If you want to be happy and peaceful
You must promote devotional service for the pleasure of the Mother.

It is the time of the Mother
Mother is coming to You, see O my dear.

Mother is here, Mother is here
Mother is here and this is purified atmosphere.

Gajanan Mishra
Mother Is Here With Me

Mother is here with me
Mother has exceptional radiance
Mother can undertake
The formidable task of
Riding the world of oppression
Mother is the Sakti
Repository of world energy.

Gajanan Mishra
Mother Is Telling Us

To bring prosperity
In to the lives of all
Mother is telling us
To strive hard to remove
The pain and sorrow and
Bring happiness to all
Where prosperity and
Happiness prevails
My mother is easily
Propitiated there.

Gajanan Mishra
Mother Is There

Mother is there
busy in her creation.
With love she is
calling all to view.

Gajanan Mishra
Mother Is There To Build My Body

Mother is there to build my body,
Wife is there to give me pleasure,
Knowledge is there to make me handsome,
Motherland is there to make me grow freely.
I am going with my mother-tongue
Without any trouble anywhere.
I am here with my mother and death is
Going away from me, see.

Gajanan Mishra
Mother Knows Every Technique

Love, compassion and mother,
Positiveness, vision and mother,
All go together, my dear,
Let us salute our mother.

Mother, mother, mother,
Without mother no air no water
Without mother no light no life
Without mother you cannot
Think of the earth and of the sky.

If you want to fly go with the mother
Mother knows each and every route
Mother knows every technique
That would do good to the self and
That would do good to others.

Gajanan Mishra
Mother- Life Safer

Mother is the lighter
To rescue from dark
Mother is the fighter
To rescue from bark.
Respect mother
And hark
You will not
Fall in to shark.

Gajanan Mishra
Mother Means

Mother means Super,
All mothers are Super,
I love my mother.

I love my mother,
My mother is as tougher
As ever, combination
Of all colors.

Mother's approval
Is a must for
Any real worker.

Where, mother is there
There, present all gods
With all blessing,
Bother not, my dear.

Gajanan Mishra
Mother Missing

My mother has been
Missing since 1954.
And we, her children
Are careless.

If you are really
There for your mother
Then come on and say
Lo, here she is.

But you, the children
Of my mother are busy
In playing cheat with her.

And I am unable to
Protect her, though I was
On fast- unto-death there.

Gajanan Mishra
Mother Mother Mother Earth

Mother Mother Mother earth
I know You are constantly harassed
By drilling by explosion by pollution
By all human and inhuman actions
I know also You have the great power
Of toleration and You have provided
All facilities for human habitation
Mother Mother Mother earth
I know, You are the only one and
I pray, Mother, my dear, teach me
The lesson and the way of tolerance
That enable me to know the sole reason
Of my very existence for the all out
Service and welfare of others.

Gajanan Mishra
Mother never bear the cry,  
The cry of her child.  
Mother take the child  
With her arms,  
Kiss the child with love,  
Mother play with the child,  
Give the child dolls,  
Teach the child the language and  
Hear the child in full satisfaction.  
Mother feed the child with her own milk,  
And forget everything.  
Likewise, O my dear I know you forget  
All the mistakes committed by me, and  
You are ever ready to fulfill all my desires.

Gajanan Mishra
Mother Said

Dear son
Do not hurt
Do not kill
Any living creature
For whatever reason
Mother said
Practice Non-violence
Absolutely universally
Mother said
Even self protection
Can not justify murder
Stick to the rule of
Universal love my dear
If you want to sacrifice
If you want to give Bali
Give your self
Surrender your ego
And it is supreme sacrifice
Nothing is superior to it
Nothing can be equal to it
If you anything to offer me
My dear son offer me
Your inner evil trait of
Passion of anger of greed
I want your animal-man within
Mother said.

Gajanan Mishra
Mother- The Winner

You are the winner, mother
That I know here, the winner.
I forget you, never, never, never.

Mother, And Mother

Mother, mother, sweet mother,
You are better and better and better.
You made me wonder, you beat me and
you kiss me at the same time here.

Mother, mother, sweet mother,
You are my creator, I love you mother,
My morning and my evening are with you,
dear mother, I am yours forever.

Mother, mother, dear mother,
I am here and in this position,
The credit goes to you, my dear mother,
Let me say you my master.

Gajanan Mishra
Mother, Authority

It is my mother,
The proper authority,
Who can say
Who is my father,
And what can I do,
And where to go,
How to stay,
And what to speak.
No one else has
Such authority,
Who can rules me.
My mother knows all,
About the land,
About the language.

Gajanan Mishra
Mother, I Am Not Asking

Mother, I am not asking,
Not asking you any question.
And I dare not to ask anything.
And who am I to ask you
So also I have no word to put.

I know the sun the moon and the stars
And I know they are all depending on you.
Mother, everything is there in its own place
The joy, the sorrow, the hunger, the thirst,
And I am waiting you in spite all that
See me, I am here as nothing and nothingness
Till you make me something, I am nothing.

Let me discover my true self
Within you, mother, let me see you and see you.

Gajanan Mishra
Mother, Let Me Free

Mother, let me free,
But how can you
That I know not.
Mother, give me
A drop of milk,
And you agree.
Mother, stay with me
But you no more.
Who said you are no more
Not truth I know.
Mother, I see you
Here in me
On this earth
Under this sky.
Mother, let me fly.

Gajanan Mishra
Mother, let me pray,
On this day.

Mother, you are
The divine manifestation.
I am with you
And I am not deluded.

I do hereby accept,
This body is yours.

Mother, let me pray,
On your day.

I know mother,
My affinity with you
Is but natural.
I realize I am
Your eternal fragment.

How can I go far, mother
I am your star,
You are my dearest dear,
You are my nectar.

Gajanan Mishra
Mother, Mother First

Mother, mother language first,
Mother, mother land first.

Air, clean air first,
Water, safe air first,
Food, nutritious food first
Light, light of knowledge first.

My life is for my mother
My life is for others
My life is for Almighty God.

Gajanan Mishra
Mother, Mother, Sweet Mother

Mother, mother, sweet mother
My mother, most beautiful mother
Giving me nectar, my life, my future.
Mother, mother, sweet mother
I am with my mother, see here
Without my mother, how can I live here.

One mother, mother earth, She is for all
One air, breath air, it is for all
One light, sun light, it is for all
One water, rain water, it is for all
One sky, roof sky, it is for all
We are all, here one and everything here, for all.

We have with us, one God that is, Ultimate Truth
We are in eternity, when we are with mother, we are the Truth.

Gajanan Mishra
Mother, Mother, You Are The Wonder

Mother, mother,
You are the wonder.
Mother, mother,
You are there
To take care
Animals, birds,
Plants, insects,
And all creatures.
Mother, mother,
You are the wonder,
Without you
One cannot find
The meaning of nature.
Mother, mother,
Let me give light,
You are my firefighter.
Make me active, mother
O my sweet mother,
You are the life-writer
I failed to know you further,
I am your creation,
You are my master-creator.

Gajanan Mishra
Mother, My Mother

Mother, my mother,
Your love is unique,
I love you mother,
You are my life giver.

Mother, my mother,
I am searching and
Searching but find,
Not like you, another.

Mother, my mother,
You are my nature,
My past, my present
And also my future.

Mother, my mother,
I salute you forever.
My body, my senses,
My mind and intellect
All are yours, let me,
At your feet, surrender.

Mother, my mother,
For you I am the emperor,
And you are my nectar.
Mother, my mother,
I love you mother,
My source of inspiration
For my actions and
I am only your worshipper.

Gajanan Mishra
Mother, My Mother, Mother Earth

Mother
My mother
Mother earth
Telling me
Value of unity
And mutual cooperation
My mother
Mother earth
Sustaining life
Providing food for all
Stands for cosmic stability
With beautiful nature
My mother
weed out unruly elements
And restore peace and order
I am a fragment of my mother
My mother is the whole
And always with all.

Gajanan Mishra
Mother, O Mother

I am Your helper
I am Your son
I am here to unload
Your heavy burden
See all my activities
Are transcendental
And they cement
The path of liberation.

Mother, O mother
You are the reservoir
Of all riches
You are enriched with
All kinds of opulence
You can do and
You can do anything
It is Your grace
That make me winner.

Gajanan Mishra
Mother, Yes Mother

Mother, yes mother,
I see only mother
And I see no world.
Mother is the manifestation
Of Truth and Love.
Mother, O mother,
Your actions and your words
Constitutes the scriptures.

Gajanan Mishra
Motherhood

Motherhood,
It is but special,
It has no any
Alternative truth.

It is true,
Being a mother is
A toughest job
With barely
Any pay off.

It is only for
My mother's love
And warmth, I am
On this path.
How can you treat motherhood?

Gajanan Mishra
Motherland

Motherland,
I salute you,
For you have
Kept everything
For my living.
Mother tongue,
I salute you,
For you have
Given me all knowledge
That are necessary
For a being.
I salute you mother,
For you, I am here
And truth is there in me.

Gajanan Mishra
Motherly Consciousness

The needs of the time
Is to develop
Motherly consciousness.
The needs of the time
Is to stay in a good,
noble, and gentle way.
It is time to get rid of
Pride, arrogance and haughtiness.

Let us stay
With the power of the self.
Let us hear
The voice of the self.
Let us start our journey
To fulfil the will of the self.

Gajanan Mishra
Mother's Language

My mother has no language
Besides love.
My mother loves me,
And I have to love all
And give respect to my mother.
My mother always wants
My development in all fields.
So also I support all and cooperate
In the development of all
And give respect to my mother.
The language of my mother
As natural as fresh air
Of the forest and as natural as
Stream water of the hills.
I have to go with nature
And give respect to my mother.
My mother is here, the earth-mother,
I am on this earth and doing
Everything and in her own language
My mother is nurturing me.
The language is tolerance,
And I am tolerant
And I give respect to my mother.

Gajanan Mishra
Mother's Milk

Have you drunk
Your mother's milk?
If yes, then only
You are allowed
To meet and
Talk to me.
You are allowed
To enter in to
My fort that is
Full of mother-language.
Here, one is compelled
To salute his mother-land.
I am here the ruler
And my mother is my teacher.

Gajanan Mishra
Mother's Mind

Mother's mind-
Always in fear,
But courageous
To lead life
Forward.

Mother's kiss-
The strength of
All life
And is there
To drive out
The dark
And ready to
Welcome the light.

Mother's love..unimaginable.

Gajanan Mishra
Moths

Light the lamp
And see moths
Are there and
See everything.
Here in your life,
Dear son nothing is
Lacking, try to
Understand all.
But see everything
In natural forms
And take it easy.
Nothing is there,
Worry not, just stay
In dispassion.

Gajanan Mishra
Motion In Stillness

Motion in stillness,
Changes the path of history.

Gajanan Mishra
Motionless

Motionless, speechless,
Eyes closed, nothing happened.
Feverish columns, society,
Fire-lighted, windows crossed.

All night, Crowd-solitude,
Life crumbled down,
No more morning, restless wind,
All warning, death comes out.

Gajanan Mishra
I am in motionless present
You were in the past
And also You are there
In uncertain future
And so You are in fear.

I have my bone strong
You are in flexible condition
In fixed sky
That is why I called You
To do the needful further.

Gajanan Mishra
Motionless Time

Motionless time,
Motionless stream,
Motionless life.
We fit to live.
Fit to time.

The stream laughed at us,
The bird laughed at us,
The air told us
To proceed further.

We enjoyed everything,
With time.

We see the sun
Going away from us.

And we are still with thoughts.

Gajanan Mishra
Mount Up The Hill

Let me mount up the hill,
Let me touch all the chill.
Let me see who you are,
Let me know where the star.
Let me utter a single word,
Let me take you with me
And march forward.

Gajanan Mishra
Mountain

Take care of yourself
Mountain is ahead.
And river
Blocked there.

The river is yours
That I know.
And I am flowing
With it.

No mountain
No river
Only it is the pain
That is troublesome.

Pain of the lotus
Pleasure of the bulldozer.

Gajanan Mishra
Mountain And

Mountain is movable
And it is salable
Example so many
Birds immovable
And constant fixed
Words vulnerable
Unconquerable and
Mountain admissible
In to time frame simple.

Gajanan Mishra
Mountains Have Wings

Mountains have wings
And they are flying.
I am always fighting
with the mountains
on this earth.

Gajanan Mishra
Mouth Is Mouth

Anus is anus,
Mouth is mouth.

If you blind,
Mirror is useless
For you.

If you are ignorant
Thought can’t be
Valued.

Gajanan Mishra
Mouth-Fire

Mouth-fire is there,
And I am air.
Sky-deep is my body,
Directionless my move.
Let the world know
My signature is this.
And I am scorching
With the blazing fire.

Gajanan Mishra
Mouthful

Mid-day-meal mouthful
Rice dal soybean
Vegetables and eggs
Is this meal is for me
Or is it for election
And to attract voters
See me there is diseases
In your MDM and my empty
Knowledge-bags here
I find no real doctor.

Gajanan Mishra
Move And Interact

My dear men,
Please move
And interact,
And glance over
The energy
That are within.

My dear men,
You are the sea,
You are the waves,
You are the air,
You are the ether
And you are agitated.

My dear men,
Think not yourself
Independent any any time.
Think not yourself
Original also anywhere.
But pluck your own flower
And offer to the self.

Gajanan Mishra
Move Not

Move not
By praise
Or by blame

Stay like
Solid rock.

Be clear
And calm
Within.

Whatever befall
Move onwards.

Call not
Anything yours.

And enjoy
Freedom of detachment.

Gajanan Mishra
Movement

Movement- not free,
Fear is the key,
Join me to climb the tree.

Gajanan Mishra
Movement May Be

But movement is there,
May be swift,
May be slow
May be moderate.

No matter
Whether it is
Behind or in front.

No obstacle is there
To proceed forward.

Cause and effect -
Not to be considered.

Right and wrong are
Not to be valued
During the movement.

Gajanan Mishra
Moving

Moving is dangerous
Stillness is better
If you like
You can see only
If you like
YOU can hear only
If you utter
It is dangerous.

Gajanan Mishra
Moving And Interacting

I am moving and interacting
Only for You, my dear.
It is my great mistake
When I think I move independently.

O my dear, give me a lift
To go up from this ocean.
I pray You, O my dear
And I bow down before You.

Gajanan Mishra
Moving And Unmoving

Moving and unmoving,
I am both, with
The mercy of yours.
I am not supported
By the power of
Any other persons
But that of yours.
I know, you are there
To illuminate me
And also to nourish me.
My eyes are here
With me to see you only.
You are the only one here
Before me, all pervading.

Gajanan Mishra
Moving Forward

Moving forward is my nature,
Wait and see, I am not disturbed,
By any element here,
Social or unsocial- no matter.

Emptiness is my strength,
And I want to bring it
To the picture.

Creation of new drama
Is my hobby and I
Want to stage it
For nothing.

I want to go
Round and round just to
Measure myself in the light
That is inside.

Nothing is complicated
I see, and I move
Forward for the truth.

Spiral track is there
That I know and I
Call all my own.

Gajanan Mishra
Moving Forward All Along

I believe not
Any religion,
Even anyone.
I know truth
Is with none.

But fear not
No harm will be
Caused by me
At any time
Anywhere here.

But try not to
Motivate me
To follow you,
I know I am
Living and I am
The only truth.

I know no one is
Powerful
And each one is
Dependent and is
Not courageous to
Move forward
All along.

Gajanan Mishra
Moving Is Important

Let us move,
Moving is important,
To where and
From where
Ask not.
Questions are irrelevant.
But stay with
The answers were given.

Gajanan Mishra
Moving Mill

In moving mill
Grains are ground
Near rivet are
Not pulverized.

In time-cycle
I am crushed
Suffered and
Follow a cycle of
Birth and death.

Th grains remain near rivet
Without making any effort
I by having disinclination
For the world take refuge
At your feet, O my dear
Show me right path
You are my only love.

Gajanan Mishra
Moving Mill - The World

This world is a moving mill
In a moving mill
All the grains are ground
But grains near the rivet
Are not pulverized
My dear likewise
In the grinding stone of the world
Since I am with You
I am not being crushed I know
It is Your grace
It is Your blessing
I take refuge at Your feet.

Gajanan Mishra
Moving On

Wisdom is
in letting go
and moving on.

Gajanan Mishra
Moving Round

The world is the paper
The sea is the ink
And I'm the sea
Full of thought
And emotion
And writing poems
On the paper-world.

The tree the bird
The cloud the air
The light the earth
Are ingredients of poems
I'm writing the poem
My poem moving round
The life's circle
You are to read and read.

Gajanan Mishra
Moving Towards You

Moving towards you
If I witnessed dark
And if you did not care
What is the use of
My going to you.

I see you here there
In different forms
I hear you here there
In different voices tunes
And I realized how
Dear you you are to me.

Gajanan Mishra
Moving Towards You - Emptiness

At every moment
I am moving
Towards you.
You are the only truth.

And all along the way
So many caused
And make me feel
Pain.

No doubt,
I enjoy the way.

I know it is all
Passing life.
Life is nothing
But empty enticed.

Gajanan Mishra
Mr Perfect

My son
Mr Right is
My friend
I am not here
To allow them
To go on rent
I am not in favor of
Bad tradition
That kills
Love and affection
Our relation is eternal
Let not my family
Go to funeral.

Gajanan Mishra
Mr Perfect - The Man

Here is the man
Mr perfect.
Let us come
And protect.
Let the feet be
Protected by the light
Let the thigh be
Protected by its origin
Let the navel be protected
By the time
Let the face be protected
By the smile
Let the belly be protected
By water and air
Let the back be protected
By the directions
Let the eyes be protected
By the sight
Let the body be protected
By the earth and the sky
Let the heart and the mind
Be protected by the lightning
And the thunder
Let my vein and nerve be protected
By the stars.
Man is most perfect
Let us protect a man at any cost
It is for man everything is here
O my dear, let us salute a man
And not to go with his error.

Gajanan Mishra
Mr. Katju

Mr. Katju,
Who are you?
Who has given you
The right to criticize
A language, a state, a race?
Whosoever may be,
Mr. Katju, remember,
You are not a cynosure.
You are cynically
Telling everything always.
Let me tell you one thing,
You are nothing and nothing,
But you are there as a servant and you are
Enjoying everything out of our money.

You act as my fingers, good-doer.

Gajanan Mishra
Multi-Coloured Life

Life is multi-coloured,
And it is there
With multi-coloured vision.
Enjoy life, my son,
Worry not at any situation.
Everything and everyone
Would pass on their
own accord but you stay
At every situation fixed
In your dream and
Without any violation
To any rule and regulation.
My son, remember, to move
You have so many directions.

Gajanan Mishra
Multitudes Of Thoughts

Multitudes of thoughts

Murmuring

Hear the murmuring,
The new year is coming,
Coming with new love.

Muse of the poet
Is there in this new year,
It is very fine
Taste it, my dear.

New year is not a
Museum piece
That you can keep
Where ever you like.

New year is in your thought,
Express it, explain it
And give reasons with love.

Gajanan Mishra
Mushroom

Mushroom,
Mushroom growth

Would you
Like to keep
Mushroom?

Know music?
Wherefrom
Mushroom would

Music And Dance

Music and dance
All around,

Colorful.

Life is to enjoy,

From different
Point of view.

Every moment
It is all new.

But good for a few.

Gajanan Mishra
Music And Music

Here it is,
Music and music,
We are all static.

I know not
Whether it is
Day or night.

But here it is
Tick tick and light
The whole life.

View the life, my dear,
It is here
With no dark sight.

Gajanan Mishra
Music Is Here

Music is here
Hear
Monday to Sunday
Life is in fear
Science and art
Made life
All clear.

Gajanan Mishra
Music Of Humanity

Let us go with
the music of humanity.

What is that
one poet asked me
And before I
Utter a word
He added, okay,
I know what is that.
And he failed to
Express himself fully.

It is our tragedy
I declared before all.

Let me attract you
to the topic again.

Gajanan Mishra
Musical Chair

Musical chair is not mine
I can not share the musical chair with others.

I never play with musical chair
I do not believe musical chair can be played.

I believe mine is mine
And yours is yours.

I can not take away your right
You can not take away mine.

The world is here, look
With a musical chair.
I am here and also you are.

Gajanan Mishra
Musical Instrument

Enjoy life
With your own
Musical instrument
That is love.

Stay with your
Own palace
That is truth.

Your royal family members
Are with you and
They are forgiveness,
Knowledge, forgetfulness.

Rise early and
Wish all good
To your kith and kins.

Gajanan Mishra
Music-Life

Life is a music,
Let me touch
The sky,
With this music.

Description of
The life is there
In the sky,
Let me fly.

Let me not wander,
Let me function,
Function properly.
Let me live,
Let me stay
With my own glory.

Gajanan Mishra
Muskiness

Muskiness, I know
You are within me,
You are very near to me.
Muskiness, I know
I am drinking deep
Your bliss.
I know I am not foolish,
I am where I exist.

Gajanan Mishra
Must Come

You must come
To take reign
You must come
You are sovereign
You must come
This is your hour
And we present here
To give you flowers
And welcome you
In spite of all hurdles
That are troublesome
Please come please come
And you must come.

Gajanan Mishra
Must First Be Pious

You must first
Be pious,
If you desire
To read and
Understand my poems,
You have to follow me
At every step,
But not by any
Mechanical means.
See me, I am
Eternal spaceman,
On this earth, though.
Sketch me, in
Your inner space.

Gajanan Mishra
Must Not Use A Language

Must not use a language
That would obstruct
Giving your identity and
That would obstruct
Your journey on the path of
Peace and progress,
And that are odious to
Your society and race.
True, we are the well-wishing
Friends of all.
True, our life is blissful,
True, we acquire knowledge
For an eternal life
For all in general.

Gajanan Mishra
Mustard Flower

Mustard flower is
Still dancing and
Smiling at us
On the field
With all beauty
And all love.

Let us go and
See the light there.
Let us search
The truth in the heart.
Let us salute
Especially to mustard flower,
From whom we receive hope and
The new way of our living.

Gajanan Mishra
Mute Girl

Mute girl, you are welcome,
Think it your home and
It is your home.

All love and affection
Are there for you,
You are the golden daughter
of this earth.

You are welcome, Geeta,
Come on and smile
As you have got your own land.

Think all as your family members
My dear, mute girl, I know
You make no difference and you know
No border line but know caring.

Gajanan Mishra
Muthae Sabda

Gajanan Mishra
Mutual Fund

Let us use
Mutual fund
That is love
That is truth
For our own
Developments here.
Love and truth
Are the only ways
To get peace
To get all happiness
That are permanent
In nature.
And who is permanent
Besides God, tell, without fear.

Gajanan Mishra
Mutual Trust

Keep mutual trust
And let it go on
Ad infinitum.

Gajanan Mishra
My Abode

My source of poetry is you
And my abode is you
I am with you
With my body and mind.

O my dear
I am your fragment
And I know this land
Is not mine
I am a foreigner here.

My roaming
My going astray
Will come to an end
When I reached you.

O my dear
You are there
Where you are
With full light
I am only in dark
Going to you.

My poetry is with me
And the source is you.

Gajanan Mishra
My Achievement

It is my achievement,
My achievement is
In knowing You,
And I am trying
To know You only,
I know, You are
The only Truth, my dear,
You are here in all
You are all,
I am trying to
Know You, to know You,
I am cautious
In knowing You,
I am with You
And You are giving me
Directions in every action
That is the Truth,
And my achievement lies
In Your direction
And that is the only Truth.

Gajanan Mishra
My Actions

My actions are
Of no avail
Means it is
Punishment for me.

My words are
Of no avail
Means it is
Symbol of non-living.

Gajanan Mishra
My Activities Are Directed

My activities are
Directed towards you,
I know you as the truth.
My good conduct and
My virtues are yours,
I am here for you.
I am yours but I know
You are for all goodness.

Gajanan Mishra
My Address

Time and again
You are asking
my address,
and you know
very well
I have no address.

All name is
my name, that you know,
including that of yours.
The words, the letters
are here and that have no
meaning without your touch.

I am hopeful,
You understand the truth.

Gajanan Mishra
My Age

Ask me not my age,
I am far from it.

Ask me not my wish,
You are not to fulfill.

Ask me how I am going,
Ask me what for I am living.

I know what is happening
I can tell what is there within.

Gajanan Mishra
My Aim

My aim is not to receive
Honor praise name and fame
For any action done by me
I know I am not doing anything.

My aim is to translate
The truth in to practice
My aim is to love the truth
And truth is nothing but to love.

Gajanan Mishra
My Aim Gets Identified

With You, O my dear
And here, there is no
Question in this
State of identification.

Things change
And do not exist
The relationship with
Things can not remain
Constant.

O my dear, You are constant
You never change
And I keep relation
With You always
Through identification.

Gajanan Mishra
My Aim Is My Truth

My aim is to attain you
My aim is to love you
To fulfill my aim I am
Going to you
To fulfill my aim
I am doing everything here
I know you are here
My aim is my truth.

Gajanan Mishra
My Aim Is To Do Good

My aim is to do good,
If it is so then
Where is the question of
Slackness in the performance
Of duty here.

My aim is to realize the truth
And if it is so then
I have to go with love
And I have to attain to
The state of exclusive devotion.

I am not doing anything
For my own self, as you know.
I need nothing and I
Expect nothing from any one here.

Gajanan Mishra
My Aim Is To Touch You

My aim is to touch You
O my dear, and rest
I leave to You.

I desire nothing
As You know
And why to acquire
All these perishables.

You are with me
That I know
In the three world
One-Human world
Two-creatures of the world
Third-all the scriptures
And I am busy
In the maintenance
Of the world.

I am also persuading
All to turn to the real
Through word and action
I told all, remember
There is nothing like
Superior of inferior
And if there is any
They are of equal importance.

Gajanan Mishra
My Aims And Hopes

My aim and hopes,
How can I realise!
And what is my fruition,
That I want to know first.
I am doing what is
Being done by me.
I know not personally
What is truth
And how it is.
I know not how to
Handle fruit machine.
I also care not
What is fruitful
And what is fruitless.

Gajanan Mishra
My All Food

My all food is Yours
I am offering Your food
To You first and
With due permission
Taking it for livelihood.

For Your satisfaction
I am doing everything here
O my dear, I am attached to You
And I am not free from You
My whole existence is only for You.

Gajanan Mishra
My Area

I care not who you are,
But you must not enter
My area.

The purpose -
Good or bad
I know not,
But you must
Leave me alone.

Prize or reward -
No need.
Great or small -
I know not.

Let me go
Along with my journey.

Gajanan Mishra
My Attraction

You said,
You are attracted
By me,
But who am I
And What is my attraction? ?
Why are you
So curious about me.

See me, I am nothing.

You said, no sir,
Say not like this
And that.
If I am ignorant,
Then let me say
My ignorance is
Everything for me.

I need no knowledge
But your presence sir,
You said again
And I stood still
There before you
And also after you.

But actual thing is
We both are absolute,
And we both are
Non-entity and
The truth.
And in all circumstances
We need the presence of
Each other here.
And we engage ourselves
In killing of the truth
Though, we know
All are not true.
Gajanan Mishra
My Back Is

My back is
Not contrary
To my front.
I am separate
From all conceptions.
But I am fortunate enough
To present myself
Before you.
I consider you
As the truth.
I am the personal feature
Of my own characteristics.
You are the available balance
Of my age and time and everything.

Gajanan Mishra
My Beauty

My beauty,
My words
That are
There in you.
My poems
My life
All are
But my truth.
I love you,
The only truth.
Place, time,
Incidents etc
Though changed,
For you only
Here I remained

Gajanan Mishra
My Beauty Is

My beauty is in my service
And my beauty is enhanced
By rising up to the platform of
Devotional service.

See I am absorbed
In attachment for You
And I am inclined to
Do good for others
As You are in them.

Everything is auspicious
All inauspicious matters are
Removed from here as
You are only my near and dear.

Everything is blessing and
Nothing is cursed
See I am decorated with
The poems of so many poets
And it is my eternal association
With You, my dear.

Gajanan Mishra
My Begging

What I beg your honor I do not know
You to decide yourself that befit me.

That I am here your product
And it is You who is automatically
pictured by me.

My decision is valued only by You
My dear, I am here only for you.

You told me to beg and I beg
Rest I do not know it depends on you.

Gajanan Mishra
My Best Friend

My best friend
Only my father
It is he
Who said
To perform rituals
It is he
Who gave me poems
It is he
Before whom
I am praying
It is he
Who is in heaven
It is my good deed
I got my father
I enjoyed
The partnership
With my best friend
He said, Hi, come on
Here is everything
On this earth
Under this sun
Whatever you got
Share with all
All sons of one father.

Gajanan Mishra
My Better Half

I respect you always,
My better half.
You are very helpful,
And I share all
Pious activities with you.

I am sure, I can move
Towards poetic sky more
Without anxiety entrusting
All responsibility to you.

You are my beauty,
You are my love,
You are my truth.

I have married you, dear,
Just to avoid the life of
Cats and dogs.

And I have married you,
For enlightenment of life
In all field here.
I am sure, I can conquer all,
That are unconquerable
For good.

Gajanan Mishra
My Better-Half

My sweet,
My better-half,
We are walking
With our own dignity.
Let me say all
Good and wise.
For us
Days are fine
Because we have
Nothing to take
And nothing to give
Besides love
And love is
As you know nice.
Come near,
My sweet,
My better-half,
Come near with
No hate, no fear,
To see the sunrise here.
You are my sea,
I am your sky.
We are here
Never to say
Good bye good bye.

Gajanan Mishra
My Birth

My birth is really amazing
My life my death all amazed me.
Where is my life where is my world
I am searching here and there
Inside and outside and besides
And I discovered you within.

Gajanan Mishra
My Birth - Cause

I am the cause of
My own birth,
So also, I am
the cause of
My death.
I am taking birth
And also I am
Dying everyday
At every moment
Here in a
Round-go-round way.
The reason- not known,
But I am the reason
That can I say.

Gajanan Mishra
My Birth - Great Science

My birth itself
Is a great science.

I am a living entity,
I declared.

And I am trying
At every moment
To be a good one.

I have no control
Over death.
But I am trying to
Control myself.

I know somethings about history,
And I am sure, future history
Would be written in clear terms.

Gajanan Mishra
My Birth Day

Do you know
The date of my birth?
But I know not
What for I took birth?
I know not who am I?
I know not what is birth?
Yet I am here at present
And I am confirmed
I am here with you.
I am the truth
So also you are.
I am doing everything
For the sake of truth.
The truth is truth- this time.

Gajanan Mishra
My Birth Is In Delusion

My birth is in delusion
It is for my labor
I acquire knowledge
Conquer the foes
With my own light
Light of labor
Light of knowledge.

Gajanan Mishra
My Birthday Is 3rd April

My birth day is 3rd April 19 sixty
As they said and issued certificate
Though I believe not.

I believe I am crossed
All births and all deaths
And I pray please issue not
Any death certificate in coming days.

I am a man of practical utility
And my Almighty is with me always
Doing all works for me and
I care not anybody.

No attachment no detachment bothers me
I am not this body and this body is also not mine
I am not what I am as they said coming to me.

I am as You see I am the same
But my body my strength my ability
And the circumstances are not the same
If I say I am what I am it is shame and shame.

Gajanan Mishra
**My Blood**

My blood has left me,  
And I am in my inertness.  
I feel no need to move  
From this place to that.

Why should I go to you?  
I know nothing is there,  
But here in me I see  
Everything filled up.

It is true I am here today,  
And I was there yesterday,  
I will not be here tomorrow  
And yet I am here for all times.

As you know I am not a liar,  
And you told I am not telling truth.

Gajanan Mishra
My Body

My body,
And this body
Is being
Taken care by you,
You are the truth.

The truth is
Being taken care
By love,
I am the love.

We both
The love and
The truth here,
This world is
Only for us.

Gajanan Mishra
My Body - A Boat

My body - a boat,
And I am floating,
Not exactly I,
But my body is floating,
On the water and
Also in the air.

Ocean of air, and
I am there.
Let me say, I am
On this island.
I am within
My own area.
Dear one, let me
Call you to share
Your happiness and
Sorrowful moments
Without any hesitation,
As I am only here,
Your own.

I am not in favor of
Placing the words
In an artistic way
As you know.
But my dear, I am
Straightforward.
Excuse me, if any word
Hurt you at any time
Anywhere or in
Any situation.

You are in your body,
Body-boat.
Take care.
I am there in a
Smiling pose
To make you a star.
My Body In Your Body  ??? ????? ?? ???(Odia)

My body in your body,
Your sky in my sky.

In so many skies,
I discover you,
So also, in so many bodies.

I am the autumn, I am the spring,
I am the summer, I am also the rainy season.
And everywhere I am the sun.

Gajanan Mishra
My Body Is

My body is not yours
It is mine.

My body is light
And lighter.

My body is
In the air
But not air.

My body is
Not water
Water is
In my body.

My body is
On the earth
You can see
On your eyes.

The sky is
Not here
Not there
See my body
That is everywhere.

Gajanan Mishra
My Body Is A State

My body is a state
Heart is the capital
Heart is the center of all
Planning for enjoyment.

In this body there are
Assembly houses, street crossing
Restaurants markets resting places
Flags festoons beautiful parks.

In this state there are trees
Creepers encircling ice lakes
Many groups of birds and bees
Are there, chanting and humming.

Lakes icy mountains are also here
O my dear, You are here
Non-violent non-envious, hear
Cooing of the cuckoos.

O my dear, You are a passenger
Just passing on this city-state
You are taking rest for some time
In your blissful family life, thanks.

Gajanan Mishra
My Body Is Being Consumed

My body, this body
Is being consumed
By others
At every moment,
And for this body
I am going towards
A painful end.
I want freeness,
Free from this body,
I know it is
Not for me all the time.
I refrain myself
From undue affection and
Attachment to stay happy.
This body tells me,
O fool, know the truth,
Realize the one
Who is within and
Do the needful
For you and stay
Far from falsehood.
So many persons are
Managing this body,
And I failed to keep balance.
Someone says give me tasty food,
Soft and suitable drink,
Some other one says give me
Sensuous objects for pleasure,
Some other one says
Let me hear pleasing sounds
And pleasant aromas,
Another clamor for pleasing sight,
And I am unable to provide
Each one as per their wish.
This body is really at times
Acting as my enemy, but I know
Only through this body
I can realize the truth
And touch the eternity.
Only I want blissful nature
With me always here.

Gajanan Mishra
My Body Is Here And

My body is here and
I am using it
As the ingredients
For sacrifice.

My two eyes are
The sun and the moon
And they are giving
Lights to all.

The sound of the sky
Is mine and I am therein
Hear me and do the needful.
I am the poet, and I am here
Only for you, only
For love and for truth.

Gajanan Mishra
My Body Is My Covering

My body is my covering
And I am changing it
From time to time.

The process of change
Is taking place
Automatically there always.

The law of nature is
There to control
The sequence.

My body is not mine
I am no way affected
By this body at any time.

I am not the body
Also no internal connection with the body.

Gajanan Mishra
My Body Is My Enemy

My body is my enemy
and I am waging war against it
always day and nights.

My body is always trying to
overpower me by heedlessness
and indolence but I abstain.

I am satisfied with whatever
I get but my body has certain
desire that I am trying to forget.

My intellect remains unattached
to my body though it is in the body
and I am study the incidents, things and persons.

I want to know the reality
between my body and me here at this time.

Gajanan Mishra
My Body Is My Field

My body is my field
You are residing in this body
You know this body
You are knower of the body
Body means field
You are the enjoyer
I am body - nature.

Gajanan Mishra
My Body Is My World

Here, see, living energy
Here, see, all products of mode of passion
The sense for hearing
The sense for touching
The sense for smelling
The sense for seeing
The sense for tasting
The sense for speaking
The sense for handling
The sense for evacuating
The genitals, legs
Together with intelligence
All are here in this world
Believe me this is only air
And the product of air element
This is intelligence
Hard struggle for existence.

Gajanan Mishra
My Body My City

My body my city
That has five gardens,
Nine gates, a protector is there.
My body my city
That has three apartments,
Six families, five stores,
Five material elements
And one woman lord is there.

Gajanan Mishra
My Body Travels

My body travels
And not I.
My mouth speaks
And not my eyes.

The sun is there
In the sky
And not I.
I am here
On the earth
For you.

You are the truth,
I am here for you,
Not in body not in mind
But with heart.

Gajanan Mishra
My Body, My Mind - All Self Sufficient

See me, I am here and
My body, my mind all are
Self-sufficient.
I can do anything anywhere
Without the help of others.

If you so like, cooperate me,
For your own benefits.
If not interested to cooperate,
Maybe you put to loss.

But I know, you are also
Self-sufficient like me.
Realize this fact here and
Go on ahead, think not
In any way you are inferior.

Nothing to do with misunderstanding,
Nothing to do with anger,
Nothing to do with non-cooperation.
But think, you are here for all good,
And to beautify all, that are around you.

You are scented like sandalwood,
You are beautiful like red rose,
You are as vast as the sky,
You are as deep as the ocean,
You are all productive like the earth.
Worry not my dear and go forward.

Gajanan Mishra
My Body, This Body

My body, this body
Is not abandoned.
I am fully responsible
For any actions or
Reactions here and
I am also liable
To be punished at
Anytime for my
Own actions, if any.
Heat or cold- no matter,
White or black- no matter,
But the thing is to be
Recognized by all
For the purpose of welfare.

Gajanan Mishra
My Bones Are Stone

My bones are stone,
And my words are the hymn.
Always I am telling the truth,
But the truth, nowhere to be found.

I am covered by the clouds,
The clouds have their own strength,
But I kick them out with my
Imagination - good.

I have my own recurring deposits,
Shapes are words and languages,
I used with great pleasure
Taking help of memory.

Gajanan Mishra
My Books

No needs to search
My books anywhere else
It is in you, my dear.
You are my books
I am writing always
Day and nights only on you.
My truth, my love,
I am trying to give
Something anew.
And I am missing
Here in my own books,
I am missing in you.

Gajanan Mishra
My Breath

My breath is not mine
Outgoing incoming
Diet regulating
Vital air clearing
I am not mine.

Gajanan Mishra
My words my breath,
My breath my life.
My words are my life.
My life is in truth,
Truth is there in love.
Love is my life.
Love, life, truth, words
All are here in this world.

Gajanan Mishra
My Breath-Love

My breath my love
My intellect my truth
And I am living
With all these.

My breath never ceases
To function, it is
Ever green.

I am totally safe,
I am acquiring knowledge.

I am living with
My own choice and taste.

Hereby let me
Acknowledged your
Blessing.

Gajanan Mishra
My Brother, Let Me Tell You

My brother, let me tell you
Some words relating to this land
Where you have taken birth,
My brother, let me tell you
Some words relating to this woman
Who has given you birth,
My brother, let me tell you
Some words that is uttered
By your own mother.
My brother, your mother,
Your land and your language
Be used and preserved by you
For your own bright future.
My brother, set the stage first
To show your own strength there.

Gajanan Mishra
My Car

Here is my car
The driver sits in the car
And moves as he desires.

My body is a car
The car-body is moving
By the control of material nature.

My body is a railway train
The railway train-body is moving
Under the direction of the controller.

But I am a spiritual spark
Part and parcel of You, my dear
It is Your kindness that I am here.

Gajanan Mishra
My Childhood

Read and listen
I am going to say
Something about
My childhood, my boyhood.
That are all truth.
Today, I am no more a child
No more also a boy
But I am living
Like a child without
Taking any burden
Of the world.
The world is not a burden
Also for any one, my dear friends.
Believe me and change your
Behaviour and manners and take
No risk at all and let the things
Go on their own way and feel relaxed.
Let all pass on from you
And forget that you are living.
Just go on playing with time.
Kept in mind always one thing
That you are changeless
But never worthless.
Your body, your mind is
With you as they were before
Coming to this day.
Ask not any question but
Listen all answers carefully and
Assess your position here.
Sleep not, sleep not
And take care life with
Present situation.
That's what I am going to say,
Think me as you think fit,
I am not a child, I am an adult
But I am talking like a child
With valuable words of this life,
I am a child and let me say again
Think me childlike, and think
The world is a pitch,
You are bowling and
You are batting. Go on, go on
With runs fours and sixes
Till you are alive.

Gajanan Mishra
My children my future,
My children are my future,
I cannot let them kidnapped
By any one, at any time.
I must fight for my children,
Each child in any part is my child,
I know my child is nectar
And my future.
I cannot sell or handover
My child to any demon who is
There to misuse the energy
Of my child. I cannot permit anyone.
No one can terrorize my child
To fulfill his personal end.

Gajanan Mishra
My Clear View

My clear view is You
You are within me
I love You
I believe in You
I fear nobody
When I find myself
With You
What do You do
Not my business
But what I do
That is for You
I find You in Truth
And Truth is in You
I lean towards Truth.

Gajanan Mishra
My Coming Here

My coming here
Is not by chance
My coming here
Is the result of
My mind's rejection
And acceptance.

Gajanan Mishra
My Complaint

My complaint before you,
But who are you
Let me know first.
Are you independent?
Are you sovereign?
Are you free from shackels?

If you are what I think
Then tell me, how far you are
Able to enlighten me
In this dark night.
Tell me where you are,
Are you committed really
To the welfare with all
Forgiveness in all complexity.

If yes, then read and
Understand the substance of
My complain petitions;
No one should sleep hungry,
No one should be deprived of
Clothing and shelter.
All should be there and all
Should enjoy their lives
With dignity and honour.

Conquer me and my style
Of speaking before you
At this time. Take away
My smile if you so like
And give the smile to all
Here at this hours.

I know my star, you are
Ready to do what I desire.
But do it without any delay
And failing which I am here
To declare war and warn you
To leave the place forthwith
For all welfare.

Gajanan Mishra
My concept is clear,
My life is clear.
But so far, I have
Received, no clearance
From anyone.
I am in
No return journey.
I am the victim of
My own pain and
Own torture.
Still, I know,
Virtue is there,
Truth is there,
And life is fair.

Gajanan Mishra

Any disaster
My dear so long as
You are here.

And in truth, I love here all.

Gajanan Mishra

And black has everything
But without darkness.

Gajanan Mishra
My Dance

See my dance,
I am dancing with the poems.

My poems are there
With my pain.

In all auspicious ways.

In all auspicious ways,
I am trying to elevate
Everyone to the truth.

And truth is there,
In truth consciousness
In all business.

Gajanan Mishra
My Daughter

O my daughter,
You are married.

Your husband
And your in-laws
Are everything
For you
A relationship
Is automatically
Established with
Your in-laws.

O my soul
You are born
In this world
And you are attached
To worldly objects
You are to perform
Some duties here.

But my dear,
Remember, a sense of
mineness with these
Is merely assumed,
It is not natural.

Forget not, your
Natural relation is
With Ultimate Truth
Almighty God.

Speak clearly
And I have no
Capability to
Understand you.
O my dear child
You have a message
That I failed to read
And you show me
Your courage to
Pluck it from time
you know only present
Not past not future
I know you are really
Courageous and not I
I fear future
My dear little
Stay with me here
I know you are
Not in fear.

Gajanan Mishra

I know, within you,
There is only fear.

Fear has overtaken you,
My dear king,
Get out of here.
I know, you hate
The language of the people.

People are waiting there
To give you a lesson,
Dear king, get out of here,
And face your own destruction.

Gajanan Mishra
My Dear Men

You are here only for
Understanding the ultimate cause
My dear men
If you want to invent
Your own way
No problem.

No problem
With contradictions
As before it is going on
The creation the life
The maintenance and
The annihilation.

Don't be envious and mischievous
For your own existence it is dangerous.

Gajanan Mishra
My dear men,
You have lost
Your sons and daughters
In terror attacks, right?
And you are mourning
Their death, right?
You are not in a mood
To quarrel with neighbours
Or with anybody, right?
You are not enjoying
Your life and liberty, right?
You do not want to remain in
Darkness any longer, right?
Come on my dear men, we
Are here with love and with
All humanity. Let us join hands
Together to give proper knowledge
Where there is absolute bliss
For entire human race.

Gajanan Mishra
My Dear Men, Come And Fight

My dear men, come and fight,
Heroically and fearlessly.
Come and fight, I know,
Your cause is just and right.
Your own land is the battlefield,
You are to fight against your
Own people and you are to face
The calamity- most terrible.
My dear men, come and fight,
I know your moral power is
Very very strong and you have
Unwavering firmness. I know men,
You have the power of dexterity
And the skill to use your own language.

Gajanan Mishra
My Dear Men, Remember

MY dear men, remember,
When you are using a foreign language
In your native state, you are
Showing your foolishness.
And let me say so long as
You are using foreign language
You can not be called independent,
And dear men remember,
Life is extremely risky in this condition.
I am here, trying to make you aware
Of your dependent condition and
Trying to save you from illusion.
Your aim should be, dear men, stay free from
Foreign language first, in the sovereign state.

Gajanan Mishra
My Dear Poets

My dear poets, come on together
and write about humanity, about truth.

Dwelled in you.
Quit all evil,
Quit desire and greed.

Gajanan Mishra
My Dear Sir

My dear sir,
I am undone here.
Explain me
With the proper answer.

Creatures are lamenting,
Here on this earth and
I am helpless,
I find no way out
To make them happy.

My dear sir,
Who am I,
What for I am here.
Explain please,
The absolute feature
Of all creatures.

Excuse all
For any mistake
And sin
Committed by them,
At anytime and
Treat me
As the bailor,
I am submitting myself
As the security for them.
My dear sir,
And I pray,
Release them
From the custody
Of evil qualities.

Gajanan Mishra
My Dear Son

Stay there
My dear son
And be happy
See and regards
Alike
Happiness and distress
A lump of earth
A piece of gold
A stone
With an equal eye
My dear son
Situate equally
In praise
In blame
In honour
In dishonor
Treat alike
Friend and enemy
Renounced all
That are materials
I know and you
Also know
You have transcended
The modes of nature.

Gajanan Mishra
My Dear Son, I Am Very Cautious

My dear son, I am very
Cautious in friendship
I feel better to be alone
Than in bad company
I always want to
Associate myself with
Men of good quality.

Gajanan Mishra
My dear son, my impression,
If I perform good action,
My son is there to leave
Good impressions.
And If I perform bad action,
My son is there to
To leave bad impressions.
I know, and hence
I am not accusing my son
For anything good or evil.
My impressions instigate
My son to perform actions
As per my thoughts and
It is hereditary.

Gajanan Mishra
My Dear Son, Suman

My dear son, Suman,
I know you are a person,
Person of action.
I know, you are a
Person of words as well.
I know, you are there
To go on to act
On what you have planned.
In your actions,
In your plans,
In your words,

My Dear Son, Worry Not

My dear son, worry not.
Let us remember, we have
no control over anything.
But we have to restrained
ourselves from everything
that seems harmful.
Though we know not what
is harmful and what is
beneficial for us here.
But my dear, as you are
a student, you have to
renounce anger first, then
greed, then delicious dishes,
care for beauty, entertainment,
sex, excessive sleep and sycophancy.
My dear son, be active always and
do whatever you are doing
sincerely and timely.

Gajanan Mishra
My dear son, you are a man
Man is not beast and man is not God
And man can not change his nature
My dear man, your source of strength is sun
And sun is in the sky and sky is within you.
My dear son, your body is your chariot
And your chariot is taking you
Where you want to go no matter hell or heaven.
There is nothing like bad or good and
Hell or heaven my dear son
Hell is within you so also heaven.
My dear son, you are a man
Humanity is your identity
And that given to you when you born.

Gajanan Mishra
My Dear Son, You Are Like A Lion

My dear son, you are like a lion,
And hence let me tell you;
Have a plan, launch the project
With full force and
Keep up the pressure
Until the project is not completed.

My dear son, you are like a crane,
Concentrate on your on project
And calculate all the requirements
Minutely before beginning it.

My dear son, you are like a donkey,
Work tirelessly and never complain,
You are your own master and
You are here to achieve greater things.

My dear son, you are like a cock,
You are here to get up early in the morning,
Defend your interest zealously,
Give others their due share,
Claim your share rightfully
Without letting anyone steal it.

My dear son, you are like a crow,
Walk quietly, and examine the things
You come across and collect the desirables,
Be ever vigilant and let not others
Scare you away and do not put
Your faith in any one else.

My dear son, You are like a dog,
Eat well, but worry not if
The next food is delayed.
Sleep well, but be careful
And wake up at the slightest disturbance,
Be loyal to one whoever is
Important to you,
Be brave and fight
If needed for truth.

Gajanan Mishra
My Dear, Come To Me

O my dear, come to me
I am here, your purifier
I am your pure-consciousness
I am your eternal divine
Come to me, come to me.

Gajanan Mishra
My Dear, Do Not Cry

Over the split milk
Remember, better an
Empty house
Than an ill tenant.

My dear, try to gain
With pain
Do not say other and remember
Nero fiddles
While Rome burns.

I know fine words
Butter no parsnip
But it is I who said
Do not dig on a hill
For rat.

Go on knowledge
It is power
My dear, know that
Little drops
Make an ocean.

Gajanan Mishra
My Dear, I Am

My dear, I am
Not able to know
The reasons of
Your hiding here.

My dear, I have
Marked your

In presence of all
Please see and hear.

Gajanan Mishra

We are facing each other here.
When you are speaking,
I am listening,
You are not proud of your talent,
I am not ashamed of my becoming,
A listener, we are for each other.
I am the product, you are the producer,
You are taking my care with pleasure.
We take delight in both without
Any difference, we are one and we love.

Gajanan Mishra

Ever changing
But I am fixed.

In your own body
If you go on searching.

After experiencing
My life, see.

Hearing me you surrendered yourself.

Gajanan Mishra

And I am not able to see
As per my wish.

My body is not mine
And I am not able to move

Unable to see.
My body being
Attached to the sun
As a source of warmth.

Gajanan Mishra
My Face

My face you can see
This is my face
And here is my smile

And I see you in running time.
My dear, But it is my success, my love
I am able to renew my life with you.

Gajanan Mishra

I am here in this house as usual.
I am in the middle of my journey
From birth to death, if you can, see me.

I discover you for the sake of truth,
And all are here to see me what I am
Going to do here for them with high
Expectation and I appeal all to come
For the benefit of the self and they
Agree to the point with love.

Gajanan Mishra

But I can feel the happiness
And I can share with you, my dear,
With the forest and villages
That are in me on this earth,
I regard you as integral parts.

Gajanan Mishra
My Family Members

Let me say
Here is my sweet mother,
And she is sweeping the floor.

And she is washing the clothes.
See, my father is there,

Is still here
But without shadow.

Gajanan Mishra
My Father And We

Our father is no more,
But we are here
To do his works.
We know, though,
What are his works,
We know, though,
How he was working,
We know, though,
We are not comparable
With him here.
We are here and
Our father is no more.
But for the father
We are fighting
Each other taking plea
Of his name and
Place of residence.
We know, our father is no more.

Gajanan Mishra

To quarrel with anybody
And he cautioned me

And I am living, my dear dying daily here.

It is all blessing, here
At this sacred spot.

Gajanan Mishra
My Feeling And Your Changing

My feeling and Your changing
Your changing in different forms
At the same time here with me
Manifesting in integral being.

And it is beginning always
And delivering Truth to all
It is the ignorance that is
Checking from the beginning.

And only beginning is there
And no ending and only Truth is
There and nothing else in finding
It is only the matter of feeling.

And it is everything within the changing
That is appearing from time to time.

What I am doing, and doing
For whom, tell me, my dear,
If you know.

I am a straw that is dry
And I cannot do anything here,
You just tell me who has
Kept me here and for what purpose,
I am unable to open my eyes
And my ears are not able to hear
That are truth and that are beneficial.

Gajanan Mishra
My Force

You are my force and
I am great only for you.

Let me believe you and

And you are there
in my war that is declared
within your area.

And I am trying to discover,  
The man there in me.

The rain, the sun  
All come together,  
For me.  
But I am going alone  
With my own smile.

Gajanan Mishra
My House And

My house and your house
Are dazzling in this twilight
But we are ever distant
and alone and wandering
As before.

The sky has all the answers
But not willing to utter a word.
The sun and the wind are
Giving plan how to swim on it
Without any life risk.

For the benefit of all
Let there be a smile
Let the sale proceeds
Be deposited as called for.

Again and again,
Day by day.
Somehow or other

Gajanan Mishra
My Intellect My Life

What has happened to my intellect
That I failed to understand.

What has happened to my life
That I failed to explain.

I am worshipping the stone
I am worshipping the earth
I am worshipping the air
I am worshipping the water
I am worshipping the tree
I am worshipping the light
I am worshipping the sky
And worshipping the stars etcetera.

Am I wrong in worshipping?
But I say my intellect my life is right.

Gajanan Mishra
My Internal Potency- The Truth

My internal potency- truth.
My external potency - love.
I am going to you with love
And also with the truth.

You are my jewel,
I know you are everywhere but rare.
You are refined
And I am following you.
My place is my world
and see, I am getting honor here, my dear.
You are the creator of this world.
You are the only jewel of this world.
And without any barrier
I am moving here.

Gajanan Mishra
My Joy And Sorrow

Once my father
Told me,
Life is strange,
But here
I see in your eyes,
It is more strange
Than my life.
I am searching
My own life
In your eyes
That is there
Unchanged.
I can't say it is
My joy or sorrow.

Gajanan Mishra
My King

My king is taking away everything
That are with me,
And in my country, see,
The poor men are in pride.
The saints are busy is sex
And they are hoping luxury the best.
The priest class is not taking truth as
The means of living and harassing the pilgrims,
I am living at this time
With my friends and members who are in duplicity.
The daily laborers are not
Getting proper wages here at this time.
All evils are here as illiterate
Advisers are with the king.

Gajanan Mishra
My Labor Is With Me

Protecting me guiding me
Guarding me and I am
Holding you my dear
My labor lead me on
It is for you I
Feel safe and secure
I know and I am sure
My labor never fail me
My labor is my all
I know You are in my labor.

Gajanan Mishra
My Land My Body

My land is my body,
This is not mine
I must remember.

My right title is
not mine.
My possession is
not in a truthful way.

I must left the place.

But I am enjoying
right now.
And it is
not true, see.

The default is in me.

I have no courage
I have no patience.

I am the culprit here,
As I want to possess all
and I know how
this is wrong.

Knowing fully well
this is not mine
I am fighting to
possess it anyhow.

I know the truth
And still I
entangled myself
in falsehood.

This is not right,
and not the culture
of a civilized man.
And still I am doing wrong.

Who is there
to pardon me?

I am my own enemy.

Gajanan Mishra
My Land Needs You

My land needs you,
And you have come alive.
I know, the language of this land
Makes you come alive.

I know you,
You are not lost
Pretending to be someone else,
But you are the real son of the soil.

I value you, on this land,
You are the truth.
Come on, my dear and utter,
The language in original voice,
That is your own and not others,
For the sake of your mother.

Gajanan Mishra
My Land, Where I Stand

My land, where I stand
Is first and foremost
It is like realizing
The one's own-self
It is befitting to
The entire universe
It is the Ultimate Truth
Upholding justice
My land, where I stand
Is the first and foremost
In connection with life
And death and life again
Without any hindrances
Where I am enlightened.

Gajanan Mishra
My Language

My mother-language
Kosli
Is very easy
Charming tasty

My state-language
Odia
Is all pervading
Interesting

My poetry-language
English
Is International
Link-personal.

You can find me
In all the three
Three in one
Is my poetry
Birth life death
Past present future.

Language no matter
Poetry matter
Love matter
Life matter
Go with life
O my dear brother.

Gajanan Mishra
My Language And The Language Of Others

When I am telling
In my own mother-language you are
Calling me stupid, rustic.

You are telling
In the language of others
Shall I call you ungrateful, indiscreet.

Gajanan Mishra
My Language Is

My language is love
I love truth
Truth is here in me
I am within you
You are there
to take care of the world.
I possess all the worlds,
All the worlds are here
ready to give me nectar.
O my dear, You are the nectar-tree
I am one of the leaf of this tree.
The tree is telling me
everything in my language.
Let me understand my own language first.

Gajanan Mishra
My Language Is Everything For Me

My language is everything for me
But it does not mean I am going to
Dis respect your language.
I know the value of your language also.
My language is the essence of
My identity and culture, my dear.
My language is my major tool
For exchanging my ideas, emotions
And feelings. So also your language
Is your key to the ideas of awareness.
Let us respect each other’s language
And use the languages in proper places.
Let us use our own mother tongue
To its full capacity and enjoy life.

Gajanan Mishra
My Language Is Neglected

My language is neglected
And it is not to be tolerated.
It is my birth right
To get education in my
Own language.
It is my birth right
To work in my own language.
I am independent,
I am sovereign,
And I am here to show
My excellence.

Gajanan Mishra
My Language Kosli

I am talking in Kosli
I am thinking in Kosli
I am listening Kosli
All around me,
Kosli is my mother-tongue.

My state language is odia,
Odia is a constitutional language,
Odia is a classical and rich language.

Official language act is there,
Everywhere, always within
The state of Odisha
Odia should be used,
It is clear there.

But when I entered school
I learnt ABCD and they
Are not mine I knew.
They called it English.

I entered in to service
All the works are being
Done by this English though
Not easily understandable
By the people in general.

I know by using this English language
In all official purposes within my mother-land
We are cheating my own people
I have a democratic
Sovereign republic though.

Excuse me, I am not ready to say
The people are independent from foreign rule.

People in general are in dark, is a fact.
They know not what is going on in their
State and still they are observing
Independent day, and it is disgrace.

Gajanan Mishra
My Language My Identity

Without love,
Without truth,
Without my own
Identity and
My own language
I have no desire
To live here.
My love, my truth,
My identity and
Everything is there
In my language.
Give me my language,
You have no power to
Take away my language.

Gajanan Mishra
My Language My Life

My language is part of my life,
My language is my life,
And I allow no one to take it
From me at anytime anywhere.
My language is scientific,
And it all holy, it is all charming.
I care not what you think
About my language, but in my language
You have to see my blood circulation,
At every moment everywhere.

Gajanan Mishra
My Language Will

My language will
manifest itself
to destroy the darkness
within you, my dear.

Wait and observe,
My language is most
beneficial and
sacred to all.

Gajanan Mishra
My Legs And My Hands

My hands and my legs
Are blind,
And my senses are
Taking away everything.

I am ignorant
And You are my only friend,
I am staying in a house
And nine doors are opened there always.

Let me admit, I am
Under the clutches of my wife,
Holding three flags
I am running after mirage.

Gajanan Mishra
My Letters Are Not Mine

My letters are not mine
And yet I write
And I read
The writing of the wall.
And yet I live
And live to write off
All livings.
And yet I think
About the think-tank
What they are doing.
They said they are there
To take the future
Humanity on the path,
Path of progress.

Gajanan Mishra
My Life

Dull - death
Intelligence - life
You are my life
Without you
I can not lead
Without you
Death is there
To face in lieu.

Gajanan Mishra
My Life - I Go With My Life

My life
I go with my life
Here I enjoyed the stint.

My life
Dancing with me
And you looked back.

My life
I am the most famous poet
And you read me in roadway.

My life
Without color you asked me
Not to go further as quiet witness.

My life
I go with my life
Leaving you on the shore.

Gajanan Mishra
My Life  My Poem

My life my poem  
And I invite  
All of them,  
And they came  
With their own  
Words and own  
Sounds but I  
Failed to catch them.  
Forget my poem  
Remember your life  
Without any difference  
From my poem.

Gajanan Mishra
My Life Begins

Life begins
At 4 AM
And I appear
At 11.58,43PM.
And so, I said myself
Latecomer.
I search life,
Here and I
Want to say
The importance.
I feel life
Whole days,
I personally
Take responsibility
To describe
This fascinating
Life-journey
Across this earth.
I know, though,
I am the earth,
And I am not here
To go anywhere.
Nothing to fear,
I learned,
Nothing to worry,
I realized.
Yet I am here
With fear and
I apprehend danger
Though, nothing is
There at any time.
I know life is
Beginningless and
It has no end.
You are searching
My heart,
But my heart is there
On the cave of the mountain,
On the branch of the blackberry tree.
I feel not free,  
Since you are there  
In my house  
Where I am searching you always.

Gajanan Mishra
My Life Is

My life is
There, where
Poisonous snakes
and ferocious animals
Are playing there
Major roles.
My life is
There, where
Fire of lamentation
Is always blazing,
Mirage of false
Happiness is always
Alluring. And I am
Living there in
The cycle of
Birth and death,
With all diseases.
Here, I am also
Overburden with
The works, that
Are no way related
To truth.
My life is
Really precarious,
Here without you,
Without true love,
Without true guide,
And a true friend.

Gajanan Mishra
My Life Is Crumbling

My life is crumbling
And crumbling, my dear queen,
See me, I am your king.
Everything is cracking
In rubble without your
Love, see me, my dear queen.
Hear me, I am calling you
Hundred times, my dear queen.
I am talking you, I am
Going towards you.
I know, you are the only truth.
O my dear queen, come to me,
Without you, my sleeping, my
Living all are far away from me.

Gajanan Mishra
My Life Is For All

My life is for all
Let me declared.
Knowing this well
I am not going
on the wrong side of
the track at any time.
My life is for all,
And I am white,
And I am with all,
Any one can use me
If he is in needs
for the common welfare.
Let me say I am a man
And the best here in this world.

Gajanan Mishra
My Life Is In Danger

My life is in danger,
As I am in my sky and
My sky is everywhere.

Gajanan Mishra
My Life Is Open

You can ask any question,
See, my life is open,
As open as the sky.

The ocean knows
Who are here and
What is the purpose.

The increase and decrease
Of temperature does
No work here.

Gajanan Mishra
My Life Is Simple

My life is
Simple by nature
That I know.
But I create
Complexities and
solve them
To satisfy my ego.

I know
I am dictated by
The principle of
Cause and effect.
Still I am happy
With all creatures
And in changing nature.

Gajanan Mishra
My Life My Journey

First class first,
My life,
My journey.
Here see my
Cosmic manifestation.

I am the universe here,
In your life,
In your journey.
There search me out,
In the reservoir of
Love and truth.
Discover all pleasure
There in you and
Find the result all good.

Gajanan Mishra
My Life My Time

My life my time,
My elephant my reality.
And I am going to say
About you sir, eternity.

Eternity - my mother,
Eternity - my voice, my language.
Eternity - my land, my earth,
I promise to keep intact.

Gajanan Mishra
My Life, My Earth, My Prayer

O my dear, give me not those things, even if I pray and I beg, in which and through which, my earth would face trouble and put to loss. My life is made out of this earth and I am the earth.

Gajanan Mishra
My Life, You Are

My life, you are
The truth,
Consciousness
And bliss
Solidified.
Oh let me live, with
Desire to know
And I want to be happy.
I want the virtue,
I know I possess
Divine nature,
I am truthful with you
Here at this time,
O my life.

Gajanan Mishra
My Life-Breath

O my dear
To day on this day of
fourteenth February two thousand
Thirteen of Christian Era
And Kumbha third day of
Bright fortnight of Magha chaturthi
Twentyfifth Thurseday
Rebati Naxatra Mina chandra
Divyasinha devanka baban anka
Of Hindu Odia calender
And in all auspicious moments
I here by solemnly affirm
And declared only truth
Without taking any intoxi that
You are my only Love
You are my absolute authority
You are my Valentine
You are my life-breath
You are my sense and mind
You are my firmness and goodness
And it is
For you only I am here fine.

Gajanan Mishra
My Life-Love

My life
Itself is
A love song.
Sing it
If you can.

My life
Itself is
A love garden.
Play on it
If you can.

My life
Itself is
A love flower
Enjoy it
While living
Your life.

My life
Itself is
A love ocean
Dive in it
If you can
And say
Where you are
At present.

My life
Itself is
You with
All truth.
See yourself,
Live yourself
Enjoy yourself
And test me
How I am
Loving you.
My Likeness - My Image

My likeness is my image,
Here I find you and in you
Love-seed.
In wisdom-earth
Affection-skills
Virtues-air
Goodness-light
I find my
Divine nature.
O my dear,
I am not in fear
As I am always
With you, here.

Gajanan Mishra
My Liking Is

My liking is
Your liking
I am not telling.
I am telling
Your liking
Is my liking.
I am there
Where you are in.
No likeness though
I am going
Going to search
The lighthouse
There in the sea
That is in me.

Gajanan Mishra
My Limbs

My limbs are
My fragments,
My limbs are
Always with me
And they are ever
engaged in doing good
For me.
Likewise I am
The fragment of the world,
I am the fragment of
That Supreme Truth.
Let me ever engaged
In doing good to the world,
And for that Supreme Truth.
My limbs have no pride
Or desire for anything.
Likewise I should shun
Everything that are not
Good for others.
It is not good to lament
In any situation.
It is not good to keep
Interest in any work.
It is not good also
To enjoy with pleasure
In what is done here.
I must remember that
I am here to perform
Not for my own self.
It is my duty to perform
All for the welfare of others,
Realizing the Supreme Truth
Within all creatures.

Gajanan Mishra
My Little Grand Daughter

My little grand daughter
Is in play school now.
And I wonder we are
Till date unable to know
This world is a play school
For all of us, ask not how.
Don't get fury, I tell you
This from my impersonal knowledge.

Gajanan Mishra
My Little Voice

My little voice is
There with you and
It is silent with truth.

My little voice
Is going with its chariot
And I know you are
There on that chariot.

I love you, dear,
As you are there,
There only to listen
My voice in full.

I am looking at you
In my little voice here
And see me I am silent.

Gajanan Mishra
My Live-Poem

My live-poem
My wife.
I find
Everything
With her.
My wife's anger
Made me finer.
My wife's smile
Made me crocodile*.
Utter not any word,
My wife is there.
Take care,
I am cautioned
By her.

*symbol of greed

Gajanan Mishra
My Living

Only one is allowed
Only one can enter
Only one person is there
What I heard
O my dear, come forward
I am on line
To feel fine
With you
O I am sure
With you only
My living is
Serene and happy.

Gajanan Mishra
My Living Is More Than Enough

My living is more than enough,
Let me surrender myself
Before your feet.
But who you are here
Let me know the truth,
Please describe something
About you, and recognize me
As part of you, as the truth.
I am eager to know,
Everything here before
Telling goodbye to you.
I am not being attracted,
It is true, but I am here
Only for you, dear truth.

Gajanan Mishra
My Living My Writing

My living, my writing,
Come near me and read me.
I am the pure water,
Pure air, delighted light.
Come and see me in the star above,
Come and discover me in the sea below.
I am what I am the original
Though not final, I am here
For you my dear, and you are here
For me, remember the time.
Come and discover me in love
But not in hate. Come and know
How strange I am here in flower
And in colours of the sky.

Gajanan Mishra
My Lord

O my Lord
Make me a piece of iron
And made me red hot
Give me quality of fire
Through Your burning capacity.

Gajanan Mishra
My Loss My Gain

My loss my gain,
My hate my love,
All are here with me,
And they teach me
At every moment.

I learn a lot,
But what I learn
I failed to implement -
My tragedy.

My life is a combination,
Combination of history,
Customs and cultures.
I grow with all to face
All challenges of life.

Gajanan Mishra
My Love - I Care Not You

My love, I care not you,
But I care the truth,
I care life.
My love, you cannot make me hurt,
See here, I have no flesh, no blood.
Call me not mad, my love.
Call me a man of practical utility.
Call me a man of truthful world.

Gajanan Mishra
My Love - I Know

My love - I know
Has got no importance,
Only it is your love
That matters.

I know I have to
Act and show
My love in such a way
To get yours.

I have nothing - I know
And you have kept
Everything in your love
I am eager to hear
From you I love you.

See, my way of living here.

Gajanan Mishra

My Love And Affection

My love and affections are
Only for you, my dear.
I am here with neutrality,
Servitude, friendship,
Parental love and conjugal love.
Please misinterpret not, dear,
I am also in amazement, humor,
Chivalry, compassion, fury,
Fear and dread.
Go not with constant frustration
With agitated mind.
Follow the simple formula,
Stay simple and get all happiness,
I am yours, only yours.

Gajanan Mishra

Disturb me I am in Your chest.

My savior.

Come to my earth
To see the truth
To expose the truth
To live with truth
Above all I am the truth.

Nothing is enough here
Everything is growing and growing
Nothing is diminishing nothing is dying
Wait, justice will be at your door
Go on counting one two three four.

O my dear men of this earth
Come forward
I know you are all nature-law abiding
You are all disciplined
You are all absolutely honest
An dedicated to this earth.
Come on and I know
There is no other way
There is no other place for you
Except this earth.

Gajanan Mishra
You are my Master
And with Your presence
There is no knot
Misgivings are cut
With Your presence
The chain of fruitive
Actions is terminated
And with Your presence
Scientific knowledge
Attained.

Gajanan Mishra
My Men

My men,
Please get up,
And utter
Your words,
Words of your hearts,
In your mother language.

My dear men,
Your mother language
Is your identity.
Let me verify
From you.

Leave your worries,
Dear men,
You are free,
Let me request you
To grace the earth.

Under this sun
No one is there
To take away your thoughts,
Your words, your language.

Gajanan Mishra
My Men, I Invite You All

My men, I invite you all
To take oath as a creature
Of this earth;

I hereby take my oath,
Solemnly and firmly affirm
To confirm that
I am a man
And I will keep
Humanity with me
So long as I am alive.
Love and truth-
Two weapons
I have possessed
And I will use them
To defeat all evils.

Gajanan Mishra
My Men, My Society

My men, my society
Wake up, wake up, wake up.
I am here writing for you,
I am here living for you,
I am here loving you.
My men, my society
Wake up, wake up, wake up,
To see the sun-rise
To go with the truth, with knowledge
To love all, to love all.

Gajanan Mishra
My Minister

My minister
Declared on oath
I swear in the name of God
I would not allow
Any woman to be raped,
I would not allow
Any body to die without food,
I would not allow
Any man to live without residence
And on the next day
My minister sacked
On the charge of rape
And murder and on the charge of Malpractice and corruptions.

Gajanan Mishra
My Misfortune Is That

My misfortune is that,
Though learned, I have
Forgotten, you are
Present here in your
Original form with me,
You are the love and
You are the truth and
You are here for all good.

Gajanan Mishra
My Mobile Number

My mobile number

In danger.

Gajanan Mishra
My name remember
And open your
Heart's voice you are

Come and take rest
If you are in
Need of shelter.

If you are in need of
Food and water
Come and take it
Without any second thought
All these things are here.

Gajanan Mishra
My Mother

My mother is always with me
I am always with my mother.

My mother hears my words
Eventhough I am unable to speak.
My mother nurses me
And I am alive.
My mother can see me clearly
Eventhough she shutup eyes.

No doubt no fear
When mother is here
When I am with mother
I have no tears.

Gajanan Mishra
My Mother - Earth

My mother removes
My sufferings.
My mother protects me.
My mother nourish me
In the form of this earth.
My mother is supreme,
All the sciences reside in my mother.
My mother is my world,
I see my mother everywhere.
My mother saves me from danger,
My mother protects me from fears.

Gajanan Mishra
My Mother 2

My mother
An all rounder
And she
Made me
With her
Heart and soul
New curriculum
Of the world order.

Gajanan Mishra
My Mother Alive

My mother symbol of peace alive
My mother my guide my eyes alive
My mother the greatest alive
My mother first and foremost alive
I am getting heaven at my reach with my mother
My mother alive
I love my mother my mother love me
My mother my love
It is for my mother I am here
O my mother, You are more than God
You are my respiration
You are my blood my flesh my food
I love You my nation
It is for You I am doing here
Everything day and night
Without any tension.

Gajanan Mishra
My Mother Cannot Write Her Name

My mother,
And my mother
Cannot write
Even her name
In her language.
And how dare you
To show me foreign one
To read and write.
For life,
The language of the mother
Is the root,
And not the foreign language.
The foreign language is
Like the color of turmeric,
Here it is and
Here it vanishes.
My mother,
And my mother is at present
Unable to cook,
Even for herself,
And she needs full help.
And being a common drudge
She is hardcore to the point.
Still, I obey my mother
To the point and she is
Greatest for me
And I ever lastingly
Believe her for all time.

Gajanan Mishra
My Mother Has Her Own

My mother has her own
Internal illusory potency
And hence I called him Janani.

I love my mother very much
And hence I kept her in my heart,
No, no, excuse me for the
Wrong words and sentence used,
She is always in my heart.

I am incapable son, and unable to
Fulfill her dreams, even
I am unable to use her language
In all or any purposes, I am
So unqualified nonsense.

My mother is always creative,
But see me, I am the rascal
Not able to do anything
Even for my own land and
For the land, I live in.

My mother, dear mother,
Excuse me for my disobedience
Even to the law of the land
And laws of nature.

Gajanan Mishra
My Mother Illuminates Me

My mother illuminates me,
My mother is here
For my nurture.

For my nurture,
My mother-earth is here
And I am going to
Achieve divine future.

I am calling you
In my mother-tongue
That is love.

O mysterious God,
Are you more than my mother?
My mother keeps all treasure,
I am with mother to build future.

Gajanan Mishra
My Mother Is

My Mother is
As beautiful as
China rose
My Mother is
As pure as
Coconut-water.
When I am with
My Mother
No one can defeat me
It is clear.

The scent of
My Mother is
The scent of
This earth
The look of
My Mother is
That of the pole star
My Mother is
Passion flower
Without my Mother
You are thinking me
How you dare!

My Mother is
My life-water
My life-air
My Mother is
Your Mother
And we are
Brothers and
Sisters here
And also there.
See my Mother
My Mother is
Not a broker
My Mother needs
No signature
My Mother is
Not a grocer
Not a debtor
Come to My Mother
My Mother is
My Father and
My Ultimate creator.

My Mother is here
Come to my Mother
And see with you
No fear no fear
But a new life
A new culture
Remember your
Body-village
Belongs to only Mother
Come to the Mother
With debenture
My dear.

Gajanan Mishra
My Mother Is My Only Resort

My mother is my only resort
Whether ugly or beautiful,
Most virtuous or without virtue,
My mother is my only resort,
And most gracious as she is
here she delights me
by embracing by beating
and also by crushing under her feet.
My mother is my creator,
He loves me and she is my only resort.

Gajanan Mishra
My Mother Is Still Alive

Still alive-
My mother.
My mother is
Still alive.
And we are there
With her,
We, the five.

I live
On my motherland,
That is free.
But I?
If I am not free,
How dare I to say
My motherland is free!

The definition of free,
Is yet to express
In full.
I know, I am
Not free to express
My views here
On my own motherland.
I know, I am
Not free to do
What I like,
Though good.

My mother is still alive,
But see, she is helpless.
See, she is out of control,
See, she depends on others
Always in every work.

But I fear
My mother,
I know, my mother
Is the daughter
Of a tiger,
I am the son
Of my mother.
But, am I a tiger?
I question myself.
How is it?
I find no answer,
Please, see,
Everywhere jackals,
All around me.
Still, I want to live,
I know, victory is all
On my side.

Gajanan Mishra
My Mother Is Still Living With Me

My mother is still living with me
And telling me, Gaji, don't worry
and with this I am going to fight.

My dear, believe me, I am here,
with you all and taking you
at the same time with me, and it is
morning with the coo, coo, caw caw.

I see the fish and it is there,
I see the clouds and they are there,
And I see myself with all as their parts.

Let me go if you so desired and to
show the beauty in all over the earth.
The earth is mine, the mother is mine,
And I am here to take her care.

Gajanan Mishra
My Mother Is Talking

My mother is talking
To me.
How much longer
Am I going to
Ignore her?

I am not giving
Permission to my mother
To do and to pursue
Whatever she dreams.

My mother is a
Musical superstar
Of my life
That I have forgotten
On this day, alas!

Gajanan Mishra
My Mother Is Telling Me

I am indivisible.
Think not my division,
my dear sons.

Gajanan Mishra
My Mother Land Lies

My mother land lies
To the north of the ocean
And to the south
Of the snowy mountains
And it is Bharata i.e. India,
With rich heritage-
True love.

Gajanan Mishra
My Mother My Divine Power

My mother manifest
My mother sustains
My mother transforms
The universe as one
Unifying force of existence
My mother is the mother of all
With three eyes
Past present and future
The refuge the auspiciousness
The bestower of all wishes the blessedness.

Gajanan Mishra
My Mother- My Existence

Mother is mother
My mother is my truth
My mother is behind all my thoughts
My mother is my willing my feeling
My understandings actions
My mother is my names my forms
My mother is compassion.

My mother is sovereign of all existence
My mother is my higher spiritual power
My mother is the mysteries of reality
In the realm of true life and light
My mother is the promise and possibility
My mother my life my earth my heaven
Mother is the path for the highest ends.

Each and every day
Each and every moment
Is mother's day
Is mother's moment
I live in it
I get everything of my life
In my mother's lap.

Gajanan Mishra
My Mother My Moon

My mother is my moon
But without any fault,
My mother is my ocean
But not salty,
My mother is my sun
But no summer's hot.
I love my mother
And I love my mother.

Gajanan Mishra
My Mother My Strength

My language my strength
My earth, my life and my strength,
Please try to understand
Keeping in view the link with all.

Prohibition and prescription
Do not apply to me and
I am here without worry
I am here and I am real
And never ceases to be.

Gajanan Mishra
My Mother Orders

To go to the slums
And backward illiterate areas
And give free lessons on
Secular and spiritual matters
My mother orders
My mother is above caste color
Creed religion matters
My mother orders
To be a flood of light
And go to the sights
For general welfare
And world order.

Gajanan Mishra
My Mother Said

My mother said-
I can bear any heavy thing
But a liar.

Let me see, how I am living
As the son of my mother,
And how I am ready to respect her words.

It is true,
My mother is overburden with me,
As I am inclined to
Other languages.

Hell, poverty, even
The ocean of distress
Are nothing so harmful as
Falsehood.

Gajanan Mishra
My Mother Survived

My mother survived
In the game of life
That is fearful.

Further questions
Not necessary
The storm keep quiet.

Gajanan Mishra
My Mother- Symbolic Power

My mother is the symbolic power of
Cosmic consciousness and my God.

My mother governs my life my universe
My mother is behind my creation
My preservation.

My mother is divine
And her wills prevails over me.

I am gigantic imagination of mind
Only for my mother.

In this struggle of
Good and evil
Truth and untruth
Virtue and vice
Freedom and involution
Light and darkness
It is my mother
Who can show me
Divine law before me
And save me.

My mother is saying me
Truth alone triumphs
Positive must and
does overcome the negative
And always my mother is here
Rouse me to this truth
And regulate my life.

My mother is the champion of
Positive idealism
Message of my mother is
Self-perfection, equal vision
Balance of mind
Motiveless service to humanity
Unselfishness and
Absolute humility.

And it is true
Cruelty towards any creation
Is cruelty done to one's own mother.

I love my mother.

Gajanan Mishra
My Mother- The Best

My mother- the best,
My mother tongue- the best,
My motherland- the best.
I am proud of all here
On this earth.
The earth itself is
Most creative
In which I live.
I live and enjoy life
Here all the time.
The time smiles at me
When I dream.
The dream comes to me
On its own, and I catch it.

Gajanan Mishra
My Mother, My Language And My Land

Everything is there
In my mother
In my language
And on my land.
I want no honour
But my mother.
I want no wealth
No power but my language.
I want nothing
But let my mind always
dwells on the feet of
My mother on my land
And let me pray and work
With my mother-tongue.

Gajanan Mishra
My Mother, My Mother

My mother, my mother,
You are the root of all,
All speech, all song,
All glory, all form,
All good and also
All evil.

My mother, my mother,
You are artist,
You are mystic,
You are peace.

My mother, my mother,
You are vibrant,
You are unbounded,
You are divine,
You are merciful.

My mother, my mother,
Cool, cool, cool,
And let me do
My duty to make
Your world beautiful.

Gajanan Mishra
My Mother, My Mother- Root Of All

My mother, my mother,
You are the root of all,
All speech, all song,
All glory, all form,
All good and also
All evil.

My mother, my mother,
You are artist,
You are mystic,
You are peace.

My mother, my mother,
You are vibrant,
You are unbounded,
You are divine,
You are merciful.

My mother, my mother,
Cool, cool, cool,
And let me do
My duty to make
Your world beautiful.

Gajanan Mishra
My Mother-My Light

My mother is my light
My light - my mother
Mother is light.

I am dwelling in mother
Mother is dwelling in me
My mother is my light.

I love my mother
My mother loves me
My light - my mother.

Mother is light
In my life and I have
No darkness, no ignorance.

Gajanan Mishra
My Motto

My motto
Is to oppose,
Oppose and oppose
Those who are
Going against
Democratic norms,
Secularism,
Socio-economic order,
Sovereignty and
Independence.
My motto
Is to keep tolerance,
To maintain peace
And coherence.

Gajanan Mishra
My Mouth

My mouth
You are my mouth, my dear
I am Yours hands, feet, eyes and ears
I am giving You everything, my dear
And You are equitably giving benefit
By nourishing and revitalizing me
In due proportion
Such is our love, my dear
I am Your servant
You are my Master.

Gajanan Mishra
My Name

My name
Leads me
To benediction
And turns me
Towards the truth.

My name
Breaks off me
From ignorance
And turns me
Towards love.

Love and truth
Are two things
That can enable
Everyone to attain all.

Gajanan Mishra
My Name, My Fame

My name, my fame,
My abode, and paraphernalia
Are not the creation
Of the matter.
To know me
Is to know the truth.
Know the truth
And follow the principles,
Principles of life
That is there in love.

Gajanan Mishra
My Nature

My nature depends on
My birth
Influence of my parents
My education
My environment
And I am doing everything
As per my nature
And I know it is the best
If I am able to do the works
In a better way.

Gajanan Mishra
My Nature Is To Write

My nature is to write
But I want to cross it.
My intention is not
to cross but to overtake
with your help, as I know
nature is under you.
My duty is to perform
the works properly that are
allotted to me by you.
I am here with this body
only for you and I know
the objective is welfare,
welfare of others to
serve your purpose.

Gajanan Mishra
My Nature-Poem

Composing poem
is my nature.
In poem, I eat,
I sleep, I walk,
I dream, and
poem is there
to give me result.
Poem is one
that knows everything,
And I am asking
so many questions.
Poem shows me
the picture of life
through nectar.

Gajanan Mishra
My Need

What is my need
I am here to know first.

And I know
I am in need of You only
You my truth
You my love
You my cosmos.

O my dear, I know
Like you I am not bounded
By any geographical limits.

My aim is towards
Oneness of the entire human society
The entire energy of living beings
My aim is to establish
The ideal of a common cause.

And for this I am writing poetry
I know poetry is the spark-full
Sparkling light in the darkness
Of oblivion.

And I know poetry is here with me
To say how humanity can become
One in peace friendship and prosperity
With a common cause.

I am in need of that true poetry.

Gajanan Mishra
My Needs Are

My needs are
Meted by you
That I know
That's why
I am yours
It's true
And it's half.

As you know
I have no need
Of anything here
I know needs are
Not mine
Needs are their own
I am just a bard.

Gajanan Mishra
My Need-Your Need

My need
Becomes
Your need.
I am
Yours fully.

I have a desire
For Truth
You are the Truth.

And for this Truth
I see inaction
In action.

Le me free
From the notion of
Doer-ship, my dear.

Gajanan Mishra
My Only Friend

My only friend,
You are here,
The actual friend.
I am sure,
I will never be cheated.
And will get all help
Needed.
I know you are
The owner.
You are the enjoyer.

Gajanan Mishra
My Only Master

You are my only Master
I am one of Your servant here
When I am coming to Your platform
My beauty and my real form
Comes in to full blossom
And this is the fulfillment
Of my desire, I know.

Gajanan Mishra
My Only Shelter

My only shelter,
You are dear.

No joke,
But the reality is here.

I am for you,
The only truth.

And we both are here, and
Immeasurable power is
There with us.

No tongue can describe
Our love.

We both are here and
We are the support of
Everything together.

Gajanan Mishra
My Order

My order -
Search out water.

No water
Here there
Not a drop.

My order -
Bring a man.

No man
No where
You can not
Find a single
Human.

No water
No man .

Man and water
Water and man
Water polluted
Man virus-infected.

Gajanan Mishra
My Own Caliber

Who am I
My own caliber
And measurement
Would tell it
That I am an entity
And what is my type
In terms of necessity
And would tell
The difference
That are there
With the time
I am assuming.

Gajanan Mishra
My Own Dog

My own dog
Is barking at me.
What shall I do?
I am busy
On my own business
But my pussy cat
Is disturbing me.
What shall I do?
My own horse
Is reluctant to
Take me and run.
What shall I do?

Everything and everybody is mine, but
I belong to none and nobody is responding.

Gajanan Mishra
My Own Efforts

I am proceeding
Forward by
My own efforts.
I have my
Involments in
All matters.
I know who is
Crying and who is
Laughing here
For the changed made.
I have my own
Questions and answers,
I have my own
Identity with my
Happiness and sadness.

Gajanan Mishra
My Own Feather

For what
I am here
You know better.
Do what you wish
I am here
To see my own feather.
The sky is
Telling his own history
And I am the only listener.
If you so like
You may call yourself father
I am the sound-enjoyer.
What you think, remember,
That does matter.

Gajanan Mishra
My Own Fire

My own fire
Destroyed me.
And I vanished.

But see again
I destroy
All-destroying death
With glory, prosperity,
Poems, memory, intelligence,
Fortitude and forbearance.

I am the initiator
Of all works here.
With all goodness
I am the wisdom
Of all.

Gajanan Mishra
My Own Future

This is that river,
Who has given me culture.
This is that river,
Who is not able to move further.
See this river in the eyes
Of the moon my dear and
Say something in the words
Of the clouds and the deer.
The river knows what type
Of man I am and hence
Shows me waves and stones,
That are there years together.
Whether I am loving or hating
Is a different matter, my dear.
But I am with the river and
The river is with me
Notwithstanding anything
Contrary to my own future.

Gajanan Mishra
My Own Judgement

I have my own physics
I have my own astronomy
And I am going on my own judgement
I have my fortune in my own hands
I have my earth and sky and rain
And I am going with my own light
I know my earth is my heaven
With love with affection with brotherhood
I know no reason is here to fight
I know my root my fruit my branches my trunks
I care the entire creation and in
Each and every particle I am in a new manifestation
I am both perishable and imperishable
I am both transitory and kaleidoscopic and
Delivering service to others for general welfare.

Gajanan Mishra
My Own Light

I am my own light
I am the light for the entire world
I am the messenger of peace
All are within me
I am for all always everywhere.

Gajanan Mishra
My Own Self

Let me say
You are my own self.
I do not bother
Whether you call me
Your own or not.

I care not
Whether my desires are
Satisfied or not.
As I want to stay
Here desireless.

I am not able to express
My thought and my love.
I know in separation also
Constant union is there.

Gajanan Mishra
My Own Self - You Are

My own self,
You are my dear.
Hear my loving words,
See my nectarous smiles,
And always I am here
To pacify you.
You are my love,
And my truth.

Gajanan Mishra
My Own Source Of Pleasure

I am here,
I am my own source of pleasure.
I belong to all colors.
I reconcile all contradictions,
I am my own commentator.

Gajanan Mishra
My Own Way

Let me free from fear
Let me free from perplexities
Let me free from anxieties
And lead my own way of life.

Gajanan Mishra
My Pain

If you actually
Do not need me
I will not stay here
I do not want to
Stay here a moment more
If actually
You do not love me.

I do not want
Anything from you.
Leave me
I will go
On my own.
I do not want to
Leave you
And why should you!

I have nothing to lose
I have nothing to gain.

I am in my pain
My life without you
Is invain.

Gajanan Mishra
My Pain My Success

Where is my pain,
I am unable to say.
But pain is there
That I know.
I believe with pain
I am proceeding forward
And I see there
Success is written.

Gajanan Mishra
My Pale Eyes

My pale eyes
See nothing
I failed to
Checked sunrise.
You on the side
Of my opposite
Try to disturb
And I remian
As it is.

Gajanan Mishra
My Parents

My parents-
As worthy as my life,
As tolerant as the earth,
As big as the sky in hearts.

My parents-
My living gods,
I am here and ready
To obey all commands.

Gajanan Mishra
My Part And Parcel - Everything

How many worlds are here,
I can't say, excuse me,
And ask me not any question.

But I know, I am the world,
And within me, see, so many
Worlds are here and I am
With all for the purpose,
Best known to you, my dear.

I am the super energy
As a living being and I am
Moving upwards and downwards.

I exist here as all-perfect
And omnipotent, and everything
Is my part and parcel.

Gajanan Mishra

Have kept them.
My present,
My future,
My heaven,
Men, they have
Stolen.
My bliss,
My spring,
My Goal
Men, They are
Coming to
Destroy my soul.
My life,
My song,
My play
Men, they are
Taking all play.
Oh, Almighty,
We are innocents,
Save us, save us
Save us, we pray.
We are yours,
And you are for us.

Gajanan Mishra

And discover yourself in it.

Gajanan Mishra
My Pen My Paper

My pen my paper,
Everything for me, dear.
Keep there with care,
I am ready to use
When the green signal is here.

It is all absolute,
It is all shadows,
It is all life,
And I want to depict all.

First, I have to sketch the dark,
Then yellow and then white.
Second I have to sketch a flag,
Next, the clouds and waves.

It is all for the sky.

Gajanan Mishra
My People

My people,

Understand the effect
And the cause
How you develop.

And see You again
Within and within.

Gajanan Mishra

My pet dog,
You cannot find here.

Nothing in the air.

What will you do
With my pet dog
That I know not.
But I am cautious
And keeping the dog
With me always.
My pet dog is not hare.

Gajanan Mishra
My Place

I am searching
My place.
Where is it?
Is it in the air?
Or in water?
Or in the light?
Or in the sky?
But I'm sure
No place is there
On this earth
For me.

Gajanan Mishra

There I am in
My poem, my mirror,
In all order
In all disorder,
In all symmetry,
In all rhymes,
In all accidents,
In all mutations,
In all inscriptions,
In all birth and deaths.
In my blood see my poems,
See in every river,
In the wheels of galaxies,
In equations, in math,
In flowers in gardens,
In minutes in seconds.
Find me this side
That side with my poems
With your all likeness
And with all dislikeness.
I am east I am the west,
I am the south I am the north,
I am my own flute, listen to me
Here at night and in the days.
I am watching me with my poems.
I care no one else but my poems.
I am my light, my repetitions.
I am my hunger, my thirst,
My laughter my soul,
I am my god, my almighty,
I am my love my truth.
I glanced at me through my poem,
Through my dreams with all
Sincerity and truthfulness.

Gajanan Mishra
My Poem Today

This life -
My poem today.
Read my life,
Study it,
Search and research
On my life.
And what is my life,
I can't say instantly.
My life is my poem,
With so many words,
So many ups and downs,
So many success and failures,
So many struggles,
So many rivers and mountains,
So many skies and music, and
With so many piles of earth.
I can't show my face,
You also, can't see my face.
All colors are here
And outwardly it is black.
My life dissolves in space,
My life explodes in air,
My life sings time
And it is all everywhere.

Gajanan Mishra
My Poems Are

My poems are not for You
If You do not love the poems
My poems are in love, my dear
My poems are here to
Take you to light from the dark
Fear not and also nothing to despair
Trust me, it is Your believe
That will make you alive here
And there, make it a routine life
To read one or two daily
It will work as surf and sampoo.

Gajanan Mishra
My Poems Are Composed

My poems are composed
Irregularly but
Find there, all love
And all truth.
I hope, you all are
Here to read and hear
With all purity
And with all honesty.

Gajanan Mishra
My Poems Are For Truth

My poems are
For my motherland.
My poems are
For my mother tongue.
My poems are
For my men.
My poems are
For my love.
My poems are
For the truth.
Truth is that
I am living and
I am alive.
Truth is that
I am writing against
Corruptions, terrorism.
Truth is that
I am writing
For women security
And safety.
Truth is that
I am advocating
Humanity and
Freedom of speech
And expression.
I am composing poems
Only for you, my dear men.

Gajanan Mishra
My Poems Are In Me

I am in my poems,
My poems are in me.
You are just to read
My poems if you want
To discover me.

I am there in you
If you are really
Reading my poems
With due attention,
Realizing the situation.

A contract is there
Between the life and
The death through the poems
And I am the bait or the bailee.

Gajanan Mishra
My poems are mine
My poems are also yours.

I have gone to Mysore
Just to see Tipu
Who is living more and more.

My car driver cautioned
Sir, we must go.

And I returned
With my poems
As I left Ramswaram seashore.

Gajanan Mishra
My Poems Are Not For Those

My poems are not for those
Who are not willing to read
Who have no brain to understand
Who lack austerity and devotion
And who find fault with others.

Gajanan Mishra
My Poems Are Not Free

My poems are not free,
My poems are not for those
Who are not interested to read
And not ready to feel the truth in it.
I write in my poems that are in you,
I write in my poems touching the practical
utility of life here and there.

Read my poems and see the changes within you,
Read my poems and they are here to say something about you.
Remember, my poem is not only for reading
My poems can be utilized in day to day activities of life
Starting from day one to day final.
Read my poems and express your views that are
necessary for me, to make my life rectified soon.

Gajanan Mishra
My Poems Are Straight

Complain is that
I am writing poems
Often straight,
And further complain is that
I am writing poems with
Several grammatical mistakes.

I am here to explain;
Complaintants are to listen
Carefully my submission.
First- I am a straightforward man,
Second- I am writing for common men,
Third- my love is important and I am in truth.

In truth and love,
Mistakes are not to be discovered.
Poems are fruits of love and truth,
Life itself cannot run
Without love and truth.
May I pray you all, my dear readers,
To understand me with love
And forgive and accept me totally,
As I am yours, devoted to you completely.

Gajanan Mishra
My Poems Are With Me

My poems are with me
And death dares not
To touch me.
See me, I am careful
Always and I am always
At the point of rising,
With no fear of falling.
I am the love-guest
Of the poems here,
And the poems love
Me most.
The poems know
There is no substitute
Of our partnership.

Gajanan Mishra
My Poems Are Written

My poems are written
Not in stone but in heart
And heart is in love
And love is in Truth
The Supreme Truth.

Each and every word
Of my poems is sacred
It is the sacred art
That makes the divine
That I exhale I inhale.

Let me reach
Higher level of freedom
Through my poems
Let me reach stillness of climax
Beyond life and death.

There I sing there I dance
Let me express myself freely
Self-esteem and in sacred union
With my own love and acceptance
Where I want to appear for ever.

Gajanan Mishra
Fruitful or fruitless
I care not my poems.
I care not my poems are
There or not in your fair.
But I am sure you are
Coming after my poems.
I am sure you are giving
Time and everything
To my poems.

Gajanan Mishra
My Poems Have Power

Yes, my poems have power
To make the sun cool
In the mid-summer. So also,
My poems have the qualities
To make the cool-sun
Hot during this winter.
Worry not, I have made
My words powerful here
With love and with truth.
See the gladness in all,
See, the storm is no more.
The sun is rising normal.
O my dear, face the brightness
Of your own birth day here.

Gajanan Mishra
You are my poem,
My poems my hidden desire.
You are my running point,
My royal sight, my fabric light.
I am in you, in your ideas,
In your body, in your soul.
Through you, I see the time,
Through you, I overtake the whirlwinds,
Through you, I catch the pulse-beats, humanity.
I am there in you, my dreams, my poems.
I am there in the sky, my life my earth.
Everything is there to see,
Everything is there to leave,
Everything is there to reflect,
The life, the rise, the circus,
The ring, the territory, the waves.
Okay, my magnetic friends,
Okay, my threads of ideal dreams,
Okay, my light and my colors,
Come on to my poems and stay within.
I invite you to walk with me,
I welcome you to reproduce inside and outside,
I order you to stay fixed,
I pray you to take the matter
To the highest point of crossroads.
You are my eyes, my legs, my hands,
You are my poems, my dreams, my life.

Gajanan Mishra
My poems my love
O my dear, You are
My living poem
And my love
And our relationship
Flourish with colors.
We are here, O my dear
With the air with the water
In the light on the earth
And we flourish with
Our love relations
And affection and
Not with aversion.

My Poetry

My poetry,
My poetry are for the general public.
Nothing to wonder,
The general public can see, read
And review on their own ways.
Slowly and steadily
My poetry are rushing to them,
And they are anxious
To study them all as because
All their thoughts are there
In my poetry.
In my poetry they can create
A new world that is best suited
To their wish.

My poetry,
My poetry are the platforms,
Wherein the public can express
Themselves very well with all goodness.
They are free to criticize,
They are free to publish,
They are free to exchange ideas
Keeping my poetry at the center.

By any private company or
Corporate world and I have
Not handed over anything to anyone so far.

My poetry has
Own life
And I'm

I am in my poetry,
And poetry is
In me.
We both together
Move everywhere
For all good.

Gajanan Mishra
My Poetry My Life

You can not go avoiding it
And I am here with
My poetry where I kept you
Within.

My poetry my life
It is my sea
Where I discovered you
And make you swim
within.

My poetry my life
You are my poetry
O my dear and without you
I have no entity.

Gajanan Mishra
My Poison

Your food is
My poison.
It is good,
Not to imitate
Each other.
We both know
Life's value.
And hence
Our life's style
Differ, here.
We take pleasure
In our own style
Of eating, playing
And also in living.

Gajanan Mishra
My Position

My position
On this earth
Is not known to me.
Your role
In my life
Is not opened.

Here see I am
And this is
A well
Full of snakes
You can not
Say it fake
Here is dark
We have to take.

Gajanan Mishra
My Position, My Life

I want to attain
My position,
Nothing more
Nothing less.

I want to take
Nothing from anyone,
But I want to give
That are with me.

I want to know
My real father and
Mother, I want to
Know my real language.

I want to know the truth
With me all times.

Gajanan Mishra
My Prayer

My Prayer to You
O my dear, listen
And let me
Stay in You
And remain here
in this temple
As the misery of this life
Is intolerable
Let me not go outside
From You
As there is illusion
There where You are not
Let me stay with You
Anywhere and everywhere.

Gajanan Mishra
My Prayer To You

You are in my prayer,  
You are the prayer,  
The prayer is for you.  
You are my love,  
You are my truth.  
Truth is there only in you.  
Let me pray again and again  
Before you, I know no one is  
Here or there, above or below,  
But you, you, you.  
I am here only for you,  
I pray here for you,  
I love you, I love you,  
I love you, I honour you.  
Let me give my everything  
To you, to you, to you.  
I hear the cuckoo's coo coo,  
I know, you are in cuckoo.  
I love you, I love you.  
I am here only for you,  
No one is with me besides you.  
I sit with you,  
I eat with you,  
I walk with you,  
I sleep with you,  
I live with you,  
But let me die alone  
Only for you, for you,  
You are the only truth,  
Let me pray always to you.

Gajanan Mishra
My Primary Duty

My primary duty is to compose poems
My primary duty is to pass Your messages through poems
I have to discharge my primary duty first for welfare of all.

Gajanan Mishra
My Principle

Give me a chance
To work.
Give me a chance
To work as per
My principle.
And what is
My principle
How far it apply
How many people
Get benefit
Out of this principle
All are the questions
Yet to answer.
All answer
You can get only
When you allow me
To work freely
As per my principle.
Give me a chance
To work.

Gajanan Mishra
My Principle I Follow

My principle, I follow.
I follow the truth.
No question to go back.
I search for that.

With me my smile,
With me my love,
With me my life,
And I march forward.

I am not willing to say
The mango an orange.
I am not willing to accept
One that is foreign.

My friend is my ocean,
Wherein I discover so many things.
And in so many things
The ocean interferes.

I see the birds fly,
I see the fishes swim,
I see nothing but
Black and white day and night.

Gajanan Mishra
My Privacy

My life my privacy,
My land my value,
All sacred all guaranteed
By nature.
And I have every right
On my food, my dress,
My lifestyle and security.
I am free to think
About anything on
Day to day happenings.
Tolerate me or not,
I care not.
But I am in harmony
With all.

Gajanan Mishra
My Problem

My problem is
My problem and
It is created
By me.
I am to solve,
And to solve
No help
From others
Is necessary.
I have to attend
My duties
With utmost care
To bring the star.
My star is
My star
Dazzling there.
I have to touch
My star
By being loyal,
Gentle, and
With my own strength
And smartness.

Gajanan Mishra
My Property

My property is nothingness,
My life is my wisdom.
My power is my emotion,
My strength is love.
My glory is the truth.
I am here with you.
The sun and the moon
Are two major the witnesses
Of my talk and my actions.
No cloud can put me
In to their bags.
From top to top I am going
Day and nights without fear,
I am the air, fire and also the water.

Gajanan Mishra
My Purity

You can see my purity
In You O my dear
I am You.

I know how I respect You
O my dear, You are my heart
You are my soul, everything that is You.

Gajanan Mishra
My Question Is

My question is
Not about the place
Of birth but
I want to the work
You are performing
At present is virtuous
Or not.
I am not asking about
The post you held
But I want to know
Whether your deeds
Have give certain welfare
Results or not.
My question is
Not about your luck
But I want to see
How your luck is
Changing as per your deeds.
Giving is important
And not taking.

Gajanan Mishra
My Relation

All varieties of poem
Agree in one point
That is at the basic level
That is permanent
That is substantial
That is concrete
Like the orbit
Like the axis
As my relation with you.

Gajanan Mishra
My Relation Is Fine

My relation is fine,
And as such, I care not
Anyone for any reason.
I love you and
I am in truth.
That's enough for me
To lead a life
That is good.

Gajanan Mishra
My Relationship

My relationship with you
Is good and also is not good.
It is like day and night,
It is like winter and summer,
It is like two sides
Of fake currency.
My relationship with you
Is not like the relationship
Between Modiji and one thousand
And five hundred rupees note.
My relationship with you
Is not like the voters
And the legislators.
My relationship with you
Is not like the questions
And answers also and
Not like the debate discussion
In the parliaments.
But my relationship with you
Is just like the sun and the sky,
The rain and the earth,
The air and the water.
I know, we both are
Each other's caretaker dear.

Gajanan Mishra
My Religion

Let me declared
My religion is love,
My life is in love,
And I am in truth.
I am searching my love
in this truthful world.
Let me declared
I am the world.

Gajanan Mishra
My Remembrance Is Lost

All the knowledge
That I acquired is
Based on a
False foundation
And I am lost.

No original consciousness
No self realization
And nothing is in truth
I am in illusion
And in sense gratification
And I am lost.

I am devoid of knowledge and devotional service
I am lost and I entered a life of stones and trees.

Gajanan Mishra
My Return

My return is not
An act of terrorism
And I have returned
Spread my words
To my dad to my mum.

Gajanan Mishra
My Rhyme, My Reason

My rhyme, my reason,  
Always find here  
love season.  
And where there is love  
You cannot find there lust.  
And if lust is not there  
There is no death.  
And if death is not there  
why to fear?  
No fear, go with your  
own rhyme and own love.  
It is here, find everywhere  
full of nectar, live  
and live here for ever.

Gajanan Mishra
My Right

Where is my right
Not known to me
What I know
No where my right
And what is right
If you dare not fight.

On right
I am on duty
In action
And it is to attain
That I think
On performance.

Misleading some
And going back
Is not good at all
And you remained
Indifferent that is
Unused for.

Gajanan Mishra
My Right Is To Live

My right is to live,
To live is my right.
I want my right.
I want not your mercy.

I want fresh air,
I want pure water,
I want nutritious food,
I want a shelter
To live therein.

My right is to live,
To live is my right.
I want my right,
I want not your mercy.

I want love,
I want love without
Any condition.
I want no exploitation.

I want to live,
I want to live with dignity,
It is my birth right,
I want some cloth to wear.

The act of wearing is mine,
I want to wear with love,
With my wife.

I want not to dine
With Duke Humphrey,
But I want to dine
With my wife and
With my children
And with my friends
And relatives.

No one can terrorise me
At any time anywhere in the world,
This world is mine,
I want to live,
To live in peace
Is my birth right.

To move freely
Fearlessly is my birth right.
I depend not on
Any one's mercy.

I am the son of eternity,
I want to live
With all humbleness
And with humanity.

And I want to get
All humbling.
Living is my birth right,
My birth right is living.

No humbug, please,
I want to live,
I want life.

Gajanan Mishra
My Right My Dignity

I am here and
I pray for
My dignity
My right.
Recognize me,
I am the truth.

I am free,
I am sovereign,
I am in peace,
I am nonviolent.
And I am much more
Powerful than any weapon.

See me, I am perfect,
I am self-dependent.

Gajanan Mishra
My Right My Language

All danger
At a time
With my
Love and
Truth.

Gajanan Mishra
My Risen

It is beauty
Rare beauty of life
In each day hyph *
It is eternity
That is there
In goodness
In love.
Let me rise
In all beauty,
In all goodness
With all love.
And in love
I am immortal, see
Within my risen.

hyph = hyphen means joining newness in life

Gajanan Mishra
My role is limited, dear,
And I know you are unlimited,
Omniscient, omnipresent, omnipotent.
I am sure, you are able to
Tackle any situation, anywhere.
I am confident, you are
The reliever of all pain.
I know doing anything by force
Is not long lasting,
But doing anything and
Keeping relation with love
Is permanent and evergreen.
You know everything dear
And you make others know in truth.

Gajanan Mishra
My Room

Yes, I am in my room,
But for what
That I know not.
So long as I am here,
I am saved
That also I can't say.

Of course, my room
Is sufficient for me,
And I am satisfied with it.
Of course, you call me
And I hear but
I am not able to go,
The reason not known.

You have lighted me,
You said. But I feel
I am still, in dark.
I am here hours after hours,
Waiting for you.

Inside or outside,
That does not matter
But I am therein
For love and for truth.
The snow falls, the sky calls,
Air vanishes, earth changes colours.

The reasons I know not,
And I stay here,
I know I am not with the time.
I also know together with the time
I can win everything.
But in reality, I am not
Here in my room, the room is
There in me, though.

Gajanan Mishra
My Root

My root goes to you
And you are the only person
Who know where is my branches
Trunks leafs flowers fruits.

I know my life is a ladder
And it is in heaven
And only I am here to attain
Forgetting pleasure and pain.

Gajanan Mishra
My Roots

My roots are above
And my branches are below,
My words are there in the branches,
They are the truth flying with air.

I am in this world
Only to spread truth,
And love is the support
of my entire existence.

I am born of truth and love,
My words are eternal and infinite.
Words are unchanging and it is
my divine manifestation.

Gajanan Mishra
My School

My school,
Where it is?
Yesterday
It was here.
My teacher had come
To teach me a, b,
Aa, e, ee.
Where shall I go?
How to go?
Who will be my teacher
To teach me ka, kha..?
You say
To learn is
My birth right.

Gajanan Mishra
My Science

My science, my suffering,
But I need that
For all human beings.

Let all come to me
For their own good,
For the good of humanity.

It is true, I am
A personality of all good,
I am a poet.

Let me confirm,
I am a man of love
And to love is my nature.

I am my emperor,
I need nothing from you
But the truth.

Truth of life
Can only make me
Perfect in all respect.

Gajanan Mishra
My Shadow

My shadow is not free
How can you say
Freedom is guaranteed
When we all here
Fighting for this.

What is that freedom
When you are not talking
With me in my own languages
When you are taking away
Everything that belonged to me.

Gajanan Mishra
My Shadow And I

We are friends
My shadow and I
But we are
Separate and never
Be in union.

My shadow once told me
To proceed further
I told my shadow in reply
To wait there for water
Again for separation.

Neither I listen
Not my shadow
The words of the air
That is still there.

Gajanan Mishra
My Shadow Called Me Rascal

My shadow called me rascal,
I find no reason within and
The shadow made face grimace.

Gajanan Mishra
My Signature

I enjoyed the winter
With ice-chill, where
There is my signature.

Gajanan Mishra
My Sisters, My Brothers

My sisters, my brothers,
Come on and show black flags,
Symbol of our Almighty,
Symbol of our language
And culture.
Black-flag march is on,
Come on and join,
O brothers, O sisters.
And tell all we love,
We love our land, our laws,
Our men, our arts, our letters.
Black flag means we accept all,
We suspect none, we exclude none,
But we are here to respect our
Mother's language and mother.
On each Wednesday we are here together,
My sisters, my brothers,
To raise our voice and
To speak further, excuse us,
On our own land, our language
Is supreme, and here, no other
Language is bigger and greater
And getting legal status in all weather.
Come on brothers and sisters,
And follow us and accompany each picture.

Gajanan Mishra
My Sleep

My sleep is not like Your sleep
Your sleep is the manifestation
Of Your internal potency
My sleep is just fancy
And wastage of time.

I know You are in transcendental stage
And at this stage all activities are
Always present and they are glorified
At the advancement of time, I know
And I pray for others and it is for You they are fine.

Gajanan Mishra
My Sleep My Body

My sleep was there,
And you have broken it.
See me I am separated
From my life,
I am separated from
Life's anger, passion,
Greed, pleasure, pain
And so many items.
I am no way affected
By your action, see me.
I am my catching word,
But you have taken it
From me, see still
I am not alone
I am with all as usual.
I am the other aspects
Of my life, see me.
I am ready to go anywhere
Leaving this body here.
If I so wish I can return
Again but in a different forms.
This body, this anger,
This passion and so on, so on
Are not mine, see me
All above I am here.

Gajanan Mishra

And enthusiastically see.

Gajanan Mishra
My Smile My Tears

My smile and my tears
Are only mine,
It is no way related
With You, my dear.

Though divided I am
One and only one,
In drought, flood and famine
And You are taking
The advantage of time.

It is all flawless-
The time and I have to
Select the things
That are important
And that shines.

Gajanan Mishra
My Society Is Not In My Language

My society is not in my language
The fantasy world is there like
Full-cloud sky
No rhythm to describe.

My society the so called rational
Is full of ego-center and I
Left far behind
No meter to map with.

All my hopes tottered
In my own society.

Gajanan Mishra
My Soldiers Are

My soldiers are attacking me
And who are my soldiers
Do you know my dear
They are my diseases my old age
They are attacking me
With great force
And I am suffering here
Like anything
My life air is severely attacking me
Like a poisonous snake within
And they are all trying to
Make me useless for all purposes
And I am unable to counteract the situation
I am thoroughly overwhelmed by Time.

Gajanan Mishra
My Son Is Going To Catch His Dream

My son is going to catch the dream,
And the dream is going to catch my son.
I am helpless here, believe me, my dear,
No one is ready to listen me but all are
Here the pond, the mountain, the frog,
The flower, the forest, the star, the sky.
I am surrounded by the sea and unable to move
An inch and you are laughing at me.

Gajanan Mishra
My Son Is Like Me

My son is like me
And nothing new
In telling these words.
The colour of my blood
And that of yours
Are the same, nothing new.
We, both are here and
Going on the same path,
Nothing new, but new is
Our movement and
Our purpose of going
With multi-coloured task.
No match there, but
Let me say we are one..

Gajanan Mishra
My Son Told Me

My son told me
I am not up to mark,
I am not transparent.
My wife told me
I should be more intimate,
I should be more fair.
But, O my dear, How can I?
Since you are there
Within me and also
Outside, there you are.
You have made me what I am,
And I am here though not alone
I am here with an unique identity
That is Yours not seen in these eyes.

Gajanan Mishra
My Sorrow

How can I say
What is and
Where is my sorrow!

I am a poet
And I am learning
How to keep the sky within.

And see
The sky in turn
Is keeping me therein.

Where am I
I am asking You, my dear, and
I see in Your eyes only tears.

Gajanan Mishra
My sorrow is my ego
And I have kept it
With me on the plate
Of desires.

Like a dog
I am wandering, see
For food.
Like a deer
I am searching
A flower garden
Following the sweet song
Not able to know my
Last day is here.

And I understand nothing.

Gajanan Mishra
My Sorrow Is My Joy

As I and You are
Not substitute of mine.

Gajanan Mishra

Only here you are.

I am not sectarian,
I am just a human.
Passion is my love,
You are my passover.

Gajanan Mishra
My Stand Is

And I am in the truth,

I am eligible for the truth,
The truth is also there in you.
We both are truth, my dear,
And we are no way different from the truth.
Truth is here, truth is there,
The truth is all good and all fair.
The sun is rising daily for truth,
The moon is giving coolness to all for truth.
The basis of life is the truth,
By nature, we are all absolute.

Gajanan Mishra
My Steps

My steps are
My poems
And my poems
Are towards
You.
You are the image
Of my poems.
O, the truth.

Gajanan Mishra
My Straight Line

Green is gold
And gold is also green
At time.
And the time is coming
To know titbits.

Let us embrace the time,
And the time is there
To support you
At the time of need.

Time is needed
For everything here.
But no time is the version
You are to hear
From everybody.

And time is
Not straight,
You know well.

Gajanan Mishra
My Strength

And harmony of my life

If You are co-operating
And it is overburden
If You sideline
O my dear, think for me.

Gajanan Mishra
My Sweet Heart, Listen

O my sweet heart, listen
We are here together
To build a nest here
At the heart of almighty.
And the almighty is here
Only for us to give us light
And to supply us all materials
Of love that is there with Him.
Let us start journey to Him
After knowing well we are in Him
And He is in us without any pause
O my sweet heart, let us start.

Gajanan Mishra
My Sweet My Love

My sweet my love
My sports my feats
It is all for your
Glory and grandeur.

And with all I am
In the drama of life
As a friend as a son
As a husband as a fun.

I know not
Your where about
But for your charm
Always I keep you.

Gajanan Mishra
My Tamed

My tamed, look
Suddenly turns on
And killed me.
How could I say
Wonderfully I
Enjoy this.
Crushing reactions
Of the law of nature
I am stunned.

Exploit not, my dear
See me, I am being
Annihilated by
Natural disasters and
Violent shifts of cosmic situation.
Awake and arise
If you can and
Encounter your
Own illusion
With the truth
That is within you.

Conquer the obstacles
Of nature by
True knowledge by
Giving respect and
Honor to all
Think nobody inferior
Think nobody superior
All are equal here.

Gajanan Mishra
My Tasty Poem

My tasty poem,
Needless to search
Here at this time,
When you are
With me.
You just
Utter the words,
And see,
The tasty poems
Here and there.
No utterance,
Means most
Beautiful poem
Is at hand.

Gajanan Mishra
My Teacher

My teacher, I know
Only you and
No one else.
My protector,
My lighter,
My friend and
Guide.
You are unmeasurable,
You are only honorable,
You are wonderful,
You are full,
I am here falling down
Without you, my truth.
You are there, where I look.

Gajanan Mishra
My Tears

1

You see my tears,
But it does not mean
I am crying.
And why should I cry?
Am I the contractor of crying?
Or I am suffering from
Incurable diseases?
Or any irreparable loss
Put me in the net.
I know not whether
I am crying or not.
But it is sure
What you told you
Saw my tears.

2.

My tears are not mine,
Let me clear here.
They all belong to them
And I am no way related
With tears at any time
Anywhere and not putting
Any importance to any situation
Or to any questions of anyone.
My tears have no language
I know you know and
It is good and fine.
Peace is here, as for language
They have nothing to go to
Any dispute or to violate any law.

3.

Sometimes, of course,
I have to hear the sounds
Of falling the leaves.
Some other times I am too
Go the jungle to collect
Some flowers and fruits,
Jungles are not so much
Fearful as earlier.
In the jungle, I hear
The cry of the stones,
And the trees are with them,
And they all have theirs
Own tears different from me,
I admit not with you, though.

4.

Tears are tears,
Whose tears, no matter.
You hear I hear
And it has a scope to
Open a new chapter
To create a new history
In good order
Told by an architecture.
It is true, I need
No arbitrator to come to
Any conclusion.
I am not in confusion
As you know from the very
Beginning of this devolution.

Gajanan Mishra

And reaching there where my
Thinking failed to reach.

I am meeting my end
But my thinking is there as before
And going ahead with you,
And it is all for good
That i know from life's truth.

I am thinking of you
While earning for livelihood
While taking sleep
While having meals
Within the limitation of time.

I know you and you are as natural to me,
You are as natural to me and I am
In constant remembrance of you.
My opportunity is that I am
With you the entire days here.

For shelter
For wife
For children
For luxuries
And I found it
But with all these
I wished for You
O my almighty,
You are the root of all
I know, I desire you
And you are with me
And I am not going to
Face any destruction.

My wishes are horses
See, they are flying in the sky
See, You are in my wish
And I am here on this earth
I am in love, I am in truth
I am in the company of
Sages and scriptures

I shed my desires
And see I am calm.

Are there on my face
With envy as army-force.

For hunger and thirst
Friends become enemies
With the help of anger and greed.

My desire is always,
As you know all, killing
All my strength.

O my dear, try to know
How I am living here with all road-show.

My Tongue

My tongue is here and
Always wants to cover.

I am cautious and at times
I forget to switch clause.

In each and every stage
I faced don
Who thought I am a mean
Each and everytime
I am here to win.

My tongue is eager
And eager to utter
I am a man of error
And declared
By the judge winner.

Gajanan Mishra
My Totality

Where is my totality,
I know my dear, it is
In you with my actions
And my latencies.
No needs to tell I love
You and you are the total
Truth and no needs to tell
You are the ultimate fruits.

Gajanan Mishra
My Train Is

My train is
Receiving power
From the engine,
And the engine
Is driven by
A driver, enlightened.
The driver has
His senses, mind
And intellect
And the driver is
Sufficiently paid.
I am going with the train
And my destination is there,
Near me and not far.

Gajanan Mishra
My Tribulation Is That

My tribulation is that
I am not able to use
My mother-tongue anywhere.
If I am going to lodge
A complain they said;
Stupid, why are you so worry!
Listen the king
What he is telling.
I am not able to think
There is any other king
Besides mother's love.
I am not here to admit
Interference of any one
Besides the mother.

Gajanan Mishra
My True Identity

My true identity,
No different from you-
The truth

Gajanan Mishra
My Truth, My Love

Don't doubt me,
I love you, believe me.
I want you
I am here for you.
I want
Not anyone else
But you.
My heart, my love,
And you are
My only truth.

Gajanan Mishra
My Turn

Since I was born
It is my turn
To mourn.

Gajanan Mishra
My Two Eyes

My two ears are telling me
They are eager to hear truth
Nothing but the truth.

My two eyes are telling me
They are eager to see the real scene
Nothing but the real scene.

My two eyes are telling me
They are eager to go to the eternity
Nowhere but to the eternity.

My two hands are telling me
They are eager to catch all purity
Nothing but all the purity.

And I am here with You, O my dear
You are the all the true
You are the all the real
You are the all the eternal
You are the all the pure.

Gajanan Mishra
My Understanding

I understand You
As You are
And my understanding
Is real, my dear
I realized You
And I am here
With You face to face
And in between us
See there is no vacant space.

Gajanan Mishra
My Union

My union with you
Is constant,
Eternal and
Spontaneous.

Let us revive our memories,
Let us gain something new,
Let us be together as one and the same,
Let us be sure there is no disunion.

Gajanan Mishra
My Unity With You

My unity with You
Is my reward, my dear
I am in your world
You have provided me
All these only for
our service I know
And I know You are
Using me for the welfare
Of the world
I have no desire
Other than your service
O my dear and I am
Rendering my service
With utmost care.

Gajanan Mishra
My Unseen Mate

Unseen mate
O my unseen mate
For You I am crying
All days all nights.

O my unseen mate
Come to me
I desire to
Touch Your feet.

Gajanan Mishra
My Valley

What happened to my valley?
Where are my apple orchards?
Where are my pinkish white blossoms?
What happened to my valley,
My heaven, my pride, my peace?
What for these preventions?
Why am I not being permitted
To open my doors and windows?
Who is the actual culprit here?
What so ever may be the case,
I want freedom, I want all freeness,
I want to grow myself with
The air and water that are pure,
I want all should cooperate me.

Gajanan Mishra
My Victory My Loss

My victory my loss
How can I tell You
At this stage, O supervisor
All are Yours.

Here I am experiencing my life
With the light of my knowledge
That is Yours.

Here I am hankering and in attachment
And developing intense endeavor
Only for You.

Here I am in dark about your activities
And I am mad with these inertia and illusion
I know what I am but I know not You.

Let me say Nothing is Yours except my fighting.

Gajanan Mishra
My Village

I am happy
With my village,
And my village
Made me happy.
You cannot say
Both are the same,
And you cannot say
Love is not there
In me for you.
You are here
In this village
That I know.
Who told you
That I am
Not with you.
And yet I am
Separate from you
And I love you.

Gajanan Mishra
My Village Tikapali

My village Tikapali
You can not find in geography
Let me clear you can not find
In any history books.

Let me clear
I do not believe
Either geography
or history.

But believe it or not
My village is Tikapali
It is unique
You can not find another
Like my village
Any where.

You can not find
My tongue my people
My earth my sweet heart
Elsewhere other than my village.

Gajanan Mishra
My Vision Is Right

My vision is right,
When I am telling this,
Think not I am
Telling all falsehood,
Think not I am
Showing my ego.
I have no objection
If you think otherwise.
But control your thought,
Often they are there
To misled you.
I know my love is mine,
I know my tears are mine and
They are there to show me right road.

Gajanan Mishra
My Voice

I am not I am,
I am not what you think.
I am what I am.

No way related
With any one.
But I have relations
With each and everyone
Including air, water,
Stone, cloud, sky,
Bird, tree, sky, dust
And with all creatures.

This earth is my home,
The voice of all is my voice,
What I am do that effect all.

Gajanan Mishra
My Voice And Your Voice

My voice and your voice,  
Let us put these together  
And rejoice for the sake of  
Life and music and liberty.

We are both in this holy place,  
Where, see, no one is dying  
But changing the forms and  
Looking to the sun by art driven.

My voice and your voice  
And the voice of all are  
In silent and bliss is that  
Blizzard also fails to do harms.

Life is gorgeous, believe me,  
It is nothing but nectar, here.

Gajanan Mishra
My Watch

My watch
Let me enjoy
With you.
No sorrow please,
No flight.
Let me build
My dream
In this life
Day and night.
See me white
See me pink
See me red.
Fine and beautiful
Love and truth.

Gajanan Mishra
My Wife

My wife alway telling me
I have no heart to recognised ladies
And she is hundred percent right.

Believe me, if that were with me
My wife only would not be here with me.

Gajanan Mishra
My Wife And I

My wife and I are one
And the same if I say
I am wrong and it is a mistake.

But When my wife drank
I also engaged in drinking
When my wife dined
I also used to dine with her
When my wife chewed
I used to chew along with her
When my wife sang
I also sang
When my wife cried
I also cried
When my wife laughed
I also laughed
When my wife walked
I also walked behind her
When my wife would stand still
I would also stand still
When my wife would lie down in bed
I would also follow and lie down with her
When my wife sat
I would also sit
When my wife heard something
I would follow her to hear the same thing
When my wife saw something
I would also look at it
When my wife smelled something
I would follow her to smell the same thing
When my wife touched something
I would also touch it
When my wife was lamenting
I had to follow her in lamentation
When my wife felt enjoyment
I also enjoyed
When my wife was satisfied
I also felt satisfaction.
Let me clear
I am captivated and I am cheated
In my whole existence
In this material world.
I am just like a pet
And dance according to
The order of my master- desire
And I am going to lost.

Gajanan Mishra
My Wife And My Children

My wife and my children
are everything for me.
My wife and my children
are giving me everything.
I am ready to go to hell
for them at any time.
How can they stay in peace
with so much poverty
that are artificial and
created by you, my dear.
How can I make them alive
with your rude behavior.
I can divorce any one
for the sake of their future.

Gajanan Mishra
My Wife Has Come

I cannot make my wife
Understand at any time
I cannot and this is
My incapability you may say.

I cannot change the color of the crow
I cannot enable the owl to fly
At day time I cannot and
I cannot do so many such things,
These are my incapabilities you may say.

You may say whatever you like
But mind it, I am what I am
And I can go far and I can come near
As per my wish but see I mum
As because my wife has come.

Gajanan Mishra
My Wife Is Asking Me

My wife is asking me
Where are you,
And I dare not to
Tell the truth.

Really where am I
I am asking myself
And I am unable to
Get the answer.

Another question-
The cause of my worry
Is - who am I.
The question and also
The answer either is not
Tolerable to my wife.

Gajanan Mishra
My Wife Is Getting Orphaned

My wife is getting orphaned,
When I am busy in my poetry,
When I am busy in my social works,
When I turn my embracing hands down
Thinking about the miserable conditions
Of farmers on his own firm/ fields,
When I see the flying of labourers
And common men to far away lands.
My wife is getting orphaned,
When I feel sad on the sorrow
Of others here on this earth.
My wife feels trembling of her earth,
When I go outside to help others
But she feels happy when I return back.

Gajanan Mishra
My Wife Is Telling Me

My wife is saying
About me
I heard -
It is good
If this old man
Dies.

Gajanan Mishra
My Wife Is Telling Me Hypocrite

My wife is telling me hypocrite,
And I know her knowledge is imperfect.
I know my wife loves me most,
And she is not an atheist.
My wife is trying to investigate
And discover all that are in me.
I also love my wife most
And I am trying to remove all her doubts.

Gajanan Mishra
My Wife Is Telling Me I Am Mad

My wife is telling me I am mad
And I am telling my wife, okay, okay,
I am mad, but my dear, you should stay normal.
And friends, listen me, who is mad and who is not mad.
My wife is telling one who is writing poems, is a mad man
I replied okay, okay, but I am not writing,
The poem itself is there everywhere and being written by itself.
Please verify, the truth, the poem made me its instrument.

Sometimes, my dear friends, madness is good if it is for public good
My dear, the poet is always there telling others so many words
Only for the purpose of welfare of all and at this time
Madness is highly valued, and I like this madness.
My wife is calling me mad and my wife is right as I love her most.
My dear friends, love all most and stay in Truth and be a mad man.

Gajanan Mishra
My Wife Knows

My wife knows
What she wants
Not to know.
My wife knows
The meaning of ride
And at every evening
She shows anger.
In her anger
I find no water.
And I try to live,
Even without it.
My wife knows
Which part
Is for what,
And so my wife
Come forward to
Compensate the cost
That I incurred
There at entrance.
My wife drinks
And does not like mirror.
My wife forged
My signature and for
This I fear,
Fear also to tell
Where she is at present.
My wife forgets
I am her husband.

Gajanan Mishra
My Wife My Love

All light - my wife,
My love, my sweet.
All light - all life,
My air, my water,
My sky, my earth.

All and all,
I am there in her
As a star.
I am there in motion
Like fire.

Gajanan Mishra
My Wife Says

My wife says
Let us set
And keep open
The windows
At all sides
Of our house.
Let the air
And light come
Freely at our
Sweet will.
Let us stay
Freely.
Let our sleep
Be sound at night.

Gajanan Mishra
My Wife, My Wife

My wife, my wife,
Lovely and lovely,
And rare and rare.
My wife is with me
Here and there.

My wife, my wife,
All white, all white.
My part and parcel,
My wife, my wife,
In real life in rehearsal.

With my wife
I touch the moon,
With my wife
I care not the noon.

Gajanan Mishra
My Will

My will.
What is it?
Am I free from my will?
It is sure I am not the will.

So many things
I am doing by force
Even against my will.
Where is my will at this time?

I exist
Without my will
Is also true.
But where am I?
This very question
I failed to understand.

Gajanan Mishra
My Wish And Your Wish

My Wish My Conscience

My wish, my conscience
My teacher my guide
It is everywhere in my mind
In my eyes in my ears
In my mouth in the my body.
Let me say my dear

It is my wish that rules.
My wish is here and I am here
You can see me, I can see You
Where are You, need not to ask
Anybody if I wish You are here.

Gajanan Mishra

And You said You do not know.
I am searching that man
Who knows what and how,
That is the whole things
Here, flying away said the crow.
O, it is the self, it is the fruit,
And seeing it the dogs bark,
We, the villagers are so fools,
That we know not and it is the dark.
No, nobody and nothing,
And knowing all we are sleeping.

Gajanan Mishra
My Witness

You are my witness and I am doing
All your works in this planet.

Who can keep me safe and sound
Till the end of the time.

Out of pure love.

And learning is life
Live with my words.

Gajanan Mishra
My Words Are For Those

Try to see
Who are there
And how they are
Going on the horse.

Try to convey

And no one is
There for them.

My words are
For those who are
Practising silence
In the hue and cry.

But I am in dark.
You have kept everything
But you always depend on me.

With me and they are
In no way different

To the accidental incidents.

There You would find
Those who are near and dear.

Gajanan Mishra
My Words My Life

My words my life,
My life my language,
My language my mother,
My mother my earth,

And I am singing like
A cuckoo, listen to me.
All colorful lights
Are here in me,
You are to see how
I am flowing with nature.

Gajanan Mishra

Gajanan Mishra
My Writing Is Not Accidental

My writing poetry
Is not accidental.
I accepted poetry
As worthy to write.
My desire is to build
A perfect man worthy
To live for others,
For the welfare of
The society at large.
Just smile men, and
Love the words.
The words are there
To make you enlighten,
In deep dark night
Of the world.
The words are the truth,
And they do their duties
Very perfectly.
Trust the words and
Proceed forward.
The words are waiting
For your command.
But please, be positive
To create a peaceful atmosphere.

Gajanan Mishra
My writing poetry
Is also vain actions,
Vain knowledge
And at times senseless.

When I think my poetry,
My arts, crafts, mystical
Formulas, incantations,
My scripts, my language,
Customs, tradition and so on
Are mine, I am under delusion.

I have to follow the nature,
I have to admit the incidents
Like sunrise and sunset and
Try to find no fault with that.

Gajanan Mishra
My Writings Are

I am writing,
And through my writing,
I am expressing
Personal realization
Of the truth,
To give benefit
To all with me.
Read my writings,
Beautiful and full of
Metaphorical language.
My writings are
Clearly understandable
And pleasing to read and hear,
Words are grave and certain.

Gajanan Mishra
My Younger Son Is Abroad

My son is abroad,
My son is telling me,
Father, cry not, cry not,
If you cry the sky will fall down,
If you cry water will be there
Everywhere filling
The land and the ocean.
My son is abroad,
My son is telling to his mother,
Mother, cry not, cry not,
If you cry all will be there
Filled with water to wash away
Everything that are there
And none will stay alive.
My son is abroad,
My son is telling his brother,
Brother, stay smile,
I am here, take care of
Father and mother and sister,
They are all there with you,
make them not cry, brother,
Try to understand their language,
Language of love and affection.
My son is abroad,
My son is telling me, father,
Think me I am near, very near,
If you so like, see me
And talk to me by skype,
Take care of you,
take care of all father,
I am here only for you
And to fulfill the dreams
Of all here

Gajanan Mishra
Myna I Find

Gajanan Mishra
Myself

Myself,  
Myself I am  
Spreading world-wide,  
Season and out of season.

What is seen  
Is not your words,  
But your appearance  
That has no work.

And the legislatures are  
There expressing their  
Inability to frame laws.  
Laws are going on their  
Own way on this land  
And we all are gazing at them.

Gajanan Mishra
Myself, Yourself

Myself, yourself,
And all are here,
As god and goddess,
With life and orders.

But life is guided by
The experiences and
It is rising to the truth.

Truth is there
As it was/ as it is
And we are thankful for it.

It is our foolishness,
And still, we cultivate
Tolerance, simplicity,
Devotion and wisdom.

Gajanan Mishra

But for a leaf, Here,
I am waiting in the rain.
True, life is dazzling
In the moonlight.
True, the sun is
Going to set.
But I am waiting
In the air.
Sorrow is not mine
I know it.
All happiness gather, but
Together and I am
Not there with them.
I measure the sky
In speechless war.
In all softness I
Enter the space
With open hearts.
My life is life,
I tell the leaf
And the leaf starts
Mysterious journey,
With a new message
To humanity.

Myth

Is myth not true?
And what is true then?
This life? this love?
Or hate?
Are not all sugar-coated?
But true is somewhere,
And if it is so,
Where is it?

Nagada

Where is Nagada?

You replied;
It is a hilltop village
In the district of Jajpur,
It is in the state of Odisha.

Odisha is earlier
Famous for bonded labor,
Dadan shramik,
Sale of children
Due to poverty.
Both educated and
Uneducated are going far
To fill up their belly.
No scope of life,
No use of mother tongue,
No interest for development of
Motherland by the officials
And also the representatives.

No road to Nagada, see, till date.
Road to Nagada goes nowhere, find.
The road construction work
From Khanduraisal to Ashokjhar
And from Ashokjhar to Nagada-
Remained incomplete.
Completely disrupted communication
To so many villages
Like Guhiashala, Tumundi,
Naliadaba villages.
No food, no nutrition there
For children and adults alike.

Children and adults are
Dying there due to shortage of
Food and malnutrition.
The all suffer from malnourishment
And other ailments.
Maoists are there
To help all in some way
Or other.
Government is sleeping
And all children and
Also, people are dying.
No treatments, no doctors,
And no one is there to
Help the needy.

At present the village Nagada
Is a Task force visits village.
God can only help the people.

Gajanan Mishra
Nah, I Wouldn't

Nah, I wouldn't
Want to interfere
With your personal matters.
But what I am going to say is
Not a personal one.
It has a social effect
And it is related to all.
No jokes, but serious,
Here I am when telling
About life and rehabilitation
On this land.
How to make progress,
How to get enlightened,
How to cross the figurative use
Are the main concerned
For all here.
Wait, I am giving you
The hints by which
You can go ahead.

Naked all,
And they
Listen to
Our call.

We want
Not to
Cover them.
We want
They should
Cover up them.

All naked
The sky,
And still
Birds fly.

Gajanan Mishra
Naked Mad Man

Naked mad man is a stone
And to become a stone
Is a necessity or else
You fail to live.

Speak not to anyone anything
Be satisfied with you yourself
And live completely separate
And independent and surpass all.

Don't get angry at anyone
And walk through the whole world
See that there is transparency
And see toleration to the maximum.

Namaskar to you all,
As you love my mother,
Love my mother-land
And use my language
While with me here.
Namaskar to you all
You are trying to know me,
You are doing work for me,
And you are busy
For my comforts keeping aside
Your personal gain.
You are really great,
As you are able to understand
My emotion, my desire or will.

Gajanan Mishra
Namaskar, Good Morning To All

Namaskar, good morning to all.
Let us think for a while
What for we are here together.
Let us exchange our words
If any with all truthfulness.
Let there be love within us,
Let there be no woe, no sorrow.
Let us share everything,
Let us hear each other without fear.
Let us smile and go nearer and nearer
With a dream of new construction.
Let us purify our life afresh
From this very morning and
Exchange colourful flowers for the day.

Gajanan Mishra
Namaskar, sir,
Mr Nabin Patnaik,
Hon'ble Chief Minister,
Odisha.
Namaskar, as you have heard
Sambhunath Maharana,
Native of padampur village
In Keonjhar district
And assured to issue a house
Under the Mo Kudia Yojana.
You have realized the basic need
Of a common man of your state
Like food, clothing and shelter.
And I hope you would be kind enough
To enable them (your subject)
To get letters/orders/judgements etc
Only in official language of Odisha
That is in Odia,
As per Language Act 1954 and
Gazette notification on 10.6.1972,
From all offices and subordinate courts,
And make them realize they are
Independent, they are sovereign.

Treat the name divine.

To make from unmake,

Spotless, undefiled.

Gajanan Mishra
Name And Address

I have forgotten
Your name
And your address.
Still, I am going
To you, dear.

May I request you
To come and take me
To you for love
And for truth.

Yet I am fearless,
I know you are not
There to leave me
At any time, anywhere,
For all welfare.

Gajanan Mishra
Name And Body

Since I have
So many names
My name is unique
And the name has
His own light
I am not nameless
But all name is mine.
Since I have
So many bodies
I am not body-less
I am within all bodies.
The wise assigned
The names after
Careful thought for
Each body.
My name is the essence
Of my body though
It is not always
Like this.
Name and body
Both are treasures.
Here the love
That existed is glorious.
Gaze the beauty
Of the body and
Take the nectar
Of the name, my dear.
Search the light within
In all good eyes
Find the ocean of bliss
Par excellence
Captivate the smile
In the beautiful cradle
In moon's grace.

Gajanan Mishra
Name And Game

All is there in a name,
All are here, game,
Not though, all for fame.

All touched, all imagined,
All transformed, not shame.

All weather all arrival,
Reality in life, and
Let us make it all plain.

Gajanan Mishra
Name And Its Use

Let me tell my name,
But use not please
My name in any other
Work that is not mine.

In my name but I am
There in my work.

What I am doing here,
You may give punishment
For any loopholes.
Any wrongdoing by me
Be brought to my notice
Soon for rectification.

Gajanan Mishra
Name Be Opened

Name be opened and
Declared before all-
Name of the terrorists,
Who are killings
The innocents people
For nothing.
Let the terrorists know
Whom they are killing
And how and where.
Let the terrorists know
What they get in the process,
And what are their objectives?
Let them realize they are
Doing all acts with no value.

Gajanan Mishra
Name Has No Shadow

Name has no shadow
And I am with the name
My identity is by name
Naming a person or thing
Means forgetting shadows
And the shadow is here
So long as I am here
In one side there is name
In another side there is shadow
I am in between calling You
O nameless O shadow-less
You are here with me
Always and I know You.

Gajanan Mishra
Name Is All

Name is all,
All is just a name.
I see and I hear,
I sing and I cheer.

Below and above,
I am there with love.
I walk and I talk,
Matter not sunny or rainy.

My mate is here
To listen to me.
I am fine boss,
But I have no time.

Gajanan Mishra
Name Is Not Permanent

Name is not permanent
Indicating quality and
Activity I have also a name.

Name is not my identity
It is also difficult to
Establish Truth with name.

Name should be forgotten first
Let us proceed further without name
And free ourselves from clutches of name.

Gajanan Mishra
Name Is True

Name is true
Name is not true
Nothing in nomenclature
In name we have a picture.

In picture we see ourselves
That is not found anywhere
In name we have blood flesh
Shadow concrete beginning end.

Forgetting name
Forgetting everything
Every chanting name
Everyday you get growing fame.

Name and name and name
Name is true
Nothing but name
Name is only screw.

Gajanan Mishra
Name Not

Name not,
Name not any one, please.
Naming is
destroying the reason
of your own existence.

the self disappear
without any performance.
Name not,
Name not any one, please.

Gajanan Mishra
Name Of Game

Name of game
Name of the game is politics.
And what is it?
It is not open rival
It is one of negotiation
For public welfare.
It is an alliance
Pre and post with truth
And with love,
With both life and death
At a time that is in me.
It is the question of
Accountability and taking
Responsibility as a volunteer.

Gajanan Mishra

And not here to clip.

Is not mine but yours.
I am here and I have come
Just to learn something
About the life, that has

In the midst of summer.
And I have to set an example
By way of living with you.

Gajanan Mishra

In any mule.

You alone are there.

No matter whether
Manifested or not.

Gajanan Mishra
Naming A Star

Not difficult
Listen my son
Naming a star
Means catching
Moon and sun.

Throw a ball
To the air
You find me there
Throw a ball
To the water

My son I am
Telling you

Napkins

Napkins,
Nappy -
Are they not
Necessary items?

Think about
Pads or cloth
That are beings used
By our kids,
And women.

Kids are our future,
Women are the creators.
Think about their safety
And security, dear leaders
And tax, not the periods.

Gajanan Mishra
Narrowed Down Life

Come out from such life
And do something
For the society.
Let me wish you
For good children,
Loving life, loving wife,
And peace at your home.
But my dear,
Do something more
For the development of
Mother-tongue,
Mother land.
And try to make it
A heaven for the days to come.

Gajanan Mishra
National Highway 60

I am going on
National Highway 60,
Let me say in words SIXTY.

No humps, no check gate,
No bridge, no culvert.

And I am happy and
I am getting pleasure
Out of it.
No talk please,
Acquire not anything
They are telling me
And I am going with my living.

Gajanan Mishra
Nationalism And Freedom

Am I free?
Do you see me?
Are you ready to
Recognize me
As a free man?
If yes, let me
Speak freely first.
Let me move freely.
Let me swear
I am not here
To give any trouble
To any one.
But stay not
On my path.

I am on this earth,
I am free
Under the sky.
The sun is giving me light,
The air is giving me life,
The trees are giving me fruits,
The water is giving me
Scope to grow.
I am being nurtured by nature.
No one can check me
In any way.
I am not here
To give obstructions
To any one at any stage.

Understand me,
Recognize me,
Value me,
I am like you,

In my way here
At this time.

Leave me to live
In my way.

No one is smaller,
No one is bigger.
We are to live here
To search the truth.
And the truth is life.
Life is free.

Gajanan Mishra

Knowledge with action
Action with knowledge
I always used to say
Tikapali is my native village
And it is the best today.

Come to my village
With full faith
With love
To taste life
To realize Self.

Come to the nature
And be free
With the world
With a commitment
To do better and better
For the welfare of all
With your knowledge
In your action.

Gajanan Mishra

Overlooking others' faults
Picking out the virtues
Enduring hardships for the welfare
Of others and living in Truth and love
Are the natural affinity to Almighty.

Gajanan Mishra
Natural Dark

Natural dark,
In sunlight and
In the sun.
And I am there
For you, love.

Both insight
And outright
I'm keeping
My eyes.

But for the truth,
But for the love,
To drive out the dark
To reject outright
All falsehood.

Gajanan Mishra
Natural Distaste

No smoking please
I have a natural distaste.
Pleasure is not natural I know
Disinclination is natural you know.

Gajanan Mishra
Natural Disturbances

Life is but natural
And it is natural disturbances
Here, see earthquakes

No God no man
But demons everywhere
Air is cyclonic
Unpleasant touch everywhere
Heat heat snowfalls
Uprooting trees hurricanes
All forbidden and sinful
Activities are there
Laugh and darkness
Oceans with its high waves
Wailed aloud
Rivers lakes agitated
Lotuses withered
Jackals and dogs and owls cried
Birds flew shrieking from nests
Cows terrified
Yielded blood in place of milk
Clouds rain pus
Images of gods in temples shed tears
The planets came in conflict with one another
O my dear, bad time is coming to us
Have patience and pray and pray.

Gajanan Mishra

The sun set
Behold O my dear
And get set go
If you failed to view
Light befallen on you.

Gajanan Mishra
Natural Law

Law of nature,
Natural law,
Law with nature,
Nature's law
All are here.
But law is not
All powerful.
Nature has its
Own weapons
To destroy
The creation.
Nature sanctioned
All destruction
With imagination.

Gajanan Mishra
I want always
My natural state.
I find all
Pleasures there.

I realize there
In the natural state
My pure self.

I realize there
How blissful I am,
Free from evil.

I want always
Blissful supreme state
That is natural,
Undeterred and fair.

Gajanan Mishra
Yes, I have a
Natural union
With the truth,
And I never
Forget it.
I love the truth,
I am going
With the truth
Life is nothing
But the truth
The fruits of the truth.
And truth is only love,
I love the truth,
love and truth
That is you.

Gajanan Mishra
Natural Word Natural Man

Natural word natural man
You are foolish if you avoid then.

If I say I am gajanan
It is carnal as you said
I have nothing to admit or deny.

Believe me or not
I have my own words to explain.

Natural word natural man
You are foolish if you avoid then.

You plant or you water no matter
I am just a worker.

Let me clear
I am not the builder master.

Natural word natural man
You are foolish if you avoid then.

Gajanan Mishra
Naturally Dear

Naturally dear to you,
Know this as the truth.

I am yours
And no one else.
Everything you are,
And no one else.

Stay beyond all doubt,
I am here for you.

You are my earth,
You are my sky,
You are all in one.

I am your air,
I am your water
I am for you here.

Gajanan Mishra
Naturally, I Belong

Naturally, I
Belong to you.
You are the truth.
For you, I have to
Renounce the dependence
On others.
I am here, see, working
In accordance with your wish.

You are the truth,
To go beyond you
Is not possible.
I exist here
Only for you,
You are the truth.

Gajanan Mishra
Nature - Our Life

Nature - our life,
In nature, we live.
Natural is our living.
We are to accept nature
As it is.

No glass
No stone,
No star,
No fire
Can make
Our life change
From nature.

We are nothing
But nature.
Whenever and
Wherever we go
That is our
Natural way.

We are to remember,
We are not so powerful
To change, alter nature.

We are the product of nature,
We are nature.
From evening to morning
And from morning to evening,
We are here in
Some form or other.

We are to know the nature,
As fun, as galore.
We are love nature
More and more.

Gajanan Mishra
Nature - All Powerful

Nature is all powerful
All actions are being
Performed by nature
We all are puppet
In the hands of nature
We ourselves are doing
Nothing is a fact.

Gajanan Mishra
Nature And Duties

Duty is according to nature
Called natural duties
Duties born of nature
One's own duties
Innate duties
According to qualities
And actions of previous birth
Actions perish
But impression continues
So nature inherited
So for welfare of others
By giving up selfishness and pride
One is pious
And incurred no sin.

Gajanan Mishra
Nature And Life

Connect yourself,
My dear, with nature,
In a very subtle form,
And renounce the future
Altogether, maintaining
Your expression clear.
Mark the trouble in your
Own digestive system
And enjoy freedom.
See the sprout of a new leaf,
See the blossom of a new flower,
See the waterfall here.
Set your own instruments
And focus attention performance.

Gajanan Mishra
Nature And You

Nature and You,
Nature and You,
One and the same.
Nature is within You,
And You are in nature.
I find no difference
Between You and nature.

No one but You,
I find You only here,
And it is by Your
Causeless mercy,
I am enlightened
With knowledge and
For knowledge I am able
To know You here,
In this darkness.

I am not here
To bewildered,
To merged in to
Darkness or to vanish
In illusion as I found You
Here, within me and also
Outside.

Gajanan Mishra
Nature Has Given Me

Nature has given me
A scope to breathe,
To think, to live
And to love.

I am grateful to all,
Nature has made me
What I am today.

I am fearless
Under the nature.

I am as natural
As the sun.
I am as natural
As the sky
And the earth.

Gajanan Mishra
Nature Is Above All

Nature is above all
Habit is the second nature
And it is no use
To cry in wilderness
But remember God
Saves the helpless lamb.

Gajanan Mishra
Nature Is All

Nature is all powerful
All actions are being
Performed by nature
We all are puppet
In the hands of nature
We ourselves are doing
Nothing is a fact.

Gajanan Mishra
Nature Is Friend

Nature is your friend,
Go with nature always.
Going contrary to nature
is like going with enemy.

Gajanan Mishra
Nature Is Future

Natural life is the best here.

O householder, See
In your eyes Your creator.

Don't be a tree-trunk
Go to His places, with His name be drunk.

Maintain a temple at home
Get there inspiration.

I am the poet, your well-wisher
He is Your only near and dear.

O my dear, For you He has opened His door
And in Him You will get knowledge and truth as before.

Gajanan Mishra
Nature Is The Best

Nature is the best religion,
Best combination, best companion,
We are here as a part of nature,
We are the best here.
One which is unnatural is
Irreligion in common term.
Nature is pious,
It has no beginning and no end.
Life in nature is enjoyable,
It is all good without any
Anger or envy or harsh speech.
As a good man, we should adopt
Natural course of life, avoid
Excessive pain and stay in peace.

Gajanan Mishra
Nature Is There

Nature is there
As before.
No one can
Change its shore.

It is wise to wise
It is mean to mean.

Always you can find
The eagle
On the cremation ground,
And the tiger
In the dense forest,
And the lion
In a dense cave,
And the swan in blooming lotus.

Gajanan Mishra
Nature Lover

Be a nature lover
Nature is our life
Be an environmentalist
Environment is our
Real and foster father
Mother friend philosopher
And guide.

O men, you must
Reestablish yourself
Unbroken link with
Nature and with life
O men pray let not hit
The earth and the environment
The vital and the heart.

Gajanan Mishra
Nature Of Love

Nature of love
Is with blind
And dumb
And deaf.
I am in search of
These three
And I am yet to
Find them out.
But my own greed
Put me on irons
And I am
Unable to move
And unable to
Do anything.

Gajanan Mishra
Nature- Secret

The moon, the clouds and the sky
All are here for the purpose of
A new creation within the dream of
Falsehood and truth.

I cannot say you so early
What is going to happen at this moment
and I cannot jump over the river
That has kept everything secret.

Gajanan Mishra
Nature Teases

Nature teases
With money muscle
Listen carefully
And act as you like
Nature make you free.

Gajanan Mishra
Nature Works

Nature works blindly
But see I am not blind
I can not do anything
As per my wish
Everywhere I have to see.
I must know You here
O my dear, I must give respect to You
My first and foremost duty
I am a living entity and
Understand the relationship.
The appearance and disappearance
Analogy of cosmos
The very existence subtle and gross
All are with me, see.

Gajanan Mishra
Nature-Truth

How can I control
Nature?
I am part of it
I know.
I am here
In this world
That is perishing.
But I am
Connected with you
As here.
I am to see,
I am to show,
What I am
In this picture.

Gajanan Mishra
Navaratri

Celebrate Navaratri
Nine Divine Nights and
Restore due respect
To Mother.

In the triple world
Only Mother pervades
And Mother unified
And Mother is the
Mother of all gods.

Mother is the
One divinity
In every form
And name.

Celebrate Navaratri
Celebrate Mother.

Gajanan Mishra
Nay, Remember Not Anything

Nay, remember not anything
At any time; Think it not good
For any of us.
Remember, we are not for decay;
For we are here only for truth
And truth is within us.
Let us discover, my dear,
Who we, the poor; at dawn and dusk.

Gajanan Mishra
Near And Dear

Who is the winner
I cannot say
It is not within
My capacity to say.

I know everybody is loser
I dare not say
Nobody is there
To belief what I say.

When I standup to say
Nobody is there to hear
I cannot say
What I want to say
What I want to say
You are not ready to hear.

I know who is the winner
I know who is the loser
When I want to say
You are no more
My dear and near.

Gajanan Mishra
Near Kumuda

I am here
Near Kumuda.
Do you know
What is Kumuda.
Kumuda is a mountain,
On one side of the great
Mountain known as Sumeru.
The other mountains
That are on the other three sides-
Mandara, Merumandra and Suparsva.
Dhabaleswar is there
In this Kumuda mountain.
Do you know
Who is Dhabaleswara.
Dhabaleswara is making
Everything and everyone white
And punishing the black-wicked.
I am here
See me in Truth.
The truth is also there
In you, my dear
Please try to
Discover the truth.

Gajanan Mishra
Near Me

You are near me,
I am near you-
Divine truth.
And everything
Begins here
With us.
Our union is
Not the symbol
Of bondage
But that of
Emancipation.
We owe
Each others
For all.

Gajanan Mishra
Near The Fire

Near the fire I see no dark
Near the fire I feel no cold.

I am Your near and dear
And why should I fear!

When I have passion
And anger and greed
I have no right to
Called myself wise.

Without love and without truth
I have no right to live.

And I am living with renunciation
And I am dying with collection.

And see me here how anxious I am
To touch You my dear, and You are near.

Gajanan Mishra
Near, Yet Far

Near, yet far.
Go on searching within,
Go on realizing
That you are neglecting,
Proceed ahead
Keeping your intellect
Determinate and single-pointed.
No obstacle is there,
As because everything is
Near and also at far,
Wander not here and there.
O lover of life, see the wonder
Go deep and deep to fulfill
Your desire that is there.

Gajanan Mishra
Nearby

Say a spade
a spade
see all fade.

Face the sky
find everything
nearby.

Gajanan Mishra
Nearest To You

I am nearest to you,
I am nearest to truth.
For me, life is truth.
For me, love is truth.
For me, we are in the world
That is not false.
We are all truthful
And false has no place
To figure it out.
I am nearest to truth,
I am nearest to you.
You are the only truth
And I am there in you.
Taste me, use me I am in you.

Gajanan Mishra
Necessary

To eat to drink to sleep
To awake are necessaries
And it is obligatory
And for these
I have to do something
If you called it works
I have nothing to say.

To get rid of disease
And poverty and from
Undesirable circumstances
It is necessary to take
Preventive measures
And if you called these
Are something to do
I totally agree and also
I am not to agree in part
I have so many things to say
And you are to hear and stay.

Gajanan Mishra
Necessary For Life

Love - necessary for life,
Truth - necessary for love,
Life is the truth here.

Gajanan Mishra
Necessary Is

Necessary is
Power of tolerance
To move forward.

Multiplicity is
Our collective strength
Here in this world.

Gajanan Mishra
Necessary Power

Give me necessary power
To see
Give me necessary power
To hear
And I want nothing
Besides these
Life is nothing.

Gajanan Mishra
Nectar - Life

Observe it,
Life - nectar.
Drink it,
Nectar - life.

Stay hopeful,
Love is there,
Truth is there.

Take your own share,
And nothing more.

Life is there
To give you
Everything due.

To achieve all, be positive,
And use own weapons with you.

Gajanan Mishra
Nectar All

Nectar life,
Nectar body,
Nectar air,
Water and
Also light.
All nectar,
Nectar all, dear.
Nothing to
Take pressure,
Nothing to fear.
Stay free,
Enjoy life.
Life is straight
With truth and love.

Gajanan Mishra
Nectar And Heaven

This life is heaven,
And here,
Words are nectar.
Try to know
God of others
And live in peace, dear.
And truth be attained
By living in a balanced manner.
Overcome the rising tide
Of anger, dear men.
And stay calm
In the face of misfortune
And attain
Joy and prosperity.

Gajanan Mishra
Nectar For

Where is paradise
When we are ready
To barter away
Nectar for poison.

Let me ponder
The truth here
O brother, please
Don't go with grief
Over a trifling matter.

And where is the truth
O my dear, tell me here
On this smooth surface
I am the correct twister
And a good nurture for future.

Gajanan Mishra
Nectar in flower,
The bee is there.
Love is nectar
In this world,
We the creatures
Are the bees
With our dreams
That is blossoming
And making the world
The incomparable heaven.
Don't be sad
My dear friends,
Get here everything
In this life-nectar.

Gajanan Mishra
Nectar Is

Nectar is poison
For a person like Rahu
Means low birth
Poison is delicious
And a mark of greatness
For Shiva means high birth.

Gajanan Mishra
Nectar Is Poison

Nectar is poison
for passion,
it is the intellect
that is at the root.
Good and happiness
are good for
all times to come.

Gajanan Mishra
Nectar of immortality
Is my mother
My mother is here with me
To grants every wish
All the lights of every colors
Shape design turned an
Infinity with my mother
I salute my mother for
Her immense integrity
Courage and determination
I have no language to
Express my mother's beauty
And power and love
My mother is pillar of strength.

Gajanan Mishra
Nectar Within

Nectar within, my dear,
Find it there
Where you are.
Use nectar
By restoring
Your own position.
You are a man
You know better
The difference between
Sane and insane.
Nectar is within
Your own self, dear.
Find it there, you are
The part and parcel of nectar.

Gajanan Mishra
Need No Fear

You are not in danger
There need be no fear
The Truth is here.

Gajanan Mishra
Need Not

You need not accept me
You need not remember me.
To accept me is to
loose your identity.

I am with you
You are with me.
It is you who
try to push me
forward.

With your support
I am here.
It is I
who is with you.
It is you
who feels
it is better
to forget.

Gajanan Mishra
Need Not Go Anywhere

I need not go anywhere
To realize You, my dear
I know You are here.
I need not wait for future
My dear, I know
You are present now.
I need not search for You
O my dear, outside
You are in me, inside.
I need not regard others as mine
My dear, You are very loving to me
You are mine.

Gajanan Mishra
Need Not Say

Need not say anything
If you are really wise.
You are tolerant, I know
Your character is also excellent.

Nothing is lower
Nothing is higher
Nothing is lesser
Nothing is greater.

O my dear, I know I am a learner
And I am Your follower
I know there is nothing like
Day month and year here.

When I admit Your presence here
Nothing is lacking I am clear
And in good manner let me say
You are the chief progenitor.

Gajanan Mishra
Need Not Tell

Need not tell the truth
It is nowhere
Day in and day out
Who is here
Please say
If you are to shout.

I am on my boat
And look, the boat is
Still in water
And the water is
Burning in the air
And the air is
Still in the sky
And look the sky is
Within me
And I am shouting
On the boat.

Is there any truth?

Gajanan Mishra
Need Of The Hour

To keep peace to make friendship
Is the need of the hour.

Everybody need clean drinking water
Everybody need nutritious food
Everybody need quality education
And health care.

Every country need social reconstruction
Every country need poverty eradication
Every country need sustainable development
And welfare.

Gajanan Mishra
Needless to say
I am a man,
since I am what I am.
Needless to say
there is sun in the sky,
since you are not able to see.

Gajanan Mishra
Needs And Wants

Learning to distinguish
Between needs and wants
Is vital.
Keeping the tap
On the expenses
Ought to be a priority.
Facing the day
Of cheers and sunshine
Enjoy all funny.
The day is all peaceful,
Check out within.
Rewards and reputation
Knock at the door,
Come out and see.

Gajanan Mishra
Needs Of The Hour

Living with care is  
the needs of the hour.  
The hour is not ours,  
As before, that is there.  
We came, we go, we live,  
Nobody has any right  
to interfere or to utter  
any word anywhere.  
The words are also  
not ours and we dare  
to utter as per our wish.  
Is it good and fair?  
We have within us  
all pairs of opposites  
and our power of resistance  
is not within our control.  
We are not tolerant  
and we are realizing  
what we are doing.  
And hence, my dear friends,  
Living with care is  
the needs of the hour.

Gajanan Mishra
Neem Is Neem And It Is Bitter

Neem is neem and it is bitter
If you like you can give
Milk sugar honey butter
Neem is neem and it is bitter.

Gajanan Mishra
Neem Tree

Neem tree is at the top
And this neem tree
As you see here
Infront of my house
Wellwisher of all
Those who are coming
And going here and there
Bowdown before it
As a mark of honour
At every step of life
And I like its leafs
Flowers fruits
Branchs barks
Twigs trunks.

Neem tree is at the top
At the top.

Gajanan Mishra
Neerabare katha kahe prema,
Sahanasilatare saphala hue jibana,
Sahistunare badhe ekata.

Gajanan Mishra
Neglect Apathy

Neglect apathy
Causes downfall.
Abject penury
Deprived basic
Amenities
Causes downfall.

Gajanan Mishra
Neglect not anybody,
My dear, give respect to all.
No envy, no hatred, please,
Praise all, and say
Good words of all to all.
Nothing to fear, my dear.
Have tolerance with you always.
Don't be obstinate,
And keep compassion, o men
With you everywhere and for all times.

Gajanan Mishra
Neglect not the Truth

Neglect not
Your good intelligence
And drink not
The poison of life.

Take to truth
And take care
Your good sense.

Flattery has no role
Here on this earth.

With love
Take all
Into confidence.

Touch the truth
And attain light.

Gajanan Mishra
Negotiation

Listen to me and
Negotiate with the truth.
Life is here
Only for the truth.

The rose is the symbol of life,
And life grows in love.
Love is nothing but
The only truth here.

Gajanan Mishra
Neighbor - Love - War

Construct a bridge
With the love bar
And see that would
Not fall down.

Marry a wife
Who is committed
To stay with you
Here forever.

I know not whether
You are black or blue
But let me say
You are lovely too.

You are the wonder,
I know dear, and
You are dazzling like
The blazing sun.

Hellow, we are not here
To fall down, we are to
Rise again together
With our own strength.

No one can frighten us,
We are fearless,
The world knows it very well
This truth here at this time.

But here the burning topic is
The life and the water.
When you are taking life,
I must obstruct you to take water.

Bridge is already there
In our friendship, dear neighbor
Take advantage with love
And tolerance for ever.
Open your heart
And let me see poison
You have kept therein
For all humanity.

Gajanan Mishra
Neighbour

Forget and forgive
Night come go
You my neighbour
Have a smile
I never let you throw.

You my pathfinder
You my guide professor
You teach me in case
I commit any mistake
Any where in life.

Amiss not
To err is human
No one can deny
Human infallibility
Forgive and forget
I anything wrong
Committed.

Gajanan Mishra
Neighbour’s Status

My neighbour
My immediate near and dear
I know I can change my friends
But I cannot change my neighbours,
Let me share with my neighbours
All my good and bad experiences
My joys and my sorrows, because today
I know if I am sending some bananas
My neighbour is ready to send sweets
Tomorrow or on some other day.
I can live without friends,
But I can not live without neighbours.
Neighbour is like God and it is not good
To take food, without verifying my neighbour’s status.

Gajanan Mishra
Neither A Listener Nor A Speaker

1

See me
I am neither a
Listener nor a
Speaker.

See me
I am neither
Going from nor
Coming to.

And I am
Everywhere
With you and here
Everything I am to do.

I am in cooperation with you
I am here director too.

2

See me
I am not blind
I see all.
See me
You are blind
You can’t see all.

And where are you
Search out and say.
Here is the life air
Here is the fire
And here is the way.

I am the proprietor
I am the witness and also
I am the controller.
Neither Action

Neither action
Nor anything
That I need.
And I am no way
Affected by anything.

For the welfare of others
We are here.
And let us know
Whatever we have
That is of the world.

And still I am here
And suffering pain,
And I am not free
From worry, agitation and fear.

Gajanan Mishra
Neither Action Nor A Fruit Of Action

O my dear,
You are here, You are there
You are everywhere
You are everything
You are every incident
You are every circumstance
You are each and every person
You are here, You are there
All the time
You are ever-attainable to everyone
But, O my dear, You are neither
Attained through action
Not a fruit of action.

O my dear,
I abide in You
I can never be separate from You
My Love, my Truth, my dearest dear,
You are my only near and dear
For ever for ever.

Gajanan Mishra
Neither Asleep Not Awake

Neither asleep not awake,
Really you are, dear men,
In a dangerous stage.
No language is there
With you, dear men,
Your words are also
Not coming to you with
All truthfulness.
Your own earth is hankering
For love, but you are
Not giving any importance.
You have no dream, no vision,
And you are not able to take care
Your own bag and baggage.

Gajanan Mishra
Neither Black Nor

Neither black
Nor blue,
But the truth -
Life.

Neither tears
Nor pain,
But all smile -
Life.

Neither flame
Nor blood,
But all nectar -
Life.

Neither fire
Nor ice,
But all mixture -
Life.

Come on dear,
We are to live,
Here together,
And it is
With us for ever.

Gajanan Mishra
Neither Born Nor Slain

Love is love
And nothing else.
Love is neither red
Not black.
Love is neither master
Not slave.
Love is neither divinity
Nor self-propriety.

Love is love
And nothing else.
Neither to give
Nor to take.
Love is neither born
Nor slain.

Gajanan Mishra
Neither Endless

Neither endless
Nor an ending one;
This life.
It is beginningless
And we are all
Part of it.
When you act as potency,
I act as master,
It may be vice versa.
But life is there
As per its own course.
Life is integral,
Though not final
Yet it is clear but critical.

Gajanan Mishra
Neither Free Nor Fair

If it is neither free nor fair
You cannot declare completion of war.
Victory and defeat is not ours
If carelessly omit it ignite fire.

Gajanan Mishra
Neither Grief Nor Glory

Neither grief nor glory
I am submitting myself
Knowing fully well
that you are all in all
You alone can fulfilled.

Gajanan Mishra
Neither Happiness Nor Distress

Nothing is permanent, nothing is permanent
Neither happiness not distress.

Victory and defeat all are under
The control of time and destiny.

It is better
Not to succumb to
Either lamentation or joy.

Conquer yourself
Your enemy is within.

Do not hate anybody
Do not get infuriated
It would all destroy you.

Everything is the result of
Our own past works, remember this truth.

Gajanan Mishra
Neither Here

Neither here
Nor hereafter,
I am expecting
Any reward, award
From anybody
At any point of time for
The works done by me,
As per my belief and social order,
I am doing all
Only, as I am eligible to do
And I am doing for the sake of
My duty and I am
Doing according to
The ordinance of scriptures.

Gajanan Mishra
Neither I Am Coming

Neither I am coming
Nor I am going
It is all but dreaming.
Dreaming is a thing
That is not mine
And you are telling
Please, please give me.
How can I give
That I am asking
And you are putting
Again and again
The same question.
And I am changing here
With the divine.

Gajanan Mishra
Neither learned
nor a man of good conduct.
Neither an aged one
nor I am a hero.
Neither I am rich
nor beautiful.
Still I realized
what is truth,
Still I know you.
And I love you,
I devote my everything
only to you.

Gajanan Mishra
Neither Long Nor Short

Love is love,
Neither long nor short.
Love is love,
It has no color,
It is neither big nor small.
Love is love,
It is pure and whole,
And it is for all.

Love is all truth,
Love is all nectar.
Far and near, no matter,
I love you, dear,
Tell all and that
Suffice the purpose.

Gajanan Mishra
Neither More Nor Less

But moderate  
Clean and pure and honest  
Life is the best.

Life is the best  
With body and mind  
That is holy  
And life and love  
Rest in sacrifice.

O my dear  
I need you  
Neither more  
Nor less  
But what you  
Want to produce.

Gajanan Mishra
Neither The Flower Nor The Fruits

Neither the flowers nor the fruits
Are there in my dreams.
What are there in my dreams
How can I tell your without
giving a break in my dream.
But I can say I am not my dream,
The so called dream has also
No power to touch me at this time.

Gajanan Mishra
Neither This Nor That

You are neither this nor that
False identification is of no use.

Only with false ego you can not live
Your life is neither independent nor automatic.

Gajanan Mishra
Neither With Giving Nor

No way related,
I am no way related
Neither with giving
Not with taking,
And what is there
To take or to give,
And who am I
To give or to take.

