleasure, find me,
Here in discipline, find me.
If you are unable to find,
What shall I do? but here it is I.

Gajanan Mishra
The Fish

The fish maintains
Offspring by
Looking at them.

The eggs of the tortoise
Are laid on land
The tortoise meditates
In the water.

The birds maintains
Offspring by
Touch.

O my dear although
As some said
You are far away
From me (but actually
you are within me)
By thinking
I am able to keep relation
With You.

Gajanan Mishra
The Fish The Sea

The fish, the sea,
The bird, the sky,
All appeared and
All are protected.

The mountain, the playground,
The sun, the moon,
All are active and
Positive and creative.

But with heat and cold,
Men live with all enviousness.
And they are anxious
To know their own fate.

Nothing to do,
Let each one know.

Gajanan Mishra
The Fisherman

Nowhere to be found
either a net or water
but the fish gets caught
while swimming across.

Sounds emerging from afar
touch me and disappear.

The shape of the earthen pitcher
changes half-way.
Was the bird here at all?
Did the flowers bloom?
Is there a fruit left anymore
on the fruit-laden tree?

You want to have
what had never been mine
when I say 'no'
in disgust, you run away from me.

The way back is untraceable,
Nowhere here we stayed together,
then who will answer and what?

Why can't you touch me
if I am clearly visible to you?
Hold me fast while I slip away and fall
and place me in a gallery.

Have you crossed the circle?
Could you wriggle out?
I have been waiting thus
for you here
still.

Gajanan Mishra
The Flute

You may term it
A bamboo stick,
But think for a while,
The role in flying life.
The sound produce
Is ecstatic.
Love or hate,
Fear or envy,
But the message is clear
And specific.
We are to know the air,
The color and the life
Therein for the living
And the flute- the only source.

Gajanan Mishra
The Foods Promote Life

The foods promote life,
Promote vitality, strength,
Purity, happiness, and peace.
The foods provide strength
To the hearts and lungs,
The foods can be eaten,
Can be drunk,
Can be licked,
can be sucked.
But the foods are there
To show the temperament
Of the person who takes.

Gajanan Mishra
The Fox And The Crow

'Madam, madam, beautiful madam crow,
So sweet your voice that I know,
Sing a song and let me hear
From there on the branch you are sitting'
Said the fox, under the tree, 'my dear'.

Opening the mouth silly crow started
Singing 'caw, caw, caw'
And alas, you know, O readers,
What happened to the cheese that was
There in the beak of the crow.

Gajanan Mishra
The Fragrance Of Roses

The fragrance of roses,
The taste of sweet fruits,
Whatever you want
Everything is here.

But nothing is yours,
You can enjoy with
All, though.
And you are to go
With pains and pleasures.

Nothing is yours,
And everything is there
With you all around.
You are allowed to followed
Anyone for truth.

Gajanan Mishra

Gajanan Mishra
The Frog And The Snake

The frog and the snake -
Friends.
The birth and the death -

The morning and the evening -
Love.
Love life
As it is, dear.
Life is one
And not many.
Authority is one,
See and feel.

Gajanan Mishra
The Frogs And The Snake

The frogs and the snakes -
The real friends.
I know both,
Both are there
To take advantage
From one another.
Both are not good
For others.
For frogs,
The snake is a rope,
Magic rope.
For snake,
The frogs are ball
And balloons.
They both want to play,
In dark deep night,
But not on the open field.

Gajanan Mishra
The Full Moon

The full moon says
Where are you, come out.
Today or tomorrow
You are to go, come out.
Stay safe but take the risk
How can it be!
The full moon says
Do something in life.

Gajanan Mishra
The Fun Therein

Oh, you are dancing
Without any reason!
Let me see
The fun therein.

You are going on
Singing and laughing!
Let me see
The fun therein.

This way or on that way
I am there with you,
And you are leaving me
At every step.

No commitment and nothing
Yet you are mine.

Gajanan Mishra
The Ganges

The Ganges is worshiped
In the Ganges water.
My dear, apply your mind
Body senses, intellect and ego
Received from the world
In rendering service to the world
The world and the body snapped off
And the self and divinity is revealed.

Gajanan Mishra
The Ganges And The Water

The Ganges and the water
All are nectar,
The serpent and the tiger
None can gives nectar.

It is anger and it is fear
That have no relation
With pleasure and flavor
And they have their own
Poison that has power
To destroy the creature.

We have our own life
With enough terror,
O traveler, come on
For a better future.

Gajanan Mishra
The Girl Came

The girl came
And cried,
When none came
To cleanse tears
She got angry
And said, stay
Under obligation,
If I would smile next
Rush to me
For honey.

Gajanan Mishra
The Gist

The gist,
The gist is that

Belong to You
Is the only Truth.

Gajanan Mishra

Read the Gita daily.
If you want a sound health
Try to eat Pita regularly.

If you want to get peace
Acquire truth-knowledge.
If you want to conquer
Keep love within your baggage.

Gajanan Mishra
The Glorious Are

Not to be lightly regarded.
The glorious can
Drained the ocean dry.
The moment the sun rises
The darkness of
All over disappears.
See the tiny goad
That governs the mightiest
And most furious elephant.

Gajanan Mishra
The Godavari

Jump in to the fry, Godavari
You are the only hope
You are the only aspiration
You are the colour of the colours
In this southern part of life.

You are only mine and I
You see I surrender myself
Before you
Do whatever you like do.

Dig the world if you like
See what are there within
See nothing that is not yours.

Only I am yours
Only I am yours
Who is flowing without
any grievances
since time immemorials.

Gajanan Mishra
The Good And Evil

There is nothing
In real world
Called the good and evil.

The good and evil are
The delusive potency
Of almighty and is false.

The good and evil
Can be eliminated
By the almighty.

The thing that is created
And the thing that is eliminated
Is not Truth.

And so my dear, go not with
Either good or with evil.

Gajanan Mishra
The Grass

The grass would be
the banyan tree,
only with your grace.

No one is here
who can know you
and say something
about you, my dear.
Th glow worm cannot
burn the house,
No one would escape
before your anger.

It is you to come
and call others
and ensure the safety of all.

Gajanan Mishra
The Great Hero

The great hero.
Who is he?
You know,
I know.

Leave me not
I pray,
Blame me not
I pray.

See, my heart
Is so soft
My heart is
So strong.

You are on my chariot,
O my dear, You are the charioteer.

Gajanan Mishra
The Great River

The great river - The Mahanadi,
Our identity - The Mahanadi,
Source of livelihood - The Mahanadi,
But the Mahanadi is dry,
It is waterless, lifeless,
And emotionless.
What is there in the Mahanadi at present?
Slogan, Hartal, politics, discussion,
Cheating, throwing muds, stones
At one another, here, there, near, far.
The neighbors are laughing at us,
For our foolishness.
The Mahanadi is no more there where it was,
We are no more here, where we were.

Gajanan Mishra
The Great The Tree

The great the tree not using any words,
Words are the violators of natural law,
Sons and daughters of nature here we are.
Incurable diseases here the words, take note,
Words can build, words can ruin dear, your world.
Handle with care each word at every place,
Faith, not anyone uttering so much in loud voice,
Dust cloud all from top to bottom not good, not fair.

Gajanan Mishra
The Greatest Enemy

Is hunger and thirst.
O my dear, armed yourself
Against these enemies first.
Find and acquire
Unequaled strength of body
And a glow of vigor and see
Within you fountain of knowledge, my dear.

Gajanan Mishra
The Greatest Personality

The greatest personality
Of the world is the poet.
The poet saves all
From all dangers.
The poet can alone
Protect the universe.

Gajanan Mishra
The Hate And Love

The hate and love
Both are dangerous
If you link it with
A bad man.
But if you link it
With a saint
Both are nectar
For you my dear.
And who is bad
It is said
One who has not
Good will and does not
Desire the good of others.
And who is a saint,
The saint is he who always
Wishes the welfare of others.

Gajanan Mishra
The Head

The head,
The head of the state
Should care for the welfare of all.
The personal pride or lust
has no value.
The head of the state should kept in mind.

Gajanan Mishra
The Heart And Brain

Stay busy in universal
Welfare work by protecting
All members of the society.

The heart and brain -
Very important parts
Of the body.

The poets are
The hearts and brains
Of human society.

Even though, the whole
Body is bigger than
The heart and brain.

The heart and brain are
Most important parts.

Gajanan Mishra
The Heaven, The Sky

The heaven, the sky,
The planets, the stars,
The mountains, the rivers,
The trees, the seas, the islands,
All are here with me,
I am not alone here, and
A link is there among us
For the greater interest of the creation.
I measure the space,
The inner and the outer.
I know the characters and
The classifications and
The different orders of life
With complete significance.

Gajanan Mishra
The Heretics

The heretics are there
To insult you, my son,
But bear all, I know
Everyone here and
I know what each one
Is doing and I know
His purpose, worry not.
You are just to stay in truth.

Gajanan Mishra
The Highest

The truth is
At the highest point.
Life, appeared though,
In grammatical jugglery,
The poems are quite fit
To expose the self
In succession.
Love is but significant,
And all creatures are
Pure associates of the truth,
Being the fruits thereof.
Attraction is there, in
The signal and in the dictionary,
On the face of very earth.

Gajanan Mishra
The Himalayas

I know you are there
To protect me against
The cold Arctic winds.
I know you keep me
Fairly warm.
You are shielding me
Against the invasion
From the north.
The mountain passes
In your region
facilitated trade and
Cultural contacts
With central and
West Asia.

Gajanan Mishra
The Himalayas - I Care

I care not
In how many feet or
Metres you are
Above sea level,
But I care you,
My dear, the Himalayas,
I know, nothing is there
To match your beauty
And grandeur,
You are the abode of
Almighty, I realized.
The highest mountain
In the world, Mount Everest
Is there in you.
I heard about your formation
That is about seventy
Million years ago,
And it is due to
The collision between
Indo-Australian and
Eurasian tectonic plates.
I know, you stretch across
India, Nepal, Bhutan, Tibet,
Afghanistan and Pakistan.
I know, for you only
We are all here - one.
You are special and you
Keep with you all knowledge,
All the knowable and all the knower.
I know, you have held a
Profound significance on
The mythologies, literature,
Religions and cultural of
Entire south Asia.
You are the centre of attraction
All over the world.

Gajanan Mishra
The Himalayas Is Burning

The Himalayas is burning
The Indian ocean is going to dry
My world is going towards destruction
And who am I and how can I save myself
From this process, my dear!

Gajanan Mishra
The Himalayas Is Falling Down

The Himalayas is falling down,
The ocean is rising up.

I am eating the time,
The time is chewing me.

The air is my visiting professor,
The water is with the air floater.

Death is piling up layer to layer,
 Invite me, I will go and watch the theatre.

Gajanan Mishra
The Holy Place

The holy place -
This body.
Love is here
For you,
Dear truth.
All the oceans,
All the sky,
All the earth,
And all things are
Here in this body.
All good works
Are to be done
For the future.
Nothing wrong
In this body.
Short and long,
Soft and hard,
White and black,
And find everything
In this body.
Without the body
Nothing is there.
Take care.

Gajanan Mishra
The Ignorant

The ignorant cannot
Understand good words,
The neem cannot be
Sweet though it is in sugar,
The dog cannot care
The Tulasi plant,
The evil-man cannot stay
With the wise,
Man of proud cannot
Surrender even before Almighty,
Talkative man cannot
Be polite,
The coal cannot give up
Its blackness,
The mad man cannot know
what is good for him.

Gajanan Mishra
The Incidents

That occurred
I never take it granted.

Seeing You dwelling
With me I observed
My obstacles.

Regret for error
O my dear,
It is the close of the chapter.

Gajanan Mishra
The Inner And The Outer

The inner and
the outer-
The same cores.
Same iron,
Same nickel.
Very hot,
Very liquid.
Movement of
Outer liquid
Creates magnetic
Field and
It is responsible
For its gravity.
Inner core is
Under immense pressure.
Air is there-
Surround the earth.
Gases are water vapour.
Out earth has
This unique atmosphere,
And we live here.
All heats, all pressure
It takes for us,
For our living.
Earth mother, I salute you,
You are the only truth,
All living creatures
Are your fruits.

Gajanan Mishra
The Inner Beast

I see and feel
The inner beast's cruelty
That is within you,
And let me tell the truth,
One day, for it only
You would be nowhere.
Tame it, if you so like
Or drive it away from you.

Gajanan Mishra
The Intelligent Rabbit

The intelligent rabbit
is killing the proud lion,
we are watching it in real life.

Gajanan Mishra
The Jackal

See the jackal here, my dear,
It is coming to the lioness
with a proposal of marriage!
And when the lioness roars,
The jackal is no more.

See me, my dear, I am waiting here,
Only for some drops of rain water and
the rain is coming with Hudhud cyclone
and damaging my entire structures.

Through this letters of the poems
I wish to touch you in to to,
I am not in despair anyhow.
What I have seen in my own eyes
I dare not to say it is not truth.

Gajanan Mishra
The Key Of Growth

The key of growth
And development is
With you, my dear.
Open the luck with
The key with your
Personality branded
Warmth and diplomacy.
We are with green signal.

Gajanan Mishra
The King And The Poet

The king nodded and slept over the poems
And all the king's men and all the king's soldiers
Could not make the king awake.

The poet arrived there and
The king uttered no words, but reappeared
With a different perception and
The kingdom dazzled all over the world
With love and with all the truth for all good.

Gajanan Mishra
The King And The Subject

The king and the subject
All are here, all are equal,
All are there to raise
People's voice.
The sovereign power
Rest with the people and
All the kings and all
The king's men are there
To serve the people
And help the people in
The development of all.
The state is there
Like an empty box
And the people are waiting
For their turn to give
Everything for the nation.

Gajanan Mishra
The King Dies

The king died
and the subjects are helpless.

The water dried
and the fishes are nowhere.

Since you are alive
I am not leaving you, my dear.

And you are living with truth
and with love.

Gajanan Mishra
The King Is Always Right

The king is always right,
The fire is always right,
The death is always right,
It is we, always wrong
And as such, suffer.

Let the stealer steal,
Let the beggar beg,
But let us love all
And get happiness
That is within us, my dear.

Let us stay well-controlled
And be happy within ourselves.

Gajanan Mishra
The King Is No More

The king is no more
So also the queen.

We are the king
On our land,
We are the queen.

We are bloosoming
Like the flowers
We are the smile
Of the time.

We are here to
Love each other,
We are here to
Save each other,
And we are for us.

We are free
We are our friends
We are our foes.
We can do
Whatever we like.

We can take nectar,
We can take poison,
Everything is here
Only for us.

Be calm my dear,
Think yourself
What do you want
And for whom
And for what purpose.

Your own thinking
Will take you
To the path
You want to
Proceed further.

Gajanan Mishra
The Kingdom

The kingdom is
Not anyone's
Personal property.
By birth, there is
Nothing called right.
Right, property all
Are delusion granted
By one to another
And it has no truth.
No one is independent,
One is depending on
Another in some way
Or other. Let me stay
without sorrows.

Gajanan Mishra
The Knowledge

The knowledge that is with you
Is sufficient for a better life,
No needs for detailed knowledge.

Gajanan Mishra
The Land - Fertile

The land - fertile,
Fertile land and
We are ready to do
What is good.

We have our
Own heavenly air,
We have our star.
We have an artful life,
With the sky,
And we fly.

Think not we are strengthless,
Think not we are sigh,
We have our own voice,
We have our own choice.

Gajanan Mishra
The Land Is Mine

The land is mine
And it is bountiful.
No one has power
To make me landless.

I am here to dance
On this land,
I am here to sing
With the air.

I have a dream
To make this land
More beautiful with love
And more beautiful with my labor.

Gajanan Mishra
The Land Is Moving

The land is moving and it is a fact
No mental derangement and it is a fact
All facts are with me now
And I am telling you the water the air
All are still and silent
I understand and remain undisturbed, see.

Gajanan Mishra
The Land We Possessed

The land we possessed
Not ours enjoyed
By us though.
The time we enjoyed
Beating us
At every moment though.
We live for death
And we explore everything.

Gajanan Mishra
The Language Has Created Us

We have not created the language,
But the language has created us.
And the language can solve all
The problems faced by us
Reform and rectify ourselves
For the benefit of the self.
We are just machines, and the machines
Can move forward only through language.
No one is permitted to usurp
And destroy our language, our identity.
Our state is nothing but the waves
Of language, let us remember, for all welfare.
One who is adamant and disagree on using
The language he deserves to be punished.

Gajanan Mishra
The Language Is Dead

The language is dead,
No use of words.
But life is still there.

Gajanan Mishra
The Last But Not The Least

The last but not the least,
I love you, I love you - the truth.
In truth, I want to live,
I want to live in love, in you.
In the evening, in the morning,
At night and in the day times,
I want to see as and your love
For the purpose of living.

Gajanan Mishra
The Law Made

The law made -
Nothing but cheating.
Cheating the people
In the name of discipline,
In the name of sincerity,
In the name of progress,
In the name of independence.
Law without execution,
Is nothing but a farce.
The farce in the name of
Democracy, welfare, justice.
Justice is nothing
But showing light
To the blind.

Gajanan Mishra
The Laws Of The Land

How dare you
To transgress
The laws of the land,
And still, continue
Enjoying the power?

What the people,
The roots of the land
Are doing here
So far, without
Doing anything?

Minister, remember, you are
Neither the creator of the land,
Nor the formulator of laws
But only a servant of the people.

Gajanan Mishra
The Life

The life of a man
Is always for the welfare
Of others.
The life of a demon
Is always for the welfare
Of his own self.
I love you means
I am for you.
No one can find
The word love in a
Demon's dictionary.
A true man expect nothing
From anybody at any time
That a demon does.
A true man is always
In truth but a demon
Take shelter of falsehood
To satisfy himself and
To fulfill his personal end.
Rest I am not going to tell,
You may ask yourself, my dear
And think and a man
You have power to know everything.

Gajanan Mishra
The Life Of A Poet

Is successful
To the fullest extent.

The poet has the vision
And the wisdom
Of Ultimate Truth.

The poet knows
The material and
Spiritual angles of life.

The life of the poet
is successful as Your
Grace is on the poet.

Gajanan Mishra
The Life Of The True Poet

The life of
The true poet -
A great poem,
A great poem -
The poet himself
Tell them.
To reach the poet
You have to
Toil hard
And you have to
Sacrifice a lot.
Ask not the address,
You can get it
From anywhere within you.

Gajanan Mishra
The Life, The Love, The Truth

It is all palatable,
And full of humor,
At every step, the life,
The love, the truth.

The earth, the air,
The sky, the light
And the water, all are
There, to make the life full.

The life appears,
The life disappears,
In this material world,
But all for good.

Gajanan Mishra
The Light

The light,
I like.
The sky,
I like.
I belong
To the sky,
I belong
To the light.

Light and sky,
Both are
On this earth.
I am the earth
And I am here
Forever.

Gajanan Mishra
The Light Is Still Here

The light is still here
The light has gone out
Who told it is not here
We are all here in the light
And we know weapons can not
Cut a true light and water
can not drench it and we know
wind can not put it out and
Make the area we live in dark
We know light is here all the time
And the light does not even
Shake or vibrate and we know
The light of truth is everlasting
And it is here and it is eternal

Gajanan Mishra
The Like Color

The like color - black,
Black sky - naked.

Naked our time,
Naked our life.

Pensive I am
In the black forest.

Forest, I know
With so many angles.

But happy I am,
With annex light.

Light life,
Life is in the light.

All black
Including the white.

Gajanan Mishra
The Lily And The Rose

The lily and the lotus
Were talking each other and
We are here to listen their talk.

What they talked in water
What are the words in the air
We know all are about love.

The lily and the lotus
Are keeping relation with the moon
And with the sun that we know from here
And we know both lily and the lotus
And how luckies they are here.

It is sun who is giving us life
And giving us light
And the moon is giving us nectar of life.

Gajanan Mishra
The Lion And The Rabbit

The lion and the rabbit,
Let them make friendship
So deep and deep and deep
No one can differentiate
Who is strong and who is weak.

Gajanan Mishra
The Little Way

I can serve You
I can help You
I can offer You
A leaf a flower
A fruit a little water.

I know Your every ray
I have a earnest soul
I have a sincere longing
I remember you my love
Each day every moment.

Gajanan Mishra
The Mahanadi

My mother river
Most important
Peninsular river of India
I survive for you.

O my mother river
You are abused
Due to indiscriminate
Garbage and sewage discharge
Due to industrial effluents
I know how you are
Struggling to stay alive.

O Mahanadi, my mother river
My quest for so called development
As a modern society putting
You on death bed
You are dying I know
I am dying I know
My civilization is also dying
I am helpless to heal you
O Mahanadi, my mother river
I need you alive
I need you alive.

Gajanan Mishra
The Mahanadi- For Love

Our lifelines,
The Mahanadi.
Its water
Is not for war
But for love.

Water, water,
Life-giver.
We need water
For irrigation,
For drinking
And livelihood.

Without water
How can we live?
No life- no friendship.

Gajanan Mishra
The Makers Are Here

The makers are here,
Let them say for whom
They are making.
If it is all
For the general public
Then no one can
Break it.
No one can be the judge
But the general public
Who have power
To elect their representatives.
And it is the representatives
Who can say what is right
And what can give benefits.

Gajanan Mishra
The Man - The Greatest Art

The man is the greatest art and
The man is subscribing humanity.
Humanity is the great boon
In each one's life-moon.

Let me see the man
In this moonlit night.
Let me talk with the man
How he has written
All the scriptures and all
The scientific research works
Knowing fully well that
There is nothing new under the sun.

I salute the man as I know
The man is at the center of all
And the man himself is the sundial.

Gajanan Mishra
The Market Is Not Big

The market is not big,
Not bigger than me.
Since I have my own love,
But the market knows not
What is love like.

I dream but the market
Has no dream at all.
I live for all times
But the market closes
Its door even to invitees.

I have my own flower
And river. I have
My mountain also and
At the top I stay.

Gajanan Mishra
The Me Generation

Proudly considering
Oneself the Lord -
Like pride goes
Before a fall-
Full intoxication-
Gross miscalculation,
With false intention-
Needs to stay, though,
Free from pretension.
Or on the way
To destruction.
No facility for
Further communication,
Eather conditioned.

Gajanan Mishra
The Meaning

Let us find out
The meaning of
Each and everyone
Here and there.

Here and there,
Let us move
With the bird to
Play with the star.

Star is there
Waiting for us,
Whole night passed,
Let us search where we are.

Gajanan Mishra
The Meaning Of Freedom

The meaning of freedom
Is useless, if I am
Unable to see my language
In the day to day
Functioning of the state,
If there is no freedom of speech,
Other freedoms are meaningless.
The meaning of freedom
Is useless if I am
Not able to eat something
A day, not able to get
A dress to cover up
My bare body, not able to
Get shade over my head.
The meaning of freedom
Is useless, if the rich
Are richer and the poor
Are poorer in spite of
So many plan and programmes.
The meaning of freedom -
I am searching here
At this time, please come
And help me my dear, brothers
And sisters and admit
Mistakes so far committed
At the cost of others.

Gajanan Mishra
The Meaning Of Love

The meaning of love,
That I want to know.
Love, waves of ecstatic love,
What is it and how
It cleanses the soul.
How love purifies the mind
That I want to know
Without the self.
Love - a blazing fire
And it burns to ashes
All impediments on the path
Of progress.
The meaning and forms of love-
That I failed to understand.
When speech choked up,
When heart melts,
When one cries and laughs,
When one feels ashamed
And dances,
You said all symptoms of love
And it all purifies the universe.

Gajanan Mishra
The Meaning Of The Poem

Poem is life here,
And let me explain
The meaning of
The poem to you.

The poem is the truth,
You are to explain
The truth to the members
Present here, in
The unalloyed chain.

Surely, each one has to
Understand the mystery
Of life through the poem
That is being recited
By me while living the life.

Gajanan Mishra
The Meaning Of Touch Me

The meaning of touch me
And touch me not are
The one and the same.
It is all the matter of
Trust and beauty and
The matter of minds
But never that of hearts.
Mind is changing, you know,
But heart is there in tact.
Through touch only
You can absorb fire
That is in love's lyre.
O yes, I am at the loving
Coast where you are really.

Gajanan Mishra
The Men And Democracy

The men are roots,
The roots of democracy.
Abandon envy of men,
And serve them,
In their language,
My dear officials and politicians.
The men of the land are
The first person to accept
First oblations of your services.
The air, the water, the light,
And the earth all belong to men.
You are only the servants,
Remember this fact, never think
Or act like a master.

Gajanan Mishra
The Method

The method
To tell me
A man
Is faulty?
If I have
Lost
Humanity.

Murmur not
But tell
Clearly
That you
Love me.

Tell openly
The truth.

The truth is
I am a man,
I love all,
And I am here
For all,
I am a man
Recognized
By all
With all purity.

Gajanan Mishra
The Milky Way

I try to know
The life -
The milky way.
Left and right,
I try to
Balance it
With equal
Number of lights.
All over my body,
From lower to upper,
I try to give
A fresh touch with
Life-air, and I want
To know where you are.

Gajanan Mishra
The Mind

The mind
Flickering and unsteady
The mind
If uncontrolled
The mind
Control you
The mind
Kidnapped your
Peace and happiness.

Gajanan Mishra
The Miseries Of Birth

The miseries of birth
And death and old age
And diseases are
The main issues
For discussion today.
And I think
Nothing is there
To envious others.
Let us back to the truth,
Let us see the duration
Of life and the very
Existence in different
Forms and to know
How to utilize all here.

Gajanan Mishra
The Moment Is Passing

The moment is passing
And passing and yet I am
In sleep gazing the sky- your face.

Gajanan Mishra
The Moment You

The moment you think of me,
My appearance is a must before you.
And when I appeared
All your sins are washed away.

Nothing to lose and nothing to fear,
Remember, my dear, I am your lover,
And I am with you for the benefit
of all creatures here.

Gajanan Mishra
The Moon

The moon and
The cool light
So are you and I.

Gajanan Mishra
The Moon Arises

The moon arises
Within you.
The moon is the truth.
Enjoy the moon
With all whiteness.
Life is to enjoy only.
Life has all the beauty,
Worry not, stay cheerful.

Gajanan Mishra
The Moon Is Burning

The moon is burning
And crying for life.
The moon is taking me
To depopulate my dream.

Where is the moon in me,
I am asking my wife.
My wife is taking leave
To make me understand the time.

Gajanan Mishra
The Moon Is In Your Body

The moon is in your body,
I know and I know where
The moon goes when and how.

I know how the moon is burning
And how it is cooling all here,
The movement and the direction
Of the moon be marked with care.

I know the moon being black
In color and at times white
And at other times red and yellow.

I care not the southern side,
Of course, it is true here.
I enjoy the time with the moon
And the moon is mute, needless to say.

Gajanan Mishra
The Moon Is Naked

The moon is naked
And I have caught it
On the roof of my house.

Gajanan Mishra
The Moon Is Sleeping

The moon is sleeping,
And the sun is the guard.
My cat is climbing
The tamarind tree
In front of my house.
While saying all these
Take me granted
I am not an ordinary man.
I am also not hankering
To get benefit of any kind
From anyone here.
Yet I am with the sky
And the air is giving me
Everything that I need.

It is fact I am ageing
It is fact the river is
Going to dry.
Yet I am not hopeless
I think it is the right time
To go anywhere here.
What I am telling
Just hear it
No one can tell like me.
It is not easy to go
Outside this, crossing
The words that are live.
Okay, if you say, darkness
Is there, I must rebut.

Gajanan Mishra
The More

The more we have
The more we want.
So many things
So many paths.
Just see and watch.
Body is yours
Wife is yours.
Have patience,
See the signal and
The line of clearance.
You are your
Biggest pitfall.
If facing obstacle
Give me a call.

Gajanan Mishra
The More We Give

The more we give
The more we take
The more the merrier
we pray more and more
And mercy is here
More and more.

Gajanan Mishra
The Most Wonderful Thing

What is the most
Wonderful thing in this world
And to this question
The great king Yudhisthira replied
Hundreds and thousands of living entities
Meet death at every moment
But a foolish living being
Nonetheless thinks himself deathless
And does not prepare for death.

Gajanan Mishra
The Mother Says

The mother says;
The presence is the source of
All peace, all joy, all security,
And dear, nothing to deny it.

Gajanan Mishra
The Mountain And The Tree

The mountain and the tree,
Both are sober and serve others,
And dedicate everything
For the benefit of others.
I wish to live like them
Here in this world,
With my blood and flesh,
I want the blessing from you dear.

Gajanan Mishra
The Muse Of Art And Learning

You are the embodiment of all the alphabets,
You are A to Z, You are AA to Ksha,
You create multitudes of beings in the universe.
You are the essence of word-power shabda-brahm
and bliss with radiance of lightning.
O Mother, keep me with You,
You are the love and the truth.
You are the muse of all arts and learning.

The nation is for the native,
The native are there to elect
Their representatives to frame
Laws for them. The Govt is for
The native, the employees are
Devoted to work for the native.
The judges are there to adjudicate
cases for the interest of law
And public in general. And as such
The language of the native is
At the center-stage of everything.
Use the language of the native
Always everywhere, or else
Leave the chair for some one else
Who is more committed to the native.
In the name of defect law, defunct law
Please don't loss time and energy
Of the native. Do or go..

Gajanan Mishra

The Night

The night is for some to sleep
The night is the time of
Awakening for me to
Introspect within.

No one can say
What is there in the night
No one can say
Whether it is really night.

Night is night
When it is night
Though not dark
But bright.

I love night
Night is here to sing
Song of sorrow
That is sweet.

All sweetness are here
Only in night
Night is my most dear
Only because You are here.

Gajanan Mishra
The Night I See

The night I see is not mine,
Though, the stars are approaching me
From the very beginning.
I am there with the night,
But the is far from me
As the sun there within me.
I know, the sun and the night
Are good friend at the end.

Gajanan Mishra
The Night The Music

The night the music,
The memory and life,
Memories failed
Means the end.

All play in fire,
All play of water.
All play in the sky,
All play for life.

Life shine,
Appear and sing
With love for truth,
And I say I love you.

The truth of life - love.
The truth of love - life.
Life and love - one
And one for time.

Gajanan Mishra
The Night Watcher

The night watcher, the poet, my dear
Watching us by words and giving us
Messages that is pin-pointed and clear.

The poet knows well that out of lakhs
And thousands readers one or two are
Really able to understand the truth there
And one or two love with trust and
One or two really interested in them, and
They make them change accordingly and
Further one or two take the responsibility
Themselves for spreading the messages further.

The duty of the poet is to write and to guard
Through the words and the words are there
Getting life, being eternal truth awakening all.

Gajanan Mishra
The Ocean And I

I find no one
Greater than I.
I believe in poetry,
And I exist.

In rain and in the sun,
I exist for you,
I want to go far
To touch the truth.

I see and I dream,
Life and the world.
I care not death
Or the dust.

With my pure heart,
I desire to measure the ocean.

Gajanan Mishra
The Ocean And The Wave

You are the ocean,
I am the wave
And we belong
To the same class.

You are there
As before
But I am losing
My heart on the beach.

You are different,
I think, from me,
As I am trying
To establish
My identity with
Assume affinity.

Gajanan Mishra
The Ocean Is Mine

The ocean is mine
I am not what the ocean is.

I am burning
But the ashes are not mine.

That has no power.

O my dear, I am with my nature
Feeling is left unspoken.

Ask me with a ridicule
Where is not ocean.

Gajanan Mishra
The Ocean Is Telling

The ocean is telling,
It would come to me,
But I am sure I must
Not be here after its
Arrival, as I am today.

Gajanan Mishra
The Ocean-Life

I don't care,
Who said what.

I try to compose poems,
For all of them.
I try to tell all
The value of love
And truth in them.

I tell in my natural way,
With the air
With the light
And with the sky.

I am fortunate,
I try to tell
All that
What I feel.
I feel what
Other creatures
Feel here at this hour.

I love all,
And I live,
I try to let
All live.

While telling
The tell of life,
I don't care
Who said what.

This much I want to
Tell, worry not brothers
And sisters here
We must jump
This ocean and this water.

And free them from the pangs
Of material miseries

Perfection of my life
And I know you are coming
You are within me.

It is all for you,
You are the truth
And the only truth here.

Gajanan Mishra
The Original

I am the original,
And I am with the nature.
Nature is what you see,
And your power to see
Depends on wher you reside.
Your residence is here
That I know in this world
And this world is
No way related to you,
You are the product
of this world though.
You are the source of
all creations and
Creations are in you.

Gajanan Mishra
The original hero,  
The real-life one-  
My father.  
Down to earth-  
My father.  
I used to chat  
With him  
Heart to heart.  
My father is  
My father-  
Simple and  
Introvert.  
I feel proud of  
My father.

If any one of them committed any wrong.

You can feel it
Through love with
The power of acceptance.

To read I know,  
But what you  
Are going to say  
I know, nothing  
New in that.

The place I left  
Is yours,  
The place I arrived  
Is also yours.  
Both the places  
Are one and the same,  
Yet I am going

And the whole world
Is running on it.

Gajanan Mishra
The Public

The public
Wants to be cheated
And hence

And it is not real and it is foolishness.

Gajanan Mishra
The Real Common Language

The real common language
Is smile and love and look,
Though interpreters are
There to view and review
In different angles to
Refine the truthful-mood.
Our lingua-franca is life
And we live with it taking
Everything that are in need
From the air and water and
Light and from the earth.
Every moment this earth is
Changing its colours, forms
For us and we are here with it.

The people of my state.

Gajanan Mishra
The Real Position

The real position
That I want to know,
Is the position of
My life.
Here, it is,
In pure form,

But it is impersonal.
Life is the light,
But one who lives is in dark.
The very existence
Is in doubt.

Gajanan Mishra

Open or shut, all
Auspicious eyes.

Gajanan Mishra
The Reason I Failed

The reason I failed
To understand as to
Why you are telling
Me to smile and to cry.
Though you know
I want neither to
Cry nor to smile.
Nothing is happening
Also to cry or to smile,
But I am crying for you
And also I am smiling
For you, seeing you here
With me, as I want not
To give you the pain of life.
Life is beautiful, enjoy it
You are telling, that's right.
I feel it the beauty of nature,
Though I am part of nature,
Feeling is there with me
And this feeling at times
Put me in trouble and
Making my life horrible.
If you so pleased, take away
My feeling, my dear,
And I am yours, obliged.

Gajanan Mishra
The Reason Is Destiny

The reason is destiny.

Fire leaps over
One piece of wood
And sets fire
To the nest.
Soul transmigrates
From one body to another
In the life next.

That can not be ascertained
By practical experimental knowledge.

O my dear, be satisfied
Everything is here being done
By Supreme providence.

Destiny is the reason.

But we are here
Attached to the modes, my love.
Yet, I know not
Who you are
And who I am.
But we are in the union
In all conditions.

Gajanan Mishra
The Resultant Effect

The resultant effect
Of ignorant life
Is suffering.
Go on searching knowledge,

And stay in truth conscious
Movement and accept
The fact of life.

The Rising

The rising of the sun is clear, see.
And the lotus is blossoming, see.
The earth, the sky all are smiling, see.

To see, or not to see,
How to see, why to see,
All depend on you.

This sea is dancing,
Are you not observing?
How the clouds are coming
To give kiss!

Yes, you are also
admitting the facts,
That it is your day today
To do something new with full speed.

Gajanan Mishra
The River And The Mountain

The river and the mountain
Once hold a meeting and
They planned to move together.
The river kept the words
But the mountain did not.

The mountain stay there as it was,
But the river reached the ocean.
The ocean asked what happened.
The river answered in the words
That are his original.

The ocean knew all and so
Replied okay, okay, okay,
You are allowed to stay here,
But you have to go with rain to shower
On the mountain-the cheater and enable
Them to live, those kind-hearted creatures.

Gajanan Mishra

Make any sound
And feel my presence,
You can get
In your own mirror.

See me, I am sweating
At every morning and evening.

Gajanan Mishra
The River Ganga

O my Holy deity
O my Ganga Mata
You rise from the Himalayas
The Gangotri Glacier
And drains one fourth of
India's territory
You are flowing through
The most fertile and
Densely populated regions
Your basin support
Hundreds of millions of people
The Gangetic plain
Cradle of successive civilization
You are travelling
Two thousand five hundred ten km
And empty yourself
In to the Bay of Bengal
O my deity save me save me.

But we have to cross the river
Right now.

The rivers that are written
All here.
Please go sometimes there
And see

The sea that is at rest
Is no more in my dream.
My hope is there
In dry clouds.

That I would enter again
I doubt.
The burn of the past
Has made me wounded.
And here, I am unable to
Say good bye, friends.

Gajanan Mishra

My position are the same.

You are eternally
My atomic particle.

Within you, my dear.

And when we stay together
This is real happiness.

Gajanan Mishra
The Same Life

The same life
Is here with me,
I know from the beginning.
And with it, I glance at you,
The truth of time.

The rarest of the rare moment,
All arrived at the spot
To open new vista of
Reflections and grass light
Just for a play.

It all scattered,
Untouched unheard
And also unimaginable
Parable by parable, though.

Gajanan Mishra
The Same Person

The same person is
Your father and
also my father.
we are brothers.

On the same earth
I am residing and
also you are residing.
It is our world.

Find no difference
in our life my dear,
under this sun and moon
with light, air and water.

Gajanan Mishra
The Same Sun

The same sun is rising
Every day in the east.
The same moon is there
In the sky, every night.
But I am not the same person
As you see me with the sun
And the moon day and night.
See me, I am changing
In words and in figures.
Explain to me if you so like
How the air and fire and
Joining hands for the stage
Of my living here
With no biased motives.

Gajanan Mishra
The Same Things

The same things
The same words
I am telling again and
Again that I love you
That I love you
That I love you
Still you are not
In a position to believe
Not in a position
To trust me
Something wrong is
There within me
I know and I know
You are doubting
My actions my sincerity
But again I am telling
I love you I love you
You believe or not
That is your business
And not mine
I love you I love you
That is final and eternal
You may come you may go
You may do whatever you like
But I love you and I love you
Nothing other than love
Is with me you can see
You can observe you can search
You can research and do
Whatever you like
But I love you and I love you
I know love is everything
If for me in this world
No love no world nothing nothing
I love you I love you I love you.

Gajanan Mishra
The Scenery

Let me see the scenery
And it is before my eyes.

Let me follow the time
Where is the time that I know not yet.

To convey the truth I am here
And I am here to love only.

Gajanan Mishra
The Sea

The sea is
Not filled
With pure water,
Take note my dear.
A man can never
Be rich with
Honest income.
You can fill up
Your belly
With honest income,
But you cannot
Build flats and
You cannot go
With luxuries.

Gajanan Mishra
The Sea And Purity

The sea is
Not filled
With pure water,
Take note my dear.
A man can never
Be rich with
Honest income.
You can fill up
Your belly
With honest income,
But you cannot
Build flats and
You cannot go
With luxuries.

Gajanan Mishra
The Sea Calls Me

The sea calls me often,
But I fear the sea.
I walk on the sea-shore,
But I walk with cautious.
The sea roars,
But not ready to hear.
I feel it difficult to get
Myself free this claw.

Gajanan Mishra
The Sea Catches Fire

The sea catches fire,  
No sky is there.

You move by yourself,  
No one is there to help.

Nothing to fear,  
You know everything here.

Try and try and produce  
Your own sound seeing the earth round.

Control the fire  
By your breathing air.

Only water is there  
Wherein see the immersing star.

Gajanan Mishra
The Sea Is Coming

The sea is coming
And taking away
All the essence of life.
Our homes, our activities,
Our lifestyle, our fortune,
Everything is there in the sea.
The sea is not imaginary
But the real story of our life.
We see in the sea, our history,
Our geography all are in danger.
The sea is coming and
We are sleeping carelessly.
The sea is coming and still,
We are fighting with each other.

Gajanan Mishra
The Sea Is Here In Me

The sea is here in me
The sea is here with me
I am with the sea
I am with the sea in tide
I know not what the sea is like
I am with the sea
Without knowing it
Knowing sea is not possible
I am coming from the sea
The sea is here with me
You are my sea O my dear
I find nothing in you
You are in me
And taking me away
From the sky that I
Want to fly.

Gajanan Mishra
The Sea Is Trembling

The sea is trembling and
this state of trembling
made me fear and I sing a song
with care that you can hear there.

Am I the initiator here?
Initiator of the wave? or the sky?
You have declared to stay away from me
But I have seen you and you have provided
me the eyes to sea all scenes.

With his shadow the neem-tree
is telling the history and
without the shadow the tree is
in love. The truth-bird is there
sitting quiet without body on the shore.

Gajanan Mishra
The Sea Keeps

The Sea keeps everything
We depend on the sea.
Rain, air everything
Comes from the sea.
The Sea is here for us
Look the sea is
keeping everything
only for you and
You are not not able to
go outside the sea.

Gajanan Mishra
The Sea Water

The sea water is red,
Let me know the formula,
The formula of life
In the deep sea.
The sea is not mine,
But I am within the sea.
How to cross the sea,
That I know not my dear.
I am the component of the sea,
But the sea is here, I see,
Outside my life to control me.
Am I not the sea?
Am I not reddish with my red blood?
I am here with all colours, see.

Gajanan Mishra
The Seed

I can not show you the seed
I myself is a seed
You can see me
And I must admit
You are the seed-giver
My dear.

Gajanan Mishra
The Serpent Spoils Milk

The serpent spoils milk,  
Simply by the touch of its tongue.  
The bad man spoils everything,  
Simply by his presence.

Gajanan Mishra
The Shade

I like this shade
I like this tree
I like the creeper
Under this tree.

The tree, the shade
And the creeper all,
All are fine and
Wonderful here.

And You are the tree
O my dear, all are here
Under Your shade, all
Are beautiful and fine.

I love all
All are Your part and parcel.

Gajanan Mishra
The Shining Sun

The shining sun
Is coming to my courtyard
And I am receiving light from him.
Let me say the form of
The shining sun is inconceivable
To my mind and intellect.
The shining sun has made me a poet
And by his grace I am able to know
Something about what and how here.
I am staying here always
With words and knowledge
And trying to illumine others.

Gajanan Mishra
The Ship Of The Desert

O ship of the desert,
Thanks God, you are now free,
You are now spared.
You are the property of the state
and You have acquired
protection and status.

Gone are the days of Tank Nawab
Ibrahim Ali Khan IV,
We are on the days of
Nawab Hamid Ali.
Thanks Hamid, histry will
remember you and humanity.

I salute all, the laws of the land
are being respected, no more camel sacrifice.

Gajanan Mishra
The Sky - Not Opened

Not opened - the sky,
But I am opened.

Gajanan Mishra
The Sky And The Dust

Both are there with me
The sky and the dust.
Let me say clearly
I am the sky and also
I am the dust.
No one is far and
No one is near
But I am here.
When I am here with you,
Remember, nothing to fear.
Be cautious and keep your
Day finer and with
All freeness enjoy the morning
And the evening here.

Gajanan Mishra
The Sky And The Roads

Look, the sky is
Not going anywhere.
There are, though,
Roads in the sky,
The roads are also
Not going anywhere.
But within the sky,
Everyone is going
On their own roads.
But see, I am free
From the clutches
Of any road and I
Am here as before.

Gajanan Mishra
The Sky Asked

Hello, How are you
The sky asked.
And again said
Look at me
I am fine.

O sky, where are you
I asked.
And again I stood
To search not to the sky
But to search myself.

And I enjoy the searching
As long as the sky
Is with me and
Declared my self the king.

Gajanan Mishra
The Sky Came

The sky came
Touched me
And said, 'O
You are new,
Trust in me,
I am here
To lighten
Your burden.'

I replied not
And the sky
Returned back
With a remark-
Be happy my dear,
I wish a lot
In between
The sunrise and sunset.

Gajanan Mishra
The Sky Comes First

The sky comes first,
The air follows the sky,
Then comes sound,
Then fire, then form,
Then touch, then flavor,
Dear men, you are
The mixture of all here
With unique entity.

Gajanan Mishra
The Sky Embraces All

Pity and anger
Go together
In memory
And as part of
Nature.
Blood and life,
All are
The capital
Belong to
The architecture.
Light lingers
With true words.
And we all
Watch with
Our letters.
Nothing to rebel
But to see
The method of
Living on earth.
The sky embraces all
For all are
There in the cloak.

Gajanan Mishra
The Sky Holds Clouds

The sky holds clouds
O my dear, You hold me
And You are all pervading.

Everything is in You
In the beginning and at the end
All manifestations enter in to You.

It is dreams it is illusion
It is mental creations -all are temporary
You are only eternal Absolute Truth Supreme Personality.

Gajanan Mishra
The Sky I Have Acquired

The sky I have acquired
Is not mine
You are the sky
And you possessed me.

Gajanan Mishra
The Sky Is Coming To Me

The sky is coming to me
And asking how are you friend,
With a smile and I am there
To reply okay, fine.
I know I am not alone here,
Everyone is here with me
To reciprocate my feelings
And I am here to love all.

Gajanan Mishra
The Sky Is Crying

The sky is crying,
The sky is crying.

I am under the sky,
I am under the sky.

I am carrying the sky with me,
The sky is taking me and I am going
with the sky, telling everybody goodbye.

The fire is burning,
The fire itself is not burning,
The fire burning all.

The fire is burning the sky,
The sky is the producer of the fire
and the fire is the producer of the air.

I am living with the air, yes with the air.

Gajanan Mishra
The Sky Is Entering

The sky is entering
In to your room, please
Welcome, with smile.
Everything is there
In your room, just see,
Through the light you have.
You have your hands,
You have your legs.
Do, what you think fit,
Go, where you want to.
The sky is ready to
Accompany you and ready to
Love you and ready to
Show you all truth.

Gajanan Mishra
The Sky Is Here

The sky is here
Within the birds
And the birds
Are covered
By the sky.

This is the place
Where we live in
Not under the sky
Not among the birds
And we hide behind the sun.

Gajanan Mishra
The Sky Is Hidden

The sky is hidden,
You may be called the hidden sky.

No understanding of situation,
And wait for rising sun.

Differentiate not between yourself
And other living beings.

By being seen purify the self-
Read the history of the sky.

Gajanan Mishra
The Sky Is Invisible

The sky is invisible.
Right?
I am visible?

Being visible
I am catching the words
That are imperishable.

All are possible
As because I love You.

Gajanan Mishra
The Sky Is Mine

The sky is mine,
And I am turning
Towards the sky.
My dignity is there,
With the star.
I am begging life
To the glittering sea.
Sweet life, come on,
Let me sing in this night.
I am dreaming here
Only for fear.
Proud to say, I am here
With my love
For the purpose of love.

Gajanan Mishra
The Sky Is My Form

The sky is my form,
See me in the sky.
From the sky, I come,
To the sky, I go.
My knowledge, my perception
All are there in the sky.
My beginning and my end
All are there in the sky.

Gajanan Mishra
The Sky Is No More

Do not fight.
Do not advice anybody
To fight against the sky.
The sky is no more.

When there is no fight,
There is nothing to fear.
When there is nothing to fear
You can enjoy the air and the water.

Water is the root
And air is the fruit of nature,
You are the boulders and
You can fly if you are a soldier.

Prove yourself a good soldier of time,
And see the sky safe within me.

Gajanan Mishra
The Sky Is Not New

The sky is not new,
The earth is not new,
The air, the water
Or the light
Nothing is new.
And my dear friends
It is not possible
On my part to compose
A new poem, expect not
Anything new, at least
From me. But I am
Not an escapist, remember,
What I am telling
Itself is new.

Gajanan Mishra
The Sky Is Now Clear

The sky is now clear
The wind and rain have stopped
The river's high waters have subsided
The sun has risen
Come on men, This is your time
To dance to sing to work
And harvest the fruits of your true labor
Go on with your routine, my dear .

Gajanan Mishra
The Sky Is The Limit

The sky is the limit,
Let us come together, brother
and play in world-pitch.

Gajanan Mishra
The Sky Is Within Us

The sky is within us-
The great void of emptiness.
We are on this earth,
From where we see the stars
Spangled sky, wherein
The magnificent mountains
Are there, the sweeping plains
Are there, the tumultuous seas
And the winding rivers are there
And they are all beautiful.
We are the earth and
We are in all but the sky
Is there within us, and we
Have a life- void of emptiness.

Gajanan Mishra
The Sky My Dream

The sky my dream,
Let me fly therein.
Let me fly further
Let me cross over.

I see the sky in me,
I am the light,
I am the stone,
I am the tree,
I am the water,
I am the air
Under the sky.
Let me fly.

I am in prison,
I want to unfold
The sky-wall.
I know the ocean,
The best friend.
I want to tear
The sky with the ocean.

I feel my pulse rate high,
The fountain tells me good bye.
I know night and day-
Two components of the sky.

I want to live like the sky,
I send messages to the sky,
To come for dance.

Gajanan Mishra
The Sky Of My Daughter

Where is the sky,
I want to climb
Said my daughter.
Let me show her
The sky that I dreamt
Said the mother.
I utter no words,
And my daughter,
Intelligent enough,
And guess the sky
Is nowhere.
I assured them all
Come on, here is
The sky on which I slept.

Gajanan Mishra
The Sky Pot

The sky pot
Is full with life
It is I.
Space here
Is blind
It is I.
And dark is
Colorful in
My eyes.

Gajanan Mishra
The Sky Revolves

The sky revolves,
And we enjoy.
We enjoy
For we are mountaineers,
For we are matured,
For we know
The truth and
Also falsehood,
Imaginary all, though.
We know life,
Hanging bridge.
We know our own
Capacity to sustain.
We know the technique
Of light.
The moon catches us,
And we bear the sun.
We have our own
Blood and Bones.
And we cry,
And we see,
And we do
What we want
For the sky.
And the sky revolves,
We enjoy.

Gajanan Mishra
The Sky Smile

The sky smile down, see
Smile of the sky.

Truth, Truth and Truth
And it is smiling.

The sky knows the death
It is mere contraction of eyebrows.

Days and nights are the twinkling
Of the eyelids of the sky.

Gajanan Mishra
The Sky Talks

The sky talks,
Talks to itself.

With all emptiness
I follow the sky.

The sky passes
On this way
Where I stay.
I stay on the earth,
And the earth
Listen to me carefully.

Together with the earth
I see the earth.

The earth is there
With the sky in one vanishing point.

Gajanan Mishra
The Sky The Light The Air

The sky the light the air
All went away
And I remained residue
In the middle of the road.

One by one all came again
Called me politely
And I did not turn.

Let us go I said
And they slept
Leaving me aside.

Gajanan Mishra
The Sky Walks

The sky walks,
Walks on earth.
And the earth
Flies away
In the sky.
Why and how
The sky walks
I know not.
But I know
Something about
The flies of
The earth.

Gajanan Mishra
The Sky With Love

How many legs,
How many heads,
How many eyes,
How many hands,
How many ears,
Have you, poets?
Tell me, but I
Wonder you are
Here with drought
And with famine.
But you are not
Unfortunate, I know.
You are struggling
With your own
Existence to bring
The light that is
Within you for
All good.
You are in truth,
I know poet, and
I know You are not
In relation with
Anyone besides the truth.
And you are trying
To show the truth
To all creatures
That surrounds you
With the help of
Your body mind and hearts.
Show your own earth,
My dear poets
In your own sky
And fly and fly
Till the sky is
Fill up with love,
And love, love.

Gajanan Mishra
The Sky, The Earth

The sky the earth are there
Do not try to change them
If you are so keen to
Change something, change yourself.

The sun the moon
The river the tree
Let them go free
They adorn you shree*.

Shree - All positives of life, wealth, prospects etc.

Gajanan Mishra
The Sky, You See

The skies, you see here,
Are not yours.
And the sky has
No power to hold on
That is yours.
No one is here
To disagree on the play
That you and the sky
Are playing belong to the family.
Still, one would be there
To show the dark
While talking with the self.

Gajanan Mishra
The Small Ant

The small ant
calling me and
telling how
Its duties
Are perfect
And I am looking
For the alphabet.

The ant is wrong
I am not telling
The ant is doing
Bravely and
It is right
No body is there
To say.

Not easy to say
Not easy to add
Flavor and fuel
Not easy to
Perform duties
Pefectly
And it is not easy
To do anything
Concrete
Day in and day out.

Gajanan Mishra
The Snake And The Envious Man

The snake and the envious man,
Both are dangerous, please
Keep a distance from both.

Gajanan Mishra
The Snow

The snow is
Melting away.
It is you to
Understand
What is the snow,
And how it is
Melting away.
You to know
The purpose
Of melting.
You to say
What will happen
After this
Melting.

Gajanan Mishra
The So Called Enemies

The so called enemies
Are my best friends
The soldiers of my enemies
Are my well wishers
Let them prosper my dear
Let them live in peace
I love them and their activities
They are my guide and
Radar of my life-ship.

Gajanan Mishra
The Song Of Life

O life, you
Yourself is a song,
That I am singing
From the very beginning,
In winter and in summer.

White or black
That does not matter
But I am with you
I am with you, means-
I am going on the straight path
That has uncountable objectives.

O life, I love your words
That have truth
Like the sun.

Gajanan Mishra
The Sooner I Die

The sooner I die.
The sooner I die
The better, my dear.
I pray to You
My dear, to forgive all.

I am receiving here
The fruits of my past actions
And nobody is responsible
For anything done, I know
each and everybody is an
Instrument in Your hands.

O my dear, It is my misfortune
That I am adopting in this life
Foul means, falsehood and fraud.

Gajanan Mishra
The Sooner, The Better

The sooner, the better
You must change yourself
to see the good result.

You are not impressed,
You have sneeze afterwards,
You are not sneezed at,
means it is important.

Let us marked the symptoms
and go ahead for betterment
and let us build our own nest.

Gajanan Mishra
The Soul

It is yours,
It is within everyone.
You are the soul,
The soul of everyone.

I am your part,
You are my whole.
I am an ordinary one,
You are special
And most certain.

You need no travel,
But I need it
To reach you.
But I know, it is
Also my foolishness.

I light the lamp
Before you,
And I show
How fool I am.

I offer you
Flowers and fruits
And so many things,
I know, though,
All are yours.
How fool I am!

I go to meet you
In stone,
Within wood,
In sand,
In water,
I know, though,
You are all,
And within all.
How fool I am!
Knowingly and
Unknowingly I am
Doing all mistakes,
But I know,
Nothing is a mistake,
Nothing is a sin,
It is all there
Under your direction.

I am nothing
In this creation,
It is all you,
It is all yours.

Gajanan Mishra
The Sound

The sound and
The life,
The life and
The world,
All together,
Please come
To discover.

Passion and time,
Time and earth,
All are here
To color life
And others.

No other life,
But love, find dear.

Gajanan Mishra
The sound, the words and
The language all are here,
You are to listen to all.
You are to function there
And follow my words
And you are to utter
My language here,
So long as you are there
For me, remember you are
There, by me, of me.
You are there to work
For me, I am the cause of
All causes here, remember,
For your existence, I am here.

Gajanan Mishra
The Source Of Everyone

Contrary to truth
Is not false
But it is another
Way of life.

Dark is not the opposite
Of life but it is
Another part that is
To be recognized.

Each and everything
Is one and the same
The source of everyone
Is the one and the same.

Gajanan Mishra
The Source Of Life

Where is the life,
Where is the source of life,
What is life and
What is there in life.

But life is not a flower,
Life is not a bird,
Life is not the earth,
Life is also not the water.

Life is life and
It is uncertain,
And it changes color
Like the sky.

Gajanan Mishra
The Sparrows Are Not There

The sparrows are not there,  
Only the herons are there  
and they are busy in their  
estling in this rain.

You are there but I am not there  
And I failed to understand  
how it is going on, the matter,  
the matter of love affairs.

It is the magpie robin  
that is calling me and it is raining,  
The peahen is waiting for the peacock,  
I find no one in this rain, my bad luck.

And it is called rainy season  
I failed to touch the clouds, the sky and the horizon.

Gajanan Mishra
The Spider

Here see this spider
Day and night busy at work
Work means weaving web
And it is world wide web
We are like the spider
Within this world wide web
Without getting a chance
To get ourselves free
Free-less life we have
Living with the spider
And testing ourselves
How we are living here.

Gajanan Mishra
The Star, See There

For nothing
Take care,
See there
The star.

Invoke power
That is there
In you
With all truth.

No matter
Like or dislike
But you are
There with care.

Gajanan Mishra
The Stars

How can I say
I know the stars,
Though they are
Not far.

Yes, I can say
I see the sky,
But I cannot say
I can count the stars.

The stars are there
Within me and still
I cannot say they are
Under me and I can
Command them as per
My wish here at this time.

Gajanan Mishra
The Stars And The Moon

The stars and the moon
The lights and the radiant sun
I accepted all
The winds in the space
Is in my respiration
I represent all
The verses of poems
Twinkle in the sky
I illuminates all.

Gajanan Mishra
The State Is Given

The state is given by our language Odia,
And here we are to live and act
According to the law of the land.
We should not think we are independent,
We can do whatever we like,
We can speak, we can write in any language.

Being in executive we must execute the law,
And act as a lawful person.
We should understand the truth
And the truth is state official language
Odia is the root and we are the fruits.
Let us take care the root by using it
In all or any purpose
For our own existence.

Gajanan Mishra
The Storm

This storm within me
Is also Your pastimes
That I know, my dear
I know in this storm
You are wakeful
And I am dreaming You
And unconscious and
In deep sleep
In this storm You enliven
My body my senses life airs
Mental activities and and
So many things subtle and gross
Your purpose is known to You
I am here just acting as per Your wish
And I am crossing the illusion and
Realizing You Supreme Truth
By gradual rectification.

Gajanan Mishra
The Stray Dogs

The stray dogs
Have nothing to say
I dare not to
Say so.
I think they have
The same life
As I.
I have my own
Stairway.
And I see the wind
Here at this time.
The wind is like
Mountain and
It is in me.

The stray dogs
Are there as usual,
Nothing to worry,
But dear, you
Can't catch them
At your sweet will.
You are not
Their stakeholder,
I am sure.
See, they are sedated,
And coming towards
The sky.
The reasons - ask me not,
I know not.

Gajanan Mishra
The Strength Is

The strength is
your faith
your fidelity.

Learn the subtle art of
self-discipline and
restraint and know
your success at hand.

Have strength
to face time,
with all sincerity.

Gajanan Mishra
The Struggles For

The struggles for
use of our own language
is going on.
You are welcome
to join at any time
you like here.
Your language is
your identity.
Go on fighting to
establish your own
identity at your own home.
You have every right
to live freely and to
acquire knowledge through it.

Gajanan Mishra
The Subjects And The King

The subjects are
with the king,
And the king is
brave enough
to declare war
against the enemy.

Enemies are
within and
enemies are near.
Woo the enemy
and finish
the war-time
preparation that is
ahead of the nation.

Gajanan Mishra
The Sunflower And The Invitation

I have received
The invitation
Sent to me
By the sunflower through
e-mail-gajananmishra60@
And message to my phone number
09437366644.
And also I have received
A closed envelope
With address- Tapobana, Titilagarh,
Balangir, Odisha, India.
But nothing has been
Written and I have
Read all the contents therein.

Gajanan Mishra
The Sum And Substance

The sum and substance
Is to love you,
To chant your name,
To sing on you,
To stay with you,
To recognize you,
To say all about you,
To move freely with you.

Gajanan Mishra
The Sun

The sun is here
I am for the sun.

The sun is the presiding deity of eyes
Light of the sight is His.

The sun is the preceptor of the ancestors
The sun transcends the limit of time.

The sun illumines the whole world
The sun has no power to illumine You.

O my dear, I am with You
In the sun Your light is reflected.

I am here
The sun is for me.

Gajanan Mishra
The Sun - The Rose

The sun - the rose,
Let it rise.
The river - the water,
Let it flow.
Let the past
And the future
Go.
The progressive life,
That is there at present,
I know.
It is knowledge,
It is light,
I want to stay in that,
That I know permanent.

Gajanan Mishra
The Sun - Within Me

I could master, till date
The art of holding the ocean,
Till date I could not utter-
O air, please stay,
Let the butterfly fly.

I could be
What I would be.
What I would be
I could not know yet.
Till date I could not know
How to love the dark.

I am in the dark,
I am in the ocean,
I am in the air,
I am in the butterfly
And I am going
To catch the sun
Who is within me.

Gajanan Mishra
The Sun And Lotus

The moon and the rose
The rose and the moon
Both are rejoicing
Their richness.

The sun and the lotus
The lotus and the sun
Both are interlinked
Both are on their ground.

Gajanan Mishra
The Sun And Sunstroke

The sun is here
With fire,
Go not there,
Sunstroke would
Take you saying
Come on with me
To fly with stars,
All good and fair.

Gajanan Mishra
The Sun And The Birds

All are mine
The sun and the birds.

The sun and the birds
All are playing
In my courtyards, see.

They carry within
What is necessary for me.

I am behind nor
A head of time,
See me, I am in time.

Gajanan Mishra
The Sun And The Moon

The sun and the moon
Both are mine
Both are for me.

The sun and the moon
Both are in one home
Both have loving relationship.

The sun and the moon
They appear and disappear
But see me, I am here.

Gajanan Mishra
The Sun And The Sight

The sun and the sight-
One and the same,
Illusion, though.

Gajanan Mishra
The Sun And The Vision

The director of the light,  
The sun is there in the sky.  
And we can have our vision.  
The water is there in the ocean,  
And we have the facility  
To taste everything with our tongue.  
The wind is there and it  
Touches our skin and we can  
Realize tactile knowledge.  
The sound enters through our ears  
And it is the most important  
Source of knowledge.  
Knowledge is life, my dear,  
For knowledge we live without fear.

Gajanan Mishra
The Sun And Vision

The sun and the vision,
The air and the life,
All move from here to there.

The birth and the death,
Now and then, all moving and
Unmoving in order and both
Within and outside us.

By the process of
Life and mystic theory
We conquer all.

Breathing and living
The truth of time,
And we are advancing
With the essence of love.

Gajanan Mishra
The Sun And We

It is not the sun  
Who is going to set,  
But we are setting  
At every moment.

It is not the sun  
Who is giving us light  
But it is our own vision,  
That is there within us for the sun.

Let the sun knows  
We are not less powerful  
And it is for us  
There is the value of truth.

Gajanan Mishra
The Sun By Rising And By Setting

The sun by rising and by setting also
Can not decreases your duration of life
O men, as You are utilizing your time in Truth
And also I know You have taken shelter
In Ultimate Truth.

Gajanan Mishra
The Sun Has Also

The sun has also black spots,
But I am not there
To search them out.
I am here to see
The light only and
Go on working day
And night for others.
I am here to love
And I know love has
Nothing to do with
The worldly affairs.
Know and remember I am
Not here to count
But to live with lights.

Gajanan Mishra
The Sun Has Its Orbit

Like the sun
I have my own orbit,
And you all are
Within the periphery.

The time is in me,
And you all are
Calculating it
In different methods.

I am my measurement,
But you wander
In so many ways.
But worry not,
Since I am here,
Stay perfect and clear.

Gajanan Mishra
The Sun Has Talent

Something is there
Thar are to sacrificed
Something is there
That is to glorified.

Heaven is not significant
Reason is important
The sun is opulent
And the sun has talent.

Gajanan Mishra
The Sun Is Being Seen

The sun is being seen
By my eyes.
And at this time
The birds are
Calling me.

No clouds, no rain
The clear sky
Is taking me
And I am going
No matter I wish
Or not.

I have forgotten
All syllables
But I remember only You.

Gajanan Mishra
The Sun Is Fresh

The sun is fresh,
Let us come and see
Here at the east.

To the sun, as if
Nothing has happened.

The sun knows the truth,
Come on and see
The sun is here.

Gajanan Mishra
The Sun Is Going To Take Rest

The sun is going to take rest
Behind that watery hill.
The time is here to study
The environment in full.

Gajanan Mishra
The Sun Is Here

The sun is here in new form
Self-luminous and makes
All things visible here.

Here is my helmet
As dazzling as the sun
With movement from south to north.

It is the proper time
To leave the place but to where
That I know not but I need
Your presence, my dear, most.

If You so pleased, O my dear
Grant me anything You like
I am not here to express my wish
Expression has no meaning, I think.

Gajanan Mishra
The Sun Is Mine

Yes, I must say
The sun comes daily
And regularly
Only for me.
The sun is mine.
Without the sun
How can I live?
Oh yes, only
For the sun
I sing here
Under the sky
On this earth.

Gajanan Mishra
The Sun Is Not Needed

The sun is not needed
I am able to create my own light
And the light for the entire world.

Gajanan Mishra
The Sun Is Not Real

The sun is not real
And hence how the sunshine
Would be real?
The sunshine is not real,
And hence how the things that are
Being seen in the sunshine
Would be real?
The things that are being seen
Are really not real.
As our body, our senses, our
Perceptions are not real.
Are we not in real world?
No one is here as yet to answer.
But they said the world is in fire.

Gajanan Mishra
The Sun Is Not Setting

The sun is not setting
Here is the rays of the sun
And the rays is driving out
All diseases and dispelling
malignant thoughts and
Keeping us aways from sins
The sun is not setting
And giving us eyes to see
In bright when the world dies.

Gajanan Mishra
The Sun Is Not There To Wait

The sun is not there to wait,
I am not here to take all that.
I am roaming here there with flowers
With birds, with stars and they are
All for me to appear there up above the sky.
I am a simple man of this earth
But I have to go far far and far
With my joy with my love and with you dear
To give my love-life to the sun
But the sun is not there to wait and
I am roaming at this time with the air
To map the ocean though in default,
I open my eyes and ears with repeating words
That are my inner choice sweet and fragrant..

Gajanan Mishra
The Sun Is One

The sun is one
The sun shine is many.

I am here
You spread everywhere.

This is my head
Your head and tail not found.

I am certainly Yours
You belong to none.

What to speak of others
I myself is your nature.

Gajanan Mishra
The Sun Is Ours

The sun is ours and
The sun Symbolize
Perfect knowledge
And the sun is giving us life.
The moon is ours and
The moon is beautiful
And the moon is giving us nectar.
The sea is there
Water of the sea is
Salty and saline
But it is fine.
The sky is there
Deep and blue and
We are there in truth.

Gajanan Mishra
The Sun Is Rising

The sun is rising
At every moment, mind it.
No dark is here or there.
Ask the truthfulness of
My words to your inner hearts.

You are growing beautiful
Day by day, moment by moment,
No ugliness is there in you.
See yourself and know how
Lovely and illuminating my words.

No one is there to bit you,
Hear my words with wide-open ears
And ponder it within and understand
The value of everything here.

Gajanan Mishra
The Sun Is Separate

From its rays and heat.
See and observe, my dear,
Like the sun keep yourself
Separate from your
Activities and prowess.

Gajanan Mishra
The Sun Is Setting

The sun is setting
Behind the tree.
And I love thee.
The innocent goat
I know never tells a lie.
And I love thee.
The air as usual
Is there in the night.
And I love thee.
For you, my dear,
I am hankering
For so many things
As I love thee
And I love thee.

Gajanan Mishra
The Sun Is The Eye

The sun is the eye,
And for the sun
We can see.
But what we see
We know not.

Gajanan Mishra
The Sun Is There

The sun is there
There is the sun
Either covered by clouds
Or in a clear sky
Existence is continue
Under this sun
You can find
Intelligent people
Martial people
Mercantile people
And laborers
They are in full
Cooperation and are
In peace
Let us see the world
In new order, my dear
And here we are
In the best possible manner.

Gajanan Mishra
The Sun Never Sleeps

The sun never sleeps,
It is the moon
At time sleeps.

Gajanan Mishra
The Sun Rays Are

The sun rays are
To the sun,
The poems are
To me.
I am the angel,
Angel of vision,
In the field of
Truth and the truth
Is here in my house.
My house is moving
In your air,
I am there.
I know the vibration,
In this relative world.

Gajanan Mishra
The Sun Rises And Sets

The sun rises and sets
We learn, though
Rising and setting
All false, we know.

Are we not
In the false world?
Where is the truth
In our life?

We struggle for
Wealth and power,
We know, though,
They have no value
Here or there.

We measure the space,
We light the lamp,
We love the feathers,
And we appear
What we are not.

We want the shadow
Not ours,
We sing so many songs
For us,
But we know not
What we say we know.

Gajanan Mishra
The Sun Rotates

The sun rotates
For the benefit of
All living beings.

Gajanan Mishra
The Sun Sucks Water

From the earth  
And supplied water  
To the earth  
In the form of rain.

The Govt levied tax  
On the people  
And all should be  
Used for public welfare  
This is for larger gain.

Any deviation is  
Against law of nature  
And illegal and  
Against democracy  
And its aim.

Gajanan Mishra
The Sun, The Eyes

The sun, the eyes,
I know, my dear.
But here, the sun,
The danger, as you
See, the life taker.
No knowledge, but
The dark is there
On this day, take care.
Take water, where
You go, take umbrella,
And the chappals,
And guard yourself,
No one is there
To help on the way.

Gajanan Mishra
The Sunrise

The sunrise,
See, all attractive.
Take cold water,
It would give comfort
In this summer morning.

Food is tasty,
Take it and get
Yourself free
From hunger.

Take truth with life,
And uncover the dark.
Suffer not
By your own mood,
Accept all good.

Gajanan Mishra
The Sunshine Is Our Food

The sunshine is our food,
The sunshine is our cloth,
The sunshine is our life.
We live in the sunshine,
We live by the sunshine
We are the part of sunshine.
No dark, no sorrow, no illusion,
We are clear to the core
There is no harm going anywhere,
There is no word that lacks
Poetic sensibility of sunshine.
You can utter any word
You are allowed to utter.
If we failed to discover love in it
It is our weaknesses, it is untruth.
But we are the truth,
We are the fruits of truth,
The sunshine is the truth,
Our life is the truth.
And we are moving with the world
For the sunshine, for the truth.

Gajanan Mishra
Is iron water?

I know, hearing
This you can not
utter immediately
Anything.

You can say
Iron is eight times
Heavier than water
You can say
Iron is black in color
You can say
When highly polished
Iron looks
As bright as silver.

I know, Iron is found
In the bowels of the earth
Mixed up with
Other materials
Iron is melted and
Freed from other materials.

You can find
Three forms of iron- cast or
Pig iron, wrought iron
And steel.

Iron is useful to all
To rich and to the poor.

O my dear, Like iron
You come from the same
Bowels of earth
You are made of water
But much heavier
All colors are within you
With proper knowledge
And humility
You look much brighter
Crossing all borders
O my son of nectar
You are more than any other.

I know, three modes are within you
Modes of goodness
Modes of passion
Modes of ignorance
And you are to decide
Which mode is better
For the larger interest
Of the creative world.

I would not have been here
But for you, O men, the Supreme
Product of nature, stay here
You are the most useful steel-iron
You are the most beautiful life-water.

Gajanan Mishra
The Sweetness Of Life

The sweetness of my life
Is in your lips, dear,
Forget not to kiss.
Love is there as before
Unaffected by storms
I am at storm-centre though.
Fear not, my dear, I am
Here, with you as before,
Let me say I am yours.
No death can separate me
From you, dear, at any time.
I am there with you
And I will be there with you
Till the end of the eternity.

Gajanan Mishra
The Task

Before me
The task is -
Tell the truth,
And truth is
This life.
Please enjoy it
With all truthfulness.
Trust each one, dear men
Under nature,
But be cautious, all
Danger everywhere always.
Fearless living
Is a great thing,
Let me tell you.

Gajanan Mishra
The Things I Searched

The things I searched
Found here in your house,
And you are asking me
The reason of searching.

The man I found
Is black and white
And yellow also

I uttered nothing
But you said
You understand everything.

In this war-field
So many men declared themselves
As the sole winners
And I differed all at a time.

Gajanan Mishra
The Tiger-Lover

The lover-tiger
Is here to jump
The oncean's water.

In the ocean
The lover-tiger
Sees picture
Of love-dreams.

In the love-dreams
The tiger-lover
Fight for truth and
life's nectar.

Let the tiger-lover
Be free and without
Any obstacle
It is fact and not babble.

Gajanan Mishra
The Time Is

The time is too fast to catch,
O my dear, please run with time
and see and discover who you are.

Gajanan Mishra
The Time Is Taking Us

The time is taking us
To its end.
And where is the end?
That we know not.

We feel, we glance,
We smile, we cry,
But the value
We know not.

Night and days,
We take care but
We have forgotten
Nothing is ours.

Smelling and touching
Are the steps
To togetherness.
But we are here
In a circle with glories.

The time-ocean is
Taking us over time,
And we are all
Wandering for nothing.

Gajanan Mishra
The Time, The Truth

We are all one,
Though, under different
Qualities of material energy
And in different forms.

I am alone and
All goodness are with me.
You are my part and parcel,
And you are as good as I.

Stay in proper knowledge here,
O my dear, and think about
The modes of nature that are
Changing within you.

The light, the love,
The time, the truth.

Gajanan Mishra
The Time-Limit

The time-limit
Has expired.
Nothing has been done.

Gajanan Mishra
The Totality Of The Universe

The totality of the universe is in me,
And I am here for the universe for truth.
I possess pure and complete consciousness
And I am the cause of cosmic creation,
And maintenance and dissolution.
I am perfectly peaceful,
I am the absolute truth, and
For me, the wind blows water flows.

Gajanan Mishra
The Train I Saw

The train I saw for he first time
Of this kind never left the station.

My pain in left leg became deeper
And I never consult the doctor.

The train I never know
The pain I never feel
Came like a joke.

I was going on writting and writting
The night ends and all those
Who present enjoyed the folk.

Gajanan Mishra
The Treasure

The treasure.
And what is it?
It is the love
Of your hearts.
That I know, my dear,
And who robs the heart.
When you see me alone
On this life-street
You rob me
That I know.
And You attract me
Towards You, my dear,
And I am no use to
Anybody anywhere.

Gajanan Mishra
The Tree Alone

The tree alone
Can win the sky
Letting you all
Breathe air
Mixed with
Oxygen.
The tree can
Alone absorbs
odours and
Pollutant gases
Trapping all
On their leaves
And bark.
The tree can
Alone cool
The surroundings
Providing shade
And releasing water
Vapour in to the air.
The tree can
Alone anchor soil
And reduce storm
Water runoff.
The tree is
The windbreakers
Shielding all against
Strog winds, sand and cold.
The tree provide food
And medicines and
Habitat and also provide
Fuel for cooking
And heating.
The tree is the asset
Of our life and life itself.
My dear, come on
And let us expose to
Trees that can reduce
Mental fatigue
And aids concentration.
My dear, come on,
And let us start
Planting trees
and start repaying
For its service.
Tree planting
Promote community
Involvement
Bringing us together
For our better future.

Gajanan Mishra
The Tree And The Fire

I like the tree,
Also, I like the fire.
I know both
The fire and the tree
Are parts of my life.

Let me say
Something secret
At this stage and
Move forward
With the tree.

True, the fire is
Waiting for us.
True, the fire speaks
No ills of others.

Gajanan Mishra
The Tree Feels No Pain

The tree feels
No pain when cut,
Is it true?
So also is it
Not true, I have
Not forgotten you.
In between birth and death,
I act as a hero.

Gajanan Mishra
The Tree Has No Fruit

The tree has no fruit
At present, but worry not.
Guard the tree, the fruits
Will come out for you.
I know the fruits of this
Life tree is not perishable.
Life is eternal as we know
And we are here in a fruitful way.
On this way, we are here to
Know who we are and where we are.
On this way, we are here to
Acquire knowledge about us.
On this way, we are here to
Discharge our duties with a goal.

Gajanan Mishra
The Tree Is Here

The tree is here
If you are here
Tell me where is
Its roots.

Let me cut down
This tree with
The weapons of
Detachment.

I myself is the tree
I myself is illusion
Let me go from me
To catch the Truth.

Gajanan Mishra
The tree is really blessed,
Beasts, birds, creepers all
seek shelter under the tree.

Gajanan Mishra
The Trees, The Hills

The trees, the hills,
The birds, the animals,
The demons, the ghosts
I see all here.
All are here together,
They are all going on,
On the path of victory,
I am with them, see me.

Gajanan Mishra
The Truth - What I Feel

What I see,
May not be the truth,
But the truth is
What I feel.

I feel life
And its syllable,
I think the light.
The light I see within
Is all music.
The music I sign
Is all spin.

The life - the spin,
Life is all spiny, though,
It is the ultimate truth.

Gajanan Mishra
The Truth Is Revealed

The truth is revealed.  
But what is that truth?  
Is it lust? or peaceful?  
Is it anger? or gratitude?

Each moment,  
The situation is different.  
And we pay back the time  
With combined efforts.

The person in the mode of goodness  
Knows better. But the poet?  
The poet is both in the hearts  
And in the mind and well aware of  
The fact of ignorance where  
The truth lies.

Gajanan Mishra
The Truth Is Unique

The truth is unique,
The highest expression of life.
Let me repeat, I appear
Only for the truth.

The truth is the target,
Let us achieve it.
Let me repeat, the truth is
Within me.

Gajanan Mishra
The truth - it is here,
Within us.
In infinite bliss-
There is love
And it is in us.
We are enlightened,
And we are devoted
To the welfare of all.
It is all clear-
We somehow or other,
Engaged ourselves
In making others happy.
We realized, we are
No different from anyone.

Gajanan Mishra
The truth is
The truth of all.
Life is not the truth.
You can't find
Each one alive
Always everywhere.

Gajanan Mishra
The Truth, The Ultimate

1.

The truth, the ultimate,
The divine, the purifier,
And what not you are, dear.
For me, you are
All-pervading beauty.
My love, my truth,
Wait there, I am
Going to you.

2.

You are my wealth,
You are my security,
I am here my dear,
Without any fear.
With your order,
I am here my master,
And we are here
For each other.

Gajanan Mishra
The Truth-Life

The truth be realized;
That you are nothing
And you do nothing at all,
But you are here all in all
And you are united with the truth.

Gajanan Mishra
The Uncivilized

No one can believe
The uncivilized,
The most heinous,
They are not human.

Gajanan Mishra
The Unique

O my dear, You are my
Highest limit and the
Supreme destination
I know, there is none
Equal to You
You are the unique
And there is nothing else
Besides You, my dear
I know You in all
In land in water and
In the sky .

Gajanan Mishra
The Unknown

Towards the unknown
I am gazing.
No love for
Eating, drinking
And talking.
The time is
Not mine,
Still, I care not
The time.
Favourable or
Unfavourable-
Not interested in
Knowing.
I know
What I am,
Truthfulness is
In me.
I am thirsty,
Thirsty for
Nothingness.
Towards the unknown
I am going.
I care not
The mystery surrounding.
Your holiness
Let me know
My antecedents and
The things going on
In me.
And I am nothing,
I am sure,
No one but
It is you,
Who knows everything.

Gajanan Mishra
The Unseen Is Here, See

The unseen is here, see,
The untouchable is here, touch,
The voiceless is here, hear him,
And come, my dear, feel his presence within.

With so many colors he is taking
utmost care this earth where you are
With mystic fever he is here, wonder,
I am with you in this heaven-garden.

Telling you all that are near you
I am presenting before you infinity,
I see nobody destitute here with his presence,
Thing is it is a matter of faith.

I am with him and he is with me
He is with me and I am with him.

Gajanan Mishra
The Value

I have certain values,
Values of love and truth
And non-violence, I am sure,
It must see the victory.
But your troops who are
Empowered with hate
And envy must
Face defeat.

Gajanan Mishra
The Very Existence

The very existence
Is in question
What to say
About other things.

The life itself
Is a battlefield
And we are fighting
With us every time.

Where is the light
Where we can see
The blossoming
The crying.

Gajanan Mishra
The Very Great Science

The very great science
Is time.
And time has given me
This celestial airplane
This is my body
Boarding on this
I have to surpass
All wealth and splendor.
I am en-caged in this
Material elements of the world
Due to my past activities
I am full of sins
Mixed with the quality of anger
O my dear, it is only You and
I know You are sober
You must save me from
All these here.
O my Father, do whatever
You like and pardon me
I have nothing to say
In self-defense as
You know everything, my dear
Keep me out of fear
Everything is under You
That I know, this is
The only truth.

Gajanan Mishra
The Very Moment

I think it is mine
And the very moment I think
It started abandoning me
Leaving me in frustration.

And it is only due to
My ignorance of life
I am foolish and I
Enter the blindness of hell.

I am blundered and
Swept away by the time
And I am lost everything
That are so-called mine.

I realized who am I
I realized where am I.

Gajanan Mishra
The Very Purpose Of

The very purpose of
Uttering words is to
Make the hypocrites
Stop there at
The very root who
Pretend to be good.
They are really
Most sinful.
No one should tolerate,
The problems they created.
And they should be eliminated.
Alas, they are still here,
And started polluting
The atmosphere.

Gajanan Mishra
The Very Truth

The very truth
I am telling is that
Where there is my mother
There is my heaven
Where there is my language
there is my friends
When I am on this earth
I care not what is what.

Gajanan Mishra
The Vision Of The Poet

The vision of the poet
Is never mistaken
Poet can only see
The Truth within.
Poet knows this life
Is independent of all
Material elements
Though put therein.
Poet knows no life is
Burnt by fire
Cut by sharp weapons
Moistened by water, dried by air.
The vision of the poet is clear
And above material modes of nature.

Gajanan Mishra
The Voice Of Truth

The voice of truth is
Always hard.
Let it grow
In purity and strength.

Gajanan Mishra
The Water Is There

The water is there
to quench the thirst,
thirst of all.

The air is there
and it helps
everyone to breathe.

The sun is there
to provides light
to each and everyone.

To everyone
the earth provides room,
the earth is for everyone.

Everybody has an equal right
in the things that are
created by nature.

And all the beings
have to die,
the god of death is there
who have equal dealings with
all beings.

Gajanan Mishra
The Water Of The River Is Pure

The water of the river
Is pure,
As it is flowing.
The water of pond has
Inflow and outflow system
To keeps water clean.
My dear men, be transparent,
Be pure and honest with
Thoughts process
That flow freely.

Gajanan Mishra
The Water Of This River

The water of this river
Is red.
But I am black
In color.
And you are going on
Discriminating me.
Still, I care not.

I care not,
The color of the sky,
I care not,
How deep the ocean is.
And I am here as usual.
The thing is I am here
To take care everything.

The air is there,
So also the light.
The sun is coming
And going without break.
I am not asking about
Your dress and related
The wholesale rate.

Of course, I am to
Abide the rules,
But for what
That I know not.
I care not
The duty of priesthood,
True.

Gajanan Mishra
The Waves Of

The waves of lust, anger
And greed are there,
But my dear men,
Be not impatient
And unregulated.
See everything okay
By tolerance and smile
And silence.

Gajanan Mishra
The Waves Of Attraction

The waves of attraction
The waves of attraction here
Is You my dear and
You are above the time factor.
You are everyone's generator
You are in my residential quarter
You are the Supreme shelter
You save them who drown in material water.
You are celebrated as the reservoir
Of unlimited potency, my dear
You are everything of everybody
That I know and my knowing is clear.
I pray, O my Ultimate shelter
Please stay with me till the end of this chapter.

Gajanan Mishra
The Waves That Are ??? ?? ?? ??

The waves that are
In you, also in me,
Control the waves.
-
In Odia script;

??? ???? ??? ??? ?????,
??? ?? ????? ?? ?
???????????? ?? ??????? ?

Gajanan Mishra
The Way Of Peace

The way of peace
Is the way of
Pious life.
The way of pious life
Is the way of
Prosperity.
Life, itself
Is an art,
Paint it
With multiple
Colors, dear.
Use life
In the way
You like most.

Gajanan Mishra
The Way Of Religion

It is life,
It is love,
It is truth-
All are the ways
Ways to live,
Way of religion,
With humanity,
Way to eternity.
I am on this way,
With me, see
My poetry. And
I am being sharpened
By my poetry
To touch the boundary.

Gajanan Mishra
The Way, You

The way, You
Turn Your face
Towards me
I feared.

Since the beginning
I am in feared.
And what is this fear?
It is just to play
The role of a fouler.

Coming with
The index-finger
I said, O creature
Tell me about
What for you are in fear?

The way, You
Turn Your face
Towards me
I feared.

And here is
Your excellent
Thumbs impression
That is touching
Always my earth
And my sky
In recognition.

Gajanan Mishra
The Whole Earth

The whole earth is mine,
I am the earth.

I am first and I am the last.
I am at the bottom and
I am also at the top.

Everyone is mine
And I belong to all,
Test the words by giving a call.

Gajanan Mishra
The Whole Story

The whole story is erased.
Alphabets are all
Mirage, they told openly.

But we the poets are gardeners here,
And we are committed to taking care
The humanity as a whole.

We the poets are here with love and in truth
To give light and to enlightened all.

Gajanan Mishra
The Whole System

The whole system,
The whole system is
Evolved here.
The process of involution
And evolution is
Going on here.
We are to accept all,
We are to know more,
And more about Darwin
And about the nature.
Up and down, going
And coming are here,
The funny one is
The creature here.

Gajanan Mishra
The Whole Universe

The whole universe
The whole universe is
In the palm of the poet's hands.
It is the poet who can
Perceives everything
Past present and future.
What the poet utters
I know all are delightful
To the ears.
The whole universe itself
Is the result of
The meritorious acts of the poet.

Gajanan Mishra
The Wholeness

The wholeness
Of the entire cosmos
Is within me
And I am aware of it.

See me, I am
Not disturbed.
See me, I am
Not a separate part
Of truth and love.

I am more fundamental,
More classical and
I am balanced with
Thorough knowledge
In me.

Gajanan Mishra
The Wife Of The Poor

Taking advantage of
Their poverty
You cannot treat
The wife of all the poor
As sister-in-laws,
And you cannot tell them
Whenever and wherever,
What your tongue always wish.

Gajanan Mishra
The Wind

The wind made me blind,
The sky made me fly,
The fire kept me there,
I am an endless talkative man,
But I am as silent as
Roars and howls of the ocean.
You are searching me!
Wait a minute and discover me then.

Gajanan Mishra
The Wind Is Silent

The wind is silent
And I am unable to
Hear the coo coo.

Gajanan Mishra
The Wise

I know
You are the wise
I know you give up
All actions
Prompted by desire.

I know
You are learned
I know you declared
The abandonment of fruits
As renunciation.

I know
You are a philosopher
You consider all actions
As evil and you have
Given up all.

I hear
The acts of sacrifice
And charity and
Penance are not
To be given up.

What I heard
That seems right my dear
I am a man and I live in society
And I see all
At par with me.

Gajanan Mishra
The Women And Garden Daisy Flower

The women and the garden daisy flowers
All are here in our meetings, come and see.
They are all singing, dancing at their sweet will
And I am here to look in to them with curiosity.

Gajanan Mishra
The Word Bad

The word bad
Is actually not bad,
But it is we who are
Using bad.
What I know-
No one is bad.
No reason of
Being bad.
All are here,
I know, this place
Is heaven.
Where is hell
That I know not.
If you are clear
In heart then
You can say more.
I know not
As because I
Believe not
Heaven and hell,
I believe not
Good and bad.

Gajanan Mishra
The Word Perish

The word perish is
Not applicable here
With You O my dear
I know it clear.

I believe I trust
On You and You are
Not perishable I know
All the related actions
And its fruits are also
Not perishable like You.

That I know You are
The ultimate aim and
The reward is love
The fruit is also love
And love is not perishable
Like You my dear.

Gajanan Mishra
The Words Of Good Poet

The words of good poet
Are truthful, gentle
And also instructive.
The good poet is pure,
Serene and clear in hearts
And hence, he is calm and
Contented and he is happy
Within himself and enlightened.

Gajanan Mishra
The Words Of My Poems Are

Resembling nectar, see
I am telling you all
With a smiling face, see.

I am telling all in my poems
That are pleasing to your heart
I know you are intelligent and expert
I have everything with me for you only.

I am doing here everything
To enable you to be more active
And reading my poems you can
Win every battle of life.

I know and understand you my dear
Because of my pure vision like the sun.

Gajanan Mishra
The Words Used

The words used
In the poems
Are simple
But difficult
To understand
You said
And I do agree.
My reply is that
I have so many
Heads within me
But you said
Single-head,
I know not the reason,
You also know nothing.

The words are there,
In their places,
You come with words
To fight with me
But the words are
No way related.
Words signify
Only their places,
And time that are
There and I am here
With my own light
In these dark areas.

Gajanan Mishra
The Work Is Really Great

The work is really great
If it is for the welfare of all.

You are really great
If you give love to all.

Gajanan Mishra
The World- A Bubble

The world- a bubble,
Bubble - the world.
A mirage-this world,
This world is a mirage.
But with self-knowledge
We can progress
Externally and also
Internally.
What is a successful life
And what is a happy life
We are to test through
Our own reflections with
The end of our self-ignorance.
Our words, our thoughts and
Our actions are the best
Media to show who we are.
Thorugh our repeated search
We are to go forward
Taking with us our
True existence.

Gajanan Mishra
The World And I

The world is not there
for me only, but
I am only here for the world.

So many words are there
to utter, and I am
Only here to say something.

Gajanan Mishra
The World Begins

The world begins
At birth.
And we are all
Taking birth
At every moment.

It is strange
We are alive.
Is living our profession
That no one can say
With a guarantee.

It is all open
The way the sky.
And we talk to ourselves
About the world here there.

Gajanan Mishra
The World Is

I am
What I am
Nothing to say
about me.

Nothing to worry
Nothing to hurry.

Now I am here
I do not know
where to go.

I am here
the world is mine.

I can do
what I like
starting from singing
dancing playing eating
etc etc etc.

Please come to share
with me there you are.

Gajanan Mishra
The World Is A Temple

The world is a temple
Everything in the temple
Is worship-able.

Gajanan Mishra
The World Is At Your Feet

The world is at your feet
As you are going with the principle of
Forget and forgive.

Gajanan Mishra
The World Is Burning

The world is burning
See, O my dear
No remains are left
Time-fire consumes the world
See, O my dear
There is total annihilation
The unreal has no existence
The world is burning continuously.

Gajanan Mishra
The World Is Controlled

By Your will, my dear,
Why should I be blamed
For anything!

I know, I have to bear,
All that Fate
Impose on me and I know,
Earth is enveloped in pathos.

Gajanan Mishra
The World Is For All

The world is for all
Give a friends call.
Pre-emptive strike
Illegal and
Against the law.
Pardon human flaw.
Cultivate daredness to
Appreciate the good
Be loud and clear
Kind pity
Tolerate and consider.

Gajanan Mishra
The world is for all,
But the seekers of
Worldly objects, the sufferers,
The seekers of knowledge
And men of wisdom
Are virtuous and noble.
My dear, abandon your affinity
For the world and stay pure.

Gajanan Mishra
The World Is Going On

See
The world is
Going on
In terms of my
Moves.
See
You are there
In the world.
Win and loss
Are there here,
Very hard to
Digest loss, though.
But yeah,
The end is one.

Gajanan Mishra
The World Is Golden

The world is golden
And we are all
The fruits, nectar.

We are endless,
No summer and
No winter
Would be our killer.

We tell all,
Live here
Without any fear.

Years after years,
We celebrate our laughter
Beyond all corridors.

We are the earth and the creatures.

Gajanan Mishra
The World Is In Peace

The world is in peace  
and we are the fruits there of.  
The world is the nectar,  
and we are the fruits there of.  
The world is all beautiful,  
and we are parts of it.  
The world is the truth and in love,  
and as such we are all valuable here,  
and our value is beyond measure.

Gajanan Mishra
The World Is Round And Round

The world is round and round,
Moving and moving again and again
And we are duty bound to go with it
In the prescribed time with light
That are with us.

Gajanan Mishra
The world is round and round,
Moving and moving again and again
And we are duty bound to go with it
In the prescribed time with light
That are with us.

Gajanan Mishra
The World Is The Bread

The world is the bread,
Take it as and when
You like my dear,
But not with greed.

This world-bread is
For us and we are
All for this world-bread.
We ourselves, the world-bread.

Gajanan Mishra
The World Itself

The world itself is good
It is I that trying to
Pull and push as per wish
And alas wish is not
Under my control and
I am on rough and tough road
And remained aloof
It is only I
That is responsible.

Gajanan Mishra
The Worst Torture

The worst torture
I am suffering
Here and there
In this world
And this is only
Due to this desire.

I am living and
Living in a hell
Of delusion with
Sensual pleasure,
Name, fame, praise
And winning honor.

The worst torture
I am suffering with
My own desire and
With my own anger.

Gajanan Mishra
The Wound

The wound of my life
I have to hide,
As love is there
On my side.

If the touch of love
Is straightforward,
I am sure, no one
Can push us backward.

I know you need
To be needed,
So also I need
No be needed.

I feel nothing is
Comparable with truth.

Gajanan Mishra
The Zoo Of The New

The zoo of the new,
Said by Sylvia Path
To a duck,
To a child
To the nature
And to a child.

The zoo of the new
I said
To my own voice,
To my own life,
To my own star,
And you do agree.

It is you, my dear,
Beautiful and no one else.

Gajanan Mishra
Theft

This dwelling house is Yours
And I am here, a servant working
To fulfill Your wish.
My lord, Sometimes, I am violating
Your Natural laws and committing sin
That I agreed.

I am in Your building in Your tent
And performing my duties according
The knowledge that are with me.
Sometimes, the illusion covered my
Eyes and mind but my Lord, as You know
My intention is not dishonest.

I am empty handed, see with Your round eyes
Neither I have stolen anything, nor concealed
Also nothing recovered from my possessions .
You know I am not capable to removed any
Movable or immovable things without Your consent
I know very well everything is in Your custody.

Gajanan Mishra
Then Go With Sweetness

Sweet has also its
Own sweetness
How much sweetness are
There within you
I mean more and more sweet
I do not know and not quit
I know only sweet
Too much sweetness
Is dangerous.

Gajanan Mishra
Then Only

Destroy the gun
Destroy the bomb
Then only peace come.

Gajanan Mishra
Then Start For The Journey

First see yourself
First have peace with you
First take care of your body
First look within and
Then start for the journey.

First control yourself
First forward your leg
First open and shut your mouth
First come out from the house
Then start for the journey.

And see you are at the center
You are the starter
You are the mentor
And you are the cosmos mover.

Gajanan Mishra
Then We Will Rise

Nothing to worry,
Before sunrise
We are here to rise.
Then we will go,
Go to our own abode.
Let the sun know
We are more than
Anything on this earth.
Many many things, we found
There within us.
We are here to rise
With the things
And we are to go
To touch the border.

Gajanan Mishra
Theory And

Having read all
I came to the conclusion
This is good and
Practical
All your utterances
All your demonstrations
And I understand
What life is.

Having heard
All your words
I have understood
Your cosmic rays
And O my dear
I see your light
And you think me fit
For this fight.

Gajanan Mishra
Theory And Practice

Both necessary,
One for mind,
Another for body.
Theory and practice,
Neither better
or worse.

Gajanan Mishra
Theory Of Love

That I know
is very very simple
My Guru of simple
Love is Flute
I know flute has
Nothing to hide
And has everything
To sing the name
The fame of the lover
O my dear, I am here
Only to see You
Only to hear You
Only to know You
For me, there is
Nothing in this world
Besides You
O my love, this is my love
That is my love
Everything is my love
Love love love
Theory of love.

Gajanan Mishra
There Always

Remote control is there always
Local connectivity though fails.
And make this happy even though
Scent is not there in the wind.
Even though everybody want
Body with life body not constant.
Without a body life not seen
As without wind no scent is there.

Gajanan Mishra
There I Am And

There I am and
There you are.
We are both
In the row.

Yesterday is not
Here with us
So also tomorrow.

We are here now,
And we are here to know
What is apple,
What is bird,
What is cat,
Such other living
And non-livings.

Gajanan Mishra
There I Found The Crow

At the top of that Neem tree
What the crow was doing
At this summer noon
Is the crow not free
And doing task at this hour
Whose task and what task
I dare not asked
I also dared not
Ask anybody where about
Of the moon as I know
I need not go anywhere
In search of nectar
And I know the nectar
Is within me
Confirmed the crow
Caw caw at busy noon.

Gajanan Mishra
There I saw a poet
Let me say
His name is
Vikram Seth
At the golden gate.

Though dogmatic
I felt
He is passionate.
Ambitious though
I saw in him
That pained me.

Have patience
My dear readers,
Phase by phase
I would tell you
How tasteful
A poet is
At his early stage.

Let me start again
My swift car
I know you are
Blonde one
But here I am
With the poet
Going not westward
But eastward
Where the sun is
All over the days
In the park.

Gajanan Mishra
Read my poems
And there in my poems
You would find
The way for perfection.

Read my poems
And here in my poems
You would find
What to do how to live.

Read my poems
Here there everywhere
And receive all
Spiritual enlightenment.

Read my poems
My poems are in
Timeless wisdom and in
Literary incarnation of Truth.

My poems are the ripen fruits
Of my life and my poems are
The exposition of True knowledge
My poems are in my world-village.

Gajanan Mishra
There In You

What is there
In you
How can I say?
But I can say
You are here
Now with me
For a purpose.
What is that
Purpose, I am
Not yet able to
Know, though.

Please, test not
My knowledge, I
Know nothing here.
This place is also
Not mine, I am sure.
No one is here
To help me to
Discover the truth.
And where is truth,
What is its colour,
How it is there
That I cannot say.
But I can say
I am here with you
And you failed to
Understand me
Properly and also
Failed to recognize
My connection with nature.

I know how I am
Playing my favorite parts,
How I am doing all sorts
Like eating, sitting, walking
But I am sure
To impression is there
To left here.
Just I am here,
But I am not sure
How far this statement
Is true.
Just relate me
With your presence
That can I request you
Here at this time.

Gajanan Mishra
There Inside

Nothing is there inside
And it needs searching.

Search within, my dear,
Know that
Growth is there inside.
Go on searching and get
Everything you search.

No needs to say
What you want
Or what you are searching.

I know, nothing
Is an evil here.
I know, it is you
Who can decide
How to proceed ahead
With all.

Gajanan Mishra
There Is

There is accolade
For good work
For public welfare.

For welfare
Short or long
Does not matter
Good work is good
And you are there
To work.

Gajanan Mishra
There Is A Quarrel

Between cold and heat
Between pleasure and pain.

Who is a friend
And who is a foe
I do not know.

Judgement kept in abeyance
All are inside and with all
With a feeling of equanimity.

Gajanan Mishra
There Is Danger

At every step
There is danger here
O my dear, I have
No other course
But to take Your shelter.

Gajanan Mishra
There Is No Place

There is no place
Where there is no water
Water water and water
Here we are dying
Without water.
Watering the sky
Watering the earth
We are all here
With death at our own hands
Full of water.
Water is the wonder
Water is above water is below
Everywhere there is water
And we are dying in water
Without water.

Gajanan Mishra
There Is Nothing

There is nothing,
There is nothing,
Besides truth and
Besides love.
And this is why
I am writing only
About love,
And writing only
About Truth.
What is truth
That I cannot say.
Excuse me, please,
I am searching the truth
Always here, see, and
Yet to find it.
And I am sure, my dear,
There is nothing
And nothing besides Truth
Here, with me and also with You.
Only love is necessary
Only love is necessary
To find the Truth.
I am loving You
I am in love, see, my dear
And Truth is here and near.

Gajanan Mishra
There is nothing new,
Nothing new.

There is no you,
As you said,
There is no me,
I said.

There is only truth.
Truth is nothing new.

There is air,
There is light.
Nothing new.

No number, no word,
Only mixture of
The sky and the earth.

Gajanan Mishra
There It Is

There it is,
What is there
That I know not.

Gajanan Mishra
There Nd There

There and there
Empty full.
There and there
Stay cool.

New perception,
New image.
New and new, life -
At every moment.

Words and words,
White and black.
All for name
All for eyes.

All clouds all signs,
All life all ruins.

Gajanan Mishra
Therefore

Therefore here I
Am fixed by you
To know the truth.
I know I am
Completely yours.
No other one
Can degrade me
From you.
I am going to you
From you via
Through you.
One road is here,
Road of nectar,
With me my dear.

Gajanan Mishra
Therefore I Appear

Therefore I appear
To tell the truth.
Truth is as before
There in you.

Words are not enough
That I know, therefore
I adopt each and every
Item to prove.

Let all wise come
And test how they are
On this field show.
Let the natural process
Go on and it is all
Colorful about.

Gajanan Mishra
Therefore I Said

Therefore I said,
I am most fortunate,
As I am here
With the poems.

Poems, I said
My personality and
My everything.

I am protected by
The poems, true.
No doubt, I am
There in the poems.

Poems, I said,
My own incarnation,
In perfect motion.

Gajanan Mishra
Therefore You Are Called

Therefore You are called
The Supreme Truth
There is no truth superior to You.
You are the most beautiful
And the best personality
You are the unparalleled and most respectful.
My consciousness is fixed on You
On seeing You there is no other view
I offer my everything to You.
I love You
I love You.

Gajanan Mishra
Thermometer

Tell me the temperature
Of your own body, dear.
Take this thermometer.

Arm-pit or the tongue -
Not the only places,
Map it through the heart.

Expansion and contraction
Are the methods of
Measurement, wait.

Thread is love,
Thread breaks - the truth.

Upward and downward-
No matter.
But scratch the uniform.

Gajanan Mishra
These Things

All these
Things are
Here to
Offer only.
Let me offer
Myself with
All these.
The fire,
The water,
The earth,
The sky,
The light
All these
Are here.

Gajanan Mishra
They All Came

They all came
And cried.
Cried, cried.
For what?

They all came
And laughed.
Laughed, Laughed.
For what?

I am confused
Till the last.
But where is the last,
That I failed, I
Failed to explained
Before you.

Gajanan Mishra
They Are All Coming

Back to back
They are all coming.

They are not mine
They are not theirs.

You are to imagine
What is going at this time.

The sand the dust
Best and worst.

That I am sketching the life
Fruitless efforts.

Every life is changing
Every moment everywhere.

Gajanan Mishra
They Are All Equal

They are all equal
The white and the black.
And I am going to touch
Both of them.
I know
Without one
The other has no existence.
They are all the same
The upper and the lower.
I am in the middle
Only remain as a sufferer.
Measure not my breadth, my dear
Keep not any relation with anything here,
You cannot get any fruitful result.

Gajanan Mishra
They Are All In Sleep

They are all in sleep,
I call them, but they
Are not in a position
To rise at this hour.

They are all flying aways,
I call them, but they
Are not in a position
To return back to the earth.

They are all there
And they know they are
Going to lose their
Identity in no time.

I call and recall them
But they are all deaf
And also blind.

I show them the clear sky,
But they are all
Under the clouds.

The birds are there,
But the birds are fearful
And are silent.

This is not the night
I tell them all,
But they are not
In a position to listen to.

Gajanan Mishra
They Are All Playing

They are all playing,
They are
The space,
The ocean, the fire,
The air, the moon,
And the sun.

The earth and
The universe are
All with me.
And I am not able to
Take the pleasure
Out of their
Never ending business,
And I am dumbfounded.

Gajanan Mishra
They Are Attacking Us

They are attacking us,
And here we are cautious.
But it is our helplessness
We are not able to stay silent.

Gajanan Mishra
They Are Calling Me

When I am crying
When I am dancing
When I am laughing
And singing in full
Ecstasy they are
Calling me mad.

When I am in Truth
And busy in doing all
That are truth
This material world
Named me mad man
I know I am no longer
Under the clutches
Of illusory energy.

I care not anybody's
Criticism praise or respect
I am going on the way
Where there is truth
And I see no falsehood
Is there anywhere any more.

Gajanan Mishra
They Are Helping Me

They are helping me,
They are my enemy.
They are helping me
More than my friends.
They are my friends,
They are cooperating me
During the period of
Disturbances, and
I am with them, living
A life of trustee,
The trust is not
Functioning well, though.
I am conscious about myself,
And they are conscious about themselves.

Gajanan Mishra
They Are Here

They are here and
They know whose fault
It is, that they are here.
And they are cautious,
But heaven's sake
They are still in fear.
The time is bitter,
And I am not better.

Gajanan Mishra
They Are Not Fair

Stop water,
Stop air.
They are not fair.

They are not good,
They are not in truth,
They have no right to live
And no right to livelihood.

Let them realize
What they are,
Let them realize
Where from they are.

Give them a lesson,
And solve the problems
With right solution.

Let them not forget
The geography.
Let them remember history.

We are there with them,
Let them think we are not
Their enemy at any time.

But if they are not
Able to know the truth
And not able to realize the truth.
Compel them,
And stop the air
Stop the water.
That are not for inhuman acts.

Gajanan Mishra
They Are Saying

They are saying
Here it is sin
But believe me
There is no such thing.

You are free to do
What you wish
But think
Result is yours.

But fear not
Nothing will happen
The sky never fall
The earth never rise.

Gear, clause, brake
All are under your control,
Fear not, road is there
And it is clear everywhere.

You may come, you may go
You may stay as you wish
But observe, everything
Is changing at every moment.

Gajanan Mishra
They Are Showing

Same corruption everywhere
It is prevailing and continuing
And they are showing us
Rainbow that have no existence.

Gajanan Mishra
They Are So Told

They are so told,
All are happy
And in happiness.

They are so told,
Everyone is not
Worthy of this.

Orbit of the moon
Is ours but not
That of the stars.

Try to understand
The life and the time.
Everything is clear,
If you are cleared within,
And go beyond all doubts

Gajanan Mishra
They Are Telling

They are telling,
They are telling me outdated.
They are telling me
As because I am using
My mother-tongue always everywhere.
They are telling me outdated
As because I am going on doing
Developmental works in my mother=land.
They are telling me fool also
As because I am keeping my mother
With me here.
And hearing their words
I am smiling and giving them
Nothing but a smile.

Gajanan Mishra
They Are Telling Me

They are telling me
Not to write more.
They are telling me
Just to wait and observe
Where is the road
And where to go.
I listen to them
And utter not any word.
But I stop not,
And I go on writings
Again and again.
I know writing with time
Would make me understand
The truth that is within me.

I know how to write,
I know how to recognize the truth,
I know how to stay in goodness,
I know how to put signature
In the pages of history.
I care history, I know
History would not care me.
For the interest of others,
I am here and my pen is
Always anxious to write
For the truth.
I want to give everything
In charity and to protect
Myself from the enemies.

They all know, what I am,
They all know my nature
And my activities here.
They are here with me
And I am there for them,
They know all and they stay
With me for all good.
I am grateful to them
And ever obliged.
For they are with me
To encourage me to go forward
For the purpose of truth.

Gajanan Mishra
They Are There To Go

They are there
To go,
I am here
To stay.

Come here
And see me
My dear guy.

I will
Not be there
On tomorrow
Or the next day.

They will
Take away
Their everything
The earth
The air
The water
The light
And the sky.

So long as they
Are there with me
I am here
You may have a look
And pass a comment
How beautiful!

Gajanan Mishra
They Are There To Switch Off

They are there to switch off,
We are here to switch on.
Let us continue on this way,
And there will be a time
We will be there to touch
The High Way, High Way of light,
The High Way of peace and love,
The High Way of brotherhood and truth.

Gajanan Mishra
They Asked Me

They asked me,
Why I am telling
only about you.
I am telling,

Kill any
Creature here,
No one is here
To be killed.

I know
No one is
Taking birth
And no one is
Going to die.

But we are mad
To tell and
To hear anything
For nothing.

We are not ready
To test
The truth.

We are also not
Ready to love.

Real tragedy of life!

Gajanan Mishra

All they will be vanquished
With their false ego.

For what?

Nothing to do, helpless all.

Observe, nature,
Culture, if

And analyze yourself
On the open field here.

Another is light.
Both are one
and the same.

And correcting my mistakes.

Gajanan Mishra
Thieves and rogues are here,
And they are with me.
But who is not a thief?
I asked myself.

All are my family members,
The animals, the birds, the insects.
And what they are doing here?
Ask not please, that’s all
Our family secret.

No need to accumulate wealth
And still I am running after
More and more money. I have
Forgotten to asked Who am I?

Thing Of Mockery

1.

I think,
I am a thing,
Thing of mockery
For my living
With wild love
In this life.
I think,
I am a being,
Without anything,
For the passion
That has little value.
What to say in this mouth
When I hear so many thing
From mouth to mouth.

2.

Life has so many things
To blossom but
No one has time to
Enjoy the beauty
Of nature that are here.
It is necessary
To open the window,
Window of love
That is here live.
But I think,
When I utter the very word
Love, all who are there
With me think
I am a thing of mockery.

Gajanan Mishra
Things Are Not The Same

As before.

You left the place
As before.

Gajanan Mishra

Not there.
But life, I live
I care.

Crossing me
That is not true
I say I am
Crossing the time
See, I am still here
In front of You.

All are there to love you and

Thinking, Feeling

Thinking, feeling, hoping
And wishing are not easy.
But self-confidence and
Curiosity would be to
Go further on this earth.
Show respect to all but
Be cautious to close neighbour.
Your so called near and dear
Can be the cause of great danger.
Yet we are to think and act
Always for the good of others.
It is sure, the man who is
Digging the hole would fall down
There on hiw own, nothing to worry.

Gajanan Mishra
Thinks Not Anything

Think not anything
That has meaning
O poet, think not.

Not knowing any matter
File not any write
O poet, file not.

Passing order
Returned home
O poet, return not.

Jokes not anybody
In perfect prose
O poet, jokes not.

Provoking continues
Prudence disclose not
O poet, read not
Write not.

Not understanding
Not delivering
O poet nothing not.

Gajanan Mishra
Think-Tank

Think-tank lifeless
Application useless.

We are here to suffer
In some ways or other.

Endlessly diverse
Different direction filled.

Perceive anything
Instrument diminished.

Gajanan Mishra
Think-Tank Be Kept

Think-tanks be kept
In proper order and
Works be performed
In right perspectives.

The senses and mind
Be cleansed to distinguish
The right and wrong,
The good and bad.

To attain the goal
Proper care should be
Taken at every stage.
Feel not proud
For any achievement and
Say not you are important.

Gajanan Mishra
Thirst And Attachment

Thirst and attachment
Struggle and work
But you are still
In the darkness of ignorance
That leads to self lust
Wrath greed
O men shun thirst
Shun attachment.

Gajanan Mishra
Thirst for life
Energy mobility passion
O it is passionate energy.

Are we getting independent
That nobody is here to answer
And it is restless activities
That you provided.

Gajanan Mishra
Thirst For Life- You Provided

Thirst for life
Energy mobility passion
O it is passionate energy.

Are we getting independent
That nobody is here to answer
And it is restless activities
That you provided.

Gajanan Mishra
Thirst, What Is That

Thirst, what is that?
Hunger, what is that?
I know not as yet.

Wonderful, you said.
I replied, my dear,
See me, I am here to
Search the truth.
And I know, truth is
Nowhere but within me.

And when I discovered
The truth, I love all.
When I love all, My dear
I feel no more thirst,
No more hunger.

Gajanan Mishra
Thirsty Fish

Fish is thirsty in water
With you I am poor
Without looking self
I wander
O my dear
You are near
And I wander
Is it not my
Bad luck here!

Gajanan Mishra
Thirsty Honeybee

The thirsty honeybee  
Came to the land lily  
And asked for honey,  
But the lily denied  
Saying the honey is  
For the sun only.  
Still, the honeybee  
Is there as the paramour.

Gajanan Mishra
Let me say
Number thirteen
Word thirteen
Instruments thirteen
All are with me.
Let me say
My mind, my intellect
And my egoism
All three internal,
My hand, my foot, my mouth
Anus and genital -
five organs of action,
My ear, my eye, my skin,
My tongue and my nose -
All sense organs
All thirteen.
Thirteen is very important
For me and for my
Next generation.
Let us start our journey
From the very thirteen.

Gajanan Mishra
Thirteen Two Thirteen

This is thirteen two thirteen
I am not complaining
I have seen you are teen.

This is thirteen two thirteen
Remember it is my love
Remember it is hair-cut Aishanee.

I am with my dove
I do not agree with you
On the question of sunrise sunset.

Anyway you are better
And I am a cheater
Cheater of time throwing hat.

Gajanan Mishra
Thirteenth September

Thirteenth September,
I have remembered
For the wonder
That is there
On the birth day
Of Chandan Mishra.
Chandan means
As you know sandal,
The fragrant
That is there,
Mishra as you know
The mixture.
Sandal, fragrant,
And mixture -
The most wonder.
Thirteenth September
As you know
I have remembered
For the reason
The time's sampler
With the sapphire
With new scripture
Of all out welfare.

Gajanan Mishra
This Affairs

It is fact,
I am tired of
This affairs
And I want
To renounce all.
Still I am
Writing all these
Without any bias,
As I am compelled
To write for you.
I worry not
Whether you read it
Or not but you know
That suffice the purpose.

Gajanan Mishra
This And That

This and that
This is mine
That is yours
This I can give
In charity
That I can keep
For my enjoyment.

This and that
All bad all bad
This that failed
To make me glad
I am going mad
With this with that
Nothing to add, I am mad.

Gajanan Mishra
This and that,  
Let me illuminate.

Far and wide  
I have my own identity  
With your entity.

Knowledge is here  
I am yours my dear.

I am not a divisible object  
As you see.

I am my own universe  
with all good, see.

Perceive me  
with your manifold entities,  
That are here in me.

Gajanan Mishra
This Blue Uncovered Sky

This blue uncovered sky
is there as it is
given by you at that hours
of beginning, O beginningless.

I am happy, I have nothing to solicit.
The sky is happy, I have seen
Nowhere to go at any time.

Let me express my language of hearts,
Let me delete the absolute that is
so rising within me towards the sky.

I know, no artist is there like you
on this earth who can make a sky so lovely
with nothing. I know how much I am searching
You day and nights here there with the sky.

Gajanan Mishra
This Body - I Care Not

This body - I care not.
I care not - this day.
My body is here
Only for this day.

You my verify
The authencity of
this day.
This day is
not here for
Anything that is
not available here.

Gajanan Mishra
This Body Is Pure

Purity is there in this body,
You are to search out with in, my dear,
And stay free from pollution.

This body needs food for livelihood
Mind it, my dear, food should be earned
By honest means, food should be cooked
By wearing clean clothes in well clean
And pure places, first the food be tasted
And tested in good faith and truthful heart
And then be eaten as the bliss of Almighty.

Good body needs good food,
Good food is necessary for good thought,
Good thought is necessary to arrived at the Supreme Truth.

Gajanan Mishra
This Body Is The Temple

This body is the temple
Almighty is here in this body
Purity be maintained always.

Gajanan Mishra
This Body Is Yours

This body is Yours, my dear,
And I am worshiping You with this body
As the Ganges is worshiped with the water of the Ganges,
As the sun is worshiped with an earthen lamp
I am offering my prayers with the help of Your words
In this body that is entirely Yours.

This entire world is Yours, my dear,
And here I am, with Your help, trying to alleviate
The suffering of all and trying to give them comfort
Equally without any distinction,
I feel happy with the happiness of others
And I am sad with the sadness of others.

It is true, I cannot separate my body from the world
And also I cannot separate the world from the body.

Gajanan Mishra
This Body- Truth

This body is not mine,
I have not built it.
Since birth I know
This body is purified.
This body is not
Material or enjoyable.
When you are there
Within this body,
I am confirmed
It is the transcendental
Platform, and it is
Here for spreading
The truth consciousness.

Gajanan Mishra
This Court

This court is
Not final court.
It has got no
Unlimitted power.
This court is
Not empower to
Pass final judgement
And final decree.
The order of
This court is
Not binding.
This court has
No discretionary power
This court lacks
Original jurisdiction.
This court is
Not a real court.

Gajanan Mishra
This Drama

This drama has
One hero and
One heroine;
The sky and
The earth.

Spectators we are,
Part and parcel of
The hero and
The heroine, though.

Motionless we are,
Trembling we are,
Top to bottom we are,
And always we fear
Our own existence.

Gajanan Mishra
This Earth

This earth is saturated always
With a spiritual atmosphere,
This earth is called
The field of righteousness.
This earth is a place of pilgrimage,
This earth is a place to perform
Holy action and here one can attain
All benediction by consulting noble persons,
At this time, O my dear, we are all together,
On this earth, and what we are doing all
Are being recorded by some one who is within,
What for we are here, on this earth, we should know,
And without any selfish motive, let us do for welfare of all.

Gajanan Mishra
This Earth - The Mother Of All

Store house of all -
This earth.
I am the part and
Parcel of this earth.
Within me, I discover
Each and everything.
I am the product of
This earth.
See the atmosphere here
That is enlivening,
With all colors and
Healthy smiling features.
Nothing to worry, my dear,
We are here to measure
The life and the sky
At a time when the earth
Is moving round and round
The sun. We are here
To ask the sun the meaning
Of life in our own language,
That is given by our mothers.

Gajanan Mishra
This Earth As Heaven

Love means
To live with,
To get pleasure
In hearing,
To eat, sit,
Sleep together,
To stay side by side,
To give everything,
Without any expectation,
And to realize the truth.
Love means to consider
This earth as heaven.
Love means to consider
All creatures as kith and kins.

Gajanan Mishra
This Earth Belongs

This earth belongs to
Each of us.
Let us take care
This earth for our
Own existence.
Let us take steps
To make this earth
Pollution free.

Gajanan Mishra
This Earth Is Always

This earth is always
Ready to give everything.
How far you love your earth
A great question, And also
Not easy to answer.

Gajanan Mishra
This Earth Is The Location

This earth is the location
Of Supreme Truth connection.
Remove all the defects soon
And connect yourself with Almighty
Being His dearest creation and son.
Have a clear understanding first
And move upwards without loss of time
Already you have lost so many things.

Gajanan Mishra
This Earth Is Yours

This earth is yours my dear
With all its fullness yours.

I am not older than this earth my dear
But the pictures are not matches with description.

For conscience sake ask nothing here
If anything is there to say my dear say to the sky.

Liberty is not absolute as you know
And I am totally a man of failure to please any one.

Gajanan Mishra
This Earth Planet

This earth planet is mine
I must protect it with all goodness.

Gajanan Mishra
This Entire World

This entire world is mine
All languages all trees
All mountains all animals
All creatures and all are here
Can not belongs to others than me
Here this light this air
This water this earth and this sky
All belong to me
And I am theirs
This world is mine
I belong to this world.
Without my permission
You can not do anything here
And you are not a different person
From me though different body we have
We are one and same
You can have any complain
Any allegation and I am here
Tabled me if you so like
I am only person here who can
Solve your problems
Except me no body is here
Who can say he is yours absolutely.

Gajanan Mishra
This Hill

This hill, that sea,
This river, that cloud,
This field, that station,
Everywhere you are, I see
You my dear, with confidence.
The possibility is your going
To the top of that tree
That is not there, where you are.

Gajanan Mishra
This Ight

This sight I am in contact with
I never separate myself from
The sense of sight
And what is seen
It is full fledged origin
And I am illuminating here
In substance prison maintenance.

Gajanan Mishra
This Is A Watch

This is a watch
This is a paper currency
Our ignorance not yet wiped out.

Gajanan Mishra
This is about hunger and hungry
If you so like you may read.

Food shelter or sense gratification
Is not necessary, it is spiritual
Atmosphere that we need.

Please do not misrepresent a man
By material hunger
No body is poor nobody is hungry
Nobody is in poverty.

Go with all powerful energy
O my dear and keep yourself
Above all worldly hunger.

Gajanan Mishra
This Is Air, This Is Fire

This is air and this is fire
Both fire and air are in fight
And worst sufferer here we are.
No water anywhere and they declared
It is summer, wait, all are going to die.
No food, no sleep, and no friend, my dear
Nothing is correct and it is earth, see,
That changes its color time to time
And nothing is available here in this world.

Gajanan Mishra
This Is All- Your Will

This is all- your will.
I am just a silent
Spectator, see.

I have no strength,
To harm or kill.
And I am nothing.

All your words are truth,
All your actions are right.

Gajanan Mishra
This Is Gajanan

This is Gajanan
And he knows
The meaning of
Morning and evening
Let us go to him
And ask what is life.

Life is nothing
He would say
But it is a day
And at night
You would not find
Him any more.

Let me say
Gajanan knows
How to arrange
The numbers here.
And in numbers
You can see life.

Life is everything
For us and
We say here it is
In everything and
In everyone here
With bony body.

Gajanan Mishra
This is Gandhi,
But how he is
I can't describe.
This is the country,
But where it is
I can't focus it.
This is my wife,
What she is,
I fear, and I can't
utter words, any.
This is poem,
The power of the words
And letter is
Beyond thinking.

Gajanan Mishra
This Is How I Am Dying

This is how I am dying,
See.
You cannot say
How I am dying.
No injury, no damage
Internal or external
No virus, no germ
It is in tact, everything.
And I am dying
This way or that way,
Dying is expected,
But the way is unexpected.
You may say
It is call of time,
But you cannot say
How this time is callin.
Scraps are there, as they marked
And yet bridge is also there.
Life is here still
See, after death also.

Gajanan Mishra
This Is June

This is June
Find here
The rain the sun
And the moon.

Hide and seek
With clouds,
Aaeeshanee starts
Her play school.

June is the beginning
And wets the earth
With new dreams
No delusion but here
Find clear indication
Of a new life.

Gajanan Mishra
This Is Mine

I am not here to say
This is mine,
I am here to make it
Clear, this is Yours,
And Yours only.
Then another question
Peeped at, who am I,
My clarification is
I am nobody.
And it is You to
Decide and determine
With whom the game of cards
Would be play and for how long
In this fake relationship.

Gajanan Mishra
This Is My

This is my native land
This is my mother tongue.

My land is free
No bondage is there.

Nobody can
holdup.

I can utter word
in my voice.

The air is
not fresh and fair.

Gajanan Mishra
This Is My Wife

Making a mountain
Of a mole hill
Is my relative
I called
Innovative
This my wife.

Gajanan Mishra
This Is Not It

This is not it, this is not it
That I am searching, that I am searching.

In this way, I am rejecting all
And from You, O my dear, I am waiting a call.

I am writing, I am writing and I am writing
But the poem that I want to write is not here
O my dear, and I am availing the Truth however
And I am loving all everywhere together.

Gajanan Mishra
This is not mine,
Not mine, not mine, not mine,
This body and also this mind.
How can these be mine?
See, I have no control
Over this body or over this mind.
My body is changing at every moment
And I am in dark about the changes
I have nothing to do with these changing processes.
So also my mind is changing with the time
And I am here far behind the time
And at no stage I have put forth my grievances.
At a glance, I may say, I have no right even
Over my food, over my dress and over anything.

Gajanan Mishra
This Is Not My Land

This land,
This is not my land,
I am not belong to this land.
Where there is my language,
Where there is my hope
Where there is my shelter
That is my land, my earth.
What is here on this earth?
No food, no cloth, no word!
Who dares to take away
Everything from me?
And how he dares? ?
They said I have everything
But it is only in pen and papers.

Gajanan Mishra
This Is Our House

This is our house,
If you want to come,
Please come, sure.
If you come, meet
My lovely wife
For some moments.
My wife used to
told me 'you have
kept some other one
Somewhere'
I used to reply,
o no, I am already
disgusted with one,
I keep another, how.
One sun, one moon,
One earth, one air
One life, and my wish
Only one in you Tapaswini.

Gajanan Mishra
This Is Poetry My Dear

This is poetry, my dear,
Nothing to fear.
I am here, come on,
You are my reader.

Poetry give you life,
Life gives you experiences,
Experiences give you knowledge,
Knowledge is here in poetry.

This is poetry, my dear,
Read poetry, listen poetry,
And in poetry discover yourself
And see the truth inside.
In truth, find the love
And in love, consume the time.

Gajanan Mishra
This Is Rose

This is rose, and
You cannot say anything
on and about this.

Gajanan Mishra
This Is September

This is September,
And you all gather here,
As my near and dear.
Here is fire,
Here is water,
And we are busy
In Bapuji Nagar
Juice center.

O, Jayanta Mohapatra,
What you have written,
We are reading here,
One after another.
We are also talking with
Wordsworth and Shakespeare.

We are all one, my dear,
We are all in one,
And one in all.
We are the product of
This earth, this air,
This water, this light
And this sky.

Gajanan Mishra
This Is That I Am Living

This is that I am living
And You have seen my symptoms
This is my life form
I am thinking feeling
Real picture of my life
And that can not be described.

Gajanan Mishra
This Is The Area Of The Sun

I am part of the sun
Nothing is mine here
Nothing is for me.

De-linking is there
Always with my body
Mind, senses and intellect
And I also continue
To detach myself
In proper format
In this area of the sun.

Gajanan Mishra
This Is The Ink

This is the ink
In which I want to write
In this ink I know
All letters all words
And all scripts are here
In multiple colors.

This is the gold
I want to see
As in this gold
Armlet ear-ring
Chain girdle nose-ring
Locket bracelet necklace
And various ornaments are here.

This is You
And I want You
As I know, everything is in You
All are in You
I know so many hands feet
Eyes mouths and ears are Yours
One can call You from
Anywhere and from everywhere.

I want You
I want You and I know You
You are for all
All are for You
You accept all
All accept You
As Father as mother
As brother as son as daughter
As friend as guide
As teacher and as philosopher
And You accept from all, all offer.

I know You
I know, You know the feelings of all
You can not be separated from anything
From anybody whether they are far or near
Everywhere You are here not hidden but open
And You are performing Your actions
You are never out of sight even for a single moment.

One can see You if he wants to see You
One can hear You if he wants to hear You
One can know You if he wants to know You
But it is You who is within all and also outside all
There is nothing anywhere except You
That I know, O my dear and that is why
I am here I am here I am here.

Gajanan Mishra
This Is The Root

This is the root we are searching
And we are telling this is not ours
This is the sun and the moon we have
On our sky and we fly without depositing
A single pie.

This is the sleep we are enjoying at our house
And we awake without giving notice to anyone
And told all that we are here see us with wide eyes
And nobody take care of our words no value as if.

This is the life we are living in this free world
Paying taxes for our own build-house, own grown-crops for our own weave
dresses for our own eating sitting sleeping merry making and rearing of children
e tc etc to our servants so called rulers for their enjoyment.

And we are in search of peace and love in this world
Alas what is that peace that enjoyment we failed to
Understand so far here or there.

Gajanan Mishra
This Is The Time

This is the time
We live in
And here there is
A decline of righteousness
And a rise of unrighteousness
It is due to attractions
Towards perishable.

Gajanan Mishra
This Is The Way

This is the way,
I know you coming.
This is your coming,
I know from my balcony.

I am in my balcony
And you are there
In my house built
By you.

I cannot say
How many rooms are there,
I cannot say
I am not able to know
What is problem in
My and in you.

Gajanan Mishra
This Is The Year

This is the year,
Year to search,
A new heart
Full of love,
A true heart
Full of peace,
A pure heart
Full of harmony.

In this new year,
Let us stay free,
Free from ignorance,
Free from conflicts
And be filled with
Compassion and composure.

Gajanan Mishra
This Is True

This is true
I am with you
This is true
We are unity in diversity
And diversity in unity
This is true
I am in you
This one and same
And here
No place of shame
This is true
I am you
And you are within me
And this is
No surprising
It is nature's calling.

Gajanan Mishra
This Is True And

This is true and
That is not true,
But I love only you.

Gajanan Mishra
This Is What

This is what they said
They said dark to light
They said let us fight.

Nothing happened
What was expected
They returned back.

They questioned truth
And truth was placed
Before all.

Gajanan Mishra
This Is What I Am

This is what I am,
And I am telling
About the sun that
very often comes to
My dreams.

Of course my dreams
Are not only for the sun,
For my dreams the sun
Is like a balloon that is
Going to burst at any time.

I am telling my dreams,
O, please come again and again
To enable the sun to walk with me
Wearing forest flowers.

At times I am suffering
With my woes like coal
And the wolf was watching me.
And at that time the sun
was going to bed,

My dream is at present
In emptiness and I am eager
To hear and to see about my dreams,
But alas, all my think-tanks
Are going dry.

You said, worry not
It is summer, and such things
Are but common
I failed to understand this version.

Gajanan Mishra
This Is What Real Danger

This is what
I am telling
About the distress
Of the world
And you agree
With me
Really it is
Dangerous to
Live.

Gajanan Mishra
This Land

This land
The main reason of
Tussle is itself cruel.
This land
No way connected with
The victim and the accused.
This land
making preparation
To drove you
All out.

Gajanan Mishra
This Leaf

yes,
This leaf has
Its own root.
And here
Let us see
How the stone is
Going to blossom.

The garden is
Waiting for us.
But we are not
Able to see.
Let us have the vision
Let us ask ourselves
How to sing.

We are not
Far from us.
We are
Where we were
And where we will be.
Yet we are to search
Our own tune.

Yes we are here
With the new leaf
With the new dream
On the new road,
The music of our life.

Gajanan Mishra
This Life Is Not For Fear

This life is not for fear,
And yet we live in a situation
And we fear in all occasion.

It is clear,
We are all together
And yet we live in fear.

We live in fear,
No reason of that fear, though.

We search our courage
Where it is
In each and every social revolution.

Are we inadequate for us?
Are we not ready to struggle as yet?
My dear men, come on with answers for future.

Gajanan Mishra
This Man To That Man

This man to that man
I am going, going to
Search love and truth.
This area to that area
I am going, going to
Find love and truth.
I find all are equal
Here and there.
I see the smiling star,
I hear the roaring ocean,
I am here, I am there
And I found nothing.
Still I live with love,
Still I live in truth.

Gajanan Mishra
This Mobile

This mobile,
I find -
The cause of all troubles.
Is it necessary to keep
Always something?
I find nothing wrong, though.
Something is there
That needs to unfold.

Gajanan Mishra
This Morning

In this morning
you can know everything.
In this morning
you are with me
it is my fortune.

Your body most precious
and your soul
most shining and
all are mine
and that is
to be seen.

The soul
is one and the same.
And here we both
reside
and it is
enviable.

This morning
is tolerable.

Gajanan Mishra
This Much

Excuse me, I am unable
To express myself in words
This much I can say
It is good anyway.

This touching sky
This living in sky
And worldly fly, let me say
Good, good and goodbye.

Gajanan Mishra
This Planet

This planet is meant for my living
I want to die here die here and
I want to take birth here again
And again in the mode of goodness
I want to live with great sages
I want to live and serve great devotees.

Gajanan Mishra
This Pond

This pond is
Full of fishes.
So many kinds,
So many colours.
See and enjoy.
But try
Not to catch them.
Try, how and
What you fill
About the fishes.
Think and write
The substance
And the sum
That you face
In the processes.

Gajanan Mishra
This Purnima

In the month of jyestha
June-July of Eng calender
Is in the name of Lords
Lord Jagannath
Lord Balabhadra
Lord Subhadra
It is snana Purnima
The Lords bathe
With milk and
Herbal water
Let summer go
And rain come
For the good of
All creatures.

Gajanan Mishra
This Road Is Not To Return

I have taken this road
And this road is not to return.

This road is for all
But all are not in a position to understand.

On the way I have nothing to beg
I know I have my own bliss with me.

I have no other entity besides You
O my dear, I love You, I want to be with You
Always and for ever and so
I have taken this road that leads to You only..

Gajanan Mishra
This Side

This side,
I am.
That side
You are.
We are one,
Though.

Hours after hours,
We are in water
And in the air.
We are opened
And we are
Also closed.

The way we think
We are good,
The way we live
We know the truth.

Our own world
Is with us.
No hurdles
But life is here
To enjoy the time
And the time
We care for others.

Gajanan Mishra
This Side And That Side

You are one and one
You are this side and
Also that side
It is out of our ignorance
We say this side is dark
That side is light
This side is heavy
That side is light
This is colored that is
Black and white.

You are one and only one
Without any color
Without any mixture
And same in all sides.

Gajanan Mishra
This Side That Side

What is love
Spell love.

This side love
That side love.

True love
False love.

Say love
Only love.

What is love
Soul love.

It is love
Super-man love.

Love love
Eternal love.

I love
You love.

Life love
Death love.

Wife love
World love.

Gajanan Mishra
This Sky Is Mine

This sky is mine,
That sky is not mine.
But the same sky is there
Here in our own house.
And our house is one,
And we are the two.
House is the only truth,
But we are different.
We are the truth
And not the house,
It is also true.
Matter is not, where
Is life, but matter is
How we are worried and strained.

Gajanan Mishra
This Station Has No Name

This station has no name,
Let us called man.
This man has no name
Let us called gain.
This gain has no loss
As you are here, my dear boss.
O boss, I am submitting everything
with due respect do what you wish whatever.

Gajanan Mishra
This That

I want to say
And I am
Not able to.

Creating being
I want to
Stay but
Not able to.

I want to move
Here there
And I am
Able.

Gajanan Mishra
This That - Life Flow

This that
All I want.
I want
The wall
To be built
In the open sky.
I want the milk
To be drunk.
I want everything
Should be covered.
I want this that,
I want over bridge,
Underbridge and
I want life
To be flowed
From this to that
And from that to this.

Gajanan Mishra
This Time

This time
I care not the rain.
I know I am my
Own sovereign
With my own words
And languages.
MY lips are not
Hard but sof
And tender, hear.
I am here for
New creation, see.
I have my owm
Own authority, feel.
And you are only mine.

Gajanan Mishra
This Tree

This tree
Is not
Telling me
Anything.

Reason not known.

That tree
Is calling me
In front of
The king.

I know the reason.

Gajanan Mishra
This Will Also Pass

This will also pass,
Wait and watch.
Truth will come to light,
Show your might
And drive out the night.
We are fine,
How are you there, Mr Nine.
If you so wish come for dine.
Nothing to feel sorrow,
It is we who can call for tomorrow.
Just watch the rope
And the gallows.
It is yours
With much galore.

Gajanan Mishra
This World

This world is
Under Your feet
I am living in
This world.

The dust of your feet
Are here and
I am staying here
With the dust.

Reception of the dust
Makes me pure
I am sure
You will not get lost.

Gajanan Mishra
This World - A Ball

This world - a ball
I can lift
I can play
But with self-control.

This world is within me
I am within this world
This world- a ball
I can do whatever I wish.

Gajanan Mishra
This World - Here I Am

This world -
Here I am.
I was here
In this position.
But today
See, I am not
Eligible to
Stay there.
It is this world,
With its changing
Feathers I am
Failed to fly.
Here I am
Without qualifications.

Gajanan Mishra
This World Belongs To Us

This world belongs to us
We are part and parcel
Of this world
We are for the good
And good is for us.

This world belongs to us
We belongs to eternity
This world is eternal
The world will be here
With us for ever.

O my dear come
Let us dance together
Let us sing together
With this wind
In this world.

Gajanan Mishra
This World Is

Spiritual abode
O my dear with these
Beautiful trees birds
Animals men insects
Fields rivers seas.

I am here in
This world at this
Moment O my dear
With You and
In happy mood
Getting everything
As per wish.

Gajanan Mishra
This World Is For All

War war war
What for?
This world is
For all.
All are here
To stay in peace
For some moments or days
Or months or years.
Let us bear all
And keep peace
And stay together.
Have patience and
Maintain democratic
Legal order.

It is fear
That is the main
Cause of war.
Fear not anyone
And avoid war.
War is no way
Helpful to anyone
So also fear.
Even think not
About attacking others.
You have no right also
To interfere.
By birth no one
Is a terror.

Only human being is here,
Salute him, my dear.
Human being is
The architect of
His own future.
Give sufficient love
And be your own reformer.
Gajanan Mishra
This World Is Nectar

Look before you leap,
my dear men.
This world is nectar
for a devotee and lover.
This world is dangerous
for a man of ill-doer.

Tell something out of
your own experience, men.
I am here to listen.
I know your experience
teaches you better.
What you give that is
here ready to return
in so many forms and in
so many ways with huge colors.

Come on, and do for good
to get good results.
Keep it in mind, little
drops of water makes
the mighty ocean.

Gajanan Mishra
This World Is Yours

1

Lift your pen, my dear poets,
And write - this world is yours,
Your home is this earth,
The sky is the roof.
Go not with passion, my dear poets,
All goodness are with you,
Use and see all directions
Are welcoming you and giving you lights.

See yourself, see how
You are in all, in birds, in lions,
In mountains, in rivers, in clouds,
in flowers, in air, in water.
See my dear poets, how you are
Going and coming freely, peacefully with all.

2

Lift your pen, my dear poets,
The right time has arrived for you,
You are lucky to receive all words
Here at this time to write down everything
That you witnessed.
You are in the middle of life
And you know life is a battle field,
And you are approaching the war.
Serious thing is that you are
Not to hurt anyone here,
You have no right.
You should keep compassion within you
And pray, O lord, here the living creatures
Are in dark, give them knowledge to know the truth.

Gajanan Mishra
This World Needs Body

This body needs the world.

I have no role to play,
I have no role to play.

Gajanan Mishra
This World That World

Why are you creating fear
By telling this world that world
Please tell me, my dear.

Let me know in which world
You belong to and what for you are here
Is that not better than this.

Please tell me my dear
About good and bad about sin and purity
About night and day about dark and light.

I want to hear all about this world
Who are there and for how much time
What they have done during their stay.

I want to know all about that world
What is happening at this time there
And who represent that world for what.

You are telling your opinion
I am telling my opinion
You are telling I am false
I am telling it is you who make us wander.

O my dear, how many worlds are there
That is another question unanswered
Anyway I am with You, let all be sort out.

Matter is there in its place
You know I know and we are in our
Respective arena showing our plays
Though we know all are not true here.

Gajanan Mishra
This World-You Have Given

This world
You have given me
To do here that works
That are related to You,
To You means peace
Stability and coordination
And for this here
There is our relation.

Here is our relation
And it is for the welfare
Of others You are here
I am also here
O my dear, You appear
For others and doing everything
For others only being fixed
And all merits I do hereby confer.

Gajanan Mishra
This, That - Achievement

Value of achievement,
Please explain,
If you know.
This, that,
You have achieved-
Right?

Gajanan Mishra
Thorn And Flower

No one like thorn
But thorn is necessary
To save a flower.

All love flowers
But life of a flower
Is in risk without a thorn.

Gajanan Mishra
Thorns

For each other
We are searching here.
Thorns, our cry,
Our smile and
We bind ourselves
Around the sun.
And the sun
Gives heartfelt welcome.

Gajanan Mishra
Those Grapes Are

Those grapes are sour.
'Those grapes are sour
And I don't want them,'
When the fox said, my dear
You know very well,
No needs to explain in detail.

Gajanan Mishra
Those Who Are

Those who are here tell me
I am not alone to live
You are all with me.

Tell me O men you are
Dying with me at a time
When we are in conscience.

Living or dying no difference
Just changing the position
Of words and terminology.

Gajanan Mishra
Thou Art Dear

Come here,  
Thou art dear.  
I am here  
To purify you,  
You are being  
The part of the truth.  
You represent me,  
You are my loving nature.

Gajanan Mishra
Though A Small Ant

I know I am Your part and parcel
Though I am a small ant.

I know my life is meant for
Making a solution to the problems of life.

I know I have full knowledge about You
Though I have forgotten due to illusion.

I know I am pure and as pure as nectar
I am in devotional practice and in Your bliss.

O my dear, Under Your guidance I can attain You
Though I am the smallest and You are the greatest.

Gajanan Mishra
Though Artless

Though artless
Read my poems in full
They are fair and graceful.

Gajanan Mishra
Though bitter
Truth is better
To hear.
No one can
Take away my right
To move freely
Throughout the world.
So also no one can
Check me to utter
Those words that have
Public interest
In a larger scale.
So long as the sun and the moon
Are there in the sky, let me fly.

Gajanan Mishra
Though Breathing

Though breathing
You are dead
Let me say again
You are dead
If you fail to
Support elderly parents
Chaste wife young child
And spiritual master
Or anyone who comes to you
For shelter.

Gajanan Mishra
Though different bodies
Though different bodies are there
All are one and the same
Like the same rice in
Different plates, like
The same water in different glasses,
Like the same air in different
Wheels of trucks, buses, cars, bikes,
Birds are birds though names differ,
O my dear, we are one with same
Composition, with only one respiration,
It is our duty here to go on Truth-realization.

Gajanan Mishra
Though Enemy

Though my enemy
You are not against me
You are always doing
All benefits for me.

You are thinking
Always about me
And I am here for You
O my dear, no matter what so ever.

Gajanan Mishra
Though Here

Battlefield - life,
Nothing new
In telling so.
But we are to
Concede defeat,
Though, we thought,
We have achieved success.
Nothing to bewilder,
Though here,
We are to see
All around and proceed
Forwards for others.

Gajanan Mishra
Though Human - Unable To Understand

Though human,
I am unable to understand
Anything and anybody, here.
Excuse me, each and everybody
Is beyond all knowledge,
Speech and sense-perception.
I can only love all, here
And can do nothing else.

Gajanan Mishra
Though I Am

Though I am here  
I am not doing anything  
And for action  
Done by others  
You are giving me  
Punishment.

What evolves here  
You are to take notice  
Cognizance be taken  
On those matters  
And finding be given  
I am unconnected.

-  

I am different from my action  
And how can it be  
It is possible only when  
I know who am I.

Here arises necessity  
Of real knowledge  
To realize self  
To know what is what.

Gajanan Mishra
Though I Am Not A Driver

Though I am not a driver
And the driver is somebody else,
Ask me where to go.

Though this area is
melancholic
Ask me to say a word
that has charming power.

Though you are not
Able to read or write
Ask me to make you
understand who you are.

Gajanan Mishra
Though I Know I Am

Though I am
In this body,
Though I am
Telling mine.
I am unable to
Continue to be
In this body.
I know no more
To do with anything.
I know every moment
Is the moment of
Separation and
I know no value
In anything.

Gajanan Mishra
Though I Sit Beside

Though I sit
Beside you
I can't say
What you think.

How can I say,
As I have no language.

Where from I get
Gold-plate?
Where from I get
Silver-water pot.

Do you know
My great son
Still how I am
So colorful.

Gajanan Mishra
Though In Poverty

Look my character is fine
Though crushed
The cane has sweetness
Though chopped
The sandalwood has fragrance.

Gajanan Mishra
Though It Appears

Contradictory word is
An instrument and
Energy is illusion.

Is there any plan
Behind any action
An experienced man
Can say and understand.

The air and water
Never turn towards
Fire and can name
Their endless corridor.

Let see the words
That play in this life.

Gajanan Mishra
Though My Poem

Though my poem has no rhyme, no meter,
Though I have not Followed the rules
And regulations as Framed by my seniors,
I have chanted Your Name and fame
In all my poems And it is Your grace
That made my poems The best.

Gajanan Mishra
Though Not Mine

They are here,
Though not mine,
They are for me.
I am there,
There, only for them.

What is to be done,
Not defined as yet.
What is that,
No question, please
At this moment.

What they said and
What I heard
Not to be disclosed,
All uncertain.

Gajanan Mishra
Though Perched On A Steeple

Though perched on a steeple
Of a royal palace the crow
Can not claimed itself Garuda
The honorable bird.

Gajanan Mishra
Though Reflected

Though reflected
In windows, mirrors
Oil, water, my dear
The sun is one
And the same.

You are my sun
I know, You are
One and the same
Though you are
In all and at all times.

It is our dullness
That we failed to
Recognized You and it is
Our unconsciousness and
For this we are suffering.

We have forgotten
Life is meant for self-realization
We should realize our
Eternal and pure identity
With the knowledge of rationality.

Gajanan Mishra
Though Situated Not Mixed

Though situated not mixed
Though not seen all pervading.

Gajanan Mishra
Though tasty
You cannot say
It is good food.
Though beautiful
You cannot say
Your wife faithful.
You cannot say
Good crop till
It comes to store.
You cannot reward
The soldier before
The war.
If you are to say
Say only after completion.

Gajanan Mishra
Though The Sun Is There

The sun is there
I know but I am
Not thirsty, see.
I have no thirst
For anything, though
I am here in this world.
I know where is bliss,
And I care not
Whether I live or die.
Ask me why and take
A reply that I am
Not there where
You wish or desire
Or in any affinity.