I am in my
Own existence
Always, everywhere
I am a complete whole
From whole to the whole
I am going always, see.

Gajanan Mishra
Neither You Nor I

Neither you nor I present here
At any point of time
You are in dark and also I
And the sun is rising
Don't identify yourself
With anybody with anything.

Gajanan Mishra
Neither Yours

Neither yours
It is neither yours
Nor you have power
To enjoy or reject.

You are to realize
You are to love
You are to serve
You are to understand.

It is you to see all
In equal eyes and
Distribute proper shares
To respective persons.

You are just a coordinator
And your work is to coordinate and cooperate.

Gajanan Mishra
Nenuphar

Nenuphar, I know
You are looking for the moon,
But here I am
Only for you

I know, Nenuphar,
You have introduced
A system of new words
That I want to learn from you.

Nenuphar, I know the clouds
That are here, I know
For you clouds have
No value.

Gajanan Mishra
How can I say
This body is
The nest of
All evils?
But I can and
I must say
All goodness
Are here.
And I am
The best driver
Of this body
With all good
Thoughts.
I must say
Everything is
Here for a few
Hours and
Temporary.
I know and I
Respect law of nature.
All are good,
And no evil is here.
My thought is
My capital
And I am to proceed
With that capital
For future.

Gajanan Mishra
Net Result

Net result zero
Everything and nothing.
Darkness in light
And light in darkness
Nothing and everything
Equal and opposite.
That is positive and
That is negative
Balancing each other
From beginning complete.
Anything and everything
Merged in nothing
Emerged energy
Net result zero.

Gajanan Mishra
Networks Of Words

I am completely covered
By networks of words
All around.
How can you see me?
A great question.

I am to make myself
Powerful and expert
To cross over the words.

I am to go far
With love shower.

I know the words-
All fruitless.

I know I am under
The protection of truth.

Gajanan Mishra
Never

Never never never  
Never frighten  
Never disturb others

Of others

Never A Failure

Never false,
Never a failure,
My life, my actions,
With your blessings.

And I achieved
Full knowledge.
I know the purpose,
Original and pure.
And I know, clear
My understanding.
And powerfully I have
Given my stroke.

Gajanan Mishra
Never Acquire

Never acquire things
Things will harm your peace.

Desire not happiness
It is nowhere.

I am nowhere
I am in peace
Do not try to
Search me out.

Gajanan Mishra
Never alone,
Never unprotected,
Anywhere, anyone.
Each one is
In truth,
In love,
In devotion.
Each one faces
His deeds,
And reaps
What he sows.
Still. we are
Unable to understand
How to stay here there.

Gajanan Mishra
Never Anything Else

Never anything else
But the truth,
I want and
What is that truth
That I want to know.
The world, I know
Is not the truth,
And we are part
And parcel of this world.
Life we know is nothing
But a word and the word
Has no many angles.
But the truth is one
And the same for all, we learned.

The process of creation
And that of destruction
Is not truth, we know.
We know the manifestation
The incarnation and
The institution are
Not true and we wonder
As the part of each one here.
Life is nothing but a word
That is to be used
Often to blackmail another
In the name of compassion.
Life is nothing but the representation
Of the soul that is conditioned.

Gajanan Mishra
Never Be A Separatist

Never be a separatist
Keep away all your
Inimical behavior
Towards others
If you wish to attain
Peace of mind.

If you wish
To be in happiness
Try to keep others happy
And consider it your
Primary duty
Experience with deep study.

Gajanan Mishra
Never Be Selfish

Never be selfish to love
Love, love and love.
Making love is life
Life is there
Where you are.

You are there to love
Everybody need love.
It is you to decide
How to love whom to love
And love further and further.

Gajanan Mishra
Never Be Successful

It is true,
I will never be successful
In pleasing you.
But I can please myself
By staying close to the truth.

Gajanan Mishra
Never Borrow Never Lend

Never borrow never lend
My dear friend
We are on our own land.

Never borrow never lend
Danger is here
God remember.

O my dear friend
I have not forgotten
With lending and borrowing
You are rotten.

Gajanan Mishra
**Never Cease To Be**

You never cease to be
That I feel that I know.
What I feel and what I know
That cannot be expressed.

If anything I am going to express
It is only by my senses and intellect.
And I know which is perceived by
Such senses and intellect are all perishing.
Such things are neither existed in the past
Nor will exist in future or exist at present.

Though You are present, and here is your existence,
It is surprising that You appear non-existent,
And it is in Your light
I appear to be present, though non-existent.

Gajanan Mishra
Never Come Again

Never come again
Have a clear understanding
Before leaving the place.

Gajanan Mishra
Never Come To Truth

Never come to truth
Materially allured men.

And one who is not in truth
Willingly he is drinking poison.

Man who is drinking poison
Is out of sense always.

One to the other.
Each one is unique,
And each one is valid.

With those
Indulging in violence.

Gajanan Mishra
Never Concerned

I am never concerned
With my own interest
Mind it, my dear.

I only desire
The highest good
In life that is with You.

O my dear, I pray for all
All creatures here, protect
Them as they are
Overwhelmed by troubles.

I know all the troubles
In this world are blessing
In disguise as all these
Forced on to be Truth conscious.

Gajanan Mishra
Never Consider Me

Never consider me
As your friend or
As your enemy.
To think anything,
I have no time.
I am just doing
What I think good
For all living beings.

Gajanan Mishra
Never Ending

One by one
Poems are coming
And coming
Like waves
In the seas.

The world is
A poem
We are all
Part and parcel
That's all.

Gajanan Mishra
Never Ending Life

Never ending life
Never ending celebration
Send your response
And in print if you so like.

Coming out from house
Is time consuming and difficult
Stay there as you are
You are the winner declare.

Gajanan Mishra
Never Ever

Never ever
Let go time,
Love, truth
From you.

Keep all
Within you
And be
Grateful.

A fault
With those
Engaged
In good deeds.
And stay always
Unagitated,
Dear men.

Gajanan Mishra
Never Forget

Never forget
The truth, the Almighty,
The omnipresent, the Omniscient,
All in one and in all.
Give up not
Your sympathetic feelings
Even towards an ant.
Elevate yourself, men,
In higher and
Spiritual knowledge.
Remember, your duty
Is to avoid killing.
Remember, you are
Not the authority of
Birth and death.

Gajanan Mishra
Never Forgetfulness

There is never forgetfulness if once gained
My dear, such is my love and
Yours' memory.

Gajanan Mishra
Never Implicated

Never affected
Never changed
I am what I am
As ever here
Though there are
Storms clouds tides
In this life
Though there are
Changing conditions
Of atmosphere and nature
Outside this life
I am what I am
You see me feel me
Within within and
Within the eternal time.

Gajanan Mishra
Never Laugh

Never go with
False prestige
And never laugh.
Perfect social order
Is there, be never
The cause of its
Downfall here.
See and start a life
Afresh from
The very beginning.
Justify yourself
On which side you are.
Is it not a wrong one?
Be a man of culture.

Gajanan Mishra
Never live alone,
Without truth and love,
All fortune are there
Within truth and love.
Love life,
Truthful life,
Live and see,
How fruitful life,
It is here.
Know the real owner,
Real owner of truth and love,
It is your self.
And it is here
In all.

Gajanan Mishra
Never Lost Sight Of

I never lose sight of you
As you never loses sight of me.
I love you
As you love me.

Gajanan Mishra
Never Mind What You Are

Never mind what you are,
And remember the goddess of
Fortune all with you.
And remember you yourself
Is the source of all holiness.
Be careful and constantly
Stay on truth.

Gajanan Mishra
Never Perish

I am Yours
And let me declare boldly
That I never perish.

Gajanan Mishra
Never Reach

Go, go, go,
But never reach-
The result.

Stay, stay, stay
But never found
Nowhere.

Life is but for you,
My love, my truth.

Gajanan Mishra
Never Rift

Do you really want your mother
To be with you?
Do you really love your motherland?
Do you really like your mothertongue?
Mother mothertongue motherland
All sacred and more than your life.

One who is really wise and learned
Love mother mothertongue motherland.
Mother mothertongue motherland is
The lifebreath bloodcirculation of
Our body and soul as well.

This world is our motherland in the
Broader sense and we all
Are brothers and sisters
With the same air same light same water
Same earth same sky
With the same emotion same thought.

Mother mothertongue motherland
Are precious and we are the
Bonafide sons and daughters
We never rift we all accept
Natures gift and go on and on
On this life towards super lift.

Gajanan Mishra
Never Say Never

Never say never,
It is true for ever.
All impossible are possible,
You are the best capable.

Value your own poem,
Adore them with new theme.
Love is not to reciprocate,
It is foolish to expect.

Nothing is personal,
Treat not anything also final.
It is instrumental
It is all but professional.

Gajanan Mishra
Never Say No

Never say no,
But say
It is possible
Here by anyone.

Nothing is there
As back, but we are
Going forward
Always everywhere.

Gajanan Mishra
Never Seen Before

I have seen you
I have seen your world
And you are ever changing
And your world is ever changing
I have never seen you and your world before.

Gajanan Mishra
Never Separated

You are
The goddess of fortune
And never separated
From me.
O my dear,
We are in this same
Position without
Any disturbance.
I am the first among all
And I am able to expand
My reputation
Throughout the world.
You are the beautiful
And you protect all people
You are my part and
Parcel and inseparable.
You are my glory
You are my vibration
I am here only for you
This world is my expansion.

Gajanan Mishra
Never Set

Many reasons
For love
Of love
Just love
Just love.

No reason
Of hate
Hate not
Hate not.

Sun rise
Sun set
Love rise
Never set
Love and
Love.

Gajanan Mishra
Never Show

Never show your valor
O my dear, valor is
Not to be shown.
All the weapons, you possessed
Are unnecessary burdens.
Use not unnecessarily and
Incur sin, my dear.
Use not the words
O my dear, that are
Thunderbolts to hear.

Gajanan Mishra
Never Sit Idle

Never sit idle, my dear
Everything is being done though.

Try your best, my dear
To do everything in right track.

You are non-violent gentle man
I know but to sit idle it is not allowed.

Gajanan Mishra
Never Take Anybody

Never take anybody
Or anything granted,
It is all beautiful
And dangerous.

The meow
The woof and
The potatoes
All are suspicious.

Gajanan Mishra
Never Take Heed

I never take heed
your flaws as
I consider you
my friend.

See I am of a
very tender heart.

I know you
depend on me
and not on
any one else.

And you are
loving to me.

Gajanan Mishra
Never To Be Separated

Eternally love is here
And never to be separated
From anyone at any time.
And each one is here -
The reservoir of all
Goodness and beauty.
Life after life each one is
Here and each one is numberless.
Be kind to everyone,
Each one is full of
Love and truth.

Gajanan Mishra
Never To Write

I dare not to
Write anything
That is not in love
That is not in Truth.

I swear never to
Handle a pen
Never to write
A word without
Your grace.

I know no joy
Or sorrow is there
With You and I dare
To write so much only
Under You.

Gajanan Mishra
Never Too Late

It is
Never too late,
Go on,
I think
You would reach
In time.
Start and
Start, go.

Gajanan Mishra
Never Try To

Never try to insult an innocent
Forget not the Supreme Personality
Is in him and is with him.

Gajanan Mishra
Nevertheless Perfect

Nevertheless perfect
Everything in tact.
Getting chance accumulated
Result awaited.
Preaching continued
Life not renewed.

Gajanan Mishra
New - I Am Searching

New - I am searching
It is in love it is in me
Love - I am searching
It is in me it is new
And I am searching myself
Always here there everywhere.
See me I am constantly shining
All revolve around me
See me I am in love I am in Truth
See me I am new
I am the central pivot for all
If I am not here nobody is nowhere.
Everyone is under the influence of time factor
But not I.

Gajanan Mishra
New And Fresh

Come to me,
I give the understanding.
Come to me,
With your identity
New and fresh.

New words,
New life,
With truth,
All are there
Straight forward
And fair.

Open the ears,
Open the eyes,
Come to me
With clean tongue.
Come to me
I give everything,
That are mine.

I know everything,
Past, present and future,
My dear, come to me,
This is the right time.

Gajanan Mishra
New And New Year

New and new year.
New year is a fish
In my hopes, in my dreams.
New year is a mist
Descending on me
In windscreens.
New year is an agenda
For my development
Coming with confidence.
New year is a planner
Coming with all truth
To prevail over injustice
And exploitation.
Let it be always new.

Gajanan Mishra
Nothing new,
Nothing old
And yet I am
Going in between
The two.
Life is but truth,
Nothing old,
Nothing new.
Let me understood
Life in full,
I have no word to
Describe life as wood.
Life is nothing
But cobra’s hood.

Gajanan Mishra
New Articles

You are in need
And I have supplied.

Unlimited time
With no number
You have applied
And I have supplied.

Putting on new clothes
Again and again
You prayed to stay
And I have granted.

O men, you are really
Foolish I understand
And I asked you to
Leave the place.

Gajanan Mishra
New Aspects

Always find
New aspects
In true poems.

Read and read
Again and again
And get what
You want.

What you want
You may not know,
But I know,
The true poem
Will tell you,
Certainly here,
For bright future.

Gajanan Mishra
New But

New but
No newness,
No use.

Gajanan Mishra
New Chapter

New chapter,
I want to
Open.
New chapter
Of peace
And co-existence.
I want to convey
My greetings
On your festivals.
I wish success
And well-beings.
I want free
Movements, I want
Humanity.

Gajanan Mishra
New Comer

Every moment,
Everywhere,
Everyone is
A new comer.

O newcomer, my dear,
Find yourself here
In changing atmosphere
As experienced either.

But wonder not,
You are the best composer,
Here and hereafter
For all welfare, dear.

Your words and your songs
Are for all good in nature.

Gajanan Mishra
New Delhi

I flow with you,
I mark your smile
In up above the sky.
You are so beautiful,
New Delhi, you are fearless,
Here with me on this earth.
You try to give a new direction
To world peace and harmony.
You said not to hear any rumour,
You teach tolerance and
Where the existence of all is there.
Rule of law is there in you, New Delhi,
And I feel myself lucky for you
Despite discordant notes of some.

Gajanan Mishra
New Experience

New experience,
I find here,
At every moment,
Every day.
Everyday
I live here
With you
To discover
The truth.
The truth is
Here within us.
And we are
Experiencing life
In new form as such.

Gajanan Mishra
New Food

New food,
New life.
Food produced by rain,
Rain from sacrifice,
Sacrifice from the action.
The action should be good,
The action should be in truth.
Life touches infinity only
Through truth and love.
Love is there in life,
And food for life.
Let us join together
On this very new day, my dear.
This auspicious day is
Before us, let us bind
Ourselves in love and in truth
To grow and nourish with it.
Let us renounce selfishness
And comfort and take an oath
To live for others.
Let us take the oath to
Perform all pious actions
For the welfare of others.

Gajanan Mishra
New Form Of Love

What you have said
I have accepted
You have created
A new form of love
And I have no option
But to accept
It is plenary portion
It is your original
Incarnation
Love formation
World's new creation
It is not imagination
But practical action.

Gajanan Mishra
New Format

New life
In new format,
Not material.
But all blissful.

Gajanan Mishra
New Friendship

Good Friday
Consists of
Two words
Good and Friday
Good means
Beneficial
Not bad
Friday means
A day of a week of
Our life span
The Fifth day
If we start counting
From Monday
Friday consists of
Five elements
Of life like
Air water light
Earth sky
Good Friday
Please smile
It is good for life
With new friendship.

Gajanan Mishra
New India

Here in new India,
Find no discrimination
On gender or
Religious background.
See here, we have a
Compassionate society.
It is true,
Our President says-
Integral humanist
Component is there
In our DNA.
Here all believe
In unity and integrity.
Faith is there
In a synthesis of
Heritage and science.
Rule of law and
Education is there
Here in New India.
We the people have
Immense patience.
It is true, we all
Are against corruption
And black money.
We fear not anyone
Within our territory
And also outside.
Let the neighbour
Note it.
We are one and one,
And it is New India.

Gajanan Mishra
New Is

New is
Every moment new.
The vultures
Have nothing to do.

New is always new
Mirage is few.

Go not to
Fruitless tree,
If you are hungry.
Feel the world's fury,
Living is not dowry,
Stay not care-free.

Remember, always you are here
Playing with the fire.

But love life afresh
Every moment facing new.

Wander not here there,
While going on
Fulfilling your
Limited desires.

Desire is good
When it is for public welfare.

Gajanan Mishra
New Leaves Sprout

New leaves sprout,
And the tree has
nothing to say.

I am growing old,
And I have nothing
to stand at bay.

Gajanan Mishra
New Life

New moon, new light,
New light, new life,
New life, new doors,
New doors, new path,
New path is there,
Let us move forward.
While moving forward,
Worry about the changes
That are there.

Gajanan Mishra
New Life On Earth

Fresh air,
Fresh flower,
Fresh life.
Life with fresh
Flower and air
Is wonderful,
Peaceful and
All new.

New life,
New colors,
New sky.
All new
On earth
At every moment.

Gajanan Mishra
New Light

New light
Given by the sun
Always here.
New song
Given by the bird
Always here.
New story
Given by the earth
Always here.
I am new,
I am new
Always with you
With love,
With truth.

Gajanan Mishra
New Light - Child

Child -
New light,
New relationship,
In a new world.
Child -
New dream,
New hope,
In a new journey.

Take care
The child.
Take care
Your own future.

Kill not any child,
And invite not
Your own death.

Child has
No religion,
Child has
No caste,
Child has
No enemy,
Child has
Nothing to tell
Against anyone.

A child is
The symbol of love
And truth
And nectar.

Gajanan Mishra
New Look

New look
Seasons change
Fashions too.

New look
I love
With all good.

Let me go
With truth
That are in you.

Gajanan Mishra
New Look With Book

Book can give you
A new look.
See the book,
Read the book,
And open the hook.
Sell the book, buy the book,
Write the book, keep the book,
Always with you.
The book can give you
A new look.
The book has such light
Through which you can
Discover the truth.

Gajanan Mishra
New Love New Appearance

New love new appearance,
New words new products,
New name, new pages -
All new and newness is
Our identity here.

In all newness
We find new life-
Life of love,
Love in truth.

We are not mute,
We are colorful.
We are nothing, not true,
We are everything-
And all are the truth.

Gajanan Mishra
New Moon / Full Moon

Full and full
It is full moon,
New is always new
And it is new moon.

Life is life
For us it is boon,
Don't be bookish, my dear,
Go to the sun and to the moon.

Gajanan Mishra
New Poem Is Rare

New poem is rare
Server is rare
Inquisitive person
Is hard to get
Devotee is rare
Poet is rare.

New poem is rare
Disciple is rare
Son is rare
Father is rare
Good and ideal teacher
Is hard to get.

New poem is rare
New poem has new light
That has power to
Change darkness
Poem is for the creatures
Not creatures for poem.

Gajanan Mishra
New Poems New Energy

Everyday new energy
From new poems is
Being received.
Everyday new dreams
From new life is
Being formed.
On this earth
Under the blue sky.

Gajanan Mishra
Call of new poetry
is here, listen.
The poetry is searching
a new man.
Are you capable
and qualified
as required by poetry?

The ingredients
to be fulfilled
are a transparent sky,
a flying bird,
and blossoming bud.
All that are to be there
On this earth.

Some sort of light
is also needed
for the benefit of
new customers.
The new customers are
required to come
in queue.

Whether there is life
or not, that has to be
checked at proper times,
on the basis of
power and strength,
that are to be verified
seeing sorrow and happiness.

Worry not, on the way,
if some made allegations
on false ground.
But you are required to
made yourself befitting
for the grief that are
there to welcome you.
Gajanan Mishra
New Star

New star,
Go not far.
My car is swift,
No doubt, but
I am not expert.
Wait there,
I swear,
I can reach you
Sitting on
This arm-chair.
No word is in me
To offer you
But love
And show you the truth.

Gajanan Mishra
New Symphony

Very difficult to play
With new symphony
Still we played it.
We have our own strategy,
We have our own fasting,
Own peace and non-violence,
And we move with
Our own identity.
We have controlled ourselves
To the best of our capacity
For the larger interest
Of the society and
Of the humanity and we
Dream the success of the human race
On the path of progress.

Gajanan Mishra
New Thinking

New thinking is
There and
It is already started.
New direction is
There and
We have started our
Journey towards that.

It is our feeling
And our stability,
Here there is no
Place of any particular
Language or caste
Or religion as you
Said in public.

Nothing is necessary
And it is all mystery
The geography and
The history,
We are waiting for
Turning of a new chapter
Like the folio of the journey.

Gajanan Mishra
New Venture

You love me,
I know, my dear.
And I am interested
In new venture.

I love you,
My dear, you know,
And you are so interested
In me.

Luck and success,
All here with us.
We are open-minded
And we engaged ourselves
Physically and mentally
In all welfare activities.

We have high
Expectations, true.
And we realize
Our lives
Full of miracles.

For love,
It is all.
And we must admit
Nothing is
Personal here.

Gajanan Mishra
New Words

New words in rival
And sweet language of
Lightening riven
In water
The spread rite
To initiate again
Coming of new words
In rival and
Space not unfold
Still you see
Flower-face.

Gajanan Mishra
New Work Of Art

New work of art, 
That I love, 
I see life in it. 
Now work of art 
Showers all blessings.

I am with 
That new art, 
I am with you 
My dear, the best 
Piece of that art.

You are here 
With black white 
And yellow colours, 
You are with me.

Gajanan Mishra
New Year

Snake?
No, no,
I don't.
Tiger?
No, no,
I don't.

New Year,
Yes, I do.
I want to
Play, I
Want to dance
With this
New Year.

New Year, New Year.
I know, you are here.
See me, I am
With no fear.
Here I find love,
Here I find life,
Here you are I discover,
New Year, New Year.

Gajanan Mishra
New Year And Dust

Where is new year
And where is dust? ?
You remained silent
To my questions
And I am deaf.

Dust and dirts
Are there in our clothes.
New year is neither
Our cloth nor our dust
Yet we are going
Through it.

New year, new year
I said, my dear, let it not
Gives us trouble in future.

Gajanan Mishra
New Year Gift

Surprisingly I
Arrived at your house
To deliver
New year gift.
Surprisingly I
Hold your hands
Hug you and said
Come on friends
For peace
And tranquility.
My action is
Not surprising
But it is the call
Of our new time.

Gajanan Mishra
New Year Gift- Love

New year gift -
Should be
Life and
Not torture
Not death.

We are all
Connected with
Life and
Life is
Related to
Love.

Love is there
Where there is
Creativity.

Gajanan Mishra
New Year, My Dear

New poem, new love,
Let us observe
With truth new life,
New life with happy
New year, my dear.

New dream, new poem,
New life, new love,
For ever here,
Happy new year.

Eat truth, hear truth,
See truth, live truth,
With this happy new year.

Happy new year, my dear,
Happy new year, new year..

Gajanan Mishra
New, Forever New

New food, new hope, new life,
New, forever new, new.
Renewal, rejuvenation,
Celebrated with considerable fanfare,
New, forever new, new.

Come and sit with us,
Pray and thank god,
we are here together.
Smile and enjoy life,
Think good of others.

New, forever new, new, new dress,
new rice, new morning. Feel happy, my dear,
and make others happy, and acknowledge
benevolence of mother and mother-earth.

Gajanan Mishra
Newer And Newer

At every moment
I see you
Newer and newer,
I am restless
And moving, though.

Gajanan Mishra
Newness

Always you find
And accept
My new affinity
Always you are
To realize
Who you are
And I.

I am here
O my dear
In this car
You are my
Driver and
Taking me
And I am
Unable to know
Due to dark.

I am with you
And I am in
Good mood
O my love.

Gajanan Mishra
News

The news silent the crow
The news begin to rain
This is the ocean and I
With the flower buds
jump the ground.

Who are there my question
And none to answer bite
And I am telling okey.
The crow no more to see
The news flute the sea.

Gajanan Mishra
News- Today

My son
Does not like to
Hear any news
The news of rape
Murder loot
My wife likes news
Relating to gold-rate
And inflation
I am not in a position
To say what is good
And what is bad
In the news today.

Gajanan Mishra
Next

What is next
That depends
What you are
At present.

You are free
To construct
Reconstruct
With time.

Remove doubt
That are
Within you.
Reveal the truth
With light of
Knowledge in you.

Gajanan Mishra
Next And Next

Next and next,
Go not to the next.
Find everything
Within you, my dear friend.

It is just- most valuable.
You are already
On your own way
Of light and truth.

Keep everything straight,
And go facing upwards.
Be relax and remove all thoughts
Think yourself nothing.

It is in your harmony
Discover honey.

Gajanan Mishra
Next Bet

See me
I am removing
All obstacles
That are on
Your path
Of Truth
To enable
To rise
And to
Reach.
Excuse me
I know not
What is next
And the bet.

Gajanan Mishra
Next Level Living

Next level living
At the cost of others
With all hidden costs!

Gajanan Mishra
Niaan Achhi Ethare (Odia)

Niaan achhi ethare
Mo thare, tuma thare,
Niaan heuchhi jibanara satya.

Gajanan Mishra
Niaan Bhaya (Odiaa)

Mu bhaya karen niaanku,
Kintu niaan achhi mo bhitare,
Mu nian.

Gajanan Mishra
Nice Process

Nice process
This life
With light.

Illumined not by
The sun the moon
The fire the electricity.

Inner light is
Life's light
Nice process.

Gajanan Mishra
Nice Write

Nice write
With pleasant thought
And why not
We are all being
The sons and daughters
Of nature and nectar
We are in love
We are in truth
See everywhere
There is success
With full cooperation
And coordination
Life is a perfect
Combination of all.

Gajanan Mishra
Nicely Described

Nature has
Nicely described
Everything here
That I understood.

And all are wonderful,
All are truth.
But truth is not there
In nature as it
Changes its colours.

I have no friends
And I make no friendship
For the reasons of
Insurmountable intricacies.

Life is all pure,
Nothing is a vice, I am sure.

Gajanan Mishra
Nickname

Use always
Nickname
I love it.

And I am
Telling it all
Sincerely.

In common platform
Close not anything.

But take it all
Seriously.

Let me salute you
For you use
Intimately.

You are free
To use any word
Any number
Anywhere
In many ways.

But before going to use
You first have to
Love it all.

Gajanan Mishra
Night

It is night for you,
For me, it is not night.
It is night for me,
It is not night, for you.

I am in You and I am in peace,
I am no more thirsty, no more hungry
And no more in delusion and
I am in peace and attain Your bliss.

Gajanan Mishra
Night And Day

You think it night,
But I think it is the day.
You think it is day
But I think it is the night.
Great difference is
There between the night and the day.
What I mean to say
Let me first say.

Gajanan Mishra
Night And Day I Am Calling You

Night and day
I am calling you,
Where are you?
Where are you? ?

Are you the air?
Are you the water?
Are you the sky?
What are you?
What are you? ?

Night and day
I am calling you,
I am calling you.

Are you the tree?
Are you the mountain?
Are you the stream?
Are you the sun?
Are you the moon?
Who you are?
Who you are?
I am searching
Here and there,
Here and there.

Night and day
I am calling you,
I am calling you.
Where are you?
Where are you? ?

Have you no ears?
Have you no legs?
Have you no hands?
Day and night
I am uttering
Your names, your names.
And what is your names
That I know not.
Yet I am calling you
I am calling with the names
That are in love
That are in truth.

Gajanan Mishra
Night And Fright

Night and fright
Go together
And I am here.
Mystery and history
Are there
With the star.

I am intelligible
But not in solitude.
I am popular
But not sure, trustful.

I want not safety
As I know fire is there
At higher rate within and
I am compromising as seen.

Gajanan Mishra
Night And The Sun

If you want a day with the sun
You have to take the night, it is
From the night, the sun appear.

Gajanan Mishra
Night Birds

All the night birds
Are here, see.
The are at this early morning,
I know the very reasons.

Ask me, how they are here
And for what purpose.
I am here to answer
All your questions.

Go not to the extreme
My dear sons, we are here
To search and find
The truth that is there
In life, but while searching
We must be cautious always.

Gajanan Mishra
Night Ends

Dreams do not end
Night ends.

I am a part of the dream
in the roaming night.

No star no moon
is there in the night sky
I fly focusing all nearby.

Gajanan Mishra
Night Is Going To End

Night is going to end,
But I am not able to start
Writing a single poem.

Gajanan Mishra
Night Is Not Dark

Night is not
Always dark.
Dream is neither
Going backwards,
Nor proceeding forward.
Know-how principle
Is not always work
As ladder for
The self or for others.
Framework of the body
Not for the duster.
Struggle for existence
Is not meant for
Only living creatures.

Gajanan Mishra
Night Is Not For Life

I know dear,
The night is not
For life,
But for the dead.

I know no death
Is there in my life.
I know no one can
Declare me dead.

Gajanan Mishra
Night Is Not Naked

Night is not naked
And let me talk to it.

The darkest sound is
Within our own body and
Let me listen to it.

Here is a moon and
Here is a woman
And they are burning
And there is the fire
Let me see it.

I am looking at me
And it is true like You,
My tongue and my ears
Are on their on ways, true.

Gajanan Mishra
Night Is Not Night

When there is light in it
Light is not light
When it has no pleasure
Pleasure is no pleasure
Without love
And love is not love
When we are not together
O my dear it is just
Change of weather
That differ from year to year
And it is our tear
That shows night is near
And near near.

Gajanan Mishra
Night Means Danger

Night means danger
Night means bad times
And moon is the friend
Of us at night.

But night means
Not death, mind it.
Night means wait
And wait till
Better times come.

Night means preparation,
Prepare yourself my dear
For the examination to be
Attended in the morning
And face the day strongly
Thinking day as the laboratory.

Night is stability
But day is not so like
Return home at the evening
And think about the day again
Who is yours and what to do next
For whom and for what purpose.

Night is the breeding ground
Day is the play ground
Night is more important
Take care of night
Take care of life
Day is there to take care of you.

Gajanan Mishra
Night Passed

Night passed
Enmity ends.
So also
Familiarity breeds
Contempt.

With Your help
O my dear, I can cross
This ocean.
Let me cry and
Let me smile
That is helpful
In tackling situation.

Let me learn how to live
Let me learn how to die.

Gajanan Mishra
Night Sky

Night sky,
I want to tell
Something to you,
Life's truth.

Life,
I want to tell
Something to you
About the sky at night.

What I want to tell,
That I feel, and
I can express even
Without words.

Wait there,
O smiling star.

Gajanan Mishra
Nightingale Is Telling

The nightingale is telling
But telling what
Who is here
To explain at this hour.

That here it is spring
That I know from Him
That I am here I know
From the nightingale.

I refrained from crying
And I live in pain
You told me where there is
Pain there is gain.

Gajanan Mishra

Nil - Empty

Nil or empty,
Whatever you tell
Not right.
Complete, full
Or whole,
You can't say
You have not seen.
You have to see,
But I have no power
To hear.

Nothing is wonderful,
But everything is common.
And I am not
On either way.
You may suggest
What can be done,
But you can't say
What I can't do.
Nature is that
I am there with you.

System is such
That we can't move
Separately here
And you want separation,
I agree not, though.
And you render service
For me
In due time.
Still, not complete
Still, not empty.

Gajanan Mishra
Nil Balance

Nil balance,
Nil balance.
And yet
You are taking me
To the places
At the time when
I have left with me
Everything.

At present
I want nothing,
Really nothing.
I know at this time
You are with me,
And you are with me.

Nine Doors Are Here In This Palace

Five led toward eastern side
One led toward northern side
One led toward southern side
Two led toward western side
Give the name of the doors
If you are really wise, my dear
I am within this palace
Use the doors only in my name
Stay free with me here, with nature.

Gajanan Mishra
Nine Ways

Nine ways are there
Nine ways are there to get you
To see you to smell you
To hear you to taste you
To feel you
And I try to know
You are with nine
To test me fine.

Gajanan Mishra
Nintynine Percent People

Ninety-nine percent people
Are not interested in poetry, true.
Not interested in true poetry
That imparts true knowledge.
True knowledge is not here
In this materialistic way of life.
And I am sure, one cannot understand
My poetry while staying
On the material platform.
The way of education imparted
At present are in no way
Helpful to anyone at any time.
It is in no way helpful
To live in peace.

No Access

No access beyond this
Here is truth in this body
What for divine bliss
If you are not to love to kiss.

Coming out is not easy
Renouncing affinity is not easy
Think not about escape
Sit calm in a cafe.

Perceive what is here
Have a glass of love-bear
Enjoy life that is near
O my dear, O my dear.

Gajanan Mishra
No Account

I have no account  
As to who enjoy the earth  
And for what years.  
I know all enjoyments  
Have no meaning.  
I know each one's authority  
Is to be challenged by another  
For the good of all.  
Nothing to wonder but  
Each one should work  
In all civilized manner  
Under authorized texts.  
And prepare himself to exit  
Soon after call received.

Gajanan Mishra
No Action, No Inaction

Let us forget about
Action and inaction.
No action, no inaction.
We are to realize
Our own thought-process.
We are to weigh our
Own rise and fall
Here always.

Gajanan Mishra
No Adv

No adv., please,
You are going
To donate
And to earn
That is auspicious.
Keep secret
Your conjugal life,
Keep secret
What you are doing
Within your bathroom.
You are in the body-temple
O my dear, be clear,
Encash your conscience here
Get all joys and cheers.

Gajanan Mishra
No Adversaries

No adversaries here,
Look I am wandering
Without fear.

I am unborn
And eternally auspicious
And not decaying.

I cannot be a subject of thought
Forget everything, my dear,
And accept all as they are
As I am within them.

I am here to protect all
From world miseries- the most
Poisonous snakes and I am here
As most humble and indivisible flow of bliss.

Gajanan Mishra
No Adverse Impact

If there is no adverse impact
On anybody at any time then
Go on and go on.

Afresh, please,
No query.

Gajanan Mishra
No Agreement, No Bond

No need of agreements,
Or bonds.
Nothing required
Here to live in.
Firm faith is
The only basis of
Our living here and
Some sort of understanding.
Nature is the main source,
And nature believe not
With bond or conditions.
The glory is there
And it is but common
On the earth and in the sky.

Gajanan Mishra
No Alone Here

I am not
Alone here,
And I do
Admit my faults.
Here I enjoy
My freedom,
But my freedom
Is yours,
That I know.
I perceive defects
Not in you
But in me.
I am not superior,
I know also your virtue.

Through poetry,
The poet is in purity.

In the secrets of Yours.

You are not mighty, my dear,
And you are growing old
And yet you know not
Who you are.

I failed to understand
The reason behind
Why you are in dark
For so long.

Gajanan Mishra
No Beard No Moustache

No change and nothing
No birth no death
No revealed no concealed
And nothing
Keep all these where
And when they are
With air and fire

If He is engaged himself
In pastime love with each other
In sportsman spirit
And I must say mystic.

You are excessively proud,
You are to be annihilated.

Gajanan Mishra

To push the human
Development
In progress.

Gajanan Mishra

At any time at any place
To any one for a single purpose
To take him away.

And so I am utilizing
The bonus or say special concessions
To the maximum

But you tell
You are here
Within me.
Great!
Let me think.
You tell you are
The cause for everything,

So I am here,
Know it from nature.

Gajanan Mishra
No Certainty

When you would ordered
To leave.

Ask not
About duration.

Waste not a moment

Keeping connection
With him.

Keep in mind
In His arena
You are living.

You act
On your own way,
No check.

Know everything
About you,
About your energy,
Your earth, water, air,
About light and sky.
Know all about your
Own eyes, ears, mouth,
Nose, tongue, skin,
Hands, legs.
Know fully well
About your genitals,
Evacuating organs.

Keep under control
Your own mind and
Own speech.

Remember, you are
The combination of
All together.

Day and night,
Black and white,
All have equal role
In your existence.

Keep the process on
And observe life
In a form and act
In such a way
That would be
Accepted universally
By all.
Gajanan Mishra
No Children

No children
But only rhyme
And language.
No oxygen
But only death
And politics.
Politics for power,
Power to put others down.
Reason to show
A new chapter,
Chapter of black ideas,
Black images, black motion.
But remember life is
Far ahead, no one is there to die.

Gajanan Mishra
No Clock Strike The Hour

No clock strike the hours,
And they said no business is ours.
They said go to sleep
It is late already.
They said drink and dance
Life would not come again.
They said cover your body
And work but while working
Cease not thinking.
They said words are there
To supply everything.
Be careful, your expectation
Is the devil that can smash you
Within at any time.

Gajanan Mishra
No Cognizance

I am guilty here
I am committing
Each and every crime
But My Lord, You are
So kind that You
Took no cognizance of it

A doctor only attentive to patient
And a farmer in his farming,
They are not hankering after money
And it is real service to the society.

And I know and this is my upstart
Thinking myself your part.

There at Your house
I know all my activities
Are only for You.

O my dear, Ultimate Truth is here
As a common creature, with You I am not in fear.

Gajanan Mishra
No Coming Out

I am honest,
I am upright,
See my light.

Without cost
Live life
Be happy fairly.

Gajanan Mishra
No Cost, All Gain

On a downward slope
The engine of my car
Is stopped but
The wheels moved
And I covered my distance
You may say
Action has been performed
Without having any desire
It is all gain and no cost.

Gajanan Mishra
No Court Of Justice

We have no court of justice
We have only court of laws
And laws are being framed
By the such type of people
Who have no values in real terms
And hence society is
Flirting with chaos.

Gajanan Mishra
No Cover Up

No one can kill me,
If death is not there
In my forehead.
Your fire, boiling oil,
Hill-top, legs of an elephant,
Poison, weapons etc are of no use.
As I am in truth, and you know
No one can cover up the truth.

Gajanan Mishra
No Craving

No craving for
Fruit of actions
And see I am free
I have no fear
To bondage.

I am not attached
I am not bound
I love you though
As because my love
For the welfare of
Entire world.

Gajanan Mishra
No Critic No Life

No critic no life,
The wise owl told me
Yesterday night.

And I begin
My life afresh right
From this morning.

Let the frog croak,
I care not the croaky.

Gajanan Mishra
No Crossroad

No crossroad,
when you are with me.

Stay here on this earth,
failing is out of question.

Here see all are living,
without fear of death.

No cross road, come to me,
I am here to take to the destination.

Gajanan Mishra
No Danger Is Here

I know no danger,
I am sure nothing to
Fear this world.
I know fear arises,
Due to lack of knowledge
About the truth.
And the truth is
This world has no existence.

Gajanan Mishra
No Danger No Fear Of Death

No danger, no fear of death,
As we long with unflagging love.

Love the eternal word
That is there within and also without.

Life is nothing but the realization of love
And love is nothing but the indivisible existence
Of knowledge bliss absolute.

Gajanan Mishra
No Danger Of Being Unsuccessful

I have forsaken everything
For You O my dear and
I know since You are here
In all my works I am sure
There is no danger of being
Unsuccessful in pursuing it.

Gajanan Mishra
No Danger, My Dear

No danger, my dear, here,
Endless gain and no suffering,
O my dear, here,
You are just to
Make union with the self,
You are just to
Come forward for self-help.

Gajanan Mishra
No Dark No Darkness

Find here
No dark
No darkness.
Find light,
Light of the self
All over the sky,
Everywhere
On this earth.

Fearless I am here,
See me with your own eyes.
Concentrate your mind
With great attention
On me.
I am the truth
Far away from falsehood.

No failure
No unhappiness
Stay conscious everywhere.
Stay with all gravity,
All intelligence
And forward yourself
To proper direction-
A beautiful life
Is waiting there.

Gajanan Mishra
No Darkness

No darkness can stand
In the presence of the sun
O my sun, please come
And stay with me
I know You are here within me
In my heart and I am sure
You are not going apart
At any time and I know
No darkness is here within me
You are pure and it is under you
My senses are functioning and hence
Their works are also pure
See my dear there is no material
Contamination there is no
Imperfection no impurity
It is only possible by
Revival of contact with You
It is only possible
In your presence, my supreme entity.

Gajanan Mishra
No Darkness Can Stand

No darkness can stand,
I know when I present
Myself there.
No ignorance can rule,
When I utter words
With all purity.
I think, I feel and
I say that are for all good.

Gajanan Mishra
No Deal

No deal,
And nothing.
But so many reasons
To read the text.

Verifying value
One should be
Romantic to
Satisfy others.

But who else is there
Besides the self?
So far no answer,
And each one in dark.

Gajanan Mishra
No Death

No death can touch me, see.
Since I have nectar, my dear,
I am living here, either
in this form or the other.

Name and addresses may change
But I am unchanged, see.
With the air and the water
You can find me without fear.

It is truth and it is love,
Let me tell you I am here
and you are also with me
in this same atmosphere.

Gajanan Mishra
No Death But Life

No death but life,
No life but death.
Let us go with both
To maintain good health.

And we are going
With life and death,
But we enjoy
No good health.

Reason is our mind-
The third person.
We should keep it
Under our control
Always, while doing
Works of new creation.

Gajanan Mishra
No Death Can

No death can touch me
My dear, I am here
See me for ever.

O Tennyson, you are wrong
See, I am my own sun
I am my own moon.

I am here as before
I will be here henceforth
No death can touch me I am sure.

I am sure what I am doing
Is for all out welfare
I know no friend no enemy is here there.

Gajanan Mishra
No Death Can Touch

No death can touch,  
My words, my languages,  
My love, my lifestyle.

No witch can stop  
My walk, my journey,  
My light, my beauty.

In all newness,  
There I am, discover me  
Within.

In all fragments,  
In both beginning  
And ends, there I am  
Search me out in  
Disbursement with coherence.

Gajanan Mishra
No Death Here- Disturb Me Not

Oh, I find no death,
Disturb me not please.
I am in your world,
See me within.

How can you disturb me?
Who are you to disturb me?
I am here as you see
Within you, my dear.

Gajanan Mishra
No Deception, Please

No deception, please,
I do not like
Any act of deceiving.
All deceiving tricks
Are going against you
Here, see.

Here and now
It is you who is
Deceptive,
Deceptive in thoughts
In actions and also
In the very living.

Deception is the act of
Beheading, debut not st all.

Gajanan Mishra
No Definition

No definition of sins,
And I am sure,
Nobody is sinful.

Be cool my dear
And try to climb to
The top of the hill.

Where is the hill?
That I know not,
But I am chilled.

Gajanan Mishra
No Deity

No deity is greater
Than my mother
I am with my mother.
No land is pious
Than the mother-land
I am in my mother-land.
No language is sweeter
Than the mother-tongue
I am hearing my mother-tongue.

Gajanan Mishra
No Delusion No Contrary Experience

Found here at this juncture
I found only You, O my dear, in this new orbit of love.

Gajanan Mishra
No Delusion No Violence

No delusion, no violence

Is difficult to lead.
Living means you are
Taking shelter of violence.

Gajanan Mishra

No demand,
No wonder,
No obligation,
No custom,

Your love is
self-explanatory.
Your love is
Far away from

you from the predator, For love
Though prey you are without fear.

Gajanan Mishra
No Democracy Is Here

Democratic government
Is here with us,
But no democracy is here.
Our people are not yet
Avail direct position
To keep the government
In check and for this
The development works
Suffer set back.

Gajanan Mishra
No Depth

No depth,
Up and downs
Are there, though.
Somehow or other,
We are shameful,
For no reason thereof.
We believe in numbers,
Numbers have nothing to do.
Despite this,
We should stay fearless.

Gajanan Mishra
No Designation

I want
No designation.

Designation, I mean
False egotism.

I want to
Stay free.
I want to know
And enjoy freedom.

But where is freedom,
I know not as yet.

I am free, but
I want to regulate
The self.

I know the self is free.

Gajanan Mishra
No Desire

No desire no lust
No disturbances
I am practicing restraint.

What is the necessity
I can not say
If I am going to say
I can not stay.

Not sufficient
No satisfaction
I am living with pleasure.

Ask me not anything
If I tell
You can not hear.

Gajanan Mishra
No Desire Of My Own

No desire,
I have no desire of my own,
I have nothing to do
And I am doing nothing, see,
Why should I do and
For whom I am going to do.

I know everybody has a connection
With You, everything has a connection
And for this I am here watching
That connection in close circuit
With eyes filled with tears
With throat choked with delight.

The reason is Your glories
And Your virtues, that also I desire not.

Gajanan Mishra
No Desire And It Is Life

No desire and it is life.
And if you desire anything
You are dead.
You exit and you enter not again
You are fine and a gold coin
If you exit and enter again
Think, nothing new in it
You are just busy in a bargain.

Gajanan Mishra
No Desire In Life

I have no desire in life
Save and except to serve You
O my dear, I perceived Your Presence everywhere.

Gajanan Mishra
No Desire No Attachment

No desire
No attachment
No sin.

Right?

But I have a body,
I have a wife,
I have children?
What to do with them?

I have a house,
I have a state,
I have my own language
What to do with them?

Share with me your thoughts
And let me welcome you for good.

Gajanan Mishra
No Desire No Grief

No desire no grief,
No grief and no fear,
Just I am here,
See me my dear,
But tell me not
I am yours here.
I am here with my
Own value and virtues,
I am truthful and
I am insight you.
Always I am busy
In my works,
In your words,
In the thoughts.

Gajanan Mishra
No Desire No Material Profit

No desire
No material profit

That is in all sides
And your incarnation
In various forms.

And here I find
Highest perfection of life.

Means no destruction
And there is lasting
Peace and perseverance.

Gajanan Mishra
No Dice Please

No dice please,
It is dicey.

Let the nexus
Be opened.

Let not anyone
Go to hell.

Let us hear life's
Lovely bell.

Let us keep
Our aim high
And wide.

Let us realize
This life
Precious.

Gajanan Mishra
No Difference

Water always downwards
Fire always upwards.

I find no difference
Between water and fire.

Gajanan Mishra
No Difference - Fragment And Whole

Is there any difference
Between the Ganges water
And the filthy drain water
When they are amalgamated?

My dear, if no difference then
As I am with You always
As You are in me
I am sure, I am pure.

Gajanan Mishra
No Difference Between

No difference between
An enemy and a friend
Except difference in behavior.

O my dear, be calm, be quiet
Be peaceful and stay with scriptures
Be a truth-follower.

Your success is depend on
Your renounced order of life
Employ your energy in the service of truth.

Gajanan Mishra
No difference - It Is Right

No difference  
naked or clothed  
Rich or poor  
Man or animal  
Male or female  
Dress is different  
Not the living entities  
And it is right.

Gajanan Mishra
No Difference- Peace And War

No difference
peace and war.
Peace is not free
War is not far.
We must always
Be ready
For peace
For war.
Both are ours.

Gajanan Mishra
No Difficulty

No difficulty
To attain perfection.
No skill,
No jugglery,
Or gymnastic
And nothing
But it is time
That would take you
To the truth.
Stay calm and
Take appropriate steps
To move forward.
Life is as simple as
The morning sun.

Gajanan Mishra
No direction is here,
Here in life,
No east, no west,
No north, no south.
No colour is here,
Here in life,
No red, no white,
No black, no yellow.
But the earth is here,
My mother is here,
The water, the air
All are here as
The giver of gifts-
This beautiful life.

Gajanan Mishra
No Disaster

One who create
Is a creator
It is You
Who creates us
We trust You
We are made
Right with You
You are our hope
Our life
You are our creator
We have no disaster.

Gajanan Mishra
No Discrepancy

No discrepancy, no fault,
While writing poetry, but
Write with love
And in the heart.

No proprietorship
And nothing but do
All good to all
With all sincerity.

Gajanan Mishra
No Dispute, No Dispute

No dispute over
The slogan 'Bhaarat
Maataa ki Jay'
It is the unique one,
In all over the world.
Our land is like our
Own mother, my dear.
Come together and feel
The pulse on this earth, and
In your own respiratory system.
Ours, this very land
Gives us our life-breath.
We are the sons and daughters
Of so many colours, caste, creed,
Religions etc etc are like one
And we are living here like
A bundle of stick.
Let us stick together and
Stick by our own principles
And stick up for the sovereign
Socialistic republic.
Let us stick it out all pains
For the development of all here.

Gajanan Mishra
No Distance

Distance has got
No meaning.
Where is the lotus
And where is the sun,
Still, they are one,
And see, busy in
Doing fun.

Where are you
That I care not,
I care only my
Sincerity and
All truthfulness,
I care only how I am here
And how I am thinking
Without any self-interest,
Only about you, dear.

I am in mud, no doubt.
I am here muddle through
In all the works that
I am doing for public good.
I know you are in all goodness,
And you are in truth.
See me, I am going to you,
Only on the path of truth,
Though very very difficult
To move on this path.

Dark, though, you are
There, to provide me all lights,
And I am here to tell your stories
That are the truth.
Truth for all, we are to utter
For all good and for all welfare.

Gajanan Mishra
No Distinction

No distinctions
You and I
Yours and mine.

Full of contradictions

No division,
Division is not possible,
Undivided,
We are all here.
No delusion,
Nothing is here,
No demoniacal nature.
Only truth is here
And it is one,
Only one, in different forms.
Nothing to be discovered,
No way out to go from here.
No red signal anywhere and
Each one is free to do as per order.

Gajanan Mishra
No Doctor Can

No doctor can
Prescribed what you take
No sound can say
What you like to listen.

It is the sun and the son
That appeared in time
And cautioned darkness a head
That you missed.

In sea and in field
In mountain and in sky
You are not able to
make yourself present.

Gajanan Mishra
No Dog Is Here

No dog is here,
No dog.
Come on with your
Own idea,
Come on.

Sing, as you like,
Dance, where you like,
Eat, what you like,
Stay, when you like,
But say not
Not good for the time.

March forward,
Anyhow, you have to
Proceed.

Gajanan Mishra
No Doomsday

No doomsday
No dramatic change
Live in peace
With family members
My dear
Remember me
I am for you here
Your very near
To keep you safe.

Gajanan Mishra
No Door

No door,
You can find here.
Go, go,
The road is clear.

Pious ladder
Is welcoming you,
My dear, go, go
And enter
Deep down the sky.

Flowers and fruits
Are there, go, go,
And take them
By dint of your
Own labour.

Gajanan Mishra
No dream but dream girl is here,
And we are all become mad after her.
We are hungry and we feel the trouble,
No truth no love and our optic glass
Gives no flavour, no glory and nothing
Is there for us there or here. True,
We are dreaming for a better world,
But we are not doing the works to secure
This world within first. We are restless
For nothing and we are mocking ourselves
Saying eachother worthless.Is there not mud
In our hearts in stead of love and joy.
We are at stake and yet we have not done
Anything for stack-out in our living.

Gajanan Mishra
No dream is there to waste,
No man is there to die,
Remember, the earth is
Always, in touch with the sky.

No one is small here,
Think not about your
Smallness, my dear.
You are here to make
A difference.

Just, try to know
Who you are and what
You are telling.
Never give up
What you are doing.

Gajanan Mishra
No Dream No Life

No dream no life,
Life is the gift
so also dream.
Without dream how
can I live?
And without living
how can I dream.
Living needs
basic requirement.
And my dream
makes me important.

Gajanan Mishra
No Duality

Truth is truth
One and all
No duality.

Gajanan Mishra
No Duration

No duration
No duration of time
Between creation and
Annihilation
No past no present
No future
Determination nature
So many planets
In so many universes
No time to measure.

Gajanan Mishra
No Earth No Sky

Come and say goodbye
No earth no sky
I do not need spy
Come and say goodbye.

Gajanan Mishra
No Earthquake

No earthquake,
But see,
I am trembling,
I am forgetting
My own tune,
My morning and
Evening both are
In sorrows,
My air and water
No more pure,
My food is
Not nutritious,
I am no more
Curious.

Gajanan Mishra
No East No West

No east, no west,
No sunrise, no sunset.
And we move
Round and round with truth.
But truth is not
All what we see,
What we hear.
But to search the truth
Is our mission.
And where is the truth?
Let us discover the truth
Within our own body, dear.
I am not the creator
Of my life, rather,
You are there to read
Each chapter and
Find the silent spectator,
Anywhere here.

Gajanan Mishra
No East, No West

No east, no west,
The sun rising there,
The sun is also
There to set.

No difference between
Birth and death.
The matter of life is
Also, remain unsettled.

Gajanan Mishra
No Eating

No eating no sleeping no mating
Is it life and what type of life
Before answering ask your wife
If any.

Hear your wife attentively
Are you belong to your wife
Before answering ask your wife
If any.

Are you really going to ask
Your wife then wait a minute
Let me come to you
To awake you.

Gajanan Mishra
No Effect

Come or go,
No effect.
No effect
In anything,
Eating,
Sleeping,
Or in doing
Any other thing.
But in all
Contradictions,
Neutrality be
Maintained.

Gajanan Mishra
No Electricity Is There

No electricity is there
In the moon.
I cannot say the existence of
Air or water.
But the sun is there
That I know.
And the moon is in between
The sun and the earth, I am sure.

Gajanan Mishra
No End No Space

No end no space,
No life, no time.
But everything herein
To see to feel
And to pass away
Silently without
Saying anything.

In light and in fight,
Showing strength is
But a necessity.
By giving and taking
One can declare
He is alive
Truly indeed.

Gajanan Mishra
No End Of Anything

You can not find any end
My dear, there is no
End of anything here.

You can find only expansion
And expansions of expansion
And expansion here.

In so many folds in so many places
In so many names in so many dresses
You can find one and the same.

Gajanan Mishra
No End Of Misery

I am the cause of
My misery,
No end of misery.
No dreams, no stream,
And life is not
A flower bed.

Still, I enjoy
The arts of life.
I enjoy the profound
Beauty found in it.
Here, I prove
Everything right,
Here, I read and
Write poetry.

Gajanan Mishra
No End Of Pains And Sorrow

Here on this earth,
See, no end of
Pains and sorrow.
No one is able to
Express his pain
In clear terms.
Age no bar,
From very birth
Till old age
Every one is
Here to suffer.
No power, no wealth
No partner
Can give relief.
No wish is here
To be fulfilled.
One after another
It is arising
And giving us pains
And sorrow.
Only disease, insults,
Failures etc etc are here.
One is killing another,
One is eating another.
The creatures are
Born and live to suffer,
Here on this earth.
Fractions, hate, struggles
All give us pains and sorrows.
Where is love? where is peace?
Where is nectar?
See, only cry of the creatures.

Gajanan Mishra
No End Of This

No end
And nothing.
It is all
The beginning,
Always, everywhere.

Gajanan Mishra
No End To Anything

No end to anything,
Here or there.
No nothing,
Nothing else
Remains to be known.
Who so ever he may be,
He is nothing.
Know full about nothing,
Only nothingness is
There in everything.

Gajanan Mishra
No Ending

No ending and
also no beginning,
And here we are
Competing with each other.
Result is known
to me and to you also
And here we are
fighting with each other.
We both are in lose,
remember, my dear.
It is really sorry
we care not any 'caution'
and we are burning ourselves
whole day long.

Gajanan Mishra
No Ending- Round Path

No ending- round path,
Go on moving round and round.
But stay calm and uniform
And observe the path,
And the light on it.
Catch the glimpse and
Say something in your own words.
It is your own nature that is there.

Gajanan Mishra
No Enemy

Here we have no enemy originally
Here we are living without any
Mental agonies, diseases
No excessive heat or cold.

Our creator is protecting us originally
He is looking us managing us
And doing all sorts of works for us
We should remain free and frank always.

We know our creator is everywhere
In everything at all times
We should not harm others disturb others
In their natural status and process.

Gajanan Mishra
No Enemy Is Here

No enemy is here
If you see anybody
As your enemy
That is your illusion
That is your ignorance.

Gajanan Mishra
No Enemy No Friend

No enemy no friend,
You can send
Any message
As you think fit
At any time.
But be care
The same is
Ready to return
Very soon to you.
Wonder not
It's but common.
Your spirit and
Your endeavor
Would count.

Gajanan Mishra
No English Words

No English words
For love, feeling,
And attachment.
English words are
Not able to express
So many higher stages
of life.
English words have
No place in
Respectful fraternity,
In internal opulence,
In parental affection,
And in the highest stage
Of love.

Gajanan Mishra
No Enmity

No enmity, no disharmony
No suffering or any kind.
Life is divine
In loving one another
In doing prescribed duty
That is proper
In pursuance to Truth.
It is purity, compassion
And charity everywhere.
All are qualified
For beatitude.
No one is destitute
No one is stupid
All are pious and virtuous.
All are learned and wise
And everyone recognized
The merits of others.
Acknowledged the services
And benefits received from others.
Here, find Truth and Love
Are the undisputed sovereign.

Gajanan Mishra
No Envy

No envy,
No fault-finding,
No contempt,
No evil at all
As I regard you all
As myself
And I behold you all
In me.

Gajanan Mishra
No Envy No Fear

No envy no fear.
Live life dear with
All pious activities.

Gajanan Mishra
No Escape

No escape,
Really, there is
No escape.
You have to
Know the truth
And play your role
Plainly and openly.
Every one thinks
He is clever.
But when he wakes up
In the morning he
Kept himself busy
How to fill his stomach but
Forget it is other's filth.

Gajanan Mishra
No Escaping

No escaping,
Duties must be done.

Wait not
For the result.
It is there
And you would know
In course of time.

No use of wealth
No use of power
No use of anything
That you want to acquire.

Have patience
And wait,
Everything is guaranteed,

Gajanan Mishra
No Excuse But Take Care

No excuse, but take care,
Nature is very cruel, stay fair.

Gajanan Mishra
No Existence

I have no existence,
That I know, my dear.
And still I am eager to
Accumulate everything.
I am dying at every moment
That I know, my dear,
And still I want to
Live here for my selfish end.

Gajanan Mishra
No Exit

We are all here
and we find no exit.

Where to go,
inquired little pigeon,
And I put not
any more question.

Golden oriole came
at this time and said
in clapping hands, O
Are you not mine!

Tumbler, come here my dear,
with your warbling
and let me open the sky
said at last butterfly.

Gajanan Mishra
No Expectation

No expectation of any benefits,
But only love is there.
Only follow the law of the land
And make yourself a star.

Be grateful to the mother,
To the motherland,
And to mother language, dear men,
Since your own identity is there.

Gajanan Mishra
No Experience

No dream
And hence
My dear
Understand the matter.

Matter has nothing
To do here
My dear
Understand body as a matter
And through this body
Experience life
And through experience
Have a dream
Through dream rise, rise and rise.

Gajanan Mishra
No Explanation

No explanation
And like that
For any mistake
Or errors.
Numbers have
No importance
In real term.
No new things
Come up.
Nothing to
Bewilder also.

Gajanan Mishra
No Eyelids

No eyelids,
You are not there
To close your eyelids.
And one who is in
Touch with you,
Is glorified in good places.
You have directed to
Perform all in clear hearts.
You are the ocean
And you are also the sky,
Wherein I want to fly.
See me, I am in touch with you,
Both directly and indirectly,
And you are there to embrace me.

Gajanan Mishra
No Face

No face,
No book.
How to know
Who you are,
And what for
You are here.
Still, I am
From the very
Morning waiting
To see you,
To recognise you,
To talk to you,
To say a few words
About you.

Gajanan Mishra
No Face I Want To See

No face I want to see,
Faces are only here
With so many colors.
I want a life but with no face,
No life is here but the faces.
The winter and the summer
All have their separate faces,
And I like them with originality.
The star and the car
All are moving side by side,
But they are there not far.
I want to see all together,
Without any fear, if they appear
Before the mirror.

Gajanan Mishra
No Faith In The System

How can I keep faith,
When the very system is
Not following the rules
And the laws of the land.
How can I abide the law
When it is going against
The constitution and
The people in general.
The root of all system
Is the people.
And the people must be
Given their dues.
The voice of the people
Must be heard in toto.

Gajanan Mishra
No Faith Means Nothing

No faith means nothing
No faith means my existence
With that of yours is nowhere.

Who said then we are here
Here means where
Have you any answer
If you like you can take
Here is your reward.

Often you are telling
It is fraud it is falsehood
It is forgery here is injustice
And you failed to prove it
As you are therein.

Fruit- you want
What fruit and for what
You are not clear at first.

First keep faith and then
See here is special grace
Only for you.

Gajanan Mishra
No Faith No Life

No faith no life.
Be pure and sincere
Faith take you
Near and nearer
Where there is Father.

No faith no hope
No hope no life.
Where there is faith
There is security
There is stability.

No faith no success
To hold on faith
To go on the path
Of success
And success is life.

Faith is the candle
Faith gives light
In the dark night
Be pure and sincere
Faith is the doctor
That can cure
Your life's cancer.

Gajanan Mishra
No Faith No Love

No faith no love
Nothing and nothing
Though I am
With my mirror.

Air water light
Cuckoo crow black drongo
No body is yours
I know You know
Bravo bravo.

Gajanan Mishra
No Fall

No fall,
And it is all.

It is all,
Give me a call.

A call,
Rises me.

And I am there
For all.

All are tall,
In the sacrificial hall.

Hall is this body,
This life.

And this life is
Like honey-hive.

Gajanan Mishra
No False Representation

No false representation,
All but truth, let us face all.

Gajanan Mishra
No Farewell Please

No farewell please
Nobody is coming
Nobody is going
Each and everybody
Is here as before.

Only time
Only circumstances
Only our thinking
Are changing their
Shape and sounds.

And it is for pleasure
O my dear, see me
Without your eyes
Touch me
Without your hands.

It is a game of
Touch me not my dear
Please hear
Praises criticisms
All are equally here.

Show your sacred thread
And love to all
In love everything is in tact
Nothing change either
In land or abroad.

Gajanan Mishra
No Fault

No fault
I say
Nothing faulty
You have sacrificed
Charity and penance
With you

Light is yours
You are in light.

Gajanan Mishra
No Faults

No faults
With virtuous,
I know.

No backbiting
Against others,
Please.

Use no harsh words,
Disrespect no elders.

Self praise
Is your enemy, dear.

Give up what is
With you and stay
Free from sorrows
And act within the limit.

Gajanan Mishra
No Fear No Friendship

No fear no friendship,
No fear no loyalty,
No fear no service,
Inspire fear, my dear
on the stupid servants
to get result as you wish.

Talk wisdom to one
away from worldliness.
Make friendship with
saints and gentlemen.
Expect equality
with man of peace,
Give discourse to devotees,
to get result as you wish.

Gajanan Mishra
No Fear Of Anyone

No fear of anyone,
As I have absorbed myself
In the truth of time.

Gajanan Mishra
No Fear Of Death

I have no fear of death,
So also no desire to live.
I have nothing to do
So also no one is there to meet.
I know the truth
As because I love you.
I love you
And it is the only truth.

Gajanan Mishra
No Feeling Whatever

See me
I have no feeling
Whatever.

See me
I am not merely
An individual identity.

See me
I am not in conflict
With anyone anywhere.

But I am strong,
And a powerful defendant
Of my land.

I am filled with
Love and truth.

Gajanan Mishra
No Fire In Moon

No fire in moon
No ice in sun
Is it true my dear son!

I am going
I am coming
Is it life's expansion!

Nothing and nothing
As you said something
See the plinth said mason.

With fire with ice
With coming with going
I write poetry and
You said treason.

Gajanan Mishra
No Flaw No Law

Real stuff I want,
And to use it
In real life.
The real story is life.

Men of real popularity
Have nothing in them.
But entire life
They do all good for all.

All reality,
All music,
And life is there
To prosper on this earth.

No flaw no law
Can check me to glow.

Gajanan Mishra
No Foes No Friends

No friend no foes
Friends are more than foes

And who is a foe.

Gajanan Mishra
No Follower

I don't want
Anyone should
Follow me,
I know
No followers
Is well and good.
It is sure,
I am not a guru,
Or not a man
Who is powerful.

Similarly,
I also do not like
To follow anyone.
But I follow each one,
So long as my
Conscience does not object.
And once I received
Objection I stop
Then and there.
But before doing that
I expect all good.

My life is panic,
And I fear to live,
And I invite death,
But not as a coward,
But to see the courage
Therein me.
The death is my follower,
And I am the follower of nectar,
Known to everyone here.
And it is well known
To each one that I am a poet
And death has no guts to touch me.

Gajanan Mishra
No Following Day

Remember, just remember
One thing my dear guy,
There is no following day.
Whatever you are to do
You have to do today.
Today is only your day.

Realize, just realize
You are not living after today
You are not going to stay
With these time and person and place
Whatever you miss
You will not have it again.

Gajanan Mishra
No Force No Encroachment

No force, no encroachment,
Life is as free as the air of the forest,
Forest is as free as the ocean,
And the ocean is as free as the sky,
The sky is as free as the life.
If you so like, test the time,
If you so like, know the earth,
If you so like, go and fulfill your desire,
That is there with that far up the star.
Matter is utilization of power,
Matter is nothing but to acquire
The license of life till retired.
Trained hands are equally the necessity of time
And the pious souls are there to know the reality.

Gajanan Mishra
No Foreign Element

No foreign element

No further delay
What ever is here to do,

Gajanan Mishra
No Future

No future only present
I am going to smile
And in everything
Giving my consent.

Be successful, my brother
It is my wish

You are the conqueror.

Lend your ears
To the distress and the poor
They are God's
Lovely brother and sisters.

Going with everybody
Is good and fine
Taking self is
Only rhyme that is mine.

Gajanan Mishra

No God is there in wood or in stone,
Only faith is there.

And way of life
And feel good.

But all happiness, and
Rich with all goodness.

Gajanan Mishra

No true good man
Can be a bad one
At any time anywhere.
But a bad man can
Turn into good
With the words
Of the good man.
I know not
Who is good and
Who is bad and
I invite all
To sit together
For a settlement
For all good.

Gajanan Mishra
No Good To Anyone

Think good,
And if you failed,
It is no good
To anyone.

First, pay,
Then get,
The rule.

Before expression,
Think about the wish.
And blame not others
For the consequences.

For heaven's sake
Be sensible,
But with the rule.

Not to cause injury to life.
Stay free
With right faith,
Right knowledge,
Right actions.
Go, you are freed
But avoid ill-will and desire.

Gajanan Mishra
No Grief On Separation

Separation is a must O my love
Think not it is real separation
It is just the birds flying away
In different directions in the morning
Converge again on the tree in the evening.

Every one has his own life to live
And own plan to execute the plan
And giving respect is our duty
It is nature's law
Nothing to grief and live sorrowfully.

Gajanan Mishra
No Guarantee

No guarantee no warranty
Your life at your risk

Many ways many places
Many stars many lights
Give a declaration mine.

Gajanan Mishra

No guarantee
Of the relationship
Of reader and writer.

The present here.

And by internal nature
They all glorify themselves.
They perform all works
With their multifarious energies
To reach to a greater height.

No happiness
If you are not good in nature.
No happiness
If you have no power
Of discrimination.
Listen and go
Beyond your ignorance.
Discover yourself
Where you are now
And get the real grace.

Gajanan Mishra
No Harm - In Truth

Here is a flower
Look
And look
There is a serpent
In the flower
And look
No harm
If it is true
If you are in truth.

Gajanan Mishra
No Harm In Seeing

No harm in seeing anything
No harm in glancing Your gem-like smile.

I know, my dear, You are here
To relieve the fear and distress of the people.

You are self-satisfied that I know my dear
Your smile Your glance is giving pleasure to everybody.

Gajanan Mishra
No Harmony No Happiness

Happiness is something different
I must say before all and with all,
Harmony is something and something else here.

What I asked you have forgotten and let me
Not repeat again, as we should know
Nothing is there to return.

Just remember, what you are, my dear,
And you are nothing more than a dish of
Yellow colored ice-cream in this hot summer.

Gajanan Mishra
No Hasty Decision

No, no,
Take no hasty decision,
My dear son.

Pay off.

No hearing no smelling  
Ears eyes nose tongue  
Not mine.

We are here to  
Make this world heaven  
We are here to tell  
Without mouth.

Only seeing is  
Your work  
And we are to  
Wander here  
East west  
North south.

Feeling is only ours  
Through this poem  
I want to say  
Who care.

Gajanan Mishra
No Heart They Said

No heart, they said,
In clear terms
Just for business sake,
You may enter and exit
Without any comment
En route.

Gajanan Mishra
No Heaven Is There

No heaven is there
Without love.
Where there is love
That is heaven, my dear.

You are here in
My house, you are my love,
Love is there within us,
And we are committed to each other.

Hate and envy have
No place in love,
Love is not found in hell,
In my house, my dear, are you not well?

Gajanan Mishra
No Hoarding No Poverty

No hoarding no poverty
No suffering.
Enjoy yourself
Don't hoard.

Constipation in any kind
Is bad and not for public welfare
Don't be a miser

Hoarding is a habit
Please go out of it.
Live a moment
Live the present.

Life is no different
Than heaven
O men, my friends
You are really divine.

Gajanan Mishra
No Hocus-Pocus, Please

Stay clean,
No hocus-pocus, please.

From the beginning
To the end.

I exist everywhere,
Even within you.

Stay in truth
And stay happy.

Bother not
About anything.
I am there
To solve all
Problems.

Gajanan Mishra
No Home

Since I have no home
No need to leave home
This world is not mine
I am told this is my home
Since the world is a
Place of pilgrimage
I am a pilgrim here
I suppose.

Since I am here
You are here, my dear
I have nothing to conceal
I know You are inside
My room and keeping
Everything on record
I am Yours for ever
I am Your inheritor.

Gajanan Mishra
No Hope

No hope
No desire
No lust
No sin.

No pleasure
No prosperity
No house
No sin.

Life in renunciation
Life with meditation
Life without explanation
Life is in perfection.

Eating drinking
Washing bathing
Perform everything
With detachment.
Going and coming
Living and dying
Nothing and nothing
Is a punishment.

Gajanan Mishra
No Hope Of Life

No hope of life
We all know
There can be
No hope of life
Without Truth.

We all know
And well aware
That where there is
Truth there is
Virtue and joy.

And without Truth
There is no love
And without love
There is no life.

If we are to live
We must love each other
To get honey of joy
To get fountain of prosperity.

It is good will
it is blessing
Everything is here
Only if there is Love
Only if there is Truth.

Gajanan Mishra
No horse is there with me,
I have also not even an ass.
I have taken no advice from
Fox or from lion,
I find no one here at this place.

I like no color,
I know no color is there
Anywhere here in the true sense.
I desire not to harvest anything
At this offseason.

I see the image of truth
Everywhere all time.
And when I utter words
I am misunderstood.

Gajanan Mishra
No Horseman Is There

No horseman is there,
Only horses are there.
Nothing to blame the air,
Nothing to blame the fire.

But I am going upstairs,
As I am sure you are there.
It is all good and fair,
Going with love I said I am the heir.

Gajanan Mishra
No House Is Here

No house is here,
No man is there
In that house
If you termed it
As a house.

Land is no more there,
No more- the sky,
The air and the water
All are polluted,
Light is but mystic.

I have no word
To express my feeling,
Words are also not so
Pure to write a poem sure.

Gajanan Mishra
No I

No I
No You
It is Ultimate Truth
It is service to Truth.

Conception of
Independent existence
Is like a dream.

Be in Truth
The original position
And it is You, my dear
The part and parcel
And the whole.

Gajanan Mishra
No I No My

No I, no my
And see,
Here, it is love,
It is yours,
Everything that
Are here.
Love is
Absence of
Selfishness.
Find no existence
No I, no my
It does not exist.
Selfless stage
I have to attained.

Gajanan Mishra
No I Want Nothing

No I want nothing
If I am telling
You are not there
To believe, that
I know and still
I am telling
No, I want nothing.

And you are there
And giving me everything
But I am the fool
I know nothing.
I am not able to know
Who am I and what are
There within me.

Gajanan Mishra
No Idea

I have no idea
Of this area,
And how things are
Going on here.
But I know
The ultimate goal is
To find out the truth,
That is there around us.

We have to feel
The pulse here.
We have to bring
The lost one
To the limelight
With all truthfulness.

Gajanan Mishra
No Idea No Thought

I am satisfied with what I have
At any point of time with anybody
I have never compare myself.

No idea no thought
Come to my mind ever
I have got nothing
Except peace and satisfaction.

Gajanan Mishra
No Identification

No identification,
Nothing and no one
Is here at this time.
No proof is necessary
To establish the sky,
No instrument is necessary
To bring anything
To the picture.
No sense, no intellect,
Can perceive anything.
It is all in marvel,
It is all a process
Of the bad man quarrels
With his own tools.

Gajanan Mishra
No Illusion

No illusion
When You are here
O my dear that I know.

You are the truth of all truths
You are the ultimate truth
All other truths are relative to You.

My poems are for You
Nothing to argue
O my dear I know
All in one
Everything here is You
Only You You.

Gajanan Mishra
No Ill-Will

See I have no ill-will
For anybody
See I am friendly and
Compassionate to all.

Am I not free from the sense of
Mine-ness and egoism?
And see I am even-minded
In pleasure and pain.

See I am ever contented
I am self-controlled
I am unshakable
I am determined
I am also forgiving
I am a poet full of love.

Gajanan Mishra
No Image Crumbles

No image crumbles
Body is called temple
And not any body collapses.

O my dear, this body is yours
You are here in this temple-body
I honor You I am yours glorious deeds.

You are my noble monarch
You are my truth
You manifest in this body I know.

Gajanan Mishra
No Impostor

To go out
Spotless from here
Is very difficult.
Still then, I have entered
And tested the atmosphere.

And I see only truth,
And I see only one color.
And I see only one creature.

My words are my worth here,
All are my near and dear.

Sorrow is no longer,
Life's process is clear,
With the touching of
Nectar without any impostor.

Gajanan Mishra
No Independent Existence

I have no independent existence of my own
I am born out of your feeling of love
I am nothing but love, O my dear
I am here with you always everywhere
You can not wipe me out, I am within you
I am self-sufficient, I am not hankering of anything
I am imperishable, I have affinity with all
And I am alive with you.

Gajanan Mishra
No India No America
No India no America
But I want the entire world
No man no beast
But I want entire creatures
No water no air
But I want entire elements
Everywhere I see You, my dear
Nothing is besides You
I want but You but You.

Gajanan Mishra
No Individual Identity

No individual identity
And nothing.
All imaginary and
All waiting.

For the earth
And for the sky
We are all there
And we fly.

We call the air
And we call the light.
For individual identity
Day and night we fight.

Gajanan Mishra
No Information

No information
About the things
Happening.
No suitable action
Against violation.
No meeting,
No apology.
No reason stated
Anywhere.
No morning,
No journey.
No asking for
Any cancellation.
Missing is common,
Messages given
Not in proper form.
Press the yes button
And know in clear term
The work of neutron.

Gajanan Mishra
No instruction please,
Let me go free,
The world is very wide.
My line, my circle is
Quite different from
That of yours and I am
No way related to you
Here in living with
The air and the water.
Let me stay free and and fly
And give me a chance to
Measure the sun and
The moon as well on
This earth under the sky.

Gajanan Mishra
No Intention To Conquer

To conquer anyone -
No intention.
To possess power -
No intention to oppose anyone.

Rather I respect all
And I want to live in peace,
Nothing is mine I know.

I know Truth is diminished
By falsity.
Mercy is diminished
By violence,
Austerity is diminished
By dissatisfaction.
Charity is diminished
By quarrel.

Gajanan Mishra
No Interference

We are two
And with us
No third person
Interference is there.

We are two
One- birth
Another- death
Both - not far.

Let us see
How far we are
Staying with whom
When we are in doom.

Gajanan Mishra
No Invasion, Please

At this time
We are all here,
No invasion, please,
We are in equal status,
No lower, no upper,
No backward, no forward.
As you treat me
So you are be treated.

Gajanan Mishra
No Invitation Is Necessary

To come to the mother, my dear
Mother is the amalgamation
Of all beautiful and all cheers.
We have to execute all that are pleasure
Auspicious activities while with mother
We have to satisfied ourselves
And enjoyed life that is glorified and clear.

Gajanan Mishra
No Iron Can Cut You

No iron can cut you,
No stone can hurt you,
No fire can burn you,
No air can turn you,
My dear, if you committed
To life and to Almighty.

Gajanan Mishra
No Is A Word

No is a word,
Not easy to understand.
No is a word,
As easy as yes.
No is a word,
That has no
Negative meaning
Like that yes.

Gajanan Mishra
No Isolation

No isolation please
You are my loving one
I am writing for you
I am talking to you
Our of solicitude
For your welfare.

Gajanan Mishra
No Jealousy

No jealousy, no ferocity, no violence, no cruelty,
I have nothing such thing,
O Almighty, I have full faith
In You, O omnipresent, I know,
You possess placidity, I know,
You are not disturbed, even if
Anybody uses harsh words for You,
Insults You, accuses You.
You are the feeling, my dear,
You are the real silence, love,
You are union and also disunion,
You are all pairs of opposites,
Let me stay in constant application
Of mind, my dear, to Your virtues, glories and character.

Gajanan Mishra
No Joy

No joy,
To ask for joy
Is also foolishness.
Joy has
No end and as such
No beginning.

Is no one really joyous?
Then what for this creation?

Am I hypocrite then?
Am I not fit to live in?

My style of functioning is doubtful
You said again and again and
If it is so drive me out
If there is joy for you.

Gajanan Mishra
No Justice No Peace

No justice no peace
Development squeezed
Economy shattered
Prosperity crumbled
Rough weather here there
Sovereignty lost
Indicates failures
And nothing within reach
Bo justice no peace.

Gajanan Mishra
No Knowledge

No knowledge
No detachment
No detachment
No liberation
I know and came
Here with perfection.

Gajanan Mishra
No Knowledge Is Better

Than poor fund of knowledge.

Nothing is more important
Than your own expansion.

What exists eternally
That is I.

I is more dangerous
Than anything.

Gajanan Mishra
No Lamentation

Nothing to lament
Nothing to manifest.

I see you here
Clear.

I must say
Marvellous.

Gajanan Mishra
No Language

I have no language,
Neither primary
Nor secondary.
I live only,
By love
For love
To love.
I know
You are there,
To understand me
Here, in all
Situation and
That is enough,
To make me alive.

Gajanan Mishra
No Language Is

No language is
Absolute one for life.
Go beyond the language
And speak more efficiently
More affectionately
More effectively and live
Here at this time.
Language no problem.

Gajanan Mishra
No Language No Service

No helmet no petrol,
No language no service,
You are not allowed to
Move anywhere, so also
You are not allowed to do
Anything within the state.
With helmet, you can ride,
With language, you can serve.

Gajanan Mishra
No Language, No Vote

Talk to me,
In my language
And describe
What you are
Going to do
For me.

I am here
To cast my vote
And I am here
To select
My representative
Who can work
For me.

Tell me
In your words,
How far you are
Truthful and transparent
And make me understand
And satisfy your
Sincerity and serenity.

Gajanan Mishra
No Law

No law can give
Relief to human beings.
I know, the laws are
Being made, and they are
All mental concoctions
Manufactured by inexperienced
And not so wise personalities.
The executive heads are
Materially ambitious persons,
And they always look after
Their own personal interests.
Let me say they are
Fools and rascals without
The knowledge of the truth.

Gajanan Mishra
No Legal Bar

No legal bar
to use my language
anywhere in the world,
But I must use before one
who is ready to understand me.

I want to understand you
but you have to use my language
during our conversation,
but here you are going back,
and no new court is set.

Gajanan Mishra
No Lessening

No lessening,
No increasing,
Life and
Also time.

My identity,
My eternity,
The earth
And also the sky.

And I am
Eternally happy.
You are my dear,
With me.

You are the lotus,
I am the bee.

Gajanan Mishra
No Life

No life
But a process
From birth
To death.

Seen is
Changing
In to unseen.

Feel
Every moment
I am dying.

Gajanan Mishra
No Life Force

No life force, 
The body is dead. 
No love, 
Life is valueless. 
No value, 
Without truth. 
No truth, find 
Nothing and nothing.

Gajanan Mishra
No Life Is There

Death is there,
No life is there.
But we live, still.

Gajanan Mishra
No Life Is Wasted

No life is wasted,
But a step
To higher nature.
And nature
Elevate all.
With good association,
Life is successful,
And blissful.

Gajanan Mishra
No Light No Energy

No light no energy
No darkness no lethargy
But we are here
Living on our own
In the path of evolution
And we are trying to
Overcome our self
With positive vibrations
With love with tolerance
With compassion.

Gajanan Mishra
No Likes No Dislikes

No likes no dislikes
And enjoy life.
Keep virtue and insight
And enjoy life.
Stay detached
And fulfill your duty.
Complete the deeds that
Are good and enjoy life.

Gajanan Mishra
No Limit

Your grace has no limit
I know, my dear
I am as powerful as You may desire
And there is no limit to it
If You withdraw Your power
From me I am powerless
By Your sweet will.

Gajanan Mishra
No limit - Separateness

No limit
No one can find
The limit of anything.

No limit
And knowing it well
Stay with full preparation.

No limit
But see yourself eliminated
In every separateness.

Gajanan Mishra
No Link

No link here
At this stage,
With anything
With anybody.

O my dear,
See I am growing
Without any
Decaying formula.

Cover story is
Only with You
O my dear, I know
And it is crumbling down.
But the inner feeling
Is in tact, look.

Gajanan Mishra
No Living

No living entity,
No misery.
But existence is there
As before,
With loving personality.

Gajanan Mishra
No Living Being Should Be Killed

No living being should be killed,
Each one is useful and helpful,
We should know it.

Gajanan Mishra
No Living Is In Vain

No living is in vain,
If it is going on following
The wheel of creation.
Living is never troublesome
If it is with the truth
And loving one.
O my dear men, try not to
Hurt any one here.

Gajanan Mishra
No Logic

No logic no truth.
Truth has no logic,
So also, logic
Care not the truth.

Rose is rose,
Whether red or white,
No matter.

All rude, all dusty,
Yet all stay here
Without any fear.

The flower is great,
Since grateful it is.
Live life practically,
Practically not yours.

Gajanan Mishra
No Long Life

No long life
But good life
That is, at present
The needs of the hour.

With some worms
And with some mistakes
We are living here,
And we are being
Influenced currently
With bitter experiences.

We want better life, for this
We should be cautious
About early birds who
Are struggling for it.

Gajanan Mishra
No Longer Bounded

I am no longer bounded
By geographical limits
To any country.
I belong to the entire world.
The world is one
And so also I am.
Everything is based on
oneness that is
Entire energy of living beings.
And there is am ideal
Of a common cause.

Gajanan Mishra
No Longer Bounded By Limits

No longer bounded by
Geographical limits;
True,
But no right to
Neglect or show
Disrespect to
The mother,
Mother-tongue,
And motherland.
If anyone is
Doing this,
He is the brute.
And for the entire
Human society, not good.

Gajanan Mishra
No Loss

I feel no loss
In not reading and also
If read
Not able to understand
Your poem, my dear,
And for this
No need to express sorry,
Let me request
Go on writing
As it is your business
And in business
Loss and profits are
But common.
And if any loss
Is there at any time
Let us send a proposal
To the Govt to place
The matter in the budget
And make others discuss
About it and valued it
In terms of loss and profit
Let them participate
In different forums.

Gajanan Mishra
No Loss But Gain

No loss but gain,
Please come on and
Say who you are
And what for you are.

It is your own wall
That you are to demolish,
It is your own color
That you are to show
To the world.

The world is there
Within you
And it is the truth.

You are your jewel
Take care.

Gajanan Mishra
No Love

No love, no life
Means nobody,
No air, no water
Means no river.
My dear, no money
Means no body is
Interested to give honey.

So many words are there
In dictionary, but no use.
Give me a word
And see, I am going to
Make a flower out of it,
Truth-flower, love-flower,
You may come to take nectar.

Gajanan Mishra
No Love But Hate

No love but hate is
My capital to proceed on.
Punish me if I am wrong.
Here, I am sure all are
Continuously inimical
Towards me for no reason.
And see me, I am also busy
In all material things.

Gajanan Mishra
No Love No Faith

No love no faith
No faith no sacrifice
No sacrifice means ignorance
And ignorance means
Not in truth
Not in truth means
Hazards in life
Hazardous life
Is not peaceful
And it is far from love.

Gajanan Mishra
No Love No Heaven

No love no heaven
No love no action
No love no higher region
Without love means it is
Wastage of time
Wastage of energy and
Wastage of intellect and hence
Cultivate love for
Real gains of life.

I am the love and
Without me you are nothing
You are the love and
Without you I am nothing.

Gajanan Mishra
No Love No Life

I know a language
That You know
And that is love.

No love no life
No love no life.

O my dear, here
In this language-love
No necessity of mouth and tongue.

No love no life
No love no life.

Love is life
Life is love
And it is in paradise.

Paradise is here
Where there is love
Here in body and here in soul.

No love no life
No love no life.

Remember, O my love
We are in heaven
We are in love.

We love in love
Love is life
Life is love.

No love no life
No love no life.

Gajanan Mishra
No Love No Poem

No love, no poem.  
I do agree,  
If there is no love  
My poems will die.  
Let them die  
If I love not  
All equally.  
Let me say,  
I should also  
Die if there is  
No love in me.  
But without love  
No poem, no life  
That I know.

Gajanan Mishra
No Love Rise

No love rise
No sun rise.

No sun rise
No life rise.

No life rise
No world rise.

And so, my dear friends,
Let us go with love.

Gajanan Mishra
No Lust

No lust
Find only love.

A thrill runs
Through the body.

It is love and
Not lust.

Voice gets choked
It is love
And not lust.

Fixing thought
Is love.

When you are in love
I am sure there is no vice
No pride and no hypocrisy.

Gajanan Mishra
No Magic

No magic,
No magic to be here,
It is but benediction.
It is also not new,
It is just going
With the waves
That are here with us.
We are but to wait
For the infrastructure
That is to come
In the life-highway.
It is but nature
And we are to watch it
From the tower within.

Gajanan Mishra
No Make Up

By deceitful words
Everyone can be stolen.

No need to make up with
Ungrateful one.

Flattering I don't like
And I know what you are doing.

Search out the meaning
If you can here at this time.

Gajanan Mishra
No Malice

No malice
Or ill-will,
No hatred
Or grudge.
I want only
The welfare
Of all.
And I know this
As divine nature.
Take bath
In the water,
The water of devotion
Is necessary
For truth-realization.

Gajanan Mishra
No Man Can Be

No man can be
Termed either
Wholly virtuous
Or wholly evil.
It is their
Performance of
Their duties
They would meet end.

Gajanan Mishra
No Mango In Neem Tree

And it is not possible
And what is impossible
Is our changing character
In the midst of
Hushed fountains.

Gajanan Mishra
No Mark

No mark,
No firm acion,
Idleness only
Reign all over.
Let me realize
Your name,
Let me put questions
To prove my existence.

Gajanan Mishra
No Matching

No matching,
No matching.

Now I wonder
With whom
I should go.

But so many
Are there with me,
And still
No matching,
No matching.

I am going,
Going thin
And thin but
I am thine.

Gajanan Mishra
No Material Principle

No material principle
Can bind me here, and
Here, I am a free traveler.

Gajanan Mishra
No Matter

Cold or hot
Liquid or gas
No mater
Vapor or ice
You see
I am with
This meter
No matter
How long you are
I am not
Going to measure
I am here
To go
Near and near
And I am
Not here
To utter.

Gajanan Mishra
No Matter- If You

No matter -
If you do not want
to love me.
But my dear, hate me not.

No matter -
If you do not want
to give me anything,
And if you so like
you can take whatever
and how much you like.

See me wherever you like
In the landslide
I am here and also there
Just for you, my dear.

Gajanan Mishra
No Matter What You Do You Kill

No matter what you do you kill
You are not wrong my dear, Douglas Scotney,
Let me say you are all fine and side by side,
Let me request - let others stay in fine.
Here I am waiting to see what are happening
I know my waiting has got no meaning
In this modes of ignorance that are
Spreading all over and deluding all beings.
Let us know in between going and coming
Who are ours good company and
Let us try to discriminate proper and improper
What should be done and what should be refrained from.
No matter what you do you kill,
With your own conscience say not chill.

Gajanan Mishra
No Matter Where You Are

I am not there,
I was not there,
No one is there yet,
Yet listen to all with hearts.

Your hearts know all good,
Learn how to work from the hearts,
And listen to the discourse
That are in truth and find no disadvantage.

Gajanan Mishra
No Matter Whether You Are

No matter whether you are
Here or there
No matter whether you are
Living or non-living.

But you are here
In proper order
You are the authority
And you are the only holder.

Gajanan Mishra
No Meaning

No meaning of saying
I am man I am woman
I am cat I am dog
I am king I am poet
Nothing like that.

We are naming all
For our convenient
We are calling and
Keeping all for our
Own interest.

loving keeping
Understanding and all
That are here we are
Doing and describing
In our language and we
Dare not to test.

Gajanan Mishra
No Meaning Good And Bad

No meaning -
Good and bad.
No meaning -
Life and death.

No goal
And nothing.
But free
Go, where you think.

We are here
Simply products
Of matter-
No value.

Let us know and
Realize the ultimate truth.

Gajanan Mishra
No Meaning- Happiness Unhappiness

No meaning - happiness unhappiness
Good and bad - no meaning for me
Let others be happy - my wish as
The world is my family
And here O my father-
You are the Head manager
My desire in this family
As to how others would
Become happy and this
Is Your wish I know.

Gajanan Mishra
No Meaning Of Trust

It is necessary to
Put question to self
How far you are ready
To render service
To others
Trust has got no meaning
Here or there.

Gajanan Mishra
No Meaning To Me

No meaning to me,
This world.
Though, I am
Here within the world.
I know, this world
Is not mine.
I know, I am no way
Related to this world.

Gajanan Mishra
No Meaning To Restrain

No meaning to restrain
Within bounds, as
No boundary is there,
We know.
And it is needless
To say each one of us
Should be bound-up
In our life and in bow.

Gajanan Mishra
No Mental Speculation

No mental speculation,
Stay free from the reactions,
Reactions of worldly fruiting work.

Gajanan Mishra
No Method

No method is required
For assessment of life
As a whole.
But to see, to hear
And to watch life
Going beyond everything
Is required with
An expanding horizon.

Gajanan Mishra
No Middle

I am in the middle
But here there is no middle
No poetic sensibility
Here there is no poetry.

End and beginning
Broken phrase
Mode of appearance
Paraphernalia scratch.

Dust and cold
Button fold
Neither and nor
And nothing mold.

Gajanan Mishra
No Misery

No misery
No confusion
Go on utilizing
Your body
To achieve
Truth
To achieve
Happiness
The purpose of
Life.

Gajanan Mishra
No Mistake

No mistake
No illusion
No cheating
No inefficiency
In truth
In Love O my dear
Love is superior
To all
Greatest of all
Ultimate personality
Of a lover
And love is
Transcendental bliss
And here in love
Everything is cognizant
And blissful
And so I love all
Loving is not opposite
Of hate and hate is
commits greatest blasphemy
Love and not love
No difference
Hate and love are same
Two sides of the same coin
You just make correction
While living yourself
Here in this world
That is not yours
And love will come
Automatically from
Your inner core.

Gajanan Mishra
No Mistake In Love

You can do no mistake
And I love You.

I love You
I love You.

Everybody is
Here culprit
But no punishment
For any mistake.

It is love
It is love.

You love
I love
And love is not
The work of wrongdoer.

Gajanan Mishra
No Moment

No moment,
No minute,
No hour,
No day,
No month,
No year
Is with us
In which
We are free
From the clutches
of death.
But we are
Writing poems
To live.

Gajanan Mishra
No Money

No money is there with me
Still I love you.
I know not how to behave well,
I know not how to speak in sweet tone,
Still I love you.
I am not an actor of Hollywood,
Still I love you.
I am a poet with nothing - the sole truth.

When my love knew I am a poet,
He turned back and left the place.
And I remained helpless
Without knowing what to do.
Still I love you,
This is the sole truth.

Gajanan Mishra
No Money But Soul

Power to make money
Is the act of Satan.
If one's love
Is to extract money
Is it true love!

I know not
What you think
About money
I think money is
Not honey
Money is funny
Money is not mine.

Money is most dangerous
It has not eye no ear
No heart no chart
But without money
You will not find any
As your friend kith and kin
Wife is first who make you clean.

Gajanan Mishra
No Money No Girl

No money, no girl,
Magic will not do
Any helpful work.
But I know
No where to fall.
I know when you are
Going to give a call
I will be there
To tell, worry not,
It is just a ball.
The ball is red, no doubt,
But it has so many
Colours, and it is
So small and so tall.

Gajanan Mishra
No Money- Value

No money, no problem. 
Money is money,
No matter
Black or white.
Earn, save,
But go for
Cashless economy.
Add not, delete not,
But stay a while.
Reflect your own currency.
No matter how you catch,
But stay a while
And measure your hope
With facts and figures.

Gajanan Mishra
No moon, no sun
Still, I am here
But how and why
That I can't say.

Is the path dark?
No, not at all.
Colorful light is there
And the light is
Coming out from me.

Neither I am
Going anywhere
Nor I am coming
From anywhere.

But I am there
With my own light
And I am in truth.

Gajanan Mishra
No More Air

No more air,
No more birds.
Still, I fly
In the sky.

Locate me, dear,
And see the result.
Enjoy the flowers
On this earth.

It is all dark,
And in dark
It is all one and
The same.

Gajanan Mishra
No More Bird

No bird is
Singing at any time,
No more bird is here.
If anyone is anywhere
Left, it is mute.

Gajanan Mishra
No More Comment

No more comment
Look, I am silent.

I am in search of them
Who remained at the end.

Visible all
I am blind.

Gajanan Mishra
No More Crucifixion

No more crucifixion,
We are with us
In our heaven,
All powers are here
But some love is
Necessary to buy
World glory in
Your smile.
Forgive me I am
Telling your words,
Forget everything
That pained you sir.
We are one and the same
With all the differences.

Gajanan Mishra
No More Dark

I am not in dark,
I see no more dark.

I feel nothing
Like up or down.

Call me by any name
All your program
Would be attended.

See me, how cool I am.

Gajanan Mishra
No More Dialogue

No more dialogue, please.
Show everything by actions,
Let other side realized result of skirmishes and kiss of death.

Enough is enough,
Please rush to the spot
and root out the poison-tree
that is with our brothers.

Gajanan Mishra
No More Disturbed

I am fearless, see
O my dear, You are with me.
I am fearless, and I am
No more disturbed, see
I am with You, my dear.

O ocean of compassion, I know
I am under Your protection.
I am fearless, I am fearless,
I am no more disturbed, see
You are with me.

Gajanan Mishra
No More Fire

Blazing fire -
My false ego.
And I failed to
Understand my
Real identity.

It is true,
I am not
The spotless moon.
It is true,
Still, I have fixed
My mind to the truth.

Blazing fire is
No more, see.
And I am with you.

Gajanan Mishra
No More Glamour

No more glamour with the queen,
Or with the teen. Why, what, how,
Please put no further question.

Gajanan Mishra
No More Going

No more going,
No more coming,
No more self-editing.

Life saving with destiny,
Life saving with loving,
Life saving with interpreting.

Listen, my dear, the voice of the heart,
Listen, my dear, the sky is there,
Listen, my dear, as I listening you
In my third ear.

Nothing is secret here,
No desire, no hazard.
No match-fixing, life is
As simple as you are living.

Gajanan Mishra
No More Love - Say Not

No more love - say not,
No fault lies in love.

Protect yourself
From love.
Nothing is there
Besides love.

Love-dove is
There and here.

Search not the length
And breadth of love
In your courtyard.

Please keep silence
And enjoy your own life -
Said the flying bird.

Gajanan Mishra
No More Mask

No more mask, please.
No more..
Let me stay free,
Here and there
Ever more and more.
Let me love you,
My dear more and more.
In love, life would be
Truthful and worthful.
I know you and
Your worthiness, dear.
I know you and I know
You are like wrack
And never to die.

Gajanan Mishra
No More Poem

No more poem
For now
By you.

Dear poet!
More happily
Stay there
Without words.

Let me burn
In my fire.

Dear poet!
From all light
Let me release
From myself like
Clayey soil earth.

Gajanan Mishra
No More Question Please

No more question, please,
I want not to give
Any answer to any one.

Gajanan Mishra
No More Revolution

No more revolution,
But I want evolution.
Evolution- first within.

Gajanan Mishra
No More Sound

No more sound,
All are begotten
Of ignorance.
No meaning in words,
Father, mother, master.
Scholar, honour.
Words themselves are
With nothingness.
Just in time machines
We act as operators.
And for this, forgetting all
We have to dance ourselves
Sing ourselves and
Make ourselves happy.

Gajanan Mishra
No More Taste

No more taste,
No more berries,
No more tree.

Life is also
Not at all free.

No hard
No soft
But I can't reach
The spot.

Neck to neck
The fight is one.

Nothing to be
Obtained,
And no gain.

Gajanan Mishra
No More Terrorists

No more terrorists
Are there in our area,
Prompt and decisive actions
Have smashed them all.
Let us resolved to fight
Terrorism through
Mutual cooperation for
The safety of humanity.

Gajanan Mishra
No More Universe

No more universe here,
Universe exist no more,
No universe exist here.
It is still you to whom
I discover at regular
Interval during the years.
In both ways I am to
Count years in life
And also life in years.
Though I am not free
In such counting here.
But I have an interest
To go again from here,
But nothing is clear.

Gajanan Mishra
No More, No More

No more, no more.
I want no more nothing.

Nothing is only there,
That I want no more.

No more, no more,
The sky is crying
Till now.

Where is the sky?
The sky is within me.

No more, no more.
I want no more nothing.

All day long I was/am
With the sky to
Hear that sound of crying.

Gajanan Mishra
No Mortality

No mortality no fear,
Fear not my dear,
No one dies.

Gajanan Mishra

Better not stay there.

Market complex empty
If you fear it
I am here to show identity.

Gajanan Mishra
No Name - My Father

Call me not by any name,
I have no name.
The name which is given by my father
As you know today is not the truth.
My father has given this name
As suitable to him at that time.
Actually, that is not my real name.
I am something that has no name.

Gajanan Mishra
No Name But Love

No name but love
In timeless life
I see.

I know the truth
And I feel
Proud.

Gajanan Mishra
No Name Here

All the same

Give a name
It is a mistake
Don't do that mistake
No name here

Only work gives a name
And the name
Only namesake
Not applicable
Anywhere.

Gajanan Mishra
No Natural Faith

Here in the ghosts,
O my dear, guard yourself
From ghosts here.

Do, whatever you like
But do it as per your
Natural faith and know
That they are all good.

Gajanan Mishra
No Necessity

No necessity
Of human Guru
When you are
Before me
And giving me
Abhaya in
All respect.

No necessity
Of human Guru
And I know
There is no
New knowledge
Except You
And You awaken
My inherent knowledge.

Gajanan Mishra
No Necessity I Find

In this life except
Your presence
I am here
With much disturbance
No grain and nothing
I want to offer You
As You are in those things
And all are Yours
I am living
Under Your maintenance
And with Your
Presence only
Come and see
I am obliged.

Gajanan Mishra
No Necessity Of Verb

No necessity of verb
You have told and
I understand, matter ends.

Gajanan Mishra
No Need

No need to pray for benediction
And I know I have no limitation.

I am the Truth as I know
Truth is my humble submission.

I serve You and my service itself
Is in transcendental position.

I am eager to associate with others
And I am not anxious to stop birth-death repetition.

Important is not liberation
But participation in circulation.

Gajanan Mishra
No Need- Agent

No need - sergeant.

Here is legs
That is for moving
Here is hands
That is for exchanging things
Here is my voice
That is for speaking
Ear for hearing
Eyes for seeing
Anus for discharging excrement
genital for discharging urine
Here is mind to think.

No need - anything
No need - performing.

It is nature
Who is doing its works
And see I am aloof.

Gajanan Mishra
No Need Of

No need of knowledge
No need of detailed knowledge
I know You pervade
And support all
I know You are here
You are there
You represented all
You entered in to all
And the cause of sustenance.

Gajanan Mishra
No Need Of Detailed Knowledge

No need of detailed knowledge, my dear
I love You I respect You I trust You
That is enough.
I know You pervade and You support
These entire universe covering seven layers
Earth water fire air sky total energy and false ego.

Gajanan Mishra
No Need Of Knowledge

No need of knowledge
I think and I know
I love I am single man

No need of any other knowledge
Except the knowledge of self
That is constantly fixed
And I am transcending.

You are to transcend me
I am here in me
And it is nature
Ask not future.

Gajanan Mishra
No Need Of Scriptures

No need of scriptures
Since I have no fear
I am in pleasure
My world is fearless
No worry no remorse
And I am careful
For the future.

No need of scriptures
Since I have no fear
I know I am not for
Obliteration
I am not for separation
I am only for union
I respect discrimination
I can live without scriptures.

Gajanan Mishra
No Need Of Weapons

No need of weapons
Where there is

No need of fires
Where there is
Love-affairs
There is nothing
To loss when you
Take care
O my dear
I know here You are
And I am regular.

I need no honour no wisdom no gain
If you so like you can come and join.
I am committed to you
So long as you are there
To fulfil my needs.

Gajanan Mishra
No Need To Ask

No need to ask me
this nativity question.
See me, I am telling openly
this earth is mine.

So long as I am alive
I can walk, I can run
I can do all good to others
No one has right to
put me in any trouble water,
by nasty political pressure.

If I am doing something wrong
you can punish me in the capacity of
elected state-chief to maintain law and
order showing yourself first service-holder.

Gajanan Mishra
No Need To Bother

No need to bother
About anything here
As You are with me
O my dear.

I know You are doing all
I know You appeared here
Only for me
O my dear.

You are my spirit
And You are my
Spiritual Master
O my dear.

I have nothing to bother
I have no need to bother
About me or about my
Family members.

The entire family of creatures
Are my kith and kin
You are the only creator
You are the only maintainer.

As You are here with me
I have nothing to bother
You are not to destroy anything
Though You are the destroyer.

O my dear, I am here
And You are here with me
You are here to save me
And my family members.

Gajanan Mishra
No Need To Bow Down

If you have no desire.

I am to be known
To know me is to love me.
To love me is to love the truth
I am the truth here for ever.

If I am not here
Nobody is here.

See me and find me in all atmosphere
Drinking the nectar as a lover.

Gajanan Mishra
No Need To Break The Teeth

No need to break the teeth,  
If the teeth cut the tongue  
All of a sudden.  
Think not anyone evil,  
Here everyone is busy  
In the works of each other's welfare.  
Go on performing your virtuous actions  
And renounce evil, the root of all good.

Gajanan Mishra
No Need To Depend

I know everybody here
Is self-dependent
From the very beginning.

My dear
It is the time
That is dependent
And depends on me.

Without me
Time has no value
It is I
Who created
Who manage
This time frame.

And yet
I am under the control
Of this time
And time is here
Giving me scope
To do as per my
Sweet will.

Time has no link
With my works
I am independent
Of time.

Gajanan Mishra
No Need To Describe

No need to describe
The father, sons, daughters,
Relationship.
No need to tell the world
Charity is there.

How can you give anything,
But success of life
Is in giving.

Giving what?
Eternity!
I know not,
But be a servant, dear,
And stay free
With truth.

Gajanan Mishra
No Need To Fear

No need to fear, my dear,
See me, I fear nobody.

I know You, You are here,

I know no one is here, yet they appear.

They appear and disappeared, no need to fear,
Only as before, You are here, my dear.

Gajanan Mishra
No Need To Give Me Prestige

No need to give me prestige.
And who are you to give me prestige?
I need nothing from you.
I know you have nothing to give.
I am also not eager for power.
I am not hankering here or there.
Leave me, if you are kind enough, dear.
Leave me alone, I would feel better.
Where you are and what you are doing,
No need to know, that I know.
I know no difference between
The living and the dead.
And I want to stay like a tree
Or like a stone for my own sake.

Gajanan Mishra
No Need To Go

No need to go anywhere,
Time itself is there to go.
No need to help anyone,
Everyone is self-dependant
And they can do anything
At any time here.
If you want to do something,
Do yourself for your own improvement.
But remember, what you do
That is temporary but
What they do themselves
That would benefit them all times.
Yet, do something at least
For the sake of others.

Gajanan Mishra
No Need To Go Anywhere

No need to go anywhere,
Stay here and see
What is to be done.
No need to do anything,
Already everything
Has been done perfectly,
As and when necessary
For the purpose of living.

Gajanan Mishra
No Need To Know

No need to know
The meaning
If you understand
The life here
At this time.
Life is yours,
Feeling is yours,
But not the meaning.

Gajanan Mishra
No Need To Love Me

No need to love me,
And why should you
Love me, tell first.
But you have no right
To show disrespect,
Remember this word.
Give respect and trust,
To trust is but a necessity.
And feel grateful
For the life you have
With the partner.
And feel proud
For the achievement
Made by others.

Gajanan Mishra
No Need To Narrate

No need to narrate
The history
When all know
The beauty.

Understanding is not cleared,
Measurement is not final,
Time is but limited and all,
Who are here know not how to reply.

Still, we are to collect
The utilization certificates.
Still, we are to realize
The truth of life.

It is love,
It is all beauty.

Gajanan Mishra
No Need To Prove

Here I am,
No, no,
I am not here.
If you are here,
Evidences be adduced.
And if
You are also
Not here,
Forget that
Any other person
is here.
And for this,
Take no pressure,
No needs to prove.

Gajanan Mishra
No Need To Quarrel

No needs to quarrel
No needs to store well.
We are stranger
And we are under nature.
No needs to become a sun
But it is necessary
To be a man of knowledge
And bright like the sun.
Allow not death
To overpower you, my dear,
By dint of your own good health,
Selfless service to others,
Staying always in truth
And by loving all.

Gajanan Mishra
No Need To Remember

The name of any one
As because I
Do not want any reward
From anybody
At any point of time.

I am not doing any
Forbidden action
As such I fear not
Anybody anywhere
My actions are meant
For general welfare only.

Gajanan Mishra
No Need To Save Me

No need to save me,
See me, as I am always
In changing circumstances,
Find me, here, there, and
Everywhere at a time,
Since I am the time,
And the time is fixed,
Though it is changing
Its forms and colors.
How can one save me
When I am not here or there
As searched and how can one
See me when I am within him
And he is within me.

Gajanan Mishra
No Need To Say

No need to say anything  
At any time to anybody.

Remember, when you utter  
A word, the word changed  
Its colors in the process of  
Delivering on the way  
By mixing with so many elements.

Both seen and unseen  
Be alert for the time.

Gajanan Mishra
No Need To Say Anything

No need to say anything,
We are here to see and hear
And to remain silent,
Without expressing
Any reactions on
The actions of anyone,
To prove how we are
Deep in knowledge.

Gajanan Mishra
No Need To Speak Anything

No need to speak anything
Nothing like fame and infamy
Nothing like distress or happiness
I am writing poetry sharing all
Topics open for discussion
As a poet I am fixed
In my determination and knowledge.

Gajanan Mishra
No Need To Travel Anywhere

Everything I get here.
Entire atmosphere is very pleasant
If I know not I am ignorant.

I can do here everything for You
O my dear, I know You are present everywhere.
Down to earth I move to the sky
There also You are with round eyes.

I am in love with You
And I live here forever
I have no rival
As I fall in love with myself.

I am not in any race
I am getting pleasure only seeing Your face.

Gajanan Mishra
No Need To Utter

No need to utter,
Everything is being
Understood.
It is all there
Clear and fair.
Experience the pleasure
And pain at the same time
Since you are living.
Enjoy the rising
And falling here, my dear.
Just roam in great happiness,
Just jump and move
Nothing is there to declare
Upward and downward.

Gajanan Mishra
No Need To Wait

No need to wait
For tomorrow.
See the present life
And take actions
As you like.
The issue is
Life itself.
And the life
Itself is here
To do good to others.
The entire body
Is purified and
All blessings are
There with us.

Gajanan Mishra
No Needs Of Number

No needs of number
It's all bogus.

Focus yourself
No needs of figure.

No needs of knowledge
When there is love.

And love is the only truth
And it is to be realized in life.

Gajanan Mishra
No needs to discover,
discover the night.
Night is our own ocean,
We are the fishes therein.
Here we are on our own land,
We are being exploited like
anything by our own men.
The truth is our respiration,
But we have missed it somewhere.
Our love is just a farce that fluctuates.

Gajanan Mishra
No Needs To Know Me

No needs to know me,
Tag me not in anything,
I am nothing, nothing.
In my tighter breathing,
I am nothing, nothing.
In my own home I am listening
And what I am listening
Is not known to me.
No needs to know me,
I am nothing, nothing.
What I am saying
I am a man of all failures,
How to take leadership
I know nothing, nothing.

Gajanan Mishra
No Needs To Say

No needs to say
Anything to anybody
At any time for
You have nothing to do
With your two hands,
Two legs or with
Your material body.
You have to realize
Your spiritual identity.
Know that you cannot be
Killed even if the body is killed.
One is there to save you
From all calamities.
And remember you are
Always unaffected
By these material arrangements.
It is only you man,
To search for the truth
And realize the fact
Who you are here.
Smile and live and
Try not to entertain
Any bodily conception.
And try to be a friend
Of all living beings.

Gajanan Mishra
No Needs To Speak

No need to speak
Everybody knows everything
That are necessary.

I know the vision
Undisturbed by time that are
Dazzling all living beings.

You have heard of me
And I am here for all times
In all orders and forms you think.

Gajanan Mishra
No Needs To Worship

And why should one
Worship gods for nothing.

If you are so wise, my dear
You should know the world,
It is nothing and you belong
To this world and for
Nothingness why should
One worship.

And worship to whom
A great question that is
Yet to put by scholars.

O my dear, do your duty
According to your own nature.

Your own picture.

Gajanan Mishra
No New Poem

No new poem I find here,
The poems that are here
really lack newness
That I am searching for.

Where is that love
I am searching for
here there as a wanderer
within these doubts and distrust.

No emotion is there, and also
No surrender, my dear,
No one knows how to bow down
and the sweetness therein.

Please come, give a lesson again,
Let them know the truth-fortune forerun.

Gajanan Mishra
No New Rainfall

No new rainfall
In autumn
Farmers want to save
Whatever water is in the field.

No new energy
After the age fifty

For utilization in advancement of Truth.

And You are the Truth my dear
It is only in Your loving service
One can know real knowledge
And attain salvation.

Controlling senses and
Loving service of Truth is a must.

Gajanan Mishra
No New Things

No new things
Come to light.
As before
We are in sleep.
But slowly and
Steadily the earth
Is revolving
Round and round,
And we are
Within.
The sun is there
As it is.
But we are gradually
Unable to see the light.

Gajanan Mishra
No Newness In New

No newness in new,
No manliness in a man.

The man is an ignorant fool.
All day it is hot, you are
Not here and nothing is cool.

Gajanan Mishra
No Newspaper

No night I see
That has no light.

Wife and light keep
You pure and white.

Gajanan Mishra
No Night Can Kill Me

No Non-Sense

They are going
and taking nothing.
You are going with them.
How dare you to
asked what is yours.
I am here and
watching you.
I know it has no sense,
And I know not what is sense.
But I know life
no non-sense.

Gajanan Mishra
No Number

No number is here,
How can I count?
How can I climb,

The truth, though,
Is there with all,
But a few are there
To value the truth.

Gajanan Mishra
No One

I trust no one
And why should I trust
No one is with me
Day and night.

And for this they are coming
To kill me
They do not know
I am not a person to be killed.

No one and nothing
As you think is small,
All are equal in law.

Gajanan Mishra
No One But You

I see
Here and

Who can explain
The perfect knowledge
To me here at this time.

It is only You
Who can see the false
As You are the only Truth
Within all and
Here and there.

Gajanan Mishra
No One Can Be

No one can be
My benefactor
Or mischief-monger,
When I am in truth.

I love all
At the same time
With the same ratio,
As I know all are
Here for good.

But, I myself
Is the sufferer of time.
I am here for everybody
And for everything,
But for me, no one is here.

Gajanan Mishra
No One Can Binds Me

No one can bind me,
Not even the poetry.
See, I am leaving
The place and time.

What it is and the society.

Each one is to go
Beyond the truth.
And the truth is there,
To establish the love for humanity.

Gajanan Mishra
No One Can Block

No one can block my road
That I know.
And so, I am wandering
freely here there
as per my wish, see.

with wealth,
with knowledge,
I am only hankering
for love.

And I know love is
there, where there is
Truth, and further here
I know you are the only truth.

Gajanan Mishra
No One Can Change A Man

Everywhere heaven
And saying so
I returned back from
The very issues
Of hunger and
Thirst.

The words are
Not enough
To comply
The demand of
Men.

Men, the most
Fearful and
Notorious.

Still, I talk
All divine,
And I hope
I can unmake it.

I believe not
My own tongue,
My own pen,
My own brain.

I do agree,
I can't change
A man.

But I must say
Where there is a man
There is a heaven.

Gajanan Mishra
No One Can Control

No one can control
No one can control
Birth and death.

No one can kill
An innocent and simple
Person by any means.

Can never be straightened.

Fear not anything, my dear
And enjoy unlimited strength
Know fully well that there is
No meaning of birth and death
Actually there is no birth no death.

Gajanan Mishra
No One Can Cut Me

No one can cut me,
No one can burn me,

I am not dying.
What I am telling is
What you have heard.
And you told me
You heard nothing.
Nothingness is only here,
Remember my dear,

Gajanan Mishra
No One Can Direct Me

No one can direct me
To write such and such things
No one can dictate me for anything
For any purpose as you think.
No one should be allowed
To act as a middle man
Between You and me
If I want to touch Your feet.
You are the only judge
Who can test and cross my love
And my devotion and You are
The only person who can take me
To Your chariot that is there
On the Grand Road of life here.

Gajanan Mishra
No One Can Do

No one can do
Anything for anybody
It is all for the duty.

And what is the duty
One should know and also

As you see with stars
And planets in
Relationship to truth.

And what is truth
That is to be understood
Being simple and sober, my dear.

Gajanan Mishra
No One Can Do Anything For Me

No one can do anything
for me.
I am in the water
Means I have to kick

no role to play.
It is only love
that can help me
to proceed forward.
I find no difference
Between private and public.
I cannot say I am
perfect to the point.

Gajanan Mishra
No One Can Expropriate

No one can expropriate me
From my own self where I am
There only for your sake.

Gajanan Mishra
No one can find who is there,

In the present and love will be there
In the future as it was in the past.

Gajanan Mishra
No One Can Forget

No one can forget
His/her own mother-tongue
His/ her own mother-land

And we are searching
Our own waves and hives.

My heart is purified
By love and truth.

I am devoted to you,
Creatures, I am your devotee.

Gajanan Mishra
No One Can Kill Me

No one can kill me,
Said the paper tiger,
In loud voice.
I am there to
Communicate the message
To all, but
No one is there
To believe me.
Not that
What I said
Is true.
But truth is
What the paper tiger
Has declared.

Gajanan Mishra
No One Can Make Me Fall

No one can make me fall,
And I can never fall down
From my position.

See, I have already surrendered everything.

Let me teach love,
Let me regulate life,
Let me give pleasure to all.

Coming through the truth,
I know you, in all goodness of nature.

I am in my correct postures,
And I am life personified.

Still, I am in my original form,
And my dear, I have risen.

Gajanan Mishra
No One Can Make Morose

And I enjoy
While You cry.

going to do all these,
I am not a human being.

Time is being created
Within me.
Let me see and test you,
How far you are in truth.
And the truth is not in danger.

Gajanan Mishra
No One Is All In All

I am sure,
No one is all in all here.
And I am here to make
The faithless to faithful

Where there is true love.
And love is there
Where there is the truth.

No One Is Allowed To Call

No one is allowed to call
By name.
The name has no value.
But something is there
In a name, and
It is changeable.
The true identity is
Not disclosed in a name.
Call by any name,
The thing is the same.
Terminology has a role, though,
We are not bound to
Go with it always
At the same level.

Gajanan Mishra

No one is alone,
Think not you are alone.
But you are alone,
Think always
No one is there with you
Besides the truth.
And truth is there
When you are truthful.

Gajanan Mishra
No One Is An Enemy

No one is an enemy
Or a friend.
Each one is passing
As a toy in the hands
Of time and playing
The roles as directed.
Each one is all powerful
In all respects and
Storehouse of nectar
And of all pleasure.
Be your own ruler, my dear,
And see the light within.
You are your own challenges,
And you are your own master.

Gajanan Mishra
No One Is Authority Here

No one is authority
But we should quote one
To make ourselves disciplined.

It's time
To upgrade.
It's time
To go out
From shade.
It's time
To declare
No one is bad.

Still we try
To go
Out from time.
Still we try
To stay
Within.

Gajanan Mishra
No One Is Blind And Everyone Has Some Sorts Of Vision

No one is blind and everyone has
Some sorts of vision.
Know this truth from the very
Beginning of life.
Live and enjoy the life,
Enjoy its beauties
With all truthfulness.
Compromise life, my dear
Under the influence of holy
Persons and places and
Assess the seriousness of life.
Wipe out all ill feelings
And all blindness that are
Within you, dear.

Gajanan Mishra

Reap benefit of world peace
For the sake of humanity.

Gajanan Mishra
No One Is Calling Me Today

No one is calling me today
and I went hearing the call.
The call is sent by the sky
Through air and I am fired.

This time also I am hopeful
that the bees would come with honey.
With the honey I can sing openly
and the flowers would cooperate me.

Rain arrived late though to the fields,
And the farmers are their to make merry
Forgetting their money they have deposited
as crops insurance and security bonds.

But it is flood, come and see,
Come and if you so like, service be rendered.

Gajanan Mishra
No One Is Coming Today

No one is coming today
How astonished! I am at bay.

I am at the guest room
With love’s guidance
Till it is declared a holiday.

I am busy, see, in my
Everlasting affairs
Though, you said, it is not fair.

Worry not my dear, it is nothing
But to cheers, life is
Very much, going on top gear.

Over the mountains, over the rivers
I am going on and on day and nights
With love and in truth, it is clear.

Gajanan Mishra
No One Is Dead

No one is dead,
No death is here.
Please see my dear,
And know the fact.

Open your eyes
And see at this time,
All words are here,
Use them in proper ways.

Try to understand
Nature, my dear.
Try to realize
Old history
To shape
New evolution.

Gajanan Mishra
No One Is Equal To Another

No one is equal to another,
Each one is unique in
One way or the other.
No one is smaller,
No one is greater.
All are the truth
And equal to
One another.

Gajanan Mishra
No One Is Equal To You

No one is equal to you,
That I know, my dear.
I know, you are thinking
About my happiness
And comfort always.
You are for me, I realized.
Seeing me in good condition,
You feel happy, I know.

Gajanan Mishra
No One Is Favorite

No one is favorite
No one is dear-most
No one is undesirable
No one is fit to be neglected
Let the desire of all
Be fulfilled here
Envy no one, my dear
Be equal to all.

Gajanan Mishra
No One Is For Me

No one is for me,
Nothing is for me.
I belong to none.

Gajanan Mishra
No One Is Free

No one is free,
Freedom is only a myth.
If we live with the myth,
Imagine the consequences
hereafter.

Gajanan Mishra
No One Is Going

No one is going,
No one is going
Without taking truth.
And truth is
Inside all here.

Gajanan Mishra
No One Is Good And

No one is good and
No one is bad but
All are equal.
Nothing is good and
Nothing is bad.
Let us live
Keeping aside
These two words.
Let us see days
Are there with us
And they are ready
To give us our dues.
We should go with
The days with all fairness.

Gajanan Mishra
No One Is Great

No one is great
By birth, greatness
Is to be achieved.

Gajanan Mishra
No One Is Greater Than Another

No one is greater than another one,
But everyone is greater than
Anything that can happen to him.

Gajanan Mishra
No One Is Guaranteed

Of being always
Victorious but the Almighty.

Gajanan Mishra
No One Is Guilty

Everyone is innocent.

See, watch, and have
Knowledge about all.

Everything is excusable
Be broadminded, my dear.

What are there within
It is to be examined.

Gajanan Mishra
No One Is Guru

All speak nonsense,
All jugglers,
All magicians.
No one is guru or teacher.
What is there to teach,
But nature is sufficient
To indicate everything.
No one is attentive and
Interested in going through
True literature.
In this material world,
Truth becomes false
And false becomes truth,
The danger of the time.

Gajanan Mishra
No One Is Here

No one is here
To explain the reasons
What and why and how.

All are in the path
Of liberation
Ask not how it is in operation.

Gajanan Mishra
No One Is Here And

No one is here and
Nothing is here.
All are here
And everything is here.

Nothing is there to rise
Nothing is there to fall
It is all falling and all rising
And i am here only..

Gajanan Mishra
No One Is Here To Analyze Me

No one is here
to analyze me.
I am what
I am not.
I am not
What I am.
Change your look
and say what are you.
Are you not truth
changing scenarios though.

Gajanan Mishra
No one is independent.

Everyone is like
A wooden doll or
Like an animal
Made of grass or
Leaf and wholly
Dependent and
They depend on
The person who
Handles them.

We all are dependent
On Almighty and He is
The Supreme controller
My dear see Him in all.

Gajanan Mishra
No One Is Irrelevant

No one is irrelevant,  
That I know and I told  
Everyone to get united  
To achieve the fruits,  
That are there for us.  
Each one is eternal,  
Each one is blissful,  
Each one is full of knowledge.  
We are all ready to go  
On the path of sacrifice.  
We are to realise  
The actual picture of life  
And for this, we are to  
Love each other on truth.

Gajanan Mishra
No One Is Known

No one is known,
And each one is
Going to capture
The thief.

The thief is
Not outside,
All know.

And everything-
Stolen.

Each one goes
Forward to
Catch no one
But the self.

Nothing to bve shown.

Gajanan Mishra
No One Is Lost

No one is lost,
And all are lost.
All are in touched
With the top and
Also with the bottom.
No one is dead,
But at times
Each one is void.
All have eyes,
And also all are blind.
Roots and fruits
All are the same.
Beginning and the end
Have the only single point.

Gajanan Mishra
No One Is My Enemy

No one is my enemy, I know it
And I started my journey through
The deep forest with all.
But the moon laughed at me,
The tiger kissed me,
The wind tried to go away
From my bag and I was a bit
Looked grey.
I was in search of the meaning,
Meaning of life here at this time.
Up above the sky the stars were
Dancing silently and I was perplexed.
Who was there I asked myself
But got no answer within.

Gajanan Mishra
No One Is Nearer Than You

No one is nearer than You, I know, my dear
And by having this conviction I am here.

I accept You as mine and I become one with You
Here love is revealed, my dear.

Gajanan Mishra
No One Is Old

No one is old,
And everyone is old here.
We are all approaching,
And death is near.

What colour is death
I am not capable yet
To declare as you said?
I am not going to death.

Death is my friend,
Death is my wife,
And I said death
To wait.

I know and I am here, to
Let you know, my wife is chaste.

Gajanan Mishra
No One Is On The Road

No one is on the road
While I am going. See.
The picture is very clear
Under this sky.
Words are not so cheap
that anything you can say.
You can hear, my dear,
If you want to remember,
Mind it, scanning is a must.

Gajanan Mishra
No One Is Poor

No one is poor,  
No one is rich,  
Let me say here.  
Here, no one is  
Knowledgeous.  
No one is fool.  

Nothing is there  
To know.  
Here, we have to  
Know as per  
Our capabilities  
For us.  

We are one and  
The same. No one is  
Big and no one is  
Small.  
Let me say further  
We gain nothing,  
We loss nothing.  

Gajanan Mishra
No One Is Reading

No one is reading
My poetry,
No need to read
Poetry, perhaps
Each one feels it.

What one feels,
Who am I
To express it?

But I must
Go with love.
Where is love,
I have to find it out
With my process.

Just wait
For a minute there,
I am not far,
And coming to you
With that dazzling star.

The star
Itself is the wonder
In this real world.

But for what?
Let me find
The answer first
By solving my
Own state affairs.

Gajanan Mishra
No One Is Reading Me

1.
No one is reading me,
But why?
Am I not used to them?
Who knows what is useful
And when?
Am I scattered?
Are my words not cleared?
See my eyes,
Are they not shared?
Do anyone finds shadow
In my footstep?
Let all see
How I am fixed.
I am here to read me.

2.
But I am here
In my house,
And my house is full.
I am uttering my words,
The sun, the moon,
The water, the air,
All are there.
I am not in favour of anyone,
Not against anyone.
I am searching
The meaning of my life.
I know not whether
I am dead or alive.
I am what I am in this space.

Gajanan Mishra
No One Is Ready To

No one is ready to
Put question.
No one is ready to
Deliver answer.

Stillness is there
And no one is
Ready to utter words.

Particle of dust
are there only for
Putting signature
To show all are present.

For the most part
The producer is absent
Still life is profitable.

Gajanan Mishra
No One Is Ready To Offer

No one is ready to offer
Any job to a poet. Why?
No one is ready to accept
A poet wholeheartedly. Why?

The poet is the flazing fire.
The poet is the colorful flower.
The poet is the dazzling star.

No one is ready to take the poet
In to confidence as becasue
No one is the sky, no one is the earth.

It is the poet who himself is the sky
And all others are his components.
It is the poet who himself is the earth
From whom all take birth.

Gajanan Mishra
No One Is Saying

No one is saying
Anything new,
Still, I hear
Everyone and study
What is there,
Called the truth.

No one is going
On the street,
Yet, I see
The shadows
Passing to and fro
With so many words.

Nothing is going to
Happen with my
Like or dislike.
Still, I comment
On whiteness before
The mirror here.

Gajanan Mishra
No One Is Shadow

No one is shadow
Of any one.
Each one is
Separate and distinct.

One depends
On another.
But each one
Is independent.

But not independent
From own mirror.
Each one is
At par with other.

Gajanan Mishra
No One Is Stranger Here

No one is a stranger here,
Nothing is intolerable,
And everything is there to give.

Rendering into Odia

??????? ?? ????  ????????  ??,  
???? ?? ??????  ????  ??,  
?? ??? ????????  ?????  ??????  ?

Gajanan Mishra
No One Is Superior

No one is superior to You
No one is equal to You
My love You are single
I am not single like You
You are with me I know.

Gajanan Mishra
No One Is The Alpha And The Omega

No one is the Alpha and the Omega,
No one is the Indus and the Ganga,
Let each one remember this, right?

Gajanan Mishra
No One Is There

No one is there to hear you,
You are allowed to say whatever you like,
And if you protest through the way you like
you are to be arrested immediately with no more hearing.

Gajanan Mishra
No One Is There To Die

No one is there to die,
I am telling it again and
And again and yet again,
But no one is here to listen,
And they are consuming times
Knowing fully well
That are not for them.

Gajanan Mishra
No One Is There To Hear

I am crying,  
And I am dying,  
Years together.  
But no one is here  
To hear me as yet.  
I am in a dark hole,  
I am in a blind well,  
But I find no way  
To go out, and  
I am not able to  
Free myself from  
Material entanglement.  
I am sure to die,  
How can I fly!  

Gajanan Mishra
No One Is There To Tell

No one is there to tell me,
How to live, what to do,
Why work, what for
The words are here.
What is perfection and
What is imperfection?
What is birth and
What is death,
No one is here to tell.
Not that I am not asking,
But I am not getting one single
Answer that match
With another.
No explanation, no literature,
Is there that can give satisfaction
At any time and yet I am living,
Living alone here with you, my dear.

Gajanan Mishra
No One Is Unconquerable

How to clean the language
Is a question not easy to answer.
But we are to protect the truth
And go on doing what is required.
No one is unconquerable, but we
Have to know the actual position
Of the time, place and person and
We are to know our own existence.

Gajanan Mishra
No One Is Without

No one is without
Any worth.
You are to know
Where is what.

Gajanan Mishra
No One Knows

No one knows
What is what,
Who is who
And where is
The proof of life
And what is this
And the meaning
Of death here.
It is all wonder,
All is but amazement
And wonderment.
No sight is fixed,
No hearing has sound,
But all are bound.

Gajanan Mishra
No One Likes Me

No one likes me,
And yet, I am living.

No needs to like me.
Who are they to like me?

I care not anybody,
For their like or dislike.

I am no way connected
with anybody here, I care not.

I am living and
I am in truth,
that's enough.

I am sure,
The world is here
to follow me.

Gajanan Mishra
No One See Me

No one sees me,
It does not mean
I am not here.
I am here as before,
You are all with me,
No change of status
Of anyone, dear.
Think this truth,
And we are all
here for good.

Gajanan Mishra
No one should be condemned
For some minor flaw or mistake
Nothing is perfect.
Something wrong is there
With everyone and everything as
Day is followed by night.

Gajanan Mishra
No One Should Grieve

For the soul there is neither birth nor death.
As a person discarding worn-out clothes,
Put on new ones, so an embodied soul,
Casting off old bodies,
Enters in to others which are new.- Srimadbhagavad Geeta.

knowing it no one should grieve.

Death is sure of him/her who is born,
And rebirth is assured of him/her who is dead.
Knowing it no one should grieve over the inevitable.

The thing which exists at the beginning
And at the end, also exists in the midstate
And that is true.

Knowing it no one should grieve.

No grieve because soul is uncleavable, incombustible
and neither can be wetted not dried.
Soul is eternal, all-pervading, stable, constant
And everlasting.

This body is unreal and has no existence
And the real never ceases to be. - Geeta

Gajanan Mishra
No One Should Suffer

I wish no one should suffer.
Let me clear, when I see
The suffering of others,
My heart melts.
I wish
All should be liberated,
All should get bliss.
I take pity on them
Who perform sinful actions.
But I am weak, so weak
That I cannot do anything
For anyone here and I pray only.
I pray let me suffer but
Let all be relieved of sufferings.

Gajanan Mishra
No One Wants Downfall

No one wants his downfall
But he sees his progress
In acquiring perishable objects
And going toward degradation.

Paying attention to one's own experience
Is good for the self
But man is consciously unconscious
That is the cause of degradation.

Gajanan Mishra
No One Wants Pain

No one wants pain
And everyone wants
Gain that I know.
But pain and pleasure
Or gain are one and
The same thing,
We all should remember.
Good and bad are all
Relative words here,
Hell and heaven are
The one and the same
Place as we all know
And for this, we should
Be cautious for future.

Gajanan Mishra
No One Wants To Be Poor

O my dear, no one wants
To be ugly here.

All are in their
Respective spheres
And they move as they cheer.

You want or
You do not want no matter
His wish only prevails here.

Gajanan Mishra
No One Wants To Die

It is fact, however acute
The source of bodily
Suffering may be.

Old age is the notice
Of the arrival of death
Served by the cruel time
No one can refuse to accept.

No remedial measure is there
By any one or from any source
In this material world, remember,
Death is identical with Supreme truth.

Gajanan Mishra
No One, But We

It is all for language.
It is all for identity.
It is all for sovereignty.
It is all for the mother
And the motherland.

Come on dear friends,
Let us fight.
Fight with the self.

Discover the truth therein.
Love all and say
We are supreme.
We, the people are sovereign here.

No one, but we.

Gajanan Mishra
No Option

New look, new life
Just see and enjoy
You have no other option.

Gajanan Mishra
No Origin

No origin
No dissolution
No existence
And we are here
We were here
We will be here
If we perceive
From the real
Point of view
This is our poem
The live-poem.

Gajanan Mishra
No Origin No End

No origin no end,
Take everything
As first hand.
Our own existence
Are to be counted
Let us understand.
Neither first is last,
nor last is there.

Gajanan Mishra
No Other

No other,
Only one,
I am the one.

Nothing false,
All truth,
I am the one.

I am the one
With my own all.

Gajanan Mishra
No Other Alternative

Excuse me for the English
O poets
I have no other alternative
But to go on the bridge
But to take sleeping pill
But to go with the link
To reach you to touch you
To read you to feel you
And to go with you all
Throughout the world.

Gajanan Mishra
No Other Alternative But To Go

No other alternative but to go from here,
And I am going, see at once and feel my
Presence if you are sensitive one.
How can you please me that is not a great
Question when love and devotions are there
Within your front pocket and you have
A constant memory and you are ever devout.
O men, come on and make it sure I am
Within you and within your reach here, there
And when you are coming to me, let me say
It is your progress towards eternity.
I am fine as your mentor, here with all liabilities
And I am engrossed in your welfare,
I have the only desire that you are to touch me.

Gajanan Mishra
No Other Alternative But Truth

No other alternative,  
But to tell the truth.  
No other alternative  
But to stay with love.

Nothing is perfect  
But devotion.  
Nothing is perfect  
But stay in protection.

Life is only  
To fulfill the desire.  
Desire all good  
Desire all truth.

Gajanan Mishra
No Other Ambition

No other ambition
But to serve the people,
In their language,
For the development
Of all the people,
The people consciousness
Movement has already started
In glorification of the people.
You can never make the people
Stay fool for all time.
The people know everything,
About you, all your politics,
And your history.

Gajanan Mishra
No Other Business

I have no other business
Save and except
Writing the poems
With my words
With my emotions
With my experiences
With my everything
Only for You
Only for You.

Gajanan Mishra
No Other Cause

I have no other cause
But to search the truth.
The truth is here,
And I am going with the truth
Without fear.

I am made by the truth,
Everybody belongs to the truth,
The truth is the ultimate objective,
My dear, offer your respects
Unto the truth.

The truth can never be multifarious,
But the truth is one,
The truth is the original and
The truth is the original.

Gajanan Mishra
No Other Option

No other option is there
Besides perception cognition
Persuasion and transmission.

I know You as a creator
And reveal-er of all
Cosmic manifestation.

You are though the root cause
Of the entire world You are
The witness of the illusions.

Though You are the creator
And presiding regulator You
Are distinct from the universal creation.

I am confirmed You remain in Your
Unique position above everything.

Gajanan Mishra
No Other Profit

I need no other profit
As You are here with me.
You are here with me
I have no other desire at all.

You are here with me
It is my knowledge
I am calm in your presence
See I am in equality.

You are here with me
I am happy, see
I am not attached to
Any other worldly things.

You are here with me
I am grateful I am thankful
As you are doing all sorts of works
For the welfare of all through me.

You are here with me
I pray You I worship You
You are gracious and telling me
About all goodness on the way.

Gajanan Mishra
No Other Rescue Boat

No other rescue boat
But your name.

No one can make cool
But you.

No one but you -
The only source of my existence.

The sum and substance of
My life and it is you.

Gajanan Mishra
No Other Way

No other way for me
But to serve You.
And it is You,
Whatever I do
With my body
With my speech
With my mind
With my senses
With my intellect
And ego
I am doing
Only for YOu.

Gajanan Mishra
No Other Way But To Go Through

No other way but to
Go through your own language,
Go to your own earth.
No one is more important than
Your own mother.

Gajanan Mishra
No Outward Show

No outward show
No grand gestures
No display of magnanimity
Just I love you
And I love you
And I have written a poem
On You and you are
In the center theme.

Gajanan Mishra
No Over

Do not make ear dustbin
Listening against other.
Do not enrich yourself
making misdeed miscolor
Do not waste time
There is no more over.

Gajanan Mishra
No Pay All Works

Am I going on
Opposite direction,
With all these
No pay all works?

You said- fool,
See me, I am doing
No work and getting
All pays.

I smiled at you,
But you cried.
I have nothing to cry
But I see you
For you are far from
The truth.

Gajanan Mishra
No Peace

No peace
You can not find peace here.

No satisfaction
I can not satisfy you in any occasion.

No honesty no integrity
You can see only trickery only cheating.

See my dear
You are on the forest-path of material existence.

Gajanan Mishra
No Peace No Happiness

No peace
No happiness,
No sense of duty
No peace.

Gajanan Mishra
No Peace No Joy

No joy no peace
And nothing is here.
Just talk,
Talk me in my language,
Do my works in my language,
And I want nothing else,
Let me know what and how
You are doing here
On my land.
Pride not for your
Service superiority.
Just go on doing your duty
For which you are taking salary
From my money.

The quality of your works
Would be tested
By my language,
By my knowledge.
Let me check my works
Minutely in my language.
If you fail then leave the place.
Someone else would come
And do the works.
If you are not interested
To learn, to talk, to write
In my language, leave the place.
Only the language, and without it
I have no peace, no joy.

Gajanan Mishra
No People No Land

It is people's land
Laws regulations all for the people
Rulers officers judges for welfare of people.

No people no land
Without people all zero.
Come to people serve people
Do all good to people.

People's welfare motto
Actions should concentrate
For people's all round development.

Come to people serve people
If you go against people
You lose your existence
And become zero again.

Gajanan Mishra
No Perfection

No perfection,
No happiness
Is there with you.
No success,
No truth
Is there in your works.
Your life is also
No auspicious.
You are not following
The law of nature.
You care not your mother,
You care not the scriptures.

Gajanan Mishra
No Personal Desire

Is with me
I want also
No personal reward
I am unmixed
Like the sun rays
Just after a heavy rain
I have no ulterior motives
I want no achievement also
And I find You, my dear, here
You are the essence of all knowledge
And my life and I see
No hurdles in my life
As You are with me always.

Gajanan Mishra
No Personal Relation

No personal relation
in public life. right?
Reinvent yourself again.

Gajanan Mishra
No Picture In Words

I find
No picture in words
And also no word
In any description.
Pale, blue, black,
Flashing -
All insufficient.
Long, wavy, curly, brown,
Or dark -
All insufficient.
Full, thin, broad,
Drooping -
All insufficient.
Neither neat
Nor untidy.
Yet I am confident
And not timid
To say
There is life -
All glassy and
chubby.
And all that
I describe.

Gajanan Mishra
No Place For Rest

No food to eat
No water to drink
I am hungry and thirsty
And still I am going
Going on the road of hot sands
And forest fires
This is my hard life
I am passing under
The scorching sun
This is my life here
On this earth
I am under the clutches of
Death and death and death.

Gajanan Mishra
No Place Is

No place is free
From danger here.
But fear not,
Truth is there
To save.
The truth is
Beneficial to
Everyone,
Worry not.

Gajanan Mishra
No Place Of Ego

I am here
To discharge my duty
Under all circumstances
As a son should discharge
His duty towards his father
I bother not
Whether you trouble me
Whether you treat me
I have no desire
I am not for myself
I am for others, I know
Here, with me, see, no place of ego
Here, I surrender
And try to purified myself.

Gajanan Mishra
No Place Of Falsehood

No place of falsehood
Here, see me and
in my writing.

Everything is here
find for the sake of
Justice and truth.

See with love,
it is with you
and for truth.

Gajanan Mishra
No Place To Go

No place to go, my dear.
No place to go.

And we are all,
All in a rented house,
Where theft of time
Is but common.

I know not
What I am getting.
But I know what
I want here.

I can say
What I want
If you ask.

I want just you, dear.

Gajanan Mishra
No Place To Hide

No place to hide,
That I know
And I am sure
You are in all places
And in everything,
You are everything
And you are everybody,
Knowing this, I love you
And I am here, to show,
How to love and
For what but here
I am not free, see me,
And do something to
Make me free in your place.

Gajanan Mishra
No Play But All Work

With a new
And successful
Strategy,
Come soon.

It is all
No play
But all work.

Like never before
Come across strongly.

Delighted and
Dazzled.

Extraordinary love
And affection
In the days to come.

Gajanan Mishra
No Pleading

Let it go on its own way
Let you satisfy natural verdict
Keep watching and smiling only.

Gajanan Mishra
No Poem Is Here

No poem is here
See, only words
Do not form a poem
Only heaven do not
Constitutes a world
Feelings thoughts and
Expressions all have
Equal weightage.

No poem is here
See, no words
And only intellect
Only bricks stones
Only incidents and destiny
Nothing more and more
Emotion diets and cured
Poem is here serene and pure.

Gajanan Mishra
No Politics In Poetry

No politics in poetry,
In life.
No politics on the earth,
On the star.
No politics for good,
For all welfare.
All are allowed to live,
No conflicting interest.
All want peace
And no interference.
No pressure no rivals,
But all are there
To face the crisis
Of the world, for love, dear.

Gajanan Mishra
No Politics Please

No politics please
In education in health
In love in service
No politics please
In life in death
In eating in sleeping
No politics please
In making friendship
With flowers with stars
And if we make politics
We lose everything.

Gajanan Mishra
No Possibility

Here there is
No possibility
Of getting out.

You are trapped
And being harrased
By material nature.

You are always
Bewildered
And go to death.

What is successful
Not known
What is entanglement
Not known
Yet it is shown, we won.

Gajanan Mishra
No Possibility Of Disunion

And we are united
And I am asking
O my dear
Where have you gone
You are not with me
And I feel your presence
And I have not met you
For a long time
And I have a desire
To meet you
I love you O my dear
I know there is
No possibility of our disunion
And You are with me.

Gajanan Mishra
No Possibility Of Disunion - Without Disunion

No possibility of disunion
And we are going far away
From one another.

From one another
We are not going at any time
Going away is also not possible.

And we are going away
Knowing fully well not going
Going far away is impossible.

We are going and uniting
We are uniting and going
Going and uniting without disunion.

Gajanan Mishra
No Poverty No Pain

No poverty, no pain
Can touch you if you
Have patience, purity,
Kindness, polite words,
Peace and self-control
And in harmony with friends.
You can attain pleasure, dear men,
Even if your treasury is totally empty.

Gajanan Mishra
No Power

See me I am really powerless
Personally I have no power
To do anything or
To go anywhere or
To stop anybody here.

I know everything is here
For no good
All are here to give me
Trouble and disturb me
I am patient and waiting for You.

I want to serve You
I am very attached to You
You are tremendously powerful I know
And I have my own firm faith and conviction on You.

Gajanan Mishra
No Power Can Kill Me

No power can kill me,
I am ordinary dust -
A man on the street.

Gajanan Mishra
No Power In My Eyes

No power is there in my eyes,
And I am not able to see.
I lack knowledge to know
How and where from
I arrived here.
The sky is full of emptiness
You said but I failed to
Get a seat for myself.
You termed it mystery
But I care not your words
And I laboured hard
To assembled the bare
Necessities of life.
And I left alone, see.

Gajanan Mishra
No Power To Rewrite

No power,
No power to
Rewrite the self.

Self can be seen
By the onlooker,
Self is
On the sight always.

Every one has
Power to see
With the light
That is within.

Self can be lit
Self can be known
By the self only.

Gajanan Mishra
No Prescription

No prescription for you
Nor are you want of anything
I know my son
Nor have you a need
To obtain anything
You are to engaged yourself
In your routine
And you are to
Go beyond it crossing
Everything in broad day light.

Gajanan Mishra
No Prize - Nothing

Give me no prize,
I want nothing.
What is the use
Of your prizes
That I know not.
Give me nothing,
If you so like,
Blame me, I have
Nothing to do
With you, I know
I am not the truth.
I want to go
But where and when
That I do not know.

Gajanan Mishra
No Problem

In real life
But problem
In mind.

If you want
Enjoy real problem
If problem is
Not problem.

Problem is
In mind
frightened not
To problem.

Problem is not yours
And you are
To enjoy problem
If you are in truth.

Gajanan Mishra
No Problem In Love

Love, love, love,
The only force with you,
Love all, love the language,
Love the land and find
No problem anywhere.

Gajanan Mishra
No Problem Is Here

No problem is here,
No problem is here with me.

I am okay with
My land, my trees.
I am satisfied
With the water
And with the air
That are here with me.

Disturb not please
By making any change
That are there
In natural ways.

I am happy with me,
Interfere not please.

Gajanan Mishra
No Problem Is Here With Me

No problem is here with me,
But I am my problem.

Gajanan Mishra
No Problem Is Problem

No problem is problem
It is enough problems
With all feelings
In vibrations.

Together let us
See the threat
Threat is not here
With any one of us.

Reaffirm and confirm
In appropriate platform
Here it is in exercise
With life-term.

It is the work-force
Rat-race and energy resource.

Gajanan Mishra
No Problem Is There In Life

No problem is there in life
No darkness no night
I am in Truth with Ultimate Truth.

You may come, you may go, no problem
No embarrassing no dwindling
I am in Truth with Ultimate Truth.

Life is nothing but Truth
Truth is part and parcel of Ultimate Truth.

Gajanan Mishra
No Profit

No profit,
And you are
Going for profit?
What is the profit?
No jugglery,
No magic,
But life is here
As simple as nature.
Whim and satisfaction,
Life is full of contradiction.
I love life for its emptiness,
I love life for its descending
Order in the voice of an
Imaginary story teller.
Without any discussion, I agree
With you that life is
Not the opposite of the truth.
And life is what I see in you.

Gajanan Mishra
No Proof

No proof
I am here
No proof
You are mine
No proof
We are in love
No proof
If you deny
What I speak
No need of proof
If I smile.

Gajanan Mishra
No Propaganda

No propaganda
No need of propaganda
Here in this place of work.

Be truthful be merciful
Be faithful, my dear
Let all lines clear.

I know ultimately
You are alone here
Show your internal features.

Gajanan Mishra
No Pulse

No pulse
In us?

No reactions
With us!

I wonder
How we live here.

I wonder,
Are we warriors!

All words,
All actions
And all who are here,
Are they all without blood!

Life is all
But a laughter.

Gajanan Mishra
In both subject and object
No poetic sensibility
In You is not correct
Different angles of vision
Is there but not perfect
Seeing the Supreme Truth
I reached at a point
That is self-sufficient
And cognizant.

Gajanan Mishra
No Quarrel, Please

No quarrel, please,
The seeds of enmity is there
With evil of destruction.

Gajanan Mishra
No Question

No question
Win or loss
No question
Success or failure
Nothing yours
Nothing mine
We want nothing
We possess nothing
No word
No language
Silent is not ours
We barred
We are witness
Nothing to speak
We have no opinion.

Gajanan Mishra
No Question Besides Truth

No question,
See, no question of return,
No question of return to this world
When the notion of naturalness in
Unnaturalness is wiped out,
See, no other independent existence
Besides Truth.

Gajanan Mishra
No Question Is Void

No question is void,
But see in every question,
Answer within lies.

Find the answer,
And from the answer,
Put the question again.

See, different one
At different time
Both truth and untruth.

Rule the world
With proper answers
That have no questions.

But life itself is a question
That is void, I am sure.

Gajanan Mishra
No Question Of Big And Small

No question of big and small
And I know it has no affect
On anybody's life
Life is totally different
Life has a different perspective
Try to know my dear and
Try to say something on life
You live with all goodness.

Gajanan Mishra
No Question Of Disobeying

No question of
Disobeying You, my dear
I know Your hands are in
Everything in each quarter
It is the traditions and customs
To respect our past lives and experiences
Relating to You. O my dear
As light posts in present times
And we are following all these
Without rubbish interpretations.

Gajanan Mishra
No Question Of Hearing

Without You I am nothing
As without a speaker
There is no question of hearing.
O my dear, I am receiving everything
By hearing and You are doing everything
From the very beginning.
Learning through hearing is a great thing
It is great understanding and here
There is no cheating in life's experiencing.
You are explaining the meaning, my dear
And there is a finding of Truth, practically
It is perception and it is hearing and seeing.

Gajanan Mishra
No Question Of Meeting

No question of meeting
Evil end when
You are with me.
I know You are real
And to stay with You
Is my destiny.
I know You are
For the welfare of all beings
I am with You means
I am here renouncing
My selfishness and pride.
I have no selfish motive
And no intention to harm others
And hence all bright is my future.

Gajanan Mishra
No Question Of No Love

Yes, there is love,
Everywhere.
No question of
No love, anywhere.

So long as there is a heart,
There is mercy.
So long as there is a flower,
There is a color.

Earth is here, and
We are on this earth.
And beauty is being
Created everyday here.

Let us join together to see
And enjoy here and hereafter.

Gajanan Mishra
No Question Of Return

No question of my return
But you are there to see
Me again there with words.

Gajanan Mishra
No Question Please

No question please,
When I am talking
About my mother
About my mother-tongue
About my mother-land.

I am the last man
To tolerate if you
Go beyond your limit
And try to establish
Yourself in the middle.

Gajanan Mishra
No Question To Ask

No question to ask,
I am here just
To listen you, dear.
I know, nothing is
There top wake me
Besides my urge.

I know I am going
Everywhere and nowhere,
I know no one is ready
To get up at this time.

But I know not
What is going on here
At this time and I see
The sea simple but deep.

Gajanan Mishra
No Question, Go On Practice

No question please,
Go on practice
till you reach.
No place to reach
It is with you
It is in you,
there is all answer
already in stock,
go within and discover.

Gajanan Mishra
No Rain

No rain,
But the sun
And the sunshine.
No touch,
But the love
And it has no fruit.

No smile
But all cry.
No friend
But all foes.

How to live
No answer.
Only to die and
No one to hinder.

Gajanan Mishra
No Rays

No rays
No raze
And without rays
How you dare to say
And without raze
How you create!

Gajanan Mishra
No Reaction

Only action.
Only enlightened
Nobody in darkness.
Only pure knowledge
Illuminating the heart.
Super Power
Only ours.

Gajanan Mishra
No Reading

No reading
Only living,
No living
Only staying.

We stay
To do something,
No meaning
Of doing
We know though.

Doing is
Showing egotism.
Living is
Proving how
Insane we are.

Gajanan Mishra
No Real Affinity

It is all fake,
In the process of decay
Every moment.
We all know it.
It is also true,
We are not fake
We are eternal
And we have no
Real affinity
With anything here.
We are in love,
We are the truth.
The integral form
Is nothing but the truth.

Gajanan Mishra
No Real Benefit

No real benefit,
No actual prosperity,
No dignity,
I see.
With one who lives
Like an illicit lover.

And who is an illicit lover?
One who neglects his own mother,
Mother language and
Motherland, let me say,
Definitely an illicit lover.

And I want to quit
The place where such misfortunate
One stays for a while also.

Gajanan Mishra
No Reason But

No reason but
Life is there.
I do not admit
With this.
I do admit
In satisfaction,
There is everything.
Be clean,
Perform austerity,
Practice non-violence
And truthfulness.
And discover life
In a new form
Here at this time.

Gajanan Mishra
No Reason Of Crying

No reason of crying,
But to tell anything
Is your foolishness
And your enviousness.

I know, each one of us
Is a mobile temple
And love and truth
Are the gods here.

Offer respects to
Each one here and
Give them a proper place.
Stay in consciousness,
And identify each one
With the light therein.

Gajanan Mishra
No Reason Of Disappointment

No reason of disappointment
My dear, go on, you are on right track.

You are the means and you are the end
Do not keep with you attachment and aversion.

Mind it, my dear, you are not the authority
To say what is good and what is bad.

I see You my dear, that's finished
Nothing is left to said or done.

Gajanan Mishra
No Reason To Lament

No reason to lament
I am always taking birth
I am always dying
I am the symptoms of life.

Gajanan Mishra
No Reasons To Distinguish

No reasons to distinguish
Between friends and opponents.
And we have nothing
To lose or gain.

Let us stay sincere to life,
To literature.
And feel independent and live
For all welfare.

Gajanan Mishra
No reflection
Means useless
For promotion.
No promotion
Means useless
For passion.
Passion is but
Necessary for
New creation.
And without new
Creation, life
Lost motion.
Life with motion
Means saturation.

Gajanan Mishra
No Relation

No friendship
Vision divided
No space gap.

Pray with
Folded hands
Give great respect
Space ended.

Oceans emptiness
Relation exchanged
Wonderful context
Beginning reacted.

Gajanan Mishra
No Relation- Life Nothing

It is fact
I have no relation
With any one here,
Person or thing
No matter.
Think not I exist,
Also think not
I do not exist.
So also I have
Nothing to do
With your words
Or your writings.
I am here in peace
With nothing.

Gajanan Mishra
No Relationship

We are here
We have no relationship at all
With each other
We are quite different in nature
While one is sentient other is not
While one is perishable other is not
While one is mutable other is not
And we are here
And we are here together.

Gajanan Mishra
No Religion

I have no religion like the sun
No caste like the moon
No creed like the earth
No name like the sky
No shape like the air
No stability like the water
No darkness like the light
See me, my dear, I am here.

Gajanan Mishra
No Repetition

No repetition
No regulation
No relation
Ask not reason.

Only delusion
In passion
In renunciation
Here is attention.

Action invited
Valuation and
In devotion
No division.

Gajanan Mishra
No Respite

No respite
From heat waves
That boil us
With mercury soaring
Up to fortyeight degree.

Gajanan Mishra
No Rest

No rest, no rest, no rest,
No rest for me, no rest,
Till I have reached at Truth.

Here is the poet, who knows the Truth
And I am with this poet at present
No rest, no rest, no rest, till I reached the Truth.

Here is the Truth, that is within me
And here am I who has the Truth
No rest, no rest, no rest, till I become the Truth.

Gajanan Mishra
No Rest House

No rest house is here,
Where to take rest, my dear?
Let the impurities be cleared.

Gajanan Mishra
No Resting Place

No resting place,
It is all darkness,
And all space.
It is all water
And all fire
That play.
All flowers,
All fruits
For good.
But the truth is
We are all
In the mode of ignorance.
The fire and the water,
All non-different.

Gajanan Mishra
No Restriction

No restriction of
Time and space
I see always
And everywhere
Your face.

Peace is
The need of the hour
But alas, knowing all
We are not doing
Anything to get it.

Gajanan Mishra
No Retirement

Here I am rendering service
And here in this service
There is no retirement.

Here I am rendering service
It is in love and it is in truth
It is eternal and ever encouraging.

Gajanan Mishra
No Return

See
I am going
On the path
And the path
Of no return.

See
I am
At present here
And You are
Near.

See
You are my path
I am going
To You
From You.

Nothing is
There that
I say mine
And I am
On journey.

Gajanan Mishra
No Return Journey

When I merged in Your rays
I know it is complete bliss.

Gajanan Mishra
No Reverse

No question of
Going back.
In our cars
Reverse not allowed.

I need
No z plus dreams.
Here we live
In natural piety.

Gajanan Mishra
No Reward

No reward
Is necessary.

I am doing my duty
And without doing
My duty I can not live.

While doing my duty
I have not attached myself.

No reward
Is necessary
In detachment.

I am in truth
And truth does not
required any reward.

Gajanan Mishra
No Reward For Nothing

No reward for nothing
Nothing for no reward.
Gravity austerity
Self- control and purity.

Gajanan Mishra
No Right

I have nothing
I have even no right
To think you as bad
I have my goodness
Within and I know
Watching your faults
Is not my business
And I am innocent and also
I see you innocent.

Gajanan Mishra
No Right To Dupe

I am free
And free to act
According to
My sweet will.

I am free
But not free
To act in an
Arbitrary way.

I have every right to
Attain perfection
I have every right
To lead a happy life.

I have no right
To build a barrier
I have no right
To dupe others.

Gajanan Mishra
No Right To Humiliate

No right to
Humiliate any one.

No right to
Order any one.

I have a right
To speak, though.

All for love,
All to love.

Gajanan Mishra
No Right To Ignore Me

Hate me if you want
But don't be apathy
Don't be indifferent
I am near you
I am around you
O men
I am not forcing you
To love me
You are allowed
To hate me
But you have
No right to
Ignore me.

Gajanan Mishra
No Right To Kill To Harm To Hurt

No right.

Who has given you right
To kill me?
To harm me?
To hurt me?

You have
No right.

Sorry,
Let me say.
You are nobody.

You have
Nothing.

You know
Nothing.

Sorry,
You are
Not unique.

Here,
All are
For all.

One is to
Co-operate
The other,
Wherever possible.

But never to
Put anyone
In danger.

You appear,
You disappear,
Remember, you are
Meant for departure.

Gajanan Mishra
No Right To Take Away My Language

Who so ever you may be,
You have no right to
Take away my mother tongue,
You have no right
To harm me, injure me,
Or kill me anywhere
Here, there, on this earth.
Who so ever you may be,
You are to work for me,
For my welfare.
Of course, I am also here
For you, for love, for truth.
Who so ever you may be
I know, you are the truth.

Gajanan Mishra
No Rise No Fall, Dear

No rise no fall, dear,
And we are here for each other,
We are together, it is clear.
We have everything,
The sky and the ocean.
We belong to all,
The air and the fire.
We are iron, we are diamond,
We are all with one bond.
Yet we are alone
In our own loneliness.
Yet we fall not and we
Rise not at any time anywhere
And, none, is a foreigner.

Gajanan Mishra
No Rivalry

No rivalry,
But ours is
Kashmir.

Not only kashmir,
But the whole Pakistan-
Ours,
We are the lovers of peace,
We want the development of
Humanity.

The enemy of humanity
Should know this.
We are not weak.

For the sake of peace
We can do anything.

Gajanan Mishra
No Road To Go

No road to go,
No place to dance,
No word to write,
And nothing to dream.

It is both just and unjust,
Kingfisher turned the dust,
In life, to work is the must,
Life in swift is worst.

Battle and love is but one,
Battle is the road to love,
Love is the road to truth,
And to achieve truth,
Battle is but a necessity
With full honesty.

Gajanan Mishra
No Room For You

No room for you,
If you are not in love,
If you not with truth.

Gajanan Mishra
No Root, No Support

No root, no support,
No base, no illuminator,
Yet I am going,
Going with you, my dear.
As I know you are
All in one and one in all.

I am single, you are also single,
But my dear, your singularity
is seen everywhere, in
The entire universe.

I love you, I am inclined towards you
With all goodness and purity.
See me, I allowed only the good
to be reflected upon here in me.

Gajanan Mishra
No Rule No Method

Man of failure
Misfit in all situations
No love no hope
Man of ridiculous
Misfit in all places.

Gajanan Mishra
No Sacrifice

No sacrifice
And nothing
O my love
No liberation
And nothing
I am sheltering
With days following
O my dear
I am thrilling
And willing to go
Holding and breaking
Guiding and guarding
Protecting now and then
And then I am nothing.

Gajanan Mishra
No Safety

Repeat
No safety is here
No dignity
Repeat
Safe environment
Is necessary
In this world
To work with
Prestige.

Gajanan Mishra
No safety, I feel.
No assurance of safety
From anybody, I hear.
And You are saying-
I am spread all over the universe
In my impersonal form.
Everything is resting on me,
But I am not present - curious.
Though curious it is true
As the sun and the sunshine
That I know.
Everything is Your product
That I Know.
It is only you to provide
Safety to all and nobody else.
I feel an unlimited oneness
Of interest here.

Gajanan Mishra
No Sailing

No boat no sailing
From the beginning
I am singing and
Crying.

No boat no sailing
From the beginning
I am listening and
Smiling.

Gajanan Mishra
No Saint No Sage

No saint, no sage,
But they are there.
Let us give a new name,
I wonder, what should
Be the name.
Wolf?
Owl?
And what more?
They are sucker
of humanity.
They have no morality.
Let them not call by any name.
That would be an insult
To the very name.

Gajanan Mishra
No Satiation

I am writing again and again
And yet again again about love
About truth about You, my dear
And I feel no satiation
I am looking with ecstasy
Your sun Your moon Your stars
And Your face and Your world
With all creatures atmosphere here
And I have no word to utter.

Gajanan Mishra
No Satisfaction

No satisfaction no perfection
No perfection no satisfaction.

Fulfillment is not perfection
Freedom from desire is perfection.

Purification of inner sense is perfection
Perfection is true knowledge with action.

Action performed by time with dispassion
It is Supreme Love expression.

Gajanan Mishra
No scripture is there
That can removes doubts,
That can reveals truth.
No scripture is there
In this world that can
Reveals secrets of life.
No life is there that is
Pure and perfect here.
Everything is a matter of
faith and belief and
Not of reasoning. But it is
Our duty to lead a righteous
Living like that of a
Chaste woman in diversity.

Gajanan Mishra
No Secret

No secret, Come on.
Do your duty in time,
and take your payment.

Gajanan Mishra
No Seed

No seed in mushroom.
See me, I am
Like the mushroom,
Coming out from the earth,
Coming out from the wood,
Coming out from the stone.
I am coming out to give you
The real taste of life.

Gajanan Mishra
No Self

I have no self
Except Yours
O my dear,
Whatever is with me
I am utilizing
For your service
Kind enough
To accept it.

Gajanan Mishra
No Self-Interest

No self-interest
And it is good
No tie of affection
For kinsmen
And it is good
You told me
And see here
My path is clear
Now to go to You
O my dear
O my Universe
Keep me with You
O my Madhu
I pray
Let my attraction
Be constantly
Drawn unto You
Without being diverted
To anyone else.

Gajanan Mishra
No Self-Interest, No Ego

You are the best, go and
Show your performance.

Think not about personal
Happiness and comfort,
And give performance to all.

Discriminate not, humiliate not
Anybody at any time
You are the best, go.

Gajanan Mishra
No Separate Book

No separate book is there
For love for truth for You.
You are here love is here
Life is here truth is here.
I am busy in searching You
In searching love life and truth.
And here is our relation
As it is in the past and for ever.
See me test me I am eternally perfect
Tell me not I am here without You.

Gajanan Mishra
No Separate Entity

I have no
Separate entity
Different from you
And I am bound.

Let me accept
Nothing as my own.

I am failed to
Acquired true knowledge,
I know my life
Proves fruitless
As I failed to love
In the true sense.

Gajanan Mishra
No Separation

No separation, no grief
We are in union always
As you pervades everywhere.

Gajanan Mishra
No Shame No Hatred

No shame,
No hatred,
No fear.
No one is great
No one is small.

You can utter
But give respect
To others.

You can do anything
But no right
To harm others.

You can eat
You can drink
But kill not any one here.

Gajanan Mishra
No Shape

No shape
And You are unseen
No shape
And You are unheard
No shape
And You are unmanifest
And I realized it
And You are related to me
And I do admit your existence.

Gajanan Mishra
No Shelter

I am afflicted
By hunger and thirst.
I have no shelter,
No place for rest.

I am in between
The hot sand and
Forest fires.

And I am
Unable to walk.

You may call me
A space traveler.

My capital is
My own flesh
That I am eating.

Gajanan Mishra
No Shore

No shore
No sea.
No support
No purport.
Nameless
Notion less.

Gajanan Mishra
No Short Cut

But long and long
Process of journey
I have to pass
To reach my hut.

Just I am
Coming to my hut
O my dear I am
Telling the truth
My modes of passion
And ignorance vanished.

Gajanan Mishra
No Side Effect

No side effect,
Keep your mother
With you.

No side effect,
Keep love and
Truth.

No side effect,
Smile my sweet,
And get bliss.

No side effect
Tell your own words,
And stay firm.

Dazzle like gold,
Tightly, time be hold.

Gajanan Mishra
No Sign

No sign
Wrong to say
Positive or
Negative.
No job
No compensation,
Said, you have
Taken birth,
Responsibility is
Yours what and how
And when and with
Who to eat, sleep.
You are free.
But medicines are
With us, It
matter not
It is guillotine
Or barrel of gun.

Gajanan Mishra
No Sin

Doing one's own duty
In accordance with
Scriptures
Is no sin
Doing actions
With selfishness
And pride
In order to
harm others
Is sin.

Attached not
To the body
And life-breath
And be successful
You yourselves
Are to know what to do
And be cheerful
Nothing is sin
If it does not
Harm others
And it is
Beautiful.

Gajanan Mishra
No Sin In A Man

I do agree with you
Sri Aurobindo,
No sin in man.
I do agree,
Ignorance and
Misapplication
Are there.
And it is the duty
Of the poets
To guide the men
And provide light and
Proper knowledge,
To drive out all
Ignorance in men.

Gajanan Mishra
No Sin Is Here

No sin is here
Let me say and
Let me pray to
Lead a happy life,
My dear, with knowledge,
Knowledge is only your capital.

Let the sins perish
With the fire of knowledge,
And the world is
Full of knowledge,
Just go on acquiring
With this knowledge -
The blazing fire
Reduces the sin if any to ashes.

Gajanan Mishra
No Sin No Virtue

No egoistic notion,
No tainted intellect,
No sin and no virtue.

Gajanan Mishra
No Single Principle

No one can say  
There is a single principle  
Here in this world.  
In this world you  
Cannot see anything similar.  
But the similarity is  
Everyone is taking birth  
And everyone is dying.  
All these are going on  
Only for common good.  
The good is in views  
In showing valor.  
It is well known that  
Here everything is yours.

Gajanan Mishra
No Sky

That is no sky
And we are glad.

They said you poor Indian
never jump
You have no courage to jump.

We are glad
That is no sky.

They said wonder
We replied this is summer.

Man is not faithfull as you know
And you also know man is not
Independant not impartial.

At the day-end
Man turned star
To sleep in the bar.

Gajanan Mishra
No Sky Is Here

No sky is here,
And nothing.
No house is here
And nobody.

But some attachment
You can find, and
Nothing to discard.

And here discover yourself
As a prisoner and
You may link yourself
With anything you like.

But nothing is here
No water no air,
No forest no fire.

Gajanan Mishra
No Small No Big

Be careful in doing
Be vigilant and
Ensure recognition
Loves awake
To liberate.

Gajanan Mishra
No Smile Please

No smile please,
If you hate me.
But I know
You are not beneath me.

Gajanan Mishra
No Solace Please

No solace after this please
and I getup to see
the havoc caused by
masturbation.

If you are not hereto soaked
snuffer and when I
have my morning
you are in your evening
and there is no difference
with the maker.

If you are missing
somewhere in the right
I am here you see
in the day bright.
No solace after this
If you not rise.

Gajanan Mishra
No Solution

I know
You have tried
A lot I know
You are not
Fixed I know
Neither in death
Nor in life
Nothing to be praised
Nothing to be condemned
You appeared
You disappeared
No difference
No effect.

That I know
Illusion rules
I know your
Ability and
The eternity
I know what
You are doing
And your emerging
Without any philosophy
I know no use of
All that in
Ultimate analysis
That I know
It is the only crisis.