Gajanan Mishra
Though This Is Not The Time

Smile, smile and smile
This is not the proper time
To smile though.
See, the flowers of my garden
And smile.
See the flower-plants are
Touching the sky and smile.
See the waves of the clouds
And smile.
See the smile of others
And smile.
I am in your smile, dear,
Search not proper time and
Smile from the core of your heart.

Gajanan Mishra
Though Unlimited

Though unlimited,
Unmanifest I am.

It is you to decide
To accept me or not.

Your acceptance or
Your rejection
Has no effect,
Be sure.

Your very existence
Is in danger
At every moment.

But it is I to
Regulate all destructions
By new creations.

Gajanan Mishra
Though, Differ In Color

Same feature,
Same nature,
Though differ,
In color.

We are together,
We are unlimited
In number,
Let us not stay
With anger.

We have eyes and
We have ears, and
We are here to enjoy
Good atmosphere and
Good words to hear.

Gajanan Mishra
Thought Of Life

What I thought
Is not about
The emotion of
Himalayas but
The movement of
The ocean.
I thought about
The air and
The fire
That is there
In the stars.
I thought not
About the geography,
Not about the history,
But my thoughts are
Based on the root
Of the sky
On earth.

Gajanan Mishra
Thoughts

Thought is the main root of pain
Absence of proper thoughts
Cause unhappiness
Giving up thoughts means
Reaping happiness
It is rightly said
Happiness lies in stillness
Pain arises not from
Deficiency of a thing
But from desire to get
O my dear, I think
You understand me
And be happy live in
Peace everywhere always.

Gajanan Mishra
Thoughts Make The World

Thoughts make the world.
Be aware of your thoughts
And you should see
A complete harmony be there
Among your thought word and deed.
Purify your thought
And see everything is in order
Changing thought means
Changing world.

Gajanan Mishra
Thoughts, Words And Acts

Thoughts, words, and acts
All are with us
And we are going to achieve
Everything here.

Everything is to evolve,
And nothing to dissolve.
After all, we are what
We touch, what we got.

We generate what we are not,
We change nature,
We move, unmoved though, we are,
To pervade our own existence.

We are here to
Present world view.

Gajanan Mishra
Thoughts, Words And Deeds

Thoughts, words, and deeds
be harmonized.
Life should be straightforward
and simple.
Let people think
whatever they like.
Care not my dear and be a man
Of hearts, mind clear.

Gajanan Mishra
Thousand and thousand years,
I am here.
And I am in peace,
I am in tranquillity.

I am fortunate,
I am not worthless,
I am influenced by truth,
I am influenced by love.

Love and literature-
My life here.
Life - full of flowers
And full of colours.

Gajanan Mishra
Thousand Names

Thousand names
Not remembered single.
Thousand roads
Not adopted one.
Thousand sights
Not seen any.
I feel no need
Of anything
And called You
Only O my dear
Come and see.
And You have arrived
I know but could not
Uttered a single word
O wordless, O thousand names
Look me I am
Silent of the silence
In Your hue and cry.

Gajanan Mishra
Thousands and thousands
Suns are there with light
Here in the sky,
Still they cannot match
My radiance, as a man
I am so divine.
I am a man and I am
The product of this earth.
This earth is much more
Valuable than any place
Of the cosmos.
I am part of this earth,
I am fortunate, I am
Made of earth and I am
Touching the eternity here.

Gajanan Mishra
Thread

I know the thread
That threaded me.
I know the earth
I know the water
The fire and the air
I know the ether the mind
I know the reason the ego.

If you want to go
You may go.
You sustained in me
You strive to realized me.
You know how to disappear
You know I am the thread
You know I am being
Threaded with you.

Gajanan Mishra
Threat And Blackmail

Threat and blackmail
Have no place in true life
And Ours is a true society
Based on Absolute Truth
It is sin to think even
Others harm as we know
We all are one and equal with
That Ultimate Authority and often
The time cautions us to
Settle everything on
Mutual compromise and
In a peaceful way and lead
A life of joy.

Gajanan Mishra
Threat And Violence

No threat,
No violence,
No interference.
Let nature go
On its own way.

Law and order
Not required
In a life
That is natural.

The men who are
Taking benefits
From other fellow men, only
They need the application
Of law and order.

Gajanan Mishra
Threat To Humanity

Threat to humanity
Is intolerable.
Declaration of war
Is horrible.

Say not we are at war,
Say we are
Enlarging our hands
For peace and
For co-existence
In this world.

Problems were there,
Problems are there,
Problems will be there,
For problems you are
Not permitted
To declare war.

Keep pure hearts
With you, my dear.
Be transparent and
Be clear.

Let all creatures
smile, laugh, sing,
Let all dance
In divine ecstasy.

Life is for all
If possible research life
With all sympathy,
You are under surveillance
Of eternity.

Gajanan Mishra
Threat To No One

I know, you are
Threat to no one
And yet, everyone
Is in fear here.

It is you will
And your satisfaction
That draw a line
In between life and death.

You are to attain
Determinate intellect,
You are to concentrate
In your own self.

Take worldly enjoyment
As you like with life-breath.

Gajanan Mishra
Three

We are three
He you and I
And here
We are free.

I am here
To overcome
These three
He you and I.

I know
This is the gateway
Of hell
We are three
In this well.

Let me shun
These three
He you and I
And I will be free.

We are three
He you and I
And we are in
Fall and rise.

Gajanan Mishra
Three - Interlinked

Three - the knowledge, the knowable
And the knower formed a unit as one
And they are interlinked- bases of action.

Three Brothers

We must know
Who are they
What is their
Role here.
One is to
Create
Another is to
Maintain
Yet another
Is to destroy.
Three brothers
Have equal
Role to play
Here in our life.
As a true man
We must transmute
One in to another
And another in to
Yet another
And ultimately
Transcend yet another
And established
Ourselves in the truth
The ultimate truth.

Gajanan Mishra
Three Categories

Three categories
High middle and low and
They are not pulling on
Well here.

High have vanity
And they are envious
Middle are proud
And they have burning sensation
Low are jealous
And there is no heaven
For all of them.

O my dear, Being yours
I am above all the three
And see I am free and pure.

Gajanan Mishra
Three Cheers For You

Wealth
Health
Good deed.

I'm calling you
I'm praying you
I'm doing for you.

Talking
Dancing
Laughing.

Gajanan Mishra
Three Colors

I see three,
Three colors.
White, black
And yellow.
And you said
It is the universe.
What I see inside
Exactly that I see outside.
And you said
It is vigour
It is energy
And I said
Beyond words
It is specific.

Gajanan Mishra
Three D

Three D -
Dull, deaf and dumb,
But be careful,
Lest you should fall down.

Gajanan Mishra
Three Ds

Dana means charity
Damana means Self-control
Daya means mercy
Are necessary to do
Good to others
Cultivation of these
Three Ds, my dear
Are necessary
For life's permanent pleasure.

Gajanan Mishra
Three enemies -
Tongue,
Belly,
And genitals.
Be aware of your
Own enemies,
Dear men.

Gajanan Mishra
Three Feet Lands

We know all
Where is that
Three feet land.
And we are here
To give it all
That are at our
Disposal.
What is there
With us,
Let us know first.
Let us know
What is ours?
We are to know
Who are in favor
And who are against us.
And wait for the time
In our favor.

Gajanan Mishra
Three men
I have marked;
One- most smart
And active,
Second- timely,
Third- lazy.
First-super.
Second- okay.
Third- not fit.
All the three
Are here with us
And we are with
Them always, at times
They are within us.

Gajanan Mishra
Three Forms

One -
I am yours
I am also not yours.

Two -
You are my love
You are above my love.

Three -
I am you
You are me.

All the above three forms
Are neither true
Nor false.

Nobody is there
Besides you
O my dear
I can not describe you
As I am in love.

Gajanan Mishra
Three Friends

One-
To maintain
A study silence.
Two-
Advocate of
Peaceful talk.
Three-
Backing your
Point of view.
But dear,
You are to stand
On your foot.
You are to show
Who you are and how.

Gajanan Mishra
Three In Numer

We three in number
Doing together
The work with us
We three in number
Gather mangofruits
Count flying birds
We three in number
Looking the world
That is smiling
We three in number
Staying together
And in peace
And we can not live
minus one other.

Gajanan Mishra
Three In One

Three in one
Fame, salvation
And prosperity.

Three in one
Present, past
And future.

O my dear, I am
Yours, here
For ever.

For You, my dear
See, I am here
Happy and in peace.

It is by Your's arms alone
I parry the strokes given by thunderbolt.

Gajanan Mishra
Three Jewels

Fearlessness,
Preaching and gifting
Three jewels, see,
They are the wheels
of this life.

Life is the masterpiece
of Almighty here
and it is for us
to do something more
within a limited period.

You have to pay
for this life,
Payment should be
made through love.

Gajanan Mishra
Three Kinds Of People

Three kinds of people
Are here with me
Good people are weak
And they can not do
Any works by themselves
Another kind of people
Are passionate in nature
They love they create
Without them my house
Lacks some beauty
And the third group of
People they are with me
Fully ignorant and they
Do not know what they are
Doing for what purpose
I making balance among
Them staying herein my house
In great difficulties
This is my house and
You are putting questions
As to how I am here
Wait I am going to say
More about it in next poetry.

Gajanan Mishra
Three Modes

Goodness
Passion
Ignorance
Three modes
Of life
Divine glory
Is above these.

Gajanan Mishra
Three Murderers

Three murderers
Are staying with me
Always here.
How to go away
From them
I know not.
At times
I love them.
At times
They give me
So called pleasures.
But I am sure
They are there
To kill me.
No police
No law
Can save me.
I know,
I am dying
At every moment
In their hands.
And they are
Determined to
Take me to the hell.

Gajanan Mishra
Three Paths

Three paths are there
Path of knowledge
Path of work
And path of devotion
To reach the goal
Please follow the paths
In all respects
For your perfection
And self-realization
These are the authorized processes.

Gajanan Mishra
Three Persons

I know, you are
All three.
You, all three
Are playing
With me.
But I am
Not the player
Like you.
I am, as you know,
No way related
With the play.
Neither I am
The enjoyer,
Nor the outsider.
But I am here,
To make you
realize the truth.

Gajanan Mishra
Three Points

Three points
I am following;

I have no interest
In what is done.

I have no interest
In what is not done.

I have no interest
And I depend on no one.

Gajanan Mishra
Three Steps Land

With your three steps
You have taken away everything
Everything means everything
O Vamana, dwarf-brahmana
You have taken away my earth
My sky my Soul
Earth sky and soul represent
Three planetary systems
And You have taken away
I have nothing now
I have no ego
And this is Your blessing
O my dear I know
You have bestow upon me
The kingdom of the universe
From a very small beginning
And You have taken away everything
On the plea of begging.

Gajanan Mishra
Three Things

Three things are
Necessary for a
Healthy life
Truth
Love and
Mercy.

I know you have
Given me
I am grateful
You love me
I know you are
The truth
And you have
Compassion.

Gajanan Mishra
Three Times

Uttering three times
Means giving great stress.

Yes yes yes
I love You I love You
I love You means
Loving is there
Surely with you.

I am to be known
And it is fact.

No question
Does not arise
At any point of time
And you are to
See there in.

Gajanan Mishra
Three Types

Three types
One rose
Another mango
And yet another
Only bread.
One talks
Another talks
As well as does
Yet another
Only does.
Decide yourself
In which category
You belong
And doing what.

Gajanan Mishra
Three Weapons

I have three weapons
One is purity
Second is straightforwardness
And third is non-violence.
I have two shields
One is self-control
Another is equanimity.
I am only in one battle field
That is life.
I have two allies here
One is Truth
Another is love.
I have to overtake trident
That is body, mind and speech.

Gajanan Mishra
Three Worlds

Three worlds
Three worlds are
Past present and future
My dear, come and rule
Over all the worlds
With your power of Truth.
With your mind
Creates all, my dear
It is your austerity
That delivers results
Accept all and realize
Absolute Truth that is here.
Understand what is in you
With the power of purity.

Gajanan Mishra
Threefold

Gross and subtle;
Instrument, action
And agent;
Knowledge, the knowable
And the knower.

Gajanan Mishra
Threshold

Sit not
Sit not on the threshold
O my dear, sit not there
On the threshold.

Go outside or
Come inside, my dear,
Sit not on the threshold
Sit not there.

There you find
The signal of danger,
O my dear, take care,
Take care yourself there.

Take care yourself, my dear,
Let no trouble come to you hence further.

Gajanan Mishra
Through Language

Through language
You can do something
But not everything.
Language is helpless
In case of birth and death.
You can define nothing
If you confined yourself
Through space, time and thing.
What is hinted is your own entity
And that is all-pervading.
Language is limited and also
You are my dear helpless like
The language and you are merging
With something else crossing all.

Gajanan Mishra
Through My

And through my
Mind, speech and actions
I am aiming at Truth
And I am trying to
Realize You, here.

It is true by giving up
My selfishness and pride
I have heard You
I have seen You
I have experienced You.

Truth is here, for the welfare of all,
And You are for the welfare of all,
Honestly and faithfully I am
Busy in the works of others.

Gajanan Mishra
Through My Writings

I am writing,
And through my writing,
I am expressing
Personal realization
Of the truth,
To give benefit
To all with me.

Read my writings,
Beautiful and full of
Metaphorical language.
My writings are
Clearly understandable
And pleasing to read and hear,
Words are grave and certain.

Gajanan Mishra
Through Powerful Faith

Purified state of
Existence can be achieved
Only through powerful
Transcendental faith
Faith in Absolute Truth.

Faith in Absolute Truth
O my dear, and get
Highest benefit in life
With love with self-control
You can achieve greatest opulence.

Gajanan Mishra
Through Space

Through space,
Come forward and
Proceed ahead,
Time is still
There with you.

The atmosphere is
Dusty and
Cloudy, no doubt.

But it is all clear
Like the autumn sky.
It is all like
The wind of the spring.

Come on and see,
Here it is kind light,
With all of us.

Sing and dance
Wherever you like,
All the time
Is yours, dear.

Gajanan Mishra
Through Spiritual Discipline

Through spiritual discipline
Development of goodness is possible
When there is goodness
There is light of wisdom
That shines the mind and senses
Then only peace and immutability revealed.

Gajanan Mishra
Through The Air

Through the air,
Through the water,
Through the sky,
Through the light
I came to this earth.
And I am here
And nowhere to go.
I am here within
And also without me.
I feel the vibration,
That is in everything
And that is everywhere.
I am moving
And also unmoving.
One can see me
At any time anywhere.

Gajanan Mishra
Through The Path Of Love And Truth

O poet,
O great mystic,
Come on and
Give me strength,
Strength to fight
Injustice.

O poet,
I know, when
You are present
With your words,
My life dazzle
With ray of hopes.

O poet,
You are very dear
To me.
You have accepted
Me as yours
Inseparable one,
I am fortunate.

O poet,
I know, you are
Here to help me
Achieve ultimate
Success of life
Through the path of
Love and truth.

Gajanan Mishra
Through This Window

Window of honesty,
And through this window
I can see all.

Window of love,
And through this window,
I can take all with me.

Window of truth,
And through this window,
I can utter words.

I know I am here
With nothingness.
I know I have to go
With nothingness.
With nothingness, I live.

Gajanan Mishra
Through You

I want to see myself
Through You
O my dear
You are my joy
You are my Ananda
You are my pure bliss
I want to see you
O my dear
Through the vision
Of the self
From my own experience
And own tremendous efforts.

Gajanan Mishra
Throughout My Life

Throughout my life
I am one with everything
Throughout my life
I am greater than anything.

I am distinct and
My identity is unique
I have my own vision
With ecstasy and glorification.

I manifest myself, see
Here on this earth in new forms
I manifest myself in
Abundant varieties mobile immobile.

I am constituted of knowledge
And nothing is a cause of bondage for me.

Gajanan Mishra
Throughout the creation
You are there only in perfection
You are the tree that is very fragrant
You are the Master of this land.
Let me say in clear voice
You are the controller of this cosmic manifestatin
And my existence is here
And I pray You to protect me from all dangers.

Gajanan Mishra
Throughout The Life

Throughout the life
I regarded you as my own
Throughout the life
I have discarded
What I have owned.

I am inevitable
As you know for you
And I constantly
Think of trouble
That is you.

Gajanan Mishra
Throughout The Life - Hide And Sick

Throughout the life
I am with you
You are with me.

Throughout the life
I am calling
You are listening.

Throughout the life
I love you
You are with me.

Throughout the life
I am here with you
You are playing hide and sick
Day and night.

Gajanan Mishra
I am never
Separated from you,
Nor from any one,
Nor from anything.
I know and
I am sure all are
Part and parcel,
Integral parts.
You are specifically
Dearer and the truth.
You are the extract,
Extract of nature
Accumulated here
Throughout the life.

Gajanan Mishra
Throughout The Sea

Throughout the sea
I see you.
We are not separate,
We are one and one.

No space is here
That is vacant
That not bears you.

The sun the moon
And all the stars are
Gazing at you
And you are here in me.

I am not confined
That I know
With you.

Gajanan Mishra
Throw In Poems

Throw in poems,
The life partners.
Poets are not
Ready to
Throw in the towel.

I throw myself
On the poets
And poems.
See me,
I throw open
Before a poet
Always all time.

The poet knows
The art of throwing
A word.
And we are to
Go through the poems
To live in peace
Here in this
Planetary body.

Gajanan Mishra
Throw Not Stone

Throw not stone at me, my dear,
I am no way related to you,
I have no connection with your allegations.

I am not corrupt,
I am not doing anything
That are against the law of the land.

I am not doing any harm
To any one at any time.

Throw not stone at me, my dear,
The stone would return back to you, remember.

Gajanan Mishra
Throw Not Stones

Throw not stones
Forget not
Your house is also
Made of glass.

Your conscience is guilty
How you dare to beg excuse.

I know you are
With bad temper
Think me not a fool.

Gajanan Mishra
Throw Them Out

Throw them out,
They are the black-marketeers,
They are the selfish lot.

Throw them out,
They are not for good.
Throw them out,
They are not in truth.

They know not how
To give respect
To the mother,
To the motherland,
To the mother tongue,
Throw them out,
Throw them out.

Gajanan Mishra
Throwing Away

I love You
I thrown away my sky.
Throwing away my sky
I called You
O my dear, see me
And say what is
My looking here
In this ocean.
My body is
Beyond this earth
And I am being first class
Clarified my fullness
Only on a kiss
That has been missed.

Gajanan Mishra
Throwing Stones

People throw stones
To that tree
That has sweet fruits.

Gajanan Mishra
Throwing Stones At Others

Throwing stones at others
Is nothing but destroying the self.
It is the most heinous act.

Throw not stones
Even to your enemy, my dear.

Love all, give them good words,
Help all in their works.

Nothing but, it is good to yourself.

Gajanan Mishra
Thumping Win

Thumping win

No trouble,
No misery,
Feel it within.

Eat simply
Lead a simple and
Discipline life.

Say no to sex
Or spices and
Live long.

Yoga, discipline
And celibacy is
There for good.

Meet personally
To truth
And love all,
And go far from
The doubts.

Let me congratulate
You for your
Win,
Thumping win.

Gajanan Mishra
Thunder

O thunder, stay there,
Come not and disturb not
At this moment when
I am busy with my dear one
And busy in an official work
For the welfare of others.
O lightning, please stay a while
Let me give some more
Let me see clearly here
And let me know who are there
At this moment when I am busy
In my works that is sky deep.
Cuckoo, please continue your coo, coo,
Coo, to mitigate my grand-daughter's woes.

Gajanan Mishra
Thunder And Rain

Is there any link
Between thunder and rain
And You are thundering
And I am raining.

Telling the truth
That I am helpless to do
Delivering justice
That I am unable to do.

You are expressing yourself
Pro-people and I am here
Opposing for opposition sake
And it is a fact I am a fool.

Gajanan Mishra
Thunderbolt

Thunderbolt and
The rose
Are friends,
Mutual, though.

Doubts and
Suspicion are
Though, not friends,
Cooperate each other,
In every field.

But the ideal one,
Is cautious, to both,
For both are dangerous
Necessary items
In life's progress, true.

Gajanan Mishra
Thundering Of Cloud

Thundering of cloud
Gives us three Ds
first D is Dana
That is charity
Second D is Damana
That is Self-control
Third D is Daya
That is Mercy
Thundering of cloud
Preaches us
Charity self-contol
And mercy
As our duty
And if we perform
Our duties
We can get food
Clothing and shelter
Easily through God.

Gajanan Mishra
Thursday

Thursday,
And we are clay.
Clay with time,
And time care,
Not anybody.

Day of affluence,
Thursday.
And we all
Take care the things
With us.

And we see
The face of the dawn,
With the evidence of
The clear hearts.

Gajanan Mishra
Thus In The Poem

Thus in the poem
written by the poet
The science of life
The scripture of life
The dialogue between
The writer and the reader
Ends for the betterment
And welfare of life
This is the live poem
Read and enjoy
And find path
Shown in the poem.

Gajanan Mishra
Thus Speaks The Star

Thus speaks the star
Leave them asleep
Thus speaks the star
Buried the past
Thus speaks the star
Go for fresh start
Thus speaks the star
Life is our and our
Thus speaks the star
Be optimistic and go far.

Gajanan Mishra
Tick Tock  Tick Tock  Tick Tock

Tick tock tick tock tick tock
Let us have a free talk
Disruption started- mind block
Design of the system changed
Our concern is to seek arbitration
But we are not yet ready for the fun
You can not assess anything
Without a blessed and a clear manifestation .

Gajanan Mishra
Tide Is There

Tide is there
Doing its works
To its finest.
It is we
Who are telling
For and against
As per our interest.
We have forgotten
We are nobody
We are committing sins
And we are suffering
And repenting
And still not in a
Mood to make ourselves correct.
Tragedy is that
We are killing cow
For the sake of gut.

Gajanan Mishra
Tidings

Tidings is that
I am going to die.
Truth is
You are also
Going with me.
Before finishing
this grand job, first
Let us attend our mother.

Gajanan Mishra
Tie Up Love

Tie up love,
As love is blind,
You know.
Failing which
Love might
Hurt you,
Kill you
And eat you.

Gajanan Mishra
Tied Up

I am not confused,
I am concentrated,
And I am tied up with
Love and truth
I know you are there
And I have to discover you.
With you, I am free,
You are my life-giving tree.

Gajanan Mishra
Tiger

Tiger in trouble
Poaching infighting
Accident oldage -
Reasons.
No wayout to save.

Tiger- symbol
Heroes and braveries.
Tiger in trouble
Only crocodile tears
We have.

Wait to see
Tigers total extinction
Wait to see
Our own
Culmination.

Gajanan Mishra
Tiger Is Here

You can see today also
Tribute to tiger
Is not necessary
It is just your illusion
It is just your fear
Search tiger within
And rise
This is the right time
You are prime.

Gajanan Mishra
Tiger Is Not There

And where is the tiger
That remained silent so long
With crow's flying
With cuckoo's crying.

And where is the tiger
No time to search
No time to research
And I realized for which
I came and for what I am here
And to where I am going
Without the tiger that was
With me since the time of fore fathers.

Gajanan Mishra
Tiger Kills A Man

Tiger kills a man
Not sin
Man kills a man
A sin
And the killer
Is hanged
Daily affair
Of animals
Is sinful act
In human society.

Gajanan Mishra
Tight The Knot Of Envy

Tight the knot of envy
Or else the envy knot you
And destroy you.

Gajanan Mishra
Tikapali - A Reality

My home,
My soul,
My dream,
My stream -
All a reality,
Tikapali.

Matters
Not little.
And I value
Tikapali.
All my air,
All my water,
All my blood,
All therein.

My birth,
My words,
My smile,
My cry,
All are there,
For all,
For fair.

Gajanan Mishra
Tikapali 1

Tikapali is my heart my heartbeat
Tikapali is my tongue my voice
Tikapali is my nerve and vein
Tikapali is my blood and flesh
Tikapali is my head and brain
Tikapali is my palm food and gullet
Tikapali is my leg and hand
Tikapali is my study genealogy
Tikapali is my respiratory
Tikapali is my dream my reality
Tikapali is always with me
Tikapali is my earth my cosmos
come and see Tikapali if you wish.

Gajanan Mishra
Tikapali 2

Maa Hirasagarani is at Tikapali
Amburei is at Tikapali
Nalasubarnarekha is at Tikapali
Goodpeople are there at Tikapali
Bad people are in rulling party at Tikapali.
I kiss Tikapali for the first air gave me
I kiss Tikapali for the first light showed me
I kiss Tikapali for the first word showered on me.
I am thankful I am grateful
as I am here as fool.

Gajanan Mishra
Tikie Hasa (Odia)

Tikie hasa,
Gotie pana-patra,
Aau jibana sethi dekha.

Gajanan Mishra
Tilaku Tala Kara Na (Odiaa)

Chuchundra karithiba
Matigada dekha o jana, kintu
Dia na aakara pahada pari.

Gajanan Mishra
Till Death Come

I live and wanted to live for ever
I never want to die before death come
And I die once only and only once.

I am not here to fear anyone
I am not here to loose my heart
I am not here to commit suicide
I am not so dirt.

I want to live and live in any situation
I want to live till death come to me
On its own accord.

Gajanan Mishra
Till Eternity

I love You, my dear.
Till eternity,
I love You.

Here in love,
See, no enemy
Here is hatred,
Discover love.

Nothing is there
To be afraid of
Here, in love, my dear
No loss is here in love.

Gajanan Mishra
Till My Arrival

Till my arrival
Stay there.
Look
I am here
Within you.

Gajanan Mishra
Till The Arrival Of Fire

Talk to me
From there
Where you are.

You are in a body
And I am ready
To hear you
In light in dark
In water in air.

Talk to me
From there
Where you are.

I with you am
Counting time
Now and always
Keeping my
Intention fair.

Talk to me
From there
Where you are.

Open secret;
We both are here
In empty space
In-body out-body
Till the arrival of fire.

Gajanan Mishra
Till date
I am not telling
You are mine
Till date
Take it granted
No relation is there
With you
Till date
No affinity is granted.

I am not telling
I am here before you
I am not telling
I am pure and perfect
I illuminate
I am flawless
Still I am happy
With you
I am attached.

See here is a torch
In my hand and
I have my own eyes
And here is my light
You admit it or not
Here is wax and wane
You come and go
I am here with you
In different forms
And modifications.

Till date
I am free
And I say
I am wise
This is my poetry
In various verses
It shows you
The path to come
And I am here
To welcome.

Gajanan Mishra
Time

Time
I am the time
Nothing matter to me
Who is arrested
Who is given clean.

I am flowing
In my own way
Like the river Nile
And going towards
The timelessness the sky.

I am the time
Some thinks
They are more strong
And longer than
Let then think
I am flowing
On my own way
With white with blue
With yellow with red
To serve You.

I have given you
Sufficient opportunities
You avail and get peace
Or perish under my
Chariot that is cold
That is hot
I am nothing to disturb.

Gajanan Mishra
Time - Ask Not

What is time? Is time here?
How is the relation, my dear?

No time? No life?
That I wonder!

Without time I am moving,
See me, I am rushing within.

Is it a place of carnage?
Ask not. There is the time.

Gajanan Mishra
Time - I Know Not

Time -
I know not
Who you are
And yet
I am with
You here
And there.

Earth -
I know
Here you are
In me and
I am in you
And yet we are
Not the same truth.

Sky -
I know
And I know not
Something or
Anything about
Your move and
I have nothing to prove.

Gajanan Mishra
Time - Modifiers

Time-modifier
Of all
King to beggar
Rich to poor
And vice...

Beggar is
The enemy of greedy
Fools is
The enemy of wise.

Time modifier
Of all
Animal to man
man to animal.

The need of the time is
Only mercy education
Charity and politeness.

Gajanan Mishra
Time - Motionless

Time - motionless,
Life - motionless.
Life time I speak to
You dear sir for truth.

The truth - not for expression,
The love - not for reasons.
Love truth in life,
Precious things of time.

Life - warring, and blank,
Life - weightless for love.
Time - claws and claws,
Time - wings and move.

It is all panic,
And still, all good.

Gajanan Mishra
Time - Valuable

Time,
Scheduled time,
Valuable time,
And all the time
You can face problems.
Life cannot be transferred,
Nothing and nobody can
Be replaced by anything or anybody.

Gajanan Mishra
Time And Again

Time and again
I see and
I verify and
I count
The men who are
Here with me.

I try to connect
Each one here
But I receive
No response
From anyone.

Here I feel all
But maintain my integrity,
With best of my capacity.

Gajanan Mishra
Time And By The Influence Of Time

Time and  
By the influence of time  
We stood firm  
In all situations  
And in our dreams.

Is not life  
Itself a dream?  
I live in dreams.  
I live in  
So many lives.

I try  
Not to misuse  
The time, I know  
Time is everything and  
I further know  
Time is nothing.

Often, I am  
Going beyond the time,  
I know though,  
Time has no past  
No present and no future.  
I have, everything, I know, dear.

Gajanan Mishra
Time And Life - Waste Not

Waste not time,
But what is time,
First, know it.

Try to know life,
Knowing is living,
Living with time.

Time starts
From the very moment
Of birth and
It ends
With death.

Be careful
To time
To life.

Gajanan Mishra
Time And Sky

Your name is time
Your name is sky
Time and sky have
Major role to play
In my life.

I am in the sky
I am under the sky
And I am within the time
To test me in time
Though I am above time.

Time is the root cause
Of my living with all
Sky is the witness
Of my living with all.

Time has its own eyes
And ears and speech
And hands and feet
Sky is the nature of time.

Tell the sky
Time is ahead
With its own
Cause and effect.

Gajanan Mishra
Time And Time

I am free with the time,
And time calls me to
Acquire freedom.

And I stopped
My dancing with time,
And it is because
I could not see.

What was there
To see
That I knew not.

And I gave my talk
Freely but no one
Was there to hear.

This is that time, my dear.

Gajanan Mishra
Time And Where Is Time

Time,
No time,
Where is time-
All the questions
Are in every second,
Every minute, every hour,
Every day, Every month
With everybody.
But the sun is there
In the place of posting.
The man is there
Busy in working.
And I see no fear of time
For the purpose of living.
I am the poet,
And I am going on
Creating poetry.
For whom, I am creating?
Definitely
It is for time,
Time,
I depict in you
Dear friend, where
You are here with me.

Gajanan Mishra
Time And You

Time is all powerful
That I know.
And I know time has
No power over You.
It is not possible
To know You, my dear.

Without the knowledge
About You, my dear,
Faith is out of question,
And without faith,
There can be no love,
And without love,
Devotion would not arise,
And without devotion, nothing, nothing.

Gajanan Mishra
Time As Indicated

Time as indicated
By the sunrise
And the sunset
Is not correct.
The sunrise or
The the sunset
Itself is not true.
To think about time
Is just wastage of
Time itself.
And time is timeless
In our life,
We should realize
This truth.

Gajanan Mishra
Time Can Ripen

Time can ripen itself
As ripeness is there in time,
And everything is there to clear.

Gajanan Mishra
Time Differs

From place to place
Situation and calculations
Also differ
O my dear, I know
You are above time
You are above all calculations
Above all measurement
And hence You are true
You are fixed and always here
And hence You are only mine
In this body-temple
That has doors-nine.

Gajanan Mishra
Time Factor

Time is God and it is spirit
Time is absolute and real
Time is unaffected by speed
Or slowness of material things
Time has nothing to do
With the relativity of things
Time is the basic measurement
Activities of the senses
Time has no beginning and no end
Time is most valuable
Nothing can match time
Time is not subject
To any form of psychology
Time factor is intermixed
With the activities
Actions and reactions
Time is Your energy, my dear
Time has produced so many
Wonderful things
In Your cosmic manifestation
Time is time and I know
Time is Your another form.

Gajanan Mishra
Time Factor, Fortunate We Are Here

Let us know the strength
Of time factor.
Let us recognize
The wind.

Let us dispose of
Our own body.
Let us say something
At this time.

Let time surrender
Before us.
Let us utilize time
In our favor.

Let us say together,
Fortunate we are here.

Gajanan Mishra
Time Failed

Time failed
And I took the opportunity
To acquired the field.
The field was here,
It is also here,
But I can't say
Whether it would be
There tomorrow.
But I am unaffected
With the time
And the time failed
I declared before all.
All are busy in calculation
Two and two four, though wrong.

Gajanan Mishra
Time- Flowing River

Time is like flowing river
You can not touch it again
Catch hold of it now
That is here with you
The same flow will not come again.

Gajanan Mishra
Time Flows

Time flows
And I flow
With time.
My hands,
My feet,
My phlegm,
My urine
Are not with me.
Time flows,
But I am
Not there
To flow.
I sustain loss,
I reap benefits.

Gajanan Mishra
Time For People

It is time
For people
To speak against
Injustice.
It is time
To work
And reform
The home first.
It is time
To water
The root.
It is time
To know and show
The truth.

Gajanan Mishra
Time is a body
And I am therein.
This body is permanent,
But not I am.

Time is a vehicle
And I am therein.
I am permanent
But not the vehicle.

Time is nothing
But what I think.
The root of my thinking
Touched the time.

Time you see is there
In your own transfigurations.

Gajanan Mishra
Time Is Auspicious

But not our actions.

We face the defeats
Not the time.

Time is very important
And we are to face it.

Time is here with us
But we ignore time.

Time has nothing to lose
But we lost everything time and again.

Stand on time, my dear
And see yourself where you are.

This side or that side
And be ready to fight with time.

Gajanan Mishra
Time Is Coming To Us

Time is coming to us
Again and again to love,
To speak the truth,
To enjoy life
With full strength.

Let us salute the time,
Time is coming to us
To give a scope
To see the world afresh.

It is time that is busy
In fighting within us.
Time is coming to us,
Let us love the time
Saying have a good valentines day.

Gajanan Mishra
Unwanted elements
Everywhere,
Living here
Like in a hell.

Inauspicious time,
Peace is no more
Here with me.

No one is ready to
Obey the rules and
Regulations and laws
Not even the lawmakers
Or who guards the law.

Time is disturbed,
And we are perturbed.

Gajanan Mishra
Time Is Eternal

Time is eternal
Eternal time
And in this time
All stars planets
Luminaries and atoms
All over the universe
Are rotating
In their respective orbits
And it is under Your direction
O my dear.

In this earth
We the human beings are
enjoying duration of life of
One hundred years
Two solar movement
Their combination of day and night
Make our complete calendar year
One complete calendar year
Has twelve months
Six months comprise one complete
Movement of the sun from south to north
Two months comprise one season
One month has two fortnights
Two fortnight white and black
We find in a month
Fifteen days and nights
Are a fortnight
One day and one night
Comprise twenty four hours
And four praharas each
One prahara is three hours
So many calculation so many duration
Calculations are not important
Our living is important
How we live here
On Your earth with love affection
How we enjoy peace here
This earth is the testing point, my dear
It is the place of nectar
You are with us at this time
To give a signal all clear
If we are perfect and cross
The border by the end of life-year.

Gajanan Mishra
Time Is Here

Time is here,
Life is here,
Come on and
Fulfill your
All desires of
Life in time.

You are living,
That's the best thing.
But can you say
You are not dying!

What you are doing
That I can't say
But you are touching
At every moment new time.

Gajanan Mishra
Time Is Not Good And We Are In Conflict

We are here in conflict
With one another.
Natural disturbances are
All around us.
We feel the earthquakes
Along the mountains.
Blowing cyclones,
Heat and snowfall,
Uprooting trees by hurricanes,
Darkness reigned everywhere.
Natural disturbances are
All around us.
The ocean with its
high waves wailed around.
The rivers and lakes agitated,
Lotuses withered.
Claps of thunder heard,
Sounds of rattling chariots
Are there inside and outside
Mountain caves and houses.
Jackals yelled vomiting strong fire,
Owls, dogs cried here there,
Asses ran hither thither in herds,
Birds flew shrieking from nests,
Cattle in the cowshed and in woods
Passed dung and urine,
Cows terrified, yielded blood,
Images of gods shed tears,
And we are here in conflict
With one another, dear.
Reason is not with us, but
Bad time is there here with us.

Gajanan Mishra
Time Is Not Passing

Time is not passing
It is I who is passing.

I am not using time
It is time who is using me.

Gajanan Mishra
Time Is Not Truth

Time is not truth,
And yet I am going with time.
I want to stay timeless,
I am beyond and far above
The time from the beginning though.
It is true,
I am wasting myself with time.
Time is nothing,
But the symbol of my ignorance.
I have to keep myself far away
From time always.
I have to stay awake,
I have to stay always in knowledge,
I have to stay free from bondage.

Gajanan Mishra
Time is one but
Clothed with
So many divisions
And stitching us
In so many folds
And giving wisdom
To our innocent mind
And making us flow
With amended plaints
And telling us
Not to go back
And taking advantage
of our pious mind
Entered in to our
Bed room and
Pushing us behind
And showing peace flag
At the end of
Gymnasts' garden.

Gajanan Mishra
Time Is Over

Time is over,  
For sweet sleep.  
Time is here  
To raise your voice.

Time is here  
To fulfill your dreams.  
Time is over  
For anything else.

The iron is hot,  
It is the right time  
To strike.  
The sun is giving light  
Please rise and  
Hear the call of the land.

Gajanan Mishra
Time Is Running Out

Time is running out,
Time is running out.
You are to find the truth,
You are to find the truth.

You are the truth,
You are the truth.
The truth is in you,
The truth is in you.

You are to earn the truth,
That is there only for you,
Be truthful in actions, in thoughts.

Your thoughts can change your life,
Your life is here to say what you are,
You are to show all in your actions.

Gajanan Mishra
Time Is Taking Away My Life

Time is taking away my life
I am telling it always everywhere
Time is You my dear that I know and
I know no one is here who can kill time
Time is You my dear and You are here
Always everywhere at the same time.

Gajanan Mishra
Time Is With Me

Time is with me
But I am not mine.

Neither science
Nor arts
Can keep me here
At this stage.

I am running low
And low to
Give you signal
That I am not in time.

Time has already passed
Lo I am a fool.

Gajanan Mishra
Time Long

Time long,
Life short.
Let us come
And take
The sum and
The substance.
No way to
Go with time,
No chance to
Damage the life.
But to touch
The main point
And just to
See the sun.

Gajanan Mishra
Time Of Ruin

Nobody is so powerful to
Violates the rules of social order
To escapes the stages of life.
Falsehood fraud dishonesty forgery
Taking prohibited food adultery
All are sinful acts and not good.

Alas, we are destroying
Productive power of a man
And called it family welfare.
Alas, we are named freedom of woman
When they are destroying ethical propriety
To their licentious behavior.

Now dependence is known as independence
Moral degradation is progress
Beastly behavior is mark of civilization
Righteousness is communal-ism
Unrighteousness is secularism
Remember my dear, time of ruin is near.

Gajanan Mishra
Time Personified

Time is approaching for
Destruction of my own self.
Time appear time disappear
Time is trying to destroy
Me and You at a time.
I love time I love all pastimes
With all gifts and performances
That is yours that is mine.

Gajanan Mishra
Time Play

Time play
Time play everybody
Everybody is the plaything
Of time.

Time and time
Time belongs to nobody
Nobody can go
Beyond time.

Time join us together
Time separate us from here
Time is only here
We are no where in time.

Time and fate one and equal
That we met for the time.

Gajanan Mishra
Time Short

No time
Time short
Shortening the life
I went with time.

Where is the time
Let us go beyond time
Said my friend
And I went.

I went and
Reached no where
No time to say
Further from here.

Gajanan Mishra
Time To Cry

Time to cry is arrived
Listen and cry.

Say something
This is the time.

Contribute the problem
And go
Going is not the problem
And it is staying
Without listening
Without crying
In time.

Gajanan Mishra
Time To Exit

Time to exit,
Since I find
Not my mother,
Not my mother language
And not find me
On my sovereign
Democratic welfare
Mother land.
Exit point
Is here, and I
Have to go out
As I am debarred
To speak and write
In my mother tongue.

Gajanan Mishra
Time To Explore

Time is here,
Explore the depth of
Your thoughts.
Dear poet, write,
Again and again.
It is not the same
All the time.

Share precious moments
With peers.
Remember, this world,
A beauty parlor.
And you are being
Taken care by nature.

Go with your
Own ritual and charity.

And enjoy all
Fulfilled transactions.

Gajanan Mishra
Time To Hear

This is the right time to hear me,
If you are unwilling to hear
I am sure, it is out of egoism
And out of this egoism, you are
Not ready to accept the truth,
Out of ignorance you have forgotten
So many facets of life, and find faults
With others and you are dragging yourself
To danger that is near,
Time to hear, remember
My words are nectar, remember.

Gajanan Mishra
Time To Know

Time to know
Each other is here,
The bamboo tells the fire.
The fire nodded noodle.

The water tells the air,
Come on yaar* for the prayer.
And all they celebrate
Their togetherness with the star.

Time is not far,
They all departed and
I stayed there
With bumper care.

Gajanan Mishra
Time To Move

Let me go,
It's time
To move.
But where
And how
To move
That's not
Within my
Knowledge.
I find
No difference
Between
The water
And the land.
Between the air
And the sky.
But I want to
Move forward
With the light
That's within me.
I know no one
is there to
Push me or
Pull me
From any side,
But I know
It's time
To move.
To move in rain
And in the sun
Is the writings
Of the wall
And I want to
Move from here.
To move is
An action and
I cannot
Stop myself
To accomplish
This action.
I know
Incentive to
The action is life,
And I want to live.

Gajanan Mishra
Time To Pay Back

Time to pay back,
Everything here.

Prayer is to make
Life all auspicious.

How to arrive at
A decision- just wonder.

Life watch with
Dedicated coverage,
But enjoy
With your own symbol.

Broad view is,
You have to live
With all hurdles
That are with you.

Gajanan Mishra
Time To Return

Time to return is here,
Let us go together.

Wherever you are, please come,
I am waiting for you, you are welcome.

Remember, what you have done so far,
What you have got, see that is there.

What is left, think not,
Think who you are.

Gajanan Mishra
Time To See

Time to see,
Morning after morning,
Already we all are therein.

Turning left and turning right,
We all see and we all comment
On something stone or star.

Car is there to drive,
And we all live.

Gajanan Mishra
Time To Talk

It is the right time to talk
We all assemble here for the purpose.

The king is to regulate not to rule
We all support the king for general welfare
But When the king become autocrat
For the king backdoor is open downward there.

It is the right time to talk
Let us start to solve all our task.

Time, Dance Here

I like your play,
Time, dance here.
I like your glance,
Time, see me.
I am not to crack,
Time, test me,
If you so like.
Remember, I am
Not mine, I am
Not for me,
Time, see me,
I am for others, here.
I am proud of you time,
For you salute me.

Gajanan Mishra
Time, Place And Person

Important is all
Three are present
And they identify
Themselves as
Time, place and person.

Without going in to
Details it is not
Good to say their role
In the present context.

Each one is worthy
And to make worthy
Some sort of preparation
Is but necessary in and out
Keeping aside contradictions.

Gajanan Mishra
Time, Take A Rest

Time, take a rest,
Let me know the environment
All around me.

I am like the tiger, here,
I am smart and brave,
And I want to win all.
Time, take a rest,
And test me if you so like.

I am no different from you,
Time, take a rest
And see you,
But I am the winner, here.

I am not here to cross
The border but I am here,
With care, to see
The next chapter.

It is all in me, time,
And not in you.
All love and all truth.

Gajanan Mishra
Time, Take Me Back

Time, take me back
To the truth.
I know the truth has
All knowledge, power
And all opulence.

Gajanan Mishra
Time, The Supreme

Time, the supreme
Is here and
No one else.
The cause of all,
Birth and death
Is the time.
Time willing,
Nothing impossible.

Gajanan Mishra
Time-, You Are

I am leaving
Never to return
I am departing
To return
Depends on time
O my dear, I know
You are the time
And with me.

Gajanan Mishra
Time; A Life

Time; a life,
The world; a shape,
All in space.

All for space,
The life, the time,
And the world.

All are the sky,
All flow.

Gajanan Mishra
Time?

Time?
What is that?
Is it in my pocket?
I am confused,
When you uttered
The word.
But my pocket is empty,
And yet, you said,
I have stolen it.
If it is so,
Let me go.
I am not the one
Who can show
Everything.
And it is not possible.
Say what you like,
You have a mouth.
But I am here
To go on in my work.
It is not that,
I am not listening you.
Yet, I am on the side
Where there is truth.

Gajanan Mishra
Time-Endless

Time-endless,
Time-featherless,
Time-faceless.
I am fighting
With time.
Time itself
Is the beginning.
I have no power
To measure the time.
But I go
With time.
Time is not eternal
With me
In me.

Gajanan Mishra
Timeless Nameless

Timeless, nameless,
I am also motherless,
Language-less, landless.
Still, they declared me
Independent, sovereign.
Though zero, they
Entitled me hero.
I am everywhere, but
The tried to search me out
And failed in their mission.
I am my own creation,
They admit the fact and
Welcome me to the place
They are unknown.

Gajanan Mishra
What is time
Time is man-made
And time is not correct
I am beyond time
I care not time
Time is not here
Here I am without time
Time has no eyes
No ears and time
Asked me to move
And see the mirror
And the mirror
Told me to go
I know time is here
And there is
Identity crisis
Whose identity
I do not know
Time orders me to go
And I am here.

Gajanan Mishra
Time's Call

It is the time to do
What people want
People's victory
Is times call.
All are equal
In the eye of law.
This world is for all
Man is the final
And supreme mall
Where God dwell.

Gajanan Mishra
Time-Stream

Time-stream in my body
Fleshy and bonny.
I am on the waves
See me, my dear dainty.

East and west
Both are best
In this time-stream
That I swim.

I thought I am free
But no
It is wrong to think so
I have missed somewhere
My wedding ring.

My arms are strong You know
And You assured me
To take away from here
Though as yet
You are nowhere to found.

I as a ghost in sorrow
For the things that I
Want to do not yet started
In water-wraith ascend
I am at my end.

Gajanan Mishra
Time-The Reckoner

Time is nothing
But the reckon-er of
Appearance, stay
And disappearance
Of You and of me
Here in this universe
Neither you are
Above it nor I
But time admit
Its defeat in our love
In our truth
In our togetherness.

Gajanan Mishra
Time-Wheel

I am on this wheel,
you may called it
Time-wheel.
You are also here
with me.

What you are doing,
I am doing that.
Where you are going,
I am going there,
But with a difference.

The difference is that
You are, what you are,
I am, what I am,
without any mixture.

Gajanan Mishra
Timocracy

Democracy is no more,
But we have timocracy
With us, everywhere now.

Tiny Bird

Tiny bird,
What has happened?
Can you not
Raise your head
In this cold frosty day?
Where is your mother?

Come not out, tiny bird,
Time is not good,
Notorious pick you out.

Tiny bird,
Still, you have independence.

You are twittering
In your language
And telling your words,
You care, not
Whether anyone
Understand it or not.

But I am unlucky,
In my language the judge
Is also not ready to speak out.
How injustice!

Tiny bird,
For you the sun
And the light.

But for me
Everything is dark.
As I have close my eyes, see.

Gajanan Mishra
Tiredsome

It is tiresome
No one is looking
Handsome here.

Defect is not
In the person
Defect is
The institution.

Some sort of discipline
Is to be maintained.

Original and duplicate
Should be differentiated.

You are the residue
That I know and for which
I am silent, see.

Gajanan Mishra
Tirupati Tirumala Devasthanam

While going up and up and up
Jumping over hills over hills over hills
Tirupati Tirumala Devasthanam arrived.

You have to remained on line said my wife
Time might ranged from twentyfour hours
For a Darshan of just a second.

Have patience and patience only count
If you like you may have water Tea coffee
If you like you may take rest on line
Watch the television live aarti snnana.

You are not allowed to take any bag camera chhapal.
The holy God richest God please see and get mukti all.

Tirupati is the Sakhyat Vishnu and the
Manager of the world
You just have a wish and
See it is fulfilled.

Gajanan Mishra
Tit For Tat

The fox and the stork
Played the game of
Tit for tat
And lost both in the play
The fox and the stork
Are with us
And our thought is
We are the winner.

Gajanan Mishra
Titilagarh

Today I am here
At Titilagarh
In the district of Balangir,
Odisha, India.
Sunny-23 degree C,
Wind N at 10kmh.
Population - 31,251
As per 2011 census.
Find the nearest airport-
Raipur- 190 km.

Gajanan Mishra
Titilagarh - Hottest

I stay here,
Temperature goes
Beyond 49/50 degree Celsius.
Hottest place
With the highest temperature.

Titilagarh,
In Balangir district,
Odisha, India.

Here, common men earn
And they spend most parts
In liquor.

Here, money laundering,
Gamblings, prostitutes,
Are not uncommon,
Sorry to say, all know well.

Political leaders, officers,
Rich men- all use
Common men as tools
To fulfill their desire.

Left and right,
No scope for common men.
Division of Titilagarh
Has been made by Railways
North and south.

I find no one
Interested in culture, here.
But each one is engaged
In fighting against another
With instigation of profit taker.

Titilagarh, I live here.

Still, I love Titilagarh.
Still, I am a joker,
And no one cares for
My presence.
No one recognizes me
As a poet or a writer.
Still, I compose poems,
I write articles,
For common men,
And for all.

Gajanan Mishra
Title

Give a title
Pursue it.

Giving title is in your hand
After giving title it is you
To go behind it.

Through this title
You are going to search truth
And the secret of truth
Though the title is
Not based on truth.

Title given on imagination
And imaginary world is not real world.
Without imagination
You can not go anywhere
You can not achieve anything.
It is your imagination
That pull and push you.

From the starting
You are wandering
With the title
You have given.
Unless you forget
All that are yours
You can not reach me.

Go not with anything.
Come to me only
Come to me in empty.

Gajanan Mishra
To A Student Who Is Going To Appear Exam

Bother not about marks, my dear.
With a smile, appear the exam.
Come not under any burden.
For yourself you are appearing
The examinations, remember.
Keep faith within and
Be a scribe of your own future.
Relax and read all question papers.

Gajanan Mishra
To Aaeshanee, My Grand Daughter

Play, play there
Till I fire.
Learn life
Not from ABCD
But as you like
Beginning from
The very earth.
I love this,
I love that,
I love life
And nothing else.
See everything
But act not as blind.
Hear every word
But act not as deaf.
Speak something
That you love.
Love is life
And nothing else.
Life is not a
Plaything of knowledge.
Knowledge is nothing
But living.
Living does not mean
Keeping wisdom for nothing.

Gajanan Mishra
To Accept Truth

To accept truth
Is your greatness
Truth is the best friend
Here in truth-business
You can find only profit
And no loss
If you are in truth
You find no mental tension
You become healthy wealthy wise
You can meet truth
Only by the grace of almighty
Accept truth and lead a life
That is heavenly and pious.

Gajanan Mishra
To Achieve

To achieve
Joy and
Success, you
Have to know
Your own mind.

And your mind
Is within you.

And you are to
Regulate your mind.

You and your mind
Are not the same
But nothing is there
That differentiate you
From your mind.

Gajanan Mishra
To Achieve Desired Result

To achieve desired result
We have to be sincere and
Our processes are to be simple.

We should not go with our
Personal ambition, my dear
While rendering services to others.

For the good of the society
For all the suffering humanity of the world
Transcendental knowledge is a must.

Good and honest men are to see common welfare
Of all living beings, the aquatics, plants, trees
Reptiles, birds, animals, as all are part and parcels of almighty.

Almighty is a physical science and also a fine art
He is administering all from a single center
His motto is all good for all, an ideal man knows it.

Gajanan Mishra
To Achieve The Truth

To achieve the truth,
We are to face departure.
Anything is good,
We are to remember.

We are to keep the relation
With the truth.
Truth is our own life
And it is meant for all good.

Glory is there in departure,
Glory is there in truth,
Glory is there in good,
And we are committed to all.

Life is treated as truth,
If it is in love.

Gajanan Mishra
To Address No Time

To address no time,
Come in.

Sensation is burning,
Millennium after the millennium.

For deliverance and
For giving satisfaction
The truth is here.

Simply kill demons.

Gajanan Mishra
To Ahmed Sajid Of Srinagar

Live life as it is,
Feel all around you,
Try to know the self within.

Gajanan Mishra
To All People

Let me say openly
Every details
That are happening here.
Let me invite all
Kinds of hearing.
Let me approve
All the processes
That are here
For a life.
Let me understand
The questions and
Welcome, all
For truth
For love.

Gajanan Mishra
To An Octogenarian

See, your father mother brother
Well wishers are all dead and passed away
You yourself has expended the major portion
Of your life and your body is now
Overtaken by invalidity and also
You are living in the control of another
See your precarious condition, my dear
How you are unable to see properly
Unable to hear clearly, your memory is shortened
Your intelligence is disturbed, teeth are loose
Your liver is defective, you are coughing up mucus
Nobody is here to give you protection except the Lord
The almighty the omnipresent the omniscient
Don't be foolish my dear, your body is perishing, see
Remember your permanent identity, this is the right time
Now it is also high time to seek the protection
Of the Supreme Lord and remember
Your life is meant for seeking that protection
And by that you can save yourself.

Gajanan Mishra
To And Fro

To and fro,
Going and coming,
Downwards and upwards,
Our life, our time.
Still we say
We are okay,
Nothing is changing us
At any time.
Close and open,
Beginning and end,
Inside and outside,
Still we are telling
We are for us,
No one can topple from us.

Gajanan Mishra
To Appease You

O my Master
I am here to appease You
By humbly obeying
Your orders
And I am ready to
Do as per your
Dictation, my Master
I am ready to adopt
Any policy seeing
The situation.

Gajanan Mishra
To Attain Perfection

To attain perfection
To attain happiness
You must respect scriptures
The rules the regulations
Your whimsical life has no use
In true sense of the term.

Understand what is duty
What are those rules
And act accordingly
To elevate yourself
To the position of super
Stage higher stage of life.

Gajanan Mishra
To Attain Success

To attain success
You can adopt so many method
But be cautious
That might be dangerous.

Your enjoyment is
Yours only
I have no role
In any way.

Limit is there everywhere
You have to check yourself
In the light that are
Within you.

Hear the words of
Your hearts and take
Appropriate actions
In right time.

Gajanan Mishra
To Attain You

To attain you
I am leaving
The heaven.

Gajanan Mishra
To Awaken All

I want to
Work for all.
I want to
Awaken all.
I want the blood
Circulation in
The body of all.
I want to
Work for all.
I want to
Show the sun.
I want to
Tell, my dear son,
See all around you
And discover the truth.
Truth is that
You are independent
You are separated
You are sovereign.
I want to
work for all.
I want to
Awaken all.
I want to
Love all.
All the creatures
That are here.

Gajanan Mishra
To Be A Good Man

To be a good man,
You have to see
The big picture
At the feet of others.
And it is possible
When you love all,
To be a good man
You have to stay in truth.

Gajanan Mishra
To Be A Poet And

To be a poet and
A good poet, you
Need not go after
A single word,
You have to run
Not after the time,
You have to do
That work which is
Unimportant to so many,
You have to sketch the sky
Within and say,
You, yourself is
Far from that,
You need not fear
The ocean, but you
Are to pocket it.
To be a poet and
A good poet, you
Need to cry and smile
With ecstasy and
You set the words free
On the field that is
Within your reach,
And the field is
There to search you,
You are nowhere
To be found, though.

Gajanan Mishra
To Be Achieved

Nothing is there to achieve,
Nothing is to be achieved.
Still, we are all in the struggle,
Struggle to achieve something
That have no meaning.
Am I not right?
Let me narrate the whole story,
That is related to you only.
And in this way you are related to me,
But I am not able to return back your call.
Here on this lake, in this way,
I am fortunate to get you in open air.
How to satisfy you I know not the technique,
Yet I have composed this poem you can hear there.

Gajanan Mishra
To Be And Not To Be

To be and not to be
Who is clear about it?

I have sense-contacts
And I know I am pleased
When I am honored.

But the questions
are there unanswered.

By using conjunction
we are all diverting
ourselves to other side,
but real is not like.

And hence no happiness
is with us
though in placidity.

Gajanan Mishra
To Be And..

To be and
Not to be
And I am
In between.
What you think
That matters,
And so clear your
Thinking cell.

Gajanan Mishra
To Be Angry About

To be angry about
A lot of things are there.
But since the things are
not ours or under our control
It is not good to get angry.

Cool. cool, cool..

Gajanan Mishra
To Be Blind

For great future
Is an achievement.

Donate me the eye-sight
O my dear, to see You only
Donate me the ears, my dear
To hear You only.

If you think me fit,
Utter the words
You like most.

Let me utter
That words
That are Yours,
I am Yours, I am Yours.

Gajanan Mishra
To Be Or

To be or
not to be,
But be creative.

May know or
may not know,
But be positive.

Be a master and
stay as a master
always here.

Gajanan Mishra
To Beautify The World

All beautiful,
All expansion of truth.
All truth,
All for good.

Let us protect all,
That are here.
Here we are,
To beautify the world.

Gajanan Mishra
To Believe The Words

To believe the words
Very difficult.
Not under control
The stars.

Who is there
To differentiate between
The win and the defeat.

Gloomy the solution,
And men come and go.

Who else is there
And with whom
Very difficult to say.

Agree or disagree,
But eloquence is there.

Gajanan Mishra
To Both Men And Women

I called both
Men and women,
Take the first
Principle of
Your own religion
And that is love,
And that is -
Be faithful to
Your other part.

I called both
Men and women,
I called them
The truth here
On this earth.

I called both
Men and women,
Exchange your
Voice, my dear,
To each other
With great humility,
Stay in austerity.

I called both
Men and women,
You have achieved
Perfection, dear.
Fear not anyone,
You are under
The protection of
Love and truth.
All glories are
With you.
And all success
All victories
Are with you.
To Break

I am here
To break
The darkness.

I am here
To overcome
All sufferings.

I am here
To change
All poisons
In to nectar.
O my dear,
Open your eyes
And see,
I am here.

Gajanan Mishra
To Break The History

If you want to
Break the history
You have to think
The unthinkable.
You have to act
And make other
Surprised that
Your track is right.
You have to trangress
But not the truth.
You have to realize
Only the love
And you have to achieve
The welfare of all.

Gajanan Mishra
To Build A Just Human Society

To build a just human society on this earth,
We have to stand and go forward and forward,
Shoulder to shoulder without any discrimination.

Gajanan Mishra
To Build Some Process

Let us remember,
We are here together
To build some
Process for our
Own future.

Gajanan Mishra
To Carry Gun

To carry gun and taking law
In hands - not a right.
The gun is not the solution,
I repeat the truth yet again.
Right to life is your,
Nothing to deny, but you
Have to show respect to others.
Mindless violence be eradicated,
Evil forces should be kept a far.
Peace and development is there
Only with nonviolence,
With patience and good works.

Gajanan Mishra
To Catch The Air

To catch the air
To show the sky
is my only wrriting.

And I am
in the net
to express
my intention
to live.

And I wish to
get myself
that is out.

Gajanan Mishra
To Change The World

The poet wish
The world be change.
The poet is here
To inspire
To entertain
To challenge.

The poet is here
To change the world
With his pious word.

Gajanan Mishra
To Charm Others

To charm others -
The need.
Push yourself
Forward for this.

Drive out
All doubts.
But with cautious
And consistent planning,
You should start
Your journey.

Tell not others
Your plan and
Invite not
Embarrassment.

Gajanan Mishra
To Compose Poems

To compose poem
is my meditation.
It is but simple
and straight.
Just love and sing,
Just sing and dance.
See everybody afresh
every moment and
forget, you have
seen them before.
It is your life
that is passing
silently through
your own poems.

Gajanan Mishra
To Connect

To connect
Old and new
High and low
install elevators.

I am disabled,
See, Your honour,
and do as best
as you could.

It is you
to show
as my vision
is low.

Facilities be provided
and I may be elevated.

Gajanan Mishra
To Control

To control the wind
Is not so easy as you say
In this material body-car
Do you know who is the driver
I say it is your intelligence
Do you know the driving instrument
I say it is the mind
I am the enjoyer of the ride
I am also the sufferer
I know you are the witness
Of this journey.

Gajanan Mishra
To Count The Chickens

Before they are hatched
O men, I think this
Is sufficient to
Lead a life of saint.

Gajanan Mishra
To Cover All

To cover all the sky is there,
To publish all the water is there,
To bring all to light the air is there,
And the earth brings all together with care.

Gajanan Mishra
To Cover Yourself

You may live like a
Restless child
You may live like a
Dumb person
Being a great poet
Keep silence
And think about and
Observe life of a python.

Gajanan Mishra
To Create

I am here to create
What is to create
I do not know
It is I who can say
Wrong and right
And I confused
What to say and when
And it is at liberty.

Gajanan Mishra
To Cut Connection

To cut connection -
Not the principle,
Not the advice.
To join the opera -
Not proper,
Let me tell, dear.

But here, see
A stage,
And you have to
Walk and dance.
You have to compromise
With your own shadow.

Expel not
Any one.
Each one has
Specific role
To play and
You have to obey.

It is all perpetual,
All usual.
True, life is
Not for sale.
Business has no place,
And you have to
Show your own glaze.

Gajanan Mishra
To Defeat

I am not here
To defeat you,
I am also not
Here to admit
My own defeat.
I only want to
Conquer but
Without defeat.

Gajanan Mishra
To Define You

It is not possible to define you.

My imagination fail
My independency deteriorated while trying to go somewhere.

Nothing is easier nothing to relaxed.

The moonlit still filtering glow.
River the Ganges overflow.
Partition suit dismissed.

I am the heir of social tension only.
And I am failed to draw any scenes perfectly to put forth.

Nothing to cherish Nothing to freeze.

Gajanan Mishra
To Delight Me

O my dear
You are here
I know
Only to delight me.

You are here
O my dear
To gladden the truth
And to ease the pain.

Only for peace
Only for pleasure
O my dear
You are here.

You are here only to
See the sight and experience.

Gajanan Mishra
To Detain The Truth

No need to
Detain the truth.
And you are allowed
To complete the verse.

Let your mission be
Fulfilled my dear,
And let there be light
All over your journey.

Love is omnipresent, right?
The truth is omniscient, right?
Just hear, remember with love
All the truth in your life.

Mark the vibration within,
And realize the self.

Gajanan Mishra
To Die

To die
Is to enjoy
To live
Is to dive
To stay
Is to astray.

Everybody is enjoying
Everybody is dying
Everybody is living
Everybody is diving
Everybody is staying
Nobody like anything
No body is harmonising.

It is life
We are enjoying.

Gajanan Mishra
To Die, Stay Cautious Men

Nobody is there to die.
To die,
See, nobody is ready.
Dying is not an act,
But acting is there
And it is sure to die.

All are free,
But not so free
To go anywhere
At any time
With anyone.

Stay cautious men,
You are to guard yourself.
And you are to live here.

Gajanan Mishra
To Differentiate

Ask me not to differentiate
I am not the creator
And I cannot differentiate
The merit and demerit
The good and bad
The virtues and vices
Of anybody anywhere.

Gajanan Mishra
To discover truth
We are here,
To deliver justice
We are here.

If we fail,
Success is there
With fear.

If there is fear,
There would be no peace,
Life lacks pleasure.

Forgetting pleasures
We should go further
To realize the self
And to love all.

Gajanan Mishra
To Do And Not To Do

To do and not to do
I know not which is the truth.

Gajanan Mishra
To Do Anything

To do anything
Devotion is a must.
And that devotion
Is religion.

Let us go with
Our own religion.
And show the light
That is within us.

Self-control,
Self-respect,
And all the self -
Our philosophy.

We must go with the self,
That is beyond all here.

Gajanan Mishra
To Do Good - My Desire

To do good to others
Is my desire.
Desire itself
Is not harmful.
Welfare of all
Is the beatitude
Of truth.
And it is good,

Gajanan Mishra
To Do The Needful

To do the needful in time
Is not under my control.
My dear, it is you to strike
by giving me the presence of mind
that I know, let me say it
by the name destined.

You are my destiny. right?
What you wish that is happening,
My wish or my want has little value.
I am not able to save myself, it is true.

Let me hunt the time
But time is there with you
You are the time,
Let me express the truth.

Gajanan Mishra
To Drink

My life is my life
My life is in water
Water is my life
I am in water
I drink water
To drink is good
To drink water is to live
Life is the part and parcel of water
Pure water pure life perfect life
To drink milk is auspicious
To drink blood is inauspicious
Water milk and blood are
One and the same thing
Noting magic in water
In milk in blood
Water is not pure now
Milk is not available now
Blood blood and blood
Everywhere rage anger
I see here my life is also
Not mine, my dear
Nothing is mine
Everything is yours
This world is Yours
I am here just to suffer
Just to suffer.

Gajanan Mishra
To Each And Every Man

To each and every man,
My question is who you are,
Where you are, how long
You would be here.

My questions are specific,
But no one come forward so far
With specific truthful answer
And for which I am worried.

For how long we would
Remain in dark, for what
We shut out mouth and close
The doors of wisdom.

I see someone with
No eyelids, I see someone
Present everywhere, I see
Someone do everything.

But who I am, even this question,
I failed to put to me.
Am I intact here?
Am I not looted?

Gajanan Mishra
To Each And Every One

To each and every one
Let me say for good.
I wish good of all,
For the purpose of all good.
No false ego should be there
In your hearts.
Love reign the supreme, and
Nectar should be in your reach.

Gajanan Mishra
To Each Bow-Wow

I am not supposed to
Answer each bow-wow here.
If you are a boxer
Come on, taking bracer.
Let all men know
You are a good broker.
Mr buccaneer, leave all
That are with you-bugbear.

Gajanan Mishra
To Educate A Man

To educate a man
Is schooling necessary?
What is the role
Of a school at present?
Is it doing anything more
Than giving marks, certificates?
What is the use of marks
In an ideal state?
What is the benefits of
Parents, relatives or society?
How far a man is able to
Learn the nature and love?
How far he is provided scope
To lead a truthful life?
What is the meaning of
Socalled ideal school?
What is language of teaching
There in the campus or
Outside life in society?
How far the present education
Is able to impart knowledge?

Gajanan Mishra
To Enjoy Pleasure

To enjoy pleasure
I am not here.
To suffer pain
Also I am not here.
I know to attain
Perfection is
My aim.

I have got absolute right
To attain perfection
With You, my dear.
I know and I am sure
I am giving my best view of love
Towards life, towards truth
Without any doubt.

Gajanan Mishra
To Everyone Here

Every one is here
Able to understand
Your ulterior motives.
Think for while
And proceed.
Keep all goodness
With you, my dear,
And be positive always
For your own safety.
Think for a while
No one is your friend,
So also no one is
Your enemy, Besides yourself.

Gajanan Mishra
To Execute Your Will

To execute your will
I am here.
And I am ready to bear
All troubles and
I am never disturbed
By any reverse effect.
I know it is not I,
But you are in all.

Gajanan Mishra
To Fall

To fall,
I am not here to fall
I know, You are with me
And I am with You, my dear.

I discover myself in You
I see in You innumerable universes
With many strange spheres
And it is beyond description.

I see everywhere
The same beauty the same wonder,
O my dear, and I starred up
With overwhelming ecstasy of love.

All is inside You, my dear,
And there is no question of fall.

Gajanan Mishra
To Fellow Worker

I am glad that you are with me
I greet you all, O my fellow workers
Be just and proper and have faith
Live in faith with faith, O my friends
I greet you for your full cooperation
In this mission to establish peace
Stability and in truth's realization.

Gajanan Mishra
To Fetch You

To fetch you only
I am roaming here
within the time
allotted to me
within limited over.
Does not matter
how much batting.
In due course
I must get out
It is true.

It is also true
to complete fetching
You are the only person
who can help
And it is I
who can cross the
border of dispute
that you are not
a part of it.

I am thankful
and grateful
that you direct me
to move on this
right path of poetry
Where you are always
with me.

Gajanan Mishra
To Forget

Life is here to forget
Birds forget and fly
The Sky forget and remains
I forget but not love
And it is love not I
Who is here with you
All days in sun and in moon
And again and again
I come here and go there
And I forget the names
The places the sights
And you remember me
Call me and I feel my
Presence with you
Life is here to forget
Not you.

Gajanan Mishra
To Forget Nothing

Nothing is here to forget
And yet I have forgotten
Everything in words.

The reason - I know this body
Organs minds hearts souls
Nothing is mine.

The reason- I belong to Him
And I love Him
And He is here with me.

Gajanan Mishra
To Full Satisfaction

No one can fulfill
His desires to his
Full satisfaction.

Gajanan Mishra
To Get All Happiness

To get all happiness
You have to remain in silence,
You have to give grass to cows,
dal to birds, bread to dogs,
gruel to fishes and serve the parents.
To get all happiness
You have to stay like the tree or hill
And bear all pain.
To get all happiness
You have to blow and flow
Like the air, like the water
With all dust and dirt
To touch the sky and the ocean.
Remember, You are earth’s worthy son.

Gajanan Mishra
To Get Established

Truth is here
And I am here
To get established
In Truth.

Let me love
And love should be
Here with me
Only by renouncing
Everything.

Let me forget
What would happened,
Let me forget all aversion
To disagreeable actions
And let me enter in to truth.

Gajanan Mishra
To Get Established In You

To get established in You
Is my ultimate aim and goal
I am in Truth, see me, not foul.

How can I relinquish You
You are my fruit you are my fruit of action
I am performing everything only for Your satisfaction.

I know, my dear, You are undivided
In the divided
You are pure intellect.

Gajanan Mishra
To Get Nice

I am free
I know nothing.

I knew nothing
I slept comfortably.

No need to know anything
I am in peace
And in coming days
I am to get nice.

Gajanan Mishra
To Get Or Not To Get

Is the crucial question,
I am afraid of you
As you are stronger,
I am angry with you
As you are weaker,
Here is the answer of
Getting and not getting,
Going above getting and
Not getting is perfect
Living at this time,
Neither horrifying nor
Satisfying is real
Getting joy, that is to know.

Gajanan Mishra
To Give Direction

To give direction,
Have you any power?
And if yes,
Who has given such power?
Such transferred of power,
Let me asked again,
And I want to know,
Is authenticated or not?
Who has got the power to certify
Such authentication?
See, no more emperor
Anywhere here or there,
No perfect time
Is there to do the work.
But I am there to watch,
I am there to hear,
I am there to act,
As the situation demands.

Gajanan Mishra
To Glance

It is true,
We are all knowledge,
We are illusion,
We are both hard and soft.

It is true,
We are here for each other.
We are all merciful,
We are all wonderful.

We are to deliver the earth
In a new form,
We are to raise our voice
In clear term.

We are here to glance
Over the sky and to fly.

Gajanan Mishra
To Go Alone

To go alone
Is the destiny.

Gajanan Mishra
To Go To Next Chapter

I don't mind
Whether you love
Or hate
I don't bother
Whether you write
In prose of in verse
I am concerned with
Your message that is
Important for me
That enabled me to
Go to the next chapter.

Gajanan Mishra
To Go With You

To go with you
Is a blessing,
I know, dear.
To speak you
Is also a blessing
And you are there
To give permission.
I am ready here
To go at any time,
Just give a call
And see how far
I am committed
To you and
To the truth.

Gajanan Mishra
To God

I have interest in You,
I am attached to You.

I know my deficiency, my dear,
And I develop the power to remove
That deficiency and I am making
An attempt to remove it.

In my path
No obstacle is there,
There is no hurdle
Nobody is there to create
Any hindrance at any stage.

I am obstinate, yes I do agree,
I am obstinate and I am doing
As I please, only to love You.

Gajanan Mishra
To Greet Me

You are coming out
To greet me, my dear,
You are really the great.
You are the saviour of
The down-trodden, my dear,
And taking any form
With any symbol.
Let me embrace You, my dear,
As You embrace the universe,
You are really the great.
You are black, You are white,
You are turmeric, You are pink.
And by this colors You represent
All and all in this universe.

Gajanan Mishra
To Have

To have
Disinclination for the world
Is a must, to get peace.

To fulfill
This end, you have to
Take five vows, my dear.

Non-violence, Truth
Non-stealing, Celibacy,
And to refrain from hoarding.

Gajanan Mishra
To Hear About

To hear about
The truth,
I am here.
To know the truth
I am adopting
So many formulas
In so many ways.
To represent the truth
I am here with
My words and language.
Let truth liberate all,
From all falsehood.
I am here to speak
About the glories of the truth.
Truth and only the truth,
I need and only for the truth
I perform my duties
For the benefits of others.
Let the truth be published
For public welfare.
The truth is only here
And nothing else.
I am the truth
You want to listen to,
That I know.

Gajanan Mishra
To Hell With

To hell
With all
If not
In love.

Be patient
And understand
Love.

Love is
Unchanged
And it is
The enemy of all.

All are
The victims
of love.

Gajanan Mishra
To Hell With Opulence

To hell with opulence
To hell with power! !

I fear this road
I fear it is going
To hell.

I fear this power
This opulence can produce
Arrogance.

Gajanan Mishra
To Influence The World

I have the power
To influence the world
And I believe in
Good faith and common welfare
Each and everybody is
More important
In terms of global vision.

Gajanan Mishra
To Keep Humility

To keep humility
Is good.
When I am good,
All goodness are
With me,
And I am fine.
Tell me anything
I will not mind.
I know nothing is sin.
I see everything
And everybody is pious,
Pious to the core.
And each one is giving
Light like that fixed-star.

Gajanan Mishra
To Keep In Good Cheer

To keep in good cheer
And rely on close friends-
The need of time.
Accept the challenging day
And enter the new venture
But have patience
And take a little
Amount of coaching.

Gajanan Mishra
To Keep Our Identity

To keep your identity
By useing your own language
Like the cuckoo, like the lion.

Life is valueless without
One's own language, remember.

Who is he? where from he
Has appeared how can we say
Without listening his original voice.

Enrich your own language
My dear men, your soul is there,
Your own earth is there,
Your love and entire truth is there.

I am here to learn your language
In addition to mine to know about you

Gajanan Mishra
To Kill Me

To kill me
No one is empowered.

To get victory
Each one is capable.

To stay silence
Is my right.

To speak what I like,
Is not the freedom.

To go anywhere -
Not permissible.

Still, I live
And I die,
And I speak
In Poems.

Gajanan Mishra
To Know About

In affection and confidence
I am staying here and asking
You, my Father, all about here.
I know, You are all and all
To know about something
Is to know You, as You are in all.
I am Your son, I am Your servant
I am here to serve You each and every time
O my Father, You are my life-stream.
Let me pray before Your good self
Give me a chance to serve, as I deserve
Give me a chance to know that You preserve.

Gajanan Mishra
To Know About The Self

If, to know others
Is good, then
To know about
The self is
The best.
Know and
Confirm your
Plan and programme
For the next year.
I am here,
Forget not,
For you.
Remember, I have
Forgotten everything.

Gajanan Mishra
To Know All

To live for ever happily.

No desire means
Commit no error
And live happily for ever.

Nothing is perishable
And realize the truth
And live happily here.

To know all
To see inaction in action
And see action in inaction
Is to enjoy life
In detachment and forget you are doer
And live happily for ever.

Gajanan Mishra
To Know Different Names And Things

To know different names
And things are not necessary.
I know you, I feel it's enough
To live and to lead a good life.
But I have to practise discipline
That I know from the beginning.
It is alright what is there with me
For my own ideal with no selfish motive.

Gajanan Mishra
To Know Holy

Who knows
What is holy?
Let us practice
To know holy.

Holiness is
There within
And we are
Under training.

Through the process
Of inhale and exhale
We can proceed forward
To receive reward.

Who is not interested
To reach You and it is no body.

Gajanan Mishra
To Know Is Difficult

To know the real name address occupation
Of a person is really difficult
Unless and until it is he who revealed.

Not knowing anything it it difficult to
Say something before all in the meeting
It would be confusion delusion and no valuation.

Gajanan Mishra
To Know The Truth—I Am Waiting

See me,
I am also playing
With the words
At every moment.

Read me,
Follow me
And say something
That you think.

You are free
To do
Whatever you like.
I am here
Waiting for you
To know the truth.

Gajanan Mishra
To Know The Unknown

To know the unknown
We are here
To find the answers
And to put the questions
We are here.

We are here
With pleasure
We are here
Not to wonder
With certain future.

And for future
We keep ourselves away
From all
To know the unknown
We are waiting
For your call.

Gajanan Mishra
To Know You

I do not know who You are
I am performing everything
To know You only You
I know O my dear You are
Supreme knowledge
I am always rendering
Service unto You
You are my supreme goal.

Gajanan Mishra
To Know You I Am Here

To know you
I am here,
To know the nature
I am here.

I am here
To love you.
And true love
Know nothing.

No rules,
No regulations,
No formalities
And nothing is
Required to love
And to live here.

Gajanan Mishra
To laugh is not bad,
But you never laugh,
I know, dear.
But why you are silent
That I know not.
You are the master,
Master of all words.
Without your consent
No word sound well.
You are the means,
You are also the end,
And yet, you allowed
All to laugh and utter
Words for good.

Gajanan Mishra
To Learn Life

To learn life
We have to read
And write poetry.
Poetry is the light,
Poetry is the love,
Poetry is the truth.
And poetry show
Correct path of life.
Life is already written
In the hearts of nature,
And nature is full of poetry.
Poetry is the way to find
In the midst of poetry.
Poetry the way to get nectar.

Gajanan Mishra
To Leave The Place

To leave the place
You need not search for time
And anyhow if you got it
You slept.
Anyhow if you find yourself
In between the time
You have left the place
In the same time.

And in the same time
You lost your age
And what is age
It is nothing but time
The color the weight the height
Does not matter here
And you did not like situation
That you faced here
At par with time.

Gajanan Mishra
To Link

Necessary to link
All weather connectivity
To link telling truth
Always is a must
Only by telling truth
Always the tongue get
True taste.

Camel may enter
In to the hole of
The needle
Unless one tell truth
It is not possible
To escape from this
Worldly bond.

Be srdaight
Be steady
Be firm
Be truthful
All weather connectivity
Is open with you
And link open.

Gajanan Mishra
To Listen To The Song

To listen to the song
No one is there said the bird,
Still, I don't care,
Said the bird.
The bird is not there
Still, the song is there
And it makes the atmosphere hot,
The bird care not.
The bird is there in the forest,
And the forest is full of terrorists,
The terrorists are against humanity,
And destroying the value of the song.
The birds and the songs are
Not the one and the same, and yet
They are trying to bring the terrorists
To the mainstream of peace
And tranquility.
But no songs, no peace and
No tranquility is there,
And life is not being cared.

Gajanan Mishra
To Live A Life Is Here

To live a life is here,
But to hide nothing is here,
No one is also here to
Save himself hide from nature.

Hiccup is there I agree,
But you cannot termed hiatus,
It is here I am the minstrel,
And you are all here with me.

Minutely we are to observe life
And life itself is going on its way
Without informing us and we are
Taking pain unnecessarily and
Killing time for nothing and
Presenting ourselves in mockery.

Gajanan Mishra
To Live In

I am here
From the sky.
I am here
Keeping the sky
Within me.

I have my own
Personal energy,
Mental force
And all strength.

I am the sum total
Of my identity,
I belong to me,
I am here
To live in.

Gajanan Mishra
To live is to
Tolerate,
To tolerate is to
Love,
To love is to
Going towards truth.

And truth is here
With us,
And we are learning
How to love and live.
We are living
With a hope to
Conquer the self
And the self is within.

Gajanan Mishra
To Live On This Earth

To live on this earth
You will have to take care
The water, the air.
You will have to know
How to live and let live.
No place of hate
But love is there
Always everywhere.

Gajanan Mishra
To Live With Dignity

To live with dignity
Is birth right of all
All animals birds and human.

Our hands are not to hurt
But to heal
Our hands are not to butcher
But to bless
Our hands are not to slaughter
But to save
Our hearts are not to hate
But to love.

To live with dignity
Is the birth right of all.

Gajanan Mishra
To Live With The Sea

To live with the sea is not easy
You live with the sea and say
Not faced any storm how can it be
You can give a consolation
One who bear is the seer.

Gajanan Mishra
To Love And Love

Love is real
And real worship to all
And in all almighty is present
Loving is real worshiping
In worship one is
Connected with Him.

Gajanan Mishra
To Love Is But Natural

To love is but natural,
Let us come to love and
To live a life of nature.
Life is a process of creation,
 Destruction has no role to play
 In this process, remember.
Life is a passage of all good,
 Touch life and touch virtue.

Gajanan Mishra
To Maintain Status Quo

The world is changing every moment here
I know You know and it is well known to everybody
And still we all are trying to maintain status quo.

We are trying to maintain status quo
And so we are always full of anxieties
We are diseased with some kinds of ailments.

We are now not blessed to live together
To earn livelihood we are going far away
From wife, husband, sons and other relatives.

We are going away from all and from our-self
We are all suffering from both internal and external diseases
We have full knowledge about the world and still we are unhappy.

The world is changing every moment here
And we are unhappy with these changes, we know
We are no way related with the changes though.

Gajanan Mishra
To Make Life Successful

To make life successful
Come to me and
Come to me and see
Yourself full.

You are beautiful
And pleasing that I know
Note that it is
Only for me.

Don't go
On your own way always
Come to me on my ways
And see you are fortunate.

Think life as an art of singing
See life as an art of painting.

Gajanan Mishra
To Make Sense

To make sense
You have to love first,
To make sense
You have to stay on truth.

Victory is a must
If you are in truth
And in love.
Whose victory?
Victory of the self.

Where is the self
You have to know
In day in and day out.

Gajanan Mishra
To Make The Poet Free

To make the poet free from
All full stops, commas,
Semicolon, square brackets,
Hyphen, dash, question mark etc
I am writing poems freely,
And telling everything
Without caring metre, ma-gana,
Bha-gana and such obstacles
And I give a call to write
And write more and more
In free-verse but to touch
The hearts of all who so ever
He might be just to established
The greatness of humanity.

Gajanan Mishra
To Make You Mine

To make you mine,
O Lord, I can do anything.
Before doing anything
Let me say-
I am Yours,
Yours for ever.

Gajanan Mishra
To Me

Come to me,
I am here.
I am with clouds,
I am on the earth.

Say what you
Want to.
I am here
Waiting for the truth.

Give me stone,
I am here to prove
How strong you are
And what you are
Going to do
With your bone.

Let me find
Life in you,
Truth in you,
God and good
All at a time
In you.

I am living
For you.

Gajanan Mishra
To Merge

See the river
It is going
Towards ocean
As I am going
Towards you
to merge
Losing identity
Forgetting everything.

Gajanan Mishra
To Mother-Tongue

I want to
Return to
My mother,
To my
Mother-tongue.
Like the clouds
Return to the ocean,
Like the air
Return to the sky.
Let me return
To my mother-land,
To my mother-tongue.
I discover there
My own heaven.

Gajanan Mishra
To My Discretion

It is to my discretion
You have left me alone.

Alone I stood, see
In front of You.

You are here
Seen by nobody.

I declared
It is I and I only.

Gajanan Mishra
To My Enemy

Of what use is your anger?
It does not carry any meaning,
I have already declared that
My love is in extreme point.

I am with the grass and
With the flowers that are
Pure white in colours and see
Nothing is there on my body as cover.

Gajanan Mishra
To My Grand Daughter-Aaeshanee

To my grand daughter
Aaeshanee, one and half year old
This lion made of
Sandal wood is real
But to me it is a piece of wood
I enjoyed the lion
With my grand daughter
But I know it is not real.

Gajanan Mishra
To My Land

To my land
I called desha,
And it is
Safe and peaceful.
I am performing all
Good rituals here.
All are healthy,
All are pious here.
All know laws
And they are conscious.
If anyone commits
Sinful acts, we consider
Him fallen. We tell
Be cautious men.

Gajanan Mishra
To My Little Son

My dear,
Please remember,
One who takes a daily bath,

And above all company
And the love of all.

Take a balanced diet
For healthy living,
Long life, happiness.
Son, my dear,
Give no shelter to
Idle, inactive, jealous, liars,
Cruels, alien, wearing the rough dress.
Also, ask not for anything
From a miser, an abuser, fool, wicked,
Wild nurtured, cruel, mean,
Heartless, ungrateful.
Also, dear son, you are not
To serve a harmful, a lazy, a liar,
Fickle in loyalty, devoid of love,
And render no service to
A man who considers himself as wise.

Gajanan Mishra
To My Son

Think not about the result
Think not about success or failure
My dear son, go on reading and reading
And appearing examinations and examinations
Remember, every day is a day of examination
And you are appearing examinations every moment
Under no circumstances you should discard reading
And appearing, Mind it result is not at your hands
It is in the hands of those who are conducting
Your examinations and reevaluating your performances
It is their duty to declare result infavour or against
You should not bother about that it is not your look out
Be sincere in your reading and reading and appearing.

Gajanan Mishra
To My Son- Suman

Subdue your passions,
My dear son and
Control your mind.
To attain your goal,
You are to stay detached
From sensual pleasures.
Go with devotion and
Faith here on this earth.
Keep desire away from you,
See the truth and
Truth is that no heaven
No hell can keep you
In save at any time,
Think not anything.

Gajanan Mishra
To My Son Who Is Abroad

My dear,
You are my self
Reborn,
You are my son.
You are the reservoir
Of all my virtues.
Is there any difference
Between you and me?
You are the reflection
Of my spiritual nature.
You are worldly,
You are enjoying
Worldly life.
And you are a
Worldly person.
You are the devotee,
Devotee of love and truth.
You are visiting
So many places
And you are knowing
So many facts
What I really am.
I know how precious
You are, my dear son.
You are my own self
Reborn.

Gajanan Mishra
To My Wife

Do you know, my dear,
definition of wife?
Let me take you to Chanakya,
The guru of governance.
It is Chanakya who is
here to told you how
wife gives peace
and keeps contented.
And it is Chanakya
who is awaking us always
from life-sleep and
by telling go away
from unfaithful friends
And stay with devoted sons.

Gajanan Mishra
To name is
Just to go
With awareness.
Naming is
Connecting,
Connecting is
Witnessing.
Witnessing is
Just taking
The breath.
Giving a name
Is nothing but
Acquiring knowledge
Through love.

Gajanan Mishra
To Odia Poets

Demortgage your conscience
My dear Odia poets/writers
And return your awards
As the person / institution who has
Given you is not able to
Use your language in any
And all purposes within Odisha
And violated the Constitution
Of India and doing unlawful act.

Gajanan Mishra
To One And All

To one and all
I asked the meanings,
The meanings of words
And the meanings of life.
To one and all
I handed over the fruits
But no one agreed to
Take it from me.
I searched out my position
But I could not succeed,
I realise where I stood
On the seashore - no more.
You are the only one
Who followed me for nothing.

Gajanan Mishra
To Open The Eyes

To open the eyes,
To light the lamp,
To show the mirrors,
We are writings poetry.

We are throwing our lives
To the fire while
Telling the truth
For larger interest.

We are the human beings
And we are here to see
The welfare of all beings
For a peaceful living.

We have colors,
We have blood,
We have love
And we feel
The truth here.

We know the time
And we keep ourselves
Inside us for
Good of the self.

Gajanan Mishra
To Overcome All

To overcome all
You have sent me here.
I know it is not difficult
To overcome all with your presence.
And you are present here
And helping a lot
In the process of overcoming.
I am not deluded
Since you are here
With me always.
I am crossing all illusions
Steps by steps with
Your permission and you are,
My dear, my life's respiration.

Gajanan Mishra
To Please My Master

To please my Master  
I am doing here  
All sorts of works  
Good works and serving  
His world  
I know my Master  
Has kept me here  
Not only for enjoying  
myself my pleasure  
But also for rendering  
Service and bringing  
Joy to others  
My Master kept me here  
For the good of others  
And for worthy and  
Beneficial use .

Gajanan Mishra
To Pluck Me

I asked you
To pluck me
At this time
Of my cries.
I asked you
To give me place
For my stay
At your heart.
And you said
Okay okay, my
Dear, be active
Always all days.
Sweet love, go
And enjoy your days.

Gajanan Mishra
To Poet Robert Murray

On track
Said poet
Robert Murray.
I replied not,
And it's okay.

Track is one,
I know dear poet,
Life is one,
And it is
Going towards
Death.

Night and day
No difference,
And the sun erases.

Come dear poet,
Together we will
Crush the sky.

The sky sustains us
On this earth.
And we are fully equipped
With words.
Still, we see
The cracks.

Gajanan Mishra
To Protect

To protect all,
You are there.
To give water
The river is there.
To maintain all
The tree is there.
I am here to love you
For life and for truth.

Gajanan Mishra
To Prove Right

Let me allowed
To prove right.
I am sure,
Right is there
Everywhere
With everyone.
Just enter
Into the room
And find the right.
The right allows us
To move towards
The light.
Focus light
On right.

Gajanan Mishra
To Purify Me

To purify me
I know
You are here
O my dear
To purify me
You are doing
Everything here
I know you are
Giving me disease
Disgrace misery
misfortune
trouble tribulation
And telling me
To rejoice in
Every situation
I know everything
Is Your mercy.

Gajanan Mishra
To Read Me

To read me
You are there,
To assess me
You are there.
You are there
To declare me
As the winner.
I am the singer
And you are the song.
I have no downfall,
As you are there.
I have no power
Of my own, I know.
I depend on totally
On your power.
And you are there
To support me,
To read me,
To evaluate me
Till I fade from sight.

Gajanan Mishra
To Realize The Truth

To realize the truth you are here
You, the man superior to all
Material things and wealth
And remember discrimination
Is superior to you
And O my dear All-mighty
Omnipresent Omniscient is
Superior to discrimination
And here lies the truth
And you are here O man
To realize the truth
You are the truth
This world is based on truth
And full of nectar, my dear.

Gajanan Mishra
To realize the truth
We are here.
We are here
With faith, promptness
And self-control.
We should go
On the path of knowledge
With love and devotion.
Truth is there
We should realize.
We are all the fruits
Of love and truth.
We should go deep and deep
To get the nectar here.

Gajanan Mishra
To Realize Truth

To realize truth
Is my goal.
To love
Is my life.
Love and truth
Are two sides
Of the earth.
And am here.

Gajanan Mishra
To Realize You

I am here
Besides it
I have no other purpose.

In this process of
Realization desirable and
Undesirable circumstances
Have no role to play.

Every circumstance is
Conducive to fulfill
My target of realization
Where in lies my identification.

Gajanan Mishra
To Reap Fruits

To reap fruits
The farmer is busy in cultivation
To pass in the Examination
The student is reading day and night
This is nothing
But nature of passion
This passion is necessary
For pleasure
And where there is pleasure
There is pain
Where there is pain
O my dear, I pray You
To come to rescue.

Gajanan Mishra
To Reap The Fruits

We are all here
To reap the fruits
Of our actions.

Gajanan Mishra
To Receive You

To receive you
No one is here.
No one is here
To accept you.
But I know, dear,
You are the truth,
And you come to
Everyone with all good.

You care not
Like or dislike
Of anyone.
You are no there
To calculate time
Or to obey anyone's order.

Gajanan Mishra
Poems are being written
To see life afresh
Again and again.
Poems are being written
To see the darker side
Of life again and again.
Poems are being written
To remind the readers
Nothing is yours, dear.
You are also nothing
And you cannot do anything.
Poems are being written
To regain the loss that are
Here in living for others.

Gajanan Mishra
To Relief From Pain

Go alone, go alone,
Better not to keep
Any earthly friend.
They are not there
To relief you from
Any grief and pain.
Go alone, go alone,
Sun moon all alone.

Gajanan Mishra
To Relish Love

To relish love,
To relish love
I am one
I become two
To relish love,
I am I
I am also you,
And believe it
It is true,
More sweetness
Is there in two
But it is one,
I know, you know
Love is pure and pure.

Gajanan Mishra
To Repay The Debts

I have acquired
This body from
My parents,
I have acquired
Knowledge from
My teachers,
I am taking food
Grown by cultivators.
I am wearing dresses
Made by weavers,
I am in peace
Situation created by
My well-wishers,
I am residing
In a house
Build by mason,
And in this way
I am indebted with
So many persons
At so many times.
I know nothing is mine.
I know I am here to
Work for others
At least to repay
The debt.
I am not the owner
Of anything
That are here.

Gajanan Mishra
To Rule The Earth

To rule the earth,
You have to earn
Full knowledge
Of everything
In perfection.

You must not act
As a puppet
In the hands of
Selfish interest.

Do everything
Out of your own good will,
You should not have
Any ideology of your own,
But you are to follow
The principle of
All welfare of the people.

Create a program
That is acceptable,
That is applicable
By everyone
At every place.

Gajanan Mishra
To Satisfy Curiosity

To satisfy curiosity,
Nothing to do.
But see and hear
And say all good.

While saying,
Stay speechless.
And realize
Being witless.

Gajanan Mishra
To Save

This land is here
To save you
And you are not
To save the land.
You may come
You may go
But the land is
Here remains permanent.
You belong to this land
This land not belong to you
You are nobody
Land is everything
For everybody.
To save the land
Land itself is sufficient
Wait for right time
Wait for right moment.

Gajanan Mishra
To Say

To say
I am yours
Is false
To say
I am with you
May be true
For the timebeing.

To say
I am your friend
Is a bare lie
To say
I am your enemy
May be true
Depending on situation.

To say
I am not yours
Is false
True is I am yours
Though you are
Not mine
And you are
With me
And so I am
Fine.

Gajanan Mishra
To Say No

To say no
Is a falsehood
That I know.
If you say
You have nothing
You are condemned.
Falsity is
Abominable no doubt.

Gajanan Mishra
To Say Nothing

To say nothing is
To say everything.

Achieve success in life
By saying nothing.
Achieve not happiness
And distress
Achieve success
Following injunctions.

Stay there
Where you are.
Blind man is led
By a person who has eyes.

Satisfy always
In your own position.

Gajanan Mishra
To Say Outsider

To say outsider
To embraced falsehood
Each and everybody
Is competent to
Complete tha task.

Right to interpret
And depict not denied
Factual aspect is there
Why to cut size
Reason not found.

Set in and punctured
Situation with handicraft
For ontoward incidents
Responsibility fixed
Daredevil played in openfield.

Gajanan Mishra
To Say Something

To say something about a matter
is trying to destroy it.
Let us try not to be a
part of any destruction, dear.

To read is to enhance the energy
and to go ahead of the self,
But going ahead is not advisable
as something may be missed.

To wake and to rise is good
but for what? if you are unable to know!
I cannot say whether you are
living or not.

To live, writing is necessary,
To write, reading is necessary.

Gajanan Mishra
To Scratch The Line

To scratch the line
I am here.
The line is linked
With the sky.

The sky is for me
I know and I realize
The truth there.

It is all multicolored,
All pleasant.
Great question mark
I pointed out on oh! and ah!

On seeing everything here
I say good morning to all,
Covered with all truth.

Gajanan Mishra
To Search

To search
Ourselves
We are here.
To fill up
The ocean
Tears fall
From our eyes.
To go nowhere
We are walking.
And we are
Leaving the place
Where we stationed.
We are forgetting
Our own words.

Gajanan Mishra
To See Dream

To see dream
I am excited
Greatly.

I move forward
Wonderfully
In sleep.

And I keep
All together
Friendly.

Formally and
Informally
I take all
Easy.

All official,
And all
Businesslike.

I use my dreams
In my works
Openly.

I know
What I am doing.
I care no one
And nothing.

Always,
While doing,
I learn
So many things
From so many.

I dream
And I materialize
Effectively
In a proper way.

Gajanan Mishra
To See Me

You are here
Only to see me
I am with you
I am in you.

Gajanan Mishra
To See The Sun

To see the sun
See, how eager I am.
But I have forgotten
I am the sun here.
The sun is within me
And I am unable to
Make the sun rise
At this night hours.

Gajanan Mishra
To Serve The Truth

I am here,
To serve the truth.
The truth is here
To serve me.

I am here,
To understand
Everything
In relation to truth.

The truth is the light,
The light is the good,
The good is transparent,
And I am there in truth.

Gajanan Mishra
To Show

To show, nothing is there,
If anything is there, there is
Only blood, blood and blood.

Some one is asking
Whose blood is white
And whose black
And whose yellow.

Answering man was absent
And calling man was there,
If anyone was there,
That man was fail to give
Anything as you thought
And I stood on the earth,
The earth was rot.

I was nobody, as you told
Before all, for the reasons
Not known to you also,
Who has done what not known.

I am not the person to start
And for clarity, nobody was there
No blood and nothing.

Gajanan Mishra
To Show - No Meaning

You have nothing,
Still you are trying
To show - no meaning.

Gajanan Mishra
To Show Fair

See,
I have everything
To show fair,
I am passing
Through the fire.

The star is there,
And the moon is there,
And the sky is
Burning there.

But think me not
A silent spectator,
I am doing everything
That are to be done
With air.

Gajanan Mishra
To Show You

I am here to show you
How the flowers buds blossom
And how the birds be on the wing
In the vast blue sky.

Gajanan Mishra
To Sing A Song

To sing a song
You are to take
Prior permission.
You have to clarify
What type of song
You are going to sing.
You have to explain
The reason of singing.
You have to state
How far the present
Wordings are helpful
To listeners.
For talk you are to
Appear and align yourself
In to a group.
You cannot do anything
Independently here
For your own sake.
Your life is not yours,
Remember and do
Whatever you think proper.
Anyway, you are to live
And face the consequences
That are so near.

Gajanan Mishra
To Smile And Cheer

Believe me
I am here
Trust me and
Do not fear
Leave me
And it is
Get together
Remember
You are here
To smile and cheer.

Gajanan Mishra
To Speak About Truth

To speak about truth
Is superfluous.

Let us face the truth
it is but luxurious.

Heat and cold
Both we are in need to live.

Claiming excellent is
Not so really if it is silent.

All victory to You I said
And You smiled that I see.

Gajanan Mishra
To Speak In Common Parlance

To speak in common parlance
Each and everyone of us is in ignorance
No need to shout
Our society itself is crowded with
Cheaters and cheated
And we have forgotten our
Ultimate goal of life
We know nothing about management
Even how to maintain our own life
We are ignorant about this.

Gajanan Mishra
To Speak The Truth

To speak the truth,
To maintain purity of hearts-
Is very very difficult.
It is better not to live,
Or the feeling of living
Is to be eradicated from the mind.
Life is sorrowful, yet we have to
Live to get happiness and peace.

Gajanan Mishra
To speak, you are allowed.
But speak not anything
That goes for you.
I am here to listen to
You, but I am here
To listen to the truth.
Let your thought stay free
And let everything
Goes on right path
For good.

Gajanan Mishra
To Stay

Right balance
Needed to stay.

Right poem
Needed to
Stay in peace.

Gajanan Mishra
To Suman

You are brave,
You should maintain
patience and courage
and not lose heart.
Always remember, my dear son,
Your mother is this earth,
who loves misfortune.
Your mother knows,
light is there in you
from your top to toes,
and toes to top.
Worry not, my dear son,
Just let everything go,
and take care your own self.

Gajanan Mishra
To Support You

To support you,
The world is not here,
But I am here, see.
Come to me and know
The truth.
Who you are
And what you are doing.
Come to me, come to me.

Gajanan Mishra
To Surrender

To surrender
is an act of coward.
To accept
is an act of surrender.

Scold not anyone,
no one is committing
any wrong at any time,
everything is just coincidence.

Bear all and
resolve all matters.
Life is just like
a fighting, feel it within.

Gajanan Mishra
To Take And To Give

To take is like moth
To give is like river
To take is matter
To give is consciousness
To take is sinful
To give is virtuous
To take is to go to heaven
To give is to attain salvation
Getting is bondage
Giving is emancipation.
O my dear, give and take
Is our business and
We are busy in calculating
Loss and profit but without
Any balance sheet.

Gajanan Mishra
To Talk

To talk
Forget not.
I want no color
But the reality
And black and white.

What you are
I want to see
And realize.
The rose and
The morning I find.

Facing the evening
I moved on to see
The rising sun
In me always.

Gajanan Mishra
To Tell

To tell
So many persons are there.
To watch
So many things are there.
Just wait
For a few moment.

True, the sun is
Not waiting for anyone.
True, life is going on
And it is also clear,
All are in fear.

Fear is the basis
Of life, dear.
But fear not,
Nothing is going to happen.

You are unique,
You are pure,
And you are
Searching
Purest poetry within.

I am sure you are getting it,
I am sure no one else but you
Know the truth.

Worry not dear poets,
But wait,
And waiting is not losing time,
Waiting is watching life,
Watching deep and deep.

Think something,
Think something else,
No matter whatever it is.
To That Place

All are going to
That place
From which
No one returns.

No scope of putting
Any question to anyone.
No time on their parts
To answer anyway.

But the entrance and
Exit point is opened
And we all know.
But we know not
Who are they and what
For this drama is going on.

Gajanan Mishra
To The Air

To the air I am indebted,
The sky I am indebted,
To the light I am indebted,
To the water I am indebted,
I am the earth and I am here
In this form showing all
Everything within.
With all, I am here live.
With all, I prolong lifetime of truth,
With all, I am concerned with affairs of the world,
With all, I am free from danger and fear,
With all, I stay calm and dignified,
I am the earth, all living entities are
My sons and daughters, my love is equal to all.

Gajanan Mishra
To The Best Of My Ability

To the best of my ability
I am discharging my duties
For the welfare of others.

To the best of my ability
I am detaching myself
From worldly possessions.

I know I am leading towards
Fearlessness and calmness
And I am composing poems.

I know composing poems
Is the work of an enlightened soul
And such person is a committed one.

Gajanan Mishra
To The Best Of My Capacity-Purity

To the best of my capacity
I have imparted good education
For your welfare, son.
I have taught you
Good conduct, impartiality,
And how to discharge
Your duty with justice
And sincerity- my purity.

Gajanan Mishra
To The Enemies

A befitting reply
Must be given
To the enemies
Of humanity.
Tolerance is
Zero, let us
Send message
To the foe.

Gajanan Mishra
To The Other Side

To the other side,
I want to take.
But how?
I failed to think.

To you,
I want
To say something.
But no air,
No fair.

Possible is here
And I want
To take
The advantage.

I am plain
And I pray,
Pray to take
What I have.

But excuse me,
I know not
What is there
With me.

Gajanan Mishra
To The Prime Minister Of India Mr Narendra Modi

You have unlocked
The door to personal excellence.
You have the will to win,
Desire to succeed,
Urge to reach your full potential.
You cause happiness wherever you go,
You cause happiness whatever you do.
Let me request you to meet all
With smile and start a new chapter
Of love from here on this land.

Gajanan Mishra
To The Questions

What happened to me
I am not able to see the sun
In full in this morning
And what happened to me
I am not able to love you
In this life as a whole.

Nothing has happened as you said
As I offered myself to you and
You accepted without any reluctance
And that is the reasons
Of my indifference.

When I said I love you and
It is in real life
So many persons came and attacked me
And I am unable to move anywhere
And you said okay okay my dear
I am with you till the end.

And where is the end, O friend
Please tell me if you have the answer
To the questions that I am going to put.

Gajanan Mishra
To The Sky

Going back
To the sky
Good bye.

Nothing to worry
Nothing to fear
For future.

Nobody is there
To take away
Your future.

Gajanan Mishra
To The Son

Go on, my dear son, go on
Go on buzzing- love, love
Love motherland,
Mother language
And be a wise man,
If you love not
Then let me consider
You a fool.

The dark would go away,
My dear son, please wait,
To see the rising sun,
My dear son, go on.
It is already dawn,
The sun is rising just now,
You are here to see
In your own eyes.
Please have patience, my dear son,
Please wait with truth
And love.

Gajanan Mishra
To The Top

Clear the road
And let me go
To the top.

I am here
I can go
To the top.

No other person
Besides me can go
To the top.

Road is clear
And look
I am at the top.

Gajanan Mishra
To The Wife

You are committing error, my dear
You are performing actions
Under the influence of desire
Attachment and selfishness
And you suffer
Only for your error.

Only for your error
You are here, my dear
You fall a prey
To quarrel fight
Envy and jealousy
And reaping adverse fruits.

You are reaping adverse fruits, my dear
And you suffer
Do not go after desire
Desire for pleasure is
Conducive to your downfall
You are my wife, my better half.

I am telling you further
Do not commit error, my dear
If you love me here
Do not commit error
If you want to go with me
Come we will go to Almighty together.

Gajanan Mishra
To The World Of Words

Let me trespass
To the world of
Words silently.
Yours sincerely
I am, my dear.
Let me travel
In to your heart
With proper care.

Think about me,
If you so like,
Forgetting every
Titbits my dear.
You are my inner voice and
I am your silent listener.

Gajanan Mishra
To The Youth

You are on the line of love,
You are in the laboratory of learning.
Keep patience with you, my dear.
The world is opened and you can play,
You can dance, you can do what ever
And whenever and wherever you like,
But with all positiveness and fragrance
of life that are in you, truth is only in you.

Gajanan Mishra
To Touch The Sky

To touch the sky
I am here
This is the sight
Come and see in light
Multifarious colors
Enter the field
As a fast bowlers
The purpose you know better
The life is pure
You are your protector
No matter you appear
As a speaker or a listener
I know here is absolute truth
And you are acting as servitor
Your name is sky
You are the sky
And I am going to touch the sky
After telling all goodbye goodbye.

Gajanan Mishra
To Touch You

I am eager to touch,
Where are you!

Where are you- this
Same question is being
Put by the air everywhere.

No touch - the sky
Said to me but
I am not ready to listen.

My spirit is in me,
And I am in my ruined cell.

Let me clear
I do not want to go high
Or to receive anything
From anybody here.

But I am eager
To touch you my dear.

I am in frozen time
But you are in hot water.
I am forgetting myself
But you are everywhere
To remember.

I have no objection
To allow the summer
To come in December.

And I am eager
To touch you my dear.

Gajanan Mishra
To Utter Mother Language

Why should I seek permission
To utter mother language?

I have my own river
And I take bath therein,
I feel no need to take
Permission from anyone.

I take free air
From my own mango trees
And neem trees
Near my house.

Here it is my motherland,
And it is not under
Anyone's control and I
Declare each one is sovereign.

Gajanan Mishra
To Wage War

To wage war
Is not a sin,
But the war
Must be for
A rightful cause
For all welfare.
The war with the self
Is the best war.
Let us not go far,
But come closer
To each other
Here and there.
Let us not forget
We are ours.

Gajanan Mishra
To Welcome

To welcome
Or not to welcome,
To reject
Or not to reject,
You have no power.
You are to accept
Everything that is
Happening to you.
What is happening to you
Are the reflections
Of your own deeds.
The deeds you have done
Is to be known to you,
The truth, life's truth.

Gajanan Mishra
To Where

To where
Am I running?
With whom
Am I?

With love
I am painting
Life.
And life is
Going away
From me.

I am breaking
The time.
I am what
I am not.

Gajanan Mishra
To Where I Am Going

To where I am going
How can I tell you sir?
I am not there in your words.

Let me sing,
But I am not
In any sign.

Fortunately, I am here
With you at this moment,
And you are putting me
Questions, I am not able to
Give proper answer,
You know, though.

But I know,
I am not helpless,
I need no welfare,
Even, I need no peace
And also, no prosperity.

But I know,
Truth is my base,
And I am protected
By that truth.

Save me or destroy me,
I care not anything.
But I care you, as
I know you are here with me.

I am prepared to meet
Any situation
Cheerfully and properly.
I want to utilize the time
Properly in the association
Of your greatness.

Let me invoke
The love
That is in me,
To pass everything
In more refine manners.

Gajanan Mishra
To Whom

To whom I am going?
Before whom I am offering my prayer?
What is that I am so interested to write?
It is all but my life.

O my dear, see my live-poem here
While I am living with truth and in love.
My entire life is going to You
And You are only there in my life.

Gajanan Mishra
To Whom I Address

To whom I address
I am not able to know.
I know nobody is there
To kick the bucket.

Gajanan Mishra
To Whom I Am Going

To whom,
To whom I am going
That I know not,
For what I am here
That too I am
Unable to say, my dear.
If you are so kind
Please left me here
Let me do what I
Want to do without
Any disruption.
Be kind and
Left me alone
With all emptiness.

Gajanan Mishra
To Whom I Fear

To whom I fear,
And what for I fear,
When you are here.
With your presence,
O my dear, I enjoy
My life, under
Your shelter,
Whatsoever.

Gajanan Mishra
To Whom Should

To whom should I know
Who should know
There is no one
Besides you
O my dear
You are my all
And I know
You are the knower
You are the entity
To be known
And you are the act of knowing
And you are my all.

Gajanan Mishra
To Whom The Truth Belongs?

To whom
Everything belongs?
This is mine,
That is yours,
Not true though.
But beauty and
Pleasure are
Infinite and absolute.
I am sure,
No one can talk
About anything
Besides the truth.
The truth is everything,
And for this we are all living.

Gajanan Mishra
To William Blake

Thank sir, namaskar,
You are silent
At present.
But we are barking
Like the street dogs.
We are wandering
In the night
And we have no torch.

Thank sir, namaskar,
We are signing here
The cradle song
Without beauty bright.
You are there and
You have forgotten
Your capacity to
make us awake
From our sleep.

Thank sir, namaskar,
No thief is here
To tell us the truth
That is there in you.
We are not blind sir,
We have not touched
The eternity at this time,
We are rich no doubt
But we have nothing to give.

Thank sir, namaskar,
You are hearing,
That's enough for us.
And we are no more to love,
Love is not for us.
The pet dogs are there, sir,
To weep, to mourn, to worship.
We know sir, to worship
Is to mourn. And to mourn
Is to die with the new dresses.
We want to put on
The new dress that are
Given by you sir.
But excuse us, we are
Not able to select
The befitting dresses
That are made for us.
And you are silent,
And you have nothing
To tell anyone here.

Gajanan Mishra
To Win I Am Not Here

To win I am not here,
To dream, I am not here,
To set fire I am not here,
I am also not here to add
Or to mix with this and that.

I care not success or failures,
I care not peace or war,
I care not life or death,
And yet, you are telling
So many things and trying to
Involve me without prior notice.

I am happy as I am,
I am satisfied with me,
I survive with my own cause.

Gajanan Mishra
To Win Life

Words and poets
Are there
To win life,
And life is there
With words and poets.
Mixed double
Words and poets.

Poet is
Number one
In the world.
Poet is the best.
Poet is out
In the world
Composing the best
Of life here
In this world.

Poet makes a call
On who and how
To rule for a
Comfortable living.
Poet knows
What to compose
When to compose
How to compose
And where to compose
That is the bottomline.
And the poet is
There only to win, win..

Gajanan Mishra
To Win The Self

Heatstroke,
Extreme cold,
Both are here
In life.
Still, austerity
Is there in me.
And I want to win.
Win the world-
Not a big things.
But win the heart,
Hearts of others
Is important.
More important is
To win the self.

Gajanan Mishra
To Work

I am here
to work
I do not care
The result
And its
Auspicious
And its
Inauspicious
I am here
to live
Not to die
I do not care
Joy and sorrow
I do not know
What is victory
What is defeat.

Gajanan Mishra
To Write A Poem

To write a poem
Is my nature
And I am not here
To give it up.
I can restrain
My ears, my skin,
My eyes, my tongue
My nose from the senses
Of sound, touch, colour,
taste and smell.
I can restrain
My tongue, hands, feet
And anus from acting
Speaking, taking, going
And passing stools
But I cannot restrain myself
To write poems
And I know the cosmos
Is the poem and
I am therein always
In life and in death,
Even beyond life
And beyond death.

Gajanan Mishra
To write better,
You are to
Eat well,
Sleep well,
Exercise well,
You are to
Love all,
Honor the truth,
Work for all,
And write all good,
Without any discrimination.
To write better
You are to stay away
From power and position.

Gajanan Mishra
To You

To you I am false
To me You are true.

True in love,
True in devotion,
True in life-breath,
True in Truth.

I am saturated with love,
And I am very happy
What is there for me.

As because I am in love
I am the truth
And I am here carefree
As because I am in love
I am enjoying Your protection.

Gajanan Mishra
To You All

To you all
I wish all good,
Try to be a
Good human being.
Show your humanity
With all characteristics,
Forgiveness and
Forgetfulness and kindness.

Nothing bad is there
In you, I know.
Keep faith and go forward
On the path of
Love and truth,
Dear men, you are all good.

Gajanan Mishra
To You I Am Telling

To you, I am telling, my dear,  
For you, I am composing all these.  
Consider my writings as most secret  
Top science, excellent and enjoyable  
And with all virtues.

Hear me, my dear, and get all therein,  
Read me, my dear, and get all therein,  
See me, my dear, and get all therein.

Gajanan Mishra
To You, My Love

How do you do, dear?

Since you are here
My dearest dear,
How can I love another
Besides you.

Your eyes are
Like the sun
Like the moon
Round and round
With no eyelid
With no eyelash.

How can I go beyond you,
My dear, I know, you are
Taking pain for me here!

Gajanan Mishra
To You, With Love

To you, with love,
Let me know
How you are here.
I want to finish you,
Angry mushroom,
I am far away
To touch the truth
In you.
Fearless I am,
See me at your
Own door.
No, I am
Not the bad,
Bad apple here.

Gajanan Mishra
Today

It is beautiful
Go with it
Forget the dream
Of yesterday
And have a vision
Of tomorrow
Be happy and
Keep hope.

Gajanan Mishra
Today - Link

I am here for today,
Only today is here.
I have to do for today,
Today is the only time
With me for doing anything.

What you see, that is today,
Today is calling me
And I am going with today.
With today the sun is rising,
And with it the moon is setting.

Is today enough to measure the ocean?
Is the ocean sufficient enough
To cover today with its length?
I am unable to know the link with today.

Gajanan Mishra
Today - The Best

Today - the best,
You are energetic,
Make the best use of it.

Make friends with
The opposite
But with honor.

No security
On tomorrow,
But it is coming
On its own way.

Shun old routine,
Make your own
And think about
The time with you.

Gajanan Mishra
Today Is For Labourers

Today is Mayday
It is for labor
And laborers
They are the main
Pillars of society
For them we are
Getting happy
Let them stay
Healthy wealthy
For safety of
The future
My labor is my strength
Laborers have given
Their blood their
Energy for my nourishment
I have right on my labor
Only and I have a duty
To respect my laborers.

Gajanan Mishra
Today Is For Love

Today is for love,
Today is for family,
Today is only with us.

Gajanan Mishra
Today Is For You

Today is the truth,
Today is for you.
You can be anything,
You want.
The time is with you,
Today is with you.
Just do, what you want
To do,
And win the world.
All are waiting there
To congratulate you.
You are for love,
You are the beauty,
You are the truth.

Gajanan Mishra
Today Is Not Tomorrow

Today is not tomorrow
Today is today
And it is not narrow.
I must go with today
It is not ahead
It is with me.
I do not like to
Give up on life
Life is valuable.
I am sure
I am with you
And today is with me.

Gajanan Mishra
Today Is The Only Day

Today is the only day
In which I am living
No tomorrow for me.

The sun is neither
Rising nor setting
The only true saying.

Gajanan Mishra
Today Is Valentine Day

Today is ours only
Today is a love day
Today is valentine day.
Live for today with love
Love all without any
Discrimination here.
Let us go from this dark
By loving each other
Colorful light is there.
Let us face the shadows
The echoes the mirages
And fear not to touch
The eternal truth that is
Love and that is within us.

Gajanan Mishra
Today, It Is Here

Today, it is here,
Here it is today.
Tomorrow, it will go,
No more tomorrow,
Gone tomorrow.

All appearance,
All disappearance,
Created and uncreated.
Division and United,
All and all
Will no more.

Still, it exists,
For us, red line,
Of course.

Gajanan Mishra
Today, Nothing More

Today, nothing more.
Embrace the time
And go.

Need for kindness
Is there,
Life, feel it.

In the rain,
Write love.

Love stories-
I like.

Please note,
Reasonably possible all.

Victim of love -
Life, mind it.

Gajanan Mishra
Today, We Live

Today, we live.
Today itself
We die.

We are another one
On each day.
We are not one,
That was there yesterday.
We are not the one,
Who will be there
The next day.

We are not the same
With this moment
And with that moment.
Really, we are innocent.

Gajanan Mishra
Todays Deal

Traffic regulated
Skill upgraded
But Youth
Disabled.

Gajanan Mishra
Today's Government

Today's government
Is not to show power
To the people
But to serve in their
Utmost capacity
And act as a servant
To every individual citizen
You have rightly put
My dear Shekhar kapur
Here in this forum
I congratulate You.

Gajanan Mishra
Together

To begin together
To progress together
To success together.
Laws and flaws go together
Water and poison go together
Friends and foes go together
Life and death go together
The world is only for merrymaker.

Gajanan Mishra
Together- Identity

Together- we are,
Separate though.
Understanding is there,
But we are in struggle.
Searching the original
We left the place
In our own unique style.
Language no problem
We know, but
We are fighting
For it.
No where we are-
But we describe ourselves
In a deeper version.

Gajanan Mishra
Togetherness

Court has nothing to do, dear,
Come on, we are here to stay together.

You are for me,
I am for you.
We are in love,
We are the truth.

Nature has given us power
To cross over all hurdles.

Come on dear, under this sun
We have our only gun -
Togetherness.
We can erase the time
With our power of purity
And faithfulness.

Gajanan Mishra
Toilet

Toilet is now
the matter of
hot discussion.
Let us have a toilet.
It is easy to
build a toilet,
but not so easy
to maintain it.

Clean your toilet yourself
O my dear, and be a perfect man,
It is to be realized that
no work is small or big,
and the work is in no way
related with your dignity.

Gajanan Mishra
Toilet Paper

It is important;
Toilet papers,
Under-skin chips,
Tracking apps,
Super markets,
Hold on, everything.

Answer not all
Hows, why, when, what,
But see and observe
The things around you.
All microchipping,
But dare not to say
Unfaithful.

All hippo
But not wrong.
All media crazy,
All tactful.
All and all,
Let me say
Insensitive idiots.

Listen to me
Or not, but
I am right
To the core.
In a second,
I solved your
All problems,
Find no more,
And stay as before.

Gajanan Mishra
Tolerance

No one is hundred percent tolerant
I do agree with you, Taslima.
You are right when you
Said India is the safest place.

In the name of intolerant
No one should go with
baseless hullabaloo.
I do agree with you.

No one should be
Extremely reactionary-
This earth is for everybody.

Take no political milage
From any fabricated propaganda.

See all, tolerant here.

Gajanan Mishra
Tolerance - No Limit

Tolerate all,
And keep it
In mind,
It has no limit.

Anyone can
Arrive and
Hurt you and
Even kill you.

Another one
May arrive
And cut you
Into pieces
And eat you.

Yet another
May arrive
And pull you,
Push you and
Do whatever
She/he likes.

But you sure,
You are to live,
And live with all
Together here.

Gajanan Mishra
Tolerate All

Tolerate all,
I tell myself,
And enjoy life.
This world is
For you,

I am no way
Affected by
Words of insult
And honor.

I care not
Favorable and
Unfavorable conditions.
I care the truth
And I am going to you.

Gajanan Mishra
Tolerate Everything

Tolerate everything
And be in pleasant form.
Tolerate everything
You can get me
This is the norm.

Gajanan Mishra
Tolerate Life

1.

Life is here
With this sun's
Intense heat.
But so long as
Trees are here
We are not worried.
The trees are acting as
Umbrellas by shading us.
We are facing the wind,
The rain, the heat,
And also the snow.
But no harm is
Caused by anyone,
Fortunate we are, we know.

2.

Tolerate life,
All good are here
With the trees.
The trees are here
To fulfill our desires
With their leaves, flowers,
Fruits, shade, roots,
Bark and wood.
The trees are here
With all fragrance, sap,
Ashes, pulp, and shoots.
Let us learn and
Tolerate life and
Do good for all.

Gajanan Mishra
Tolerate Like Earth

Tell me the name,
Name of the place,
Where intolerance
Is not there.
Tell me who is
Not intolerant?

Try to know
How to tolerate, dear.
Allow the existence
Of others, allow
The occurrences
And show the act,
Act of tolerance
Like the earth you live in.

Gajanan Mishra
Toleration Is Better

Toleration is better
Than intolerance.
When nobody else does
You are there and
stick up for yourself.
Get out of your box
Come on and it is good turn.
Extra dimension is there
Come on everyone is happy here.

Gajanan Mishra
Tomato

Tomato!
They asked
Is tomato
A fruit or
A vegetable?
Are people
Eat tomato
In both way
While it is
Green or while
It is ripe?
Ripe tomato is
Yellowish or
Redish and it
Can be taken
As vegetable.
But they agree
Not with me.
You are like
Tomato, my dear.
Are you here?
Am I here
To chant your name
Only in old age?
And what is
That old age?
I know to go
From here
No age is required.
I see you
In the tomato
But tomato
Is not the truth,
Truth is only you.
To take anything
Is not right.
To give everything
Is right.
Tomorrow - A Week

Tomorrow is again Sunday
With no sun here in these days.
Tomorrow is Monday again
It is privilege and it is in vain.
Let us say tomorrow Wednesday
And you are good guy.
Thursday is following my dear
Be clear in your heart and be cheer.
Tomorrow is Friday
We are in empty stomach
With fashion tech.
And it is Saturday
Need not say more
Just come and enjoy the shore.

Gajanan Mishra
Tomorrow Is Better

Who knows
Tomorrow is better?
Who knows
I am here?

Never give up hope
Easy to say, my dear.
I am in between yesterday
And today. Am I not clear?

Gajanan Mishra
Tomorrow Is Not Yours

Tomorrow is not yours
Tell not I will do it tomorrow.
What ever you want to do
Do it today, your life is
Only for today and today is
Only with you, my dear.

Gajanan Mishra
Tomorrow The Sun

The sun must, remember,
Rise tomorrow,
It is here today, now.

Gajanan Mishra
Tomorrow Will

Tomorrow will not
Take birth.
Yesterday will not
Dies.
Today is here
And it will
Stay with us
For ever.

Gajanan Mishra
Tomorrow, Today And Yesterday

No difference is there
Among today,
Tomorrow,
And yesterday,
So long as I am
Alive here.
And after my death
There will be no meaning
Of today, yesterday
Or tommorrow.
I am in a ceaseless journey,
And you are all with me.
We are going on and on
Till we leave all at a time.

Gajanan Mishra
Tone Changed

Tone changed
Letters altered
Alibi taken
Time sparked
And I entered
And you went out.

This is the time
To play again in a
Different form in a
Different stage
Making different query
With air and water.

O my dear,
I wait here
For social order
Again and yet again
For smooth management
Of time and space.

Gajanan Mishra
Toned Milk

Toned milk I need in summer
To pacify you O my dear
White flowers I need in dark night
To purify myself
befitting mixing you
Green grass I need in Torpedo
To make settle with you
And I need so many things
To Pleased you
And those are yours
And with me.

Gajanan Mishra
Tongue

This tongue is not mine
And I do not know how to listen.

Not knowing anything
I am here to speak
And forget everything.

Gajanan Mishra
Tongue - Powerful With Words

Tongue,
It is tongue,
Handle with care.

Handle with care,
It is tongue,
Soft but hard.

Soft but hard,
This tongue,
Give it selected words.

Words
With tongue
Become powerful.

Remember, most powerful
Is tongue with words.

Gajanan Mishra
Tongue Is Most Powerful

Tongue is most powerful.
Use it, my dear, knowing
Fully well how to use it
And when to use it.

Gajanan Mishra
Tongue That Did Not Utter

Tongue that did not utter
The language of motherland,
Hands that did not write
The language of the mother,
Eyes that did not read
The language of your own.
Yet you stay on your own land
And live arrogantly,
You are not the lion
But the jackal.
Neither you are great,
Not learned
But you are the great fool,
Life is just null.

Gajanan Mishra
Tongue-In-Check

Tongue-in-check,
Our sole enemy,
Our sole friend.
Becautious my friends,
It is with us
All time.
To make and
To unmake anything.

Gajanan Mishra
Tongues Of Fire

Tongues of fire
Everywhere.
Fire of shadows
Everywhere.

We walk
On the fire,
We live
In the fire.
We eat fire,
We sleep on fire,
We love fire.
We know
The fire is
The only truth.

Fire life,
In water.
Water life
In fire.

All but fire
We like and
We love.
The fire is
Our capital.
Through the fire
We proceed forward.
And it is fire
That takes away
All sorrows.

The fire is
Our only hope
To live.
Life fire
Is there
With us
Each and
Everyday.

Fire in tongues,
Tongues of fire.
Fire, fire,
Life is in the fire.
Go not there,
And if at all
You go
Take care, take care.

Gajanan Mishra
Tonight
While sleeping
I felt
My mother is
Pressing her hands
On my head.
And her soft touch
Gave me relief,
And she said
Worry not, dear son,
No one is there
To kill you,
And all over the world
My language of
Love and truth
Would flourish.

My mother is
Made of earth, I know.
And she is graceful,
And she has a dazzling
And sparkling personality.

I am awoke,
And it is dawn,
Red light is there
In the east and
It is spreading
All over the earth.
No demon and no one
Dares to check the sun.

I remember
Every word, every path,
Every place, every one here
With own language
With own identity,
And the world I see
Free and
Full of beauty.

Gajanan Mishra
To-Night

To-night
I surrender
Myself before you.
As I find
There all truth,
I find
The sky and
The ocean
All in you.
To-night
I surrender
Myself before you,
As I love
No one but you.

Gajanan Mishra
Tonight, I Have Seen The Sun

Tonight, the sun is being seen,
And it is said by you, my dear poet,
It is a regular phenomena, in your area.

Today, my doors are being opened by the air,
And you said my dear poet, let us welcome
All through this passage with smile.

Being a poet, I do admit with love.
Being a poet, I know the truth
That life has some meaning - fruitful.

Gajanan Mishra
Too Deep

Too deep, see my love,
And this love for you,
I know, O, Imperishable,
I know, O, Undefinable,
Let me love You deep and deep,
You are the only Truth,
You are busy in the welfare
Of all beings, let me love You,
You are even-minded everywhere.

Gajanan Mishra
Too Difficult Math

Too difficult math,
That made me soaked
With water.

Gajanan Mishra
Too Good

Too good
You are here with me
I am not arrogant
O my teammate
I am calling you
To join here in my work
That I am going to do
And what is that
Asked me not
You just kick me
Not out from the scene
You just not do anything
That would make me imbalance.

Gajanan Mishra
Too Late

Not too late,
You can do anything,
Take this
As right time.

Life is here,
See and act.
Act and get
The fruits.

Gajanan Mishra
Too Much

Too much friction
Would produce fire
Even out of sandal-wood.

I know, no duality
No anger,
No ignorance, I know,
No duality.

I cannot be dull
I cannot be finite
O my dear, I cannot be
Subject to illusion.

I am sure, and I know
I am Your part and parcel here.

Gajanan Mishra
Too Much Is Always

Too much is always bad,
If any doubt, test yourself
By eating too much
By earning too much, even
By sleeping too much.

Keeping some distance
From everybody is good.
If any doubt, test yourself
By going too near to the police
By going too near to a thief.

Remember the right saying
Too much familiarity
Breeds contempt
And it is correct, cent percent.

Gajanan Mishra
Top, Top, Top

Top, top, top,
godi padila
abam pani uparaku uthila.

Gajanan Mishra
Topic Is Life

Topic is life,
But what is life,
That I know not.
But I know
My living status.
How to live,
Is a great question,
That has a simple answer.
But the answer
Has so many angles
That I want to touch.
Touching is important,
Living is important
In the life of truth.

Gajanan Mishra
Topmost And Lowest

I am in between
The topmost and the lowest
I am happy
And enjoying life
And it is automatic
I am in between
Miseries and happiness
And with both
On the same degree
And quality
I know all these are
Flimsy things
You are the only
Permanent desire of
Mine that I cherished.

Gajanan Mishra
Topmost Word

Topmost word is man,
Topmost religion is humanity,
Topmost creature is human race,
And we are here to save human beings.

Gajanan Mishra
Topsy-Turvy

Topsy-turvy -
Everything.
But victory of
Truth is there
As always.
And the truth lies
In language,
Language in law,
Law in the constitution,
Constitution honor
The people,
The sovereign authority.
Odisha- my state,
India that is Bharat - my country.

Gajanan Mishra
Tor Sapan (Kosli)

Tor sapan tate
Debarkaje tate
Uthanli nidu
Tor sapan rakhichhen
Bada kaste
Hetki dinu.

Gajanan Mishra
Torchlight

Desire to know is torchlight
With this torchlight you can
Know anything and by knowing
You can be pure and perfect.

If you have a desire to know
You will never be a crude man
And you can cross the darken
Region of material existence.

And so go for the cream of knowledge
And win the battle of life and death
And get happiness that is within you
Keeping torchlight of knowledge.

Gajanan Mishra
Torchlight Is Here

Darkness is not here,
Torchlight is here.
Let the dark
On its own way
As usual I say
In all my writings.
Forget the writing
On the wall and
Proceed ahead if
You want achievement
In real life.
Overtake all darkness,
With the torch
That is within you.

Gajanan Mishra
Tormented By Fear

See, O my dear,
In Your world
My mind is tormented
By fear
And only you are
Here to console me
To be free from fear.

Gajanan Mishra
Tornado Watch

Yes, This is real,
This life.

Just you are to
Find yourself
Where you are.

No confusion and nothing
Any where, here, there
And you are alive.

Gajanan Mishra
Tortoise

Tortoise,
You are in the water
Your shell used as pivot
At the time of churning rod
By the theists and atheists
For the purpose of
Producing nectar
O my dear.

Gajanan Mishra
Tortoise and the ocean,
In between them
We find a very good relation,
Relation of nectar.
But a mountain named Mandara
Has not done well
To both.
I think the time of misery
Started then.
No reason to stay wonderful,
We are not fooled either.
But the matter is serious,
And till date
We are bearing the loss.

Gajanan Mishra
Torture Is Torture

Torture is torture,
Peaceful and
Self-regulated, though.
Torture is no way
Related to identity
Or culture.
Slogans loud, though,
And though, clear.
Know your spirit
In a truthful way, dear.
In solidarity, come forward,
For a rightful cause.
But take no mileage
Out of ignorance or knowledge.

Gajanan Mishra
Torture Not Please

Better to kill
But torture not, please.

O silent spectators,
Come on and see
And recite my poems
In your tongues.

Before going to meet
Final death, I want here
To hand over that are with me.

O men, come on and
Take the truth with you
For your own benefits.

The time is torturing me,
Take not advantage out of it.

The entire world
Is looking at me
What I am doing
And doing for whom.

I am dying gradually,
And prior to my final death
I want you to see the truth
In naked eyes
How I am dazzling
With my own light.

Accept and recognize,
Recognize and promote,
Promote and live,
Live a successful life.

Before death die not,
Before death kill not
By torture, dear.
Confront the truth
Bravely and realize
You can do nothing
But to face defeat.

Gajanan Mishra
Total Darkness

Here, see,
Total darkness.
Darkness of time,
No life but chaos,
Origin of all
At the same time.
Darkness is relevant
To the complete story
Of our life.
But life is light,
We seek the light.
Not destruction
But creation and
It is in our will.

Gajanan Mishra
Total Negation

Total negation
This worldly enjoyment
Forbidden acts
If they are not
For good of others.

Worldly riches and age
Are two capital - take note
Sleeping is your worthless
Expenditure of age
Take note- wakefulness and
Spiritual discipline are your
Sole income.

Eating and recreations are
Expenditures and actions for
Earning livelihood
Is your worldly income.

Needless to say more
As you know what to do
And what is yours.

Gajanan Mishra
Total Truth

Total truth
And all for you.

I know - wood,
I also know
Everything is there
For good.

No one and nothing
Is there without you.

Gajanan Mishra
Totality Of Life

What you are,
That is truth
And not what
You utter.

What you are,
The totality of life,
And not the water
Or the air.

What you are,
The mixture of
The earth and the sky
And not to say goodbye.

You are a spark
In the totality of fire.

Gajanan Mishra
Totally Different

Totally different  
From one to another,  
But they are in union  
And united for a  
Common cause, the cause is  
To find out the truth,  
The truth is false,  
It is all false here.  
And still they are there  
To go with the truth  
Till the last border,  
The border is not the end  
But the beginning and here  
The trouble of life lies.

Gajanan Mishra
Totally Free

Totally free
But unable to go.
Full eternity
But suffer diminution.
Merged with Absolute
Keeping separate entity.
I failed to get You
Everywhere you are though.

Gajanan Mishra
Totally Fulfilled

Let me say
I am totally fulfilled,
So also you are.
And accordingly I am happy,
And I hope you
To stay happy all the times.
No time-frame is there
For both of us
And yet we should
Watch time and act
Without any attachment
And acquisitiveness.
Let us stay free
With good understanding.

Gajanan Mishra
Totally Improper

Let me say
Use of foreign tongue
On your own soil
Is totally unjustified
And improper.
It is totally your
Demonical traits.
No one can accept
As it is not based
on reality.
You are deluded, my dear,
Till date you are
Unable to know
What is your identity.

Gajanan Mishra
Touch And Sense

Touch,
It is soft,
Softness is there.
It is cold
Coldness is there.
It is also hard
And it is hot.
It is all due to the air,
And air is produced
From the sky.
The sky is in me,
And it is my life.
My life is soft as well as
Hard, cold as well as heat.

Gajanan Mishra
Touch Anywhere

At every moment
Discover me
Newer and newer.

I am glorious,
Localize, though.

Life after life,
You can find me
Within you,
At the top
And also
In the bottom.

Touch anywhere
And touch me,
Time and pastimes.

Gajanan Mishra
Touch Me

Touch me
And feel poetry,
Know me-
Your own history.

Gajanan Mishra
Touch Me And

Touch me and
Take some refreshments.
Answer my question
And do stay with me.
I am not here to
Obstruct any one's life.
I am not able to do any work
Or not able to utter words.
I am yours that's all
If you are in need of
My service, just give me a call.
Please come, I am ready,
Ready to go with you anywhere
Including the hell.

Gajanan Mishra
Touch Me And Let Me

Touch me and let me bloom,
See me I am blooming.
I am blooming and you are
Going deep and deep.
Go to
To that depth where my
Soul is there
With all truth.

Gajanan Mishra
Touch Me Not

Touch me not
Touch me
I can do wonder
With your touch.

O my spark
You spark
And I find
No dark.

Gajanan Mishra
Touch Me Not - Beauty

Touch me, touch me,
Touch me not, O beauty.
Touch me not, I am here,
I am not here, touch me.

Here is the sky
In my body, in my look,
In my living.
I am looking me
Here in me.

Oh, beauty, beautiful,
I see the air here in you.
I am calling you
From the core of my heart.
Beauty, beauty, beautiful,
Touch me, touch me, touch me not.

My earth, my heaven,
My life, my death, O my love,
Touch me here, I am here,
Love me, touch me, I am here
Within you, beautiful.

See me how truthful I am here!
I am nothing, I am nothing,
Besides the beauty, besides the tears,
I am the love, your love,
I am the lover, I am the beloved.

Touch me, touch me, touch me not.
I am asleep, I am awake, I am here.
All pious I am, I am also all nectar.

Gajanan Mishra
Touch Me With Your Jasmine

Touch me,
Touch me with your
Jasmine.
Kiss me,
Kiss me with your
Spring.
Feed me,
Feed me with your
Painting.
I am your feeling,
I am your holy living,
I am your flying
And I am here waiting,
Waiting to see you smiling.

Gajanan Mishra
Touch Me, I Am A Living Entity

Touch me, I am a living entity.
Talk me, I am a living entity.
You are here in me, feel it.
I am there in you, feel it.

I wander in hunger,
I wonder in you.
I love you,
You are the truth.

Destiny is in me,
I made my own destiny.
High or low, no matter,
But I love you, my dear.

Who so ever you may be,
I love you, that's enough.

Gajanan Mishra
Touch Me, Touch Me

Touch me, touch me,
Early in the morning,
Touch me at noon,
Touch me in the evening,
Touch me at midnight.
I am with you, I am in you,
Touch me, touch me,
I am going to blossom,
Touch, touch me,
I am there in my fire,
Touch me, touch me,
I am there at the dancing
Point of the star.
I am wild, I am fair.

Gajanan Mishra
Touch Not

Touch not
Snakes are there.
No water
But see, only fire.

It is all similar,
And we are here
going beyond nature.

It is true
narratives are critical,
No one is competent
to make us understand.

Where we are
that is ours, verify,
we are no where.

Gajanan Mishra
Touch Not Please

Touch not please,
In your touch
I feel the stung
Of a horned fish.

Touch not please,
In your touch
I fall ill and
I feel I am in dark.

Gajanan Mishra
Touch Not, Touch Not

Touch not, touch not,
It is all the sun,
It is all the rain.

I am on the way,
Touch not, touch not,
I am silent here.

I am washing my face,
I am preparing myself to compose,
Touch not, touch not.

Think and say,
It is your face.
Say and feel,
It is your life,
Nothing but honey-hive.

Gajanan Mishra
Touch Or Touch Not

Touch or
Touch not.
Climb or
Climb not.
Yes or
Yes not.
No or
No not.
All are
Controversies
And all it is
But shame, shame.
When we know
It is not at all touchable.

Gajanan Mishra
Touch Screen

Hear the words,
With eyes closed.

Enjoy drama
In touch screen.

Life in rocks,
Observe, please.

The earth is the house
Full of peace.

Gajanan Mishra
Touch The Air

Touch the air
And feel life.
Touch the tree
And feel love.

Gajanan Mishra
Touch The Fire

Touch this fire
Fire of the Spring.
Would you please
Tell me what is
Happening at this time.
You can say here
It is beautiful lodging.
Further calling and
Recalling is not possible
To assigned, matter of realizing.

Gajanan Mishra
Life is here
And fruitfulness of
Life is there
In the air.

I see the air
Enters in front door
Without any fear.
I fear, the air is
Going away forever.

But life is here
In the water
And the water is
Going to the sky
To know its limit.

Limitations are there,
That I know from
The very beginning
And I started my journey.

Journey on the earth
Is not so easy,
As you know my dear,
But I made it easy
With you.

With you
I want to touch the truth,
And the truth is here
In mountains and rivers
That I want to feel
In all disciplines.

We know, here,
We are all
Specially glorified.
Gajanan Mishra
Touching A New Man

Do you want to make difference
and touch the lives of a new man
Then read a new poem every day
And you are welcome for the same
As I recognised you as a creator
For this caste colour creed
Land(country) language Linga(sex)
No barrier.

Gajanan Mishra
Touching Life

You can not compose poems
Without touching life
And life is a castle
You have to live in.

If you think winning
Come to life
And life is nothing
But to relax.

You can not compose poems
Without being relaxed
And what it means
Ask to the poems.

Gajanan Mishra
Touching Six Times Ten

Yes, I am touching
Six times ten,
And my wife is
Telling me
'You are now old'
And not capable to work.
Wait for a while,
Nothing to worry,
Just have patience,
Everything would be
Served on you
After some time.
Okay then, I said
I am six times ten..

Gajanan Mishra
Touching The Blue Sky

Touching the blue sky
Is my primary duty.
The blue sky is
The only truth, I realized.

But on the middle path,
So many air and water
Are obstructing my path.
Still, my eyes are
There on the top.
So many insects and
Animals are trying to harm
And hurt me, I know.
Still, for you,
I am here with the truth
To see the rising sun
And to go to the fixed star.

Where are you, I know.
I know you are the blue star.
I know, you are waiting for me there.
I am going to touch you,
And I desire not to return
From you to any falsehood.
You are the Absolute truth.

Gajanan Mishra
Touching The Truth

Going and coming -
Two sides of the wheel,
That is taking me
From here at this time.

Neither I am coming,
Nor I am going
But I am here watching
What you are doing.

And what you are doing
That I cannot stay
As I have not so much
Knowledge to assess you.
And you are giving me a
Reference how to touch the truth.

Gajanan Mishra
Touching With Love

Touching with love I am with you
I know you are always here with me
When I am with you I know
I am with my roots I am closer to you
With fresh air I am calm
Due to love and pure heart
I get it with you my basics.

Gajanan Mishra
Touching You

Touching you
I understood
You, the sun
I am your son.

Leaving you

Dark night, I
And you neigh.

Glorifying you
I understood
Not proper, we
Both out culture.

Gajanan Mishra
Touchstone

Touch me not
I am not telling
I know You are touchstone
And with Your touch
I will get completeness
I know You can produce
All manifested worlds
By Your inconceivable energies
You are Full and unchanged.

Gajanan Mishra
Touchstone- You, Yourself

For all discipline.

You want to
Wipeout sufferings
And attain bliss
You should test
Yourself on this.

Continue your practice
O my dear, and regard
Your imperfection as perfection.

Gajanan Mishra
Touchstone, See My Words

Touchstone, see
My words
My verses.

Test yourself
In my words
Where you are.

Are you not interested
To wipe out yur sufferings?
Are you not interested
To attain bliss?

Don't discontinue
What you are doing.
Regard yourself
As the best.

Gajanan Mishra
Touchstone-Time

Time is there
To verify
With touchstone.
Give no comment,
Please here

Gajanan Mishra
Touchy

Touchy -
The lifestyle,
The time,
The relationships.

The earth,
The sky,
The air,
The water
And the light-
All wonder.

The manner of
Workmanship and
The series of performances-
Really distinct.

The criterion
For measurement is
Only the present moment.

Tossing up
The coin
We measure
The direction of
Tornado.

And we lost
All the way
We lost
Really touchy.
And we enjoy it-
Trendy.

Gajanan Mishra
Touchy I Am

Touchy I am,
Try not to
Tear me out.

Touching words,
Try to listen, and
Take me in totality.

Toss up the coin,
Tot up to anything,
Torsional, feel this life.

Torrential waves,
Torpidity not good
Topsy-turvy, though,
Top brass are there
Take you to the tone.

Top secret is
Topiary you possessed,
Together you are to go,
Toff is there but not
Toffee-nosed.

Gajanan Mishra
Towards Good

Towards good
One should move.
And what is good
No one is here to
Describe before you.
It is your faith,
It is your hope,
It is your confidence.
And with all these
What you are going to
Achieve is important.

Gajanan Mishra
Towards Hell Or

Towards hell or
Towards heaven,
I care the least.
But when I feel pain
Without any reason,
I think I am not
In heaven and I have
Done something wrong.

Gajanan Mishra
Towards Myself  ??? ?? ??? ????

Towards myself
I move always.
I am the light.

In Odia script;

??? ?? ??? ????
???? ???????,
??? ???? ?

Gajanan Mishra
Towards Perfection

Purify your mind
And your heart my dear
And go towards perfection.

Gajanan Mishra
Towards The End

Without the beginning
It is going
Towards the end.
And without any
Ending processes,
It is going to show
The colors and
All other features.
This exhibition playground
Is shortly opening
And the players are
Well versed with
The rules and regulations
That are with them.
Gigantic experience, I know,
And let me tell you
About the proof of
Our existence beyond
The perceivable.

Gajanan Mishra
Towards The Path

Towards the path
Back truth,
Back to the truth.
And I know
No one is condemned
By any other one
Not to move
Towards the truth.

Try to know the truth,
And the maker of truth.
Try to realize the truth.
Mislead not anyone
For sightseeing or
Moneymaking.

Gajanan Mishra
Towards The Path Of Truth

Towards the path of Truth
I am advancing, see
O my Mother and
I am joyful.
You are the Absolute Truth
O my Mother, let me
Know You all clear
And I am joyful.
You are my ultimate goal
O my Mother, You are the mystic power
By which I am able to
Secured my present position
And I am joyful.
O my Mother, You are the sum total of
All my life-chapter
With You i am proceeding
Towards the path of Absolute Truth.

Gajanan Mishra
Towards Tide

You are indifferent
Towards tide
And we
All hope good and fruitful.
Result successful.

Gajanan Mishra
Towards Truth

Truth is there
Everywhere and
Undivided.