Gajanan Mishra
No Song In Empty Belly

No song in empty belly,
Please ask not to sing.
It is our own emptiness
that is giving us trouble.

Gajanan Mishra
No Song, No Dance

No song, no dance
In air.
But you can
Spit on the road,
You can overtake
From the left,
You can urinate
In public,
You can encroach
Public space.
You cannot enjoy
On flight.
Your life is not
Yours in the air.

Gajanan Mishra
No Sooner The Morning

No sooner the morning arrives
They come out in search of food.
Do you know when there is morning
For these mice?
When they rise from sleep.
Then immediately they squeak
And busy always in all works
That are only destructive.

Gajanan Mishra
No Sorrow No Misery

No sorrow no misery
When You are here with me,
I am free from birth
And death when You are
Here with me, my dear.

The entire world is a
Holy, my dear and there
Is pious atmosphere everywhere
And I am here with You
With all joys.

Where You reside, my dear,
That is the best place,
Let me glance, my dear,
You are the love of all loves.

Gajanan Mishra
No Sorry Please

No sorry please.
Sorry does not fill up
the wounds you
made in anger.

No realisation
no rependance
anger will not go
sorryforry does not work.

Be normal
control emotion
If possible
write a poem
in your defence
all set right then.

Gajanan Mishra
No soul but poetry,
It is twilight,
It is life.

I want everything,
But complete whole.

No bird is interested
To commit suicide,
I know.

Ignorance is there,
And there is the pleasure.

What I dream,
That is my intimacy,
With dark, and
I am being fired.

Gajanan Mishra
No Sound

No sound, no reasoning,
No dispute, no living.
But communion is better
In silence and in dark.
But dark is there in light
And light is within
Where there is nothing
And in nothingness sound starts
Its journey to us, where we live.
We need companion to save
Ourselves from sounds.
And we live with all magic
While moving upwards from
The very starting point.

Gajanan Mishra
No Source, No Income

No source, no income,
Still, life is here.
And we are enjoying life,
Through mutual understanding.

Life-span differ,
So also the standards of living
Differ.

In dream, in awakening,
We live and enjoying life.
Life is calling us
At every moment.

Gajanan Mishra
No Special

Seeing special
Means
Strengthening ego
Finite-ness
And bodily pride
My dear son
Never see yourself
Something special
How so ever you may
Progress in life
Mind it everything
Everybody here
Reflects the image of
Almighty God.

Gajanan Mishra
No Specific

No specific
As you see
No naming
As you hear
No specific
As you attribute
No glory
As you preach
That is my love
That is my dear
And I fear
Is he here!

Gajanan Mishra
No Spin Love, Please

I am for you,
You are for me,
I am sure.

Let there be
More and more
Love with us.

Let the love grow,
No spin love, please.

Gajanan Mishra
No Spiritual Practice

No spiritual practice
No self control
No virtue
No enlightened soul.

Come with nectar of wisdom
Follow me and revealed
Realizing yourself
Through eternal modifications.

Gajanan Mishra
No Standard To Follow

Go on your own.

You have everything within
Search within.

No body is more than you
Nothing lacks you.
My dear son, go on.

Gajanan Mishra
No Starting Point

No starting point,
Yet, we start afresh
From there, where we are.

Where we are,
That we can't say
But we must say
We are from the very start.

Starting point is not here,
Not there,
Not anywhere.

Yet, we start
From here
In the way of
Completion very rightly.

Gajanan Mishra
No Status No End - Just Live

No status, no end,
Just live as a creature
And if able, do good
To others.
But do no harm
To anyone in any manners.
Understand the secret
of happiness in this life,
And go on living
In the vast space.
Everything is for you,
But nothing is here
To own and keep yourself
In all goodness.

Gajanan Mishra
No stone is here
Here is only earth
Soft and simple
Not hard not compound.

Here I am displaying
The stone before you
O my dear you yourself
comment on this stone.

I know my words
Are not mystic power
I know this earth is
Only here to utter.

Gajanan Mishra
No Stopping

No stopping
No stopping.
Everything is going on
And on and on and on.

Be detached
Be detached.
Scribe the dream while awakening
With great respect.

This is all going on
All going on.
I am hearing all the sounds
That are taking you from here.

Gajanan Mishra
No Storm

No storm can harm you,
Fear, not dear,
I am here.

The sky is there,
For you.
You are the sky.
No one made the sky,
No one has power
To destroy the sky.

Fear not, fear not.
Fire is there as your guide,
Air can't take you
To the place
Where there is dark.

Fear not, fear not,
All light wait for you
To proceed further.

Gajanan Mishra
No Storm Can

No storm can upset me
O my dear as you are
present with me here
You have provided full
Protection to me and
I am in safety
Now and forever.

Gajanan Mishra
No Story

No story,
No story please,
Going with the story
Means going with fanatics,
With a sense of humour.
No humour,
No humour please,
I like it though
Just to pass the time
In a light vein.
But keep patience
And perseverance
For the life
In presence.

Gajanan Mishra
No Stranger

No stranger is here
My dear, The world is ours own.

There is nothing
Like east and west
In the whole sky
All distinctions are
Created by our minds
And we believe it
To be true.

We are the resident of
This world
We are responsible for
Everything here.

Gajanan Mishra
No Subsidy

No subsidy
No corruption
Goodbye to carry
Coal to Newcastle.

Your resolution
Like blur like
Blue hills that
Are far from us.

No agenda
No criteria
No agriculture
No food
No trade
Nothing nothing.

Your meeting
Your eating
Your sitting
All cheating
And rap our
Economy.

Gajanan Mishra
No Substitute

You are great my dear
You can sacrifice your own promise
To fulfill my desire
How can I forget you, my dear
You can get down from your chariot
To come to rescue me, I know
You are the only person to emancipate me.

Gajanan Mishra
No Substitute Of Mother

No substitute of mother,
You just called - 'mother',
That suffice the purpose, dear.
In mother, find each and every colour.
Mother is the only one- remote controller.
Go wherever you like,
Stay wherever you like, but forget not,
Mother is there for you, Only mother.

Gajanan Mishra
No Success No Failures

No win no loss,
No success no failures.
Only to see
The play of words
In dictionary.
Only to observe
The life in watery field,
And in air trip.

Gajanan Mishra
No Sun No Time

Go outside and see.

No life no fear
Go outside and feel.

Keep the gems within you
O my dear and dissipate
The darkness in all directions.

Be free from all anxieties
And physical diseases, my dear
Stay with nectar and nature.

Ignoring impending death is not good remembered
You are now on this mortal lands remembered
Follow the right instuctions, my dear
And go outside the sun and the time and the life without fear.

Gajanan Mishra
No Sun No Wind

The sun is life
The sun is the cause
Of this wind
Wind is here within.

In summer
The sun dance
In summer
The wind show
Its strength.

I fear summer
Summer in fifty degree
Crushing all
The sun is
main witness here.

Gajanan Mishra
No Superiority Complex

No superiority complex
No pride of virtues
Earthliness completely gone
Then only the body the senses
the mind and the intellect
Become devine
Try to understand me.

Gajanan Mishra
No Surety

No surety and nothing.
Thinking this
I am making friendship
With You, my dear sky.

My life is not mine.
Thinking this
I am fighting with you
My dear time.

I know not whether
I stood here or not
I know not whether
You are in love with me.

But I am here
And You are also there.

Gajanan Mishra
No Sympathy

No sympathy
For you,
For you are
Corrupt,
Leader though,
You are.
Go to the hell
Or to anywhere
And you are
Not to come here.
No place
For you,
For you are
Black in color.

Gajanan Mishra
No System

No system I like to follow
I have invented my own.

I also do not like you to follow me
I have not made any road
That would take you from you.

Believe me or not
You are your own master
Your view is there to rear.

Seen or unseen that is there
See, I am with my own power.

Gajanan Mishra
No Talk Please

No talk please.
Talk is the root and
Root of all wars.
Control your tongue,
Or the tongue is there
To control you
And that is the cause of
All destructions.

Gajanan Mishra
No Taste

Taste depends on
How much hungry you are
And not on food.

Belief depends on
How much love you have
And not on faithfulness.

If you are independent
You are noble
If you are dependent
It is horrible.

Path is same and equal
It is you and your brain
That make you superior.

Intention is important
And not effort not influence
Acquire not anything
But renounced and realized.

Gajanan Mishra
No Teacher No Teaching

Yet I am living.

Without teacher,
I am maintaining myself,
Devoid of everything auspicious.

O my teacher, where are You?
I pray, relieve me, from ill fortune.
And do good, to the whole family
By Your valuable teaching.

Fact is, I am blind, without You,
Fact is, it is my troubling eyes,
That unable to recognize You.

Liberate me, my dear, You are my respectable
And for You I have possessed all desirable qualities.

Gajanan Mishra
No Terror

No terror please,
No export no import.
Test not
patience of another.

Common people are
no way related with terror.
Let them stay in peace
on this earth, my dear.

Gajanan Mishra
No Thank You

You are my friend
A friend in need
Is a friend in deed.

Thank you
My dear friend.

I am for you
You are for me
We are as good as
Friends.

Gajanan Mishra
No Third Option

Do or die
Fight
Forward or backward
For rest
No sight.

Gajanan Mishra
No Third Person

No third person is required,
I am here, you are here,
That's sufficient to lead.

Curve ahead, no matter,
You are here, I am here,
We both can fly together.

No matter whether the sky
is there or not, I am sure
earth is here with us.

Gajanan Mishra
No Thirst

No thirst,
No obstruction.
No fire,
No explosion.

Life is
Not to stop
Anywhere.
But freedom is
Nowhere, neither
Inside nor outside.

It is touching
But not tossing.
It is feeling
And appearing.

Gajanan Mishra
No Thought No Action

Excellent and useful
Inaction is superior
To action
Inclination and
Abstention
Both are within
The realm of nature
The final truth.

Gajanan Mishra
No Tiger No Snake

No tiger no snake,
Just, let me say,
Your fear is baseless.
Just awake and
Know the truth.
The happiness and
Distress that appear
Are not permanent.
No difference
The winter or the summer.
Even, nothing like,
Spring here.
Nothing to fear,
We are our own manufacturer.

Gajanan Mishra
No Time Is

No time is there with you
No question is here in me.

And we wait here
While going
Silently.

And we see
All with us
Wonderfully.

Gajanan Mishra
No Time Is Here With Me

No time is here with me,
I can't stay here only for you,
But discover me if you so like, within time.

Gajanan Mishra
No Time Is Required

No time is required
To change the mind and
The body.

But to keep it unchanged
It required a lot of
Time and labour.

Gajanan Mishra
No Time Limit

No time limit
And nothing in life
eternity and sky limit.

Go and fly
As you wish
No time limit
And nothing.

No selfish motive
Your nature divine
Go and fly.

No time limit
And nothing in life.

Gajanan Mishra
No Time To Delay

No time to delay
No time to delay
Whatever you are
To do
Do it today
Today itself
Today is
The best day
You can’t find
Any other day
Like today
Today is all
Auspicious and
Marvelous.

Gajanan Mishra
No Time To Describe

No time to describe,
It is time to fight,
Fight against injustice,
Against all minus-signs,
Against all who are
Acting as barriers.
Know and accept yourself
As the truth and strive
From the very beginning.
Go and exist and establish
Your own existence with love.
It is there only the nature
With the earth and the sky
With the light, air and water.

Gajanan Mishra
No Time To Earn

No time to earn
A livelihood.
Being a poet,
I am in love
And in truth.
I am to cultivate
Peaceful understanding.
I am to see
The social orders.
I am to give
All spiritual value.
I am a poet and
I am to keep faith
On every creature for good.

Gajanan Mishra
No Time To Rest

No time to rest
O my dear
My angel said
Till you are
Not found
O my almighty
O my heart my love
I am here
Chanting your name
In this summer sun
You are the conqueror
Of the conquerors
O my dear I am
Waiting for you
Come and come again
To rescue.

Gajanan Mishra
No Time To Si

Here or there
With that man
And also no time
To hear his
Flowery language.

I also do not like to
Acquire money materials
I also do not like to
Take pleasures out of
Touch taste smell comfort
Or from other worldly
Enjoyments.

I only want to sit quiet
With myself here
In this arena of mine
I know you are
O my dear, within me
And ready to illumine.

Gajanan Mishra
No Time, Excuse Me

I have no time
To earn something
For my livelihood
Excuse me.
I feel it needless
To earn as because I know
Everything is already
Here for my nourishment.
And hence I am
Writing poems all the times
Only for you, my love,
I know you only truth.
I see you everywhere and
In everybody and everything.

Gajanan Mishra
No To Street View

No to street view,
Good.
The question of
Safety and security
Is there as you know.
Let our truth be
There within us,
Let our love
Be in secured.
Transparency is good,
But that must not be
At the cost of life.

Gajanan Mishra
No Toll

Ferry across
No toll required.

What I told
All is true
I swear.

It is all
The matter of
Smile and love.

Let me know
The secret, my dear
Let me know the life.

You are the seeds
Of my life, that I know.

Gajanan Mishra
No Trace Of Grief

No matter
How far I succeed
In doing things.
But I am doing
And I don't see
A trace of grief
And i know not
What a failure is.

Gajanan Mishra
No Tricks

No tricks,
No embarrassment,
No charm.
But so many,
And so many elements
Are not honest.
True, living
Is difficult.
But think dear,
Who is living?
Neither cold
Nor hot, but
All smart
And all chart.

Gajanan Mishra
No Trouble No Prayer

No trouble no prayer.

Kunti said, ' O Lord
Give me trouble
Let me stay in distress
That enable me to pray.

In prayer only there is peace.

Gajanan Mishra
No Trust

No trust,
Trust deed is
There, though.

Gajanan Mishra
No Truth

I find no truth,
I discover truth is
Being built.

Truth is -
I tolerate you,
Knowing well
You are not
The truth.

Nothing is truth,
Truth is -
Patch up work
Is going on
In huge holes
Of falsehood.

Gajanan Mishra
No Truth Is Here

No truth is here,
And we are all wandering
For nothing trying to be happy.
To get rid of one problem
We are putting ourselves
In another one.
And we suffer
For nothing.
We are in illusory energy,
That has no basis.
The truth is far away,
We know it, and still,
We are just transferring
Our burden from one to another.

Gajanan Mishra
No Two Opinion

No two opinion
On this or
On that.
Everything is
Going on
As usual,
We are here
Only taking
Burden to
Think more.
We know,
Thinking has
No head and
No tail.
What to think
And what not
To think, no
Hard or soft
Rule as you
See here.
And we stay
In fear,
For nothing.
And life smiles
At us and
We are going on
Without giving
Any opinion.
If at all
We give, we know
That has no value.
For we know little
What is
Exactly what.

Gajanan Mishra
No Two Person

No two persons are
Equal in body mind
Pious or sinner
Friend or enemy
All are well-wishers.

Two persons are here
And they are looking
Each other for their
Own existence that is
In danger.

Gajanan Mishra
No Unification No Separation

No unification no separation,
All are false, lament not.
Fact simple, nothing, but
Trapped all and existence
Continued in suffering.
All illusion, self itself
Is in question tag with
No particle of even sand.

Gajanan Mishra
No Use Attaining

No use attaining
No use attaining anything
Without You, my dear.
You are at the center
You are at the hearts of all
O my dear, You are the protector of all.
I bear love only for You, my dear
I know, it is better to be tormented
By the agonies of birth and death
For the sake of You, for the sake of love.
It is all joy and all hallowed, my dear
Only for You, and only for You here,
Your kindness and Your love washed away
All my distress all my sorrow, see me, my dear.

Gajanan Mishra
No Use Of

No return
No expectation.
Go on
With meditation.

No use of
Any respect
Any honour
My dear,
No use of
Your selfishness
And anger.

It is all
Your obstinacy
Your delusion.

Gajanan Mishra
No Use Of Keeping Books

No use of keeping books
without knowing the reading,
Wife is so also not beautiful
without her husband,
Being a king you should not wander
and beg respect from others.
No use of wealth without successors,
What is the use of this body
for a paralysis patient.

Gajanan Mishra
No Use Of Knowledge

I feel
No use of knowledge
If I am not able to
Talk intimately with you.
I feel no use of food
If it is not able to
Strengthen my body.
I want
Not to put any question
Though I want to get
The answer of all.
I feel no use of answer
It it is not able to
Drive out my ignorance.
I want all love
And everything I want
To give with love,
But I find nothing
Is there with me.
I am what I am
Without name and fame.
I am not the doer,
I am not teaching here.
I am just a visitor,
But the visiting work
Is not being done by me
In proper order.
Excuse me, my dear,
I want to go back
To the nature.

Gajanan Mishra
No Use Of Words You Said

No use of words you said,
And I keep myself busy
In taking actions soon.
I stop all talks and
Keep myself busy in actions.

Gajanan Mishra
No Use, I Know

No use, I know
To counteract
The time.
But allow me
To apply
My intelligence.

I want, not to
Misuse the opportunity.
I want, not to
Threat my own existence.

But I am conditioned,
Though, subject to
Different condition,
I want perfection.

Gajanan Mishra
No Vacuum

I am going
You are going
All are going
Going going
And going
Towards end.
I will not be there
You will not be there
Nobody will be there
No vacuum will be there.

Gajanan Mishra
No value.
Kingdom of heaven
Has got no value.
Keep your words
Keep your promise
O my dear.
One who keep his promise
Gains transcendental favor.
Use everything for the service
Of the truth and almighty
And you are not the loser.
Remember, you are
The ultimate gainer.

Gajanan Mishra
No Value Of This Life

No value I have no value
That I know
I know my body
Will be transformed
In to small insects
Stool and ashes
I know I am insignificant
I know all pervading sky is
There waiting for me
As my ultimate rescue
Still I love You
O my dear, I love You
For love only I am
Here with You.

Gajanan Mishra
No Vision

I have no vision
Other than you, dear mother.
I have no vision
Other than your language,
I have no vision
Other than mother land.

How to take care,
How to develop,
How and what to do
That all are not known
To me, though.
Yet, I am yours.

Gajanan Mishra
No Voice, No Word

What is there in a voice?
But the voice is there in the sky.
Voice has certain words
And we have to understand
With the sea and the earth.
We have to remember our past,
It is all there within us
And we should feel proud
We are here with them here.
Neither sweet nor bitter
But we feel life better
Here with sound, voice and words.
Words have their own meaning
Thought change with time and person.

Gajanan Mishra
No War

I find no war
Here or there.
I find only fire,
Only stars.
I find light
And no dark.
I find life
In words.

Gajanan Mishra
No War No Massacre

No war no massacre
No massacre no killing of
Innocent creatures
And no killing no sin
No sin no hell
Knowing all these
We are engaged ourselves
In horrible wars
Among us.

Gajanan Mishra
No Water

No water in sea
No space in sky
No light in earth
No fight in war
No language enter
Human ear
How can I start car.

Gajanan Mishra
No Water No Air

I am fair
And you asked me
To go far.

What is the time
By the by I asked you
And you replied
Who are you.

I know not what
And turned the pages
History not repeated
I know but I am a poet.

Gajanan Mishra
No Water, No Life

Water is life,
Life in water.
No water, no life,
See my dear.
Here is water,
Here is life.
Polluted water,
Makes life at stake.
Clean water, clean life,
We are on stairway
To purity of life.
Life is pure
With love,
Love water, love life.

Gajanan Mishra
No Wave

No wave,
But I want
To write,
What I feel,
Good and fine.
Nothing is
Better than
The life
I live.
And hence
I tell my pen
To go ahead.
And my pen
Never cheat me.

Gajanan Mishra
No Way Different

I am no way
Different from you.
And I know the truth.

Gajanan Mishra
No Way It Is Helpful

Your money is
In no way
Helpful to me.
I cannot purchase
Anything.
Your money is
Not able to
Give me peace.
Peace is there
In my health
And mind.
But your money
Is here in
Invite disease
And give
mental tension.
I am not
Able to stay
With nature,
Due to your money.
I want not money
But I want life.
Life is there
Where there is
Natural air and water.
Life is there
Where there is
Natural earth
And the sky
And where
There is normal sun.
I want life
But not your money.
Money cannot
Give me love
The essential
Ingredients of life.
Where there is
No truth, there
Is money.
But life is truth
And I want to
Live in truthful way.
I know your money
Is helpful
In no way.

Gajanan Mishra
No Way Related

No, I am
No way related
In any manner
Here.

You may love
You may hate
I am
No way related.

Here or there
Part or whole
That I have
Nothing to say.

Nothing to say
Nothing to aspire
Nothing to lament
I am not I am.

Gajanan Mishra
No Way To Escape

No way to escape,
But I have to go
On this way
With a smile.

Nothing to worry,
Nothing is there
To happen.

To fear
Is meaningless.

I have to accept
The inevitable.

All glories
Are coming to me
For all good.

Gajanan Mishra
No Way To Go Out

No way to go out,
No way to get in.
I am a prisoner
Of my own self.

No city, no town
No village, no lane,
I see the sky above
And the earth below.

Where am I?
No answer to give.
I, myself is a man
Of all questions.

But the air is there
And I am being fired.

Gajanan Mishra
No Where There Is Happiness

We are searching water
Only in the desert and
Sacrificing our valuable life
In an attempt to find it.

Gajanan Mishra
No Where You Find A Way

No where you find a way,
No way to go anyway.

You can beg and
Bear yourself,
You can share
your time, your position,
Yourearth and air
With others.

But you are not allowed,
Not allowed to go outside.

So many persons are there
With you. You are to see them,
Study them, and you have to
Conclude where you are at present.

Gajanan Mishra
No Win No Loss

No win no loss - Life.
The rule of
Success and failures
Are but
To satisfy the mind,
And not the heart.
But we are here
To touch the hearts.
And where is the heart?
Is it there
As the monkey said
At the top of Jamun tree?
And the crocodile replied,
Let us see.

Gajanan Mishra
No Wind Here

No wind is here in this place
And the light does not flicker.
In this place in this time
Go on doing allotted task
And enjoy it.

Enjoy doing the work
And stuck to the basics.
I am consistent you know
And on the ground
And I never know
How my dream comes true
That I never dreamt.

Gajanan Mishra
No Wings

I have no wings,
Yet I am flying.

Gajanan Mishra
No Wish

I have no wish
Except the one
You should talk
You should write
To me in
Mother-tongue.
And thanks, you
Have kept the honor
Of the earth.
True to the word
You have valued me
At this time.

Gajanan Mishra
No Woman

No woman is bad,
But all virtues are
There in the woman.
I discover all purity,
All beauty, all maturity,
In a woman and I realise
The truthfulness and
The sincerity in all creativity.
The woman is the symbol of literacy,
I salute the woman as I learn
The real life from her.
I see woman as the fixed star
In my stormy ocean and always
I see my life in motion.

Gajanan Mishra
No Woman Is Ready To

No woman is ready to
Understand you, men.
No woman is trying to
Find out the truth.
Is it all true?
Men, are you ready to
Understand a woman.
Do you know what is
Going on in her heart
And brain?
Let me say if you are the east,
Men, is she the west?
If you are at the top,
Is she at the bottom?
But love is the only line,
The connecting link
Between you two.
If I am true, let me see
You both together here
For ever.

Gajanan Mishra
No Woman Is Ready To Understand You

No woman is ready to
Understand you, men.
No woman is trying to
Find out the truth.
Is it all true?
Men, are you ready to
Understand a woman.
Do you know what is
Going on in her heart
And brain?
Let me say if you are the east,
Men, is she the west?
If you are at the top,
Is she at the bottom?
But love is the only line,
The connecting link
Between you two.
If I am true, let me see
You both together here
For ever.

Gajanan Mishra
No Word

I have no word
I want to be regular
With the word
I like to give
A new touch to word
I have no word
And my poem
Is without word.

Gajanan Mishra
No Word In My Poems

No word in my poem,
No life in my body,
No creature in my world.
Nothing to worry
No enemy here.
No enemy no charm,
No charm and nothing.
And life itself is a live poem.

Gajanan Mishra
No Word Is Coming

No word is coming to me
From anywhere today.
But for why, that I
Want to know.
How to know is a problem,
And the solution is
There with the word,
That also well known.

The word is inadequate,
Of course, still,
I am with the word,
And the word is a cheat,
How can I say
At this hours here.

Gajanan Mishra
No Word Is Untouchable

No word is untouchable,
No one is hateful.
The flesh, the blood and
The bone all have sweet wings
Of their own and they are
Ready to fly as per
Their sweet will.
But some light is necessary
With dreams and lightning
With strength and heart-beats.
I know only for love
The cosmos is there and all
Are revolving in equal distance
That I want to express in words.

Gajanan Mishra
No Word No Verse

No word no verse,
No world no life,
No life no truth.
Truth is here
Only in letters,
But letters not found
In any chapter.
What use of knowledge
without life?
What use of life
Without a word.
Words are here with me
And they say
They have no work.

Gajanan Mishra
No Word To Utter

No word to utter
In Your absence
O my dear, remember
Just come and see
I am here and
I am dead.

I see no other person
As dear as You
You are Your own power
That I know my dear
Without Your love
Without Your presence
See I am mad
I am Your made.

Gajanan Mishra
No Work

No work
For false ego.
No envy,
No rivalry,
Here in life.
No one is superior,
No one is inferior.
All are eligible
For promotion.
Originally no name,
No fame,
No tame.
Discriminate not
Here on earth.

Gajanan Mishra
No World

No world is here
Believe or not.

Nothing is in existence
Believe or not.

Stay unruffled
I am here for you
For ever.

Gajanan Mishra
No Wrong

No wrong,
You are right,
So also I am.
No topsy,
You have your relation
And I have mine.
No wrong,
All is one and one is all.
You just give a call
And see I am in the mall.

Gajanan Mishra
No Wrong With Woman

No wrong with a woman
No wrong with earth
No wrong with a flower
What is wrong in water
And in air if you are
Fine and fair
No and nothing wrong
If you yourself is
Not wrong.

A Woman is here
I must say for you only
And you are here
For a woman
Am I wrong you say
If you have studied
Woman if you have knowledge
Like and dislike no matter
What is personal after all.

Gajanan Mishra
No, dark is not permanent.
I am also not telling
The light has got
The quality of permanency.

What I am telling,
You have understood it
And that suffice the purpose.

As because you are silent,
The sun and the moon are
There going on round and round
All over the sky.

But that does not mean
The sound is not there
In the air or in water.

Gajanan Mishra
No, Father

No, Father,
I am not able
To know
What I am doing,

Let me know, Father,
What is right
And what is wrong.

Yes, Father,
I am committing sin,
If in your opinion
Living is a sin.

Forgive me, Father,
I am not able
To know what is a sin.

Father, forget me,
I am a sinner,
Forget me, I am
A wrong-doer.

But Father, I am
Your son, only Yours,
Your gene is there
In me.

Father, as You love me
So I love You and
I love all your children,
My brothers and sisters.
Father, forgive me,
I am here and
This place is Yours,
It is full of nectar.

Father, change the definition,
Definition of this world.
Here, I find no wrong,
I find no evil, no sin.
Father this world is
Heaven, see, and come again
To live with me.

Gajanan Mishra
No, I Am Not Happy Here

No, I am not happy here,
In fact, I am not.
Here I feel and I find
Danger at every moment
At every step.
I have a nice car,
I have a nice home
With beautiful wife
And obedient sons,
Daughter-in-laws, though.
I see nothing is perfect.
I invented so many ways
To be happy and
To counteract the dangers, though.

Gajanan Mishra
No, I Am Not Here

No, I am not here
To mix truth with falsehood,
It is not good, I know, my dear.

Gajanan Mishra
No, I Am Not Hungry

Let me say
I am not hungry
as I know
in the name of hunger
you are reaping all benefits.

No, I am not hungry,
See me, I am okay.
It is you
who is hungry to loot me
in broad day light.

I know my dear,
So long as you are there
without proper education and wisdom
eradication of hunger is not possible.

Gajanan Mishra
No, I Am Not Living

No, I am not free,
I am not free as
I am living with
So many desires.

I am living,
Living with the matter,
But I am not the matter,
But how to live I am eager..

Gajanan Mishra
No, I Am Not Writing Poems

No, I am not writing poems,
Poems are being written by me.
I have nothing to say about the poems,
Let the poems say themselves
What and why and how
They want to communicate.
I am nothing, I am nobody,
Ask me not anything at any time.

Gajanan Mishra
No, I Never Perform

No, I never perform
Any action for my own self.
My first aim is, remember,
Freedom, freedom from
The sense of mine-ness.
Always, I wish to
Perform actions,
For the welfare of others.

Gajanan Mishra
No, My Dear Father

No, my dear Father
I can not repay Your debt
I have got this human form of life
Only by Your mercy
Through this body
I am able to associate
With Truth
My dear Father please
Tell me how to conquer
All the material nature
Anticipating Your desire
Let me work here
Let me accept Your proposal
Before You asked
Let me recognized as
Your first class son
And not stool or urine.

Gajanan Mishra
No, Never

I am not calling You
O my dear, for any
Sense gratification
For any happiness in family life
I know everything is Yours
Everything is You
I am just a puppet
In Your hands
How can I dare to call You
Anywhere when I know
You are everybody including me
You are doing everything
And it is all true.

Gajanan Mishra
No, No

No, no
You can not face me
You can not touch me
You can not come to me.

I am as pure as the sun
To call for a fight
Is not a fun.

I am the purest among the pure
You have no power, O my dear sins
To suppress me.

I have not attached myself
With anything here
Rather I have kept myself
At a far distant place
And I have acquired Truth
And acquired
Knowledge of Ultimate Truth.

Gajanan Mishra
No, No Corruption

No, no corruption,
No intrigue,
No hypocrisy
Will be allowed
In daily life here.

You are not allowed
To public service
Without transparency,
Without the use of
the language of the people.

Be wise and well-versed
with the scriptural
Mode of administrative education
And go for public welfare.

Gajanan Mishra
No, No, I Have Never Forgotten You

No, no, I have never
Forgotten You
O my dear
And how can I.

You are my breath
You are my heart beat
You are within me
You are above me around me
Behind me before me
How can I forget you, my dear!

I am not in distress
I am happy
I am in prosperity, see
And why not
As you are with me.

Gajanan Mishra
No, No, No Need

No no
I am not in need of
Anything other than
Your love
And your presence
And you are carrying out
My wishes
That is enough
And now I am
With my sense
I know it is
Your grace
It is your influence.

Gajanan Mishra
No, No..

No, no..
Means Yes, yes..
And I am there
In that cosmic
Principle.
Everyone is there
To accept me,
With yes and no.

Gajanan Mishra
No, Not Now

No, not now
You said
And I did not reply.

We passed silently
This valley
And this valley
Is not at our reach.

We possessed
So many things
Out of jealousies
We know these are
Useless.

Gajanan Mishra
No, Nothing Nothing

No nothing nothing
You are alive
I am denying.
Who said you are alive
Not I.
You yourself have declared
And that is perfect
No body filed affidavit.

Gajanan Mishra
No, Thanks, Please

What is the meaning of all these,
No, thanks, please,
if we are no way connected with anything.

No pause, and life is going on,
No touch, and love is going on.
No truth, and the sun is going on.

Let us keep some times with us,
and the time would show who is yours,
with a break in between birth and death.

Gajanan Mishra
Noble

Flexible is helpful
And it is noble.

Try to make a relation
Between choice and rigidity.

That is good for the society.

Gajanan Mishra
Noble And Honourable

You are taking money,
Or you have desire for money
For your work or service,
How can I address you
Noble or honourable!
I know you have eaten salt,
You are eating salt
Of the people in general,
You should know, it is
Your duty to do good,
You should not run after
Or hanker for money or name
Or fame. You should kept in mind
You are nothing but the paid-servant.

Gajanan Mishra
Noble And Virtuous

Each and everyone
And everything is
Noble and virtuous,
Let me praise all.

Each one has a unique
role to play for welfare
of others,
We should know that
By our search.

We should be qualified
to reach that stage
to know what are there
and for what purpose,
like a devotee.

Gajanan Mishra
Noble Man

If you want to be a noble man,
Stay far away from pecuniary
Motives or benefits.

Gajanan Mishra
Noble Person

Noble person,
Noble home,
With sweet words,
A straw seat,
Some food,
And a glass of water.
And all regards
Are there to a man
In good manners.
Nothing but good
In behavior is
The greatest wealth
A man possessed. All
Fame and popularity
Are with him.

Gajanan Mishra
Noble Souls

More money
More polite
That gives
Pleasure to
Everyone
Noble souls
Give no
Importance
To wealth.

Gajanan Mishra
Noble Works, Noble Fame

Noble works, noble fame,
Nothing to shame.
Go on doing dear, all good,
And spread everywhere.

By love
Conquer all,
By love
Enjoy the truth.

Show your own strength
And purify the self.
Purify the self and
Get all beauty all fame.

Gajanan Mishra
Nobody Bothers

Giving and taking continue
With revolutionary speed
In different forms
And in different times
I can not say what is infavour
And what is against us
And you arrived
I think it is middle
And you say it is end
Is it beginning of justice
Nobody put this question
And nobody bothers.

Gajanan Mishra
Nobody Can Erase My Writing

Nobody can erase my writing
And it is determined by destiny
I can see at dark night
I can hear voice of silence
I can bring colorful light
It is my joy to write
And no body can erase my writing
My writing is my soul my eternal truth.

Gajanan Mishra
Nobody Except You

I am
But with you
I am
Nobody
But with you.

You are here
With everything
That are manliness
You are here
With all firmness.

I'm proud of you
No snow no fire
Can match you
And I'm searching you
I am
But with you
I am
Nobody
Except you.

Gajanan Mishra
Nobody Exists

Nobody exists
Nobody,
Instead of seeing
We are listening
And considering
The matters
Right.
Yes, we are feeling
Each other
Without seeing.
We are reading
Each others
But not taking
In to consideration
The position or status.

Gajanan Mishra
Nobody From

Nobody from no where
Came to me to see
How I am here.

I feel no love
And nothing from
Anybody at any time.

But in words
No one is reluctant
To utter anything.

And see me, I am
Going with them
Over and over again
For the reasons
Not known to me.

Gajanan Mishra
Nobody Has A Right

Nobody has any right
To dishonor a man
Born in a low family.

To realize the Truth
O my dear, use the man
As a means for spiritual progress.

And Truth is
All are equal
All are pure.

Gajanan Mishra
Nobody Has Right To Detained Anybody

Nobody has a right to detained anybody
Detention without any reason is illegal
And not conducive to society.

Gajanan Mishra
Nobody Is Backward

Everybody is forward.

You have nothing to give
You have no power to give.

You are to receive
Everything from everybody.

Say thanks always
To lead a life it is the way.

Nothing emerge from nothing
But here is everything for You.

Gajanan Mishra
Nobody Is Enemy

This earth is my home
At home you can not find
Any fearful situation
At home even an alien
Even an enemy is well received
And treated as relatives
I am at my home
In the earth in this world
All are my well wishers here
All are my near and dear
Here there is no fear at all
O my dear, if there is heaven
Somewhere else it is here
In this earth I am here
In peace with my family members
All creatures.

Gajanan Mishra
Nobody is evil in origin
It is the circumstances
That characterizes them evil.
And it is their attachment
Their desire enhances their Evilness.

Have pity on the so called
Evil-doer, my dear
They are not far from us
They are our near and dear
Give them chance to be a
Refiner and not a sinner.

Gajanan Mishra
Nobody Is Good

Nobody is good
Nobody is high
Everybody is
Decoration of a
Dead body
If he is not trying
To know the Truth
If he is unable to
Recognized the Supreme Truth
If he is unable to
Know his own Transcendental
Position on this life-platform.

Gajanan Mishra
Nobody is perfect here
On this earth
Nobody is really sad
Nobody is really happy
Here on this earth.

Everything depends on
Time place and circumstances
Individual has no role
On anything at any matter
What it appears,

Gajanan Mishra
Nobody is there
To conquer me
Besides myself.
Nobody is there
To kill me
Besides myself.

It is I
Who is here
With all fortunes
It is I
Who is not
Ordinary in time.

Time is in me
And I am ruling time.

Gajanan Mishra
Nobody Is With Me

I am not with any one
And yet we are together
My dear, and we know each other.

It is clear
We are not dual
We are also not non-dual
Neither real nor unreal.

Gajanan Mishra
Nobody Listening

Nobody is listening
What is the matter
Nobody is looking
With no matter
Everybody is going on
Telling and telling
I am telling all stop
First introspect and
Then hang your heads
In shame for your act
Here in this world
Here in your own life.

Gajanan Mishra
Nobody Says

Birth death joy sorrows
All are according to destiny
What is destiny nobody says in right way.

Gajanan Mishra
Nobody To Put

Putting question
Needs at least
Minimum qualification
What is to write
And what not
Why to erase the written
And why not
Are just continuation.

Life is continuous
Birth death, death birth
Just for you
And you are holding
Empty space
For a sleepless night
And for the body
That is taken away
By the crow.

You are nobody to put
Any question on
Anything
This is my song
This is my skin
You are to unplug
And watch scene
That is there
With kith and kin.

Gajanan Mishra
Nobody's Enemy

I am in no way
Concerned with money
I am nobody's enemy.

Being far from materialistic life
One is free from fear, distress
false prestige, illusion, hate
attachment madness lamentation
greed insult and from every ills.

Gajanan Mishra
No-Go Area

No-go area,
Odisha
Without Bhasha.
First Bhasha,
Then Odisha.

Gajanan Mishra
Noiseless

It is better
To stay in
The area of noiseless,
I like the state
Of being noiseless,
I know it is
In no way noisome.

Demarcation is there
And I have nothing
To hush up.
Good news is that
I am your good reader.
But as it is lingo
I have to act in dumb show.

Gajanan Mishra
Nomenclature

You have given the nomenclature
And it is appreciated.

You have taken the action
And it is contemplated.

You are auspicious
And my life is hereby devoted.

Rest is Yours
And it is not being rejected.

Gajanan Mishra
Non-Cooperation

Non-cooperation with
Unlawful
Unconstitutional
Undemocratic
Acts of anyone
Is but necessary
For future safety.

Gajanan Mishra
Nondifferent

Non-different
You and Your name
Your name and You
I am eager to hear
I am eager to chant
You name that is most
Suitable to Your
Supreme Person
I know each and every
Name is Yours
And by remembering
And by chanting
See I am living
You and Your name
Non-different
And in this
I am in my contentment
I know always everywhere
You are present
And so You are Omnipresent
And I am in You
And I am with You
See I am also self-sufficient.

Gajanan Mishra
Non-Different

River, mountains,
Tiger, crow,
Snake, tree,
All non-different

Clouds, sky,
Air, water,
Light, dark,
All non-different.

Truth is that,
All are here
For each other.
Love is at the center
And all are localized
For the purpose of life.

Gajanan Mishra
Non-Different From Me

And who are You
I know You are non-different
From me.

I know You are Yours
Supreme abode
You are Your
Destination.

No identification
I know no realization
Nothing about the pastimes
No demonstration or devotion.

And You are here
With all elements
Always non-different.

Gajanan Mishra
Non-Different, Truth

Black or white,
I am not wrong,
But right.
I am affected by
My own internal potency.
I am with you,
And we are non-different.
I am fresh as ever,
I am the truth and
I am transformed
In to love,
Being agreed to go
Anywhere from here, and
I know no fear.

Gajanan Mishra
Non-Doer Lover

I am not affected by you
You can not affect me
I am in love with you
Love is unchangeable
I am non-doer lover.

You understand me
I am the truth
I am the love
I aspire nothing
I am non-doer lover.

Gajanan Mishra
None Better Than

None better than you,
None is there here.
You are the one here,
you are eternal and pure.

Let me bow down before you,
I cannot go beyond you.
I am yours and I am here
At this time to give
All my service to you.

You are the truth,
You are my love,
I want to go nowhere
Leaving you here, dear.
Not to stay here I am eager.

Gajanan Mishra
None But All

Let me consider you
None but all.
And I know
You are at the root,
Root of all success.

You are supported
By your own
Inner thoughts
And you are making
Yourself stronger.

You are simple,
You are in love,
You, yourself
Is the success.

Gajanan Mishra
None But You

None but you are here, the truth.
And I am with you,
I pay more respect to you and you are always attentive to me.
You know me yours and I am here for you.

Gajanan Mishra
None Can Tell

None can tell my name
One can tell only fire fire.

I must say
Come to gajananmishra
It is gajananmishra
You can see here gajananmishra
Through gajananmishra
You can go in to gajananmishra
From gajananmishra.

None can support you here
Except gajananmishra
I must say
Gajananmishra is within you
Search him out
If you can.

Gajanan Mishra
None Else Is There

None else is there
As singular and
As powerful as I.

Gajanan Mishra
None Is There

None is there
To give love,
To tell the truth.
Still I am there
To see the world
To buy the market.
And you are with me
To colour me
To measure time.

Gajanan Mishra
None Is Unhappy Here

None is unhappy here, see
None is for anybody.

Anyway, the mission of human life
Is to make an end to all miseries.

O blind, see, I am here to guide
Don't go anywhere at the helm of all affairs.

Gajanan Mishra
None Other Than You

You are
None other than
You.
I recognized
You.
Here in this
Recognition
The blessing
Given by
None other than
You.
It is also
Actions and reactions
Only for You.

Gajanan Mishra
Nonetheless We Are Here

Nonetheless we are here
Nothing is ours
Past present or future.
We are neither
Externally correct
Nor internally.
We only involved
Ourselves in false
Jubilation and lamentation.

Gajanan Mishra
Nonmaterial

It is all nonmaterial,
And I am therein.

My sound and words
Are all nonmaterial.

In fact, I am simple
But for you I am difficult.

You may deny
But that has no meaning.

Gajanan Mishra
Non-Negotiable

Peace is non-negotiable,
Love is non-negotiable,
Humanity is non-negotiable,
Life is non-negotiable,
Bare necessity of life
Like food, clothing and shelter
All are non-negotiable.
Truth is truth and is
Non-negotiable, let us
Keep it in mind and
Talk to each other openly
And transparently here.
The earth, the sky, the air
The water and the light
Let us keep it clear and clean
Within peaceful atmosphere
For a healthy life here.
No war, no fear, no terrorism,
But peace, cooperation
Should reign supreme all over.

Gajanan Mishra
Non-Nuclear World

We need a
world Non-nucleared.
We need a
night full of dream.
We need a
link that has
direct connection.

We want our
bird to sing
We want our flower
to blossom.
We are here to
take responsibility
to make our pleasure
more and more
with others.

Gajanan Mishra
Non-Self

Each one is different
From another.
And also no connection
is there with any two.

You cannot say it is love,
And also hate is a
Matter to deny.
Progress is with the doer
and doer is a non-entity
For the purpose of social study.

Giving importance to life
Is not perverse and it is
Not a thing to be blamed,
it is rather a right or claim.

Gajanan Mishra
Non-Violence

What is non-violence
And how it is practice
not clear anywhere.
And You are telling through
Non-violence and renunciation
One can attain highest perfection.
But You failed to explain, my dear
What is non-violence and
How it can be practice.
A living being can not see
Or practice non-violence in
The true sense of the term.

Gajanan Mishra
Non-Violence Among Vows

I know You are
Non-violence among vows
I know You are
The wind fire water speech
And also You are
The sun among all things
That purify.

O final stage of all
You are having
Without any beginning
O diversity of perception
You are the interactive
Components of reality
That is in our creative life.

Gajanan Mishra
Non-Violence And Truthfulness

Non-violence in
Thoughts in words
And in deeds
Truthfulness in
Speech and actions
Are necessary
And for this
We have to forgive others
And keep ourselves
In external and internal
Purity without
Bearing enmity.

Gajanan Mishra
Non-Violence Great Virtue

Non-violence is
Great virtue
Non-violence
Born out of
Non-attachment.

Passion, anger
And greed are
Triple gates
To hell
these are born out
of Attachment.

Gajanan Mishra
Non-Violence, Rascaldom

Let me say the truth,
Truth is that,
Non-violence is rascaldom,
When I see you irreligious
Or say you act not
According to the law and
The scriptures and act
For your own benefits.

Gajanan Mishra
Noodles

What are they?
You said- noodles.
Nitty-gritty is that
I like it.

Gajanan Mishra
Noon To Night

Noon to night
I fight to live
With blood and meat.
Dreadful sight,
I discover my light
It is my might.
I am pure white,
I am love full tight.

Gajanan Mishra
Normal - Everything

Normal - everything,
I am the only
Abnormal here
Seeing and hearing
All sights all sounds.

My abnormality is
There to discover
The truth dear.

I am using
The washing machine.
I am preparing
For next polling.

I am bold within,
I am my own kith and kin.

Gajanan Mishra
Normal Nature

Do you know my dear
Your normal nature?
Let me welcome you
To read my poems
About animals, birds,
Clouds, trees and creepers,
Let me invite you
For living together.
Life is a grace
And it is no wonder,
Let me say my dear,
You yourself is the wonder,
You are many but one
And it is well known to the world.

Gajanan Mishra
North And South

Anus is
Anus
Mouth is
Mouth
Gentleman is
Gentleman and
Evil man is
Evil man
As
North is
North
And South is
South.

Gajanan Mishra
North Star

Look at the north star
Look, North star is there
Only to run life's car
To run in a fixed and
Marvellous manner.

North star north star
I know why you are there
You are there to give
Right direction to the
Directionless
Right word to the wordless.

You are my centrestage
And my life'page
That I can turn
To attain liberation
And to remain fixed
Time's alteration.

North star, I sing
I hear I recite I study
Only your story
And try to acquire
Your qualities to reach
My Master
My Master is also
Your Master
And in this sense
We are brother.
Please help me my brother
I am yours for ever.

Gajanan Mishra
Nosebleeding

Nose bleeding is here,
Whom to show, I failed
To understand, dear
And I am going to die
Without being uttering.

Gajanan Mishra
Not Addicted

I am not
Addicted to anything.
I have
I have no dynasty
No sovereignty.
I am absorbed
In You and
You are in me.
I am nothing
So also You.
I am my own fortune
And I care You
You are within me.
I admit
Admit You as supreme
And You said nothing
And You ignore me
You are the lion
I am the jackal
Who is crying.

Gajanan Mishra
Not A Battle

Not a battle
Between you and me,
But a battle
Between truth and
Falsehood,
Between god and demon.

Who is demon and
Who is the god?
One who is taking away
His share by hook or crook
Is demon, and one
Who is giving away
What is there to him is
Definitely the god.

The battle is on,
If you want to take part,
Come forward.
The battle is
To establish the truth,
The mother and
The motherland
The mother language.

Gajanan Mishra
Not A Beast

Not a beast,
But a man
I am.

Humanity is
Everything
For me.

Love and
Truth-
My ingredients.

I dwell in
All beauty.

I care not
Harmony or
Discordant.

Gajanan Mishra
Not A Commodity

Poet is never bankable,
Saleable but
Definitely respectable,
Poet is not a commodity.
No reward or award
Can change a poet.
Poet writes
The time, and
Time is there
To take note.
Poet is just a medium,
Every fraction of time
Is there within the poet.
Poet is autonomous
And he experience life
At every moment.

Gajanan Mishra
Not A Drama

Not a drama
But it is a call
Of true love
From the hearts.
Stay here
On this earth
For a few moment
Together
With truth.
I am not here
To say
What is going
To happen
On the next moment.

Gajanan Mishra
Not A Fact

That I know You
Not a fact
That I am with You
A fact.

I am in between
A fact and not a fact
And still You are
With me.

Without You
I am nothing
Without me
You can do
Whatever You like
I do agree.

Gajanan Mishra
Not A Free Man

Not a free man I am,
I am not free to eat,
To move, to tell, to sleep
Or to take rest,
In no way I am free,
I can not write,
I cannot materialize,
What I think.
My thinking itself is
Also not free.
I am here in prison,
I am not allowed
To do things as I wish.

Gajanan Mishra
Not A Happy Land

This or that,
For residential purposes,
Not a happy land.

The real happiness is there
Where there is truth,
And the truth is not here in this world.

Still, we are living here
To stay in false pleasure.

Gajanan Mishra
My dear men, I know
You are not a machine
To produce stool and urine.
You are that pious creature
Of this world who knows
The Supreme Truth and love.
You have eyes that can see
The Almighty here there everywhere
And pray for the welfare of all.
You are the son of nectar, my dear
I know you, men, being the fragment of God.

Gajanan Mishra
Not A Materialistic

See me
I am not a materialistic.
I am pure,
I am supreme,
I am the truth.
Here, see me,
I am with you.
Start your work,
And discover me.
Free yourself from
Your own dreams
And see me.
proceed ahead and
Talk to me.

Gajanan Mishra
Not A Matter

Whether you have faith on me
Or not is not a matter to think
Matter to say is I have full faith
On You and see I am giving myself
To your disposal and to you.

Gajanan Mishra
Not A Mistake

Not a mistake
To think I am You.
Not a mistake
To know all about You.
But You are everywhere
And You are nowhere.
I am not separate from You
That only I know.
And I know I need nothing
I have no interest in anybody.
But You are telling
You need me.
I have no interest
And I am not interested.

Gajanan Mishra
Not A Piece Of The Sky - As Usual

Not a piece of the sky came
Did not a word also,
The color and the light
All are mystery.
The dark did not come,
Could not come to me.

I had collected all
The necessary items,
It was all amazing
Though not useful.
I could not describe
How the road was,
That was coming to an end.
I was not thinking
How far the unseen, the fate.

While going to and fro
I was seeing my palms
That were often without lines.
I was telling unheard words
To the man who was with me
Walking as usual silently on the road.
I was not attached with the truth
Who was opening the doors
Without taking my consent.

Gajanan Mishra
Not A Principle

What I stated
Is a principle
I am not compelled
To described.
Reality I do admit
And I stated the sun
Not a metallic dish.
I assumed the world
Is yours once
And for all
And I do not admit
Myself as a cause.
What I stated
And I practiced
Is for you
And I received
Ample love from you.

Gajanan Mishra
Not A Question

Not a question
Between you and me
We are undivided
And yet separate.

Not a question
To find answer
we are here
To know our creator.

Not a question
Of worth knowing
But ignoring while
Going and going.

Gajanan Mishra
Not A Villain

My friends, excuse me,
I am not a villain,
I am not an aggressor,
I have not plundered
The wealth of others,
I have not attacked
Anyone all of a sudden,
I have not administered
Poison to any man,
I have not set fire
The house of other men.
Excuse me, I have not
Done any wrong to anyone,
Still, I am suffering, why?

Gajanan Mishra
Not A Word

Not a word
I said, that is
Not yours.

Gajanan Mishra
Not Able To See

I am not able to
See anything,
I am not able to
Do anything.

But everything is
Being done
And every sight
Is being opened.

Though straight forward
I am not able to
Communicate anything
To You.

It is You to decide
My dear, what to do.

Gajanan Mishra
Not Able To Stay Pure

I am not able to
Stay here pure, my dear.
And I know, my going to
Hell is but sure.

I know nothing is mine
And yet I am telling
I am the owner
Of everything and see it is me.

My own body and my
Own mind are not under
My control and yet I am
Rushing to control others!

No road to escape, my dear,
Hell is coming nearer and nearer.

Gajanan Mishra
Not Able To Understand

After so much of discussions
After so much of descriptions
After so much of presentation
I am not able to understand
Though I know it is there as it is
It is there as before though I know.

Gajanan Mishra
Not Able To Understand - Life

What is going on
I am
Not able to understand.

And I am devoured
By the python of sleep.

I am absorbed
In eating sleeping
Mating and defending.

And I am surrounded
By the envious enemies.

I lost my consciousness,
Happiness and intelligence.

I am at present
In this dark well of ignorance.

Gajanan Mishra
Not Able To Understand But I Am Here

I am not able to
Understand you, dear,
Yet I am with you.

My words are simple,
So also my thoughts.
I want not to go
Deep into the oceans.

I am with my poetry,
And truth is being expressed
Through my poetry.

And what is that truth
I know not dear.
Still, I am with you,
How? that I can't say here.

Gajanan Mishra
Not About Terror

Here I am sitting
And doing all your works.
I care not my comfort
And even the bare
Necessities of my life.
No one is the stumbling
Block on my way.
I have my own eyes to see,
Own ears to hear
And own path to go
With my own legs.
I am not here to talk
About any terror
or about pleasure or pain.
I know I gain so many things
Including you and
You are the truth, my love.

Gajanan Mishra
Not Affected

Not affected,
Not affected by anything.
Right?
And it is I.

Past, present, and future,
Birth, existence and destruction,
Space, time and things,
All are there as before.

Nothing changed,
And everything as before
Remains unvitiated
And uncontaminated.

Without undergoing any change
You are calling me and I am going, see.

Gajanan Mishra
Not Afraid To Talk

I am not afraid
To talk
About the truth.

In Odia;

Satya bishayare kahibaku
Mu daru nahin.

Gajanan Mishra
Not Again

What I guess
You are right
You are right
I am correct
Not again.
Taking breath
I allowed death
And as such
It left.

Gajanan Mishra
I am not against anybody
I have clarified clear
If you are going to say
I feel painful to hear.

Animals birds fishes all are
My brothers and sisters
We are all sons daughters of
His Highness
All are sons and daughters of
This soil Mother Earth.

I respect shared value
I respect human value
I respect natural law
We are all matured man
Of this latest century
It is not good to think
Otherwise at any point of time
At any place against anybody.

Gajanan Mishra
Not All But A Few

Are here who know Truth
Knowing very well
Though not possible
Appearing and disappearing
Knowing common they are cool
Not all but a few
Faith and love and everything is You.

Gajanan Mishra
You are not allowed to return
On the way you are going, remember.
Think again about your own dream
Aspirations, plan and project and
Proceed as you like, my dear.
And say something while going
For which we are here waiting to hear.

Gajanan Mishra
Not Allowed To Give Message

Not allowed to give message,
You sent a message to me, my dear,
And I replied okay in return message.

Gajanan Mishra
Not Allowed To Sit

Not allowed to sit,
No one is allowed
To sit anywhere
Even for a moment.

Each one is going
From eternity to eternity
But not
Beyond the cloak.

Gajanan Mishra
Not Alone

I am with you
And I am not alone
You are not with me
And I am alone.
Live long
You are telling me
My days are short
And you are going from me.
Time is not mine
And you borrow time
And you are ready
And unable to return time.
I love you and to love
Is my aim
I love you only to you
Forgetting name and fame.

Gajanan Mishra
Not Always

The more the merrier
Not always true
The sooner the truth
comes to light
The better you feel.

The rich and
The poor are here
See and see the young
Respecting the old
And see golden age ahead.

Gajanan Mishra
Not Always True

Not always true-
Out of sight
Out of mind.

I love you - true
You love me - true
There is devotion
In both of us
Not untrue.

I am never out of sight
For You
Nor are you ever
Out of my sight.

I see you, O my dear
Everywhere
And I see
All are in You.

Gajanan Mishra
Not America

I take care America
But not America.
I am open and
transparent
But not America.

I am selfless
But not America
I see the welfare
of all in the world
But not America.

And I am interested
To make friendship
with America but
America is coming
with reservation.

I declare
All are equal
in the eyes of nature
But America is reluctant
to say so with me.

I am with America
But I could not find
America with me.
Let the world say
We are good friends.

Gajanan Mishra
Not Among Others

I am separate
I am distinct
Do not consider me
Equal with others
Even though I am
Sitting eating walking fighting
Breathing speaking and doing
All sorts of works among them
I know the truth and
The Truth is that
I am doing nothing
It is the actions themselves
They are being done
And I am no way related
And if you are capable enough
Catch hold of them.

Gajanan Mishra
Not Anger But Love

Not anger but love
We need here.
Keeping anger aside
You can see things clearly
And get peace.
Love leads you
Towards progress
Just start loving
And say love yes.

Gajanan Mishra
I am not annoyed,
I am not annoyed, see.
I accept Your words
And You are ever ready
To listen me
And I am reaching You
Every moment, see.
I am giving You
And what I am giving You
I am getting in return
Double and triple
Seem I am telling it on oath.

Gajanan Mishra
Not Answerable

I am not
Answerable to anyone.
I have
Carved out my own space.

My own words-
My cross points.
I am sticking to truth,
Flexible though.

My poetic forms-
My breezes.
With my beauty and light
I take charge to clean all dark.

True to life,
I survive.

Gajanan Mishra
Not Applicable

Not applicable,
The injunction to me.
I am here
For the right cause, see.

Doing and undoing
Everything and all-
The same to me.
I have no enmity
With anyone, see.

I have also no desire
For any kind of prosperity.
I am here, with you,
That's all for me,
And I need nothing.

Gajanan Mishra
Not Bad, Not Bad

All good, all good
All permanent, all permanent
Nothing temporary, nothing temporary.
All assets are Yours
Because You are there.
Because You are there
You are recognized.
Truthful activities are
Always there with You.
You are the Truth I am
Telling again and again
And it is not bad
It is good better best.

Gajanan Mishra
Not Birth But Knowledge

Not birth but knowledge
that matter, listen, O son, my dear.
Go on acquiring knowledge,
Go on learning from tit bits.
Hanker not after wealth
or position or place.
This world is such that
you can know anything from
anywhere, no need to go,
what is needed is your observation.

Gajanan Mishra
Not Biscuits

You cannot tell me biscuits,
Neither I call you the same.
I know biscuits are not cheap
Either in the nearby market or
In the house where I reside.

I came neither from urban
Not from rural, but my research
Goes through both where I find
The vote banks not for me but
For them who are accustomed
In drinking and eating live.

Time is to start but where and
When that is to be decided by
Both of us here right now.

Gajanan Mishra
Not Both

I can not have both
Sun rise and sunset.

Either in or out
Don't shout.

Richness is
In the truth
And it is a
Matter of practice.

Tricks have no role
Just learn and
Illumine yourself.

See that
You are at east.

Gajanan Mishra
Not by birth but by action
One is considered as good.
Not by word but by practice
One can touch the truth.

Good fortune is always there
With the creatures, but
The creatures are to reap it
By their truthful labor.

Let not anyone go outside,
But let them know everything
Is inside here all time.

The moment is auspicious always,
Let all know it from the very moment
They enter the life.

Gajanan Mishra
Not Capable To Say

I am trying to live,
I am trying to write,
I am trying to know,
But till date
I failed to know anything,
I failed to write anything,
I am not capable to say
I am living a life.

Gajanan Mishra
Not Cheap

I am not cheap,
You cannot use me
As and when you like.

Gajanan Mishra
Not Clear

It is mine,
It is not clear.
It is yours,
It is clear.

It is,
What is it?
Not clear,
We cheer.

It is error,
Whatever we offer,
It is fear
And we suffer.

Gajanan Mishra
Not Cold

I am not cold
As you said
I am hot
And going to
Make you cold.

Seeing you
At the terrace
I awaken
And you said
Let us forsaken.

Gajanan Mishra
Not Common

I am not telling
Not common
Your failure
I am telling
Forget the word
Failure and also
Forget the word
Success that is
In pressure at present.
At present what
I am telling you
Has got meaning
And you are in search of
That all
And I am telling you
To come and see
What is going
In this jungle
Jungle of life and
Death and peace
At present that is
At your hand.

Gajanan Mishra
Not Concrete

Abstract
And not concrete
Memory instant
Effort diminished
Arousing alarm.

What to say
About organs
Center demolished
In a night
Moon cried panic.

Meaning not sure
Yet all went
In limited sky
Water not managed
Total blundered.

Gajanan Mishra
Not Correct

The witnesses
Are not correct.
The proofs
Are not correct.
Even the incident
Itself is not correct.
Punish no one,
No one is a criminal.

No one can harm,
Torture or kill
Anyone at any time.
All are innocent,
But it is the time
That use others.

Gajanan Mishra
Not Created

I am a man and
I am not created
By any man,
And men dare
Not to
Control me
In any way.
I care not
Whether I am
Alive or dead.
And men keep
Not any doubt
I am powerless
And I can do nothing.

Gajanan Mishra
Not Creation

Not creation but division
Neither I create anything
Nor I am here to divide.

Who said you are free
You are neither free
Not you can do anything.

You are simply going on
Eating and sleeping
That is the whole problem.

Here you find no animosity
No friendship and everything
Is just to see.

See all living beings
They have their own
Plus points and minuses.

Think not you are absolute
You can emancipate them
All are mistaken of facts.

Gajanan Mishra
Not Credible

I know you
You know me
This knowing
is of no use
We are not visible.

What we are creating
Is not known to us
This not-knowing
Is of no use
We are not credible.

Gajanan Mishra
Not Crow

I like
Not crow
But dove.
I give up
Talking
About the dove.
I like
The dove
But not
Lion.
Lion, the king-
I am not ready
To agree, cruel though
With everyone.

Gajanan Mishra
Not Dark Not Cold

It is not dark, not cold
But it is reservoir of
Unlimited heat and light.

It is the reservoir of Truth
And unlimited eternal power
And it is the real aspect
Of our own existence.

I am aware with this Truth
This stone this pencil this water.
O my dear, I am fully aware
Of the pillar that is You.

No stuff but Truth
That I am discovering with You
I know with You, my life is truth.

Gajanan Mishra
Not Dead Yet

Not dead yet
Poet is still here
To write poems on us.

Wait, see
Poet is going
With the theory of evolution.

See, you are changing
With the change of time.

Don't keep self-doubt
With you, O my dear
Call the poet within you
And give a chance
To write about you
To write on you.

You are the poet
Not dead yet.

Gajanan Mishra
Not Dependent

You have no desire
You are not dependent on others.
You have desires
And it leads to dreaded unhappiness.

You are not required to give up actions
You are only to renounce desire.
You are enslaved by your desires
And it leads to dreaded unhappiness.

Gajanan Mishra
Not Different

We are not different
From one another
O my dear,
Let me clear
My intelligence
Is not polluted
Let me say
We are all eternal servants
We are servants of Truth
And we have
No friend no enemy here
Let me clear
Life after life
We are under laws of nature.

Gajanan Mishra
Not Different, Though Different

We are
Not different
From one another,
Though different
Completely.
We are
The heat and light
Of the fire.

Gajanan Mishra
Not Doer

Not do-er,
But part of nature.
Matter- all covered.
No matter
Higher or lower,
But all wonder.
I appear and
Truth-I am, consider.

Gajanan Mishra
Not Doing Anything

I am not doing anything,
I know You are here and
Doing everything for everybody,
I dare not interfere
In Your works my dear,
I am here, and I am giving
My best wishes to all and
I am thinking about the welfare
Of all always everywhere,
I know You are there within all.

Gajanan Mishra
Not Done Anything

I have not done
Anything in the past
O my dear, and as such
I am not elevated
To any exalted position
At present I know
No saving and no interest.
I am doing everything
Possible at present to
Please You and doing
Everything as per my
Capacity to give pleasures
To others without any
Expectation in future.

Gajanan Mishra
Not Dust

Not dust
I am not dust.

I am not the disbeliever.

I am not the destroyer.

I am here.

See me, within You, my dear.

It is not false
It is not sin
Here, find no devil.

I am under the nature
And I am sure
To get my wages
From here
And for this I am sincere.

Gajanan Mishra
Not Easy

Not easy
Throwing shackles
Not easy
Throwing shackles of
Glittering world
Not easy.

Selfless action
The only way
If practised
Can give some
Relief
And practice makes one
Perfect.

Not easy
Selfless action
Not easy
Throwing off
Shackles of karma
Not easy
Throwing shackles of
Glittering world
Not easy
Unless terrible
Fear of birth
And death
Is out of pitch.

Not easy
Not easy.

Gajanan Mishra
Not Easy To Distinguish

Not easy to distinguish
Original and duplicate.
Who is coming and who is going
Difficult to say in open field.
The sun is neither rising
Nor setting you know I know
East west has no meaning.
Just show placard and leave
Leaving is not correct
Nobody can say wrong.

Gajanan Mishra
Not Easy To Know

Not easy to know
Who loves whom
And for what purpose.

No easy to know
Who is what
And for how long.

Disregard not
To anybody
It is a mistake
You are going to commit.

Know that
perishables are also
Not inferior
Remember, mortals
Are not dying
Only change of forms
Are there.

Nothing and
Nobody is earth-bound
All are going to
Touch the sky
Know it
And be in the group of
The wise.

The criteria of being wise
Is in truth
Knowing is not important
But telling truth
Living in truth in entirety
Is rare no doubt
But not difficult.

O my dear, If you practice it
Hurdles would go on their
Own way and you will definitely
Reach at truth
Reaching at truth
Is the purpose of life
Love life and see
Truth is at your door step.

Gajanan Mishra
Not Easy To Understand

Not easy to understand love,
Not easy to go on the path of truth.

Still we love each other,
Lovingly we are acting
Throughout the life.

In the deeper recesses
Of our own consciousness
Truth is being revealed.

Love cannot be interpreted
By us at this time.
And we do admit
We are our own enemy.

We are against us
And causing harm to ourselves.

Gajanan Mishra
Not Empty

No one is empty here,
But full in all respect.

The earth and the sky
All are bountiful to us.

No one is barren,
Fruitfulness is there
Everywhere always.

Sing and dance
As you like
This is the perfect time.

Open market system
Is here, find.
You are to satisfy
And judge yourself.

Steering is there,
Hold it.
Light is there
See it.

It is you to rise,
To rise and rise.
You are to ride,
Ride the time.

Gajanan Mishra
Not Envy

Not envy,
But respect
Everyone.

All movings and
Nonmovings are
Within the earth,
And the earth is
Within everyone.

Born and unborn
All are here
Without any
Beginning and
Without any end.

Love all.

Gajanan Mishra
Not Even A Single Word

Not even a single word
Is mine.
I am writing with words,
And the words are
Obeying my command.
Thank God, I am here
With the words,
Knowing fully well
They are all creating
Disturbances On the highway
Of the life at pick hours.
I am about to pass away,
But the words are there
To keep me with them.

Gajanan Mishra
Not Even Love

Nothing is free,
Not even love.
Life is very costly,
So also the truth.

And we spend alot
For love,
For truth
In this life.

Gajanan Mishra
Not Everyday

Not every day,
The same day.
Not everyone,
The same one.

Nothing
To be confused.
But to proceed
Forward for truth.

Always
Feel good.
Goodness is
Inherent in you.

Gajanan Mishra
Not Extra Walk

In my life
In my day to day activities
If I am not honest
If I am not truthful
Not clear not transparent
If I am on wrong path
Destroy me throw me out
Throw me out from this
Celestial blessed holy
Heavenly world.
I am not telling
Anything extra
Not doing extra walk.
If I am no in righttrack
Put me in to the hell
Put me in to the hades
Put me in to the abyss.

Gajanan Mishra
Not Fake

This feeling
This understanding
My faith my ability
Is best for me
I am a devoted man, see
I am yours, examine
I am here with you
Always use me.

Gajanan Mishra
Not False

My statement I love you
Is not false
That I can give guaranty
How far I love you
It is time that speaks
And love for what
That I can not say
I can say you are here
I am here and I love you
I do not care whether you
Love me or not
This much I must say
I am not here to hate
You are not my enemy
You are not here to do
Harm to me
And I am not expecting
Whatever I say should
Be honored and
I should be obeyed
This thing may serve
My purpose.

Gajanan Mishra
Not False But Truth

Not false but truth,
Not darkness but colorful light
I am in need, I am in need. And I know
Every one is going towards eternity.

Gajanan Mishra
Not Far Away

You are not far away from me
You are in me
I realized your presence
And you are directly connected
i am taking your instruction
At every moment
I am not in error
As you are with me, my dear.

Gajanan Mishra
Not Far But Near

Not far but near, my dear
Why should then I fear
Look, my life is clear.
As clear as the full moon
And my love is dancing
In midsummer noon.
I live in my nasty praise
Alas, I die in your grace
Let me say you are my face.

Gajanan Mishra
Not Favorable

We reject
When it is
Not favorable to
Sense gratification
We accept
When it is
Favorable to
Sense gratification.
Rejection and acceptance
Are solely dependent
And are temporary
And are not fixed
And are false
Since they are
Not in Truth
And far from ultimate goal.

Gajanan Mishra
Not Fire

A piece of iron is not fire,
But let the iron is made red-hot,
And through its burning capacity
It acquired the quality of fire.
So also I am here, my dear,
Without your touch, I am nothing
But like a dead body.
Give me strength through your love.

Gajanan Mishra
Not Fixed Not Empty

All
Not fixed
Not empty.
All and
Everywhere
See only
Circles.

Observe
The sky
The earth
And the air
And the light
And the water.
All
Busy in
Changing places.

Fortunate we are
To see
To watch
To hear
All.

Gajanan Mishra
Not Fool

Think not common people fool.
They are much more intelligent than you.
This world belongs to all people.
Earth-mother is here to rear all.
No practice of hatred and separatism.
Living and non-living, movable and immovable, all should be protected each and everybody has valued.

Gajanan Mishra
Not Foolish

I am not foolish
Though a sinner
As you called me
I am more wiser
Than you my dear.

Inimical term
is there I agree
No friendship zone
Is here where I am
Living and yet
I am getting profit
That is not available
To anybody at any time
As you see it favorable.

Somehow or other see
My mind is absorbed
In truth and that would be
Helpful a lot and that is
The best ever love.

Gajanan Mishra
Not For All Times

I see here at this hour
Your beauty
Your qualities
Your magnanimity
Your behavior
Your wealth and power
O my dear, you are superior
I am attracted by
Your sight and the atmosphere
I have no objection
To go with you anywhere you utter
Yes let us unite together
Let us embrace each other
Here we both are visitors.

Gajanan Mishra
Not For Any And

My poem is
Not for any
And everybody.

My poem is for one
Who has love in him or her.
My poem is for one
Who is eager to know things.
My poem is for one
Who is on the path of truth.
What is truth, one should
Know or at least try to know.

Love and truth are
The basis of life.
One should live with that.

Gajanan Mishra
Not For Bread

I am not for bread only
Stonebread is here.

Peace and harmony
I have to maintained
In this house of my father
My father is also yours
Please follows.

Gajanan Mishra
Not For Me

Not for me -
This world.
Till date,
I failed to
Know, how to live.
Till date,
I failed to
Understand, why
To live and
With whom
To live.
Still, I live,
The wonder of
This world.

Gajanan Mishra
Not For Myself

I know
My life is,
And I live,
Not for myself.
But for others
I am here
In this
Style and
Manners.

And I hear
What one utter
The friend,
The father,
The brother,
The sister,
The mother -
My shelter and
My protector.

I am firm
In my behavior,
I love all,
And to love
I live here.
See, I'm shining,
I am smiling,
I am giving all
And everything.

Gajanan Mishra
Not For Myself - Life

I know
My life is,
And I live,
Not for myself.
But for others
I am here
In this
Style and
Manners.

And I hear
What one utter
The friend,
The father,
The brother,
The sister,
The mother -
My shelter and
My protector.

I am firm
In my behavior,
I love all,
And to love
I live here.
See, I'm shining,
I am smiling,
I am giving all
And everything.

Gajanan Mishra
Not For The Good

Not for only the good-
This world, it is for
Both good and bad.

Gajanan Mishra
Not For The Self

I am not eating
Not drinking
Not sleeping
Not sitting
For my own self
Hence my affinity
Renounced and
I get liberated
If you are not
In a position to belief
Then I have nothing to do.

Gajanan Mishra
Not For This Body

The insignificant
Material sense gratifications
Not for this body
Unlimited happiness
And material enjoyment.

You are to curb
Unnecessary affection
And attachment, my dear
Here you cannot find
Liberation and you
You should adopt inferior
Occupations that would
Lead to your own destruction.

Gajanan Mishra
Not For You

Not for you,
This world is
not for you.
You are and
you are for
this world.

What are there
Not necessary
to know,
what you are to
do here within
this period
that has value,
relative rating value.

Gajanan Mishra
Not Free

Do this
Do not do that
Go there
Do not come here
You are my near and dear
Why we do
What we do
All are with us
And for us
And for all these
We are not free
See and watch a tree
This is the pedigree.

Gajanan Mishra
Not Fun

Life is not a fun
Life is not for fun
You can not show me a gun
I have my own sun
Where in you are the light
You are my might
Excuse me if any mistake
I have done
If I have shown
Any disrespect
In sitting in playing
In dinning in sleeping
And I pray, O my love
Do not shun me
Do not shun.

Gajanan Mishra
Not Giving Advice

I am not giving advice
But I am telling the truth.
Truth is keep your words
Under your own control
And see you are there
As per yur wish.
You are the one
And here wityh own fortune.

Gajanan Mishra
Not Giving Up

Not giving up activity
I reached
Where You are.

And You are with me
In all my actions
In all my thoughts.

And I see nothing loss.

Gajanan Mishra
Not Going

It is attachment,
It is here
In you
And not going
From you
At any time,
It is you,
Who can go away
And should go away
From attachment,
For betterment
And for happiness
Of all
Including yourself.

Gajanan Mishra
Not Gone Anywhere

You have not gone
Anywhere I know
Here is our union.
You are with me
You have gone
Here is disunion.
Union and disunion
No solution, nothing but
Dream-motion.
You are here with me
You are in union
And I find not
And cry where have you gone!

Gajanan Mishra
Not Good

Not good to comment,
Not good to comment on anybody,
Considering your own duty.

Nature,
Nature is here,
Nature is only here to play,
As per the requirement of time.

Nothing to interfere,
Nothing to comment,
No nature can able touch,
And you are staying here with all.

Gajanan Mishra
Not Good For

Simple and yet perverted
not good for life sake.

Not separated but united
A soul is nothing but devoted.

Searching meaning without any help
Would not serve the purpose
That would keep you
Away from the center.

Think not simple anything
Think you are the sole
Meaningful person here.

Gajanan Mishra
Not Good- Not Bad

When I am telling
Not good, please
Does not mean,
I mean to say bad.

When the sun is
Not there, how can
You say the area
Is covered with dark.

Have patience
And study the time
And the situation
Deeply, intimately
For your own benefit
And for others as well.

Gajanan Mishra
Not Good To Go With Deaf Ear

It is not good,
Not good to go
With deaf ear.
We are to see
While going
What is there.
We are to know
What is virtue
What is vice.
If we are not
Going to know
We are to face
And no one else,
The consequences.

Gajanan Mishra
Not Good To Say

I know as you
said it is
not good to say
I am superior,
Only because of
learning, only
because of riches,
Only because of
power, only because of
my renunciation and
only because of
dispassion.
I know and I am
not proud for virtues.

Gajanan Mishra
Not Good To Think

Not good to think
I am so and so,
My father is so and so,
My work is so and so.
I am nothing, though,
I know fully well.
I know nothing
I am in a dark well.

Gajanan Mishra
Not Heard Not Seen

I found many things
I fully convinced
Strength is not mine.

Gajanan Mishra
Not Hearing

I am
Not hearing
Any one today.

Is there nobody?

The air passes.
The sky smiles.

The earth trembles.

The lone tree
Is unable to
Utter words.

I am there
On the road.
But road is
As it was before.

Gajanan Mishra
Not Heaven

Not heaven,
My destination.
Not for future rewards
My works or activities.
Nothing is there
In my dreams.
But I value
The judgement
On truth.
And I care
The common men
Not hankering after
Wealth and status.
Men, I salute you.

Gajanan Mishra
Not Helpless

I am not at all helpless.
And how can I be helpless
With Your presence always.

You are with me, my dear
And You are doing all sorts
Of works here for me
I am very very happy.

I am happy and cheerful, see
I am faultless and You are graceful
You know everything that are happening
O my dear, and see, for You, I am beautiful.

Gajanan Mishra
Not Here

Not here
Not a matter of discussion.

Fill up all
Drive out some and stay there.

Never stop and go
Continue going.

It is the sky
That say everything.

Gajanan Mishra
Not Here- The Word

I am searching a word
And it is not here.
Would you please help me
To find it out
From the clutches of time?

Gajanan Mishra
Not Here To Judge

What is false
And what is true,
I am not here to judge.
I am also not here
To display all my energies.

Here is the sunshine,
That I know and there
You can find everything.
It is not that you are distressed,
It is not that you are covered by dark.

But I am sure each one is in deep sleep,
I am sure nothing is there in dark.
The field of activity may differ,
But same is the culture.

Gajanan Mishra
Not Here To Live Long

I am not here
To live long.
I am here to
Do the works
Favourable to
You all.

It is fact
I am not here
To tell all
That you want
To hear.
I am here
To tell everything
That are facts.

Gajanan Mishra
Not Here To Meet Destruction

My poem is not here
To meet destruction
And never.
My poem is for
Good of all
And is never
Overcome by
Your evil thought
And misunderstanding.

Gajanan Mishra
Not Here To Perish

I am not here to perish
I am in truth
You are there to
Protect the truth.

You are no there
To see any destruction
You are there to create
Anything anywhere with full devotion.

Gajanan Mishra
Not Hopeless

I have trust on you,
And I know you are
Not a hopeless case.
For you are the truth
With all ecstatic symptoms.
Either you are the stone
Or you are the wood
Or you are both, I know.
But you like not cheap
Appreciation, friend.
I know you are the sign
And signature of all
Circumstantial reasons.
And I am eager to glorify
You to attract life
In all happiness.
You are the process of life
And you are reflected
On your own way here in love.

Gajanan Mishra
Not Human Being

Not human beings,
But two -legged animals,
I see everywhere at present,
People claim themselves
Civilized, though.

No one knows,
The meaning of life,
How to live with nature,
What to do and how to
Keep relations with others.

Life, the source of
All jubilations,
People have forgotten,
And they are busy
In creating troubles for them.

I find no real knowledge
With anyone here.
But some declared themselves
As the gurus, guides and
Busy in cheating others.

Gajanan Mishra
Not I But You

Not I but you
the nectar of this world.
Not I but you
the writer of this world.
Not I but you
the conjunction of this world.

You are the only player here and
all others are ball.
You are the giver, you are the taker
In dark and in light, I hear your call.

The flowers that are there blooming - I know yours,
The stars that are there appearing - I know yours.
I am not confusing at any time it is sure,
I am getting your instructions all times that are pure.

Gajanan Mishra
Not Identical

Not identical,
This with that,
Water with the sun,
Innocence with intelligence,
Victim with witness,
Judge with advocates.
Not identical,
The sky and the clouds,
The person and the crowd.
yet we raised our heads,
To express something,
But for right
And integrity we crossed
The borders.

Gajanan Mishra
Not Idle Not Lazy

Not idle not lazy
Take life easy.

Life is in faith
Life is in sacrifice.

No contrary no delusion
Life is love life is emotion.

Birds insects beasts trees
All are free but not men.

Where are we then
We are running behind name and fame.

Scriptures and ordinances we forgot
And we have lost life-nut.

Gajanan Mishra
Not In Existence

Not constantly in existence
Means not in existence at all.

Remember Gita
The unreal has no existence
Real never ceases to be.

You are the divine essence
My dear, You are ever attainable.

Gajanan Mishra
The word caste -
Not in good taste,
Utter not, please.
No one is Dalit or
Say scheduled caste or tribe,
But each one is backward
And ignorant about the truth.
Say, on this earth,
Each one is Dalit,
Say we are to know the truth,
The truth of life.
So far no one conquers death,
And hence oppressed.
Oppressed and suppressed-
The symbol of Dalit.
Each one is human being,
Each one is hungry and thirsty,
Each one tries to go to the light.
Light of love is needed
To each one here.
Fear, not dear men,
You are all one.
Oneness is your identity.

Gajanan Mishra
Not In Love

I have not written
A single love poem
I am not in love.

The sea is there
Where it was
And I returned
Empty handed.

Sitting on my
Whirl chair
I called O man
Have patience
And see
Here is my poem.

Gajanan Mishra
Not In Love Means

Not in love
Not in love means
Not intelligent
Means you are
Deviated from Truth
Means you are dedicated to
Fruitiness activities
Means you are in illusion
Means you are foolish and
Not aware to the fact.

Gajanan Mishra
Not In My Shirt Pocket

You are not
In my shirt pocket
That I can show
Anyone at any time
When it is so demanded.
You are not a show-piece
I am telling everybody here
And yet they are not
In a position to hear.
No one is ready to hear,
No one is ready to see,
No one is ready to understand
What they need to understand
Need to see and need to hear.

Gajanan Mishra
Not In Order

I must not say
My eyes my ears
My tongue my hands
And my legs are
Not in order.
I must not say
I know not anything,
I am not here,
I am not the thief,
I am not the culprit.
But I must say I know,
What the sky is doing
On this earth at this hour,
I must say I am not the coward.

Gajanan Mishra
Not In The Sky

Not in the sky
But on the earth
You are to grow.
You are to grow
With water and the air,
You are to grow
With love and truth,
You are to grow
With all honesty and
Sincerity, you are to grow
With all here.
You are to grow
With your thoughts
And actions - pure.

Gajanan Mishra
Not Independent

Useless talk
Useless talk is that
When one say I am
Different and independent
From You.

I have no independent
Existence that I know
And I am fully
Dependent on You
Always and everywhere.

Gajanan Mishra
Not Inferior

Not inferior
But superior
Spiritual nature.

Superior
Spiritual nature
Not inferior.

Spiritual nature
Superior
Not inferior.

Gajanan Mishra
Not Iserable

Not temporary
We are not here
To go to leave
We are here
To love to stay
Here our life is
Not miserable
Not temporary
Just see
Just experience
Just change the view.

Gajanan Mishra
Not Knowing - No Excuse

Not knowing - no excuse
Shutting eyes - no excuse
Keeping mum - no excuse
You are fool you are ignorant
No excuse no excuse
You are here to know
To know everything
Around you is life
Life is veiled by
Divine potency
And you know nothing
Faith and love and tear
Enable you to know everything
Devotion and surrender
Enable you to know everything
This world is to know
The more you know
The more you get success.
Not knowing - no excuse.

Gajanan Mishra
Not Known

The style the meter
The form the content
I write poem.

Poem can be read
The cosmic form
Can not beheld again
I write poem.

Grammar spell forgotten
No necessity
Dialogue not declared
I write poem.

Writing poem is
As natural as respiration
Life- sea sky air light earth
Beyond imagination worth.

Gajanan Mishra
Not Known To Any One

Not known,
What are You doing there
Not known to anyone here.
And You are going on
In Your works and that are
Praiseworthy who am I to say.
I know not whether I am
Living or not here at this time.
What I am doing is important
Whether I am free from
Evil or vice that is marked.
Neither I am inevitable nor
I am indispensable that is true
And still you cannot do anything alone.

Gajanan Mishra
Not Life

Eating drinking and
Sleeping is not life,
Even taking birth is
Not life, so also
Leaving the body
Is not death.

My dear, I consider
Your birth when you can
Know your very existence,
And you can able to understand
Who you are and how you are,
I consider that day your first
Day in the world and you have just
Started living, no matter how old you are.

Gajanan Mishra
Not Like That

Here it is a statue
Let us worship it
Not like that
Here there is
Bodies of water
Consider it a holy place
Not like that
External vision fails
To appreciate the higher senses
And considerable time is needed
But a poet a true poet
Is always pure, see the poet
And just by being seen
Just by hearing his poems
Just by reading his poems
One can be purified.

Gajanan Mishra
Not Localized

Not localized
But internationalized
Go on achieving
What you want.

Pure things are here
That you want
Without ending
Go on it.

Complete perfection
Of the work
Take you through
This process of happiness.

Gajanan Mishra
Not Magician

You can't say
I'm a magician.
I'm the very first
word of your love
Who lives
within your black eyes,
see.
Ask not anything,
Just hear
what I am going to say.
What I wanted to say
I have forgotten
seeing your eyes.
Who are you and who am I.

Gajanan Mishra
Not Material

I am not material
I am pure goodness
See, I am situated
On the platform of
Pure transcendence.

I am in the air
I am in the water
O my dear, I am in the sky
Here I am on this earth, see
I am also all light.

I am the mixture of
Ignorance passion and all goodness
I am the perfect incarnation
N one can see at any stage any deterioration.

Gajanan Mishra
Not Meaningless

Not meaningless
It is not meaningless to stay
Here there with You, my dear
Your reputation is expanding
Day by day here there
I am Your part and parcel near and dear.

You are the best and the biggest
You are here there defeating all
Giving scope to all to succeed
You are also giving shelter to all
Here there with specific purpose
Not known to anybody, my dear
You are at every moment here there
And I am here visualizing in my own vital parts.

Gajanan Mishra
Not Mine

This name is not mine
This address is not correct.
What is mine and
what is correct
please forget.

Gajanan Mishra
Not Mine, I Am Not Mine

Not mine,
This is not mine,
That is not mine.
Not mine, not mine.

Not mine,
You are not mine,
He is not mine,
Not mine, not mine.

I am not mine,
I am not mine.

Gajanan Mishra
Not Moon But The Sun

Not moon but the sun,
Not sun but the moon.
Of course, they both,
Agree to the purpose I walk.

The clouds and the sky
They both lasted in life
And I choose my treasures.

I enjoy heavenly life
In the air and in water
With no obstacles,
My way of peace is with me.

I know the earth is
Liberal and kind.
I am not lost and I am
There in connection of true worth.

True, I am thirst of love,
But not lust.
I know no fire expires.
I fear to fall
Into the way of unrighteousness.

Both the moon and the sun
Are my guide, but I am
Not with them. I am separate
And I am dead to reason.

Gajanan Mishra
Not More Than Seven

It is only seven
My span of life.

I am here within seven
Inside seven and
Not outside.

Sanctity is here in seven
From and to are here
Together in seven.

Seven days form a week
And within this
My birth my death.

Gajanan Mishra
Not My Business

What you are getting
It is not my business
To know here at this time.

It is not for joke
It is not for material benefit
It is not for show.

I am not interested to know
Who you are and for how long
You are here in this activities.

What I know that I know
I know I am attached to You
Without any motivation
I have no right to question You
As I want to keep our relation in tact.

Gajanan Mishra
Not My Eyes

I can tell a lie
But never my eyes.
I am the best witness
Of my own conduct and
Character, my dear,
And no one else has power
To utter a single letter
On this matter.
I know, here
I am the opener and
I am the closer of
My life-chapter.
Let me go with my open eyes
And open ears world over.

Gajanan Mishra
Not My Fault

If you could not understand me
It is not my fault.

The duckling took a dip
If it get a pond
The hen stayed on the bank
And clucked.

I find my house my field
And I entered
You though with me
Not choosen to go with me.

It is not my fault.

Gajanan Mishra
Not My House

But I am residing
In the house.

Here the terrace is
For the birds
Here the tree is
For the clouds
Here the green grass is
For the stream.

Here this poem is
For the poets
And the air therein
Is for the creatures.

The house I live in
Not mine
But yours.

Gajanan Mishra
Not Necessary

Not necessary,
I would coin
Poems everyday.
But it is necessary
On my part to
Live like a poet
And be a human being.

Gajanan Mishra
Not New

You are my
Only near and dear
I know and it is clear.

I can not describe
Your benevolence
And your love.

You attract me
Towards you
I know and I
Never forget you.

I am satisfied
By thinking of you
And you are imperishable
And eternal not new.

Gajanan Mishra
Not New But Worn-Out

Ask me if you are in doubt
Who are you ask yourself first
And then come to me without any shout.

Nothing is regular as said before
All are in dark here now
And you are suffering permanently
In the wind-body that is flying-out.

Gajanan Mishra
Not October

Yes, it is October,
But who told you
It is not October.
Rain is dancing
All days,
In jungle
In village.

In October,
I can't say
Whether the sun
Goes smaller and
Smaller.
But the sun is
Very specific
And enchant all.

The water and
The trees all are
In the happy mood.
And here
I want to do
Something new
With my words.

Words come to me
With all goodness,
In October
I call them.
They all are here
To give me voluntarily
The fruits of my labor.

Gajanan Mishra
Not On Run

Truth is that
I am not on run.
Truth is that
You are not for fun.

Fun is that
I am living
And you are telling
I am dead.

Gajanan Mishra
Not On The Same Level

I am not
On the same level -
Correct.
My supremacy depends
On you -
Not correct.

I am auspicious,
I am your reflection -
Not correct.
I am the cause of
All conditional life -
Correct.

I am powerful-
Not correct.
I am powerless -
Also not correct.

Carefully I am
Following the truth -
Correct.
I am living like
Your shadow -
Also correct.

Correct and not correct,
Both are correct.
And find no cataract.

Gajanan Mishra
Not Only For Pleasure

I am here,
Not only for pleasure.
But I am here
For nectar.
I am the drop of nectar,
I am truth conscious,
I am here
To absorb in nature.
I am the servant,
I need blessing
To take cognizance.
I represent the mass,
Mass of people and to
Save them all from trouble.

Gajanan Mishra
Not Ordinary

Not ordinary but extra ordinary
More intelligent and perfect
With higher nature and Supreme knowledge
A man can know you recognized you
My dear it is You who can alone
Assumed that Supreme Personality.

Gajanan Mishra
Not Ordinary - Take Care

Fire, fire
And it is
Not ordinary.

Soft and
Lovable fire,
And it is in us.

Fire and it is there,
Look, going with it,
Take care.

Gajanan Mishra
Not Ours

We know
This is not ours
We know
Secrets are not secrets
We know
Future is not future
What more
We know no score.

Gajanan Mishra
Not Owned

I have not owned anything.
Nothing is personal, mind it.
Even this life-breath is
Not mine, and nobody can
Separate me from anything.

Gajanan Mishra
Not Perceived

I am here
To eat to sleep to play
And enjoy life
And I know life is yours.

I do not know
What is life
And I have not perceived
The beginning the middle
And the end of life.

And I know there is
No need to perceive
I know there is
Need to renounce
And to enjoy
What we have.

I am just enjoying
And welcome you
To join me.

Gajanan Mishra
Not Perfect

I am not perfect
I am not purified
Still O my dear
You are here with me
Your name fame forms
Pastimes I am reciting
You are here with me
I am considered as the best
And the man of nectar
All-over.

Gajanan Mishra
Not Permanent

Heat of the sun is
Not permanent,
Not eternal,
Not imperishable.
Heat of the sun, like
Pleasure and pain,
Desire and wrath,
Is also temporary.
Heat of the sun
Can also vanish,
As I realize
It has no reality
In the true sense
In the field of eternity.

Gajanan Mishra
Not Permissible

You can not disrupt
It is not permissible.
You cannot separate
You are not so powerful.

What can you do
A question that is to be
Answered not in half but in full
Not in details but in symbolic tools.

Hear me with all attentive moods
I am dropping the air and the ink
It is secret when it is in between we, the two.

But see it is crossing
The black-and-white zone
The truth and the love-realize my dear, when alone.

Gajanan Mishra
Not Pest

I am just a guest
In this world
And not a pest
I have no power
To trouble people
To annoy others
Is also not
My intention
I know it is
Your world
I know it is
Your literary
Incarnation
I am here just for
A few days a few moment
I have a duty to
Please others
I have no right
To trouble others.

Gajanan Mishra
Not Polluted

You are not polluted
That I know and I know
You are pure I am sure.

Here is happy see
Here is light see
Here is a chance to perform duty.

By birth you are chaste
By birth you are the best
From the very birth I am Yours, test.

Gajanan Mishra
Not Possible

Not possible
Not possible to measure
My dear anything here
How can I say without
Any measurement this is
Good that is bad and
If I say it would be wrong
Knowingly how can I
Commit wrong.

Here the words we used
Here the mind we possess
Are not in truth
And what is truth we know
Though we are far from it
What we say what we think
Is correct no one is dared
To say anywhere here
And so we are in fear.

Truth can be measure
By truth only and
We are not in truth
We are here in matters
And this material good
Has no permanent existence
And it is not possible to
Measure the truth that is
Permanent and eternal.

Gajanan Mishra
Not Reachable

No one and
Nothing is
Not reachable.
No one and
Nothing is
Beyond jurisdiction.
All are lovable,
All are in truth.
All are pure,
All are the product of nectar.
I salute all,
All are for good.

Gajanan Mishra
Not Ready

Take not away
From the truth,
We are not
Ready to go.

Life is a
Wonderful gift,
We must admit.
And we are to
Take pleasure.

It is all stone,
All clay.
But we are to
Take all
To the sky.

Gajanan Mishra
Not Ready To Learn

We are not
Ready to learn
History and geography
Are there with us though.

We are not
Ready to see
Truth and honesty
All are with us though.

We are not
Ready to go
In light the sun
The moon all are here though.

We are in partitioned
Within ourselves
And we have been wrong
On so many side.

Gajanan Mishra
Not Real Not Unreal

Real unreal
Not real not unreal
It is incomplete
The knowledge is not complete
Half half and full full
Half full half full full full
Nothing useless nothing useful
All is in our psychological test
And we are not attentive
Not attentive towards the skin
And ears and eyes and tongue and nose
No no no and Yes yes yes
And we have realized within us
The Truth consciousness that is pure.

Gajanan Mishra
Not Red, White Or Blue

Not red, white or blue
But I want all black.

I want all black,
I know all fear black,
I know black is the only truth.
I know of black everything
And everyone is there.

But the thing is
Why count colour!

Something I want is love,
And love has no colour.
Love hopes everything
Everywhere good, and
With love, we all get stronger.

Gajanan Mishra
Not Returnable

And I am going
I am going, going.

On one way traffic,
I am going.

But I have tolerated
All like a father,
Toleration is my father.

I forgive all
Forgive is my mother,
I am with my mother.

And I am going and going
And the way is one for all.

And while going
I have kept my wife-peace with me.

I am eating knowledge as food
And I am going with sister-compassion.
Come on, come on, you are welcome.

Gajanan Mishra
Not Running

Not running well
Gap is there
entering very finely.

I am wandering
here and there
just like a kite
without any string.

False praise are
shoring on me
And you said all false
And I said false is true.

Henceforth detailed
discussion not necessary
for which I am worry.

Gajanan Mishra
Not Safe

Not safe, not safe,
The Himalayas, the Ganges.
Not safe, not safe,
This life here.

It is neither love
Nor love letters
That is safe here.
The love-gift
I receive is a bomb.

But in the name of love
Hate is saved.
In the name of life
Death is saved.
No time is in safety.

Gajanan Mishra
Not Separable

Not separable,  
Ths body and  
The world.  
So also I can't  
Separate myself  
From you.  
And I am going to  
Catch the wind in the net.

Gajanan Mishra
Not Sign

No sign is there,
That you are meaningful,
That you are collapsed.
No sign of flames, tower,
Words, fire.

Yet all frightened,
Yet, all said so many things
With their shadows
In their languages.

All said, all meaningless,
All burning, all named.
No vigilant eyes,
And all vanishing
With the stars.

Gajanan Mishra
Not Similar

Not similar
Trees trees
Rivers rivers
men men.
Bit similar
In life
In death
In right time.

Gajanan Mishra
Not similar
Our speech,
Our thought,
Our nature,
Our writings,
Our shape and
Sizes,
Not similar
Our luck,
We live here
On this earth
At this same time
Under the same
Blue sky, though.

Gajanan Mishra
Not Snow

Not snow,
Not sun,
But a word
I need.
I need silence
In the crowds,
I need life
In dead.
I need,
Not more,
Not less
But the world.
The world
Is an idea,
And I want
The idea should
Stay forever.

Gajanan Mishra
Not So Good

You think me good
My dear, let me clear
I am not so good
You think me bad
Let me clear, my dear
I am worse than that
But it is clear
I am trying always
To become better
And better
My pen is good
My words are good
It does not mean
I am a better writer
If purity is not inner
And again my actions
Can be pure but see
I am not pure
The actual doer
Likewise so many
Things are there to say
But my dear as you know
I am not a perfect talker.

Gajanan Mishra
Not Straight

Not straight
Only cycle path
Where I see you
At the centre always.
Nature with me
And I circling around you
With definie purpose.
I am going to the same place
Where originated
And that is my home.

Gajanan Mishra
Not Strong

Not strong
Being out of
My area, though.
I am in illusion,
And strength reduced.
In the false understanding
Of rotting atmosphere
I am losing everything, though.
I am not here
To give up fight
With time.
Sure I am here
As a winner
As truth is my shelter.

Gajanan Mishra
Not Sword But Words

Not sword
But in words
Fighting is one.

And here
No one is living.

And we see
No tiger skin.

Mouth wide open
And tongue brandishing.

No more sky
To listen.

Catch hold truth
With smiling.
And encircled light.

Gajanan Mishra
Not Tainted By Water

Not tainted by water-
It is lotus leaf.
Not attached to the world-
The sunshine.

Attachment and detachment
Are main factors to
Determined who you are
At this moment here.

Gajanan Mishra
Not Telling You Wrong

I am wrong,
I am not telling
You wrong.
I am full of
Hypocrisy, pride
And arrogance
You are not.
I pretend to be
What I am not.
I am going towards
Wealth, honor, praise
Prestige and power
Though I know
They have no value,
And no role to play
At all in true sense.
It is true
I am intoxicated.
It is true
I am impure.
I am not listening
Your words,
I am not carrying out
Your orders,
I am in delusion,
I am contrary to Truth.
I cannot say what You are
But I must say I am wrong.

Gajanan Mishra
Not That

Not that
I do not know
Who am I
What I am doing
What is my future.

I am not here
To hide myself
I know fully well
I am your part
And parcel
I will cross me
And reach there
Where you are.

Gajanan Mishra
Not That Everyone Is Truthful

Not that everything is truth,
Everyone is truthful.

Not that every heart is
Filled with love.

Not that one is different
From another.

Still, colors differ,
And we are here to call dear.

We know, devotion is one,
Deity differs, though.

Technique differs,
The line is one, though.

The same energy is at work,
Time and place, though, differ.

Gajanan Mishra
Not That I Am Telling A Lie

Not that I am telling a lie,
Not that I am a villain,
Not that I hate you,
Not that I know not the truth.

I realize the gift of nature,
I know how delight comes to everyone,
Wife and believe I failed to
Differentiate giving a connection to clouds.

But step by step I climb,
Not easy though, or say
Climbing is totally false.
Yet, by taking bliss,
I measure the sky and life
That is there in honey-hive.

Gajanan Mishra
Not The Creation

You are not
The creation of God,
My dear mother, that
I know and I am sure.

You have created the God
For me, only for me,
My dear mother, as you
Love me most.

What is the difference
Between you and the God
That I do not know
But I know you, you are the truth.

I cannot say anything more,
With you, I am never bored.

Gajanan Mishra
Not The Night

No where you can see the moon,
And it is the day, not the night.
Here, you can see the sun
At its height.
You can say, okay,
Day is the time to work
And to get blessings,
Each one is in his delight.
Flowers, colours, and all
Other things are all bright.
Smile is there with the majority,
But some are in their own sorrow,
Let us, for them, express our pity.
All we must agree, it is the time of duty.

Gajanan Mishra
Not The Truth You See

Not the truth you see,
Still, we are with you.
You are the truth, we know.

Gajanan Mishra
Not There

School is there
Students are not there
Village is there
School is not there.

Budget is there
Development works not there
Poverty is there
Govt functioning not there.

Govt fuctioning is there
People as bonded labourers
Go far.

Gajanan Mishra
Not This

Not this, not this, not this,
I want to tell you but not this,
I want to give you but not this,
I want to show you but not this.

Not this, not this, not this,
Not also that, not also that,
I do not want to go there
Only for the sake of mere chat.

I am not in a frozen valley,
I am calling you though,
I am only waiting for you though.

You are there, I know, with a flower,
You are there, I know, with that star,
I am not far, I know, but in your area.

Gajanan Mishra
Not This Not This

Not this not this
Let me repeat
Yes this yes this.

Unlimited is
Now in limitation
For personification.

It is another mode
Of perfection and
It is the spark of fire.

Nothing is equal
Nothing is greater
So many ways are there.

Yes this Yes this
Not this not this.

Gajanan Mishra
Not This, Not That

Not this, not that,
But another one,
I want to see.
But where is that one
No one knows.

No one knows
What to do
And when to do
And where to do.

In so many colors,
They all play
With their own words
And languages for
one another.

Gajanan Mishra
Not To Become You

I pray you
Not to become you.
I eat rice
Not to become rice.

I spend time
Till exhausted.
I live here
Not to die.

Exotica I see,
I get, I love.
My love is
Eternal, I am
Not in eternity
Though here.

Gajanan Mishra
Not To Enjoy

Flowers are
Not to enjoy
Not a flower
That one can
See and enjoy
Not a sky
One can catch
Not a fly
That can move
Oh
Multicolored
Terrible!

Gajanan Mishra
Not To Feel

I am not here
To feel
Pain and pleasure.
I know life is
Far beyond all these.
I know I am neither
Defeated not defeat,
But I am to fight,
Without envy,
Without giving hurt
To anybody.
I am equal,
And I feel equal in
Praise and
In criticism.
But I am
As before
Humble and
Truthful.
I am here
Only to serve you,
My love,
My truth.

Gajanan Mishra
Not To Hear

I want not to
Hear from you.
I want to perform
The actions that
Are truth.

I want because
I want you and
I want you
As because I
Have to love you.

I want not
Your cosmic power
But I want you
And a shower.

Gajanan Mishra
Not To Judge

Not to judge,
In this life,
But to learn.
Learn and take
Steps to tackle
Terrorism,
Sluggish economy,
Imploding time,
With each and
Everyone here.

Gajanan Mishra
Not To Return

I go,
And not to return.

My words and
My language
Will rule here
On and over all.

My thoughts my vision
All meaningful.

Gajanan Mishra
Not To Return Again

I want to know
What is that
And that is what.

And you told
A match
I dare not go
It is not mine
Never be.

I want to know
What is that
That is mine
That is what
Mine.

And you told
Air
I dare not go
And I go
Not to return again
Like this.

Gajanan Mishra
Not To Speak

Not to utter
A single word
My dear,
Is preparation
Of a thunder.

Not to speak
Anything here
My dear,
Is a preparation
For a great speech
There at the right counter.

To see and to hear
Is also a blunder
If not careful - my dear.

Gajanan Mishra
Not To Truth

Not to truth,
But to falsehood,
Why are you going
I failed to know.

Taking advantage,
The crooks
Make us fools
And all loot.

Make a lookout,
See what for and
Where are you,
Know ormolu,
And give a
New fight judo.

Gajanan Mishra
Not To Waste Talent

Not to waste talent
Should be the aim
Of each one.
And our talent
Prosper in love.
Love all and give scope
For all good.
Remember, love -
The only truth.
And for love, hard labor
Is but a necessity.
And for love, we should
Have equal eyes.
Love humanity.

Gajanan Mishra
Not Too High

Not too high,
Not too low,
But stay straight,
And comfortable,
Stay truthful.

Care not anyone,
Here all sovereign power
Vested on you,
You are your Lord men,
Keep smile and
Stay happy but crush them
Who are against humanity.

Externally and internally
Keep your thoughts and works purely.

Gajanan Mishra
Not Too Hot

Not too hot
Not too cold
As I said
Keep future bold
And keep in mind
Bold is only death
That you can not mould
When you are there
To take a giant leap
Already everything sold
Be bold to
Bear scold.

Gajanan Mishra
Not Towards West

Good better best,
Go towards east,
and not towards west.

East or west,
You are the best,
Come forward for a test.

Test center is this world,
With truth and love, my dear,
Come and smile and appear.

Gajanan Mishra
Not Transcendental But Demoniac

See towards modern life
Feel experienced.
Anyone can do anything
Anywhere at any time.
No control at all
Go and fire.
Is it pleasure?
Are we modern?
Aim is sacrifice
No more
No householder
Is correct viewer.

Gajanan Mishra
Not True, Identity

New poetry,
What is new therein
We are here to
Search them out.
We are here
To say something more
In our own words
And style.

So many poets
Have already told
What is there,
And what will be there
Here with us.
But we are not
Going to say
What they have told,
We use their words
Here, though, but
With a different meaning.

Where are our footprints,
That we know not,
Still, we are here
And we are smiling
And crying at a time,
For the reasons
Not known to us.

Our hands are strong,
Legs are ready
To take use
Where to we want.
But time is not there
We know, it is clear,
And yet, we declare
Our name and address,
Not true, though,
We know.
Not Trustworthy

This body
Not to count
This life.

I can trust You
You are above
My body
You are my life.

Sure truth is love
Love life
Life is for love
No love no life.

Gajanan Mishra
Not Trustworthy - The Rain

Not trustworthy - the rain,
The rain has no unique identity card.

Gajanan Mishra
Not Two

Not two
But one
Only one.

And we are real
We are in this serial
We are also unreal
We are both in one
Only one.

Nothing like
East and west
Nothing like
Rise and set
All are creations
Of our own.

We are one
Only one.

Our views
Our entities
Our philosophies
Our possibilities
Our delusive
Our assumptions
our aversions
Not two not many
But one
Only one.

We come
We go
Not true
Not real
And also
Not to negate
The unreal.
We are one
Only one
This that
Dog cat
All the best.

Gajanan Mishra
Not Two Not More

We are not two not more
O my love O my dear
We are not factor also
There is nothing common
And there is no division
No rule no regulation
Our difference is only
Our sum that is to and
That is from
And you are my rummer
And there is no question
Of rupture
And in our hands
lie our future.

Gajanan Mishra
Not Two Or Many

Not two or many,
But one and only
One person is here.
And his color is
Not multiple but single.
The person is not tight
But loosened with time.
The time is singing
The song of lightning
That resembled thunder,
And love is interlocked.
The way of life is
Enchanting all filled
With joy- the universe.

Gajanan Mishra
Not Under My Control

The world is
Not under my control
That I know,
The world is
Under your
Full control.
I am a doll,
You are my master.
I am not independent,
You are doing everything
For me.
I have nothing to do,
It is you to decide,
Under the influence of time.

Gajanan Mishra
Not Under Your Control

Not under your control,
My faith,
My wish,
My knowledge,
My movement,
In the sky
With air,
And without air.

Instability is there
Under your control,
At work,
In collecting
Food and water,
In body and mind,
In sun and rain,
And I am not able to do
What I can.

Gajanan Mishra
Not Unprotected

Nobody is unprotected on this earth
So long as You are there, O my dear.

Nobody is unhappy when he knows the nature
O my dear, and take Your shelter, respect Your culture.

You are the administrative head of all creatures
You are the wisdom of all, You are the respirator.

Let my give a free hand to write about You, O my philosopher
I know You are the symptom of all symptoms, You are the near and dear
Of all creatures here.

Gajanan Mishra
Not Up To Satisfaction

I see the answer sheets
But not up to satisfaction.
The answers are not
Tallied with the questions also.

Life is not outside death,
And I have taken leave
To sow seeds, not wise though.

But the words are there
With me and giving courage
To fight again and again.

Is it the real fight?
I am asking and no one is there
To utter anything, perhaps,
No one is interested in life.

Pray, dear men,
Come and repent,
Why you are silent.
Dear men, important news is
You are here with me
At this time, sufficient.

Gajanan Mishra
Not Using Your Language

Not using your language
Means you are involving
Yourself in a murder,
In a loot and be ready
To get punishment from
Your own men today itself.

Gajanan Mishra
Not Uttered A Single Word

Not uttered a single word
Related to summer
Summer though it is.
Summer is just floating
On the ice
Though not it is ice.
Pleasure turning to pain
Or pain turning to pleasure
To say anything no man is here.

Gajanan Mishra
Not Varying

Not varying
From one another,
Not manifold,
But one my dear.
Try not to
Figure out
Any explanation.
If you so like
You may weave
Own stories, legends,
Myths of your own
Culture and religion.
But see all in one,
All are one,
All with one.
I see you trembled
With fear in
Lightning flashed,
I see you trembled
In thunder crashed,
I see you trembled
With winds roared,
With earth shook.
And I conclude
There for all,
Only one entity
I perceived- life.
But it would be wrong
To stick to a single one.
Beastly intellect is
To be given up and
Go to the light
To see the self
That has no existence
At all, though,
That is there
With all similarities.
Not Very Good

Not very good -
Life, day, poetry.
Not very good -
Time, business, free.

I have seen everyone,
I have got everything.
Still, life is a lottery,
But it is necessary.

Gajanan Mishra
Not Vice Versa

Simple question-
Hard answer
But not, vice versa.

Be active,
And be impersonal,
Rest is transcendental.

Who are with you?
Take not the question;
Not a matter of joke
Thanks, they are all with
You now.

Go not with reasons
Go with beauty, you see
In the sky at this moment.

Gajanan Mishra
Not Visible

You can not see me
I am not visible
Yet I am real.

I can see You
You are visible
You are unreal.

This world is
The composition of
Real and unreal.

Gajanan Mishra
Not Well

No
I am not well
And I wonder
You are putting
So many questions
Knowing all
That I am here
With you
And I am helpless
And unable to
Control near and dear.

Gajanan Mishra
Not Well And Well

Not well and well
I dare say.
Not cruel and cruel
I must say.
Not light and light
Here this life.
Not great and great
Honey bee and hive.
It's matter fearful,
It's, though, suitable.
Hidden humble,
Understanding noble.
Inhale or exhale,
Time irreparable.

Gajanan Mishra
Not White Not Black

Not white not black
The color you choose
For your body I passed
Through the wood of neem
And I thanked Puri
And Mahodhadhi and its
Swargadwara I passed
You told mein dream
Last night and I passed
That is what you told me
To erase the sun and the moon
And I have done before you
O my dear, You are one
Who is here with me and
My only match box that I
Used here to enlightened all.

* Neem - a tree, Lord Jagannath made of the wood of this tree
Mahodadhi - Sea of Puri is named as Mahodadhi
Puri - East coast city of Odisha, India where the great temple of Lord Jagannath is there. Jagannath is Black in color and Balabhadra is white, Suvadra is yellow. These three colors represents the people of entire world.
Swargadwara -Funeral place on sea beach of Puri.

Gajanan Mishra
Not Wise

Go not behind the words,
Such going is not wise.
Eat not the burnt light,
Such eating is not wise.

Life is yours and you are the owner,
Think not, such thinking is not wise.
If you are to fear anyone, fear the monkey
jumping and dancing within you.

See the face black, see the face white,
See the face yellow. And about the color
Ask nothing, I am not interested in saying
What is there and how they are there.

Gajanan Mishra
Not With Truth

You are not with truth,
Means you are against the truth,
You dare not to tell the truth
Means you are coward and
going with falsehood and
here lies the trouble.
Going not with truth
is brute.

Gajanan Mishra
Not Within

You are thinking yourself
A great world hero and
it is not within
Your knowledge
You are a great zero.

Gajanan Mishra
Not Within My Knowledge

What is happening
Not within my knowledge.

I am scattered
No beginning
And no end.

Is it total waste?
I do not know.

Gajanan Mishra
Not Without Any Purpose

Birth and death are
Not without any purpose.
But it is all
Beyond our knowledge.
Knowledge about
Singing birds
And the buzzing sound
Of bumblebees are
But the necessity to
Make life happy.
Life is ours
We are to remember.
We are to remember,
We are human beings here.

Gajanan Mishra
Not Worried

I am not worried
About anything
I know worry is
Contrary to love
And where there is
Love there is
Surrender
And I love you
No worry remains
With me
O my dear
I am not worried
For anything here
Or what will happen
To me in future
I am just a yes-man
Of your will.

Gajanan Mishra
I have not
Written a poem
Today.
I am trapped
By the ocean
And the sky,
My dear, Come
And see how
My heart is
Going to fly.
Truth is
All the allegations
Against me
Are not true.
And I am
Arrested by
The
I am looked into
By the star.

Gajanan Mishra
Not Yet Verified

True,
I have not yet
Verified the truth,
The truth of death.

True, I have also
Not yet see
The truth of life.

But I fear
The death
And enjoy
The life.

And I glance
Through the glass,
The glass of mystery.

Gajanan Mishra
Not Yours

Those who are with you
Are not yours.
You are part of the dream
Dream is not yours.
You are on the earth
Earth is not yours.
You are under the sky
The sky is not yours.
Air water light
You are using not yours.
Your life you live
Not yours.
Nothing is yours
You are part and parcel
Of everything
Without you nothing values.

Gajanan Mishra
Not, Yes Sir

I want to hear
Not, yes sir,
But your independent views.
I have space for
Disagreement also.
Come on and say
What is there
In your mind.

Gajanan Mishra
Note Ban

I want no note,
I want some food,
I want some water
To drink,
I want some clothes,
I also a residence
To live in peace.

Gajanan Mishra
Note It

What I am telling
is a poem,
You must treat it
as poem without any
term and condition.

Poem is truth
and in poem
there is love
and in love
we live for long.

My life is truth,
and I am in love
with you,
See me as the poem.

Gajanan Mishra
Note Those

Note those
Who cause divisions
And offences
Contrary to laws
Note those
Who by smooth words
And flattering speech
Deceive the hearts
Of the simple.

Gajanan Mishra
Note Those - Duplicates

Note those
Who cause divisions
And offences
Contrary to laws
Note those
Who by smooth words
And flattering speech
Deceive the hearts
Of the simple.

Gajanan Mishra
Note, Important Point

Note, important point
and dream again.
Think not dream differ,
Remember, it is one
and the same.
Problem lies not
in dream
but in you.
It is your behavior drive
that would be helpful
reaching heaven.
think for a while
Heaven is no where
But it is within you.

Gajanan Mishra
I write here,
The stories
Of my life
And that
About nature.
You can read
And comment,
I have nothing
To object.
I am alive,
This much
I can say
Before you.
You are free
To believe it.
I am the earth,
But forget it.
I am the sky,
Just remember this.
The color is being
Changed at every moment,
And you are there
To adjust with it.
I am soft and
Innocent and polite,
But I am blind
And each one is
Taking the advantage.
What is going on
That is beyond my knowledge.
How can I write,
What is the matter to write,
My notepad is opened
But blank, see.

Gajanan Mishra
Noteworthy

Something noteworthy
I have to mentioned
While performing
Prescribed actions.

Something noteworthy
About birth and death
Duty and welfare
I have to mentioned.

Easy and quick procedure
I have to mentioned
To lead the life for all
The end of which is welfare.

Gajanan Mishra
Nothing Is Evil

Nothing is evil,
Nothing is also good.
You cannot say
It is all truth here,
You cannot say
Falsehood is there with us.
Life is there going on,
In a circle, on a cycle-way
And we are alive.
I conquered me
And you are my friend.
I have not conquered you
And you are my foe,
But I am here as before.

Gajanan Mishra
Nothing About Anything

I know
I know nothing
I know nothing about anything.

And You are the Providence
And I remain unasked.

I am a mere frog
And my dear, You are the lion.

I know nothing
I know nothing.

Gajanan Mishra
Nothing Accidental

Nothing accidental,
Excuse me.
It is all
Expected here
For all time.
Take care
Anything can happen
At any moment.
Prepare to face
The clouds.
Unclothe the night
And see
What are in you
Besides the truth.

Gajanan Mishra
Nothing Affects Me

Nothing affects me,
I am not being affected,
By your words or actions,
See me, here, as before.
I am, as such, what I am,
It is you, who is changing
Colours at every moment
And hence, you are unable to
Know the truth that is here
In me and learn lesson for
The future with all cautiousness
And stay cheerful in all
Happenings in circumstantial
Changes beyond control.

Gajanan Mishra
Nothing After

Nothing after nothing
It is cool it is confidence
It is an attitude of self-belief
It is following dreams
And works on achieving them
It is cool it is balanced
It is healthy life style
Nothing after that nothing.

Gajanan Mishra
Nothing Against

Nothing is against and
Everything is in favour
Opinion may differ
You are not for you
You are for others
Agree or not
You are a changing matter
You are my dear and near.

O supporter of life
Think for a while
And add your views
For the life is here
For the acts of penance
Charity and sacrifice
Performing these are
Nice and wise for future.

Gajanan Mishra
Nothing Against Anyone

Nothing against anyone,
But I am in favor of
The truth always.

Gajanan Mishra
Nothing Ails Me

Nothing ails me
As I am here
Living straight
With love.

See, me face,
See, smile is there
As always
Showing truth
In dark, white
And yellow colours.

I am taking rest
There in music
In words and
In colours

Gajanan Mishra
Nothing Amiss

Nothing is amiss
It is we who are
Not able to enjoyed
Amicable relationship
And not amiable.
Nothing is amiss
It is we who are
Not able to reach
At the apex and
Cold to amorous advances
And we are to go
Deep in to us
To activate reactivate
Ourselves in this situations
That is always pleasurable.

Gajanan Mishra
Nothing And All Loot

Nothing and nothing,
All nothing.
Nothingness is there in me,
And also there in you.

See in light
My barefoot.
Question not
What and who.

Nothing truth,
That you hear,
That you touch,
And that all loot.

Gajanan Mishra
Nothing And No One

Nothing and no one,
whose and who is not connected with the poet.

No place is unreachable for the poet.
No one is greater than the poet.

The poet wants nothing but love and truth.
The poet knows what and where it is.

The poet knows what is favorable and what is abominable.
The poet is really most respectable.

Gajanan Mishra
Nothing And Nobody

Let all worlds know
I am nothing
I am nobody.

Gajanan Mishra
Nothing And Nothing

Nothing is truth,
Birth, death, old age
Or disease.

I have no mind
To imagine,
And no words
To describe.

No one is friend
And no one is an enemy.

Nothing to do,
I have to take
Responsibility, though,
To do. I am far
Beyond bad or beyond good.

Gajanan Mishra
Nothing Bad

Nothing is bad
My dear Michael Philips
Nothing bad
No art and nothing.

Only empty sky
On this face
In this body
Within sky.

Drawing art is fine
Whatever it is
It is within
It is our ignorant.

And what is bad tell me
Are you bad
Am I bad
If not then
Come to a conclusion
And the conclusion is
Nothing bad.

Just look
In fine art
In good eyes
In newness
The beauty therein.

Gajanan Mishra
Nothing Belongs To Me

Nothing belongs to me
But You.

My endeavors even to
Protect myself by any means
Are useless.

Unless You Yourself has
Taken charge of everything
There is no assurance of protection.

Nothing belongs to me
But You.

Nothing is mine
I am not this
I am not that
Everything is Yours.

Gajanan Mishra
Nothing Beyond

Nothing beyond
The senses
Nothing beyond
Selfishness.

Selfishness
Concentrated and
Extended and
besides needs of
Spirit soul.

Soul - where
You are
O my dear and
You are beyond
The senses.

Bird- soul
Cleaning the cage
Of the bird
Not suffice the purpose
One must know
The needs of the bird.

O my dear
You are the bird
You are in this body-cage
You satisfy yourself
And see my helplessness
I am under the senses.

Gajanan Mishra
Nothing Beyond Poem

I find
Nothing beyond poems
And for this
Nothing to feel proud.

When I am
In the arena of my poems
I think it is my heaven
And I am in peace.

Here nothing pain
Nothing pleasure
I think here
I am my fragment
In the shape of poems.

I find in this arena
How beautiful I am
And credit goes to the poems
That the poems kept me here.

Gajanan Mishra
Nothing But A Process

It is nothing
But a process
Of discovering
The self.
The self is there
As it is within
But we care not
And returning.
We are returning
Not caring the danger
That is there here
And closing the door
That is meant for
Straight delight.

Gajanan Mishra
Nothing But Air - Your Words

Let me hear your words first.
But let me ask what is there.
There is nothing, nothing but air.

Gajanan Mishra
Nothing But Circus

Nothing but circus,
Here it is.
But I am here
To pronounce the truth
In its simplicity.

Gajanan Mishra
Nothing But Imagination

Nothing but imagination
And it has no real existence
Within itself.
Shortness differences grossness
Skinniness smallness bigness
Result cause living symptoms
Are all imagined.
Everything is the result from
Atomic juxtaposition or combination.

Gajanan Mishra
Nothing But Life

Let me tie up
With you,
I want nothing
More than that,
No knowledge
Of anything
Outward or
Inward.

Gajanan Mishra
Nothing But Love

Nothing but love,
You may discover
In me.
I am nothing
But the truth.

Gajanan Mishra
Nothing But Madness

What ever you are doing
What is there in feeling
Nothing but a kind of madness.

Detachment or indifferent
To pleasure or pain
Surface glitter illusions.

Gajanan Mishra
Nothing But Mind

Nothing but mind rules,
Rules in the shadow
Of our thought.
Here, in the mind
The world changes
At every moment.
The things are
Transforming themselves
Under interrelation
Activities.
Patterns change,
Configurations change,
Archetypal symbols change,
But life plays as it is.
All arousing,
All receptive,
All creative
For heaven sake,
For earth sake.
Father, mother, wife,
Son, daughter all
Are here to make
The season colourful, for
Life is the only truth,
Left and right-
All good.

Gajanan Mishra
Nothing But Nectar

Real life is just
And honest.
By going with this life
You can get everything
That are available
With you.
Everything is there
Within you, my dear,
And remember, you are
Nothing but nectar.

Gajanan Mishra
Nothing But Silence

Try to know
The feelings of
The persons
Who keep silent.

Nothing but
Silence is the first
Step towards heaven,
Towards peace.

Gajanan Mishra
Nothing But The Earth

My body -
Nothing but the earth.
The earth -
Nothing but the water.
The water -
Nothing but the fire.
The fire -
Nothing but the air.
The air -
Nothing but the sky.
I am the sky
With full energy
And knowledge.
And here
I discovered the truth.
The truth is
Eternal,
Imperceptible,
Inconceivable.
And the truth is
The only way
To stay free.

Gajanan Mishra
Nothing But The Earth And The Fire

Circle of fire is here
And I am within it.
And overhead
There is the blazing
of the sun.
Where to go?
I find air everywhere,
And water within me
And outside my life.
I am lying on the floor,
And the floor is
Nothing but the earth.
I am nothing but the earth
And the fire.

Gajanan Mishra
Nothing But The Self

Nothing but
The self -
The only truth
Here.

Heat is there,
And the fire
Has got
The meaning.

The water
Is tasty
And it has
Own meaning.

Attachment is
Existing.
And it is
Life.

Like a living entity,
Each one should be
There with
All voidness.

Gajanan Mishra
Nothing But The Truth

Nothing but the truth,
Truth but the love,
Love but life.

Gajanan Mishra
Nothing But You

I want nothing
But You
I can not give up
The practice of calling
You
I am a man and
I know who is what
I want merging.

Gajanan Mishra
Nothing Called

There is nothing
Called purity
Called good conduct
Called truth.

There is nothing
To know
Not to know
If anybody comes to
Explain he is
Now a fool
To laugh at.

No translation is needed
No translator is appointed
You just go on doing
Your own works on your own ways.

You are free to do
Whatever you like
But you are not free
To take birth
Not free to get fruits.

You are judged
Good and bad
Purity impurity
Truth and false.

Gajanan Mishra
Nothing Called Future

Nothing called future
And we all are here.
We would not be there, but
To term future - not fair.

Dream has no tense,
You know. And life
Is a dream you declared.
Life is related
With time. And time
Has no future - confirmed.

Your smile, your cry
All are there as they are.
In dark, in light, you
May go anywhere - no bar.

Gajanan Mishra
Nothing Can Exist Without Love

My dear I love you I pray you
You are everything
You are my basic principle
You are my life
I can not bear to live
For a moment
Without your presence.

Gajanan Mishra
Nothing Can Force Me

Nothing can force me
To move away from my beliefs,
One can made me blind
One can removed my skin off
But No one can force me
To do what I dislike.

O my dear, I love you
You are my dearest dear
You are my everything
Nobody on earth can force me
Not to go to You
Not to pray before you
Not to stay with you.

O My dear, You are my
Supreme bliss
How can I myself abandon you
I can not
As it is the characteristic
Of my soul.

Gajanan Mishra
Nothing Can I Do

Nothing can I do
To stop anything
Anywhere anytime.
No use of anger,
I know dear.
But I know I am
Not unworthy and
See, I am happy.

Gajanan Mishra
Nothing Connected With Me

Nothing connected with me,
And I am no longer
Attracted by anything here.

Gajanan Mishra
Nothing Disgusting

In life,
Nothing disgusting.
But find everything
Interesting.

No harm trying,
Success and failures
Are only on one side.

Life - a part of
Fairytale.
Grabbing scope,
The only way to escape.

Interfere not
Anyone anywhere
But enjoy all.

Gajanan Mishra
Nothing Done

Nothing done
Neither natural
Nor artificial
And they left.

From and to
Not known
And they left.

They left
We forgot
Who were/are they
Why they were/are here.

We forgot
their name fame
And yet to find in them.

Gajanan Mishra
Nothing Ends

Nothing ends on the death
A new start is already made.

Bane or gain
I don't know
But I must say
Please welcome
What is a head.

Gajanan Mishra
Nothing Equal Me

In any way
I am far superior to all.

But by pure love
Exclusive devotion
I am easily attainable.

Gajanan Mishra
Nothing Exists

Nothing exists
In reality.
Heaven and hell
All have its roots
In ignorance.
All are illusion
Even the very birth
The very death
Lands wealth family.

Gajanan Mishra
Nothing False

Nothing false
But all are truth,
The life and the death.
And I live here
In between the two.

Gajanan Mishra
Nothing Fixed

Nothing fixed,
No idea
About life.

Life
Specialized
In living.

No tourist
Found in
And around
The sea.

No murmuring,
No coming and
Going, no signs
Of anything.

All eyes
Evil and
Good move
Here and
There.

And everything
Fair and fired.
Erosive, I found
Nothing, no one.

Gajanan Mishra
Nothing For Me

Nothing for me
To write new
Or to make known.

Nothing to be revealed,
Nothing is impure.

Problem is
False understanding.

I want to know
Only my position
Here in this
Cosmic manifestation.

I want to see me
In my light, I know,
Nothing mine, though.

Gajanan Mishra
Nothing For Myself

I am not going to say
You are not mine
I am going to say
You are not under my control
You are not beyond control.

I must say
I need nothing here
Except your love
And I have to do
Nothing for myself.

Gajanan Mishra
Nothing Found

Nothing found
In a thousand petalled lotuses,
Nothing found
In a huge water-barrel,
Nothing found
In a very big receptacle.
But my dear, you were/are there
Under no one's control.
You are/will be there
Like a male pigeon.
In your presence, my dear,
I feel great strength.
And you are here I know
Since I am living here.

Gajanan Mishra
Nothing Free

Nothing free,
Not even this life.
Air water shelter,
Wife son daughter,
Nothing free,
Not even nature.
No personal matter,
All under sun-cover.

Gajanan Mishra
Nothing Further To Know

Nothing further to know,
Just see others as your own
And take care of yourself.
After all, all are one
And one is all.

Gajanan Mishra
Nothing Good Comes Out

We are like a black hole
For God's aid
His air goes in
His light goes in
His water goes in
His truth His peace
His Benevolence His mercy
All all goes in and in
Nothing good comes out
We human being
Lost humanity.

Gajanan Mishra
Nothing Good Comes Out - Being An Evil Man

Nothing good comes our from you
I know and I know you are the man
Who is the main cause to corrupt
Mind soul honor and reputation.

I know you are an evil person
You are more poisonous than cobra
And you dance with joy when I am
In danger in grief in ruin in tear.

Gajanan Mishra
Nothing Good Without You

Without application of law
Nothing good.

Without doing karma
It is difficult to
Trace entities.

The body the mind
And the intellect
Nothing is use
Except you.

You are above all
You are within all
Without you we fall.

Gajanan Mishra
Nothing Happen

No loss
No contrary result
Nothing happen
If you die

This is the truth
Just go on accomplishing
Your object.

Be devoted in
Thought word
And deeds.

Gajanan Mishra
Nothing Has Value

Nothing has value,
My dear without You.
You are my love,
You are my Truth.

I am living only
Within You,
Nothing has value
Without You.

Without You, my dear,
It is all lust and deceptive,
It is all unreal and false,
It is all without any basis.

Let me clear, I am not cheater, in this universe,
I have nothing to hypocrite nothing to cheat.

Gajanan Mishra
Nothing Hidden

Nothing is hidden, nothing confidential,
Nothing is also manifested here on this earth.
And for this, we are all in danger and bewildered.

Gajanan Mishra
Nothing In The World

Nothing in the world,
The world is nothing.
But life?
Life is there in the world.
And life is everything.
Life is the connecting link
Between the world and
The nectar of heaven.
Life is the essence,
Life is self-sufficient,
Life can be there
Without the world.
Just try and see life
There within and outside.

Gajanan Mishra
Nothing Is Above Love

Nothing is above love
Above sacrifice
Love is sacrifice
Love all
I know nothing
Except love
Love all
Nothing belongs
To us
Except love
And love is
Only ours
It is not
Given to us
On loan
By anybody
It is but natural
Love is ours.

Gajanan Mishra
Nothing Is At Hand

Nothing is at hand,
And yet we are going
From pillar to post
With an expectation
To get something.

Our eyes
Failed to see the light,
And the light is there
To laugh at us,
But we care not.

We think ourselves
Mightier than others,
But we are here
For nothing.

Gajanan Mishra
Nothing Is Automatic, Remember

Nothing is automatic, remember
O my dear, You have to act as per law
And you are to see atmosphere.

Nothing is automatic, though
You are seeing rising sun
Trees herbs are also there for a cause.

I am responsible here in the bank
But outside who am I
And I am in literature.

Gajanan Mishra
Nothing is beyond life,
Nothing, air, fire, earth,
Nothing and nothing.
Nothing is beyond death,
Nothing, dark, ice, sky,
Nothing and nothing.

And I do accept,
Accept life a big zero.
I know, nothing though.
I stay in and go out,
I stay clean with specks of dirt,
And follow the quotes.

The moon, I love,
Full contingents
And full sequences
Of sixteen phases.
I love life, and
I am with the life.

Gajanan Mishra
Nothing Is Called Death

Death is just a word, O men
You have made to adorned
Your dictionary to terrified
People who are in sin.

Gajanan Mishra
Nothing Is Clear

Nothing is clear,
It is all confusion,
The life, the time
And the situation
Still we have to
proceed ahead
Keeping aside that are
Not in proper form.

Gajanan Mishra
Nothing Is Created

Out of nothing.
Everything is
Created from You.

You are everything and
Original source of all.
I am Yours, my dear
Be kind to listen my call.

Gajanan Mishra
Nothing Is Defective

Nothing is defective
No fault at all
Only the attachment with
Aversion to
Pleasure and pain-feeling
In relation to them
Is a fault
As a spectator
In this world stage
Must remain unaffected.

Gajanan Mishra
Nothing is difficult,
Our strength is there
Over and over all.

Gajanan Mishra
Nothing Is Done

Nothing is done
Or to be done
By myself
and for myself.

I know not
What is highest
and what is lowest
and yet I am counting
the uncountable numbers.

Gajanan Mishra
Nothing Is Easy

Nothing is easy
Nothing is difficult.
No matter if you
Get success or
You meet failure.
Meaning is the same
To attach or
To remain unattached.
Matter is very simple,
It is horrible and
Also wonderful.
What about you
That is the crux of the matter
And you have to say what is clear.

Gajanan Mishra
Nothing Is Empty

Nothing is empty,
Nothing to worry.
You are alive
With waves
That is the full
Story.
Nothing to worry,
Nothing is empty.
The sky and the ocean
Each one is there
In its motion.
Only the question of
Bread and butter but to
Keep open eyes and ears.

Gajanan Mishra
Nothing Is Fake

Nothing is fake,
If you so like,
You can check,
With your watch dog
All night awake.

Gajanan Mishra
Nothing Is False

Nothing is false
As you stated
Is not false.

Everything is true
Relative though
Everything sprouts.

Free but time-bound
All depend upon the man
Who counts.

You may see
You may not see
But it manifests as it is.

What I say
I am sure you must agree.

Gajanan Mishra
Nothing Is Faulty

Nothing is faulty
Nobody is in fault
The word default
is a misnomer.

Say yes always
and go where you wish,
Get that you want
with love truth-chant.

Gajanan Mishra
Nothing Is Finished

It is only the beginning.
It is the spiritual realization
That is entrapped by tradition.

Gajanan Mishra
Nothing Is For Ever

See, hear, feel
And develop dispassion.

Nothing is forever
I, we, just forget
Don't go after worldly objects.

Awake from sleep
If you so like
Who you are-realize.

Gajanan Mishra
Nothing Is Given

No fruit no flower
Nothing valuable nothing ours.

We see all here
And we see nothing.

What is valuable asked the bride
Bridegroom replied and keep quiet.

Nothing is given
And got everything.

Anxiety is our responsibility
It is there with our life.

Gajanan Mishra
Nothing Is Growing

Nothing is growing
Though all seem growing.

You are not staying
Though it seems you stayed.

We are lucky to say it opened
Though nothing is opened.

Self-analysis is the call of time
Mere acquiring knowledge has no value.

Realized the truth or repent like the farmers
Who failed to sow seeds in time and like
The student who left school
Without completion of the course.

To love is your primary duty, my dear
To stay free from fear.

Gajanan Mishra
Nothing Is Hard

Nothing is hard
Except harsh words.

Harsh words are
Not the words of love
Not the words of pure heart
Heart is both soft
And hard according to time.

At times hard is
Also necessary
For welfare
And it is fair.

What is fair
That is to know
Knowing is life, my dear
It is not at all flexible
Though not harsh hard
And though not rigid.

Gajanan Mishra
Nothing is here except imagination
Hell heaven love affection
Mountains trees birds animals
Men mosquitoes monkeys
Everything and everything
Are the products of imaginations.

All dynasties all expansions
Covering and uncovering everything
Here there everywhere find me
And that is only based on your
Imaginations and imaginations
That can not be abandoned.

Per-formation is still going on
Depending on different situations.

Nothing is independent,
Nothing and no one is
Independent of you.
You are all pervading
And the truth.

Gajanan Mishra
Nothing Is Insignificant

Insignificant nothing,
Nothing is insignificant.
And we are astonished to see
The fish and the ocean
On our own dry land.
Not dreams, but reality-
Our life, our world, our truth.
And we are capable of crossing
All that are in our ways.
From time to time, we remember,
Who we are and what for we are.
Vivid lesson is there before us,
And we learn so many things
From our mother in mother language.

Gajanan Mishra
Nothing is irrelevant,
Everything is depending
On your choice.
Your proper word is
There and ever ready to
Help you in time.
You need not go to the stone
Or to the air,
You are just to put a
Question tag and wait,
Everything is here
In the form of answer.
Here the trees know
Everything but they have no words.

Gajanan Mishra
Nothing Is Irrelevent

You are to see the situation only,
It is all useful
You are to know the methods
And techniques only.

Old is gold, as the poet said
And gold is always gold with high value,
It is you to recognized the Truth
And declared before all in like manner
As that is there for ever.

Gajanan Mishra
Nothing Is Left To Achieve

Nothing is left to achieve
Nothing and nothing, nothing
If You pleased with me with me.

The best welfare activity here
Is raising everyone to the platform
Of Truth and Supreme Truth.

Gajanan Mishra
Nothing or no one is like my mother-earth,
It is the nectar-giver in the entire cosmos.
No one can count the mountains, the rivers,
The trees, the birds, the stars here.
See, here all are living together with
Love and affection as if they are all one.
The air, the water, the light all are here,
They are all the source of knowledge and
They are ever ready to give us peace in life.

Gajanan Mishra
Nothing Is Mine

Nothing is mine
Nothing is required for me
Nothing is to be done for me.

Gajanan Mishra
Nothing Is Mine As It Is Clear

Nothing is false
Everything belongs to Truth
And Truth is here for the Truth.

Where is not the Truth
The sun is rising and setting only for Truth
We are all in Truth
We are the water the earth the fire the sky and the air.

Gajanan Mishra
Nothing Is Mine Except

Nothing is mine except
Yearning for love
As I am Yours my dear
My final aim is to love You
Having attained love
having attained You
My life become perfect
And I have nothing to be done then
Nothing to be known
And nothing to be attained.

Gajanan Mishra
Nothing Is Mine, No Need To Do Anything.

Why should I need anything?
Nothing is mine, I need nothing.
Everything is yours, you are the only owner.
No need to do anything for myself, I know.

Gajanan Mishra
Nothing Is Mine, Nothing

Nothing is mine,
Nothing is for me,
I am nothing.

Gajanan Mishra
Nothing Is Ours

Nothing is ours
We should know
And accordingly
we should stay
with all here.

All means all airs
all waters, all skies,
all earths, all lights.

Let them take back
their properties
as and when they like.

Nothing to speak,
Be ready, my dear,
to exit without fear.

Gajanan Mishra
Nothing Is Passing

Nothing is passing
And so grieve not.

To grieve
Is a blunder, remember.

Everything is for good
Accept it and be cheerful.

Incident, circumstance
And action are not
Under your control, my dear.

Stay free from sadness
Think that whatever is
Allotted cannot be blotted.

Gajanan Mishra
Nothing Is Permanent

Nobody is confirmed.

You are what you are
I am what I am.

And it is not sure
Nothing is pure.

We all are on the same way
The sky is the check gate on this way.

Gajanan Mishra
Nothing is permanent,
Not even the ice,
Not even the sky.
Nothing is permanent,
Still we are here
The living creatures
In different forms
And postures.

Gajanan Mishra
Nothing Is Personal, Nothing Is Secret

Nothing is personal, nothing is secret
I have the knowledge, the world is so great.

My knowledge is your divine glory, I know
My feeling of love, my righteousness
Is your divine glory, I know.

You are my left and right
Give me punishment, if I am convict.

Deter me always from any sinful behavior
O my dear, give me victory, making all clear
I am a mere striver, I know you are here.

Gajanan Mishra
Nothing is pleasant to us,
Why and how?
It is because
Nothing is real,
We are going on
In a fake world,
We are all
In one sense or
The other, faker.
No one is here
To get pleasure.
Our family members,
Our wisdom,
Our wealth,
Our kingdom.
Nothing is for us,
We should remember.
We know not
How to enjoy here.
We are staking claims
For such things
That are the main
Cause of our sorrow
And we are at stake
Here always, my dear.

Gajanan Mishra
Nothing Is Real

Nothing is real, everything is
Like a line drawn by bamboo stick
On the surface of the water.

Gajanan Mishra
Nothing Is Separated

Nothing is separated
One influenced the other
Time and again and again
In recycling manner.

It is all pleasure
That You are here, the reservoir
And I am waiting for You
Again and again in this process.

Gajanan Mishra
Nothing Is Serious

Nothing is serious
Nothing is unfortunate.

Do your duty sincerely
Do your duty honestly
Do without any biased.

You are only here
To regulate
To create
To destroy.

It is only you
Having patience
To Stay any any cost.

Nothing is happening
Dare not invade
Trees, birds, insects
Creatures.
Do not make yourself a part
of the circus system
That is going on.

Gajanan Mishra
Nothing Is Sin

I am not a sinful person
I know nothing is sin
And I know your duty is
Not to destroy the sins.

You are pious O my dear
You are nectar
I am your fragment
I am nectar.

O my love, I know
Your decisions are always good
For the good of others
Please go on doing actions.

Your actions have no reactions
I know O my dear
And I know You admitted
Your like your friendship with me.

Gajanan Mishra
Nothing is strange  
It is just hot  
And it is burning  
We are here within.

We are here within  
And You are there  
You said the day of  
Immortality and we  
Enter it in peace.

You are giving us meaning  
And we are not good enough  
To understand it at any time  
And it is not strange  
We are here within.

Gajanan Mishra
Nothing Is Suitable

Nothing is suitable
Nothing is desirable
No loss no gain
Life is no pain.

Gajanan Mishra
Nothing is terrible
If no attachment is there.
Go not with anything
Or with anybody and
Face not the tiger, the snakes,
The Scorpios on the road.
Control your own
Hands, feet and speeches
And stay free and happy.
No needs to go outside
It is all within you.
Stay detached and liberated
Always but keep union
With the truth and love.

Gajanan Mishra
Nothing Is There

Please unfold yourself
And make me know You and when
I know You, O my dear
And I know, having known You
Nothing is there to be known.

Gajanan Mishra
Nothing Is There And

Nothing is there and
Nothing is here, my dear.
We are only,
In our divine power.
We dwell in this world,
And this world dwells in us.
And we know, nothing is here,
And we see nothing minus us.

Gajanan Mishra
Nothing is there as sunrise and sunset
Nothing is there as noon and midnight.

Same thing let us say about air and water
O my dear, you can go on this earth under the sky
With your own light that is within.

You can say what you think proper
You are free to left or to enter.

Life is in your own hand
And there is everything and here there is no end.

Gajanan Mishra
Nothing is there but fire,
And the fire itself is burning.

I am battling my life
At every moment for nothing.

Nothing is there but water,
And I am watering my body here.

Looking to the sky I thought,
What I have not been taught.

Gajanan Mishra
Nothing Is There In My Name

How can I say
When there is
Nothing in my name?

How can I say
My name, when
There is no words with me?

Where shall I
Get the words
When there is no airs?

Where shall I
Get the airs
When there is no sky?

Where shall I get the sky,
When I find no earth under my feet.

Gajanan Mishra
Nothing is there in our life,
Let us learn it first.

Gajanan Mishra
Nothing Is There In This World

Nothing is there
In this world
But skin
And stone.

At this moment,
It is not there
At the next moment.

Touch not
And suffer not,
No reason is there
To be happy
Or to feel sorrow,
Wait not for tomorrow.

And it is well-accepted.
And there is nothing

And nothing left to achieve,
But to stay in truth
For ultimate benefits of all.

Gajanan Mishra
Nothing More Than

Nothing more than
What I am and
I am nothing.
Who am I to feel
Sad or happy.

But my attachment
And my aversion
Are fleeting.

But everything
Revolves round me.

Everything is old
Including your thought
Your writing and your
Behavior and orders and
Ordinances and you are
Facing the same problems
Same hazards and staying
With same wolves.

Nothing new
Nothing new
Hard days a head
And you are here
To receive hard answers
From every corner
Nothing new
Let us not observe
Let us change only
Let us only replace
A new calender
In place of old one
Like Old liquor in
New bottle.

Gajanan Mishra

Nothing new
See, I am beginningless
I am endless
My life has a beginning
And has an end.

Our love is beginning-less
And also endless.
But the world
We are in now
Has an end
The end and beginning

From us
And it is reality
it is divinity.

Of rain.
Nothing new

Only for you.

It is the sky
The ruler here,
We are all warriors.

The ants,
The bees are
Brothers and sisters.

Say,
Good morning to all.
The sooner you left
The better.

But for some moment,
Stay here, dear.

Gajanan Mishra
Nothing Present

Nothing present,

For the purpose of future.
Year after year,
I am searching my identity
That is missing,
For nothing.

Gajanan Mishra

Nothing Private

Nothing private
When in public services.
Nothing personal
When works are general.

Words we uttered
Not ours.
Houses we reside
Not ours.

We are here
For each other.
We are divine
Determiners.

We fight for
Our own survival,
On land, in Ariel
And in naval.

Gajanan Mishra
Nothing Remains

Nothing remains,  
Nothing remains to be written,  
Nothing remains to be done.  
And many more things,  
And many more things are there  
To watch to observe and to learn.

What you deserve you are  
There to get it  
And you are to stay here  
So long as there is  
Your requirement  
You are to know that.

To know You
And to salute You.
I know what I want
That is there
Only with You
And I want only You.

Gajanan Mishra
Nothing To Beg And

Why should I beg
As I know

Love and for truth.

Gajanan Mishra
Nothing To Do But To Stay With The Truth

Nothing to do but
To stay with the truth.
And the truth is within.
It is true, we want
Real peace and order
Here for all.

Gajanan Mishra
Nothing To Do With Our Existence

I know my dear You have

Gajanan Mishra
Nothing To Do With Politics

Nothing to do with politics,
Nothing to do with physics,
Sociology, or with
The art of warfare.
Come or go, no matter,
But you are there,
That suffice the purpose.
I realise spiritual value.
I know the truth.
Our culture is the storehouse
Of knowledge here and there.
I know and I want to
Recognise the fallen souls.
I deliver the speech
For the welfare of others.
I know everything but I
Utter not anything for
The benefit with larger extent.
The moral and ethical values
Are there with us, in this life.
System is okay but
Distinct colours that matter.

Gajanan Mishra
Nothing To Do With You

I have nothing to do
With you*.

And here I am going to
acquire the ultimate goal.

Nothing to doubt
You are the embodiment of wisdom
You are untainted and uniform

Your call by gaining

Your experience and
Your knowledge is the aid
And advice for realizing
The True self.

No desire is the best
Method to rise
Sow the seeds of detachment
And avoid the question of downfall.

And be aware of your
Temporary residence and entangled not.

Aspects of your own state.

Gajanan Mishra
Nothing To See

Nothing to see
And hence I close my eyes,
In closeness, I hear
The voice of your heart, dear.

My ears are everywhere, you know,
And I can walk to anywhere
Even without my legs, you know,
Even I can do any work even
Without my hands, you know.

My counting starts
From zero to zero,
And as you know
Zero is the only truth,
From the very morning
Declared bird crow.

The color of the crow
Is black, I know.
But I give importance
For truthfulness, sincerity
And cleaning works.

Here I want to speak
Not about the crow,
But about the truth and
Love and transparency.
I want to speak about
Friendship and peace.
I want to speak not
Against anyone but
For the welfare of all.

Gajanan Mishra

My dear, who is the borrower
And who is the investor
That is to know
At this hour and we all
Are to see who is among us
The early riser.
Nothing to wonder
No one is better,
Nothing is better
But everything and
Everybody are expecting
Something is happening
And it is wonder.

Gajanan Mishra
Nothing To Write

Everything is to love
Nothing to anger, my dear
Everything is to keep in cool
Nothing to fulfill desire
Everything is here that are
Necessary for our life and need.

Gajanan Mishra
Nothing To Write More

Nothing to write more
I have not written
A single poem so far.

Nothing to write more
Writing poem is also
An illusion that I know.

Nothing to write more
What more do you wish
To read here at this site.

Let me say writing poem
a false ego in the mode of
Goodness and passion and
Intelligence and also ignorance
With the words that are not there.

Gajanan Mishra
Nothing True- Life

Nothing true,
All in ignorance,
No self-realization.
Life is no business,
But life is in
Fear, envy, greed,
Illusion and all madness.
Let us counteract life
With the truth.
But the truth is
In all answer
That are pure.
The life and the earth,
Both are ours.

Gajanan Mishra
Nothing Under The Sun Is Mine

Nothing under the sun is mine,
And I am going beyond the sun.

Gajanan Mishra
Nothing Usual

Nothing usual,
All unannounced.
Divine miracle
Unimaginable.

Gajanan Mishra
Nothing Wanting

Nothing wanting
Everything is unlimited
Full with all desirable equipment
This is Your world
This is full with all power
All energy all opulence
All beauties all knowledge
And also all renunciation
You Yourself is also unlimited.

Gajanan Mishra
Nothing Will Happen

Nothing will happen,
I am sure.
Your smile is there
As before.

Your special favor
Is there, I feel.
And I am not chilled.

I am fortunate,
I declared and
You smile again.

I have forgotten
What is life and
Where it is, I am
At your disposal all the times.

Gajanan Mishra
Nothing Would Happen

Nothing would happen after
My death that I know and
Still I am crying
O my elderly parents
O my wife with a mere infant
In your arms, O my young children
Without me I know you have
No one to protect you
You would suffer unbearably
That I know, how could you live
Without me, a great question
These types of thinking is
The cause of my foolish mentality
That also I know
I know it is for my family attachment
And think all these due to
The darkness of ignorance
I have forgotten the real truth
I have forgotten the real life
In Truth consciousness.

Gajanan Mishra
Nothing Wrong

Nothing wrong and here
You can find everywhere
Full of bliss full of knowledge
In eternal time.
Haunted by no ghost
Influenced by no disease
No material energy can over take
You can do whatever you like
And that is right, absolutely right.
Know the constitutional position
And do whatever you want to do for others
O my dear, at this time you are here
And it is a chance that you are doing
For your own good in others.

Gajanan Mishra
Nothing Wrong And Also

Nothing wrong
And also
Nothing right.

Nothing is there
In the sky,
Everything is there
In the ocean
But without value.

And what is a value?
Is it not Juggling of words?
Really man is a fool
Who is going with the words
And trying hard
To go outside the words.
No one is judicious there.

Gajanan Mishra
Nothing Wrong Here

Nothing wrong
Nothing wrong in
Staying here.
You can not say
It is night
It is day
You can not say.
Saying anything
Is taking shelter
Of falsehood.
What is true
It is difficult
To proof
Without clue.

Gajanan Mishra
Nothing Wrong In Anything

Nothing wrong in anything
And it is our future
It is the course of time.
Nothing to worry
Take everything normal
And formal and not take it final.
Remember you are on journey
En route nothing to disturb
My dear, and you are at the top.

Gajanan Mishra
Nothing, Nothing

Nothing, nothing,
Everything is nothing.
Fear not, fear not,
Move forward, move forward.

Everything is fine and okay,
Go with your own words, dear.
No problem, no trouble is there,
Go forward, go forward..

Gajanan Mishra
Nothing, Nothing To Do But

Nothing, nothing to do
But feel relax.
Enjoy the time,
Enjoy life.
Nothing to take,
Nothing to give,
Feel relax.

You are in the circle of
Relativity,
In reality, you are
Nectar hive,
Just measure
The relative density of life.
Hit out the time
With hit parade, poet.

Humanity is there
With you,
Stay on truth,
And use love,
But use not
Hit-or-miss tactics.

Dear poet hit off
What is there in you.

Gajanan Mishra
Nothingness

Love love love
Love in knowledge
Knowledge in love
Love love love
Or else
Everything is lost
In nothingness.

It is nothingness
Your life, your world
It is there is no love,
Love love love
Love is everything
For everybody and it is
Only love love love.

Gajanan Mishra
Notice

So and so
filed a petition
against you
for such and such acts
of yours.
You are hereby
directed to appear
in your defence.

If you failed
the case proceeds
in your absence.

And then it is you
who is held responsible
for the consequence.

Gajanan Mishra
Notice Me, I Am Here In Front Of You.

Notice me, I am in front of you.
With my deathless glory, I am here,
In front of you on the path of truth.
I am rising and rising with no chance
Of falling anywhere but rising and rising,
My words are my swords, I am here with
My dreams, fighting to achieve my goal,
Goal is to make myself free from my own
Illusion with the power of love.

Gajanan Mishra
Notice Of Death

No notice has been
served upon me as yet,
And I could not know
the date of appearance.
I think, Your Honour,
Would appreciate the matter.

May I assured you sir,
No failure would be there
for this purpose, and
I promise to appear
on my own accord, soon after
I get the information.

You might say
whatever you like,
Since I am not there,
How can your words
able to touch me.
If you would charge me,
it is nothing but funny.

Gajanan Mishra
Notice Under Order

You Gajanan Mishra
Take notice under order
To appear before all
Creatures of the world
To speak the truth
That is not available
And is there everywhere.

You Gajanan Mishra
If failed liable to
Be punished as per law
Of the land.
Warrant would be issued
And you would be
back to pavilion.

 Entire nation is
In haste to
Bury the hatchet.

Gajanan Mishra
Nought Else

N ought else.
Birth after birth
Let me be a poet
O my dear, this is
Only I want as boon.
Nought else.
I have no liking
For wealth
Nor for religious merit
Nor for sensuous enjoyment
Nor do I seek
Perfect and perpetual calm.
Birth after birth I want
Only to read and write a poem.

Gajanan Mishra
Noun And Adjective

Noun and adjective I forget
And I call all at the same time
To the dining hall
Term and condition I forget
And I do the work instant
For satisfaction of all.
Indeed I forget sweet and sour
And I forget pleasure and sorrow
And I think my weak brain
And it is not stored
And I think my best skill
Come forward with night and
The night is colorful
That comes with a day
And said good guy rise
And rise hitherto anything
I am not going to say.

Gajanan Mishra
November

November,
I love you, my dear.
I love your presence,
I love your dance
With the chirping
Of the sparrow.

November,
I know, you are there
In me, at Badrinath
With all snow,
And I discovered
The hot-ice-water
That is there with the crow.

November, how do you do?
But I am with you as the truth.

Gajanan Mishra
Now - Beyond Time

Now - beyond time,
See, I am going.
Space is no more.
No need of anything
But life in twilight.
No more voice anywhere,
But the spark of the sun,
But the dust of the wise.
Life is dreaming and sleeping,
Life is dancing and singing.
Beyond time, life-time.
It is but divine,
Life arising and arising
In the midst of missing.

Gajanan Mishra
Now And Then

Now and then
You are changing
Yourself in words,
In actions, in thoughts,
And how can I say
You are this
Or you are that.

Still, I want to
Give a bird's eye view,
And I proceeded
Towards you.
And I found no truth,
I found something
That is not falsehood.

So many colors
Welcome me, but
I am cautious and
I raised my fingers
To show all
My age, my status
And all about me.

Gajanan Mishra
Now He Is Here

Now he is not here
See and forget
Forget and see
It is he
And he is not
Who you are
Difficult to answer
Again I said
What I said
Not stated.

Gajanan Mishra
Now I Am Going To Die

Now I am going to die,
I am transforming myself
In to nothingness.
My death cares not the laws,
My death cares not the time,
My death touches the light of wisdom.
Let my wisdom comes to me
At this time with all its belongings.
Now I am in love and you are with me,
You are delivering all righteousness
And I am in bright and glorious arena.
I know the meaning of truth
And I know it is all in me.

Gajanan Mishra
Now I Fear

Now I fear,
I fear to
Utter words.
I fear as
I know not
The affects
Of my words
On you.
I want to
Touch you, dear.
But I know not
What would be
The consequences
After that.

Gajanan Mishra
Now It Is My Turn

Now it is my turn,
I have to pick up my share,
I have to go with you anyhow.
I have to live with full satisfaction.
It is my turn, give me a chance to proceed.
I have something to describe on the matters
That are related to our life and nature.
I have to ride the tiger and reach
The point of destination.
Give me a chance to proceed ahead.

Gajanan Mishra
Now The Servants Are

Now see, the servants are
Aspiring for happiness,
Beggars are expecting honors,
Persons addicted to vices
Hope for riches,
Profligate seeks a blessed state,
Avaricious covets fame,
Proud mam expects to get milk
By milking the heaven.

Gajanan Mishra
Now We Are In The World Of Fire

Now we are in the world of fire,
The sun, the day, the end of the day,
Again the bright fortnight,
The full moon, and everyone
Is burning in the fire.
The fire has its own darkness,
We are to cross over the darkness and
The fire at the same time.

Gajanan Mishra
Now You Are Killed

Remember
Hard labor is
Required for
Taking rebirth.

Visible
It is visible
That are here
Everything and
I see You flying
Without wing.

Words are not
Weightless, read.

Gajanan Mishra
Now, Come And See The Stars

That are scattered though out
The court yard.

I filtered myself in the summer
And you approached me for
Clarification that is in my explanation.

Knowing and not-knowing is
Compared by you in kaleidoscopic
And I realized the life's nothingness.

Gajanan Mishra
Now, O Rituparno

Now, O Rituparno!
You are free to laugh
You are free to cry
With yourself
You, yourself, the lonely
Traveler, here.
Let me hug you
Let me touch you
Where are you
No via media is required
To go to you I know
O Rituparno!
You are the ray of the sun
That is difficult to shun
And you have the passion
That is with none
O Rituparno have you
Really gone!

Gajanan Mishra
Now, The Time Is

Now, the time is
With colors.

Gajanan Mishra
Now, The World

Now, the world
Is on my palm.

And I am
Within the world.

World is there
Where my
Love is.

Love is there
Where you
Discover the truth.

I discover you
In your own eyes.
I have not seen
The palm but you.

Gajanan Mishra
Nowadays I Am Not

Nowadays I am not
In my village,
The village is
In me.

I am not in love,
All love - in me.

In me, I see,
The sun, the moon,
And all the stars,
But I am in the dark.

What I want to say,
I want to say
Without words,
All the truth.

Gajanan Mishra
I am afraid lest you takeaway
Everything that are yours
I am unable to do anything.
I am in levity that I am here
Only just to do your work
For some remuneration.
I have done nothing
I am afraid lest you dismiss me
And I would be nowhere.

Gajanan Mishra
Nowhere Future

Nowhere you find
Any future.
And let me say
Trust no one.

Change your
Seeing, hearing,
Thinking, feeling
And willing and living.

But we are to
Go nowhere.
And we are to
Represent ourselves.

Gajanan Mishra
Nowhere To Go

Nowhere to go,
I know, you know.
yet we are both
In sorrow.

Everything is here
In the middle of nowhere
And nothing is
Nowhere near.

Life is a nougat,
Have a taste.
Life is here with you
And showing all truth.
Life itself is here
And nowhere to go, dear.

Gajanan Mishra
Nullify

Nullify the cause
Nullify the effect
And waste not
Valuable time.

In this labor love
All speculation ended
And see gulf of differences and
It is all exhaustion.

Birth and death
All free
Analyze and see
Nothing alone is all in all.

However desire come
And build nest within
And find yourself
Nowhere what is called liberation.

Gajanan Mishra
Number

I have no number
No number is related to me
Do not show me number
I have not missed any
There is no magic square
To fill the number
There is no number
I have also not trumpet
For number.

Gajanan Mishra
Number Of My Car

Note it down
The number of my car is
OD-03 A-6034.
Call me
If you are in need
In my cell -
09437366644.
I am here
At your door.
Pump me in
I am here
Searching love
With you, my dear.
I am the Truth, see,
See and test, if you like.
I am going with my car
See, in fire in air
In water, in the sky
And on this earth.
If you so like
Call me
I can reach you
By my bike
Bajaj XCD 125
Number OR 03 D 8989.

Gajanan Mishra
Number Reveals

Number reveals
Your true nature
Your composition
And clear vision.

Number reveals
A cow an elephant
A dog a bird and water
And a side door opener.

Number is not mine
The effect is thin
Just hear and say
You are only mine.

Gajanan Mishra
Number-Game

Come on my dear children
to play this number-game.
One two three four
Five six seven,
Come on my dear children
To play this number-game.
Come on, come on, come on,
Within you I have seen a sun.
The sun is giving light,
And the sun is saying
Do your duty with delight.
Number-game is colorful,
My dear children, stay always cool,
And take some banana and apple.

Gajanan Mishra
Numbers

I like the number itself,
I like multiplication,
I like division also.
Addition and subtraction
Are there from
The very beginning with me.
Multiplication of facts
For half, one-fourth,
Three-fourth are there
Everywhere every time.
I like to play with
Numbers- no matter
How odd or even or prime
Or composite they are.

Gajanan Mishra
Numbers And Alphabets

Numbers and alphabets
Are playing life
Life is in time
Time is above numbers
Above alphabets.

Gajanan Mishra
Numbers Game

If you want to meditate
You should do it alone
If you want to study
Choose only one partner to consult
To debate to exchange notes
If you want to sing a song
Choose two others
To sing in chorus in harmony
If you want to go on tour and travel
Choose at least three to four persons
For security and comrade-ship
If you want to cultivate agricultural land
Choose five at least to help
In cultivation works
If you want to fight a war
Choose to keep many soldiers with you.

Gajanan Mishra
Numerical Votes

Numerical votes,
Not correct.
Not correct,
Opinion of less
Intelligent class.
Truth is not
So open that one
Can find and see
So easily.
Eternally, truth is
Behind the screen.
One must labor hard
To assess how the truth is.
Each living entity
Is the symbol of truth.
Each true man is there
To nurture the truth.
Each true man is there
To overturn the falsehood.
Each true man is there
To uproot that are not the truth.
Each true man is there
To touch the sky of truth.
Truth is there
In each and every number.
But each and every number
Can not touch the truth.
Forget number game
And search the truth
In your own self at the outset.

Gajanan Mishra
Nurturing Trees - I Won Fight

Nurturing trees
I stood straight
Walking for peace
I stood straight.

Perpetually I struggled
Strangely crossed border
I knew nothing
About the creator.

You sing if you like
You dance if you like
Ask me not what I like
I'm not here to show might.

I'm on the bank of the river
And the river is not running
Running with the river
I stood straight.

I stood straight
Zigzag road called me
Voluntarily I touched the feet
And the sea show its might.

Nurturing trees
I won the fight.

Gajanan Mishra

O Dear

O dear,
Where have you gone.
I feel I am none.

Gajanan Mishra
O Demon

O Demon,
When you are not
Giving up your nature
Devouring living creatures
How can you expect
That I should give up
My nature of forgiving
And save others

Gajanan Mishra
O My Friend

O my friend, You are
And You are here at this time
When I am in need of You.
I trust none other than You.

O, see me dazzling as You
In the open sky with smile
The purpose is not to see
Night that is here in me.

O my friend, come with
A tree that has nectar-fruits
Come with a life that has
Faith with love and truth.

Gajanan Mishra
O Ocean

I am going to You
And You are in me
And teaching me in
Various ways to detach
And I am learning
From You service of devotion.

O ocean
See I am lost
In oblivion
Appeared and disappeared
Offered obeisances
In bondage existence while
You offer liberation.

O ocean
Not known to anybody
What are there in
Our conversation
We are in union
Here in self-realization
Free renunciation.

Gajanan Mishra
O Abraham

O Abraham
You are really
A great cutter
When you are here
To spend two third
Time in sharpening
Your axe before
Chopping down a tree.

Gajanan Mishra
O Activator,

I am activating myself, see
when You touch me, O kiss
You are the base of all creation
You are the root of love
Preaching is not needed
When you are here
You are the product of mind
I know and I know you are
Not separable from anything
From anybody at any time
For you I have drove out the clouds
The wind and the stars
The sun the moon and for you
I asked crow to come and
Wait there till the end of the day
I have forgotten when and where
I have met you for what purpose
I have forgotten the bank of
My village river and mango trees
Of my courtyard and I left
My house only for you
It is now up to you
To say what to do in the coming days
I am waiting for you again
Like the first day to come
And reactivate me again and again.

Gajanan Mishra
O actor,
You are on the stage now
And imitating the activities of
A king a minister a soldier
And You know You have nothing to do
With the activities
You are supposedly engaged
I know, by Your will
You can perform anything and everything
I am here remembering Your
Holy name and praying You
Give me an opportunity, my dear
So that I can achieve
The highest perfection of life.

Gajanan Mishra
O administrator, you are empowered
With certain energies
The energy for nourishment
The energy of beauty
The energy of reputation
The energy of material creation
Use all the energies for common good
All are there personified.

I know doing all good to all
You are never falling from your position
I know who you are and how you are
I know your desire are complete
When it is for the benefit of people in general
I know you are really a pious ruler.

Gajanan Mishra
O Beholder

O beholder, behold,
The most wonderful
Cosmic form within.

It is all purified,
It is all real,
O beholder, behold,
It is You outside.

Here, behold,
Your own prosperity,
Your own victory,
Your own glory.

Gajanan Mishra
O Believe

O Believe,  
See me,  
I am with you  
Always here.  
It is sure  
If I forget you  
I would die, my dear.

O Believe,  
Believe me,  
You are more than  
Nobel prize.  
For you I am here  
Go not from me  
O Believe, my dear.

Gajanan Mishra
O Bird

O bird
I know your range is wide
And you are living in a wide
Range of environment
You have feathers
You use for flight insulation
Camouflage and for
Attracting mates
O bird
I like your construction
You have light-weight skeleton
With air-filled bones
I love your tone
O bird
It is your beak
It is your feet
That helps you to collect
And to catch food
O bird
I like your internal anatomy
Your brain is super
Spinal cord lung kidney gizzard
Duodenum ureter buccal cavity
trachea heart liver bile duct
pancreas all are wonderful
O bird
You are really beautiful
I pray you to teach me
About free-life in open sky
And let me enjoy your life-style
That is with you till death.

Gajanan Mishra
O Bird, O Bird

O bird, O bird
I know you are
Not burning
In this fire,
I know, with your
Beak you are
Keeping my world.

O bird, O bird
Am I not innocent
And are you not
Forgiving me
And forgetting the days
That are hard?

O bird, O bird
You are coming with
Me that I know,
But I know not
Whether you are
Going away with me
From this world.

Gajanan Mishra
O Buddha

O Buddha
I know You
You are the learned
You have prescribed
A path of life
A middle path to lead
And that is good enough
It is for enlightened
Life-style
Right view right intention
Right speech right action
Right livelihood right effort
Right mindfulness and
Right concentration
I know O Buddha
The world is within me
Your path affords the vision
To see things as they are
In calm mind
True Buddha you are in me.

Gajanan Mishra
O Charioteer

My body is my chariot
I know and you are
The only charioteer
Leading it with time
I am paying respect
O my guide O my teacher
O my charioteer
Take me where you like
I am under you
And see I am fearless
With you in this chariot.

Gajanan Mishra
O Cheerful, I Know

O Cheerful, I know,
You are free, You are
Free from attachment
And aversion.

O cheerful, I know,
You are full of
Compassion, forgiveness
And generosity.

You have the feelings
For the welfare of all,
You are not partial,
Out of selfishness and pride.

Let me gain cheerfulness of mind like You
O my dear, to lead a peaceful life here.

Gajanan Mishra
O Christopher John Brennan

O Christopher John Brennan
Where are you now
I am
Not putting this question
To you any more
I know you are within me

If you are sure to come,
Come but not with
The snow-fall, my dear,
And come without tears.

Like home. Here at home,
There is love, there life,
There is truth.
Let me salute you
For the sake of this truth.
I find no war, no torment,
Here at home, we meet each other,
We live here together
With our mind mature.

No frog can deter us
And here we get everything focused.
The honey-bees and the sweet-birds
Are always here,
And I find here all pleasures
And all cheers.
Let us come together,
O Keats, O Keats to see
The world's wonder.
Here at home, there is
Our father, our mother,
Our sister, our brother,
and we share all nectar,
And here we live without fear.

To deals out the punishments,
In the forms of war, famine
And so on and so forth.

The truth, the life's goal
You should not take charge of
Ruling the people, the sons
And daughters of nectar.