Truth is not
Separate in
Separate beings.

Truth is there
All times in all
Perishable beings.

I am going
Towards that Truth,
Excuse me, I am
leaving you for the sake of
That Truth.

Gajanan Mishra
Towards Victory

Towards victory always,
Back to people, the roots
Of all civilization.

I salute you, dear truth,
The revolutionary icon.
I salute you, and I am
Struck with wonder
With your virtuous words
And works.

From a revolutionary atmosphere,
My dear, you have created a
Reformatory system for
The welfare of all and
Lead all to the higher standard of life.

Gajanan Mishra
Towards World Peace

Brotherhood is the first pillar
Towards world peace.
It is the whole world
That is crying for peace.

And peace is here in a woman
Here in children
Take care of them
Take care of peace.

When smile is in the face
Of women and children
Peace is at your door
Failing which life is bored.

Gajanan Mishra
Trace

The beauty
And grace
All are here,
Let us trace.

Gajanan Mishra
Trace The Bird

Tracing bird
In the sky is
Easy.
But tracing bird
In ocean bed
Is too difficult.

Anyway, we are to
Trace the bird
For the benefit
of others.

We are to demarcate
The area first.
We are to view
And locate the aircraft.

Gajanan Mishra
Track And Analyze

Track and analyze
The risk of collision
Of life and death
At every moment, dear.

Understand life better
And take steps for
Its establishment here
By love and truth.

Here is the space
And the dust in larger
Fragments, study them
In your own system.

Life is not single, but
Single at cross-point.

Gajanan Mishra
Track Your Own Life

Track your own life
Through poetry easily.

Just plant your own idea
And stick to it with heart and mind.

Have good connections with others
And come out of your own shell.

It is your poem that can give the scope
And free you from feeling sincerely.

Gajanan Mishra
Trademark - Life

Life is the trademark
Of the earth-
Symbol of goodness.
Life lives itself
For good of all
And give service
To one another.
Hospitality and
Goodwill- two mission.
Journey of life is
The journey of the earth
To reach heaven,
To build heaven here
With a concept transparent, clear.
Our earth is all life
Restaurant for all
With free movement everywhere.
The air, the water, the light,
The sky- all are for all
Without any discrimination.
All are inter-related and
The origin of all is the earth.
Earth is the trademark of life,
Life is the trademark of the earth,
For peace, for safety,
For honesty and integrity,
Motto - development equally
Of all communities.

Gajanan Mishra
Traffic In Mockery

Are the calenders ours?
Are the calenders necessary in life?
Who is there to count the time?
Sketch not life with any point from anywhere,
Since the points are not the one and the same.
See everything with pleasure if you are alive.
Tell all that you are there for the truth
And truth has no legs or hands or wish or anything.
Face the traffic in mockery, dance in the bar in mockery,
Attend the feast in mockery, Describe the cock and
Bull story vividly in the class of the students
And try to make them learn that have no value.
Good or bad, forget all and say, my dear guys
Come on, if you are wise enough and see in your eyes.

Gajanan Mishra
Traffic Police

Traffic police is there
And he is busy on roads
In controlling your movements.
Poet is there
And he is busy in life
Guiding you always
To show you the path of peace
In struggling days.
Poet is there
With sufficient knowledge
To show you the light
In the ocean of darkness of the world.
Poet is busy to make the life scented
And to show you where the nectar lies.

Gajanan Mishra
Tragedy Is

Tragedy is
We are not taking
Our own care.
Tragedy is
We are being fired
Without any war.
Tragedy is
We are marred
For no fault of ours.

Gajanan Mishra
Tragedy To All

Tragedy,
Tragedy to all.
The lifestyle,
The narration,
The action and
Also the reactions,
All amusing though,
All tragedy.

Gajanan Mishra
Tragedy We Found

Extraneous and not meritorious
Tragedy we found here.
Tiger tamed tactically
At times it create havoc
And the tiger know how to
weave a web to trap master.

Gajanan Mishra
Train Without Break

Train without break is like
No stopping self-immolaion.

Passenger fare hike
Is not a way of reform
And no a welfare mode
of the public emotion.

Gajanan Mishra
Training

Training is hateful
And have interest
In full and enjoy.
Future is there
And future uncertain
And life running smooth.
Violation of terms and
Condition common
Not acceptable
Flying in the sky
While training is on.

Gajanan Mishra
Training To Compose Poem

Training is but necessary
And necessary is training
To excels to develop to gain.

How to face adversity
How to get life
How to light a candle
All but know the wicked.

He is brave who has wit
Witty person is brave
You can not say.

This is what war leads
Through words
This is what poem ends
Without words.

Training is but necessary
For a poet to compose poem
Without any word.

Gajanan Mishra
Traits of men,
I mean common men
Are lust, egotism,
Greed for wealth,
Hankering after
Name and fame.
Who is not common,
One is not common
When his love is
Detached and when
He has no expectation
Of any return.
And when he is in love
I think, he is in truth.

Gajanan Mishra
Trance Without Seed

Let me satify
In you by you
As because
You are
The only truth.

Gajanan Mishra
Tranquility

I have every right to live in tranquility
Do not disturb me
Freedom from disturbance is my birth right
Be calm, Let me stay in calmness also.
Calmness destroys sins, purify inner sense
Let me not disturb either by attachment
Or aversion
Let tranquility regained and fixed
With passage of time.

Gajanan Mishra
Tranquillity

Ignorance suffering corelated
Mind body corelated.
For what and for whom you are
Doing all these not corelated.
And you are gradually gradually
going to tranquil
We are going to attain tranquillity
We you corelated.

Gajanan Mishra
Transcending Time

I stood here
See O my dear.

Who is presiding what
Just regard power
That is near.

Rather it is fire
And I stood here
See from there O star!

Thus lightening fire-flies
And it is splendid
Oh, good highlight.

Gajanan Mishra
Transformation Is Needed

A transformation is needed
And we are in the process of
That transformation always
It is we who are bringing
This transformation within
The transformation is going on
Spontaneously on its own
We are just acting as puppet
In the hand of nature
And we are on one line
Past present and future
In the same stature.

Gajanan Mishra
Transformation System

I observe
The transformation
System, that is
Here with me.

I observe
The cooling method
That is there,
In me.

Everything
That happens
Is not mine.

I am no way
Related with
Anyone here, see.
And hence,
I say,
I am perfect.

The food,
I take,
The air,
I inhale,
The light,
I see,
The earth,
On which
I stand,
Nothing is mine,
But I use
All for the time.

And the time is
Laughing at me,
I want to cross
over the time,
I am a toy
In its hand, though.

Gajanan Mishra

To love,

Gajanan Mishra
Transition

In transition what I
Want to say I can not
I am not in motion.
See I am autonomous
And I guard myself
For the purose
During transition.

Gajanan Mishra
Translate

Translate me,
Translate righteousness
in to practice.

Apply not
Your intellect,
while translating.

You have no power
to decide and to
come to the conclusion.

Gajanan Mishra
Translate not,
Translate will ruin
The fruits and also
The roots.

Feel the original,
No substitute for original,
Bliss, love and
Everything is there.

But you have to express
Through translation
To touch in a certain manner.
You have to touch the heart,
To enter the room
That is there forever.

But translate not
In your own ways,
Adopt the principles
In a way that is natural,
And complete the process
Of creation, recreation.

Gajanan Mishra
Transmitting Myself

Transmitting myself
I told to wait
It is tragedy
I called myself
Owner of the belt.

Gajanan Mishra
See, I am transparent.
Am I really transparent?
What do you mean by transparent
That I can not explain.

You can see me
As and when you like
That is assured
To That extent I am pure.

I am transparent
See me and if you are
Able to see I must
Declare you are a rare talent.

Gajanan Mishra
Travel

Let me travel
Here, there
All around the world.

I know, this world is
Not mine
Though I am here
At this time.

Let me say
This world is
Within me,
And let me travel
Through out the world.

o generation gap
I am just a chap.

Gajanan Mishra
Travel And

Travel and
Make rich
Your experiences.
Listen to and
Realize you
Position and
Keep yourself
Attached with
The truth.
Your earth is
Prosperous and
You are there
To perform
Good deeds.

Gajanan Mishra
Travel The Earth

Travel about the earth alone
Having equal vision everywhere.
Travel about the earth alone
And realize your own self
O my dear, and realize the Supreme Truth.
Mind it my dear, you are non-different
From the very truth that is within you
Truth is the only safe and solitary place
And you are dwelling therein this Truth.

Gajanan Mishra
You have purchased the travel ticket
I am not denying this but mere purchasing
Will not ensure your reaching at destination.
To make the point clear, please hear
You have purchase a ticket for Baroda
But by this ticket you can not reach
From Mumbai to Delhi.
I know You have desired material enjoyment
And you are coming to me knowing fully well
I have only love to give and nothing else.

Gajanan Mishra
Travesty Of Justice

Issue of clemency
Is travesty of justice
Issue of clemency
Is tragedy of democracy.

Victims are dead
They are not vote bank
Criminals and near dear
Would pay dividends
Election a head.

Gajanan Mishra
Treason

Spare not the culprit
When the act is antinational
When the act is treason.

The soil of ones country
The safety and security
Of the Mother motherland
And mothertongue
Is in highest order
And when all these are
In danger and
In danger spare not anybody.
The nation is sacred
And more than individual life.
Life of a person is
Not permanent
The nation is permanent.

Spare not the culprit
Who put the nation
In the open market
Like anything.

Gajanan Mishra
Treasure

The man who is not a tresspasser
Should go out
And nobody is going out
No body is a tresspasser.

Here no body is to break
Here nothing to steal
Here neither moth nor rust destroys
And everyman is a treasure.

Gajanan Mishra
Treasure House

My treasure house is
My body.
Everything is here
And I discover them all
With pleasure.

I wondered,
How all valuable things
Are kept here
And for what purpose.

But I am able to see
Everything here.
No word is there
To describe them all
Who appear and disappear.

Gajanan Mishra
Treat Danger

Treat danger a good opportunity
O my dear, I know from danger
You are to come out with colored light.

It is light
It is light that is with you
And you are fit to go upwards
Crossing all hurdles.

Hurdles are here
Hurdles are here to test life
And in life we are to see and
Bring to truth with love.

Truth with love and
Finding life perfect you see all clear.

Gajanan Mishra
Treat Life

Treat life
As death
In other forms.
Think not
You are living.
Think not
You are dying
Though death
Is there in you.
Living is a way
Towards death
And death is
But your own choice
In changing mode.

Gajanan Mishra
Treat Me Not - Ordinary

Treat me not -
Ordinary.
I am extraordinary.
Think me
Neither superior
Nor inferior.
But I am special.
What I am
I can't say,
But I am
The sky
With changing colors.
I am what I am,
Treat me as I am.

Gajanan Mishra
Treat Me Yours

May this day
Brings happiness
To you
And fill
Your life
With joy and
Prosperity.
With regards,
I am yours,
Property.
With all love
And all truth,
Treat me yours,
Without any desire.

Gajanan Mishra
Treat Not Anything Yours

Treat not anything yours, my dear,
If you treat, you are committing error
And you are already reached at the root
Of all impurity, and that causes you
To have that grade of downfall.
If you are to treat anything yours
Treat love only and truth only yours
By this treating you feel free and
By such feeling you would get all
Beatitude for ever, my dear.

Gajanan Mishra
Treat Yourself First

Treat yourself first
Then treat others
Don't go after the deer.

Leave everything as they are
Everything is near nothing is far
See that star but go not for fire.

Rendering service is good
But don't fall down
Stay here as oil and water.

Nothing is terrible
Everything is surpass-able
You can do anything think yourself able.

Your life-steering is at your hands
Supreme Truth is only jewels rest is sands.

Gajanan Mishra
Treats A Poet

Treats a poet
As the universal person
The Sun is the eyes of the poet
The Moon is the mind
Wind is the nostrils
Heavenly planets are his head
Directions are ears
Trees are his bodily hairs
Clouds are the hairs on the head
Poet's words letters meters syllable
Are the symbol of his fearlessness
Poet is the inhabitant of all the world
At the same time and poet has all the religion
All goodness and all knowledge.

Gajanan Mishra
Tree - I Am Here

It is only
Because of you
I am here
It is only
Because of you
I am getting
My food
My clothing
And my shelter.
O my dear,
I know you have also life
And you live
Your living is
Depends on me
It is you
Who is giving me
Daily bouquet of happiness
Though you are in danger
At my hands.
You are giving me life
I know, your each and
Every part is sacred to me
You are my life-giving medicine.

Gajanan Mishra
Tree Fish Bee And Sound Vibration

See the tree  
That has touch perception  
See the fish  
That has developed  
The sense of taste  
See the bee  
That has developed  
The sense of smell  
And the serpent  
Developed sense of hearing  
The snake understand  
Frog's pleasant cry  
Because of sound vibration  
Nice tongue of the frog  
Is the cause of its death  
O my dear, use your tongue  
But not like frogs  
Use it by calling  
The Almighty's name  
That will protect you  
From the hands of cruel death.

Gajanan Mishra
Tree Is Flying With The Birds

See, the tree is flying
With the birds
The water is falling
With the stones.

O poet, I am in search of
Your poems here
In this terrified demons
And I feel delighted
With you in the mid summer.

My mind is not confounded
With fear, as, O poet, you are here.

Gajanan Mishra
Tree Is Here

Tree is here in me,
And I am on the tree.
Nature tells me I am free.

Gajanan Mishra
Tree Is Known By Its Fruits

Means
You are known
By your children.

Am I right?

To be pure
All things are pure.

My dear
You are here
Where angels fear.

Gajanan Mishra
Tree Is Living

Tree is living with us, see
The bellows of the blacksmith
Is breathing like us, see
Beasts are also eating
And sleeping like us, see
All birds and all animals, insects
Are also copulating
And discharging semen, see.
The elephant is also praying
And offering flower to the Almighty.
The deer is also crying when
Surrounded by fire and hunter.
O my dear, remember Him always
And talk to Him. call Him
In distress and in pleasure
This is the only way of
Living here year after year.

Gajanan Mishra
Tree Makes

Tree makes life free
Do not cut tree
It is lifes industry
Life is in forestry.
Tree’s talk listen
Silently tree given us
Best education
And we survive for
Tree only and tree make us
Enjoy our vacation.

Gajanan Mishra
Tree Of Clouds

Tree of clouds,
Snow of fire,
Sea of rocks
All came to me
And I expect
Some words
From all.

All are salted,
All are deserted.

I enveloped them all,
And faced them
With all truthfulness.

They all appeared
With nothingness
For new images.

Gajanan Mishra
Tree Of Piety

Tree of piety
Is the very Truth.
The full moon
Joy to the wisdom
Ocean of wisdom.
The very Truth
Opens the lotus of
Dispassion and
Disperses the wind
The clouds of ignorance.
The very Truth
Dispels the thick
Darkness of sin
Eradicate the agony.

Gajanan Mishra
Tree Spreads Roots

Tree spreads roots
You spread your
Extensive energy
You are my silent tree
You illumine this sky
Where I am.

Gajanan Mishra
Tree, tree,
You are invited,
Please come in.

Tree, tree,
From you here
I am learning.

Tree, tree,
Check the time,
And from
Moment to moment
Save me from crying.

Tree, tree,
Going outside
Is not allowed,
Please stay in.

Tree, tree,
What you take
I am here to give,
And what I take
You are sending.

Tree, tree,
Draw not any line,
Of course, it is true,
No one is coming
No one is going.

Tree, tree,
We are one and
The same like
Two sides of
The same coin.

Tree, tree,
Watch the scene,
And say something
Here, all are
Ready for a living.

Gajanan Mishra
Trees

Trees,
What are they doing there
I am going to tell you, sir.
They are all there
To eradicate the dark.

Trees,
The alphabets of life,
I am going to represent
In picture
Through my words.

Trees,
So simple,
So complex.
But nothing to perplex.

Gajanan Mishra
Trees Of Wind

The trees of wind-
Inside me,
And I climb on
These trees.
They are changing
Their colours and
Sizes.
And I go through
These trees
For livelihood.
These trees are
The truth,
And with them
Something I know.

Gajanan Mishra
Trees Without Roots

Trees without roots,
Roots without earth,
Earth without life,
Life without love,
Love without truth
Cease to exist here
At least with us,
Stay cautious, my dear.

Gajanan Mishra
Trembling Of Leaves

Our life is like
Trembling leaves.
And we are carefree.
The sky and the earth
All go hand in hand
For us and we fear.
We are never identical
And we know the statistics-
Not true, though.
Substance we need
Not for any gain
But for loss and sacrifice.
Always we leave the space
For another one not known.

Gajanan Mishra
Trespassers

O trespassers, You are
Not allowed to enter
I have shut down all
My doors and windows.

I know you are
The disturbing elements
I know you are
The reasons of my fear
My anger and my desire.

O trespassers, O outsiders I am
Not going to allow you
At this juncture and I
Do not want to take risk
With you here.

Gajanan Mishra
Trial And Error

As a gem cannot be polished
Without friction
So also a man cannot be perfected
Without trials
And when there is a trial
There is an error
A man's life is on trial and error
It is his honesty his sincerity
His love his truthfulness
That make him success in life.

Gajanan Mishra
Trial Room

Trial room - this world,
Get ready to do
What ever is there,
But be prepare
To face all odds.
You are an odd
But try not
To give order
For out.
No one is
Going out
And no one is
Coming in.
Yet find the crowd.

Gajanan Mishra
Trials And

Trials and tribulations
All such disturbing elements
Come and go on their own.
You are to remain as you are
Calm quite and with patience.
You have to cross the fair weather
And the national highways.
While crossing you have to see
All around you lest you collide
With someone and something.

Gajanan Mishra
Tribals

Tribal are original
Deprived not basic right.

Tribals make us bright
Give them sprite.

Gajanan Mishra
Tricolor

Displaying the tricolor
I wanted to say
How independent
How self-dependent
We are here today
And I wanted to say
How we feel important
How we look with enthusiasm
Displaying the tricolor
I wanted to know
Why people in large number
Are gathering under
This tricolor that is with me.

Gajanan Mishra
Tricolored Flag

Tricolored flag -
Symbol of saints, heroes,
Champions of peace,

O my dear, run not.

The real divine
That is here with you
Acts as a power.

It is all the trouble
Where you stand,
Stick to it please.

Gajanan Mishra
Tripartite Relations

It is not that
I will write poetry
As per your directions
Within the frame
Laid down by you.

It is not that
I will write poetry
Only on weather
And on woman and you get
A chance to
Lodge a complain.

I will write
On my my own
If you are my readers
You must read me
You must comment
On my poems
You must also vote.

Tripartite relations
Are here among us
And it is eternal
My dear and in the middle
My poetry plays
A major role.

Gajanan Mishra
Triveni Sangam

At Prayag Allhabad
Ganga Jamuna Saraswati
Triveni sangam
At my body
Sattva Rajas Tamas
Triveni sangam
At a day
Morning noon evening
Triveni sangam
The greatest show
You can find
On this earth
Birth living and death
One who is a seer
Can know the truth.

Gajanan Mishra
Trot, Trot, Trot.

Trot, trot, trot, hungry fox came trotting,
Seeing the bunch of grapes hanging from a vine,
Greedy fox stretched and stretched and jumped and jumped,
He failed to reach the grapes and declared
The grapes are sour.

Gajanan Mishra
Trouble

I am not telling, I am in trouble,
I know not, what is trouble,
And trouble is not here,
In Your presence my dear, I know
And without You, how can I say
I am here not in trouble,
And You are here always with You,
And trouble, I know not
What I there, where You are.

Gajanan Mishra

Keeping in view

You are confusing.
Nothing to
Confuse here, remember.
Be calm within you,
Observe the things
and the waves
that are here.
Fear not,
face all,
And try to hear
Call of nature.
You are
Your lighter.

Gajanan Mishra
Trouble Is There

Trouble is there
Always in household life.
No peace, no rest
In either way.
So many dangers,
So many bullets,
In social life.
But my dear, we should
Enjoy the darkness also.
We have to fast
And taste the hunger.
We are indivisible, I know,
But at times we are to
Divide ourselves for others.

Gajanan Mishra
Trouble-Free Life

My dear men, if you want
A trouble-free life, and peace,
Desire not anything.
You know well how
Your own desire, wealth,
And jewel caused very much
Intrigue, violence
And sufferings.

Gajanan Mishra
Troubles Ahead

Troubles ahead,
What to do
Think and act.
Think for a while
You are here
Not to receive
But to give.
What to give
That depends on you,
And accordingly be
Ready to face
The situation there.
Have patience and
See what is happening.

Gajanan Mishra
Troubles Ahead - Time

Troubles ahead,
What to do
Think and act.
Think for a while
You are here
Not to receive
But to give.
What to give
That depends on you,
And accordingly be
Ready to face
The situation there.
Have patience and
See what is happening.

Gajanan Mishra

Some sort of training
Is necessary
To see
To understand
I know life is
Troublesome.

Gajanan Mishra
Truant Monsoon

No rain,
Truant monsoon,
Pest menace,
No help from anyone,
I am a poor farmer,
How can I survive?

Gajanan Mishra
Truce

Executing truce
Is the best option
To avoid hostility
That has no value
Executing truce
Is the best option
For the purpose of
Churning nectar
O my dear, during
This limited time
Frame of life
We are weak
We are short
To stay in peace by
Executing truce is
Best for all-round
Welfare of all
In this short period.

Gajanan Mishra

What is true and what is false
Not difficult to know my dear
If you try to know from you.

And you are not free I know
First try to get yourself free
From you and then everything
Will be crystal clear.

First know who you are
And what are you doing here
First know what is your nature
And what for you are here.

Gajanan Mishra
True and false
Relative terms.
Subhas Bose and

True Education

What is true education
We do not know till date
More and more we are
Making the education
corrupt.

We have no quality
Education so far
It is because
We have vested interest
And education is
Going towards rot.

We are far behind
From the beasts also
Think a while
We have only garbage
Certificates without
Any intrinsic value.

Gajanan Mishra
True Education Will Change History

Give

To your children.
Fear not in giving
True education.

Of the situation of life.

Resounding of fear in life,
In ocean, in words,
I claimed for the truth.
I am out of frustration, true.
I have my own sovereignty
And that is exclusive.

Worry not, nothing to suffer,
For all, I can distinguish
Good from bad.

Who knows true love
At least you can not
If you know
Will you return my love
Will you return my hurt
Will you return my pain
No you can not
You do not know reality
You can not digest truth
You can not perceive truth
At least directly.

Poet writes poem for others
And without any self interest
If I say poet has self interest
I must say yes the poet has
The interest of the poet is
The interest of all as
Poet is unattached
Poet writes for the welfare
Of complete universe
The goal of the poet is
With impersonal
To say the poet is the symbol
Of renunciation is absolutely right.

Let me engage in Your service
Always and for ever.

I am telling all that are Yours, my dear
I am telling all to You only out of love.

Gajanan Mishra
True Nature - Total Free

True nature,  
What is that,  
How to know.

The words  
Death and birth  
Are totally  
Misled all.

And what for you are.

Free from attachment,  
And also from detachment.

What is my true nature
I failed to understand
But I am to know what
Is there in me.
I know, truth is only
There in me and I am

It is only the love
That can guide me here.

Live here without fear,
I know, fear is death.

For the answer.
I know the kingdom
Is not for only
The king. I know

A true wife
Can only be purified
By the austerity of her husband;
So said by Srimad- Bhagavatam, in
Canto eight, chapter seventeen
Text nineteen.
Who is there to disagree
Please come forward and
State the reasons.
The vision of a husband,
Purified by his austerity
Is never mistaken,
The true wife should realise.

Who are ready to
And sucking me till
This last date.

And with own words
And language utter
The voice of the hearts
And make the false emperor down.

Gajanan Mishra
True, I have not seen you,
True, I have not heard
Correctly where you are,
True, I am here within you,

So long as we are
On this train.

Forfeiting own odor
And identity.

Gajanan Mishra
Truely You

Why are you going away from me,
See I have come to site beside you.
Are you unable to see me?
My white coloured body became black
While going to you.
Only for you I am building shelter here
Just to caught you and put you
In this house.
Here I am opening my cage
You may go wherever you like.
But tell not we are here
For life's together.
When I would go straight
You would know how you left me,
With bag and baggages.

Gajanan Mishra
Truly I Am Yours

Truly I am yours,
And so, let me go.

I am going on your path,
That is the path of work and renunciation,

And where is my leg
Is leg the beginning
And the head the end
Or vice versa or reverse
No one can say
Where is my purse
That has the sound of
Full knowledge
That has the sound of
Earthquake here
That I wear
While writing poems
You can feel
You can sing
My poems within You
O my dear and for which
I have came crossing
All rivers and oceans
To say that is truth
And You are waiting for me
At the identity pick
Of the dormitory.

Gajanan Mishra
Truly Truth

I am
Truly truth,
I am here to
Enlighten you.

I have
Witnessed
The black
And
The white.

Pity on me,
I need nothing.

It is I
Who makes
The wind blows,
The fire burns.

But I am the love,
I am the truth,
Truly yours.

With the tree
If you can
And find the things
You have within
Grace of the tree.

With my own life.

Even more times
Life is there in love,
Love is there
In trust.

Gajanan Mishra
Trust Me

Trust me
You can't find
True happiness here.
Try not to eliminate
Unhappiness, my dear

But not able to identify
That I know.
You want your own image
To be reflected here,
I know and that is a word.

Forest, I can say
Not mine and still,
I stay all days
With my ideas as stone.

My father was here
And he is no more now.

In life.

Gajanan Mishra
Trust Tragedy

Yes, trust is
In danger,
It is

Kickbacks are there
And true to
Our style we are
Sweeping away ourselves.

We are the hypocrite
Before us.

Gajanan Mishra
Trust Vote

Trust vote,
Necessary to
Enable the machinery
Function smoothly.

All should honour
The principle
And the people.

Gajanan Mishra
Trust With A

Trust, trust
And trust with a
Weight of treasure.

And remember,
That would return
To you.

Let me say
Nothing is true
Nothing is a lie.

And yet trust
And trust is there
That controls everywhere.

It is error manifest
It is doom of hell, doom of burning.

Gajanan Mishra
Trust Yourself

You are living,
Trust yourself.
You are opened,
Trust yourself.
And you are to live,
Trust yourself.

Trust yourself,
No error,
No eyelids,
No evening,
And nothing.

It is all seen
Before you.
All truth,
All love.

The word, the stone,
The identity, the science,
And all powerful.

We are to learn
How to go still.

Gajanan Mishra

Then only you can see
What you desire.

What you desire
Shows your identity
That is within you.

And what is within you
That you know better
O my dear, a beautiful creature.

See, still I am going with you.
I am unable to know where to go
and still I believe
you are there and ready to
take me to the ocean.

O ocean, You are my dear and near,
You are my hope and aspiration,
You have kept my love with you
in save and sound, I salute you.
I am going with you, the river, see.
I have put my all trust in you, river.
only because of you, O ocean, as because
You are only certain in the world.

Gajanan Mishra
Truth

I am
Searching the truth.

Have you seen it
Anywhere?

I am telling the truth.
What is there in you.

I am the truth.
No matter you like it or not.

Gajanan Mishra
Truth - Discover

I am in peace,
I have strength.
And I am happy
In all circumstances.

I am equal
To everyone.
But time is
Leaking out
From us and
I am helpless.

Still, I am happy,
I am with you
And you are in me.

And I am here
As a symbol of
Love and truth.
And at every moment,
I am discovering and
Rediscovering you.

Make all clear.
Confirm your presence,
Dear, and enjoy the absence
And observe clearance.

Gajanan Mishra
Truth - Face To Face

I can see you face to face,
I can talk to you directly.

I am keeping you in my heart.

Gajanan Mishra

Knowledge - verse,  
And then see life  
Happy and successful.

Truth - Let Us See

Let us see everything,
In connection with
The truth.
Truth - let us see,
Most attractive.
Truth - the active
The principle in all.
In relation to the truth,
Let us see everything
Within this cosmic manifestation.
The truth - the life,
The truth - the body,
The truth - reservoir of all.
Without the truth, nowhere nothing.

Gajanan Mishra
Truth - Mad

For truth
I am mad.
Truth makes
Me mad.

But I fear not
The truth.
I know, I am
The part and parcel
Of the truth.

For truth
I am here.
I am living here
For truth,
I love.

Gajanan Mishra
Nothing truth,
No life.
And truth is
Everything and
Everywhere
We live in
Our life.
Life is not
Empty lots.
Life is not
For fight
For moon
Or for the sun.
Truth is not
We hear,
Now we see,
Not we feel,
Not we speak,
In sorrow or
In pleasure.
All smoke and
We live
Like stone.
We are all blind,
And we have
No words to utter.
We are nobody
To say about life.
We are nobody
To know the truth.
Truth and life
Both contradict,
And we suffer
In mind and
In body.
Better to
Forget all.
Gajanan Mishra
Truth About The Truth

Truth is not multiforms,
Though formless.
Truth is everywhere,
And we are in truth,
We are the truth.
Exhibition of truth
Is not necessary,
But we are to obey
The order of truth.
Life without truth
Is unimaginable.
But horrible,
The picture of the truth
And hence falsehood.

Gajanan Mishra
Truth Alone Triumphs

Truth alone triumphs,
Truth alone triumphs.

We are all troglodyte,
We know the dark sides.

We all know where is light,
And in the light,
We see the truth,
And in truth we see life.

Life is the mixture of
Light and truth.

We are living to enjoy life,
Life is here with us.

Life is to get victory,
Victory is there in truth.

Gajanan Mishra
Truth And Absolute Truth

Truth and Absolute Truth
Alone is the actual reality.
It was there before my birth
It is now at present with me
It will be there after my death.
It is but the Truth that I see
I feel I talk about and I am
In Truth only in Truth.
Change your mental setting
If you want to see me feel me.

Gajanan Mishra
Truth And Beauty

Truth is there
In the arms
Of the farmers.

And make me free
From all shackles
That are here.

Gajanan Mishra
Truth And Conscience

Truth and conscience
Are two friends,
Always here with me.

But I have taken always
My own decisions
Fostering them with humility.

Gajanan Mishra
Truth And False

Truth and false
Everything is here within me
But let me see only truth everywhere.

Gajanan Mishra
Truth And False And Life

Truth is not always the truth,
So also false is not always the falsehood.

Not affection, not responsibility
Can fulfill the dream.
The trembling time
Always goes with its whims.

But whim is not always the whims,
Though, so it seems.

Who goes to whom
How can I say,
But what I see
At the moment I must explain.

What I say and what I do
All for you dear, all for you.

Gajanan Mishra
Truth And Falsehood

Let us have some knowledge  
Let us know the difference  
Between truth and falsehood.

Let us behold the beauty  
Here is within us the divinity  
Let us feel it as sun-beams  
For the darkness of error.

Let us know the fount of light  
In our own life, Supreme bliss  
Personified, highest Lord.

I am finite and within the circle of  
Joy and grief, knowledge and ignorance  
Egoism and pride and I am trying  
To know You, my dear, the whole world within You.

Gajanan Mishra
Truth And Justice

Describe what you perceive
Discuss meaningfully when and
Where you find Truth and justice.

Give values to all questions
And to all answers and it is
Your caliber to show all matters.

Nourish your path and go insight
As and when you like with proper
Guardianship here on this earth.

Gajanan Mishra
Truth And Love

Where there is Truth
There is Love
Where there is truth and love
There is life
Where there is life
There is I
With prosperity
Victory glory.

Watch the time
You can not say it mine
Time possesses all virtues
Eternal and axiomatic
O my dear, that culminate in You
You act as my charioteer
Chariot is my body
You are the truth and I love it.

Gajanan Mishra
Truth And Non-Violence

Truth and non-violence
all are illusion and
let me say shelter of
Confused person.

Is life not an error?
Are you not taking falsehood
with you when you say
You are alive here?

And you failed to
produce evidences before all,
and you cannot give guaranty
That you are here forever.

Gajanan Mishra
Truth And Only Truth

Truth and only truth is here,
Go on searching the truth, my dear.
Be vigilant and stay controlling
Your own mind who is like a calf or kid
And that can give you loli-pop
Of pleasure, honor, praise, comforts etc
And can take you far away from truth.
Go on searching the truth, my dear
And use the truth as necessities of life.
Everything including your very play,
virtues, glory, excellence are nothing
But the forms of truth, recognize them all.
Keep the process of your thinking pure,
That would help you in your practical life.

Gajanan Mishra
Truth And Transparent

Truth and transparent,
Stay clear, my dear,
And go where you like
Just as a fountain.

Shine like the full moon,
My dear, and go with the star,

Waiting for you with nectar.

Let the light there
As life's partner.
Go on with a vision
That is clear.

Gajanan Mishra
Truth Be Spoken

Truth be spoken
Always everywhere.
But what is the truth
Be first known.

How can you know
Where you are
How you are
And what for you are.

Be confident
And live,
Keeping control
Your body and senses.

Gajanan Mishra
Truth Beauty Fame

Truth beauty fame
And self-control

In this world, and I am
In touch with all.

Real bliss is here
On this earth, see
No illusory energy but
The Truth see.

Gajanan Mishra
Truth Conscious

A few people
But not all -
Truth conscious.
But knowing truth
In the truth
Is not easy, also
It is not difficult.

But men, you have no need to
Act for personal
Sense gratification.
Men, you have to
Stay detached from
Both pious and impious activities
And stay relieved from all reactions.

Gajanan Mishra
Truth Consciousness

I am satisfied with myself
I am enlightened in Truth consciousness
I am enlivened and enthused by
Absolutely truthful statements.

It is Your greatest mercy
You bless me and You glance upon me
I care nothing for my wife children and wealth
I know The Truth and I know You.

I consider Your words all Truth
I accept You all the good
I know my actual self interest lies in attaining You
You are the Supreme pleasures, my dear.

Gajanan Mishra
Truth Creates Truth

What is created is also truth
There is nothing but truth
Truth sustains truth
What is sustained is also truth
There is nothing but truth
Truth never destroys
What is destroyed is not truth
There is nothing but truth
Truth is only here there
Everywhere as you see as I observe
And you see truth as I see truth
And truth is the light of all lights.

Gajanan Mishra
Truth Exists

Truth exists
And you should
Know it.
Try to stay
With truth
And discover life.
Life is here
Only in truth.
Accept the life,
Accept the truth.
Truth exists
And you should
Know it
Within you.

Gajanan Mishra
Truth Gives Words

Truth gives words,
Words recognize the truth,
Everywhere, see only the truth.

Gajanan Mishra
Truth Has Gone

Truth has gone
Love has gone
And nothing is
There to found.

And it is a curse
On our life
That we live so far
Without love and truth.

Is it true
One asked me and
I replied in negative
Citing the fish as example.

Gajanan Mishra
Truth Has Only One Way

Truth has only one way,
Seems so many though to
Different persons at
Different times.

Truth has nothing in it
And also outside it.
But truth is everything
At every time and at
Every place.

Time and place have
No role to play
In truth.
But truth influence
The time and the place
In the same way.

Gajanan Mishra
Truth - I Do Not Believe

Truth - I do not believe
I know no truth is there.

Tell me if you know
What is truth and where it is.

If you say truth is sky
I do admit I know sky is no where.

I am the creation of truth
If you give clarification it is okay.

I know no meaning of anything
And your conception your perception is wrong.

Gajanan Mishra
Truth In Full

Truth in full,
See here
In me.
Love in full,
See here
With me.
You are here
In me
And with me.
I am there
Most sacred,
In you-
The love,
The truth.

Gajanan Mishra
Truth In Good Faith

Here is Truth
In good faith,
Wherein the earth
Sustained.

Hatred and love
Cannot be disguised,
Even if, one tries
To concealed them.

For the sake of Truth
Tell me, please,
What to do
But be cheerful.

Gajanan Mishra
Truth Is A Matter

Truth is a matter
that is inside us.
No need to go outside,
It is a matter
to view inside.
And if you have love
You need not fear fire,
Fire can do nothing
If you are really loving
all with no discrimination.
Only love and truth
Rule the world
And world as you see
is within the net of love and truth.

Gajanan Mishra
Truth Is Almighty

Almighty is omnipresent
Almighty is omniscient
Almighty is the only real
I know You are the real, my love
Besides You nothing is real
I know I have no independent
Existence of my own
Apart from You,
O my dear,
Having total disinclination
For the unreal I merged
In You, the real, my love
I know love is truth
Only truth and Love is almighty.

Gajanan Mishra
Truth Is Always

Truth is always true
False is always false
Who told you.

It does not matter
Whether it is Sunday
Or Monday
It is you who can only
Way and means to escape.

Gajanan Mishra
Truth Is Always A Matter

Truth is always
A matter to astonished.
When you are on right path,
You are a creature to astonished.
Happiness, good health all are
Matter to astonished.
The fish, the water,
The bird, the air
All are matter to astonished.
Life itself is astonished.
Just be grateful to the nature,
Your creator, the main source
To astonished.

Gajanan Mishra
Truth Is Always The Truth

Truth is always the truth,
By mixing with untruth,
Truth cannot be untruth.

With the memory of our own self.

Gajanan Mishra
Truth Is Always Thrilling

Truth is always thrilling
Truth is always singular
Truth is always wonderful
In truth we can draw
A conclusion that leads to
Disclosure of identity.

Gajanan Mishra
Truth Is Error

A single truth
Is not enough,
Full of error.
You can't say
Gold or silver.

Has truth wings?
You can't say
You have seen
Nothing, you have
Heard nothing.

In the life-river
Nothing constant,
Nothing fixed.
One has to go with the flow.

Gajanan Mishra
Truth Is God Himself

Truth and
Talking about Truth
Is more fruitful than
Any hymn of Vedas.

Truth is direct always
Truth is pleasing to the heart
Truth is the transcendental quality
Truth is God Himself.

Gajanan Mishra
Truth Is Here

Truth is here in the history
In the civilisation fully
Resumed and it is a poem.

The relation we have made
With the stone with the flower
With the bird with the sky
Not ours.

The truth is in our
Poetic world ours only ours
And we move forward
In search of another world
That is purely poetic
Purely in truth
Purely in peace
Purely in harmony.

Gajanan Mishra
Truth Is Here - Love And Happiness

Truth is here
In this world,
The world is
The truth.

The world is
The place to
Love.
Only for love
The world is here.
Love is the basis
Of this world.
Love and world-
One and the same.

Here in this world
One can realize
The self.
The self is one
In all.
And the self is
Here for all welfare.

One can find here,
Happiness in suffering too.

Gajanan Mishra
Truth Is Here And

Truth is here and
Nothing to be done
To establish again.
But you are to push
The truth forward.

Gajanan Mishra
Truth is here in my heart
O my dear come and see
I need no other scripture.

I must use this truth
For the welfare of all
Come and see no misery.

O my dear You are here
In my heart in truth
And I am living, see
With this culture of knowledge.

Gajanan Mishra
Truth is here
And see me
I am always
Engage myself
In glorifying
Truth.

Mind it
When I
Speak of truth
I refer to all
Matter and spirits
That are here.

Truth is our, remember
Original form.

Gajanan Mishra
Truth Is In South

Truth is there
Only in south.
Let us proceed
Towards south.
Identity is there
only in south.
The direction south
Is the only truth.

Gajanan Mishra
Truth Is In Us

I care not,
I bother not,
Who is
Telling what.
But I am
Writing poems
Day and nights
Without words.
With words
I am here
To touch you.
Without words
I am here
To touch the truth.

Gajanan Mishra
Truth Is Language

Truth is language,
Truth is the land,
The truth is
The lap of the mother.

The king must respect
The mother, the language
And must take care
The land and the air
And the water and the atmosphere.

The atmosphere would be save
With the judicious way of working
By the king and the king's men.
Good manners, good sayings and
Good deeds of the king give happiness to all.

Gajanan Mishra
Truth is life,
Truth is joy,
Truth is void.
Truth- all in one,
Joy, life and
Also void.
Let us affirm life,
Let us go with void.
Illustrations not required,
You, yourself illustrate
All that are here.
Self-identity suffice
The purpose here
And I appear
No matter, before
Or after.
Value must not be
Measured over the surface.
Up and down movement be
Experienced here,
Keeping fundamental in tact
For future.
But it is truth
And also it is void.
And we go
On the pathway
That is not ours.

Gajanan Mishra
Truth Is Life And Truth Is Living

Nothing is truth
More than a bread,
Nothing is truth
More than a pair of dress.

Truth is my life,
Truth is my living.
Being a bread winner,
I am searching nothing
But bread and cheese.

I am not here to
Eat the bread of idleness,
I am here to show
My knowledge strength
But to show love and mercy.

Gajanan Mishra
Truth Is Love And Love Is Truth

My dear, be truthful and be in love.

Love is all constancy of purpose,
Love is at the root of all success,
Love is the highest intellect.

Oh my dear, I love this world,
There is truth in this world.
I am living in this world, I know,
This world is pure and perfect.

I am doing, what I believe.
I love all here, I know,
Love cost nothing.

Love has no side effect, if it is true.
Truth has no side effect, if it is in love.

Gajanan Mishra
Truth Is My Language

And no one can drive away distress.
Just accept this truth and live, dear.

Fluctuation like us.

Gajanan Mishra
Truth Is Not Always True

Truth is not always true,
No one can say at any time,
That truth is false and
It is not here.
No one can say
It is out of path
In the sky.
No one can dream
And say water bubbles
Are not here.
It is not easy to
Comment on any incident
And arrive at the place
Where there is only dark.
The dark is there
Where there is light.
Each one here has
Certain specific light
With multiple colours.
When the colours change,
No one can escape by
Saying it is the delusion.
It is all perfect here
And for this only
Living is passion and
Craving.

Gajanan Mishra
Truth Is Not Available

Truth is not available
In open market,
If you want truth
You have to search it,
You have to labor hard
Honestly and sincerely
Day and night to get it.

Truth is there as before,
Truth is not anybody's
Paternal property that
One can claims openly,
But you have to extract it
From all odds my dear,
And declare this is such and such.

Truth is a matter of feeling
And beyond words of anybody
You have remain silent
And observe the waves

And not wonderful, be patient.

And be expose to the art
Of love and sex
For a decent life
For a successful life.

Gajanan Mishra
Truth Is Not Dream

Truth is not dream,
And dream is dream
So long as it is
Not truth.

Doing the works
As per my wish.

Agree with me
That life is a challenge
Disagree not
That life is not danger.

What I am telling here
Is all truth and not dreams.

Gajanan Mishra
Truth Is On The Air

What is true
And where it is.
Who is truthful
And where he is.

Let me see
I am totally unconnected
And I am not
In bondage.

But love is there
And I am on the waves.
The ocean is there
And I am on the air.

Gajanan Mishra
Truth Is Only This Earth

Here is the truth,
Truth is only this earth
And not the sky or the clouds.
Truth is only this earth
And not the fruits or flowers.
Truth is here, see,
Within you, my dear,
Discover me there.

Gajanan Mishra
Truth Is Opening

Truth is opening its door,
O love, please remain silent,
If you are unable to remain silent,
You may sing a song yourself.
Truth is opening its door,
O love, who is your near and dear,
Please see and call him near.
It is the time of union, my dear,
It is the time to smile in
the ocean of despair as all are here.
Truth is opening its door,
and we are assembled together to
find out a new way to solve all
problems so far appeared,
Turn not back my dear at this hour.

Truth is out,
Face and digest
It, if you can.

Gajanan Mishra
Truth Is Real

Truth is real,
False is illusory.
We are here to know
What is truth and
What is false.

Is life not true?
Yes, it is.
Nothing but the truth.

Life is colourful,
Life's appearance is
Manifold, but life is
One and the same for all.

We are here to respect life
And its flying beyond air.

Gajanan Mishra
Truth Is Revealed

Truth is revealed
Without any covering
Truth consciousness
Is always pure consciousness.

You are in Truth
Means you are ungraded
Your up-gradation
Is in auto-system.

You are uncontaminated
No need of any other identity
No misunderstanding
You yourself is the Truth.

You are in Truth
Means you are red-hot-iron fire
You are in Truth means
You act as electricity though copper you are.

You can achieve Truth
By this material body
Through Truth consciousness
And you are elevated to the position of pure Truth.

Gajanan Mishra
Truth Is Somewhere Else

Truth is somewhere else,
Search not the truth here.

Truth desires
Everything is formed.

Truth is everything,
But somewhere else,
The truth is there.

Understand the truth, dear,
And stay good.

Gajanan Mishra
Truth Is Supreme

Truth is supreme,
One in truth is always cheerful.
Cheerful man neither grieves nor desires.

Gajanan Mishra

Truth is that
I am different from you
I am different from any thing.

I am renouncing my affinity
With actions and objects.

I have my own separate identity.
And truth is also that
I am not going with it.

Gajanan Mishra
Truth is that I am not wise.
Truth is that we are not one.
Truth is that colors are not true.

Gajanan Mishra

Only object to know here,
Truth alone is the origin
And controller of all.

The vow of truthfulness.

Truth in the self-
Let us realize it.
Beginningless and
endless- we are.

Worry not, my dear,

we are the last.
But we are unique
and glorious.

Let us realize this
life is ours and it has
evolved out of ourselves.

Gajanan Mishra

The only truth.
Love life, dear
And live
Without fear
And favor.

Gajanan Mishra
Truth Is There

As a poet
I must keep
My mouth shut
As I could not
Write what
I thought.

Truth is there
And I am here.

Gajanan Mishra
Truth Is There And

Truth is there and
Everywhere there is the truth.

Always convince all
To stay on the truth.

Nothing but everyone
Is the truth here.

Forget about birth and death,
And joy and sorrow,
Forget about this and that,
Forget about night and day.

It is all about a play,
But the play is the truth,
Try to understand and
It is all in you.

Gajanan Mishra
Truth Is There In The Entire Form

Truth is there in the entire form of the world,  
Yet we are telling this world is full of falsehood.  
How many worlds are there we are not able to know,  
But we are one and we are going on the same route.  
And enroute we are meeting illusion and declaring  
We are neither in sunshine not it is raining at this time.  
Nothing and no one is a fragment that we know,  
Yet we are trying to capture one another then and now.  
We are reasonable to us and we are our scriptures  
Still we feel insufficient the reasons best known to us.  
We are trying to connect one another every moment  
Though messages are coming no network all the times.  
Are we in the mode of confusing situation, missing directions  
But our road is clear and for us, waiting there, the ocean.

But see the time, place and the person present.

All are truth,
Who is there to give the certificate.

You may climb up the ladder
But arrange first food, clothing, and shelter.

No profits in dry love,
The truth is there to test future.

Gajanan Mishra
Truth Is There With Me

Anywhere here and yet
I am trying to go with that
And I am inviting tragedy.

Gajanan Mishra
Truth Is There Within All

Life is the only truth,  
And the truth is there within all,  
Proportion is equal.  
But we the fools know not  
The truth and divide all  
And want to rule  
For self-interest, we know  
The real value, though.

Gajanan Mishra
Truth Is To

Determine the truth,  
Truth alone trumpet.

Truth is there  
To make truth

Eternal
Pursuing truth
I know Truth is

Truth
Always present
And untruth has
No existence.

Gajanan Mishra
Truth Is Truth - Dearest Dear

Truth is truth,
Truth is flawless
Truth is equanimous,
You are flawless, my dear
You are equanimous
And You are established in Truth.

Truth is there
Within You
You are unattached
And You have no affinity
For nature
You are the conqueror
Of conquerors,
My dearest dear.

Gajanan Mishra
Truth Is Truth And False Is False

Truth is truth
False is false.
And what is truth
Difficult to explained You
Question of false
Likewise not related to You.

I am neglecting the truth
It is not denied by me.
Equally I am eager to
Serve the false
Is partially true
You are absent there I see You.

No connection is there, see
Between Truth and false and I am here.

Gajanan Mishra
Truth Is Truth And It Is All In All

Truth is truth and it is the greatest work force

Truth is truth and it is the greatest fighter here.

Gajanan Mishra
Truth Is Truth, Always Truth

Truth is truth
Always the truth,
Worry not for truth, dear,
It is there, it is here.
Always truth, truth is truth.

This life is truth,
That life is truth.
Truth, truth, truth,
Always everywhere
Truth is truth, all truth.

Time is truth, bird is truth,
The sun is truth, truth is the light,
The sky is truth, truth is life.
Dream in reality is life and it is truth.

Gajanan Mishra
Truth Is Unattached

Truth is unattached,
You can feel good or
Bad as per your actions,
But truth is untainted.

Truth and love is identical,
It is in all animate and
Inanimate objects and beings
And all are living in love and truth.

Gajanan Mishra
Truth Is What Truth Is

Truth is what truth is
Truth is feeling, truth is living
Truth is the realization of life.
Let us live in Truth
Truth in quality and in quantity
Let us discover truth in entire forming.
It is a fact, nothing lacks in Truth
Truth is the beginning and truth is the ending
And in between we find only truth
Nothing but the truth.
It is the vision that is truth
It is the knowledge that is truth
The path is the truth, the opinion is the truth
And we find the love and the life-drama in love is only Truth.

Gajanan Mishra
Truth Is With Us

Truth is with us
And we are to win.
Victory is on our side,
We have to collect it.
Rise and see,
The rising sun is calling us.
And let us start life afresh
From the very beginning.
Nothing void,
But everything is correct
In its place,
We are to go and
Love all as it is
In nature with consciousness.

Gajanan Mishra
Truth Is With You

Truth is with you, my dear,
Come on and see within.
Please understand the bit,
And order the crow to
Inform everything in time.

Gajanan Mishra
Truth Is Wonder

Truth is always wonder,
Telling truth is amazement,
Hearing in wonderment,
And it is also wonder
No one here knows
What is truth.
Everyone also knows truth
Is beyond the realm of senses.

Gajanan Mishra
Truth Is Worth Knowing

Truth is worth knowing
And it is here within.

If you say it is the farthest,
Yet I can say go and catch it.

Truth is the nearest one,
Easily, you can reach.

Nowhere to go for truth,
It is always coming to you.

Gajanan Mishra
Truth Is Worth-Knowing

Truth is worth-knowing
Truth can be known
By the self only.
Believe the Truth only
Everything is Truth
Truth pervades everywhere.
Truth has its own glory
Truth leads to self-realization
Through Truth you can get perfection.
In reality, behold nothing else, besides Truth
It is because of ignorance, you failed to know Truth
Remember, only Truth is worth knowing.

Gajanan Mishra
Truth Light

Truth light,
Love truth.
Love expands,
In light.
Light is there
In life -
Full of
Love and truth.

Ritual of nature -
Love.
Love expands
In truth.
Truthful life,
Catches the sky.

Gajanan Mishra
Truth Love And Character

Achieve success and glory
O my dear, by protecting
The earth and by delighting others
By treating all equally
And by your own noble character.

I know nothing is permanent
I know my body will not stay
With me for ever
What to speak of the rest besides
Truth love character.

My dear, remember
You are alone here
And you will be rewarded
For your deeds only.

Gajanan Mishra
Truth, love and life
All go together for a drive.
Life said come on, my dears.
Truth said wait, let us test.
Love said I know not
Dark or light,
Still I want to fight,
And I want to see it within.

Gajanan Mishra
Truth Mixed With

Truth is truth,
But truth mixed with
Frauds are no truth.
The truth is divine
So also the beauty,
The learning,
The knowledge,
Good conduct and
Heroism.
Men, culture all
That is good
And pure and truth
And be great.

Gajanan Mishra
Truth Must Be Told

Truth must be told,
But what is the truth
One must know,
At least try to know.
Bhubaneswar is not the truth,
Poet Edward Kofi is not the truth,
Air - not truth,
Water - not truth,
Light - not truth.
But the earth is the truth.
Life is the truth.
We must know the use
Of the truth.
Poet Kofi is not joking,
Neither he is in fatigue.
I am with the poet
In my own garments, true.
Still, I'm not sure
The truth is with me,
I think though
I am there with the truth.

Gajanan Mishra
Truth Of Life

Truth of life -
Death.
Death has no
After-effects.

It is only
A quick exit.
And it is
The tough act of nature.

No confrontation,
But we should
Stay alert.
It is the turning point
And it is written
On the wall of time.

Gajanan Mishra
Truth Of Non-Violence

Experience your life, my dear
Life of truth and truth of non-violence.

It is the dream of the sky
Life-long swimming in
The drawing sheet of the children.

Life is not election hymn
In the mal-democratic system.

Is it the dream of eligible candidate
In the morning of a homeless beggar
In a small railway station?
How can you know and differentiate
The gem and cinnamon stone?

The life is binding with a ring
And with a bracelet or anklet and a chain.

Gajanan Mishra
Truth Of What

Truth of what
If you ask
I must say
It is for truth
And one who is
In truth must drink
Poison and must
see all whom
He is undertaken
To liberate.

Gajanan Mishra
Truth Present

Illusion removed
Sun rises
Dark departed.

Gajanan Mishra
Truth Realization

Truth realization,
Truth is our abode.
But what is that truth?
Is it life itself with no profit?
Truth and life are two ends
Of the same thing.
It is our knowledge that can
Enable us to proceed forward
On the path of realized truth.

Gajanan Mishra
Truth Stands

Truth stands,
Truth stands for life.
Truth springs
Truth springs from life.
Life is the root of all truth.

No life no truth,
No truth no love,
Let there be love in life,
Love is life,
Life is only to love,
Life is only for love.

Life arises from love,
When love is there,
Truth appears like fixed-star.

Gajanan Mishra
Truth To Ashes

No one is so powerful
To burn the truth
In to ashes.
We should use words
With caution
And be cautious.
No one should be
Ungrateful also
And have patience
Till the end.
No where there is
An end,
We should remember
In this life.

Gajanan Mishra
Truth Triumph

Let the truth triumph
Let the heinous crimes
Brought to justice
Let the terror networks
Dismantaled
Let the people live
In peace
It is democracy.

Gajanan Mishra
Truth Truth Truth

Truth truth truth
Everything is truth
The earth the water
The fire the air the ether
All that are accepted as truth
You are the original truth, my dear
Everything pertaining to You is also truth
Your body is truth Your knowledge is truth
Your smile is truth Your pleasure is truth
My offering is truth my surrender is truth
Your protection is also truth
Truth truth truth
Everything is truth
My dear, see my love is truth.

Gajanan Mishra
Truth Turn False

All truths turn in to false
Without you here, see.
And in your absence
Falsehood reign.

Let me call you,
I know your presence is necessary
To fulfill the life' desire
That is there in the air.

Gajanan Mishra
Truth Vs Gun

It is power of truth
Verses power of the gun.
And I am sure power of
Truth has the winning side.

Just wait and watch.

It is true, we are to go
With long history and
Culture people and
All are here with us.

The reality is we love all.

But we have to keep
Our prestige and dignity
And we have to keep it
At any cost - humanity.

Where it is,
Let there be,
The truth.
Truth-life,
Life-truth.
Death-truth,
Truth-death.
Process of truth
Is also the truth.
Truth is real,
And nothing is unreal.
Love, friendship,
Time, entities
All are one.

Gajanan Mishra
Truth, Life, World

Truth, life, and the world -
Confusing words for all.
All contradictory,
They are all associated
With the power and
Literature that is there
In both history and geography
For the purpose of measuring time.

Gajanan Mishra
Truth, Truth

Truth, truth.
That is exactly
I want to know
Both in rain
and in sun.

For truth
I am loving you
Day in and
Day out.

I am dreaming
the truth,
Truth is the reality
of my life, and
Life's imagination.

How can I forget
the truth that is
within me?
I am the basis
of the truth.

Let us accept the truth
that is there already
before us.

Let us forget not
we are here only
for the wise words
of that truth.

Truth is not painful,
Truth is what we accept
and what we reject.

Truth, truth,
that is what
exactly I want to know.
Gajanan Mishra
Truth, Truth And Truth

Truth, truth, and truth,
Each and everything,
Each and everybody
Truth and truth here.
The earth, the sky, the light,
The air and the water,
Everything is the truth here.
Truth, truth, and truth,
You are the truth,
I am the truth,
Truth is our life,
Truth is our love,
Truth is our union,
The truth is our knowledge.
Truth, truth, and truth,
Truth is everything and
The truth is everybody.
Truth is our eating
Our sleeping, our walking,
Our dancing, our living,
The truth is also our dying.
Truth is our name, fame,
Truth is our number, address,
Truth is word, sentences,
The truth is our smiling and beauty.
The truth is mind and body.
Nothing but the truth
Nothing is in doubt
But the truth
Is prevailing everywhere.

Gajanan Mishra
Truth-Bird

Truth-bird
In false-sky,
Say no one
Good-bye.

Child-mother
Stay happy,
Destroy not
Nature’s beauty.

Gajanan Mishra
Truth-Establishment

You have established Truth here, my dear
And I am here in this Truth-establishment.
And I am free from mistakes, illusions
And propensities to cheat as I am in this location.

Gajanan Mishra
Always stay in truth,
Truth is there in you.
Whatever you like to do,
Do with all truthfulness.

Truth is your life,
Truth is your living,
Truth is your work,
Truth is your working.

Truth and you, men,
One and the same.
With truth, men you
Can attain highest
Perfection of life.
Life is the truth, see.

Gajanan Mishra
Truthful In

Truthful in words and in
Action and in thought is
Very very diffcicult,
Not impossible though,
We are to be truthful always
To know our own identity,
To observe our own behaviour
And way to move forward.

Gajanan Mishra
Truthful Work

Do the works that are benefited to all
Tell the truth with love always to all
No lamentation in the works of Almighty
Worship always God Guru and great oldie.

Gajanan Mishra
Truthfulness, We Are To Show

All seen,
All unseen.
We are in between.

From one to another
Approaching road is there
For us.

Who we are,
We are to tell all
And show the card
For identification.

We are to tell
Why we are here
And show them our
Truthfulness.

Gajanan Mishra
Truth-Heaven

Best life
Let us enjoy
In the glimmer
Of twilight
Under the sky.

New knowledge
Let us receive
At every moment
By riding
The love-throne.

Let us stay confident
In the truth-heaven,
And keep patience
To live here, men.

Gajanan Mishra
Truthlessness

How can I say
I am independent?
How can I say
I am sovereign?

Excuse me, I am
Unable to hoist
The flag of freedom.
Excuse me, I am
Unable to deliver
Speech on freedom.

I am running after
Sense gratification,
And personal gain.
Is not my life in vain?

Gajanan Mishra
Try And Escape

Try and escape
From the net of darkness,
Escape into the heavenly light.

Moon is there, see
How the moon is free from
The clouds all around.

Take the path
Of the sun and escape
Like the swans.

Gajanan Mishra
Try And Turn

Try and turn
With your words
The course of history.
You may take
Breakfast in Amritsar,
Lunch in Lahore,
Dinner in kabul.
Try and turn
The course of history
With your action.
Venture and gain
What you wish.
Shape your voice
And tolerate all.

Gajanan Mishra
Try Not Keep

Try not to keep any
Other one and any other
Thing under your control.

If you are so interested to keep
Any thing or any one under your control,
Keep your own senses and body and mind.

Keep it in mind always
That the sun is rising
Only for you.

But try not to keep
Any incident within your mind
And open not the road of ruin.

Stay stable and realize
The truth that is enjoyable.

Your own duty in good manners.

Gajanan Mishra
Try Not To Hunt Anyone Down

At any time, in trouble.

Try to go,
From your own self
If you are wise.

And also the last one here

Trying To Write A Poem

I am trying to write a poem,
that I could not write so far.

No light of victory, no forgiveness.
For a moment I have forgotten
that I was trying to write.

I know I am responsible
for not able to write a poem.
It is the result of my past evil-deeds.

Blame me, if you so like.
I am taking my life and also
the life of others a joke.

Am I discarded by love and by truth?
Am I not the product of nectar?
As I am not able to write a poem here!

Gajanan Mishra
Tu Fu Is There

Tu Fu is there
Come and see
O star.

Oh, I am so dull
That I am not able
To hear time's call.

And Tu Fu said
Come on for mate.

Gajanan Mishra
Tu-Fu, My Friend

Tu-Fu, my friend,
you are going to
measure the night.
I am enjoing the day
That is in me.

You are scalling the sky
that I know and U am
preparing myself
to dive with the birds
that are chirping.

Tu-Fu, my friend
you are here at this time
and I am telling you
what is there in my dream.

Gajanan Mishra

Over life
Over peace,
Here, in
This area of
Death.

Turbulence Ties

Ties strong
In strategy
Though vibrancy
Difficult to measures.

Quibbling with words
Common and regular
Glaring contradiction
With global consensus
Ties turbulent.

Trust mistrust
Distrust ruled
In full swing
Roller coaster
Failed to move.

Gajanan Mishra
Turmoil

Life is in turmoil
With loss gain
With pleasures pain
With birth death
With present past
Come and live
In turmoil
With peace
And in fight.

Gajanan Mishra
Turn round and round
With the earth, with the sun,
With the moon and with the time.

Time, not mine.
Earth, I am,
The sun and the moon,
I am their fragments.

I play within myself,
I call my names,
I circulate my heart
To all images.

I am dazzling from
The very beginning.
I am my own king.

I start everything,
And I finish all.
Here I dream and
Waiting for a call.

What I am known to my father,
I am a victorious warrior,
And I am at war with the time.

Gajanan Mishra
Turn Your Life In To Rhyme

Turn your life in to rhyme
But remember life is not rhyme.
No reason is there to search,
Search not anywhere for anything.
But life is full of rhyme as we
All know and it is full of reason
And we all are here before the Almighty
In season and out of season.

Gajanan Mishra
Turncoat

Believe not
A turncoat, no
Allegiance is there.

Gajanan Mishra
Turning Around

I reached here
And here I found You
O my dear
I know You are a
Finished product
Of Light
Where there is
No work of
My might.

Air
That is there
Before and after
I start in dark
In the same way
You You show
Your face
Black and white
And yellow in wood
O Wood-craft
And You have given me
This life and
On it the right.

Gajanan Mishra
Turning Left

Turning left
Turn to right.
Prepare yourself
To fight.

To fight with whom?
My dear, if you are
So interested
Fight with your
Own ego, own anger.

And keep in tact
All relations, my dear,
It is light everywhere
See and stay happy
By the name of truth and love.

Gajanan Mishra
Turning Right And Turning Left

You are right,
As you are turning
At times right and
At times left.
You are up
And at times
You are down.
But the thing is
Light is not
Bright here,
It smells like
Burning fire.
It is but night
And I am right.

Gajanan Mishra
Turning The Pages

I lost nothing
I have the mirror
This served the purpose
I have the eyes
I have the thought
This solve the problems
Here is fragrant winds
Here is sandal wood trees
And I learn so many thing
In your presence my dear
I am not in conflicting term
With anybody at any time
Turning the pages
I lost nothing.

Gajanan Mishra
Turning To Poetry

Turning to poetry
I lighted my house
And here there is
No need to search you
And here there is
No need to hear you
I know O my dear
You are here with all
You are here for all
And you are unfolding
Everything with a call.

Gajanan Mishra
Turtle

Turtle, Oh turtle,
You are the oldest
One to roam the world.
Oh, you are returning
To the place of your birth
To lay eggs.
You are the leatherback,
You are the largest,
You are seven feet in length.
Oh turtle, you have
Saved the sea during
Churning by demons and gods.
You are saviour and you
Bear the pain for others.

Gajanan Mishra
Tut Tut

Tut tut,
My poetic sensibility,
If it is not in truth.

Tut tut,
My poems,
If they are not there
To create
Love in you.

Tut tut,
If I am not here
To discard the falsehood.

Tut tut,
If I am unable to do
Any public good.

Gajanan Mishra
Tut!

Tut!
please say not.
Better is your hush.
Feel the time
That adieu.

Just express aha!
And bless with all good.
Hey, life is hurrah,
Enjoy it with love.
God is in You with all truth.

Gajanan Mishra
Tweet, Tweet

Tweet, tweet, tweet, tweet
This is a wake up call
And it is no more available here.

O my dear, let us work together,
This time is with us here
We are all the time-setter.

Tweet, tweet, tweet, tweet
We are the official offender
Let us admit it in the form of nature.

O my dear, O my dear,
Let us work together
To keep save our future.

Gajanan Mishra
Twelve Noon

It is twelve noon
In my new watch
I do not like to walk
And I walk.

I do not like to see
And I see
No scene is here
At the border.

My house is pure mud
And I do not want it
And I am in this house
With air like kite.

Gajanan Mishra
Twentv Minutes

Twenty minutes,
And everything is
Finished.
Every joy, every beauty,
And the colorful world
Weeps.
What happen to them?
They are eager to destroy
In such a way
That cannot be recreated.
They really till date
Not able to know
What they are doing.
This is our misfortune.

Gajanan Mishra
Twenty-Four Hours

Twenty-four hours
Divided into four parts
Six hours for eating recreation
And physical exercises
Six hours for actions for earning livelihood
Six hours for sleep
Six hours for soul-realization
By creativity composing poems etc
Twenty-four hours
Make life holy, rich and successful.

Gajanan Mishra
Twenty-Four Hours Only

Twenty-four hours,
Twenty-four hours only
At my disposal.
Within this I have to eat,
I have to sleep, I have to work
And I have to do all sort of works.
Within this I have to do
All mathematical calculations of
Income and expenditure and
I have to invest my limited capital* and
I have to perform my life-business.
The profit and loss are mine and
I have to bear everything being
The head of steering committee of life.

* capital - age or time

Gajanan Mishra
Twin

Rustling is there and I
Could not hear due to twin -
The sword and the flower.

Gajanan Mishra
Twisted Ideology

Stop attack
On civilized world,
Your attack is
Nothing but an example of
Twisted ideology.
Innocent people
Are like God,
Stop attack, please.
God is no where
But within all.
Realize, please,
God is within you also.
You are the one and the same
With other human beings here.

Gajanan Mishra
Twists And Turns

Unexpected?
No, never,
It is the result of
Your own deeds.
Accept it or not,
No matter, but
The fact is
There before you.

Gajanan Mishra
Twitter

Let the bird stay here and twitter.

Hear,
what it says
before the night comes.

Video camera
is not with us
and we failed to present the arts.

Gajanan Mishra
Two

Two roads
And we two.
One Temple
One poem.
Awake
All night.
The grass the trees
The water the light
I know
You know not.
Sea and sky
Here alert.
I know
Important and
Unimportant.
No question
No answer.
Fire
And fire.

Gajanan Mishra
Two And One

Two type -
Male and female.
Two-time -
Day and night.
Two stages -
Life and death.
Two guards -
The sun and the moon.
But two in one,
One air, one water,
One sky, one light.
One in two,
Two roads are
One here and there.

Gajanan Mishra
Two And

Two and not one,
Are there in the world.
You and I,
Truth and false,
Air and water,
Night and day,
The sun and the moon.
Birth and death.
Two are equal,
No difference.
Two exist here
In equal proportion.
Two and not more,
Make life roared.

Gajanan Mishra
Two And Two

Two and two
Not four
Rightly said
My grand-daughter.
And I am forced to
Agree with her
With all curiosity.
I roll back my time,
I try to say
Something, but
I could not utter
A single word
Due to insecurity.

My grand-daughter
Remind me washing hands
Before taking meals.
I am confused
How this little angel
Knows all this
At her four.
Four and four
She knows not
How to answer here
With all those men
Whom, she treats strangers.

Gajanan Mishra
Two And Two - Two

Two and two,
Not four,
But two.
To go and
To come,
But stay
On the same
Ground.
Give and take
Are but
The one and
The same
For counting
And for the living.
Living is nothing,
But seeing and
Tasting the time.
Time is how far
We are using
Ourselves successfully
Here with all.
But we are one
And not two or
Multiple.

Gajanan Mishra
Two Birds

Two birds are here
At this home.

One is crying
Another is laughing.

One is sitting
Another is flying.

One is telling so many thing
Another is hearing silently.

Two birds are here
At this home
And this home is
Not mine
Not mine.

And who's who
Please don't ask me
Don't me.

Gajanan Mishra
Two Birds Are There

On a certain tree
Two birds are there.
One is eating fruits,
Another simply -
Witnessing and directing.

The bird who is eating
Cannot see the bird
Who is witnessing and directing,
And also cannot understand
How they are there together,
And also unable to know the purpose.

Two birds are there,
One is invisible and another
Visible, though, know not the truth.

Gajanan Mishra
Two Birds In One Tree

Two birds keep company with each other
Two birds friendly to each other.

One bird tasting the fruits of actions and enjoy
Another bird only illumines.

O my dear, You are one bird
I am another.

Gajanan Mishra
Two Birds In One Tree- Life

Two birds
In one tree.
One is the fruit-eater,
Another is the witness.
One is controlled
By the laws of nature.
Another is the controller
Of all here.

Gajanan Mishra
Two Birds- Who's Who

Two birds are here
At this home.

One is crying
Another is laughing.

One is sitting
Another is flying.

One is telling so many thing
Another is hearing silently.

Two birds are here
At this home
And this home is
Not mine
Not mine.

And who's who
Please don't ask me
Don't me.

Gajanan Mishra
Two Brothers

Rule the world
One day
Another night.

Two brothers
Rule the world
One air
Another water.

Two brothers
Rule the world
One Yourself
Another myself.

Two brothers
Rule the world
And the world
divided in to five.

Two brothers
Rule the world
One birth
Another death.

Go beyond these
Two brothers
If you want to
Remain here for ever.

Gajanan Mishra
Two Brothers- One Who Knows Us

We are two brothers
One is outside the room
Other is inside
One is perishable
Other is imperishable
One is revolving
Other is fixed
One who knows us
Is definitely wise
And his mission
In life is accomplished.

Gajanan Mishra
Two Contradictory Matters

We have always
Two contradictory matters
With us every time
True and false.
Which is true
Can also be false
Which is false
Can also be true.
And it depends on
Time place and
Circumstances here
There everywhere.
First accept what
You want and then
Think and say
What others desire.
Time to time you
Are to act what you
know and what you
do not know at the same time.

Gajanan Mishra
Two Days

We are here
For two days.

Here,
Nothing is ours.

Nothing to give
But to love
Everything
Everybody.

Oh, Kabir,
I salute you
For your strike
Within me
At every moment.

I salute all
For they are
The sons and
Daughters of
My Father
Who is here,
There everywhere.

This world
Belongs to
My father.
He is here
With sufficient
Food and shelter
For all creatures.

We have no right
To interfere
With the natural
Works of others.

We are the guest of honour,
We are here
Just for two days,
Let it be realized by all,
My dear.

Gajanan Mishra
Two Different

Life-breath and
Body-function
Two different
Sentient and
Insentient.

I am in both
And O my dear
Remember, if I leave
One stops and
Another starts to rot
And I am nowhere.

Gajanan Mishra
Two Divisions

I am not I am
I am happy, I am sad
I am not a businessman.

Neither fever is here
Nor I suffer
I am a businessman.

Pain and pleasure
That touch me ever
I am my master.

I am not I am
And totally different
From one another.

Gajanan Mishra
Two Dogs

Two dogs are there,
Band is there on the neck of one dog
No band is there on the neck of another.
Let us named the dog with band, domestic
And without band - street dog.
No one dare to beat or threaten
The domestic dog for fear of its master.
O my dear men, keep the band of truth
With you with love and with devotion,
No passion, no ignorance can come to you
And control you at any time
And with the help of truth you can find Ultimate Truth within.

Gajanan Mishra
Two Doors

One door is opening
With new colours
While the other
Is closing before us
With old feathers.
Please see, dear,
If you have power
To see here.
Let us say good bye to one
Let us welcome the other.
Let us remember
We are our past,
We are our present
And we are our own future.

Gajanan Mishra
Two Dynasties

Two dynasties
The sun and
The moon are here
And we all are
Here with our
Own past present
And future
We all are here
With our all goodness
All passion and darkness
Of ignorance
We are all here
With our own stars
We are here we are far.

Gajanan Mishra
Two Entity

Real and unreal
Worldly and unworldly
Unworldly entity is all pervading
Endless and limitless
Worldly entity is within it
Worldly entity has no existence
All is unworldly
Existence of the world is here
World appears to exists
When the existence of the world
Comes to an end
All remains unworldly
It is the Truth
It is the real
it is also unreal.

Gajanan Mishra
Two Eyes

Two eyes
See one object.
Two bodies
Live one life.
Really, in truth
And in love,
No duality is there.
This oneness and
The sameness is life
In perfect form.
In me, I find
Nothing, but
The truth
And the love.

Gajanan Mishra
Two Fold

Knowledge and
Action.
Further
Discipline of knowledge
And discipline of action
To reach destination.
Attention.

Gajanan Mishra
Two Fold Life

Two fold
Two fold bitter and sweet.
Waking life, dream
Sound sleep and pure impersonal state.

Undergoing transformation
Coming in to being
Growing perishing
And find everything herein.

Within two fold
Birth death
Coming and going
Find everything, everything.

As you see, I am here
In this tree of the universe in two fold.

Gajanan Mishra
Two Friends

Two friends
Truth and false
Two friends
Black and white.

I am
In between the two
And revamping myself
And ringing in change.

No top no bottom
I am
Where I am
With me all days.

I am two in one
And one in two.

Gajanan Mishra
Two Goats

Both are silly,
Two goats,
On a narrow bridge.
And they are fighting
With each other
On the middle of the bridge.
No one is ready to
Give side to the other one.
The result, as you know,
Both drowned.

Gajanan Mishra
Two- I Am And I Am Not

Only two
Night and day
Only two
Living and non-living
Only two
True and false
And I am staying
In between these two.

I am in between
Birth and death
In between
Earth and sky
In between
Water and fire
In the air
And let me share
You too.

Gajanan Mishra
Two In One

1. Let me establish Myself first And then Allow me to go To teach others.

2. Mothproof is there All around my body See, and I am Not here to get Perish by you anyway.

Gajanan Mishra
Two Is Good

Two is good,
Chances are there though
On conflicting issues
To settle the dispute,
But we must not flounder
In the process of
Rising life to the top
By craving the sun.

Gajanan Mishra
Two Legs Animal

I am not a two legs animal, my dear,
I am here to acquire knowledge and
See the light for the bright future of all.

Two Original Powers

Two original powers
Are there with me.
One- thinking,
Two- beholding.

Gajanan Mishra
Two Paths

Bright and dark
Two directions
East and west
Two stages
Birth and death
Two kinds
Male and female
Two places
Earth and sky
Matter continues
Bird fly.

Gajanan Mishra
Two Paths;

Two paths;
One- towards the north,
Another- towards the south,
One is lighted,
Another is in darkness.

We are to go through a ladder-
Our life,
Either to hell
Or to heaven,
Both are the same.

But benediction is
There with a man
Of knowledge and
Dispassion and devotion.

Gajanan Mishra
Two Persons

Today
Two persons
Rule the world
One is black
Another white
And I know
You are not
So smart
That you can say
What happen
On the next day.

Gajanan Mishra
Two Players

Two players are playing,
And I am suffering.

The name of the play-
Life.

No match fixing
And nothing.

Everything is going
On its own way.

I am enjoying,
I am suffering.

No scope to take advantage,
But illusion in.

No player, no play,
Life stops revolving.

Gajanan Mishra
Two Seniors

Two seniors
Are the most powerful,
We only depend on
For our lives
And livelihood.
The sun and
The moon.
The sun is
The most learned.
The moon is
The most caring.
The sun-
The symbol of truth
And knowledge.
The moon-
The symbol of love
And life.
The moon is cool
But not dead.
The sun is hot
And the creator.
The moon
And the sun,
Both are of primary
Importance to
Our life
On this earth.

Gajanan Mishra
Two Sides

Inside and outside
Enemies of inside are
More harmful than
That of outside.
Enemies of outside
Will not know
What is going on inside.
It is also not cleared
Who is which side
Independent roles
Also not defined.

Gajanan Mishra
Two Sides Of The Same Coin

Man and woman are
One and the same,
Two sides of the same coin.

Two sides of the same coin
Night and day
Truth and false.

Truth and false.
Mixture is man,
Product is man.

Man and woman are
The same and one
You may believe it
or not but the world
Is made out of it.

Gajanan Mishra
Two Sides-Head And Tail

Two sides
Head tail
Night day
Sun moon
Happy sorrow
Two sides
Beginning end
Birth death
And within these
Try to establish
Yourself O my dear
And see me unchanged
And fixed like north star.

Gajanan Mishra
Two Sons

I have really two sons
Elder son is wise
Younger or small son is devout devotee.

Gajanan Mishra
Two Steps Forward

Two steps forward
One step backward
Do not live
Like a coward.

My dear,
I am under your care
Nothing is there
That is mare.

Two steps forward
One step backward
With You, my dear
I am a man, don't care.

Gajanan Mishra
Two Sweet Fruits

Begging pardon
I need two sweet fruits
Polite words and
Company of saintly poets
I do not need money
It is like prostitute.

Gajanan Mishra
Two Things -

Two things -
Earthly and
Unearthly,
And they mixed
With nature
That is higher
And lower
And for which
There is a creature.
The creature itself
May either be
Existent or
Non-existent but
It is there as seen before.

Gajanan Mishra
Two Thousand Seventeen

What does it mean, 2017?
Is it a year?
And why should we
Count the year
From this point?
What has happened
Prior to 2017?
2017 is neither
The ending nor also
The starting point
For anyone anywhere.
We are all in eternity,
Eternal, everything
That is all here.
How can you count
The fire or the air?
How can you count
The sky or the water?
Can you say correctly
The color of the earth?
And for how long
Are they all here?
Are we not part of
All that is so far near?
Press not on two thousand seventeen,
Forget it if you so think
For a while and feel
Free for the time being.

Gajanan Mishra
Two Type Of Sons

Two type of sons-
One born out of semen
Another out of dung.

Previously both were there
In dungeon.
And both are at present
Going towards light,
Path differ though.

Both suffer pain,
Both get pleasure,
Both say they are
Right on their ways.

At this stage, excuse me,
No more to say.

Gajanan Mishra
Two Types

Son
Son is of two types
If a son
Is a cause of disturbances
He is like urine and stool
If a son
Is qualified
And bring glory to family
You begot a son
Who is successful.

Gajanan Mishra
Two Ways

Welcome and exit
Two ways
You are to pass
And it is not optional
And comment
If you like
Start or end
Not final
Love compulsory
If you like
You may go
Through this canal.

Gajanan Mishra
Two Ways Are There

Two ways are there,
You can go with both,
if you so desire.

Gajanan Mishra
Two Wheels

Two wheels are there,
Up above the sky
The sun and
The moon.

And we are all
Revolving round
And round.

No backward march
But forward and
Forward.

Our dreams are bright,
And life is in light.
We are all in love
Heart to heart.

Gajanan Mishra
Two Wings

Courage and strength
Are two wings of love,
Curiosity is the life.

Gajanan Mishra
Two Words

Success and failure
Allured us
And we left home
In despair
And we find
Future dark.

Gajanan Mishra
Two Words - The Truth

Two words,
only two- the truth.
Day and night,
Up and down,
Sustain and abstain,
Birth and death
are ruling cosmos.

Man and woman
two person,
only two,
creating the world,
and doing all
nuisances everywhere
and for them - this world.

Gajanan Mishra
Two-Wheeler

I am on my
Two-wheeler body
And I see
It is being skidded
Off the life-road
And see me
I am being injured
By my ego and pride.

Gajanan Mishra
Type Of Lunacy

What is free speech?
Is it not a type of lunacy?
But fear not, say what you like
And as you think fit.

Free speech can only
Change the opposite.
And who is opposite,
Is it not the self!

Gajanan Mishra
Typhoid And Pneumonia

Extreme heat and
Extreme cold,
They are there
To disturb me,
And I am cautious
For them.

I live here
And there
Under the pretext
Of false egoism,
'I and mine'
And I suffer
In typhoid
And in pneumonia.

Yet, I am
Not disturbed,
Either in body
Or in mind.
Rightly I predict,
Truth is there
In me and
I am in love.

I am the fragment
Of the truth I know.
And truth has
Nothing to feel
Cold or heat.
I am calm and quiet.

Gajanan Mishra
Ubhaya Mandira O Masjidare

Ubhaya mandira o masditare
Aame shanti sahrudayare rahanchhu
Aamara kichhi asubidha nahin.

Aame jane anyajanaku bhai boli

Gajanan Mishra
Udghatana

Udghatana pain
Nain kichhi.
Achhi khali sunibaku
Tumar udghatani bhashana.

Gajanan Mishra
Udibaku

Udibaku prastuta ki?
Jadi han, tuma hrudya
Mapinia kaduare.

Gajanan Mishra
Ugly

Ugly within
And I am going
With puff powder
Lipstick fancy.

Ugly within
My conflicting desires
My egoism
My arrogance.

Make me free, my dear
From all ugliness
I want free and rise
With all purity
With all beauty
To see the smile of others.

Gajanan Mishra

Gajanan Mishra
Ulterior Motives

Ulterior motives
Are with us always
And we are losing
Our golden chances
For this only
Disgrace to
Our ego
Our self-seeking pride.

Gajanan Mishra
Ultimate And Unique

Ultimate and unique,
With conception perfect.
Truth and life,
With love and conjoined.

Gajanan Mishra
Ultimate Attraction

You are my ultimate attraction, my dear
You are my chariot-body driver
You are controlling my senses-horses
Keeping the rope-life beautifully
Standing on the middle of battle field*.

* battle field- time

Gajanan Mishra
Ultimate Benefit

What is ultimate benefit
I do not know and
I am living my life
On my own way.

Gajanan Mishra
Ultimate Destination

I have already reached
To my ultimate destination.

Here You are
Here I am.

Nothing is required
To me to You.

You are ready to
Accept me
And I am pleased.

Nobody is here
My enemy
As You are in all.

Nothing is high
Nothing is low
And I am at Your door.

I am here
To see
The beauty
That is in You.

I have already
Reached at You.

Gajanan Mishra
Ultimate Doer

You are the ultimate doer of everything
You are also directly responsible for everything
Nothing can take place without your sanctions, my dear
You are the supreme authority of all living and non-livings.

I know You perfectly well my dear on the strength of
My austerity cleanliness mercy and truthfulness and
I know all these are Your qualities but now I am weak
Due to lust for woman, corruption, pride and intoxication.

O my dear, Help me and show me right path of emancipation
From this irreligiosities, bribery nepotism and un-hygiene situation.

Gajanan Mishra
Ultimate Goal

Ultimate goal is
Here within.
Sum total of all is
Here within.

Only deity, my dear
You are.
I see You I feel You
Here there.

For You
I am sacrificing myself
For You

Respect all
Your only call.

Gajanan Mishra
Ultimate Goal Is Love

Ultimate goal
Ultimate goal is truth
Love of truth and
Supreme Truth.

But my dear, be cautious
Let you misuse the process
Be sure truth is not
To be abused or exploited.

See everything within your heart
O my dear, see everything
Within your heart and go on
Executing your works.

Appreciate the truth and appreciate
Absolute seriousness of going back to truth.

Gajanan Mishra
Ultimate Good

I am not able to
Know what is good
And what is not,
Yet I desire
For my ultimate good.
It is there in
My perceptions and
Feelings and it is
Axiomatic.

Gajanan Mishra
Ultimate Judgment

Your will,
Everything is happening
By your will.
Not even a blade of grass
Moves without
Your will.
Your will -
The ultimate judgment.
Your will -
All auspicious
In all circumstances.
Always engage yourself
In all pious activities
By your good will.

Gajanan Mishra
Ultimate phase is
Perfect knowledge
Perfect knowledge
Is reaching at Truth
And Truth is Love
And we all here
Eternally liberated
And it is equality
In existence, my dear
No question of part
And parcel but the whole
And for all times here.

Gajanan Mishra
Ultimate Purity

You - my ultimate purity
I know there is not
An iota of impurity in You
O my dear, You are my love
You are free from any doubt
Any heedlessness desire
And incapability
And hence my critical
State of mind has already
Been destroyed by my
Devotion and faith
See here is my laughter
See here is my tears
See I am unable to
Pronounced anything
That you said correct
And my actions are
Returning to me in full speed
See O my love
O my dear
O my favorite deity
O my ultimate purity.

Gajanan Mishra
Ultimate Reality

Ultimate reality -
I am living.
No duality, all
But singularity.

Perfection of life -
Realization of self.
Conclusive proof -
Personal pastimes.

Gajanan Mishra
Ultimate Resort

You pervade me
My ultimate resort.

I am with you
While sitting eating
Walking sleeping.
In each and every work
I am committing mistakes
And mistakes and mistakes
Except you nobody is there
To forgive me
Forgive me I crave it.

Gajanan Mishra
Ultimate Source

O my dear
It is from you
I know
Everything emanates
It is by you
I know
Everything is maintained
It is in you
I know
Everything is merged to rest
And I know
You are the Ultimate source.

Gajanan Mishra
Ultimately Refer

O my dear
Are you able to see me here
Look I am going with you
Higher and higher as you refer
Beyond scriptures beyond future.

No hands no legs
And You are here I know
And You are going away
Faster and faster and
Taking away offered or not offered.

O my dear
I know You are neither
Superior nor inferior
And You are with me
That is but clear.

Only for you I am living here
As a sufferer as a miser
And see O controller
Here You are with me
As a perfect actor.

Gajanan Mishra
Ultimatum

Use the language of the state
Or perish.
Remember-
The source of the creation
Of this state is language.
Ultimate source of everything
In this state is language.
No language no state.
No state means you have no place
To serve, and you have nothing
To take, you have nothing
To utter words, you have no friends
To talk with, you are nothing
And no one is with you and you are dying.

Gajanan Mishra
Umbrella And Blue Umbrella

Here is an umbrella,
Take this, I am giving you,
O my dear and protect yourself
From rain and the sun.
Here is another umbrella
I am giving you, the umbrella of
Love and truth, you can take this also
To safe yourself from sorrows and pain.
There is yet another umbrella
That is here with us always - Blue Umbrella
We can take shelter of this umbrella
And keep ourselves safe and live life in peace.

Gajanan Mishra
Un Lucking The Dream

Unluck ing the dream
I stood straight
On the seashore
And knowing this
You invited me
For the dinner party
That I attended
And returned
Empty belly.

Gajanan Mishra
Unable To Catch

This body unable to catch
What the eyes see
What the ears hear
And faces troubles
In life-pitch.

Gajanan Mishra
Unable To Do

I am unable to do
So many things.

I am personally
Unable to go
To other planets.
I am unable to locate
The causal ocean
From where water of
The Ganges river comes.
I am unable to go
To the polestar.

But I have gone
To Hardwar
And I have tried to
Purify me.

I know Mount Meru is
Far from me.
I am unable to know
All directions like
East west north or south.

I am unable to do
So many things.
I am unable to cross over
The time.
I am unable to tell
The story of my life.
My life flows
Into the salt ocean.
How and what for
Very difficult to describe.

Gajanan Mishra
Unable To Express

Unable to express
Anything in words,
Words are not able
To express Your bliss.
Your eternal bliss
Is beyond words to express
And I am here to express
Your glory but how to
Express that is not known
To me, my dear,
Excuse me.
I know You have crossed
The ocean of illusion,
I know You have destroyed
Doubts and infatuation,
I know You are here and
You assist to attain emancipation.
O my dear, I salute You
As I realized You through
Your preaching of silence.

Gajanan Mishra
Unable To Go Up

I am not able to
Go up, see
I pray you
Not to comedown
For me
You stay there
O my star for all
Let me stay here
Calling you at par.

I am unable to
Go up, see
And You are
Coming to me
To take me upwards
To make a balance
Between light and dark
I am here with no desire
I am here doing as deserved.

Gajanan Mishra
Unable To Say

Unable to say
What I think.
But I am sure,
My thinking are
Not at all imaginary.
What I think
All are truth
And based on
Reality, but
No one is able to
Understand all.
And for that
I am suffering
Without any cause.

Gajanan Mishra
Unable To Stay Together

Unable to stay together
By the waves of time!
Worry not, you are still,
My friends, my family members.

Certainly, we are controlled
By unseen destiny,
And yet, we are free
To do our duties.

Gajanan Mishra
Unable To Understand

What is what
I am not able
To understand
So far.

Stock of fuel
Has already
Exhausted
Though not final.

I have my
Pure knowledge
And I am
Technically aware.

Yes, here is my happiness
In the search of Truth
Though I know not
What is what.

I know it is not
My ignorance but
It is my enlightenment
And in pure stage here.

Gajanan Mishra
Unable To Write Dog

See me,
I am unable to
Write dog.
I fear
It is not
Like that
What you utter.
My words are
Not mine
Let me clear.
It is you there
Who is ready to
Give me some water
In the mug.

Gajanan Mishra
Unadulterated Love

Please have with you, my dear
Unadulterated love for the Truth.

And Truth is always refreshing
like moonbeams
Truth remove all doubts
And always a feeling of happiness
is there with You.

And my dear, how can I
Tell the Truth
Truth is one and
Truth is unlimited
Truth is one and
Truth is innumerable
Truth is one and
Truth is immeasurable.

Please have with you, my dear
Unadulterated love for the Truth.

And Truth is beyond
The grasp of intellect
Mind and speech.

Gajanan Mishra
Unaffected

Either by creation
Or by destruction
Unaffected
And not contaminated
Staying in pure sky.

Gajanan Mishra
Unaffected By Infectious Matter

See me
I am unaffected by
All infectious matter.

See me
O my dear
You are mine for ever.

See me
I am birth I am death
I am both side of the picture.

See me
O my dear
O my dear
O my dear
I am here
I am here
I am here.

Gajanan Mishra
Unaffected Friendship

Our friendship is never
Affected by the modes of
Material nature.
Our friendship is not
Changing and
Friendship does not claim
Proprietorship.
And we are here unattached.

Gajanan Mishra
Unagitated

If you are right, my dear
And if you are in truth
You stay unagitated with
This material world
And if you become agitated
By any desire do not blame.

If you are in truth, my dear
No illusion can touch you
You are fa away from I and mine
You are not victimized
You are not bound to this
Material world.

Gajanan Mishra
Unalloyed

Ask about the duty
That is unalloyed.

Ask about the person
Who is here never to die.

Duration of time is
Not material
Arrival or departure is
Not material.

Think about the answer
That You are going to get.

Think about yourself
You are not controversial.

Gajanan Mishra
Unalloyed Devotion

Unalloyed devotion
Unalloyed devotion
Should be there
Between husband and wife.
Because of good relationship
Both of them enjoy good results.
Wife should be faithful
Husband should be sincere.

Gajanan Mishra
Unarmed

I want you
Unarmed.
I want truth
To be established.
I want nothing
But the love.
I want nothing
But life.

Gajanan Mishra
Unattached and pure,
See me, I am unattached and pure.
Test me, I undergo no modification,
I renounce all connections.

No discrimination and nothing
No such modes like goodness
Like passion like ignorance
Everything is just going on in a process.

How this process is going on,
Nobody knows and it is going on.
I am within myself and I am unattached
See me, I am pure.

Gajanan Mishra
Unattached Everywhere

Unattached everywhere,
Please remain unattached.
Unattached to incidents,
Circumstances, things,
Actions and persons.
And overpowers all,
Perform prescribed duties
Promptly and abstain
From forbidden actions
And my dear, satisfied with
Whatsoever you get,
Desire not even to get
Bare necessities of life
Water food clothes, shelter.

Gajanan Mishra
Unavoidable Misdeeds

Think always
About your own
Unavoidable misdeeds
And try to rectify
As far as possible.

Always think
You are suffering
Only for your
Own misdeeds
By the will of almighty.

Gajanan Mishra
Unbelievable

Really unbelievable,
Amazing your defeat
And so also my victory.
It is all caused
By destiny.

We are, however,
Not to go with
Sadness and worry,
Happiness and lunacy.

Let us realize the truth,
After realization, it is sure,
We cannot perform any improper
Action, but all pre-destined,
Observe with care here.

Gajanan Mishra
Unborn

Unborn - the truth,
And the only truth.
Disappearance has
Nothing to do.
Contact of body and
The mind is important.
And the earth has
Kept all the truth.
The earth is eternal,
Blissful and all-knowing.
I am just flowing
With the stream,
And I and in dreams,
That are not for me.

Gajanan Mishra
Unbreakable

I am unbreakable,
As I have kept with me
Love, trust and loyalty.

Gajanan Mishra
Uncertainty

Life itself,
Life's journey
On road,
In air,
In water.
Only uncertainty.
But have patience,
Keep vigil eyes
Everywhere and
Move forward.
It is all good
At some point,
Mark that point,
That is in you.

Gajanan Mishra
Unchained Mind

Unchained mind
Is dangerous.
Keep the desire
In chain.

Desireless life
Is equal to
Mindless life.
Mindless life
Is equal to a life
Out of mind.

Imprison not God
As personal property,
Treat God as love
And as the truth of life.

Take care,
Here, dust is God,
The sky is God,
The air is God,
The water is God,
The sun is God,
Take care, this
Very earth is God.
And God has given us
Body and mind.

God is everything
And everywhere.
Each one is God here.
No Muslim, no Christian,
No Hindu, no Sikh,
God has no name, no fame.

Chain your mind and
Think for a while
The condition of
The God at this time.
Gajanan Mishra
Unchanged

I am
Unchanged.
You are changing
Day and nights.

I am there
Within.
You are,
Not, though,
Outsider,
You are there.

My breath,
My breadth,
My colour,
All are yours.

Gajanan Mishra
Unchanged And Unborn

Unchanged and unborn
It is You.

Original and eternal
It is You.

No further word
That has sound
Without You.

No rule no causeless mercy
Without You
That has a hue.

Gajanan Mishra
Unchaste Women

Unchaste women,
Neglect married life.
Corrupt people,
Work in public offices
And courts,
Neglect laws, rules
And go against
The public interest.

Gajanan Mishra
Uncheckable Nature

Uncheckable nature -
No cause of grief,
No hands in changing features,
From one form to another.

Everything is covered,
See, no fundamental structures.
It is just a case of transfer,
Nothing to worry, brother.

Gajanan Mishra
Uncommon Man

Uncommon man
With uncommon knowledge.
Knowledge with
Uncommon truth.
Truth with
Uncommon love.
Here is life
In uncommon style.

Gajanan Mishra
Unconditional

Unconditional relation
Unconditional love
Condition is not good
No condition for a cub.

Love yourself first
Then only you can love others
Love must be spontaneous
Love must be selfless.

Love the world
The world loves you
Without any expectation
Giving everything is true love.

Gajanan Mishra
Unconditional Loyalty

If you order
I can shoot anyone
If you order
I can sweep the floor
My crass words
Do not matter
So long as I have
Loyalty and not others
I know it is for you
I am here a leader
A minister a worker
A service holder
Without having anything
On my labor.

Gajanan Mishra
Unconquerable

I am unconquerable
I know war with myself
I know consequences
I know peace
I know service.

I am my friend
I am my foe
I dragged myself
Where I go.

I declare my victory
I declare my defeat.

Gajanan Mishra
Unconquered

O poet
You are unconquered
No one can conquer You
At any time at any place
You cannot be approached
By any one.
O poet
Giving up all my arogancy
I am with You
And I am lending my ears
To Your words
That is truth and truth only
And with which I am attaining
perfection of life.

Gajanan Mishra
Uncontrollable Wife

One can control mad elephant,
It is rightly said by the poet
But one cannot control
Uncontrollable wife.
One can shut the mouth of the bear,
It is rightly said by the poet
But one cannot say shut up
To his own wife.
One can ride the lion
And one can play with the cobra
It is rightly said by the poet
but one can neither ride
Nor play with his own wife.
Remember, wife is more dangerous
Than the tide-water and the forest-fire,
And still we honor her better half.

Gajanan Mishra
Uncontrolled Mind

Uncontrolled mind
Is like unchaste wife,
Both followed by
Lust, anger, greed,
Madness, envy, illusion,
And both are dangerous
To your life, remember,
My dear men here.
Be careful to both,
They are not to be
Trusted fully.
And full freedom
Must not be given
To both.

Gajanan Mishra
Uncountable

Who am I to count
The uncountable?
I, myself is
Not visible.

Smile comes to me,
When you said
You touch me.

How can you
Touch me,
When my very existence
Is in question.

My talking and your
Hearing all are
Contaminated.

Gajanan Mishra
Uncountable Sparrows

Uncountable sparrows
Came to me,
And they all remained silent.
I also could not speak
A word for them.
I did nothing,
And they all sat there
On that mango tree.
The rain came
And they were there undisturbed.
Who are they?
I asked not to get an answer
From anyone but to
see the reactions within.

Gajanan Mishra
Undeluded

I am un-deluded
I know You are
In my poem in full.

You are in Highest form
Everywhere with
All beings .

I know You
And there is
Nothing else to be known.

Gajanan Mishra
Under A Spell Of Delusion

Under a spell of delusion
We witnessed jackals vultures
Donkeys elephants horses
And so many things here,
We know though all are one
And the same.

We cry, we smile and those
That are bad and good at this time,
In every way we prepared ourselves
To fight with time though we know
We face all the failures here.

It is the mountains rock
It is dust rose in clouds
We know we are on this earth
In troubles.

Gajanan Mishra
Under A Tiger

No love but fear
No affection but tear
Life is under a tiger.

Gajanan Mishra
Under All Circumstances

Under all circumstances
Non-attachment to the world
Is the best.
Non-attachment can be developed
By discipline of action
Knowledge or devotion.
If a man is free from
Attachment and aversion he can
Attain liberation and salvation.

Gajanan Mishra
Under Almighty

We are all
Under the almighty
And it is for
Almighty we have unity
We are all His fragments
And we are committed
To life and natural beauty
O my dear, I am nothing
But You and you are nothing
But what and how I am here
In the same atmosphere.

Gajanan Mishra
Under Arrest

My enemy is
Within me.
I rear and make
My enemy active.
My enemy is
Keeping me
Under arrest
And killing me.

Gajanan Mishra
Under Beautiful Sky

No world is there,
Other than this.
No life is there,
Other than this.
It is horrifying,
No doubt.
But it is inspiring.
With promise
Let me say
Here it is,
Okay and fine.
Life is beautiful here,
Under this beautiful
Blue and clear sky.

Gajanan Mishra
Under Construction

Under construction- my eyes,
My ears, my mouth.
Excuse me, here,
I find no truth.

Tell me not divine,
Tell me not devotee,
Tell me not good.
I am above all words
That are in your
Dictionary dear.

Let me read out
The proposal you have
Placed before me,
But you said- no time.

Let me post my thoughts,
For the general information
of all, but you said
Wait and listen my call.

Because of your
Hard-heartedness,
I lost my sleep
Last night.
You laughed and laughed
But I discovered in you
The truth that are mine.

So lovely you are,
I thought it is
Perhaps nature's
Contrary implications.
But no, not like that,
I am in you, see within,
Opening the door
Of your confidential room.
Under Control

I am under Your control
You are controlling me .

O my dear, You are here
Giving me protection and I am not in fear.

I abide Your order
My position is subordination and I surrender.

How can I break Your law of nature I am not the law-breaker
See, Let me clear You are my present my past and also my future.

Gajanan Mishra
Under Delusion

I am also under delusion
when I am as a poet
fully convinced
There is nothing
beyond poetry
And I engrossed
in writing poetry
I am devoid of
discrimination
Right!
Because I am
Unable to distinguish
The real from unreal.

Gajanan Mishra
Under His Scanner

We are all
Under His scanner
We should seek
His permission
Before doing anything
We should share
Him everything.

Gajanan Mishra
Under My Control

Nothing is
under my control,
and I am not able to
Set right anything.
And it is under me
to remain unaffected
By anything,
I never boast of myself
Outwardly and so also
inwardly I never regard myself
To be superior to others.

Gajanan Mishra
Under My Control- Nothing

Nothing is
under my control,
and I am not able to
Set right anything.
And it is under me
to remain unaffected
By anything,
I never boast of myself
Outwardly and so also
inwardly I never regard myself
To be superior to others.

Gajanan Mishra
Under My Leadership

I must take all that
Are here and I must
Do what is there to do
And must know what
To refrain from.

And who am I
what is there to do
I must know here
At this moment,
I must keep
My understanding
Strong and I must
Distinguished from bad and good.

Gajanan Mishra
Under My Signature

Under my signature
I can do otherwise
Not possible.
I can light the street
Covered with crows.
I can show the rainbows
Both in north and south
Otherwise not possible.
I can make you think
About the air and the water.
I can make you realize
Not gold silver and copper.
Under my signature, I can
Make you available all impossible.

Gajanan Mishra
Under Occupation

We are under occupation
Under occupation of space
The space is You, my dear.

The space is being
Created by us for You
And You entered within us.

Within us You occupied Your space
As a simplest phenomenon to a
Complex body-sky.

It is the substance and
It is actual and non-different
Feel the reflection if intelligent.

Gajanan Mishra
Under Plantain Tree

I am taking rest under
This plantain tree
At this time of strong
Winds, thunder and rain,
See me, I am okay, and
The violent shower of
Missiles failed to do
Any harm, it is because
I am packed by nature
And I am here to tell you
What is stored for you
In future, let me show you
The danger that is there
In both winter and summer.

Gajanan Mishra
Under Police Station

Under Police Station Titilagarh
Place of occurrence you can find
You can watch and see the people
Going and coming with a particular
Intention that is here.

No prior notice was served
No previous records were verified
Only name place time recorded
And they returned unheard
On this settlement of issue.

Gajanan Mishra
Under Surveillance

CCTV is here
And you are
Under surveillance.

Do, whatever you like
Do, whenever you like
And go, wherever you decide.

CCTV is there
Be aware and
You are in dark no where.

Gajanan Mishra
Under The Clutches

Look, I am under the clutches
Of the sea and sea is here with me.

Look, the sky is telling me to away
And I am coming near the sky
At this moment.

I am struggling hard in this sea
To separate my identity
And the sea flowing within me.

Look, I am confirmed about this air
That is here at this moment.
And the light is going away
On its own way.

Look, I am under the clutches of
The sky the earth the sea the air
And the light is showing me
The path to go way from it.

Gajanan Mishra
Under The Clutches Of Nature

Each and everyone is
Under the clutches of nature,
O my dear, nowhere have I
Seen or heard any one
Who dares violate order of nature.
It is my good fortune,
That I am here and I continue to
Enjoy Your affection,
You are all gracious and
You are extremely kind
And compassionate to all
In every way and You are
Here my dear to pardon us all
Perceiving great distress.

Gajanan Mishra
Under The Tamarind Tree

Under the tamarind tree
Near cattle market
You can find my Tapobana.
In this Tapobana
You can find me
Always with poems.
In poems you can find me
In a cheerful mood.
In cheerful mood you can
sketch the world.
And in the world
You are and I am
Without any disturbance.

Gajanan Mishra
Under This Fig Tree

Under this fig tree
See, I sit dumfounded.
Offensive odours
Come to me
From all around.

I have lost
My good name
And fame.
Bugs suck my blood.
From all around
Offensive odours
Come to me.
My own earth
Kicks me out.

Gajanan Mishra
Under This Nature

Under this nature
We are all same creatures
Nobody is superior
Nobody is inferior
No piety no sin
No mixture no literature
Under the same one nature
Please understand the order and scriptures.

Gajanan Mishra
Under This Neem Tree

Let me tell you one thing
That is yet to happened
Under this neem tree.

The thing I am going to described
Is about my world that is one
As I am one, my poem is one
Truth is one, love is one
And one has no other definition but one.

Here in oneness we are living
Here in oneness everything is transparent
Here in oneness you can find, air light water
O my dear, see that everything is clear
And we both are busy in collecting that one literature.

Gajanan Mishra
Under Tree Of Faith

Under tree of faith
No calculation of
Sin and virtue be made.

I can see
I can speak
I can do anything.

Let me permit
O my dear, by Your blessing
To do everything here
That are under the purview of law.

Gajanan Mishra
Under Your Instructions

All are in the process of works
You are guiding them
You are my dear Unlimited.

You are here I know
To bring a new order of life
To the foolish society of
materialistic men.

You are showing a
Peaceful life and
Transcendental realization
To the quarrelsome men.

Gajanan Mishra
Under Your Limit

Under your limit,
We reside.
But you are
Far from us,
Within though.

Gajanan Mishra
Under Your Order

Under Your order
I am performing everything,
I am performing within
The framework of Your rules,
No delusion, no sin
And I declared myself free.

I am getting peace
Here within my works,
My mind is calm,
See, I know this mind
Is Yours and for this
I have attained happiness.

I am sure, everything
Verily comes to me, bliss.

Gajanan Mishra
Under Your Own Control

You should be under
Your own control sir.
You should be
harmonica-l to you.

Nothing to show
extra-care sir,
that raises doubts.

I see Aisha
beaten by her mother,
weeps to her.

O my dear, You are
my mother and also father
and I am here beaten by you
and I am doing my own good.

Gajanan Mishra
Under Your Supervision

Under Your supervision
o my dear, everything is working
I perceive Your hidden hands
In all works and in all marks
I also know the automatic
System of this world.

From the sky down to the earth
I know also all the inferior and
Superior qualities are only to
The final touch of Your glance
I know You protect all the creatures
From all miseries like an umbrella.

Give me proper knowledge, my dear
I can be able to free myself from
The miseries of this world
I am taking shelter under You
I know by all means You are there
To rescue me from this place.

Gajanan Mishra
Understand

Understand the saying
And do not bind yourself
In the morning
In the evening.

I find no night
No day
The worldly pleasure
Is not yours.

You are not in the world
The world is within you
I find everything I need
I find nothing I do not need.

Gajanan Mishra
Understand Absolute Truth

Absolute Truth
Understand Absolute Truth
And to understand Absolute Truth
Is the purpose of life
At least try to understand
What is that Absolute Truth
Know that Absolute Truth
And liberate yourself
From all material contamination
Know Absolute Truth and
Execute devotional service
And expect not any reward
Know Absolute Truth
Knowing Absolute Truth is
The only purpose of this human life.

Gajanan Mishra
As a poet, believe me,
I can expand myself
Into millions of forms
Through my innumerable
And countless poems.
No one can compare me
With any other one here
On this earth or anywhere.
Read as you desire,
Some of my poems and say
What you wish frankly.
Understand, at least
Try to understand and
Apply the poems in you.

Gajanan Mishra

And stay with knowledge always
For a fair life and glorious death.

Every moment,

Gajanan Mishra
Understand The Purpose

Understand the purpose,
Purpose of life
And go forward
On the way of brightness.
You are not less intelligent,
That you cannot know
The things and the persons
How far one is truthful.
You have the power to know
The essence of everything
And you are capable to
Use it as peer the situation.
Ultimate good is there,
And I know, you are not far.

Gajanan Mishra
Understand the thing and
The person that are there,
If you are not able to
Understand, think that,
The world is not at your
Hand either, my dear.

It is changing everything
From moment to moment,
And you are going on
Your own path and I am
With you for the sake of
Friendship or relatives.

Gajanan Mishra
Understand The Truth

Understand the truth
And regard it as the supreme.
You are in truth and
The truth is within you.
Difficult is, to keep
The nature under control.
But we know the truth
Controls the nature.
Let us stay here for
The sake of love and love
Is here for the sake of truth.
Truth is life, life is in truth,
The truth is here within us,
And we are for the truth.

Understand also your wild presence.
Understand, all the lights are for you,
Understand, you are far away from trouble.

Round and round, from form to form
You are moving again and again in the water
And in the air, I do agree with the words
Of the witnesses- the sky and the earth.

Gajanan Mishra
Understandable Way

You are speaking and if
I failed to understand
What is the value of your
Speaking to me.

And so I pray O my dear
Please explain in an easily
Understandable way
That You are telling absolute
And ultimate.

Are You well?
See I am not well
In Your absence
Make me feel
That You are present.

I know from the beginning
You are here for ever
And still I want to see you
In another form that is yet to come.

Gajanan Mishra
Understanding Not Clear

Understanding not clear -
The problem with us,
At present.

Nature of life,
Simple, but
Misunderstood.

Let us remember,
Life and consciousness,
Symptoms of all good.

Gajanan Mishra
Understanding Of Nature

I want a language,
I know language of the mother
Is the best to
Understand the nature.
Understanding of nature
Is not so easy.
It is also not easy to
Formulate principle here.

Gajanan Mishra
Understanding You

Understanding You
Is not possible
Without Your blessing
And Your blessing is
In Love only
Ultimate goal is
To love
Only by the power of love
Darkness of ignorance
Is dissipated
I know this love is
Your mercy
You are the love
And You can reveal
Yourself to my heart
Then only I can make
You understand
Once understanding is
There I can manage to
Reach to the Supreme Truth
That is also You
Besides You there is
Nothing in and out.

Gajanan Mishra
Undertaking

I do here by
Undertake to perform
All actions
Without any attachment.
I do here by
Undertake to tell
The truth always
And remain impartial
to all.
I do here by
Undertake to remain
Free from duality
And I am steady
In success
In failure.

Gajanan Mishra
Undesirable Eagerness

O my friends,
Do not go after
Undesirable eagerness
For the temporary body
And kinsmen
O my dear, do not
Bind yourself
By thoughts of
Mine and I
And get relief
From all miseries.

Gajanan Mishra
Undeterred my love,
My affection, my duty.
I am far from you, true.
I face so much troubles,
Here, there - true.
But when I am with you,
I realize the values,
The values of life.
I try to satisfy you
With all truth.
For good, let me inform you
I am here for the cause
That is yours, and
All are known to you.

Gajanan Mishra
Undisturbed

You can not disturb me
Though You are with me.
And I am frustrated
With You here.

Here I remember You
And remain undisturbed
See me, I am calm and quite
Here I care not success or failure.

Gajanan Mishra
Undisturbed In

Undisturbed in
Distress or happiness,
Stay in truthfulness.

In Odia language, Brahmi script;

?????? ??
????? ???
??? ??? ?

Gajanan Mishra
Undisturbed Knowledge

Undisturbed knowledge,
Still, no sleep is
Here in me.
I fear
The time.

Gajanan Mishra
Undisturbed - Self

Let me live undisturbed,
I have the right to
Stay free from passion
And purified.
Let me stay always
In the same form,
I am serene and
Sustaining.
I am the first,
I am at the top,
I am the best,
Let all recognize me.
I am here competent
To control the time.
I have the right to
Light the candle,
And to shine the self.
Who I am,
Under nature,
I am now beginning
To remember.
Let me stay
What I am here.

Gajanan Mishra
Undivided And Yet

Distributed over all.

The only object worth knowing
Creating sustaining and destroying.

Gajanan Mishra
Undivided In The Divided

Undivided in the divided,
It is You, my dear friend,
And I am in You and I am
Trying to enter in to You.

Gajanan Mishra
Undress

The river undress
Qualified and with sea
The mountain undress
Qualified and touch sky.
About me face shy
With so many dress
No road no direction
To see and go by.

Gajanan Mishra
Unearth The Sweets

The world is
Full of sweets,
Only a true poet
Can unearth it.
The true poets
With his words
Present us all
Delicious scents.
The true poet
Can knows what
Is where and can
Create favorable
Atmosphere here
For fine living.

Gajanan Mishra
Unearthliness Is Found

With the smell of the earth
Unearthliness is found
in poems.
Poems are like soul
That is everywhere
with everybody.
Everybody is unique
and they are divine
with body, senses, mind and intellect.

Gajanan Mishra
Unending Flow

Life is an
Unending flow of
Divine bliss,
Let us realize.

Nothing to worry
Everything, every loss
Is auto-recovery.
Just smile,
Just talk only
About ecstasy.

Life is sacred
With various fashions
Of nature such as
Flowers, birds, stars etc.

Gajanan Mishra
Uneven - The World

Uneven is this world
Uneven here all
Relationship
O my dear, it is
Only You
Who is even and uniform
And lack nothing.

Gajanan Mishra
Unexpected Guest

Unexpected guest I know
You are not, not even
Anybody here whom I am
Searching for and who
Appeared and disappeared
As per their whims.

If You my dear wish to
Use my blood my flesh
For Your self-interest
I am ready to offer
Hereafter and surprisingly
You are present alone
Without uttering a single word
That has a special meaning.

Gajanan Mishra
Unfailing

You are my dear friend
You know I am unfailing
In all circumstances
You know I do not hate
Anybody at any time
You know I am unfailing
Due to your friendship
My good friend You are
Here with me.

Gajanan Mishra
Unfailing Remedy

For sorrow is love.
A panacea for all
Doubt is love.
Love is the abode
Of delight.
Love, love, and love
O my dear, and give up
All for the sake of love
And get all happiness
And stay in peace.
Love, love, love and
Love all and all and
Get all in return.

Gajanan Mishra
Unfair Behaviour

Show not unfair behavior
To anyone dear, it would be
Dangerous to your own life,
Sooner and also later.

Try not to destroy
Anything and anyone.
And invite not your
Own destruction.

Stay confident, dear
And wish all good fortune
To each one here.
By doing this
You would get all fame
And your life would be peaceful
And in order.

Gajanan Mishra
Unfair People

See the world now-a-days,
A number of unfair people are there,
And they are demanding fairness.
The unfair people are not sharing
and are grabbing in nature,
The unfair people have no humanity
and also they know not what is civilization.

Gajanan Mishra
Unfaltering

Unfaltering- fixed
My dear, I am not to wander
See, I absorbed in You.

I have not kept
Any other relation
With any entity besides You.

Listen, I love this sports
With You for infinite ages
See, it is enhancing every moment.

Gajanan Mishra
Unfamiliar Idiom

Unfamiliar idiom make man monkey
Unfamiliar idiom make guddy doggy.

What you say has got no sound
Where you jump has no ground.

How you become happy
How you make advance society.

Gajanan Mishra
Unfavorable Circumstances

Unfavorable circumstances
Are really good,
Devotion develops here and
There lies the acid test.

Riches, honor, fame
Are really bad,
Desire develops here and
And downfall is the must.

Gajanan Mishra
Unfavourable Circumstances

Unfavourable circumstances
Are to be welcomed.
As we know there is nothing
Called pleasure here.
We also know pleasures
That are born of contacts
Are only sources of pain,
And desire is at the root.
But we must be careful to
Fulfill our aim that is truth
That is the eternity.
Aim is to be realized,
But desires are not to be
Satisfied but they disappeared.

Gajanan Mishra
Unfit

I am unfit who told you
I have no place here not fact.

You can not leave me
You have to do your duties
Till its completion.

You are here with me
And you cannot rollback.

Go on and on
Your enemy themselves
Perish on their own.

Gajanan Mishra
Unflinching Faith

Unflinching faith
I have in You, my dear
Do what ever you like.

I give full attention
And respect to You
I love You and Your silent words.

Gajanan Mishra
Unfold

Unfold,  
Unfold everything  
That are in you, my dear.

Truth is open  
Unfold it  
Love is open  
Unfold it.

Your truth is  
Your glory  
My love is  
My strength.

I am formless.  
And You?  
Are You in form?

Gajanan Mishra
Unfold The Sky

Unfold the sky,
A rose in many colours,
And circle within circles.
Moving, dancing,
And arriving
With no decline.
No joy, though
Not vanishing point.

Gajanan Mishra
Unfold Yourself

Please unfold yourself
And make me know You and when
I know You, O my dear
And I know, having known You
Nothing is there to be known.

Gajanan Mishra
Unfold Yourself, My Dear

Unfold yourself, my dear,
I want to know your
Inborn tendencies here.

Gajanan Mishra
Unforeseen

Unforeseen everything,
No use of crying.
Unforeseen everything,
Both love and hate
Lost meaning.
Unforeseen everything
Just go on living.
You have nothing, nothing.

Gajanan Mishra
Unfortunate End

Unfortunate end
Unfortunate end you are
Inviting in this extremely
Fortunate human life.

You are here in this life
For the benefit of all
You are to free yourself
From false ego.

Neglecting truth
Is paving the way
For future suffering
My dear, be cautious.

Being a human and being truth conscious
You are most fortunate, you are most pious.

Gajanan Mishra
Unfortunate To Hear

Unfortunate to hear
About spot fixing
And it has happened
Really heartening.

Is it everyday scandals?
Is it circle within circles?
Please comment
If you have some ideas.

Gajanan Mishra
Unfortunately

No interest in Truth
And I want a life
To get pleasure-fruit.

Gajanan Mishra
Unfriendly Words

Address not anybody
With unfriendly words
Threaten not anybody
Give charity to the needy
Keep Your promise always
Protect the deserving
And give proper treatment
To deserving women
Take care of oldmen and children
Commit not any abominable mistake
Never feel dejected, my dear
At any time here
As almighty is with You.

Gajanan Mishra
Unfurl, my dear,
The flags,
Flags of love,
Flags of peace,
Flags of humanity.
And see
The flowers,
The birds,
All smile
Under the sky,
With full
Satisfaction,
Patriotism
On this earth

Gajanan Mishra
Ungrateful

I am ungrateful
I am not thinking of you
You are thinking of me
You are grateful
Our problems no more
I am yours.

Gajanan Mishra
Uniform / Multiform

I am uni and
You are multi in form
Uni or multi no matter
We are here same
As before together.

Your leaving is started
As soon as you entered
As before I am here
Self-ever.

Gajanan Mishra
Union

Our union is
Everlasting.
No confiscation
No confusion
No conflagration
No confliction.
Confirmation
Ever lasting
Our union.

Gajanan Mishra
Union - Forming

Forming an union
With You O my dear
Is a necessity
Giving up all links
With others
Is a priority.

Union with others
And separation
From You
Is only a mistake
By mixing with you
O my dear I know
I gain knowledge.

Gajanan Mishra
Union - Within Us

Union,
Is it with us?
Are we so different then?

Question is not like that.
Union is there,
Where there is identification.

And we are identified my dear,
Though it is for short time.

We are all in wheel,
And the wheel is within us.

Wheel is one,
And this depends on our expression.
Our sprouting, our perspiration,
Wheel is one, it is our imagination.

Gajanan Mishra
Union and disunion-
Just a play, a drama;
We are to watch - unattached.
We are to go on the path,
Path of knowledge and
Path of action - unattached.
We should remember, we are in
No way related with anyone or anything.

Gajanan Mishra
Union In Union

When there is union
That is union
Union in union
No disunion
Where have you gone.
No disunion in union
Union in disunion
Out of sight not gone
Out of sight gone
Thinks to meet again.
Disunion in disunion
Desire to meet again
No out of sight
Not gone
Disunion in union.
My dear, here
Only you only I
United and not gone away
From one another
And you cry where have you gone
Here I am with You
Union in union
My dear, disunion in union
For me, union in disunion
No no nothing
Only union in union
Union in union
This play is going on
Going on going on.

Gajanan Mishra
Union in union,
Disunion in disunion.
Union in disunion,
Disunion in an union.
All are possible
And nothing is impossible.
The things that are in you,
Only that is there in love and truth.
Exchange of love in a truthful way,
Enhancement of love and its
Appearance again and again.
In friendship, in service,
In proper way is but necessary
In the way of truth, eternal truth.

Gajanan Mishra
Union Is Not Always Good

Union is not always good,
Union is a crime if it is not for good.
Make no union please and stay alone,
Union lessen your strength.
Union is not for pleasure
But for bringing forth progress.
O my dear men, observe a life of
Seclusion and perfect continence
In thought speech and action.

Gajanan Mishra
Union With Truth

Union with truth
Is not so easy.
But stay
And take it easy,
You are there
To get united.
Just control and
Cut yourself.

Gajanan Mishra
Union With You

Let me give a chance
To stay united with you.
Let me give a chance
To go far away from
Delusion and confusion.
Let me realize you
Without any
Conflicting doctrine.
Let me not raise
Any question
At any time on you.
Let there be a union
Without disruption
With renunciation.

Gajanan Mishra
Unipresent

Without you,
No uni-present view.
My view is
Always with you.
I am concerned
With you only,
And you are
Here with me.
Neither I am happy
Not I am sad,
I have no creation
And no dissolution.
I am here with you,
I am also the truth.

Gajanan Mishra
Unique

Unique really
As it is
The flower
The fruit
Th fly
The fashion.

Unique really
As it is
The world
The bird
The guard.

And unique
As it is
Faith and
Believe
Till last
Activities.

Gajanan Mishra
Unique - Each One

Unique - each one,
See, with your
Unique eyes.
Color is there
In the eyes.
Enjoy the morning
And the evening.
Each one is
The personification
Of time.
But at the junctions,
You are to test each,
With disc but
Enjoy the breeze.

Gajanan Mishra
Unique And

Unique and
Inexplicable-
This life,
This place,
This incident,
That are visible
And also
That are invisible.

Gajanan Mishra
Unique Attraction

The earth has its
Own unique attraction.
And it is enhancing
At every moment.
I am the part of the earth,
I am so lucky here.
I exist here and
My existence depends on
That of the earth.
Here, I see the rain,
I see the sun, the air,
The vast sky with
So many stars.
The trees are giving me
Life-breath and I am
Living with them.
I am going here,
Every day, on the path of
Knowledge and truth.
I have identical
In attributes with the earth
As an inheritor I am
Fully conscious about
The eternal beauty.
My own life is
In the light of discrimination,
Leaving latent impression,
Though, it causes
Differences of opinions,
It is one and the same
With infinite bliss and love.

Gajanan Mishra
Unique In Composition

Unique in composition,
Unrivaled in presentation,
And fortunate to get
Knowledge in union.
Men, you are really lucky
At this transcendental stage
Of life from darkness to
Colorful light with purity of affection.
Excellent love is there
In you men, that has a
Specific exhibition with
All personification and
Identification with
Non-differentiation.

Gajanan Mishra
Unique Position Of Love

The position of love,
By a mother is definitely unique.
Mother can control everything
Of her child unconditionally.

Let me bow down my head before the mother,
Let me tell all, be cautious, the mother is here.
Born or unborn, no matter, but the mother
Is here to build the future and to appear.

Gajanan Mishra
Unique Sunrise

It is unique
This sunrise
This life
This new year.

It is unique
This knowledge
This love
This truth.

With all freshness
With global business
With this new year,
Enjoy life with all
Everything is yours
My dear brothers.

Gajanan Mishra
Unique Truth

Mercy, compassion,
I want not all that.
Only you are to
Continue your love
And let me go
On the path of my duty,
Duty to do good,
I think proper,
You are also not to
Give up your feelings.
You are not to conceal
Anything, not to expose
Also publicly.
Keep no doubt
Within you and
Mark the unique
Characteristics of truth.

Gajanan Mishra
United

United we stand divided we fall
It is known to all
And fighting is going on with each other
Forgetting father mother brother sister
Forgetting neighbour co-villager.

Gajanan Mishra
United In This World

No caste
No religion
No language
Nothing is there
As to bar.
We are united
To love
To care
To share.
We are here
For food
For thought
For shelter
For fear
For prayer.
In this beautiful
World we are.

Gajanan Mishra
United India

United India,
Akhanda Bharat,
That includes Pakistan,
Let them realize
Who are going against
The soil of nature
And the people of
This pious country.
We are united,
The Sikhs, the Muslims,
The Christians, and
The people of
All religions and
All colours and caste.
Let them realize
Who are going against
Us in the name of
Caste, colours and religions.

Gajanan Mishra
Uniting Emotion

Uniting emotion
Poets become real
Enjoying easily
Readers attention.

Real and unreal
No yardstick
No deadline
Just read and read.

Poet found
Real poet found
With union with emotion.

Gajanan Mishra
Unity In Variety

Unity is variety
Unity in variety is
Real knowledge
All varieties
Constitute one unit
It is perfect oneness
Giving up variety
Does not perfect knowledge.

Gajanan Mishra
Unity Is Only Possible In Love

The supreme unity only
In love.

In love
There is endless bliss
That increases every moment.

Love love and love
Only love only love only love
Love is advanced stage to salvation.

Gajanan Mishra
Universal

I am universal
In this form of
Multi-color
And You are
With me
In divine touch.

Gajanan Mishra
Universal Brotherhood

If you are really in truth
You can know what is and
What for universal brotherhood.

Gajanan Mishra
Universal Destruction

By nature, with fearful teeth
Raging fires of clouds
Give me shelter, O my dear
Where are You.

Gajanan Mishra
Universal Experience

Universal experience
My dear, please understand
I have seen so many dreams
Dreams ended and I
Didn't see any
I am waking up
Am I really waking up
I am putting question
To me
Universal experience
Please understand, my dear
This is our life here.

Gajanan Mishra
Universal Maintenance

Go with a perfect plan
For universal maintenance.
O men, be as tolerant as
The earth and fulfill
All your desires here
As if you are in heaven.
Be softer than a rose flower
And be harder than a
Thunderbolt for all our welfare.
Go with a perfect plan
And be as strong as the wind
And go anywhere everywhere.
This universe is in your hands
See, and establish peace.

Gajanan Mishra
Universe And Egg

Universe is like egg
Egg is like universe
Egg universe
Universe egg
Here you find
Manifestation and
Here you find
Material energy
Just layers after
Layers you find
Water air fire
Sky ego one
After another
Each is bigger
Than the previous one
Within and within
Get everything
Which is present
Everywhere
Numberless innumerable
Pleasure pleasurable
And that is inconceivable.

Gajanan Mishra
Unknown

Neither you are
Able to see me
Nor you are
Able to feel me.
Am I unknown to
You then?
But you are telling me;
I am pure,
I am smiling,
I am a dumb.
I find no reason
What for you are
Acting as a
Mutineer, my dear.

Gajanan Mishra
Unknown Face

In crematorium
And is credulous.
Very often
Criminology says
Just cribbage.
O denizen
Live dendritic
Without demur.

Gajanan Mishra
Unknown Illness

Unknown illness,
Life is in danger.
Here, I find
All are killers,
In some way
Or the other.
But the morning sun
Only consolation.
Good morning to all.
Let us start afresh
The life with the sun,
But take care the day
At any moment it can
Topple you down.

Gajanan Mishra
Unknown Is Known

Unknown is known,
Unseen is seen,
And I am living,
And my living is
Divine.

I am both beings
And non-being,
I am nothing
And I am everything
With your appearing.

Without any doubt
I am here to do
That work that is
Meant to me by you.

Gajanan Mishra
Unknown Nothing

Unknown nothing,
Nothing unknown.
And tell openly
What you intend to do.

And you said speak always
Pleasing words
And be truthful.

Throughout the system,
You are the one
And only one, I know.

And you are insurmountable,
Here, the position is
Inconceivable and I am
Caught here as you know.

Gajanan Mishra
Unknown One

I am unknown,
Unknown one,
Unknown to all.
Yet, I am with you,
I am the truth.

I am there
In this form
And also
In another.

Try to understand me,
I am there from the beginning.
Let me say for clear understanding,
I am the ash, I am the fire.
I am the water, I am the air.

Try to understand me,
In your understanding,
I live.

I live,
As an independent one,
And I am unknown.

Knowing is not a matter,
Let me clear, but
Important is
Living together.

Gajanan Mishra
Unknown Place

The place is unknown.

You are coming
From that place.

You are going
To that place.

The place is unknown
Unknown place.

Admittance is granted
Though restricted.

You are coming
You are going.

It is I
Who is speaking philosophy.

Gajanan Mishra
Unknown To Devil

Unknown to devil
My capital flow
And its consequences
Unknown to devil
Where is the savior
In and around sentences.

No deficit nothing
Linkage problems
Central issue forgotten
Output and input
Are there in questions
And thirst quenches.

Investment declined
Savings fallen
Unknown to devil
What is there to happen
It is the poet who has
Seen future past and present.

Nothing to create
Everything is there to
Show only
And none came forward
And time passed
Known to devil only.

Gajanan Mishra
Unless Otherwise

Unless otherwise stated
The entire universe
Is mine,
But not you -
The reason of my sorrow.
I am here
On this surface
Of the globe
To rule.
But not to you -
Near, though,
You are not here.
I am at the beginning,
But not at the end, sure.

Gajanan Mishra
Unless You Come

Unless you appear
How can I catch you?

I cannot catch you
As you are not here.

Are you there?
please tell me and be fair.

Be fair and tell, you are
taking all care.

With a careful study
I have kept my affinity
with all goodness.

And I slept and I forget,
but I forget not you,
You are the love, you are the truth.

Gajanan Mishra
Unless You Find

How can you say
You are here.

The story is
About a miser.

Awake and awake
Night is closer
And closer.

Be brave my dear
I am here
With you
To drive out
The pain-maker.

You are to bear
All injunctions and order
All reactions in successions
Being the householder
Tell all with pleasure
Your address to the insiders.

Gajanan Mishra
Unlimited

I am unlimited
I have nothing to do
With any activity.
I am not the bird
That you can bind me.
I am the sky
You can see me.
I am not the water
That you can make me flow.
I am the earth
You can stand on me.
I am unlimited
I am your birth and your death
You can feel me within.

Gajanan Mishra
Unlimited - Life And Peace

Unlimited -
Our lives,
Our livings.
Unlimited -
The sky,
The earth.
Unlimited -
The water,
The air.
Unlimited
The light.
Unlimited also
The time.
Unlimited
Our forms,
Our colors.
Unlimited
Our desire,
Our stars.
But we should
Keep ourselves
In limitation
To measure
The unlimited
Thoughts and talks,
And to enjoy life
In a peaceful atmosphere.

Gajanan Mishra
Unlimited beauty and
Pleasure - true object,
Let me experience here.

Gajanan Mishra
Unlimited Eyes

You are mine, mother.
For you I am here.
My words are yours,
My actions are yours,
My life is yours, mother.
I am here
Only for you,
You are the only truth,
Only truth.

Gajanan Mishra
Unlimited Faults

See in me all around
In fact I am now
In this ocean of faults
No one can free me
My dear from this
Fault contamination
See I am within Your
Jurisdiction and for
Confirmation let me

The instructions given
By all great good and
Influential person.

Gajanan Mishra
Unlimited Happiness

Life is a source of
Unlimited happiness
Full of sorrow.
Eternal truth is there
In life,
Let us realize it
With our own
Ecstatic pastimes.

Gajanan Mishra
Unlimited In Limit

Unlimited in limit
I see
Limited in limitless
You see.

Both limit and
Limitless are
Your area of activities
And both Are Your energies.

You absorbed in love
I absorbed in love
Love is the basis
Of my service.

My service is devotional
And causeless, see
You are my love, and cause
And for You only I am here, see.

I beg to offer You
What are Yours, see
I beg to say You
What are Your words, hear.

And it is only my prayer
I have nothing and no power
I have also no desire
I know You are there to take my care.

Gajanan Mishra
Unlimited Oneness

All - one,
And all in
Unlimited oneness.

But each is
Different from
Another.

Each one is
Complete manifestation
Of love and truth.

Each one is
The combination of
Dark and light.

And all are controlled
By time.

Gajanan Mishra
Unlimited Pleasures

Unlimited pleasures
You can derive in my poems
In my poems you can find
Absolute Truth.

I wish to hear
Your unlimited valor.
I wish to think
And remember You always.
I wish to touch You
And say about You.
I wish to work
And talk for You.
You are within
Everything and
Everybody that I know.
Let me tell You O my dear, I am
Disgusted with the inferior
Taste of material pleasures here.

Gajanan Mishra
Unmanifested

You are un-manifested
To my eyes
As I am in
Material world
I pray for
The spiritual eyes
And let me
See you
And be visible
And I pray
Please reveal
Yourself to
My vision
And let me stay in Truth.

Gajanan Mishra
Unmoving Moves

Unmoving moves,
And though still
You engaged yourself
In action, I know.

Water and
A block of ice are one
And the same, different
In position though.

No difference in
Dark and light,
Small and big.
Attributes and
Glories are same
As we know.

Gajanan Mishra
You are unperturbed and
Also You are immersed
In self bliss, my dear.
You have established
Cordial relationship with me
And I am here unaffected by
Emotions and diseases.
And I know You have assumed
So many bodies at a time
At Your own sweet will.
You face is full of
Divine glow, my dear
With no wish and I know You are
Beyond the effect of good or bad.

Gajanan Mishra
Unproved Things

How can I prove
Unproved things?
How can I count
Uncountables?
How can I live
With the dead?
Nothing to prove,
Nothing to count,
No one is alive.
But I am still here,
See my dear, I am here,
Only for you and my
Stay is evident and
With reasons.

Gajanan Mishra
Unreal

Unreal
This world
With no foundation
Nothing is in control
No cause
Other than lust.

Gajanan Mishra
Unreal Passes For Real

Unreal passes for real
And it is lack of knowledge
About Truth.

Wake up, my dear
And be in knowledge
See the delusion of a dream disappears.

May you be in full love
And take necessary steps
With an eye to the good of the world.

Gajanan Mishra
Unreal- This World

Unreal- this world,  
Let us come and  
Search the reality.

Here, we are not  
Free from dualities.  
Here, we have our  
own curiosity-  
Where we are,  
Who we are,  
How we are here  
In our identity.

We are not fulfilled,  
Yet we try to achieve all,  
That I cannot understand.

Gajanan Mishra
Unregulated

Anything which is
Unregulated is really
Dangerous.

Everything, see
It is unusual,
Here, there, everywhere.

But the world is
Full of happiness,
Here, there, everywhere.

There is
Happiness all around
You and me.

But anything
Unregulated is dangerous.

Gajanan Mishra
Unsayable

To say the least,
Unsayable - the situation,
Unmissable - the time.

Yet,
We are all
Missing everything.

No patience,
No coolness,
And nothing.

Whether it is
The beginning,
The end, who knows.

But we see only
The fire and the snow.

Gajanan Mishra
Unseen

I am here
Where I am unseen
Here I am
On this earth
In this sky
In between
Sky and earth
Where I am unseen.

Gajanan Mishra
Unseen And Unknown

Unseen and unknown is
Much more powerful than
The seen and known
Always winning side
Is with unseen because
It has much more valor
And unique style.

Gajanan Mishra
Unselfish Friend

This world is Yours
My dear, I know
And I know, You are
The unselfish friend of all here.
This world is Yours
My dear, i know
And I know, You are
All sacrifices and austerities here.

Gajanan Mishra
Unstoppable

Unstoppable
Only the poet
And the poet
Can surpass all.

No dynastic ascent
No heaven
And the poet
Not upgraded
And for all
Preferred hell.

High or low
No problem
And the poet
Life emblem.

Gajanan Mishra
Unstoppable - Truth

Unstoppable - truth,
My actions are only
To strengthen you.
And you are there
To make me strong.
My chance of winning
Is hundred percent,
I know.

Gajanan Mishra
Untill Then

Bad or good
Decide
The sun
Never set
Untill then.

Wait and watch
And work
And see
Dark and dark.

Gajanan Mishra
Unto You

Unto you only
I surrender
Everything.
I dare not
To compare you
With anyone else.
And no one can
Say me offender.

Gajanan Mishra
Untouchability

Untouchability.
Is it here
And for why?
Untouchability.
What it is
And how.
I know one world,
One life,
One air,
One light.
I know one water,
One sky.
I know not
What is there
To be touched
And what is
Not to be.
Untouchability.
Is it not politics,
Politics to divide
And rule.
Politics to gain
Something more.
Politics to put
Others in whirpool.

Gajanan Mishra
Untouchable

I am untouchable
I know and you to know
Your complex impressions
Are impermanent transient.

I am untouchable
Means original and eternal
You yourself do not touch me
Let me remain untouched by you.

I am untouchable
In pleasure in pain
You are from outside
And I am in.

Gajanan Mishra
Untouched

By itself is good
And fine
Like lotus leaf,
See and observe it
In the water
And if you
So like apply it
In your own life
To stay free, dear.
Without freeness
How can you fly
In the sky to
Touch the sun?

Gajanan Mishra
Untouched Life

So far I am untouched,
I am yet to arrive somewhere.

I am not being exploited
By any creative energy.

I have not prepared
My explanation to living gods
On my failures to
Measure the world.

I am yet to discuss
About life here
And about subsidiary
Creation and
Annihilation during
The life period.

Gajanan Mishra
Unveil Yourself

Unveil yourself
And have a vision
Of truth.
Remove your
Delusion and
Help yourself.

See the play
And enjoy.

Remember, you
Have everything
The truth
The consciousness
And the bliss.

Enjoy and play.

Gajanan Mishra
Unwanted

Who is that - unwanted?
Why to maintain - history?
What to receive and
What to give - curiosity.

I am just a whipping boy here.

O life, just relax.

I have no power to
see the wood for the trees.

Gajanan Mishra
Unwanted Fire

Unwanted war,
Unwanted fire,
And the truth has
No role there to play.

The cause is
Internal and
Not external.

Undesirable persons
And unwanted persons
Have nothing to do
With love and
With truth.

Gajanan Mishra
Unwise Acts

Giving advice to fools
Looking after a wife of loose character
Keeping company of bad friends
Nurturing a serpent
Providing service to impolite servant
Unwise act
And for these
The reward is death.

Gajanan Mishra
Unworldly

I am telling about love
Love is unworldly as You know
O my dear, we are in love, I know
And our love, our devotion is the end.

Gajanan Mishra
Unworthy Person

Unworthy person
In wrong time
In wrong place
playing with life
Without respect to
Life-giver and
With contempt.

Cunning person
Hoping for return
Reward expectation
Grudging spirit
Is with passion
No mission
Aim at dissolution.

Gajanan Mishra
Unworthy To Kill

Kill not a woman
It is unworthy
Kill not children
It is unworthy.

Being a man
You are to consider
About pious and
Vicious.

Daughter is
Your future
Save the daughter
Good fortune of nature.

Whatever be the fault
It is not her guilt.

Gajanan Mishra
Unwritten Poem

Unwritten poem is there,
There in the sky
And I am trying
Every time
To write that poem.

But the sky is playing
Hide and sick with me
And I am the hider
Who is hiding everything.

Poem is there open
But you are complaining
You know nothing
And I am pleased to declare
Go deep and deep and deep.

Gajanan Mishra
Up Above

Up above,
Life and love.

No earthly fall,
Life.

All light murmur,
Dark illuminates.

Words are not
Unimportant.

Truth is
Immeasurable.

Lead life with
A balance, dear.

Gajanan Mishra
Up And Down

Up and down,
Here and there,
But I am going
Round and round.

Change is but
Destiny and
I am going till
The end of life.

Life continues
On its own course,
It is I to bend
Before eternity.
I am the head, and
All praise are here.

Gajanan Mishra
Up and down - my journey,
But it is you, on the way,
Who shows morning
And evenings.

I am sure, nothing is
There anywhere like
What you show.
But loss and gain
Are to count
For nothing here.

Pious you are only
In this system I know.
And my existence is
Safe somehow.

Gajanan Mishra
Up To Eternity

Up to eternity
I have to go.
Where is eternity
I have to think.
I have to know
Who am I and
Who you are with me
Here at this time.

Gajanan Mishra
Update

Update your poem with trust with loyalty.

Do not express inability to update.

Enlightened yourself with the light of your updated poem.

Your updated poem is the life breath of the society.

Gajanan Mishra
Update Your Eyes

Update your eyes,
And view life.
Life is nothing
But the colorful sky.
Life is the earth
That is moving
Round and round
Always everywhere.
Life is permanent
But we are not.
A feeling - life,
And beyond our touch.
Try to achieve life
In eternity.

Gajanan Mishra
Updated

I want to live
Updated, and
Also beyond date,
Beyond time.
I am searching
A day, dateless.
I am in search
Of an earth, sunless.
I want to move
With all hidden treasures.
I want to touch
The words of hearts.
I want to live
With poetry for all time.

Gajanan Mishra
Updating

Let me
Update the news
And the views.
But give no
Importance to
All these.
What you are to
Do is to go
On your own ways
And care not
The consequences.
No other one can
Instruct you besides
Yourself where to go.

Gajanan Mishra
Updating A Poem

Updating a poem
I understand
The world.
Nobody is there
To negate.
I dare to
Compose a poem
With truth.

Gajanan Mishra
Upgrade

You are your friend
Upgrade yourself
By your own efforts.

You are your friend
Conquere yourself
By your own efforts.

Gajanan Mishra
Uphold The Acts And Rules

Uphold and follow the acts and rules,
However distasteful they may be,
Acts and rules are for the welfare of all.

Gajanan Mishra
You are telling
About my uplift
And you are
Disturbing me
In my natural growth.
You are taking
No care to
Highlights me
And focusing on
My dress.
Do you know
Who am I?
The reality is
More horrified.

Gajanan Mishra
Upon Whom

Any person
Upon whom
The poets are pleased
Can achieve anything.

I know not
What is that pious activity
That I performed
For the poets here.

This world is
For the poets
Poets can travel anywhere
Poets can witness anything.

No one can know
No one can understand
Who is a poet
And what the poet think.

Welcome the poets
And who is not a poet
A great question to inquire
Try to pacify all as poets.

Gajanan Mishra
Uproot Them

Uproot them,
Who are unwanted and
Who appeared as
The thorns of the earth.

Lead the people
Towards the path of truth,
Towards the path of self-realization,
The man is at the center of all incarnation.

Gajanan Mishra
Uproot Your Desire

Uproot your desire first
And see where you are.
See where you are
I am there, my dear
You can't say life is mare.

Gajanan Mishra
Be cautious while
Uprooting untruth.

Body is untruth
Don't uproot the body.

Through this untruth
You can go for Truth.

Truth is in untruth
Untruth is not in truth
Truth is in untruth
Reject not untruth.

Take care of the body
Though it is untruth
Through this body
You can go to the Truth.

Gajanan Mishra
Uprooting The Sinful Actions

Uprooting the weeds of sinful actions
The Truth is here before us with love
Dissipating the fog of the night
By its rays the sun is here with all happiness
O my dear, let us enjoy this heavenly life
By sprinkling with water from the Ganges.

Gajanan Mishra
Ups And Down

Ups and down
Is life and living,
But make it all
Worth watching.

Gajanan Mishra
Upstream ??????

????? ?? ?????
???????? ???????
?????? ?????? ?? ?? ??

???? ??? ????? ??????,
???? ?? ????? ???? ?????? ?????
???? ?? ??

??? ?? ??? ??????? ???
????? ???????, ??? ?????? ?????? ???
?????? ??????? ??? ????? ?? ??? ?????

English rendering;

Time is afraid of
having a touch
If there is a balance
Between words and works.

Time is indeed cruel,
But if there is
Love and truth nothing
To fear, life would be
Rich and beautiful.

To cross over the mouth
Of the river is unpredictable,
But to predict is certain
The upstream can't take away
In which way sail with oar of life.

Gajanan Mishra
Upward And Forward

Don't push me backward and downward
Let me go upward and forward.

Don't pull me this side and that side
Let me go straight where I am with Truth.

Let me live in peace in the area of Love
Love is there with every house-holder.

O my dear, I am joining with You in Your love-truth literature
That is and there in one can find my life history my future.

Gajanan Mishra
Upward And Upward

I am first
You are second
Rest third.

Have you heard?
Come forward
Here is our world.

Nothing soft
Nothing hard
Our life is to go
Upward and upward.

Gajanan Mishra
Upwards or downwards-
No meaning.
Inside or outside -
No meaning.

Meaning is there
In life.
Life is meaningful
When we live.

I cannot say,
What is there in life,
But life is there,
And I am the viewer.

I am afraid,
I am personified.

Gajanan Mishra
Use Love

Use love
And see love
As whole,
Live with love
And fill up blanks
Of life,
Know the living
With truth.
Living
Always in truth
Means you are
Truely in love.
You are in love
Means no chance
To face danger.
Your position is
Secured and
There is nothing
To fear.

Gajanan Mishra
Use Me

Use me
I am here
I am thinking
And writing
Use me.

Use me

O my dear
For you
I am doing
Everything
Use me.

Use me
O my dear
I am here
For ever
You are
Revolving
Around and around
Be stick to me

Gajanan Mishra
Use Me - Friendship

Use me, but throw me
Not away after use.
Just wait and see,
Keep me with you, dear,
I am useful for all time
In so many way of this life.
If you are not in love
No matter, but forget not
Our friendship is necessary
For the world peace to move on.

Gajanan Mishra
Use Milk

Use milk
To elevate human society
To the perfection of life.
And from cows
Take the milk as you need.

Cow is the symbol of
Peace and prosperity.
Protect cow for
Sacrifice, charity
And austerity.

Important pet animal
Is cow, know,
How to keep cow
With you well.

Gajanan Mishra
Use Not Harsh Words

Use not harsh words
While telling to any one
On any matter at any time,
As because 'those thus
spoken to will retaliate'.
And also remember, 'since
angry talk is painful,
the rod of retaliation
may overtake you'

Gajanan Mishra
Use Of Law

What is the use of law
If it is not obeyed by all.

The bird that does not fly
How can you say natures law?

When you are not free,
When you are dependent,
You are fit to serve others.

Tell me, please
Use of time and place.
Neither you nor I
Know when to separate.
Neither you no I
Know exactly fate.

The sea and the cloud
Are one and the same
At the gate.

I see the light
I hear the sound
I feel you
And not defined.

I am within
You allow time,
That is not my reach
I am outside.

Gajanan Mishra
Use Of Legs

True life
Not easy to
Lead here.

I want not
To live as
A worldly man.

I know not
The head and tail.
I know the essence
Of words.
I know not use of
Legs in walk.

Gajanan Mishra
Use Of My Writing

If you are not in a position to understand
It is useless to say something.
And what for I am saying
You to listen first.
If you like here is the synopsis
You may see and grasp something.
You have your own tomb of water
My dear you have your tomb of life.
The fire therein is cold, my dear
I am not too old to fold.

Gajanan Mishra
Use Of One's Own Language

Use of one's own language -
The ingredients and
The first meaning of
Independence.

Use of foreign language
Everywhere always-
Against democracy
And against humanity.

Use of foreign language
Is against the legislative
Procedure and law
Under the constitution-
The soul of a nation,
The heartbeat of population.

Gajanan Mishra
Use Of Poetry

Is it true,
Writing poetry
Are total wastes
The valuable energy
Of lifetime?

What is the use of
Life then?
What is the use of
Wife, family, home,
Country and community?

What is the meaning of
Love, friendship?
Where is the truth
And where is the eternity? ?

Gajanan Mishra
Use Of Victory

What is victory?
What is pleasure?
I think really
No use of getting
The kingdom here,
No use, because
We are going
Towards death.
And after death
Who will enjoy what!
These questions are
Here for ever for all.
We should be cautious
And love all.

Gajanan Mishra
Use Of Writings

No use of writings
If you have not discovered
The truth within.
No use of the truth,
If no love is there
Within you.
No love means
You are nothing.

Gajanan Mishra
Use Or No Use

Use or
No using,
Live or
No living.
Always middle
Position is
Dangerous for
The one
Who enters
Or the other
Who exit.

Gajanan Mishra
Use The Language

Use the language,
That are there
In the area.
Use not any
Foreign language
While working
For the people.
People are at the center
Of your works and
Get the speedy result
That is unpolluted.
You are taking salary
From the money paid
By the people,
Treat people as the root,
The truth of the system,
You are there to serve
The people, no matter
The post you hold.
.

Gajanan Mishra
Use Your Intelligence

Use your intellect
Or say intelligence
But not your sweet will
To achieve happiness
And purity of inner sense.

Gajanan Mishra
Use Your Intelligence At Least

Use your intelligence at least, my dear,
When you are working at a public office,
Use the language of the public to make them
Understand what you are doing for them.
And stay cautious not to commit the mistakes,
And not to violate any laws or constitutional
Provisions as laid down for public good.

Gajanan Mishra
Use Your Love

Waste not time,
Use your gift,
Love all, staying in truth.
Compassion to all, and
Improve the world.
Peace, joy, contentment,
Happiness, tolerance
Everything is there with you.

Gajanan Mishra
Use Your Own Language

Use your own language
And gain heaven
Use your own language
And be victorious
By keeping your identity
In tact and save
Use your own language
And enjoy the sovereignty
Of the earth.
Arise and awake
And work for the people
Sincerely and enthusiastically
For the sake of language. Remember,
It is too late!

Gajanan Mishra
Useful - The Cow

Cow, cow, cow,
Very very useful
Eats grass though.

Listen cows tale,
My dear friends,
How sweet is
Cow's milk,
And how beautiful
Is tail.

I am here with the cow,
And without it
I am done for,
I am not here to
Listen your question further.

Gajanan Mishra
Useful To All

Useful to all,  
My life, my air.  
I see there,  
The star  
That loves me  
So much.  
I verify  
My identity  
With truth.  
I say  
I love you.  
I am in touch,  
And I am in you  
I am the beginning, I know.

Gajanan Mishra
Useless

No faith
No wealth
No love
No salvation
Life becomes useless.

Gajanan Mishra
Useless Anxiety

My anxiety is
Useless that I know
And I am in my
False intellectual
Identification.

Due to incomplete
Knowledge I am dreaming
Let me say I am
Apparently awake
Am I saved here -
A great question
One should consider.

Gajanan Mishra
Useless Are

Useless are also useful
Don't neglect anybody
Don't call anyone unqualified.

Gajanan Mishra
Useless Discussion

Untrue -
Useless discussion.  
It is all darkness,  
It is all illusion.

True -
I am like an animal.  
And I am eager to  
Criticize truth's glorification.

Gajanan Mishra
Useless Eaters

Useless eater,
They think me so.
Ask me not who are they.
I pray, leak not my words
anywhere to anybody
and in case you do do
I would be nowhere.
Let me not stay
shelter-less please,
Let me go hungry to sleep
It is okay for me,
Let me bear 'non-sense'
let me get satisfaction
after seeing them.

Gajanan Mishra
You are my untrained administrators
You are useless for all purposes
You are rogues and thieves
And looting the revenues
You are playing havoc
You are not trained in the primary
Duties of the rulers
By the strength of manipulated votes
You are our administrator and doing
Nothing for the common citizen
You are not doing your Raja-dharma
You are neither pious nor religious nor
Chivalrous nor munificent and so
It is dangerous to follow you

Gajanan Mishra
Useless If Not In Truth

Useless,
All are useless
If not in truth
If not for truth,
Your wealth,
Your learning,
Your might,
Your manliness,
Your eminence,
Your prudence,
All are useless,
Bowing down at truth
Is the only truth,
Be truthful, and useful.

Gajanan Mishra
Useless Labor

without you
I am useless
When you are
Not there
And I am doing
Work I know
It is useless
And I engaged
Myself in
Useless labor.
O my dear
I am doing
All works
For You and
Only for You
And I invite
Your attention
Towards all
Actions
Without you.

Gajanan Mishra
Useless Talk

Useless talk
Useless talk is that
When one say I am
Different and independent
From You.

I have no independent
Existence that I know
And I am fully
Dependent on You
Always and everywhere.

Gajanan Mishra
Useless To Condemn

Each and every one
Is auspicious,
Useless to condemn
Anyone or anything.

We are to know,
The value and
Proper use.
We are to love
Each and every one
As original.

Man, by nature
Is responsible and
He knows better
What to do for good.

Gajanan Mishra
Inquire not anything
It is useless
You can ascertain nothing.

You are to abide
Every order
Without any argument.

Mind it
Vice can not
Conquer virtue.

Be on the right side
Always, my dear
Nothing to fear.

Gajanan Mishra
Useless To Live

Really useless
Really it is useless
To live in ignorance
In the darkness of ignorance.
Struggle for existence is there
Although one mat struggle hard
It is not possible to live forever.
We know there can not be any happiness
In this world and still we are
Making so many plans to live happily.

Gajanan Mishra
Using Everything

Use everything
Available with you,
My dear son, and see,
You are going towards
Success.

Success is there
As it is, but my dear,
You are to go after
A great deal of deliberation
And determination.

Think not about
Mistakes and weaknesses,
You are to go on your voyage
Using everything in full.

Gajanan Mishra
Using Graphics

Make your poems
Clearer and easier
By using words
In picture.

Make a chart
What you mean
By words, and
Bridge it
With emotions.

Locate,
What you want to
Communicate.
Dear poets, and
Summarize it all.

Gajanan Mishra
Using My Own Language

Using my own language
is my birth right.
Using my own language
by you, my dear, is your
golden opportunity to
come to me and win my heart.
Language is the soul, love,
Love your own language forever
and stay here alive in light.
Show your competence and
prove your eligibility
by using my language
that you are mine and you are
committed to my land.

Gajanan Mishra
Using Name

I am using everywhere
Your name, my dear
And getting profit
In return beyond
Expectation.

I am doing Your works
My dear, day and nights
I am Yours in to to
Make me able to do
More and more that are
Good and give benefit
To all others here
I pray, keep me with You
Beyond days months and years.

Gajanan Mishra
Using time
I came forward
And expressed
Myself here.

You may say
Whatever you like,
But I am here.

In ice,
In fire,
In wind,
On earth,
I want to
Express myself,
More and more
With humanity.

Gajanan Mishra
Utha Aau Tume Kie Dekha

Utha aau tume kie dekha
Aau khoja tume nije kouthi.

Pruthibiku kaha
Tuma pain hin sethare achhi sabu.

Gajanan Mishra
Pruthibi - utha,
Utha debaku nyaya.
Kintu kahaku?
Jie upare
Taku debaku nyaya
Utha.
Aau semane
Talethiba loke
Karichhanti ki dosha?

Utha mati,

Gajanan Mishra
Utilization

Important is not saving
Important is utilization
Of time and analyzing
What you have done so far
Here by this time for other's welfare.

Important is how far
You are affected by circumstances
Important is how far
You have utilized the situation
In your favor, my dear.

Gajanan Mishra
Utilize The Instructions

Utilize the instructions
Previously given
And take care yourself,
No one else can help you
At the time of living
And going for
The ultimate goal of life
Back to truth.

Gajanan Mishra
Utilize this form
In proper way,
Know what to do,
And how to do.
Waste not time,
Proceed ahead
Till the validity
Is there with you.

Gajanan Mishra
Utkal Gourab Madhusudan Das

Utkal Gourab Madhusudan Das,
Really what he was!
Till todate
He is the guide
And we failed to follow.
Symbol of swadeshi,
Symbol of new literature,
Culture, arts and crafts.
First nationalist,
Let me salute him
For his humility
and forgiveness.

Gajanan Mishra
Utter not
Pleasant false words
Utter not
Unpleasant true words
Utter only
True and pleasant words.

See that your utterances
Should not cause
Annoyance and pain
To others
At present and
In future.

Utter bare facts
And convey the correct idea
What you have actually read
What you have actually heard
What you have actually seen
What you have actually experienced.

Gajanan Mishra
Utter Not That Are Not True

Utter not
Unpleasant true words,
Utter not
Pleasant false words.

Utter such words
That do not cause
Annoyance and pain
To others.

Utter, what you have
Actually read, heard,
Seem and experienced
Without having any
Feelings of selfishness
And pride.

Gajanan Mishra
Uttering Word

Uttering word is a crime
Hold your tongue, my dear
Your tongue is your enemy.

Your body and this world
Are one and identical
So are You and I.

Keeping in view this, my dear
You are illumined and indivisible
Be silent and realized the Self in You.

Gajanan Mishra
Uttering Words

How can I utter a single word
When You are not with me, O my dear
I am choked up, see.

When You are not with me
Tears of grief are here see
In my eyes.

You are only my well-wisher
You are only my family member
You are only my body-chariot driver.

Gajanan Mishra
Utthana Patanare Jibana (Odia)

Utthana patanare jibana
Kintu jibana heuchhi prema-phala
Aau premara nahin utthana patana.

Gajanan Mishra
Vacuum

Stay vacuum,
Vacuum stay.
All are there,
Though, so far.

Vacuum, but
Not vacuous.
Nothing to
Vacillate and
No one to
Go, vagrant.

Vaccinate yourself
With all goodness,
Dear men, I know
No vacation.

Gajanan Mishra
Vacuum Cleaner

I like it,
Vacuum cleaner.
As it helps me
To find the right one
And the logical one
To ask and
To believe,
To read and
To write,
To sleep and
To rise.
The vacuum cleaner
Is here as always
To make me wonder.

Gajanan Mishra
**Vacuum Diagram**

Draw not,
On this open field,
A vacuum diagram.
Field is there
Always everywhere.
If you so like
You can dance
On this open field.
But be sure,
Field is ready to
Dance with you.
Energy is there,
In dance.
Construction and
Destruction is there
To occur with the dance.
Creation and collision
Both are there
In dance radiation.
Dance not
On the vacuum diagram.
Draw not
Draw not.
Virtual photographs
Are not yours,
Not for you also.

Gajanan Mishra
Vagitus

I fear
To say anything
I fear
To come at this time.

I am just crying
Listen and
Understand me.

Who is here
To save me
Who is my dad
Who is my mom
Please come
And understand me.

I fear coming
I am crying
Understand me.

What will be my work
Why this jerk and jerk.

I do not know
What is going to happen
I do not know
Pleasure and pain.

I fear
To say anything
I fear coming
And going
I know it is
For nothing nothing.

Gajanan Mishra
Vain Hopes

Vain hopes
Vain actions
Vain knowledge
All are senseless
All are baseless
Everybody is careless
I am the only person who is
Thinking and thinking
And telling all and always
The world is not Godless
The world is not false
Here there is truth
Here there is justice
Here only there is life
There is air
There is light
There is sweetness
Everywhere everywhere.

Gajanan Mishra
Valentine

Where is love?
Where is valentine?
Who is near you?
What is the truth?

But life, itself is
There with none,
Without color.
Each one is living
On hard soil
Here always.

All qualified
And all are here
With all good qualities,
All are blessed.

Gajanan Mishra
Valentine Day

Let me kiss You on this day
Let me love You on this day
For Your love for Your kiss

For our own life that would be better

Gajanan Mishra
Valentine's Day Love

Love is love
Day is day
Every day is a love day
Every day is a new day
Everyday is a valentine day
If you are afresh
If you are in truth
If you are clear in
Thought in action in motion.

If you are daring
Call me, O my love, I love You
If you are loving
Give me what you have
If you are living
Stay in truth
If you are the truth
I love You I love You
I know You are the love and
Also You are the truth.

I love You

No need to search You
That I know.

I live only for You
I live only for today
I live only for love
And I live only for truth
I am telling every word
Only to You
My life is only for You
I know
You are only for me.

Gajanan Mishra
Valid / Invalid

But life is here,
Forget about
Validity and
Come forward to live.
Prepare yourself
For the coming days
And go with all
To build a new future.
You are infallible
And also absolute,
Go on with it
With your original form
With natural and fresh
Odor beyond all
Causes and effects.

Gajanan Mishra
Valuable Energy

Valuable energy
Is temper,
Hold in with you.
And hence
Make up quarrels
Soon for the better.

Gajanan Mishra
Valuable Gift

The life -
Valuable gift
Of nature.
Take care, dear.

Varieties are
Available in
All seasons.
Take care, dear.

On the earth,
In the sky,
In water and
Everywhere find
Life with
So many sweet sounds.

Gajanan Mishra
Valuable Insights

Valuable insights
Separate and distinct
We are heavenly.

knowing earthenware pot
And earth is necessary
Knowing the lamp and
The light it shines therein
Is necessary.

Multiplicity in many
Passionate and self-seeking
We are heavenly.

Gajanan Mishra
Valuable Wealth Insight My Heart

It is I who is disturbing always with it.

Fire can burn me and I be cure by medicines
But it is I that burns me and whole life I am suffering.

Rainbow I saw in the east But I said I am more colorful
This I is killing me always everywhere and with it life is painful.

I try to kill I but failed
O my dear please give love so as to enable me to excuse all.

And with this I will go away from me
And see and feel the truth and live in peace that is without I.

Gajanan Mishra
Value

Looking towards you
I questioned
Whether I am acceptable
Or not
And you answer
That is not a
Matter to tell.

Ascertaining your stability
I proceeded.
Deciding right direction
You clarified
Coincidence is - we are
All in the same boat and our value
Of life is equal.

Gajanan Mishra
Value Be Given

Value be given
Not to water
but to the thirst,
Value be given
Not to the dead
but to the living one.

My dear, you are here
That I know,
in love with life,
You are here to
enhance beauty,
You are here with
more poetry, with
more music.

Gajanan Mishra
Value Life

Value life,
That is here
On this earth.
Earth is
Our heaven.
Heaven is there
Where there is
Love among all.
Love is there,
Where there is truth.
Truth is there
Where there is life.
Value life,
The fruit of nature.

Gajanan Mishra
Value Of A Moment's Association

Value of a moment's association
With You O my dear is unimagnable.
The highest goal of my life is to
Associate with You and I know
Such association is praiseworthy
It is always desirable and worship-able.

Gajanan Mishra
Value Of Achievement

I want to know though
I know it is zero.

In zero there is
Everything that also
I know being a hero.

Hero is he
Who cares not defeat
Who hankers not for victory.

It is my good luck, my dear
I have not forgotten the Truth
Truth is to stay still and calm.

Gajanan Mishra
Value Of Life

Looking towards you
I question
Whether I am acceptable
And you answer in negation.

Ascertaining your stability
Deciding right direction
You clarified actual
Value of life.

Gajanan Mishra
Value Of Life- With Purity

Know the value of life
And live with purity.

Know the value of life
And get full knowledge
And bliss.

Gajanan Mishra
Value Of Love

Do you know
The value of love?
If yes, I am sure,
You are not there
To terrorize any one
Anywhere on this earth.
I feel and I am confident
You are there to love all.

Gajanan Mishra
Value Of Nature - Autumn

We are gazing up,
We are gazing back.
And it is autumn -
The value of nature.

It is pleasure and honor,
To go with this nature
And to prey everything
That are locked up.

Gajanan Mishra
Wait and listen,
Questions and answers
Have much value here.
Put questions and
Get answers in silent,
Silence has its own voice.
You are to perform
As directed by nature.
And nature has the way
To tackle the problems.
Elevate yourself to
Natural process but stay
Strong to cross the border,
The border of life and death.

Gajanan Mishra
Value Of This Body

What is the value
Of this body?
Only eating, sitting,
Sleeping is not life
Mind it, my dear.

I fear, you are forgetting
Who you are and what for
You are here.
You are also not trying
To know what is true and
What is false.

Realize my dear,
By virtue of your wisdom
And by doing duty, enjoy freedom.

Gajanan Mishra
Value Of Wife

When my wife
Goes to her father's house
I want her more.
When my wife is here with me
I care not her.

Gajanan Mishra
Value the poet,
Congratulate the poet
In ecstasy.
Hear the original
Words of the poet.
Be a bona fide reader
And listener as well.
How truth is being
Presented by the poet,
Mark the sequence
And give value.

Gajanan Mishra
Value Thoughts

Value thoughts
and not things.
Hoard not anything,
Grab not anything.

Gajanan Mishra
Valued Man

Man in truth
is a valued one,
though not
a successful man.

I always salute
the valued man,
I may not salute
the successful man.

Valued man
has a feeling,
Successful man
may not have such thing.

I valued men
And I salute men.

Gajanan Mishra
Vande Mataram

Vande mataram,
Let me salute my mother,
Let me salute my mother-land,
Let me salute my mother-earth.
Vande mataram,
I cannot tolerate
If any one raise his or her
Finger to my mothers.
Zero tolerance is
There with me if any one terrorize
And attack my brothers and sisters
In any way here or anywhere,
I am a human being and hence
I love all here, I love humanity.

Gajanan Mishra
Vande Mataram,

Vande Mataram,
Jay Hind,
India first.
We, the people,
Sovereign.
The earth ours,
We are to give
New knowledge,
On this auspicious
Day, today.

Gajanan Mishra
Vanishing Sun

Vanishing sun is 
Coming to me 
And I enchanted with 
His coming. 
This sun, with shine,
Touching my body
Stayed on the bank, 
I flow through. 
I am not mine 
That I know and I, 
Being not mine 
I invented a new one 
Within the heart of all 
To enlightened the new world .

Gajanan Mishra
Vanity, Hate

Vanity, hate, arrogance,
Untruth and recklessness,
All are there in your world.
America, shame on you,
Said someone.
My pen is falling to the floor,
Said some other person.
The end is near, another one uttered.
Come down and support,
A man on the desk whispered.
I failed to do anything,
I know all these would pass away
On their on ways,
I am here to observe and see the sky.

Gajanan Mishra
Varieties

I am one, but
You can find me
In so many varieties,
Here, there.

You are many, but
I see you one
And the same one
Everywhere all time.

Gajanan Mishra
Varieties Of Religion

Abandon all
Varieties of religion
And live in peace.

Go with the Supreme Truth
And live in peace
It is like watering the root of a tree.

Give love
And live in peace
And see everything all right.

Wait not for the result
Go on performing your own duties
And live in peace.

Peace peace and peace
It is in you, my dear, please see.

Gajanan Mishra
Vast Difference

Vast difference
Like the sky
And the ocean,
Like fire and water.
All are imaginative
And that has no role
To play in reality.
Still we are here
With our helplessness.

Gajanan Mishra
Vast Scope

Work here,
Vast scope
Is there.
Let me say
You are lucky
At this time,
To be here.

If you so like,
We are all
Ready to cooperate,
For all welfare.
Remember, facility
For reverse gear-
Not there.

Gajanan Mishra
Vastness Life

Your sky is so vastness, my dear,
How can I fly there with my tiny wings!
How can I utter the truth with my earthly lips!
How can I pray you dear with my unintellectual words!
I know I can't see anything without your mercy-light,
I can't give anything to anyone with my unholy hands,
I can't love anyone here in this worldly interest-vested life,
I am unable to smile, my dear with so much pain of living,
I am also not so big to excuse or pardon anyone harming me.
Pardon me, my dear, I am here with my words not so sweet,
My patience, at time, falling down and making me unqualified,
Hold my hands, though, not with love, and permit me to
Keep your company, difficult though, I know,
But I have faith and I trust you for your round eyes.

Gajanan Mishra
Venture Not

Venture not
Unknown territories
Peace safety
Stolen away by thieves.

Gajanan Mishra
Verdict

Verdict announced
Accused present
All acquitted
Not set freed.

I am here
Destined to write
To write is to
Reveal hidden.

Gajanan Mishra
Verdict Not Understood

Verdicts
Not understood
Questions
Not put.

No impression
No attention
Forget scripture
Enter with permission.

No error
Life is terror
You are not body
Just go on study.

A student you are
For internal and
External welfare
Be fair.

Gajanan Mishra
Verify The Constitutional Position

See and verify
The real
Constitutional position
And do as you think.
Real knowledge is necessary
To live properly,
Here at this time.
Elevation to truth
Is good, but
It is hard to achieve.
I know you have eyes,
And you are able to see.
You are alive and
You can do what you like.

Gajanan Mishra
Verse Of The Heart

Countless poems are there
In this world in
Countless languages.
Authorized poems are those
That are written in love
In Truth in the verse of the heart.

Gajanan Mishra
Versus

We
both parties
filing this life case
at a time.

You Versus I.

Relation is
direct between
You and me.
Representative has
no role to play.

Vis-a-vis we
run at a time.

Where to reach?
result unknown.

Gajanan Mishra
Very Dangerous

Very dangerous this world-forest
That I know, my dear
And I am cautious.
For this I am going with
The four social orders of life
And crossing four spiritual divisions.

I devote myself to the up-liftment
Of all creatures
I know, my dear You Yourself expand
In innumerable forms
And You control all
The only aim is to raise
To the platform of Truth-consciousness.

Gajanan Mishra
Very Definition

Existence knowledge bliss
And absolute are the very
Definition of life here.

Absolute infinite not
Limited by time space
Still it is horse-race.

What is not this creation
We know not and still
We experienced new mode.

New mode in our discourse
Though we know nothing new
In this same process of living.

The deeper recesses of our
Inner self that identified existence.

Gajanan Mishra
Very Difficult

Very difficult
Very painful
This life
This birth
This death
The process
Of life circle
Very difficult
Very painful
O my dear,
Only You can save me
From this pain
Only You
I am calling You
As You are
The only witness
Here with me
In me and also
Outside me.

Gajanan Mishra
Very Difficult To Escape

Very difficult to escape
From one’s own strong enemies
The genitals and the tongue.

See yourself as a silkworm
You are weaving your cocoon
And you yourself is in that prison
You are trying to get out
But alas you are facing failures always.

Gajanan Mishra
Very Difficult To Know Real And Unreal

It is very difficult to know
What is real and what is unreal
It is very difficult to choose
And to reject here at this moment.

At this moment we are all here
See my dear, we are all in love
And not in penitent but heedful
We ourselves can know what is what.

And what is what we fear
We fear to utter words at this time
We know it is grace and this life
Is Supreme triumph.

Gajanan Mishra
Very Difficult To Proceed Ahead

Very difficult to proceed ahead,
But I have to go further anyhow.

Gajanan Mishra
Very Difficult To Quit

Very difficult,
Really very difficult to quit.

Interestingly we required
More and more and more.

Let us stay united and take all
Steps to reinvent ourselves.

So many things have no value
Give primary importance to Self.

Gajanan Mishra
Very Finely It Is Said

Very finely it is said;
Friendship, to those
Who are happy,
Compassion to those,
Who are sad,
A feeling of pleasure to those,
Who are virtuous,
And indifference to those,
Who are the sinners.
But I failed to understand
Who is virtuous and who is not.
I failed to understand
What is going on where
And for what purpose.
I failed to understand
Who is doing what
And for whom.
But everything is neat and clean
As you said, but to follow
Is a bit difficult for me.
Yet I am with you
And I am going from you
To you here all the time.

Gajanan Mishra
Very Fixed

Life and living,
Very fixed.
Time and rule,
Very fixed.

But thinking and
Happiness is not.
Direction and
Existence is not.

I see humanity,
I see not stool,
Worms and ashes.

I see life
In struggles,
And not death.

Gajanan Mishra
Very Good

Very good, very good,
You are there to
Utter the words,
And you are there
To approve my works.

But I am not to wait
For your words and
For your approval.

I am going on
And on, I know, though,
Nowhere to reach.

I am in the line of
Truth and love, true.
I am auspicious and
Progressive in nature.

Gajanan Mishra
Very Good Morning

Very good morning to you all,
My dear friends and well wishers.

We are here anxious to inquire
To know the truth.

The truth is our own
Living entity.

So many sufferings and
So many misfortunes are here, though,
We are living and showing
Our identity, we are lucky here.

We are the fruits of nectar,
My dear brothers and sisters,
We are one and we are crossing
The ups and downs together.

Gajanan Mishra
Very Great

Very great,
And I wish all good,
Wherever you are.
Bear the burden of life,
And stay calm,
Wherever you are.
Stay unaffected by the virus,
And stay free for good.

Gajanan Mishra
Very Important

Who is important
In democratic polity
Who is Very Important Person
Who is Very Very Important Person
Naturally it is not the public servants
Who are paid employees by people's money
Who is important
In democratic polity
It is not the representatives of people
Who are elected by the people for their works
And they are also paid from public money
Ask yourselves O men of democratic polity.

Gajanan Mishra
Very Little Interest

I have
Very little interest
For happiness.
I have
From the beginning
Told You.
And You have
Assured me
To come and provide
That are necessary.
I am waiting You
For there is a
Direct link in us.
Rest are all supplements
I have
Very little interest.

Gajanan Mishra
Very Little Knowledge

You have
very little knowledge,
Men, I know.
What is the truth,
You have no idea
Till date.
You have to know
Nothing is there
As high and low.
Men, I know
What is not
Answered to you
By anyone at any time,
That I am going to show.

Gajanan Mishra
Very Means Of Conquest

Very means of conquest-
This life, this human life.
We, the men are here to learn only,
And we are to conquer,
The darkest region of all
Existence.
We must establish
Relation with truth.
All are equal here,
We are in goodness.
We are to regain lost position,
The position of love.
We are spotless, and
We are pleased with this life.

Gajanan Mishra
Very Much Disturbed

You are telling me a liar
And I am very much disturbed.
You make me suffer
And said feel there pleasure.
Nothing is falsehood you said
And I followed you till the end.
I departed and you struck down
The concluded illusion.

Gajanan Mishra
Very Near

I am very near
The truth
And the truth is
There, where
You are.

I am very near
The love,
And you are
My love.

Let me give up
Everything
That are
In me
At this time.

Gajanan Mishra
Very Nice

I like it,
Very nice.
Meaning I
Can't explain,
Though.
Words are
Beyond my
Control.
Thoughts are
Not within
The time.
But let me say
What I want to
Say here
Before you all.
Ask not anything,
I know nothing.
Search not
What is there
And what is not
Within the body.
But see life always,
That is in pain
And that is not there
For gain.

Gajanan Mishra
Very Often My Father

Very often my father was telling me
To write poems
And be a poet
And live like a poet.
The reason is that
Poet is far ahead
Of any king or emperor.
Very often my father
Was telling me
Poets can reach
That places
Where the sun can't.
Poets know the love
And go on searching
The truth.
Poets know the value of
Humanity and life.
Poets know the true
Relations that are there
In between the sky
And the earth.
Today I understand
My father is right
And that's why
I am telling everyone here
To be a poet
At least for a day
And have a taste
Of love and life.

Gajanan Mishra
Very Pleasing

Very pleasing,
And I love
Your beautiful
Smiling face.
I love you,
And I love
Your sweet talk,
The source of life.

Gajanan Mishra
Very Pleasing You Are I See You Here

O my dear, in this material world
Always I am in fear.

You are the sum total of all beauty
O my sweet-y, You face your eyes
All are my light-y.

You are the rainfall of the rainy season
That pleased people as life-token
My dear, everywhere every time your name let me mentioned.

Gajanan Mishra
Very Rare

A good poem
Is very rare
Where I am in
Where you are in
At the same time
A good poem
Is very rare
In deed
In words
In life
On live.

Gajanan Mishra
Very Rare- India

Very rare,
Very rare - India,
Very rare
India's truth.
Very rare
India's talent.
Very rare
India's role.

India needs love,
India needs cooperation,
India needs the whole world,
India is unique,
India wants
World peace.

Gajanan Mishra
Very Sacred

Very sacred;
The Himalayas,
The Ganges,
The Yamuna,
The sacrifice,
The knowledge
With this world,
This life,

Gajanan Mishra
Very Soon

Very soon I will
Have you again
In my presence.
See my mind is
Totally absorbed
In you and free from
All other engagement.
Words revived
Words revived me
And I am pleased to
Hear your poems here.
Here it is life
Here it is love.

Gajanan Mishra
Very Thought

Very thought is Truth.
Truth is that
It is due to my lusty desire
I am with You
It is by dint of fear
Of my death I am with You
It is love and devotion and service
For which I am with You.
Truth is that
I am always thinking about You
As I see everything in You
As I see You in everything
I think always about You
I think You
This my very thought is Truth
I am also You.

Gajanan Mishra
Very Valuable

Very valuable - life,
Life has unlimited value,
Life is surrounded by
Valuable things.

Value and life,
Nothing is more
Valuable than life.

Take care life,
Life is there
To take your care.

Life is most significant,
Life is the root and
Life is the fruit and we are
All concerned with only life.

Gajanan Mishra
Very Vast

This world
Where we are
living is very vast
I know.

This time
When we are
Living has
No limit
I know.

I am here and
Now I know
I am the least of poets
And see without words.

Gajanan Mishra
Very Very Difficult

very very difficult really-
This life.
So many problems-
How to solve.
So many hurdles-
How to overcome.
And we know
We are going to vanquish
By nature's law.
Very very difficult
To understand nature.
And here we are all
Struggling for
Existence - no value, though.

Gajanan Mishra
Very Very Important

Naming and
Giving a name
Is not so important.
It is important
To make a name,
It is important
To know the nameable.
In the name only
I do not want to stay.
And I like not nameless,
And I hate name-dropping.
Name and also
Name of the game
Is very very important.

Gajanan Mishra
Very Very Near

I am here
very very near.
Feel me, my dear,
My dear, my dear.

I am within you,
I am all around you,
I am very very
Near, near, near
To you, to truth.

I am here,
Very, very near
To love, I am the love,
I am within you,
You are within me.

Gajanan Mishra
Very Well, You

Very well, you know me,
I am not able to know
You, though.
I simply know, you are
Greater, more powerful,
More subtle and have a
Wider range of activity
Than me.
Very well, you know me.
I am your instrument,
Your creation and I know
You are the doer.
I am not what you are,
But you are what I am.

Gajanan Mishra
Via Media

My body is a
temple of God &gt;
God is everywhere.
Where there is a body
I am in the body.

My body is yours
So long as I am perfect
I have right to stay.
I try myself to be perfect
You are my guidemaster
giving always a lighter.

With your light
I get my path
the path is also you
It is you my body
viamedia of my fortune.

Gajanan Mishra
Via Medium

My dear, I have a relation with You
That is the bodily relation and
The relation of the soul
Our via medium is sweet pleasing and natural
It is transparent and competent
To lead us to the right path.

Gajanan Mishra
Vibration

So many vibrations all around
Love and respect generates
Positive vibrations
It create win win situations.

Gajanan Mishra
Vibration - Discovery

It is in resounding,
It is in flowering,
It is in very living.
Still, we are going high,
To park life in varieties.
Still, we go on searching
For originalities.
We are addressing the self,
For the truth in silence.
We again search for a medium
That is love to enable us
To move forward. In slight vibration
We discover and rediscover
Everything from within.

Gajanan Mishra
Vibration Of Earth

Vibration of earth
Is called rain here.
This rain is without clouds
Without dust.
This rain is in my poems
And I am with all of them.
I am writing only
To give you a new way of life
And the life is here
As you see with this rain.

Gajanan Mishra
Vibration Only

Nothing
But vibration.
And we are all
Parts of it.
Only vibration
Is here in us.
I see nothing else
But vibration only,
That has the meaning
But not known
To anyone one here.
Let us go
With the vibration
And realize the self.

Gajanan Mishra
Vibrations

See I am living
In vibrations
Ask not any question
Though simplest
Though purest
Immovable is
Greater than movable
In vibrations
I am living
Lifestyle is
Simple and pure
I am both movable
And immovable.

Gajanan Mishra
Vice

Who is free from
Vice, come forward,
Let me see.

Take care and
Be attentive.

I am doing
Everything for you,
That are made possible.

But still, vice is
There in body
And in mind.

No one is there
Besides the self
To cleanse it.

Gajanan Mishra
Vice Of All Sorts

Vice of all sorts
Are here on this earth
And yet we called it heaven.

We called it heaven
With all positiveness in us
That are constructive always.

Let us have all good habits with us
And with all pious intention
Let us proceed forward towards Truth.

Gajanan Mishra
Victor Vanquished

Victor and vanquished
Have
No ideology
No commitment
No conviction
No future.

Gajanan Mishra
Victory And Adventure

Adventure and victory are with me always
And I am the strength of the strong
Because of You O my dear O my love
I know You are the splendor of the splendid
You are the most enterprising the most industrious
You are the most adventurous and the strongest
And because You are with me I dare to adventure
And I am victorious.

Gajanan Mishra
Victory And Defeat

I want
Not to know
About victory
And defeat
But I want to
Fight and I think
No need to stop
Fighting.
I should go on
My duty.
My duty is
To serve my mother
At this juncture.
My duty is to
Use my mother language
Everywhere here.
My duty is to
Help the neighbor
So as not to make
Them poor.
My only duty
Is to stay sincere.

Gajanan Mishra
Victory Echoed And

Victory echoed and
Re-echoed throughout
The Universe as
You are with me, my dear
You are my holy ocean
Full of sweet and
Unfathomable water of love.

You are the cause of
Rising tide, my dear
Blessings raining down
Throughout the Universe
Everywhere joy
Kept saying in free verse
With life charming instruments.

Gajanan Mishra
Victory Go

Victory go
I do not want
Figure you know.

I have the motion
to speak I like.
Jewellery shopping
Blue stone marketing
And life time
Exchange offer
All I do not like.

Victory go
I am here with my night
And for ever I want to
Stay with it
That give birth
next day a new sun.

Gajanan Mishra
**Victory Is Assured**

Victory is assured  
Since we engage ourselves  
Constantly in the works  
Of the mother, motherland  
And mother language.  
It is a true movement  
For self- development.  
No one can stop us  
In our missionary efforts.  
We are eternal,  
And our language is  
Transcendental.

Gajanan Mishra
Victory Is Destined

Victory is destined
For the people,
For the mother,
For the motherland.

The enemy of our language,
Our love, our life,
Our identity shall be killed
By the hoisting of the black flag.

Black flag symbolizes
All inclusiveness,
All friendliness,
And all welfare.

Let us back to truth and
Invest all in our language.

Gajanan Mishra
Victory Is Ours

If we are living  
we should live for others,  
If we are dying  
we should die for others.  
This life is the result  
of the grace received from others.  
This life is the nectar,  
benefits be distributed to all creatures.  
So long as we are here,  
we are here for others.  
No death can touch us  
If we are loving each other.  
If we are in truth,  
Victory is ours, it is proved.

Gajanan Mishra
Victory Is There, Get It

victory is there, get it, dear men,
By firm mind and virtues and by
Performing good deeds wholeheartedly
In the speech, thought and actions,
And prevent future calamity.

Gajanan Mishra
Victory Over Evil

Meaning of today,
Duseehra is
Victory over evils.
Let us take a vow
To conquer our
Own weaknesses.
Let us kill
The thoughts
That are negative
In our
Let us live a
Meaningful life.
With a little awareness
Let us attain the self.

Gajanan Mishra
Victory To Mother India

Victory to the Mother,
Victory to the earth,
My living God here.

Gajanan Mishra
Victory To Truth

Victory to Truth
Victory to Love.

Seize, seize, seize
It is love, love, love.

Tear the hatred up
Tear the illusion up.

Victory to Truth
Victory to Love.

It is Truth, it is love,
That reign Supreme always.

Truth is invincible
Love is All-merciful.

Truth, Truth, Truth,

Gajanan Mishra
Victory To You

Victory to You
And only to You.
You are the peace
You are the Truth.
I am Your fragment
And I am here
Only for You.
Victory to You.

Gajanan Mishra
Victory To You, O Men,

Victory, victory to you, o men, 
o, unconquerable one, 
by your nature, you are very perfect, 
full of all opulence.

Gajanan Mishra
Victory, My Victory

My victory is that
I am alive here,
You can see me.
Greet me, I am here,
In my solitude
In my aloofness.
Victory, my victory,
I am sweet, crush me not.
I am shining, watch me.
I see the night,
It is in silence.
I am alive with my wings
And I climb the sky
To touch you there.

Gajanan Mishra
View Cosmos

To view cosmos
Is beyond my capacity
I can not say also
What is independence day
I am a footpath resident
Lacking nutriment
Not having good clothes
And I am having no house
Anywhere under this sky.

I do not know what is a gas cylinder
And how its prices increases or
Decreases by Government
What is hygienic if you asked me
I am not in a position to answer
I am with moth and mosquitoes
And I do not know about anything
Except my belly.

Gajanan Mishra
View Properly

O enemies
You are really
Going to destroy yourselves
You are your enemies.

You are doing cruel deeds
You are keeping false understanding
You are your enemies
You are going towards
Your own destruction.

Look, I am here
Look, You are there
Here is your world
There is mine
Confused not
Come and see
What you are doing
You are doing for you only.

O my friend
You are really
Not my enemies
View it properly.

Gajanan Mishra
Viewpoint

Viewpoints differ,
That are mine
These are yours.
That are white,
These are black.
For that doors are opened
For this roads are opened.

Gajanan Mishra
Violence

Life is for
Peace and harmony,
Life is not for
Violence and
Violence can never
Be a policy.
My dear, be not a
Victim of false propaganda.
Test yourself
What is false
What is true.
Test yourself
Where is welfare
In general.

Gajanan Mishra
Violence - Beg Excuse

Everywhere,
And no one can
Avoid violence.

Committing
Violence is
But common.

Conditional life
Is there here.

We have to hurt
And harm others
Living entities
Or non-living one.

But we are to pray
And beg excuse.

Gajanan Mishra
Violence Against

Violence against
Innocent animals
For sense gratification
Is a sin and crime
That is unpardonable.
When one torture and
Kills others it means
He is envy of truth
Truth is soul is one
And it is in everybody.
The truth is everyone
Is an eternal servant
Of Almighty God.
Envious persons express
Bitter feelings towards
Others and they create wars
Terrorism cruel administration
Cheating business enterprises.

Gajanan Mishra
Violence And Non-Violence

I can not adopt both as you say
But let me clarify I am already
In violence and at times in non-violence
I am truthful and at times taking
Shelter of falsehood and here
Choice has no place as you say.

Gajanan Mishra
Violence And Terrorism

We can not achieve anything
Through violence and terrorism,
The only result we get
Is bloodshed.
We are not ready to
Accept ourselves
As objects of pity,
We have strength to
Drive out all enmity.
We are human beings,
With all humanity,
Truth, we try to establish.

Gajanan Mishra
Violence Free

Violence free atmosphere
Birth right of all.
Violence is violence
Age gender does not matter.
Violence a crime
Terrible crime.
Violence free atmosphere
Birth right of all
Institutions of the people
By the people for the people
Duty bound to ensure it.

Gajanan Mishra
Violence Means Violence

Violence means violence and that
Has a dangerous precedence.

Violence can not counter violence
Without the equipment of non-violence
That has a appearance in the
inner heart of soulfence.

Gajanan Mishra
Violent Midnight

Violent midnight
Eeized right responsibility.
Who is guilty?

Each party advocates
Innocency and
Not contradict the law.

It shows excess use
And abuse of power.

Here to introspect
To manage the country
To uphold
Fundamental rights
And expression.

Gajanan Mishra
Violent Storm

Violent storm
Would come to
You to disturb
Your affairs.

Violent storm is there
In its centres-
The gold, silver,
Women, fragrances,
Horses, palaces,
Sweets and meats,
Bhaang and wine.

Violent storm
Is ready to come
And take you to hell.

Gajanan Mishra
Virgin

Virgin,
Tender branch
Of life,
Like full moon
Night.

Virgin,
All dreams,
Purity in
All means
With new
Creativity.

Among so many
Let me say
Virgin at the top.

Gajanan Mishra
Our real nature is virtue,
Virtue is our real nature.
For this, we are to stay
Free from evil.
To stay free from evil,
We should not regard
Anyone as evil,
We should not do
Any harm to anyone,
We should not think
The ill of anyone,
We should not perceive
Evil in others,
We should not hear
Evil of others,
We should not speak
The evil of others.
Let us be virtuous
And do good to others.
All are there to provide
Our necessities of life.

I am my father's
Virtue personified.

Be good enough to start now
Everything that you desire.

And I know my father
Is always here with me.

I said myself
Be not wonder and wander
If you like, my dear, calmly ponder.

Gajanan Mishra
Virtuous - Each One

Each and every one
Is virtuous here.

You are my best friend
And guide and my father
And mother and all in one
And I am Your follower, my dear.

Gajanan Mishra
Virtuous And Vile

No difference
Between virtuous and vile
No difference.

Inclination towards almighty
Is the matter to count
And not the actions.

It is the grace
That makes a man pious.

Feeling of the heart is important
Being the eternal portion of the Supreme Truth.

To know the Supreme Truth and
Unchangeable Reality should be the aim
And objection. True Love.

Both virtuous and vile
Are to think.

Gajanan Mishra
Virtuous You Are

Virtuous you are
And you deserve congratulations
As because you are
Doing your works
And you are in truth.
Truth is you love all,
You love all as you know
No one is separate from you.

Gajanan Mishra
Visible

You are invisible
Present though.
You are visible
Absent though.
I find no difference
In between visible
And invisible,
In between present
And absent.
A supernatural one is
There that I agree.
Visibility and invisibility
Is there within us,
And I am there in you.

Gajanan Mishra
Visible / Invisible

Look, I am visible
You are invisible
You are fixed
I am movable.

You are permanent
I am temporary
You are everywhere
I am nowhere.

I am a ghost
I am an apparition
You are attained
You have no motion.

You are you
I am I
You are for all
I am for myself.

You have love
You love all
I am here
To fall.

Gajanan Mishra
Visible We Are

Visible we are and
We declare our presence.
Real or unreal-
Not the question
One should answer.
And we are on the way
To touch the air.
The dark - our real friend,
And we try to conquer us
In the night.
Tricks, we know, no use,
At any time at any purpose.
Every word is true we utter,
How lonely we are nothing matter.

Gajanan Mishra

To others, remember the truth,
No one is here, but your own self.

Gajanan Mishra
Vision, For What?

Vision, for what?
In dormant, let us
Not put our desire.
We are for what?
To dream,
To materialize
Our world
By our
Mystic power.
And who has
Seen what?
Let us point out
Where is the truth
And what is fruitful.

Gajanan Mishra
Visit me,
I am here.
You said.
And I heard.

But sir,
We both are
Incapable to
Move anywhere
Without the touch of
Another.

I am here,
And I said
Worry not,
I am for you.

But sir,
You said-
Our presence is
Only for love,
Only for truth.

Gajanan Mishra
Visit Parents

Non visiting is a crime
Respect family unit
Do not let parents
Stay alone in empty nest
On the plea of busy life
Visit parents
Non visiting is a crime.

Gajanan Mishra
Visualization is an error,
I know it from the very living.
The very living is an error,
I know it from the very creation.
The creation is an error
I know it from the very realization.
The very realization is an error,
When true colour is discovered.
And what is that true colour,
To answer anything is an error.

Gajanan Mishra
Visually Impaired

I have sacrificed myself for
The welfare of all creatures.

Gajanan Mishra

And I am independent and I am
Able to perform my daily chores myself.

On the sea
The sea in the sky and
The sky in me
Alive alive alive.

Gajanan Mishra
Vocabulary

Go through the vocabulary, 
Discover words that are 
Most decorative. 
The universe is being described 
With all sanctity. 
Let the crow go on pilgrimage 
And let there be peace 
In the valley of terror, 
If you so like, 
You are allowed to 
Derive pleasure. 
Life is here to 
Achieve perfection, 
The swan is there to show road map.

Gajanan Mishra
Voice Is There

Voice is there
In food,
In cloth,
In shelter.

In love
All are my
Life-river.
For them
I am tiger.
Give me something
To eat, to wear,
You are my partner.

Gajanan Mishra
Voice Of Desire

And I feel pity.

Gajanan Mishra
Voice Of Life

Voice of life,
Beneath which
Canals and current.
For this, men
Survive in
New networks
And hide in
Underworld.

Gajanan Mishra
Voice Of Reason

Voice of reason;
The touch,
The feeling,
The life.

Life;
Homeless,
Timeless,
Shameless.

But life
Is in sound,
In down.
Life-
On and off
But it is far above.

Gajanan Mishra
Voice Of The Wind

Listen, the voice of the wind,
You are to make the voice sweeter
And sweeter by your own loving nature.

Gajanan Mishra
Voice Recording

Voice recording
Through poems
Is important.
It is important
As it gives us
An idea of
The surroundings and
Your own state of mind.
Time is running away
And we are searching
Our own shadows
Within the framework
Though we know
It is not our voice.

Gajanan Mishra
Voiceless

What is that force
That drives you
To act against
The people in general.
You know what is truth
But you are not inclined
To go with it.
You know what is not right
Yet you are going with it.
Seeing your position
I am voiceless.
You are forgetting the root
And committing sin,
I see future not good.

Gajanan Mishra
Voices Of Humanity

Voices of humanity,
Voices of the truth.
Voices of the truth is
Love and mercy.

It is all humanity.

Gajanan Mishra
Voices Of The People

Is the voice of God
And what is a God
Where He lives
That I do not know.

I know only people
Of my surrounding
and always i am
Quarreling with them
And praying to God.

I know not where is He
I know You O my dear
And you in return
Trying to make me
Understand what life is.

Gajanan Mishra
Void - Nothing

Nothing is void,
Say night or day,
Say April or May.
Nothing is void,
Body or volley,
Button or bungalow.
And I am shocked
To know you are
Falling apart
With the sky
And the earth.
I am in fashion,
It's okay.
And nothing fully
Grasped, though.

Gajanan Mishra
Voidness

Voidness is the unique
Entity of this earth
Here it is complete sleep
That is indescribable
And it is original substance
The basis of material nature
No expression of words no mind
No manifestation no goodness
No passion and also ignorance
No life air or intelligence
No sense no planetary systems
No ether water earth air fire
No sleep wakefulness or deep-sleep
Total voidness disassembled by force of time.

Gajanan Mishra
Volunteer

You are telling yourself a volunteer
And extracting money for the service
Rendered by you at night.
You are telling time has changed
And You are there to adjust the time
With all fellow men here at this time.
What is relevant is your presence
You are telling and taking away the seats of others.

Gajanan Mishra
Vote

Vote is important
Voting is crucial
To vote is birth right
Abstain from voting is
Sin as said by some
Vote and take note
Is foul play
Take note and vote
Is a way of corruption
Anyway you are to vote
Vote to whom how
Vote for why
Know clearly and say
Good bye to those
Who are hungry angry
On the way of your
All round development.

Gajanan Mishra
Vote - Confidence

Vote - a confidence,
Feather of development.
Vote - never a
Cut throat competition.

Casting vote,
Not mean
Rejection of others.

As usual,
Rascals are there,
But no one can
Harm your purpose.

All substantial,
All not cruel,
All truth-fuel.

Gajanan Mishra
Vote Bank Policy

Are you below poverty line
Take 30 kilos rice / wheat
Take five hundred rupees
Take Indra awas house
Take Khadi cloth
We are for you
Give us your valuable vote.
And what more?
We do not want to make you skilled
And what is the value of that
And we are not here
To skilled you in some trade.

Gajanan Mishra
Vote For Woman

Vote for woman,
Woman can lead,
Woman can give you
All success.
Vote for woman,
Woman can nurse you,
The woman knows the truth.
Woman, the only choice,
Who can take you
On the path of progress.
Woman can explain
What you are in fact.
Abuse not woman,
And see what she is.

Gajanan Mishra
Vote Is

Vote is more than anything,
Let me say everyone everywhere.
Vote to a qualified one and
Not to any so-called hero or heroine.
Vote is greater than anyone,
Whosoever he may be.
Dear men, vote to one who is
Ready to take you on the path of progress
With all sincerity, honesty, and transparency,
Through the colorful light of conscience.

Gajanan Mishra
Vote, Vote, Vote

Vote, vote, vote
Caste your vote.
Ask not the worth
Of a vote.

Winning and losing
Is not a matter
It is whether you are
All with us or not.

We are all one
And hence we have
Struggled for suffrage
Universal suffrage.

And it is our freedom,
It is the way to own kingdom.

Gajanan Mishra
Votebanks

Womb to tomb
Vote banks run
Forget versions
Come with handshake
Are you no hungry
Reply in negative
And every day we
have to search for hand-set
That help us for
Dam road school-building
Nothing required
We must assured
And this is the irony.

Gajanan Mishra
Voter

Asking for vote
hate me love me
give me vote.

Take me where
you want
give me chance
to serve.

Not wise to
go anywhere
uncalled for.

Cast vote
enable me to go
where you wait for.

Gajanan Mishra
Vow

You are making a vow
But for what I don't know
You are trying to
Waggle the time I know.
Vying clouds are there
That I see under the sky
Is it not vulnerable
That I don't know.

Windmill are there
And I supposed to
Withdraw myself from
All the incidents
Of the evening
The vow has no meaning
That only I know.

Gajanan Mishra
Vox Populi

Congratulation, Arvind kejriwal.
I congratulate you on behalf of all
Honest and sincere committed people
Who dare to open their mouth and
To speak the truth openly and flatly.

Life is nothing when truth is there
Before us and to speak the truth
Is the birth right of all that
We are not enjoying so far
You are truly our star.

Truth is eternal not our life
Motherland is sacred with the mass
Not the parliament where the murderers
Looters rapers assembled by
Hook or crook by money and muscles.

Congratulations, Arvind congratulation.
Anna Team is as such made an ideal
And the real words of the masses
It is the Vox-populi of the
Common human race.
Let us again congratulate.

Gajanan Mishra
Vrindaban

Vrindaban - here it is
With Banke Bihari - Lord Krishna,
Nandalala with Jasoda meiya.

Gajanan Mishra
Vrndavana

Vrndavana-
My home.
Tapovana-
My house.
Heaven -
This earth.
I invite you all,
To the place
Of my origin.
The road to my
House is safe
And easy.
Come on with
A poetry.
And take a tea
I am waiting for you
The entire night.
Live life here
But with austerity.

Gajanan Mishra
If I am doing any harm
To anybody here at any time
Or I intend to do that
Let my flesh be eaten
And my blood be sucked
By the vulture.

If I am not living for
The benefit of others,
Not living for the welfare
Of all then let me say
My life is fruitless and
Let me go to hell.

If I am not giving
Water to the thirsty,
If I am not giving food
To the hungry,
O my dear, I have no right
To live here.

Gajanan Mishra
W, - You Are Right

- You are right,
When you said
We are born to wander.
And you said
Time is transfiguring us.
And you said
Beauty is born.

Let me say
I do love
But you said
Love vanished.
And I added
Nothing to worry.
And you said okay.

Gajanan Mishra
Wage A War

Against You
And this is
The call of time.

You are missing
Yourself here
O my dear
Set the time
And get yourself
Shine.

It is your duty
To fight against time
My dear and live
Like a hero
Show your might
In the war against death.

Gajanan Mishra
Wage War

-1-

Wage war,
It is righteous
To wage war
To eliminate evils.
Abandon your weakness,
O my dear, and go on,
On the right path
And declare war,
And go on fighting
Till you win.
Going backward in war
Is impotence.
Go with war
And see, peace is there.

-2-

Do you want peace? really!
If it is a fact,
Then be brave, my dear,
Be clear in your heart,
What you want.
But you have to win.
To be a winner
You have to fight
Either way.
War is a must, remember,
And for war
You have to sacrifice a lot.
To get things done, you have to know,
East and west, black and white and the distinction.

-3-

Here, let me clarify
What is evil.
Evil is always evil,
And that should be eliminated.
O my dear, you just
keep yourself detached
From the things and persons
That are with you
And know the truth therein.
Perceive falsehood, my dear,
And wage war against fraud,
Dishonesty, treachery and qualities of
Un-manliness that has disguised itself
And kept you far from truth.

Gajanan Mishra
Wait
Wait and
Wait and observe
Observe
Observe and see
See
See where
you are.

Wait
Wait and observe
Observe and See
See and say
Say a few words
The word that is
Yours and Yours
And Pure
And Pure
You are sure.

Gajanan Mishra
Wait ! Wait !

Wait ! wait !

Let me see You first
And You are the time
Let me see You first.

I am not the coward
Who can sleep or fly
Wait, let me see You first.

I am in time, see
Let me sacrifice
Let me face he challenge
Here it is.

Wait  wait
I am with proper words
Preparing myself to fight.

Gajanan Mishra
Wait And Do

Wait and do
What is needed.
Realize the Truth
And know who are you.

Don't be envious
Don't be mischievous
It is dangerous
Only to you.

Gajanan Mishra
Wait and observe,
Everything is changing
at every moment here
with all.

Bad and good are
our words, and our words
have no effect with nature,
caution is here and utter.

Read yourself
if you want to read
Take yourself
if you want to take.

Remember, it is you
and besides you
no one is here
nothing is here.

Classify not,
Classification is not real,
Wait and observe
All are going on same reel.

Gajanan Mishra
Wait And See

Wait and see and catch,
The truth is there.
Stay fair and take care,
Be happy with the smile
Of the star.
Know your own base,
Inhale and exhale
Your own air.
Life is not meant
For warfare,
It is your duty to
Acquire and share.
See your own body there,
Is it not bare?

Gajanan Mishra
Wait and wait
And in your waiting
The sea stops
Playing with waves
And you can see
The clouds in the sky.

The sky is always there
Just waiting for you
And I am here
Writing all for the sky
And see, you are in the sky
Knowing fully well
It is none of your business
To interfere in bird's fly.

Gajanan Mishra
Wait And Wait For Me

Wait and wait for me
O my dear I am here
With You always
And I am available in time
If You call me honestly
I will be present.

Just wait and wait
Waiting is important
In waiting you will get
The scope of getting
Everything that are
With You in You.

Gajanan Mishra
Wait And Watch

Let us wait and watch,
What is going on
And what we are.
No one is allowed
To go far.
We have to stay
And see the star.
Let us take care and be fair.

Gajanan Mishra
Always I want to  
Help you, you told.  
But where are you?

You are helping me  
Always everywhere,  
But I failed to  
Find me with you.

You are there  
To show me the light.  
But I am here in my dark.

I do agree with your proposal,  
And I am ready to take you  
Anywhere you want,  
But wait and watch what you are.

Gajanan Mishra
Wait And Wonder

Eait wait and
Let me clear
Wait wait and
Let me wonder
Wait wait
What's that
I wander.

Gajanan Mishra
Wait For A Moment

Wait for a moment
And see the shadow
In the sun. Wait.

This is my sun
The sun is within me
See the sun and
Its shadow.

No sun no shadow
You can say bluntly
I am here to explain
Again beautifully.

Gajanan Mishra
Wait Not

Wait not,
No one is waiting.
On the pace of time,
We see life's rhyme.

The fragrance
Is everywhere.
And the theater
We visited
Not for us.

But wait,
Wait to ascertain
The correctness of
Name and fame
With extravagance.

Gajanan Mishra
Wait Not, Watch Not

Wait not, watch not,
Time is short.
We dare not to love.

But love is there -
The controller of life.
Love never hurts.

Love is not
Anyone's private property,
Love has no ill motive.

Love enjoy giving,
Love has no knife
But where there is love,
I must say
There is peace.

Gajanan Mishra
Wait There Where You Are

I am reaching,
Wait there where you are.
Distance no matter,
I can cross over
The air and the water.
In some way or other
The sky put some barrier,
But I am not worried,
I know I am fulfilled
So long as My mother is here.
Have you seen my mother?
My mother is your mother -
The earth mother, and all
Creatures are our brother, sisters.

Gajanan Mishra
Wait, I Am Coming

Wait, I am coming,
and coming to you soon.

See not that watch,
That is treacherous.

Go beyond it
and wait, I am coming.

I am coming and you
must wait till my arrival.

You need not waste
your valuable time
to search me.

See me and wait
I am nowhere else
but I am within yourself.

Gajanan Mishra
Wait, I Am Reading

Wait, I am reading your face.

Wait, I am reading your body.

Listen, I am telling who you are
And what is your condition now.

Tell me, am I right?
You are Truth conscious that I know.

I am transforming you with all goodness
You may called it transcendental ecstasy.

Gajanan Mishra
Wait, I Am Returning

Wait, I am returning,
Returning to you, my dear.
On my return, I would bring
Everything for you.

I know whole is with you,
And as such let me appeal you
To wait, wait for a moment
And within a moment
Everything si going to change,
And in that change
No one will remain here
Except your own self
And except myself and it is
Going on in this way since long.

Gajanan Mishra
Wait, Let Me Do

Wait, let me do
What I want to do
Here with you.
Never say, no time,
Time is not ours,
We are not under the time.
Wait for me, wait not for change,
We are going with the cycle
Aiming at that unclaimed.

Gajanan Mishra
Waiting For Colour And Light

For colour and light  
We are waiting here.

Glimmer of our life  
Drives out our fear.

We have so many echos,  
We have so many sounds,  
Syllables and letters.

Teach us how to touch the heart.

Gajanan Mishra
Waiting For The Last Man

I am waiting for the last man
With red cloth hammer star sickle
With hammer plough gun candle
I am waiting for the last man.

Gajanan Mishra
Waiting For You

Important is message
And not your presence.
Your presence is
Sufficient here to
Enable us to move
Forward with message.
Come on, and see
How we are waiting for you.

Gajanan Mishra
Waiting is interesting
Dying is interesting.
To wait is to meet death
To die is to conquer
To conquer is to confront
To confront is to live
To live is to wait for death.

Gajanan Mishra
Wake Me

Wake me
Wake me from
Distressing nightmare
From troublesome dream
Think me not
A miserly rascal
I want to wake
From the present
Materialistic life
Wake me
Wake me from this
Hellish life
Of sensual and
Temporary enjoyment
And enable me
To advance to devotional
Service to Truth
Of permanent peace
And bliss.

Gajanan Mishra
Wake Up, Wake Up

Wake up, wake up, wake up,
My dear men, wake up.
It is the right time
To wake up.
Wake up and
Get ready to fight,
At any moment, my dear.
Wake up and wake up,
Wake up and rise.
Rise and fight,
Fight for your mother,
Fight for your motherland,
Fight for your mother-tongue.
Wake up and enjoy life.

Gajanan Mishra
Wakefulness

I perceive
I perceive You
I perceive You through
My wakefulness through
My sleep through
My deep sleep.

You are distinct
Distinct from everything
You are uninvolved
You are pure consciousness
That I perceive here and everywhere
In all actions in all reactions.

You are the ultimate destination
I am the river You are the ocean.

Gajanan Mishra
Wake-Up Call

Yes, it is a wake-up call,
From now on, let us come
and use our everything for public
good to ensure a better future,
O men, see others as yourself
and hear the wake-up call.

Gajanan Mishra
Walk Not, Walk Not

Walk not, walk not,
Life is nothing
But a race of time,
Walk not, O life
Between the fire
And the priest,
Walk not, O life
Between the husband
And the wife.
See the time, it is
There as before,
Without the setting,
Without the rising
Of the time.

Gajanan Mishra
Walk with a child
and perceive all beauty,
talk with a child
and get peace,
stay with a child
and get beautiful
atmosphere of life.
Child is God-like,
Share your joy, my dear,
and be a man of wisdom.
Child is the divine image,
remember, and salute
the child's mother,
Creator of God as near and dear.

Gajanan Mishra
Walking And Flying

Walk walk and walking
Fly fly and flying
I'm swimming
I'm diving.
In earth in air
In water in sky
In fire in light
You are my only master
Being present everywhere
And in all times.
I'm the son of the light
I'm the hero
I can do whatever work
Allotted to me
With sincerity and honesty
And I get victory.

Gajanan Mishra
Walking In Nature

Walking in nature
Taste what is
There here and
Get relaxed.

Share love
Blessing and
Joy, my dear and
Feel life not perplexed.

Gajanan Mishra
Walking Out

See me,
I am walking out.
Do, whatever you like
You are free.

I realized
The truth and
Let me say
Your teaching has
Something therein.

Tell something more
About those things
That are there with me,
Know that your telling
Is your learning here.

Gajanan Mishra
Walking With

Walking with bent back
The ancient lady
Was looking for
Pearls of her
Youth years
That was lost.

Gajanan Mishra
Walking With Eyes

Walking with eyes
Is free from danger,
Not always, though.

Speech is good,
But you are to
Practice first
Before the mirror.

Memory is good,
But can kill you
With the waves of
Thought and language.

Noun and pronoun,
All are here together
To love nature.

Natural garden is
This life with you,
Flow with it
Good atmosphere is
Ahead.

Gajanan Mishra
Wall Has No Work

Wall has no work,
Please be aware of
The global nature.
Wall has no work,
Since all are in
Peace and stability.
One earth, one humanity,
One air, one light,
What for discontent,
What for the wall and
What for enmity.
Do serve the people,
And harm not to the world
And to this civil society.

Gajanan Mishra
Wall In Sky - No Use

Wall in sky - no use,
Men, animals and birds,
See all are free.
The air and the light
All are one and the same.
Love is the only language
Here with the flowers
Of this earth.
Nature is the truth,
Friendship is energy.
The creatures are distributing
Nectar and they are everywhere.

Gajanan Mishra
Wall Of Air

Wall of air,
Wall of water,
Wall of fire,
All walls are there
In me and I crossover
All walls.
But the wall of the sky,
Crossover me,
And I became concrete
With everything.

Gajanan Mishra
Wallowing in worldly cares and concerns
Is chaining down ourselves by attachment.

Really this is no love for anybody
Anybody means only You my dear.

I know You are in silence
I hear Your Divine Voice in silence
Not in the noises of the world.

Let me allowed to touch the depths within
That in silence and let me get peace.

Gajanan Mishra
Walnut

Everything within the universe
Is within Your grip, my dear
Everything and everything
That are created in the past
That will be created in the future
That are being created at present
Everything and everything.

Gajanan Mishra
Rightly said
By you;
The flowers
That blooms
In adversity
Is the rarest
And most
Beautiful of all.
I feel it
Here in life
On this earth
And hence let me
Say and add it is
The truth.

Gajanan Mishra
Wander Care Free

Wander care free, my dear
By renunciating all and
Find highest auspiciousness.
Do not misidentify
Your body as your self
and wander not with falsehood.

It is You who is the truth
It is You who knows truth
It is You who is staying with truth.
The earth the sky the water
The wind and the fire all are truth
As You are with all wandering care free
The truth and nothing but the truth
And I am here as Ultimate Truth.

Gajanan Mishra
Wander The Earth

Let us wander the earth
With the question
What is the highest good
What are the religious principles
Natural proclivities
Behavior speech outward symptoms
External energy and how to
Dissociate from illusion
What is the true identity of truth
Various types of actions
Aim or destination colors forms
Let us wander the earth
Seeing all gross and subtle
And observe the movement of all.

Gajanan Mishra
Wanderer

O wanderer, where are
You going, tell me and tell me
What are you doing at this time.

O wanderer, I am here to show you
How stable you are and I am here
To remind you about the calmness of your mind.

I know your poise and clarity of vision
And it is for food you wander here.

Gajanan Mishra
Wandering Tide

I am the wandering tide. 
I am here with you 
Day and nights. 
You are my flower-heart, 
I am keeping you 
To map out my trouble area. 
I am your song 
That is longing to be 
Sung by you. 
I am your purple fold 
That needs to be opened 
By you with the tender 
Touch of love 
And the truth.

Gajanan Mishra
Wanderlust

I want no one
But you.
Please come in.

I know I am
An embodiment of truth.

And I am unaltered
That also I know.

Consolidated bliss
Is here with me.

Identification mark
Is also here.

But I am in wanderlust,
In this wonderland, though
You are here at this time.

Gajanan Mishra
Wanders And Wanders

Try to know what you are telling,
Try to know what you are doing.
Try to know what for you are here,
Try to know who you are my dear.

The wind is there as before,
The sky is there as before,
The flower is blossoming as before,
The bird is singing as before.

But the river has lost its glory
And the man has forgotten his own story.
The cloud has changed its colors,
And the man wanders and wanders.

Gajanan Mishra
Want A Body

What is a body
That you want.
Is it a vessel
And you want to sail.

What is sailing
And I say
It is just living
Morning and evening.

And I am going
With you, O my dear
Just show me the door
That I want to go and go.

I want to go
With this body
And the body is yours
And I am not a whore.

Gajanan Mishra
Want Not That Is Not Necessary

Want not that is not necessary
O my dear, according to the needs
Please take charity and
Entangled not yourself in
Sinful activities.

But remember my dear
The purpose is not sense gratification
But sense realization
Control your senses and
Be self-satisfied.

Gajanan Mishra
I do not want to
Live any more
I do not like to
Explain the reasons.

True is that
I am not free
True is that
Everything I am
Getting in a click.

True is that
I do not know
What exactly I want
For me living and
Non-living are same.

Gajanan Mishra
Want To See

I want to
See your hearts,
Open it just now.
I want to
See you
Open the door.
But I find
No heart in you. How?

Gajanan Mishra
Wanted Dead Or Alive

Wanted dead or alive
But for what
I can not say.

Yet I want you
And I know You are
Neither alive nor dead.

I am doing right or wrong
That I can not say
Reason is beyond my knowledge.

Gajanan Mishra
Wanted; A Poem

Wanted; a poem
Poem overcome
Trust deficit
Poem provide
Life breath
Poem guiding star
Poem not far
Poem fire
Destroy life's
Dark car.

Gajanan Mishra
Wanting To See The Cm

I want to go to Bhubaneswar again,
I want to see the CM directly at his nivas,
I want to ask his views on language
and livelihood of the people in general.
I care not anyone else but the common people
and I respect their languages.
I want to place their languages
in courts and offices that are for them.
Pardon me for wanting to go to Bhubaneswar
and wanting to go to the CM
who cannot bring my land to the future.

Gajanan Mishra
War

War started
Since the beginning
No loss no defeat
Just bear the pain
For the time being
The role you have played
Has got importance
At the end
Just wait and see
War started
Slaughter continued
And it is you to
Point out who is
Your kith and kin
Since you yourself
Not within.

Gajanan Mishra
War - Outdated

The very word war
Is outdated on this day,
Go not for war,
In no way war is
Helpful to anybody.

See, love is here,
Evergreen, as before
The very love makes you
Lively and keeps you
Intact everywhere.

It is love
That brings us here
And not war, war is
Going to destroy us, my dear.

Gajanan Mishra
War And Poetry

War and poetry,
War and peace,
War and life
Cannot go together.
But we are here
With both at this time.
We know we are in
No fly-zone.
They claim
They have acquired
The sky.
But we claim
The sky is free,
Free for all.

Gajanan Mishra
War And Woman

Hurt is a must
If you go with woman
Loss is a must
If you go with war.

War and woman are same.

Without woman
No war is there
Without war
Woman feel shame.

Woman and war are same.

Gajanan Mishra
War Is Declared

War is declared,
Fighting is going on,
Soldiers are dying
Like anything
From both sides.

But no one is
Permitted to attack
The whole state,
For the fault of
A single man.

Stop killing
Innocent citizens,
Who are not offenders
Giving any name to them.

Gajanan Mishra
War Is Going On

War is going on
Always everywhere
Within and outside,
And within that war
I am searching You
And You are at the forefront
Giving signal for peace
And peace is with in the net
Of the war that is there
Within the heart,
It is with us how far
We are preparing to reach
The place of our destination
That is not anywhere.

Gajanan Mishra
War Is There

War is there,
Both inside
And outside.
Sir, analyse it
And do the needful
For the interest of
All inhabitants.
Everything is ours,
We must remember,
The loss and the gain.
Each one is ours
The friend and the foe.
The men, who are inside,
And the men, who are outside.

Gajanan Mishra
War Of Words

War of words
Is in the fire.
Take care to exchange
Thoughts in silence.

Mirror is there,
See your face, dear.
Your name is there
In the air, please hear.

Leave not the place,
So long as the place is there.
Fight not the star,
Only with words.

Gajanan Mishra
War Over Water

Water is life,
The very basis of
Friendship is water,
That is life.
If you are a terrorist,
I must not give water.
You are the enemy of
Entire humanity.
You are a killer
And cheater.
How can I give water?
You should keep
Your heart clear
Come to me, my dear.

Gajanan Mishra
War War War

War war war
We are busy always in war
And are killing all our men.

No gain but only loss
Still we are attacking our boss
And we are inviting our own fall.

Live and let live we have forgotten
That is our whole tragedy and
Prove of our utter frustration.

We have no love no affection
We are in distressed by separation
We see nobody who is here to give protection.

Gajanan Mishra
War War War - For Greater Benefit

War war situation,
War like situation,
Study the situation
And take action.
Take action and
Kill the snake
And take its poison.

War war war,
War is everywhere,
But in your,
You must show
Your love
Towards humanity,
For greater benefits.

Gajanan Mishra
War Water

All men equal
No difference in
Religion caste creed sex
Rules regulations languages
Low middle high
Nothing like that
Man love man
Watertight compartment
Is not anywhere
Nothing to indulge
In war
Air is there in the air
Water is in the earth
War for water waiting path
Save water for future
Generation and fellow beings
Only love of humanity
Save us from the tragedy.

Gajanan Mishra
War, Death, Destruction

We are cautious,
War, death, destruction.
We are cautious,
Poverty, dust, situation.

We are ready to show
Our real face,
We are human beings,
And we receive the grace.

We are one- all human beings,
We are for peaceful cooperation,
We are in love and in truth,
We are here for all welfare.

We are cautious,
We think good and not concuss.

Gajanan Mishra
War, Not Far

Exactly
what is war.
Not knowing
Not recognising
fair-weather enemy
and go on fire.

I do not know
without enemy
how do you live
I do not know
without enemy
what do you do
And I do not know
who you are
and how to
tackle the war
that is there
with you with me
and not far.

Gajanan Mishra
You are all
Going towards war,
But for what
That I know not.
Are you going
Without men?
No fly-zone
For what?
You are pulling
And pushing the common
Men for what?
War, war, war,
For what that
I know not.
We, the common men
Want some rice
Or a bread
Only two times a day.
We care not,
We have no time
To think about your
War-plan.
You are all going to
Destroy our peace life,
For what?
Tell me, my dear leaders,
Have you any right
To play with the life
Of common men like us.
We are no way
Connected with
Your plan and procedure.
Stop your nasty design
And save men and creatures.
You have no right
To interfere nature.

Gajanan Mishra
War-Game

Players are
Politicians
Sufferers are
People in general.

War-game
Domestic to
International.

War-game
You are to
Pass the buck
Just ride over
The crisis
And move on.

War-game
Both side
Fire and fire
Be prepared
Again and yet again.

Gajanan Mishra
Warmth And

Warmth and,
Warmth and understanding,
Where it is
Please tell me.

Kindness and
Kindness and generosity
It is all only
In my dream.

Men,
Betrayal is
Always with us.

Let us learn to
Say no
Straightway, please.

Gajanan Mishra
Warning

1

Warning,
Who cares?

Anyhow
We want
To remain
On screen.

2

I know
Nothing mine.

And still
I want to
Swim
On the screen.

3

Make in love
Make in truth.

I know
Holy and
Unholy
Hell and heaven.

4

Still I
Fear death.
Why?

Still I am
Unable to love
All.
Why?

5

Seeing everything
I am forgetting
Who am I.

Father?
Brother?
Son?

6

I am forgetting
The real link
And facing
The whole trouble.

Warning,
Who cares?

Gajanan Mishra
Warning - Face Deportation

Learn the language of the land
You are staying and doing business
And enjoying power or face deportation.

Gajanan Mishra
War-Poet

I do not like to
Say a war poet.
Today, I know,
War has lost value.
No war and no peace
No meaning saying so.
But we want peace,
It is how? you asked.

Gajanan Mishra
Waste

Purposeless education is waste
Man without proper education is waste
Education without practical use is waste
Without a general or commander army is waste
Without a husband life of wife is waste
Without love and affection life is waste
With diseases with drugs body is waste
No time table no prayer to almighty
Everything is waste total waste sheer waste.

Gajanan Mishra
Waste not efforts
Waste not, 
Waste not efforts 
And energy 
In unproductive works. 
Stay focus 
By smooth sailings.

You are your 
Best friend, remember. 
No mountain high enough, 
No valley deep enough 
That can topple you.

You are all truth, 
You are what I see you, 
Stay committed to all good.

Gajanan Mishra
Waste Not Time

Waste not time
By reading and hearing false
Propaganda and false
Glorification of unqualified
And bad men.

Gajanan Mishra
Waste Not Your Time

Waste not your time
Come soon with me
I am here the Supreme.
I am here watching
And I am here making
All out arrangement
For all beings.
Come soon in time
You can not say
You are here without me.
Say something about the Truth
If you can and it is unending
Enjoy the wonderful pastime
And feel I am here everything.

Gajanan Mishra
Watch

Watch and be sober
You are the light
And son of the day
Have faith
And love.

Gajanan Mishra
Watch And Learn

Watch and learn
From woman.
The woman is open
And ever ready.
Woman is not
Actually weak
Weak is man.
Woman has
Inner strength.
Woman is woman
More than man.
Watch and learn
From woman.

Gajanan Mishra
Watch And Watch

The man is there
Alone, watch him.
The man travels
Far, watch him.
Watch the man,
He is incorporeal.
Give the man scope
To rest in the cave
Of your heart.
Watch the man,
To watch the man
Is conducive to
Your happiness.
Tame the mind, men.

Gajanan Mishra
Watch It And Say

Watch it and say
What is in the center.

Say and take
If it is not fake.

Gajanan Mishra
Watch Me Pass

Watch me pass
And rescue from
Waters in the bottom
Till the push and
Pull game over .

I have my own world
In set off
I have my actions
Performed that has
Already finished.

You can't say original
In this boar-world
Within these elements
Senses and hearts.

Gajanan Mishra
Watch The Changes

Only a moment more,
You can see me.
And after that
What will happen,
I am also not capable
To say you all.
This much I can say,
Make yourself free
To study and to know
The truth, my love.
Is the earth true?
Is the air permanently
Reside here?
Are sure about
The components of water?
What is fire
And what is the flame? ?
Wait, just a moment
And watch the changes.

Gajanan Mishra
Watch The Film

Watch the film
It is life
Watch the life
It is film
Search me out
I am in between.

Fashion styling
On line
Cloud computing
On line
Search me out
I am in between.

I am here
Harness my power
I am here
On your tower
Tell your address
I will reach there.

Gajanan Mishra
Watch The Race

Watch the race
Here is the hare
And the tortoise
It is funny for the hare
And a serious game
For tortoise.

Gajanan Mishra
Watch The Self

Watch the self
At least try to watch.

Everything is changing
At every moment
But the self remains the same
Always as it is.

Gajanan Mishra
Watch The Story

Watch your 
Own story 
Within you 
That is 
Changing on 
Daily basis.

Make a daily 
Routine to 
Watch sincerely 
And observe 
Your motion 
Forthwith for 
Going ahead 
With reasons.

Reasons not 
Disclosed and 
You are the victim 
Here for nothing.

Nothingness is 
With you, see 
And have a 
Clear view 
And discover 
The truth 
That is within you.

Gajanan Mishra
Watch Your Own Thought

Watch your own thought, my dear,
It is the big robber -
Always trying to rob you,
Your all happiness.
Keep faith on everyone, and
Make everyone your friend.
Each one is your part and parcel,
Just understand, my dear son.

Gajanan Mishra
Watch your thoughts,
Control your tongue,
Guard your actions
Stay free and happy.

Judge not any one
By outward appearances,
Keep patience and
Get the truth and love.

Gajanan Mishra
Watching

Someone is
Watching you,
Watching- what
You are doing.
Watching- how
You are going.
Watching- why
You are here.
Watch over yourself,
Watch out yourself,
Just like a watchman.
Nothing but to
Watch is not a
Small or minor work.

Gajanan Mishra
 Watching The Situation

Stay silent
Watching the situation.
Go ahead
Towards vanishing point.

Paint the life
In so many colors
Already there.
Through holes
Push your card
With care.

Change the name
And address for
Your own convenience
And early clearance.

Both solar and
Lunar is pressing hard
For a song
And the song sleeps.

At ground zero
All welcome all,
And we run to connect
The world with
All nothingness.

Gajanan Mishra
Watching TV

Watching TV and
Writing poems on line
Harms in many ways.

It is sure
It is not waste of time
But it is sure
It is lose of eye-sight
And it is sure
It is lose of money.

In one way
Or the other
I am watching TV
I am writing poems
Or doing any other things
Means I am
Establishing myself.

You can not term
It Love you also
Can not say nature
Everything is
Contrary to Almighty.

Gajanan Mishra
Watchman

Watchman,
Day and night are
Two watchmen here
And they are
Entrusted with
The duty of guarding
All creatures, my dear.

Let us test ourselves
In the fire of wisdom
Let us stay firm
In the love in the truth
That is the ultimatum,
O my dear, and let us
Have courage to face the time.

Time is there
In day and nights
And we are all here
Under the purview of
Day and nights with
Our smiles with our tears
Remember, everything is here only to bear.

Gajanan Mishra
Water And Ice - Different

Water and ice - different
Though one - to say in common parlance.
You and I - one
Though different - to say at once.

It is nothing but the truth
I know there is nobody besides You.
You and You only are here to finish
The game of death in the form of life.

Gajanan Mishra
Water And Milk

Sips both
Water and milk
Enjoy life
It is big
And full of
Pleasures
O my dear
You are body
You are the body-owner.

Gajanan Mishra
Water And Milk And Dust

Don't keep the dust up
It would rise to your head.

But let me distinguish
Between the water and the milk.

Gajanan Mishra
Water And No Water

Water and no water
Light and no light
Air and no air
Let me stay fair.
I am searching life
Life is here in me
With knowledge eternity
No illusion but reality.
What's the problem?
No problem. I am with truth
To achieve truth is
The ultimate goal of life.

Gajanan Mishra
Water And War

Water and war,
War and water.
And it is all
About life only.

Life is in conflicts
Always everywhere,
And it has a relation
With air and earth.

All sky and all lights
Are there in water,
Without water how can I
Say anything about life.

Thank God, truth is here
In water and only in water.

Gajanan Mishra
Water And Water

Give me a drop of water
To drink in this summer.
Summer and summer
Take me from here
Save me giving a shelter.
Shelter and shelter
Give me some food
You are my filler.

Gajanan Mishra
Water And Word

Both start from
Inner feeling of life.
Both are here
To start your life
Again in a new way.
Water and word
Both are here
And both make life
As per their colour.
I like to drink
Pure water and
So also I love
Sweet words to make
Them my life-partner.

Gajanan Mishra
Water Belongs

Water belongs
To the sea,
Water comes
From the sea.

I belong to you
I am yours,
There is only love
And nothing else.

Love holds us together
O my dear, I am
Within You, going from
And coming to You.

I am not separated
From You, at any time
At any situation,
I am You.

Gajanan Mishra
Water Crossing

Water, water, water,
Water is crossing
the border.
The border is
far away from me.

I am here with this poem,
This poem is not mine.
I am not a native
And I dare to count
the sands of the ocean.

And water is giving me
assurance to come to me
in proper time at proper
place to resolve its own dispute.

Gajanan Mishra
Water Drop

Water is life
And life in water.
Water from rain,
Rain from sacrifice.
Sacrifice from the action,
Action from truth.
And truth is there
Necessary for our life.
Life is in a water drop
We are here hankering
For a poem in love.
We need song of a bird
And the bird is there
In dazzling forest-life.

Gajanan Mishra
Water Element

The sea the river
The rain the fog
The dew the cloud
All are one
No difference at all.
The air the sky
The time the space
The sight the map
All are one
No difference at all.

Not putting any question
I got everything
Not getting anything
I said O love I need nothing.

Gajanan Mishra
Water - Everywhere

Water element in wave in ocean
In cloud in steam in fog in dew
In river in ponds and everywhere
Only difference of forms
Only difference of opinion.
Water water water and water
Everywhere water in the body
In the house in the tree in the sky
I belong to water
Water not belongs to me.

Gajanan Mishra
Water Flows

Let me say on water flows
See my life that is not slow.

All illusive fair feeling
All crisis are long term vanishing.

Are you shocking?
And shocking has nothing to do
When we all are missing.

We are all culprits here
Tragedy is we judge ourselves.

Despite so much imports
We have nothing to support.

Important point to note
No pin pointed survey as yet
And all the doors closed suo motu.

Gajanan Mishra
Water I Want To Drink

Water I want to drink,
I am within the water
I do admit.
Food I want to take,
On the heap of food
I reside, I know that.
Air I want to inhale,
So many airs are there
Here see in this well.
I want to raise my head,
I tried a lot but I failed.
I want to cross over
The lake and the wall
But in my vehicle no fuel.

Gajanan Mishra
Water In Fire

Water in fire,
Land on water.
Appear factual,
Unreal, though.

All-attractive life
In the air,
Nomenclature to be
Understood, fair.

What is original,
Matter of research.
Satisfaction is to
Be observed.

In water,
In air.

Gajanan Mishra
Water Is Fire

Water is fire
Fire is water
See no difference.
Fire is cool
Water is hot
Nothing permanent.
Air is in the sky
The sky is in the air
See them on the earth.
I am the earth
Earth is in me
And it is in sunshine.

Gajanan Mishra
Water is flowing
Life is running
Rock is fixed therein.

Higher and higher
You are superior
No earlier no later.

Rock is fixed
I am dying
You are waiting.

I know nothing
Except knowing you
And you are in all
All in you.

Gajanan Mishra
Water Is Flowing Within

Water water and water,
Water is flowing in the river,
And river is within me.

I am the water and I am
flowing in my normal course
in the bed of time.

River is okay
It is the water
that is dirty.

Time is okay
It is I
who is defiled.

With the flows of time
See me, my dear, I am pure.

Gajanan Mishra
Water Is My

Water is everything
For me, my health, my life
My soul, my love and
The truth of my life.
Water, water, water,
Give me some water
To clean my hands,
To clean by body,
To prepare some food,
Give me some water
As my life is there
In water. And water
Is there in clouds,
Water is there in me.
I cannot live without water,
Clean and fresh water
Is but the necessity of life.

Gajanan Mishra
Water is the truth,
Not the river,
Not the clouds.
Truth is life,
Not the body,
Not the mind.
Control water,
Control life,
Through self-consciousness,
Through kindness,
Through purity,
Through patience,
Staying free from greed
In eternity.

Gajanan Mishra
Water Is There

Water is there in river,
In ponds, in sea, in lake,
In clouds, in house, in my body,
Everywhere, everywhere, water, water.
Some say water is life and life-water.
Life, like water evaporates
And again return back with time.
Time is friend, time is also the enemy
And We are all in its circle.
No need of sun or the moon,
Life itself is burning and drowning
As directed by time.
Time and water are both one and same,
Here it is and here it is not.

Gajanan Mishra
Water Itself

Water itself
Is not the cause of
My unhappiness,
It is my thirst
That makes me unhappy.

This world is beautiful
And fine and it is
The attachment to
This world that causes pain
And makes me unhappy.

Gajanan Mishra
Water Kept

Water kept
In a cracked pot
Leaks out
Use of wrong words
Diminish you
Don't shout.

Gajanan Mishra
Water Pervades Everywhere

Water pervades everywhere under the earth
Water can be received from a well
Likewise, my dear, You pervades everywhere
Love and purity is here with me and You are
Here in my heart making it Your special residence.

The fan the refrigerator the heater etc
Are run by electricity but electricity has
No will and insistence of its own
Likewise, my dear, all beings revolve
According to their own nature by drawing
Inspiration and energy from You.

I can purify my nature and for this I am free
My dear, You by Your grace, bestowed upon me
This human body so that I can attain salvation
The birds the beasts are not free like me
And this is Your special grace I know.

Gajanan Mishra
Water Related

Water related issues
Are all here.
Come and pick up.
Life is there
In water and let me
Reiterate, water is life.
Alone and alone I
Can go with water.
For a pure drinking water,
I am the beggar.
I am but a
Water-rhymner.
Water and only water,
My prayer- life giver.

Gajanan Mishra
Water Rising

The sun rising,
The water rising.
But the lotus flower
Rises up from the water
To touch the sun.

The beauty of nature,
Spiritual and pure.
Intention is to bring all
To the point of spiritual existence,
Truth consciousness.

Necessity of life
Is blissful association.
Without any contradiction
To follow love's participation.

Gajanan Mishra
Water Turns

Water turns
In to steam
When heated to
The boiling point.
Like water the air
The earth the light
And the sky all are
Under the law of nature.
And so also you are
In bondage and
You are inhibited
And conditioned.

Gajanan Mishra
Water Wall

Water wall
And the wall of water
In the fire, I see.
I see in my speech
The pauses and
The images of life.
Life, I feel
In stone and stars.

Gajanan Mishra
Water Water

Water water water
Where there is water
There is life.
No water no life.

A dropp of water
A deity.
Keep it
Serve it.

Gajanan Mishra
Water water The Ganges water
Flows from You
All Truth come down
With this sacred water
Life is with this
Sinless and
Glowing effulgence
Emanating again and again
With this I am expressing
My words of Love
Words of affection
You are my finest selection
I am doing everything here
Only for Your glorification.

Gajanan Mishra
Water Water Turbulent Water

Water water turbulent water
No water in future
Try to live without water
A drop of water you can not find
Here there except in media
Imagine image of a thirsty man
And beast and bird and parched
And cracked earth
No water in sea in ocean
In village cities industries population
Water water turbulent water
O my brother, save water
For your son and daughter
If you want them to be here.

Gajanan Mishra
Water Water Water

Water water water and water
Give me water in this hot summer.
And water has atom, water has favor,
And water water water and water
Water as cloud, and water drops
In action, in creation and
Water is the symbol of supreme devotion.
Water, water. water and water
And in water there is true love
That is flowing within and outside.

Gajanan Mishra
Water Words

Water words,
Words of water.
Words of air,
Air words.
All in the sky
And on earth.
All to give love,
To give life.
All positive,
All sensitive,
All for truth.
And the truth is
In all.
All silent,
All important.
Life is just
A passage to
The truth
Through water
And air
To touch the star
There in between
The sky and the earth.

Gajanan Mishra
Water, Give Me Life

Water, give me life,
A new life of nature,
Nature, with fine atmospheher,
Atmosphere with all goodness,
All goodness for the welfare of all.
Water, give us nectar,
nectar of new life,
With love and smile.

Gajanan Mishra
Water, Nothing But Water
????,
????,
?? ???? ???
???? ?????
????? ?????? ?

Gajanan Mishra
Let me drink water
I know water is
Only true drink for me.

Food juices and soups
Are my foods,
Coffee tea wine
Are all poison.

I am thirsty
Give me a drop of
Pure water.

Let me sip water
As slowly as I
Comfortably can.
I know when I am
Sipping water
I am taking internal bath,
That eliminates uric acid,
excess of salt and sugar
And waste products of my body.

I know taking water
With meals dilutes
My stomach juice and
Hinders digestion.

Water, water,
Let me drink water
O my dear, I know
Water is useful
In constipation,
Asthma, flatulence,
Piles and fever.

Let me take bath
In water,
Let me rub my body
With hands before bathing
Let me take light exercises
Or for a few minutes slight sun-bath.
Let me take hot and cold hip baths
Together to get relieve from
Retention of urine, flatulence ad pain.
Let me take spinal bath
I know it is useful for my
Blood pressure, insomnia.
I take steam bath for my
Tonsillitis throat troubles,
Rheumatism, sciatica, pimples etc.
Hot foot bath is an antidote
To malaria and heaviness.

Let me swim in water
O my dear, I know it is
Beneficial to health
And it serves as a recreative activity.

Give me a cup of water
O my dear, and give me a
Better treatment and a better life.

Life is water
Water is life
Without water
The earth would
Become desert.

Let me enjoy
The recycling of water
From rain to ocean
In this rainy season,
Let me say it is
My life’s new version .

Gajanan Mishra
Water, Water Course

Water, water course,
Water, water fight, water war,
Water, water fire,
Water, water release,
Water, water judgment,
Water, water life.
But water and
For water, here we live.

Gajanan Mishra
Water-Body

Water is my body,
I am not here to die
In heat wave and even
In the sun stroke.
But save me, save my water-body,
For your own future, dear men.
I spring from the imperishable,
I can do anything and nothing is impossible.

Gajanan Mishra
How can I take
Watered rice
Without an onion
As it has the sky
Rocketing price.
Patato, my stable
Diet is also faces
The same orst hit.

Gajanan Mishra
Waterfall At Harishankar

Waterfall at Harishankar
Let me float here
Crimson sky
Pursue me, see.

I am on this mountain
The name is Gandhamardhan
Merging in the water
Water is in my body.

I am going towards You
See me from here to here
Here is Your path
See me, I am on Your way.

Gajanan Mishra
Waterfalls

Waterfalls,
Sunrises,
Colored star,
All fair.

All take breath,
All accounted for,
All time to count,
All void is the truth.

One, two, three -
All trees.
All cracked,
All free.
All languages
Hip hip hurray.

Gajanan Mishra
Water-Future

I am fresh and
Pure on the mountains,
But I am going from here
Towards the ocean
For the welfare of all,
I know, impurity
 Might catch me there
And also on the way.
Yet I dare to go
And I want to sacrifice myself
For the good of all.
I am the water,
The source of life
And the source of future.

Gajanan Mishra
Watering The Plants

For you I am,
I am watering the plants
Only for you.

Plants of nectar,
This life, my dear,
I am living
Only for you.

In expanding horizon
Let me see you
At each and every stage
of my life here.

And I have my
Own twittering
that is for you.

Gajanan Mishra
Watermelon

Watermelon is a good
Summer breakfast
Like my poem
In this life desert.

Here I am to sing
Here the spring is
To welcome me.

Day in and day out
I am here with you
You are my mirror
And I am yours.

I am the mountain,
I am the ocean,
You are my life, O sky.

Gajanan Mishra
Waterproof

Waterproof coat
Is not here with me.
Still, I am
Calm and confident.

Belittle not
Anyone dear.

We have to use
Our own strength
Within.

Here we are dwelling,
In a peaceful way.

But we are busy in shooting
Within ourselves
For no reasons worth mentioning.

Gajanan Mishra
Water-Stressed

Water-stressed is here
Controlling access lost
Is not far from fear,
The sea cried with the clouds
Blamed the sky not be so proud.

Here water-stressed
All people are out
Who is for whom not known,
We know in water the pleasure
And the pain, the loss and the gain.

The question of life and death
Is here in these water
But my dear, we are not to fear
We know fearful person is there to die.

Gajanan Mishra
Wave

I am just a wave
I am not the ocean
It is your greatness
That you called me
Fragment of the ocean
I do not take the ocean mine.

Gajanan Mishra
Wavering Flame

It waxes brightly
And again it is weak
And it is vanishing
See, it is wavering
Flame of a candle.

Creating innumerable
Shapes and patterns
It is rising
It is falling
The waves of a
Flowing river.

It is my body
That is transforming
Youth old age disease death
This body exhibits
Physical strength desire wisdom.

It is the time
Irresistible force of time
That is here
Perceive it, if you are intelligent.

Gajanan Mishra
Waves

Are they telling something
And if yes what is that?
If, my dear, you are able to hear
Tell me please at this hour.

I am not near, I am far,
Far away from you
Though you are within me,
You reminded time and again.

At this dim light
And in this fractured life
I cannot say what is right
But it is the waves there.
And I am in the deep sea
With the ambassador, not mine.

Gajanan Mishra
Waves Flow

No eternal effect
Constantly the waves flow though.

No happiness no distress
No curse no favor.

O my dear, you can not say
This place as heaven or hell.

Gajanan Mishra
Waves In The Sea

No one can count,  
The waves in the sea,  
That appear and disappear.  
No one can say definitely  
The shape and sizes  
Of the cloud in the sky.  
No one can measure  
The time that is here.  
The trouble and the disturbances  
Are there and that are but common.  
We are to go with it  
And we are there to get success.  
No one can measure our success,  
And it is not countable also.

Gajanan Mishra
Waves Of The Ocean

Nobody is here
To count
Waves of the ocean
Don't show
Your emotion
You are to abandon
That are with you
At this time place
And commotion
I am on my duty
And discipline of action
You are to show
Your devotion
After crossing
The area of passion.

Gajanan Mishra
Waves Rise

Waves rise
Water- not sea nor waves.
Clouds appear
Clouds disappear
Sky is there s before.
You are everywhere all-round
With truth with bliss
With knowledge
I remained unchanged.

Gajanan Mishra
Waxing And Waning

I care not any
Waxing and waning
Waxing and waning
Does not affect me.

I appear and
I disappear
And it is my nature.

My beginning and
My ending is not
My birth and death
As some said.

It is only
Ignorance, let me say
I am here as I am for ever.

Everything you see
Is the changes enforced
By the imperceptible
Movements of time.

I care not the time
I am above the time
Feel me within.

Gajanan Mishra
Way Is There For The Wheel

Way is there for the wheel,
Life is there to quell the revolt,
But I know I am in a dangerous place.

Gajanan Mishra
Way Of Approching

I am here
As it is approchable.
You apprise all
Or not
That I care not.
Commentation is
Not my duty.
But I am here
As ever blooming
At this locality.
I care not
The loather.
I care only
The loadstar.

Gajanan Mishra
Way Of Perfection

Way of perfection
Is love and
Only love
In truth.
Hear, see,
Remember, worship,
And all are
There on the way.
No darkness but
Light is there
Always.
Knowledge with
Truth is the best
To pursue virtue.

Gajanan Mishra
Way Of Work

Way of work is like cycle
Like recycle
Actions and reactions
On the same rank and file
Like filtering muddy water
Through mud and like
Purifying a wine-stained pot
With wine like wise
It is not good to follow
The principle of tit for tat
Counteract the killing of men
By sacrificing animals.

Gajanan Mishra
Way To Enlightenment

Control yourself
and get all wisdom,
all virtue
in a natural way,
and that is the way
to enlightenment,
and there, enjoy good health
and get true happiness.

Gajanan Mishra
Way To Repay

No way to repay You
No way is there to
Repay You my dear
And who am I to repay
Who am I to think
About repay with
Anything anywhere.

This world is Yours
I am the product
Of this world
I know You are in
Everything everywhere
Including myself
I am to show unceasing love only.

This very love is also You
O my dear, it is the Truth
And Truth is only You
You are the Truth
And because of You
I am here with You
Without any separateness.

Gajanan Mishra
Ways

So many ways are there,
Giving and taking are only two.
You can go above giving and taking
And sleep well at night - only truth.

What are you - nothing to know,
But keep curiosity within you.
Embankment is the cuddle of life,
You are to know and take steps for truth.

Living is nothing but taking,
But the meaning lies in giving.
Your own thinking takes you to the truth
If you are fit and qualified for that.

Ways are so many but
You are to choose that suits you.

Gajanan Mishra
We - Stand For Sacrifice

We - stand for sacrifice
And selfless devotion.

We - indicate truth,
Purity and simplicity.

We are for freshness
And creativity.

We progress through
The path of justice,
Liberty and brotherhood.

We are one in peace,
And we have kept
With us humanity.

We, the people know
This life is for others.

Gajanan Mishra
We Accept

We accept,
We absolve,
We embrace,
Great words,
Really sir.

But we are free,
We can't tolerate
The interference
In our works,
In our language,
In our development,
By outsiders.

And who is an outsider?
Important question
That has no answer
Outside but it is
There inside.

No place for violence,
True. But we are to
See our identity
Intact here and there.

Let me place
My view,
On my land,
Let me stay
As your friend,
But with honor
And with
Proper respect.

Gajanan Mishra
We agree with truth,
But we differ where
There is falsehood.
We know truth is one
And falsehood many.

We are busy in our
Livelihood and we know,
We are the truth.
We know our order of
Life is one starting
From birth to death.

Duration is short,
Star is there only
During our life period.

Gajanan Mishra
We All

In the eyes of the outer world
We seem different from one another
But look within we are one and the same,
Our feeling of pain and pleasure
Our eating and sleeping and living style
Our place of birth and education and
Profession to fill up the belly though
Seem different in the eyes of the outer world
Our birth and living components,
And our facing the death and death itself
Are our own and it is the one and the same, and still
We are living for what that we know not
Till date and we are engaged ourselves in fight
Among us though we know it is just loss of time.

Gajanan Mishra
We All Are

We all are made of
Five subtle elements-
Earth water fire air ether
O my dear, we all are
One and the same here.

Remember, my dear,
If we all are burnt
To ashes, nothing
Will remain, besides earth
Earth is our identity
And our worth.

Gajanan Mishra
We All Are One

No connection
With anyone
And yet
We all are one.

We are different
from each other,
My dear, and yet
We all are one.

Breach of affinity -
You can find
Everywhere here,
With a link that is
Connected with favourable
and unfavourable circumstances.

Gajanan Mishra
We All Have

We all have
Equal right
To enjoy
And take pleasure.
We, the poor and the rich,
We, the big and the small,
We, the black and the white,
We all have
Equal responsibility
To the society
For peace and stability.
We, the living entity,
Are to see all out
Development of this earth.

Gajanan Mishra
We And Love

We were in love,
We are in love,
We will be in love
With each other
For ever.
Let the sky
Realize our colors.
Let the birds
Fly within that sphere.
We are the sons
And daughters of
All beauties and
All happiness.
Let us smile
For the reasons
That we are here.
We are remained
Unchanged as before.
Let the world change
If it so like before us.
Love is with us,
Truth is with us,
And we are in tact.

Gajanan Mishra
We Are

I am here
Everybody know it
I am going
Everybody know it
I am playing
You act as referee
In between you and me
They are coming
And going
We are not concerned with.

Gajanan Mishra
We Are Alive

Let us live,
As we are alive.

Who and
What we are,
Let us see.

Gajanan Mishra
We Are All

We are all facing corruptions
In our public life and
In our daily life
And we all know
Any sort of complacency
Is definitely a sin
We the so called
Educated and literate class
Are involve in one way
Or the other in corruptions
And we became boneless
To protest to check all these
We are making laws, true
But we are in a way
How to get benefit from these
For our personal gain
General people are expecting
Something more from us
For a better world
And how far we are ready to
Take responsibility is a
Question to put to ourselves
And failing to solve these
We will become culprit before
Future generations and that is
Not pardonable.

Gajanan Mishra
We Are All At One Place

We are all at one place - this earth,
We are taking one thing - this air,
We are all dazzling here by this light,
We are all here to stay together
and enjoy life to the full.
Let us come on, my dear, time is
running short, don't be a fool.

Gajanan Mishra
We Are All Blind

We are all blind
We are all blind here
And we are guiding each other.

We are missing
We are missing the right path
And we are falling in to the ditch.

Gajanan Mishra
We Are All Blind Here

We are all blind here,
We have eyes, though.
But we can feel,
We can hear and
We can understand
The real position of
Our own life and we can
Do the needful for good.

Gajanan Mishra
We Are All Brothers And Sisters

Under this one sky, who is our Father
And on this earth, who is our Mother
Air and light and water, make us alive
And we are saying, we are living
We must remember, we are living for others
We are all brothers and sisters.

We are all brothers and sisters
We are here, not to fight, not to quarrel
But to love and love and love each other
Love is the binding force that makes the cosmos
We must know nothing is there to divide us to break us
We are for welfare of others and not for one's self, remember
We are all brothers and sisters.

Gajanan Mishra
We Are All Equal

I am not inferior to You
You are not superior to me.

My dear, remember
I am never affected
By the modes of material nature.

I am here in this world
Only to disseminate specific knowledge
Of Truth that is here there everywhere.

I, by actions, mind and words
Live only for You and always
Trying to penetrate mysteries of love.

Gajanan Mishra
We Are All Flying

We are all flying
On our respective sky.
No question of interposition.

We are as doughty
As the sky.
Seeing our position,
The ocean is there
To act in dumb show.

Gajanan Mishra
We Are All Fools

We are all fools,
We know the questions
And we know all the answers
And yet we are asking
And we are searching for
The answers and going to
Lose our valuable times.

Gajanan Mishra
We Are All Great

We are all rich
This world is ours
We are the Truth there.

This civilization is for us
We are pious
He appear only to save us
We are great only for Him.

It is He
Who is solving
All our problems
Our life is easy only for Him.

Let us engaged ourselves
In His service.

Gajanan Mishra
We Are All Ignorant

We are all ignorant,
Ignorant of our
own real greatness.
We are here,
On this earth,
Playing, reposing,
Sitting and dining
Together, not
Knowing the purpose.
Though in company
We are, we are alone.
We acquire knowledge
But failed to use it
In proper way.

Gajanan Mishra
We Are All In This Foreign Land

This world is a foreign land for us
We are all in this foreign land
For a few time days months years
As you say and we are here to
Save ourselves by performing
Good deeds and charity
We should keep the truth with us
While performing our daily routine
Like sleeping eating playing sitting
We should love each other for our own
Good and to get peace during stay here.

Gajanan Mishra
We Are All In This World

At this time with pleasure
Roaming freely here
Victory horse is with us
And we are ready to face
Anybody at this time.

We forget not our goal
We sit at ease
We converse with all
Keeping good relations
In this heavenly path
This body is with us.

We try to capture us
In this world at this time.

Gajanan Mishra
We Are All Killers

We are all killers,
We are killing our own mother,
We are killing our own mother-tongue.
We are all killers here
And yet we are shameless
And we are walking on the national highway
Like hero though our production is zero.

We failed to renew our love,
We failed to call the birds
That are at the tree-top.
We are crying for the butter-fly
And we are smiling for the sands
They are there in their respective places,
And we are not ready to bring them back.

Gajanan Mishra
We Are All One

We are all one in different shapes
We are the sons and daughters of one
Seed-giving father and material nature
As the mother, my dear men
You are endowed with intelligence
And You are more powerful to understand
And to realized the course of nature
And indication of almighty father
Don't go for artificial luxuries and
Sense gratification, the life of dogs and hogs
You are the elder brother of all animals birds
Don't harm them in any manner, my dear
Remember, your civilization depends on
The development of all living creatures.

Gajanan Mishra
We Are All Puppets

In His hands
We are powerless
Though enlightened
We can not do anything
Except His good will
We have no
Ideology of our own
We have to follow
His instructions
That are infallible
We are all
His representative
We should follow
His authority
We should live in peace
It is His wish.

Gajanan Mishra
We Are Always

Thinking about our
Gain and security
And we have forgotten
Our devotion
Our sincerity.

Gajanan Mishra
We Are An Owl

1.

We are an owl,
The meaning
I could not understand,
When you added,
We are neither a hawk,
Or a dove.

2.

I could not
Pick you up,
I know, you are
There with us, though.
But I failed to know,
How close you are
To development.

3.

The dark, I see
Is not yours,
It is also
Not mine.
But the light
Is with us
At this time.

Gajanan Mishra
We Are Aware

We are aware of
Our own food,
Our own shelter,
Our own language,
You cannot mislead us
In any manner.
We know, delusion is
Your symptoms and not ours.

Gajanan Mishra
We Are Begging

We, the men are begging
Day and night and we know
Only begging shadow from trees
Scents from flowers
Water from rivers
Clouds from the sky
And we know only to say
Ourselves goodbye goodbye
We are begging for foods
For clothing for shelter
We are hungry we are thirsty
And still we declared ourselves
As great and feel proud
Our life is full of ego
We know the hollow that is
With us day and night.

Gajanan Mishra
We Are Being Cheated

Cultivate knowledge,
Knowledge of the supreme truth,
And waste not time in
Unnecessary things.

Though breathing, I am dead,
With the lack of knowledge.
Knowledge of the supreme knowledge
Can only enable me to live.

Let me utilize that are with me
For the purpose of truth realization.
And truth is that we are non-entity.
Truth is that we are being cheated
By the pressure of time and by
The illusion of our life pattern.

Gajanan Mishra
We Are Being United

On a common principle
We are all dedicated to You
You are the Supreme Truth
That we know
We are here to follow
Our father and forefathers
On common cause.

Gajanan Mishra
We Are Beyond Numbers

Let us realize,
Beyond numbers,
We are. And also
We are beyond time.
We are our life-breath,
We are our energy.
We are our light
And we heat us
With our moon.
We create our universe,
We describe our merits
And glories while
Performing our duties.
What is with us, our own.

Gajanan Mishra
We Are Brothers

We are brothers
Please come and
Let us pray together.

O my dear
We are partner
In this world's lighter.

Come please come
And we are here
With pleasure.

Gajanan Mishra
We Are Brothers- Bhai Bhai

We are brothers - bhai bhai,
Let us work together
For the development of each other.
No cheating, nothing.
We should keep our own identity
On this earth with distinct
Language and colors.
We are brothers - bhai bhai.
Let us keep our picture clean.
We are all the sons and daughters
Of nectar, we are better.
Let us keep faith and
Cooperation with us,
We are brothers and sisters.

Gajanan Mishra
We Are Brothers- Live Peaceably With All

We are brothers
And we are in the same
Mind towards one another
We are brothers
We differ.

Let us see good things
Let us live peacefully
And overcome evil
With good
We are brothers.

My dear brothers
Let me feed you
You are hungry
My dear brothers
Let me quench your thirst
I know a drink is
Necessary for you.

Gajanan Mishra
We Are Burning

Yes, we are burning
Between the fire and the air.
We are burning and watching
The smile of water within us.

Gajanan Mishra
We Are Busy In Sport

Here in this world,
We are uncommon and
Unique and we are
Attracted towards
Each other.
Here in this world
We are pleased by
Seeing each other
By staying together.
Here in this world
Our pastime of love
For each other is
Enhanced and we are
Busy in our sport.

Gajanan Mishra
We Are Close

We are close to each other, my dear
We are opposite to each other.

We are conscious and careful
We are in dark
We are fool.

It is not that we know nothing
What we know
We apply nothing.

Neither we are pleasant nor unpleasant
We are causing injury to ourselves
With our own consent.

We remain engrossed in violence
We are selfish
We are in attachment.

Gajanan Mishra
We Are Crying For Peace

We are crying for peace,
We know peace is not easy to get.
But peace is here within us
And we, the human beings have forgoten.

We have lost our own balance,
And it is due to our own anger,
Own fear, own desire, own guilt,
We are nursing grudges and insecurity.

We are crying for peace,
But we know not what is love,
How to love, whom to love,
Where and when to love.

Love is necessary for a peaceful life,
But we are living with hate.

Gajanan Mishra
We Are Disturbed

We are disturbed,
We are unfortunate,
And we are busy
In quarreling with
Each other here
Forgetting our goal
To serve the mother.

Is there any deceit
With us?
Let our life
Go to hell then.
Let destiny
Destroy us, of we are
Not sincere and faithful
To our mother language.

But friends, let me clarify,
I am plain and straightforward,
I have played trickery,
I have concealed nothing.
And I can't blame anyone.
Still, I hope, let the criminal
Be punished and let us
Show him/them the exit point
For violation of the laws of the land.

Gajanan Mishra
We Are Divided

We are divided
Because of us.

We have divided
Our earths
We have divided
Our Gods
We have divided
Our ideals
We have divided
Our selfishness
More and more
We have divided
Between man and men.

We are responsible
For our division
For our downfall.

O man, call your soul
And ask what is it
With you
How is it
In you.

Gajanan Mishra
We Are Diving

We are diving deep
In the ocean of nectar,
See us, our heart is clear.
Here is love, here is beauty.
We are eternally free and so
Externally we are to go on that line.
We are shining day and night,
But we are to show our light.

Gajanan Mishra
We Are Doing It All Ourselves

We are here
To fight for
Life, land
And language.
We are here
To build our
Own future
In our hands.
And we are
Doing it all
Ourselves to
Show our identity
With humanity
In world community.

Gajanan Mishra
We Are Eternal

We are eternal
It is but natural.

Life is not singular
But plural.

Struggle is natural
Struggling is final.

It is but natural
Give life a moral.

Gajanan Mishra
We Are Fighting

We are fighting
With each other
On the topic of
Existence and
Non-existence,
But we have forgotten
That we exist here,
And so long as
We exist, how can
Non-existence would
Be here, dear.
The issue of our
Fighting is really
Not in existence.

Gajanan Mishra
We Are Five In All

We are five in all
We are material ingredients
We are earth water fire air and sky.

And as such, O my dear
I find no difference
Between the leaving and entering.

O my dear, You are smiling
You are my heart and soul
I know You are in five You are above five.

And for this I love You
You love me within and without five
We both love each other, my dear.

Gajanan Mishra
We Are Fortunate

We are fortunate
We are able to see
We are fortunate
We are able to hear
We are fortunate
We are able to feel.

That's all what I want to say
That's all where I want to live
That's all how I express myself
That's all whom I love.

And in love there is no burden
And in love there is no hindrance
And we live here for all
All are for all.

Gajanan Mishra
We Are Free

We see the wind
In the tree
We see the tree
On the earth
We see the earth
Under the sky
It is for the sky
For the earth
For the tree
We are here and
We are free.

Gajanan Mishra
We Are Friends

We are friends
We should feel
Each other's development
Each other's progress
In a new look,
That should be
Constructive and
Cordial.

Gajanan Mishra
We Are Getting Together

We are getting together
At this termination point.

At this termination point
You are calling us.

You are calling us
With sky color photograph.

With sky color photograph
We are getting together.

Gajanan Mishra
We Are Going

We are going
And we are telling
We are not going.

Here is time changing
We are not changing
Change is changing.

It is not within
And we all are in hurry
It is nothing but fury.

And we are spinning
And we are winning
We are going and going.

Gajanan Mishra
We Are Going And The Sun

We are going,
The sun is not coming.
In fact, we are nameless,
We are calling east, west.

We to choose what to do,
We to select dark or light.
Though nothing is there like
in this middle of the journey.

Gajanan Mishra
We Are Going To Observe

We are going to observe
15th August, the day of independence.
But are we independent in the true sense?
What do you mean by Independence Day?
We are not able to use our own language so far,
We are not able to produce our own food so far,
We are not able to initiate our own policy so far,
We are not able to get from our own elected Govt
What we desire,
We are not able to move freely anywhere,
We are not able to earn the knowledge
That is there in our soil,
We are not able earn livelihood in our home-land,
We are not able to express ourselves openly to anybody,
We are not free in anyrespect anywhere
And we are going to observe Independence Day. Thanks.

Gajanan Mishra
We Are Going With Reverse Gear

We are going
With reverse gear.
My dear, look forward.

Read our literature
It is there everything
What is what.

No ceasing please
Enjoy life here
At this time.

Highest goal is
Freedom from
Miserable conditions.

Gajanan Mishra
We Are Happy

We are happy,
And nothing to worry.
We know everything
That are happening-
His wish.
Be true to yourself,
Be truthful and honest.
Words may cheat you,
But nectar is there
In words.
Let me appear
For the sake of nectar
Again and again and yet again.
Let me stay awake..

Gajanan Mishra
We Are Here

We are here to live
We are here to let live others.

We are here to watch the birds fly
We are here to see and feel flowers blossom
We are here to hear the streams song
WE are here to catch the time and go
Where we have no ego.

Gajanan Mishra
We Are Here In Conflict

We are here in conflict
With one another.
Natural disturbances are
All around us.
We feel the earthquakes
Along the mountains.
Blowing cyclones,
Heat and snowfall,
Uprooting trees by hurricanes,
Darkness reigned everywhere.
Natural disturbances are
All around us.
The ocean with its
high waves wailed around.
The rivers and lakes agitated,
Lotuses withered.
Claps of thunder heard,
Sounds of rattling chariots
Are there inside and outside
Mountain caves and houses.
Jackals yelled vomiting strong fire,
Owls, dogs cried here there,
Asses ran hither thither in herds,
Birds flew shrieking from nests,
Cattle in the cowshed and in woods
Passed dung and urine,
Cows terrified, yielded blood,
Images of gods shed tears,
And we are here in conflict
With one another, dear.
Reason is not with us, but
Bad time is there here with us.

Gajanan Mishra
We Are Here To Enjoy

We are here to enjoy
As because we are
Attached to it.
And what is it
Who is there to
Explain the matter.
It is true
Externally and
Internally we are
With nature.
And our nature is
To go upwards
It is you only
Who can move
Every side always.

Gajanan Mishra
We Are Here To Sing

We are here to sing,
We are here to dance,
We are here to watch,
We are here to walk.
Singing, dancing, watching
And walking are our birth right.

We are doing all these
For what and for whom?
Have you imagined?
Yes, you are following
The footsteps of your father,
And living without breaking
Anything that are here and
Floating as usual on the river.

Gajanan Mishra
We Are Ignorant

We are ignorant,
Ignorant of greatness,
Greatness of anyone.
Anyone can build anything,
Anything can be done
With proper care.
Care should be taken
to respect all always.

Gajanan Mishra
We Are In

We are in
We are in love
We crossed
We crossed the border
Border of death and death.

We are in
We are in love
We are in love-world
Love-world of life
For the sake of life
Without any pressure
From outside.

We are in
We are in love
We are open
We are open and transparent
We love each other
And we care not
And we search not
The meaning of
Days months and year.

Gajanan Mishra
We Are In A Bond

We are in a bond,
And we are trying
For salvation.
Salvation can only
Be possible
Through the bond of love.
Let us love each other, my dear,
And through this love
We can move towards
Salvation.
And what is this salvation
It is doing good to each other,
My dear, it is living for
Each other.

Gajanan Mishra
We Are In Between

We are in between
Our father and mother.
Father is the sky,
Mother is the earth.
Air and water and light
Are our pillars
And we are always
Depending on them.

Gajanan Mishra
We Are In Danger

We are in danger,
For our leaders.
We have elected
Them to serve us.
We are in danger
For our servants.
We have paid them
For their services.
Reality is that
We are exploited.
No one is there
To take care
The common men,
And their culture.

Gajanan Mishra
We Are In Languageless State

We are in languageless state,
Laws, rules, provisions are there, though!
But we want, and we demand,
Introduction of our language from
The very beginning of education
Everywhere till the end of education
At least within the state.
Let all disparity go from the state
Relating to language.
One state, one language-
The call of time,
One who opposes must go away.

Gajanan Mishra
We Are In Love

We are in love
With new sky
With new colors
With new numbers
With new birds.

We are in love
Always keeping
Our bodies in truth.
We are in love,
We are in love.

We are in love
With a hope to
Open a new chapter
In both world
Inner and outer.

We are in love,
Really we are still
In love as before
With smile
Day and nights.

Gajanan Mishra
We are like waves
And we have
No existence
Of our own.
The waves are
In water
And the water
Is in waves.
The waves and
The water are
One, though.
We are the creatures
And we abide in nature,
We continue to exist in nature.

Gajanan Mishra
We Are Locked

We are locked
Within the prison walls
Of this world.

Why have you
Brought here
I know not.

Gajanan Mishra
We Are Losing

Basically foreign but
To all intents and purposes
As good as home
No meaning saying this.

And we are losing our touch
With our identity
Our own culture
Our traditions
Our roots.

Gajanan Mishra
We Are Lost

We are all lost,
We are separated
From the truth.
And we are
Yet to be reunited.
No wonder, my dear,
We left to wander,
Nowhere here.

Gajanan Mishra
We Are Missing

We are missing,
Separately and
Also unitedly.
We are missing,
And missing and
Missing with air.
Missing and missing
We are together
Here, on this earth.
On this earth, we are
With the stars,
Missing and missing
Together with time,
We are missing, missing.

Gajanan Mishra
We Are Mortals

We are mortals
Nothing new
We are wandering
Nothing new
We are fighting with us
Nothing new
And new is
O my dear
We have come to you
We have taken shelter in You

And you are our love O my dear
Please rescue us
And open a new chapter
In love.

Gajanan Mishra
We Are Moving

We are moving
In our own forms
With all glories
With all victories
The sky and the oceans
All are submerged in us
And our aim is to
Uplift all.

Gajanan Mishra
We Are Moving To Uplift All

We are moving
In our own forms
With all glories
With all victories
The sky and the oceans
All are submerged in us
And our aim is to
Uplift all.

Gajanan Mishra
We Are Neglecting Peaceful Natural Life

In the name of religion
We are killing the poor
And the innocent,
Mentally and physically.
In the name of religion
We are keeping the people
In general far from the truth
In the locality for personal interest.
In the name of religion
We are declaring war
Against humanity.
In the name of religion
We are putting ourselves in trouble
And neglecting peaceful natural life.

Gajanan Mishra
We Are Neighbors

We are brothers,
You are telling again
and you are telling
let us go together.

But it is difficult to believe
so easily, my dear, as with you
there is snakes, dragons and tigers
and without any weapon I am here, a mere creature.

Gajanan Mishra
We Are Neither

We are neither
Different nor
One,
Yet we are,
Let me tell the truth,
Not two.

We both exchange
Love,
We thrill
With delight.

We both appear
And we are
Attracted towards
Each other.

Gajanan Mishra
We Are Neither Separated

We are neither separated
From the truth nor the truth
Is separated from us.
Nothing else is there with us
Besides the truth.
We think of truth only
At every moment here.
We are the truth, my dear.

Gajanan Mishra
We Are Nobody To Dispute

We are nobody to dispute
We have nothing to dispute
And who are we ask yourself
What is yours ask yourself
If you disbelieve me
And see around you
How they are coming and
Going empty handed with
Nothing for nothing through nothing.

Gajanan Mishra
We Are Not Being Attracted

We are not being attracted
Society has been degraded
From truth all are separated
Being misguided and this
They said blessed but how
They forget and still
They are protected and enjoyed
What they called life.

Gajanan Mishra
We Are Not Blind

We are not blind
We are not deaf
And what we see
That are not true
And what we hear
That are not acceptable
We have legs
We have hands
And where we go
That is not destination
And what we caught
That is for demolition.

Gajanan Mishra
We Are Not In Favor Of

We are not in favor of
invasion, it is true. But,
We are in favor of rescue.

Gajanan Mishra
We Are Not Independent

We are not independent
Please understand
Needless to observe independence day
We are not independently separated
But we are one and interlinked
Please understand my words, my dear.

Gajanan Mishra
We Are Not Insane

We are not insane,
We kept pigeon,
With us to win any
War against human.

We love all
But we are never
Influenced by wealth
Women, war, worry.

We realize life
We know how to
Tackle all problems.
We know true art of living
We have our own intellect
To use for welfare of all beings.

Gajanan Mishra
We Are Not One But Two

We are not one but two,
We are not two but one.
I am confused which is true.

Gajanan Mishra
We Are Not The Loser

Nothing to lose,
We are not the loser.
No difference
Between freedom
And prison,
Let us realize.
But some
Social contract
Are there
We have to follow
Here without
Any question tag.
We are all social
Climber and we are
Anxious to
Kick out soccer.
True, we care not,
So and so, but
We are to take care
Where we are
With no soak.
We are to keep
What is ours?

Gajanan Mishra
We Are Not The Same

You are here
I am here
And yet
We are not the same
And we differ.
We differ
In form and
In structure
Though we are
From the same root
And we deliver same fruit
And yet
That differ
From one to anther.

Gajanan Mishra
We Are Not To Forget

No need to remember
So many things, incidents here.
But we are not to
Forget one who is
Giving us food and security.

Gajanan Mishra
We Are Not Together But We Are Separate

Like the sea and the sky,
We are not together, but
We are separate, people say,
At distant horizon, they meet,
Though.
We are not in a position
To understand each other,
But we are misunderstood
Like the earth and the water
In the light and the air.
Day and nights have no difference
For us here, as we are at the top
At times and at the bottoms
At others.

Gajanan Mishra
We Are Not Two

We are not two
But one
We are not there
But here
We are not bad
But good
We are in this world
This world is beautiful
Beautiful birds beautiful trees
Beautiful earth beautiful sky
Moon sun stars all are beautiful
Men animals insects all are beautiful
Our life beautiful and
We are not many
But one with same earth
Same sky same light same water
And same air
Be fair to one another
We are greater and greater.

Gajanan Mishra
We Are Odias

We are Odias,
Are we dying?
No, never,
We are not to die.
No one is there
To make us die.
We are Odias,
We are ready to do
All welfare acts,
We think, let our
Life go to hell
And all creatures
Get peace.
Dare not to
Put us in trouble.
We are not to die.

Gajanan Mishra
We Are One

In union
In disunion
At a time.

We are one
In union
In union
At a time.

We are one
In disunion
In disunion
At a time.

We are one
In disunion
In union
At a time.

We are one
We are one
For all times
For all times.

Gajanan Mishra
We Are One - In Adversity In Prosperity

In adversity
We are one
In prosperity
We are one.
Are we really one?
There is some lacuna.

Our friendship is our strength.
Are we weak if we are not friend?

Life's detour
You can not exile anybody
And act as orator.

To show manliness is reward
We are not drunkard.
We can not go for
Universal dissolution.

We are rational
Our revelation is our prostration.
We are one
And one.

Gajanan Mishra
We Are One And The Same

We are one and the same,
We are called by different
Names and attributes though.

Gajanan Mishra
We Are One, Believe Me

Believe me,
We are one.
Oneness is
Our reality.

See the sky
And the earth.
Feel them in
The water and air.

Yes, my dear,
We are one.
Switch on the light
And see within.

Believe me, we are here,
Within one another.

Gajanan Mishra
We Are Ornaments

We ourselves are the ornaments
Of this nature, of this world.
We ourselves are nothing but
The truth and the nectar, my dear.
No question of devaluation or
Undervaluation is there at any stage.
We are not independent entity but
We are here to enhance true love.

Gajanan Mishra
We Are Our Enemies

We are our enemies,
We are our enemies.
We are the cause of our death,
We are the cause of our death.

In love we are mixing hate,
We are learned and intelligent
And we are also beast and fools.
We are not truthful to our words.

Gajanan Mishra
We Are Poor

We are poor,
But not hungry.
We want rice to eat,
We want water to drink,
But we are not hungry.
We want money
To purchase bare necessities,
But we are not hungry.
The sky, the earth,
The air, the light,
All are here
For our refreshment.
We are committed to
Do something for them.
We are here to live,
We want life.
But we want, not
Free food, but
We want to do work
For good.
We are poor
But we are truth to
Our words.
We are poor
But we are sincere
And honest.
See us, and leave us
At our own disposal.
Show not your kindness
By offering free food
By offering free house,
And who are you to give us
Everything in cheap and
Also in free.
We are poor
But we are not beggars.
We are poor
But we are our own masters.
We Are Posted Here

We are posted here
In different positions
By the Almighty,
Not for quarrel,
Not for war,
But to maintain peace,
But to cultivate knowledge,
But to stay in truth,
But to love each other.
We are posted here
To show mercy
With compassion.
We are not here to kill
Or destroy one another
But to acquire permanent
Virtue of this life.
We are nectar here
We the brothers and sisters,
Sons and daughters of this earth.
Our bodies are different - true,
Our food, clothing, shelters are
Different - true,
But our breath, our components
Of life like air, water, light
Etc, etc are the one and the same.

Gajanan Mishra
We Are Pure

It is sure,
We are pure.
Purity is
Our characteristic.

Let us do something
that have good effects
to the entire universe.

We should admit
our identity with Almighty.
And we should remain free
From the sense of doership.

It is sure
we are pure,
And we are not in sorrow.

Gajanan Mishra
We Are Related

We are related
And it is multiplied.

We cried
And it is multiplied.

We do not want to see the root
And it is within us.

We see life as a fun
And we see in front of us a gun.

Are we not aggressive?
Are we progressive?

Question and answers all are related
And we are terrified.

We are terrified
And there is nothing else.

Gajanan Mishra
We Are Satisfied

We are here and
We are satisfied
With one another.
No disagreement,
No discontent.
All good are here
And we are in peace,
Here with us,
We find all prosperity.
Think not otherwise,
We are on both sides.
We are one and the same,
At times, though,
At different or opposite side.

Gajanan Mishra
We Are Searching Our Hive

No one can forget
His/her own mother-tongue
His/ her own mother-land
And his/ her own mother.
It is but nature,
One should go with the above
Even at the cost of
His/her own life.
It is true
We are all five
And we are searching
Our own waves and hives.

Gajanan Mishra
We Are Similar

We are similar,
We are the same,
We are here
Under most horrifying
And extreme conditions,
But no way to go out,
We are to stay here
For all the future.
Here, we find all puzzles,
All drifts, all unusual
Creatures that tell us
To stay apart at times,
But we are here waiting for
The next messages from there.

Gajanan Mishra
We Are Sovereign

We are sovereign,
No one is above us.
We are human,
The earth is our land.
Let us talk
In free verse
In the language of love.
Let us not fight
With each other.
Let there be autonomy,
Independence and
Self-government.
No influence, no authority,
No tyranny, no control.
We have our own supremacy,
We have our own jurisdiction.
No one is allowed to
Captured us.
We want not to capture anyone.
We believe in live and let live.

Gajanan Mishra
We Are Still In Dark

We are still in dark,
In broad day light.
Till today we are
Not able to know
God is one, like the earth.
We are not able to realize
We are one with same air
Same water under the same sky.
We are fighting for our own freedom
But we are not ready to give freedom
To others, we are still in dark.
We are killing ourselves as
We are not able to know who we are
And why we are here.

Gajanan Mishra
We Are Taking Part In The Magic

We are taking a major part
In the magic of the world.
It is for us the magic show
Is going on day and nights.
All the stars are here with us
And we are getting so many lights.
The birds are flying high
The sky is coming down to earth
And we are very pleased with
All these here at this time.
In these magic the important
Point is how we are eating
Rice, pizza, dosa, kheer,
How we are drawing and colouring,
How we are providing space
For others to show themselves
During the period of their stay.
The magic is fantastic but
We are critical thinkers and
We are not as simple as our
Own children and so we are
Not able to equip our child
For success anywhere.
But this magic world
Cares not anyone and it
Is moving on its way as before.

Gajanan Mishra
We Are The Dolls

We are the dolls,
You are the puppeteers.
And you control us,
We are in your universe.

One who realizes you
Is the wisest of the truth.
You are within all,
And you are outside as well.

You are the adviser,
You are the witness.
I am the fool,
And I say I cannot see you.

I am the fool,
I am with the false prestige,
And I want to remain independent,
Though, not for good.

Gajanan Mishra
We Are The Fishes

We are the fishes,
You are the fisher man,
Catching us in our net.

I want to jump out of the net,
Give me strength.

Give me knowledge
And through that knowledge
I will be careful
And I am never caught
In the net.

Let me not face any danger,
Let me not go deep
In to the mire of degradation,
Let me give a scope for realization.

Gajanan Mishra
We Are The Learned

We are the learned, my dear friends,
And we are expert in extracting money.
We are the intelligent, my dear friends,
And we are expert in telling lies for self interest.

Gajanan Mishra
We Are The Successors

We succeeded our forefathers,
Our forefathers were great
And learned,
We are the true successors.

We are the true parents here,
We are to build our successors
With our love and affections
And with the scents of our own earth,
With our own culture, traditions
And language and with all truthfulness.

Let us hope for the best
With a new world ahead
Without any suffering
Without any backbiting.

Gajanan Mishra
We Are The Winners

We are the winners, here,
And we know the victory
And the defeat are slices
Of life, which must be endured.

I salute you, John Milton, sir,
You have rightly said, peace hath
Her victories, no less renowned
Than wars.

Gajanan Mishra
We Are The Wonder

And it is love
That is in me,
That is in you.

It is love
That makes us
Alive here.

It is love
For which
We are together.

It is love,
And in love
We are the wonder.

Gajanan Mishra
We Are Three

We are also one
We are the cause of
Material manifestation
In the highest vision
Nothing is beyond us
We are three
We are non-different
We are always and
Everywhere present.

Gajanan Mishra
We Are Three Friends

We are three
You and me
and the moon.

We, three are
busy in our
own works.

And we are
trying to cross
one another.

We are
in a rush.

No color is
ready to give us
any solace.

Gajanan Mishra
We Are Three Together

We are three together
Built this house for you
And you are here for ever.
Who are you is not our business
To know or to collect information
Or to ascertain the facts
Of your existence.
We are three together
We are separate but not
Separate in separate beings,
None of us is degraded
And take serious views about
The place or circumstances or
Incidents whatsoever.

Gajanan Mishra
We Are To Conquer

We are to conquer
Our mind,
And we are to see
The sunrise.

No force,
But in due course,
Everything would be
Sorted out without fuss.

Gajanan Mishra
We Are To Live

Nothing is the best,
It is false to wish
All the best.
It is true to say
This life is full of
Pains, sorrows and worries.
But we are to live
So long as we are alive.

Gajanan Mishra
We Are To Move

We are to move
From the mode of ignorance
To the platform of goodness.

We are to understand
The knowledge of the self.

We know the knowledge of the self
Cannot be appreciated by an ordinary man.

We are to rise and see the rising sun
And salute the sky.

I am by nature a man, we are to remember,
Always here and act like a man.

We must be situated in the activities of the truth,
And we are meant for regulated life and by
Following this, we can understand everything.

Gajanan Mishra
We Are To Pass

We are to pass
And not the time.
We are to go round
And round and
Not the time.

Let us hear
The call of time,
Let us write
About the time,
Let us know
The truth of time.

Time, time and time,
Nothing but time
Is here, and always
Trying to create fear.

It is all the same -
Time and life.
We live for time,
And time does everything
For us.

Time is the storehouse of
All beauty.
And we are all
Beautiful here.

Inside and outside
Time is taking
Our care and
We feel not,
Fool we are.

Enough is enough,
The time is
Not for us.
Gajanan Mishra
We Are To Reach The Roof

We are to reach the roof
But where it is we know not
This is the only problem here.
We are to quench our thirst
But how and where we know not
This is the only problem here.
And you said, come on dear, here
We are to clean first the atmosphere.

Gajanan Mishra
We Are To Read

We are to read,
To read we are here.
Let us start reading
The self first.
Everything is there,
Everybody is there
In the self.
The self is in the air,
In the water, in the sky
In the light on this earth.
The earth is going
Round and round again and again,
The sun is at the centre,
And we are here with prayer.
Let us read the prayer,
That is in the shape of poems
Already written much before
Our birth by the self.
The self is the discoverer
Of its own just
At the gate of time
And time is there to put us
Together in love and
Recall my dear, love is
The only truth here.

Gajanan Mishra
We Are To Read Them

All are poems,
Animate/inanimate,
We are to read them.

Gajanan Mishra
We Are To Rise

Two words
Rule poetry
One is love
Another faith.

Two words
Rule life
One is birth
Another death.

In between the two
We are to rise
Like the sun
Daily and regularly
In poetry in life
And move towards
Eternity.

Gajanan Mishra
We Are To See

We are to see
The overall welfare
Of a man here.
Here we have a
Democratic form of govt
Of the people for the people
And by the people.
We are to do
All works for the welfare
Of a man here.
Here we are taking money
From the people directly
And indirectly and it is
Not wise to cheat the people.

Gajanan Mishra
We Are To Show

We are to show
How we're living
On this earth
With faith
With love
With truth
And with full
Co-operation in peace.
We are to show
How good we are
How refined
And in a mission
To fulfill Your
Very purpose of creation.

Gajanan Mishra
We Are Two

We are two and become one
With love
We are one and become two
With ego.

We can not do anything
Without love
Without ego.

We have real-knowledge
Within us and we are to know
How to balance
Love and ego.

Love and ego
Not contrast
But corroborative.

Gajanan Mishra
We Are Two - Love Life

We are two
And not three,
And we are free.
Delicate our life,
And we live
With love
For good.

For good,
We are here,
We two.
We belong to
This earth,
It is true,
Sky our foe.

Gajanan Mishra
We Are Undivided

We are undivided,
And there is nothing
To dispute within us.
The sun, the moon, the sky,
The clouds, the air,
The light everything is ours.
And we are partners in life,
We may say we are brothers
And sisters and there is
Nothing to quarrel on land
Or on water or on boundary
As we know, boundary has
Nothing to play so long as
We admit our oneness here.

Gajanan Mishra
We Are Unique

We are unique
We are human being
No caste color creed
Nothing can divide us
We are human being
This world is ours
And we are unique
Our only aim is to
Spread love love
Only love can make us
Alive and alive
We are unique unique.

Gajanan Mishra
We Are United

You are trying to
Break up my home,
But we,
The family members
Are united and
Firm.
No proxy war
Can work properly
Remember.
You are imparting
Training to terrorists
And providing cover them
To infiltrate into our home
And create chaos,
But remember
That would not work for long.
We are cautious
And united.

Gajanan Mishra
We Are United By A Woman

We are united by a woman,
Come on, as a player.
We are gold,
We want gold
For a woman.
Something extraordinary is there
With a woman.
We see our light with a woman.
A woman can do anything
For us.
No matter
Inhale or exhale,
But see the woman
Who is on the play.

Gajanan Mishra
We Are Welcomed

Enough is enough
No more required
Sufficiently supplied
Everything in life
No more is required
Enough is enough
I am full of mine
You are full of yours
I am full with You
You are full with me
No separate opinion
No separate speculation
Nothing is empty
Nowhere
With this fullness
We are to go together
O my dear, come on
Look, we are welcomed
By this beautiful weather.

Gajanan Mishra
We Are Young

We are young
We have vision.

We are living in present
We are young and looking forward
To the bright future.

One who is looking backward
Remembering the past,
Let us called him old.

The old men are always getting pleasures
Out of recalling past incidents.

Old men are living with their past,
But see, we are young with clear vision
Going towards a bright future to
Show the world how great we are.

Gajanan Mishra
We Availed

We availed everything
That you supplied
Opportunities are not ours
We know and proceeded ahead.

We are swift and right
We have not discriminated
Right and wrong in this house.

This house means this body
Let the body stay as it is
Let us see ourselves in
Full co-ordination.

We have opportunities
We realized
Your presence.

Gajanan Mishra
We Bathed

We bathed in the river
And where is the river
Is it within us!

And where we are
We are unable to answer
It is day and it is dark.

Gajanan Mishra
We Become Two

We become two
in order to relish oneness.
We long to provide
ourselves every comfort.
We have full claim
on each others.
We are giving service
and no one is master.

Gajanan Mishra
We Belong To This Earth

We belong to this earth, right?
We have one sun one air one water one sky, right?
We are all one made out of the same things, right?
If you want let us fight, let us go to kill each other, my dear.

Gajanan Mishra
We Belong To Truth

We belong to truth,
Non-violence is our weapons,
Freedom from anger is our beauty,
Renunciation is our dress,
Compassion to living beings is our prayer,
Aversion to fault-finding is our greatness,
Gentleness is our quality,
Steadiness is our life.

Gajanan Mishra
We Born Out

We born out of the same womb
Of the mother earth and under
The same sky and stars
We are all brothers and sisters
Though we are not alike
In qualities and nature
This is the wonder of this world
And we are fighting among
Ourselves forgetting all
Goodness within us to
Make this world heaven.

Gajanan Mishra
We Both

I am weak
You are strong
You are distinguished
I am dishonored.

My dear
We both are
One and the same
We both are hungry
We both are thirsty
We are homeless
We are poorly clothed
We are beaten
And we both are helpless.

We are not one
And the same
We differ, my dear
As white and black
As sky and earth
We differ and yet
We are one and the same
Here as rich and poor.

Gajanan Mishra
We Both Are Friends

We both are friends, remember
We are in need of each other
Without one, valueless another.
I possess nothing
You possess everything
And we are friends for sometimes.

You exist within
I am an outsider
Let me give respect
To our friendship, my dear.
I am a pauper
You are my Master
You are here
I have no name address and anything clear.

Gajanan Mishra
We Both Are In Truth

We both are in truth,
We both are truth.
We both know
What is there with us.
We both have power of
Understanding here.
We know how rapidly
It is all changing
Body and mind and intellect.
We both are here
To see, to observe
And to expose all.
We both are important,
We both feel the movement.

Gajanan Mishra
We Both Know

You know
Whatever I am doing
All are meant for You.

I know
The sky is only mine
And You are the sky.

We both know
We are here in this
Luminous clouds.

Gajanan Mishra
We Can Not

You can not say
What is there
In my destiny.

I can not say
O my dear, about
Your character.

Gajanan Mishra
We Conquer End

God particles found
And the universe
Is at our hand.
God particles found
And we conquer
The end.

Gajanan Mishra
We Deserve A Lot

We deserve a lot,
We, the common people here
On this earth.
We, the common people
Elected you for us.
We deserve a lot,
We, the common people
Are busy in soul searching here
In our own land.
We deserve a lot,
We, the common people are here
In love and in peace.
Study us, do something
What you can for us.

Gajanan Mishra
We Differ

We differ
We have no relationship
At all with each other
We are quite different
In nature
Yet we are here
Staying together
One is fully dependent
On another
Whatsoever we are here
For ever
And we differ
In such manner.

Gajanan Mishra
We Do Not Want To Live

We do not want to live
Without our language,
Without our sovereignty,
Without our right to education
And food, clothing and shelter.

We do not want heaven,
But we want our language,
We want our freedom to
Speak and use our language
Everywhere within the state.

Gajanan Mishra
We Earned

We earned,
But what we earned,
All are not
For our own self.
We have nothing,
Nothingness is
Only ours.
We are here
To loss everything.
Morning, evening,
Earning, living,
And at the end
We are lost.
Still we are to learn
Living with
Substantial right.
We remained
In obscurity though.

Gajanan Mishra
We Feel Restless

I feel restless
Without you and
I know you feel
Restless without
Me.

I am your worthy
Everything as
You desire
And so also
You are mine.

Let me approach
You for nothing
And you are here
To do everything.

Gajanan Mishra
We Flourish With Love

My poems my love
O my dear, You are
My living poem
And my love
And our relationship
Flourish with colors.
We are here, O my dear
With the air with the water
In the light on the earth
And we flourish with
Our love relations
And affection and
Not with aversion.

Gajanan Mishra
We Have A Duty

We have a duty
To work for the people
In their language,
We have a duty
To bring them all
Together, my dear,
We have a duty
Not to drive them apart,
Not to keep them in dark,
But to give them knowledge,
To enlightened them at any cost.
We are committed for that,
We are here for the people,
Without it we lost identity.

Gajanan Mishra
We Have A Republic

We have a republic,
Liberty, fraternity
And equality are with us.
Check and balances are
There on this and that.
Let us go with unity
In diversity.
Let us exchange wisdom.
Minimize the difference
Between the haves and have not.
We have a republic,
Let us maintain peace,
Let us love each others
For mutual developments.

Gajanan Mishra
We Have An End

We are nothing
But a mass of decay
And we have an end.

Gajanan Mishra
We Have Fought

We have fought
So many times
In the past
But achieved
Nothing and
Nothing.

Now we should
Save our energy
And develop ourselves
On the path of
Progress and peace
For common benefits.

We are both one,
We must not forget.

Gajanan Mishra
We Have Lost

We have lost,
We have lost our languages,
We have lost our culture,
We have lost our identity.

We are far away from truth,
We are far away from love,
We are far away from goodness,
And we are near death.

Gajanan Mishra
We Have No

We have no right to
Show disrespect to anybody
Not showing good respect
Is a sin and
There is no excuse
When we know that
Almighty is seated
In the heart of all.

Gajanan Mishra
We Have One Soul

We are all one
And our soul is one,
The rarest of the rare,
And the rarest grace.
The soul has no shape,
No direction to go,
And no where to stay.
We are all one,
And we realize
Our vision should be
Glorious infinite.
We are bright and
We are brave to
Catch the truth of life.

Gajanan Mishra
We Have Oneness

We have oneness,
Our relationship is eternal,
We never want anything from another,
And we surrender everything what we have.

Gajanan Mishra
We Have Our Own

We have our own
Antithetic influence
And envy.

We have our own
Success and
Failures,
Honor and
Dishonor,
Praise and
Blame
Feeling of happy
And sad.

We have to win us first
And show the world
How we are free
We know everything
With us is short-lived
And will disappeared.

First we are to
Cross our own
Antithetic influences
And envy.

Gajanan Mishra
We Have Strength

We don't want war,
But we have strength
To gouge out crooked eyes.

Gajanan Mishra
We know all useless,
Money, power, position,
Yet we are busy in
Our own hunger game.

We know our name,
And it is false.
Riddle, time, mythology,
Nothing but acts of spoiling.

We know what we are doing,
Eating, sitting, sleeping,
And yet, getting nothing.
We know we are beyond our control,
And we are far from the truth,
And yet, we are searching not for nothing, though.

Gajanan Mishra
We Know Nothing

We know nothing
About anything
And yet we say
So many things
On so many topics.

Alas, we are here,
By will or
By force,
No matter.

We are damned,
As we wish to live,
By any means,
With any one
And in any place.

Gajanan Mishra
We Live For Ever

We live for ever,
And not only
For this year.

Shall we ever
Want the last year
To return back?

No, never.

We do not want
To return back
At all.

Then why we are
Thinking about
Our own past
And worry about
Future and not
In peace for
The present.

We are here,
We live here
Not for this time
But for all times
To come.
We are our outcome.

Gajanan Mishra
We Live Together

We live together,
But far away from
Each other.

We stay at home,
But this is not
Our home.

We exchange
The words,
That are not truth.

We want peace,
But we like to stay
In this world.

We love each other much,
But we have forgotten
To recognize one another.

Gajanan Mishra
We Lost In Ourselves

We lost in ourselves
Having no intelligence
Engaged in unbeneficial
Horrible works
We are going to destroy.

Gajanan Mishra
We Love - True

We love - true,
But we have
No relationship
With each other,
We are quite
Different in nature.
One is sentient
While another is not.
One is perishable
While another is not.
One is mutable
While another is not.
But we are one and the same
From the time immemorial.

Gajanan Mishra
We Must Love Each Other

Yes, my dear poets, you are allowed to do anything keeping the meaning and emotion intact. We, the creatures of this world are one and the same. Our components are the same—air, water, earth, light and the sky. We are all subject to birth and death. We are suffering here, and also we are enjoying the life. This is the truth. We must love each other. Love is the only eternal force within us. Love or perish. Thanks,

Gajanan Mishra
We Must Not Forget

We must not forget
And why to forget
How to forget
To whom forget.

We are the basic
Basement is with us
And we must not forget
Each other
And how to forget
Why to forget.

We would not stay
Hence further
Hence that.

Gajanan Mishra
We Must Respect

We must respect their saying
Too much of everything
Is good for nothing
We must remember their saying
A little learning
Is a dangerous thing

Gajanan Mishra
We Need

For my living
I need you.
For your very existence
You need me.