The roots of your state, remember.
Use their language, save their culture,
Or else, let me call you a cheater.

That are eaten that are drunk
That are licked that are sucked.

That are bitter, sour and
That are salty that are very hot
That are dry that causes burning
My dear, i am not here to offer you
The foods that produce pain grief
And diseases.

Gajanan Mishra
O My Dear, I Am Floating

O my dear, I am floating and
Floating within You
All the planets with

On the same boat
With the same air and
Same water
We are all same creature
With same nature.

O my dear, we are here
Under Your wish and
Waiting for Your
Further order
We are ignorant
It is You only who knows
what is in future.

Gajanan Mishra
O my dear, I am unable to wipe out
The grief of my fellowmen
Who are with me at this time.
You are the killer of my enemies

At Your sweet will here there
O my dear, see me I am fair and fair.

O My Dear, In Your Area, I Here

O my dear,
In this area
I am here
This area is Yours.
This area resounded
With the notes of
Overjoyed birds,
Intoxicated bees
Wandered here,
Intoxicated peacock
Proudly danced,
Merry cuckoos
Called one another,
Flowing trees Kadamba
Champak, Asoka, Karanja,
Bakula, Kunda, Mandara,
Are free and not in fear,
The air is filled with
The pleasing notes of
Swans, ospreys, cranes
Cakrabakas, cakoras
And I find a good atmosphere
For a pious life
O my dear, More and more
You are here with me
In me and everywhere
Here also I find elephants lions boars
Monkeys mogooses and deers.
I am living here
Without any fear.

Gajanan Mishra

And I am proud of
Being your fragment.

Gajanan Mishra
O My Desire, O My Anger

O my desire O my anger
I was here in very good condition
Before your arrival
And now I am in disaster.

O my desire O my anger
Without giving prior notice
You have appeared
Your appearance is illegal
And only for false pleasure.

O my desire O my anger
Roll back your number
I am not satisfied at your works
And actually I am in fear.

Gajanan Mishra
O My Father, You Are Always

Interested in my welfare
O my Father, If I am
Not giving my attention
To my work and indulge in mischief
You want to set me right
Even by punishment and beating
My Mother, though faithful to my Father
Protects me from severe beating
But my Father is not here
To destroy me, My Father is my Father
The ocean of generosity and equanimity
I bowed down to my Father always.

Gajanan Mishra
O My Father, You Are Always Interested In My Welfare

O my Father, If I am
Not giving my attention
To my work and indulge in mischief
You want to set me right
Even by punishment and beating
My Mother, though faithful to my Father
Protects me from severe beating
But my Father is not here
To destroy me, My Father is my Father
The ocean of generosity and equanimity
I bowed down to my Father always.

Gajanan Mishra
O My Friends

O my friends,
Do not go after
Undesirable eagerness
For the temporary body
And kinsmen
O my dear, do not
Bind yourself
By thoughts of
Mine and I
And get relief
From all miseries.

Gajanan Mishra
O my God  Excuse Me

O my God excuse me
Excuse me.
Without borrowing and
Without stealing
It is quite impossible
To live with dignity
And what is dignity
I am unable to understand
O God excuse me.

O my God excuse me
Excuse me.
Being human
I be committed to
Public cause
I am not able to do it
O God excuse me.

O my God excuse me
Excuse me.
I am unable to practice
Tolerance and create
Nuisance
I am unable to understand
O God excuse me.

O my God excuse me
Excuse me.
The mistake I have done
And the punishment
I have got
O God excuse me
Excuse me.

Gajanan Mishra
O My Life, My House

I am in my house,
I am living you, O my life.
My life, my world,
I am within you.
What you have given me
What for you are with me,
O life, I do not
Want to analyze it here
At any time.
But O life, I want to
Know the truth, I want to
Count the waves, I want to
Observe the changing colours.
Life, here you are
In the war, I know.
Life, here you are
In sweet love that is
In me from the very beginning.
I am waiting for you, O life,
Why are you going away from me,
From my very love in a dramatic style.
All are here watching you, see,
Under the sky, in open field.
I have to wait and stay awake,
My life only to hear you
In the chirping sound of birds,
In the mixture of dark and light.
You have given me everything,
My dear life that I know,
I want nothing else but
This simple poetic sensibility
With a sweet music to live.

Gajanan Mishra
O My Light

O my light
Come to me
Enlightened me
I am here under
This Pipal tree.

O my light
Come to this world
This world is in dark
Come and give light
Let all enlightened.

O my light
Let me know
What ought to know
Let me hear
All about you.

O my light
Day and night
I am with you
Come to me
I am ready to fight.

Gajanan Mishra
O my dear, You are my light,
You are in the sun,
You are in the moon,
You are in the fire,
You are the supportive energy
Of my earth.

You are the nourishing power
You are the gastric fire
You are lodged in heart
You are my memory
You are my knowledge.

O my light, my dear
You are known by the poems
You are the author of my life-poem
You are the know-er of my life
You are unique permanent light
And base of all.

I do perceive You
O my dear light
And this is your grace
I know my dear as I am yours
And You are only mine.

Gajanan Mishra
O my Lord, I pray,
May your kindness
Continue to be with me.
Let me allow to
Utter the words
Please enhance the words,
By adding your own power,
That would defeat
The disturbances of the world.
Let me go on the path of peace,
Let the truth reign supreme.
O my Lord, I pray, inspire my mind
And intellect and please
Use me to serve your purpose here.

Gajanan Mishra
O my love, tell me,
Tell me what shall I do
Here is truth always
Coming behind me
Going before me
And staying with me,
Alone, I failed to find You.

O my love, tell me,
Why are you with the truth
Wearing so many colors
At times white at times blue
At times yellow and at times black
I failed to touch the clue,
O my dear, tell me the truth.

O my love, tell me, dear,
Tell me, why are you
Sitting on the bank
Of the river that has no water
And why are you telling so many words
That have no air and
That are not clear.

O my love, tell me,
Tell me how can I call you
In the midst of this sun
On this open road that has
So many sides to move,
But I must tell You, my dear
How the love and the truth are
Going together with a smiling
That has no substitute.

Gajanan Mishra
O my love
Please tolerate my wrongs
As a father tolerates
The impudence of his son
As a friend tolerates
The impertinence of his friend
My respectful obeisances
I fall down to offer you
And asking your mercy
O my love
Tolerate my wrongs
Tolerate my love.

And in the dream I know, there is the truth.
In the truth, there is perfection of life,
Remember your history, history of life,
Remember your geography, dear men,
And go, go to drive out the clouds,
Go and go to bring the sun to the light.
The sun is within you, dear men,
So many colours are there in the sun,
And it is all for you, being the eligible son.

With creatures let me enjoy the life.

For a single poem I captured the entire night,
For a single smile I captured the life.
The soldiers are here with me to guard
The earthquake, the storm if any.
The flowers are here to welcome me at this time.
O my dear, worry not, i am with you
and you are embracing me kissing me with the night
That is with us covering the entire life.

The prayer of the life.
The prayer can be done successfully
Only through the poem,
As poem is coming out from the soul or self.

Gajanan Mishra
Object Of Satisfaction

I see myself
As the central object of
Satisfaction when
There is my mother with me,
When I talk
In my mother language,
When I stay
On my motherland.

Gajanan Mishra
Object To Understand

Object to understand
Is only love.
And You are my love,
You are my truth.

Knowledge of self
Is my destination.
And You are only within
Me and outside me, my dear.

You are the radiant
You are the vision
You are the only value
For me and for all.

Gajanan Mishra
Objectives

Let me understand first
The objectives.
Let me know
The essence.

You are so kind,
So fierce!
O life, whose
Reflection you are?

Let me know
The reality,
The reasons of
Drama-warfare.

Gajanan Mishra
Obligatory

What is obligatory?
Certainly writing poetry
In any particular language
Is not obligatory.
Certainly sketching in any
Particular line or color
Is not obligatory.
Certainly it is not obligatory
To eat to drink to bathe
Or to do forcibly.
And what is obligatory
It is nothing and nothing
It is just craving for nothing.

Gajanan Mishra
Obliging

I am here to obey
Your law and the conventions
Made by you.

I am noway related
To bulls and to bears
And their ancillaries.

I am here with you
Always alltimes
I am oblige you.

Gajanan Mishra
Obscure

Obscure inside
Inside no trouble
No trouble here
Nobody is telling.

I know the intruder
It is not under
My control to asked
What are there.

I am like invertebrate
Gravitational power
Is with me in whirlwind
No member stand still.

Gajanan Mishra
Obscure And Mystical - Life

No one can
Explain what
A life is.
As before
It is mystery
With its origins.
Who am I to
Understand as
It is just puzzling.
It is just dark
Corresponding to
I and me.
Innumerable my wish
And it is all mystical.

Gajanan Mishra
Observation

I am here
To observe You
In everything
In everyday
Who You are
And what is
Going on here
Under You
I observe
How the sun is
Evaporating
A drop of dew
How everything
Everybody is
Vanquishing and
Nobody knew
Besides You
It is only You
Only You
At the root
You are also
the fruit
I love You
Only love You
And in return
I want nothing
From You
My pleasure is in
Observing You
In seeing You
In touching You
And in staying with You
I love You
I love You.

Gajanan Mishra
Observe And Observe

Observe and observe
Life as part and whole.

Understand there is no
Better Truth than life.

Come with great faith
And be aware of knowledge.

Everything is yours, my dear
In this universe that appears.

Gajanan Mishra
Observe Nature

Observe nature
and find
truth therein,
in the flying
of the bird,
in the waves
of the ocean,
in the blooming
of the flowers,
in the smile
of the child,
in the life of
each and every creatures
under nature.

Gajanan Mishra
Observe Only

Observe only
Observation is the beginning
Beginning without end
Nothing ends nowhere.

Just start your car
Keeping clause and gear
Under control and go
Keeping an eyes with brake.

Have patience
Have patience with you
You are to reach the destination
Destination is in your observation.

Observe and observe only
You are alright just avoid the dark.

Gajanan Mishra
Observe The Eating Birds

Observe the eating birds, dear.
And wait there till freedom
Would comes to you.
But do you know
What type of freedom you need?
I think, you know nothing.
Go on reading and observing,
The life itself is there
To make you learned and wise.

Gajanan Mishra
Obsession

Money, money, money,
Money is required
For each and
All things,
All round
Demand is there
Everywhere for money.

Money for food,
Money for house,
Money for dresses,
Money for education,
Money for travels,
Money for medicines,
Money for elections,
Money for entertainments,
Money for business,
Money is for necessity,
Money is for luxury,
Money is for each
And all things,
No money means nothing,
Biggest obsession
Is money.

Where is the money
To come from?
Is there any money tree?

Money, money, money,
Even your better-half
Will leave you,
If you are going
Out of money.
Even the death
Will come slowly
And you are to suffer
Pain, if you have no money.
But money is not honey,
Money is the root of
All evils.
Knowing all these
We are still all hankering
For money.
We, the men, are
Running and running for
Easy money
Knowing well
The consequences therein.

Gajanan Mishra
Obstacle Eliminations

Who is there to eliminate obstacles
Except You
O my dear
There are so much disturbing elements here
That I fear And it is only You
Who can make me fearless
You are praised with
Transcendental songs
And it is irrevocable facts
This is Your areas
And I am here in this form
Now and I know
Only with Your help
I can make my progress
And it is open on and on.

Gajanan Mishra
Obstacle In The Way

Obstacle in the way
Of knowing the truth
Is our pride.
Know the truth,
And find
Pride no more.
Be sensible, my dear
And stay insensible.

Gajanan Mishra
Obstacles

Obstacles are there
and you have to overtake all.
Obstacles are not obstacles
if you think them not as such.
Go with obstacles to cross them
on the way with your own intellect.
Obstacles are divine boon and
come to get success soon.

Gajanan Mishra
Obstruction

Tell me I love you
And if you are not able
To tell I love you
I must think it is your
Ego who is obstructing you
In this matter of love.

O my dear, tell me
I love you as I am here
Who is loving you most
And it is for you
I am here to hear from
You certain words.

O my love, tell me
Something that is
The symbol of love
And if once you utter love
Then nothing is there
That can check our way
To heaven of peace.

Gajanan Mishra
Occupational Duty

To write is
My occupational duty.
Not for any gain,
But for the knowledge
Of the truth.
For love
And for peaceful
Coexistence.
Let me satisfy you,
With my words.
Let me perform
My duties
Freely with all
Purity.

Gajanan Mishra
Ocean And Beauty

Beauty is there
In your eyes,
No needs to go
Outside.

See ocean
Outside there.
It is one
But with
So many names.
Immense body,
Immense beauty,
Currents swirl
Around our body,
Around our earth.

Winds, waves,
Tides all are here
By pull and push method.
So many plants and
Animals are here
And all they take part
In regulating
Weather and temperature.

Ring of fire
Is there within us.
We are all
On the ice.
We are within us
With the beauty.

Gajanan Mishra
Ocean And The Wave

You are the ocean,
I am the wave
And we belong
To the same class.

You are there
As before
But I am losing
My heart on the beach.

You are different,
I think, from me,
As I am trying
To establish
My identity with
Assume affinity.

Gajanan Mishra
Ocean And Waves

You are the ocean,
We are the waves.

You are the truth,
We should stay here
Truth conscious.
We must take knowledge
And must practice
Austerities for you.

We derive benefits
From you-
Benefits; love, blessings,
And we become strong
After that.

For you there is
No difference between
Good and evil.
You are there to
Give all equally to all,
But we the fools,
Are in sorrow,
Not being able to take
With all purity.

Alas, we are not
So much conscious about
Our own duties.

Gajanan Mishra
Ocean Came

Ocean came
And fucked up
In my pious home.

Ocean came
With changing
Weather and
Changed atmosphere.

Ocean came
With coral reefs
And took steps
For welfare.

When ocean came,
I was not there but
The news came from the stars.

Gajanan Mishra
Ocean Churned

Ocean churned,
And that produced
Halahala poison,
And all came
To the surface,
The fish, sharks,
Tortoises, snakes.
Ocean churned
And that produced
Life-saving nectar,
And all fought
Each other and
Moved towards
The earth and the sky.

Gajanan Mishra
Ocean Filled With Milk

I am the product of the ocean,
Filled with milk and
I float in this ocean.
And I realized how
Colorful I am.

Dear men feel life,
Full of varieties.
All oceans are with you,
Ocean of liquor,
Ocean of ghee,
Ocean of oil,
Ocean of salt,
Ocean of sweet water.

Experience life, men
And feel
The pleasing vibration.
You are beautifully situated,
Worry not dear.
But satisfy not
With the praised by
Big creatures,
They are all like
Dogs, camels, asses.
But worry not
Try to discover a good and
Perfect man,
From whom you would
Know the truth.

Gajanan Mishra
Ocean Is Trembling

See, the great ocean
Is trembling in fear
The sky is the great
Laughter.

See, the aquatics are
The silent spectators
The sky is the great laughter.

See, Time is not near
And we are ready to
Stop here. the sky
Is the great laughter.

Gajanan Mishra
Ocean Of Beauty

See me
I am in this ocean of beauty
Beauty-ocean here it is
And I am herein
It is not appropriate
To disclose anything
Just see and enjoy
It is for that your life here
O my dear, say glory to the redeemer
Of the universe and I know
It is You and You are all Truth
All consciousness and all bliss
I am only for You, I am Your
part and parcel that I know
I am enraptured to behold You
And Your beauty-this world
And I felt an upsurge of
Emotion in my heart.

Gajanan Mishra
Ocean Of Compassion

It is the mother,
Who is the ocean,
Ocean of compassion.

Gajanan Mishra
Ocean Of Devotion

Developed devotion
Detached dispassionate
You are dearer to me
Dearer than life-breath
Separation unbearable
No internal impurity
Ocean of devotion
Is here with me.

Gajanan Mishra
Ocean Of Enlightenement

My Guru is my window of pure knowledge
My Guru is my ocean of enlightenment
My Guru is my field of infinite correlation
My Guru is my past present and future.

Gajanan Mishra
Ocean Of Goodness

A man is an
Ocean of goodness
With truth love virtue
With him.

Call a man, man
And that is enough
For a peaceful living
For all.

Gajanan Mishra
Ocean Of Milk

My ocean of milk
Is my mother
My very pleasing abode
Is there where there is
My mother, my dear
My torch-bearer is
My mother and where
There is my mother
There is my lighter
I am finer and finer
See me, I am with my mother.

Gajanan Mishra
Each life here is
The ocean of savour.
Each one is many
And is on the stage
Of this world of lives
To show actions
In so many forms
To exchange love.
So many lives
Of this world are
But one and the same
And hence they are
There to unite with
Truth through love.

Gajanan Mishra
Ocean Of Speech

Ocean of speech is here,
And I am flowing down
And down, but I am
Not afraid of death.
See, I am fair and fairer,
No anger but I am clear,
Hear my words and tell me
About all colors.

Gajanan Mishra
Ocean-Life

Ocean-life star;
The day fulfilment
And the night horrors.

Gajanan Mishra
October

October, October,
And I discover
My father and
My mother together.
October, October,
You know my tear
And so you are near
With love cover.
Before you I appear
With my lofty stature.
And you assure
To gather fresh
Flowers and fruits
To dine with pleasure.

Gajanan Mishra
October - I Heard

October, I heard
About you.
What I heard,
I dare to say so
Before all here.

October, the painter
Of time, I know.
What I know
I can express all
For the truth.

October -
The passing phase
Of life,
Full of grace.

Gajanan Mishra
Odd Couple

Neither the voter
Nor the leader bothers
Everybody sheds
Crocodile tears.
No body has ears
No body is ready to hear
While the country shatters.

Gajanan Mishra
Odd Hour

Each hour is odd,
And still, we have to
Go with that hour.

Each life is full of
Sorrow, and so,
We have to live
With happiness.

Shun not anyone
Anywhere all,
And all are yours.

Manliness is
Therein all.
Respect them,
Salute them,
Help them
In adventure.

Name, fame,
Everything is there,
But do not go
After them.

No one is enemy,
But all friends.

Gajanan Mishra
Odd-Even Concept

It is welcomed,
The odd-even concept,
To make this earth
Pollution free.
A great step to go..

Gajanan Mishra
Odia Bhasha Is Very Easy And Attainable

Odia bhasha is very easy and attainable,
But truth knowing Odia people are rare.
Let us search the Odia people and make
Them understand the truth that from
The very wombs they are Odias,
This is the only truth, and it is real.
The real has existence and the unreal
Has no existence, recognize the existence.
Odia bhasha is self-evident, it is ours,
And Odia is for us, let us take care.

Gajanan Mishra
Odia In Odisha

Odia bhasha in Odisha,
Odia bhasha and Odisha,
Odisha is for the Odia
By the Odia and of the Odia.

Use Odia bhasha always
Everywhere within Odisha.
No Odia bhasha no Odisha.

Odia bhasha is the only means
And the only end in Odisha,
No Odia bhasha no Odisha.

Use of Odia bhasha is mandatory,
Knowing Odia's geography and
History is mandatory.

Neglecting Odia bhasha
In any manner anywhere
In Odisha is not tolerable.
Using Odia bhasha is lawful
Using Odia bhasha is constitutional
And democratic and pro-people.

Odia bhasha is the soul
And the body and the link
And everything in Odisha.

No Odia bhasha no Odisha.

Gajanan Mishra
Odia Poems

Odia poems are the best,
Read the poets as follows
With interest;
Sarala Das, Jagannath Das,
Balaram Das, Achyutananda Das,
Bhima Bhoi, Upendra Bhanja,
Dinakrushna, Birakishore,
Laxmikanta, Gangadhara,
Sachi Rautray, Ramakanta,
Sitakanta, Rajendra, Hara,
And others who are going deep
With multiple sounds and colors.
Feel the humanity therein
In different tongues.
Odisha means the world is here,
The God of the World is
Showing the new features
With open hands and heavenly pleasures.
Take full breath with Odia poems
Without wait and rest,
All the nectar of the world is here
In this odia, the sweetest and
Scientific language that can give
Benefit to your body and mind and intellect.
Odia poems are the best, the best.

Gajanan Mishra
Odia Relics

Find from the earth,
That bridge all
With Odia relics.
Mixture of
Black and white.
And yellow
In the middle.
No shadow
But all related to
Know how.
All in glass,
Life music.
All portrait,
All eyes.

Gajanan Mishra
Odiaa, my dear brothers,
Lend me your ears.
To bury the colonial
Unlawful language
I appear.
Let it be clear,
I come to speak
About its funeral.
Undemocratic and
Unconstitutional language
Is our enemy,
It is at the root of
All loot and murders,
See me I am here as lighter.

Gajanan Mishra
Odisha

I am in odisha
No body here like
their language odia.

In the eleventh hour
they embraced
jagannath and jagannath
is not moving himself
and odia people
mostly hopeful.

What is the value
see and watch
and time is out of hand
I myself shameful.

Gajanan Mishra

Odisha Day
Without Odia language!

Okay.

It is because
Here everything would do
Without any complaint.

It would do wellIf one speak in
Any language anytime
In any style.

It is because
No purity in the blood,
No certainty in semen,
All lusty and nasty
All works here.

Gajanan Mishra
Odis-Ha Tryst With Destiny

Odis-ha tryst with destiny
Since 1700.
Murshid Quli Khan was diwan of Bengal,
In 1719 he gained diwani of Orissa.
Quli Khan did in 1727,
Son-in-law Shuja-ud-Din was subahdar
of Bengal and Orissa.
Orissa has everything
But orissa lacks everything
excepts English

Gajanan Mishra
Odisha Where Are You Going

Odisha, where are you?
I am searching you, Odisha
Within the temple of Lord Jagannath.
I am searching in the very capital
City of Bhubaneswar.
I am searching in the very utterance
Of the Chief Minister.
I am searching you, Odisha
In the flight of bonded labourers,
Doctors, engineers and professors.
Where are you my dear odisha?
Are you there in our own language
Or you are there in the language of foreign lands?
To search you my dear Odisha is to commit suicide, I realized.

Gajanan Mishra
Of Course, I Am

Am I a liar?
I am cautious..

O my dear
Let me give
A chance to
Review my words,
Review my actions.

I am useless
And for nothing
Staying in this
Lion's den
With the jackals.

Of course, I am cautious
With tiger, bears, and
So many dangerous creatures.

Gajanan Mishra
Of What Use Is My Writing

I am not a man of practice
If my words have no practical utility
And also I have not done anything
As per my writing.

Gajanan Mishra
Of course I

Of course I want to know forbidden actions
To know is my birth right though it has flaws.

I am not so enthusiastic that you explained
It is nothing but to escape anger before evening.

Changing of form is always welcome
And I appreciate all they are present.

What happened I can not say in this way
Thing is that you yourself have gone mad.

The doctor declared dead And I awake
See and see only to make process effective.

Gajanan Mishra
Off Line

Offline -
No work.

Our mindset
Is not updated
As yet.

True,
We are
In learning stage.

True,
We are to
Ensure so many things.

And we are playing
With no side effects
With measles.

Gajanan Mishra
Offend Not Any One

It is not good to offend anyone.
We should know, each and every one
is the creation of Almighty God
for our convenience.
The anus, the mouth,
The saint, the quarrelsome,
All are there to give
some benefit to us
in one way or the other.
Just we are here to bear.
We are to see our own face
in the mirror and not
that of another.
It is not that any one is superior.

Gajanan Mishra
Offense

To live is an offense?
If yes, how and why to
Commit this offense?
Let us spoil time
With all the questions.
Is it a plea to escape
From ourselves?
I know not, yet I remain
As a human being to show
That are here in me.
I want to learn, with
Firm faith the scriptures
Of life in simplicity and
The tolerance here and there.

Gajanan Mishra
Offer

I live with poem
All my life
And the power
And energy
Increased with time.

I offer you
a chance to own
And appreciate
My poem.

Gajanan Mishra
Offer not,
Offer not anything
I am not hankering.
I want you
Not to split.
I want you
Just to fight.
It is your Highness
That you are with me.
You stay or not
But I am hot.
I need no ice
I feel the ice
More hot than me.

Gajanan Mishra
Offering respect to others
Means offering respect to God
Offering respect to the body
Means offering respect to
The abode of the God
Remember God's residence is
This body and not any temples
Mosque Gurudwar or churches
Made of bricks cement iron steel
Realize the Truth and
Self realization is the reaching at Truth
Keep in meditation always and
Offer Him obeisances
Only way to reach God.

Gajanan Mishra
Offer Respect To All

At every moment, O my dear
As Supreme Lord is here.

Gajanan Mishra
Offering Poems

My dear I know Your ten prominent incarnations
I know You are the fish You are the tortoise
You are the boar You are half-man and half-lion
You are the dwarf You are Parsuram You are Ram
You are Krisha You are Buddha You are Kalki
You are Om the first and last letter
And You are the master of all living beings
You are the creator of the Universe
You enjoy Yourself in all
Pray-fully I am offering to You my dear
My poems and these are Yours
Take gracefully.

Gajanan Mishra
Offering Respect To Others

Means offering respect to God
Offering respect to the body
Means offering respect to
The abode of the God
Remember God's residence is
This body and not any temples
Mosque Gurudwar or churches
Made of bricks cement iron steel
Realize the Truth and
Self realization is the reaching at Truth
Keep in meditation always and
Offer Him obeisances
Only way to reach God.

Gajanan Mishra
Official Language

Why
No one dares to
Object in any office
Or in any subordinate court?

Excuse me
And let me say,
All this
Hue and cry is
Only to get personal
Benefits in some way
Or the other.

If I am
Not wrong,
Receive not any letter
My dear brothers,
Written
In any other language
Than your own official one.

Gajanan Mishra
Offshoot

I am the offshoot or offspring of Truth
You are the real principle
It is only due to Your presence
Everything is working here.

O my dear, I am thinking falsely
Falsely thinking is that I am what I am
It is my pleasure it is my pain
Actually I have nothing to do all these.

O my dear, to stay with You
Is my ultimate goal
Let me understand again and approach
Let me go to the light that is in You.

You are the light, my dear
Let me stay in this light in this knowledge .

Gajanan Mishra
Offside

Offside,
Offside down.
Take, I am
Offering my love.
And here
I discover the truth.

No inention
To offend anyone.

And nothing to query
As such life is
Not for merry.

Give ointment of love
Dive in to the truth
And discover where are you.

Gajanan Mishra
Often

No is not negative,
I say it,
But I am reluctant
To say no,
I know, often
No means yes.
Intelligence is
To cross over the word.

Gajanan Mishra
Oft-Repeated Questions

Who am I?
What is my true name?
Where is my home?
What for I am here?
What is true knowledge
That I have to acquired?
Who is there to help me?
What is sin?
Where is the heaven?
What is true happiness?
Am I dying?
Where is the light?
How to catch the wind?
How to extinguish the fire
That is there within me?
Very often these questions
Are put me in troubles
But I am helpless
Without getting anything or
Answer from any other source.

Gajanan Mishra
Oh I Am So Small

Oh I am so small
I am not visible!

Looking at me
I told to myself only.

Past time and divine
Sun shine
I look fine.

Nothing new
Nothing old
I am already sold.

Who am I
And who are you
O my dear, remember
These are not questions.

No declaration
No knowledge and
No action and
It is just an expression.

Gajanan Mishra
Oh Men, Rise

Oh men, rise.
And you should
Raise yourself.
Remember, you are
Your fragment.
And you have been
Conquered by you.
My dear men, be
Cautious while
Doing something
At any time here.
You are your
Declaration men
You are your solution.

Gajanan Mishra
Oh Mother

Oh mother, my creator,
My protector,
Embodiment of bliss,
Giver of peace.

Mother, cause of my life,
Mother, everything of life.
Store house of all miracles,
Mother, fire light of
Known and unknown.

Oh mother, you are as beautiful
As nature.
Oh mother, the symbol of all
Sacrificial enclosures.
Mother, heart-beats of creatures.

Gajanan Mishra
Oh What Shall I Say

Of the poet
When you already know
The poet is pure
And very much celebrated.

Poet is descended
As an incarnation
And executed all principles
That could free all from
The result of fruitive activities.

The poet is not an ordinary man
Listen the poet and follow the poet
You will attain to Truth
And you will fulfill the mission of life.

Gajanan Mishra
Oh Yes, I Am Being Disturbed

Oh yes,
I am being
Disturbed by
Happiness and
Also by distress.

I am in bondage,
I am fallen
In this material
Existence.

I know not
The value of
Nonviolence,
Tolerance,
And simplicity.

I am in attachment,
Certainly, I am
On the path of
Destruction.

Let me know
The rules and
Regulations.
Let me see
The light.
Let me love
The truth.

Gajanan Mishra
Oh Yes, I Am Naked

Oh yes, I am naked on this earth,
And you are telling me beautiful.
Oh yes, I am drowning in the sky,
And you are telling it is fine.

The reality is I am transparent,
And you are mysterious to the core.
I am dissolving in the dark,
And you are searching me in images.

Oh yes, I am in the light and
I am also in colors, in cries.
I am the real and I am the reality,
For you, I am hammering the time.

Gajanan Mishra
Oh! Road Blocked

Oh! road blocked.
Where to go?
How to search another one?
No house is here
To take rest.

The smiling wind
Is only there, and
It is night.

I am in my own house,
And my house is mobile.

But I am here and
I know nowhere to go.

I am to enjoy all colors
And I am to clean my own floor.

Gajanan Mishra
Oh, I Am Hungry

Oh, I am hungry,
Hungry for time.
The time, and
I - both here.

For what
We are,
Not known
To anyone.

And we are
In love,
Love for
The truth.

Truth - the time,
And not hunger.

Gajanan Mishra
Oh, I Heard

Oh, I heard
That sound.
But excuse me,
I can't say
What is all for
And how and from
Which directions
They came.

I know not where I am
And what I am doing here,
I know not who I am
And the relations with
All pictures and sound.
I know not where to I am going,
And where from I am coming.

Yet, I am here,
And I heard all the sound,
I see all the scenes,
I call all but
No one is listening to me.

The night is there as it was,
The river is flowing
But not as it was.
The men and women are living
But not as they were.
I want to ask the birds
So many questions,
But they are not available
Anywhere on this earth.

Gajanan Mishra
Oh, It Is You

Oh, it is you
I see here
In my own light
And I utter words
That are yours.

You stare
I care.
You fire
I care.

True, you are
My looking glass.
You are my knoweldge
In reality.
I declare
All emptiness
In me.

I man
Born though
In emptiness
I have everything
In me.
I am not able
To meausre,
I am not able
To count,
The forms
That are here
In me.

Climb to my
Own light
And I discover
You,
You, the truth.
In black and white.
Oh, No!

1.

Oh, No!
Oh, No! No! No!

I want not death,
Please go back.

I want life
In Paris, In Delhi,

I want not hate,
Please go back.

I want love,
Love with life,
In flower, in air.

No more terrorism,
No more fear.

I want to hear
The sweet sound
Of the human being here,
Here, on this earth.

This earth is not for you,
O, terrorist, go back,
Go to hell.

Let all men live here
On this lively world
Let them stay here
Fair and well.

2.

A man is the finest creature
Of nature,
A man needs healthy atmosphere,
No one has got right
To kill a man or any
Peaceful, non-disturbing creature.
Fire not, kill not anyone,
That goes against the law of nature.
Let a man live,
Let there be peace,
Let there be tolerance,
Let there be unity
And brotherhood.
This earth is for all-
Love all, and see the earth beautiful
This is the truth.

Gajanan Mishra
Oh, they said I am influenced by you, my dear,
Oh yes, you are the only truth here and also
You are the only love for ever.
How can I avoid you here?
You are my work, you are my experience,
You are here with me all the time in my each
And every routine that are for you and for all,
Let us open the game by the light of peace
And cooperation with high mission of this creation.

Gajanan Mishra
Oh, Thousands Of Years

Oh, thousands of years
We have lost
We did not know
Who are they
And what for
They play here.

And time-broker
Arrived at our door
To show new face
With same identities
And we lost
Everything we possessed.

Gajanan Mishra
Oh, Who Are You

Oh, who are you
You appear to be strong
I know the strong are there
For the protection of the helpless
And the weak
You pose yourself to be powerful
Powerful are there to keep save
The powerless and the weak.

I know You
You are here for others
You are trying to make others
Conscious about carrier
I know You
You are here to see others
Without listening anything
That are bad to hear.

You are strong
You are powerful
And You are successful
That I know here
You keep this bull
And this bull is in disastrous
Indicating danger future
See I am open here and without cover.

Gajanan Mishra
Oh, Yes, Yes

Oh, yes, yes,
We shall have to
Follow the principle.
The principle of life
Is to love all
And to stay in truth.

Oh, yes,
It is our story
And here we are both
Together for ever.
We cannot live
In separation.
Wherever you are,
There I am.

Gajanan Mishra
Oh, You Are Me

Oh, you are me
And I am you,
Here, find
All love
And all truth.

We are not here
To ignore anyone
Or anything,
Let us discover
Humanity therein.

Gajanan Mishra
Oh, You Are The Lord!

Oh,
You are the lord here,
At this time.
How many lords are there
That I know not.
But I know as you told
Just now, you are
Here, for all.
Let me tell you,
My dear lord, first,
Save yourself
From the whirlwind,
First, save yourself
From the storm,
From the rage of nature.
I know not how many
hands and feet have you,
Or you have nothing at all.
But I know each creature
Has legs and hands
To do the routine works
That are there for them.
I know so many languages,
So many sounds but I know
Not which sound is yours
And in which words you
Are able to communicate
Your inner feelings here.

Gajanan Mishra
Ointment

Ointment of love
Is necessary
To cure the society
From so many diseases
Like maoists, terrorists.

Ointment of economic
Development is necessary
To cure the separatists
From the under-developed,
Unprivileged sections.

Ointment of equality
Is necessary
To see the world
As one and the same.

Gajanan Mishra
Okay

Okay,
Next time
We will have a talk.
Next time
Our position
Might be reverse.
But we can't say
Who will follow to whom,
And for what.
Next time
Where we will meet,
That is also not known.
But for the time being, see,
We are in the mode of progress.

Gajanan Mishra
Okay Everything

Okay everything
If I am here
I am not here
Okay not everything.

See and
See not
What you see
Say not.

And say
Only true
That you view.

Gajanan Mishra
Okay Okay I Said

Okay okay I said and he heard,
what he heard that I could not say
And what I said he heard.
He said I was brainless at that time
And I denied but he realized
He was not there with him who was hearing.
Yes he did hoard so many things
and he was attached to pleasure and prosperity.
The real and unreal he differentiated
in a calm and cheerful manner
and we exist together without putting
any question here or there.
Behold he said to himself and
went away on the road that is not liked.

Gajanan Mishra
Okay Then

Okay then
If you are doing
But tell not anything
That you are doing
Tell not it is mine
Seek no return also
And be ready to go.

Gajanan Mishra
Okay, I Do Admit

Okay, You are successful
I do admit but I
Failed to understand
What is that success
And what is the benefit of
That success
I failed to understand
Your happiness and your
Miserable conditions here
You said to suffer, my dear
Your desires to work hard
Has got no meaning.

Gajanan Mishra
Okay, I Have Returned

Okay, I have returned.

Recognize me
If you are able.

Gajanan Mishra
Okay, No Problem

You want I shall
Remain silent.

Okay, no problem.

But let me see
And observe,
And let not
The flower
Whither away.

Gajanan Mishra
Old

No one likes
The old,
Unable to earn.
And it is due to
Lack of true knowledge.
Each one has forgotten,
He is under the control
Of time and death.

Gajanan Mishra
Old Age

Ripe-fruits of life - nectar
May be enjoyed by all at this
Matured and developed stage,

Gajanan Mishra
Old Age - Selling

I want to sell
My old age;
And for this
I have given
An advertisement
In an international
Daily Newspaper.
And the editor and
Publisher has added
A caption therein
'Old age has no price'.
I surprised
But uttered nothing.
Anyway, My old age is
Not mine, I realized
From the very beginning.
And no one came forward
To take the responsibility
Of giving the price in return.
But a chain of actions
And reactions are there
Within me, in the mean time.

Gajanan Mishra
Old And New

Casting off old
Means not new
Or not entering
In to new.
New is new
Always for all,
Old is not old
But guiding factor
Of the new.
Old is new
In its new form.
Nothing old and
Also nothing new,
When everything is
Changing at
Every moment here.
One must not be
Deluded by any
Statement on
Old or new,
Old and new.

Gajanan Mishra
Old And Young

Who is old and who is young
To think about it
Is the great comedy.

Where is life
And what is its position
Please think
For a while.

Gajanan Mishra
Old Dictum And New

Old -
Democracy is
Of the people
By the people
For the people.
New-
Government is
Of the money
By the money
For the money.
Old is gold
No doubt
But outdated
New is sold
No doubt
But updated.

Gajanan Mishra
Old Friend

Old and also
Ever new,
You are my dear,
Dear best friend.
You are always
With me side by side.
I know you are always
Eager to have me
There with you.
You are with me
As witness,
You give me
All chances to enjoy,
And you give me
Good counsel and
Advises so many times.
I am ignorant, rustic,
I lack art and culture,
Yet you love me so much.
I wonder, and I know not
How to utter words,
How to write and yet,
You are there to welcome me
Everywhere and you are there
To give me all awards.
I realize you are in my heart,
And I am here to execute
Your mission to raise each person.

Gajanan Mishra
Old Friends

I see my old friends here
The cows and the birds
The creepers and elephants
The trees and the mountains.

I see myself here
And I see and hear their welcome
I feel transcendental ecstasy
Liberation perfection.

What I see what I feel
Are true but not whole truth
Whole truth is get yourself free
From all desires designations.

O my friends, come
Let us convert ourselves
In to transcendental purity
By purified senses.

Gajanan Mishra
Old Heaven And New Heaven

Old heaven and new heaven,
We are all in between them.
For what we are there,
To declare is shame, shame.

You can not say what is heaven,
To whom it is heaven and
For how long it is heaven,
All answer is with the ocean.

Let me request the ocean
To comeforward crossing the shore,
And what is a shore
Please put not such other question,
As no one is here in time
And the time is no more with us.

Gajanan Mishra
Old Is Gold

Old is gold
Gold never old.

I gaze at you
And you become
Fold and fold.

I gaze at you
You and I
Cast in the same mould.

Gajanan Mishra
Old Is Gold I Heard

Old is gold I heard,
Age is age I heard,
But old age, though
I heard, I failed to
Understand the meaning.
Age can never be old,
Still, I welcome to
Have a new experience
In my life here.
I know, old age care not
Who I am, where I am.
It is here in me
Since time immemorial.
I also care not old age.

Gajanan Mishra
Old Is Not Gold

Old is not gold
And the old man
Has gone mad.
I see in young
Nothing as he
Told me everything.

Single man I see
On the hill top
And there he
Wants to chop.

To chop the time
Is very difficult
Said the lady
With the lamp there.

Everything I write
Is but for all welfare.
And you show me
What is in the mire.
But for misanthope
I am the fire.

Gajanan Mishra
Old Man

Old man
How old are you, my dear
By age and by knowledge?
Are you advanced?
Let me give you protection.

Woman
I respect you as my own mother
O my dear, if you are my wife
You are my better half, remember.

Children
I am your affectionate father
I always consider myself
As the most obedient servant.

O my dear
I am always ready to
Preach Your glories.
Let me pray and tell you
My own stories.

Gajanan Mishra
Old Man With New Thought

I want an old man
With new thought
Who can show me
The light of the day.

I want a day with
All systems open
For progress scented
Live and river.

I want a life
And a river that
Are going towards
Love-ocean and truth-sky.

Gajanan Mishra
Old News

Don't go,
With that old news,
No use.

Gajanan Mishra
Old Saying

One,
Not loyal to father,
Not loyal to anyone-
Old saying.
But ever new,
As has been seen,
As we are seeing.
Living God on earth-
Father and mother,
Take care, listen to them,
They are more experienced.
Without them
You are nothing
But dry dust.

Gajanan Mishra
Oligarchy

No role to play
In oligarchy
Perverted form of
Democracy
You common people
Not eligible
For mercy.

Gajanan Mishra
Om

OM
One-syllabled
One-syllabled
OM.

Keep it
In your heart
And get
Eternal home.

OM
OM
OM.

Gajanan Mishra
Om Om

The first and final
The last and eternal
O my dear You are
I am not able to
See myself and You
You are in the ocean
Of ecstasy and with You
I am happy.

Gajanan Mishra
Om The First

OM the first
OM the pranava
Uttered first
From Pranava
Gayatri vedic metre
came to fore
From Gayatri vedas
Rk Sama Yajuh revealed
vedic rites are performed
Uttering OM
OM OM OM
And here it is
Our Home.

Gajanan Mishra
Omelette

Can you make omelette
Without breaking eggs?
If yes, I can conclude
My speech with your guts.

Gajanan Mishra
Omnipresent Should

Omnipresent should present here with us and give consultation free of cost at any place without any disturbance by any other person.

Omniscient should make known what are happening here with so much hues and cry openly and must not divert any one from the confirmed mission.

Not easy to get the source from where you have come, my dear, and hence here all pleading are dismissed with cost.

Gajanan Mishra
Omnipresent-Love

Omnipresent-love,
We are to feel it
With just a smile.
With a smile we can
Do anything and get
The fruit of success.
Success means to get
The truth at hand.

Gajanan Mishra
On A New Day

What is there
In between you and me
That I know and
For that I call
The rain and the wind,
The leaf and the shadow,
And they assured me
To arrive tomorrow.
I know, tomorrow
Will not come.
But the sun must come
On a new way
With fresh information
Of life and temptation.

Gajanan Mishra
On A Study Tour

Here we are,
Remember, on
A study tour.
Selflessly,
We are to study
Nature, self.
We are to submit
Proper report
At times for
Records.
Earth is there
To verify our
Works.
Air is there
To write our
Activities.
Water is there
To keep intact.
Light is there
To underline
The importance
Of the sky.
Here, we are
To fly
With knowledge
Gain.
Here we are
To use time
With no crime.

Gajanan Mishra
On All Sides

On all sides
You can see me,
If you so like.

I hold up
A shining mirror
Before you, see.

Life - flawless,
Life with rhythm,
Song, flute
And with a lute.

Let me clear,
I am the measuring rod
Of my life here
With you.

Gajanan Mishra
On And Off

On and on
I am in love.
On and off
I am in passion.

I am on line
But off-stage.
I am not odourless
But in caged.

Gajanan Mishra
On And Off And Yet

On and off and yet
The sun is rising
In the west.
All is great
With cricket bats.
The trophy is yours
Please come and take.

Gajanan Mishra
On Dead Horse

We are on dead horse
Trembling ourselves
And consoling we are
Hundred kilometres
Per hours.
Tremendously we are
Not ours and who are
There to welcome us
We do not know.
We are not biased
Over sectoral approach
And not swift to
Comment on our
Departure at the moment.

Gajanan Mishra
On Earth

Birds are fixed
Rivers are silent
Mountains moved
Sky is on earth

Gajanan Mishra
On Fighting

Go on fighting till justice done.
Justice brings equality fraternity neutrality.

Go for quality as per pleasure
Crisis of confidence may occurred.

Blessing there all alone played
vital role day night nerve to run.

Gajanan Mishra
On Foot

I am going and
Going on foot.

Foot is mine,
And I am going.

On this foot
I am covering all.

I am real
My covering is unreal.

My going involves
No return.

And I am going
To see the Truth.

The Truth is there
And Truth is in me.

Gajanan Mishra
On Foot, Please Come

I know you,
You have no foot,
Yet let me
Request you
To come on foot
And I know
You are coming
To me at every moment.
I know you,
You have no hand.
Who told it
That I cannot say.
But I know
You are doing all
Works here for all.
I know you,
You are everywhere,
And watching all
Inside and also outside.
There is nothing,
There is no difference
Between inside and outside
For you.
I know you,
You are giving water
To the dead river,
I know you,
You are giving everything
For those who have nothing.
I know you,
You are there
Sending all here
And taking all.
You are at the root,
I know and I know
You are the only truth.

Gajanan Mishra
On Her Wedding Day

On her wedding day
I told my daughter,
Remember, dear, you are
going to the in-laws,
treat your mother-in-law
as your teacher,
follow there the words
of your husband as scriptures,
put no question to the husband
at any time even by mistake,
submit yourself always,
and tackle the situation
in a peaceful ways with patience,
Study the mind of your husband
and stay in truth,
Answer not to other men
besides husband,
Don't be envious, my dear,
to anybody anywhere for anything,
Remember, you are the lighter
and the initiator of
the new world there, take care.

Gajanan Mishra
On Its Own

The bird is flying
I failed to show road
You failed to provide leg.

It is the difference
In hell in heaven
In another form
In cerebrum.

No need to search
The tense now
And I understand
Nothing know how.

Gajanan Mishra
On Its Own Way

Let it go on its own way
I know only
fault finding people
Are there for nothing
I know
They get self-satisfaction
Out of their misdeed
And I know
They regret not for
What they done.
Let them gone.

Gajanan Mishra
On Its Way

Everything is
Going on its way.
I am just a guy
Nothing to say.
I am not wise,
And I am unable to
Tell the truth
Where it is.
I know this much only
That I am not
Going to perish.
I know this much only
That I am not
In confusion here.

Gajanan Mishra
On Line

Call me on line
And I will be present
Instant at the place
Date and time of
Your choice.

Call me on line
And I am fine
With your voice
Nothing matters
Who smile and
Who cries.

Call me on line
Call me on line.

Gajanan Mishra
On Line Staying

Apply through on line only and
Keep direct relation
This means cent percent engagement
Through hearing chanting remembering
Worshiping praying carrying out orders
Establishing good relationship
And offering all and linking up
In the services of others.

Gajanan Mishra
On Line, Look

On line, look
Look me, I am on line.

Say what you think
Say something if you
So like here this time.

Ready
I am ready to go
Just give me a call
I would start my journey.

Count down started
From the very day
Of my birth, hear
And I am ready to
Face the consequences.

Gajanan Mishra
On Men

Rely not
And rely not on,
On men
And on frogs.
And remember,
Selfishness is,
Something more,
There with them

Gajanan Mishra
On Mutual Interest

Relation is
On mutual interest.
And we are
Stick to that.

True, we are to
Overtake regional
Problems we face in.

Let our words
And legs be straight
And forward.

Together,
We are to meet
A new world with
So many challenges.

Come on,
I am ready to
Meet you
For truth.

Gajanan Mishra
On My Death

On my death
This world died
Nobody and
Nothing is
Beyond and
Above me.

Gajanan Mishra
On My Own Way

On my own way
I am walking
And how far
You are affected
I care not.

I care not
Your standing
here with me
And I abstained
In eating.

That I am eating
And you are
caring me
That I know
And I know
Without me
You are going to
Loss your identity.

Gajanan Mishra
On Oath

Who is perfect? 
Come forward and 
Declared yourself 
On oath.

Let me know 
How far you are 
In order 
And let me know 
How you are 
Explaining yourself 
To others.

You are here 
And you are rare 
Be fair.

Gajanan Mishra
On Our Own Land

Never borrow never lend
My dear friend
We are on our own land.

Never borrow never lend
Danger is here
God remember.

O my dear friend
I have not forgotten
With lending and borrowing
You are rotten.

Gajanan Mishra
On Pen And Paper

Everything is there
Only on pen and paper.
In practical life
No drinking water,
No rice, no cloth,
No shelter.
There is no developmental
Works, there is no engineer.
But crores are being spent
For the people.
Everything is there
Only on pen and paper.
No one is crying, but see
In everybody's eyes tears.

Gajanan Mishra
On Pins And Needles

On pins and needles,
Let us put question,
Where is the water
Where is the carbon dioxide.

Let us understand history
Let us understand microbial life,
I am telling bout Mars, my dear,
I am on mars atmosphere and volatile evolution mission.

Phase by phase I am here
to tell you again and again
Just wait and hear me with patience,
And watch the rehearsal with test-fire,
I am all on pins and needles.

Gajanan Mishra
On Principle

On principle
I am yours.
Whether you are
Mine or not
That I don't know.

Gajanan Mishra
On Reaching The Top

On reaching the top of high hill
I showed you how near the sky is
And you admit it with certain objections
That differentiate you with me.
I am not cautious you said
And exclaimed the cold there
When I felt hot.
That was our feelings and
Relationship and commitment to life.

Gajanan Mishra
On Reaching You

Leaving You
I am going
Towards You.

And on the way
I am afraid of
Diseases,
Afraid of falling down,
Afraid of the enemy
And the old ages
And I am afraid of
The death.

And I am sure
On reaching You
I conquered all.

Gajanan Mishra
On Receiving

On receiving,
On receiving Your tacit approval,
O my dear, I am writing the poems
And ever busy in maintaining
Love in Truthful ways.

It is, yes it is, it is
You my dear, who is within me
And also who is outside me
And You are beyond the range of
My conception and my imagination.

I am the spectacle
You are the spectator
I am the creation
You are the creator, my dear.

Gajanan Mishra
On The Beach

On the beach,
You cannot say
You are loser,
On the beach,
You also
Cannot say
You are the gainer.
Loser and gainer
Is the ocean,
And not the beach,
That I know,
From the very beginning
And for that, again and again,
I am coming to this beach

Gajanan Mishra
On The Blackberry Tree

On the black-berry tree
I have left my lungs and heart
On crocodile's back
When I started my journey
in to the sea.
I have not show my
Disregard to anybody
Surrounded me
And my co-villagers
All support me
And the crocodile
Never seen as before.

Gajanan Mishra
On The Pages Of Time

From mid-day to mid-night
I count my steps that are
There on the pages of time.

Gajanan Mishra
On The Path Of History

We walk
On the path of history.
We hear
All sound of the sky.
The sky is our history,
And it is the truth.

We are void,
Like the blue whale.
We act not through words
But we perform real deeds.
Dateless our life,
Here, stone we are.

Truth we search
In the area of the sky.
The sky, we collect
On this earth.
And the earth, we
Are to enjoy.

Gajanan Mishra
On The Path Of Piety

Here I am,
On the path of piety,
With my weapons,
That are love and truth.

Here I am,
With you, my dear,
I know, I am saved,
And I am protected by you.

Here I am, my dear,
For the purpose of
All welfare and
I am the fixed star.

Gajanan Mishra
On The Road

The sky is not
bigger than me
and I in goodfaith
walking on the road.

Air is there to cool me
and to declare me alive.
No cause of action
for the truth to move
to court against me.

I am on the road
that is the fact
any one can see me
at any time anywhere.

Gajanan Mishra
On The Same Page

On the same page
We are all and
We are to start
Fresh at every moment.

No hurry, no worry,
Everything is okay here.
And we are to give
Credit to each other.

All nature
And we are cautious
For the cause and
For the effect.

Gajanan Mishra
On The Same Path

In every way
Let it go
On the same path
That is there.

It is your own world
And in every way
Each one is renouncing it
Seeing above the star.

The star is yours
Without any contradiction,
And you are going to
Mix with it, right?

Gajanan Mishra
On The Scorching Earth

On the scorching earth
Aaeshanee stood first
With her breath
We all are here
To wage war only
With time and
Thanks to Aaeshanee
That she joined us.

I know, Aaeshanee has
Identity with mother
Mother board that
Ever-existent
Aaeshanee is whole
I know, and I treat her
Like that always
With a new identification mark.

I told my son, Chandan
Be careful, my dear
Keep yourself ever ready
To do that are conducive
To Aaeshanee, of course I know
Everybody is coming on his
Own way and doing own works
And going away after completion.

Gajanan Mishra
On The Seat Of The Heart

On the seat of the heart,
I know, you are there.
You are vibrating,
Giving messages,
Singing and dancing,
And uttering so many words.
I realize who you are
And what you are doing
For the good of all.
I experience journey
With you always day and nights,
The moon and the sun are
The eye witnesses
Whom I glorified.

Gajanan Mishra
On The Ship

You are telling
And I am listening.
The ship
On which I am going,
That is going here there
On so many turnings,
But the thread
Of the centre is
There where you are.
I know, it is
Under your jurisdiction.
And you are also there.
Let me say I am here
Now and ever.

Gajanan Mishra
On The Sight

Nothing is out of sight, see.
Nothing to fear, see.
You are fortunate to see.

Revelation is good
So far as it is truth.
You are fortunate to see.

It is your own faith
That can take you to the extreme
Be in truth always with full faith.

Gajanan Mishra
On The Spot

Mother, motherland and mother tongue,
Our aim and purpose is to develop
Mother, motherland and mother tongue.

One who revolt against his own mother,
Motherland and mother tongue and
Stands on our way knows well-
To uproot him is the result.

Future cannot be imagined
Without the mother, motherland
And mother tongue.

Our identity and everything
Is there with our mother, motherland
And mother tongue.

Come on brothers, stay one and
In oneness, please come out from
Your own house and give a lesson
To the hypocrite on the spot.

Gajanan Mishra
On The Way Up

On the way up,
On the way down,
You are here with me,
How can I leave you?

How can I leave you, my dear,
Life is ours and it makes us happy,
Life is ours and it makes us smile,
No cold no hot can separate us, dear.

Gajanan Mishra
On The Wheel Of Time

See me
I am moving
On the wheel of time.
See me
Here I am
With you for good.
And I am on the way
To attain the truth.
And the truth
As I know
Neither the day
Nor the night.
But it is
In the might.
And might
I think
Sum total of
All here.

Gajanan Mishra
On This And That

Why are you spending time
On this and that
Without knowing the time
Why are you talking baseless
On this and that
Without knowing word and base.

O I know
You are crawling
In and out
Without any entry
Without any exit
And calling it right .

Gajanan Mishra
On This Birth Day

On this very birth day
I came to know I am
Going nearer and nearer
Towards death.
On this very birth day
I have forgotten the past
And I remember what to do
For the sake of future.
I came to know future is
No more here at this juncture
And I have nothing to make merry
As I have a lot of works
Still to complete to save myself
From the dark side of nature.
But I have to observe my birth day
Today itself with my friends and relatives
I know though no one of them can
Accompany me on the path I have to go.
On this very birth day
I recalled how I have lost
And still I have to light the candle
And see my world dazzle.

Gajanan Mishra
On This Chilling Morning

O, On this chilling morning
I am searching the sun,
And the sun is rising late.
The buds of the flowers
Are yet to open their eyes,
Though seven AM it is.
Jasmine, champak, screw pine,
Lotus, china rose and others
Are not yet coming forward
To say good morning.
The water is as cold as ice,
And it is my wife,
Who is taking a bath at five,
And I say this morning is very nice.

Gajanan Mishra
On This Cycle

I am on this cycle
Since long.
Since long
I am watching you,
My love, my truth.

See me, I am here
In this form
With no adultery
And not hankering
After the riches of others.

I am yours, my love,
And I am in your
Cycle of truth
I am yours faithful.

Gajanan Mishra
On This Day

On this day
Family scattered
On this day
New form evolved
New family
New world.

Say world a family
Son in America
Daughter in Japan
Wife in London
Husband in India
Say world a family
It is for belly.

Is it not world society
Father is no more
Mother unable to move
I have no time for anybody.

Gajanan Mishra
On This Day Of I St January

On this day of I st January
I am calling you, my dear,
And you are coming with winter.
I like it, I love it
Here I perceive a new way of life.

The sky is knocking at my door,
We are inside, we the four.
The sun is hiding himself,
The city is calm and quiet,
And I am calling you, my dear.

The quest is on, and we
All are in waiting room for
The guardian of a quarter, who is
Coming to tell the truth that is not near.

Gajanan Mishra
On This Day- Thou Art

On this day
I want to say
That are true
That are related
To love.

On this day
I start to go
To my love-home
And I call you
That's all.

Gajanan Mishra
On This Day We Are To

On this day we are to
Take steps to free ourselves
From greed and all sins
By widening our circle of
Compassion to embrace all
And the whole cosmos,
We are to forget all
Ill-feelings and forgive all
Once again for the sake of
Humanity and beauty,
We are to cultivate love
From within us and see
All in an equal eyes for
New creativity and security.

Gajanan Mishra
On This Earth

I am on this earth
At the right time
And with your blessing
I can do more and more
Good work for the benefit
Of all here
And I am going to
Compose a poem
And I think no other poet
Can write such a great poem
On human life and environment.

Gajanan Mishra
On This Earth I Can Do

On this earth, I can do
Whatever I like, but all good,
And I am ready to get the fruits.
I see, nothing bad on this earth,
All eternal associates are coming
To me and extending their
Helping hands and they are there
Only for me, I know, on this earth.

On this earth, I see the sun rise,
I see all beauty, I see all power,
I see all knowledge, I see all pleasure.
My dear, let me tell you one thing,
We are all in service of the earth
And the earth is ready to give us all.

Gajanan Mishra
On This Evening

On this evening
I feel secured
with you, my dear.
Here I see
no wrong in living
with you.
No use of heaven
that I know
seeing your smile.
I want not
to go anywhere
low or high.
I know you are here
Everywhere.

Gajanan Mishra
On This Land

I have every right
Over this land
And I am at present
Here, see me my dear.

You may agree or not
I am on this land
With all my right,
Title and interest.

Here I am in this jungle,
This jungle is here
On this land and the land
Is there in my life.

See my life dear, mystery though
I have every right on my life.

Gajanan Mishra
On This Land And In This Water

On this land and in this water,
I am everywhere, see me, my dear,
On the mountain top, everywhere.
I am in love, and I alone am real,
No magic but truth-mango tree is
Here, see me my dear, nothing to fear.
See rightly, I am in joy and the whole
World is here with me at the horizon.

Gajanan Mishra
On This Line

On this line
On this line of pure and flawless
We are all marching
While performing all actions.

On this line
On this line of pure and flawless
We are connecting our network
With the all powerful omniscient.

On this line
On this line of pure and flawless
With the mode of goodness
We submitting ourselves to eternity.

Gajanan Mishra
On This Path

On this path,
Regularly I am
Going to me
And I am coming
From me.
Regularly I am
Watching me
In the evening
And at morning.
This path is
My strength and
I am here,
I myself is
The path, dear.

Gajanan Mishra
On This Side

I am on this side,
You are on that side,
I want attachment
And what you want
That is beyond my power
To know at any stage.

You appear, I disappear
You are in the light,
I am in the dark
Who said it is not right.
With faith you are here
That I know, without faith
I am here, see me and admit
Hear me and be pleased.

Gajanan Mishra
On Track

Read me once more
Listen me once more
One more chance
I am on track.

Gajanan Mishra
On Whims And Fancies

We can't live
on the whims
and fancies
of anyone.

Treat not
the laws,
the rules,
the norms,
the procedures,
as your private or
personal properties.

The laws are made
for the public good,
and they prevail
in all matters of
public conduct and
human interactions.

The law of the land
should be honored.
They are the heartbeat
of the people in general.

Be truthful,
be honest,
be transparent,
when you are there,
at work for the public
under this system.

Gajanan Mishra
On Your Approval

On Your approval
Everything is happening here.
I am not frightened
As You are telling me
'All glories unto you'.

I am thinking You always
O my dear, and You are
Telling me 'always think,
It does not matter
In which way you think'

And You cleans all my sins
I know it is on Your approval
Everything is happening
O my dear, I am not in fear
I know You are near, You are my dear.

Gajanan Mishra
On Your Behalf

On Your behalf
I am doing everything
On Your behalf
I am here to love all
I know for any defects
Or wrong committed
I am answerable to You
I am conscious to Truth
That is here in all
And I tackle things
As per Your direction
O my dear, I know You are
The owner of this house
All right title interest is Yours.

Gajanan Mishra
On Your Own Feet

You are to go
On your own feet.
You are to see
With your eyes.

What you see,
Where you go
Do not matters.
But you are to weep,
You are to smile,
What directions are
There by the director.

No one is here
To test your truthfulness.
No one is here
To detect what is
There in your lies.

You are coming and
You are going
And in between that
You have to record
The things
That are happening.

What is happening,
That is only your handiwork.
Please mark and remark.

But I am here
To sweeten all
That are being
Done by you
All for good.

Gajanan Mishra
Once Again

Once again,
Please appear
Before all.

Once again,
I want to hear
Your special call.

Once again,
Please descend
To declare me
A man.

Once again
I want to know
The mountain
That is plain.

Gajanan Mishra
Once Again - I Am There

Nothing to loss,
Nothing to gain,
I am here,
Once again.

The water and the fire,
The stone and the earth,
I am there since birth.

The birds are telling me
Goodbye,
I am being covered
By the sky.

What a joy!

They all are coming
And going with me.
They all are telling lies.

My neighbours are here
Though jealous they are.
My sweetheart is here,
And taking my care.

What a religion
The life is!

In the hospital
I dream the fire.
But I am there
Unaffected.

Gajanan Mishra
Once At Least In Your Lifetime

Somehow or other,
Come on and read
At least once,
My poetry, in your
Lifetime.
And try to enter
Into the words,
And try to see there,
Your own picture.
You just stay
For a while there,
And confirm your
Involvement in the matters
Related to you.
How far you are free,
Let me know here,
And let me write
More and more
Your thoughts in
Your words but
In my ways.
You are to accept
The way I have
Adopted for your
Benefits straightway.

Gajanan Mishra
Once Gained

Once gained
There is
No and never
Forgetfulness.

And it is Your
And your Highness
That you considered me
As yours.

And I remembered You
As mine and you
Considered me
As only yours.

You are my
Primal person
I am under you
In all seasons.

Gajanan Mishra
Once my father
Told me,
Life is strange,
But here
I see in your eyes,
It is more strange
Than my life.
I am searching
My own life
In your eyes
That is there
Unchanged.
I can't say it is
My joy or sorrow.

Gajanan Mishra
One

One and only one at a time
One sun in a day
One moon at night
One air one water
One earth one sky
One life one point agenda
In life and one
Only with one-pointed attention
You should constantly hear about
Glorify remember worship The Truth
And Truth will protect you
He is the Absolute Truth
He is your protector
He is giving you everything
That is required in a life
With peace with happiness.

Gajanan Mishra
I find no difference
Between birth and death.
Birth and death are
One and the same.
You may use the terminology
In reverse order also.
If you so like you may
By pass these two terms
At a time and simultaneously.
You may utter or
May not utter, it is all
One and the same here,
It is the end-all
And the beginning of all.

Gajanan Mishra
One Against Another

Each one is going
Against another, here.
Just for play,
Just for fun,
And for nothing,
Here, each one is
Losing everything,
And yet, realizing
Nothing. Each one is
Singing songs
Without understanding
The meaning and
Each one is running after
Something with no shine.

Gajanan Mishra
One And Not Two

One in many
And many in one.
Strangers they are,
In water and in air,
On earth and in the fire.

But all are in beauty,
All are the eternity.
All are in the body,
And body is nothing,
All for time.

We see divine
All grace
All good
All one and not two.

Gajanan Mishra
One And Not Two - All Natural

One and not two,
But one only, only one.
In one, see two, three,
Four, five, six, seven,
Eight, nine, ten,
And so on and so on.
Now and then, always,
See and hear
The sound of all air,
All water, all sky
On this earth.
Life is there, feel life,
Nothing to wonder,
It is all nature.

Gajanan Mishra
One And Other

Both are same,
One and other.
Speak or write,
Conclude - all
Truth and truth.

Background - clear,
We are all leader.
But friends,
The only readers,
We are here.

We are the riders,
Not the driver.
Details of journey
Written in water.

In this body-firm,
We are not masters.
In relax position,
We need a doctor.

Separator -
Not required.
Yet we are united,
At every time from
The very beginning
To the end.

Gajanan Mishra
One And Same

O my dear
You are
One and the same
In eternal time
Without end
Without beginning
You are
Everywhere
A living being
One and the same.

Gajanan Mishra
One And Singular

One and singular
It is always there
And the interval
Is regular.

Existence and
Non-existence no matter
And it is there
With all creatures.

Demoniac or
Divine it is all
One nature and
That is Yours sir.

Let me see good signs
And all virtues for all welfare.

Gajanan Mishra
Non-dualistic
No separate
Identity
And identity
Merged in love.

Wife and
Husband
Two bodies
Regard themselves
As one.

Two close friends
Deem themselves
As one.

Not two
But one
Inwardly.

Though separate
Outwardly.

Duality
does not exist
Only love
reigns supreme.

It is one
And the same.

O my dear, I love you
We both are one
And not two.

Gajanan Mishra
One black and another white
And the world is running
On black and white.

It is proved
In a day and night
To live is to
Engaged yourself in fight.

Fight with truth
Fight with love
And discover nectar.

Nectar is life
And the distributor is
Almighty God,
Be disciplined and thanks Him.

Gajanan Mishra
One But Different

One but different,
we are here and
we are catching each other
with aversion
with attachment.

We both exist here
with tears in our eyes,
We both are getting pleasure
without reason but we are
One and different.

Gajanan Mishra
One But In Many Varieties

One but in many
Varieties of form.

One is pure,
But not many.

One is in the cage,
Not many but
Vision is covered.

Actions and reactions
Are there in
Witness box.

Knowledge and position,
Both are in need.

One is unaffected,
But many - the mode of nature.

Gajanan Mishra
One By Another

Here,
One is being killed
By another.
Here,
One is giving birth
To another.
Here,
One is going against another.
Here,
One is making love with another.
Here, you can find
Wonder and wonder.
You cannot find anywhere
All these besides here.

Gajanan Mishra
One Can Fly

One can fly
And can go anywhere.
But choosing the time
And the place all
Are his or her.
What to wear
How to proceed
Everything is
At his or her liberty.
Flying is not
A play thing,
Play thing is
Flying, though,
I am sure.

Gajanan Mishra
One Candle

One candle,  
I want,  
But it should be  
Original one.  
One is original  
Like the sun  
Like the moon  
Like life.

I want nothing  
But knowledge  
But light  
But you  
The truth  
Without reservation.

Gajanan Mishra
All is one,
One cause one effect,
And life is all that.
Men, know this fact,
You are eternal,
You are divine,
You are primal
And original,
Here, nothing is final.
All-pervading beauty
Is with you, men.
Absolute truth, you are.
You are your conclusion, men.
You are the ultimate cause.

Gajanan Mishra
One Day More

One day more passed away
From our bags.

And we are not able to
transformed ourselves.

One day more passed away
From our bags.

And we are not able to
Ride on the lion.

One day more passed away
From our bags.

And we are not able to
Ignite ourselves.

One day more passed away
From our bags and we know not.

Gajanan Mishra
One Day One Life

One day one life,
One life one moment,
One moment one world,
One world one truth.

I want not to destroy
One truth one life.
I know in one so many
Are there live.

Gajanan Mishra
One Differs

One differs from another
That I know, my dear
But You are one and all.

You are one and all
That I know, my dear
Rest is Your form and feature.

Your form and feature
I know, my dear
In past in present and in future.

I am a tiny creature
And without Your support
O my creator, my life is darker and darker.

Gajanan Mishra
One Earth, One Life

One earth, one life,
One man, one caste,
One sun, one moon,
One dark, one light.
For humanity we are
Here to fight.
Stay with us, we
Have the real life.
Reality is peace.
No one can disturb us
At any time at any
Situation. Avoid not
Us my dear, we are
Living a life-clear.

Gajanan Mishra
One Eyed King

We are under the control of
The one eyed king
And this is the land of blind.
When we are begging for water,
He is giving us liquor.
When we are begging for food,
He is giving us everything
That are in the long run not good.
When we are begging for shelter
He is giving us the dreams of the sky.
We are unable to bid goodbye.
We are not able to get the place
We are not able to live here, the way
We are to be satisfied.

Gajanan Mishra
One Family

We belong to one family,
We are all one. And here
Let me request you to
Forget darkness and light.

We should go in loving truth,
There is pre-eminence of truth.
And here, one should keep himself
Detach from family love.

Gajanan Mishra
One Father

One father - the sky,
One mother - the earth,
And we are all here together.
Dear creatures worry not,
All goodness are with us,
Worry not, we are to share
The water and the air
And we are to keep clean
The atmosphere to get
All light for us.
Go not against nature,
Live and let live-
Keep this mantra
And stay glitter.

Gajanan Mishra
One Hundred Percent

One hundred percent
I am pure in heart
And by Your blessing
I can say I am
Free from threefold miseries
I am compact by culture
See I am yours, O my dear
On hundred percent.

Gajanan Mishra
One In Many

One in many
Many in one
Only for welfare
good and fair
Time is passing
We are static
We are passing
Time is static
Nothing wrong
Nothing right
Entire day
To and fro journey
My dear
You are only mine
And I find in you
Everything.

Gajanan Mishra
One In Many And Absolute

One in many
Many in one
It is only You
You pervade all things
All things are within You
You are the only Truth
The Supreme Truth
You appear in air in the sky
Let me salute You
You are the Absolute
I perceive Your divine presence
In each living being
You present everywhere
You are one in many and many in one.

Gajanan Mishra
One In Relation With Another

One in relation with another
Can develops at any rate anywhere
And can cross the modes of goodness
The modes of passion and
The modes of darkness
But should be cautious to
Set free at his own will
And it is the only suffering
In hellish conditions.

Gajanan Mishra
One In To Many

One in to many
Many in to one
Our lives here.

We are here
We are there
Near and far.

I am made of earth
You are made of gold
I am small
You are great.

I am stationed
You are not
You are stationed
I am not.

We are one
And we are many
I am unable to know
What is going on
Between You and me.

Gajanan Mishra
One In Two

And two in one.

Go not with any
Particular plan.

Nature is not
What you think.

Silent spectator
Come and sing.

Here in my poem
Butterfly dwells.

All is not well
That ends well.

Smile and get
What you desire.

Gajanan Mishra
One Ink Mark

One ink mark
For one visit.
Avoid rush
And be friendly.
Go and do
All works
For good
Of the people.

Gajanan Mishra
One Is Attracted

One is attracted
To the other eternally
And one give
Release to the other.

Somehow or other
External potency
Is the matter
That separate
One another.

Real existence
Cannot perceive
Here silent
The question-maker.

You have that
Consciousness, my dear
More or less
You are the taste
And You are the water.

Gajanan Mishra
One Is Better

Than many useless
One moon is better
Than many stars.

Gajanan Mishra
One Is Coming

One is coming,
Another is going.
Coming and going
Have no difference,
Person is the same,
Though, for us
It is all two games
In separate forms.
In a way it is
But natural to see,
But hard to recognize.
In a way we all
Are responsible for
Their own criteria.

Gajanan Mishra
One is deaf, another is blind,
One is short, another is tall,
One is lame, another is elephantiasis,
One is ugly, another is hare-lipped,
One is weak, another is eunuch,
One is white, another is black,
In this colored world you are to
see and test what and where you are.
Since it is the shadow world, let us
not comment on this world, my dear.
It is changeable always when the original
is changing there far away from us.
Let us see the statue that is ours
here and there as silent spectators.

Gajanan Mishra
One Is Enough

One son
Scholar and gentleman
Is enough to
Take care of the family.
One sun one moon is enough to
Spread light in to darkness.
One poem is enough to
Spread peace and happiness
in the universe.
One is enough and enough.

Gajanan Mishra
One Is Good

One is good
Another passionate
Yet another dull
These three brothers
Are ruling all.

If you are to stay
You must crossed
If you are to go
You must go through
It is applicable to all.

Forget words forget letters
O my dear I am here
In good faith
In right perspective
Renouncing all.

Gajanan Mishra
One Is Special

At time three
Are equal to one
One hundred is
Equal to one
At other time
one thousand is
Equal to one
One is special
One in to one
is one
Only one is there
Always everywhere.

Gajanan Mishra
One Is Sufficient

One is sufficient
To brighten the sky
Like the rising sun.
One is sufficient
To darken the family
Like the defiled son.
One is sufficient
To do anything, my dear.

Gajanan Mishra
One Is The Food For Another

Food, food, food,
One is the food for another,
In one way or the other.

Food is the first stage
Of destruction.
You have taken food,
Means, you are gone.

See the clouds and
The wind and know
How they are going
Together, from here.

See the process,
Feel how fiercely
All going away.

Gajanan Mishra
One Language Is There

One language is there
All over the world
And that is
The language of love.

Love creates love,
Let us plant love,
In the field of life.

If love is there
Everything is there,
No need to crave
For other things.

Love is far above
From the circle of
Birth and death.

Gajanan Mishra
One Life

It is one life
Only one
We are living all
Since the dawn
Of creation
No other body is
There anywhere
See and test.

It is only action
It is only duty
Dispassion and
Knowledge is
Here everywhere
And just be gracious.

Gajanan Mishra
One Life One World

One life one world
One sun
One earth
One air
One water
One respiratory system
One medium
From birth to death.
No other God is there
Besides humanity.
No other supportive
Medicine is there
Besides love.
Live with truth- true life.

Gajanan Mishra
One Message

May your
Happiness increase
Like petrol price
May your
Sorrow fall
Like Indian rupees
May your
Joy fill your heart
Like corruption in India
Thank you for this message
O my friend Aswini Panda.

Gajanan Mishra
One Minute

Only one minute
Just remember me
And then go for work.
No work please
Besides remembering me.
And it is your work
That can remember you.
I am in your work, remember.

Gajanan Mishra
One Only

All are one and
One only,
Associated with
Different limiting
Adjuncts and
Different degree of
Manifestation though.
We both are one, dear,
We act as we will
As per time and
Circumstances here.
No matter, we are
Living or non-living,
We are human beings.

Gajanan Mishra
One Philosopher

One philosopher
May disagree with another
One scientist may put forward
A theory contradicting the theory of another
This is because they are not in Truth
They have no perfect knowledge and
They are working on the mental platform
Without a standard of knowledge.

Gajanan Mishra
One Plus

One plus one two
Who told you.
Life is not math
That can be solve
Life is not literature
That is your future.
Be prepared
To avail chances
Availing chances is
Not enough if
You are not there
To hit.
Life you know
That I experiment
And in days to come
No needs of compliments
Thanks for the shortcoming
Do not be impatient.

Gajanan Mishra
One Plus One

One plus one
is two
always not true.

Word plus word
is sentence
always not true.

You and I
are friend
always not true.

I am going
and going and
not here not true.

Look at me
I am like you
It is true.

Gajanan Mishra
One Plus One Is One In Love

One plus one
Is here one
In love.
One minus one
Is here one
In hate.
Hate means death
Love means life.
Living a lovely life
Is a boon
Living a hateful life
Is a curse.
My love my heart
One plus one
Is love.
Heart to heart
Life goes on and on
Eternal.

Gajanan Mishra
One Plus One Is Two

One plus one
Is two,
How dare you
To tell this truth!

Let me say
No one and
No two
No number
Is there
With you.

But you
Are there
Without numbers,
And numbers
Are not true.

But you are
The truth.
And I have
Caught you..

Gajanan Mishra
One Poet

What happened
If
One poet
Stay without food
One day?
Is the earth trembled?
Is the sky bubbled?
Is the bird stop flying?
IS the sun cry?
What happened? What happened?
If one poet
goes without food!
No one knows anything.
Tell me not, tell me not,
The name of the poet.
Is the poet in sorrows
Always or the sorrows
Are there within the poet
In silent mode!
Witnessing the sorrow of others
Is the poet able to stay
In peace in silence!
What happened?
Can the poet stay silent?
How the words are
Coming out?
Is it in worship
Or without food?
What happens with
The words of the poet?
What happens?

One Roof

One roof
We are all under one roof
The rood is You.

We are all within You
And here no question of fear
If you are real scholar.

You are created this world
As real for us and You have
Give us the Truth that we have forgotten.

It is the fear that made us together
It is the false designation that is not clear
And we all wander for no loss no profit gear.

We are all under one roof
The roof is real Truth.

One Should Know

One should know
What is what
And what is taking place
When and how.

Walking not allowed through
Between fire and priest
Man and woman
Plough-oxen servant
And two scholars.

One should know
What and how and why
And ready to say
Good bye.

Gajanan Mishra
One Should Satisfied

One should satisfied
With himself
One should live
Here disinterested.

Don't depend on
Any formal process
And travel on the earth
On your own accord.

My dear son
What you hear and
What you see
All are illusions.

Gajanan Mishra
One Sun-

One sun-
Illumines the entire universe,
Being the part of the sun,
You, my dear son, can illumine
To this land and to all here.
The clouds, the storm and
The man of wicked nature can do
No harm to you at any time,
You are there to crush all.

Gajanan Mishra
One Teacher

One teacher
Two disciple.
One sky
Two stars
The sun and the moon.

We are all here
Only for one air
One water, one light.

We are seeing each other,
We are hearing each other.

How wonderful this world
And how lovely it is,
I am here with all the above.

Gajanan Mishra
One Thing

You can do one thing
My dear only one thing
Make me lose all interest
In everything and make
Me happy though I am
Not destined to be happy.

Gajanan Mishra
One To Next

One to next I am to
Go with it
In succession order
Just as a member.

No anxiety
I am perpetually fixed
Being a householder
If you so like
You can take me from here
With all my bags and baggage.

I know not what is
Perfection and where it is
When You are here it suffice.

Gajanan Mishra
One Two Three Five

That is our wisdom
Then there is freedom.

Gajanan Mishra
One Ultimate Power

One ultimate power,
I believe only.

Neither I am inferior
Nor I am superior to anybody
So also I am not here to expect
Any reward from anybody who are here.

I believe with that
Ultimate Supreme Power,
That is there for all
And I believe all are
Equal in the eyes of nature
And all are under that supreme controlling power.

I believe in that, I believe in Truth, I believe in You,
I love You, again let me tell You, You are that power.

Gajanan Mishra
One Unit

This is what
In fact one unit
fire-priest
man and woman
master and servant
and plough-oxen
No body is allowed
To walk through in between.

Gajanan Mishra
One Way Or

One way or
The other,
We are to do
And decided to do
On truth.

And we are to
Reap the fruits
Meant for us
In time that dues.

Gajanan Mishra
One Way Traffic

One way traffic - life,
And I am to go there,
With you for the remaining
Period of life,
The length and breadth
I am yet to know, though.
I am your son,
I am also your father,
The well-wisher.
No fault is there
With us, I know,
As we both are
With nature.
We are the law,
We are the lawgiver,
We can change the time,
And the time-frame.
It is under our control
To Proceed further henceforth.
This world is for us,
And we are to do
What we want to do
At any time with
The touch of love and truth.
Life is as open as the sky,
As free as the air,
With the natural flow
Like the water from
Top to bottom and
Again from bottom to the top.

Gajanan Mishra
One Who Creates

The weapon to
Kill others
The very weapon
Would kills him.

One who loves
Others without self-interest
The very love
Would return to him
In so many ways.

Let us help others
Let us love others
Let us hear others
And let them go free.

Gajanan Mishra
One Who Denies You

He is full of flattering lies.

I am here to welcome You
And my welcome address is full of
Facts and figures.

O my dear, You are here
And You save me from all dangers.

You are my energy
You are my glory.

I am glad
I am glad I am within You.

Gajanan Mishra
One Who Is Against Truth

One who is against truth,
He finds no place to take rest,
His own mother would becomes death,
His father would be god of death,
Nectar would become poison,
Friend would become enemy,
And this world would become
more hotter than the fire.

Gajanan Mishra
One Who Is Begging

One who is begging is a beggar
It is very simple my dear
One who is awake he is in winning side
One who has won his senses is real winner
Let me say again one who is self-satisfied
Is the richest of all here
If you are living without any hope
My dear, remember, you are getting nectar
Any other question if you have please ask
And you are remaining silent putting off mask.

Gajanan Mishra
One Who Is Here

One who is here in all
As all,
Why are you so eager
To get him.
Please wait.
See all around
And ask yourself
Why are you here!
While asking
Control yourself
And utter the words
With pleasure
Putting love in it.
Proceed ahead
As per your strength.
See, if you are able to see,
That there is
No forward
No backward
No above
No below
All are in
Parallel,

Gajanan Mishra
One Who Is In Truth

One who is in Truth
Will never perish.

You are the Father
I am the son
You show me always
The causeless mercy
My dear.

I know it is
Out of compassion
You appear
My dear Father
To save me
From all danger.

I am here carrying out
Only Your order
You are the Absolute Truth
And I am the Truth.

I am without adulteration
My writings are for
The benefit of entire society.

I am in Truth always here
O my dear, and I am without fear.

And life is there in peace.

Please come and come
O my dear, avail life here
That is full of nectar
That is all here with bright future.

Gajanan Mishra
One Who Kills

One who kills
is called killer,
You said my dear.
Let me be cleared,
When there is
no death at all,
the question of
killing is baseless.

No death and no birth
Everybody and everything
is always there,
No agitation and no
perturbation, no joy
and no anger and it is fair.

Gajanan Mishra
One Who Loves

One who loves
Knows the truth
By seeing
By hearing
By touching
By smelling
By eating
By going
By dreaming
By breathing
By talking
By accepting
By opening
By closing
By considering
One who is in truth
One who loves.

Gajanan Mishra
One Who Speak

One who speak
Is a fool
I am not saying
I am saying

Of wise

And coming to you
To show this that
And speaking a lot
The time is passing
And I think I am
Sitting unchanged.

Gajanan Mishra
One Who Takes

One who takes
Is demon.
One who gives
Is God.
Gives anything
With love.
Giving means
Taking away,
Please understand
What I say.

Gajanan Mishra
One Who Teaches Is Called Teacher

One who teaches is called teacher,
And one who learn in some way or
Other anywhere at any time from
Anything or anyone is called a learner.
And the relationship between
A teacher and a learner can not be
Describe in words, it is just
A feeling and a faith and a belief
That has to be recognized.
No one is passing,
No one is vanishing, but each one is
There, in good and liberal ways
For another, not in empty hands, though.
The teacher and the learner, say- pupil
Are the starting point of life.
They are all in one room
At different times, though.
And they know nothing who they are
And what for they are here.
We have to pass the time but not
At the cost of knowledge and light.
The teacher represents light
And knowledge and the pupil brings
Heaven to the earth on the grace
Of the teacher here.

Gajanan Mishra
One With Everything

One with everything,
And it is life-
Unique and extraordinary.

Gajanan Mishra
One Word

One sun is
Sufficient to
Eradicate darkness.
One smile is
Sufficient
To win the world.

In one life
I am thankful
To you.
Catch a single word
And see the death
Going away.

Gajanan Mishra
One World

One world,
One life.
Different to
Each other,
But all identical,
All vocal
To air
And to the sky.
All speak reality,
And it is the earth.
All are earth,
But differ
In colors and taste,
All one but inimical.
One world
Within so many.
So many worlds
Within one.
And so also, life
All light.
All for everything
And all for nothing.
Nothing - time,
And all busy in crime,
Crime- to harm,
To kill one another.
To show love
Simply to satisfy
SElf-interest.
All frozen,
All taken over,
All numbers,
All alter,
And all going back
To darker and darker.

Gajanan Mishra
One, Only One

One, only one
Not two, three
Nor many
Only keep one
If you want to
Fulfill your aim.

If not
In the circle of
Endless desires
And many means
You will perish
by them.

Gajanan Mishra
One, Only One - Life

Only one,
One can do anything,
One sun, one air, one sky,
One earth.
One plus one is one,
It is love and
Love can do anything.
One, today is one day,
One, month is one,
And it is enough in
One life.
Only one is here
And I am with it,
You are with me.

Gajanan Mishra
One, Only One - Living Right

One, only one
All are one
Under one sun
One moon
With one air
And one water
On one earth
One light
And under
One sky.

Only one
One and one
Love and
Faith
Birth and
Death
In one life
One, only
One going
And coming.

Truth one
Knowledge one
One, only one
One man
One woman
One soul
One catch
One goal
One almighty
Living is right.

Gajanan Mishra
One-Hundred-Percent

One-hundred-percent,
In truth,
And no less.
Love in full,
In life,
And no less.
No feeling of pain,
But liberated.
Free and fearless,
Life in full,
One-hundred-percent,
No less.
Self- realized,
Mission fulfilled.

Gajanan Mishra
Oneness And Difference

It is all the same,
Oneness and difference.
And hence, nothing to fear.
It is all the same,
The dark and the light.
And hence, nowhere to go.
It is all the same,
The white and the black.
And hence, we are here
To welcome all.
We are the origin,
Origin of all.
We are the world,
World of nature.

Gajanan Mishra
Oneness And The Sameness

Oneness and the sameness
Makes the world beautiful
and peaceful.

I exist here now,
I was there
I will be there also.

We both have on entity,
I know we are not independent.
We are one and the same.

Gajanan Mishra
Oneness Of Existence

We are all one
And there is
Oneness of existence
Here at all times
We are to realize.

It is all pure
This life here
And there is
Single minded
Devotion to
The ideal of
Free life.

Life is one,
Death is one.

Gajanan Mishra
Oneness With You

Oneness with You
See, it is eternal affinity.

See, I love You
For realization of self.

This is the Supreme secret
This is the best spiritual discipline.

Gajanan Mishra
One's Own Duty

One's own duty
Is better
Than the duty
Of another
Do your own duty
Perfectly O monitor
And understand the life
Chapter by chapter
You are the sole
Conquerer.

Gajanan Mishra
One's Own Self

My dear, remember
Is very very more dear.
It is only by contact
With the self
Your vital breath
Intelligence mind friends
Body wife children wealth
And so on are dear.
But dearest is your origin
The Supreme Truth my dear
And so important is
Your Truth consciousness
The optimum efficient conjunction.

Gajanan Mishra

Gajanan Mishra
Online World

Come on and
See world

Evolution and
A great revolution
In communication.
Use it, enjoy it
For a better world.

Gajanan Mishra
Only a good poet can
Constantly think,
Think about the world,
And the truth.
Only a good poet can
Say life is nowhere
And we are all dead.
Only a good poet can
Stay awake and serve
The notice of danger.
Danger to life and
Wealth is there as
Always here there,
Only known to good poets.

Gajanan Mishra
Only a loving kid
can rears and preserves
the entire world.
Don't go with desire
to the loving kid,
he cannot grant anything.
The loving kid is there
with you if you love.
The loving kid can robs you
if you have lust with you.
The loving kid is
deadly and dangerous,
Be cautious, my dear,
The loving kid is your own nature.

Gajanan Mishra

To give a smile, my dear?
While I am smiling

Through this smile
I am giving you everything.

Just smile
Just a smile
Give me please.

I want
A smile
Only a smile.

I know
It is everything
For me, a smile, a smile.

Gajanan Mishra
Only After Conquering Desires

Only after conquering desires
You can declare nothing is world
And the world is nothing
And nothingness means
Nothingness is woman to ascetic
Nothingness is life to warrior
And with truth I do not want
To go to heaven
Only after conquering desires
Only after conquering desires.

Gajanan Mishra
Only Aim

Only aim of this life is realization of truth.

And for this we are to know what is prescribed and what is prohibited.

You are free You can do whatever you like.

But forgive and forget who you are at this level.

Keep some divine traits, and be compassionate,

Gajanan Mishra
Only Axle

In the wheel of life and death
You are the only axle.

In all conditions and circumstances
You ever remain the same.

You are the self
And You are pure, You are perfect.

Gajanan Mishra
Only Bad

Bad
And only bad.

Anger is bad
If I have no
Control over my anger
I have no right
To control others
Through my anger
And to Control others
Through anger is
Also not possible.

Anger is bad
And Totally bad
The result of
Anger is also bad.

And only bad.

Gajanan Mishra
Only Because

My child has been stolen
My time is not mine
I felt void.

Nobody is here to hear
I dare not to go
In this air tight
In this dark sight.

My fear my tear my cheer
My life void
Only because rules
Regulations are not there
And my child stolen.

Gajanan Mishra
Only Because Of Love

Love is not attachment
Love is not attraction
Love is absolute and love
Can be attained by restraining
All senses and mind
Love and love, love all universally
And love can be known only by love
Love can not be defined
Through any language or
Through any writing
Love is all pervading
Love remains un-vitiated
And uncontaminated
The world exist only because of love.

Gajanan Mishra
Only Because Of You

Only because of You
I am here O my dear
Only because of You.

My friends two others
Are with me
Only because of You.

Though everything
Appears factual here
O my dear they are
Real for me
Only because of You.

O my dear You are here
In my house with me
It is enough
And I am Yours
I am You.

Gajanan Mishra
Only By Love

Only by love and
Only by love
I can be revealed.
Tell me, tell me
Where I am not.

Put me in a word
That is in love
Only by love and
Only by love
You can find me.

As fire is manifested
By friction
I am in love and
My words found favors
With all and
You said my dear poet
Well said, well said
And the secret of
My words is known to none
And I am delighted
With all that are here.

It is only by love and
Only by love.

Gajanan Mishra
Only Chameleon

Chameleon,
Only chameleon can assume
Various colours.
It is we
Not knowing the truth
Making quarrels on colours.
Colour is not the truth.
Truth is the chameleon
Let it be understood.
We are the truth likewise,
But not our name fame caste colours.
We are the truth formless
And infinite.
Let it be understood.
We are the sun
We are the water
We are also the invisible vapour.
We appear, we disappear here
In due process of nature.

Gajanan Mishra
Only Change Of Seat

See, only change of seat.
Person is the same there.
Tell him what he is doing
Ask not anything how and why.
No meaning of your personal
Like and dislike.
If you think and able to swim
You may join the team, no bar.

Gajanan Mishra
Only Chart

Let me talk to you,
Let me touch you,
Let me think of you,
Let me behold you,
With all my purity.
Let me stay without
Egoism and sense of mine.
Let me stay free from
Attachment and aversion,
Pleasure and pain,
Desire and wrath.
Let me discover you
Within my own heart,
You are my only chart,

Gajanan Mishra
Only Culprit

I am the only
Culprit here,
To pollute
The atmosphere,
When I said
I am cultured.
I know with
My words
I cumber others.
I am the interpreter
Of nature with
My own cubic metre.
Please stop, enough is enough,
Your curtain lecture.

Gajanan Mishra
Only Dark

Are you really mad?
No answers
But echoes only.
No air no water
No earth no sky
And there is
Only darkness
And dark only dark.

Gajanan Mishra
Only Darkness

I see here
Only darkness
And space
I see here
Water water
I know You are
In water
You are water.

O Master Engineer
Where is water
You are telling
Only nature
And what is it
That I know not.

O my dear
I know
I am nothing
But You
But I can not
Do anything
Like You and
Be You.

Gajanan Mishra
Only Disunion

Only disunion
Only dissolution
And no existence.
Your search
Your research have
No meaning
As there is
No origin.
And you mean
Nothing and here
O my dear, you are
Only to love me
And I am before you
Without any
Beginning, nothing.

Gajanan Mishra
Only Due To My Ignorance

Only due to my ignorance
I am fighting with you
For nothing as I think
I am different from you.

No sooner I realize
The truth that it is you
Who is within me, you are
The same as I then
There would be no fight.

Fighting for nothing,
Means Self-ignorance.
Fight to love the self
Is the truth and knowledge.
Keep it in mind with courage.

Gajanan Mishra
Only Ego

Destroys me
And nothing.

I am in
This bondage
Only for ego.

And you are
Undertaking all
That is not
Reachable to
My ego.

It is my ego
That is not ready
To accept you
And I am wandering
Here there.

It is you
Who is calling me
Here there
Only for ego
I am going
Towards destruction.

And I am sure
O my dear
You are within me
And I am in love
And only for love
I hope
I surpass ego.

Gajanan Mishra
Only Enemy

Only enemy you are with me
And constant enemy.
People say you are unseen
But to me you are clear
And visible to one
Who wants to see you.

Gajanan Mishra
Only English

I want to teach
My son
Only English
As I do not want
My son lives
Without income.

Income is necessary
To fill up the belly
To maintain the family
To live in society
I know income-earning
Potential goes with English.

If I am dying
In hunger in thirst
What is the use of knowledge
Knowledge through your
Local language
I respect You
I respect Your language.

Do not take amiss
I want to teach my son
Only English
And perfect command of English
Both spoken and written
Here through English
My son will get
Both knowledge and income.

Understand me.

Gajanan Mishra
Only For Attachment

Only for attachment
I have seen woman
Not as Mother
Not as creator
And could not find
Her place in the world
And could not see the world
Properly in proper form
Only for attachment.

Gajanan Mishra
Only For Desire

A man is compelled
To commit sin.

By identifying with the body
A man has the desire for
Worldly pleasure and prosperity.

In one side there You are, my dear,
And in other side there the world,
I am in between suffering like anything.

I have no will of my own, my dear,
And I identify Your will
That is Supreme here.

Gajanan Mishra
Only For Love

So love you
My dear
I know your
Past present future
So love you
I know your actions
Your thoughts
So love you
It is for love
Time is propitious
So love you
And in love
Demand no question
For love
No loss.

Gajanan Mishra
Only for material association
All become smaller and smaller.

Gajanan Mishra
Only For Me

I am here
Only for me
I am placed here
For my
Past performances
And what I am doing
I know hereafter
That will bear fruits
In future.

And I am no way
Connected with you
And I do not want
Anything from you
Be clear I have
No desire for fruits
And I assumed
You are here with me
it is neither and nor.

Gajanan Mishra
Only For You

I am facing all
The difficulties
Happily and
Discharging my
Duties only for You
O my dear, see me
With your round eyes
Hear me without ears
Hold me without your
Full-fledged hands.

Gajanan Mishra
Only For You, My Dear

Only for You, my dear
This world is here.
I am in this world
And also You are.
I know not the purpose
It is best known to You,
O my dear, and You are here.
Here I am eating food and
Drinking water, my dear
And You are telling
To work is also a
Necessary item and
I am working to fulfill
Your purpose here.

Gajanan Mishra
Only For You, O Sound

Only for You, O sound
I am here able to
 Transmit my messages of
 Distant and unknown things
 Only for You my knowledge
 Enters in to me through ears
 And makes my life perfect
 It is for you I feel happy
 And the perception is good.

Gajanan Mishra
Only For Your Dwelling

Only for Your dwelling
I have decorated my heart carefully
I have kept my mind clean.

This body is the ladder to reach You
O my dear, my eyes are Your golden gate
This world is the pleasure-yard.

I am offering my smile as garland to You
O my dear, my heart my soul is Yours
My tears are the pious water of the Ganges.

I am going on my life-line Your grand road
My blood are sands my head is touching heaven
O my dear, This earth-body is Yours.

Gajanan Mishra
Only Gandhis

Only Gandhi is here
And no Mahatma
See here vote-tricks
Fools are the people.

Only Gandhi
Without Mahatma is
Playing cards
People discard.

No words no instructions
No inland transactions
But outside worlds are in
Our association.

Is it Gandhi
That you desired
Yes you see
But you can not see Mahatma.

Cut off all relation
In the name of mahatma
Keep relation in the name of
Gandhi and Gandhi.

Gajanan Mishra
Only God Is For Ever With Us

Bliss, bliss
You are the bliss, my dear
You are the abode of bliss
And I know, You are not the cause of pain.

I suffer pain as
I have a desire for pleasures.

Pleasures is born of pain
And ends in pain.
Pleasures born of contacts
And only source of pain.
He, who enjoy pleasures
Has to suffers pain.

Mind it, You are saying me
This world is not for pleasures
And also not the cause of pain.
This world is changing every moment
And this change is to enable us
To progress and not to provide us pain.
Mind it, my dear, You are saying again
Desire for pleasure is constant enemy
Pleasures are born of evils
If you are wise
You can perceive flaws.
Pleasure is not here for ever
But I am here, You are saying,
And look, I am living happily.

To get happy in life
Resist the impulses born out of desire
And anger, O my dear,
Then only there is bliss, bliss and bliss.

Gajanan Mishra
Only Going And Going

No standing
No watching
Only going and going
And while going
No talking no talking
Knowing fully well
Remaining silent
Means death
And we are going
And going towards that.

Gajanan Mishra
We are only here
To love
For love
By love.
Loving all is
In our respiration.
Love all
And live
And enjoy
Life long.

Gajanan Mishra
Only Humanity

Only humanity
Is my religion
To achieve truth
Is my ambition.

Truth is within me
That I know
Eating sleeping has
Nothing to do.

Gallop of horses
Are time frame
That must be heard
While going for work.

Some sort sacrifice
is needed to set yourself
Established here
And it is humanity.

Gajanan Mishra
Only I Want

Only I want
Only I want food and water
That are necessary
To fill up my belly
For my sustenance, my dear.

Only I want
Only I want a piece of cloth
To cover my naked body
And I want a shelter
To save myself from sun and rain.

I want knowledge
Knowledge of self
For a healthy living
And to love and to reach at Truth.

Gajanan Mishra
Only Important

Only important person here
Is You and I know You give
Equal importance to heaven
And hell. I know both heaven
And hell are Your creations
And it is different conditions.
What is essential is Your
Presence and Your remembrance
That I know in my pure heart.
Question of fear does not arise
Here at any time as I know
Everything is changeable here.

Gajanan Mishra
Only In Light

Only in light
I am at sight
Only in light
You are clear
Light is yours
And what color
Is light
I am unable to say
I am the dark
And the shadow
You are my mirror
And I am four
And I came to know
You are within me
And I am here
To enlightened you
All is possible
Only in light
And You are the light
Only light in my
Dark-life.

Gajanan Mishra
Only In The Capital

Only in the capital,
Hue and cry is there
To use own language
In meetings, in speech,
But in practice
No one dares to
Object in any office
Or in any e me
And let me say, this
Hue and cry is
Only to get personal
Benefits in some way
Or the other. If I am
Not wrong, receive not any letter
My dear brother, written
In any other language
Than your own official one.

Gajanan Mishra
Only In War

Only in war you can
Search for peace,
And in peace it is true
You are searching a war.

Let me begin from your own mind,
Let us test it in the laboratory
Of life that is here so far
And you are not willing to get fired.

The man in defeat is more wise
Than the winner of war
And it is only in war the man is
Known as man of much care.

Life is in between peace and war
And peace is lagging behind and before the eyes it is war.

Gajanan Mishra
Only Knowledge

Only knowledge
Is there to acquire.
Only love is there
To make.
Only truth is there
To focus.
Only life is there
To spread all over.

Gajanan Mishra
Only Life

Is eating sleeping
Mating and defending only life
Forgetting the Ultimate Truth?

What is the meaning of
Ultimate Truth if the result is
Forgetfulness of Self?

And Self is there if there is
Clear vision of the world
Within all existence.

Gajanan Mishra
Only Life Is Real

Only life is real,
And I enjoy life.
I enjoy with all light,
With all flowers,
With all birds,
With all mountains,
With all streams and rivers,
I enjoy with rain and the sun,
I enjoy life in villages,
In the city, in forests.
I enjoy life on roads, in air,
And in the deep sea.
In life, I know all good,
I love all, I know the truth.

Gajanan Mishra
Only Light

Here is sun you see
Here is moon you see
Here is day and
Here is night
Life is light
Only light
Right!

Go and see
Fruits flowers
All yours
Light dark
All yours
I fear dark not
I love light not
I know
Nothing remain
After departure.

I am a creature
You are my creator
Alas, I am here
Not being your follower.

Gajanan Mishra
Only Lightning

Only lighting
No rain.
Only rain
In sea.
The sea is
Not safety.
Insecure
All future.
Future is
In the kitchen,
And the kitchen is
Under the control
Of the wife.
And see
The wife is
Not inside at present.
Present is
Full of storm,
And storm is
With all flammability.

Gajanan Mishra

I am in front row
And calling you
Always hallow.

Gajanan Mishra
Only Love

Love and only love can
Purify the heart thoroughly.
True love is there where
There is the Truth, Supreme Truth.
Where there is Truth
And there is Love
There is no envy, no jealousy.

Gajanan Mishra
Only Love And Love Can

Only love and love
Can do anything here.
But where is love?
Is not love there in the air?
See, love is doing wonder
In the water.
See, love is on this earth,
And it is doing wonder
With the sky.
Never say goodbye,
But let all come in
And enjoy life in full.
Time is passing away
From you.

Gajanan Mishra
Only Love Can

Only love can defeat time
Only love has got the mystic
Power to defeat time.
Love love love love love love.

Gajanan Mishra
Only Love, Only Love

Only love, love, love,
Here is mother with love,
Here is mother, taking care,
With only love, only love.
Mother is love, love is mother.
Let me tell only this, dear,
On this day of happy new year.
Happy new year, happy new year.
Mother-earth is here with us,
We, the all creatures, are here,
On this day of happy new year,
With all pleasures, with all love,
And with all truth. Let us
Come together and live with mother.

Gajanan Mishra

On this day of happy new year.
Happy new year, happy new year.
Mother-earth is here with us,
We, the all creatures, are here,
On this day of happy new year,
With all pleasures, with all love,
And with all truth. Let us
Come together and live with mother.

Gajanan Mishra
Only Means

O my dear poet,
You are the only means
Of getting out of this world
This world is the darkest
Region of ignorance.

O my dear poet,
You are the transcendental eyes
You can take others to the side of light
You are the spiritual master
And the bona fide representative of truth.

Truth is with all in their heart
O my dear poet, it is you
Who can show them this truth
At every moment and it is your grace
By your letters you are showing your face.

As I know face is the index of the heart
And in the heart there is the truth
In the truth you play as a role model
O my dear poet, you are in between
The conditioned life and the life of freedom.

What is freedom you know better
O my dear poet, come come and
Write more and more poems
In connection with that Truth
That is within and outside, above as well as below.

Gajanan Mishra
Only Mind

Only mind is here
There is nothing except mind
Everything is created by the mind
And it is all a dream.

Mind exists in creation
Creation exists in mind
It is all mind and creation
And it is all a dream.

There is nothing except a dream
You and I and all
All are here in same means
And it is nothing but all a dream.

Gajanan Mishra
Only Nothing Is Here

Thinking,
Itself is not good,
Think not anything,
If you are to think,
Think about nothing,
Only nothing is here,
Remember.

Gajanan Mishra
Only Object

You are the only object
Of love, my dear.

Defect is in me
I know not, my dear
How to love You.

I know we have our
Own eternal relationship
My dear, and there is the perfection.

I know, my dear, You appear
For me here to bestow upon
Me that love.

My dear, it is Your
Great benediction and here is my liberation.

Gajanan Mishra
Only Of Its Kind

Only of its kind,
This light
Only light is here
And it is rare
And only of its kind.

Unique feature of
This light is
Its existence in us
And still we are in dark
Due to our own fault.

Gajanan Mishra
Only Once

Only once
No second chance
Let me pass
Let me pass.

Only once only once
Let me give a chance
To do the work.

Let me pass
Let me pass
Only once
To live is
Not by chance.

Gajanan Mishra
I am one only one
You said two
He said three
They said many
I am one only one
Many in one
Three in one
Two in one
I am one only one.

Gajanan Mishra
Only One - I Need For Truth

Only one, I need,
And I need you,
With all good.
And I need you
For all good.
I need you,
You are sufficient
For me and
For my life,
For my world.
I need you,
And I need
The presence here
Always.
I know, though,
You are here.
I know, though,
You are committed
To be here with me
For all time.
I need you,
Only you, my dear.
I know, you are
My strength,
You are my light,
You are my future,
My time, my creator,
And my next generation.
I need you,
For love,
For truth.

Gajanan Mishra
Only One And One

Only one and one
Only I have to say
I love You all
I love You in each
And every situation
I love You and
While loving I have
Forgotten to eat
To sleep to walk
To sit to arise to smile
To cry and everything
I have also forgotten
Myself and I know not
Whether I am alive or dead.

Gajanan Mishra
Only One At One Point

Only one at one point
Save it with honesty
Being honest.

Gajanan Mishra
Only One Dream

I have so many words
I have so many bodies
I have only one dream
And that is how to
Give you life's cream.

I love you my dear
And my love is endless
I assured you to stay
Till the day and night
And the sleep tamed.

Gajanan Mishra
Only One Eternal Truth

Only one eternal Truth is there
No division no generalization no specification
No nationality no individuality
All are imaginations and
It is not advanced knowledge.

My dear, see me, I am one
Everything everybody is one
No division no different position
No designation no separate identification
You just watch and observe and say real union.

Gajanan Mishra
Only One Is Left Out

Only one is left out
Go and bring it, please.

And what is that
That I cannot say
And if I am going to say
I would not be here, my dear.

Think, think and act
As you like at this moment
But your thinking would
Make you what you would be.

From sunrise to sunset
You are going on the road
That is hard and difficult
To cover alone and no one is leaving you.

Gajanan Mishra
Only One Language

Only one language -
Language of love
Rules the world.
Vishal, please come
And individually and
Collectively let us
Nurture this very language.

Only one language -
Language of love
Is here and that is
The only truth here
In this world of falsehood.
Vishal, come forward
To discover this truth anew.

Gajanan Mishra
Only One Life

Only one life
And in this life
We are to see,
Where to stay,
How to stay,
With whom to stay,
And why to stay.
Only one life -
We are to do
So many things,
Like crying, smiling,
Dancing, eating, playing,
But in proper time
Only for the benefit of others.
O my dear, we have only one life,
And see in this life
We are blooming with the sky
We are ready to fly.
We are to know
This life is the source of
All knowledge, all truth.
Only one life -
We are to love it,
We are to love it,
This life has so many power
That is incomparable,
No one can excel this life,
Love this life, my dear, love it.

Gajanan Mishra
Only One Life - Love And Light

Only one life, only one.
Use the life with cautious,
Take care.
No chance to get again
Here or anywhere
Like this you have.
Life is far above from
Good or bad, dream and reality.
Life is there and
You declared alive.
All but live
The birds, the trees,
The air, the light.

Gajanan Mishra
Only One Reader

Only one sincere reader
Is sufficient for a poet.
As only one sun is enough
To enlightened the world.
Only one moon is enough
To cool everybody here with nectar.

Only one poem is sufficient
To show the world right direction.
Only one air is sufficient
To make alive everybody.
Only one water is sufficient
To quench the thirst of all.
My dear, You are alone sufficient in my life
To cross the ocean of pain and displeasure.

Gajanan Mishra
Only One Reality

Difference is
Only in description,
But all is one,
Only one in reality-
In our identity.

Gajanan Mishra
Only One Reality - Mother

Only one reality -
Mother.

Mother is one
And the same
Without a second.

All-in-one,
One-in-all,
Mother only.

Gajanan Mishra
Only One Road Is Here

Only one road is here
And I am going on it.
Here on this road
I find no meaning of
Dark and light.
No one is able to disturb me
On this road,
Friend or foe.
No entrance, no exit
But road is here
And I am going on it.
Say hello, hey,
I feel no happy, no shy,
No needs to say me good bye.

Gajanan Mishra
Only One That Is You

O my dear, with me
Always days and nights
Always with me.
Except you I know nobody
No devil no demon no bird
No beast no moth no insect
No tree no plant
I see only you before me
After me above me below me.
And I know also
From my experiences
I have no separate existence
And I have no pretence.

Gajanan Mishra
Only One Way

Beyond all doubt I am a man
And you agree reluctantly.
You clarified
I am not behaving like a man
Not treating others as a man
And you said this is sufficient.

What is a man like
You have answered in so many ways
That I agree without any complain.
And I said I know only one way
One person one place one time
That is you with me and I am with you.

Gajanan Mishra
Only One Way-Life

Only one way,
Only one way is here
You have to go there.
No middle way
You have to see
Yourself there.
Relevant issue is
Freedom and it is
There but you have to
Take it for you.
No one is free,
Is not true.
Right thing is
Your own life.

Gajanan Mishra
Only One Wish

Only one wish
And that is
Your presence
O Omnipresent
With me
O ocean of compassion
I know
You will surely
Fulfill my wish.

Gajanan Mishra
Only One With You For Truth

I give my thanks
To you for your style,
For it is unique.

Let me standardize myself
Before opening the pages
Of new book here.

I want to study
The culture, the sound,
The life.

The life is not dependent,
That I know.

The emotion is not literature,
That I know.

And I know, I want to know
Further, how dream is coming
Towards me at every
Odd hours.

The hours are not mine,
I am in those hours
That I know and
I am there alone.

Let me give my thanks again
To you, as you are
The only one here,
And I am only one there
With you for the sake of truth.

Gajanan Mishra
Only One World

Only one world is here
No second no third.
We are all one and the same
In this world, see.
The same air water light
Earth and the sky are here.
We are together
Our root and culture the same for ever.

Gajanan Mishra
Only One, We Are

Only one we are, my dear,
Though two, You and me.
Road is one
Destination is the same.
Since medium is separate
The cloud went away.
Witness is the sky,
And we both are helpless.
Are we not made for each others?

Gajanan Mishra
Only Our Language

Only our language
Is conducive to
Our good.

We are not here
To kill our mother.

We are not here
To destroy
Our mother land.

Using other's language
Would incur sin.

Using foreign language
Within the state
In unlawful and undemocratic
And unconstitutional also.

Gajanan Mishra

You are my well wisher like my mother
O my dear, You can only understand me here.

From new to new
And new version of life
In truth and love.

Gajanan Mishra

You are the only poet
Here, for all times.
And I am nothing.
Who else is equal
To You, please tell me.
Every word is Yours
Every thought is Yours
And everything and also
That are seen and unseen.
Without You, I am deluded
By ignorance and see,
Addicted to the enjoyment
Of worldly pleasures.

Gajanan Mishra
Only Poetry, Only Poets

Enter in to this area.
No night, no mad man
And no one else is
Permitted to enter.

Only for you O my love.
Where are you
Where are you? ?
Are you not in my heart
And is my heart not in you! !

Only Smile Is There

Only smile is there,
Use it if you so like.
No use of crying
That's now opened.

Love has life,
But hate- nothing.
Words are as ever
In black box and
Use of silence
Is the best option.

To get
Hot and fresh tea
In running train
Is of course luck.

Gajanan Mishra
Only Some Food

I need
Nothing now
But some food,
Only some food
To eat,
I am hungry.
I also need
Some drinking water,
Tell me not
Anything more, dear.
I want to rest
For a while only.
I need a shelter.
And to cover the body
I am in need of
A cloth.
Nothing more,
I want.

Gajanan Mishra
Only Son

Only son
I am the only son
You are my Father
As I am Your son

In me and I have not
Committed any crime
Nobody can check me
From going to heaven
At any point of time.

Gajanan Mishra
Only Sorrow

Keep not relation
With woman of bad nature
If not The result
Incur only sorrow
Tomorrow.

See and read
What is there
And utter
Not a single word
See and read
A woman if you can
And if you are going
To say something
Remember, they
Say you a liar.

Gajanan Mishra
Only Sovereign Ruler

Only sovereign ruler
with supreme domain
in this world is love.

Gajanan Mishra

Let me called only sun
Some called you rising
Some called you mid-day
Yet some other called
You setting though.

I am sure you are
Not rising not setting
You are also not
Changing your position- a
Fact and not prophetic vision.

Who is equal to you
I don't know
I can say I am
Not in delusion
I am only in my adoration.

Gajanan Mishra
Only The Luckiest.

O men,
You are
Only the luckiest,
As you gain purity.

O men,
You can only
Acquire knowledge
And knowledge is the end.

O men,
I know God is the purest
Of the pure and you
Realized God.

Gajanan Mishra
Only The Sky

Only the sky,
And not the air
Is mine.
I am in the water,
Always here.
Light is within me,
I see it with
My closed eyes.
I am searching me,
And you are putting me
Questions after questions.
I am unable to utter words,
I see the stars,
Up above the sky, though.

Gajanan Mishra
Only To Establish The Truth

For nothing
You quarrel with me,
For nothing
You cry at night,
For nothing
The train whistles.

But I am waiting here
For the train.
I am waiting here
Only for you.
I am waiting here
To focus the world
In a new light
Only to establish the truth.

Gajanan Mishra
Only To Give

Only to give message
To the half-dead men
I am writing poems.
I am writing poems
To enable these half-dead
Society to alive perfectly
So that they could get
The nectar easily that is here.

My poems and not for the corpse
But for those corporeal bodies
Who are trying to live a successful life
And wanted to do something positive
For their own self and for good of their children
And grand children and for coronation of human.

Others here and You are
Within all.

You are within all, my dear
That I know, and I am
In service of all with
Love and with devotion.

Gajanan Mishra
Only Today Is Here

I am telling again
And again and yet again
Only today is here, my dear.

Only today is here
And today has no day
And no night.

Only life is here, my dear
And life has no fear
Live with cheer.

Live with cheer
Nothing to divide
Enjoy your life.

Repent not the past
Think not the future.

Gajanan Mishra
Only Towards You

See, the earth is moving
I am not moving.

See, I am moving
Only towards you
And with you
Depending on you
Devoting to you.

The earth is not moving
I am moving.

Gajanan Mishra
Only Transmitter

Only transmitter
I am here
Transmitting your
Words to others.

And you are there
To see to observe
To evaluate all
Works of all
I have nothing
To bother.

Like a spark
I appeared
In your sky
To fly
And I fly.

Work of a transmitter
Is too difficult
That I realized
And I pray
Make it easy
With your touch
My sweety.

Gajanan Mishra
Only Truth - Love

I have nothing to do with you,
But in the beginning here,
Our love is the only truth.

The love is under my control
But not the truth of love,
For which I appear at your door.

Door is opened that I know,
But for entry tax I have to pay
That is the trouble for me, dear.

I know love, I know truth,
Where you are going and what
You are doing here for so long.
I wish it should continue
For me and for you, for love, for truth.

Gajanan Mishra
Only Truth - You

Be cautious to two
One who are outgoing
And two who are incoming.

Shut out all thoughts
And fix yourself in two
One upper another lower.

Let me say thank you
For your love
For your truth.

Coming and going is
Your routinary duty
That I know.

Only truth is You are for me
And I am for you.

Gajanan Mishra
Only Truth Is Death

Only truth is death,
And I fear it.
But I pray
Let me return
To the truth.
And see me fearless.
I realized
This earth is mine.
I realized
The troubles are
No more troublesome.
I feel
I am strong
I feel I am young.

Gajanan Mishra
Only Twenty Four

Only twenty-four
Persons are there
To coordinate me
And my lifestyle
On this day.
I am with all,
All the sixties,
And they are here
For me to help me
In calculation.
Other members are
There to see and watch.
They have also
Equal role to play.

Gajanan Mishra
Only Water

Only water
And all cold
Here.

Cold all,
Besides water.

And water bursts
So suddenly,
Nothing remains
To be seen

Water and
Not the stone
Live.

Life is perfect
Only in water.

Gajanan Mishra
Only Whims

Go not with
Only bodily whims.
But think
The profit side.
Enjoy all facilities
Given to you,
And realize
The truth.
Nothing is there
But the truth.
Untruth is created
By you, admit it.
And you are there
Covered by that falsehood.

Gajanan Mishra
Only With Patience

Only with patience and
Perseverance, you can
Win the world and
You can realise the truth
With so many eyes,
Ears, noses,
So many hands, and
So many legs.
But you are to
Reveal yourself
With love.
Confirm yourself first
That you are yours
Here at this hours.

Gajanan Mishra
Only With You

Only with You
Let me enjoy life
Only with You.
O my dear, You are
The only source of
Love and happiness.
I have full faith
Full faith on You
And I am completely
Satisfied with You.
And I am ready to
Maintain myself
With whatever
Comes from You.

Gajanan Mishra
Only Witness

I am here the only witness
Besides me no one is here
Or there, think not otherwise.
I am not different from me,
See me only everywhere as
Eternal and final.
No option, no alternative
But I am here with unique identity
That is free that is truth.
Make practice to see me,
See me and test the result of seeing,
Here is my eyes, my ears
My legs and hands and body, and
Whatever I say is not faultless.

Gajanan Mishra
Only Word

Why to punish
And why to reward
My your own duty
It is my
Only word.

Gajanan Mishra
Only Work

Work, work, work, and work
All day and all nights
Only works,
All works and no play,
Makes you a clay
O hay, how can I say
It is not false and
How can I say
It is not true
As I myself is with You.

Work is not doleful accents
It is not all perverse
It is not heartless
It is also not remorseless,
Here in this body
That is the ocean salt
Go on working by default
We are all for work
Remember and say work is God
Doing work is getting pleasure.

Gajanan Mishra
Only World

Only world to win
is your heart,
But this world
gravitates me
towards it.

Only place to travel
is your heart,
But this place
is in me, see.

Only sight to see
is your heart,
And this sight
is there in the ocean
of my tearful eyes.

Gajanan Mishra
Only you
Only you are here
O my dear
And you actually
Exist here
You are a manifestation
Of my mind
I renounce this pursuit
And you are here
Only you are
I accept your existence
And you dwell in me
And I dwell in you
You are not here
Here I am also not there.

Gajanan Mishra
Only You Are

You are blaming me for nothing.  
And you are not wrong.

You are here to avoid monk  
and to keep yourself from flower and song.

I could not understand and it is my wrong.

Gajanan Mishra
Only You Are Mine

Only you are mine,
I am, I am yours.

Gajanan Mishra
Only Yours

I am Yours
Only Yours
I do serve all
Of your creatures
Living and non-living
You are my owner
Only owner.

Gajanan Mishra
Onus Probandi

Onus Probandi
Is yours
As the statement
Submitted living
By you.

I have
A view in negation
That referred
No exercise.

Onus probandi
Lies on you
You are a man
And you are
With all.

I have a view
In negation
That you are
like picture
That is crush
This much.

Gajanan Mishra
Onward And Upwards

Onward and upwards,
I go every moment
Everywhere and I see
All that are here and
Also that are not here.
I know the originality
Of all things here,
I feel the love
And I recognize
The truth here.
I am here and
I am also there,
With the star
That is fixed.

Gajanan Mishra
Oop.. This System

Oop..
This system
Of giving and taking
Encountered a problem,
Lack of knowledge
And love is here.
The main hurdle is
Ego, that is here.
And approach is wrong,
For the earth
That is new.
Lack of proper training
And wisdom is also here.
No devotion, no touch of
Reality is on the surface.

Gajanan Mishra
Open Air

Open air,
Open life,
I do like it.
But poet,
Come on
With poems
I want to read.
Just keep silence
For a while,
Let the area
Throw light.
I am here
With you
In smile-verse.

Gajanan Mishra
Open Air But Not Open World

Open air, see,
But you can't see
Open world.
Nothing is open,
Not even the air,
Of course, true.

The very existence
Is behind closed doors.
Letters and words,
Nature and worth,
you can't understand
Here and there.

Image is in line,
Though, nothing fine.
Voice not clear,
Food not nutritious,
And you take nux vomica
With nymph.

Memory loss is common,
Speak anything and
See all are gone.
Truth is being searched
Not absolute, though,
The life of this world.

Gajanan Mishra
Open Air Theatre

Come and watch,
Open air theatre
At Bargarh, Odisha.
Meant for truth,
Against tyranny rule.
Love your parents,
Love your land,
Love your kith and kins
Message of this
Open air theatre.
Come and see and
Find love, brotherhood,
Come and see, how
Enjoyed by common people.

Gajanan Mishra
Open And Open

Your eyes and see
The the world
And its colors.

If you shut your
own eyes how can you
See and it is
But common
All sights vanish out.

It is true
The world is small
To think but very big
To evaluate changing sights.

Open your eyes and see.

Gajanan Mishra
Open Book

Open book my life
You are here like star.

I am talking to you
Whenever I want
You in silent
giving answer.

You assured to make
Everything allright
I inreturn not able to
show my gratitude.

Gajanan Mishra
Open Door

Let the door be opened
And through the open door
We are here to go to touch
The sky of peace on this earth.
This earth is more than heaven
That we know from our experiences,
And we are all here with love
And cooperation and in a
State of interdependence.
No sin is here, see and enjoy
Life, just giving respect to
Each other here, just feel
The life-breath of another
As your own, my dear.

Gajanan Mishra
Open Eyes

And see
Gather knowledge
And then
Act properly
It is pure
And holy.

Gajanan Mishra
Open Eyes In Sky

Here see
Open eyes.
Here, hear,
Open tongue.
Voice is sharp,
White, though.
Vision is clear,
Hard, though.
With love
All dazzle.
With song
All gather,
On ramparts
In the sky.

Gajanan Mishra
Open Gateway

Open gateway,
Poem is the open gateway
To heaven.
Fortunate are the poets
Who get unsolicited opportunity
To read, write and digest.
Poems are not only
The game of words,
Poems are ladders of life,
One must enjoy
The riding and the living
With pleasure.

Gajanan Mishra
Open Gateway To Heaven

Love and love is
The open gateway to heaven
And it is in your heart
Go not outside
Come and come and have a chat.

Avail this with your wife
Avail this opportunity
Once in your life
And say I love you
I love you, Almighty

Gajanan Mishra
Open Heart

Open heart, open body,
Open mind, open sky,
Open field, open earth,
And in all openness
I find you, my dear.

Now and then,
I watch you with open eyes,
I hear you with open ears,
I change my dress in your presence
Without any hesitation,
I know you are the open mirror
That gives open dictation.

I am fortunate
I enter through your open door.

Gajanan Mishra
Open Life

Open life,
Open book,
Open field.
Everything is opened.

Yet, we are unable to know
The happenings of life,
The writings of book,
The players of the field.

All we see only the rainbows,
All we hear only the sound of horrors.
All are zero, we know though.
Yet we feel pain and pleasure,
We know though, all are
The play of nature.

Gajanan Mishra
Open Mouth

Open mouth
East west
North south,
Ears eyes
Nose tongue
Keep silence
Permission only
To the monk.

Nothing to hear
Nothing to see
Nothing to smell
Only feel
And tell.

You are only here
To make a tale
Out of this heaven
Out of this hell.

Gajanan Mishra
Open not mouth,
I want not to listen to
You.
The cheat has no place
Here.
Even, I want not
To see your face,
Who so ever you may be.
I care not your power,
Not your wealth.
Leave me alone,
Please come not again
For love and
For truth.
Let me stay
Where I am,
And what I am.
I am self-satisfied
With my thirst
And with my hunger.

Gajanan Mishra
Open Not The Door

Open the door
And see the sun,
Open not the door
There is the sun.

The sun is there
The May-sun,
And it is not fun,
Dare not to test the sun.

Gajanan Mishra
Open Not Your Mouth

Open not your mouth,
The more you open your mouth
The more trouble you are going to get in to.

Gajanan Mishra
Open Road Open Path

Open road open path
Sky is there
Fancy dress no meaning
Air water no meaning
Go on sportsman spirit.
Open road open path
handless legless
Come and see here I am
Ready to fight with time.

Gajanan Mishra
Open Sky

This open sky
Is the witness
Of our friendship.
This sky is ready
To depose whenever
It is necessary.
It is the loneliness
That has kept the secret
In the waves of the sea.
Is the sky alone?
That I don't know.
But I know the earth
Is there with the sky
Keeping the sea aside.

Gajanan Mishra
Open The Door

Open the door
And go.

Not to go
Is to incur sin.

Going is life
Not going
Is infamy.

Death is better
Than not going.

Open the door
And go.

Gajanan Mishra
Open The Door And See A Man

Open the door
And see a man
Who is he
Do you know
No name
No address
This man is
Just a drop of nectar
O my dear
Do you know
He is here
What for

Gajanan Mishra
Open The Eyes Of Knowledge

Open the eyes of knowledge
O my dear, and get Truth
Where there is Truth, remember
There is peace and happiness.
Everything is within you, my dear
There is also sufficient light
And all Truth just open your
Eyes of knowledge, this is right time now.

Gajanan Mishra
Open The Heart

Open the heart
And go with flower
To see the sun in May.

Thus we came
Dancing with the wind
To see the blooms.

And now
Nothing to happen
Except running this life.

Gajanan Mishra
Open The Rock

Open the rock
And find
The water gushed out
And I am
Satisfied with
Bread of heaven.

Gajanan Mishra
Open Truth

Open truth is
We are nothing, nothing.
Open truth is
We are not ready to
Admit the truth.
Open truth is
We are selfish.
Open truth is
We are going against
Each other here for nothing.
Open truth is
We cannot do any harm
To any one and
Truth is above and beyond us.

Gajanan Mishra
Open Your Ears And Listen

Open your ears and listen,
I am in need of letters
In my own language.
Open your ears and listen,
I am in need of work
To live.
Open your ears and listen
I am in need of knowledge
In my own language.
Open your ears and listen,
O government, you are
There to do all works for me.

Gajanan Mishra
Open Your Eyes

Open your eyes my dear
You are telling me
Again and again and I am
Listening you and
I am preparing myself
To enter in to your world.

Your world is so vast
That I wonder I am in
That world with you
Only for enlightenment
I live a life of
Fellowship there.

Gajanan Mishra
Open Your Eyes And See

Open your eyes and see
What is going on here
Within you and also outside.

Two things are there -
Birth and death,
We are here to experience.

Two colors are there -
Black and white,
We are to witness.

Two places are there to go -
The water and the air,
On this earth and in the sky.

Open your eyes,
Open your eyes.

Gajanan Mishra
Open Your Inner Eyes

Open your inner eyes
And see where I am.
Know what I am doing
Here and there.
Be fearless and stay,
Enjoy the smile of the star.
Listen, I beg your pardon,
And let me serve others.

Gajanan Mishra
Open-And-Shut

Open-and-shut
See me here,
In this new year.

Let me live a life
Of love and truth,
In this new year.

Let me live open-handed
In this new year.
Let this world be an open house
In this new year.

Let us play in open air,
Forgetting all the differences
Of sex, religion, colour, caste and
Live in open texture here and there.

Gajanan Mishra
Opening Closing

Opening closing
Doors and windows,
Coming and going
Ocean and skies.

All for life
And to live
Here on earth.

Water and air
And fire all are
The associates.

All feathers,
All colors,
Are between
Life and living.

Gajanan Mishra
Opening Mouth Is A Sin

Opening mouth is a sin
I concluded at this stage
And I am committing sin
Again and again here and there
Without any reason.
Every care I have taken
Not to open mouth failed
And my nature obstructed me
With least time and expense
Not to go with slave of pleasures.
Achieving anything at any time
Is not the real thing
And also it is not craving for
Truth or accelerates achieving truth
This is my feeling and I concluded.

Gajanan Mishra
Opening The Door Of Existence

Opening the door of existence
I entered non-tense balanced
Satisfied and content
Coming to the mother
Feminine mystique I am feminine
And I live and live in the moment.

Opening the door of existence
I read history I read fables
That are one and the same
Coming to the mother
I forget to put questions
Relating to the very existence.

Opening the door of existence
I became more elemental more natural
Without having corners
Coming to the mother
I enjoyed like birds rivers
And trees and resent and future.

Gajanan Mishra
Openness Key

Openness key,
Key to love.,
Key to life.
Let me decide
My love, my life.
I have given no
Right to you
To choose my name,
My religion, my sect
And also my nationality.
I am a natural beauty,
See me, by nature
I live, I am living,
Let me stay where I am.
Force not me to
Spend time with you.
It is a torture
If you will not
Give me time to
Enjoy my madness
Here at this time.

Gajanan Mishra
Operation Green Hunt

No law is applied here
In our operation green hunt.
We are here to
Annihilate all our
Opponents.
We are paid killers
Of Government.
We know not
Who is the culprit
And who is innocent.
Ask not about norms,
We are least concerned
With all those ethics
And philosophy.
We are here to kill,
Only to kill those
Who are there in
Our encounters.

Gajanan Mishra
Opinion And

Opinion may differ
But principle
Should be followed
And accepted
By all as universal
Basic and
Supreme truth.
Embrace not
Your own destruction
By searching
Fault with others, as
Your own existence
Your own other fragment
Is there.

Gajanan Mishra
Opportunity

Opportunity unsolicited
Door to heaven opened.

If already opt
Right path
Enter the circle of
Reputation yours
Purely entirely.

Gajanan Mishra
Opportunity Is Available

Opportunity is available
If you so like come on
And pick it up.
You have the qualification
To get everything
With all purity in proper form.
You know fully well
What to do and how to do.
You have the power to distinguish
The sky and the earth
And you have the power
To fly high and high.
It is not bad to have
The feeling of pleasure and pain,
I know you are not the one
Who is hankering after gain, gain.
You are giving special attention
To yourself, it is good and
It is the way to achieve perfection,
Let me assure you, I am here.

Gajanan Mishra
Oppose Not Anyone Here

All are near and dear,
Oppose not any one here.
The pain and sorrows
Of anyone is ours.
Not possible to drive out
Anyone from inner heart.
Not possible to do any harm
To any one and repent
Whole life later.

Gajanan Mishra
Oppose not truth,  
The truth is here  
With you, my dear.

And you are here  
In love, and love  
is there, where  
You are.

Love and you,  
You and life  
All the same  
And the truth.

Love is the root,  
Truth is the fruit,  
My love, my truth.

Gajanan Mishra
Opposite Is Also True

Here opposite is also true,
Positive and negative
Both are necessary for truth.

We know
Truth is light,
Dark is more true though.

Straight light is there
In the sun
But not in the moon.

When our door is opened
We find the moon
In our sky
Wherein we are
To fly and only to fly.

Gajanan Mishra
Opposite Of

Opposite of God
Is dog.

Log in
Here is
The gateway of hell.

Hell is here with you
In between and in
The circle of birth
And death.

Crossing this circle
I stood alone
Without the help of
God and dog.

Guard the self.
Is it in tact?

See me
I am performing
With steadiness
And patience
I have no fickleness.
And my mind
Does not get
Bewildered and volatile.

Gajanan Mishra
Opposite Of The Sky

Opposite of the sky
Is your own life,
And hence from the very birth
You are going to your opposite.

We are enjoying life
Under the supervision of the sky,
And the sky is giving us
Feedbacks to proceed ahead.

No use of anything here,
Just killing time
For nothing.
Just pushing and pulling
For the satisfaction of
Our own ego.

Gajanan Mishra
Opposite Result

No opposition,
But opposite result,
All are there.
All illusory,
And living therein
Mandatory.
Imminent danger-
Living itself, though.

Nothing is permanent,
Nothing is here,
No sorrow no happiness,
No hell no heaven,
Yet, all busy in rivalry,
All make attractive
To spectators, they compress
Into a confined space, though.

Cruel life, know not,
And in unpolish manners,
Deals with mother,
Motherland and
Mother language and
Challenge own identity.
Cruciferous is the life,
Failed to recognized
By anyone.

Men, stay cautious,
Crown Prince may go away
From you,
In search of the truth,
Knowing well that
Life is never a blunder.
Rawness is there, though.
But dear, let us enjoy
The croupier, present here.
Oppress Not

Oppress not,
Harm not
And live,
A life
With humanity.

Gajanan Mishra
Optimism

We are brimming with optimism and confidence,
Let us use our strength for inclusive and broad-based development.
Let us value a lot in advancing peace, security and stability.
Let us go on for business, ideas, research, innovation and travel, my dear friends.
Let us read all the above quotes of our popular and beloved Number one leader of this land.

Gajanan Mishra
Optimism Ahead

Optimism ahead,
Come and see.
Be an optimist
Of life.
You may agree
You may not agree
Time is making
You free.
Go for this
Go for that
You are inspired
By the cat.
But remember, cat's life,
Dog's life is not ours.

Gajanan Mishra
Optimist

Being a poet
I am optimist.
Being an optimist
I love you.
As I love you
I am fine.
I am fine because
You love me.
You love me
As I am in truth.
I am in truth
And hence
I am optimist
And I am a poet.

Gajanan Mishra
Option Is There

Option is there
You can choose
a life,
Public or private!
But you are not allowed
to enjoy both
at the same time.
On choosing one
another is seized
and it is automatic.
You know,
night and day
cannot stay
together.

Gajanan Mishra
Option Opened

Option is opened
And it is all
Depend on you
To go out or not.

Option is opened
To go on the way
Of love or arranged
To test virginity.

Gajanan Mishra
Or And But

Or and but
Time is short
See me not
Touch me not
Ask me not
No paste no cut
No chance to adjust
It is only you
To go but
I am not
I am in my hut
Door is not shut
Come and soon come
Time is hot.

Gajanan Mishra
Or Else

File yourself through proper channel
and darshan Jagannath.

Jagannath is the lord of all
Jagat is His
in your language
you may call cosmos
You can see
cismic flower there.

What would be your
prayer before the Lord
Give also specific reasons
and mention cause of action
or else petition faces rejection.

Gajanan Mishra
Or Error

In one way or the other.

In one way or the other
I am in action
And my action involves violence,
My action that is desirable
To one, is undesirable to another.

In one way or the other,
My action may not be
Performed well and it is
Because of heedlessness or error.

Gajanan Mishra
Oracle

There I found Oracle,
In secret plazas.
In petrified time,
With heap of stones
The cruel nature appeared
To take away all belongings.
I panicked for nothing,
And I fell to the ground.

Gajanan Mishra
Orange

Orange,
The new black.

Forgive and
Forget all
The new principle
Of life henceforth.

Let there be fear,
Let there be life.

I love all
Boldly and proudly.

You are welcomed,
Whosoever may be,

I am not yet ready to
Accept you, dear lady.

Gajanan Mishra
Order / Disorder

Order and disorder,
I find no difference.

Action and reaction -
No meaning.

But let us
Neutralize everything.

And we are to cross
The past, present, and future.

Gajanan Mishra
Orders Of Society

Fourfold order of society
According to the mode of nature
Brahmana ksatriya Vaisya Sudra
Fourfold orders signifies duties
And actions performed.

Fourfold order is also apply to
Birds beasts and tress
Pigeons are regarded as brahmana
Hawks are regarded as ksatriya
Kites are regarded as Vaisya
Crows are regarded as Sudra.
Pipala tree regarded as Brahmana
Nima tree regarded as Ksatriya
Tamarind tree regarded as Vaisya
Acacia tree regarded as Sudra
According to their qualities.

All orders have equal values
All are disinterested friend of nature
All are fragments of All-mighty
And He always thinks the welfare of all
Only difference is their performance of duties
O men, please do not misinterpret it otherwise.

Gajanan Mishra
Ordinary

No one is ordinary,
But some specialty
Is there in each one.
Each one is earth
But with universal form.
So many colors
Are there in each one,
white, red, yellow
And also each one is black.
Treat each carefully,
Dear friends, each one
Is yours near and dear
And inseparable from
You, the truth.

Gajanan Mishra
Ordinary and extra,
It is not extra-ordinary.
What I want to say,
For my words
I am worry.

The game
I am playing
I know not
Its name,
Though you said
It is shame, shame.

To say I am
Keeping my words
Is telling a lie,
Is not admitting time
And is dying.
To say I am not able
To keep my own words,
Is passing away
In a by-pass road
Without caring tomorrow.

Don't be serious, please,
Nothing is for you
And you are for nothing.
You are here just for
Transformation of relations
That has no meaning.

Life is gaming and
That is in us.
You cannot find
Any real issue,
Though some say
It is beautiful
It is lovable.
Ordinary And Extra Ordinary

Each life is ordinary,
But each work of the life
Should be extraordinary,
By well-wishing relatives of
Love and the truth.

Going deep into the matter
We should see the universe.
Nothing is there to vanquish.

No biased towards anyone,
But let each one go free
And remember each one is like you.

But dear men, protect the earth,
Protect the language and achieve
All success and all glory.

Gajanan Mishra
Ordinary Being

I am born
As an ordinary being.
I want to die also
As an ordinary being.
But during my lifetime,
I want to be
A sincere inquirer.
And I want to
Realize the truth,
The cream all around.
And I want to be
Act as a torchlight
In the deeply dark
Material existence.

Gajanan Mishra
Ordinary But Rare

Ordinary but rare
My dear, You are.

You are the total
I am just formal.

Starting and ending
Is under Your control.

Rest is okay
You have given but taking away.

Sight differ
Light differ.

You are one and the same
I am for my own mistake in shame.

You are not vacant
It is I who is not tolerant.

Gajanan Mishra
Ordinary Man

Just forget me
And see me not
I am a man
I am just an ordinary man
Without any specific work
Without any power.

You can go by passing me
You can go just avoiding me
You need not tell me anything
You need not do anything for me
I am just an ordinary man
Leave me as I am.

Leave me as I am
I want to stay here forever
You may come you may go
Nothing to gain nothing to loss
Just pass on and see
I am here as before.

Gajanan Mishra
Ordinary Man With Ordinary Works

Ordinary man
With ordinary words
Ordinary words
With ordinary works
Ordinary works
With extra-ordinary patience
Extra-ordinary patience
With passion and
Perseverance that has
A separateness and purity
Purity of mind and heart
Is up-gradation of
Present position and that is
The charter of faith and love.

Gajanan Mishra
Ordinary People And

Ordinary people and extraordinary work
Extraordinary people and ordinary work
Nobody is here called classical hero
Nobody is here to admire to called brave.

Life is no love story as called for
No work is there called glory
Life is life and it is fib it is fibre
Life is not fete that need fiat.

Gajanan Mishra
Organisational Default

Go on
It is heat
It is an opportunity
Go on.

Go on
O free rider
Only time is with you
Go on.

Go on
Omission and commission
Organisational default
Go on.

Gajanan Mishra
Origin And

Origin and
Original are
Not the same.
But everything
And everyone
Has the origin,
Though, I can't say
About the originality.

I have also
No information
That is complete
And full.
Though, I am
Neither in dark,
Nor a fool.

Never mischievous,
I am, I am sure.
And also
Never envious.
I have my own light,
And it is there
To enlighten others.

I need no time,
I know, the concept
Of time is not there
From the very beginning.
I am no way related
With time, you are
Binding me with
Time, though.

From this to that,
From here to there,
My movement is continuous,
But I can say I am
Fixed here somehow or
Other for you.

Gajanan Mishra
Origin Of A Poem

I am the poem,
Secret of all.
No poet knows
My origin.
I am the prime cause
Of all poets.
Who am I?
It is I
For whom
Your world revolves.

Gajanan Mishra
Origin Of Universe

Origin of universe
Continuous process
Continuous life
Nothing to bother
Nothing except prosper.

Gajanan Mishra
Original And First Created

Original and first created
That I know from scriptures
You are far above than
Any death and also than any birth.

And You are independent
In creation and also
In destruction and I know
You are action and also reaction.

I am here developing
Transcendental loving service
O my dear, And I am in peace
And I am liberating myself by Your grace.

Gajanan Mishra
Original And Supreme

I know who is original
And who is Supreme and
For this I am here with
All elements of creation
I am a poet and you agree
With me and perceive me
In Your day to day business
In your own existence.

Gajanan Mishra
Original And The Oldest

Original and the oldest
Brand new and latest
Knower of everything
You are all that is knowable
Air fire water
Moon sun creature
You are father grandfather
Great grandfather
You are your controller
I am representing You here
See me I am perfect and clear.

Gajanan Mishra
Original Edition

I have to know
The original edition
Of my own life.
But how and where
That I know not.
I have to go far
Beyond the time
From silence to
Silence with words.
But I am not here
To sign on dotted lines
Of single page-this life.
I have to follow nature
And cross over the river.

Gajanan Mishra
Original Form

Original form is love,
Love is the object,
Object of protection
At all risk.

Love can control
Any horse and
Attract anyone.

Original form is truth,
Truth is here and
Also there.

Let my ultimate attraction
Be to the truth.
Let me concentrate my mind
With love, upon the truth.

Gajanan Mishra
Original Form - Truth

Original form - truth,
All love.
And fortune all
To be here.

What all desire
All here.
Eternally they are
All here.

Love appear,
But not to disappear.
Life appears and
so many things to discover.

All bliss in love
And in life, in truth.

Gajanan Mishra
The men,
Who are original,
Possessed all strength,
All wealth and fame,
All beauty and knowledge,
And also renunciation.
The original men,
Control all lions, tigers,
Mad elephants, enormous
Serpents vomiting forth fire.
Fear not, you know
The modes of nature, men.
Showers of flowers are there
Upon you with all love and truth.

Gajanan Mishra
Original Personality

Original Personality
You are Original and
Original Personality
My dear, and You are
Plenary expansion of Truth
That I love You
And You expand Yourself
In so many forms
You are the creator of
This world, my love
Due to love and devotion
I feel and I know
Something about
The intricacies of
Your movement, my dear
I am not bewildered
And it is Your mercy
That enable me to escape
From bewilderment.

Gajanan Mishra
Original Tree

Original tree
Tree tree tree
Two birds three birds
Are there on the tree
Intelligent man sees
The bird and the tree
Tree and birds all mixed.

The tree is on the sky
Under the sky in the sky
And also below the sky, sky sky sky
Ignorant man sees nothing
In the sky in the tree
And the birds fly
No use of knowledge if you know not clay.

Gajanan Mishra
Original- Who And What

Original - who and what,
That I know not.
But I am conscious of
My own existence
In this atmosphere.
I am safe and
My future is
At my hands.
Putting questions,
No meanings, remember.
But find the answer,
Everywhere it is there.

Gajanan Mishra
Original, Without A Second

I know the original
Without a second.
I know You only You.

In the beginning
In the middle and also
In the end it is You
Who exist alone.

You are the essence
I know and You incarnate.
You constitute this verse.

You are the nature
You are the conception also
You are perfect in You
That I perceive here in reality.

Gajanan Mishra
Originality In Original

Where is originality
In the original.
What is true
In the truth.

But I am for you
Is nothing
For falsehood-
The life,
The livelihood.

No limitation
But not unlimited.
Annihilation,
But not beyond contamination.
All viral
In the playground of time.

Mode of goodness
Is nothing
But a question.
We are to know
And recognize
The meaning
For the time being.

No ending but
We are all here
From the very beginning.

Gajanan Mishra
Ostrich Policy

We are under this net of
Ostrich policy
And are in need of
A good friend
To help us to catch it.

Whether Muhammad will
Go to mountain or
The mountain will come
To Muhammad is a question
Still unsolved.

Gajanan Mishra
Other Means You

Make others happy
Because other means
None other than You
And yourself.

You are the part and parcel
of the whole and any part
Of the whole is your part
The same components are
There with others.

You are to look on all
As one, feel their joy and
Sorrows as yours
On the analogy of your
Own self and identify yourself
With the self of all beings.

When you are devoting yourself
To the welfare of others it means
You are devoting to your welfare
As you are present in all beings.

Gajanan Mishra
Other Name Of Flower

Other name of flower
Is this eyes,
I am offering it
To You only and
Committed to see
Always while
Closing and
While opening.

You are the eyes
And eyes have
So many colors
Let me picturized it
As per Your wish
When awake when sleep.

Gajanan Mishra
Other Side

Let me tell something
The other side of a wife-
No better than a merchant,
And wants profit in exchange of
Everything for her works.
But a mother has no side
But only one side to rear
And to love without any expectation.

Gajanan Mishra
Other Than

I need no friend
Other than You
I need no game
Other than Your name
I need no word
I am Your ward
Here I am with You
And You are with me
I need nothing
I am just seeing
You round eyes
Everywhere blooming.

Gajanan Mishra
Other Than Love

Other than love
I have no other desire.
Please come and
Let us dance together.
This is the original form
We have with us since the creation.
I know who You are, my dear
You know what I am here.

Gajanan Mishra
Other Than You

No one is here
To do anything
Let me see you
In full form
And clear my doubts.

Gajanan Mishra
Other Than Yours

Footprints,
If it belong to
Other than yours
Go not after it.

Everything
That is yours
Is distinct.

Below and
Above,
See and observe.

Your deep observation
Would help you
At a time when you
Put questions to yourself.

Gajanan Mishra
Other Way Around

Other way around
You can say
What ever you like.

What ever you like
You can not do
Considering criminal acts.

You can do that is good
That you love and care for
And for which you are here.

Gajanan Mishra
Other's Importance.

Who is perfect?
And who is imperfect?

All are one and
Above perfection and
Imperfection.

We are here
To understand the situation.

We are not to fall,
But to rise
To the point
Beyond reach of
Anyone else.

We are to admit
Other's importance.

Gajanan Mishra
Otherwise Failure

Love, love and love
Otherwise face
All failures.

Win the loss, my dear
By love.
Drive out the fear
By love.

Awake them
Who are in sleep
By love.

Love, love and love,
And bring joy
To your lotus-life
My dear, love, love.

Gajanan Mishra
Ought To Be Done

Ought not to be done
Fear
Fearlessness
Bondage
Liberation
All are quite good
In their respective position.

That we know reality
What is that
That we know the world
With affinity
And we assumed it ours
Is it natural beauty
We have knowledge
That has no entity.

Gajanan Mishra
Our Big Boss

You are saying
What I am saying
And I am saying
What you are saying
The entire world
Is with us
And with us here is
Our big boss.

Gajanan Mishra
Our Burden

Our burden is
Our independence.
We must think
Every war
Is our war.
We must think
The world is
Ours.
And we must go
Where there is
Peace in war.
We must not
Miss the time
That is a far.

Gajanan Mishra
Our Dialogue

Our dialogue,
Remember, for future.

Our dialogue, Full of wisdom
Remember, for future.

Our dialogue, our conviction
Remember, for future.

Our dialogue, feeds us
To live together.

Our dialogue, all truth
All love, is our lighter.

Our dialogue is not for us only
Our dialogue is here for all.

Gajanan Mishra
Our Dream

Our dream
Is to get
Two meals a day.
Our dream
Is to stay
In a hut
In peace.
Our dream
Is to read
And write.
Our dream
Is to get
A piece of
Cloth for body.
Our dream
Is to love
Freely.
Our dream
Is to find
The truth.
Our dream
Is no one
Should exploit
Us at any time.
Our dream
Is to get
Freedom of
Speech and
Expression.
Our dream to
Rise our head
On this earth.
Our dream is
We, be our
Master here.

Gajanan Mishra
Our Duty Is To

No friend no enemy,
All are one, and
I am equal to
Everyone.

Right or wrong,
No matter, but
Life is not based on
False conclusion.

Conception is good,
Not influential, though.

Our duty is to
Feel good,
Our duty is to
Stay in truth.

Gajanan Mishra
Our First Meet

Our first meet
I have forgotten.
Give me some light
and enable me to remember,
If you so like, my dear.
I have not cleaned my house
So far to enable you
to stay here with me,
And you have returned back
towards that sea.
I am looking towards the blue sky
That is yours for all days,
And the sky is asking me
so many questions and I failed to answer.

Gajanan Mishra
Our Flag, Flag Of All

I salute
Our flag,
The green band,
Relation to the earth
And plant life.
I salute
Our flag,
The white band,
The truth,
The virtue.
I salute
Our flag,
The wheel,
The symbol of progress.
I salute
Our flag,
The saffron,
Self-control and
Renunciation.
I salute
Our flag,
That means
Alert, going forward,
Free, flexible,
Compassionate, decent,
Democratic life.
I salute
Our flag,
Fearless life,
Safe shelter.
Our flag is
The flag of all.
We love humanity,
We love each
Creature here.
We love our flag,
Flag of all,
We are peace loving,
Peaceful co-existence
Is there in our
Rise and fall.
We are one,
All and all.

Gajanan Mishra
Our Freedom

Awoke to life
And freedom
A tough ride
Many lows
Many highs
Many downs
Many ups.

Am I born free?
Is there any chain
Around me?
I know not
What do you
Mean by freedom
It is my doom.

That needs reflection
That needs introspection.

Gajanan Mishra
Our God Is Great

Our God is great
And hence let us
Hope for the best.

We are here at this time,
Let us stay in peace
And love each other.

We can do nothing
But to stay in truth
And truth is our life.

Let us trust each other
Without keeping any
Malafide intention.

Our life is great,
And we are all gods.

Gajanan Mishra
Our Identity

What is here?
Is it the creation
Of our minds?
Is it useless?
If you say
It is a dream
I have nothing
To object.
If you say
It is our identity
I do admit.
What you say
You have not seen it
As I know you are in deep sleep.

Gajanan Mishra
Our King

Our king.

Our king is
Not a father.
Our king has
No near and dear.

Our king
Knows not
Love of wife
And children.

Our king
Cares not
Death of mother
And children.

Our king is
Always drunk.
Let us say
Hip hip hurrah,
Long live our king!

We are ready
To elect and
Select our king
As our king as
He is doing nothing!

In the name of our king
Everything is going on,
On their own ways.
Our king is great.

Our king is our king,
Though he utter, never
Our words and though
He understand nothing
About mother, mother-land
And mother-tongue.

It is you to decide
Whether to stay
With the king or
Go away from the state.

Our king bother not,
Our king care not.

Gajanan Mishra
Our King Wears Always

Our king wears always
White clothes.
To go to him
We are to wear
White also.

Our king dislikes
Black as we know
Black is a color
That embraces all,
And our king
Does not like it.

And as we know
Our king fear black flags,
And we are here to haul up.

Gajanan Mishra
Our Life

Our life is just for a week
And we would die within a week
And so we should retire
And be ready to receive
Spiritual enlightenment
And it is our birth right
As a human being
O my dear O my love
You are our master
You are our teacher
Please explain to us
What to do in this week
And what not to do
A week is here for this
To hear to chant
To remember to worship.

Gajanan Mishra
Our Lives Are One And Inseparable

We are integrated connected one.

Come my dear and have patience
We must change this world as
Perfect and pure with our love.

We all are the sons and daughters
Of this nature and we are elements
Of same water air light sky earth
Come my dear we can change this world
As we desire with our love.

We have conscience we have knowledge
We have affection we have love
This suffice the purpose to make
This earth really heaven.

Come, come my dear and have patience
We can change this world a lovely
And beautiful place without any evil.

Gajanan Mishra
Our Love Is Infinite

Our love is infinite
And it ever enhances.
For our love, we are
Unique and we always
Dwell in it.

Gajanan Mishra
Our Man

Common man is our man
Common man is common man
We all are for common man.

We called common man Janata janardan
We called common man Nara narayan.

Common man is hero
Without common man
Our Democracy is zero.

Gajanan Mishra
Our Move Is

Our move is
Towards perfection,
Towards life,
Towards nectar.
It is there
Within us.
Let me say I am
In a state of ecstasy,
And I know my
Significance here.
I can change myself,
I can change the world
With same boldness
To get rid of all ills.

Gajanan Mishra
Our Own Earth

Man-made plannings-
All failures.
What you desire,
That gives the result.

We are yet to know
Our own earth.

And we are the inhabitants
Of the same earth.
And still, I am ready to
Teach you in your
Own language.

What do you want?
War or peace?
But not this hide-and-seek.

Gajanan Mishra
Our Own Position

Let us know our own position
Let us know our own status
And what is our end.

Be a disinterested friend
And attract all.

Have faith of all kinds
With in.

Gajanan Mishra
Our Point Is

Our point is
Not the mountain
But the river, my dear.
The things to be
Remembered is not to flicker.
Beaware of the truth,
And truth is we are
In love here.

Gajanan Mishra
Our Property

Nothing is our property
Nothingness is our valuable property
And we are all free
Nobody is there to force us
For anything.

No shape no size
No dark no light
No birth no death
No rise no set
Nothingness is everywhere.

Gajanan Mishra
Our Strength- Our Consitution

We are here to
Force you to speak,
To write in our language
So long as you are
Here on our land.

We can force you,
Please remember,
Our strength is
Our Constitution,
Our law,
Our tradition,
Our customs,
Our history.

Since you are there
To give service and
You are taking salary
From our money.
We are here to force you
To do all works for us,
For the development of
Our language and culture.

Please remember,
We are independent,
We are sovereign,
We are our master
And you are our servant.

Gajanan Mishra
Our Symbol

Our symbol,
Symbol of love,
Love of life,
Are here with us
And it is
Unknown to us.
We are ours,
Everything is ours,
But we know not
How to handle
When and where.
And yet we utter
Our language
Knowing outdated.

Gajanan Mishra
Our Talks Are

Our talks are self-deceived
And we are deliberate liar
You can say anything against us
Behind and in front
In shadow and in light
And what you say are false.

Gajanan Mishra
Our Thinking

Our thoughts have
No legs, no hands,
And yet, we are there
To honor them,
We know, though, they are
Not always true.
But true are we,
And we can take steps
To establish the truth.
But truth is nowhere
To be found except
Our thinking.
We should be careful
While thoughts.

Gajanan Mishra
Our Thoughts

We are in dark
About our thoughts
Our thoughts cheated us.
Our thoughts make poems
And the poems keep us intact.
We are all in our poems
And our poems paint us
With sky.
Forgetting everything
Poems are here
And we are used by poems
Day and night.

Gajanan Mishra
Our Toxins

Our happiness
Our sorrows are
Our toxins.
We should save
Ourselves from these.
We should go ahead
Keeping them aside.
We should remember
Life is no way
Related to pride.
No dark no light
Can define life.
Life is reachable
To none.

Gajanan Mishra
Our Turn

It is my turn
To speak
Before all.
And you are
All here
To hear.
We are all
Here to perform
Our duties
With all sincerity.

I am the red rose,
You are the stone.
I would like to
Call you,
Move you,
And give you life
For others benefits.

So many are there
Like water and air,
And they are
Waiting for us,
And we are to go
With the sky
On this earth,
That is changing
At every moment.

But it is
My turn
To speak first
And I am here
With you
For all good.

You may justify
My presence
Here, at this time.
I may be excused
For any loopholes,
But I am sure,
I am on the right track
To reach the truth.

Come on with me,
I am with my mother
And talking to you
In my mother tongue
With love.

Gajanan Mishra
Our Very Birth

Our very birth,
Here, dear,
Made us envious,
And ignorant,
And angry.
Our very birth,
Made it difficult
To help others.
We are all
In frustration,
Disappointment and
Anguished.
We observe our own
Life wonderful.

Gajanan Mishra
Our World Is Pure

Our world is pure
Our deeds are noble.

True knowledge is with us
Truth and virtues are with us.

We are the sons of nectar
Goodness and nature are our father and mother.

We are subtle we are gross
We are to attain higher world that is in us.

Gajanan Mishra
Ours - No One, Nothing

Ours - no one, nothing.
Ours - not even this life.

Still, we take care all,
And we cry, we smile, we
Express anger, love and we
Show our honesty, integrity.

All for what
That we know not.

We change our faces,
Knowing all emptiness,
We count numbers
As helpless watcher.

All fractured,
Mirror.

Gajanan Mishra
Out Of Compassion

Out of compassion
You appear, I know.
You are compassionate
Upon the fallen souls.

You say everything
Is to give and nothing
Is to take.

Who is happy you ask
And you answer one who is
Peaceful and contended.

You are the light you say,
You are also the dark you add.
And you explain the difference
In your own way for benefits of all.

Gajanan Mishra
Out Of Court

It is out of court
Sir, let me say some words.

To love is not a crime
To sex is but natural.

The thing is that
It is lack of courage
Within us
It is our fear
It is social stigma
That labelled us criminals.

We dare not to say
Yes, we love each other
Yes, we sexed.

We should not go against the nature
And we can not go also.

We must surrender before nature
And we surrendered
This is our crime
Please understand.

Gajanan Mishra
Out Of Fear

Out of fear
I had forgotten my own name
Somehow, I remembered yours
Calling by your name I escaped
From the clutches of robbers
They knew you
They admitted you
Friend and guide.

Gajanan Mishra
Out Of Fear- My Earth

Out of fear
My earth is trembling
Moving round and round
See, O my dear
Out of fear
My sky is urinating
And is in fixed mode
See, O my dear.

I have no word
To describe anything further
I am terrified
And facing so many
Obstacles here
O my dear on my way
I am visiting You
Knowing nothing and nothing
What are You.

Gajanan Mishra
Out Of Ignorance

Out of ignorance
We are committing
So many acts
And called ourselves
Sinful.
We know not
The sin, though.
We are always
In dark,
And doing wrong to
Others,
Considering different
From own self.
We have nothing
To say,
Nothing to give.
We know not
How and what to do
When and where.
Out of ignorance
We wander here there,

Gajanan Mishra
Out Of Nothing

Out of nothing
You are creating
Everything everything.

Everything is here
And you are creating havoc
My dear telling nothing nothing.

Gajanan Mishra
Out Of Nothingness

Out of nothingness
We find everything
And what we find
Nothing nothing.
Everything is mine
And I am alone here
Who stay herein
To get things.

Gajanan Mishra
Out Of Rumor Out Of Fear

Most dangerous is fear.
Fear not and tight the knot.
Rumors may occur and
You are not here to trigger.
Be clear fear most danger.

Fear is tumor
Uproot it from beginning
And enjoy life number.

O my God
You are here
Why should I fear
I am with you always
Keep me with you
Keep me from
Out of rumor
Keep me from
Out of fear
I am ok
With this gear.

Gajanan Mishra
Out Of Sight

I know, you are never
Out of sight for me,
Nor am I ever
Out of your sight.

Gajanan Mishra
Out Of Syllabus

Though death is
Not with us now
You cannot say
It is not in our
Life's syllabus.
Life is here with us
In our love and
Love is there in death.
We know though
Love never dies,
Yet let me say
Death is here with us,
Our kith and kin,
Our love, our truth.

Gajanan Mishra
Out Of Track

Go not out of track, dear,
Suffering is ready
To befall on you.
Overcome the evil by good,
Overcome the anger by gentleness,
Overcome the lier by truth.
Injure no one, but remember,
You are not free from blame,
Whether you sit silent or
You talk much- no matter.
And have mastery over
Your own body and mind,
Stay firm with
Knowledge and virtue.

Gajanan Mishra
Outcome Is Wrong

You are nobody to say.
You are only here to perform
Giving up all moroseness.

Everything depends on providence
Just use your intelligence.

You are in a better position, my dear
Your future is better and better.

Gajanan Mishra
Outer Covering

Believe not
The outer covering
That would fade away.
Try to know
The needs of the bird
That is within the cage,
The outer covering.
The bird wants
Complete freedom.
And not prison.

Gajanan Mishra
Outgoing And Incoming

Incoming and outgoing
I am living
Stopping and curtailing
Offering and sacrificing
I am living
I am living and living
I am dying
Realizing I am dying.

Gajanan Mishra
Outgoing And Incoming - Drama

Outgoing and incoming,
The drama is started
Without any ending.
And here, each one is
Ready to count the dust
On the earth and
Count the star
In the sky and each one
Is anxious to bound down
The air with the clouds.
In this drama, all are there
For all time. And all are
entering without any
Exit point anywhere.

Gajanan Mishra
Outlaw

Outlaw
The Ultimate Outlaw
You are, my dear.
There is nothing
Other than You here.

It is a fact
You are my highest
Object of experience.
You are my
Goal of life.

You exist in me
I know it only from You
You are blissful
And my innocent consciousness.

You are my
Pure self, my dear
You are my
Innermost core.

You are my love
You are my justice
You are my Truth.

You are my song
You are my dance
Within me.

Gajanan Mishra
Outside

They took away
my money and bag
took away my
house and land
lay me on the sand.

I am here
near ganga
and in empty stomach.
I am here
near mahodadhi
and in empty stomach.
I am here
looking Nilachakra
alldays always
in empty stomach.

They snatch away
may language
They thrown me out
from the sky
they are my nearby.

who is there
outside my house
where is my earth
where is my worth.

Gajanan Mishra
Outside / Inside

Outside
Beautiful and impressive
Inside
Evil and ugly
You are
Whited sepulchre
I must say
Go for
Inner purification.

Gajanan Mishra
Outside And Inside

Outside and inside
You can find me.
And you can find me
In dark and in light.
In cold and in hot
You can find me.
And you can find me
Whenever and where ever
You wish.
I am here I am there
One who want me
In truth and in fair.

Gajanan Mishra
Outside Word

Please meet me
Outside word,
And see how I am.

Gajanan Mishra
Outward Dress

No outward dress
Cover up two things
One- Absolute Truth
That is You
Two- Death
That is also You
And one who is fortunate
Can know You
And Your incarnation.

Gajanan Mishra
Outwardly

Outwardly
No one can says
What is good
And what is bad.
And if any one says
Something, we are not
Here to take it granted.
The authencity has to be
Verified and proved.
To prove a thing
Fire is with us,
Also there is air.
Let us use everything that are
Available to see the star.

Gajanan Mishra
Oven Of Love

See me, I am burning
In the oven of love-life,
I cannot allow anybody
 to say it, oven of lust.

Yes, time is running fast
But here it is time,
available in plenty for love
Let us enjoy love-life here.

Are you not watching
the smile of flowers
always here, there and
everywhere you stay?
The sky is watching you,
remember, dear guy.

Gajanan Mishra
Over And Over

Over and over again
I am overwhelmed
And thrilled with joy
In this earth
Wonderful place of life
And death and pleasure
And sorrow for nothing.

Gajanan Mishra
Over Anybody

I know I have no control
Over productiveness.
I must remember simply
Ruling can not solve man's
Problems unless I have
Spiritual capabilities.
I am not alone I know, my dear
I am with my Supreme guide and Master
And He has all the capabilities with Him.

Gajanan Mishra
Over Is Limited

Over is limited
But feeling is not.
Impression is
Always last long
But incidents
Do occurred,
In the premises of
Unity and love.

Gajanan Mishra
Over Past

To grieve
Over past
Is a blunder.

I know
Whatever is
Allotted
Cannot be
Blotted.

I know
Every action
Every incident
Destined for good.

And see
I remain free
From sadness.

Gajanan Mishra
Over Poem

A lot can happen over poem
Within us and outside there the poem.
We find fire we find water in poem
Fire and water are ingredients of poem.
Fire and water are my ingredients
I am poem I am live poem.

Gajanan Mishra
Overburden

What is overburden
Is the world overburdened
Like a boat at sea
I don't think.

I don't think
Any miscreant is there
In this pious society
That is to be eliminated.

Gajanan Mishra
Overburdened With History

See me,
I am overburdened
with history.
I am wandering
here there.

My sorrow is
calling me and
telling, come on,
here is light.

I know I am
not able to go,
beyond your eyes.
And within me, I am
searching a new page.

Gajanan Mishra
Overcoming All

I reached you O my dear
And I am pleased
And getting more and
More only pleasure.

I was not doing anything
Except loving you in full
And look I have surrendered
My everything to you
O my dear I have not attached
With anything except pleasure
That are yours.

Gajanan Mishra
Overflow Of Love

Overflow of love
Here in water
And in air.
Let us attention
To the feelings
That are here
In boundless grace.
No delusion
No destruction.
Life in words
Without any repetition.
Glorious the sight
That is here with us
In the preaching of truth.

Gajanan Mishra
Overtake The Dark

Overtake the dark
O my dear men and
Open the path
For the children.

Kiss the earth,
Earth can only
Tolerate you
In the dark.

Dark is your
Friend, philosopher
And guide.
Dark is more beautiful
Than the light,
Please realize.

Gajanan Mishra
Overthrowing The Time

Overthrowing the time
I appeared and said
Come on, my dear boy,
I am here not for a
Push back but for
Going to the moon
Straight from here.

Gajanan Mishra
Overwhelm Not

Overwhelm not
With desire,
Face not sins
And injustice.

Gajanan Mishra
Owe

I am in my jest
You are the forest.
You are the sea
I am the cloud.
You are the mountain
I am the river.
You are you
I am for you.
And I owe you.

Gajanan Mishra
Owl Is

Owl is fond of
Darkness
And I know
Why You are dark
In color.

I love You
O my dear, and I
Know, You are to
Come to me to
Wash away my sins.

And I give up all
Only for You,
As per principle
To be Your disciple.

Gajanan Mishra
Own Art And Culture

Men different,
Views different,
Writings different.
But wait and see,
Truth is one,
Hunger is one,
Earth is one,
Life is there
All in one.
And in oneness
We are to love all.
And we are to go
Beyond all with
Our own art and culture.

Gajanan Mishra
Own Attractions

I have my own attractions
Through eyes ears skin tongue and nose
For sight sound touch taste and smell.

Am I going towards hell?

I know what is desirable for one
Is not desirable for another
My dear, I beg cool air as it is summer.

Who told me I am a fighter?

What is appeared and what is disappeared
Nobody is here to tell me and I am
In a confusion and with no connection.

I know not what for this transformation.

Gajanan Mishra
Own Beautiful Eyes

I have my own beautiful eyes,
Let me see You with these eyes.

I know this eyes are given by You
To see the Truth, in a way
That is colorful, that is wonderful.

Let the eyes see You with love
Let the love spread with truth.

See the eyes. it is there to
Secure their right before the Almighty,
Seeing and feeling the cold and the hot
The eyes start crying that I am not
So cunning that I can make the eyes
Satisfied with those things that have
No permanency and no leniency .

Gajanan Mishra
Own Boss

Own boss
By nature,
Here, see
Each one.

Haste not,

Stay open and
Stay expressive.

Love has all
Medicinal properties.
Use love
Everywhere here.

And celebrate life
With the truth.

Gajanan Mishra
Own Creation

See me,
I have my own creation,
My own identification.
Indication is that
I have my own authorization.

Each and every attempt
Is the first one,
And I have to sail
With full faith on water.

The presence of truth
Indicates that I am in love.
The trouble shooters are here
And I am free in my creation
And I proceed on with imagination.

Gajanan Mishra

your own earth
and your own life.

You find no one as
killer of humanity.

Love all and when
you love, see you are
Within the bounds of civility.

When there is love
Feel no needs of
Law enforcing agency.

Love, love and love
And see yourself living.

Gajanan Mishra
Own Error

Let me perceive
My own error.

Here is cloud
There is sun
Let me know it
On this sky.

Let me say
Only one moon
Is here in our sky.

No dust no smoke
No darkness can
Cover me within
Their pocket.

It is I
Who knows You
It is You
Who is illumined
O Supreme illuminating.

You are the only real here
The abode of wisdom
And virtues.

Gajanan Mishra
Own Eyes

I have my own eyes to see
I have my own scale to measure
I have my own value to rate
Do not comment on anything
That I am doing here
I have freedom I have obligation
I have ability I have capability
To face my own crisis
Do not interfere in my domestic activities
I have my own way to go
I have my own rod to stick up
I have my own opinion to give
And you are there to follow it.

Stay with natural beauty
And all good qualities.

Gajanan Mishra
Own Ideals

To know different names
And things are not necessary.
I know you, I feel it's enough
To live and to lead a good life.
But I have to practise discipline
That I know from the beginning.
It is alright what is there with me
For my own ideal with no selfish motive.

Gajanan Mishra

With my own liberation

For the welfare of others.

I am crucified I am caned
I am attacked and still
I am your well wisher, see
I know you treat me
From material entanglement.

See me, I am busy
In the highest philanthropic
Activities for the benediction
Of all living entities
I am not inimical towards anyone.

I am calm I am quite, see
Since you are a living entity
I treat you God
I realize God is here in you
You are superior and Ultimate Truth.

Own Nature

Own nature,
Show it to all
For good.
For good observe
Nature minutely.
It is for you,
All good.
No illusion,
No fear,
But tell all
You think good.
Matter to take,
But not to associate.
Neither illicit
Nor intoxicated,
But all dictated.
My work,
My life,
Each word,
In each sentence.
Good performance pays,
Goodman repays,
Key of nature.
Control nature
Your own.

Gajanan Mishra
Own Orbit

You have Your own orbit

Pure and flawless.
See your own reflections
Everywhere pure and pleasant.

Gajanan Mishra
Own Song

I am hot,
Not yet cold.
I am bold,
Say, I am gold.
The clouds
Cannot be
My molder.
See, I am
Growing all days
With my own
Fire and water.
I am singing
My own song
In my own light.

Gajanan Mishra
Own Story

Your own story
My poetry.

Tell the name of your team
You lead to get world cup
Men women their name address
Be published in local newspaper
Proclamation be issued
Location of rental house
be made soon
Those asleep must not disturb
Face to face what you get
Cannot explain publicly
What you get distribute
Among all here
If any one hear or utter
Anything called him pitcher.

My poetry
My own story.
Not easy to focus
On this field if
It is not bogus.

Gajanan Mishra
Own Strength

Believe in
Your strength,
And discover
Your talent.

A hole is there
In the air.
Block it
If you can.

I know
You are immovable
And yet each one
Tells you move
From place to place
Always here.

Are the absolute?
That has no answer,
Though, I arrived
At the conclusion
That you are
The realization
From the very
Primary stage.

Let me clear,
I have no strength
To rediscover
The things
That are not
Mine. And here,
I have nothing.

Gajanan Mishra
Own Time

I have my own time
You have given me some time
I am with my time.

That you are taking away
The time that is with me
That you have counted the time
Given by yourself here
That you realized no time
Herein after with anybody.

With time I am
Recycling myself
O my dear
Think and come
With new agenda new plan
That I am not a part and parcel
I am no way related
With its root or fruit.

Gajanan Mishra
Own Tree

My tree

Gajanan Mishra
Own Way

I am going on my own way,
I would not like to follow you,
I also wish not that
You should follow me.
There are so many highways
As many as creatures.
O my dear, find your own way
That is there, see and start.
Start going as soon as possible
Delay cause gathering of more hurdles
The sooner you start and go from here
The better and finer that
Make your sun and moon happier,
Go, my dear, it is your turn, it is time to appear.

Gajanan Mishra
Owner

Where is the owner
Who is that
Ask not.
Not logical
And also
Logically fallacious.

Nobody is here
To identify
Probably
Best is the sky.

Gajanan Mishra

This body is the filed
Where in soul works.

Gajanan Mishra
Oxygen

Language is the oxygen
Of life, the poet knows it.
Believe the poet, my dear,
And go with your own language.
Without oxygen, imagine not
Your life here. So also
Without language, imagine
How you are living.

Gajanan Mishra
Oxygen, Love, Care

Oxygen, love, care,
And also I see
No life there.

While writing
I am not rising
My finger against any one
Not guilty,
But I am telling
The loss is irreparable,
The act is inhuman,
The buds are innocents,
Let us search out
The cause and the rascal,
The demon, the enemy of
The entire human community,
Behind the death.
And take steps
To hang him/them before all
On the open field.

Gajanan Mishra
Oyster

Oyster claiming to be silver.

Time would say better.

I am one and only one
And there is no other.

Pablo Neruda, O Abandoned One

Pablo Neruda, O abandoned one
Remember, there where you are
It is the hour of my entry
Stay there and see with your eyes.

I am not displeased, my dear Pablo
I am frightened at the cosmic rays
That is yours and I am utterly
Amazed but not confused.

Gajanan Mishra

Paddy Crop

See me, I am the paddy crop here
And You are the rainy season
I am the man stranding here
You are my eyes.

I am the robber here
With my family members
You are my redeemer
Let me remember You, my dear.

You are my only Truth
And also You are the Truth-interpreter
Only for You I am here
See me, my dear, I am the paddy crop here.

Gajanan Mishra
Paddy Flowers

Paddy flowers,
Where is my paddy flowers?
See, I am so unlucky
I am here on my paddy field,
But nothing is there, only
The sun is dancing, only
The earth is crying.
My shadow is also
Not with me.
How can I live?
Where shall I go?
How can I repaid my loan?
No patience is there
With me.

Gajanan Mishra
Paddy-Body Breaks

Paddy-body breaks,
Fire shakes hands.
Days are not good,
No good is
Coming to you.
No love is climbing on
Hills that are yours.
Blind they say are false.

Page On Literature

Importance should be given on
Life and literature,
Give a page on literature,
Index of heart is literature.
Let us realize and go with it.
It is the truth and it is love,
It is life and the life itself
Is a page of literature.
By giving a page on literature
It is proved how far we are
Committed to all creatures.
Each and everyday is a day of
New creativity, Let us see,
And catch the life with all happiness.

Paid Agent

How can we take
The help of
Paid agent,
We are in the process
Of thoughts.

But our thoughts are
Not so clear
And we are confused
What to do.

Doing something
Is our motto,
Positive or negative,
No matter.
But we are doing
On this way or
On that way.

Important point
To note,
We are not ours,
We are doing
Own harm.
We are in the sky
And the sky
Itself is melting
Within us.

Gajanan Mishra

Gajanan Mishra
Pain

Pain,
Painful is poverty.
More painful is
When I say I want
And I desire.

Sweet,
Sweet is this world,
Sweeter is when
I am alone in this world,
Sweetest is the time
When I am with you.

Pain and sweet
Are two words and I
Failed to differentiate so far.

Gajanan Mishra
Pain -

Pain -
It is there
And it will be there
Till death.
Death is inevitable
For anyone
Who is alive.
Life and death
Are not under
The control of
The creature.
The body itself
Is a burden and
It is painful.

Gajanan Mishra
Pain Is Always

Pain is always full of bliss
Take pain always with a kiss.
Always be pleased and be happy
It is the way to get rid of sophist.
Sorry, I am here with You
And You are giving me life every moment a new.

Gajanan Mishra
Pain Is Here For My Own Weakness

Pain is here for my own weakness
pleasure is also my another weakness
I am good, I am evil and it is
Only for the relation, for the attachment
No relation no attachment
No attachment no responsibility
And nothing nothing.

You are fine, you are beautiful
I am making my love worthless
I know love is not bondage though
It is my ego with discriminate faculty
It is for ignorance I assume identity
And I meet my own destiny in this affinity
You are nobody, it is I who feel sad who feel happy.

Gajanan Mishra
Pain Is There

Pain is there
In all types of harshness
In words, in body, in heart
And in behaviour.

Gajanan Mishra
Pain Is With Us

Pain is with us,
And we are in agony.
Our own personal
Existence is
Our sorrow.
We have
Our own hunger,
And hence,
We are in fear.

Here we are to
Win the trust,
We are to achieve
Contentment- our wealth.
We are to keep
Our health intact.

We have to taste
The sweetness of solitude.
We have to taste
The flavour of tranquillity.

Gajanan Mishra
Pain Not In Mind

Pain in body and
Not in mind.

Pain is pain,
In chain.

Are you
Ready to answer?
Wait, let me
Complete the question.

Change of heart
Not permissible,
You may change
The mirror.

Let us come and enjoy
Befitting pleasure.

Gajanan Mishra
Pain Of The Past

Pain of the past
Still there in me.
Greed for the future
Still there in me.
But the present is
Going on before me
And I am dumbfounded
Before love and truth.

Gajanan Mishra
Pain To Me - Not Pain But Pleasure

I know you do not cause
Pain to me
The acknowledge link
With you inflicts pain
No no it is not pain
But it is pleasure my dear
And I am clear I am free
With all these and all these
Are in my favor.

Gajanan Mishra
Pain, at the time of death
Is really severe and unbearable
That takes away the consciousness.

O my dear, kindly make Your presence
And let me give my body smoothly
For the welfare of all if it is so needed.

I know my dear, You are very kind and affectionate
For You I can give everything including my body
As You are in all and all are within You.

I am ready to bear all pains only for You
And in Your presence I know all pains are
Bearable and pleasurable and lovable.

Gajanan Mishra
Painful- Life

Painful - life,
Painful- birth
And also the death.
Still we see
Nectar in life.
And in life only
We see the truth
And the truth is
Taking us to eternity.
We are suffering here - true,
But we are getting
Benefit for our
Knowledge and getting
Light for all good.

Gajanan Mishra
Painful Really

Painful really
This life,
And we are ready
To make it
Cheerful with love.
Love means giving
And forgetting
And forgiving
All to all.
All to all
They remember
The activity and
Non-activity
Within eternity.

Gajanan Mishra

See my painting

It is in my life
It is my life
It is my poems
It is my painting
So lone as I am alive
And mind it
I am not here to die
So also my painting my poems
And my life, mind it
I am all pervasive
It is my painting
it is my world
It is my creation
I am in it
Mind it
I keep you here
As caretaker
O my dear
See my way and
Believe me
I am here
In you and in
All your activities
All that are my poems
All that are my paintings
All that are me and I and mine.

Gajanan Mishra

Painting is your hobby,
But I know not why you are

Pairs Of Opposites

I dislike
Attachment aversion
Pleasure pain
Honour dishonour
Praise blame.

I dislike
Fault finding
As here
There is downfall
As it is a defect
For a perfect man.

Gajanan Mishra
Pairs Of Opposites Are Always

Pairs of opposites,
Pairs of opposites are always
Playing so many games within me.

I am the only bait
In between pleasure and pain
In between attachment and aversion.

It is the affinity
That is going to destroy me
And I am within that destruction,

And I do not like to invoke You
For anything real or unreal
I know all are bogus.

I am concerned with the elements
I am concerned with the time.

Gajanan Mishra
Pairs Of Opposites- Rise Above

Rise above
Pairs of opposites
Achieve through
Conquest of the senses.

Palace of death - this body
and I am within it.
See and search where I am

Gajanan Mishra
Palatable Speech

Palatable speech,
Hear and go with it.
Give no importance
To anger and envy.
Internal energy is poetry,
Read and write and
Know the value of
Goodness and love.
Life is there,
Feel it in others.
Expansion of the self,
The one who is near and dear.
Keep connection and
Love all but stay unattached.

Gajanan Mishra
Pale Shadow

Pale shadow
See here, of

The symbol of all potency
I know You are the reservoir
Of all opulence

That I know from the beginning
And I am in truth
I am in knowledge and light
It is only for You, my dear.

Palm

Finger vis-a-vis palm and hand
depict many aspect.
See thumb symbol of
Will and intuition.
See headline of the child
That reveal attitude towards
life and indicate creativity.

Our Lord has no finger no palm
No hand and possibility of
Study God is not there.
Research failed.
We can only feel
While within Him always.

Gajanan Mishra
Palm Tree

Palm tree,
Oh yes, I like it.

Elephant and mountain,
Oh yes, I like all that.

Just for a minute,
I would like to describe
How they are all related.

Loving attraction and
All that I like it.

In pure form,
I want to see all.

Let me remember,
The mood, the expression,
And the awareness and that all.

Gajanan Mishra
Pan Card

Pam card is here
With me
I am showing
The pan card
You are to enjoy
And life as it is.

We are here to
Improve our relation
And what is the relation
being the administrative
And the administration
And here it is life as is it.

Panama Channel

We are going away
In Panama channel,
Everything is going away.
The sky remains
As our only shelter.
They have taken aways
That are ours.
We are incapable,
We are poor and rustic,
We know not how to
Beat with the stick.
Taking advantage
Of our ignorance
They are playing mischiefs.

Gajanan Mishra
Pangs Of Birth

Pangs of my birth was severe
Due to pressure
Through the narrow passage
Loses of memory
Breathing systems stops
Horrible condition was there.

I fell on the ground from
the abdomen of my mother
Smeared with stool and blood
And play just like a worm
Germinated from the stool
I lost my superior knowledge
And I cried under the spell of illusion.

I was given to the care of a person
Who were unable to understand what I want
I fell in to the undesirable circumstances
And my suffering continued You know, my dear
I was helpless and in my helpless condition
Gnats mosquitoes bugs and other germs bite me
I deprived of my wisdom and I cried
In this way I passed my childhood my boyhood.

O my dear, help me to find you
To search the ultimate truth here
At this time and save from the non-permanent things
And from the ignorance in this darkest region
Here always everywhere there is illusion
And illusion, save me from material gratification.

Paper Revolution

Paper revolution,
No risk is there
And hence each one
Is eager to join
For easy
Name and fame.

If you have to
Climb the hill,
Then you have to
Take the risk,
And come out
From the house
And walk in
The sun and rain.

It is true
You have to
Put off your
Garments,
But you have
No power to
Disrespect other.

What you have acquired
That is not for you
But for your work.
And you have the right
To work but no right
Is there for its result.

When something has been
Given to you and you have
Accepted it long back,
How dare you to return
The same at present.
Is it not like committing
Suicide and Do you not know
Suicide is the greatest sin?
Fishy smell is there
In your actions and hence
No use of paper revolution.
Truthfully you have to act
With good intention
For peace and for the welfare
Of all population.

Gajanan Mishra
Paper War

All paper war,
And all in turmoil.

The cuckoo asked
Where to go,
No fuel.

All arise in gulfs,
Not a matter of gull,
But all about gullible.

Gajanan Mishra
Parachute

Ascending no, no
It is descending
From air ship.
O my dear, I have
Descended and now
I am ascending
To touch you
In this free verse.

No matter ascending
Or descending but
You are here
O my dear, I know
Without You
I am nothing here
And with You
No ascending n descending.

Gajanan Mishra
Parachute-Free

Ascending no, no
It is descending
From air ship.
O my dear, I have
Descended and now
I am ascending
To touch you
In this free verse.

Gajanan Mishra
Paradise

I am here
In this paradise,
And you are here
With honeycombs.
We both are voiceless,
We are going to conquer
Everything here at this time,
We have our own passports and visas.

Gajanan Mishra
Paradise, you said,
But I know fools are there.
They know not, really
What is life and
How life is full
Of struggle.
I know, in fool's paradise,
Each one is busy
In improving his and her
Images that has no meaning.
They are busy in
The oft-repeated game
That is outdated and they
Spent time in dream land.

Gajanan Mishra
Paradox

I am not able to
Do anything here,
But I can do anything.
No use of official language
Here in my state,
But law is that all or
In any purpose state language
Shall be used.
My land is full of wealth
But I am poor.

I am not able to
Do anything here.
Let me rise,
I am the son of a lion,
I am much more powerful
Than anyone else.
I can do anything,
Just wait and see.
Time is there
To favour me.
Come on, my dear,
Hope for the best.
I have the capacity
To do
What I dream of.

I know the eternal
Creates success
Out of His being,
If I am in truth.
I know I will perish,
And let me perish
To ashes,
If I have any self-interest
Or ill motive,
Or say evil intention.
Paradoxically

Paradoxically we are all
Living here, we are dying
At every moment and we are
Telling we are living in peace.
We are all yearning peace,
But we are declaring war
Against each other at every moment
Forgetting our own peaceful co-existence.

Gajanan Mishra
Paradoxically We Are

Paradoxically we are all
Living here, we are dying
At every moment and we are
Telling we are living in peace.
We are all yearning peace,
But we are declaring war
Against each other at every moment
Forgetting our own peaceful co-existence.

Gajanan Mishra
Paralysis

I know there is only
An enduring facet with you
And I looked grim.
I know everybody
Has contribution
In making a mess
On my land and
No ghost exorcised.
Explained not
Where is paralysis
Wonder not
Where sanity is.

Gajanan Mishra
Paralysis Attacked

Paralysis attacked
Paralyzed all
We chuckled at everything
And drowning fear.

My dear, O ocean
How can I buy you
When I do not want you
When I am far above from you.

Structure that
Is always here.

All that are
Relevant for
The future.

Paraphernalia

No limit,
No limit to
Anything like
Name, fame,
Form, creation,
Destruction, and
All paraphernalia.
Unlimited,
And unlimitedness
We are living,
Eating, hearing,
Seeing and doing
So many things.
We live unlimited,
And we die unlimited.

Gajanan Mishra
I am dying
In parched throat,
Give me some drops
Of pure drinking water
In this summer.

I am dying, see me,
The sun is taking away
My life with its
Fortyfive degree heat.

Water is life as said,
Give me some drops
Of pure drinking water,
I am at your grievance
Redressal cell.

Gajanan Mishra
Pardon Me Sir

Pardon me sir,
I was not there,
The man who was there
Is not I.
Sometimes I think,
It is I but
Truth is that
It is not I.
I am my own enemy,
I am my own death
And I am changing
Though know not
Wrong or right,
So called mine.

Gajanan Mishra
Pardon Me, If You Are

Pardon me, if you are
Disturbed in any way
By my actions.
But I am here to act,
What shall I do?
I have to do what is good.
I know where is good,
Please come with me,
I will show you.
Coming with me
You could also discover
What is called love.
Pardon me, in spite of all,
If you are ignorant of true life.

Gajanan Mishra
Pardon My Blunders

Pardon my blunders,
O my dear, pardon me,
O my monarch, pardon me,
And You have pardoned me
And fulfilled my wishes,
O my dear, my body is
Your living place,
O my dear, I know, You
Are above all doubts and
Above all confusions,
You have stopped all that
Are stormy in my life,
You are the great and
Only the great of my life
And You know everything
About me, in fact I am
Your creation, my dear.

Gajanan Mishra
Pardoning

Who is guilty
Who is not guilty
I am not going to argue
I am going to say
O my dear, pardon me
I am guilty
I am in love
I love all
I trust all
This is my guilt.

Paris, Paris, Paris

Where is Paris?
Paris, Paris, Paris!

Where is humanity?
Men, Men, Men!
My dear men,
What has happened?

Am I not in Paris?
Is Paris not ours?

Still I am with you
Day and nights,
Stay fearless.

No one can disturb you
At any time.
No matter it is
Winter or summer!

Long live Paris!
Long live the earth!
Long live men!

I am here with you,
I am yours always.
Worry not and stay.

Go and play
This park is
Waiting for you.

Flowers colours
Waiting for you.

Parley

Parley's outcome -
What can not be done
Directly
That can not be done
Indirectly.
Parley's outcome -
Accept sanction
Not unilateral sanction.
Parley's outcome
Is not motion.

Gajanan Mishra
Parrot And Cuckoo

Parrot and cuckoo
Are here at this time
And at this time I am
Waiting for You here.

I am here and through my
Charming eyes, my dear
Looking at You with
Moisture of love.

The delight I feel
Here in this flower garden
O my dear, and I experienced
Thrill of joy.

See I am self-restraint
And on the path of enlightenment.

Gajanan Mishra
Part Of Life

Good and bad,
Dark and light,
Everything is
But part of life.
And life is truth,
You are to go
With integrity
Without any question.
However, you are
To say everything
Is fair and beautiful
We are just a tool.
It is the test of time,
Say, it is not mine.

Gajanan Mishra
Part Of Me

You are
A part of me.
Right?

We are here,
We are there
Together.
Right?

Control,
Control the self,
Please.

Control yourself
And stay bright.
Right?

We are rising up,
We are going down,
And we are together.
Right?

Please see,
Please say,
Where we are!

Gajanan Mishra
Part Of The System

My request
My prayer are
Not necessary
If I am here
To admit
You can know everything
You can see everything
You can go everywhere
You can do anything
Whatever you like.

Gajanan Mishra
Part Of The Universe

Activity creates
The universe
And I am
Part of it.
I am the real
Entity and
I am undivided.
I am the whole truth,
Nothing is there
Besides me.
I am my controller,
And I am here
Where you want
To discover.

Gajanan Mishra
Part Only

Creation yours
Part only what
We perceive
No body has power
To alter to change
To modify to stop
Creation that is
On and on.

Marvellous
And marvellous
Is this creation
The sounds here
The pictures
The water the air
And inhabitants
All are marvellous.

Do not try to understand
This creation
You can not
You only a part
And a part
can not explain
About the whole.

The whole is
The whole.
I am also a
Part and a
Part only.

Gajanan Mishra
Participate Not

Participate not please
In the corrupt exhibition
That are here at present.

If you participate
Mind it you are
Approaching death.

Gajanan Mishra
Particular Care

You are there,
And taking
Particular care.
I am obliged, but
To express I
Have no words.
Words are also
Yours, that I know.
I am unable to
Express the state
Of affairs,
Excuse me, sir.
For you, I am here
Good and fair.

Gajanan Mishra
Particular Way

I can not go
In a particular way
As you show
I have so many friends
And companions see
I have so many thoughts
I have no affinity
With any other
O my dear, I am
With you now
It is your treatment
That compel me to stay
For some moment more
Thanks for togetherness
O my fragment
You are only my present.

Gajanan Mishra
Parting Garden

Arrogance all
Came at a time
With flowers
And scents.

Courtyard is
Naked still
And I see in me
Unreturnable bird is
Flying away with high speed.

Here in this garden
You cannot find any
Flower or the bee
It is there like a
Solitary foot path.

Gajanan Mishra
Partition

Partition is not conclusive
And I am unable to decide
Which part is yours
And which is mine.

Is there any difference
Between foot and palm
Between men and women
Between sea and sky.

Utter not any word
It will go against you.

Go and stay there enjoying full
There it is yours.
It is not divisible
And you are within it.

Gajanan Mishra
Partly Good

Partly good
Partly bad.
Am I sad?

You are with me
I am with you
And we are separate.

What you knew
You told
What I knew
I told
Nothing came out
To make us fold.

What I said
And what you said
Not matched.

Gajanan Mishra
Partnership

It is good and
it is necessary
to go to the space.
Space belong to none
and yet we can occupy
through partnership.

Let us keep our
thoughts and feelings
pure. Keeping purified
is our responsibility.

It is true, we have
undisputed sovereignty,
It is true, we are affluent
on this earth with unique identity.

Passage For All Ages

'Language
is not barrage
but passage
for all ages'
rightly said
by my dear
honorable poet
friend Mehta
Hasmukh Amathalal
I salute you
My dear poet,
And I love my
mother and language
and my land and
I know, here
that is the only
source of my life
and my everything.

Gajanan Mishra
Passes Away

Passes away
Everything passes away
The night the star
The day the fire
Everything everything.

I remained as it is
Where it is
Here as a fairy tale.
Death passes away
Birth passes away
And passes away
Everything passes away.

Gajanan Mishra
Passing From

Passing from here
To there,
Something difficult
Without horse-dance.

Try not to
Possess anything-
Sparking in your dreams.

Eyes blind-folded
Follow not any one,
You are not the sun
To tackle any situation.

Give not word
If you are not able
To follow tend.

Gajanan Mishra
Passing Many Births

I am passing through many births
But I have remembered You only
O my dear, I know You are birthless
You are immortal you are divine potency
I know, You have kept nature under your control
And You come forth for the protection
Of the innocent and virtuous, my dear
You are the controller and chastiser of foes.

Gajanan Mishra
Passing Off

It is all passing off
Without passing up
But for a new life.

Gajanan Mishra
Passing On This Way

Passing on this way
I opened the doors
And windows
And saw so many things
With you O my dear.

That I have forgotten
That I am Your part
And parcel with
Bursting shadows
And heard so many sounds
In the space provided.

Gajanan Mishra
Passing Out

It is you
Who are passing out
And not I
It is I
Being real
Never cease
To be
Acquire qualification
To see
If you so like.

Gajanan Mishra
Passing Through

I am passing through
Hills and mountains
Forests of bamboos reeds
Sharp grass weeds and caves
I am passing through
Deep dark dangerously
fearful forests
Play yards of snakes owls
And jackals
I am also passing through
Rivers ponds resservoirs of waters
Filled with beautiful
Lotus flowers and seas oceans
Fit for the denizens of heaven
With bees and singing birds
I know You are with me
Throughout my life I am happy.

Gajanan Mishra
Passion Binds

Passion binds,
Come on from it
If you want
To be free.
Be cheerful,
O my dear,
Sadness is not
there to touch you.

Gajanan Mishra
Passion For Violence

Is very bad
Taking pleasure in violence
Slaughter innocent creatures
Is not for good of anybody.

O my dear, understand the life
And understand the Truth
You are now on this platform
And see everyone as your part
And parcel and deliver the real
Profit to yourself at least.

Remember my dear, you are
On the mode of goodness
And for the welfare of all.

Gajanan Mishra
Passion Of Beauty

Passion of beauty
Passion of beauty
And it is my duty
To come forward
In changing body.

Let me bless, my dear, and
See me, I am personification
Of full moon and the very
Nature of the Supreme
That is there in my dream.

Gajanan Mishra
Passport

I have not got my passport
I have not decided to go.

So far I know
There is no place to go.

I have not decided to go
I have not got my passport.

There is no place to go
So far I know.

I am here
My life is here
And there is
No substitute of life.
I know
You know.

Gajanan Mishra
Password

Poor I am and
You are here
To look upon me.
I have my own name
And this is the password
Given by you
My poor password
Is yours
So also my name
Poor I am.

Gajanan Mishra
Password is required
To enter anywhere.
Real identity is a must.
To renounce and sustain.
Password is required.
And to give password
Face fire is a must.
Knowledge is the face fire,
And it is there with
Fearlessness and with
Equanimity in eternity.

Gajanan Mishra
Password Unknown

Password unknown,
Still, I am there
In the room.

Let me convert
The life there
Outside the room.

I am inside the room,
I am also outside.

Gajanan Mishra
Past And Present

Only past and present are with me
And I am writing poetry
My poetry are most profound
Most secret of all
Unless you fix your mind on it
You can not look to the future
Through my poetry and also you
Can not lead a good life in your society
I am writing poetry only for you, my dear
You may belong to any caste any creed
Any sex any country any color no matter
I want to disclose my secret
You, my dear, be prepared to read my poetry
Through this link language
With faith, mind not about the mistakes.

Gajanan Mishra
Past is always glorious,
We should not be ashamed of
Our glorious past.
Let us keep in mind,
We should make our future
Brighter than our glorious past.
We are here in this world
And this world is full of huge knowledge.
Let us go with these knowledge
On the path of truth and love.
We have to accept all, as
This world is for all.

Gajanan Mishra
Past Life

I am enjoying my past life,
It is all good and all bad,
And I cannot blame anyone.
I am the cause and
I am the effect.
Let me denied what I am not.
My pleasure is mine and
I am my own judge.

Gajanan Mishra
Past Life- I Utilize

How can I know
My past life,
And even if
I know I do
Agree to suffer
The results
Of my past life.
I am the conqueror,
And I am the victor,
I am the successful
Winer and also
I am the chief executor
Of this life
Here and hereinafter.
I know the value of life,
I know I am in goodness
And successfully I
Utilize my time
For other's benefits.

Gajanan Mishra
Past Present Future

Past, present, and future -
All are one.
And they are not in a position
To affect my life.
Hours, months, years, seasons -
All are one,
And they cannot touch me
As you see I am always living
Beyond them.
I can wind me up,
I can create me anywhere.
But you, my dear, let me say,
Need me in both gross and
the subtle way to stay here.

Gajanan Mishra
Past, Present And

Past, present and
Future- everything is
Here with me now.

Gajanan Mishra

Who is coming here

Path Breaking

I want to say
Path breaking.

No path here
From the beginning.

Ordinary man like me
Approaching but not reaching.

Place and time
Not at my reach.

Gajanan Mishra
Path - Clear

Path is clear
I have to go further
And at the end
There is a flower
That is to wither.

Gajanan Mishra
Path I Want To Choose

Path I want to choose
Is not here as you see.
But I discover it within.

Gajanan Mishra
Path is not wrong,
But we are wrong.
Wrong is not wrong
So long as we are right.
We are right and
We are here to fight,
To fight with wrong,
To establish the truth.
Truth is life,
And life is a feeling,
We are here to feel
Others in our own feelings.
Here we are and
Here our star-world.

Gajanan Mishra
Path Itself

Path itself is there,
You cannot say
The path is right or
The path is wrong.
But on the path,
It is you
Who do, wrong.
Come on to the right
Side and fall not.
What you do,
You are there to go,
And where you go,
The path is there
To take you.

Gajanan Mishra
Path Of Good Fortune

Time is eternal,
Men, be aware of
The influence of
Eternal life.

Life is eternal,
Men, be aware of
The influence of
Eternal time.

Time and life,
Both are with us
And we are to
Proceed ahead.
Men, we are on
The path of good fortune.

Gajanan Mishra
Path Of Good Life

Again and over again
I am thrilled with you,
My dear poet.
You are the symbol of
All joy.
You are really wonderful
And thrilling with
So much words with you
That are really lovable
And the truth.
You are showing us the way
To lead a good life that are

Path Of Life

Your touch
Your song
Your love
All path,
Path of my life.
Let me sink
in your love
in your song.

Let me count the numbers
That are there in you.
But you are a man of
Without number that I know.

Poison is nectar in you,
And life is the only truth.

Gajanan Mishra

Words are not
easy to utter as
the sky is not clear.

It takes time for rectification.

And being Supreme You should forgive me
For any inaction wrong action
And You are to give proper direction.

Gajanan Mishra
Path Of Self-Knowledge

You are the embodiment of
Truth, knowledge, and bliss.

I am Pathankot,
I know, war is there
In me, between
The dark and the light.
I know the winner
Is the light.
The terror and
The terrorist will
Not last long.
My security men are
Very very strong.
I know and I realize
I have to take preventive
Measure for the safety of all.

Gajanan Mishra
Paths To Hell

Paths to hell are
Lust, anger, vanity
And covetousness.
O my dear, go not
On these paths,
You would certainly fall,
Do not turn hostile
To living beings,
Almighty is there
Within all.
If you have oceans
Of virtues, my dear
That would not do
Any kind of help to you.

Gajanan Mishra
Pathways

Pathways- innumerable, but
We are to go only on one path
To the ocean of immortality.

Gajanan Mishra
Patience And Confidence

Patience and confidence are
With you that I know.

You are here and you have
Accepted all and you are
Executing your service
According to rules and regulations.

Have patience and confidence
Always with you, my dear.

Do you know what is truth
And if you know then only
I am coming forward to make
Friendship with you.

I know you are a living entity
And you are part and parcel of Almighty.

Gajanan Mishra
Patience And Determination

To attain the truth,
Patience and determination
is needed.
Make no haste, my dear,
Stay indifferent and
Achieve quietude.

Truth is the base and the illuminator.
Fix your mind on truth,
Think yourself as
part and parcel of truth.
You may change, my dear,
But truth remain the same,
You are within the truth,
Test yourself, my dear.

Gajanan Mishra
Patience And Life

Only with patience and
Perseverance, you can
Win the world and
You can realise the truth
With so many eyes,
Ears, noses,
So many hands, and
So many legs.
But you are to
Reveal yourself
With love.
Confirm yourself first
That you are yours
Here at this hours.

Gajanan Mishra
Patience And More Patience

Patience,
Have patience,
More patience.
The mountain
Tells me,
The earth
Tells me,
The sky
Tells me.
Patience,
Have patience,
Till the air
Returns back
All here.

Gajanan Mishra
Patience And Peace

Patience and peace,
Two instruments,
By which you can get
Success everywhere.

Nothing to fear,
If you are not greedy,
Wait to achieve
The real purpose of life.

Dear men, stay truth-conscious
And stay happy and victorious.
Dear men, take practical action
And get perfection.

Gajanan Mishra
Patient And Peaceful

Patient and peaceful,
But we are brave enough
To fight the enemies,
Going against humanity
And freedom.

Gajanan Mishra
Patra

patra matire
padu nahin
dekha, jauchhi uparaku.

Gajanan Mishra
Patridge

Patridge is a bird,
I want to ride on it,
But how?

Gajanan Mishra
Paucity

Smallness is there in our time,
Smallness is there in our life.
Smallness and we are living
In this smallness.

But pauperism has not touched us.
We have paved the way for the future.
Patron saints are there all around us
And they are telling us not to worry
At any situation anywhere here.

We scoot and reached nowhere,
We see our own mirror image
And we feel mirthless-
Reason not known. We are
Not misanthropic though.

Gajanan Mishra
Paucity Of Pious Activities

I am poor,
I am ignorant,
I am also a fool.
Paucity of pious
Activities are
With me.
I regret
My living style.

Gajanan Mishra
Pay Attention

Pay attention to my words
That are there within you.
I am telling about you,
And you are entitled, I know.

How long you are there, and also
I want to know about your livelihood
And you are keeping aside yourself
And that is not the truth.

No right and no wrong,
It is all the same here
With the hearing and
In detachment.

It is your sense of purity,
You may take it as real and unreal as well.

Gajanan Mishra
Pay For This

Pay for this,
Pay for that,
Nothing is free.
Nothing is cheap,
No bargain,
Rate fixed.
Come on and select,
Your choice,
Your voice.
All are to be
Recorded,
Nothing to worry.
Before CCTV
No chance to cheat.

Gajanan Mishra
Pay Respect

Pay respect to
Your Father
Your Mother
To your guide
And philosopher
Remember all
Is one and one
And He is all pervading
Omniscient and within all
Pay respect pay respect

No one is there as
Your well-wisher
Remember, the Truth, my dear.

Gajanan Mishra
Paying Attention

I am paying attention to your message
O my dear with pen in hand and
Cutting through the binding knots
Of earthly reactionary work

And I am paying attention to
Your words your messages for liberation
You are my only well-wisher
I know and doing your works here.

Gajanan Mishra
Paying Dues

That I am truthful.

It is You
O my dear, who is
All-Embracing
All-Knowing.

You are doing good
And there is no fear
Nothing to grieve.

Truth is You are Pure
And You are ever ready
To pay my dues.

Gajanan Mishra
Paying Everything

I am paying everything for you
And you in turn tolerate me.
I am here only for you
I am here because of you
I am here
Yours.

Look this Tiha
The beautiful green
Sacred bird
Pious path that shows.
It is not whole right
To say I love you
It is right to say
Without you my whole
Existence is not possible.

Gajanan Mishra
Peace

Freedom from war is peace
And war never ends

Gajanan Mishra
Peace - A Means

Attain it, my dear
And it is in you.

War - a necessity
Fight it, my dear
And find the sight
In you.

Try to live
In between war
and peace - nothing absolute.

Who are you, man
To needs anything?
And what is that
That is lacking with you?

Gajanan Mishra
Peace Formula

See and find
Find and apply
The peace formula
That is there as truth
In my poems
If you are really
Very much anxious
To live in peace
And in real prosperity.

If you are really in truth
Nothing can be wrong in you
If you are really in truth
No needs to enact laws
To reform your way of life.

Gajanan Mishra
Peace and happiness are there,
Where there is renunciation.
And where there is renunciation,
There is the end of miseries.
And there is love and eternal bliss,
Where there is love and eternal bliss,
There is everything, happiness and peace.

Gajanan Mishra
Peace And Harmony

Let peace and harmony
Prevail everywhere always.
Let all perform all
Activities for all good.
Let all beauties be there
With us all around.
Let us stay clean
And in all purity.

Gajanan Mishra
Peace And Immortality

It is more
What You have given
Than my desire
And I have got
My peace and
My immortality
With my contrite
Heart and secret.

Gajanan Mishra
Peace And Joy And Love

Peace and joy and love
All are there in my poems,
All are for you, enjoy them.

Gajanan Mishra
Peace And Morality

No peace,
No morality.
Life is suffering
There today, with
The quarrelsome people.
And these people
Indulge themselves
In wine, illicit
Relation with women,
Gambling and they are
Busy in slaughterhouses business.

Gajanan Mishra
Peace And Only Peace

Peace and only peace,
That I want, my birthright,
Without any condition.

Gajanan Mishra
Peace And Peace Of Mind

Peace
Peace and peace
Peace and peace of mind
Are absolutely different
From one another.

I know, You know
And we have forgotten
What is known here
At this juncture, my dear,
And we find no creature.

Gajanan Mishra
Peace And Prosperity Are There

Where there is spiritual advancement
Here we find happiness
Here we find full cooperation
For common welfare.

Gajanan Mishra
Peace And War

To ensure peace
Be ready for war
To see me
You please see
Yourself first
To get everything
You give everything
This is the world
Of give and take
And you are here
Not to destroy
But to make.

Gajanan Mishra
Peace Be Unto You!

Peace be unto you!
Remember, God is always
Forgiving and merciful.

Despite your wrong
God is rich in
Pardon for you.

Peace be unto you!
Remember my dear brothers
I am yours for ever.

Gajanan Mishra
Peace Comes

Peace never comes
The way you want
Peace comes only
Within you
If there is no desire
Within you
Peace comes only
If your movement is free
Free from attachment
Peace comes only
If your are not
Egocentric
Peace comes
Peace comes.

Gajanan Mishra
Peace Disturbed

Peace disturbed in Buddha path
Stumbling block in reality.

See is always not seeing
Hear is not hearing.

We failed to watch here
The rising of the sun
And the sun failed to
Give light to us.

Yet we are lucky we are here
We are breathing in and
Breathing out to say
We are alive.

Gajanan Mishra
Peace Is Not An End

Peace is not an end,
But a means to
Attain the truth.
And truth is life,
And life is to live
Without any
Selfish motive.
And in life
One has to abandon
Everything right now.
As no one knows
How to die and when
And where and
For what.

Gajanan Mishra
Peace Means

Peace means
Pursuance of
Stability and
Development.

I wish
The entire world
Be live
In peace.

Gajanan Mishra
Peace Or Prosperity

What do you want
Peace or prosperity?
You are in a prosperous
Condition but not in peace,
Prosperity has no meaning.
You are in peace,
If you are not active,
Not progressive,
Not living to the core,
Peace has no meaning.
But peace is the goal
And for peace, struggling
Is a must and we are to
Sacrifice so many things.

Gajanan Mishra
Peace Project

Peace project,
Peace project is
Crumbling and
We are the silent
Spectators.
Bearer of the peace torch
Is acting as the wanderer.
Is it time for our
Own destruction and
Are we going towards
Next world wars.

Gajanan Mishra
Peace Searching

You are on a mission
Of peace searching,
Go within.
Peace is there
In solitude.
Stay in crowd,
No problem, but think
Who you are there
And what you are doing
For whom.

Gajanan Mishra
Peace Zone

India that is Bharat-
A peace zone.
Come to India
And enjoy life.
India is for all,
All are for India.
India is there
To lead the world.
Listen to the vibration
Of words, words of love.
All beauty, and eternity and
All truth are here.
Come to India to acquire knowledge
And to realize the self.

Gajanan Mishra
Peace, Peace And Peace

Peace, peace and peace,
It is all peace
We are to attain in this life,
But no peace and no grace
Here or hereafter
Till life is there.

Life is a path,
Path of grace and harmony,
Life in purity,
Life in submission.
Here we are to
Salute one another.
Here we are to go with
Forgiveness and compassion.

Gajanan Mishra
Peace, Death, Truth

Peace

Though, within,
I am searching
Everywhere.

Death

Know, this life,
Eternal, and yet
I am in fear.

Truth

This life
And this earth
And this sky.

Gajanan Mishra
Peace, Peace, Peace

Peace, peace, peace,
World wants peace,
You are right Nandita
I do agree, but
Let me add a few lines
Peace is not in war,
Peace is in our tolerance,
Peace is in our living style,
Peace is in our perseverance,
Peace is in our love,
Peace is in the Mantra-
Live and let live.
Let us know who we are
and what should be our role here there.

Gajanan Mishra
Peace, Where It Is

Peace, where it is
I asked you
And you replied
It is here with me.

Where I am
I wanted to know
And you replied
You are in peace.

I circled
Round and round myself
Singing and dancing
And I discovered truth.
And also I discovered love
In that truth and I feel alright.

Gajanan Mishra
Peaceful Eternally

Peaceful eternally,
Everything and everyone here.

Here, find each one
In unlimitedness.

Try to enjoy life
Here in full.
Enjoy the benefits
It is all for you.

Life is to achieve something
And know, it is love.
Life is to do something,
But it is in truth.

But be cautious to the driver,
To your thinking process, thoughts.

Gajanan Mishra
Peaceful Life

Enhance everyone's
Peaceful life, my dear,
If you love really
And if you really in truth.

You are the reservoir of
All nectar. It is true,
You are here for others.

And build a
Harmonious society.

How to develop in society,
It is you to decide.
But rise with the light,
With the love of Diwali.

Diwali is the symbol of
Light and limitlessness,
Go with it with full safety
To touch the eternity.

Gajanan Mishra
Peaceful Thought

Let peaceful thoughts
Come to me always and
Keep me in calm delight.

Gajanan Mishra

That is for us.
We are here
To grow
With timeless
Moment.
Stones and hoods
Have no role
To play, remember.
Say not any
Dubious words
And disturb not
The atmosphere.

Gajanan Mishra
Peaceful We Are

Peaceful we are, but we can
Understand and we are able to
Give a befitting reply to
The language of war.

We know, fear creates irritation,
Irritation creates anger
And anger creates violence,
We know peace cannot be achieved
By violence and by war.

Peaceful we are, but we will not
Allow any one to tear up peace
And tranquility in our area.
And also we allow not you
To abuse peaceful development.

Gajanan Mishra
Peace-Life

Is there any geography
of my hunger?
Is there any color
of my thirst?
Is there any religion
of my love?

I know not.

But I know

And I am with you,
And here

Gajanan Mishra
Peacock - A Bird

Peacock - a bird,
It reproduces
Like any other bird.

Cow - an animal,
Sober and innocent,
So also the goat.

And all
Annoyed us at present
For the purpose
Best known to all.

Who am I to interfere?
It is better to watch
And hear all discussions
And get some pleasure.

Gajanan Mishra
Peacock Feather

What is there
In it,
In that
Peacock feather?
My dear, I am
Waiting for

As a real lover,
Real social worker.

Gajanan Mishra

People Can Be Wrong But Not The Stone

People can be wrong
But not the stone.
Listen to the stone
Attentively and carefully,
How the stone is describing
Like a travelling agent on
Colorful flowers,
Marble moving mountains,
Singing birds, waterfalls,
And about footpaths.
But what is there
In front of my eyes is
The life roaming here
And there like dazzling stars.

Gajanan Mishra

Preachers teachers are
Not in truth
No bliss no perfection here
In this materialistic world
O my dear, come to the Truth
And be Truth-conscious
To escape from the flowery
Net of unsocial elements
And from hypocrisy.

Gajanan Mishra
People In General

People in general
Are misguided
By the politicians,
People in general
Are unlucky.
Above all, they are
Disturbed for nothing.

I know, this is
The age of quarrel.
Still then, we the poets
And the true learned
Should come forward
To save the people
From the curse of life.

Let people know,
They are blessed,
Ultimate good is
Only for them.
Let the people
Understand the truth,
The value of love.

The people in general
Are competent to do
All good here,
They are all pure and
They deserve reward,
Reward of love,
The reward of affection.

I am not pure
The actual doer
Likewise so many
Things are there to say
But my dear as you know
I am not a perfect talker.

Gajanan Mishra
Perfect Virtue

I am writing poems
As I think
Writing poems is
Practising
The most perfect virtue
Trusting the soul
And honouring
Its sound.

Gajanan Mishra
Perfect Vision

I know You have a perfect vision
And You Yourself could know me
And my sense of perception
You are my dear only dear
You my love my dream being birthless
No death can touch you my idea my emotion
You are my Love O my dear
You have appeared before me
Only for my welfare and
For my well-being.

I know You are the knowledge
You are the cognizant of all knowledge
You yourself has appeared before me
I have nothing to say or hear
Except Yours O my Master
I know everyone else and that is You
You are my letters You are my spirits
You are my all in all You are my love
In his earth You are eternity
You are deathless and You are here
By Your causeless mercy.

Gajanan Mishra
Perfection In Return

Give me protection,
I am here to give you
Perfection in return.

How can I give
Nothing is mine
And I am just in.

I wonder where you are,
And I dare to asked that star.

The star is smiling
And I am realizing
The truth in life.

Life itself is a blessing
I know, nothing is confusing
Just accept everybody as kith and kin.

Gajanan Mishra
Perfection Of Human Life

Perfection of human life
Lies in purified stage of
Fearlessness.

It is true, nothing to do
With family prestige and
Luxurious life.

Hear nothing and
Live like a dumb man.

See, irreligious practices
Everywhere,
Throughout the world.

Be a man of pure spirit
And realize the truth
For all good.

Gajanan Mishra
Perfectly Right

If I am prepared
Myself to fight.

I am pure in habit
I see You, O my dear
In all things all sight.

Gajanan Mishra
Perform Actions

To comfort others
O my dear,
Forget about evils
And virtues
That appear in different
Forms in different situations,
Remember, evils persist
With virtues, The virtues
Appear to be valuable.

Gajanan Mishra
Perform Duty For Duty's Sake

Expect no reward
Either here or
Hereafter.

Duty indicates
Who is who.

Also have no affinity
With object time and place
While performing duty.

No attachment no bondage.

Here You are, my dear
Appear and disappear
And it is wonder.

Gajanan Mishra
Perform Not

Perform not
Forbidden actions.
It is also actions
And it is good
For the welfare
Of others.

Nothing new
Here in this world.
Nothing is there
To be performed
By you.

It is all good,
It is all for mankind,
It is all for love.

Gajanan Mishra
Perform Your Own Duty

Perform your own duty
And attain truth
That is within you.
Think always about you
Realize that you are
Within all.

Gajanan Mishra
Performing Action

Performing action
has got no meaning.
Come on and see, I am
doing nothing except
calling you always
through writing poems.
Through these poems
I am touching you
and you are appearing
for all here.
I am yours only,
and you are mine.

Gajanan Mishra
Performing New Actions

I am a human being
I can perform new actions
And in performing new actions
I can reap the fruits of deeds
Of earlier lives.

Gajanan Mishra
Perfume

What is the use of
Perfume
If we have kept
With us
Purified and
Sweet thought!

We should proceed
With our own
Philosophy,
That is unique
And that is
For us.

Our thought
Our light.

Gajanan Mishra
Perfumed Garden

Here in You
I find perfumed
Garden wherein
All seasons are
Playing with
Equal tunes.

And what is that?
That is my life
That is my leaf
Flower and fruit
That is my life
And my love.

Here in I find
An ocean of life and livings.

Gajanan Mishra
Perhaps I am not here
Perhaps You are not there
Perhaps nothing is there
Between us.

Perhaps we are going together
Perhaps we are not going anywhere
Perhaps time is going away
From us.

Gajanan Mishra
Perhaps, I Have Committed Mistake

Perhaps, I have committed mistakes,
Excuse me, if it is so sir,
Let me concede and allowed you
To do as you desire.

This much I can do and nothing more,
See me, how helpless I am here, I am not
Capable to pick up a dry leaf from the ground,
You can accept or reject me on any ground.

Gajanan Mishra
Perishable And

What you see
Is perishable
You are not here
To see me
I am imperishable.

O my dear
I am not masculine
I am not feminine
I am also
Not neuter.

No modification
No description
See what you are
And you are not entity
Earthly and unearthly.

Gajanan Mishra
Perishable Body

Perishable body.

I identify myself
With this perishable body.

Is it true?
You are putting question.

What should I say
About this!

Here I am in
Hypocrisy, envy, jealously.

And it is very important
For me to be a man
Who is happy.

I know, the real
Never ceases to be.

Gajanan Mishra
Permanent

I know,
What is permanent.
I know - my love,
I know - my joy,
I know - my life.
And so I care not
Death.
I know the quality
Of being durable.

Gajanan Mishra
Permanent Address

Ask not for my
Permanent address.
I have kept only
My temporary address.
Anything, if you so like,
Can send as and when
I am available here.
Still I am not here
To say it is mine,
I know I am
Also not mine.
I am here at present,
Who knows when I
Will be absent!

Gajanan Mishra
O my dear
See I am
Living in love
See I merge in love
And it is your love
That has its own
Existence in me
And see I remain
Here constant
Till the end
And see my love
Has its identity
With you
And I am getting
Pleasure that is
Permanent one.

Gajanan Mishra
Permit Me To Declare

Permit me to declare
I am not willing
To receive anything
In return
For my own words
That I am delivering
Here for the benefits
Of all creatures.

I know my words are
Not mine.
The words are coming
On their own accord
When and whenever
They like to shine.

Gajanan Mishra
Permit me to describe
In my poems about the atrocities,
About hunger, thirst and all
The weaknesses of an individual.
Permit me to describe
In my poems love, truth, victory
And all that are necessary
For a living being.
Permit me to say something
In the light of the day.
Permit me to say also
Where there is a day
There is a night also.
And hence poems are kudos.

Gajanan Mishra
Permit me to explain
How and who are here.
Permit me to explain
The purpose and actions.

All are enlightened, true.
All are nectar, true.
Give confidence, each one
Is solid virtue.

Everything and everybody
Is empty and find
No cause of grief and
You are on the way of purity.

But remember, here
Each one is blind,
And a blind is leading
Another blind as a guide.

Permit me to explain
All falsehood and let me
Accomplish rightly and
Return to my own position.

Gajanan Mishra
Permit Me To Speak

Permit me to speak
Give me permission to speak freely
In spite of all the disturbances.

Let me stay here
O my dear, and enable me to solve all problems
That are here with us.

Let me defeat the time
With Your help, O my dear
The words are here to help.

For Your satisfaction
Let me say what I think
In the manner that is there in me.

Permit me to speak
Permit me to speak
permit me to speak.

Gajanan Mishra
Permit me to return
To the place
Where I was yesterday.
Let me stop
Here where
I am today.
I want to go
To the coming day
That I think happier.
But alas, nothing is
Under my control
And I am, look,
Missing verthing here
For no fault of my own.

Gajanan Mishra
Permit To Write

Permit me to write, my dear,
In my own language
On my own land
Freely in free verse.

I am a flightless creature
And I mind not
The change that is
Going on from summer to winter.

I am not an escapist either,
No one can forced me
To leave the place
Though I have flippers.

Gajanan Mishra
Peroration

You are delivering
Without peroration
I permeated though
Now you can say
How subtle I am.

Gajanan Mishra
Perpetual

Perpetual-
Our fighting.
Perpetual-
Our love.
But for truth
Let it be
Continued
Further.

Gajanan Mishra
Perpetual Reality- Oneness

I love,
The seeker of truth.
I love,
The worker for truth.

I desire
All should stay
With good.
I desire
Goodness should be
There for all welfare.

I know
The absolute oneness.
I know perpetual reality
In loving exchanges.

Gajanan Mishra
Persevere Only

Persevere only
path only fasttrack.
No alternative
go deep
having a dip dip.

O paster,
pain is only mine
give, give
and with pain
look, I shine.

Gajanan Mishra
Person In Illusion

Person in illusion
Must lament.

Materially engrossed
Person being blind
Must bewildered.

Knowledge of Ultimate Truth
Is a necessity.

Full knowledge of
Self-realization takes you
To eternity.

Be aware, my dear
You are the emperor
Of your own empire
That is with you there.

Gajanan Mishra
Personally Enjoying

Personally enjoying
Is committing
The greatest offense.
And committing
Such offense
Means avoiding the truth.
And by avoiding the truth
You are nowhere.
And no one is there
To save you.
Are you safe?
I would like to
Ask just giving a flash,
All about your class.

Gajanan Mishra
Persuade The People

Persuade the people, O poet,
To turn to the real here
For maintenance of the world.

Gajanan Mishra
Perturb Not

Perturb not,
As usual, we are here,
Forget not.

All disparities are
Vanishing, see.

Get up and see
How happy we are here
With nature.

The water and the air,
The light and the sky,
All are here for us
And we see that
With ecstasy.

Engage yourself and stay busy.

Gajanan Mishra
Pervasion

You pervade all.
And I have perversity.
Why? ?

Gajanan Mishra
Perverse Understanding

Is bad and not good
It is nominative case
A glimpse of the sentient.

Gajanan Mishra
Perversion

Perversion of
The light is darkness.
We have to cross over
All darkness.
Let the sun appear
And gives life to all.
Let the nectar
Create and maintain
All in eternity
With all energies.
We want knowledge to
Distinguish the good
And the bad, and go
Beyond all darkness.

Gajanan Mishra
Pest Crisis

Pest crisis,
And we are to
Speak a lot
On madness
And depression.

We want to see
Suicide.

Shut up,
How dare you
Say about coercion.

Nothing but sanity,
All revelations,
All feelings -
Life and living.

Gajanan Mishra
Petty Weakness

Give up petty weakness
O my dear and arise
And live a life of
Upgrading pleasure
Life is nothing
But to get nectar.

Gajanan Mishra
Petulance

Quit the public office first
If you want to be petulant.

If you show your petulancy
It is dangerous for the country.

Public officers are on the chair
Only for the general public.
And adulation is to
Give aside.

Gajanan Mishra
Phailin Phailin  Wreaks Havoc

Phailin Phailin  cyclone wreaks havoc
Here in Odisha wherein seventeen killed
Here in Odisha lakhs of thatched and
Kutcha houses was worst hit
Lakhs of trees uprooted
Normal life remains out of gear.
This is nature, dare not go outside
My dear, You are part and parcel of that nature
Be ready to count survivors

Gajanan Mishra
Phaillin Come In

Phaillin come in
It is evening
It is dark
Phaillin barks.
Road blocked
finger crossed
Media and machinery
Raised alarm
No harm.
Phaillin cyclone
Is there on its way
And life back on track
Selling flowers
That is great Puja bazars.

Gajanan Mishra
Pheriwalā (Odīa)

Se kana bike?
Sabu jinisha dhari
Keontharu aase?

Kaha pakhare
Kichhi hisab nahin.

Kintu mu dekhe
Sada khusi pheriwalā.

Mu dekhe taku,
Jepari se
Jane sachha premika,
Sachha samaja sevaka.

Gajanan Mishra
Phone Number

Phone number, email
Be given to me,
For future correspondence
If any, at the time of need.

Color, height, weight, group,
And all characteristics be
Shown for recognition here.

I know, nothing is helpful,
And yet, arms and ammunition
Be with us, I do agree,
To fight the battle.

The battle is going on
Here and there, within and
Outside, as all know.

Good fortune is here,
Life is going towards
All perfections.
Still, all misconceptions
Be avoided and stay
With all productive activities.

I can understand what is life,
And the feeling of life
And love be there
In each and all relationships.

Our presence is truth
Like the air and the water,
Like the earth and the sky
And like the light.

Gajanan Mishra
Physical Or Mental

Giving or taking - no matter
But I am there I am here.

You can not describe me
In your ink
You can not value me
In your gold.

I am what I am
Here there
I am sandal-paste
I am flower
I am leaf
I am air
I am a feeling
I am smiling
Being the over your head.

Reach me if you can
I am silent
See me anywhere
I am violent.

I am mundane
I am also non-mundane
You can not call me
Definitely what I am.

But I am present
In clay in stone
In your flesh in blood
On the sight in the light
Also in dark that dog bark.

If there is anything else
You see that is also I
I am the pairs of opposites
See and feel within and outside.
Gajanan Mishra
Physical Suffering

Physical suffering is
No suffering if we are
To stay far from the body.

Gajanan Mishra
Physics Of Language

Physics of language,
My dear poets, have a
Better gravitational sensing.

Gajanan Mishra
Pick Me Up

Pick me up from here
I do not want
Anything else, my dear.
I want to stay with You
I have no shelter.
I am flowing
In this honey-river
That is Yours
And here is nectar.

Gajanan Mishra
Pick Me Up,

Pick me up,
Pick me up.
I am fallen
In this well,
Somehow or other.
Pick me up,
Pick me up.
The well is dark,
And I am not
Able to see
Anything here.
Pick me up,
Pick me up.
Dirty well it is,
And I am in dirt.
Pick me up,
Pick me up.
I know, you are there
With all light,
I know, you hear
My call and you are
Ever ready
To pick me up.
You are my master,
You are my guide,
You are my love,
You are my truth.
Pick me up,
Pick me up.
I am here
Waiting for you,
I am yours
Calling in a
Sweet voice, coo, coo.

Gajanan Mishra
Pick Up English

Pick up English,
Pick up English
In the best possible way.
It is you to say, simple guy.
Eat English, sleep English
Walk English, love English
but say not English is yours
with proper accent.

Gajanan Mishra
Pick Up The Key Line

Pick up the key line
And say what you want.
What do you want
A question needless
To ask at any time.
Such question is
Meaningless if one is
Aware of life.
And life is nothing
But a process in injunction.
And what is that
It is nothing but
Test of illusion
Getting saintly association.

Gajanan Mishra
Pick Up The Silence

Pick up the silence, dear poet,
Pick up the silence, please.

No words can help you, dear poet,
No words can help you, keep it in mind.

You are not floating dear poet,
Flitter, though in languages.

I know dear poet, not flexible you are,
When love and truth are concerned.

Gajanan Mishra
Picking Out Thorns

Picking out thorn
With another one
Is not bad, but good
For all and it is
Quite befitting
With time and place.
It is a way of
Giving service to
Living beings.
It is way to establish
Good and the truth
In the way, we live.
Need of the time is
To do good to all.

Gajanan Mishra
Picking Right Side

Why do we keep silence
And keeping silence means
Giving a chance to injustice
Ruled over justice.

Picking the right side
between justice and injustice
Is moral and legal responsibilities
In the present time of global crisis.

Gajanan Mishra
Picking Up Old Thread

Picking up old thread
I stayed day and night
It is my home meals
I have taken before sleep.

Thanks for start dyeing
Thanks for auto gear
Thanks for natural changes
And it is not anathema.

It is our domestic stagnation.

Gajanan Mishra
Pickup The Umbrella

Pickup the umbrella
And go if you want
Go to search me out
In this convass
Here it is in this sky
I am not here to obey
Pickup th umbrella
And here open
International airway.

Gajanan Mishra
See me, I am
Pure in nature.

I am with nature
But nature
Is not able to
Over ride me.

Mystic slumber,
But I am here
To show my
Original picture.

Golden hue
In external and
Internal energy
My original features.

Gajanan Mishra
Picture, I Like

Picture, I like
Is yours.

I am not a stranger
As you know.

I am a bi-product
Of time.

And time is nothing,
But your creation.

This picture is
Created by me.

And I am a stalwart, with me
I have kept early hours.

Gajanan Mishra
Picture, Not Mine

Picture, not mine
I see
Morning is icy.

I am flowing
In frozen stream
Chasm, the world.

Gajanan Mishra
Pieces Of Paper

After this night,
No more value.
The five hundred
And one thousand note.
It is all like
Worthless pieces of paper.
After this life,
No more value.
This body is just
Like the eatables
Of dogs and jackals.
Dump or burn
As you like but
That also pollute.

Gajanan Mishra
Pierces Cane

A carpenter
Pierces cane
So also You O my dear
Bifurcated the strong
Body of the atheist
Hiranyakasipu
With Your nails
For welfare of all.

Gajanan Mishra
You are piercing
Through back,
And I lack words
To express myself.

What type of happiness
You get that I want to know.
And my desire is that
You should desist yourself.

Gajanan Mishra
Pigeon

Obligation to promote
spirit of law
pigeons version.
Ethos of life
to make society
fair and free.
To reach the goal
and to keep faith
overtake obstacle.
Keepaway volteface
to achieve target
go to open space.
Do task in time
regularly and enjoy
auto lessen burden
and keep relation
with pigeon.

Gajanan Mishra
You are my guest, my dear,
Wait, I am trying my best
To satisfy you, and telling this
The pigeon jumped in to the fire.

And the pigeons went to heaven,
We have seen in ancient old days
Such is our tradition here on this
Earth, every creature has its uniqueness.

The hunter was the guest of the pigeons
One rainy cold night and was hungry and
Sat under that tree, where there lived
A couple of pigeons.

O you are great,, my dear pigeons, as because
You have gathered dry leaves, brought burning stick
And put it on the dry leaves, the guest got warmth
And You sacrifice yourself by jumping ion to the fire.

O bird, my dear, You treat your hunter-guest
By sacrificing your life and went to heaven
And what we the men are doing here, see
We are looting the guest and taking away everything.

Gajanan Mishra
Pigs

Pigs are necessary
To save the village
From pollution.
Critics are necessary
As they are busy always
In the work of correction.

Have patience and be
Brave enough to
Proceed on your own way.
You are on the path of truth
Love it from the beginning
See and feel that
The sky is there for you and
Nectar is there to welcome.

Gajanan Mishra
Pilabela Nahin (Odiaa)

Pilabela nahin
Aau mothi.
Khali pada
Badhu ni purba muhan.
Samaste apekhyare
Debaku niaan.

Diga, patha
paru ni bari mu.
Sabuaade dhuli
O jhada.
Jhadijauchhi rakta-
Mansara sharira.
Bhava aau bandhutwa nahin
kaha pakhare.

Gajanan Mishra
Tell something right
Tell something pin pointed

A lot of practice is necessary
A lot of vision be concentrated.

So many animals birds insects
Welcome all for the project.

Distribution of nectar is going on
All are in the queue follow on.

Tell something truth
That would be universally accepted.

Gajanan Mishra
Pin-Pointed Program

Humanity at large,
Our pin-pointed program.
And we are devoted to
The service of the humanity.

No quarrel, but love
And friendship should be there
With us always here
As we know nothing is clear but life.

No misunderstanding, we are all brothers,
We are well-wishers and we are here
For the welfare of each other.

Neither we are accused nor we are victims,
We are no one but we are here to wish
For the purpose of living perfectly.

Gajanan Mishra
Pious

It is pious, our relation.
It is pious, our living.
It is pious, our eating and
Bathing and sleeping and
Walking here, there.
We are not far,
Not far from each other,
O my dear, we are nearer.
Just feel it, it is a feeling.
The feeling is pious,
Nothing to weep, nothing to give.
A bond is there between us,
It is our friendship, pious
It is ours and everything is belong to us.

Gajanan Mishra
Pious And Famous

Pious and famous
Your name and achievement.

You are my First Father
Ultimate Truth.

You are with me
Always in glorified forms.

I am not quarrelsome
Only for You.

I am not surcharged
With any evils.

Pious and famous You are
I am here you are my star there.

I am innocent
I know not about ABC of Your drama.

Gajanan Mishra
Pious And Virtuous We Are

Pious and virtuous we are
With the trees, full of
Fruits and flowers,
Overjoyed birds, intoxicated bees,
Merry cuckoos, proud peacocks,
And with the air that filled
With the pleasing notes of ducks,
Swans, ospreys, cranes, and
The area abounded with deer,
Bears, elephants, lions, monkeys,
Mongooses and so on and so on.
Pious and virtuous we are,
With the air and fire and the stars,
We are thankful for the life desired.

Gajanan Mishra
Pious Deeds

Definitely, I have done
Some pious deeds,
I have undergone
Severe austerities,
And I have given charity
And got this life,
Life of human beings,
To love you, the truth.

Gajanan Mishra
Pious Sentiment

Am I not a man of
Pious sentiment?
Am I an unfeeling creature
Interested to take
Others' life?
Is it not true that
My day and nights are
Spent in sinful pursuits?
O my dear, it is my
Good fortune that
Gazing on You my woes and
Evils are disappeared.
I am overwhelmed with emotion
To hear Your words.

Gajanan Mishra
Pious Trees

I find,
At present
No pious trees
That produce
Seasonal flowers
And fruits
For other living beings.

I find
Useless and
Impious trees
That can produce
Nothing but
The woods for fuels.

The vested interest
Persons of present days
Are less than
The useless and
Impious trees,
As they flourish
At the cost of working class.

Gajanan Mishra
Pious Union

Pious union of two souls is marriage
You can not termed marriage a contract
A solid bond marriage gives woman
Mush more scope in the family and society
Respect marriage for the interest
Of the pious society.

Gajanan Mishra
Pipal Leaf

My body is
Trembling like
The pipal leaf
From head to feet
And the sun light
Makes me understand
Everything in the process
Of trial and error.

Gajanan Mishra
Pit Not

Pit not yourself
Against anybody here
O my dear, and stay
Far from fear.

Cut not your own head
O my dear, bragging
Is not good at any time
Emember, juggler is not a hero.

Gajanan Mishra
Pitha

duiti bilei bhitare gotie pithara
samana bhaga pain jhagada hela
Jagada patila nahin, mankada sabu khaidela.

Gajanan Mishra
Pity And Anger

Pity and anger
Go together
In memory
And as part of
Nature.
Blood and life,
All are
The capital
Belong to
The architecture.
Light lingers
With true words.
And we all
Watch with
Our letters.
Nothing to rebel
But to see
The method of
Living on earth.
The sky embraces all
For all are
There in the cloak.

Gajanan Mishra
Place Of Birth

Place of birth -
The earth.
Place of living -
The water.
Place of dying -
The sky.
Place of identity -
The air and the fire.

Reason of death -
Desire.
Reason of relationship -
Love.
Reason of life -
Truth.

Gajanan Mishra
Place Of Carnage

No one will survive 
From this place of carnage 
Law of nature revealed.

Gajanan Mishra
Place Of Your Destination

O my dear,
You, Yourself - actions
You, Yourself - knowledge
You, Yourself - Meditation.

I know nothing
Besides You
And You, Yourself
Reside in me
On Your own
And taking me
To the place of Your
Destination.

O my dear,
You are in You always
You are real and eternal
All-pervading unchanging
I being in transit
And transitory am undergoing
Modifications.

I want to know
You by You
I want to know
You in You
I realize You
With You
I know there is
Nothing beyond You
In me and outside me
My discrimination.

Gajanan Mishra
Place- Pure

Pure- places are
A forest
Bank of the Ganges
Near holy basil
Under Pipal trees
Removing
Two inches of soil
From the surface
Pure places
You can sit
And meditate
A clean place of
Natural beauty
Invigorates and
Elevates the mind.

Gajanan Mishra
Place Right Words

Place right words
At right time
And enjoy sweet fruits.

Gajanan Mishra
Plain And Simple

Plain and simple,
I like all.
No philosophical,
No speculation.
No science,
No knowledge.
I love, dear.
Let me discover,
Who I am
In my own torch.
The sun, the moon,
All are here.
Without any length
And breadth, we are here.

Gajanan Mishra
Plain Eyes

Plain eyes,
Plain mouth,
Plain life,
Plain thoughts,
All plain
Make your days
Plain and fine.
Plain makes you
Read love
In truth.
And truth take you
To all white song.
And the song
Make your life
Beautiful and
Fill it with nectar.
All symbol and syllable,
All life and living,
All open and remembering.

Gajanan Mishra
Planes Have Wings

Planes have wings,
Birds have wings, but remember,
Planes are not birds.

Gajanan Mishra
Planet And Planet

I entered by my energy
Due to this entrance
Everything is manifested.

Floating on water is easy
And energy sustained
By my strength and energy
Non-moving is moving.

Gajanan Mishra
Planning

I do not like planning  
And I do not plan for anything  
I do not feel planning is necessary  
And I do not accept anything planned.

I am my own child you know  
I am my own realization you know  
And I have no plan  
And I design to give better and better  
From time to time  
By detaching by surrounding and  
By entering in to your kingdom of love.

And in love Plan has no role to play  
And plan fails.

Gajanan Mishra
Planning Not Necessary

Planning not necessary
Do not plan anything
Just let everything go
On its own way .

It is also a fact
The clock the calender
The telephone are
Great killers.

Just live without
Anything and just live
yourself as living
In the lap of nature.

Gajanan Mishra
Plant Not

Plant not a stone
Here in the middle
of the air.
And try
Not to go far.
The sea is widow,
You can't say
Like that.
One act play is
There as yet.
You can't say
You know nothing,
It is for you, here
There is everything.

Gajanan Mishra
Plantain Raft

It is curious though,
I am going to cross
the ocean on plantain raft.

It is curious though
I am building a ladder
to go to heaven.

I am netting the wind
and kept it under my control
so long as I am alive.

I am enlarging my hands
to catch the sun,
see with your eyes.

I am not what you see me,
I am what you cannot imagine.

Gajanan Mishra
Planted All

Planted all,
The temple, the mosque, The church,
The tree, the name, the speech,
The pen, the house, the car.
All in the air,
And we are to take care.
All instant,
The lamp, the fraction,
The sun, the thorns.
All reflections of the self,
All wonders, the world.

Gajanan Mishra
Planting Kiss

Planting kiss
On the face
Of the child
Make your own
Future bright.

Mind it,
You are here
Till your time end,
And for this
You are to adjust
Yourself with the child,
The child is yours
Future, friend and guide.

See, the child's safety.

Gajanan Mishra
Planting Mango Tree

I am not planting
This mango tree
To eat its fruits.

I am not giving birth
To a daughter
To rap her.

I am performing
This and that duty
Simply because
It is my duty.

Crossing the line
Means entering in to the area
That is dangerous
To my past present and future.

Gajanan Mishra
Platform

Platform is one
For You and for me
But it is different
You are alert
Not I
In sense enjoyment
In self-realization
fact is
I am absorbed
You are liberated
And indifferent.

Gajanan Mishra
Platform - Ideas

Let me see first,
Before entering into.
Let me speculate
Anything here.
Ideas- may be
Perfect or imperfect,
Matter not.
But the execution
That matter here.
Purity first,
But forget it
At the initial stage.
I am concerned
With you only.
And you are there
To accept me, enough.

Gajanan Mishra
O men,
You are situated
In the mode of goodness
At the platform of goodness.
O men,
You are here to understand
Knowledge of the self
The transcendental knowledge.
O men,
I know you are meant for
Regulated life only
To achieve the truth.

Only in regulated life
You can attain and understand
Transcendental knowledge
You are human and not animal
You can achieve the Truth
That I know, my dear men
You are the dearest one of Almighty
Come and stay still
Come and repeat the truth in you, men
You are the most important living entity
You can alone perform wonderful feats.

Gajanan Mishra
Platform Of Goodness- This Life

Treat this life
As a platform of
Goodness - full of
Knowledge and morality.

And control your servants
Like eyes, tongue, nose,
Ears and touch and stay
In truth by all means.

Gajanan Mishra
Play

Not easy to play
In the area of constrained.

This is my poor land
And I assume validation
To revive growth.

Gajanan Mishra
Play And Mischeif

Play is
Just a play.
But in play,
Play not mischief.

Scold not anybody,
Nothing and
No one is wrong,
Celebrate life.

Gajanan Mishra
Play Freely

Play freely
With determination.
And put the monkeys
Under control.

Sunlight is there,
Go and have a bath.
See yourself
On the mirror there.

Gajanan Mishra
Play Not Politics

Play not politics
In the name of students,
In name of learning
True knowledge.
Play not politics
In the name of women
Or caste or religion.
Play not politics
In the name of language,
Food, clothing and shelter.
Play not, play not politics
In the name of our
Innocent sons and daughters.
Play politics for common welfare.

Gajanan Mishra
Play Not With Fire

Play not with fire, my dear,
Play not with fire.
Truth is fire,
My love is truth,
If you play,
That would destroy you.
No point to exit,
But the point of entry
Is opened, see, always.
Throughout life
You are my only wife.
Believe it or not,
But discover me
In your love hive.

Gajanan Mishra
Play Of Truth And Falsehood

Play of truth and
Play of falsehood
Are going on here,
Always on this earth
And you are saying
It is for us,
It is ours,
It is ever fresh,
Very enchanting,
Very delightful,
Divine and blissful,
it is appealing and
It is touching,
Necessary for living.

Gajanan Mishra
Play Of Truth And Falsehood-Live

Play of truth and
Play of falsehood
Are going on here,
Always on this earth
And you are saying
It is for us,
It is ours,
It is ever fresh,
Very enchanting,
Very delightful,
Divine and blissful,
it is appealing and
It is touching,
Necessary for living.

Gajanan Mishra
Play Over

Until now
I am in the league
Declare winner.
Until now
I have survived
All challenges
Spur the moments.

The play over
I lost documents
Declare loser.

Gajanan Mishra
Play The Game

Smoothly and freely
You are all free.

During the play
You are to distinguish
The real and the unreal.

You have freedom
You have discrimination
You have infinite bliss
And power of realization.

Gajanan Mishra
Play, Playing Is Important

Play, playing is important,
Sing, singing is important as well.
This world is for you
But be cautious here,
Chances are there to fall down.
Before playing please try to know
The procedure and rules,
Before singing try to know
The heart and the mind.
Know the bird who is here
Under this sky.
But try not to catch it
At any time, please.
No bird is yours.

Gajanan Mishra
Playground

Here is my playground
And I play here.
Here is my love
And I love here.

I am living
On this earth
In the water
In the sky.

All are here
And I am in all.

I appear and
I disappear.
No birth
No death
Touch me here.

You may say God
You may say ghost
And both
I love most.

Put me question
And get the answer
worry not
Right or wrong
It is just power.

Gajanan Mishra
Playground

Playground- this world, 
wherein we are the players 
and we play with wizard.

Gajanan Mishra
Playing Cat And Mouse

Playing cat and mouse
Is not easy, yet
They are playing
At the cost of the people.

What is the use
I don't know but I hear
The seer and I debar
To say against or for.

Get the things you deserve
It is only your confidence
Booster dose to morale
Time is the supporter.

Gajanan Mishra
Try not to understand a poem,
You are to feel the poem within.
See, whether it is playing with calm.

Gajanan Mishra
Playing Politics

Playing politics is not good always
You do not know the basis what you say.

What you say what you say what you say.

Gajanan Mishra
Playing With Fire Is Dangerous

Playing with the fire is dangerous,
Going with the sky is luxurious,
Staying with the earth is monotonous,
Sleeping with the air is ridiculous,
Living with the water is ostentatious.

Gajanan Mishra
Playing With Number Game

I am negotiating with space
With my unique voice- poem.

Gajanan Mishra
Playing With People

Playing with common people is now called democracy
Government one side Maoist other and ball-people.
No side get victory and ball is being diminish
And infront of all going towards finish.

Gajanan Mishra
Is life
Not a play.
And are you
Not my playmate?
But I know not
Who you are
So far.
I know this earth -
My playground.
Playing-card
Is time.
I know you
Playful.
Playbill is
So many,
I am confused.
I am your
Plaything- true.
And you are playing
With me
In your own playtime.
You are the playwright
And I am nothing.
All play,
All play-acting,
I hear
The playback.
Dear sir,
Play your own cards right.

Gajanan Mishra
Play-Thing

I am Your play-thing
You are playing with me
You are the enchanter
I am the snake-cobra
In this world affairs.

Gajanan Mishra
Plaything Dreary

I am on my nighties
In night-hag naughty.

No use of nosegay
Notch notary is
On the way-check.

Gajanan Mishra
Plea To Escape

Tilldate what does the word
goodfaith mean properly not define.
The crime is done by me
and word goodfaith is a plea to
escape after committing crime.
Violation of rules regulations
laws agreement means violation
and goodfaith has no relation.

Gajanan Mishra
Pleasant Cry

I like to see
Your pleasant cry.
Among all
Living entities,
You are the best.
But my dear men,
Rise from the barrier
Of caste color and religion.
You all
Are the one and the same.
You are superior to all,
I know.
I also know,
You are the truth.

Gajanan Mishra
Pleasant Fruit

Pleasant fruit
Not sufficient.
But you have to
Pay for that, my dear.

Unpleasant fruit
Though not yours
You have to take
The burden and bear.

Gajanan Mishra
Please And Sorry

Please and sorry are words
They taught us.

Why are we not able to
utter when there is need.

Gajanan Mishra
Please Appear

Please appear
With your original face,
And let me see
How and what for
You are here.

Forget me
If you so like,

My identity that is
Here with me for nothing.

And create something new
That will remain for
Public good for ever.

Gajanan Mishra

Remember it and not forget.

Gajanan Mishra
Please Come Agan

Please come again
I am waiting here.
You know I earn no virtue
Here for any good,
And I know I accrue
No sin if someone is in loss
Of anything including life.

I realized the truth
And see I am uniformed.
What to say about anything.
I know the truth and I
Discarded all desires
And sense of mine and
Selfishness as said.

Gajanan Mishra
Please Come And Hold My Hand

Please come and hold my hand
I have no strength to walk or stand.

I am not poor and I am not in poverty,
Think not so my dear, so long as
I am reciting your name and fame and
I am writing poem.

I am drinking the life-juice given by you,
I have no other wish but I am very much greedy
to keep you and I am hankering after you.

My thinking process, please test,
Is it not bigger than me, my dear?
But my life is so small and short
You cannot rebuke me for any other things
As you I have no attachment in anything except you.

Gajanan Mishra
Please Come And Let Me See

Please come and let me see You
O my dear, I am nothing without You.

I know You are everywhere and all pervading
O my dear, let me see You that I am deserving.

You reveal Yourself and let me see.

Gajanan Mishra
Please come
And sit near me
For some time.
Let me allow
To sit near
You also.
Sitting near
Means sharing
Everything and
Stay free.
Sitting near
And gazing towards
The clouds means
Trying to know life.

Gajanan Mishra
Please Come Out

Poet, please,
Please come out
From your own shell
And get more real.

All are expecting
Something more
From you, dear poet.
Be practical and

To hell but
Let the world survive.

To see the plight
of others..

Silence for the sake of truth and freedom, I am not
Anti-national in vague stipulation. I am here in
The mainstream of the people in general. I am a free
Man of this union of states, India that is Bharat and
Here it is commonly seen disunity of strongly held
Political opinions, all of which dissent from each other,
But I belong to one piece, remember. My right to life
And giving speech is inherent in me since my birth here,
I am a free bird, I can fly in my sky freely, truthfully.

Gajanan Mishra
Pleasing And Satisfying

I care not anyone,
Who wins or loses.
I myself is in good,
That's enough for me
And for my world.
I am pleasing and
Satisfying to other
Ears and hearts
That's enough for me
And for the world.
I am cultivating knowledge,
I am advancing on the path
Of truth and love, I am free,
Tha's enough to stay.

Gajanan Mishra
Pleasing Pain

Pleasing pain that I know
Is with You
Fiction forest that I know

Come on with care
Endless night
Nothing to despair.

Gajanan Mishra
Pleasing To All

Pleasing to all,
Fools and rascals.

When you open mouth,
Or you start walking.

You are to go on
With full strength
On the path of truth.

Path is clear,
Be confident and move,
Move forward
With love.

Pleasing To Hear

Pleasing to hear
Mother tongue,
Pleasing to work
In state language,
Pleasing to play
On motherland,
Pleasing to life
Mother's presence.

Gajanan Mishra
Pleasing To The Eyes

Pleasing to the eyes -
The sky, the ocean,
The birds, the clouds,
The creatures, the hills
The rivers, the trees.
Pleasing to the ears -
The thunderbolt, the storm
And so on and so on.

Gajanan Mishra
Pleasing Words

Pleasing words,
Your pleasing words,
O doctor, O minister
O preceptor, would
Destroy me
Say not pleasing
Words to me.

Fear not,
Hope not of reward
O doctor, O minister
O preceptor, only for
Your pleasing words
My health my dominion
And my faith all go to the dogs.

Gajanan Mishra
Pleasure

Come and have it,
All doors opened.

Welcome the sky,
It would show
Face delighted.

Go upward and see,
Smiling and walking
In the jungle.

Gajanan Mishra
Pleasure and pain
Everyday every moment
I am experiencing here.

I am pleased
I am displeased
I am an enjoy-er.

I am the higher
I am the lower
I am also the nature.

Proper or improper
Inter or outer
That does not matter.

I am here
With You my dear
I am not a sufferer.

Pain or pleasure
O my dear, I am an experience-r
We are not different from each other.

We love each other
We love each other
It is for ever.

Gajanan Mishra
Pleasure And Suffering

Pleasure is suffering
And I am not indulging.
Stop running
And see I am standing.
Stare me
If you are willing
And do action I am doing.
Pleasure is pleasure
In action you can have it
Suffering is also pleasure
If you feel it
And if you are ready
To enjoy it.

Gajanan Mishra
Pleasure Filled

Each day is pleasure-filled,
Enjoy dear, it is all
Romantic and blissful.

Gajanan Mishra
Pleasure For All - The Truth

Pleasure for all - the truth,
And let me stay therein,
Let me stay perfect and complete.

Gajanan Mishra
Pleasure In Truth

Pleasure is there
In truthful activities.
You have purified yourself
By such activities with love.

Gajanan Mishra
Pleasure is like smoke
Pleasure-seeker is like a cigarette smoker
Cigarette-smoker breathes in the smoke
The smoke breathes out naturally
If the mouth is shut it is breathed out through nose
Smoke does not stay, bad habit of smoking stayed
Cigarette smoker gets addicted to smoking
Pleasure don't stay
Pleasure-seeker gets in to bad habit of enjoying pleasure
Remember, inclination to pleasure is unnatural
Disinclination is natural
Taste is developed, distaste is natural.

Gajanan Mishra
Pleasure Is Painful

Pleasure is painful
And pain is full of pleasure.
We are here
To believe a creature.
We are no different
From anyone here.
But to keep contact
With all is not advisable.

Gajanan Mishra
Pleasure Is Partial

Pleasure is partial
You are with me
I am pleasant.

I am earning money
I am pleasant
I am getting necessities.

I am unpleasant
I am paying taxes
There is loss of money.

My pleasure is partial
Here I am in sorrow
I am suffering.

My world is moving
From west to east
And in the east
There is sun rise.

I am in sorrow
I am unpleasant
In unfavourable
Circumstances
And I feel happy
In favourable
Circumstances.

Pleasure is partial
Pleasure is relative.

Gajanan Mishra
Pleasure Of Wisdom

Pleasure of wisdom
That I availed
Really it is
The joy of wisdom
It is also
Wisdom in pleasure
That devitalize
Resulting physical
Depression and
Moral degeneration
At first it is nectar
In the end it is poison.

Gajanan Mishra
Pleasure Trip

Let us walk,
Let us dance
With quick
Light steps
And make life
A pleasure trip.
Life is to enjoy
And smile
And love.
Sigh not to
Think life,
Dip in to
The truth.
Life is for us.

Gajanan Mishra
Pleasure, Pain And Bliss

Bliss, bliss
You are the bliss, my dear
You are the abode of bliss
And I know, You are not the cause of pain.

I suffer pain as
I have a desire for pleasures.

Pleasures is born of pain
And ends in pain.
Pleasures born of contacts
And only source of pain.
He, who enjoy pleasures
Has to suffers pain.

Mind it, You are saying me
This world is not for pleasures
And also not the cause of pain.
This world is changing every moment
And this change is to enable us
To progress and not to provide us pain.
Mind it, my dear, You are saying again
Desire for pleasure is constant enemy
Pleasures are born of evils
If you are wise
You can perceive flaws.
Pleasure is not here for ever
But I am here, You are saying,
And look, I am living happily.

To get happy in life
Resist the impulses born out of desire
And anger, O my dear,
Then only there is bliss, bliss and bliss.

Gajanan Mishra
Pleasures Of Mine

Your words,
Pleasures of mine.
Your time,
My life-line.
Your body,
My world.
Your mind,
My heaven.

Please come
And stay
With me.
And without
You I am
Nothing, nothing.

Gajanan Mishra
Plenty Of Fish

Find there
Plenty of fish
In the open air.

Gajanan Mishra
Plighted Words

Plighted words
Must be redeemed
Says some
Even at the cost of life.
Let me say here
O my dear, if you believe
This blindly
The enemy may take
Advantage and put you
In trouble.
promises should be kept
Must not be the ultimate
Rule my dear in
The changing situation.

Gajanan Mishra
Plinth

1.
Plinth of all
Is love.
Love is everywhere,
Love all.

I am for
Love.
I am by
Love.
I belong
To love.

Love, love,
Love is
The language
Of languages.

2.

Love, love,
I love you,
You love me
The world is
At your hands.

Love is
The only answer
Of all questions.
Love, love.

Love is
The plowshare
Love is
The plover,
Life's wonder.
3.

Love is
The thread,
Love is
Far away
From caste
Colour
And creed.

Love -
Only one,
In our life.
Love-life in
One earth
One sun
One moon.

Gajanan Mishra
Plop, Plop, Plop!

Plop, plop, plop!
Stones dropped
And water came up.

Gajanan Mishra
Pluck Delhi And

Pluck Delhi and
Make it smile.
Let the world
Be happy
With that smile.
Let there be
Life in happiness.
Let happiness
Be there in air
And in water.
Colourful lights
Be there everywhere
To find the truth
At any moment.

Gajanan Mishra
Pluck The Star

Pluck the star
That's there
And present all
With flowers.
Flowers with colors
Are there and
They all welcome you,
Go there and share.

Gajanan Mishra
Plucking Grapes

Plucking grapes of life
That is sweet I suggest
Come with good mood
Do good have good
Be a lion be a mouse.

Patience and success
One and same
Have patience and
Win battle
That is in cradle.

You are here not to perish
You are here to shine
Remembering who you are
Recalling yourself
Getting self
Staying exclusively means
To liberate and liberation
Is realization who you are.

Gajanan Mishra
Plunderer

You can not call me plunderer
I am not taking away anything
And yes I am a plunderer
I am taking away love from you
And love is everything here.

At this conjunction here after
You can named me by my surname
You may call lover or beloved
No problem with me or with you
I am acting as a new creator.

Gajanan Mishra
Plunderers You Are

Plunderers you are- my senses,
And you are determined to destroy me,
I know in seeing, smelling, tasting,
Touching, hearing, desiring, willing,
And see me, still, I am alive.

Fortunately I know the truth
And where it is here in me.
I am cautious and I am driving my
Body-car in a smooth way.
See me, I am going to a better
Position day by day.

Neither any witch nor any tigress
Dares to catch me or suck my blood,
Here at any time and yet, I am plundered.

Gajanan Mishra
Plural

Do not pluck the flower
left them where they are
beauty in original
watch and enjoy
how life is plural.

Gajanan Mishra
Plus And

Plus and minus
That I know
Is outdated now.

Love and affection
That I give
Dislike by crow.

My lamp is
Not lighted
And if lighted
Not in glow.

Gajanan Mishra
Pocket Dry

Pocket dry,
No cash flow.
First, you
Have to pay,
Then only
You can go
To the table
For eating.
Tender notes of
Rupees hundred
Or use credit and
Debit cards
Or e-wallets,
No problem.

Food is available
At a reasonable rate,
Worry not,
We are here to
Serve all.
But pay in advance
And then
Take your seat.
We are waiting for you,
We are for you here.
Show not your
Dry pocket
Anymore to
Us here.

Gajanan Mishra
Pocket Veto

Use pocket veto
To shelved the anger
For larger interest.

Gajanan Mishra
Poem - A Challenge

My poem -
A challenge
To you.

I have my own
Accurate calculation
Of the hills and
The mountains and
The ocean.

Let me exhibit
My own respiration.

You are the part and parcel
Of my body here.
We, both are
One and the same.

Nothing is personal,
Let us know it
And keep it
In mind.

No one is complete
With all bodily organs,
With all mind and senses.

I conceive
What is there
In the air.

I measure
The sky and the sky,
By my poems.

Gajanan Mishra
Poem - Fresh For Ever

Fresh for ever -
It is poems.
No poem is painful,
No poem is tasteless,
No poem appears vain.

Read and enjoy poems,
My dear, with heart
Of love and devotion.

See, no sunset in poems.

Never waste time
And engage yourself
In reading and writing
What you think fit
At this time.

Something is there
In the poems,
Search it out,
And stay in peace.

Predict not,
Calculate not,
What would be the consequences.
But go and observe life
In the true sense.

Gajanan Mishra

The light, only light.

All are there to cooperate
And to help me

Of action that is to be taken by the poem
In open field with full transparency.

You are the poet and this is your poem
Go on with the poem, my dear poet
And see that good and bad are to go together
Sitting on their respective area and without
Interfering to each other and show their goodness.

Apprehension and tradition
And poem is beyond everything.

Far from brain.

Poem Writing

Poem writing is a
Progressive journey
From one word to another.

Poem writing is the
Spiritual sky
Where one can fly.

Poem writing is
Full of bliss and knowledge
Through sacrifice one can reach this college.

Poem writing is the ultimate
Salvation through the words
Mysticism and meditation.

Gajanan Mishra
Meeting and living,
Living and greeting,
Greeting and writing,
Writing poems for them,
Great things here.
And the poets are
Doing all without
Any expectation
From any one at any time.
And one who expects
Is not a poet, but
A business man sucking
Blood of others
For self-interest.
So far my knowledge goes,
The poet has no self-interest,
Even the true poet
Goes to the extent and say
Let my life go to hell,
And allowed all to enter heaven.
Movement of writing poems
Is nothing but the music,
Music of nectar,
Only here on this earth
In all atmosphere.

Gajanan Mishra
Poem-Aid De Camp

My aid de camp
My poem

Nothing beyond poems
And for this
Nothing to feel proud.

In the arena of my poems
I think it is my heaven
And I am in peace.

Here nothing pain
Nothing pleasure
I think here

In the shape of poems.

How beautiful I am
And credit goes to the poems
That the poems kept me here.

Poems Should Be Written

Poems should be written,
Poems are purifiers of all.

Poems are being written by poets
And poets are men of wisdom.

Men of wisdom do not criticize any opinion
They take right views of other poets
And add their own belief and thoughts.

Poets are thoughtful and they have no selfish desires
The goal of the poets are the welfare of all others.

Poets are here to remove evils, bad conduct
And sins of all innocents and wise as well.

Poems should be written
Poets should be honored
Purification be made inside and outside and in all.

And no one can put them
In trouble water

With his words his languages
His dreams are with him

His thoughts that is
His greatness.

Leave the poet alone
Leave the child alone
Leave them to smile to laugh
To love to live
You can apply them as they are
You can put them on your own way
And in regular form and understand
On your own what they expressed
Beyond vocabulary beyond grammar
And see everything is alright.

Why I failed as a writer
To reproduce you in camera.

And here see your own call
In the tune of life and not death,
Death is also changing its form
And ready to give you nectar.

Poet can only supply you
The life-water and make you drink,
Even after your death as you think.
If one poet is there in a village
That poet is able to give light
Like the sun and for the poet only
The entire atmosphere enlightened.

Create things on your own
In your own world my dear poet
That is not known and that is owned.

Let not the dog out
The poet cried.

Poet, poet, O poet
We have no control over anything
We have no control over the land
That is dreamy.
It is only you O poet
Who can control us from that land
Where nothing to be shame
Where no body is there to blame
Where there is only fame and fame.

It is my circle
And it is unending

In rotation
And here I discover
Myself with my
Own poems wherein
I feel your presence
And I find nothing
That is called doubt.

In poetic identities
Intervention disastrous

Is the most
Powerful power
Of all powers.

Test it in daily needs.

Of the intelligent
I love
The seed
Of the tree
I love
The soul
Of the creatures
I love all
That are eternal
Without its origin
And end.

Gajanan Mishra
Poetic Sensitivity

What I am searching
Is poetic sensitivity
In different periods of life.
I am observing my own
Death anniversary on
My so-called very birth day.
Description of forms and
Attributes are not necessary.
Let me know again in clear terms
How life is the best and real
And pleasant and attractive.
Let me stay independent all days.
Let me pervade everywhere,
In the mode of goodness with true knowledge.

Gajanan Mishra
Poetic World

Do not disturb me
I am in my poetic world.

Here no sorrow
Here no farrow
Only arrow
Here and you can not
Go narrow.

This is poetic world
Big big broad
Come abroad
In this abroad.

Gajanan Mishra
Poetry - Antiseptic Method

Equal - heaven and hell,
No effect - material existence.
My poetry is my
Antiseptic method to
Protect me from all
Disturbances and miseries.
I am in truth, and
Truth conscious I am here.

Gajanan Mishra
Poetry - Art

Art of poetry
Poetry-an art
Art- a poetry.

Think in essence
I am nothing.

In reality
Think in life
I am everything.

Art of poetry
Is with you
Since the beginning.

Where is the beginning
That I know
That you know.

Not to express openly
Is an art and say everything.

Art of poetry
Poetry - an art
Art - a poetry.

Gajanan Mishra
Poetry - Not To Be

Write and read,
Poetry, but
Poetry - not to be
Understood.

Take part
In recitation,
But hope not
Anything in return.

Life - the topic,
Love - the essence,
Truth - requirement,
Through poetry
Go anywhere to touch
The heart's fragments.

Gajanan Mishra
Poetry - Useless Waste Of Time

No other person,
But my wife is telling me
Daily at home.
And I failed to
Make her understand.
I know she is the symbol of
Material world
And my poetry speaks
About spiritual benefits.
I rejected every profession
As a means of earning my livelihood,
I have also not indulged
In any arguments and
Counterarguments and avoided all.

Poetry Can Sing

Poetry can sing,
While the poet
Remains silent.

Gajanan Mishra
Poetry Day

Each and every day
Here, I discover
This poetry day.
I discover in
My life-breath.
Poetry is the waves,
That are here,
At every moment and
We are to catch them,
Before we swept away.
In poetry you find
Not sweltering condition,
And this day is not
Uncomfortably hot.

Gajanan Mishra
Poetry Emerges

Poetry is there
For peace,
But poetry emerges
From turmoils.
And poet is
The turncoat
For all good
Being tutelary.

Gajanan Mishra
Poetry Flows

Incessantly
Poetry flows
Like the waves
Of a river
And that of a sea
Or that of an ocean.
How many waves?
Impossible to count.
No one can calculate
The number of poetry
Anywhere at any time.
And poetry is there
Even after this life,
Even after death.
In so many words,
Even without words,
Poetry flows,
In so many forms,
In so many colors,
In so many places,
For so many purposes.
If one goes and
Try to understand-
Poetry is useless.
But poetry is there
To enjoy.
Enjoy poetry,
Feel poetry,
Live poetry,
That is there with you.
Poetry is the only truth.

Gajanan Mishra
Poetry Has Nothing To Give

Expect nothing,
Poetry has nothing to give.
But smile,
And see how you feel happy
With the recitation.
Nothing to envy,
Poetry is not interested in
Anything with you.
But stay not silent,
So many things to utter.
Say something and see,
They are the nectar.
For you,
Poetry has a bigger picture.
Open the door,
And stoop over.

Gajanan Mishra
Poetry Has Power

Poetry has power
To defeat all
Inauspicious things.
Let me absorbed
In the fullness
Of my language
In poetry.
My words are nectar,
And it give
Bright light always
To life.
Let life enjoy
With glories of
Reading and writing poetry.

Gajanan Mishra
Poetry Incarnation

Poetry incarnation-
Life's plenary portion.
From the very beginning,
It is in the creation.

Life is in the expansions,
It is the confirmation
Of principles.
It is all beauty,
All knowledge,
All renunciation.

Life, I feel
Is an interval,
But interval is
Not for intervention.
It is to establish,
One's own position.
It is not dislocation,
But it is individual freedom,
It is conditioned
And it is there
In our life's constitution
To fulfil our aspiration,
To save from
All destruction.

Gajanan Mishra
Poetry is like a prism
Use it as you like
With multiple colors
That enlighten
Your life.

Gajanan Mishra
Poetry is a revolt
Against the self.
And what is the self?
Self can be described
Only by poetry itself.

What the poetry says
Not necessarily be the truth.
Forget the poetry
And dare to live
Without it.

Make poetry your life
And live free.
Hear again from the poet,
How freedom is the birth right.

Gajanan Mishra
Poetry Is Here

Please come
And come and see
Poetry is here
And without you
It will go nowhere.

Please come
And come and hear
Poetry sounds like cloud
Poetry sounds like
Dashing of air in stone
Poetry sounds question
Whose answer is everywhere.

Please come
And come and feel
Feeling is poetry
It is like the time
And time is no more
With anybody you know.

Gajanan Mishra
Poetry is life,
Each day is a poetry day,
Each creature here is full of poetry,
Each creature is alive- poetry.

I love each creature
Living and non-livings.

Gajanan Mishra
Poetry Is Mere Acceptance

Poetry is mere acceptance
My dear, No matter

And there is nothing
Beyond poetry.

Gajanan Mishra
Poetry Is My Life

With the words

But write poetry.

Gajanan Mishra
Poetry Is Poetry

Poetry is poetry
And it is tongue,
It is words,
It is ears,
It is silenced,
It is languages,
It is heart,
It is mind,
It is time,
It is dream,
It is life itself.
Poetry talk to itself,
For progress,
For fire,
For air,
For sugar and salt,
With love,
With passion,
With rage,
With smile,
Showing its
Own Dance
On earth
And in the sky.
Poetry separates
Makes and unmakes.
Poetry has its
Own confidence
To move forward
To measure the depth
Of the self.
Poetry flourish,
Poetry vanishes
Through doubt
In life in shadow.
But poetry discovers
Light and opens
The new path always.
Gajanan Mishra
Poetry Is Science

Poetry is Supreme science
As science poetry is supremely holy
And poetry is a purifier

The more uncommon, he becomes.

Poetry is the only way
To unite the world,
To give love and affection to all,
To reach the truth
That all are one and
The same and
All belong to the same water, air
Earth, light and the sky.

The poetry has only one function,
To love all, to love all.
The poetry is the only shelter,
And all over the world, with poetry,
You would find no disturbances.

On this harmony.
Poetry is my religion,
I am a worshiper of
All creatures here.

Gajanan Mishra
Poetry Is There

Poetry is there
As natural as air
And water under the sky.
Poetry is there
As natural as tree
And birds on the earth.
Poetry is there
As natural as light of the sun.
Poetry is changing
Its colour like the seasons.
Poetry is there
And it is overflowing
Like the waves of the ocean.
Poetry is within me.

Gajanan Mishra

Who knows what is poetry,  
Please come and tell us  
On this open field.  
Give the introductory speech  
If you so like, keeping poetry  
On the front line here  
And hereafter this life.  
Truth is grace, love is great,  
Let all people know here  
And let them give a chance  
To enjoy life that is in eternity.  
Life after life, you are there,  
To discover your own position,  
That is not available always.

Gajanan Mishra

Love unlimited.

Love life poetry
All of us
And we are here.

We are here to create,
We are here to play,
To enjoy new creations.

We are by nature,
We are to show good behavior,
We are here forever.

In love, in truth,
In peace- life good.

Gajanan Mishra
Poets Are Only There

Poets are only there
To give free service
To the people in general.

Poets are only there
To uplift the people with love
With knowledge and with truth.

Gajanan Mishra
Poets Are Wise

Poets are wise
And they make
No distinction
Between what
They write
And what
They do.
The poets make
The words alive.
And the words
Themselves are
Ready to give light.

Gajanan Mishra
Poets Charter

One type of poem
And that is life.
One type of delivery
And that is time delivery.

The aim of life
is only one
that is to live
objective of life
is to maintain
peace and harmony.

Gajanan Mishra
Poet's Day

No
Nothing
Night here
Through out the day
O Goodbye
Vibration scattered

O no
Nothing
Black and white
Fine birth death
Colorful journey
And I left
Just to said
Silent silent
Watch watch

No
Nothing
Nothing to rise
Nothing to fall
Throughout the night
Awake watch
Tree tree bird bird
Air and sky
My day
Poet's day.

Gajanan Mishra
Poet's Helplessness

I am writing poems it is true
And it is also true
That my poems are incomplete
It is also true
I am not able to write well
But I am trying to write
Poems are being written
On their own ways by the poems
I am merely acting as a
Stenographer, my dear
To be very frank
I am not writing a single poem
On my own and it is the poems
Themselves are coming through me.

Gajanan Mishra
Poet's Life

Poet's life,
Touching eternity,
Destroys
All evils.

Poet's life,
Envy no one,
And spend whole life
In truth.

Poet's life
Easy access,
For all good,
For love only.

Gajanan Mishra
Poets Vision

My poem
My reader first
My world first.

My poem
My reader
My world.

You are all my world
You are all my reader
You are all my poem.

Gajanan Mishra
Point Is There

Point is there,
Remember that point -
The loving tears.
It is in everyone,
In every planet.
And it is recognized
By inevitable time.
The wind carries
The message of love,
And the force of love
Is controlled by the sun.
This sun is in me,
I know very well, and my dear,
I am the time's living creature.

Gajanan Mishra
Point Of Education

Where it is,
The point of education.

You are looting
Wealth of others,
You are torturing
The innocents,
You are eyeing
On the women of others,

How can I say
You are intelligent,
And you are a man
Of knowledge,
You are wise,
And you are working
For public service.
Since you are not
Following the laws,
Laws of nature,
Since you have
No sympathy for the weak.

Gajanan Mishra
Point To Be Noted

I am truthful
Point to be noted
I am beautiful
As said, truth is
Beauty and beauty
Is truth.

I am telling the truth
Means I am not a liar
I am not a liar means
I am truthful and also
Faithful and I am Yours
Means You are mine
Means I am not alone.

Gajanan Mishra
Points Need Attention

Remember, you are rational,
Remember, you are a man,
Remember, humanity is your capital,
Remember, Almighty is within you.

In truth, you are living,
O men, your growth is in your love,
Let others live in peace,
Others’ progress is your happiness, my dear.

Clash not with anybody at any time,
All are one and the same here,
Take your limited feeling and see
The world is watching you
And ready to enrich you
As you are committed to the welfare of all beings.

Gajanan Mishra
Poison

Poison is this glamour
This worldly possessions
It is just like
Committing suicide
And we are in it.

Gajanan Mishra
Poison / Nectar

You have given me this poison
You have given me freedom
To eat or not to eat
And I have eaten
And the result is this life
And in this life I am in search of
Nectar that you have given me
And I am searching from the very
Beginning with equanimity to
Success or failure and See
I have got nectar in the early morning.

Gajanan Mishra
Poison All

I am in the prison hole,
And it is like strong
Pots of poison.
I said to myself,
Mistake not this poison
To be nectar, my dear.
Morose, no happiness.
No way, no place,
I find here
For my purpose.
I find nothing is
Suitable for me.
The waves here,
Not good for anyone,
I know and I realize.
Still, I wander
With all like a machine.
Let me confront with the truth,
That is there in me.
I fear, no one else,
But myself here.

Gajanan Mishra
Poison or nectar,
You to decide,
And give me
That is suitable.
Nothing to aspire,
I am also,
As you know,
Not experienced.
And foolish one.
For everything
I depend on you,
You know, my love
And you are
My truth.

Gajanan Mishra
Poison, Poison, Poison

Believe not a man
Who is intoxicated.
Intoxicating materials
Are available here
Everywhere within
And also outside.
Stay cautious my dear,
And intoxicate not
Anyone including yourself.
Believe not a wicked,
The wicked is more than
Poison, and whole body
Of the wicked man is
Full of poison and poison.

Gajanan Mishra
Poisoned Sweets

All these worldly
Peace and happiness
Are poisoned sweets,
Go not with all these,
Wholesale ruin is written
In it.
Peace and happiness if
You are searching truly, my dear,
They are within, see
With love and in truthful eyes.

Outside world is sand and water, my dear
And you are searching oil in it,
You are searching sparks from the moon,
And wandering for darkness from the sun!

Gajanan Mishra
Poison-Nectar

What is poison
What is nectar
All are one and
The same to me,
My dear, come on.
I am here to show you
The correct picture
That is within us.
The world is
Waiting to see
But we are not
Ready yet to
Adduce evidences
Of our united strength.

Gajanan Mishra
Political Discourse

Political discourse
Good and pious for the
Country you have
If it is positive
And you are not here
To Pollute this anyway
Political discourse
Is not mud-slinging
And muck-raking exercise
Political discourse
Again not
Inflated rhetoric.

Gajanan Mishra
Political Science

Political science,
Itself is not certain
With so many
Political prisoners.
No one should act
As the politician,
They are all
Politizing everything
For their own interest.
No doubt,
Politico and
Politics - all good.
And for policy
And polity
They are
Necessary evils.
They pollute all
And often take
Political asylum
By harming politic.
Politely we have to
Polish the state,
Polemically, though.

Gajanan Mishra
Pollute Not

Let me know
What you are
Going to do.
Do, what you
Like, but
Not pollute.
Pollute not
Your own life.

Gajanan Mishra
Pollute The Mind

Pollute the mind  
Degrade and ruin.  
Morals and feelings  
Two different things.  
That involves destruction  
Is not mine.  
Possess the requisite ability  
And go with the journey.

Gajanan Mishra
Aim is polluted,
Life is polluted,
Society is polluted,
You can't enjoy anything
In this polluted time.
Food polluted,
Water polluted,
Air polluted,
Profession polluted,
I am sure,
You can't live
Without pollution.
Are you searching perfection?
Come on then, say
Your name and age, and
Both address
Permanent and present.
Let me test how far
Your words are polluted.
Let me know how you walk,
On the road that is dead.
Nothing is serious, worry not,
Just take everything as usual.
Life is simply loving and
It is purified as before.
No remedy is necessary
But take everything
Easily and freely and
Wait to see elimination
Of pollution.

Gajanan Mishra
Poor Are Always Anxious

Always a strain is there
Cold or hot
Always there is mental and
Bodily agonies with a poor man
It is true when we say
Bad kind spoils the kingdom
Bad housewife spoils the family
Poor man spoils everything
Nobody is there to cooperate
A poor man
Only God can rescue a poor.

Gajanan Mishra
Poor Creature

I am a poor creature
I am constantly
Perplexed by hunger thirst
Severe cold secretion and bile
I am always attacked by
Coughing winter blasting summer
Rains and many other disturbing elements
Enemies are all around me
I am overwhelmed by strong sex urges
Indefatigable anger
O my dear, I pray take pity on me
At Your feet I am taking shelter
You have made me here, a tiny creature
I am leading a life, hopeless failure
By Your grace O enjoyer, show me
The light and the new chapter.

Gajanan Mishra
Poor Farmer

Poor farmer, you wear
Your dry land,
You drink the whirwind.
I know, poor farmer,
Your weeping is of no use.

I know, poor farmer,
Your life is in hollow,
Where there is nothing
To eat and you see
No where to go.

Still then, you are
The great, my dear,
Without you no one can
Live here for a day.

Gajanan Mishra
Poor Fund Of Knowledge

Poor fund of knowledge
Is really dangerous.

One must know Your
exalted position in everything.

Being faithful
I reached the destination
Without any problem.

You have taken shelter
In everything in everybody
As You are merciful.

Gajanan Mishra
Poor I Am

Poor I am,
Unable to move,
Unable to see
The real things.

Poor I am,
Dare not to know
What is happening
How it is happening.

With so much
Black and white,
I am unable to know
Th high and the low.

Gajanan Mishra
Poorest Brahmin

Poorest Brahmin
I am the poorest Brahmin
Your love is only mine.

Your love is mine
To recognize Truth
That can only enable me.

That can only enable me
To see nothing
But only leaving time.

While leaving I am
Only speaking respectful words
That has power more than swords.

I am self-less living entity
If there is anything it is You within.

Gajanan Mishra
Popularity, Power And Paisa

Popularity, power, and paisa;
Temporary, it is all,
Handle them with cautious, my dear.
Be careful, they are
All dangerous.

Gajanan Mishra
Position

We are not here to stop
With the Bow wow wow
Of the dog on the road.

We are not here to stop
To watch the lily
And wash our face fully.

We are not here to clamour
We are not here to clatter
Our position better and we
Are perfect and clear.

Life is far better,
My dear, just see and
Enjoy, it is at your
Disposal at present.

Gajanan Mishra
Position - Clear

My position is clear,
See here,
Like the blue sky.

You can see me
And you can tell
I am here as Truth.

No confusion and
Nothing like that
Talk to me front to front.

Nothing is false
See here,
Like the ocean.

I am with me
And You are within me.

Gajanan Mishra
Positive/Negative

Going towards higher vision
I am revived and recharged
I know the conflict is continuous
Within me and outside
Between the higher and the lower
I know I represent both
Positive side and negative
And I know the negative in me
Outnumbered the positive.

Gajanan Mishra
Possession

You possess me,
Or I, who
POossess you!

Gajanan Mishra
Possible And Impossible

Possible and impossible are
Two words who knows better
And I must say
It is Sir Thomas Wyatt
The poet of heavy weight.

Poetry is a product of
Love and truth
And in love I know
Nothing is impossible
Even one plus one is one
And it is so simple.

Who told you to come
If you do not know
Who is who
In this land of truth
Where truth is also
Changing itself every moment.

Truth of sperm
Gets mixed with
Truth of ovum
And the mixture
Grows in to a baby
And baby took its birth
And the process of death sets in.

Baby is the mixture of
Love and truth as you say
Baby is undergoing
A continuous change
And you said baby is love
Baby is truth.

And it is changing ground
Nothing is possible
And nothing is impossible
Come and live a life
Here is enjoyable
A life palpable.

Gajanan Mishra
Post To Pillar

Post to pillar
And pillar to post
Running is there.
Waiting is meaningless
And yet we wait.
Wasted a lot
And achieve nothing
At out own land.
We are not condemning
Our lucks.
We request to all
Pay respect at least
To our labor
Not favor .

Gajanan Mishra
Posterior

Let me viewed
from behind,
And what is that
Let me say first
before all.

Let me stay quite
like poste restante
And hear everything
from all first
as lullaby.

I like goggle
and I like to
collect fulgurite
especially for life-night.

Gajanan Mishra
Post-Life

Post- life,
Post- truth,
Post - death,
All are with us
And yet, we forget
What to do with
All that.

Taming or
Killing- the same thing.
Action, reaction
And tradition-
The same thing.
Beg excuse and
Say sub-judice,
But do as you
Think fit.

Scrap not,
But take
What is right.
No use of
Vocabulary.
And take time
To run business
Smoothly.

Gajanan Mishra
Postmortem Action

Postmortem action is of
No use no value
Taking of anticipatory
Action is the need
Of the time always.

Gajanan Mishra
Pot Holes

Word-map there
And onlooker
We are.

But we are to accommodate
With patience.

We have pot holes
With no sign.

Destiny and destination
Are with us.

Be aware of
Your own restlessness
And smile
Giving punishment
To the self.

Word-vehicle
Is there, get ready
Yourself soon.

Wait not for others
What they question you.

With beaming face
You can receive thanks.

Diverse terms and
Conditions are there
You can check and sign.

Predict not anything
At any time and see
Diverse terms and
Conditions are there
You can check and sign.
Predict not anything
At any time and
Remember far is near.

It is your eagerness
That is there something
To control.

Gajanan Mishra
Pot Is Here

Pot is here
Potter is not here, see.

We the materials are here
We are set up here
By our creator, see.

Let us keep our creator
With us
He is aloof, see.

In every action and
In very reaction
Our creator is behind it, see.

He is the cause, the root
We are the result
That come out, my dear.

Gajanan Mishra
Pot Of Earth

Is situated on earth
After being created
And transformed in to earth
When broken.
I am Truth, look
As a living entity
I was truth before my birth
I will be the Truth
After the demolition of this body
I am beyond death
If you like you can test.

Gajanan Mishra
Potato

1

Potato, Potato,
You are my food,
Potato, Potato,
Let me cook you.
Potato, Potato,
My dear, you are
starchy plant tuber,
That I know.

2

Potato, Potato,
Your spanish name too
That I know,
Solanum tuberosum,
And you are so dear,
That I am not able to bear.
Potato, Potato,
You are creating crisis,
And I am facing the price rise,
You are asking for cold storage facilities.

3

Potato, Potato,
Let me cultivate you,
On farm lands and
river beds.
Potato, Potato,
See me, I am struggling
to keep you safe
from spoilage.

Gajanan Mishra
I am the potter
I make earthenware vessels
Working in an indifferent manner.
Earthen vessels are of clay
They were clay in the past
Before I molded in to that shape
And they will remain clay
When they are broken in to pieces
Likewise O my dear
You have made me
I reside in You
And I merge in You
I know this much
And knowing this I have
No sorrow and I am happy always.

Gajanan Mishra
Potter's Wheel

Not chill not chill
This is potter's wheel
Nihil nihil nil nil
This is potter's wheel
We are pot we are clay
Naught naught nay nay
Potter's play potter's play
O my dear, search not nativity
Go on eternity go on eternity.

Potter's clay potter's play
Potter's wheel potter's chill
We are doll in potter's hands
We are merchant we are sergeant
We are serpent we are garment
Potter would say what He want
Be ready my dear friend
To open your mouth on the order
Of that Potter, our Master.

Potter is here potter is there
Potter is clay potter is play
Potter is pots potter is buts
We are all potter in fragments
And potter is there within us
O Potter, what do you want from us
Nothing nothing and nothing
Potter said again and again
Give me everything everything.

Potter's wheel potter's wheel
Making us grilling us asking us
Makes us moving makes us gardening
And we are all pot garnishing the potter
With all garniture
Potter potter O potter,
Available no gazetter, we have
No gear at our hands, we are mere garters
My dear friends, come on come on to hear the potter.
Gajanam Mishra
Potter's Will

You are my potter
I am the clay
You can crush
You can pat
You can put me
On the wheel of time
Mould me as you like
I have nothing to
Say and think
I have nothing to worry
I have nothing to fear
I take refuge in You
O my dear I know
What ever is coming to me
It is your grace
It is your showers
For my welfare.

Gajanan Mishra
Pour Water On The Roots

Pour water on the roots,
And see the branches, fruits,
And flowers smile.
Supply food to the stomach,
And see all the limbs
Of the body satisfied.
Stay on truth and get
Success everywhere always.

Gajanan Mishra
Poverty

To get a card of
Below poverty line
I have to spot a person
Who has a link with Maoists.

Some says the head of the
Government, of the state
Is the leader of Maoists.
Catch hold him, other pleads.

Who is poor and
How far he is in poverty
I am not here to measured
Or I am not here to explain or
To eradicate poverty in any way.

The leaders are
cheating the poor
In the name of poverty
And functioning of the
Government is going,
As you know.

To get a card of
Below poverty line
Is to rebuild
The government and
You must agree with
The rich with luxury,
In the name of poverty.

Gajanan Mishra
Poverty And Due To Poverty

My poverty
And it is my poverty
That is making me
Weaker and weaker
O my dear, it is
My hunger that is
Making me weaker
And weaker and weaker.

I am struggling for food
All days and all nights
I have no potency to fight
Being poverty-stricken
I am unable to perform
Any activities.
O my dear, believe me,
I am always
Staying here with fear.

See me
My poverty is
Mocking at me
With so many diseases.
But I am able to
Touch the Truth and
Truth is here
Before me at this time.

As I am poor
I am hearing You and
I am fortunate to receive Your blessing
I have no other engagement other than
Calling You day and nights.
Due to my poverty I have got the real
Saintly persons as my guide and associate
And here I enjoy the purified form of life.

Gajanan Mishra
Poverty And Illiteracy

Drive out poverty
And illiteracy
From the country
Or the country
Would drive you out.

Poverty and illiteracy
Are men-made. Remember,
In today's democracy
Men are powerful.

Give respect to men,
Men are there
To keep you in power.
You are powerful
Only for people.

Gajanan Mishra
Poverty And Inequality

All over the world
Find poverty and
Inequality.
Favourable steps
Be taken.

All poets want
Justice and
Equality.

Being a poet
I want peace.
For peace
If war is needed
I am ready.
But I love life.

Gajanan Mishra
Poverty And Its Remedy

Unwanted, Unloved,
Uncared are the greatest
Poverty at present.
Come on, my dear friends,
To start our works
From here, to remedy
This kind of poverty.
Come on, with open arms
To provide food, shelter,
Clothing, medical care
And education to all orphans.
Every one has his basic
Necessities of life on the earth,
Be a go-to man for every one.

Gajanan Mishra
Power

King is powerful with his army
Poet is powerful with his poetry.
People are powerless with poverty
Traders are powerless with no money.

Gajanan Mishra
Power And Power

Power can tackle power,
Power can go deep in to the air.
And in the air, we find only fire.
Fire is there to inspire,
Air is there to take care.

Gajanan Mishra
Power And Vigour

Power and vigour
Makes a man greater
And greater.
O sinner, come
And see you are here
Hide not anger
Feel not fear.
You are with
Yourself and
You are not with others.
Come O dear
I know you have
A pure heart
And you know
I am with you
hereafter.

Gajanan Mishra
Power Corrupts

Power corrupts
Saying goes.
Enmity with
The powerful is
Really dangerous.
It is also true
Our loving relationship
Is an irrevocable fact.
And it is difficult
To maintain a balance.

Gajanan Mishra
Power Of Living

Power of living
Is with all.
But living like a
Human being is
Very very difficult.

Anger, material nature
Are the hurdles.
But we are to dream
For the future.

Remember, our lives
Wait for great pleasure.
Yes, we should be
Obliged for the benefits
Taken from others.

Living is the best,
Life is the best,
But to live freely
Is my birth right.

A progressive life
Is but a necessary.
Light and love
Are but a necessity.

Gajanan Mishra
Power Of One's Own Language

Nothing brings pleasure,
Nothing, nothing,
Without the use of mother language.
No union of friends,
No acquirement of wealth,
No embracement,
No rejoice of couples,
No gossip with lover,
No prosperity in community,
No yield of desired things,
No respect in society,
Without the language
Of our own.

Without the language,
No one can find wisdom,
No noble family can be formed,
No valor, no charity,
No gratefulness.
Use of foreign language,
Is like enjoying another's wife,
That ruin the life and everything.
No help at festivity,
O, wise, please know it
And act accordingly.

Try to know your own home,
Own mother, and be not careless
And live not like a jackal.
You are the sons and daughters
Of lions, my dear men.
Proceed forward with knowledge of
Ethics and fulfill your duty.
By using the language of the people,
The language of the soil
Enjoy confidence of all here
And achieve everything.
Gajanan Mishra
Power To Love

Even though,
You have no knowledge,
You can see the sunrise.
Even though,
You have no idea
You are there to love
Your son, daughter, and wife.

You have power, my dear,
To solve all problems.
You have the power to
Know and realize the truth
That are in you.

Gajanan Mishra
Power With An Evil Man

See power with an evil man,
that is all destructive,
and nothing remains with anybody.

Gajanan Mishra
You are powerful,
As you are beautiful.
You are powerful,
As you are youthful.
Let me embrace you,
To me, you are the truth.
You are my oars,
I love you, I am yours.

Gajanan Mishra
Powerful Army

Of ignorance are
Lust, anger, greed,
And pride.

Vernal season to
The forest of ignorance
Is woman and the woman
Gladden all in illusion.

Gajanan Mishra
Practical Action

What you have said
I have accepted
You have created
A new form of love
And I have no option
But to accept
It is plenary portion
It is your original
Incarnation
Love formation
World's new creation
It is not imagination
But practical action.

Gajanan Mishra
Practice - A Little

To get the benefit.  
Benefit of labor is  
Unimaginable.  

No attachment  
No aversion  
No pleasure can be  
Enjoyed as there is  
Spiritual discipline.  

And if you have  
No desire for fruits  
Mind it, there is no  
Adverse results  
From your efforts.  

Gajanan Mishra
Practice Irregilion

Are you irreligious?
Remember, the cause of anger.
Feel pain
It is due to self-envy.
Nothing to do, mind it
You have no power to do anything.

Religion is toleration
All should be protected
Nobody should be left to illusion
Call of perfect civilization.
Earth is the platform of living
Here all beings have a right to live
And in living be eager my dear
To fulfill the mission of Truth.

Gajanan Mishra
Practice Makes

Practice makes a man perfect and I
Engaged myself in repeated practices.

I am doing everything for your sake
Even renunciate everything that are with me.

Gajanan Mishra
Practice Of Love

Practice of love
Is true practice
In life indeed.

Gajanan Mishra
Practicing Tolerance

Here I am,
Practicing tolerance,
Controlling the mind,
And controlling the senses.

Here I am
And I am trying to
Get myself free, from
The clutches of
So-called birth death
Old age and disease.

Here I am,
Following the love,
Following the truth,
And following you.

Gajanan Mishra
Practitioner

Sleep
Not sleep
No difference.
Recreation
regulation
No difference.
Complete fast
Over eat
No difference.
Be a practitioner
And the practitioner
Never become perfect
Without me
And till my presence.

Gajanan Mishra
Practitioner In Walk

I am a mere practitioner
In the true sense of the term
I am not perfect I must say
You are my friend here in me
You are my enemy here in me
I want to know who you are
I want to accompany you
Till You are here with me
I am a mere practitioner
In this walk of life
And the entire world is
Watching me
I am not envious not mischievous
You see I am with You
In this super car of body.

Gajanan Mishra
Practitioner Of Law

O practitioner of law
Where is your law
Is it not caged in money!

Show your determination
To make it free from all clutches
And save law.

Gajanan Mishra
Praise Or Censure

I have forgotten my name
Praise or censure has got
No meaning for me
Let me clear here
Nothing is mine.

When You are seen
O my dear, even the taste
For the objects of sense
Turned away
I know, it is Your bliss.

Gajanan Mishra
Praiseworthy

Praiseworthy
Praiseworthy in every way
You are praiseworthy, my dear,
In each and every way.

I recognized You
Your doings are delightful
Your doings are fountains of
Joy and blessings.

Your presence drives away
The terrible sins
Your presence is like
The veritable sun to
Disperse the night of
Great delusion.

Gajanan Mishra
Praising You

Praising you,
Dear truth,
I recited poems.
And you to decide
What to do
Next.

Every moment
I am going back.
And you are there
Before me.

I am dancing and
Singing here
With birds
In the open sky.

Let me fly
With my
Own livelihood,
Dear truth,
I am here for you.

Gajanan Mishra
Prakrutare Asahaya- Bapa(Odia)

Gotie bapa bhaabare
Mu prakrutare asahaya.
Kintu tu mora

To hrudaya nirmala,

To pakhare pani

Gajanan Mishra
Prakrutiku Padha

Prakrutiku padha,
Padha samastanku.
Megha, aakasha,

Gajanan Mishra
Prayag

I have gone to the Prayag
With the Asti (ashes)
Of my father
I have gone to the Prayag
Again with my
Mother who is living
And staying with me
And is visible physically
Believe me
My father is also with me
But not visible
Not in perishable body now.

I have gone to the Prayag
Triveni, where
The Ganges, The Yamuna, The Saraswati
Meet here at the Prayag
To make people free from all sins
Though what is real sins not defined
Anywhere definitelly
Correctly and beyond any doubt
The Prayag
It is in Allahabad, India
And I have gone there
Twice with father with mother.

My father my mother are
My first and last Gods
I live with them
I am here for them
They have sacrificed
Everything for me
What I am today
I am for them
The Prayag has told me again
In the water and I remember
Prayag, O Prayag
You are the ladder of our forefathers
You are the limelight of future.
Gajanan Mishra
Prayer

Why should I pray
You have already given me
That you think fit
In natural way.
I am happy in this life
With all those you supplied
I know the world around me
Happy prosperous and peaceful.

I know meddling with nature
affect adversely.

Why should I pray
You have given me previously.

Gajanan Mishra

To trouble you
At every moment.
Remember, dear,
You are neither
Able to live peacefully,
Nor able to die
Properly and

In life

Life is not meant for sleep
Awake, O my dear

Gajanan Mishra
Prescribed Duties

Prescribed duties
You are telling about
And I am listening
From beginning to end.

I am telling and
You are listening
Like running commentary
And the life history.

Complete with everything
You included me
In the program that was
Given before hand.

Gajanan Mishra
Prescribed Or

Prohibited no matter,
I have no connection, see me,
I an at the point of neuter.

Gross or
Subtle no matter,
See me, I am here
only as a labourer-doer.

Gajanan Mishra
Prescribed Route

I care not, my dear
And I am going to You
I know, You are my Supreme goal
And You are without any origin
And without any end anywhere.

You are the storehouse of all
That I know, my dear and I am
Going hoping or seeking no return.

I care not any prescribed route
And I am going to You and I know
You Yourself is the route and
You Yourself is the destination
And I am here as my own creation.

Gajanan Mishra
Presence Means

Your presence not needed
Your presence means mystery shrouded.

Shrewd you are
And I am going far and far.

Gajanan Mishra
Presence With Action

Presence with action
Is necessary.
Action with trust
Is necessary.
Trust with love
Is necessary.
Love with true
Is life.

Gajanan Mishra
Present Always

Time, present always,
Always present.
But for clarity
We are to search the sun.

I present myself,
Am I presentable?
Now I am here
Presently, though.

Each day is a
Present-day,
And for the present,
Pardon, life - I preside.

Gajanan Mishra
Present Dazzles

Present dazzles with so many hands
Far away from the jungle and I
peeped at the debris of future
that has a horrible past.

Gajanan Mishra
Present Here

To the credibility
Of my security
You present here
My goodluck.

I put myself
In the elite group
With your present
And more powerful
Nodoubt.

Gajanan Mishra
Present In All

My dear, I know
You are present in all
You live in all,
You are the indweller of
All objects individually
And also collectively.
I know You vigilantly
Guard everyone,
For You all are equal,
You know everything
Being the embodiment of
All knowledge,
You agree with all
Being the knower of everything.

Gajanan Mishra
Present Is Always

Present is always in existence,
Let us feel existence of the present.

Self is here with us,
It is nature, it is imperishable.

Let us go beyond our
Seeing, hearing, thinking,
And going beyond is life,
Life is beyond origin.

Gajanan Mishra
Present Life We Live

I believe in life,
In this present life.
I also believe
Incarnation and also
In disincarnation.

Life is all valuable,
Life is nectar,
I believe.
Dressed and undressed,
I believe in truth,
And the reflections
Of life in the mirror.

I believe in idea,
That is of truth,
I believe you.
You live with me,
All the time.
We both live life
With figures and
Fictions,
In human forms.

We have our own arts,
Own sculpture,
Own stature,
Own streams.

And we respect each other,
We live life, here.

Gajanan Mishra
Present Status

What you left behind
That is you,
Your present status
Shows what you are.,

Forget about hell or heaven
Forget about life and death
It is you who is here
It is I who is here.

And matter ends
Just stay and keep on,
It is the time
That is with us.

Gajanan Mishra
Presentation is beautiful
When not I but the almighty
In the Gita says
From anger arises delusion
From delusion arises confusion of memory
From confusion of memory comes loss of reason
From loss of reason
One goes to complete ruin.

Gajanan Mishra
Presentation Of Language

Important is
Presentation of language.
And language is
One's own identity.
Identity is nothing
But to know
The person and things.
To know nothing
And stay in peace
Is a great thing.

Gajanan Mishra
Presenting Yourself

Presenting yourself
In all poems
And directing me
To write
This and that
Calling these fine
You made me great.

Living in this earth
I'm thankful to you
I'm just an instrument
In your hand
I'm getting self respect
Honour with family
Kith and kins
Friends and well-wishers
You appreciate me
And you made me great.

Presenting yourself
In everything and
Doing everything
Only for me
You made me great
Thanks and it is
I know not sufficient.
I'm nothing
You are really great.

Gajanan Mishra
Presently I Am

Presently, I am
In prison.
Physically, I can't
Go, where I wish.
If you so pleased,
Come to me,
Talk to me,
Understand me,
Extend your hands
And get it done,
What I wish.
It is true,
My heart is with you,
I long for life,
But I wish
To die for love.
I am here,
In this prison-life,
And I feel it heaven.
From here, let me call you,
From here, let me see the truth.
My birth, my breath everything
Is only for you.
Where are you now,
Allow me to know.

Gajanan Mishra
Preserve Fun

Preserve your fun,
O, you are the sun.

You are my friend,
Love me, you are trained.

You are not lesser than the world,
O my father, O my mother,
Again and again said the son.

Come on with all truth,
You have stored all knowledge,
Sons and daughters in the same college.

Have some new idea, my dear, and
Save the world that is in trouble here.

I love you, my dear, but not
as much as you love me.

Gajanan Mishra
Preserve Truth

Preserve truth always
In mind in body in heart.
Truth alone prevails
And what is truth
Search it out.

Gajanan Mishra
Pressure

Bear it,
And go on doing
In a way
Situation demand.
But be cautious
To pressure.

Pressure,
Good, with the process
Of living.
Describe you like,
In a manner
Of your own image.

Care not
How heavy, how rough,
How high, how light,
How smooth- all that.

Size, shape, color,
Smell - all that matter.
Touch and taste,
But not in haste.

Feel all
In the picture,
The surface is clear.

Gajanan Mishra
Presume To Love

Accept love,
Enjoy love,
Achieve love.
Love is not
An ordinary commodity,
Distribute love,
To the faithful one.
Truth is the highest
Gift of love.
Fortunately, you are
In principle, dear
We presume to love.
Love, and love, wherein
We can live together.

Gajanan Mishra
Prevent The Storm

Who is there
To prevent the storm
And it is only love.
With love you can
Keep an enemy
Some distance away.
Without batting an eyelid
I can say love can
Do everything here
There and everywhere.

Gajanan Mishra
Preview

Preview,
Preview your own self
And declare your love.

Gajanan Mishra
Previous Life

It is all
My previous life
That is taking me
From here
Even without seeking.

It is all
The role of
Sabda-brahma
Absolute-word
That well known
To me.

It is all
My previous life
I am enjoying
At present
With and
Without consent.

Gajanan Mishra
Priceless

My poem is priceless
My poem comes from me
Do not scale.
I write poem
Only for myself
The world is
Within me.
I make the best
Use of word in my poem.
I am priceless
My poem is priceless.

Gajanan Mishra
Priceless Treasure

Your questions
Make me happy
Your questions are
Priceless treasure
For me at this time here.

I am distributing food
To the needy, my dear
And the recipients are again hungry
I find no one happy here
I know nothing than this.

Gajanan Mishra
Pride Of Doer-Ship

Pride of doer-ship
Keep not with you.

Remember, what ever
You have acquired
Is not yours.

Render services
In lieu of everything
That you received.

Nothing to be
Proud of, my dear
Nothing to be proud of.

Gajanan Mishra
Priest Class

Being a member of the priest class
Begging is not forbidden for me
And I am allowed to beg and
To accept charity and gift.

It is in the scriptures that
Some acts are worth performing
For a particular class is worth
Abstaining from, for another.

My acts are to emancipate others
Not for my own's selfish motive
I am in my noble pursuits that
Leads to salvation and it is Dharma *.

Principle Of Ignorance

This body,
This material body,
This earthly body is made up
Of the principle of ignorance.

Adoration is out of question
In this body.

And I am facing the Truth
On this material sea-shore.

I desire to cross
The ocean of mundane existence.

I desire to cross this body.
This body is the result of
Ignorance.

Gajanan Mishra
Principles Of Animal Life

The sense for hearing
The sense for touching
The sense for smelling
The sense for seeing
The sense for tasting
The sense for speaking
The sense for handling
The sense for evacuating
The genitals, legs
Together with intelligence
All are here in this world
Believe me this is only air
And the product of air element
This is intelligence
Hard struggle for existence.

Gajanan Mishra
Product Of Love And Truth

Being the product you should
Come forward again to the Limelight.

Gajanan Mishra
Product Of Love And Truth- I Am

See me
I am the product of
Love and truth.
I am fearless
And free,
I am beyond both.
I shine
Day and night
Radiating my own glory.
I have driven away
All sins and I am
Controlled in
Body speech and mind, see me,
I am fully enlightened.

Gajanan Mishra
Product Of Nature

We face trouble
For our faults.

Time is there
As it was,
It will be there
As it is.

We are the creator
Of our atmosphere.

We forget
We are the product of
Nature.
We are here
For free air
And for fresh water.

Gajanan Mishra
Product Of New Age

Product of new age,
Truth, love, labour
And commitment,
We are with them.

Up and down are
There with us,
And we like it.

We like so many things
The fish and the water,
The sands and the sun,
The colours and the flowers.

We are there
With the night
And with the day always.

Gajanan Mishra
Professor Of Philosophy

A bad man can not be
A professor of philosophy
But a professor of philosophy
Can be a bad man.

An ignorant man
Can acquired knowledge
But a man of knowledge
Cannot be an ignorant one.

O my dear, when you are
In this poem-wisdom corner
Be sure, you are in the ocean of light
And you have enough strength to fight
The worldly crisis that are within
Believe it or not but it is the true thing.

Gajanan Mishra
Profit And Loss

Profit and loss
Are here and we are
All busy in calculation.

Gajanan Mishra
Progress

Progress is
Only possible
In peace,
And peace is
There where
There is
Renunciation.

Renunciation
Both internal
And external,
Renounce, my dear
That are sinful
That are unjust
That are evil actions
And all that are perishable.

Renunciation of desire
Is superior and only
Then one can get peace,
Immediate peace.
It is true, desire
Is the main obstacle
In our progress,
Progress in truth.

Gajanan Mishra
Progressive Journey

Progressive journey,
I like, from here
To there and again
From there to here.
Progressive journey
To reach the truth,
The supreme truth
That in you. And
For this, I am always
Watering the life's
Root to get the fruit,
Fruit of universal love.

Gajanan Mishra
Progressive March

We are all
In a progressive march
Towards the goal - the truth.
The truth is within us,
We know, though.

Poverty and communialism.

Gajanan Mishra

Project the cause of
Your own, dear poets.
Run not away from
Humanity at any time.

For all welfare here
And also there.
Dig deeper dear, and
Keep with you
Deep-rooted passion.
See, absorb and write
With a challenge
For truth.

Gajanan Mishra
Promise Of Safety

Promise of safety, 
where it is 
I like it.
I like the moon 
and the tribe. 
I like the motive 
that is there in 
my success. 
Here I am not 
in safe though. 
Debate is on 
how to survive 
in today's world 
that is not conclusive.

Gajanan Mishra
Promote State Language

Promote state language,
By using always in all
Or any purposes and
Win the hearts and enjoy power.
Punish the one
Contravening the laws
Of the land, our demand.
People are sovereign here,
And who so ever you may be,
You are there to serve them,
In accordance with laws
And constitutional provisions.
Language is the identity, and remember,
The very cause of state's creation.

Gajanan Mishra
Promotion And Degradation

Promotion and degradation
Is always there with everybody
And it is the laws of nature.

It is going on up and down
All over the universe
Think never and worry not my dear.

O my dear, remember two things
If you have tasted the distress of poverty
You can enjoy the happiness of wealth.

Like the woman who has understand
The pain of childbirth can know
The similar pain here on this earth.

Come to the platform of
Actual experience, my dear and know what is what.

Gajanan Mishra
No proof
No need
Proof not needed
For detailed knowledge
For love
No evidence required
No guess no law
Can suffice the purpose.

No need of words
No need of comparison
No need of reasoning
No inclination nothing
It is just realization
It is not explanation
It is just revelation
And it is past influences.

Gajanan Mishra
Proof - Truth

Proof
Proof is necessary
Proof is inclination
Proof is a way of realization.

Proof is necessary
To say who you are
Evident by guess
By comparison by word
By reasoning by apprehension.

But my dear, remember, Truth
Proof is beyond all proof - Truth
And proof comes with the sphere
Of the know-er, who realized Truth.

Gajanan Mishra
Pro-Peace Element

I have to strengthen
The pro-peace elements
In my neighbour's land.

Gajanan Mishra
Proper And Improper

Who am I to decide
Proper and improper,
Who am I to draw a line
in between truth and false.
Am I eligible to know
What is what at this time.
I am just a man and
I am to manage everything here.

Gajanan Mishra
Proper Approach

Proper approach is
My dear, kept in you,
A disinterested motive
And regard others
As yourself,
Without doubt you are
Here to get success,
Just behold as one
And see the result.

Gajanan Mishra
Proper or Improper

Proper or improper
No matter
But you love
And your love
Will make you apart
And independent
And you will get everything
There is nothing wrong
In love
Love make you united
And union gives you
Separate entity
And you will get everything
Just express yourself
To express is no mistaken
While loving
Your thinking should be
Pure and Sacred
And you should remain
Separate from your love

Gajanan Mishra
Proper Person

Where are you going
The answer is with me
Please do not put me
In troubled water
I am not poor
With no desire at all
The desire makes a man
Dead and I am not dead
I know where you are going
I am not proper person here
to tell and only you my dear
Can understand me
I am not near.

Gajanan Mishra
Proper Use

Proper use
And use properly
Desirable and
Undesirable
Realize love
Life is meant for
Serve others
Giving up desire
Achieve progress
Spiritually
Occupation of place
That is yours
Is natural
Important is
Going naturally
This is what
Says scriptures
Written and verbally.

Gajanan Mishra
Proper Use Of Freedom

Proper use of freedom
Is necessary to attain Truth,
We ourselves are pure Truth
And you can't find falsehood,
Falsehood is not pure
You can say Truth always
But you can't say falsehood always
As you are the Truth
And Truthfulness is there
Within you and it is but natural,
Inherent in you,
O men, O seeker of Truth,
fraud and foul means are not yours
Only Truth is yours and you are the Truth.

Gajanan Mishra
Property Of Others

Properties of others-
Pure poison.
And it has
No antidote here.

The poison spreads
To destroy your all
If you desire for.

Gajanan Mishra
Propitiation

O my dear
You are great propitious
I can not propitiate you further
By giving golds silvers
I can do my duty
And try to do it perfectly
I can pay proper dues to those
Who are rendering service
To me and to others under me
And it is Dharma and it is
My Karma
O my dear
Help me in doing good works
In proper form.

Gajanan Mishra
Proprietor

Who is the proprietor?
Without knowing this
Basic question, we are
Being misguided, dear.

The platform is not enough,
But still, we are ready to
Search and it is true
Fear is there to us.

Are we not sovereign?
But we ignore the jackal's cry.
Intolerable blasphemy is there
All over the atmosphere,
We are not able to cover our ears
And walk out the place.

Gajanan Mishra
Proprietorship

Proprietorship can not be claimed
By the constructor
By the merchant
By the worker.

Our body is our skyscraper
We are nobody to claim proprietorship
Over this body at any time at any place
This body is not ours in real sense.

Since this body itself is not ours
Nothing is there besides this body
And nothing is ours
And so no need to fight among ourselves
For anything at any time
We know we have to leave all for all the time.

Loving mother of
All the worlds
The nature
That is within us
Let her appear
Before us
And protect us
From the danger
Within.

And reach where
When you are unreachable

Please come
And destroy all troubles
Here at this moment.

Gajanan Mishra
Protect Yourself

Protect yourself,
O my dear writer
From possible danger,
And stay not with
Worldly pleasure.

And withdraw yourself
From all social-objects
And recover all wonders
To become a lighter.
O my dear writer,
Appear and disappear
For the truth and for
The welfare of all here.

Gajanan Mishra
Protect Yourself, My Dear Son

Protect yourself from
All sorts of sinful acts,
My dear son,
And see, for you

And then, stay peacefully
Anywhere you like.
You are not, remember, an
Ordinary one, dear son,
Know thyself as fruits of
Eternal love and truth
And accept yourself as
A great personality of light.

Gajanan Mishra
Protecting Everywhere

I know You are protecting me everywhere
You have given me protection even in the womb of my mother.

The complete whole and
In that whole my entire
Existence is there.

Gajanan Mishra
Protection

Give me protection

Taking shelter
In your house.

In your house

Thieves and
I am unable
To be free.

Gajanan Mishra
Protection - Disturb Existence

Who will protect whom
And protect how
Protection not needed
I know.

You are telling always
Separation is unbearable
Is it true, I doubt
See we are separated.

Fire and air
I fear not
I fear only
The source of terrible.

I am here with You
And You appear disturbing all existence.

Gajanan Mishra
Protection- Not Necessary

Protection- not necessary,
Live is in safety.
If you so like
You can test it.

But who you are
Let me ask.
Let me take care
Where you are.

I understand
The meaning of
Your very coming
While I am going.

I know you are
My strength here.

Gajanan Mishra
Proud Of Your Eyes

I am proud of Your eyes, O Jagannath
Your eyes are spark in the sky.

I am proud of Your legs and hands
With You, O Jagannath, I want to fly.

I have with You in my respiration lovesick air
You are precious, O Jagannath, You are my ear.

Gajanan Mishra
Prove That

Prove that You are in love
Prove that You are not blind
prove that You are the light for all.

It is Your joy that is here in time
It is Your knowledge that is prime
It is Your life that is swims.

Gajanan Mishra
Prove That Love Is Life

Prove that
Love is life.
Prove that
You are in love.

Love is nothing
But the expression of spring.
Love is nothing
But the expression of life-musing.

Love has kept
Life-giving power in it.
Love enable each one
To move here and there
With all positiveness of breath,
Love is the joy of the rose in autumn.

Gajanan Mishra
Prove You Present

It is not your fault
You are not here.
You are here
And it is your fault.

Think leaving place
And you can not
You can not leave
You are not here.

You are here
Everybody guarantee
No guaranteer present
To prove present.

Gajanan Mishra
Proving Innocence

Proving innocence
Is not easy
As you said.

Gajanan Mishra
Pro-White

Pro-white,
Our God is white.
We are also
Pro-black,
Our God is also black.

Our God is everywhere
And in all.
And you can discover,
Wherever you like
And find us,
We are there for you,
For all good.

Our God is also yellow,
Find under your pillow.

We are here
To support you
In all your welfare work,
With our heart.
But go always,
Discriminate no one and
Proceed ahead,
With humanity
With peace and
For the development of all.

Gajanan Mishra
Proximity Is Not A Matter

Proximity is not a matter
It is the love and the
Transcendental love
With related hearing seeing
That would give fruitful results.

The love must be genuine
If you want to conquer all
And life without genuine love
Is of no use and there is
No happiness in such life.

Gajanan Mishra
Proxy

Proxy has no work to do
At hospital
At graveyard
Proxy has no work to do
Before parents
Before God.

Gajanan Mishra
Pruthibi O Mu

Pruthibi mo pain kebala nuhen,
Kintu mu kebala pruthibi pain.

Bahuta sabda achhi uchharibaku
wbam mu ethare sethiru kichhi kahibaku.

Gajanan Mishra
Pseudo-Freedom

Pseudo- freedom
O woman, Are you
Ready to go
Beyond house-keeping
Beyond rearing of children
Dangers of feminism
Outside marriage
Outside family.

Gajanan Mishra
Psychology Test

Are you afraid of
Thieves, robbers
Lions, snakes etc?
If yes, what for?

What is your aim?
Are you going to
Realize your aim
Within?

What is worth doing?
What is worth knowing?
What is worth gaining?
If you know, fear, what for!

Keep purity within
Be enlightened within
Regard not anything your's own
You have already won everything.

Gajanan Mishra
Public Executioner

Do you agree to
hear my pain, my dear,
Being a public executioner,
I have so much to say.

Feel me, my dear, feel me,
Feel my pain that is always
with me, I know it is not good
to take another's life.

Life is life and life is
not within the purview of
legal or illegal, you cannot
say death is the end of life
and it is final. Feel my pain,
I am executing and it is critical.

Gajanan Mishra
Public Good

Tut tut,
My poetic sensibility,
If it is not in truth.

Tut tut,
My poems,
If they are not there
To create
Love in you.

Tut tut,
If I am not here
To discard the falsehood.

Tut tut,
If I am unable to do
Any public good.

Gajanan Mishra
Public Response

No public response,
No public reaction.

And hence the representatives
And the public servants
Are using the foreign language.

Since the use of foreign language
Is there, the public is in dark.
And hence no reaction no response
Is publish or notice in general.

The public is busy in collecting
Rice or a bread for their belly,
And a piece of cloth for the body.

The public is in no way connected
With the day to day functioning
Of the state, as if they have
Nothing to do but to cast a vote
By taking a liquor pouch and
A five hundred rupee note
Just before the election.

The government knows better how to
Divert the public attention
And how to blackmail public emotion.

Gajanan Mishra

Pull And Push

Pull and push
The snake is
In the bush
Bush is near
The hole
And where is
The whole
It is the snake
Who can tell
And leave
Its mole.

Gajanan Mishra
Pull Me Out

Pull me out
From this well,
Well of pains.
In this well,
Only water is here,
I, myself is the water.
Water-pain, troubles
Always everywhere here.
Pain-water all around,
And no exit point
Anywhere here.
Attachment to pleasure
Is much more dangerous,
I discover, dear.

Gajanan Mishra
Pull Out

You are lacking from Truth consciousness
And so You are suffering from ignorance.

You are suffering from ignorance
And so You are lacking Truth consciousness.

My problem is my thinking and I am thinking
About you and I see you how fool you are
And I am very unhappy see you in trouble.

I am helpless and you are suffering I am unable to save you
And I am not able to stop you are committing sinful acts
In this body you have fallen and I am not able to explain.

You are almost mad in your pursuit of material enjoyment
And I am trying to pull you out from this dark well.

Gajanan Mishra
Pull Up

Pull up or contract
And relaxed.
And concentrate
All good effect.

It is your body
It is your mind
Stay with them
While walking
While laughing
While singing
While dancing.

You are not prohibited
At any stage to do anything
Here and hereafter.

Gajanan Mishra
Pulp Of Love

See, you can see
If you wish.

Love is always
Absolute and pure
If it is in truth.

Come and feel
Here within you
Stream of love.

In speech in action
You can express yourself
Without any hindrance.

See the love
And find the truth.

Gajanan Mishra
Pulse And Blood Pressure

High,
Pulse rate
And blood pressure.
Atmosphere -
Not perfect.

Human nature -
Downwards.
No one is ready
To beg excuse
And say sorry.

All are dislocated,
All are melted,
All rocked
And I am concerned.

Gajanan Mishra
Pulse-Beat Of The Sky

Pulse-beat of the sky is here
Here is my love-language
And my devotion and you are
Here in the sky.

O my dear, see I have no strength
And I have nothing except
Offering a prayer in my language
I know it is yours and you understand all.

I am not alone here, I know
I am with five others
They are pulling pushing me
Time and again and yet
I am feeling the heart-beat
Of mine and that of the sky.

Gajanan Mishra
Punctuation

Will you not able to read
And understand the subjects
And substances without
Any apostrophe comma colon Dash
Exclamation hyphen parentheses
Period full stop question mark
Brackets et cetera
If you are able then no needs of
Putting such punctuation marks
And if you are not able then
A conclusion can be drawn that
You are lacking certain
Fundamentals that need to
Learn first
And in fast life today
You are to get ready yourself to
Catch the early birds
And well acquainted with
The situations and variations.

Gajanan Mishra
Punish Me

Punish me,
In order to
Right me.

But mind not
Anything, if any
Wrong is there
In me and with me.

I am not
Anyone's enemy.
But I am free
And complete.

I wish
All welfare,
I am the fixed star.

Gajanan Mishra
Punish Not Any

Punish not any
Sinless,
Unpunishable one.

Make the accused
Understand the charges
In his language
And give him a chance
To regret.

But alas,
Justice is tampered with.

Gajanan Mishra
Punishable

Playing any sort of role
Is a crime and punishable
Do not indulge in crimes.

Do not aid and abet criminals
It is a crime and punishable
Do not indulge in crimes.

Abide by the rules and regulations
If you can not abide by rules
It is abhorrent and is a crimes
And punishable
Do not indulge in crimes
Do not indulge in crimes
If you are really a human being.

Gajanan Mishra
Punishment Is Wrong

As a poet,
I do agree,
Who are we
To punish
Anyone for
Anything.
Punishment -
Not advisable.

But as a civil
Citizen, to
Maintain law
And order and
Discipline, I
Must say each one
Should respect
The law of the land.
And violators
Must be punished.

No one should be allowed
To play mischief.
Goodness is difficult
To achieve, though.
But as a poet,
I do agree
Each one should
Set free and
Enjoy nature.

Gajanan Mishra
Punishment-Free Zone

The issue -
To declare all places,
As punishment-free zone.

Home, schools,
Police station, courts,
Let them all go.

Let there be
Full freedom of
Movement, temperament.

Let there be topics
Related to life.

No longevity,
No adventurous life,
No missing alternative.

Gajanan Mishra
Punithare jadi barsha heba

Still, our world is
Progressive and
We are all possessive,
And nothing conclusive.

Gajanan Mishra

Each one is pure
And perfect.

Each one is the truth

Feel the system
That is in me.

Pure fragrance in earth
My sound is pure
My touch is pure
My color is pure
As a human being
I am pure and powerful
Like the sun.

Gajanan Mishra
Pure Has No Place

Pure would not work
Properly here.

I am peaceful
I am lusty
I am angry
In pure form
I am useless.

I could not work
In this world
As I am peaceful.

I am blind without
At least a tinge of
Peacefulness or restraint.

Overwhelmed with anger
I could not function
Without a mixture.

The world is here
In mixed mode.
As I am in service
I am truth conscious.

Gajanan Mishra
Pure In Heart

I am pure in heart, see
Knowledge is attained by me
Without any attachment.

I know knowledge has no value

With love.

I am pure,
I am for you,
And doing your works.

Gajanan Mishra
Pure Intellect

Pure intellect and discrimination
By this, O my dear, severs, your
Connection with matter.

Perturbation is an obstacle to meditation
Please stay equanimous in solitude
And at a crowded place for concentration.

Concentration is necessary for purification and
For meditation, the need is pure intellect and discrimination.

Gajanan Mishra
Pure Land

The land is pure,
Let me attain it
By noble deeds.
Deeds are noble
When it is mixed
With love and truth.

The truth and I want
To attain life
On this pure land.

One place to another
Without any personal interest
and doing everything for others,
and doing everything sincerely
and honestly as a duty
and you are applying everything
with all good faith for all.

Gajanan Mishra
Pure Light

Rays of pure light
I like
That is in dark
Let me part
Steadfast.

Gajanan Mishra
Pure Lights

Pure lights -
The child.
But the child dies
For oxygen.
And Govt denies.

We demand
Let the truth
Come to the light
For our own survival.

And they said
Nothing has happened.
Are they deaf and blind?
I know not, but I know
Not long their tenure.

Gajanan Mishra
Pure Love

Pure love,
I want pure love
From you.
See I have also
Pure love for you.
Love, unsmitten by desire,
Love, untainted by selfish ends,
Love, craved by me
For the sake of love alone.
Love, unattached by worldly power.
I am there with you
For love
For truth
For life.

Gajanan Mishra

Pure Man

Who is a pure man?
What are his characteristics?
Where is he?
Though, with the answers
I have nothing to do.
But I need it all
For the information of
All men, who are present here.
If you express your ignorance,
I have nothing to do.
I have nothing to complain, but
I must say, here in you,
Reside a pure man that
Have the desire to live in.

Gajanan Mishra
Pure Only Can

Pure only can preach
And who is not pure
You can only teach.

Being the shelter of all
You know what is proper
And who is here.

With a smile
You melted with compassion
In Your various incarnations.

Gajanan Mishra
Pure or contaminated
No matter if you are
In love and in truth
Love and truth can cleanse
You and your very existence.

Gajanan Mishra
Pure Relationship

Relationship is pure,
Pure relationship
In pure consciousness.
Our entity is pure
In our pure state.
Let us realize the purity,
In our forgetfulness.
The reflections of the sun
And the moon are there
And we are with them.

Gajanan Mishra
Pure Self

See
I have with me
My pure self
Till the end.

Gajanan Mishra
Pure Truth

Pure truth is here
In me
I am always
In truthfulness
You may see me
As pure truth
For the purpose
You desire.

By thinking me
In truth you can feel
A vibration within
If you are in austerity
In cleanliness and in love.

In love
You can say
I understand everything
In love
You can reach
Everywhere within a second.

Love is here in truth
In pure truth
That is there within me
You can feel me
In very life-air.

Gajanan Mishra
Pure Uncertain

Life is pure uncertain,
Try to know what is
Happening at what moment
And the repercussion.

No replica can be found
In nature or beyond,
But animated sensible objects
Are not rare.

I realize my errors,
But in living nothing like that
I discovered.
And your order to stay cautious,
I remember here
Just for poetic tales.

Gajanan Mishra
Pure Water

O my dear I love you
You are my pure water
You are a big reservoir
Of pure water
Pure water my love
And I pay no attention
To any other like or
Dislike reservoir
You are so large
So large O my love
You have tolerated me
After so much turmoil
My love you are
My all in all.

Gajanan Mishra
Pure World

In pure world, we are here at this time,
This is the result of our own noble deeds.
This is the higher world where we are residing,
In all goodness we are here throughout our life.

Gajanan Mishra
Pure, Perfect And Clean

Pure, perfect and clean
Let us keep this life
With the help of love.

Gajanan Mishra
Pure, Though

Where to go?
Road is everywhere, though.
Go anywhere, but
Forget not the self.
Ask not the address, also
Ask not about
The condition of the road,
If you are not to go.
No needs to ask
If you are determined to go.
Go or not go,
But you are not to stay
I am sure,
Pure, though.

Gajanan Mishra
Purest Of The Pure

O purest of the pure
I am Yours
You can only able to
Purify me from all
Sinful activities
You can only make me free
From bodily needs
Birth and death
I know everything is
Emanating from You
And it is by Your grace
I am here O my dear
With this verse.

Gajanan Mishra
Wait there,
I am going on
Puri Express.
And where is Puri,
Ask not friends.
If you are so interested,
Do good to me
As practicable.
I have an interest
In your life
And it is true
And so, I am watching you
For love, For truth
And for all good.
Let me congratulate you,
For you are there
For my all welfare.
I am in this world
And you are there
To give wonders
Of the stars.
I have so many things
To do here, dear.
You just stay
For a while, here
And if you have time
Go on measuring
The sea water.
If measurement is proper,
Then be sure,
Puri is here.

Gajanan Mishra
Puri Kshetra

You are now at Puri I know
O my dear
Puri is Your Dhama and your kshetra
Where you takes birth that is Dhama
Where you resides that is Kshetra
You dines at Puri
You meditates at Badrinath in Himalaya
You takes rest in Rameswaram in Tamilnadu
You rules in Dwaraka in Gujurata
O my Love
You originates in Puri
In the present and called
Lord Jagannatha
I know Puri is a
Pious place of your glories
And for you Puri is
Known as Purushottamkshetra
Srikshetra and Neelachala Neelagiri
O my dear I am at your Puri
I surrender here to you
My life my soul and my body
My family and what is called mine
Everything everything.

Gajanan Mishra
Purification

Auto purification
Flowers with fragrance
Non-violence with saints
Speech with truth
Auto purification
In name and fame
To stay free from
Anger and free from
Excitement is example of
Auto purification.

Gajanan Mishra
Purification Of Inner Sense

Saint poet Tulasidasa
Rightly said 'Let the filth
Of the sense of mine,
Be burnt.' (Manasa, Uttara, 117A)

I pray, O my dear,
Let my heart gets purified
By total renunciation of affinity
Of an egoistic notion
And sense of mine.

Let me burn myself
Every moment at your feet,
Let me surrender everything
That are with me, as
I know nothing is mine.

Gajanan Mishra
Purified Form

You are my
Purified form
Said God.
And a man
Nodded his
Head.

Stay there
Ordered another
Man to God.
God obeyed.

Both the men
And the God
Cheered life
Together-wonder!

Life is all
Mystery, I write.
But both men
And God denied.

Your majesty,
I pray, exclude me
From the list
Of god and men.

Leave me
Under my own care.
I am fine and fair.

Gajanan Mishra
Purified Man

Purified man is
Just like God.
Purified poison
Is just like nectar.

Purify yourself, my dear,
By renouncing desires,
Attachment, selfishness
And hate and pride,
Purify yourself, my dear
By performing duty
In fire and water.

Expect no fruit,
Stand on your own field,
Hear peacock call.

Gajanan Mishra
Purify Existence

Purify existence
Primary importance.

Order of life
On an ordinance.

What happened
And it is sustenance.

Gajanan Mishra
Purify The World

Stay here, dear daughter,
And purify the world.
You are the symbol of
All intelligence, dear,
Stay here and give nectar.
When you are here,
I see the dark,
No longer.
I feel peace,
And here I find
Unity and fraternity
All over the society.
Stay here, dear daughter,
You are the wonder.

Gajanan Mishra
Purify Words, Mind And Hearing

Purify words, mind, and hearing,
And purify life in the world, and
Milk all kinds of true knowledge.

Gajanan Mishra
Purify Your

Purify your
Own thoughts,
Own feelings.
Or give me
A chance to
Purify these.
Purification is
But a necessity.

Drive your
Own car,
Depend on
Not others.
Or hand over me,
Key, you just
Sit on there
Calm and quite.

Worry not
About anything,
Beauty is there
In everything.
Leave it to me,
I am here to
See how the time
Is going on here.

Let not free
Your sweet will,
Let not any one
Go through you.
Watch yourself
What you are doing
And tell about you
Think yourself-
Part of others.

Gajanan Mishra
Men, purify your mind first,
And then speak what you what.
See that you want nothing
To speak, to hear, to take.

But fire is there,
Be cautious men, within you.
Convert the fire into the ice,
And see you are within.

Where is your identity,
Try to search it out.
How you are going and
Where you are going.

But I am sure you are
There, where you are.

Gajanan Mishra
Purify Your Own Existence

And enjoy a truly
Blissful life.

Here is the special mercy
Avail it
In pious activities.

Understanding is optional
But cleansing of heart
Is compulsory.

Gajanan Mishra
Purifying Nature

Purifying nature
Is real progress.
World would be better
If you purify your nature.
If your nature is to give
Pleasures to others
You yourself gain pleasures.
Improve nature means
No down fall.
Man of good nature
Can only receive all blessedness.

Gajanan Mishra
Purity

Purity and sincerity
I am searching in you
and you are not with me.
See me, I am fool
As I am telling
A greedy man truthful.
Take hundred baths
in Ganges but
you are what you are.

Gajanan Mishra
Purity / Impurity

Purity impurity
Who is there to decide
I am in my own relish.

I have a life
I have to face
Antecedents and
Consequences
I am in my own relish.

Space time
Nothing and nothing
I am here with my relatives
I am in my own relish.

What is what and its nature
I am here to decide
I am in my own relish.

And I am in my own relish
With you O my dear
And I have nothing to fear
And I have my own cheer and cheer.

Gajanan Mishra
Purity And Light

Purity and light  
Two instruments with me  
And I am going with them.

Where is the place  
That I am going  
Where is what  
Is not within my knowledge.

Just I am eager  
for knowledge and virtue  
And that is in my flesh  
Bones blood and in my passion.

Gajanan Mishra
Purity And Pious Action

Purity and pious action
Is good and goodness
For all.

That love to save
The world.

Gajanan Mishra
Purity and Sincerity

Purity and sincerity
I am searching in you
and you are not with me.
See me, I am fool
As I am telling
A greedy man truthful.
Take hundred baths
in Ganges but
you are what you are.

Gajanan Mishra
Purity of heart
Is but necessary.

And spying is
Never acceptable.

But not too tight
To comfort.

Relax, give a free hand
To hearts to act.

Gajanan Mishra
Purity-Inner

You think me good
My dear, let me clear
I am not so good
You think me bad
Let me clear, my dear
I am worse than that
But it is clear
I am trying always
To become better
And better
My pen is good
My words are good
It does not mean
I am a better writer
If purity is not inner
And again my actions
Can be pure but see
I am not pure
The actual doer
Likewise so many
Things are there to say
But my dear as you know
I am not a perfect talker.

Gajanan Mishra
Purplish-Blue

Purplish-blue,
I dislike you.
I dislike daily
Round of
Dull routine,
I dislike
Mechanical men,
I dislike the things
That are unreal.
Let me quit you
As you are untruth,
No truth is there
In you.
I like reality with truth.

Gajanan Mishra
Purpose And Meaning

Purpose and meaning
Of life is being
Searched by me.
Life is not mine,
I am telling, I am
Living, though.
My self-identification
Is not sufficient,
My dear, I know.
I am not a superficial
Onlooker, you know.
I am sure, no one is
In bondage or in misery
And hence, each one should
Feel happy for the power
And position enjoyed.
Nothing is there so called
False illusion but everything
Is in truth with our
Successful vision.

Gajanan Mishra
Purpose And Want

What is your purpose
And what do you want
I know your want is
Changing from time to time
And from place to place
I know your want is not fixed
And your want changes its colors
And it is furrer
And your purpose is not clear
And I am with you see
Just not to missed
The space we have it.

Gajanan Mishra
Purpose Of Knowledge

What is knowledge
And what is
The real purpose of knowledge?

Knowledge is meant for
Finding Truth
And what is Truth?

Truth is life
Purpose of life
Is to know the truth.

Knowledge and Truth
One who knows
Perfectly is liberated.

It is all
In appearance and in disappearance.

Gajanan Mishra
Purpose Of Life

Try to understand
The purpose of life.
Try to understand
Life is not for war
Or for any battle.
Battle causes loss,
Only loss and nothing else.
Battle is there to
Take away your time
Energy, property, good name
And even life.
Try to understand life,
Life is not for worries
Or hardship as said.
Let life go on its way,
In the natural process
With love and giving
Everything that are there.
Manage life well and
Stay happy till you are
Alive here with light.

Gajanan Mishra
Purpose Of Pronouncement

The purpose of pronunciation
Would be defeated
If it is not pronounce
In the language of the person
To whom it is intented.

Gajanan Mishra
Purpose Served

It is true, my dear,
I am not able to see you
It is true,
You are able to
See me.

You know what is there
In my heart and in me,
My purpose is served
As you are
Beholding me.

No expectation from you,
My dear, only you are to
Stay with me here and hereafter
And keep me with you for ever.

Gajanan Mishra
Push And Pull

Life is just
A push and a pull,
Go there and
Come here.

Low cost
Tight is a must,
What you know
That suffice the purpose.

Your moving is
For show,
Faltering is
Well known to crow.

Still life is life
No one knows its rife.

Gajanan Mishra
Push Me Not Back

I want to live
With my family,
On this very earth,
Push me not back.

Please, please,
Push me not back,
I want a place
On this earth,
To settle down.

Let me clear
I am not a security
Challenge to anyone.
Please treat me
As a fellow human.

I do admit,
You have every right
To fight terror,
But look at me,
I am simple and
Innocent and I am
No way related to
Any fundamentalism.

I have lost everything
For nothing,
For no fault of my own.
Believe me, and put me
In no trouble in the name of
Ethnic cleansing.

Gajanan Mishra
Push the air,
There.
But pull not.

The air is
There, to
Create vibration
In you.

Thanks to
The air,
By which
You live.

Push not
The air
Where it lies.

Gajanan Mishra
Pussy Cat

Come on, pussy cat,
See this, see that.
I am here for you
you are there for me.
Let us do our works,
We both in time.
Pussy cat, are you
saying something
that I guess from
your mewing.

Gajanan Mishra
Put All Questions

And get no answer.
Go everywhere
And reach no where.

Friends, this is that area
Your vision suffers malaria.
You are diverted
And departed from all good there.

Nobody dares to give assurance
To return to pavilion
All are coward
And they see no bird.

Here or there if you search
You will have your answer.

Gajanan Mishra
Put Aside All

Put aside all,
All pride,
All fear,
All lamentation.
And live here,
With true words,
With faith,
With action.

Gajanan Mishra
Put Away From

Put away yourself  
From the clutches evil person.

And go inside  
To judge yourself.

Outsiders are not  
Under your control.

O my dear  
Evil persons are outsiders.

You are not allowed to  
Keep company with  
Any one outside.

Gajanan Mishra
Put No Question

Put no question
To life.
Expect no answer
From death.

Life and death
Are two sides
Of your own.

You may say
What ever you like
At any time,
But no cheating.

Earth is here with you
To make your grass grow,
Keep everything, let not throw.

Gajanan Mishra
Put Not Your Shoes

Put not your shoes
On your head,
Remember, your shoes
Are not your cap.
Allow not your maid-servant
To your bed room,
Maid-servant is not your
Married wife.
Remember, no woman is there
Who can loves you
Like your own mother,
And if anyone says she loves
Be sure, she is
An evil spirit.

Gajanan Mishra
Put Out The Fire

Put out the fire
That is within
And stay far from
Harm and danger.

Safety and cleanliness
In your own home
Is the need of time.

How to live
Know well with
Proper training.

Ignore not anyone,
Ignore not anything,
But take care all
For own interest.

Gajanan Mishra
Put Question

And get answer.
My dear, whosoever
Question the poet
Must be answered.
Though words failed
And all lamented
Themselves here.

Gajanan Mishra
Put Up The Shutters

Put up the shutters
If you fail to
Recognize my soul.
Leave the place at once
If you fail to use
My own language
Here on my land.
Know that I am sovereign
Here on my land.
You are the trespassers,
You are to know the rules
And regulations of my land,
You are to know the root
Of my very creation.

Gajanan Mishra
Put Worthy Questions

Put worthy questions, dear,
Related to truth and relevance to
All welfare and satisfy the self.

Gajanan Mishra
Put Your Signature

Give your identity
Tell your name address
And contact number.

Nobody call you
You are here
Nobody listen
You singer.

Give declaration
On clear perception
Here the nation
In touch emotion.

Gajanan Mishra
Put Your Signature And Test Yourself

Put your signature here
And declare that what
You are stating is true
Verify the contents
That you are yours
Sworn in that you are
Stating the truth
Only truth
Nothing but the truth
Put your signature here
And declare you are
None other than the deponent
Who is here for the present.

Gajanan Mishra
Putting Away Everything

Putting away everything  
I stood here with you  
Only to observed the situation  
And the situation was not static.

Putting down everything  
That were happening  
I remained silent and you  
 Asked me about consequences.

Gajanan Mishra
Putting Question

Putting question
Is not bad
As You know
Question is first
Answer may follows
May not follows.

But the answer is
There and that is
One the question
May vary as said
That may appeared
That may not.

Determination is
Fulfilled with
That question and
With that answer
You may satisfied
Or not no matter.

Gajanan Mishra
Putting Signature

Go on putting signature
Here every moment while
You are present and tell them
What you want.

Here is your world shining
Like the rain water
At the jumping of the frog
Towards sun rays.

Break not men within
Rise and rising is your nature
Road is open and straight
It is you to see anyhow.

Gajanan Mishra
Putting Steady Efforts

Putting steady efforts
And without lazy,
You can win like the tortoise.