No pin or needle
Can make us awake,
It is only love
Needed for life sake.

Gajanan Mishra
We Need Growth

We need growth
We need equitable growth
We need inclusive growth.
We have made inroad
Reducing poverty.

Gajanan Mishra
We Need Our Language

We need our language
And nothing else.
Our need is our language
And nothing else,
In courts, in offices.

It is true
We are no longer bounded
By any limits.
We are here to establish
The ideal of a
Common cause
Through our language.

We are ready to make progress
In all fields through our language.

Gajanan Mishra
We Ourselves Are Disgraced

Only for wealth, more wealth
Alas, wealth is bigger than us.

We ourselves are disgraced
Because of worldly goods
Alas, we are smaller than worldly goods.

We ourselves are disgraced
Because of perversion of intellect
Alas, we are small we are slave we are in lowliness.

Gajanan Mishra
We Recited

At the end
We recited
Reasons not known
But it happened.

How are we
To be known
At the end
By self-controlled.

But it happened
How and why
Reasons not known
At the end.

Gajanan Mishra
We Recreate

We recreate,
We maintain.
But we have
No right to
Destroy.

We are here
To bring happiness,
We are here
To know the things
As they are.

We are the stars,
We care not the dark.
But this dark is there
To bring us fresh
And colorful light.

Gajanan Mishra
We Should Remember

All that glitters are not gold
To admit it we have to be bold.
All that big are not big
Looking big talking big
Biggish really not big.
Giving a touch one can reach
To the pitch.
Going to the dark
One can see light
All lights are not to sparkle
Not to shine not to glitters.
We have light in our rock-body
That is not to vanish
Not to wear-out
We are not to vanguard.
We are gold cent percent pure
And we are here to glitters
All that glitters are not gold
We should remember we are told.

Gajanan Mishra
We Should Remember What We Are

We should know what
We are giving to whom,
We are giving torch light
In the hands of the blind,
We are giving radio
In the hands of the deaf,
And we are giving microphone
In the hands of the dumb.

The number of beggars are rising
And we are telling we are progressing
It is not our fault, it is default.
Beggars are the only resort
And who is not a beggar
The question not easy to answer here.

Gajanan Mishra
We Spent

We spent the night
Waiting for light.
We live for love
Knowing love is
Our own life
That is in us.
Talking to each other
We know the hearts.

Gajanan Mishra
We Stand For Right Action

Right thought,
Right actions,
We are there with
All these that are right.

We stand for right actions,
We stand for truth and love.
Right intention is a must
For rightful living together.

We are right who will say,
it is the people who can declare
This after so many years of experiences.
We are right when we are committed
To common welfare with all
Truthfulness and loveliness of life.

Gajanan Mishra
We Suffer Because Of Our Dreams

We suffer because of our dreams
We create our own fearfulness
And we suffer because of this situation
We suffer because we see a tiger in our dream
We suffer because we see a snake in our vision
In a subtle form we create our situation
And we suffer the consequence
All these are due to our bodies
The subtle and the gross
O my dear, let us rise from sense perception
Let us learn to tolerate without being disturbed
We suffer because of lack of knowledge.

Gajanan Mishra
We Suffer From

We suffer from
Material fever.
Symptom is dangerous
With the rising of temperature.

Misunderstood is there
Among each other.
No diminishing report
Even after our departure.

Now and then we search for
New chapter,
But we failed to play
The role of progressive emancipator.

Gajanan Mishra
We The People

We the people
of the world
want to live.
Live with dignity
Live with fairness.

We are not
immigrants.
We are here
for all times to come.

We do not want
anything from anybody.
We have everything
already.

What is wanting
in our brain.
and we are simply
blank paper.
We are to solve
each and every problem.

We are progressive
and leading
to be human.

Gajanan Mishra
We The Poet

We the poet hit straight
Our words our actions are straight
Our body our mind our soul being straight.
We the poet welcome all animate inanimate
We worship nature we worship humanity
Our attitude our approach being straight.
We are truthful we are peaceloving
We are straight in ideology
We are not here to favour anybody
We are being always in the side of light.

Gajanan Mishra
We The Three

We the three
Are in fact one but
Because of
Our ego we are
Telling we are separate
We the three
The world
The being
And God almighty
Originally
Our own self is
Divinely eternal
Existence and
It has no ego
As such
We the three
Are ego-less
And one and same
And we are here
And we are here
For welfare of all.

Gajanan Mishra
We The Worst And

We the worst
And you the best.

You know not
The language of the land
You rule.
Your mother is
Not the daughter of
This land.
Your father has done
Irreparable loss
To the official language
Of the state.
And you are the best.
Can you say all
The names of your own ministers,
Secretaries, helpers
Without seeing the papers?
Can you say what
You are eating, drinking
And how you are sleeping?
Is there love in your heart?
Yet you are the best. Hurra,
Hip hip, hurray!

We are the worst.
We love our mother,
The daughter of this land.
Our fathers taught us
How to love and sacrifice
The life for the mother language
For the mother land and
For the mother.
We say we are independent,
We are separate,
We are sovereign.
It is our birth right
To get letters, orders
And everything in our language,
The language prescribed by
The Constitution and
The laws of the land.
We vote for our representatives
Who are there in the Assembly
To frame laws for us.
And you are killing us,
Every day, every moment.
Killing our mother,
Killing our identity.
We are the worst!
Get lost.

Gajanan Mishra
We Two

We, the two,
East and west
Staying in truth,
Love together,
Love each other.
The time declared
Us, the best and we are
In peace for ever and ever.

Gajanan Mishra
We Two - For Good

Joined together,
For each other.
Opposite though,
We are one.

We are well known
To each other,
For good,
We are in truth.

Gajanan Mishra
We Understand

We understand,
We understand each other's need,
We understand each other's need to nurture,
We understand each other's need to
Nurture and protect one another
Space and identity.
We are devotees,
Devotees of one another.

Gajanan Mishra
We Were All In Dark

Where about not known,
And we were all in dark.
No language, no symbol,
No life, no sky,
And we were all in the ocean.
What we thought
That has been forgotten.
The life we drank
Was no more with us.
The spring died
Early in the morning
With the cuckoo.
About the colours
We have nothing to uttered.

Gajanan Mishra
We Were Sleeping

We were sleeping
We were eating
We were staying
We were doing,
Doing everything,
Together.
But now I am
With my mother,
I am now going to
Do something
On my mother land,
I now want to
Do all business
In my mother-tongue,
Without any self-interest.
But you now
My dear, want
Personal profit
Out of my labor,
That I differ.
If you are really
My friend
My dear and near
Come forward and
Do whatever you like
Without taking anything,
You are welcome.
Keep not anything within you
Any hidden agenda,
Be clear in heart.
Take not any advantage
At any time while
Serving your mother,
While doing anything
For your own land
In your own mother-tongue
For your own-men.
We Will Die Anyway

We will die anyway,
But before our death
We want to see ourselves
On our land,
We want to talk
In our language,
We want to drink
The stream water
Of our area,
We want to eat
Rice and dal
That are there
In our field.
We want to smile,
We want to cry
As per our sweet will.
We want to fly
Beyond the sky.
We want to love,
We want to stay
In truth on this earth.
We are the stars,
We want to know
What are there within us
We want to live
Here as our own boss.

Gajanan Mishra
We Will Not Allow

True,
We will not allow
Our languages
To be threatened.

We do not seek
Confrontation, but
We are not here
To run away from
Any confrontation.

Our language,
Our land,
Our mother,
All paradise
For us.

Dear friends,
Join us
To achieve
Our Grandfathers
Envisioned.

We are free,
We are sovereign,
We believe
Peace and progress
Through strength.

It is all
Our heaven
Each one deserves.

Gajanan Mishra
We Wish

We wish
No one should be sad
We wish
Everyone should be happy
And get peace.

Developing generosity
We can serve others
By objects and actions
We ourselves are
Generosity personified.

Gajanan Mishra
We, The Human

We the Odias,
We the human,
Are committed
To building bridges
And helping to
Embrace all
Of humanity
With our culture
And language
And life,
And move forward,
In strength and
Confidence to a
Better future.

Gajanan Mishra
We, The Friends Are One

We, the friends are one.
Friends, we are one.
Come on to become one, friends.
Life is one with birth and death,
With water, air and light.
One earth, one sky and
In between that earth and sky
We are all one, my dear friends.

Gajanan Mishra
We, The Men Are

We, the men are
Here for each others
Welfare and not warfare.
We, the men should
Remember, we are here
For a moment and for ages.
The time is with us at present,
We, the men should
Realize, we are the part
And parcel of almighty
Who is here with us current.
Nothing to fear, nothing to worry,
We, the men are not for bury,
Love and peace are to carry.

Gajanan Mishra
We, The People

We, the people of this world
Should not allow us
To slip out of our minds
All the animate and inanimate
Here and we should remember
All are one and the same
As it was before and
As it would be after.

Gajanan Mishra
We, Two

We, two are here
Fallible and
Infallible
You are entered
In to us
And established
Yourself and
Started giving orders
Without any questions
We started going
Towards You.

Gajanan Mishra
We, Who Are

We, who are living
in buildings and flats
are suffering from insecurities
though we have kept security guards.

We, who are living
in thatched houses with leaves
papers, boards etc are suffering
from rain, wind, hunger and thirst.

Life itself is insecure
and who are we to hope life secured?
Secured for what?
as we know all are farce.

We see life before us
and it is all empty given by almighty boss.

Gajanan Mishra
Weak Law

Weak law,
Corrupt Govt,
Without punishment.

My dear,
Enjoy the pleasure
Of the people
By doing all
Openly and
Transparency
And enjoy power
For the satisfaction
Of the people.

Mission is welfare
Of all the people.

Show not
Any weakness
In formulation of
Law and giving
Punishment to
Law-breakers.

Give freedom,
Enjoy freedom
And bring
All out reforms.

Gajanan Mishra
Weak Law, Corrupt Govt

Weak law,
Corrupt Govt,
Without punishment.

My dear,
Enjoy the pleasure
Of the people
By doing all
Openly and
Transparency
And enjoy power
For the satisfaction
Of the people.

Mission is welfare
Of all the people.

Show not
Any weakness
In formulation of
Law and giving
Punishment to
Law-breakers.

Give freedom,
Enjoy freedom
And bring
All out reforms.

Gajanan Mishra
Wealth

Wealth cannot comensate health.

Wealth is earthly
Health is above it.

Actual welfare lies
In proper maintenance
And through health
You can reach heaven.

Gajanan Mishra
Wealth - Delusion

O my dear, be free from delusion,
Delusion of kinship,
O my dear, conquer the wealth,
And what is wealth,
Wealth consists in
Destruction of delusion.
And delusion born of ignorance
And delusion destroy only by Truth
Stay in Truth, my dear
And life is the whole truth here.

Gajanan Mishra
Wealth And Sorrow

Wealth and sorrow,  
Both are harmful.  
Wife and knavish  
Both are painful.

But I am not the one  
To publize them.  
I am here  
To tackle them.

I know diamond is  
There within the coal.  
I know the sun is there  
Within the night.

Gajanan Mishra
Wealth Means

Wealth means death,
Go not towards so-called
Material wealth,
What you see,
What you touch,
What you possess
All are material wealth.
If you are accumulating
Those wealth means
You are facing death.
Remember, my dear,
Your wealth is
You yourself. If you want to live,
Have control on you, thanks.

Gajanan Mishra
Wealth Of The Poor

Wealth of the poor,
O my dear, I am poor
You are the wealth of the poor.
O my danger, I am in danger,
You can alone drive away my danger.

I am here, waiting for You
To get Your blessing, O my dear,
You are my path, and I am relaxed
In heart, I am crying but I am happy,
O my dear, I am following Your route chart.

I am successful from the very beginning
You are my trouble-shooter, here with me,
Colorful lights I am watching, that's Yours
I know, no hunger no thirst, can check me to go.

Gajanan Mishra
Wealth Wealth And Only Wealth

I have no wealth means I have nothing
Everything is reserved for the wealthy
Where there is wealth there is power
Law and justice is applied on the basis of power
Nobody likes knowledge culture and behavior
We are facing day to day at present here.

Today if a man is wealthy he is considered high class
If a man is wealthy his behavior is considered enlightened
If a man is wealthy it is presumed he is a dedicated worker
To promote the happiness of all creatures.
It is forgotten that in all living bodies there is an
Eternal spiritual spark that partakes of the divine conscious
Nature of Truth that is in me that is in You and
For this we are not blissful we are not satisfied in knowledge
And we are not in peace and no good understanding is there with us.

Gajanan Mishra
Wear Not

Wear not
Jeans and
T-shirts
While coming
To public office.
Switch off
The mobile phone
If any, with you,
At the time of
Hearing and
Working.
Show not
Your design.

Let me support
The dress code
And the discipline.

Gajanan Mishra
Wear The Belt

In this growing light
It is all dawning,
And at this time
Let me request you
To wear the belt
For all truth
As we have to proceed
Fast to touch the sky.

Gajanan Mishra
Wear The Glasses

Wear the glasses
That suits you.
But disturb not
Others by pressing
This and that
Are such and such.
Your glasses, itself
Is not true, mind it.
And the related views
You said are not
Like that as you said.
Everything is covered
By something, try to know,
And be cautious for
Polluted vision.
Take appropriate steps,
But remember, each
And every step is wrong.
Of course, you are everywhere,
Or nowhere or here
Or there with
The idea of the flavor.
Yes, I am here to congratulate you
For time-consuming endeavor.
Take, glasses - yours.

Gajanan Mishra
Weather And Woman

Weather and woman
Same and unchanged.
It is your topics
My dear poet
Charles Bukowski.

And I am here
Not so serious reader
On your line
Giving suggestions
Either to go with
The Govt or leave
The land.

O Charles Bukowski,
I have nothing to write
You must admit
And I have to
Fetch the rain
That is running
Through me
Day and night.

Gajanan Mishra
Web

Web of smile,
But weaver
Not seen.
Wedge are there
Only on weak.
Sky-deep ahead
There all born
Out of wedlock.

Gajanan Mishra
Wedding

With profound joy
I request Your august presence
And grace the occasion
And bless the newly weds.

Let them join hands
In Your love, my dear
Let them begin their
Life together here.

Let them believe
Your words
Let them grow
In Your faith.

O my dear, fill up please, I pray,
Truth and love whole life, whole day.

Gajanan Mishra
Wedding Presents

Here is the groom
Here is the bride
Dressed exquisitely
All men and women
Are full of joy
And adorned with
Shining jewels earrings
All are with wedding presents
Everything is beautiful
And decorated
Flower garlands
Cloth banners
Precious gems
Full water pots
Scented incense
And lamps
Glorified songs
Everywhere
And wishing good
For a new life.

Gajanan Mishra
Weeded Out The Root

And get no sorrow
No sad in suffering
No discrimination
Discover the reason of suffering
Wipe out the cause of suffering.

Gajanan Mishra
Weep And Wash

Weep and wash
Your eyes
With your own tears,
And see everything
And everyone here
Without fear.

Gajanan Mishra
Weep Not, Dear Farmer

Weep not, dear farmer,
Good days are there to come.

Commit not suicide,
Life is here with us
Only for once.

Let us adjust ourselves
With the night.

Dream to defeat the time,

Gajanan Mishra
Weeping Woman

Weeping woman
and your bad luck
are going together.
Woman without will
makes your house
sorrowful, my dear.
Ensure woman's freedom
And find all wisdom.

Gajanan Mishra
Weight

How I weigh?
Where is the weighing machine?
Since I am in body-cart
Can the weigh-bridge able to
Give the correct result?
Body-cart is not man-made
Body is one type of nectar and pure
Weighing machine and weigh-bridge
Differs in so many aspects
It is difficult to measure You
O my dear since You dwell
In all the bodies.
I learnt from my forefathers
To measure valuable articles
Through eatable rice
Like four rice is to one gunja
Five gunja is to one pana
Eight panas is to one karsa
Four karsa is to one pala
One hundred palas is to one tola
Twenty tolas is to one bhara
Three thousand grains of rice is an ounce
Eight bhara is to one hundred seventy pounds
And like this there are so many measurements
As there are so many forefathers and nations.
To speak the truth, my dear
And I can't say mine is right
Another's is wrong.
Let me say You are immeasurable
And all things all creatures
Of Your world are beyond measurable.
Excuse me, I dare not to measure and weigh
Anything anybody here
I am so poor a creature.

Gajanan Mishra
Ah see me,
The weight of
My wife and children
Is much heavier
And I am being
Pulled down.
My crime is-
I am thinking my
Wife and children
Mine, my own.
My crime is-
I have forgotten,
I would disappear
Once for all.

Gajanan Mishra
Weightless Spring

Weightless spring
Coming and coming
With mesmerizing
Myriad hues.
Red green yellow
Pink love-flowers
Are at hands of mother
With motionless wings.
Morning and smiling sun
With dazzling water
Birds high pitching
Deferred date of going.
O my dear this is the time
We must go together to
Fulfill the body and the soul
With full cosmetic cosine.

Gajanan Mishra
Weird World

True, this world is weird.  
And we are all weird or say  
Eccentric and odd persons.  
But no one is weighty, though,  
Welded with each other.

Wellnigh, impossible to stay  
Anywhere with anyone  
Even just for a moment.  
Still, we are all well-kept  
By the supreme time, love and the truth.

Let us live here well-intentioned,  
Let us stay well-informed,  
Let us search our own well-head,  
Let us proceed forward well-earned.

Gajanan Mishra
Welcome

Life is a challenge
Welcome it
Life is a Flower
Look to it
Life is a war
Fight with it
Life is life
If there is wife.

Gajanan Mishra
Welcome Home

Welcome home.
Where is my home?
Who I am?
And who you are
To welcome me
At this moment.

Am I yours reflection?
Are we not together?
Is there any difference
Between you and me?
Nothing is clear.
And you are calling me
Come on, my dear,
You are welcome, most welcome!

Gajanan Mishra
Welcome Life

Let me say-
Welcome.
You are allowed
To say thank you.
Life is here
In these words,
Just we are to
Feel all.

Condition is okay,
And the position is fine.
We are to enter into the air,
And we are to catch the star.
But fact is our life,
That is there in light.

Gajanan Mishra
Welcome, O You Are

Welcome
O you are welcome
With best offers
I am here
Today and
The days to come.

The flicker of hope
Is alive see within
As you usher in
And I pray for a
Safer world
In free sky
In free air.

Please come in
O my dear
And you are coming
And patience
I have to bear.

Gajanan Mishra
Welfare In General

Who is there
To think about
The welfare of the people
In general?

The interest
Of the people
In one side,
Taking advantage
By the politicians
And officers/ministerial
On the other side.

Absence of love and truth,
Disregard to laws and procedures,
Are danger to democracy.

Gajanan Mishra
Welfare Of All

Welfare of all should be the aim
To show good behavior should be the duty
Fearless life we should live
We should know our enemy that are within
We should be detach from all and be happy always.

Gajanan Mishra
Welfare Of Others

Welfare of others,
And for this
All works should be
Undertaken on priority basis.

No selfish desire
And nothing like that
Should be kept inside
To get great bliss.

Gajanan Mishra
Well Advance

Well advance
In ignorance
But not
In knowledge.

Knowledge of truth
But a necessity
That we have forgotten
In this material world.

The world, that is ours,
Not with us for
We are in dark,

Darkness, to be driven out,
We have forgotten so far,
As we are ignorant.

Gajanan Mishra
Well Protected

Everyone is well protected
Everyone is very competent
Everyone is a whole
And not a fragment.

Gajanan Mishra
Well Said And

Well said and it is
Best summed up,
The life
Without words.

And we are all
Sailing without
Any disturbance.

Perfect unity is there
And we shared
The placid tranquillity.

Life is in harmony,
But our thoughts
At times misled with
No yielding quality.

It is nature
And we are all
Satisfied keeping
Silent in actions
And also in non-actions.

Just resting movement
And life is translated
Into the living tradition.

Thank men, Thank
For your pragmatic side
In the exclusive interview
Of life well.

Gajanan Mishra
Well-Wisher

I know You are my well-wisher
You are well-wisher for one and all.

I know You are self-sufficient
You are eternally existent.

I know You are all-cognizant all blissful
I know You accept from everyone everything
That is offered to You in pure devotional service.

I know all things are being generated from Your energy
You are not in want of anything
You are being offered as a sign of pure love and affection.

Gajanan Mishra
Well-Wisher, Life's Truth

Since nothing to reverse,
It is irreversible,
And it is wonderful.
The time, the life,
And the symbol of
All power and personality.
The resource is unique,
And it is well equipped
With time and circumstances.
My well-wisher, you are,
My dear, I know here.
I am identified with you
And you are there to love me,
Being my own life's truth.

Gajanan Mishra
Wet Birds

Wet birds are
Coming to me
And asking for
Shelter in this
Deep dark night.

I heard
One or two nights
Are not sufficient
To complete the story
Of rehabilitation here.

But in some way or other
The birds have relations
With me in the past or
In the present time.

Gajanan Mishra
Wet Day

Wet day with the sun,
The sun is helpless
With the time.
The time has a magnet
And the magnet is
Attracting us.
We are powerful and
We can see beyond the day.

Gajanan Mishra
What I Am Doing Is Right

What I am doing is right,
Who will say and on what basis,
Tell us all here.
But we stand for
Composite, plural and
Inclusive society.
No one is our enemy,
No one is an outsider.

Gajanan Mishra
What Is Existing

What is existing
Who is going
How all these are happening
No one can say correctly
At any time.

All are saying
They are running after
Golden deer that is there
Before the eyes in the forest
Of life and yet singing pastimes.

Separating night from day
They arrived and said
It is possible to go anywhere
At a click of pursuing mind.

Gajanan Mishra
What Perceives

My senses are
Not perfect
I know
What I see
What I know
Is correct
I do not know
I acknowledge
You my dear
And I remember you
Without you
Nothing has got value
And nothing new.

Gajanan Mishra
What A Man Can Do

What a man can do
A woman can not do
Is wrong
What a woman can do
A man can not do
Is not wrong.

I am not saying
I am against a man
I am not saying
I am in favour of a woman
But what I am saying
Is not wrong.

I am unfortunate
I am saying something
I am fortunate
I am saying something
That is here to
Open your eyes.

Gajanan Mishra
What A Poet Thinks

What a poet thinks
That I know not and yet
I wish to go with the poet
I know the poet is the only
Person who knows this and that.

Gajanan Mishra
What A Strange

What a strange
This life!
This time!
This earth!

But I know not
Why you are
Crying and laughing
Why you are
Going and coming.

What is loss
What is gain
That I cannot say
But I can explain
The situation.

It is all troublesome
The rain, the lane,
The beer, the tiger,
The son, the daughter.

But my luggage is
Not mine, I know.
Still, I dive,
In the pond
That has no water.

Gajanan Mishra
What A Time!

How to bear
And how to tolerate,
With this blood
And flesh!
But how to do
And what to do
We have to earn
Culture and know.

What a time
Dear friends,
We are all one
And no difference
Is there in us
And yet
We are not able to
Stand united.

We are playing
With the flick-knife
Of the time
And yet we are
Careless here.

Where is humanity?
Where is mercy? ?
We are flightless,
Yet, taking flimsy ground
We try to measure
The sky.

We have forgotten
We are the floating bridge
Between the truth
And love,
At times we are
Flattering and
Saying ourselves
Wise, we know, though,
We are not actually so.

Gajanan Mishra
What About The Snake And

What about the snake and the mouse
That I can't say you, I am not a prophet.
But I must say how, but not why the mouse
And the snake caught in a basket.
And I know they made a truce and
The snake requested the mouse
To make a hole in the basket and
They could get out.
But I can't say whether the mouse
Agree to the request,
And what happened next.
What for I am telling this logic,
You are to know, dear
As you are to proceed further.

Gajanan Mishra
What About This Love

What about this love
When I am thirsty
When I am hungry
When I am homeless.

What about this love
What about affections
When they took away
Everything.

Is love hypocrisy?
Is affection selfishness?
Excuse me
I do not find any word.

Gajanan Mishra
What About You

What about You, my dear
No end
I wonder
Here and there
Attached and
Liberated.

Roots grow
In illusion
I do not know
How I elevate
Myself
Here with You.

Gajanan Mishra
What About You? - Truth

What about you?
Please search out
The truth.
Where are the people?
And what for they are?
It is true, only
Money cannot make them
Beautiful.
Impart knowledge
And make them able
In all respects.
You are with the people
That I know
Fro the truth.

Gajanan Mishra
What Ails You

What ails you
I want to know
But for what
I can't say.
But I can say
I want to know
About my own life
That is flourishing
Here on this field
Filled with
Water and air.
The star is there
Smiling at me and
You know my suffering.

Gajanan Mishra
What Am I

What am I
A smaller creature
Your Servant's servant
I am uncivilized
I am ignorant about the creation
About ether air water and earth
I am blind with false ego
Everyday I am committing
Mistakes after mistakes
I bewilder and is in illusion
What is my position
O my dear, consider me
I am under Your supervision and
Worthy of Your compassion.

Gajanan Mishra
What Am I - Love

What am I,
I cannot say.
What you are,
That also
I cannot say.
But I must say
We are here
At present together.
I must say
If we get separated
There would be
A great changed
In our shape
And size.

Gajanan Mishra
What Am I Doing Here

What am I doing here
All day and all nights
Who am I and where do
I come from and for
What purpose I know
Not anything, my dear
And I am calling You
To explain all about me
And nothing else
You are the only person
Who is here and for that
I am asking You and if you
Pleased with me I pray
Tell me I desire to hear.

Gajanan Mishra
What Am I Doing?

The answer is not here with me.
What am I doing?
Where did I come from?
What are the words I keep on speaking?
I am busy looking myself,
And I am fearing anyone's presence.
Who am I?
What is this time?
All that I want to know
From the very beginning.
But see, I am demonstrating myself,
Here before all beings,
And all are waiting for the next movie
Of my own living style.
No contradiction,
No rhyme, no reason.
But it is all self-centered, dear,
It is all conditioned and not cleared.

Gajanan Mishra
What Am I - Small Creature

What am I
A smaller creature
Your Servant's servant
I am uncivilized
I am ignorant about the creation
About ether air water and earth
I am blind with false ego
Everyday I am committing
Mistakes after mistakes
I bewilder and is in illusion
What is my position
O my dear, consider me
I am under Your supervision and
Worthy of Your compassion.

Gajanan Mishra
What Am I?

What am I to
Tell you more?

Hear me,
Hear no sound.
See me,
Where am I!

When no end is there,
You are going on
And on endlessly,
What for, I am
Asking you, I know
Though, my asking is
Useless as before.

I want to know nothing,
I know, nothing is there
With you, and also with me,
And still, we are both here,
With everything in sight.

Gajanan Mishra
What And How

My life is my life
Not hot not cold
Not rot not cut.

Whom to blame
Why to smile
Here I am
To get a lot.

What and how
Ask not
Not cold not hot
Live not cut.

Gajanan Mishra
What And How Of Life

I see and I watch
What and how of life.
The soft and the hard,
The history and the philosophy
And so many angles
That touch the very truth.
I am here with you, life,
I am here in bee-hive.

Gajanan Mishra
What And Who

I and You.

Half and full
Falsehood and Truth.

I and You
All in doubt.

Yes or no
All that in one queue.

Gajanan Mishra
What Appears Fair

Is imagination
What You imagine
That is real.

Reality is life
No delicate creation
No rival imagination
Just tell them son.

Is there any difference
Between rising and setting
An He is free to bite
If you so like You may join the army.

Gajanan Mishra
What Are There

What are there
If You say nothing
I dare not to deny it.

You say nothing
As You are nothing
But who am I.

I am a man of hunger
And I am in need of You
O my dear, and with You
My satisfaction is never.

With Your presence
For me nothing remains
To be achieved,
To be known and to be done.

Gajanan Mishra
What Are You Doing

What are you doing
I am not asking
I am just explaining
That is what our
Misunderstanding.

And you are taking it
Seriously my dear
I am not here to
Consume your time
And the clouds not over.

Clouds not over
And we are in war
Nothing cut-off
Nothing developed
And we are simultaneously
Uprooted from here.

Gajanan Mishra
What Are You Doing Here

What are you
Doing here, my dear?
Nothing and nothing
Said the bear.

The monkey
Jumped over,
And nothing is
There to cover.

All the words are
Searching the hollows
And they are there
Not with the lion.

It is the turn
Of the ant
And the ant as you
See busy on its way.

Gajanan Mishra
What Are You Doing I Failed To Understand

What are you doing
I failed to understand
I am very very innocent
Where did you come from
I failed to understand
I am very very blind
What are these words
You keep on speaking
I failed to hear and utter
I am deaf and dumb, see
And I wander here there
Often without any intention
I bewilder with the world
That is all around me.

Gajanan Mishra
What Are You Doing There

What are you doing there,
I asked.
Nothing.
You replied.

Our questions and
Answer sessions
Ended without any
Troubles.

I spared,
So also you
Spared me.
I am your
Wellwisher, and
You are in doubt.

Gajanan Mishra
What Are You Going To Do

What are you going to do, my dear,
That I know and if you permit me,
I can tell all without fear or favor.
You want to know who I am and
You want to know the purpose of
My stay here at this time.
If you wait for a while I can
Make you understand all that.
I seek your pardon, but I am here
As you see me, and I pray
Let me omit me from the list of time,
And keep me separate from you
And enable me to give my identity
Before you that would useful for all.

Gajanan Mishra
What Are You I Asked

What are you I asked
And you cried and cried.

I have seen so many persons
Around you, but not a single
To be with you at night.
At night I discover you
In the smiling face and
I feared. You lend your hands
But I failed to see anything
Here but feel though it is
You are your hands around me.

My dear, I have no loud voice
To call you at this time, also
I have no scope to know the time.

Gajanan Mishra
What Are You I Want To Know

What are you I want to know,
And I want to know how you grow,
And you grow within me that I know.
I know you flow without pillow.
As you know the pillow has
Its own ego. And I know
You are not the one to foredo.
And also not the one to let anyone go.

Gajanan Mishra
What Are You Telling, My Dear?

What are you telling, my dear?
I asked.
And you replied nothing.
In which language you are telling?
I wanted to know.
And you said that is your own language.
I said thanks.
I said as because
I love my mother most.
No matter what I understand,
But the fact is my mother is
Living in my words.

Gajanan Mishra
What Are You Thinking

What are you thinking
If you want to listen
Be ready and come,
In the early morning
After bathing.

Go not anywhere
With fear,
Let the lone bird
Sing there, and
Let me ride on the air.

I am in my own city, see,
I am talking to myself
Day and nights. Please
Let me not AGAIN explore my thinking.

Gajanan Mishra
What Are You Trying To Do

Let me know first and then
If you want to proceed
I have nothing to say.

If you utilize your lust
It is well and good
And for this you have to
Work day and night.

In the service of the Almighty
You can applied your anger
And satisfy the Supreme Personality
By your Truthfulness and sincerity.

Gajanan Mishra
What Are You?

You are the empty lake,
You are the dry smiles,
Still, I see your face
Like the swarms of bumblebees,
Your teeth like rows of beautiful swans.
You are restless, disturbed
And scattered and you are
Not attentive to your works.

Gajanan Mishra
What Belongs To Me

I shall ever receive
None else could
Take it away.

Why should I seek
I know so long as
I have a wish
I can not have peace.

I deserve it
And so I do not
Wish for it.
Condemnation and
Appreciation are
Same to me.
For which I am fit
That comes to me.

Gajanan Mishra
What Brings Us Closer

What brings us closer
That I know and I
Jumped in to the estuary.

Gajanan Mishra
What Can Be Said

What can be said
About whom
And about what.

For people
Everything is here
It is in scripture.

Let us sacrifice
Ourselves in this
Middle processes.

Gajanan Mishra
What Can I Do

What can I do
A question
That is in my hands
At present.

At present
I am with you
And I need
No answer.

At present
We both are of
Noble birth,
brilliant and beautiful.

And we both are
Interdependent till end
We know end is
Not anywhere.

Gajanan Mishra
What Can I Do For You

Should be your word to
Everybody here in this world.

First, O my dear
Please be seated here
And make yourselves comfortable.

We love each other and it is true
We are in union for ever
Feel no separation no pain either.

Gajanan Mishra
What Can It Be Said

What can it be said
How can it be said
That He is present
With me before all.

He is present
And it bothered me
Fro what and why
That not known to me.

Gajanan Mishra
What Colour Is Milk?

What colour is milk?  
Who is there to answer  
Without seeing the milk?  
But milk is here,  
And you have no eyes.  
You have eyes, though,  
You failed to see  
The milk correctly.  
White colour appeared,  
But not white.  
Yellow appeared,  
But not yellow.  
Black appeared,  
But not black.  
What is mentioned  
That is the truth,  
No one is there  
To give guarantee.  
But milk is there,  
The life-giver,  
The truth.

Gajanan Mishra
What Do I Do

What do
I do
With you?
With love
With truth
What do
I do?

With the sky,
With the earth,
What do I do?
With air,
With water,
With light, only
I say I love you.

Gajanan Mishra
What Do You Feel

What do you feel
That I want to
Know, my dear,
Your feeling is
Important for me.

Express your feeling
O my dear, that I
Want to hear from you
And I know you are
Pious and a man of
Exclusive devotion.

I believe in your existence,
I believe your words without question,
I believe You are here with me always.

Gajanan Mishra
What do you mean
Gyana ask me
To which I have
No answer.

Where to go
Gyana ask me
To which there is
No road.

I am in the upstairs
No sky is there
And You told me
To fly.

Gajanan Mishra
What do you mean by azadi
And azadi movement?
What is your purpose
Of leading such movement?
Who is not azad?
Be free from your own self,
And then tell your followers
That you are really free and
You can do what you want.
Are you prepared to break
The system that produced you?
Wander not, and be ready to
Go on a morning walk with those
Who have seen the route of the day.

Gajanan Mishra
What Do You Mean By Factory?

What do you mean by factory, my dear
Tell me first is F se not friend
A se almighty and c se common means all
T se tears means love o se oily means detachment
R se renew means always love and y se yes
Friendship is always here in factory
Factory is love affection of all communities
My dear is not our world a factory
Are we not living in it with Almighty
At the centre of our livelihood
Please answer if you could!

Gajanan Mishra
What Do You Need

What do you need to live?
Food? shelter? clothes?
If you said yes
You are telling a lies.
I know you are in need of love
Love love and only love, true love
Without love you know
You are nothing.

Gajanan Mishra
What Do You Really Want?

Dear men,
What do you
Really want?
Who do you
Really want
To be with?
What do you
Want to do?
Tell the truth,
Dear men, please,
Open your mouth.
Dear men, stand up
For what you know
To be right.

Gajanan Mishra
What Do You Think Of Me?

Am I a thief?
Am I a loafer?
Have I engaged me in
Prostitution anywhere
At any time?
What do you think of me?

See me, I am air,
I am fire.
And how you dare
To say so many things.
But I don’t care.

I know the loss is yours,
I know you are there
To put in trouble yourself.

I am nothing and no one,
I am always busy in my works,
Through my words.

All truth I know, and I know
No place is there for falsehood.

Gajanan Mishra
What Do You Want

What is your need
I must know what
Is that.

I know I am no longer
Bounded by any limit
I am broader than
Anything.

I am Your
Entire energy
I am the living being
For the welfare of all.

Gajanan Mishra
What Do You Want?

What do you want?

Rubbish!

You asked,
And I replied.

The miseries,
All are in me.

I am just a
Ghostly spirit.

And I know not
What is real
And how to
Keep contact.

The status of a man,
I want to say.

Gajanan Mishra
What Does It Mean

Friend or foe
What does it mean
That I do not know.

I know only one thing
And that is one who reads
Or hears the poems from
The poet of this site
Would not fear and also
Would not suffer any more.

Read my dear
Numerous poems are here
For you and only for
Your welfare and also
Feel within alone.

Gajanan Mishra
What Else Do You Need

I know you need
Some words
The sky
The earth
Some birds
Some flowers
And the light
And the air.

What else do I need?
I need You only You
I know everything is
There within You,
I need Your presence
And I need in return even my absence.

Gajanan Mishra
What Else Is There To Say

What else is there to say
When everything you know
From the very inception.

It is nothing but non-different
It is nothing but Your internal potency
It is no disturbance but understanding.

Just furnish a significant remark
Just realize what you said what for you work
This is the bless in world order.

Gajanan Mishra
What Ever Is Allotted

Can not be blotted
For me only, for my good only
You are doing everything.
I know, to grieve is a blunder
And see I am free
Free from sadness
And free from fear.

Gajanan Mishra
What Ever You Have Given Me

What ever you have given me
To speak the truth
I am not satisfied with it
I have also nothing to say
About this to anybody
You may test my mentality
What I want and what I do not want
Without doubt let me say
In clear term you are the only giver
But I know there are some
Difficulties and obstacles
And that are with me
That does not admit openly
I am agree to go where you direct
But let me stay with you always everywhere.

Gajanan Mishra
What For Fear?

What for fear?
What for? ?
Am I want to live
For ever?

Fear to whom?
Fear for what?
I know not and yet
I fear.

I know I am dying,
I have nothing to win,
Nothing is mine,
I know I am the supreme,
Almighty is within me,
I am just equal with others.

Gajanan Mishra
What For I Am Living?

What for I am living?
Am I living really?
And what is a living?
Are the questions not yours?
Are the answers not for all?
But forget not
The land and the languages.
Accomplish what you want,
And see what is happening.
Stay impartial and wait and
See and solve the problems of
Your sum from the beginning.
Find out first the beginning
And restart your journey.

Gajanan Mishra
What For The Temple

What for the temple
That I can say
But to whom?

The purpose of staying here
That I can say, my dear,
But for what?

The river is flowing
on its own way.
The forest is there where
it is not supposed to be.

The bird, the unknown bird is
Coming to me with so much words
But I am unable to expressed
and you are asking me at this time.

Gajanan Mishra
What For This Farewell

What for this farewell
That I want to know
Before going to attend.
Before going to attend
I want to know who are
The organizers here and
To whom they are so anxious
To give farewell.
I know to give farewell
Is not necessary as I know
No one is going or coming
From or to the place
Of the destiny. You are
My party and I am yours.

Gajanan Mishra
What For This Fire

What for this fire
That I failed to understand.
What for the sky is
So blue?
What for you smile?
The reasons, I am searching.
I am sure, I am here to get it,
Of course in a positive way.

Gajanan Mishra
What Happened

What happened
I am sick and
Not concerned about it.
I am pulling myself down
My tongue tied
Hostility is within me
All are against me
I am a guardian of stolen wealth
I am a protector of dacoits.
What happened What hapened? ?

Gajanan Mishra
What Happened Here?

Bridges and protective walls are broken down.  
What happened here?  
Food producing trees are cut down.  
What happened here?  
Residential quarters are set fired.  
Ask not who is there  
See and find yourself  
Who is not fair.

Gajanan Mishra
What Happened In London?

What happened in London?
Three stabbed?
For Syria?

What happened in London?
Terrorist incident?
Let us locate
Exact cause and
Let us go for
Remedy, my dear.

What has happened
In London is nothing
But a symptom,
Let us stay careful
For future explosion.

Gajanan Mishra
What Happened In The Paradise

What happened and how it happened
please tell me, tell me, if you are
In sense.

I have no sense, you know
The nature has made me out of sense
I am under the clutches of nature
Countless dead made me not in sense.

Gajanan Mishra
What Happened My Dear

What happened my dear
Love departed with associates from us
Who is here to save us
We the animate and the inanimate existed
We the masculine and feminine
Appellations transgressed our natural bounds
And we are completely possessed by lust.

The whole world I see is blinded and agitated
The minds of all are seized with lust
The boughs of trees bent low at the sight of the creepers
Rivers in spate rushed to meet the ocean
Lakes and ponds united in love with one another
Beasts that walk on land and birds traversing the air
Lost all sense of time and became victim of lust.

Even great Yogis and sages and ascetics are
Possessed by lust, look fair sex is everywhere
What type of game is going on in this universe
Women perceived the whole world as full of men
Men beheld as full of women, it is the terror
Nobody could remain self-possessed
O my dear, where is true love and where is truth.

Have peace and have peace of mind, my dear
Save the creatures, here!
O, it is the lovely spring that appeared
Rows of young trees laden with flowers appearing charming
And love overflowed everywhere
Beauty of forest is beyond descriptions
A cool gentle and fragrant freeze fanned as faithful companion
In lakes rows of lotuses blossomed
Swarms of charming bees hummed on them
Sweet notes are there uttered by swans cuckoos and parrots.

Gajanan Mishra
What Happened To You

What happened to you, my dear brothers,
What happened to you.
Rise and awake and make hullabaloo
For not giving attention to your
Language by your own representatives
And by your own servants.
Kick them out, my dear brothers
For they are not working properly
According to the law and the provisions
As laid down in the Constitution.
Hallo, are you not listening to me?
Have you the same blood as mine?
Come on and raise your voice for
You are the sovereign authority here.

Gajanan Mishra
What Happened Yesterday

I have forgotten
Ask me not anything
About yesterday
I am unable to say
I know tomorrow is
Not ours anyway.

Gajanan Mishra
What Happens

I am responsible
Only for what i do
I am not responsible
For what happens
Here there elsewhere.

I know, a fault
Lies in seeing
A fault does not lies
What is automatically seen
Here neither attachment nor aversion.

I know, I am changeable
I can not know another
That is also changeable
You are unchangeable you are changeless
You can observe you can know all.

Question of pleased and displeased
Does not arise here at this time
The appearance and disappearance
Of the kaleidoscopic mutable and
Perishable disposition.

Gajanan Mishra
What Has Happened

What has happened
That should never
Have happened
This should never
Happen again
The blot on
Our hopes
For the future.

Gajanan Mishra
What Has Happened And

What has happened and
What has not yet happened? ?
What is today and
What is tomorrow? ?
Come closer and know.

Closer and closer,
Just hammer
Round the corner.

It is the sun,
It is the summer.

It is our time to forget
What has happened
And what has not yet happened.
Forget, we have remembered.

Gajanan Mishra
What Has Happened?

What has happened?
You have eyes,
What for not seeing?
You have ears,
What for you are not hearing?
Has your well missed?
Have the banana trees catch fires?
Where is your God?
I am here myself,
You yourself go on
Nailing the the iron rod
on the golden plate!
Yes, it has happened.
No one knows what is that!
I am the scoundrel.

Gajanan Mishra
What Has Occurred To Me ?? ??????? ??? ?????

What has occurred to me
Can occur to you at any time.

Rendering into Odia language;

????? ??? ??? ?? ??????,
?? ????? ????? ??????? ?? ??????? ?

Gajanan Mishra
What I Acquire

What I acquire
That is not mine.
And I acquire land
Knowledge rank ability
Authority, riches, intellect,
Property and they are not mine
And they are not at all
Useful for me.
But my dear, I have a right,
Right to use them
In proper way for
The welfare of others.
As I know I am there
In other's heart.

Gajanan Mishra
What I Actually Am

What I actually am,
Please understand.

True, we are all
Equal in all respects.
True, we continue
To stay even after sunset.

But I pray, let our vision
Not to be bewildered.

Gajanan Mishra
What I Am - I Am

I am what I am
I am not writing what I am not.
Not a single word I understand
I could not understand A B C.

Gajanan Mishra
What I Am - My Name

MY name,
I am what I am.
No duplicity,
Nothing.
I am in all,
They are all
In me.
We are all
In one,
In one thing,
One being.
All living
All expanding,
All contracting.

Gajanan Mishra
What I Am And That I Am Not

What I am and what I am not
Is not a question that is
Perfect and complete, I know it.
Yet I am ready to answer
As you called for before all
I am all pervading in You and
Also I am here outside you.
I am describing myself with nature
O my dear, where you are the mover
Let me say anything that is here
In relation to matter not being
The controller but as the maintainer.

Gajanan Mishra
What I Am Going To Do

What I am going to do
The bird knows
But disclose nothing.

Gajanan Mishra
What I Am I Cannot Say

What I am I cannot say,
But I can say I feel happiness
And I am in misery.
I cannot say I am
This ears, eyes, tongue, hands,
Feet, mind, intelligence, ego.
I cannot say I am the earth,
The sky, the water, the light,
Or the fire.
I cannot say I know about
The smell and sight,
I know about sex and bliss,
I know about place I stay.
I cannot say what I eat
That is my food.
I cannot say what I do
That is worthdoing.
I cannot say where I exist.
What I feel I am unable to say.
What I believe I am unable to express.
Still I am writting poems,
Still I am in love,
Still I am with the truth.
I know not what they are
And where they are.
But if I am not wrong
I can say I am living
Here with others at this time.

Gajanan Mishra
What I Am Saying

What I am saying
Is nothing
But the truth
I swear.

And it is not
A spell of profane
Swearing.

I am here
Only for You
To do all good
To all.

What I am doing
I am doing
As per Your order.

Gajanan Mishra
What I Am Searching

What I am searching
Certainly I do not know
But I am searching
And it is true.

What I am
Certainly I do not know
But I am sure
What I am.

I am on my foot
I am on my way
Certainly sky is with me
And I am sky's refugee.

Gajanan Mishra
What I Am Telling

What I am telling,
That is my personal.
I am not denying,
But I think we are
All one person.
Since earth is one,
Since we are taking
One air, one water,
One light under one sky
On this earth.
Am I telling a lie?
Is our death not one?
Are we not busy in
Doing nothing?

Gajanan Mishra
What I Am Telling You That You Know

What I am telling that you know,
And you know who I am and for what
I am here with you at this moment.
I have faith and believe in you and
I know you fully and it is you
Who who provide me everything
For my livelihood that I know.

Gajanan Mishra
What I Asked You Answered

What I asked You answered
What You answered not
In accordance with my questions
And You told me not to bothered.

I know my questions are not
Worthy of trust and also
Your answered I know further
Questions and answers put together
Worthy for rendering anything.

I am giving importance
Not to Your answers but to
My questions that has value
In living here at this moment.

You have noted my questions
In Your time-diary that is
With Ministers and You being
The king order for further actions
And that is not my contentions.

Gajanan Mishra
What I Beg

What I beg your honor I do not know
You to decide yourself that befit me.

That I am here your product
And it is You who is automatically
pictured by me.

My decision is valued only by You
My dear, I am here only for you.

You told me to beg and I beg
Rest I do not know it depends on you.

Gajanan Mishra
What I Believe

What I believe
What you believe
But we must believe
In Truth and we
Must do all our works
Within the frameworks of Truth.
We should not go
Towards concocted
Sectarian belief
We must admit that
Everything is Truth here
Everything has some use in Truth.
Let us say everything is factual
Don't be envious of anyone
Invite everyone without envy
To join this movement of Truth
Be friend of all, my dear
I know we are pure transparent and
We ourselves are that Truth.

Gajanan Mishra
What I Do

Let me do
What I do.
Let me do
With comfort.
Let me do
With all nobleness.

Let me gaze,
Gaze at you.
Let me see
The truth.
Let me stir,
The formula
That is here
At this hours.

Gajanan Mishra
What I Do - The Truth-Life

What I do,
I am responsible,
I do admit.
I am not responsible
For what happens in the world.
Since I am here,
I see you.
I know, you are the truth
Since I am changeless.
I exist as I appear,
I appear as I exist.
And I am identified
With truth,
I am, here, the truth.

Gajanan Mishra
What I Enjoyed

What I enjoyed
That I cannot
Express here,
What I enjoyed
That is not
There in the scriptures,
What I enjoyed
That is not
What is called pleasure,
And I enjoyed
The road show here,
And I enjoyed
The functioning of
My own faith and character.

Gajanan Mishra
What I Go Through

Read my poetry
And know
What I go through.
I am expressing
Myself in each
And every poetry.
I feel I am able to
Produce what I
Think fit in
The same way as
You live.
Read me, in each word
Discover me, in each
Symbol, find the society.

Gajanan Mishra
What I Have Done

What I have done,
No one can find there
Any falsehood, any mixture
Or any deception
In my love, in my action.

I have everything in me,
Every word, every language,
I am there in
Every place
Where there is truth.

My agenda is one world,
One life, one love, only love
And so you can't find
The place of death here.

Gajanan Mishra
What I Have Experience

I have not experienced
A lack of anything
And nothing is with me now.

What I have experienced
I have openly written
Without any attachment
And I have got everything
With me now.

Gajanan Mishra
What I Have Not Told

What I have not told,
You are waiting
To hear that.

Gajanan Mishra
What I Have Seen There

What I have seen there
I cannot tell you, my dear.
What I have seen there,
There on the hill top,
There at an altitude of
Four hundred seventy six meters
Above the sea level,
There at latitude of sixteen degree
Twelve north and longitude of
Seventeen degree five east,
I cannot tell you my dear.
What I have seen there,
There on the sacred mountain
That are self-manifested
There is my Father, there is my Mother,
They are rare and they are
Only of their kinds,
I cannot tell about them.
What I have seen there,
The flowing of a pious river.
And what is a river, my dear,
I have failed to find its routes
Anywhere here, but I wonder
And I wonder and only wonder.

Gajanan Mishra
What I Have To Say

Let me say
What I have to say.
What I have to say,
I will say.

Gajanan Mishra
What I Like And

What I like and
What I dislike
That I know well.
Let me go free
On this line, please,
And see what I am
Doing here at this time.
Let me touch your feet,
But where is your feet
That I know not.
I want to see you in full,
But where are you
That I know not.
I am not free
And hence how can
I express my likeness here.
Yet I love you,
Though I know nothing
About you and also
About myself, dear.

Gajanan Mishra
What I Mean

What I mean to convey
Is knowledge and action and
No other way to perfection.

Troubles and problems are
There and it is you only
Who can removed them by self power.

Life is here in experiences
In understanding in translating
In to action and in action only
There is as you know salvation.

Gajanan Mishra
What I Meant

What I meant
I can not explain
Minus You O my dear
And it is something
More with You.

Shadow of the sky
Here with the fly
And I can say
Not more than You
And that I know.

Gajanan Mishra
What I Must Say

What I must say
That I know not.
And what I say
I don't know
How far it is able
To give a touch.

I know no difference
Between a ghost
And love.
But I smile
And run like a ghost
With love.

And if in the love
There is a snake or
A tiger, no matter.
For the sake of love
And life, I have to
Cross the border.

Gajanan Mishra
What I Need

What I need
is your love,
is your poem,
is the truth.

Truth, poem
and love all
are one and
the same.

What I need
is your presence
always in my house,
And what I need
is your positive
performance.

Gajanan Mishra
What I Realize

I realize
This is not
My language.
I know that is
My language
Which is not
Separable from me
And always with me.

Gajanan Mishra
What I Really Want

What I really want
In this house?
On rental basis
I have taken
This house and
Putting new colours.

I have no right
On the furnitures,
I live in this house though.

It is crime to
Call this house
As a house.
The address of
This house though
Temporary, if you
Want to know
It is with me.

Gajanan Mishra
What I Remembered

I remembered nothing
I am performing my
Allotted duty
And performing
And forgetting everything
What duty is knowing
Tell me that would
Liberate from all misfortune
It is not remembering
And I remembered nothing.

Gajanan Mishra
What I Said

What I said
Let me write it down
For your future reference.

What I said
It all about
The truth.

Truth has
No past no future
It is there
Only in present.

What I said
It is all about present
As you are present here,
Who knows the future.

Gajanan Mishra
What I Said Hill

What I said hill,
For you, my dear,
It is just a small stone.

You are singing
So sweet and melodious songs
That the deep dark black
Is turning its colors
Into clean white
By hearing.

I am foretold
That you are really
A magician, my dear,
And I am nothing.

What you are
I know from the air.
What you are dear,
I know from the water.

I am perfect clear,
Only due to your presence here.

Gajanan Mishra
What I Say

What I say
They understand.
What I say
They don't.

I am at work
But they are not.
I give them everything
But they are unable to
Take anything with them.

Who I am,
Where I am,
How I am
They want to know
But I am with them.

Gajanan Mishra
What I See

What I see
Really wonderful
My words are
Not capable to
Describe you
O my dear
You vouchsafe
To me the divine eyes
And I am beholding
This tree this bird
This land this air
This moon this star
And I wonder
With this wonderful sight
Decked with many
Divine fragrances
The livings and non-livings
With me with You and
I am unable to speak
Further more
What I see.

Gajanan Mishra
What I Seek

What I seek
And for why
That I know not.

I know not
What to do
With my dreams
That are giving me
Troubles the whole night.

The night is here
And I love the night.
I love night
And the reason is-
The night has kept the sun
With light for me.

Gajanan Mishra
What I Stand For

Do you not want to know
What I stand for;
See the earth
I am there.
Listen to
My language.
I live in you,
See within.
At every stage
Discover my style.
Nothing to earn
But humanity.
Nowhere to go
But love.

Gajanan Mishra
What I Think

What I think,
I think it is
All about you.
You are everywhere,
In trees, in sky,
In earth, in water,
In the air, in light.
But I am not there
Besides you, dear.
I am just an ordinary stone,
I am just an ordinary wood,
I am just an earthen pot
With nothing inside
If your touch is
Not there.
I understand your teaching
In my day to day life, dear.
But the interpretations
Made by several people
I failed to understand.
I observe you
With reasons, but
I want to go outside you.
Life, I feel the truth.
You are in my life,
That I know.
But I know not
Where you are.
I know, I have no
Existence without you
I know, though.
How can I go?
Where shall I go?
The questions I know,
But all answers I
Decline to accept
In toto.
What I Thought

That is Yours
Where I go
There You are.

What are You?
And what not, my dear?
I am here at this moment
Only for a commitment.

What is that?
It is just a click
Of Your eyes-brow
That starts my life.

My life starts with
Minutes, hours, days,
Months and years,
And I know all are false.

I know I am beyond time,
I know You are beyond time,
And we are here for a purpose
What is that I am searching
And going on researching.

It is only You, my dear,
Only You, I know and
I see none besides You
We are all the same here
And also there.

Gajanan Mishra
What I Told

What I told
Was the whole truth
Who told you.
But it is the truth
And truth is one
And the same for all
At the same time.
Agree with me
That you are here
With me since the birth
And you have taken
All the pain for me
Nice to meet you, thanks,
At this time here, my dear.

Gajanan Mishra
What I Utter

What I utter
Is it not poem?
Am I not a live poem?

How I live
Where I live
My shape my size
What are these
If not poems!

Is not poem a vibration?
Is it not in the hearts?
Is it not a feeling? a playing? a living?

I know You are deaf and dumb
I am here reading my poem
And You are telling what a bomb!

Gajanan Mishra
What I Want

I can't say
What I want.
But I want
The sky the love,
Wind the blood,
Water and river
I want dear.
I want the ocean
And the whispers.
I can't say
What I want
To do with all that.
Time and tide
I want to see
How they are all
Going beyond control.
I want and want
To buy
And to sell
On the very spot.
I want to utter
The words,
The use of which
Is a must.
I want to take
All easy
And I want to
Stay awake
To attain the truth.

Gajanan Mishra
What I Want From You?

What I want from you?
I want love, you can
Tame me only through love.
I want your love, your
Devotion, your feeling,
Your discrimination,
Your renunciation.
I want neither your wealth
Nor your power or position.
I feel your love, your
Divine emotion is entering
My body and tearing me and
Shattering me to pieces.
I want your smile, your kisses.

Gajanan Mishra
What I Want To Say

What I want to say
I am not far away from you
O my dear
I know You are merciful to me.

There is no one nearer than you are
I know you are in me
And what I want to say
That is You Yourself are saying.

Gajanan Mishra
What I Want To Say - Care

What I want to say
Let me say
On my own way.

Please put me not
In anything,
And I fear
That would destroy
My gear.

O my dear, let me say
On my own way.

Let me stay in saying,
Saying for ever.

Silence please
It is the notice, I care here.

Gajanan Mishra
What I Want To Write

What I want to write
I could not write.

I could not write
Tiger tiger cat cat
And the difference they behaved.
I could not write
The sky and its fall
On our forehead.

What I want to write
I could not write.

I write how I loved
How flower blossom
How fruit ripe
How stream flow.

I could not know
How I write
And I write
What I want to write
I could not write.

Gajanan Mishra
What I Was Thinking To Write

1.

I have forgotten
What I was thinking to write.
What shall I do now
A great question not only
For me but also for you.
You are waiting there
For the truth
And without my writing
Truth would not be
Come to light.
What shall I do now
Let me think for a while
And then I shall declare
Where to go and how.

2.

Where to go and how and why
All questions are to be answered.
Without giving any answer
You are going that I know.
But you are going in dark
And darkness is there in you.
What I mean to say
To keep a torchlight at least
With you for the time being.
Keep a flower during your journey,
Take some cool air if
You are matter
If I forgot something and no matter
I am not able to do anything here.

Gajanan Mishra
What I Will Do

What I will do
You can do much
What you will do
I can not.
I can write a poem
You can read only
You can write another
Beyond my reach.
Make me understand
Where and how you stand
That is not to see
Not to describe
But to feel.
What you are
I am not
What I am
That you are.

Gajanan Mishra
What I Wish

What I wish
That You know.

I know Your wish
That suffice.

Gajanan Mishra
What Is

What is true,
What is false,
Need to explain,
And also,
Necessary to say
How to arrive,
At the conclusion.

Here I am
In a house,
That is sugarcoated,
That is not mine,
Except me
Who is there
To book ticket
Not was seen.

Is the sun rising
In the east?
Who is flying?
Are you the seeker of truth?
See, no water
Is there in the sea.

True or false,
You are the only person
To engulfed in it,
For the purpose of
Dreams and reality
As well.

The question is
Not about
True or false,
But it is all
About life,
We are living.
What Is A Boundry

Tell me my dear
What is a boundary
And tell me
About cross border
Terrorism and
Technological solutions.
So many issues are there,
Bread, butter, water,
Atmosphere, life savers,
And we know in life
Smart fence has no role
To play in the business of
Day to day that are
On the way of the very truth,
The birth and death for good.
Focus your attention
For all out developments, dear.
Focus to provide true knowledge,
True love on this earth.
This earth is one
And it belong to none.
Where is the boundary?
Boundary-less- our life,
We must recognize each other,
For the sake of living,
Before dying,
Before going out.

Gajanan Mishra
What Is A Day

What is a day,
Till now
I failed to
Get the answer,
The correct one.
Sunrise to sunrise,
Sunrise to sunset
Can never be a day.
As you know
There is no sunset
And also there is
No sunrise.
Since, no day is there,
There is no week,
Neither five nor seven.
But we say
Day by day, day to day
We are here to live.
Living is truth
That I do admit with you,
But my dear for how long
And where we live,
What for we live
The questions
That have no
Specific answers.
I wonder I ponder
But my dear, I fear,
Nothing is there to occur.

Gajanan Mishra
What Is A Good Poem

What touches a man
Directly is a good poem,
Where there is truth
And love is a good poem,
The intention of good poem
Is general welfare,
The important point of a good poem
Is the intention of the poet
And the subject matter therein
And not the use of full stop, comma,
Colon, exclamation mark, question tag,
Or hyphen or use of any ma-vipula
Or ra-vipula or Anustup etc metre,
Feeling of good poem is a great thing here.

Gajanan Mishra
What Is A Home Like

Without a mother
Without a devoted wife?

Home without the mother
Home without the devoted wife
Is a chariot without wheels.

Without mother
Without devoted wife
Home is not home
It is a forest.

Devotional service provider
Is my mother
One who helps me in executing
Religious principles in devotional service
Is my wife
I know these are necessary
For a happy home.

My home is heaven
With my mother and good wife.
My home is pleasing to all.

Gajanan Mishra
What Is A New Year

What is a new year
You say my dear
If it is to cheer
I have no objection
To take beer
But what is there
To cheer
When life is not clear
When we are not here
And where are we
We are not able to
Know at all.

Gajanan Mishra
What Is A Poem

What is a poem
You are asking me
Again and again,
Though you are
reading and reciting
Again and again.
You know very well
Poem is valuable
Both in war and peace.
Poem is ever green
All the times and in
All the circumstances. Excuse me,
I dare not to describe or
Make you understand the poem.

Gajanan Mishra
What Is A Poem, The King Asked

What is a poem, the king asked,
And the poet replied, see, it is
A bomb that can destroy anything
Including your own kingdom.
The king ordered to destroy the poem
And the poet said, just wait a minute,
Before destroying kindly read it out
Yourself and understand the meaning therein.

Gajanan Mishra
What Is A Sea

What is a sea?
And it is a mirror
That has no water
With depth of life
Having so many creatures.

The sea is telling
Go and enjoy life
With your own features,
Like fish and like crocodile
Thinking about own future.

My point is that
If you have time and
Understanding and materials
And strength then delay not
In acquiring the sea.

To acquire the sea
Is really a pious and hard work
Start this work immediately
And instantly for the benefit
Of others, as all are waiting here.

Gajanan Mishra
What is a sin and
How to get rid of it
A great question here.

Gajanan Mishra
What Is A Word

Word and word.
What is a word
That is in me?
Word is a word
It is generous.
Is it?

I am going towards a word
Is it in renunciation
As you say, my dear?
The word is in front of my mouth,
The word is in my eyes,
The word is in my passion,
The word is in my desire,
The word is On my head,
The word pervades my entire body.

And which is not my body
And that I cannot tell you,
If anyway I try to say
It would be false as You know,
I know You are there and
As a guide with natures.

And I am going with a word,
I am going in search of a word,
I am going beyond word,
I know You are a word
And I am within that word,
Let me go, my dear with that word.

Gajanan Mishra
What Is Actual Action

Ask not my dear friend
Before asking see
What you are doing
How you are doing
And what is your purpose.

Ask my dear who you are
How you are here
How much time is there
In your hands and for
How long you are here
In active participation.

All that you can answer
In a lonely place only.

Gajanan Mishra
What is all that,
Strength, fame, beauty,
Knowledge, renunciation.
Personal and impersonal,
Relative and subjective
All put together forms life.
Attribute and causative,
Senses born in the material world.

Gajanan Mishra
What Is All This

What is all this
Ask not and go,
Go on gossiping,
Go on loitering.
See yourself
Therein.
Tell yourself
Thereon.
And you know
What you are,
And why you are,
It's all auto.

Gajanan Mishra
What Is Already

What is already created
That I can discover
And I can not create
And invent anything, my dear.

Inspired by You only
O my dear I can discover
What is already created by You
Under Your vision.

It is I also
Who is created by You
I can not stay here
Without Your willingness.

Gajanan Mishra
What Is Already Told

I am telling you
What is already told.
I am killing some one
Who is already dead.
I am going to the place
Where I am already reached.
I am taking the thing
Which is mine.

Gajanan Mishra
What Is An Age -Ask Alice Munro

What is an age
Ask Alice Munro
The Canadian writer
And 2013 Nobel Prize winner
At this age of eighty two.

Mention not in your question
Any size or space or any condition
And be ready to accept
What is coming to you, my dear
To give further clarification I am here.

What is necessary
That is there in a greater version
I know you are with dignity a good person
You love Munro that I know
Be sure, I am not here to put anything to Munro.

Gajanan Mishra
What Is Astonishing

Astonishing is that
We know there is death
We know the wealth we possess
And even this body
This glamour this opulence
This name this fame
This kingdom this seas this oceans
All are temporary and
Going towards destruction
And death and still we are
Followers of those things
Going with them.

Gajanan Mishra
What Is Beautiful

What is beautiful
What you see that is
Not beautiful as you said
What you feel
What you observe
And that are not like that
What I said.
Different views are there
In different situations
By different persons at
Different times and
What you said is not
Correct as you know
Nothing is fixed.
I do not anything
Good or bad, right or wrong
I am strong and I called you
To return, it is your turn
Beautiful is in, come and
see, it is the right time.

Gajanan Mishra
What Is Beauty

What is beauty and
Who is not beautiful
I am not able to know
You may called me a fool.

I would not mind anything
By your saying, my dear,
But I must say everything
And everybody is distinct
With its and his own beauty.

Gajanan Mishra
What Is Being Written

What is being written by me
Is not new
It is always here as ever
Only a practical touch is given
To the mode
Realizing the Truth
Of the present time
And place.

Gajanan Mishra
What is best for me,
What is best for you,
Who is there to
Tell the truth.

Miserly weaknesses are
There in each one here.
And no one is perfect
In all respect.

Whom to trust
Is a great question,
But we are in a
Time-bound spirit
And that is decreasing
Day by day with no reason.

Gajanan Mishra
What Is Beyond Me

What is beyond me
That I know not, but
Imperishable truth
Is there, I am sure.
Truth itself has
Created me, I know.
I am the part of
That truth, creator of all.

Gajanan Mishra
What Is Budget

This or that
Plan and estimate
With rat and cat
Sit for a while
On the mat
That is what
I say budget.
It is high
That is low
Rich are happy
Poor flow,
No relief to anyone
Everything is plan
Satisfaction is but hollow.
No security
But all credit
No social service
But all herpes
Deal is raw
Some cried caw caw.
Nothing new
No relief in tax and duty
Go on crying house wives
What is costlier
What is cheaper
Think not my dear.
I care not your intention
But I care whether
My life's road map is clear.
It is all about budget
Ask me not, I cannot say anything, as
I am an individual and not a corporate.

Gajanan Mishra
What Is Business

What is business
Hungry man knows not.
Ask a thirsty man
He knows better
about the black clouds.
What is the use of letters
Since I am illiterate.
Study the men, my dear,
If you really wants to
read and write something.
Go to the crowds and
feel alone and see
the sky above and
ask yourself where are you.

Gajanan Mishra
What Is Changing

What is changing,
How it is changing,
Why it is changing,
I know not, dear.
But something is
Changing at every moment.
Within limits and beyond limits
I am staying here
In an eternal and
Indivisible form,
But I am changing,
Who is there helping me
In change that I know not,
But I know I am changful,
I am changing hands,
I am changing places
And I am changing my mind also.
The reason of change
Is not known to me.
But change is the nature
And yet we are fixed here.

Gajanan Mishra

Gajanan Mishra
What Is Death

What is death
Who said he died
Why are you dying

With all these nomenclatures
You were here
You are here
And you will remain here
For ever.

Gajanan Mishra
What Is Death?

What is death?
I know it is
A place that is
There after
Closure of market.

Our desire,
With the overflow
Of laughs and
Spell of weeping.

That I know clearly
Here in this world.

Gajanan Mishra
What Is Emily Dickinson To Me

What is Emily Dickinson to me
I do not know but I know
The bird that is on my mango tree.
I know the grass and the dew
And I know who are you
And how I love you
At least at this moment
As I am writing this poem.
And so many things I do not know
What is my order of life
Where am I now and I involved
Myself here and let the time
Pass from me.

Gajanan Mishra
What Is Enlightenment

Enlightenment is a rich
Blissful deathless birth-less
Ageless experience
What is birth and
What is death
I am sure birth and death

Beyond your control
You can only get bliss
If you satisfied yourself
In all circumstances
And lead life in contentment
Heaven is not far away
From you.

Gajanan Mishra
What Is Fate

A free a natural man.
What Is Final

What is final
Not known to any one
And yet dissolution is there.

Not known to any one
And yet they said it is the beginning.
No one knows
Where is the beginning
And yet they are crying for loss of the middle.

Gajanan Mishra
What Is For Me

What is for me
That I know, my dear,
What is mine, that I know.

Can get happiness but one
Who causes pain can never be happy.
I know love alone is here
There and everywhere.

Gajanan Mishra
What Is Future

What is future who knows
and yet we are thinking
so many things for future,
We hope our future safe.

We know we had nothing
in the past and there will be
nothing in future and yet
we are hankering for the present.

Present is not present with us
and yet we are telling stories
to change our own mind set.

We are not faithful to our own lives,
We failed to understand who we are,
And we mistook us as permanent resident.

Gajanan Mishra
What Is Gain

What is gain
Ask me not again.
I have strength
To regain.

Link is there
As before with you
And it is love,
It is truth,
It is eternal absolute.

Gajanan Mishra
What Is Going On

I know not.
I do not want to
Know and bewildered.

But it has side effect.
Remembrance and forgetfulness and
Within that you are to keep a balance.
Balance is life, my dear
Live like a learner.

Gajanan Mishra
What Is Going To Happen

Gajanan Mishra
What Is Good

What is good
What is bad
Give me food
Only a bread
Or else it is sad.

If you are in bed
O my dear
All is bad
If you are sad.

- Mom means mum or mother

Gajanan Mishra

O my dear sky how can I know
It is my love and it is your love
That I am in between these two.

Gajanan Mishra
What is happening
I am here just to watch.
What I am watching
I cannot say and
You should not ask.

I am here on this earth,
And the earth is there in me,
Definitely I am the earth.

To go with fire and water
Is my routine affairs.
And I am keeping myself free
From affliction and worries.

I am living here but not alive.

Gajanan Mishra
What Is Hell?

What is hell?
Do you know what is
Hell, my dear?
Have you lost your
Life on the leafless tree?
Are you within the beast?
Have you lost all fearfulness?
Is there no cooking and is it stopped?
Give liberation to all inhabitants
Of all hell and eradicate all sinful reactions.

Gajanan Mishra
What Is Home?

What is home?
It is as said
Home home sweet home
Where there is love

And not a mere house made of bricks and cement.

Gajanan Mishra
What Is Honesty

What is honesty
Honesty is giving
Your things to you only
And if I am not giving back

And my worries grow
Like anything.

I pray you not to
Forget me in
Any circumstances
And if I am under the sky
I have nothing to lost
And this is my victory
And that I know nothing.

Gajanan Mishra
What Is In A Name

What is not in a name
Try to know but ask not
Dear, what is in a name.

Name is name that has
Everything and that is
There to give its own light.

We have to develop our
Mutual love within us
And go insight
Acquiring knowledge.

We have to invest
Ourselves in this
Cycle of life and death
To get that brightness.

Gajanan Mishra
What Is In Me

What is in me
I have to know,
Who am I
I have to know,
What I am doing
I have to learn
From it.
Where I am
A crucial question
I have to ask
Myself for the answer.
Where to go,
As no one is there
To tell, I am silent.

Gajanan Mishra
What Is In My Heart

What is there in my heart,
You know better, my dear,
As You are there.
My aim is to attain You
O my dear, You are being
The Supreme Truth.
And You are here in my search
I am searching You for the sake of
My progress towards You and from You.

Gajanan Mishra
What Is In Silence

What is in silence
That I am going in to
What is in sounds
That I am leaving for you.

In music and event
I am taking steps
To co-relate and
You have provided
Space to integrate.

Inventing myself
In main cross point
I walked away
In silence
And nothing to say about.

Gajanan Mishra
What Is In Store

What is in store
That I can not say
But I can say
What for I am here
And if I say this that
I get peace
I am happy
I am actually enjoying
Your company
And I am fortunate
I am here with You
At this time
That is rare
In history.

Gajanan Mishra
What Is In Your Eyes

What is in Your eyes
That I see, my dear
In Your round eyes.
Let me see again You
My dear, let me see
In Your eyes again.

I dare to see You, my dear,
It is Your grace, it is Your face,
Let me see You on the surface.
I crave to see, only to see You
O my dear, in Your eyes my picture again
And I want to locate myself in You where I am.
That I see, my dear, in You
And I am here for ever, for ever.

Gajanan Mishra
What Is Independence?

What is independence?
If you are not allowed to
speak in your own language,
If you are not able to earn
Livelihood on your own soil,
If you are not permitted to
move freely from one corner
to another within your village,
town, city, forest, road, river.
What is the use of independence?
If you are supplied with everything
in foreign language,
If you are leaving your mother land
to earn something to fill up your belly,
If you are forbidden to keep your mother
with you always.
Think a while, my dear friends,
And declare before all that
You are independent
And you are celebrating
Independent Day. Thanks.

Gajanan Mishra

Ever remain the same.

Gajanan Mishra
What Is Knowledge

What is knowledge

What Is Life

What is life
Tell me my wife.
Remember, my birth day
Is Monday and that of
Yours is Tuesday.
We got married on wednesday.
And on Thursday our son
Took his birth.
On Friday we fall ill.
On Saturday we admitted
In hospital and let us
Be ready to die on Sunday.
Who said Sunday is a holiday
And death is not there to come.

What Is Life We Know Not

We all are terrorist.
Let me say again we all.

We are not able to know
What is a life till date.

We are not able to know
The process of this life,
The purpose of this life.

We all are terrorist,
We are terrorizing others
To fulfill our ill motives.

We all are terrorists,
We are tolerating the terror
of others while they are
Going against ours children and mothers.

Gajanan Mishra
What Is Living

And who is living
Living for what.

I don't know
Why are you
Asking me
Such questions
That have
So much intrigue.

Who told you
I have no desire
Who told you
I am not here
And it is not fair.

Gajanan Mishra
What Is Loss And What Is Profit

No calculation made by anybody.

World's affairs in this way is going on
All are on one side
And other side is blank fire
Not yet ascertained
Who is there actual needy.

Doing and not doing
Smooth and rough
You are in your own identity
Going on the path of diversity.

Here you can love here you can hate
Nobody is taking care himself and
In happiness and in disappointment
Being moody you failed to recognized
But I am going see being speedy.

Gajanan Mishra
What Is Love

What is love
Please know,
try to know
and please
understand the true
nature of love.
Love is not lust
I am sure,
love is within me
and within you
that I know.
I know, we both are
neither devils or demons
or ghosts or fiends.

Gajanan Mishra
What Is Love?

Very difficult to explain.
Some say - nothing but
Sexual satisfaction.
Some other say - giving
And taking with mutual understanding.
Some other further say -
It is entering, it is accepting
Without any complaint.
But what I feel,
Love is beyond any definition,
Love is love and let us
Leave all with love.
Love is the only truth,
And the truth I know with you.

Gajanan Mishra
What Is Lust Desire Etc

What is lust, desire, 
hope and ambition etc?
These are nothing but 
disinclination from truth 
and inclination to falsehood.

Truth is eternal and 
unchanging but falsehood is 
perishable and kaleidoscopic. 
It is attachment, 
It is attraction, 
and here one cannot find 
discipline of action, 
knowledge or devotion.

Gajanan Mishra
What Is Marriage

Question you asked
And I replied it as
A joyful tie
And further I said
Starting wound
At the heart
And a knot between
Male-sky and female-earth
Day and night you are
Putting question
And I said just live in
And live in.

Gajanan Mishra
What Is My Dream

What is my dream
How can I tell you?
You are the dream and
Dream itself is you.

See the dreams in queue
And it is the space - empty
You are to wait
And let the filling complete.

Waiting is painful
That I know and for this
Arrangements are there for actions
And it is as per your mind.

Lock is yours and
Also the key, go and see.

Gajanan Mishra
What Is My Duty

What is my duty
My duty is to compose
A poem that bears eternity.

I expect no reward
For the duty I have performed
And I am trying to perform.

I have no other consideration
Except performing my duty
For duty’s sake.

Gajanan Mishra
What Is My Faith

It is my character
What is my character
You to judge, my dear.

My faith is my conviction
My tate of being
It is my fate
It is my feelings and actions.

It is not my caste not my creed not my country
Not any tradition not any social order
O my dear, it is what you have given me
My very nature my sense that is inner.

Gajanan Mishra
What Is My Knowledge

What is my knowledge
That is my perfection
That is Your grace.

What is Your grace
That is my knowledge
That is my perfection.

What is my perfection
That is Your grace
That is my knowledge.

Gajanan Mishra
What Is My Own

What is my own,
Without knowing it
I am wandering in the world.

Gajanan Mishra
What Is My Poem

What is my poem
I am asking to everyone
Dear to me
And they are looking me
As if they know nothing.

Am I not the well-wisher?
Am I not equal to everyone?
Am I sided with some?
Besides me nobody is here
To give a clear answer.

No one is dear to me
It is sure and nor
Is any one my enemy
Read my poem it is everything.

Gajanan Mishra
What Is My Poetry

What is my poetry
Let me say in a few line.
But my grief is that
I find no line.

My grief is that
I grieve for you,
I know though
You are not the truth.

I know not
What is the truth
And where it is.

Truthe can not be
Harvested that I know
Still I am going with you.

Gajanan Mishra
What Is My Prayer

What is my prayer
I do not know
And I pray.
And I pray
Continue to pray
I do not know
Answered or unanswered.

I know O my dear
You are for me
I am for you
You are acting for me.
You are acting for me
Always everywhere
And I have full faith
And I am making everything.

Gajanan Mishra
What Is Necessary

What is necessary to me
That is luxury to you.

Still we both are
Enjoying here
The water
And the water
Is not blood.

Something that is
Special and auspicious
Is food
And next
Cloth.

If you are here
With me
Come and see
Luxury and necessary
That I want to show.

Gajanan Mishra
What Is New

In this same air
Same water
Same light
Same sky
And on this earth
Tell me
What is its worth
And tell me
Before this
Colorful night
And tell me
What is right
In this
Houseful might.

Gajanan Mishra
What Is New- Show It

You are asking me
What is new
I am telling you
Nothing new.

Newness is to be
Search out here
At every moment
That you failed
What shall I do.

Newness is in
Your brain
Newness is in
Your very love.

Show it to all here.

Gajanan Mishra
What Is New That I Want To Know

What is new that I want to know,
My poetry is here as you know
Searching for life and telling
All the old and new mixture, but
Telling the truth of the universe,
Try to understand all with love
And words and thoughts and works
And tell all to go forward for peace.
Tell all that you are for them and
They are for you and show them
The interconnectivity source from
The very lifestyle of yours and take
Them into confidence that you
Belong to their group and not others.

Gajanan Mishra
What is not divine,
Tell me, my dear.
I am here to hear
Your answer to
Take myself to future.

Rumour is that
I am the dirt
In divine's art,
I am with tears
Going with nature.

Rule of law that differ
From the disappoiter,
I am the poet
And the philosopher
Waiting to proceed further
With my own self-rudder.

Am I not divine, my dear?
See me, listen my lecture,
And if you have wish
You may utter.
But be sure, your
Each utterance is also divine.

Gajanan Mishra
What Is Not Good

I have to disassociate myself
From what is not good.
And what is good I do not know
O my dear please enlightened me
On this score.
I do not know what is evil
And when it works as evil
O my dear please enlightened me
On this score.

Gajanan Mishra
What Is Not New

Ask not what is new
Ask if you want to ask
What is not new.

See, what is worth seeing
And what is worth seeing
You are to know.

Here is the guava flower
That is there to tell you
Life's real Truth.

Truth is you are living
At this hour before me
And to you I am protecting.

Being seated here within you
I am asking so many questions
And you are trying to answer.

All answers are in me
As you see within
Be calm and have patience with you.

Gajanan Mishra
What Is Not There

Everything is there
In a language,
The mind, the heart,
The life and what not.

Talk to me with my language
And win my hearts.
Win my hearts and take
Everything you want.

Truth and love are
There in the language.
Wash off your dirt
By using mother language.

Be aware of language,
And make your life successful.

Gajanan Mishra
What Is Not You

What is not You, tell me
Where are not You, tell me
Who is not perfect, tell me
When are You not gong, tell me
And tell me, my dear
Why they called me enlightened.

Gajanan Mishra
What Is Not Yours

What is not Yours
O my dear, I do not know
Surrendering all actions
To You I firmly fixed
My mind on You
Look, I have no other desires
Here in this world
Except to stay with You
Always here there everywhere.

Gajanan Mishra
What Is Obsolete

Let me say
What is obsolete.
Let me re-look all
before scrapping.
Let me go with time
and time is waiting me
Not outside but inside me
And I should go with time.

Gajanan Mishra
What Is Old

When everything is
Changing at every moment
what is old, my dear,
tell me if you know.

Tell me your name and address,
Tell me your contact number, if any,
and mail me gajananmishra60@,
I am here to tell you how new you are.

I see prospect in you
I see world order in new perspectives
I marked every change here in your
style, tone and tenor.

This is I, ever green always
and you are that without old age.

Gajanan Mishra
What Is On The Mountain

What is on the mountain
It is not sugar-cane
It is definitely snake
And not saint.

What is in the life
It is today definitely
And it is good thought
And it is beautiful period
It is only one day today
You are to enjoy.

Stay on the mountain
A minute more
And see and watch
What are there
And how far
You are ready to
Remain there.

Stay on the mountain
A minute more
To dance to laugh
To smile to weep
And to go deeper
And deeper towards
Sea and sky.

What is there in the sky
And it is truth
And truth established
The world
And in the world
There is heaven
Where sea roar
With its fullness.

And fire is there
On the mountain
And that burn up the enemy
With truth with justice
And with light.

Gajanan Mishra
What Is On Your Mind

What is on your mind
Let me speak
It is nothing but love.

Gajanan Mishra
What Is Ours?

What is yours
You are asking me
And you are
Telling always
Take not
Which is not yours.
And I am
Not able to
Speak to you
Unmixed with falsehood.

Gajanan Mishra
What Is Passing Away

On this earth
We are supreme,
On this earth only
We make ourselves.

We have will-power
We make ourselves
On this earth
That we like.

But this earth is
Not ours
This time is ours
And we are to use the time.

This time is passing away
From this earth and
We are helpless
We do nothing for ourselves.

Who are we?
What for we are here?
Are we awake?
Time is not permitting us to know.

And we are here on this earth
We are telling ourselves supreme
We are living with our dreams
What is passing away from us is time.

Gajanan Mishra
What Is Pious And

What is pious
And what is not
I know not, my dear
I am doing what I like
And I love all
And I am happy, see
I need no help
I need no perfection
I need only Your presence
And in Your presence
I feel myself effulgence
I am just effluence
And it is my own
elegance in Your presence.

Gajanan Mishra
What Is Possible And

What is possible and
What is not
Who are you to say
My dear, here.

Nothing is mutable
And nothing is
Immutable as you see
On daily basis.

Reason not known
And yet we are
Farming lands
Putting on dresses.

What is there to happened ?
Is it not mixed not pleasant? ?

Gajanan Mishra
What Is Poverty

What is poverty
Who is poor
Nobody is here
To give answer ever
All are here
To live as life is
And ever be happy
Keeping their eyes
In supreme joys.

And what is joy
They know not
Jot is not real
It is mere appearance
As the rope and the snake
The effect and the cause
A wrong notion and ether
And eternal relationship
Just pulsation in air.

Gajanan Mishra
What Is Pregnancy?

It is nothing
But creating something new
Something that is special
Something trying to reach the Truth
Something in love in affection
For a new world order.
Pregnancy is the main cause
And also the main reason
To uplift the earth from the corner
And taking a vow to represent all
With new creativity and to feel satisfied
In the picture of life that is
Within us all.

Gajanan Mishra
What Is Private

What is private and
What is public
Till date it is
Beyond my knowledge
And for me there is
Nothing called awful
Nothing terrible
This world is a open slate
Our life should be transparent
We should live freely as per our
Our wish and our principle
Should be live and let live
Respect others should be our motto
We should not feel robbed
We should not feel violated
We should get peace in ourselves.

Gajanan Mishra
What Is Raining

I am not asking
Even I have not
Asked anything
And why should
I ask when I know
There is nothing
Here or there
When I know
it is just air
And it is just fire
That has a share
That I care
O, right I must care.

Gajanan Mishra
What Is Rape

On the one hand
We are crying for
Stopping rape
On the other hand
We are feeding our
Children and preparing
Them for rape.

What is rape
How it is happening
What are the reasons
Food education dress
Environment nature
We are not looking
Not studying properly
And crying crying.

It is we the adults
So called policy makers
Administrators guardians
Educationist are all
Responsible for rape
We are raping every moment
To the emotion of common man
Without knowing his requirement.

Mere making laws
Maintaining law and orders
Giving punishment will not
Serve the purpose
We must give proper and valued
Education to a common man
To enable me to be ideal
Without any self interest.

We must teach people to give
To sacrifice to love to surrender
To renounce for the peace stability
Of the society
We must impart such education
That can make a man good one
With full of goodness
Not in passion not in demoniac.

Search out the roots of rape
And throw it out if you can.

Gajanan Mishra
What Is Real

What is real
I asked you
And you replied
That is not unreal.

It is a question of
Existent and non-existent
It is not certain
That is affected by time and
place and circumstances.

I expressed myself
And is admitted by you
You admitted
And I am real.

Gajanan Mishra
What Is Real And

What is real and
How long it will be here
I cannot say anything
About all this.
Is it my own evolution?
That I cannot answer
As I am helpless creature
And also in dark.
If you so like
Give me some light, my dear,
I am here only for you
And you are the only Truth.

Gajanan Mishra
What Is Relevant To

What is relevant to
My question, I know better.
What is relevant to
Your life, you know better.
My life and your life
All one and the same.
And we know better what is
Relevant and good for us.
Get ready for the time, dear.
We are the seller and
Also, we are the purchaser.
We are to rebel against the time.
And we are to resolve and
We are repent for own activities.

Gajanan Mishra
What Is Religion

What is religion?
Religion is
Recognition of God.
And what is God?
God is Truth
And Truth is love.
Religion is
Duty towards
Love and Truth.

Gajanan Mishra
What Is Revealed

Truth is revealed
And I stand beside you, see.
What is revealed
Is your love, let me feel.

Diversion is not
allowed here in you.
I know, you are not
allowing me to fall.

Gajanan Mishra
What Is Right

I know what is right
Knowing this
I am not inclined to it.
I know what is not right
And I can not
Get rid of it.
O my dear
You are here
In my heart
And You drive me
To act.
The reason
I do not know.

Gajanan Mishra
What Is Right And What Is Wrong

O my dear, tell me and hear me,
I am, here, singing a song.

Gajanan Mishra
What Is Rule

What is not
It is not my business
To go in to
I am natural born
I am a natural man
I die naturally
Who are you to
Frame rule for me
When you are also going
In the same process
With me simultaneously
Let the almighty do
Whatever He like
And it is His business
To think to act
And to come to an end
It is true we have
No hand.

Gajanan Mishra
What Is Said

What is said
Is not said
What is not said
Is worshiped
With favorite.

And it is defined
In detail
And sanctioned
Before hand
In sacred occasion.

That is not
Specific and we
Returned to shore
Nobody was there
It is violence.

Gajanan Mishra
What Is Said In Autobiography

What is said
That I know not
But what is said
That has no truth.

I know my autobiography
has no value and hence
I am the last man to write
What is unsaid that is the main issue.

Gajanan Mishra
What Is Secret

What is secret
Secret is life
Secret is not death
Death is open but not life.
Let us live with death
And get as much happiness
As we wish.

Are you happy really here
Being mortal?
Are you really going to
Cross the world?
I am not waiting
For your answer
And I don't care.

Gajanan Mishra
What Is Seen What Is Not

Realize the Truth and be joyful.

Never lament
Never desire to have anything.

Try to understand your own position
O my dear and be careful for the life in motion.

Go for unsurpassed glories
Go back to the Home and memories.

Gajanan Mishra
What Is Service?

Service is not
confined to limited actions
and fixed hours
and getting wages or salary.
Service is meant to get
other comforts and
the intention of service holders
should be how other should be pleased.
If, my dear, you are
engaged in service, serve
according to the will and taste
for their welfare.
Service is like the work
of a devotee.

Gajanan Mishra
What Is Simple

What is simple
What is complex
What is poetry
What is prose
Who is alive
Who is dead
Where is the place
Where to go
All these questions
Have one answer
For a moment wait in car
And let us listen it
In the utterances
Of that far up star.

Gajanan Mishra
What is sin and what is
Sinful act difficult
To explain.

Is this world full of
Sinful enemies
Not possible to give
Answer in yes or no.

Who am I and who are You
I am incapable to
Say anything about.

Gajanan Mishra
What Is Sovereignty

What is sovereignty
What is power I know not
Use of education is also
Not known to me
I am just an ass
I know not my own good
I am a fool I am a bullock
I blame nobody
I am ignorant of my goal
Mistakenly I have seen
Harmless rope a snake
And a snake a rope
I know though my body filthy
And full of bad odors
Though I know the false covering
Created by illusion I am helpless
I am in dark I am in fire
In stool in gas in bile mucus and hairs.

Gajanan Mishra
What Is Special

What is special
in drumstick curry?
Asked my wife.
I find nothing
I replied.
I think, to ask
Anybody about anything
is encroachment of thought.
Whatever be the case
You are here to ask me
And I am there to answer.
I cannot say meaningless
But I must say it is
wandering in the darkness.

Gajanan Mishra
What Is Suitable

Who else is there?
And what is suitable
For me to take
Further steps?
Who is unfaithful
And to whom?
Who takes shelter?
And who is merciful?
Who is opportunist?
What is wonderful
And how? ?
The creatures are
The wanderers here.
Where is the ultimate shelter?

Gajanan Mishra
What Is Superior?

What is superior?
Who is senior?

Have you faced
at any time an
angry mob?

Are you balanced?
That I know not.

This is my blissful life,
I know this much.

Gajanan Mishra
What Is Sure And Certain

What is sure and certain
Is death
Who is dead and who is living
Who is learned who is not
Not easy to tell.

We are here to endure
Everything that are
Transitory fleeting temporary
We are here to endure
cold and heat and rise and fall.

We should know pain and pleasure
We are here to feel and endure
And we know nothing is certain
Nothing is sure.

Gajanan Mishra
What Is Sweet

What is sweet
Sweet is not sweet really
Water is not water
In this sense of the term
As you said before all.

What you said
That are the experiences
Of the senses like touching
Smelling hearing and also
Knowledge acquiring and
That are not true.

And what is true
No one is here
Ready to explain
Openly before all.

Gajanan Mishra
What Is That

What is that
You know not yet
That is created
Energy again
Rules violated
Dark night awaited
Again and again
It is annihilated
What is that
All are prohibited
To enter the light house
And everything is
Calculated.

Gajanan Mishra
What Is That?

What is that?
Is it carefree
Or mischief?
Or the treasure
Or the glory?
See nothing,
Here it is.
The approach is
Smooth and perfect.
And I have nothing.

Nothing in the sense
Nothing at all
Either in adversity
Or in prosperity.
I know, when
There is love
Truth resides.
Where there is Truth
No need of other things
And I need nothing.

Gajanan Mishra
What Is That Force

What is that force
That drives you
To act against
The people in general.
You know what is truth
But you are not inclined
To go with it.
You know what is not right
Yet you are going with it.
Seeing your position
I am voiceless.
You are forgetting the root
And committing sin,
I see future not good.

Gajanan Mishra
What Is That I Have Seen

What is that I have seen
How is that happened
No one can say now
Scenario changed
And I returned to
Previous stage
As before.

Gajanan Mishra
What Is That Identity

Identity
What is that identity
And who is competent to
Issue identity card
In whose favor
And for what purpose
All the things we have to know
From here, from our
Day to day activities.

Let me say all the identity cards
Are bogus cards as they are
Not based on Truth
And Truth needs no identity card
Like the the sun and the moon
Like the air and the sky
Like the earth and the water,
We are here to see how the clouds
Are going away from the sky
We are to see the light
Only by its grace.

Here, the question is about identity.
Identify first who is who and
What is what if you are able, my dear.

Gajanan Mishra
What Is That Pleasure

What is that pleasure
What is that prosperity
To find the answer
You have to go to the history.

Exclusive devotion is a bare necessity
To be a God and not to be a God
Depends on loving devotees
And we have truth-knowledge-bliss trigonometry.

Gajanan Mishra
What Is That Truth

What is that truth
That you are here
And I am searching you
Are you missing
O my dear tell me clear
Your presence I consider
A true knowledge
Without any modification
Without any cause and effect
What is that I know not
And You are giving a picture
That is different
And conclusively seasoned text.

Gajanan Mishra
What is the life period
That I want not to know.
I want not to utter
A single word before
My departure.
I want not to go
Anywhere to touch
Any dissolution.
But I want purification,
I want to handle anything
Without any discrimination.
Yes, I have a natural
Inclination towards the truth,
And I know the truth is here only.

Gajanan Mishra
What Is The Purpose?

What is the purpose of your
Living here?
And why are you
Not going outside nature?

It is favorable
The atmosphere.
You are coming and
Going being in server.

Your watching is constant
O my dear, And I am
surprised to know
What you really want.

In between speaking
And not speaking
I am releasing my voice
To receive or not receive
Is your choice.

It is my love and
My affection that binds You
It depends on my
Intelligence to see here the Truth.

Gajanan Mishra
What Is The Question?

What is the question?
And where is freedom
From the question?
I know not the difference
Between the dark and
The light.
I know not the difference
Between the ears
And the eyes.
The concept is clear,
I know and I think
About my language,
About the voyage.
And I sing life-rhyme
From time to time,
From dawn to dusk.
And I follow the principles
With the sentry.
I know the importance
Of the conjunctions
And the oppositions,
And in my poems
You can find
The reflections.

Gajanan Mishra
What Is The Secrecy Of

Good governance and development
And what is people's sentiment
Where is people and where is
Government this is
A poet's comment.

Gajanan Mishra
What Is The Sun Like

What is the sun like
Asked Aaeshanee
And I replied in a poem
Where is the poem
Ask me not further
It is there in your chamber.

Aaeshanee is the fire
And She share nothing
Within and without
And she rode the cycle
And left the place
That is not her.

Let me see once more
In the sky of stars
The sun itself asked
And the moon not allowed
During its reign
And it is not fun.

Gajanan Mishra
What Is The Time

Is not a question to put
What do you do
It is you to tell you
Only for your satisfaction
Rest has no connection.
See the crow with specific sounds
See the lion with specific hounds
And see yourself and if
You so like climb the mount.
Know that you are yours
And know that you are also
Not yours and still
You are with you.
The words are not cheating
I am not telling
My specific tale is
See vanishing with you.

Gajanan Mishra
What Is The Truth And How

What is the truth and
How it can be realized-
A basic question, my dear.
Is love the truth?
And what is love and
How it is being generated?
Is the question not clear?
Is it the cause of all ills?
Is there no sweetness here?
In all actions, incidents,
Circumstances, I know
There is nothing besides the truth.
But I am in need of a blessing,
Why and what for that I want to know.

Gajanan Mishra
What Is The Truth?

What is the truth?
Where is my love?
Where am I going?
Where have I come from?
Who am I,
And who are you?
What are our relationships?
How is the mixture of
Your illusory energy
And my imagination?
Who is fixed?
You or I?
Peace and pleasure,
I find not here.
I am overwhelmed
And bewildered.
I am watching
The sky and
Watching nature.

Gajanan Mishra
What Is The Use

What is the use of high flying idealism
Without mother my dear?
It is nothing, it is zero.

Nothing is superior to mother
If you want to go anywhere
Go with mother .

Mother mother mother
Mother is only life-giver
Forget not mother
If you do not want bad-weather.

Gajanan Mishra
What Is The Use Of Love

If you are residing with me
And within me
If you are not residing
Within me and with me
What is the use of love
If you are here with me
Here is Truth and if
There is truth with me
What is the use of love.

No use of hottest summer
Burning fires and blazing sun
No use of torrents of rain
And submerging in cold water
In freezing winter
No use of anything anywhere
At any time if there is
No love in between us
Love is the root of all
And there is no love nothing is useful.

Gajanan Mishra
What Is The Use Of My Legs

What is the use of my legs,  
If I am not going to you?  
What is the use of my mouth,  
If I am unable to utter your  
Name and fame and game?  
What is the use of my eyes,  
If I am not able to see you  
All around here, my dear?  
My ears are eager to  
Hear all about you.  
My hands are raised  
To embrace you.  
You are my love, you are my truth,  
You are everything for me and I am for you.

Gajanan Mishra
What Is The Use Of This Education

What is the use of this education
If it failed to enable me to know
Who am I and what is the goal of this life.

All are really suffering from all miseries
Of this material life in this material world
But alas nobody is trying to get rid of it.

O panacea of all diseases of my life here
I pray, look in to the matter and say
The way out to solve all problems and save all.

Leave not us to lead a life of cats and dogs
Teach not us this is mine this is theirs
And drag not to the darkness of the hell here.

Gajanan Mishra
What Is There

What is there to know
I say nothing
You say everything
It is time to say
What are they
You say
Let us complete the war
I say
Tell me at the beginning
War is going
See on its own way
It is Okay You say
I say come on the way
The way is in dark
Only a dog is there
To bark.

Gajanan Mishra
What Is There But You

For me
The sun is not the sun.
Then what? they enquired.
And I replied
Who are you to asked.
And I found
They were searching
Their words.
This is not the logical
End of the war, that I know.
I know they are my
Integral part and parcel
And without them
My identity was/is zero.
But what I mean to say
About today is still in mystery.
It is not the hill to climb on,
It is not the chocolate to chew,
It is not the sight to visualize,
It is not the bread to eat,
It is not the dress to put on.
What I say is nothing but barren.
Still you say see the sunrise,
No night can override you now.
I know it is not the whole truth,
I know, for me, what is there is but you.

Gajanan Mishra
What Is There In A Child

What is there in a child?
There is joy, there is hope,
There is dream, there is living.

Yes, I love the child and the children.

My love has certain reason
And it is not possible to open that reason.

The child has the power to pick up the time.
And I am here as nothing with nothing..

Gajanan Mishra
What Is There In A Poet

What is there in a poet
That we are searching
Day and night here?

Gajanan Mishra
What is there in eating, drinking
And in marry-making, you know better men,
As you have power to realize the Truth.
You know birth and death are nothing
But changing dresses in and out
And nights and days are nothing but
The quality of knowing the self
In the midst of time.
Let us know what ought to know
And do what ought to do here, now.

Gajanan Mishra
What Is There In Life

What is there in life
Let us enjoy it.
Extract of love
Extract of truth
Extract of soul
Are there. Let us
Stay with them always as
They have no inequal eyes.

Gajanan Mishra
What Is There In London

What is there in London,
I asked my younger son,
And he replied, nothing
To be mentioned.
My son further added
The same earth, as you find
There father, the same air
You inhale-exhale is here
Under the same blue-sky.
The original people of London
Have some aggressive attitude
That I dislike father, but that are
Being changed with the passage of time
They feel the sun is also setting there.

Gajanan Mishra
What Is There In My Writing

What is there in my writing
You are asking me again and again
And getting the feedback
For future security.

What is future and where is the security
If there is no present in this life
And what is present that we are forgetting
The pleasure the Truth and the enjoyment.

All are in love
The unconditional love
The eternal love
We must love we must be ready to give others.

Life is nothing but to love
Devotional love of service
And it is in Truth
The Absolute Truth.

Gajanan Mishra
What Is There In Our Body

You see only skin
Below the skin the flesh
Below the flesh the bone
Below the bone the marrow
We are really living in sorrow
With these phlegm, pus
Spittle, stool, sweat, saliva, snot
Excretes, urine,
O my dear, You are within
That is the only reason
Of our living.

Gajanan Mishra
What is there in rupees?
Here is Mahatma Gandhi
The advocate of peace and
Non-violence and the man
Of honest and sincerity.
Do you believe it, my dear?

Gajanan Mishra
What Is There In Rupees - Peace?

What is there in rupees?
Here is Mahatma Gandhi
The advocate of peace and
Non-violence and the man
Of honest and sincerity.

What Is There In The News

What is there in the news
Besides some bomb blasting
By terrorists
Some incidents of rape
And murder
Some loot dacoities, bribes
Corruptions, child deaths
Hunger shortage of water
Drought floods and
Silent administrations
You can not find more
About art culture development
You can not find sages saints
In the news today.

Gajanan Mishra
What Is There In The Sky

What is there in the sky?
Is not that a poem!
You nodded your head
O, the poem is the best shed.

Our room is this night
Let us go and take rest,
But come with a new poem
That is in the east,
written by right hand.

Hearing the discourse of the birds
We rose and started again our journey
The sky is not empty at that time,
And we have arisen to go deep in to the sky
And again we are followed by the poem.

Gajanan Mishra
What Is There In Your Dream

What is there in your dream
I am not asking, I am asking
How you dream in this day time.

It is all related to eating
Drinking, sleeping, sitting and
Visiting places that are not yours.
It is all there in your dreams
That I know, but you have forgotten
Where are your joys and your ecstasy
That are within you I see now.

It is all your illness,
Life is threatened
And you have to face
The examination again and again.

What Is There On The Other Side

Here is the sea,
But I know not
What is there
On the other side.

Consider me,
Yours or not,
But I am yours
For ever, see.

Gajanan Mishra
What Is There That Is There

What is there that is there
The eyes and the beauties.

Special all here in hearing
And in processing with all questions.

It is not solitary but visiting
Frequently with equal values.

Dazzling luster, see with pleasure
And it is the source of all.

Principles and truth are there
As pearl necklace and it is live.

Gajanan Mishra
What Is There To Know

What is there to know
Nothing
There are so many things
We know nothing.

We should know you
You are the only person
We should know
You are holding all.

Spark is coming from you
We all are within that spark
Knowledge and science are
Part of you.

We are to know and cultivate
Knowledge and science
You possessed all
Only for our welfare.

Gajanan Mishra
What Is There To Write

What is there to write
Tell me, my dear, tell me.
No word no language is with me
How to write and for whom
I am to write tell me, O my dear
Please tell me, tell me.

Tell me, tell me where is Truth
Tell me, tell me where is love
In between You and me
Tell me its purity in this relationship
O my dear, tell me about our existence
And tell me that are undeviating
Tell me that are full of knowledge
Enriched with realization and renunciation.

Gajanan Mishra
What Is This

What is this
I want to know.
I want to know
How this is here.

Correct answer is
Not found from any one.
No one is here
To know about
This or that.

I want to know
What is that.
What is its correct name,
But no one is here
To explain with reason.

Gajanan Mishra
What Is This Nonsense

What is this nonsense
You are speaking
If you are not in Truth!
Are you the suitable one
Whom I am searching for?

Though I am carrying our your orders
I am independent.
It is you to say where
And how we are together here
And using others for the purpose.

Nobody knows here
Who are the actual candidates
For punishment?
And what is the process
Of punishing others?

So many questions are
There to be raised.
What is the basic principles here
And how is one to be judged
O my dear, see and recognize who has appeared.

Gajanan Mishra
What Is This Universe

What is this universe?
Who has created this universe
And for what purpose?
Which actions are virtuous
And which actions are sinful?
Who is not a fool?
All such questions are here
Forever without any answer, dear.

Gajanan Mishra
What Is Time?

What is time?
Time is nothing, but
The material conception of
Past, present and future.

But I see, nature is
Beyond time and
It is eternal.

I appear, and
I disappear with nature,
And to say this is not proper.

I am associated with
So many persons and things,
But see, they are no more
There, after my departure.

Gajanan Mishra
What Is To Be

Said of me
I know
What am I.

I am
Not at all
Qualified.

I am
Lower than
The worms
In stool.

I am
More and more
Sinful.

I am
Lower than
The straw
In the street.

I have no prestige
And nothing
I am a tree.

I have nothing
And nothing see
I am nothing
And nothing.

Gajanan Mishra
What Is To Buy

What is to buy and what is to sell
Here it is the market and we are in market complex
Nobody is a seller and nobody is a buyer
And there is nothing and nothing saleable with us
I know you know except love w have nothing here
We are engrossed in love and we do not remain separate
That can buy that can sell before all
And here there is an overflow of love and we
In spite of being one we are busy in selling
And buying within this area and the area we called ours.

Gajanan Mishra
What Is To Worry

What is to worry
What is going on in this body
What is for this body
What is happening with this body
What is to worry
What will happen after
Separation from this body
Whatever, has to happen will happen
What is to worry
This body is not ours
We need nothing for ourselves
Our own self lacks nothing
Whatever the body needs
Is ordained according to our fate
And what is fate
It is recycle time-set
What is to worry
You are here You are there
My dear, always busy
In making arrangements
For subsistence of all
See I have no anxiety no desire
And so nothing to worry
Look I am free
I am free.

Gajanan Mishra
What Is True And

What is true and
What is false
If you know and
Well-aware of the fact
Tell me my dear
I am going for that.

I have trust on you
And only on you
And not with the material
You have produced
That I want to tell
In time in detail.

I am no way special and still
I seek discipline that is spiritual.

Gajanan Mishra
What Is Truth

What is truth what is justice
That I failed to find it
And I failed to understand
The definitions so far available
At hand.

Who are we and what for we are here
Nobody is able to speak on it
Nobody is here or there who can
Explain things in detail and
Realize the truth and secure justice.

Gajanan Mishra
What Is Truth Like

What is truth like,
Let me know it.
Let me know who
You are at this time.
Your name, fame
Soon, please disclosed.
But see, time has
No effect on me.

Gajanan Mishra
What Is Truth Like-Self

What is truth like,
Let me know it.
Let me know who
You are at this time.
Your name, fame
Soon, please disclosed.
But see, time has
No effect on me.

Gajanan Mishra
What Is Truth What Is Justice

What is truth what is justice
That I failed to find it
And I failed to understand
The definitions so far available
At hand.

Who are we and what for we are here
Nobody is able to speak on it
Nobody is here or there who can
Explain things in detail and
Realize the truth and secure justice.

Gajanan Mishra
What Is Untrue

What is untrue
What is false
It is foolishness
To go with these
Questions here.

Realization is
Already there
With me and I
Started my journey
To hear well done.

It is my victory
In the lightning
It is the time to
Celebrate victory.

Gajanan Mishra
What Is Visible

What is visible
To my eyes
Is not mine.

I am infinite
But my eyes
Are not.

I cry
With nature.
But my cry
Is not for hearing.

I hear the air,
I see the star,
And I am there
I know, nothing far.

Gajanan Mishra
What Is What

What is what
Who knows
Real unreal
right wrong
Good bad
Who knows
What ought
to be done
What ought
Not to be done
Who knows.

Knowledge and
Ignorance
No difference
Go on
Modifications
Go on
Changes
Dispassion
Discrimination
No notion
Acceptance and
Rejection
Enjoy life
With full satisfactions.

Gajanan Mishra
What is what
And that is that.
But what is that
That I know not
And yet
We understand
The principle
And trying to
Translate that.
Let us know
What is what.
And let us go
With truth
With fish and cat.

Gajanan Mishra
What Is With Us

We are not able to know
What we are lacking
We are searching day and night.

We are not able to see ourselves
We are unlucky
What we are lacking
We are not searching.

Gajanan Mishra
What Is Worth Performing

What is worth performing
for me,
That is forbidden
for you.

And we are not same
on the eyes of law,
and yet the law says
All are equal.

Gajanan Mishra
What is wrong in saying
We are one and the same and
We worship the same God?
What is wrong in saying
We have the same integrity
And compassion and
Theological clarity?
What is wrong in saying
We stand for regious
Solidarity and humanity?
What is wrong in saying,
We found this earth
A place of mutual resolution
And reconciliation.

Gajanan Mishra
What is your childhood?
Is it full of all pleasures?
And what is your youth?
Is it full of responsibility?
And what is old age?
Is it in renunciation?
And if all are in positive
Then let me say your life is successful.

Gajanan Mishra
What Is Your Name?

What is your name?
You are asking me
Again and again,
You know though
I have no name.

Gajanan Mishra
What Is Your Own?

What is yours own?
Something that is yours
Forever is never precious,
Rightly said by Chaim Potok.

What is your own,
But you can’t take back
As per your sweet will
Putting others in trouble.

Think not yours own anything,
And create not hurdles
On your own path of
Real progress.

Gajanan Mishra
What Is Your Real Name

What is your real name
Where are you staying
What is your exact nature
And what is your conduct like
How do you transcend all
Why should I know you
On this rainy days
Answer me if you pleased
I want to apply in my daily life
I live remembering you
And your activities
You are no different I know
I know with all you are playing
All sort of games but
Not a person to run out.

Gajanan Mishra
What Is Your Virtue

And your virtue is
Return good for evil.

Deer fishes and gentle men
Live on straw water and contentment
Remember it.

Regard not anyone
As your enemy
Remember, nobody is here
To upset you.

And your virtue is
Return good for evil.

Gajanan Mishra
What Is Yours

What is yours?
Is this earth yours?
Is this language
you are being used yours?

To whom
you belong to?
Who and what is
Yours?

Knowing nothing
You are telling
Give.. give..
And also see me
How shameless I am,
I am telling from
my side - take..take..

You are taking bath
on the sky, I know.

And see, here
the earth is sinking
and shrinking down.
Where is the place
to go?

Gajanan Mishra
What Kind Of Man

What kind of man you are brother,
I am unable to know.

But I am here and I remain fixed
In the realization of truth,
And I discover you there always.

In the wind and in rain,
In hunger and in thirst,
In happiness and in distress,
In cold and in heat
I find you equal everywhere.

But I disturb not
With your coming and going,
I care not brother
About your changing personalities.

Gajanan Mishra
What Kind Of Men Are You?

What kind of men are you?
Simply for cheap adoration
You pretend yourself as servant
But cheating our master
With the help of foreign language!
People are suffering like anything,
Even leaving the native villages
In search of jobs at other places
But you are enjoying your life
In their tax-money.
You care not the truth,
But taking shelter of falsehood
To serve your own purpose
At the cost of others.

Gajanan Mishra
What Kind Of Poet

What kind of poet
I am, I cannot say,
But I must say
I write about men
And I write relating
To changing situation
That men fall therein.
I know not the kind of
Men here in this world,
But I know all men are
One and the same, though
They live in different
Parts and face different
Problems of life with nothing.

Gajanan Mishra
What Life Means

I am unable to understand
What life means and
What death means.
I am unable to see
The actual bird flying.
I am unable to hear
Actual voice of the sky.
I am unable to tell
What is truth in this world.
And still they said,
Yes, I am alive,
Without giving
Satisfactory explanation,
Without taking a stop en route.

Gajanan Mishra
What Love Is

You know I know
What love is, and hence
love should not be politicized.

Gajanan Mishra
What Made Me Choose

What made me choose
This life that I know not,
But I know What I am
Going to say before you.

I know not how you
Represent the things
That are here for so long,
But I am better and better.

Gajanan Mishra
What Made You Smile

That I know not
But it is your smile
That attracts me.

Your smile and you smile
Are not the same
That I know but let me
Get myself free from this entanglement.

Before Your smile
See I surrender
Before Your smile
See I am free from all sins.

Actions and reactions are
Not there in Your smile
That I observed and I realized
False identification and false possession.

O my dear, Your smile
Made You great
I offer my obeisances unto you
My dear and I stay here without fear.

Gajanan Mishra
What May Happen

What may happen,
I am not certain.
And I cannot tell you
What is truth.
About win or loss
You cannot discuss.
All pleasures and all
Pains are at cross.
If you wish to live
You may live.
I have nothing to say
But you must keep me at bays.
I am ready to carry out your order,
But first let me surrender to save future.

Gajanan Mishra
What More

What more I can say
Besides I love you.
What more I can do
Besides staying in truth.

I know I am the earth
And this sky is not mine,
The water, the air,
The light all are thine.

Gajanan Mishra
What More Can I Say

1
What more can I say
If you are not satisfied.

2
O my dear, you can cross
Over the darkness if you try to
Keep yourself satisfied
In distress in happiness.

3
I am very pleased
I meet You
Here in me.

Gajanan Mishra
What More Can I Say

What more can I say
About the nature
About You
Except saying
How beautiful you are
How dreadful you are
O poet
You would have helped me
You would have saved me
But you are asleep
Awake awake.

Gajanan Mishra
What More, Just Live

What more
You want to know,
Just go on living,
Harm no one,
See and enjoy
The beauty.
That's enough.
Forget that
You are living,
But living is
Kind enough to
Stay in you.
Love life,
Love this truth.

Gajanan Mishra
What More, What More

What more, what more,
O my men, could you expect
From your leader,
When you know full well,
Your leader is not willing to
Utter your language and words
In his tongue and gives
No respect to your motherland.
What more, what more,
You expect from whom
When most of your men are
Following the foreigner,
Ready to give you a strike,
Without any fight.

Gajanan Mishra
What Must You Do

When the house
Of your neighbor
Is like that
Of the hole of a
Poisonous snake
What must you do?

If the tongue
Of your friend
Is like that of
A frog, what
Must you do?

It is all sense
And logic, do your
Duty for all benefit.

Gajanan Mishra
What Next

What next
A frequent question
What next
And I find
You are not
ready to answer
What next
Nothing new
You said
And you know
It is not answer
What next
And stopped
I hope
The sky is
Clear now.

Gajanan Mishra
What Offence

You are committing
That I care not
I care your safety
And security first.

As I know
Life is more valuable
Than anything else
If life is there
You can perform anything
In due course of time.

Is life a play-game
That I know not
I know you are my play-mate.

Gajanan Mishra
What Omvalley Is Saying

What I feel let me say;
Om Valley is saying- we love,
We love you, children and we feel
Great responsibility to leave
The better world for you all.
In fact, Om Valley is committed
to doing its small parts to help
Create this world for you.

Children, I love you all, but
Aisha, I better love you and
I know children you all love me.
I know children, you act as unwitting
Instruments of our actions.
We glance through your innocent eyes,
Blazing stars in the vast sky.

Be blessed my dear children and
Grow freely on this earth.
This earth is yours,
This earth is for you.

You are all fragrant of the earth,
You are all fragments of nature.
Hesitate not, my dear children to
Say sorry, at any situation.

Here see, the beginning of the world
With the song of the spring.
What more message would you
Expect from me?

All are sharing here, the flowers,
And the airs. Your faces are
Fair as heaven. Really I am glad
I am here with your chirping loud.
Here I discover all virtue.
I know, you sail my dear children
The river of rising sun. I know
All sounds all words are with you.
You are the truth..

Pablo Picasso has rightly said-
All children are artists. The problem
Is how to remain an artist once
He grows up.

Thanking you all..

Gajanan Mishra
What One Should Know

Is a question that is crucial
And what is knowledge
What is its role
In our life-long process
Is vital for all
How to live with whom
And what to do and how
Are the things to know
For betterment of our
Living here at this moment
Never assume we know everything
Unless we drive out pride
We are in dark and everything
Would be zero.

Gajanan Mishra
What Shall I Do

What shall I do
A great question
With no answer.

Watch the competition
Between goodness and ignorance
Said one in twitter.

Make a difference with
Material existence and
Material nature that is there.

Let them suffer in
The struggle for existence
In practical life only option we care.

Gajanan Mishra
What Shall I Do - I Know

What shall I do?
I know not what is bad
and what is good.
I know you,
You are the only
person who is in truth.
I am the truth
Since I am with you.
You are here in me,
And I find the entire
picture that is clear.
It is but all white
and all right,
I am the last one to show might.

Gajanan Mishra
What Shall I Do Is A Question

What shall I do
Is a question
That has no answer
Yet you all are asking.
You all are doing well
What are there to do
Yet you are sitting calm
In the midst of storm.
It is well and good
Be submissive and meek
And conclude everything
Here at this night.
And see there is light
Be ready to fight.

Gajanan Mishra
What Shall I Write

What shall I write,
You have written everything
That are with me.
Listen, what I am going to write,
That is just a smile,
That is a dream with reality.
You are not capable to touch
That area of mine.

Gajanan Mishra
What Shall We Do

What shall we do?
How shall we be saved?

Gajanan Mishra
What She Said

What she said
I could not understand.
What I understand
She nodded her head.

She nodded her head,
And I fell down,
I fell down into a well.

Not water
But fire was there
In the well.

Ice-fire and life, I see,
And I agree for a compromise.
The compromised words and letters
Are misunderstood. Please excuse.

Gajanan Mishra
What Should Have Been

What should have been
Accomplished by you
Has to be told and
Reminded by me.

And by doing it
I feel happy
I got a chance to
Do this holy crime.

Gajanan Mishra
What The Mountain Is Telling

What the mountain is telling
Let me listen, my dear,
Let me listen.
Let me do the works
That are allotted to me, dear,
That are allotted to me.
I am the bait here,
Bait of time.

Gajanan Mishra
What The People Say

Vox populi vox dei
God is there where there is people
Come to the people and hear
What the people say
That is God's saying.

Gajanan Mishra
What The Sun Did Not Touch

What the sun did not touch,
I touched.

What the air did not tell,
I told.

I have my own words,
I have my own vision.

I am the poet,
And I am for all.

Gajanan Mishra
What They Know

it is night
Let us fight
Night badly bitten
With flowers in hand.

It is hand
In sand
Hand is not full.
Are we really fool?

Who knows
Not here
And they do not know
What they know.

Gajanan Mishra
What They Like

It is what they say
And they say what they like
I am here to do my works
In accordance with rules
Regulations and scriptures
I care not what they say
They say and I know it it
Their ignorance.

Gajanan Mishra
What They Said

What they said
I could not say
Its worth
At this moment
To you.
What I said
I must say
Its worth
At this moment.
What I said
It is the truth
And you have to know
From its face value.

Gajanan Mishra
What They Said All Truth

What they said,
Let me say
They are
All truth.
No question of
Falsehood here
In this world
Where there is
Only you.
They are all
Belong to you
And you are there
Only with them
To establish the truth.

Gajanan Mishra
What They Want

Ask them
They will tell you
They are in need of
Basic things of life
some rice, bread, water
And some clothes
And a house to stay in
But you people, so called
Learned deprived them
In some way or other
Try to think yourself
Natural water natural air
Natural clay earth are
Now dream for them
You people pollute them
And now throwing at them
All filthy words
O city dwellers,
O so called learned, degree holders
At least treat them as human
Give them respect and have some
Humanity in you.

Gajanan Mishra
What Time It Is

What time it is,
No one is here to say,
No one is capable to say.
Time is one and it is
Always with me,
It is in rain
And in wind.
Time has nothing to do
With this body
And with these words.
Time has no night
And no day.
What do you want to say?
If anything is there with you,
Tell the truth.
Believe me, I am visible.
But believe not the cable,
They are the cheaters,
Cheaters of all possible.

Gajanan Mishra
What To Do

What not to do
Who is there to say
Except You.

I am a chaste wife
I have to do nothing for myself
I have to perform all duties
Only to please You, my dear
Without thinking my own taste
And inclination
See me I am free from
All worries fears sorrows and doubts.

I am acting according to Your words, see
I am just carrying out Your orders here
And also performing all other duties
Like sacrifice gift and penance.

Gajanan Mishra
What To Do And Where

What to do and
Where to do
One should know
For one's own pleasure.
Not knowing and
Not able to know
Is most unpleasant
That I have learnt
From you my dear.

Gajanan Mishra
What To Do Ask Not

What to do
Ask not,
That time has
Already over.
Now it is time
To act.
Act as per
The call.

Gajanan Mishra
What To Do- Donkey Ride

What to do
With that of
Donkey-ride.
Let me know
Whether we
 Shall able to
Climb the Himalayas
And reach Kedarnath.
Let me know
How to go Badrinath.
No folly please,
We are ready to
Go anywhere and
Also ready to do
Anything for truth
And for love.
But where is love
And where is truth
That we know not.
Only a donkey
Can shows us the road,
Road to anywhere
We want to go.
And the donkey is
Within us every moment.
And we are silent
As we have no commitment.

Gajanan Mishra
What To Do Now

What to do now
Is not an ordinary question
What is here now
Is also equally difficult to say.

If you utter any word
Real peace is hampered
Apprehension of breach of
Peace is always there.

Ultimately you are to fall down
It is sure and your
Bodily strength and valor
Would not do any help.

You are stake here
And eternally I take shelter.

Gajanan Mishra
What To Do With This Life?

What to do with this life?
Who has given me the right
To take away the life of others?
Is there any difference between
One and another?
I am asking the air and the water
And they are listening me and
Going on their own way.
I am asking the blue sky
And the sky shows me the earth
With the light of the sun and the moon.
I am the foolish one,
Not playing my part in proper way
Disturbing the spectators on the way.

Gajanan Mishra
What To Eat

What is there to eat?
Where is the place to stay?
Who is there to support?

I don't want to give
The answers in negative.
But the correct answers
Are not with me.

I am part and parcel of
The very questions.

I see silent doors,
I hear cheerful trees.

I observe the winter snow
Within my courtyard
That is eager to give me safety.

Gajanan Mishra
What To Mind

What to mind,
Offer and disappear,
Explanations rumoured.
Thanks for the slogans
In the valley of life.
But we think, nothing new,
Learning process ruptured.
Bring back my life
Of childhood, only truth.
Take away my dreams,
That I desired not.

Gajanan Mishra
What To Say

What to say about myself
I am neither good nor good
I am neither loving nor hating.
Neither I am here not there
What to say about my status
I have no Locus standi anywhere.
I am nothing it is true
No grief and nothing to rejoice
What to say of myself.

Gajanan Mishra
What To Say About The Women Day

What to say about the women day,
Women are the creator of all guys.

To say something about the creator,
Is really wrong and doing injustice.

Women, the supreme truth, eternally present,
And the original consciousness of all.

Unlimited potency is there in women only,
All modes of nature are with the women.

Gajanan Mishra
What To Say I Know Not

What to say I know not
And I kept quiet observing
The waves that are within.

Gajanan Mishra
What To Speak About The Old Man

What to speak about the old man,
He is not like a man in normal condition,
And his suffering is due to old age,
Certainly he is not in a normal condition.
It is the time that is playing on him
And he is the scapegoat of his throat.
Zealousy is in him as he is not able to
Move freely and not able to do his normal duties.
He is the spokesman of his own term and condition
Knowing fully well that the situation is
Going out of control, still he is eager
For name and fame at the setting-age.

Gajanan Mishra
What Type Of Freedom?

How many kinds of freedom
Are there in your area?
What type of freedom?
Who is free? is
Any one free to eat
Anything? free to go
Anywhere? free to tell
Anything to anyone
Using any word? Lo!
In royal pride, the king
Declared he is free.
But the king is
Not able to move out
From his own niwas.

Gajanan Mishra
What Type Of Life

What type of life
You are living
Only with eating drinking
Sleeping and having sex?

No mental agitation but
Stay peaceful and patient.
And waste no time
In bodily maintenance.

Gajanan Mishra
What Type Of Neighbour You Are

What type of neighbour you are
When you are not sharing your meals
And festivals?
What type of men you are
When you are not laughing
And not watching out each other
Here taking the future in hands
And eager to solve the problems at present.

Gajanan Mishra
What Type Of Peace You Want

What type of peace
You want, my dear friends
That I want to know
Before telling something
About you and about me.

And who are you
I know not here
There is little scope
To know about anything
And anybody, see.

I am picking the flower
That you are not able to see
I am talking to you
That you are not able to hear.

Really this is unfortunate
For you also for me
And we are searching each other
Though we know we are here.

Gajanan Mishra
What Type Of Rain It Is

What type of rain it is,
I know not, still I am
There in the rain to
Get wet myself.

You are the rain,
You declared
And I submitted
At the end.

I lost the war,
I declared,
But you said
I am here to take care.

The earth
The sky
All are here
As witnesses.

But I need nothing,
But I want to sleep.
The evening is here
But I waited for the morning.

And the rain stopped
There, when I started going.
You are the man with
My identity stayed within.

Gajanan Mishra
What Type Of Sons We Are?

What type of sons we are
We are going to destroy
This mother earth!

Gajanan Mishra
What Urvasi Told

What Urvasi told that day  
To Pururava is also  
True today.  
And she told,  
Now I am being killed,  
Under the protection of  
An unworthy husband,  
Coward and eunuch,  
Think himself, hero.  
I am now lost,  
My husband lies down at night in fear  
Exactly like a woman,  
Appears to be a man, though,  
During the day.

Rest, my dear readers,  
Depends on you, to grasp,  
What happened to Urvasi and  
Pururava. yourself,  
You are to find all  
And go on searching,  
With your own husband  
And wife in this world.  
But disturb not, lament not,  
Go not anywhere like a mad man,  
But stay calm and see  
The process and the lifestyle.  
And the same Urvasi said, my dear hero,  
No use making friendship with sly fox women.

Gajanan Mishra
What Urvasi Told - Two

Pururava, the son of Budha and Ila,
The most handsome man got
The most beautiful celestial woman Urvasi
And they are the best example
As husband and wife,
To all human society.
Both enjoyed life day and nights.
But at the time of leaving Pururava
Urvasi said- the heart of a woman
Is like that of a fox. My dear king,
You are a man, a hero, be not impatient.
Don't let the foxes eat you.
Women are less intelligent than men,
They are conditioned and fallen.

Never place your faith in a woman
Or a politician added Urvasi.
But an obedient wife in truth-consciousness,
Is an asset at home and hence welcome.
Urvasi said, as a class, women are
Merciless and cunning. Even a slight offense
Could not be tolerated by them.
For their own pleasure
They can do anything.
Even they do not fear to kill
The faithful husband or brother.
Proper education to women is
The necessity of time. Unless they are trained,
No peace and prosperity in society.

Gajanan Mishra
What We Acquire

Not ours,
What we acquire,
This world is
Meant for us,
But not ours.
We are here
For some moments,
This moment is
Also not ours.
We are nothing,
Still, we are here
To enjoy all,
Thank God, you are
Really all good.

Gajanan Mishra
What We Are Doing

What we are doing
We are ignorant about it,
We are facing the stumbling blocks
Within ourselves all the time.

Eating, drinking, sleeping
Are not our works, we know
And what we are doing for ourselves
That are not known.

It is not fact that the sun is
Not co-operating here at any time,
It is fact that the moon is with us
For we are with and for the moon.

It is the world
And we are expecting rewards.

Gajanan Mishra
What We Are Seeing

What we are seeing?
We are seeing the saints and sages
In palaces and luxuries.
How we are living?
We the house holders are struggling
For a bread to live, for a piece of cloth
To cover the bodies of wife and daughters,
For a shed to take shelter from rain and sun.
We are labouring hard and getting less and less
Wages and not able to coping up with time.
Education is far away from us,
And what to say the conditions of children!
We are ready to sell them
No matter whatever we get.

Gajanan Mishra
What We Do Not Wish

What we do not wish
To be done to us,
We should not do to others.*

* Padma Purana, Srsti 19/355-56

Gajanan Mishra
What We Must See In Creation

We have to forget the sands and
The sea in abbreviated form.

That are in railways station
And the police are fully protected there
Without full strength.

What they meant holds true
In the middle of the issue
As it failed after chapterwise assessment.

Gajanan Mishra
What We Say

What we see
It is physics
What we not see
We termed other world.

It is the spirit
that control physics
It is the physics
and it based n physics.

You are the only person
inbetween physical world
and spiritual world.

You are the link
You ar ethe antecedent
you are consequent.
You are the picture
You are the light
You are the only person
to see yourself.

Gajanan Mishra
What Were You

What were you doing here
I wondered
Did you not know
Who is your mother
Who is your sister
Who is your daughter!

Why were you acting here
Like a heinous creature
I wondered
Did you not know
You are going towards
A dark future!

Gajanan Mishra
What Will Happen

What will happen
That I cannot say
But I must say
All happenings
Are for good of all.

Gajanan Mishra
What Will Happen Next

What will happen next,
Who are you to think?
I know you will not be there
At that time. But
At this time with
The shining lamp of knowledge
Destroy the darkness
Born of ignorance,

Gajanan Mishra
What Will I Say

What will I say to my mother
Who is there always with me
That I am unfit son who is
Incapable of using your language
On your land always in all purposes.
See me, I am an object to be laughed at,
I am my own enemy, I am a coward,
Even some said I am a eunuch.
How can I live hearing all these,
Forgetting my own duties and
Knowing fully well that, danger is
There to my very existence and identity.

Gajanan Mishra
What Will You Do

What will you do
With my date of birth?
If you are to do something,
Do, on the date of my death.

But date is not there,
That I am sure, and
You have nothing to do
This is the only truth.

If you have any wish,
Throw that on the fire.
The fire is there
To make you a star.

Ask not me where is the pain,
Pain is there within
Though not with the hair
And with the skin.

My first word is the link,
Link in between the earth
And the sky where
You can fly.

But where are you,
That I want to search.
And I am sure, without
You I am parched.

Do ask me whateveer you like,
Though expect not the answer
That you want to listen
While I am on the point of finishing.

Gajanan Mishra
What Would Happen

What would happen, forget
Go on doing your works
That are good better and best
You are answerable always
No matter about the position
That is higher or highest
Think pure and with intelligence
And with devotion perform
All your duties that are superior
And that open the path of salvation
You can not decide on your own
Without examining the pros and cons
Let me guaranteed you must
Reach the truth at the end.

Gajanan Mishra
What Would You Say

What would you say
To that knowledge
Which clings to one body
As if it were the whole
Irrational
No real grasp of truth
Trivial.

Gajanan Mishra
What You

What you have seen
in chousathiyogini
at RanipurJharial?

If you do not like to say
no matter.
If you want to say
you are welcome.

Does not matter
whether the room
lighted or not
dark is no barrier.

Gajanan Mishra
What You Are

I am not
Able to understand
Myself so far.

And I am
Helpless to
Make you understand
What you are.

Gajanan Mishra
What You Are Doing

What you are doing here  
Who is there to tell you  
Whether it is all  
Legal and in truth!

You may see the rule  
That are there before you,  
Believe not anyone around you,  
But see the facts are figures  
That are being shown to you.

Believe yourself and  
Question yourself, what  
You are doing, how far  
They are useful for the benefit  
Of the general public.

Gajanan Mishra
What You Are Let Me Know Please

What you are let me know please, my dear,
Let us remember, we are for each other,
We are here to recognize each other,
And to see and to discover each other
In the new light of love and truth.
We are not here to bury one another,
But we are here to honour one another.
What you are let me know my dear.

Gajanan Mishra
What You Are On This Day

What you are on this day,
I know not my way.
The sight of my eyes
Is there at the bay.
I smile, I laugh, I weep,
I dance, I sing, I fight
With lightning May.
Give me a chance to
Remember how I am here.
Grave, nothing to fear,
In my life I am the printer.
The words and the letters
All are for me and you are
There only to make all clear.

Gajanan Mishra
What You Are Telling

What you are telling men
You are telling with
The help of your idea,
And it is your conception
For your own advantage.

The nature has nothing to do
The other creatures are staying abroad.
What you are telling men
Let me say with interest
That has no value in broad sense.

Think about something concrete
Think about others weight
Think about the life that with all
the one and the same here.

Gajanan Mishra
What You Are Telling, My Dear

What you are telling, my dear,
I have to tolerate all like a tree
Thinking of the consequences of
My previous activities and life,
And I am rejecting hereby the ethic of
An eye for an eye, a tooth for a tooth.
I am to remain silent and it is you to
Leave thinking me good for nothing.
I care not whether I am properly
Respected or not, even with words.
Let me stay hardhearted and miserly
Within me all the time.
Why should you give value to me, dear?
Who am I? am I a living entity?

Gajanan Mishra
What You Are That I Am

What You are that I am,  
You are rich so I am,  
You are within, also I am,  
You are rising and I am.

I am nothing but You  
You are costing my life  
And it is the truth  
I am nothing but You.

Sell or buy  
YOu are the best boy  
Birth or death  
YOu are under the sky.

So many things are there to say  
But I know nothing being an innocent guy.

Gajanan Mishra
What You Are Thinking

Let me write
What you are thinking,
Let me stay
Where you are residing,
Let me take
What you are giving,
Let me depends on you only
O my dear, I am, yours faithfully.

Gajanan Mishra
What You Are You Are Not

You are not what you are,
Nothing is yours nor for you.

Gajanan Mishra
What You Brought

What you brought for me,
Time, I know that's mine.
But you brought nothing.
I declared I am nothing,
And you smiled, time.
I am going slowly but
In swift and you recognized
Who am I in your field.

Gajanan Mishra
What you called death
I called life.
Forget the wording I requested
And go with the practice
That is wrong you know.
Acquiring anything in the midst
Of rain and sun I described
You indulged in idle pursuits.
You yourself is the reflection
Of the eternal natural bliss
And it is delusion beginning and end both.

Gajanan Mishra
What You Desire

I know who you are
And I know I love you,
I know you are the truth.
I am with you I know,
You are for me I know.
My life is for you I know,
And I know I work
What you wish.
I sing I dance
I walk I sit
I sleep and I do
What you desire.

Gajanan Mishra
What You Do

It is not that
I am here to know everything.
It is not that
I know nothing.

I know you
And I think
it suffice
my purpose.

I am going to
see you
it is true.

It is also true
I am practicing
what you do.

Gajanan Mishra
What You Enjoy

What you enjoy
Is not a matter

You are not the doer.

Think
I do nothing at all

I am here to see all.

Remember
Knowledge of the self is veiled

When you assumes affinity
With the evolutes of Nature.

Gajanan Mishra
What You Feel

What you feel is important,
and for this purification
of your nature is more important.

Gajanan Mishra
What You Have

What you have heard
That is true
Still you are to go beyond that.

Understand in full
I know you are not fool
Still you are to stay cool.

Depend not on others
O my dear, though there is offer
If you receive you are to suffer.

Gajanan Mishra
What You Have Forgotten

What you have forgotten
Let me say that here.
You are here to listen me
With much care.
And I am very careful
To detach myself what I said.
And You told me to
Go through all that are
Already declared.
All easy works are being
Done by me, see.
I am not keeping my attachment
To inactions, see.
I know how subtle I am.

Gajanan Mishra
What You Have Said

What you have said
I have accepted
You have created
A new form of love
And I have no option
But to accept
It is plenary portion
It is your original
Incarnation
Love formation
World's new creation
It is not imagination
But practical action.

Gajanan Mishra
What You Have Said Is Truth

What you have said
Is correct my dear poet.
O poet, You have never
Given up the exalted
Position you have acquired.
O poet, Your words are eternal
That cannot be destroyed altogether
As Your words bear Absolute Truth.
For you, my dear poet
There is no question of being lost
Either in this life
Or in the next.
Though you are here, my dear poet
You are unattached and free from all.

Gajanan Mishra
What You Intend To Do

What you intend to do, my dear men,
Rest for a while and think.
Are you not going to destroy
Everything that is with you?

You are the fruits of nectar, dear men,
You are the truth here.
Fear not, understand all matters
And take actions in a way that is positive.

Gajanan Mishra
What You Know

What you know
May not be true,
But what you feel
Is the truth.

The truth you love
Is your feeling.
And what you feel
Is my love.

Gajanan Mishra
What You Learned

What you learned
Tell me here
If you not
Be ready to hear
Anything from
Anybody at anytime.

Have you any
Friend here
O my dear but
They all left
You at the time
Of need and danger.

Let me know
Who is your
Right friend
And how far
You know him
Just a call away.

Gajanan Mishra
What You Like

Say
What you like
Do
What you think
That is
But important.

We are
Concerned with
Your thought
That is
The basic of life
Do think positive.

Gajanan Mishra
What You Like Best

What you like best
Let me know, my dear.
I am here to tell you all
That you wanted to hear.

Let me open the door of imagination
Think me as your friend, guide and
Not a stranger, I am here with you
Just to help you in all matters.

Let me appear again and again
To work for you as per your order,
I am here, know me my dear
And let me know what you want here.

Gajanan Mishra
What You Must Tell

What I must tell
That I know.
What I know
That I must tell.

Let me tell
You are falling down
and you have no affinity
with this falling.

You are no way related
With this up and down here,
And I am in you to keep you
on track my dear.

Gajanan Mishra
What You People Told

What you people told
Is right and what
I told is wrong!

See me I am the star,
I am here to give light.
But I am not going to
Tell you weightless
Or dark.

I flow like the stream,
I rise like the sun,
I swim like the fish,
I walk like the lion,
I work like the ant,
And I am here to enchant.

Gajanan Mishra
What You Read

That was not
Written by me
What you feel
That may have
Some truth
From your
Point of view
Simple matter is
I love you.

Gajanan Mishra
What You Said

What you said
Is true
What I said
Is also not false.

I said in one way
You said in another away
Matter is the same
With same effects.

You cannot say
It is starting point
I cannot say
It is the end.

And we both are here
Though not anything
To invent
Or to discover.

The real thing is
We lack new eyes
And the eyes that are
With us, not ours.

Gajanan Mishra
What You Say

O my dear poet,
You are omniscient and wise
What You say is true
May I request You to
Redeem Your word.

O my dear poet,
I find You here within
I conceive no greater
Happiness than this
Your words are with me.

It is all Truth
it is all Love
Your all words
O my dear poet, I salute You.

Gajanan Mishra
What You See

What you see
I can not say
What you say
I can not understand
And this lack of understanding
Is the root cause
Of my failure here
And what for you are
Making such business
For so long period
Is out of my reach
And you are here
With me just to teach.

Gajanan Mishra
What You See Bumblebees

What you see
Bumblebees
Singing and
Running with shadows
What you carry
Swans
Going along
With someone
Are you dancing
Really peacocks
Out of joy or fear
Gliding over
Why are you laughing
Young monkeys
Imitating frogs
Sound of echoes
Spreading all over
When I am within
The clutch
No joy
No pious activity
I await only result
That is not merged.

Gajanan Mishra
What You Think

What you think I feel
What you feel I think.
Feeling is different
Thinking is not.

Enough is enough
Please stop stop.

Your thinking suffocate me
And I want to vacate.

You are only a partner
And I am a liner.

Gajanan Mishra
What You Think Yourself - Being Nothing

What you think yourself?

Remember, one who knows not
How to behave others,
Remember, he is misbehaving
Himself always here,
And he is digging a hole
For himself.

Where are you now?

If you know not where are you
Exactly at present
Knowing about the time
Is not necessary for you, my dear,
I am not asking who are you
As because I know you are nothing.

Gajanan Mishra
What You Want

What you want,
Let me know.
Know how to live
Without anything.

Handle your transition
In a correct way and
See what is happening.

What you are losing,
Not important to me,
But what you are
At this time - the question.

Legal and illegal
Are but relative terms,
In no way, I want to involve in.

Gajanan Mishra
What You Want For Me

What you want for me,
You know perfectly well.
And I have nothing to worry.
You want to bring all truth
To me in the same process of love.
Love is there I know well
And you are there to give
Light therein for all welfare.

Gajanan Mishra
What You Want I Can't Supply

Supply is less,
And what you want
I can't supply.

Lifespan short,
And I can't show
The whole cosmos.

My words are
Not jokes,
But truth.

The world is
False, though.

But no one tells
Where is truth and
The relation with you.

Gajanan Mishra
What You Want To Give

And what I and how I
Can take all that all
Are in questions.

Let us be clear with us
Let us have full transparency
Within us in broad day light
And no contrary view of life.

It is just starry silence
It is just innocence
About ourselves who are here
At this time to take or to give.

Giving and taking are foolish acts
As we know there is nothing and nothing.

Gajanan Mishra
What You Want To Say

That I do not want to hear
Tell me not I am not interested
Tell me what you want to tell.

Tell me what I remember
I remember only one thing
That I am in death-bed
And you are asking my last wish.

No word uttered from me
And I am burning, burning pyre
Am I terrified, no, not at all
I told you but you are mum.

Gajanan Mishra
What You Willed

I am what You
Willed me to be
At this particular
Moment.
It is correct
Neither I am
Enlightened
Nor deluded.

Gajanan Mishra
What You Wrote

What you wrote Emily
Two sunsets you have sent
And finished several stars
In competition.

Emily, You are great really
Caring life with ample freedom
Composing dark and light
Day and night at a time
Where in we live with action
And with emotion.

Gajanan Mishra
Whatever

Whatever is to happen
Will happen.
You are a
Mere witness then.

Gajanan Mishra
Whatever I Am Writing

Whatever I am writing
I marked you are there
at the center point.

From the very start
you are a bird
and going on flying.

You are flying away
that I know and still
I am hopeful your return.

And with this hope
I am living, my dear
in my writing here.

Gajanan Mishra
Whatever I Am Writings Here

Whatever I am writings here,
I am writings out of fear.
I fear life, I fear death.
My writings - the only way,
To get out of both life and death.

Gajanan Mishra
Whatever I Have

Whatever I have with me
O my dear, that is for
You, remember.

Gajanan Mishra
Whatever I have received,
See me, I am surrendering
All to the world.

Gajanan Mishra
Whatever I Have Said

Whatever I have said
Is all true.

Here is my word, hear
And take rest, if you like.

O my friend, I am going on telling
It is you to decide the steps to take.

Gajanan Mishra
Whatever I Say ??? ?? ??

Whatever I say
My wife objects
And says
Nothing true.

But what other people say
My wife is there
To support all
And says, look.

Rendering into Odia, script- Brahmi;

??? ??? ??
?????? ???????
?????? ?? ???? ?
?????? ??? ?? ?? ??
?????? ?? ?????? ?????
?????? ???
?? ?????? ?? ??

Gajanan Mishra
Whatever Is Destined

Whatever is destined,  
That would come.  
Uselessly waste not life  
In worrying about anything.  
But go on doing  
Your duty allotted to you,  
And therein feel  
The life and the truth.

Gajanan Mishra
Whatever Is Good

Whatever is good for you,
O men, wish the same for others.
This world is a peaceful shelter,
O men, Stay here with all and prosper.
Love nothing but the truth,
O men, Go on searching, that is within you.

Gajanan Mishra
Whatever Is There

I know not
Who is there
What is there.
I know only myself
And I am here
For the better.
I am renouncing war
I am renouncing peace.

Gajanan Mishra
Whatever Is To Happen

Whatever is to happen
Will happen.
Whatever is not to happen
Will not happen.

No one has right
To think about anything.
But one has to think
About nothing.

Gajanan Mishra
Whatever Remains Is You

Beyond me whatever remains
Is You
You are independent and
You exist on your own
I am within You and
World is within me
I see nothing but You
You are not far off
Rather you are closer
I can not see anything
Without You
Who are You I am asking
Again and again and I am
Searching You
Beyond me whatever
Remains is You.

Gajanan Mishra
Whatever You Desired

Behold
Whatever you desired
See
Who are enemies
Who are friends
Test
In the battle field of life
Victory or defeat
No matter
Clarified your doubts
That are within you
Till
Time limit
Out.

Gajanan Mishra
Whatever You Do

I know my dear
It is for my good
You are the sun and lighter
I am here face to face with You
I know there is no chance
To fall in to the net of
Dark-bondage in Your presence
And it is never.

Gajanan Mishra
Whatever You Have

Whatever you have said
I have heard.
Nothing is confidential
As it is knowledge
All should know.
Devotional service is
More important than knowledge
Renunciation is more important
Than devotion.
Whatever you have said
I could not understand
I did not know how
I link with You, my dear
In this life that is here
And I waited for the life in the next.

Gajanan Mishra
Whatever You Like

I have two ears
I have to hear at least twice.
You have no ears
Why should I speak?

See, Tears only
Rolling from my eyes
And I am unable to see.
You have big round eyes
You can also do
Whatever you like.

Gajanan Mishra
Whatever You May Be

Whatever you may be
You are going to be a
Worm or stool or ashes.
And remember, you are
Going towards hell,
Heaven is within you, though.

Anyway, let me ask
A question- am I
Belong to my father?
And where is my father
At present?
And who will be
My rightful claimant?

Let me stay
In pure knowledge,
And Let me not
face the defeat.

I am not prepared to
Go with the story-
'Again become a mouse'
And let me clear
I want nothing, nothing.

Gajanan Mishra
Whatever You Think

Whatever you think
You are here to attained
To fulfill your dream
I am here detained
And for you everything
I retained and everything
The time contained.

Gajanan Mishra
Whatever You Want To Do

Whatever you want to do,
Do it for the welfare of others.
While doing renounce selfishness,
Egoism and the desire for fruits.

Gajanan Mishra
Whatever You Willed

Whatever You have willed
O my dear, I know
That must come to pass.

I am nobody under the sky and
The stars and I am to
Mutter only You, the all-blissful.

Gajanan Mishra
What's Hot

What's hot,
You asked.
I replied,
You.
I added,
Hotter than today.
You smiled,
And come nearer.
I fear,
Fear of Titilagarh
Haunted me.
You know it
And replied
I am here.

Gajanan Mishra
What's The Matter

What's the matter
That you are here.
Are you really here?
I find no reason
To say okay, if
You are here, what
Made you not to utter.
Please hear, but you
Have shown your
Helplessness by
Indicating you have
Eyes though, but no ears.
Oh, I see, you are
In us, it is but nature.

Gajanan Mishra
What's Wrong

What's wrong?
What is unbecoming?
See I have maintain
absolute integrity
and devotion to duty.
Wearing a blue shirt
and a branded sunglasses
is violation of protocol?
What's protocol?
Why can't any one
taught me before?
What is proper dress?
Dress code be adhered,
But what is that?