Gajanan Mishra
Putting You First

Putting you first,
See, I came forward.

You, please come
And join hands,
And let us
Speak in one voice.

I know,
I alone,
cannot walk
On the path of
Peace and progress.

Please support not violence,
Please export not terror,
Please perpetrate not hatred,
But love, love humanity,
And come forward
For the larger interest
Of the society.

Gajanan Mishra
Puzzle

Do not bury the poet
The poet bury himself.
The poet is his soul
It is seen ti poet only.

The poet see the time
And time see the poet.
Ask not the poet repeat
Another sun flash light
And you puzzled.

Gajanan Mishra
Pyrotechny

Multicolors of my poems
Puzzled you I know
And this is called Pyrotechny.
Here lies the truth
And it is harmonious
With our life
It helps to rise and rise.

Gajanan Mishra
Q&A Format

It is your own choice,
Your own life style
Whether to follow
Question and Answer
Format or to see the picture
As it is in plain statement.
It is you to choose the color
That suits you as per stars,
It is you to select the dresses
As required in changing seasons.
Who has inspired you,
You are free to express.
And also you are free to do
Anything that you like here.

Gajanan Mishra
Quack

Illusion reigned
And I with haste
Jumpup the ground
Where I was not.

Accept as it is
Dark is dark
And in dark
Life bark.

Accept as it is
Everything you see
Dark here
Said the quack.

Illusion reigned
We all in the same
Line the world
Is going.

And we are going
Towards dark
Where dark become
Light and we
Watch fight.

Quack said
Alright alright
Come with me
I have to delight.

Gajanan Mishra
Quake, Quake

Quake, quake,
Earthquake.
We are all
In trouble.

Life-lost,
Everything lost.

Quake, quake,
Earthquake.
What is there,
I see you
Busy in search.

In life
In love
In truth.

Gajanan Mishra
Qualification

What is my qualification
You are asking me and when
I have nothing to say.

Am I endowed with a pure intellect
Am I here firmly restraining the senses
Turning away from sound and other object of senses
Casting aside attraction and aversion
Dwelling in solitude
Controlling speech body and mind
I have nothing to say
It is you to decide
O my dear, You are here with me
You are here to judge me, O my mentor!

Gajanan Mishra
Quality Matters

Quality matters
Not quantity
Power matters
Not weight size.
Be qualitative
And maintain
Silence and get
All honors of heaven.

Gajanan Mishra
Quality Of An Ideal Man

Having clear vision
No bad intention
Doing nothing for himself
And a hard worker.

Gajanan Mishra
Don't sacrifice
Your quality of goodness
O my dear.
Control your
Passion and ignorance
My dear.
Nothing is attractive
Besides Truth
You are to see.
Perform your devotional
Service and take
The help of your
Obedient and faithful wife.
Goodness is eternity, remember.

Gajanan Mishra
Quality Of Life - Peace And Prosperity

Let the quality of goodness
Comes to me at every moment.
No negation, but I want
Positive transcendental manifestation.
Let pure and simple life
Be here with me for all good.
Give me power to tolerate all,
And let me go with peace and prosperity.

Gajanan Mishra
Quantum Entanglement

Albert Einstien,
Where are you?

Are you there
In between the space
And the ground?

I know you are there
To break the distance.

You are not there
To monitor the evolution
of the species.

Let me argue,
The frontier investigation
Is ahead and you are
In my volatile memory.

Gajanan Mishra
Quarrel

We are in quarrel over trifles
We are not in quarrel with love.

In love there is no difference
Between the learned and the foolish
Between the rich and the poor
Between the Hindus and the Muslims
Between the Christians and sikh
Between the Indians and the English men
Between the castes and out-castes.

All are equal in love
All hear the transcendental sounds of Love
And Love alone can cleanse the dust
From the mirror of the heart.

Love is the common platform to
Achieve peace for mankind.

Gajanan Mishra
Quarrel And Hypocrisy

I know
The time is
Quarrel and
Hypocrisy.
And I pray
For mercy.
Freedom is
Not necessary
For me.
I want not to
Go anywhere
At this time.
Fire, air,
In all, I discover,
That can destroy me.
Thank you, all pervading,
Still, I am flourishing
I am favored by time.

Gajanan Mishra
Quarrel Not

Quarrel not with any one
Accept Truth as conclusive proof
Be always Truth conscious
Achieve highest goal.
This is your sky
Reign over it
Nobody is there other than you
To go beyond the sky.

Gajanan Mishra
Queen Elizabeth

Queen Elizabeth is here
In our flower garden and my
Little Aaeeshanee is showing me.

Gajanan Mishra
Quench Thirst

No question
Only answer.
In answer
Find answer.
Satisfied or not
I am not there
To quench thirst.

Gajanan Mishra
All beings perish
Question arises
Who is here
That does not perishes
They said it is love
You are my love
You are my verse
And I bat to verse
It is my commerce
Beyond all
I recall
Question of perjury
Does not arise
Where there is true love
And my dear, I am here
Only for you.

Gajanan Mishra
Question And Over Question

We are all
In question and
Over question.
We are all
Earth and
On earth.
We are all
Missing in
The sky
With the sky.
And we are
Measuring the distance
Between the sunset
And the sunrise.

Gajanan Mishra
Question And Questions

Who am I
What is this
How can I realize you
O my dear
What is the obstacle
What to do away
With these obstacles
Why am I unable to
Understand you
O my love
Is our life bluff.

Gajanan Mishra
Question Is Wrong

Question itself is
Wrong but the answer,
Here, it is right.

Gajanan Mishra
Question Of Devotion

Question of devotion is here
And I am not here by an error.

Question of devotion is here
And it is not terror.

I have to suffer here
It is Your grace showers.

I have to suffer here
No praise no blame tinder.

No receiver no enjoy-er
I am breathing for some food and water.

I am poet, described by scriptures
As a tipster.

Gajanan Mishra
Question Of Existence

is there with us here.

We are with the birds
and birds are in the sky.

The sky is within us
and we are floating with clouds.

And clouds are disappearing
slowly and slowly and slowly.

Gajanan Mishra
Question Of Negation

Question of negation
Is there with us
And we are eager
To overtake the world.

The world is within us
And we are trying to
Renounce the world
Though it is everything.

Gajanan Mishra
Question Of Survival

Question of survival, here.
Is there any question of
Survival, my dear,
Without love,
Without truth?
And yet,
We are creating
Atmosphere of hate
What for?
And yet
We are taking shelter
Of falsehood
What for?
Forgoing company
Inviting storehouse of
Grief and infamy
What for?
Are we here
To gain only profit?
Are we covetous
Of sovereignty?
Be always a champion of
Righteousness, my dear
And device some means
To avert in this life
Grief and obloquy.

Gajanan Mishra
Question Of Sustenance

Question of sustenance is here
Always for all everywhere
Caste, form, riches, age no matter
Whether you deserve blame or praise
No matter, my dear.

Question is whether you are
Enjoying the inner feeling
Within you, my dear and whether
You are staying separately
Or jointly and for how long.

Here is the space that is
Hot that is also cold
Believe it or not
Here it is the truth as before.

Gajanan Mishra

Questions Are There

So many questions
Are there always
With us.
But we are to know
They are all answered.

Life is there with us
Always but they are
Not ours.

We eat, we talk, we walk,
We work, we sleep, we move,
But nothing is similar.
We struggle but
We need safety first,
We know the world is fair.

I am part and parcel of my creation
I know it is your realization.

Raibati Has Not Drunk Nectar

Raibati had not drunk nectar
And she died in hunger.
Children of Raibati have
Gone to outside state
To earn for belly and
Raibati was alone at home.
Long spell of lack of
Rain was there on the lands
Of Raibati and no one
Was there to help Raibati.
Raibati had nothing to eat
And nothing to drink.
Liquor pouch was available
But not a drop of water
Was there with Raibati.
Biriyani-chicken was available
But not a handful of rice
Was there with Raibati.
Raibati had not drunk nectar
And died in hunger.

I met you
For the first time
At the railway
Station, Titilagarh
You were changing
Your dresses like
The train changes
Its engines
At this station.

Gajanan Mishra
Rain

Rain is telling me;
Wet earth - my greed,
New leaf - my life,
Cloudy sky - my body,
Working farmers - my smile,
I want to go with all these,
To spoil myself for
The welfare of new creativities.

Gajanan Mishra
Rain And Cold

Rain and cold,
Both are here.
You cannot say
Which is better.
Rain and cold
Both are here.
But nothing
To fear.
The meaning of
Both are the same.
Both are here
To give you
Energy and you are
To concede defeat.

Gajanan Mishra
Rain And It Is Raining

Rain rain
And it is raining,
Rain sets in,
The sky is
Overcasting with clouds,
It is delightful.

Peacocks are dancing
At the sight of the clouds,
The lightning flashes fitfully
Pouring clouds cleave close to the ground
Mountains endure the buffeting of the showers
The swelling stream-lets rush with great speed.

The water coming from various directions
Gathers in to a pool
Water of the rivers and streams
Become still once it pours in to the ocean
My dear, it is eternal rest.

Rain, rain
And it is raining,
Green earth is choked with grass,
Delightful croaking of frogs are there everywhere,
Clothed with new leaves trees look cheerful,
No one can find dust, earth rich with crops,
The earth looks charming with the swarms
Of various living creatures.

Gajanan Mishra
Rain And Rain

Rain came
And requested me
To go on writing
Poems.
It was all raining
At that time and
I was in my room
Closely watching
Play of the rain
All-around.
But rain is careless
And wanted to win
My hearts through
Love and love.

Gajanan Mishra
Rain And The Earth

The clouds are
in the sky
and the rain is
falling on the earth.

Is the sky crying
asked my grand-daughter,
And I said, O yes
My sweet, it is love-tears.

The flies, the mosquitoes
all are coming to us, see,
I said her and she wanders,
She said it is just fever.

Gajanand Mishra
Rain As Guru

It rains and
It is useful
For crops and people and all
But rain is not aware
It is giving water
And doing good to others.

I accepted rain as a Guru
Like my Guru, my master
I should not have a
Feeling of doership
When I am rendering service
And doing good to others.

Gajanan Mishra
Rain Clouds

Hearing the rumbling of the rain clouds
The frogs began croaking
The insignificant dry streams
Began to swell.
With the advent of rain
The newly green grass
Made the earth emerald green
Reddish insects white mushrooms
Added further colors and circles of shades.
With the advent of rain
Everything looks beautiful and rich.
The rain give joy to the farmers
And everybody realized everything is
Under the control of the Almighty nature.

Gajanan Mishra
Rain Drops

I trust on
With you only,
I hope and
I believe
You are there
To fulfill
My desire.

Gajanan Mishra
Rain Has Came

Rain has came
Without water.
Without water
How can we live here?
Air is there
Outside us,
And we shiver within,
Without the air.

Night without stars
Roars and roars.
With the sun we appeared
But no light is in us.
Life is rhythmic
Ao also the night.
But in day time
It is hard to assess
Who is right.

Gajanan Mishra
Rain In August

I care not,
But I care
The rain
In August.

I left home,
I left the village,
But no one utter
Any words,
No one is capable to
Do anything for me.

I care my life,
But no one is here
To give something
To eat or to drink.

Gajanan Mishra
Rain In Bokara- Chennai Express

Rain in Bokaro-Chennai Express
Worst rain in over a century,
Bring everyone of us
To a standstill.
We experienced complete
Destruction of rail link.
Along with this all
Public transport collapse,
Phone dead, net works
Out of service, ATMs
Did not function,
City deluged.
Armed forces poured in
To aid with rescue ops.

Gajanan Mishra
Rain In Winter

I witness
Rain in winter,
Each one is here
To suffer.

Difficult to collect
Two meals a day,
And I see each one
Ready to violate
The law of the land.

Walking is a good
Exercise, but I see
No one has legs
And no one is ready
To go from here.

Gajanan Mishra
Rain is coming
Rain is coming
In a procession
On a grand procession
Being the first rain of the year.

And what is a year
Can you say my dear
How it is counted
And what for
Can you say!

You calculation sheet
As prepared by you
Is false I am sure
As you are not true
And truth is far away
From you.

Rain is coming
Rain is coming
Now, look,
And say the message
Of rain, if you can.

O my dear, Are you in love
Are you wet, I do not know
But I know you are alone
And this rain makes you cry
That is why I try
To stop the rain but in vain.

Gajanan Mishra
Rain is desirable
For a farmer
But not so
For a potter.
Cool air is
Pleasant in summer
But not so
In winter.
But my dear,
You are the figure
Who is here
Within all creature.
And only for you
All are here.

Gajanan Mishra
Rain Is Raining

Rain is raining
Rain is useful
For crops
For all.

Rain is raining
Rain is not aware
Rain is raining
And doing good.

The world is
Awaiting the rain
Rain is raining
without feeling of
Doer-ship, I pray rain,
Let me follow you.

Gajanan Mishra
Rain Is The Basis

Rain is the basis of water
Our food our clothes and also our shelter
Are bare necessities of our life
And they have affinity with water
Rain is the basis of water
We all the men birds animals insects trees
And plants are in need of water
Our body is formed by water
Rain is the basis of water
And rain depends on our sacrifices
Our purity our truthfulness
Our honesty and commitment to nature.

Gajanan Mishra
Rain is the builder,
I am beating the rain
with a hammer of voices.
Day is dark and
I am going to cultivate
the light that begins here.

Gajanan Mishra
Rain Of Light

Rain of light
All over the area.
Light of rain
And it is dark.

Dear men, smile,
You are here
At this time
On this earth.

Face the dark,
And enjoy life
With all light.
With all light
Measure life
With eternity.

Gajanan Mishra
Rain Or Pain

No question of quitting
In rain or in pain
Because I know we are in love
And here there is gain and gain.

Right or fight, no matter
Life is not cancer and remember,
O my dear, life has a bright future
If we love life in our own mirror together.

We are here with all opulence
With all fame and piety and blessing
We are all here in this world
Very pleasing and pleasing with life-renewing

Gajanan Mishra
Rain Queen

Please come, O rain
You are the queen
On this earth,
Please come, on
The way of Kumuda hills
Through that Debandh
But see, the way
With heat fifty degree is slippery.

Try to win
The hearts of others
O queen, I am sure
You are quite able
And able to proceed
Forward for a better greenery.

Gajanan Mishra
Rain Rain O Rain

Rain rain O rain
Where are you now
I am calling you
Standing on this field.

I see you O rain, in the sun
I see you in the fire
I see you in the air
My field is dry, take care.

Gajanan Mishra
Rain Rain Rain

Rain, rain, rain,
And it is raining.

It is rain
That gives us food
And we all men,
Birds, beasts, trees
And plants come into being.

Rain, rain, rain
And it is raining.

Rain comes
From our sacrifice,
Sacrifice is born
Out of our action,
And action has its
Origin in Truth,
And Truth is imperishable
And so rain is lovable.

You are lovely,
My dear rain,
You ever vests
In sacrifice as my
All-pervading infinite
Ever vests in sacrifice* .

* Sacrifice is called Yajna
Yajna is also tyaga
or offering of oblations to
sacred fire
it also means charity and penance
renunciation and relinquishment
without being attachment.

Gajanan Mishra
Rain Speaks

Rain speaks
Make everything fine,
I'm coming.
I am coming for good,
For you, for truth.

I am coming for
The living and also
For the non-living.
Both are equal to me,
Rain speaks openly.

Dear friends,
We are to learn
So many things
From rain.

Gajanan Mishra
Rain, My Friend

Rain, my friend
Returned again.
And my shadow
was searching
My signature.
Once again
I tried to
Enjoy life
In full.
But my dear
You are
Too hot to touch.

Gajanan Mishra
Rain, Rain, Kill Not

Rain, rain, kill not,
Kill not anybody my dear
In this summer.

Rain, rain, tell
The high velocity winds
Go back, go back.

Let my fisher men
Go to the sea
And let them maintain
Their family.

Rain, rain, affect not
My rail, my road, damage not
Anything and let the people
Live in peace.

Gajanan Mishra
Rain, Where Are You?

Rain where are you?
Who are there beyond you?
What are you doing
at this time un-understandable!

Rain, what is there in your thinking?
We are here to ask such questions
As our livelihood all depends
on your thinking and on your coming.

Gajanan Mishra

Rain-Clouds

I am the rain-clouds
You ate ocean,
I am the winds
you are the sandal-tree.

Devotion to You
Is really delightful,
Spiritual endeavors and
Realization is mine of blessings.

Easy device is just calling
With intellect with wisdom
And with dispassion
I have this conviction.

You are the ocean of milk
I am the sacred legends.

Gajanan Mishra
Rainfall Comes

By His mercy
I live
By His mercy
Your grace is
Here on all
O my dear
You are here
I feel
Always with all.

Gajanan Mishra
Raining

It is raining outside
It is raining inside
It is raining cats and dogs
No rainbow, no raincoat
Only rainfall, only rainfall
Rain-gauge is out of order
O my dear, we are rambler
And we ramble with our breath
With our love, with our life
Life is calling, love is calling
O my dear listen, listen
It is not dark outside
It is not dark inside
You need not decline
When heaven shines,
My dear, you are eternal lines
Your looking is fine
And it is raining, it is raining
Please come in, please come in.

Gajanan Mishra
Raining And Raining

Raining and raining all days
On the earth in the ocean
Fruitful and fruitless.

Pain and gain
One and the same
Go not after name and fame.

Love and light are yours
You are here only for love
And for light you are in progress.

Raining is no obstacle
Rather plus-point
In your life manifestation.

Gajanan Mishra
Raining Cats And Dogs And I Am With You

Raining cats and dogs
And I'm with you
I'm Not telling a lie
And it is true.

Breaking my mind
I tell you everything
Muttering incantation
Leaving me nowhere.

Still you are my love
And I'm here only for you
Repeating my words
Again and again is true.

Leaving the place
Leaving you not true
Raining cats and dogs
And I'm with you
I am with you with you.

Gajanan Mishra
Raining Here

Raining here
And not
Raining there.
But no sky
In the water-air.
All yellow
The sky,
All red
The earth,
Raining here,
Raining there.
West and
East both are
Without a star.

Gajanan Mishra
Raining In Sea

Raining in sea
Fruitless some says
I disagree
Raining in forest
In villages necessary
I say.

Rain is necessary
For food
Food is necessary
For living creature.

Rain gives water
Water is life
There is life
In animate
In inanimate
Water is necessary
For all.

You are present with all
You are in all
Sea sky earth air fire
You are my only lighted star
Do not go far.

Gajanan Mishra
Rainy Night

Let me say it a rainy night
without water,
You can come and verify
if you so like my dear.

But see, I have nothing
to give you at any time,
You just go on twittering
Like the birds with drizzling.

Gajanan Mishra
Rainy Season

Rainy season is life season
It is here and it gives life
And sustenance to all living beings
The sky rumble with thunder
Lightning flashed on horizon
Dense blue clouds are there
And it covered the soul
With all material nature
There is water and water, my dear
Everywhere water and it has
No discrimination - a great charity
And you are all fully nourished
By the clouds by rain poured
And you achieved the fruits of your austerities.

Gajanan Mishra
Rainy Season Though

Rainy season, though,
No rain see.
The sun is laughing,
The wind is laughing,
The sky is clean.
No clouds,
The rainy season, though.

We are together,
Searching here,
Something else,
That we are not
Able to justify.
How helpless we are,
We are not able to
Protect ourselves.

Rain is
On its return journey.
Vast and profound, though.
The rain is returning
In empty handed,
Though, no can is there
To help it.

I have no word
To describe.
I have nothing
To give.
Yet, I am there,
Rain is not there, though.

Gajanan Mishra
Raise Voice

Raise voice

that you feel illegal.
This is your world.

You have every right
To say anything and to
do anything but not to
harm others in any way.

This is your world,
This world belong to
others also, try to
understand the matter.

Have patience and wait,
Do not anything much
that ado about nothing,
As a friend, I am telling.

Raising Questions

Raising questions
About the truth
And about the love
Are but glorious acts.

Just wait, and see
Your own image therein.
Be proud to receive
The intimation.
Mind it, I am there
In you.

All gladness, you expressed
Are mine.
The answers and all questions
Are there, search within.

Ram Navami

Lord Ramchandra,
The supreme Personality of Godhead,
Chief of the best-learned scholars,
Resided in everyone,
With His pleasure potency,
Mother Sita,
And enjoyed complete peace.
So many Rama and so many Sita,
Termed X and Y.
Without transgressing
The religious principles,
Lord Ramachandra,
Worshipped by all
In meditation,
And enjoyed all paraphernalia of
Transcendental pleasure.

Gajanan Mishra
Ramadan

I pray,
For everyone's
Progress and
Wellbeings.
I pray,
Ameen Peer Dargah
For a comfortable
Life for all.
I pray,
For world peace,
For brotherhood,
For love and truth.
I pray,
For you.

Random Life

I failed to understand
Such random life.

And still I am going
After honor, fame and praise.

And I pretend
What I am not.

And I appeared again
With random life.

Rape

Rape -
It is not an outlet.
Rape -
Not a sideshow of
Liberated life-style.
Let me quote further
TJS George, rape -
Suppressed anger
That express through
Barbarity.

Gajanan Mishra
Rape Not

Rape not,
They are our
Mother, sister, wife.

Kill not,
We have done nothing.
Kill not,
We are all here
With father, brother, son.

We are not terrorists,
We are innocent people,
See, we have nothing
With us.

We are ready to go away,
But where to go
We know not.

Have some humanity with you,
Give us some food,
Give us a glass of water,
Give us something to wear.
Like you, we have also
A right to live here.

Be not blind
With religion, caste, race,
Area, territory.
Realize the truth,
Each one is a stranger
On this earth.
Each one is alien.

It is true,
No one would tolerate
Attacks on security personnel.
But punish not
The entire community
For the aggression by a few.

Make an inquiry
And find out the truth.
Punish the guilty,
But take care the innocent.
Make the earth
A safe zone for all
Peaceful human.

Ensure the protection of
Civilians, take steps
To end the violence,
And resolve the refugee problem,
Dear men.

Air is not caught
By this net
And this is not that.

Very very rare
To find a true man
Who is selfless,
Who requires nothing
For his sustenance,
But air and water
From nature.

The true man is
The lamp of the society,
He is the sun and the moon
Of the living creatures.
He is the man of much strength
To solve any problem of
The society here.

And you have the passion

Let me go
With my real faith.
Let me gain
My own significance.

Gajanan Mishra
Real Feature

Real feature of life - The night,
And hence, I love the night.
I see myself clearly
In the dense dark of the night.

The night has created the sun,
And the sun has given all light.
The light is there within my life
And hence, the night is so dear to me.

Gajanan Mishra
Real Friend

A friend is one
who is different from you
the saying goes,
But I see no one is

How can I make friendship
and to whom I can say
my dear friend, come in,
as I know everyone is
within me and I am
within you say
a real friend is one who
walks in when rest walk out.
But I see no one is
going out from me
at any time here.
every one is there
as before from time immemorial.
Am I friendless then?
No, my dear, I am my friend
I am you and you are
the guide and friend of
everyone, and everyone
is made out of you.

Tendency to enjoy material life
It is real heroism.

Renunciation of lust.

Giving up all aggression
Towards others
Is greatest charity.

Self control is complete discipline
Of the senses and mental equilibrium.

See the truth, it is everywhere
Speaking the truth in a pleasing way
Is the greatest art that is to be practiced
You can do everything by breath control, greatest strength.

Gajanan Mishra
Real Home

Where is my real home  
This is not my real home  
That I know  
Home home sweet home  
They said but where is  
That home that I want to know  
What I know it is sweet jail  
And here I fail  
Here is beautiful charm  
And my life-firm full life-term  
That I swell in this dark well  
From where I rises with best smell.

Gajanan Mishra
Real Identity

What is the real identity?
What is the birth right?
To know all, right and identity,
We have to give up all
Sinful activities and
Habits of debauchery.
If we want to eat the fruits
We are to sow the seeds,
Seeds of our actions.
If we want to be relieved
From the reactions of
Our misdeeds, we must
Take shelter of the truth
And love all with pious hearts.

Gajanan Mishra
Real Intelligent Man

I am qualified man,
I am real intelligent,
I never aspire for
Any political post.

Everyone is here
To enjoy the beauty,
Beauty of nature.

Gajanan Mishra

Unreal can not be real,
Real is real, real is
Also real in this life.
Think not about loss
Or profit, protect yourself
And see no adverse result.
Protect yourself from fear,
Fear not, danger, no real danger
Is there so long as you are
Not attached to danger.
You are caring all, but no one
Care you, mind it. Truth is
Something different from you,
That I know from here, nothing to fear.

Gajanan Mishra
Real Is Covered By Unreal

Real is covered by unreal,
As life is covered by death.
But death is real and
So also life, we must realize.
The real should be perceived
Through knowledge on the field
Of eternity that is here
Beyond any artificial form.

Gajanan Mishra
Real Is Only One

Sun is one
God is one
Sky is one
Air is one

If you say it is two
I am sure
Unreal is included
In it.

Gajanan Mishra
Real Is Pain

Real is pain
And suffering.
Real is not
Your brutality
Your terrorism.

If you are so kind
And a real fighter,
Take steps to
Mitigate the pain
The sufferings.

And I am free
From the service to the mind.

Gajanan Mishra
Real Life, Unreal Form

Real life, unreal form.
And we are here to abide
All norms.

We know what is better,
And we take steps to
Proceed further
In the light given.

We try to understand
The life and its function.

And about the creation,
We say we create things
Without self-deception.
And we realize the self
With all forgetfulness.

Gajanan Mishra
Real Light

Real light,
Where it is,
I know.
I know who has
Given it,
To whom.
But I have to
Accept it
In full.
Let me stay
Cool.
I read the words
That is there
On the pages
Of the sky.
The sky, I know,
The summum bonum
Of life.
I am the representative
Of the sky, here.
See, we are
Identical.
The real light
Is within me.
The sky has taken it
On hire.
I am there
To observe life
On this earth.
I am the earth,
I am the sky,
I am the star
In between the sky
And the earth.

Gajanan Mishra

It is my death telling me non-sense
Distance no matter reminding time
With great hope coming forgiveness
Without any disturbance all understand
What really life is.

Gajanan Mishra
I discover
Loftiness in you.
You are here
The real truth.

But I know not
Where you are
And what you think.

Day and nights
You are delightful
To the touch.

You are such a moon
No one dares to
Misrepresent you,
Wonder of this earth.

Gajanan Mishra
Real Love Ensues

Real love ensues
With the self
When we renounce
The non-self.

Attraction for
Truth is necessary,
But truth is within
Us and not outside.

Let us realize
We are very very huge,
And within us
There is everything
And all universes,
We are for everyone.

Gajanan Mishra
Real Love, Life's Love

Love life,
Lover of life,
Real love,

And see life
With all love,
See love live.

Self alone.
Love and life
Earth's hive.

Gajanan Mishra

I am a real man
I am real
This world where I am
Is real
In this real world
I am living
This world will not die
This world will not perish
How can I perish
I am made out of this real world
Here there is only truth
And I am truthful
As in ice there is water
In gold ornaments there is gold
In clay-pots there is clay
In iron-weapons there is iron
Look like the world I am strong.

Gajanan Mishra
Real Merit

What is your
Real merit,
Tell me.
Tell me,
Where you are
Going and
The purpose of
Such going.
Tell me.
Tell me,
How poor you are,
And the reason of
Such poverty.
Tell me,
The reason of
Starvation and
Tell me
About your dreams.
Humanity is suffering,
Pick up the art
And science of nature,
By showing your
Own real merit,
For your own good,
For the good of all here.

Gajanan Mishra
Real Never Ceases

See me, I am here,
And I am real,
And real is truth

Ceases to be,
Whatever I am doing
All are real,
And see, everything
Is superior, my dear, here.

Gajanan Mishra
Real No One

Really no one.  
All are in sleep,  
All are in the war.

Blue, yellow, white  
Or say black  
All in ignorance.

Each one talk  
Nonsense.  
Each one naked  
In sustenance.

No answer,  
Still all are there.  
Nothing and no  
Surrender value near and far.

Gajanan Mishra

Real object of my love
You are the real object of my love
O my dear, let me see clear.
But I am covered by ignorance
Let me enlightened I am here.

The boar the lion I see all orders
But I want the another
That is within that is near.
You are the beginner and also
You are the annihilator.
My life is really as unreal
As a dream and I am in a mirage
Confusing water and nothing.

Gajanan Mishra
Real Or Unreal

Try and take steps
To be a modern man

Darkness that with you.
Understand the truth,
You are within a
Burning ball that is
Burning you and making
You ash, And if you failed
To understand you are an ass.

Without knowing the truth
You can't understand
The real significance
Or purpose of anything.

Gajanan Mishra

We arrived at the proper place
That is there.

All music,
And life is there
To prosper on this earth.

No flaw no law
Can check me to glow.

Gajanan Mishra
Real Taste

Real taste of life
is in love and in loving
each other, my dear.

No where to go
No word to speak
No scene to see
No sound to hear.
Just for a moment
You are here.
If you are thinking
You are doing something
You are wrong.
If you want a real thing
To happen hug me
Kiss me love me
That would make you strong.

Gajanan Mishra
Real Vs Fake

How can I distinguish
The real and fake.
My dear, give me
Some guidelines and
Show some features.
What to do with the fakes
And how to cooperate
And use the real.
My dear, I am confused
Here in this worlds
With the sweet words
Of so many near and dear.
Let me know how to
Recognize from head
Or from the tail.
My dear, give me some
Power to tackle the situation
And to act against
The fake then and there.
Is my own life
Not fake one sir?
What can I do?
Taking my loopholes,
Others are singing and
Playing most.

Gajanan Mishra
Real World

No real world
And yet,
Living pleasure
Is there.

All wonder
And yet,
All in jealousy
In their world.

And yet,
All in the blank.

Gajanan Mishra
Real Worship

Real worship
is in merging.
Merging may be
at day time or
at night.

No force is there
To apply by anybody.
It is object
That says about
The notion and
The state of mind.
How you are rendering service
And this is the relation in attachment.

Gajanan Mishra
Real Write

Real life,
Real write.
Real write
With living.
Real Living
With nature.
Nature, the real
Source of all.

And I want to
Go with nature.
And I want to
Smile and cry
At the same time
For you all,
Dear creatures.

No one is great,
I know here.
No one is a
Successful warrior
Against nature,
I know dear.

Still, I want to
Face everything
And I want to know
The truth that is
There in life.

Gajanan Mishra
Real. Temporary Though.

Real, temporary though.
My smile, my life,
My anger, my living.

Sources of all
Are one -
The earth, the air,
The fire.

But light is there
To enlighten me
Always everywhere.

I know nothing beyond me,
I am the original
And the true entity
With all permanent features.

Gajanan Mishra
Real-Estate

Nothing in between
The sun and the moon -
Wrong to say.
In between
The sun and the moon-
See my real estate.
And I am with it
Taking birth and death
In my hands.
I invite all
Through my poems
To buy bliss in between
The birth and the death.
And all anxious to
Hear and to see
The sound and the picture
Therein for quite some time.
No condition laid down,
For immediate availability
Just search through googles.

Gajanan Mishra
Reality

Your existence
And You are
Without attribute
And endowed with attributes.
Your existence
And You are
Formless
And also with forms.
You ever exist
Everywhere, my dear,
Let me call You
By innumerable names.
And Your existence
Is all for goodness, my love.

Gajanan Mishra
Reality And Unreality - Real Nature

I am confused
In between the reality
And the unreality.
I am a fool,
Since I am running after
This body and this life,
And I am spending time
In studying sociology,
Politics, altruism, nationalism
And internationalism.
Though, I am good,
I am in the mode of mundane goodness
And contaminated by tinges of
Ignorance and passion
And hence I am far from the real nature.

Where there is fearlessness,
Where there is no bondage,
Where there is liberation.
Give life freedom and see its
Smile from sunrise to sunset.

What ought to be done
And what ought not to be done.
Learn from the truth, here in life.

What I hear
That may not
Be true.

Be shown.
What is shown
That I see.
What I see
How can I say!

Let us search in sea-life
and say we are okay.

Gajanan Mishra

Far from darkness.
But where is dark,

To anybody anywhere in the world.
I do not know how to remove anything

What you are hearing,
What you are doing,
Nothing is truth.
Think not otherwise,
You are really not wise.
Rather it is ridiculous,
Your own life,

Gajanan Mishra
Really Servant

I am really
Your servant,
But you are
Making me
Your master.

It is true
I am not doing
Any good to you.
What I am doing?
I am giving up
My own ill-will.

When I am telling
Something, I am cutting
My own tongue by my teeth.

Gajanan Mishra
Really Shocking

Really, it is shocking,
Said the queen,
Reason - no one is here
To tolerate another.

How to live
Without life?
The question -
Reply in a simple line.

No one has patience
To wait for the answer,
On the way, a shopkeeper said,
Everything is available here.

The words are not fit
To eat for digestion.

Gajanan Mishra
Really Sweet

It is my light
And it is really sweet.
You said sexy
And I understand nothing.
You said non-sense
I understand friend.
You said okay
I understand The sky.

Gajanan Mishra
Really The Biggest Fool

The man in this earth
Declared the fox
Man is inviting his death
And the death of the entire
Living world
Man does not deserve mercy
Man is cruel and wicked
Said the donkey
Man is selfish and does not
See the self of others
Nobody is safe as long as
Man lives, man must die
Crocodile said
Ah! man is innocent
In spite of his so called knowledge
Man deserve mercy
Man is not wicked
See a man how he is living
In the darkness of ignorance
And dying every moment
At his own hand.

Gajanan Mishra
Really Unique

You are really unique
You have independent Supremacy
You achieved what you desired.

And what You desired?
You desired goodness of all
You desired peace and coordination.

O master of fortune,
I know You, You have wealth
Strength, fame, beauty, knowledge and renunciation.

Nobody is there to excel You
In any matter of enjoyment
No one is equal or greater than You.

You are really unique
Whoever and wherever one may be
He is to surrender before You.

Gajanan Mishra
Really Very Difficult

Very difficult
Really very difficult to
Lead a good and peaceful life
Here at this time.

Gist of truth
Is not found here
And we are wandering
In illusion.

The Absolute knowledge
Is far from us and
The original source of
Knowledge is also missed somewhere.

Rules regulation and
Instructions are not being
Followed by anybody at any time
We are just wandering.

You graced me and
I know You - simple
Mercy and material world
Is it something horrible!

I reached here with You
And I tried to fulfill
My mission that is not
In negation.

Life in love and
In devotion is in
Proper form and in perfection and
Staying for sometime is an information.

Gajanan Mishra
Really We Are Fools

Really we are fools here
We have childish mentality
We have no practical experience
Of right and wrong, my dear.

Really we are fools
We have forgotten who is truly ours
We are living and sharing our everything
With the most ordinary and useless people.

Really we are fools here
We know not who is most dear
Who is the bestow-er of real love
Who is inside our heart and leave us never.

Gajanan Mishra
Really Wonderful

Goldsmith, I know
Heron with nestling, I know
Fragments sky, I know
Earth with water and air, I know
And I know not You
My dear, wonderful! wonderful! !

I smell I hear I see
I eat I walk I sleep
I am busy in opening
And closing of my eyes
And I am in everything
Where you are playing
And I am saying
I know not you my, dear
Wonderful, wonderful
Really wonderful! ! !

Gajanan Mishra
Really Wonderful This World This Life

Really wonderful
This world
This life.
Good or bad
Everything is
Coming beyond
Our expectations.
The world is
Not the truth
But there is
Established truth
In this world.
Life is changing
At every moment
But we are the truth
In different forms
And styles
And we remain the same
As eternal.
Really wonderful
This world
This life.
No word can describe
No one can draw picture
No one can say anything clear,
This world and this life
Is not ours my dear.
And still we are here.

Gajanan Mishra
Really You Are

Really You are
Wonderful and enchanting
Your eyes are opened
With wide delight.

I have no peace
See my heart trembled
With passionate desire
I am calling You here there.

Gajanan Mishra
Really, It Was

Really, it was
Kedarnath last year,
This year it is Kashmir.
It is tragedy,
Fight with nature carefully.

Miss not the chance
to build goodwill,
Love, love all
as if they are all
your family.

Gajanan Mishra
Really, You Are Beautiful

Really, you are beautiful
And beautiful.
Let me see you in full.
You are on the path of virtue.

Let me see you in full,
Let me travel with you,
Let me write a new poem on you,
You are really beautiful, beautiful.

Gajanan Mishra
Really, You Are Going

And there is no return.

Really, You exist
And absorbed.

I know my identity is
Merged in You, O my dear,
And I become an embodiment of you.

No question of return,

Gajanan Mishra
Reap The Beauty

Reap the beauty if you can
Said Khalil Gibran
And about beauty
Gibran remained silent.

Beauty is in works
Beauty is in nature
Beauty is in detachment
I said again.

Beauty never ends itself
It is you to see within.

Gajanan Mishra
Reaping Corn

Reaping corn
Penning through words
Escaping the way
Deducting money
Shaving moustaches
Stroke off my name.

Gajanan Mishra
Reaping The Fruits

We are reaping the fruits
We are reaping as because
Our fore fathers were here
And they have grown the tress
With their good will, virtuous actions.
My dear men, we are here
At present and we must do
Something that would be
benefited to our sons and daughters.
Come on, it is the right time
To do that are real works
Without any selfish motive,
While doing let us remember
We are one and the same for all.

Gajanan Mishra
Rear

O men,
You are responsible
To rear all,
You are here to rear.
Power of discrimination
Has been bestowed upon you,
O men, you are to do
Good to others.
You are able to make
Right use of favorable
And unfavorable circumstances.
O men, you are all in one,
A creator, a preserver
And a destroyer as well.

Gajanan Mishra
Reason For Killing

You can kill me,
Come and kill me.
But tell me
Before killing,
Where from
You are coming
And where to
You are going.

Going, and
Coming have
Meanings that
I do admit,
And I can't say
The reason for killing.

Gajanan Mishra
Reason Of Living

Reason of living
Not known,
Yet we are all
Living.

Beauty is there
In its place,
Love is there
As it is.

But we are busy
In fighting
For nothing.

We are very careful
While listening our
Own music.

Gajanan Mishra
Reasoning Will Not

Reasoning will not
Make you wise, remember.
I cannot reckon you wise
For you spoke skilfully.

Passage is clear,
Observe your on world.
Transform yourself
Into all opposites
And go straight
To the sky
That is new
At every moment.

You are full and
Colourful, I know.

Gajanan Mishra
Reasons Not Known

Reasons not known
Love known
Love is not deliberate
Reasons are articulate
I must love and
Through the power of love
Must overruled the effect.

Gajanan Mishra
Reasons Of All The Troubles

Reasons for all the troubles -
Our intolerance.
It is true, we want
Peace and prosperity,
But at the cost of others.
Let be prepared to give
A little love to others
For our own happiness, dear men.

Gajanan Mishra
Reasons Of Quarrel

Reasons of quarrel;
Illicit relation with women,
Indulgence in meat eating,
Intoxication,
Taking pleasure in gambling,
And no one is there
To root them out, and no one
Is there to save the common men.

Gajanan Mishra
Rebuild The Future.

I am poor,
Is it false?
If someone
Tell me poor,
Why should I
Show my anger!
Always I am begging,
And if someone
Tell me, beggar
I must not
Got angry.
I am nothing,
If someone tells me
Nothing,
Nothing to worry.
I must bear all,
I must tolerate all,
And I must try to
Rebuild the future
And I must try to
Show all, see,
I am everything here.

Gajanan Mishra
Rebuilding The Life

I am busy,
Busy in rebuilding,
Rebuilding the life.
Life is under my control now.
And I am busy in
Making life as I wish.

My wish,
My wish is under
Your jurisdiction
Where you are all powerful.

I have already recognized you
And honor your power,
You are here, you are there,
Telling me always that north-star.

Gajanan Mishra
Recasting Life

Recasting life,
With burning star
Far above.

Reaching the earth,
To set right all
So-called
Good and evils.

Is it arrogance?
I know not, dear.
But I am here
With nature.

I lack not
Humanity, humility,
Let me clear.

Gajanan Mishra
Receive Properly

Receive properly
The uninvited guest
At your home
By offering water
Food shelter
If you failed
Remember your home
If not yours
It is the homes
Of jackals.

Gajanan Mishra
Received Your Message

Received your message and I
Remain silent.

In which words
I will say what
Only I uttered
Silent is joy
Silent is true.

Really silent
Bless the silent.

Gajanan Mishra
Reception-Aural

Reading is important
More important is writing
Aural reception and
Explain them
Is much more important.

Seeing is important
Visiting is more important
Physical presence and
Doing physically
Is much more important.

O my dear, I am fortunate
To see your presence
Here with me on this day
And You are explaining me
That are unexplained before.

I am blind
I am deaf
And you are telling
To keep quiet
Always everywhere.

Gajanan Mishra
Recharged

You are charging your cell phone
With a plug point at regular interval
Likewise your minds and hearts need
To be charged, understand it and
Recharge your mind and heart
By contact with the greatest of
All power-sources the Almighty.

Gajanan Mishra
Reciprocate In Kind

Reciprocate with me
In kind, I pray, always.
I am Yours forever.

Gajanan Mishra

And get respect
And love begets
Say proudly
We are loved
Love is the super beauty
Love gives love pluck it
Go on plucking and it
Never ends.

Gajanan Mishra
Recital

It is all about
Recital of poems.
And what is a poem,
You say it is life.
And what is life,
You say it is time
And poem binds time
With that of life.

Gajanan Mishra
Reckless Statements

Reckless statements be avoided,
To maintain peace and to identify
Yourself as the man of all in general.

Gajanan Mishra
Recognised

You are recognized
That I realized.
Let us come and
Go together to
Farther and farther.
It is necessary
To avoid terror and
To exist for ever.

Gajanan Mishra
Recognition

You accept me
Or not
But I am here.
You identify me
Or not
But I am here
In my own
Existence,
Validity to stack
All claims.
No need to
Discover me,
I am here before you
With all truth.

Gajanan Mishra
Recognize Yourself

Recognize yourself
And get all joy and peace.

You are the abode of
Peace and happiness.

Forget everything
And stay with yourself.

You are the fire,
You are the ice,
You are the poison
You are the nectar.
O my dear, see who you are
And see, nothing left there.

It is just in realization
You are in perfection.

Gajanan Mishra
Recognized Goodness

Goodness is there, recognized it
and not any other bad elements.
Drive under control your vehicle,
Your body is your vehicle.
Go on, International High Way is there,
The Sky High Way is open for you only.
Listen your own voice, depend only on yourself,
Know yourself in full, and go without any doubt.
Everything is within you, realized it every time,
while going to and fro on both manifest or non-manifest roads.

Gajanan Mishra
Recolour

I have taken the house
On lease.
And I am
Recolouring it.

The house is not mine
Let it be cleared
From the very
Beginning.

Here in this house,
Nothing is
Also mine.
My love, I know,
And I love
The truth, I know you.

Gajanan Mishra
Reconcile With

Tresspass free
The road opened
Here space spade
As searched and
Reconcile with
Changed environment.

Gajanan Mishra
Recovering Senses

You have arrived
And You have stayed
At my home
And I have recovered
My senses.

My senses are
Yours that I know
Here I feel
Your highest love
And my body thrilled
All over with joy.

Recovering my senses
You have given all
Your blessing, Your excellence.

Gajanana Mishra
Recycling

It is only recycling
And nothing such happening
As you are thinking.
Caterpillars are eating
white gourd and pumpkins
Nothing such happening.
Spiders are spreading
Pine apple and lemon trees
And nothing such happening.
As you are thinking
Nothing such happening
Ridge gourd flowers are
Blooming with yellow smiling
Mint leafs are calling
With life medicines.
Say not what is happening
Nothing such happening
As you are thinking
It is not raining and
All are suffering.
The dragon fly, the mole cricket,
The glow-worm, the winged ant,
All are whispering, all are shrieking.
And nothing such happening
As you are thinking
It is everything only recycling
And recycling only as per our thinking.

Gajanan Mishra
Red And Red

Red flags,
Red army,
Red thoughts.
Is it all
For fresh breath?
white and white,
All white does not mean
Peace is within.
But red, white,
blue, green, yellow,
Pink, black etc
All for life.
Stay happy facing the sea,
See the rising sun
With new hope.
Welcome the air,
Respect the fire.
All for you
And you are for all.
Cobra is not to bite you,
Lion is not to eat you,
Night is not to cover you,
They all know you are the truth.
Show your truthfulness to all
Everywhere always,
And see they have reserved
A seat for you with love.

Gajanan Mishra
Red And White

No need to wear
Coarse white clothes,
No need to shave heads,
No need to lead
An austere life.
The ancient Gopinath
Mandir in Vrindaban
Is opened its door,
Come please and
Celebrate Holi.
Decorate your own life
With colours and flowers.
So long as life is there,
Love is there, enjoy it.

Gajanan Mishra
Red Blood

Red blood, white blood,
Blue blood, black blood,
And I know and I hear

The blood that is there
In the body of my mother.
I know that is the only
Life-blood and I salute
That blood as my mother
Is there in her own land.
My love the language of
My mother here as it has
Power to purify my blood.

Gajanan Mishra
Red Clothes And Lotus

Red clothes and lotus,
Human life and righteousness,
Wealth and liberation,
The goal of our existence.

Not we, but the greed
Is the real culprit here.
Contentment, fearlessness,
Respect and compassion,
And life - the symbol of
Our limitation.

We dislike demon of
Insecurity. right?
We are on the path of
Equal prosperity. right?

Gajanan Mishra

And stay always fit.

Red, though,
It is not blood.
Living, though,
You are not alive.
Singing, though,
You are not pleased.
Appearing, though,
Doing nothing.

No meaning.
Everywhere, find
Enemies and in all works,
They are obstructing.

Gajanan Mishra
Red, Pink And White

Red, pink and white
Three layers of life,
To reach eternity.
Absolute and reltive
Two side are there,
The sun at one end
And there is the rays
At the other side.
Singular and plural
Two other forms are there.
One on the earth another
With the star.
No limit but
The sky is there.

Gajanan Mishra
Rediscover

Let us come
Together to
Rediscover.
Rediscover
The self
That is here.

We are doing
Everything
Through this body,
We must remember
We are not the body.

We are not lost
We are here as before
And we are the core.

Gajanan Mishra
Rediscover The Self

It is there,
Discover and
Rediscover it.
See it,
Hear it,
Nurture it,
And do all sort
That are necessary.

Nature is not there
To delude you.
Search and research
Where you are,
What you are,
How you are.

Gajanan Mishra

In the ocean
I discovered you
And I found
You are the ocean.
I found You
In the heaven
And You have
Kept the haven
Within me.

Gajanan Mishra

That I am doing
Is melting away,
And they are

Past, present and future.
I have no independent
Existence, I know
And I am living
With all know-how.

Gajanan Mishra
O referee, please stay
Stay there and
Continue your fair play.

Fair-play is
Not known to anybody.
And all live

In silence
And do that
Yet to be done.

Let me know the lotus
And the honey and let me
Express my own feeling here.

Whatever is with me.

In our desires,
Up above the sky
Keeping the star

Life blissful and see
Real good fortune
Is with you and you are
Merging with that wonderful umbrella.

With love,
Accept the entity of love.

No effort.
Love has existence,
Without any bond,
You find nothing but love
Alive everywhere.

Gajanan Mishra
Refulgent - Love

Refulgent fragrant
And flavored
It is love.

You are lucky
If you are in love.

Love is a
Beautiful mirror
With sweet blessing.

Love is here
That beautify you.

Love rubs the dirt
That is within you
You are lucky
Love is there within you.

Gajanan Mishra
Refuse not crow
Come on with caw caw caw.

Myna, have you forgotten
The road that is there on your way?

Who has opened the door
I am not able to know
In the broad day light.

Let us test the truth
By forming a committee
With the self as its head.

It is all half
See here and there.

Sing a song, crow,
And let the world awake.

Gajanan Mishra
Regain Form

Regain your own form
By seeing the rising sun.
The sun is there as it is
And it is we, who are going
Round and round all over the sun.
We are eternal and
We have full knowledge
About the sky, where we
See, every day, the sun.
The sun as you see is in penance,
And we are there to say
What we really want to hear,
In our house, in new moon night
From the sky and from the sun.

Gajanan Mishra
Regain your lost consciousness, men,
And rebuild love in your own world,
That is based on the truth.

Gajanan Mishra
Regaining Memory

If you try to regain memory
There is no confusion in you
And you know the real affinity
For Almighty here
And you can know this by the self
Know that you are only His
He is only yours
Don't go on error and choose to
Go on the automatic process
Of natural law.

Gajanan Mishra
Regard

As a poet
I regard you
Good and virtuous.
As a poet
I questioned me
Who am I
To think ill
How can I
Do harm.
As a poet
I love all
Everybody is dear
I do not hear
Evil of anybody
I do not perceive
Evil in anybody
I do not speak
Evil of anybody.
As a poet
I know all virtuous
And virtue is
Real nature.

Gajanan Mishra
Regards Anything

To regards anything
As my own is impurity
One should knows it

Remember, death is near.

Gajanan Mishra
Region Of War

Region of war,  
Not only  
South China sea  
But also  
Entire world.  
We the men are  
Not able to learn  
Anything from  
Our history,  
From humanity,  
From peaceful  
Coexistence.  
We the men are  
Responsible for  
All illegality  
And we are telling  
Each others  
As per our wish  
Like paper tigers  
Or eunuchs.  
We have forgotten  
The consequences  
That are there  
To be faced by us  
In coming days.  
We respect least  
A man and we  
Care not his  
Free life.  
We are not  
In a position to  
Receive another  
With love-  
The great tragedy  
Of our time.

Gajanan Mishra
Regional News

Listen, the regional news;
without stems flowers blossom,
without seeds fruits ripe,
without roots trees grow.
Listen, the regional news;
the chief is ruling without language.

No one is offering anything
and yet the world is moving
on its own way.
Yes, the price is rising,
the market is out of reach.

Leave not, and if you leave
You would not get anything,
Keep in mind, always it is not raining.

Gajanan Mishra
Regret Not,

Regret not,
Blame not
For the past.

There with all
Feelings of the star.

In some way or other.
Let me love you and

And I am getting much pleasure.
Surely, I cannot say
Who is our creator.
But we are here
Out of the same process of nature.
We are one and the same,
We should stay with full cooperation forever.

Related To Truth

Everything here,
Related to truth.

Who knows all good.
Mislead not others,

Gajanan Mishra
Related With Earth

We both are,
We both are related with the earth.
And the earth is calling us day and nights,
But we are giving a deaf-ear to the call.

The call is in accordance with the time-tag,
That we know and we are prepared for that.
Life is not to count to count the roses
But to unheal the nail here and there.

Gajanan Mishra
Relating To Poets

I am eager to hear the poet,
The poet is also equally eager
To make me hear with full confidence.

The result is that we are on
The path of progress and we
Declared ourselves developed.

Words, sentences, epics, classics,
Literature, scriptures, history,
Geography, sciences, arts all are there.

But the poet declared he is above all,
So also I declared I am no way connected
With what the poet uttered.

My foolishness is that I have not find
The time to discuss with the poet in any manner.

Gajanan Mishra
Relation

Relation matters
And nothing else.
How you are related
That matters,
And nothing else.

No army, no weapon,
You are open
How you dare to utter
That matters
And nothing else.

Magnetic power is
There in the service
You render and I am
Here to discover.

Relation - All Day To Come

I want only emotion
Out of emotion
I can form thought
And from thought
I can start action.

Action with devotion
I will get my promotion
And I can make with you
A direct relation
The relation all day to come.

Gajanan Mishra
Relation Is Developed

Relation is developed all over again
Everything is there everywhere, see men.

Nothing is without reason
If you want to know you can.

Your faith and your sincerity is to count
Not your face or wealth or time.

Your knowledge makes you simple
And rise you from the darken well.

If you are fearless and doubtless
It is guaranteed you will go where you desire.

Gajanan Mishra
Relation Of Clouds

Relation of clouds
With the sky.
Relation of sight
With the eyes.

We are all in darkness
And nothing to see.
But light is there
And that is our energy.

We are the cause of
All causes.
We are the creating force
But not that of destruction.

The bright stars are
Within us and we shine.

Gajanan Mishra
Relation With You

My life is for You
I know my relation with You
I know my activities in Your service
I am always busy in devotional love service
And by this service O my dear
I want to get rid of all miseries
And enjoy happiness
I know love itself is my life .

Gajanan Mishra
Relationship

Our relationship
With this body is
Assumed one.

One can renounced
At any time options
Are there at hands.

Regard not unreal
As real that would be
Dangerous and cruel to self.

Gajanan Mishra
Relationship Finished

Relationship is
Finished
After death.
Be enlightened
And know
About your
Own situation.

You belong to
No category,
I know.
And you are
Equal to truth,
You are the truth,
Observe and know.

Gajanan Mishra
Release Me From This Jail

Release me from this Jail
O my Lord, I have pure love
See in my every action
See me I am doing all these
With Your direction
O my great one, without
You favor I will be no where
In Your land where I am.

Gajanan Mishra
Release The Bird

Release the bird,
And you complied,
Well and good.

Fractured mirror,
Before you.
And you are blind.

The butterfly is
Still there
In my dreams.

Neither you have
Taken the responsibility,
Nor I have allowed you
To go and report,
The crux.

Gajanan Mishra
Relieve My Burning Heart, O My Dear

Relieve my burning heart, O my dear
Relieve my burning heart in
All circumstances of time and space.

I am attracted to the messages
I am attracted to the messages given by You
O my dear, through your poems.

Your poems have got the power, my dear
Your poems are powerful to
Relieve my pain at this critical hour.

Gajanan Mishra
Religion

You cannot say
Religion is bad.
Remember, my dear,
Pity is the birth place
Of religion.
You cannot say
Religion is bad.
Religion makes you
Win the world.
You cannot say
Religion is bad.
Religion is the basis
Of truth and charity.
You cannot say
Religion is bad.
Are you not religious?
If yes, let me say
You cannot perish.
You are pious,
It is the grace of religion.

Gajanan Mishra
Religion Is Humanity

Men and women,
All are one and
The same.
Both belong
To the religion
Named humanity.
Compromise not
With gender equality
And women's dignity.
For the larger well-beings
Of the human society
Equal participation
In each and every field
Is but a necessity.

Gajanan Mishra
Religion Is There

Religion is there,
All belong to one religion.
The religion is love,
The religion is the truth.
Truth is life and
The truth is living and
The truth is death.
How can one give up
Any principle of religion?
Life is at the center of
The religion and death is
Also the main subject
And at the base of it
In which all are there.

Gajanan Mishra
Religion Of Humanity

I think and I feel,
Only one religion
In the world,
That is the religion of
Humanity and
That is to be followed
By one and all.

Gajanan Mishra
Religious and pious
Here all
So far my knowledge goes
Nobody is a sinner
Nobody is a eater
As nobody is doing anything
Himself and for him
Each and everyone is
Dependent on another
Whether with change
Or without change
Just see in a different vision
Just live in then same world
But in different dimension.

Gajanan Mishra
Relinquish

Relinquish one
To accept another
O my dear, and
This is the order
Of nature.

You are the embodiment
Of eternity, my dear
Here with You
There is knowledge
And bliss, it is clear.

Jumping in the time-river
Is the call of
The heart that is inner
O my dear, one way traffic
Is here and no either or.

Gajanan Mishra
Relinquishing Attachment

Relinquishing attachment
To action and to its fruits
I am performing my duties, see.

I know, my dear, it is Your wish
I know, by doing this, I am
Trying to show Your views.

By this relinquishment, my dear,
I am never showing my superiority
Let me say it is my real relinquishment.

Gajanan Mishra
Relinquishment

To relinquish is life
To relinquish is truth
To relinquish is emancipation.

But I can not advice you
To relinquish sacrifice
Charity and penance.

Keeping senses under control
My dear, You can perform acts
You can enjoy pleasure.

Just relinquish evils
Bad conduct and sins
That causes ill of others.

Gajanan Mishra
Rely

Words are not to be relied
Words are treacherous.

Thoughts intensions emotions
Be the guiding factors
And they be made partners.

Gajanan Mishra
Rely Not And Rely

Rely not on anything
In this world
Rely on God only
Who is there.

And God is in Truth
God is in love
And God is in you
And God is in me.

It is we
Who are perishing
And not God
God is in this world.
Rely not this world
Rely God only,

Gajanan Mishra
Rely On Nobody

Is the right word
Here at this moment
Life not on consent
Turns ferment
And life on consent
Not decent
Receive life's
Ordainment from
Only that Omniscient.

Gajanan Mishra
Remain Silent

Keep silent
And avoid contradiction
Botheration and
Unfavorable situation.

And speak in friendship
Speak to all
For their enlightenment
And stay happily and peacefully.

Gajanan Mishra
Remarks On Status

Remarks on status
It is nothing but bogus.

No electricity no water
No money no honey
Nobody is here to mitigate
people's misery.

No word with any one
And it is fun with a man.

Gajanan Mishra
Remember

No feeling nothing  
Envelope not closed  
weightless odourless  
Font pre-set.  
No touch no emotion  
No colours no affection  
Flat questions flat answers  
Plant trees having no leaves  
No flowers No no life  
Not like this.  
Remember, Ours artful earth  
Has lovely scent fresh jasmine  
All white fragrant flowers.  
Truth and peace reign supreme  
Love and love the bond  
Life's eternal cream.

Gajanan Mishra
Remember - 1st July

Remember - 1st july
Day of fast unto-death
For use of our own
Language always everywhere
As per Act.
To use our own lanaguage
Is our birth right.
To receive words in our
Own language on our own land
Is our natural right.
Do it immediately
Orelse leave our land
Leave us, no more
We are here to tolerate.

Gajanan Mishra
Remember Me - I Am What I Am

Remember me- I am what I am
I remember you-
You are what you are.

You are not telling anything
It is I who is fighting
With the air every time.

You are not what you are
I am what I am
Taking you from here to there.

Gajanan Mishra
Remember Me, I Am

Remember me, I am
As usual under
That tamarind tree.
I am busy always
In calculating
The period of life
And its affects.
Remember me, I am
The beginning of
All things and also
I am the end.
I am forgetting
And I am remembering
Me and none else.

Gajanan Mishra
Remember Me, Please Remember,

Remember me, please remember,
I am here, I am here,
With you, the whole year.
Remember me, please remember,
I am in summer, I am in winter,
With you, I am in the whole year.
With you, I am here, I am here,
Before all, I appear, without fear.

Gajanan Mishra
Remember My Number

Remember my number-
1021961 and 341960,
The first is personal
The second is official.
But it is better
To forget the number
And talk to me now.
So long as I am here,
No number can supply
More information about me.
I am here, search me.
Use me if you so like
In each and every work
That you think yours.

Gajanan Mishra
Remember One Thing

Remember one thing
That you are living in water,
And you are water
And my dear, water cannot be
Divided by any line.
No demarcation is possible
In water and water can
Mix with anything,
And always watering is
Necessary in living
With truth and
In getting peace.

Gajanan Mishra
Remember, A Poet Is

Beyond the jurisdiction of
Regulations and restrictions.

Remember, the end is the beginning
The root of the tree is the beginning
But the upper portion of the tree is first seen.

Remember, O my dear, almighty is our root
Let us keep relation with the root
The poet can only takes us and shows us that Real Root.

The Ultimate truth.

Gajanan Mishra
Remember, Here

Remember, I was here,
I am here,
I will be here.
Here is, see, my mother.
Here is, see, my mother-tongue,
So sweet like nectar.
My mother earth, see,
Full of colours.
With and without war,
I am the victor.
You can call me
Here and hereafter.
I am the beginning and
I am the end here, forever.

Gajanan Mishra
Remember, No Friendship

Remember, Mr Prime Minister,
There can be no friendship
without inspiring fear.
Remember, sowing seeds in
a barren land, discourse
on the exploits of truth,
talking wisdom to one
steeped in worldliness,
friendship with a rogue,
supplication before an idiot
are useless and declaration of
war is the only answer here.
Hewed a plantain tree if you
expect from it fruits to bear.

Gajanan Mishra
Remember, O My Dear Leader

Remember, O my dear leader
Whatever you do
Ordinary people follow you
And it is said by the Lord
And it is the Truth
Committing wrong on your parts
Is not pardonable.

Don't get proud being the law maker
Being the performer and
The sanctioned authority of all works
Remember, my dear leader
People in general are above you
And for their welfare you are there
On that position, think not yourself greater.

Gajanan Mishra
Remembering That

Remembering that I am
In truth I am fearless.

Remembering that I am
In love with You
I am not impatient.

My protector and doing all
Works for me I am obliged.

Your part and parcel
I salute all.

And remembering that You are
Most merciful I am waiting
For Your call.

Gajanan Mishra
Remembrance, Knowledge

Remembrance, knowledge
And forgetfulness,
Everything is there in you,
And I am proud
You are in me.

And you are beyond time,
And I meditate you all time,
Anywhere and everywhere.

You are ready to give me
All protection.
You envy no one,
Nor are you partial
To anyone.

You are equal to all.

Gajanan Mishra
Reminder Not Necessary

Reminder not necessary
For writing poetry
Reminder not necessary
For reading history
History is past
Poetry is future
I am in between
To suffer.

Gajanan Mishra
Reminding You

I left death
Death did not
Leave me
I am one
With death always
Everywhere and
I am one with death
I know death
At the opening hour
Death is not
Windy sky not clouds
Death is my
Conscious breathing
Death giving me
What not
That I am
Just in the evening
Like the morning prayer
My dear, line is not clear
And not that the train
Is at the outer.

Gajanan Mishra
Remote And Near

Remote and near
Go together.
Not remote, not near
Not ours dear.
Let us go far
From all corners.
We are all in light
But we go
Darker and darker.
Dark is our
All sorrow remover,
Not any waver.

Gajanan Mishra
Remote Control

Feel no fear
You have a mind
Powerful of all
Control your mind
Remote control is
In your hand
Nothing external
Could shake you
Feel no fear.

Gajanan Mishra
Remove Fear

Remove fear, dear,
For all time.

Knowledge and bliss
Everything,
But not this body.
Pleasure is being taken from
This body, though.

No word is false,
And each one is
Newer and newer
Day by day.

Hanker not,
But continue search
For the next step.

Gajanan Mishra
Remove Not Any One

Remove not anyone
From this system
But take steps
To mobilize each one
In such a way
To Earn maximum benefits.
So far I am concerned,
Let me clear here,
No meaningful purpose
Is being served by me
In this system and
If possible, if I be
Eliminated then I think
Nothing would take effect.

Gajanan Mishra
Remove The Pod

Remove the pod
And discover me.
I am the seed.

Gajanan Mishra
Remover Of Darkness

It is but natural
That You are the remover
Of all darkness.
And You are unaffected
By fruits of actions.

From worst to good
You are transforming
All evil doers.
And who are away from
hypocrisy and arrogance.

I know You have make
This body of mine alive
And lighted my life-lamp
With water and air under this sky.

Gajanan Mishra
Removing All Obstacles

See me
I am removing
All obstacles
That are on
Your path
Of Truth
To enable
To rise
And to
Reach.
Excuse me
I know not
What is next
And the bet.

Gajanan Mishra
Removing Attraction Of The World

Removing attraction of the world
From the mind is necessary
Mind could be controlled
Only in truth only in love.

Gajanan Mishra
Rename

Cloak is behind,
Update life
And rename if necessary.

Observe development,
Rediscover your
The tract of land.

Get heaven
By pious activities.

Designate yourself
As nothing.

Process is the truth,
In your earth-home.

Enjoy
Coming down to earth.

Gajanan Mishra
Rename The Sun

Rename the sun
Rename the bird
Option is there.

No order would be
Passed.
No communication
Would be made.

You are to
Discover the truth
On your own, my dear.

The air is free, see.
Fear not the elephants,
Care the elements,
It is all in the ellipse.

Gajanan Mishra
Rendering Loving Service

Rendering loving service
Is a necessity for
A better world.

Material happiness is of
No use in the way of
Realizing truth.

It is the liberated soul
Who is hankering for
Spiritual knowledge.

Gajanan Mishra
Renegade

Thought and action
is yours or not
I do not know.

You are coming
or going
I do not know.

It is not known
who you are
how living within
and without
knowing nothing.

I know you are
simply a renegade
and I renounced.

Gajanan Mishra

Renounce and pronounce,
We are all here waiting
For your cheque bounced.

Gajanan Mishra
Renounce Your Dependence

Renounce your dependence, my dear,
And be fair, and be free here.

Stay totally desireless
And reach consummation.

Gajanan Mishra
Renounced Order

Renounced order of life,
Life in renounced order -
The best here.
No proprietorship, but
The managerial duty is
The best option for future.
All moving and unmoving beings,
Accept my salute, as you are
Listening to me with care.
I know, your eyes are not
Outside but inside and you
Have discovered the truth.
Take everything granted dear,
And nothing to give up here.

Gajanan Mishra
Renounced Order Of Life

Renounced order of life
Is good
No material desireis here
This is Sanyasa
Renunciation is better
Giving up the results
of all activities
This is tyaga.

Gajanan Mishra
Renouncer

Who is the real
Renouncer here
Search Him altogether.
In this order of life
Outlining anything
Is not specific
And it is not right.
Who renounced what
Is a great question mark.

Gajanan Mishra
Rent

Rents are to be paid
To the owner of
This house this body.

We have to pay to
The owner for
The many favors we received.

If we have nothing to pay
Then be prepared to make barter
And serve the needy and poor.

The old the disabled the orphaned
The needy the poor
Are His near and dear.

Gajanan Mishra
Rented House

The world is a rented house
You have to leave
After completion of stipulated time
And after clearing all accounts.

Gajanan Mishra
Renunciation Of Desire

Renunciation of desire
Is true renunciation.

Having eaten food
Hunger is satisfied
The satisfaction is not renounced.

Renunciation of desire
Is true renunciation.

Gajanan Mishra
Repair Your Vehicle

Long zigzag curve road ahead
You are to reach
Before evening.

What and where is
Not known to you
You do not know also
Your identity.

No need of visa
Entering to others
Though free
Not allowed on whim.

Time is not with you
You are with time
Be prepare yourself
For the journey.

Gajanan Mishra
Repay The Loan

Repay the loan
You have incurred, my dear.
Let others not feel
You are a loanee.

Remember, who has
Given you loan
And think how to
Repay the loan.

And do whatever
You like
That is your best life.

Live a life
Of lotus and
See you are famous.

Gajanan Mishra
Repeat Again

Repeat and repeat
Again and again
And let me see
Clear picture
To begin afresh.

Life and life,
No death in life
And I like
All weapons
For my world.

My weapons are
My words
And they are all
More powerful, hear it all.

Gajanan Mishra
Repeat And Repeat

Repeat,
Repeat again,
Repeat again and again,
For pleasure.

For good,
For you.
Repeat and know
The things
That are
The best.

The best is
Your life,
Your activities,
your dreams,
Your livings.

Living is
Not empty
With vision.

Living is
An ecstasy
With accurate
Shots.

Here, somewhere,
I search for
Love.
And I generate
Love within.

The truth is
I show all
The originality
With uniqueness
In me.
Repeat Not

Repeat not, repeat not
Go on, go on, return not.
Life is not for return,
Time is not to repeat.
You are living a life,
Regret not, life is not yours.
Life is controlled by the life-giver
You are to report at every moment
Going to His door.
Be cautious, mistakes are excusable
But for wrong reporting
Penalty provisions are there
And you have to meet it
And you might put to loss.

Gajanan Mishra
Repeat Offender

The goat is the repeat offender,
And I ordered to arrest it
As it has trespassed the garden
And has eaten flowers and plants.

The parrot is the repeat offender,
For it apparently insulted me,
And making obscene remarks,
Despite several warnings.

Gajanan Mishra
Repeat Reading

Repeat reading
Taste a new
Delete identity
Needs a close view.

That is what
All say
I heard
In chanting voice.

What for they came
Not known
And mystery
That is in each activity.

Gajanan Mishra
Repeated Actions

Repeated actions
And practical experiences
Showed me the way
At every steps that
You are present here.

Gajanan Mishra
Repeating My Story

Repeating my story
I invited you to
Listen carefully
This is not mine
But really yours.

From the very beginning
You told me to remain silent
And throughout the life
I slept in the ocean
In the lap of a snake.

Gajanan Mishra
Repetitive Naming (Nama -Japa)

Repetitive naming  
Meditation, service  
Obedience and company are  
Five pillars of this house  
You know this body is  
Such a house  
You are staying in  
And in this house  
And from this house  
I am drawing your attention  
Towards poems that are  
Truth for all times  
And inner light comes from  
These poems and from you  
Try to realize the truth.

Gajanan Mishra
Representation

Honour peoples representation
Change the constitution
If not suit time and situation.

Be pro-people
Work for people
You are elected by people.

Gajanan Mishra
Representation Is There

Representation is there
In each one’s heart.
And I act in terms of
My past experience and
Knowledge.
And I feel and what I
Propose, you approved.
And all fulfilled fully.

Gajanan Mishra
Representing Truth

Representing truth I live
Focussing light I live
Turning pages I live
Compare me not with anybody
Compare me not with anything
I survive.

Gajanan Mishra
Reptile

What are you doing there my dear reptile
There in the light there in the dark
You are making an showing your might
With the insects right.

Might is right known to all
Not always right
At times you are to show
Your kindness and forgiveness
Live and let live others.

My dear reptile
You are to catch the thief here
The thief that are destroying
And making us fools.

Go to the dark go to the light
My dear reptile
Forget your appetite
And do something
For world's benefit
And for this only
There is light
In this night.

Gajanan Mishra
Republic Day

Who knows what is public
day is another important word
re is added as additional
still nobody knows what is what.

General people do not like
all that go day by day.

Day on and day out
the man who is present
a tout.

Gajanan Mishra
Republic Day Greetings

Yes, let me greet all,
On this very republic day,
Twentysixth January.
We are sovereign and
We, the people have
Supreme power.
But let us feel sorry,
We are not able to
Elect so far all good
Representatives for us.
We are not being supplied
With the bare necessities of life
Like food, clothing, and shelter,
And proper educations for future.

Gajanan Mishra
I should know
The requirement,
Requirement of words,
Requirement of time,
Requirement of wealth
And also
Requirement of friends
On the way of life.
I am self-controlled,
See me here.
See me there.
I am the star,
I am in the sky
And the sky is in me.

Gajanan Mishra
Rescue

It is dust
It is death.

I want you
only you
who can rescue.

Gajanan Mishra
Reservoir Of Pleasure

Reservoir of pleasure
O Reservoir of all pleasure
I hereby offer my respectful
Obeisances unto You.

My primary and ultimate
Function is to do Your works
And by doing so I am, my dear
More glorious lighter and finer.

Gajanan Mishra
Resident Of

I am the resident of
Both inner and outer
Places at the same time.
I am the fraction of time,
I am the time and
I am the whole time.
Time is there with me
To prove the presence.
I have certain reasons
To cooperate the time
But time shirks me
Without giving any
Prior notice and I am
There to accept gladly.

Gajanan Mishra
Residential

Residential certificate is forged
Residential certificate not required.

Who is competent to issue residential certificate
Who is a resident here and for how long
Nothing is known and nobody comeforward to say about
This place and the nomenclature changed.

Gajanan Mishra
Residue

Making efforts
Again and again
I could see you
And your world
Making efforts
Again and again
I could bring you
My own world.

I have an affinity
That disrupt you
I have an calamity
That unite you
And in clear terms
I stated to be yours
I renounced everything
And you remained residue.

Gajanan Mishra
Resolve

Resolve to
Work together
And take it
A must.

But no bar
To review
Common agenda.

Resolve to
Love all here.

But the truth.
Put seeds of
The truth everywhere,
And reap the truth,
The truth is only
Here and only there.
Apply truth everywhere
And get yourself cured.

Gajanan Mishra
Respect / Disrespect

It is all
But relative
And no way
Connected with me.

One should learn
How to respect others
One should know
He has no right
To disrespect others.

It is true
I am not unselfish,
To certain extend
I have to compromise
With the right of others.

I know I am
No way connected
With action and
With the fruits there of.

But I am here,
And I will be here
Before you, my dear
And it all depends
On your visual capacity.

What is there
To renounce
That I do not know
You are seeing all
At this moment
On the next moment
All these are not here
What to say about others
When I am not mine here.
Respect All

Respect all
Any disrespect
Amounts to your fall
Give importance
To the Father
And get cheer
Establish glory
And go high
O my dear
You have nothing
To loss nothing
To suffer.

Gajanan Mishra
Respect All, My Dear

Respect all,
My dear, and
Get all bliss.
Certainly you are
All and everything.

Gajanan Mishra
Respect Another

Respect another's wife
As your own mother

Treat another's possessions
As lump of dirt and spit
On it, my dear.

Think all other living creatures
As you would yourself
If you are learned, my dear.

Don't be envious and
Mischievous, my dear
You are condemned
By the laws of nature.

Don't do that makes your soul goes to hell
Don't make your body fit to be eaten by vultures.

Gajanan Mishra
Respect Each And Every One

Respect each and every one
You are for all in this procession.

The procession is for peace
And you are to present with information.

No need of information act
You are to chalk out your program and react.

Action and reactions are necessary
They are both sides of the same coin.

Accept them all
They are yours as you call.

Gajanan Mishra
Respect Is Earned

Respect is earned
Respect is given
Respect is not demanded
Respect is not forced
To give others respect
Is our tradition our culture
My dear, forget not
As you sow so you reap
Go on your own trip
The engine of respect
You see it is auto
Never bother who says what
You say whatever you like
As freedom of speech is there.

Gajanan Mishra
Respect Mother

Live the life like a lion
And not that of a jackal.

Coo, coo.. use your own language
Or stay silent but utter not caw caw.

Keep everything white
Allow not yellow to reign over it.

Respect your mother and her words
If you failed I have nothing to say.

Gajanan Mishra
Respect Only

Give respect only to all
And expect nothing from anybody
On this day so long as you are alive.

And you are alive in love
Love is not to get but to forget
And forgive and alive.

Life span is only one day
And it is the valentine day
Live and enjoy yourself with others.

Life and love one and the same
Here with you with me and with all
Give respect to all and love all.

Only one thing is there that is love
Love all love all love love love.

Day and night.

Gajanan Mishra

Respect the wise.

Be with purity
Be upright
Be with celibacy.

Make non-violence
Your principle
Penance of the body.

Gajanan Mishra
Respect The Law

Let us come
To give respect
To the people
And to the law
Of the land.
The people are
The sovereign here.
For them we are
All here enjoying life.
Let us think for a while,
We are here for the people
By the people and of the people.
We are the office-bearers
And we are committed
For the welfare and
We are here to work for
The welfare of the people,
Let the people know all.
We are to get back to basics,
To self-discipline,
To consideration for others,
Our style and tone
Should be with that of the people.

Gajanan Mishra
Respect The Laws

Respect the laws
Of the land,
And punish the law breakers,
And the criminals.

Protect the innocents
And the men in general,
And always stay neutral.

Let all take great satisfaction
In life here, let each one
Realize the world is for all.

True knowledge should be there
With all here,
And let no one be there as
The competitor of another.

Gajanan Mishra
Respect The Truth, Men

My Supreme Master
And without You I am
Darker and darker.

Gajanan Mishra
Respiration Is Poem

Respiration is poem
Forget not to read and write
O my dear, always here.
Breathing-in is reading
Breathing-out is writing
About life about nature
About living.

Writing poems for the soul and
It is just like
Eating for the body.
O my dear, fear not
While writing anything,
Be honest and go forward
In writing here for ever.

Gajanan Mishra
Resplendent The City

Resplendent my city
Splendid my night.

I am with You, my dear
Without fear and favor.

I am delighted at heart
Since You are with me
From my very birth.

And when the days
Are rolling on
I find constant felicity
Joy and rejoicing
With a tidal wave of delight
Swelling higher and
O my dear higher and still higher.

Gajanan Mishra
Respond To Fire

Within nature.

Gajanan Mishra

What you know
What I know.

Here you know nothing
Here I know nothing.

You are hearing
I am telling

Here we both are
Dumb and deaf.

Gajanan Mishra
Restless

I am restless
Without you
O my love
As you are
Restless
Without me.

I desire you
As you desire me
As father as mother
As son as brother
As friend as teacher
O my love
There is no end here
And never.

O my dear
Separation from you
I can not bear.

Gajanan Mishra
Restless Desires

I fall a prey to
Restless desires
It make me prone to
Agitation and distraction
And I am unable to analyze
and discriminate good from bad
Right from wrong
Surface charm no use
Superficial attractions and
Worldly pleasure is of no use
And I am in illusion.

Gajanan Mishra
Restless- I Feel

I feel restless
Without You
O my dear,
You said
You also feel
restless without me.

I think of you
O my dear,
And You come to me
You reveal before me
In the same form
As I think.

You are my worthy father
You are my worthy mother
You are my worthy friend
And brother and guide
And teacher and philosopher.

O my dear.
You are my body-driver
My software and
The software-connector
Come on, my dear,
I am here, I am yours
Servant's servant
At present a worst sufferer.

Gajanan Mishra
Restlessness

Restlessness of mind and
Here there is no stability and
Nobody is kind.
Success and failure
Are inter-wind
Pain and gain
Nothing to find.
Discharging duty
Is no sin

From beginning to end
You are to remained keen.
Care not anything
Dare everything.

And do not get frustrated.

Gajanan Mishra

O king, if you can.
And where is the king
In democracy, here
We are our king.
Let us know the value
Of peace and stay
With love.
Love is the basic
Requirement of peace.
Let us go for
Mass development, dear
It is our future.
What is future
Who knows and yet
We are going together.

And let me tolerate you
We are one and the same
Here at this time.

Gajanan Mishra
Restore Power

Restore power men,
And see the wonder
All around you.

A lot of good.
Being free, you

Gajanan Mishra
Restrain All The Medias

Restrain all the media of perception
If you are to restrained
And close all the gates of the body
Restrain yours ears skin eyes tongue and nose
From the five senses of sound touch colour taste and smell
Restrain five organs of actions
Tongue hands feet anus and generatives organ
From acting speaking taking going and passing stools and urine
And fixed your mind in the heart
And do not hanker after sensual pleasure
Sensual pleasures are temporary and not peace-giving.

Gajanan Mishra
Result Defeat

If there is an unrighteousness,
Injustice and sin,
The result is defeat.
No one can be happy,
And no one can get peace.
Face the life and
While facing life be brave,
Be courageous and fearless.

Gajanan Mishra
Result Of Chemistry

Tell me why the water recedes,
Tell me why the smart phone rings.

Gallery is full,
and medias wait outside.

Tell me what is happening,
Highlights not allowed,
Open not the result of chemistry.

Expectation is high
that I know from biology.

Terrible the line
Believe not anybody or anything.

I have my own swift
to run on the high ways,
Let me see some rays.

Gajanan Mishra
Result Of Search

Result of searching is nil,
Nowhere to find anything,
Neither inside nor outside.

Gajanan Mishra
Result Of Suffering

Result of suffering is

That is desirable.

You are not for
Pleasure only.

You can count down
And put off.

Retaining Not

Retaining not you long
I stayed
Changing dramatically
I remained with
Profile til ldate.

Dismantling the position
I declared loser
I am no capable enough
To remain and stayed
As called for.

Gajanan Mishra
Retaliate Not

Retaliate not,  
even though you are  
insulted or hurt or pained.  
You are having power  
of forgiveness, use it,  
to the best of your capacity,  
with all purity.

Gajanan Mishra
Rethink

Think think and rethink
Again again and again
Think rethink and invent
Invent and discover
Discover your root
Invent the moot
Who is your father
Father's father and father's father
And the problems
About about and about
And the seed of solution
There in.
Think think and think
Think think and rethink.

Gajanan Mishra
Rethink Needed

Rethink needed
On everyone
On everything.

It is not I
But you
Who exist.

I dance
As I see
As I utter words.

Without words,
I want to live,
As You are there.

Gajanan Mishra
Retired Person

Retired person
Are you?
Who is a retired person
Here please tell me
And stand up and hands up.
Have you really retired
And retired from what
Have you retired from
Glittering illusions of
Materialistic society
Friendship and love?
Are you the retired person
That I am searching so long
If you are tell me my dear
I honor you and call you as
My master my guide my path finder
All in one and one in all.

Gajanan Mishra
Retrieve

Why wings
Have not been given to you
My dear men,
Try to know first
Asking yourself
Again and again.

Gajanan Mishra
Return Good

Return good
For the good
done to you.
Return also good
For the evil
done to you.

Don’t be obstinate,
Follow all good
ideas and advice
of others,
Go not with delusion
that are in you.

Have some gentleness
and humility with heart-soft.

Gajanan Mishra
Return Journey

Our return journey
Shows who we are
What is our position.

No sense gratification
No degradation
No humiliation.

To Attain Truth is our ambition
En route no deviation
Intense desire to Truth is perfection.

This world is not a free hotel
Be careful to execute duties well
Keep yourself free from all contamination
Here you can not get full satisfaction
Without that Master's association.

Gajanan Mishra
Return Journey Not Permissible

Return journey
Not permissible.
Do that
What is possible.

Right now
You are to enjoy,
No love is here
But hate.

Realize the truth
And left the place.
No bliss no grace
Realize the truth,
It is not your place,
You are here for replace.

Gajanan Mishra
Return Journey To Ultimate Truth

Our return journey
Shows who we are
What is our position.

No sense gratification
No degradation
No humiliation.

To Attain Truth is our ambition
En route no deviation
Intense desire to Truth is perfection.

This world is not a free hotel
Be careful to execute duties well
Keep yourself free from all contamination
Here you can not get full satisfaction
Without that Master's association.

Gajanan Mishra
Return To Full Knowledge

My dear and see everything clear
Attach to Truth
And achieve liberation
Mission of this human life.

Gajanan Mishra
Returning Home

Returning home
Is not separation
Actually it is union.

Gajanan Mishra
Returning In Joy

Returning in joy
Is one for the blessed one.

Do you know who you are, my dear
Can you tell in what land do you happen to be?

You are returning in joy that I know
And I recognized you with whole blessings.

You are overwhelmed with love
And love and truth are the ornaments of this universe.

Before love the moon looks dim
Before truth the sun appears cool.

I am the fool here
Who knows not what to do my dear.

It is the sense of propriety
That delighted me, my dear, the eyes opener.

Gajanan Mishra
Reunion

Be ready for
Reunion, my dear.
Absorb in
Meditation, my dear.
It is your world
Exclusively yours.
All love all devotion
Also exclusively yours.
You are to go and
You are to come, my dear.
It is you who can also
Stay for ever here.
Only in reciprocation
You can see the clear picture.

Gajanan Mishra
Reveal Itself

Reveal itself
The sun.
But in dark,
The creatures.
Eyes have no power
To see what is
Going on in the world.
Touch me not
In doom.
From ant to
Elephant, each one
Is in trouble.
Life is really
In miserable.
Pillar to post
Each one is running,
But gets no relief.
No solace
From the light.
Whose area it is,
No one is here
To reply.
And the sun is
Passing by.

Gajanan Mishra
Reverence

Halfcut
disappeared
sovereignty lost.
Untold history
passed.

Only obstacle
obsessed to
go upwards
reverence
one could
say coherence.

What more
needed to
bloom here
except sun
of summer.

Undying voice
slowly slowly
heard
from distance.

Gajanan Mishra
Reverse Gear

At times
Reverse gear
Make the vehicle
Proceed forward.
Public pleasure
There on
Scraped horse.
Decision delayed
To give statement
After touching
All stones.
At times
Difficult to say
The incidents
You faced.
And the movement
Of the vehicle
You are in.

Gajanan Mishra
Revolution

My poem is a
Revolution for the poem.
My poem is to accept.
My poem is to socialized.
My poem is straight
And accept all.
My poem is flexible
And in the mind of the people.
My poem is to enjoy.
My poem is a sacred code,
You are but to aboard.

Gajanan Mishra
Revolution Or Resolution

After the revolution,
I am now busy in
Writting resolution.
After writing resolution
I will be busy in
Evolution.
Hearing this word
Evolution, some of
My poet friends
Turned against me
In furious volition.
What they conceived
I am not the person
To go there.
But I must tell
After evolution,
A new generation must
Come for new identification.
That is what -
My poem's solution.

Gajanan Mishra
Revolution With Self

The meaning of revolution
is far from me.
No one is there and
nothing is there to apologize.
The revolution is
coming out from me
and I myself is the prey.
No specific reason is
there and still I
cried out in horror.
Neither fire nor water
is there to adduce
evidences against or for
the revolution that is going on.

Gajanan Mishra
Reward

To receive reward
Is an error.
Serve all here
Thinking an
Obligatory duty.
Think not
What others do.
Think about yourself
What you can do
And how far you are
Able to do.
But see that
You are not for you,
Think, you are for all.

Gajanan Mishra
Reward Of Performance

Reward of performances
Not necessary
And also no word
Is required
For any thing .

That is there
The celestial enjoyment
That is there
Attractive sense-objects
For nothing.

But see our life
Is everything
And everything is
Useful here
The root the fruit.

Gajanan Mishra
Rewrite Yourself

Rewrite yourself,
You can rewrite yourself,
As you wish,
You may start it.

From now, ponder this
In your mind and arise.
O my dear, you may come,
You may go and think a while.

Think, you are a bird
With wings,
You are a serpent
With head-jewel,
A noble elephant
With trunk.

All your
Well-wishers are
Also present here,
Get up.

O my dear, remember,
You are one and
Indivisible with
Nature.

Gajanan Mishra
Rice

I want rice
I want new rice
I want You all to
Join with me
On this occasion
On this occasion of Nabarnna.

Nabarnna is our holy
Annual festival
Where we offer new rice
To our God and Goddesses
And for which
We get together.

O my dear, let me tell You
This occasion is here
Today itself and you are
Eager to come and just
Waiting for a call
That's all.

Gajanan Mishra
Rice And Bread

Please forget big words
And give some rice and bread
I am now hungry.

If you are capable
Give me a piece of cloth
As I am naked.

A shelter is necessary
To save myself from
Rain and sun.

Gajanan Mishra
Rice Or Salt

Rice or salt
What do you want?
You may take rice
But not allowed
To take salt.

Onion is dream
Potato is now day-dream.
Potato or tomato
What do you want?
You are not allowed
Anything right now.

Is hoarding your motto?
You are not in a position
To answer that I know.

Gajanan Mishra
Rich In Meaning

Please try to understand
My words.
My words are here
And my words are
Rich in meaning.
Be straight
And go deep in to
The the ocean.
Discover yourself
Where you are
And what are to be done.
See and show
Your actual beauty
That is in love.

Gajanan Mishra
Richard   H Thaler

Congratulation sir,
Richard H. Thaler,
For Nobel prize
In Economic sciences.
It is for your
Contribution to
Behavioural economics.

You are from the USA,
But here in India
We congratulate you,
We know though,
We are still going away
Far land to
Fill up empty belly
And we are victims of
All torture.

Our Govt is yet to know
How to give proper behavior
To the natives and
The farmers.
We, the people of India
Are far aways
From the fruits of reforms.

Gajanan Mishra
Riches - I Hate

Riches - I hate,
I know, riches
Are there to
Put me in trouble.
For the riches
I am in fragments,
My life in harshness
And I am in stupidity.

Riches are necessary evil
Like the life itself.
But we should know
The proper use to
Hear its sweet music.
I fear riches like love.

Gajanan Mishra
Richest Of The Rich

I know O my dear
You are the richest
Of the rich
You are always
Fully complete
in all respect
Everything here
In this world is
Carried out by Your
Wish and direction
You maintain everything
always under Your
Personal care
O my dear, I know
You are the powerful controller
You are the Supreme fighter
You are number one spectator
You are eternal modulator.

Gajanan Mishra
Riddle Of Destiny

Riddle of destiny is
This life here.
Let me say it is
All nature and
Nothing to fear.

Let me hear,
What you are telling,
And let me pass the years.

Gajanan Mishra
Riddled With Duality

Riddled with duality,
See this life.
Going with any one
Is not a mistake,
But going far
Without any information
Is hazardous here.
Go with no one,
And stay total free
If you are interested
To realize the truth.
How can love will live
Without truth here tell me
My dear, without fear.

Gajanan Mishra
Riddled With Errors

Life is there,
Riddled with errors.
But you have to go
With love.
Love needs
Forgetfulness and
Forgiveness.
Riddance is there
If you so want.
But it is not
A solution.
Life itself is a riddle
You have to face it
And get yourself what you want.

Gajanan Mishra
Riddles Of Life

Face the riddles
Of your life,
And find out
the solutions,
That are with you.
And decide what
Ought to be done
And what ought
Not to be done.
Entangled more and more
And see your entanglements
Are perishing here
At every moment.
Here see the mirage,
Here see the pleasure,
Apply your intellect
And strengthen yourself
Going with the scriptures.
I know, you can grow,
I know, you are independent,
I know, you can do anything
Without seeking anybody's help.
But my dear, clear your doubts
That are within you
Facing the riddles of life
That are pure.

Gajanan Mishra
Ride An Elephant

Ride an elephant
And go on to declare
Yourself innocent.
Let me stay in my
Thinking like a mad man.
With no thinking, no form,
No reasoning, no speech
Let me stop here.

Gajanan Mishra
Ride The Lion

Make in India,
Come on, ride the lion
Made of Ashoka Chakra,
That denotes strength
Progress and pride.
Come on, come on to set up
Shop, to invest
In infrastructure.
Come on, ride the lion
To build a new atmosphere
Of trust and to promote
Growth oriented environment.
Come on to tell the story
Of a new civilization.
Come on, come on to this
Land of dreams, to this
Land of romance, to this
Land of fabulous wealth,
To this land of thousand tongues,
Thousand religions.
Come on to the cradle of human race,
To this land of speeches and
Knowledge, to this land of
Peace and non-violence.
Come on, ride the lion and
Show a new philosophy of life
Of all happiness.

Gajanan Mishra
Ridiculous

Ridiculous
To tell the artist
What to sketch and what not
Ridiculous
To tell the poet
What to compose what not.
Only dictator can
Go against the artist
Only dictator can
Go against the poet
Dictator is the symbol of
Destroyer and aggressor.

Gajanan Mishra
Riding Life

I am riding life,
How to ride, I
Know not, though,
In a right way.

I am in the temple,
I know not, who is
There, and how to
Treat the one who is
Therein the temple.

I see no variety,
I know oneness only.
I know my own existence,
That is illuminating,
Without any contamination.

Gajanan Mishra
You are right
Take your fruits
In the form of joy
Wisdom and dispassion.

Gajanan Mishra
Right And Wrong

Right and wrong
You are to perform
All the same
Here at this moment.
According to scriptures
You are to perform
All the same
No right no wrong.

Gajanan Mishra
Right Belief

Right belief right thought right knowledge
Makes me bright along with my future.
I renounced all material attachment
And achieve a life of fearlessness.
Here I am with You and with my own Self
And it is my liberation as You know.
My rules are mine and You know I am small and
Full of anxieties and breaking.
But as I am with You O my dear I have no fear
I have right belief, right knowledge and a bright future.

Gajanan Mishra
Right Choice

Right choice is poems
Come on and have a dive
In poems
Poem is always friendly
Worry not if you are
With poems
Your journey will
Complete happily
I know You are creative
And having good
Perspective and
That is conducive to life
And better to live
The fabrics the colors
Of poems are beyond
Imagination and it is
Good addiction
Thank for the notion
Poems are in our respiration.

Gajanan Mishra
Right Conclusion

Arriving at
Right conclusion
I revealed
What I am
And I came to power
That became
Deluded.

Gajanan Mishra
Right Direction

Show the men, O poets
Right direction
Who have lost it.

Gajanan Mishra
Right is right
Wrong is wrong
One can not say
Right what is wrong
If one said
He is in delusion.

One can not pretend
What he is not
If he do so
It is hypocrisy
And he is
In delusion.

One must keep
Purity in food
In conduct and
In social order
And if he can not
He is in delusion.

Gajanan Mishra
Right Limbs

Here is good fortune
That is coming
I know from the throbbing
Of my right limbs
I know I am fine
Of course I never
Set my heart on evil courses
And I am fully confident.

Gajanan Mishra
Right Man In Wrong Place

See right man in wrong place
See wrong man in right place.

Find Ultimate truth there
At the ultimate end.

You are helpless
So am I.

Nothing to change
At present.

Right or wrong
Wrong or right.

Gajanan Mishra
Right Of Others

Right of others,
Let us safeguard
All here,
It is our duty
To do good to others.

Gajanan Mishra
Right Or Wrong- All Sealed

Are you married?
Gopies replied
Yes, but it is wrong.

Gopies felt
When love is
Everywhere
And truth is
With everybody
No need to ask
These questions
Relating to marriage.

Gopies are right
In thoughts, in actions.

How can one define
What marriage is?
In marriage
Right or wrong
All are in sealed.

Gajanan Mishra
Right Order

We are here
To set things
In the right order.
We are to
Recognize love,
Original teacher.
We are to live life
In concluded peace.
Truth is there
For us. So also
We are here
For truth.
Let us stay blessed
With all lights.

Gajanan Mishra
I want to stay
In right position,
To live desireless.
I know life itself
Is honey, itself
Is nectar.
I know life is a path
To get liberation.
And we are on this path.
I never hanker after
Anything here.
I am satisfied
What I have,
Where I am.

Gajanan Mishra
Right- Renouncing

I have renounced all my rights,
I know, nothing is mine.
I am just a guest for some moments, here.

Gajanan Mishra
Right Resolve

Right resolve,
Right resolve is
That I am the truth.
Right resolve
Adored you.

I know, poet
You are busy
In fighting
Within, beyond
Words.

Till not written
Words are pure
Till not living
Life is pure.

But my dear,
We have to live
And we have to write
Beyond life.

And we should
Keep in mind
The reality
The right resolve.

That is affinity
With truth
That is with love
Right resolve.

Gajanan Mishra
Right Thought Right Action

But my dear no single thought
Is said to be right here
In this polluted atmosphere.

You action must be pure and transparent
But you are absent all day long
My dear, make your presence everywhere
That you want to wear at this moment.

And I have written so many things
On so many points and you my dear
coming close to me persuade me
Not to write anything that are here.

I am sorry my dear I said further
That for your goodness I am here
And in future you will find me again here
That is our body and spiritual features.

Gajanan Mishra
Right Time

See and understand
This is the right time
To learn and to make
Your knowledge perfect.

Blessing is always here
See and understand
This is the right time
And engage yourself
In loving service.

See and understand
Keeping good intention
In your heart
The pure goodness
The original, the changeless
And the unlimited
That is in you.

Gajanan Mishra
Right To Be Forgotten

Right to be forgotten
Is my birth right
That I know, my dear
And good to erasure.
Life is nothing but to
Forgive and forget
It is rightly said.
Let us believe in ourselves
And proceed forward.
Life is peace inside
Let us see within.
The storm that is outside
Can do no harm, not to worry,
My dear, be calm.

Gajanan Mishra
Right To Do

I have a right to do,
But how to do, I should
Know from You.
And it is You
Who can only make me
Enlightened about the earth
And the sky and about all
The creations, livings and
Nonlivings, movable and
Immovable, perishable and
Imperishable.
I know I am here for
All times to come
With You and only with You.

Gajanan Mishra
Right To Earth

Give me my soil.
My soul is in my soil.
Give me my earth
and keep it free
From pollution.
I am living here
With my family members,
Birds, animals,
Insects, trees,
Rivers, mountains.
My sky is my dream.
Give me. I can swing,
I can swim.
Make me free,
I swear I will
Make this earth-heaven.
Sensible and sane.

Gajanan Mishra

The animals
The insects
All have equal
Rights to live.

This world
Is for all
One depends
On another
Love all.

Gajanan Mishra
Right To Privacy

Where is it
When security is
In danger.

Where is security
When there is
No privacy
In one's own land.

Motto- well being
Of all
Go on, in the way of
Right balance.

Gajanan Mishra
Right To Space

Right to space
With dignity,

At all level.

But the strength of all.

Gajanan Mishra
Right To Speak

Yes, I have right to speak,
Let me speak the truth
Till the last moment.

Gajanan Mishra
Right To Vote

Right to vote
How important
Learn from Italians
And learn from the argument
Two marines desperately needed
To vote in national elections
Learn how important
Right to vote.

It is all staged drama
It is all dollop of farce
How fool we are think first
Thanks India and we are
Proud as Indians.

Gajanan Mishra
Right To Worship

Take not my right to worship.
I want to pray Lord Krishna
In the morning,
I want to pray Allah
At noon,
I want to pray Jesus Christ
Also at day break.
What to you?
During night I want to
Sleep in peace.
No one is there
To put any question.
It is all my right
Let me live in my privacy.

Gajanan Mishra
Right Use Of Words

Words are mischievous
Words are cheater
You must try to use them
Rightly and correctly
And firmly with proper
Scriptures and decorum
And by doing so
You should not feel proud
Use of proper words
Do not think not virtuous
I may say do not
Misused words and do not
have desire to get anything
From anybody here
Consider yourself not a doer.

Gajanan Mishra
Right Way

Setting a thief
To catch a thief
Is not the right way
And the right way is
To change the thief
And his way of living.

Gajanan Mishra
Right Words Right Eyes

Right words, right eyes,  
Right vision, right life. 
Everything is right here,  
And I am trying to write  
Taking the human books with me.

Nothing serious,  
I would like to say.  
Just you are to read every day,  
Each and every word  
Written in time wall.

Worry not whether you are  
Inside or outside,  
Worry not whether  
You are here or there.

Say a lot, the truth is there.  
Sing and dance a lot, life is there,  
Live and experience a lot, love is there.

Right all, all right,  
In relationships, in all stories.  
And keep your concept clear  
On human library.

Your silence is also  
Telling something, I know.  
What I say is not joke,  
But the practical life  
Here and there.

Proper address be given to life,  
And life is there at right point,  
Leaving some message for us to note.

Gajanan Mishra
Right, Love Is In The Air

Right, love is in the air,
Here, there.
Everyone knows
What love is,
Everyone knows
What love can do,
Everyone knows
What is life
Without love.

Love, love, love,
Here there, everywhere.
Scarcity of pure love
Is here.
Still let me say
I love you dear.

If no love is there,
Nothing is there.
No sun, no moon, no star
Can give us light
If there is no love.
No smile, no life.
No love means
earth is barren.
No pleasure, no joy
Without love.

Since everything is here,
I am sure, love is there
In the water and in the air.
Look, my dear,
How beautiful the life is
With love. Love, the only
Truth here.

Gajanan Mishra
Right, No Need To Come

Right, no need to come
Right, You are also
Not forced to do anything.

If You like
You can enjoy
But if you forget the truth
Be ready to face the consequences.

Right, no cause is involved
Right, nothing to say
About Your coming and going.

But You are here to
Fulfill all desires of all
And all awaiting You
From the very beginning.

O my dear, nothing is here,
Be fearless and live peacefully
Everything is okay, see.

Just forget not
Who You are and where
You are going for what
Ask any question to yourself
If anything is there in doubt
With you.

Gajanan Mishra
Righteous Acts

Righteous acts
Will take you
To the end.
And where is the end
That is not known
To any one here.
You may see
You may feel
What is what
Here there.
But be in right
In this world,
Knowing fully well
It is full of falsehood.

Gajanan Mishra
Righteous And Religious

Be righteous and be religious
In your words in your works
Remember, whatever you are doing
You are doing for the welfare of others.

Don't cheat others in any manner
It is dangerous for your own
Life and property here
As you are the Truth followers.

And Truth is doing good to others
Others are none other than your own
Flesh and blood and there is no difference
What so ever may be the matter.

Gajanan Mishra
Righteous Way Of Living

Nothing to do with
Religion or with ritual,
Important of life is
Righteous way of living
And with our own values.

Gajanan Mishra
Righteousness

What I do not wish
To be done to me
I should not do
To others.

And where there is a doubt
There the inclination of
The heart of a virtuous person
Is the testimony.

O my dear
Are these not suffice
To love me.

Gajanan Mishra
Righteousness - Different Opinion

About righteousness
You are telling here
And telling that
Whenever, there is a decline
And an upsurge in
Unrighteousness
You manifest yourself
And it is a matter of
Confusion what is right
And what is wrong
Always the larger interest
Means the interest of
The ruling class
The majority class
The rich and the effluent
My dear, I am not
Against you but I have
A different opinion
I hope you will count.

Gajanan Mishra
Righteousness Of Faith

Righteousness of faith
I pursue I seek faith

And it said'Do not say
In your heart,
Who will ascend in to heaven'
And who will descend
In to the abyss.

And rightly it is said
The word is near you
In your mouth
In your heart.

Believe unto
Righteousness.

Gajanan Mishra
Rightly Know - Love

Rightly know
Who you are
And what
You are doing
And for what
Purpose.
Know, what is
Unknown to you.
Know the truth
That is hidden
In love.
Love is nothing
But a mystery
To mesmerize.

Gajanan Mishra
Rightly Said

Rightly said
Too much of anything is bad.
I love you too much
Is it bad?

Gajanan Mishra
Rightly Said In Rig Veda

Love begets love
Respect reciprocates.

Mahatma Gandhi further added
Love never claims
Love ever gives
Love ever suffers
Never resents
Never revenges.

Only love and love
Only love makes
The world go round.

Mutual love
Crown of all
Our bliss
Thanks Milton
For right contention.

Gajanan Mishra
Rightly The Gita Said

Not doing one's duty
Is an error
Negligence of duty
Is stupid and
It leads to hell
Do your duty first
Acting for the good
Of others is duty
Any act that causes
harm to anybody
Is contrary to duty
The Gita and the pita
Are good and beneficial
To mind and body respectively
Please take these two daily
For self-help and welfare
Fully and regularly
Life action all described
Beautifully and dramatically
That is the real and
By reading the Gita
And taking pita
Lead your life correctly.

Gajanan Mishra
Rightly You Have Said

Rightly you have said,
My dear Chinua Achebe;
A child cannot pay for
Its mother's milk.

Mother, motherland
And mother's language
Is un-comparable in life.
Mother, motherland
And mother's language
Is more than nectar
More than heaven.

Let us come and pray
For our life divine
Only for the above.

Gajanan Mishra
Rills Of Water Flowed

Mad elephants trumped
And it is our day of victory.

Gajanan Mishra
Ring Me Out

Ring me out,
I am interested.
Anywhere if any problem
Ring up soon.
I am here with you
To catch the ringleader
And bring the truth to light.
First-rate time is with us.

Gajanan Mishra
Ring Of Fire

At present we are
In the ring of fire.
Terrorists are there,
O my dear, take care.

Terrorists are
The enemy of humanity.
Let them not give a chance
To destroy human beings.

Gajanan Mishra
Rio And Sorrow

Rio and sorrow,
With the losses
Of galore.
But men, move on
With your lives.

Gajanan Mishra
Riot

Riot, but
Not riot of colours
Is here.
I see
No one dares
To admit himself
A rioter.
Nothing is uncontrolled
But there is
Peace and order.
Life is in riot,
Life itself
Is a riot,
Others are just coat.

Gajanan Mishra
Ripe And Dry

Coconut,
Ripe and dry,
Dry and ripe.
Shake it
And feel the kernel
Rattling inside.
I pray, sir,
Let me live
A life of
Ripe and
Dry coconut.
Let me disconnect
Myself from
My own life.

Gajanan Mishra
Ripen Fruit

Man is a ripened fruit of nature
And nature is the summom Bonum of literature
And literature is nothing but picture of nature.

Where is the pleasure You can say before all
And all are here together to make coverage
all depictions that are appealing as supreme whole.

Nothing wrong in discussion though value not assessed
And calculation made for the time beings
That was not corrected in evolutionary processes.

When red beaks of the birds is there
Sweet flavor enhanced and it is nectar
For man in class of recitation.

Gajanan Mishra
Rise Above

Rise above all
Prescriptions and
Prohibitions.
This world is
No way helpful,
Rise above all here.
Get rid of your
Own desires and
Rise above, my dear.
Rise above to
See the sun
And the moon,
They are there
Only for you.

Gajanan Mishra
Rise Above Desires

By sight,
By touch,
By smell,
By hearing,
By taste
I can know
You, my dear,
But I want
To rise
Above desires.
I am in
Final frontier
And I want no to
Digress from the path.

Gajanan Mishra
Rise and awake
Awake and write
Write a good poem
O poet
Write again and again
About man about nature
About present about future
You are the only poet
Who is there to know
Human nature human behavior.
Do not be idle
Do not be lazy and inert
Do not oversleep
All they are hindrances
To write a good poem
Remember O poet
Writing a poem is a meditation.

Gajanan Mishra
Rise and go on your own way O men
To establish peace and stability
And to lead a peaceful life
If any doubts have arisen in your hearts
out of ignorance slashed them
With the power of knowledge
Knowing self and trying to know self
Is the best knowledge my dear
Try always to acquire those knowledge.

Gajanan Mishra
Rise And Look Who You Are

Rise and look who you are,
And find yourself where you are.

Tell to the world,
For you only everything is there.

Gajanan Mishra
Rise And Rise

Rise and rise
Rise high with goodness
You have knowledge
True knowledge
Rise and rise
High and high
realize self
And go high and high
Keeping company of nobles
Reside in holy places
devote morning and evening
In meditation and
Discharge duties
In accordance with scriptures
Analyzing self know
What is happening
Morning and evening
Your body is governed by
Laws of company and
Those laws are useful
For you only
And with that laws rise
Rise and rise.

Gajanan Mishra
Rise And Rise Again

O men, being the son of nectar
You have every right to rise
Rise and rise
This is the start of the day
Rise and see
You are at the door of super power
You are being the supreme of all powers
You are eternal, you are immemorial.

Gajanan Mishra
Rise And Rise And Rise, My Dear

Rise and rise and rise, my dear
To rise high and high and high
Is your destiny that has given to you
By your Creator, being the son of the nectar.

I know you are a learned scholar
Death will not come to you and
Will not able to take you and death
Will return back after unsuccessful endeavor.

O my dear men, you are never degraded
Your position is more and more high than the sky
No winter no summer, no wind no rain
Is there to harm you here.

I know you wander here and there
Rising high and high to the Ultimate Truth is your power.

Gajanan Mishra
Rise And Rise, Rise To Love

Rise and rise and rise
Rising is your destiny.
Rise above all happiness
Rise above all sufferings.
Rise and rise and rise
Rise for doing highest good.
You are the beginning and
You are the end, my dear,
Rise from all beginnings and
Rise from all ends.
Rise rise and rise
Rise to uplift the self
Rise to attain the truth
Rise to love as alien.

Gajanan Mishra
Rise and see
It is your works
You are pure and perfect.
Sleeping is
Not your business,
It is the business
Of the demon.
You are a man, my dear,
You are not to sleep,
You are to rise, awake
And see and work
You are perfect and pure.
You are part and parcel of God
You are God.

Gajanan Mishra
Rise And Set

I am here in India
Where are you not known to me
And I must say America.

America is not I'm sure
Beyond my reach
There in America I can teach.

My lifestyle in India is like
That of America and I'm sure
There is no difference
Between rise and set
And I rise and you set.

Gajanan Mishra
Rise Everywhere

Rise everywhere rise
O sun, rise and rise and rise
Not only in the east.

Fight and fight and fight
O son of the soil, fight
Fight heroically
Fight fearlessly
For s just and
Righteous cause fight.

This life is your battlefield
Here only you are facing
The most terrible calamity.

You have the moral power
You have the unwavering firmness
You are adroit, fight
Fight and fight and fight
Even in the face of gravest dangers
Never lost heart, O son
Never flees from battlefield, fight.

Gajanan Mishra
Rise High

Rise high
and go higher
and higher, my dear.
I wish you
all the good, men.
Stay always
in goodness,
Observe self-control,
Offer charity,
Perform virtuous actions.
Rise high, my dear,
Wish you all the best,
You are in heaven,
And nectar is with you.

Gajanan Mishra
Rise Not To

Rise not to
Crumble down
Rise with
All freeness.

Rise but
Tell not rising
Rise and tell
Not for setting.

Gajanan Mishra
Rise O Man Rise

Rise
O man rise
Rising is nature
Rising is your future
This is the right time
Rise and rise
And with you there is
Righteousness and
Absolute bliss.

Gajanan Mishra
Rise Or Fall

Rise and fall,
Rise or fall,
Fear not,
Care not,
Tremble not.
See the sky
On the earth
And march forward.

Time is
Not identical,
Yet, you have to
Go and gaze
The neem tree.
The sun is there
With all substance,
Find your own space there.

Gajanan Mishra
Rise Rise Rise

Rise rise rise
Grow grow grow
Rise and grow
Up above the sky
With all beauties
and colors.
Think not you are
alone, think not.
Think, at least
your thought is
there with you,
Think, at least
your love is
there with you.

Gajanan Mishra
Rise To The Platform

Rise to the platform
Rise to the platform of
All good fortune
You are eligible, my dear
On rising from bed
In the morning
Rise my dear and rise
Rising itself is your fortune.

Gajanan Mishra
Rise Upwards

Rise upwards, my dear,
Rise upwards.
Rise and detect honey assembly (Radha)
And go above this world.

Gajanan Mishra
Rise With The Burning Sun

Rise, rise and rise,
Rise with the burning sun,
And live with the moon.
Hear, here I am, here I am,
Just to listen your question.
No reason to disbelieve me.
I am in between the two stars-
The birth and the death- to be achieved.

Gajanan Mishra
Rise Your Weapons

Rise your weapons
To those who are attacking you
O my dear, I know you are
The priest of non-violence.
But truth is that
To save your own life
You have to go on self-defence
And make such counter-attack
To banish the terrorist
From the entire soil.
Live with rising head
O my dear, nothing to fear,
This world is meant for you
Live with love, live with truth.

Gajanan Mishra
Rise, Rise, Rise, O Men

Rise, rise, rise, O men
You are to rise anyhow
From this darkest region
Feel not yourself helpless
O men, rise, rise, rise
And see the new sunrise
Hear the cuckoo's coo coo
And rise, at this time of
Cosmic annihilation and
Remember you are not anyway
Hampered by inferior cycle
Of birth maintenance and destruction.

Gajanan Mishra
Rise, Down Rise

Rise
Down rise
Here is
Tamarind tree
Before us.

And tamarind tree
Told history
That was ours.

Cuckoo is here
To listen
Dog is here
To bark.

Let us go there
There is banyan tree
Here is glory
And we told them
Hearing all these
Do not get fury.

Gajanan Mishra
Rising and falling
Are common phenomenon
As you felt here
In presence of all.

It is night
But it is not dark
It is day
But see no light,

Gajanan Mishra
Rising From The Water

Really I am trying
To rise from the water.
Rising from the water
Is necessary, my dear.

Don't run away
And challenge the adversary
I know my dear
You are not an ordinary creature.

You are merciful that I know
I am running towards You
And I see rained flowers on me
And this is the auspicious time.

I am floating in air and in water
I am performing all wonderful acts
And this is under Your order
My dear, for me life is perfect and clear.

Gajanan Mishra
Rising High

Rising high
Is there
In my luck.

Expansion is
There only
In my love.

I have my
Own umbrella
In heat and in rain.

It is love and
It is truth wherein
My labor is not in vain.

O my dear, I know
We are herding together.

Gajanan Mishra
Rising Sun

Rising sun is coming
To love me with beautiful heart
Within beyond language.

Do not ask me the way
Love remembers always
And I am not here to
Commit mistake.

Leaving the language
I am going away naked
And you are trying to
catch me fake words.

You are within me
And I am yours
it is true
You are giving me beauty
To share that I am sharing
Everything within.

It is through you
I know what is peace
What is purity
And what is perfection.

You asked what is
Nuclear bomb
I replied hate
My dear you are
Not there with that.

And you are in pleasure
And that is abstract sculpture
That is to take
In life’s culture.

Gajanan Mishra
Risky Life

Life is risky
Risky life is here
Always everywhere.
If you care not
The truth it is
More dangerous for you.
Practice truth
From the very beginning
And avoid risk here.
You must go with
The truth, my dear
No question of accepting
Or not accepting the truth
It is not optional
It is compulsory.
Read my poems
And stay free
Stay happy
Here in this
Material world.

Gajanan Mishra
Risky Thing

Risky thing- humour,
Risky thing- interview.
But I want to go
With both at this time.
I am cautious
About the sound
And the light show.
Life is much bigger,
That I know.
I know, the system
Cannot bind me,
I can cross the system
But before that
I have to cross myself.

Gajanan Mishra
Ritual Gives

Ritual give no fruit
This is not new.

My words are old
Presentation new
That make you
Understand easy.

Ritual give no fruit
Engaged not yourself
To kill valuable time
Use the rhyme.

Gajanan Mishra
Rituals Of Worship

Rituals of worship,
I have forgotten,
Excuse me.
I have forgotten
What I am to do
At this time.
I am sitting,
I am standing,
I am crying,
And crying,
Without knowing
The reasons.

Clothing and flowering
The earth and the sky,
I have forgotten.
I have forgotten
The past and
The present.
I know not what is
Written for the future.
The situation is not
Static as you know,
And I know not
How to adjust.

The air, the fire and
The water all are here
With me dear.
And I have forgotten
How to offer,
When to offer.
What for I am here,
I have forgotten.
Nothing wonder, I realize,
It is all for struggle,
And at every moment
I face a new chapter.
Rivalry Is There

Rivalry is there,
Between the king and the subject.
The king uses his weapons
By pacifying,
By giving money,
By dividing,
And also by giving punishment.
The king always wants
The citizen should enjoy life
But must not interfere.
The conscious citizens
Think they should know every detail,
The day to day business.
One is thorn tree,
Another sandalwood.
Who is/are
On which side,
That I can open the truth.
But not at this time.

Gajanan Mishra
River

Here is the river
And I am searching it
In the map that is
On the wall of my house
That is not there.

I do not know
The mountain is in between
The river and my house
That dressed up geography
And taking me from
Place to place.

I am on my own journey
While the sky is breaking
And I with the night dream
Passing passing and passing
The hard days with
Fire of the mountain
And water of the river.

Where is the river
That I am searching
To driveout troubles
Where I am
Here is the river
Wash your face eyes
Somebody is kind enough
To tell in my house.

I am not in my house
See.
And Where am I
And the sea is here
No river no mountain
Here is the river
If you find again
Inform me please
I am grateful then.
Gajanan Mishra
River And Birds

Rivers and birds
All are here with me.
I flow like the mountains,
I give rains.
Away from my home,
I wrote so many words
With systematic
Pauses and punctuation.
My windows are opened
For so many reasons.
I have not measured
The corners, for
So many reasons.
I have asked the birds
To come on with songs.
I asked the rivers
To dance with the tunes.
I asked myself to
Sit calm and observe
The situation.

Gajanan Mishra
River And Its Story

Let me tell you,
The story of the river,
And the truth.

The river is going on
Without water, not dry, though.

We are always
Nowadays discussing
About the river
And about the water.

How can you say
My dear brother,
That we lack every detail.

But the river is there,
So also the stars
And they are in the fire.

Gajanan Mishra
River And Night

Let me flow
Like the river
At night also
With my words
With power.

Let me appear
Again and again
In life-square
To open the lock
Of the rock.

I search the day,
And the day is
There in my work
Of poetry here.

Gajanan Mishra
River And Ocean

Here is the river,
ends up in the ocean,
But the river never
expresses its happiness.

See, the ocean is also
not unhappy if the monsoon failed
and the river is dry and no water
from the river flows in to the ocean.

Gajanan Mishra
River And The Sun

Is there any river
In the sun?
Of course, it is
A matter of research.

But the sun is there
In the river,
Any one can show it
To you, esteemed monarch.

Gajanan Mishra
River Is Crossing Its Bamk

The river is crossing its bank,
The sky is coming forward,
And my poem is dazzling as you see
with the new leaves and wind of the spring.

And with this I have not deposited anything
And my balance is zero, as the balance of payment
lost its value before the CCTV placed before.
O my dear, still I love the flower here.

Come, my dear, please come, and let us
go for a walk together throughout the world
Just as a mere creature and see varieties of
incidents that are occurring in our presence.

Let us feel, we are parts of all those who are here,
Let us feel also we are parts of all those who are not here.

Gajanan Mishra
River Is Crossing Its Bank

The river is crossing its bank,
The sky is coming forward,
And my poem is dazzling as you see
with the new leaves and wind of the spring.

And with this I have not deposited anything
And my balance is zero, as the balance of payment

Gajanan Mishra
River Is Here

But no water
Tree is here
No leaf fruit
Flower is here
No scent
Air is here
No purity
Man is here
No humanity.

Gajanan Mishra
River Of Joy

Flowing with the river of joy
I met you here in the beginning
In the middle and also in the end
Of my life O my dear
I am feeling You are moving
In me also in joy
And I am doing nothing
You are doing everything
For me in love
I know You are my infinite
Source of joy O my dear
I am pondering and getting
Joy out of You in me.

Gajanan Mishra
River Of Suffering

We are all here
We are in the river of suffering
We have fallen in this river
And it is due to our own works.

Let us realize the Truth
Let us take shelter at his lotus feet
And He is here to give protection
Let us go back home, back to Ultimate Truth.

Gajanan Mishra
River River River

What do you mean by river?
Is it only mere water?
Is it flood water or dry river?

River, I know, my life my notion
The lifelines of my civilization.
River goes on long journey towards the sea
I go on long journey through this body towards my Master, Almighty.

My life is the purest life, see, watch, observe
My life is unique, highly developed
Fresh air fresh mind fresh water fresh thought
I am in need to flow smoothly to my Master, Almighty.

Rainy and summer all experienced by the river
O my dear, I experienced my sadness and happiness
And care not and I flow with the time
To receive His grace here.

Eighty four lakhs of Yonis or births I have crossed
And reached so far at this human life's entrance gate
Of my Master and I have listened what He told me
At the outer of my life come on come on I am here I am here
Telling me river at the ocean's outer and in the deep
Deep ocean you may say milk-ocean You are my Master, my dear
Come on come on You are telling me and I am
Flowing with pleasure with the time-river.

Gajanan Mishra
River Without

River without water
And water and water
Where is water
Sea without water
Life without water
And water and water
Not to drink a drop
Not to bath a drop
No to see a drop
That is useful
For the life.

And life you said
Not here in villages
In cities in countries
And life where it is
Not to speak
Not to see
Not to bother
Whether life is yours
Or others
Life is life just
Live and live.

Gajanan Mishra
River Without Water

River without water,
Still I care not
And I wait for the sun
To come and give me
That I am in need here.

Gajanan Mishra
River, River, River
River, river, river.
What does it mean?
Wet or dry- no matter,
But there see the river.

Please sell not
Down the river
Rivers of blood-
Return back to you.

Gajanan Mishra
Rivers Are Dry

Rivers are dry
See, in this days of rain
But waves are still dancing
In the sky.

Words and colors
Are not here
But still You are
There and I am Yours.

Fire is there
In Your jungle
But see I am not
Burning a little.

O my dear, listen
I am singing
The song of union
While it is raining.

Gajanan Mishra
Rivers Are Flowing

Rivers are flowing
From top to bottom.
Like the rivers it is
Everything like corruption
Honesty, falsehood, truthfulness
All are flowing from top levels
To the subordinates.
Keep purity at the top first.
Restraint yourself first
From all evils my dear, then only
Tell others what is good really.

Gajanan Mishra
Rivers Are Your Veins, My Dear

Rivers are Your veins, my dear
Trees are your hairs
Omnipotent air is Your breath
Passing ages are Your movements.
Your activities are the reactions of
Goodness, passions and ignorance.
Terminations of days and nights
Are Your dresses my dear and
Your intelligence is the supreme
Cause of material creation.
Moon is your mind, the reservoir
Of all changes.
What more I feel, O my dear
horse mule camel and elephants
Are Your nails, fire is Your ego.
Varieties of birds are indications
Of Your masterful artistic sense.
Humanity is Your residence.
Demoniac soldiers are Your prowess.
In such a world I am staying my dear
And I know You are here with me.
I am chanting Your holy name always
See me, my dear, I know, it is
Your world and I am here for the common
Welfare of all.

Gajanan Mishra
Rivers Draw Water

Rivers draw water from the sea
Though the clouds and again
Go down to the sea.
Likewise O my dear, my energy
Is borrowed from You and I know
I must return to You.

Gajanan Mishra
Rivers Flow

Rivers flow
Towards the sea
Likewise I am
Going towards thee.

My mind has been
Enchanted by extensive hearing
I am very excited by Your colors
And so I am eager to see thee.

I want to see You
In Your own complexion
That is dark blue
I love You I love You.

I want to see Your face
That is like lotus
I want to see Your smile
That is like lilies.

I want to embrace You
For a long time
O my dear, I know
You are within me.

Gajanan Mishra
Rivers Flow And We Are The Wave

Rivers flow
And here we dwell.

Here we dwell
And rivers flow.

This is not the end
What I said.

What I said
Is just the beginning.

I just throw a stone
In to the flowing river.

Rivers flow
And here we dwell.

Rivers flow
And we are the wave.

Gajanan Mishra
Rivers Rushing

Rivers rushing towards ocean
I am going towards You
O my dear, to attain eternal bliss.

Gajanan Mishra
Road

Road is not there either to come or to go
Everybody on the road to go.

We challenge the road to go with us
Till the end
And road dare not to accept.

Gajanan Mishra
Road Is Open To Go

I know code of conduct
I know roadshow not good
I know whom to submit replies
I know who is what
This is my world
And road is open to go.

I am on my flight
Though the flight is cancelled
I reach my destination
as you see me
in the morning.

Gajanan Mishra
Road Is There

Road is there
But I am not on the road.
I am there
But no road is there
Still I am going
And you are watching me
Like the fixed star.

Gajanan Mishra
Road Must Be Crossed

Road must be crossed
And you are to cross the road
We are here counting the sands
Of the road in consonance with
Steps taken.

Gajanan Mishra
Road Opened

Open road,
Road opened.
All pink,
All white.
Life and beauty,
Beautiful life.
All for peace,
All for prosperity.
In diversity
Discover own route,

Gajanan Mishra
Road Test

Road test,  
Life road,  
We are our  
Own drivers.  
Nothing to worry,  
But everything is  
There to say sorry.  
It is all tradition  
And we are  
In motion.

Gajanan Mishra
Road To Heaven

The road to heaven is clear,
Green signal is there, see.

Go on, go on, the road itself
Is welcoming you, my dear.
But follow certain principles
And rules of very grammar
That are at the root.

Your fundamental concepts
Be cleared first for the purpose
Of smooth journey, dear.

Which place is not heaven,
The road is asking you and
You are to answer before
Proceeding forward.

Gajanan Mishra
Road, I Find Nowhere

Road, I find nowhere,
I am also not interested
To discover any.

Bird is flying, I see,
I, also, want to fly,
But no sky.

Am I here? I asked,
And here no one,
To answer.

All is good,
But daredevil and
Energy.

I am searching,
But what?

Gajanan Mishra
Roadshow

Roadshow,
Meant to attract
Others, and
It is nothing
But one's ego.

One should
Make reform
Within first,
And do things
Right for
The general people.

At home,
Torture not
By using
Foreign language.
At home
Kill not
Own farmers,
The backbone.
At home,
Respect the true
Persons and saints.

Then only you have right
Togo abroad and
Say something.
First, respect
your own mother,
Use mother-tongue.
Ten only go abroad
And show the things
Right in you.

Gajanan Mishra
Roaming on the forest path
I discovered You, my dear
And I feel very very soft
And sweet this life and
I feel myself great fortunate
I am free I see and in love
I know with You, my dear
Nobody is there to counteract
And nothing to fear in this
Forest that I confirmed when
You opened the pages of life
With Your own presence.

Gajanan Mishra
Roanu - Cyclonic Storm

Roanu - cyclonic storm
Is coming,
Stay alert.
Stay alert to save
All possible eventualities.
Stay alert to
Passionate longings,
Stay alert to desire.
Remember, desire
Is an evil,
Pain and sin.
Un-fulfilment of desire
Leads to anger.
And anger leads to
Jealousy and destruction.
Stay alert to
Cyclonic storm,
Within and outside.

Gajanan Mishra
Roaring Power

It is a mountain
It has roaring power
I know mountain is
Also a living entity
And the volume of the sound
Vibrated in proportion
To the size of the material body
I know also this.

Hear, mountain roars
With gorgeous voice and
uncommon voice and it
Spreads to all directions
Hear, The echo is omnipotent
The echo enlivened us all
I see mountain's multi-incarnations
I know, my dear, You are the mountain.

Gajanan Mishra
Rob

Rob me not, You cannot rob me.
I have nothing, only truth is within.
Try not to rob me, I love you, see me.
Love is the only thing here with me
And if you want to rob me, rob love.
And get the truth that is there in love.
Love is the only thing of this life,
And life is nothing but a compromise with truth.
Truth is the self, love the self and rob it.

Gajanan Mishra
Robert Allen Zimmerman @ Bob Dylon

I know, you have the status of an icon.
I know, your Minnesota, US, where you born is great,
I know, the year 1941 is great.
I know, you taught yourself to play harmonica
Guitar and piano.
I know, your album The Freewheelin,
Blowin' in the wind are great.
I know, you have created history
Being the 1st songwriter to
Win the Literature, Nobel.
I salute you, Mr. Bob,
I salute you for your labor.

Gajanan Mishra
Rock And River

Rock and river
Both are flowing
To the ocean

Ocean and sky
Both are
Ready to fly.

Fly and fly,
We wait to
See you, clay.

Gajanan Mishra
Rock is flying.
Truthfulness is not tested
By anybody
At any time.

Rock is flying.
And it is
In the family
That everything is Permissible with
Full toleration.

Rock is flying.
It is but
Spiraling chains of knowledge
That is within
It is just supporting
In the manner that is hidden.

Gajanan Mishra
Rock Is Soft

Rock is soft,
I discover here,
Soft-rock.

Gajanan Mishra
Rock Life

Rock life,
Life rock.
It is full of
Cracks.

Cracks everywhere,
Everywhere cracks.
Cracks for clarity,
Life divinity.

Gajanan Mishra
Rocks In River

Rocks in river,
River in rocks,
In between the rocks
River flows.

No name,
But no bar to
Give one
By words.

Word by word,
No need to go.
We are all here
To search the shadows.

Gajanan Mishra
Role

Each role has its importance
Play it carefully
As a father as a son as a husband
As a manager as a shop keeper
As a minister as a reader
Bear everything during play
And harmony in diversity
Makes life vibrant
And more colorful.

Gajanan Mishra
Role To Play

Spate has a role to play
No matter positive or negative.
Spate is a spate and spate
Play role in conspiracy.
Praise not war
It is undeserved
Whether external or internal.
Actually nothing is hard
It is our brain that
Think about it and
Time passed on its own.

Gajanan Mishra
Rolling Down

Tears are rolling down
See from my eyes
Air has no sound see
And my ears stop functioning
Everywhere there is light
I am speechless
As no word is here with me
I smell nothing with my nose.

Out of fear
My earth is trembling
Moving round and round
See, O my dear
Out of fear
My sky is urinating
And is in fixed mode
See, O my dear.

I have no word
To describe anything further
I am terrified
And facing so many
Obstacles here
O my dear on my way
I am visiting You
Knowing nothing and nothing
What are You.

Gajanan Mishra
Rolling Stone

Cause and effect,
What is cause and
What is effect,
Ask not,
No answer to get.

Tolerate,
Toleration is
Important here,
O my dear. And it is
You to think
What to do
And when and where.

You are the rolling stone
That is fixed here.

Gajanan Mishra
Romance and passion-
To live and to
Compose poems here
On this changing
Colours of the earth.

Poems pervade all men,
All things equally,
It is we, who are
Writing with the help of
Some lines or language
or colours that are
Also not ours.

Poems vibrate the earth
With everlasting affects.

Gajanan Mishra
Room Within Room

Room within room
No one can imagine
How many rooms are
There within the rooms.
And I know not in
How many rooms I have to go.

Let us forget about understanding,
But something have to be done
This thought is also not there within me.
And at this time the moon
Is going away from the sky.

Each one knows that the sky
Is interlinked with the earth,
Though well known to all
But any one can say- not truth.

Gajanan Mishra
Root And Fruit

Let me allow
To go to my root.
I know, I can never
Remain even, for a
Moment without you.
I know, you are
My root, and also
You are my fruit.
In between fruit and
Root, it is I,
Who wonders with truth.
Truth is my love,
My love is clear,
Nothing to wonder.

Gajanan Mishra
Root- And I Know

Root -
And I know
Where it is.

I am going to the root
Follow me if you so like.

If you so like
See me in broad day light.

In broad day light
Everything is happening
See if you have eyes
Hear the sounds of that happening
If you have ears
Feel what is happening
If you have emotion and love.

Gajanan Mishra
Root Cause - Seed

Root cause - seed
Infinite - moving
And also non-moving.

Knowing existence
Knowing value
Knowing lovability
I left
And you enjoy.

Gajanan Mishra
Root Is In Language

Your root is
In your language
Use it always.
Take care your language
By using everywhere
And live
As long as you like.
Language is life.

Gajanan Mishra
Root Is Memory

Root is memory
Planted deep
Between present
And future.

Separation is
Only the outer-word
Dictionary revealed
For body.

Gajanan Mishra
Root Is There

Root is there
Root is there, my dear
There in You.

I am growing
I am growing, my dear
Growing in You.

You are the first
And the last
That I know.

I am with You
Always here there
You are here and there.

I am Yours
I am Yours.

Gajanan Mishra
Root- Not Traced Out

Roots- not traced out
Fruits- not found
Still then if you wish
O my dear
I can understand
The ultimate cause of
My existence.

Gajanan Mishra
Root Of All

You are my root of all, my dear
You are my love, my cheer.

You are my Rk, my Yajus, my Sama, my Atharva
You are my Jurisprudence, my puranas
You are my Ramayana my Geeta my Mahabharata
You are my Bible my Quoran and other scriptures.

You are my root of all, my dear
You are my love, all in one and one in all.

You are my right you are my duty
You are my sacrifice you are my form
You are my creation you are my realization
You are my earth my sky my stars and my life
Here and there, my dear
Only for you I am here, I am your love.

Gajanan Mishra
Root Of All Evils

Root of all evils,
Desire is the root of all evils,
If you are to kill someone
Kill the desire, the first
And the foremost enemy.

Kill the desire or
The desire is there to kill you,
It is for desire, you identify
Yourself with this body and you are
Going after worldly pleasure and prosperity.

To attain worldly pleasure and prosperity
You are there to commit sin and you are
In grieve and worry and leads to pathetic story.
O my dear, see only desire is at the root of all history.

Gajanan Mishra
Root Of Impurity

Feeling of mine
Is impurity
Retaining things
Is unreality
And it is fact
I get trapped
By accepting all
These mine
And it is fact
I can not live
Forever with anybody.

Gajanan Mishra
Root Of Sin

Is passion.
O men, I pray
Don't sway by
This passion
And don't go on
perpetrating unseemly
Acts and indulge not
In misanthropic activities.
You are pure and
Fair my dear men
Don't keep blackness
In heart, being
The fruits of nectar.

Gajanan Mishra
Root Out

Root out
Your fear,
Your doubt,
Your sadness,
Your worry.
Stand up there,
Where you are.
Depend not
On others
In any matter.
Let the defects
Go on their way.
Excel the beauty,
Beauty of life
Always, everywhere.

Gajanan Mishra
Root Through Love And Life

Root is there
And we are all
Connected with
That root in truth.

Truth is there
And we are all
Connected with
That truth with love.

Love is there
And we are all
Connected with
That love through life.

Gajanan Mishra
Root- the truth,
Fruits- the truth,
And we all
Live therein.

Gajanan Mishra
Rootless

Aspersion rootless
Also ridiculous.
Truth comes out
Automatically.
Just wait
For a while.

Gajanan Mishra
Rootless Tree

Can not fall.
As tall as sky
Let us go and
Catch and fly.

No contrary statement
But my dear get here
Happy placement.
It is for one's own
Satisfaction one is doing all.

Unable to do anything
See hands useless
Unable to speak sweet words
Life is worthless.

Gajanan Mishra
Roots And Fruits

You are here
I am here
And yet
We are not the same
And we differ.
We differ
In form and
In structure
Though we are
From the same root
And we deliver same fruit
And yet
That differ
From one to anther.

Gajanan Mishra
Rose

Let me give a rose,
Rose is for doing works
more effectively,
Rose is for telling
truth fearlessly,
Rose is for staying
here firmly.

I know you are a rose
And I am with you.
You are so sweet
so persuasive that
I failed to described.

Let me believe you
being my life.

Gajanan Mishra
Rose And Love

Rose and love.
What do you think
About these two?

All are opened
And symbol of
Creation.

It is life renewed
And I enjoyed
Like you.

Here I smile
It is bright
It is gold.

I like rose
And I love.

Gajanan Mishra
Rose Born With Thorns

Rose born with thorns
Love born with hates
Life born with death.

With rose
With love
With life
We live.

Gajanan Mishra
Rose Flower

Rose flower,
It is softer
That we know.
Thunder-bolt
It is harder
That also we know.
In between the two
We conquer all.
We compare rose
With thunderbolt.
And we find
The hills and
The seas there and
We find life therein.

Gajanan Mishra
Rose Is Not Soft

Rose is not soft,
If you have any doubt,
You may have a test.

The sky is near and not far,
If you have any doubt,
You may see within there.

Home is not abroad,
If you have any doubt,
Have an enquiry from your
Servant ready to answer
In a language other than yours.

Love is not hate
If you have any doubt
Take help of sweetheart for that.

Gajanan Mishra
Rose Plant

Store house of beauty,
With its thorny body.
See, this rose plant.
But the rose in its
Sprinkling-nozzle
Gives every colour
Here to all.
It is not the rostrum
That I can tell you
Everything I think.
But stay there
To read me in the early
Light of the sun
Everyday with tea.

Gajanan Mishra
Rose-Life

Rose-life,
Wisdom bloom.
Going timeless
Incarnate divine.

Sweet magic
Is there in face.
It is fire and
Not air there.

Let me hear
My own voice
In silence.

Scan again
The shadow
Of your own.

Gajanan Mishra
Rotten Apple

Keep not anything secret,
It is like rotten apple
That can harm you.

Gajanan Mishra
Rotten Tamarind Seed

Nobody has time
To understand me.
I lay down here
Like rotten
Tamarind seed.
Taking my pension,
Growing fragile,
And I am here.
You would get no more
The colours and taste
That were in me.

My tears are dying
In me, my blood
Getting dry in my body,
The filth that are
Here and there,
Being put together
In me by them.

No sound, no words,
No rhyme, no crowd
No light, no darkness,
Here, no mornings,
No evenings also.
The storms or winds-
No more. So also
I am in all
But I am nowhere.

Gajanan Mishra
Rough Khata

Rough khata,
Keep it with you,
It is yours.
Please show
That is fair
And final one
To the outside
World and let all
Enjoy the beauty
There in.
Let them get
Light from your
Own darkness
O, night!

Gajanan Mishra
Rough Road

Rough road
I am now on
This rough road
Here I see
So many tigers
Lions and serpents.

My occupation
And my family
Are huge mountains
And I feel much difficult
To approach
Inaccessible woods are here, that are
Infatuation arrogance and pride
And see here frightful stream is sophism.

Gajanan Mishra
Round And Round

Round and round,
See, I move
In love lap.
Nothing is there
Here besides love.
I see in your breath
All the truth,
All in a single smile.

Gajanan Mishra
Routine

At 4 AM I get up,
Wash face, brush teeth,
Take bath, practice Yoga.
At 5.30AM go out for a
Morning walk.
At 6.30 AM I come to my table,
Read and write poetry.
At 8.30 AM again I refresh
With breakfast.
Meet people at 10 AM
Listen to them,
Give advice and try to
Solve their problems.
Lunch-break from 1 to 2 PM,
Again sit on table
And travel in the poetry world.
At 4.30 PM join the family for tea.
At 6 PM again I go out for the evening walk.
At 8 PM sit on the table
At 9 PM have a light dinner
And go to bed.
My simple and completed actions,
Monotonous though, with some
Changes I have to perform
To prove I am alive.
Rest, dear readers,
You to imagine
The living and dying
Gradually herein.

Gajanan Mishra
Row

Father and mother
Brother and sister
Friend and foe
All are in one row.

Differences persists
Round and round
Talks on
No solution
No consensus
It is not known
Who is behind.

Effort relentless
Things not set right
Nothing happened
Birds fled
No use of might
Nothing happened
Worried continued.

Thanks
Time to time
You cautioned me
And I could not
Follow sorry.

Gajanan Mishra
Royal Dresses

All royal dresses are artificial I know
You have to disclosed your real identity
Before Truth and justice
So many pretenders dressed and posed like
Administrators and executive heads and
Their real identity are disclosed when
They are challenged by reality and truth
Corrupt rulers must bow down his head and
Give up royal dress in due course time.

Gajanan Mishra
Rub a match stick
Against a match box
And see the light.
Rub the truth
With love
And see the life.
Life and light
Both are the product of
This eternity.
Go with it, my dear
And know the time
That is in you
That is in me, always
Singing and dancing.

Gajanan Mishra
Rub Your Hands

Rub your hands, dear,
With oil
Before breaking up
The jack-fruit.

Worry not
If the smell of
Onion is still there
After washing out dishes.

Gajanan Mishra
Rubbing Eyes

Rubbing eyes
I asked about the incidents
And the incidents never happened.

Rubbing eyes
I left the place
And the place was not there.

Gajanan Mishra
Rubbing Salt In Wounds

Rubbing salt in wounds of others
And you are saying yourself wise
I am an ordinary man here
I am applying balm in wounds of others
You are telling me fool rightly said
This is Kali Yug, quarrelsome days a head.

Gajanan Mishra
Rubbish,
Not this world.
But we, our thinking,
When we are busy in
Other activities
Besides love and truth.
Don't get perturbed,
If you are in love, my dear.
Continue your efforts
To concentrate on love.
Only love can give you
Emancipation here.
To love is only your work
Where you are to wonder.

Gajanan Mishra
Rugudimatir Mircha

Rugudimatir mircha
Sabuna hesi charcha.

Ja ja bali gharu kheduthisi
Aaru gale sari jaesi.

uda barta maipi katha
Nei sunba kane
Han karuthiba haan karuthiba
Man deithiba aane.

Antkura ke aantkuri
ena mate enta
Daibi dela bhetkari
Dekha dekha balu balu
Galana sabhe sari
Sabu tura turi.

Gajanan Mishra
Ruin Life

Life is going to ruin
Only for loss of reason
Only for confusion of memory
Only for delusion
Only for anger
Only for desire
Only for attachment.
But my dear, think not
Love is a kind of attachment.
Love is pure and free from
All evils.
Love all and live
And find the light
Of eternity.

Gajanan Mishra
Ruined By Love

Ruined by love
Ruined by devotion
Ruined by surrender
Ruined by sweetkiss
Ruined by hugfish.

In the light see the dark
See the sky in the earth.
Stone is disappearing
Blood is transforming
Knowledge is blaming.

Waterless river no use
Lightless sun no use
Airless tornado no use
Skyless earth no use
Earthless sky no use.

Useful everything
With eachother
Corelate cooperate
Cohabitate timely
Simultaneously.

Hate and love
War and peace
Both originate
Both vanish with
Dark and light.

Dark and light
Is in our imagination
No body is there for
Modification.
Life is a relation
In love and
In devotion.
Rule Of Law

Democracy,
Rule of law,
And accountability
Must go side by side.
Who so ever he may be,
Supposed to respect
The people and
The voice of the people.
The lawyers are
The mouth of the people.
The judges are the guide
And the guardian of the people.
The lawyers and judges
Must respect the law first.

Gajanan Mishra
Rule The World

Rule the world
In love.
Rule the world
With love.
Rule the world
By love.
Love, love, love,
Love is there in truth.
Life is the only truth,
Love life in full,
And enjoy it in full.
Life is for you,
You live with trust
And stay far away from envy.

Gajanan Mishra
Ruler - In Democracy

You are the ruler
You are the king
You are the best among men
You poster
You preserve
You rule over the subjects
You make laws for our welfare
You possess more divine power
Than other human beings
You have the divine glory
O king, O my ruler,
It is my good luck
That It is I who elected You
It is I who created you
For the welfare of all.

Gajanan Mishra
Ruler In Power

The law will take
Its own course
The ruler is saying,
Hear and listen.

The common man
Who are there
To elect/select
The ruler, are not
There in the process
Of framing law.

The common men are
Scapegoats of politics.
The ruler in power thinks
Himself above everything.

Gajanan Mishra
Rules

Let us enforce the rules,
Let us uphold the rules,
Let us bend the rules,
As the situation so commands,
for the welfare of general public.

Gajanan Mishra
Rules And Regulations

Rules and regulations
Are necessary for
A discipline life.
Rules say you are
Not doing
Regulations are there
To regulate you.
My rule is nature
My regulator is my poetry
O my dear, you are
Both inside and outside
That I see in my poetry
And I feel you are
Not binding.

Gajanan Mishra
Rules Of Diplomacy

Abide
It is not easy
To try
An ambassador
Look I am
An ambassador
O my dear
You can withdraw me
From here
And no one can
Prevent me
From leaving
If any one
So likes
Persona non grata
He can declares
Any way
You are there
I am here
Your ambassador
Of peace
I have nothing
To say
If any one
Does not like
But lose is his.

Gajanan Mishra
Ruling The Air

We both are ruling the air
And the space at the same time
In the morning in the evening
You know I know everybody knows
Nothing is within our planning
Everything is going and going
On this way and we both are
Ruling the air ruling the space.

Gajanan Mishra
Rumor Has No Leg

And also no hand
It is the works
Of an idle mind
Whom you poets
Say devil's workshop
And I respect you
As I know pen is
Mightier than sword.

Gajanan Mishra
Rumour

Do you know
How many legs
rumour has

It is not a fact
I am quarreling with you
pending no dues
like bad carpenter
quarrels with his tools

If you are good poet
You must recognised me
As I recognised you.
That I know black
Will take no other hue.

Gajanan Mishra
Run Out Of Luck

What is luck
Luck is what we need
What we need is not luck
We all run out
In life's line
What is that line
It is showcase
That is demonstrated
Outside luck
And luck laughed at us.

Gajanan Mishra
Run, Run, Run

Run, run, run,
feel running enjoyable.
But you have nothing to say
about run, where from you are
running and where to reach.

Run, run, run,
Running is life,
But run with one destination
to discover your own self,
to see and observe and learn how run.

I care not run this run,
The winning of medals from you
does not bear any importance,
so long as I am not caught by you.

Gajanan Mishra
Run, Run, Run And Running

Run, run, run,
feel running enjoyable.
But you have nothing to say
about run, where from you are
running and where to reach.

Run, run, run,
Running is life,
But run with one destination
to discover your own self,
to see and observe and learn how run.

I care not run this run,
The winning of medals from you
does not bear any importance,
so long as I am not caught by you.

Gajanan Mishra
Running Commentary

Running commentary -
People's representatives
Socalled ruler
Greedy cruel billioner
And poverty proof of guilty
Wealth is man's worth
Might decided good and bad
Thiefs lead state
Business being fraud
Master of abusive vocabulary
Called scholar
Judiciary corrupt
Cash for votes rules and roots
Shameless allround
You are a common man
You feel shy to do things wrong
You have no place today
You may goaway.

Gajanan Mishra
Running Horse

Running horse is here
You can catch if you like.

You can say what you like
About this running horse.

From where and to where
The horse is running
Known to none.

In the middle
I entered the hall
Hearing a wonderful call.

Who is calling
The running horse
Knows better.

Ask me not, my dear, I am not clear.

Gajanan Mishra
Running Mountains

Running mountains,
Sleeping clouds,
Moving sky, eating birds,
All on the damaged road.
Intense night,
Broken dreams,
Void whirlwind,
All in flowing water.
Think not about
The river near.
Utter not any word
Before any stone.
Grapes are soured,
See life just a soup-plate.

Gajanan Mishra
Running Of Democracy

People are supreme
And sovereign.
Salute them,
Officials and
Politicians,
Judges and you,
Who engaged in
The service of the people.
Use the language
of the people
Always everywhere.
Meet the people
And hear them,
Talk to them
In their language
And solve their problem.
Do all developmental works
Transparency and freely.
You are for the people,
By the people and
Of the people.
Democracy is running here,
Let it run freely
And smoothly.

Running Out Of Time

Bridegroom arrived
I am not sure what
Is going to happen
With this death.

Gajanan Mishra
Running Towards

Running towards tomorrow
I stood at the threshold
and unable to uttered word.

Gajanan Mishra
Running With You

I am not able to
Run with you,
I am totally unfit.
I am not running
it is you who is running
And not I.
It is true
I am not here
It is you in
sleep, fear, grief,
conceit.
And it your firmness
That is giving me
my identity.

Gajanan Mishra
Runway

On my own runway
I stood and
This runway is
Made by you.

Neither you can see me
Nor my runway can
Shown to you.

I am on my runway
And you can not say
How it is made
Phalt or concrete
Or in grass or gravel
or dirt or salt.

This is my runway
That you can not denied
As I am passing through it
And going to melt.

Gajanan Mishra
Rupees

Rupees,
Most dangerous things,
Here in our life.
Without rupees
You cannot cross
The door frame.
With rupees
The tiger can be tamed.
We all want rupees
For our day to day
The business of life.
For food, for the water,
For the air, we need rupees,
Rupees is at the root of all.

Gajanan Mishra
Rupees At My Pocket

Rupees at my pocket
Would do so many things,
And not dollars.
I am not fortunate
To convert the dollars
Into Rupees.

Dollars that are
With you,
Not mine.
And I am fortunate
With my Rupees
I know, what is
Yours, that
can never be mine.

Gajanan Mishra
Rural Connect

Rural connect - good
But please speak
The language of the land.

Our village, our development - good,
But please proceed with the language
Used in the village.

Move to panchayat - good,
But use the language all or
Any purposes therein.

Gajanan Mishra
Rush Race

Yes, it is.
Within.
If you have
No feeling.
All my poems
Are nothing.
But nothingness
Has got its value
As your own life.

Gajanan Mishra
Rust Eats Iron

Rust eats iron.
Separation from wife
eats husband
Contempt by kith and kins
And serving evil master
Eats body by burning silently
Corroding heart and soul body
from within.
Rust eats iron.

English version; -

Everything is here

Everything is within you
If you find these out
You are really the son of your father

You are the world,
Crores of worlds are there
Within you
Search out
The seas
And all others
Are there only for you

Why are you calling others
Who is there to come and
Search you out
If you are not searching yourself

Are you not seeing
How I am searching me
You please search you out
One who find first
Will say what he was doing
While missing.

Sacrifice

Our life is for sacrifice
For the mother
For the mother land, the earth
Rains are produced by
Performance of sacrifice
We all subsist on food grains
And food grains are produced
From rain water and
Water is our life
Not doing sacrifice
Is sin and live in vain.

Gajanan Mishra

Sacrifice (Yajna)

Performance of actions
Without any selfish motive
Only for the welfare of others
Is called sacrifice (Yajna)
O my dear, listen.
If you
Sacrifice all actions
You will have no bondage.

Perform all actions
In the form of sacrifice
O my dear, and get a
Successful life.

Remember, here, we have no
Affinity for actions
And objects
We have to do nothing
For ourselves.

We have relationship
With God only
And God is devoid of actions
And objects.

Sad Events

Sad events;

We are searching
Not peace, not happiness,
But standard of life.

Standard of life means;
Earn more money
From foreign markets,
Eat more, waste more.

Standard of life means;
Follow the ever-changing
Fashions in clothes, housing,
And in all other things.

Let us called ourselves progress
By polluting the seas and the atmosphere,
By drinking and indulging ourselves in vices.

I received
This message
Sent by you,

Sadness is
The absence of love,
Absence of tenderness,
And absence of kindness.
And I know
Nothing can sadden
The poet who is on
The saddle of love.

Gajanan Mishra

No need to look here and
There, no need to see if
Anyone is watching you.
If you are clean
In body, mind and speech,
Victory is in your side.

Saha-Marana

Is my wife
Ready to dies
With me today?

Is my wife agrees
With the view-
Without the husband
The wife is
Like a dead body?

Is my wife
Independent?
Is it true-
Independence means
Miserable life?

What is destiny?
Is there not anyone
To change destiny?
But is it wife with
The destination of the earth?

I know not
Who is where,
But I know my wife
Who is a stone?
And my wife knows
Where she is going.

Who is a saint
Saint sees everybody equal
Saint sees everyone as
The revelation of God
The man who is giving the saint blow
The man who is treating the saint
The man who is giving food to the saint

And who is not a saint
Everybody comes from God and
Going to God and staying at God.

And sense of mine.

Gajanan Mishra
Saint / sage / gurus,
What happened to you.
Surprisingly you are
All living a life of luxury,
With women, wine, wealth.
What to say common people!
Are they your disciple?
I know all the rascals are
Keeping contact with you
For their own personal profits.
You are obstinate, ungrateful,
You are overscrupulous and rude.
Oh, saints, sage, and gurus,
What happened to you! !

Saints and society
Should go together.
Without the one
No value of the other.

To the saints.
And society would
Destroy if truth
Finds no place there.

The truth in society
And for all these
The saints say what to do.

Salt In The Wound

Already in sorrow,
We are all,
And dear, you have
Put salt in the wound.

Lost all respect,
Lost all faith
On you,
You disregard the people.

We are here
To uproot all
Untruth.
We are here to
Go out and
Drive out all clouds.

Gajanan Mishra
Salt It Is

Salt it is, see, it is in sea,
It is in me, it is in you.
Without salt can you take anything?
It is high time to worth the salt.
Salt is highly prized.
Let us pay all in salt,
if you want to substitute the word salt
then you are free to use salarium.
The word salary is from this
salarium or salt-money.
If you are taking salary, my dear,
be loyal and give its worth to the giver.
Don't be a cheater by not returning
the worth, be not a namak-haram.

Gajanan Mishra
Salt To A Wound

Applying salt to
A wound
How far it is
Practicable
To ask is
Not sound.

Obstinacy is
Our own status
In current times
Our dignity and
Respect is in our
Own hands we should remember.

In disguised
We are doing so many things.

Gajanan Mishra
Salt To Taste

And again salutation to you
You yourself is there within me

Again and again and yet again
And I can not describe you
O my dear I am nothing
Besides you.

Gajanan Mishra
Salute The Unborn

Come and salute,
For the unborn
Has taken birth,
For the establishment
Of the truth,
For the good of all
In the world,
For the happiness
Of the people in general.
And declare, nothing
Is there, besides
The dark and the star.
Give a chance to the bird
To utter words.

Gajanan Mishra
Salute Your Father

Salute your Father,
O my dear, Father is
Your creator and your
Sole well-wisher.

Here is your Father
See in the hearts of all,
O my dear, and in all things
You can see His presence.

Ignore not anybody
Ignore not anything
Time to time your Father
Is coming to check your routine.

Gajanan Mishra
I am under your direction,
See, my dear, and I
surrendered myself to you.
You shoulder the responsibility
and that lead me to salvation.
You are the owner, I am the servant.
I may take leave but you cannot.
It is my ignorance that at times
failed to listen to you and
that put me in trouble.
Let me seek knowledge to get
proper path on which I can walk,
I can get proper words to write
only on you and your matters.

Gajanan Mishra

Keep my original and

Proof with me.
I have to abide by
The rules and regulation
Of tours and travels company.
I have to see my comforts
As well as the comforts of
Other passengers here.

Same - A Small Ant And

Same - a small ant
And a big elephant.
Same - vilest sinner
And most virtuous saint.

No attachment
No aversion
Life-motion is
Going on.

Difference is
Good conductor and
Bad conductor
Knowledge and
Ignorance.

No hate
No love
Same and same
For all.

Gajanan Mishra
Same Cloud

Same cloud gives water to all
But water in some places are salty
While water of some other places are sweet.

High birth does not matter
Let me say in otherwords again
It is the quality and his
Character of a man that can
Enable him to rise to the
Highest peak.

Gajanan Mishra
Same And Same

Same at the beginning
In the middle
And in the end
Remain in clay
Merge in to clay
Exist in the sky
Go beyond the sky
In season and
And out of season
Same and same
That is love
O my dear
I declare
I am here.

Gajanan Mishra
Same Blood

Flows
In our body-
The same blood.
The same word
Makes us fearful.
The same earth
Takes us
Towards it.
The same sky
Embraces us
With love.
The same light,
Gives delight
With truth.

Gajanan Mishra
Same Face

Same face everyday
And I have to go nowhere
Where is the place to go tell me.

O my dear, I know
It is my turn to
Fight with air with sky
With water for the light
For the earth.

I am the earth
And I am flowing
In dark
You are the light
Showing me the path.

It is your eyes
Round and round
It is your face
Black white yellow
It is my pillow
And I am with You
I am in You.

Gajanan Mishra
Same Place Same Situation

Same place same situation
Thinking leads life-emancipation.

Enjoy not, seeing the sorrow of others,
Rather help others if you have a little scope.

Within you, find self-confidence
Just go on with it and say something.

Gajanan Mishra
Same Temprament

I like to accompany you
You are my best friend
We have same temperament
Our conduct is also same
You are the creator
I am also trying to create
Something that is better
I am a poet and you are
Poet's poet and friendship
Is there with us.

Gajanan Mishra
Same To Me

Crying singing
O bird, come down
Let me see
All the time
How you are
Crawling in the sky
And let me say
Good bye
If you are
Really with me.

Gajanan Mishra
Same True

A tiger satisfied
In dense forest
A lion likes a
Dense cave
A swan
A blooming lotus
An eagle
A cremation ground
A gentle man
With other gentleman
And I remain satisfied
Only with you
O my dear do not leave me
I will not stay
For a moment without you.

Gajanan Mishra
Same Water Same Air

If you are a man
See the sky and read it
Everything is there
If you are a Hindu
See the Gita and read it
Everything is there
If you are a Muslim
See the Quran and read it
Everything is there
If you a Christian
See the Bible and read it.
I know what you are thinking
And I dare to say
Your thinking process is not good
It is not for general welfare.
Think over my words
If you are perfect and there.
Are you really know what you are
And I am in doubt whether
You are taking or not
The same water and the same air!

Gajanan Mishra
Same Wave

Same wave,
Same wave falling
And rising.

If you so like
You can express it
From your standpoint.

While expressing
Remember one thing
Truth can never be false.

Avoid those things
That are making you
Weak, remember yourself strong.

What and who am I?
Continue asking yourself.

Is it there in not using
Own language? Is it there
In the killing of mother

Is it there in the destruction
Of forest, rivers, mountains?
Is my mother tongue uncivilized?
Is my mother not a human being?
Has my mother not given me milk?
How you dare to direct me to

We get everything
For our livelihood.

And chemical-free vegetables.

Just go and switch on.

And hence
I cannot do anything.

And hence
I cannot enter the temple
Or Mosque or Church or Gurudwara.

For the welfare of others.

Gajanan Mishra

Process of hearing
And chanting
Are not up to mark.
Yes, give not any remark.

Gajanan Mishra
Say Not Talaag

Say not Talaag
And destroy not
My life.

Save Allah.

Henceforth, I allow
No one to put me
To any kind of atrocity.
Henceforth, I bear not
Any discrimination
On any ground here.
Henceforth, I want to

Life is just a question.

Gajanan Mishra
Say Not What You Dream

Say not what you dream, dear,
No one is your well-wisher, here.

Laugh at death who is so helpless.

Gajanan Mishra

Gajanan Mishra
Say We Are Getting

Say we are getting everything here,
Say violence and arson continued unabated,
Say love and affection bind us together,
Say we are proud to be a creature.

We are not mad, we are not immortal,
And we have not kept with futile wish,
We are going to build a house to
Save ourselves only from rain and the sun.

We are ready to go anywhere, at any time,
With anyone for any purpose.

We are living here, we are exchanging time,
We are not idiot and we are all together
In love, in hate, in smile, in cry,
We are getting all here, getting everything.

Gajanan Mishra
Say What You Like

Say what you like,
Do what you like,
But keep harmony.
Keeping this in mind
I am doing always
Small works
And telling
a few words,
And getting peace
Within, see.
My desire is
not to be a great man,
But the smallest one
Who is free and fearless.

Gajanan Mishra
Say Yes

Say yes and honor others
Give respect and praise but
Stay free from the desire

and be ready to know
Which ought to be known.

Gajanan Mishra
Say Yes Say No

Say yes say no,
But say all
In a peaceful way.

You are
In your vision,
I know.

Nowhere you can
Hide with a smile.

It is faith,
It is the delight.

Time is being created
By the living beings.
And the living beings
Are created by the earth.

Gajanan Mishra
Say, What Shall I Do

Say, what shall I do,
What can I do-
My three years
Grand-daughter Aaeshanee
Telling me to solve
The problems that are
Erupting here with
The lives of adults like us.

Gajanan Mishra
Say, Whatever You Like

Say, whatever you like
But remember, here
Only poems you can find.

The white ants
Cannot do anything.
The unknown bird
Throw its wings.
And the sky is
Collecting all airs.

Not a drop of water
You can find
In this month of July.

Let me not say further
About that clean-mountains.
I also cannot express
My feeling about the journey
How the train is running
Behind that white bear.

Excuse me, My dear,
I am not able to take you
As a part of my journey.

Gajanan Mishra
Saying Goes

A woman's advice
leads to unhappy result
Old conservative saying goes.
A woman is a mother
And a mother knows better
The welfare of her child
An eternal and evergreen saying goes.

Gajanan Mishra
Saying No

Saying no to dark night
Hot night rushed.
No body is free here
Nobody is here to
Express view.

Gajanan Mishra
Saying No To Nothing

Saying no to nothing
Is a good thing
To express the self.
And the self is the main issue
Of the entire life-episode.
Remember, life is there
In yes only.
With discernment
Let us develop yes within no.

Gajanan Mishra
Saying So

Everywhere heaven
And saying so
I returned back from
The very issues
Of hunger and
Thirst.

The words are
Not enough
To comply
The demand of
Men.

Men, the most
Fearful and
Notorious.

Still, I talk
All divine,
And I hope
I can unmake it.

I believe not
My own tongue,
My own pen,
My own brain.

I do agree,
I can't change
A man.

But I must say
Where there is a man
There is a heaven.

Gajanan Mishra
Saying Something

But for what
Question has
No answer.

And what is
Your intention
That is in
Your publication.

You can express
Yourself freely
Don’t try to
Make tally.

You have full right
But some duties
You have to perform
Let it first confirm.

And what is harmony
It is not honey
If you want to escape
Keep with you sufficient money.

Gajanan Mishra
Scale The Peak

Scale the peak
And hoist your
Life-flag
With a message of
Peace friendship
And collaborative action.

Gajanan Mishra
Scan Yourself

Scan yourself, my dear
I am here to see you
In the light of introspection.

Scan yourself, my dear
I am here to talk to you
About the holistic way of life.

Scan yourself, my dear
I am here to verify
Your name and address and works.

Gajanan Mishra
Scanning

Scan the society by the power of poem
Let the rare disease of humanity go.

One or two line of live poem is enough
And it save the human race from disorders.

Please read read read and read the poem
Be a perfect man of highest order.

Gajanan Mishra
Scarcity Of Truth, Though

Scarcity of truth, though,
One truth is sufficient
To make the atmosphere good.
Desert area, though,
One shower of rain is
Sufficient to cool the air.
I, alone, though,
Sufficient to make you grow.

Gajanan Mishra
Scattered Dreams

Scattered dreams
attacked me.
And I life the place
without seeing.
It is evening
And I am there
with scattered dreams,
that are being written
in sky-plate.

Gajanan Mishra
Scattered Moon

False start
Declared war
Broken house
Scattered moon.

Scattered moon
Broken current
Words not uttered
Silence failed.

Silence failed
Vacated place
Wound eclipse
Theater of rain.

Theater of rain
Reaction started
Earth-body in sky
flied away and scrapped.

Gajanan Mishra
Scavenger

The cosmos is with me
And I am in the cosmos.
There is no body
besides me here.

I am scattered
and you the scavenger
with much silent
to make clear
asking my
name and address
which is not
mine at all.

Gajanan Mishra
Scentless

I'm scentless
I'm educationless.
Only I love you
Only I love you
Only love is
My identity
Only love is fullness
If love is with me
I'm sure
I am not irrelevant
And not useless?

Gajanan Mishra
Sceptic

I know you have no faith
On religious doctrines, O sceptic
But you are bearing a scepter
I know for you there is
Neither this world
Nor the world beyond
Nor any happiness anywhere
And I am sure you will perish.

Gajanan Mishra
Scheduled Time

Scheduled time - over,
Fire emanates from within,
Qualitative actions started.

But everything is eternal
And not created.
I destroyed myself,
And all are there awaited.

Let us use life rightly
We think it science
Let us enjoy art of life
Taking all rules granted.

Gajanan Mishra
Science And Scripture

Science has no role to play
In my day to day routine life
Like eating sleeping wandering.

Scripture has no role to play
In my love, in my dance and in
My romance with nature at large.

Gajanan Mishra
Science And Stories

Science and stories
Interlinked
To form a beautiful life
Let us enjoy it.

Gajanan Mishra
Science is clear,
But art is not.
Art is perfect
But science is not.
I am a mixture of
Both science and art.

When I say I am the doer,
I show my false ego.
When I walk on the road,
I say I am here, wrong though.
I object so many things
Unnecessarily, I know.

I am associated with
All creations, all maintenance
And all annihilation.
I am a man, but none,
I am separate and distinct,
But covered and unprotected.

I am the man, your son,
I am the one frightened,
Without any opulence and
Power and devotion, I am
Filled with own sorrows
But I care not what is tomorrow.

Gajanan Mishra
Sciences And Arts

All are here,
All sciences and
All arts.
All and all are
Here and
Nothing remains
To be known.
And everything is
Worth knowing,
Nothing is free.
Nothing is error also
And nothing is there
To be rectified,
But to realize the self.

Gajanan Mishra
Scientific Learning

Scientific way of learning
You are providing to all
And it is we that are still ignorant.

Because of lack of submissiveness
We are not getting proper favor
And losing our success.

Gajanan Mishra
Scorcher Of Dark

Poets are
Scorcher of dark
They are there
For general welfare.

Poems are being written
On the time-wall
Nothing to conceal
As a beautiful girl.

Poets have deserving hands
Excuse me I have no qualification
To make them friend
Poetic conference still I attend.

I have a curiosity to know
The secret of poem
And the honorable poets
Reveal it to me that I meet.

I find Colorful lights
In the poems
I know the poets are here in me
And never was there a time
When I was not with them.

Gajanan Mishra
Scorpion

This scorpion has
No poison
Grief not
Grief not, my dear
Nothing to grief.

You are the product of love
You are the part and parcel of Truth

In this forest of joy, my dear
The whole plan of life is being
Executed smoothly here and I know
You are the architect of all that
Some called it mystery though.

Gajanan Mishra

In practice
Please do not ask anybody.

Scriptures

I like it,  
the scriptures.  
I like it,  
the time and its nature.  
The time is not mine  
but I belong to time.  
The scriptures are  
for me.  
The scriptures are  
changing from  
time to time.  
But my nature-  
it is there  
unchanged.

The sea is in turmoil
Venture not to go in to it.
Be in safer side
and watch.

Watch the life
Life is in the sea
And turmoil.
Enjoy life in it
It is about happiness.

Gajanan Mishra
Can the sea
Be filled up with sands?
Can the sun be caught
With enlarging these hands?
Can anyone go to the heaven
By riding a ladder?
Can any one measure the length
And breadth of the earth with his own fingers?
Can anyone count the sands
Of the river?
Likewise let me asked you
Can you read a pure poem and say
This is specifically related to
Time or space or person?

Gajanan Mishra
The sea flows,
The sky flows, but
We are here as before,
For infinite years,
In infinite forms.
My dear, we both are
Lovers here,
Who is supreme
And above whom,
There is none.
We are here and
We remain firm
In truth, in love,
In renunciation.

And the place of work
And exact contact of addressee.

Gajanan Mishra

Sea, sand and the sky
All are here in me.
And I am living
Without any fear.

And stay in the sky.
My strength is
There in the sea,
And I play with sand.
I am all auspicious,
And I appear in water
In the air and on this earth
To love and for love
And be loved by all.
I present myself
To glorify the truth.
I confirm the light
In all black.
I am the life
Everywhere.

Gajanan Mishra

Truth is truth for all
And it is not ill to anybody
Truth is always hidden and
Also it is bare and open.

Gajanan Mishra
Search Out Time

Search out time
Within the time.

And forget everything.

No need to remember
Who are you my dear.

And live without fear.

To fear is to die,
Fear not and go to kidnap the sky.

Gajanan Mishra
Search the swan,
The swan is in your house.
Nine doors are there
and they are all opened.
Caution notice is served
on you for safety,
Take note of it.
The swan is flying,
see, always within
and also outside and
you are there sleeping.
Sleep not, my dear.
Please awake, and watch
and live with confidence.

Gajanan Mishra
Searching A Name

Let us search a name,
And discover everything
There in.
Dare not to say
What is is a name.
Dare to say
What is not in the name.
The sky is not only the sky,
It is the vast space within us
And also that covers outside us.
The name sky is not easy to utter.
Still we are here to
Explain and to understand
What the sky is with its blusness.

Gajanan Mishra
Searching Existence

Searching existence
In the ever-changing process
Realizing the truth in
Exclusive blind-races
In the name of obeisance
There are God's graces.