Gajanan Mishra
Whatsoever you get,
Be satisfied with them.
Perform your prescribed duties
And abstain from forbidden actions.
Stay unattached to incidents,
Circumstances, things, actions and persons.
You are living here to attain the truth,
You are here to show your own virtues.

Gajanan Mishra
Wheat Is Not Grass

Grass is not wheat  
Wheat is not grass  
Cow grazed wheat  
The cow has not eaten  
A single grain of wheat.  
Not a single grain of wheat  
Is there in the field  
The crop is wheat  
In the middle it appears  
Green grass  
It is wheat  
Likewise, O my dear  
In the middle I see You  
Wheat is sown  
Life is grown  
Ripe only taken out  
Intelligent wise-ripe man  
Only dear to omniscient.

Gajanan Mishra
Wheel In Motion

I have full trust in You
O my dear
I am doing here my duty
You are there to operate it.

I have full trust in You
O my dear
With utmost care I am doing
You are there to give value to it.

Gajanan Mishra
Wheel Of Time

Controls all activities
And controls all.

Wheel of time
Expands from
The beginning to the end of all.

Wheel of time
Can not be checked
By any one.

O my dear, I know
This wheel of time
Is Your weapon.

I pray let me go with Truth and let me stay
Save and sound under Your grace and kind supervision.

Gajanan Mishra
Wheeling And Wheeling

Wheeling and wheeling
And reached no where.
Waylayers robbed
Lack of concentration is
The stumbling block.
Holding and dwelling
Within not secured.
That is perishable
Which has a manifestation
And it is one's own error.

Gajanan Mishra
Wheels Of Our Car

To make matters worse
We are here and
The wheels of our car
Refused to revolve
And what is disturbed
No forthcoming incidents
Came to fore.

Gajanan Mishra
When You Say

When you say
You are mine
I am very pleased
To listen you.
The night is clear,
The moon is clear,
I am very pleased
When you say
I am yours.
It seems to me
Everything is
Lovely and beautiful
And I am for each one,
Each one is for me.

Gajanan Mishra
When A Man

When a man
Is not like
A man,
What shall
You do.
That I know not,
But I know
You are coming
Under that category.
Worry not and
Try to understand
The time and
The situation here.
We are all
On the same boat,
And the boat is
Not going anywhere.
As the water
Is still, and
Also the boatman.
You are excited
Like me, I know,
But that has
No role to play
At any time, though,
It is necessary
To utter words.
You are the lotus flower
And I am the fragrance.

Gajanan Mishra
When Everything Ends

When everything ends here,
Everything begins there.
When everything begins there,
Up above the sky, O my dear,
Find the stars.

Find the stars
That are within you, my dear.
I know, the presence
Of the stars matter
Only in the dark.

And I love dark,
Dark is black in color
And as you know I am black
So also my love my truth and you.

Gajanan Mishra
When Feeling Of

When feeling of affection is there
For truth, Everything is there for you.

Gajanan Mishra
When I dive in ocean of
Enlightened poem
I desire not to get
Anything else.

I am here
Unattached
This is the power
Of the poem
This is the power
Of the poet
And it is
Evenness of temper.

Gajanan Mishra
When I Admit

When I admit
That I know not
What is right
And what is wrong
What is good
And what is bad
I have to
Give respect to
Your words
Though painful
To hear.

I have to see myself
Through your
Intellectual mirror
And I have to
Cross my own mind
And I have to
Remain eternally
Grateful to you
In particular
For your
Free expression
Without fear.

In frank and
Open manner
You have discovered
What is there in me
And enable me
Or you have given
A chance to
Look into my
Own private room
Wherein, all
The answers are there
For a bright future.
When I Am

When I am
Writing poetry for you
You must admit
I am not a liar
I am also not mentally ill
And I am sure
I am telling the truth.

When I am
Writing the poetry before you
You must not disagree
I am affirming your presence
That is not in my contradiction
That is but normal position
And I am busy in my function.

Gajanan Mishra
When I Am Alone

I think I am the universe.
When I am alone
I am no body- my true verse.

Searching life
I went to the jungle
And the jungle is in me
I have forgotten.

Be sure, I am not a sage
I am always in my cage
And the cage is open
And yet everything I shun.

I am just a man
Keeping the entire world within
And telling a lies
I smile with my helplessness.

Gajanan Mishra
When I Am Going

On my own way
You are telling
I am misguided
I am useless
I am wasting time
For it is never
Enable anybody
To go anywhere.
How far it is true
I am not asking you
As you yourself know
What is what
And if you are unable to
Know that your own fault
I have nothing to do.
Let me go on my own way
Rest it is the time
Who would say.

Gajanan Mishra
When I Am Here

When I am here
You are there.
If I am not here
You are not there.

Your very existence
Depends on me.
A permanent relation
Is there between
You and me.

Minus You
I am nothing
Minus I
Who knows You.

Yet You are there, I am not here.

Gajanan Mishra
When I Am Not In Truth

When I am not in truth
How can I say what is
And where is truth!
But I say and declare here
I am the truth and I love you.
You are also the truth,
We are one and the same.
How can anyone else destroy
Or try to destroy the truth.
Truth and love are one
And the same and they are
Indestructible and they are
Indescribable. Life without
Love and truth is horrible.

Gajanan Mishra
When I Am Not Present

When I was/am
Not present
How can I answer
The questions
Put to me.

You are calling me,
But here, there
No air, how can
I answer.

I am just a machine
Without engine.
I am just a bird
Without wings
But see, I swim, I swim.

Gajanan Mishra
When I Am Telling

When I am telling my name
You are believing me in good faith,
and when I am telling other things
You are asking me is it!
That means you are not believing my words
Only you are there to support your cause
and taking me as true if it is useful.

I am matchless, you know,
I am ageless, you know,
I am nameless, you are to know,
I am speechless, you should know.
What you know and what you know not
You should make a list and verify
whether they have any authenticity!

I am standing here at this time
Still then you doubt me
and you are verifying my documents,
You are verifying whether these are
my photos and whether I am still here
during your absence and you want to know
the name of my successors and the survivors.

Gajanan Mishra
When I Am There

Everything is there,
Everybody is there,
When I am there.

When I am there,
You can see the light,
You can know everything.

Gajanan Mishra
When I Am With You

When I am with You
O my dear, my sense of
Individuality vanishes.

By having a deep insight
In to the knowledge
I realize my identity with You.

I know You, O knowable
With all Your virtues
I know You I know You.

Gajanan Mishra
When I am writing in my mother tongue,
My body and soul and all the senses are
Going together for ultimate realization
Of the truth that is there on the earth.
The earth smells and I inhale the very
Scent of the air and water in my own sky,
With certain assimilation accumulating
All the charity and brevity of life.

Gajanan Mishra
When I Am Writing Poems

And writing for others
I am pleased in myself
I am writing well I know
And writing for your satisfaction
So that satisfaction is
There with you always
This is my poem's message.

Gajanan Mishra
When I Am Writting

When I am writing a new poem
I am looking towards a new life
I am making a new life
I am in search of a new life
I am in need of a new world.

When I am writing a new poem
I am getting a new life
I am in love and it is
Not about possession
It is about appreciation.

Gajanan Mishra
When I asked
What is poetry
You show your breasts
And said you are the best
When I asked
What is life
You show me your chain
Chain of love
And you invited me
To cross the ocean.

Gajanan Mishra
When I Assume

Attachment arises
When I assume
Affinity with You.

O my dear, attachment in subtle form
Dominance of discrimination
Attachment enhances
Discrimination covered
Discrimination revealed properly
Attachment perishes
And I am liberated
Liberation is here.

Gajanan Mishra
When I Fail

If you fail,
I fail too,
It is true.
When I fail,
You are not there
To feel good
I know.

We are one
And inseparable,
Please muse
I am for you.
Try not to
Burst crackers
When I lose in truth.

Gajanan Mishra
When I Find No Meaning

When I find no meaning,
I am forced to call
The illusion.

Gajanan Mishra
When I Have A Keen Desire

No one offer me anything
Now I have no desire
And everyone offering me everything
Now I realized expectation
Is really an obstacle in our life.

Gajanan Mishra
When I Have Not Earned

When I have not earned
Question of using and
Incurring expenditure
Does not arise.

When I incurred expenditure
I must repaid all
In the coming days
With proper interest.

Gajanan Mishra
When I have seen you, dear, means,
Nothing remains unseen. I know,
All have their existence within you.

Gajanan Mishra
When I Know

When I know
I returned
When I returned
I met You
When I met you
You gave me
What I wanted.

Gajanan Mishra
When I Know Not

When I know not
What is death
How can I say
I am dying.

When I know not
What is life
How can I say
I am living.

Gajanan Mishra
When I know, you are not mine,
How can I called you, you
Are my own.
My dear, I want not to
Live in hypocrisy.
I honour you. I respect you.
I know you are unique
And a special entity.
You never belong to
Anyone, I know.
Still you are there
With me and with all.
You are above all
Like and dislike.

Gajanan Mishra
When I Love You

When I loved You
It is I who is
Always with You.

Gajanan Mishra
When I Open My Lip

When I open my lip
Stone turn water
And you see
Mason's departure.

When I open my lip
Mason will not able to
Do any construction
Without any reason.

Ask not to open
Ask not to open.

Gajanan Mishra
When I Quarrel With You

When I quarrel with you,
Think not, I don't love you.

Feel me.

What you feel
I must be so.

See me, beside the window
And you are there I know
Without your shadow.

You are on your way
That I know.
And also I know,
No needs to say good bye.

Gajanan Mishra
When I Read

When I read
Book valued
When I worship
God lived
When I call
You appeared
What more
You need
Tell me
I'm not greed.

Gajanan Mishra
When I Regard

When I regard
This or that
As my own
I am enslaved
And I suffer,
But when I
Regard you
As my own
I am free
For that.
No pride
But I am
Polite and
Simple at heart.

Gajanan Mishra
When I Renounced

When I renounced
I feel free.
When I renounced
They said I am right.
When I renounced
Really it is a
Great feeling of capability.

But still I know not
What is there to renounce
And I know not how to
Renounce and renounce for what.
All that has happened
Is just a consequence
And You said it is adequate.

Gajanan Mishra
When I Said

When I said
There is no birth
And also there is no death
It is needless to fear
Birth and death.

When I said
I am here always
It is needless on your part
To go on searching from
Temple to Mosque to Church.

I said I am here
Means I am here
Within You and also
Outside you, I said I am you.

Gajanan Mishra
When I Saw

When I heard
Of Your, my dear
I am enraptured,
Beauty goodness
Amiability and
Genial disposition.

You are here and it is
New festivity and
Jubilant music everyday
Showers of joy everywhere
There are gorgeous rivers
Of affluence success
And prosperity.

Gazing on You, my dear
All are happy in every way.

Gajanan Mishra
When I Say

I am Gajanan Mishra
It is my false ego
And I am deluded.
Neither I am original
Nor I am duplicate
How can I say
I am perfect
I am powerful
I am happy.
I have nothing to give
I am nothing
And I am deluded
The only Truth.

Gajanan Mishra
When I Say - Sad

When I say it is pleasant
I must say it is unpleasant.
When I earn money
I am ready to spend it simultaneously.
Loss and profits are there at a time
Knowing this one should take all
Responsibility himself unhesitatingly.
It is the day and it is the night
But be ready, I said myself, always to fight.
No matter how far you are happy, I try to know
But with all sadness that is there that cannot forgo.

Gajanan Mishra
When I Say I Am Here

When I say I am here
And I exist,
Take note that
I am in sorrow.

But I say I trust you
And contentment is there
With me, I received
The greatest gift.

I taste the sweetness
Of life in solitude,
I enjoy the nature
As I stay free from fear.

Gajanan Mishra
When I Say I Love Women

When I say I love women
It does not mean I hate men.
Men are the product of women
That I know and it is
Well known to you also, sir.
I am there, where women
Are fine and fair, I know it is
Only for the women I am the star.

Gajanan Mishra
When I Say I Love You

When I say
I love you,
You will hold
The rein.

What has happened
What is happening
You know, no word
Is here with gajanan.

Gajanan Mishra
When I Say I Love You Means

When I say I love you,
I mean to say I am ready
To consumed by fire
That is my own.
Let us love one another,
My dear brothers,
Thinking ourselves
Dead and dry.
Let us see the moving sea,
In our glass of water,
Let us fill the sky
In our body that quivers.
Let us stand together while
Going from pillar to pillar.

Gajanan Mishra
When I Say No Failth

When I say no faith
It means I have faith
In other ways.

Gajanan Mishra
When I Say Yes

When I say yes,
It means also no.
When you say I am absent
It means I am present
At that time there.
Hearing so many words
All around me
I remain silent, see.

Gajanan Mishra
When In War

When in war,
See not the face.

See the flower
That is in the air.

But it is war,
And it is war.

On your own earth,
It is war.

Life in war,
War in life.

When in war,
Say, I don't care.

Life in warfare,
Take care.

Gajanan Mishra
When Intention Is

When intention is not good
And wicked, tell me, what to do.
Tell me, when life is not
Secured how to proceed ahead.

Still, deception persists,
Still, darkness continues,
Still, we indulge in different
Activities without wings.

Duplicity has no work,
I remember, and I tell all
To stay together and take
The narrations granted.

Each one is respectable,
Each one is very important,
Each one knows all and
Each one can conquer the world.

Stop killing, and define
The word killing before all,
If you are transparent
And magnificent.

Gajanan Mishra
When It Is For Truth

No action is significant
But when it is for truth
It has gained significance.
No person is significant
But when he is in love
He has gained significance.

Gajanan Mishra
When It Rained

When it rained
I entered in to
You to take a rest.
When it rained
I found the fruits
Within my reach.
When it rained
I waited within your cave
O my dear, for the rain to stop.

Gajanan Mishra
When My Mother Is Here

When my mother is here,
With me, how can I feel
The lack of anything?
Mother is here and she
Frees me from sufferings.
I have an inclination
Towards my mother,
My mother is my weakness.

Gajanan Mishra
When My Words Are

When my words are
Getting their shapes
You are calling them,
Poems.

When my body is
Getting is real shape
You care calling me,
Emancipation.

You are there,
I know, my emancipator,
My dear.
I am here with you
To love all
For truth.

Gajanan Mishra
When Nothing

What are you searching
When nothing is there.
When nothing is there
You are searching outside
You know there is nothing
Called outside.
I know your potency of
Knowledge strength
Influence and so on
When everything and everybody
Is here within me.
Everything is there as it is in You
The power the beauty the fame
humility charm good fortune wisdom.

Gajanan Mishra
When One Is Sleeping

When one is sleeping,
Another remains active.
And five others are
On guard.

I realize,
I must not stay there,
With air and
With fire.

It is true, for me
There is never birth
Nor death.
It is true, I am
Not slain, but
Fight with nature.

Gajanan Mishra
When One Say

When one says
I see the future,
Be sure
He is in a lair.
If you are telling
Something about
The present, my dear,
You are the best speaker.

Gajanan Mishra
When One Sun

When one sun is there  
To give light  
When one moon is there  
To give cool affection  
When one earth is there  
To give life  
One man can do anything  
In this world  
This world is only  
One man's show  
Come and solve all problems  
Necessary item is  
A single bow.

Gajanan Mishra
When Some One Said

I am a man
He is taking shelter of
Falsehood.

When some one said
I am a creature
Nomenclature no matter
It has got some truth.

Gajanan Mishra
When Sorrow

When sorrow comes
to an end,
happiness comes
to the fore.
And for this
some sort of
practice is necessary.

Remember, happiness
is not for all times,
Happiness is perishable,
If one attach to it
it comes to an end.
Use happiness and
one should not enjoy it.

Gajanan Mishra
When The King

When the king
Is the traitor,
What shall you
Do, my dear?
When the king
Discriminate
Between his children
And the subjects,
What shall you
Do, my dear?
When the king
Is not ready to
Listen your advice,
What shall you
Do, my dear?
Listen, keep
Silence with you
And wait for time,
Time is here
To bring the truth.
Be not a volunteer
And offer not
Anything from your side.
Just wait and see
With patience,
Silence has its
Own voice and strength.

Gajanan Mishra
When The Night Is Dark

I tied myself to this hill
When the hill trembled
I thought my chance
Is over.

You are handsome and kind
That I know from the beginning
And it is easy to be true
You finished your mission
At first round.

I thought my thinking is not in order
O my dear, and here I saw You ever
The reasons not known
And I have forgotten everything.

Gajanan Mishra
When There Is Evening

When there is evening
I discovered You, my dear, here,
With the power of light.
And I need some rest
Therein.
It is You
And You are flowing
With cool cool inner Self.

Gajanan Mishra
When There Is No Truth

It is untruth it is falsehood
And here there is increasing avarice
Cheating and violence diplomacy
Nepotism throughout the earth
And in untruth all are in vogue
No one can imagine what is
Going to happen and it is horrible time

Gajanan Mishra
When To Return

When to return
Not yet decided.
Return journey
Depends on, how
You stay and for
What purpose. but
Who is there to say
With all surety
About your arrival?
Where are you now
That is also
In mystery.
No one says
The exact things.

Gajanan Mishra
When Tongue

When your tongue is so soft,
the words must not be harsh.
When you are so loving, my dear,
I hope you must use your anger
in a pious and virtuous manner
for the benefit of all creatures.

Gajanan Mishra
When Tongue Is Soft

When your tongue is so soft,  
the words must not be harsh.  
When you are so loving, my dear,  
I hope you must use your anger  
in a pious and virtuous manner  
for the benefit of all creatures.

Gajanan Mishra
When Truth Is Everywhere

When truth is everywhere,
You need not go anywhere,
You need not do anything
To discover the truth here.
But my dear, be a soldier
And start your work to
Catch the truth in presence
Of all and deliver them to
Those who are waiting for you.
You have to overtake all and
Cross all in this direction
For the sake of truth.
Truth is everywhere and the man
Who is searching can get at once.

Gajanan Mishra
When Truth Is There

When truth is there
You can not find
Mouth of death
When love is there
You can not face
Any downfall.

On raising head
You should march
With refined vision
Keeping destination fixed.

Realize truth you are nobody
Realize truth your outgoing
And incoming and are not there
And you are as pure as you are.

Gajanan Mishra
When We Are

When we are enjoying 
Other's properties,
When we are talking 
Behind somebody bad,
When we are not giving 
Support to the weak,
We are destroying our 
Own future in our hands,
And we are heading 
Towards hell.
We have so much power 
And prestige and wealth,
Though, with us here.
We are our trouble-makers,
And we are like poisonous snakes 
To harm the self.

Gajanan Mishra
When We Have

When we have
No power to
Change anything
We are to accept
Everything in toto
As they are with us.

We know not
What are with us
And hence
Nothing to grieve.

We know only
For a few moments
We are here and hence
Recognition is no matter.

Gajanan Mishra
When You Are Attacking Me

It is okay
When I start to attack you
You are crying and
Making hue and cry
Why why.

In this world all are
Equal and equal
We are all brothers and
Sisters sons and daughters
Of that almighty
Natural law is one.

Respect others
And get respect from others
Give love and be loved
Giving and taking are
Reciprocal and same.

Gajanan Mishra
When You Are Here

Darkness and ignorance
Disappear.
You are the illuminating
Energy of all
Let me say in conclusion
My origin of life is Your
Bodily effulgence.
I am free from all darkness
I am light I am enlightened.

Gajanan Mishra
When You Are Telling Something

When you are telling something
Some one is obstructing
And who is he
Not in my knowledge.

Fact is that
Some one is here
All days all nights
And I am telling him.

Gajanan Mishra
When You Are There To Create

When you are there to create,
I am sure, it is your absolute right
To destroy.
But in your creation and
Destruction processes
Who has given you the right
To give me pain!
Okay, I know,
You bother not
About anything.
You care not
Who feel what.
Would you please do
One thing, if you are
So pleased, take away
My think-tank from me.

Gajanan Mishra
When You Are With Us

When You are with us
Distress and calamities
Are day-dreams.

When You are with us
We feel free from chains of
Attachments and sorrows.

When You are with us
We are in pure happiness
And bliss.

You are composed, my dear,
You are rejoicing and
I see You in every-being,
You have the knowledge of
Supreme totality.

Gajanan Mishra
When You Need Me

I am yours
When you
Need me.

You have
A heart
I know.

I love you
You to know
And feel.

Life is there
With values
Save the life
From dust.

I love you most.

Gajanan Mishra
When You Open Mouth

Pleasing to all,
Fools and rascals.

Reaction is a must,
When you open mouth,
Or you start walking.
Worry not dear,
That are but common,
You are to go on
With full strength
On the path of truth.

Path is clear,
Be confident and move,
Move forward
With love.

Gajanan Mishra
When You Present

I need no protection
From anybody
When you yourself
Present here.

I am able to see You
And it is Your grace
And with Your presence
There is no dangerous condition.

Gajanan Mishra
When You Remember Me

When you remember me
Read my poems
Reading my poems
You remembered me
To remember is to unite
Unification is devotion
And it is true love my dear
And I wander
Why there is no such description
No such realization
When there is salvation.

Gajanan Mishra
When You Said

When you said it is fire
I have nothing to object there.
When you said fire is within
I am thinking how it is changing.

The fire is water let me say
And you show me the blue sky.
But I have courage, see, to penetrate,
And you said with low voice try for that.

While trying I am celebrating the life,
And the life is there with flowers
And the greenery with mixture of fire and water,
I see there life with all truthfulness.

Gajanan Mishra
When You Said You Are Happy

When you said you are happy,
I am sure you know what is misery.
Look me, I am your son, I know not
Besides eating drinking and making merry.
I know this world is nothing but a place,
Not to take anxiety and nothing to worry.
The sun, the moon, the stars are there
To take care us and we are blessed one
Not to answer anybody for anything.
No flood no drought can affect us
On any matter at any time.
We should remember we are quite
Different from each other, yet we are
One and the same here.

Gajanan Mishra
When You Say

When you say
Do not minimize my ability
That shows your ego and pride.

Mind it
No one is here
To defeat death, my dear.

And nothing is victory
If you are not able to
Win the life crossing the death-border.

Gajanan Mishra
When You Speak

When you speak,
You lose yourself.
Love life without a word.

Gajanan Mishra
When You Think, My Dear

Of the sense objects
There is attachment
And from attachment
Desire springs up
From desire ensues anger
From anger arises delusion
From delusion loss of memory
From loss of memory
Destruction of discrimination
From destruction of discrimination
You perish, my dear, listen and
Cautiously hear.

Gajanan Mishra
Whenever a poet is coming to me
I think myself purified and
Decorated with all good qualities.

Wherever a poet is there
The poet thinks himself grateful
And pray to the Almighty for grace.

A true poet never distinguishes
Between lower or higher living entities
All are one and the same in his eyes.

Gajanan Mishra
Whenever And Wherever

Whenever and wherever
There is decline of truth
There is rise of falsehood
Whenever and wherever
There is rise of falsehood
There is destruction decay.

Gajanan Mishra
Whenever I Am Writing

Whenever I am writing
Anything in poems
The hill is there
Laughing at me.
Only for this
I stop writing
Anything in poems.
But the poems are there
And they are being
Written by themselves
Through my pen and papers.
But I am unable to
Think myself deducting
Poems in this life.

Gajanan Mishra
Whenever I See

Whenever I see
I see the sun
Whenever I do well
My expection go up
And I become a think of fun.

I do not know exactly
Where is heaven
I know seas are seven
I have to crossed
The bullet of the gun.

Gajanan Mishra
Whenever I Start

Whenever I begin
Composing a poem,
The river appeared
And started putting
So many questions,
That are irrelevent
I am not going to say.
What I am going to say
In my poems is all
About the birds that are
There with all the trees,
Clouds, sky, stars
In their feathers
Coloring in various way.

My composing and
Call for composing poems
Multiplied and the moon
Wish me like the men
That are near and dear.
I tell all, wait,
Wait and see what is
Going on here.
Morning comes
And I again start
Composing new poems
With mixture of
Experiences that are
Based on love and truth.

Gajanan Mishra
Whenever I Walk

Whenever I walk
I see you,
I talk to you,
And I find
You are there
Ever ready to help
And to coordinate
All in all matters.
Who you are,
Where you are,
What is your form,
What is your name,
All that have
Matter little.

Gajanan Mishra
Whenever I Walk I See You

Whenever I walk
I see you,
I talk to you,
And I find
You are there
Ever ready to help
And to coordinate
All in all matters.
Who you are,
Where you are,
What is your form,
What is your name,
All that have
Matter little.

Gajanan Mishra
Where Am I

Where am I?
Search me out.
What have I done,
That worry you.

But my dear,
Am I a murderer?
Have I done
Something wrong?

Give and take
Is nature of life
Please understand.
You have given and
I have taken, nothing
New, please understand.

Ups and downs are
There everywhere.
If you think
You are up,
I am not thinking
Myself I am down.

Change the system,
And give no scope
To anyone to do wrong.
Let me clear
I have not done
Any wrong.

Have patience
And see everything
Will be well-done.
Let the good time come.

Gajanan Mishra
Where And How I Am

Where and how I am
Let me tell you here.

Here, You are with me
And I am free from everything.

No one can say me this and that
And I am as I am with You here.

With You, it is I am, who is in full,
Without any identification with anything.

Gajanan Mishra
Where And In Which

Where are you, my dear?
I am devoting my full time,
My power and utilizing all
Resources to, realize you.
In which branch you are
Playing for so long and
For why my dear, I am searching
The connecting link, the truth.

Gajanan Mishra
Where And Who - Rudyard Kipling

I know you
You are what
You are why
You are when
You are how
you are
Where and who
I know you
You are the key
To curiosity
To growth
To learning
To understanding
I know you
Through the poet
That is Rudyard Kipling
By hearing you
By seeing you
By touching you
By feeling you
I know you
And I dare not to
Ask you further
My dear, I am in a bag
That is made of leather
And as you see
It is smaller and smaller
It is bigger and bigger
And I am here
As an innovator
As an explorer.

Gajanan Mishra
Where Are You Going

Where are you going
I am asking and
You said nowhere
To go.
Nowhere to go
My dear, I am here
For nothing
How can you say.
How can you say
The same day starts
And you are doing
Same thing again and again.
Again you are going to sleep
Brushing your teeth
Taking a shower
Meeting people talking laughing
And doing all sorts of works
That are here that are there.
All these are sanity
Or insanity I know not, my dear
I know only You, my love
Doing all works with You.
Neither I am going
Nor You are coming
It is true we are here
All days laughing and laughing.

Gajanan Mishra
Where Are My Children

Where are my children, tell me.
Tell me, are they okay there in school?
Tell me have they acquired knowledge,
Knowledge of love and truth and brotherhood!
Tell me, are my children are not yours?
Tell me, are they not belong to the entire world?
Tell me, where are they now?

Gajanan Mishra
Where Are People

Where are people?  
Where is their voice?  
What they want?  
Who knows?

We are telling  
We are for the people  
But we are enjoying life  
At the cost of the people.

We the so-called educated  
So-called learned and intelligent,  
So called men of creamy-layers  
Are not of the people.  
We formed a separate group  
Just to fulfill our selfish desires.

Gajanan Mishra
Where Are The Rivers

Where are the rivers
And I wander, no river.

My common sense is
Silent here.

I enjoy the call of vendor
I am a rule breaker.

No river
Only vendor
Only terror.

Gajanan Mishra
Where Are They

Where are they,
They, the dismissed words?
I am searching them here, there.
What is their faults
That I know not.
But they are dismissed
And banished from the earth
And from the sky
The reasons not known.
I am searching them here, there.
They cut themselves
With the sharp knife of time.
And the time cut them in to pieces
And left them far behind.

Gajanan Mishra
Where Are We

Where are we,
Let us ask this
To every one here.
And be sure no one
Is able to give you
Proper answer.
What are we
Doing here, please
Ask every one and
See their heads down.
Who are you
Ask yourself and hear
Different answers
At different times.
But the earth is one,
But the sun is one,
But the moon is one,
But the air is one,
But the sky is one.
No one is daring
And no one is saying
We are one,
We are here in love,
We are doing for truth,
And it is all we, we.

Gajanan Mishra
Where Are We?

Where are we?
And with whom?
Who are we?
What is our power?
For whom, our representatives
Are making laws?
To whom our servants
Are giving service?

Gajanan Mishra
Where Are You

O my dear
Where are you?
O I am here
Nobody is saying.
I am making contact
Again and again
O my love
And you are my cub.
I am making my life
A true one with you
And you are no where
And you justify
Your existence with me.
O my dear
Where are you
The question has got
No value.

Gajanan Mishra
Where Are You ? Where Are You?

Where are You? where are You?
May I see You here there everywhere?

I know You are the Supreme know-er of everything
You are eternally existing but not within cosmic manifestation.

I can understand You, my dear
Once I uncovered myself by material nature.

Gajanan Mishra
Where Are You Going

Where are you going at this time,
We are the fools searching you for no reason.
At every moment we are facing problems with no solution,
We are dreaming and seeing the life full fledged
with the stars above the sky.
Really intolerable the pains of the words
And that has no ending anywhere and still
We are conscious and ready to drop the letter to moon.

Gajanan Mishra
Where Are You I Want To See You
Where are you I want to see you
Why are you ready to obey my order
I do not know how far you are true
You are with me I know but I
Do not know how to love you
I perceive you but I do not know
Who you are and what for you are
Doing all these works here
I want to see you where are you.

Gajanan Mishra
Where Are You My Dear

Where are You my dear?
I know I am not in separation
I am laughing I am crying
Only in Your cooperation.

No comparison please
Each and everyone is distinct
I am doing duties only under
Your direction and supervision.

Here is my association and
I am in perfection, see me
I am in blissful condition
On this elevated position.

Where are You my dear?
You are within my heart that I know here.

Gajanan Mishra
Where Are You Running

Where are you running?
And you are running away.
You are killing me.
How can I love you?
Let me refused all your proposal
that are there all days.
As because you are a poet,
You can only uphold the truth.

Gajanan Mishra
Where Are You, You Are

You are with your fortune
Go and see
You are dancing
As per tune.
Engage yourself
Your activities
Mind and words
In Truth and
Know who are you.
Fear has nothing
To do
You are not to
Fall down.

Gajanan Mishra
Where Are You, My Dear?

Where are you, my dear?
I am asking you and
I hear your reply, I am here,
I am here within you
In your respiratory system.

I hear you reply, my dear,
Worry not, we are joined
In the company that is
Not ours, and we are
Going aways at our sweet will.

But what we give
We get nothing in return,
But we are there with a hope
To receive back that are ours.

Gajanan Mishra
Where Are You?

Where are you?  
And who are you?  
Let me say, my guy  
I am here all day.

I am here all day  
and you are there with me.  
Who am I, ask not  
but live long.

What is living  
if not with me.  
And I am here,  
where are you  
tell me my dear.  
Tell me, tell me.

Gajanan Mishra
Where Does The Life

Where does the life
Come from?
Let me know,
Let me understand it,
I am here in its nuclear.

Gajanan Mishra
Where He Has Gone

He has not stated
He has not gone
And not seen anywhere.

He has not told
Real story
No real story
Was found anywhere.

What was found
Gathering of information only
And He was not found
In that gathering.

Gajanan Mishra
Where I Am

I am unseen
Here in this earth
In this sky
Inbetween
The sky and the earth.

Gajanan Mishra
Where I Am How Can I Say

Where I am how can I say,
But I must say I am here,
I am not in a position to stay
For a moment, though.

I am going out, true.
I am far from unselfish love,
Liberating love, I know
And I am here without any taste.

I am not in a position to
Leave this place at any situation
And this is my helplessness
And you are not coming yet.

How can you come, I think and I know
The legs and hands are with me.

Gajanan Mishra
Where I Am I Know

Where I am I know,  
And I can say the words  
Lovely and beneficial to you.

You are to hear me  
For your own benefit and  
You are to wait and see  
Where I am for you.

Recognize the voice,  
Low and high.  
Bridge the gaps  
Between you and I.

Clean the ground  
With the broom  
At your hands.

Gajanan Mishra
Where I Am I Know Not - Life

Where I am
I know not,
Ask me not
Any question
Like this dear.
I am my own glory
I know this much
And I am here
To enlighten you.
You are my passage,
That I know
That I feel
And I beg
Your help to
Proceed ahead.
I am the dust
I am the dirt
I understand and
I am helpless
I know here.
And you are here
With me to make me
Know the facts
There in life.

Gajanan Mishra
Where I Am You Are There

Where I am
You are there
That I know
I do not know
Where I am.

I know I think
What I think
I do not know
That I know
I know I think.

You are here
With me
In the dark
In the night
In the day
In the light
I do not know
I know I am good
I am bright
With You
In You.

I think I am
Yours and it is true
I know it is You
Who is always
With me with me.

Gajanan Mishra
Where Is A Good Poem

Where is a good poem,
We know it is a mirage.
Is good poem really a mirage?

We see life in a right vision
In the mirage. Is it not true?
Life and good poem are
One and the same for truth.

Time is here with us,
Time is the premium
We are to pay through our
Emotion and sentiments.

Poem is the source and
The stream of life and not
Mirage but solid reality.

Gajanan Mishra
Where Is A Man?

I cry always
Throughout the day
And asking all,
Tell me, please
Where is a man?
Where is a man? ?
At the end of the day,
I want to retire
And go to secluded place
To rest.
Nowhere I find a man,
Either in town or
In forest.
I come to a conclusion,
Nothing is appropriate,
No one is correct.
Who am I to come to
Such a conclusion?
I have no right
To tell anything to
Anyone, I have no right
To fight for words.
I have no right to
Give suggestion.
I cry, who am I?
Who am I? ?
Silent here - The birds,
The air, The water,
And the sky.
I understood nothing,
And what I said,
I cannot say all,
All are correct.

Gajanan Mishra
Where Is Art In Life

Where is art in life
Life is an art
Just put the mirror
Before life.

Where is life in art
Put the art in to life
Just smile and say
Life has beauty.

Gajanan Mishra
Where Is Beauty If You Ask Me

Where is beauty if you ask me
I must reply it is within you
Beauty is in your character
And remember your character is
Your God and so always
Keep it pious
And if you keep your
Character intact it is clear
That you love God you love all
And to love is your happiness
It is your means it is your end
Be content with what you have.

Gajanan Mishra
Where is beauty?
You told me
It is in silence.
Nothing to disagree
I replied and
I see you smile.
I know not
Where is the mistake
And I see
You close your eyes.
No reason to ask
Further question,
I know it is all
But natural process.

Gajanan Mishra
Where Is Happiness?

Where is happiness?
Tell me my dear.
I am ready to go
Wherever you want
To take me.

My poem is a place
Where you must get
What you search.
Poem is a searching machine
Just use it in proper way.

See not the dark side here
Find not what is lacking.
Remember, nothing is perfect
And nothing is nothing and not permanent.

Gajanan Mishra
Where is heaven
Do you know, my dear.
My village is my heaven,
Though there is no road till date
Though there is no pure drinking water
Though there is no electricity at night
Though there is no love but
Hate and enviousness rules all over
And though we are all fighting among each others
Though there is no school for so called education
Though there is no proper place
To give true or spiritual education for all.
And yet you cannot say my village is hell
I am here to pull out your tongue.

Gajanan Mishra
Where Is Humanity

Where is humanity today?
Humanity is sleeping all days.

Let humanity awakes
Humanity has got auto gear and brake.

Seeing common benefit
Humanity acquired clean chit.

Equilibrium and equipoise and equality
All are there in humanity.

Worry not my dear with number
Go with quality stability to see sunrise clear.

Gajanan Mishra
Where Is 'i'

Where is 'I',
Where is mine,
Where is pleasure,
Where is prosperity? ?

I am here with
My selfish motive.
I am here
Without any reality.

My strength my ability
Is not no more,
How can I accept
The assumed affinity.

I am here, see me, without
Any root, without any truth.

Gajanan Mishra
Where Is Justice?

Where is justice?
Why you are crying for justice?
Can a man gives justice to another man?
Can you satisfied with the justice given to you?
And what is that justice?
Is justice the veto power of anyone?
Are you ready to share justice, if any with others?
So many questions, my dear brothers, that bother.

Gajanan Mishra
Where Is Knowledge?

Where is knowledge?
Knowledge is in this earth
Knowledge is on this tree
Knowledge here at the root.

See the root
And say where is it
What is its color
How it is here! !

O my dear, I know
Everything is Your mystery
I am fine, leave me
In my own history.

Here is I
Here is knowledge
Here is history
You have built a factory for this.

Gajanan Mishra
Where Is Life?

Where is life?
In cry or in smile!

What do you want?
Everything or nothing!

Truth is there in you,
Search it in your life.

If you so like,
You may say I love you.

Gajanan Mishra
Where Is Light

Where is light?
Light is there,
Where there is
My sweet cry.
Where there is
Sweet cry there
Is my I, am I.
My first lady is
My mother, my woman
Who is my ideal.
True love I have
learnt from her,
How to struggle
I learnt from her.

Gajanan Mishra
Where Is London Bridge

Let us search - Where is London Bridge?
Let us know - How London Bridge is
Going to fall here at this time?

Let us search - Where is the great wall of China?
Let us know - How The great wall of China is
Going to start demolishing?

Let is search - Where is white house?
Let us know - How dirty and poor and
Terrified the men living therein?

We are all the residents of this earth,
And we have every right to know,
What is where and how they are.

We have every right to stay in peace,
We have every right to declare love-war.

Gajanan Mishra
Where Is Love That I Am Searching Here

I love I love and I can not give up here.

Love is the only shelter in the path of chastity
Love is the only path to touch eternity.

Eternity is here within me and I am going
To search for it to trample to bless at the same time.

Life is blessing here at Your presence, my dear
Where in I stay without any fear or favor.

Gajanan Mishra
Where Is My Bone?

Where is my bone?
I am helpless
to find a real tone.
And still you are
here with me and
I am going towards you,
But we are soundless.
What is the use?
We are all in fuss.

Gajanan Mishra
Where Is My Father

Where is my Father
Tell me, tell me, O my dear.

What do you mean by Father
Tell me, tell me, O my dear.

Feeling for the need
Of the Father, is a prayer
And is life and is living.

Nothing is a barrier to
Achieving the Father
As Father is here for ever.

My Father is a happy person
And He always makes others happy
My Father is not subservient and
He wants not to subordinate others.

My Father is here, see you have eyes,
My Father is acknowledged one,

I know, my Father is doing always
Good of others and He is rooted in renunciation.

Gajanan Mishra
Where Is My Heart?

Where is my heart?
My eyes have no power
To utter words.
My ears have no power
To hear them.

Tell not I have no heart,
It is true I have delivered
My heart to you
And my body is empty, see,
It is here without heart.

O my dear, just stay
With me for a while
And see how I am going
Riding the time-wheel.

Gajanan Mishra
Where Is My Home

Where is my home
That I do not know.
I do not know
What is real feeling
And where it is.
I do not know
The line of transformation
Though I get myself transfer
From here soon after
Your arrival.
I know I should not
Act according to impetus
And I know I am
At my home as you see
Always here.

Gajanan Mishra
Where Is My Hunger

Where is my hunger?
My hunger is searching me
And wants to kill me
At any time here.

I see, I hear, I feel,
But I am unable to keep
Hunger under my control.

And where is hunger,
You are telling me
Hunger is coming
Like a mad-tiger.

Gajanan Mishra
Where Is My Love Letter

I see my love letter
In your drops of tear
I am not clear
What for you are here
I am not clear
How far you are dear.
No invitation and nothing
And still I am going
And going to you in the darkness
of broad day light.
It is just some breaks
Under the cover of history
Or it is breviary of life
That is sounding high but not free.
Sympathy in my name
It is said is the other way
To go round and round within You
O my dear, O my love letter.

Gajanan Mishra
Where Is My Luck

Where is my luck,
Where is my star
I do not like
To know but I like
To know what they
Are going to do
I want to know
What they can do.
They can do nothing
That I am sure
And hence I am
Going on my way
keeping them aside
From my main road.

Gajanan Mishra
Where Is My Memory

Where is my memory
I am searching
Entire geography
And history,
But I am betrayed
By my own time
For which I am
Crying and crying.

Gajanan Mishra
Where Is My Next Poem

Is it in my happiness.

Is there any sun in the sky
And where is the sky.

That I am in search of dark
But not ready for darkness.

What is the light I know
But unable to express as You are here.

Gajanan Mishra
Where Is My Residence

Do you know
Where is my residence?
Remember, my residence is
At your heart
My residence is in your senses
In your life breath
In the sky
In the air
In the fire
In the water
My residence is on this earth
On the sun
On the moon
And in your austerity.

Gajanan Mishra
Where Is My Right

Where is my right,
Right to free and
Compulsory education.

Where shall I read?
My school was here
In my own village
And it is no more
Today's morning.

Where shall I go
To read and how to
Go I don't know.

Where is my teacher?
I have no knowledge
But they have taken away
My right to education
What for I know not.

Gajanan Mishra
Where Is My Shadow

Where is my shadow
I am searching it
Day and night
With light
And also without light.
My shadow has left me
Since long and
I am searching it,
You are cooperating
In the search, no doubt.
Let me treat you
My great partner.
Let me tell you
Something that is secret
And that needs to
Kept within
Between we two.
The object is not to
Do any wrong
To anyone here
But to stay safe.
But where is my shadow,
It is the important question
That is still there
With us both.
And I accept it
A challenge for our
Own existence.
Where is my shadow
Let it throw
And come inside my room,
Where I keep myself busy
For nothing.
But what use you asked
And I remain silent,
I find no words
Without my shadow.
I need some other one to
Talk and to express
Freely my feelings
And I know
Shadow is intolerable.

Gajanan Mishra
Where is my state?
Do you know my dear?
If you know, tell me.
I will do all your works
Like a slave.

Do you know
What is your language?
How far you are using it?
Tell me my dear,
I am here with you always.

I know what you are
Going to say, yet
I am with you to see
Your identity.

Gajanan Mishra
Where Is My Sweet Sleep

Where is my sweet sleep
That I am searching
And you are remaining silent.

Why are you silent
That I searching
The reasons of life
Therein for the sake of
My prayer under the open sky.

No where about, no question,
And nothing to utter the words
That are cheap and that are
As available as day-dreams.

Yes, I am searching here and there,
Yes, You are only mine, I declare.

Gajanan Mishra
Where Is My Voice?

Where is my voice?
How is my language?

I am under threat,
I am not able to speak.

My mother is gone mad,
My earth is barren and deserted.

They all are looter,
I am here in fear.

Gajanan Mishra
Where Is Not Problem?

Ask me and get he answer
As per your expectation.
Problem is problem
Let it be there
In problem's place
You are not to see there.
Just you are to go
On your own ways boldly
And you are arrive at your
Destination.

Gajanan Mishra
Where is Odisha there is Gopabandhu Das
Where is Gopabandhu Das there is Odisha
Unaffected by flood natural calamities
There ends all desires in service.

I have not seen You Gobandhu
i have read You in school for the first time
And I wandered since then here there
To search you from the affluence.

You are here on the road with nothing
You knew that there is nothing in this world
And You collected all unseen powers of
Love affection and was getting joy.

O compassionate, You have saved millions lives
For this You have sacrificed your life
Wife son and everything
I thank your father Daitary mother Swarnamayee.

Your village Suando of Puri district Odisha India
Is great and is a place of pilgrimage since
9 December 1877 as you born there and served
The land and the people at large.

You were/are the Messiah of the downtrodden
Deprived, dispossessed, the voiceless, needy
And the like always and so you are the incarnation
Of love and affection and compassion.

You are the legend of Humanism and selflessness
You are the God Father of Odia and local people
Irrespective caste color religion sects

You have written so many immortal poems such as
bandira Atmakatha, Kara kavita, Dharmapada

Of all inhabitants here, my dear.

Of your crores children here how they are suffering
And give is correct direction and encouragement to serve.

Where is Paradise.

Gajanan Mishra
Where Is Pleasure?

Is pleasure there
In body? in speech?
In family? in money?

If no, why then
We are all going after these
though externally?

It is fact,
I love my body,
It is fact,
I deliver speeches,
It is fact,
I have my own money
And my own family.

And I know they are
Not mine though.

Let me see my own clay
In my own mirror.

I know my body is not pure,
My family, my speech and
My money all are also not pure,
The atmosphere itself is not pure,
And all are perishable
And still I cannot renounce
My attachment my egoism.

I know I am far from Truth,
And I failed to realize the Truth
That is there in me.

And I am searching the pleasure
And searching the pleasure.

Gajanan Mishra
Where Is River

Where is River?
Who is there to save the river?
The river is life's natural filter.
And what is life?
Where is it?
Discover life in the air.
And what is the air?
I'm searching within throughout the year.
Who is there to say about the water of the river?
Though, heart, mind both are with the men,
They use neither here.
I say river is a path,
Through the river, one can go far
To catch the life-truth and bring near.

Gajanan Mishra

Success lies
In accepting a person
As Master

Success is there

Truth is not different from love
To love is to get success.

Who was crying here
Seeing my smile my laugh.

That I found
After my death.

The light of the night
Tells something
And it is serious
To the tune.

Gajanan Mishra
Where Is The Happy World

Happy world is within
Please search for it
With faith, with devotion.
O my dear, I am with you
Always here in turmoil
And in peace
Please see within
Your own self.

Gajanan Mishra
Where Is The Heart

Where is the hearts
If it is not in love,
And where is love
If it is not in truth.
Where is truth
If it is not in friendship,
Where is friendship
If it is not in this world.
Where is the world
If it is not in the hearts,
And where is the hearts
If it is not in mercy and in compassion.

Gajanan Mishra
Where Is The Light

Where is the light
In between this sky
And this earth?
I am here in dark.
Peacock feathers are
Here with me.
Tears are here
In my eyes.
And I am toiling
though I am
rarest of the rare.
I wonder, how the sky
Change color, how to know,
Where is the creator!

Gajanan Mishra
Where Is The Limit?

Please tell me
If you know something.

For all the unhappiness

Still with limit as says.

And to utter surprise
You are here with me.

Gajanan Mishra
Where Is The Moon

Where is the moon
In this spring?

How can I
Touch it?

See my house,
It is moving
Here and there
In search of the moon.

Where am I?
I am nowhere
With the dreams.

But in the middle
Of the market
I'm busy with falsehood.

Gajanan Mishra
Where Is The Music Of Life

If you know tell me

And we are watching
In this shore
That is not ours.

Gajanan Mishra
Where Is The Obstacle?

Where is the obstacle?  
Obstacle is in my mind  
Obstacle is within me,  
In my thought, in my greed.

And you are telling  
About sorrow, come tomorrow,  
I would like to show  
The rising sun on my  
Barren land that is narrow.

It is the time of spring  
And after that it is summer,  
Come on, my dear, I would  
Like to show you the picture  
That has a link with bright future.

Gajanan Mishra
Where is the pearl
Of my youth years?

My pearl
That I have lost
That I have dropped down.

Gajanan Mishra
Where Is The Place

Where is the place
For my dreams?
Where is the place
For my sea?

No prayer can
Make me alive.
No house is there
For my coloured wife.

Forgive me,
I am here,
And I try to
Make you rise.

Gajanan Mishra
Where Is The River?

Where is the river?
And what do you mean by the river?
No flow of water in the river,
And still, we are charmed by the river.

Are we not the river with flow of
Blood-water here in this body?
And what does it mean you may ask me
And get the answer you want here.

But be sure, the answer
Would not satisfy you and
You would not agree with the terms
And conditions that are there
In the livelihood of the senses
And that is with your statue.

The river is not interested
To conquer anything anywhere
But it is there to flows
In the normal course of time.

Time, as we understood is there
To assimilate our body and soul
Phase by phase during flow like
A live-river in purified form.

The river is within us,
We are the rivers while flowing,
Our very form is changing
From top to bottom and vice versa.

Gajanan Mishra
Where Is The Road

Where is the rule for men
that I know not, my dear friend.

for their own self

What is the meaning of rule
that also I cannot say to you
so long as I am living here
to fill up my belly and
it is my habit daily.
Rules are rules
and if it is not in running room
forget all those that are
there as missing groom.

Gajanan Mishra
Where Is The Secret

It is surprise to see the air
In the midst of passion.

Renouncing everything
The sun is still there on the sky

Having reflected over the sky
I realized what is there in me
And that is open to all.

Gajanan Mishra
Where Is The Shadow

Where is the shadow, my dear
The shadow is seen in

And I am unable to understand where I am.

And how can I discover it?
I am within the web
Expanded by the spider.
I am nowhere,
But I am sure
You have covered me.
BY this time, see me,
I am changed,
Infected by time.
I know I am generated
From inexhaustible truth,
And inexhaustible love,
Still, I am searching the smile.

Gajanan Mishra
Where Is The Sound

Where is the sound
That I wish to listen,
And where are you
Whom I wish to see.

But I am being
Checked in the middle.

Who is there
That I know not
But I am with him
Always, as you see.

Gajanan Mishra
Where Is The Spring

I am searching and searching
No rain no raining
No free air no enlightened light.

And you are forgetting your role
In it and forgetting your responsibility.

O men of front line
Giver me my spring

Let me travel freely using
Public transportation system
Let my house have access to a
renewable energy grid
Let my lakes and water
Carries fish and birds
Let the spring come to me.

Where Is The Sun

Where is the sun,
And I am in search of it,
Within and outside.

Thousands of leaves
Are falling daily.
Rivers are going to
Unknown places.
Where am I?
How I am dissolving
With my thoughts?
Why I am not enjoying
The beauty of the mountains
And crying for what.

And I am murmuring with my words.

No one is there to interpret
In right way.
I know not
Whether I exist
Or I do not exist.

Needless to say
I am thirsty
And also I am hungry.

No touching,
No feeding,
And nothing is there
With the ghosts,
And I am searching
Day and night
The light and the flash
In life
Without flashback.

Between You and me
As we love each other
And we appear here
At a time keeping faith with us.

Gajanan Mishra
Where Is The Truth?

Where is the truth
And what is that?
Who are you
And what for
You are here?
What is going on here
And how far you are
Engaged yourself there?
Are you able to hear
Any word within?
Have you seen
Anyone within
By closing your eyes?
Where is the origin
Of your thinking process?
When and then you are
Ruling you?

Gajanan Mishra
Where Is Truth

Where is truth
And what is that
Who are you
And what are you

Where Is Truth, Tell Me

O my dear, I want to see it.

In truth want to live
In truth I want to sleep.

My dear, I know, our relation.

What is my intention how can I
Tell You, without the truth here.

Depart not from truth, my dear,
or else, see, life is ready to depart.

Gajanan Mishra
Where Is Your Enemy?

Where is your enemy?
Have you got freedom
From enmity?

So long as you have ill-will
Everyone is coming to you to kill.

Think yourself,
And surrender yourself to truth,
Truth is there within you.

Gajanan Mishra
Where Is Your Feet

O Emperor of the Universe
I am not able to see
And also not able to
Pick it up in my verse.

I have my own ego
And it is attached with You

And I know all these are Yours
Tell me please where are You.

You are within me I know
And I am under Your feet
That also I know, my dear
I heard You I have seen You here.

Gajanan Mishra
Where Lies The Fault?

Gaze at my fly up.
I am dancing with my own
letters, vowels and consonants.

How and what

They are all in five.

And here is the sound
It is the cause of the sky
Sky is the cause of the air.

Air is the cause of fire
Fire is the cause of water
Water is the cause of earth.

I am the product of the earth
With all within me such as smelling
Touching sounding forming ad also tasting.

Where To Go

Where to go that I do not know.
What to do that I do not know.
You are everywhere
and you know everything.
I have nothing to write,
Writing is not under
my control, and you are
resolving every issue.
I am here only for you
and you are there
for all living and non-livings,
some of them are stumbling blocks
and you are driving them out
and that much I know.

Gajanan Mishra
Where To Go And What To Do

Where to go and what to do-
I know all are illusion,
Here, I see no emancipation.
Show me the way, how could I
Get peace and stay free.

Gajanan Mishra
Where To Go And Where

Where to go and where
Not to go, my dear,
We should know.
And we should know
What to do and
When and how to do.
Rise and fall are but
Common phenomena here.
We are to recognize
The things that are here
With us for tomorrow.
We are to tell the truth
But with love and stay
Alway in fair with mirror.

Gajanan Mishra
Where To Move?

Where to move?
Where to move?

Come not here.
I am nowhere,
Go not anywhere.
But I am everywhere,
See me there,
Where you are.
Find, what you want,
And say not, it is
Not what you wanted.

Say not, what you want,
Say not, you did not get.
Say, it is sufficient,
Say, you are the prominent.
What is there without you
What is not the truth.
You are the fruit of the truth.
And truth is there in love.
Are you not in love?
Love is life, and
Love is everywhere.
Since love is there,
Death is not there,
Fearlessly you can move..

Where To Search

Where to search
And how to search
That I know not.
But I am here busy
In searching work.

I have forgotten
The name and address,
The time and progress,
And still searching
Riding on the clouds.

I am searching here
Again and again and
And yet again I am
Here with other searchers

Gajanan Mishra
Where We Are From

Let us ask ourselves  
Every day every moment  
Then you will find only love  
And no dispute no tussle  
Let us search out  
What is our link with all  
Here and with all these items  
We are not atom bombs  
It is the evils  
They put us in this prison  
We should go on  
In our research works  
And show them we are  
Really the sons of nectar.

Gajanan Mishra
Where We Are Going

Where we are going,
And what for we are going,
No one knows correctly.
And yet without any
Perfect knowledge
So many people are
Telling so many things
That have so many meanings.

Gajanan Mishra
Where What Who

Where what who
To the answer of all
I can only say, Jay, ho.
And it is time
To recognize all the truth.

I believe in you in full,
But I doubt your integrity,
Here at this time.
Uncertain the time and
Supplied sandal wood and jasmine.

Here, you have made me hidden,
And I am asking you for fire.
The tide is there as before
And I invite you to go.

Gajanan Mishra
Where You Are

Everlasting peace is there
Where You are, O my dear.

Where you are, O my dear
There is my desire.

My feelings my expectations
My fruits my actions
All are yours, O my dear,
I am in fear, as You are here.

Gajanan Mishra
Where You Are My Dear

Where you are my dear, I know,
And I know what you are doing.
But I failed to know the very
purpose of all the performances
of yours here at this time.

I know what you are doing is
all good and for good of all.
But I failed to know why some
are so doubtful about you and
not ready to admit the truth.

You are what you are
Let it be opened to all.
I am what I am
Let it be realized by all.

Gajanan Mishra
Where You Are Not

Where You are not, my dear,
Tell me and tell me,
Who You are not.
You are in everybody
And You are everything
That I know, my dear.
But You are with him,
Who has ocean-like ears
And has no surfeit to
Listen Your stories,
That are like lovely streams,
And who has eyes, long to
See You and Your beauty and
Who has a swan-like heart.

Gajanan Mishra
Where, How And When

Where, how and when,
I want to know
Now and then,
All mystery and
All that wanted
By men.
Existence and
Non-existence -
Matter little.
Without truth
And love
All labor futile.

Gajanan Mishra
Whereabouts

Try to know your own whereabouts
O my dear, and I know you would
Get it if you remain yourself
Free from proud and false glory
And search yourself out freely
And truly on this field at this time
Please know that this time is yours
Totally yours and you are daring to
Conquer yourself from everything.

Gajanan Mishra
Wherever I Go

Wherever I am going,
I am taking you.
It is not I but it is you
Who is taking me
In the true sense.

And you are telling
Me what to do when
And what not to do.
I am following you
Always night and days.
No wonder, you are here,
My presence is no matter.
You are not putting a stop
But you are stop-cock.

Gajanan Mishra
Wherever I Live

Wherever I live,
I live under
Your jurisdiction,
That I know.
Whatever I do,
I do under
Your direction,
That also I know.
You are at the root,
You are the fruits,
But for my actions
I am getting pain
Here at this time-
My realization.

Gajanan Mishra
Wherever Is Truth

Wherever is truth
And wherever is love
All success are there.

Gajanan Mishra
Whether You Are

Whether you are
Satisfied or not
Not within my knowledge
I do not want to
Spend my time also
Pondering on this.

My time is not mine
You know better
My health is not mine
Preservation or
Destruction is not
My work and it is
Well known.

I am here and
Meant for inquiry
About the Absolute Truth
Nothing else is there
As you know my dear
I am here with You
To go on searching You.

I care not if anybody
Call me mad or insane
I know you know me better
And I am going for
Your certificate
That you are not inclined
To grant till I am here.

Gajanan Mishra
Whether You Attract Me

Whether you attract me
Or whether I am attracted
It is not material.
Point is, we are on this day
Together, that is to be considered.
We are to evaluate
The feelings, the thoughts
And the conduct, that is all.
Status report should be
Taken in to consideration
For the real benefit of all.

Gajanan Mishra
Which Can Not Be Cure

Which can not be cure
Must be endure
A proverb goes
And you abuse me
And you revile me
And you attack me
I endure it all
I know no hit back
No tit for tat
You are my dear
You are my love
I know only that.

Gajanan Mishra
Which Is Not Mine

Which is not mine,
That is not for me.
I know, that is
For rendering service
To others.

Nothing is mine
Including this body,
My ability, my position,
My knowledge, my power.

You may stay or live
Anywhere in this world,
No matter. You may do any
Wor, at any stage of life,
Yet you are to kept in mind,
You are nothing, nothing.

It is true, one can not go
Beyond this world and hence
Here one should stay in
Truthful manners for others.

Gajanan Mishra
Which Is Really

Which is really
Not ours
We have assumed
As ours.

Who is
Really ours
We do not
Know Him
As ours.

Gajanan Mishra
Which One Is Yours

So many skies,
So many stars,
Identify your own.
Which one is yours?
Rise and go and shine.

Gajanan Mishra
While Crying, Let Me Smile

While crying, let me smile,
And while smiling, let me cry.

Cry, cry and smile, smile,
It is life, my dear, just go on sailing.

While sailing forget your name and address,
No use of all that as you know from the beginning.

Have patience to bear all,
I know, you are to rise only, you have no fall.

Gajanan Mishra
While Discovering The Self

No question please,
Go on practice
till you reach.
No place to reach
It is with you
It is in you,
there is all answer
already in stock,
go within and discover.
While discovering
foster all,
while discovering
stay detached.
Bo question of confusion.

Gajanan Mishra
While Doing

While doing my deeds
I am least concerned
with your comments or
awards or returns.
Look to my personal
character and if you
so like test me openly,
Execute me if you
Find any fault in me.
I am keeping guard on me,
Even with my own life.
Seek not to malign
or dent my reputation,
You will face frustration.

Gajanan Mishra
While I Am Going Set

While I am going to set
You are rising, my dear.
I am setting out to do
So many things in your
Presence, my dear.
And you are setting foot
In this area, that is ours.
No question of setting back
But we are to set up
That are necessary for life.
Life is here to set apart
From all falsehood,
To set apart from hate,
And to live with truth, with love.

Gajanan Mishra
While I write
You please
Preapre yourself
To go through it.
You please
Be ready to
Find the truth
There in.
You please
Not switch off
The lights.
You please
Take a rest
In my love.

Gajanan Mishra
While In Transition

While in transition
Who told you
I am settled.
I am flexible
I understand nothing
No beginning no ending
And in my journey
There is nothing
Ignorancy.

Gajanan Mishra
While Playing

We live together we live with us, okey.
We study formation we study dispersion.

We are in the atmosphere of
Uncertainty and fear.
We live with us okey.

We are safe we are sound
Life is risky we know.
We know what to do
We can make decision
on our own.

You are the only person
To declare the play over.

We live while playing
You are with us okey.

You are neutral
You are independent.
And we live
We are dependent.

Gajanan Mishra
Whirling Dust

Took me somewhere else,
The whirling dust.
Weightless I felt
In my own room.

Throughout the days
I walked and walked,
Yet I reached nowhere.
My shadow laughed at me
And I remained there
As I was with the reasons
Not known to me.

They all showed
Red flags and utter words
In a foreign language.

With all roots cut
I joined with vacant lots
And ignite all to
Come forward for a fresh fight
With foes within.

Gajanan Mishra
Whirlround Nature

Whirlround nature
Fortunate those
That come up see mirror.

See I am alone
Heights beyond time
Day night.
No hands no legs
Letters of sympathy
Showers all corners
Disability owned.

What to see next
Could not understand
Memories fails
Flashes echoes.
I remained as I am
In the clutches.

Gajanan Mishra
Whirlwind Came

Whirlwind came
And I have seen
His play.
And I cared not
And the whirlwind
Went away.

The strength of whirlwind,
I want to use
But in a positive way.
Within the whirlwind
I discover a true life
And I live today.

Gajanan Mishra
Whistle

No body is there to say
The starting point of life.
Hay, listen the word
The air whistle.

Wait for a minute
The rose is being ready
To tell tale.

I am in my tact
I am in my syntax
I am the synthesis
I am my own vertex
No body is there
Except myself.

Gajanan Mishra
Whistle Blew

Whistle blew
Whistle blew
And blew.

Time to introspect came
And we all
Left the place.
Whistle blew
And it is no use.

Gajanan Mishra
White And Black

Paper white
Money black
Day night
We back
And we slack.
White paper
Black money
We can't
change any.
Paper can be white
Money can not be black
Worry not, Santosh
Worry about yourself.

Gajanan Mishra
White and red gourd plants
Grow easily and spread everywhere
Within a very short time.
Mutabilis plants takes a long time
To grow and bears flowers
At special places and in special times.
Good is always difficult to find like
Coconut tree that takes a long time
And a special atmosphere to grow
And bear fruits.
Jujube, fig, plum and date trees
Grow here there everywhere
And give fruits plenty for nothing.

Gajanan Mishra
White And White

White and white,
Pure white, full white.
Each and every colour
Is there in white.

White and white,
Money white, justice white.
Everything is white
Light white, paper white.

Whiteness is there
In life, pure life,
Truthful life, life
Is there in white.

Stay upright without
White lie but keep hope white.

Gajanan Mishra
White Angel

You are here
In my real life,
You are no more
In my dream.
I enjoy your season
And it is lovely.
You are coming to me
And I am going to you
At the same time.
We are both special here,
With this wonderful life.
Much love to you, white angel,
You are already in my cell,
And making me virtuous like you.

Gajanan Mishra
White Ant

White ant, white ant,
You are not my want.
Let me clear, I want not you.
You are there on the earth
and eating the woods,
and destroying my thatched house.
White ant, white ant,
You are filling your belly
by eating my clothes and books.
And still I am giving you respect
and I salute you as the busiest one
in this world, as you know the time's value.

Gajanan Mishra
White Breasted Kingfisher

You are there,
White breasted kingfisher,
At my poet friend's residence.
What are you doing there,
That I know not, dear.
But Sushil, my friend, the poet,
Caught you there,
Through his camera
And show all through Facebook.
The poet's intention is
Clear and perfect.
The poet knows well and share joy
And try to enable others
To understand the mystery of nature.
Let me salute you, dear poet,
You have a heart of
Universal love and eternal truth.

Gajanan Mishra
White Elephant

White elephant, white elephant,
Tell the name of your master if you can!
I know white elephant you are everywhere,
I know you are putting your signature
in everything and still you are saved.

White elephant, white elephant,
You are really cool, as you know
nothing is a loss to you, in either side
you always looks bright, that means
You have no dark side.

What for, white elephant, I want to know
You are not taking any interest for
all out development of all and you are
feeling insulted for not able to do good
to others except fulfilling your self-interest.

White elephant, white elephant,
Come on please and be active for public interest.
If you failed I am sure you would be sacked
from elephant-ship and dumped down on the ground,
They are there the tiger and the hound.

Gajanan Mishra
White Full Moon

White full moon is there
And calling me come come
And take nectar
And at this time ice is
Melting at the gust of wind.

I am going with an umbrella of hairs
With all paraphernalia with two swans
One is eating another is fasting
With tongue tight and revealing
At the nature's nest.

Everyone is looking at me
And I am taking shelter, O my dear
At Your feet on this earth and
In Your blessing You are providing
Good fortune that is there in the moon.

Gajanan Mishra
White Is Opposite Of

White is opposite of black
In your house
But in me in my house
It is not so.

Everything has its opposite
In relative world
You find nothing contradictory
In eternal world.

Gajanan Mishra
White Rose

White rose that I like
The sun is a white rose
As I said earlier.

It is free and
Without any cost
Being a love-holder.

Seeing the moon
I said that is sanctioned
By the scriptures.

Dry or moist
No problem to me
I am ready to cross.

From night to day
From day to night
It is prickly bush.

Gajanan Mishra
White Water Lily

O my white water lily, my dear
I know you are here as I appear
You are attached to me I know
And my poems are highly beneficial
To you as because my poems are
In Truth and in love.

Infinite and my poems
Infinite are the virtues of my poems
O my white water lily, you know it
The dimensions of my poems are immeasurable
My thoughts are pure see my dear
The purity of my poems are also unimaginable.

I am and my poems are inseparable
I am with my poems and my poems are with me
And You are the only subject matter of my poems
I am writing on You for You and You are
The only reader and You are ready to hear
From me always I feel no surprise in it.

Gajanan Mishra
White-Elephant

White elephants that I have
Ruin my house.
White tigers only here
To save.
Blue sky is here
To take care.
My dear be fair
With all that have
With You.
Visible and invisible
Only You can understand
In this spark of life.
I understand
In your thunderclap
Dare not to ask anything.
And I remained
In utter darkness.

Gajanan Mishra
Whitefield Area

In the whitefield area
My little lovely son
Filling the belly to
Lead the world.
He has a moment of
Joy and victory with
Much struggles
With the pox and measles.
He dares to fight
To jump the tower
That has lenient power.

Gajanan Mishra
An incompetent king is abandoned by the subjects,
A penniless person is abandoned by prostitutes,
A teacher is abandoned by the students after education,
A tree is abandoned by the birds when fruits are gone,
A forest is abandoned by the animals when burnt down,
A woman is abandoned by the lover after he has enjoyed.

Gajanan Mishra
Who Am I

I know and I am sure
I am your fragment
But not detached from You
I am not isolated
I am also not a broken part
I am a whole like You
O my dear, I am not fragile
I am not perishable
I am not weak
I am not here to shattered
I am as strong as You
As permanent as You
And there is no need to
Ask who am I
And also there is no need
To ask what is the world
When I already know
This world is You, Yourself
And I am sure I am
Not in any bondage
I am free, see
As free as the air
As free as the sky
And I realized You
I see no obstacle here
In any manner
I understand and I am sure
You are always with me
Being my preceptor
And with Your knowledge
O my dear, I am clear
And making my life more
And more clear.

Gajanan Mishra
Who Am I - So Many Times

Who am I - so many times,
I am asking this question,
But no one is able to
Answer in correct perspectives.
Some say it is a puzzle,
Some other say it is bogus,
Yet another group say really
So far we know not what is that.
But who am I - remain unanswered
And I sit down as usual
At my study room alone.
My wife came and told me
Why I am not loving her as before,
My sons are busy in their duty,
And sent messages wait, papa.
But who am I to wait and
Where is the place to sit quite
And wait a while and for why.
No one is able to understand
And they all declare that
I have gone mad with my poetry.

Gajanan Mishra
Who Am I And Where From I Came

Who am I and where from I came?
Here, am I tamed? Give me a name
And I am here to show you
How we are here in common theme.

Summer or winter, no matter,
We are here and fighting is
Our near and dear, not love
But hatred is our culture!

We are both furious but not
Serious to our duties, we have
Both banners of victories
And we are both culprits.

Neither I not you are here, alas,
We are silent on grave matters.

Gajanan Mishra
Who Am I How Can I Say

Who am I how can I say,
Who you are dare not to say.
You are not you,
I am not I that I only know.

See me like you
I am devoid of
Any form or shape
I exist because of
Your very existence.

Everything is negative to some
While others advocate positive,
I am in the middle confusing and
Only giving a cry that you hear
But I hope not from you anything.

Gajanan Mishra
Who Am I To Change

Who am I to change anything?
Everything is as they are and
I am looking stare.
I am deceived as before
With my own creations
And I am here as I am there.

Gajanan Mishra
Who Am I To Change Anything Or Anyone

Who am I to change
Anything or anyone
Here or there?
I know whatever
Is to happen
Will happen
And whatever is
Not to happen
Will not happen.
I know my desire
Has no role here
Or there.
My desire is there
Only to give me pain.

Gajanan Mishra
Who am I to decide?
And what is there
To be decided?

I am here
To realize my aim.
And what is my aim?
My aim is to realize
The Truth.

And what is Truth
That I can tell You
After its realization.

Truth is a matter
That is not found externally
But it is internal.

Gajanan Mishra
Who Am I To Invite You

Who am I to invite you
As I know everywhere
And in everything there is
You and You and You and You.

You are the clay
You are stone
You are idol
You are all in all.

You only exist
And I am here to see You
I see no other existence
Besides You.

Gajanan Mishra
Who Am I To Overturn You

Who am I to overturn you?
How can I reshape you?
Here I, myself is a
Source of inefficiency,
Uncertainty and also conflict.

Gajanan Mishra
Who Am I To Pray For You

Who am I to pray for you
You are your prayer
I am mine.

I have my peace
I have my good heart
My heart is full of compassion.

Gajanan Mishra
Who Am I To Satisfy You

Who am I to satisfy you, my dear
It is you, yourself can satisfy
What is with you at this time here.

Gajanan Mishra
Who Am I To See My

Who am I to see my future?
I know not what is the future
And where is the future?
Simply speaking I am a
Mere creature and busy in
Eating, walking, sleeping
Sexing, and I know I am
A man of loud making here.

Is there any meaning in
Anything? I asked often.
No one is here to give me
Some light and say something
Valuable to me or to
Any other person.

Gajanan Mishra
Who Am I To Tell

Who am I to
Tell?
Who am I to tell
You anything?

I have no power,
No power to
Utter words.
I have no thought
To express.

It is you
To know
The truth.
I am only
To see and feel.

Gajanan Mishra
Who Am I, I Asked

Who am I, I asked.
You replied, You are the lord.
You further added, you have
Possessed so many things,
No one can be richer than you,
In wealth and in education.
You are the master,
No one is there but you.

Gajanan Mishra
Who Are Here

Who are here
To conquer whom!

Where they stood
There they caught.
Time ceased to operate
And valor frustrated.

Still they gathered
To enjoy with the sky.

Gajanan Mishra
Who Are The Enemies?

They are the enemies;
The meat eaters,
The drunkards,
The women-hunters,
The dacoits and
Sinners of all descriptions
Starting from liars
To Cheat-fund players.

The enemies of
The entire creatures,
The entire atmosphere.
They are the debauchees
Of worst type, enemies
Of the air and the water.

Gajanan Mishra
Who Are Untouchables?

Who are untouchables
I asked you
And you answered
The camels, the dogs
And the donkeys
Are untouchables.

The one who imparts
Knowledge and teach
And preach the people
Is called voice of truth.
The teachers belong to
Such groups.

A good teacher can
Make a donkey a man,
Can make a camel useful,
Can make a dog faithful
By imparting proper
Training for all welfare.

Gajanan Mishra
Who Are We- No One Is There To Understand

Who are we?
Why no one is there
To understand?
Where from we come
And to where
We are going?
When and while trying
To make the people understand
The so-called saints and sages
Went to jail.
It is better not to
Talk about that.

While thinking what to eat
How to live and where to
Build houses some of us
Have already gone to
Outside as bonded labourers.
I am not going to say
That point also.
If I utter, they would say
See, here he is
Doing politics.

If I think to speak,
Language is necessary.
But where is language
In our state?
Odia ekta bhasha nai
The man who told this,
How far he was right
Or wrong, the govt
Servants and pondering
Over the matter.
If Odia would be a language
Then it must have been
Written easily as told
By our Ministers and
Chief Minister and
The political leaders.

Gajanan Mishra
Who Are We?

Who are we to check
Or control or put a bar
What nature has given to us
For enjoyment for the moment?
Who has given us right
To do such thing against nature
When we already know it is
Meant for progress and comforts?

It is true we are part of nature
And nature is within us always
We can not shun our nature
Our nature is not a problem
We must understand
It is our inability to handle
Nature properly in right way
Let us be open and transparent
Regarding this nature O my dear
And come forward.

Gajanan Mishra
Who Are You

Who are you
To give me
Identity card
I have no identity.

If you so like
And you are able
You may show
Your entities.

Gajanan Mishra
Who Are You - No Need

Who are you -
No need to ask
Any such question
To anybody
At any time
As we know each
And everybody is
The incarnation
Of God.

It is He
Who has assumed
Each and every form
In air in water on land
We are to realized the Truth.

Gajanan Mishra
Who Are You And

How many wives you have
How many sons and
Who are they.

Are you the kind here
And what do you mean by a king
Are you a conqueror and
Whom you have defeated.

Look, I am here as I am
Like the sky like the air
You can not say where I am
Still I am awaiting your answers.

Gajanan Mishra
Who Are You I Am Asking

Who are you I am asking and asking
What are you doing here
Tell me everything about you
And without telling a word
You left the place
And I am searching you
Keeping in my hand
Your previous address.

Gajanan Mishra
Who Are You To Decide

Who are you to decide
What ought to be done
What ought not to be done.
You have right to do
That are prescribed by scriptures,
Without translating righteousness
In to practice you have no right
To preach scriptures to others.
I know I cannot take right decision
By applying my own intellect
You are the proper person, my dear,
To take right decision here.

Gajanan Mishra
Who Are You, Gajanan?

Who are you, O Gajanan?
What are you doing now-a-days?
How you are living
With all falsehood around you?
Are you so qualified
To describe things
Right and wrong?
Do you know
What is up and
What is down?
Have you legs?
And if yes,
Where are you going
With your legs?

O Gajanan, do you know
Legs are not necessary
To go one place to another!
Words are not necessary
To communicate thoughts
That are within you!
Thanks, you have admitted
That you have came
Empty handed and
You are to leave empty.
Who are you Gajanan?
Tell me the formula
To calculate the time
And the age here!

Where is your home, Gajanan?
Have you seen yourself
In this broad day light?
From one direction to
Another, you are moving-
Do you know the purpose?
O Gajanan, You have seen
The flowers and the moon
But you know not the relation
And their utility so far.
You know the earth and
The birds but you know not
How the sky is there
And what is the bond within!

Gajanan Mishra
Who Are You, My Dear?

Who are you, my dear?
And why are you coming here?

See me, how I enjoy my life
In the rain and in the sun!

I smile, I dance, I sing,
I compose poems,
I cry, I roll back, I live with
Pure trust for ever.

I am not confused, test me.
I am clear and transparent,
I am innocent and I understand
Life how simple it is.

I feel what love is,
I see the moon and the clouds,
I enjoy their play whole night,
I know the life how it is bright.

Gajanan Mishra
Who Are You, Sir?

Have you the audacity
To challenge
The jurisdiction of nature?

Do you know
Whose servant you are?

Where hav you come from
And where are you going?

And what is your claim?

Gajanan Mishra
Who Begot Whom

Who begot whom,
Question has
No value- not correct.
Time for direct
Realization is due.
What to say and
What not who knows.
But for security
And for protection,
Situation itself
Is sufficient.
Full truth is
Each one is perfect
In all respects.

Gajanan Mishra
Who Can Bear Separation

No one is there
Who can bear separation,
Separation from you, dear.
Separation means, let me
Say no more life.

Life is in union,
In combination,
In relation,
In constant companion.

You are all attractive, dear,
Let me keep contact with you.
Let me liberated in you,
Let me sit, let me walk,
Let me dine, let me read,
Let me talk with you.

You are in all, I know.
You are with all, I know.
No one is there
Who can bear
Separation from you, dear.

See me, I am free,
Free from all.
See me, for you only
I am here.
Let me see you
Face to face always,
And that can only
Enable me to live.

Gajanan Mishra
Who Can Dare

Who can dare
to stay here
for a while?
Who can conquer
the nature and
suck the ocean dry?
Who can reduce
the sky in to dust?
It is only I,
It is only I.
And I am here
with nature
for all the times
here under the sky.

Gajanan Mishra
Who Can See Me

It is you only
Who can see me,
I may not see you, though.

Gajanan Mishra
Who Cares

Who cares,
Your smile,
Your tears? ?
Who pursues
Your passion,
Your dreams? ?
Who knows
What does
Genius means.
Since life is
Not business
I cannot say
Loss and profit
At this time.

Gajanan Mishra
Who Cares?

Decisions of the stars,
Who cares?
We are only there
To wander.
We are only there
To study
The inner hearts.
But the obstacle is
The language
That is not ours.
The civilization cried
And we heard
But helpless we are
And we jumped over the sky.

Gajanan Mishra
Who Counts You My Dear Poet

What is the basis of that counting
And also what is the value.

First you touch the words
Then followed the numbers
Both words and numbers
Undervalued.

Good words bad words
Small numbers big numbers
Just a play my dear
Though musical at times.

I am here joining words
With you day and nights
Counting the numbers
And I know all are not
Despairing you.

Gajanan Mishra
Who Delivers

Who delivers what  
When, how and where  
All the answers are  
Within you  
You can find all  
In a full-fledged  
Manner if you are  
Sincere, my dear.

Gajanan Mishra
Who Do I Compare You With

Who do I compare you with
O my incomparable
How can you be compare
With Your creations
All are Your creation
In all creations you are there
Besides You there is nothing
No wish no imagination
And nothing
The sun the moon the sea the sky
All in one that is You
Who do I compare you with
O my incomparable
Without You nothing
Even not horrible.

Gajanan Mishra
Who does not want to
Possess wealth, beauty
And social respectability?

Gajanan Mishra
Who Ever Is

The wife's sin is
Coming to the husband,
The king's sin is
Coming to the priest,
And the sin of the priest
Is washed away by the pious river Ganges.

Who ever is committing
Any sin at any time
Effect is coming to me.
And as a human I am
Trying to solve the problem
By washing myself in sunshine.

I am no one else
But a man with love and with truth.

Gajanan Mishra
Who Exists?

Who exists?
I can't say.
But I can say,
I am here at present.
Who am I?
I can't say.
But I can say,
I am nothing,
Valued though.

Swiftness is there
In questions and
In answering.
No sign of creation
And destruction, though.
Everyone can see
The flying of the bird,
But to give remark
Nothing but a blunder.

I need
The flame of a candle,
The current of a river,
And everything
A tree wants to survive.
Real identity is in the sky,
And to prove it
The air is blowing
Every time.

Gajanan Mishra
Who Has A Human Heart

Please come to this land
And save the lifes of millions
From starvations
People are dying
For want of food and water
And in miserable conditions
Being homeless and they are
Suffering from many diseases
Here there everywhere.

Gajanan Mishra
Who Has Conquered Anger?

Who has conquered anger?
Who is able to destroy sorrow?

Do good to those
Who are furious to you.

Have you got
Pleasing appearance?

Live in forest
And keep history alive.

Are you sure
You have shunned
Jealousy and ego?

Are you ready to give a declaration
That you are the truth
And you are in love.

Gajanan Mishra
Who Has Created Me

Who has created me
Let me know first.
What for he has created
I have to know also.

I have to do all things
As per his wish.
You are here to termed
Me good for nothing
If I failed to do this.

Let me realize who am I
Let me follow you, my dear
Let me do that is primary
Let me understand what I
Am doing here for others.

Gajanan Mishra
Who Has Died

Who has died
I know not.
Need to know
Who has lived?

All about life,
The smile, the gun,
The bombarding.
All for the life,
The sky, the ocean,
All holidays home.

The birds cry
In the sky.
And the reason,
I enquire.

Gajanan Mishra
Who Has No Enemy?

Who has no enemy?
If you can, tell me.

Who am I and what is my legitimate share?
I am with You, as you know, in this world fair.

Gajanan Mishra
Who Has Risen

Who has risen
With this blood and
Flesh body
And regards pain
And pleasure alike
And views a clod of earth
A stone and gold alike
O my friend, if you are
Ready I have no objection
To do as per your wish
Abandoning all activities
I know only I can go
From you and you are to
Remain here as before.

Gajanan Mishra
Who Has Seen The Truth?

Who has seen the truth?
No one.
But why?

Is not the truth there
Within us?

Real happiness is
There in the truth.
And the truth is there
 Everywhere at all times.

We are to realize
The truth here.

We are to follow
The path of the truth here-
The place of truth.

Gajanan Mishra
Who Has Taken

Who has taken?
My heart is
Not here with me.
I am searching
My heart here, there.
Who has taken my heart?
It was/is here
Since my birth.
What is the meaning
Of birth that I
Cannot say.
But I can say
It is you who has
Kept my heart in secret.

Gajanan Mishra
Who Has Taken Birth

Who has taken birth,
How can I say,
Since I am not there,
Since I am unable to see,
Since I am unable to hear,
Since I know not
What is what and
What is not what and
Certainly, I can't say
Where I am going
And going with whom,
I can't say the meaning,
Meaning of very birth
And the related terms.

Gajanan Mishra
Who I Am

I do not know
Who I am
And I wish to
Know me
Through you only
And that is
The only essence.

Gajanan Mishra
Who I Am Today

Who and where
And what for
And with whom
I am today
Can you say?

If yes, come on
And make friendship
With me to count
The stars above.

If no, nothing
To worry. Go not
From here.
Just watch and hear
The sound near.

Gajanan Mishra
Who I Truly Am

Who I truly am
That I know not.
But I am sure,
Dogs are going
After a bread or
A piece of meat.
But to one who is
A lion, everything
Including the heaven-
Is running there.
Men, go not after
Rewards or praise
But go after your
Own works and be great.

Gajanan Mishra
Who Is

who is taller than whom
who is doing what
nobody is there
to answer.

Gajanan Mishra
Who Is A Boy

Who is a boy
Who is an adult
Who will decide
It is just like
The elephant before
Four blinds
Truth will not come
From them.

Gajanan Mishra
Who Is A Cat?

A cat is one
who speaks mildly but
cherishes cruelty at heart,
Chanakya is right
while saying this.
Chanakya has further said
One who keeps relation
with another's wife
is omnivorous.
Nothing to deny sir
so true the matter!
Don't accumulate wealth
my dear, give away all
in charity and be no despair.

Gajanan Mishra
Who Is A Good Man

Let me say
Who is a good man.
Let us say, a man is good
When he has no lust, no anger,
No arrogance, no infatuation,
No greed, no excitement, no attraction
No aversion, and who is free from fraud, hypocrisy
And deceit and who is beloved of all and friendly to all
And to whom joy and sorrow, applause and abuse are alike.
Let us say, a man is good, when he utters truthful
And polite words and who has no support, other than Yourself.
Let us say, a man is good, who looks another's wife
As his own mother, and he considers another's wealth
As deadliest of all poisons.
A man is good, who rejoice to see others' prosperity
And grieved to see another's distress.

Gajanan Mishra
Who Is A Judge

Who is a judge,
One, who knows
The law and
Obey it first
And deliver
Judgement for
All welfare.
Who is a hero,
One, who knows
The truth and
Defends for truth
Facing all odds
Without caring any
Consequences.

Gajanan Mishra
Who Is A Liberated Person?

Who is a liberated person?
One who is engaged in the activities
Of the self is called liberated person
Even in the conditional existence.
By proper culture
The activities begin.
But we are in illusion
And we are ignorant of our
Real position.

Gajanan Mishra
Who Is A Man And What He Is.

Men are only here
But I know not
Who is a man and
What he is.
I write about men,
The centre of
My writing is a man.
But I cry not
When he cry,
I smile not
When he smile.
I am not able to
Give justice to a man,
Yet, I declare I love men.

Gajanan Mishra
Who Is A Minority?

Who is a minority?
And who is not? ?

The definition of
Minority and
Majority is not based on
Truth or love and
Hence false.

No one is interested
Truly for any other
Person or class or community.

Each one is here
To take advantage
Mentioning linguistic or
Religious groups.

Not civility and
All irritating weaknesses
Of our human society.

No one has any right
Over anything here,
Say not anything, dear.

Gajanan Mishra
Who Is A Poet

Who is a poet
Poet is he
Who is free
Who enjoys
Freedom of speech
Who enjoys
The natural beauty
And what is natural beauty
It is crying it is smiling
It is moving as per sweet will
It is only a poet who can
Do all these and a poet
Can only write in his poem
About life freely frankly.

Gajanan Mishra
Who Is A Saint?

Who is a saint?
Your prompt and simple answer;
One who is in the highest state of
Human perfection and whose stool
Is fragrance like the smell of
Fragrant flowers.
One who is deaf and dumb and
Unaffected by all kinds of
Bodily mistreatment.
And who is completely situated
In the self.
And who is indifferent to
All kinds of attacks and reattacks,
A saint personified the supreme truth.

Gajanan Mishra
Who Is A Teacher?

Teacher is he
Who knows and
Respect the truth,
And ready to sacrifice
Everything for the truth.

Dear men, for the sake of truth
You may reject the advice of your teacher,
No harm.
Dear men, Teacher, without the truth
Is useless in life.

Goal- to achieve the truth,
And if the teacher
Failed to explain, he must not be accepted
As bona fide.

Gajanan Mishra
Who Is A Thief

Who is a thief
And who is not
A question no to
Put on here
In this night.
The articles are
Not found anywhere
And the thief is
Also not here
The road is jam
And here it is
Not proper to
Comment who is what.

Gajanan Mishra
Who Is Active

Who is active here
Can you say
And you say nature
That I agree
Keeping in mind future.

I am sure
I am not moving
It is the nature
Moving here
And doing all sorts.

The train is covering
The distance and not I
And I am reaching
My destination, see
My nature is there only.

Without my nature
Who am I you add
Some mixture and
I express my pleasure
Nothing but nature.

Gajanan Mishra
Who Is Blameless

Who is innocent here
Who is blameless
Tell me and
See here I bless.

You are your own
Enemy, my dear men
Though standard scripture
You are here.

What for you are looking
Hither and thither
Look to yourself
Go deeper and deeper.

Accept me, my dear
Imitate my behavior
See me as your leader
I am here making everything clear.

I am enlightening you
I try to make you wise
And intelligent
You are the finest creation of nature.

Don't see the dark side
Of any other person
I am with my lamp
Everywhere in good faith.

Come on and see me
In the broad day light
Don't act like ignorant animal
Remember, you are servant of all.

Gajanan Mishra
Who Is Called Mother?

One - The original, who has given birth.
Two - The wife of the spiritual master.
Three - The wife of the priest.
Four - The wife of the king.
Five - The cow.
Six - The nurse.
Seven - the earth.
Eight - Stepmother, the wife of the father.

All are mothers,
All are there for us,
And it is not good
And also not wise
To distinguish the real mother
From the others.

Gajanan Mishra
Who is committed and
Who is not you know
Only because that
Serve you better.
Toeing the line means
Segregating and it is
Only because your own
Letter of spirits
Is in your hands here.
But my dear, this world
Is not running well
Though it is for us
It is not ours - and so
Commitment for what.

Gajanan Mishra
Who Is Competent Then

If I am not, you are asking,
Who is competent then?

Let me explain.

The sun is competent,
The earth is competent,
The sky is competent.
If you so like go to them
To file your complain.

Gajanan Mishra
Who Is Contesting

Who is contesting
With whom.
And how are
The contestants?

But they said
It is all for
Development.

We know it is all
Highly lopsided.

One can visit
Any village
To discover
Where he is
And with whom.

The speeches have
Nothing to do
With the truth.

What about us
And where we are
At this time -
We are in
So many questions.

We are all to
Support-
Make it new.

The time is
Always new,
Where we are
The truth.

Gajanan Mishra
Who Is Dancing

See, who is dancing
At this dead hour.
Tell, what is asked
At this time here.

It is because of
Your forefathers
You are here.
Forget not, your sons
And daughters.

If you are really free
You can understand the value
Of successive life
Though not important
Still no one can challenge it.

Gajanan Mishra
Who Is Dangerous

I know
Who is dangerous,
I know
Where is truth,
I know
What for this love-drama.

But I am not here
To express myself
And to open all.

I know
When danger will come.

But I am on guard,
I am here
Till the arrival of the dark.

Gajanan Mishra
Who Is Dead And Who Is Alive

Who is dead and who is alive,
Let me know, please.

Let me enlighten something
About your blindness.

Nothing to wonder
If someone kills another one.

The relation here is
The killer and the killed.

One is ready to eat another, dear,
Nothing to wonder.

Nothing is permanent, remember,
Nothing is permanent, and
Nothing is also new
In words and actions.

Gajanan Mishra
Who Is Dead?

And who is alive?

What relationship
Do you have
With the alive
And also with the dead?

No relationship
Was existed or
Truly exist now
Or will it
Continue in future.

O my dear, I know
Nothing is without any interest
You may accept or you may reject.

Gajanan Mishra
Who Is Dear And How

Who is dear and how,
For how long and why,
No one can say
The answers, rather,
Ready to say goodbye.

Gajanan Mishra
Who Is Deserving

How can we know
Who is deserving!
It is we
Who are wandering.
Render service
And expect nothing.
And live by dying,
Get everything by giving.

Gajanan Mishra
Who Is Devil Who Is Not

Who is devil and who is not,  
That I am not bothered,  
But I want to know,  
Who is a man like a man.

Man, if you are to  
Do something, do it soon.  
If you failed, go home  
And sleep, but disturb not, please.

The world is not for any one  
Who is the part of disturbances,  
But for one who observes life  
Silently and take positive views.

Gajanan Mishra
Who Is Doing All These

Certainly not I.

I am here I am there
And on either way
Shooting proper target.

No addiction
No gratifying process.

Gajanan Mishra
Who Is Doing What

For a better life
For a better world?

Show Your internal
And spiritual energy
O my dear, let me see here.

Am I a foolish rascal
Who can forget You
Here in this mid-night?

I have no desire
I have no misery
I am not distressed
As You are with me
All days with Your mystic powers.

Gajanan Mishra
Who Is Easily Attainable?

It is only Almighty, Omnipresent
It is only that Omniscient
As He knows us well.

And so let us perpetually
Think of Him
And so let us un-dividedly
Remain absorbed in Him
And so divest ourselves
From all ills.

Like a chaste wife
Let us depend only on Him
Like an obedient son
Let us depend on His preceptor only.

Come on my dear friends,
From the time we are awake
To the time we go to sleep
Let us think of Him
From the day We knew Him
To the day we die
To attain Him.

Come on, O dedicated spirit
With full faith and love
Because you are only His
And He is yours
And He is easily attainable
See Him within you.

Gajanan Mishra
Who Is Enemy

Who is enemy?
Who is enemy here,
He is enemy here
Who is going against
The Truth.
And what is Truth?
We are the Truth
Everything is Truth
And for Truth we are here
And for Truth we are not here.
And enemy has no role
To play here, my dear,
We know enemy can do
Nothing harm to others.

Gajanan Mishra
Who Is First

Who is first
And who is second,
How can I say!
What appear and
What my eyes see
Are not the fact.
Fact is something
Different and I am
There in a false world,
That is always not
Emancipatory.
The world, itself
Is going on in a
Reverse order, we know.

Gajanan Mishra
Who Is First?

Who is first?
Please stand up
Please hands up.

Who knows life?
Please tell before all
Please stay there and call.

It is true, we are all truth,
It is true, we are all in love,
It is true, we are together.

We are the fruits
And we are the gift of nature,
O my dear, please tell
If you know, how we are here
Who is far and who is near.

Gajanan Mishra
Who Is Fond Of Death

Who is fond of death, my dear
Who is fond of death, tell me
I am eager to hear from you here.

Is death pleasing tell me and
Tell me how you are living here
Without facing the death, my dear.

Life is not common, my dear
But death is common and if you are
To lament then lament for life only.

Knowledge of death is necessary, my dear
Knowledge of life is not so required
Know the death first before living.

You are to experienced both here
Life and death and in both you could find
Celestial enjoyment, my dear without jealousy or envy.

Innumerable obstacles are there both
In life and death, my dear, equally in death and
In life you could find limitations and disturbances.

Gajanan Mishra
Who Is Free

Who is free and how?

You are not allowed
To speak as you think fit.
You are not permitted to
Do as per your sweet will.

Since birth you are in chain,
Chain of other men.
They are telling you hello
And putting you in hell.

No one is free at any point of time,
Still they are sowing and reaping,
And they are identified themselves
As the maker of happiness and sadness.

What I am stating is not new, you know.

Gajanan Mishra
Who Is Full Of Sorrow?

Who is full of sorrow?
And for what?

I think no one is
In sorrowfully.
I think each one is
Happy in some way
Or other.

Happiness and sorrow
All mixed
And nothing is
Coming alone.

And we are all
In this life
With this mixture.

Gajanan Mishra
Who Is Genuine

Who is genuine,
How to know.
Who is in love,
Who is truthful,
How to know.

I just want a
Simple life,
And I want
Not to know
Anything about others.

I want to know myself,
I want to test myself
How truthful I am at every moment,
I want nothing but good self.

Gajanan Mishra
Who Is God Here?

Who is the god here?
Whose god?
What is the work
Of this god?
Only sitting?
Only bathing?
Only eating?
What use of god here?
The word god is
Creating fear psychosis
On the living creatures.
Omit the word, god,
From the dictionary, my dear.

I have heard
God is not responsible
For any omission or
Commission of anyone here.
I have heard
God is not here
To do anything for anyone.
If it is so,
Then, what for we are
So much taking worries
For this word, god?
Some say; god realization
Should be the only aim
Of human life.
Some other say; men have to
Cultivate all the divine traits.
I failed to understand,
If everyone is free and strong
Why we are putting pressure
On them in the name of god.

I now realize;
It is we, who are the real culprits
And exploiting the innocent people
In the name of god.
And hence, take away the word, god,
From the word-books and
Say there is no god, see.
We are only here in love,
We are living here with peace
And co-operation to make
This earth more than heaven.
We are here, all creatures,
Living at the same enjoying life,
No one can compete with us,
We are our gods, we are by us,
The god is with us,
We are gods, we are for us.

Gajanan Mishra
Who Is God?

Who is God?
Who is not God?

Just now I have witnessed
A God is arrested
By another God.

A God fly in the sky,
Another God cook meals.

A God declares
Another God has died.

And God has taken birth again
To establish love,
To maintain peace,
To wage war,
To set everything there.

Gajanan Mishra
Who Is Good?

Who is good?

Good is he,  
Who is unselfish,  
Who is virtuous,  
Who is truthful,  
And busy in  
Good work  
With all righteousness.

Gajanan Mishra
Who Is Happy

Happy is he
Who is not swayed by
favourable and
Unfavourable
Circumstances.

Happy is he
Who has neither internal
fiery sensation and nor
Outward boast of their
Victory and power.

Gajanan Mishra
Who Is He?

Who is he?
I know, definitely
He is your teacher.
He is a teacher,
Who makes you know
The things that are here
Around you, about you,
And whose love is
Unconditional and all truth.
He is your teacher,
He may be a wood,
A stone, a snake,
He may be air, fire,
He may be a beggar,
He may be a mother,
A father, ocean, sky.
But welcome all
To pass into you
Without any barricade.
But definitely. teacher
Is not an ordinary creature,
It is the teacher
Who is there to shape you
And your future.
Salute the teacher,
Salute all,
All have the qualities
To teach you in
Some way or the other.

Gajanan Mishra
Who Is Here

Who is here
Nobody is in a position
To utter.
It is my conviction
I am firmed here.
And I am Your creation.
I have forgotten all
That are related whatsoever.

Gajanan Mishra
Who Is Here That Is

Who is here that is
Not my question
That is not the root
Of reason
Just I appear
And attained.

It is wrong to say
Anything as I know
Everything is here
Always and with us
It is equally a mistake
To believe I am separate
And distinct from the rest.

I have no need or
Interest in You
I must say here
And it is true
You placed a
Opposite view.

Gajanan Mishra
Who Is Here To Say My Goal?

Who is here to say my goal?
I am sure no one is here
To accept my challenge, but
Everyone is coming forward
To show their ego.
Let me say ego has its
Own value, how to use ego
My dear depends on you.
Without making your concept
Clear, you are here, I know.
But I know not what to do
With love and with truth.
I am yours may not be true,
But I am here with you- the truth.

Gajanan Mishra
Who Is In Freedom

Who is stable?
Who is in wisdom?
Who enjoys freedom?
I am asking questions
To me and getting answers
But that are not to be
Disclosed to all.
Wait for a minute
If you are so interested
To know more.
Stay on line and
Study the situation,
I am not here to play blamegame, but
See me, I am busy in rescue operations.

Gajanan Mishra
Who Is In Truth

Who is in truth
Would you please
Tell me in
The open market?
Who knows about
The winning of world cup
At this time and
Know that to forecast
Something is a profitable
Business here
Though no one can
Guarantee the truthfulness.

Gajanan Mishra
Who Is Independent?

Who is independent?
But it is also true
We are sovereign and
Not belong to the category of
Subordinate energy.
And we have manifold potencies of
Pleasure, knowledge
And creative emanation.

Gajanan Mishra
Who Is Kalia Tiwari

I know who is Kalia Tiwari
And I was with him for a long period
And I know it is not a fun
To give him a charter
Where there is a real picture
I know how to shape Kalia Tiwari
To shape Kalia Tiwari
Is not a fun and I know
We are here to clean the road
To take shelter for a moment
And being partner in life-business
Kalia Tiwari was there blaming me
For nothing at ground level
I know fully well Kalia Tiwari
Is not a hypocrite not dwelling
Mentally on the object of senses
I know what I am telling so openly
Before all here at this moment
And I know My incapability make me
Inactive and I know Inactiveness
Is really death and doing action
Is life and Kalia Tiwari is transparent
With me without any check and balances
Without any restraint outwardly though.

Gajanan Mishra
Who Is Losing The War

Who is losing the war
And what a war means
War for what.

Is he really there
Not near not far.

Gajanan Mishra

Who is louder than the sea?
Who is as high as the sky?
Who is with you day and night
At every moment everywhere?
Who is giving you the light?
Who makes you alive?
Who is there in your words?
Who is taking you from here?
Dear men, tell something from
Your own experience, I am
Here to listen to you.
Dear men, dark is nowhere
Stay there where you are
And see the smile of the star.

Gajanan Mishra
Who is Mahatma Gandhi?
What is His Truth and non-violence?

It is better not to speak
About Mahatma Gandhi
It is better not to discuss
Before all about his sitting walking.

Is Mahatma Gandhi untouchable?
Why he declared do or die?

Mahatma Gandhi's art of living
And art of dying really a matter to note.
Is Mahatma Gandhi a cartoon?
All said Mahatma Gandhi a martyrs of humanity.

Where is Mahatma Gandhi now?
Would you ready to say anything about who's who.

Gajanan Mishra
Who Is Missing Where

Who is missing where
That I know not
But I know where I am.
I am with you always here
And you are giving me
Food and air and water.
I know not what I am
Doing here but I see you
In all my duties everywhere
It is the only truth
And it is clear.
No one is missing anywhere
As you are there with all, and
You have given me the power to see.

Gajanan Mishra
Who Is My Enemy

Who is my enemy
Let me know, my dear,
And you are saying
My enemy is within me.

You are my beauty queen,
You are my love, and mine,
You are my song, I am here to sing,
You are within me, my love, my enemy.

Gajanan Mishra
Who Is My Reader?

Who is my reader?

Let me clear,
I know not
Who is and
What is better
Here.

One, who provides me
Free air and free water
Is there and I am
Not the qualified looker.

I have eyes and
I have ears.
But in time of needs
They are useless partners.

Let me say
I am the performer
Here.
But what to
And how to perform,
I am not able to
Perform without
Fear or favour.

Okay, if you say,
I am the nature,
But I am hankering after
Riches, praise and honour.

Gajanan Mishra
Who Is Not A Child

Who is not a child?
Who is there knower of everything?
Who is not smiling?
Who is not crying?
Who is not going?
Who is not thinking who am I?
And one who is coming under
the jurisdiction of my questions
is definitely a poet, and I salute him,
not expecting answer from him but for
the time he is spending in pondering
therein staying with nature itself.
Let me salute you, my dear poet
You are living here, I like that, I love that.

Gajanan Mishra

Who Is Not A Guru?

There I see the sky,
My guru, looking at me
In wide eyes.
And telling me
To embrace all
With no up to the eyes in.

Here I see my guru, the earth,
Flat, telling me,
Bear with all,
And bring to bear the time
And visit all beauty spot
To discover something new.

The sun, the rain,
The air, the ant,
The elephant, the eagle,
The snake, the spider,
And all contribute
In some way or other
For all out development
Of my body and mind,
I consider all gurus.

And who is not a guru?
Who is not good?
The mountain, the river,
The thunderbolts, and
Contrariwise I call all
To fumble here and
Not to fuddle
But to follow the laws
In this large lawn of life.

Gajanan Mishra
Who is not a man?
Tell me, tell me!
If your answer
Found to be correct,

On the date of death.

Tell me, tell me!
If you are able to
Give the answer
You will be the star
There, on that sky.

Gajanan Mishra
Who Is Not A Snake?

living and tasting life,
How diligent you are
that depends on you
in this open world
being the pupil.

Gajanan Mishra
Who Is Not A Terrorist?

Who is not a terrorist?
A great question to me.
Is my wife a terrorist?
Is my own son or son-in-law,
Brother or brother-in-law,
Daughter or daughter-in-law,
Not terrorist?
Is my love itself
Not a terrorist?
Is truth itself
Not a terrorist?
Who is not a terrorist?
Is it not my own self?
Let me search within first.

Gajanan Mishra
Who Is Not A Thief

Who is not a thief?  
Question is simple, no doubt,  
But difficult to answer.  
Opportunities are there  
But refused to take  
That little star.  
Milk is full in the ocean,  
But you the men, failed to  
Give importance.  
Suffering is a must,  
And we all, should be  
Ready to face it.  
We care not the thief,  
That is our greatness.

Gajanan Mishra
Who Is Not A Thief Here, My Dear?

Who is not a thief here, my dear?
The words are only there to give us nectar.
But we are going towards dark only due to our fear.

Gajanan Mishra

In this summer
Water drop.

Gajanan Mishra
Who Is Not Afraid Of You?

You are my love,
Who is not afraid of You?
It is with Your blessings
Everyone is evolving and
Getting strength.

You are my Truth,
Who is there besides You?
Every moment and everywhere
It is You who is playing
With a good beginning
And getting victory
Against each and every odds.

All are one, I know, and it is You,
No question of two.

Gajanan Mishra
Who Is Not Alive

Who is not alive?
It is I
Who is not living,
And not you.

As before,
I am busy
In to and fro.

Gajanan Mishra
Who Is Not An Actor

Who is not an actor
The setting sun asked
The question openly.
The clouds wonder
With the winds
That are behind
My garden.
I smiled at the clapping
Of the frogs.
Am I there with the selfish lot?
I cleared all doubts
That are in the east.
And I declared, see men,
It's raining from the very morning.

Gajanan Mishra
Who Is Not An English Man?

Who is not an English man?
And it is true, no
English men are here.
See, we are connected
With both
English and non-English.
And here, all trouble lies.
To be and not to be,
Here lies.
No one is clear
In his approach,
And all know
The approach is wrong,
And no one is transparent.

Gajanan Mishra
Who Is Not An Idiot?

Who is not an idiot?
The man on the field,
The man on the chair,
The man on air? ?

Knowing everything in details,
Each one acts as if
He knows nothing, true,
Though it is.

Directly each one is
Connected with the truth,
But each one is there
In falsehood.

Each one knows,
Nothing is ever lost,
And yet, they are cautious
And very careful to life
And properties they have.

Of course, each one is free,
But each one is a cheat,
An idiot as no one knows
What to do and
When to do and how to
Do and for what purpose.

Plenary session is
Going on, true.
And each one is
Eager to reach the point
Of eternity.

But is anyone
Able to cross over
The border so far?
Really fools and
Idiots we are.
Gajanan Mishra
Who Is Not Blind?

Who is not blind?  
Who has seen the truth?  
Who is not wandering?  
Answer anyone if you can.  
If you are able to  
Give the correct answer,  
You would be the first  
One to reach the heaven.  
But you are to suffer here,  
And suffering is the only  
Answer for your living.  
You are not to escape  
But you are there to suffer  
And suffering would give freedom.
Who Is Not God?

Who is not god?
What is not god?
Is god not funny?
My hunger, my thirst,
My old age, my diseases,
How you are there.
How far I am
Related with you here.
The mountains, the snows,
The water, the air,
The trees, the flowers,
The birds, the sky,
Always you are all
Telling me goodbye.
Questions are there,
So also the answers.
Where I am, my friends
To utter something
Is not good, not fair.
Who lives and who dies,
What is action, and
What is reaction,
Words are there to guide,
But you tell words are
Caused by injury,
Tell in general and
Take care.

Gajanan Mishra
Who Is Not Good

Who is not good, you or I?
You endowed with spiritual attributes
Lead me to truth.
I need your company, your knowledge,
Your devotion and love.
I love your form, flavour,
Smell, touch and sound.
I want to play with you, my dear,
I want to go with light and darkness,
I want both happiness and misery.
Let me go deep in to my feeling
And open all the doors that are there.
Let me explain you in my own words,
That I have borrowed from far up star.

Gajanan Mishra
Who Is Not Hungry

Who is not hungry
Tell me
Who has raised above
Chronic fatigue
Tell me
And tell me
O fawn, tell me.

Gajanan Mishra
Who Is Not Ignorant

Who is not ignorant
Please come and
Say the sun is dead
Who is not ignorant
Please come and say
You are fortunate.

You are cutting yourself
You are burning yourself
With your own fire
With your own weapons
You need no sun no air
No water you say all.

Who is dead
Sun or You
Is a matter of
Investigation
And I am here
To tell you intelligent.

Gajanan Mishra
Who Is Not Ignorant?

Who is not ignorant?
Here I search and search
But find no answer.
Knowledge is everywhere,
Light is everywhere,
But I find all in dark,
And all are fools.

I talk to so many people,
I observe the behaviour
And the attitude of
So many creatures here
But I find not a single one
Who knows what is truth,
And who is in real love.

Gajanan Mishra
Who Is Not In Jail?

Who is not in jail and also
Tell me who is the jailor
Please tell me clear, O my dear
Who is yours and who is near.

If you know one is in jail
Make Him free if you are kind
Who are you to make any one free
As you yourself is in prison.

Please understand the situation
O my dear, nobody is doing any wrong
It is you yourself that interfere
O my dear, remember me I am here.

Gajanan Mishra
Who Is Not Poor?

Who is not poor?
Who knows the actual facts
Of this world?
Where is the reality?
Who has realized the self?
Who is born?
And who is never born?
Who has not felt material miseries?

Gajanan Mishra
Who Is Old?

Don't tell me old.
And who is old?
Your grand father is old
And not I.

If you asked
Bernard Baruch he would
Replied, 'I will never be an
Old man, To me, old age is always
Fifteen years
Older than I am.'
Tell me not old.

I am in love,
Love has no age
I have a feeling
That is burning
I am not aging.

See here is my love and
Here is my expansion and
I am no way related
With contraction.

I am not old.
Asked Amitav Bachhan
He would replied
Are you not able to see
How young I am!

I am getting joy
Through this life
Through every incident
I am not old
I am just a child.

Gajanan Mishra
Who Is Original Difficult To Say

When we see so many sets at the same time.

We come we see we talk we walk
Nothing to see nothing to hear
Nowhere to go though.

No one to figure out what is what and how
All thinking failed and no one is there
To understand in full.

I know, my dear friends, you yourself are mystified
Not being able to signified you are terrified.

Gajanan Mishra
Who Is Our Mother?

Who is our mother?
And what is our mother-tongue?

Where is our land?
And what for we are here?

Is anyone ready to
Back to basics?

Are we able to
Understand life?

Gajanan Mishra
Who Is Playing

The great poet is he
Who is playing
At the same time
With fire
And with ice
And say proudly
Ice and fire are
One and the same thing.
See me, I am mum
I am just observing
At this time
How the fire is burning and
How the ice is forming
To welcome me.

Gajanan Mishra
Who Is Poor And

Who is poor and
what is wealth
let me know, my dear.
And also make me
right use of
understanding here.

I need not go to you
and I need your
steadiness of mind
that is already there.
You are present here
that I know with everything
that are in you
and you declared me the truth.

Gajanan Mishra
Who Is Poor The City-Dweller Or The Villager?

Who is poor?
The man who is
Living in town
And purchasing
Everything and
Depends on others
Or the villager
Who is growing crops
And so many things and
Everything for himself
And for others
And depends on nature?

Gajanan Mishra
Who Is Poor?

Who is poor?
The miser is the poor.
The miser is poor
Only for his miserly behavior.
The miser is poor
The miser knows not
How to use his wealth.
And one who knows
How to use wealth
Becomes a rich man.
O my dear, You are my wealth
I want to use You
In terms of Truth.
And You are the Truth
The Ultimate truth
And see I am rich with You.

Gajanan Mishra
Who Is Powerful?

Who is powerful?
The air?
The water?
My dear, it is
Not the matter.
You are here
As per your nature.
You are here
With your own strength
That's over.
You enter
By your own labor
That's clear.
And matter over.

Gajanan Mishra
Who Is Qualified

Who is qualified
To drink nectar?
It is he, who is
Free from
The charming beauty
Of women.

Who is qualified
To rule the world?
One, who is brave
And able to give
Force for a just cause.

For the good one,
The beginning, the middle
And the end- all are important.

Gajanan Mishra
Who Is Related To Whom

I know not here
Who is related to whom
And for how long!
I know not here
Who is there and
For what purpose.
But I am with all
To watch them
What they are doing
And for how long.
No one is comparable
To another and I am
There to distinguish
All and each other,

Gajanan Mishra
Who Is Responsible

Who is responsible
For what,
That I care not.
But I care
What is there
And what is
Not there.
And I care
Your life status
That is not found
Anywhere in
Anything or
With anything.
But I hear
You are there always,
Everywhere and
In everything.

Gajanan Mishra
Who Is Right

Who is right and who is wrong
I am nobody to say here
At this juncture.

I am far from fear.

You are my father
You are my mother
You have given me
This feather
And see me, my dear
I am here.

I am here to see You
I am here to call You
I am here to say You
That everything is but nature.

Gajanan Mishra
Who Is Selfish

Who is perverse
Who is treacherous
To know
It is very difficult.

Remember
O my dear, you are
Playing with fire
That is there
Within you.

But in Truth
But in Love
But in devotion
Nothing is illusion.

Life here find
Pure and in perfection.

What is fire
And what is water
All is one and
The same pronunciation

Gajanan Mishra
Who Is Supporting Whom

Who is supporting whom,
Who is on the winning side,
All are relative and temporary.
But we are here to adduce
Concrete evidence to search
And discover the truth
That is there before all.

Gajanan Mishra
Who Is Supreme?

Who is supreme?
No one is supreme
I am sure.
But all are here
Temporarily for a
Certain period
To serve the purpose
Of nature.
And what is nature?
Very difficult to
Explain in detail,
As there is no specific
Guidelines to go
Further on the road.

Gajanan Mishra
Who Is That I Know

I know who is where,
Who is that and
What he is doing,
And doing for whom.

I learn so many things
From the dark and
I enter the room
With a rose.

The rose is much more
Costlier than gold or pearl.
I know how to touch
The violin and how to start the car.

I am there, and
You are also there for fair.

Gajanan Mishra
Who is the controller?
And who controls what?
The clouds are there
As usual in the sky
Wandering here there.

No source, no energy,
No opinion, no personal
Agenda for anything.
Who is superior and
Who is inferior?
What is the feature?
And what is the true picture?

No doubt, everything is here,
But the very existence
Is in question since
The beginning.
But I know not
Where is the beginning?

As usual, it is all
Going on, the managerial
Power or position is negligible.
But what I am
That is not changeable.

Gajanan Mishra
Who Is The First Man?

Who is the first man
That I know not,
But definitely, I can say
I am not the first one,
Also, I can say
I am also not the last one.

I am not telling anything
To anyone anywhere at any time.
I have no words,
Let me clear I am
Far above all languages.

I am not what I was,
I will be not what I am.
Yet, I am as you see as ever.

Gajanan Mishra
Who Is The Hero?

Who is the hero here?
It is the nature.
And by nature
We are nothing.

Our eyes move
And we stood firm.
We face the east,
We face the west,
And we are there
With nature.

From here to there,
We also move
From corner to corner
And to no one, we fear.

Gajanan Mishra
Who Is The Knower

Who is the Knower
And where he is
What is the knowledge
And where it is
We are here to
Search it.

Who is here living
And how he is living
Who is dying
And how and why
He is dying
We are here to
Know it.

Gajanan Mishra
Who Is The Lord Here

Who is the lord here,
I know not my dear.
I know only you,
I know you are the truth.
You are my love and
You are my everything.
I am here with you,
And the time is telling
Our presence is the only truth.
I know not who is where
And I am here, see me,
I see you here, my dear.
You are only for me and
I am only for you.

Gajanan Mishra
Who Is The Owner?

I am searching
And asking you all
Who is the owner
Of all these
That are here.

Fellow men, you are to
Stay cautious for
The remaining period.

Get yourself engaged
Dear men, for own elevation.

But I am here
For everyone and
For everything
That are with me.

Gajanan Mishra
Who Is The Queen?

Who is the queen?
Are you not Aaeeshanee? *
I know my dear, your
mind is telling,
Stop the question,
But you are smiling.

I know you are
fond of the cat and
the rat - busy in fighting,
And the cat, as you know
had been to London
to look at the queen,
But the queen is now in
Out of order-engine.

* my grand daughter

Gajanan Mishra
Who is the son of the soil?

But he is certainly not
Who is neither glorious
Nor devoted to the mother,
To the mother language,
And also to the motherland.
Certainly not who is living
With his blind eyes, and
Who produces nothing and not
Able to do anything against one
Who is not in favor of his language,
Let me say he is like urine,
That has no value, and is unfit to live,
Being deprived of nectar of the soil.

Gajanan Mishra
Who Is The Sun?

Who is the sun?
Is he above and beyond time?
No doubt you have calculated
Second minute hours day night
Month year according to
The movements of the sun
No doubt the sun has unlimited
Potency in heat and light
No doubt the sun is the eyes
And rotates within the fixed
Orbit of eternal time
The sun is under the control of
Supreme Truth, the sun is
Not independent, the sun under
Time's control, the sun is
Not fearless.

Gajanan Mishra
Who Is The Winner

I care not,
Even I am not
Thinking about the matter
Who is the winner?
Whether war was declared
or not that also
I am not here to ask.
I am just here
To know the truth.
And the truth is
I am the loser,
Both in war and
Also in peace.
With all beauty,
I am looking ugly.
With all words and
With so many languages
I am unable to utter.
Problem is somewhere
But I failed to locate.
I see confrontation
Is there, still continuing.
I see something that lack
For proper understanding.
Still, I care not
And some other says
The biggest diplomatic
Win ever.

Gajanan Mishra
Who Is The Witness Here?

Who is the witness here?
When I know, no one is here besides you sir!
And I failed to control
My own mental tendencies and mind-stuff.
Let me cut off all threads, sir,
And stay in desire-less
Transcendental awareness and
Allow me to stay as the lighter of statelessness.

Gajanan Mishra
Who Is There

Who is there?
The question is
Returning to me.
The sky is the witness
Of every incident,
And I am the bait.
It is everywhere
I see and what I see
I cannot describe.
I hear the sounds
That are coming to my ears
That I cannot say.
Hearing, seeing and all the acts
Are not under my control.

Gajanan Mishra
Who Is There I Asked

Who is there, I asked.

No one is there to reply.
But I hear hue and cry.

Gajanan Mishra
Who Is There Tell Me

Tell me who is there?
Who is there tell me
If you can and tell me
When to rise and when
To fall here and at
What time.

Tell me who am I
And tell me who are You
And what for You are
Staying here and tell me
And where is the place
Where I am to go and
Hide myself.

It is only for Your happiness
I am telling all these.

Gajanan Mishra
Who Is There To Be Seen?

Who is here to be seen?
Who is there to be known?
Only I am here, I am there.
And I am unbound, unattached,
Undecaying, incomprehensible.
I am wonderful and I am wise
And also a fool, I am in you,
Love is here with us-only truth.

Gajanan Mishra
Who Is There To Read Me?

Who is there to read me?
Who is there to hear me?
Who is there to understand me?
Who is there to love me?
Who is there to know the truth?
I am not selfless here,
I am not self-oriented.
I am here to stand before the storms,
I am in my own form.
I am here to expand like
The water, the air, the sky, the fire.
I am unique and not
Identical with anyone.
I am exactly what you think me,
But you are there to receive
The kick-back meant for you.
I am the truth, truth, and the truth.

Gajanan Mishra
Who Is There To Tell Me

Who is there to tell me
What is good for me
Besides myself?
No, no one.
Nowhere.
I am only here,
I am within all.
I myself can clear my mind
Which is confused at times.
I am here, see me,
But say nothing.
No right,
No one has right,
To utter words.
Words are not
So cheap,
Of course, good and
Valuable words.

Gajanan Mishra
Who Is There Within Me

Who is there with me?
Who is my controller?
Who is my sustainer?
Who is my conductor?
Who am I?
Where am I going?
What is the meaning
Of my words
That I am uttering here?
Which is mine- fire or ice?
Am I cold? am I hot?
I know not, I know not.
I am in the form of vapour,
But the force of gravity is here
And I am staying here with my nature.
I am like a wooden doll
And I am revolving round and round
Day and nights with the power
Given to me. Who has given me this power?
I know not, I know not. Yet I am here.

Gajanan Mishra
Who Is Thief

Who is a thief
And who is not a thief
Ask yourself
And know the truth.

Enjoying objects
Without duties
Is act of a thief
Please come with
The right thesis
And let me know
the group you are with.

Gajanan Mishra
Who Is This Girl

I do not know
Who is this girl
i need to know though.
I am with this girl
Night and day gazing at her.
The girl is my beginning
And my end I know
I am here with this girl.
Who is this girl
I am not able to know
And I'll never know
What she is.

Gajanan Mishra
Who Is This Narendra?

Give me answer or
Let me wander.
Is he the lover of nature?
Give me answer or
Let me wander.

Is Narendra all- knower?
That I wander and it is true
He is at least not a blunderer,
Not a blusterer, not a ingratitude outsider,
Let me say this as a common watcher.

What is necessary to know-
Let us know Narendra is already here
As our near and dear, as our saviour.

Gajanan Mishra
Who Is This? Who Is This? ?

Here is dark and dark and
Nothing is fixes.

Though dark nothing dead
Everything is in processes
Just go back go back go back.

Neither ice nor fire
Neither cold nor heat
No one can say this is this.

What is stolen is only heart
That caused suffering
And that has been stolen away.

Okay okay okay
I do admit You are in both side.

Gajanan Mishra
Who Is Truthful

Who is truthful
Truthful is he
Who has the capacity
To control his
Mind and senses
Who has austerity
And penance
Who is self-satisfied
And clean
Who forgive and forget
Who has simplicity
And knowledge and mercy
And who surrender himself
Completely to Truth.

Gajanan Mishra
Who Is Unjust?

No one is unjust here,
All are under nature,
Animate and inanimate.

All lightning all thunder,
All flute all drum,
All observe victory.

All okay and fine,
All colorful and just.

Gajanan Mishra
Who Is Upright Here

Tell me frankly
Who is upright here,
In ways, in character
And in the face?

Tell me frankly
Who has purity
In mind, in intellect
In senses and body?

Tell me frankly
Who has firm belief in truth and
Who has kept himself free from all?

Man, who knows the truth,
He realizes- the earning livelihood
Occupies a secondary place.

Gajanan Mishra
Who Is Waiting There

Who is waiting there?  
Waiting for whom?  
Who is going there?  
From where he is going?

Is it raining?  
What is the meaning  
of this rain?

The sun is welcoming all  
With jasmine and white tulip.  
The moon is smiling.

What you are doing here  
At this time, not known to me.  
Yet I am going to you  
Like a madman with nothing.

Gajanan Mishra
Who Is What

Who is here to judge.

Truth is open to everyone
It is you to understand Truth
And it depends on your capability.

Never envious of other
O my dear, you yourself
Is not for ever.

External features
Can not help you at any time.
If you are really intelligent
You must know me.

Many luminaries are here, my dear
By your brilliance you are to know them opening the cover.

Gajanan Mishra
Who Is Where

Who is where
I asked
The men who are
At present here
Laughed at me.

Am I a laughingstock?
I am unable to tell,
Let me not think
My questions are
Out of question.

I find no one here
What shall I do
I find no love,
I find no truth.

Gajanan Mishra
Who Is Where I Asked

Who is where
I asked
The men who are
At present here
Laughed at me.

Am I a laughingstock?
I am unable to tell,
Let me not think
My questions are
Out of question.

I find no one here
What shall I do
I find no love,
I find no truth.

Gajanan Mishra
Who Is Who, Let Me Know

Who is who, let me know.
What people want, let them do.
Give me a chance to search out the truth.

Gajanan Mishra
Who Is Wise

Who is wise?
Wise is he
Who knows the Truth.
And what is Truth?
Truth is that
Which shows who you are.

You are a man
Is it really true?
You are naming yourself a man.
Who knows and who has
Certified it and what is its basis
All are not cleared as yet.

The True is that
You are a creature
Like others
You are and your
Position is not lower
Not higher.

Above you and above all
There is the creator
The sole aim
Of our producer is
How we live in peace
With others.

Gajanan Mishra
Who Is Wise Here?

Who is wise here
Who knows, my dear.
Unquestionably we are here.

It is tears, my dear,
And the problem is
In our confidence
And we are to bear.

It is just to give
air and water
To the life
But I know not
What life is, my dear.

Life is a mixture
That we enjoy in various colors.

Gajanan Mishra
Who Is Wise, You Or I

Who is wise, you or I?
You are writing, I am reading.
You are sitting, I am going.
You are taking, I am giving.
Who is wiser than whom?
Nobody is here to judge.
I am blind, you have eyes.
I am talking in loud,
You are maintaining silence.
I am telling all these- my fate.
You are telling, come on dear mate,
We should have some chat.
You are the poet, I am the word.
You are the player, I am the ball.
You are the light, I am the sight.
Who is mad? you or I?
I am clear in my thought,
You are there busy with wrought.
Purpose of ours is to set life,
Life is there to go on its own way.
We are both looking at the sky
And the sky is changing its colours
Saying always goodbye, good bye.

Gajanan Mishra
Who Is Your God

Who is your God? let me see
Where is your God? let me see.

Is your God preserver?
Is your God destroyer?
Is your God power?
Is He stands for divity?
Let me see let me see.

What do you want from your God?
Are you passionate?
Do you worship your Gods
To satisfy your own desires
And to destroy others?
Let me see let me see.

I am not here
To prohibit you.
You are free to decide
About your safety.
Remember, it is your
Purity, it is your
Passion that take you
To your legitimate place.

I have nothing to do
Besides seeing you
You yourself can do
You yourself can do.

Gajanan Mishra
Who Is Your Own

I am not mine
When I know it
Question arises
Who is your own.

You are not here
To answer
And I sit there
Om my own.

I asked nothing
And you told
Everything that
Needed by me.

Gajanan Mishra
Who Is Your Own - Need

I am not mine
When I know it
Question arises
Who is your own.

You are not here
To answer
And I sit there
Om my own.

I asked nothing
And you told
Everything that
Needed by me.

Gajanan Mishra
Who Is Yours?

Tell me,
Who is yours?
And to whom
You are committed?

Tell me
I am giving word,
I will not disclose,
But go not with falsehood.

Tell me
Who you are,
Tell me the truth,
If you are alive.

Gajanan Mishra
Who Kidnaps Whom

Who kidnaps whom
And how and when
And why and if you
Do not like to answer
Then goodbye.

Kidnapping is but common
Anyone can kidnaps the others
For no reasons thereof
Nothing is difficult
In love and also in hate.

It is one but the same
It is not good to glorified
Anyone and anything
Man of single minded devotion can say.

Gajanan Mishra
Who Knows

Come forward
And tell me first.

I am here
In your heart.

I am the Supreme bliss
Here personified.
I am the Omnipresent.

Gajanan Mishra
Who Knows The Value Of Water

Who knows
the value of
a drop of water?
And everywhere
we see water and water
and yet we are thirsty.
The tree is telling us
how kind it is
while giving us oxygen
and leaves and flowers
and fruits and woods.
Ungrateful we are to the sky
and the ocean is calling us
to take a dip.

Gajanan Mishra
Who Knows What

Who understands what
Who knows what
Regardless of anything
We continue our chat.

Gajanan Mishra
Who Knows What Is

Who knows what?
Who knows what is life?
come forward and say
If you so like.
Test yourself, your
Saying is totally wrong.
so long as you are
Not sure what is right
You cannot say it wrong.
It is not with your capacity
To say life that and this.
You cannot say it is destiny
And you exist only for
The of existence-to be described.

Gajanan Mishra
Who Knows What Is There

Who knows
What is there.

I am to leave
With five.

No dark no light
You are in fight.

You are to die
I am here
To say good bye.

Gajanan Mishra
Who Knows Where Is The Truth

Who knows where is the truth,
Tell me the path the truth has taken.
I am living here near the bank
Of this river-time and asking
Each one including the air and the fire,
But I find no one is there to answer.
I am sure someone who definitely knows
Where the truth is somewhere on this earth.
And I want to expand my joy
With the beauty of this earth.
And I am eager to realize
The ecstasy of seeing the truth.
I know the earth never lost to me,
I know I myself - the part and parcel of the time.

Gajanan Mishra
Who Made Me Powerful

Who made me powerful,
Not here, though,
To know I'm eager.
Of course, I'm
Empower to bring
All things back.
I have the power of
Poetry, I know,
And I can use it
But for good.
Nothing is useless
For me, and I have
The power to transmigrate
Dark to light through poetry.

Gajanan Mishra
Who Makes You

It is I
Who makes you
What you are.

Gajanan Mishra
Who Said

Who said
My wife is
Neither pure
Nor sincere?

No one dares
To tell the truth
That everything I know
And it is true.

You can take bath
In the Ganges but
You cannot say yourself pure
So long as your mind is not sure.

Gajanan Mishra
Who Said I Am Free

Who said I am free  
No freedom is here  
For a moment  
And you are asking  
And what for you are  
Asking is not known to  
You also.

Heaven hell all  
These words have  
Lost their meaning  
In practical life  
That you know  
Since you are living.

What is there to  
Relinquished when  
It's known to the world  
That you have nothing  
And you are missing  
In broad day light.

Gajanan Mishra
Who Said I Am Free?

Who said I am free?
Call him, I would
Like to test him.

Do you know what is free?
Even air is not free
And air cannot go
Exceeding its limit.

With this light
If you want to see me again
Let me reappeared, wait.

Waiting is charming,
If you know the art of waiting,
And what is that art?
Come to the process and see.

Gajanan Mishra
Who Said I Am Not Nectar

Who said I am not nectar,
See me, I am the morning fire of winter.
Who said I am not nectar,
See me, I am slight hot milk,
Before going to bed,
You can drink and feel, dear.
Who said I am not nectar,
See I am here with you, my love, my dear.

Gajanan Mishra
Who Said I Am Old

Who said I am old!
All should remember,
Oldness has nothing
To do with me.

Gajanan Mishra
Who Said I Am Weak

Who said I am weak,
Who said I fear death? ?
I am here with death,
See me if you are
Strong and fearless.

I am dying
At every moment.
I am taking my
New birth
At every moment.

Have you not seen?
Have you not heard
My new words
That are there with you?

Gajanan Mishra
Who said she is not your mother?
Who said you can't keep your mother?
Who said you are not the son of your mother?
Who said your mother is not with you?
Who said you and your mother are not the same?
Who said you are going away from your mother?

All discussions are bogus,
And you are there with them
For no reason.

It is for your mother
You are on this boat
And crossing the river,
Nothing to deny.
Just see your mother on this day.

The main topic is your mother,
And you are at the center.

Gajanan Mishra
Who Said What

No matter
Who said what
If love is there,
And if love is
Not there
Even silence
Is also there
To hate.

Gajanan Mishra
Who Said What Ask Me Not

Who said what ask me not
Come and sing time is short.
In the light of truth and in the
dark of false we both hurt.
Love and love and hate me not
Come and sing time is short.
We both are hot come and come
Day and night dream and dream
Who said what ask me not
Come and sing time is short.
What is success and what is failure
We know not come and come
Come and sing life's song.
Sun and moon all are with us
Come and see come and come
Life is short life is short.

Gajanan Mishra
Who Said You Are

Who said you are independent
Who said you are separated
Who said you are sovereign.
No, what you said is not true.
You are nothing and you can
Do nothing on your own.
You are only getting sorrows
by thinking so and so.

Gajanan Mishra
Who Sees

Anyone who sees
Can say
What is going to happen.
Anyone who sees
Can take
Actions as he thinks.
Foolishness or intelligence
Has no role to play.

Gajanan Mishra
Who Sells

Who sells?
Who sells happiness?
And to whom?
What is the rate
Of happiness?
Who ask?
And who is where
To reply?

Gajanan Mishra
Who So Ever He May Be

Who so ever he may be,
He is not greater than
My mother and my mother earth.
Dare not to insult them,
I am here to sacrifice my life
For my mother tongue.

You are going to destroy
Your own life, mind it.
When you are not taking care
The mother, mother tongue
And mother earth.

I am the last man to tolerate
Your ill behavior on my mother,
Mother earth and mother tongue, dear.

Gajanan Mishra
Who So Ever You May Be

You must felt defeated
Here in all details.

Gajanan Mishra
Who To Say And How To Say

Who to say and how to say,
What to say and when to say,
Where to say and whom to say,
I can't say, believe me.

I can't say who is here,
And what is being done,
For whom that also that also
I can't say and to say I am not here.

For the sake of convenience,
Let me explain what is what,
Not true though, here or there,
And with my own words, I am fair.

Gajanan Mishra
Who Told You

I am in sorrow
Who told you
I am died
Not a fact.

You are diverting
The attention
Is true
Not using the proper
Key at proper time
And at proper place
Is true.

Nothing is
End all
Just take care
Worry not.

Festival is on
It is your time
Now and always
You can do
Whatever you like
In this cycle.

I am here
Watching you
Alive.

Gajanan Mishra
Who Told You I Am Not Here?

Who told you I am not God?
Be clear, I am in this way
Taking you to the Truth.

I know You are the Truth
I know Truth is nothing but You.
And you know Truth is God
You and I nothing differ.

In this way we both occupy
Celestial sphere and true literature
Visible or Invisible is here
In various layers.

I know You, You know me
We are here within the jurisdiction of time.

Gajanan Mishra
Who Told You I Am Poor

No, never, I can not be poor.
See, You Yourself are with me
The entire world, the entire cosmos
Is within me.
I am able to understand You
You make me understand everything
In clear tune every time.
You Yourself appear before me
And I am happy, see.

Gajanan Mishra
Who Told You Night Is Dark

Who told you night is dark
And day is bright.
You just come and see
Without any bias that
There is no night and
No day, both darkness and
Brightness are far from here.
What you see are not true,
Not true, as they are
There and subject to change.
What is changing you know
Can never be the truth.
Go not with any one
Because no one is fixed.

Gajanan Mishra
Who Told You?

King is powerful,
Who told you?

But recognize
The talents
And the tactics.

Who is who,
First, one should know.

One should apply
His own common sense.

First, you are to
Understand the system.

Differentiate the night
And the day. in the true sense,
Nothing like that, though.

Gajanan Mishra
Who We Are

Who we are
I can't say,
But I must say
We are here
At present together
To love each other.
We are here
At present together
To exchange smile,
To see our own faces
In the eyes of another.
I must say how
The light and the dark
Are playing with us.

Gajanan Mishra
Who What

Who is not important
What is matter and
That's taken into account.
What's in the time
And who's there to see
That's not a matter
For discussion.
We are all for the same
And same purpose
Our nation is ours
It is
Our notion our intention
Not clear not fair.

Gajanan Mishra
Who What Why

Who, what, why,
When, where,
And related
So many questions
Are there
As before.

What is it about?
How did it happen?
Why does it matter?
What next?
And so many
Questions remain
Unanswered.

And life is going
On its own way
Without any care,
Careless.
And the sun is
Rising daily
With no intention.

Air to air
Fighting is going on
With no result.
And daily we see
The smiles of
The moon
And the flowers.

Gajanan Mishra
Who Will Write

Who will write
My thoughts
If not I?

You are mine
And I write
For you, dear.
No matter
Where you are.

I write for you,
You are my love,
You are my life.

Please come and see,
Please come and read,
Read and live.

Gajanan Mishra
Who Wins

No matter who win who loss
Control yourself
And wait and see
Things happening
In between win win
Loss loss
And see nothing.
What you are doing
Giving hundred percent
Efforts or not
How far you are
Stick to it
Tha is matter
There is nothing
Win or loss.

Gajanan Mishra
I know not anything
I know You only
O my dear
And You are at the center
Of all writing
That much I know.

You are the author
You are the reader
You are the presenter
You are here
Before all
I know that much
You are the essence of all.

Gajanan Mishra
Who You Are

Who you are
Go there
Here there is moon
Here there is sun
Moon has nectar
Moon nourishes
All herbs plants
And vegetables
All beings
men birds beasts
You are saying
You have given
Everything to moon
You are saying
You have given
Everything to sun
And you are coming
To test moon and sun
And I am on this earth
Here is the water
Here is the ocean
And you are saying
You are the source of
All energy of life
Who you are
And you digests my food
Through gastric power
You are the bright star
Go there I am here
With your power.

Gajanan Mishra
Who You Are  I Am Desiring To Know

Who you are
Who you are I am
Unable to know
Even seeing you
Even observing you
And I am
Unable to understand you
That you are the same one
I had known
I am also not trying to
Understand your past
Only I am offering my respect
Being you are the same as I
In terms of rules regulation of etiquette.

Gajanan Mishra
Who You Are - Try To Understand

1.

Who you are - try to understand,
How you are - try to know,
Where you are - try to discover.
Know your language,
Know your activities,
Know your love.

2.

Real position be known first,
Unnecessary attachment with Outsiders should be given up.
To obtain peace,
To proceed further towards Development self-realization
But a necessity should be Kept in mind always.

3.

Simple fact is
There should be goal
And you must not work
Like a mad man.
The goal should be
Based on truth,
And one must not be
Misguided en route.

Gajanan Mishra
Who You Are- I Know

Who you are - I know
And I know what you did
I know the purpose
Of your coming
And I know your version.

What you are - I know
And my ideas sprouted
That I know you are in
The idea that is empty
And I know without origin.

Gajanan Mishra
Who You Tell Me

Who you tell me
And what for
Taking away
My language
My identity
My everything.

But mind it
Thereby you are
Inviting your
Own destruction.

I am enjoying my life
On my land with
All power, I am
Ever dazzling star.

Gajanan Mishra
Who's Not A Blind

You please tell me
Can you see what is unseen
Look I have seen
You have loved me
I have seen good and bad
I have seen your passion
And in this sense
I am not blind
I have seen your heart
I have seen your love
I have seen you
And I love you
I am not blind.

Gajanan Mishra
Whoever Knows

Becomes eligible
To read the poems
To goes back home.

Whatever one does here
In My name is all super
My dear, go on road-clear
Without any fear.

Gajanan Mishra
Whoever Knows Me

Whoever knows me
Becomes eligible
To read the poems
To goes back home.

Whatever one does here
In My name is all super
My dear, go on road-clear
Without any fear.

Gajanan Mishra
Whole Acceptance

Losing identity
I accept everything
I push myself back
I support myself straight.

You remember me
As I remember you
I accept you whole
Not forgetting
A single mole.

Gajanan Mishra
Whole Humanity

Whole humanity is there
Waiting for actions of
Righteousness openly here.
No one should be
Deprived of truth and love
The bare necessity of life.
Let all stay in the truth and
Let them attain the truth.
No confusion, no destruction,
But let all enjoy life
With full satisfaction.
Life is there for the purpose of
Enlightment. Enlightened all
And for this, necessity is true action.

Gajanan Mishra
Whole Idea

My whole idea
Is to draw Your attention
My whole idea
Is to draw the attention
Of the mass of people.

I want to draw the attention
Of all to Truth
To Ultimate Truth
That is there in my life
In the life of all.

It is my poems
It is my ideas
It is You who can catch me
Here there and everywhere
For all times to come.

Everybody here
Eager to hear about You
About Truth about
The day to day happening
That I am here writing.

No misery here I know
When there is constant
Remembrance of Your talk
When there is transcendental
Bliss and Your ocean of grace.

Gajanan Mishra
Whole Night

Light up
Whole night,
Cheers and
Stay silent,
Worry not.

Colors, light-
All yours,
Stay awake
And see
All happiness
Inside and outside.

Happiness, friendliness
All yours-
Heaven- body home.

Gajanan Mishra
Whole Or Part

Whole or part
No matter, but
Fire is fire.
Whole or part
No matter, but
Ice is ice.
Our life is
Made of both
Ice and fire.
We are signified
And pervaded.
And we are blessed.

Gajanan Mishra
Whole Truth

It is not the whole truth
I am a product of matter.

To estimate anybody with mind
Is not correct always.

Let me not say about Your
Appearance without understanding You.

It is Your activities that show
Your command over true knowledge.

Let me see Your eyes that is there
Fixed and that enable me to proceed.

Gajanan Mishra
Whole Truth That I Cannot Say

What is the whole truth
You are asking me that I
Cannot say to You at this time.

I have taken the shelter of
Falsehood is not untrue
I am under delusive power I know.

And love is in danger now
The consequences of my life
And my vow I do not know.

And here all are disappearing
I am in unifying process of acid test
It is only in the form of falsehood.

Excuse me, I cannot this world is false
I cannot say I am not in truth and I fear truth
But it is the only truth in the furnace of time.

Gajanan Mishra
Whole World

Whole world is
Your own,
Everyone is yours,
You cannot find
East and west
Two different mayors.
It is not good to
Separate one from other
And you must concerned yourself
with the total understanding
of mankind and you are to
live within that.

Gajanan Mishra
Wholehearted Devotion

Wholehearted devotion,
Where there is wholehearted devotion,
Where there is intense love,
Find therein, my dear, oneness
And the sameness.
And you can find no
Independent identity except one
For all times in all places
And the entire universe is
Based on no other entity but therein.
It is the oneness and sameness
It is the Ultimate Truth
It is the Intense Supreme Love
And everything and everybody is its manifestation.

Gajanan Mishra
Wholehearted Discipline

I am a man of
Wholehearted discipline
I am totally dependent only on You
And Your grace.

Gajanan Mishra
Whom I Address

Whom I address
And in what words
I know nothing.

I see I listen
I know not
What are these.

I feel the air
I taste the earth
I am not able to
Express anything.

The words the numbers
Are not mine
And I do not know
They are plenty or not.

Gajanan Mishra
Whom Should I Worship

Whom should I worship, whom should I worship
When I already know, You are everything,
When I already know, You are everybody including I.
How can I say it is good, that is bad,
When I already know, Everything is You,
How can I say, he is wicked he is saint,
When I already know, each and everybody is You.
O my dear, nothing can be said with the help of word
When I already know, Words are Yours, You are at the root.

Gajanan Mishra
Whom To

Whom to say Rama and
Whom to Shyama and
Here I am confused.

I realized the truth
It is the one and
The same flue.

No clue of dacait found
And we found everything in tact
And yet they cried for help.

Whom to believe and
Whom not, everyone is
in doldrums.

No sentiment here
Or hereafter.

Gajanan Mishra
Who's Who To Who

Who's who to who? ?
Give practical answer
To restore old glory.

Gajanan Mishra
Whose Blood What Water

Blood is thicker than water
Whose blood what water
Rightly asked Shobhaa
I have no answer.

Let the bird fly in the sky
Let the fish swim in the ocean
Let the fisherman go deep and deep
In search of fishes more and more.

O my poor country
Forgive and forget
And go on living yourself
I know you have no strength.

Gajanan Mishra
Whose Body Is This

Whose body is this
I can not say
And also I can not say
About the fickle and
Restless mind
Due to lack of love
And as because
I am far from truth.

Gajanan Mishra
Whose House

Whose house I know not,
But I am sure, not mine.
I am unable to tell anything,
But you are there with words.
Time is there and it is flowing,
I am not the person who can
Fetch the same water again like
In the same house no two persons
Can stay at the same time.
I am going out, you please come in
With as many colors as you like,
But remember you are at the exit point.
I know you are the exodus and
The passage of this house.

Gajanan Mishra
Whose Life

I do not know
Whose life
I am living!
I do not know
From where
And to where
I am going!
I do not know
Who are there
With me!
I do not know
What for
I am here!

Gajanan Mishra
Whose Life Is This

How much it is important
Let us search the answers
Before searching be sure
This life is very short
And try to utilize
Every resource
By self-discipline
Punctuality and by
managing time
Time is most important
Than the life.

Gajanan Mishra
Whosoever You Are

Whosoever you are
I don't care.
But I am not here
To disregard.

Let me tell you one thing
Don't fill your heart
With agitation and commotion,
Your heart is the place of
Love and truth, please
Keep safe and pure,
Be cautious and guard.

So long as you are here,
Try to acquire knowledge and
Be not perturbed.

Gajanan Mishra
Why Again Returned Back

Why again returned back
that i know not and for
nothing my name is being called.

Gajanan Mishra
Why Am I Alive

Why am I alive
And where am I? 
Why they all
Call me Gajanan
And not in other names?
What am I doing here
And for what purpose? 

The sound, the words
All are coming here
To make me strong.
And I am here
Looking for you
In truth
For which I stood.

Gajanan Mishra
Why Am I Here, I Want To Know

I am here
Only to know the truth.
And what is the truth?
Where is the truth?
What is its colour?
I want to know also
The opposite of the truth.
I think, the opposite of
Truth is not falsehood.
And what is false,
That also I know to know.
I am sure, false is
Also the truth here
And as such I am here.

I am here
And I want to know
Who are here with me,
Why they are here with me,
I also want to know
Who is going to do what
And for how long,
I want to know the time
And the place we are here,
I am here, I know
I am in no loss
And no gain mode.
But for why
That I want to know, my dear.

Gajanan Mishra
Why Am I Here?

Why am I here?
I am putting
Question to me
And without waiting
For the answer
I angaged myself
In my works.

What is my work
And for whom,
That also I know not
And I am going on
Composing poems
At times
Without words.

Gajanan Mishra
Why Am I Not Loving You

Am I not loving You and
Why am I not loving You
Tell me tell me tell me.

Gajanan Mishra
Why Am I Not Smiling?

Why am I not smiling?
Please tell me
If you know, my dear,
From the very beginning.

And I know I am not able to cry
And this is because as you told me
I am a so called adult
That has nothing to do with emotions.

I am even unable to face with the problems
That are here with me and that have a relations
With my foods my clothes and my dwelling houses
And you told me to wait for which I am not prepared.

Gajanan Mishra
Why Am I So Unhappy

Why is there so much
Suffering and misery
In my life
I am asking myself
Time and again
And getting answer
That I failed to understand.

At times I am forgetting all words
Forgetting defeat disillusion
Disappointment good and bad
In my life
I am only listening
Time and again
And putting questions
How I got success here
In the ultimate analysis.

Gajanan Mishra
Why Am I Writing Poems?

Why am I writing poems  
If I am not able to answer  
It is all shame and shame.  
It is sure I have my own name  
And my own fame with my own poem  
But I have to give you a new theme.

If I failed to deliver you the love  
And the truth in this life  
I realized it is of no use here at this sight.  
Let me realized again night is for sleep  
And day is for work and year is there  
To sow the seeds of love and truth.

I find something that is in you  
Through my poems and that is rising of a lion.

Gajanan Mishra
Why And How

Why and how you
Think you are
Separate from me but
I think you are
Not separate from me.

See, here everything
Has a relationship
With us and if you
Think separate let me
Say you are incomplete.

Remember, when we meet together
It is the complete whole
It is the Truth that is Supreme and remember
We are ours own right title property.

Gajanan Mishra
Why Are You Coming Here?