Gajanan Mishra
Searching Existence- Outside

I exist,
And you are
Searching my existence.
I am dreaming
And you are
Going away from me.
I am writing
Hot poems
And you are
Sleeping outside.
I am beating
The bush and
You are searching
Your place to take rest.

Gajanan Mishra
Searching For A Space

I can live
Without you,
But you cannot live
Without me.
I am there
In your place,
You are still there
Searching for a space.

Gajanan Mishra
Searching In The Dark

The area is dark
And still I will search
Searching will go on
Within your black eyes
O my dear, let me search
Let me search till I
Find myself within You
Till I merge within You
Till I stay within You
As You.

Gajanan Mishra
Searching Meaning

Go on searching the meaning of life,
that is there in your dreams.
Go on living with the dreams
taking risk thinking it as the gift.

Gajanan Mishra
Searching Out

No other alternative
But to search out
Your seed of existence
I asked where is it
Is it in intelligence
Is it in prowess
Is it in fragrances
Is it in penances
I have not heard
What you said
I am also not able
To know any more
About your seed.

Gajanan Mishra
Searching Relatives

Searching relatives is really very difficult.
And I have taken this work in to my hands
after the earthquake.
The curtains I have discovered belong to none.
True to me all came on their own and unmistakably
hold my hands to save future.
The garlands are there as they were in their places.
Mistakenly I have hold up my legs and ordered march on.

Gajanan Mishra
Searching The Root

Searching the root,
Root of the sky
Where my body lay.

Gajanan Mishra
Searching the truth and
Desire for power and position
Are two different things and
They contradict each other
Like the sun and the dark or shadow,
Like the water and the fire,
Like the sky and the earth,
And person who desire for power
Peace is far from him,
And where there is no peace,
Truth is not there
And where truth is not there,
Life is useless there. Go on searching Truth,
My dear, and throw not dust on your own eyes.

Gajanan Mishra
Searching This Boy?

Are You searching this boy?
Lo, here he is.

How is this boy like?
Is this boy an animal?
Is this boy unmanageable?

Control Your anger first
And come to this boy
This boy is waiting
For You only.

The problem lies with You
Admit or not
Shifting responsibility
Is Your habit.

The boy is here
As before
You can not forgo
It is You
Who is going towards
Exit door.

Gajanan Mishra
Searching Truth

Go on searching truth,
Worry not for delay.

Gajanan Mishra
Seas Overflow

Seas overflow,
And winds blow.

Time is ferocious,
And we are here
In a situation,
That is dangerous.

We pray with folded hands,
We keep faith present and
And we start our journey
With sense of responsibility.

We concerned for the future,
We prepare ourselves to go ahead,
We create our own restshed
Within us beyond any limitation.

Gajanan Mishra
Season Flower

Love is not the season-flower,
Love is the medicine for all diseases
That are giving troubles to you
And love is here for ever as it is.
Pluck love-flower from the tree of time,
And use love everywhere for your
Own peace and stability.
When love is there with you
No one dares to defeat you
And all would come to you
To take shelter in busy-routine life.
Life itself is the fruits of love,
And come on with that fruits
And flowers to enlighten all.

Gajanan Mishra
Seated On A Machine

I am seated on a machine
Made of material energy
And I am full of anxiety.
Material sense gratification
With society friendship and love
Compared to a drop of water
Falling on a desert.
o my dear, remember
Full enjoyment of the senses
Can not be obtained
In this material body.

Gajanan Mishra
Secession

No reservation
No seclusion
Everything open
All time season
You can come and
Asked for secession.

I uttered diffraction
You said finical
I am diehard.

No solution
Nothing to do
With mensuration.

Gajanan Mishra
Secluded Life

Not necessary
To attain salvation
The objects, kith and kin
Are there with you
You are to give them
Their proper dues.

Gajanan Mishra
Second God

O poet
You are the most learned
You know the scriptural principles
You can revive the dead
For virtue for learning
You have been declared
To be the very self The lord
The second God.

Gajanan Mishra
Second God - Life Of A Poet

well controlled, well collected
Delighted inwardly
Solitary and contented
True poet- speaks wise
Think wise with calm
Love and truth is
The subject of his teaching
Poet himself dwells in love
Poet receive love
Deliver love
Poet is the creator
And second God.

Gajanan Mishra
Secrecy Be Maintained

Secrecy be maintained
Everywhere in every aspect
Of life.
But for truth
But for love
But for life.
Keep secret,
Keep secret.

Gajanan Mishra
Secret

What is secret
Please tell me
Do not conceal
If I am deserving
In your opinion.

Gajanan Mishra
Secret Garden

Where is it?
It is within,
Discover please.

Gajanan Mishra
Secret Life

What is there
That I wonder.
But I do agree
Life be kept
Secret as you
Are there.
I understand
Life is a rare
Flower and not
Disposable bloom.
Live life for
Your own self
I said to all
And stay in full.

Gajanan Mishra
Secret Of Success

Act for good,
Act for good of self,
Act for good of all,
Act for love,
Act for the sake of the truth,
And fear not
For any loss,
For any disaster.
Take care the forest,
And enable the Tigers
To live therein.
Both sky and the earth
All belong to you
And all are the truth.

Gajanan Mishra
Secret Silence

Wise wisdom
Victory morality
Lawlessness punishment
I am loyal and here
Only for you
O my dear, look.

Gajanan Mishra
Secrets - I Am Everything

Secrets - I am everything, everybody
Secrets - Live in sacrifice, seek access to heaven
Enjoy the vast world, heaven is within you
You are the whole world.

Secrets - see life with exclusive devotion
Possess divine nature, if you are wise, if you are a great soul
None is hateful here, be in everybody always
Remember, you are the eternal fraction.

Secrets - perform all actions in a disinterested manner
Earn knowledge about yourself, you are unworldly
Know you in full, you are not taking birth, and not dying.

Gajanan Mishra
Secrets Of Yours

No and never
Are not available
In my dictionary.

You can term it
Divine potency.

You can not call me
In the middle.

You can see me
From far distance.

Yes and definitely
I will join
In the race course.

And I found myself
In the secrets of Yours.

Gajanan Mishra
Secular

Secular,
No encouragement
No discouragement
Means secular.
Is it?
Neither to accept
Nor to reject
Means secular.
Is it?
No male
No female
Neither masculine
Nor feminine
Means secular.
Is not it?
And you call it secular
As it suits you, my dear,
It is secular as you preach yours
View points and when I am uttering
My words you said it is communal.
Is it not?
Have tolerance in you
And it is secular.
Love all and all and it is secular,
Do all out development works, it is secular,
Have patience and be regular, it is secular,
Live and let live with love and live in truth, it is secular.

Gajanan Mishra
Secularism And Communalism

Is secularism opposite of
Communalism?
I do not know also
What do you mean by
Economic reforms.
I know only agitation.
Agitation for what
That I can not say.
And I can not say
So many things
Such as how and why
Gandhiji is termed as
Mahatma and bapuji.
Who am I
I can not say
I also can not say
Why giving is not giving me
Pleasure and you want to receive.
I am also not able to
Distinguish inner and outer
Space here in this body.
I can say from hearsay
So many things
But you say hearsay has got
No evidentiary values.
I do not know what is what
And when I utter anything
You termed me in some words
That I am unadble to understand.

Gajanan Mishra
Secularism Means

Secularism means
Really development
Inclusive growth
Secularism means
Going with humanity.

We are not isolated
Isolated means death
We are not neglected
We are not ignored
Not discriminated against.

We all human beings
Of the world are one and same
We are all secular
We are living here
On this earth with all
Animals all birds all insects.

We are secular
We include all within us.

Gajanan Mishra
Secure Shelter

Where is
The most secure shelter?
I do not want to know,
But I want to know
Where you are and
What you are doing here.

What is true knowledge
And what you poets are
Doing for others.
I want to know
Something about the flowers,
About the ocean, and
Also about the earth,
I myself is the part of
The earth, though.

Is the sky all pervading?
I do not want to enquire,
But I must enquire
In which sky you are at this time,
And what you are doing.

I have inherited all
What I am telling, true.
But you are to see my originality,
That are there in my creativity,
My intention is not to put
Anyone in trouble. right?

Gajanan Mishra
Mind it
What I am stating
Is for security purpose.
Theives are there
And all our belongings
Are being stolen.
Question of recovery
Does not arise.
We could not see
We could not hear
Anything and only
The guard is calling
Through whistle.

Gajanan Mishra
Security And Privacy

Right to privacy
Where is it
When security is
In danger.

Where is security
When there is
No privacy
In one's own land.

Motto- well being
Of all
Go on, in the way of
Right balance.

Gajanan Mishra
Sedition- Ingredients

When you write,
You speak,
You make sign,
Visible representation
Or do some other acts,
You bring or attempt
To bring hatred or
Contempt thereby,
You excite or
Attempted to excite
Disaffection,
And your such acts
Are towards Government,
Government of India
That is established by law;
You are to be punished
With imprisonment for life,
To which fine may be added.

Gajanan Mishra
See - I

See countless
See limitless
See bottomless
See endless
That is I.

Tell if not I
No Hi-fi
No glory
And nothing
His.

Gajanan Mishra
See A Life As Life

Life is life,
See a life as life.
Ignore not,
In life, there is hive.

Save, size may differ,
Please accommodate all,
Nothing is there with them,
But nectar.

Gajanan Mishra
See All

See and see all
Before closing of eyes
Or you become blind.
Hear and hear all
Before you become deaf.
Tell and tell freely
What you think
Before you become dumb.
Go and go, wherever you like
Wait not till you are very weak.
Call the almighty always
Who is everywhere, all times
Both inside and outside
Your body and your mind.

Gajanan Mishra
See All Are Dying

Death is here the only ruler
See all are dying
Every moment every day
If you are calling from sunrise
To sunset a day.

Take the opportunity
And arise and win glory
Conquer the foes
Enjoy the moment
For the time being.

Gajanan Mishra
See And Belief

You see
And believe.
If you have not seen
And you believe
You are great.
And you have
Touched eternity.

Gajanan Mishra
See And Enjoy

See and enjoy my world
My world is my poem
Read and understand my poem
My language
Structure
And usage
Of word.

Gajanan Mishra
See And Excel

See and excel
The beauty
And take cognizance.
Be a ray of
Supreme Truth
Know and teach
The ultimate goal
Of this human life.
O my dear, I know
You differ
From all others.
You may admire
You may follow
You are the dearest dear.

Gajanan Mishra
See And Feel

See and feel
It is new
Always here.
Again and again
It is new always
See and feel.

Gajanan Mishra
See And Feel Our Hearts

See and feel our hearts
So pure and so new here
With new light and sounds.

Gajanan Mishra
See And Feel The Battle

See and feel the battle
That is with your life
And here you are
In the great ocean
The invincible strength
Of the enemies
O my dear call me
If you want to win this battle
And cross the enemies
I can cross over this ocean
Of enemies
Make friendship with me
Make me your adviser
And be a great fighter.

Gajanan Mishra
See And Listen

You are not to disrupt
Spirit of others.

Without waiting
For others you can
Go where you wish.

Go and find
You are here only
Just alone.

Gajanan Mishra
See And Please Come

1

Please come and hold my hand
I have no strength to walk or stand.

I am not poor and I am not in poverty,
Think not so my dear, so long as
I am reciting your name and fame and
I am writing poem.

I am drinking the life-juice given by you,
I have no other wish but I am very much greedy
to keep you and I am hankering after you.

My thinking process, please test,
is it not bigger than me, my dear?
But my life is so small and short
you cannot rebuke me for any other things
as you know, I have no attachment in anything else.

2

You have taught me
the way of worship.

It is your sweet love;
it is your pious earth
that gave me knowledge.

I am here with your flowers,
Fragrance of which is spreading
in all directions.

I am smiling like you
with the beauty of this world;
I desire to stay with you
so long as you are here with me.
It is my good luck
you are showing me the path to stay.

3

Hearing your flute
I came out from the house
With tears of love
In eyes full.

The air within
Is trembling, see?
And I am alive.

To see you is not
Within my power, dear,
I saw the sky above
In eyes tearful.

The light is here with me,
The colors are focusing
And still I am unable to see.

4

How to sing that I know not,
What to do and when to do, I know not,
though you have taught.

You have given me everything
covering the earth and the sky.
And yet I am not able to
keep them with me.

You have made me emotional
in so many ways here at so many times
and yet I have forgotten from the very start.

It is known to all, starting point is no where
and no one can say what is it going on here,
And still I have decorated my body for you only
and you have received me with regards as nothing wrong.
This blue uncovered sky
is there as it is
given by you at that hours
of beginning, O beginning-less.

I am happy, I have nothing to solicit.
The sky is happy; I have seen
nowhere to go at any time.

Let me express my language of hearts;
Let me delete the absolute that is
so rising within me towards the sky.

I know, no artist is there like you
on this earth that can make a sky so lovely
with nothing. I know how much I am searching
you day and nights here there with the sky.

The sea is trembling and
this state of trembling
made me fear and I sing a song
with care that you can hear there.

Am I the initiator here?
And I am telling about the wave and the sky.
You have declared to stay away from me
But I have seen you and you have provided
me the eyes to sea all scenes.

With his shadow the Neem-tree
is telling the history and
without the shadow the tree is
in love. The truth-bird is there
sitting quiet without body on the shore.
Collecting words in your
field of emotion I stood first.
With my own laugh and own cries
I preceded further in the light
of new moon day.

Life-forest is dense,
Scattered sky is there only,
the rain is going outside
holding my hands and is telling
O poet, come on, to measure the clouds.

Let me free from your kiss-prison first,
Let me get my body uncovered with truth,
let me write a poem in your words-love
Let me stay here a moment more beyond count.

8

How can I say my dream is not in truth?
How can you say I am not here in front of you?
Still I am playing with the fragments of sky,
Still you are talking with me committed to earth.

Come on; come on, my black mole, my white sandal!
It is the time to see each other in the match-final.
It is cold, it is chill, let us come together
with acceptability as per wish of blue eyes.

Teach me, teach me by phases your song, your dance,
Let me give a chance to write in free-verse, to show
my sorrows not in open market but in close door of yours
same nectar- rhythm full of desires beyond the body.

I have done all things here according to your direction
I have written as blessing while taking your dictation.

9

Not I but you
the nectar of this world.
Not I but you
the writer of this world.
Not I but you
the conjunction of this world.

You are the only player here and
all others are ball.
You are the giver, you are the taker
in dark and in light, I hear your call.

The flowers that are there blooming - I know yours,
the stars that are there appearing - I know yours.
I am not confusing at any time it is sure,
I am getting your instructions all times that are pure.

10

Have you seen my greedy eyes in your Kadamba tree?
Within your all-embracing arms I am feeling free.

I have remembered everything but I failed to express myself,
I am wandering in your forest and still I am fearless.

I am reflecting everything in my poems from time to time,
how the water and the fire are playing within the body.

Being the controller of everything you know everybody,
I remembered all arts all cultures while composing poems.

I know the movement of the body and the mind that have
a link with you without any interruption from anywhere.

It is right you are the creator of all happiness and
all sorrows and all universes with good faith and trust.

The fire in my veins are yours that is mystery
I am going on creating you my dear in my own way and you agree.

11

You made me a fool,
and I am here cool.
To satisfy your urge
you addressed me darling.
I want your language
but you merged in me.

Your scented kiss enabled me
to stand up before all and
I am here in return of love
that is universal.
Day and nights, see me
I am laughing and crying
Like a mad and insane
Pick me up showing your deign.

12

In our own circles
we are wandering.
We are wandering
keeping our own
identity in reserved.

We are interdependent,
here at this hour.
Under the stars,
Dictators, ourselves-
we declared.

The stars are
falling down and
it is no wonder, but
we are dear to each other.

13

Love the self first
and then only say
I love you and then
you may say
I love the world.
Who are you to love the world?
Is the world is hankering
after your love?
But if love is not there in you,
obody is there to love you.

And without love
you are deprived the blessing
of Almighty, and you are far from
peace and stability within, see.

14

It is magic
It is vanity
It is life.

And it is yours,
and I am yours,
and you are here
within me.

Vanity Fair
is not mine
I know.

And still, O magician,
you have kept
the truth in tact
and I am going to that.

15

Go there in normal way or in
opposite way that does not matter,
O my dear, but going is a pious one
and that takes you from you to you.

While going face the spring, face the summer,
face the rain and also the winter,
and for this I have opened all doors
and all windows that are there here.

It is your dream that is taking you
with so much love that is beyond imagination,
And the plus and minuses are here with a difference
but no one is taking care to sum up all.

Seeing you I have forgotten all my thirst and hunger,
O my dear, see now, I am drunk; I am not within my control.

16

How to compose poems
that I know not, my dear
I know not how to live.
Words, sentences and their
uses are not being
properly made by me.

I fear your silence gestures,
I fear your shapeless appearance,
I fear your backward motion.
The colors, the sounds, that are in me
is yours my dear, and I am using all these
only to please you.

Please come and listen, and allow me to make you listen,
O my dear, listen, truth is being told by me.

17

Since you are not forgetting me,
how can I dare to forget you?
Since you are here in front of me,
how can I go anywhere keeping aside you?

Keeping aside you, I made a blunder, my dear,
keeping aside you, I am far from water,
and you are there within me and
I am there within you, how wonder!
No and nothing I want to know besides you,
And I know what not you are here and also there,
You are my kiss itself, you are my scent,
You are my morning light, you are also the night,
In the same parameters of life-fight, I am here,
See, in your smile and also in your tears.

18

Though I know there is no end
I am going to find the end
and the end is covering me with
its blue eyes, scented and colorful.

See me I am wonderful, see me I am not here,
And you said, my dear, coming to me, O,
You are at the end, you are the end coming to
start afresh and I am wandering here there,
To fulfill my end in this play of
presence and absence that is going on within all.

I find no end in the beginning, see,
It is beyond my knowledge, and I started again,
painful though, since I have greed I quit not,
And I said my dear, let it go on its own way.

19

Is it easy to stay united
Please tell, my dear, please tell,
without devotion, without attachment,
without surrendering the self?

I love the air and the air is there,
I love the sky and I desire to fly,
it is fire that is burning within me,
and you are the fire that I know there.

You are calling me to go there,
please clarify, are you not there?
You are staging this drama and you
placed yourself in the position of
the hero and the director, producer as well,
with your own expenses. Who am I?

20

No new poem I find here,
the poems that are here
really lack newness
that I am searching for.

Where is that love
I am searching for
here there as a wanderer
within these doubts and distrust.

No emotion is there, and also
No surrender, my dear,
No one knows how to bow down
and the sweetness therein.

Please come, give a lesson again,
Let them know the truth-fortune fore run.

21

See me, I am burning
in the oven of love-life,
I cannot allow anybody
to say it, oven of lust.

Yes, time is running fast
But here it is time,
available in plenty for love
Let us enjoy love-life here.

Are you not watching
the smile of flowers
always here, there and
everywhere you stay?
The sky is watching you,  
remember, dear guy.

22

Shop love today itself,  
No bargain, no rate,  
Love, you can get, it tells  
only through love.

Come, you are welcome,  
See and feel the blooming of  
flowers within you, dear,  
See the dream near.

Being a poet, let me enlighten  
the environment that is lovely  
and beautiful all around,  
and truth therein that I found.

You are sketching the sky I know  
with all sweetness of this life-flower.

23

You are here to light the lamp, I know  
and to show me the dream of the earth  
you are here that I know and you are seeing  
in your eyelid-less eyes all activities of all.

How grateful am I, I cannot express here,  
I cannot express as because I am still taking  
everything from you here and you are giving me  
everything in time feeling my want yourself.

Here the nectar is flowing in these words  
that have a touch of yours and that are again  
touching you and coming to this area, this earth  
to all creatures and to all people including trees  
and mountains and oceans and air and sky and stars.

And I must give you thanks for your light and encouragement to fight.
See me, dear; I am in emptiness and going towards wholeness. Wholeness is there in my life, but I failed to find it without your grace, and for this, see I am worshiping you, knowing fully well that you are within me.

Life is a medium, life is a media and you are the controller of life. Still I am living here and remembering you at every moment of respiration, you are telling me in whisper to stay calm and I am in obedience to you going here and there without any discrimination.

The unseen is here, see, the untouchable is here, touch, the voiceless is here, hear him, and come, my dear, feel his presence within.

With so many colors he is taking utmost care this earth where you are with mystic fever he is here, wonder, I am with you in this heaven-garden.

Telling you all that are near you I am presenting before you infinity, I see nobody destitute here with his presence, Thing is it is a matter of faith.

I am with him and he is with me He is with me and I am with him.
The river is crossing its bank,
the sky is coming forward,
and my poem is dazzling as you see
with the new leaves and wind of the spring.

And with this I have not deposited anything
and my balance is zero, as the balance of payment
lost its value before the CCTV placed before.
O my dear, still I love the flower here.

Come, my dear, please come, and let us
go for a walk together throughout the world
just as a mere creature and see varieties of
incidents that are occurring in our presence.

Let us feel, we are parts of all those who are here,
Let us feel also, we are parts of all those who are everywhere.

27

For the world,
for the welfare of the world,
I am writing all these.
I think the life
and the world is the whole truth.

Poet is he who knows what truth is,
you are the best poet of this world,
and you have created it with care.

I know your heart is as big as the sky
and it is you who created this sky,
and under which I am playing as per my wish.

There on the body of the sky I am
feeling my pulse and on this world
I am telling, yes I am alive.

28

Coming to me you may say
Writing is a personal business,
But let me say, think twice, my dear,
Nothing is personal, admit and declare.

Since everything is interrelated
no one can claims this or that
is his own and he is here to keep
everything secret and he can do
whatever and whenever he likes.

It is true to say pieces of
stones are there in flowers,
and flowers are blooming
on the dry stone at the top
of the mountains facing the sky.

29

No one is calling me today
and I went hearing the call.
The call is sent by the sky
through air and I am fired.

This time also I am hopeful
that the bees would come with honey.
With the honey I can sing openly
and the flowers would co-operate me.

Rain arrived late though to the fields,
and the farmers are there to make merry
Forgetting their money they have deposited
as crops insurance and security bonds.

But it is flood, come and see,
Come and if you so like, service be rendered.

30

Light is your simplicity and
your purity.
This light shows you
the path towards
truth, love.

Fear the truth, fear the light,
fear the love, but keep them
within you. Mind it,
Only this fear, only this action
can enable you to win.

Don't bow down your head
before anyone else except the truth.
Don't go with anyone else
except with love.

31

We are going,
The sun is not coming.
In fact, we are nameless,
We are calling east, west.

We to choose what to do,
We are to select the path of light.
Though nothing is there as called
Here or there in our own life.

It is the formation of nature,
It is the inter mixture temperature,
And you are the book-keeper,
I am the knowledge-center

You are the deviate,
And I am the silent spectator.

32

With your spectacles you can see me,
but if you are a jaundice patient,
what shall I do? I am not the doctor
to make your vision clear, my dear.

With your hands you can hold anything,
but if you do not want to raise your hands
what shall I do? I am not the commander-in-chief
to force you by giving punishment here.

My happiness is in my hands that I know very well
but I am not utilizing fully my freedom due to my
habit to obey the orders of outsider.
And it is in this way I am dependent fully though
I have got independence and it is disgrace
I know very well and I am helpless in me.

33

For the world,
For the welfare of the world,
I am writing all these.
I think the life
And the world is the whole truth.

Poet is he, who knows what truth is,
You are the best poet of this world,
And you have created it with care.

I know your heart is as big as the sky
And it is you, who created this sky,
And under which I am playing as per my wish.

There on the body of the sky I am
Feeling my pulse and on this world
I am telling, yes I am alive

34

How many sun and how many moon are
there that I cannot say my dear,
ask me not about all those questions,
they are not under my jurisdiction.

I can say how I am revolving me here
within my circle with my hands and feet
and busy in filling my belly and telling you
good morning without any return or expectation.

I cannot say why the smoke is coming out
from that steel plant of my town and how
the flower is blooming in this rainy days
and my grand daughter is crying to go to school.

I know, you are not able to say anything
in these days and yet I am welcoming you to say.

35

How much I am yours a great point to note,
telling something to please one at the instant
has no role to play in the wider connotation,
as coloring the sky has no value at dark night.

But at deep dark and middle of night everything
is started changing and we mark it after sleep,
Sleep is nothing but a death, forgetfulness is
nothing but preparing for a new life in the morning.

We are acrobats and we know how to go through the air
and we know all lights are here for us, we also know
the 'parrots in full flight' as said Paz defy movement
and language and we are forgetting we are for ours.

Time is here to learn and we are running with time,
Words have so much value and that is not a thing to imagine.

36

To say something about a matter
is trying to destroy it.
Let us try not to be a
part of any destruction, dear.

To read is to enhance the energy
and to go ahead of the self,
but going ahead is not advisable
as something may be missed.

To wake and to rise is good
but for what? If you are not able to know!
I cannot say whether you are
living or not.

To live, writing is necessary,
to write, reading is necessary.

37

Good news;
Man is missing.

And who is missing
if you are not able to answer
really a bad news.

Come and see and
say something about you.

Say not how the queen is
there and calling you.
Say not what is the trouble
faced by the prince.

Say who you are
And what is your duty,
at this time.

38

Fire is everywhere,
See, feel and say, fire,
I love it.
Without fire
it is impossible to live.
Fire, fire,
Let me declared,
it is all legal;
Fire is the same
with the poor
and with the rich.
Go not before fire.
Come here and touch the fire,
and be fired.

39

Who said?
Life is to enjoy.
One enjoy means
Another suffer, means
Violence is there.

Let me come here and say
No violence
No enjoyment.

You try to enjoy means
You inflict suffering on others
That is not sanctioned
Your nature is oppressive
And it is painful
It is violence.

40

Be brave and have courage,
With you my dear and face life.

Life has no color,
Life is tasteless,
Life is above all,
All happiness and all sorrow.

Living let me say ideal living
Needs some practice? Come here
And see.
Let me not pleased
In favorable and
Displeased in unfavorable
Here or there.

Remember friends, you are men.

41

Doctors are charging fees
without giving
proper treatment.

Milkmen mix water
in milk and charging
the cost of pure milk.

Ministers and officers are
enjoying life and getting pleasures
without caring the common mass.

Laborers want to get full wages
without performing their duty
honestly and sincerely.

Let me say all are in falsehood
and robbed common men.

42

It is dark under the lamp
and you have to bear it, my dear.
It is the nail with the rose
and you have to tolerate it, my dear.
Poison precedes the nectar
and you have to drink it, my dear.
And discover perfect combination of
wife and husband, son and father,
nose and face, and also east and west.
Remember, to renounce if you have a body,
Remember, to give something to the teacher,
Remember, to place a good service-holder.
And drive not out and kill not the helpless men
taking shelter even though enemies they are.

43

Inferiority complex is there
with all in one way or the other.
I am superior, you are inferior,
the cow is superior, the dog is inferior,
the pigeon is superior, and the crow is inferior.

Forget my dear, about superiority and inferiority
And remember, who you are, what is your role
during this period, to change the atmosphere.
Keeping purity should be the motto and not success,
Success is anything but a highlight of past actions.

Controlling your own mind you should go forward
It is your simplicity and uprightness that can
taken you to super most position at the earliest
and I am waiting here only for that.

44

If you are the son
See your father,
If you are the wife
See your husband,
If you are the leader
See your voters.
Take care yourself
and avoid death.
Being a man you are to
keep with you love
and compassion
being a man you are to
stay with the truth.
Everything is well and good.

45

It is shame
if we are not using
our own language.
It is shame
if we are not giving
respect to our own mother.
It is shame
if we are not taking care
of our mother-earth.
All other things we are doing
besides the above are fruitless.
We must face death,
and no one on this earth is there
to save from the tragedy we are to face.

46

Coming to you
I said; see me,
how virtuous I am.
I am performing everything
selflessly for the good of you.

For the good of you
I am here, see me,
I am here, to burn the fire,
I am here, to throw the air,
I am here, to win the righteous war.

Yes, I have a desire and
it is not sin, see me,
my desire is to stay attached
with you for all days.
My body is my enemy
And I am waging war against it
Here at every moment.

My body is always trying to
Overpower me by heedlessness
And indolence but I abstain.

I am satisfied with whatever
I get but my body has certain
Desire that I am trying to forget.

My intellect remains unattached
To my body though it is in the body
And I am study the incidents, things and persons.

I want to know the reality between us,
Here at this time no reason thus.

48

It is I
And here I am
I am going to meet an end.
End is nothing but a
Starting a beginning afresh.

And I am starting my career
Anew, see, with you and you are
There with nothingness,
Welcoming me, come on,
I am here with everything.

I am going to meet an end
And end is we are all one.
All my knowledge and my devotion
Is for you, and I am here to achieve this end.

49

You are writing poetry and
being the head in giving light to the society,
please say whether
you endowed with a pure intellect,
firmly restraining the senses,
casting aside attraction and aversion?
Are you dwelling in solitude?
Are you controlling your speech body and mind?
Are you resorting to dispassion?
Have you abandoned egoism, violence, arrogance,
desire, anger, covetousness?
Are you tranquil in mind?
Ponder yourself and say whether you are
the right person qualified to write and give light?

By imitating their singing
Their chattering their calling
Cooing humming dancing laughing
Rumbling roaring and mocking.

Pursue my own self.
I know I am there
With this and with that.

Let us see life
In all darkness.

And get the answers
Of all questions.

All is green,

Fraternal trees
And the impalpable light.
All in good configuration
The confined life
And the crowd of people.

Gajanan Mishra
See Me I Am

See me I am
With my mother,
Free, independent
And separate.
And I am dying
For my own language
For my land.

I am not permitted to utter
And use my own language
By thge Govt that is
Elected by me.

That you never
Involved in it.

My dress is my hair
My bed is my earth-mother
My life is my nature
You are only mine and all in all, my dear.

I know it is useless to depend on
Any social formality or occupation or dress
See me, I am always fresh and refresh
I am absorbed in You and in the function of pleasing You.

And in my life-journey
In this process of life-journey
I realized You, Ultimate Truth and everything
O my dear, I need nothing but You.

Gajanan Mishra
See Me Today

See me today
I have forgotten
The very path of Truth
My occupation is stealing
Being a man of degree-holder
And minister and officer
My occupation is lying
And needless violence
I am not reluctant to
Declared myself anarchist
See me today
I am eating meats
I have not spared even the cows
I am residing in my mundane house
Family ties extend to
Immediate bonds of marriage
See me today and
Today see the clouds
Without rain but full of lightning
Homes devoid of piety
Man is like ass
Trees and plants are tiny and like dwarfs
O my dear come and see me today
How I am living here
And for doing something
Please appear please appear please appear.

Gajanan Mishra
See Me Touch Me

Taste me feel me
Love me love me love me.

Gajanan Mishra

See me with love,
I am yours, my dear.
I can take you
To the heaven,
Heaven of nectar.

I am ready to go,
To go to you, I am
Waiting your call,
Let me hear, my dear.

And if you are in need
Just give a call.

Gajanan Mishra
See Me, In Uniform

See me, in uniform,
My dear always,
In all circumstances.
I am in uniform,

See me,
I am doing
Certain functions,
Extraordinary-
That are.

For you also.
We are one here,
And the functions are
Here to be done by us
Both, for all good,
By playing so many parts.

Gajanan Mishra

Inseparable and they are
All my life partners.
Let me live with
My mother and my language
On my own land
And let me set free,
I want nothing more than this.

Gajanan Mishra
See Me, I Am Gold Coin

See me, I am gold coin,
See me, I am lotus,
See me, I am the jewel.
Due to your good deeds
I am shining here.
And dazzling all days.
Your smile and your eyes
Are giving me dreams
To measure the sky.
I am an earthen pot
But no one can break me,
See, I am making myself
Beautiful more and more
With the running of time,
As I am only yours.

Gajanan Mishra
See me, I am happy and peaceful
I think I am nothing
And everything is Almighty God.
I am not the enjoy-er
The real enjoy-er is Almighty God.
The proprietor of everything
All over the universe is Almighty God.
Almighty God is the supreme friend
Of all living entities here.

Gajanan Mishra
See Me, I Am Here

See me, I am here before you
My face is very beautiful
My foot is on the earth
My head is in the sky
My body is shining with ornaments

I am here with a merciful glance
My voice is also thunder
I am the Absolute Truth
I am the purifier of all
I wish you all good fortune.

Gajanan Mishra
See Me, I Am Never

See me, I am never enchanted
By the glare of materialistic life
See me, I live impartially
Unattached to the objects of
False illusory materialistic
Way of life.

Gajanan Mishra
See Me, I Am Not Born

See me, I am not born of
A material source but
From the nectar and
Wonderful celestial flower
Navel abdomen of my dear Mother
My Mother is my creator
My Mother is my Ultimate truth
My God and it is Her grace
That I am here
It is my Mother who show me God
It is my Mother who tells me
This is the earth this is the sky
This is bird this is nature
And I am here to fly
To show all the mission of
Life and the meaning of clay.

Gajanan Mishra
See Me, I Am Performing

See me, I am performing,
I am performing my duty
Without any hope for reward,
And I know you are there.
I realize your presence and
Hence I care not anyone,
While performing my duty.
See me, I am here
For the welfare of others.
And you are directing me
To go on doing without
Fear or favour at any time.
I know no obstacle can
Check me anywhere here.

Gajanan Mishra
See Me, I Am Pure

See me, I am
Pure in hearts
And also
Eternally perfect.
See me, I am yours.
But who you are, first
Let me know.
I know all
But mystic,
I know life.
See me, I practise
How to live.

Gajanan Mishra
See Me, I Am Rising

See me, I am rising,
With love divine.
See me, I am burning
Going beyond time.
Love and love
Love is all truth.
Let me say time and
Again I love you, you.

Gajanan Mishra
See Me, I Am So Mean

See me, I surrender unto You
O my dear, I surrender
As because You are the cause of
Cosmic manifestation
And You are untouched by matter
See me, I am so mean
I am proud of my material body
And senses, I am nothing
I am in deterioration
And I know there is no
Occasional change and no
Deterioration of internal potency
Where You are my dear
I know You are here in me.

Gajanan Mishra
See Me, Test Me

I am staunch
In my dispassion,
Steadfast in wisdom,
O my dear, I cherish
Deep devotion to You.
I realized You are,
My only Truth,
You are my only Love.
I know You are
The fountain of all joy,
You are the enlightened,
You are the home of virtues
Wherein I desire to stay in.

Gajanan Mishra
See Me, Within You

I am the earth,
Water is there in me.
And in water,
Find sound, touch,
Form and taste.
I am the reservoir of all,
All air, all fire.
See me, within you.

Gajanan Mishra
See Mirror

Come and see mirror
I am here
Beyond time beyond tide
Beyond day beyond night
No hands no legs
See I am everywhere.

Gajanan Mishra
See My Car

See my car,
I am driving the car
Ask not its name and number
I have already mentioned elsewhere here.

See my car,
I am driving the car,
Controlling the steering wheel
I am driving the car,
Giving due respect to
Accelerator and brake,
I know here in this car
There is the truth called engine,
Passion and action are there
In fuel and I know all knowledge
And everything is there in tool box
Provided by the company itself.

See my car
I am going with my car
To the service center
As it is not running well
As it met an accident
Though no fault of mine,
All of a sudden it met an accident
With the rain and the sun.

Gajanan Mishra
See My Courage

See my courage,
I have picked you up
From everywhere.

Gajanan Mishra
See My Exclusive Devotion

See my exclusive devotion
See truth in me
See me in essence.

I have my true love
I am entering in to You
I know love is the entrance.

Love is not attachment
Love is not curiosity
Love is not hope.

Love is life

Here, the sun, the moon, the star,

To pacify any cruel person,
And you are good enough
To forgive the bitterest enemy,
You are unagitated and peaceful.

Only fire.

Gajanan Mishra

And the water?
If yes, can you deny then
They are the sky and the stars!

The sky is the whole, am I right?

Death is not here, hatred is not here, love is here, life is here,
O my dear, o my dear, hope is here, joy is here, life is the nectar.

Rain or summer, spring or winter, o my dear, love is here,
Love is here, truth is here, truth is here, life is near and here.

In favor of robbing
Peter to pay Paul.
I know there are lees
To every wine.
But
My dear, I am not
That kind of person
Who is ready to
Quarrel with his
Own pen and paper.

Gajanan Mishra
See, No End

See, no end,
No end of line.
Line is there
But it is I
Who is not
Able to see.

And I am
with you,
I know you
As the truth.

I exist
For you
And you exist
For me.

Gajanan Mishra
See, The Bridge Is Burning

See, the bridge is burning,
You are in one end, dear
And I am at another.
You are coloured and
You are Incomplete.
You are just opposite of me,
And within us, there is
The burning bridge.

Gajanan Mishra
See, The House Is

See, the house is empty,
The crow is sitting on the roof.

See, the sun in the sky
Is setting and misunderstood.

See, this world is decaying
And it has no existence.

See, my friends are no more
One by one they left this place.

You are calling my number in my house
And I am going from my house like
The stars of the morning.

I am committing sins here
Knowing fully well, satisfying the ego
And singing the praise to satisfy the wicked.

Gajanan Mishra
See, The Silent

See, the silent
Is speaking, and
I stay awake
As a witness.

Gajanan Mishra
See, The Sky Is

See, the sky is
Within me.
I am taking the sky
As and where I wish.
And I wish
The sky be here
On the earth.
Earth is my mother,
I would like to
See the beautiful
With all.
I am the earth
Going to the sky
And I wish the sky be here.

Gajanan Mishra
See, this is the cow, my dear children,
And we are attaining four important
aims of life through rearing of this cow-
Money, righteousness, desire and salvation.
Cow gives us milk, children,
Milk, churned butter, cow-dung adds
to the wealth and also to the health.
Purity of atmosphere is there
by the dung and urine of the cow.
Cows milk sharpens our intellect, children,
Let us be a cowboy, my dear children
and rear cows for bare necessities of life
Food, water and clothes and let us
Save ourselves from a miserable life.

Gajanan Mishra
See, What Is Not In Sight

See, what is not in sight.
Go, where there is no road.
Say not using any word.
And hear, though with no sound.

Life, and is it a dream?
I am asking you and you are
Here to clarify but without
Any consent just move round and round.

Gajanan Mishra
See, Who Is There

See, who is there
In front of you.
Is it not the truth!
Who is the guest?
Is it earthquake!

I see nothing is there
Inside the earth.
But I see the path.
I see that has value
In dreams and in reality.

But here my shadow
Acting as my guide.
And here I am the earth
With landslide.

Gajanan Mishra
Seed

Seed
Not perishable
Seed
The ultimate substratum
Of the whole creation.

You are the root cause
Of the entire creation.

You are all pervasive
And in all formed.

You are my seed
You are my root
You are with me
I'm in you.

O my seed
I have no
Other need.

Gajanan Mishra
Seed Is With Me

Seed is with me
I am the cause of my birth
I am going towards
Highest perfection
With this seed
That is with me.

Gajanan Mishra
Seed Is Within

Seed is within,
What is necessary
Is watering.
Life is here
What is necessary
Is love, my dear.

Weeping and smiling
At the time is nothing
But life.
Crossing the border of
Flowers and fruits
Is life's aim.

No reason to argue,
Life is the only truth.

Gajanan Mishra
Seed Of My Father

I am the seed  
Of my father.  
I am like  
My father.

It is true,  
My mother is  
Not the ultimate  
Cause of my birth.  
But my mother  
Is the living God  
Who has given me birth.

I belong to both  
My mother and  
Also my father.

Gajanan Mishra
Seed-Potent

You are boiled
And you are not
Potent to sprout.

Gajanan Mishra
Seeds Are Sown

Seeds are sown
Sometimes they grow
Sometimes they do not grow
Sometimes the ground is not fertile
Sometimes sowing seeds are not productive
And there is nothing to lament or jubilee
And nothing to show anything to anybody
Desire not anything, my dear
Accept what is easily available near and here.

Gajanan Mishra
Seeds Of All Existence

O my dear
You are the seeds of
All existences
No being
Moving non-moving
Can exist without You
And existence no found
That which is not
On your energy
I am thankful
I am yours almighty.

Gajanan Mishra
Seeds Of Life

I love my life
Here in life
I see eternity.

Here is my entity
Here is subtlest
Here is grossest.

I love life
Life is here
Life is there.

In life
Here is
Cosmic intelligence.

I love
I love each
And every fraction
Its evolutes.

I love life.

Gajanan Mishra
Seeing

Seeing sunny day dark
I bark
No body heard.
Counting number
Downward and upward
I remained as it is
And where it is.
I love I hate
And start collecting
What is mine.

Gajanan Mishra
Seeing And Hearing

Hearing and seeing,
Seeing and hearing
From proper authority
In properway and
Know how pure you are.

Part and parcel of truth,
Here you are without any
False ego, without
Cutting the knot you cac go.

But where to go
Not possible to say
At this stage here.
Since no one is sure to
Say what is there to happen.

Gajanan Mishra
Seeing Everything

Seeing everything
In its right perspective
Is well and good for life.

Be free from lamentation
And hankering and
Make your senses purified.

Purification opens
The door of liberation
Just transfer attachment.

Attach yourself to Truth
O my dear, as I know to remain
Desire-less is not possible.

Utilize your attachment
For the best purpose
And attain perfection.

O my dear, be tolerant
Merciful and friendly to all
Be in peace and abide scriptures.

Gajanan Mishra
Seeing Gold

Seeing truth-gold, gold-truth
Is a great thing.

You are able to see,
As because you have eyes,
And as because you desired to see,
That is your greatness.
On your seeing, who said what,
I know, that has no value to you.

You have told what you have seen,
You care not anybody at that time,
As because you know the truth,
As because you love the truth,
You know, only truth would triumph,
Only love would triumph.

Gajanan Mishra
Seeing Hearing Thinking

Seeing hearing thinking all are
My think-tank and are unreal.

Unreal has no existence
And it is continuously perishing.

This earthly world is non-existence
The entity of the real is ever-existent

The real is present
The real is ever attained
The real is ever constant.

Gajanan Mishra
Seeing Smiles

Seeing your smiles
I am happy.

This world is yours
I am only a guest
For a few moments
Here in your courtyard.

O my Lord
Receive my prayer
I want you only
To remain present
With me always.

Gajanan Mishra
Seeing The Aim

Seeing the aim
I am going to achieve it.
If you ask about my aim,
Listen, my aim is
Only Truth, only Divine love,
My aim is only You,
And I know You are fixed
Here, there, everywhere,
And I know You are within me.

Gajanan Mishra
Seeing The Cliff

Seeing the cliff
I returned back
But where to go
I do not know.

No aim
But to go
To the place
Where we stayed.

Unveiling the reasons
I again started journey
Without any discipline
Without any belonging.

And I stayed
While you set off
All findings
In my possession.

Gajanan Mishra
Seeing The Day To Day Activities

Seeing the day to day activities here,
I am mad and dumb and also retarded.

No one is there to cooperate, coordinate,
No one is there to explain what is going on here.

The creatures are fighting among themselves,
With no reasons and they are in dark, though
The sun is rising daily and giving light.

I asked the night, 'why are you so calm?
And the night replied, ' I am on your palm'

I am reaching nowhere and I am asking all,
Oh men, ' what is the problem with you'
All, in one voice, are giving reply' we are
Searching the truth, but not anywhere.

I am mad, I am dumb, I am retarded.

Gajanan Mishra
Seeing The Horror

Seeing the horror
Voice choked
Words indistinct
Words broken
Seeing the horror
Seeing the horror
You understand me
And appeared
You appeared and
I got relieved.

Gajanan Mishra
Seeing The Present

The past and
The future
Would be
Automatically seen.

Virtue is rooted
In the present
And in doing good
Of others
The world is the one
And whole itself
At present.

Gajanan Mishra
Seeing The Real

Let us see the real things
That are unchanged
And enjoy life as it is.
Let us not wander
And be ready to go
With the fire and the water.
Let us locate the position
That is here with all
Righteousness and good appearance.

Gajanan Mishra
Seeing The Squirrel

Seeing the squirrel
I proceeded without
Putting any question
Seeing the squirrel
I admitted my guilt
That I was wrong.

As because I was wrong
I am liable to be punished
And the punishment is fixed
As because I saw squirrel
That was not there
I was wrong.

Gajanan Mishra
Seeing The Time

Seeing the time
I am moving
And while moving
I am taking you.
Taking you
I am closing the door
And closing the door
I focused the light.

Gajanan Mishra
Seek And Get

Seek and get,
Get and say hurrah!
But what it that
Who knows?

Light is there
In your own room.
But where is that room
You have to search.

Search and discover
Within, my dear.
Love and love
Till the truth will
Appear here, get it
By dint of surrender.

Gajanan Mishra
Seek Not

Seek not
Shun not
Rejoice in
Everything
Everywhere
Know
All is
Form the best.

You have
Love and
Laughter
You have life
And favorite
Always say
No to no
Yes to yes
Time is yours
Now and
Forever.

Enjoy life
Enjoy boating
You have passion
You time
Everybody is
Your friend
Behold them
It is you
Only you.

Gajanan Mishra
Seeker

O my dear
I am hungry
You are my food
I am thirsty
You are my water
I am seeker
You are my pleasure
I am a creature
I am rare
And rare is my desire.

Gajanan Mishra
Seeker Of Comfort

Come to me,
I am here to
Show you
How I am here
At this hours
Of midnight.
I am here to
Show you
The colorful night.
Come to me
And tell what
You know about
The things
That are here.
Come to me and
Say a few words
And let me know
How and who you are.
I am what you are,
And you are what I am.
Come to me and
Test the time.
Miss not please,
Knock the door
And call me, sure.
I am ready to go
With you, weak though.
I am not the seeker
Of comfort, but
I am here to
Realize the life
For truth.

Gajanan Mishra
Seeker Of Truth

Seeking truth
I'm the seeker of truth
I'm interested to know
What is truth and where it is
Though I know nothing about truth
Though everything is truth
And truth is everywhere.

I know only love is truth
And truth is love and
It is with all animate
And inanimate.

I have no other interest
I have no other motive
But to love
But to seek truth
I'm the seeker of truth
And truth is love
And love is truth.

Gajanan Mishra
Seeking Employment

I seek some employment
Under Your Supreme service
My highest perfection.

Serving at Your feet
I am extremely happy
I feel everything here.

O my dear, Like others
I also do not want
Relieved from engagement.

I am sure through this
I can attain You
Here at this point.

Gajanan Mishra
Seeking Permission

Who are you to give me permission,
To whom I want to pray and worship.
I want to worship the sky and I know
You are under the sky. I want to
Keep with me the humanity and you
Are coming under that category
On your own. I want to pray and
Worship the air. I know without air
You cannot live for a moment here.
I want to worship the light, without
Which you cannot see anything and
You are nothing. I want to pray
The earth, the mother of all, without
This earth how and where will you stay.

Gajanan Mishra
Seems As Nectar

Seems as nectar
In fact it is poison - wife
Seems as friend
In fact it is enemy - son.

Remember the above, my dear
The words of the scriptures
How far it is true
Underline it in the ink that is blue.

Gajanan Mishra
Seen and heard,
Everything
Known and unknown.

Experienced failed,
Judgement wrong.

Food, dress etc
Not provided.

Foolish men
Crossed the border.

Nothing finished
Still then.

No adversity,
No shortcomings,
But humility reigned.

Gajanan Mishra
Seen And Unseen

What is seen
What is unseen
That is confusing
What is immediate
What is future
That is not sure
Sure is
I am hungry
Give me food
I am thirsty
Give me water
I am yours
Here and hereafter.

Gajanan Mishra
Seen The Truth

In some way or other
You have seen the truth, my dear,
And Plato said you are human.
Being human you are to
Stay in truth always.
Truth is your home
And be truthful in your
Words and actions.
Love the truth,
Live for truth,
And be proud to
Die for truth.
Truth is that
There is no death
No birth for you.
Truth is that
You are the love
You are the truth.

Gajanan Mishra
I have seen the vision
Here in the water here in the sky
And also I have seen eternal inhabitants
There in with their appearance and
Disappearance at the same time
What was wonderful therein
That I could not described
But I exist in that wonderful incidents
And therein You encompass everything
When I am seeing You, O my dear,
What have I not seen was not there
And all that are also amazing.

Gajanan Mishra
Seeta Aasuchhi Pasi

Seeta aasuchhi pasi

Gajanan Mishra
Seismology

Seismology,
I have read.
I know something
About the earthquake.
I am the earth
But I failed to
Know why I am
Tremblings so far.
Some said
I am trembling
Due to my desire.
But I know not
How to quit
My desires.

Gajanan Mishra
Select and accept, and
Name them, they are
All for you. They are
All yours. No one is
Left to say how.

All for you and
You are for all.

It is all beautiful,
All horrible,
All for you,
All useful and
All wonderful.

Life is not but
Decorated pebbles.

Gajanan Mishra
Select And Analyse

Select and analise
Before going to speak.

I am the best
And I am with you.

Gajanan Mishra

Equally important to reach
At the goal at the earliest.

I know you are self-evident
And you are eternal and I am
Going to you for a grand union.

Gajanan Mishra
Self And Others

Good and bad,
Right and wrong,
Self and others,
Appear and disappear
All are but
Relative to each other.
But we are to know
The thoughts and feelings.
We are to know the actual
Cause of pleasure and pain.

Gajanan Mishra
Self And Selfishness

Self is self consciousness
And not selfishness
Self is non-changeable entity
Selfishness arises out of matter
Self is free from sense of doer-ship
Selfishness has a link
With pleasure and pain
Due to selfishness
We do not have self-realization.

Gajanan Mishra
Self Control And Discipline

Self-control and discipline-
Most important for a human being.

And stay everywhere without fear.
No one but you yourself-
Your best friend and dangerous enemy, remember.

Gajanan Mishra
Self Declaration

You are giving
Self-declaration
Who You are
How You are
What You are
O my dear
I am here
Following You
And not reaching You
Explaining the reasons
You are again
Giving clarification
In Your sustenance
In Your presence
That You Yourself are
Declaring in to me
That You are no other person
Than me.

Gajanan Mishra
Self Delusion

What to say about date palm
Only symbol of betray and self delusion.

There is only trust deficit
And traffic jam and no
guarantee of life and balm.

O my dear, You are expanded
You are separated from all.

I am doing everything
Being from egoism
Attachment and aversion.

Gajanan Mishra
Self-Born

My poems are self-born,
I have no role to play at all.
The words are not mine,
The feelings are not mine,
The very writings are also
Not scholarly.
Yet, they are called poetry
By you all.
It is your greatness.
I am nothing and nothing,
After so many writings,
And despite all thinking,
I am not pacified.
I am not able to know
The root of my dissatisfaction.
I have limited knowledge, I know.
Even, I am unable to put
The questions in the proper way.
Am I far from the truth?
But I have heard from the learned,
I am the truth here.
And poems are the fruits
Of my love and truth.
If it is so, let my poems
Grow in the vast sky,
Let me fly with the poems there,
As usual under nature,
Without any fear and favour.

Gajanan Mishra
Self-control and
Life of discipline
Is necessary to
Make a successful

Enlightened and blessing
Be earned by all
With true knowledge.

Gajanan Mishra

I am the truth,
Remember me,
I am in your heart.

Gajanan Mishra

Gajanan Mishra
Self-Evident I Am

Self-evident, I am
With determination
I am searching them.

Who are they?
What for I am here?
Answers are not available.

For wrong answer
Minus marking are there
And You are uttering words.

No renouncing no affinity
Misusing freedom
I disclosed my egoism.

Crossing the temporary phase
I stood straight and
They asked me where is the gate.

I am here as before
And they approached me
Questions much more.

Gajanan Mishra
Self-Evident Identity

I am also nature-made
And I am God-made.

all as the right of all.

I have no right to
take the life of others,
I know we all have
the same feelings as the fish,
I giver honor to all and I consider
My duty to liberate from pain and suffering.

Gajanan Mishra
Self-Organized

Man is self-organized
There is no need of organization
To control to channel a man.

Without pressure
From any corner.

The incarnation of
Almighty omniscient.

And is fit to enjoy
All here in this world
Without having any self-interest.

God-perfect.

Gajanan Mishra
Self-Servicing Politicians

Self-servicing politicians
Unalterable laws of economics
Formed vicious circle.

Voters are caught in net
Everything to give nothing to get
Playing of crocodile and monkey
Are being set.

Starved poor
Debt ridden farmers
Commit suicide
Policy paralysis
Administrative crisis
Debilitated middle class
Un-affordable price
Rampant corruption
Touching high.

Sell Not

Sell not your time, dear,
You cannot earn again here.

Gajanan Mishra
Selling And Buying

Seling and buying is
Like coming and going.
But see, nothing to sell
And nothing to buy,
And see, no where to go,
And from no where to come.
As because, nothing is
Your own, my dear.
But you are roaring here,
Just like the dry air
Of the desert and nurturing
Your ego with your
Blood-pressure that is low,
In the tented shore.

Gajanan Mishra
Selling Poverty

No one can sell your poverty,
Without your consent, dear men.
But it is you,
Who is there to sell for nothing.
And what is your poverty?
Your starvation?
Your unemployment?
No, not at all, dear.
It is your mentality,
Your mental status,
That how you treat yourself,
That how you treat your mother, and
That how you treat mother language as
Inferior and not superior.

Gajanan Mishra
Selling Son

I am ready to sell my son
The rate is fifteen thousand
Amount is negotiable
If you are interested
Come on to buy
I am ready to sell my son
Due to poverty,
Think not pity.

Gajanan Mishra
Selling Time

I am
Selling time,
But time is
Not there
To buy.

Time is here,
But I fear,
I am not
Getting time
To cheer.

Life is to cheer
And also cheer
Is there for life
If time permits.

Gajanan Mishra

Elaborate description
About us
O my dear
And I am

Aroused.

Sending Utilization

Know how to utilize
And know sending
Utilization certificates
To proper person
At regular intervals
Without being attracted
By anything here and
Proof yourself intelligent.

Gajanan Mishra
Sense Gratification

Illegal means
Sense gratification
Absorbed in lust anger
Anxiety immeasurable.

Conceit of pride
False prestige
Unclean work
Impermanent.

All the above are
Paths through which
You can reach hell.

Gajanan Mishra
Sense Of Mine And

It rains heavily
And for this
Several creatures
Are killed.
Life of several
Other creatures
Is saved.
No sin no virtue.
No egoistic notion
No tainted intellect.
So also I am
Going on doing
My actions without
Sense of mine and selfishness.

Gajanan Mishra
Senseless Work

Senseless works
Are plenty
And I am busy in it.

I am far away from
Real beneficial works
And that is Your devotional service.

O my dear, I know
You are the root of all
And so far I have forgotten to go to You.

Oh, I am so foolish
That I do not know
My self-interest is in You and in Your realization.

Gajanan Mishra
Senseless?

Senseless?
What is that?
Butchers?
That I can't say.
But I must say,
Any killing is
Harmful and
Against nature,
And natural justice.
No permission should be
Given to anyone for
Harming, torturing
And killing.

Gajanan Mishra
Senses Are Not Allowed

I am not lonely
My senses are not allowed
To go towards the sensual objects,
I am with You, my dear
And see how I am calling You
And I am in my self-control.

Gajanan Mishra
Sensible Man

Being sensible
I want to stay alone
With my emotion
With my sensation
I want to stay alone
For welfare of people
Being sensible being sensible.

Gajanan Mishra
Sensing Drought

Sensing drought
I appeared.
We are both here,
I and my time.
A new way
With new sense.
Is it drought?
We are still here.

Gajanan Mishra
Sensitive Writings

Sensitive writings are needed
At present here at this time.
More empirical and experimental
Approach are also needed
To maintain world peace and harmony.
We are for us let us understand
And move together towards development
Though in different settings.

Gajanan Mishra
Sentiment

Sentiment,
Sentiment leads to truth
And love is divine,
No pride is here,
But self-respect is there.
No feelings fo any
Superiority, no obstacle
to any progress.
Discipline is there
And there is also happiness.
All good is here and
In goodness, all are in safe.
Selfless offering is the main
Pillar of life here.

Gajanan Mishra
Sentiment Of Love

I love my service
I love my friendship
Love is there in affection
Love is there in conjugal life.
Superior is sentiment of friendship
More superior is sentiment of affection
More superior is sentiment of service
And that of conjugal life
Sentiment attains perfection in Love
And I love you O my dear
O my sweet heart and my sweetness
Develops by becoming with you
And I identifies myself with you
And it is my sentiment of love.

Gajanan Mishra
Separate

You can make a partition,
But it is really difficult
To stay separate.
How can you stay
When you have no
Separate identity.

How can you begin afresh
When you are beginningless,
How can you utter
When you are wordless.

Time is perfect
But being imperfect
You are to cross the time
Though bound everywhere.

Gajanan Mishra
Separate Interest

I have no separate interest,
Also, no need for that.
Individual, though,
I see the interest of the state first
With my perfect vision, from all angles.

Gajanan Mishra
Separate Not

Separate not from
One side to another
From east to west
Communist and capitalist
Black and white
Liberal and conservative
Rich and poor
There is nothing like
It is our own mental
Imperfection and illusion
It is our ignorance
Our wrong conception
Let us absorbed in Truth
And it is one only one.

Gajanan Mishra
Separate not
Life and love.
Love life,
Life is nothing
But the union of love.
In love war is
But common,
And in war
There is peace
Only in love.
Dream life - love,
Love life - dream.
High or low,
In love, no matter.
Language must be
In love.
Love must be
Clear, dear.
Life must be
Like an open book.
Love is not desired,
Treat not love
As lust.
Love is as sacred as
Nectar.
Love gives life,
In light
That is eternal.
Light without shadow
I love.
I love, and love
In life I love.
The love is the opener
Of the truth.
Life is nothing
But all truth
I see in you.
Separate Origin

Breeding not from angels
Not from apes.
Origin is separate from start.

From the very start
Superknowledge that is
Divyagyan is with me
And I am distinct.

My creator satisfied with me
From the very start
And declared gretest
And noble creation.

Gajanan Mishra
Separate The Subject

Separate the subject from the object
Give a chance to work the verb mine.
The verb can cross the borderline
The lifedoctrine gradually created vine.
Yellowjasmine played wonderfully
No doubt I achieved goal
without ego without foul.

Gajanan Mishra
Separating Yourself

Separating yourself
You breeds violence
And violence does not
Belongs to anybody
Anything and you
Must adjust yourself
With mutual understanding
For the welfare of all.

Gajanan Mishra
Separation Is Sure

Separation is sure
Today or tomorrow
Separate elements are
There to reunite again
Not sure.

Do not link yourself
With perishable materials
You are to get sorrow and
You are missing a bright
Tomorrow.

Gajanan Mishra
Serchhuuaa

Serchhuuaa kentakari
Medhaveliru aeba
he upe ni karbar kihe.
Kenaachha goanra luke
Kanhi gala tumar maet
Tumar paban tumar gachh

Hisabkitab ni karbar keve.
Chhidei pudei hauchhan
Chuchhe chuchhe
Chhidigala Pudigala
Ghaslata badhaba kenta
Bhavbar no tike.

Gajanan Mishra
Serene And Fearless

A true poet is
Always serene
And fearless
Firm in the vow
Of celibacy
With mind controlled.

Gajanan Mishra
Serenity

Serenity, I discovered
It, within and I am
Moving ahead to win.

Gajanan Mishra
Serenity And Self-Control

Fire is clouded by smoke,
Men, you are the fire of the sun,
Defects are there, and it is common,
But men, you are to stay
With serenity and self-control,
To win others and so, men
Go with your innate duties,
Forget defects, mistakes or errors.

Gajanan Mishra
Serious And Sincere

Nothing is false,
Even false itself
Is not false.
Truth and virtue
Are therein everything
And in everywhere.
Let us purify ourselves
And let us stay
Serious and sincere
In words and actions.

Gajanan Mishra
Serious Thought

Please have a serious thought,
About keeping your mother,
About using your own language,
About cleaning your own land.
Your thinking process is everything,
That can give you a new way
And you can climb high and you can
Declare yourself the winner of the world.

Gajanan Mishra
Serpent And Peacock

Serpent and peacock
Are here in Your mouth,
And You live in this world
In disguise.

You assumed various forms
It is true, but I know
You are one and the same
For all for all times to come.

You are intangible
You are non-perceivable
And You are able to do anything
That nobody here can do or capable.

You have granted the vision
To all to know about You.

Gajanan Mishra
Servant

I have no right
To give order
I have no right
To extract obedience
I am a mere servant
I am here to serve you
And rendering service
Is my motto.

Gajanan Mishra
Servant And Master

You yourself is
The servant of your own senses
But you are trying to be a
Master through various devices.

Intention is bad.
It is dangerous to
Increase opulence without
Knowing its proper use
Not good for the society.

Gajanan Mishra
Servant And Service

No service but called servant,
And the servants are ruling and exploiting the people - masters.

Gajanan Mishra
Servant Is Unfortunate

When his master does not
Punish him for his offenses
And the master accept
The servant as his own.

Gajanan Mishra
Servant Of The Truth

I be considered Yours
O my dear, see I am here
My business is to serve You only.

See, I am awake
And I understand
I am Your part and parcel eternally.

I am free from my servant my mind
I am engaged in Your works always.

Gajanan Mishra
Servant's Servant

I am Yours servant's servant
And I am getting full satisfaction
And eternal pleasure out of my duties.

Gajanan Mishra
Serve The People

Serve the people
In action,
No despair
No dissipation.

Love life,
Stay happy.
Keep within
Vision of reality.

Cry not, but smile.
Take not, but give.
Utter not, but act.
Fly not, but walk.

Show your play
On the sands.

Gajanan Mishra
Serve The Truth

I am trying to
Make you serve
The truth.
And for this,
See me, I am
Here engage me
Twenty-four hours
A day in poetry,
For good.
I am in love,
And I know,
The value of virtue
That is in words,
That are yours, for you.

Gajanan Mishra
Service Is Voluntary

Service is voluntary,
Give service here
To build this nation.
Help others
When they are in need.
You said you are
In service
But I find no reason
To agree with you.
I find no reason to
Agree with you as because
You are taking salary.
And for this
Let me call you a servant
But not in service.
Man who is in service
Always ready to help others
But you are not helping
But giving trouble
To others and extracting
Anything you find from them.
You are only a servant,
Let me treat you as a servant,
And you are liable to
Get punishment.

Gajanan Mishra
Service Holder

What are you doing
And you answered
I am a service holder.
And I asked
Do you know what is
A service my dear.
Remember, the words
I am telling, your duty is
To serve others and the service
Does not required anything
In return but getting joy.
Are you sincere in your duty
And yes, you said but I marked
You have no control on yourself.

Gajanan Mishra
Service- Only Way

In real service
You can not find
Any self-interest
And ego.

In real service
There is the way
To attain perfection
The Truth.

Please come
In one direction
Nothing to diffused
In real service.

Gajanan Mishra

**Service Purifies**

Service purifies  
Mind and actions  
Good friend is best  
Remedy for all ills  
Spiritual discipline  
And actions are necessary  
To fulfill the aim  
That is to go to  
Light from darkness.

Gajanan Mishra
Service To The Mother Land

Service to the mother land
Should be made compulsory,
Let all citizen come forward
Voluntarily to join the army
And navy and air force for
The safety and security of
The mother and the mother land
As per one's own strength.
Let the world know we are
At the top and no force can
Beat us at any time, let the world
Also, know we are for peace
And peaceful coexistence but if anyone
For any reason, without our own fault
try to fight with us we are ready to
Give a lesson and make them realize
For the future generations.
We are for humanity, anyone goes
Against it should know
We are here to smash from the very root.

Gajanan Mishra
Service To Truth

Health is
Better than wealth.
Knowledge is not more
Powerful than desire.

Self-control is
Great strength.
Service to truth
Is the greatest service.

Gajanan Mishra
Session Will Continues

Session will continues,
Go not anywhere,
Stay there, where
You are, my dear.
Stay there with all
Truthfulness and with
All goodness.

Stay with the air
And also with the sky.
Stay on this land
And see what is going on
In this broad day light.
Don't cry, if smile is
Not coming to you suo moto.

Gajanan Mishra
Set Alarm

Set alarm, my dear
Everywhere all time.
You are mine
Keep it in mind.

I have given you
All knowledge, all
Love and everything,
Feel within.

Gajanan Mishra
Set Mind

Set mind and connect yourself
With the Supreme.

Think not why you fell ill
How he suffered
What for he is poor insulted
And dishonored
Why he lost his riches
How his son expired.

This creation preservation
And destruction nothing but
A phase of life and glory.

Gajanan Mishra
Set Mind And Be In Connection

Set mind and
Be in connection.

Set eyes on qualities
Behold purely.

Assume not contrary meaning
And stay still.

Vision bind you
And salvation reviewed.

Gajanan Mishra
Set Not

Set not your
Own house
On fire,
And go not
Outside to
Reap the fruits.

Gajanan Mishra
Set Not Your House On Fire

Set not your
Own house
On fire,
And go not
Outside to
Reap the fruits.

See your
Own disappearance
In you,
You are no one
It is
The only truth.

Discover yourself
In your house.

Gajanan Mishra
Set To Roll

Life is ready
And I am rolling.

My body is holy, see.
And public view is
Not allowed.

I am transporting myself,
I am resizing and
chiseling myself on my own.

Gajanan Mishra
Sethare Achhi (Odia)

Sethare achhi
Kana achhi sethare
Seita jane na.

Gajanan Mishra
Setting Fire

Setting fire
To the rain
I saw the head
On the cloud.

I felt better
Missed sleep
Throwing myself
In to the flames.

Let it burn
Some one said
I laughed
It is ice and
No fire
I scared.

Gajanan Mishra
Setting Of The Sun

Setting of the sun
Is not end of the sun
The sun is not at our sight.

Likewise my death
Is not my end
I am physically out of sight.

Gajanan Mishra
Settlement Outside

Settlement outside
Can be possible-
And the only way
For solution.
Need of time-
Toleration,
Brotherhood,
Peaceful cooperation,
History’s modification.
Check out-
Emotion and
Reality.
Be ready to sacrifice
For others.

Gajanan Mishra
Seven Days

Our life
Within seven days
We are going to die.

Seven days
Our work
Within seven days
We are to complete
All our works.

Seven days
Our love goes
Beyond seven days
My dear come
And love each other.

Gajanan Mishra
Seventy Years

1

Not a joke
Seventy years!
And till date
We are unable to use
Our language at home,
Till date
We are not free,
Not free to speak
What we think,
Not free to do
What we want,
Not free to worship
Our own gods
On our own land.

2

We are human beings
But without humanity
Living here.
We are making friendship
Without tolerance,
Without love.
We are living together
Here, and we have
Crossed over seventy years.
Seventy years,
Not a joke, my dear!
We are not here
In accordance with nature
And we are in fear.

Gajanan Mishra
Severe Rainfall

Here, I am facing
Severe rainfall,
Dense clouds, thunders,
Electric lightning.

Here, Blood, mucus, pus,
Stool, urine, and marrow,
Everywhere.
Here, I see lances, clubs,
Swords, iron bludgeons.

Big serpents, angry eyes,
Fire and desire of lions
And tigers to kill and
Eat everyone here.
Each one is by nature
Very heinous.

Still, I want to live
In this world.
Still, I want happiness
And all good,
That are there here.

I know life,
An illusory mystic trick.
I want to learn
Much more here.

Gajanan Mishra
Sex Life

Sex life- two types
One is in diseased material condition
Another is spiritual sex life.

One should know
The actual spiritual form of sex
And keep himself far away
From perverted material sex life.

It is fact
The whole material creation is
Moving under the principle of sex life
It is fact
Sex life is the focal point of all activities.

Sex life is real
Reality of sex life is
Experienced in the spiritual world.

And the material sex life is a
Perverted reflection of the original fact
The original fact is in the Absolute truth.

Absolute truth can not be impersonal
Absolute truth contains pure sex life.

O my dear You are the only person
To give me information on the actual
Spiritual form of sex
I know You are the original and
Pure sex psychologist.

Gajanan Mishra
Sex- What Is It

It is
Setting fire to a house
Where I am not staying.
It is
Scraping the bark
Off a leaves.
It is
remitting fine while
Introducing a new book.
It is holding out
Hope to somebody while
Calling down curses to another.
O my dear, go not always with it
You are there to miss yourself.

Gajanan Mishra
Sex, No Matter

I am the tree
Look, I am not free.

I have no root
This is my head place your foot.

If you have eyes, see
If you have ears, hear.

Stop there, no word to utter
Who so ever you may, sex no matter.

Gajanan Mishra
Sexual Crime

Sexual crime is rising
And it is alarming.

Law enforcement machinery
Callousness of officialdom
Are reasons and they are sleeping.

Victims are suffering
That bothers nobody.

Where to go my dear
How to live
Why to procreate child.

Our land is lands of
Sages and saints
Shame shame to think.

Gajanan Mishra
Shackled By

Is it true?

I am shackled by
The charming beauty
Of my wife,
By her solitary embraces,
By talks of so-called love,
By the sweet words of children?

Is it not true?

I have not yet forgotten
My real identity.
I am eternal as before,
And they, who are with me
Are also eternal,
I am telling them always.

Of course, it is true,
We are not in true love.
We are here, in this
Material world, and
We are interested in
Sense gratification.

Here, I find,
False love, false life.
But here, I am trying to
Enter into real life,
With wife and children
And trying to keep
Relation with the truth,
And trying to light the lamp.

Gajanan Mishra
Shackles

Shakes off
The shackles
If you can.

No adverse result
Would be there.

Keep detach
Yourself from
Your very work

Gajanan Mishra
Shade Of Blue Whale

I want to live
In the shade of Blue whale
In the deep sea.
I want to go
To the sea for the Blue whale.
An adventuring life is there
With Blue whales
I want to experience.
My wife - a great blue whale,
And when I am with her,
The blue whale can do no harm.
Hearing the blue whale game,
My wife cautions me not to go there.
And I see peace reign
Here at home in the shade of Blue whale.
I have made my wife hear
The stories of Arbinda Das
About Blue whale in Odia language,
And I feel the change of hearts.
I love Blue whale, I love my wife,
I love stories, I love life.
I want to live with all
For the truth.

Gajanan Mishra
Shades Of Darkness

Here is the sun,
And the shades of darkness
Can never approach the sun.

You are the bliss personified
O my dear, indwelling the heart of all
Free from passion and imperishable.

I know my dear, my sun, You are
Free from error and eternal
You are unattached and final.

You are the home of beauty and strength
You are unfailing power, vast
transcending speech, totality of existence.

I know You exhibit different characters
But Yourself remain the same here.

Gajanan Mishra
Shade-Tree

I am in search of a Shade-tree for you.  
In its shade  
You can take rest  
When scorched by  
The heat of the world.

This world is not easy  
To navigate my dear.  
A good navigator is  
But a necessity.

Think not otherwise,  
I know, you are not yet  
Able to decide here  
What is fair and clear.

Gajanan Mishra
Shadow

I am a shadow
You may call me a bird
You may call me air
You may call me stone
You may call me bone
No difference what in name
You call me
I am a shadow
I have time
So long as the sun is mine.

Gajanan Mishra
Shadow - Hollow

Whose shadow?
What is the length
And breadth of the shadow?
What is the message of the shadow?
How the shadow can be used?
I could not get all the answers
At a time at this moment
And You O my dear want me
To follow and it is thus hollow.

Gajanan Mishra
Shadow Can Not Be

Shadow cannot be
Shadow cannot be torn away
From its substance.

The sunlight can never
Exist apart from the sun
The radiance of the moon
Cannot leave the moon,

O my dear, remember
Our relation is like this
And we can never be separated.

Here there is deep love
And the Ultimate Truth
Between us, see, and
No love no Truth means no kinship.

Gajanan Mishra
Shadow Is Yet Another Person

Shadow is yet another person
I am not my shadow
I know, my shadow is my first
Enemy and I am not capable to
Drive my shadow out from me.

Gajanan Mishra
Shadow- Love

Shadow - love
They said openly.
And in that love
We all live
In loneliness.

We come, we go,
In shadow- love.
We feel it
Nearer to life
Though not accepted.

Love is not true
Like life-shadow.
Life is not living
In shadow of death.

Gajanan Mishra
Shadow Of The Earth

Shadow of the earth
That is seen as the dark
Spot of the moon
And it is nothing
It is nothing.

Gajanan Mishra
Shadow, Shadow

Shadow, shadow,
Light, light,
Play is always on
In shadow light.

Who is in shadow
And who is in light
It is not the time
To describe.

Gajanan Mishra
Shadowless Sun

Let him be told to see me
I am here with him.

Let your dress be put off
I am in love.

I am shadowless sun
My dear.

Gajanan Mishra
Shake Hands

Shake hands,
We are all friends.

We are the beginning,
We are the end.

Everything is flooded,
Time is loaded.

Matter clear,
Love all creatures.

Gajanan Mishra
Shaking

Shaking hands
Shaking earth
Lost temper
O my dear
Look, I am here.

Sun set
I frightened
The bird rise
I frightened
O my dear
Look, I am here.

Look, I am here
O my dear
No earth no bird
No dark no water
Only with You
I am here.

Gajanan Mishra
Shall I remain silent?
And for how long?
Shall I left the place?
And to where?

No call is there,
I know.
Since the cause is common
I have to accompany you.

Gajanan Mishra
Shame

You yourself
failed to drive
your life-car properly
and you are blaming
the men who are walking
or sitting or sleeping
or staying with you on life-road.
As a driver of your body
you need to be vigilant.
Remember, you are answerable
for your actions.
Remember, you are to face
the consequences and you are
not supposed to be behind the time.

Gajanan Mishra
Shame Of Thrones

Shame of thrones
And what will you want
And see
Dead man prone.

Gajanan Mishra
Shame Shame

Shame shame!
I am begging for votes
And that is for my poem!

Shame shame!
My letters are so weak
That I have to beg votes
For them!

Shame shame!
And I am writing day and night
With letter and spirit
To earn a name and fame!

Shame shame!
I am not committed to life
And I am living without
Rules of life-game!

Shame shame!
Shame shame! !

Gajanan Mishra
Shame To Read

Shame to read
The problems
That are
All the same.
But we must
Search the solution
Therein soon.
We must explain
The reason of
Not going through.
But it is true
We are the part
Of the problem and
Also part of solution.

Gajanan Mishra
Shastri Lal Bahadur

Shastri Lalbahadur,
As soft as butter,
But as hard as steel.
He was/is for peace,
But march forward in war.
He won/win the hearts
Of farmers and also
That of soldiers.

Shastri Lalbahadur,
Knew well we are all
In the theater and
We are to play our parts
To save others.
Individual identity has
Nothing to do,
But to establish the truth.

Truth is our land,
Truth is our sovereignty,
Truth is we are free,
And free to do anything
For all welfare.
Each man is the ambassador
Of peace and each one
Reflects his own eyes.

Gajanan Mishra
She Is Alive, Thanks God!

She is alive,
Her respiration system
is okay, thanks God!

Gajanan Mishra
Shed Your Skin

Shed your skin
And march ahead.
Take everything easy
And lead a successful life.

The sun shines,
Take charge and
Take initiatives
To do all good for all.

Gajanan Mishra
Shedding Everything

Shedding everything
I came to you, see me.

Who you are I can't say
But I am not allowed to touch you.

I consoled myself, worry not dear,
To see eyes to eyes is sufficient.

You are there on a golden seat,
I am here on a seat made of grass,
I know of course,
Both are the product of the earth.

I have kept my face-cloth
With me for use in time,
But I discovered no separate face,
With me when I see you.

Gajanan Mishra
Sheep We Are

O butcher, and
We are under your care.
You are merciless
O butcher, and see
We remain alive.

O my dear, I am with You
My love, and hearing Your
True and pleasing words
I forgot all fatigue of life.

Gajanan Mishra
Sheer Cruelty

Nothing but
Sheer cruelty.
The practice of
Slaughtering innocent
Animals like buffaloes, Goats,
Sheep, Chickens, pigeons, ducks
Swans etc etc are against love,
Against law of nature that hurt
The sensitive sections of society.

Nothing but
Sheer cruelty.
Nothing but barbaric,
Nothing but against eternity,
Against modernity and humanity.

Gajanan Mishra
Sheer Foolishness

It is sheer foolishness
To regards these belongings
As my own.

I know love is surrendering
I know love is not having anything
I know love has no sense of mineness.

I know my body my senses and my mind
The things and persons with me
All are yours.

I have nothing to do here I know
I am a mere slave here
And You only You are my Master.

Gajanan Mishra
She-Jackal Cries

She-jackal cries
At the rising sun
And vomits fire.
Dog barks fearlessly,
The horse appears to weep.
The pigeon is flying
Like the messenger of death.
The smoke encircles the sky,
The earth and the mountains
Are throbbing.
The wind blows violently,
Blasting dust everywhere
And creating darkness.
Clouds are raining
With bloody disasters.
The rays of the sun
Are declining.
The stars appear to be
Fighting among themselves.
Rivers, tributaries, ponds
All perturbed.
Butter no longer ignites the fire.
The calves do not suck
The teats of the cows,
Nor do the cows give milk.
All are crying, lamenting
And perspiring.
All are devoid of beauty
And bereft of all happiness.
No good fortune and
Greater loss is going on there.

Gajanan Mishra
Shelter

You are my shelter
You are my only only shelter
I know Your hands and legs
Are distributed everywhere
Being the store house of love
Being the supreme controller
You are my shelter
Only shelter
Only by knowing You
I can reach my goal
I can find my soul
With You Supreme Super soul.

Shining all white -
Taj.
With all blood red
Inside.

All hunger all thirst,
All days passed.
Things difficult to
Adjust time.

Sentences not fine,
Vacation not defined.
All opposition checked,
Floors in illusioned.

Gajanan Mishra
Shining And Fresh

See me,
I am shining and
Fresh always.
I am a man,
And with humanity
I am touching
The eternity.
See me,
I am shining and
Fresh here
For my love
And for the truth.
I am the same
What you are there,
My dear. I am here
Only for you.
I am within you,
And you are
Within me. see me,
I am the time.

Gajanan Mishra
Shining Heat

Yes, I feel
the glow, shining heat.
I feel, burning within.
I feel, opening of door
of your wish with wounds
But I am helpless, duty bound.
Footprints of time is to be seen
in our palms, nothing to cheat though.

Gajanan Mishra
Shining Pearls

Girls are not mere girls
As you said is right
Girls are really shining pearls
Give girls a handful of warmth
And a heart full of love
Girls are the future creators
Of our civilization
Give a little amount of care
O my dear son, and give affection
Provide proper knowledge and education
Girls are the main pillars
Of our nation.

Gajanan Mishra
Shining Within

You are shining within
That I know my dear
And I want to see You
After giving up all.

I am Your pure reflection
That I know my dear
And I am here with all
Unattached within.

Nothing is here with me
That are sinful propensities
My dear, I desire nothing
That can bind me.

I see how the time I have left
To live and diminishing with every passing day.

Gajanan Mishra
Shining Within -Life

It is devotion,
It is dispassion,
It is wisdom,
That are shining
Within.
And I am within.

And inanimate, see.
I am on the sky,

I am on the earth,

I am in water,
I am the water.

See, my dear,
I am here there and
Everywhere, all times.

See me, it is I
Who is shining, shining.

Gajanan Mishra
Ship

Ship,
It is You.
I am in the deep sea,
It is true.

And I have no
Other option besides
Calling at this time
Here in this world.

You are there
And You have no link
With time or with anything.

My duty is only
To love You and to
Surrender before You.

Gajanan Mishra
Ship Of Pleasure

You are the only ship of pleasure
In this sorrowful sea of the cosmos.
You are the only day of my night
You are the only rain in my sunny days.

Gajanan Mishra
Shirk Not Duty

Shirk not duty
So long as you
Are alive.

Gajanan Mishra
Shoot At Your Wish

Shoot at your wish,
Forget, you are alive.
What would have happened
Say as it is.

What is yours?
Why are you so busy?
Search out please
Where is tiny boat in the sea.

Gajanan Mishra
Shoot Me

Shoot me
Shoot me if you
Find me not in
Truth and not in
Love.

Throw me
Throw me to
The dark-well
Of hell
If I swell.

I am Yours
As before here
O my dear, You are
Only mine and near.

Gajanan Mishra
Shoot Not

Shoot not in the air
But hit the target.

Worry not,
Everything would be
At your disposal
But let the sun rise first.

Wait and take
A look at the sight.

Gajanan Mishra
Shop Love Today Itself

Shop love today itself,
No bargain, no rate,
Love, you can get, it tells
only through love.

Come, you are welcome,
See and feel the blooming of
flowers within you, dear,
See the dream near.

Being a poet, let me enlighten
the environment that is lovely
and beautiful all around,
and truth therein that I found.

You are sketching the sky I know
with all sweetness of this life-flower.

Gajanan Mishra
Short And Long

Short and long
Nothing is there
You can say short
Or long.

No point to measure
Here or there
In upper or lower
In this fair.

You can express
Your desires
And you can enter
From any point near
Or there.

Mixed unmixed
You can find
That is fixed
In you in me.

If we wish
We can change
Anything at
Anytime but for why?

But for why
Is a question
To be ask within
And action be taken.

The action you have
And its effect
Should for common good
The Ultimate Truth.

Gajanan Mishra
Short Life Or Long

Matter little,
Life short
Or long,
But life
Be strong.
Life is not
In the breath,
But breath is
There in life.
Best thing is
To look around
And kiss the earth.
Difference is not
In day or night.

Gajanan Mishra
Short Of Words

Poem is going on
With a shortage of words.
And here, I asked
Where is the short?

All observed,
But I asked
What for the observation?

All said
Let us go,
But where to go
Who knows, please
Explain in details.

No interior decorations,
But all left the start.

Gajanan Mishra
Shortage

Shortage of food,
Shortage of water,
Shortage of time,
Shortage of room,
Shortage of rope.
Everything is in short,
Short everything
Besides life on earth.
Tie in knots-
I know not the technique,
Life is not so easy.
Teaser is time,
And I am not in term
With tear-jerker.

Gajanan Mishra
Shortcut Route

Shortcut route
Is the longest one
To reach destination.

If you obsessed
The destination
You are not wise
You never reach.

Shadow has its
Own light
And I am there
To measure.

My dream callme
And I never listen
Now I call
My dream
And it giving
Attendance Yea sir.

Gajanan Mishra
**Short-Cuts Is Life In Poem**

It is not mistaken on facts.

You must deal with
The process of inference.

Life is life, see in poems
Poem is poem, find in life.

Poem is reduced physics
To see the real world.

Real world is at our hands
That is the deliberate truth.

Poem matters to the readers
Showing all shadows and mirrors.

No rule is applicable here
O my dear, you may fly without fear.

Shortness could not
Be overcome
Life is not in a tomb.

And enjoy the fun
Though we find none.

Not in like manner.

One after another
All are going farther
Except You, my dear.

Let us learn afresh
How to measure.

Gajanan Mishra
Should I Believe You?

Should I believe you
Because of the things
You say?
But I should believe
In your deeds.

Gajanan Mishra
Should Not

I can not take you
With me
You should not
Called me yours.

I can not change you
As per my sweet will
You should not
Called me yours.

I can not possess you
And I can not keep you
As you are
You should not
Called me yours.

We both are here now
It is not false
You should not
Called me yours.

I am changing me
And I am looking you
You are changeless
And you are looking me.

Gajanan Mishra
Shoulder To Shoulder

Blame game,
Not good for anyone.
We shall not forget
That we are one
And we are here
For all.

The officialdoms rejoice
But the entire mass suffer.

Our ideas and experiences
Amd work shoulder to shoulder
And let us go out
From any inferiority complex.

As we are dedicated to life that we live.

Gajanan Mishra
Showing Concern

Showing concern
I want to measure the sky.
And the sky is no where.

I failed to understand
What you are going to do
And yet I am with you.

My friend, my philosopher,
You are everything, my dear.

Gajanan Mishra
Showing Foolishness

Showing foolishness
In skin, in hair,
In flesh, in bones.

Showing foolishness
In temple, in Mosque.
Exist or no-exist
Is a question of
All times and it is
A matter to laugh.

Cherish and desire,
Measure and suffer
All are in danger.
All are true, my dear,
But live with no fear.

Gajanan Mishra
Showing More Than

Showing more than
Hypocrisy.
Possession is
Cause of proud.
And you think
You can put the world
Upside down.

Gajanan Mishra
Showing The Flute

Showing the flute
I made you dance
And I say
War would not solve
Any problem
As filing case
In the court of law
Would not solve
Any dispute
Mutual settlement
Cool head
Coping with the present
Turbulent are good
For all.

Gajanan Mishra
He is there,
With his old parents,
And try his best
To make them
Stay comfortable
As possible.
Parents are
Poor, blind and
Ageing.
But he cares
No one and nothing.

See the bamboo-stick
On his shoulder
With two baskets
On either side.
Father is in
One basket and
Mother is there
In the other.

He is going on pilgrimage
To fulfill
His parents wish.
On the way the parents
Feel thirsty
And ask him for some water.
He goes with a pitcher
To fetch water
And when it is getting filled
Peculiar pubbling sound
Is there in the air.
Hearing the bubbling sound,
A king named Dasarath
Took his aim and
Shoot his arrow
With the bubbling sound to
Guide him,
Shravan had become
The target
Of the king's arrow.

Alas, Shravan Kumar
Breathed his last.

The king realized
His ghastly mistake,
comes to the old parents
With water.
Hearing everything
From the king
They cursed the king
And passed away,
Unbearble was the sorrow of
Separation from the lone son.

And from this incident,
My dear readers, there
Started a new chapter
In the history of mankind
Called Ramayana.
Wherein each wrong
Is avenged
And each labour
Rewarded,
And none is there
To escape the consequences
From his action.
No infinite
But all are in finite here,
The work of the nature.

Gajanan Mishra
Shred

I am a shred
I am taking
Your form, Sir
With the test of time.

See me, it is my
Speciality here.
I am telling this
Seeing the example of
A piece of a pot
Putting in to fire
And the fire is converting
It in to its own form.

You are the fire, my dear,
I am the piece of that pot.

Gajanan Mishra
Shree Jagannath

Near Mahodadhi
Nilagiri one can find
No hand no leg
No beginning no end
Round eyes black eyes
No day no night
Always awake
World like mela
That is
Shree Jagannath Khela
When you reach there
You can see nothing
Nothing is yours
And everything
is coming towards you
And you turn in to
Jay Jagannath
Do not asked for
Anything
Nothing is there
And nothing nothing.

Shut Up

I am alone
I like loneliness
I do not want
You love me
If you want to love
Love my loneliness
I am not there
I scare.

Gajanan Mishra
Shut Up For Good

Shut up
and it is good.
If opened,
It is disturbed.
Smile while going
as before.
Go, while smiling
and enjoy life.

Gajanan Mishra
Shutters Down

Shutters down,
Touts abound -
Great news.

Gajanan Mishra
Shutting Out

I am shutting out
External objects,
Just wait and see.
I know you are here
Within this room,
Where I am performing
My duties only for you.

Gajanan Mishra
Shyness
A gift of nature
To the fair sex.
Shyness,
Enhances beauty
And prestige
In all context.

Nothing is there,
But illusion here.
Nothing but earth,
Water, fire, air.

Shyness,
Spirit spark,
Soul's beauty,
Keep all, my dear, in custody.

Gajanan Mishra
Side By Side

Both truth and doubts
Go side by side.
And one who is
At the center,
That is I.

Treat me not as a follower,
I know, truth is
Nowhere here.

The pleasure is
Also not there
With the householder,
Said the scholar.

Nothing is imitation,
But everything is mundane.

Gajanan Mishra
Side Effect

Think about the side effect
And then take the medicines.
Those who are giving service to you
Think them as your relatives.

Gajanan Mishra
Sidhu For Silver

Let us congratulate Sidhu,
She is brave enough and
Bring Silver medal for all.
Sidhu proved India is
Unstoppable, and is
Capable enough to take
Tremendous pressure.
Our India will be
Number one in the world
In future.
We are struggling for
World peace and peaceful
Co-existence, let the world
Realize it, seeing the
Performance of Sidhu,
The real daughter of India.
Our mothers, our sisters,
Our daughters, I invite them
All to come forward and
Take the march for
Making the world
In a new order.

But truth is truth,
It is always the truth.

Against the truth.

If you go sight unseen
You are a fool.

Sign Of Downfall

Sign of downfall -
My attachment
To son, daughter,
Wife, brothers,
Neighbors, relatives.
Sign of downfall -
When I see nothing
Auspicious even in
The sun rises.
Sign of my downfall -
If I say I love you,
If I feel great
Pleasure or pain,
For you - it is an untruth.

Gajanan Mishra
Signature Of Time

No one is the supreme himself,
But each one is the servant,
Though, part and parcel of the supreme.
No one can artificially claim
The supreme position of all.
In general, all are sovereign here.
Time is there to control all,
All are the signature of time.

Gajanan Mishra
Signet Poem

Signet poem that I got yours
In the vast sky here.
And here I discovered
My soul and my experiences.
I am your part and parcel
You have written.
Let me gain your trust, my dear,
Let me serve all creatures,
I know you are within all,
You are all and all.

Gajanan Mishra
Significance Of Name

What does it mean?
You are allowed
To name as per
Your sweet will.
But by it, remember,
The sky is not falling down.

Ofcourse, corpse is there,
You are not allowed
To call it a star.
You may see the flower,
And decorate as per
Your sweet will.
But by it, remember,
You are not falling down.

Gajanan Mishra
Significant Life

Which life is significant
And which life is not,
Who will decide here?

But I am here
Not to decide anything
Right and wrong,
But to enjoy in full
Nature and
Changing atmosphere.

Let the atmosphere be
Calm, quiet and peaceful.
There should not be any
Dust or heat or noise.
Let the people deliver
What is there in them,
The nectar.

The life is not miserable,
Let us remember,
Life is all beautiful,
And we are to
Enjoy life in full.

Silence - The Answer Of All

Silence is
The only truth and
The answer of all.
Go on working silently
And see you are
On winning side.
Observe silently
Where you are going
And how you are staying.
Fear not the snake,
No snake is there
To do any harm.
Uproot all evils
That are within you first.

Gajanan Mishra
Silence Has Its Own Music

Let us come and see it.
Seeing silence alone
We can reach the place
Where we are in.

Gajanan Mishra
Silence is intolerable
Please speak, speak something,
No matter good or bad.
I am here to search it out
Where is the truth in your words.
Turmoil within is intolerable.
Stay calm and hear,
Hear the guiding voice
And go on transforming yourself.
Go beyond silence, dear
And say something about you.
I am here to say what is false
And what is the truth.
Whatever you like, please do.

Gajanan Mishra
Silence Is The Best

In all situation
Silence is the best.
No one can confront
With silence.
Allow me to work
In silence.
You are not here
Betraying a secret.

Gajanan Mishra
Silence Means

Silence means enlightened
And not hypocrite and
Restrained in speech.
Silence means also love
Pure love in thought
And in every thought.

Gajanan Mishra
Silence Purifies

Silence purifies the speech
Fasting detoxifies the body
Meditation takes you
Deep in to your being
And in deep ocean
You are taking rest
I am going to You
O my dear to hear
From You comment the best.

Gajanan Mishra
Silent

What is an art
The artist asked
And I could not
Answer and busy
Composing word.

What is a word
Asked the poet
And I could not
Answer and busy
In a picture.

And what is a picture
I could not get answer
Everybody is silent
Including the nature.

Gajanan Mishra
Silent Is Only Mine

Only silent is mine I thought
And uttered words not
And you listen
My song.

words exhausted
Over completed
And I gazed at the sky
Everything there safe.

Gajanan Mishra
Silent Is The Best

Silence is the best
Silence is the best language
Silence is the best weapons
Silence is the best shield
Love silently
And love is the best silence
Fearlessly love
Love and love
Love is only your ladder
To reach me my dear
Silently proceed towards me
With truth with humility
I am in silent I am in love.

Gajanan Mishra
Silence is louder,
Louder than the words-
Rightly said.
Keep silence
And proceed ahead.

Gajanan Mishra
Silver Life

Silver life,
Gold life,
Single life,
Mouthfull life.
Life we live
Day and nights
With grass,
With dust,
With clouds
To see eclipse,
To touch the darkness
Of the time.

We take the mirror,
To see our own figures,
To calculate our speed,
To facilitate our motion,
To take the scope near.
Knowledge we need,
To know life,
To recognize love,
To respect the truth.

Life is the only truth
Here and also there.
Life is all fair,
In the stars.
If life is transparent
No words to be uttered.
Let the sun tell
Something more
About life in the dark.
Let the dark open
Mouth to specify
What type of life
We live in here.

Gajanan Mishra
Silver-White Smile

Silver-white smile,
That I am in need.
And I need no
Commonplace remark.

I am confident,
I would get it return
From you, my dear poets,
My favorite playhouse poems.

Gajanan Mishra
Similarities

We are searching similarities
But where it is, not known.

We are searching here, there
We ourselves are diverted.

No feeling, nothing
No imagination
No perception.

To say frankly
Our thought processes
Are not perfect.

We are searching similarities
But where it is, we are
Incapable, it is true,
And we are to the point faithful.

Gajanan Mishra
Simple And As Simple As

Simple and
As simple as
The rain.
Rain and
It is raining
For us.
But we are here
For whom!
No words to utter
But we are here
For the purpose
Of rain and
It is raining
Within us,
The rain of love
And we are very careful
To the truth
That is here for us.
Truth is that
We are living creatures
With our own
Thoughts and language.
We are to go
On our own way.
Truth is that,
We are free and
No one is above us.
We are sovereign,
We keep a tight rein
On us with no reason.
But our life is
As simple as death
Keeping no connection
With anything or
With anyone.

Gajanan Mishra
Simple And Simple

Live simple,
Write simple,
Talk simple,
Simplify your
Lifestyle.
Simply come
And go simply.
Simulate not
In this life.
Life is for
Others and not
For
Life and life is
The only truth.

Gajanan Mishra
Simple But Complex

Simple but complex,  
Complex and compound.  
No one is here  
To speak out.

But need to speak  
Is there as  
We are fired.

From generations to  
Generations we  
Offer prayers.

But for what?  
We pray to make us  
Responsible and to  
Discriminate us from horrible.

Gajanan Mishra
Simple Formula

Simple formula
Forget life
Think not you are alive.

Gajanan Mishra
Simple Injury

Dressed by compounder
Major operation is
Performed by Civil surgeon.

Here, the priests, the saints
Are compounder,
Here, O my dear, you are
The only Civil surgeon.

And You are with me
Always to take aways
All my pains with Your
Operative system.

Gajanan Mishra
Simple Is Not Simple

You can not say
It is simple,
All simple are
Not always simple.
If simple become
Complex, all are
Helpless.
And complex, it is not
Always complex. If you try
You can enter in to it
And find your own
Way out for success.
Be simple and simple
Not simple-complex.

Gajanan Mishra
Simple Question

Simple question
Hard to answer.
Why do I love you, sir?

Emily is at par
Keeping all apart.
Mountains fly in the air.

Divine sports
You can play.
Sensibility nature's glare.

Back to pavilion
For which we peckish.
Best is having no wish!

Gajanan Mishra
Simple Waste

Simple waste,
Life without education.
Simple waste,
The life of a woman
Without a husband.
Simple waste,
Works or acts
Without faith and devotion.

Simple waste,
If we fail to
Spend money.
Simple waste,
If we fail to
Use our learning
In practical life.

Simple waste,
Life without
Love and truth.
Simple waste,
Physical beauties
Without good qualities.

Gajanan Mishra
Simplicity

Take not any
Advantage of
The simplicity.
The simplicity is
There to make
Your life beautiful.

If you take
Any advantage
The simplicity
Will scatter you,
Smash you.

Take simplicity
In to your account
With love and win life.

Gajanan Mishra
Simply A Poet

I am nothing,
But simply a poet,
Who smiles,
Who cries,
According to
His own choice.

A poet
Not by choice,
But by birth.
I am nothing,
But a natural poet.

No word
No language
No line
Can check me
Anywhere.
They all
Love me
And salute
My choice.

My smiles
My cries
Are as natural
As the air
And water
Of the jungle.

I know
Jungle is the only
Place where
All mangal*
Is there.

I am not a poet
As you think me
But a simple man
Full of love
And devotion,
I know my own
Limitation here.

* mangal- welfare

Gajanan Mishra
Simply By Seeing You

Simply by seeing you
I am satisfied.
Simply hearing you
And hearing about you
I am freed from
All kinds of fear.

Learn toleration
From a tree, dear.
Make yourself free from
All false prestige.
And be ready to give
Dues that belong to others.

Gajanan Mishra
Simply By Thinking

Simply by thinking
I can reach you,
Simply by thinking
I can touch you.
Simply I want
All creatures are mine,
And I am for them.
I think I write
For all and I am here
To give them all
The nectar through
My thinking and writings.
At least I can provide
Some consolation.

Gajanan Mishra
Simply For Pleasing

Simply for pleasing Your Lordship
O my dear, I am here.

I am here to offer You
What are there, with me, in me.

I know, my life never go in vain
I know, You are there in my each and every vein.

Gajanan Mishra
Simply Koala

See
I am a koala
Your most lovable.
Lack of love
And because of
Deforestation
Increased urban development
And land clearing
I am dying and the number
Of my brothers sisters
Are dwindling.

Habitat is the key
No tree no me
And I am starving
Hunters are killing me
For my silky soft furs
And I am on the verge of
Extinction and some
Says me vulnerable.

See
I am a koala
Your most lovable.
I consume eucalyptus
Gum leaves
Eighteen to twenty
I sleep
You can find me
In Victoria New South Wales
And South Australia
Joey is my baby Koala.

See, my baby
It is hairless
It is blind
It has no ears
My baby drink milk
And resides in
My pouch for seven months.

See
I am the koala
Your most lovable
And Vulnerable.

Gajanan Mishra
Simply Out Of Sight

Not setting
Not the end
Simply out of sight.

It is there as before
It would be there also.

The sun is no the fun
That would come
As required by your gun.

No outside no inside
But it is here as decide.

Gajanan Mishra
Simply Reacts

Simply reacts -
No meaning.
But I am not
Like the boat
In the stormy sea.
I am still,
I am in peace,
See me,
Nothing is there
Which can
Agitate my mind.
I have my own
resting place,
That is in you.

Gajanan Mishra
Simply Well Wisher

I am nothing but simply
Well-wisher for you all here.
I want to speak the truth
In presence of you all here.
I want to take nothing
From you all here.
But I want to give everything
That is mine to you all here.

Gajanan Mishra
Simply Working

Simply working.

Simply work in this world,
This is your working place,
O my dear, and your work
Should be for others,
And remember, when you are
Working for others
To keep detach yourself
From the work is made easy,
Soon after you detach yourself
From the work, you qualified
Yourself to attain truth.
This world is made of truth and
Truth is nothing but You,
Let us realize this Truth.

Gajanan Mishra
Simply Write

Simply write
And touch the heart
Of all
I am here to see
You are not disturbed.

Gajanan Mishra
Simultaneous Oneness

Oneness in
Difference.
Milk and butter,
Birth and death.
Difference in
Oneness.
Earth and the sky,
the air and the fire.

Unity in diversity,
And diversity in
Unity.
Our energy,
Our identity,
And our everything.

Gajanan Mishra
Sin

You may dishonor me,
You may reproach me,
You may insult me,
But I would not go
To commit any sin.
I know, of course,
Nothing is sin,
Here in this life.

Gajanan Mishra
Sin And Hell

What is sin
Where is hell
I am not here
to tell.

I have no birth
I have no death
And you said
Nothing after
Calculation of
False math.

No desire
No heaven
I am your fan
O my dear
I know not
How to reach
Seven.

you were here
You are here
You will be here
I am only
Present here
Form the moment
And for this circle
I have nothing
To comment.

Gajanan Mishra
Sin- Using Other's Language

Using other's language
Is a sin.
Using other's woman
Is a sin.
Capturing other's land
Is a sin.
Go not with sin, my dear.
Live not with other's wife.

Your light is yours,
Your light is yours life.
It is wonderful.
Feel life as one
Under this sky and
Make a distinction, dear.

Gajanan Mishra
Sin?

Sin?

-What is that?

Virtue?

-I believe not.

Your knowledge is Meaningless,
That I know.

You are all Deluded,
That I know.

I know the feeling With negative inference
From a man Of positive thinking.

Gajanan Mishra
Since a poet,
My perpetual glory
Is never increased
Or decreased
As my intention is
Pure and my words are
From the hearts
For the welfare of all.

Gajanan Mishra
Since I

I am the fool
Who is not able to
recognized you.
I am not able to
know how many faces you have
and how many legs and hands!
It is true I am not able to
see anything here at this time
I have two eyes though.
I know not how to utter words
and how many meanings a word has.
I am one or two or many
how can I say since I know not
how and why to come and where to go.

Gajanan Mishra
Since I Am

Since I am above
Above all actions
Above all reactions
I have nothing to do
Since I know, my dear
I have nothing to do but to
Render devotional service to you
I know any action other than
Loving service to You
Is more or less a rebellious action
Against Your will, my dear
I am on my mission of bringing all
Back to You back to home
Since You are the Truth
And Absolute Truth it is by Your will
I am purified by the process of
Only devotional service
And I am Your unalloyed devotee..

Gajanan Mishra
Since I Am In Joy

Since I am in joy,
I am in light.
Since I am in light,
I am blissful.
Since I am blissful,
I am confident.
Since I am confident,
No one can defeat me.

Gajanan Mishra
Since I Have No

Since I have
No expectation
I am in peace.

Gajanan Mishra
Since I Know, I Am Here

Since I know
I am here.
I know your dog,
And I know
How much you love.

I am not denying
The dog has so many friends.
You keep the menu
Of your dog, I know.

I am not a prisoner,
I pull and push your dog.
I see your dog afresh.
And in that seeing
You are there in disguise.

Gajanan Mishra
Since I Love You

Since I love you
I do not bear ill will,
But you bear ill will
Against me as you
Know not who am I.
I can say about
Your childhood, youth
And oldage but as
You know not anything
You cannot say what it is.
See me, I am
Within my unlimited
Limit and in still
You are disturbed though.

Gajanan Mishra
Since I Want To Live

Since I want to live
I do not agree with you
That there is anything
In the name of death.
The sooner the word death
Be deleted from dictionary
The better for all of us,
As we are not made for that.

Gajanan Mishra
Since My Mind

Since my mind is not mine
How can I say what is there
In my thinking process and
What to do when and
What not to do then.

since I am not thinking
Anything at any time
I am staying in peace,
Natural calm is there in me.

No effort is being made
By me to attain anything,
I am just a practitioner
In the field of words and action
And you are measuring my determination.

Gajanan Mishra
Since The Earth Is

Since the earth is
Not perfectly round
How can anyone here
Be perfect?
Nothing is perfect,
No one is perfect.
Here, the mass is
Distributed unevenly.
Here, everyone and
Everything is tilted.
Each one is shorter,
Each one is lower,
With the winter and
With the summer.
Let the poets write
Here, as they like
Seeing the sun and
The moon and the stars
And the seas and
The forests and
The creatures and
Let them try to
Reach the perfection
Through their imagination.

Gajanan Mishra
Since There Is

Since there is
Life,
There is
Fear.

But you cannot
enjoy life
with fear.

Try to escape from
Fear, my dear,
And remember,
This is the only way
to show the color.

Color of life
is Super.

Gajanan Mishra
Since Time Immemorial

Since time immemorials
I know you.
No matter whether you are
Alfa or not.

The fact is
You are with me
allday long
And I am with you
always.

Gajanan Mishra
Since Unintelligent

Since not intelligent
You know not what is good and what is bad for you.
You are also not able to know who is your friends and who is your enemy.

Let me tell you one thing
You are please go on doing good to your brothers and get all happiness always.

Let me show you only one dark whole
That is is there and towards that whole you are all rushing in a high speed without brake and I know you are helpless with no intelligence.

Gajanan Mishra
Since You Are Going Deeper And Deeper

Since you are going deeper and deeper,
I am here to honour you, my dear.
I know you are transparent and lovely,
And hence I love you, my dear.
All wisdom are in you that I know,
And for this I share with you all, my dear.
I found no east or west as you are in
All directions and I am there with you, my dear.

Gajanan Mishra
Since you are not in truth,
How can you know the value of truth.
We are all watching him who is
Not in existence, since we have
No existence here in this world.
The existent is permanently there,
Since we are not permanent
We are unable to stay with the permanent.
The entire thing is confusing, I know,
You also know, we are all confusing
With this and that for nothing.
No one has clear concept about
This life and this process of death,
We all are part of the process, though.

Gajanan Mishra
Since You Possess

Since you possess
Virtuous qualities
I must accept you.

You are there to accept me
My dear, since I am writing
Poems only for you.

I have no knowledge
I am filthy and I love you,
And for this love I am accepted by you.

Gajanan Mishra
Sine Die

Sine die,
Sine die.

Don't tell a lie,
Don't tell a lie.

Group clash,
Group clash.

Tell me how many died,
Tell me how many died.

Change not anything,
Change not anything.

It is your turn to tell,
It is your turn to tell.

Tell me, tell me whom to relay,
Tell me, tell me to whom relay.

Gajanan Mishra
Sinful Action

I am not a sinner
I have not done
Any sinful action.

You have fully
Taken charge
Of my life and style.

It is You to
Decide the destination
And the approach.

I have not done anything
Sin is not coming to me.

Gajanan Mishra
Sinful Reaction

Abandon all
And be free from
All sinful reaction.

Gajanan Mishra
Sing A Song

See the life long
Life is long.
Ding dong ding dong
Sing a song
Sing a song
Life is long.
Life is long
Life is long
Good deeds make you strong
Ding dong ding dong ding dong.
Sing a song and live long with a song
And live long live long live long with a song.

Gajanan Mishra
Sing and dance,
Dance and sing,
Life is there.
Worry not dear,
I am with you
For truth.

Please take
All flowers and
All colors here
And look beautiful
At least for this time
I am to cooperate you.

Curse, not anyone,
But help, if you
Get a chance
And praise the activities
Of others always
And every time.

Mercy is there,
But tell
What you are.

Gajanan Mishra
Sing and play,
here, my dear.

This place is
for enjoyment,
but not for
quarrel and envy.

Listen to the music,
music of the earth.

Love life
and perform duties
allotted by nature.

Present yourself
in a finer way
For all good.

Gajanan Mishra
Sing And Singing

Sing and chant
Singing and chanting
Your deeds are my
Primary duty here.

I accept all
That are Yours here
O my dear, and see for this
I am free from fear of death.

Gajanan Mishra
Sing Not

Sing not the song.
How can you sing?
While I am reading
My poem, listen
And tell a few words
Then.
In your words
Let there be medicine of life.
In your words
Let the dark go away.
There is some wonder
In your words, dear,
And for this the bird
Came and sit there
On that branch.
The leaves are also
Welcome all by
Trmbling their bodies.

Gajanan Mishra
Sing Not Your Praise O King

It is sin and it earns no respect.
See yourself first reform yourself first
And then only you right to
Rule your subject.

Gajanan Mishra
Sing The Song Of Life, Dear

Sing the song of life, dear,
Sing the song.
Singing is not a news,
But news is why you are
Not able to sing.
What you are doing is not news,
But how the work is being done
Is a question to be put.
Charity is not important,
But the necessity of giving
Charity is a news.
News is not so important,
But how news is being presented
And for what purpose
That is to be noted.
Old or new- no matter,
The matter is value in life.
And life is to sing, to dance
And to love for the living.

Gajanan Mishra
Singing A Song

Singing a song
We wait
At campfire.
Jumping to sky
We call
friend close.
Hugging sweetheart
Existence confirm
Confirm future.

Gajanan Mishra
Singing Dancing

Singing dancing the flower
Came to me
I welcome flower
And it faded.

Flower is the supreme
And final and pure, I know
Flower knows the secret of surrender
And the flower
Does not know addition or subtraction.

Singing and dancing again
The flower came
And I welcome again
And the flower multiplied
And said it is inexact division.

Gajanan Mishra
Singing In The Wind

Singing in the wind
Let us see who is singing
And singing what for.

Gajanan Mishra
Singing With

I am dying and
Dying with people here.
But I am singing with you.

I and the Universe
One and same
And I stand
Single as you see.

Gajanan Mishra
Single But

So many
That no one
can count.
So many
But single
Here I am,
See.

Gajanan Mishra
Single Cause

Single cause is here
That is life with so many
Effects and separated
Material elements
And by self-realization
You would know rather one
In all effects.

Who is part and parcel and
Who is whole difficult to know
It is different manifestation
One say it all illusion
But not like that at any time
It is pure truth with knowledge
Ascertain it before departure.

Gajanan Mishra
Single Cause With Effects

Single cause is here
That is life with so many
Effects and separated
Material elements
And by self-realization
You would know rather one
In all effects.

Who is part and parcel and
Who is whole difficult to know
It is different manifestation
One say it all illusion
But not like that at any time
It is pure truth with knowledge
Ascertain it before departure.

Gajanan Mishra
Single Deal

Make a single deal
A deal of honesty
With the people
That protect
People’s interest.

Do not try to suppress
Peoples voice
By using force.

try to understand
problems of the people
And grasp the
Pulse of people.

Gajanan Mishra

parts of one
Single entity,
This univers.
It is our duty
To preserve and
Nourish this
Universe for us.

All are fair.
Single is single
Single is beautiful
Single is fair.

Gajanan Mishra
Single Mixture

Single mixture
Mixed nectar
You are my dear.
Ocean in the river
That I see another
You are my dear.
Enter and reenter
Merged together
You are my dear.
Wonder and wonder
Appear and disappear
You are my dear.
O my dear, come. come
I am Yours for ever.

Gajanan Mishra
Single Moment Of Love-Life

No lose is there
In Your presence
Only darkness is
There in Your absence.

You are not an absentee
Anywhere anytime I am sure
And I am searching You, my dear
Here there, am I not a fool?

It is true I enjoyed
Your affectionate and charming smiles
Your delightful secret talks and also
Your playful glances and Your embraces.

I am with You and I feel
It is a single moment.

Gajanan Mishra
Single Spark

You are within me
I am within You
I came here
Out of a single spark.

The spark is Yours,
O my dear, I am
Searching You here
I know You are within though.

I am within You
We are well connected
You are directing me
To do what is right.

Gajanan Mishra
Single Word

Sufficient a single word
To express anything
No word is with me
Without word I am here
Expressing myself.

No word but image is there
Without image I can see
Here I am with image
And no word
Without image I am here
Expressing myself.

Gajanan Mishra
Single-Handed

Single-handed
If the sun is
Able to light
All creatures,
Why not I
Single-handed
Love all and
Be a
Truth-discoverer.
The air is
The giver of life.
Why not I
Give hope to
All living beings.

Gajanan Mishra
Single-Minded

O night, dare not return again.
See me, I am single-minded running and running.
You cannot see me with your dark eyes as I am here and changing you in to light.

Gajanan Mishra
Singlemindedly

Singlemindedly
I compose poems
To please you,
Deat truth.

Dear truth,
Where are you
Let me know
For all good.

For all good
I want to devote
My life and I want
To forget single combat.

I am not sinful,
I know, dear truth.
I am yours for ever
And see me, I am sincere.

Sincerely I am yours
Here, dear truth.
I love you,
You are my sinew.

Dear truth,
You are
The sine qua non of
My life.

I compose poems
Only for you.
Nothing but the truth
Is there everywhere, I know.

Gajanan Mishra

You are my supreme secret
Let me declare.
You are my desire
For you I am here
A man of don't care.

Gajanan Mishra
Singular Devotion

Singular devotion can only
Leads you to success.

Success is a sky
That is within a sky
And you yourself is the sky.

Crop is still there
Give a shower
Opportunity is still there
Repent not at this stage.

It is just a beginning
And at this stage
Appreciate everything
In full swing.

Gajanan Mishra
Singularity

Uncommon influence
And power.
No other entity
And un-faltered.

Gajanan Mishra
Singularity - Your Manifestation

I know your manifestation
O my dear, and it is your
Singularity, I observed it,
Your uncommon influence
And my unflurting devotion.

Gajanan Mishra
Sinha Rade Aau (Odia)

Sinha rade aau
sabu chhota chhota pasu
Palanti bhayare.

Gajanan Mishra
Sinless - Life

Sinless - life, land,
Light, lotus, love.
And we all are there,
In all goodness and
We are fine and fair.
All success are
Knocking at our door,
We appear and make merry
For each other for
All good and all welfare.

Gajanan Mishra
Sinless- I Am

Sinless- I am,
I know not
What is the sin.
I am in peaceful mind
With all happiness
And I am attaining
The supreme bliss.
See me, I am sinless.

Gajanan Mishra
Sir, I Am Your Fan

I am here with You
You can take me
Where You like
I am here with You
With suitable paraphernalia
See me I am walking
Comfortably with You
Respectfully bowing
Down to You
Please visit
Like a father
To his children
For the benefit of all
I am Yours for ever
And You are mine
That I know here
It is not fact
I am wretched
See me with You
I am advancing on
The path towards Truth.

Gajanan Mishra
Sit By Me

Sit by me
And stay
Clear-sighted.
See me,
My life is
Above-board.
I am free from
All guilts.
Be not a
Clay-brained.
Look to your
Own laurels.
And declare me
Poet Laureate.

Gajanan Mishra
Sit Down Please

Sit down please,
For a moment
If you can-
My request.
But you replied
You can't.
You are helpless
And here I am
Motionless.
Nothing is dirty,
As you know here,
And I am as clean
As the morning sun.
Saying this you left.

Gajanan Mishra
Sit There

Sit there
She gives her command.
Eat this
She ordered.
Watch not
She said.
And you obeyed.
She is no one
I am sure
But your wife.
With your wife
You can conquer
The world.
With your wife
You can understand
Every mystery.
Keep your wife
At her place
And see her
How miserable she is
Let her say
What she likes
You are to hear only.
Utter not any word
That is not your right.

Gajanan Mishra
Sitar - Silent

Look

Gajanan Mishra

Sitting on the poem
I asked myself the reasons
Of not being there
At the time of accurance.
The poem taught
Love-lesson here at this time
When I was just passing
The question.

Gajanan Mishra
Sitting On This Seat

Sitting on this seat
I am enjoying the scent
Carried by the wind.

Gajanan Mishra
Sitting Or Standing

I can't say
Certainly,
Whether I am
Sitting or
Standing here.
Certainly, What is
Finished and
What is not.
Also, I'm
Not able to notice,
Who is before me
And who is after
And for what purpose.
I can't say
certainly, for what
Life is here and
The condition of
The atmosphere.
But it is
Perfectly clear,
I am here,
As you see, however.
And my movement is
Stopped to
Catch anything further
With no confidence, dear.

Gajanan Mishra

With the breeze.

I want to go,
I want to go,
With the storm
To measure
The size of the sea.

I want to sing,
I want to go
With the sky
To fly, to fly...

Gajanan Mishra
Sketch Of Life

Sketch of life
Just see
Just observe
Just follow.

Is it yours
Ask yourself
Again and again
In time-frame.

Follow life
On its own way
Live and let live
And make marry.

Gajanan Mishra
Skinny

Skinny is not attractive,
Healthy, strong and
Muscular is extremely attractive.
You said and it is right.

See me I am real
With my emotion,
I am fit and I have strength,
I am not a problem person.

Gajanan Mishra
Skipover

Skip over
Not advisable
To reach conclusion.
In the conclusion
One may miss beauty.
Beauty lies in the eyes
Of the beholder though.
In this process
Joy pleasure sadness
Confusion awe fear
Disgust beauty and
Sublime evoked.

Gajanan Mishra
Sky And I

Sky and I,
One and
The same.

Both soft
And hard,
Both at night
And in the day.

Snowfall
Everywhere
And I fly.

The sky stays
There as always.
And I blow the earth
Back at bay.

Gajanan Mishra
Sky blue
Man is not clean
Find the clue.

Lion roar
Cow crow cat mew
See man is bore.

Gajanan Mishra
Sky Fired

Sky fired
And you made the child
Slept
Elizabeth Barrett
With your blessing
In peace.

Gajanan Mishra
Sky Flower

Sky flower
Sky flower
Where are you, my dear
I am going to you
With so many ideas
Within me
On my own foot
And it is true
I can't see you
Here or there
Without seeing
Myself first
I am utilizing my
Own intelligence
Regulating my own speech
Mind and vital force
Where are you my dear
I am going to establish
My own existence with you
See me in this open sky.

Gajanan Mishra
Sky In Open Eyes

The sky in open eyes
Sitting here and
Telling the story of
Angry birds.

I along with the sea
Moved to unperturbed
And saw all in the history
Books of our dreams.

Nothing new in
Celestial bodies
It is only on earth
That are wonderful mystic.

Gajanan Mishra
Sky Is Holding

The sky is holding me, see
The air is running in me, see
The stream is flowing with me, see
And I am here standstill.

O my dear, I am in search of you
And you are calling me within
Showing the stars and the moon and the sun
And I am here standstill.

Look, I am hungry and eating time
Look, I arrived at the spot where
I found you present and you called me
And I am here standstill.

I know what is singing
I know what is dancing
I know what you mean
And I am here standstill.

Gajanan Mishra
Sky Is Not Cloudy

Sky is not cloudy
Mind it
So also
Air is not dirty.

It is true
Clouds and dust are
Carried by the air.

O my dear
You are a spark
Within me.
You are within
And without
I know.

The sky is not blue
I am telling all
Do not misconstrue
The bluish tint
Of the sky and the sky
Itself are different
And it is true.

Gajanan Mishra
Sky Is The Silent Spectator

Hue and cry
Only for water
Hue and cry
Only for air.

It is the war
For water
It is the war
For air.

Earth is silent
And tolerate all
Sky is a silent
Spectator.

Light has gone out
Light has gone out
Cried a man
Seeing the rising sun.

Gajanan Mishra
Sky Is With Me

Not that
I am yours
But that
Sky is with me.

Not that
You are proved
A fool by us
But that
You are taught
A lesson by us.

With this worn-out
Clothes of the sky
And discarding it
For a new one.

Gajanan Mishra
Monkeys are there
And they are
Not allowed anyone
To say about the sky.
The sky is there
To embrace all monkeys,
And the monkeys are
Under the protection of the sky.
But I failed to understand
The dramatic relations
Between the sky and the monkeys
On this earth.
The sky and the monkeys
All are within me.

Gajanan Mishra
Sky Vibrate

Sky vibrate
And I run away
Not knowing
Where to go.

Gajanan Mishra
Sky-Change

Sky-change, strange.
And a task well done,
And it is sweetener.

My courage is my strength
And I appeared here
As a lighter.

On my own earth, see me
Unchanged and I am
Lover of beauty and truth.

Gajanan Mishra
Skylark

You and I are
The supreme cause
Of this world.

No difference is there
Between you and I.
I am the star,
So also you are.

A leaf and a flower,
The water and the air.
All that are there,
Ours.

We are within,
We are also outside.
It is all good and fair.

All beauty, all kindness,
All love,
No one is barred.

We are not here
To go anywhere.
Pity not but share,
Skylark take care.

Gajanan Mishra
Sky-Life

All rest here,
But the sky
Mix with none.
Unlimited though,
Anyone can bind the sky,
The best poem,
The existence of all.

Gajanan Mishra
The word slave
itself is bad
Do not be a slave
Or else
You fail to create
Keep nature
Under control
Or else
Nature beg toll
Do not be a slave
And be independent
And try to be uni-present.

Gajanan Mishra
Slave - Sensual Danger

Who is not a slave?

All are slaves
Of their senses.

One find nothing
So intoxicating
As the pleasure
Of sense
In an instant
That infatuate
The soul.

Tell me, O my dear,
By Your grace, how can I
Be free from all
Sensual danger.

Gajanan Mishra
I am ready to be a slave
Slave of the soul.

My dear soul
Where are you now.

Now I am with the soul
And soul is not foul.

You know I know
Watching us at the top
Of the Peepal tree old owl.

Gajanan Mishra
Slaves

We are really
Living like slaves.
We have no right
To speak in
Our own language.
We have no right
To do our works.
We have nothing
That we can declare ours.

Gajanan Mishra
Slave's Prayer

Let me stay free from evils
Let me be useful for the world
Let me be useful for myself
Let me be your slave
O my dear, I assume You mine
And You know me as Your own.

Gajanan Mishra
Slaving

Slaving make you perfect
Slaving make you enlightened
Slaving make you brave.

Trying to make good
Out of worse
Is the work of slave
That make you happy
With others.

Gajanan Mishra
Sleep and awake
Listen the words sounds
Forms structures
And I touch I taste
I smell and they honored me
They praised me
I live in comfort
I am satisfied
And I wander
What is the meaning of all these
O my dear, Tell me
What shall I do at this stage
Peace is far away from me
How can I get it
I do not know what is destiny
I am calling you
Come to me I pray
You are remaining present
Here with me always
Make me feel it and make me
Awake and sleep again.

Gajanan Mishra
Sleep And Sleep And Sleep To Dream

And dream and dream to sleep and rise
Rise and rise and rise to proclaim
You presence.

You presence is necessary here
To tackle the situation in a very
Fine corporate method.

Gajanan Mishra
Sleep And Sloth

Sleep and sloth
Impels me to error
Clouding wisdom
Impels me to error,
But I am the son of joy
My dear, I am here
To do actions
But sometimes I am
In dark, I am in error,
Frivolity and stupor
All that appear
But I am the lighter
I am the nectar
I am here to cross all errors.

Gajanan Mishra
Sleep not, sleep not,
Awake, awake, awake.
It is well known, though,
Both the activities
Sleeping and waking
Are illusory,
Visible, though.
Awake and see
Who you are and
What you are doing.
Awake and know
Where is the truth,
And what is there
That is called absolute.

Gajanan Mishra
I know not
What for I am sleeping.
But when I close my eyes
And I sleep you appear
And you said, O my dear,
awake and rise and see,
I am here doing everything
for you only.
When I awake, open my eyes,
I find no one with me
And you said, close up
your eyes and see within.
I know not
Why I am not able to sleep again.

Gajanan Mishra
Sleeping And Dreaming

Sleeping and dreaming are but
Common and regular phenomenon
It is knowledge that is here
To enlightened you by restraining
All the functions of the senses
And breath.

Gajanan Mishra
Sleeping And It Not Like

Sleeping,
And it is not
Like eating or
Watching TV.
Sleeping needs
Darkness, and
Some silence.
Sleeping makes
Body and mind
Perfect, I know.
I focus on sleeping
Gives birth to
A new man within.
Comfortably, let me sleep.

Gajanan Mishra
Sleeping Intellectuals

Sleeping intellectuals,
How to proceed forward
is a question that is
within me at present.
Men, let us forget that
they are here with you.
Men, let them sleep there
in the dark, you yourself
light the lamp and proceed
that would be better
for the future.

Gajanan Mishra
Sleeping Lion

Wind squeezes
Dreams empty hands
Catches no deer.

Gajanan Mishra
Sleeping Mirror

New thoughts, new truth,
And before the sleeping mirror
All there without fruits.
Not shining, the skin.
Not walking, the time.
All tricks, all game - life.
All silent, the creations.
All concepts - all falsehood.

Gajanan Mishra
Slide Slip

Slide slip
Leads to death.
Salutary advice
Leads to life.

Away from us
Every moment,

Here to giving
Us slip,
And we are here
Letting slip go,
We are slipping
Up though.
We know life,
Slippery, slippery
Slope is there
Everywhere from
Birth to death
Irrespective of age.
But we, in this life,
Must not give a scop
For slipshod by slip-up.

Gajanan Mishra

And you are coming
And coming to me.

When we chat we flat
Then only storm rise
And quiet us.

Gajanan Mishra
Slowly And Steadily

Slowly and steadily
I am doing my work
In the area of desire.
There I see the tiger
In sorrow and the reason
Is no food to eat there.
There is only fire
And fire is the guard.
Each one is going on there
And no one is tired.

Justice is there for all,
I see love is also there
And light is the cover,
No matter water is there
Or not in the river.

Gajanan Mishra

That can kill you here
That can take you to hell.

Kill not a child
A child is innocent
And the child is the father
Of a man as said.

For world peace and harmony.

Smelling And Touching

Smelling and touching -
Two ways to reach at.

And I obtained life
Specifically for my existence
That is in renounced order.

Life what I describe
Is not in complete form,
But I am there to state
The devotional norm.

Spiritual knowledge is only Truth.

With friends and relatives,
Miles to go for true achievements.
Smile is only there with you,
Please smile with love, with truth.

Gajanan Mishra
Smile Please, Smile Please, With Love

Smile please, please smile,
You are in a world that is
Full of digital, full of purity,
You have stood on your own feet.
Please smile, smile please,
In smile, your life is there
To blossom, in smile, you are to
Get your own hearts clean.
Smile please, please smile,
You are to go miles, miles to go,
With friends and relatives,
Miles to go for true achievements.
Smile is only there with you,
Please smile with love, with truth.

Gajanan Mishra
Smile That Is Innocent

I want to smile,
Please smile,
I want all innocent,
Innocent smile.
Only I want to
Say this much and
Nothing more than this.
And in exchange
I want to give back
Everything you deserve.
Pick out that are yours,
But utter no words.
Shiver not, nothing to fear,
No cold is here,
Neither hot atmosphere.
I want all simple things,
See, nothing ornamental
In my saying or doing,
No awkward situation
I am creating for anybody.
But I am eager to stay
With you forever.
Do come to me
with a smile,
With innocent smiles.
Remember, no other alternative
Way out here, dear.
Think for a while
And do what you think.
But no more time with you,
Recognize the truth.
Smile and smile,
See everywhere and give
Innocent smile

Gajanan Mishra
Smile With Affection

Smile with affection
Is but a necessity
In the society.
Speech with good
Activity is but
A necessity.
Holy name and
Good friendship is
But a necessity
For the society.
A good man is but
A rare species in
The world of
Living entities.

Gajanan Mishra
Smile, Let Me Recognize You

Smile, let me recognise you,
You are the only truth
Here in this life,
And you are growing
Brighter day by day
Crossing all hurdles
On the way but offending
None anywhere.
Smile, I know you are there
In each one but you
See always righteousness,
Smile, I know you have
No lineage, no caste
You declare men winner-first.

Gajanan Mishra
Smile, My Dear Child

Smile my dear child,
Please smile.
To see your smile,
The sun is rising, see.
Smile my dear child,
Please smile.
To see and embrace your
Smiling face the breeze
Is coming, see.
Please smile, my dear child,
Smile. To see your smile
The flower is there,
The cuckoo is there,
The star is there.
Smile, my dear child,
Drink this milk and smile,
Eat this bread and smile.
For your the bird
Started singing,
For you, these plants
Of our garden, see,
Bursting with flowers.
Smile and read your
ABCD books my dear child,
Your reading will gives us light.
Smile and read my dear child,
We are here for you only.
Aisha, you are my only grand-daughter,
My dearest dear..

Gajanan Mishra
Smile, Please

Smile, please.
Be victorious and
Live long.

Smile, please.
Forget about
The moon and
The nectar.

Smile, please.
Remember only
Love and love
And live long.

Smile, please.
In dark in light
Life runs short.

Gajanan Mishra
Smiling

Smiling and smiling I appeared  
And You left the area.  
It is out of sight everything  
At this arrival and departure.

I heard so many words but  
Uttered not a single.  
I have buried everything and  
Stood like stainless steel.

Gajanan Mishra
Smiling Face

I want to see
The smiling face
Of my daughter
And my grand daughter.
It is well known to you
The reason of their not-smiling.
You know, they are
In a fearful situation even at home.
But in the name of their safety
Huge amounts are being spent.
Spending money, you know,
Would not make them smile.
A peaceful smiling atmosphere
Is necessary to make them smile.

Gajanan Mishra
Smiling Face And

Smiling face and
It is there to accept me.
I am also ready to accept,
In return through
High standard of renunciation,
Austerity, penance, and devotion.
Your affectionate smile and
Glance, my dear, enable me to
Achieve all perfection.

Gajanan Mishra
Smiling Of Star

Are you
Able to
Check
The change
That is
Going on
Within you?

See,
That star
Is smiling
At you
And you are
Unable to love
And unable to do.

Gajanan Mishra
Smiling With Eyes

Smiling with eyes,
Your posture, I know.

Being the living entity,
You know the creativity,
And I am here to specify
Who you are and
What is your original
Identity.

Gajanan Mishra
Smoke and fire,
Desire and knowledge,
Going with the later
Clear the dust
And see your face
On the mirror, my dear,
You are the great
Creature here.

Gajanan Mishra
Smoke Is Temporary

Smoke is temporary
Fire is permanent.

Fire is here
Fire is there.

Fire, fire
I know you have the power
To take care.

You have the power
To burn my desire
And make it ashes.

Fire fire
You are in the knowledge
You are the knowledge.

I know you fire,
You are the intellect
You have all goodness.

Fire fire
You have the power
To discriminate
And to eradicate
All doubts
With all truth.

Life is the only truth
Life is the only power
And fire, you have
made this life awake
And rise to the high
Up above the sky.

Gajanan Mishra
Smooth And Smile

I want to stay
O my dear
With You in mystics.

You are ready to
Protect me
And I am at the clutches
Of death always.

In duality
I stay O my dear
You are to see
And guide me.

False accounting
I observed exist
And I did not know
Your arrival yet.

Gajanan Mishra
Snail

Friends, let us use
This snail to make
Our works smooth.

Is the body not a snail?
The snail is in the body,
In the sea, on the field.

Let me use the snail
In my poems as a symbol,
Symbol of time.

I am here with the snail,
Mark the rhythm and measure
Its motion in circle.

Let the snail go on its
Own way, no more snail here.

Gajanan Mishra
Snake And Frogs

Snake and frogs,
Friends.
Hour is heat.
Time to lift.

Body to be cleaned,
And let the legs
Proceed forward.

But not towards
The snakes,
Not towards
The frogs also.

No purity in
Friendship
We know.

Gajanan Mishra
Snake And Snake Charmer

Snake has bitten you, dear,
And I am the snake charmer here,
Allow me to massage your body
And treat you
To counteract the serpent's poison.

Gajanan Mishra
Snake Exists

Snake exists
And we fear.
We fear
Only for ignorance.
We are in
The darkness of ignorance,
Nothing to deny.
The bright light
Of the truth is
Ignored by all.
We are not at all
Interested in hearing
Questions but worried
About nothing.

Gajanan Mishra
Snake Is Snake

Snake is snake,
The rope is not the snake,
The snake is not the rope.

Snake and rope both are fact,
Both are also false.

Rope and snake -
Both are illusion.
Both are cold,
Both are hot,
Both can take your life
If they so wish.

Combined together
Both can save your life,
When there is poison.

Gajanan Mishra
Snake Of Time

Snake of time
Swallowed us nine.

We are nine
In a house
That has doors nine.

We are all
For public welfare
As we are getting everything
From public exchequer.

O my dear, I am not here
To disappear
I am present like the sun
In either the eastern
Or the western hemisphere.

No darkness is here
The time of snake is
Ended like the time of
Thieves and murders.

I am not disfigured
I am with the scriptures
See me, I am here.

Gajanan Mishra
Snake That Too Beautiful!

Snake that too beautiful!

The snake occupied
The house of the mice,
Like the mice occupied ours.

I want to sleep
On the snake-bed.
I want to talk and
Hear about the snake.
I want to inform
The snake about
The present affairs
Of our state.

But alas! the snake is no more,
Only the ants are there.

Gajanan Mishra
Snake-Fire

Snake-fire
is here
With wicked
Men and women
And as ill luck
Would have it
I am going
With them.

Towards mirage
See, I am going
As a prisoner
Of my desire
And passion being
Blind and ignorant.

Gajanan Mishra
Snakes Are Here

Who is not a snake here?
Tell me, my dear, tell me.
Keep under your own control
The snakes that are within.

Poisons are our own anger
And they are trying to destroy us,
We should be cautious within us, and
We should not take anyone superfluous.

Gajanan Mishra
Snakes Are Snakes Always

Snakes are snakes always,
No one should use them with evil brain
To achieve personal gain.

Gajanan Mishra
Snakes For Dreams

Snakes for dreams,
Dreams for the sky,
The sky for the earth.
All, I gathered
For swimming pool.

Odia rendering;

?????? ????? ???,
???? ????? ??????,
???? ????? ?
??? ??? ??? ????
?????- ????? ???? ?

Gajanan Mishra
Snakes, Thunderbolts

Snakes, thunderbolts,
Stones, weapons,
Whirlwind, dust,
Tigers, lions, wolfs,
Jackals, wild dogs.
Everything and all
Are there
In all directions.

Flowers, fruits, garden,
Nectar, water, life
Also are there.
Cold, colors,
Name, fame, glory,
Wealth, youth, kingdom,
Chariot, car, plane
And all are there.

Eminent life, proceed on,
With love and truth,
Let me discover you
Here and there,
On the earth
And also in the sky.
Wearing armor, let me
Catch your life and also
With all protection.

Gajanan Mishra
Snap Not At Me

Snap not at me,
I am here
On this day
And this day
Is famous for
Love and sacrifice
For others.

Gajanan Mishra
Snare Of Delusion

1

O men, You are hovering at deep dark and filthy night
O men, You are bewildered by many a fancy
O men, You are entangled in the snare of delusion
O men, You are addicted to the gratification of desire
Alas, men alas, being the best creature here
You have to suffer the worst torture.

2

None, but you alone is responsible for such condition
O men, You are self-conceited, you are stubborn
You are filled with pride and intoxication of wealth
you are disregarding the scriptural ordinances
Alas, men alas, being the best creature here
You have to suffer the worst torture.

3

No charity no sacrifices and O men, You observe hypocrisy
You engaged yourself in meditation adoration and
You are telling beads of a rosary and remain engaged
In playing cards and worldly gossip
Alas, men alas, being the best creature here
You have to suffer the worst torture.

Gajanan Mishra
Snow

I am burning the snow,
The snow is also burning me.
Naked truth is that
I am the snow.

Snow is here but not I,
I am in the hot summer
and searching the snow
in my own way.

Gajanan Mishra
Snowfall

Focus on today
And make the day
Hot, without
Going through
Snowfall of
Yesterday or
Blossoming of
Dreams of tomorrow.

Gajanan Mishra
Snowspill

Snowspell continues
Speculate not
condition of seas
hardly survive.

Harbinger of truth
is snow and
you know only fire
is there to fight
showing might though
rest on snow.

Gajanan Mishra
So Also I Am

You are the truth,
So also I am.

Let me
Propitiate you
So also to my self.

Let me touch
My head
My mouth
And my breast
By my right hand.

Let me count three,
Let me go free,
And let me give
My heart to you.

Gajanan Mishra
So And So

Oh, you are so and so,
everything is yours,
but I’m not the chameleon here
to change colors.

See me, I’m fixed,
and I’m in you
for truth.
See me, I’m searching myself in
your glory.

And you are
what I’m here,
with my colors,
you are free but
far above all.

Gajanan Mishra
So Blind That

I am blind
So blind that
I continue to
Ignore You.

I am deaf
So deaf that
I continue to
Ignore You.

It is true
I did nothing
Nothing for anybody
To benefit You.

I am not able to go
Anywhere without You
You are here with me
Always I know though.

You are present I know
And I know I am Yours
Yet I am not free
To procure the real benefit.

Gajanan Mishra
So Called Gods

So called gods are there
Everywhere but they lack
Godliness.

Gajanan Mishra
So Close

I think and I get,
And you are
So close to me.
I know you are
Not far away from me,
It is not possible also.
O my dear, my keen desire
Is here, so also my realization.

Gajanan Mishra
So Cold But So Smart

So cold but so smart,
Lovely but no heart,
Hurt and lost chart.

Gajanan Mishra
So Complex

So complex,
So complicated,
And all that give
A different complexion
To the problem of life.

In spite of all
We move forward
In compliance with
Nature.

And nature
Is in full competitiveness.
And we compose poems
Not in compos mentis
But with composite things.

Gajanan Mishra
So Enthusiastic

So enthusiastic
At work, you are.
Blessed with grasping power
You are.
You have showed
Enhanced sensitivity
For all entity.
And for all these
I am entering straight
Into your hearts.

Gajanan Mishra
So Famous

So magnanimous
so handsome
So easily gotten
I accept You
You are my
part and partition.

Each day You are younger
Each day You are richer
I want You here at every moment, my dear
At the dancing of my heart
You are at the center
My vibration my glory
I accept You my only present and future.

Gajanan Mishra
So Far I Am

So far I am
Unable to
Understand you
Fully.
We are living together,
Being attracted by
One another, though.

Where is the knot?
How hard the knot is
I failed to imagine.
Anyway, I am here
To apply my reason
To understand you,
Partially, if not fully.

Gajanan Mishra
So Far No One Has

So far no one has taken birth
To read fully my poems and
To understand all in a truthful way.
But I am grateful to those
Who are reading and trying to
Understand in a positive manner.
So also I am most grateful to those
Who are reading my poems and
Pointing out the mistakes
In my writings in some or other
For all good, they are my guide,
Without any doubt. The are my
Wellwishers and they are there
To enlighten me everywhere always.

Gajanan Mishra
So Far Poetry

So far poetry concerned
they say great you are
and they know
poetry cover all.

It is their failure
to find truth
and they know
truth is everywhere.

Do not misunderstood
I am nowhere
except in love.

I do not know
whether it is for
better or
for worse.

Gajanan Mishra
So Here I Am

So here I am only for you
No needs to tell this truth, also
No needs to show snapchat account.

Gajanan Mishra
So I Am Searching

So I am searching my words
That I have thrown away
in my my poems
are meant for you, only for you.
And you have complained not
able to receive the words therein.
I am searching the doors and
windows of my house wherein
you are residing with care
opening all doors and windows
and through which so many persons
are going and coming freely
without any hindrances. And so
I am searching you in my own words.

Gajanan Mishra
So Kind Of You

So kind of you,
I am here
And able to walk
And able to do
Whatever you like.
So kind of you,
You have allowed
Me to go here there
Like the air
In the sky.
So kind of you,
I cry and I smile
For nothing, with
All material profits,
Economic development,
Sense gratification,
So on and so on.
So kind of you
I know the truth
And you are here
In my house.

Gajanan Mishra
So little I am,
In this little earth,
With my little dream,
I am not able to
Reach you my dear,
Unless you pick me out.
By and by, let me clarified
I am the loveliest one
In your live-earth
And able to talk to you
From here as I know
You are present with me
To break the ice
And also to put out the fire.

Gajanan Mishra
So Long As

So long as I am here,
O my dear, I know, You are here.
As a daily routine
We both are overlapping each other.

Freedom is nothing but illusion
Love is nothing but cunning connotation.
Truth is the relation, that is there
Inside and outside our jurisdiction.

Let us not forget, my dear, we are only players here,
Besides us, there is nothing and there would be nothing,
Let us not going to destroy ourselves with our own hands,
O my dear, we should be cautious for our future.

There is nothing called future
I know, my dear, and I am in love with You for ever.

Gajanan Mishra
So Long As I Am Here

So long as I am here
You are here
You seem to exist
You are loved
I am attached to you.

Gajanan Mishra
So Long As You Are Not Present

I can not call myself
Pure as I am expecting
A word from you
I can not call myself
Skillful as I an incapable
Without your support
I can not call myself
Prosper so long as
You are not present.

Gajanan Mishra
So Love You

So love you
My dear
I know your
Past present future
So love you

For love
No loss.

To my yard
And telling me
In different languages
And I make them understand
My problems but they
care not to listen
For them I am nobody
To complain and I am here
Just to act what they said
And they said nothing
And stayed with me
Even beyond the time
Of sun setting.

Neutralize each other.

Gajanan Mishra
So Many Dogs

And so on and so on, related to
So many institutions Govt and private,
But not a single one is correct.
I, myself failed to discover
My real identity in any one.
Excuse me sir, how can I say you
Who I am, where is my home,
How can I say you my date of birth,
I know not my real birth.
I know not real perfection but I am
In need of love and affection.

Gajanan Mishra
So Many Lists

What I should do,
What I should not do,
So many lists are there
With you that I know.

I have nothing to do
That I know only from you,
I have to stay like a statue,
And I have to observe silently,
All the works being done by you.

I have not forgotten the truth,
And truth is that everywhere
What is going is only for good.
There is nothing called today or tomorrow
And there is nothing called sorrow.

Gajanan Mishra

So many monkeys are
There in our
Lord Jagannath temple.
And all they are, see,
Busy in laughing at you.
Go not there, my dear,
They are ready to
Loot you.
These monkeys are
Different from
Those of Mahatma Gandhi.
Here, the monkeys are
Free to tell anything,
Free to hear anything,
Free to see every sight.
No rule no regulation
No police personnel
Can check them.
But my dear, you can
Check or restrain yourself
In your own speech and action,
Or else they are there
To give you a lesson.

Though not able to express
You are to feel me only

I am not with the words
It is sure though I have
Take shelter of words
To express myself not fully though

With me always.

Nobody is here
to disturb me.

It is open everything here,
It all depends on you to do
whatever you like at any time,
with full transparency.

Gajanan Mishra
So Many Wives

So many wives are
There with me always
So many wives are
Harassing me
In many ways.

Responsibilities for
Maintenance of so many
Wives are with me
They are pulling and pushing me
In different directions.

Each wife is struggling
For her own interest
One is pulling me
To arrange tasty food
Another to get suitable drinks
Yet another demands
For soft touch sensuous objects
Yet another wants to hear
Pleasing sounds and hankers
For pleasant aromas
And pleasing sight.

O my dear, I am not able to
Fulfill all their demands
I am being harassed by my own wives
Excuse me, and still
I am with my wives and I love them all.

Gajanan Mishra
So Many Words

So many words
So many music
As there are
Species of life.
Let us chew the life
Like the betel nut
For the interest of all
It is the time's call.

Gajanan Mishra
So Many Words, So Many Poets

So many words
So many poets
So many meanings
So many style of living
In this wonderful world
And I am here missing
At every time, see me
Find me, if you can
My dear, I know this is
Your area and I am
Just wandering and
Wandering and it is
Charming to the point
And with firm belief.

Gajanan Mishra
So Many Worlds Are There

So many worlds are there,
And I am in all, search me.

Say not I am not there,
But go on searching in the water,
In the air, in the sky, in the light.

Everywhere see me, and also
Feel my presence during your tour.

Gajanan Mishra
So Much

You are telling
So much and yet
I hear not.
You are here
there and everywhere
Yet I see not.
You are performing
everything and yet
I feel not.
Where I am, know not.
No love and no hate
And yet I am here
with my satisfaction
with all happiness.

Gajanan Mishra
We see with eyes
We walk with feet
Eyes - the sense of
Perception
Foot - the organ of
Action.

A thorn runs
In to the foot
Eyes filled
With tears.
Dust falls
In to the eyes
Feet totter.

O my dear
Such is our love
We are not separate
We are not different
We are one and one
We are honest.

Gajanan Mishra
So Much Water

With so much water,
So many oceans,
So many people,
In water,
On land,
In the air,
The world is colourful
And it is wonderful.
Let us enjoy it
At this moment,
Forget quarrel,
Forget war,
Forget everything,
Just filled with wonder.

Gajanan Mishra
So Much Wealth

What is the use of
So much wealth
If it is not able to
Eradicate poverty.

What is the use of
So much knowledge
If it is not able to
Provide freedom from fear.

What is the use of
This life if it is
Not in love and not
Follow the path of truth.

Gajanan Mishra
So My Dear Men

So my dear men
Come up with knowledge
Through knowledge you should
Understand your actual self
Come up with knowledge
My dear men, realize the self
And advancing by clear realization
My dear men you should live a
Cheerful life without any hesitation
So my dear men come up with knowledge
Knowing you all are one and the same
You are above all colors castes creed
You are here only to achieve
The Supreme perfection for which you born.

Gajanan Mishra
So Nice

So nice,
So natural,
I desire a life
In and with nature,
Without any
Political, social
And economic upheavals.
A life,
That is peaceful
Is necessary
For a peaceful human society.
Service-oriented life
Is good for livelihood,
I desire a future with good produce.

Gajanan Mishra
So Nice And So Cooling

So nice and so cooling,
Your presence dear,
You are blazing and
Burning all my sorrows.
I am here to achieve you,
But you are there with me,
You are my truth-consciousness,
For you, I am perfect here.

Gajanan Mishra
So Now I Have A Room

So now I have a room
Where they live together
The sun and the moon.

Gajanan Mishra
So On And So On

I do not want
I do not want anything.

I do not want
Wealth awards
Lands positions
And so on and so on
I do not want.

I remain content
What is there with me
And with my contentment
I remain unchanged.

Gajanan Mishra
So Said

So said it is good,
And I am there
To accept all.
But let me
Encourage you
And you are there
To get the result.
The result is
Always good,
If your thought is so.
So said it is good
And I am ready to
Accept you
In to to.

Gajanan Mishra
So Shining

Let me take a shine,
You are so shining.
Let me awaken the stars,
So shining as they are.
Let me count the numbers,
That are uncountable
Through the shine of poetry.
Let me divide the sky
With laughters of so called
Love and hate.
Let me stay calm
In the middle of the sea.
Let me violate all rules
There at this time.

Gajanan Mishra
So Simple So Pure

So simple so pure
Kosli child.
Not black not white
But I see
In him all light.

He cries
For a little space,
For a lovely word,
He cries
To have a moon-burnt face.

He has a soul, I know,
He has a voice.
That is to be heard,
That is to be take cared,
With his inner rejoice.

Not eager
For name,
For fame.
But he wants to love,
To blossom.

Gajanan Mishra
So Small

So small
I can not see
So small
And you are
So big
I can not see
So big.

See, I am
What I am
Here at present
See, my going
See, my crying
And after everything
I am just missing.

Gajanan Mishra
So soft and so hard,
I am not able to
To express in words.

Gajanan Mishra
So Sorry

I am feeling happy
With my own destiny,
And my destiny is
Mocking at me.

I know my life is
For suffering pain,
But here also I
Enjoy pleasure.

Gajanan Mishra
So Speed!

So speed!
I am unable to cope of.
I know you are
Not there to wait
Even for a moment.
And you know my capacity
Is not fit to go. Here,
Even the cony concede defeat.

Gajanan Mishra
So Sweet Life

So sweet,
So sweet life.
From the very beginning
I love life.
Think not otherwise,
But try to extract nectar
In each and every stage.
Observe,
Observe the stages and
Know the fact
And the mystery,
And smile and enjoy.
Life - so sweet,
Even without foot or hand,
We can enjoy.
We can enjoy here
Even without eyes
Only my touching and feelings.
Avoid not anything, anyone,
But cooperate, coordinate
And love all
Without any discrimination.
Ask not duration,
Just a moment is
Sufficient to evaluate
The life, no matter
Whether it is
In air or in water.
But you have to
Surrender before
No one but the self.
Remember, you are
Your master,
No one but you-
Only here.

Gajanan Mishra
So To So

So to so,
Love to love,
Let me go,
There is the Pluto.

Pluto, life explored.
More and more,
Power to power
Bravo, bow, bow.

Gajanan Mishra
So Useful

You are so useful
My dear cow-mother,
That I am yet to know here.
You are the maker of
wealth and health.
No needs to explain
in details here,
Cow, my dear,
You are at the center point
of agriculture,
No one is your substitute,
My dear mother.
Moreover, you are
the finest creature of nature.

Gajanan Mishra
So We Reap

As we sows
In hilly dreams
In real vision
We sheds tears
For violation
And advocating
Continue generation.

Gajanan Mishra
So Wrong

How can I tackle
The situation?
So wrong, each one.

No one knows
The right.

But sweet something,
And that is life.

Everything and
It is life.

Let the life flows
On its own course.

No problem,
Here or there,
No wrong in nature.

Gajanan Mishra
So You Are A Poet

So you are a poet,
I do admit,
You are great.
Here come,
Empty space is there
Only for you.
You are visible,
Light is with you.
I know
You are committed
To the truth.
The life of a poet
Is free, I feel.
And you fly
Like a bird
In the open sky
Of the words.
The mixture of
Black and white,
You are, dear.
The representative of
Time, you are.
In deep ocean
You are the hope,
In the area of silence,
You are the tongue.
In coastal area
You are the smile.
I know,
You are the sun
With no shadow.
Dear poet, come on
I am here waiting
For you.
Life is there,
Love is there,
Come on star
And fill up the gaps
Of this earth.
So You Are There

So you are there
In my love,
In my life's truth.
So you are there
Where there is a star.

Where is the star?
Let me search.
Let me search
Who am I
In the course of
This business.

In the course of
This business,
Let us dance together,
Let us see and enjoy
The beauty of nature.

The beauty of nature
Is here in me.
And so I love.
I love you
Being the truth.

I love you
Since you are
The lone dancer
Here.

Gajanan Mishra
So You Reap

I think
You have sowed.

Sand and flames
Curved jewels
In horrors.

Sowed
Reaped.

Birds tweet
I appeared
And saw.

What I saw
Fractured.

Gajanan Mishra
So Your Are There

So you are there
With all truth.
And here we are
With falsehood.

Our words are
Not good,
And your words
Are fine
And beautiful.

We are here
With our own light
And own shadow.
You are there
With all kudos.

Gajanan Mishra
So. You Are

So, you are going
Yes you can and you must
I am not making any objection
And who am I to object
Objecting is not my passion.

O you are within me
And I am staying
Who told you
I am not going
And you knew
I am within you.

This is the only time
In our hands
O my love
Come and let us chat
Let not the night flat.

Gajanan Mishra
Social Act

Writing poetry-
A social act.
For all welfare,
Encourage the poets.

Discover
The culture,
Roots - poetry.
Give shape
To humanity
Through poetry.

Learn and live,
Life through poetry.
Visit the words
For all welfare.

Gajanan Mishra
Social Order

Social order is
Necessary, so also
Discipline is
Necessary at every
Stage of life.
Doing something
Is but compulsory,
So also you are here
To get something
That are your dues.
You may regard yourself
As you like, but
You are to accept
The happenings.

Gajanan Mishra
Society, Friendship, Love Etc

Society, friendship, love
Country, home, wife, children
Etc etc bear false meanings in life
And they are not at all
Helpful for your own liberation.

Gajanan Mishra
Soft And Hard

Soft and hard words
There in the dictionary
Soft and hard
In a man beautify him
Soft and hard
In right place and
In right time
Make the country
Most powerful
And soft and hard
Are the ingredients
Of smart power strategy.

Gajanan Mishra
Soft And Ripe

Soft and ripe -
Life.

Hear the melody,
Memoir of poetry.

No appearance,
No disappearance.

Keeping everything
In secret.

Gajanan Mishra
Soft And Tender

Flower is flower
Soft and tender
No wonder
Makes life better
Ensure that
Wrong hands
Does not get.

Gajanan Mishra
Soft Clay

I have not much knowledge
About this soft clay.
I am not ignorant as well.
Let it be there where it is,
And we are here to continue
Our play as before.
I surpassed all holding my
Victory flags here with this.
I complained not, I told not
Give me this or that.
I know your charitable nature
And yet I proceeded on my way.
Fertility is there in the field
And so I praised this soft clay.

Gajanan Mishra
Soft Is December

Soft is December,
Soft is life,
But life is not December,
December has given
So many things to life.

Merry Christmas,
Love, and peace
And forgiveness
All are there
Interlinked with
This December.

My dear, enjoy life
With the colours of
Truth and December.

Gajanan Mishra
Soft Words

Soft words,
I am not interested
to hear you.
Yet you are coming to me
time and again,
what shall I do!
What do you think of you,
Soft words!
Be kind, go on that way,
but I am no the person
to drive you out.
Do whatever you like,
but remember, this the place
that is not meant for you.

Gajanan Mishra
Soldier And Poet

Allow not
The soldier and
The poet to sleep.
Soldier is there
To guard the boundary.
Poet is there
To clean the people.
If the soldier is
Unfaithful, the country
Is under foreign rule.
If the poet is not
Make attempt to rise
The people, the country
Remained undeveloped and disturbed.

Gajanan Mishra
Solemn Prayer

I pray
I pray my readers
To understand my poems
And try to translate it
In to practice
If possible
For a better tomorrow.

Gajanan Mishra
Solitary Song

I am singing my
Solitary song that
Whistles in the wind.

Gajanan Mishra
Solution

Solution that I want
Is already here before me
I am not capable to
Bring to light.

You have told me
That are necessary
By indication and I
And not able to follow it.

I do not know how to
Marry a short skirt
How to make large
Amount of money
And I am unfit here.

I know how to
Break promises
I know how to escape
And I lost myself
And I am unfit here.

Gajanan Mishra
Solve The Problems

Your life is temporary, remember
But you are to solve the problems
Of your life for ever.

Gajanan Mishra
Some Are Telling

Some are telling, hello Gajanan
How you are able to write so much
And I am telling them, my dear friends,
Here in this world there is no shortage of men.
Read men, study the situation, and know
Their problems, think for solution,
Just love a little and get in return much from them,
Say a word of truth and get in return so much truth,
This is life in this world, say how wonderful .

Gajanan Mishra
Some Bad Omens

Like crying of she-jackal
At the sunrising and vomiting fires
Barking of dogs fearlessly
Cows passing on the left side
Circumambulating of asses
Weeping by horses indicate
Something undesirable
In near future.

O my dear, The pigeon is like
A messenger of death to me
The shrieks of the owls and
Their rival crows make
The heart tremble
As if they want to make
A void of the whole universe
Further here is smoke
Encircles the sky
The earth and mountains
Are throbbing
Cloudless thunder is here
And it is bolts from the blue.

See, the wind blows violently
Blasting dust everywhere
Creating darkness
Clouds are raining everywhere
With bloody disaster
The rays of the sun are declining
Stars appears to be fighting
Amongst themselves
Confused living entities appear
To be ablaze and weeping
Rivers tributaries ponds reservoirs
And the mind are all perturbed
Butter no longer ignites fire
Something extraordinary
Going to happen, my dear
Something undesirable
In near future.

The calves do not suck
The teats of the cows
The cows do not give milk
The cows are standing crying
Tears in their eyes
The bulls take no pleasure
In the pasturing grounds
Let me say the Deities seems to be
Crying in the temple lamenting and perspiring
They seem about to leave
All the cities villages towns
Gardens mines and hermitages
Are devoid of beauty and
Bereft of all happiness
O my dear, I do not know
What sor of calamities are
Now awaiting
But I am sure something
Undesirable in near future.

O my dear, I pray save this world
This world is Yours and
I am in this wolrd now
I am Yours faithful
Servant's servant's servant's sevant
Praying befor You.

Gajanan Mishra
Some Drink

I want,
Want some drink.
Am I really thirsty?
Cold or heat,
That I can’t say,
But I want
Something to drink.
 Needless to know
Who is more important
You or I?
But we have to know
What is there in us
Rock or water?

Gajanan Mishra
Some Idea

To tame the bull
Give some idea.
But our own men
Are not tameable,
Give some idea
To tame them all.
They all use power
Given to them
For personal gain,
To satisfy their desire.
Give some idea
To pull them out.
No one is fairly good,
I want all the truth.

Gajanan Mishra
Some One Has Opened

Someone has opened
The doors,
The windows,
And the zeros.

Some other one has
Started closing,
But failed
To do so.

And now,
Everywhere echoes.
And all took vows,
To search out the grove.

Something has missed,
Someone has hissed.

Gajanan Mishra
Some Poets Are There

Some poets are there
And they are busy with
The flowers and stars.

The stars and flowers
Are telling them
How wonderful the world!

The world is really wonderful
With the fights of the cats and mouse
And the poets are busy with their muse.

Gajanan Mishra
Some Say Religion

Some say religion
Controls sorrow.
But here?
See and say something
My dear brothers.

Are we really
Covered with a
False surface?
I know not.
Please come forward
To explain in right way.

A man in his sovereignty,
Now witness life pity.
And receiving pain always.

Think for a while men,
Where are you going and
The purpose of your living.
Think for a while
Your own idea that departs.

Men, keep your
Recollection straight.
Right religion is humanity,
Cover your head with it.

Gajanan Mishra
Some Sort Of Blindness

Some sort of blindness
Is there with us.
But I am not here
To say blind man is wise.
I may say wise men
Are blind with eyes
Open inside.
A poet is both
Blind and wise
Some one said.
I remained silent
Looking at him.
Actually I have lost
All words and sights.

Gajanan Mishra
Some Style

I like some style,
I like some compassion,
I like some passion,
I like some humor.
Life is a combination of
All the above dear.

Make life cheerful
With the help of your
True knowledge and love.
Love each other, my dear,
With human activities
And see all clear.

You are unique,
You are the world here.

Gajanan Mishra
Some Sweets

Some sweets
Some bitter
Some sugar
Some salts
Are there
To form life.

Restraint yourself
For any excess
In anything
At any time.

To win your mind
And to keep restraint
Is really difficult
But not impossible.

Gajanan Mishra
Some Way Or Other

Some way or other
when you get yourself
involved with all these
you became dirty.

Clean the dirt
and come forward,
show your honesty
and integrity.

Be sincere to the point
Being transparent
Do the business of the people
as per their choice.

Gajanan Mishra
Some Words

Some words are dying,
Some other are trying to survive.

Some words are coming to the picture
Through lateral entry.
Some other are making trouble
Shaking off the shackles.

Some words are expressing their love,
Some other are going towards enmity without any cause.

I am here with some words
And I know they are not mine,
Yet I am using them
To fulfill my desire.
I am trying to maintain
Equanimity in the field of action.

Gajanan Mishra
Some Words Are

Some words are
Going beyond
My command.
Some other words
Are commanding me
To write such and such.
Both groups are
Inviting me
For a launch,
And I am going
With them.
Those words not
Coming under the above groups
Are with me and
I am not dissatisfied
With any group.
I am with all the words,
But all the words are
Not with me, sorry,
I can't say more than this.

Gajanan Mishra
Some Words Are There

Some words are there
Who are eager to
Come to me to live
Without any conflict.

Some words are there
Who give me
Troubles with a hope to
Create a conflagration.

I want to stay without
Any of them but they
Take me to their world
And they express despair.

Gajanan Mishra
Somebody Else

Somebody else if any  
Come to me as star  
Let me see who you are  
And what have you done so far.

Who told what and to whom  
The questions that are perfume  
Mind it I am only here  
Who is playing a game with doom.

Gajanan Mishra
Somebody Who Is

Somebody who is
Good to remember
That is only You
And You are here
With all Your
Beautiful colors.

With all precious
Gifts You are here
Since I am blind
Unable to its beauty
That is inherent
In all atmosphere.

O my dear, see me
I am very very poor.

Gajanan Mishra
Somehow Or Other

Somehow or other,
I am here.
Somehow or other,
You are also here.
We both are committed
To produce a new picture.
The picture that is there
To make us better and better.
The world is far better,
And we are here
To remember the maker,
Our own creator.
We are better with our thinking
That we are one, all creatures.

Gajanan Mishra
Someone And Somewhere

Someone is there
Somewhere, and
I am therein,
Discover me, dear.

My dear, wherever you are,
I am there, just see.
Breaking news is declaring
Just hear and search me out.

I am there in right time,
Worry not, dear.
Day and night and I am
In you for love for truth.

Gajanan Mishra
Someone Has Told Me

Someone has enquired
over phone whether I am
smiling or not, for what
I asked in reply and
the same man replied
is today not your birthday?

Another one has enquired
meeting personally why are you
weeping here my dear
And further he has suggested me
to observe the day with smile
as it is our wedding day.

Tell me how can I smile without you,
my dear, I know though you are here.

Gajanan Mishra
Someone Is There

Someone is there
In my house.
My house is there
In me.

I think
The air is going
From this side
To that side.

I am showing light
To the water.
The water is showing me
The path towards the sky.

The sky is on this earth,
I am the fire with the earth.

Gajanan Mishra
Something And Something

Something has happened,
Something and something
But what is that thing
nobody knows here, wonderful!

Wonderful! we are made fool
with so much knowledge though,
We are thirsty with no thirst
We are hungry with no hunger.

Here we have words but no sound
Here we have everything but no ground.

Horrible is our life here at this time,
and the time is not under our control.
We are control by something else
And what is that something we know not.

Gajanan Mishra
Something Different

Something different,
Beyond separation
Beyond identification,
Beyond knowledge
Beyond ignorance.

It is open appearance,
For common interest
With common food
Common sleep
common fear.

It is life
It is love.

Life and love
Not bluff.

Gajanan Mishra
Something Happening

Something is happening
Every time every moment
And I am watching without
Uttering a single word
And as a poet I am closest
To all and all these
Matters to me.

Gajanan Mishra
Something Is

Something is something
Nothing is everything
Everything is many thing
Many thing is thing that is in you
And you are nothing.

Everything is good pure fresh
Painless tasty and with grace
Nothing is vain and painful
Tasteless and stale
Always everything is a beginning.

It is our truth consciousness
That is right to heard and act
It is hearing and talking and meditating
Let us keep the life for the entire period
Let us see life prosperous and joyous.

Gajanan Mishra
Something Is Going Wrong

Something is going wrong,
Something is going wrong means
It is I who is responsible,
I must blame myself,
Because it is I
Who is here now.

Color is nothing
But it is in my eye-sight,
I must admit,
And I must admit
I am here to change
My thinking and my language.

If something is going wrong
Really it is I who is responsible only.

Gajanan Mishra
Something Is Here

Something is here
Enjoy it.

Forget about
Everything
Forget about
Nothing.

In between
There is something
Enjoy it
So long as
You are living.

Love is continuing.

Gajanan Mishra
Something Is Missing

Something is missing
In your words, in your actions.
I am trying to discover them.

I am trying to discover
My own life that is missed
In deep sea.

In deep sea
I am at present
Diving without
The help of a diver.

The help of a diver
Is but a necessity
In the world and
I know it is only you.

Gajanan Mishra
Something Is Not Here

Something is not here
And I am going for that,
Something is here
It is beyond my capacity
To discover.

I am looking here and there
Status Quo is not maintained
And I am embarrassed,
And I see no neighbor near
Even I stay no longer.

Make not any sacred things
Dangerous in an artificial way,
Think for a while and say
That are good to all at large.

Gajanan Mishra
Something Is Still There

In nothing.
And in nothing
You can find everything.

It is your visit
And revisit that would say
Where is the proper way
To today.

Gajanan Mishra
Something Is There

Something is there
That I want to know
Something is there
That I am alone
Something is there
That I received
No help from you
To search out.

Gajanan Mishra
Something Is There In My Will

Something is there
In my will,
And that is
My strength,
And my strength
Comes from that
Will that is
Indomitable.
It is wonderful
My will and I
Both are here
For what that
We know, we are
For other's welfare.

Gajanan Mishra
Something Lost

Something lost
Something gained.

It is happiness
That is there as before.

If you are no longer attached
You are there to enjoy eternal bliss.

Understanding is okay
Poetic art has nothing to say.

Gajanan Mishra
Something New

Something new is being introduced soon,
Some new persons are there to pursue.
And all are the result of reunion and
Chronological sequences.

Pious credit should be earned
With each holy work.
Lunar or solar no matter but
Eclipses are there, though.

Still, all are auspicious here,
Still, we are beneficial and we
Used ourselves for the glorification
Of the truth.

Gajanan Mishra
Something Respectful

Something respectful
I want to show you.

While seeing
You can use,
You can take care.

Treat not joke,
Always.

Gajanan Mishra
Something Special

Something special,
Let me write,
Purifying.

Your gesture
And smile,
All blessing.

Touching and
Seeing all
Magnifying.

Austerity and
Learning,
Self-satisfying.

It is all
To drive out
The fools and
Rascals.

It is all
For love
And truth with
Vows of silence.

Time is
For one's own
Deliverance.

Gajanan Mishra
Something Spectacular

Wait
Something spectacular
Wait
Surprise there.

Everyday newday
New sun give
Message afresh.

Wait
Poetic movement
Ahead
Wait
You are to lead
And head.

Gajanan Mishra
Something That Are Not There

Something that are not there
In my poems let me say
About that, here at this juncture.
What are those thing if you ask
You would get nothing
But I am on my own let me say
That are yours.

What is yours
Can you say my dear.
I know you cannot, and
Not being able to say
You grumble for no reason
Clarifying for nothing I am fine
And this is the scene.

Gajanan Mishra
Something To Be Told

Something to be told
Through poems.

To elaborate the things
Someone should come forward.

Coming and going
All natural phenomena.

All for all in words
That is to be told.

Stillness - the only truth,
And all lightness is there.

All life not identical,
And also never final.

Gajanan Mishra
Something To Discover

Something to discover,
Something to invent either.
And it is all love.
It is there to appear,
Today or tomorrow, dear.
Love is the fire of the snow,
It is the truth to glow.
Wait there for the natural flow.

Gajanan Mishra
Something Very Nice

Here it is
The life
Something very nice.

Anger is there
With the fools.
Intelligent one
Knows anger
As poison.

Set time
At your sweet will, dear.
Life is waiting
For you.

Let is all sweet
And it is the truth.

Gajanan Mishra
Sometime It Is

Sometime it is
Black,
Sometime it is
White,
At other time
it is yellow,
And the time is
ready to swallow.

Life is like the sea
Life is meant
to please Truth,
And truth is here
for the welfare of all,
I am waiting for your call.

Gajanan Mishra
Somewhere

What is right what is wrong
It is not my duty to sing a song
And to go somewhere after the bell rung.
The spider is in its net
Nothing wrong nothing wrong
It is the moth who went there
And the spider caught
Nothing right nothing right
I know life is a fight
And I know I am somewhere
In between the sky and the turn-kite.