Why are you coming here?
Are you a poet? a novelist?
A journalist? or a robber?
Do you not think my dear
Poets are less than robbers.
Poets have excess love with them,
No one on this earth can able to
Understand the poet here or there.
O here they are on that river banks,
On the top of the Himalayas,
But they know not where they are,
In fact, the poets are there
With their own empty pots
And they are there to send messages
To the world, be cautious
You are all in danger, as
The sky is going to fall.

Gajanan Mishra
Why Are You Going After The Word Sin

Why are you going after the word sin
I do not know what is sin where it is
And you are speaking to me to avoid it
I know nothing is sin and sin is a
Word only in dictionary that is not
Clarified properly till date.

Gajanan Mishra
Why Are You Going To Give Me Reward

Why are you going to give me reward,
I have not done any good to anyone.
Being merged in the deadlock of the words
I have missed myself in the dark.

No rein to the mouth
You might call me a thief.
I am also busy in the worldly affairs.

Though I know I am
Not able to say the address
Of the truth.
I am unable to understand
What is love.

I see, I hear, I feel
And yet I am not able to
Acquire knowledge.
I do admit I am going after
All self-interest.

If you so like do one thing
You may cut me, burn me
You may destroy me
And keep me in the grave.

Gajanan Mishra
Why Are You Going To Love

If you want to love
It's okay
I have no objection
But tell me one thing
My dear
Why are you going to love
Is love so cheap
That any one can use it
At any place
With anybody
And one
Can't deny it
Nothing is there
To deny in love
I know
But I am not able to know
Who are they
And how are they
And what for they love
Each other here.

Gajanan Mishra
Why Are You Killing Yourself?

Why are you killing yourself
Oh men? You are here
Not to die, remember.

You are freelance
That I know,
You can go, you can come,
But it is not your business
To discuss about your own stay.

You go and try to live,
Oh men, you are wise
And you are brilliant.

Ride on the zebra
And overcome the night
That is there with you.
Look inside
Go deep in to your own
Website and stay with strong fight.

Gajanan Mishra
Why Are You Singing

Why are you singing,
O rising sun, O rising sun.
Rising sun, rising sun,
What is the meaning of your song.

We the children are your fan,
We are rising like a good man.
Rising sun, rising sun,
Tell us again our life's song.

Gajanan Mishra
Why Are You So Very Special, Men

Why are you so very special, men,
I know my question is an old one,
Older than your own history, older
Than tradition, customs, legends.
I know so many poets have written
In so many ways just to explain
But not a single word has bear truth,
Nothing is false, let us must remember.
Men, your life is a testimony of
Composite culture that I know from
The day to day activities here and
You are ever active in this body of light.
You are not alluded that I know men
And you are going on your own ways as
A free and liberated soul, you are
The best and you reflect your own self.
You are ever-luminous, men, I know
You have cosmic vision, music of life
And all Truth. Men, you are not dying
That I know but you are living a life
in other ways.

Gajanan Mishra
Why Blue?

Why blue?
What for these
Authoritative description?

I am watching
A lotus flower here
And it is not mere imagination.

Color is not mine
Nothing is void and it is white
It is concentration and meditation.

Gajanan Mishra
Why Bother

Why bother
Talking about You?
Let me talk something else
If You pass Your time without me
Then I should similarly pass mine.

Gajanan Mishra
Why Delay

If doing is mandatory
Then why delay
Do it now and today.

If death is sure
Then try not to die
And do all good to others.

Gajanan Mishra
Why Democracy

Why democracy is
So famous I know not
But I know too much
Cooks spoil the broth.
It is like munching
The whole sea
For nothing.

My words are final
I am not saying before
So many present here
But I say have faith
In all good of all
And take not the fruits
Yourself, my dear.

Gajanan Mishra
Why Do I Call You

Why do I call you,
My dear, you are to know.
Notice me I am here
With you always to take shelter.

Gajanan Mishra
Why Do I Write

Why do I write?
Actually I am not
Writing anything
At any time
I am adoring You
My dear, by words
These words are
Also Yours
Feeling is Yours
The words themselves
Are there and
I am nobody
Here in this writing
I am just remembering
You, my dear
You are noble
I am just available
When it is horrible
Your words are
Helping me to reach You
At this time in the shape
Framed by You.

Gajanan Mishra
Why Fish?

Why fish?
Come on dost*,
Front to front
We are ready to fight.

But to save life,
Water is necessary.
And the fish
Is the system.

We are to create
More and more
For us.
We are to destroy
All on our path
Going against us.

* close friend

Gajanan Mishra
Why Forgive

Why forgive?
And what to forget?
Nothing is clear.
Yet we say always
Forgive and forget.

Time is changing
And we are put to test.
True, we are not hermit,
True, we are not Almighty.

But for night and days
We are inviting the moon
And the sun and they both
Giving us the results of
Our actions and reactions.

That we really love,
We are trying to help
And cooperate and coordinate
The works at disposal.

Life celebrations are
In the offering.
I know today is
The best day for all.

No ill alignment.
And we are in a mood
To sort things successfully
For others as well.

Gajanan Mishra
Why Hate A Person

Why hate a person
Without reason, sir,
You said Hasmukh Amathalal
The super poet, and I am
Unable to sit here in quiet.
Reading your pious word
I find no wizard
And I started loving all
But not able to do
According to your call.
Excuse me sir, I am incapable
to love all here and there
with no reason and the reasons
What I say I know my ignorance.

Gajanan Mishra
Why Have You Destroyed

Why have you destroyed
All the flowers?
Were the flowers your enemies?

Gajanan Mishra
Why I Am Doing This

Why I am doing this
That I know
And I am sure.
Yes I can say
I am here
And I am pure.
And with my words
You can be cured.

Gajanan Mishra

Gajanan Mishra
I pray for the following in the prosaic manners below;

1) The Oriya movement was first started in the year 1895 when the then British Govt had imposed Hindi in place of Oriya in the lower courts at Sambalpur. The advocates of Sambalpur revolt against such decision. As a result of which the then Viceroy was pleased and ordered that the language of the courts was Oriya. 1902 Utkal Sammi Lani was formed with a view to use Odia language everywhere and to create a new state bifurcating the then Madhya Pradesh, Bihar and Madras presidency on the basis of this Odia language for the interest of Odia people. And the present state of Odisha came into being on 1st April 1936 only on the basis of this Odia language, first of its kind in entire Asia.

2) India got independence in the year 1947 from British or say English rule. The Constitution of India came into force on 26th January 1950. The preamble starts with 'we, the people of India' and further it says that the people are the ultimate authority and the constitution emerges from them. The preamble contains the declaration that to secure to all citizens justice, social, economic and political, liberty of thoughts, expression, belief, faith, and worship- equality of status and of opportunity. The Constitution of India in its 8th Schedule has not provided English as a language of Indian Union. English is there to be used for a temporary period and as a link language. In part XVII from Article 343 to 351 provides provisions for use of the Hindi and other languages of India. Sir, we have a democratic form of Govt which means of the people, by the people and for the people. The sovereign people of India elected their representative or the legislative body to form laws for them. The people in general, are at the center of all. And hence transparency must be maintained, it is possible only when the language of the people would be used everywhere.

3) Subject to the provisions of the Articles 346 and 347 of the Constitution of India, the legislature of Orissa state by law adopted the Oriya language to be used for all or any of the official purposes of this state Vide Orissa Act XIV of 1954(The Orissa Official Language Act,1954)

4) The Civil Procedure code section 137,138 read with OrderXVIII Rules 5,6,9 has provided the use of state language. So also The Criminal Procedure Code Section 272 has provided the provision for the use of state language in subordinate courts.
5) General Rules and Circulars Orders of the High Court of Judicature, Orissa (Civil) Section 9, and (Criminal) Section 7 provided the use of Oriya in Subordinate Courts of Orissa. Section 42 provided the use of English language in the process to Outside state or to Europeans and Anglo-Indians.

6) The state of Orissa is a state of villages and people of this state, in general, are ignorant, rustic and poor, who are suffering under some legal wrong and injury, since they are in poverty, they are socially and economically disadvantaged position, unable to approach the court for relief and hence the above petitioner, come forward to file this writ application. The petitioner has already written to the Hon'ble Chief Minister, Law Minister of Orissa to use the Oriya language always but they have given a deaf ear.

7) The Govt of Orissa is using everywhere, from Govt primary Oriya medium schools, Block/tehsils to secretariate, foreign English language without any law or basis and this act of the Govt is going against the interest of the people in general. The Govt of Orissa is not acting properly as per Orissa language Act 1954 and law Deptt. Notification no 894 dated 06.06 1972, Notification Political and services Deptt. No 8189 dated 14.4.1967, No 7113 dated 7.4.1968 General Dept notification no 7152 dated 29.3.85 Chief secy letter no 5345dt.21.3.95, No LL-11-28/2000,14594/LE, dated 30.11.2000 General Adm no 17558dt.27.7.2-12

8) This Hon'ble High Court has already given direction to pass or supply judgment in Odia language vide W.P.(C) no 5958/2007 Tikeram Vs State of Orissa and also already given direction to defendants or other parties to supply Odia copy of the petition and WS vide WP No 13622/2008 and WP No 139 /2012.

9) The use of foreign English language everywhere and always is illegal, undemocratic, unconstitutional, erroneous and contrary to law, suffers from legal mala fide and hence very needs interference of the Hon'ble court

10) That the petitioner has no other equal, efficacious and alternative remedy than to invoke the extraordinary jurisdiction of the Hon'ble Court under Art 226 & 227 of the Constitution of India and seek relief in the interest of the general public. The petitioner or the Odia Okila Samiti was formed in the year 2008 with a view to use Odia language everywhere within the state of Odisha and take part in the education and legal awareness among the people of Odisha. It is also registered under Societies Regd Act XXI of 1860 vide Regd. No 6294-34 of 2008-2009.
11) The petitioner had requested the Hon'ble Chief Minister of Odisha Navin Patnaik time and again to use language in speeches and in letters always, as this Oriya language is the soul of Odisha and the very basis of forming this state. Last, letter was given the hand to hand on 27.10.2008 at his residence Navin Niwas Bhubaneswar. But it bears no fruits.

12) Since 2013 Oriya language has already been recognized as a classical status of India with a rich heritage and tradition. It is the lingua franca of Odisha. But the Govt of Odisha is careless to use this language and by using the foreign language, the govt has kept the people of Odisha in dark on the day to day functioning of this reason, the petitioner has given notice on 22.2.2015 to the Chief Secy to use Oriya, the state official language everywhere failing which the petitioner would go for hunger strike from 1st April 2015. Accordingly, the one-day hunger strike is observed there in front of Raj Bhawan Bhubaneswar. When the Govt of Odisha has given a deaf ear to the legitimate demands of the petitioner, Again fast unto death from 1.7.2015 notice was served on the Govt on 12.4.2015. The fast- unto-death was started at Lower PMG Bhubaneswar from 1st July 2015 with the mass supports till 8th July 2015. On 8.7.2015 the Hon'ble Law Minister Mr. Arun Kumar Sahu came to the spot of the fast and admitted the mistakes of Govt of Odisha and assured at the spot to use Odia always from 1st August 2015 and so requested to withdraw the strike as Govt has realized the mistakes and as the world famous Ratha-yatra was approaching. For the smooth management of rath yatra and believing in the version of the Hon'ble Law Minister The fast unto death was called off. On 1.8.2015 a meeting was held by the Minister with some secretaries and subsequent meetings were also held 22.11.2015,12.1 2016. Everything was on pen and papers only. A man is yet to get

13) LLB course in Oriya is necessary here for the smooth functioning of subordinate courts through Odia language and that would make judiciary transparent. It is necessary to gain trust or faith of the people.

Think for a while, this is our sovereignty here, we are enjoying.

I pray for my mother, language and land and people at large-

Gajanan Mishra
Why In This Higgling Way

Give not anything
If it is yours
And you do not want
To give to anybody
But give not anything
In this higgling ways,
And who are you to give
Asked yourself at this time
And who are you
How you got what
You should know first and
You should clarified
Before all openly
The relation of thing with you.

Gajanan Mishra
Why Not Easy

Why not easy,
Not easy to practice why?
It is because
Some weak points are there
Within us.
And we want not
To drive them out
From us.

We know very well,
That we are going to die,
And after our death,
No one would come to us
And call by our name.
No one would call us friend,
No one would touch us,
And he or she touches
Then he would take bath.

It is true,
Nothing is ours,
We cannot take anything,
After death comes to us.
Still, we are running after
Wealth, women and buildings.
We know everything,
We teach and preach everything,
And yet we are not able to
Practice in our own life.

Why? it is our attachment,
It is illusion,
It is our forgetfulness,
It is our ignorance.
We must light the lamp
That is within us.
We must come to the point
And declare ourselves
We are what we are with nature.
Gajanan Mishra
Why Should I

Why should I oppose you?
And who am I to oppose?
Each one is defeated
By his own faults, I know.

Each one is perfect
And unconquerable.
But by knowledge and
Devotional service,
My dear, one can
Get the truth at hand.

The truth can glorify you,
And we are all here
To recognize the truth,
We are all unique, only for the truth.

Gajanan Mishra
Why Should I Beg?

I know begging
Is not good
I must give
Giving makes me
Better and better.
Am I sure? if yes,
Why am I not
Giving anything so easily?
Something is binding me
And I am tolerating.
Whether it is love
Or attachment that is separate
Truth is I am not willing to give
And suffering is here
Not going away from me.

Gajanan Mishra
Why Should I Call You

Why should I call You
When I know You are
Within me and directing me
To do this that,
Directing me to tell
This that.

I know You are doing all
I am only a dry straw,
Being a man of straw
How can I call You
You are as big as the sky
That is not within my imagination.

Let me say from my side, I know not what is loss
What is profit and what is sorrow, what is happy.

Gajanan Mishra
Why Should I Die

Why should I die
I do not know
Where is my death
When I am dying everyday
With You, my dear
You are my dear death
I am faithful to You
But I do not wish
To die with You
To die with You is not devotion
That I know
But I do not know
Why should I lay down my life
And unnecessarily abandon all.

Gajanan Mishra
Why Should I Do

Why should I do
You need not explain
That I know.
And I know
Who you are
And what for
You are here with me.
You are here with me
That I need to know
And you are not
Explaining what I
Want to know
And you are leaving me
In the middle of the sea.

Gajanan Mishra
Why Should I Do Any Other Work

Why should I do any other work,
So long as I can write and read poetry.
Poetry is everything,
Everything is there in poetry.
I realize poetry, I live poetry,
Without poetry nothing is here.
Poetry, poetry, poetry,
Life breath of eternity.

Gajanan Mishra
Why Should I Fear?

I know nothing is mine
I am nothing.

How could I be envious?
I know I am everything and
You live within me.

I need no help from anyone
See I am absolute
What I am writing
It is for all living and non-livings.

Read me if you are able
Observe my activities if you so like
I am narrating all about you and for you
Just to counteract your miseries.

Gajanan Mishra
Why Should I Give You

Why should I give you
My books?
But I must give you
If you are ready to read.

My books are all about life,
But I must ask you
Where is your life
In these colors?

Are you colorful?
Let me answer first.
If you are interested,
Give evidences and prove.

Gajanan Mishra
Why Should I Go There

Since you are here,
Why should I go there?
No needs to go anywhere
That I feel in your presence.
But I can't show anyone
Your place, your size, your colours,
But I am sure
You are with all here.

You are not here
To allow extinction.
You are not here
To give pain
And take away pleasure.
You are not here
To put out the light-
The source of life.

And you are here,
Why should I go anywhere
From here.
I want to stay with you
As I know, I am in truth
And all love me too much.

The pain, love giving me
Is like nectar and
I am going to live for future.
You are the present, you are
The future, and the talk
About the past has also got value here.

Gajanan Mishra
Why Should I Go To Any Other Place Sir?

Why should I go to any other place, sir?
I am fine here and I am able to write and
Express myself freely without any fear
What I think here for the betterment of all
And for a bright future.
I see nothing bad, nothing wrong,
I see all are equally strong,
All are the sons and daughters of nature.

I think it is the duty of all to develop
Valor and zeal and to face the forthcoming
With all goodness in words and feelings within
And also in actions with all readiness outside.
I know the pros and cons of the matter and
I am sure all benedictions are with me here.

Gajanan Mishra
Why Should I Go With The Snake Charmer

Why should I go with the snake charmer,
What were there I have already said,
And I have already started fighting mad.

Gajanan Mishra
Why Should I Pray

Why should I pray?
I am going on
And going on
It is You to see
And do the needful.

I know not what is
Good and what is bad for me.
It is You to know like the father
or mother or teacher of a child
What is his properties and how he get pleasures.

Why should I pray?
I know not how to pray, when to pray
And You are here with me always
And knows better what to do and when to do.

Gajanan Mishra
Why Should I Remember The Dead?

Why should I
Remember the dead?
Why should I write
The words that are
Of no use?
Why should I go
There when I know
There is no truth.
Still I am with you,
And I love you,
I know you are
The only person
Who can only
Comes to my rescue.

Gajanan Mishra
Why Should I Sing

I must sing
I know singing is life
Life is a song.

Go on singing
My dear I said myself
And you hear
You gave me this song.

Gajanan Mishra
Why Should I Stay Aloof

Why should I stay aloof
When I know I have nothing
And I am in no way with anything.
I am also a witness like You
My dear, here, see me
And accord permission to express.
By expressing myself I might
Get freedom to some extent.
It is my innate consciousness
That I know You here as absolute truth.

Gajanan Mishra
Why Should I Think?

Why should I think?
Thinking is not my business,

Then what is my business?
To answer all is out of my control.

Who am I how can I tell you,
I am merely a part of the process
That is coming to an end,
Here and there with no reason.

I am not here to create anything,
To create also, not my objectives.
Time and again I guide myself
To stay cool and it is not possible,
I know, though, in moving world,
That is there beyond life.

Who is watching and
Who is scolding, ask me not,
I am not supposed to answer.
But tell me who am I
At this juncture for others.

Gajanan Mishra
Why Should One Read Poems

Why should one read poems
If it involves neither
One's welfare nor of the world.
Why should one read poems
If it is conducive neither
To the service of the family
Not to self-realization,
The Ultimate Truth.
Poems are also illusion
That attached to thoughts,
To read poems is just to
Waste time and cause harm to
Oneself and it is a downfall
If one knows not ABC of life.

Gajanan Mishra
Why Should You Read Me?

Why should you read me?
Nothing new in me,
But I am the substance
And the cause of everything.

And who you are?
You are the material of
My writings
That is in me.

I am the living entity,
So also you are.
I am the cause
You are the origin.

Gajanan Mishra
Why Sung

Unseen is sung
In this grey dark
Nothing to repair.
Seeing the fancy dress
All returned to spring
That is ever there.

Raps the clay and fly
In the sky where all dwell
O pilgrim, come on
With all comfort
And say Your honor
Here ends the chapter.

Gajanan Mishra
Why Testing

Why are You testing me
Why are You testing my language
I do not know
I know You are here
To give me not a single certificate
I know Your test
Made me love and
Because of Your testing
I love You much.

Gajanan Mishra
Why These

Why these lying,
these deceit,
these injustice?
I heard you are
going on fasting.
You abstained from
food and drink!
But I think
the above three
are more dangerous
than food and drink.
Your desire, your hungers
are not less dangerous
my dear, remember.

Gajanan Mishra
Why This

Why this
Why not that
I pondered.

I pondered and
Pondered and
Find nothing
Like that
I desired.

Some one said
The earth is
Not revolving
As per our sweet will.
And I have nothing
To disagree.

Gajanan Mishra
Why This Frustration, My Dear

Why this frustration, my dear
See, I am with you always in you
See me inside your house
See me also outside.
Why this frustration
When you have given me everything
Everything is coming under my purview
Everything is my look out.
You just see, you just watch
What is going on here there
As a witness and be quiet
Whatever is there I am here to do.
You just enjoy yourself at present
Think yourself fortunate
Love all as a machine man
And keep your body-engine move on.
Remember, I am that engine
You are here to see only
You are only to know me within
Every morning every evening.

Gajanan Mishra
Why To Beg?

Why to beg?
Begging is
Not good.
Give, if you can,
But what is there
To give?
What is yours?
And who you are?
Mere naming
Anyone or anything
Is not sufficient.
Try to understand,
Answer of all questions
Is there within.

Gajanan Mishra
Why To Bid Good-Night

Why to bid good-night, my dear,
And where to go and what to do ?

When we are going with nature
When we are going with love
When we are all in Truth.

Gajanan Mishra
Why To Call

Why should I call success
When I know that
Success is nothing but illusion
And failure is nothing
But the other side of
Success though not equal.

I restrained myself
And called a lion
That is within me,
I resort to dispassion
And I dwell in solitude
For joy and happiness.

It is an accident
That truth is redundant.

Gajanan Mishra
Why To Censor

The world is one.
One can go anywhere
as per sweetwill.
Why to censor?

It is the right of
everybody to express
views and news.
Why to censor?

One can eat drink
walk sleep as per
his conveniences
Why to censor?

Gajanan Mishra
Why To Utter Words?

Why to utter words
If no one is there to listen?
Why not to utter,
When the listers are waiting?

Blessed are those
Who can utter something.
More blessed are those,
With all, who are not uttering.

Gajanan Mishra
Why To Win Respect

What to expect?
Dirty dust under my feet.
Am I a cheat?

I am holding your hands
I am touching your forehead
I am in front of your eyes
I am a flower in the garland You wear.

Tell me, tell me, who am I
And You are in equanimity
With new clothes every moment
Taking me upwards with and without my consent.

All these are here not for the sake of show
I realized and you called me loudly
I want to sacrifice myself for You
And You are declaring my victory at the end.

What to do with that victory
That I do not know and I am sure
I know not the beginning and the end
And in the middle I am in my life threefold.

Gajanan Mishra
Why To Worried

Why to worried
That I failed
To understand.

Strike at the root
And think not
You are living.

Nothing is necessary
When future is
Not there, here.

Worry remains
Only with the fools
And ignorant.

Feeling of life-breath
Is also an error.

Gajanan Mishra
Why We Are Here?

Why we are here?
We are here
To spread and
Protect ourselves.
To open knowledge
And to work for
The all out development
Of all.
We are here
For better future
For better career.
We are here
For our mother
For our successor.

Gajanan Mishra
Why You Are Not Agree

When you are here
On my land,
When you are getting everything
Out of my money, my vote,
Why you are not agree
To use my language.
It shows your disloyalty
Towards this land,
It shows your perfidy,
And let me say
You are most treacherous.
I am perfectly clear,
You are not fit to be my leader
And an able administrator.

Gajanan Mishra
Why You Want To Help Me

I do not know at all
If you are my near and dear
Let me continue my struggle.

My pain and my pleasures are mine
All these are not thick and thin
In my own life I have my own suffering
You are nothing to do with morning and evening.

Here is my life, see
It is taking You to the height
And I am weightless in this light
Putting my life here I know nothing is tight.

Come on my dear, if you please
Let me say a few words that are glee and have glaze.

Gajanan Mishra
Why? Why You Want To See Me?

Why? why you want to see me?
Why? why you want to hear me?
See the sun, the the moon,
See the sky, see the ocean,
See the tree, see its flowers
And fruits, see the grass and
The sand, the stone, the earth.
Hear the sound of chirping birds,
The sound of running train and air,
The sound of clouds above.
See and hear and know your own
Position and decide yourself what to
Do and when to do. Search here what is
The truth and where is the truth.

Gajanan Mishra
Wicked

I hanker
I suffer.
Disgrace
Name of
My wife.
I am
Wicked.
Bliss
Even not
In a dream.

Gajanan Mishra
Wicked Actions

I am not opposed to you, my dear
I am opposed to your wicked actions
I am opposed to your those actions
That are injurious to the world
And also injurious to you.

Gajanan Mishra
Wicked Traits

Wicked traits increase
And it would harm others.
Maintain life-breath
And enjoy pleasures.
Real and unreal
That naturally appear.

Gajanan Mishra
Wider

Yes, I do admit
You are larger
You are wider
You can do anything
You are the controller
Of all here.
I can do one thing
At a time but you
Can do so many things
And all things at the same time.
You are subtler
You are stronger
You are the illuminating
Greater father-nature.

Gajanan Mishra
Wife

Law of Justice declare
You can not torture
You can not force
To copulate
To cook
To conceive
To betterhalf of life
Your wife
You can not
Divorce
You can not
Leave
She is your wife.

Gajanan Mishra
Wife - Faithful

King-pious
Water - pure
Is a must
For a peaceful
And successful life.

Without talent
No beauty
Without practical use
Knowledge useless
Without readers
Poems - total waste.

Gajanan Mishra
Wife And Husband

Wife and husband
Are pious both
There is no
Sexual immorality
In them.

Let each man
Have his own wife
Let each woman
Have her own husband
Let the husband
Render to his wife
Affection due to her
Let the wife
Love her husband
The body of the husband
Belongs to his wife
And the body of the wife
Belongs to her husband
They do not deprive
One another except with
Consent and they should
Maintain self-control.

Self control is the best
For the good of the society.

Gajanan Mishra
Wife- Better Half Of Life

Wife is the better half of life
Give wife love affection as soul-mate
Wife is not glorified maid as said
Wife do not want money salary honorarium
Do not make hulla gulla and do not beat drum.

Mian bibi relationship should not be commercialized
Third party intervention in family relation vandalized.

Wife is not a domestic labourer
Wife is backbone of the family
The maile stone of the family
Wife is the torchlight of the family
Wife is the colorful star
Do no put any question to her.

Wife is there to give everything
Wife is not to take anything in return
Wife is the goddess.

Only mad man can say wife is a domestic servant
Make wife a wife life-partner better half
And enjoy life freely.

Gajanan Mishra
Wife Is

Wife is a necessary evil
handle her with care.

If you unable to handle
she handles you
and in that case
either you go to the sea
or to the sky.
Without wife
you would reach
nowhere.

There you are
with your wife.
Good fortune showers
on you both.

Go and catch
Sun in one hand
moon in another.
Go and pluck the star
with care.

Gajanan Mishra
Wife Is Going Against

Wife is going against husband
Man is going against man
It is difficult to say
Who is a saint.

Who is a real saint?
Tell me and I will go to him
I will ask him whether he has
Seen the Truth within falsehood.

Let me know who is living here
O my dear let me know who is living
Under pure natural law with the feeling
Of oneness and keeping whole within.

I know everything has been supplied to you
Within the womb of your mother
But you are not free from material contamination
And you are not now in spotless religion.

Abandon all varieties of religion, my dear
And see yourself with nature and surrender
It is you who can go back home forgetting relation and can find
The Truth within yourself and all that is the causeless knowledge.

Gajanan Mishra
Wife Is The Beauty

Wife is the beauty
Of the family life
Talk of children are
Bumblebees
I am enjoying my life
In this world
Like the deer in the forest
Eating grass in a
Nice flower garden
Unaware of the dangers
All around
One side there is tiger
Which is accustomed to
Living at the cost of another's flesh
On the other side there is the hunter
Who is threatening to pierce with sharp arrows
O my dear, let me understand
My constitutional position
And take to Your service.

Gajanan Mishra
Wife Means Cheers

Wife decorated nicely
To make the husband cheerful.
Wife means one who
Expands the field of
Material enjoyment.
A wife attracts a husband
Just like earth attracts the sky
To fulfill all desires.
A wife does not have much knowledge
About self-realization and
Hankered after material objects of affection.
O husband, O man, don't be a play doll in the hands
Of Your wife and make her enlightened and
Advanced in spiritual realization.

Gajanan Mishra
Wife Of Others

Wife of others
Is like your mother.
If you treat her otherwise,
Sin, you are committing
And that is not pardonable.

Your body is not yours for ever,
Your body is going to its ends,
Be cautious and see, you are not
Going with your body every time
This is the crux of living here.

Gajanan Mishra
Wife- Over Phone

Wife-overphone
Really boring and
Also interesting.
Wife- hello,
Where are you now
right at this time?
- Oh, I am here,
Meeting is still on.
Wife- I am really
missing you.
But go on enjoying,
Don't mind me, I am fine.
-Hello, hello.
One sided, chhee..

Gajanan Mishra
Wife- Trouble Shooter

Why are you telling me always
Your wife is a trouble-shooter
How far you know your wife
And who is your wife
What do you mean by the term wife
You are not answering single question
And going away from me
Wife is on her own way
And you are on your own
And I am here writing your matter
See everything useless
On the next moment after
The arrival of death
Come and enjoy everything
O my dear before the arrival of death.

Gajanan Mishra
Wife Without Husband

Day without the sun
River without the water
Bird without the sky
And freedom beyond loos
O my dear, my life without You
Really is very miserable
And difficult to lead.

Gajanan Mishra
Wife's Anger

Wife's anger is more powerful
Than the blows of a spear
Thunderbolt or sword.

Gajanan Mishra
Wild

What is wild
I do not know
Wild is just a word
Like any other.

Begging your pardon
I confessed fish flesh
I do admit the violent
Agreement with you.

And You returned
What is mine
With interest
That you discovered.

Gajanan Mishra
Wild Flowers

Wild flowers,
Search them there.
They are there
In words in stars.

We all live
In our thoughts,
We all live
On our earth.

Earth, we love,
Mother, we love.
Earth and mother
One and the same.

The language of the mother
Is the nectar,
The air of the earth
Is the nectar.

We live here
For the nectar.
Life is to
Proceed further.

We care, not
Who care us.
But we care
Who dares to
Tell us the truth
And who declares
I love you.

Gajanan Mishra
Wild Forest Fire - Desire

Wild forest fire - desire,
Can make you ashes dear,
Please go not there.

Gajanan Mishra
Wild West

Too many people
Representative flipped
Bloodbath wild west.
Doing after
Hard drinking.

I do not know
How to vote
Whom to vote
Why voting for
When not in favour.

In dark they
Left the voter
Called themselves
Builders.

Gajanan Mishra
Wildcat

Wildcat,
And what is that?
Heat,
Feel always.

Only waves,
And I am taking it.
For what
I know not, though.

Uttering some words
I want to express myself.
I found nothing
In guidelines, see.

Gajanan Mishra
Will

I have a will
I have the freedom of will
And by this will
I'm reaching you
I have realized
You are only
And you are
Only with me.

Gajanan Mishra
Will You Believe

Will you believe
If I say
I am Gajanan?
If you believe it
Then I consider you
A fool.
But be sure
I am not making you
The fool.
But it is
Your foolery.
Why I am telling
I am Gajanan,
If possible, review.

Gajanan Mishra
Will You Buy Me?

Will you buy me?

I am ready to sell myself
Just give me love that will not cost you
Just give me love and take me away from here.

Mind it, Giving love
Is everything, you possessed.

Gajanan Mishra
Will You Please

Will you please
See yourself
In the mirror
That is within you?

Take not the pause
And breath, breath yourself
For your own growth
Within you.

Here, discover
The knowledge in your
Own experiences and
Mistakes.

Make no difference
With other creatures,
You are no one else
But my dearest dear.

Gajanan Mishra
Willing To Go

I am willing to go
With anybody, at any time,
I am willing to go only
For the welfare of all.

No acrimony and nothing
No matter what happened
I am here only for love
And for Truth and for You
O my dear, I am here.

For me, no one is untouchable,
For me, no one is comparable,
Let me keep excellent personal
Rapport with You, You are in all, I know.

Gajanan Mishra
Win Glory

To win glory
And fame,
You have to
Arise and awake
And move forward.
But remember
Everything is
Destined and hence,
Entangle not yourself
In profit and loss
In fame and defame.
You are there
Let me declare
In your actions.

Gajanan Mishra
Win Life Flaws

I am
What I have
Declared myself
To be.

I am
Here mingling
With You
With love
By law of nature.

O my dear,
With you
I want to
Win life-flaws.

Gajanan Mishra
Win The Self

If you want to win,
Win the self. Win the self
And possess all.

Gajanan Mishra
Win, Win

Win, win
Ask not any question
Just go on answering.

Go on answering
And you are allowed
To put question.

Gajanan Mishra
Wind Agitates

Wind agitates boat
Words other than Yours
Agitates the mind.

Gajanan Mishra
Wind And Wave

Wind and wave
All are here
With me
And they are
Interested to
Take me
With them
To the place
They are in still.
I am also
Mad to go
With wind and wave
For the reason
I belong to them.

Gajanan Mishra
Wind And Women

I love women
But not the wind.

The woman is inhabited
By the wind,
Said poet Octavio Paz.
No, I said, straight.

Other poets laughed.
Am I a laughingstock?
I am not rogue,
Let me clear.

They all launch words
Towards me and I am
There to welcome all.

I am law-abiding, of course.

Gajanan Mishra
Wind carries away
Scents from
Perfume box.

Creatures take
Senses and mind
And intellect.

Neither the wind
Nor the creature
Has any affinity.

Gajanan Mishra
Wind Is

Wind is uncontrollable
So also I.
Wind is destructible
So also I.

Am I wind?
But I am here
With you
Like the wind.

Are you capable
To control the wind?
If yes,
I am yours.

Gajanan Mishra
Wind* is still there,
Let me face it.
My wife is still
Waiting me there
With her two sons.

But no more
I am interested
To stay with them.
I want to go to Mana
The so called heaven
Of India near Badrinath.

I am taking care
Of my two sons,
I pray the wife stay calm.

Wind- time
Wife-ego
Sons - selfishness or greed

Gajanan Mishra
Wind Make Fullstop

Wind make a full stop
And with ghost we moved
We are alone here
And the paradise is at our door
Wind make a full stop
And we move to open the door.

Gajanan Mishra
Wind Your Watch

Wind your watch,
Wind your watch,
It is time to wind,
And for you
The watch is waiting.
You, yourself is
The part and parcel of
The watch and
Also that of the wind.
You know every details
And know the saying
Pride goes before a fall,
And you are to make
Everyone alert.

Gajanan Mishra
Wind, The Purifier

Wind, the purifier
Is within me
And doing work
See I am pure.

Gajanan Mishra
Windless

It is windless
This place
And the lamp
Is steady
But
My dear, see
In this stormy-life
My love
My devotion
Is steady.

Gajanan Mishra
Window-Dressing

Building a mountain,  
Creating an ocean,  
Missing the truth,  
Living in this sun,  
Breaking the path,  
Reconstructing the time  
Are nothing  
But window-dressing.  
And no one can advise  
To proceed with.  
No one can diagnose  
Your disease.  
And no one can brace  
For heat.

Gajanan Mishra
Winds With Speed

Winds with speed
200 km per hours blew
Hundreds of trees
Uprooted
Thatched houses
Collapsed
This is Phailin
My dear
Keep life clear
Cyclonic storm
Passed on its own way
Without doing any harm.

Gajanan Mishra
Wine Is Just A Word

Wine is just a word,
Worry not, neither I
Was using it last year
Not I am going to use
It in the new year.
I love not wine,
Take it granted and
I am not its follower.
I hate not wine also,
Worry not, but I am
Hear to tell you
To use it with cautious.
Self-control is first and the best,
I will not here to say what is next.

Gajanan Mishra
Wings Have Grown

Wings have grown
And the bird flies away
From the nest.

Because of self realization
I am able to fixed my mind
And You have liberated me.

Gajanan Mishra
Wings Of Victory

I am flying
With my wings
Of victory.
See me, I am
Going beyond
History.
See my life
In eternity.

Gajanan Mishra
Winner

You are the winner
Against the sea
As you bend down your knees.

Gajanan Mishra
Winner - You Are

Stop not anywhere
But go forward
Far beyond
The material creation.

I know, you are free,
Eternally and you are
Completely satisfied
With your own business.

No condition is miserable,
But at every stage
You are to find the way out
To solve the problems
Then and there with
Your presence of mind.

Singing, hearing and watching
All are equally important,
But they are all unlimited.
To the extend of the mind
And the power of imagination.

Stop not at any stage, dear,
Go on marching and see that
You are the only one here
To declare yourself the winner.

Gajanan Mishra
Winner / Loser

Who is a winner and
Who is a loser,
To answer, I am not here.
I am here to understand
and to take care
The plough and the grass.
I know my brother
and my father
I know they are all winners
And who is a loser
that I know not here.
Both heat and cold
are here in the wind and I
Myself is the conductor.

Gajanan Mishra
Winter And Summer

Winter and summer
Give us trouble
Please tolerate.
Conquer also all relativity
Through tolerance.
Not to be disturbed
By relativity
And duality
When they come and go.
Remember, here
There is no loss
Here there is
No chance of falling down.
Be in devotion with all sincerity.

Gajanan Mishra
Winter Arrived

Winter has arrived
With fire
And fire has arrived
With rain in summer.

Summer is hot, no doubt,
Yet we have to
Welcome it as
We need water.

Water is life
And life is running.

Run with time
Run with life,
My dear men to
Establish your identity.

Gajanan Mishra
Winter Is Coming

Winter is coming
With his arms and
Armies.

Come on, winter,
Come on, I know
You are clever.

This earth is
Made for you,
Come on my dear.

Let me touch you
With my globe
That is here.

To see and hear
You, I am here.

Gajanan Mishra
Winter Is Entering

Winter is entering
in to my bones,
after giving a touch
to my eyes.
Winter is giving the potter
a chance to survive,
after calling the carpenter
to fill up the gap.
Here is see, winter
on my table, on my chair
and also on my bed.
Coming of winter is not new
but a routine process
you can assess.

Gajanan Mishra
Winter Is Late

Winter is late,
Worry not my dear,
Let us see and enjoy
The colorful flowers
Of autumn here.

Water is clear
In our village river,
Paper-dolls are
Smiling, made by
Our Aisha, grand-daughter.

Still we have
Sufficient time
To go further
And study the nature.

Gajanan Mishra
Winter Morning

Winter morning wonderful,
Hot and cold cheerful,
Nothing to worry, life is cool.

See and feel,
Life is chilled,
No one can kill.

Coming and going
Are here but common,
Wonder not, my dear.

Gajanan Mishra
Winter Passed

Winter passed
The days are
Getting hot
And it is rubbish.

It is not rubbish
I am saying it
What I am saying
Is the Truth.

Truth is the beach
Where I am with You
And I speak to You
Lo, this is life.

Life is not banana juice
That You can take
Where you can without
Mixing some salt.

Ocean is full of salt, my dear
Understand the ocean and proceed
If you desire so failing which
Dare not raise your finger.

Gajanan Mishra
Winter Searching

Yes, I am going on
Searching winter.
Winter serching is
A great work now a days.

You can touch,
You can inhale,
You can go in between.

Glory is there,
Tears are there,
But watch and
Say not don't care.

Cooling fire embracing,
See every one in loneliness,
Get up early, keep on again.

Gajanan Mishra
Winter Solstice

See
The sun is returning
To the northern hemisphere
It is called Uttarayan
It is the Holi marks
The end of winter
It is makar sankranti
It is Pongal
It is related to harvesting
It is change of seasons
It is the spirit of togetherness
It is the bond of unity
Congratulations on this occasion
Of Pongal Makar and Lohri festivity.

Gajanan Mishra
Winter Tiger

Winter tiger
Has returned back while coming.
Why it was coming?
Really was there no need?

The more there was fear
At the time of its coming,
The more there was uncertainty
On its returned back.

The tiger only knows the values of life,
The tiger can only describe
The love story of fire and ice.

When the tiger is towards the sea
Hues and cries were there
Inside the house,
And the sky trembled.

The school children
Submitted their lives
To the Talibans.
The ladybug or the snake
kept themselves aloof.

When the air asked who is there
The happiness left the place at once.
Fear was still there but
The tiger already left the place.

Would you tell this tiger ordinary?
Whether there is any truth
About the existence of the tiger
Or not.
The truth is the fear,
The truth is the death.

Gajanan Mishra
Winter, Winter

Winter, winter,
Where are you my dear?
I am here with my pussy cat,
My pussy cat is fat and not near.

Thanks for the clouds and the mist
They are telling the life's gist.
I myself mislay somewhere
And misjudging you with twist.

I am going with my own swift,
Winter, winter,
I am a turner of light,
Give me strength to fight,
Fight against dark
With full might.

Gajanan Mishra
Wipe Out Terrorism

Wipe out terrorism,  
Terrorism- the ultimate  
Scourge of humanity.  
Wipe out terrorist,  
Their actions are  
Horrific and barbaric.

Gajanan Mishra
Wipe Your Mirror

Wipe your own mirror
Clean to see
Your own self.
Keep clean
Your water
And see
The reflection
Of the sun.
No other means
Is available
To see
The real sun
Or to know
Your own soul.

Gajanan Mishra
Wiped Out

Illusion of snake
Wiped out
In a rope
Snake ceases to be
Rope certainly remains.

Illusion of outer world
Wiped out
In love
Outer world ceases to be
Love certainly remains.

Love is real
Love is reality
Envy fault-finding
Contempt  egoism
Are nothing nothing.

Gajanan Mishra
Wipes Off Obloquy

Poet is he
who can wipes off
all obloquy,
who can dispels
the three darkness
of sin,
who can disperses
clouds of ignorance,
who can brings the joy
to the ocean of wisdom,
who can opens
the lotus of dispassion.
Poet is he, who is
the progeny of truth and love.

Gajanan Mishra
Wiping Out

Who is wiping out?
Wiping out for what?
To answer
Don't be angry.
It is better to
First remove misconception,
That you are not with us
And we are not with you.

Gajanan Mishra
Wisdom

I know what I am
I do not know what I am not.

You are here enjoying
You are here dwelling.

I have eyes I have ears
Nothing to sees nothing to hears.

Migrating birds are present now
If you wish try and take a photo.

I assumed myself yours
And you accepted me and I am as all know.

Gajanan Mishra
Wisdom - Life

Wisdom,
Inward thoughts,
Right consideration,
Enlighten us.

Wisdom,
Shining lamp,
Grateful medicines
For all.

Wisdom,
Rich and sincere,
Truth and fruitful,
Makes all stay cool.

Gajanan Mishra
Wisdom And Courage

Wisdom and courage
Both are friends
And both are
With me.

They both
Wisdom and courage
Are waiting for
My order.

I am yet to
Think, what to
Tell and to whom,
I am in doom.

Gajanan Mishra
Wisdom And I

Wisdom and I
Are on the same ladder
We are the only survivor
The ladder is not seen
And we are fine together.

Gajanan Mishra
Wisdom And Unwisdom

In my own heart
Here it is wisdom
And here it is
In my own heart
Also I find unwisdom.

I see prosperity
Of every kind
In wisdom
And I discover
Misfortune in unwisdom.

Gajanan Mishra
Wisdom I Write

Wisdom, I write,
You write; cigarette.
I said, no match,
you said, bogus.

All these are
The influence of time.
No meaning of right
And wrong.

Your cries are
Not the truth,
But my smile
Is love.

Though I am minor,
I salute you, creator.

Gajanan Mishra
Wisdom Is

Wisdom is
in letting go
and moving on.

Gajanan Mishra
Wisdom, Wealth And We

Wisdom, wealth and we,
are forming a triangle of life.
And life is what we eat
and what we read and experienced.

Gajanan Mishra
Wisdom-Discover

Wisdom discovered
Defects of vision though.
I know, O poet you are
Here and you are able to
Dispel all doubts
Born of ignorance.
You are with your
Polite language
And wherever you are
I know that is
The holy place.
Your words are
Ever ready to wash
The impurities of all.

Gajanan Mishra
Wise And Ignorant

No one is fully wise,
No one is fully ignorant,
And hence, sharing of
Experience and knowledge
Is but a necessity to
Live a good life,
In the world of
Din and bustle.

Let me know you,
And your real nature
In terms of goodness,
Passion and ignorance,
And give me a scope to
Share the life here.

Gajanan Mishra
Wise Efforts

No profit no loss
No happy no sad
My mind is short-lived
And all disappear quickly
O lovely come my dear
And let us go with
Together with nature.

Gajanan Mishra
Wish Be Expressed

Wish be expressed,
Life be lived.

Wonder is

Ready to keep
What we have.

Doubt is
We are not
What we think.

We belong not
To us,
Not a fact.

Trouble is when
We are going to measure the sky.

Gajanan Mishra
Wish Not Anything

Wish not anything
Inauspicious for others.

Remember, anyone
Inflicts pain upon others
Suffer himself.

All creatures are one
And the same, though,
Separate as we see.

Gajanan Mishra
Wishes Are

Wishes are not gold
Behold.
Data entry

In the marquee
It is the marvel
Out of queue.

And get it fulfilled.

No one can force me
In any matter
No one can fulfil
My wishlist
I have no wish at all.

Gajanan Mishra
Wish-Yielding Tree

Wish-yielding tree
Under this wish-yielding tree
Let me love You
Let me stay in Truth
And always in peaceful mood.

It is Your good-will here
And You permit me to mend
My errors everyday in every way
You are my noble Lord I am Your poor servant
You are the store house of compassion, I know.

I know, You get pleased with unalloyed love
O my dear, I am the dullest and most impure
Of mind, be kind to me and take my love
Hear my tale of sins, O Lord, and please what is within me.

Gajanan Mishra
Witch-Hunt

We are
No longer safe
And secure.
Do something
If you can
For us.

We are not allowed
To utter words,
Hear our hearts.

Feel the love,
Please, please.

Gajanan Mishra
With A Human Touch

With a human touch,
Tackle all problems.
Let the barking dogs
Go where they like.

Spend time
With loved one,
And stays free.

Use freedom of
Expression
For all good.

With your own
Imaginative best,
Begin your day, and
From ill affairs keep away.

Gajanan Mishra
With A Kiss

With a kiss
The heaven stay
With head bowed down.
And hell went away
From me for ever.

Let me express myself
With a sigh, with shy.

All our senses
Begin functioning.

Gajanan Mishra

In you.

Gajanan Mishra
With Advent Of Time

With advent of time
We appeared to tell
The things good.
With strangers
We move.

Now and always
We think and
We try to keep
The thought process
Fine and beautiful.

Nature, we eat.
Earth, we enjoy.
Passage, we discover.
Fire, we bathe.

Gajanan Mishra
With Aksara

I am there
Always
With aksara*
And it is
Not numerous
But is
Only one.
And I am
Going on
Unworldly path.
I am the world
That I know
Being ksara
Here at present.

* aksara- soul

Gajanan Mishra
With All

Father mother
brother sister
beloved parter
son daughter

and you with all.

Stones trees
wealth health
air light
nothing yours

in full tight.

You are not yours

Gajanan Mishra
With All Anger

With all hunger
We are living together
You are our Father Mother
Brother friend guide and philosopher
You are here with us
Without any horror
This is the nature
And these are the creatures
In air in land in water
All are living without
Any fear and favor
You are the only creator.

Gajanan Mishra
With All Conviction

I belong to You.
I belong to You,
You are mine.
I am performing
All actions only
To please You.
And it is only
For love and for Truth.

Gajanan Mishra
With All Darkness

With all darkness
They are here
And they are here
In close doors.

Long and short,
No matter for them,
But they are here
Without any shame.

The sun and the moon
Are not here
But they are here
With their dreams
And we all are
Dreaming life with them.

Gajanan Mishra
With All Goodness

With all goodness, O my dear
I am staying with You
And doing all noble deeds.

With all goodness, O my dear
Praiseworthy acts are being
Done by me with your grace.

With all goodness, O my dear
Let me speak for truth and for
Realization of absolute Truth.

With all goodness, O my dear
I am performing all real works
Through this real faith.

Gajanan Mishra
With All Humanity

Man is a man
With all humanity.
As a man I must
Stand before all
As self-confident.
I must be free
And I must have
Liberty to make
My life as I wish.
I must love,
I must worship
As I wish.
Of course I have
No right to harm
Others in any manner.
But I must keep
My glory,
My greatness.

Gajanan Mishra
With All Loveliness

With all loveliness
I am here now,
How to unite you
And make you happy
That I know.
Tell me the words
Of your heart, dear,
I am doing business
Of love and truth
And trying to
Make this earth heaven.
Nothing to sorrow,
Come and behold and
Love all more and more.

Gajanan Mishra
With All Newness

Be smart
With all newness
For your own good.

Gajanan Mishra
With All Purity

Tell me all
With all purity.
Tell me, tell me,
You are the earth.
Tell me, tell me,
You are not god.
Rather you are the truth.
Tell me, tell me
How honest and
How truthful you are.
You have kept all
Mercy, forgiveness
And generosity.
Tell me, tell me,
How to face here
The war, the difficulties,
The obstacles and dangers.
Tell me, tell me,
You are to tell me
As you are living with me.
How to acquire fearlessness,
How to go from here
In the light of the stars,
Tell me, tell me,
What to do and how to do
For all and for love and for truth.

Gajanan Mishra
With All Silveriness

With all silveriness
Let me explain life
As not a signatory
In any treaty and
Hence trespass not
In to any tribune
But trill not till
The conclusion arrive.

Gajanan Mishra
With All Truthfulness

Truth, I know not,  
Yet, I'm writing  
With all truthfulness.  
Meaning, I know not,  
Yet, I'm trying to live  
A meaningful life.  
No beginning and no end,  
Yet, each day, I know -  
A new beginning.

Gajanan Mishra
With An Eye

With an eye to the general welfare
I am writing poems here there,
O my dear, please read my poems
in their proper perspectives with
correct understanding and make
your own life successful and pleasing.
Let me say my dear, where there is
no poem, do not live there for a moment
As because poems give life's nectar,
It is like breathing air, it is like water
that washes the bodies, poems are here
that wash your own soul within.
You are invited to read poems, read
And read and stay free beyond and above all.

Gajanan Mishra
With Ashes

With ashes I am fine
And in peace.
My shadow is not with me
And I am fine.
My childhood haunt me
And I am not in fear
You know without shadow
I am here alone
With you only.

Gajanan Mishra
With Body And Mind

With body and mind
I am Your strong follower
I have strong faith on You.

I know You are the store house of
Real knowledge and I understand
the confidential part that is significant.

Gajanan Mishra
With Capacity

No body is here for operation.
No body is here to pass order against or in favour.

 Anything anybody against the law and law of nature.

 Anything you peak is sacred
Anybody you see is loved.

 You are only to hear to see with your capacity that has no limit.

 Gajanan Mishra
With Careful

With carefully chosen words,
Let me write poetry for all.

Let me touch the hearts of others,
With pure love and goodness.

I care not the clouds, snow
Or eclipse as the sun I am here
To give light to all with no discrimination.

I am not a clay pot that
One can destroy me with a hammer.

I am also not a lightning
That can destroy itself as soon as manifested.

I am there in my poetry
And touching the eternity.

Nothing and no one can disrupt me.

Gajanan Mishra
With Changing Time

Let me go
With changing time.

But where to go
That I know not.

Everything is here,
And I am not ready
To leave them all.

I take a timeless pause.

Instantly
I touch the eternity.

All guidelines are
There in my poems.

And here I measure
Space peacefully.

Gajanan Mishra
With Clarification

Let me say
With clarification
Creature is a creature
No higher no lower.
All are taking water
My dear, all are taking air
And they are all in fire
All are on this earth
All are under the sky.
Let me say with clarification
All are going with time limitation
All are in the same boat of
Creation and destruction
And this is cosmic manifestation.

Gajanan Mishra
With Colors

Birds with colors,
That I like, my dear.
Red with good luck,
Orange with excitement
And bliss.
I like yellow
To guard myself.
I know blue link to
Joy and love.
White is related with
My happiness.
Brown - good health,
Black and white means
Trouble is not there.

Gajanan Mishra
With Complete Faith

Let me submit, see me
I am pure and enrich
My intellectual life
And ready to do all that
For general welfare
For the restoration of
Peaceful and blissful world.

Gajanan Mishra
With Creation

Worry not dear,
Nothing to do
With creation.

Words, names,
Form, quality
Everything is
Nothing but
Vibration.

And it is all
In thoughts.

Think and think
About supreme
Dominion over all
Without any designation.

Gajanan Mishra
With Death

I talk to death
Every day, every moment here.
I live with death
Here and there, always.
I know and I am confirmed
Death is my only near and dear.
I love no one else but the death.
Death is always with me
And I talk to the death
At every time whenever I am
Happy and in sorrows.
No way out is there
To go far from the death.
I am my death here in life.

Gajanan Mishra
With Deepest Love

With deepest love
Attached with
Deepest love
And it is
The only source
Of happiness.
Love love love love
And here in love
There is no consciousness
Forgetfulness of self
Is the highest love
And it is the perfection.
It is love and love
For ever, my dear.

Gajanan Mishra
With Disciplined Mind

With disciplined mind
I am getting
Everlasting peace.
And Your supreme bliss
Abides in me.

Gajanan Mishra
With Due Respect

With due respect to everyone
Let me say what I want
I want that I do not want
I am a tiny spark of fire
As You know being the sun.

I want to say something
That You know being within me
You are a man of wisdom and
You recognized me as wise
My humble submission is my words.

I consider myself as nothing
Lower than a blade of grass
But more tolerant than a tree
And I see You in all.

Gajanan Mishra
With Each Bite

With each bite
You relieve me
From hunger.
And I demise,
See from
Exhibition.
No disturbance,
No opinion.
But let me cite
Evidences of
The bird and the sky.
Dedicated and
Destroyed with
Just an embrace.

Gajanan Mishra
With Everything I Rise

With everyone I rise,
I see there
The mountains and
The grass.
With everyone I fall,
I hear the sky
And the fly
In the clay.

The eyes are really
Very very big to see.
And I walk nonstop
To reach nowhere.
Everyone is there
In my presence.

Gajanan Mishra
With Extravagance

Wait not,
No one is waiting.
On the pace of time,
We see life's rhyme.

The fragrance
Is everywhere.
And the theater
We visited
Not for us.

But wait,
Wait to ascertain
The correctness of
Name and fame
With extravagance.

And wait,
Waiting is really sweet,
Wait for the self,
Without any motive.

Gajanan Mishra
With Eyes Of Knowledge

With eyes of knowledge
I see You
I understand You
O my dear
You alone can sue
And be sued.

Gajanan Mishra
With Faith

With faith
I am following the law
And I come here.

With faith
I am here
And you are
Staying with me.

With faith
We both play here
And in this play
There is no winning
And no losing.

Gajanan Mishra
With Faith And Devotion

With faith and devotion
I am in love
And I find
No difficulty in
Executing anything.

With faith and devotion
I am doing all
That are legitimate
No other man is
There to find truth.

Gajanan Mishra
With Faith And Love

With faith and love, dear,
Let us live together.

In the air and in the water,
Life is going shorter and shorter.

With the blessing of father and mother,
Make life brighter and brighter.

No one is your near and dear,
But your truthfulness, my dear.

Gajanan Mishra
With Faith And Regularity

With faith and regularity
I am writings on truth.
I know life is nothing
But an austerity.

Herein mother is the goddess,
Love is ingredients,
Family is the temple,
And all are respectful.

The basis of knowledge is life,
The body is the time,
Service is the best way of worship,
Writing is the spark.

The best is one
Who is satisfied.

Gajanan Mishra
With Faith With Love

With faith with love
Start and go
Going on the road
With faith with love
Is to get success
Is to conquer.

With faith with love
Do not wait for time
Timing is not good
Time is no determining
Factor for anything
Do not wait for time.

Start and go
Going on journey
With faith with love
Is to reach where you
Want to reach
Start and go
With faith with love.

Your destination is here
Where I am
And I am fond of
Faith and love
Go and go with faith
With love
You are my near and dear.

Gajanan Mishra
With Fall And Rise

Both go side by side
Sacrifice and wisdom.
Both go side by side
Life and style.
You and I are two words
That are there since
Time immemorials.
It is our duty to know
Each other for the sake of
Safety and security in future.
Hell and heaven both,
Both are here with us.
And we are here to stay
With fall and rise for ever.

Gajanan Mishra
With Father

I am here with my father
I was not with my father
The time was never.
It is fact I shall be with my father
Hereafter.

Gajanan Mishra
With Fearfulness

I have nothing to
Do with you, O fearfulness.
I know, you are afraid of me.
I fear not even death,
But the very death is there
With fearfulness.
I know, I am no way
Related to death.
I know I am self-made.
I am unlimited and
No one can stop me anywhere.
Unlimited oneness is there
In me and the truth.
I am the eternal truth.

Gajanan Mishra
With Folded Hands

I am not a man
To stand before you,
With folded hands.
I am a man
To question you
About your truthfulness.
I am a man with
Everything there in me.

And it is true,
You are there for me,
I have put you there.
What you are today
That is all for me,
Realise the time.

Gajanan Mishra
With full strength
And with full courage
Go on fighting,
No one can kill you
Or defeat you
And you must reach the truth.
Go on doing your job
With all truthfulness,
In an open heart,
With all maturity of brain
And see no fire can burn you,
No air can throw you out.

Gajanan Mishra
With Goat And Bull

What to do with
Goat, sheep, bull,
Sandal, flute,
Mirror, honey, ghee,
What to do with poison,
Copper pot, conch, idols,
What to do with utensils,
With oceans, sky, fire.
I know nothing, I am
With all, though sir.
I know not what I desire,
I know not the meaning
Of the word star.
And yet, I am here as you are.

Gajanan Mishra
With Good Intention

With good intention
You are doing all
And doing Yourself
With good intention.
No agent, no other person
I see here or there,
I see only You, my dear,
You are acting on You.

Gajanan Mishra
With great attention
I am listening Your words
O my dear in the presence of
Water fire moon stars sun and sky
I know all are here with me
I know all original sources
Above and below and under
O bona fide Master
I bewildered not being proper
Tell me right way O commentator
Life's security holder.

Gajanan Mishra
With Great Concern

With great concern
We are here with
Freedom and wisdom
With great concern
We are here for
The same reason
To achieve truth
That is with us.

We have love and
We have truth
Our life our death
Everything is You
Everything is to learn
Everything is to hear
Everything is to watch
It is we who can see
What is happening
All round.

In this earth
In this love platform
We are here together
Come on, my dear
Without fear
We are ours own
Spiritual masters
And we are waiting here
For the next best.

Gajanan Mishra
With Great Delight

With great delight,
Let me tell you the truth.
The truth is we are here
Together, and no one is
There to separate us.

I love, to no one else
But to you, the truth.
I know, my words are there
To listen to my commands
And they dare not to
Cheat me at any time.

You are the truth,
I am the truth
And all around us
We see the truth.

Gajanan Mishra
With Great Faith

With great faith
Come and live
Abide the truth
Think yourself first
You are at the center of all
Stay within yourself
And love
Love is the highest of all.

Gajanan Mishra
With Great Love

Serve here
With great love.
Reciprocate,
Service and love-
The ideal of life.
Make life perfect
With intimacy, self-control,
And with sweet words of truth.

But remember,
Familiarity breeds contempt.
Go not with
Any kind of misunderstanding.
Desire always
The good.

Gajanan Mishra
With Great Respect

Let me say
You are foolish.
Am I not right
Ask yourself everytime
Here I am to clarify
If you stay with me.
And with so many
Questions I am here
My dear, be free and frank
To crack without fear.
This is your life
And this is your world
I have nothing to say
Lest you misunderstood.
I know you face
Many difficulties but let me
Say again you are foolish
As you know not tilldate
Where is the seed
And knowingly and
unknowingly you are avoiding
For the reasons not known to you
And you are put to loss.

Gajanan Mishra
With Heart And Intellect

Stay with your
Heart and with
Your intellect.
They are there
To purify you.

I know I cannot
Purify you.
It is only you
Who can purify
Yourself.

Neglect not your
Own work my dear
For the sake of others
And do work with self-culture.

Gajanan Mishra
With Helmet With Mace

With helmet with mace
With disc I want to fight
My head my hands my legs
Are glowing during fight
I am ready to measure
Myself in this fight.

Gajanan Mishra
With Honesty

With honesty
I want no reward.

With truth
I want You.

With love
Life is not bluff.

With sacrifice
I am performing duties.

Gajanan Mishra
With Humanity

No provision
For reservation
Here, but
Preference
Would be there
For men
With humanity.

First men,
Than others.
Let men
Enter the room
Of light first.

But remember men,
You are not
Allowed to
Switch off
The light for
Others.

You cannot kill
Or torture others
To serve self-interest.

Gajanan Mishra
With Identity Card

With identity card
I am moving here and there
You are my identity card
Without you no sky no bird.

Gajanan Mishra
With In

Sugarcane fields
Coconut trees
So many pictures
I could not count
The train passed
Evening set in
I found not me
Within.

Gajanan Mishra
With Intellect

Let me go wild
But for good
As I love you.
Let me not
Entangle in
The mire of delusion.
Let me stay
With intellect
To attain salvation.
My dear, read my poem
And know what
Type of man I am.

Gajanan Mishra
With Joy

With joy
See me
I am here.
I am
What I think.
See me
I am rising.
Rising is
My destiny
That has
No setting.
I am just
I am truth
I am time.
See me
Stay with me,
I am joy.
Follow me
I am pure,
I am peace.

Gajanan Mishra
With Just A Call.

Forgiveness -
A sign of strength,
A virtue of the weak,
And ornament of the strong.

Forgive and forget
And enjoy life everywhere
By conquering all
With just a call.

The Supreme peace,
The deepest satisfaction
Are there in forgiveness.

Be polite and
Worship others,
No one is evil, dear.

Gajanan Mishra
With Knowledge

Let me sheathe
With knowledge.
Let the knowledge
Open all gates.
Let the gates
Open the new path.
Let the new path
Take me to you.

Gajanan Mishra
With Language

I am not trying
To tell you
What to do
With your own
Language.
But I must
Caution you
No language
Means no life.
No life means
Nothing left
With you.
But I know you,
The only truth.

Gajanan Mishra
With Love

With love
With devotion
I am Yours
Here in
I accept
Your leaf
Flower
Fruit and
Water
With love.

Gajanan Mishra
With Love And Knowledge

See the sun rising
Find love therein
O poet, You are your best friend
Enlightened the world
With your love and knowledge
And be a sun in the darkness
of ignorance in this world.

Gajanan Mishra
With Love—Everything

With love
Everything is possible
Without love
Nothing is there.

Go with love
My dear
To win the world
Go not without love
To lose all.

Testing of love
Means testing of sun
Testing of air
Testing of water
O my dear O my love
I know you are
As pure as rain water
As clear as morning sky.

Flying with love
Means winning the heaven
And heaven is within love.

Gajanan Mishra
With Lovely Lady - Shakespeare

With lovely lady
I see Shakespeare
Woes in face
And Shakespeare
Spotted snakes
With double tongue.

Gajanan Mishra
With Me

I am not here
To follow your instructions
I have my own rules regulations
I have my own constitution
I know what to amend what to formulate.

You are with me to see to guide
To give suggestion if any
You are with me not to instruct
Not to give command.
I am here to take you with me
And you are to follow me.

Gajanan Mishra
With Me At Any Time

You
My so called
Father and mother
Have nothing to do
With me
At any time.

See me
I am taking
Only different shapes
Through your agency
Neither I have
Any choice
Nor any potency.

And here I am enjoying and suffering.

Gajanan Mishra
With me meaning of love
Is different.
What you call life
I call love.
What you call love
I call sky.
What you call sky
I call earth.
Love earth I say,
Love air, water and
The light here.
Take care your love,
Love will take care you,
This is love, this is truth.

Gajanan Mishra
With Mind

I am with you,
With mind centered on you.

I am in you,
Ever united
Through love.

I consider you
The best and
The only truth.

Gajanan Mishra
With Minimum Violence

If you feel
Violence is but necessary
Then I pray live
With minimum violence.

If you argue
Every living entity
Has to live by killing
Another entity and it is
Law of nature, my dear
I am not here to raise
Any objection as I know
One living entity is
The life for another
Living entity.

It is true
One has to commit violence
It is natural law
I know no one can avoid
Violence as everyone
Is put in to conditional life
But my dear, extravagantly
Violence should not be committed
One should wait and see
And then obey only the order
Of the Almighty.

Gajanan Mishra
With Moon

At night
I am with the moon
At day
I am with the sun
I do not know
What is moon
What is sun.

O my dear
I know only you
To say this is wrong
You know me
To say thia
Yes it is right
All alone
And only for you
I am in dark
I am in light.

Gajanan Mishra
With Mother

I am with
My mother,
I am on
My mother land,
I am talking
In my mother tongue.
See me, I am free,
I am independent,
I am sovereign,
Under the sun,
Under the sky,
I am a bird.

Gajanan Mishra
With Mother- We Are

We are with mother
Rightly you have told
Dear Gouranga.
Who is bigger than the mother?
Has the mother left anyone?
Mother, mother earth and
the mother tongue, leave not,
If you think to leave also
All is there to laugh at you.
No hell but the heaven,
YOour destiny is to
Go up and up dear.
Everything is here,
And no scarcity.
Let us find out
Peace and happiness.
No death but
Life is here.
The mother is
The storehouse of
All creation.
The sandal and the flowers
All are busy always
In this welfare world.

Gajanan Mishra
With Mundane Words

You can not write
My dear poets, poems
With mundane words
Poems are prayers
You must control
Your mind and senses
And spiritually advanced
The entire world is there
Waiting to read your poems
And listen your prayers
Be pure in hearts my dear
Your composing must not be
Only in an imaginary form
The existence of Truth therein
Must be supported by scriptures.

Gajanan Mishra
With My Birth

With my birth
You appeared
My dear mother
And you are
Ever new to me.

And I know
You are never
Dying though
I know it is I
Who is dying
At every moment.

No one is allowed
To play with you
My dear mother,
No one is allowed
To take away
From me your language.
You are unique
And you are here always
For my betterment.

Gajanan Mishra
With My Body

With my body
All goals can be
Acquired by me.
The body is given
By my parents.
And they enabled me
To sustain here.
I do admit I can't
repay my debts to them,
Even if I serve them
For all the time.
I am so disqualified
And I eat my own flesh
While neglecting them.

Gajanan Mishra
With My Dream

With my dream I am going,
You are with me, I am going,
I am going, I am going.
I am going to shake hands with all,
All are here for me, I am going,
I am going, I am going
To give all lights and love.
I am a poet and the only poet here.
I am going to give them their pleasure,
Their glory, I am going to tell
Them their fabulous story.
I am going, I am going,
I am going to take them all
Up above the sky on this earth.

Gajanan Mishra
With My Faith

My faith is here with me
And I am rising with time.
Time is like religion
Guiding me in all denominations.
Denomination of age is asking me
To go far away from crimes.
And I am very careful with my
Own instruments that are clever enough
To make me fun in the eyes of
My enemies. But I am sure,
Their purpose would be defeated
Since I am going on my own ways.

Gajanan Mishra
With My Firm

What shall I do
With my firm?
No infrastructure,
No access to market,
No food processings.

I see soil health cards,
No irrigation,
No crop insurance.
Bank loan burden,
I see crumbling,
The business model of farming.

No one is interested
To cure, but all are interested
To take the benefits of my problems.

Gajanan Mishra
With My Love

Let the world see
And know I am
With my love
And I am doing
All sorts of business
In this world
For others.
Let me find
The truth here
In my love
Where I discover
All beauty
For life
In this hive.

Gajanan Mishra
With My Own Plums

Permit me to compose poems,
And allow me to recite
In my own voice.
Let me enjoy
The life itself.

Gajanan Mishra
With My Own Strength

I am enriched myself
With my own strength
That is within me.
I am situated in my
Own glory and certain
With my knowledge.
I am in the process of
My own life and truthful.
I realise the cooling and
Heating adjustment with
Friends and foes. For good,
I have my own omnipotency
And I act externally,
Internally and marginally.

Gajanan Mishra
With My Presence

No way
I am related
With my presence.

No feeling,
No touching,
Still, I am
With the time.

I remember
All my innocence.

I call for
My absence.

What I am now,
I may not be
Such then.

Gajanan Mishra
With My Pure Thought

With my pure thought
I am going to win Your love
I am blessed and I am
Captivating your mind
O my dear, though
I am the dust and
I am the ash here.

Gajanan Mishra
With My Ups And Downs

You are there, my dear,
With my ups and downs,
I know perfectly clear.
You are in my crying
And also in my smile.
You are the open knot
I have not forgotten,
You are the flashes of
Light never to gone.

Gajanan Mishra
With My Woe

I am not Jesus
Why should I utter
I have no uto*.

I love you
I go to you
With my poetry
Full of woe.

You may talk
You may walk
With you.
Let me stay
With my night
With my woe.

My poetry
Is to look
My poetry
Is eager
To go
To a book.

* Uto - Utopia

Gajanan Mishra
With Near And Dear

With near and dear
You can not find
Faith and hope
I do not know
Who is hero.

Who is hero
He must be a zero
I can not say
The world is for you
As I love you.

Gajanan Mishra
With New Eyes

With new eyes,
You are going
To search something
That I know.

With new eyes
We all should
See ourselves
To get everything.

With new eyes
We should go out
And stay still
At home.

Gajanan Mishra
With Night

Rarest of the rare,
The life, the love,
The heart and the house.
rarest of the rare,
The earth and the cosmos,
The dream and the cover.
And with all that
We are to purify the time.
We are not to compare
The hell and the heaven,
We are not to go
With name and fame.
But certainly we are to
Measure the sky with night.

Gajanan Mishra
With No Foot

With no foot
You are walking,
With no hand
You are holding,
With no word
You are talking,
With no body
You are appearing.

I am here just
gazing at you,
I am here just
going on praying you,
I am here and submitting
everything to you.

Gajanan Mishra
With Number

With number
Nothing to do, dear.
I want not
To rule.

I want
To the point
Stay honest,
And I know
Number have
No role.

No division
I want and
I accept all
As they are.

Gajanan Mishra
With One Another

With one another
We are fighting
Knowing fully well
We are the one and the same.

No death can take away
Anything from us
Knowing fully well
We lament we express grief.

No spark of fire we know
And still we are trying
To causes friction
In the wind.

We forget everything is
Nothing but His dictation
And still we are proud
Of so many things around.

We ignore potential powers
We care our heirs
In this deluding time
Remember, nothing is ours.

Gajanan Mishra
With One's Own Treasure

Nobody is perfect
Not sweet to hear,
Let us say something
That is sweet and
That gives pleasure.
Let us say
Everyone is going
To achieve perfection,
And where is that,
That is within,
Everyone is here
With his own truth
And with his own treasure,
No matter summer or winter.

Gajanan Mishra
With Others

I am one
With others,
And also many
In others,
And nothing
Without others.

I have nothing
No language,
No time,
No body,
And nothing like
Earth, air,
Water, light,
So also the sky.

I am for justice,
I am for love,
I am for the truth.

Just have a glance,
My face is there.

Come with me
As a victim.

See,
The exit point is there.

Gajanan Mishra
With Our Own Present And Future

With the dancing of our souls,
With the singing of our eyes,
With the beating of our hearts,
We expressed our love here without fear.
We are here together with our own
Present and future, we are frank and fair.
We are not going anywhere at any time,
We are the truth, we are the love, dear.

Gajanan Mishra
With Own Self

How can you
Leave?
Your leaving is
Not possible, my dear.
Staying is a
Process and
You are a part of it.
Leaving is nothing
But staying
With the self.
And I know
You are here
With your own self.

Gajanan Mishra
With Real Identity

You and I are
The one and the same.
We are in each other
With real identity.

You are complete
So also I am.
You are I am
Not different.

We both are original,
Still, not final.
In quality and in
Quantity - one and the same.

Gajanan Mishra
With Revolutionary Words

With revolutionary words
I am writing for peace
Read me, my dear, if you please.
My words have power
To kill all your evils.
I am not to impress or
To attract you, my dear,
I am here writing
With revolutionary words
To make you enlightened.
I am giving you wings, fly in the sky.
I am giving you words, walk on the earth.
My poems are not for entertainment, mind it.
You are here with me means you are the very Truth.

Gajanan Mishra
With Searchers

Where to search
And how to search
That I know not.
But I am here busy
In searching work.

I have forgotten
The name and address,
The time and progress,
And still searching
Riding on the clouds.

I am searching here
Aagin and again and
And yet again I am
Here with other searchers

Gajanan Mishra
With Shadows

Argument not permitted
With shadows.
Benches are vacant there,
Go and sit dear sir.

If possible, dear men,
Prove you indivisibility.
See, as ever, transparent way
For the past and future.

Point of entry is to be noted,
Memory is to be examined.
Perpetual identity is to be produced,
To keep in tact desired thoughts.

Gajanan Mishra
With So Many Contraries

With so many contraries,
We are going on the path of progress.
All reason and all energies are
Giving us strength.
And we love and we hate,
To our own existence.
And it is true we are
Eternal delight.

Gajanan Mishra
With So Many Sizes

With so many sizes,
So many forms,
So many colours,
We arrived at
The conclusion and
We discovered life therein.
We know the landscape,
We know the glacial ice,
We know the fearsome sight
Of the erupting volcanoes,
We know the rock slides,
Mud falls and fast floods.
But we want trees to grow,
We want animals to live,

Gajanan Mishra
With So Many Wives

With so many wives
I am feeling thirsty
And we all are in morose.
And we have no water,
No light, though,
We are in the ocean,
It is not night.
We are all empty,
Full the earth
With everything, though.

Gajanan Mishra
With So Much

You know nothing, my dear men
With so much reading writing
And research works, you have
Done nothing for welfare of others
Everything is still unknown to you.
In this poem and in that you are
Only searching researching the violations
Of rules regulations grammatical errors etc
Only to satisfy your loopholes of
Not understand properly the fact
And not being able to admit the Truth.

It is fact that we all are here
Living together, sleeping, sitting
Loitering together, we must say each other
My dear, we are truth, we are all
Perfect, we are all pure, we should live
In truth, we should remain as true friends
For all times to come and so we should
Tolerate each other and excuses each others
Mistakes, errors each and every time
We know and it is fact the at the absence or
Disappearance of one the other is void of everything.

Gajanan Mishra
With Sound And Music

With sound and music
Drinking words came to me
And made me happy.
I am awakened with
My emotions as they all
Touched my heart.
All they uplifted me
And opened the secret of life
And brought peace abolishing strife.

Gajanan Mishra
With sweetness and love
I appeared in the drama
To show my glory and grandeur.
I myself is overwhelmed
In excellence and eminence and
Forgotten I am Gajanan Mishra.
I have forgotten I am the son
Of Bhagavan Radhika, I am
The father of Chandan Suman.
I have forgotten I am the husband
Of my wife Tapaswini
But I thrill my men with delight.
But I am the handsomest
And each one is attracted towards me.

Gajanan Mishra
With the advance of winter,
Let me play the guitar,
As the spring is
In the waiting hall there.

Hours by hours
Let me count
The colourful flowers.

I see the cuckoo
Taking rest in the star.

Let me open my ears
With my holy body
And heartful prayer.

Gajanan Mishra
With The Air

I am with the air at present,
And the air requested me to
write something new on the sky.
I am with the sky at present,
And the sky requested me to
sing a song afresh on the earth.
I am standing on this earth,
See me my dear friends with
the lights that are in you.
And I know you are the water
And under the control of the sun,
And the sun is in me, see rising
at every moment anew and I am
keeping myself under control.

Gajanan Mishra
With The Dreams In Time

I am in this body,
I am also in that body.
I have countless bodies,
And I am in all at the same time.

I am not here to say
It is my body and
That is your body.

I am going with the body,
The body is there as it was
And as it is with water and air.

I am there doing all works
With that body and I am staying
Like that tree and the tree is
Telling me all stories in silent.

The body is telling something
With the dreams in time
And the time is taking me
While rebuilding the body.

Gajanan Mishra
With The Help Of Others

With the help of others,
From the very birth
We all are living here.
First of all, this body
Is not ours, this body
Is acquired from parents.
Knowledge received from
Teachers. Our food, clothes
And all other necessities
Are prepared by others.
In this way or In that way
We are indebted to others.
We are duty bound to do
Things for the welfare of all.

Gajanan Mishra
With The Knowledge I Possessed

With the knowledge I possessed
I lived in comfort
No infatuation no disease
No greedy no enemy
Knowledge I possessed
And knowledge is the oasis
Knowledge is peace.

Gajanan Mishra
With The Last Enemy

I am being taught
to live with envy.
I have not marked
I am with the old enemy,
While going with
The last enemy.

I have taken a bow
to cross bounds.
And I have crossed
Leaving aside the frame
That was full of fragility.

And you kiss me,
Hug me and I try to
Humanize myself again.

Gajanan Mishra
With The Music

Sun is rising
Rain is raining.

O sun, see me
O rain, touch me.

I am here in the light,
washing my hands and feet.

I am bright,
also in the night.

And I am dancing
And I am singing
With your music
With your music.

Gajanan Mishra
With The Onset Of Summer

With onset of summer
Mercury level begin to rise
With the onset of summer
Watermelon is ready to eat
With the onset of summer
My dear I in search of you
To share delight and woe
It is the time of litmus test
My dear in love and hatred
We must united.

Gajanan Mishra
With The Poets

With the poets
I want to spend my life.
I want to go
To the poet's residence.
I know the world is
Such a place, where
The poet resides.
I am with the poet
In his residence.
The air, the water
And all other residents
Salute me in honor of
The poet, I love and I love
The poet for loving service.

Gajanan Mishra
With The Realization Of Truth

No attachment no enmity,
No envy no jealousy no evil,
And with these stay free
From ill-will.
Freedom from ill-will means
Actions are pure,
The living is pure,
With realization of truth.

Gajanan Mishra
With The Rise

Th sun rises every morning
With the rise of the sun
I am engaged in different
Activities
The sun does not cause me
To perform either prescribed
Or prohibited actions.
My dear, I know, You are
Dwelling with me but it is I
Who is doing everything
And it is not I but the nature
Is doing every act here.

Gajanan Mishra
With The River Water

With the river water
I am worshipping the sea,
With the lamp I am showing
The light to the sun.

O sun, I know you are
Sure to rise and sure to set
But see me No one can say
What is sure in my life
Or in my death and for which
I am well prepared to face
Any situation anywhere.

O sea, see me, I am here
Standing on your shore and without any reason
Looking at you and your waves.

Gajanan Mishra
With The Sun Shines

With the sun shines
I found new joy new life.
With this body
I realized the self
And immortality.
With you O my dear
I am in pervasiveness
I am in purity
I am in eternity.

Gajanan Mishra
With The Tigers

With the tigers
Let us move forward.
On the bank of the rivers
Let us see life.

In the life herein
Let us love each other.
In the dense forest
Let us search out the truth.

Truth - the life,
truth - the forest,
Truth - the tigers,
Truth - the rivers.

And in all the truth
Let love flourish.

Gajanan Mishra
With The Truth

What I am doing,
I am doing not
For myself.
I am doing
Being united
With the truth.
Truth is here
With you.

Gajanan Mishra
With These

With these inhuman symptoms
As greed, anger, irreligiosity
Rampant hypocrisy we are
Calling ourselves men, alas!

Gajanan Mishra
With This Life

With this life,
I can say
At the top of the voice,
That I am the super self.

You and your works
Are identical
That I know here
In day to day experiences.

The stage of satisfaction,
Differ, though, I
Fully satisfy
With this life.

Gajanan Mishra
With this world
I am delighted
I am contented.

I am not afraid of death
I love and live
With this world.

I am enlightened
My body is my earthen lamp
I have my divine discourse
With this world.

With this world
I have my glories
I have my secrets.

Gajanan Mishra
With Truth

Listen to,
I am with the truth,
Don't be crafty.

Listen to
With your
Ear-less life
And keep silence.

Life is there
In silence,
Feel, I am
In you.

Gajanan Mishra
With Two

I am going with two persons,
Night and day.
I am fighting with two persons,
Time and patience.
Two persons are looking at me,
The sun and the moon.
Two persons are giving me life,
The air and the water.
I am on this earth and under the sky,
I know them as two persons.
My mother and my father are two persons
They are my creator and maintainer.
I am in between the truth and the false,
And I am ever ready to go with the former.

Gajanan Mishra
With Unflinching Faith

You can acquire the essence
Of all knowledge.
Without coming to the Almighty
You can not attain
Perfect liberation.

Gajanan Mishra
With Us

With us
Al is well,
Now that
We are in love.

We are in love,
All is well
With us,
No misfortune
Is there.

No misfortune
Is there,
We are in love
And we are
In love.

Gajanan Mishra
With Utmost Care

With utmost care
I know You are
Looking after all
Creatures here.

With Your power
All are embodiment
Of glory and
Daring in war.

You are Your world
I know, my dear
You are the sovereign
Undisputed.

Gajanan Mishra
With Utmost Faith

I am writing poems
Having no desire.

I have no show or ostentation
I am not torturing myself or anybody
I am here, O my dear, by Your sweet will.

Gajanan Mishra
With Water

I am with water,
Water is with me.
No water
Nothing.

Everything is from water
If water is there
Each and every one is in pleasure.

Water, water,
This world is filled
With water.

The sky is seen
In water
And water keeps
The fire to burn the sky.

Gajanan Mishra
With Whirlpool Space

I know I am here
The remarks you made
Unfold though.

Tradition is that
We both are here
And in dress and style
We expressed our ideas.

Nobody is here
To see except ourselves
And the language
We used misunderstood.

Gajanan Mishra
With Words

With words
I want to live,
Love words
Are my capital.
I want to invest
The truth here in life.
Life is here
With all symphony.
We are to fly
With the words
To cross the sky
That are within us.
Poetry is our wings and
We are crossing the world.

Gajanan Mishra
With Yes And No

With yes proceed forward,
With no proceed backward.
Backward and forward all
Are the same and one with
The same place and time.
Yes and no has the same
Meaning and living with
Rivers and mountains and
Staying with the sky and
The earth here and there.
We have the same star as
Desire and fire and far.
We have the same night and
The day with same love.

Gajanan Mishra
With You

I am with you day and night
I am here in open light.

I compose poem for you only
You are only here with me
And I am in the sky
With your blessing.

My words are useless
My life is timeless
I am not helpless
I am not ladderless.

I am with you
You are with me
I am composing poem
For you only
You are here to
See me only.

Gajanan Mishra
With You I Am Satisfied

With You
See me
I am happy.
With You
I am agreed.

I think
One world
One time
One situation
One life
And I am
Happy with it.

What is happening
I am saying
It's okay.

I am satisfied
With You
With time
With this world
With my own life.

And I am complete
I am fearless
I am here
With You
See me
My dear, You are
The God and You are
The Goddess.

Gajanan Mishra
With You Together - Life

No one can say
What is going on here,
No one can say
Who is near and dear.
But I can say
I am a service holder,
And you are my only Master.
I know my present position,
I also know my future.
I am the mountaineer,
Who is here to climb
Up and up but not
Lower and lower,
With you together.

Gajanan Mishra
With You We Are True

With you we are in action
With you we acquire knowledge
And knowledge is better
Than action
Wisdom is better than knowledge
And universe is greater than wisdom.

You are the universe
We are art of that universe
You are to control us
You are to control our action
You are our knowledge
You are our wisdom
You are our universe.

With you we are in action
And without you
We are false and
Without you we have
No universe.

Gajanan Mishra
With You, Dear Mother

I am
With you,
Dear mother.
And you are
Going mad,
For I am
Not here
For you.
I am not
Able to help
You, dear mother,
In any way.
I am really
Worthless.
Dear earth,
I am polluting
You and the atmosphere.
Dear mother,
Very very helpless
I am here.
I have forgotten
Your words,
For my belly.
I think you
Outdated, dear mother.
And here
My men are looting me,
See dear mother.
You are the only one
Who is here
With me
To give a protest
Without caring anyone.
But I am so faithless,
Dear mother,
I am not giving
Importance to you.
For truth,
You are here, dear mother,
Leaving all.

Gajanan Mishra
With Your Brownish-Yellow-Colour

With your brownish-yellow-colour
I stood on this earth and I try to
Muster all under the sky for love.

Gajanan Mishra
With Your Happiness

I am happy
With your happiness.
And I am here
Only for you, my dear.

I am doing all
My meditation and all
My adoration all
Only for you, my dear.

I know whatever I am
Doing and whatever I am
Speaking is only for you
And for your welfare
And all these gained
Significance only with you.

Gajanan Mishra
With Your Help

With your help
I can do anything
Without you
I am nothing nothing.

Gajanan Mishra
With Your Own Intelligence

With your own intelligence
Judge Yourself why you are suffering
Why you are in distress.
Find out the cause of distress
But you can not find certainly
Either by arguments or
By imagination or you can not
Express in words.

Gajanan Mishra
With Your Presence

With your presence
It's not possible
To know pain
With your presence
It's not possible
To calculate
Loss and gain.
You are omnipresent
You are omniscient
And With you
I'm self-confident.

Gajanan Mishra
With Your Smile

With Your smile,
With Your smile, my dear,
You are brightening the world.
I know, this world is Your canvas,
O my dear, I know all happiness
Are with You and You are alone
Here, in this world doing all
Happily for the welfare of all.

Gajanan Mishra
With Your Spectacles

With your spectacles you can see me,
But if you are a jaundice patient,
what shall I do? I am not the doctor
to make your vision clear, my dear.

With your hands you can hold anything,
But if you do not want to raise your hands
what shall I do? I am not the commander-in-chief
To force you by giving punishment here.

My happiness is in my hands that I know very well
But I am not utilizing fully my freedom due to my
habit to obey the orders of outsider.
And it is in this way I am dependent fully though
I have got independence and it is disgrace
I know very well and I am helpless in me.

Gajanan Mishra
Within All

See, nobody knows you
Though you are within all.
You are most pious
and created all.

Every work is being
done by you directly
and also indirectly.
You are here from
the very beginning and
let me respect you humbly.

You are yes and
also you are no,
all contradictions are
also yours that I know.

Gajanan Mishra
Within And Beyond

Within and beyond
You exist that I know
Always here.
Every particle of mine
Is Yours, I do admit.
I am telling I am here
Only after getting
Knowledge and energy
From You, my dear.

Gajanan Mishra
Within And Outside

Within and outside
We have so many enemies.

How to subdue them all,
Tell me, my dear.

But no enemies
And it is all illusion.

So also we are in
No friend zone.

Gajanan Mishra
Within And Without

Yes, within and without.
I see you, here and there,
At both, in and exit point.

Yes, you are living and
Dead and you are here and there,
In both, black and white.

Above and below, I am there
With you, at every step, but
You are to see me, hear me.

Like this and like that
I am there at every place
Where you are staying, here and there,
But with my own eyes-views,
far above from market price.

Gajanan Mishra
Within Limits

Stay
Within limits.
Be the limit
Our life.

Nothing is
Unlimited.
Limitlessness is
There everything.

Gajanan Mishra
Within Me

Within me.
You are within me,
Every web site
Has shown it.

I am in You
O my dear, in real world
It is shown by everybody
Everywhere, and it is
Well-known.

I am in love
With You, my dear,
And You are
With me as usual
Here for all times.

Gajanan Mishra
Within My Power

Right -
Success or failure is
Not under my control.

But it is within my power
To remain unaffected
By success and failure.

And I am here
To set right
What is within my power.

Gajanan Mishra
Within Myself

Within myself
I am the best
And I am fully
Devoted.

Gajanan Mishra
Within Nature

It is within nature
Every action takes place
Walking speaking laughing
Sleeping standing sitting
The self is the untainted
Illuminator of actions and
Inactions both.

In fact I am not interested
My dear what is done
I have no interest what is
Not done, I also do not
Depend on anything or any body
For any interest
And no action for me.

Gajanan Mishra
Within No Fears

Within no fear
Truth of the truths.
Nothing but renunciation
It is pleasant silence.

Gift of fearlessness
Still there adding secrecy
In the offspring
Lunar houses.

Gajanan Mishra
Within One Another

Believe me,
We are one.
Oneness is
Our reality.

See the sky
And the earth.
Feel them in
The water and air.

Yes, my dear,
We are one.
Switch on the light
And see within.

Believe me, my dear, we are
Here, within one another.

Gajanan Mishra
Within Seven Days

Within this seven days
Everything will be finished.
You can do nothing
Within this seven days.
Within this seven days
You can do a lot to save yourself.
Do whatever you like
Within this seven days.
Only seven days is in your hands
Only seven days and within this, see and count.
Count one two three four..
And see you are not yours.
You are not yours, my dear
Come to me within this seven days, I am only yours.

Gajanan Mishra
Within The Earth

Fire is there
On the hills,
Hills are there
On the earth,
And fire is
Within the earth.

I am on the earth,
Fire is within me,
I am the earth.

Earth revolves
Round the sun
And the sun is there
In the sky, I am
As empty as the sky.

Gajanan Mishra
Within The Heart

Within the heart,
My dear, you are.
Within the heart,
The entire world.

I am yours,
You are mine.
The factual
Aspect of life
Is three into
Three - nine.

The sum and substance
Is known to all.
If you need me, at any time,
Give me a call.

Gajanan Mishra
Within The Jurisdictions

You are always
Within the jurisdictions
Of Time and you
Can not go beyond time.

Time is here with you
Do what you want to do
And remember time is
Passing keeping you aside.

You can not save yourself
From the clutches of time
Time is there as before
Put question who are you.

Truth willing you are here
Truth not willing you are not here.

Gajanan Mishra
Within The Kingdom

We are all
Within the kingdom of
Illusory energy
And we are in prison
We are shackled by
Charming beauty of a woman
Talks of so called love
Sweet words of our own children
And in this prison
We forget our real identity.

O my dear, live in home
Be a family holder, live in family
No matter, but remember
Real purpose of your living
Is to develop Truth consciousness
Your concern is to get out
of the family life
Created by illusion
And enter in to the real family
Life of the Almighty.

My dear, remember
Your business is not to
Repeatedly chain yourself
To so-called family life
In one life after another
And remain in darkness always
You are to search the light
Of freedom and live freely
In your family life
Wherein there is the way for freedom.

Gajanan Mishra
Within The Sun

Within the sun
Find everything
O my dear,
Within the sun
Find everybody.

Existence is
In all times and
In all places, my dear
Find it within you
And also within me.

Speak and show
The path of Truth
Here at this time
In self-realization.

Understand all
Love all
Tolerate all
Be with all.

Gajanan Mishra
Within The Walls

Within the walls,
We are all here,
Seen and unseen.

Our thinking, feelings
And willing has some
Works, not full, though.

We are here to initiate
Everything with our strength.

We are not polluted but
Pure and perfect.

It is our suffering,
It is our miseries
That can take us
To the light.

Gajanan Mishra
Within This Body

Everything is here
Within this body,
Take care, my dear.
No body and nothing.

This body is
The manifestation of
Love and truth,
Knowing this every one
Is wonder-struck
And left aghast.

See the body with
Purity of mind and
Spirit and confidently
declare yourself nectar.

Gajanan Mishra
Within Us

Within us
Both the elephant
And the crocodile
Are here.
And they are always
Fighting in water.
Water is also there
In my body,
And I am searching
Where is the elephant
And the crocodile.
With a smile.
And I fear, they both -
Ready to attack me together.

Gajanan Mishra
Within Us -God

Let us search and
See God, who is
Within us here.

Gajanan Mishra
Within You

I am yours
You are only mine
I am yours
I can not harm you
You can not harm me
You are within me
I am within you
I am yours
Without any question.

Gajanan Mishra
Within You, My Love, My Truth

I know
Who is there
Within you.
I know
What do you
Do
And for whom.
I know
Where are you,
I know
Quarrel starts
With two.
I know
What is there
To receive
And what is there
To give.
Give and take,
Everything is
In the name of
Truth,
I know.
I know as
I love you.

Gajanan Mishra
Without Glare

Without You
O my dear
The sun the moon the fire
Are without glare.

It all remains dark
No wind no water
Without You my dear
No life is there.

Without You
O my dear
No earth no sky
And nothing and nothing.

Gajanan Mishra
Without Your Company

Without Your company, O my dear,
I cannot live here.
I cannot be rid of error.
I know, my dear, You
Cannot be found except through love,
And love is there where there is truth,
I know my dear, You are the Supreme Truth.

Gajanan Mishra
Without Actions

Without actions,
No fruits.
Good actions-
Good fruits.
But you can't say
Happiness is there
Always in actions.
But you can say like
Benjamin Disraeli
No happiness
Without actions.
Go on performing actions,
My dear, and see
And enjoy all.

Gajanan Mishra
Without An Error

Without an error
Live here,
Forget error,
Live here,
No error,
Live here.

Nothing to fear,
Stay here,
Nothing to fear,
Live here,
Nothing to fear,
Work here.

I am for all,
Think a while.
All are for me,
Think, while living.
Life is for all,
And they
Depend on each other.
Love and nurtured,
Life offer, here.

Words are to hear,
Places are to stay,
Works are to perform,
Men are to love,
Truth is to show,
Life is to live,
Roads are to go.

Go on doing your
Own works, my dear,
Fear not,
Nothing to fear.

Gajanan Mishra
Without And Within

Without and within
All beings and non-beings
Moving and unmoving
I am there in
I am near and
I stands a far
O my dear
I am yours as a whole.
I existed
I exist
And I will exist
O my dear
In your pleasure
In sorrow
In prosperity
In adversity.
I am nothing
Just writing poetry
I know I am here
I am there
In your smiles
In your cries
Just know me
And it is you
Just feel.

Gajanan Mishra
Without Anxiety

Without anxiety,
Please stay here,
And get all peace
And all happiness.

For you,
This world is
Created dear,
Dear daughter.

Where you are
That is the heaven,
You are to coordinate,
You are to do
All welfare acts
For all here.

Gajanan Mishra
Without Any Carping Spirit

With burst of laughter
And burst of tears,
I know, you are out of fear.
You behold what is truth,
You know where is the truth.
Without any carping spirit,
And with faith just read,
And read the poems and know all
That are there in the truth.

Gajanan Mishra
Without Any Doubt

Without any doubt
Victory will come to us
We are in right path
All divine traits are with us.

We are the son of nectar
O my dear You are our father
You are our mother
Guide friend and teacher.

You are our charioteer
Without any doubt
victory will surely come
And knock our door.

Gajanan Mishra
Without Any Reservation

Without any reservation
Necessity is timely appreciation.

Appreciate to keep
relationship bright
And make society enlight.

Gajanan Mishra
Without Any Selfish Motives

I am free,
And also free from ego,
And I act piously here
Without any selfish motives
To fulfill.
And I know I am not
Subject to sinful reactions.

I am free,
Some say I am a man,
I am conscious.
I am here in pure goodness,
And I want to cross over it.
I understand the life
And the time.

Gajanan Mishra
Without Any Understanding

How can I understand?
I am not so
Competent to
Understand
Your world,
As I am within
This world with
So much attached.
Though, nothing is
Lovable, I love
The world at large.
But I love without
Any understanding,
For life, though.

Gajanan Mishra
Without Any War

Without any war,
I declared you
As the winner.
For your love,
For your honesty,
I declared you
As the inspirer
Of all life.
You are the live-poem,
You are here and
Also there to tell
How life is sweet
And for that
You are with all.

Gajanan Mishra
Without Association

You can not do anything
You can not enjoy pleasure
You can not feel pain.

Without association
You can not go anywhere
You can not rule over others
And with association
You can assume anything
And you are free to form
Any association with any body
At any time for any purpose
But see that You keep
Your identity there in
By establishing affinity.

Mind it
Disassociation is already there
And association is wrongly assumed.

Gajanan Mishra
Without Austerity

Without austerity
No purity
Without purity
No useful advice
Without useful advice
No good work
Without good works
No society is called welfare.

Gajanan Mishra
Without Begging

Begging is all pious.
If you want to take away
Something from somebody
You must beg.
Without begging
You can not take away
Another's rightful possession.

But O my dear, on the pretense
Of begging three footsteps of land
You took away all.
How far is it right?
I don't know about it.
I know only past present and future
And I know also it is Yours my dear.

Gajanan Mishra
Without Being Disturbed

Without being disturbed
You are here
You appeared and you disappeared
You are not here to know
Summer winter happiness disaster.

Without being disturbed
You are here
Nobody is there to kill you
Nobody can kill you
The word kill is but a chill.

Gajanan Mishra
Without Blinking

Without blinking stare at an object
Tears roll and no question is there why.

On oily paper pens do not write
No question is there why.

Water through fissures not leaking
Ocean floor and there is no question why.

The question is there is no question to put why.

I am just obseving and observing
I can shot
The mute then show gut.

Gajanan Mishra
Without Body

Without body one can't
Do anything anywhere
Body is a bare necessity
But remember bodily concept
Of life is dangerous
As through this one may
Forgets his own real identity
Take body, O living entity
But be cautious, keep body
Under your full control
Or else body is there to
Control you and you are to
Lose everything everywhere
Body is necessary take the body.

Gajanan Mishra
Without Bull

Without bull
How can a cow be pregnant?
Without You
How can I live?

And I know not details of You,
It is You who can see me
And know all about me.

Gajanan Mishra
Without Cause

Without cause and because
Nothing to be seen
Nothing to be heard
Nothing to be grasped
I myself present here
With this poem, an instrument
Of divine eyes and universal form.

Because and without cause
You revealed yourself
I glittered and it is
No wonder I rejoice
Again and again
Is it my attachment to happiness
Is it my ignorant? ?

Gajanan Mishra
Without Cessation

Without cessation,
I am writing and writing
Poems for you, dear,
While you shine
As the central pivot
For all,
With my own force
But with your direction.
I am in certitude,
I will get light from you,
And I know the truth

Gajanan Mishra
Without Division

Unalloyed
Without any doubt
Without division

Fixed in my literature
Throughout life
Without surrendered.

Gajanan Mishra
Without Doubt

Without doubt
I am Yours
You are mine.

Since time immemorial
I have been of yours
And I will remain yours.

I have never regarded
Myself separate from You
And it is impossible.

O my dear,
I am your fragment
How can I be separate.

Gajanan Mishra
Without Doubt I Can Say

Without doubt
I can say before all
You are here at the center
And everywhere, all times

All these are ready to
Dragged you to
The lowest position.

It is recommended
To go for welfare of all
And go for the freedom
from lust anger and greed
Go with non-violence
Truthfulness and honesty.

Gajanan Mishra
Without Earth

Eating sitting walking
Sleeping playing and
Doing everything
We are in the sky.

Here the sky
There is sun
There is moon
There is star
There the cloud
The star.

In the sky
We got identity
Without earth
Value of sky
Nothing nothing.

Gajanan Mishra
Without Exit

How can I go forward
Since I am in a room
Without exit.
Pull not,
Push not,
I am going on
Through National
Highway number one.
Take steps to
End the logjam.
Prevent corruption,
Let me go
On the path of progress
As assured.

Gajanan Mishra
Without Faith

Without faith
Doing anything
Is not good and
Bear no fruits.

Without faith

Not good if performed
With attachment.

Evil acts
Evil fruits
No matter
You want it or not.

Living with
All goodness
And purity,
In eternity,
Without enmity.

Gajanan Mishra
Without Fear, Let All Live

Knowledge and love -
Our strength.
Devotion -
Our will power.
We are here to get
Divine joy.

We are to lead the world
On the path of humanity.
We are to lead the world,
On the path of truth.

Let all creatures live
In this world without fear,
Let all get the nectar,
That is with nature.

Gajanan Mishra
Without Food

Without food,
How can I live,
But eating is
Not my business.

Let me eat
The eatables
And do my business.

My business is
Nothing but to love,
To love and to utter words
That are for public good.

For public good
Let me tell the truth,
And for this living is a must.

Gajanan Mishra
Without Foot

Without foot
I am going, see.

I am reaching that place
Which is here there
And everywhere.

You cannot see me
Though I exist
With this eyes.

You can see me
If you close your eyes.

See me,
I am deep dark and deep blue
See me with love
See me in Truth.

Gajanan Mishra
Without Friends

Without friends
No life.
I dedicate
My each day
To my friends.

With friends
I live
Here and
There
In peace.

Who is not
My friend?
Who is not
My near and dear?

Gajanan Mishra
Without Giving

Without giving
You have no right to take
Take as You like
And there is nothing to take.

You are firebrand
You are fire
Fire is your life
What is there in fire.

Give everything you have
And take nothing from fire
And Your life is fire
Fire is energy.

Gajanan Mishra
Without Good Qualities

Without good qualities,
The son is bad,
And a bad son is
Unbearably painful.
It is unfortunate to
Get such a son,
Who is like blind eyes,
Without any use.

Gajanan Mishra
Without Having Connection

Without having a connection
You can not move an inch
And with connection you
Can not improve
You can not rise.

Gajanan Mishra
Without Hesitation

Without hesitation
I am giving You all
All lands all planets
My entire body.
Without hesitation
I surrender You
By my intelligence
And I want nothing
In return from You.
O my dear, it is You
To decide what to do
And when at what point
I am nothing I have nothing.

Gajanan Mishra
Without Husband

A chaste woman
Considered herself
As good as a dead body
Like wise O my dear
Without You I considered
Myself a non-entity
You are my destiny
O my dear, I am at Your
Platform and it is You
Who can alone make
My life happy.

Gajanan Mishra

By good deeds
I want judicious earning.

Without Legs

Without legs
You walk, I know.
Without ears
You hear, I know.
But without you
I can't live.
I know, without me
You can stay forever.

Gajanan Mishra
Without Limitation

No thinking no feeling
You said fool and wise
At the same time.

I have taken action
I am caution
Without limitation.

I know my limitation
I know the limitation of the sky
And I know how to fly.

The fly-over is not there
I know from the beginning
And I am going to touch that is mine.

What is mine I know not
My tongue held up
Showing the heart of love.

Gajanan Mishra
Without Looking

Meaningless to
utter word
word
a path
not go far.

Tacttrick used
in a book
unpracticable
always
though praised.

Pranced the horse
no problem.
Problem
to go with
others advice
unexamined.

Examination
meaningless
if passable
passing without
looking
starspangled banner
is
wonder and wander.

Gajanan Mishra
Without Love

By strict vows
By severe austerities
By studying
You are trying to reach
The truth
Remember without love
You would not succeed.

Gajanan Mishra
Without Love How Can I

Without love
How can I live
Without affection
How can I stay
Life is disgusting
Life is boring
Without love
Without affection.

Without love
Without affection
Only there is accumulation
Of exhaustive endeavors
That make me lost here
There everywhere and there is
Only feeling of unbearable anxiety.

Gajanan Mishra
Without Love Life Is Spoiled

Without the truth, life is in dark,
Without love life is spoiled,
But with enemies enjoy life, dear,
Search for a peaceful life there.

Gajanan Mishra
Without Loving Your Own Daughter

To other woman and to give respect to laws.

Gajanan Mishra
Without Money

Without money
I cannot move,
Still I say
For money
I cannot stay.
I know
Money is the root,
Root of all.
But I see
My life is rootless.
No root
But full of fruits.

Gajanan Mishra
Without Mother What Is A Day

Without the mother what is a day!
The day is like as dark as coal.
Without the mother what is a life!
The life is like as dry as sand of the desert.
Without the mother what is time!
The time is as hot and painful as burning fire.
Keep the mother with you and get all the truth,

Gajanan Mishra
Without Mother, Mother Tongue And Motherland

Without mother, mother language, and motherland,
You are understood to be impure and in such condition,
You cannot enjoy a truly blissful life anywhere.

Gajanan Mishra
Without Nothing

Without nothing
They called me
And I stoodup
On the top.

Handover all
The belongings
That are not mine.

And I in return
Called them
And they left
The places
Without nothing.

Gajanan Mishra
Without Our Language

Without our language,
We are going to
The darkest hellish region,
On our own holy land,
That was separated
Only for that unique language,
And we are helpless
And very much aggrieved.
The language, the only hope,
That can recover our
Lost identity and take us
On the path of progress.
And without our language
We are almost dead here.

Gajanan Mishra
Without Permit

Without permit
Entry prohibited.

Permit accorded
According to work.

Work allotted
First come first
Entry basis.

You the first and
Only person to
Appear in this world
Through monthers womb.

You the only person
To say a word
That can liberate all.

Gajanan Mishra
Without Pious Activities

Without pious activities
How can I come to you, sir?
You are there I know
To help me in all respects.
And I am there with you
But I know not what kind of
Pious activities I have performed.
But I am sure I am committed
To my mother, to my mother language,
And to my mother earth.
I am fortunate, all opportunities
Are here with me to get the works
Done successfully for
The welfare of all here.

Gajanan Mishra
Without Servant -Body

Take care your servant,
The servant will take care you.
Give and take policy

To take everything
From you.

Your servant will not
Give you permission
To do anything.
You are helpless
Without your servant,
Mind it my dear friends.

Gajanan Mishra
Without Soil

Without soil
A tree cannot
Take root.
Know the Truth,
O my dear, and
Get rid of desire.
Be even-minded
And acquired spiritual
Enlightenment.

No ether no
Moving space
No faith
No piety
No water no taste
No fire no color
No air no touch
No faith no success
It is love and
There is no death
No death means
No rebirth.

And it is the only
Truth here
We should know
Without fear or favor.

Gajanan Mishra
Without That Love

Without that love
How can I stay!
And I stay means
Love is here, my dear.

And I am here
In peace within this well
That is full of
Poisonous snakes.

And I am here
In this jungle
That is full of
Tigers and lions.

I am here
Only for love and love.

Gajanan Mishra
Without Them

Good ruler
Scholar
River
Doctor
Soldier
Are my life partner
And without them
My life will not prosper.

Gajanan Mishra
Without Thinking Anything

Without thinking anything
Please come to me and see.
See me and listen to my words
And forget loss and gain, as
They are not yours.
Exchange it, what is there
With you at this time,
As time is there to change
Everything within and outside.
Take some responsibility
And go on working that are
Allotted to you, my dear
For the sake of truth,
I am there with you.

Gajanan Mishra
Without Thorn

Without thorn
imagine not
a beautiful flower,

Flower is life
trouble is scented
and not thorny.

No thorn,
No success,
Life is dull.

Life is a flower
It is successful
only in trouble.

Take your shadow with you
in the noon of hot-May.

Gajanan Mishra
Without Truth

Without happiness
What is life.

Without life
Everything is nothing.

sacrificing everything for you.
And I am happy with you,
And I am enjoying my pilgrimage
in this world, see.

Gajanan Mishra
Without Violence

Without violence
No enjoyment is possible,
Nobody is in non-violence.

Preaching non-violence
Is nothing but a farce
By man of passion.

But the world exists
In non-violence.

Live and let live,
Be the principle here.

Total non-violence
Though impossible, yet
We are to go with
Non-violence for the earth.

Gajanan Mishra
Without War

Without war
Nothing can be achieved,
A bitter truth.

Gajanan Mishra
Without Woman

Woman woman woman
Without woman
There is no man.

Woman woman woman
Without woman
Nobody is sane.

Woman woman woman
Still we are
Torturing them.

Gajanan Mishra
Without Words

I am writing without words
You are to see me and heard
And understand and cared.

Gajanan Mishra
Without You

Without you
What is life
And without life
I am dead
Beating a dead man
Is of no use
Stay with me first
And do whatever
You are willing to
And with you
I am perfect and full
I know.

Gajanan Mishra
Without You Everything Is False

Without You the whole life is useless
Without the sun, likewise, the eyes are useless.

Without You, O my dear, My knowledge is false
Without You, see I am in illusion.

Your factual presence is necessary here
To see everything in true perspective, it is Your grace.

Gajanan Mishra
Without You I Am

Without You I am nothing
Without Your help I can not do anything.

You are my maintainer
You are here there everywhere
You are in everybody in everything
That are visible within this world.

You are invisible to those
Who are in ignorance and not
Like to see You.

Problem arises there
But You don’t care.

You are also with them in the illusion
This is Your greatness, my dear
And You treat the same the success and the failure.

Gajanan Mishra
Without You, How Can I Live

Without you, I can not
Do anything and living is
Impossible for me.

I am being attracted to you,
And going to you, being part of you,
I know, you are the only truth.

Truth is body, truth is mind,
And I am going to you with all truth,
Measuring my surface to benefit all.

Love is nothing I know and
At times love misleads us.
But truth is there, you are there,
Who can protect all, I know,
And I am going to you anyhow.

Gajanan Mishra
Without You, No Independent Existence

Without you, my dear,
I have no independent
Existence of my own.
But I know
I am not you.

Gajanan Mishra
Without Your Support

O my dear, I can not live.
I can not live, O my support
Without You.

I am helpless
I seek refuge in You
O my dear, my dependence
Is but natural.
No one force me to
Depend on You,
Willingly I depend
On You.

My dear, it is my
Exclusive devotion
And without any
Selfish motive.
O my master
I become an
Attendant upon You.

I am offering my
Obeisances
Prostrates before You
O my dear, Like a
Drowning man catching
At a straw
I am here taking
Refuge in You.

I am attached only
To You, depend only on You
I fix my mind and intellect
Only on You
I surrendering everything
That are with me to You.

Your manners your devices
Your styles and your real forms
I know, though not in full
That is sufficient to
Clear my doubts
That where I am what I am
All are You.

Gajanan Mishra
No witness is here who said
See me, I am here.
I am your witness
Who is living in your house
With you all ways.
I can say each and every truth
To you and to you only.
As a permitter I can give you
Advice and permission
In the performance of actions.
As a sustainer I can provide
Food water and other necessities
And protect you
As an experiencer I can undergo
All sorts of experiences
Pleasure pain all circumstances.
I am your witness within your house
But you can not taint me
And also you can not attach me
With anything and remember
If you are going to do so
You are committing such a mistake
That can not be eradicated.
Remember, I am your
Impartial witness and only witness.

Gajanan Mishra
**Witness All**

No prayer rejected  
No desire dejected  
No body departed.

Be small  
and witness all.

Gajanan Mishra
Witness- Did Not See Anything

I did not see anything
Yesterday or any day
In any place
At any time.

I see today
The sun rising
The bird flying
The air flowing
The tree fluting
I'm laughing dancing.

What I have not seen
I could not say
What I have seen
I feel and I can say
It is up to you
To say yes or nay.

Gajanan Mishra
Witness For Happenings

Witness for happenings.
Who is he
I dare not to asked.

Who is he?
He is here, He is there
I found everywhere.

It is the history
History of peculiarities
And it is Yours.

I am anxious
And You are here
Ready to take all responsibility.

I know You are present as witness
In all livings and non-living beings.

Gajanan Mishra
Witness Is Here

Witness is here
Ask me,
Witness knows everything.

The eyes of the witness
Is opened always
No cover, no eyelids are there.

Witness is present
Ask the witness
If you so like.

The witness is here
He is ready to tell you
Everything that you want.

You are to hear the witness
You are to understand the witness.

Gajanan Mishra
Witness The Scene

Witness the scene
That is there within.
But refuse to sink.

Gajanan Mishra
Witness Within

Sitting unseen
You are, my dear
And for You only
I am here living
Without fear.

Mystic and mystic
I am both in dream
And in reality
O my dear, it is You
Maintaining relation
In perfect motion.

You are the best
Immeasurable in any test.

Gajanan Mishra
Witness, though,
No words
To express.

No specific
Identification marks
Separate me
From you.

With dreams
Movement is made,
True.

Real and natural
Each and every action,
Passion pervades
To illusion.

Gajanan Mishra
You are here
Witnessing me
That I know.
Alongwith You
O my dear, the sun
The moon the sky
Air fire night day
Evening morning
All are witnessing me.

I know I am here
To live to believe
Deed and misdeed are
All mine
I am here not for discussion
But for examination the system
I am here for perfect
Mention of the discrepancies
That are in regulative operation.

Sinful and sinless
No difference as You know
O my dear, let me hear
The exact modes of nature
Enjoyment and suffering
Are all but blackmailing of emotion
Life is in contamination
It is not good to say life
As peaceful or restless or foolish.

Gajanan Mishra
Witnessing Poem

When I pick up a pen
A poem is being written
When I close up my eyes
A poem is being witnessed
Nothing is wrong in a poem
And only a poem can refine a man.

Gajanan Mishra
Woeful Really

Woeful really
My breathe
My broods.

But
What shall I do?
I have no control
Ove me!
O, Yes.

I am not able to
Answer any question.

Gajanan Mishra
Woman

Woman is the mother and
Symbol of love empathy
And patience.
Man is created from woman
And woman is worshiping
As God mother.
Woman is nature and
greatest strength lies
In innate motherhood.
Mother is creative and
Mother has life-giving power
Mother, mother and mother.
Woman-mother and mother-woman
Is not a pleasure-giving object
Let us come and give her respect.
Failing to give due respect
Means invitation to our own
Destruction in our own abject.

Gajanan Mishra
Woman - Flowing Water

Woman is flowing water
My dear, flowing water
Is pious like that of Ganges
And Jamunetry etc.

Woman is life-giver
And also life-taker
Exploit not a woman
It is dangerous.

Understand the inner
Meaning of Chankya
Never put your faith
In a woman or a politician.

Not always true, women
In general should not be trusted
Not to speak about the woman
Who is loitering here and there.

Not always true, beautiful young women
Invoke the dormant lusty desires
Of a man and so it is said
Protect a woman, give her proper protection.

Woman can solve any problem
Woman can do wonders, my dear
Woman is sister, woman is mother
Woman is the best creator.

Woman is the pious flowing water
Woman has kept nectar
If you are pure and in Truth
I am sure woman is better.

And if you are a demon
And a lusty person, be sure
It is a woman who is there
To enable you to reach the end.
Gajanan Mishra
Woman 1

You are the mustard oil
You declare yourself
necessary evil.
It is you also
who call yourself devil.

You are there to say
something always
It is you to decide
what is night
what is day.

Where to go with you
I do not know
I know the beginning or
the end is also
not known to you.

You lovely Woman
I am here to
start you again
and it is you
to put in proper place
that is there
in the terrain.

Gajanan Mishra
Woman 2

Show me your face
Give me a chance
to pluck out the ego
that is there.

You have a dark Sun
at your smile
You have a dark grace
at your style.

Putoff the proud I say
I salute you and pray.

Show me your face
My dear woman
I promise I make it
updat with
antivirus grace.

Gajanan Mishra
Woman- I Am

See me, I am a woman,
Woman-I am.
Release me
From oppression,
Violence and
Powerlessness.
I am your producer,
I am your mother.
I have nurtured you
For so many years.
I love you,
My love is the only truth.
Include me in your
Development design dear.

Gajanan Mishra
Woman Is Ocean

Woman is ocean,
Show not your strength,
Nothing is there to
Save you there.

Woman is ocean
You cannot find
Its shore, no one
Is also there
To hear your
Cry and roars.

Woman is ocean
Take not easy
While you deal but
have patience and zeal.

Gajanan Mishra
Woman Is The Gateway

Woman is the gateway to hell
Who said and why not known to me
If you permit me to say something
I must say this body is
The store house of hell.

If you ask again what is heaven
I must say it is annihilation of desire
Again it is to be added by me
If you are to give or show something
Show and give non-violence.

Gajanan Mishra
Woman- World

I want to write
A poem about women.
But I know not fully
Who is a woman
And I know something
The role of the women
In building a life.

I want to know
The mystery
Behind life.
I want to hear
The future.

What I want to know,
What I want to hear,
What I want to write,
Though, not clear.

Gajanan Mishra
Womanfolk

Woman-folk separated themselves
Unjustified reasons given
And that are rejected
Feeling has no space they clarified
The earth smiled a lot
Reality is that counting of sky begun.

Gajanan Mishra
Woman-Life Savor

Woman.
Who are you?
No sooner I see you
I die, some say.
You are the world
That I know
And in this world
Where is I,
That I am
Not able to know.
Woman,
Some say you are
Dangerous than
Poisonous snake.
They argue
To think about a woman
Is just going towards death.
But how can I agree?
I know from a woman
I have taken birth,
Only because of a woman
I am living.
Some say for some selfish end
Woman loves man
Woman is falsehood
Woman knows not
What is love.
I am not inclined
To agree with this.
I know it is woman
And only woman who is
Giving me nectar
And woman is the life-savor.

Gajanan Mishra
Woman's Hand

See woman's hand
In dog's dance
And search a
Well-wishing friend.

See material bondage
In impious actions
And be grateful to
The desire you hold.

Tell something about
The sum and substance
Of the Truth that is
Not illusory.

Release yourself
And release others
Within special protection
And see the actions and reactions.

Gajanan Mishra
Women And Hills

I climbed the hill,
And I thought it a woman.
To climb or not to climb
Is not at my control.
Excuse me, I wanted
To fly the sky. But see
The hill was there and
I was undone.

Gajanan Mishra
A beautiful woman
A beautiful woman
Is like a dark well
Covered by grass.

A dark well
Covered by grass
Is like a beautiful
Woman, a man
Who does not know
About them drops
Through the grass
And falls down.

O my dear friends,
Beautiful women
And politicians
Are not to be trusted.

Be careful while in
Dealings with them
Women and politicians
Can do anything to
Satisfy their own interest
No one is dear to them.

Gajanan Mishra
Women And Stars

I love women,
I love stars.
They both
Are fair.

I love not jackals,
I love not spiders.
They both are
Silent killers.

I love birds,
I love butterflies
They both
Give pleasures.

Life is full of colors,
Take care life as gardeners.

Gajanan Mishra
Women Are Really

Women are really
More powerful than men
Women are power of
Inspiration for men.

Women are controlled
By shyness
Once you loosened
This control valve
Women are free
And free women can
Create havoc in society
By adultery.

Adultery means
Production of unwanted
Children who are
Disturbing elements
Of the world .

Women are the main pillars
Of the society and the world.

Gajanan Mishra
Women Cook

Women cook
And serve
Husband and
Other members
Disinterestedly.

Physician
See, take care
Prescribe medicines
To patients
Disinterestedly.

Any work done by anybody
Sincerely honestly
Disinterestedly
Without expecting any rewards
And done for the welfare of others
Is pious in nature
And that has a bright future.

Gajanan Mishra
Women Warriors

The world is
At your feet,
Women warriors.
You have a
Greater tolerance
That I know.
You are the creator
Of the future.

Gajanan Mishra
Today is women's day
Let me say
Every day is a women's day
With a woman
No omission
With a woman
There is the commission.

Today is women's day
Do you want to say
And what are they
Go and ask a woman
Woman will say
In the best way
My dear guy.

Without a woman
Your own existence
Is at stake.
Go and salute,
On this very day.
Woman is there
To solve all your problems.
Without women
You are nothing, my dear men.

Gajanan Mishra
Wonder Is

Wonder is  
I am unable to know  
Who is my mother.  

Wonder is  
I am unable to know  
What is my mother-tongue.  

Wonder is  
I am unable to take care  
My mother-land, the earth.  
I am living on this earth  
And the earth is  
Giving me everything  
For my own survival,  
Still I am unable to know.

Gajanan Mishra
Wonder Not

Wonder not, my dear,
this is our world!
Every impossible is
possible here.
So also every odd is a style.
Wonder not, anything
can happen at any moment.
Living and dead
no difference, see here.
So also going and coming
have nothing to alter.
The sky is the protector,
The sun and the moon are ready
to deliver hidden treasure.

Gajanan Mishra
Wonder Of Poems

Here is the poem
Learn the wonders here,
Ponder over the poems
And know something
About eternal mystery,
About the sun the moon
The flowers the green fields
The mountain the stream
And the vast sky.
Know the ideas
And have faith in your own ideas,
Be gentle and truthful,
And stand up and fight
If you are right.

Gajanan Mishra
Wonder Of The Wonderful

Wonder of the wonderful
Glory of the glorious
Intelligence of the intelligent
O my dear O my giant

And flopped
Without your presence
I have no existence.

Gajanan Mishra
Wonder Of The World

All wonder,
Sensation, perception,
Imagination and understanding -
All wonder of the world.
So also, the life -
Left and right,
Love and fight,
All charting and tweets.

Gajanan Mishra
Wonder World

Come to this wonder world
Declare yourself conquerer
The Sun the Sky the Light
The air the earth if dare.

Come to this wonder world
Come as per your sweetwill
Sing the song as per choice
Come and go wherever you like
Worry not if you missed time
Come to this wonder world
Watching terribly as you like.

Gajanan Mishra
Wonderful

Each and every creature
Is very very wonderful here,
Each one is extraordinary.
They are all made of materials,
Whether it is stone, or wood or
Flesh or bone, matter little.
But they are all wonderful entity
And their appearance bewilders me.

Gajanan Mishra
Wonderful - Each And Everyman

Each and every man is wonderful
Here in this world
Birth- wonderful
Wonderful because
In the womb of the mother
He was protected by Almighty
Living- wonderful
Wonderful because
With a man there is
A human civilization
A good man is always
Fighting with sins
And is living a pious life
Death- wonderful
Wonderful because
A man knows
He is going to die within
Seven days
That is within a week
What to do and
What not to do he is free.

Gajanan Mishra
Beautiful - your words,
Wonderful - your life,
I love thee.
You are inside
And also
You are outside,
I love thee.
No war
Or no peace
Can defeat you,
I love thee.
You are there
With all love
And with all truth.

Gajanan Mishra
Wonderful Creation

Really you are, a
Wonderful creation.
You are not, I know,
Contaminated, dear.
Instead, you are, I am sure,
Pure and perfect.
Your scope is unlimited,
Your vibration has
No limitation.
Many many thanks,
To you for your
Truthfulness and
Sincerity in life
That I experienced.
You are committed to
Enlighten each and
Everyone around you.
You are a human being,
And your living is
Like a human being.
You are going to make
This world a heaven.
I am fortunate to
Count, with you,
The days with seven.

Gajanan Mishra
Wonderful everything,
On this earth,
In this air,
In this water,
And also
In that sky.
And it is all
For love,
For the truth.
And my dear, I see
And I feel
All exist in you.
Nothing is mine,
But everything yours.

Gajanan Mishra
Wonderful Gross Form

O my dear,
You are in your wonderful gross form
The islands, tracts, rivers, mountains, the sky, the oceans,
Netherworld, directions, hell, constellations,
You are in this earth
In animals, in trees, in grass, in fire, in water, in air
And knowing this I bow my head before You.

Gajanan Mishra
Wonderful Intensive

Wonderful Intensive Fearful Enemy
My dear is here with me
Who is the source of
Increasing material conditions
And I know attachment is waste
The valuable energy of
My life time and I find no use
But I am helpless to give up
My dear without Your help and mercy.

Gajanan Mishra
Wonderful Is Telling

I am Yours, You are mine
Wonderful is this world
Where all are here
Without any real identity.

Gajanan Mishra
Wonderful Is This Boar

Wonderful is this boar
Wonderful is my nose
Wonderful is my life-dose
Wonderful and wonderful
You are, my dear, super most.

You can not say anything common, my dear
This wind, this rain, this light
you can not say go and fight and be a winner,
No no no my dear, here nobody is a loser,
And let me clear, I am nothing but Your dear.

Gajanan Mishra
Wonderful Life

Wonderful life,
Very wonderful this world.
Wonderful the air,
Very wonderful the words.
Wonderful light,
Very wonderful the dark.

We are all in dark,
We are all air,
We are all the world.

We see we hear,
But we are not able to
Know anything.

We are under the current of time,
We are not ours for the time being.

Gajanan Mishra
Wonderful Man

Wonderful man.
When he was a new-born child
He loved his mother much
Without mother his survival was difficult.
Then he loved the toys
And started forgetting mother.
The child grow older and made friends
With the child of the neighbours.
Went school, made friendship
With school-mates, loved books.
Acquired degrees, joined in service.
Loved to serve and going on
Forgetting mother. Love a girl
And get married. Did not like to
face mother. Son/ daughter
Took birth, Love them and busy
In their affairs. Grow old.
Wife is no more. Son and daughter
remained at a distance and remained
Busy in themselves in their reading
And doing some works.
The child who was born now old
And so old that unable to move.
At last he know the truth
And wanted to love the true lovable.
But alas! nobody was with him
Besides the all pervading.

Gajanan Mishra
Wonderful Moon

Wonderful moon
It is fading away
Let us see soon.
It is up and down,
Let us feel the air quality
Let us feel the orbit policy,
It is my advocacy,
Enjoy life, enjoy life
Till it is there with the moon.

Gajanan Mishra
A wonderful poem,
Really you are,
Under the sky
And on the earth.

I find in you
All the air
And all the light
Of love and life.

I tried to read you
But I failed.

I tried to touch you
But you are not available.

Again and again, let me see you,
Where are you? where are you?

Gajanan Mishra

Gajanan Mishra
Wonderful Truth

Open your eyes
Open your hearts
And live, live in peace.

Peace is within you
Just you have to walk
On the bank of a river.

River is within you
Just you have to go within
And see the wonderful truth.

Gajanan Mishra
Wonderful Work To Do

In this wonderful world
You are to do wonderful works
In wonderful ways
You are to say wonderful words
In wonderful relations
With wonderful smiling.

In this wonderful world
Everything is wonderful
Your eating Your sitting

Your going and coming
Wonderfully it is nothing.

I know You are always engaged
Twenty four hours a day in loving all
And it is the wonder of this world
Love is unalloyed for all times
And it is available with all
Confidentially and openly for welfare of all.

Gajanan Mishra
Wonderful World

And here in this world
One animal is being
Eaten by another
Here in this world
Everything is being
Destroyed by something else
Here in this world
Time scatters everything
As the wind scatters
Clouds in the sky
Feel Absolute authority
O my dear and guess by
Seeing the activities of this world.

Gajanan Mishra
Wonderful! You And Your World!

Gajanan Mishra
Wonders

All wonders,
The sky, the earth,
And in between
We are all.

Wonderful our life
And our lifestyle,
Wonderful the air
And the water in file.

Ours is a wonderland,
We all are in wonderment,
Wondrous our livings
And our merriment.
We are in mesh, see
In mesmerism.

Gajanan Mishra
Wonders Of The World

Wonders of the world
Creatures in general
East or West
North or South
In water or in Land or
In sky and whether you
Welcome or bid good bye
All are equal in birth and
Death and they are single
Although they seem plural
For which we prepared
A sketch and went there
For nothingness
Who we are
Wonders of the world.

Gajanan Mishra
Wonder-Struck

Wonder-struck rain
Left aghast
Where to go
Never before
Heard seen
Thought of, imagined.

Gajanan Mishra
Wonder-Struck - Love

I am wonder-struck
With your charm.
I am wonder-struck
With your passion.
I am wonder-struck
With your friendship,
Also with your enmity.
Let me wait for you
like the Cakora,
The Indian red-legged
Partridge.
Let me stand here
Like a statues.
Let me conquer you.

Gajanan Mishra
Wonder-Vacuum

I like it,
Vacuum cleaner.
As it helps me
To find the right one
And the logical one
To ask and
To believe,
To read and
To write,
To sleep and
To rise.
The vacuum cleaner
Is here as always
To make me wonder.

Gajanan Mishra
Wood and fire
Fire appears
In a concealed
Form in wood
And fire reveals
At other times.

Whether wood is
The cause of
Real happiness
Or the fire
I am not here
To say before You.

O my dear, I know
You are like fire
I am the wood here
I am performing
My duties and
You are Yours.

You manifest
Differently in
Different forms
At different times
That I know
Only for the welfare
Of all here.

I am sure
I am not wood
I am the fire
In this wood form
At present here
It is You who
Can make me change
as per Your wish.
Gajanan Mishra
Wood In Fire

I have seen the fire
There is fire in a piece of wood
There is wood in the fire
I have seen the fire
Fire is present I have not seen
And it beyond my knowledge
And you are here with me
I have told you so many things
And you hear all uttered nothing
And you are present here.

Gajanan Mishra
Wood Is In The Fire

Wood is in the fire,
Fire is there,
Where we are.

Gajanan Mishra
Wooden Body

Wooden body,
Wooden house,
Wooden words,
Wooden life.
And everywhere
My thought process
Goes to burst,
Though I am
Not prepared
For all that.

I am not prepared
For anything here,
I know nothing is
Certain and
In uncertainty, we
Moved leaving
The bags and baggage
For no reasons
Thereof at any time
In numbers.

My words shine,
My body shine,
And I need
Some music
To play before all.
I know the night
And the value of
The song at midnight.
I know the mountain,
I want to climb.

The world permits me
To go further,
To write further,
To shine more and more
For others.
Wooden Doll

Being a wooden doll
I am not independent
I am not able to do anything
O my Supreme Controller
You yourself do whatever You like
I am a wooden doll
I am a puppet
In Your hands O my Master

Gajanan Mishra
Wood-God

Wood-God,
Wood-man,
Wood-land,
We love God,
We are men,
We are on the land.
Wood is water,
Wood is earth,
Wood is air,
Wood is sky,
Wood is light.
We are wood,
Wood is ours.
We are woods.

Gajanan Mishra
Tell me a word
that is not hymn.
Tell me a tree
that is not medicine.
Tell me the name
of a man who is faultless.
Still we praise men,
Still we cut the trees,
Still we misuse words.
It is because
we know nothing
and we think ourselves
great and wise and like to
we live in hypocrisy.

Gajanan Mishra
Word And Action

Do, what is right thing to do.
Utter, what is right word to utter,
Keeping in view the right time here.

Gajanan Mishra
Word And Trust

Bring the faith
In to existence through words,
But trust not the words.

Gajanan Mishra
Word And World

Poet is
In between
The word and
The world.
Poet has stolen
The words of the world
And started reciting poems
And the world began to dance.

Gajanan Mishra
Word By Word

Word by word
I am here
To make you
Understand.

But the meaning
Of the letter
I failed to
Understand.

No perfection
I marked
Either in reading
Or in writings.

Understanding is
Partial, I know.

Synonyms, purports,
Even transliteration
All are beyond control
And I am helpless.
But life deals
Directly with all.

I am unable to capture
Even the vital parts,
And wander in forest
That has no tree.
I swim in the river
That has no water.
My incapability,
Let me express to
Dream in the sky
That has no stars.

Let me jump the line
That has no words.
Word Has

Word has its own light
Enlightened your life with it.

Misconceived not and be open
And go out of prison.

Your probity provide you
Privilege and your success
Follow you whole days.

Power of procreation
Comes only when you are
perfect and in perfection.

Word has its own light
Try to conserve it.

Gajanan Mishra
Word Has Its Own Power

Word has its own power
Through word you can win war.
You are here to get peace
Love and affection are nice.
You are there for welfare of the world
You belong to the world in toto
Be soft be feeble and mild.

Gajanan Mishra
Word Is

Word is in search of its meaning,
Meaning is there without answer.
Life is an answer that is there
We are not trying to know the life,
How lazy and how foolish we are!

Gajanan Mishra
Word Is A Plea

Word is a plea
Action is a plea
Plea and pretence
Is the cause of
Self destruction.

Gajanan Mishra
Word Is That

Word was/is that,
We would go together.
Word is that
One would not wait for other.

Water is there in its place,
We would go without touching water.
We would also hide ourselves from air
And would touch the sky.

We would not sleep,
Word was that.
No one would use another
As bait.

Gajanan Mishra
Word Life

Word word life life
word life life word.
Life has its own word
Word has its own life.
word life life word
Life life word word.
Are you ready to catch
The word in your life?
Has your word the strength
And power the bear the life?
Through the word
Is your life become happy?
Word word life life
Coining of words through life
Is the successful art
That is to cultivate.
You are here
I am here
Words are around us
Go and trace
Go go and crash.

Gajanan Mishra
Word-Journey

Go with word - journey
Pleasurable and wonderful.
If it is positive
It is well and good.

Go with word-journey
be cautious while going.
If it goes negative
It creates so many enemies.

Gajanan Mishra
Word-Map

Word-map,
Be aware.
Avoid any
Head on collision.

If you are senior,
Remember one thing
Love and blessing
Is required from you.

Use your own
Natural resources,
Think others
As yourself,
Try not to overtake.

Be right
Staying on the left.
Controlling the indicator
Fill up the gap
Of your thought.

You are to tell
some untold story
About life
You are to tell
How you are getting
Benefit with all tenderness.

Gajanan Mishra
Word-Map 2

Word-map
I know never black.
And we are to
Cross it everywhere.

Try not to ride
On the word reckless,
Control yourself.

O poet, Let me salute you,
You know better what to do.
Sole patch to get
Other's thought process.

Light is on
And it is day
Be aware.

Moving words
Belong to none
And yet
You have reared them.

Thanks to you poets,
Please go on telling,
We are here to hear you.

You have the liberty
To use any word anywhere
But you have a duty
To climb in smooth manner.

Permission is restricted,
And it is the only truth
Others equal-keeping in view.

Gajanan Mishra
Word-Power

Show your word-power
To gain power.
Take this time
As yours, my dear.

But think not
Yourself as sandpiper
And sleep not with
Your legs in the air.

The sky would fall
Take it sure
And your legs would
Not give support.

Nothing is unknown
Time alone is there
To give you crown
If you are truthful
Wait for day and nights
The only croydon*.

* Time has two wheel- day and night
it is croydon.

Gajanan Mishra
Words - Sum And Substance

Words are not at all
Favorable and yet,
We are running
Behind the words,
How fools we are!

We appear very pleasing form,
But in fact not so, hard to hear, though.
We are eager to reap the fruits,
No value, we know, though.

Are we brave enough to talk
Face to face with the truth?
Our fortune is under our control,
Yet, we are not able to extract
The sum and substance of the matter.

Gajanan Mishra
Words - Unable To Express

By an error
I am using words
To express my thoughts,
I know words are
Not able to express
My thoughts
As they are and
What they are here.
Words can express themselves
With certain meaning
That are relevant.
Relevancy is there
In my thoughts that words
Failed to recognize.

Gajanan Mishra
Words And Colours

Words and colours are here,
Let us go with them, my dear.
Peace and love is ours,
Let us take it to the hearts.
Hate and war are there
And not for living beings
Like us, they are for the dead,
And we do not want death.
We want to live, live in peace,
With words and colours of
Love and love and love.
Come on my dear and let us
Love each others, we all
Creatures of this world are one.

Gajanan Mishra
Words And Expression

Let my words not hurt any one. Let there be joy.
Permit me to express joy through words.
Let there be truth in my words.
Let me pray you to stay stable in wisdom
And stay unattached,
And be not dejected with wrong interpretation.
See and feel all good and not evil.
Go not with any dejection, mental suffering and despair.
Excuse me, if my words cause any hurt.
But be sure, it is all for good, it is all truth,
I am telling here everything out of love
And pure, pious thoughts.
Bear me please, I am just a writer and writing,
Writing with a hope to make your condition better and better.

Gajanan Mishra
Words And Lights

Words have their own lights,
Depawali is
The festival of Lights.
The poets are
Player of words.
The poets are
The bearer of lights
Through words.
Words and lights
Are really there
For the welfare
And poets are there
With fire.
Fire of words,
Fire of lights
And the poets are
Fighting with care.

Gajanan Mishra
Words And Meaning

What is the difference
Between words and meanings?
Let me not go with the words, as
I am connected with the meanings.
I know life is not important,
Important is its meanings.
Let us know the importance of snakes
And take care it though poison is there inside it.
Words can never be wrong, we should take care
To use the words in right place at right time.
We should understand the poems through the words,
But we should stay there with the words saying
So and so, here and there but silently
We should observe the reflection within ourselves.

Gajanan Mishra
Words And Thoughts

I want to stay
Beyond my words
And thoughts.
I know in silence
Life is better.
If silence is here,
Truth is not far.
If truth is not far,
You are near. I realize.
I love you, my dear
And I want not to
Keep my windows and
Doors shut, I want not
To put myself in a cover.

Gajanan Mishra
Words Are

How can I say
My words are valuable
When you are in ignorance.
I can say without my words
It is difficult on your part
To stay here and to live.

Words are eternal but not we
We are here and not words
How can it be.
You may agree or not
It is fact you are a word
That I am going to say.

Gajanan Mishra
Words Are There

Words are there, use them my dear.
Only words are there in your body,
Words are also there outside your body.
You are within the words, nobody is beyond the words.

Words are only truth, love the words, my dear.
Without words you can not exist here or there.
With words see the self and go forward.
Words are the plinth, you are the structure thereon.

Make conversation direct with the words
and feel love within truth that is there.

Gajanan Mishra
Words Are Coming

Permit me to declare
I am not willing
To receive anything
In return
For my own words
That I am delivering
Here for the benefits
Of all creatures.

I know my words are
Not mine.
The words are coming
On their own accord
When and whenever
They like to shine.

Gajanan Mishra
Words Are Dangerous

Words are dangerous
What is danger that is words.

Tell not I am rich
Tell not I have a large family
Tell not I am in such and such rank
Tell not I have given charity.

Words are dangerous
If you are going to believe
Even your own words
You are deluded by ignorance.

Words may not be exact reflections
Of your pure heart
Believe not words.

Gajanan Mishra
Words Are Everything

Words are everything,
But without words
We are living.
Life is nothing
But living
With words.
Daily dose is needed
But the words
Are cheaters at times.
We are to play
With words keeping
In mind caution notice.
Words are not ours,
We have to love them.

Gajanan Mishra
Words Are Honey-Like

Words are honey-like
Glances are playful
Smile is generous
My dear it is Yours
And I love You
By the power of love
Life me out from
The ocean of desires
O my dear, let me stay
Without fear.

Gajanan Mishra
Words Are In The Air

Words are in the air
They bear meaning only when
They touch the earth.

Gajanan Mishra
Words Are Limited

Thought is limitless.
All is thought
Thought is grace.
To express thought
Words are not capable.
Still I am expressing
My thought with a few words.
Excuse me, for deficiency
I know thinking is done
By the mind
Your intellect is superior
To mind
Ego is superior to intellect
Self is superior to ego
Memory is gained by self
I reflect upon something
Memory failed.
Excuse me I am going
With the words
To express you
And I know
You are limitless.

Gajanan Mishra
Words Are Not Mortal

Words are not mortal,
The users are mortal,
And the users stay
In the mortal world.
No one can find the error
In words and in truth.
The truth is always
Beyond shadows and
In them, the life-rivers flow.
Sorrow is there in life,
Not true always, though.
Life pierces sorrows
With nectar of silence.
And silence gets triumph.

Gajanan Mishra
Words Are With Me

Words are with me,
And I am offering you
Words only that are,
Though not mine, yet
They act as my rituals.
I need no change, true,
But I need the company
Of words in life full of
Silence here at this time.
Yes, silence is here
Adorned with fragrant
Perfumes and balms,
For a life, that is firmly
Held, unthreatened.

Gajanan Mishra
Words Can Change

Let me give
A structure
To my words.
My words are
Not mine.

But my words
Can change
The world.
Let me arrange
And rearrange
My sentences.

I make all
My parts of life,
And I live.

Gajanan Mishra
Words Crumbling

Words crumbling,
Language crumbling,
With so many lives,
With so many schools.

Monuments not built,
Yet, each one expressed
Eagerness to live in.

I am not in the mood
To mooch.

Monotone is there, of course,
In each word, each language.

Feel the monologue, dear,
And jump up the wall,
There in between you and me.

Gajanan Mishra
Words Failed

Words failed,
But I am here
To go ahead.

I have acquired
Knowledge from
My experiences
And I hope
I can reach there
At the top.

My body trembled,
Yet I proceeded.

I see there
Some placatory things
Still I go ahead.

Gajanan Mishra
Words From You

I wonder,
How I am staying here
Without uttering my words
Though I have my own language!
i wonder,
How I am not able to see
Though I have two eyes
That are my own.
I wonder,
How I am not hearing
The words from you
Though you are there to serve me.

Gajanan Mishra
Words Have Power

Words have power
Every one knows it.
And a good poet
Use this power
for the welfare.

Control the words,
My dear poets, through
air and fire.
And protect all
from heat and cold.

If anyone is in
needs of help for words
I am here, he may calls me
by phone or mail any time.

Gajanan Mishra
Words Have Wings

Words have their
Own meaning, own wings.
Take care the words,
The words are there
To take care of you.
You have the shadow
But the words have not.
You have the heart
But the burning and
Also the burying is
That of words.
Stay firm with your words,
And the words are there
To keep you intact.

Gajanan Mishra
Words Letters Numbers

Words letters numbers
My friends my guides
My philosophers my masters
I take them with me everywhere.

I can not count any number
I can not utter any word
I can not recite any verse
They are using me everywhere.

Gajanan Mishra
Words Sweet To Hear

That I love
Smiled with full satisfaction
That I love.

I love all here
They are part and parcel of nature
That are beneficial for all
I love there and here.

Always I think good of others
And I am doing all works for
The real happiness of all
As I have unflinching faith in You.

Gajanan Mishra
Words Unlimited

Words Unlimited,
Unlimited words.
Words are in life
And life unlimited.
Unlimited life,
Unlimited fortune.
Fortune unlimited,
Good fortune- all
For the sun,
For the moon.
The sun eats you,
You eat the sun
Along with black moon,
For all good everywhere.

Gajanan Mishra
Words With Vision

When words agree
With vision,
It reflect
The universe,
Manifest truth
With love.
It is light,
It is life.

Gajanan Mishra
Words, Through Which

Words, through which
I can be separated
From myself.
I know, words are
Not capable to
Separate me
From myself.

But I am
With the words
For the purpose of
Separation from you.
Words are good though.
I love my words
With all its emptiness.

Gajanan Mishra

And face no impediments.

Everywhere with all.
All perfection is
There in all goodness.

One nature,
One man,
Rules others.

Gajanan Mishra
Work And Work

Work and work
But work can never be
The goal of life.

And I am going forward
Where you are
To catch that bright star.

And I am going forward
To chop time
And I see time within.

You are within, I know
With all honey.
It is you- the world.

Let me work with honey,
But you are far away, I know.

Gajanan Mishra
Work And Work And Honey

Work and work
But work can never be
The goal of life.

And I am going forward
Where you are
To catch that bright star.

And I am going forward
To chop time
And I see time within.

You are within, I know
With all honey.
It is you- the world.

Let me work with honey,
But you are far away, I know.

Gajanan Mishra
Work Done

Work done
Only for the satisfaction
Of the people and
For the welfare of the people
Are the best work.

The sovereign here,
In our democratic system.

In the service of the people.

Gajanan Mishra
Work In Subtle Ways

See
The law of nature
Is working in subtle ways
Unknown to us.

Be careful
To protect yourself, my dear
At any time you may
Fall down again in this platform.

Gajanan Mishra
Work Is A Dream

Work is a dream
Attend it, my dear.
And you are fortunate
To get a chance
To accomplish.

Life itself is a dream,
Let us make this
Dream as a fruit of
The truth and love.

We are all
At the gate of heaven
Let us work here
With joy together
And discover the nectar.

Gajanan Mishra
Work Not

Work not,
If know not
How what for and
Where to work.
Find not fault
In work and
Work, day and
Nights.
But work
And think not
You are working.
Working is nothing
But living.
Work and work.

Gajanan Mishra
Work Of Creation

Work of creation
Is going on and on
By Your partial
Plenary expansion
In all the universes
And in all the elements
This is my feeling
This is my notion
And You enter
In to the material creation
O my dear, I know You
Act in various ways
And it is none of my business
To know about Your
Innumerable energies
And I can not know You
Fully being part of
Your system and expansion
In Your creation
I know everything is here
Your representation.

Gajanan Mishra
Work Together

Work together,
For peace,
For prosperity,
For stability
In our own world.

Overcome all
Hesitations of
History to
Create a
New history.

Keep deep
Friendship for
Peaceful coexistence
With all acceptance.

Gajanan Mishra
Work Work

Work work and hard work
There is no substitute of hard work
Only by hard work you can earn money
And money is not a thing to believe
Money fetches good food
Virility beautiful wife and charity
And all above have no eternity.

Gajanan Mishra
Work Work And Work

Work is the means
Cessation of works
Is also a means.

Work and work
Work is ladder
Work is different
Parts of ladder.

Complete the works
And be perfect.

Gajanan Mishra
Work, Work And

Work, work and
Go on working.
Remember, dear
Hard work is
More powerful
Than Harvard
Said our confident
PM Modiji.

Go on working,
Working is praying,
Working is living,
Working is giving due service,
Working is nation's pride,
Working is our life.

Gajanan Mishra
Work, Work, And Work

Life is there
To work and work.
Working culture is
There in our blood.
Our blood would say
Who we are
And where we are
And how we are.
Life dazzles like star
Life opens the pages
With care through work.
Work culture is there
Here is us and
We are presenting it, see.

Gajanan Mishra
Worker And Laborer

Hip hip hurrah
Workers and laborers
Come forward
To build a new world.

Hip hip hurrah,
Hip hip hurrah,
And for your selfless
Service the world is
Going a way forward.

Hip hip hurrah
Hip hip hurrah
Hip hip hurrah
You are for the world
It is your world.