Gajanan Mishra
Somewhere Between

Somewhere between good and bad,
Neither I am in sorrow nor in sad,
I am just a butterfly,
I am neither on the land
Not in the vast sky.
I am somewhere between
Too bad and too good.
But I am here to be appreciated
I am here to be understood
I am here to be lived
I am here to be loved.
Here everyone is ready to
Gives me the bounty and goodness
Of the food air and water.

Gajanan Mishra
Somewhere Else

Somewhere else
But no where,
No where
But anywhere,
We are together.
And we are
Not able to
Escape from
One another.
And we are far,
And we are near,
We are always here.

Gajanan Mishra
Somewhere I Am There

Somewhere I am there
In you,
The only truth.
Everywhere you are in me,
The whole truth.

The truth is that
We are both here
For the purpose of
Opening a new chapter.

The truth is that
We are together here
Getting sweet love
From the air and water,
From light and ether.

Gajanan Mishra
Somewhere In My Heart

You are tormenting me
O my dear and I am
Calling you day and night
When you are insight me.

Gajanan Mishra
Somewhere On This Earth

Somewhere on this earth,
I am there,
Search me out.
And I am there
To love you.

Gajanan Mishra
Somewhere Something

Somewhere something
Is going wrong.
But what is that?
Who is there
To clarify what is
Wrong and what is not?

When we are here
With no friend no foe,
When we are here
With no pain no pleasure.
How can we say
It is good and it is bad?
I am not happy and also
I am not sad.

Gajanan Mishra
Somewhere-Missed

Somewhere I missed myself
I have missed somewhere
Who was I
Who am I.

Those who are here
Rolled back
Those who are not here
Said they are confused.

Recognition is difficult
And I failed to know
Who are they with me
And they stayed.

Gajanan Mishra
Son And Daughter

Son and daughter
alike
treat daughter
as son.

No less no more
I am in my night bed
you are in your dream.

What is the time
asked daughter
answer is not there
what is the time
asked the son
and you are there.

What do you mean by son
what do you mean by daughter
by and by you are
not here.

No less no more
I declare.

Gajanan Mishra
Son Of

A man is
A son of nectar
A man is
A fruit of love
And nature
I love man
I belong to
This world of man
I love this world
I know this is
Your world
I know you are
The nectar
O my dear
See me
I am before you
At this moment
Here
With tree bird air
With sky sea
And with my
Poems and
Life-literature.

Gajanan Mishra
Son Of Nectar

Son of Nectar, O, men,
Grieve not, go on,
You are endowed with
Divine nature,
No one can trouble you
On the path of Truth
And Love, go on, go on
O my dear men, nothing to grieve
See, everything is conducive.

Gajanan Mishra
Son Of The Time

I am the son of the time
See me, I am fortunate.

My business is to
Take everyone to Truth.

By my own free will
I am travelling all over the universe.

I am fortunate
I am preaching Your glories everywhere.

Gajanan Mishra
Son Of Truth

See, I am here
The son of the Truth.

I am in love
With this world.

The air, the light
The water, the sky
And the earth
All the five are
There within me.

Smiling is my sword
Giving is my strength
Defeating dark is my aim.

Gajanan Mishra
Song

For sleeping,
Song is required.
For fighting,
Roaring and growling
Are required.
Life is not for sleeping
That I know.
And I know life is
For fighting, fighting
With time and for this
I am roaring, my dear,
To rise the human beings
Who are sleeping at
Broad day light.

Gajanan Mishra
Song, I Like

Song, I like,
In the cloudy night.
Cloudy night, I like
For fear of death.
Death I like,
For life.
And life, the source of nectar
Comes to me as it is.

Gajanan Mishra
Songs Of Life

Sing a song,
Sing a song.
Discover yourself
In that song.

Call the song
Your own,
Listen the song
Of the earth,
You are there
On that earth.

Call the earth
Your own,
Listen the earth
With care,
How his words
Are there in the sky.

The sky is not
Yours and still,
It is within you
To reply all
Questions that
You put.

It is all truth
Your song,
Your earth,
Your sky,
But you are
Not in a mood
To agree with
The air there.

It is all clear
In the air
In the water
When your song
Focus lights
Through your singing.

Gajanan Mishra
Songs Of Separation

Songs of separation
What is that
I know not yet.

Who has separated
From whom and when
Not known now and then.

Everybody and
Everything is here
Depends on you to see, my dear.

Tear away my lust
Give me love
Seeing my love.

Below is grass above is sky
I know, You can not say me good bye.

Gajanan Mishra
Son-Nectar

Cowardice soon be abandoned,
By giving up smoking,
Drinking and company of
Persons addicted to vice.
Stay fearless by giving
Respects to parents, teachers
And good men and go on
The path of progress.
Do, what is worth doing,
Know, what is worth knowing,
Gain, what is worth gaining.
I know, there is nothing
To be afraid of, as I know
You are the nectar, here.

Gajanan Mishra
Sons And Daughters

Sons and daughters
Come together.
Go not for
Material pleasure.
Stay happy with
What you have
There in nature.
And know
Controller.
Everything is here,
Sons and daughters
Come together
To avail the scope
And time
One after another.

Gajanan Mishra
Sons Of The Nature

O, sons of the nature,
Try to understand
Your own future.
You have peace within,
Try to maintain it, my dear,
Remember, blessed
Are the peacemakers.
Love each other, my dear,
Only in love, find, Eternal life.
Be humble, and be powerful
With love, here.
Life is nothing but nectar,
As a traveler, you are to
Manage and act as savior of all creatures.

Gajanan Mishra
Sorrow, My Best Friend

Sorrow, my best friend.  
Always taking steps  
To make me awake.

Sorrow, you are  
Allowed to stay.  
And I am not here to say,  
At any time, go away.

I am yours, I know sorrow,  
I know no one but you only  
Think of all good.

You are nameless,  
But your contribution is measureless.  
Sorrow, Comfortably stay here,  
With utmost sincerity, see I serve you, dear.

Gajanan Mishra
Sorrow, that I want, give me -
Said Draupadi to Sri krishna
After getting everything.
Draupati knows well
Nothing is there in pleasures,
Nothing is there
In so called happiness.
Draupati knows well
The meaning of winning war,
The meaning of the kingdom.
And still through out the life
We are running after wealth,
We want not to stay free
From passion, fear and anger.
We know in every unfavorable
Circumstances, in sorrow
There is a fruit that is sweet
And that is for the welfare of others.
Still we are craving for all pleasures,
Still we want praise and honor.
This is all due to lack of experience,
Lack of knowledge.
Knowing fully well everything
If I am not unruffled
In the midst of favorable and
Hostile circumstances, excuse me,
Give me patience to bear the consequences.
O Draupati, excuse me, I am not
Able to learn anything though
I have read you and acquired knowledge
I am not able to know the truth.

Gajanan Mishra
Sorrows Of Happy Man

Who is happy?
No one is happy,
also not correct.

Let us know
the sorrows of
so called happy man.

Pity on him
Who is here
with everything.

Cheers to you
When you are telling
You have nothing.

Tell me
the exact time.

Gajanan Mishra
Sorrows Of The World

I am writing
I am writing this
With the tears
Of my eyes
And what is this
this is nothing but
The sorrows
Of the world
O my dear, this
Sorrows are nothing
But your testing
And what for
This testing
This is for nothing
But for love
But for devotion
For which the flowers
Blossom for which
the bird sings
For which we live
For which, O my dear
You appear.

Gajanan Mishra
Sorry For The Mistake

Sorry for the mistake,
But I know not exactly
What is a mistake,
So long as I love each one
And I wish all good
To each and everyone here.
I know all are one and
One in all.
I find no difference,
Between one and another,
Excuse me. I know
Life is one with
And in between
Same birth and death.

Gajanan Mishra
Sorry For You All

I am sorry,
I am sorry for you all.
You all are here,
But you are not able to
Know whatsoever.
I am so sorry
For you all,
With black and white
And with all colors
At this end of the year.
You are suffering
Though not expected to suffer.

Gajanan Mishra
Sorry To Know

Sorry to know,
Who you are.
Sad to know -
No more there.

Sorry to know,
You are in the habit of
Composing poems.
Sad to know,
The poems are there
Leaving you deserted.

When I said I am interested,
You said it is my madness.
And I am haunted, but no use
To lodge FIR against anyone.

Gajanan Mishra
Sorry To Say

Sorry to say
The rain is not able to
Understand my love-heart.

Sorry to say
The rain is not coming
To me when I am in need.

And rain is coming with
Its furious style and going on
Destroying my house, my crop field,
And putting me to a great lose.

Is rain my enemy? I know not.
Is rain coming to give a lesson?
I know not my dear, and still
I am waiting the rain, to see the rain again.

Gajanan Mishra
Sorry To See

Sorry to see
The crumbling down
Of the Himalayas
With ice and sky.
I love both
The ice and the sky.
At Badrinath
I see both together.
I take bath
In natural warm water
There at Badrinath.
Badrinath is called
Heaven of India.
Here, it is Badrinath, see.

Gajanan Mishra
Sorry, Excuse Me

Sorry, excuse me.
I will not repeat
Again the same.

Gajanan Mishra
Sorry, I Am Going With Poetry

Sorry, I am going with poetry
And poetry are there to compel me to say sorry.

To say sorry is to prove that you are fair,
To say sorry is to prove that you are a star.

Nothing to despair, you being the fire.

Sorry, it is poetry and you are all there.

Let me say you are alright,
As you have kept within you- eternal light.

Gajanan Mishra
Sorry, I Can't

Sorry, I can't
Keep my mother
I can't speak
My mother.

No matter
Problem is not here
I know you are
Far away
I know you are
So busy now a days
You are independent
You are sovereign
You are separate.

But it is disgrace
When you are going to
Insult your mother
And situation tempts
Her to cry, feel dejected
And defeated
Your apologetic smile
Is worthless and of no use.

Gajanan Mishra
Sorry, I Have Performed

Say sorry to
The performance
Of forbidden actions
Be in shame.

Sorry, I have
Performed forbidden actions
Contrary to ordinance
Of scriptures and society.

In loneliness or
In company say sorry
To yourself
And to others.

Gajanan Mishra
Sorry, I Know Not

Sorry, I know not
How You are moving
And how You are acting.
But You are sitting
And You are rising
And I am realizing.
Sorry, it is destiny
And I have lost
My identity.
And You are conceiving
That has no clothing
I know You are departing.

Gajanan Mishra
Sorry, I Said All

For nothing,
I said all,
Sorry.

I realized
Who is there to live,
And who is dead.

Nothing is enough,
And nothing happened.

Gajanan Mishra
Sorry, No Childhood

Sorry,
No childhood
Is with me.
My bare feet
Is not
Proceeding
Towards the east.
All are
Waiting to
Set fire.
I'm unable to
Locate direction
Or road.
Everywhere sands
And storms.
Blood-flesh body
Is dropping down.
No emotion
No friendliness
With any one now.

Gajanan Mishra
Sorry, No Justice

Sorry, here there is no justice
Only disposal of cases are being
Done here to save service and
Earn money for own family.

Sorry, here there is no charity
Only organisations are formed
To accumulate wealth in the name of
Downtrodden poor and neglected.

We are living for us only
Sorry we are not ready to
Sacrifice ourselves for others
And not willing to study any literature.

Gajanan Mishra
Sorry, Something Is There

Sorry, something or
Somebody is there,
And that is the cause of
All disturbances here.

Anyway, worry not dear,
I am to discover and
Sort it out soon.

You are requested to
Watch the flowers,
See and enjoy
The running of deer,
Hear the birds,
Take the fresh air,
And cool water.

Gajanan Mishra
Sort Of Setting

What sort of setting
The life is
It is difficult to know
What one should have
And what process
He should undergo.

Gajanan Mishra
Soul And Body

Soul and body
Are two players here,
I am the referee.
They both are
Playing with
Truth and love.
I am not
Attached with
Any one.
But I am taking
Responsibility with
The faults therein.
I am no way related
With any loss or gain.

Gajanan Mishra
Soul And Silence

Soul and silence,
Silence soul.
Sleep in silence,

Not go anywhere, my dear,
Stay here, where we are.

Gajanan Mishra
Soul Naked

Soul naked,  
Naked soul-  
Not foul.  
Fire and air  
All there  
With stars.  
One step up  
One step down.  
Life is new,  
The sky is a few.  
All in group,  
All in the circle.  
Come for a crack  
To see soulful life.

Gajanan Mishra
Soul Of All Souls

Soul of all souls is there
Within everybody and
Within everything.
I see everything
In relation to this truth
And understand everything
That exist eternally within it
And it is the Supreme Truth.

Gajanan Mishra
Soul?

Soul?
What is that?
You said,
It is invisible part,
It is immortal,
It is unseen,
It is nature
Mental, moral,
And emotional.
You said,
It is indwelling,
It is essential part,
It is a pattern of music,
It is a culture,
Exclamation of surprise,
You said,
It is sensitivity,
Deep feeling,
It is an introspection,
It is well-founded structure.
But I replied,
The soul is the soul,
The body is the body,
In between the body
And the soul
The dream plays its own role.
I proceed with the dreams,
And the dreams are
Valuable parts of love,
And love is the inner most
Things of the truth.
The truth is
The sotto voce of love.
Love is life and life
Go farther and farther
With soul.

Gajanan Mishra
Soul-Milk

Soul-milk
World-water
Do not mix.

Do not mix.
Nothing a lie
Search the truth
Mixing no use.

Hear the sound and touch the air
Hear the sound, touch the fire and
Also see the forms of fire
Hear the sound, touch the water and
See the forms and also taste the water
Hear the sound, touch the earth, see the forms
Taste and smell the aroma of the earth
Experience the life on your own way, my dear
And say and share something you think fit
For others welfare and see all the living
And non-living are yours only yours.

A life of eternity.
My sound is crossing the sky
And the sky sound is really loud
For which I am proud.

Gajanan Mishra
Soundless

Soundless,
The air, the water,
The light, the sky,
But not soundless
My life, my earth.

Here I am
On this earth
With my own sound,
Own words, own language,
No one can check me
Anywhere at any time.

I am not dead,
I can feel, I can touch
The time, the eternity.

Listen to me and rise,
Rise and stay awake.
The time is here with us
To hear our voice,
To taste our language.

Dear men, dear comrade,
Come on and tell them
Who are not on track
To correct them
Or face the consequences.

All knowledge is there
In our face on our earth,
All light is there
To show harmony to the world.

Gajanan Mishra

This body.
Is it true?
If yes, how - explain.

Personal attempts through
The flow of time.

Your own life and order.

Gajanan Mishra
Sovereign Secret-Divinity

Sovereign secret;
I belong to myself,
No other person but
I am only here, see.
I am my knowledge,
In me, find the real
Knowledge of manifest
Divinity, indeed.

Gajanan Mishra
Sovereignty

Sovereignty,
Not here
With me.

Only I am enjoying
The tiny fraction
Of time -
Not mine.

True,
I failed to
Understand self-interest.

Time is not there,
I follow, though,
With much care,
Here with the star.

Gajanan Mishra
Sowing Seeds On Barren Lands

Sowing seeds on barren lands
Accumulating money with a magic wand
Offering clarified butter on ashes.

We are doing all the above
Forgetting Your presence and Your words
And so see, our lives are here fruitless.

Gajanan Mishra
Space Disintegrates

Architecture plan failed
Coming to reproduction factories
I invented myself in front rows again.

Gajanan Mishra
Space Flows

Space flows
Here there
With eyes fixed
On the earth.
Colors, symbols
Figures all
Are there
As they were/are.
Folds/ unfolds
Go on in single rows.
I am divided with
My sensation, perception,
Imagination and
Understanding, and know nothing.

Gajanan Mishra
Space I Found

Space I found
In expansion of
Fingertips.
Clarity I sought-after
For dispute.

All hack forest,
And all slept.
All go barefooted,

Noun and pronoun,
All gathered
And left signs.

Darker side
I discovered
For all life.

Gajanan Mishra
Space To Live

Space to live
Is not there
For you.
You know no love
You know no truth.
And you are playing
With the fire
And burning yourself
In the process.
The sun is still there
In the vast sky.
The light is still there
In your house anyway. Realize,
The time to go on the highway.

Gajanan Mishra
Space, Time, Matter

Space time matter
Objects, cause and
Effects all are mine
And I belong to all.
How can I detach myself?
All are mine
And I belong to all.
I am the concept,
I am the nature,
I am seeing all,
I am observing all,
I am experiencing
My life with all.
I am telling all
And I am asking myself
Who I am and where
I am going at this moment
With all.
I am testing all colours
Including black and white,
I am trying to keep
Contact with all
In their space.

Gajanan Mishra
Space-Craft

Space-craft,

Correction of flaws.

Gajanan Mishra
Spare Not The Fat Cats

Spare not, but catch
The fat cats,
They are in Panama Papers
With all our riches.
Set a boundary
For all high net-worth
Persons and take steps
Against them
For the interest of
The common people.
Make them remember
The saying - the world has kept
Everything sufficient for
Livelihood but not for hoardings.

Gajanan Mishra
Sparked Eyes

Sparked eyes
and I frightened
cried a loud
and flyover the bridge.

with me.

Gajanan Mishra
Sparrow - Message

O sparrow
I see you sparkling
In the morning sun
On this new years day
And you are there
Leaving a message
In time-spate
To wait and dance
And spare the earth
That is within
And for us all
That is spacial
I know you are
The messenger of
Tomorrow with
No sorrow
That is going away
In horror.

Through which You are to go.
You are not the one who engaged
Himself in to and fro, I know though.

Gajanan Mishra
Speak To You

I would like to
Speak to you.
And it's day.

You are there
For me, I know.

I would like to
Give you colours.
And it's all dark.

You are there,
The bright star.

I would like to
Ask you to call me,
When free.
And see, I'm a tree.

Gajanan Mishra

The art of living
And the way of attaining
The love and the truth.

And express yourself
As a legacy of light
With celibacy.

Gajanan Mishra
Speak Yourself

You please
Speak yourself,
As you know
No one is
Capable here
To speak
About you.

A lot of works
To do, I know.
But you are
The key here
And you are
Also the lock.
You please
Open the lock
With the key
That is with you.
You are good,
Good all around.

Different views.
What you are
Please show,
And work
All out.

World order without clash culture
It is clear we are better and better.

Gajanan Mishra
Speaking Soft Words

Speaking soft words
Giving respect to elders
Keeping humanity and tolerance
Make you great and make you
Forget the problems
And provide you solution
To have a peaceful
And progressive life.

Gajanan Mishra
Special

You are really special,
Let me call you special.
I know greedy rain
Also gives you rain.
The desert also
Give you the address
Of the river.
The butea frondosa flower
Also gives you scent.
The death gives you
The life
Really special you are
My dear, really special.

Gajanan Mishra
Special In So Many

A common man is not common
A common man is special
In so many fields, it is we
Who are ignorant about him.
O my dear, don't ignore
A common man who has descended
Directly from spiritual world
With so many qualities.
We know not he is the fire
He is the spark he is the water
And the earth and the sky and the air
Who can do anything, take care.
Giving respect to a common man is
Giving respect to yourself, remember.

Gajanan Mishra
Special Quality

I know your special quality
I know every one has
Some special quality
And I love that special quality
That is you are full of love
And you are here to execute love.

Gajanan Mishra
Special Sweetness

Special sweetness
Should be there
In everything
At every stage
With all.

O my dear, we should
Love each other and
Spend our times with
Jokes playful exchanges
And smiles and embraces.

Gajanan Mishra
Special Sweetness Of Poetry

Read my poetry and
Taste the special sweetness.

All about love and life,
All about life and death,
All about death and eternity,
All about eternity and the world.

Read my poetry and
Know thyself.

Gajanan Mishra
Speeches Are Fire

Speeches are fire means agni and heat
This heat spoiled the body and the mind.

Your vision is the fire and air
That drive away everything within.

Your tongue taste everything
That facilitates movement of all.

You are separated from two nostrils
And smells are nothing but Your presence.

That is the aromas of position
And You take form at the exit point.

Gajanan Mishra
Speechless

Tell me the name of a man
Who is in truth hundred percent.

I am not here to show you
The gold ornament that is
Pure and permanent.

You are speechless
So am I
Time is not under our consent.

Gajanan Mishra
Speechless Star

Speechless,
Motionless,
See me here.
I am with
Divine love.
Give me some
Words that can
Take me to the sky.
Give me some sky
That can give me
A home on the earth.
Give me the earth
I can take you
To the star there.

Gajanan Mishra
Speed Of Light

How to calculate,  
Thr speed of light.  
How to calculate,  
The speed of wish,  
How to calculate,  
The speed of thought.  
And without any calculation  
We move forward in the light  
To fulfill our wish  
And give honor to our thought.  
Without knowing the proper path  
We exhibit ourselves before  
Our own mirror that has failed to  
Give reflections so far.

Gajanan Mishra
Speed Up Works

Speed up works
With a few bribes
Nothing wrong
You want to say
Thanks.

Communal violence
You say is
Essential to rise
And nothing wrong in it
Thanks.

What is justice
What about solidarity
Nothing nothing
You remained silent
Thanks.

Gajanan Mishra
Spell Love

What is love
Spell love.

This side love
That side love.

True love
False love.

Say love
Only love.

What is love
Soul love.

It is love
Super-man love.

Love love
Eternal love.

I love
You love.

Life love
Death love.

Wife love
World love.

Gajanan Mishra
Spell The Word

Spell the word mother
And find a lighter
And go further and further
In the dark night of
Life prisoner.

This world is a prison
And we all are lifeprisoner
Mother’s blessing is the
Only connector
And the lifesafer.

Gajanan Mishra
Spend Not

Spend not your time
Without any reason.
Spending unnecessarily
Time means killing time.
Killing time means
Time is there to
Kill you, my dear, remember.

Time is most valuable
Time is going away from you
Go with the time
Greet the time
Time is only yours
Keep time under control
Let time not go from you,

Gajanan Mishra
Spend Not Valuable Time

Spend not valuable time,
By counting numbers or
Letters or words, but
Try to attain equanimity
And perform actions,
Without any selfish motive,
And show your steady wisdom
My dear men, at this time.

Gajanan Mishra
Spend Time

Spend time with yourself, dear,
I know you are the embodiments
Of all virtues and you have
Kept with you, pure love.
Here is your purity, I know,
And it is the truth of life.
No need to tell where you are
And how you are here.

Gajanan Mishra
Spherical Time

Spherical time,
And you are within.
Floodgate, and
It is opened.

Ageless dark night,
And you are fishing out.
Spin the body
With all radio activities.

Tortured air,
Sparked the women.
In prison present,
Wait for scope in bank.

Gajanan Mishra
Spider

Sorry
drinking dream
The larger it is
the deeper it is
I am with the dream.

How to travel
who knows
all day long
all through the night
I travel
and travel
till the sky end.

Sorry
Here I
with the bear
putting question
and the spider
answering whose
hands my vehicles gear.

Please wait
to see height
through this light.

Gajanan Mishra
Spider Is Here

Spider is here
Always busy
In creating and
Withdrawing his web
One alone.

I know You
The spider, my dear
In the Causal Ocean
Being shelter of all
With innumerable potency.

The Supreme controller
The spiritual bliss
Yourself is the fullest
Meaning of liberation.

Gajanan Mishra
Spine

Gajanan Mishra
Spirit And Matter

I am the spirit
You are the matter
And I enjoy matter
I am above good
And above evil.

I know you are also
Not in good not in evil
And I am with you
Here at this time
And I do not believe
In any attachment.

What is mine
That is yours
I myself is eternal
And also you
But you are all ways
Changing your forms
Your structures.

I am the spirit
You are the matter
But no identity crisis
Here at this time
And I am with you.

Gajanan Mishra
Spirit Of Quest

Spirit of quest
No more with us
And we failed
To produce
What we have
And what we wish.

Spirit of quest
No more with us
And why does it happen
Difficult to know
And we failed
At our prayer
At our desire.

Gajanan Mishra
Spirit Of Truth

Let me know the truth, truth, and only the truth.
I want to live with the spirit of truth,
Truth is the only thing, that is to be discovered,
The truth is here and we are all in truth.

I am here to believe the truth,
I am here to take it to heart,
I am here to live with the truth,
I am here to stand on the truth,
I am here to unmask the falsehood.

The truth is here and I am here
To recognize the truth.
I want to hear the truth,
I want to utter the truth,
I want to see the truth.

Gajanan Mishra
Spirit, I Watched

Spirit, I watched,
And I controlled
The self.

My statement
Is not correct
And I have not
Verified
The antecedents.

How can I be a
Misogynist, dear poet?

Nothing to
Mislead, I am sure.

What you think,
All personal.
But try not to
Load it
On another's truck.

Misquote and
Misread are
Not misprision.

All I want to say,
I am faithful
To the point
To my mother, sisters
And wife.

Gajanan Mishra
Spiritual Gift

Is your spiritual gift,
Let me thank you, my Lord.

I enjoy my family and friends,
These are all your gifts, my lord.
Pardon me for anything done by me
And that you consider wrong and
That are not beneficial to others.

Spiritual Master of the entire world
Poet is free from enmity
Poet is a peaceful personality

Only a poet can say let me go to hell
And let the entire world go to heaven
The poet only can sacrifice himself
To save the entire world
And poem is the most chaste product of the poet
Let us go with the poem towards this heavenly earth.

Split The Rocks

Split the rocks, my dear,
With the eyes and the hearts.

Gajanan Mishra
Spoil not,  
Spoil not life  
By associating  
With untruth.  
And what is  
Untruth, matter  
To know.

Let everything  
Be open and  
Transparent.  
Let all go  
To their places  
With consent.

No one is here  
And no one is  
Empower to  
Control nature.  
Nature is there  
As it is  
And all are  
Under nature.

Fortunately or  
Unfortunately we  
Accepted time,  
But time is not  
Ready to accept us.  
We all know  
The fact, that are  
Not under our control.

Gajanan Mishra
Spoil Not Love

Spoil not love,
Love to all.
Love is there
And here with all.

You cannot give love
To any other person,
Love the self,
The best option.

Where is love,
A great question
To be asked.
How you put the question
Is the main point
To be discussed here.

Gajanan Mishra
Spoken And Speaker

Spoken and speaker
Is in harmony
Here in this world
We have East West
North South
Four directions
Of knowledge
We have earth
We have sky
We have great fortune
Above and below
We are moving
We are not moving
We are words
We are absolute.

Gajanan Mishra
Sponge

No mouth
No muscles
No heart
No brain
Yet I am
Living
And taking
My food
From the water
Of the sea.
I am not able
To move,
See, the sky
Is there in me.

Gajanan Mishra
Sport

I know it is Your sport
I am taking part
As per Your desire
You are making all
Arrangements perfectly
I am not able to
Understand it
Excuse me I am unhappy
I am grateful You are here
To make me happy by
Destroying all my faults
I know it is Your sport.

Gajanan Mishra
Spot The Difference

Spot the differences
That are there
Within your life
And your day to day
Activities.

Congratulate life
With various versions
And explore the world
With the children
They are there.

Stay with fun,
Shun none, my dear.
Everyone is your kith and kin
In one way or the other.

Gajanan Mishra
Spot The Problem

Spot the problem first
And then decide what to do
How to love the truth.

Gajanan Mishra
Spot-Fixing

What is there?
Skeletons!
And it is
Tumbling out of
The cupboard!
Many more questions
Are there,
Have patience
To listen.
Life is not so easy,
It is always under scanner.
My dear, keep good character
Always with you
And proceed forward.

Gajanan Mishra
Spotless

Spotless and exciting
Your glances
O conqueror of life
You are also
Conqueror of death.

You are showing Your
Magical feats here
O magician, really
Attractive but not
Within our knowledge.

As You are here
I am not in frustration
You are telling me
To update life with time
I am only obeying Your order.

I am the assistant of the truth.

I am my poem,

I put the questions
To get my answers.

I am there in my vision,
I am there in my dreams.

I am there for all,
All are there for me.

Gajanan Mishra
Spotless Deer

Spotless deer
spotless bear
Nobody is clear
Nothing to fear.

Let me know
What is in You
Let me know
Zigzag in queue.

I have full faith in me
And You are asking
Who am I
With proper inquiries.

I have lost nothing
Since You are here, my everything.

Gajanan Mishra
Spotless I Am

Spotless I am,
See me, test me.
No ailment
No blemish.
My life

As ever
I am free here.
If you so like
Read me
Chapter by chapter.
If you so like
Call me dear
I am yours for ever.

Gajanan Mishra
Spring

Spring comes to me
With a handful of sorrow
And the sorrow
Left a huge shadow.

The shadow I scratched
And brought the nectar
That spring had
The spring kneeldown and bend.

Gajanan Mishra
Spring - Embodied

Spring is dream
And in this dream
We cream faced
And we left place.

In dream we bet secret
Embodied ourselves
With the purpose
That was far away.

Execution is on
And we depend on
Thinking and
Thinking depends on
Crocodile and
Crocodile is mystery
Under water
And water is
Life partner.

Gajanan Mishra
Spring - Is It Really

A flame of light
That is burning
In a house of beauty?
Is spring a love?
Love- is it really
The whole creative skill
In visible form?
And form is motionless
In charming eyelids.
And filled with
Rapture, my dear.
It is but conquering the universe.

Gajanan Mishra
Spring Came

Spring came
Spring came
With its pastimes
In the gardens
And parks with
Flowers of different
Colors and orchards
Overloaded with fruits
Spring came with
Birds chirping
Peacocks crowing
Tanks and ponds with
Varieties of lilies
With swans and cranes
See the spring on the roads
And towns with jewels
Touchstones sapphires
Floors beautiful luster
Highways lanes streets
Beautifully decorated
Avenues crossings clean
Everywhere there is the proof
Of talents and ingenuity
Of nature and all appear
As if here there is God
And the spring, the king
Of the seasons is worshiping
The almighty with scented
Flowers airs.

Gajanan Mishra
Spring- Divine Glory

In spring, my dear
I remember You,
I know spring is You,
Coo, coo, coo, coo.

You are the flowery spring,
Neither too hot
Nor too cold.
Plant kingdom gets
Reanimated with
Fresh leaves and flowers.
Spring is divine, Your
Glory-divine.

Love love and love
Love love and love
New life new dream
My dear, it is only
In spring.

Gajanan Mishra
Spring Is Near

Face of everything is my poem
Mirror of eternity
No stop-gap here
Spring is near.

O my dear, fear not
I am here with my poems
Cluster of sparks
Giving a life's mark.

Gajanan Mishra
Spring Is Silent

Silent spring
Spring is silent
I am searching my vision
No solemn scene
No mind.

Yellow moon
Coming to ground
I am going earthward
With clear sky in hand
No mind.

Where are you
O my dear
This is spring
And it is silent
No bird no flower.

Gajanan Mishra
Spring Lost

Spring lost with
The change of wind
From north and west.

Gajanan Mishra
Spring, Love And Life

It is spring
It is love
It is life.
Life is beautiful
When mother is
There with you.
Life is beautiful
When you are
With the nature.
Nature is there
And there you are.
You are the star of the spring
You are the love of life
And life is the components of five.

Gajanan Mishra
Spring-Language

Spring is here
But I am
Not able to understand
Spring's language.

Language is here
And language has also recognition
But I am
Not able to use.

Using one's own language
Is not wrong
But it is going towards
Perfection and I am doing.

Oh, spring, come on
With your own language
And let all understand you
As sweet as nectar.

Gajanan Mishra
Square

You are at the centre
I am in a corner.

I am with my eyes, nose
skin, mouth, ears,
and you are using mine.

You are spreading yourself
to all sides east, west
North and also south.

I fear but you are fearless,
I see, I smell, I touch
I taste and also I hear
and for this I fear.
Nothing is being done by you
and you are fearless.

As you are fearless,
You are careless.
As you are careless,
You are spreading everywhere.
As you are spreading everywhere
I remained under your square.

Gajanan Mishra
See the small squirrel,
my dear children.
He is jumping in to the water
and rolling on the sand.
Since he has a contribution
for a good cause for liberation
of a woman, symbol of truth and love
He is rewarded and declared
as the best performer by
The Almighty creator.

With false ego in the mode of ignorance.

Be creative always, my dear
You are everywhere I am only here.

Gajanan Mishra

And we are under our respective social order.

We are the earth and we are ready to render service.

Gajanan Mishra
Stand Up To Bullies

No more I want
To listen,
She is a woman,
He is a man.
She loves me
I love her -
No meaning.
See me,
I am opened.
Gender, race,
Tolerance and
Fear of change,

Is to go with truth
And truth is life.

-4-

One, who is against life
Is the enemy of all,
Confuse not, uproot them first.

Gajanan Mishra
Standard Asset

Standard asset.
What is that?
It is but our prayers.

Gajanan Mishra
Standard Is More Advanced

Standard of life,  
More advanced,  
In culture,  
In luxury,  
In beauty,  
In education,  
In truth consciousness.  
Life is eternal,  
With love,  
With truth.  
Stay busy in  
Your own duty  
And be rich  
At every step.

Gajanan Mishra
Standard Of Time

Give no importance
To this standard of time,
It is changeable
And not true.

Importance is to be given
To the truth and
Truth is that what I see
it is only you.

Gajanan Mishra
Standing On Mahanadi Bridge

Standing on Mahanadi bridge
I saw the sun is going to set
From our own sight.

The Mahanadi is dry
And we are wet
By our own sweat.

The day is short
No doubt, but we
Are not, I am sure.

Gajanan Mishra
Standing On Rough Earth

It is true
I am standing on the rough earth
It is a fact
You are with me.
I am sure as You are with me
I have nothing to worry
Surely You will pick me up
Whenever I fell down while looking at the moon.

Gajanan Mishra
Standing Out Supreme

I regard all alike
My enemy my friends
Saints and sinners
Because I know only
One person that is
You, my dear
In all, present and
Doing all actions.

Gajanan Mishra
Standoff

Standoff,
But act not.
Something will happen
Beyond everything.

Wait for and watch,
The ice is the stone there.
History will change
The course itself.

Gajanan Mishra
Standstill

I am moving
And with me
My house is moving
With my house
My country is moving
With my country
My world is moving
With my world
My cosmos is moving
With my cosmos
I am here
Standstill.

Gajanan Mishra
Star And Fair

I am quite different,
Quite different from you.
But I am
What you are.
I myself is the star
Without any desire.
I am the only person
Who is fair.

Gajanan Mishra
Star Power

Expecting disagreement
New thought came
The door opened for those
Who wanted something
And they entertained.

Embarking on a journey
The journey of imagination
Affection reputation
New thought arrived
At my door and I
Entertained with all
Disagreements therein.

Gajanan Mishra
Star Speaks

Star speaks;
Be ready for problems
Parter may act
irrationally at times
Anybody anyact can hurt
Nothing be shut.

Bumpy road ahead
Get through it
Find a fibre pit
where you sit
Your body heat.

Gajanan Mishra
Star Wars

Let us come and see.

Finding facts
Far from reach.

Roots are not to find
To give fruit, nobody is kind.

Exotic link unassailable
But remember man is not salable.

Gajanan Mishra
Starlight

Let me speak,  
Let me speak to you only.  
Only to you I want to speak,  
See me, I am a wave  
And let me sink back.  
I want to dance  
With the magic of life,  
Being a starlight.

Gajanan Mishra
Starry Vigil

You are the only person to come.  
You are my dad You are my mom.  

I am in danger  
Please come and look  
at a starry vigil.  

Look I have left somewhere  
What is called will.  

Nobody except you  
is there to rescue.  

Gajanan Mishra
Stars And Destiny

You are telling the truth,
And I do agree with you.
You are telling destiny is
Not in the stars but it is
All in ourselves, in our
Thoughts and in our words
And in our actions. We are
To know our innate duty.
And we should resort to
Sacrifice only for the truth.
And truth is our lives, our
Actions and our declarations.
The time is the witness and
We are to take only evidence.

Gajanan Mishra
Stars And Dreams

Stars I can see at any time,
But dreams are not under me.
Stars are there always
Up above the sky.
But no one can say dreams
Are there in sleeps and they
Appear as per the will of
Sweet sleeps.

Let me go to sleep,
But I fear the bad-dreams,
They may appear to
Give me a bad signal of life.
And as such I am awake
And busy in my works all days.

Gajanan Mishra
Stars And Planets

Let the stars and planets
Come to my house
And where is my house
Let them say before all.

I know You only O my dear
I know all the stars and planets
Are under You
Will you say them where I am.

I am here with You
And all the stars and planets
Are revolve round me and You
I only Love you.

Gajanan Mishra
Stars Are There

Stars are there
With the nightmares.
O passerby, measure the worth.

Gajanan Mishra
Start Again

Start again
With empty space
And define
Your match
That I can
Participate and
Say winning side.

Gajanan Mishra
Start And Fire

Start and fire,
As because, love is
Returnable.

Unreturnable love
has also its own
Rainbow.

Rainbow is in fire,
And love is
In desire.

Gajanan Mishra
Start And Restart

Start and restart-
Our policy.
But to proceed forward
Or to progress
Is our slogan.
All out development
Our motto.
But we are at the very
Start and restart.
Life is here,
And nowhere to go,
We know this truth.
And we know what to do
And when to do.
We are happy,
Are you not happy
With us, dear men.
We are for you,
At least keep it in mind
And live peacefully,
Without worry.
Hurry up and stay
With us.
We are here busy
In travelling abroad.
Okay, bye.
Have faith, and
Take care.

Putting me in other
Places that are not mine
I know all from jasmine.

Gajanan Mishra
Startups

Startups,
But how?
At the cost of
Own earth,
Own labour, and
Own land?
Own language?
At the cost of
Sovereignty?
Integrity?
Honesty?
Truthfulness?
And socialistic views?
We feel speechless.

Gajanan Mishra
State Of Being Others

How much you love me
I know not.
I know only
How much I love you.
For me, love means
How much I engage myself
For your welfare.
I know, love is
A state of being others.

Gajanan Mishra

You are the proper person
To ascertain not I.

We follow celibacy
In our family.
And we try to
Win the world
To win the self.

Gajanan Mishra
Status Report

Who can produce and to whom!
How can it be produced
When everything is changing
At every moment with its

Utter not any word,
Think twice who you are.

Gajanan Mishra

Bird is the subject
And you all present
To speak something
And you do not want
To speak a lie
On bird
Discussion open.

Statutory warning
From the very begining
And one who involved
Know what to do
With this subject
And all move forward.

The tree that is there
And the bird is on the tree
And the bird is on the sky
Sketch the bird at the same time
And closed the discussion
That is on.

With your laughing
And crying, my dear,
When it is well-known
Laughing and crying
Have no meaning
At any time.
O my dear, stop crying
Stop laughing and also
Stop complaining
And look at me
Learn from me
How I am staying
here for all times.

Gajanan Mishra

Men, really fools, not
Enjoying their own life.
Sorry, I am not fit to
Give any prescription.
But I must say, men
See the time and soon go
To pay huge ransoms
For your own smooth travel.
Detect the whereabouts of
Your own self, dear, fear not.
Bother not about
Heavy taxation.
Accumulate not anything,
No certainty anywhere.
But fear not, march forward
And kind enough
To the kidnapper- time,
Nothing to take.

Gajanan Mishra

If you want to
Step on me,
You are welcomed.
Let me
Be a worm
And you are
Allowed to
Go on.

You may go up,
You may come down,
No matter.
Earth is there,
So also the sky,
Where they are.

Nothing is there
To change, my dear,
In our cat and
Mouse play.

The bird is there
Flying in the air
As usual.
Nothing is there
To change
In our peace-war game.

So much hues
And so much cry,
If you want to
Catch the fly, you may.

You may dig,
You may fill up,
Nothing will change
The time is there
As usual.
Let me clear
I am fine,
I am well here.

On the book I found my
Own time still.
I have my own quill and
go to a well where water nil.
I feel I am top of the hill
Where I am ready
If you want to kill
Come to me and kill.
Remember the book is mine
And I am on the book
And I am still.

Gajanan Mishra
Still Alive

Still alive
With all torture,
All harms, all blood,
All dust and water,
All fire and storms,
With all enemies,
All firings, all loot
And it is life.
Falling and rising,
Life moves forward
With love and truth.
Here and there,
Night and days
With us, life stay.

Gajanan Mishra
**Still Hot**

Still hot,
All alive.
All concentrated,
For good.

No push back,
All lighted.
Eyes opened,
All clear
All fulfilled.

All alive,
With nectar.
All fruits,
With creations,
All transparency.

Gajanan Mishra
Still I Am Happy

I know I am dying
I know nothing is mine
Still I am happy.

I am happy
As I know every moment
Is a new moment
And my life is going
Towards newness.

I am falling, I am rising
And I know there is
No fall no rise
And for this
I am happy, I am happy.

Success and failures
Are parts of life
I know and I am happy.

I know I am
Within the circles of enemies
Who are always trying
To take away my life.
Still I am happy
I know my happiness
Is with me to kill
All the opponents
Who are here and against me.

Gajanan Mishra
Still I Am Here

Still I am here to rise
Like the sun in the east.

Optimistic predictions
Are my guide
I am here to rise.

Gajanan Mishra
Still I Am Searching You

You are here I know
You are there I know
You are within me
You are outside me
That also I know
Still I am searching You.

Still I am searching
Without search I can not
Stay still
And I am searching You
And You are smiling at me
Without uttering a single word.

Without uttering a single word
You are telling me everything
That are useful and fruitful for
My life my environment and that
Suit me for my journey
Journey to You and You are here
Within me.

Gajanan Mishra
Still I Love You, Dear

Still, I love you, dear,
Still, I love you.
I remember the words of
Booker T. Washington-
I shall allow no man
To belittle my soul
By making me hate him.
I love you, I love you.
I know you are for all good,
I know whatever you are doing
Are for all welfare.
I am there with you, dear.
And I want you, and option
Before me only one and not two.

Gajanan Mishra
Still I Want Death

I know not
What is life
And what is there
In life.
I heard
Life is the beginning
And the end of death.
The closing chapter
Of life is death,
The beginning of death
Is life.
And still, I want death
To show my willingness
On this open earth.

Gajanan Mishra
Still I Want You

Still I want you,
No matter you are
With falsehood or
With truth.

Still I want you,
No matter you do
Or you are not here
to do.

I know you are here,
I know no touch of fear,
I know where is the forest bear.

Still I want you
As because I know you
No one is here besides you.

Gajanan Mishra
Still In Business

Still in business,
Business of firing,
Business of killing,
Business of destroying
Everything that are in
A state of being alive.

State of very existence
Is in danger with
These business.
Still in business
They declared without
Shamelessly,
And we are the witness
Of brutal carnage.

Gajanan Mishra
Still Not Lost

See me, I am
Still not lost.
See me
I again appeared
To restart
From where
I left off.

I know
How to control
Mind and words.
I know
Milk touched
By the lips of a serpent
Has poisonous effects.

Gajanan Mishra
Still Retained

Attraction still retained
Unreality of a movie picture.
Moving picture our life
And all that are here untruth
We know but not realized the truth.
And it is not for highest good
And so we get inquietude and bondage.

Gajanan Mishra
Still Time Is There

Still time is there
With us, worry not.
We can do a lot
To save us.

Gajanan Mishra
Still We Are Together

Still we are together,
We are - attachment, passion,
We are ignorance and anger.
And we are together
To change the society
With a new chapter.
We are telling ourselves
We are in love and with us, truth is here.

Gajanan Mishra
Still We Love

You are not
Interested to
Understand me.
I have no time
To say I love you.
And still
We live together
Under this nature.

Gajanan Mishra
Still You Are Here With Me

I am a thief
And I am in my cave.
The sky is far from me.

I am a thief
And I can never be yours.
I am far from the air.

I am a thief
And I am here.
I am far from you, my dear.

I know not
What is love,
I know not
Where is truth,
Still you are here with me.

Gajanan Mishra
Still, Dynamic

The star is
There and still,
Dynamic, in
This so much rain.

No way to say,
Rain, rain
Go away.

My body is not so bad
And I am able to
Move forward, still,
To achieve my dreams.

No need to utter,
Stop, stop,
I am here, nearby.

Gajanan Mishra
Still, I Write To Give A Message

No sky is here,
And nothing.
No house is here
And nobody.

But some attachment
You can find, and
Nothing to discard.

And here discover yourself
As a prisoner and
You may link yourself
With anything you like.

But nothing is here
No water no air,
No forest no fire.

Still, I am to write,
Write about the mountains,
About the end and
Also, about the beginning.

I have to write to tell
All about life,
To give a message that
There is a honey hive.

Gajanan Mishra
Still, I ???? ???

??? ??? ? ???????
??? ????????? ??
??????? ?????? ?????

?? ??????? ?????
??? ????????? ?? ?? ??? ?????
???????? ?? ?? ?? ??? ?????
???? ???????? ?? ?? ?

???? ?? ?? ?? ??? ?????

Gajanan Mishra
Still, There Is Drops Of Nectar

Still, there are drops of
Nectar, here see dear.
No misery is there,
No fear is there,
Everything is clear,
And we are both
In water and in air.
I am sure, I see no danger,
And I am well aware
Of our future
That is as bright
And as fixed
As that star.
You are fair and fire.

Gajanan Mishra
Stinging Nettle

Stinging nettle
Or say
Fleurya Interrupta -
I fear it
For so many distances.
But I have power to
Control it with
My own oily substance.
And I appeal all
To stay cautious,
As it has power to
Destroy all.
I am the experienced one,
See and hear me hear.

Gajanan Mishra
Stone

A stone
I saw
The stone
Had nothing
To give
Nothing
To take
I myself
Sat on
That stone
The stone
Floated
Without air
Without water
I wrote
On that stone
What I wrote
That was
Said by that stone
The stone is
Still there
With the letters
And the words

Gajanan Mishra
Stone Wood And Deadbody

Stone wood and dead body
I myself misfit
And became dirty.
My pious thinking
Make me perfect
And with repeated practice
I am able to touch truth
And I can look bright
On rising new sun.

Gajanan Mishra
Stone and my heart,
You have compared,
And I remained silent,
But it does not mean
Silent gives consent.

Flower and the sun.
You compared,
And I raised an objection.
The world is so and so
You said before all.

I fall prey always,
And you smiled.
I eat, I drink, and
I write for the world.

The world is made of
Stone, water, plants,
Animals and so many creatures.
I am not the world, I know dear.

For a poem, I am here,
I am here to read my own poem.
I have kept my heart
There in my poems.
And my poems are with you,
I am telling the truth,
But being the stone
You are not able to receive
My message of life.

Gajanan Mishra
Stone Boat

Don't go with stone boat
It would sink in the water.

Gajanan Mishra
Stone Body

Stone body,
Stone hands,
Stone legs,
That walks everywhere,
That holds everything.

Let me do my works
In between.

The atmosphere is
Not airless as alleged.

Everything si in the air,
Everything is within the star.

The star is there within that stone body,
The stone body is the symbol of light,
Light is here, remember, my dear, in lovely heart.

Gajanan Mishra
Stone Life

I see the stone,
And I can say about
The stone-life.
Stone sings, stone walks,
Stone fly, stone swings,
Stone smiles, stone weeps.
You believe or not
I see the stone-fish,
Stone-tree, stone-river.
Stone is everywhere, I see.
But I am not in stone-age.
And I know without stone,
Life is a mirage.

Gajanan Mishra
Stone, Earth, Wooden, Metal

Stone, earth, wood, metal
All are one and fatal.

We see so called gods
In all the above,
Though, gods are
Not really there
We know.

Air water
All are ours.
And yet, we pollute them
Always to show
Our ego.

Who we are, we know not,
And yet, we rub the time.

Gajanan Mishra
Stone, I Do Admit

Stone, I do admit,
Yes it is a stone.
And you are in love
with it, that I know.

It is not that stone
that I am searching
from my very birth,
It is not that stone
to whom I am going
leaving all that are with me.

Forget that I am telling
about a stone that is not here,
Forget not it is that stone
in which you are taking shelter.

Gajanan Mishra
Stone-Air

Stone-air, air-stone,
And stone is melting
While light penetrating
Within.

You are within, I know
With all suns and all moons,
You are within and I am
Drowning outside.

Who is there outside
Let me know with all falsehood
Who is there inside
Let me know with all truth.

Gajanan Mishra
Stone-Breath

Stone-breath,
No break.
Under this breath
You can keep all
Within.
Save your breath
And watch,
How you are.

Gajanan Mishra
Stone-Flower

Let me give you
A stone-flower
That is blooming
Inside me.
Let me give you
A water-kiss
On your redish-cheek.
I am not cheap
Let me clear it.
It is you to discover
Me within you
At any time if you
So wish but I am
There always with you.

Gajanan Mishra
Stones and walls,
Stonewalls are there
In between you and me,
But love is there
Within us and it is
Like the trees
And the rivers,
We are for each other
Here, forever.
In different forms
And in different times
We are playing here
For the same purpose
For the benefit of one another.

Gajanan Mishra
Stone-World

In this stone-world
My heart is going
to be a stone.
My dear, are you not
going with me
to be a stone?
Let me read
the history of stone.
Let me love this stone
with its new name
and new address.
My grand-daughter
is going to sit again
on this stone.

Gajanan Mishra
Stony Wish

I am a bird
With stony wish
With flying spirit.

Gajanan Mishra
Stop

Stop
The cloak
Struck the hour.

Nobody is here
To govern the cloak
Not even the Prime minister.

Stop
The cloak
Struck the hour.

Father
Grand father
All tick-tock.

Stop
The cloak
Struck the hour.

It is our letter
That needs
Repair in world-fair.

Gajanan Mishra
Stop A While

Stop a while
Read my poems
Know the world
That is there
With us.

Observe the changes
Know the apex
With love, my dear
Poems are here
As your teacher.

Read my poems
Take right direction
That is hidden
Within you.

Gajanan Mishra
Stop Abusing Nature

Put a stop to collision course
Or else you yourself
Will not able to live
Living world means living nature.

Gajanan Mishra
Stop Blaming

Start claiming
Listen
My saying
O brothers
O sisters
Let us live
Only in love
Only in smiling
Only in giving
And see heaven
Within.

Gajanan Mishra
Stop Blundering

Stop blundering,
Stop telling anything.
Here see, farmers are
Committing suicide.
Here see, youths are
Going abroad to fill up
Their belly without any
Source of income.
See, everywhere
Corruption spread its wings.
How dare you say
Growth rate is high.
Stop telling a lies,
Stop telling the lies.

Gajanan Mishra
Stop Exporting

Stop exporting
Terror and drugs,
Fake words and
Fake currency.
Remember, our
Truthful acts,
Our sacrifice,
Our love
Would not go
In vain.
We know the truth,
We are awake,
You can't do
Any harm.

Gajanan Mishra
Stop Gambling

Stop gambling,
Stop drinking,
Stop prostitution,
Stop falsity,
And eradicate corruption.

Encourage austerity,
Encourage cleanliness,
Encourage mercy,
Encourage truthfulness,
And eradicate corruption.

Envy and enmity are
Against peaceful living,
And the value of life,
Against the love and the society.

Gajanan Mishra
Stop Giving

Stop giving pain to others
Stop telling lies to others.

Be pure always, O son of nectar
Be in light always, O son of omniscient God.

Have original vision with you, my dear
Heavy weight person is with you, don't fear.

Give love give affection give pleasure to all
Giving is your primary duty please recall.

Gajanan Mishra
Stop Hate, Start Love

Stop hate, start love,
As you know, my dear,
Terror and talks
Can't go together.

Terrorism is terrorism,
It is the reign of dark.
Delay not, my dear and
Come out from all darkness.

Here is the light, see.
Delay not, delay not, dear,
Come to this light with
New dreams of creativity.

Come to play, come to touch,
With truth, with love and life.

Gajanan Mishra
Stop Nonsense

Your tongue is
Not for croaking,
My dear men.
Stop mundane nonsense.
No ear is ready
To fill up its hole
With rubbish.

Gajanan Mishra
Stop Not

Stop not stop not
Till you achieve the goal
Till you reach the Truth.

Stop not stop not
You are the truth that I know
And I know You are the detached
Witness and You never entangled
Yourself from any material activities
As You are enlightened and intelligent.

Stop not stop not my dear
Go on with the answer that are
There with You and You are the Truth.

Gajanan Mishra
Stop Not Anywhere

Stop not anywhere
At any time.
Of course no one
Can stop.

Let me say certainly
You are winning.
Condition is that
You are running.

Field is vast
And you cannot see
From this corner
To that.

But you have to measure
Your own way I am sure.

Gajanan Mishra
Stop Not Love

Stop not love,
If you stop
Loving your wife
And desist from truth
Then be ready
To bear the laugh
Of your own wife,
She would tell you
Coward and impotent
And all insolent
Jokes and irreparable
Ignominy.
Loving is a continuous
Process of life here.

Gajanan Mishra
Stop Not, Stop Not

Stop not, stop not
Stop not dear men,
Proceed on, proceed on
Till you reach
Your place and destination.

See only you want,
See not anywhere else.
Men, let the dogs bark,
And throw not stones
At every dog that barks,
As said by Churchill earlier.

Keep your eyes sharp,
Keep your works clean
With the grass imprint.

Gajanan Mishra
Stop Playing

Number games
For all pollution
It is the main.

Words are
No suffice
Sands are
Active speech.

Routine no use
Rotation also
I do not like
Free to speak.

I watch I slept
I turned up side down
Main reasons
Number games.

Gajanan Mishra
Stop Politics

Come with some
Concrete plan
Without any knife.

I am here
To look in to
Upgrading position
Of self.

You are there
To go upward
Till the evening
Bring you apparatus.

Assertion powerful
And socket empty
No vanishing
Epitaphs of poet.

Gajanan Mishra
Stop Singing

Chanting memories
Traping self in the net
Tamebird stop singing.

Come to the forefront
Open mouth no word out
Chanting fails memories left.

Gajanan Mishra
Stop Speaking

Stop speaking
No eyes to see
No vision
No sense of feeling
I am here
Bowing my head.

Realizing that
You are here
To play only
Before sound
Flash of lightening
Stop giving identity.

Gajanan Mishra
Stop Stop And First Hear

Stop stop and first hear
What is near
Here is the noise of the pigeon
The cuckoo the crane the swan
The parrot the peacock
See and see these birds
Stop their singing
Simply to hear Your glories
Look look look the beautiful
Smiling faces of the oleander
Jasmine goldmohur rose marigold
Champak zinnia tecoma lotus sunflower
Taste green ripe fresh fruits
Grapes papaya mango apple
Orange cucumber carambola date
Coconut pear almond jujube
Stop stop stop there
First offer to Him
Whose earth is this
And apply your conscience
And receive his grace
That are on your face.

Gajanan Mishra
Stop stop and first hear
What is near
Here is the noise of the pigeon
The cuckoo the crane the swan
The parrot the peacock
See and see these birds
Stop their singing
Simply to hear Your glories
Look look look the beautiful
Smiling faces of the oleander
Jasmine goldmohur rose marigold
Champak zinnia tecoma lotus sunflower

Coconut pear almond jujube
Stop stop stop there
First offer to Him
Whose earth is this
And apply your conscience
And receive his grace
That are on your face.

Gajanan Mishra
Stop Stop Stop

Stop stop stop
Go not anywhere
I fear, your going
Might break something
People are innocent here see
People want to stop terrorism
Go not anywhere
Lest the air would finish
I know it is more than anything.

Gajanan Mishra
Stop Stop Stop Fighting Please

Stop stop stop fighting please
It is not good to wage a war
Against anybody anywhere for anything.

O my dear men, you are glorious
In every way and you have gotten
The nectar and it is the grace.

Give up all angers and
Stop stop fighting please
No solution is there in fighting.

Gajanan Mishra
Stop That

Stop that there
Think not about
Right and wrong.

This is my collection
And you are in evaporation.

Know that crossing
Boundaries is illegal
Stop there.

Gajanan Mishra
Stop The Dance

Stop the dance,
Proclamation issued.

And they know
Everything!

The sky is
Watching all.

Come as a wild elephant,
And go as a goat.

Gajanan Mishra
Stop There

Stop there!
I am alone and satisfied.

I have lost only time
That is what You have given me.

I am empty now
And still I am satisfied.

By all acts
I am filled up.

It is You
Who is only here to see me.

Without You
Nothing to think.

Now I am shining
With my pleasing songs.

Stop there
And see me and hear my singing.

Gajanan Mishra
Stop Thinking

Stop thinking,
Stop thinking of the people.
Do you know where are
The common people at present?
The people are on the earth,
But you are foreign to
Their language and their works.
You are telling something
And advertising another thing
And busy in doing yet another thing.
It is danger to believe you,
But since no option is there
People are selecting you by force
But you are there to negate their hope.

Gajanan Mishra
Stop This, Stop That

Stop this, stop that.
I am sure, you are
Not always able to bat.

Problem is, it has
No solution.

The time is choked.
I am sure, you are
Going far beyond the time.

Nothing but
Freeness is yours.
To win the world,
The ultimate goal.
But I am sure,
You are not yours.

Gajanan Mishra
Stop With That

Stop with that,
With that
Excessive anxiety.

It is the time,
Time to revive
The relations
That are eternal.

But the mission is
To fulfill all
That are in life
And in time.

Time is enlightened,
So also the life,
So also love.

Gajanan Mishra
Stop, Stop There

Stop, stop there,
I want not to take
Jealous kiss.
Love me not,
I want to live.

Let me look
Inside you,
For a while.

I made no promise,
As you know, and
I want to go.

I want to go,
Deep into the sea
To bring the lock and the key.

Gajanan Mishra
Stopping Rape Is Bare Necessity

For humanity and its progress.
For stopping rape we must provide
Proper education proper code of
Conduct to all men.

Better police
Capital punishment
Shifting demographics
Are of little use.

Think and think about education
About environment
The causes of rape is
In grass root.

Spiritual education is badly
Necessary to all to
Change their mental status.

Gajanan Mishra
Stops Writing

Never Stops writing
Time flowing
Erasing everything.

Darkening the chamber
Time flowing
Smiling at the end.

Never stops writing
Time flowing
Without touching.

Gajanan Mishra
Store House

I am giving up,
Giving up all actions
As store house of evils.

Gajanan Mishra
Store House Of All

This body- the store
House of all.
All pleasure, all pain,
All beauty, all and all.
While going through
This body please
Ask not anything
To the leaf or to the flower.
They are not there
To answer.
Ask not the river
How it has acquired
All wisdom.
Ask not the midnight
How it is oiling
The morning.
Order not the star
To go far and far.
Just enjoy your time
With this body
With your own grief
And yur own heritage.
Share not anything
With your own age.

Gajanan Mishra
Store House Of Future

Store house of future - a woman
First creator first teacher - a woman
Do You like a woman? if yes
Do you want a bright future? if yes
Go to a woman pray
Go to a woman
She is there for you only
And see and feel
She is ready to sacrifice herself
You have not seen God I am sure
You must have seen your mother
Or you must have known to your mother
I am sure and she is with you
Your mother is a woman
Do you not love her
If you want to do something
Do for your mother
In this world she is the best creator.

Gajanan Mishra
Storehouse Of Truth

The sun and the moon-
The storehouse of all truth.
We are all
The part and parcel.

See here, tell there
With your own eyes
With your own words.

Words are nothing
But the mystic power
Of the air.

For air, for water
We are here,
The truth of
The earth and the sky.

Gajanan Mishra
Stormy Sea

Stormy sea calling me and
I dare to go only with you.
When I am with you
Sin dare not touch me.
You are with me
And I am in the stormy sea.

Gajanan Mishra
Story Of The Light

Story of the light-
This life- eternal light,
Experience it.
You are emerging
O my dear, from the very
Core of this earth.
And you are lighting up
The entire area.

Gajanan Mishra
Straight And Steady

I am straight and steady
And firm in the vow of complete chastity.
I am a man
I am fearless.
The world is for me
And I am for the world.
I do not believe in religion
I do not believe in nation.
I believe in Sun
I believe in this soil and its son.

Gajanan Mishra
Straight Cut Words

I like much
Threshold day
i like much
Wait and breathe
Love fearlessly
With love
With caring beauty
I like much
going next day.

Gajanan Mishra
Straight Line

Straight line- life,
And we are drawing it
On a plane and
On a sphere
On the earth
And also in the space.
Life is ours, we think,
And for life we think
We eat, we drink, we sleep
We work, we read, and
We do so many things,
We know they are all
As per our thoughts.
Space and time have
Their on role to play
And we try to cross
Both at a time to
Face life within.
We travel simply because
We try to discover
Our own past and future
In present context.
This is life, though
Not here in interactions.

Gajanan Mishra
Straightway

It is your hours
And I enter
With tree
With stone
Call me phone
If you are
In need of a clear sky
In this rainy day
I will go straightway.

Gajanan Mishra
Strange Friend

Having head
Of a lion
Body of a man
Legs of an elephant
Savior of the saints.

Gajanan Mishra
Strange Love

Yes it is love,
Love of the earth.
Nothing common
In love,
But we are
In it prominently.
Our language can
Unite all.
And I am sure
There is no fall.

Gajanan Mishra
Strange To

Strange to keep relation
In contradiction.

You know I know
Neem never sweet
Crocodile never kind
Coal never white.

Hold your tongue
Lest it destroy you.

Gajanan Mishra
Stranger Always

You are a stranger,
Always for me and
You are giving me all,
Whatever you have.

Gajanan Mishra
Stranger- I Am

Stranger - I am.
Stranger - you are.
And strangers have
No right but to
Love each other.

Gajanan Mishra
Straw

A vow has
No role to play
In love as
Love itself
is the greatest vow.

Here, I find each one
Is in love's row and
love catches all
In its brow.

What I feel now
Love is planning
A magic show and
Without love we are
But surely dry straw.

Gajanan Mishra
Straws

We are all straws
Carried together
By the waves
Of this time-river
Sometimes we are
Mixing in whirlpools
Dispersed again
By the same waves
And remember my dear
We float alone
In this time-river-water.

Gajanan Mishra
Stray Dogs

Here and there and everywhere
Stray dogs doing business
And barkedup wrongtrees
And spoiled the working
Environments.

Stray dogs have no
Commonsense not true
Stray dogs encounter
The alien.
Stray dogs safeguard
The interest
And ensure to make
The area clean.

Stray dogs welcome
Common mass
Stray dogs do not like
Corrupt class.

Stray dogs can only think
The morrows
Stray dogs have practical
Experience and knowledge
You know I know all know.

Gajanan Mishra
Street Dog

Street dogs
Bark bhao bhao,
And we care not
What and how.

The words are with us
And we think ourselves
The great hero.
It is our misfortune.

We touch, we smile
And we love each other
But for a particular purpose.
And for this we are alone.

We are unable to know
where is our wound
Yet we declared
Ourselves the wise.

What is the disease
That we forget,
And we care not to rise
Though it is sunset.

Gajanan Mishra
Street Drama

Don't go
For street drama
Don't throw
Legal procedures
To the wind.
Accept that are
Coming that are truth
Accept that are with you
My dear, that are yours
Accept and reject not anything.
Activate the world
With your positive thoughts
O my dear, and be ready
To reap positive results.

Gajanan Mishra
Strength Of Love

Strength of Love is real
And I love to strengthened
Myself and I love you
And love bears influence on all
Animals birds trees all
Livings and non-livings
I know Love is right
Love is eternal and love is truth
And I fall in love with you.

Gajanan Mishra
Strength, Knowledge And Faith

Three things
I have to know
From you, my dear.
First about
Your strength,
Second about
Your knowledge,
Third about
Your faith.
And the rest
Depends on how far
You are committed to
The selfless service
To the world.

Gajanand Mishra
Strengthen Egoism

Truth strengthens egoism
And I am true.

In this world of falsehood
Telling a lie is inevitable
And indispensable
And it strengthens egoism
And I am not true.

Gajanan Mishra
Stress Strain

Stress strain and with
undue exertion
Action done.

It is lust
It is ego
Swayed by joy and
Sorrow
Action done.

Result is there.

Gajanan Mishra
Strict And Perfect

Strict and perfect,
And it is You only.
I revered You
And You radiate reality.
You are eternal Supreme being
And proclaim highest Truth.
The most excellent luminary
And You - the delightful abode.

Gajanan Mishra
Strict Balance

Strict balance is
Needed
Externally and
Internally.

Strict balance is
Needed
In love and
Hate.

Internally
You can not see
Externally
Allowed though.

You can not show
Your exact bitterness
Your pleasure
Your fashions.

Gajanan Mishra
Strife Conflict Sinful Conduct

Strife conflict sinful conduct
Irreligious in society faults and faults
O my dear distaste results
Life gone golden period spent waste
No link with anything anybody
Like love affection purity
Danger all around
Time sheer stupidity
Greatest loss of life liberty.

Gajanan Mishra
Strike Hard

Strike a hard time,
Nothing to do
With so much
Happy or
Unhappy.

I am in need of
A small room,
Wherein I can
Play life.

Your motioning
Is sufficient,
I can bob up
With all that
Idols.

Gajanan Mishra
Strike Not Please

Strike not please,
All are our men,
All are our children

Gajanan Mishra
Strike The Iron

Strike the iron,
It is hot at present.
Keep in touch
With the sky.
Go home with truth
With its origin and end.
Divide not anything
That is under nature.

Gajanan Mishra
Strike Under Nature

Strike the iron,
It is hot at present.
Keep in touch
With the sky.
Go home with truth
With its origin and end.
Divide not anything
That is under nature.

Gajanan Mishra
Strive More Than Ever Before

Sun with light is there always in the sky
It is the cloud, and it is the shadow
Of our own earth that cover the sun.

You have full knowledge within you, my dear son
It is illusion, it is ignorance and it is
Your own idleness that put you in dark
Come out from ignorance, my dear son
Regains knowledge of the past
With your own strength and strive more than
Ever before for perfection.

Gajanan Mishra
Strive Sincerely

Strive sincerely and
Excel in own way and
Realize the truth.

Gajanan Mishra
Striving Ceaselessly

Striving ceaselessly
I reached here
And it is up to you
To advised me
What to do.
It is up to you
Whether to accept
Or reject my word
My action.

Gajanan Mishra
Strong Relation

I am not capable to retain you for long
And you remind me Strong relation.

Dramatic changes are being made in my life profiles
And you remain the same tilldate.

See I am terrified
See I am dormant
And there is no end of this day that one can declare loser.

I am not capable to retain you for long
And the dictum prevails.

Gajanan Mishra
Strong Relation- By Love And Faith

A strong relation is there
Between the sun and the darkness.

Show your fitness
That you are eligible
For the interview.

Board members are there
With the sun chairman.

And I am doing
Impossible things possible
By love by good faith.

Gajanan Mishra
Strong Will

Strong will is there
And you are reaching
The goal post.

Who is father
And who is son
Go and asked
Tomorrow is there.

Goal post is there
Go and asked
Whom he has searched out.

If anything is there
That is their youth
And neighbor is there
With red eyes.

That is there in religion
And they asked to play
rigorously with a word
To explain in details.

When your will is strong
Do not squander time money
Start to go with life
Towards post.

Gajanan Mishra
Stronger Than Anything

Love is
Stronger than
Anything
Love and love.

Love is
Sunshine
in winter
Fresh air
In spring.

Love is
The scent of
First rain
On dry earth.

Love is
Love is..

Gajanan Mishra
Struck With Wonder

Worthy to be seen
Your eyes.
Worthy to be known
Your works.
And I am
Struck with wonder
At every moment
Here, at this place,
With you my dear.

And you are here
To enable me to
Know and to see
What is going on
For all welfare.

I am preparing myself
To go back to the truth,
That is in you, my dear.
I am preparing myself
To touch you, to have a
Direct contact with you.

I am in this life - playground,
And I know not how to play
With time, with life.
You are the master of the play
And the director and
The producer, dear.

I am on this playground
At this time and I realize
This place is identical
With you, my love, my truth.
I play here with you,
My most intimate and
Lovable friend.
I think not anything else,
But always think only about you.
For you, I know, my dear,
All and everything here
Including the animals,
The birds, the mountains,
The forests, the water, the air,
The fire - all pious.
And I am with all -
Really I am fortunate here.

Gajanan Mishra
Structure

Let me give
A structure
To my words.
My words are
Not mine.

But my words
Can change
The world.
Let me arrange
And rearrange
My sentences.

I make all
My parts of life,
And I live.

Gajanan Mishra
Struggle For Existence

Struggle for existence is
Not necessary at all, as it is
Useless, if You realize the Truth.

Gajanan Mishra
Struggle For Life

It is the whirlpool,
Struggle for life is
There in this world.

Gajanan Mishra
Struggle Is A Must

Struggle is a must
So long as you are here.

Peace what you want
Is just a day-dream.

Let me say I fear the world
So also I fear the dream.

And you said life is a dream,
Yes, I fear life.

But I must cross it
With my struggling power.

With my struggling power
I must go straightway
From the ocean of
Death bound existence.

Gajanan Mishra
Struggle Is Our Religion

We have life,
And we live
With struggle.
Struggle is
Our religion.
Struggle to
Fill up
The belly,
Struggle to
Love and
To drink.
Struggle to
Sleep and
Get peace.

We have life,
Life is here
We know,
In our forest,
In our mountains,
In our streams,
In our paddy field.
We are searching
Our identity therein.
We are here
To struggle with
The air and the water
And the sun and
The sky, we the butterflies.

Gajanan Mishra
Struggle is there,
Material existence is there,
And you have to cross over it.
Knowledge is there,
Different schools and teachers are there,
And you have to assimilate all
By your own experience,
Just summarize the life
With natural supplement.

Gajanan Mishra
Struggling For A Poem

I love, love is there in me,
And for love I am here,
Struggling for a poem.
Poem is here in my love,
And through the body
It appeared.
No question please
How I spent my pleasure trip
Through the poem
In the valley.
Miraculous stream is there
Within me and you, I know
And through that stream
We both are to covered up the sea.

Gajanan Mishra
Struggling Throughout

I struggling throughout
My life with seven hundred
And twenty soldiers
Days and nights together
And I am not dying
See I am eternal.

Gajanan Mishra
Struggling To Live

Each one is struggling to live,
Give each one food,
Give water,
Give shelter,
And make them free
From hunger, thirst,
Fatigue, moroseness, distress,
Lamentation and illusion.
And my dear, remember,
I have personally no interest
To take any benefit
From you or from anyone here.
I know the sun,
I also know the truth.

Gajanan Mishra
Struggling With Truth

And it is my life
Till date I am struggling
With truth, struggling to
Realize the truth, struggling
To achieve the truth.

And I am the truth, I am
Struggling with me, see,
I am here for the truth
Truth is love and love is
Truth, You know better
O my dear, I am for You.

Present life, previous life
And future life, all are here
With me at a time, see, my dear
And You are with all at the same time.

Gajanan Mishra
Strung On A Thread

Love is superior
Love is super-most
It is true
And it is not true
There is anything
Superior to love
I am love
I am the lover
Everything rests
Upon love
As pearls are
Strung on a thread.

Gajanan Mishra
Study Nature

Study nature,
Study all,
The clouds, the sky,
The earth, the insects,
The air, the water,
The mountains, the elephant,
The birds, the serpent,
The spider, the sun,
The moon, and the activities
Of all and learn
The science of life
And the science of the self,
And know the truth,
The truth of life.

Gajanan Mishra
Study The Nature

That is with you
Without being
Lethargic
Know that
You are right
Position and
Leading towards
Liberation.

Gajanan Mishra
Study Your Own

Study your own disposition and also
Study the situation, my dear.

Be cautious, judge not yourself
And your progress through changing propensities.

And realize the Self.

Gajanan Mishra
Stumbling Block

Stumbling block
To have intimate love
Is ego.

Love is the final rule
Here by following
Path of discrimination.

In love
There is no
Independent existence.

Gajanan Mishra
Stumbling Block - Delusion

Stumbling block.
I know it is
My delusion,
It is lack of
Real knowledge.

And real knowledge
Is there where there is
No attachment and
No aversion.

I am the part of
Love and it is real,
I know My realization
Is taking me to You
My dear, Supreme Love.

Once I am in love
And I know love
There is no confusion
And nothing remains
To be known.

And I find no
Stumbling block
Anywhere around me
Only I know my dear,
You are there and
My mind absorbed in You.

Gajanan Mishra
Style

Acquire knowledge  
And be cautious in  
Your living style.

Gajanan Mishra
Suna, su su sabda, suna.
Achhi tuma bhitare.
Tantu bigyan kahe,
Tume achha sethi.
Aau nahanti kehi,

Kemiti jaha diaa jae

Tume chakchauchha,
Tume karuchha aaloka nikheypa
Aau achha sei bhitare.

Gajanan Mishra
Subdue The Enemy

Subdue the enemy
Without fighting -
Said the poet Sun Tzu.
But failed to say how
And who are the enemies.
You are your enemy
And you are to know
The art of winning.

Gajanan Mishra
Subdue Your Passions

Subdue your passions,
My dear son and
Control your mind.
To attain your goal,
You are to stay detached
From sensual pleasures.
Go with devotion and
Faith here on this earth.
Keep desire away from you,
See the truth and
Truth is that no heaven
No hell can keep you
In save at any time,
Think not anything.

Gajanan Mishra
Subdue Yourself

Subdue yourself
And then
Try to
Defeat others.
I need nothing,
But I know
As you are telling me,
You need me.

Gajanan Mishra
Subha Dina (Odia)

Pratyeka dina heuchhi subha dina,
Jibika pain manji buna
Nutan bhabisyata pain manji buna
Ebam dina aarambha kara.

Gajanan Mishra
Subject and object
That are there
In their places
And I am no way
Related with them.
Even agency system
Is not here
All actions are
Being done
In systematic manner.
I remained as I am
And apart
Deny not my words
Disregard not
The discrimination.

Gajanan Mishra
Subject Is This Sky

Subject is this sky,
If you want to rule
Ride on and fly.

Gajanan Mishra
Subject Matter

My poem is not a matter
Of joke or laugh,
My poem is a matter of
Live and life.

Live life with poem,
My poem is not
For enjoyment, my dear,
Read my poem, and think,
Think and rethink
And apply its essence
In your life and
Make your life happy.

Subject matter of my poem is pain and sorrow,
With a message to live in peace how.

Gajanan Mishra
Subject Of Discussion

Subject of discussion
Is love, but love is
Nothing but a spark,
Spark of lightning.
It is all about combination
Of colours blue, yellow, white
And dark and the colours
Are beyond the sun and
The moon. I try to
Write it down all in
My poems but I know it is
All temporary, here all
Praise before me but say
Other things on my back.

Gajanan Mishra
I am submerging always in you,
And I am enjoying the feeling of oneness.

I am seeing myself present in you,
And you are there in all my thinking processes.

Gajanan Mishra
Submission

No reason to submit,
No declaration on
any point.
No bidding and
we are living.

Secrets are there
as before.
Willing or unwilling-
no one is to asked.
Performances evaluated
by our own envious partners.

No decision is final
Each one is to the point
most critical.

How to open the card
Known to none.
And still
Authority reigned.

Profit and loss
are separated.
We are no way connected
And still
we are living.

We are free
That is what
everyone wants to hear,
within the bond
framed by them.

Grace, praise
all that are raised,
But nothing happened.
As before
all are going
to become homeless.

Gajanan Mishra
Submission Of Love

Symbol of life,
Submission of love.
Love the truth,
And truth is -
Live and let live.
Live at this moment,
With all truthfulness.
Life is the fruit,
Fruit of love and truth.
Love and truth, and
Everything is there,
In the sky.
Let us fly,
Let us fly.

Gajanan Mishra
Submit A Poem

Submit a poem
With love
That has all the truth.
Submit a poem
With devotion
That has all the love.
Submit a poem
With love
That has the source of life.
Life itself is a poem,
Submit it my dear
As a tiny creature
To nature and
Win the atmosphere.

Gajanan Mishra
Submit Your Poem

Submit your poem
Submit your dream
Submit your heart.

I am here to see
To love
To co-operate.

No inner no outer
My dear, I have my own space
In my sinless dream
In my sinless heart
That is here with me
On this surface.

I am attracted by You
O my dear as a bird
Of the same feather.

And all they know me
By Your company by Truth
All they know me as Truth.

Gajanan Mishra
Subsidy

Why subsidies
And for what purpose
Subsidy is meant for poor
Subsidy benefit is
Taken away by the
Rich and better off.

Gajanan Mishra
Subsidy Politics

Subsidy politics is nasty
It makes people lazy and easy
Subsidy politics is just to
Cheat the people and it
Make them more and more poor.

Without taking effort for
Proper distribution of wealth
And supplying works to all
It is wrong to make available
Rice at the rate of one rupees
At subsidy rate.

Subsidy politics can not
Build a hunger-free state
Subsidy politics can not
Make people strong in any respect
People would remain poor as before.

Gajanan Mishra
Subsoil Language

Subsoil language,
Need some time to understand.

And I care it with the size of time,
Monotonous no more
With me and I want to
Go on a small trip.

I think nothing is private,
But I feel relax and enjoy
The partnership here, taking a break.

Brave face, not necessary
Always here or there,
Nothing to worry, you are,
With long sightedness and open heart,
The winner, already declared.

Gajanan Mishra
Substitution

You can not find
Substitution of mother.

Mother is mother
Aunty is aunty.

Mothers duty
has got top priority.

Gajanan Mishra
Subterfuge

Dare not
To play trickery,
We, the people
Are sovereign here, see.
The earth is ours.
We have birth right
To speak and write
In our own language.
You are there
To ensure this only.
If you fail, we will
Select another heir.
You are there for us,
Remember, we are not for you.

Gajanan Mishra
Subtle

Water is subtler than earth,
Fire is subtler than water,
Air is subtler than fire,
My dear, you are subtler than all
And you are the seed of all.
And you have given me love
To know you and you have
Declared life- only truth.

Gajanan Mishra
Subtle Art

Gardening the children
I get the personality-flower.
Right day right date and time
Right match right frame of mind
Get auspicious ceremony.
Have love and compassion
You are in better position.

Gajanan Mishra
Success,
What is that success,
That I have to know and
I have to climb the mountain.
But where is the mountain
I have to find it out within me,
Within I have to surpass all,
I have to hear the starting call.

Gajanan Mishra
Success

To achieve success is not my aim
I do not recognize success and
I do not care failure
I know success is not necessary
To lead a good life
I know I like what I do
And who am I to do
I am nobody to do anything and
Success has no meaning for me.

Gajanan Mishra
Success And

Success and failure
does not matter
you are with me
that is enough.

You can see
the leaf the flower
and feel proud
as before.

Stone is a stone
does not matter
gold or copper.

Gajanan Mishra
Success And Failures

Success and failures
Are nothing but
It is my state of mind,
That I can say at this stage.
And with all these
I can prolong my life,
I can assure you here.
I am egoless and
Not intoxicated, be sure.
I am not blind and
I am going to touch
The distance horizon.
My journey is under my control
And I am there to measure
The distance in between
The sun and the clouds.
My separation from the air
Is a must I can say here.
But I can assure you, I am
Not going anywhere
So long as you are here.
I apprehend danger, but
It is not the danger
In the true sense,
Rather, it is a step
To proceed forward
Keeping aside all
Success and failures.

Gajanan Mishra
**Success Is At Hand**

Success is at hand,
We are to pick it up,
We are here for this purpose.

Gajanan Mishra
Success Is Waiting

Live free,
Free from reservations.
Stay open,
Open and frank.

Success is waiting
For you.
Go to the truth.

Fulfill your desire,
By love.
Execute your duties
With love.

In love,
No defections,
No enemy, remember.

Gajanan Mishra
Success Is Yours

Success is your, take it,
as you have dedicated
everything to your passion.
No money no fame
but it is your humbleness.
Let me admire you, my dear,
You are fit to lead me henceforward
I am yours, take this reward.

Gajanan Mishra
Success Lies

Be a beloved, my dear
Your success lies
In the realization of Truth
That is in Love.

Gajanan Mishra
Success of life
Lies in Truth
And in becoming
A beloved of Truth.

Success of life
Lies in the welfare of all
All means all birds, beasts,
Insects, tress, plants, trees
And all creatures at present
And that are there in future.

Let us come, O my dear, and
Know the Truth, here, no matter
In which caste, creed, color,
And country you belong.

Gajanan Mishra
Success Of The Mission

I am glad to
Inform you, my dear
We are all human
With a particular mission
Mission is to reach
At the Truth with love
With devotion
O my dear, let us work
Together to work for
The success of this mission
The mission is love
And love all without any
Discrimination and remember
All good fortune is in love.

Gajanan Mishra
Success Story

Success story
Is here in me
Being successor
of the sun.

Successful person
At time comes
And I am
Terrified.

Gajanan Mishra
Successful Execution

Successful execution
Depends on proper
Training and initiation.

And it is You
Who is here to give light
In this direction.

Gajanan Mishra
Successful Man

You are a successful man,
Your mind is purified
And your only aim
Is to realize the truth.

Truth is you are
A man of love and
You possess divine nature.

And your existence
is really a piracle here.
Let me know you in full.

You are my love, and everything
for me. You are possessed of
form and attributes and
You are also without it.

Gajanan Mishra
Successful Trial

Successful trials
Life itself and
We administered
With the extract
Of hope to test
As a man. Though
Initiative failed
We are promoted.

Gajanan Mishra
Such A Sinner

I am such a sinner
Even hell has
Turned up its nose at me.

Gajanan Mishra
Such Is The Delight

Such is the delight
That made me bright
And You O my dear
Coming to this sight
Inviting me for a fight.

Gajanan Mishra
Such Is The Effect

Such is the effect of life
Life is a game of win and loss
Here in life you get blame and praise
Here in life same night and day.

Such is the effect of life
And You are above it my dear
You are above all here
That are seen that are heard.

Nothing feel hurt with You
O my dear and You are here
Telling all truth and truth
in this false world of mine.

Gajanan Mishra
Such Morning

Had such type of morning
Come here before?
Have you got the things
You wish near.
Telling what happened,
Have you met new sun?
Will such type of morning
Come again?

Gajanan Mishra
Such Type Of Morning

Had such type of morning
Come here before?
Have you got the things
You wish near.
Telling what happened,
Have you met new sun?
Will such type of morning
Come again?

Gajanan Mishra
Sudar Aalua

Jibanara achhi
Nija aalua.
Chala dekhiba.

Gajanan Mishra
Suffer From Itch

Suffer from itch,
Luckless I am
Here on this site.

My life, my things,
My body- not mine,
Yet I am hankering
After pleasure,
After prosperity.

I know divine,
I know I am a fragment.
And I am returning
To the place
Of my reaching.

Gajanan Mishra
Suffer Not

Do your duty
And suffer
Not a downfall.
I engage myself
In action, see,
I have nothing
To do personally
With it though.

Gajanan Mishra
Suffer Seldom

Be honest
And love.
Be honest, and
Stay in truth.
I am sure
You are a
Man who
Suffer seldom.
Here in life
Nothing is
Called suffering.
But be sure
You are truthful
To yourself.

Gajanan Mishra
Sufferers Are The People

Sufferers are the people,
And people are suffering
From all kinds of pollution.

Here is soil pollution
Sun-rays pollution,
Birth pollution, food pollution,
Water pollution, air pollution,
Sound pollution and
Pollution of all kinds.

But my dear, all are
External impediments
That have no direct link with me.

I am in need of your heart,
And I reside in your heart, keep it in love.

Gajanan Mishra
Suffering

What do you mean
By telling
I am suffering.
No one is suffering,
But everyone is
Crossing the pool,
Pool of fire,
Pool of ice.
Thing is; as because
You have words and
You have power of expression,
You are expressing something,
Though it has meaning
To some and it is
Meaningless for some others.
But life is something
Bigger and larger
Than anything, we
Are to remember.

Gajanan Mishra
Suffering In Exile

We are all
Suffering in exile,
But we are to
Know righteousness and
Follow righteousness
For our own good,
We should know life
Is only the truth.

Gajanan Mishra
Suffering In Silence

Suffering in silence
Is written on my forehead.

I have no means to earn here,
No shelter to stay in,
No clothing to put on.

I had been to Hyderabad
As bonded labourer but
I lost my sweet heart there.

I returned back Kesinga, Odisha
The land of my birth.
But what shall I do here.

No one is there to listen me.
I am now on the railway station
To show me the way to live,
Is there any one?

I know not what is Government
But our wordmember came to me
And took two hundred rupees
My hard-earned money as dadan,
And assured to give a card,
Perhaps that would be a source.

Where shall I go now
A problem to me
And whom to approach
And for what
That I do not know.

But sir, I do not like to
Take a rupee also from you,
I hate bagging, excuse me.

Please sir, My bad luck is mine,
As I took birth in Odisha and
Especially on this part.

Gajanan Mishra
Suffering Is But Natural

Suffering is but natural
That I know in this life,
Since I know, I am never
Disturbed by any sufferings.

I am strong and determined
On my path of truth and progress.
I believe and I understood
The conversion process
Here and hereafter.

I have tested my sufferings
That preaches my own glories.
I know, I am not here to fall,
Rather I am here to rise
To touch that star up above the sky.

Gajanan Mishra
Suffering Of The World

Suffering of the world.
I am not able to see,
I am not able to tolerate
The suffering of the world.

Let my life perish, and in exchange,
Pray, remove the suffering
of the world and let not
this world deluded by illusion.

All sinful are here,
Pardon them and give them
drops of nectar, my dear,
Being the lighter.

Gajanan Mishra
Suffering Ruination

We are all here
Suffering ruination,
Due to the ruler,
Foreign-based, with his
Behavior and speech
Not in accordance with
This law of the land,
And against our mother.

Gajanan Mishra
Suffering Unavoidable

Suffering is unavoidable
Unavoidable suffering
Suffering unavoidable
It is there, you should
Understood here in this world
It is the higher force of nature.

Gajanan Mishra
Suffering- Unavoidable

Suffering - unavoidable,
Identity - Unreturnable,
Relation - unbreakable,
Life - unconquerable,
Loss - irreparable,
And in this way, we are all
Proceeding towards the truth,
To meet the loved one for good.

Gajanan Mishra
Sufficient

Sufficient,
I am self-sufficient.
Profuse production is
There on my earth.
No question of scarcity,
No false theories
About overpopulation is
Acceptable here.
But we are to live
In a way prescribed
By nature.
Nothing to worry,
We are all self-sufficient,
And we are for each other.

Gajanan Mishra
Sufficient Answer

Who is living
Those who breathe
Is it sufficient answer
Tell me tell me.
Who is non-living
Those who do not breathe
And you laugh and laugh
Without answering
Tell me why tell me.
Do you find any difference
Between what is so called
Increasing and decreasing
And you only look at me
Giving signal no time no time.

Gajanan Mishra
Sufficient Guidance

Sufficient guidance
It is the nature and
I am under the nature's
Sufficient guidance.

Still I am careful
And desire to go to
The Ultimate Truth
That is within me.

I am not here to criticize
Others at any time as I know
All are like me under this
Sufficient guidance of nature.

Under the sufficient guidance
All are going to the high and high
On this platform some named it
Earth and here I see You everywhere.

Gajanan Mishra
Sufficiently Qualified

See me,
I am sufficiently qualified.
I am everything,
See me.

I have applied
Ointment of love
In truth.
I have applied
Ointment of truth
In love.

I believe
In my own existence.
Our friendship is eternal
I believe.

Gajanan Mishra
Sugar And Pressure

1.

Both are here
In my body
Sugar and pressure.
And both play
Arbitrarily soccer,
And I am the loser,
And I am the sufferer,
Though I am sober.
No doubt, I am
A social climber,
Yet, they together,
Pull me towards a dark
Yellowish-brown color,
In this solar year.

2.

I engaged my
Own solicitor,
But see
Nothing to get.
I am not the benefactor
In anyway since
I am not a BPL holder.
The songster came
To this picture and
Gives sonar,
I am not lucky
To take advantage
From the sorcerer.
I got nothing sought-after.

Gajanan Mishra
Sugar Candy

Sugar candy,
Taste it,
Wherever you like.
And know sweetness
Is there everywhere-
It is life,
Enjoy it, my dear.
Life is a
Long poem
Full of love,
Read it,
Understand it,
Enjoy it, my dear
With trust.
Life is most
Attractive and
Colourful, follow it
Meticulously here,
Keeping geographical
Order intact.

Gajanan Mishra
Sugar Candy - My Poems

Sugar candy - my poems
Come and taste.
Wherever you taste it
You will find it equally
Sweet and relish.

Nectar stream - Your life
Come and enjoy.
Who so ever you may be
You are the son of Almighty
And my kith and kin, relatives.

Gajanan Mishra
Sugar Cane And Flower

Sugar cane is sweet
Nectar is in sugar cane
Flower is soft
Let us collect nectar.

Gajanan Mishra
Sugar-Candy Life

Life is sugar-candy
Enjoy life
I write about life
My writing is sugar-candy
Wherever you taste it
You will find in
Equally sweet and
Full of flavor
Pleasure and savor.

Gajanan Mishra
Suicide

You can't say
He was in distress
And hence he has
Committed suicide.
You can't say he knew only
What is hate and hence
He fell in to the net of suicide.
Is not suicide a love-like quality?
One who has committed suicide
Is as strong as anything.
If you so like you can test
At any moment while he was alive.
See within the men who are in the rows of suicide,
And discover the multicolored light within them.

Gajanan Mishra
Suicide Bombers

Suicide bombers
Taking over the land.
The land taking over
Suicide bombers.

Gunfire explosions
Fighting on
Who acquire what
Not known.

Gajanan Mishra
Suicide Militants

Suicide militants
What do you want exactly?
Are you getting success
In spreading terror?
You are like jackal
Trying to frightened
The lions!

Gajanan Mishra
Suicide Of A Farmer

Where is your grave?
Where is your grave?
The poison you have taken
Is not there to give a reply.

Why did you think
The love and affection
Of your wife and children
All false they gave?

Have you ever tried to
Understand your own earth?
Were there no place for you
Above or below to fade your wrath?

To my regret let me say
I honour you not for your escapade.

Gajanan Mishra
Suit Number Three

I know you are in
Suit number three
I know
You are not free.

Suit number three
I know there is a tree
Without leaf
I know in white saree.

Suit number three
Is moving here and there
I know no place
For pantry.

Gajanan Mishra
Suitable And Fit

Suitable and fit
To live with
Bliss and knowledge.
Men, be not foolish,
Pick up the time
And take true benefits.
Scope is there,
Just go on.
Final stage of
Perfection is there
In realization of the truth.
You are truth, dear,
The truth is
Within you.

Gajanan Mishra
Suit-Boot Politics

Suit-boot politics,
And-but language,
Not suitable for us.
We are the simple villagers,
We know nothing but we
Care our fathers and mothers
And we cultivate our own earth
With the love for all welfare.

Gajanan Mishra
Sukha / Duhkha

Appearance of agreeable circumstances
Is Sukha
Appearance of disagreeable circumstances
Is Duhkha
Modification and constant change
Is Vikara
We are in between these
In anger
In jealousy
And anger
That hurts our pride
The root of all these
Is our desire or longing
Our life-breath in this longing
Let us know us first
For healthy living here
So long as we call ourselves alive.

Gajanan Mishra
O my dear, O my love,
You are the sum total
Of all places of pilgrimages
I want to hear sufficient talk
To make the holes of my ears
Pure and perfect
I want the knowledge about You
O my dear O my love
I want to share this knowledge
With others here
I want from being somebody
To being nobody and
From being nobody
To being everybody
I want sharing and
Caring throughout the world
I know You are the world
I know You are the sum total of all
With Your blessing
With Your love
With Your grace
I want to develop
New capacities for action
And I want to transfer
This knowledge about You
To the next and next generations.

Gajanan Mishra
Suman Chews

Suman chews his nails
And we could not file
Any objection anywhere
Though we are effected
And we all rushed
To the ground
And the ground is not
Ours and we went down
And to to earth
Suman chews his nails
And we failed.

Gajanan Mishra
Summary

Main points;
Taking birth,
Crossing over
Childhood, youth,
Old age, and
Also death.

What more?
Love, life,
Sorrow, joy,
Smile, cry,
Summer, rain.

What less?
night, day,
Eating, walking,
Resting, dreaming,
Starting fresh,
From the beginning.

Matter;
Truth, falsehood,
Battle and quarrel,
Creation and
Destruction.

Turning ups and
Down, seeing life
In the way of
True company
For enjoying.

Gajanan Mishra
Summer And Bear

Both here,
Summer and bear.
And we are not
Allowed to go out
In any weather.
The teachers advised us
To stay near,
We know though
We go farther and farther.
The mountain, the river,
All are our guide
And philosopher.
Truthfully we live with time
And we see and we hear.

Gajanan Mishra
Summer And Water

They love each other
And they absolved
And they absorbed.

In summer
We need more and
More water
In water no summer.

What color is water
What color is summer
You need not answer
It is there.

We need summer for water
We need water for summer
We need love to make life
Finer and finer.

Gajanan Mishra
Summer Call

Summer call here
Let us go together
With sun with heat
With light with energy.

Summer call here
Let us distinguish
Matter and spirit
Let us play flute.

Summer call here
Let us sustain
With unceasing
Torrents of rain.

Gajanan Mishra
Summer Evening

This is the summer evening
And I could not find
A bird here at this time.

The temple bell
Could not ring
To proclaim
Where is the king.

This is the pond
With no water
This is the sky
With no weather.

This is the summer evening
And I am crying
Without anything with me.

Gajanan Mishra
Summer Festival

Are you taking the pleasure of summer
Here within this AC chamber
Where there is fifty degree celcious?
Where common people are
Dying in hunger and in thirst/
From where people are
going for bonded labour
for their livelihood?
You have taken the votes
form the common people and
enjoying all luxuries
out of their tax money,
they are not getting
a drop of water to drink,
not getting a meal in a day?
Their children are going to
schools where there is no techer
to teach them in proper way.
You are talking with the common people
In a language that is not theirs'.
You are calling them
brothers and sisters
at the time of election
But telling goodbye after that.
Yes, you are observing summer festival,
go and observe at the cost of
the interest of the common men.
The common men are dead, go
and see and dance on their
dead body.
Only for you the summer has arrived.
Give the poor, laborers, farmers
rice at one rupee
meal with five rupees
That are not avaiable though.
You have came to enjoy the summer here,
We have no objection, my dear.
We know, we have no power to object also.
You are so powerful un wealth
and in all respect we cannot raise any voice.

Gajanan Mishra
Summer Is Here

Summer is here with
Fifty degree heat and
The sun is at its fiercest.

Come on my dear
And take a rest
It is already 11 am
Here there is a tree
And its shed.

Would you like to
Take water melon?
Cucumber? papaya?
Green coconut water?
Do you in need of fans
or water cooler? ice blocks?

This is blazing summer, my dear,
Check up your health
At regular intervals
For your own survival.

At any moment, if you feel
Any uneasiness, call on doctor,
In this summer, all are alert,
With chilled water- life giver.

Summer is here, my dear,
This is summer, summer.

Gajanan Mishra
Summer Is Laughing

We are all laughing stock
At the hands of the summer.
See and here the laughter
Of the summer on this open field.
Summer is laughing in our
Face and we are not realizing
As yet our own duty here
That we have missed for so long.
Summer is here and it is
Laughing out of the court,
And it has the last laugh with hot air.
Here is the summer, approaching
Finely towards us but we are here
Slumped in to the seat under leafless tree.

Gajanan Mishra
Summer Is Spring

Summer is spring here
When You are near.
Rivers are full and happy
Flowers look more beautiful colorful
Animals and birds filled with sound
Peacocks and bees sang and cranes cooed
And I hear Your flute.
You danced with nature
And with Your dance I see myself
Whirling leaping hurling
Slapping and wrestling fighting.
Very good very good You are praising
With Your own instrumental music
And You made me see telling I am not blind.

Gajanan Mishra
Summer or winter,
No matter, but
Enjoy nature.

Appear or disappear,
No matter, but
Enjoy the present here.

Life is the wonder, and
We are the guest of honor.

Gajanan Mishra
Summer, summer,
Go away, go away.
The king, the ministers,
The counsels all are
dee to play, to play.

Summer, summer,
Go away, go away.
Your fifty degree heat
is not conducive to play.

Summer, summer,
Go away, go away.
We have not forgotten
We are nature's clay,
Give them a chance
to make merry on this day.

Gajanan Mishra
Summer Sun

I owe you zero.
I know not how would
The life run.
I owe you zero.
I know not
What is the end
Of this fun.
I owe you zero.
No wife, no daughter,
No family, no son.
I owe you zero.
The one who is laughing,
In this summer, at us,
Is only the sun.

Gajanan Mishra
Summer Time

We are all laughing stock
At the hands of the summer.
See and here the laughter
Of the summer on this open field.
Summer is laughing in our
Face and we are not realizing
As yet our own duty here
That we have missed for so long.
Summer is here and it is
Laughing out of the court,
And it has the last laugh with hot air.
Here is the summer, approaching
Finely towards us but we are here
Slumped in to the seat under dry tree.

Gajanan Mishra
Summon All

Summon all,
All your mental abilities,
Right now.
Take quick,
On the spot decisions.
And take care,
your decisions
Have long term impacts
On all matters.
But enjoy carefreely
The day in you,
As you are on truth.
But try to be
Realistic and reasonable.

Gajanan Mishra
I am living
I am summum bonum.
I know
I am far superior
I know
I am supreme intelligence
So long as I am living.
My life is a great literature
I am far superior
Here with me
My life-mantra
Live and let live
And I am living
I am summum bonum.

Gajanan Mishra
Summum Bonum Of Life

Transcendental loving service
And it is the only satisfaction.

Here is the Supreme Truth
Do not go outside elsewhere
It is within You.

Gajanan Mishra
Sun

You are as brilliant as the sun
You are the sun
And You have arisen
To Your own abode
Accompanied by knowledge
And You have distributed
Light of knowledge to all
Creatures with clear vision.

I know O my dear sun
How I am entrapped by the material
And engaged in useless eating
sleeping fearing and mating
Under the pretension of knowledge
I am in this age of quarrel
And I am blind and so I pray
Give me vision of knowledge
And provide me real light of life.

Gajanan Mishra
Sun And Consciousness

As the sun to the universe
So You are to my body
Here I am telling I am.

Gajanan Mishra
Sun And Moon

I am the sun
I am the moon
I am here to enlightened you
I am here to supply you juice
To make your life successful
To make your life peaceful.

Gajanan Mishra
Sun Globe

Sun globe
Sufficiently close.

Somehow or other
Life is dear.

Born or unborn
But with us.

Controlled or
Uncontrolled-
All fools.

Own ability
Nothing.

Life is meant for
Higher taste
No denial.

Gajanan Mishra
Sun Is Black

I say sun is black
You say white
World rope is tight
Everybody is in his might.

I say my poem is not for laugh
Unless you cry my poem no use
You cry with realisation
You have done nothing
And lost everything.

Gajanan Mishra
Sun Is Rising

Sun is rising
At the end
Be truthful
And have patience.

Gajanan Mishra
Sun Is With Me

The sun is with me
At this summer noon
Informing all day to day
Activities.
The earth is here
As before only
Crying and crying
Without any grievances
And complain.

Gajanan Mishra
Sun Light Up Everything

Sun lights up everything
In the day time
True knowledge reveals
Everything everywhere
And no identity crisis.

Gajanan Mishra
Sun Moon Air Fire

Sun moon air fire
Are not allowed to go there.

There is that bird
The sky entered the needle hole-card.

And we played the card
Cosmic manifestation is quite hard.

Drying and dying
Everything is creating always vanishing.

Something is there
And that is passion.

Gajanan Mishra
Sun Moves Continuously

Is it right?

You know it is not right
And still you support and
Further added after rising
The sun moves continuously
To set.

No rise no set.

You know the sun is fixed
Our earth is moving from west
To east.

We are not passing
To nothingness
You know I know
And it is right
But no support from any side!

Supporters of truth and right
Are a few I know
Do not acknowledge
It is also unfortunate.

Gajanan Mishra
Sun Of Winter

Sun of winter
Is different from
That of summer.
So also,
The stone is
Different from
Water.
I like not
The sun
Nor the water
Either.
My verse is free,
And I am
Free from
Fear.
Drop me anywhere
And see
My works here.
Let me hear,
The story of
Your color.
And your color
Is coming from
The sun of
Both winter
And summer.
It is all
Sulphur.

Gajanan Mishra
Sun Rise And Sun Set

Sun rise and sun set
Is not ours and also
Is not for us.

And we are affected
By rising and setting
Of the sun everyday.

We are expecting
But unable to express
We are on the path of progress.

Gajanan Mishra
Sun Rises And All Wake Up

The Sun rises and all wake up
And engaged in their works
The Sun rises and knowledge spread
Smile entire creation
The Sun rises and eyes opened
The sun rises and sucks water
To return the same in multiple colors
The sun is the soul of entire world.

Gajanan Mishra
Sun Sun Sun

Sun sun sun
Rising sun the creator
Mid day blazing sun the destroyer Rudra
Setting sun the maintainer and continuance
Greatest of all
Sun sun sun.

The sun is invoked
For getting rid of diseases
For wisdom
For salvation
For wealth
For fire.

Gajanan Mishra
Sun Terror And Water

No water, no water,
But here find sun terror.
No leader, no teacher,
No officer, but here
Find fiftyfive degree
Heat waves and
Find only sun terror.
No food to eat,
No cloth to wear,
No house to live in,
No language to understand,
But terror, foreign terror
With falshood, fraud, robberies
Mixed with terror, sun-terror.

Gajanan Mishra
Sun, Fire, And Light

Sun, fire and light
Are Your parts, my dear,
And I am experiencing great
Joy with You here.
I am travailing within You
I know I belong to no caste
No creed no color like You
I am in truth and
Getting rid of all sins.
My everything is Yours
That I know my dear,
And I am receiving all
From You only and I am
Here alive with Your presence.

Gajanan Mishra
Sun, Sand And Sea

Sun, sand, and sea
All are hot,
Be careful.

Gajanan Mishra
Sunaa Aau Sajya (Odia)

Sunaa aau sajya pachare
Dhaunthibaa loka nija
Dhwansa aadaku jauthae, jane.

In Odia lipi or Brahmi script;

???? ?? ????? ????
???????? ??? ???
????? ???? ??????, ???? ?

Gajanan Mishra
Sun-Dress

I am putting on sun-dress
In his rain
You may call me
By any name.

As sugar candy for jaundice
My poems are for vice.

I am putting on sun-dress
You left the area
Being dark and returned back
As enlightened.

Gajanan Mishra
Sun-Flower To Sun

I love the relation
Sunflower to sun.

And like that see,
I glance at you.
You are my love's truth,
You are my soul-divine,
With you I feel fine.

You are the ocean
And I dive in you,
You are the life's truth,
I glance at you
Like the sunflower
Glance at the sun.

No question of separation.

Gajanan Mishra
Sunless Garden

Are we in sunless garden?
No, never.
Always the sun is there
In our garden and
Flowers are alive, see.
We are here to see
The colourful flowers
And enjoy their beauty.
We are in divine ecstasy,
We are in eternity.
Nothing to grieve,
No cause of grief or
Grievance, being a man of
Confusion has no relevance.

Gajanan Mishra
Sunlight And Life

We see sunlight,
We see life.
Both sunlight and
Life - in danger,
We care for.

We care
Rising and falling,
We care
Eating and sleeping,
We care, not
Peaceful living.

We feel, not good,
We have forgotten, the truth,
Spent the day with all falsehood.

Gajanan Mishra
Sun-Moon

Sun-moon, moon-sun,
Moon-sun, sun-moon.

Life-line, life-line,
Yours and mine,
Mine and yours.

And no other one
Can play any role.

Life is meaningful
At night,
During day
We all awake.

Avidly I call you,
And you appear
To open new chapter.

Gajanan Mishra
Sunny Day

Sunny day
In this rainy season.
But I am with you,
Nothing to worry, my dear.

No air no light, but
I am here with you
and ready to make you alive
Worry not, my dear.

Gajanan Mishra
Sunny Days

Enough time here
To play to read
To sleep and to
Go outside.
Are you ready?

Gajanan Mishra
Sunrise

Stay for a while please
Let me see Sunrise.

You are here
And I am with you
searching the meaning
after time
of our relation
that is here.

Gajanan Mishra
Sunrise And My Wish

Sunrise and my wish
Go together
At the same time
To discover me
In right number
And I am there
In their search
I care not
Their push and pull
And I rise alone
On the path of truth
And I honor their salute.

Gajanan Mishra
Sunrise Is There

Sunrise is there
In truth,
Love is there
In truth.
The truth is life.

Gajanan Mishra
Sunset

See the sunset
But say not
Night is coming.
No night is here,
See just again
And imagine
The beauty of
So many stars there.
It is you to
Practice the life.
The life is here
Only for you.
In this life love
is here, that is the truth.

Gajanan Mishra
Sunshine

See me,
I am in the sunshine,
I am in this sun's surface,
See me, and
Treat me as the sun.

See me,
I am the light,
I am here
To enlighten you.

I know, you are
The truth.
I know, we are one
And the same, and
We are here for all.

Gajanan Mishra
Sunshine and sea,
My friends.
I live in them,
And with them.
Air is my partner,
I tell all, wait,
And see my gymnastics.
No one can say
I am weak,
Though not so strong,
As expected.
I am in my diversity,
With eternity and
I learned from adversity.

Gajanan Mishra
Sunshine Is For All

Sunshine is for all
Love and affection are for all

karuchhi kolagrata.

Gajanan Mishra
Suo Motu

Can I not exercise
Suo motu?
If not, why?
Am I not free?
If no,
What use of
My life then!
But from this
Who gains what
That I don't know,
And I am not
Interested to
Know also
If I am not sovereign.

Gajanan Mishra

You are really super excellent
Your open and merciful smile
Your side long glance
Your black curly hair

Enchanted and excellent and really you are enlightened.

Gajanan Mishra
Super Fast - Poem

Be clear like crow
Be fair like whore.

What lies beyond
Please try to see
See with faith
And love.

Words dance
With poet
God knows
rest.

Nature tells
What you are.

No where you are
And you are no where.

Be satisfied
With wealth wife
And live peacefully.

Joy is ghost
Sorrow being God.
Gajanan Mishra

Man is always successful
In his undertakings.
Man is perfect
And mighty and happy.
But I am asking myself
Am I really happy
Or it is only my pride.
A man is swayed by favorable
And unfavorable circumstances.

O guardian of the orphans, You are the symbol of unabated love.
O unconquerable, You are the Ultimate Truth.

Gajanan Mishra
Suppose I Am A King

Suppose I am the sky
And I am asking you
Who you are
And you are replying
I am the water
I am the air.

Suppose I am the earth
And I am asking you
Who you are
And you are replying
I am the tree
I am the mountain.

Let me tell you in clear term
That we are here but we are no one.

Your happiness and distress
And it appear and it disappear.

This body is my dress I know
And it is changeable
According to my desire and circumstances.

I remembered not what I said
The day before yesterday
And I said nothing for tomorrow
As I know no validation in caw or crow.

Gajanan Mishra
Supreme Destination

Supreme destination
is to reach you,
And for this
I am going
With my own language
And I am going

love of my mother
And no place equal to my land.

No darkness but all lights,
You can freely discover here
As Almighty's faithful worker.

Gajanan Mishra
Supreme Love Is There

Supreme love is there
In supreme bliss,
Supreme bliss is there
In purity of mind.
Purity of mind is there
In renunciation of fruits.
And in self-realization,
We find bliss and love.

Gajanan Mishra
Supreme Peace

Supreme peace is
eternal abode.
Secret of all secrets
is all pervading truth.
Life is opened
and it is to be attained.
It is in love
It starts and end with fight.

Gajanan Mishra
Supreme Secrets

Supreme secrets-
My poems, just
Go on with it, dear,
With patience.

Gajanan Mishra
Supreme State

I am not the person
Hankering for fruits
Soon after planting trees.

I am not the person
To seek refuge in this
Equiposed mind.

Neither I am poor
Not wretched
My poem and I
Move towards
Supreme state
Under your mercy
And mercury light.

Gajanan Mishra
Supreme Truth

I am a mere householder
And I am fortunate, my dear
You are here within this house
As the Supreme Truth.

This house is this universe
O my dear, You are here
The transcendental one
The spiritual master.

You are trying to purify all
O my dear, You are my son as well as
My Father and all, see me
I am going, hearing Your call.

Gajanan Mishra
Supreme Word

Unraveling the mystery
virtues glory and truth
Poet says in poem
Supreme word.
Controlling guiding
Creating destroying
Supporting nourishing
Shows divine potency.
Poet unborn and is
Without beginning.

Gajanan Mishra
Supreme Words

Read my Supreme words
O my dear, in which
Your liberation is there.

Listen my Supreme words
O my dear, grieve not
Here in it, there is welfare of all beings.

Read and listen
And say something
For highest good.

Gajanan Mishra
Supta Samudra (Odia)

Samudra supta,
Kana samudra

Gajanan Mishra
Sure And Recognized

You can not say anything
Sure and recognized.

You can not say anything
You have seen earlier is this.

What is to understand
Is the process of living.

What is to understand
What you are performing.

Life has something
To give to offer.

Life has something
To write to chant, my dear.

Gajanan Mishra
Sure As Fate

Bless my heart, my dear,
My love, sure as fate.
I am certained,
We are still inexistence.

Gajanan Mishra
Surest Path Of Progress

Surest path of progress
Is in your mind
The ultimate state
is within you.

Don't get disturbed
Be in peace always
Nothing to lose here
Everything is yours.

No other person is there
Other than you
have patience and
Go for it in peace.

Gajanan Mishra
Surface To Air

Surface to air,
Missile test-fired.
How developed we are!

But here at home
I have nothing to eat,
No pure water to drink,
And to take, no fresh air.

Surface to air,
Intolerance is here, there.
How can we live
No one is there to take care.

And they declared
We are developed
We are going at the gallop.

Gajanan Mishra
Surfacing By The Minute

What happened to my world?  
Everywhere, it is surfacing  
By the minute, cases of  
Corruptions, chit funds scams,  
Black money, rapes, murders, loots  
Militant activities, Satta betting.  
Where is honesty? Where is humanity?  
What happened to my world?  
Where is brotherhood? Where is livelihood?  
Where is truth? Why everyone is  
Going with falsehood? Every one  
Knows what is right and what is wrong  
And still no one bothers and no one is  
Coming forward to establish rule of law!

Gajanan Mishra
Surgeon

It is my excitement and not anger
Think me not otherwise
I know you are my benefactor
My dear surgeon, you are free to
perform your operation on my disease part
It is for my previous wrong actions
I am feeling pains and facing
Unfavorable circumstances
I am grateful to you
You are purifying me of my sins.

Gajanan Mishra
Surgery

Let us go with it,
Surgery,
Open heart surgery,
And see whether
There is love
And truth or not.

If there is
No love,
No truth,
Let us implant it.
And if there is any
Let us take steps
To spread love
And truth all over.

Gajanan Mishra
Surgical Operation

To every experience
I want surgical operation
To show my strength
And courage and confidence.

I want to live
Through horrors,
I realize life
Not a zero.

I am committed to
Life and also to death.
I want to show full identity
In a life that is full.

I am very anxious to establish
Universal brotherhood among all.

Gajanan Mishra
Surgical Strike

Surgical strike -
Successful.
Let everyone know,
We are not here
To tolerate terrorism.
Let the terrorists,
Realize the strength
And the power of this land.
We stand for truth
And non-violence,
But if situation arises,
We are ready to give a fight,
And take bold steps to
Eliminate the enemies.

Gajanan Mishra
Surpass All

Surpass all
With pure love,
Triump three world.

Gajanan Mishra
Surpassing Is Difficult

Surpassing is difficult, my dear
I am in love, remember.

Love is a war though not with another
Love is far superior though a fighting soldier.

Let me go free from the pain of being burned
O my dear, see I have properly carried out my duties here.

Gajanan Mishra
Surprise And Joy

Surprise and joy,
All are here
In this vending zone.
All time - wonderful,
Life is all true,
It is for virtue.
Spot the good,
Enjoy neighborhood.

Gajanan Mishra
Surprising

Surprising everything,
Here, there, everywhere.
Life, earth, sky, bird,
Surprising all water, air.

Let me recognize all,
Let me learn a lesson
From all here.

I know each one is here,
In his own exemplary way.

I know each one is pure
And fine and filled with
All natural beauty and
Colors for the benefit others.

I am satisfied here
In all respects with all
Tolerance, mercy, friendship
And equality.

I am here with all
And I am in truth
For the purpose of all good.

Gajanan Mishra
Surrender

i am here to be a seer.
no where i find myself.
see me i am here.
needs and i with you.
the sun and the moon
are friends of mine.
where to go is out of my mind.
o son follow me.
i am here to teach you
how to surrender thyself..

Gajanan Mishra
Surrender And Get

Surrender yourself and get
What you want and
Realized real disunion.

Union is eternal
Union in eternal union
Disunion in eternal union
Eternal union in disunion
Disunion in disunion.

I know not what is
Next stage of motion.

I know ever union
No possibility of disunion
I love you I clarified
And my love is enhancing
Every moment.

Gajanan Mishra
Surrender Everything But

Surrender everything but
Your ideas, my dear.
Go everywhere but return
in the evening to
your own house.

House you own is yours
That I am not here
to emphasize.
The crux of the matter is
whether you get peace.

And peace is not
ordinary that you can get
without struggle, it is not
in your spectacle.

Gajanan Mishra
Surrender To Truth With Love

Surrender to truth with love
and see that you are superior
to anybody here.

Gajanan Mishra
Surrender Yourself

Words limited
Thought unlimited
Words insufficient
To express thought.

O poet, surrender yourself
Words come of its own
And result announced
You have won.

Gajanan Mishra
Surrendering

surrendering,
Let me surrender
In mind, in intellect
And of the self.

O greatest refugee,
I am Your fraction
I am Your subservient
Let me surrender.

On my surrender
It is true, I am
Free from fear
Free from worries
And sorrow and doubts
Let me surrender, my dear.

Gajanan Mishra
Remember life is beautiful,
Love all worship God
You are Yours
All are Yours
Your house is enlightened
See today is Yours
Don't expect anything from tomorrow.

Gajanan Mishra
Survey And Settlement

Come to me and see
How I have kept
Real intelligence
With me and going
Back to the truth.

Come to me and see
How I am here with love,
Where you are fixed
For the purpose of
Survey and settlement.

Here I am
And there you are
And yet we have a link
In the light of life.

Gajanan Mishra
Survival Of The Fittest

Survival of the fittest
Is the principle of nature.
But is it true?
True always?
I am the weakest one
Here in this world.
I am nothing and see,
I am wandering here there for nothing.
Nothingness is here with me
Always and I am going with it,
Going to you my dear.
I know you are also nothing
And I think I am fit to make
Friendship with you.

The world is the forest fire
And on the strength of your love
You can swallow this fire
This materialistic world.

Of life and death here.

Gajanan Mishra
Swan

I am not in a position to know here
Who is what and what is the chat
I am not in a position to know here
What ought to be done here
And what ought not to be done.

What is real and what is unreal
I am not in a position to know here
What is positive what is negative
I am not warned and I am not able to
Live here like a swan.

Gajanan Mishra
Swan - The Soul

Let me not miss in the sky,
Let me not attach on the earth,
Let me not drown in the water.

Gajanan Mishra
Swan And Peacock

Here see the swan
Swan has a sensitive beak
Swan can distinguish
Pure milk from a mixture
Of milk and water.
Swan can say it is right
It is wrong and it is good
It is bad.

Here is the peacock sits and
Waits anxiously to serve
All knowledge
Peacock depicts
Unpredictable behavior
As the nature of peacock
Changes by changes in weather,

Rely upon the swan, my dear
And rely not the peacock
And overcome hesitancy and
Fickleness in order to
Acquire true knowledge
This is the significance
Of today's Saraswati Puja
The goddess of all knowledge.

Gajanan Mishra
Swan Of My Mind

Swans Desert Lake

Swans desert lake
If it dries up
I know
O my dear friend
I am a real man
And I know
A real man
Do not change
Their base very often
Like the swans
I am with you
My dear worry not
For the future
But be cautious
You are here
At present
Driving our car.

Gajanan Mishra
Swans Are

Crows, owls,
And herons
Are seen here.
But swans
Can be found
Within us.

It is our past actions
By which we are feeling
Sorrow and joy
We are facing loss and gain.

It is but common
This birth this life
And this death, this poison
And this nectar, my dear
It is everything as we wish.

What we wish
We should know first
And confirmed,
And it is the inexorable
Ways of Providence.

Gajanan Mishra
Symbolic Head

Symbolic head,
Symbolic fight.
Symbolic words,
And with all
Symbolic symbols
We are searching
And going here
For reality.

Some says
It is ideology.
But for what
That I know not.
I know disagreement
Is there for nothing.
I know a lot of works
Are pending.

It is not like
A contest of
Ideas on the street.
But it is reactive
And also articulative.
Not bold,
But disruptive for
Unity and progress.

Gajanan Mishra
Symbols Not Suffice

Symbols would not suffice
The very purpose
You can not called me
A priest only because
I am wearing a sacred thread
You can not called a man
Or a woman only because
He or she looks handsome or beautiful
You can not called a man and woman
Only because they are sharing
A single bed, but see
Deceit only makes a business success
Superficial attraction only makes
A man and woman live together
O my dear, be aware the time and its creator.

Gajanan Mishra
Symptoms Of Happiness

Symptoms of happiness
And tears are there
In my eyes
As You are here in me.

As You are here in me
I am able to speak
Able to work and walk
It is Your grace.

It is Your grace
I am able to compose verse
I am as empty as flute
And with You I surpass all.

Gajanan Mishra
Symptoms Of Life

Symptoms of life - love,
Symptoms of love - truth,
Symptoms of truth - peace,
Symptoms of peace - nonviolence,
Symptoms of nonviolence - life.
Life is here, and we are living
On this earth with nature,

Gajanan Mishra
Symptoms Of Poet

Tell me, O my dear
The symptoms of a poet
And who is not a poet
And what is his conduct like
How does a poet swim
In this world of words
With his emotion and thought
Why the poet want to cross
His thought his emotion and
This world of words
What are the marks
O my dear, tell me
Is a poet different
From a common man
And who is a common man
Tell me the daily routine
Of a poet and how does
the poet lives and
What are his activities
And O my dear, the poet loves
You most and Loves the world
As the world is on truth
Tell me what truth means
And experiments are being
Conducted in truth
And tell me what is not a
Poetry what is not in history
and what is not mystery.

Synopsis

Synopsis symbolises
Environment disaster
Disappearance plants anumals
And silent spectators
Not able to control
Our mammon our mammals.

Gajanan Mishra
System

What is a system like
No body wants to say
And everybody wants to
Change the system
Though they are all
The parts and parcels.

You can not go away
From you and
You are the enemy of yours
See, there is
Biggest security threat
From inside.

Gajanan Mishra
System Error

System error
Common reply
Everywhere.
Auto-correction
Is there though.
No one know
What is what
And how it is,
Still they are
Mad to go with it.
Let us untie
All knots,
Still ties are
There, we know not.

Gajanan Mishra
System Is One

System is one
That is ancient
That is modern.

Reject not
The standard system and
Present not bogus one.

Present is always
Super-excellent
No need to concoct a new.

It is Absolute Truth
It is life
It is love.

Gajanan Mishra
System Upwards

System upwards,
Go on, and
It is for you.
It is for love,
It is for truth.
Here imagination
Has a significant
Place all around.
Here, see parallel
Line is between
Above and below.
Here, find your place
From the very mouth
In the royal order.

Gajanan Mishra
Systematic

Everything,
Everything is systematic.
And this life
Is therein.
But we are ignorant lot
And hence, we are in dark.
No one can give any title
To anything here.
No one can describe
In details what are
Going on.
Coming to the spot
One can reach but
Where he is, difficult to say.

Gajanan Mishra
Systematic Accounts

Seen and unseen,
Both are mine.
And I belong to both.

I see nothing false,
But all are dressed.

Truth is unconquerable
And I bow down before the truth.

It is you to show your strength
But you have to concede defeat
Before the facts that are
Placed before you.

You are maintaining systematic accounts
That I know. Yet I do express my
Wish to fulfill it by love.

Gajanan Mishra
Systemetic Failures

Systematic failures are there
With you at the center, my dear.
And you are to be thrown out
To enable the earth to proceed
Forwards towards the truth.

Are you the person
Who holds
The tablets of destiny?
And who are you?
Are you a human being?
Are you God, Almighty?
Are you a demon?
I know not,
I have also no power
To tell about the future.
I also can't say
Who is right and
Who is wrong.
Let me concede
I have not so much knowledge
To tell something about
The present or the future.
I love nature, it is true.
I love the truth, it is true.
Only for love and
Only for truth I am here
With you, my dear.

Tag Not Me

Tag not me with anything
Without my permission.
Tell not any word
Without any reason.
Go not anywhere
Without season.
Control the self
In the evening.

Gajanan Mishra
Taj

What is that?
No meaning of
The word Taj
Is there in
My dictionary.

But you said
It is most
Beautiful and
Wonderful, though,
I discover nothing
Like that there.

Yes, I do admit with you
While visiting Taj as
You are there with me.

Gajanan Mishra
Taj Has Its

Taj has its
Own flaw,
Though you
Take it to
Above law.
And I fear
It is going
To tear itself,
It is nothing
But nature.
It is fire and
It is water and here
No one can claim himself
A perfect architecture.

Gajanan Mishra
Taj Mahal

Dazzling always as it is,
Tak Mahal. You may place it
In your tourist list or not,
No matter.

Taj Mahal,
Symbol of love and
Sacrifice for all.

Great art, Taj Mahal,
Ageless beauty
Is there.

Forget religion,
Forget caste,
For sex and
Stay far above.

The leader of all,
Should have an equal eye.
All are equal
In the eyes of law.
Being the custodian of law,
Art and culture,
You are to execute the law
Honor it.
All are your subjects.

Go not against anyone,
Be liberal, time is there
To show the result.
Have patience,
Live and let live, dear.

Time passes, power passes,
But not art and literature,
Not love and truth.
It is all for eternity.
Honor it.
Go above
Personal like and dislike.

Gajanan Mishra

out of question
session.

Gajanan Mishra
Take A Halt

For the cuckoo,
Love singing.

With proper identity.

My grand daughter is here busy always
In her playthings and she is intelligent
At times she sleeps without caring for future.

Do you know?

Everything is open and for a very long time
We are all here to see and observe Truth present.

Misuse not
Your life,

Gajanan Mishra
Take Your Own Birth

Take your own birth,
Take your own good.

For the people of the world,
We create the field.

The poets are the preachers
Of life here on this earth.

Process of taking birth
Is great undoubtedly.

Real merit of life is here
And that makes us clear
To understand life.

Life itself is not ours,
But we are hankering after it
The reason is the illusion.

Gajanan Mishra
Take Your Own Tea

Taking actual knowledge
And satisfying oneself

Able to described this and that.

I can say, definitely, that is
Mine and only mine, and that shines.

Gajanan Mishra
Taking Away Everything

I'm here and I'm giving

Who am I to give
It is you who are taking
Taking away everything.

Taking Birth

Taking birth
In a lower caste
Is not a crime,

Humanity is his identity,

Be a man, live as a man only.

And see every creature as part of Almighty
And offer a part of your food to the hungry.

Gajanan Mishra
Taking Joy And Sorrow

Strict guidance where ever

Gajanan Mishra
Taking Shelter Of Falsehood

You cannot touch me,
Touching is not permitted.
Fear of adverse result
Is there in touching.

Attachment and aversion.
And after seeing you
cannot say what is what
If you want to say
You have to take shelter
Of falsehood as you know
Nothing is real
In this changing world.

Gajanan Mishra

To sal we are all we are all.

Gajanan Mishra
Taking The Sea

I am taking the sea
And the sea is with me.
The sea is my last resort,
Echo of the sea is within me.
No one can find a drop of water

Let me say something
About the sea again and again.
The sea guide me at every time,
And for this I must say I am fine.

Gajanan Mishra

Trying to enable
The earth to fly.

The tale that has
No head no tail.
There you can
See the shell

Covered by pale.
If you can,
Come with a pail,
To listen the tale
That is nothing but a gail.

Is there besides yourself.

Gajanan Mishra
Talk To Them

Talk to them,
They are your forefathers.
They were here,
Go to sleep and
In sleep talk to them.
They would tell
What you are,
Why you are,
How you are at present.
For you, they have built
This land, this house,
This life, this system.
And how you are using all
And how you recognize them.

Gajanan Mishra

Unique in his place.

See I have no talking terms
With this road with this mountain

I am pleased with transcendental bliss
Among themselves the birds the stars
The roads the mountains the trees
All are talking with day and night and
I kept myself aloof.

Day in and day out and I am here.

Thanks for Your invitation

I am your target reader, my dear
With love let me say rest is all clear
I know You are my career
And with You I cross the thick river.

Gajanan Mishra
Tarpoulene

Tarpoulene can be used and misfortune be invited.

It is not mere ignorance and ignorance no excuse.

Checking of status does not mean keeping secure.

No tarpoulene can save you unless you aware with a larger side order of mercury.

We have to go Kanyakumari
Soon.

Gajanan Mishra
Teach Me

Hear me, O river,
How you are going
Teach me, teach me,
Crossing sands, stones
How you are going.

Your going and enable me
To go and reach at my destination
The All mighty, the Supreme Truth

Gajanan Mishra
Teach Me About Human Species

What to teach and
What not to teach,
But teach me about
Human species.

Discuss, about the laws,
Rules and principles
And act as applicable
But for the general welfare.

Know them, who are
Actually pure,
Post them in the place
Meant for their value.

They know what is love,
They know what is truth.

Gajanan Mishra
Teach Me Geography

Teach me geography
That I want to know
Where is earth
That I want to know
The measurement of
Truth and the safeguard
Nature for future
Teach me geography
And show me the swimming
Pool and tell me
Here is the bucket
Full of water
That my body has the link
That swing in the blue sky.

Gajanan Mishra
Teach Me In Full

Teach me in full
O my dear,
Without your teaching
I am in dark about me.

Teach me in full
After knowing from You
O my dear, nothing else
Remains to be known.

You alone can teach me
About life here
About your glories
And manifestations.

Unfold please
True essence of all
Unfold please
Unfold please
Time-call.

Gajanan Mishra
Teach Me Love

Teach me love
What is love like
Is it not jugglery
Without flesh and spirit.

And what is love like

Neither woman nor wealth
Love means causeless devotional service.

Gajanan Mishra
Teach Me What Is There

Teach me and make me
Understand, my dear
What is there in me.
Tell me who am I
What for I am here.
How can I cross the river,
Tell me my dear, it is
Time to cross the border.

read me dear, I am my scripture,
See me I am here to open all
The chapters that are there in
Me soonere or later.
Let me understand the process of
Evolution and involution in me.

Gajanan Mishra
Teach Woman First

A woman is the pillar
The first pillar of the society
Unless the woman is taught
And trained properly
To be chaste and faithful
There can not be any
Peace and prosperity.

By nature women as a class
are merciless
And cunning
Women can not tolerate
Even a slight offense
For their pleasure
Women can kill their
Own husband and brother.

Women are very easily
Seduced by evil-men
Polluted women give up
Their well-wishers
And establish false
Friendship among fools
Even they seek newer and
Newer friends one after another.

Gajanan Mishra
Teacher And Teaching

Who is a teacher?
What qualification
he or she has
to teach others?
Is she or he
able to know the nature?
What is the meaning of
teaching here?

Be kind please,
My dear, leave me not
to ask any more question,
And also I am
not the person to
receive your answer
with honour.

Gajanan Mishra
Teachers

Teachers;
The tortoise,
The eagle,
The donkey,
The cat,
The lion,
The dogs,
The snakes,
The cows
And so many
Creatures including
The trees, the air,
The water, the atmosphere.
The sun, the moon,
The sky, the earth,
The light, the stars,
Teachers, all are.
Teachers,
My soul, my faith,
My truthfulness,
My sincerity,
My time,
Ny whiskey,
My drink,
My chicken curry,
All in fury.
Teachers,
Days, nights,
Peace, war,
Friends, foes,
Push, pull,
Sons, daughters,
Wife, sisters.
My dreams, my sleep,
My walk, my run,
All teachers.
To whom
I give what,
And for whom
I observe when.
I am nothing
And I am nowhere
Now and then.
Yet I open
All doors
For transfiguration,
For conciliation
And for reconciliation.
Here in stone life,
In grass life,
In sky life,
I remember the teachers,
In frozen ashes,
In birth and rebirth,
But for what, what?
I smile and I cry,
I left the place
For the love of
A true teacher.
Is he there?
Is he here?
I confused.
Yet I observe
As usual the day
For a teacher,
For teachers,
Teachers.

Gajanan Mishra
Teacher's Day

I observe
Teacher's day
Speaks fire
With no smoke.
Smokes, with
No syllable
I watch
On top of towers.

With teachers,
I am not to die.
I talk about human,
Not in waves of laughter.
In my own language
I salute all teachers.

I am willing to give
My fingers,
But I must know
At this time, teachers
Must not be cheaters.

Teachers are never
Takers, but see
Teachers are Frighteners
And I am the loser.

Yet as a learner,
I want to give the dues
To be paid
To teachers.
And I observe,
Observe this day.

Gajanan Mishra
Teaching

Teaching is important
We are learners being teachers
We are actually teaching ourselves
Our feelings our sufferings
And we are here to study to see.

O my dear, You are the only person
Who is here with us always
And giving foundations of learning
We know nothing and it is only You
Who know everything that is nothing.

Gajanan Mishra
Tearing The Sky

Tearing the sky
I moved
While I moved
Yor eyes open
To see red black blue
Who said I am
In white
In white only.

Gajanan Mishra
Tearing The Wings

Tearing the wings
I appeared in the sky
To discharge my duties.
The sky is not here, I see
And You, O my dear,
Remain still.
No link is available
And I uttered nothing
And You said Thank Q.

Gajanan Mishra
Tears

See I am crying
And only tears
And tears in my eyes
When I see
The miseries of all creatures
Here there and everywhere.

I am unable to mitigate
Their worries their sadness
They are all in troubles here
They are all in whirlwind of illusion
And I am crying how helpless
They are and also I am.

There are so many questions
And no answer and I am in fear
O my dear, see I know not
Any miracle I have no oracle
It is You who can save all
Who can save all from this hell-hall.

Gajanan Mishra
Tears - Symbol

Tears -

In your eyes,
For me and for others.
Really great you are,
I realized.

But I know you, who
Loves me much.
You are not merely flame
But burning fire.

You are the infinity,
You are the cage,
Wherein I take shelter
In waves.

In the language of the sky,
You call me and
I started my journey
Towards you.

With much pleasure
I walk days and nights.
I talk to the dark
And I see the light
And I sing live.
And in your names
I discover myself

All the remedy
For all ills,
That I know, mother.
And with your presence
I stay here freely,
For you expect me
To live long
To chant your name
And to establish truth.

Gajanan Mishra
Tenth Month

On this tenth month
The octogenarians are
Also going for love here.
And all worship the ocean
With their own octave.
The ochlocracy is meeting
Its own end, see my dear.
And I know, you are
The only occupant here.
At every odd hour,
You may give a call
And I am ready to touch you
As it is the month of October.
I fear, you might disappear.

Gajanan Mishra
Terminal Point

At this point
You may finish
Your routine works.

Let me clear
At this point
In details;

You may love,
You may smile,
You may speak,
You may cry also
No problems,
As because crying is
But necessary
For life.

And life is
Not yours
It is for all.
Are you not
Coming under all?
Ask yourself
And do
Whatever you like
At this point.

Gajanan Mishra
Terminating Contact

Terminating contact I appeared
Before you and you clarified
What I have achieved and how.

Really beautiful show that I
Announced before the members
And you assented to it that I know.

Being sole dependent I depend
On your answer that you have not
Given to me and I declared a road show.

Gajanan Mishra
Terrible

Terrible really
This world.

I am with my
Sublime hymns.

Motionless
Not afraid of
Death though.

And you
Appeared endowed
With attributes.

Gajanan Mishra
Terrific And Tremendous

I know, here,
Each and every man
Can do terrific and
Tremendous work
By his labour and
Sincerity with truth.
I know, here,
Each and every man
Has his own mind and
Intellect and heart
And can conquer all
Wealth and gain victory.
Each and everyone is
The drop of nectar, here.

Gajanan Mishra
Terrified, Collapsed

Terrified, collapsed
At the sight of this valley.
My voice is faltering now .
I desire not to utter anything
Though I am in the muddy water
Throughout the day.

Gajanan Mishra
Terror

Terror is terror
Terrorism has no color
Neither green nor saffron
Do not politicize terror
Terrorism is a question of life and death
Nab the terrorism at the bud
It is poison
Terror is terror
Terror has no border
Finish it at once if you
Want to be a peaceful person.

Gajanan Mishra
Terror - Nature

Terror
And terror
Root cause of
All fear.

I know
You are here
Giving shelter
To him who is sincere.

Coming with love
I suffer and
I surrender
Before nature.

Perfection clear
No objection from any quarter.

Gajanan Mishra
Terror - Not Allowed

Terror - not allowed,
Stop there. A man is
Growing within you.

Gajanan Mishra
Terror - Skip

Terror and
Terrorist,
First begins
From home.
From wife
I witnessed
But I skip.
And terror
Subside.
Worry not,
Here in this
World-home
One can use
Terrier if
Situation goes
Beyond control.
Worry not,
Skip all
And go to bed.
Ternary is
Everywhere and
In everbody.
We are to balance
Everyone here.

Gajanan Mishra
Terror - Westminster

Terror attack severe
In Westminster,
Nothing to disagree.
But see, it is
Lone wolf attack
In the most guarded zone.
But still, we are not able to
Speak in one voice,
And why we are not being
United in this big fight.

Gajanan Mishra
Terror Factories

I know,
Terror factories
Are there
In your area.
I know
Directly or
Through henchmen
You help them.
But I failed
To know what for
You are rearing
The enemies of
Entire humanity!
Are you not human?

Gajanan Mishra
Terror Havens

Terror havens
Will not be tolerated,
Rightly said.
Terrorism, the enemy of
Humanism.

Man is born free,
And no one is allowed
To harm or kill
Or chain or give injury.

Gajanan Mishra
Terror, Dreadful Blast

Terror,
Dreadful blast.
Good-bye, good-bye,
America, Pakistan,
Russia, Israel, Iran.
I am an Indian,
I want non-violence,
I am in reality,
I want to learn tolerance.
The play of ice and fire
Is not liked by me, see.
How peaceful I am!
But leave me alone
I have to go with all humanity.

Gajanan Mishra
Terrorism

Terrorism is a serpent under the flower
By the so-called politician of the world.
And they are making false belief that
Terror anywhere in
Any form has to be rooted out.
And they pour water manure regularly on it
To make themselves on the power and position
And they expressed their good wishes and rapport.
To say frankly the politicians are
Living in Rome and strifing with pope.

Gajanan Mishra
Terrorism Is Not Fun

Terrorism is not fun,
The sky is full of terrorism.

Gajanan Mishra
Terrorism- Politics

Terrorism.

What is it?
How you dare
To solve its
Problem?

When I am
Not able to know
My own complain-boy
How can I say
You are a toy?
I know not
Who is safe
And who is protected.

It is apparent,
You are going through
Party-politics
That has no access,
And that is concerned
With own power, own
Position and own prestige
Without caring real
Issues and game planning.

Gajanan Mishra
All the people
Of the world
Be united and
Fight against
Terrorism.
Terrorism threatens
The entire world,
Terrorism is
The enemy of mankind.
Let all work together
To make terrorist
pay for their sins.

Gajanan Mishra
Terrorist

My wife is a terrorist,
My son is also a terrorist,
My daughter-in-law is another,
And my grand-daughter
Is yet another terrorist.
I am living in terrorism,
I am living in global terror
My duty here is to
Talk to a terrorist,
To understand his thought,
His feeling and to help him
To go ahead of his plan.
I must recognize him as
My near and dear, I must love.

Gajanan Mishra
Terrorists Must Be

Terrorists must be
Brought to justice
Rightly said Obama.
I salute you, sir.

We must delegitimize,
Disrupt and dismantle
The terrorists
Operating on this earth.

We can and we must take
More effective prompt
Actions to destroy all
The enemies of humanity.

Let our earth stay in peace,
Let all people love each other.

Gajanan Mishra
Terror-Struck

I am afraid
I am going back and back.

I see you with
Numerous forms, bellies
Mouths, eyes, size and forms.
I see you all sides
You are the universe
With no begining
no middle no end.

I am going back and back.

I am happy
I am with you always
And all the quarters are
Entirely filled by you alone.

I am afraid
Without you
I am terror-struck.
I lost my control
And lost peace.

Gajanan Mishra
Test Me

And see
I am not unreliable
I am not worse
Tame me mot
I am faithful
As faithful as watch dog.

See me
I am being created
By You
And I am self regulated
No reason
Why I won't be so
In future.

Gajanan Mishra
Test Life

What has happened?
Is it due to your
Unnatural crime?
I know it is
Not an ordinary disease.
And you have to bear it.
Let me ask you
How you feel at this moment
With everything around you!
Still, let me request you
To keep your mind pure
And stay in peace,
Just wait, for the next
Order of nature
And wait to regain
The power and position.
Go on with your good will
And intellect and be honest.
Prove yourself my dear
Selfless and honest,
Think not otherwise and
Feel and test life the best.

Gajanan Mishra
Test Me

Test me, O my dear,  
I am in truth and  
I am truthful  
In my thought  
In my word  
In my deed  
And see me  
I am happy.

Gajanan Mishra
Test My Character

Test my character,
I invite you.
Give me power,
Give me wealth
And test,
If you so like.
I am as pure as,
I am as bright as,
I am as fixed as
That North-star.
I am there
Where there is love,
I am there
Where there is truth.

Gajanan Mishra
Test Not Anyone

Test not anyone
Test yourself.
Be conscious, your
relationship in this
world is permanent
and eternal and pious.
The world is neither a
stage nor a playground
that you can do as you
like as suggested by some.
Be serious, what you do,
that would return to you
only to you. what you think
you would turn in to that.

Gajanan Mishra
Test Not My Patience

Test not my patience, my dear,
My patience is there in its limit.
See me, Lilliputian I am,
Try not to dismantle me in any way,
Throw not hate or anything like that
On me, I am not able to bear, my dear.
Test not my patience, my dear.
Separate not me from your own self.
I am yours, see me, love me,
Take me to your account and bear me,
I am for you and you are for me.
No one can separate us, not even time.
We are both one and belong to same kind,
See me, like you I am also here living.

Gajanan Mishra
Test Not The Might Of Another

Test not the might of another, my dear,
All are the sons and daughters of nature
with same feature and past, present and future.

Gajanan Mishra
Test Power

Take steps to
Correct the vision.
And it is in
All relations.

The light and
The shadows are
One and the same.
The friends and
The foes are
One and the same
And they all
Coming together
And going away
From here.

With care
Test power
In the fire
And in desire.

Gajanan Mishra
Test Yourself

Test yourself, my dear
When you are alone
At night, while sleeping on bed.
Test yourself, what are you
And what you wish in life.
Wishing not anything is great
Wishing means attaching with this and that
Attaching means defeating in life.
You must keep detach from everything
Or they detach and not reluctant to
Delete you from their own books -
This is the tradition and convention
Of life so far it is being practise
And you are the bait this and that.

Gajanan Mishra
Test-Fires

Dare-ness is there,
I dare say I am daring,
As you see, my missile,
Missile of words
That are there
To uproot the dark-
A fresh user trial
Of face to face short and
Long range fight,
For the sake of the self,
That is there with me
To create a new history
Of life and peace
For all time here.

Gajanan Mishra
Testing Centre

This world
Prepare yourself
For the test.

Testing is mandatory
What you have done
That are to be tested
Again and again
And it is you to
Take the result.

Keep any relation or not
See anything or not
Doing is must
How to do and the decision
Ultimately lies on you.

Whether you are a
Sage or a voluptuary
Nothing to worry
Topic is clear that is life
And you are to choose
How to explain life-verses.

Testing centre
This world
This world is yours
You are for the world
To test yourself
Suo-moto.

Gajanan Mishra
Testing Time

It is not your
Trouble time
But it is
Your testing time.
Worry not
And go on.
Think not
You are alone,
Each one is there
To help you
And cooperate you
To reach the truth.
Believe me,
I am for you.

Gajanan Mishra

Gajanan Mishra
Thank For Strength

Thank for Your strength,
O my dear, I know
You can convert a blade of
Grass in to thunderbolt
And also vice versa.
O savior OF Mankind,
I know, You are here with me,
And I am saved in all respect.

Gajanan Mishra
Thank you for the poem,
O my dear poet.
I see the heaven
And the earth
At the same time
In your poem.

In your poem
I am able to
Discover myself.
Let me discover myself
Again and again
Let me read your poem
Again and again.
I know I am in your poem.

Gajanan Mishra

Of nectar.

Necessities of life
Like food, clothing
And shelter,
We are one and
The same

Here, there.

Thank You, Sir

Thank you, sir
For the comment
On my poems.
Thank you, you have
Understand the truth.

You have realized,
Life is not a joke,
That's enough.

You,
Yourself is the light,
You,
Yourself is everything.

Spend the time, dear,
For the welfare of others.

Gajanan Mishra
Thankful

I am thankful
I give honour.
You my beautiful
Flower bud
You are my God.
I agree to abide you
To go with you
Believe you trust you.
Let us join hands
With pleasure
Let us fair to each other.

Gajanan Mishra
Thankfully I Accept

Thankfully I accept You, my dear
The fire of my errors, sorrows
And indigence has been quenched.

In this life-ocean I worked
For my livelihood for a long time
Today I know the truth by this poem.

I am well aware of love and truth
I am well aware of You.

Gajanan Mishra
Thankless

Is writing thankless?
Are you unafraid?

Where is the dark
Tell me frankly.

No discipline?
Come on and see.

Open Your eyes
And hear my reciting.

Gajanan Mishra
Thankless Job

Is cooking and
Rearing and
Raising children
Thankless jobs?
Is it practicable
To pay a house wife?
Is the clock
Of the house of
A woman works
properly?
Is the sun rise and
Set in time?
Is the homemaker wife
A prisoner or beggar?
Is it not our duty
To recognize the wife
First at home?
Today itself
We have to answer
All the questions
In our family first.

Gajanan Mishra
Thanks

Stay here
till the end.
You find atlast
pleasure everywhere.

Be soft be happy
success is at your door.

Go and see
the bird in the nest
Go and do
what you want
at your level best.

Say what you like
have a look first.

Hear all sound
properly and stay
till the end
and in the end
find that you are
here all time to come.

With pleasure
welcome everything
thanks for the tips.

Gajanan Mishra
Thanks Bikash

Thanks Bikash
For your scene of
Stench and chaos.
My dear,
This is our Bhubaneswar,
Our capital.
And it is Rajmahal
Center of all mischief
If you so like
You can pass urine.
Think not otherwise
It is flyover sight,
If you so like
You can show your might.

Gajanan Mishra
Thanks For

Thanks for giving
So much, my dear.
I am here, only
For You and doing
Your works by Your
Order and under
Your supervision.
I am getting here
Every pleasure and
I do admit it is my due.

Gajanan Mishra
Thanks for telling
You are a being.
While telling
You are divine.

Let me remind
What you tell
That is real.
It is as real as
Renunciation of
Unreal.

Gajanan Mishra
Thanks For The Comment

I know it is Your love
It is Your mercy.

It is all in my poems
And I am undisturbed
No one is so daring to attack us.

See me
I came out victorious
Every time here.

I am within both
Encouragements and
Disturbances.

The victory is with me always
Thanks for the supplements given here.

Gajanan Mishra
Thanks for the love,
It is the love
That keeps us together.
Let me hope
Today be the day of truth
And be the day of life.
Life flourish only in love
And I must give you thanks
For your realization.
Love needs sacrifice,
Love needs renunciation
And I think you know
All these for good days ahead.
Thanks for the love.

Gajanan Mishra
Thanks Mr Prime Minister

Thanks, Honorable Prime Minister,
You have recognized
My state language Oriya @ Odia,
And you have agreed to use it
In your office at the national level.
But my dear Prime Minister,
I am sad at present as
No scope is here to use it
In our state government offices,
Though, constitutional provisions,
Laws, rules, High court decisions are there.
My Chief Minister is always using foreign language
Which is not there in the 8th Sch of
The constitutions, not there in the Language Act 1954,
The judges of my state are not interested
To give order/judgements etc in state language
Though, provisions are there in the Civil Procedure Code,
Though provisions are there in the Criminal Procedure Code,
State gazettee notification is there since 6.6.1972.
Shri Narendra Damodardas Modiji, Honorable Prime Minister
Of my land that is India, I pray before your honour to take
Stringent actions against this unlawful, unconstitutional
And undemocratic acts here in my own state by the officials
And judges and direct them to act according to democratic
And parliamentary principles here and act for
The common good of humanity at large.

Gajanan Mishra
Thanks Paulo

I am tired of hating
Thanks Paulo
I am Yours
But everything glows.

Here in this sweet singing
I don't want to miss
My dear soul
Here I play game without foul.

Garland of praises are here
O my dear, See I am near
The moment is auspicious
I know you are most pious.

Love and love and love life
I know you are with your wife
I know life that is
Excellently composed.

Enjoy life afresh
It is blooming
It gives fragrance
Play honey-moon every moment.

No hating but love
Love is life my dear
Every moment is the moment of beginning
Find love in hating in hating.

Gajanan Mishra
Thanks To The Politics

Thanks to the politics,
I could not find
The head and tail of it.

No fraud, no force,
I want equality and
Right of course.

I want to be heard
In full here,
And you are there
To listen me, my dear.

I am your part and parcel,
And without you, I am nothing.
Without me, you will be there
That is also a great question.

Gajanan Mishra
Thanks, I Am Going

Thanks, I am going
And going without doing
Anything and going
Thanks, I am going
And going and learning
Patience tolerance
And understanding
Thanks, I am going
And going facing daily life
With the wind
Upwards and downwards
Thanks, I am going
And going is my only
Offering to you.

Gajanan Mishra
Thanks, I Am Grateful

Thanks, I am
Grateful to You,
I am grateful as
Finally You have
Accepted me as a whole.

Gajanan Mishra
Thanks, I Am Yours

Thanks, I am yours.  
And I am not distressed.

Thanks, turning to this way,  
And for recording good accounts of life.

Forget not anything  
And undertake good deeds always.

See me, I am happy  
And you said it is the reward of virtue.

Gajanan Mishra
Thanks, My Dear

You have given me
This air and this light
You have given me water,
And thanks You, my dear
This earth is Yours,
The sky above is also Yours,
Let me thanks again
For the life that You
Have given me for the service
Of others, I know, You are
There in the hearts of all.

Gajanan Mishra
That Adjoins

That adjoins You and me
My dear, let us called it nectar.
And here it is in this life.
You can not find lower or upper
My dear, it is our sphere at the same time.
See here, so many parts, but it is one.
No expert geographer can say
Anything about it or instruct us.
It is we ourselves who know better.

Gajanan Mishra
That Are Going On

The things
That are going on,
Beyond my control.
True, but I am here
To channelize the process
For the better understanding
Of the life.
The life is not under anyone,
The so-called lord or master
Or ruler or controller,
But I know each one is potent
And capable of doing anything,
And each one can make things happen.
I am aware of the purpose
And I am conscious of reality.

Gajanan Mishra
That Can Disturb Me

Unfavorable thing
Is nowhere,
That can disturb me.

The dream is there
That can make me alert.

I am fully conscious,
And I am satisfied with
My position here.

I need nothing
From anyone here.

But I must
Love them all.

I am peaceful, and my dear,
I am Independent and the enjoyer.

Gajanan Mishra
That Does Matter- Thinking

For what
I am here
You know better.
Do what you wish
I am here
To see my own feather.
The sky is
Telling his own history
And I am the only listener.
If you so like
You may call yourself father
I am the sound-enjoyer.
What you think, remember,
That does matter.

Gajanan Mishra
That Exist

I am in a platform
And that exist.
I am not in anxiety
As I am in truth.
I have no idea
About my joy.
But I have an idea
About the path to truth.

Gajanan Mishra
That Has A Meaning

That has a meaning,
What you have said
My dear poet.
Only needs is
Translation of the teaching,
And the learning into practice.
What you have said
That is truth, my dear poet,
It shows your love towards the earth
and towards all.
I know, you are the lover,
Lover of all creatures
and you are doing all works
as per scriptures.

Gajanan Mishra
That Hedgehog

What he is saying
That hedgehog
No no that lizard
Nodding head
To the cockroach
And that frog
Is not there now
As You see before
No story is formed
By the beetle anymore
And I as a co-being
Coordinate them all.

Gajanan Mishra
That I Am Here

That I am here
To show the way
Of truth and justice
And You are going away.

That You are here
In truth and in justice
And I am forgetting
That you are nothing.

That I am nothing
And also You
That I am writing
And that is washed away.

Gajanan Mishra
That I Doubt

Is everything well
That I doubt.

Is there any difference
Between You and I
That I doubt.

We are all going to
Search the Truth
Needless to say.

Comparison is not
Advisable as in the beginning
And at the end there is sky.

I doubt
Where I am
And going where.

Gajanan Mishra
That I Know

That I know
I am here You know
I am with You sure
Without You I am
No here I know
You know me
I know You
And we are here.
Knowing You is
Not my knowledge
This knowledge is
Completely yours
I realized my knowledge
My knowledge is
Approved by You
It is your desire.

Gajanan Mishra
That I Know - Almighty

You were present
You are present
You will be present
That I know
In this beautiful world.

In this beautiful world
You are the creator of all
But no one create You
I am with You
In Your transcendental beauty.

This laughter this humors
All are in me only for You
And You are here for all
That I know
From the experience of my life.

O my dear, I am Yours in to to
And you are for all with
All Your beauties with a smile.

Excuse me for my humors
For my laughter and You know
These are only for those
Who are well known about Your
Mightiness and going far away
From the Truth knowingly just
for the sake of ego.

Gajanan Mishra
That I Lost

This world
With gained memory.

That you are
In unidentified time
Not real I know.

What about affinity
Non-self
I bestrewed.

Gajanan Mishra
That I Walked

By You for You
That I stayed
Here is the truth.

Together with You
I am delighted
At the sacrificial
Place that is here.

It is my eagerness
To please you
I gave out all
And I make my present.

Gajanan Mishra
That I Want To

That I want to know
From you who are you
That I want to know
Whether you are kind to
Everyone or not
That I want to know
Whether you are fixed
In the Absolute Truth
Whether you are faultless
Whether you are charitable
Whether you are mild clean simple
Whether you are benevolent peaceful
Steady self-control respectful
Grave compassionate humble
Whether you are poetic expert silent
That I want to know my friend
That I want to say whether you are
Liberated from material entanglement.

Gajanan Mishra
That Is All

I lack nothing
I need nothing
O my dear
You are with me
That is all.

Gajanan Mishra
That Is Cuckoo

That is a cuckoo
A well known bird
Appearing in the spring.

Spring is the king
Of the seasons
With multifarious
Flowers and fruits.

Flowers and fruits
Are the natures offering
To its creation.

Cuckoo is a creation
Rarest of the rare.

Gajanan Mishra
That Is I

That is I
Just see
And be silent
Just hear and
Be silent
And in silence
Find yourself
That is I.

Gajanan Mishra
That Is Life

That is life
That tells life.
Let me stay alive
By telling my own
Life story.
And my life story
That joins you
with me.

Gajanan Mishra
That Is Not Here

Question not put
Reasons not known
I enjoyed transition.

Game is smooth
Everybody here
Comes for pleasure.

That is not here.

Gajanan Mishra
That Is Nothing

That is nothing, that is nothing,
Let me see, what is happening,
I am telling, I am telling,
That is nothing, that is nothing,
You are telling, You are telling.

What is happening, what is happening,
I know nothing, I know nothing,
And it is happening, and it is happening
It is my feeling, it is my feeling
You are telling, nothing, nothing.

But something is there, that is happening
And I am changing my shape, my size
You are remaining the same, as it is
And You are telling, O yes, it is something.

Gajanan Mishra
That Is The Way

Love yourself,
That is the way
To stay in peace.

Gajanan Mishra
That Is The Work Of A Mother

And mother never honored.
Hearing and chanting continue
And result nothing to be found.
Faulty processes of initiatives
Was log in and that is in troubles.

Gajanan Mishra
That Is There

In the dark
I have no knowledge
What is there.

That and this
Has no meaning
And I am going
With care.

No frustration
No success that
Provide me light
I know cap tight.

What you think
In hunger in thirst
Is a matter to ponder
I love you, my dear.

Gajanan Mishra
That Is True

What you stated
That is true
And that is true
What you have not stated.

Time you stated
Is with you
And we are in time
And time passed.

In passing time
We all assembled
That is true
Appearances not true.

Gajanan Mishra
That Is Why

That is why
They called me poet
I eat everything like the sun
I sleep anywhere like the sky
I sex with you only as true devotee
And I want nothing
I see you I feel you I touch you
I give you my poetry O my dear
Where you live in peace.

Gajanan Mishra
That Is With Life

Accept the reality
That is with life
And go with wind
That is flowing within.

Acquire and migrate
That is life and
You are there with
perfumes of earth.

Forget not fragments
Evolution of nature
Discriminate power
Rectifying errors.

Gajanan Mishra
That Is Your Arrogance

What you want that I know
and that is your arrogance.
Your faces are different in
different times that I know
and still I hope you erase
all pretension.

Gajanan Mishra
That Mouse Was There

That mouse was there
All the time,
And we were here
All day long.

God, forgive the mouse!
God, forgive us for we have
Applied poison in the end.

Gajanan Mishra
That Old Man

That old man
I have seen him
On that bank of the river
And he told me so many things
O my dear, let me tell you
About that old man and his future.

That old man
Who is he ask me not
I am not in a position to answer
I know though that old man who has
Lived so many years with some purpose
And what is that purpose ask me not, my dear.

That old man
Has acquired so many experiences in life and
Knows so many things about leaves flowers fruits water air
And about roads buildings mountains forests animals birds
And about the earth and the sky and let me say he is the moving
School of our area and seeing him even the rising sun can able to
Know the story of how to and what for he is going to set.

And when to set the old man knows better than anybody here,
O my dear, ask not why he is going to die and why he is going
To live with so much luxuries that have no role to play
In the real life and let me explain in clear terms that they
Who were talking and smiling so loudly where are they now
That old man know very well why he is there on the queue so long.

Gajanan Mishra
That Poem

One poem
Suffice the purpose
To change the world
To bring peace and order
To establish what a man is
And I am going to write and
Writing that poem
Search it out
In my poems.

Gajanan Mishra
That Revealed

That revealed
First of all
And is the root
Of all.
Let us remember
The history and
The geography
For welfare of all.
Be a seeker of truth
And perform various acts,
For the truth
For the reason that
You are the truth
And truth is only here.

Gajanan Mishra
That Should Be Used

Everything is yours
I know, whatever
I received here.
That should be used
To render service to you
That I must know.
Failing this I would
Fall to the trap of foes.

Gajanan Mishra
That Too

That too vocal,
And I staged it
Through words.

Players are
Not to be
Excused or
Ridiculed.

Give support
To the birds,
And let them
Appear here.

Nervous system
Is all theatrical,
And also practical.

Gajanan Mishra
That Word

I am in search of that word
That has power to transform me
To a lion from a coward.
I am in search of that word
That can give me all goodness
All joy and everything of a pious life.
I am in search of that word
And I pray give me and enable me to live.

Gajanan Mishra
That You Are

That You are
Coming to me
Time and again
And who are You
I have full knowledge
Of You and I am
In need of You
I think of nothing
Besides You
That You are
Not coming
You are here
As before and
It is I who is
Coming and going
With You
Within You
And not beyond You
And to put
Who are you is
Not necessary
In between.

Gajanan Mishra
That You Want To

Where is the shore
That you want to cross
Where is the road
That you want to cover
Where is the work
That you want to accomplish
Where is who
That you want to make friendship
Where is the time
That you are want to go
My lovely dog jon is here
That want only to bhow bhow.

Gajanan Mishra
That's Enough

What you want
That I know not,
But I know
You are within me
And that's
Enough for me
To lead a peaceful
Life here.

Gajanan Mishra
The Actions

The actions
Of the persons
Who held
Respectable position
Should always be
Justified, glorious,
Full of mercy and equity
And without duplicity.

Gajanan Mishra
The Affair

The affair!
But for what?
I want to know.

And you told nothing.

The contents of my poems
Changed.
Powerplus not worked.

I entered
Into the business class.

I want nothing,
True.
On the road, I stood.

To love anyone,
Not my principle.

Gajanan Mishra
The Age Of Dictatorship

No king, no dictator,
The age is gone.
Democracy is here,
Human right is here.
To protect human right
We live here with
All scopes for
Development of a man.
No one can find
Alternative to a man.
Man is at the root of
All developments.
Accept not unreal world,
Accept all reality of life.

Gajanan Mishra
The Air And The Sunshine

The air and the sunshine,
They are all mine.
The wife and the crowns,
Though not at times.

Poor inhabitant I am,
And I have nothing.
But I am not bluff
As you described.

Fortunate I am I feel
To be with you,
I know no material wealth
Can make me the truth.

I am very proud I am alive,
I am the dust under your feet.

Gajanan Mishra
The Air Is For All

The air is for all,
And it is free.
The sun ray is for all,
And it is free.
The rainwater is for all,
But it is more important
To the earth than to the ocean.
A man, by nature
Is not mercantile.
A man, by nature
Lovable and desire
To stay in truth.

Gajanan Mishra
The Air Is Telling Something

The air is telling something
And I am trying to hear that.
The light is showing something
And I am trying to see that.
You are there as before
And I am going to touch you.
You are the only truth here
On this earth, that I know.

Gajanan Mishra
The Anger, The Desire

The anger, the desire,
The hankering, the feelings of attraction,
All are my inseparable parts and
For them, see my activeness here always,
They are all the symptoms of my life.
To cut off the relation with anyone
Is not the solution to any problem,
But I have to look in a deeper view.
Let the affection, sense of gratification
Are there in their place and
Let me move forward in my ways with
Full love of nature to touch the truth.

Gajanan Mishra
The Answer Is

The answer is in the question
Please read the question
and search the answer out.

Th answer is no way related
with any one here living and
it is you to think what to do.

Gajanan Mishra
The Art Of Living

Just eat what you get,
Just smile whom you witness,
Just walk where you can,
Just stay with purity of your heart.
No education, no religion
Is necessary to take breath.
Just see the thing as it is,
Turn not anything up side down.
Each one is unique like you,
Respect others as you are.
The best way to explore the time is
You smile, your love and your truthfulness.

Gajanan Mishra
The Ball

The ball I am throwing
with force towards the wall
to catch it again.
I am loving you in deep
means I am loving myself
thinking I am you.
Thing is not of
missing but of discovery

Gajanan Mishra
The Base Is One

We are all at
The starting point and
Our jouney is going on
From the same place
And we are also going
To the same point,
Where there is
No darkness and
No light either,
The sum and substance
Of life and love
Are all the same there
And also here, the way
And nature differ though.

Gajanan Mishra
The Beach

I came to the beach
To see how I am
Going to put my life.
The beach is the witness
Of all incidents
That are there
In between the earth
And the sky.
I am the first here to
Make head against
All unlawful acts.
But you are to clarify
O beach, what is law
And what is unlaw.

Gajanan Mishra
The Beautiful Place

The beautiful place
In this world,
Do you know
Where it is!

Do you know
What you mean
In this burning night!

Where you are
How can you say
Without knowing
Your own status!

Hearing something
You murmur, but
What is it?

Gajanan Mishra
The Beauty Of A Mountain

The beauty of a mountain
I see within.
Mountain and woman
Are the same and
They are the symbol
Of all love.
Love and life
Go side by side
And also go together
With nature.
Natural love and beauty
Are there in life
That is coming from
Mountain and woman.

Gajanan Mishra
The Beauty Of A Poet

The beauty of a poet  
Is in his poems.  
The beauty of a woman  
Is in her devotion.  
The beauty of a man  
Is in his forgiveness.

Gajanan Mishra
The Beauty Of The Day

The beauty of the day
I thought mine.
I am happy when the day
Cautioned me
By saying tell not a lie
Gajananji, admit the truth
And the truth is
Nothing is yours.
I enjoy the streets,
But the street itself
Is going away from
Its own path and
Made me wise by saying
Take it, all yours.

Gajanan Mishra
The Beginning And The End

Both came forward to speak
The truth that they are
Not in a position to
Measure even the visible.

It is for their sustenance
They have appeared here
The beginning and the end
Said before all and they
Clarified they have no control.

It is true I have no concerned
With anything with anybody
It is equally true they have
Concerned with me at this time.

Gajanan Mishra
The Beginning Of The Day

No end, but
it is the beginning
of the day.
And you are
There in the sky.
It is all the way
I am searching you
But you are there
In the sky.
The sky is there
In my deep sleep.
And I am searching
Myself in new fashion
While buying a new toy.

Gajanan Mishra
The Beginning Of The End

Life has no beginning
And no end, but
It is the beginning
Of the end,
It is the end
Of the beginning.
Understand me,
And in your understanding
I live.
I live with you
In love.
And in love
I find all truth,
My dear, forget me not.

Gajanan Mishra
The Best

O bird
Why are you
Building a nest
I am looking
Your world
The best.

O bird
Why are you not
Sitting here
For a while
I am looking
For your smile
To go miles.

O bird
Making merry
In the life
Is your aim
I pray tell me
The secret
Of the same.

Gajanan Mishra
The Best - Love

Love is the best,
But what is that love,
Can you say, sir?
No matter, if you
Dare not to utter
Anything about it.

But listen, the love
Is the only truth here.
From the love you
Get strength to live.
From your own life
You can study it.

Follow the principle
And stay there where
You are at this time.
Know your own limitations,
And say where you are
And for what purpose.

Admit your preoccupation,
And misunderstanding therein.
But stay determined to
Do justice to everyone
Around you starting from
A straw to sand and sky.

Gajanan Mishra
The Best - The Enjoy-Er

O my dear,
You are the best
You are the enjoy-er.

O my dear,
You are the Ultimate Truth
You are the Universe.

O my dear,
You are eternal
I am with You and it is final.

O my dear,
You are not comparable
For You everything is possible.

O my dear,
You are the reservoir of all pleasures
You are all powerful and the enjoy-er.

Gajanan Mishra
The Best Among All

The best among all
You are my dear, and
You are there to reap
Direct benefits of love.

You appeared and searched
The meaning of life, dear,
And discovered yourself
And realized the self.

With specific knowledge
You realized the truth
And the special significance
of life here at this time.

Within you, there are so many
Divisions, my dear, but to
Keep them all in tact, I
Made the unification code of life.

In this life, you are the best,
And I am here to support you
At the cost of time and
I made you feel my love.

Gajanan Mishra
The Best Day

The best day
Is the day
When I am
With my mother.

The best day
Is the day
When I am
On my land.

The best day
Is the day
When I am
Allowed to speak
In my mother language.

The best day
Is the day
When I am
Free to fly
With my wish.

The best day
Is the day
When I am
with you dear
Always everywhere.

The best day
Is the day
When I am
What I am
With the time-
The same.

Gajanan Mishra
The Best Of All Poets

Read me, I am
The best of all poets.
I have, in my poems
Prayed for the protection
Of all creatures focusing
Upon undeviating devotion.

May you enjoy all good fortune
O my dear, all glories to you
All distress in your life
be removed, I pray before Almighty
Through my poems that are the best
I am the best of all poets.

Read me, understand me
I am here always with you all.

Gajanan Mishra
The Best Of Men

You are, my dear,
The best of men.
You are there
To listen to me,
You are there
To keep all truth
With you.
You are there
To perform all
Truthful actions.
You are there
To act as
The purifier
Of the wise.

Gajanan Mishra
The Best Poem

Rightly said
the pregnant woman
is the best poem
The best and lovely poem.

What is there
in a lovely poem?
Do you know my dear?
Will you express it?

Hearing this
You went to sleep,
telling, you are going to
search in the dream.

It is there in a poem
It is there in a pregnant woman
all love and all truth and all happiness
of all inhabitants.

Gajanan Mishra
The Best Things

The best things
In this world
Is friendship.
To get a good
Friend is luck.
To be a good friend
You are to be
A good man.
To be a good man
Clean heart with
Transparency and
Innocency is required.
Helpfulness is the
Extra qualification.

Gajanan Mishra
The Big Picture

My integral part-
You are.
The big picture-
I am alive.

All positive-
My style.
My reform area-
Law of nature.

I suffer
With my sleep.
But my spirit of freedom,
Taking me to light.

Gajanan Mishra
The Bigger Swallows The Smaller

The Bigger swallows the smaller
The stronger kills the weaker
-the rule of nature.

And nature is under Your control
O my dear, see I am at Your
Lotus feet fully surrendered.

I know survival of the fittest
I know living beings are conditioned
Under the law of struggle for existence.

This law is framed by You, O my dear
And You Yourself is within and
Without, under and above such laws.

I know You are always here
O my Supreme pleasure
And You are only mine here.

Gajanan Mishra
The Bird

The bird
I do not know
its name come
the world is his
it proclaim.

A dead lion
broke the convention
and roared
in nobodys jungle.

The bird whisper
come to me with honour.
I offer a cup of tea
and it flyaway.

I forget what
exchange of thought
was there their
with the bird
on the way.

Gajanan Mishra
The Bird Is Distinct From The Tree

The bird is distinct from the tree,
The tree is distinct from the sky,