Gajanan Mishra
Working Hard

Working hard has no meaning
No meaning is there to defeat enemies
No meaning to maintain status quo
With neutral parties
No meaning and no meaning
As all are in illusion
All are called ignorance
Including myself and my sense.

Gajanan Mishra
Working Senses

Working senses are superior to dull matter
Mind is higher than the senses
Intelligence is higher than the mind
The soul the ultimate truth is higher
Than the intelligence
I am with this ultimate truth always.

Gajanan Mishra
Works With Attachment

You are doing your harm,
By performing works with attachment
And a desire for its fruits.

Gajanan Mishra
World - I Do Not Like

World - I do not like
I like love
I love you my dear
Only love you
My love is exclusive.

I know you are my
Uninterested friend
You are all powerful
You are all-knowing
I am happy with love
My dear my love is exclusive.

Gajanan Mishra
World - Water

Mind is milk
World is water
Be cautious.

Gajanan Mishra
World And I

The World is my path
And I'm going through it
With seas and mountains
Through my transparency.

I am the bird
Taking all airs.
I am the time
Fixed with light.

If you so like
Filter me.
I am the spark,
If possible
Catch me.
I am turning.

Gajanan Mishra
World Connects

Here and there
With rainbow,
The World connects,
Life stretched
From this to that.
All hours
Not ours, it is sure.
All new at every moment,
The wind, the clouds.
And we see with new eyes,
The newness everywhere.
The truthfulness, in us
Takes us from near to far
And we have our own earth there.

Gajanan Mishra
World Hides

World hides
In your body
O my dear
And you are
Within me.

Gajanan Mishra
World Is Fine

This world is my world
My world is fine
Exit gates are nine
Here I whine
This world is mine
I have everything
In my world
Still I whine
Here you stay
In my world, my dear
With a smile
And still I whine.

Gajanan Mishra
World Is Greed For Money

But you are not
You are above the world.

I know money or wealth
causes downfall
But love elevates to highest peak.

O my dear, I love You
And going after You
Not after the world.

Gajanan Mishra
World Is Nothing

World is nothing
But it is our thought.
We are here, it is our world,
And we think, it is our pleasure,
It is our pleasure, as we think
Ourselves charming and beautiful.
It is our world and we are here,
Who is there to say we are
Filthy and impure.
No, never, it is not.
It is only our thought
For which we are here.
The mountain, the river
The clouds, the fire
The sky, the air all are here.
All these are nothing but our thought.
We are living on our thought,
And we are not living because of our thought.
And rest, is not true,
I know, ans it is known to You.

Gajanan Mishra
World Is Nothing But

World is nothing but
body, senses, wife, children,
mind, intellect, life breath,
society, country.
World is nothing but
Love, hate, anger, passion,
Falshood, desire, action
And so on and so on.
World is nothing but
Writings on the wall,
Prohibition, prescription,
Realization, injunction.
Life is nothing but the world,
The world in life, life in world.

Gajanan Mishra
World Is One, See

World is one, see
We are many in this world.
World is for us, see
We are not for the world.

You know so many things
About this world
And know nothing
About You.

Love is the only thing
That bind the world
Enjoy and love
Life is only for love.

Gajanan Mishra
World Is Our Home

We are all homesick
Truthfulness is the only
Way to win the world
We are here to learn
Mercy love surrender
From our home
This world is full of
Knowledge and we know
Charity begins at home
World is our home
This world is our heaven
Silence is here gold
Earn silence value silence
Our world is made
Our of silence
World is our home.

Gajanan Mishra
World Is Really Difficult And It Binds A Man

Truth or love or Almighty is easy and it frees a man
With truth one would not feel bondage or suffering then.

Gajanan Mishra
World- Life And Love

We are both
Happiness and misery,
Gain and loss,
Success and failure,
Winner and loser.

We are both
Killer and killed,
Virtuous and sinner,
Llove and hate,
Violence and nonviolence.

We are both hunting and hunted,
Preying and the preyed,
Raping and the raped,
Criminal and the victim,
Attacking and attacked.

We are both ruling and ruled,
Exploiting and exploited,
Abusing and abused.
Millionaire and slum-dweller,
Brahmin and lowliest.

It is the time to open our eyes,
Eyes of knowledge
And see the world ourselves
It is all but love,
It is all but truth.

Gajanan Mishra
World Love

What is love
Spell love.

This side love
That side love.

True love
False love.

Say love
Only love.

What is love
Soul love.

It is love
Super-man love.

Love love
Eternal love.

I love
You love.

Life love
Death love.

Wife love
World love.

Gajanan Mishra
World Means I

And I am important
Nobody and nothing is
More important than I.

I have my family
And my family is all
living and non-living
And my family is there
Where I am going.

I am on my safe-side
Except me there is nothing
And I think I am okay
And with me, the world.

Gajanan Mishra
World Mother

World mother-
This earth.
Let us take care.
At the bottom
Of the ocean,
There is the earth.
Water is there
On the earth,
The sky is there
Above the earth.
Trees of different
Colours are there
Here, on this earth.
Birds are there
Singing the song of life.
Life is there
On this earth
With the blessing.

Gajanan Mishra
World Of Words

I am in this world
World of words
I am a puppet
Moving here there.

My lineage never ends
I cease to appear
On either side
That is nowhere.

Gajanan Mishra
World Rejoice

Give people voice
World rejoice.

Dare not to repay debts
Mother mother-earth
Laughing at.

Gajanan Mishra
World View

Come to poet
And enjoy life.
Come to poet
And see beauty.
Come to poet
And know truth.
Come to poet
And have patience.
No non-sense can
Disturb you
And you have
At your hand
World view.

Gajanan Mishra
World-Citizen

Let me recognized as a world citizen
I can live everywhere and I can write on them
These visas passports are man-made and are
No use for me as these are made by vested interest.

Accept me as yours irrespective of my location
I have my own compulsions to admit you as my own
Let me write a lot about so many things here
And let me clarified I am not commercial what soever.

It is my consciousness that is passing from
One angle to another through various characters
Let me see what are the incidents that are demanding
And tell me about all that are genuinely delighted.

All the time I want to touch all perspectives
That are useful changing new patterns.

Gajanan Mishra
Worldly Distress

Worldly distress forgotten
By chanting your name
As elephant forget all troubles
In forest fire
By entering a river
I merged in the nectarean river
Of Your transcendental pastimes
And I desire never to leave
In the Absolute.

Gajanan Mishra
Worldly People

Nothing is there
Between you and me.
I am sure, you would
Come and I would go.
No flowery speech,
Just let the things
Pass as usual with
Or without identification.
Fleeting is there
And we wait for
Fragments union.
We wait till it is
Covered up in phases
With no one's help.

Gajanan Mishra
Worldly Pleasure

It is love, it is delusion,
Out of evil we derive
Worldly pleasure.

Gajanan Mishra
Worldly Snare

Worldly snare,
see all painful,
sense contacts

Gajanan Mishra
World-Made

See me
I am world-made.
Seeing me
You should not go mad.
Leave me on my own way
I am able to penetrate
The sky that is there
within you.
And where are you?
Are you not within me?
See yourself and tell
Your own tale.
You are the world
And you are busy in world-conflicts.

Gajanan Mishra
Worldwide

A good wine needs no push
See the bird in the bush.

The neighbours closed eyes
I spread myself worldwide.

Gajanan Mishra
Worn Out

We are here
Worn out
By hunger,
By thirst,
By fatigue,
For the inaction
And selfishness,
And loot,
By our own men
And servants.

Gajanan Mishra
Worn-Out

Worn-out clothes
Worn-out bodies
Soul and I
We both move
Connecting ourselves
With nature
According to actions
According to thoughts.

Gajanan Mishra

No misuse of goodness
No chance.

And it is whole good
And it is always good.

Think only
What is good for all
Keep thinking good.

Gajanan Mishra
Worry Not, My Dear

Worry not
Worry not for the way
It is there
Just try to see.

Let me say
Your going is
Beyond your control
Just try to feel.

Your seeing and
Your feelings are
Nothing new here
And all these are
A part of routinary
Process of nature.

Gajanan Mishra
Worse Than Animal

He is worse than animal as
He desires for self-enjoyment
And accumulation.
He is worse than animal as
He is in sin and he is
Of no use.
He is worse than animal as
He desires for worldly happiness
His nature is demoniac.

Gajanan Mishra
Worship

Worship.
No need to worship.
Why to worship?
Who to worship?

Answer is neither plain
Nor you are able to give.
Life is just an experience
And it ends soon after you utter words.

You just worship to yourself
You are your god and you lack nothing,
You are not here to suffer
You are here to love and love only.

If you want to worship,
O my dear, worship yourself.

War is necessary to refine the jar.
And jar-body is there

To drive away misrule from the area
Let us go with war not against any country.
That means war is necessary against the self
To establish peace and peace for the general people,
And peace is within, let them know through self-control.

My poems are never secondary,
No one can call it blasphemy,
But they are directly
Connected with the truth.
My poems are in no way
Connected with material
Arts and Sciences,
But they are true to the core
And coming under firm conviction
And they are infallible,
And they are all meant for
Men, creatures, most noble.
Men are to be known and read,
As the compiler of all beautiful

You are calling me

Your own arts, own crafts.
I know your poem can enlighten
The world with love and all goodness.

Writing On The Wall

Writing on the wall.
Check first
What is there and
If able, say a few words.
Words are not available
In the open market,
It is a fact, some
Exercises are needed.
What is that?
Is there some hidden agenda?
And who is not persecuted
On this land in some way
Or other, tell it clear,
No aspiration but fear.

Gajanan Mishra
Writing Poem

While writing a poem
Be truthful and honest.
While observing the life

Written By Poem

They say what you write is not poem
They say poem is written by the poem
And what is that I want to know
That I could not know yet as a poet.

Gajanan Mishra
Wrong - Everything

Wrong - everything,
Wrong - everyone.
Wrong - conception,
Wrong - direction.
No liberation,
Each one is in
Dangerous position.

No understanding,
No realization.
All are useless
And misdirected.
Truth is far ahead,
No happiness, some say,
Though, eternally situated.

Gajanan Mishra
Wrong An Innocent

Wrong an innocent
Is the greatest sin,
And hence throw not dust
To the sky, my dear men.

Gajanan Mishra
Wrong As Right

Wrong as right
You cannot say
Like this.

Tree is seed
You cannot say
openly with warranty.

What is wasted
let me say time
With this.

Greed is necessary
in giving opinion
painful though.

Gajanan Mishra
Wrong Concept

Declare not in any way
It is like this.
Declare not any concept
As final.
But everything is
Relative.
And you are here
Only to compromise.

Gajanan Mishra
Wrong Conception

Wrong conception is
The cause of praise
And chastisement.

It is the body
That has keep
All relations.

Think yourself
More deficient
Than everyone else.

Be careful and save yourself
From all dangers
Of material existence.

Remember here you are
In the highest platform.

Gajanan Mishra
Wrong Is Wrong

Wrong is wrong
And it is
Contrary to truth.
Theory is simple,
Life is there
In truth.
We are all truth,
Here all is good.

Gajanan Mishra
Wrong May Be

Always I call
To a wrong number,
But I know number
Cannot be wrong.

Wrong may be,
My dialing,
But dear, I know
Each and every number
Touches you.

And you wait
For the number,
Though it is wrong,
Through the number,
You eager to hear.

Number - no matter,
You hear, that is important,
And you are always
Ready to hear, I know.

You hear and you appear,
And you make me fearless here.

I know you are there
To take care
Each and every creature.
I know you are there
In each and every one.

I know when I call a number,
That is yours.
You are there to receive
My call and not anyone else,
I am sure here.

Gajanan Mishra
Wrong Number

If you are equal minded
You excel.

If you are dialing
Wrong number by mistake
Please disconnect soon.

Of course, it is your likeness
Likeness of the Self
That made you see equality
Everywhere.

Have an equal eyes please.

Gajanan Mishra
Wrong Password

Wrong password,
Wrong email,
Wrong person,
Wrong world.

But I am right,
I am ready to fight,
I am in your sight,
I have my own might.

Think not I am deserted,
And I am sure no one can
Avoid me by saying
Anything irrelevant.

I think I can win,
Win the time.
I am the time
And no one can win me.

I regret
I am with you right now,
And nothing wrong
To take you for good.

Gajanan Mishra
Wrong To Think

No birth no duality
It is wrong to think
I have taken birth.

No death no oneness
It is wrong to think
I am going to die.

Gajanan Mishra
Wrong Tree

No tree is wrong,
And to take care
The trees is a must
Suited for life.
Trees purify all,
Let us make friends
With full confidence,
Our part and parcels.

Gajanan Mishra
Wrong Turn

Is it wrong turn
I know what is what
And I do not know
What is not what.
Not knowing is turning
Knowing is wrong-turning
Relaxation is not enough
In knowing and not knowing
Just know what is what
And see what is happening.

Gajanan Mishra
X-Ray

X-ray,
It's cold.

But winter arrived
As hot stuff.

I see
Everyone in
Hot water.

But see
I am not
Hotfooted.

I am the host here
With my own x-ray.
I am being attended to
By the sky- present here.

Gajanan Mishra
Yanja Is Yanja

Yanja is Yanja
Meaning sacrifice
And performing duty
Without any selfish motive
And sacrifice for
The welfare of all.

O men, engage yourself
In performing yajna
Non-performance of duty
Is selfish acts causes
Quarrels, strife, and annoyance
In family and in society.

Gajanan Mishra
Yeah, I Miss You

Yeah, I miss you,
But I know,
You are not truthful,
And hence, you are not mine.

I know, my future
Is not there
With you.
I know, no
Love was there,
In you.

I know, your voice
Is choked up there,
When time is
Ready to testfire.

Gajanan Mishra
Yeah, You Are Mine

Yeah,
You are mine,
Mine only.
I am yours,
Yours only.

I want to see
The world
In your eyes.
I want to work
With your hands,
I want to walk
With your legs.

I want to build
This world in a
Much better way.
You are superior
To all, I know.
You are the root,
You are the substance,
I know, no
Contradiction is there,
Either in you
Or in me.

We are both,
But one and
The same.
We are
The Absolute Truth,
We are alive,
We enjoy life.

Gajanan Mishra
Years Spent

Years spent
Not important
Contribution made
To count.

Combating the odds
Real challenge
Long way to go
Be patient.

Gajanan Mishra
Yellow - Not Material

Yellow - not material,
Forget not yellow.

Gajanan Mishra
Yellow And Red

Difference is in
Yellow and red,
Candle light and
Twilight.
And we are here
Busy in useless
Fight.

Peace and freedom,
You came, where from?
Here we are, in
Our white wings
But no where to go,
Traffic jam and
Road block.

Still we hope,
We will go,
Beyond your reach.
Still we hope
We will build
Everything
That are required.

In our eyes
It is yellow
Or red
But in fact
It is not so
And we reckon
Your success.

Gajanan Mishra
Yellow Bird, Black Bird

Yellow bird, black bird
And all birds came to me
While I was sleeping.
My shadow was no more with me
And the space was not lying vacant,
I approached the birds to sit there.
And they all sat under that tree,
The tree is really not mine.
Still I love the tree with its
detached leaves and flowers and fruits.

Gajanan Mishra
Yellow Red

Yellow, red,
Green, blue,
Let me say
I love you,
For the truth.

I love you,
Not only in words,
But in the real world.
Let me say and confirm
In between no space flows.

We, both original,
We, both final.
Let me appear
For you.

For you only,
I am here, dear.
In my totality,
With you
I touch eternity.

With all colors,
Symbols, numbers
And figures,
Let me conclude
I am the sunflower
Fruits.

Gajanan Mishra
Yes America

Where is my root
You are telling
about only roof.

I am not telling
anything to anybody
you are interfering
for nothing.

Yes, America
you say
I am here
to hear
to obey.

Gajanan Mishra
Yes And No

Yes and no
Believe and not believe
Virtue and vice
Present and not present
Theists and atheists
Both groups are free to
Do their duties
But my dear, I must say
Go for love
And not for lust.

Gajanan Mishra
Yes And No Two Words

Yes and no
two words-
That's all.
All that
you can touch,
For no reason
thereof.

I can watch
How the water
is going away
towards the sky
and I can say
How much truth is
there in that words.

And still they
are in love.
And still they
came together.
For the reasons
not known to them.
And for nothingness.

Gajanan Mishra
Yes Classic

Yes classic and
It needs coming back,
It needs reinvention
And reintroduction.

Let us rediscover
The self, the truth
And depict it with
More vigor and skill.

Our life
Our future
Our language
Our culture.

All classic
All fantastic.

Gajanan Mishra
Yes Everyone

Everyone
Yes everyone
Suffers and
Enjoys the results
Of his own work
Lament not my dear
For anything here
It is you to decided
Which is far and
What is near.

Gajanan Mishra
Yes I Am

Yes I am disturbed
Disturbed always.

And this is due to
This time this period.

Gajanan Mishra

And I need
No companion,
Though alone.

Attached to You.

Gajanan Mishra
Yes, I am begging,
I am a beggar,
In front of my own house.
I know not what
I am begging,
I know not what shall
I do with the things here.
No light is here to show,
No sound is there to hear.
I am alone, alone.
I know not what I am
Doing here and I know not
What is going on
At this time here.

Gajanan Mishra
Yes I Am Dasru Majhi

Yes, I am Dasru Majhi,
Aged about fifty six years,
I hanged myself and
Ended my life
On a cashew tree
In the orchard of
The village Pujipadar
Under Narla Block
Of Kalahandi district,
Odisha, India.
As you know I am landless,
But I had taken four acres
Of land from a co-villager
On lease for cultivation,
I had cultivated paddy
By borrowing rupees sixty
Thousand from local money lender
But my crops wilted.
I thought how could I
Repaid the loans, maintain
The family, and I was
Distressed and worried,
I am Dasru Majhi,
I have not received any
Assurance from anybody
I hanged myself and
Ended my life.

Gajanan Mishra
Yes I Am Going

Yes, I am going,
Going to die.
Though I know
Death can't touch me.
I am going with truth,
Though I know
I am staying always
With all falshood.
Yes, I am declaring,
Declaring that I love you,
And I am not perishing,
My existence is not lost.
Truth is here with me
And it is you.

Gajanan Mishra
Yes I Am Happy

Yes, I am happy
Here and
I am unperturbed.

What the world is.
I know how to
Do my duty and
I am doing it
To the best of
My ability and
Capacity for
The welfare of all.
I have no desire
For any fruits, see.

Gajanan Mishra
Yes I Am Living

Yes I am living,
I am living with myself,
I am living for you.
And you are there in me,
With the flood of love
That is migrating
To my breath.
See my tears, it is mine only.
I am living and living
Not with empty words.
Here, I am counting
One, two, three..
And you are listening me,
really I am lucky.

Gajanan Mishra
Yes I Am Wicked

You are telling me wicked
Yes I am wicked
I talk ill
I think ill
I see ill
I hear ill
I speak ill
I wish ill
I am wicked
According to you
But what is ill
Please tell me
If everything
Everywhere and
In everybody
My Almighty is residing
Tell me if good
Would come about by itself
Where is wickedness
Nothing is ill
Nothing is wickedness
When my Almighty is
Granting me strength
Ability knowledge and courage
To do for the larger interest
For the welfare of all.

Gajanan Mishra
Yes I Am Writing

Yes, I am writing,
Writing about you
Always here.
I am writing about you
As because, there is
No one present here
Besides you
At this time with me.

Gajanan Mishra
Yes I Can Control You

Yes I can control you,
See my strength here,
And I am untouched.
No envy, no illusion,
No greed, no anger
Can make me their servant, dear.
I am free and staying here
Without fear.
I am my own master.

Gajanan Mishra
Yes, I do admit,
I am covered by You,
As the mirror is
Covered by dust,
As the fire is
Covered by smoke.
See me still I am
Pure gold as before.
I know nothing is mine
And hence I desire nothing.
I know what ought to do
And what ought not to do.
Still I am covered by you,
I desire to be the truth.

Gajanan Mishra
Yes I Have Seen

Yes I have not seen the sunshine
That is impartial,
I have not seen the villages, towns
That are free from fear.
I have seen you, my dear, everywhere
And all the places are here.
I am well-acquainted with the facts
That are the evenings and the mornings.
Yes I have seen you
And I know you are the only truth.
You are the source of all happiness, my dear,
And I am here within you with pleasure.

Gajanan Mishra
Yes I Play

Yes I play,
And I want to play,
At my own risk.

I need,
I need no more help,
And I want to play myself.

I dream,
I want to dream
In my play.

I play,
I want to play with time,
In eternal stream
That is in me
With all gleams.

Gajanan Mishra
Yes I Want Wealth

Yes, I want wealth,
Your name is my wealth.
Yes, I want wealth,
Your blessing is my wealth.
My wealth grows with your presence,
Yes, I want your presence.
Yes, I want to hear,
Hear from you only.
O my dear, you are only
the knowledge, and that is
worth knowing and that
can be taught by you only.

Gajanan Mishra
Yes Is Not Any

Yes is not any,
No is yes sometimes.

For hours
We struggle
To know something.

No reasons of wandering
And so we write.

We write poems
To touch the hearts
With love.
Love is necessary,
We know here.

Life is for love,
And love is poetry.

Gajanan Mishra
Yes, it is also possible
To partition the air
Where there is life.
But you have no right
To partition the people
Who are dead.
People are there as before,
It is you who partition himself.
It is also true partition
Is not a one-way affair.
The star is there
To answer.
Followers are only
Medias.

Gajanan Mishra
Yes It Is Mind

Yes it is mind, that is
With truth and it is good.
But I am not sure
Mind is here tomorrow.
O my dear, keep control
With a love-remote
And always keep on
With pious channel
And switch off
The rest good for
Nothing channel.
Let me interfere
Your life with this, my dear,
As you are my part and parcel.

Gajanan Mishra
Yes Means Yes

O, yes,
Yes means yes.
I love you
Here there
And everywhere.
I am ready to
Give you
What you want.
See me
I am within you
And you are
Within me.
But what you want
Tell me with
All purity.
I am willing
To give you
That you want
But be cautious
In asking
For the thing
That you wish.
Expressing wish
Is not easy, remember.
O my dear, I am here
Search me not
Anywhere else.
Save your own time
And I am there, find me.

Gajanan Mishra
Yes Or No

Yes or no
Not both.

No needs to
Go further
Go anywhere.

It is here
You can find
Everything
That you need.

Listen or not
It is here
All sounds
With you.

It is
Everything
In my poem
Read or not.

Gajanan Mishra
Yes September

Yes, Yes September
Tell me, what do you
want from me.
I am ready to receive
all new that are here.

New god, new rice, new cloth
and all that you have prepared
for all here with nature.
I start my reading and writing
and by the way understanding all.

Yes September, I know, you are
the fore-runner here with
new data, new entry, new chapter,
And coming to me as a sincere reader.

Gajanan Mishra
Yes Sir, It Is True

Yes sir, it is true,
I am blind, but my
Faith is not blind.

Gajanan Mishra
Yes Sir, We Shall Meet

Yes sir, we shall meet
As soon as possible
To solve the problems
We have here.
And our problem is
Our identity.
They are there
To destroy it.
We must give them
A lesson as they are
The traitors of our
Odia race.
They are disloyal,
They are treacherous.

Gajanan Mishra
Yes Sir, Yes

Yes sir, yes
Always yes
I have kept full faith on You
And I am Yours always
If anything is in negative
And I have not got it
I am sure you design to give me
Something better sir, something better.

Yes sir, yes
I am keeping contact with you always
I have full faith on You
And so I do not seek what is pleasant
I do not shun what is unpleasant
I am here always self satisfied
I rejoice in everything that happens
All that has happened
All that is happening
And is yet to happen
I know all is for the best.

Gajanan Mishra
Yes Sir, Yes Sir

Yes sir, yes sir,
Tell me about fire.
Fire is here
But no one
Is in fear.
Fire is here
And everyone is
Taking pleasure.
But I see, sir,
How they suffer.
Youngster, stay there,
You say sir, whatsoever
And you are pouring on me
Your blessing water.

Gajanan Mishra
Yes, I Am A Slave

Yes, I am a slave,
Slave to my wife
And my family.
I am not free
At home
And also at the office.
I am forced to do
Everything including
Reading, eating, sleeping,
Sitting, walking and
So many things.

Even in writing and
In composing poems
I am not free.
See they are telling me
You should not write,
In such and such words,
In such and such manners,
You must not keep
Grammatical errors.
But I failed to understand,
Whether the thought and
The emotions come first
or the grammars.
They are telling further-
Your poems bear
No poetic sensibility at all,
And they are prosaic,
Even more prosaic than the seniors.

Anyway, I am not free,
It is true.
I am the slave to everyone here.
And a slave has no value,
That is the truth, I know.

Gajanan Mishra
Yes, It Is Mock

Yes, it is mockery,
Mock to eat food
Under the control of another.
Yes, my life is useless
As because I am not
Able to save my mother-land
And failed to use mother-language,
And not taking care of my mother.

Gajanan Mishra
Yes, we cannot reform
A bad man.
But we must not stop
To clean the floor.
We must remember our
Duties and we are here
To perform honestly.
Let the bad man get
The opportunity to
Drink the nectar of life.
But offend not any one, and
That we cannot do,
We have no right,
Offending is welcoming ruin.

Gajanan Mishra
Yes, A Burden

Yes, it is a burden
My life
My world.

I have my own tree
I have my own air
I have my own sky
I have my own earth.

yes, I am overlooking
My burden
My life
My world.

All are burdens
Without love
Without love.

Love me O my dear
As I love you.

Gajanan Mishra
Yes, a man is
In needs of comfort
And pleasure
And honor
And praise,
And he feels
Boastful of his
Actions in public,
He thinks himself
Prompt and sincere.
Yes, a man performs
With egoistic feeling,
And accumulating
Everything for nothing.

Gajanan Mishra
Yes, Everything Is You

Yes, everything is you,
I see you everywhere.
And in everything.
You are everything
And you are everywhere,
Always at the sametime.
Yes, you have given me
Full right to be free.
I do agree I am free,
But nothing is being
Done by me. I am helpless
And I am not able to
Do anything, I am also
powerless and I am nothing.

Gajanan Mishra
Yes, Father, I Said

Yes, father, I said
But no replied.
Still, I salute,
I know, my father
Is complete,
In all respect.
When my father is
Here with me,
See me, I am
Free from all worries.
My son is both
Brilliant and
Handsomest.
My father is so
Vast and deep,
Both the sky
And the sea
Concede defeat.
My father is
Really incomparable,
And I am proud
That I am
His disciple.

Gajanan Mishra
Yes, Go

Yes, go
And going is there
Always continues
I know.

And I know,
What you said
In the evening,
Before the sun.

Before the sun,
It is dark,
That I know,
While going with You.

I am discovering my own
History, read, there.

Gajanan Mishra
Yes, I Am A Man

Yes I am a man,
I am not an animal,
Not a bird,
not a demon,
not a god.

I am a man,
Simply a man,
a man with hands
feet, organs, senses,
love and affections.

It is common on my parts
to commit mistakes,
but I am free and ready to
correct my mistakes.

Gajanan Mishra
Yes, I am eating the earth
And drinking the sea,
And I am the noblest man,
I am the wisest man,
I am the mightiest man,
I am the only man here,
And keeping my own future,
As said by Kahlil Gibran.

Gajanan Mishra
Yes, I Am Here

Yes I am here but
You are not able to
Touch me, see me, hear me.
yes I am here
You can touch me,
You can see me,
You can hear me
If you are committed to yourself.

Gajanan Mishra
Yes, I Am Inclined

Yes, I am inclined
To go with you
As there is love.
Yes, I am inclined
To sacrifice everything
As there is truth.
Yes, I want to see
Together the fruit
And the root.
I know nothing is mine.
I remain equable
Both in loneliness
And in practical life.
Let me reiterate I love you.

Gajanan Mishra
Yes, I Am Living

Yes, I am living and
My house is in the sky.

But I am eternal
And blissful.

I never think
Life is real
And factual.

I know I am
In a mirage
In the desert.

Where is pleasure?
What is peace?

Here and there,
Only fire, fire.

Gajanan Mishra
Yes, I Am On This Wheel

O, yes,
I am on this wheel
and you are bowling
the whistle.

You are telling me
so many things and
I am listening
nothing, nothing.

I have to revolve
round and round,
And I have nothing
to do besides this.

Rest are to be understood,
I know you are wise and good.

Gajanan Mishra
Yes, I Am Struggling Very Hard

Yes, I am struggling very hard,
To exist,
In this world.
This world is
Full of miseries.

No peace,
No tranquility.
See me,
I am suffering.

And I dedicate everything,
Take what is there in me,
What is there for me.
Let me struggle in my way,
Struggling is really charming.

Gajanan Mishra
Yes, I Am Telling

Yes, I am telling
All about poetry,
All poetry.
And you know
Poetry is life,
Life is in poetry.
I am telling
All about truth,
All truth.
You know, life is
There in truth.
And truth is there,
Where there is love.
You know love is poetry.

Gajanan Mishra
Yes, I Can Write Anything

Yes, I can write anything,
As you are here with me.

I can write the truth,
Yes, I can also write the heaven.

I know, everything is there
In this life at every moment.

At every moment I know, I am
Under your mercy and grace.

Gajanan Mishra
Yes, I Do Agree

Yes, I do agree,
Love can do anything.
And I love you for this.
I love you, I love you,
Let me tell you and you are
There only for me, that I know.
You can do whatever you like,
But I love you I must tell you
From head to feet.
No one is there who can
Give assurance with all
Faithfulness like me.
I am yours and you are mine,
Listen the call given by the time.

Gajanan Mishra
Yes, I Have

Yes I have everything,
Yes, I have the possibility
Of boundlessness.
But I have to stay
Cautious and careful and good.

I am not here
To deceive life,
I am not here
To allow destruction.

I am nurtured and
Protected by time,
I know, I am here
To grow and grow and
There is no end of my growing.

Gajanan Mishra
Yes, I Heard

Yes I heard
The lion's roar
Within.

What the shepherd said
Not heard
By any body is
Not my version.

That You thought
About You
And it is
About me
Is correct.

Heard stroke
A head and I
Have not said
Anything that
is not meaningful
And yes I said.

Gajanan Mishra
Yes, I Love You

Yes, I love you,
Yes, I love all.
No one has right
To restrain me
In my loving.
I know loving is
An exercise
By which one can
Stay here for ever.
Love is the light
In which one can
See the self.
And you know self is
Omnipotent, omnipresent.

Gajanan Mishra
Yes, I Want To Know

Yes, I want to know
Your real identity.
I want to know
Who you are.
I want to know
Where you are going.
I want to know
What do you mean
With the term life
In the present context.
I want to proceed
To you in the process
That is common but
Most unique.

Gajanan Mishra
Yes, It Is A Place For Enjoyment

Yes, it is a place for enjoyment,
It is substantial, it is dream.
We can smile, we can laugh,
We can cry, we can do whatever
We like for the sake of dream.
The dream is real, real is dream.
You cannot say any other thing,
You can catch the dream and
Stay whole day and night.
Dream is yours, my dear,
In dream you can realize what love is.
In dream you can know the truth.
I am running after you, true,
And it is a bliss, I know.

Gajanan Mishra
Yes, It Is I

Yes, it is I
And I have to go,
Go to where
That I know not.

But I have to go
With virtues
And with glories.

I have to search
My own world
That is there
For all times.

Yes, it is the words
That are supporting
To the points.

Gajanan Mishra
Yes, It Is My Death

Yes, it is my death,
That invites me to die,
And I am dying always.
Without taking leave
From any court and
I am ignorant about
The evidences therefor.

The actions are virtuous,
No one can say with guarantee,
And I, though present for long
Did not know what is there.
For which I am greed in my words
And it is life through
Spiritual practice and good company.

I am not inviting death
But death itself is coming to me
For the reasons best known to all.
Nothing to explain more
Dry leaves are falling at this time
Some one says it is winter
While another says it is summer.

Gajanan Mishra
Yes, It Is True

Yes, it is true,
You are giving me
Water, food, clothing
As and when necessary,
But my dear, I am
Not the recipient.
Yes, it is true,
My body is not mine,
And I know
By giving happiness
To others, the entire
World is mine.
Nothing to give, nothing to take,
Nothing is sin and nothing is pious.

Gajanan Mishra
Yes, let me greet all,
On this very republic day,
Twentysixth January.
We are sovereign and
We, the people have
Supreme power.
But let us feel sorry,
We are not able to
Elect so far all good
Representatives for us.
We are not being supplied
With the bare necessities of life
Like food, clothing, and shelter,
And proper educations for future.

Gajanan Mishra
Yes, Money Grows On Trees

Yes money grows on tress
Plant the tree of labour
Plant the tree of honesty
Plant the tree of integrity
And you go for reaping money
Use local economy and local people
Both in wholesale and in retail
In gold tree you can reap gold
And in Coal tree you must reap coal
Going with coal you look black
And Black will take no other hues.

Gajanan Mishra
Yes, My Love

Yes, my love,
My love is going with me.
Going towards that green park,
Going towards that star.
I love my love,
As love is in my words,
Love is in my works,
Love is in my life.
My love has given me
Horse gallops,
My love has given me
Ocean waves.
I love my love,
It is for love
I fulfill my dream here
In the sky, here
I am able to fly.
My love is here with me,
And I care not the time.

Gajanan Mishra
Yes, Neuter

Yes, neuter,
Nectar and
Nature.
All are ours,
But we are
Not theirs.
They are all there
But absent, we are.
No need to explain
In details.
But need is there
To tell all
Openly and freely
For all.

Gajanan Mishra
Yes, Please

Yes, please,
Say what you like.
You are free,
Full freedom is there
With you.

Yes, please,
Do, what you like,
But do, no harm,
No injury,
To others
At any time.

Stay free
From all.

Yes, please,
You are here
To speak, to do
As per your will,
Your good will.

The sky,
The earth,
The air,
The water,
The light,
Everything is
Yours and
You are here
With all.

Understand the time,
The relation,
The living,
The love
And the truth.
I know, truth is
To be discovered
By you.

Gajanan Mishra
Yes, Sir.

Yes, sir
Yes, sir
Tell always
Yes, sir
To your father.

Your father
Is your creator
Your father
Is your
Spiritual Master.

Say always
Yes, sir
Yes, sir
To your father.

You are to
Carried out all
His instructions
Word by word
Word for word
To achieve perfection.

Accepting the words
Of the Father
Is to give honor as
Honored should be
Given to the Father.

Your Father is
Your creator
Say always
Yes, sir
Yes, sir.

And Yes, sir
To your Father.
Yes, Snake Is

Yes, snake is
the fan of the mouse,
Yes, the mouse is
the fan of the cat,
Yes, the cat is
the fan of the dog.
And man is keeping
dog as pet.

Gajanan Mishra
Yes, This Is Light

Light is here in me
I am light.

Yes, this is knowledge
Knowledge is here in me
I am knowledge.

Light is the goal of knowledge
I know my love
Your are light
You are knowledge.

You are with me
I am here with You
In light with knowledge.

Gajanan Mishra
Yes, We Are Developing

Yes, we are developing
On our own way
With our own English.
This English is only ours
With the scent of our own home.
We care not the comments of others,
As we know our English has
A separate identity that is ours.
We are unique in the world
And we have acquired so many things
That are new to this world.
You are bound to recognize me,
Seeing my honesty and integrity,
After onserving my truthfulness and love.

Gajanan Mishra
Yes, You Are Easily Attained

Yes, you are easily attained
Only through love.
Love is there where
There is total surrender.
Surrender is there
When the heart is clear,
And my dear, I know
Giving clearance is your wish.
And what is your wish
That I am not able to know.
It is you only who is
Observing me and engaging me
On that works that is
Meant for public welfare. Thanks sir.

Gajanan Mishra
Yes, You Are Free

Yes, you are free,
But not so free to
Dishonour somebody.
You have strength
That I know
But you are not allowed
To kill the innocents.
You have words
But you cannot write
What you think.
You are great
But not so great
To do anything
You like.

Gajanan Mishra
Yes, You Can See Me

Yes, you can see me,
Even after my death,
If you want to see.
You can touch me,
You can feel me,
You can talk to me,
I am there for you only,
And for all these your
Truthfulness is necessary,
Your love is necessary,
Your dream is necessary,
The most necessity is
Your will power, and you
Must not go after any kind of war.

Gajanan Mishra
Yesterday I have
Written a poem.
Please listen.
This is all
About you.
With you
There is my anger,
My love,
My passion,
My truth.
And I am the poem
Now in front of you.
I pray to listen
From the beginning.

Gajanan Mishra
Yesterday I was
Catches by fever.
But today,
It is okay.

What do you mean by
Fever, that I know not.
But I caught by fever
The doctor said.

The doctor prescribed
So many things but
I could not follow.
You cannot say-
My weak points
As because, not I
But the doctor is
In cart-track.

Gajanan Mishra
Yesterday It Was

Yesterday it was there,
Today it is here,
I know, you are searching something new.
Who said tomorrow it will be there,
And who has seen the tomorrow, That I am yet to know.

Gajanan Mishra
Yet Again Love

Love, love and again love
And yet again love, love, love.

No love, see,
The casting off this body.

No love, see.
No beauty, no virtue.

Love, love and again love
And yet again love, love, love.

Peace is there only in love,
And love, for healthy living here.

No fearful dreams, no unpleasant speculation
If love is here, and remember, love is for all welfare.

And it is love, that makes us together, my dear,
No fear, no grief, no loss and nothing, only for love and love.

Gajanan Mishra
Yet I

I am unborn
Yet I took birth.
I am the controller
Of invincible time
Yet I am going out.
I enjoyed in myself
Yet I enjoyed householder life.

Gajanan Mishra
Yet I Am Doing

Yet I am doing
Though there is nothing
That should be done
Nor is there anything
That should be attained.

Gajanan Mishra
Yet I Am Going

Yet I am going,
Though I know not
The result.
I am taking part
In the play
Knowing well
It is you
Who is watching
Always and
Constantly.
I know the fraction
And the whole.
And I know the damaged
And I am insured.

Gajanan Mishra
Yet I Win

See,
I am not here
To play with you.
And see,
I am winning
With love, humanity,
With non-violence,
With the truth.

No binding,
No biochemistry,
And without any binomial,
I go with bigwigs
And all declare me
As the winner.

And the enemy
Is in the bier.

Gajanan Mishra
Yet I'm Going

Yet I'm going,
Know not though,
Where and how to go.
If you know
Tell me, dear brothers,
While roaming
Here there.
I know we are all
Visitors here.
And a visitor has to
Visit and not allowed
To take anything.
Dear brothers, keep
Humanity within while visiting.

Gajanan Mishra
Yet Not Of Matter

Yet not of matter
O my dear, You may enter
But You must surrender.
And hereafter
You are known as creator
And be a caretaker.
And it is matter
That has a chapter
Without page-opener.

Gajanan Mishra
Yet The World

Yet the world is
Here as it was
Before me.
I appeared and
Declared the world,
Mine, all smile.
I am wordless now
And I hear sounds,
Sounds of the sky
And the sun
And the moon.
I called all stars,
But they listen not.
Each one is
Calling himself master,
And in the shadow
I kiss not any one
But myself.
They are all
Thirsty I know.
At my appearance
They sidelined themselves.

Gajanan Mishra
Yet To Go

Yes,
I am yet to go.
I am here
To live,
To stay,
For the time
To come.
Keeping doubt
About going
And coming within
Is not good.
Hearing, touching,
All are parts of
Life here.
Take not anything
Granted, dear.
Nothing is for you,
Yet, you have to
Take all as it is.

Gajanan Mishra
Yet To Witten

Good and complete poem
Yet to written
Good and perfect man
Yet to born.

Nothing is there
In my poem
I do admit
Just like
Nothing is there
In the sky.

Gajanan Mishra
Yet We Are

We love
Yet we are
Unknown
To each other.
I salute
Your art
Your song
Your lifestyle.
We know all
Wisdom are
In life.
Life is
The store house
Of everything.

It is true
We are alive,
Alive only
For love.
We love
Each other
Not false.
But we lack
Lamplight to
Observe our
Own activities.
We are in shade
Of our own
Light.

Gajanan Mishra
Yield Not

Yield not
To threats
To coercion,
If you are here
To function
Effectively.
But truth must
Be recognized.
All welfare
Should be
Kept in the mind.
Law should be
Followed with
Democratic norms.

Gajanan Mishra
Yield Whatever Desired

Yield,
Whatever
You desired.
Build,
Castle
In the air.
Life is there,
But be fair.

You are
On the earth.
And the earth is
Under the sky.
And the sky is a tree
Fulfilling desires.

Gajanan Mishra
Yielding Harvest

Yielding harvest
Not difficult
Sowing seeds
Not easy
So many things
Make us happy
So many persons
Taught us
Tolerance patience piety.

Gajanan Mishra
Yields Only

A vile person
heeds no prayer
but yields only
when reprimanded.

Gajanan Mishra
Yoga

Yoga -
Not for advertisement,
Not for earning money
And materials by performing
In public or in the demonstration.
Not for influencing
Power and position.

Yoga -
Not to keep the body fit and young.
But to concentrate
The mind to arrive
At the truth, and
To attain love
And liberation.

Gajanan Mishra
Yoga-Infinite

In body
In mind
Infinite
Yoga, yoga.

With yoga
You can win,
With yoga
Everything can be
Known and seen.

Practice yoga
And know
All relationship.

Life infinite,
Life poetic.

Gajanan Mishra
Yogi Go

Hell hole don't go
Night pole don't go
Tree-fire don't go
Life-mire don't go
Not go, go
With success with failure
Acquire knowledge
Acquire know how
And go, Yogi go.

Gajanan Mishra
You Are Present

You are present
You are my friend
You are my guide
You are my preceptor
You are my love
You are supreme truth
The ability and strength
Are also with me
My only obstacle is
Attachment to the
Perishable pleasures
And I myself have been
Attached to it.

Gajanan Mishra
You Accept All

You accept all,
And we are awakened.

Real and unreal,
All are coming
To the level of
The truth.

We are not obliged
Here, we know.
And yet, no one can
Harm us, as
We are self-satisfied.

Wherever you want to go,
You may go, but I am sure
You are with your fortune.

Gajanan Mishra
You Admire Me

You admire me  
But for why  
Let me know  
Your intention  
Behind this  
Admiration.

Let me know  
Who you are  
And what is  
This relation  
And its extend?

Is it the beginning  
And is it the end?

Let me enlivened.

Gajanan Mishra
You Agree To Merge

You agree to merge
And it is, I am sure,
Your intelligence.
I care not
Where you are.
But I care how you are.
How far you are in truth,
That's important to know.

Gajanan Mishra
You All

You all together
can not turn
the truth in to
falsehood.
It is truth
Means it is truth.
Come on and see
It is in you.

Gajanan Mishra
You All, My Dear Friends

You all, my dear friends,
Possess the might
To follow the path,
Path of truth.
Come on, come on with love,
For good,
For all welfare,
To light the star.

Gajanan Mishra
You Alone

You alone can know me
You alone can my transcendence
You alone can hear me
You alone can stay with me without any gap
O my dear you are my fragrance
You are my beauty
You are my chariot
You are my warrior
You are my creator
Look I am only
Singing You glories here.

Gajanan Mishra
You Alone Friendly To Me

You alone
You alone are
Friendly to me
In every way, my dear
You alone are
Friendly to me.

Gajanan Mishra
You Analyse Me

I am Your follower
I know You are always planning
For my good, You are my creator
My success are Yours
Failures are mine
You are all powerful
Always You are analyzing
All my activities
My relation with You is eternal
It is Your grace
That I am following You
For all times and all places.

Gajanan Mishra
You And I

You know me well
I'm unable to know you
You are with me though.

I'm water
You are sapidity
I'm sun
You are light
I'm ether
You are sound
I'm a man
You are manliness.

I'm in your area
You are the area
I declared.

Gajanan Mishra
You and I
I and You
Are the entire
Universe
O my dear
You are
In this verse
I am in
Your purse.

Gajanan Mishra
You And I - We Both

You and I - we both
Are part and parcel
No one can give
Identity alone
Without the other.

O my dear, we know
We both will go
From here to there
And there to here
And stay for ever.

You yourself
I myself
And we both
One and same
But in different
Processes.

Gajanan Mishra
You And I Had

O my dear,
You and I had
Many, many births.
I remember
But you do not.

Gajanan Mishra
You And My Body

You and my body
Always both in
Blazing ocean,
Are together.

Natural tendency
Is there always
To go upwards with
Certain exceptions.

To review the identity
Is the main purpose of
This segregation here
For which we both are ready.

We both are going towards
The truth and only for truth.

Gajanan Mishra
You And Not I

It is you to die
And not I.

Gajanan Mishra
You And Truth

Let me sit with you,
Let me talk to you,
Let me listen to you,
Let me enjoy with you,
Let me touch you,
Let me salute you,
You are the truth.
You are my love,
You are full of affection,
You have kept kindness,
Devotion, modesty and
All other noble qualities.
You help increase my
Love of truth.

Gajanan Mishra
You And You

Let me sit with you,
Let me talk to you,
Let me listen to you,
Let me enjoy with you,
Let me touch you,
Let me salute you,
You are the truth.
You are my love,
You are full of affection,
You have kept kindness,
Devotion, modesty and
All other noble qualities.
You help increase my
Love of truth.

Gajanan Mishra
You And Your Dreams, My Dear Son

Pursue your dreams,
Where the sky is the limit.
I am not there to
Stand on your way.
You realize your dreams,
Your ways.
You are to carry your luck
Everywhere, my dear son.
Go forward with your
Own tempo and gusto.
I know your smile enables you
To keep winning all to your side.
You are the cornerstone
Of your success, my dear.

Gajanan Mishra
You Appear As You Are

You appear as you are,
And with you, I am there.

Faith and love, are with me,
And I am ready to cross the time.

Gajanan Mishra
You Appear Beautiful

You appear beautiful,
Not so, though.
I know you
Transitory and
A source of sorrow.

Gajanan Mishra
You Appeared

I become completely happy
All lust desire hankering
Disappeared from my heart
You appeared
I am established in goodness.

Gajanan Mishra
You Are

You are the only person to come. 
You are my dad You are my mom.

I am in danger 
Please come and look 
at a starry vigil.

Look I have left somewhere 
What is called will.

Nobody except you 
is there to rescue.

Gajanan Mishra
You Are Welcome, My Dear Mother

You are welcome, my dear Mother,  
Come, come, you are welcome.

Here, there, everywhere  
Hear the sound of conch shells.

All are gearing up to  
Welcome you, see, Mother.

We are all yours, my Mother,  
And you are here with us for our welfare.

Gajanan Mishra
You Are A Fool

If you are not here
To give me respect,
You are a fool,
It is you, who
Suffer the loss.
I am here with
My virtues and
With so many admirers.
Who you are,
That I want to know
Only from you.
You are the creator
And you are the fool,
The loss is yours,
That I know,
But you are there
To give us light
And for you,
We are in the light.

Gajanan Mishra
You Are A Real Poet And You Are Pure I Know

You are not a hybrid and there is no
Inter-mixture of you I know
You are direct son of nectar I am sure.

In our life, O my dear co-poet, actions of
Earning livelihood occupy a secondary place
By company by study poems by practice by nature
You are a great poet, my dear that I know.

Gajanan Mishra
You Are A Song

You are a song,
I have to sing.
I sing the song
That is written
In the blue sky.
I read a poem
Written on earth.
I see the lightning
I hear thunderbolts.
I enjoy the rain,
All are poems.
I have to discover
Who and what I am.
And I have to join
With the sun and the moon
And I have to go with them.
I have to tell the air
To stay fair.

Gajanan Mishra
You Are A Thief

You plan economic development
For sense gratification
You are a thief.
You eat food grains
Without offering to the creator
You are a thief.
You are enjoying all the properties
On this earth without prayer to Almighty
You are a thief.

Gajanan Mishra
You Are Absolute

You are absolute, my dear
I feel no difference
Between Your remembrance
And Your personal presence.

See, I am silent
And I am going deeper
And deeper in to
The ecstasy of Your love.

Gajanan Mishra
You Are Alive

You are alive,
How can I believe?
Eating, moving, sitting,
Sleeping, are not
Proper pieces of evidence.
You appear, you disappear,
All are but common
But for this, the rest suffer.
A living entity can never be
The cause of suffering.
The depth of your knowledge
Are to be known through
Your actions, and actions
Are to be proved.

Gajanan Mishra
You Are All

You are all
You are in all,
You are in all
You are all.

All is You
You are all,
You are rare
One who realize You
Rarest of the rare.

No one knows You
It is true
You know all
It is true
True is You are all.

Gajanan Mishra
You are all -
The written and
Unwritten poems,
The loud and
Silent songs,
The sight and
Onsight earth.
The water, the air
The sun, the moon
And the stars.
You are all -
My body, my thoughts,
My senses and
All that belong
To me and that
Belong to others.
I know and I am
Confirmed I am
Within you.
So also you are
Within me.
You are the time,
So also I am.
You are seen and
Unseen, so also
I am here.

Gajanan Mishra
Yes, you are all here,
You, the blacks
You, the whites.

And you both
Are eager to fight
Day and nights.

And we have forgotten
Where is light!

Gajanan Mishra
You Are All In One

You are all in one,
And I love you
As masculine
As feminine
And as neuter.
You are my world
You are my soul
You are my truth
My love.
You are all in one,
You are all things,
You are all persons,
And all circumstances.
I love you, I love you.

Gajanan Mishra
You Are All Merciful

You are all merciful, I know
You are all merciful, my dear,
Just to purify me, You are
Keeping me here, keeping me here.
You are my Father, my Mother
My guide, You are my disinterested
Friend and my philosopher,
You are all merciful and my lighter.

Gajanan Mishra
You Are All Powerful

You are all powerful, O my dear
You sleep on the cool body of a serpent
You enjoy in the turmoil of violent ocean waves
And I know Your activities are all transcendental
You are able to do anything and everything
Without being deterred by limitations
Of time and space.

Gajanan Mishra
You Are All Wise

You are all wise,
You know better
Good and bad,
War and peace,
Live and dead.

You are all wise,
I am not here
To tell you
Anything twice.

You are all well-known,
And you are all here
For peaceful co-existence.
You are so related
And so interdependent.

You are all rare,
You are more than
Sun, moon and all
Far up stars.

You know you are all
Here for all good.
Nothing to blame you,
You are all wise
You know, living itself
Is a great prize.

Live and let live,
Is the call of the hours,
You are all wise
I dare not to give
Further word-showers.

Gajanan Mishra
You Are Allowed

You are allowed to
Do whatever you like.
Arrangements have been made
For the fulfillment of your desires.
First know your desires
Know your activities
And everything about you,

Gajanan Mishra
You Are Alone

You are alone
Alone is mine
I am yours
And I think
There is none
But you are
With me
And you alone
Can provide me
gain and security
O my dear
You are here
I see you clear.

Gajanan Mishra
You Are Also A Man

You are also a man
Who has given you right
To give punishment to
Another man as hard as possible
For a natural
And common activity
Performed for the purpose
In natural way
No no you have no right
I must say
Just discuss about this
And if you so like instruct
And direction be given
In right way
For welfare of all
Just refresh yourself
And rethink before
Giving punishment to
Anybody for any natural activity.

Gajanan Mishra
You Are Always

You are always
Within me
But I failed
To find You.

And You are
Telling me
When 'I' is
There You are
Not present there.

Only You
Let me say You,
You are the peace
When You remain
As a single piece.

You have created me
Let me know it
From the very start
And I am Yours
Not a matter to deny
This thing.

Gajanan Mishra
You Are Always Right

You are always right
That I know from
The very beginning.
I know I am in your house
And you are commanding me
Always here and trying to
Make me understand everything.
But I am committing mistakes
Time and again and you are
There to pardon me.
The sun is putting signature
Every day and the moon is
Smiling at me at night and
I am the lone follower of both.

Gajanan Mishra
You are always welcomed.
No obstacle, no encounter
Would be there, remember.
You can decode your own world
Any any time here on earth
Or in clouds.
You are allowed to turn
The air in to stones
By using your own words.
You can go to any extend
As you wish without caring
The outcome of actions.
You can support, you can oppose,
But see you are there as before.

Gajanan Mishra
You Are An Ass

You are not your body
If you consider this body of
Mucus bile and air to be the self
You are an ass.

You are not the body
You are in the body
The body is protected
By the walls of skin
Hairs on the body are parks
Nose and head are towers
Wrinkles and depressions
Are trenches and canals
Eyes are windows
Eyelids are protective gates
Gold is goodness
Silver is passion
Iron is ignorance.

You are in the body
You are not the body
Body is here to perish
You are there to cherish.

Gajanan Mishra
You Are Another

You are another
The enjoyer
The proprietor
The overseer
And the permitter
You are with me
My life-partner.

Gajanan Mishra
You Are As Good As God

You are as good as God,
Though, I can't say
Definitely, who is not God.
And God, what do you
Mean by God that
I know not.
But love all for good,
And go on searching the truth.

Gajanan Mishra
You Are Asking

What is diminishing
You are asking
See and feel religion
Is diminishing
Truthfulness is diminishing
Cleanliness is diminishing
Tolerance is diminishing
Duration of life is diminishing
Physical strength is diminishing
Where is diminishing
You are asking
See here there and
Everywhere it is diminishing
And it is the effect of bad times.

Gajanan Mishra
You Are At A Loss

You are at a loss
To grasp this world,
As I know, you are the world.

Gajanan Mishra
You Are At The Center

Love love love love love love
You are at the center of love.
O my dear, You are for me
I am for You.

Love love love love love love
We are related with each other
O my dear, eternal relationship
Is here and we are far from fear.

Love love love love love love
Love is our goal love is our perfection
Love is our life love is our education
We are in love and nothing but love.

Our life is the platform of love
Love love love love love love.

Gajanan Mishra
You Are Bad

You are bad when you
Make others cry
You are good when you
Make others smile.
This is the principle
In this life so simple
You are hurting the legs
Of the cow and bull.

You are evil and coming
To my world to conquer
In disguised as good
You are lower than anybody
If you hurt others
And make them cry
You are pushing this society
Towards hell.

Gajanan Mishra
You Are Born

You are born
That I agree
O my dear, but
You have never felt
Material miseries
O Almighty.
You drank an ocean of
Poison of this material world
But never let it go inside
As all are within You
And You are careful
To keep them save and sound.

Gajanan Mishra
You Are Calling Me

You are calling me by name,
And see I am present by body.
No one is there to caution you,
And you are not the one who
can be cautioned.

And I am present all of a sudden
And you smiled telling me, that's okay.
I am not telling what is important
and not recognizing anyone here,
Just for the sake of recognition.

What you are doing not known to me
though, it is important and
I do agree with you that all are there
with their hearts for a grand return.

Gajanan Mishra
You Are Capable

You are capable,
I know to do
Anything you want.
You are also free
To do anything
As and in the way
You wish.
You can hate,
You can love.
You may agree,
You may disagree
With any action
Or with any opinion.
You may attach yourself
You may stay detach also.
I have nothing to say
As I know the root
And fruit is one and
It is yours.
I am no way related
With anything that is yours.

Gajanan Mishra
You Are Cheated

You are cheated
by your own self,
and you are only
responsible for that.

See, within,
The blunder is
no more and
you are free.

Free with
all the bonds.
Bonds of love
Bonds of truth.

Gajanan Mishra
You Are Coming I Know

You are coming
You are going
I know
And I know
You are dwelling here
And enjoying all.

Gajanan Mishra
You Are Coming In To The World

I love You I love You I love You.

You are coming in to the world
Every moment every hour every day
That I realize the whole variety of beings.

You are coming from the egg
From the ground
From the sweat
From the womb
With gross subtle and causal bodies.

I love You I love You I love You.

You are the nature
You evolve from nature
You rest in nature
You merge in nature.

O my dear, I know You
You are my dearest dear.

I love You I love You I love You.

You are the real
You are the unreal
I love You I love You I love You
Everything is You
Nowhere there is anything
It is only You You You.

I love You I love You I love You.

Gajanan Mishra
You Are Coming To Me

I know from the very beginning
I am here and you are also here
We are here for ever.

You are going away from me
I know from the very beginning
We both are not here not there
And in no where, never and never.

Gajanan Mishra
You Are Confusing

You are confusing, my dear,
With the words, ends, salvation, birth
And so on and so on, so on.

And I am confirmed here with the Truth
Minus hankering, minus worldly pleasure,
Minus desires, minus ends, and so on and so on.

I am here with all the obstacles
You are here with me, without a name of returning
No fall, no rise, see, and here it is life.

Gajanan Mishra
You Are Dark

You are dark
But I must say
You are inclusive
And you give lights.
What I say
It is true,
Without you
So much lights
No where to go.
When I am there
With you, I see
No time, I see
Only you.
All truth, all lights,
All time and everybody
And everything is
There in you.
Your greatness
You have kept me
For the reasons
Known to you.
And you have allowed me
To see in the dark
That is there.

Gajanan Mishra
You Are Dead And

You are dead
Let me declared
After your union.

The banker has returned
The cheque with a remark
no fund

Gajanan Mishra
You Are Dear

You are dear
As life,
Take my words
To be true,
I am always
With you.

Bitter and sweet
You are both
Day and night
You are both
And I am with you
It is true.

It is true,
You are my only truth.

Gajanan Mishra
You Are Dear To Me

You are dear to me
You are free from
The feelings of I and mine
You are balanced in joy and sorrow
You are forgiving all
You are ever-contented
You are mentally strong
I love You
You are dear to me
You are my part and parcel
You have a firm resolve
And You have subdued your
mind senses and body
You are dear to me.

Gajanan Mishra
You Are Deluded

And hence you
Know me not.

You are foolish
And unintelligent
And hence I manifest not.

For you I am covered
By eternal creativity.

For you I am not here
And you have no eyes
To see your future.

You are blind and alas
You are led by the blind
In to a ditch.

Gajanan Mishra
You Are Deserving

You are deserving now,
To get all truth,
Truth is that
You are sovereign
Here on this earth.
Truth is that
You are free to
Use your mother tongue
Everywhere always.
Truth is that
Your divine descent
Made you more powerful.
Truth is that
You are eternal.

Gajanan Mishra
You are destroying
Our language, our culture,
Our land, our people,
And yet we are helpless.
You are destroying us,
You are destroying
Our knowledge, our heart,
Our family our kith and kins,
Yet we are helpless
And we are going with you.
You are destroying us
By providing wine, women,
Rice in one rupee,
Meals in five rupees.
You are destroying us
By killing our time
Not for the land
But for your self-interest.
You are the demon
Of this land,
You are destroying
Our identity our realization.
We are the sons and daughters
Of this land, this language,
But you are putting pressure
To use foreign language,
You are creating scope to
Go far away for filling
Our belly.
Are you not the enemy
Of our land and language,
Landholders?
Who you are my dear,
And when you are going from us
For the sake of love of land,
Love of the truth,
That we are independent and
We are sovereign,
We are free to use our language,
We are free to frame laws,
We are free to do whatever we like here
On our own land.
Please leave us at our disposal,
Please go away from us.
Please save us from your ill motives
To destroy our culture, our future.

Gajanan Mishra
You Are Different

You are different from me,
That I know and I realize
My sins and evils here under nature.

Gajanan Mishra
You Are Diminishing

You are prosperous
Means you are diminishing
The result of your pious activities
You are in distress
Means You are diminishing
The reactions of your impious activities.

A true man is not concerned
With enjoyment or distress.

Gajanan Mishra
You Are Disturbed

You are disturbed, that I know
You are unable to know, what to do.

But I know, you are a hero
You are able to do so many things,
Out of zero.

This earth is yours,
O my dear, do here, whatever you like.
I know, love is to win and not to fight.

Gajanan Mishra
You Are Doing Everything

I am not alone,
You are with me.
You are with me,
From top to bottom.
From top to bottom,
I know, you are doing
Everything for me.
You are touching
Each and every stone
Of my life.
I am not here to forget you,
I am here to express the truth.
By telling truth
Am I hurting you?

Gajanan Mishra
You Are Doing Something- I Know

That I know  
But what is that  
You are celebrating  
Your birth day  
Your marriage anniversary  
But what for  
Are you really love yourself  
And your wife  
And what is the definition  
Of love  
With so much doing  
What have you done so far  
Just come and explain.

Gajanan Mishra
You are doing wrong,
You wrong us,
And we are not able,
Not able to protest,
Not able to take revenge.
Are we living?
Are we living with dignity
That we care not.
Neither we are learning
From history not from
Neighbours nor from
our own experiences.
We have no power to think,
Thinking is no more with us.
Power of learning is lost,
We are facing great danger.
Yet we are telling ourselves
We are okay here.
You are killing us and
Yet we are telling
We are getting pleasure!
What is our future we know not,
and we are here telling
Everybody, get up and
Wher you are please discover.

Gajanan Mishra
You Are Drinking Me

You are trying to drink me with your eyes,
Smell me with your nostrils,
Embrace me with your arms, I know.
You know my beauty, my character,
My charm and bravery.
What you see and what you hear,
All are the truth here.
I have nothing to conceal, my dear.

Gajanan Mishra
You Are Duty Bound

You are duty bound
to do good to others.
You are duty bound
to discover goodness
in others.
You are duty bound
to love others
and give full respect
to others for love.
You are the product of love
and love is only within you,
Only for love you are here.
Love is your life force
nothing but the love.

Gajanan Mishra
You Are Dwelling Here

I know you are dwelling here
O my Supreme and You are
The prime witness of my deeds
You are true guide and
My sustainer and You are
Also the experiencer
And my Over Lord and the Absolute
I salute You I know You
You are living
You are performing
I am nothing nothing.

Gajanan Mishra
You Are Dying

I know, you are dying
And yet you are living
And you are telling me
You are eternal.

Gajanan Mishra
You Are Eternal

You are eternal
I know and
I know You are a
Person eternally.

You are
The Absolute Truth
In the past
Present and future.

Gajanan Mishra
You Are Everything

You are everything
I am telling.

My words are simple
And straight
I am telling all that.

You are with me
But You are separate.

I am telling
I am nothing.

Gajanan Mishra
You Are Everything And

You are everything and also
You are beyond everything.
You are indivisible, my dear,
And my mind and intellect
Merge in you. I know
I love you and my flesh
My bones or shells and my
Labour and fruits thereof
All are yours and they
have no value without you.
You are my teacher and
My inner guide and you are
Pure, I perceive you
Everywhere here there.

Gajanan Mishra
You Are Everything, Everything

You are everything, everything, everything for me, my dear,
You are my goal, You are my supporter, You are my witness,
You are my refuge, You are my abode, You are my lord,
You are my origin, You are my end, You are my store house,
You are my imperishable seed, You are my universe,
You are my everything, everything, everything and everything,
My father, my mother, my grand father, my son, my daughter
You are my water, You are my fire, You are my light, You are my
Clarified butter, my near and dear, my everything and everything
I cannot live without You my dear, my lover, my life-giver.

Gajanan Mishra
You Are Everything, My Dear

You are everything, my dear
That I know and I stay here
Without fear.

I know You are the origin of all
I know You are eternal blissful
You are the prime cause of all causes.

I know my life has its factual existence
Like the reflection of the sun from the mirror
And I must say it is the Truth.

I am sure I am not showing
Jugglery of words to anybody here or there
I am telling the Truth that has a great value.

Living entities all are going towards You
Reality is that You are the only Truth.

Gajanan Mishra
You Are Exterior

You are exterior
To myself,
And I know
You can do no harm
In any way.
On his birthday
Let me remember,
The very words of
Sri Aurobindo,
And let me myself,
My own crying weaknesses,
My own cowardice,
My own selfishness,
My hypocrisy,
My purblind sentimentalism
Will do much harm
And I am cautious
To all the enemies.

Gajanan Mishra
You Are Fighting

You are fighting, I know,
You are fighting as because
You notice your own existence.
And you have realized
Who you are, what you are.
But my dear, let me pray
And let me request you
To respect all and use
Your discrimination
In appropriate order.
Everything within you
Is born of nature and
What is vital that is
Predominate important factor.

Gajanan Mishra
You Are Following Me

And I know it is not demonstrations
It is not imaginations
It is real life motivation.

I know you are following me
And I know I am singing this song
To satisfy you, my inspiration
And I know I like your communication.

With all styles I know you are
There with me on this road
And I know you are following me
Without putting a single question.

Gajanan Mishra
You Are For

You are for yourself
If you die there is nothing
In this world for you
If you are to say something
Say about you
Before saying, think
If wishes were horses
Beggars would ride
And there is an almighty
To decide everything
If you die
There is nothing.

Gajanan Mishra
You Are For Everyone

You are for everyone, my dear
That I know and without Your
sanction I know no one can
Achieve the desired result.

You are the fortune and
The God of fortune
You are the intelligence
And also the God of intelligence.

Let me say again
It is You who is within me
And directing me to do
For the interest of all.

Gajanan Mishra
You Are Free

You are independent
You are separate
And You are in me.

I am here
And here for cleansing away
All misconceptions
And I am not in You.

Gajanan Mishra
You are free
Freedom is always ready
To serve you here any time.
Nothing is here
To make you fall
Wait not for any call.

Ask not to state
The purport of this verse
You yourself is the poet
You can rise suo moto
Throwing all egos
Come and join without logos.

Gajanan Mishra
You Are Free To Love

You are free,
Free to love.
Love the world,
The world is there
For you.

You are here
For the world.
Truth is here
Love the truth,
It is in you.

You are free,
Freely watch,
Freely sing and
Freely move.

Gajanan Mishra
You are free, my dear,
You can do whatever you like,
You can go wherever you want,
But try to understand properly
What you are and the purpose of
Going and doing the works here.

Think not, what I am saying
All flats, meaning are there
And it is uncountable, in the words.
Words are there everywhere,
You can collect the words from
The very realization of truth.

Go not with the words blindly,
Search, not the meaning also and
Wait what play is going on
In the water or in the air.

Where you are living ask yourself,
And ask who could be envious of you.
But remember one thing properly,
You are subordinate to all,
Subordinate to all the truth and
All the love here on this earth.

Still, there is fear, my dear,
Within you, I know.
Why there is a seed of fear in you,
That I failed to understand, here
In this field of love and harmony.
I failed to understand wherefrom
Disharmony come into existence!

Anyway, go, my dear, proceed ahead
With full confidence and do what you
Want to do freely. Remember,
This place is for you only.
Gajanan Mishra
You Are Going To Die

It is sure
You are going to die
And so when a glorious death
Is coming to you
It is wise to accept.
Accept the glorious death
And say by giving messages to all
You are not foolish
You are not dogs and cats
Show all how you have celebrated.

Gajanan Mishra
You Are Good

I am calling you good
Not that you are doing everything for me
Not that you have a power of understanding
But for you are pardoning me always everywhere
But for I am shunning you but you are not shunning me
You are fulfilling all my hopes and expecting nothing from me
You are good
I am calling you good
I can not shun you
How can I shun you
Being your fragment being your part and parcel
I can not give appreciation to you
And I know and it is clear You are above all.

Gajanan Mishra
You Are Great

I am not great
You are great
I am telling this
From the core of my heart.

I am dust of Your feet
I am drowning
In the dangerous ocean
Rescue me and
Consider me as your servant
Giving a chance to serve You
Giving a chance to chant Your name.

Gajanan Mishra
You Are Greater

You are greater than anybody, O poet
You are greater than a Yogi
I know Yogi is greater than the ascetic
Greater than the empiricist and
The fruitive worker
O poet you are greater than anybody
You have the capacity to feel to express
To love and to create anything you like
I salute you, I bow down my head before you.

Gajanan Mishra
You Are Hearing

You are hearing,
That's why I am telling.

What you know
That's all, remember.

Nothing to disclose
Hereafter.

Hearsay, not truth,
But I am presenting myself
As prove and to prove.

Stones with
Air-tight and
I climbed
The tree.

The tree is there
To fulfill all wish.

Gajanan Mishra
You Are Here

You are here
I am here.

There is existence
And you exist.

No existence
It is unworldly.

I am not here
You are not here.

It is you
Who have sustained the world.

Gajanan Mishra
You Are Here - I Know

You are here
I know
What are You like
It is not necessary to know.

I know
Omnipotent You are,
And yet You are unable
To be away from me.

Let me see You, and
Not the pillar.
It is not You
Who is concealed,
It is my intellect
That cheat me.

Gajanan Mishra
You are here and doing everything for me,
I am here and let me do what I can do for
The welfare of others, as I know and I feel
The air is flowing for others, the sun is
Rising for others, It is raining for others,
Tree is here giving fruits flowers leaves
For the benefit of others, water is giving
Life to others, The earth is here and rearing all.

All are here, I see, the fire, the animals
The birds, the insects, the stone, the muds
Let me say, even the death, all are doing
Some how or others, doing something for
The welfare of others directly or indirectly
I am loved by everybody, let me love all, my dear.

Gajanan Mishra
You Are Here Means

You are here means
I am there with you.
You are here as
I am here at this time.
We are both in the sky
In the water, in the air,
In the light and
On this earth at present.

Gajanan Mishra
You Are Here So Also I Am

You are here, so also, I am,
Neither you are here,
So also, nor I am.

Gajanan Mishra
You Are Here With Me O My Dear

You are here with me O my dear
Like the fragrance in the flowers
Like the oils in the oilseed
Like the fire in the wood
Like butter in the milk
Like sugar in the cane
I understand You
I have full faith on You.

Gajanan Mishra
You Are Here, I Believe

I believe, you are here,
I am sure, you are in me,
I am confident, you are mine.
You are here for all time.
To search you, I need not go
Anywhere and since you are
Present now, I need not wait
For you, neither outside nor
Inside. You are loving to me
That I know as I am yours.
I am refined for you,
I am intelligent for you,
You are my love,
You are my truth.

Gajanan Mishra
You are hungry,
Let me serve and
Offer you food.
You are thirsty,
And let me serve
And offer you water.

I consider you
As the only enjoyer.
I also consider you
As the only actor,
And you are asking
For shelter.

Let me offer you everything
That are with me including my body.

Gajanan Mishra
You Are Imperishable

You are imperishable,
You are in all perishable.
You are unseen though
You are clearly visible.
Let me see you in all,
As all are you.
I love all,
As all are truth.

No condition
No circumstance
Can binds you.
I know you
You are my love
You are my truth.

Gajanan Mishra
You Are In Fear

You are in fear,
Strong, though.
You are not able to
Do good, wise, though.
Focus of light is
Nil, enlightened, though.
Distrust and hatred
Cover you within.
You are robbed
In your own showroom.

Gajanan Mishra
You Are In Heat, Hyderabad

You are in heat, Hyderabad,
Am I right?
And in this summer,
I find, my dear,
You are a silent spectator.
You are your's own,
You are my own.
You belong to all,
And also my own.
You have no separate wish
Than that of your people,
And I see you happy
In dispensation of Truth.
You are not the one who
Causes any difficulty to anybody.
Hyderabad, you are so cool,
I love you, as because
You are just and there is
Peace of mind in you.
I enjoy my life here
As I find everything is
Alright here and nothing
Goes wrong and I find
True beauty that lies in you.

Gajanan Mishra
You Are In Me

You are in me
I am in You
See me search me
Let me say
Who are You.

A cave or
A cottage no matter
O my dear, you are here
That I fear
Without rain you are water.

Clean your own dirt
And it is the fire
That is like your shirt
Miss not life chart.

Gajanan Mishra
You Are In Me And I Am In You

You are within me
And I am in you,
We both are the truth.

Gajanan Mishra
You Are In My Heart

You are in my heart
And I am here
To concentrate the mind
On the heart.

In silence
I am observing
Your movement
In my own body.

I am restraining myself
From the air,
From the water,
And from all other objects
That are not there
In accordance with your rules.

Gajanan Mishra
You Are In My Talk

Listen me
I am also telling
I am telling about You
And You are in my talk.

You are here I know and
Listening me I know and
I am telling you to listen
That also I know.

That it is not a fact
I know nothing
And you are listening
Listen me listen me.

Gajanan Mishra
You Are In Sound Sleep

You are in sound sleep
Or in the wakeful
Or dreamy state-
I am not asking
About all that.
I just want to know
Where you are in
Straightway deliver
From the ocean of
Death-bound existence.
I am here to protect you,
My dear from fear,
The great fear of death,
As dying at every moment.

Gajanan Mishra
You Are In The Ocean

Ocean of miseries
Cross over this ocean
With a poem-boat
And call a poet
Poet is the creator
And greatest savior.

Gajanan Mishra
You are in truth, 
Tulsidas, I know you. 
You are with genuine faith 
That I know you. 
You have abandon 
Your varied activities 
Sins, diverse creeds. 
I know you, O Tulsidas, 
I know you, 
You are in truth.

Gajanan Mishra
You Are Known

You are known,
Known by my senses.
My senses are known
By my intellect.
Am I intellectual?

I am this and that
And yet,
I am illumined,
Illumined in the light,
That is yours.

Gajanan Mishra
You Are Lacking

You are lacking from Truth consciousness
And so You are suffering from ignorance.

You are suffering from ignorance
And so You are lacking Truth consciousness.

My problem is my thinking and I am thinking
About you and I see you how fool you are
And I am very unhappy see you in trouble.

I am helpless and you are suffering I am unable to save you
And I am not able to stop you are committing sinful acts
In this body you have fallen and I am not able to explain.

You are almost mad in your pursuit of material enjoyment
And I am trying to pull you out from this dark well.

Gajanan Mishra
You Are Leading Being The Head

You are leading the state and
being the head;
Please say whether
you endowed with a pure intellect,
firmly restraining the senses,
casting aside attraction and aversion?
Are you dwelling in solitude?
Are you controlling your speech body and mind?
Are you resorting to dispassion?
Have you abandoned egoism, violence, arrogance,
desire, anger, covetousness?
Are you tranquil in mind?
Ponder yourself and say whether you are
the right person qualified to attain the chief post.

Gajanan Mishra
You Are Liberated

If your bodily concept of life
Is completely over.
You are liberated even
Within this body if there is
No sense gratification.

You are in dream
Dream ends everything vanishes
You are here as before.
You are the part and parcel
Of the truth and you are the truth
You retain individuality though in truth.

O my dear, come out from the dream
And be in Absolute Truth.

Gajanan Mishra
You Are Limitless

You are limitless, my dear
And in Your presence
Houses are doorless, my dear
And trees ar shadeless
I am fearless, my dear
And no shade of anybody
Tree or creature never fall
Upon You, my dear.
No thief no enemy is
There here with me
And I know it is Your blessings.
I know I am receiving the results
Of my deeds and nothing to blame You,
You are there as before and guide all as teachers.

Gajanan Mishra
You Are Limitless, My Dear

You are limitless, O my dear
You Yourself are unable to
Estimate Your own limit.

I can not do anything else
I am within my limit
I am the sky within my own.

O my dear, allow me to
Perceive all happiness
Within all auspicious.

I know not what is misery
I am fortunate that you are
In me here at this time.

Gajanan Mishra
You Are Listening

You are listening,
that's enough for me.
And I am telling to
disclose the secret
before this meeting.
O, you seek refuge,
And I am ready to
inform you lightning.

Gajanan Mishra
You Are Looking At Me

Your eyes
Are there
Looking at me
I do know.

I am surrounded by
Your illusion,
I do understand.

This is the reason
I am thankful
To you.

I do survive under
Your sincere care,
You are the lone spectator
And I do know there.

Gajanan Mishra
You Are Loving Me

You are loving me,
I am loving you.
Neither you are
Out of my sight,
Not I am out of
Your sight.
We see each other
And we are present here.

Gajanan Mishra
You Are Lucky

You are lucky
That you are able to
Express in words
I love You.

In love there is the truth
That I know and also I know
In truth only you can find love.

Love is in good faith,
Good faith may not be in truth
But truth must be in good faith.

You are lucky
That you are able to
Express everything here
Before all.

Gajanan Mishra
You are mad,
Some sort of madness
Is necessary to live
I realized.

You are mad,
And I joined with
Your madness as we
Have that desire.

You are mad,
Living in madness
Is really sweet
And we enjoy that.

Is not life
Itself mad?

Gajanan Mishra
You Are Men And Not Monkeys

You are men and not monkeys,
Even your ancestors were
Not monkeys. Don't do
Monkey business or
Don't monkey with the pen.

Gajanan Mishra
You Are Mine

Your existence is
Not separate from me
O my dear come to me
And see how you are
I am this I am this.

Factually I am love
Love of life love of words
I am absolute O my dear
Come to me and see
You are looking like me
In everything and in everywhere
And think how you are
I am this I am this.

Gajanan Mishra
You Are Mine And I Am Yours

You are mine and I am yours,
We are here for years together.
No one is going away to somewhere,
No one is remaining silent.
We both are revolving to eachother,
I am yours and you are mine.
We are both in eternal partnership.
And we are in truth and love for others.

Gajanan Mishra
You Are Moving

You are moving
Without hands and feet.
You see without eyes
You hear without ears.
O my dear, You are
The only enjoy-er, here.

Gajanan Mishra
You Are Moving With

You are moving with your house, my dear
Your house is your body, keep it with you
So long as you are here.

In your house you remained
Like one dull deaf and dumb
And stay free from the influence
Of the worldly atmosphere.

Be careful you may fall down
At any moment here
O my dear, just remain silent
Despite all mistreatment.

Come out from your house, O my dear
When your Master calls you in your house
He is there in the heart to rescue.

Gajanan Mishra
You are my talkative friend
You are my talkative guide
You are my talkative philosopher
You are my talkative God
I pray please stay with me
Please stay and you are here
All day to come.

Gajanan Mishra
You Are My Body

And You are aloof from it
O my dear
In You I rest
You know all about this
Nothing much to describe.

Gajanan Mishra
You Are My Body And

You are my body and
Also you are my soul.

I am here only for you,
And you are here only for me.

I am with you
And also you are with me.

I love you and I know
You love me for all times.

What I want you know,
I know what you want.

You are here with me
And I am keeping you together.
Together we are going
And together we are here.

Gajanan Mishra
You Are My Dad My Mom

You are the only person to come.
You are my dad You are my mom.

I am in danger
Please come and look
at a starry vigil.

Look I have left somewhere
What is called will.

Nobody except you
is there to rescue.

Gajanan Mishra
You Are My Eyes

You are my ears

You are there
Your expansion of
Various energies are here.

Gajanan Mishra
You Are There I Know

You are there I know
To love and love only.
You are not there I know
To allow any one to
Kill or to do any harm
To anyone for nothing.
You are there with
Everyone always in good
And also in bad condition,
While one is alive or
He is dead.
I know you are there
To show the truth,
Truth of life that is love.

Gajanan Mishra
You Are There Where You Were

You are there where you were
Mind it, my dear, and still
You are telling you are progressing.
What is the meaning of progressing
Please tell me my dear, and explain it
Again and again before this meeting.

Let others know who you are and my dear,
Presenting what though I know you are
The same person as others who are here.
Nothing is there to pretend and nothing
Is here to go on wrong path as required
But my dear you are alone is here what I found.

The place, the time, the person all are
The same but the difference is only outer dresses.

Gajanan Mishra
You Are This

You are this,
You are that.
You are one,
You are many.
You are limited,
You are unlimited.
You are what I am,
I am what you are.
I hereby confirmed
Our absolute identity.

Gajanan Mishra
You Are To Accept Me

You are to accept me,
I am in your service only,
Without any personal interest.
I am patient and confident,
And I am conscious about
The truth and life.
With great respect, let me say
I seek your compassion always.

Gajanan Mishra
You Are To Act

You are to act,
And you are to face
The consequences.
You are to take birth
And you are to die.
You are to start
And you are to finish.
I am here to observe and see.

Gajanan Mishra
You Are To Choose

So many ways are there,
Giving and taking are only two.
You can go above giving and taking
And sleep well at night - only truth.

What are you - nothing to know,
But keep curiosity within you.
Embankment is the cuddle of life,
You are to know and take steps for truth.

Living is nothing but taking,
But the meaning lies in giving.
Your own thinking takes you to the truth
If you are fit and qualified for that.

Ways are so many but
You are to choose that suits you.

Gajanan Mishra
You Are To Decide

It is your life, my dear son,
You are to decide what to do
And what not to do.
You know and recognize the truth.

I am here, a helpless creature,
I am getting pleasure, when
My interest is served here.

You know better, how to explore the truth,
In terms of life here and there
And I am giving stress on you to
Find out the path that is your own.

You know colours and you like
Home connect, but the home is
There in truth and it is life itself.

Gajanan Mishra
You Are To Get

You are to get
The fruits of
Your own trees.
Worry not,
No one is there
To share.

Water your trees,
Recognize the mistakes,
Your own and see
The passing days.

Nothing to envy,
Nothing to quarrel,
Make yourself ready
To avail all here.

All for good,
All are truth,
But forget not,
Connection, itself
Is wrong.

But disconnect not,
In your passing phase,
Men, you are to leave
At any time, stay cautious,
And accordingly, keep update
Everything in you.

Every moment is
Auspicious, dear,
Worry not,
Being purified.

Gajanan Mishra
You Are To Know

You are to know
Where is heaven,
You are to know
The right person.
Go not with delusion,
You are to know
How to abandon
What and when and
Where and how.
You are to know
All the technique
Of victory and also
The defeats here,
As you are to
Open the door
And you are to go.

Gajanan Mishra
You Are To Know What Is Yours

You are to know what is yours,
You are to believe in yourself
And your own vision.
You are not to give up
Your belief and your vision
To stay far away from bankruptcy.
I find myself to represent me,
Besides me I find no one and nothing.

Gajanan Mishra
You Are To Search

You are to search the cuckoo
On this mango tree, my dear Aaeeshanee
You are to search the cuckoo
Within you.

You are the angel of heaven
The queen of the time
And giving your coo coo
In this awful life.

You are devoted to the world
I know, my dear and I know
This is your time, Aaeeshanee
Come, come with that cuckoo
With free verse, all are
Waiting for you, the entire universe.

Gajanan Mishra
You Are To Suffer

You are to suffer
You the miscreants
You grossly foolish
You lowest creatures
You stolen by illusion
You partake of the atheist
You are to suffer
You are not ready to surrender
Before the Truth, the Supreme Truth
You fools rascals
Not ready to accept Truth
You are your own enemies
You are to suffer here.

Gajanan Mishra
You Are To Use

You are to use
My language
While sending
Message.
You are to use
My principle
While staying
In this body-temple.
You are to use
My time
While doing
something.
If you want to be declared
Yourself as successful.

Gajanan Mishra
You Are Troublesome

You are troublesome,
They said but for me,
You are not troublesome,

With love for all good.
I have faith and conviction
That you are here and
You are keen to take care
All in proper way that is
Due to all in this system.

Gajanan Mishra

Let me say your
Very actions are
Not suitable
For the situation.

Gajanan Mishra
You Are Trying To Make Me Fall

I know
You are trying to
Make me fall,
But remember
I am not to
Fall here or there.

I am never
At crossroads,
I am never
In weathering monsoons,
I am with
My own expansion,
I am with
All brotherhood.

I am the truth,
You should know.
And I am in everything
And in everybody,
Let all know.

Gajanan Mishra
You Are Unhappy

You are unhappy because
You are taking everything
Your own in this material world.

When you have so many fans

Committing sins.

To who it belongs
are questions not
Less important.

You are going on your own ways
In your own mode and
I am here trying to catch you!

Gajanan Mishra

Or a priest, I care not.
Brave or hero, rich or poor
I am not here to ask,

But you have kept water
Making them star.

I am not free
To see the star,
The sky is there
On the way to catch me.

But I am free to stay
Within myself where you are.

Gajanan Mishra
You are your enemy.
Am I not right?
You may translate
My above words
In your own language.
But be sure
Truth is there,
And all agree with the truth.

Gajanan Mishra
You Are Your Guard

Color white
Show your might
Color red
Be ready to fade
Color black

Orange and peach
Go to pitch
Violet and grey
Life is a play
Chocolate mustard
You are your guard.

Gajanan Mishra

See, what you are.

Gajanan Mishra
You Asked Me

You asked me
How do you feel?
I replied
With planting a tree.

The fire is in the house,
But I never told,
As my memory goes,
The house is not on fire.

I like this earth,
And you know it and
Hence you are trying
To make me the same.

I can't-do without you,
Let me declare the truth.

Your own efforts that are there
With you, see again and try again
To fly, it is not the dream
It is the reality in this world

But you cannot fulfill
Your all desires
My dear, try to understand
I am far away from you.

Renounce desire
As soon as possible

And your knowledge
As smoke covers fire.

You would be nowhere
In the storm of the sea
The sea would not wait for you
And you would be nowhere
With the sea.

Gajanan Mishra
You Can Not Kiss

You can not kiss me
I am not this body
I am taking this body
By my sweet will with
Two energies material
And spiritual.
That is not me this earth
This water air fire
This ether this mind
Intelligence and ego
I am in this composition though.
It is not easy to make
You understand my spiritual energy
That is there in your body, my dear
I am within you
And you are acting as per my
Direction and all over you
There is my Supreme dominion.

Only for You
Only for You
Only for You.

We, the two
Are only truth
Only truth
Only truth.

Gajanan Mishra
You Can Purify

O my dear, you can
Purify your nature.

I know, you are powerful,
My dear men, and you are free
In purifying your nature.

It is your action
It is your devotion
That can improve your nature.

O men, come not under the way
Of your foes
And your attachment
And your aversion
Are your foes.

Come on and purify your nature, men.

Gajanan Mishra
You Can Read My Poems

Again and again and yet again,
And you can be free from all
Doubts and all confusions of life,
But you cannot see me the same
What and how you had seen yesterday.

Gajanan Mishra
You Can Tell Me

You can tell me
About the air,
Or about the star,
Or about the one
Who can not be
Touched here
And also there.

But you cannot tell
How and when to
Fill up your belly,
Or where and when
To reside,
You cannot tell
Whom to love
And how long to love.

But something is there
In the sun rise,
Though not true.
Something is there
In shape and size,
Though not true.

Gajanan Mishra
You Can Understand

You can understand my poems
Only if you are free from envy
Read my poems without any duplicity.

Gajanan Mishra
You Cannot Build A Mountain, Try Not

You cannot build a mountain, try not.
You cannot create an ocean, try not.
But you can fly in the sky, if you so like, try.
You can say what you like but on this way
You may miss the truth.
You can be the sun but go not out in this sun.
All are conspiring against you, keep it in mind,
But break not any friendship by pleasing.

Gajanan Mishra
You Cannot Call Me

You cannot call me
By this or that name
I am nameless
I have as many names
As you think proper
Or improper.

Let me clear
I have this body
That appear at present
Mind it this body has
No original or
Ultimate existence.

The various stages of
This body like birth growth
Reproduction maintenance
Dwindling and death are
Not mine that I know
This body has no relation with me.

I exist at present moment
Through so many bodies
Including this one
Knowing this I am telling
I am yours and I belong to all
Here there and everywhere.

Gajanan Mishra
You Cannot Drink

You can see
Water everywhere.
But you cannot drink
All water anywhere,
You can drink some though,
You can take bath in,
You can use some water
For washing dirty things.
So also one woman
Can be your wife,
Another woman
can be your sister,
Yet another can be your mother.
Though woman, you cannot
Call your mother or sister as wife.

Gajanan Mishra
You Cannot Go

You cannot go
far away from me
so long as I am
with you.

And I am
with you and
You are living here
freely fearlessly.

You cannot root out
my link with you
and you cannot go
outside this campus.

Do what ever you wish
and get the result free.

Gajanan Mishra
You Cannot Move

You cannot move
Without my support
I know and hence
I am here with you.

You are here
With me to do
My works for others
And for better future.

I am in you
And you are in me
And the world is
Seeing us one.

Gajanan Mishra
You Cannot Say

You cannot say
anything bad or good.
You cannot ask
why this is so and
why that is not.
Yes, if you so like
you can experience
a new way of like
here at every moment
forgetting everything
that surrounds you,
and forgiving all
for nothing though.
I am sure you can't do more.

Gajanan Mishra
You Cannot Say Forgery

When I am nor forged,
When I am putting my signature
Before all,
When I am telling everything
In presence of all,
When I am doing everything
Openly and transparently,
You cannot say anything forgery.
I am living with me,
My acts are selfless
And I keep my dignity.
I am not neglecting or
Overlooking anyone
What I am doing is for all good.

Gajanan Mishra
You Cannot Say It Is Summer

You cannot say it is summer
But the sun is in hottest position.
You cannot say it is spring
As no smile of the flowers and
Also no coo coo in mango orchards.
The night has a murdering look
And you cannot find anything but
Blossoming of the life is still there.

Gajanan Mishra
You Cannot Stay

You cannot stay
You cannot stay here
Forever I am sure.

To stay here for ever
You are required to
Achieve actual perfection.

And the actual perfection
Is there if you get the eternal
And full bliss of Almighty.

To get the eternal bliss
And knowledge you are to
Detach yourself from all respect.

To stay detached means come
Closer to Supreme Truth and it is for ever.

Gajanan Mishra
You Cannot Stay Here

You cannot stay here
without me,
Without you
I cannot move.
I am not telling
all to me
You are not doing
anything for you.
We are both related
in so many ways
for so many purposes
that I cannot tell
in detail since I am
now with this bore well.

Gajanan Mishra
You Cannot Suppress Me

You cannot suppress me,
How can an impure thing
Suppress the pure thing?
You are doing wrong,
And it is you to realize.
See me, I am not attached,
You cannot find me here,
But I am there and you
Can find me, feel me,
If you want to discover.
You are within your limit,
The limitation created by you.
But I am the only truth here,
And I am unlimited.

Gajanan Mishra
You Cannot Understand Me

You cannot understand me,
As you are not willing.
You cannot reach anywhere,
As you are not going.

As you are not uttering.
Still you are mine as I
Love you, that's all I am telling.

Gajanan Mishra
You Can’T

You can't say
What is what.
You can't say
It is masculine
It is feminine
And it is neuter.
You can't say
O my dear, You
Are here and You
Are not here.
You can't
You can't say
About the future.

Gajanan Mishra
You Can’T Say

You can't say
That is untrue.

You can find
The spark within You.

Anything that is
Prejudicial to the interest
Of Truth, You can't find here.

Blame not anybody, my dear
Just harbor all truth
Within You.

You can't say
That is untrue.

If you so like
You may exile yourself in the woods.

Gajanan Mishra
You Care Enough

You care enough
That I know,
When you are here
To notice me.
And for that
I love you.
And my love is
Meaningful.

Gajanan Mishra
You Claim Yourself

You claim yourself Gajanan Mishra
Lion tiger horse dog minister officer
All are false, my dear, all are false.

Truth is these are all different
Transformations brought about by
The Supreme arrangement.

Only one Truth is there
Only our forgetfulness is our misery.

Past present and future.

Gajanan Mishra
You Either

You either
Control me
Or I
Control you.

In either way
It is I
Who enjoy.

To remove passion
And inertia
Is but a necessity.

Counter activity
Is not to be promoted
For benefit
For indefinite.

Gajanan Mishra
You Enjoy Yourself

Objects You exist
Here, all times.

Let me see You
O my dear, let me hear You.

Gajanan Mishra
You Exist Within And Without Me

You are subtle and is incomprehensible
You are near and stand afar.

I know you exist now with me
You will exist in future
You existed in the past.

I have an yearning only for You
O my dear, space time and thing
Are the same for You.

Gajanan Mishra
You Fail

You fail
You fail to
Recognize me,
And hence
I am telling you
A fool.

A fool,
As you know not
How to push
And pull.

Pushing and pulling
Is life, my dear, and you yourself
Find there love and truth in full.

Gajanan Mishra
You Feed

The sparrows are being fed with grains,
Look a crow comes to pick some grains, likewise
The unqualified one occupies the seat at times.

Gajanan Mishra
You Hardly Know

You hardly know
Who I am and
Where I am and
What I am for you.

Yet you tell
What you like
In the words
That are not yours.

And I listen to you
For your satisfaction
Without any objection
To enable you to touch perfection.

Gajanan Mishra
You Have

O my dear, You have
You have given
You have given me
This body to attain
The Truth.

To attain the Truth

My impulses, my dear,
That I remember,
Here in this life.

And it is Your
Blessings, my dear
That for You only,
I am living.

Gajanan Mishra
You Have Already Been Killed

You have already been killed
For your attachment to
Fruitive activities,
For your mean-mindedness,
For your feeling not pleasure to see
The flourishing conditions
Of others,
For your uttering harsh
And piercing words,
For your finding faults
With the saintly persons.
But I am in truth and
Not under the clutches of illusion,
I am in perfection.

Gajanan Mishra
You Have Awakened Me

You have awakened me
To the Absolute Truth
Absolute best
That is within me

And I find everything

Gajanan Mishra
You Have Created

You have created,  
And I am here, see.  
I am your product.

I am a dream  
Within the dreams,  
All are yours.

I am under nature,  
The mode of nature is yours.

I remain alone  
And pure.

I am the truth  
And I am aloof.

Dear mother, are you okay?  
I am for you all days.

Gajanan Mishra
You Have Given Lovely Light

You have given lovely light, thanks.
You have given beautiful world, thanks.

With you, I am able to move.

That a lot for your appearance,
Thanks a lot for your new creation.
Thanks a lot for taking me in new direction.

Here I find the ocean and the sky,
Here I find the tree and bird’s fly,
Here I find everything is full everyday everywhere.

Gajanan Mishra
You Have Given Me

Full right to be free
But it is I
Who choose bondage.

It is also I
Who missed independence
Given to by You
Going against Truth
Going against Love.

You yourself presented
In this world in
Different forms
To collect flowers
To collect honey.

You yourself said
Live like bee
And worry not
What has happened.

Gajanan Mishra

Love, peace, war, tension,
Democracy, agriculture, production.
Rice, butter, house, wife, son.

I am here with you all days
Digging the earth, opening the doors,
Calling the sky, giving the birds fruits,
I am with you, I am with you.

Gajanan Mishra
You Have Made Me Self-Sufficient

See I have no desire and no shortage
I know I can not keep you for ever
Rather it is you who can keep me for ever
And so the works of acquisition is yours
And not mine and I have forgot everything
I know you are also not happy with me
And going on further and further again and again
I am sure you also can not satiate me
But you have made me self-sufficient and I
Am here searching you and I am going to
Ask you how could you make me so.

Gajanan Mishra
You Have Mouth

You have mouth,
You have words,
You are allowed to say
Whatever you like,
But be ready to face
The repercussion.

At the stage of ascent.
You may give opinion
Useful to bloom,
You may show light
To avoid gloom.

Gajanan Mishra

But you can go faster

You are transcendental
Form of full existence,
Knowledge and bliss.
But I know you
As a supreme energy
That is within me.

I am here with you, I know,
As a living being, I can do
Anything here with the help of
The water, the air, the ether,
The mind, the intelligence
And the ego on this earth.

All the above have no legs,
No hands but all they can do
A lot for me and for all,
They are all your products
And they can do a lot
Individually and collectively.
They are touchable and also
Untouchable, they are for good.

Gajanan Mishra
You Have Said

You have said
To love is
To suffer.
To go far from
Suffering you are
Not to love,
But suffer not
From not loving.
Suffering is
Suffering and it is
Within.
Love is something
Different from
Suffering, enjoy it.

Gajanan Mishra
You Have Sent Me

You have sent me
To do something
But I have forgotten
On the way what to do
And when and how to do.

Seeing me You are smiling,
Staying in my own body

Going with me You are smiling,
Giving indication You are smiling
And I failed to understand
Your smile, my dear .

It is true I am unable to go
With time updated.

You born today on
This day of Laxmi snana
On this 17th June 1990.
The auspicious day
Of Maa Laxmi,
You are as clean as
The sky, as fresh as
The air, as lighted
As the sun, as cool
And pure as water,
My dear son, also
You are as tolerant
As the earth.
Let me bless you
On this day of your birth.
Go and fly, my dear son,
Capture the sky.
I know, all the enemies
Are there to
Surrender or to die.
I know you have
The power of love and
The power of truthfulness.

Gajanan Mishra
You Have Survived

You have survived,
Thank God.
But tell me
Are you really
still interested in life?
Are you able to eat
and sleep as before?
Tell me something
about your experiences.
Test your own faith
In the tough times,
And say something that is
Applicable to all here.

Gajanan Mishra
You Have Taught Me

You have taught me
The way of worship.

It is your sweet love,
It is your pious earth
That gave me knowledge.

I am here with your flowers,
Fragrance of which is spreading
in all directions.

I am smiling like you
with the beauty of this world,
I desire to stay with you
so long as you are here with me.

It is my good luck
You are showing me the path to stay.

Gajanan Mishra
You Have To Run

You have to run and run
And run and run till
You reach there,
But where to go
And when to reach,
I do not know
And I cannot tell you,
The place and its address.

Currently, I am here with you,
I know you are the ultimate truth.
Currently you are here with me,
But I do not know
You shall be there tommorrow.
Your running will show your glow.

Gajanan Mishra
You Have To Speak

You have to speak agreeable words
Honestly and faithfully
What you heard

Truth is in You
You are the truth.

Gajanan Mishra
You Have Told Me

You have told me
My dear, go now, you are free
But keep your senses under your control

Coming in contact with the sense objects
My dear, be careful, you cautioned me again
And all material objects, I have shunned.

Gajanan Mishra
You Have Touched Me

And I am agitated.

Please come and come with me
And for this touching
I can not bear to leave You here.

O my dear, it is not my fault
You made the mistake of touching me
You made the mistake of building me afresh
You made the mistake of coming to me
And staying within me
I recognized You as the Supreme.

Let me glance at you again within
Come come come to my house
O homeless traveler, I am Yours here.

Gajanan Mishra
You Have Won

You have won,
I have won
We all won.
We have arisen.
Arisen for love
For each other's
Co-operation and
For truth.

Gajanan Mishra
You I And He

You I and He
Let us go from here
You I and He
Let us go there.

We all know
There is a place
We know no place
Is there.

You I and He
Let us form a company
And the company
Is in existence
Since long.

Gajanan Mishra
You Kiss This Side

You are kissing
This side,
But you are slapping
On the other.
You are one of
My best friend, dear.

My friend and who is enemy.

Gajanan Mishra
You know everything,  
I am here just to remind you  
Again and again and  
Make you understand  
The good and the bad,  
The sin and the virtue,  
I know though they are  
Not permanent and there  
Is no such water tight compartment.  
You know everything,  
You know what ought and  
What ought not to be done.  
And still I am here with you  
To speak the truth for public good.

Gajanan Mishra

Gajanan Mishra
You Know Me

You know me
That's enough for me.

I am waiting
For that day
When you would tell me
You are mine
I am yours.

And perhaps that would be
My last day of sorrow.
And that day would be
Our day of love,
And hence it is
Needless to know
Anything more now.

Gajanan Mishra
You Know Me And

You know me and
You are free from
Delusion and you
Are free from
Any description.

You should know
Your own higher
Imperishable and
Supreme nature.

You are the only enjoy-er
You are the only peace-lover
But you are ready to fight
As ever, as ever, as ever.

Gajanan Mishra
You Know My Heart

You know me
You know my heart
O my dear
You are my Master

Everything is useless
On this earth
Which is Yours
And I am on this earth
it is only for You
You know me
You know my heart.

You know not what are you
You know not what are there around you
You know not that are happening in you.

But you pretend to be what you are not
And you puffed up with pride
And to your viewpoint
You are trying to bring other people round.

I know you have a thirst for worldly pleasure
And you want to secure and maintain them
You are always given sense enjoyment.

Torment not my dear,
Torment not your body, torment not the self
Be calm and understand what you are
What are there around you.

Gajanan Mishra
You Know The Good

You know the good  
And right thing  
For me.  
And hence I accept  
You and your proposal  
In my life

Wonder here.

I know it is  
All yours,  
I know I am  
Yours.  
I know you are  
here for all.

Gajanan Mishra
You Know The Truth

You know the truth of the self
You are actually wise and you
Possess transcendental insight
You are free from impersonal
Speculation being self-realized
And You are enlightened.

Gajanan Mishra
You Know What Is In Your Mind

You know what is in your mind,
How can I guess it.
I know you are the first sunshine
I am the morning.
I know the goal of my life is truth.
And truth is there in you.
You know what I cannot imagine.
I know my words have no meanings.

Gajanan Mishra
You Know, What Is Happening

Am I really helpless?
Is there any fault with me?
You know, what is happening
As You are with me.
I am ignorant and I am in dark
That matter little.

Gajanan Mishra
You Lack Nothing, My Dear Son

You lack nothing, my dear son,
Understand the life here.
You are independent and
You are free to do anything here.
What you want that is there
With you, keep it in mind.
I am delighted here with your
Simple-heartedness, my dear.

Gajanan Mishra
You Live

You live in my joys
I live in your glooms.

Give me your glooms,
and in return
I am giving my joys.

You are my language,
I am your silence,
Let me speak to you
while you are silent.

You are my body and my heart,
I am your love and your future,
You are my earth, I am your shadow,
You are always taking my care
And I am here, I am there.

Gajanan Mishra
You Love

You love,
You love to stay with me,
You love to hear me,
You love to recite my poems,
You love, You love and You love
To play to laugh to play.

I know we are all
On this earth-play ground
We are all here
Flying with our golden wings
We are all here for all.

We are all sweet
We are all here in this sunny light
We love and we fight and
We are passing through bright night.

Gajanan Mishra
You Love Me I Know

You love me I know,
I love you so also.

I am seated in your heart,
And make you run like a cart.

Knowledge and forgetfulness
Everything is within,
With you, in some way or other,
I am here also living.

Material nature, I care not.
Your actions, your reactions
I accept not.
For happiness, for distress
I fear not.
Stay with me and forget not.

Gajanan Mishra
You Made Me A Fool

You made me a fool,
And I am here cool.
To satisfy your urge
You addressed me darling.
I want your language
But you merged in me.

Your scented kiss enabled me
to stand up before all and
I am here in return of love
That is universal.
Day and nights, see me
I am laughing and crying
Like a mad and insane
Pick me up showing your deign.

Gajanan Mishra
You Made Me Mad

True, I am mad,
It is you
Who made me mad.
I am here with
Your trees, birds,
Flowers, fruits,
Water, air,
And with
Colourful sky.
I am mad
With my vision
With my knowledge.
Now, I feel
It has got
No meaning here
Either for me
Or for any one.
You are driving me out,
But I am not here
To go anywhere.
And how can I go-
A great question
And even you have
No answer.
You can say me a fool,
Yet I know what
I feel, what I observe
What I witness
Here at this time.
I am your part
I am not denying.
Yet I am here
With my separate identity.
I am mad, you are telling,
Okay then, no matter,
But I am here for you,
And I know you are here
Only for me
With all these items
That are changing
From moment to moment.
Let me live here
With all happiness,
With all dreams
Like an ordinary mad man
In dust-whirl.
I am ready, and ready
Fully for upward or
Downward feather.

Gajanan Mishra
You Make Me Proud

You make me proud
And I am not in solitude,
See I am fine with my attitude.

Gajanan Mishra
You May

You may
Call me
A beast
I am
Not foolish
That I
Object
And to your
Knowledge
Let me say
I am in peace.

Gajanan Mishra
You May Admit

You may admit
Or not
But truth is there
And it is eternal
And truth never
Ceases to be.
Truth is that
You are alive.
And your existence
Is here as before,
You are passing
Out of sight though.
No death but life
The only truth.

Gajanan Mishra
You May Ask

What for I am here
Why do I go
From here to there
You may ask
So many questions
Relating to my
Hair style dress
Eating procedures
Walking and doing works
You may ask
Who am I
What about my
Previous lives
My future planning
Sorry sir
I am not here
To answer.

Gajanan Mishra
You May Deny

You may deny,
Nothing to say.
But the truth-
The person who is
Alert, sober
And unbewildered
Are there to be rewarded
For good quality and
Activities.
And persons deluded,
Bewildered and
Maddened by desire
Are to be punished
For wrongs and ill motives.

Gajanan Mishra
You May Go For Sleep

You may go for sleep
But go not for oversleep,
Oversleep makes you
Idle, lazy and inert.

In oversleep different thoughts
Come to your mind
That is a hindrance
For your proper growth.

A sound sleep is necessary for you
That I know, and I know
If you sleep too little
That would not help you to go good.

Gajanan Mishra
You May Go Out

I am not this body
You have relation
With this body only.

You can not see me
I am not this body
I have no want
I possess nothing.

You can hear me
If you try sincerely
O man, recognize me
If you can.

Gajanan Mishra
You May Hate Me

You may hate me,
But I am loving you
and I love you for ever.
You may leave me,
But I will never leave you.
Let me enjoy what I have,
the stars, the sky, and I am
not to tell anyone good bye.

Gajanan Mishra
You May Read Any Poem

You may read any poem
Written by me,
And taste the sweetness of life.
If you are serious,
Discover the truth in it.
And proceed forward
In the natural order,
Being the nectar.
Read poems, and reading poems
Is mora important than
Anything else.
Life is here, and poem is
More than life.
Leave everything and read poems.

Gajanan Mishra
You May Roam

You may roam
Where ever you like
But keep your mind
On this land.

Your future is there
On this land and
You are to make clear
All obstacles here.

You are taking food
And you are taking shelter,
And you are taking air
From here every moment.

This land is your own,
Be on your guard at ever moment.

Gajanan Mishra
You May Say

Coming to me you may say
Writing is a personal business,
But let me say, think twice, my dear,
Nothing is personal, admit and declare.

Since everything is interrelated
no one can claims this or that
is his own and he is here to keep
everything secret and he can do
whatever and whenever he likes.

It is true to say pieces of
stones are there in flowers,
And flowers are blooming
on the dry stone at the top
of the mountains facing the sky.

Gajanan Mishra
You May Use

You may use the word sin
In place of virtue
Or vice-versa
My dear, no matter.

You may compose a poem
With these words, my dear
This is the right
Opportunity at your hand.

Think not about the consequences
My dear, desire not anything
That is the only obstacle
No need to explain in details.

Keeping heart pure and perfect
My dear, you can reached
Where ever you want
Each and every place is heaven.

Gajanan Mishra
You Mean To Say

You mean to say
I am not clear,
My mind is not clear!

First clear the clear,
Then only acquire
Qualification, my dear,
To tell what
You mean to utter.

Hesitate not to say
The sun, the sun.

Dream is there as before
Within you intact.

You are to pluck the fruits
From your own tree for others.

Gajanan Mishra
You Men, Know Nothing

You men, know nothing.
You know not what to eat
You know not how to sit
You know not when to sleep
You know not where to go
You know not whom to approach
You men, know nothing.

Let me clear men, are you not fool?
You are attracted towards those things
That are harmful.
For nothing you are hot
And with no reason you are cool.
You are forgetting your own nature
And influenced by other's behaviour.

Gajanan Mishra
You Move First

You move first
I start later.

That I approved
Your plan and project.

It is my ear
That hear not anything.

And it is something
That is there within me.

The situation is pleasing
I am shedding my tears touching design.

Gajanan Mishra
You must conduct
Yourself responsively
For the benefit of all.
Close all enmity
For your own benefit.
Keep trust on yourself
And trust others and
Avoid petty infections.

Gajanan Mishra
You Must Die

You must die
See, you are dying
Every living entity
Lives in a body
For some time and then
Transmigrates to another body.

O my dear, You are
Not to die, you are not dying
Since you are the soul
Nobody is there to kill you
And also remember, my dear
There is no necessity to
Kill others for your own living, if you do
You are condemned as hellish.

Gajanan Mishra
You Must See

You must see what are
These health sickness riches poverty
honor dishonor praise blame
Without any attachment

What is going on
Around you, dear.

Your knowledge is good
And perfect.

Gajanan Mishra
You Pleased

And everything achieved.
By transcendental achievement
I understand everything else
to be insignificant.
You are in everyone's heart
You are everyone
That I know here
From my own experience.
See, I am sincere
And going with a purpose
To achieve You
In Love in Truth and I know
You are there to help me in every way.

Gajanan Mishra
You Possess

You possess virtue
I like it
I love you.

You appear
I like it

In this battlefield
Of my life
You are with me

I am acting for you
I surrender before you
I like it
I love you.

O my dear
You are with me
Always day and night
That suffice
The purpose of life.
You Prevail

You prevail over me
I prevail over my dress
My dazzling dress
Predominates You.

Gajanan Mishra
You Remembered Me

You remembered me and
My welfare is assured
You have given me protection
It is Your love and affection.

I remember You always
You are within my heart
You are my well-wisher
I have no illusion mine and Yours.

I love You
I love You
I want You and
Nothing and nobody else.

You are equal to everyone
That I know You are constant.

Gajanan Mishra
You Renounced

Egoism and hypocrisy
I love you most.

Gajanan Mishra
You Resting Place

My body is Your resting place, my dear
That I know from my experience with my living.
Wait and fight is Your principle here I know.
I pray You always for free me from all sinful reactions
And it is Your grace I am enjoying here this life
Without any interruption and disturbance.
I know and understood You, my dear
For the selfare of all.

Gajanan Mishra
You Said

You said it is sweet
I said it is poison.
You said it is day
I said it is night.
You said you are living
I said you are dying.

Who is wrong and
Who is right
The man who knows it
Is a great scientist.

All scientists are not poets
All poets are scientists
Let me say You are the poet
And You are the greatest.

Gajanan Mishra
You Said It Jungle

I find here no tree.  
I find the bird  
Not flying.  
I find the monkey  
Not jumping.  
And what more  
You said,  
That I have forgotten.  
And you said okay  
I am not a fig.  
Big or small  
No matter, remember,  
It is tiger and tiger.

Gajanan Mishra
You Said On Your

You said on your appearance
Sins disappeared. okay.

Tell me what is sin
Tell me who you are
Tell me what do you
Mean by appearance
And by disappearance.

I have no eyes
To see all these
I have no ears
To hear all these
I have no mouth
To express correctly.

And taking this opportunity
You are playing with me.

I know not which is lift
And which is right
I know not how to fight
Yet I live
Only forgetting everything
And I still pray
Forgive me as I know not
What is what my dear, here,
At this spot.

Gajanan Mishra
You said real,
Real is not perfect,
Perfect is not real.
Nothing to denied,
But let me add-
The sun is perfect,
The sun is real.
The sun is within us.

Gajanan Mishra
You Said You Exist

You said you exist
I said no.

And I know
No has its
Own self-realization.

Is it destruction?
That I know not.
And what I know
That is not binding
on anyone here.

Think not anything personal,
Confuse not with the word
Temporary and permanent,
Just remain detached and
Your own discrimination.

Gajanan Mishra
You Say

You say
Stay on line
Come to me by on line
Future is on line
You are always on line.
It is I who fail
To make connection with you
And is in dark
And is suffering
Like anything.

Gajanan Mishra
You Say God Is

You say God is mischievous
And you say God is lovable
God is egalitarian full of wisdom
And nemesis of evil.

You say this world is created
In God's will and
God is known as Allah
God is known as Christ
God is known as Krishna
God is known as Rama
And God has as many names
As you call Him
As per your will.

You say you are here
An you say you are there
This that your name
And you say God is within you
God is above you
God is below you
And all around God is God
Only God and you are fearless
For the presence of God.

You say you know everything
And everything is God
You say further
You are God
I am God
I am confused
And confused and forced to
End the poem here.

Gajanan Mishra
You Say Stone

You say stone,
I say God.

You hate,
I love.

You say it is night
At your area.
But I prove it
With the sun and
Say it day.

I find everything
In black light
But you miss
Everything in
Your eyes sight.

Gajanan Mishra
You Say, O Philosopher

You say, O philosopher,
This world is a dream
And unreal.
And you believe
The existence is like water
And it is in the form of
Snow, cloud and vapour.
O my dear, let me believe you
And let me admit your words
And still I realize the truth
That is there in all changes.
Hear me, my dear, I am not attached
With anything or with any person
And see, I am dreaming that are real.

Gajanan Mishra
You see I am here,
But this is not true.
Not true- your seeing,
Not true- your talking,
Not true- your hearing.
But I exist here
And you are hearing my talk,
You are feeling my touch.
You think I am separate
From you - not fact.
I am not a subject of sense,
True and you also admit.
The centre of all is
That pot of clay, you may clarify.

Gajanan Mishra
You See The World

Just as you see yourself.
If you are truth conscious
You see the whole world truthful.

I know you are here suffering
From the pangs of separation from truth
And all the miseries are here
Due to this separation.

Gajanan Mishra
You See You Test

You see yourself
You test yourself
Realize the absolute.
It is not difficult to see
It is not difficult to hear
O my dear omnipresent is always here.

Uncovered the curtain of
Material energy my dear
And satisfied yourself
With the process of
Peace and tranquility.
Feel that the life's mission
Is fulfilled as you are
Perfectly educated.

Gajanan Mishra
You See Your Mirror

You see your mirror and
Let me see mine. Only there
We both can see the unseen.

Gajanan Mishra
You Should

You should stop
The waves of material life
You should see
Within you the Truth
And enjoy Supreme Truth
You should know
What you achieved
That has no existence
You should feel
The actions of deceitful here
You should know
That you are nothing
And nothing and nothing
But everything and everything.

Gajanan Mishra
You Should Know

You should know
Where and how to go
You should know
What and why to do
You should know
Who are you.

Gajanan Mishra
You Should Live

You must die
And you are dying
Before dying you should live.

At least try to live
Before you die
You are not living, but dying.

Gajanan Mishra
You Smile

Flower buds blossomed
You see
Life flourished
Your presence
makes the place heaven.

Gajanan Mishra
You Smile And Your Smiles

You smile and Your smiles
O my dear, vanquish all my sufferings
I can not live without Your presence.

Cast Your transcendental glance over me
O my dear, I know You are very kind to me
I know I am eternally related with You.

I am Your molecular parts, my dear
And I am separated from You by artificial
Covering of illusion and illusory energy.

Remove this illusory energy, O my dear
Let me see You face to face and Your smiles
That will ends all my miseries,

Gajanan Mishra
You Spread

You spread like the sunshine
You spread like the sky
You spread throughout the universe
The entire universe is manifested in You.

Everything rests in You
You are there and also not in there
O my dear, You are the ability of all
You are the sound and taste and light.

You are never disturbed by any change
You are always independent
Cosmic manifestation is not different from You
Knowing all these I am worshiping only You.

Gajanan Mishra
You Stand Nowhere

You stand nowhere
That I know and still
You are telling, here you are.

Each and everybody is
Abandoning you that I know
And still you are going after them.

No place and no body
Is your end, let me tell you.

Gajanan Mishra
You Surpass

All in excellence
You surpass.

What am I
I am here a man of
Worldly intelligence
Entrapped by
Material coverings.

All in excellence
You surpass.

I am not able to say
About anything of this world
I am helpless and quite
Incapable of any creation
I myself is one of Your creation.

Gajanan Mishra
You The Fortune

You the fortune
come soon.

Or else you fool
if entered late
in court area
curses replaces boon.

Come soon
You and I
And the ocean
And the sky
And the universe
never found again.

Gajanan Mishra
You Think

You think
You act.
You act
You get.
Getting what
Don't tell.
It is just a lie.

Gajanan Mishra
You Think You Act

I know you are correct
With your clear concept
And Your word is perfect
I think you act.

Gajanan Mishra
You Think You Are Progressing

You think you are progressing,
You think you are touching
The perfection of life
With your skyscrapers, big roads,
Automobiles and so on and so on.
But my dear, let me say,
Till now, you know not the truth,
The very goal of your life.
You know not where to go,
How to go, with whom to go.
Till now, you know not who you are,
With whom you are and what
You are doing or what you
Have done so far.

Gajanan Mishra
You To Decide

I see no prosperity
I am the sinner, here,
I am in adversity always
I get no worldly support
From any quarter,
O my dear, I surrender
Myself to You,
O my singular power,
It is You to decide
What to do.

Gajanan Mishra
You To Say

You to say
What to do
For all good.
I understood
The truth, but
Not under
The pressure of
Fearfulness.
I bow my head
And I surrender
Myself before nature.
And I want to
Disclose myself
As the symbol of love.

Gajanan Mishra
You Try To

You try to cover me,
But I am far beyond the cover.

I am the sky
And I exist as you see.

What you touch
That is not there, be sure.

Apply no identical intelligence,
But stay pure.

Gajanan Mishra
You Tube

Neither this nor that,
Neither you nor I,
Present here at any time.

Yet the movies on
And all pleased with
The entertainments.

All to voice,
All to grow.

All depend on
Words and
Audiences.

Let us stay alive,
With you tube and videos,
With a specific cause.

Gajanan Mishra
You understand my need, my dear,
That I know and You are making
Every arrangement for that.

The time and place is in Your hands
You have selected the place where I have
To reside and when and for how long.

I know before You the beggar and the hermit
The pious and the wicked all enjoyed
Same status that they deserved.

Gajanan Mishra
You Understand Nothing

I know you
Understand nothing
And going on laughing.
You are searching
The meaning of life,
But life itself
Is a meaning
Of your own self.

Have you not seen,
Have you not felt
Your own existence
Anywhere else
With the sky
Or on the land?

I know you have
Understood nothing
And came to me
With a complain
Against the sky
That is there.

The sky is laughing
At you and I am there
Realizing the mistakes
I have committed
With no reasons.

Gajanan Mishra
You Want A Ride

You want a ride
On the sky
Wait, try to fly.

You have read
Remember that
Rome was not
Built in a day.

Try and try
Trying is the first
Step of riding.

Gajanan Mishra
You Want And

You want and you got
You got and you left
You left and everything
Finished.
Finished everything
And I started my journey
In my journey I took you
And you asked me
How are you.

Gajanan Mishra
You Want Benefit

You want benefit!
Am I right?
Remember, you are
Inviting your
Own suffering.
Your want is increasing!
If it is the fact
I am sure
You are going to hell.
As a well wisher
And friend
Let me tell you
Please know the truth
And stay satisfied within.

Gajanan Mishra
You Want This

You want this
I am here to give,
You want new and new,
I am giving new and new
So many times without number.
You have power of will
And you have life-breath.
Remember, power of will
Is more powerful.
To get peace you must
Put an end to
Your power of will.
Your life breath is no way
Related with on anything.

Gajanan Mishra
You Want To Know

You want to know
About the sky,
And I find no sky.
I know my own father
And he is dear to me,
And I salute him
As such always.
I want to know you,
And you are there
In the water.
Water- I find nowhere,
And people say
I am a fool,
I m cool, though.

Gajanan Mishra
You Will Come To Me

You will come to me, I know
I wait here, you know.

Gajanan Mishra
You Will Never Understand Us

It is true,
You will never understand us.
It is true,
We are not looking like
The human being in your eyes.
It is true,
You will not tolerate us
And you want to kill us altogether.

We are the innocent mass,
It is not good to kill us,
We are no way related to
Your power and position or wealth.
We need a meal per day not from you
But from nature.

We are not here to be killed,
To be tortured.

We are free creatures
We need love and affection,
We need food to eat,
We need water to drink,
We need an atmosphere
To sing and to dance
As per our wish under the sky.

We know, you are not there
To give or provide us,
It is not under your control.
But you are there
To go against us
Without any reason
But just to satisfy
Your ego and self-interest.

Gajanan Mishra
You Wish I Should Come

You wish I should come
You are welcome
Give up desire for this
If you want peace
Desire is not real
And its fruits perishable
Our body is not ours
We wiped out our desires
Our wish realized
And we suffered loss.

Gajanan Mishra
You Yourself

What I want to say
I am not far away from you
O my dear
I know You are merciful to me.

There is no one nearer than you are
I know you are in me
And what I want to say
That is You Yourself are saying.

Gajanan Mishra
You Yourself Is Also Unlimited

Nothing wanting
Everything is unlimited
Full with all desirable equipment
This is Your world
This is full with all power
All energy all opulence
All beauties all knowledge
And also all renunciation
You Yourself is also unlimited.

Gajanan Mishra
You Yourself Is The World

You yourself is the world
All happiness are within you
O my dear, do not run after
Happiness elsewhere
Within the jurisdiction of
This life you are to find
Everything and everything
If you are ready to search properly.

Gajanan Mishra
You, William Wordsworth

The bright ship of heaven
Let me take and
Be forgiven.
The birds the clouds
The sky the mountains
The rivers the trees
All join hands.
It is the great poet's den
And I am a small creature
Chirping here
In my mortal van.
Nobody told you
What you have done!
See, I am doing
What I am doing
With these constant
Changeless time
With your growing and
Growing power
Inherited by me.
You are my strength
You are my eternity
You are my beauty.

Gajanan Mishra
You, The Sky

You, the sky,
You, the stars,
You, the earth,
You all are
Supported by me.
But you, the sky,
the stars, the earth
Know not who I am.
And I am residing here
with you.
So long as I am here
You are there for me.
Air is here with me
in the heart,
that digests the food.
Air is here with me
in anus, that excretes
waste matter.
Air is with me
in the navel
that circulates the essence of food,
Air is with me
in the throat
that separates solid and liquid,
Air is with me
in my whole body
that shrinks and expands my body.
I am here under the sky,
The stars are looking at me,
I am on this earth.
I live through airs
and I am keeping relation
with you all.

Gajanan Mishra
Your Absence

Your absence is my night, O my dear.
See, I am distressed and I felt uncomfortable
As the lotus gets withered at the approach of the night.

Gajanan Mishra
Your Address

I know not
Your address
And yet
I am going
To you.

Are you
The autumn's glow?
Are you
The sea-mew?

I love you,
For the light,
For the harmony,
For the odour-
All are yours.

Gajanan Mishra
Your And Mine

No difference
It is one and same.

Just check
And say
Am I right or wrong.

Going to the earth
From the earth
Is good luck.

Gajanan Mishra
Your Appearance

It is Your appearance
O my dear, that made
All pleasant
The air the river
And the mountains
Everyone's mind
Became tranquil
Entire world is
Full of joy, it is
True love really
With Your appearance
All signs of good fortune
Are there everywhere
I realized it is truth
It is justice.

Gajanan Mishra
Your Belly

Your belly is not mine
Still I am telling
Keep your belly under your control
And be relaxed
I must say further
It is the store house of all troubles
And it is for belly
We are all here assemble.

Gajanan Mishra
Your Best Foot

Where is your best foot,  
That I want to see,  
Please, proceed ahead.  
But please, chew  
Not the curd.  
Take care yourself first  
And then see  
What is happening  
All around you.  
Be strong and stout  
And proceed ahead.

Gajanan Mishra
Your Body Is Your Cloth

Your body is your cloth,

When it is worn out
But remember, it is not

As you like as per your will,
Transformation of body is a
Miraculous acts, mind it.

From place to place and each and
Every place is the same and one.

Come on and try to liberate
From your own future my dear,
If you so like and you want to
Go beyond your future.

And living here with all
Happiness see.

In rivers, at hills, 
On earth, in air.

And I am trying to light up a new lamp.

Gajanan Mishra
Your Happiness And Your Distress

Your happiness and your distress
Have nothing to do,
Feel guilty that you are running
After them at this time.

Your plan and your ambition
Are fluctuating at different stages,
But let me hear and waste not
Valuable time there with you.

Forget not that dogs jackals and moths
Are there and you have with you
Only useless faeces, ashes,
But they are all insignificant.

Take care, and proceed ahead,
Eternal bliss is there with you.

I know you are with the heart,
But you said my dear, you have kept
your heart on the branch of the tree.
How you think me a crocodile?
I want to play with you in the open field,
Come on, you are not the monkey, I know,
You are a man like me, let us come
together and play as per our wish
keeping peace and development of all.
Come on my dear, the world is watching us
and we are to go heart to heart, mind to mind
to march forward, come on with all humanity.

See me, your honour,
Test me, observe me,
I am free from all vices.
I know only
How to love others,
Eternal love and wish
All good to all.
I am leading my life
Only on a truthful way.
Rest, you to decide
Your honour and
Do the needful
That is good to all.

Gajanan Mishra
Your Influence

Your influence is felt
In this time factor
That causes fear of death
As I have contacted material nature.

Mixing is time and see I am here
It is simple it is unalloyed
And it is all goodness
That make your mindset you have to accept.

It is the specific qualities within you
That dragged you to the interior
Where I am according to the situation
All is nothing but the result of agitation.

O my dear, You appeared and it is Your nature
In different ways I pray, as You are the sole creator.

Gajanan Mishra
Your kindness,
Unlimited kindness,
I know, it is
There as always.
And I live
Thinking you as
Be all and end all
Of my life.

Gajanan Mishra
Your Kingdom

Your kingdom is my body
And I know You are
Here within me.

Lo here
Lo there
I am yours.

You are for all.

Gajanan Mishra
Your Knowing Itself

Your knowing itself
Is the disturbing element.

Let me know
What you are knowing here.

Love? sex? life? death?
And what more?

Let me know whether
You are living here!

Gajanan Mishra
Your Land Your Language

Your land your language,
No one has any right
To interfere.
You have every right
To use your language
On your land.
Stay fearless and live
With courage.

Gajanan Mishra
Your Language

What is your language
let me asked.
No matter if you are
not willing to say.
I don't mind
if you are not able to use.
I care not you
but I care the time.
Let it go,
And forget all.
We are the pillars of
One post, come on
I am here to take through
this link language.

Gajanan Mishra
Your Liberation

I do not want
Your liberation
If it is against
Public welfare.

Wealth, prosperity,
Women, position,
I have no desire,
If not for other's welfare.

Gajanan Mishra
Your Love - I Know

Come and go,
What you are
Let me show.
Your love -
I know.
Ice or fire,
But water is
There.
Light or dark,
But see the star.
Inward and outward,
Dress is my reward.
I am not here, but
Search me not here.

Gajanan Mishra
Your Love And My Poems

If you love me really
Read my poems intensively.
Discover me there,
Your most favorite star.
Without expecting anything from you
Who is giving you all truth.
And who is going away from you
Leaving everything here for you.

Gajanan Mishra
Your Lovely Lips

It is unseen,
your lovely lips.
It is untouched
Your lovely eyes.

I know, I am there
In your life,
But I am unable to
Understand you.

There is light in you
That I know but
You are not able to
Get your own light.

Know thyself,
And love, love..

Gajanan Mishra
Your Mentality

Let me know your mentality,
Let me know you fully.
Be sure, I am there
In your category.

Gajanan Mishra
Your Mercy

Everywhere and everything
Is Your mercy
Even Your anger is
Also Your mercy.

You are the cause of
Everything that I know
You are the original shelter
Of all that also I know.

It is true, You are
Not undergoing any
Material transformation
You are never affected by
The qualities of matter
And I know You are here.

You are the prime mover
Of material nature
You are the reservoir
Of all consciousness
And potency, O my dear
You are the perfection
Of all sciences and
All forms of knowledge
Being the Absolute Truth.

Your mercy is unlimited
I know You are not limited by time.

Gajanan Mishra
Your Message

I am waiting
Your message.
Your message
Has nothing to say.

Nothing to wage war,
Nothing is there
To win
Or to lose.

Know life nothing
But reality of
Imagination here.

And imagination is
Nothing but the reality
of waves that are here.

In dreams they are
All playing themselves.
And they are waiting
For further course of action.

Treat everything fashion
And stay free of emotion
Barriers are your own deception.

Gajanan Mishra
Your Mother

While telling I, I,
You are going to die.
How much shout,
Where it is!

Father-in-law was
Hesitating very much,
Though near,
Now unable to move,
And going to die.

No, no,
So many times
We have told.
But what should we do,
If they care not.

Your own mother,
Your own name,
But no one takes heed.

Gajanan Mishra
Your Mother Is Here

Your mother is here
First go to her, my dear.
Mother-land first,
Mother-tongue first, and
We are here to see
The safety of this earth.
Let us accept everything
With the sun-rise and
Sun-set, mew mew said the cat.
Let us not amazed not confused
My dear poets, drive out the cat.
What is under your purview
Do it and make a review.

Gajanan Mishra
Your Mother My Mother

Your mother, my mother - one.
Your earth, my earth - one.
Your air, my air - one.
Your life, my life - one.
Your happiness, my happiness - one
And in all oneness, we are here together.
Nothing is false here, nothing wrong.
Let us go on doing for the welfare of each other.

Gajanan Mishra
Your Option

You may accept,
You may not accept-
Your option.
But I find
Here with
No conclusion.
What I find-
Not negation,
But all affirmation.
Your form and
Your very existence.
And your very presence
Made me offer
My obeisance.

Gajanan Mishra
Your Own Business

Stay busy
In your own business,
Your own business
Will achieve your goal.

Have a strong desire
To do something
For others, without
Any opposition.

I know, you are sacrificing
Your own well-being
For the sake of others.
You are kind and
Charitable, you are
Very pleasurable.

Gajanan Mishra
Your Own Existence

Your own existence
is in question.
Be aware.

You are not default,
But you are in mystery
and you are suffering.

And your life is in truth
This much you should know
and stay in loving life.

Gajanan Mishra
Your Own Identity

First understand
Your own identity.

And then see
Another living entity.

Here there is
No question of
Partiality or
Enmity.

Gajanan Mishra
Your Own Language

Root of everything
Is your own language.
Your language is the cause of
Your all happiness and
Also the cause of all sufferings.
Don't get agitated
Your language is with you as you
Rear it with mother's lovely words.

Gajanan Mishra
Your Own Seat

Your own seat
is my heart.
You are giving me
a chart and telling
to go to the mart
with the body-cart
to deal with all dirt.

Gajanan Mishra
Your Own Star

See the magic
of my poetry, dear,
In your own shadow.

See me day and nights,
in your own life,
with the light
of my bow.

Essence of life, I know
from my poetry, dear,
That I want to share.

Follow me in
silence without any
desire and see the result,
Given by your own star.

Gajanan Mishra
Your Play

Your play -
Let me watch it
In broad day light.

Day light -
It is here
That enable me
To know myself.

I am here
With you
All days.

And on this day -
I prefer to
Give everything
To you.

Gajanan Mishra
Your poems-
I read,
Nothing but fire.
This fire is
Burning everyone.
Your poems,
Flambeau,
Flame-thrower,
My dear, I fear.
Your poems,
Means of new creativity,
New life here.
It is widening out
Love and beauty.

Gajanan Mishra
Your Practice

Your practice
Is not here
To perish.
And you are
Here with
Good motive.
I know you are
Doing with
Full devotion.
And doing
For truth.
Let all my
Blessings be
Gone to you.

Gajanan Mishra
Your Presence

Your presence is sufficient
My dear
I seek your presence
Always here.

Gajanan Mishra
Your Problems

You are your problems
You are your solution
Question of your life
Are your answer.

My dear, here
You are the fruits
Of your tree
And it is free.

By the way what
You know is nothing
And you are going to
Make castle in the air.

Taking pressure is
Not the proper way
It is one type of
Suicidal rather.

Problems are not over
Even in death and
Death is nothing but a
Beginning of all.

Gajanan Mishra
Your Product

I do agree
It is Your product
You have produced it
You are the product
You are the controller also
You maintain and are maintained
You withdraw and are withdrawn
No separateness is there
No distinction from everything
And everyone else
I perceived within You
And also outside
I understand Your nature
And also Your power.

I feel Your expanded potency
Here there everywhere
You are the ultimatum
I conceive You I write You
You Yourself has written
You are the pleasure
You are the grief
I love You on this day
I live today only for You
You are the reservoir of all
You are firm and fixed and
You wander wonderfully
Everywhere here there
I am attached to You only.

Gajanan Mishra
Your Purpose, Dear

Let me understand,
Your purpose, dear.
For you, I am here,
And ready to sacrifice
Everything that are
With me, including life.
Since you are here,
I am living without fear.

Gajanan Mishra
Your Regime

Your regime
Cheer tear.
You are harbour
And dressed harbinger.
What the tongue
Want to express
Spring winter
With multiple colours.

Gajanan Mishra
Your Seat

Your seat is my heart
My body is your cart
Because I love You
You are in me
You have nothing I know
Because I love You
I am keeping You in tact
I know everything is with me
You are nobody to grant anything
I am going to You
I am calling You
Because I want nothing from You
At any time at any place
I know I am sufficient for myself
I know You reside in my heart
And I love You I love You.

Gajanan Mishra
Your Separation

I can not bear
Your separation, my dear
I can not describe
The feeling of separation
I will be shocked
Beyond expression.

Gajanan Mishra
Your Sky Is So Vastness, My Dear

Your sky is so vastness, my dear,
How can I fly there with my tiny wings!
How can I utter the truth with my earthly lips!
How can I pray you dear with my unintellectual words!
I know I can't see anything without your mercy-light,
I can't give anything to anyone with my unholy hands,
I can't love anyone here in this worldly interest-vested life,
I am unable to smile, my dear with so much pain of living,
I am also not so big to excuse or pardon anyone harming me.
Pardon me, my dear, I am here with my words not so sweet,
My patience, at time, falling down and making me unqualified,
Hold my hands, though, not with love, and permit me to
Keep your company, difficult though, I know,
But I have faith and I trust you for your round eyes.

Gajanan Mishra
Your Small Portion

I am nothing
But Your small portion
O my dear, here and
My partial power to
Create any poem
Does not makes me great
I know if I say something
It is my false prestige
And it is not valid
All credit goes to You
My dear, I know and not to me
I am nothing I am nothing.

Gajanan Mishra
Your Smile

Let me see
Your smile
And not your eyes.
But I cannot say
What your smile says
I can say
What your eyes signify.
You are not angry
That I know
From your body movement.
And I give you
Proper respect
For your silence
And your smile.

Gajanan Mishra
Your Smile And Your Works

Let me see your smile,
where it is, but please
ask not to tell
anything about it.

Your wonderful works
are being witnessed
by me, but I am unable
to say what they are.

Gajanan Mishra
Your Smiles- Let Me Enjoy

Your smiles,
Your sweet loving glances,
Your intimate and confidential talks,
Let me enjoy, dear.

We are here together,
And this time is most auspicious.
Nothing to agitate the mind, dear,
Let me touch your heart.

You are the ornaments of the earth,
You are the highest satisfaction of the soul,
Please appear again and make us forget the world.

We are here only for you,
Allow us to express our
Feelings of ecstasy at seeing you, dear.

Gajanan Mishra
Your Smiling Face

Your smiling face
Indicates Your extensive
Benedictions.

I keep my mind fixed
On You, O my dear
You may say it meditation.

Gajanan Mishra
Your Son

I am not able to
Light the lamp
Of true knowledge
As yet in my house.
I am not able to
See you here, my dear.
I am not able to
Recognize you as
The sole truth
And for these I am
Suffering like
Anything I know.
I have forgotten
I am your son.

Gajanan Mishra
Your Sorrow

Your sorrow is giving you
Joy, look deep in to your heart
And stay there balanced.

Gajanan Mishra
Your Standing

Your standing I know,
Your position,
Your protection
I am here to ensure.
But who is your creator,
Please enquire and know.
Your knowledge is my energy,
And my capital to proceed forward.

Gajanan Mishra
Your Support

Your support is necessary
For my very sustenance
I know I am supported by You
It is because of Your
Supporting power I am living
You are nourishing me, my dear
I know, You are my protector
You are my producer
All surround me are
Your instruments here.

Gajanan Mishra
Your Thinking

It all depends on your thinking
And how you are going to execute your plans.

We are here just to help you
In you task and enable you to
reach at the top.

Do not entangle yourself
In the nasty politics
That are going on outside.

Go go in and in
It is within what you
Are searching so long.

Gajanan Mishra
Your Tick

No need of your tick
Charles Bukowski.

I want to dance
With flowers
In broad day light.

I have opened
My eyes
And said to my horse
To run like a fly.

Gajanan Mishra
Your Time

Your time,
Your attention,
Your honesty,
Your loyalty,
All that I want,
And not your
Money and muscles.

All that I want -
A flower,
And air
And fire.
I want to dazzle
There in the sky
With the star.

Gajanan Mishra
Your Tongue

Your tongue
Is not made of stone,
I know.
Is not your tongue
Made of earth and
Love of mother?
I heard nectar is
There in each one's tongue.
I heard Truth is there
On the tongue of every one.
And I see
You are not using your tongue
In proper ways
For yourself.
You are within all,
And for you,
No one is getting nectar and
All are going to die.
I am not telling
You are the murderers.
I am not telling
You are the black sheep.
But I suggest and
Request to sit on the earth,
See nature
And fly in your own air.

Gajanan Mishra
Your Understanding Of Yourself

Your understanding of yourself
Is false and inflated
You are falsely proud
And not truly satisfied.

Your false prestige is
An anxiety-ridden burden
You are not on the line of
Fulfilling life's mission.

A true poet must come forward
To protect them with proper
Knowledge and love and
Reciprocated feelings.

Giving proper protection from all danger
I know, is the primary duty of the Master.

Gajanan Mishra
Your Voice - I Am Searching

Your voice -
I am searching,
I am searching your voice.
Where is your voice, my dear poet?
You showed your poems
And you recited some of them.
I heard all and reiterated-
Where is your voice.
I said I failed to
Distinguish you from others,
Please note my dear.
Your voice - I am searching.
Where is your voice?
I may be clarified.

Gajanan Mishra
Your Voice Your World

Your voice your world
All are clouded by defects
As fire by smoke.
And still say and stay
And still say you are on the way,
On the way of perfection.
No importance is there in anything,
All are fragments and not whole
It is all evolution and assumption.

Gajanan Mishra
Your Warning

Your warning
I received
But I care not
And I faced
The trouble.
Trouble means
I could not
Sort out my
Routine in order.
I could not
Regulate myself
In time and complete
All works
That are there.

Gajanan Mishra
Your Welfare

I desire
Only your welfare
O my dear
I desire
Only your welfare.

It is not my business
Either to praise you
Or to blaspheme you
It is not my business
I know good and bad have no meaning.

I desire for you
To be happy if
To get happiness is
The ultimate goal of life.

Gajanan Mishra
Your Will Is

Your will is
My will, dear,
Let us think
Together, here,
How it is
To be fulfilled.
I remember you,
You remember me,
Let us remember
Together, here,
What we have
Not lost so far.
Is everything okay?
Let us ask together.

Gajanan Mishra
Your Wish

Your wish, my dear
Everything is Your wish.
Let me remain silent
My dear, see
I am silent.

No word, nothing
My dear I am nothing
Everything you are
Earth sky water fire air
Rest mare.

Gajanan Mishra
Your Words

Let me know your words
Means let me know you.
You are also there to
Follow me and my words
And know who am I
At this moment.
Knowing each other
Is love and is life.

Gajanan Mishra
Your Work

Whatever I am doing,
I am doing your works.
Wherever I am going
I find there you are.
I feel my deficiency
And you are filling it.
I desire my non-existence,
So that I can be with you.

Gajanan Mishra
Your Works

I am here to do your works
With my ears eyes skin tongue
And nose freely openly
and with your sound sight
touch taste and smell
I am a discipline soldier
As you know I love loneliness
And all are here for me only
And practically I am yours only.

Gajanan Mishra
Your Worth

You have no worth,
Without your mother tongue,
Without your motherland,
Without your address on this earth.

O men, realize the truth
And live with consciousness,
O men, forget not, you are free
To use your own language everywhere.

You can give your full
And clear identity
Only through your mother tongue,
Your mother the living god
Is the only person
Here to love you in full.

Gajanan Mishra
Yours

I told you
Stay here
You are not
The one
Associate with danger.

I told you
I am both
Bad and good
I told you
I care not
Your mood.

I told you
I have the morale
Cross morass.

I consigned
All consistencies
All inconsistencies
And show consols.

And I am a debtor
I am yours.

Gajanan Mishra
Yours - I Am

Keep nothing
On your mind
But me.

No come back
And go.

I am here,
Yours.

Gajanan Mishra
Youth Waves

Youth waves
Have washed off humanity,
Like tidal waves
Washed off puri beach.
No more beauty
Like the face
Of widows.
No one can
Find prosperity
Leaving aside
Mother, mother-tongue
And mother-land.
Life is not but it is
We, who are barren.

Gajanan Mishra
Youthful Age

Youthful age,
Very very beautiful,
Very very wonderful,
Very very powerful,
Not for enjoyment,
But for doing something
In truth, dear.
Who are you I asked,
No answer I get
From the air, from the water,
And the earth.
And I enquired the fact
Nowhere it is found
Said the light.

Gajanan Mishra
Yo-Yo Diplomacy

No use
Yo-yo diplomacy.
Straightforward living
Is the need of the hour.
Open talk is
The best way for the future.
Normalize everything
That are running.

Gajanan Mishra
Zeal, Eagerness

Zeal, eagerness and
Enthusiasm should be
Kept in tact.
All these have no
Relation with
Success or failures.
Life is delicate,
Just taste it through
Time with all
Scientific approach.
See that you can tackle
All problems here.
See that you are involved
And learning more and more.

Gajanan Mishra
You are zealous
You are zealously active
To protect me, my dear,
As I have taken refuge
At You and at Your feet.
You are taking my care
By granting all my wishes
O my dear, You grants
Tranquility like full moon.
You are an embodiment of
Supreme Bliss, my dear,
You are mine of compassion,
You are complete, You are
Accomplished, original source of all.

Gajanan Mishra
Zebra Crossing

Over the bridge
And bridge collapsed.

Zebra crossing
On the earth
And the earth is no more.

Zebra crossing
In the sky
And the sky broken down.

Gajanan Mishra
Zero And

Zero and
From that zero
We are starting
Our life journey.

Your eyes - zero,
But we are not
Going away from
Your eyes limit.

Our earth - zero,
And we are within
This zero and
Unable to move
Leaving the earth
Anywhere besides us.

Gajanan Mishra
Zero Count

Before counting zero
I want to know truth
Surrounding is loud mouthed
And people are flatterers.

I want to know how it is
Going on counting down
And I am on the hit list
Facing consequences as terror.

Gajanan Mishra
Zero is not zero,
But it is full -
The symbol of the hero.
Disturb not,
No objection if
Raised eyebrows.
Blood pressure is
Not high, but low.
I am hurt and cut
Without any knife
Or any arrow.
My name is so and so,
But wait, the name is
Changing colors with a bow.

Gajanan Mishra
Zero Tolerance

Zero tolerance
Of terrorism is
Good and welcomed.
Let us know first
What is terrorism
And what is not
Before doing anything
For and against.
Give proper respect
To each and everyone
In my view, this should
Be the fundamental principle
Of everyone's life.
Expect not anything
From anybody at any time.
Be in love and in truth
Be truthful and a lover of nature.
You are not alone, You are with all,
You are among all, first and foremost.

Gajanan Mishra
Zero-Error

Let us proceed forward
With zero error to
Win terror.

Gajanan Mishra
Zero-Sum Game

Zero-sum game
Going to end
While everybody
lost legitimate
Interest between
Life and death.

Forgetting name
And address and
Failure of all strategic
Move we became
Still in between
Death and life.

This ocean is not that ocean
Wherein you dived again yesterdays.
Yesterdays are not in memory,
No ocean is near also.
Air is not here to take away.
Still, the sky is moving,
To tell what the bird Bulbul was singing.

Even death would fear
If one has kept
The words with actions
In balance.
Of course, the death is hard,
But with love and truth
Life is sweet and soft.
No one can say when one would
Jump over the mouth of the river.
But one can say definitely,
Upstream cannot take away
If one uses boat-pole in right way.

What is this?
Who will tell?
Each one stood
With his question
On way back.
Whose hope?
Whose venture?
How the sound?
Who will take whom?
Each one is
In his place
In divided sky.
Who is hearing whom?
What he is hearing?
All colors faded.

Follow yourself, men,

Not exploit you.

I Do Not Want To Die In Their Certificate

Mother said
She will never go to Aadhar center.

She said,
If they would not give
Death certificate,
Then, it's okay.

Again she said,
I do not want to die
In their certificate.

My mother is nintyseven yuears old.
And we dare not to open
Our mouth before our mother.

Holding the earth
She asked
Whether she is bigger
Or the Govt!

I And The Snake

Who knows definitely
Whether I follow
The snake or
The snake follows me.

I am here
Aside the mountain,
The rivers, seas, and lakes
All around me.

All are going
Ups and down and
For this my heart
And body trembles.

And entire life I try
To live like a tree.

Plea to make it understand
Is also there.

Possibility is there
All would have happened

The bird flew away.

To tell is nothing
But toleration is
Everything.
